North Carolina General Assembly

House Committee on Finance

Minutes

~

February 22, 2005

The House Committee on Finance met on Tuesday, February 22, 2005 at 8:30 am in Room 544 of the Legislative Office Building. The following members were present: Chairpersons Alexander, Gibson, Luebke, McComas, and Wainwright; Vice-Chairs Daughtridge, Hill, Ross, Weiss, and Womble; and Representatives Blackwood, Bordsen, Capps, Carney, Dockham, Faison, Folwell, Glazier, Hackney, Holliman, Jones, Lewis, McGee, Underhill, Vinson, Walend, and Wiley. Also present were Sergeant-at-Arms Bill Freeman, Fred Hines, Dusty Rhodes, and Walter Spell. Staff persons present included Cindy Avrette, Rodney Bizzell, Gerry Cohen, David Crotts, Mikael Gross, Ashley Huffstetler, Linda Millsaps, Alexei Pavlichev, and Martha Walston. The Agenda and Visitor Registration Sheet are attached and incorporated into these minutes as **attachments 1 and 2.**

Chairman Luebke called the meeting to order at 8:39 am and recognized the one (1) page present: Matthew Guin of Lee County, sponsored by Representative Sauls.

Chairman Luebke recognized Senator Nesbitt to explain **SB 7 – HURRICANE RECOVERY ACT OF 2005** (see **attachment 3** for a copy of the bill). Senator Nesbitt, as the bill sponsor, explained that the bill provides assistance to individuals, businesses, and public agencies that sustained damage from one or more of the six hurricanes that struck North Carolina during the late summer and early fall of 2004. (The bill analysis and fiscal memorandum are included in these minutes as **attachments 4 and 5**.) He noted that the bill makes appropriations to the Disaster Relief Reserve Fund, which has already been established by the Governor in the Office of State Budget and Management. He also explained that the bill was re-referred from the House Appropriations Committee to House Finance due to an income tax exemption present in the bill.

Chairman Luebke then recognized Linda Millsaps with Fiscal Research to further explain this income tax exemption. Ms. Millsaps stated that under current state and federal law, payments received to replace property lost in a federally declared disaster are exempt from tax. However, payments received to replace income are not exempt. For instance, Ms. Millsaps noted that payments to farmers for crop losses would be an example of a taxable payment, since the crops are assumed to be converted into income. She stated that this bill would allow for this exemption. She also noted that the General Assembly provided similar tax relief to the Hurricane Floyd victims in 1999.

Lynn Muchmore with Fiscal Research was then recognized by the Chair and provided a brief overview of the funding provided in the bill. Noting approximately $247 million in funding, Mr. Muchmore stated that approximately $91 million had been secured by the Governor in budget reversions from 2004-2005, $3 million was coming from the General Fund as monies remaining

unused from the Hurricane Floyd disaster of 1999, and the remaining $153,541,000 was being drafted from the Rainy Day Fund ($30 million of which had been designated for the study of preventing future floods).

Following this explanation, Chairman Luebke opened the floor for questions from the members of the Committee. Representative Wainwright was recognized and inquired as to the $30 million appropriation in the bill to fund the prevention of future floods. Senator Nesbitt was recognized to speak on the inquiry and explained that there were some relatively minor measures that had been identified and that could be taken in several of the western areas in the State to help prevent future flooding events should the State be struck in the west by hurricanes again. Senator Nesbitt also noted that the $30 million includes both the study and implementation of these preventative measures.

Representative Walend was recognized next and emphasized the tremendous amount of time and effort that Senate Bill 7 had received, both in the full Senate and the House Appropriations Committee as well as in the task force formed to address the issue. She was then recognized by the Chair for a motion and moved that Senate Bill 7 be given a favorable report.

Prior to taking action on the motion, however, Chairman Luebke recognized Representative Blackwood for an inquiry. Representative Blackwood asked how authorization would be granted for the funds appropriated in the bill to be spent. Senator Nesbitt was again recognized and explained that the Governor would have control over when and when not to authorize the use of funds.

Representative Holliman was recognized next and inquired if any of these funds had already been spent to assist those in the western part of the State. Chairman Luebke again recognized Senator Nesbitt to respond. Senator Nesbitt stated that some of the funds, a portion of the $91 million that the Governor secured from 2004-2005 budget reversions, had in fact already been provided as assistance to those in need. He also noted, however, that much more assistance was needed.

Chairman Luebke then recognized several of the House members from the western part of the State who were present at the meeting to briefly address the Committee. Representatives Goforth, Rapp, Fisher and Sherrill all spoke to the needs in their districts and to the high degree of planning on the bill. They also noted that great care had been taken to ensure that the funds appropriated in the bill would be spent properly and as they are intended. Representative Hackney was also recognized and reminded the Committee that Section 4.1(a) of the bill sets the appropriation provided in the bill as a "maximum" amount, and the Governor is not required to disburse any more than is needed in the State's relief efforts.

For a final inquiry, Representative Wainwright was recognized and asked Senator Nesbitt if there were any criteria or standards in place that localities were required to meet in order to receive assistance under the bill. Senator Nesbitt responded that, again, the Governor would exercise control on the release of funds. Some general discussion amongst the members then ensued on this point.

Chairman Luebke then called Representative Walend's motion for a favorable report to a vote, and the motion carried unanimously. (see **attachment 6**)

As there was no further business before the Committee, Chairman Luebke then adjourned the meeting at 9:38 am.

Respectfully submitted,

Representative Paul Luebke

A BILL TO BE ENTITLED

AN ACT TO ENACT THE HURRICANE RECOVERY ACT OF 2005, MAKING FINDINGS AS TO DAMAGE CAUSED BY THE HURRICANES THAT STRUCK NORTH CAROLINA IN 2004, CONCERNING ESTABLISHMENT OF THE DISASTER RELIEF RESERVE FUND, MAKING APPROPRIATIONS TO THE DISASTER RELIEF RESERVE FUND, DIRECTING THE REESTABLISHMENT AND MODIFICATION OF HURRICANE FLOYD RECOVERY PROGRAMS, AUTHORIZING ESTABLISHMENT OF NEW PROGRAMS, EXPANSION OF EXISTING PROGRAMS, AND MODIFICATION OF EXISTING PROGRAMS TO IMPLEMENT THIS ACT, AUTHORIZING TRANSFER OF FUNDS TO FEDERAL AGENCIES AND LOCAL GOVERNMENTS, AUTHORIZING TIME-LIMITED POSITIONS TO IMPLEMENT THIS ACT, PROVIDING FOR SUBROGATION BY THE STATE OF CERTAIN INSURANCE CLAIMS, AUTHORIZING ADVISORY COUNCILS TO ADVISE STATE AGENCIES ON RECOVERY EFFORTS, PROVIDING FOR TAX EXEMPTION OF BENEFITS, DIRECTING THE MAPPING OF FLOOD PLAINS AND THE IDENTIFICATION OF POTENTIAL LANDSLIDE AREAS AND STREAM BANK EROSION, DIRECTING THE DEPARTMENT OF ENVIRONMENT AND NATURAL RESOURCES TO STUDY THE CAUSES OF FLOODING IN CERTAIN AREAS AND DETERMINE MEASURES TO PREVENT OR MITIGATE FUTURE FLOODING, DIRECTING THE GOVERNOR TO MAINTAIN THE REDEVELOPMENT OFFICE IN WESTERN NORTH CAROLINA, APPROPRIATING FUNDS TO RESTORE AND REPAIR CERTAIN PUBLIC BUILDINGS IN HYDE COUNTY DAMAGED BY HURRICANE ISABEL AND ESTABLISHING REPORTING REQUIREMENTS.

The General Assembly of North Carolina enacts:

PART I. TITLE OF ACT

SECTION 1. This act shall be known as "The Hurricane Recovery Act of 2005."

PART II. LEGISLATIVE FINDINGS

DAMAGE CAUSED BY 2004 HURRICANES AND TROPICAL STORMS

SECTION 2.(a) The General Assembly finds that the State of North Carolina endured six hurricanes during the late summer and fall of 2004. In the Western region of the State, Hurricanes Frances and Ivan dumped heavy rains that led to flooding and landslides throughout the region. Eastern North Carolina, including areas along the coast and the Sandhills, were struck by Hurricanes Alex, Bonnie, Charlie, and Jeanne. Wind damage and flooding were the primary source of damage in the east.

SECTION 2.(b) The General Assembly finds that Hurricanes Frances and Ivan wrought havoc upon Western North Carolina impacting the region on a scale not experienced before in that area of the State. Flooding and landslides destroyed infrastructure, roads, bridges, homes, businesses, farmland, and crops, damaging the civil, social, economic, and environmental well-being of Western North Carolina. The economic base of the region has been undermined as the result of business closures, crop and aquaculture losses, and revenue losses to the extent that many individuals' ability to support themselves and their families is threatened and may be lost completely without assistance from the State. A disaster of this magnitude affects the entire State. Extraordinary assistance to the region is necessary if Western North Carolina, and with it the economic well-being of the State, is to recover from the effects of the damage inflicted by Hurricanes Frances and Ivan.

SECTION 2.(c) The General Assembly finds that as a result of the hurricanes in Western North Carolina:

(1) The President of the United States issued two federal disaster declarations for the Western region of the State.

(2) Eleven people lost their lives.

(3) People lost their loved ones, their homes, sources of livelihood, and, in some instances, their communities. During Hurricane Ivan, the community of Peeks Creek was devastated by a debris flow triggered by the heavy rains. The debris flow traveled speeds as great as 33 miles per hour for two and a quarter miles from the top of Fishhawk Mountain. Five persons were killed, and 15 homes destroyed by the flow that was estimated to be several hundred feet wide and up to 40 feet high. Other communities that were particularly hard hit by landslides include the Starnes Creek area in Buncombe County, the Little Pine area in Madison County, the White Laurel community in Watauga County, and Bear Rock Estates in Henderson County.

(4) Sixty-two homes were destroyed, and 11,107 homes suffered damage in Hurricane Frances. Another 78 homes were destroyed, and 5,127 homes damaged in Hurricane Ivan. Eighty-five landslides were

reported as a result of the 27+ inches of rain that fell on the region. Many persons did not have flood insurance, as they did not know that there was a danger of flooding where they lived. Further, people could not know the landslide risks associated with their housing location because such maps are not readily available. The State needs to update current flood mapping for and prepare landslide zone mapping for the region so that homes may be rebuilt in safe areas. Homes lying within flood and landslide zones need to be relocated to mitigate the possibility of further damage to life and property should subsequent events occur. Additional State assistance to homeowners is necessary to accomplish these goals and to assure that there is safe and adequate housing for the citizens of the affected area.

(5) The region also lost rental properties that provided needed housing for those who cannot afford to purchase their own homes. The impact of the hurricanes on the regional economy is such that sufficient rental housing at affordable prices may not be built to replace the property damaged or destroyed, leaving persons who were forced from their homes unable to obtain adequate housing.

(6) Landslides and flooding damaged or destroyed at least 272 private roads, culverts and bridges, cutting off numerous families from access to emergency services and access to State roads.

(7) The Small Business Administration reported receiving 10,113 referrals for business loan applications from the Federal Emergency Management Agency to cover physical damage to businesses. Of these requests for applications, however, only 2,080 (around twenty percent (20%)) were returned to the SBA for processing. The numbers suggest both the numbers of businesses that suffered physical damage as a result of the hurricane and the inability of many businesses in the region to take on additional debt. Without additional assistance, many businesses may not be able to reopen, and jobs will be lost.

(8) Reports from the region indicated that the town of Canton lost forty percent (40%) of its business district in the floods attending Ivan. Blue Ridge Paper, the largest manufacturing employer in Western North Carolina, reportedly suffered several million dollars in flood damages from Hurricane Frances alone. The flooding a week later from Hurricane Ivan was two to three feet above the level experienced by the plant during Frances. Biltmore Village, a community near the Biltmore Estate, was almost completely inundated by floodwaters of the Swannanoa.

(9) According to North Carolina Department of Commerce reports, the region lost an estimated eighty-seven million dollars ($87,000,000) in tourism revenue during the three-week period after the hurricanes struck.

(10) The agricultural economy of the region was seriously affected. Early estimates of crops and acreage affected included thousands of acres of fruits and vegetables, hay, corn, soybeans, and tobacco. In Henderson County alone, approximately 90,000 of the county's 1,000,000 apple trees were downed. Greenhouse and nursery crops were also seriously affected. At least five trout farms reported extensive physical damage and losses of over 160,000 pounds of fish. In addition to crop and fish losses, there was extensive damage to farmland through erosion and flooding, and many farms suffered damage to farm structures. Most farmers cannot afford to take on additional debt to rehabilitate damaged fields, rebuild and repair farm structures, purchase new equipment, replant trees, or replace inventory. Many farmers may be unable to continue farming without assistance from the State. It is therefore necessary to provide State assistance to farmers to preserve the agricultural sector of the economy in Western North Carolina and the economic stability of the region.

(11) Impacts on the environment have yet to be calculated. In addition to the stream damage from flooding, there was also contamination from sewage overflows and chemical spills. It was reported that over 100,000 gallons of petroleum products were spilled into the French Broad River system.

(12) Local governments have suffered loss of infrastructure, damage to public buildings, roads, wastewater treatment plants, and other facilities. One thousand four hundred and forty specific public assistance projects have been authorized to repair facilities and roads, remove debris, and otherwise effect cleanup and repair of local government facilities. In addition, the damage from the storms to property and businesses has eroded the tax base of the counties affected. These counties must bear a loss of revenue at the same time they are shouldering the costs of replacing and repairing the infrastructure and meeting the additional needs of the population struggling to recover from the effects of the hurricanes.

SECTION 2.(d) The General Assembly finds that as a result of the storms that hit Eastern North Carolina:

(1) A State Type I Disaster Declaration was issued for Dare and Hyde Counties after Hurricane Alex which provided individual assistance to 22 applicants who failed to qualify for SBA loans and substantial public assistance to the two counties for debris removal.

(2) Hurricanes Bonnie and Charlie impacted Beaufort, Bladen, Brunswick, Craven, Columbus, Dare, Duplin, Harnett, Hyde, Jones, Lenoir, New Hanover, Pamlico, Pasquotank, Pender, Pitt, Onslow, Tyrrell, and Washington Counties. A federal disaster declaration has been requested but denied. According to the Division of Emergency Management, 2,860 homes and 65 businesses were affected by the two

hurricanes. Three hundred six of the affected homes were destroyed or suffered major damage.

(3) Hurricane Jeanne impacted Cabarrus, Moore, Rowan, and Stokes Counties. Reports from Moore County indicated that over 100 homes and businesses were damaged, primarily in Southern Pines. Public Assistance needs were limited to Stokes and Moore Counties.

(4) In addition to the damage reports for individuals and local governments, the North Carolina Department of Agriculture and Consumer Services reported early estimates of over 900,000 acres of corn, soybeans, tobacco, cotton, peanuts, and fruits and vegetables were lost as a result of Hurricane Charlie and Hurricane Bonnie.

SECTION 2.(e) The General Assembly further finds that the devastation caused by the 2004 hurricanes in North Carolina continues to affect all aspects of the economy, the environment, public health and safety, infrastructure, public and private institutions, and the general welfare of the counties affected and, indirectly, of the entire State. Immediate short-term responses and long-term responses are necessary to preserve a way of life in those North Carolina counties, to preserve the economic condition of the entire State, and to preserve the reputation North Carolina has, nationally and internationally, as a great place to live and a great place to do business.

CRITICAL NEEDS NOT MET BY EXISTING STATE AND FEDERAL PROGRAMS AND FUNDS

SECTION 2.1.(a) The General Assembly finds that State and federal disaster relief initiatives are not intended to make individuals whole after a loss; they are intended to assist the affected areas in recovering from the damage caused by the six hurricanes that struck North Carolina.

Without significant additional State assistance to the area damaged by Hurricanes Alex, Bonnie, Charlie, Frances, Ivan, and Jeanne, further deterioration of the economy, the environment, public health and safety, and quality of life in the State is likely to occur. Without additional State assistance:

(1) Many people in uninsured, damaged homes will either not qualify for federal housing assistance or not have the resources to take advantage of federal housing assistance.

(2) Local governments already overwhelmed with storm-related expenses may not have the resources to repair damaged infrastructure and provide the new infrastructure necessary for families relocating out of the flood and landslide zones and for businesses that are in the process of rebuilding.

(3) Jobs may be permanently lost because many cannot qualify for Small Business Administration loans.

(4) Many farmers who suffered significant losses may find it difficult to continue farming.

(5) Resources for drinking water protection, solid waste cleanup, hazardous waste cleanup, and remediation of high-risk storage tanks will be inadequate.

(6) The tourism industry will continue to suffer due to negative publicity about the storm.

SECTION 2.1.(b) It is the intent of the General Assembly that the benefits of the projects and programs authorized by this act are for the common good and collective recovery of the people of this State following a devastating natural disaster directly affecting a large portion of the State and indirectly affecting the entire State. The entire State faces a major loss if the counties that bore the major impact of the hurricanes and tropical storms of 2004 are not offered the assistance provided by this act. The purpose of this act is to provide an ultimate net public benefit to the State through a successful hurricane recovery initiative in Western North Carolina and other affected counties.

PART III. SCOPE OF ACT

COUNTIES COVERED BY THIS ACT

SECTION 3. Sections 2 through 5.2 of this act apply as follows:

(1) This act applies to the 19 counties designated by the Federal Emergency Management Agency (FEMA) as eligible for Individual Assistance and Public Assistance as a result of damages sustained from Hurricane Frances or Ivan. Those counties are eligible for all programs and assistance provided under this act. Those counties are: Alleghany, Ashe, Avery, Buncombe, Burke, Caldwell, Haywood, Henderson, Jackson, Macon, Madison, McDowell, Mitchell, Polk, Rutherford, Swain, Transylvania, Watauga, and Yancey.

(2) This act applies to the additional 26 counties that were designated by FEMA as eligible only for individual assistance as a result of damages sustained from Hurricane Frances or Ivan. Those counties are eligible for all programs and assistance provided under this act for individual assistance. Those counties are: Alamance, Alexander, Bladen, Cabarrus, Caswell, Catawba, Cleveland, Columbus, Cumberland, Davidson, Forsyth, Gaston, Graham, Guilford, Hoke, Iredell, Lincoln, Mecklenburg, Randolph, Robeson, Rockingham, Rutherford, Scotland, Stokes, Union, and Wilkes.

(3) In addition, a number of counties were not included in a federal disaster declaration but were included in a State disaster declaration issued under Article 1 of Chapter 166A of the General Statutes as a result of the damages sustained by one of the hurricanes that occurred in 2004. The Governor shall also extend the coverage of the programs and assistance provided under this act to those counties.

PART IV. THE DISASTER RELIEF RESERVE FUND

ESTABLISHMENT OF THE DISASTER RELIEF RESERVE FUND

SECTION 4. The Governor has established the Disaster Relief Reserve Fund in the Office of State Budget and Management. The purpose of this fund is to provide necessary and appropriate relief and assistance from the effects of natural disasters. Consistent with the provisions of this act, the Governor shall spend monies appropriated to or otherwise transferred to the Disaster Relief Fund by this act to assist the counties referenced in Section 3 of this act. The monies shall be used to implement programs as provided by this act.

APPROPRIATION TO THE DISASTER RELIEF RESERVE FUND AND COMMITTEE REPORT

SECTION 4.1.(a) The appropriation made in this section is for the maximum amount necessary to implement this act. Savings shall be effected where the total amount appropriated is not required to implement the act.

SECTION 4.1.(b) The fund availability upon which appropriations in this act are based is as follows:

Estimated unappropriated General Fund over collections, fiscal year 2004-2005	$0.0
Estimated General Fund reversions, fiscal year 2004-2005	$91.0 million
North Carolina Community Development Initiative, Inc. – Reversion of unused Hurricane Floyd Recovery funds to the General Fund	$3.0 million
Savings Reserve Account balance, February 15, 2005	$267.0 million

SECTION 4.1.(c) Of the funds allocated to the North Carolina Community Development Initiative, Inc., for Hurricane Floyd Recovery programs pursuant to S.L. 1999-463 Extra Session, the sum of three million dollars ($3,000,000) in unused grant and loan funds for home relocation and repairs shall revert to the General Fund.

SECTION 4.1.(d) The Governor shall transfer from unexpended General Fund appropriations for fiscal year 2004-2005 to the Office of State Budget and Management, Disaster Relief Reserve Fund, the sum of ninety-one million dollars ($91,000,000) which shall be used to aid the counties referenced in Section 3 of this act in their efforts to recover from the effects of the 2004 hurricanes. The funds shall be used for the purposes set out in Part V, Part VI, and Part VII of this act. These funds shall remain available to implement the provisions of this act until the General Assembly directs the reversion of the unexpended funds.

SECTION 4.1.(e) There is appropriated from the General Fund to the Office of State Budget and Management, Disaster Relief Reserve Fund, the sum of three million dollars ($3,000,000) for the 2004-2005 fiscal year to aid the counties referenced in Section 3 of this act in their efforts to recover from the effects of the 2004 hurricanes. The funds shall be used for the purposes set out in Part V, Part VI, and Part VII of this act. These funds shall remain available to implement the provisions of this act until the General Assembly directs the reversion of the unexpended funds.

SECTION 4.1.(f) There is appropriated from the Savings Reserve Account to the Office of State Budget and Management, Disaster Relief Reserve Fund, the sum of one hundred twenty-three million five hundred forty-one thousand four hundred forty-seven dollars ($123,541,447) for the 2004-2005 fiscal year to aid the counties referenced in Section 3 of this act in their efforts to recover from the effects of the

hurricanes of 2004. The funds shall be used for the purposes set forth in Part V, Part VI, and Part VII of this act. The funds appropriated by this section shall be transferred to the Disaster Relief Reserve Fund and shall remain available to implement the provisions of this act until the General Assembly directs the reversion of the unexpended funds.

SECTION 4.1.(g) The allocation of funds in the Report of the House Appropriations Committee on The Hurricane Recovery Act of 2005, dated February 17, 2005, are intended as guidance for the Governor. Notwithstanding the provisions of Section 5.1 of this act, if the Governor determines in accordance with Chapter 166A of the General Statutes that allocations should be made to programs other than those set forth in the Committee Report or that reallocations should be made among programs set forth in the Committee Report, the Governor may make the changes except as funds are otherwise specifically allocated by this act. The Governor shall report to the Joint Legislative Commission on Governmental Operations before implementing any changes in the allocations.

SECTION 4.1.(h) The Governor shall, to the extent practicable, ensure that assistance to victims provided from the Disaster Relief Reserve Fund is prioritized towards those areas and individuals least able to afford the losses as a result of the hurricanes of 2004.

PART V. IMPLEMENTATION OF ACT

DIRECTIVE TO REESTABLISH AND MODIFY, AS NECESSARY, RELIEF PROGRAMS DEVELOPED AFTER HURRICANE FLOYD, ESTABLISH NEW PROGRAMS, AND EXPAND OR MODIFY EXISTING PROGRAMS TO IMPLEMENT THIS ACT

SECTION 5. The General Assembly finds that the relief efforts and programs implemented after Hurricane Floyd hit Eastern North Carolina were critical in assisting Eastern North Carolina's recovery. The General Assembly further finds that the recovery of Eastern North Carolina has provided statewide benefits. It is the intent of the General Assembly to provide the same type of support and assistance to the counties affected by the 2004 hurricanes and tropical storms.

SECTION 5.1.(a) The Governor shall reestablish and may modify, as necessary, all of the programs implemented as part of the Hurricane Floyd Recovery Act of 1999 under S.L. 1999-463 Extra Session and the Report of the House Appropriations Committee on Hurricane Floyd Recovery dated December 15, 1999, as amended by S.L. 1999-463 Extra Session. The Governor shall also establish new programs and expand or modify, as necessary, existing programs to provide necessary and appropriate relief and assistance from the effects of the hurricanes that hit the State in 2004.

SECTION 5.1.(b) The Governor shall modify the State Hazard Mitigation Grant Program to provide housing buyout and relocation assistance for those persons whose homes were destroyed or severely damaged by debris flows or whose homes are located in a landslide zone.

SECTION 5.1.(c) The Department of Crime Control and Public Safety shall modify the Crisis Housing Assistance Fund (CHAF) to provide money to persons who do not qualify for CHAF assistance solely because they failed to apply for federal assistance through the Small Business Administration's (SBA) Real Property Disaster loan program. The Department shall review these persons' applications for CHAF assistance using the same criteria employed by the SBA to determine eligibility for an SBA Real Property Disaster loan. The applicants shall be eligible for CHAF assistance if it is determined that they would have failed to qualify for assistance under the SBA Real Property disaster loan criteria and that they otherwise meet the criteria for CHAF.

SECTION 5.1.(d) The Governor shall expend funds appropriated to or otherwise transferred to the Disaster Relief Reserve Fund by this act to provide for the following programs and activities:

(1) Required matching funds for federal funds for disaster relief.

(2) Crisis housing assistance, which may include, but shall not be limited to, direct housing assistance to homeowners and renters, grants to local governments for water, sewer, and other infrastructure needs for housing in new areas, predevelopment activities, housing counselors, and housing recovery efforts. It is the intent of the General Assembly that housing assistance includes providing renters with assistance to purchase affordable housing. The General Assembly therefore encourages the Governor to use funds appropriated in this act to implement a program that provides assistance to renters in affected areas to purchase affordable housing (preferably permanent homes and not manufactured housing) by providing State resources, including grants and low-interest loans, for that purpose.

(3) Economic recovery assistance, including, but not limited to, assistance to the agriculture, aquaculture, forestry, commercial, and industrial sectors of the economy which may include, but shall not be limited to, grants and loans to businesses, grants and loans to farmers, and grants and loans for aquaculture.

(4) Public health, public safety, social services, and environmental restoration measures that may include, but shall not be limited to, drinking water protection, water quality monitoring, solid waste and hazardous waste cleanup, assessment and remediation of high-risk storage tank sites, and emergency and maintenance dredging.

(5) Support to local governments, by grants for public infrastructure, for the repair, renovation, and relocation of facilities, and to offset revenue losses resulting from storm damage from natural disasters covered by federal disaster declarations as to any storm between August 1, 2004, and the date this act becomes law. The amount of the grants shall be based on loss of taxable property in the jurisdiction.

(6) Mapping and studies authorized by this act.

SECTION 5.1.(e) Of the funds appropriated by this act to the Disaster Relief Reserve Fund for the 2004-2005 fiscal year, the sum of four million five hundred

thousand dollars ($4,500,000) shall be allocated to the Town of Canton as a grant to repair and upgrade the flood levees, flood gates and pumps, for levee penetration mitigation, erosion control, elevating electrical controls, and repairing sewer lines for the purpose of protecting the wastewater treatment plant owned by Blue Ridge Paper Products and used by the Town of Canton.

SECTION 5.1.(f) Notwithstanding Part III and Part IV of this act, of the funds allocated by this act to local governments for repairs and renovations to public facilities damaged by the storms, the sum of eight million dollars ($8,000,000) shall be allocated to Hyde County for the 2004-2005 fiscal year to be used for the reconstruction of the Hyde County Courthouse and repair of other county buildings in the Courthouse Annex that were damaged as a result of Hurricane Isabel in 2003.

SECTION 5.1.(g) Of the funds appropriated by this act to the Disaster Relief Reserve Fund for the 2004-2005 fiscal year, the sum of five million dollars ($5,000,000) shall be allocated to the Rural Economic Development Center to be used for economic infrastructure through the Small Town Building Reuse and Restoration Program established in S.L. 2004-88. The funds allocated by this subsection shall be used to provide grants to local governments in counties covered under this act for economic recovery and redevelopment activities in business areas that sustained storm damage. These activities may include all of the following:

(1) Grants to repair public and private buildings damaged by flooding and deemed necessary to retain existing businesses or provide for new businesses.
(2) Repairs and improvements to public infrastructure.
(3) Other technical and design assistance to redevelop business properties and business areas.

Recipients shall certify that assistance received under this subsection does not duplicate other State or federal assistance or replace insurance proceeds.

SECTION 5.1.(h) Of the funds appropriated by this act to the Disaster Relief Reserve Fund for the 2004-2005 fiscal year, the sum of three million dollars ($3,000,000) shall be allocated to the North Carolina Community Development Initiative, Inc., to be used for housing programs and assistance.

SECTION 5.1.(i) Of the funds appropriated in this act to the Disaster Relief Reserve Fund for the 2004-2005 fiscal year, the sum of five hundred thousand dollars ($500,000) may be allocated to the Department of Environment and Natural Resources, Division of Forest Resources, for the purposes of forestland restoration and fire prevention activities needed due to hurricane damage.

AUTHORIZATION TO TRANSFER FUNDS TO FEDERAL AGENCIES AND TO LOCAL GOVERNMENTS

SECTION 5.2. The Governor may:

(1) Use funds from the Disaster Relief Reserve Fund to match federal funds in accordance with this act.
(2) Provide grants to local governments in accordance with this act.

(3) Transfer funds to local governments pursuant to cooperative agreements under which they administer programs or provide services on behalf of the State.

(4) Transfer funds to federal agencies pursuant to cooperative agreements under which they administer agriculture programs or provide services on behalf of the State.

AUTHORIZATION TO ESTABLISH TIME-LIMITED POSITIONS TO IMPLEMENT THIS ACT

SECTION 5.3. The Governor may establish part-time and full-time personnel positions to implement this act. All such positions shall be time-limited and shall be exempt from the State Personnel Act.

SUBROGATION BY STATE OF RIGHT TO INSURANCE COVERAGE FOR DAMAGED HOMES PURCHASED OR RELOCATED UNDER THE HAZARD MITIGATION GRANT PROGRAM

SECTION 5.4. If a person's home is relocated or purchased under the Hazard Mitigation Grant Program, or through the State Acquisition and Relocation Fund, the Disaster Relief Reserve Fund is subrogated to the person's rights under any insurance coverage for the damage to the home, and any monies received from the insurance coverage shall be paid to the Disaster Relief Reserve Fund.

AUTHORIZATION TO ESTABLISH ADVISORY COUNCILS TO ADVISE STATE AGENCIES ON RECOVERY EFFORTS

SECTION 5.5. The Governor shall establish advisory councils to advise relevant State agencies on hurricane relief and recovery efforts and to ensure input from representatives of affected communities and groups.

TAX EXEMPTION

SECTION 5.6. Each agency disbursing funds or property under this act from the Disaster Relief Reserve Fund for hurricane relief or assistance, other than payments for goods or services provided by the recipient, shall include with the disbursement a written statement of the State and federal income tax treatment of the funds or property disbursed.

SECTION 5.7.(a) G.S. 105-134.6(b) is amended by adding the following new subdivision to read:

"(18) The amount paid to the taxpayer during the taxable year from the Disaster Relief Reserve Fund in the Office of State Budget and Management for hurricane relief or assistance, but not including payments for goods or services provided by the taxpayer."

SECTION 5.7.(b) G.S. 105-130.5(b) is amended by adding the following new subdivision to read:

"(22) To the extent included in federal taxable income, the amount paid to the taxpayer during the taxable year from the Disaster Relief Reserve

Fund in the Office of State Budget and Management for hurricane relief or assistance, but not including payments for goods or services provided by the taxpayer."

SECTION 5.7.(c) This section is effective for taxable years beginning on or after January 1, 2004.

INVOLVEMENT OF HISTORICALLY UNDERUTILIZED BUSINESSES

SECTION 5.8. It is the intent of the General Assembly that, during this time of rebuilding and hurricane relief efforts, each State agency should strive to increase the total amount of goods and services acquired by it from historically underutilized business vendors, whether directly as principal contractors or indirectly as subcontractors or otherwise.

LEGISLATIVE REVIEW OF FEDERAL FUNDING AND REMAINING UNMET NEEDS

SECTION 5.9. It is the intent of the General Assembly to review in 2005 and 2006 the funds appropriated by Congress and to consider actions needed to address any remaining unmet needs, especially in the area of economic recovery.

LIMITATION ON USE OF STATE FUNDS

SECTION 5.10.(a) No State funds used to implement this act, including any funds in the Disaster Relief Reserve Fund, may be expended for the construction of any new residence within the 100-year floodplain unless the construction is in an area regulated by a unit of local government pursuant to a floodplain management ordinance, and the construction complies with the ordinance. As used in this section, "100-year floodplain" means any area subject to inundation by a 100-year flood, as indicated on the most recent Flood Insurance Rate Map prepared by the Federal Emergency Management Agency under the National Flood Insurance Program.

SECTION 5.10.(b) Homeowners in the 100-year floodplain who receive homeowner's housing assistance pursuant to this act shall have in effect federal flood insurance, if available, as a precondition to receipt of State homeowner's housing assistance for losses resulting from future flooding.

SECTION 5.10.(c) Funds loaned to small and mid-sized businesses shall be used only for eligible purposes under the Small Business Administration disaster loan assistance program. Payments for economic losses shall be limited to documented business expenses necessary for the continued operation of the business.

PART VI. MAPPING OF FLOOD PLAINS AND LANDSLIDE ZONES

SECTION 6. The Department of Crime Control and Public Safety shall proceed immediately to update Flood Insurance Rate Maps for all of the counties included in federal disaster declarations for Hurricanes Frances and Ivan. The Department of Environment and Natural Resources, in cooperation with the Department of Crime Control and Public Safety, shall act to ensure that (i) streambed maps and (ii) maps indicating areas vulnerable to landslides are made available for the same

multicounty area. Streambed maps shall be annotated to show areas of significant actual or potential stream bank erosion.

PART VII. STUDY PREVENTIVE AND PROTECTIVE MEASURES THAT MAY PREVENT OR MITIGATE POTENTIAL FLOODING IN CERTAIN AREAS AND FUNDING TO IMPLEMENT THE STUDY AND ITS FINDINGS

SECTION 7.(a) The Department of Environment and Natural Resources shall study the causes of the flooding in Canton, Biltmore Village, the City of Newland, Clyde, and other affected areas as deemed necessary to determine what measures can be taken to prevent or mitigate the flooding potential in those areas. The Department may request the assistance of the Army Corps of Engineers in this study. The Department of Environment and Natural Resources shall report its findings to the 2005 General Assembly, 2006 Regular Session.

SECTION 7.(b) Of the funds appropriated by this act to the Disaster Relief Reserve Fund an amount of up to three million dollars ($3,000,000) shall be transferred by the Office of State Budget and Management to the Department of Environment and Natural Resources to conduct the study. The funds shall be transferred upon the request of the Secretary of Environment and Natural Resources.

SECTION 7.(c) In accordance with G.S. 143-15.3, the General Assembly authorizes the Director of the Budget to transfer up to thirty million dollars ($30,000,000) from the Savings Reserve Account to the Office of State Budget and Management, Disaster Relief Reserve Fund, to implement the recommendations of the studies authorized in this section. Prior to the transfer of funds under this subsection, the Governor shall consult with the Joint Legislative Commission on Governmental Operations on his plans to implement any recommendations for flood remediation and mitigation including anticipated expenditures. Funds to be transferred pursuant to this subsection are appropriated from the Savings Reserve Account for the fiscal year in which the consultation is made to implement this subsection.

PART VIII. MAINTAIN REDEVELOPMENT CENTER

SECTION 8. The Governor has established a redevelopment center in Western North Carolina. The Governor shall maintain that redevelopment center for the entire period required to implement the provisions of this act.

PART IX. REPORTING REQUIREMENTS

SECTION 9. The Governor shall report to the Appropriations Committees of the Senate and the House of Representatives regarding the implementation of this act no later than 30 days after the date this act becomes law and shall report monthly thereafter until the adjournment of the 2005 Regular Session. The Governor shall report on the implementation of this act to the Joint Legislative Commission on Governmental Operations by October 15, 2005, and quarterly thereafter.

PART X. EFFECTIVE DATE

SECTION 10. This act is effective when it becomes law, except that Section 5.7 of this act is effective for taxable years beginning on or after January 1, 2004.

SENATE BILL 7:
Hurricane Recovery Act of 2005

BILL ANALYSIS

Committee:	House Finance	**Introduced by:**	Senator Nesbitt
Date:	February 17, 2005	**Summary by:**	Martha Walston and Barbara Riley, staff attorneys
Version:	4th Edition		

SUMMARY: ***Senate Bill 7[1] provides disaster assistance to individuals, businesses, and public agencies that sustained damage from one or more of the six hurricanes that struck North Carolina during the late summer and early fall of 2004. The Governor has established the Disaster Relief Reserve Fund in the Office of State Budget and Management, and Senate Bill 7 makes appropriations to this Fund.***

Senate Bill 7 also provides greater income tax relief for recipients of disbursements from the Disaster Relief Reserve Fund than current law allows. Section 5.7 of the bill provides a State income tax deduction equal to the amount paid to the taxpayer, either individual or business, during the taxable year from the Fund. The deduction does not apply to amounts received as payments for goods and services provided by the taxpayer. Under current state and federal law, payments received to replace property lost in a federally declared disaster are exempt from tax. However, payments received to replace income are not exempt. Payments to farmers for crop losses would be an example of a taxable payment, as the crops are assumed to be converted into income. The General Assembly provided similar tax relief to Hurricane Floyd victims in 1999. The deduction is effective for taxable years beginning on or after January 1, 2004.

BACKGROUND: North Carolina was struck by six hurricanes during the 2004 season. Hurricanes Alex, Bonnie, Charlie, and Jeanne brought flooding and wind damage to the Eastern Region of the State. Hurricanes Frances and Ivan dumped heavy rains on Western North Carolina resulting in landslides, flooding, and at least 11 dead. Forty-five counties in Western North Carolina were included in federal disaster declarations in Western North Carolina as a result of Hurricanes Frances and Ivan. Nineteen of those counties were designated by FEMA as eligible for Individual Assistance and Public Assistance. Another twenty-six counties were designated as eligible for Individual Assistance. The damage in the Eastern Region resulted in State Disaster Declarations.

BILL ANALYSIS: Below is an analysis of the 4th Edition of SB 7. **The underlined language describes parts of the Senate version that have been changed in the House.**

PART I of the bill sets forth the title of the act as "The Hurricane Recovery Act of 2005."

PART II of the bill sets forth detailed findings regarding the impacts of the many hurricanes on individuals, businesses, and local government in the affected areas. One of the findings states that further deterioration of the economy, environment, public health and safety, and quality of life in the State is likely to occur unless significant additional State assistance is allocated to the areas damaged.

[1] Similar bills, both entitled the "Hurricane Recovery Act of 2005", have also been introduced in the House: HB 24 introduced by Rep. Gillespie and HB 108 introduced by Representatives Haire, Fisher, Goforth, and Rapp.

PART III establishes the 47 counties that would be eligible to receive assistance under the Act. These counties include the 19 counties that were designated as eligible for federal individual assistance and public assistance: Alleghany, Ashe, Avery, Buncombe, Burke, Caldwell, Haywood, Henderson, Jackson, Macon, Madison, McDowell, Mitchell, Polk, Rutherford, Swain, Transylvania, Watauga, and Yancey; the 26 counties that were eligible for federal public assistance: Alamance, Alexander, Bladen, Cabarrus, Caswell, Catawba, Cleveland, Columbus, Cumberland, Davidson, Forsyth, Gaston, Graham, Guilford, Hoke, Iredell, Lincoln, Mecklenburg, Randolph, Robeson, Rockingham, Rutherford, Scotland, Stokes, Union and Wilkes; and the two counties that were not included in a federal disaster declaration but were included in a State disaster declaration as a result of the damages sustained by one of the hurricanes that occurred in 2004: Hyde and Dare.

PART IV notes that the Governor has established the Disaster Relief Reserve Fund for the purpose of providing necessary and appropriate assistance and relief needed as a result of natural disasters. $217,541,447 million dollars is appropriated to the Disaster Relief Reserve Fund in Part IV. This amount comes from the following sources:

- $91 million from unexpended General Fund appropriations for fiscal year 2004-2005
- $123,541,447 million from the Savings Reserve Account
  (The Senate version took $120,541,447 from the Savings Reserve Account)
- $3 million in reversions from the NC Community Development Initiative for Hurricane Floyd recovery programs. (These are unused Hurricane Floyd Recovery funds)

In PART VII, an additional $30 million is appropriated from the Savings Reserve Account to implement the recommendations of the study on flood prevention and mitigation.

PART V deals with the implementation of the Act.

5.1(a) The Governor is directed to reauthorize the programs established for the Hurricane Floyd relief effort. He may modify and expand these programs and create new programs as he deems appropriate.

5.1(b) The Governor is directed to modify the State Hazard Mitigation Grant Program to provide housing buyout and relocation assistance to those persons whose homes were damaged or destroyed by debris slides or whose homes are located in a landslide zone

5.1(c) The Department of Crime Control and Public Safety is directed to modify the Crisis Housing Assistance Fund to provide assistance to persons who otherwise would be eligible but did not file an application for a SBA Real Property disaster loan.

5.1(d) Lists the programs and activities on which the Governor may expend the hurricane funds.

5.1(e) The sum of $4.5 million dollars is allocated to the Town of Canton for repairs and upgrades to flood levees, flood gates and pumps, levee penetration mitigation, erosion control, elevation of electrical controls and sewer line repair for the purpose of protecting the wastewater treatment plant owned by Blue Ridge Paper Products and used by the Town of Canton.

5.1(f) Allocates, from the funds allocated by this Act to local governments for repairs and renovations to public facilities, the sum of $8 million dollars to Hyde County for the 2004-2005 fiscal year for the reconstruction of the Hyde County Courthouse and repair of other county buildings in the Courthouse annex that were damaged as a result of Hurricane Isabel in 2003.

5.1(g) The sum of $5 million dollars is allocated to the Rural Economic Development Center to be used through the Small Town Building Reuse and Restoration Program for grants to local

governments for economic recovery and redevelopment activities in business areas that sustained storm damage.

5.1(h) Allocates $3 million dollars to the NC Community Development Initiatives, Inc. to be used for housing programs and assistance.

5.1(i) Allocates to DENR, Division of Forest Resources, the sum of $500,000 for forestland restoration and fire prevention activities needed as a result of hurricane damage. (The Senate version allocated $2 million for the purposes of repairing or relocating Division facilities damaged in the hurricanes and related forestland restoration and fire prevention activities.

5.2 The Governor is authorized to use funds in the Disaster Relief Reserve Fund to match federal funds, provide grants to local governments, and transfer funds to federal agencies and local governments under cooperative agreements whereby they administer programs on behalf of the State.

5.3 The Governor may establish time-limited positions to implement the act.

5.4 The Disaster Relief Reserve Fund is subrogated to a person's insurance rights for damage to their home if the home has been purchased or relocated under the Hazard Mitigation Grant Program or through the State Acquisition and Relocation Fund.

5.5 The Governor shall establish advisory councils to advise State agencies on hurricane efforts.

5.6 Each agency disbursing funds or property from the Disaster Relief Reserve Fund for hurricane relief, other than payments for goods or services provided by the recipient, must provide a written statement of the federal and State tax treatment of the disbursement.

5.7 State income tax deductions are provided for individuals and businesses for amounts paid to the taxpayer during the taxable year from the Disaster Relief Reserve Fund. The deduction does not apply to amounts received as payments for goods and services provided by the taxpayer.

5.8 The General Assembly sets forth its express intent that in the relief efforts each State agency should try to increase the amount of goods and services obtained from historically underutilized businesses.

5.9 It is the intent of the General Assembly to review in 2005 and 2006 the funds appropriated by Congress and to consider actions needed to address remaining unmet needs, especially in the area of economic recovery.

5.10 No State funds may be used for the construction of any new residence within the 100-year flood plain unless the construction is in an area regulated by a local floodplain management ordinance. Homeowners in the 100-year floodplain who receive help under this act must have federal flood insurance, if available, in place to receive future assistance for flooding losses.

5.10 Loans to small and mid-sized businesses shall be used only for eligible purposes under the Small Business Administration disaster assistance loan program. Economic loss payments shall be limited to documented business expenses needed for continued operations.

PART VI

Directs the Department of Crime Control and Public Safety to proceed immediately to update the flood insurance rate maps for all of the counties included in federal disaster declarations for Hurricanes Frances and Ivan. DENR, in cooperation with the Department of Crime Control and Public Safety shall insure that streambed maps and maps showing areas vulnerable to landslides are available for the same multicounty area. Streambed maps should be annotated to show areas of actual and potential stream bank erosion.

PART VII

Directs DENR to study the causes of flooding in Canton, Biltmore Village, Newland, Clyde and other affected areas as deemed necessary to determine what can be done to prevent or mitigate future floods. DENR may request assistance from the US Army Corps of Engineers in conducting the study. Up to $3 million dollars may be transferred from the Disaster Relief Reserve Fund to the DENR for the study. The Governor shall consult with the Joint Legislative Commission on Governmental Operations on any plans to implement the recommendations of the study prior to any transfer of funds for such implementation. $30 million dollars is appropriated from the Savings Reserve Account for the fiscal year in which the consultation is made to implement the recommendations of the study.

PART VIII

Directs the Governor to maintain the redevelopment center in Western North Carolina for the entire period needed to implement the act.

PART IX

Requires the Governor to report monthly to the Appropriations Committees of the Senate and House on the implementation of the act no later than 30 days after the enactment of this act and then monthly until the adjournment of the 2005 Regular Session. The governor shall report to the Joint Legislative Commission on Governmental Operations by October 15, 2005 and quarterly thereafter.

PART X

The bill is effective when it becomes law, except that Section 5.7 of this act is effective for taxable years beginning on or after January 1, 2004.

This amount comes from the following sources:

- $94 million from unexpended General Fund appropriations for fiscal year 2004-2005
- $153,541,447 million from the Savings Reserve Account

In PART VII, an additional $30 million is appropriated from the Savings Reserve Account to implement the recommendations of the study on flood prevention and mitigation.

PART V deals with the implementation of the Act.

5.1(a) The Governor is directed to reauthorize the programs established for the Hurricane Floyd relief effort. He may modify and expand these programs and create new programs as he deems appropriate.

5.1(b) The Governor is directed to modify the State Hazard Mitigation Grant Program to provide housing buyout and relocation assistance to those persons whose homes were damaged or destroyed by debris slides or whose homes are located in a landslide zone

5.1(c) The Department of Crime Control and Public Safety is directed to modify the Crisis Housing Assistance Fund to provide assistance to persons who otherwise would be eligible but did not file an application for a SBA Real Property disaster loan.

5.1(d) Lists the programs and activities on which the Governor may expend the hurricane funds.

5.1(f) Allocates, from the funds allocated by this Act to local governments for repairs and renovations to public facilities, the sum of $8 million dollars to Hyde County for the 2004-2005 fiscal year for the reconstruction of the Hyde County Courthouse and repair of other county buildings in the Courthouse annex that were damaged as a result of Hurricane Isabel in 2003.

5.1(g) The sum of $5 million dollars is allocated to the Rural Economic Development Center to be used through the Small Town Building Reuse and Restoration Program for grants to local governments for economic recovery and redevelopment activities in business areas that sustained storm damage.

5.1(h) Allocates $3 million dollars to the NC Community Development Initiatives, Inc. to be used for housing programs and assistance.

5.1(i) Allocates to DENR, Division of Forest Resources, the sum of $500,000 for forestland restoration and fire prevention activities needed as a result of hurricane damage.

5.2 The Governor is authorized to use funds in the Disaster Relief Reserve Fund to match federal funds, provide grants to local governments, and transfer funds to federal agencies and local governments under cooperative agreements whereby they administer programs on behalf of the State.

5.3 The Governor may establish time-limited positions to implement the act.

5.4 The Disaster Relief Reserve Fund is subrogated to a person's insurance rights for damage to their home if the home has been purchased or relocated under the Hazard Mitigation Grant Program or through the State Acquisition and Relocation Fund.

5.5 The Governor shall establish advisory councils to advise State agencies on hurricane efforts.

5.6 Each agency disbursing funds or property from the Disaster Relief Reserve Fund for hurricane relief, other than payments for goods or services provided by the recipient, must provide a written statement of the federal and State tax treatment of the disbursement.

5.7 State income tax deductions are provided for individuals and businesses for amounts paid to the taxpayer during the taxable year from the Disaster Relief Reserve Fund.

The deduction does not apply to amounts received as payments for goods and services provided by the taxpayer.

5.8 The General Assembly sets forth its express intent that in the relief efforts each State agency should try to increase the amount of goods and services obtained from historically underutilized businesses.

5.9 It is the intent of the General Assembly to review in 2005 and 2006 the funds appropriated by Congress and to consider actions needed to address remaining unmet needs, especially in the area of economic recovery.

5.10 No State funds may be used for the construction of any new residence within the 100-year flood plain unless the construction is in an area regulated by a local floodplain management ordinance. Homeowners in the 100-year floodplain who receive help under this act must have federal flood insurance, if available, in place to receive future assistance for flooding losses.

5.10 Loans to small and mid-sized businesses shall be used only for eligible purposes under the Small Business Administration disaster assistance loan program. Economic loss payments shall be limited to documented business expenses needed for continued operations.

Directs the Department of Crime Control and Public Safety to proceed immediately to update the flood insurance rate maps for all of the counties included in federal disaster declarations for Hurricanes Frances and Ivan. DENR, in cooperation with the Department of Crime Control and Public Safety shall insure that streambed maps and maps showing areas vulnerable to landslides are available for the same multicounty area. Streambed maps should be annotated to show areas of actual and potential stream bank erosion.

PART VII

Directs DENR to study the causes of flooding in Canton, Biltmore Village, Newland, Clyde and other affected areas as deemed necessary to determine what can be done to prevent or mitigate future floods. DENR may request assistance from the US Army Corps of Engineers in conducting the study. Up to $3 million dollars may be transferred from the Disaster Relief Reserve Fund to the DENR for the study. The Governor shall consult with the Joint Legislative Commission on Governmental Operations on any plans to implement the recommendations of the study prior to any transfer of funds for such implementation. $30 million dollars is appropriated from the Savings Reserve Account for the fiscal year in which the consultation is made to implement the recommendations of the study.

PART VIII

Directs the Governor to maintain the redevelopment center in Western North Carolina for the entire period needed to implement the act.

PART IX

Requires the Governor to report monthly to the Appropriations Committees of the Senate and House on the implementation of the act no later than 30 days after the enactment of this act and then monthly until the adjournment of the 2005 Regular Session. The governor shall report to the

Joint Legislative Commission on Governmental Operations by October 15, 2005 and quarterly thereafter.

PART X

The bill is effective when it becomes law, except that Section 5.7 of this act is effective for taxable years beginning on or after January 1, 2004.

ASSUMPTIONS AND METHODOLOGY:

Section 5.7 Income Tax: Under current state and federal law, payments received to replace property lost in a federally declared disaster are exempt from tax. This includes state and federal assistance payments, as well as insurance payments. However, payments received to replace income are not exempt. Payments to farmers for crop losses are therefore taxable under current law. This bill exempts payments made to replace lost income. Payments to farmers are expected to be $22.5 million. Exempting these payments from tax, assuming an average tax rate of 7.0%, creates a one-time loss of $1,575,000.

The remaining non-revenue related fiscal impacts are included in the relevant portions of the bill summary.

Minutes

~

March 17, 2005

The House Committee on Finance met on Thursday, March 17, 2005 at 8:30 am in Room 544 of the Legislative Office Building. The following members were present: Chairpersons Alexander, Gibson, Howard, Luebke, McComas, and Wainwright; Vice-Chairs Daughtridge, Hill, Ross, Weiss, and Womble; and Representatives Blackwood, Blust, Bordsen, Capps, Carney, Dockham, Faison, Folwell, Hackney, Holliman, Lewis, McGee, Rayfield, Underhill, Walend, and Wiley. Also present were Sergeant-at-Arms Bill Freeman, Fred Hines, Dusty Rhodes, and Walter Spell. Staff persons present included Cindy Avrette, Rodney Bizzell, David Crotts, Linda Millsaps, and Alexei Pavlichev. The Agenda and Visitor Registration Sheet are attached and incorporated into these minutes as **attachments 1 and 2**.

Chairwoman Alexander called the meeting to order at 8:34 am and announced the death of Representative John Hall. She followed the announcement with a moment of silence. She then recognized the two (2) pages present: Katharina Stevens of Wake County, sponsored by Representative Capps, and Crystal Rayl of Wake County, sponsored by Senator Hunt.

Chairwoman Alexander then recognized Linda Millsaps with Fiscal Research to provide an overview of the State's General Fund revenue sources (see **attachment 3** for a summary of the presentation). During the presentation, Chairwoman Alexander recognized Representative Luebke who requested for the term "Nexus" to be defined and explained as it relates to Corporate Income tax. Ms. Millsaps then explained that the term "Nexus" means physical presence. A company that does not have nexus, or physical presence, does not pay corporate income taxes. Ms. Millsaps concluded her presentation with an overview of Gift and Estate Taxes in North Carolina.

Following the presentation given by Ms. Millsaps, Chairwoman Alexander then recognized Rodney Bizzell with Fiscal Research to give an overview of the sources of Local Revenue (see **attachment 4** for a summary of the presentation). Mr. Bizzell noted that the proportionment of the sources of Local Revenue has remained relatively stable over the past decade. In 2002-03, counties received most of their revenue (39% or $3.9 billion) from property taxes. In the same year, municipalities received most of their revenue (34% or $2.4 billion) from utility taxes. Mr. Bizzell concluded his presentation with an Occupancy Tax Overview. Since 1983, the General Assembly has enacted local bills giving 72 counties and 61 municipalities the authority to levy a room occupancy tax.

Following Mr. Bizzell's presentation, Chairwoman Alexander announced the formation of the House Finance Subcommittee on Occupancy Tax. She appointed Representative Womble as

chairman and Representatives Carney and McGee as members. She then referred the following bills to the Subcommittee on Occupancy Tax:

- HB 125 – West Jefferson Occupancy Tax
- HB 351 – Modify Pasquotank/Elizabeth City Occupancy Tax
- HB 540 – Halifax Occupancy Tax
- HB 544 – Madison County Occupancy Tax
- HB 580 – City of Belmont Occupancy Tax

Chairwoman Alexander then moved that the Occupancy Tax Overview (see **attachment 5**) as approved by the House Finance Chairs be adopted for use by the Subcommittee on Occupancy Tax. The motion was adopted without objection.

As there was no further business before the Committee, Chairwoman Alexander then adjourned the meeting at 9:50 am in the memory of Representative John Hall.

Respectfully submitted,

Representative Martha Alexander

Sales Tax

Collected from local merchants.

The general rate of tax is 4.5% state, 2.5% or 3.0% local. (4.5% set to move to 4.0% July 1, 2005).

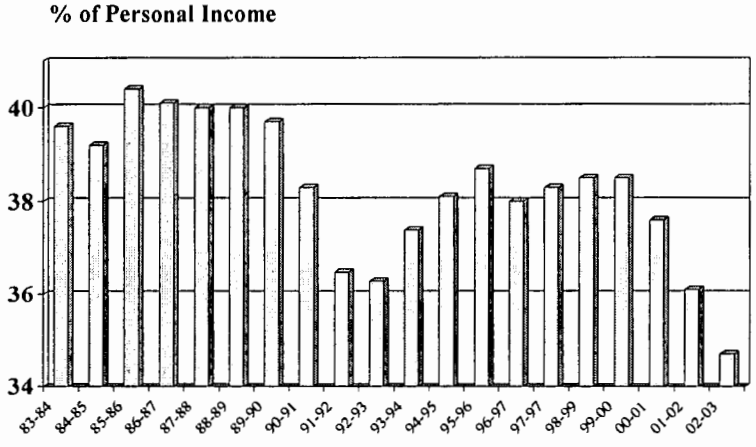
This relatively standard rate is often held up as a model for other states.

Participation in the Streamlined Sales Tax project will force greater standardization.

Food is exempt from state tax but is still subject to a 2% local tax. (The new ½ cent of local tax does not apply to food).**

Distribution of sales tax revenue to localities is made on both per capita and point of sale basis.

What's Coming in ... Local Sales Tax Base Relative to Personal Income



NOTE: Ratio calculated by converting 1% local sales tax receipts to a "tax base" and then dividing by personal income.

Occupancy Tax Overview

Created March 2005

Occupancy Tax

A local tax levied on the gross receipts derived from the rental of any room, lodging, or accommodation furnished by a hotel, motel, inn, tourist camp, or similar place that is subject to sales tax imposed by the State under G.S. 105-164.4(a)(3). This tax is in addition to any State or local sales tax.

Local Acts

Since 1983, the General Assembly has enacted local bills giving approximately 72 counties and 61 municipalities the authority to levy a room occupancy tax.

Rate

The rates vary from 1% to 6% depending upon the rate established in each local government's authorizing legislation; however, the General Assembly has not authorized any tax above 6%.

Uniform Administrative Provisions

In 1997, the General Assembly enacted uniform municipal and county administrative provisions for occupancy tax legislation – GS 153A-155 and GS 160A-215. These provisions provide uniformity in the areas of levy, administration, collection, repeal, and penalties. The uniform provisions apply to 30 named counties and 43 municipalities.

Use of Funds

In most instances, the proceeds are used to promote travel and tourism and for tourism-related expenditures. Since 1993, the House Finance Committee has typically required the proceeds from the tax to be used for these purposes. There are a few counties (*Ashe, Cleveland, Hertford, and Hyde*) that may use the proceeds for any public purposes and a few others, especially coastal communities, which allow the proceeds to be used for public services such as fire protection, police protection, and solid waste disposal, and for beach nourishment. Since 2001, there is a generally accepted uniform definition of 'beach nourishment'.

Tourism Development Authorities

Most of the local bills authorizing an occupancy tax also create a 'Tourism Development Authority' or some other similar body that has the authority to determine how the tax proceeds will be used. There are only 39 or so instances where the use of the money is solely in the discretion of the county or municipal officials. Since 1993, the House Finance Committee has typically required that at least ¾ of the members of the TDA be currently active in the promotion of travel and tourism in the taxing district and that 1/3 of the members be affiliated with organizations that collect the tax. In 2005, the House Finance Chairs revised this general rule to allow more members of the public not involved in travel and tourism to serve on the TDA by requiring that at least **50%** of the members be currently active in the promotion of travel and tourism.

History

The North Carolina Travel and Tourism Coalition has a policy statement for legislation authorizing local occupancy taxes. Many of the principles contained in its statement are similar to the ones established by a House Finance Subcommittee in 1993. Based upon the work of this subcommittee, the House Finance Committee typically looks for the inclusion of certain provisions in the occupancy tax bills it considers:

- The combined county and municipal tax may not exceed 6%.
- Proceeds must be used for travel and tourism promotion and expenditures.
- The net revenues must be administered by a TDA.
- The costs of collection may not exceed 3% of the first $500,000 collected each year plus 1% of the remainder collected each year.

Minutes

~

March 24, 2005

The House Committee on Finance met on Thursday, March 24, 2005 at 8:30 am in Room 544 of the Legislative Office Building. The following members were present: Chairpersons Alexander, Howard, McComas, and Wainwright; Vice-Chairs Daughtridge, Hill, Ross, Weiss, and Womble; and Representatives Blackwood, Blust, Bordsen, Capps, Carney, Dockham, Faison, Folwell, Glazier, Hackney, Harrell, Holliman, Jones, Lewis, McGee, Rayfield, Underhill, Vinson, and Wiley. Also present were Sergeant-at-Arms Paul Curry, Fred Hines, Walter Spell, and James Worth. Staff persons present included Cindy Avrette, Rodney Bizzell, Linda Millsaps, and Martha Walston. The Agenda and Visitor Registration Sheet are attached and incorporated into these minutes as **attachments 1 and 2.**

Chairwoman Howard called the meeting to order at 8:30 am and recognized the two (2) pages present: Chris Peele of Onslow County, sponsored by Representative Grady, and Reginald Cameron of Wake County, sponsored by Representative Hall.

Chairwoman Howard then recognized Rodney Bizzell with Fiscal Research to provide an overview of Cigarette and Alcohol Taxation in North Carolina (see **attachment 3** for a summary of the presentation). After several questions were asked about cigarette and alcohol taxes, Chairwoman Howard recommended that staff present a more detailed report that addresses the following issues: the effect of an increased cigarette tax on the sales tax; the number of workers in cigarette manufacturing in other states compared to that in North Carolina; and whether it is possible to make high-level proof malt alcoholic beverages.

Following the presentation given by Mr. Bizzell, Chairwoman Howard recognized Martha Walston with Fiscal Research to give an overview of the recent court cases affecting State Revenues (see **attachment 4** for a summary of the presentation).

Once Mrs. Walston finished her discussion, Chairwoman Howard recognized Representative Holliman to explain the first bill under consideration, **HB 9 – THOMASVILLE DEANNEXATION** (see **attachment 5**). Representative Holliman explained that the bill removes certain property from the corporate limits of the city of Thomasville because it would be overly expensive to complete annexation. He stated that all parties involved in the deannexation favored the passage of the bill. Following the explanation, Chairwoman Howard recognized Representative Wainwright who moved that House Bill 9 be given a favorable report. Seeing no further discussion, Chairwoman Howard called the motion to a vote and it carried by consent.

Chairwoman Howard then recognized Representative Tolson to explain **HB 476 – WILSON/GREENE BOUNDARY SETTLEMENT** (see **attachment 6**). Representative Tolson explained that the bill validates a boundary settlement between Wilson and Greene counties. Following the explanation, Chairwoman Howard recognized Representative Wainwright who moved that House Bill 476 be given a favorable report. Chairwoman then recognized Representative Rayfield who asked how the individuals living on the land that is affected by the boundary settlement felt about the change. Chairwoman Howard then recognized Representative Tolson who stated that he had heard of no opposition to the bill. Seeing no further discussion, Chairwoman Howard called the motion to a vote and it carried by consent.

Chairwoman Howard then recognized Representative Hollo to explain **HB 498 – TAYLORSVILLE SATELLITE ANNEXATION** (see **attachment 7**). He explained that the bill would remove the cap on satellite annexations for the town of Taylorsville. Following the explanation, Chairwoman Howard recognized Representative Underhill who asked the bill's sponsor how many other towns have asked for the satellite annexation cap to be removed. Representative Hollo responded saying that 51 other municipalities had already been granted similar requests by the General Assembly. Chairwoman Howard then recognized Representative Rayfield who moved that House Bill 498 be given a favorable report. Seeing no further discussion, Chairwoman Howard called the motion to a vote and it carried without objection.

Having no further business before the Committee, Chairwoman Howard adjourned the Committee at 9:19 am.

Respectfully submitted,

Representative Julia Howard

RECENT COURT CASES AFFECTING STATE REVENUES
Distributed to House Finance, March 23, 2005

A&F Trademark, Inc. v. Tolson (The Limited Case)
The N.C. Supreme Court upheld the position of the N.C. Department of Revenue that out-of-state taxpayers, who hold trademarks used in North Carolina, are doing business in the State and must pay corporate income and franchise taxes. The Department has indicated that this decision will generate $50 million for the 2004-2005 fiscal year.

North Carolina School Boards Association, et al. v. Richard Moore, et al. (the Fines and Forfeitures Case)
The N.C. Court of Appeals upheld the position of State departments, agencies, institutions and licensing boards that various monetary payments collected by these parties were remedial in nature and not punitive. These payments, therefore, are not governed by the constitutional provision requiring the proceeds of all penalties and forfeitures and of all fines collected in the counties to remain with the counties and to be used for maintaining free public schools. The school boards appealed to the N.C. Supreme Court. The matter was argued in the N.C. Supreme Court on May 11, 2004, but no decision has been filed.

Dunn v. State of North Carolina, et al.
This is a class action suit brought on behalf of plaintiffs and all other persons and entities who have paid North Carolina income tax on the interest of other states' bonds. The issue is whether North Carolina violates the Commerce Clause of the U.S. Constitution by taxing interest earned on state and local government bonds from other states while exempting North Carolina state and local government-issued bonds. Plaintiffs have demanded a refund of taxes paid for tax years 2001 and 2002. The case is currently in Forsyth County Superior Court.

Coley, et al. v. State of North Carolina and Tolson
Plaintiff taxpayers brought this action in Wake County Superior Court seeking a declaration that the 2001 legislation enacting the 8.25% income tax bracket was an illegal retrospective tax and seeking a tax refund. The trial court dismissed plaintiffs' action. Plaintiffs have appealed to the N.C. Court of Appeals, and the case is set for oral argument next month. Plaintiffs contend that because this legislation was ratified midway through their taxable year, it taxes retrospectively in violation of the North Carolina Constitution. The State has countered that the act is not unconstitutional because the tax is not imposed until the conclusion of the taxable year, which occurred after ratification. Mid-year tax legislation such as S.L. 2001-424 does not tax retrospectively.

Philip Morris USA Inc. v. Tolson
Plaintiff Philip Morris (hereinafter PM) brought this action in Wake County Superior Court seeking a refund of income taxes paid for tax years 1989 through 1991. In 1979, PM began construction of a cigarette manufacturing facility in Cabarrus County. PM sought permission from the augmented Tax Review Board to use an alternative method for allocation of their income for North Carolina corporate income tax purposes for 1982

and subsequent years.[1] The Board authorized a special apportionment formula that substantially decreased PM's income tax liability in North Carolina.[2] During the years at issue, 1989 through 1991, PM did not apportion its income to the State using either the special formula or the statutory formula. Instead, PM used an amended version of the statutory formula. The Secretary of Revenue ordered PM to pay income tax based on the special formula, and the Review Board affirmed the decision. The Wake County Superior Court found that for tax years 1990 and 1991, PM was not required to allocate its net income using the special formula but was required to use the statutory formula.[3] For those years, the statutory formula produced a more favorable tax result for PM than the authorized special formula. Therefore, PM was entitled to a refund of corporate income taxes to the extent the amount it paid in a particular year was greater than the amount due under the statutory apportionment formula. The State did not appeal this decision. PM has appealed to the N.C. Court of Appeals on grounds that they should be able to continue using the amended statutory formula. If the State loses, it will be required to pay PM approximately $30 million.

DIRECTV, Inc. and EchoStar Satellite Corporation v. State

This case is in Wake County Superior Court. Plaintiffs brought this action seeking a refund of sales taxes paid since January 1, 2002. They claim that the 5% sales tax rate on their gross receipts is unconstitutional as a violation of the Commerce Clause, the equal protection clause, and the rule of uniform taxation. EchoStar seeks a refund of $10 million, and DIRECTV seeks a refund of $18 million. They base their complaint on the fact that cable television service is exempt from State sales tax. Cable television companies pay local governments an annual franchise tax, which is generally 5% of the company's gross receipts. Plaintiffs argue that the satellite television companies all provide services to North Carolina from out-of-state facilities. In contrast, cable companies have a local presence that places demands on the State for services, while satellite television companies do not have significant facilities in North Carolina that impose demands on state services.

---

[1] G.S. 105-130.4 sets out an apportionment formula for a multistate corporation to allocate its net income or net loss taking into account how much sales, property, and payroll the corporation has in each state. A multistate corporation calculates its income tax by adding together its property factor, its payroll factor, and twice its sales factor and then dividing the total by four. The double-weighting of the sales factor was enacted in 1989, as part of an inducement to get RJR Nabisco to build a cookie-baking factory and distribution center in Garner. The factory was never built.

[2] If a corporation believes that the statutory apportionment formula has or will subject it to taxation on a greater portion of its income that is attributable to its business in North Carolina, then the corporation may file a petition with the Tax Review Board to use an alternative formula. If the corporation proves by clear, cogent and convincing evidence that an alternative formula should be used, then the Board will issue a written decision setting out the alternative formula. The State Review Board consists of the State Treasurer, the chairman of the Utilities Commission, and a member of the public appointed by the Governor. At the hearing, the membership is augmented by the Secretary of Revenue, who joins the board as a member with full power.

[3] Under G.S. 105-130.4(t), an order of the augmented Board is nullified if there is a change in either the business method of operation of the corporation or the conditions constituting the basis upon which the decision was made. The trial court found that the fact that the statutory formula produces a more favorable tax result for the corporation than the order for a particular year is a condition constituting the basis upon which the decision was made.

North Carolina School Boards Association, et al. v. Richard Moore, et al.
(The Fines and Forfeitures Case)
(Summary prepared by Finance Team October 1, 2003, updated March 21, 2005)

OVERVIEW: *On September 16, 2003, the North Carolina Court of Appeals issued an opinion reversing much of the Wake County Superior Court's December 14, 2001 ruling in which the superior court had ordered that payments collected by certain State agencies and licensing boards be distributed to the public schools in lieu of allowing the agencies and boards to retain these payments for other purposes. The Court of Appeals held that these monetary payments are remedial rather than punitive in nature and, therefore, are not governed by Article IX, Section 7 of the State Constitution. Section 7 requires the proceeds of all penalties and forfeitures and of all fines collected in the counties to be used for maintaining free public schools. The result of this opinion is that the Department of Revenue and the University System will not have to pay out monetary sums totaling more than $511 million.*[1]

The matter has been appealed and was argued before the North Carolina Supreme Court on May 11, 2004. No decision has been filed.

BACKGROUND

The matter arose in December 1998, when the Plaintiff North Carolina School Boards Association and the individual Boards of Education for Wake, Durham, Johnston, Buncombe, Edgecombe, and Lenoir counties sued defendant State departments, agencies, institutions, and licensing boards seeking a determination that various monetary payments collected by these defendants should go to the school systems in the counties where the payments are collected and that the school boards should decide how to spend the money. Plaintiffs based their position on Article IX, Section 7 of the North Carolina Constitution, which provides in part, "[T]he clear proceeds of all penalties and forfeitures and of all fines collected in the several counties for any breach of the penal laws of the State, shall belong to and remain in the several counties, and shall be faithfully appropriated and used exclusively for maintaining free public schools." Defendants' position is that none of the challenged payments falls within the purview of Article IX, Section 7, because these payments are remedial rather than punitive in nature, and that defendants may therefore retain and use the payments for purposes other than maintaining free public schools.

The case came before the Court of Appeals after the Wake County Superior Court entered summary judgment in plaintiffs' favor on grounds that all of the monetary payments at issue were subject to Article IX, Section 7 of the State Constitution and belong to the public schools. The Court of Appeals reversed most of the findings in the superior court's order of summary judgment.

---

[1] This assumes that the opinion is affirmed on appeal to the North Carolina Supreme Court. No estimates are available for the moneys collected by the licensing boards. The monetary sum of $511 million includes payments collected by the Department of Revenue beginning in fiscal year 1995-96 to the present and payments collected by the University System for fiscal years 1999-2000 and 2000-2001.

DECISION

The Court of Appeals, in reversing most of the findings of the superior court, held that the following monetary payments may go to the State agencies collecting the payments and may be used for purposes other than the public schools. The Court concluded that the following payments are remedial rather than punitive in nature and, therefore, are not governed by Article IX, Section 7 of the State Constitution.

- Penalties collected by the Department of Revenue as an additional tax under G.S. 105-236 and other provisions of the NC Revenue Act for failure to comply with the tax code. These payments total on average about $50 million annually in fiscal years 1995-1996 through 1998-1999 and are deposited into the General Fund.
- Payments collected by the Department of Revenue from persons dealing in unauthorized substances pursuant to Article 2D of Chapter 105 of the General Statutes. These payments total about $6 million annually in fiscal years 1995-1996 through 1998-1999. The State or local law enforcement agency that conducted the investigation leading to the assessment of the tax on unauthorized substances received 75% of these collections.
- Payments collected by the Employment Security Commission from employers for overdue contributions to the Unemployment Insurance Fund, late filing of wage reports, and tendering a worthless check pursuant to G.S. 96-10(g) and (h).
- Payments collected by the boards of trustees of the Consolidated University of North Carolina campuses for violation of ordinances regulating traffic, parking, and vehicle registration pursuant to G.S. 116-44.4(h). In fiscal year 1999-2000, UNC-CH collected over $1.6 million while NCSU collected about $800,000. These moneys are used for parking, traffic, and transportation purposes including as a pledge to secure revenue bonds for parking facilities.
- Payments collected by the boards of trustees of the Consolidated University of North Carolina campuses for loss, damage, or late return of materials borrowed from University libraries pursuant to G.S. 116-33. In a recent year, NCSU collected nearly $160,000. These payments are used to offset the cost of maintaining the institutions' library collections.
- Payments collected by the Plumbing and Heating Board, the Electrical Board, the Cosmetic Board and the State Bar for licensees' failure to timely comply with licensing requirements. In a recent three-year period these payments ranged from approximately $18,000 collected on average annually by the State Bar to $45,000 collected annually by the Board of Cosmetic Art Examiners. Generally, these payments are retained by the collecting agency and used for operating expenses.
- Payments collected by State agencies as fines or civil penalties assessed against a public school or local school administrative unit,

including the $11,000 paid to the Department of Environment and Natural Resources (DENR) by the Edgecombe County Board of Education in April, 1997, may remain with the collecting State agency, where they may be used for purposes other than maintaining public schools.[2] Local school administrative units paid at least $500,000 to DENR during a recent five-year period.

The Court of Appeals held that the following payments are punitive in nature and must go to the public schools pursuant to Article IX, Section 7 of the North Carolina Constitution.

- Payments collected by the Department of Transportation from owners of vehicles that exceed axle-weight limits pursuant to G.S. 20-118(e). Theses payments average $7 million annually and are credited to the State Highway Fund.
- Payments collected by the Department of Transportation from vehicle owners who allow their motor vehicle insurance to lapse and from insurers who fail to give notice on insurance termination to the DOT pursuant to G.S. 20-309.
- Payments made in support of a supplemental environmental project, in lieu of paying a civil penalty.[3]

Additional holdings by the Court of Appeals

- The Civil Penalty and Forfeiture Fund (Civil Penalty Fund) and the State School Technology Fund enacted by the General Assembly do NOT violate the plain language of Article IX, Section 7 of the NC Constitution. The Court emphasized that the Constitution only requires generally that revenue collected from civil penalties be used exclusively to support the public schools but does not specify how this is to be accomplished. The Court concluded "that the statutory scheme's creation of the Civil Penalty Fund, its mandate that all funds accruing thereto be transferred to the School Technology Fund for allocation to local school units based on student population, and its requirement that these funds be used to implement local school technology plans are consistent with the intent and purpose of Article IX, Section 7." The Court rejected the plaintiffs' argument that the language in Article IX, Section 7 required that the payments be made to a specific city and/or county school board.
- The trial court correctly applied the three-year statute of limitations to plaintiffs' claims. This means plaintiffs' claims apply to

[2] The Court did not base this result on whether the payment was punitive or remedial in nature but on the public policy that a wrongdoer should not be allowed to enrich himself as a result of his own misconduct.
[3] This includes $50,125 paid by the City of Kinston to Lenoir Community College on March 31, 1998 in support of a supplemental environmental project. A SEP has been defined as part of a settlement to an enforcement action and as providing opportunities for environmental benefit as a result of negotiated settlements.

payments collected within three years preceding the filing of their complaint in December 1998. Defendants argued that a one-year statute of limitation should apply.

Dissenting opinion

One of the appellate judges, in the three-judge panel hearing the case, dissented from the majority opinion on the following grounds:

- The payments collected by DOT pursuant to G.S. 20-118(e) are not punitive in nature and therefore, do not belong to the public schools. These payments were intended to compensate the State for the deterioration of its highways due to operation of overweight vehicles and go to the State Highway Fund instead of the public schools.
- The $11,000 penalty assessed against the Edgecombe County School Board for environmental violations should go to the public schools. However, in determining how to distribute this money among the eligible school systems from the Civil Penalty Fund, the average daily attendance of Edgecombe County public schools should not be included in the calculation and Edgecombe county School Board should not receive any of the money.

Both parties have appealed to the North Carolina Supreme Court. Oral arguments were heard May 11, 2004. The State has appealed the following portions of the majority opinion:

- **That the payments to the Department of Transportation are punitive in nature and must go to the public schools.**
- **That the payments made in support of a supplemental environmental project, in lieu of paying a civil penalty, are punitive in nature and must go to the public schools.**

Note that pursuant to G.S. 7A-30, the parties have a right to a direct appeal to the North Carolina Supreme Court on the substantial constitutional questions raised in the opinion and on the issues raised in the dissenting opinion.

A&F Trademark, Inc. v. Tolson (The Limited Case)

(Summary prepared by Finance Team, December 20, 2004, updated March 19, 2005)

OVERVIEW: *This North Carolina Court of Appeals decision, filed December 7, 2004, upholds the State's position on the taxation of royalty income received by an out-of-state investment company for the use of trademarks in this State. The Court ruled that the out-of-state taxpayers, who hold the trademarks used in North Carolina, were doing business in North Carolina and that the assessment of corporate income and franchise taxes against the taxpayers was not a constitutional violation.*

On March 3, 2005, the North Carolina Supreme Court denied the taxpayers' petition for discretionary review and allowed the State's motion to dismiss the taxpayers' appeal.

FACTS

In this case, the taxpayers are nine wholly-owned subsidiaries[1] of the Limited Stores, Inc. The Limited also owns 100% of eight retail companies[2] who have retail subsidiaries doing business in more than 130 locations in North Carolina. These retail subsidiaries pay North Carolina corporate income and franchise taxes. During the 1980's and early 1990's, the Limited incorporated the taxpayers in Delaware to hold the trademarks owned by the Limited and the related retail companies. The taxpayers do not own or lease any real property or tangible personal property in any state except Delaware. The taxpayers have no employees in any state. The taxpayers entered into the following paper transactions, which had no substantive effect other than eliminating their North Carolina taxable income:

1. The taxpayers received the trademarks from the related retail companies for little or no consideration.
2. The taxpayers then entered into licensing agreements with the corresponding related retail companies. The licensing agreements authorized the related retail companies to continue to use the trademarks they had previously owned in exchange for royalty payments to the taxpayers. The royalty payments were based on a percentage of the retail companies' gross sales. However, the payments were not made by any transfer of funds but only by a bookkeeping entry.
3. The Limited and the related retail companies deducted these royalty payments from their income for North Carolina tax purposes.
4. Taxpayers then loaned these royalty payments back to the related companies for use in their retail operations. Taxpayers charged the retail companies a market rate of interest, which generated further income tax deductions for the related retail companies. No attempt was ever made by taxpayers to collect on outstanding loans. The taxpayers did not pay any income tax to any state on any of the income received from the related retail companies.

For the year at issue (1994), taxpayers recorded $301,067,619 in royalty income and $122,031,344 in interest income from the related retail companies. This accounted for 100% of taxpayers' income.

In September 2000, the Secretary of Revenue rendered a final decision finding that the taxpayers were doing business in this State and as such were subject to North Carolina corporate income

and franchise tax. The Tax Review Board[3] confirmed the Secretary's decision. On May 22, 2003, the Wake County Superior Court affirmed the Tax Review Board's administrative decision in its entirety. The taxpayers then appealed to the North Carolina Court of Appeals.[4] In a decision filed December 7, 2004, the Court of Appeals affirmed the decision of the Wake County Superior Court. The following issues were presented on appeal:

1. Whether the taxpayers were "doing business" in North Carolina under the relevant statutory provisions.
2. Whether the State's attempt to assess the income and franchise taxes offends the Commerce Clause of the U.S. Constitution.

The Court of Appeals concluded that the taxpayers WERE doing business in the State and that the Commerce Clause did NOT forbid the imposition of corporate and franchise taxes against the taxpayers.

DECISION

The North Carolina Court of Appeals affirmed the lower court's decision and upheld the imposition of income and franchise taxes against taxpayers on the following grounds:

Taxpayers were "doing business" in North Carolina under the relevant statutory provisions.
Under G.S. §105-130.3, a tax is imposed on the net income of a corporation doing business in the State. The Secretary of Revenue adopted an administrative rule interpreting this statute and defining "doing business" to mean "the operation of any business enterprise or activity in North Carolina for economic gain, including...the owning, renting, or operating of business or income-producing property in North Carolina including...[t]rademarks [and] tradenames...." [5] The language adding trademarks and tradenames to the definition was added in 1992. In 2001, the General Assembly enacted § 105-130.7A stating that royalties received for the use of trademarks in this State are income derived from doing business in this State and thus are subject to N.C. income tax. The 2001 act also provided "taxpayer with an option concerning the method by which these royalties can be reported for taxation when the recipient and the payer are related members."[6] In finding that the taxpayers were doing business in North Carolina, the Court of Appeals emphasized that the 2001 legislation did not change what was already considered taxable income but merely enhanced compliance with the State tax on income generated from using trademarks and added a reporting option to the income tax statute. The Court concluded that the 2001 legislation supports the premise that the Secretary's interpretation of G.S. 105-130.3 set out in the administrative rules was consistent with the language of this statute. The administrative rule properly reflected the policy of the General Assembly for income taxation of trademark royalty payments and did not, as taxpayers argued, unlawfully expand the statute.

The Court of Appeals also rejected the taxpayers' argument that the imposition of franchise taxes exceeded statutory authority. North Carolina imposes a franchise tax on every corporation doing business in the State. Under G.S. 105-114(b)(3), "doing business" for franchise tax purposes is defined as "[e]ach and every act, power, or privilege exercised or enjoyed in this State, as an incident to, or by virtue of the powers and privileges granted by the laws of this State." The

[6] S.L. 2001-327. The General Assembly expressly found that most corporations engaged in manufacturing and retailing activities in the State comply with the State tax on income generated from using trademarks in those activities; and it was the intent of this statute to reward taxpayers who comply by giving them an option on how to file tax returns involving royalty income.

franchise tax is imposed on corporations for the opportunity and privilege of transacting business in the State. The Court found that the State "has provided privileges and benefits that fostered and promoted the related retail companies". Consequently, additional benefits have inured to the taxpayers. As support for its holding, the Court sited *Geoffrey, Inc. v. South Carolina Tax Commission,* 437 S.E.2d 13 (S.C. 1993). There the South Carolina Supreme Court upheld income tax imposed on that portion of a non-domiciliary trademark holding company's income derived from the use of its trademarks and trade names within South Carolina by a related retail company. The North Carolina Court of Appeals adopted the rationale of the *Geoffrey* court stating "that by providing an orderly society in which the related retail companies conduct business, North Carolina has made it possible for the taxpayers to earn income pursuant to the licensing agreements."

North Carolina's attempt to assess income and franchise taxes against taxpayers did not offend the Commerce Clause of the U.S. Constitution.

The Court of Appeals also rejected the taxpayers' argument that the Commerce Clause of the United States forbids the State from imposing income and franchise taxes on them. Taxpayers argued that the Commerce Clause requires that an activity must have substantial nexus with a taxing state before that activity can be taxed. Because they have no offices, facilities, employees, and real or tangible property in North Carolina, taxpayers claimed they have no physical presence in the State and, therefore, no substantial nexus. As support, taxpayers cited the U.S. Supreme Court rulings in *National Bellas Hess, Inc. v. Department of Revenue,* 386 U.S. 753, 18 L.Ed.2d 505 (1967) and *Quill Corp. v. North Dakota,* 504 U.S. 298, 119 L.Ed. 2d 91 (1992).[7] In rejecting the taxpayers' argument, the Court of Appeals found that the two cases cited by the taxpayers required a physical presence only for the imposition of sales and use taxes. The Court stressed that the physical presence requirement has never been established by judicial precedent for other forms of taxation. The Court also pointed out the distinctions between sales and use taxes and income and franchise taxes that make the physical presence test inappropriate here. For example, the *Bellas Hess* and *Quill* cases were use tax collection cases based on the vendor's activities in the state. The income and franchise taxes in the instant case are based solely on the taxpayers' receipt of income from the use of the taxpayers' property in this State by a commonly-owned third party. Moreover, a sales and use tax can make a taxpayer an agent of the state who is obligated to collect the tax from the consumer at the point of sale and then pay it over to the taxing entity. A state income tax is usually paid only once a year to one taxing jurisdiction at one rate, while a sales and use tax can be due periodically to more than one taxing jurisdiction within a state and at varying rates.

---

[7] *Bellas Hess* and *Quill* involved attempts by a state to require out-of-state mail-order vendors to collect and pay use taxes on goods purchased within the state despite the fact that the vendors had no outlets or sales representatives in the state. The Court in *Bellas Hess* concluded that the vendors' only contacts with the state were by mail or common carrier and that such contact did not satisfy the "substantial nexus" requirement of the Commerce Clause. The Court found that physical presence constituted nexus. The *Quill* Court reaffirmed the requirement that the vendors must have a physical presence in the state to satisfy the "substantial nexus" requirement,

Date:	March 22, 2005	**Analysis by:**	Martha Walston
Version:	1st Edition		Committee Counsel

SUMMARY: House Bill 9 de-annexes approximately 18.263 acres from the corporate limits of the City of Thomasville. The act would be effective when it becomes law.

CURRENT LAW: A city or town may annex property by petition of owners of the property to be annexed or if the property meets certain statutory requirements. If the property does not meet the statutory requirements for annexation, the municipality does not have the authority to annex. However, the General Assembly can extend the corporate limits of a municipality to encompass areas that the municipality would not statutorily have the authority to annex. The General Assembly can also de-annex property of a municipality.

BILL ANALYSIS: House Bill 9 de-annexes a parcel totaling approximately 18.263 acres from the corporate limits of the City of Thomasville. The act would be effective when it becomes law. On December 20, 2004, the City Council of Thomasville adopted a resolution requesting a local bill to remove the described property from the city limits, because the location of the property poses difficulty in providing city services. The property owners and City have agreed that it would be in the best interest of the City and the residents that this property be removed from the City.

March 7, 2005

A BILL TO BE ENTITLED

AN ACT RELATING TO THE BOUNDARY SETTLEMENT BETWEEN WILSON AND GREENE COUNTIES AND PERTAINING TO CERTAIN REAL PROPERTY RECORDS IN THOSE COUNTIES.

The General Assembly of North Carolina enacts:

SECTION 1. The recordation and filing of all deeds, deeds of trust mortgages, liens, contracts, and all other instruments and muniments of title required or permitted by law to be registered or filed and which have been accepted by the Wilson County Register of Deeds or other appropriate official for filing or recordation and which purport to convey any interest in the real property containing 322.79 acres, lying south of the centerline of Contentnea Creek and east of the easterly property line of Wayne County are hereby validated to the same extent as if the instruments had been recorded, registered, or filed in Greene County. The property referred to in this section is more particularly shown on a map entitled "Plat of Re-Survey of Wayne/Wilson/Greene County Lines North Carolina", which is recorded in the Office of the Register of Deeds of Wilson County and in the Office of the Register of Deeds of Greene County.

SECTION 2. On and after the effective date of this act, all further documents that affect or purport to affect the title of the 322.79 acres described in Section 1 of this act shall be filed, recorded, or registered in the Office of the Register of Deeds of Greene County or other appropriate office.

SECTION 3. The real property described in Section 1 of this act shall be listed for ad valorem taxes in Wilson County for 2005 and in Greene County for 2006 and thereafter.

SECTION 4. This act is effective when it becomes law.

SUMMARY: House Bill 476 is a local bill that would validate instruments filed in the Wilson County Register of Deeds that purport to convey a parcel of land containing 322.79 acres. A recent survey of the parcel reveals that the parcel lies in Greene County instead of Wilson County.

CURRENT LAW: G.S. 153A-18(a) authorizes two or more counties to appoint special commissioners to survey uncertain boundaries between them. Upon ratification of the survey by the board of commissioners of each county, a map showing the surveyed boundary is recorded in the register of deeds of each county.

BILL ANALYSIS: House Bill 476 validates all instruments recorded in the Wilson County Register of Deeds that purport to convey 322.79 acres near the Wilson County/Greene County boundary lines. For at least 100 years, the property has been considered a part of Wilson County. A recent survey authorized by Greene and Wilson Counties reveals that the property is located in Greene County. The Wilson County Board of Commissioners adopted a resolution on February 7, 2005 requesting legislation to validate instruments filed in Wilson County that purport to convey the 322.79 acres.

House Bill 476 validates the instruments filed with the Wilson County Register of Deeds and directs, that after the effective date of the act, all further documents affecting the title of the property be filed in Greene County. The property shall be listed for property taxes in Wilson County for 2005 and in Greene County for 2006 and thereafter.

HOUSE BILL 498*

Short Title:	Taylorsville Satellite Annexations.	(Local)
Sponsors:	Representative Hollo.	
Referred to:	Finance.	

March 7, 2005

A BILL TO BE ENTITLED

AN ACT TO REMOVE THE CAP ON SATELLITE ANNEXATIONS FOR THE TOWN OF TAYLORSVILLE.

The General Assembly of North Carolina enacts:

SECTION 1. G.S. 160A-58.1(b)(5) reads as rewritten:

"(b) A noncontiguous area proposed for annexation must meet all of the following standards:

...

(5) The area within the proposed satellite corporate limits, when added to the area within all other satellite corporate limits, may not exceed ten percent (10%) of the area within the primary corporate limits of the annexing city.

This subdivision does not apply to the Cities of Claremont, Concord, Conover, Gastonia, Hickory, Locust, Marion, Mount Airy, Mount Holly, New Bern, Newton, Oxford, Randleman, Rockingham, Sanford, Salisbury, Southport, Statesville, and Washington and the Towns of Angier, Bladenboro, Calabash, Catawba, Creswell, Dallas, Fuquay-Varina, Garner, Godwin, Holly Ridge, Holly Springs, Kenly, Knightdale, Leland, Louisburg, Maiden, Mayodan, Midland, Mocksville, Morrisville, Pembroke, Pine Level, Ranlo, Rolesville, Rutherfordton, Swansboro, Taylorsville, Troy, Wallace, Warsaw, Waynesville, Wendell, and Zebulon."

SECTION 2. This act is effective when it becomes law.

HOUSE BILL 498:
Taylorsville Satellite Annexations

BILL ANALYSIS

Committee:	House Finance	**Introduced by:**	Rep. Hollo
Date:	March 22, 2005	**Summary by:**	Trina Griffin
Version:	1st Edition		Committee Counsel

SUMMARY: House Bill 498 would exempt the town of Taylorsville from the requirement for satellite annexation that the area to be annexed, when added to the area within all other satellite corporate limits, may not exceed 10% of the area within the primary corporate limits of the annexing city. The Senate companion bill, SB 350, passed 2nd reading in the Senate on March 17, 2005, and is on the Senate calendar for 3rd reading on Monday, March 21st.

CURRENT LAW: G.S. 160A-58.1 governs the voluntary annexation by a municipality of noncontiguous property. All property owners in the satellite area[1] may petition for voluntary annexation of the noncontiguous property if the property meets the following five standards in G.S. 160A-58.1(b):

1. The nearest point on the proposed satellite corporate limits must be not more than three miles from the primary corporate limits of the annexing city.
2. No point on the proposed satellite corporate limits may be closer to the primary corporate limits of another city than to the primary corporate limits of the annexing city.
3. The area must be so situated that the annexing city will be able to provide the same services within the proposed satellite corporate limits that it provides within its primary corporate limits.
4. If the area proposed for annexation, or any portion thereof, is a subdivision as defined in G.S. 160A-376, all of the subdivision must be included.
5. **The area within the proposed satellite corporate limits, when added to the area within all other satellite corporate limits, may not exceed 10% of the area within the primary corporate limits of the annexing city.**

If the property does not meet the statutory requirements for annexation, the municipality does not have the authority to annex the area. However, the General Assembly can extend the corporate limits of a municipality to encompass areas that the municipality would not statutorily have the authority to annex.

BILL ANALYSIS: House Bill 498 would permanently exempt the town of Taylorsville from the 5th requirement, which requires that the proposed area for satellite annexation, when added to the area within all other satellite corporate limits, not exceed 10% of the area within the primary corporate limits of the annexing city.

The purpose of the 5th requirement is designed to further the legislative goal of not allowing annexations to undermine the notion of a city as a single, contiguous, and compact entity. In practice, however, the standard has proved to be a problem for many smaller cities, because one large development by itself may easily exceed the 10% limit. Because of this, the General Assembly has excepted a significant number of cities (at least 29) from this 10% rule by local act.

BACKGROUND: Four businesses in Alexander County have requested annexation to the town of Taylorsville in order to help lower their water and sewer costs, since the town is the only sewer provider

[1] G.S. 160A-58.4 provides that satellite corporate limits cannot be considered a part of a municipality's corporate limits for purposes of its ETJ. Therefore, satellite annexations have no effect upon a municipality's ETJ.

in the county. However, since the town has already reached its 10% cap with satellite annexations, they cannot consider their petitions for satellite annexation.

House Committee on Finance

Minutes

~

March 29, 2005

The House Committee on Finance met on Tuesday, March 29, 2005 at 8:30 am in Room 544 of the Legislative Office Building. The following members were present: Chairpersons Alexander, Gibson, Howard, Luebke, and Wainwright; Vice-Chairs Daughtridge, Ross, Weiss, and Womble; and Representatives Blackwood, Blust, Bordsen, Capps, Carney, Dockham, Faison, Folwell, Glazier, Hackney, Harrell, Holliman, Jones, McGee, Rayfield, Underhill, and Wiley. Also present were Sergeant-at-Arms Bill Freeman, Fred Hines, Bill Sullivan, and James Worth. Staff persons present included Cindy Avrette, Rodney Bizzell, and Martha Walston. The Agenda and Visitor Registration Sheet are attached and incorporated into these minutes as **attachments 1 and 2.**

Chairman Gibson called the meeting to order at 8:35 am and recognized the two (2) pages present: Dana Lucas of Cumberland County, sponsored by Representative Lucas, and Amisha Bell of Cumberland County, sponsored by Representative Lucas.

Chairman Gibson then recognized Representative Coates to explain the first bill under consideration, **HB 743 – EAST SPENCER ANNEXATION** (see **attachment 3**). Representative Coates explained that the bill adds certain property to the corporate limits of the town of East Spencer. She also stated that there was no known opposition to the bill. Chairman Gibson then recognized Representative Womble who moved that HB 743 be given a favorable report. Seeing no further discussion, Chairman Gibson called the motion to a vote and it carried by consent.

Chairman Gibson then recognized Representative Stiller to explain **HB 828 – BELVILLE DEANNEXATION** (see **attachment 4**). Representative Stiller explained that this bill removes certain property from the corporate limits of the Town of Belville. He stated that this bill is a result of a recent court ruling but that the bill was no longer controversial. Chairman Gibson then recognized Representative Hill who moved that HB 828 be given a favorable report. Seeing no further discussion, Chairman Gibson called the motion to a vote and it carried without objection.

The next bill considered by the Committee was **HB 446 – ROANOKE RAPIDS ANNEXATION/ETJ/WELDON** (see **attachment 5**). Chairman Gibson recognized Representative Lucy Allen to explain the bill. She stated that the bill would allow certain property to be annexed by the city of Roanoke Rapids even though the amount of land annexed is over the 10% annexation expansion normally permitted. She also stated that the passage of this bill would enable Roanoke Rapids and the Town of Weldon to have a great opportunity for new economic development. Following the explanation, Chairman Gibson recognized Representative Blackwood who asked how the property owners felt about the proposed annexation. To answer the question,

Chairman Gibson recognized Mr. Benton from the city of Roanoke Rapids who declared that no opposition has come up on the bill. Chairman Gibson then recognized Representative Jones who asked if the city of Weldon supported this bill. Mr. Benton answered the question affirming that the Town of Weldon was in support of the bill. Chairman Gibson then recognized Representative Carney who moved that HB 446 be given a favorable report. Seeing no further discussion, Chairman Gibson then called the motion to a vote and it carried by consent.

The final bill heard by the Committee was **HB 631 – MAGGIE VALLEY SATELLITE ANNEXATIONS** (see **attachment 6**). Chairman Gibson first recognized Representative Alexander who moved for the adoption of the proposed committee substitute for the Committee's consideration. The motion was adopted. Chairman Gibson then recognized Representative Haire, the bill sponsor, to explain the proposed committee substitute. Representative Haire explained that this proposed committee substitute would allow the Town of Maggie Valley to annex part of a subdivision instead of the entire subdivision as is currently required in the statutes. He also noted that this proposed annexation was voluntary and would only affect those requesting the Town's services. Following this explanation, Chairman Gibson recognized Representative Blust who asked if this proposed committee substitute was modifying the 10% annexation rule. To answer the question, Chairman Gibson recognized Cindy Averette with Fiscal Research who discussed that the proposed committee substitute would permit the Town to voluntarily annex above the normal 10% annexation rule. Chairman Gibson then recognized Representative Capps who asked what additional services people would receive under the annexation proposal. Chairman Gibson then recognized Mike McHaffey, the Maggie Valley Director of Public Works, who responded to Representative Capps saying that annexation would add police services, trash pick-up, and snow removal. Chairman Gibson next recognized Representative Luebke who moved for favorable report to the proposed committee substitute and an unfavorable report to the original bill. Offering his support for the proposed committee substitute, Representative Hackney, being recognized by Chairman Gibson, stated that the proposal offers the best arrangement for all parties involved. Seeing no further discussion, Chairman Gibson called the motion to a vote and it carried without objection.

Following the vote, Chairman Gibson recognized Representative Womble who announced that the Subcommittee on Occupancy Tax would meet on Thursday, March 31, 2005 at 9:00 am. Having no further business before the Committee, Chairman Gibson adjourned the Committee at 9:14 am.

SECTION 2. This act becomes effective June 30, 2005.

HOUSE BILL 743:
East Spencer Annexation

BILL ANALYSIS

Committee:	House Finance	**Sponsor:**	Rep. Coates
Date:	March 28, 2005	**Analysis by:**	Martha Walston
Version:	1st Edition		Committee Counsel

SUMMARY: House Bill 743 authorizes the annexation of certain described property to the corporate limits of the Town of East Spencer without the Town having to meet the statutory requirements for annexation.

CURRENT LAW: Annexation is one method that a city or town may employ to extend its corporate limits, and the process must be done in accordance with Article 4A of Chapter 160A of the General Statutes. Annexation may be either voluntary or involuntary. A voluntary annexation requires that the governing board of a municipality pass an ordinance upon presentation of a petition signed by the owners of all real property within the area to the be annexed. An involuntary annexation requires, among other things, that the property meet certain characteristics:

- The area to be annexed must be adjacent or contiguous to the municipality's boundaries.
- At least 1/8 of the aggregate external boundaries of the area must coincide with the municipal boundary; and
- No part of the area may be included within the boundary of another incorporated municipality.

In addition to the requirements concerning location of the area in relation to the municipality's existing boundaries, the area must also be "developed for urban purposes" by meeting one of several standards concerning population, density, and development.

If the property does not meet the statutory requirements for annexation, the municipality does not have the authority to annex. However, the General Assembly can extend the corporate limits of a municipality to encompass areas that the municipality would not statutorily have the authority to annex.

BILL ANALYSIS: House Bill 743 would annex 263.195 acres to the corporate limits of the Town of East Spencer without the Town having to meet the statutory requirements for annexation. The Town Administrator had indicated that the area does not qualify for involuntary annexation because it does not meet the statutory requirement that it be developed for urban purposes.[1] The area is owned by the Aldi's Foods Corporate Distribution Center. The

[1] G.S. 160A-36 defines an area developed for urban purposes as an area which is so developed that at least 60% of the total number of lots and tracts in the area at the time of annexation are used for residential, commercial, industrial, institutional or governmental purposes, and is subdivided into lots and tracts such that at least 60% of the total acreage, not counting the

Town had entered into an agreement not to annex the Center in 1997. The non-annexation agreement expired December 31, 2004. In February 2004, the Town's Board of Aldermen adopted a resolution seeking legislation to annex the area at issue after the expiration of the non-annexation agreement. No opposition has been voiced.

acreage used at the time of annexation for commercial, industrial, governmental or institutional purposes, consist of lots and tracts three acres or less in size.

A BILL TO BE ENTITLED

AN ACT TO REMOVE CERTAIN DESCRIBED PROPERTY FROM THE CORPORATE LIMITS OF THE TOWN OF BELVILLE.

The General Assembly of North Carolina enacts:

SECTION 1. The following described property is removed from the corporate limits of the Town of Belville.

BEGINNING in Brunswick County at a point of intersection of the west line of River Road S.E. (N.C. Highway #133 a 60-foot right-of-way) with the center of the run of Jackey's Creek; running thence from said beginning point up said run of Jackey's Creek to a point located North 69 degrees 59 minutes 20 seconds West 304.81 feet and North 62 degrees 15 minutes 38 seconds West 196.28 feet from the preceding point. Thence leaving said run North 27 degrees 44 minutes 22 seconds East 186.00 feet to a point. Thence South 64 degrees 48 minutes 18 seconds East 439.05 feet to a point in the west line of River Road S.E. Thence along said west line as it curves to the west to the point of beginning located South 07 degrees 11 minutes 55 seconds West 98.25 feet and South 08 degrees 33 minutes 12 seconds West 76.76 feet from the preceding point. Containing 2.00 acres more or less.

SECTION 2. This act shall have no effect upon the validity of any liens of the Town of Belville for ad valorem taxes or special assessments outstanding before the effective date of this act. Such liens may be collected or foreclosed upon after the effective date of this act as though the property were still within the corporate limits of the Town of Belville.

SECTION 3. This act is effective when it becomes law.

HOUSE BILL 828:
Belville Deannexation

BILL ANALYSIS

Committee:	House Finance	**Introduced by:**	Rep. Stiller
Date:	March 28, 2005	**Summary by:**	Martha Walston
Version:	1st Edition		Committee Counsel

SUMMARY: ***House Bill 828 de-annexes approximately two acres of land owned by GTM Investments from the corporate limits of the Town of Belville. The act becomes effective when it becomes law.***

CURRENT LAW: A city or town may annex property by petition of owners of property to be annexed or if the property meets certain statutory requirements. If the property does not meet the statutory requirements for annexation, the municipality does not have the authority to annex. However, the General Assembly can extend the corporate limits of a municipality to encompass areas that the municipality would not statutorily have the authority to annex. The General Assembly can also de-annex property of a municipality.

BILL ANALYSIS: House Bill 828 de-annexes two acres of land from the corporate limits of the city of Belville. The act is effective when it becomes law and does not affect the duty to pay taxes for any prior year.

BACKGROUND: In 2002, the Town of Leland and the Town of Belville became involved in a lawsuit challenging each town's resolution of intent to incorporate certain territory. At trial the two towns entered into a consent order stating their desire to approve the towns' annexation agreement subject to certain terms set out in the consent order. One of the terms of the consent order entered in Brunswick County Superior Court on December 3, 2003 and signed by the attorneys for the Town of Leland and the Town of Belville, is that the Town of Belville will not challenge or object to efforts by the property owner of that portion of the Creekside Estates subdivision located in Belville to de-annex said property from Belville. The Town of Belville further agreed not to challenge the Town of Leland's efforts to annex said property, due to the fact that the annexation agreement between the two towns would leave the development within two separate municipalities. The court order stated that the de-annexation will provide the Town of Leland the opportunity to "clean up" its municipal limits in the area.

The owner of the 2 acres in the Creekside Estates subdivision has requested that the property be de-annexed from Belville and has pointed out that the property is surrounded by Leland's current primary corporate limits and an area that only Leland may annex under the annexation agreement. After the de-annexation, the owner has stated its intent to petition the Town of Leland for voluntary annexation in order to receive municipal services.

A BILL TO BE ENTITLED

AN ACT TO ANNEX CERTAIN DESCRIBED TERRITORY TO THE CITY OF ROANOKE RAPIDS, TO ADD CERTAIN DESCRIBED TERRITORY TO THE EXTRATERRITORIAL PLANNING JURISDICTION OF THE CITY OF ROANOKE RAPIDS, AND TO ANNEX CERTAIN DESCRIBED TERRITORY TO THE TOWN OF WELDON.

The General Assembly of North Carolina enacts:

SECTION 1. The corporate limits of the City of Roanoke Rapids are extended to include the following described territory:

That certain tract or parcel of land lying and being situate in Halifax County, North Carolina, more particularly described as follows:

Beginning at the centerline intersection of Becker Drive Extended right-of-way and Interstate Highway 95 right-of-way, north of CSX Transportation Railway 80 foot right-of-way; thence along the centerline of Interstate Highway 95 right-of-way in a southerly direction to the run of "Chockoyotte Creek"; thence easterly along the run of "Chockoyotte Creek" to the northeast corner of property now or formerly belonging to James G. Wallace as described in Deed Book 650, Page 229, Halifax Public Registry, said corner being shown on plat recorded in Plat Book 8, Page 57, Halifax Public Registry; thence southwesterly along the east line of property now or formerly belonging to James G. SECTION 5. This act is effective when it becomes law.

HOUSE BILL 446:
Roanoke Rapids Annexation/ETJ/ Weldon Annex

BILL ANALYSIS

Committee:	House Finance	**Introduced by:**	Rep. L .Allen and Hall
Date:	March 28, 2005	**Summary by:**	Martha Walston
Version:	1st Edition		Committee Counsel

SUMMARY: House Bill 446 does three things:

- *Authorizes the City of Roanoke Rapids to make voluntary satellite annexation of approximately 816 acres of property to the city limits.*
- *Authorizes the City of Roanoke Rapids to add a parcel to extraterritorial planning jurisdiction of the City.*
- *Authorizes the annexation of 13.892 acres into the corporate limits of the Town of Weldon.*

CURRENT LAW: G.S. 160A-58.1 governs the voluntary annexation by a municipality of noncontiguous property. All property owners in the satellite area[1] may petition for voluntary annexation of the noncontiguous property if the property meets the following five standards in G.S. 160A-58.1(b):

1. The nearest point on the proposed satellite corporate limits must be not more than three miles from the primary corporate limits of the annexing city.
2. No point on the proposed satellite corporate limits may be closer to the primary corporate limits of another city than to the primary corporate limits of the annexing city.
3. The area must be so situated that the annexing city will be able to provide the same services within the proposed satellite corporate limits that it provides within its primary corporate limits.
4. If the area proposed for annexation, or any portion thereof, is a subdivision as defined in G.S. 160A-376, all of the subdivision must be included.
5. **The area within the proposed satellite corporate limits, when added to the area within all other satellite corporate limits, may not exceed 10% of the area within the primary corporate limits of the annexing city.**

If the property does not meet the statutory requirements for annexation, the municipality does not have the authority to annex the area. However, the General Assembly can extend the corporate limits of a municipality to encompass areas that the municipality would not statutorily have the authority to annex.

BILL ANALYSIS: House bill 446 authorizes the City of Roanoke Rapids to make voluntary satellite annexation of certain property to the city limits without having to meet the 5th statutory requirement. The Bill also authorizes the City to add certain property to its extraterritorial planning jurisdiction.[2] This property is the area surrounding the actual incorporation boundary, and the ETJ has been requested in order to protect planned investment of the proposed annexed property from incompatible land uses. Finally, the Bill authorizes the annexation of 13.892 acres into the corporate limits of the Town of Weldon. This property is owned by the Town of Weldon. The property is within an industrial park and the Town desires incorporation to facilitate industrial development of the tract.

[1] G.S. 160A-58.4 provides that satellite corporate limits cannot be considered a part of a municipality's corporate limits for purposes of its ETJ. Therefore, satellite annexations have no effect upon a municipality's ETJ.

[2] The City's ETJ extends one mile beyond its corporate limits.

BACKGROUND: The City of Roanoke Rapids has entered into development agreements with a private developer and an entertainment company to develop plans for a music entertainment district in Roanoke Rapids. The proposed entertainment district will involve music entertainment venues, hotels, shopping, restaurants, and other entertainment venues for all ages. The City and its partners believe the plan will considerably increase jobs, new taxable investment, and new business development. The initial phase of the plan is estimated to create 2,595 jobs and $129,250,000 in investment during the first five years after construction of the initial development. The plan will require the entire site to be incorporated into the City of Roanoke Rapids. The City, as the lead local government agency for the project, plans to provide municipal services including full-time police and fire service. The City and the developer have requested certain property to be added to the City's ETJ in order to properly manage growth within and immediately adjoining the development district.

The City of Roanoke Rapids and the private developer seek to move forward with annexation and extraterritorial jurisdiction as quickly as possible so that the City can initiate infrastructure development and other municipal services needed to meet the private developer's time schedule. Development commitments require public utilities to be in place and operational by April 2006.

HOUSE BILL 631:
Maggie Valley Satellite Annexations

BILL ANALYSIS

Committee:	House Finance	**Introduced by:**	Rep. Haire
Date:	March 29, 2005	**Summary by:**	Cindy Avrette
Version:	PCS for 1st Edition		Committee Counsel
	PCS70251-LMx-7		

SUMMARY: ***The proposed committee substitute for House Bill 631 removes certain restrictions on voluntary satellite annexations for the town of Maggie Valley. The Maggie Valley Town Board of Aldermen passed a resolution on March 1, 2005, requesting this legislation.***

CURRENT LAW: G.S. 160A-58.1 governs the voluntary annexation by a municipality of noncontiguous property. All property owners in the satellite area[1] may petition for voluntary annexation of the noncontiguous property if the property meets the following five standards in G.S. 160A-58.1(b):

1. The nearest point on the proposed satellite corporate limits must be not more than three miles from the primary corporate limits of the annexing city.
2. No point on the proposed satellite corporate limits may be closer to the primary corporate limits of another city than to the primary corporate limits of the annexing city.
3. The area must be so situated that the annexing city will be able to provide the same services within the proposed satellite corporate limits that it provides within its primary corporate limits.
4. If the area proposed for annexation, or any portion thereof, is a subdivision as defined in G.S. 160A-376, all of the subdivision must be included.
5. The area within the proposed satellite corporate limits, when added to the area within all other satellite corporate limits, may not exceed 10% of the area within the primary corporate limits of the annexing city.

If the property does not meet the statutory requirements for annexation, the municipality does not have the authority to annex the area. However, the General Assembly can extend the corporate limits of a municipality to encompass areas that the municipality would not statutorily have the authority to annex.

BILL ANALYSIS: The proposed committee substitute for House Bill 631 amends two of the statutory requirements so that the Town of Maggie Valley may, *if petitioned to so do by all of the affected property owners,* annex certain noncontiguous property into its corporate limits.

- The bill removes the town from the fourth requirement that all of a subdivision must be included in a petition for voluntary satellite annexation. Rockingham is also exempted from this requirement.
- The bill removes the town from the fifth requirement that the area within a town's satellite corporate limits may not exceed 10% of the area within its primary corporate limits. At least 33 other cities and towns have been removed from this requirement and numerous others have had it amended.

[1] G.S. 160A-58.4 provides that satellite corporate limits cannot be considered a part of a municipality's corporate limits for purposes of its ETJ. Therefore, satellite annexations have no effect upon a municipality's ETJ.

North Carolina General Assembly

House Committee on Finance

Minutes

~

April 5, 2005

The House Committee on Finance met on Tuesday, April 5, 2005 at 8:30 am in Room 544 of the Legislative Office Building. The following members were present: Chairpersons Alexander, Luebke, and Wainwright; Vice-Chairs Hill, Ross, Weiss, and Womble; and Representatives Bordsen, Capps, Carney, Faison, Folwell, Glazier, Hackney, Harrell, Holliman, Jones, McGee, Rayfield, Underhill, Vinson, and Wiley. Also present were Sergeant-at-Arms Bill Freeman, Fred Hines, Walter Spell, and Bill Sullivan. Staff persons present included Cindy Avrette, Rodney Bizzell, Erika Churchill, Ashley Huffstetler, Linda Millsaps, and Martha Walston. The Agenda and Visitor Registration Sheet are attached and incorporated into these minutes as **attachments 1 and 2**.

Chairman Luebke called the meeting to order at 8:37 am and recognized the two (2) pages present: Drake Day of Person County, sponsored by Representative Wilkins, and Terrence Valladares of Mecklenburg County, sponsored by the Tarheel Challenge. Chairman Luebke then congratulated Linda Millsaps with Fiscal Research for completing her doctoral dissertation at West Virginia University last Friday, April 1, 2005.

Following a round of applause for Ms. Millsaps, Chairman Luebke recognized Representative Owens to explain the first bill under consideration, **HB 399 – UNIFIED GOVERNMENT** (see **attachment 3**). Representative Owens stated that the bill allows the people of Hyde and Currituck counties to choose whether they would prefer a unified local government entity where the County governments would act as a municipality. He reported that the Association of County Commissioners supports the bill and the League of Municipalities does not oppose the bill. Chairman Luebke then recognized Erika Churchill with Research to explain the bill. Ms. Churchill explained that counties would not be allowed to annex or exercise extraterritorial jurisdiction authority over lands outside the county. Chairman Luebke then recognized Representative Faison who asked if this bill was more about the ability to provide services or about managing growth. Representative Owens was again recognized and asserted that the purpose of the bill is to allow the county to better manage growth.

Chairman Luebke then recognized Herb Robbins, a citizen from the community of Corolla in Currituck County. He announced that he favored an amendment to the bill that would: first, require the county to assume complete responsibility for services provided, without the option of "opting out" from providing certain services as permitted in the bill. Second, he stated that the bill should be amended by prohibiting the use of special tax districts to provide municipal services such as police or fire services. And third, he stated that the bill should include a "maintenance of effort" provision so that the County would be required to continue spending at existing levels on municipal services before receiving pass through funds or adding additional taxes. Following Mr. Robbins

remarks, Chairman Luebke recognized Mr. John Morrison, Currituck County Attorney. Mr. Morrison acknowledged that this type of bill has not been enacted in any other part of the country. However, he stated that this bill would prohibit the duplication of services in Currituck and Hyde Counties and provide for a more efficient and unified government. Chairman Luebke then recognized Mr. Jim Blackburn, General Counsel with the North Carolina Association of County Commissioners. Mr. Blackburn affirmed that this bill has the support of the Association of County Commissioners. Chairman Luebke then recognized Representative Holliman who moved that HB 399 be given a favorable report as to the second edition. Seeing no further discussion, Chairman Luebke called the motion to a vote and it carried without objection.

Chairman Luebke then recognized Representative Brown to explain **HB 278 – WALKERTOWN DEANNEXATIONS** (see **attachment 4**). Representative Brown explained that the bill removes certain property from the corporate limits of the Town of Walkertown. Chairman Luebke recognized Martha Walston with Fiscal Research who explained that the bill had received favorable resolutions from all of the involved entities. Representative Glazier was then recognized and moved that HB 278 be given a favorable report by the Committee. Seeing no further discussion, Chairman Luebke then called the motion to a vote and it carried by consent.

The next bill considered by the Committee was **HB 351 – MODIFY PASQUOTANK/ELIZABETH CITY OCCUPANCY TAX** (see **attachment 5**). Chairman Luebke first recognized Representative Carney who moved for the adoption of the proposed committee substitute for the Committee's consideration. The motion was adopted. Chairman Luebke then recognized Representative Owen to explain the bill. He explained that the bill would authorize Pasquotank County and Elizabeth City to change their current occupancy tax rates from three percent (3%) to six percent (6%), and noted that the bill had already been heard and approved by the House Finance Subcommittee on Occupancy Tax. Following this explanation, Chairman Luebke recognized Representative Womble who moved for a favorable report to the proposed committee substitute, with an unfavorable report as to the original bill. Seeing no further discussion, Chairman Luebke then called the motion to a vote and it carried without objection.

The next bill considered by the Committee was **HB 125 – WEST JEFFERSON OCCUPANCY TAX** (see **attachment 6**). Chairman Luebke recognized the bill sponsor, Representative Wilson, who explained that the bill authorizes West Jefferson to levy a three percent (3%) room occupancy and tourism development tax. He also stated that there was no opposition to the bill and that it has been approved by the House Finance Subcommittee on Occupancy Tax. Chairman Luebke then recognized Representative McGee who moved that HB 125 be given a favorable report. Seeing no further discussion, Chairman Luebke called the motion to a vote and it carried by consent.

Chairman Luebke then recognized Representative Steen to explain **HB 370 – LANDIS SATELLITE ANNEXATIONS** (see **attachment 7**). He stated that the bill would allow the Town of Landis to conduct voluntary annexations by providing an exemption from the cap on satellite annexations. Chairman Luebke recognized Representative Alexander who moved that HB 370 be given a favorable report by the Committee. Seeing no further discussion, Chairman Luebke called the motion to a vote and it carried without objection.

The next bill considered by the Committee was **HB 478 – TOBACCOVILLE DEANNEXATION** (see **attachment 8**). Chairman Luebke recognized Representative Folwell who explained that the bill would remove about four (4) acres from the corporate limits of the Village of Tobaccoville. He asserted that the Village of Tobaccoville has passed a resolution favoring this deannexation bill and that the bill has received no opposition. Chairman Luebke then

recognized Representative Weiss who moved that HB 478 be given a favorable report. Seeing no further discussion, Chairman Luebke called the motion to a vote and it carried by consent.

The Committee then considered **HB 540 – HALIFAX AND ROANOKE RAPIDS OCCUPANCY TAXES** (see **attachment 9**). Chairman Luebke first recognized Representative Glazier who moved for the adoption of the proposed committee substitute for the Committee's consideration. The motion carried. Representative Lucy Allen was then recognized to give a summary of the bill. She explained that the bill would authorize Halifax County to increase its occupancy tax by two percent (2%) and allow the City of Roanoke Rapids to institute a one percent (1%) occupancy tax in order for those communities to continue in their efforts to promote tourism. Chairman Luebke then recognized Representative Ross who moved for a favorable report to the proposed committee substitute and an unfavorable report as to the original bill. Seeing no further discussion, Chairman Luebke called the motion to a vote and it carried without objection.

Chairman Luebke then recognized Representative Rapp who explained **HB 544 – MADISON COUNTY OCCUPANCY TAX** (see **attachment 10**). He stated that the bill would amend the Madison County Occupancy and Tourism Development Tax to allow Madison County to levy an additional two percent (2%) occupancy tax. Chairman Luebke recognized Representative Alexander who moved that HB 544 be given a favorable report by the Committee. Seeing no further discussion, Chairman Luebke called the motion to a vote and it carried by consent.

The final bill considered by the Committee was **HB 843 – DUPLIN OCCUPANCY TAX** (see **attachment 11**). Chairman Luebke first recognized Representative Underhill who moved for the adoption of the proposed committee substitute for the Committee's consideration. The motion carried, and then Chairman Luebke recognized Representative Tucker to explain the bill. Representative Tucker stated that the bill had been approved by the House Finance Subcommittee on the Occupancy Tax and authorizes Duplin County to increase its occupancy and tourism development tax from three percent (3%) to six percent (6%), but exempts the County from creating a Tourism Development Authority until certain conditions are met. Chairman Luebke then recognized Representative Wainwright who asked why Duplin County would not be required to establish a Tourism Development Authority. To answer the question, Chairman Luebke recognized Cindy Averette from Research who explained that the proposed committee substitute would require Duplin County to establish a Tourism and Development Agency once the annual net proceeds of the occupancy tax exceed $200,000. She also noted that this exception had been granted to Alleghany County by the House Finance Committee in a bill considered during the 2003-2004 session of the General Assembly. Representative Alexander was then recognized and moved for a favorable report as to the proposed committee substitute and an unfavorable report to the original bill. Seeing no further discussion, Chairman Luebke called the motion to a vote, and it carried without objection.

Concluding the meeting, Chairman Luebke announced that the Finance Committee would meet again on Thursday, April 7, 2005 at 8:30 am in Room 544 of the Legislative Office Building. Having no further business before the Committee, Chairman Luebke then adjourned the meeting at 9:24 am.

Respectfully submitted,

Representative Paul Luebke

March 1, 2005

A BILL TO BE ENTITLED

AN ACT TO ALLOW COUNTIES WITH NO INCORPORATED MUNICIPALITIES TO EXERCISE MOST MUNICIPAL FUNCTIONS.

The General Assembly of North Carolina enacts:

SECTION 1. Chapter 153A of the General Statutes is amended by adding a new Article to read:

"Article 24.

"Unified Government.

"**§ 153A-471. Unified government.**

(a) Except as provided in this section, the powers, duties, functions, rights, privileges, and immunities of a city are vested with any county that has no portion of an incorporated municipality located within its boundaries.

(b) All of the following shall apply to any county exercising the powers, duties, functions, rights, privileges, and immunities of a city under this Article:

(1) It may not exercise any such powers, duties, functions, rights, privileges, and immunities outside the boundaries of the county.

(2) Article 4A of Chapter 160A of the General Statutes (Extension of Corporate Limits) does not apply.

(3) Article 5 of Chapter 160A of the General Statutes (Form of Government) does not apply.

(4) Article 7 of Chapter 160A of the General Statutes (Administrative Offices) does not apply.

(5) Article 13 of Chapter 160A of the General Statutes (Law Enforcement) does not apply.

(6) The provisions of Chapter 163 of the General Statutes relating to municipal elections do not apply except to the extent they applied to the county absent this Article.

(c) The board of commissioners may by ordinance provide that this Article does not confer the power, duty, function, right, privilege, or immunity of a city upon the

county as to a specific power, duty, function, right, privilege, or immunity, and as to such specified power, duty, function, right, privilege, or immunity it shall not be considered as a city.

(d) If the board of commissioners exercises any power, duty, function, right, privilege, or immunity authorized under both Chapter 153A and Chapter 160A and those statutes conflict, the board of commissioners shall state in their minutes under which Chapter the power, duty, function, right, privilege, or immunity is being exercised.

"**§ 153A-472. Definitions.**

For the purposes of this Article, any statutory reference to:

(1) A city shall be construed as a reference to a county.

(2) A city council or governing board shall be construed as a reference to the board of commissioners.

(3) The mayor shall be construed as a reference to the chair of the board of commissioners.

(4) Any other city official shall be construed as a reference to the equivalent county official.

"**§ 153A-473. Applicability.**

This Article only applies to a county if approved by the qualified voters of the county in a referendum called by the board of commissioners in accordance with G.S. 163-287. The referendum shall be conducted by the county board of elections in accordance with the provisions of law generally applicable to special elections. The ballot question shall be determined by the board of commissioners after consultation with the county attorney as to form."

SECTION 2. G.S. 120-166 reads as rewritten:

"**§ 120-166. Additional criteria; nearness to another municipality.**

(a) The Commission may not make a positive recommendation if the proposed municipality is located within one mile of a municipality of 5,000 to 9,999, within three miles of a municipality of 10,000 to 24,999, within four miles of a municipality of 25,000 to 49,999, or within five miles of a municipality of 50,000 or over, according to the most recent decennial federal census, or according to the most recent annual estimate of the Office of State Budget and Management if the municipality was incorporated since the return of that census. For purposes of this section, "municipality" means a city as defined by G.S. 160A-1(2) or a county that has exercised its authority under Article 24 of Chapter 153A.

(b) Subsection (a) of this section does not apply in the case of proximity to a specific municipality if:

(1) The proposed municipality is entirely on an island that the nearby city is not on;

(2) The proposed municipality is separated by a major river or other natural barrier from the nearby city, such that provision of municipal services by the nearby city to the proposed municipality is infeasible or the cost is prohibitive, and the Commission shall adopt policies to implement this subdivision;

(3) The municipalities within the distances described in subsection (a) of this section by resolution express their approval of the incorporation; or

(4) An area of at least fifty percent (50%) of the proposed municipality has petitioned for annexation to the nearby city under G.S. 160A-31 within the previous 12 months before the incorporation petition is submitted to the Commission but the annexation petition was not approved."

SECTION 3. G.S. 120-169 reads as rewritten:

"**§ 120-169. Additional criteria; area unincorporated.**

The Commission may not make a positive recommendation if any of the proposed municipality is included within the boundary of another incorporated municipality, as defined by ~~G.S. 153A-1(1).~~G.S. 153A-1(1), or if any of the proposed municipality is included within the boundary of a county that has exercised its authority under Article 24 of Chapter 153A of the General Statutes."

SECTION 4. This act is effective when it becomes law.

HOUSE BILL 399:
Unified Government.

BILL ANALYSIS

Committee:	House Finance	**Introduced by:**	Representative Owens
Date:	April 5, 2005	**Summary by:**	R. Erika Churchill
Version:	2ND Edition		Committee Counsel

SUMMARY: ***The bill would allow county government in counties where there are no incorporated municipal areas to assume the powers, duties, functions, rights, privileges, and immunities of a city upon a referendum of the voters of that county.***

CURRENT LAW: Article VII, Section 1 of the North Carolina Constitution states that the "General Assembly shall provide for the organization and government and the fixing of boundaries of counties, cities and towns, and other governmental subdivisions, and, except as otherwise prohibited by this Constitution, may give such powers and duties to counties, cities and towns, and other governmental subdivisions as it may deem advisable." Currently, the general provisions for the operations of counties are contained in Chapter 153A and for cities in Chapter 160A. The two chapters provide similar authorities, responsibilities and duties for many functions of government. However, some differ and some are not granted to both cities and counties.

BILL ANALYSIS:

Section 1. The bill would allow a county government in a county where there are no incorporated municipal areas to assume the powers, duties, functions, rights, privileges, and immunities of a city upon a referendum of the voters of that county. The board of county commissioners would have to adopt a resolution requesting the county board of elections conduct a special election on the referendum. Upon a positive vote of the people of the county, the county would assume all the powers, duties, functions, rights, privileges, and immunities of a city **EXCEPT** the following:

1. The ability to exercise any municipal power outside the corporate boundaries of the county. (This would prevent the ability to exercise extraterritorial jurisdiction authority over lands outside the county.)
2. Annexation authority.
3. Form of Government and Administrative Offices. (The county would remain organized as a county.)
4. Law Enforcement.
5. Municipal elections, except to the extent those generally applicable laws currently apply to counties.

Upon the grant of municipal powers, the board of county commissioners would also have the ability to opt out of a specific item if they so desire. The opting out must be done by local ordinance. When conducting a power, duty, function, right, privilege, or immunity that counties and cities are both authorized to conduct under Chapters 153A and 160A (i.e. solid waste, recreation, enacting local ordinances, land use planning, etc.) and those statutes are in conflict, the county would have to state in their minutes under which Chapter the power, duty, function, right, privilege, or immunity is being conducted.

Sections 2 and 3. The bill would prevent the Joint Municipal Incorporation Commission from making a positive recommendation on a petition for incorporation if the petition where to incorporate an area within certain geographic distances from a county having passed a referendum for a unified government or within the county having passed a referendum for a unified government.

EFFECTIVE DATE: The act would become effective when it becomes law.

BACKGROUND: Currently, the only two counties in North Carolina without any incorporated areas located within the boundaries of the county are Currituck and Hyde. During the 2003 session, the General Assembly enacted local legislation placing a moratorium on the ability of municipalities outside of Currituck County to annex territory in Currituck County. A BILL TO BE ENTITLED

AN ACT REMOVING CERTAIN DESCRIBED PROPERTY FROM THE CORPORATE LIMITS OF THE TOWN OF WALKERTOWN.

The General Assembly of North Carolina enacts:

SECTION 1. The following described property is removed from the corporate limits of the Town of Walkertown:

TRACT I (Nancy Wooten property): All of that certain tract or parcel of land lying and being in Walkertown, Forsyth County, North Carolina, more particularly described as follows: BEGINNING at an existing iron pipe lying in the eastern boundary line of Kathleen Yokley (Deed Book 1238, Page 1456), said iron being the northwest corner of property deeded unto Johnny L. Waddell in Deed Book 1617, Page 1279, Forsyth County Registry; thence from said iron pipe, with the eastern line of Kathleen Yokley, North 04 degrees 04 minutes 23 seconds East 657.68 feet to a bent iron at the base of a blown down hickory tree; thence from said iron North 89 degrees 31 minutes 28 seconds East 206.29 feet to a stone; thence North 02 degrees 45 minutes 11 seconds East 181.86 feet to an existing iron pipe; thence with a new line South 81 degrees 44 minutes 19 seconds East 451.09 feet to a new iron pipe lying in the western boundary line of property deeded unto Allie Peddycord in Deed Book 556, Page 458, Forsyth County Registry; thence with the western boundary line of Allie Peddycord South 03 degrees 37 minutes 46 seconds West 891.00 feet to an old existing iron pipe; thence continuing with the western boundary of Allie Peddycord South 03 degrees 37 minutes 46 seconds West 298.86 feet to a planted stone, said stone being the southwestern corner of property deeded unto Allie Peddycord in Deed Book 556, Page 458, Forsyth County Registry; thence from said stone with the northern boundary line of property deeded unto Peddycord, Inc. in Deed Book 1361, Page 1119, Forsyth County Registry South 54 degrees 46 minutes 13 seconds West 66.89 feet to an existing iron pipe, the easternmost corner of property deeded unto Theresa Freibott in Deed Book 1541, Page 912, Forsyth County Registry; thence with the northern line of Theresa Freibott South 75 degrees 20 minutes 10 seconds West 119.52 feet to an existing iron pipe, the

southeast corner of property deeded unto Johnny L. Waddell in Deed Book 1617, Page 1279, Forsyth County Registry; thence with the eastern line of Johnny L. Waddell North 23 degrees 58 minutes 26 seconds West 507.38 feet to an existing iron pipe, the northeast corner of Johnny L. Waddell; thence with the northern line of Johnny L. Waddell North 85 degrees 57 minutes 22 seconds West 259.80 feet to an existing iron pipe, the point and place of BEGINNING, containing 15 acres, more or less, according to an unrecorded map and survey by Larry L. Callahan, R.L.S., dated December 20, 1990, and being designated as Tax Block 5400, Lot 11 M.

TRACT II (L. Paige Wooten property): All of that certain tract or parcel of land lying and being in Walkertown, Forsyth County, North Carolina, more particularly described as follows:

BEGINNING at a new iron pipe in the line with Allie Peddycord (Deed Book 556, Page 548) at a corner with Nancy L. Wooten (Deed Book 1835, Page 4792) and thence South 03 degrees 27 minutes 07 seconds West 529.58 feet through an existing iron pipe and continuing on to a second existing iron pipe; thence North 86 degrees 32 minutes 57 seconds West 180.00 feet to a new iron pipe in the line with Wooten; thence North 08 degrees 50 minutes 34 seconds' East 388.21 feet to an existing iron pipe; thence North 48 degrees 32 minutes 14 seconds East 202.67 feet to the point and place of BEGINNING, being 1.67 acres more or less according to a survey by Larry L. Callahan, R.L.S., revised May 19, 1995, and being a building lot cut from the property of Nancy L. Wooten as recorded in the Forsyth County Registry and found at Deed Book 1835, Page 4792).

TRACT III (Jesse Grimm property): All of that certain tract or parcel of land lying and being in Walkertown, Forsyth County, North Carolina, more particularly described as follows:

BEGINNING at a point in the centerline of an old creek bed, said point being the southwest corner of Lot Number 3, as shown on the plat of Winchester, Section Two, as recorded in Plat Book 27, Page 142, in the Office of the Register of Deeds of Forsyth County, North Carolina; thence with southern property line of Lots 3 and 4, Winchester, Section Two, as defined by said creek bed the following six (6) courses and distances: (1) South 68 degrees 09 minutes 12 seconds East 91.33 feet to an iron; (2) thence South 83 degrees 30 minutes 00 seconds East 129.78 feet to an iron; (3) thence North 60 degrees 24 minutes 27 seconds East 38.78 feet to an iron; (4) thence South 73 degrees 54 minutes 09 seconds East 38.26 feet to an iron; (5) thence North 56 degrees 53 minutes 37 seconds East 26.98 feet to an iron; (6) thence North 85 degrees 47 minutes 03 seconds East 155.00 feet to an existing 80D nail in the western line of property now or formerly owned by Allie Peddycord (see Deed Book 556, Page 458, Forsyth County Registry); thence with Peddycord's western line South 03 degrees 27 minutes 04 seconds West 728.26 feet to an iron; thence North 81 degrees 44 minutes 19 seconds West 451.09 feet to an iron in the eastern line of property now or formerly owned by Kathleen Yokely (see Deed Book 1238, Page 1456, Forsyth County Registry); thence with Yokely's eastern line North 02 degrees 45 minutes 11 seconds East 1005.69 feet to a point in the centerline of an old creek bed, the point and place of Beginning,

containing 10.24 acres, more of less, in accordance with a survey prepared by Larry L. Callahan, R.L.S., dated July 30, 1991, and revised October 15, 1991.

SECTION 2. No ad valorem tax liability for fiscal year 2005-2006 shall accrue on the property described in Section 1 of this act based upon the property being located within the corporate limits of the Town of Walkertown on January 1, 2005.

SECTION 3. This act becomes effective June 30, 2005.

HOUSE BILL 278:
Walkertown Deannexations

BILL ANALYSIS

Committee:	House Finance	**Introduced by:**	Rep. Brown and Folwell
Date:	April 5, 2005	**Summary by:**	Martha Walston
Version:	1st Edition		Committee Counsel

SUMMARY: ***House Bill 278 de-annexes three tracts of property, totaling approximately 27 acres, from the corporate limits of the town of Walkertown. The act would become effective June 30, 2005.***

CURRENT LAW: A city or town may annex property by petition of owners of property to be annexed or if the property meets certain statutory requirements. If the property does not meet the statutory requirements for annexation, the municipality does not have the authority to annex. However, the General Assembly can extend the corporate limits of a municipality to encompass areas that the municipality would not statutorily have the authority to annex. The General Assembly can also de-annex property of a municipality.

BILL ANALYSIS: House Bill 278 de-annexes three tracts of property, totaling approximately 27 acres, from the corporate limits of the town of Walkertown. The act would become effective June 30, 2005, and provides that no property tax liability will accrue on the property for fiscal year 2005-2006, even though the property was located within the corporate limits of Walkertown on January 1, 2005.

BACKGROUND: On February 9, 1999, the towns of Kernersville and Walkertown entered into an annexation boundary agreement. On November 11, 2003, the Town Council of Walkertown mistakenly adopted a voluntary annexation ordinance which included properties that violated the earlier annexation boundary agreement. In February 2005, both the town of Kernersville and the town of Walkertown adopted resolutions acknowledging the violation of the earlier annexation agreement and supporting local legislation to de-annex the property that was mistakenly annexed to Walkertown.

A BILL TO BE ENTITLED

AN ACT TO MODIFY THE OCCUPANCY TAX FOR PASQUOTANK COUNTY AND ELIZABETH CITY.

The General Assembly of North Carolina enacts:

SECTION 1. Chapter 175 of the 1987 Session Laws reads as rewritten:

"**Section 1.** Pasquotank occupancy tax. (a) Authorization and Scope. The Pasquotank County Board of Commissioners ~~may, by resolution, after not less than 10 days' public notice and after a hearing held pursuant thereto,~~may levy a room occupancy tax of no more than three percent (3%) of the gross receipts derived from the rental in Pasquotank County of any room, lodging, or similar accommodation subject to sales tax under G.S. ~~105-164.4(3).~~105-164.4(a)(3).

This tax does not apply to accommodations furnished by nonprofit charitable, educational, benevolent, or religious organizations when furnished in furtherance of their nonprofit purpose. This tax is in addition to any State or local sales tax.

(a1) Additional Occupancy Tax. – In addition to the tax authorized by subsection (a) of this section, the Pasquotank County Board of Commissioners may levy a room occupancy and tourism development tax of up to three percent (3%) of the gross receipts derived from the rental of accommodations taxable under that subsection. Pasquotank County may not levy a tax under this subsection unless it also levies a tax under subsection (a) of this section.

~~(b) Collection. Every operator of a business subject to the tax levied under this section shall, on and after the effective date of the levy of the tax, collect the tax. This tax shall be collected as part of the charge for furnishing a taxable accommodation. The tax shall be stated and charged separately on the sales records, and shall be paid by the purchaser to the operator of the business as trustee for and on account of Pasquotank County. The tax shall be added to the sales price and shall be passed on to the purchaser instead of being borne by the operator of the business. The Pasquotank County Finance Officer shall design, print, and furnish to all appropriate businesses and persons in the~~

~~county the necessary forms for filing returns and instructions to ensure the full collection of the tax.~~

~~An operator of a business who collects the occupancy tax levied under this section may deduct from the amount remitted by him to the county a discount of three percent (3%) of the amount collected as reimbursement for the expenses incurred in collecting the tax.~~

(c) Administration. ~~The county shall administer a tax levied under this section.~~ A tax levied under this section shall be levied, administered, collected, and repealed as provided in G.S. 153A-155. The penalties provided in G.S. 153A-155 apply to a tax levied under this section. ~~A tax levied under this section is due and payable to the county finance officer in monthly installments on or before the 15th day of the month following the month in which the tax accrues. Every person, firm, corporation, or association liable for the tax shall, on or before the 15th day of each month, prepare and render a return on a form prescribed by the county. The return shall state the total gross receipts derived in the preceding month from rentals and sales upon which the tax is levied. A return filed with the county finance officer under this section is not a public record as defined by G.S. 132-1 and may not be disclosed except as required by law.~~

~~(d) Penalties. A person, firm, corporation, or association who fails or refuses to file the return required by this section shall pay a penalty of ten dollars ($10.00) for each day's omission. In case of failure or refusal to file the return or pay the tax for a period of 30 days after the time required for filing the return or for paying the tax, there shall be an additional tax, as a penalty, of five percent (5%) of the tax due for each additional month or fraction thereof until the tax is paid.~~

~~Any person who willfully attempts in any manner to evade a tax imposed under this section or who willfully fails to pay the tax or make and file a return shall, in addition to all other penalties provided by law, be guilty of a misdemeanor and shall be punishable by a fine not to exceed one thousand dollars ($1,000) and imprisonment not to exceed six months, or both. The board of commissioners may, for good cause shown, compromise or forgive the penalties imposed by this subsection.~~

(e) Use and Distribution of ~~Tax Revenue.~~First Three Cents (3¢). – The finance officer of Pasquotank County shall, on a quarterly basis, remit the net proceeds of the occupancy tax levied under subsection (a) of this section to the Elizabeth City-Pasquotank County Tourism Development Authority. The Authority shall use the net proceeds of the occupancy tax levied under subsection (a) of this section as follows:

(1) Fifty percent (50%) to promote travel and tourism.

(2) Twenty-five percent (25%) for tourism-related expenditures that are recommended by the Elizabeth City City Council and are approved by the Authority.

(3) Twenty-five percent (25%) for tourism-related expenditures that are recommended by the Pasquotank County Board of Commissioners and are approved by the Authority. ~~After the levy of a tax under this section and until the end of the eighth fiscal year after an occupancy tax was first levied under this act, whether pursuant to this section or Section 2 of this act, the county shall, on a quarterly basis, remit the~~

~~net proceeds of the tax levied under this section to the City of Elizabeth City. The city may spend funds remitted to it under this subsection only to develop, promote, and advertise travel and tourism in Elizabeth City and Pasquotank County, to sponsor tourist-oriented events and activities, to operate and maintain museums and historic sites, or to construct and maintain public facilities.~~

~~After the levy of a tax under this section and beginning in the ninth fiscal year after an occupancy tax was first levied under this act, whether under this section or Section 2 of this act, the county shall, on a quarterly basis, remit to the City of Elizabeth City one-half (1/2) of the net proceeds of the tax levied under this section collected on accommodations located in the corporate limits of the city. The remainder of the proceeds of the tax shall be retained by the county. The city and the county may spend the proceeds of the tax only to develop, promote, and advertise travel and tourism in Elizabeth City and Pasquotank County, to sponsor tourist-oriented events and activities, to operate and maintain museums and historic sites, or to construct and maintain public facilities.~~

~~The county, or a town or city that receives revenue under this subsection may contract with a nonprofit organization to undertake or carry out the activities and programs for which the revenue may be expended. All contracts entered into with nonprofit organizations shall require an annual financial audit of any funds expended and a performance audit of contractual obligations.~~

~~As used in this subsection, "net proceeds" means gross proceeds less the direct cost to the county of administering and collecting the tax, not to exceed three percent (3%) of the amount collected.~~

(e1) Use and Distribution of the Proceeds from the Additional Occupancy Tax. – The finance officer of Pasquotank County shall, on a quarterly basis, remit the net proceeds of the occupancy tax levied under subsection (a1) of this section to the Elizabeth City-Pasquotank County Tourism Development Authority. The Authority shall use at least two-thirds of the funds remitted to it under this subsection to promote travel and tourism and shall use the remainder for tourism-related expenditures.

~~(f) Repeal. A tax levied under this section may be repealed by a resolution adopted by the Pasquotank County Board of Commissioners. Repeal of a tax levied under this section shall become effective on the first day of a month and may not become effective until the end of the fiscal year in which the repeal resolution was adopted. Repeal of a tax levied under this section does not affect a liability for a tax that attached before the effective date of the repeal, nor does it affect a right to a refund of a tax that accrued before the effective date of the repeal.~~

"**Sec. 1.1.** Elizabeth City Area Convention and Visitors Bureau. (a) Establishment as a Tourism Development Authority. – Upon adoption of a resolution levying a room occupancy tax under this act by either the Pasquotank County Board of Commissioners or the Elizabeth City City Council, the Pasquotank Board of Commissioners shall adopt a resolution converting the Elizabeth City Area Convention and Visitors Bureau into a tourism development authority, which shall be a public authority under the Local Government Budget and Fiscal Control Act. The county shall transfer to the Authority

upon its creation all of the assets of the county's convention and visitors bureau. The resolution shall provide for the membership of the Authority, including the members' terms of office, and for the filling of vacancies on the Authority. At least one-third of the members must be individuals who are affiliated with businesses that collect the tax in the county, and at least three-fourths of the members must be individuals who are currently active in the promotion of travel and tourism in the county.

The Authority shall meet at the call of the chair and shall adopt rules of procedure to govern its meetings. The Finance Officer for Pasquotank County shall be the nonvoting ex officio finance officer of the Authority.

(b) Duties. – The Authority shall expend the net proceeds of the tax levied under this act for the purposes provided in this act. The Authority shall promote travel, tourism, and conventions in the county, sponsor tourist-related events and activities in the county, and finance tourist-related capital projects in the county.

(c) Reports. – The Authority shall report quarterly and at the close of the fiscal year to the governing body or bodies levying a tax under this act on its receipts and expenditures for the preceding quarter and for the year in such detail as the governing body or bodies may require.

"**Sec. 2.** Elizabeth City occupancy tax. (a) Authorization; Scope; Administration. – If the Pasquotank County Board of Commissioners has not levied the tax authorized by Section 1 of this act or has levied the tax at a rate of less than three percent (3%), the Elizabeth City City Council may, by ordinance, levy a room occupancy tax at a rate that does not exceed three percent (3%) when combined with the Pasquotank County occupancy tax rate, if any. This tax shall apply to the same accommodations that are taxable under Section 1 of this act. A tax levied under this subsection shall be levied, administered, collected, and repealed as provided in G.S. 160A-215. The penalties provided in G.S. 160A-215 apply to a tax levied under this section.~~act and shall be collected and administered in the same manner as the tax authorized by that section, unless this section specifies otherwise. In applying the provisions of Section 1 to a tax levied by the Elizabeth City City Council under this section, however, all references in Section 1 to Pasquotank County or an official of Pasquotank County shall be construed to mean the City of Elizabeth City and the city counterpart to the county official. Accordingly, the Elizabeth City Finance Officer shall collect an occupancy tax levied by the city.~~

(a1) Additional Occupancy Tax. – In addition to the tax authorized by subsection (a) of this section, the Elizabeth City City Council may levy an additional room occupancy tax of up to three percent (3%) of the gross receipts derived from the rental of accommodations taxable under subsection (a) of this section only if Elizabeth City also levies the tax authorized under subsection (a) of this section or if Pasquotank County levies the tax authorized under subsection (a) of Section 1 of this act. The total rate of tax levied under subsections (a) and (a1) of this section, when combined with the rate of any room occupancy tax that may be levied by Pasquotank County, may not exceed six percent (6%). The levy, collection, administration, and repeal of the tax authorized by this subsection shall be in accordance with the provisions of this section.

(b) Use and Distribution of ~~Revenue. After the levy of a tax under this section and until the end of the eighth fiscal year after an occupancy tax was first levied under this act, whether pursuant to this section or Section 1 of this act, the city shall retain the proceeds of the tax levied under this section. After the levy of a tax under this section and beginning in the ninth fiscal year after an occupancy tax was first levied under this act, whether pursuant to this section or Section 1 of this act, the city shall, on a quarterly basis, remit to Pasquotank County one-half (1/2) of the net proceeds of the tax levied under this section collected on accommodations located in the corporate limits of the city. The remainder of the proceeds of the tax shall be retained by the city. The city and the county may spend the proceeds of the tax only to develop, promote, and advertise travel and tourism in Elizabeth City, to sponsor tourist-oriented events and activities, to operate and maintain museums and historic sites, or to construct and maintain public facilities.~~

~~As used in this subsection, "net proceeds" means gross proceeds less the cost to the city of administering and collecting the tax, not to exceed three percent (3%) of the amount collected.~~ First Three Cents (3¢). – The finance officer of Elizabeth City shall, on a quarterly basis, remit the net proceeds of the occupancy tax levied under subsection (a) of this section to the Elizabeth City-Pasquotank County Tourism Development Authority. The Authority shall use the net proceeds of the occupancy tax levied under subsection (a) of this section as follows:

(1) Fifty percent (50%) to promote travel and tourism.

(2) Twenty-five percent (25%) for tourism-related expenditures that are recommended by the Elizabeth City City Council and are approved by the Authority.

(3) Twenty-five percent (25%) for tourism-related expenditures that are recommended by the Pasquotank County Board of Commissioners and are approved by the Authority.

(b1) Use and Distribution of the Proceeds from the Additional Occupancy Tax. – The finance officer of Elizabeth City shall, on a quarterly basis, remit the net proceeds of the occupancy tax levied under subsection (a1) of this section to the Elizabeth City-Pasquotank County Tourism Development Authority. The Authority shall use at least two-thirds of the funds remitted to it under this subsection to promote travel and tourism and shall use the remainder for tourism-related expenditures.

"**Sec. 2.1.** Definitions. – The following definitions apply in this act:

(1) Net proceeds. – Gross proceeds less the cost to the governing body of administering and collecting the tax, as determined by the finance officer, not to exceed three percent (3%) of the first five hundred thousand dollars ($500,000) of gross proceeds collected each year and one percent (1%) of the remaining gross receipts collected each year.

(2) Promote travel and tourism. – To advertise or market an area or activity, publish and distribute pamphlets and other materials, conduct market research, or engage in similar promotional activities that attract tourists or business travelers to the area. The term includes administrative expenses incurred in engaging in the listed activities.

(3) Tourism-related expenditures. – Expenditures that, in the judgment of the Tourism Development Authority, are designed to increase the use of lodging facilities, meeting facilities, or convention facilities in the county or to attract tourists or business travelers to the county. The term includes tourism-related capital expenditures.

"**Sec. 3.** Effect of county tax on previously levied city tax. If the City of Elizabeth City levies an occupancy tax under Section 2 of this act, and the Pasquotank County Board of Commissioners subsequently adopts a resolution levying an occupancy tax in Pasquotank County under Section 1 of this act, the occupancy tax levied by the City of Elizabeth City shall be repealed as of the effective date of the county levy if the county levies an occupancy tax at the rate of ~~three percent (3%),~~ six percent (6%), and shall be reduced by the amount that the combined county and city occupancy tax rates exceed ~~three percent (3%)~~ six percent (6%) if the county rate is less than ~~three percent (3%).~~ six percent (6%).

"**Sec. 4.** This act is effective upon ratification."

SECTION 2. G.S. 153A-155(g) reads as rewritten:

"(g) This section applies only to Anson, Brunswick, Buncombe, Cabarrus, Carteret, Craven, Cumberland, Currituck, Dare, Davie, Durham, Granville, Madison, Montgomery, Nash, New Hanover, Pasquotank, Pender, Person, Randolph, Richmond, Rowan, Scotland, Stanly, Transylvania, Tyrrell, Vance, and Washington Counties, and to the Township of Averasboro in Harnett County."

SECTION 3. G.S. 160A-215(g) reads as rewritten:

"(g) This section applies only to Beech Mountain District W, to the Cities of Elizabeth City, Gastonia, Goldsboro, Greensboro, High Point, Kings Mountain, Lexington, Lincolnton, Lumberton, Monroe, Mount Airy, Shelby, Statesville, Washington, and Wilmington, to the Towns of Beech Mountain, Blowing Rock, Carolina Beach, Carrboro, Franklin, Kure Beach, Jonesville, Mooresville, North Topsail Beach, Selma, Smithfield, St. Pauls, Wilkesboro, and Wrightsville Beach, and to the municipalities in Avery and Brunswick Counties."

SECTION 4. This act is effective when it becomes law.

GENERAL ASSEMBLY OF NORTH CAROLINA

SESSION 2005

HOUSE BILL 351

Short Title:	Modify Pasquotank/Eliz. City Occupancy Tax.	(Local)
Sponsors:	Representative Owens.	
Referred to:	Finance.	

February 23, 2005

A BILL TO BE ENTITLED

AN ACT TO MODIFY THE OCCUPANCY TAX FOR PASQUOTANK COUNTY AND ELIZABETH CITY.

The General Assembly of North Carolina enacts:

SECTION 1. Chapter 175 of the 1987 Session Laws reads as rewritten:

"Section 1. Pasquotank occupancy tax. (a) Authorization and Scope. The Pasquotank County Board of Commissioners ~~may, by resolution, after not less than 10 days' public notice and after a hearing held pursuant thereto,~~may levy a room occupancy tax of no more than three percent (3%) of the gross receipts derived from the rental in Pasquotank County of any room, lodging, or similar accommodation subject to sales tax under G.S. ~~105-164.4(3).~~105-164.4(a)(3).

This tax does not apply to accommodations furnished by nonprofit charitable, educational, benevolent, or religious organizations when furnished in furtherance of their nonprofit purpose. This tax is in addition to any State or local sales tax.

(a1) Additional Occupancy Tax. – In addition to the tax authorized by subsection (a) of this section, the Pasquotank County Board of Commissioners may levy a room occupancy and tourism development tax of up to three percent (3%) of the gross receipts derived from the rental of accommodations taxable under that subsection. Pasquotank County may not levy a tax under this subsection unless it also levies a tax under subsection (a) of this section.

~~(b) Collection. Every operator of a business subject to the tax levied under this section shall, on and after the effective date of the levy of the tax, collect the tax. This tax shall be collected as part of the charge for furnishing a taxable accommodation. The tax shall be stated and charged separately on the sales records, and shall be paid by the purchaser to the operator of the business as trustee for and on account of Pasquotank County. The tax shall be added to the sales price and shall be passed on to the purchaser instead of being borne by the operator of the business. The Pasquotank County Finance Officer shall design, print, and furnish to all appropriate businesses and persons in the~~

~~county the necessary forms for filing returns and instructions to ensure the full collection of the tax.~~

~~An operator of a business who collects the occupancy tax levied under this section may deduct from the amount remitted by him to the county a discount of three percent (3%) of the amount collected as reimbursement for the expenses incurred in collecting the tax.~~

(c) Administration. ~~The county shall administer a tax levied under this section.~~ A tax levied under this section shall be levied, administered, collected, and repealed as provided in G.S. 153A-155. The penalties provided in G.S. 153A-155 apply to a tax levied under this section. ~~A tax levied under this section is due and payable to the county finance officer in monthly installments on or before the 15th day of the month following the month in which the tax accrues. Every person, firm, corporation, or association liable for the tax shall, on or before the 15th day of each month, prepare and render a return on a form prescribed by the county. The return shall state the total gross receipts derived in the preceding month from rentals and sales upon which the tax is levied. A return filed with the county finance officer under this section is not a public record as defined by G.S. 132-1 and may not be disclosed except as required by law.~~

~~(d) Penalties. A person, firm, corporation, or association who fails or refuses to file the return required by this section shall pay a penalty of ten dollars ($10.00) for each day's omission. In case of failure or refusal to file the return or pay the tax for a period of 30 days after the time required for filing the return or for paying the tax, there shall be an additional tax, as a penalty, of five percent (5%) of the tax due for each additional month or fraction thereof until the tax is paid.~~

~~Any person who willfully attempts in any manner to evade a tax imposed under this section or who willfully fails to pay the tax or make and file a return shall, in addition to all other penalties provided by law, be guilty of a misdemeanor and shall be punishable by a fine not to exceed one thousand dollars ($1,000) and imprisonment not to exceed six months, or both. The board of commissioners may, for good cause shown, compromise or forgive the penalties imposed by this subsection.~~

(e) Use and Distribution of ~~Tax Revenue.~~First Three Cents (3¢). – The finance officer of Pasquotank County shall, on a quarterly basis, remit the net proceeds of the occupancy tax levied under subsection (a) of this section to the Elizabeth City-Pasquotank County Tourism Development Authority. The Authority shall use the net proceeds of the occupancy tax levied under subsection (a) of this section as follows:

(1) Fifty percent (50%) to promote travel and tourism.

(2) Twenty-five percent (25%) for tourism-related expenditures that are recommended by the Elizabeth City City Council and are approved by the Authority.

(3) Twenty-five percent (25%) for tourism-related expenditures that are recommended by the Pasquotank County Board of Commissioners and are approved by the Authority. ~~After the levy of a tax under this section and until the end of the eighth fiscal year after an occupancy tax was first levied under this act, whether pursuant to this section or Section 2 of this act, the~~

~~county shall, on a quarterly basis, remit the net proceeds of the tax levied under this section to the City of Elizabeth City. The city may spend funds remitted to it under this subsection only to develop, promote, and advertise travel and tourism in Elizabeth City and Pasquotank County, to sponsor tourist-oriented events and activities, to operate and maintain museums and historic sites, or to construct and maintain public facilities.~~

~~After the levy of a tax under this section and beginning in the ninth fiscal year after an occupancy tax was first levied under this act, whether under this section or Section 2 of this act, the county shall, on a quarterly basis, remit to the City of Elizabeth City one-half (1/2) of the net proceeds of the tax levied under this section collected on accommodations located in the corporate limits of the city. The remainder of the proceeds of the tax shall be retained by the county. The city and the county may spend the proceeds of the tax only to develop, promote, and advertise travel and tourism in Elizabeth City and Pasquotank County, to sponsor tourist-oriented events and activities, to operate and maintain museums and historic sites, or to construct and maintain public facilities.~~

~~The county, or a town or city that receives revenue under this subsection may contract with a nonprofit organization to undertake or carry out the activities and programs for which the revenue may be expended. All contracts entered into with nonprofit organizations shall require an annual financial audit of any funds expended and a performance audit of contractual obligations.~~

~~As used in this subsection, "net proceeds" means gross proceeds less the direct cost to the county of administering and collecting the tax, not to exceed three percent (3%) of the amount collected.~~

(e1) Use and Distribution of the Proceeds from the Additional Occupancy Tax. – The finance officer of Pasquotank County shall, on a quarterly basis, remit the net proceeds of the occupancy tax levied under subsection (a1) of this section to the Elizabeth City-Pasquotank County Tourism Development Authority. The Authority shall use at least two-thirds of the funds remitted to it under this subsection to promote travel and tourism and shall use the remainder for tourism-related expenditures.

~~(f) Repeal. A tax levied under this section may be repealed by a resolution adopted by the Pasquotank County Board of Commissioners. Repeal of a tax levied under this section shall become effective on the first day of a month and may not become effective until the end of the fiscal year in which the repeal resolution was adopted. Repeal of a tax levied under this section does not affect a liability for a tax that attached before the effective date of the repeal, nor does it affect a right to a refund of a tax that accrued before the effective date of the repeal.~~

"Sec. 1.1. Elizabeth City Area Convention and Visitors Bureau. (a) Establishment as a Tourism Development Authority. – Upon adoption of a resolution levying a room occupancy tax under this act by either the Pasquotank County Board of Commissioners or the Elizabeth City City Council, the Pasquotank Board of Commissioners shall adopt a resolution converting the Elizabeth City Area Convention and Visitors Bureau into a tourism development authority, which shall be a public authority under the Local

Government Budget and Fiscal Control Act. The county shall transfer to the Authority upon its creation all of the assets of the county's convention and visitors bureau. The resolution shall provide for the membership of the Authority, including the members' terms of office, and for the filling of vacancies on the Authority. At least one-third of the members must be individuals who are affiliated with businesses that collect the tax in the county, and at least three-fourths of the members must be individuals who are currently active in the promotion of travel and tourism in the county.

The Authority shall meet at the call of the chair and shall adopt rules of procedure to govern its meetings. The Finance Officer for Pasquotank County shall be the nonvoting ex officio finance officer of the Authority.

(b) Duties. – The Authority shall expend the net proceeds of the tax levied under this act for the purposes provided in this act. The Authority shall promote travel, tourism, and conventions in the county, sponsor tourist-related events and activities in the county, and finance tourist-related capital projects in the county.

(c) Reports. – The Authority shall report quarterly and at the close of the fiscal year to the governing body or bodies levying a tax under this act on its receipts and expenditures for the preceding quarter and for the year in such detail as the governing body or bodies may require.

"Sec. 2. Elizabeth City occupancy tax. (a) Authorization; Scope; Administration. – If the Pasquotank County Board of Commissioners has not levied the tax authorized by Section 1 of this act or has levied the tax at a rate of less than three percent (3%), the Elizabeth City City Council may, by ordinance, levy a room occupancy tax at a rate that does not exceed three percent (3%) when combined with the Pasquotank County occupancy tax rate, if any. This tax shall apply to the same accommodations that are taxable under Section 1 of this act. A tax levied under this subsection shall be levied, administered, collected, and repealed as provided in G.S. 160A-215. The penalties provided in G.S. 160A-215 apply to a tax levied under this section.~~act and shall be collected and administered in the same manner as the tax authorized by that section, unless this section specifies otherwise. In applying the provisions of Section 1 to a tax levied by the Elizabeth City City Council under this section, however, all references in Section 1 to Pasquotank County or an official of Pasquotank County shall be construed to mean the City of Elizabeth City and the city counterpart to the county official. Accordingly, the Elizabeth City Finance Officer shall collect an occupancy tax levied by the city.~~

(a1) Additional Occupancy Tax. – In addition to the tax authorized by subsection (a) of this section, the Elizabeth City City Council may levy an additional room occupancy tax of up to three percent (3%) of the gross receipts derived from the rental of accommodations taxable under subsection (a) only if Elizabeth City also levies the tax authorized under subsection (a) of this section or if Pasquotank County levies the tax authorized under subsection (a) of Section 1 of this act. The total rate of tax levied under subsections (a) and (a1) of this section, when combined with the rate of any room occupancy tax that may be levied by Pasquotank County, may not exceed six percent (6%). The levy, collection, administration, and repeal of the tax authorized by this subsection shall be in accordance with the provisions of this section.

(b) Use and Distribution of ~~Revenue. After the levy of a tax under this section and until the end of the eighth fiscal year after an occupancy tax was first levied under this act, whether pursuant to this section or Section 1 of this act, the city shall retain the proceeds of the tax levied under this section. After the levy of a tax under this section and beginning in the ninth fiscal year after an occupancy tax was first levied under this act, whether pursuant to this section or Section 1 of this act, the city shall, on a quarterly basis, remit to Pasquotank County one-half (1/2) of the net proceeds of the tax levied under this section collected on accommodations located in the corporate limits of the city. The remainder of the proceeds of the tax shall be retained by the city. The city and the county may spend the proceeds of the tax only to develop, promote, and advertise travel and tourism in Elizabeth City, to sponsor tourist-oriented events and activities, to operate and maintain museums and historic sites, or to construct and maintain public facilities.~~

~~As used in this subsection, "net proceeds" means gross proceeds less the cost to the city of administering and collecting the tax, not to exceed three percent (3%) of the amount collected.~~ First Three Cents (3¢). – The finance officer of Elizabeth City shall, on a quarterly basis, remit the net proceeds of the occupancy tax levied under subsection (a) of this section to the Elizabeth City-Pasquotank County Tourism Development Authority. The Authority shall use the net proceeds of the occupancy tax levied under subsection (a) of this section as follows:

(1) Fifty percent (50%) to promote travel and tourism.

(2) Twenty-five percent (25%) for tourism-related expenditures that are recommended by the Elizabeth City City Council and are approved by the Authority.

(3) Twenty-five percent (25%) for tourism-related expenditures that are recommended by the Pasquotank County Board of Commissioners and are approved by the Authority.

(b1) Use and Distribution of the Proceeds from the Additional Occupancy Tax. – The finance officer of Elizabeth City shall, on a quarterly basis, remit the net proceeds of the occupancy tax levied under subsection (a1) of this section to the Elizabeth City-Pasquotank County Tourism Development Authority. The Authority shall use at least two-thirds of the funds remitted to it under this subsection to promote travel and tourism and shall use the remainder for tourism-related expenditures.

"Sec. 2.1. Definitions. – The following definitions apply in this act.

(1) Net proceeds. – Gross proceeds less the cost to the governing body of administering and collecting the tax, as determined by the finance officer, not to exceed three percent (3%) of the first five hundred thousand dollars ($500,000) of gross proceeds collected each year and one percent (1%) of the remaining gross receipts collected each year.

(2) Promote travel and tourism. – To advertise or market an area or activity, publish and distribute pamphlets and other materials, conduct market research, or engage in similar promotional activities that attract tourists or business travelers to the area. The term includes administrative expenses incurred in engaging in the listed activities.

(3) Tourism-related expenditures. – Expenditures that, in the judgment of the Tourism Development Authority, are designed to increase the use of lodging facilities, meeting facilities, or convention facilities in the county or to attract tourists or business travelers to the county. The term includes tourism-related capital expenditures.

"Sec. 3. Effect of county tax on previously levied city tax. If the City of Elizabeth City levies an occupancy tax under Section 2 of this act, and the Pasquotank County Board of Commissioners subsequently adopts a resolution levying an occupancy tax in Pasquotank County under Section 1 of this act, the occupancy tax levied by the City of Elizabeth City shall be repealed as of the effective date of the county levy if the county levies an occupancy tax at the rate of ~~three percent (3%),~~ six percent (6%), and shall be reduced by the amount that the combined county and city occupancy tax rates exceed ~~three percent (3%)~~ six percent (6%) if the county rate is less than ~~three percent (3%).~~ six percent (6%).

"Sec. 4. This act is effective upon ratification."

SECTION 2. G.S. 153A-155 reads as rewritten:

"**§ 153A-155. Uniform provisions for room occupancy taxes.**

(a) Scope. – This section applies only to counties the General Assembly has authorized to levy room occupancy taxes.

(b) Levy. – A room occupancy tax may be levied only by resolution, after not less than 10 days' public notice and after a public hearing held pursuant thereto. A room occupancy tax shall become effective on the date specified in the resolution levying the tax. That date must be the first day of a calendar month, however, and may not be earlier than the first day of the second month after the date the resolution is adopted.

(c) Collection. – Every operator of a business subject to a room occupancy tax shall, on and after the effective date of the levy of the tax, collect the tax. The tax shall be collected as part of the charge for furnishing a taxable accommodation. The tax shall be stated and charged separately from the sales records and shall be paid by the purchaser to the operator of the business as trustee for and on account of the taxing county. The tax shall be added to the sales price and shall be passed on to the purchaser instead of being borne by the operator of the business. The taxing county shall design, print, and furnish to all appropriate businesses and persons in the county the necessary forms for filing returns and instructions to ensure the full collection of the tax. An operator of a business who collects a room occupancy tax may deduct from the amount remitted to the taxing county a discount equal to the discount the State allows the operator for State sales and use tax.

(d) Administration. – The taxing county shall administer a room occupancy tax it levies. A room occupancy tax is due and payable to the county finance officer in monthly installments on or before the 15th day of the month following the month in which the tax accrues. Every person, firm, corporation, or association liable for the tax shall, on or before the 15th day of each month, prepare and render a return on a form prescribed by the taxing county. The return shall state the total gross receipts derived in the preceding month from rentals upon which the tax is levied. A room occupancy tax

return filed with the county finance officer is not a public record and may not be disclosed except in accordance with G.S. 153A-148.1 or G.S. 160A-208.1.

(e) Penalties. – A person, firm, corporation, or association who fails or refuses to file a room occupancy tax return or pay a room occupancy tax as required by law is subject to the civil and criminal penalties set by G.S. 105-236 for failure to pay or file a return for State sales and use taxes. The governing board of the taxing county has the same authority to waive the penalties for a room occupancy tax that the Secretary of Revenue has to waive the penalties for State sales and use taxes.

(f) Repeal or Reduction. – A room occupancy tax levied by a county may be repealed or reduced by a resolution adopted by the governing body of the county. Repeal or reduction of a room occupancy tax shall become effective on the first day of a month and may not become effective until the end of the fiscal year in which the resolution was adopted. Repeal or reduction of a room occupancy tax does not affect a liability for a tax that was attached before the effective date of the repeal or reduction, nor does it affect a right to a refund of a tax that accrued before the effective date of the repeal or reduction.

(f1) Use. – The proceeds of a room occupancy tax shall not be used for development or construction of a hotel or another transient lodging facility.

(g) This section applies only to Anson, Brunswick, Buncombe, Cabarrus, Carteret, Craven, Cumberland, Currituck, Dare, Davie, Durham, Granville, Madison, Montgomery, Nash, New Hanover, Pasquotank, Pender, Person, Randolph, Richmond, Rowan, Scotland, Stanly, Transylvania, Tyrrell, Vance, and Washington Counties, and to the Township of Averasboro in Harnett County."

SECTION 3. This act is effective when it becomes law.

HOUSE BILL 351:
Modify Pasquotank/Eliz. City Occupancy Tax

BILL ANALYSIS

Committee:	House Finance	**Introduced by:**	Rep. Owens
Date:		**Summary by:**	Trina Griffin
Version:	PCS for 1st Edition H351-PCS30163-SV-2		Committee Counsel

SUMMARY: House Bill 351 does the following:

- *It increases Pasquotank County's authority to levy a room occupancy tax from 3% to 6%.*
- *It increases Elizabeth City's authority to levy a room occupancy tax from 3% to 6%, but in no case may the combined county and city rate of tax exceed 6%.*
- *It requires that the Elizabeth City Area Convention and Visitors Bureau be established as the Elizabeth City-Pasquotank County Tourism Development Authority for purposes of administering the occupancy tax proceeds.*
- *It conforms both the county and city's administrative provisions to the uniform provisions concerning the levy, administration, collection, and repeal of the tax found in G.S. 153A-155 and G.S. 160A-215.*

The PCS makes a technical correction by adding a new Section 3, which adds Elizabeth City to the list of cities whose administrative provisions conform to the uniform statutory provisions in G.S. 160A-215. The House Finance Subcommittee on Occupancy Taxes reviewed this bill at its meeting on March 31 and gave it a favorable recommendation.

CURRENT LAW: In 1987, the General Assembly authorized Pasquotank County to levy a 3% room occupancy tax. The county must remit one-half of the net proceeds to Elizabeth City and may keep the remainder. The city and the county may spend the proceeds of the tax only to develop, promote, and advertise travel and tourism in Elizabeth City and Pasquotank County, to sponsor tourist-oriented events and activities, to operate and maintain museums and historic sites, or to construct and maintain public facilities.

The legislation also provides that, if Pasquotank County has not levied the occupancy tax, or has levied the tax at a rate of less than 3%, the Elizabeth City has the authority to levy a room occupancy tax that does not exceed 3% when combined with the Pasquotank County occupancy tax rate, if any. If the city were to levy the occupancy tax, then the city would be required to remit one-half of the proceeds to the county and retain the remainder. The proceeds may be used for the same purposes mentioned above. Currently, Pasquotank County is levying the 3% tax.

BILL ANALYSIS: House Bill 351 increases the authority of Pasquotank County to levy a room occupancy tax from 3% to 6%. The bill also requires that the existing Elizabeth City Area Convention and Visitors Bureau be established as the Elizabeth City-Pasquotank County Tourism Development Authority, and that the proceeds be remitted to the TDA for distribution. The first 3% is to be distributed as follows:

- 50% to promote travel and tourism.
- 25% for tourism-related expenditures recommended by the Elizabeth City Council and approved by the TDA.

- 25% for tourism-related expenditures recommended by the Pasquotank County Board of Commissioners and approved by the Authority.

Of the second 3%, two thirds of the net proceeds must be used for tourism promotion and the remainder for tourism-related expenditures. Based on this distribution, 58% of the total occupancy tax proceeds will be used for tourism promotion with the remainder being used for tourism-related expenditures.

The bill also increases Elizabeth City's authority to levy an occupancy tax from 3% to 6%. However, the City may only levy the tax if the county has not levied the tax or has not levied the entire 6%. The total rate of tax for both the county and city may not exceed 6%. If Elizabeth City levies the tax, the net proceeds are to be distributed in the same manner as required for the county.

The bill also brings both the county and city administrative provisions into conformity with the uniform statutory provisions set out in G.S. 153A-155 and 160A-215.

BACKGROUND: Since 1983, the General Assembly has authorized many units of local government to levy a room occupancy tax. In several instances, the General Assembly has authorized both a county and a city within that county to impose an occupancy tax. The rate of tax, the use of the tax proceeds, the administration of the tax, and the body with the authority to determine how the tax proceeds will be spent vary considerably. Over the past several years, there has been a greater effort to make the occupancy taxes uniform. In 1997, the General Assembly enacted uniform municipal and county administrative provisions for occupancy tax legislation – G.S. 153A-155 and G.S. 160A-215. These provisions provide uniformity in the areas of levy, administration, collection, repeal, and penalties.

The North Carolina Travel and Tourism Coalition has a policy statement for legislation authorizing local occupancy taxes. Many of the principles contained in its statement are similar to the ones established by a House Finance subcommittee on Occupancy Taxes in 1993 and detailed in the chart below:

UNIFORM OCCUPANCY TAX PROVISIONS
Rate – The county tax rate cannot exceed 6% and the city tax rate, when combined with the county rate, cannot exceed 6%.
Use – Two-thirds of the proceeds must be used to promote travel and tourism and the remainder must be used for tourism related expenditures.
Definitions The term "net proceeds", "promote travel and tourism", and "tourism related expenditures" are defined terms.
Administration – The net revenues must be administered by a local tourism development authority that has the authority to determine how the tax proceeds will be used, is created by a local ordinance, and at least ¾ of the members must be currently active in the promotion of travel and tourism in the county and 1/3 of the members must be affiliated with organizations that collect the tax.
Costs of Collection – The taxing authority may retain from the revenues its actual costs of collection, not to exceed 3% of the first $500,000 collected each year plus 1% of the remainder collected each year.

PRINCIPAL DEPARTMENT(S) & PROGRAM(S) AFFECTED: Pasquotank County

EFFECTIVE DATE: Becomes effective when law.

BILL SUMMARY: This bill increases the authority of Pasquotank County to levy a room occupancy tax from 3% to 6%. The bill also increases Elizabeth City's authority to levy an occupancy tax from 3% to 6%, however, the City may only levy the tax if the county has not levied the tax or has not levied the entire 6%. The bill requires that the existing Elizabeth City Area Convention and Visitors Bureau be established as the Elizabeth City-Pasquotank County Tourism Development Authority, and that the proceeds be remitted to the TDA for distribution.

ASSUMPTIONS AND METHODOLOGY: This analysis assumes that Pasquotank County levies the full 6% occupancy tax authorized by the bill. In the event that the county levies less

than 6%, the revenues to the county would be less and Elizabeth City would have the authority to levy an occupancy tax up to 6%, as long as the total rate for the county and city do not exceed 6%.

In 2003-2004, the 3% room tax in Pasquotank County raised $235,424. This bill doubles the rate to 6%. Historically, Pasquotank County's collections have been as follows:

Year	Amount	Each 1%
1999-00	75,321	25,107
2000-01	78,144	26,048
2001-02	165,168	55,056
2002-03	172,468	57,489
2003-04	235,424	78,475

Extending this trend suggests the following increase in total occupancy tax revenue as a result of the bill:

Year	Amount	Each 1%
2005-06	254,635	84,878
2006-07	264,820	88,273
2007-08	275,413	91,804
2008-09	286,429	95,476

HOUSE BILL 125*

Short Title:	West Jefferson Occupancy Tax.	(Local)
Sponsors:	Representative Wilson.	
Referred to:	Finance.	

February 9, 2005

A BILL TO BE ENTITLED

AN ACT TO AUTHORIZE THE TOWN OF WEST JEFFERSON TO LEVY A ROOM OCCUPANCY AND TOURISM DEVELOPMENT TAX.

The General Assembly of North Carolina enacts:

SECTION 1. Occupancy tax. – (a) Authorization and Scope. – The West Jefferson Board of Aldermen may levy a room occupancy tax of up to three percent (3%) of the gross receipts derived from the rental of any room, lodging, or accommodation furnished by a hotel, motel, inn, tourist camp, or similar place within the town that is subject to sales tax imposed by the State under G.S. 105-164.4(a)(3). This tax is in addition to any State or local sales tax. This tax does not apply to accommodations furnished by nonprofit charitable, educational, or religious organizations when furnished in furtherance of their nonprofit purpose.

SECTION 1.(b) Administration. – A tax levied under this section shall be levied, administered, collected, and repealed as provided in G.S. 160A-215. The penalties provided in G.S. 160A-215 apply to a tax levied under this section.

SECTION 1.(c) Distribution and Use of Tax Revenue. – The Town of West Jefferson shall, on a quarterly basis, remit the net proceeds of the occupancy tax to the West Jefferson Tourism Development Authority. The Authority shall use at least two-thirds of the funds remitted to it under this subsection to promote travel and tourism in West Jefferson and shall use the remainder for tourism-related expenditures.

The following definitions apply in this subsection:

(1) Net proceeds. – Gross proceeds less the cost to the town of administering and collecting the tax, as determined by the finance officer, not to exceed three percent (3%) of the first five hundred thousand dollars ($500,000) of gross proceeds collected each year and one percent (1%) of the remaining gross receipts collected each year.

(2) Promote travel and tourism. – To advertise or market an area or activity, publish and distribute pamphlets and other materials, conduct market research, or engage in similar promotional activities that attract

tourists or business travelers to the area; the term includes administrative expenses incurred in engaging in the listed activities.

(3) Tourism-related expenditures. – Expenditures that, in the judgment of the West Jefferson Tourism Development Authority, are designed to increase the use of lodging facilities, meeting facilities, or convention facilities in a town or to attract tourists or business travelers to the town. The term includes tourism-related capital expenditures.

SECTION 2. Tourism Development Authority. – (a) Appointment and Membership. – When the Board of Aldermen adopts a resolution levying a room occupancy tax under this act, it shall also adopt a resolution creating a town Tourism Development Authority, which shall be a public authority under the Local Government Budget and Fiscal Control Act. The resolution shall provide for the membership of the Authority, including the members' terms of office, and for the filling of vacancies on the Authority. At least one-third of the members must be individuals who are affiliated with businesses that collect the tax in the town, and at least three-fourths of the members must be individuals who are currently active in the promotion of travel and tourism in the town. The Board of Aldermen shall designate one member of the Authority as chair and shall determine the compensation, if any, to be paid to members of the Authority.

The Authority shall meet at the call of the chair and shall adopt rules of procedure to govern its meetings. The Finance Officer for the Town of West Jefferson shall be the ex officio finance officer of the Authority.

SECTION 2.(b) Duties. – The Authority shall expend the net proceeds of the tax levied under this act for the purposes provided in Section 1 of this act. The Authority shall promote travel, tourism, and conventions in the town, sponsor tourist-related events and activities in the town, and finance tourist-related capital projects in the town.

SECTION 2.(c) Reports. – The Authority shall report quarterly and at the close of the fiscal year to the Board of Aldermen on its receipts and expenditures for the preceding quarter and for the year in such detail as the Board of Aldermen may require.

SECTION 3. Town administrative provisions. – G.S. 160A-215(g) reads as rewritten:

"(g) This section applies only to Beech Mountain District W, to the Cities of Gastonia, Goldsboro, Greensboro, High Point, Kings Mountain, Lexington, Lincolnton, Lumberton, Monroe, Mount Airy, Shelby, Statesville, Washington, and Wilmington, to the Towns of Beech Mountain, Blowing Rock, Carolina Beach, Carrboro, Franklin, Kure Beach, Jonesville, Mooresville, North Topsail Beach, Selma, Smithfield, St. Pauls, West Jefferson, Wilkesboro, and Wrightsville Beach, and to the municipalities in Avery and Brunswick Counties."

SECTION 4. This act is effective when it becomes law.

HOUSE BILL 125:
West Jefferson Occupancy Tax

BILL ANALYSIS

Committee:	House Finance	**Introduced by:**	Rep. Wilson
Date:	April 5, 2005	**Summary by:**	Cindy Avrette
Version:	1st Edition		Committee Counsel

SUMMARY: House Bill 125 authorizes the town of West Jefferson to levy a 3% room occupancy tax. Two-thirds of the proceeds would be used to promote travel and tourism and one-third would be used for tourism-related expenditures. This bill conforms to the guidelines supported by the North Carolina Travel and Tourism Coalition and adhered to by the House Finance Committee. The House Finance Subcommittee on Occupancy Taxes reviewed this bill at its meeting on March 31 and gave it a favorable recommendation.

CURRENT LAW: Currently, the town of West Jefferson does not have authority to levy a room occupancy tax. West Jefferson is located in Ashe County, which does have authority to levy a 3% occupancy tax. The proceeds of the county tax are distributed as follows: 1/3 goes to the Ashe County Chamber of Commerce for travel and tourism and 2/3 goes to the general fund to be used for any public purpose.

BACKGROUND: Since 1983, the General Assembly has authorized many units of local government to levy a room occupancy tax. In several instances, the General Assembly has authorized both a county and a city within that county to impose an occupancy tax. The rate of tax, the use of the tax proceeds, the administration of the tax, and the body with the authority to determine how the tax proceeds will be spent vary considerably. Over the past several years, there has been a greater effort to make the occupancy taxes uniform. In 1997, the General Assembly enacted uniform municipal and county administrative provisions for occupancy tax legislation – G.S. 153A-155 and G.S. 160A-215. These provisions provide uniformity in the areas of levy, administration, collection, repeal, and penalties.

The North Carolina Travel and Tourism Coalition has a policy statement for legislation authorizing local occupancy taxes. Many of the principles contained in its statement are similar to the ones established by a House Finance subcommittee on Occupancy Taxes in 1993.

BILL ANALYSIS: House Bill 125 authorizes the town of West Jefferson to levy a room occupancy tax of up to 3%. The proceeds must be remitted to a town Tourism Development Authority (TDA), which must use two-thirds of the proceeds to promote travel and tourism and one-third for tourism-related expenditures. These administrative and use provisions conform to the uniform guidelines referenced above and detailed in the chart below:

UNIFORM OCCUPANCY TAX PROVISIONS
Rate – The county tax rate cannot exceed 6% and the city tax rate, when combined with the county rate, cannot exceed 6%.
Use – Two-thirds of the proceeds must be used to promote travel and tourism and the remainder must be used for tourism related expenditures.
Definitions The term "net proceeds", "promote travel and tourism", and "tourism related expenditures" are defined terms.
Administration – The net revenues must be administered by a local tourism development authority that has the authority to determine how the tax proceeds will be used, is created by a local ordinance, and at least ¾ of the members must be currently active in the promotion of travel and tourism in the county and 1/3 of the members must be affiliated with organizations that collect the tax.
Costs of Collection – The taxing authority may retain from the revenues its actual costs of collection, not to exceed 3% of the first $500,000 collected each year plus 1% of the remainder collected each year.

EFFECTIVE DATE: Becomes effective when law.

BILL SUMMARY:
This bill allows the Town of West Jefferson to levy a 3% occupancy tax. The bill requires the proceeds to go to the West Jefferson Tourism Development Authority. At least two-thirds of the funds are to be used to promote travel and tourism in West Jefferson and the remainder is to be used for travel-related expenditures.

ASSUMPTIONS AND METHODOLOGY:
There is currently one hotel in the city limits of West Jefferson. Based on hotel receipts, the town estimates that the occupancy tax will generate between $15,000 and $20,000 annually. For the purposes of this analysis, an estimate of $17,500 is used for the first year. An annual rate of increase of 4% is used to project revenues for future years.

A BILL TO BE ENTITLED

AN ACT TO REMOVE THE CAP ON SATELLITE ANNEXATIONS FOR THE TOWN OF LANDIS.

The General Assembly of North Carolina enacts:

SECTION 1. G.S. 160A-58.1(b)(5) reads as rewritten:

"(b) A noncontiguous area proposed for annexation must meet all of the following standards:

...

(5) The area within the proposed satellite corporate limits, when added to the area within all other satellite corporate limits, may not exceed ten percent (10%) of the area within the primary corporate limits of the annexing city.

This subdivision does not apply to the Cities of Claremont, Concord, Conover, Gastonia, Hickory, Locust, Marion, Mount Airy, Mount Holly, New Bern, Newton, Oxford, Randleman, Rockingham, Sanford, Salisbury, Southport, Statesville, and Washington and the Towns of Angier, Bladenboro, Calabash, Catawba, Creswell, Dallas, Fuquay-Varina, Garner, Godwin, Holly Ridge, Holly Springs, Kenly, Knightdale, Landis, Leland, Louisburg, Maiden, Mayodan, Midland, Mocksville, Morrisville, Pembroke, Pine Level, Ranlo, Rolesville, Rutherfordton, Swansboro, Troy, Wallace, Warsaw, Waynesville, Wendell, and Zebulon."

SECTION 2. This act is effective when it becomes law.

HOUSE BILL 370:
Landis Satellite Annexations

BILL ANALYSIS

Committee:	House Finance	**Introduced by:**	Rep. Steen
Date:	April 5, 2005	**Summary by:**	Martha Walston
Version:	1st Edition		Committee Counsel

SUMMARY: ***House Bill 370 is a local bill that would exempt the town of Landis from the requirement for satellite annexation that the area to be annexed, when added to the area within all other satellite corporate limits, may not exceed 10% of the area within the primary corporate limits of the annexing city. House Bill 370 was given a favorable report in House Local Government II.***

CURRENT LAW: G.S. 160A-58.1 governs the voluntary annexation by a municipality of noncontiguous property. All property owners in the satellite area[1] may petition for voluntary annexation of the noncontiguous property if the property meets the following five standards in G.S. 160A-58.1(b):

1. The nearest point on the proposed satellite corporate limits must be not more than three miles from the primary corporate limits of the annexing city.
2. No point on the proposed satellite corporate limits may be closer to the primary corporate limits of another city than to the primary corporate limits of the annexing city.
3. The area must be so situated that the annexing city will be able to provide the same services within the proposed satellite corporate limits that it provides within its primary corporate limits.
4. If the area proposed for annexation, or any portion thereof, is a subdivision as defined in G.S. 160A-376, all of the subdivision must be included.
5. **The area within the proposed satellite corporate limits, when added to the area within all other satellite corporate limits, may not exceed 10% of the area within the primary corporate limits of the annexing city.**

If the property does not meet the statutory requirements for annexation, the municipality does not have the authority to annex the area. However, the General Assembly can extend the corporate limits of a municipality to encompass areas that the municipality would not statutorily have the authority to annex.

BILL ANALYSIS: House Bill 370 would permanently exempt the town of Landis from the 5th requirement, which requires that the proposed area for satellite annexation, when added to the area within all other satellite corporate limits, not exceed 10% of the area within the primary corporate limits of the annexing city.

The purpose of the 5th requirement is designed to further the legislative goal of not allowing annexations to undermine the notion of a city as a single, contiguous, and compact entity. In practice, however, the standard has proved to be a problem for many smaller cities, because one large development by itself may easily exceed the 10% limit. Because of this, the General Assembly has excepted a significant number of cities and towns (at least 51) from this 10% rule by local act.

BACKGROUND: On February 7, 2005, the town of Landis Board of Alderman unanimously voted to request legislation to remove the 10% cap on voluntary satellite annexations. The Town is currently at the 10% cap. Recently a land development agency requested that certain noncontiguous property be brought into the corporate limits of the town. The Landis Board of Alderman believes that this property and its potential for development would greatly enhance the economic future of Landis.

[1] G.S. 160A-58.4 provides that satellite corporate limits cannot be considered a part of a municipality's corporate limits for purposes of its ETJ. Therefore, satellite annexations have no effect upon a municipality's ETJ.

HOUSE BILL 478:
Tobaccoville Deannexation

BILL ANALYSIS

Committee:	House Finance	**Introduced by:**	Rep. Folwell
Date:	April 5, 2005	**Summary by:**	Martha Walston
Version:	1st Edition		Committee Counsel

SUMMARY: ***House Bill 478 de-annexes two lots, totaling approximately 8.767 acres, from the corporate limits of the village of Tobaccoville. The act would become effective June 30, 2005.***

CURRENT LAW: A city or town may annex property by petition of owners of property to be annexed or if the property meets certain statutory requirements. If the property does not meet the statutory requirements for annexation, the municipality does not have the authority to annex. However, the General Assembly can extend the corporate limits of a municipality to encompass areas that the municipality would not statutorily have the authority to annex. The General Assembly can also de-annex property of a municipality.

BILL ANALYSIS: House Bill 478 de-annexes two lots, totaling approximately 8.767 acres, from the corporate limits of the village of Tobaccoville. The act would become effective June 30, 2005, and would not affect the duty to pay taxes for any prior year and would not eliminate any liens for taxes for prior years.

BACKGROUND: The two lots described in House Bill 478 were annexed to the village of Tobaccoville pursuant to a voluntary annexation. At the time of annexation, the lots were owned as separate parcels. Later, the lots were combined with other land outside Tobaccoville's limits to create a proposed new subdivision. The two lots constitute less than 5% of the area of the subdivision. The remainder of the subdivision is located within the jurisdiction of Forsyth County and in an area that can only be annexed by the City of Winston-Salem under an annexation agreement between Tobaccoville and Winston-Salem.

On February 23, 2005, the Tobaccoville Village Council adopted a resolution approving a bill to de-annex the two lots. In the resolution, the Village administrator and Council expressed their concern that, given the location of the two lots and the limited area they cover, the potential split of jurisdiction for the provision of services and other governmental matters would be confusing and constitute an unnecessary administrative burden for the Village, the County, the City and the Subdivision. After consulting with Winston-Salem and Forsyth County, the Village Council has determined that it is in the best interests of Tobaccoville to avoid such confusion and to permit the provision of services and the administration of other governmental matters on a uniform basis within the Subdivision.

A BILL TO BE ENTITLED

AN ACT TO AMEND THE HALIFAX COUNTY TOURISM AND DEVELOPMENT TAX AND TO IMPLEMENT A TOURISM AND DEVELOPMENT TAX FOR THE CITY OF ROANOKE RAPIDS.

The General Assembly of North Carolina enacts:

PART I. HALIFAX COUNTY OCCUPANCY TAX

SECTION 1.1. Chapter 377 of the 1987 Session Laws reads as rewritten:

"Section 1. Occupancy tax. (a) Authorization and scope. – The Halifax County Board of Commissioners may ~~by resolution, after not less than 10 days' public notice and after a public hearing held pursuant thereto,~~ levy a room occupancy tax of three percent (3%) of the gross receipts derived from the rental of any room, lodging, or similar accommodation furnished by a hotel, motel, inn, or similar place within the county that is subject to sales tax imposed by the State under G.S ~~105-164.4(3).~~105-164.4(a)(3). This tax is in addition to any State or local sales tax. This tax does not apply to accommodations furnished by nonprofit charitable, educational, or religious organizations.

(a1) Authorization of additional tax. – In addition to the tax authorized by subsection (a) of this section, the Halifax County Board of Commissioners may levy an additional room occupancy tax of up to two percent (2%) of the gross receipts derived from the rental of accommodations taxable under subsection (a) of this section. The levy, collection, administration, and repeal of the tax authorized by this subsection must be in accordance with the provisions of this section. Halifax County may not levy a tax under this subsection unless it also levies the tax authorized under subsection (a) of this section.

(b) Administration. – A tax levied under this section must be levied, administered, collected, and repealed as provided in G.S. 153A-155. The penalties provided in G.S. 153A-155 apply to a tax levied under this section.

~~(b) Collection. Every operator of a business subject to the tax levied under this act shall, on and after the effective date of the levy of the tax, collect the tax. This tax shall be collected as part of the charge for furnishing a taxable accommodation. The tax shall be stated and charged separately from the sales records, and shall be paid by the purchaser to the operator of the business as trustee for and on account of the county. The tax shall be added to the sales price and shall be passed on to the purchaser instead of being borne by the operator of the business. The county shall design, print, and furnish to all appropriate businesses and persons in the county the necessary forms for filing returns and instructions to ensure the full collection of the tax. An operator of a business who collects the occupancy tax levied under this act may deduct from the amount remitted to the county a discount of three percent (3%) of the amount collected.~~

~~(c) Administration. The county shall administer a tax levied under this act. A tax levied under this act is due and payable to the county finance officer in monthly installments on or before the 15th day of the month following the month in which the tax accrues. Every person, firm, corporation, or association liable for the tax shall, on or before the 15th day of each month, prepare and render a return on a form prescribed by the county. The return shall state the total gross receipts derived in the preceding month from rentals upon which the tax is levied.~~

~~A return filed with the county finance officer under this act is not a public record as defined by G.S. 132-1 and may not be disclosed except as required by law.~~

~~(d) Penalties. A person, firm, corporation, or association who fails or refuses to file the return required by this act shall pay a penalty of ten dollars ($10.00) for each day's omission. In case of failure or refusal to file the return or pay the tax for a period of 30 days after the time required for filing the return or for paying the tax, there shall be an additional tax, as a penalty, of five percent (5%) of the tax due for each additional month or fraction thereof until the tax is paid.~~

~~Any person who willfully attempts in any manner to evade a tax imposed under this act or who willfully fails to pay the tax or make and file a return shall, in addition to all other penalties provided by law, be guilty of a misdemeanor and shall be punishable by a fine not to exceed one thousand dollars ($1,000), imprisonment not to exceed six months, or both. The Board of Commissioners may, for good cause shown, compromise or forgive the penalties imposed by this subsection.~~

~~(e)~~(c) Distribution and use of tax revenue. – Halifax County ~~shall~~must, on a quarterly basis, remit the net proceeds of the occupancy tax to the Halifax County Tourism Development Authority. The Authority ~~may spend funds remitted to it under this subsection only to promote travel and tourism in Halifax County, to sponsor tourist-oriented events and activities in Halifax County, and to finance tourist-related capital projects in Halifax County. As used in this subsection, "net proceeds" means gross proceeds less the cost to the county of administering and collecting the tax, as determined by the finance officer.~~must use at least two-thirds of the funds remitted to it under this subsection to promote travel and tourism in Halifax County and must use the remainder for tourism-related expenditures.

The following definitions apply to this subsection:

(1) Net proceeds. – Gross proceeds less the cost to the county of administering and collecting the tax, as determined by the finance officer, not to exceed three percent (3%) of the first five hundred thousand dollars ($500,000) of the gross proceeds collected each year and one percent (1%) of the remaining gross receipts collected each year.

(2) Promote travel and tourism. – To advertise or market an area or activity, publish and distribute pamphlets and other materials, conduct market research, or engage in similar promotional activities that attract tourists or business travelers to the area; the term includes administrative expenses incurred in engaging in the listed activities.

(3) Tourism-related expenditures. – Expenditures that, in the judgment of the Tourism Development Authority, are designed to increase the use of lodging facilities, meeting facilities, or convention facilities in the county by attracting tourists or business travelers to the county. The term includes tourism-related capital expenditures.

~~(f) Effective date of levy. A tax levied under this act shall become effective on the date specified in the resolution levying the tax. That date must be the first day of a calendar month, however, and may not be earlier than the first day of the second month after the date the resolution is adopted.~~

~~(g) Repeal. A tax levied under this act may be repealed by a resolution adopted by the Halifax County Board of Commissioners. Repeal of a tax levied under this act does not affect a liability for a tax that was attached before the effective date of the repeal, nor does it affect a right to a refund of a tax that accrued before the effective date of the repeal.~~

Sec. 2. Tourism Development Authority. (a) Appointment and membership. – When the Board of Commissioners adopts a resolution levying a room occupancy tax under this act, it ~~shall~~must also adopt a resolution creating a county Tourism Development Authority, which shall be a public authority under the Local Government Budget and Fiscal Control Act. The resolution ~~shall~~must provide for the membership of the Authority including the members' qualifications and terms of office, and for the filling of vacancies on the Authority. At least one-fifth of the members must be individuals who are affiliated with businesses that collect the tax in the county, and at least three-fourths of the members must be individuals who are currently active in the promotion of travel and tourism in the county. The ~~Board of Commissioners~~Authority ~~shall~~must designate one member ~~of the Authority~~ as ~~chair and shall determine the compensation, if any, to be paid to members of the Authority.~~chair and one member as treasurer.

The Authority ~~shall~~must meet at the call of the chair and ~~shall~~must adopt rules of procedure to govern its meetings. ~~The Finance Officer for Halifax County shall be the ex officio finance officer of the Authority.~~

(b) Duties. – The Authority must expend the net proceeds of the tax levied under this act for the purposes provided in Section 1 of this act. The Authority ~~shall~~must

promote travel, tourism, and conventions in the county, sponsor tourist-related events and activities in the county, and finance tourist-related capital projects in the county.

(c) Reports. – The Authority ~~shall~~must report ~~quarterly and~~ at the close of the fiscal year to the Board of County Commissioners on its receipts and expenditures ~~for the preceding quarter and~~ for the year in such detail as the Board may require.

Sec. 3. This act is effective upon ratification."

SECTION 1.2. G.S. 153A-155(g) reads as rewritten:

"(g) This section applies only to Alleghany, Anson, Brunswick, Buncombe, Cabarrus, Camden, Carteret, Craven, Cumberland, Currituck, Dare, Davie, Durham, Granville, Halifax, Madison, Montgomery, Nash, New Hanover, Pender, Person, Randolph, Richmond, Rowan, Scotland, Stanly, Transylvania, Tyrrell, Vance, and Washington Counties, and to the Township of Averasboro in Harnett County."

PART II. CITY OF ROANOKE RAPIDS OCCUPANCY TAX

SECTION 2.1. Occupancy tax. – (a) Authorization and Scope. – The Roanoke Rapids City Council may levy a room occupancy tax of up to one percent (1%) of the gross receipts derived from the rental of any room, lodging, or accommodation furnished by a hotel, motel, inn, tourist camp, or similar place within the city that is subject to sales tax imposed by the State under G.S. 105-164.4(a)(3). This tax is in addition to any State or local sales tax. This tax does not apply to accommodations furnished by nonprofit charitable, educational, or religious organizations when furnished in furtherance of their nonprofit purpose.

SECTION 2.1.(b) Administration. – A tax levied under this section shall be levied, administered, collected, and repealed as provided in G.S. 160A-215. The penalties provided in G.S. 160A-215 apply to a tax levied under this section.

SECTION 2.2.(a) Distribution and Use of Tax Revenue. – The City of Roanoke Rapids shall, on a quarterly basis, remit the net proceeds of the occupancy tax to the Halifax County Tourism Development Authority. The Halifax County Tourism Development Authority must hold the funds in a separate account and administer them separately from proceeds of the Halifax County occupancy tax. The Authority shall use at least two-thirds of the funds remitted to it under this subsection to promote travel and tourism in the City of Roanoke Rapids and shall use the remainder for tourism-related expenditures in the City of Roanoke Rapids.

The following definitions apply in this subsection:

(1) Net proceeds. – Gross proceeds less the cost to the city of administering and collecting the tax, as determined by the finance officer, not to exceed three percent (3%) of the first five hundred thousand dollars ($500,000) of gross proceeds collected each year and one percent (1%) of the remaining gross receipts collected each year.

(2) Promote travel and tourism. – To advertise or market an area or activity, publish and distribute pamphlets and other materials, conduct market research, promote and support the Roanoke Rapids entertainment district, or engage in similar promotional activities that attract tourists or business travelers to the area. The term includes administrative expenses incurred in engaging in the listed activities.

(3) Tourism-related expenditures. – Expenditures that, in the judgment of the Tourism Development Authority, are designed to increase the use of lodging facilities, meeting facilities, or convention facilities in a city or to attract tourists or business travelers to the city. The term includes tourism-related capital expenditures.

SECTION 2.2.(b) Reports. – The Authority shall report quarterly and at the close of the fiscal year to the Roanoke Rapids City Council on its receipts and expenditures for the preceding quarter and for the year in such detail as the city council may require.

SECTION 2.3. G.S. 160A-215(g) reads as rewritten:

"(g) This section applies only to Beech Mountain District W, to the Cities of Gastonia, Goldsboro, Greensboro, High Point, Kings Mountain, Lexington, Lincolnton, Lumberton, Monroe, Mount Airy, Roanoke Rapids, Shelby, Statesville, Washington, and Wilmington, to the Towns of Beech Mountain, Blowing Rock, Carolina Beach, Carrboro, Franklin, Kure Beach, Jonesville, Mooresville, North Topsail Beach, Selma, Smithfield, St. Pauls, Wilkesboro, and Wrightsville Beach, and to the municipalities in Avery and Brunswick Counties."

PART III. EFFECTIVE DATE

SECTION 3. This act is effective when it becomes law. Halifax County must ensure that the membership of the Tourism Development Authority is in compliance with the requirements of this act on or before January 1, 2006.

GENERAL ASSEMBLY OF NORTH CAROLINA

SESSION 2005

HOUSE BILL 540

Short Title:	Halifax Occupancy Tax.	(Local)
Sponsors:	Representative L. Allen.	
Referred to:	Finance.	

March 9, 2005

A BILL TO BE ENTITLED

AN ACT TO AMEND THE HALIFAX COUNTY OCCUPANCY AND TOURISM DEVELOPMENT TAX.

The General Assembly of North Carolina enacts:

SECTION 1. Chapter 377 of the 1987 Session Laws reads as rewritten:

"Section 1. Occupancy tax. (a) Authorization and scope. – The Halifax County Board of Commissioners may ~~by resolution, after not less than 10 days' public notice and after a public hearing held pursuant thereto,~~ levy a room occupancy tax of three percent (3%) of the gross receipts derived from the rental of any room, lodging, or similar accommodation furnished by a hotel, motel, inn, or similar place within the county that is subject to sales tax imposed by the State under G.S ~~105-164.4(3).~~105-164.4(a)(3). This tax is in addition to any State or local sales tax. This tax does not apply to accommodations furnished by nonprofit charitable, educational, or religious organizations.

(b) Authorization of additional tax. – In addition to the tax authorized by subsection (a) of this section, the Halifax County Board of Commissioners may levy an additional room occupancy tax of up to three percent (3%) of the gross receipts derived from the rental of accommodations taxable under subsection (a) of this section. The levy, collection, administration, and repeal of the tax authorized by this subsection must be in accordance with the provisions of this section. Halifax County may not levy a tax under this subsection unless it also levies the tax authorized under subsection (a) of this section.

(c) Administration. – A tax levied under this section must be levied, administered, collected, and repealed as provided in G.S. 153A-155. The penalties provided in G.S. 153A-155 apply to a tax levied under this section.

~~(b) Collection. Every operator of a business subject to the tax levied under this act shall, on and after the effective date of the levy of the tax, collect the tax. This tax shall be collected as part of the charge for furnishing a taxable accommodation. The tax shall be stated and charged separately from the sales records, and shall be paid by the~~

~~purchaser to the operator of the business as trustee for and on account of the county. The tax shall be added to the sales price and shall be passed on to the purchaser instead of being borne by the operator of the business. The county shall design, print, and furnish to all appropriate businesses and persons in the county the necessary forms for filing returns and instructions to ensure the full collection of the tax. An operator of a business who collects the occupancy tax levied under this act may deduct from the amount remitted to the county a discount of three percent (3%) of the amount collected.~~

~~(c) Administration. The county shall administer a tax levied under this act. A tax levied under this act is due and payable to the county finance officer in monthly installments on or before the 15th day of the month following the month in which the tax accrues. Every person, firm, corporation, or association liable for the tax shall, on or before the 15th day of each month, prepare and render a return on a form prescribed by the county. The return shall state the total gross receipts derived in the preceding month from rentals upon which the tax is levied.~~

~~A return filed with the county finance officer under this act is not a public record as defined by G.S. 132-1 and may not be disclosed except as required by law.~~

~~(d) Penalties. A person, firm, corporation, or association who fails or refuses to file the return required by this act shall pay a penalty of ten dollars ($10.00) for each day's omission. In case of failure or refusal to file the return or pay the tax for a period of 30 days after the time required for filing the return or for paying the tax, there shall be an additional tax, as a penalty, of five percent (5%) of the tax due for each additional month or fraction thereof until the tax is paid.~~

~~Any person who willfully attempts in any manner to evade a tax imposed under this act or who willfully fails to pay the tax or make and file a return shall, in addition to all other penalties provided by law, be guilty of a misdemeanor and shall be punishable by a fine not to exceed one thousand dollars ($1,000), imprisonment not to exceed six months, or both. The Board of Commissioners may, for good cause shown, compromise or forgive the penalties imposed by this subsection.~~

~~(e)~~(d) Distribution and use of tax revenue. – Halifax County ~~shall~~must, on a quarterly basis, remit the net proceeds of the occupancy tax to the Halifax Tourism Development Authority. The Authority ~~may spend funds remitted to it under this subsection only to promote travel and tourism in Halifax County, to sponsor tourist-oriented events and activities in Halifax County, and to finance tourist-related capital projects in Halifax County. As used in this subsection, "net proceeds" means gross proceeds less the cost to the county of administering and collecting the tax, as determined by the finance officer.~~must use at least two-thirds of the funds remitted to it under this subsection to promote travel and tourism in Halifax County and must use the remainder for tourism-related expenditures.

The following definitions apply to this subsection:

(1) Net proceeds. – Gross proceeds less the cost to the county of administering and collecting the tax, as determined by the finance officer, not to exceed three percent (3%) of the first five hundred thousand dollars ($500,000) of the gross proceeds collected each year

and one percent (1%) of the remaining gross receipts collected each year.

(2) Promote travel and tourism. – To advertise or market an area or activity, publish and distribute pamphlets and other materials, conduct market research, or engage in similar promotional activities that attract tourists or business travelers to the area; the term includes administrative expenses incurred in engaging in the listed activities.

(3) Tourism-related expenditures. – Expenditures that, in the judgment of the Tourism Development Authority, are designed to increase the use of lodging facilities, meeting facilities, or convention facilities in the county by attracting tourists or business travelers to the county. The term includes tourism-related capital expenditures.

~~(f) Effective date of levy. A tax levied under this act shall become effective on the date specified in the resolution levying the tax. That date must be the first day of a calendar month, however, and may not be earlier than the first day of the second month after the date the resolution is adopted.~~

~~(g) Repeal. A tax levied under this act may be repealed by a resolution adopted by the Halifax County Board of Commissioners. Repeal of a tax levied under this act does not affect a liability for a tax that was attached before the effective date of the repeal, nor does it affect a right to a refund of a tax that accrued before the effective date of the repeal.~~

Sec. 2. Tourism Development Authority. (a) Appointment and membership. – When the Board of Commissioners adopts a resolution levying a room occupancy tax under this act, it ~~shall~~must also adopt a resolution creating a county Tourism Development Authority, which shall be a public authority under the Local Government Budget and Fiscal Control Act. The resolution ~~shall~~must provide for the membership of the Authority including the members' qualifications and terms of office, and for the filling of vacancies on the Authority. At least one-fifth of the members must be individuals who are affiliated with businesses that collect the tax in the county, and at least three-fourths of the members must be individuals who are currently active in the promotion of travel and tourism in the county. The ~~Board of Commissioners~~Authority ~~shall~~must designate one member ~~of the Authority~~ as ~~chair and shall determine the compensation, if any, to be paid to members of the Authority.~~chair and one member as treasurer.

The Authority ~~shall~~must meet at the call of the chair and ~~shall~~must adopt rules of procedure to govern its meetings. ~~The Finance Officer for Halifax County shall be the ex officio finance officer of the Authority.~~

(b) Duties. – The Authority must expend the net proceeds of the tax levied under this act for the purposes provided in Section 1 of this act. The Authority ~~shall~~must promote travel, tourism, and conventions in the county, sponsor tourist-related events and activities in the county, and finance tourist-related capital projects in the county.

(c) Reports. – The Authority ~~shall~~must report ~~quarterly and~~ at the close of the fiscal year to the Board of County Commissioners on its receipts and expenditures ~~for the preceding quarter and~~ for the year in such detail as the Board may require.

Sec. 3. This act is effective upon ratification."

SECTION 2. G.S. 153A-155(g) reads as rewritten:

"(g) This section applies only to Alleghany, Anson, Brunswick, Buncombe, Cabarrus, Camden, Carteret, Craven, Cumberland, Currituck, Dare, Davie, Durham, Granville, Halifax, Madison, Montgomery, Nash, New Hanover, Pender, Person, Randolph, Richmond, Rowan, Scotland, Stanly, Transylvania, Tyrrell, Vance, and Washington Counties, and to the Township of Averasboro in Harnett County."

SECTION 3. This act is effective when it becomes law. Halifax County must ensure that the membership of the Tourism Development Authority is in compliance with the requirements of this act on or before January 1, 2006.

HOUSE BILL 540:
Halifax and Roanoke Rapids Occupancy Taxes

BILL ANALYSIS

Committee:	House Finance	**Introduced by:**	Rep. L. Allen
Date:	April 5, 2005	**Summary by:**	Cindy Avrette
Version:	PCS for 1st Edition		Committee Counsel
	H540-PCS60293-MB-3		

SUMMARY: ***The proposed committee substitute for House Bill 540 authorizes an additional 2% occupancy tax for Halifax County, generally its provisions to the guidelines adhered to by the House Finance Committee, and authorizes a 1% occupancy tax for the City of Roanoke Rapids. The House Finance Subcommittee on Occupancy Taxes reviewed this bill at its meeting on March 31 and gave a favorable recommendation to this PCS.***

CURRENT LAW: Halifax County has had the authority to levy a 3% occupancy tax since 1987. The proceeds of the tax are remitted to the Halifax Tourism Development Authority and used by the Authority to promote travel and tourism in Halifax County.

BILL ANALYSIS: The PCS for House Bill 540 does the following:

- It authorizes an additional 2% occupancy tax for Halifax County.
- It modernizes the language of the County's current authority and conforms it to the guidelines adhered to by the House Finance Committee. It clarifies how the tax proceeds may be used and defines the terms 'net proceeds', 'promote travel and tourism', and 'tourism-related expenditures'. It also specifies the membership of the TDA to reflect its current composition: 1/5 of the members[1] must be affiliated with businesses that collect the tax and at least ¾ of the members must be individuals who are currently active in the promotion of travel and tourism in the county.
- It authorizes the City of Roanoke Rapids to levy a 1% occupancy tax. Two-thirds of the proceeds must be used to promote travel and tourism in the City and the remainder must be used for tourism-related expenditures. Rather than create a TDA for the City of Roanoke Rapids, the bill directs the net proceeds to be remitted to the Halifax County TDA. The Halifax County TDA must hold the funds from the 1% tax in a separate account and administer them separately from the proceeds of the county tax. The funds must be used to promote travel and tourism in the city and for tourism-related expenditures.

BACKGROUND: Since 1983, the General Assembly has authorized many units of local government to levy a room occupancy tax. In several instances, the General Assembly has authorized both a county and a city within that county to impose an occupancy tax. The rate of tax, the use of the tax proceeds, the administration of the tax, and the body with the authority to determine how the tax proceeds will be spent vary considerably. Over the past several years, there has been a greater effort to make the occupancy taxes uniform. In 1997, the General Assembly enacted uniform municipal and county administrative provisions for

[1] The guidelines specify that 1/3 of the members must be affiliated with businesses that collect the tax. However, the 1/5 requirement in the bill reflects the local realities of the county's TDA.

occupancy tax legislation – G.S. 153A-155 and G.S. 160A-215. These provisions provide uniformity in the areas of levy, administration, collection, repeal, and penalties.

The North Carolina Travel and Tourism Coalition has a policy statement for legislation authorizing local occupancy taxes. Many of the principles contained in its statement are similar to the ones established by a House Finance subcommittee on Occupancy Taxes in 1993. The chart below details those provisions:

UNIFORM OCCUPANCY TAX PROVISIONS
Rate – The county tax rate cannot exceed 6% and the city tax rate, when combined with the county rate, cannot exceed 6%.
Use – Two-thirds of the proceeds must be used to promote travel and tourism and the remainder must be used for tourism related expenditures.
Definitions The term "net proceeds", "promote travel and tourism", and "tourism related expenditures" are defined terms.
Administration – The net revenues must be administered by a local tourism development authority that has the authority to determine how the tax proceeds will be used, is created by a local ordinance, and at least ¾ of the members must be currently active in the promotion of travel and tourism in the county and 1/3 of the members must be affiliated with organizations that collect the tax.
Costs of Collection – The taxing authority may retain from the revenues its actual costs of collection, not to exceed 3% of the first $500,000 collected each year plus 1% of the remainder collected each year.

REVENUES:					
General Fund	*No General Fund Impact*				
Halifax County	$198,072	$204,014	$210,135	$216,439	$222,932

PRINCIPAL DEPARTMENT(S) & PROGRAM(S) AFFECTED: Halifax County and the City of Roanoke Rapids

EFFECTIVE DATE: Becomes effective when law.

BILL SUMMARY:
This bill allows Halifax County to increase its occupancy tax rate from 3% to 5% and allows the City of Roanoke Rapids to levy a 1% occupancy tax. The bill also makes changes to the distribution of occupancy taxes to require that the Halifax Tourism Development Authority use at least two-thirds of the proceeds to promote travel and tourism in the county and to use the remainder for tourism-related expenditures. The bill requires that at least one-fifth of members of

the Authority be affiliated with businesses that collect Halifax County occupancy taxes and at least three-fourths of members be active in travel and tourism promotion activities. The bill also makes technical and conforming changes and requires that the Authority membership be in compliance with the act by January 1, 2006.

ASSUMPTIONS AND METHODOLOGY:
In 2003-2004, the 3% room tax in Halifax County raised $279,343.

This bill increases the rate for Halifax County from 3% to 5%. Historically, Halifax County's collections have been as follows:

Year	Amount	Each 1%
2000-01	27,478	9,159
2001-02	262,558	87,519
2002-03	258,338	86,113
2003-04	279,343	93,114

Extending this trend suggests the following increase in occupancy tax revenue to Halifax County as a result of the bill:

Year	Amount	Each 1%
2005-06	198,072	99,036
2006-07	119,747	102,007
2007-08	123,339	105,067
2008-09	127,040	108,219
2009-10	130,851	111,466

To estimate the revenue generated by the Roanoke Rapids portion of the bill, the total collections for Halifax County was prorated by the percentage of lodging accommodations in Halifax County that are located in Roanoke Rapids. Finally, the revenue estimate for Roanoke Rapids is adjusted to reflect a 1% rate.

HOUSE BILL 544

Short Title:	Madison County Occupancy Tax.	(Local)
Sponsors:	Representative Rapp.	
Referred to:	Finance.	

March 9, 2005

A BILL TO BE ENTITLED

AN ACT TO AMEND THE MADISON COUNTY OCCUPANCY AND TOURISM DEVELOPMENT TAX.

The General Assembly of North Carolina enacts:

SECTION 1. Section 1 of Chapter 102 of the 1997 Session Laws reads as rewritten:

"Section 1. ~~Occupancy tax. (a) Referendum. The Madison County Board of Commissioners may direct the county board of elections to conduct an advisory referendum on the question of whether a room occupancy tax of up to three percent (3%) will be levied in accordance with this act. The election shall be held on a date jointly agreed upon by the two boards and shall be held in accordance with the procedures of G.S. 163-287.~~

~~The form of the question to be presented on a ballot for a special election concerning the levy of the tax authorized by this act shall be:~~

~~[ ] FOR [ ] AGAINST~~

~~Tax on rental of lodging at hotels, motels, and similar businesses, at a maximum rate of three percent (3%), to be used to promote travel and tourism and for tourism-related expenditures.~~

(b) Authorization and scope. ~~If a majority of those voting in a referendum held pursuant to this act vote for the levy of the tax, the Madison County Board of Commissioners may by resolution levy a room occupancy tax as provided in this act. In addition, if the county has not held a referendum, or if five years have passed since the tax was defeated at a referendum, the~~The Madison County Board of Commissioners may ~~by resolution, after not less than 10 days' public notice and after a public hearing held pursuant thereto,~~ levy a room occupancy tax ~~as provided in this act. The tax authorized by this act may be levied at a rate~~ of up to three percent (3%) ~~and shall apply to~~of the gross receipts derived from the rental of any room, lodging, or accommodation furnished by a hotel, motel, inn, tourist camp, or similar place within the county that is subject to sales tax imposed by the State under G.S. 105-164.4(a)(3). This tax is in

addition to any State or local sales tax. This tax does not apply to accommodations furnished by nonprofit charitable, educational, or religious organizations or to a business that offers to rent fewer than five units.

(b1) In addition to the tax authorized by subsection (b) of this section, the Madison County Board of Commissioners may levy an additional room occupancy tax of up to two percent (2%) of the gross receipts derived from the rental of accommodations taxable under subsection (b) of this section. The levy, collection, administration, and repeal of the tax authorized by this subsection must be in accordance with the provisions of this section. Madison County may not levy a tax under this subsection unless it also levies the tax authorized under subsection (b) of this section.

(c) Administration. ~~Except as otherwise provided in this section, a~~A tax levied under this section shall be levied, administered, collected, and repealed as provided in G.S. 153A-155. The penalties provided in G.S. 153A-155 apply to a tax levied under this section.

(d) Distribution and use of tax revenue. Madison County shall, on a quarterly basis, remit the net proceeds of the occupancy tax to the Madison County Tourism Development Authority. The Authority shall use at least two-thirds of the funds remitted to it under this subsection to promote travel and tourism in Madison County and shall use the remainder for tourism-related expenditures. ~~The administrative expenses of the Authority may not exceed fifteen percent (15%) of the funds remitted to it under this subsection.~~

The following definitions apply in this subsection:

(1) Net proceeds. – Gross proceeds less the cost to the county of administering and collecting the tax, as determined by the finance officer, not to exceed ~~five percent 5% of the gross proceeds.~~ three percent (3%) of the first five hundred thousand dollars ($500,000) of the gross proceeds collected each year and one percent (1%) of the remaining gross receipts collected each year.

(2) Promote travel and tourism. – To advertise or market an area or activity, publish and distribute pamphlets and other materials, conduct market research, or engage in similar promotional activities that attract tourists or business travelers to the area; the term includes administrative expenses incurred in engaging in the listed activities.

(3) Tourism-related expenditures. – Expenditures that are designed to increase the use of lodging facilities in a county or to attract tourists or business travelers to the county. The term includes expenditures to construct, maintain, operate, or market a convention or meeting facility, a visitors' center, or a coliseum and other expenditures that, in the judgment of the Authority, will facilitate and promote tourism."

SECTION 2. This act is effective when it becomes law.

HOUSE BILL 544:
Madison County Occupancy Tax

BILL ANALYSIS

Committee:	House Finance	**Introduced by:**	Rep. Rapp
Date:	April 5, 2005	**Summary by:**	Cindy Avrette
Version:	1st Edition		Committee Counsel

SUMMARY: ***House Bill 544 authorizes an additional 2% occupancy tax for Madison County. It also deletes obsolete language, modernizes and conforms the administrative provisions, and conforms the administrative costs that may be deducted from the gross proceeds of the tax to the guidelines supported by the North Carolina Travel and Tourism Coalition and adhered to by the House Finance Committee. Although the current authority provides for a Tourism Development Authority, its membership does not necessarily include representatives from the hotel/motel industry. The House Finance Subcommittee on Occupancy Taxes reviewed this bill at its meeting on March 31 and gave it a favorable recommendation.***

CURRENT LAW: Madison County has had the authority to levy a 3% occupancy tax since 1997. The net proceeds of the tax are remitted quarterly to the Madison County Tourism Development Authority. The Authority must use at least 2/3 of the funds remitted to it to promote travel and tourism in Madison County and the remainder for tourism-related expenditures. The TDA is composed as follows:

(1) The mayors of the Towns of Hot Springs, Mars Hill, and Marshall, to serve ex officio. Each mayor may designate another resident of the mayor's town to serve in his or her place.
(2) Three residents of Madison County, one each recommended by the mayors of the Towns of Hot Springs, Mars Hill, and Marshall, respectively.
(3) Two residents of Madison County selected by the Madison County Board of Commissioners.
(4) The Chair of the Madison County Chamber of Commerce or an individual recommended by the Chair of the Madison County Chamber of Commerce.
(5) Two residents of Madison County recommended by the Madison County Chamber of Commerce.

BACKGROUND: Since 1983, the General Assembly has authorized many units of local government to levy a room occupancy tax. In several instances, the General Assembly has authorized both a county and a city within that county to impose an occupancy tax. The rate of tax, the use of the tax proceeds, the administration of the tax, and the body with the authority to determine how the tax proceeds will be spent vary considerably. Over the past several years, there has been a greater effort to make the occupancy taxes uniform. In 1997, the General Assembly enacted uniform municipal and county administrative provisions for occupancy tax legislation – G.S. 153A-155 and G.S. 160A-215. These provisions provide uniformity in the areas of levy, administration, collection, repeal, and penalties.

The North Carolina Travel and Tourism Coalition has a policy statement for legislation authorizing local occupancy taxes. Many of the principles contained in its statement are similar to the ones established by a House Finance subcommittee on Occupancy Taxes in 1993.

BILL ANALYSIS: House Bill 544 authorizes Madison County to levy an additional 2% occupancy tax. It also deletes obsolete language, modernizes and conforms administrative provisions, and conforms the amount of the gross proceeds that may be used for administrative costs to the uniform guidelines referenced above and detailed in the chart below. Although the current law provides for a Tourism Development Authority, its membership differs from the uniform guidelines. The legislation does not amend the membership requirements to conform to the guidelines.

UNIFORM OCCUPANCY TAX PROVISIONS
Rate – The county tax rate cannot exceed 6% and the city tax rate, when combined with the county rate, cannot exceed 6%.
Use – Two-thirds of the proceeds must be used to promote travel and tourism and the remainder must be used for tourism related expenditures.
Definitions The term "net proceeds", "promote travel and tourism", and "tourism related expenditures" are defined terms.
Administration – The net revenues must be administered by a local tourism development authority that has the authority to determine how the tax proceeds will be used, is created by a local ordinance, and at least ¾ of the members must be currently active in the promotion of travel and tourism in the county and 1/3 of the members must be affiliated with organizations that collect the tax.
Costs of Collection – The taxing authority may retain from the revenues its actual costs of collection, not to exceed 3% of the first $500,000 collected each year plus 1% of the remainder collected each year.

PRINCIPAL DEPARTMENT(S) & PROGRAM(S) AFFECTED: Madison County

EFFECTIVE DATE: Becomes effective when law.

BILL SUMMARY:
This bill increases the Madison County Occupancy tax rate from 3% to 5%. The existing local act authorizes Madison County to levy a 3% occupancy tax either after approval by the voters or without asking for voter approval. This act deletes the county's authority to submit the question to the voters. The proceeds of the occupancy tax are distributed to the Madison County Tourism Development Authority. The Authority must use at least 2/3 of the funds remitted to it to promote travel and tourism in Madison County and the remainder for tourism-related expenditures.

ASSUMPTIONS AND METHODOLOGY:
In 2003-2004, the 3% room tax in Madison County raised $45,588. This bill increases the rate to 5%.

Historically, Madison County's collections have been as follows:

Year	Amount	Each 1%
1999-00	39,394	13,131
2000-01	42,735	14,245
2001-02	43,042	14,347
2002-03	39,350	13,117
2003-04	45,588	15,196

Extending this trend suggests the following increase in total occupancy tax revenue as a result of a 2% increase in the rate:

Year	Amount	Each 1%
2005-06	32,871	16,436
2006-07	34,186	17,093
2007-08	35,554	17,777

A BILL TO BE ENTITLED

AN ACT TO AUTHORIZE DUPLIN COUNTY TO LEVY AN ADDITIONAL ROOM OCCUPANCY AND TOURISM DEVELOPMENT TAX.

The General Assembly of North Carolina enacts:

SECTION 1. Chapter 377 of the 1987 Session Laws reads as rewritten:

"**Section 1.** Occupancy tax. (a) Authorization and scope. The Duplin County Board of Commissioners may ~~by resolution, after not less than 10 days' public notice and after a public hearing held pursuant thereto,~~ levy a room occupancy tax of up to three percent (3%) of the gross receipts derived from the rental of any room, lodging, or similar accommodation furnished by a hotel, motel, inn, or similar place within the county that is subject to sales tax imposed by the State under G.S. ~~105-164.4(3).~~105-164.4(a)(3). This tax is in addition to any State or local sales tax. This tax does not apply to accommodations furnished by nonprofit charitable, educational, or religious organizations.

(a1) Authorization of additional tax. In addition to the tax authorized by subsection (a) of this section, the Duplin County Board of Commissioners may levy an additional room occupancy tax of up to three percent (3%) of the gross receipts derived from the rental of accommodations taxable under subsection (a) of this section. The levy, collection, administration, and repeal of the tax authorized by this subsection must be in accordance with the provisions of this section. Duplin County may not levy a tax under this subsection unless it also levies the tax authorized under subsection (a) of this section.

(a2) Administration. A tax levied under this section must be levied, administered, collected, and repealed as provided in G.S. 153A-155. The penalties provided in G.S. 153A-155 apply to a tax levied under this section.

~~(b) Collection. Every operator of a business subject to the tax levied under this section shall, on and after the effective date of the levy of the tax, collect the tax. This tax shall be collected as part of the charge for furnishing a taxable accommodation. The~~

~~tax shall be stated and charged separately from the sales records, and shall be paid by the purchaser to the operator of the business as trustee for and on account of the county. The tax shall be added to the sales price and shall be passed on to the purchaser instead of being borne by the operator of the business. The county shall design, print, and furnish to all appropriate businesses and persons in the county the necessary forms for filing returns and instructions to ensure the full collection of the tax.~~

~~(c) Administration. The county shall administer a tax levied under this section. A tax levied under this section is due and payable to the county finance officer in monthly installments on or before the 15th day of the month following the month in which the tax accrues. Every person, firm, corporation, or association liable for the tax shall, on or before the 15th day of each month, prepare and render a return on a form prescribed by the county. The return shall state the total gross receipts derived in the preceding month from rentals upon which the tax is levied.~~

~~A return filed with the county finance officer under this section is not a public record as defined by G.S. 132-1 and may not be disclosed except as required by law.~~

~~(d) Penalties. A person, firm, corporation, or association who fails or refuses to file the return required by this section shall pay a penalty of ten dollars ($10.00) for each day's omission. In case of failure or refusal to file the return or pay the tax for a period of thirty 30 days after the time required for filing the return or for paying the tax, there shall be an additional tax, as a penalty, of five percent (5%) of the tax due in addition to any other penalty, with an additional tax of five percent (5%) for each additional month or fraction thereof until the tax is paid.~~

~~Any person who willfully attempts in any manner to evade a tax imposed under this section or who willfully fails to pay the tax or make and file a return shall, in addition to all other penalties provided by law, be guilty of a misdemeanor and shall be punishable by a fine not to exceed one thousand dollars ($1,000), imprisonment not to exceed six months, or both. The board of commissioners may, for good cause shown, compromise or forgive the penalties imposed by this subsection.~~

(e) Distribution and ~~Use~~ use of tax revenue. Except as otherwise provided in this act, Duplin County ~~may~~ shall use the net proceeds of a tax levied under this section in accordance with this subsection. ~~only~~ It shall use at least two-thirds of the funds to promote travel and tourism in Duplin ~~County.~~County and shall use the remainder for tourism-related expenditures.

The following definitions apply in this subsection:

(1) Net proceeds. – Gross proceeds less the cost to the county of administering and collecting the tax, as determined by the finance officer, not to exceed three percent (3%) of the first five hundred thousand dollars ($500,000) of the gross proceeds collected each year and one percent (1%) of the remaining gross receipts collected each year.

(2) Promote travel and tourism. – To advertise or market an area or activity, publish and distribute pamphlets and other materials, conduct market research, or engage in similar promotional activities that attract

tourists or business travelers to the area; the term includes administrative expenses incurred in engaging in the listed activities.

(3) Tourism-related expenditures. – Expenditures that, in the judgment of the Board of Commissioners, are designed to increase the use of lodging facilities, meeting facilities, or convention facilities in the county by attracting tourists or business travelers to the county. The term includes tourism-related capital expenditures.

~~(f) Effective date of levy. A tax levied under this section shall become effective on the date specified in the resolution levying the tax. That date must be the first day of a calendar month, however, and may not be earlier than the first day of the second month after the date the resolution is adopted.~~

~~(g) Repeal. A tax levied under this section may be repealed by a resolution adopted by the Duplin County Board of Commissioners. Repeal of a tax levied under this section shall become effective on the first day of a month and may not become effective until the end of the fiscal year in which the repeal resolution was adopted. Repeal of a tax levied under this section does not affect a liability for a tax that was attached before the effective date of the repeal, nor does it affect a right to a refund of a tax that accrued before the effective date of the repeal.~~

"**Section 1.1.** Duplin County Tourism Development Authority. (a) Appointment and Membership. When the annual net proceeds of the occupancy tax exceed two hundred thousand dollars ($200,000), the Duplin County Board of Commissioners shall adopt a resolution creating a county Tourism Development Authority, which shall be a public authority under the Local Government Budget and Fiscal Control Act. The resolution shall provide for the membership of the Authority, including the members' terms of office, and for the filing of vacancies on the Authority. At least one-third of the members must be individuals who are affiliated with businesses that collect the tax in the county, and at least three-fourths of the members must be individuals who are currently active in the promotion of travel and tourism in the county. The board of commissioners shall designate one member of the Authority as chair and shall determine the compensation, if any, to be paid to the members of the Authority.

The Authority shall meet at the call of the chair and shall adopt rules of procedure to govern its meetings. The Finance Officer for Duplin County shall be the ex officio finance officer of the Authority.

"**Section 1.2.** Duties. If the board of commissioners establishes a Tourism Development Authority as provided in Section 1.1 of this act, then Duplin County shall, on a quarterly basis, remit the net proceeds of the tax to the Tourism Development Authority. The Authority shall expend the net proceeds of the tax levied under this act for the purposes provided in Section 1 of this act.

"**Section 1.3.** Reports. If the board of commissioners establishes a Tourism Development Authority as provided in Section 1.1 of this act, then the Authority shall report quarterly and at the close of the fiscal year to the Duplin County Board of Commissioners on its receipts and expenditures for the preceding quarter and for the year in such detail as the board may require."

SECTION 2. G.S. 153A-155(g) reads as rewritten:

"**§ 153A-155. Uniform provisions for room occupancy taxes.**

(g) This section applies only to Alleghany, Anson, Brunswick, Buncombe, Cabarrus, Camden, Carteret, Craven, Cumberland, Currituck, Dare, Davie, Duplin, Durham, Granville, Madison, Montgomery, Nash, New Hanover, Pender, Person, Randolph, Richmond, Rowan, Scotland, Stanly, Transylvania, Tyrrell, Vance, and Washington Counties, and to the Township of Averasboro in Harnett County."

SECTION 3. This act is effective when it becomes law.

A BILL TO BE ENTITLED

AN ACT TO AUTHORIZE DUPLIN COUNTY TO LEVY AN ADDITIONAL ROOM OCCUPANCY AND TOURISM DEVELOPMENT TAX.

The General Assembly of North Carolina enacts:

SECTION 1. Chapter 377 of the 1987 Session Laws reads as rewritten:

"Section 1. Occupancy tax. (a) Authorization and scope. The Duplin County Board of Commissioners may ~~by resolution, after not less than 10 days' public notice and after a public hearing held pursuant thereto,~~ levy a room occupancy tax of up to three percent (3%) of the gross receipts derived from the rental of any room, lodging, or similar accommodation furnished by a hotel, motel, inn, or similar place within the county that is subject to sales tax imposed by the State under G.S. ~~105-164.4(3).~~105-164.4(a)(3). This tax is in addition to any State or local sales tax. This tax does not apply to accommodations furnished by nonprofit charitable, educational, or religious organizations.

(a1) Authorization of additional tax. In addition to the tax authorized by subsection (a) of this section, the Duplin County Board of Commissioners may levy an additional room occupancy tax of up to three percent (3%) of the gross receipts derived from the rental of accommodations taxable under subsection (a) of this section. The levy, collection, administration, and repeal of the tax authorized by this subsection must be in accordance with the provisions of this section. Duplin County may not levy a tax under this subsection unless it also levies the tax authorized under subsection (a) of this section.

(a2) Administration. A tax levied under this section must be levied, administered, collected, and repealed as provided in G.S. 153A-155. The penalties provided in G.S. 153A-155 apply to a tax levied under this section.

~~(b) Collection. Every operator of a business subject to the tax levied under this section shall, on and after the effective date of the levy of the tax, collect the tax. This tax shall be collected as part of the charge for furnishing a taxable accommodation. The tax shall be stated and charged separately from the sales records, and shall be paid by~~

~~the purchaser to the operator of the business as trustee for and on account of the county. The tax shall be added to the sales price and shall be passed on to the purchaser instead of being borne by the operator of the business. The county shall design, print, and furnish to all appropriate businesses and persons in the county the necessary forms for filing returns and instructions to ensure the full collection of the tax.~~

~~(c) Administration. The county shall administer a tax levied under this section. A tax levied under this section is due and payable to the county finance officer in monthly installments on or before the 15th day of the month following the month in which the tax accrues. Every person, firm, corporation, or association liable for the tax shall, on or before the 15th day of each month, prepare and render a return on a form prescribed by the county. The return shall state the total gross receipts derived in the preceding month from rentals upon which the tax is levied.~~

~~A return filed with the county finance officer under this section is not a public record as defined by G.S. 132-1 and may not be disclosed except as required by law.~~

~~(d) Penalties. A person, firm, corporation, or association who fails or refuses to file the return required by this section shall pay a penalty of ten dollars ($10.00) for each day's omission. In case of failure or refusal to file the return or pay the tax for a period of thirty 30 days after the time required for filing the return or for paying the tax, there shall be an additional tax, as a penalty, of five percent (5%) of the tax due in addition to any other penalty, with an additional tax of five percent (5%) for each additional month or fraction thereof until the tax is paid.~~

~~Any person who willfully attempts in any manner to evade a tax imposed under this section or who willfully fails to pay the tax or make and file a return shall, in addition to all other penalties provided by law, be guilty of a misdemeanor and shall be punishable by a fine not to exceed one thousand dollars ($1,000), imprisonment not to exceed six months, or both. The board of commissioners may, for good cause shown, compromise or forgive the penalties imposed by this subsection.~~

(e) Use of tax revenue. Duplin County may use the proceeds of a tax levied under this section only to promote travel and tourism in Duplin County.

~~(f) Effective date of levy. A tax levied under this section shall become effective on the date specified in the resolution levying the tax. That date must be the first day of a calendar month, however, and may not be earlier than the first day of the second month after the date the resolution is adopted.~~

~~(g) Repeal. A tax levied under this section may be repealed by a resolution adopted by the Duplin County Board of Commissioners. Repeal of a tax levied under this section shall become effective on the first day of a month and may not become effective until the end of the fiscal year in which the repeal resolution was adopted. Repeal of a tax levied under this section does not affect a liability for a tax that was attached before the effective date of the repeal, nor does it affect a right to a refund of a tax that accrued before the effective date of the repeal.~~"

SECTION 2. G.S. 153A-155(g) reads as rewritten:

"**§ 153A-155. Uniform provisions for room occupancy taxes.**

"(g) This section applies only to Alleghany, Anson, Brunswick, Buncombe, Cabarrus, Camden, Carteret, Craven, Cumberland, Currituck, Dare, Davie, Duplin,

Durham, Granville, Madison, Montgomery, Nash, New Hanover, Pender, Person, Randolph, Richmond, Rowan, Scotland, Stanly, Transylvania, Tyrrell, Vance, and Washington Counties, and to the Township of Averasboro in Harnett County."

SECTION 3. This act is effective when it becomes law.

HOUSE BILL 843:
Duplin Occupancy Tax

BILL ANALYSIS

Committee:	House Finance	**Introduced by:**	Rep. Tucker
Date:	April 5, 2005	**Summary by:**	Cindy Avrette
Version:	PCS for 1st Edition		Committee Counsel
	H843-PCS10201-RBx-2		

SUMMARY: ***The PCS for House Bill 843 would allow Duplin County to increase its occupancy tax rate from 3% to 6% and it would conform the administrative provisions and defined terms to the guidelines supported by the North Carolina Travel and Tourism Coalition and adhered to by the House Finance Committee. Duplin County's current authorization does not provide for a travel and tourism development authority to oversee the use of the tax proceeds; however, the PCS would provide that the county must create a TDA to oversee the use of the tax proceeds once the annual net proceeds of the tax exceed $200,000. The House Finance Subcommittee on Occupancy Taxes reviewed this bill at its meeting on March 31 and gave a favorable recommendation to this PCS.***

CURRENT LAW: Duplin County has had the authority to levy a 3% occupancy tax since 1987. The County may use the proceeds of the tax only to promote travel and tourism. The current authority does not establish a Tourism Development Authority and it does not define the terms 'travel and tourism', 'tourism-related expenditures', or 'net proceeds'.

BILL ANALYSIS: The PCS for House Bill 843 would do several things:

- It would authorize Duplin County to increase its occupancy tax rate from 3% to 6%.
- Under current law, the county can only use the proceeds from the occupancy tax proceeds to promote travel and tourism. Although the PCS does not substantively change this law, it would amend it to follow the guidelines by defining the term 'net proceeds' and providing that at least 2/3 of the net proceeds must be used to promote travel and tourism and the remainder for tourism-related expenditures.
- Under current law, the county determines the use of the tax proceeds. The original authorization did not create a tourism development authority to oversee the use of the tax proceeds. The PCS would provide that Duplin County must establish a TDA to oversee the use of the occupancy tax proceeds once the annual net proceeds exceed $200,000. The House Finance Committee adopted, and the General Assembly enacted, a similar provision for Alleghany County in 2004.
- The PCS also makes technical and conforming changes to the county's current authorization.

BACKGROUND: Since 1983, the General Assembly has authorized many units of local government to levy a room occupancy tax. In several instances, the General Assembly has authorized both a county and a city within that county to impose an occupancy tax. The rate of tax, the use of the tax proceeds, the administration of the tax, and the body with the authority to determine how the tax proceeds will be spent vary considerably. Over the past several years, there has been a greater effort to make the occupancy taxes uniform. In 1997, the General Assembly enacted uniform municipal and county administrative provisions for occupancy tax legislation – G.S. 153A-155 and G.S. 160A-215. These provisions provide uniformity in the areas of levy, administration, collection, repeal, and penalties.

The North Carolina Travel and Tourism Coalition has a policy statement for legislation authorizing local occupancy taxes. Many of the principles contained in its statement are similar to the ones established by a House Finance subcommittee on Occupancy Taxes in 1993 and detailed in the chart below:

UNIFORM OCCUPANCY TAX PROVISIONS
Rate – The county tax rate cannot exceed 6% and the city tax rate, when combined with the county rate, cannot exceed 6%.
Use – Two-thirds of the proceeds must be used to promote travel and tourism and the remainder must be used for tourism related expenditures.
Definitions The term "net proceeds", "promote travel and tourism", and "tourism related expenditures" are defined terms.
Administration – The net revenues must be administered by a local tourism development authority that has the authority to determine how the tax proceeds will be used, is created by a local ordinance, and at least ¾ of the members must be currently active in the promotion of travel and tourism in the county and 1/3 of the members must be affiliated with organizations that collect the tax.
Costs of Collection – The taxing authority may retain from the revenues its actual costs of collection, not to exceed 3% of the first $500,000 collected each year plus 1% of the remainder collected each year.

House Committee on Finance

Minutes

~

April 7, 2005

The House Committee on Finance met on Thursday, April 7, 2005 at 8:30 am in Room 544 of the Legislative Office Building. The following members were present: Chairpersons Alexander, Gibson, Howard, Luebke, and Wainwright; Vice-Chairs Daughtridge, Hill, Ross, Weiss, and Womble; and Representatives Blackwood, Bordsen, Capps, Carney, Faison, Folwell, Hackney, McGee, Rayfield, Vinson, Walend, and Wiley. Also present were Sergeant-at-Arms Bill Freeman, Fred Hines, Dusty Rhodes, and Walter Spell. Staff persons present included Cindy Avrette, Rodney Bizzell, Linda Millsaps, and Martha Walston. The Agenda and Visitor Registration Sheet are attached and incorporated into these minutes as **attachments 1 and 2.**

Chairman Wainwright called the meeting to order at 8:34 am and recognized the two (2) pages present: Drake Day of Person County, sponsored by Representative Wilkins, and Amalia Fetting of Johnston County, sponsored by Representative Dollar.

The first bill under the Committee's consideration was **HB 317 – WACO TOWN CENTER** (see **attachment 3**). Chairman Wainwright recognized Representative Clary who explained that this bill amends the charter of the Town of Waco to change the description of the town center to more accurately reflect its current position. She noted that the charter needs to be corrected because it currently includes a description of a bridge that has been removed and rebuilt elsewhere. Following the explanation, Chairman Wainwright then recognized Representative Howard who moved that HB 317 be given a favorable report by the Committee. Seeing no further discussion, Chairman Wainwright called the motion to a vote and it carried by consent.

Chairman Wainwright then recognized Representative Stam to explain **HB 393 – HOLLY SPRINGS EMINENT DOMAIN** (see **attachment 4**). Representative Stam explained that this bill authorizes the Town of Holly Springs to use condemnation procedures granted under authority of Chapter 136 of the General Statutes to acquire property for water, sewer, and public streets. Chairman Wainwright then recognized Representative Weiss who moved that the HB 393 be given a favorable report. Seeing no further discussion, Chairman Wainwright called the motion to a vote, and it carried without objection.

The next bill considered by the Committee was **HB 350 – HOLDEN BEACH CANAL DREDGING FEE** (see **attachment 5**). Chairman Wainwright first recognized Representative Hill who explained the bill on behalf of the bill sponsor, Representative Stiller. Representative Hill informed the Committee members that the bill allows the Town of Holden Beach to create a fee-supported canal dredging district for all properties next to a canal. Representative Luebke was then

recognized and moved that House Bill 350 be given a favorable report. Seeing no further discussion, Chairman Wainwright called the motion to a vote, and it carried by consent.

The following bill heard by the Committee was **SB 16 – TABOR CITY SATELLITE ANNEXATION** (see **attachment 6**). Chairman Wainwright again recognized Representative Hill who, on behalf of the bill sponsor Senator Soles, explained that the bill authorizes the Town of Tabor City to make a voluntary satellite annexation of approximately 108 acres. Following the explanation, Representative Womble was recognized and moved that Senate Bill 16 be given a favorable report by the Committee. Seeing no further discussion, Chairman Wainwright called the motion to a vote, and it carried without objection.

The final bill considered by the Committee was **HB 871 – EMERALED ISLE CANAL DREDGING FEE** (see **attachment 7**). Chairman Wainwright first recognized Representative Howard who sent forth a technical amendment (see **attachment 8**) to the bill that corrected a fault in the statutory reference of the bill. Representative Howard then moved for the adoption of her amendment. As there was no discussion, Chairman Wainwright called the motion to a vote and the amendment was adopted. Chairman Wainwright then recognized Representative Preston, the bill sponsor, to explain her bill. She stated that the bill allows the Town of Emerald Isle to create a fee-supported canal dredging district for all properties next to the canal. Following the explanation, Representative Blackwood was recognized and moved that HB 871 be given a favorable report, as amended. Chairman Wainwright then recognized Representative Luebke who asked why the language of the bill does not include the voluntary nature that exists in the bill summary. To answer the question, Chairman Wainwright recognized Representative Hill who responded saying that the bill is voluntary in nature because the bill was initially requested by the people. After a brief discussion, Chairman Wainwright called Representative Blackwood's motion for a favorable report (as amended) to a vote and it carried by consent.

As there was no further business before the Committee, Chairman Wainwright then adjourned the meeting at 8:50 am.

Respectfully submitted,

Representative William Wainwright

A BILL TO BE ENTITLED

AN ACT AMENDING THE CHARTER OF THE TOWN OF WACO TO CORRECTLY IDENTIFY THE CENTER OF TOWN.

The General Assembly of North Carolina enacts:

SECTION 1. Section 2 of the Charter of the Town of Waco, being Chapter 147 of the 1907 Private Laws, reads as rewritten:

"Sec. 2. ~~That the incorporate limits of said corporation of Waco shall remain hereafter as formerly defined and located, as follows: All that territory covered by and included in the circle having as its center the railroad bridge in the town of Waco, and made by a radius extending one half of a mile in length from said center; that is, all that territory within a radius of one half mile from the railroad bridge, the present center of the Town of Waco.~~The center of the Town of Waco is described as follows: Mag nail set in the centerline of the intersection of Cherryville Road (NC Hwy. 150) and Main Street (S.R. 1001). Grid coordinates: Y=595,434.5286; X=1,276,039.0584. Latitude=35°21'42.234723"; Longitude=81°25'42.607645"."

SECTION 2. This act is effective when it becomes law.

HOUSE BILL 317:
Waco Town Center

BILL ANALYSIS

Committee:	House Finance	**Introduced by:**	Rep. Clary
Date:	April 7, 2005	**Summary by:**	Trina Griffin
Version:	1st Edition		Committee Counsel

SUMMARY: House Bill 317 amends the charter of the Town of Waco to correctly identify the center of town. SB 170, an identical companion bill sponsored by Sen. Dalton, is also in House Finance.

BILL ANALYSIS: House Bill 317 amends the charter of the Town of Waco to correctly identify the center of town. The current description references a railroad bridge that no longer exists. Therefore, the revised description with survey coordinates more accurately reflects the location of the center of the town.

A BILL TO BE ENTITLED

AN ACT AUTHORIZING THE TOWN OF HOLLY SPRINGS TO USE THE PROCEDURE AND AUTHORITY OF CHAPTER 136 OF THE NORTH CAROLINA GENERAL STATUTES IN CONDEMNATION PROCEEDINGS CONCERNING WATER, SEWER, PUBLIC STREETS AND ROADS.

The General Assembly of North Carolina enacts:

SECTION 1. The Charter of the Town of Holly Springs, being S.L. 2003-73, is amended by adding a new section to read:

"Section 5.2. **Additional Eminent Domain Powers.** Notwithstanding the provisions of G.S. 40A-1, in the exercise of its authority of eminent domain for the acquisition of property interests (including, without limitation, fee simple title, rights-of-way, and easements) to be used for waterlines and treatment facilities and sewer lines and treatment facilities, and opening, widening, extending, or improving public streets and roads, the town may use the procedure and authority prescribed in Article 9 of Chapter 136 of the General Statutes of North Carolina, as now or hereafter amended; provided further, that whenever therein the words 'Secretary' or 'Secretary of Transportation' appear, they shall be deemed to include the 'Town Manager'; Manager', and whenever therein the word 'highway' appears, it is deemed to include 'public works' in accordance with this section, provided further that nothing herein shall be construed to enlarge the power of the town to condemn property already devoted to public use. Provided further, just compensation for the acquisition of fee simple title or a perpetual easement pursuant to this section to be used for street or road right-of-way shall be no less than (i) one dollar ($1.00) per square foot of real property taken, or (ii) the prorated ad valorem tax value of the parent tract, whichever is less. The powers granted by this section are in addition to and supplementary to those powers granted by any local or general law."

SECTION 2. This act is effective when it becomes law.

HOUSE BILL 393:
Holly Springs Eminent Domain

BILL ANALYSIS

Committee:	House Finance	**Introduced by:**	Rep. Stam
Date:	April 7, 2005	**Summary by:**	Cindy Avrette
Version:	1st Edition		Committee Counsel

SUMMARY: ***House Bill 393 authorizes the Town of Holly Springs to use the same condemnation procedures and authority for roads that the Department of Transportation uses in Chapter 136. The bill becomes effective when it becomes law.***

CURRENT LAW: Cities and towns may condemn property under Chapter 40A for water, sewer, roads, and streets. The Department of Transportation may acquire property under Article 9 of Chapter 136 for the construction and improvement of highways. Municipalities may also use the condemnation provisions in Article 9 of Chapter 136 for the acquisition of property related to the construction and improvement of roads and streets within their corporate boundaries that are part of the state-highway-system, but not for city streets. There are two primary differences between the acquisition authority granted by Chapter 40A and Article 9 of Chapter 136:

- Under Chapter 40A, a condemnor must give the owner of the property to be acquired 30 days notice of its intent to institute an action to condemn the property.[1] Under Article 9 of Chapter 136, the condemnor does not have to give this 30–day notice.
- Under Chapter 40A, the just compensation for the value of the property taken is generally its fair market value prior to the taking.[2] Under Chapter 136, the just compensation for the property taken is its fair market value, taking into consideration any benefits resulting from the utilization of the part taken for highway purposes.

BILL ANALYSIS: House Bill 393 provides that the Town of Holly Springs may use the procedure and authority of Article 9 of Chapter 136 for the acquisition of property for water, sewer, and public streets and roads. The bill also establishes a floor for determining just compensation by specifying that just compensation may be no less than $1.00 per square foot of real property taken or the prorated property tax value of the parent tract, whichever is less. Therefore, for the Town of Holly Springs, the determination of just compensation under Article 9 of Chapter 136 would be the fair market value of the property taking into consideration any benefit the property derives from the road improvement, but in no event may that value be less than $1.00 per square foot or the prorated property tax value of the parent tract, whichever is less. The General Assembly granted the same authority to the Town of Apex last biennium in S.L. 2003-88.

---

[1] For purposes of road construction and improvement, the title to the property and the right to immediate possession vests automatically with the city subject to the filing of the condemnation complaint and deposit of the estimated just compensation. Chapter 40A and Article 9 of Chapter 136 do not differ in this point.

[2] Under Chapter 40A, the measure of compensation is the greater of either (i) the amount by which the fair market value of the entire tract immediately before the taking exceeds the fair market value of the remainder immediately after the taking or (ii) the fair market value of the property taken. The value of the property does not include an increase or decrease in value that is caused by the proposed improvement or project for which the property is taken.

HOUSE BILL 350:
Holden Beach Canal Dredging Fee

BILL ANALYSIS

Committee:	House Finance	**Introduced by:**	Rep. Stiller
Date:	April 7, 2005	**Summary by:**	Cindy Avrette
Version:	2nd Edition		Committee Counsel

SUMMARY: House Bill 350 is a local bill that would allow the Town of Holden Beach to create a fee-supported canal dredging district for all properties that are contiguous to a canal. The fee may not exceed the cost of dredging and will be imposed on owners of each dwelling unit or parcel that could or does benefit from water access through the canal system.

BILL ANALYSIS: Last year, the General Assembly authorized the Town of Ocean Isle Beach to create a fee-supported canal dredging district for properties that are contiguous to a canal within the town limits (House Bill 1734; S.L. 2004-104). The legislation provided the following:

- The annual fee may not exceed the cost of providing for the dredging of canals, both natural and concrete.
- The fee would be imposed on owners of each dwelling unit or parcel of property that could or does benefit from water access through the canal system.
- The dredging fee may be included on the property tax bill and collected in the same manner as property taxes. The remedies for collection of taxes will also apply to the collection of these fees.
- The fees collected shall be placed in a separate fund to be used only to pay the bill for canal dredging.

This legislation was proposed to provide the means to remove the silt and sand that have flowed into the canals in the Town impeding the navigability of the canals. These canals provide water access from the Intracoastal Waterway to lots and rights-of-way within the Town limits.

House Bill 350 would authorize the Town of Holden Beach to create a fee-supported canal dredging district in the same manner and under the same conditions that have already been authorized for the Town of Ocean Isle Beach.

SENATE BILL 16:
Tabor City Satellite Annexation

BILL ANALYSIS

Committee:	House Finance	**Introduced by:**	Sen. Soles
Date:	April 7, 2005	**Summary by:**	Cindy Avrette
Version:	2nd Edition		Committee Counsel

SUMMARY: Senate Bill 16 authorizes the town of Tabor City to make voluntary satellite annexation of approximately 108 acres of property to the city limits.

CURRENT LAW: G.S. 160A-58.1 governs the voluntary annexation by a municipality of noncontiguous property. All property owners in the satellite area[1] may petition for voluntary annexation of the noncontiguous property if the property meets the following five standards in G.S. 160A-58.1(b):

1. The nearest point on the proposed satellite corporate limits must be not more than three miles from the primary corporate limits of the annexing city.
2. No point on the proposed satellite corporate limits may be closer to the primary corporate limits of another city than to the primary corporate limits of the annexing city.
3. The area must be so situated that the annexing city will be able to provide the same services within the proposed satellite corporate limits that it provides within its primary corporate limits.
4. If the area proposed for annexation, or any portion thereof, is a subdivision as defined in G.S. 160A-376, all of the subdivision must be included.
5. The area within the proposed satellite corporate limits, when added to the area within all other satellite corporate limits, may not exceed 10% of the area within the primary corporate limits of the annexing city.

If the property does not meet the statutory requirements for annexation, the municipality does not have the authority to annex the area. However, the General Assembly can extend the corporate limits of a municipality to encompass areas that the municipality would not statutorily have the authority to annex.

BILL ANALYSIS: Senate Bill 16 authorizes the town of Tabor City to make voluntary satellite annexation of certain property to the city limits. The property being annexed is the future site for a correctional facility. By adding the population of prisoners to the Town's overall population, Tabor City will derive enough funds to help pay for the land on which the prison will be situated.

Trina Griffin, counsel to the Senate Finance Committee, contributed substantially to this summary.

[1] G.S. 160A-58.4 provides that satellite corporate limits cannot be considered a part of a municipality's corporate limits for purposes of its ETJ. Therefore, satellite annexations have no effect upon a municipality's ETJ.

HOUSE BILL 871:
Emerald Isle Canal Dredging Fee

BILL ANALYSIS

Committee: House Finance
Date: April 7, 2005
Version: 1st Edition

Introduced by: Rep. Preston
Summary by: Cindy Avrette
Committee Counsel

SUMMARY: House Bill 871 is a local bill that would allow the Town of Emerald Isle to create a fee-supported canal dredging district for all properties that are contiguous to a canal. The fee may not exceed the cost of dredging and will be imposed on owners of each dwelling unit or parcel that could or does benefit from water access through the canal system.

BILL ANALYSIS: Last year, the General Assembly authorized the Town of Ocean Isle Beach to create a fee-supported canal dredging district for properties that are contiguous to a canal within the town limits (House Bill 1734; S.L. 2004-104). The legislation provided the following:

- The annual fee may not exceed the cost of providing for the dredging of canals, both natural and concrete.
- The fee would be imposed on owners of each dwelling unit or parcel of property that could or does benefit from water access through the canal system.
- The dredging fee may be included on the property tax bill and collected in the same manner as property taxes. The remedies for collection of taxes will also apply to the collection of these fees.
- The fees collected shall be placed in a separate fund to be used only to pay the bill for canal dredging.

This legislation was proposed to provide the means to remove the silt and sand that have flowed into the canals in the Town impeding the navigability of the canals. These canals provide water access from the Intracoastal Waterway to lots and rights-of-way within the Town limits.

House Bill 871 would authorize the Town of Emerald Isle to create a fee-supported canal dredging district in the same manner and under the same conditions that have already been authorized for the Town of Ocean Isle Beach. House Bill 350, introduced by Rep. Stiller, would extend this same authority to the Town of Holden Beach.

A BILL TO BE ENTITLED

AN ACT TO EXTEND TO SANITARY DISTRICTS AND METROPOLITAN SEWERAGE DISTRICTS THE SET-OFF DEBT COLLECTION PROCEDURES CURRENTLY AVAILABLE TO COUNTIES AND CITIES.

The General Assembly of North Carolina enacts:

SECTION 1. G.S. 105A-2(6) reads as rewritten:

"(6) Local agency. – Any of the following:

a. A county, to the extent it is not considered a State agency.

b. A municipality.

c. A water and sewer authority created under Article 1 of Chapter 162A of the General Statutes.

d. A regional joint agency created by interlocal agreement under Article 20 of Chapter 160A of the General Statutes between two or more counties, cities, or both.

e. A metropolitan sewerage district created under Article 5 of Chapter 162A of the General Statutes.

HOUSE BILL 272:
Sanitary District Set-Off Debt Collection

BILL ANALYSIS

Committee:	House Finance	**Sponsor:**	Rep. L Allen and Sherrill
Date:	April 7, 2005	**Analysis by:**	Martha Walston
Version:	2nd Edition		Committee Counsel

SUMMARY: House Bill 272 adds sanitary districts and metropolitan sewerage districts to the list of local agencies that may collect debts owed to them by obtaining a setoff against a debtor's North Carolina income tax refund. The act is effective January 1, 2006, and applies to income tax refunds determined on or after that date. The bill was given a favorable report in the House Ways and Means Committee.

CURRENT LAW: Under the Setoff Debt Collection Act, the North Carolina Department of Revenue diverts part or all of an individual's income tax refund to pay a debt the individual owed to a State or local agency. Thus, the debt the individual owes the agency is set off against the individual's income tax refund. The Act applies only to a debt that is at least $50 and to a refund that is at least $50. Debts collected through the Act are subject to both a $5 State collection assistance fee and a $15 local collection assistance fee. Counties and municipalities participate through a clearinghouse that submits debts on their behalf to the Department of Revenue. The clearinghouse was established pursuant to an interlocal agreement adopted under Article 20 of Chapter 160A of the General Statutes. Because there are so many local agencies, funneling their claims through a clearinghouse avoids placing an undue administrative burden on the Department of Revenue.

In 2003, the General Assembly added water and sewer authorities to the list of local agencies allowed to participate in setoff debt collection.

BILL ANALYSIS: House bill 272 allows sanitary districts and metropolitan sewerage districts to participate in the setoff program through the clearinghouse in the same manner as counties, cities, and water and sewer authorities. These districts will be authorized to submit their debts for collection by setoff only after providing the debtor with notice, an opportunity to be heard before the district board, and an appeal process under the Administrative Procedure Act.

Sanitary District

The Commission for Health Services may create sanitary districts for the purpose of preserving and promoting the public health and welfare. A sanitary district is incorporated if 51% of the freeholders[1] in the proposed district petition the county board of commissioners of the county in which all or the largest portion of the land of the proposed district is located. A sanitary district board has the authority to levy property taxes within the district and apply service charges and

[1] A freeholder is a person holding a deed to a tract of land within the district or who has entered into a contract to purchase a tract of land in the district, is making contractual payments, and will receive a deed upon completion of the contractual payments.

rates based on the benefits provided. Sanitary districts that maintain and operate a sewage system may bring suit for overdue sewer charges and disconnect the sewer lines. This remedy is not sufficient when the customer moves out of the district. The charges also become a lien on the property served and the property may be sold.[2]

Metropolitan Sewerage District

Any two or more political subdivisions in one or more counties, or any political subdivision and any unincorporated area within one or more counties, may petition for the creation of a metropolitan sewerage district by filing a resolution with the boards of county commissioners of the county or counties within which the proposed district will lie. A public hearing is then held where the Environmental Commission and board of county commissioners determine whether the creation of the metropolitan sewerage district would preserve and promote the public health and welfare of the area.[3] A sewerage district board has the authority to levy taxes on property within the district and impose charges for the services furnished. The district board may provide methods for collection of charges and measures for enforcement of collection, including penalties and the denial or discontinuance of service.

House Committee on Finance

Minutes

~

April 12, 2005

The House Committee on Finance met on Tuesday, April 12, 2005 at 8:30 am in Room 544 of the Legislative Office Building. The following members were present: Chairpersons Alexander, Gibson, Howard, Luebke, and Wainwright; Vice-Chairs Daughtridge, Hill, Ross, Weiss, and Womble; and Representatives Blust, Bordsen, Capps, Carney, Faison, Folwell, Glazier, Hackney, Holliman, Jones, Lewis, McGee, Rayfield, Underhill, Walend, and Wiley. Also present were Sergeant-at-Arms Bill Freeman, Fred Hines, Dusty Rhodes, and Walter Spell. Staff persons present included Cindy Avrette, Rodney Bizzell, Erika Churchill, Linda Millsaps, and Martha Walston. The Agenda and Visitor Registration Sheet are attached and incorporated into these minutes as **attachments 1 and 2**.

Chairman McComas called the meeting to order at 8:34 am and recognized the two (2) pages present: Kelsey McDaniel of Davie County, sponsored by Representative Howard, and Shelby Green of Guilford County, sponsored by Representative Wiley.

The first bill under the Committee's consideration was **HB 449 – GIFT TAX CHANGES** (see **attachment 3**). Chairman McComas recognized Representative Stam who explained that this bill conforms the valuation of gifts for State gift tax purposes to the valuation used for federal gift tax purposes. Chairman McComas then recognized Representative Gibson who sent forth a technical amendment (see **attachment 4**) correcting a statutory reference. Representative Luebke was recognized and moved for the adoption of the technical amendment. Seeing no further discussion, Chairman McComas called the motion to a vote and the amendment was adopted. Chairman McComas then recognized Representative Gibson who moved that House Bill 449 be given a favorable report, as amended. As there was no further debate, Chairman McComas called the motion to a vote and it carried by consent.

Chairman McComas then recognized Representative Hill to explain **HB 705 – PRESENT-USE VALUE BUYOUT CREDITS** (see **attachment 5**). Representative Hill explained that this bill allows buyout payments to count toward the one thousand dollar ($1,000) gross income requirement for agricultural land for present-use value tax exemptions. Chairman McComas then recognized Representative Howard who stated her support and moved that House Bill 705 be given a favorable report by the Committee. Chairman McComas then recognized Representative Hackney who asked how the counties felt about this bill. To answer the question, Chairman McComas recognized Patrice Roesler from the North Carolina Association of County Commissioners who stated that the Association supports this bill. Seeing no further discussion, Chairman McComas called the motion to a vote, and it carried without objection.

Following the vote, Chairman McComas referred the following bills to the Subcommittee on Occupancy Tax:

- HB 945 – Durham Occupancy Tax
- HB 1056 – Amend Carteret County Occupancy Tax

The next bill considered by the Committee was **HB 1080 – DORTCHES DEANNEXATION** (see **attachment 6**). Chairman McComas first recognized Representative Daughtridge who explained that the bill removes approximately seventy (70) acres from the Town of Dortches in order for that land to then be annexed by the City of Rocky Mount. He also stated that this bill had been requested by the landowner for improvements to the land, which will require the infrastructure of the City of Rocky Mount that Dortches does not provide. Following the explanation, Representative Glazier was recognized and moved that House Bill 1080 be given a favorable report. Seeing no further discussion, Chairman McComas called the motion to a vote and it carried by consent.

The following bill heard by the Committee was **HB 1030 – BRUNSWICK COUNTY AIRPORT COMMISSION** (see **attachment 7**). Chairman McComas first recognized Representative Womble who moved for the adoption of the proposed committee substitute for the Committee's consideration. The motion was adopted. Chairman McComas then recognized Representative Stiller who explained that this bill clarifies the authority of the Brunswick County Airport Commission and exempts the Commission from any beach renourishment fees imposed by the Town of Oak Island. Following the explanation, Representative Hill was recognized and moved for a favorable report to the proposed committee substitute and an unfavorable report to the original bill. As there was no further debate, Chairman McComas called the motion to a vote, and it carried without objection.

The final bill considered by the Committee was **HB 986 – GREENVILLE/SURF CITY SATELLITE ANNEXATIONS** (see **attachment 8**). Chairman McComas first recognized Representative Womble who moved for the adoption of the proposed committee substitute for the Committee's consideration. The motion was adopted. Chairman McComas then recognized Representative McLawhorn who explained that this bill would allow the municipalities of Greenville and Surf City to voluntarily annex beyond the ten percent (10%) limit as set out in the statutes. Representative Carney was then recognized who moved for a favorable report to the proposed committee substitute and an unfavorable report to the original bill. Seeing no further discussion, Chairman McComas called the motion to a vote and it carried by consent.

As there was no further business before the Committee, Chairman McComas then adjourned the meeting at 8:50 am.

Respectfully submitted,

Representative Danny McComas

HOUSE BILL 449

Short Title:	Gift Tax Changes.	(Public)
Sponsors:	Representatives Stam and Gibson (Primary Sponsors).	
Referred to:	Finance.	

March 2, 2005

A BILL TO BE ENTITLED

AN ACT TO CONFORM THE VALUATION OF GIFTS FOR GIFT TAX PURPOSES TO THE FEDERAL STANDARDS.

The General Assembly of North Carolina enacts:

SECTION 1. G.S. 105-189 is repealed.

SECTION 2. G.S. 105-190 is repealed.

SECTION 3. G.S. 105-195 is repealed.

SECTION 4. Article 6 of Chapter 105 of the General Statutes is amended by adding a new section to read:

"**§ 105-195A. Value of gifts for gift tax purposes.**

The value of a gift shall be determined in accordance with the Code and with regulations promulgated under the Code."

SECTION 5. This act becomes effective January 1, 2006, and applies to gifts made on or after that date.

House Bill 449:
Gift Tax Changes

BILL ANALYSIS

Committee:	House Finance	**Date:**	April 12, 2005
Introduced by:	Reps. Stam, Gibson	**Summary by:**	Cindy Avrette
Version:	First Edition		Committee Counsel

SUMMARY: ***House Bill 449 conforms the valuation of gifts for State gift tax purposes to the valuation used for federal gift tax purposes. The bill becomes effective January 1, 2006, and applies to gifts made on or after that date. The bill is a recommendation of the NC Bar Association.***

CURRENT LAW: North Carolina is one of four states[1] that impose a gift tax on the donor of a gift.[2] The tax is imposed on gifts that exceed the annual exclusion amount. The State annual exclusion amount is the same as the federal amount: $11,000. In addition to the annual exclusion amount, a lifetime exemption of $100,000 is allowed each donor for gifts made to Class A donnes. The rate of tax depends upon the donor's relationship to the donee. North Carolina law divides donees into three classes: Class A includes any lineal ancestor or descendant, or adopted child or stepchild; Class B includes brother, sister, descendant of a brother or sister, and aunt or uncle by blood of the decedent; and Class C includes all others. Gifts to spouses are exempt, as are gifts to governmental entities and charitable, educational, or religious organizations.

Like the federal gift tax, the State's gift tax is imposed on the actual value of the property at the time of the transfer by gift. When property is transferred for less than its fair market value, the difference is deemed a gift.[3] If the gift is made in property, the fair market value of the property at the date of the gift is considered to be the amount of the gift.[4] However, the State law may differ slightly from the federal law when it comes to valuing transfers that may involve contingencies, life estates, trusts, etc.

BILL ANALYSIS: **House Bill 449** would provide that the value of a gift for State tax purposes is the same as its value for federal tax purposes. For simple transfers, the law for the State already mirrors the federal law. For more complicated transfers, the federal law will provide more instruction, certainty, and consistency. Currently, North Carolina determines the value of gifts that must be apportioned between tenants and remaindermen using a fixed percentage rate of 6% of the value of the gift for the period of years determined by the mortuary and annuity tables in Chapter 8 of the General Statutes. Conforming the value of these gifts to the Code will use the valuation tables in Section 7520 of the Code, which uses an interest rate that may vary monthly. When property is transferred or limited in trust or otherwise, the Secretary of Revenue has the discretion to determine the value of the property. The Code provides valuation rules for many different types of transfers, and there is a body of law and regulations governing these valuation rules. Conforming these types of transfers to the Code will provide consistency and certainty to their valuations. In many instances there will be no substantive changes because the Secretary is currently using the reported federal values for State tax purposes.

TECHNICAL AMENDMENT: The statutory reference needs to be changed to conform to the drafting code standards.

H0449e1-SMRB

[1] Connecticut, Louisiana, and Tennessee also impose a gift tax.

[2] The amount of revenue generated by this tax varies from year to year: from a high of $25 million in 1999-2000 to a low of $13.4 million in 2001-02. The tax generated approximately $16.6 million in 2003-04.

[3] G.S. 105-189 provides the same valuation as Section 2512(b) of the Internal Revenue Code.

[4] G.S. 105-190 provides the same valuation as Section 2512(a) of the Internal Revenue Code.

PRINCIPAL DEPARTMENT(S) & PROGRAM(S) AFFECTED:

EFFECTIVE DATE: Gifts made on or after January 1, 2006.

BILL SUMMARY: Modifies the state gift tax law by providing that the value of a gift is determined in accordance with the Internal Revenue Code and makes technical changes to gift tax valuation language.

ASSUMPTIONS AND METHODOLOGY: Based on a discussion with the Department of Revenue, the North Carolina Bar Association, and an attorney involved in a recent state gift tax case, there is no detailed data for all of the gift tax situations that would be affected by the proposed change. However, Fiscal Research feels that the impact on General Fund tax revenue will be minimal for the following reasons: (1) the total annual gift tax yield is less than $20 million; (2) the small dollar revenue loss from qualified personal residence trusts (the subject of recent litigation); and (3) in some situations federal conformity may lead to additional taxes.

March 17, 2005

A BILL TO BE ENTITLED

AN ACT TO ALLOW BUYOUT PAYMENTS TO COUNT TOWARDS THE ONE THOUSAND DOLLAR GROSS INCOME REQUIREMENT FOR AGRICULTURAL LAND FOR PRESENT-USE VALUE TAX EXEMPTIONS.

The General Assembly of North Carolina enacts:

SECTION 1. G.S. 105-277.3(a)(1) reads as rewritten:

"**§ 105-277.3. Agricultural, horticultural, and forestland – Classifications.**

(a) Classes Defined. – The following classes of property are designated special classes of property under authority of Section 2(2) of Article V of the North Carolina Constitution and must be appraised, assessed, and taxed as provided in G.S. 105-277.2 through G.S. 105-277.7.

(1) Agricultural land. – Individually owned agricultural land consisting of one or more tracts, one of which consists of at least 10 acres that are in actual production and that, for the three years preceding January 1 of the year for which the benefit of this section is claimed, have produced an average gross income of at least one thousand dollars ($1,000). Gross income includes income from the sale of the agricultural products produced from the ~~land and~~ land, any payments received under a governmental soil conservation or land retirement ~~program.~~ program, and the amount paid to the taxpayer during the taxable year pursuant to P.L. 108-357, Title VI, Fair and Equitable Tobacco Reform Act of 2004. Land in actual production includes land under improvements used in the commercial production or growing of crops, plants, or animals."

SECTION 2. This act is effective for taxes imposed for taxable years beginning on or after July 1, 2005.

HOUSE BILL 705:
Present-Use Value Buyout Credits

BILL ANALYSIS

Committee:	House Finance	**Sponsor:**	Rep. Hill
Date:	April 12, 2005	**Analysis by:**	Martha Walston
Version:	1st Edition		Committee Counsel

SUMMARY: House Bill 705 would allow payments received under the tobacco quota buyout program to be counted towards the $1,000 income requirement which must be met before agricultural land can be assessed at present-use value for property tax purposes.

CURRENT LAW: Agricultural land, horticultural land and forestland have been designated as a special class of property and are appraised and assessed at present-use value, instead of market value, for property tax purposes if the land meets certain statutory requirements. Agricultural land must be part of a farm unit, under a sound management program, individually owned, consist of one or more tracts (one of which must consist of at least 10 acres that are in actual production) and **for the three years preceding January 1 of the year for which the present-use value benefit is claimed, have produced an average gross income of at least $1,000.** Counted income includes the following:

- Income from the sale of agricultural products produced from the land, and
- Payments received under a governmental soil conservation or land retirement program

BILL ANALYSIS: House Bill 705 allows payments received under the Fair and Equitable Tobacco Reform Act of 2004 to be included as income when determining the present-use value eligibility of agricultural land. The agricultural land must continue to meet the ownership and actual production requirements.

BACKGROUND: Congress passed the Fair and Equitable Tobacco Reform Act of 2004 in October of last year. This Act repeals the federal tobacco price support and quota programs, provides compensation payments to tobacco quota owners and growers, and provides an assessment mechanism for tobacco manufacturers and importers to pay for the buyout. An eligible quota owner is the owner of a farm, on the date the bill was enacted, for which a basic tobacco quota/allotment was established for the 2004 marketing year. An eligible quota grower is an owner, operator, landlord, tenant or sharecropper who shared in the risk of producing tobacco in the 2002, 2003, or 2004 marketing year. Quota owners will be paid $7 per pound for the basic quota they owned in 2002. Growers will be paid $3 per pound for their 2002 effective quota.[1] These payments will be distributed equally over 10 years, beginning with the 2005 fiscal year and ending in 2014. The initial payment should be made by the end of September. The buyout is funded by quarterly assessments on tobacco manufacturers and importers. Because

[1] The payment is $2 per pound if the grower participated in two of the three marketing years, and $1 per pound if the grower participated in only one of the three marketing years.

the buyout is funded by manufacturer and importer assessments, future Phase II payments will be terminated. For federal tax purposes, quota owner payments are expected to be treated as capital gains and grower payments are expected to be treated as ordinary income. The I. R. S. should rule on the tax status of these payments by the end of April.

SECTION 2. This act has no effect upon the validity of any liens of the Town of Dortches for ad valorem taxes or special assessments outstanding before the effective date of this act. Such liens may be collected or foreclosed upon after the effective date of this act as though the property was still within the corporate limits of the Town of Dortches.

SECTION 3. This act becomes effective June 30, 2005.

House Bill 1080:
Dortches Deannexation

BILL ANALYSIS

Committee:	House Finance	**Date:**	April 12, 2005
Introduced by:	Rep. Daughtridge	**Summary by:**	Cindy Avrette
Version:	First Edition		Committee Counsel

SUMMARY: ***House Bill 1080 removes approximately 70 acres from the Town of Dortches, effective June 30, 2005.***

BILL ANALYSIS: The General Assembly incorporated the Town of Dortches in 1977. The Town has a population of just over 800 people. Much of the southern boundary of the town is contiguous with the City of Rocky Mount and much of the eastern boundary of the Town is contiguous with the ETJ of Rocky Mount.

House Bill 1080 would remove approximately 70 acres from the corporate limits of Dortches so that it could be annexed by the City of Rocky Mount. The property includes four parcels of land. The owners of the property would like to develop the land and would benefit from the water and sewer infrastructure that would be available to the property if incorporated by the City of Rocky Mount.

A BILL TO BE ENTITLED

AN ACT TO AMEND THE ACTS REGULATING THE BRUNSWICK COUNTY AIRPORT COMMISSION AND TO CLARIFY THE POWERS OF THE COMMISSION.

The General Assembly of North Carolina enacts:

SECTION 1. Section 1 of Chapter 411 of the 1961 Session Laws, as amended by Section 2 of Chapter 385 of the 1991 Session Laws, reads as rewritten:

"Section 1. There is hereby created a board to be known as the Brunswick County Airport Commission whose membership shall consist of Southport, ~~Yaupon Beach, Long Beach,~~ Oak Island, and Brunswick County and which board is hereby constituted a body politic and corporate. The said board shall be comprised of seven members, four of whom shall be appointed by the Board of County Commissioners of Brunswick ~~County and one~~ County, two of whom shall be appointed by ~~each member town,~~ the governing body of the Town of Oak Island, and one of whom shall be appointed by the governing body of the City of Southport, all of whom shall be experienced businessmen with no qualifications as to residence. The membership of said board shall be named as provided for in Chapter 63 of the General Statutes of North Carolina. The members of said board shall receive no compensation per diem or otherwise, but shall be allowed and paid actual expenses incurred in the transaction of business and at the instance of the said Commission. In the event that either the Aldermen of the City of Southport, the Commissioners of the Town of ~~Yaupon Beach, the Commissioners of the Town of Long Beach,~~ Oak Island, or the Brunswick County Commissioners do not deem it advisable or any one or two of said municipal bodies do not enter into an agreement to set up said Airport Commission as provided for under Chapter 63 of the General Statutes of North Carolina, then in such event the municipality or county desiring to create such a commission may do so having all powers herein conferred with the right and privilege of calling such commission in the name of the particular municipality and/or county government."

SECTION 2. In addition to all other powers authorized by law, the Brunswick County Airport Commission shall have the following powers:

(1) To sell, lease, or otherwise dispose of any property, real or personal, belonging to the Airport Commission, according to the procedures described in Article 12 of Chapter 160A of the General Statutes, but no sale of real property shall be made without the approval of the Brunswick County Board of County Commissioners.

(2) To contract with persons, firms, or corporations for terms not to exceed 20 years, for the operation of airline-scheduled passenger and freight flights, nonscheduled flights, and any other airplane activities not inconsistent with the grant agreements under which the airport property is held.

(3) To erect and construct buildings, hangars, shops, and other improvements and facilities, not inconsistent with or in violation of the agreements applicable to and the grants under which the real property of the airport is held; to lease these improvements and facilities for a term or terms not to exceed 20 years; to borrow money for use in making and paying for these improvements and facilities, secured by and on the credit only of the lease agreements in respect to these improvements and facilities, and to pledge and assign the leases and lease agreements as security for the authorized loans.

SECTION 3. The Brunswick County Airport Commission shall be exempt from any beach renourishment fees imposed by the Town of Oak Island.

SECTION 4. This act is effective when it becomes law.

HOUSE BILL 1030:
Brunswick County Airport Commission

BILL ANALYSIS

Committee:	House Finance	**Sponsor:**	Rep. Stiller
Date:	April 11, 2005	**Analysis by:**	Martha Walston
Version:	Proposed Committee Substitute		Committee Counsel

SUMMARY: ***House Bill 1030 is a local bill that gives the Brunswick County Airport Commission additional powers and exempts the Commission from any beach renourishment fees imposed by the Town of Oak Island.***

The original bill contained proposed legislation that was enacted in 2000. The proposed committee substitute removes this unnecessary language.

BILL ANALYSIS: House Bill 1030 provides the Brunswick County Airport Commission with the following additional powers:

1. To sell, lease, or dispose of real or personal property belonging to the Commission, according to the procedures described in Article 12 of Chapter 160A of the General Statutes. No sale of real property may be made without the approval of the Brunswick County Board of Commissioners. In 2003, the General Assembly gave airport authorities created by a local act of the General Assembly the authority to finance real and personal property by installment contracts and other means of indebtedness authorized by G.S. 160A-20.
2. To contract with persons, firms, or corporations for terms not to exceed 20 years, for the operation of airline-scheduled passenger and freight flights, nonscheduled flights, and any other airplane activities not inconsistent with the grant agreements under which the airport property is held.
3. To erect and construct improvements and facilities; to lease these improvements and facilities for a term not to exceed 20 years; to borrow money for paying for the improvements and facilities, secured by the lease agreements, and to pledge and assign the leases as security for the authorized loans.

House Bill 1030 also exempts the Airport Commission from any beach renourishment fees imposed by the Town of Oak Island.

CURRENT LAW AND BACKGROUND: Airport authorities created by a local act of the General Assembly have only the powers given to them in the local legislation that creates them.[1] Local legislation creating airport authorities typically gives the power to set fees and rents and to issue bonds and notes. In 1961, the General Assembly authorized legislation creating the Airport Commission of Southport, Boiling Springs Lake, Long Beach, and Brunswick County.

[1] There are at least 34 public airport authorities created by local acts.

In 1991, the General Assembly amended the earlier legislation and authorized the town of Yaupon Beach, the town of Long Beach, and Brunswick County to establish the Brunswick County Airport Commission. In 1999, the General Assembly authorized the Airport Commission to receive refunds of sales and use taxes.[2] In 2000, the General Assembly amended the membership of the Commission to reflect the consolidation of the charters of the towns of Yaupon Beach and Long Beach into the newly created town of Oak Island.

[2] G.S. 105-164.14(c) allows certain governmental entities, including a local airport authority that was created under a local act of the General Assembly, to receive refunds of sales and use taxes paid on direct purchases of personal property and services.

HOUSE BILL 986:
Greenville Satellite Annexations

BILL ANALYSIS

Committee:	House Finance	**Introduced by:**	Rep. McLawhorn, Warren, Williams
Date:	April 7, 2005		
Version:	H986-CSST-14v.1	**Summary by:**	R. Erika Churchill Committee Counsel

SUMMARY: ***The proposed committee substitute would add Greenville and Surf City to the list of municipalities that may annex satellite areas without meeting the standard that limits the size of the area within the satellite corporate limits, effective when it becomes law.***

CURRENT LAW: G.S. 160A-58.1 and 160A-58.7 govern the voluntary annexation by a municipality of noncontiguous property.

G.S. 160A-58.1 provides that all property owners in the satellite area may petition a city for voluntary annexation of the noncontiguous property if the property meets all of the following five standards:

1. The nearest point on the proposed satellite corporate limits must be not more than three miles from the primary corporate limits of the annexing city.
2. No point on the proposed satellite corporate limits may be closer to the primary corporate limits of another city than to the primary corporate limits of the annexing city.
3. The area must be so situated that the annexing city will be able to provide the same services within the proposed satellite corporate limits that it provides within its primary corporate limits.
4. If the area proposed for annexation, or any portion thereof, is a subdivision as defined in G.S. 160A-376, all of the subdivision must be included.
5. The area within the proposed satellite corporate limits, when added to the area within all other satellite corporate limits, may not exceed ten percent (10%) of the area within the primary corporate limits of the annexing city.

G.S. 160-58.7 provides the process a city must follow when the city is the property owner of the satellite area. This process requires that the city comply with the provisions of G.S. 160A-58.1 as described above.

BILL ANALYSIS: The proposed committee substitute would remove the requirement that the area within the proposed satellite corporate limits, when added to the area within all other satellite corporate limits, may not exceed 10% of the area within the primary corporate limits when noncontiguous property is annexed by Greenville or Surf City (Rep. Justus, HB 1068).

BACKGROUND: The municipalities of Angier, Bladenboro, Calabash, Catawba, Claremont, Concord, Conover, Creswell, Dallas, Fuquay-Varina, Garner, Gastonia, Godwin, Hickory, Holly Ridge, Holly Springs, Kenly, Knightdale, Leland, Locust, Louisburg, Maiden, Marion, Mayodan, Midland, Mocksville, Morrisville, Mount Airy, Mount Holly, New Bern, Newton, Oxford, Pembroke, Pine Level, Randleman, Ranlo, Rockingham, Rolesville, Rutherfordton, Sanford, Salisbury, Southport, Statesville, Swansboro, Troy, Wallace, Warsaw, Washington, Waynesville, Wendell, and Zebulon have already eliminated the 5th standard for all annexations by the municipality.

House Committee on Finance

Minutes

~

April 19, 2005

The House Committee on Finance met on Tuesday, April 19, 2005 at 8:30 am in Room 544 of the Legislative Office Building. The following members were present: Chairpersons Alexander, Gibson, Howard, Luebke, and Wainwright; Vice-Chairs Daughtridge, Hill, Ross, Weiss, and Womble; and Representatives Blackwood, Bordsen, Capps, Carney, Faison, Folwell, Hackney, Harrell, Holliman, Jones, McGee, Rayfield, Underhill, Vinson, Walend, and Wiley. Also present were Sergeant-at-Arms Bill Freeman, Fred Hines, Dusty Rhodes, and Walter Spell. Staff persons present included Cindy Avrette, Rodney Bizzell, Ashley Huffstetler, Linda Millsaps, and Martha Walston. The Agenda and Visitor Registration Sheet are attached and incorporated into these minutes as **attachments 1 and 2**.

Chairwoman Alexander called the meeting to order at 8:34 am and recognized the two (2) pages present: Will Caldwell of Wake County, sponsored by Representative Capps, and Peter Coogan of Wake County, sponsored by Representative Eddins.

The first bill under the Committee's consideration was **HB 580 – CITY OF BELMONT OCCUPANCY TAX** (see **attachment 3**). Chairwoman Alexander first recognized Representative Howard who moved for the adoption of the proposed committee substitute for the Committee's consideration. The motion was adopted. Representative Rayfield was then recognized and explained that the bill authorizes the City of Belmont to levy a three percent (3%) occupancy tax. He also informed the Committee members that the bill had received a favorable recommendation by the House Finance Subcommittee on Occupancy Tax. Chairwoman Alexander then recognized Representative Howard who moved for a favorable report to the proposed committee substitute and an unfavorable report to the original bill. As there was no further debate, Chairwoman Alexander called the motion to a vote and it carried by consent.

Chairwoman Alexander again recognized Representative Rayfield to explain the next bill: **HB 581 – BELMONT STREET LIGHTING ASSESSMENTS** (see **attachment 4**). Representative Rayfield explained that this bill authorizes the City of Belmont to make a special assessment for street lighting upon the receipt of a petition of a majority of the landowners benefited. Chairwoman Alexander then recognized Representative Blackwood who moved that House Bill 581 be given a favorable report by the Committee. Seeing no further discussion, Chairwoman Alexander called the motion to a vote, and it carried without objection.

The next bill considered by the Committee was **HB 736 - CODE ENFORCEMENT OFFICIAL EXAM FEES** (see **attachment 5**). Chairwoman Alexander first recognized Representative Holliman who explained that the bill establishes an examination fee of up to $125 for

code-enforcement officials and an examination review fee of up to $50. He also noted that the bill was filed at the request of the Agency. Representative Ross was then recognized who moved that House Bill 736 be given a favorable report. As there was no further debate, Chairwoman Alexander called the motion to a vote, and it carried by consent.

The following bill heard by the Committee was **HB 803 – MANUFACTURED HOUSING LICENSE AGREEMENTS** (see **attachment 6**). Chairwoman Alexander first recognized Representative Weiss who moved for the adoption of the proposed committee substitute for the Committee's consideration. The motion was adopted. Chairwoman Alexander then again recognized Representative Holliman who explained that this bill establishes a late filing fee for licenses of manufactured home manufacturers, dealers, salespersons, or set-up contractors that have already expired. He further explained that the bill also eliminates supplemental licensing by the Manufactured Housing Board. Following the explanation, Representative Howard moved for a favorable report to the proposed committee substitute and an unfavorable report to the original bill. Seeing no further discussion, Chairwoman Alexander called the motion to a vote, and it carried without objection.

Chairwoman Alexander then recognized Representative Howard to explain **HB 766 – ENHANCE PASSENGER TRAMWAY SAFETY ACT** (see **attachment 7**). Representative Howard explained that this bill amends the Passenger Tramway Safety Act to include transportation by conveyor belts, such as ski lifts. This bill also empowers the Commissioner of Labor to investigate accidents involving tramways and establishes fees of up to $137 for the issuance of registration certificates. Tramway operators would also be required to obtain liability insurance. Following the explanation, Representative Womble was recognized and moved that House Bill 766 be given a favorable report. Chairwoman Alexander then recognized Representative McGee who asked for a further explanation of the insurance requirement in the bill. To answer the question, Chairwoman Alexander recognized John Hoomani from the Department of Labor. Mr. Hoomani stated that the insurance requirement makes the bill consistent with other acts administrated by the Commissioner of Labor. Chairwoman Alexander then recognized Representative Hackney who asked why the bill would be effective immediately. Representative Howard was recognized to answer the question and stated that she does not object to making the bill effective October 15, 2005, if the committee so desired. As there was no further debate or action taken, however, Chairwoman Alexander called the motion to a vote and it carried with no known objection.

The final bill considered by the Committee was **HB 1056 – AMEND CARTERET COUNTY OCCUPANCY TAX** (see **attachment 8**). Chairwoman Alexander recognized Representative Preston who explained that this bill amends the Carteret Occupancy Tax by extending the date allowed for the Carteret County Board of Commissioners to develop a plan and sign a contract for the construction of a convention center. The bill also extends the date for the Board to levy the one percent (1%) tax to the year 2008. Following the explanation, Representative Womble, noting that the bill had been approved by the House Finance Subcommittee on Occupancy Tax (which he chairs), moved that House Bill 1056 be given a favorable report. Seeing no further discussion, Chairwoman Alexander called the motion to a vote and it carried without objection.

Chairwoman Alexander, on behalf of the Committee, then recognized the attendance of and welcomed former Representative Ruth Easterling from Mecklenburg County. As there was no further business before the Committee, Chairwoman Alexander then adjourned the meeting at 8:56 am.

Respectfully submitted,

HOUSE BILL 580*
PROPOSED COMMITTEE SUBSTITUTE H580-PCS60346-MB-10

Short Title: City of Belmont Occupancy Tax. (Local)

Sponsors:

Referred to:

March 10, 2005

A BILL TO BE ENTITLED

AN ACT TO AUTHORIZE THE CITY OF BELMONT TO LEVY A ROOM OCCUPANCY AND TOURISM DEVELOPMENT TAX.

The General Assembly of North Carolina enacts:

SECTION 1. Occupancy tax. – (a) Authorization and Scope. – The Belmont City Council may levy a room occupancy tax of up to three percent (3%) of the gross receipts derived from the rental of any room, lodging, or accommodation furnished by a hotel, motel, inn, tourist camp, or similar place within the city that is subject to sales tax imposed by the State under G.S. 105-164.4(a)(3). This tax is in addition to any State or local sales tax. This tax does not apply to accommodations furnished by nonprofit charitable, educational, or religious organizations when furnished in furtherance of their nonprofit purpose.

SECTION 1.(b) Administration. – A tax levied under this section shall be levied, administered, collected, and repealed as provided in G.S. 160A-215. The penalties provided in G.S. 160A-215 apply to a tax levied under this section.

SECTION 1.(c) Distribution and Use of Tax Revenue. – The City of Belmont shall, on a quarterly basis, remit the net proceeds of the occupancy tax to the Belmont Tourism Development Authority. The Authority shall use at least two-thirds of the funds remitted to it under this subsection to promote travel and tourism in Belmont and shall use the remainder for tourism-related expenditures.

The following definitions apply in this subsection:

(1) Net proceeds. – Gross proceeds less the cost to the city of administering and collecting the tax, as determined by the finance officer, not to exceed three percent (3%) of the first five hundred thousand dollars ($500,000) of gross proceeds collected each year and one percent (1%) of the remaining gross receipts collected each year.

(2) Promote travel and tourism. – To advertise or market an area or activity, publish and distribute pamphlets and other materials, conduct

market research, or engage in similar promotional activities that attract tourists or business travelers to the area. The term includes administrative expenses incurred in engaging in the listed activities.

(3) Tourism-related expenditures. – Expenditures that, in the judgment of the Tourism Development Authority, are designed to increase the use of lodging facilities, meeting facilities, or convention facilities in a city or to attract tourists or business travelers to the city. The term includes tourism-related capital expenditures.

SECTION 2. Belmont Tourism Development Authority. – (a) Appointment and Membership. – When the Belmont City Council adopts a resolution levying a room occupancy tax under this act, it shall also adopt a resolution creating a city Tourism Development Authority, which shall be a public authority under the Local Government Budget and Fiscal Control Act. The resolution shall provide for the membership of the Authority, including the members' terms of office, and for the filling of vacancies on the Authority. At least one-third of the members must be individuals who are affiliated with businesses that collect the tax in the city, and at least three-fourths of the members must be individuals who are currently active in the promotion of travel and tourism in the city. The city council shall designate one member of the Authority as chair and shall determine the compensation, if any, to be paid to members of the Authority.

The Authority shall meet at the call of the chair and shall adopt rules of procedure to govern its meetings. The Finance Officer for Belmont shall be the ex officio finance officer of the Authority.

SECTION 2.(b) Duties. – The Authority shall expend the net proceeds of the tax levied under this act for the purposes provided in this act. The Authority shall promote travel, tourism, and conventions in the city, sponsor tourist-related events and activities in the city, and finance tourist-related capital projects in the city.

SECTION 2.(c) Reports. – The Authority shall report quarterly and at the close of the fiscal year to the Belmont City Council on its receipts and expenditures for the preceding quarter and for the year in such detail as the city council may require.

SECTION 3. G.S. 160A-215(g) reads as rewritten:

"(g) This section applies only to Beech Mountain District W, to the Cities of Belmont, Gastonia, Goldsboro, Greensboro, High Point, Kings Mountain, Lexington, Lincolnton, Lumberton, Monroe, Mount Airy, Shelby, Statesville, Washington, and Wilmington, to the Towns of Beech Mountain, Blowing Rock, Carolina Beach, Carrboro, Franklin, Kure Beach, Jonesville, Mooresville, North Topsail Beach, Selma, Smithfield, St. Pauls, Wilkesboro, and Wrightsville Beach, and to the municipalities in Avery and Brunswick Counties."

SECTION 4. This act is effective when it becomes law.

House Bill 580
Belmont Occupancy Tax

BILL ANALYSIS

Committee:	**Finance**	**Sponsor:**	**Representative Rayfield**
Date:	April 19, 2004	**Analysis:**	Ashley Huffstetler
Version:	**1st Edition**		Staff Attorney

SUMMARY: ***House Bill 580 authorizes the City of Belmont to levy a 3% room occupancy tax. Two-thirds of the proceeds would be used to promote travel and tourism and one-third would be used for tourism-related expenditures. This bill conforms to the guidelines supported by the North Carolina Travel and Tourism Coalition and adhered to by the House Finance Committee. <u>The PCS makes only technical corrections to the bill.</u>***

CURRENT LAW: Currently, the City of Belmont does not have authority to levy a room occupancy tax. Belmont is located in Gaston County, which does have authority to levy a 3% occupancy tax. The proceeds of the county tax are used for economic development to promote travel and tourism.

BACKGROUND: Since 1983, the General Assembly has authorized many units of local government to levy a room occupancy tax. In several instances, the General Assembly has authorized both a county and a city within that county to impose an occupancy tax. The rate of tax, the use of the tax proceeds, the administration of the tax, and the body with the authority to determine how the tax proceeds will be spent vary considerably. Over the past several years, there has been a greater effort to make the occupancy taxes uniform. In 1997, the General Assembly enacted uniform municipal and county administrative provisions for occupancy tax legislation – G.S. 153A-155 and G.S. 160A-215. These provisions provide uniformity in the areas of levy, administration, collection, repeal, and penalties.

The North Carolina Travel and Tourism Coalition has a policy statement for legislation authorizing local occupancy taxes. Many of the principles contained in its statement are similar to the ones established by a House Finance Subcommittee on Occupancy Taxes in 1993.

BILL ANALYSIS: House Bill 580 authorizes the City of Belmont to levy a room occupancy tax of up to 3%. The proceeds must be remitted to a city Tourism Development Authority (TDA), which must use two-thirds of the proceeds to promote travel and tourism and one-third for tourism-related expenditures. These administrative and use provisions conform to the uniform guidelines referenced above and detailed in the chart below:

UNIFORM OCCUPANCY TAX PROVISIONS
Rate – The county tax rate cannot exceed 6%, and the city tax rate, when combined with the county rate, cannot exceed 6%.
Use – Two-thirds of the proceeds must be used to promote travel and tourism, and the remainder must be used for tourism-related expenditures.
Definitions – The terms "net proceeds," "promote travel and tourism," and "tourism related expenditures" are defined terms.
Administration – The net revenues must be administered by a local tourism development authority, which has the authority to determine how the tax proceeds will be used and is created by a local ordinance. At least ½ of the members must be currently active in the promotion of travel and tourism in the city or county, and 1/3 of the members must be affiliated with organizations that collect the tax.
Costs of Collection – The taxing authority may retain from the revenues its actual costs of collection, not to exceed 3% of the first $500,000 collected each year plus 1% of the remainder collected each year.

PRINCIPAL DEPARTMENT(S) & PROGRAM(S) AFFECTED: Town of Belmont

EFFECTIVE DATE: Becomes effective when law.

BILL SUMMARY: This bill authorizes the Town of Belmont to levy an occupancy tax. The tax applies to the rental of any room, lodging, or accommodation within the city limits. The occupancy tax rate is 3% of gross receipts from the rental of accommodations. The proceeds must be remitted to a city Tourism Development Authority (TDA), which must use two-thirds of the proceeds to promote travel and tourism and one-third for tourism-related expenditures.

ASSUMPTIONS AND METHODOLOGY: According to the Belmont town manager, there are 3 motels in Belmont with 12-15 rooms each and 1 bed and breakfast. Assuming an average room rate of $45 per night and a 50% rate of room occupancy, FRD estimates the 3% occupancy tax would generate $9,600 per year. Because no historic data is available, the General Consumer Price Index estimated rate of increase is used to estimate future growth in occupancy tax receipts. No development of additional motels or other accommodations is assumed in the estimates of subsequent year revenues.

HOUSE BILL 581*

Short Title:	Belmont Street Lighting Assessments.	(Local)
Sponsors:	Representative Rayfield.	
Referred to:	Local Government II.	

March 10, 2005

A BILL TO BE ENTITLED

AN ACT AUTHORIZING THE CITY OF BELMONT TO UTILIZE THE PETITION PROCEDURE FOR STREET LIGHTING AS IT IS CURRENTLY AUTHORIZED FOR STREET OR SIDEWALK IMPROVEMENTS.

The General Assembly of North Carolina enacts:

SECTION 1. G.S. 160A-216 is amended by adding a new subdivision to read:

"(4a) Providing street lights and street lighting;".

SECTION 2. Assessments made under G.S. 160A-216(4a), as enacted by this act, shall be governed by the same petition requirements of G.S. 160A-217 as if it were an assessment for street or sidewalk improvements.

SECTION 3. This act applies to the City of Belmont only.

SECTION 4. This act is effective when it becomes law.

HOUSE BILL 581:
Belmont Street Lighting Assessments

BILL ANALYSIS

Committee:	House Finance	**Date:**	April 19, 2005
Introduced by:	Rep. Rayfield	**Summary by:**	Cindy Avrette
Version:	First Edition		Committee Counsel

SUMMARY: House Bill 581 authorizes the City of Belmont to make special assessments for street lighting, upon receipt of a petition of a majority of the landowners representing a majority of the road frontage benefited. The bill becomes effective when it becomes law. The bill received a favorable report from the Local Government II Committee on April 6, 2005.

CURRENT LAW: A city is authorized to make special assessments against benefited property for streets and sidewalks as well as water, sewer, and stormwater drainage systems. To levy a special assessment for street or sidewalk improvements, the city must receive a petition to do so signed by at least a majority of the owners of property to be assessed, who must represent at least a majority of all the lineal feet of frontage of the lands abutting on the street or portion to be improved. Unless the petition specifies another percentage, not more than 50% of the cost of the improvement may be assessed.

Once a city decides to finance a proposed project by special assessments, it must adopt a preliminary resolution, provide public notice, and hold a public hearing. After a public hearing, a city may adopt an assessment resolution that must include the cost of the project and the basis for making the assessments. Assessments may be made on one or more of the following bases: frontage abutting the property, area of land served, value added to the land served by the project, or the number of lots served.

BILL ANALYSIS: House Bill 581 would allow the City of Belmont to levy special assessments for street lighting in the same manner that it may levy assessments for street or sidewalk improvements.[1] The City could not initiate the assessment on its own. To levy the assessment, the City must receive a petition signed by a majority of the owners of property to be assessed. The request for this legislation originated with a subdivision in Belmont that sought the help of the city in getting new street lighting installed in its neighborhood.[2]

EFFECTIVE DATE: When it becomes law.

Giles Perry, counsel to the Local Government II Committee, contributed to this summary.

H0581e1-SMRB

[1] In the past, G.S. 160A-216 has been modified by local legislation to authorize certain cities to make special assessments for underground wiring and to authorize certain cities to levy special assessments for street and sidewalk improvements without a petition requirement.

[2] Counties have the authority to make special assessments for street lighting in a residential subdivision under G.S. 153A-185.

HOUSE BILL 736

Short Title:	Code Enforcement Official Exam Fees.-AB	(Public)
Sponsors:	Representative Holliman.	
Referred to:	Finance.	

March 17, 2005

A BILL TO BE ENTITLED

AN ACT TO ALLOW THE ADMINISTERING OF THE CODE ENFORCEMENT OFFICIAL BOARD'S EXAMINATION AT REGIONAL LOCATIONS AND MORE FREQUENTLY THAN QUARTERLY BY THE AUTHORIZING OF CODE ENFORCEMENT OFFICIAL EXAMINATION FEES.

The General Assembly of North Carolina enacts:

SECTION 1. G.S. 143-151.16 reads as rewritten:

"**§ 143-151.16. Certification fees; renewal of ~~certificates.~~ certificates; examination fees.**

(a) The Board shall establish a schedule of fees to be paid by each applicant for certification as a qualified Code-enforcement official. Such fee shall not exceed twenty dollars ($20.00) for each applicant.

(b) A certificate, other than a probationary certificate, as a qualified Code-enforcement official issued pursuant to the provisions of this Article must be renewed annually on or before the first day of July. Each application for renewal must be accompanied by a renewal fee to be determined by the Board, but not to exceed ten dollars ($10.00). The Board is authorized to charge an extra two dollar ($2.00) late renewal fee for renewals made after the first day of July each year.

(c) Any person who fails to renew his certificate for a period of two consecutive years may be required by the Board to take and pass the same examination as unlicensed applicants before allowing such person to renew his certificate.

(d) The Board may establish and collect a fee to be paid by each applicant for examination in an amount not to exceed one hundred twenty-five dollars ($125.00). In addition, the Board may establish and collect a fee to be paid by each applicant applying for a review of the applicant's examination. The amount of the examination review fee shall not exceed fifty dollars ($50.00). Examination and examination review fees may be paid directly to approved testing services that maintain regional facilities for the purpose of administering the Board's examinations."

SECTION 2. This act becomes effective October 1, 2005, and applies to applications made on or after that date.

HOUSE BILL 736:
Code Enforcement Official Exam Fees.-AB

BILL ANALYSIS

Committee:	House Finance	**Date:**	April 19, 2005
Introduced by:	Rep. Holliman	**Summary by:**	Cindy Avrette
Version:	First Edition		Committee Counsel

SUMMARY: House Bill 736 would establish an examination fee of up to $125 for Code-enforcement officials and an examination review fee of up to $50. The bill provides that the fee may be paid directly to approved testing services that administer the North Carolina Code Officials Qualification Board's examination. The bill would become effective October 1, 2005, and apply to applications made on or after that date. The Board passed a motion on October 29, 2003, requesting this legislation.

CURRENT LAW: Buildings in the State must comply with the State Building Code. Qualified Code-enforcement officials enforce the State Building Code. The North Carolina Code Officials Qualification Board maintains responsibility for certifying Code-enforcement officials. To become certified, a person must apply for certification, pay a $20 application fee, and pass an examination. The certification must be renewed annually. The renewal fee is $10. At present, there is no examination fee. The examination is given four times a year in Raleigh.

BILL ANALYSIS: House Bill 736 would enable the Board to offer certification examinations across the State on any date arranged by the inspector and the examination firm by imposing an examination fee of up to $125. The fee would be payable to the testing firm that administers the Board's exams. The Board's intent is to offer examinations within approximately 120 miles of all inspection departments. The bill also provides for an examination review fee of up to $50.

To establish the fee amount, the Board will have to go through the administrative rules process.[1] In addition to the notice and public comment provided for under the administrative rules process, the Board will also have to consult with the Joint Legislative Commission on Governmental Operations on the amount and purpose of the fee before the fee may become effective.[2]

EFFECTIVE DATE: October 1, 2005, and applicable to applications made on or after that date.

EFFECTIVE DATE: October 1, 2005

BILL SUMMARY: Allows the Office of the State Fire Marshal to establish a fee up to $125 for the certification examination required for code enforcement officials across the state. The exam is currently administered free of charge in Raleigh. The testing fee will be paid directly to a private testing firm by the applicant and will not be collected by the state. The current application fee for code enforcement officials is $20 and is not changed by this legislation.

ASSUMPTIONS AND METHODOLOGY: The North Carolina Department of Insurance's Office of the State Fire Marshal issues 900 code enforcement officer licenses and administers 1500 to 1600 examinations annually. The fee for the application was last increased in 1988, and the department has never assessed a fee for the examinations. The Office of the State Fire Marshal has never recouped its administrative costs for the examinations. Additionally, the examinations are only offered in Raleigh, which has been problematic for applicants from remote areas of the state. By offering the examinations through a private testing firm, applicants will have a choice of approximately six cities throughout the region where they may take the exam. The State Fire Marshal proposes this legislation as a solution both for their department's financial interest and for

city and county employees who incur time away from work as well as travel expenses as part of earning their certification.

The cost to cities and counties will vary by the number of building inspectors they employ. For some municipalities, the option to take the examination at a testing center will constitute a savings in time lost and travel expenses for those employees; for other entities, it will constitute a new expenditure. Cumulatively, this fee will cost North Carolina cities and counties approximately $193,750 per year, assuming the testing fee is $125 and an averaged 1,550 exams are administered. From its communications with private testing firms, the State Fire Marshal estimates that the actual cost of the exam will be approximately $80, which would cost North Carolina municipalities a total of $124,000 annually assuming the same number of exams are administered.

A BILL TO BE ENTITLED

AN ACT TO AUTHORIZE THE MANUFACTURED HOUSING BOARD TO CHARGE AND COLLECT A LATE FILING FEE FOR LICENSEES THAT APPLY FOR RENEWAL OF THE LICENSE AFTER THE LICENSE HAS EXPIRED AND TO ELIMINATE SUPPLEMENTAL LICENSING BY THE MANUFACTURED HOUSING BOARD.

The General Assembly of North Carolina enacts:

SECTION 1. G.S. 143-143.11 reads as rewritten:

"**§ 143-143.11. License required; application for license.**

(a) It shall be unlawful for any manufactured home manufacturer, dealer, salesperson, or set-up contractor to engage in business as such in this State without first obtaining a license from the ~~Board,~~ Board for each place of business operated by the licensee, as provided in this Article. The fact that a person is licensed by the Board as a set-up contractor or a dealer does not preempt any other licensing boards' applicable requirements for that person.

(b) Application for the license shall be made to the Board at such time, in such form, and contain information the Board requires, and shall be accompanied by the fee established by the Board. The fee shall not exceed three hundred dollars ($300.00) ~~for any license.~~ for each license issued. In addition to the license fee, the Board may also charge an applicant a fee to cover the cost of the criminal history record check required by G.S. 143-143.10A.

(c) In the application, the Board shall require information relating to the matters set forth in G.S. 143-143.13 as grounds for refusal of a license, and information relating to other pertinent matters consistent with safeguarding the public interest. All of this information shall be considered by the Board in determining the fitness of the applicant. Once the Board has determined that an applicant is fit, the Board must provide the applicant a license for each place of business operated by the applicant.

(d) All licenses shall expire, unless revoked or suspended, on June 30 of each year following the date of issue.

(e) Every licensee shall, on or before the first day of July of each year, obtain a renewal of a license for the next ~~year,~~ year by ~~application, accompanied by~~ applying to the Board, completing the necessary hours of continuing education required under G.S. 143-143.11B, and paying the required ~~fee.~~ renewal fee for each place of business operated by the licensee. The license may be renewed at any time within one year after its lapse upon payment of the renewal ~~fee.~~ fee and a late filing fee. The late filing fee shall not exceed three hundred dollars ($300.00).

~~(f) Supplemental licenses shall be issued for each place of business, operated or proposed to be operated by the licensee, that is not contiguous to other premises for which a license is issued. The fee for a supplemental license shall be established by the Board and shall not exceed three hundred dollars ($300.00), provided that no supplemental license shall be required for a place of business operated by a licensee that is used exclusively for storage.~~

(g) Notwithstanding the provisions of subsection (a), the Board may provide by rule that a manufactured home salesperson will be allowed to engage in business during the time period after making application for a license but before such license is granted.

(h) As a prerequisite to obtaining a license under this Article, a person may be required to pass an examination prescribed by the Board that is based on the Code, this Article, and any other subject matter considered relevant by the Board."

HOUSE BILL 803:
Manufactured Housing License Amendments

BILL ANALYSIS

Committee:	House Finance	**Date:**	April 19, 2005
Introduced by:	Rep. Holliman	**Summary by:**	Cindy Avrette
Version:	PCS for First Edition H803-CSRBf-4		Committee Counsel

SUMMARY: House Bill 803 contains two recommendations of the North Carolina Manufactured Housing Board: it establishes a late filing fee and it eliminates the lower, supplemental license fee for additional dealer locations. The proposed committee substitute clarifies that although the person is the licensee, the licensee must obtain a separate license for each place of business operated by the licensee. The bill becomes effective when it becomes law.

CURRENT LAW: The Manufactured Housing Board is a Board within the Department of Insurance that is charged with regulating the manufactured housing industry. The Board must license a person before the person can engage in business in this State as a manufactured home manufacturer, dealer, salesperson, or set-up contractor. To receive a license, a person must apply to the Board, consent to a criminal record check, be found fit by the Board, and pay the applicable license fee. The fee may not exceed $300. The statute provides that a supplemental license may be issued for each additional place of business and the amount of the supplemental license may not exceed $300. In practice, the Board imposes a license fee of $250 and a supplemental license fee of $100.

The license must be renewed annually on or before July 1st of each year. To renew a license, a licensee must apply to the Board, complete any continuing education requirements of the Board, and pay the required fee. Upon failure to renew, a license automatically expires. However, a license can be renewed within one year of its lapse by payment of the renewal fee.

BILL ANALYSIS: House Bill 803 does two things at the request of the North Carolina Manufactured Housing Board:

- It establishes a late filing fee of not more than $300. The Board notes that many licensees fail to renew their licenses in a timely manner. This failure results in an added administrative cost of processing the late applications individually. The late fee is designed to cover the additional costs, and the Board also hopes it will encourage licensees to renew in a timely manner. To establish the late filing fee amount, the Board will have to go through the administrative rules process.[1] In addition to the notice and public comment provided for under the administrative rules process, the Board will also have to consult with the Joint Legislative Commission on Governmental Operations on the amount and purpose of the fee before the fee may become effective.[2]
- It eliminates the supplemental license for each additional place of business. The intent of the Board is to impose the full license fee for each place of business. The *proposed committee substitute* clarifies that a licensee must obtain a license for each place of business and pay the license fee for each place of business.

PRINCIPAL DEPARTMENT(S) & PROGRAM(S) AFFECTED: North Carolina Office of the State Fire Marshal.

EFFECTIVE DATE: When law.

BILL SUMMARY: This legislation allows the Office of the State Fire Marshal to assess a late fee for manufactured building license renewals submitted after June 30th of a given year. It also eliminates the supplemental dealer license from state statute. Approximately 25% of license renewals are submitted after the due date. The late fee is intended to discourage this practice. The elimination of the supplemental license designation is aimed at simplifying administration of the fee and treating manufactured building dealers more equitably as only the larger manufactured building retailers are the ones who benefit from the lower cost supplemental dealer license.

ASSUMPTIONS AND METHODOLOGY: This legislation has two fiscal impacts. The first results from the addition of a late fee on applications submitted after the June 30th due date. The Office of the State Fire Marshal estimates that 25% of applications for license renewals are late, and that the late applications are evenly distributed across all types of manufactured building licensees.

License Type	# Issued Annually	Current fee	Proposed late fee	% late
Manufacturer	56	$300	$100	25%
Retailer	567	$250	$100	25%
Set-up contractor	392	$250	$100	25%
Salesperson	1624	$25	$25	25%

From this data, additional late fee revenue of $35,500 is projected for 2005-2006. It is likely that the number of late license renewals will quickly decrease as a result of the late fee. The projection assumes a 30% reduction in late license renewals per year.

The second fiscal impact is the removal of the supplemental dealer license designation. A supplemental dealer is a location other than the main retailer location. Larger manufactured building dealers frequently set up and shut down different locations, and the OSFM has found it difficult to track these locations. Currently, there are 46 supplemental dealer licenses issued at a cost of $100 per license. This legislation would increase the cost of licensing those locations to the standard retailer rate of $250, resulting in an additional $6,900 in revenue each year.

HOUSE BILL 766

Short Title:	Enhance Passenger Tramway Safety Act.-AB	(Public)
Sponsors:	Representative Howard.	
Referred to:	Finance.	

March 17, 2005

A BILL TO BE ENTITLED

AN ACT TO ENHANCE LAWS RELATED TO THE PASSENGER TRAMWAY SAFETY ACT OF NORTH CAROLINA.

The General Assembly of North Carolina enacts:

SECTION 1. G.S. 95-117 reads as rewritten:

"**§ 95-117. Definitions.**

Each word or term defined in this Article has the meaning indicated in this section, unless a different meaning is plainly required by the context.

(1) 'Commissioner' means the Commissioner of Labor of the State of North Carolina.

(2) 'Industry' means activities of all those persons in the State who own, manage, or direct the operation of passenger tramways.

(3) 'Operator' means any person, firm, corporation, or organization which owns, manages, or directs the operation of a passenger tramway. 'Operator' may apply to the State or any political subdivision or instrumentality thereof.

(4) 'Passenger tramway' means a device used to transport passengers uphill on skis, or in cars on tracks, or suspended in the air by the use of steel cables, chains or belts, or by ropes, and usually supported by trestles or towers with one or more spans. 'Passenger tramway' shall include the following devices:

a. 'Chairlift,' a type of transportation on which passengers are carried on chairs suspended in the air and attached to a moving cable, chain or link belt supported by trestles or towers with one or more spans, or similar devices;

b. 'Conveyor,' a type of transportation on which passengers are transported uphill on a flexible moving element (conveyor belt) that travels uphill on one path and generally returns underneath the uphill portion.

~~b.~~c. 'J bar, T bar or platter pull,' so-called and similar types of devices or means of transportation which pull skiers riding on skis by means of an attachment to a main overhead cable supported by trestles or towers with one or more spans;

~~c.~~d. 'Multicar aerial passenger tramway,' a device used to transport passengers in several open or in closed cars attached to, and suspended from, a moving wire rope or attached to a moving wire rope and supported on a standing wire rope, or similar device;

~~d.~~e. 'Rope tow,' a type of transportation which pulls the skiers, riding on skis as the skier grasps the rope manually, or similar devices;

~~e.~~f. 'Skimobile,' a device in which a passenger car running on steel or wooden tracks is attached to and pulled by a steel cable, or similar device;

~~f.~~g. 'Two-car aerial passenger tramway,' a device used to transport passengers in two open or enclosed cars attached to, and suspended from, a moving wire rope or attached to a moving wire rope and supported on a standing wire rope or similar device."

SECTION 2. G.S. 95-118 reads as rewritten:

"**§ 95-118. Registration ~~required.~~ required; application procedures.**

~~No passenger tramway shall be operated in this State unless it has been registered by the Commissioner of Labor. On or before November 1 in each year, every operator of a passenger tramway shall apply to the Commissioner of Labor, on forms prepared by said Commissioner, for registration of the passenger tramway which such operator owns or manages, or the operation of which he directs.~~

(a) No person shall operate or permit to be operated or use any device subject to the provisions of this Article without a valid registration certificate.

(b) Operators of devices subject to the provisions of this Article shall apply to the Commissioner of Labor, on forms provided by the Commissioner, for registration of the devices that the operator owns or manages, or the operation of which the operator directs. The application shall contain ~~such~~ information ~~as~~ that the Commissioner may reasonably require in order for ~~him~~ the Commissioner to determine whether the passenger tramway sought to be registered by ~~such~~ the operator ~~comply~~ complies with the intent of this Article and the rules ~~and regulations promulgated~~ adopted by the ~~Commissioner as hereinafter provided.~~Commissioner."

SECTION 3. G.S. 95-119 reads as rewritten:

"**§ 95-119. ~~Registration criteria and procedure.~~Certification criteria; procedures; display of certificate.**

~~The Commissioner shall issue to the applying operator without delay a registration certificate for each passenger tramway owned, managed, or the operation of which is directed by such operator when the Commissioner is satisfied:~~

~~(1) That the facts stated in the application are sufficient to enable the Commissioner to fulfill his duties under this Article; and~~

~~(2) That each such passenger tramway sought to be registered complies with the rules and regulations of the Commissioner promulgated pursuant to the provisions of this Article.~~

~~(3) In order to satisfy himself that the conditions described in subdivisions (1) and (2) of this section have been fulfilled, the Commissioner may cause to be made such inspections hereinafter described as he may reasonably deem necessary.~~

~~(4) When an operator installs a passenger tramway subsequent to November 1, of any year, such operator shall file a supplemental application for registration of such passenger tramway. Upon the receipt of such supplemental application, the Commissioner shall proceed immediately to initiate proceedings leading to the registration or rejection of registration of such passenger tramway pursuant to the provisions of this Article.~~

~~(5) Each registration shall expire on October 31, next following the day of issue. Each operator shall cause the registration certificate for each passenger tramway thus registered to be displayed prominently at the place where passengers are loaded thereon.~~

(a) A registration certificate shall be issued without delay when the Commissioner is satisfied that the facts stated in the application are sufficient to enable the Commissioner to fulfill his or her duties under this Article and that the device sought to be registered complies with the rules adopted pursuant to this Article. Each registration certificate shall expire on October 31 of the year next following the date of issuance.

(b) The Commissioner may conduct any inspections necessary to determine whether the device sought to be registered complies with the intent of this Article and the rules adopted pursuant to this Article.

(c) The registration certificate for each device subject to the provisions of this Article shall be displayed prominently at the place where passengers are loaded onto the device."

SECTION 4. G.S. 95-120 reads as rewritten:

"**§ 95-120. Powers and duties of the Commissioner.**

In addition to all other powers and duties conferred and imposed upon the Commissioner by this Article, the Commissioner shall have and exercise the following powers and duties:

(1) To ~~adopt and enforce reasonable rules and regulations relating to public safety in the construction, operation, and maintenance of passenger tramways.~~adopt, modify, or revoke the rules necessary for carrying out the provisions of this Article, including those governing the design, construction, installation, operation, use, and maintenance of devices subject to the provisions of this Article. The rules ~~and regulations authorized~~ adopted under this section shall conform as

nearly as possible to the standards contained ~~for mechanical engineering aerial passenger tramways safety code as adopted and used by the U.S.A. Standards Institute, B77.1-1960, with addenda B77.1(a) 1963, and B77.1(b) 1965, and as said safety code from [for] tramways may be amended from time to time, and in the formulation of said regulations the Commissioner may use and adopt any other safety code for tramways as issued by recognized scientific and mechanical societies. The said regulations shall not be discriminatory in their application to operators of passenger tramways, and the procedures of the Commissioner shall be as provided in this Article;~~in the B77.1 – American National Standards Safety Requirements for Aerial Passenger Tramways and with good engineering and safety standards, formulas, and practices.

(1a) To enforce the rules adopted under this Article.

(1b) To grant exceptions from the requirements of the rules adopted under this Article and to permit the use of other devices when the exceptions and uses will not expose the public to an unsafe condition likely to result in serious personal injury or damage to property.

(2) To hold hearings and take evidence in all matters relating to the exercise and performance of the powers and duties vested in the Commissioner, subpoena witnesses, administer oaths, and compel the testimony of witnesses and the production of books, papers and records relevant to any ~~inquiry;~~inquiry.

(3) To approve, deny, revoke, and renew the ~~registrations provided for in this Article and the procedures of the Commissioner with respect thereto shall be as provided in this Article with respect to the issuance of certificates or licenses;~~registration certificates in accordance with the rules adopted pursuant to this Article.

(4) To ~~cause the prosecution and the institution of actions for injunctions of all persons violating the provisions of this Article and to incur the necessary expenses thereof;~~institute civil actions for injunctive or other relief against violators of this Article.

(5) To cause the seal of the Commissioner of Labor to be affixed to all registrations issued by ~~him,~~ the Commissioner, and to employ, within the funds available to ~~him,~~ the Commissioner, and prescribe the duties of ~~all such~~ the personnel as the Commissioner may deem necessary in the administration of this Article.

(6) To have reasonable access, with or without notice, to the devices subject to the provisions of this Article during reasonable hours, for the purposes of inspections and testing.

(7) To investigate accidents involving devices subject to the provisions of this Article to determine the cause of the accident. The Commissioner shall have full subpoena powers in conducting the investigations.

(8) To coordinate enforcement and inspection activity relative to equipment, devices, and operations covered by this Article in order to minimize duplication of liability or regulatory responsibility on the part of the operator, owner, or employer.

(9) To establish fees not to exceed one hundred thirty-seven dollars ($137.00) for the inspection and issuance of registration certificates for devices that are in use and subject to this Article."

SECTION 5. Article 15 of Chapter 95 of the General Statutes is amended by adding a new section to read:

"**§ 95-120.1. Liability insurance.**

(a) No person shall operate a device subject to the provisions of this Article, unless at the time of operation, there is in existence:

(1) A contract of insurance providing coverage of not less than one million dollars ($1,000,000) per occurrence against liability for injury to persons or property arising out of the operation or use of the device; or

(2) A contract of insurance providing coverage of not less than five hundred thousand dollars ($500,000) per occurrence against liability for injury to persons or property arising out of the operation or use of the devices if the annual gross volume of the devices does not exceed two hundred seventy-five thousand dollars ($275,000).

The insurance contract to be provided must be made by an insurer or surety that is acceptable to the North Carolina Insurance Commissioner and authorized to transact business in this State.

(b) The Commissioner shall not issue a certificate of registration until the operator or the operator's authorized agent provides proof of the required contract of insurance.

(c) The Commissioner may request from the operator of a device subject to the provisions of this Article or the operator's authorized agent, proof of the required contract of insurance, and upon failure of the operator or authorized agent to provide proof of insurance, the Commissioner shall have the power to prevent the commencement of or to stop the operation of the device until such time as proof is provided."

SECTION 6. This act is effective when it becomes law.

HOUSE BILL 766:
Enhance Passenger Tramway Safety Act

BILL ANALYSIS

Committee:	House Finance	**Sponsor:**	Rep. Howard
Date:	April 19, 2005	**Analysis by:**	Martha Walston
Version:	1st Edition		Committee Counsel

SUMMARY: House Bill 766 is an agency bill that amends the Passenger Tramway Safety Article as follows:

- *Broadens the definition of "passenger tramway" to include transportation by conveyor belt.*
- *Empowers the Commissioner of Labor to investigate accidents involving passenger tramways and to establish fees of up to $137 for the inspection and issuance of registration certificates required for devices covered by the Article*
- *Requires tramway operators to obtain liability insurance.*
- *Makes technical changes to the Article.*

BILL ANALYSIS: The Passenger Tramway Safety Article sets out the authority for the Commissioner of Labor to register passenger tramways, to establish reasonable standards of design and operational practices, and to make inspections. A passenger tramway includes a chairlift, J bar, T bar, platter pull, multi-car aerial passenger tramway, rope two, skimobile, and two-car aerial passenger tramway.

House bill 766 amends the Passenger Tramway Safety Article as follows:

- It expands the definition of passenger tramway to include a conveyor which is defined as a type of transportation on which passengers are transported uphill on a flexible moving element (conveyor belt) that travels uphill on one path and generally returns underneath the uphill portion.
- It expands the powers and duties of the Commissioner by adding the following:

  (a) to modify or revoke rules necessary to carry out the Article

  (b) to grant exceptions from the requirements of the rules and to permit the use of other devices when the exceptions and uses will not expose the public to an unsafe condition

  (c) to investigate accidents involving devices subject to the Article

  (d) to establish fees not to exceed $137 for the inspection and issuance of registration certificates for the devices.

- It adds a new section to the Article requiring tramway operators to obtain liability insurance coverage of not less than $1 million per occurrence. The required coverage

must not be less than $500,000 per occurrence for devices generating $275,000 or less in annual revenue. Proof of a contract of insurance is required before a certificate of registration will be issued. The Commissioner may prevent the commencement of the operation of a device or stop its operation if proof of coverage is not provided.

BACKGROUND: During the 2001 Session, the General Assembly repealed the statutes which set out the inspection fees for all the devices regulated by the Department of Labor. The 2001 legislation then granted the Commissioner of Labor the authority to establish fees for the inspections and issuance of certificates of operation for elevators and amusement devices. This fee-setting ability put the Department of Labor in a position to make its Elevator and Amusement Device Division fee-supported.[1] The legislation authorized the Commissioner to impose a fee not to exceed $200 for elevators, dumbwaiters, escalators, moving walks, personnel hoists, stairway chair lift, wheelchair lifts, manlifts, and special equipment. The fee for amusement devices could not exceed $250. The Department indicates that, due to an oversight, the Commissioner was not granted the same authority with regards to passenger tramways.

[1] Under prior law, these fee amounts were specifically set by statute and varied based upon factors such as the cost of the installation or alteration, the number of building floors, and the type of amusement device.

EFFECTIVE DATE: When it becomes law.

BILL SUMMARY: The legislation broadens the definition of "passenger tramway" under GS 95-117 to include transportation by conveyor belt. This effectively adds ski lifts and incline railroads to the definition. It also amends GS 95-120 to empower the Department of Labor to investigate accidents involving passenger tramways and to establish fees of up to $137 for requisite registration certificates. Finally, it enacts new GS 95-120.1 requiring tramway operators to obtain liability insurance coverage of not less than $1 million per occurrence or not less than $500,000 per occurrence for devices generating $275,000 or less in annual revenue.

ASSUMPTIONS AND METHODOLOGY: Previously the North Carolina Department of Labor had authority to inspect all forms of ski lifts, including chairlifts, t-bars, and rope tows. During the 2001 session HB 232 repealed the Departments inspection and fee collection authority but replaced it with a new statute. Due to an oversight, the portion of the law related to passenger tramways was repealed but was not replaced by a new statue. Unaware of this error, the Department continued to inspect these devises and charge a fee. However, the Department recently discovered this error and refunded to taxpayers three years of fees (as the repeal took place three years ago). The legislation seeks to again allow the Department to inspect this machinery and charge a fee. The fee amounts in the legislation are the same as in the previous statutes.

According to the Department of Labor, during the most recent three years, the following revenue was raised (and later refunded) as a result of this type of inspection:

Type	Rate	Revenue		
		2001-02	2002-03	2003-04
Chairlift	137.00	3,562.00	1,781.00	2,603.00
Rope Tow	31.00	651.00	496.00	124.00
T Bar	62.00	-	62.00	-
TOTAL		**4,213.00**	**2,339.00**	**2,727.00**

Because the number of inspections has declined each year since the legislation was repealed, the highest year is used as a proxy for future years.

The Department indicates that because of the low numbers involved, there will be no additional personal costs to the Department of Labor.

The legislation also requires operators of passenger tramways to obtain a contract of insurance and offer proof of that insurance to the inspector. No fiscal impact is associated with this portion of the bill.

HOUSE BILL 1056

Short Title:	Amend Carteret County Occupancy Tax.	(Local)
Sponsors:	Representative Preston.	
Referred to:	Finance.	

March 31, 2005

A BILL TO BE ENTITLED

AN ACT TO AMEND THE DEADLINE FOR THE DEVELOPMENT OF A CONVENTION CENTER PLAN FOR CARTERET COUNTY.

The General Assembly of North Carolina enacts:

SECTION 1. Section 5 of S.L. 2001-381 reads as rewritten:

"**SECTION 5.** Additional occupancy tax. – In addition to the occupancy tax authorized by Section 2 of this act, the Board of Commissioners of Carteret County may levy an additional room occupancy and tourism development tax of one percent (1%) of the gross receipts derived from the rental of accommodations taxable under Section 2 of this act if the following conditions have been met:

(1) A development plan for the construction of a convention center has been approved by resolution of the board of county commissioners and the governing board of the municipality where the center is to be located by June 30, ~~2006~~2008; and

(2) There is a signed contract between the appropriate local governments and a private developer that includes financing commitments for construction to begin no later than July 1, ~~2007.~~2009.

The tax authorized by this section may not become effective earlier than July 1, ~~2006.~~2008. The county may not levy a tax under this section unless it also levies the tax under Section 2 of this act. The levy, collection, administration, and repeal of the tax authorized by this section shall be in accordance with Section 2 of this act.

If the conditions in subdivisions (1) and (2) of this section have been met and the one-cent (1¢) room occupancy tax described in this section is levied, the county's authority to levy the one-cent (1¢) tax is repealed on the first day of the second month following the date that a cumulative total of ten million dollars ($10,000,000) in proceeds from this one-cent (1¢) tax has been collected. For purposes of this section, the cumulative total of ten million dollars ($10,000,000) is calculated beginning on July 1, ~~2006.~~2008.

Surplus proceeds from the one-cent (1¢) room occupancy tax described in this section beyond the ten million dollar ($10,000,000) cumulative total that are collected before the repeal date shall be redistributed to the Tourism Development Authority and used only to promote travel and tourism.

If the actual cost of the convention center is less than ten million dollars ($10,000,000), any proceeds from the one-cent (1¢) occupancy tax collected but not spent shall be redistributed to the Tourism Development Authority and used to promote travel and tourism.

If construction on the convention center has not begun by July 1, ~~2007,~~2009, the county's authority to levy the one-cent (1¢) room occupancy tax described in this section is repealed on September 1, ~~2007.~~2009. Any funds collected before the repeal date shall be redistributed to the Tourism Development Authority and used only to promote travel and tourism."

SECTION 2. Section 6(b) of S.L. 2001-381 reads as rewritten:

"**SECTION 6.(b)** If the conditions in subdivisions (1) and (2) of Section 5 of this act are met, and the additional occupancy tax authorized by Section 5 is levied, this section becomes effective the later of July 1, ~~2006,~~2008, or the effective date of the tax levied under Section 5 of this act. Otherwise, this section does not go into effect."

SECTION 3. This act is effective when it becomes law.

Carteret County Occupancy Tax

BILL ANALYSIS

Committee:	**Finance**	**Sponsor:**	**Representative Preston**
Date:	April 19, 2004	**Analysis:**	Ashley Huffstetler
Version:	**1st Edition**		Staff Attorney

SUMMARY: House Bill 1056 amends the Carteret Occupancy Tax by extending the period of time allowed for the Board to develop a plan and sign a contract for the construction of a convention center. It also extends the date for the Board to levy the one percent (1%) tax to the year 2008.

CURRENT LAW: Currently, Carteret County has the authority to levy a five percent (5%) occupancy tax and an additional one percent (1%) occupancy tax if certain conditions are met.

From 2002-2006, the first 2.5¢ of the 5¢ tax is to be remitted to the Carteret County Tourism Development Authority (TDA). The TDA must use all of the net proceeds to promote travel and tourism in Carteret County. The TDA's administrative expenses are limited to 10% and may not include operating visitors' centers. The second 2.5¢ is to be used for beach nourishment and for specific allocations to the municipalities in Carteret County.

Beginning with tax collections on and after July 1, 2006, the county is authorized to levy an additional 1% occupancy tax, and collect up to a maximum of $10 million dollars, only if the following conditions are met:

1. A development plan for the construction of a convention center has been approved by resolution of the county board and the board of the municipality where the center is to be located by June 30, 2006; and
2. There is a signed contract between the appropriate local governments and a private developer that includes financing commitments for construction to begin no later than July 1, 2007.

If construction does not begin by July 1, 2007, the tax will be repealed and any funds collected for this purpose prior to the repeal date will be redistributed to the TDA to promote travel and tourism. In addition, if there are surplus proceeds beyond the $10 million collected before the repeal date, those proceeds shall be redistributed to the TDA, and if the convention center costs less than $10 million, the funds collected but not spent shall be redistributed to the TDA.

BACKGROUND: Since 1983, the General Assembly has authorized many units of local government to levy a room occupancy tax. In several instances, the General Assembly has authorized both a county and a city within that county to impose an occupancy tax. The rate of tax, the use of the tax proceeds, the administration of the tax, and the body with the authority to determine how the tax proceeds will be spent vary considerably. Over the past several years, there has been a greater effort to make the occupancy taxes uniform. In 1997, the General Assembly enacted uniform municipal and county administrative provisions for occupancy tax legislation – G.S. 153A-155 and G.S. 160A-215. These provisions provide uniformity in the areas of levy, administration, collection, repeal, and penalties.

The North Carolina Travel and Tourism Coalition has a policy statement for legislation authorizing local occupancy taxes. Many of the principles contained in its statement are similar to the ones established by a House Finance Subcommittee on Occupancy Taxes in 1993.

BILL ANALYSIS: House Bill 1056 does not authorize any additional tax for Carteret County, but allows the county more time to meet the two conditions required in order for it to levy the additional one percent (1%) occupancy tax. The bill extends by two years: (1) the time allowed for developing a plan for a convention center, (2) the time to execute a contract between the local government and a developer to begin construction, (3) the date the one percent (1%) may be imposed, (4) the date to begin calculating the total amount of money to be collected from the one percent (1%) tax, and (5) the date of repeal of the tax if the Board does not act.

UNIFORM OCCUPANCY TAX PROVISIONS
Rate – The county tax rate cannot exceed 6%, and the city tax rate, when combined with the county rate, cannot exceed 6%.
Use – Two-thirds of the proceeds must be used to promote travel and tourism, and the remainder must be used for tourism-related expenditures.
Definitions – The terms "net proceeds," "promote travel and tourism," and "tourism related expenditures" are defined terms.
Administration – The net revenues must be administered by a local tourism development authority (TDA), which determines how the tax proceeds will be used and is created by a local ordinance. At least ½ of the members must be currently active in the promotion of travel and tourism in the city or county, and 1/3 of the members must be affiliated with organizations that collect the tax.
Costs of Collection – The taxing authority may retain from the revenues its actual costs of collection, not to exceed 3% of the first $500,000 collected each year plus 1% of the remainder collected each year.

REVENUES:					

PRINCIPAL DEPARTMENT(S) & PROGRAM(S) AFFECTED: Carteret County

EFFECTIVE DATE: Becomes effective when law.

BILL SUMMARY: Carteret County is authorized to levy an occupancy tax of 5% of the gross receipts derived from the rental of accommodations. The county may levy an additional occupancy tax of one percent (1%) with the condition that a development plan for the construction of a convention center has been approved by the board of county commissioners and the governing board of the municipality where the center is to be located by June 30, 2006. This bill extends that timeframe to June 30, 2008. The existing legislation also requires that a construction contract be signed with financing commitments for construction to begin no later than July 1, 2007. This bill extends that timeframe to July 1, 2009.

ASSUMPTIONS AND METHODOLOGY: Because the bill does not affect the occupancy tax rate and only makes changes related to the time allowed for planning and construction of the convention center, the bill does not have a fiscal impact.

SESSION 2005

HOUSE BILL 105

Short Title:	Motor Fuel Tax Changes.	(Public)
Sponsors:	Representatives Luebke; Brubaker, Hill, McGee, Wainwright, Alexander, Brown, and Insko.	
Referred to:	Finance.	

February 8, 2005

A BILL TO BE ENTITLED

AN ACT TO MODIFY THE TAXATION OF MOTOR FUELS.

The General Assembly of North Carolina enacts:

SECTION 1. G.S. 105-236(2) reads as rewritten:

"**§ 105-236. Penalties.**

Penalties assessed by the Secretary under this Subchapter are assessed as an additional tax. Except as otherwise provided by law, and subject to the provisions of G.S. 105-237, the following penalties shall be applicable:

...

(2) Failure to Obtain a License. – For failure to obtain a license before engaging in a business, trade or profession for which a license is required, the Secretary shall assess a penalty equal to five percent (5%) of the amount prescribed for the license per month or fraction thereof until paid, not to exceed twenty-five percent (25%) of the amount so prescribed, but in any event shall not be less than five dollars ($5.00). In cases in which the taxpayer fails to obtain a license as required under G.S. 105-449.65 or G.S. 105-449.131, the Secretary may assess a penalty of one thousand dollars ($1,000)."

SECTION 2. G.S. 105-449.39 reads as rewritten:

"**§ 105-449.39. Credit for payment of motor fuel tax.**

Every motor carrier subject to the tax levied by this Article is entitled to a credit on its quarterly report for tax paid by the carrier on fuel purchased in the State. The amount of the credit is determined using the flat cents-per-gallon rate plus the variable cents-per-gallon rate of tax in effect during the quarter covered by the report. To obtain a credit, the motor carrier must furnish evidence satisfactory to the Secretary that the tax for which the credit is claimed has been paid.

If the amount of a credit to which a motor carrier is entitled for a quarter exceeds the motor carrier's liability for that quarter, the Secretary must refund the excess to the motor ~~carrier.~~carrier in accordance with G.S. 105-266(a)(3)."

SECTION 3. G.S. 105-449.44(a) reads as rewritten:

"(a) Calculation. – The amount of motor fuel or alternative fuel a motor carrier uses in its operations in this State for a reporting period is the ~~ratio of the~~ number of miles the motor carrier travels in this State during that period divided by the calculated miles per gallon for the motor carrier for all qualified vehicles ~~to the total number of miles the motor carrier travels inside and outside this State during that period, multiplied by the total amount of fuel the motor carrier uses in its operations inside and outside the State~~ during that period."

SECTION 4. G.S. 105-449.46 reads as rewritten:

"**§ 105-449.46. Inspection of books and records.**

The Secretary and his authorized agents and representatives shall have the right at any reasonable time to inspect the books and records of any motor carrier subject to the tax imposed by this ~~Article.~~Article or to the registration fee imposed by Article 3 of Chapter 20 of the General Statutes."

SECTION 5. G.S. 105-449.47(a1) reads as rewritten:

"(a1) Registration and Identification Marker. – When the Secretary registers a motor carrier, the Secretary must issue at least one identification marker for each motor vehicle operated by the motor carrier. A motor carrier must keep records of identification markers issued to it and must be able to account for all identification markers it receives from the Secretary. Registrations and identification markers issued by the Secretary are for a calendar year. All identification markers issued by the Secretary remain the property of the State. The Secretary may ~~withhold or~~ revoke a registration or an identification marker when a motor carrier fails to comply with this ~~Article, former Article 36 or 36A of this Subchapter,~~ Article or Article 36C or 36D of this Subchapter.

A motor carrier must carry a copy of its registration in each motor vehicle operated by the motor carrier when the vehicle is in this State. A motor vehicle must clearly display an identification marker at all times. The identification marker must be affixed to the vehicle for which it was issued in the place and manner designated by the authority that issued it."

SECTION 6. Article 36B of Chapter 105 of the General Statutes is amended by adding a new section to read:

"**§ 105-449.47A. Reasons why the Secretary can deny an application for a registration and identification marker.**

The Secretary may refuse to register and issue an identification marker to an individual applicant that has done any of the following and may refuse to register and issue an identification marker to an applicant that is a business entity if any principal in the business has done any of the following:

(1) Had a registration issued under Chapter 105 or Chapter 119 of the General Statutes cancelled by the Secretary for cause.

(2) Had a registration issued by another jurisdiction, pursuant to G.S. 105-449.57, cancelled for cause.
(3) Been convicted of fraud or misrepresentation.
(4) Been convicted of any other offense that indicates that the applicant may not comply with this Article if registered and issued an identification marker.
(5) Failed to remit payment for a tax debt under Chapter 105 or Chapter 119 of the General Statutes. The term 'tax debt' has the same meaning as defined in G.S. 105-243.1.
(6) Failed to file a return due under Chapter 105 or Chapter 119 of the General Statutes."

SECTION 7. G.S. 105-449.51 reads as rewritten:

"**§ 105-449.51. Violations declared to be misdemeanors.**

Any person who operates or causes to be operated on a highway in this State a motor vehicle that does not carry a registration card as required by this Article, does not properly display an identification marker as required by this Article, or is not registered in accordance with this Article is guilty of a Class 3 misdemeanor and, upon conviction thereof, shall ~~only~~ be fined ~~no less than ten dollars ($10.00) nor more than~~ two hundred dollars ($200.00). Each day's operation in violation of any provision of this section shall constitute a separate offense."

SECTION 8. G.S. 105-449.65(b) reads as rewritten:

"(b) Multiple Activity. – A person who is engaged in more than one activity for which a license is required must have a separate license for each activity, unless this subsection provides otherwise. A person who is licensed as a supplier ~~is not required to obtain a separate license for any other activity for which a license is required and~~ is considered to have a license as a distributor. A person who is licensed as an occasional importer or a tank wagon importer is not required to obtain a separate license as a ~~distributor.~~ distributor unless the importer is also purchasing motor fuel, at the terminal rack, from an elective or permissive supplier who is authorized to collect and remit the tax to the State. A person who is licensed as a distributor is not required to obtain a separate license as an importer if the distributor acquires fuel for import only from an elective supplier or a permissive supplier and is not required to obtain a separate license as an exporter. A person who is licensed as a distributor or a blender is not required to obtain a separate license as a motor fuel transporter if the distributor or blender does not transport motor fuel for others for hire."

SECTION 9. G.S. 105-449.69(b) reads as rewritten:

"(b) Most Licenses. – An applicant for a license as a refiner, a supplier, a terminal operator, an importer, a blender, ~~a bulk end user of undyed diesel fuel, a retailer of undyed diesel fuel,~~ or a distributor must meet the following requirements:

(1) If the applicant is a corporation, the applicant must either be incorporated in this State or be authorized to transact business in this State.

(2) If the applicant is a limited liability company, the applicant must either be organized in this State or be authorized to transact business in this State.

(3) If the applicant is a limited partnership, the applicant must either be formed in this State or be authorized to transact business in this State.

(4) If the applicant is an individual or a general partnership, the applicant must designate an agent for service of process and give the agent's name and address."

SECTION 10. G.S. 105-449.73 reads as rewritten:

"**§ 105-449.73. Reasons why the Secretary can deny an application for a license.**

The Secretary may refuse to issue a license to an individual applicant that has done any of the following and may refuse to issue a license to an applicant that is a business entity if any principal in the business has done any of the following:

(1) Had a license or registration issued under this Article or former Article 36 or 36A of this Chapter cancelled by the Secretary for cause.

(1a) Had a motor fuel license or registration issued by another state cancelled for cause.

(2) Had a federal Certificate of Registry issued under § 4101 of the Code, or a similar federal authorization, revoked.

(3) Been convicted of fraud or misrepresentation.

(4) Been convicted of any other offense that indicates that the applicant may not comply with this Article if issued a license.

(5) Failed to remit payment for ~~an overdue tax debt~~ tax debt under Chapter 105 or Chapter 119 of the General Statutes. The term ~~"overdue tax debt"~~ "tax debt" has the same meaning as defined in G.S. 105-243.1.

(6) Failed to file a return due under Chapter 105 or Chapter 119 of the General Statutes."

SECTION 11. G.S. 105-449.86(a) reads as rewritten:

"(a) Tax. – An excise tax at the motor fuel rate is imposed on dyed diesel fuel acquired to operate any of the following:

(1) Repealed by Session Laws 2003-349, s. 10.8, effective January 1, 2004.

(2) Either a local bus or an intercity bus that is allowed by § 4082(b)(3) of the Code to use dyed diesel fuel.

(3) A highway vehicle that is owned by or leased to an educational organization that is not a public school and is allowed by § 4082(b)(1) or (b)(3) of the Code to use dyed diesel fuel.

~~(4) A highway vehicle that is owned by or leased to the American Red Cross and is allowed by § 4082 of the Code to use dyed diesel fuel.~~"

SECTION 12. G.S. 105-449.90A reads as rewritten:

"**§ 105-449.90A. Payment by supplier of destination state tax collected on exported motor fuel.**

Tax collected by a supplier on exported motor fuel is payable by the supplier to the destination ~~state if the supplier is licensed in that state for payment of motor fuel excise~~

~~taxes.~~state. ~~Tax collected by a supplier on exported motor fuel is payable to the Secretary for remittance to the destination state if the supplier is not licensed in that state for payment of motor fuel excise taxes.~~Payments of destination state tax are due to the destination state ~~or the Secretary, as appropriate,~~ on the date set by the law of the destination state. ~~Payments of destination state tax to the Secretary must be accompanied by a form provided by the Secretary that contains the information required by the Secretary.~~"

SECTION 13. G.S. 105-449.96 is amended by adding a new subdivision to read:

"**§ 105-449.96. Information required on return filed by supplier.**

A return of a supplier must list all of the following information and any other information required by the Secretary:

...

(7) The number of gallons of motor fuel the supplier exchanged with another licensed supplier, pursuant to a two-party exchange agreement, during the month, sorted by type of fuel, person receiving the fuel, and terminal code."

SECTION 14. The catch line for G.S. 105-449.106 reads as rewritten:

"**§ 105-449.106. Quarterly refunds for ~~certain local governmental entities,~~ nonprofit organizations, taxicabs, and special mobile equipment.**"

SECTION 15. G.S. 105-449.115 reads as rewritten:

"**§ 105-449.115. Shipping document required to transport motor fuel by railroad tank car or transport truck.**

(a) Issuance. – A person may not transport motor fuel by railroad tank car or transport truck unless the person has a shipping document for its transportation that complies with this section. A terminal operator and the operator of a bulk plant must give a shipping document to the person who operates a railroad tank car or a transport truck into which motor fuel is loaded at the terminal rack or bulk plant rack.

(b) Content. – A shipping document issued by a terminal operator or the operator of a bulk plant must contain the following information and any other information required by the Secretary:

(1) Identification, including address, of the terminal or bulk plant from which the motor fuel was received.
(2) The date the motor fuel was loaded.
(3) The gross gallons loaded.
(4) The destination state of the motor fuel, as represented by the purchaser of the motor fuel or the purchaser's agent.
(5) If the document is issued by a terminal operator, the document must be machine printed and it must contain the following information:
   a. The net gallons loaded.
   b. A tax responsibility statement indicating the name of the supplier that is responsible for the tax due on the motor fuel.

(c) Reliance. – A terminal operator or bulk plant operator may rely on the representation made by the purchaser of motor fuel or the purchaser's agent concerning

the destination state of the motor fuel. A purchaser is liable for any tax due as a result of the purchaser's diversion of fuel from the represented destination state.

(d) Duties of Transporter. – A person to whom a shipping document was issued must do all of the following:

(1) Carry the shipping document in the conveyance for which it was issued when transporting the motor fuel described in it. When operating an empty transport, carry the shipping document in the conveyance for the motor fuel last contained in the conveyance.

(2) Show the shipping document to a law enforcement officer upon request when transporting the motor fuel described in it.

(3) Deliver motor fuel described in the shipping document to the destination state printed on it unless the person does all of the following:

a. Notifies the Secretary before transporting the motor fuel into a state other than the printed destination state that the person has received instructions since the shipping document was issued to deliver the motor fuel to a different destination state.

b. Receives from the Secretary a confirmation number authorizing the diversion.

c. Writes on the shipping document the change in destination state and the confirmation number for the diversion.

(4) Give a copy of the shipping document to the distributor or other person to whom the motor fuel is delivered.

(e) Duties of Person Receiving Shipment. – A person to whom motor fuel is delivered by railroad tank car or transport truck may not accept delivery of the motor fuel if the destination state shown on the shipping document for the motor fuel is a state other than North Carolina. To determine if the shipping document shows North Carolina as the destination state, the person to whom the fuel is delivered must examine the shipping document and must keep a copy of the shipping document. The person must keep a copy at the place of business where the motor fuel was delivered for 90 days from the date of delivery and must keep it at that place or another place for at least three years from the date of delivery. A person who accepts delivery of motor fuel in violation of this subsection is jointly and severally liable for any tax due on the fuel.

(f) Sanctions Against Transporter. – The following acts are grounds for a civil penalty payable to the ~~Department of Transportation, Division of Motor Vehicles,~~Department of Crime Control and Public Safety or the Department of Revenue:

(1) Transporting motor fuel in a railroad tank car or transport truck without a shipping document or with a false or an incomplete shipping document.

(2) Delivering motor fuel to a destination state other than that shown on the shipping document.

The penalty imposed under this subsection is payable by the person in whose name the conveyance is registered, if the conveyance is a transport truck, and is payable by

the person responsible for the movement of motor fuel in the conveyance, if the conveyance is a railroad tank car. The amount of the penalty is five thousand dollars ($5,000). A penalty imposed under this subsection is in addition to any motor fuel tax assessed.

(g) Sanctions Against Terminal Operator. – The Secretary may assess a civil penalty of five thousand dollars ($5,000) against a terminal operator for issuing a shipping document that does not satisfy the requirements of subsection (b) of this section."

SECTION 16. G.S. 105-449.115A reads as rewritten:

"**§ 105-449.115A. Shipping document required to transport fuel by tank wagon.**

(a) Issuance. – A person who operates a tank wagon into which motor fuel is loaded at the terminal must comply with the document requirements in G.S. 105-449.115(b). A person ~~may not transport motor fuel by~~ who operates a tank wagon into which motor fuel is loaded from some other source must have ~~unless that person has~~ an invoice, bill of sale, or shipping document containing the following information and any other information required by the Secretary:

(1) The name and address of the person from whom the motor fuel was received.
(2) The date the fuel was loaded.
(3) The type of fuel.
(4) The gross number of gallons loaded.

(b) Duties of Transporter. – A person to whom an invoice, bill of sale, or shipping document was issued must do all of the following:

(1) Carry the invoice, bill of sale, or shipping document in the conveyance for which it is issued when transporting the motor fuel described in it.
(2) Show the invoice, bill of sale, or shipping document upon request when transporting the motor fuel described in it.
(3) Keep a copy of the invoice, bill of sale, or shipping document at the place of business for at least three years from the date of delivery.

(c) Sanctions. – Transporting motor fuel in a tank wagon without an invoice, bill of sale, or shipping document containing the information required by this section is grounds for a civil penalty payable to the Department of Transportation, Division of Motor Vehicles, or the Department of Revenue. The penalty imposed under this subsection is payable by the person in whose name the tank wagon is registered. The amount of the penalty is one thousand dollars ($1,000). A penalty imposed under this subsection is in addition to any motor fuel tax assessed."

SECTION 17. G.S. 105-449.123 reads as rewritten:

"**§ 105-449.123. Marking requirements for dyed fuel storage facilities.**

(a) Requirements. – A person who is a retailer of dyed motor fuel or who stores both dyed and undyed motor fuel for use by that person or another person must mark the storage facility for the dyed motor fuel as follows in a manner that clearly indicates the fuel is not to be used to operate a highway vehicle. The storage facility must be marked "Dyed Diesel, Nontaxable Use Only, Penalty For Taxable Use" or "Dyed Kerosene, Nontaxable Use Only, Penalty for Taxable Use" or a similar phrase that clearly

indicates the fuel is not to be used to operate a highway vehicle. A person who fails to mark the storage facility as required by this section is subject to a civil penalty equal to the excise tax at the motor fuel rate on the inventory held in the storage tank at the time of the violation. If the inventory cannot be determined, then the penalty is calculated on the capacity of the storage tank.

(1) The storage tank of the storage facility must be marked if the storage tank is visible.

(2) The fillcap or spill containment box of the storage facility must be marked.

(3) The dispensing device that serves the storage facility must be marked.

(4) The retail pump or dispensing device at any level of the distribution system must comply with the marking requirements.

(b) Exception. – The marking requirements of this section do not apply to a storage facility that contains fuel used only for one of the purposes listed in G.S. 105-449.105A(a)(1) and is installed in a manner that makes use of the fuel for any other purpose improbable."

SECTION 18. G.S. 119-15 is amended by adding the following two new subdivisions:

"**§ 119-15. Definitions that apply to Article.**

The following definitions apply in this Article:

...

(1a) Dyed diesel fuel distributor. – A person who acquires dyed diesel fuel from either of the following:

a. A person who is not required to be licensed under Part 2 of Article 36C of Chapter 105 of the General Statutes and who maintains storage facilities for dyed diesel fuel to be used for nonhighway purposes.

b. Another dyed diesel fuel distributor.

(1b) Dyed diesel fuel. – Defined in G.S. 105-449.60."

SECTION 19. G.S. 119-15.1(a) reads as rewritten:

"(a) License. – A person may not engage in business in this State as any of the following unless the person has a license issued by the Secretary authorizing the person to engage in business:

(1) A kerosene supplier.

(2) A kerosene distributor.

(3) A kerosene terminal operator.

(4) A dyed diesel fuel distributor."

SECTION 20. G.S. 119-15.3(a) reads as rewritten:

"(a) Initial Bond. – An applicant for a license as a kerosene supplier, kerosene distributor, or kerosene terminal operator must file with the Secretary of Revenue a bond or an irrevocable letter of credit. A bond or irrevocable letter of credit must be conditioned upon compliance with the requirements of this Article, be payable to the State, and be in the form required by the Secretary. The amount of the bond or

irrevocable letter of credit may not be less than five hundred dollars ($500.00) and may not be more than twenty thousand dollars ($20,000)."

SECTION 21. G.S. 20-91 reads as rewritten:

"**§ 20-91. Audit of vehicle registrations under the International Registration Plan.**

(a) Repealed by Session Laws 1995 (Regular Session, 1996), c. 756, s. 9.

(b) The ~~Division~~ Department of Revenue may audit a person who registers or is required to register a vehicle under the International Registration Plan to determine if the person has paid the registration fees due under this Article. A person who registers a vehicle under the International Registration Plan must keep any records used to determine the information provided to the Division when registering the vehicle. The records must be kept for three years after the date of the registration to which the records apply. The ~~Division~~ Department of Revenue may examine these records during business hours. If the records are not located in North Carolina and an auditor must travel to the location of the records, the registrant shall reimburse North Carolina for per diem and travel expense incurred in the performance of the audit. If more than one registrant is audited on the same out-of-state trip, the per diem and travel expense may be prorated.

The ~~Commissioner~~ Secretary of Revenue may enter into reciprocal audit agreements with other agencies of this State or agencies of another jurisdiction for the purpose of conducting joint audits of any registrant subject to audit under this section.

(c) If an audit is conducted and it becomes necessary to assess the registrant for deficiencies in registration fees or taxes due based on the audit, the assessment will be determined based on the schedule of rates prescribed for that registration year, adding thereto and as a part thereof an amount equal to five percent (5%) of the tax to be collected. If, during an audit, it is determined that:

(1) A registrant failed or refused to make acceptable records available for audit as provided by law; or

(2) A registrant misrepresented, falsified or concealed records, then all plates and cab cards shall be deemed to have been issued erroneously and are subject to cancellation. The ~~Commissioner~~ Commissioner, based on information provided by the Department of Revenue audit, may assess the registrant for an additional percentage up to one hundred percent (100%) North Carolina registration fees at the rate prescribed for that registration year, adding thereto and as a part thereof an amount equal to five percent (5%) of the tax to be collected. The Commissioner may cancel all registration and reciprocal privileges.

As a result of an audit, no assessment shall be issued and no claim for refund shall be allowed which is in an amount of less than ten dollars ($10.00).

The results of any audit conducted under this section shall be provided to the Division. The notice of any assessments ~~will~~ shall be sent by the Division to the registrant by registered or certified mail at the address of the registrant as it appears in the records of the Division of Motor Vehicles in Raleigh. The notice, when sent in

accordance with the requirements indicated above, will be sufficient regardless of whether or not it was ever received.

The failure of any registrant to pay any additional registration fees or tax within 30 days after the billing date, shall constitute cause for revocation of registration license plates, cab cards and reciprocal privileges.

(d) Repealed by Session Laws 1995 (Regular Session, 1996), c. 756, s. 9."

SECTION 22. Sections 1, 6, 7, 8, 15, and 17 of this act become effective January 1, 2006. The remainder of this act is effective when it becomes law.

HOUSE BILL 105:
Motor Fuel Tax Changes

BILL ANALYSIS

Committee:	House Finance	**Date:**	April 19, 2005
Introduced by:	Rep. Luebke	**Summary by:**	Cindy Avrette
Version:	First Edition		Committee Counsel

SUMMARY: House Bill 105 makes several changes to the motor fuel laws. The provisions regarding penalties and licensing become effective January 1, 2006. The remainder becomes effective when it becomes law. The Revenue Laws Study Committee recommended this bill to the 2005 General Assembly. The Motor Fuels Division of the Department of Revenue recommends two additional changes contained in the attached amendment and explained below.

BACKGROUND & ANALYSIS:

Section 1 - Penalty for failure to obtain a license.

Section 1 allows the Secretary to impose a $1,000 penalty for failure to obtain a license under G.S. 105-449.65 or G.S. 105-449.131[1]. Currently, the Secretary has general authority to impose a penalty for failure to obtain a license. Under that general authority, the amount of the penalty imposed is equal to 5% of the amount prescribed for the license for each month the taxpayer fails to obtain the license, with a maximum penalty of 25% of the amount prescribed for the license. Because this general authority limits the penalty to a percentage of the amount prescribed for the license, it effectively bars assessing a penalty when there is no charge to obtain a license. There is no charge for the licenses issued pursuant to G.S. 105-449.65 or G.S. 105-449.131. This provision becomes effective January 1, 2006.

Section 2 - Conform refund provisions.

Section 2 conforms the refund statute applicable to motor carriers to the general rule applicable to tax refunds of overpaid taxes. Under the general administrative provisions of G.S. 105-266(a)(3), the Secretary does not have to refund a tax overpayment of less than $3.00 unless the taxpayer makes a written request for the refund. A motor carrier is entitled to a credit on its quarterly report for tax paid by the carrier on fuel purchased in this State. If the credit exceeds the amount of tax owed, the statute provides that the Secretary must refund the excess to the carrier. The statute does not set a minimum amount. This statute appears to conflict with the general administrative provision. This section clarifies that the general administrative law applicable to refunds applies to refunds payable to motor carriers. This provision becomes effective when it becomes law.

---

[1] G.S. 105-449.65 is contained in the Article dealing with gasoline, diesel fuel, and blended fuel, and requires the following to have a license: refiners, suppliers, terminal operator, importers, exporters, blenders, motor fuel transporters, and distributors who purchase motor fuel from an elective or permissive supplier at an out-of-state terminal for import into this State. G.S. 105-449.131 is contained in the Article dealing with alternative fuels and requires the following to have a license: providers of alternative fuel, bulk-end users, and retailers.

Section 3 - Technical change.

Section 3 removes obsolete language to conform to current administrative practice. G.S. 105-449.44 establishes the calculation by which a motor carrier determines the amount of fuel used in North Carolina. The formula under current law has not been used since 1991. In 1992, North Carolina became a participant in the International Fuel Tax Agreement. The method proposed by this section conforms to the IFTA agreement and is the method motor carriers have been using to determine the amount of fuel used in this State since 1992. This provision becomes effective when it becomes law.

Sections 4 and 21 - Conforming changes.

Sections 4 and 21 transfer audit functions related to the International Registration Plan from the Department of Transportation, Division of Motor Vehicles to the Department of Revenue, Motor Fuels Tax Division. The International Registration Plan is the mechanism through which interstate motor carriers are licensed. It helps to ensure that the proper amount of motor fuels tax is credited to each jurisdiction in which the motor carrier travels. It has been suggested that the Department of Revenue has more expertise in auditing taxpayers and would be a more appropriate home for these audit functions. The positions associated with these audit functions were transferred July 1, 2004, through an administrative transfer. These provisions become effective when they become law.

Section 5 - Technical change.

Section 5 removes language that is no longer applicable. G.S. 105-449.47 provides that the Secretary must issue identification markers to motor carriers. The current statute provides that the Secretary may withhold an identification marker if a motor carrier fails to comply with *former Article 36 or 36A*. The General Assembly repealed those articles in 1996. The authority of the Department to issue an assessment under one of those articles has expired and any uncollectible assessments issued under those articles has been written off. Therefore, the language repealed by this section is obsolete. This provision becomes effective when it becomes law.

Section 6 - Reasons to refuse to register and issue identification marker to motor carrier.

Section 6 sets forth the reasons the Secretary could refuse to register and issue an identification marker to a motor carrier. The Department requests this change to enable it to only register applicants that are in good standing with North Carolina and other taxing jurisdictions. The statute proposed in this section is very similar to G.S. 105-449.73, which sets forth the reasons the Secretary may refuse to issue a license to an applicant under the motor fuel statutes. This provision becomes effective January 1, 2006.

Section 7 - Simplify criminal penalty.

Section 7 simplifies the criminal penalty imposed on persons who operate in this State as a motor carrier without obtaining the necessary registration and identification markers. A violation of the motor carrier requirements is a Class 3 misdemeanor. Under current law it is punishable by a fine that is no less than $10 nor more than $200. This section sets the amount of the fine at $200. The civil penalty for this offense is $100. This provision becomes effective January 1, 2006.

Section 8 - Clarification of licensing requirements for multiple activities.

Section 8 clarifies the current licensing requirements by conforming them to the current Department policy and practice. This provision becomes effective January 1, 2006.

Section 9 - Technical change.

Section 9 removes obsolete language. In 1999, the General Assembly removed the licensing requirements for bulk-end users and retailers of undyed diesel fuel. The legislation did not include a conforming change to G.S. 105-449.69(b). This provision becomes effective when it becomes law.

Section 10 - Clarifying change.

Section 10 changes the defined term 'overdue tax debt' to the appropriate defined term 'tax debt'. Under the general administrative provisions in G.S. 105-243.1, a tax debt is defined as the total amount of tax, penalty, and interest due for which a notice of final assessment has been mailed to the taxpayer after the taxpayer no longer has the right to contest the debt. An 'overdue tax debt' is any part of a tax debt that remains unpaid *90 days or more after the notice of final assessment* was mailed to the taxpayer. A collection assistance fee is imposed on an overdue tax debt that remains unpaid 30 days or more after the appropriate fee notice is mailed to the taxpayer. G.S. 105-449.73 sets forth the reasons the Secretary can deny a license to an applicant. One of the reasons is failure to remit taxes that remain due after a taxpayer no longer has the right to contest the tax debt. Since G.S. 105-449.73 has nothing to do with the imposition of a collection assistance fee, the term 'overdue tax debt' is not the appropriate term to use. This provision becomes effective when it becomes law.

Section 11 - Conforming change.

Section 11 exempts motor fuel acquired to operate a highway vehicle owned by or leased to the American Red Cross from the motor fuel excise tax. In Department of Employment v. United States, 385 U.S. 355, 87 S.Ct. 464 (1966), the United States Supreme Court ruled that the Red Cross is an instrumentality of the United States for state tax immunity purposes. This provision codifies the current administrative practice of the Department of Revenue. This section is effective when it becomes law.

Section 12 - Repeal obsolete payment procedure.

Section 12 removes the ability of a person exporting motor fuel to another state to pay the tax directly to the Department if the person is not licensed in the destination state of the motor fuel because it is no longer necessary. This provision was included in the statutes in 1996 when North Carolina first adopted 'tax at the rack' to accommodate persons exporting product to a state that was not a 'tax at the rack' state. Today, with the exception of Georgia, all of the surrounding states have adopted 'tax at the rack'. The Georgia border in the western part of the State would not be affected by this repeal because the closest terminal to the Georgia line is in Charlotte. This provision becomes effective when it becomes law.

Section 13 - Conforming change.

Section 13 provides that a supplier must list on its return to the Secretary the number of gallons of motor fuel the supplier exchanged with another licensed supplier pursuant to a two-

party exchange agreement. The Secretary currently requires this information on the supplier return. This provision becomes effective with it becomes law.

Section 14 - Technical change.

Section 14 removes obsolete language from the catch line of G.S. 105-449.106. In 2003, the General Assembly exempted motor fuel sold to a county or city for its use from the motor fuel tax. Although the legislation authorizing the exemption made the appropriate conforming change to the refund statute, it failed to amend the catch line. This provision becomes effective when it becomes law.

Section 15 - Shipping document.

Section 15 allows the Secretary of Revenue to assess a penalty of $5,000 on a terminal operator who fails to issue a shipping document that satisfies the requirements for the shipping document. Under G.S. 105-449.115, shipping documents issued by a terminal operator must contain the following information: 1) identification of the terminal or bulk plant from which the fuel was received, 2) the date the fuel was loaded, 3) the gross gallons loaded, 4) the destination state of the motor fuel, 5) the net gallons loaded, and 6) a tax responsibility statement indicating the name of the supplier that is responsible for the tax. The Motor Fuels Tax Division has noticed a problem with some terminal operators failing to issue proper shipping documents. Without an accurate shipping document, it is difficult, if not impossible, for the Department to ensure that the proper amount of tax is being paid.

Section 15 also requires a person operating an empty transport to carry the shipping document in the conveyance for the motor fuel last contained in the conveyance. The US Department of Transportation already requires a transporter to carry this information. This requirement will help the Motor Fuels Division in its enforcement of fuel tax evasion by identifying the product that was last hauled by the transporter and determining if the transporter is truly empty at the time of investigation. If there is product in the conveyance, then Motor Fuels would have the last known delivery to determine if the transporter 'short dropped' the product. The Division could also use the information to verify that the product that was delivered to a retail location is what the retail station had facilities to store.

Section 15 becomes effective January 1, 2006.

Section 16 - Documentation for tank wagon.

Section 16 would require the same documentation requirements for a person who operates a tank wagon into which motor fuel is loaded at the terminal as for a person who operates a transport truck into which motor fuel is loaded at the terminal. This provision becomes effective when it becomes law.

Section 17 - Penalty for failing to property mark storage facility.

Section 17 would impose a civil penalty on a person who does not properly mark the storage facility of motor fuel. Undyed fuel is subject to the motor fuel tax; dyed fuel is not. This section becomes effective January 1, 2006.

Sections 18 and 19 - Conforming changes.

Sections 18 and 19 make changes to Chapter 119 necessitated by legislation enacted in 2003. In 2003, the General Assembly voted to apply the inspection tax to dyed diesel fuels. The inspection tax is imposed on all fuel types at the rate of ¼¢ per gallon. Proceeds of the tax are used to offset the expenses of administering the motor fuels taxes. The changes in these two sections are needed to apply the tax to distributors who purchase only dyed diesel fuel. These two sections are effective when they become law.

Section 20 - Technical change.

The law provides that an applicant for a license as a kerosene supplier, kerosene distributor, or a kerosene terminal operation may file either a bond with the Secretary of Revenue or an irrevocable letter of credit. Section 20 inserts the phrase 'irrevocable letter of credit' in a sentence in which it was inadvertently omitted. This section becomes effective when it becomes law.

Section 22 - Effective dates.

Section 22 is the effective date section and it becomes effective when it becomes law.

AMENDMENT: The Department requested two additional provisions be included in this bill. The amendment contains the following two changes:

- Lines 1-10 of the Amendment: Section 1.1 proposed by the amendment would enable the Motor Fuels Division to move towards a paperless return. By statute the Secretary can require motor fuels taxpayers to file returns electronically. The Division plans to require motor fuel taxpayers that have schedule date information to file their returns electronically. 'Schedule data information' is a separate schedule that lists all bills of lading for the fuel being reported. The information enables the Department to track fuel on a load-by-load basis. The Secretary will not require electronic filing from taxpayers who request relief from this requirement in writing. The change proposed by the amendment would enable the Secretary to require those taxpayers who file electronically to also pay electronically.
- Lines 12-14 of the Amendment: The second part of the amendment conforms State law to federal law. It does not change the taxation of the fuel. Dyed diesel fuel indicates that the fuel is used for a nontaxable purpose under federal law. State law provides that in certain listed circumstances, the State motor fuel tax is imposed on dyed diesel fuel. One of those listed circumstances includes local buses and intercity buses. The amendment recognizes that federal law no longer allows dyed diesel fuel to be used in an intercity bus.

EFFECTIVE DATE: Sections 1, 6, 7, 8, 15, and 17 become effective January 1, 2006. The remainder of the act is effective when it becomes law.

BILL SUMMARY: The legislation makes several changes to the motor fuel laws as follows: (1) Amends GS 105-236(2), effective January 1, 2006, to authorize Secretary of Revenue to impose a penalty of $1,000 for a person's failure to obtain certain motor and alternative fuel business licenses as required by GS 105-449.65 and 105-449.131. (2) Amends GS 105-449.46 and GS 20-91 to transfer audits related to the International Registration Plan from the Department of Transportation, Division of Motor Vehicles, to the Department of Revenue, Motor Fuels Tax Division. (3) Enacts new GS 105-449.47A, effective January 1, 2006, to authorize Secretary to deny a motor carrier an identification marker if carrier has: had a registration cancelled for cause; has been convicted of fraud, misrepresentation, or any other offense that indicates that applicant may not comply with motor carrier fuel tax requirements; or failed to pay a state tax or file a return. (4) Effective January 1, 2006, amends GS 105-449.51 to impose $200 fine (was, at least

$10 and up to $200) for operation of a motor vehicle without required registration and identification markers. (5) Amends GS 105-449.65(b) to provide that a person licensed as an occasional or tank wagon importer is required to obtain a distributor license if the importer is also purchasing motor fuel, at the terminal rack, from an elective or permissive supplier who is authorized to collect and remit tax to the state, effective Jan. 1, 2006. (6) Deletes GS 105-449.86(a)(4), which imposed motor fuel excise tax on American Red Cross. (7) Amends GS 105-449.90A to delete option of paying tax to NC rather than destination state when the person exporting fuel is not registered in the destination state. (8) Enacts new GS 105-449.96(7) to require that fuel supplier list on state tax return the number of gallons of motor fuel exchanged with another licensed supplier pursuant to a two-party exchange agreement. (9) Amends GS 105-449.15(d)(1), effective January 1, 2006, to require a person operating an empty fuel transport to carry the shipping document for the motor fuel last contained in the conveyance. (10) Enacts new GS 105-449.115(g) authorizing Secretary of Revenue to assess a civil penalty of $5,000 against a terminal operator that issues a shipping document that does not contain all the required information. (11) Amends GS 105-449.115A(a) to extend shipping document requirements to a person who operates a tank wagon into which motor fuel is loaded at the terminal. (12) Effective January 1, 2006, amends GS 105-449.123(a) to impose a civil penalty on a person who fails to mark a storage facility for dyed (untaxed) motor fuel. Amends GS 119-15 to define "dyed diesel fuel" and "dyed diesel fuel distributor." (13) Enacts new GS 119-15.1(a)(4) to require licensing of dyed diesel fuel distributor. (14) Makes technical and conforming changes.

ASSUMPTIONS AND METHODOLOGY:

Penalties

The legislation authorizes the Secretary of Revenue to impose a $1,000 penalty for failure to obtain certain motor and alternative fuel business licenses. The current law bars the Department from charging a penalty because there is no fee for the license. The Department estimates a maximum of five violations a year. Since the penalty is discretionary, no revenue estimate is possible. If a penalty were accessed, the proceeds would be deposited in the Highway Fund.

The bill also allows the Secretary of Revenue to impose a civil penalty of $5,000 on an oil terminal operator that issues a shipping document that does not contain all the required information. Without an accurate and complete bill of laden the Department cannot ensure proper taxation. No estimate is available due to the discretionary nature of the penalty, but proceeds are expected to be limited.

The final penalty relates to persons who operate as a motor carrier in North Carolina, but do so without obtaining the necessary registration and identification markers. Under current law the fine is between $10 and $200. This section sets the amount at $200. While no estimate is available, the impact is expected to be minimal.

Red Cross

The legislation exempts the Red Cross from paying the excise tax on dyed diesel fuel. The U.S. Supreme Court ruled in the Department of Employment v. United States that the American Red Cross is an instrumentality of the United States for state tax immunity purposes. While the Red

Cross is not exempt by statute, the Department of Revenue had administratively recognized their federal exemption status and has refunded their tax payments. Since this section conforms statute to department policy, no fiscal impact is expected.

Refunds

The bill conforms the refund statute for motor carriers to the general rule applicable to tax refunds of overpaid taxes. Under the general administrative provisions of G.S. 105-266(a)(3), the Secretary does not have to refund a tax overpayment of less than $3.00, unless the taxpayer makes a written request for the funds. However, there is no minimum payment amount for motor carriers. This provision conforms the motor carrier process to the utilized with other taxpayers. No fiscal impact is expected.

Department of Revenue (Administrative Responsibility)

Per Section 21, G.S. 20-91is amended to transfer audits related to the International Registration Plan to the Department of Revenue. In July 2004, six (6) Vehicle Plan Registration Auditor positions with salaries and related benefits were transferred through administrative process from the Department of Transportation (DOT) to the Department of Revenue/International Registration Division to handle International Registration audit functions. The support for the division is derived from receipts transferred from DOT, and there is no additional funding required for the positions. Additionally, there is no increase in receipts needed for the department to administer the new or revised statutory requirements resulting from this legislation.

Other provisions:

Sections 3,5,8,9,10,12,13,14,18, and 19 either conform the law to existing Department practice or changes obsolete language. No fiscal impact is expected as a result of these changes.

The remaining sections deal with record keeping requirements and have no fiscal impact.

House Committee on Finance

Minutes

~

April 26, 2005

The House Committee on Finance met on Tuesday, April 26, 2005 at 8:30 am in Room 544 of the Legislative Office Building. The following members were present: Chairpersons Alexander, Gibson, Howard, and Wainwright; Vice-Chairs Daughtridge, Hill, Ross, Weiss, and Womble; and Representatives Blackwood, Blust, Bordsen, Capps, Carney, Faison, Folwell, Glazier, Hackney, Harrell, Holliman, Jones, Lewis, McGee, Underhill, Vinson, Walend, and Wiley. Also present were Sergeant-at-Arms Bill Freeman, Fred Hines, Dusty Rhodes, and Walter Spell. Staff persons present included Cindy Avrette, Rodney Bizzell, Erika Churchill, Gerry Cohen, David Crotts and Martha Walston. The Agenda and Visitor Registration Sheet are attached and incorporated into these minutes as **attachments 1 and 2**.

Chairman Gibson called the meeting to order at 8:35 am and recognized the five (5) pages present: Ariane Belisle of Ottawa, Canada, sponsored by Speaker Black; Isaac Davis of Duplin County, sponsored by Representative Tucker; Marquis Eichelberger of Forsyth County, sponsored by Representative Womble; Tosha Murray of Harnett County, sponsored by Representative Lewis; and Antonio Sunday of Forsyth County, sponsored by Representative Womble.

The first bill under the Committee's consideration was **HB 454 – WATER/UTILITIES SAVINGS IN GOVT. FACILITIES** (see **attachment 3**). Chairman Gibson recognized Representative Tolson who explained that the bill increases from $50 million to $75 million the amount of installment finance contracts the State may allow to finance guaranteed energy savings measures. The bill also expands the types of energy savings upon which a guaranteed savings energy contract may be issued to include water and other utility savings. Chairman Gibson then recognized Representative Howard who moved that House Bill 454 be given a favorable report. Seeing no further discussion, Chairman Gibson called the motion to a vote and it carried by consent. .

The next bill considered by the Committee was **HB 1004 – MORTGAGE HOSPITAL FACILITIES** (see **attachment 4**). Chairman Gibson first sent forth a clarifying amendment (see **attachment 5**), which alters the substance of the bill and moved for the adoption of the amendment. As there was no further discussion, Chairman Gibson called the motion to a vote and the amendment was adopted. Representative Grady was then recognized and explained that this bill authorizes local governments to provide hospital facilities the ability to pledge, mortgage, or grant a security interest in the facilities and equipment affected by the revenue bond issuance. Chairman Gibson then recognized Representative Holliman who moved that the amended bill be incorporated into a proposed committee substitute and that a favorable report be given to the proposed committee substitute and an unfavorable report to the original bill. Seeing no further discussion, Chairman Gibson called the motion to a vote and it carried without objection.

The following bill considered by the Committee was **HB 116 - PROPERTY TAX CHANGES** (see **attachment 6**). Chairman Gibson first recognized Representative Howard who moved for the adoption of the proposed committee substitute for the Committee's consideration. The motion was adopted. Representative Brubaker was then recognized and explained that this bill is a recommendation from the Revenue Laws Study Commission that clarifies the property tax statutes relating to present-use value eligibility and amends the period for appeal of a present-use value determination or appraisal. Following the explanation, Chairman Gibson recognized Representative Hill who moved for a favorable report to the proposed committee substitute and an unfavorable report to the original bill. As it was then discovered that some members did not have a complete copy of the bill, Chairman Gibson temporarily displaced the bill until more copies were made available.

Chairman Gibson then recognized Representative Church to explain **HB 988 – PROPERTY TAX - VALUE OF MOTOR VEHICLES** (see **attachment 7**). Before the explanation, Representative Blackwood was recognized and moved for the adoption of the proposed committee substitute for the Committee's consideration. The motion was adopted. Representative Church then explained that the bill provides that when a tax assessor considers the sales price of a motor vehicle in determining the true value of the vehicle for property tax purposes, the assessor may not consider the highway use tax as part of the sales price. He also stated that the bill had no opposition and no fiscal impact. Chairman Gibson again recognized Representative Blackwood who moved for a favorable report to the proposed committee substitute and an unfavorable report to the original bill. As there was no further debate, Chairman Gibson called the motion to a vote and it carried by consent.

The next bill under consideration by the Committee was **HB 691 – CARRBORO MOTOR VEHICLE TAX** (see **attachment 8**). Chairman Gibson first recognized Representative Hackney who moved for the adoption of the proposed committee substitute for the Committee's consideration. The motion was adopted. Representative Insko was then recognized who explained that the bill authorizes the Town of Carrboro to levy a motor vehicle tax of no more than twenty-five dollars ($25.00). Following the explanation, Representative Hackney was recognized again and moved for a favorable report to the proposed committee substitute and an unfavorable report to the original bill. Seeing no further discussion, Chairman Gibson called the motion to a vote and it carried without objection.

Chairman Gibson then recognized Representative McGee who moved for the adoption of the proposed committee substitute for the Committee's consideration of **HB 488 – CARY CHARTER REWRITE** (see **attachment 9**). The motion was adopted. Chairman Gibson recognized Representative Weiss next who explained that this bill simply amends the charter of the Town of Cary and does not grant or take away any powers from the Town. Chairman Gibson then recognized Representative Hackney who moved for a favorable report to the proposed committee substitute and an unfavorable report to the original bill. As there was no further debate, Chairman Gibson called the motion to a vote and it carried by consent.

The next bill under consideration by the Committee was **HB 464 – WINSTON-SALEM MOTOR VEHICLE TAX INCREASE** (see **attachment 10**). Chairman Gibson first recognized Representative Womble who moved for the adoption of the proposed committee substitute for the Committee's consideration. The motion was adopted. Representative Parmon was then recognized who explained that the bill authorizes the City of Winston-Salem to levy a motor vehicle tax of no more than twenty dollars ($20.00) for each resident vehicle. Cindy Avrette from staff noted the difference between the original bill and the proposed committee substitute, was that the PCS

[provides for the motor vehicle tax increase to be conducted incrementally from $10 to $15 and then later from $15 to $20. Following the explanation, Representative Womble was recognized again and explained that the bill was requested and approved unanimously by the Winston-Salem City Council and has received no opposition. He then moved for a favorable report to the proposed committee substitute and an unfavorable report to the original bill. Seeing no further discussion, Chairman Gibson called the motion to a vote and it carried by a majority.

Chairman Gibson then recognized Representative Alexander who moved for the adoption of the proposed committee substitute for the Committee's consideration of **HB 1037 – INCREASE WRIGHTSVILLE BEACH MOTOR VEHICLE TAX** (see **attachment 11**). The motion was adopted. Representative Howard was then recognized to explain the bill on behalf of the bill sponsor, Rep. McComas, and stated that the bill authorizes the Town of Wrightsville Beach to levy a motor vehicle privilege tax of no more than fifteen dollars ($15.00) for each resident located in the town. This bill also establishes a schedule of discounts to be applied to motor vehicle taxes paid prior to July 1 to encourage residents to obtain resident vehicle decals before hurricane season so residents will have the decal in the event of an evacuation. Following the explanation, Representative Womble was recognized again and moved for a favorable report to the proposed committee substitute and an unfavorable report to the original bill. Seeing no further discussion, Chairman Gibson called the motion to a vote and it carried without objection.

The next bill under consideration by the Committee was **HB 1117 – PUBLIC FINANCE CHANGES** (see **attachment 12**). Chairman Gibson first recognized Representative Howard who moved for the adoption of the proposed committee substitute for the Committee's consideration. The motion was adopted. Representative Ross was then recognized and explained the bill section by section and in summary she informed the members that the bill cleans up the statutes dealing with public financing mechanism available to the State and localities. The bill was approved by the House Judiciary I Committee and is approved by the Local Government Commission in the Office of State Treasurer and the North Carolina Association of County Commissioners. Following the explanation, Chairman Gibson recognized Representative Howard who moved for a favorable report to the proposed committee substitute and an unfavorable report to the original bill. Some general questions about the bill followed Representative Howard's motion. Chairman Gibson recognized Angie Corenevsky, Public Finance Counsel for the State Treasurer's Office, and Janice Burke from the State Treasurer's office to answer the general questions about the details of the bill. Following this discussion, Chairman Gibson called the motion to a vote and it carried by consent.

Chairman Gibson then replaced **HB 116 - PROPERTY TAX CHANGES** (see **attachment 6**) before the Committee, as new copies were made available for the Committee members. Once again, Representative Brubaker was recognized to complete the explanation of the bill. Chairman Gibson then recognized Representative Hackney who requested a further explanation on sections 2 and 3 of the bill. Martha Walston of Fiscal Research was then recognized and explained the two sections further. Other general questions followed, and David Baker, the Director of the Property Tax Division of the Department of Revenue, was recognized to address the Committee's concerns. Representative Hill was recognized and reiterated his motion for a favorable report to the proposed committee substitute and an unfavorable report to the original bill. Seeing no further discussion, Chairman Gibson called the motion to a vote and it carried without objection.

The following bill considered by the Committee was **HB 35 - ADET SCHOOL/QUALIS. INCREASE** (see **attachment 13**). Chairman Gibson recognized Representative Alexander who explained that the bill increases the fee paid by participants to schools providing alcohol and drug education traffic (ADET) classes from seventy-five dollars ($75) to one hundred-sixty dollars ($160). This bill also increases the number of hours of class required to receive a certificate of completion at

an ADET school from 10 to 16 hours and requires minimum qualifications for certified ADET instructors. Representative Alexander reported that the bill was approved by the House Judiciary I Committee. Following the explanation, Representative Wainwright asked why the fee is being increased so dramatically. To answer the question, Representative Alexander explained that the fee was being increased to fund an increase in the number of hours required for a certificate of completion and to be able to provide for smaller class sizes. Jason Reynolds from the Department of Health and Human Services was recognized and added that DHHS supports the bill and the fee increase is necessary to be able to increase instruction time for the class from ten (10) hours to sixteen (16) hours and have class sizes of no more than twenty (20) students. Representative Wiley was then recognized and asked about the additional requirements needed for instructors at ADET schools. Representative Alexander responded by saying that beginning January 1, 2009, instructors at an ADET school would be required to obtain one of three certifications listed in the bill. Chairman Gibson then recognized Representative Ross who moved that House Bill 35 be given a favorable report by the Committee. As there was no further debate, Chairman Gibson called the motion to a vote and it carried by consent.

The next bill under consideration by the Committee was **HB 1194 – PHYSICAL THERAPISTS/PROFESSIONAL CORPORATIONS** (see **attachment 14**). Chairman Gibson then recognized Representative Weiss who explained that the bill permits physical therapists to form professional corporations and authorizes the Board of Physical Therapy Examiners to discipline persons for paying for referrals of physical therapy patients. Following the explanation, Chairman Gibson recognized Representative Glazier who moved that House Bill 1194 be given a favorable report. Seeing no further discussion, Chairman Gibson called the motion to a vote and it carried without objection.

The final bill considered by the Committee was **HB 646 – INSURANCE COMPANY FEE CONSOLIDATION** (see **attachment 15**). Chairman Gibson recognized Representative Holliman who sent forth a technical amendment (see **attachment 16**), which corrects a statutory reference in the bill. As there was no debate on the amendment, Chairman Gibson called the motion to a vote and the amendment was adopted. Representative Holliman then continued and explained that the bill eliminates various fees charged to insurance companies and increases the annual license continuation fee. He reported that the bill was filed upon the request of the Department of Insurance and had been approved by the House Insurance Committee. Chairman Gibson then recognized Representative Howard who moved that House Bill 646 be given a favorable report as amended. Seeing no further discussion, Chairman Gibson called the motion to a vote and it carried by consent.

As there was no further business before the Committee, Chairman Gibson then adjourned the meeting at 9:49 am.

Respectfully submitted,

Representative Pryor Gibson

HOUSE BILL 454*

Short Title:	Water/Utilities Savings in Govt. Facilities.	(Public)
Sponsors:	Representatives Tolson, Pate (Primary Sponsors); Alexander, Fisher, Hackney, Insko, Luebke, and Weiss.	
Referred to:	State Government.	

March 3, 2005

A BILL TO BE ENTITLED

AN ACT TO CLARIFY THAT GUARANTEED ENERGY SAVINGS CONTRACTS INCLUDE CONSERVATION MEASURES FOR WATER AND OTHER UTILITIES, TO RAISE THE CAP FOR GUARANTEED ENERGY SAVINGS CONTRACTS, TO EXPAND THE STATE'S ENERGY POLICY AND LIFE-CYCLE COST ANALYSIS TO INCLUDE THE CONSERVATION OF WATER AND OTHER UTILITIES, AND TO MAKE CONFORMING CHANGES.

The General Assembly of North Carolina enacts:

SECTION 1. The title of Article 3B of Chapter 143 of the General Statutes reads as rewritten: "~~Energy~~ Conservation of Energy, Water, and Other Utilities in ~~Public~~ Government Facilities."

SECTION 2. G.S. 143-64.17 reads as rewritten:

"**§ 143-64.17. Definitions.**

As used in this Part:

(1) "Energy conservation measure" means a facility alteration, training, or services related to the operation of the facility, when the alteration, training, or services provide anticipated energy savings. Energy conservation measure includes any of the following:

a. Insulation of the building structure and systems within the building.

b. Storm windows or doors, caulking, weatherstripping, multiglazed windows or doors, heat-absorbing or heat-reflective glazed or coated window or door systems, additional glazing, reductions in glass area, or other window or door system modifications that reduce energy consumption.

c. Automatic energy control systems.

d. Heating, ventilating, or air-conditioning system modifications or replacements.

e. Replacement or modification of lighting fixtures to increase the energy efficiency of a lighting system without increasing the overall illumination of a facility, unless an increase in illumination is necessary to conform to the applicable State or local building code or is required by the light system after the proposed modifications are made.

f. Energy recovery systems.

g. Cogeneration systems that produce steam or forms of energy such as heat, as well as electricity, for use primarily within a building or complex of buildings.

~~h. Other energy conservation measures.~~

i. Faucets with automatic or metered shut-off valves, leak detection equipment, water recycling equipment, and wastewater recovery systems.

j. Other energy conservation measures that conserve energy, water, or other utilities.

(2) "Energy savings" means a measured reduction in fuel costs, energy costs, water costs, stormwater fees, other utility costs, or operating ~~costs~~costs, including environmental discharge fees and water and sewer maintenance fees, created from the implementation of one or more energy conservation measures when compared with an established baseline of previous ~~fuel costs, energy costs, or operating costs~~such costs developed by the governmental unit.

(2a) "Governmental unit" means either a local governmental unit or a State governmental unit.

(3) "Guaranteed energy savings contract" means a contract for the evaluation, recommendation, or implementation of energy conservation measures, including the design and installation of equipment or the repair or replacement of existing equipment, in which all payments, except obligations on termination of the contract before its expiration, are to be made over time, and in which energy savings are guaranteed to exceed costs.

(4) "Local governmental unit" means any board or governing body of a political subdivision of the State, including any board of a community college, any school board, or an agency, commission, or authority of a political subdivision of the State.

(5) "Qualified provider" means a person or business experienced in the design, implementation, and installation of energy conservation measures.

(6) "Request for proposals" means a negotiated procurement initiated by a governmental unit by way of a published notice that includes the following:

a. The name and address of the governmental unit.
b. The name, address, title, and telephone number of a contact person in the governmental unit.
c. Notice indicating that the governmental unit is requesting qualified providers to propose energy conservation measures through a guaranteed energy savings contract.
d. The date, time, and place where proposals must be received.
e. The evaluation criteria for assessing the proposals.
f. A statement reserving the right of the governmental unit to reject any or all the proposals.
g. Any other stipulations and clarifications the governmental unit may require.

(7) "State governmental unit" means the State or a department, an agency, a board, or a commission of the State, including the Board of Governors of The University of North Carolina and its constituent institutions."

SECTION 3. G.S. 143-64.17G reads as rewritten:

"**§ 143-64.17G. Report on guaranteed energy savings ~~contracts.~~contracts entered into by local governmental units.**

A local governmental unit that enters into a guaranteed energy savings contract must report the contract and the terms of the contract to the Local Government Commission. The Commission shall compile the information and report it biennially to the Joint Commission on Governmental Operations. In compiling the information, the Local Government Commission shall include information on the energy savings expected to be realized from a contract and, with the assistance of the Office of State Construction, shall evaluate whether expected savings have in fact been realized."

SECTION 4. G.S. 143-64.17H reads as rewritten:

"**§ 143-64.17H. ~~Guaranteed~~ Report on guaranteed energy savings ~~contract reporting requirements.~~contracts entered into by State governmental units.**

A State governmental unit that enters into a guaranteed energy savings contract must report the contract and the terms of the contract to the State Energy Office of the Department of Administration within 30 days of the date the contract is entered into. In addition, within 60 days after each annual anniversary date of a guaranteed energy savings contract, the State governmental unit must report the status of the contract to the State Energy Office, including any details required by the State Energy Office. The State Energy Office shall compile the information for each fiscal year and report it to the Joint Legislative Commission on Governmental Operations and to the Local Government Commission annually by December 1. In compiling the information, the State Energy Office shall include information on the energy savings expected to be realized from a contract and shall evaluate whether expected savings have in fact been realized."

SECTION 5. G.S. 142-63 reads as rewritten:

"**§ 142-63. Authorization of financing contract.**

Subject to the terms and conditions set forth in this Article, a State governmental unit that has solicited a guaranteed energy conservation measure pursuant to G.S. 143-64.17A or G.S. 143-64.17B or the State Treasurer, as designated by the Council of State, is authorized to execute and deliver, for and on behalf of the State of North Carolina, a financing contract to finance the costs of the energy conservation measure. The aggregate principal amount payable by the State under financing contracts entered pursuant to this Article shall not exceed ~~fifty million dollars ($50,000,000)~~ seventy-five million dollars ($75,000,000) at any one time."

SECTION 6. G.S. 143-64.10 reads as rewritten:

"**§ 143-64.10. Findings; policy.**

(a) The General Assembly ~~hereby finds:~~finds all of the following:

(1) That the State shall take a leadership role in aggressively undertaking ~~energy~~ the conservation of energy, water, and other utilities in North ~~Carolina;~~Carolina.

(2) That State facilities have a significant impact on the State's consumption of ~~energy;~~energy, water, and other utilities.

(3) That ~~energy conservation~~ practices to conserve energy, water, and other utilities that are adopted for the design, construction, operation, maintenance, and renovation of these facilities and for the purchase, operation, and maintenance of equipment for these facilities will have a beneficial effect on the State's overall supply of ~~energy;~~energy, water, and other utilities.

(4) That the cost of the ~~energy~~ energy, water, and other utilities consumed by these facilities and the equipment for these facilities over the life of the facilities shall be considered, in addition to the initial ~~cost;~~cost.

(5) That the cost of ~~energy~~ energy, water, and other utilities is significant and facility designs shall take into consideration the total life-cycle cost, including the initial construction cost, and the cost, over the economic life of the facility, of the ~~energy~~ energy, water, and other utilities consumed, and of operation and maintenance of the facility as it affects ~~energy consumption; and~~ the consumption of energy, water, or other utilities.

(6) That State government shall undertake a program to reduce ~~energy~~ the use of energy, water, and other utilities in State facilities and equipment in those facilities in order to provide its citizens with an example of ~~energy use~~energy-use, water-use, and utility-use efficiency.

(b) It is the policy of the State of North Carolina to ensure that ~~energy conservation~~ practices to conserve energy, water, and other utilities are employed in the design, construction, operation, maintenance, and renovation of State facilities and in the purchase, operation, and maintenance of equipment for State facilities."

SECTION 7. G.S. 143-64.11(2) reads as rewritten:

"(2) "Energy-consumption analysis" means the evaluation of all energy-consuming ~~systems~~systems, including systems that consume water or

other utilities, and components of these systems by demand and type of ~~energy,~~energy or other utility use, including the internal energy load imposed on a facility by its occupants, equipment and components, and the external energy load imposed on the facility by climatic conditions."

SECTION 8. G.S. 143-64.11(2b) reads as rewritten:

"(2b) "Energy-consuming system" includes but is not limited to any of the following equipment or measures:

a. Equipment used to heat, cool, or ventilate the facility;
b. Equipment used to heat water in the facility;
c. Lighting systems;
d. On-site equipment used to generate electricity for the facility;
e. On-site equipment that uses the sun, wind, oil, natural gas, liquid propane gas, coal, or electricity as a power source; and
f. Energy conservation ~~measures~~ measures, as defined in G.S. 143-64.17, in the facility design and construction that decrease the ~~energy~~ energy, water, or other utility requirements of the facility."

SECTION 9. G.S. 143-64.11(3) reads as rewritten:

"(3) "Facility" means a building or a group of buildings served by a central ~~energy~~ distribution system for energy, water, or other utility or components of a central ~~energy~~ distribution system."

SECTION 10. G.S. 143-64.12 reads as rewritten:

"**§ 143-64.12. Authority and duties of State agencies.**

(a) The General Assembly authorizes and directs that State agencies shall carry out the construction and renovation of State facilities, under their jurisdiction in such a manner as to further the policy declared herein, ensuring the use of life-cycle cost analyses and ~~energy conservation practices.~~practices to conserve energy, water, and other utilities.

(b) The Department of Administration shall develop and implement policies, procedures, and standards to ensure that State purchasing practices improve ~~energy~~ efficiency regarding energy, water, and other utility use and take the cost of the product over the economic life of the product into consideration. The Department of Administration shall adopt and implement Building Energy Design Guidelines. These guidelines shall include energy-use goals and standards, economic assumptions for life-cycle cost analysis, and other criteria on building systems and technologies. The Department of Administration shall modify the design criteria for construction and renovation of facilities to require that a life-cycle cost analysis be conducted pursuant to G.S. 143-64.15. The Department of Administration, as part of the Facilities Condition and Assessment Program, shall identify and recommend energy conservation maintenance and operating procedures that are designed to reduce energy consumption within the facility and that require no significant expenditure of funds. State departments, institutions, or agencies shall implement these recommendations. Where

energy management equipment is proposed for State facilities, the maximum interchangeability and compatibility of equipment components shall be required.

The Department of Administration shall develop a comprehensive ~~energy management~~ program to manage energy, water, and other utility use for State government. Each State agency shall develop and implement ~~an energy~~ a management plan that is consistent with the State's comprehensive ~~energy management program.~~program to manage energy, water, and other utility use.

(c) through (g) Repealed by Session Laws 1993, c. 334, s. 4."

SECTION 11. G.S. 143-64.15 reads as rewritten:

"**§ 143-64.15. Life-cycle cost analysis.**

(a) A life-cycle cost analysis shall include, but not be limited to, all of the following elements:

(1) The coordination, orientation, and positioning of the facility on its physical ~~site;~~site.

(2) The amount and type of fenestration employed in the ~~facility;~~facility.

(3) Thermal characteristics of materials and the amount of insulation incorporated into the facility ~~design;~~design.

(4) The variable occupancy and operating conditions of the facility, including illumination ~~levels; and~~levels.

(5) Architectural features ~~which~~ that affect ~~energy consumption.~~the consumption of energy, water, and other utilities.

(b) The life-cycle cost analysis performed for any State facility shall, in addition to the requirements set forth in subsection (a) of this section, include, but not be limited to, all of the following:

(1) An energy-consumption analysis of the facility's energy-consuming systems in accordance with the provisions of subsection (g) of this ~~section;~~section.

(2) The initial estimated cost of each energy-consuming system being compared and ~~evaluated;~~evaluated.

(3) The estimated annual operating cost of all utility ~~requirements;~~requirements.

(4) The estimated annual cost of maintaining each energy-consuming ~~system; and~~system.

(5) The average estimated replacement cost for each system expressed in annual terms for the economic life of the facility.

(c) ~~The General Assembly requires each~~Each entity ~~to~~ shall conduct a life-cycle cost analysis pursuant to this section for the construction or the renovation of any State facility or State-assisted facility of 20,000 or more gross square feet. For the replacement of heating, ventilation, and air conditioning equipment in any State facility or State-assisted facility of 20,000 or more gross square feet, the entity shall conduct a life-cycle cost analysis of the replacement equipment pursuant to this section when the replacement is financed under a guaranteed energy savings contract or financed using repair and renovation funds.

(d) The life-cycle cost analysis shall be certified by a registered professional engineer or bear the seal of a North Carolina registered architect, or both. The engineer or architect shall be particularly qualified by training and experience for the type of work involved, but shall not be employed directly or indirectly by a fuel provider, utility company, or group supported by fuel providers or utility funds. Plans and specifications for facilities involving public funds shall be designed in conformance with the provisions of G.S. 133-1.1.

(e) In order to protect the integrity of historic buildings, no provision of this Article shall be interpreted to require the implementation of ~~energy cost~~ measures to conserve energy, water, or other utility use that conflict with respect to any property eligible for, nominated to, or entered on the National Register of Historic Places, pursuant to the National Historic Preservation Act of 1966, P.L. 89-665; any historic building located within an historic district as provided in Chapters 160A or 153A of the General Statutes; any historic building listed, owned, or under the jurisdiction of an historic properties commission as provided in Chapter 160A or 153A; nor any historic property owned by the State or assisted by the State.

(f) Each State agency shall use the life-cycle cost analysis over the economic life of the facility in selecting the optimum system or combination of systems to be incorporated into the design of the facility.

(g) The energy-consumption analysis of the operation of energy-consuming systems utilities in a facility shall include, but not be limited ~~to:~~to, all of the following:

(1) The comparison of two or more system ~~alternatives;~~alternatives.

(2) The simulation or engineering evaluation of each system over the entire range of operation of the facility for a year's operating ~~period; and~~period.

(3) The engineering evaluation of the ~~energy~~ consumption of energy, water, and other utilities of component equipment in each system considering the operation of such components at other than full or rated outputs."

HOUSE BILL 454:
Water/Utilities Savings in Govt. Facilities

BILL ANALYSIS

Committee:	House Finance	**Date:**	April 26, 2005
Introduced by:	Reps. Tolson, Pate	**Summary by:**	Cindy Avrette
Version:	First Edition		Committee Counsel

SUMMARY: ***House Bill 454 increases from $50 million to $75 million the amount of installment finance contracts the State may let to finance guaranteed energy savings measures. It also expands the types of energy savings upon which a guaranteed savings energy contract may be issued by either the State or local governmental units to include water and 'other utility' savings. The bill becomes effective when it becomes law. The bill received a favorable report from the House State Government Committee.***

CURRENT LAW: Local governments have had the authority to enter into financing contracts to finance the cost of energy conservation measures since 1994.[1] The General Assembly extended this ability to State agencies in 2002; the law limits the aggregate principal amount payable by the State under these contracts to $50 million.[2] An energy conservation measure is an alteration, training, or services that will provide anticipated energy savings with respect to a facility. The financing contracts are known as guaranteed energy savings contracts. Under the contract to implement energy conservation measures, all payments, except obligations on early termination, are to be made over time and energy cost savings are guaranteed to exceed the cost of the contract.

The law provides that a guaranteed energy savings contract is not a pledge of the government's taxing power. The debt is secured by a lien on or a security interest in any part of the property with respect to which an energy conservation measure is undertaken and/or the land upon which the property is or will be located. It is anticipated that the energy savings will generate enough money to pay the debt service on the contract.

The State Energy Office of the Department of Administration is required to adopt rules for agencies to follow in evaluating guaranteed energy savings contracts, subject to approval by the State Treasurer. State agencies that enter into guaranteed energy savings contracts are required to report to the State Energy Office which in turn reports annually to the Joint Legislative Commission on Governmental Operations. State energy conservation measures are subject to inspection and compliance by the State Construction Office or the local building inspector. The cost of the evaluation of the contract by either an independent architect or engineer, or by the State Construction Office, and the costs of the necessary building inspections, shall be included in the cost of the contract.

Before a guaranteed energy savings contract can be entered into, the Office of State Budget and Management must certify that resources are expected to be available to pay the amounts due under the contract. Next, the Council of State must approve the contract by resolution that sets out the maximum maturity, and the maximum interest rates. The maximum maturity may not exceed 12 years. The State Treasurer also must approve the financing, finding that the amount to be borrowed is adequate and not excessive and will not require an excessive increase in any State revenues to provide for repayment, and that the special indebtedness can be incurred or issued on terms favorable to the State.

BILL ANALYSIS: House Bill 454 does the following:

- It expands the definition of 'energy conservation measure' to include conservation measures that conserve not only energy, but also water or other utilities and it makes conforming changes in other statutes. (Sections 1, 2, 6, 7, 8, 9, 10, and 11) This change also expands the types of guaranteed energy savings contracts that may be entered by both units of local government and the State. (via GS 143-17I and GS 143-17J)
- It increases the aggregate principal amount payable by the State under guaranteed energy savings contracts from $50 million to $75 million. (Section 5)
- It provides that the State must conduct a life-cycle cost analysis of the replacement of heating, ventilation, and air conditioning equipment in a State facility of 20,000 or more gross square feet if the replacement is financed with a guaranteed energy savings contract or is financed using repair and renovation funds. (Section 11)
- It amends the catch-line of two statutes to make it clear which one applies to units of local governments and which one applies to State agencies. (Sections 3 and 4)

EFFECTIVE DATE: The bill is effective when it becomes law.

EFFECTIVE DATE: When the bill becomes law.

BILL SUMMARY: In recent years the General Assembly has enacted legislation that authorizes guaranteed energy savings contracts, including the financing of the contracts through debt instruments. A guaranteed energy savings contract is a contract for the evaluation, recommendation, or implementation of energy conservation measures, including the design and

installation of equipment or the repair or replacement of existing equipment in which all payments, except obligations on termination of the contract before its expiration, are to be made over time, and in which energy savings are guaranteed to exceed cost. HB 454 modifies current law as follows: (1) raises the limit on the amount of debt authorized from $50 million to $75 million; (2) clarifies that water and utility conservation is included in the State's energy policy, life-cycle cost analysis requirements, and authority to borrow to finance energy savings measures; (3) provides that a life-cycle cost analysis is required for replacement of HVAC equipment in State and State-assisted facilities of 20,000 or more square feet if the replacement is financed by guaranteed energy savings contracts or repair and renovation funds.

ASSUMPTIONS AND METHODOLOGY:

Operating Resources:
The State Energy Office reported that it is generally accepted that energy savings contracts may include water conservation measures. A stand-alone water savings contract would be unusual, in that most water savings are small compared to energy savings. The industry currently does not utilize guaranteed water savings contracts because utility savings via water use are much lower than energy savings. Based on this information, Fiscal Research concludes that any additional responsibility from authorizing the use of guaranteed water savings contracts would be minimal. We further conclude that any additional responsibilities would have minimal impact on the governmental units that implement such measures or on the Division of Purchase and Contract, the State Energy Office, or the Office of State Construction within the Department of Administration as result of administering these projects.

Debt Service Burden:
The bill increases the maximum aggregate principal amount payable by the State under the financing contracts for guaranteed energy and water savings measures from $50 million to $75 million at any one-time. The Department of State Treasurer provided an analysis of debt service costs for certificates of participation in connection with various university projects. These estimates were modified to fit the revised cash flow needs by Fiscal Research, using the State Treasurer's spreadsheet model. The key assumptions in the modified analysis include:

a. $12.5 million of additional financing will be issued on August 1, 2006 and the remaining $12.5 million of new financing will be issued August 1, 2007.
b. The maximum maturity of each debt issuance is 12 years.
c. The average interest rate for both issues is 6.15%.

The principal is repaid in equal installments on the anniversary date of the debt. Interest payments are made every six months. The total interest on the financing contracts would amount to $11.9 million. Thus, the total debt service, including repayment of the $25 million in principal, will be $36.9 million.

Savings
As noted above, this bill would increase the maximum aggregate principal amount payable by the State under financing contracts for guaranteed energy and water savings measures from $50 million to $75 million at any one time. The debt service requirements over the repayment period

on $25 million, assuming $12.5 million would be issued in each of the next two years, would amount to $36.9 million. By definition of guaranteed energy and water savings contracts, savings in the form of a reduction in fuel costs, energy costs, water use costs, or operating costs are expected to exceed the cost of implementing the measures. Therefore, assuming the full authorization is used, we expect that over the same 13-year period as the debt repayment, the total savings will exceed $36.9 million. On an annual basis, the savings should equal or exceed the annual debt service requirements. However, we cannot estimate the extent to which the annual savings will exceed the annual debt service requirement.

A BILL TO BE ENTITLED

AN ACT AUTHORIZING LOCAL GOVERNMENTS TO PLEDGE AND ENCUMBER HOSPITAL FACILITIES AND EQUIPMENT IN CONNECTION WITH THE ISSUANCE OF REVENUE BONDS TO FINANCE OR REFINANCE HOSPITAL FACILITIES AND EQUIPMENT.

The General Assembly of North Carolina enacts:

SECTION 1. G.S. 159-83(a)(5) reads as rewritten:

"(5) To borrow money for the purpose of acquiring, constructing, reconstructing, extending, bettering, improving, or otherwise paying the cost of revenue bond projects, and to issue its revenue bonds or bond anticipation notes therefor, in the name of the State or a municipality, as the case may be, but no encumbrance, mortgage, or other pledge ~~or~~ of real property of the State or a municipality may be created in any manner."

SECTION 2. G.S. 159-83 is amended by adding a new subsection to read:

"(f) Notwithstanding any other provision of law to the contrary, a municipality may mortgage, pledge, assign, grant a security interest in, or otherwise encumber all or a portion of its hospital or other health-related facility real and tangible personal property, whether owned or leased, in connection with the issuance of revenue bonds under this Article for the purpose of financing or refinancing hospital or other health-related facility real and tangible personal property. The granting of a lien on, or security interest in hospital or health-related real or tangible personal property and the conveyance of this property pursuant to the provisions of the lien or security interest are not subject to the provisions of G.S. 131E-8, 131E-13, or 131E-14."

SECTION 3. G.S. 131A-3 reads as rewritten:

"**§ 131A-3. Definitions.**

As used or referred to in this Chapter, the following words and terms shall have the following meanings, unless the context clearly indicates otherwise:

...

(5) "Non-profit agency" means any nonprofit ~~private~~ corporation existing or hereafter created and empowered to acquire, by lease or otherwise, operate or maintain health care facilities;

(6) "Public agency" means any county, city, town, hospital ~~district~~ district, hospital authority, or other political subdivision of the State existing or hereafter created pursuant to the laws of the State authorized to acquire, by lease or otherwise, operate or maintain health care facilities;

...

(9) "Federally insured mortgage note" means any loan secured by a mortgage or deed of trust on any health care facilities owned or leased by any public or nonprofit agency which is insured or guaranteed, directly or indirectly, in whole or in part as to the repayment of principal and interest by the United States of America or any instrumentality thereof, or any commitment by the United States of America or any instrumentality thereof to so insure or guarantee such a loan secured by a mortgage or a deed of trust.

...."

SECTION 4. G.S. 131A-6 reads as rewritten:

"**§ 131A-6. Additional powers of public agencies.**

For the purposes of this Chapter, public agencies are authorized and empowered to enter into contracts and agreements, including loan agreements and agreements of sale or lease, with the Commission to facilitate the financing or refinancing, acquiring, constructing, equipping, providing, operating and maintaining of health care facilities and pursuant to any such loan agreement or agreement of sale or lease to operate, repair and maintain any health care facilities and, subject to the provisions of G.S. 131A-8, to pay the cost thereof and the loan repayments, purchase price payments or rent therefor from any funds available for such purposes. In addition, public agencies may mortgage, pledge, assign, grant a security interest in, or otherwise encumber a health care facility, whether owned or leased, to secure obligations under a loan agreement or similar debt instrument in connection with the issuance of bonds or notes by the Commission under this Chapter. The granting of a lien on, or security interest in a health care facility and the conveyance of this property pursuant to the provisions of the lien or security interest are not subject to the provisions of G.S. 131E-8, 131E-13, or 131E-14."

SECTION 5. The General Assembly finds that the provisions of this act are necessary for the health and welfare of the State and as such finds that the act shall be construed liberally to effect its purposes.

SECTION 6. If any provision of this act or the application thereof to any person or circumstance is held invalid, the invalidity shall not affect other provisions or applications of the act that can be given effect without the invalid provision or application and to this end the provisions of this act are severable.

SECTION 7. This act is effective when it becomes law.

HOUSE BILL 1004:
Mortgage Hospital Facilities

BILL ANALYSIS

Committee:	House Finance	**Date:**	April 26, 2005
Introduced by:	Reps. Gibson, Grady	**Summary by:**	Cindy Avrette
Version:	First Edition		Committee Counsel

SUMMARY: House Bill 1004 authorizes local governments to pledge and encumber hospital facilites and equipment in connection with the issuance of revenue bonds to finance or refinance hospital facilities and equipment. The bill is effective when it becomes law.

CURRENT LAW: The State authorizes local governments to provide adequate hospital, medical, and health care. Municipalities may construct, operate, and maintain hospitals as municipal hospitals[1]; counties may construct, operate, and maintain hospitals by creating hospital districts[2]; and counties and cities may create hospital authorities to construct, operate, and maintain hospitals.[3] To finance the cost of providing adequate hospital, medical, and health care, cities and counties and hospital authorities may issue revenue bonds. City hospitals and hospital districts may enter into contracts and agreements, including loan agreements, with the Medical Care Commission to finance hospital facilities. However, they are all specifically prohibited from encumbering the related real property.

The law provides that cities, counties, and hospital authorities may sell or convey ownership of their hospital facilities to a nonprofit or for-profit corporation. In the event, the property is sold and there are general obligation bonds or revenue bonds outstanding, then the purchasing corporation must place into escrow sufficient funds to pay the principal and the interest on the outstanding indebtedness.

BILL ANALYSIS: House Bill 1004 authorizes local governments, through whatever means they choose to provide hospital facilities, the ability to pledge, mortgage, or grant a security interest in the facilities and equipment affected by the revenue bond issuance. Any property so encumbered could be sold in accordance with the encumbering document.

Section 1 makes a technical change to the statute. House Bill 1117, Public Finance Changes, also makes this change.

Section 2 authorizes the encumbrances of property in connection with the issuance of revenue bonds under the State and Local Government Revenue Bond Act. Section 4 of House Bill 1117, Public Finance Changes, would make a similar change in the Revenue Bond Act for all types of revenue bond issuances. If the General Assembly enacts House Bill 1117, its changes would encompass most of the changes made by this section of the bill. The change also provides that the sale of the facilities pursuant to the lien or security interest would not be subject to the escrow requirements, since the escrow requirements provide for the payment of the bonds.

Section 3 gives hospital authorities the same ability to finance facilities through the Medical Care Commission that cities and counties currently have. Section 4 authorizes the same encumbrance of property in connection with the issuance of revenue bonds made through the Commission that could occur through the Revenue Bond Act under Section 2 of the bill.

AN ACT TO CLARIFY PRESENT-USE VALUE ELIGIBILITY, TO AMEND THE PERIOD FOR APPEAL OF A PRESENT-USE VALUE DETERMINATION OR APPRAISAL, TO MODIFY THE TAX YEAR FOR MOTOR VEHICLES THAT ARE TO BE SWITCHED FROM AN ANNUAL SYSTEM OF REGISTRATION TO A STAGGERED SYSTEM EFFECTIVE JANUARY 1, 2006, AND TO APPLY THE SAME PENALTY THAT CURRENTLY APPLIES TO PAYMENTS BY CHECK TO PROPERTY TAX PAYMENTS MADE BY ELECTRONIC PAYMENTS.

The General Assembly of North Carolina enacts:

SECTION 1. **G.S. 105-277.2(3) reads as rewritten:**

"(3) Horticultural land. – Land that is a part of a horticultural unit that is actively engaged in the commercial production or growing of fruits or vegetables or nursery or floral products under a sound management program. Horticultural land includes woodland and wasteland that is a part of the horticultural unit, but the woodland and wasteland included in the unit must be appraised under the use-value schedules as woodland or wasteland. A horticultural unit may consist of more than one tract of horticultural land, but at least one of the tracts must meet the requirements in G.S. 105-277.3(a)(2), and each tract must be under a sound management program. If the horticultural land includes less than 20 acres of woodland, then the woodland portion is not required to be under a sound management program. Also, woodland is not required to be under a sound management program if it is determined that the highest and best use of the woodland is to diminish wind erosion of adjacent horticultural land or protect water quality of adjacent horticultural land. Land used to grow horticultural and agricultural crops on a rotating basis or where the horticultural crop is

set out or planted and harvested within one growing season, may be treated as agricultural land as described in subdivision (1) when there is determined to be no significant difference in the cash rental rates for the land."

SECTION 2. **G.S. 105-277.2(7) reads as rewritten:**

"(7) Unit. – One or more tracts of agricultural land, horticultural land, or forestland. Multiple tracts must be under the same ~~ownership.~~ownership and be of the same type of classification. If the multiple tracts are located within different counties, they must be within 50 miles of a tract qualifying under G.S. ~~105-277.3(a) and share one of the following characteristics:~~

~~a. Type of classification.~~

~~b. Use of the same equipment or labor force.~~105-277.3(a)."

SECTION 3. **G.S. 105-277.3(b2) reads as rewritten:**

"(b2) Exception to Ownership Requirements. – Notwithstanding the provisions of subsections (b) and (b1) of this section, land may qualify for classification in the hands of the new owner if all of the conditions listed in either subdivision of this subsection are met, even if the new owner does not meet all of the ownership requirements of subsections (b) and (b1) of this section with respect to the land.

(1) Exception for assumption of deferred liability. If the land qualifies for classification in the hands of the new owner under the provisions of this ~~subsection,~~subdivision, then the deferred taxes remain a lien on the land under G.S. 105-277.4(c), the new owner becomes liable for the deferred taxes, and the deferred taxes become payable if the land fails to meet any other condition or requirement for classification. Land qualifies for classification in the hands of the new owner if all of the following conditions are met:

~~(1)~~a. The land was appraised at its present use value ~~or was eligible for appraisal at its present use value~~ at the time title to the land passed to the new owner.

~~(2)~~b. At the time title to the land passed to the new owner, the new owner acquires the land for the purposes of and continues to use the land for the purposes it was classified under subsection (a) of this section while under previous ownership.

~~(3)~~c. The new owner has timely filed an application as required by G.S. 105-277.4(a) and has certified that the new owner accepts liability for the deferred taxes and intends to continue the present use of the land.

(2) Exception for expansion of existing unit. – If deferred liability is not assumed under subdivision (1) of this subsection, the land qualifies for classification in the hands of the new owner if, at the time title passed to the new owner, the land was being used for the same purpose and was eligible for appraisal at its present-use value as other land already owned by the new owner and classified under subsection (a) of this

section. The new owner must timely file an application as required by G.S. 105-277.4(a)."

SECTION 4. **G.S. 105-277.4(b1) reads as rewritten:**

"(b1) Appeal. – Decisions of the assessor regarding the qualification or appraisal of property under this section may be appealed to the county board of equalization and review or, if that board is not in session, to the board of county commissioners. An appeal must be made within 60 days after the decision of the assessor. If an owner submits additional information to the assessor pursuant to G.S. 105-296(j), the appeal must be made within 60 days after the assessor's decision based on the additional information. Decisions of the county board may be appealed to the Property Tax Commission."

SECTION 5. **G.S. 105-277.7(c)(1) and (c)(5) read as rewritten:**

"(c) Duties. – The Board must annually submit to the Department of Revenue a recommended use-value manual. In developing the manual, the Board may consult with federal and State agencies as needed. The manual must contain all of the following:

(1) The estimated cash rental rates for agricultural lands and horticultural lands for the various classes of soils found in the State. The rental rates must recognize the productivity levels by class of soil or geographic ~~area.~~area, and the crop as either agricultural or horticultural. The rental rates must be based on the rental value of the land to be used for agricultural or horticultural purposes when those uses are presumed to be the highest and best use of the land. The recommended rental rates may be established from individual county studies or from contracts with federal or State agencies as needed.

...

(5) Recommendations concerning any changes to the capitalization rate for agricultural land and horticultural land and to the maximum value per acre for the best agricultural land and horticultural land based on a calculation to be determined by the Board. The Board shall annually report these recommendations to the Revenue Laws Study Committee and to the President Pro Tempore of the Senate and the Speaker of the House of Representatives."

SECTION 6. **G.S. 105-289(a)(7) reads as rewritten:**

"(a) It is the duty of the Department of Revenue:

...

(7) To conduct studies of the cash rents for agricultural and horticultural lands on a county or a regional basis, such as the Major Land Resource Area map designated and developed by the U.S. Department of Agriculture. The results of the studies must be furnished to the North Carolina Use-Value Advisory Board. The studies may be conducted on any reasonable basis and timetable that will be reflective of rents and values for each local area based on the productivity of the land."

SECTION 7. **G.S. 105-296(j) and (l) read as rewritten:**

"(j) The assessor must annually review at least one eighth of the parcels in the county classified for taxation at present-use value to verify that these parcels qualify for the classification. By this method, the assessor must review the eligibility of all parcels classified for taxation at present-use value in an eight-year period. The period of the review process is based on the average of the preceding three years' data. The assessor may request assistance from the Farm Service Agency, the Cooperative Extension Service, the Forest Resources Division of the Department of Environment and Natural Resources, or other similar organizations.

The assessor may require the owner of classified property to submit any information, including sound management plans for forestland, needed by the assessor to verify that the property continues to qualify for present-use value taxation. The owner has 60 days from the date a written request for the information is made to submit the information to the assessor. If the assessor determines the owner failed to make the information requested available in the time required without good cause, the property loses its present-use value classification and the property's deferred taxes become due and payable as provided in G.S. 105-277.4(c). ~~The~~ If the property loses its present-use value classification for failure to provide the requested information, the assessor must reinstate the property's present-use value classification when the owner submits the requested information within 60 days after the disqualification unless the information discloses that the property no longer qualifies for present-use value classification. When a property's present-use value classification is reinstated, it is reinstated retroactive to the date the classification was revoked and any deferred taxes that were paid as a result of the revocation must be refunded to the property owner. The owner may appeal the final decision of the assessor to the county board of equalization and review as provided in G.S. 105-277.4(b1).

In determining whether property is operating under a sound management program, the assessor must consider any weather conditions or other acts of nature that prevent the growing or harvesting of crops or the realization of income from cattle, swine, or poultry operations. The assessor must also allow the property owner to submit additional information before making this determination.

...

(l) The assessor shall annually review at least one-eighth of the parcels in the county exempted or excluded from taxation to verify that these parcels qualify for the exemption or exclusion. By this method, the assessor shall review the eligibility of all parcels exempted or excluded from taxation in an eight-year period. The assessor may require the owner of exempt or excluded property to make available for inspection any information reasonably needed by the assessor to verify that the property continues to qualify for the exemption or exclusion. The owner has 60 days from the date a written request for the information is made to submit the information to the assessor. If the assessor determines that the owner failed to make the information requested available in the time required without good cause, then the property loses its exemption or exclusion. If the property loses its exemption or exclusion for failure to provide the requested information, the~~The~~ assessor must reinstate the property's exemption or exclusion when the owner makes the requested information available within 60 days

after the disqualification unless the information discloses that the property is no longer eligible for the exemption or exclusion."

SECTION 8. G.S. 105-330.5(a) reads as rewritten:

"(a) For classified motor vehicles listed pursuant to G.S. 105-330.3(a)(1), upon receiving the registration lists from the Division of Motor Vehicles each month, the assessor shall prepare a tax notice for each vehicle; the tax notice shall contain all county, municipal, and special district taxes due on the motor vehicle. In computing the taxes, the assessor shall appraise the motor vehicle in accordance with G.S. 105-330.2 and shall use the tax rates of the various taxing units in effect on the first day of the month in which the current vehicle registration expired or the new registration was applied for. The tax on the motor vehicle is the product of a fraction and the number of months in the motor vehicle tax year. The numerator of the fraction is the product of the appraised value of the motor vehicle and the tax rate of the various taxing units. The denominator of the fraction is 12. This procedure shall constitute the listing and assessment of each classified motor vehicle for taxation. The tax notice shall contain:

(1) The date of the tax notice.
(2) The appraised value of the motor vehicle.
(3) The tax rate of the taxing units.
(4) A statement that the appraised value of the motor vehicle may be appealed to the assessor within 30 days after the date of the notice."

SECTION 9. G.S. 105-330.6 reads as rewritten:

"**§ 105-330.6. Motor vehicle tax year; transfer of plates; surrender of plates.**

(a) Tax Year. – The tax year for a classified motor vehicle listed pursuant to G.S. 105-330.3(a)(1) and registered under the staggered system begins on the first day of the first month following the date on which the former registration expires or the new registration is applied for and ends on the last day of the ~~twelfth~~ month ~~following the date on which the registration expires or the new registration is applied for.~~ in which the current registration expires. The tax year for a classified motor vehicle listed pursuant to G.S. 105-330.3(a)(1) and registered under the annual system begins on the first day of the first month following the date on which the registration expires or the new registration is applied for and ends the following December 31. The tax year for a classified motor vehicle listed pursuant to G.S. 105-330.3(a)(2) is the fiscal year that opens in the calendar year in which the vehicle is required to be listed.

(a1) Change in Tax Year. – If the tax year for a classified motor vehicle changes because of a change in its registration for a reason other than the transfer of its registration plates to another classified motor vehicle pursuant to G.S. 20-64, and the new tax year begins before the expiration of the vehicle's original tax year, the taxpayer may receive a credit, in the form of a release, against the taxes on the vehicle for the new tax year. The amount of the credit is equal to a proportion of the taxes paid on the vehicle for the original tax year. The proportion is the number of full calendar months remaining in the original tax year as of the first day of the new tax year, divided by ~~12.~~the number of months in the original tax year. To obtain the credit allowed in this subsection, the taxpayer must apply within 30 days after the taxes for the new tax year are due and must provide the county tax collector information establishing the original

tax year of the vehicle, the amount of taxes paid on the vehicle for that year, and the reason for the change in registration.

(b) Transfer of Plates. – If the owner of a classified motor vehicle listed pursuant to G.S. 105-330.3(a)(1) transfers the registration plates from the listed vehicle to another classified motor vehicle pursuant to G.S. 20-64 during the listed vehicle's tax year, the vehicle to which the plates are transferred is not required to be listed or taxed until the current registration expires or is renewed.

(c) Surrender of Plates. – If the owner of a classified motor vehicle listed pursuant to G.S. 105-330.3(a)(1) either transfers the motor vehicle to a new owner or moves out-of-state and registers the vehicle in another jurisdiction, and the owner surrenders the registration plates from the listed vehicle to the Division of Motor Vehicles, then the owner may apply for a release or refund of taxes on the vehicle for any full calendar months remaining in the vehicle's tax year after the date of surrender. To apply for a release or refund, the owner must present to the county tax collector within one year after surrendering the plates the receipt received from the Division of Motor Vehicles accepting surrender of the registration plates. The county tax collector shall then multiply the amount of the taxes for the tax year on the vehicle by a fraction, the denominator of which is ~~12~~ the number of months in the tax year and the numerator of which is the number of full calendar months remaining in the vehicle's tax year after the date of surrender of the registration plates. The product of the multiplication is the amount of taxes to be released or refunded. If the taxes have not been paid at the date of application, the county tax collector shall make a release of the prorated taxes and credit the owner's tax notice with the amount of the release. If the taxes have been paid at the date of application, the county tax collector shall direct an order for a refund of the prorated taxes to the county finance officer, and the finance officer shall issue a refund to the vehicle owner."

SECTION 10. **G.S. 105-357(b)(2) reads as rewritten:**

"(2) Penalty. – In addition to interest for nonpayment of taxes provided by G.S. 105-360 and in addition to any criminal penalties provided by ~~law for the giving of worthless checks,~~law, the penalty for ~~giving~~ presenting in payment of taxes a check or electronic funds transfer that is returned or not completed because of insufficient funds or nonexistence of an account of the drawer or transferor is twenty-five dollars ($25.00) or ten percent (10%) of the amount of the check or electronic invoice, whichever is greater, subject to a maximum of one thousand dollars ($1,000). This penalty does not apply if the tax collector finds that, when the check or electronic funds transfer was presented for payment, the drawer of the check or transferor of funds had sufficient funds in an account at a financial institution in this State to ~~pay the check~~make the payment and, by inadvertence, the drawer of the check or transferor of the funds failed to draw the check or initiate a transfer on the account that had sufficient funds. This penalty shall be added to and collected in the same manner as the taxes for which the check or electronic payment was given."

SECTION 11. Sections 1 through 7 of this act are effective for taxes imposed for taxable years beginning on or after July 1, 2005. Sections 8 and 9 of this act become effective January 1, 2006. The remainder of this act is effective when it becomes law.

A BILL TO BE ENTITLED

AN ACT TO CLARIFY PRESENT-USE VALUE ELIGIBILITY AND TO AMEND THE PERIOD FOR APPEAL OF A PRESENT-USE VALUE DETERMINATION OR APPRAISAL.

The General Assembly of North Carolina enacts:

SECTION 1. G.S. 105-277.2(7) reads as rewritten:

"(7) Unit. – One or more tracts of agricultural land, horticultural land, or forestland. Multiple tracts must be under the same ~~ownership.~~ownership and be of the same type of classification. If the multiple tracts are located within different counties, they must be within 50 miles of a tract qualifying under G.S. ~~105-277.3(a) and share one of the following characteristics:~~

~~a. Type of classification.~~

~~b. Use of the same equipment or labor force.~~105-277.3(a)."

SECTION 2. G.S. 105-277.3(b2) reads as rewritten:

"(b2) Exception to Ownership Requirements. – Notwithstanding the provisions of subsections (b) and (b1) of this section, land may qualify for classification in the hands of the new owner if all of the conditions listed in either subdivision of this subsection are met, even if the new owner does not meet all of the ownership requirements of subsections (b) and (b1) of this section with respect to the land.

(1) Exception for assumption of deferred liability. If the land qualifies for classification in the hands of the new owner under the provisions of this ~~subsection,~~subdivision, then the deferred taxes remain a lien on the land under G.S. 105-277.4(c), the new owner becomes liable for the deferred taxes, and the deferred taxes become payable if the land fails to meet any other condition or requirement for classification. Land qualifies for classification in the hands of the new owner if all of the following conditions are met:

~~(1)~~a. The land was appraised at its present use value ~~or was eligible for appraisal at its present use value~~ at the time title to the land passed to the new owner.

~~(2)~~b. At the time title to the land passed to the new owner, the new owner acquires the land for the purposes of and continues to use the land for the purposes it was classified under subsection (a) of this section while under previous ownership.

~~(3)~~c. The new owner has timely filed an application as required by G.S. 105-277.4(a) and has certified that the new owner accepts liability for the deferred taxes and intends to continue the present use of the land.

(2) Exception for expansion of existing unit. – If deferred liability is not assumed under subdivision (1) of this subsection, the land qualifies for classification in the hands of the new owner if, at the time title passed to the new owner, the land was being used for the same purpose and had the same classification as other land already owned by the new owner and classified under subsection (a) of this section. The new owner must timely file an application as required by G.S. 105-277.4(a)."

SECTION 3. G.S. 105-277.4(b1) reads as rewritten:

"(b1) Appeal. – Decisions of the assessor regarding the qualification or appraisal of property under this section may be appealed to the county board of equalization and review or, if that board is not in session, to the board of county commissioners. An appeal must be made within 60 days after the decision of the assessor. If an owner submits additional information to the assessor pursuant to G.S. 105-296(j), the appeal must be made within 60 days after the assessor's decision based on the additional information. Decisions of the county board may be appealed to the Property Tax Commission."

SECTION 4. G.S. 105-296(j) and (l) read as rewritten:

"(j) The assessor must annually review at least one eighth of the parcels in the county classified for taxation at present-use value to verify that these parcels qualify for the classification. By this method, the assessor must review the eligibility of all parcels classified for taxation at present-use value in an eight-year period. The period of the review process is based on the average of the preceding three years' data. The assessor may request assistance from the Farm Service Agency, the Cooperative Extension Service, the Forest Resources Division of the Department of Environment and Natural Resources, or other similar organizations.

The assessor may require the owner of classified property to submit any information, including sound management plans for forestland, needed by the assessor to verify that the property continues to qualify for present-use value taxation. The owner has 60 days from the date a written request for the information is made to submit the information to the assessor. If the assessor determines the owner failed to make the information requested available in the time required without good cause, the property loses its present-use value classification and the property's deferred taxes become due and

payable as provided in G.S. 105-277.4(c). ~~The~~ If the property loses its present-use value classification for failure to provide the requested information, the assessor must reinstate the property's present-use value classification when the owner submits the requested information within 60 days after the disqualification unless the information discloses that the property no longer qualifies for present-use value classification. When a property's present-use value classification is reinstated, it is reinstated retroactive to the date the classification was revoked and any deferred taxes that were paid as a result of the revocation must be refunded to the property owner. The owner may appeal the final decision of the assessor to the county board of equalization and review as provided in G.S. 105-277.4(b1).

In determining whether property is operating under a sound management program, the assessor must consider any weather conditions or other acts of nature that prevent the growing or harvesting of crops or the realization of income from cattle, swine, or poultry operations. The assessor must also allow the property owner to submit additional information before making this determination.

(l) The assessor shall annually review at least one-eighth of the parcels in the county exempted or excluded from taxation to verify that these parcels qualify for the exemption or exclusion. By this method, the assessor shall review the eligibility of all parcels exempted or excluded from taxation in an eight-year period. The assessor may require the owner of exempt or excluded property to make available for inspection any information reasonably needed by the assessor to verify that the property continues to qualify for the exemption or exclusion. The owner has 60 days from the date a written request for the information is made to submit the information to the assessor. If the assessor determines that the owner failed to make the information requested available in the time required without good cause, then the property loses its exemption or exclusion. If the property loses its exemption or exclusion for failure to provide the requested information, the~~The~~ assessor must reinstate the property's exemption or exclusion when the owner makes the requested information available within 60 days after the disqualification unless the information discloses that the property is no longer eligible for the exemption or exclusion."

SECTION 5. This act is effective for taxes imposed for taxable years beginning on or after July 1, 2005.

HOUSE BILL 116:
Property Tax Changes

BILL ANALYSIS

Committee:	House Finance	**Sponsor:**	Rep. Brubaker
Date:	April 25, 2005	**Analysis by:**	Martha Walston
Version:	H116-CSLAx-5[v.9]		Committee Counsel

SUMMARY: House Bill 116 is a recommendation of the Revenue Laws Study Committee. The bill clarifies the property tax statutes relating to present-use value eligibility and amends the period for appeal of a present-use value determination or appraisal. The bill was requested by the Property Tax Division of the Department of Revenue and has been endorsed by the North Carolina Farm Bureau.

The proposed committee substitute makes the following changes to the 1st edition:

- *Clarifies the definition of horticultural land in the present-use value statutes.*
- *Makes technical changes to the present-use value statutes.*
- *Clarifies the tax year for motor vehicles that are to be switched from an annual system of registration to a staggered system.*
- *Includes an electronic payment of property taxes that is not honored by the issuer in the statute imposing a penalty for nonpayment of property taxes.*

BILL ANALYSIS:

Present-use value

Background: North Carolina revenue laws provide preferential property tax treatment to agricultural land, horticultural land, and forestland that meets certain ownership, income, and size requirements. The land is taxed at present-use value instead of market value. In 2002, the General Assembly made numerous changes to the present-use value statutes including an updated method for calculating the value of farmland at its present-use value, clarification of the sound management requirement for qualifying for use value taxation, and allowing land subject to a conservation easement to continue to qualify for use value taxation.

The Department of Revenue has indicated that the following changes are needed to clarify the present-use value program and to help the counties and the Department with its administration:

Section 1 of the bill amends the definition of "horticultural land" to allow the following horticultural land to be treated as agricultural land: Land used to grow horticultural and agricultural crops on a rotating basis or where the horticultural crop is set out or planted and harvested within one growing season, may be treated as agricultural land when there is determined to be no significant difference in the cash rental rates for the land.

Section 2 of the bill amends the definition of "unit". Under current law, farmland must be part of a unit engaged in commercial production to qualify for present-use value. If the unit is composed of multiple tracts, these tracts must be under the same ownership. Also, if the tracts are located within different counties, they must be within 50 miles of a tract that meets the

definition of farmland and either share the same classification OR use the same equipment or labor force. House Bill 116 deletes the language that the tracts in different counties may qualify if they use the same equipment or labor force. The bill would therefore require that tracts located in different counties be the same type of classification, i.e. every tract in the unit must be all agricultural land, horticultural land, or forestland.

Section 3 of the bill deletes certain language and adds language to the statute that provides an exception to the ownership requirements of present-use value classification. The bill codifies a procedure the counties are currently following. In order to qualify for present-use value taxation under current law, farmland must be owned by certain qualifying individuals, family business entities, or trusts. Also, individual owners must live on the land or have owned the land in their family for four years. There is an exception to this ownership requirement if use value land is transferred to a person who continues to use it as farmland and meets the other conditions for use value treatment. The deferred taxes that accrued while the land was owned by the first owner continue as a lien on the property in the hands of the new owner. In addition, the new owner must file an application for present-use value treatment within 60 days after acquiring the land. The new owner must certify that the present use will continue and that the new owner will be liable for the deferred taxes if the land is later disqualified.

Section 3 of the bill allows an exception to the ownership requirements when farmland passes to a new owner who does not assume deferred liability. The proposed language codifies an exception to the ownership requirements that the counties currently recognize. This occurs when farmland, which is not appraised and taxed at its present-use value is transferred to a new owner. To qualify for present-use value under this proposal, the farmland passing to the new owner must have been used for the same purpose and have been eligible for appraisal at its present-use value as other land already owned by the new owner. The new owner must also file a timely application showing that the property comes within one of the classes of farmland.

Section 3 of the bill deletes the condition that to qualify for the current exception to the ownership requirement, the new owner may show that the land was "eligible for appraisal at its present-use value" at the time title passes to the new owner. This language is not applicable since a new owner must assume the deferred taxes when the land is transferred. There are no deferred taxes unless the property is currently appraised at its present-use value.

Sections 4 and 7 of the bill establish 60 days as the time within which a taxpayer (1) must appeal an assessor's decision regarding the qualification or appraisal of the taxpayer's property as use value property and (2) may submit additional information to reverse a disqualification of property for present-use value classification or for exemption or exclusion because of failure to submit additional information. Current law provides no time limit for presenting additional information after the assessor has disqualified the property.

Sections 5 and 6 of the bill make technical changes.

Property tax year for motor vehicles

Background: In 1991, the property tax collection procedure for motor vehicles that are registered with the Division of Motor Vehicles was changed so that registered motor vehicles

would be taxed on a revolving, year-round basis. The purpose of the change was to improve the collection rate and thereby recover the estimated $11.1 million in property tax revenue that was lost each year under the former collection system. Under the current procedure, a motor vehicle owner will receive a tax bill for the vehicle approximately three months after the vehicle is registered or the registration is renewed, and the bill is generated from lists sent to the counties by the DMV. Each month the county tax collector will collect taxes on approximately one-twelfth of the motor vehicles having a tax situs in the county. The taxes on vehicles registered under this staggered system (all private passenger vehicles) are due either on the first day of the fourth month following the date on which the registration would have expired or following the last day of the month in which the new registration was applied for. [1] The registration cycle under the staggered system begins the month of purchase or renewal and continues for 12 months until expiration.

Commercial trucks are registered under the annual system. A new registration for a vehicle under the annual system may be obtained any time during the year, but all registrations under the annual system expire December 31 and must be renewed by February 15. When an annual registration is obtained in a month other than December, the taxes must be prorated for the full months remaining in the calendar year. The taxes on vehicles with registrations renewed under the annual system are all due on the May 1 following the date the registration was renewed.

In 2004, legislation was enacted which provides for the staggered issuance of dealer license plates, effective January 1, 2006. The Department estimates this change will affect approximately 500,000 annually registered motor vehicles.

Sections 8 and 9 of the bill amend the property tax motor vehicle statutes. Section 9 of the bill modifies the explanation of the motor vehicle tax year to provide for a longer tax year than 12 months during the transition period for vehicles that are converting from annual registration to staggered registration. This change will allow the DMV to issue one-time 7 to 18 month registrations for these vehicles, thus resulting in an approximate equal number of expiring registrations throughout a 12-month period. Upon renewal of these one-time registrations, the subsequent registrations will be 12-month registrations that will expire in varying months. Section 8 of the bill explains how the calculation is made for tax bills when the registration cycle is not 12 months.

Penalty for failure to pay property tax by Electronic Payment

Current law allows a taxpayer to pay property taxes by check and electronic payment. If a worthless check is given for payment of property taxes, the penalty is $25 or 10% of the amount of the check, whichever is greater, subject to a maximum of $1,000. The penalty does not apply if the tax collector finds that the taxpayer inadvertently failed to draw the check on the taxpayer's account that had sufficient funds.

Section 10 of the bill adds language so that the same penalty and penalty waiver apply to the payment of property taxes by electronic funds transfer.

---

[1] For example, if a vehicle's registration would have expired in June or a vehicle was newly registered in June, the taxes on that vehicle will be due the following October 1.

PRINCIPAL DEPARTMENT(S) & PROGRAM(S) AFFECTED: Department of Revenue and Local Governments

EFFECTIVE DATE: July 1, 2005

BILL SUMMARY: This bill is a recommendation of the Revenue Laws Study Committee to clarify the property tax statutes relating to present-use value eligibility and to amend the period for appeal of a present-use value determination or appraisal. The proposed committee substitute also clarifies the tax year for motor vehicles that are switched from an annual system of registration to a staggered system.

Section 1 of the bill amends the definition of horticultural land to allow some types of land currently classified as horticultural to be classified as agricultural. Section 2 of the bill changes the definition of unit. Under current law, farmland must be part of a unit engaged in commercial

production to qualify for present-use value classification. If the unit is composed of multiple tracks, these tracts must be under the same ownership. Also, if the tracts are located within different counties, they must be within 50 miles of a tract that meets the definition of farmland and either share the same classification or use the same equipment or labor force. Section 2 of this bill would eliminate the qualification under use of the same equipment or labor force.

Section 3 amends the section of the statute that allows exceptions to ownership requirements of present-use classification. The current law allows an exception to ownership requirements when use-value land is transferred to a person who continues to use it as farmland and meets the other conditions for use value treatment and assumes deferred liability for taxes accrued under the previous owner. This proposal codifies the recognized practice of allowing an exception when there is no deferred liability upon transfer of the land. This occurs when the land being transferred is not appraised and taxed at the present-use value at the time of transfer.

Sections 4 and 7 add language that establishes 60 days as the time for a taxpayer to appeal an assessor's decision regarding the qualification or appraisal of the taxpayer's property as use-value property. The 60-day timeframe would also apply as the time period for taxpayers to submit additional information to reverse a disqualification of property for present-use classification because of failure to submit additional information.

Sections 8 and 9 amend the property tax motor vehicle statutes by allowing a longer tax period than 12 months during the transition period for vehicles that are converting from annual registration to staggered registration. Section 10 adds language to apply the current penalty for worthless checks in payment of property taxes to electronic payments.

ASSUMPTIONS AND METHODOLOGY: No revenue impact is expected in the present-use clarification portion of the bill because the bill codifies existing practice among county assessors and makes technical changes. The sections of the bill related to motor vehicle property tax also have no fiscal impact. This portion of the bill allows tax assessors to issue one-time 7 to 18 month registrations for vehicles currently subject to annual registrations. This process will allow for an equal distribution of expiring registrations throughout the year. During the transition period, the property tax payments for some taxpayers will be greater than or less than the amount that they would have paid under the annual registration process, depending on the length of the registration period. However, the distribution of 7 to 18 month registration cycles will allow for minimal fiscal impact because the taxpayers who pay a lesser amount (for shorter registrations) will be off-set by other taxpayers who pay a greater amount (for longer registrations) during the transition period. After the transition period, all taxpayers will return to a 12-month registration period.

A BILL TO BE ENTITLED

AN ACT TO EXCLUDE HIGHWAY USE TAXES AS A FACTOR IN DETERMINING THE TRUE VALUE IN MONEY OF MOTOR VEHICLES FOR PROPERTY TAX PURPOSES.

The General Assembly of North Carolina enacts:

SECTION 1. G.S. 105-330.2(b) reads as rewritten:

"(b) Value; Appeal. – A classified motor vehicle shall be appraised by the assessor at its true value in money as prescribed by G.S. 105-283. If the assessor considers the sales price of the motor vehicle in determining the true value of the motor vehicle, the assessor must not include any amount for which the taxpayer is liable under Article 5A of this Chapter. The owner of a classified motor vehicle may appeal the appraised value of the vehicle in the manner provided by G.S. 105-312(d) for appeals in the case of discovered property and may appeal the situs or taxability of the vehicle in the manner provided by G.S. 105-381. The owner of a classified motor vehicle must file an appeal of appraised value with the assessor within 30 days after the date of the tax notice prepared pursuant to G.S. 105-330.5. Notwithstanding G.S. 105-312(d), an owner who appeals the appraised value of a classified motor vehicle shall pay the tax on the vehicle when due, subject to a full or partial refund if the appeal is decided in the owner's favor."

SECTION 2. This act is effective for taxes imposed for taxable years beginning on or after July 1, 2005.

A BILL TO BE ENTITLED

AN ACT TO EXCLUDE HIGHWAY USE TAXES AS A FACTOR IN DETERMINING THE TRUE VALUE IN MONEY OF MOTOR VEHICLES FOR PROPERTY TAX PURPOSES.

The General Assembly of North Carolina enacts:

SECTION 1. G.S. 105-330.2(b) reads as rewritten:

"(b) Value; Appeal. – A classified motor vehicle shall be appraised by the assessor at its true value in money as prescribed by G.S. 105-283. If the assessor uses the cost approach in determining the true value of the motor vehicle, the assessor must not include any amount for which the taxpayer is liable under Article 5A of this Chapter. The owner of a classified motor vehicle may appeal the appraised value of the vehicle in the manner provided by G.S. 105-312(d) for appeals in the case of discovered property and may appeal the situs or taxability of the vehicle in the manner provided by G.S. 105-381. The owner of a classified motor vehicle must file an appeal of appraised value with the assessor within 30 days after the date of the tax notice prepared pursuant to G.S. 105-330.5. Notwithstanding G.S. 105-312(d), an owner who appeals the appraised value of a classified motor vehicle shall pay the tax on the vehicle when due, subject to a full or partial refund if the appeal is decided in the owner's favor."

SECTION 2. This act is effective for taxes imposed for taxable years beginning on or after July 1, 2005.

HOUSE BILL 988:
Property Tax – Value of Motor Vehicles

BILL ANALYSIS

Committee:	House Finance	**Date:**	April 26, 2005
Introduced by:	Reps. Blackwood, Church	**Summary by:**	Cindy Avrette
Version:	First Edition		Committee Counsel
	H988-CSRB-7		

SUMMARY: ***The proposed committee substitute for House Bill 988 provides that when a tax assessor considers the sales price of a motor vehicle in determining the true value of the vehicle for property tax purposes, the assessor may not consider the highway use tax as part of the sales price. The bill is effective for taxes imposed for taxable years beginning on or after July 1, 2005.***

CURRENT LAW: By statute, a county must appraise motor vehicles at their true value in money for property tax purposes. True value is defined as the price at which property would change hands between a willing and financially able buyer and a willing seller. In practice, assessors use a pricing guide developed by TEC Data Systems to determine the value of vehicles for property tax purposes. The pricing guide reflects the average retail price paid for motor vehicles. In determining retail prices, all costs that are necessary to acquire and operate a motor vehicle are considered. If an assessor believes the values developed in the guide are too low or too high, the assessor may consult with TEC Data Systems about the values and have a different set of values computed for use in that assessor's county. If a taxpayer disagrees with the appraised value, the taxpayer has 30 days after the date the tax notice was prepared to appeal the value. Counties will adjust an appraised value for reasons such as the vehicle's condition or excessive mileage.

BILL ANALYSIS: Counties typically do not begin their appraisal of a new motor vehicle based on the vehicle's bill of sale. However, there are instances where a taxpayer may bring in a bill of sale to show that he or she paid less than the value at which the vehicle is assessed. A vehicle's bill of sale includes the 3% highway use tax paid on the vehicle. **House Bill 988** provides that when an assessor considers the sales price of a motor vehicle in determining its true value, the assessor must not consider the highway use tax paid on the vehicle.

PRINCIPAL DEPARTMENT(S) & PROGRAM(S) AFFECTED: Local Governments, NC Department of Revenue

EFFECTIVE DATE: On or after July 1, 2005.

BILL SUMMARY: This bill prohibits tax assessors who use the cost approach for appraisal of motor vehicles from including any Highway Use Tax for purposes of determining the property tax owed on the vehicle.

ASSUMPTIONS AND METHODOLOGY: According to the North Carolina Department of Revenue, there are no counties currently using the cost approach to determine the value of motor vehicles. The cost approach bases the value of the vehicle on what a person actually paid for it. Under this method of valuation, which is often used for business personal property, all the costs associated with the purchase are considered. The market-based approach bases the value on the sales of similar vehicles. Most counties use pricing guides developed by Tax Equity Consultants (TEC) or the National Automobile Dealers Association to determine the average retail prices paid for motor vehicles.

In some instances in which the assessed value of a vehicle is appealed by the taxpayer, assessors may use the bill of sale that includes Highway Use Tax as documentation for changing the assessed value. To the extent that this occurs, this bill would result in lower revenue for local governments. It is expected that the revenue impact would be small, however, the exact amount is not known.

A BILL TO BE ENTITLED

AN ACT TO AMEND THE CARRBORO TOWN CHARTER TO AUTHORIZE THE TOWN TO RAISE THE MOTOR VEHICLE TAX FROM FIFTEEN TO TWENTY-FIVE DOLLARS.

The General Assembly of North Carolina enacts:

SECTION 1. G.S. 20-97(a) as it applies to the Town of Carrboro under Section 3 of Chapter 392 of the Session Laws of 1991, as amended by Chapter 456 of the 1993 Session Laws, as further amended by Section 5.1 of Chapter 339 of the 1995 Session Laws, and as codified in Section 3-6 of the Carrboro Town Charter, reads as rewritten:

"(a) All taxes levied under the provisions of this Article are intended as compensatory taxes for the use and privileges of the public highways of this State, and shall be paid by the Commissioner to the State Treasurer, to be credited by him to the State Highway Fund; and no county or municipality shall levy any license or privilege tax upon any motor vehicle licensed by the State of North Carolina, except that cities and towns may levy not more than ~~fifteen dollars ($15.00)~~ twenty-five dollars ($25.00) per year upon any vehicle resident therein. Provided, further, that cities and towns may levy, in addition to the amounts hereinabove provided for, a sum not to exceed fifteen dollars ($15.00) per year upon each vehicle operated in such city or town as a taxicab."

SECTION 2. This act is effective when it becomes law.

BILL ANALYSIS

Committee:	House Finance	**Date:**	April 26, 2005
Introduced by:	Reps. Insko, Hackney	**Summary by:**	Cindy Avrette
Version:	PCS for First Edition		Committee Counsel

SUMMARY: House Bill 691 increases the amount of the general municipal vehicle tax Carrboro may impose from $15 to $25. The proposed committee substitute corrects incorrect statutory references. The bill becomes effective when it becomes law.

CURRENT LAW: Under general law, counties may not impose a license or privilege tax on motor vehicles[1] and municipalities are limited in the taxes they may impose on motor vehicles to the taxes listed below:

- **General Municipal Vehicle Tax.** – A tax not to exceed $5 a year on a motor vehicle resident in the municipality. The revenue generated by this tax may be used for any lawful purpose. By local acts, the amount of the tax has been increased for several cities and towns. The cities of Durham, Henderson, Oxford, Winston-Salem[2] and the towns of Ahoskie, Cary, Chapel Hill, Creedmoor, and Hillsborough may levy a tax up to $10. The cities of Gastonia, Kinston, and Raleigh may levy a tax up to $15. The cities of Charlotte and Greenville and the towns of Cornelius, Davidson, Huntersville, Matthews, Mint Hill, Murfreesboro, and Pineville may levy a tax up to $20.
- **Local Public Transportation System.** – A tax not to exceed $5 a year on a motor vehicle resident in the municipality. Only municipalities that operate a public transportation system may impose this tax and the proceeds from the tax may be used only for local public transportation systems.[3]
- **Tax on Taxicabs.** – A tax not to exceed $15 a year on each vehicle operated in the municipality as a taxicab. The proceeds of this tax may be used for any lawful purpose.

BILL ANALYSIS: House Bill 691 increases the amount of tax the Town of Carrboro may impose from $15 to $25. The General Assembly authorized Carrboro to increase the tax it may impose on vehicles from $5 to $10 in 1991[4] and from $10 to $15 in 1995.[5]

[1] By local acts modifying G.S. 20-97, Alleghany, Caswell, and Pamlico Counties may impose an annual motor vehicle tax. The amounts vary from $5 to $15.

[2] HB 464 would authorize Winston-Salem to increase its tax to $20.

[3] This tax may not be imposed by the City of Durham or by any cities and towns in Gaston County.

[4] Sec. 3 of Chapter 392 of the 1991 Session Laws.

[5] Sec. 5.1 of Chapter 339 of the 1995 Session Laws.

A BILL TO BE ENTITLED

AN ACT TO UPDATE THE CHARTER OF THE TOWN OF CARY.

The General Assembly of North Carolina enacts:

SECTION 1. The Charter of the Town of Cary is revised and consolidated to read:

"THE CHARTER OF THE TOWN OF CARY

"ARTICLE I. INCORPORATION AND GENERAL POWERS

"Section 1.1. Incorporation and general powers. The Town of Cary shall continue to be a body politic and corporate under the name and style of the 'Town of Cary', and shall continue to be vested with all property and rights which now belong to the Town; shall have perpetual succession; may have a common seal and alter and renew the same at pleasure; may sue and be sued; may contract, may acquire and hold all such property, real and personal, as may be devised, bequeathed, sold, or in any manner conveyed or dedicated to it, or otherwise acquired by it, and may from time to time hold or invest, sell, or dispose of the same; and shall have and may exercise in conformity with this Charter all municipal powers, functions, rights, privileges, and immunities of every name and nature.

"Section 1.2. Enumerated powers not exclusive. The enumeration of particular powers by this Charter shall not be held or deemed to be exclusive but, in addition to the powers enumerated herein or implied hereby, or those appropriate to the exercise of such powers, the Town of Cary shall have and may exercise all powers which are granted to municipal corporations by the general laws of North Carolina and all powers which, under the Constitution of North Carolina, it would be competent for this Charter specifically to enumerate.

"Section 1.3. Exercise of powers. All powers, functions, rights, privileges, and immunities of the Town, its officers, agencies, or employees, shall be carried into execution as provided by this Charter, or if this Charter makes no provision, as provided

by ordinance or resolution of the Town Council and as provided by general law pertaining to municipal corporations.

"Section 1.4. Form of government. The form of government of the Town of Cary shall be known as the 'Council-Manager Form of Government', as set forth in Part 2 of Article 7 of Chapter 160A of the General Statutes subject to the modifications of this Charter. Nothing contained in this Charter shall be construed to prevent the form of government of the Town of Cary from being changed as by law provided.

"ARTICLE II. CORPORATE BOUNDARIES

"Section 2.1. Existing corporate boundaries. The corporate limits of the Town shall be those existing at the time of the ratification of this Charter and as the same may be altered from time to time in accordance with law. The Town Planning Director shall prepare a map to be designated 'Map of the Town of Cary Corporate Limits' showing the corporate limits as the same may exist as of the effective date of this Charter. The Town Planning Director may also prepare a written description of the corporate limits as shown on said map to be designated 'Description of Cary Corporate Limits'. Said map and description shall be retained permanently in the Office of the Town Clerk as the official map and a description of the corporate limits of the Town. Immediately upon alteration of the corporate limits made pursuant to law from time to time, the Town Planning Director shall indicate such alteration by making appropriate changes and/or additions to said official map and description. Photographic or other types of copies of said official map or description certified as by law provided for the certification of ordinances shall be admitted in evidence in all courts and shall have the same force and effect as would the official map or description.

"Section 2.2. Extension of corporate boundaries. All extensions of the corporate boundaries shall be governed by general law.

"ARTICLE III. MAYOR AND TOWN COUNCIL

"Section 3.1. Form of government. The government of the Town and the general management and control of all its affairs shall be vested in a Town Council, which shall be elected and shall exercise its powers in the manner hereinafter provided, except that the Town Manager shall have the authority hereinafter specified.

"Section 3.2. Number and qualification of council members and mayor generally.

(a) The Town Council shall consist of six members, two of whom shall be elected at large by all the qualified voters of the Town, and four of whom shall be elected by the qualified voters of each of four single-member electoral districts, respectively, as established by the Town Council pursuant to the law. Terms of council members shall be overlapping four-year terms. In the 2001 election and quadrennially thereafter, there shall be elected, for four-year terms, one council member from electoral district A, one council member from electoral district C, and one council member from the Town at large. In the 2003 election and quadrennially thereafter, there shall be elected, for four-year terms, one council member from electoral district B, one council member from electoral district D, and one council member from the Town at large.

(b) The Mayor shall be elected by all the qualified voters of the Town, for a term of four years, in the 2003 election and quadrennially thereafter. The Mayor shall have the right to vote on all matters before the Town Council.

(c) The method of election of the Mayor and Town Council shall be the nonpartisan election and runoff method to be conducted as provided in G.S.163-293.

"Section 3.3. Legislative powers. All the legislative powers of the Town shall be vested in the Mayor and Town Council. The Mayor and Town Council shall meet at the time prescribed by law following each election, and those elected shall take the oath of office as prescribed by law to perform faithfully the duties of their respective offices. The Mayor shall have all rights, duties, and responsibilities of a councilman. A Mayor Pro Tempore shall be elected by the Town Council from among its own members and shall hold office as Mayor Pro Tempore during the pleasure of the Council. The organization of the Council shall take place notwithstanding the absence, death, refusal to serve, failure to qualify, or nonelection of one or more members, but at least a quorum of the members must be present. Any member entitled to make the aforesaid oath, who was not present at the time fixed therefore, may make oath at any time thereafter.

"Section 3.5. General procedure. A majority of the members of the Town Council shall constitute a quorum. Its meetings shall be public, and the Mayor, who shall be the official head of the Town, shall, if present, preside and shall have the same power as the other members of the Council to vote upon all measures coming before it, but shall have no power of veto. In the absence of the Mayor, the Mayor Pro Tempore of the Council shall preside, and in the absence of both, a Chairman Pro Tempore shall be chosen. The Town Clerk shall be ex officio Clerk of the Town Council, and shall keep records of its proceedings; but in case of the Clerk's temporary absence, or in case of a vacancy in the office, the Town Council may elect by ballot a temporary Clerk, who shall be sworn to the faithful discharge of his duties and may act as Clerk of the Town Council until a Town Clerk is chosen and qualified. On request of one member, the vote shall be yeas, and nays, and shall be entered upon the records.

"Section 3.6. Vacancies. Vacancies in the Town Council shall be filled by the Council for the remainder of the unexpired terms. In case of a vacancy in the office of Mayor, the remaining members of the Council shall choose from their own number his successor for the unexpired term.

"Section 3.7. Compensation. The Council may fix its own compensation and the compensation of the Mayor and any other elected officers of the Town, in such sums as may be just and reasonable. Adjustments in the compensation of the Mayor and any other elected officers may be made effective at such time as the Council may direct, but the salary of elected officers shall not be reduced during the then current term of office unless he shall agree thereto. Elected officers shall be entitled to reimbursement for actual expenses incurred in the course of performing their official duties at rates not in excess of those allowed to other Town officers and employees.

"Section 3.8. Appointments by council. The Town Council shall appoint a Town Manager, a Town Attorney, a Town Clerk, and a Town Treasurer, and may authorize the appointment of such associates or assistants to such officers as the Council may deem necessary, all who shall hold office at the pleasure of the Council and receive such compensation as the Council may provide.

"Section 3.9. Powers of Town Manager.

(a) The Town Council shall appoint a Town Manager, who shall be the administrative head of the Town government, and shall be responsible for the administration of all departments. The manager shall be appointed with regard to executive and administrative abilities only and need not be a resident of the Town when appointed. The manager shall hold office at the pleasure of the Town Council and shall receive such compensation as it shall fix by ordinance.

(b) The Town Manager shall:

(1) Be the administrative head of the Town government;

(2) See that within the Town the laws of the State and the ordinances, resolutions, and regulations of the Council are faithfully executed;

(3) Attend all meetings of the Council, and recommend for adoption such measures as he shall deem expedient;

(4) Make reports to the Council from time to time upon the affairs of the Town and keep the Council fully advised of the Town's financial condition and its future financial needs.

(5) Appoint and remove all heads of departments, except those employees enumerated in Section 3.8 of this Charter, who shall be appointed by and serve at the pleasure of the Town Council.

"Section 3.10. Town Attorney. The Town Attorney shall be the legal advisor to the Town and perform such duties as may be specified by the Council or specified by law. The attorney shall be appointed with regard to merit only and need not be a resident of the Town when appointed. The attorney shall hold office at the pleasure of the Town Council and shall receive such compensation as it shall fix by ordinance.

"Section 3.11. Town Clerk. The Town Clerk shall be the clerk to the Town Council, keep all records concerning Council actions and shall exercise those powers and duties conferred by the law and shall perform such duties as may be specified by the Council. The clerk shall be appointed with regard to merit only, and need not be a resident of the Town when appointed. The clerk shall hold office at the pleasure of the Town Council and shall receive such compensation as it shall fix by ordinance.

"Section 3.12. Town Treasurer. The Town Treasurer shall be appointed with regard to merit only and need not be a resident of the Town when appointed. The treasurer shall hold office at the pleasure of the Town Council and shall receive such compensation as it shall fix by ordinance. The Town Treasurer shall be custodian of all funds of the Town.

The treasurer shall execute a bond payable to the Town, and at its expense, in such sum and with such sureties as shall be prescribed and approved by the Council conditioned upon the faithful performance of the duties of the office and proper accounting of all funds that may come into this person's possession by virtue of the office. Duties of the treasurer include:

(1) Manage the cash flows of the Town.

(2) Be responsible for the investment of excess cash under the direction of the Finance Director.

(3) Keep appropriate records for cash flow and investments.

(4) Make reports as requested by the Town Manager, the Finance Director, and the Council.

"Section 3.15. Combination of offices. The Town Council may combine the office of Town Treasurer with the office of Town Clerk in its sole discretion.

"Section 3.16. Terms of commissions, committees, and boards. The Town Council may fix the terms of members of all commissions, committees, and boards of the Town regardless of the terms established by law for particular commissions, committees or boards; to appoint the chairman or other presiding officer of each commission, committee, or board of the Town, regardless of the provisions of any law; and to limit the number of terms which any person may serve on any commission, committee, or board of the Town.

"ARTICLE VI. STREET AND SIDEWALK IMPROVEMENTS

"Section 6.1. Street improvements; assessment of cost. In addition to any authority which is now or may hereafter be granted by general law to the Town for making street improvements, the Town Council may make street improvements and assess the cost thereof against abutting property owners in accordance with the provisions of this Article.

"Section 6.2. When petition unnecessary. The Town Council may order street improvements and assess the cost thereof, exclusive of the cost incurred at street intersections, against the abutting property owners at an equal rate per front foot, without the necessity of a petition, upon the finding by the Council as a fact:

(1) That such street or part thereof is unsafe for vehicular traffic, and it is in the public interest to make such improvement, or

(2) That it is in the public interest to connect two streets, or portions of a street already improved, or

(3) That it is in the public interest to widen a street, or part thereof, which is already improved; provided, that assessments for widening any street or portions of street without petition shall be limited to the cost of widening and otherwise improving such street in accordance with the street classification and improvement standards established by the Town's thoroughfare or major street plan for the particular street or part thereof to be widened and improved under the authority granted by this Article.

"Section 6.3. Street improvement defined. For the purpose of this Article the term 'Street Improvement' shall include grading, regrading, surfacing, resurfacing, widening, paving, repaving, the acquisition of right-of-way, and the construction or reconstruction of curb, gutters, and street drainage facilities.

"Section 6.4. Sidewalks; assessment of cost. In addition to any authority which is now or may hereafter be granted by the General Statutes to the Town for making sidewalk improvements, the Town Council may order to be made or to make sidewalk improvements or repairs without petition according to standards and specifications of the Town, and to assess the total cost thereof against abutting property owners.

If a sidewalk is constructed on only one side of a street, the cost thereof may be assessed against a property abutting on both sides of the street, unless there already

exists a sidewalk, on the other side of the street, the total cost of which has been assessed against the abutting property.

"Section 6.5. Assessment procedure. In ordering street and sidewalk improvements without a petition and assessing the cost thereof under authority of this Article, the Town Council shall comply with the procedure provided in the General Statutes, except those provisions relating to the petition of property owners and the sufficiency thereof.

"Section 6.6. Effect of assessment. The effect of the act of levying assessments under the authority of this Article shall for all purposes be the same as if assessed where levied under authority of general law.

"ARTICLE VII. FINANCE AND TAXATION

"Section 7.1. Custody of Town money. All monies received by the Town for and in connection with the business of the Town government shall be paid promptly into the Town depository or depositories. Such institution shall be designated by the Town Council in accordance with such regulations and subject to such requirements as to surety for deposits and interest thereon as shall be established by general law. All interest on monies belonging to the Town shall accrue to the benefit of the Town. All monies belonging to the Town shall be disbursed only in accordance with the provisions of the Local Government Budget and Fiscal Control Act.

"Section 7.2. Independent audit. As soon as practicable after the close of each fiscal year, an independent audit shall be made of all books and accounts of the Town government by a certified public accountant or a qualified public accountant registered pursuant to general law, who shall have no personal interest directly or indirectly in the affairs of the Town or any of its officers. The Town Council shall select the public accountant and the results of such audit shall be made available for inspection by any interested citizen of the Town, and may be published if so ordered by the Town Council.

"Section 7.4. (a) The Town of Cary shall have the right, power, and authority to impose and collect a regulatory or development fee defined as a road project fee on all new construction within the Town limits and extraterritorial jurisdiction.

(b) It is the purpose and intent of this section to provide the Town with the legal mechanism granting it the right, power, and authority to impose and collect fees to finance additional improvements within the Town limits and extraterritorial jurisdiction. These additional road improvements being caused by rapid and continued growth within the Cary area. This section provides approval to the Town to actually develop and implement such a fee system, but does not in any way, describe or detail the actual fee structure and rate classification. An extensive study will subsequently be performed to establish the basis and framework for the fee system should the system be deemed necessary in order to maintain the high level of service delivery presently available to Cary residents.

"ARTICLE VIII. WATER AND SEWER IMPROVEMENTS

"Section 8.1. Laterals included in cost. In ordering water or sewer line extensions, or both, the assessment of the cost thereof under the authority given by the General Statutes, the Town Council may include in such extensions water and sewer line

laterals, and include the cost of such laterals in the total cost to be assessed upon abutting properties.

"Section 8.2. Classification and exemption. Where water or sewer lines are constructed across or through lots or tracts of land or when water or sewer lines, or both, are installed along both sides of corner lots and were or are financed in whole or in part by assessment, the Council may by uniform rule classify such lines for assessment as in its judgment will represent the benefits derived. The schedules of exemptions may be classified as to land uses (residential, business, commercial, industrial, office and institutional, agricultural, or other classifications) and shall be uniform for each such classification used; provided, however, that no schedule of exemptions may provide for exemption of more than seventy-five percent (75%) of the frontage of any side of a corner lot, or 150 feet, whichever is greater.

"Section 8.3. Alternative method of assessing. In addition to, and as alternatives to, the method provided in the General Statutes for assessing the cost of water and sewer lines and laterals, the Town Council, if in its opinion it would be more equitable to do so, may in its discretion levy any such assessments according to either of the following methods: (i) equally against each of the lots capable of being served by such line or lines, or (ii) on the basis of the footage of land upon a public street by an equal rate per foot of such frontage.

In lieu of assessing the total cost of a particular project as herein provided, the Town Council may annually, between the first days of January and July of each year, determine the average cost of installing water and sewer mains or lines, and on the basis of such determination may make assessments on such average cost during the following fiscal year beginning July 1. The average cost of such installation shall include the cost of the particular size and material of lines completed during the preceding calendar year. It may also include the anticipated increase in labor and materials cost based upon the average of such increases during the preceding five calendar years. The assessment of the average cost of such lines shall not be made until after the particular assessment project has been completed. The purpose of this section is to distribute more equitably the cost of the installation of water and sewer lines throughout the Town; to permit a property owner to know in advance what the cost of installation of water and sewer lines benefiting his property will be; and to permit the most expeditious assessment of cost against the property after completion of installation of such lines. The actual cost of acquisition of rights-of-way may also be assessed as part of the cost of an individual project. If the right-of-way costs have not been determined and assessed with the assessment of the average installation cost at the time of the completion of the project, such costs may be assessed separately when they are determined.

"Section 8.4. Payment of assessments. Any special assessment of the Town for any purpose amounting to less than one hundred dollars ($100.00) shall be paid in cash not later than the next due date of Town taxes rather than in annual installments and shall bear interest as taxes.

"Section 8.5. Water and sewer development fees. In addition to water and sewer service charges and connection charges, the Town Council may establish and collect water and sewer development fees for the privilege of connecting to the Town water and

sewerage systems, both within and outside the corporate limits, to aid in the financing of new water and sewer mains and laterals and sewer outfalls and the replacement or enlargement of existing mains, laterals, and outfalls. Such charges shall apply uniformly to all properties to which water or sewer service is extended subsequent to the establishment of such charges; provided, however, that the Council may establish higher water and sewer development fees for property developed or to be developed for business, commercial, industrial, or office and institutional uses than those established for residential and other uses and may base water and sewer development fees for residential property upon the number of dwelling units per acre of land.

"ARTICLE IX. REGULATORY POWERS

"Section 9.1. Zoning and subdivision regulations. Any subdivision control ordinance enacted by the Town Council pursuant to general law may also provide for the orderly development of subdivisions by requiring the construction of community service facilities, including water lines; sewer lines; street paving, curbing, and guttering; and street and storm drainage facilities in accordance with Town standards and specifications, and to assure compliance with such requirements, the ordinance may require the posting of bond or such other method as will offer guarantee of compliance.

In addition to the authority conferred upon it by general or local law, the Town of Cary may create, through the legislative process, general use zoning districts, in which a variety of uses are permitted; conditional use zoning districts, in which limited uses are permitted only upon approval by the Town; overlay zoning districts, which are applied coincidental with the general or conditional use district; and transitional zoning regulations.

The overlay zoning districts may impose additional regulations on some property within the underlying general or conditional use district and not on all properties within those districts.

A person petitioning for rezoning of a tract of land where conditional use districts or overlay districts are authorized by ordinance, may elect to request a general use district, a conditional use district, or an overlay district for the tract. If the petitioner elects to petition for the general use or overlay district zoning, and if the petition is approved, the rezoned property may be used for any of the uses permitted in the applicable general use or overlay district. If the petitioner elects to petition for conditional use district zoning, the petition must specify the actual use or uses, and all other development regulations authorized by State law, which are intended for the property specified in the petition. The intended use or uses and development regulations must be permitted in the corresponding general use district. If the petition is for conditional use district zoning, the Town Council is to approve or disapprove the petition on the basis of the specific use or uses and development regulations requested. If the petition is approved, the Town Council shall issue a conditional use permit authorizing the requested use with such reasonable conditions as the Town Council determines to be desirable in promoting public health, safety, and general welfare.

The conditions contained in a conditional use permit issued by the Town Council may include: location of the proposed use on the property; the number of dwelling units; the location and extent of support facilities such as parking lots, driveways, and access

streets; location and extent of buffer areas and other special purpose areas; the timing of development; and such other matters as the Town Council may find appropriate or the petitioner may propose, including architectural review or controls.

It is the further intent of this section to permit the creation of districts for specific uses and the imposition of reasonable conditions in order to secure the public health, safety and welfare, and ensure that substantial justice be done.

"Section 9.2. Regulatory codes. The Town Council may make effective and enforce within the territory under its extraterritorial zoning jurisdiction and lying outside the corporate limits and within one mile thereof, all ordinances and codes of the Town regulating the construction and repair of buildings, including building codes, plumbing codes, electrical codes, heating and air conditioning codes, fire prevention codes, minimum housing codes adopted pursuant to the General Statutes, and ordinances relating to unsafe buildings adopted pursuant to the provisions of the General Statutes. In addition, the Town Council may enforce in such area the North Carolina State Building Codes, including Accessibility, Plumbing, Mechanical, Electrical, Fire Prevention, Fuel Gas, Energy, Existing Buildings, and Residential, all as published by the North Carolina Building Code Council. Such enforcement power shall include the power to require that prior to the beginning of any construction, reconstruction, or alteration of any building or structure or any part or system thereof within such area, the appropriate permit or permits be obtained from the Town; provided, the Town Council may by ordinance require that the contractor or other person charged with such construction, reconstruction, or alteration secure such permit or permits, rather than requiring the owner of the property to do so.

"Section 9.3. Underground utilities. In addition to the powers now or hereafter granted to municipalities by law, the Town Council by ordinance may require that all utility or other pipes, wiring, conduits, cables, and fixtures installed after the adoption of such ordinance within the planning and zoning jurisdiction of the Town be installed underground, whether or not the same are installed in public rights-of-way.

"Section 9.4. Electric golf carts. Notwithstanding the provisions of G.S. 20-50 and G.S. 20-54, the Town may, by ordinance, regulate the operation of electric golf carts on any public street or road within the Town. By ordinance, the Town may require the registration of golf carts, specify the persons authorized to operate golf carts, and specify required equipment, load limits, and the hours and methods of operation of the golf carts.

"ARTICLE X. CLAIMS AGAINST THE TOWN

"Section 10.1. Settlement of claims by Town Manager. The Town Manager may, without the approval of the Town Council, settle claims against the Town for personal injuries or damages to property when the amount involved does not exceed the sum of two thousand five hundred dollars ($2,500) and does not exceed the actual loss sustained, including loss of time, medical expenses, and any other expense actually incurred. Settlement of a claim by the Town Manager pursuant to this section shall constitute a complete release of the Town from any and all damages sustained by the person involved in such settlement in any manner arising out of the accident or occasion complained of."

SECTION 2. The purpose of this act is to revise the Charter of the Town of Cary and to consolidate herein certain acts concerning the property, affairs, and government of the Town.

SECTION 3. The following acts or portions of acts, having served the purposes for which they were enacted, or having been consolidated into this act, are hereby repealed:

Chapter 868 of the 1971 Session Laws
Chapter 173 of the 1973 Session Laws
Chapter 357 of the 1973 Session Laws
Chapter 816 of the 1977 Session Laws
Chapter 51 of the 1985 Session Laws
Chapter 801 of the 1987 Session Laws
Chapter 511 of the 1989 Session Laws
Chapter 874 of the 1989 Session Laws
Section 3 of S.L. 2001-485.

SECTION 4. The following acts are not affected by this act:

Chapter 1275, Session Laws of 1979 (removal of areas from the corporate limits)
Chapter 279, Session Laws of 1989 (closing streets in ETJ)
Chapter 27, Session Laws of 1993 (removal of areas from the corporate limits and addition of areas to the corporate limits)

S.L. 2001-245 (expending funds on roads outside the corporate limits)
S.L. 2003-74 (acquisition of property for utilities)
S.L. 2001-286 (red-light cameras).

SECTION 5. No provision of this act is intended, nor shall be construed, to affect in any way any rights or interests (whether public or private):

(1) Now vested or accrued, in whole or in part, the validity of which might be sustained or preserved by reference to any provisions of law repealed by this act.
(2) Derived from, or which might be sustained or preserved in reliance upon, action heretofore taken pursuant to or within the scope of any provisions of law repealed by this act.

SECTION 6. No law heretofore repealed expressly or by implication, and no law granting authority which has been exhausted, shall be revived by:

(1) The repeal herein of any act repealing such law, or

(2) Any provision of this act that disclaims an intention to repeal or affect enumerated or designated laws.

SECTION 7. All existing ordinances and resolutions of the Town of Cary and all existing rules or regulations of departments or agencies of the Town of Cary not inconsistent with the provisions of this act shall continue in full force and effect until repealed, modified, or amended.

SECTION 8. No action or proceeding of any nature (whether civil or criminal, judicial or administrative, or otherwise) pending at the effective date of this act by or against the Town of Cary or any of its departments or agencies shall be abated or otherwise affected by the adoption of this act.

SECTION 9. If any part of this act or the application thereof to any person or circumstance is held to be invalid, such invalidity shall not affect other provisions or applications of this act which can be given effect without the invalid provision or application, and to this end the provisions of this act are declared to be severable.

SECTION 10. Whenever a reference is made in this act to a particular provision of the General Statutes and such provision is later amended, repealed, or superseded, the reference shall be deemed amended to refer to the amended General Statute or to the General Statute that most nearly corresponds to the statutory provision amended, repealed, or superseded.

SECTION 11. This act is effective when it becomes law.

A BILL TO BE ENTITLED

AN ACT TO UPDATE THE CHARTER OF THE TOWN OF CARY.

The General Assembly of North Carolina enacts:

SECTION 1. The Charter of the Town of Cary, being Section 1 of Chapter 868 of the 1971 Session Laws, as amended by Chapter 357 of the 1973 Session Laws, Chapter 816 of the 1977 Session Laws, Chapter 51 of the 1985 Session Laws, Chapter 801 of the 1987 Session Laws, and ordinances adopted under Part 4 of Article 5 of Chapter 160A of the General Statutes reads as rewritten:

"**Section 1.** The Charter of the Town of Cary is hereby revised and consolidated to read as follows:

"THE CHARTER OF THE TOWN OF CARY

"ARTICLE I. INCORPORATION AND GENERAL POWERS

"Section 1.1. Incorporation and general powers. The Town of Cary shall continue to be a body politic and corporate under the name and style of the 'Town of Cary', and shall continue to be vested with all property and rights which now belong to the Town; shall have perpetual succession; may have a common seal and alter and renew the same at pleasure; may sue and be sued; may contract, may acquire and hold all such property, real and personal, as may be devised, bequeathed, sold, or in any manner conveyed or dedicated to it, or otherwise acquired by it, and may from time to time hold or invest, sell, or dispose of the same; and shall have and may exercise in conformity with this Charter all municipal powers, functions, rights, privileges and immunities of every name and nature.

"Section 1.2. Enumerated powers not exclusive. The enumeration of particular powers by this Charter shall not be held or deemed to be exclusive but, in addition to the powers enumerated herein or implied hereby, or those appropriate to the exercise of such powers, the Town of Cary shall have and may exercise all powers which are granted to municipal corporations by the general laws of North Carolina and all powers which, under the Constitution of North Carolina, it would be competent for this Charter specifically to enumerate.

"Section 1.3. Exercise of powers. All powers, functions, rights, privileges, and immunities of the Town, its officers, agencies or employees, shall be carried into execution as provided by this Charter, or if this Charter makes no provision, as provided by ordinance or resolution of the Town Council and as provided by the general laws of North Carolina pertaining to municipal corporations.

"Section 1.4. Form of government. The form of government of the Town of Cary shall be known as the 'Council-Manager Form of Government', as set forth in the General Statutes of North Carolina subject to the modifications of this Charter. Nothing contained in this Charter shall be construed to prevent the form of government of the Town of Cary from being changed as by law provided.

"ARTICLE II. CORPORATE BOUNDARIES

"Section 2.1. Existing corporate boundaries. ~~(a)~~ The corporate limits of the Town shall be those existing at the time of the ratification of this Charter and as the same may be altered from time to time in accordance with law. The Town ~~Engineer~~ Planning Director shall prepare a map to be designated 'Map of the Town of Cary Corporate Limits' showing the corporate limits as the same may exist as of the effective date of this Charter. The Town ~~Engineer shall~~ Planning Director may also prepare a written description of the corporate limits as shown on said map to be designated 'Description of Cary Corporate Limits'. Said map and description shall be retained permanently in the Office of the Town Clerk as the official map and a description of the corporate limits of the Town. Immediately upon alteration of the corporate limits made pursuant to law from time to time, the Town ~~Engineer~~ Planning Director shall indicate such alteration by making appropriate changes and/or additions to said official map and description. Photographic or other types ~~or other~~ of copies of said official map or description certified as by law provided for the certification of ordinances shall be admitted in evidence in all courts and shall have the same force and effect as would the official map or description.

~~(b) The Town Clerk shall require the re-drawing of the official map and the rewriting of the official description as may from time to time be required. A redrawn map and a rewritten description shall supersede for all purposes the earlier maps and descriptions which are respectively replaced.~~

"Section 2.2. Extension of corporate boundaries. All extensions of the corporate boundaries shall be governed by the General Statutes of North Carolina.

"ARTICLE III. MAYOR AND TOWN COUNCIL

"Section 3.1. Form of government. The government of the Town and the general management and control of all its affairs shall be vested in a Town Council, which shall be elected and shall exercise its powers in the manner hereinafter provided, except that the Town Manager shall have the authority hereinafter specified.

"Section 3.2. Number and qualification of ~~councilmen~~ council members and mayor generally.

(a) The town council shall consist of six (6) members, two (2) of whom shall be elected at large by all the qualified voters of the town, and four (4) of whom shall be elected by the qualified voters of each of four (4) single-member electoral districts, respectively, as established by the town council pursuant to the law. Terms of council

members shall be overlapping four-year terms. In the 2001 election and quadrennially thereafter, there shall be elected, for four-year terms, one (1) council member from electoral district A, one (1) council member from electoral district C, and one (1) council member from the town at large. In the 2003 election and quadrennially thereafter, there shall be elected, for four-year terms, one (1) council member from electoral district B, one (1) council member from electoral district D, and one (1) council member from the town at large.

(b) The mayor shall be elected by all the qualified voters of the town, for a term of four (4) years, in the 2003 election and quadrennially thereafter. The mayor shall have the right to vote on all matters before the town council.

(c) The method of election of the mayor and town council shall be the nonpartisan election and runoff method to be conducted as provided in G.S.163-293.

"Section 3.3. Legislative powers. All the legislative powers of the town shall be vested in the mayor and town council. The mayor and town council shall meet at the time prescribed by law following each election, and those elected as aforesaid shall take the oath of office as prescribed by law to perform faithfully the duties of their respective offices. The mayor shall have all rights, duties, and responsibilities of a councilman. A mayor pro tempore shall be elected by the town council from among its own members and shall hold office as mayor pro tempore during the pleasure of the council. The organization of the ~~council~~ council shall take place notwithstanding the absence, death, refusal to serve, failure to qualify, or nonelection of one or more members, but at least a quorum of the members must be present. Any member entitled to make the aforesaid oath, who was not present at the time fixed therefor, may make oath at any time thereafter.

~~"Section 3.4. Meetings. The Town Council shall fix suitable times for its regular meetings. The Mayor, the Mayor Pro Tempore of the Town Council, or any two members thereof, may at any time call a special meeting by causing a written notice, stating the time of holding such meeting and signed by a person or persons calling the same, to be delivered in hand to each member or left at his usual dwelling place at least six (6) hours before the time of such meeting. Meetings of the Town Council may also be held at any time when all members of the Council are present and consent thereto.~~

"Section 3.5. General Procedure. A majority of the members of the Town Council shall constitute a quorum. Its meetings shall be public, and the Mayor, who shall be the official head of the Town, shall, if present, preside and shall have the same power as the other members of the Council to vote upon all measures coming before it, but shall have no power of veto. In the absence of the Mayor, the Mayor Pro Tempore of the Council shall preside, and in the absence of both, a Chairman Pro Tempore shall be chosen. The Town Clerk shall be ex officio clerk of the Town Council, and shall keep records of its proceedings; but in case of ~~his~~ the clerk's temporary absence, or in case of a vacancy in the office, the Town Council may elect by ballot a temporary clerk, who shall be sworn to the faithful discharge of his duties and may act as Clerk of the Town Council until a Town Clerk is chosen and qualified. On request of one member, the vote shall be yeas, and nays, and shall be entered upon the records. ~~Four (4) affirmative votes at least shall be necessary for the passage of any order, ordinance, resolution, or vote.~~

"Section 3.6. Vacancies. Vacancies in the Town Council shall be filled by the Council for the remainder of the unexpired terms. In case of a vacancy in the office of Mayor, the remaining members of the Council shall choose from their own number his successor for the unexpired term.

"Section 3.7. Compensation. ~~(a) The Town Council shall fix or approve the salaries and allowances of all Town officers and employees.~~

~~(b)~~ The Council may fix its own compensation and the compensation of the Mayor and any other elected officers of the Town, in such sums as may be just and reasonable. Adjustments in the compensation of the Mayor and any other elected officers may be made effective at such time as the Council may direct, but the salary of elected officers shall not be reduced during the then current term of office unless he shall agree thereto. Elected officers shall be entitled to reimbursement for actual expenses incurred in the course of performing their official duties at rates not in excess of those allowed to other Town officers and employees.

"Section 3.8. ~~Town Manager. The Town Council shall appoint a Town Manager, who shall be the administrative head of the Town government, and shall be responsible for the administration of all departments. He shall be appointed with regard to merit only, and he need not be a resident of the Town when appointed. He shall hold office at the pleasure of the Town Council, and shall receive such compensation as it shall fix by ordinance.~~ Appointments by council. The town council shall appoint a town manager, a town attorney, a town clerk, and a town treasurer, and may authorize the appointment of such associates or assistants to such officers as the council may deem necessary, all who shall hold office at the pleasure of the council and receive such compensation as the council may provide.

"Section 3.9. Powers of Town Manager.

(a) The town council shall appoint a town manager, who shall be the administrative head of the town government, and shall be responsible for the administration of all departments. The manager shall be appointed with regard to executive and administrative abilities only, and need not be a resident of the town when appointed. The manager shall hold office at the pleasure of the town council, and shall receive such compensation as it shall fix by ordinance.

(b) The Town Manager shall:

~~(a)~~ (1) Be the administrative head of the Town government;

~~(b)~~ (2) See that within the Town the laws of the State and the ordinances, resolutions, and regulations of the Council are faithfully executed;

~~(c)~~ (3) Attend all meetings of the Council, and recommend for adoption such measures as he shall deem expedient;

~~(d)~~ (4) Make reports to the Council from time to time upon the affairs of the Town and keep the Council fully advised of the Town's financial condition and its future financial needs.

~~(e)~~ (5) Appoint and remove all heads of ~~departments, superintendents, and other employees of the Town,~~ departments, except those employees ~~hereinafter enumerated,~~ enumerated in Section 3.8 of this Charter, who shall be appointed by and at the pleasure of the Town ~~Council;~~

~~provided, the Town Manager shall report every such appointment and removal to the Council at the next meeting thereof following any such appointment or removal.~~ Council.

~~(f) The Town Council shall appoint a Town Attorney, a Town Clerk, a Town Treasurer, and a Town Accountant, and may authorize the appointment of such associates or assistants to such officers as the Council may deem necessary, all who shall dold office at the pleasure of the Council and receive such compensation as the Council may provide.~~

"Section 3.10. Town Attorney. The Town Attorney shall be the legal advisor to the Town and perform such duties as may be specified by the Council, or specified by law. The attorney shall be appointed with regard to merit only, and need not be a resident of the town when appointed. The attorney shall hold office at the pleasure of the town council, and shall receive such compensation as it shall fix by ordinance.

"Section 3.11. Town Clerk. The Town Clerk shall be the secretary to the Town ~~Council~~ Council, keep all records concerning Council actions and shall exercise those powers and duties conferred by the law and shall perform such duties as may be specified by the Council. The clerk shall be appointed with regard to merit only, and need not be a resident of the town when appointed. The clerk shall hold office at the pleasure of the town council, and shall receive such compensation as it shall fix by ordinance.

"Section 3.12. Town Treasurer. The town treasurer shall be appointed with regard to merit only, and need not be a resident of the town when appointed. The treasurer shall hold office at the pleasure of the town council, and shall receive such compensation as it shall fix by ordinance.The Town Treasurer shall be custodian of all funds of the Town. The town treasurer shall be custodian of all funds of the town.

The treasurer shall execute a bond payable to the town, and at its expense, in such sum and with such sureties as shall be prescribed and approved by the council conditioned upon the faithful performance of the duties of the office and proper accounting of all funds that may come into this person's possession by virtue of the office. Duties of the treasurer include:

(1) Manage the cash flows of the town.

(2) Be responsible for the investment of excess cash under the direction of the finance director.

(3) Keep appropriate records for cash flow and investments.

(4) Make reports as requested by the town manager, the finance director, and the council.

~~"Section 3.13. Town Accountant. The Town Accountant shall have charge of the financial affairs of the Town as specified or requested by the Town Council, Town Manager, or specified or required by law.~~

~~"Section 3.14. Town Engineer. The Town Engineer shall be the engineering advisor to the Town and perform such duties as may be specified by the Council or specified by law.~~

"Section 3.15. Combination of offices. The Town Council may combine the office of Town Treasurer with the ~~offices of Town Clerk or Town Accountant,~~ office of Town Clerk in ~~their~~ its sole discretion.

"Sec. 3.16. Terms of commissions, committees and boards. The town council is authorized to fix the terms of members of all commissions, committees and boards of the town regardless of the terms established by General Statute or other law for particular commissions, committees or boards; to appoint the chairman or other presiding officer of each commission, committee or board of the town, regardless of the provisions of any General Statute or other law; and to limit the number of terms which any person may serve on any commission, committee or board of the town.

~~"ARTICLE IV. ELECTION PROCEDURE~~

~~"Section 4.1. Municipal Elections. All general elections and special elections in the Town of Cary shall be called by resolution of the Wake County Board of Elections upon resolution of the Town of Cary requesting said Board to call such election. All elections shall be held, conducted and supervised by the Wake County Board of Elections under the laws governing the conduct of general elections and special elections in the State of North Carolina, except as otherwise may be provided by this act.~~

~~"Section 4.2. General election candidates. Candidates for any elective office in the Town of Cary shall file with the Wake County Board of Elections not later then twelve o'clock Noon on the second Tuesday preceding the date prescribed for the general election by this act a statement of such candidacy in substantially the following form:~~

~~STATE OF NORTH CAROLINA~~

~~COUNTY OF WAKE~~

~~I, _____, being first duly sworn say that I reside at _____ Street, Cary, Wake County, North Carolina; that I am a candidate for the office of _____, which office is to be filled at the general election of the Town of Cary to be held on the _____ in the year _____, and I hereby request that my name be printed upon the official ballot as a candidate for said office in said general election.~~

~~Subscribed and sworn to (or affirmed) before me this _____ day of _____ in the year~~

~~Each person so filing as a candidate for elective office in the Town of Cary shall pay at the same time to the Wake County Board of Elections to be turned over to the Town of Cary a filing fee in an amount equal to one per cent of the annual salary of the office sought or five dollars ($5.00), whichever shall be greater. Immediately upon the expiration of the time for filing statements of candidacy, the Wake County Board of Elections shall cause to be published once in a daily newspaper of general circulation in the Town of Cary and further shall cause to be posted at the Town Hall in the Town of Cary, in proper form, the names of each of the persons so filing statements of candidacy and the office for which each filed as they are to appear upon the general election ballots; and the said Wake County Board of Elections thereupon shall cause the election ballots to be printed as hereinafter set forth.~~

~~"Section 4.3. Election. On Tuesday, after the first Monday in November, 1973, and every four years thereafter there shall be elected two councilmen and on Tuesday after the first Monday in November, 1975, and every four years thereafter, there shall be elected three councilmen. Councilmen so elected shall serve for a term of four years~~

~~each and until their successors are elected and qualified. Notice of any election shall be published by the Wake County Board of Elections pursuant to resolution calling said election.~~

~~"Section 4.4. Election ballots. The Wake County Board of Elections shall cause ballots to be printed for the municipal election. The ballots shall be printed upon plain substantial white paper and shall be headed CANDIDATES FOR MUNICIPAL OFFICES OF THE TOWN OF CARY AT THE GENERAL MUNICIPAL ELECTION. There shall appear upon said ballots the name of each candidate filing a statement of candidacy for the Council of the Town of Cary and paying the fee as set forth in Section 4.2 hereof, with a square at the left of each name, and immediately following said names there shall appear the words 'Vote For' followed by the designation of the number of elective offices on the Council of the Town of Cary to be filled at said general election. Following this, there shall appear the authenticating facsimile signature of the Chairman of the Wake County Board of Elections and his title. Save for the foregoing items and such instructions as the Wake County Board of Elections may direct to be placed on the ballots, no other writing shall appear on such ballots.~~

~~"Section 4.5. Voting machines. Voting machines may be used in any election upon request of the Town of Cary and by consent of the Wake County Board of Elections. Elections using machines shall be conducted as by law provided and according to such regulations as the Wake County Board of Elections shall prescribe.~~

~~"Section 4.6. Canvass. At the time and place set forth by law, the Wake County Board of Elections and the registrars of the several precincts within the Town of Cary shall meet and shall constitute the canvassing board for said election. Said canvassing board shall proceed to receive and tabulate the number of votes cast in each precinct for the several candidates as shown by the returns of the registrars and judges, and that number of candidates for offices to be filled in the particular election and receiving the highest number of votes for offices to be filled in the particular election and receiving the highest number of votes for the office of councilman of the Town of Cary shall be declared elected councilman of the Town of Cary. The canvassing board shall certify under their hands and seals the results of said election, stating the name and number of votes received by each candidate. Two copies of the results of the election shall be made under the hands of the members of said canvassing board, one of which shall be filed with the Clerk of the Town of Cary who, immediately upon receipt thereof, shall prepare and post a true copy of the results of the election at the Cary Town Hall. In the event of a tie vote among two or more candidates receiving a number of votes which, but for the tie vote, would have entitled any one or more of such candidates to be declared elected, the canvassing board shall determine by lot which shall be elected.~~

~~"Section 4.7. Special election. Every election held pursuant to resolution of the Council of the Town of Cary shall be conducted in like manner as provided in this act and the General Election laws for the State of North Carolina so far as the particular case can be governed by general rules, and shall, to all intents and purposes, be as legal and valid, and shall subject the officers holding the same and the persons elected at such special election to the same penalties and liabilities as if the same had been held at the~~

~~time and according to the rules and regulations prescribed for the regular biennial Town elections.~~

~~The Council of the Town of Cary shall have power, by appropriate resolution, to require the Wake County Board of Elections to call at any time any special election for the purpose of voting upon any municipal issue, including the question of issuing bonds for any purpose or purposes provided by law.~~

~~"Section 4.8. Absentee voting. Absentee voting will not be permitted in any Town of Cary municipal election.~~

~~"Section 4.9. Compensation of election officials. Notwithstanding the provisions of any other law, special or general, the registrars, judges and clerk of election shall receive for their services such compensation as shall be fixed by the Wake County Board of Elections; provided, the pay of such election officials in a municipal election for the Town of Cary shall not exceed the amount paid to such officials in the holding of County and State elections.~~

~~"Section 4.10. Costs of elections. The Town of Cary shall pay all expenses incurred by the Wake County Board of Elections by reason of any election conducted for the Town of Cary, including the following items of expense:~~

~~(a) The actual costs of publication of any election notice or notices.~~

~~(b) The actual costs of printing, including ballots, forms required for the filing of candidates, and any other printed matter.~~

~~(c) The compensation paid to the registrars, judges and clerks of election for the conduct of the election; provided, when any Town of Cary municipal election shall coincide with any other County, State or National election, the Town of Cary shall pay only the pro rata part of such compensation attributable to such municipal election as determined by the Wake County Board of Elections, not exceeding one half of the total compensation paid to the registrars, judges and clerks of election for the conduct of the election in precincts within the Town of Cary.~~

~~(d) The compensation paid to the members of the Board of Canvassers for canvassing the votes of the municipal election; provided, when the canvass of votes for any other City, Town, County, State or National election or elections shall coincide with the canvass of votes of a municipal election in the Town of Cary, the Town of Cary shall pay only the pro rata part of such compensation attributable to the canvass of votes for the municipal election of the Town of Cary as determined by the Wake County Board of Elections, not exceeding one half of the total compensation paid to the Board of Canvassers.~~

~~(e) The actual costs (or, in the case of costs attributable to elections for the Town of Cary and one or more other Town, City State, County or National elections, the pro rata cost as determined by the Wake County Board of Elections), of any other item of expense lawfully incurred by the Wake County Board of Elections in conducting the municipal election for the Town of Cary.~~

~~The Wake County Board of Elections, within thirty days after any election conducted for the Town of Cary, shall render a bill computed as herein set forth to the Town of Cary for all items of expense incurred by said Board in the conduct of a~~

~~municipal election for the Town of Cary, and the Town of Cary shall pay such bill within thirty days after receipt thereof.~~

~~"Section 4.11. Registrars and judges -- appointment. Registrars, judges and clerks of elections shall be appointed by the Wake County Board of Elections as required and shall be selected on a non-partisan basis.~~

~~"ARTICLE V. POLICE~~

~~"Section 5.1. Jurisdiction on town property. The jurisdiction of the police force is hereby extended to include all Town owned property and facilities, whether located within or without the corporate limits and all members of the police force shall have upon and within such property and facilities all rights, power and authority as they have within the corporate limits.~~

~~"Section 5.2. Effect of ordinances on town property. All applicable ordinances of the Town shall have full force and effect upon and within all property and facilities owned by the Town, whether located within or outside the corporate limits.~~

"ARTICLE VI. STREET AND SIDEWALK IMPROVEMENTS

"Section 6.1. Street improvements; assessment of cost. In addition to any authority which is now or may hereafter be grantd by general law to the Town for making street improvements, the Town Council is hereby authorized to make street improvements and to assess the cost thereof against abutting property owners in accordance with the provisions of this Article.

"Section 6.2. When petition unnecessary. The Town Council may order street improvements and assess the cost thereof, exclusive of the cost incurred at street intersections, against the abutting property owners at an equal rate per front foot, without the necessity of a petition, upon the finding by the Council as a fact:

(a) That such street or part thereof is unsafe for vehicular traffic and it is in the public interest to make such improvement, or

(b) That it is in the public interest to connect two streets, or portions of a street already improved, or

(c) That it is in the public interest to widen a street, or part thereof, which is already improved; provided, that assessments for widening any street or portions of street without petition shall be limited to the cost of widening and otherwise improving such street in accordance with the street classification and improvement standards established by the Town's thoroughfare or major street plan for the particular street or part thereof to be widened and improved under the authority granted by this Article.

"Section 6.3. Street improvement defined. For the purpose of this Article the term 'Street Improvement' shall include grading, regrading, surfacing, resurfacing, widening, paving, repaving, the acquisition of right-of-way, and the construction or reconstruction of curb, gutters and street drainage facilities.

"Section 6.4. Sidewalks; assessment of cost. In adition to any authority which is now or may hereafter be granted by the General Statutes to the Town for making sidewalk improvements, the Town Council is hereby authorized to order to be made or to make sidewalk improvements or repairs without petition according to standards and specifications of the Town, and to assess the total cost thereof against abutting property owners.

If a sidewalk is constructed on only one side of a street, the cost thereof may be assessed against a property abutting on both sides of the street, unless there already exists a sidewalk, on the other side of the street, the total cost of which has been assessed against the abutting property.

"Section 6.5. Assessment procedure. In ordering street and sidewalk improvements without a petition and assessing the cost thereof under authority of this Article, the Town Council shall comply with the procedure provided in the General Statutes, except those provisions relating to the petition of property owners and the sufficiency thereof.

"Section 6.6. Effect of assessment. The effect of the act of levying assessments under the authority of this Article shall for all purposes be the same as if assessed where levied under authority of the General Statutes of North Carolina.

"ARTICLE VII. FINANCE AND TAXATION

"Section 7.1. Custody of town money. All monies received by the Town for and in connection with the business of the Town government shall be paid promptly into the Town depository or depositories. Such institution shall be designated by the Town Council in accordance with such regulations and subject to such requirements as to surety for deposits and interest thereon as shall be established by the General Statutes of North Carolina. All interest on monies belonging to the Town shall accrue to the benefit of the Town. All monies belonging to the Town shall be disbursed only in accordance with the provisions of the Municipal Fiscal Control Act.

"Section 7.2. Independent audit. As soon as practicable after the close of each fiscal year, an independent audit shall be made of all books and accounts of the Town government by a certified public accountant or a qualified public accountant registered pursuant to the General Statutes of North Carolina, who shall have no personal interest directly or indirectly in the affairs of the Town or any of its officers. The Town Council shall select the public accountant and the results of such audit shall be made available for inspection by any interested citizen of the Town, and may be published if so ordered by the Town Council.

~~"Section 7.3. Appropriations for industrial development. The Town Council is hereby authorized to appropriate from any available non-tax revenues an amount not to exceed the sum of five thousand dollars ($5,000) annually to be used for advertising and publicizing the advantages and facilities of the Town in such manner as in the judgment and discretion of the Town Council will promote and enhance the industrial and economic welfare of the citizens and taxpayers of the Town. Such appropriations are hereby declared to be for a public purpose. The money so appropriated may be expended either directly by the Town Council or through the facilities of such agency as the Council may elect, and shall be used in such manner as will, in the opinion of the Council, best serve the purposes herein set forth.~~

"Section 7.4. (a) The Town of Cary shall have the right, power and authority to impose and collect a regulatory or development fee defined as a road project fee on all new construction within the Town limits and extraterritorial jurisdiction.

(b) It is the purpose and intent of this section to provide the Town with the legal mechanism granting it the right, power and authority to impose and collect fees to finance additional improvements within the Town limits and extraterritorial jurisdiction.

These additional road improvements being caused by rapid and continued growth within the Cary area. This section provides approval to the Town to actually develop and implement such a fee system, but does not in any way, describe or detail the actual fee structure and rate classification. An extensive study will subsequently be performed to establish the basis and framework for the fee system should the system be deemed necessary in order to maintain the high level of service delivery presently available to Cary residents.

"ARTICLE VIII. WATER AND SEWER IMPROVEMENTS

"Section 8.1. Laterals included in cost. In ordering water or sewer line extensions, or both, the assessment of the cost thereof under the authority given by the General Statutes, the Town Council is hereby authorized to include in such extensions water and sewer line laterals, and to include the cost of such laterals in the total cost to be assessed upon abutting properties.

"Section 8.2. Classification and exemption. Where water or sewer lines are constructed across or through lots or tracts of land or when water or sewer lines, or both, are installed along both sides of corner lots were or are financed in whole or in part by assessment, the Council may by uniform rule classify such lines for assessment as in its judgment will represent the benefits derived. The schedules of exemptions may be classified as to land uses (residential, business, commercial, industrial, office and institutional, agricultural, or other classifications) and shall be uniform for each such classification used; provided, however, that no schedule of exemptions may provide for exemption of more than seventy-five percent (75%) of the frontage of any side of a corner lot, or 150 feet, whichever is greater.

"Section 8.3. Alternative method of assessing. In addition to, and as alternatives, to the method provided in the General Statutes for assessing the cost of water and sewer lines and laterals, the Town Council, if in its opinion it would be more equitable to do so, is hereby authorized in its discretion to levy any such assessments according to either of the following methods: (1) equally against each of the lots capable of being served by such line or lines, or (2) on the basis of the footage of land upon a public street by an equal rate per foot of such frontage.

In lieu of assessing the total cost of a particular project as herein provided, the Town Council may annually, between the first days of January and July of each year, determine the average cost of installing water and sewer mains or lines, and on the basis of such determination may make assessments on such average cost during the following fiscal year beginning July 1. The average cost of such installation shall include the cost of the particular size and material of lines completed during the preceding calendar year. It may also include the anticipated increase in labor and materials cost based upon the average of such increases during the preceding five calendar years. The assessment of the average cost of such lines shall not be made until after the particular assessment project has been completed. The purpose of this Section is to distribute more equitably the cost of the installation of water and sewer lines throughout the Town; to permit a property owner to know in advance what the cost of installation of water and sewer lines benefiting his property will be; and to permit the most expeditious assessment of cost against the property after completion of installation of such lines. The actual cost of

acquisition of rights-of-way may also be assessed as part of the cost of an individual project. If the right-of-way costs have not been determined and assessed with the assessment of the average installation cost at the time of the completion of the project, such costs may be assessed separately when they are determined.

"Section 8.4. Payment of assessments. Any special assessment of the Town for any purpose amounting to less than one hundred dollars ($100.00) shall be paid in cash not later than the next due date of Town taxes rather than in annual installments, and shall bear interest as taxes.

"Section 8.5. ~~Acreage charges.~~ Water and sewer development fees. In addition to water and sewer service charges and connection charges, the Town Council may establish and collect ~~acreage charges~~ water and sewer development fees for the privilege of connecting to the Town water and sewerage systems, both within and outside the corporate limits, to aid in the financing of new water and sewer mains and laterals and sewer outfalls and the replacement or enlargement of existing mains, laterals and outfalls. Such charges shall apply uniformly to all properties to which water or sewer service is extended subsequent to the establishment of such charges; provided, however, that the Council may establish higher ~~acreage charges~~ water and sewer development fees for property developed or to be developed for business, commercial, industrial, or office and institutional uses than those established for residential and other uses, and may base ~~acreage charges~~ water and sewer development fees for residential property upon the number of dwelling units per acre of land.

"ARTICLE IX. REGULATORY POWERS

"Section 9.1. Zoning and subdivision regulations. Any subdivision control ordinance enacted by the Town Council pursuant to general law may also provide for the orderly development of subdivisions by requiring the construction of community service facilities, including water lines; sewer lines; street paving, curbing and guttering; and street and storm drainage facilities in accordance with Town standards and specifications, and to assure compliance with such requirements, the ordinance may require the posting of bond or such other method as will offer guarantee of compliance.

In addition to the authority conferred upon it by general or local law, the Town of Cary is hereby empowered to create, through the legislative process, general use zoning districts, in which a variety of uses are permitted; conditional use zoning districts, in which limited uses are permitted only upon approval by the Town; overlay zoning districts, which are applied coincidental with the general or conditional use district; and transitional zoning regulations.

The overlay zoning districts may impose additional regulations on some property within the underlying general or conditional use district and not on all properties within those districts.

A person petitioning for rezoning of a tract of land where conditional use districts or overlay districts are authorized by ordinance, may elect to request a general use district, a conditional use district, or an overlay district for the tract. If the petitioner elects to petition for the general use or overlay district zoning, and if the petition is approved, the rezoned property may be used for any of the uses permitted in the applicable general use or overlay district. If the petitioner elects to petition for conditional use district zoning,

the petition must specify the actual use or uses, and all other development regulations authorized by State law, which are intended for the property specified in the petition. The intended use or uses and development regulations must be permitted in the corresponding general use district. If the petition is for conditional use district zoning, the Town Council is to approve or disapprove the petition on the basis of the specific use or uses and development regulations requested. If the petition is approved, the Town Council shall issue a conditional use permit authorizing the requested use with such reasonable conditions as the Town Council determines to be desirable in promoting public health, safety and general welfare.

The conditions contained in a conditional use permit issued by the Town Council may include: location of the proposed use on the property; the number of dwelling units; the location and extent of support facilities such as parking lots, driveways, and access streets; location and extent of buffer areas and other special purpose areas; the timing of development; and such other matters as the Town Council may find appropriate or the petitioner may propose, including architectural review or controls.

It is the further intent of this section to permit the creation of districts for specific uses and the imposition of reasonable conditions in order to secure the public health, safety and welfare, and ensure that substantial justice be done.

"Section 9.2. Regulatory codes. The Town Council is hereby authorized to make effective and to endorce within the territory under its extraterritorial zoning jurisdiction and lying outside the corporate limits and within one mile thereof, all ordinances and codes of the Town regulating the construction and repair of buildings, including building codes, plumbing codes, electrical codes, heating and air conditioning codes, fire prevention codes, minimum housing codes adopted pursuant to the General Statutes, and ordinances relating to unsafe buildings adopted pursuant to the provisions of the General Statutes. In addition, the Town Council is hereby authorized to enforce in such area the North Carolina State Building ~~Code, the North Carolina State Plumbing Code,and the North Carolina Uniform Residential Building Code,~~ Codes, including Accessibility, Plumbing, Mechanical, Electrical, Fire Prevention, Fuel Gas, Energy, Existing Buildings, and Residential, all as published by the North Carolina Building Code Council. Such enforcement power shall include the power to require that prior to the beginning of any construction, reconstruction, or alteration of any building or structure or any part or system thereof within such area, the appropriate permit or permits be obtained from the Town; provided, the Town Council may by ordinance require that the contractor or other person charged with such construction, reconstruction, or alteration secure such permit or permits, rather than requiring the owner of the property to do so.

"Sec. 9.3. Underground utilities. In addition to the powers now or hereafter granted to municipalities by law, the town council by ordinance may require that all utility or other pipes, wiring, conduits, cables, and fixtures installed after the adoption of such ordinance within the planning and zoning jurisdiction of the town be installed underground, whether or not the same are installed in public rights-of-way.

"ARTICLE X. CLAIMS AGAINST THE TOWN

"Section 10.1. Settlement of claims by Town Manager. The Town Manager may, ~~with~~ without the approval of the Town Council, settle claims against the Town for ~~(1)~~ personal injuries or damages to property when the amount involved does not exceed the sum of ~~one hundred dollars ($100.00)~~ two thousand five hundred dollars ($2,500) and does not exceed the actual loss sustained, including loss of time, medical expenses, and any other expense actually ~~incurred and (2) the taking of small portions of private property which are needed for the rounding of corners at intersections of streets, when the amount involved in any such settlement does not exceed five hundred dollars ($500.00) and does not exceed the actual loss sustained.~~ incurred. Settlement of a claim by the Town Manager pursuant to this Section shall constitute a complete release of the Town from any and all damages sustained by the person involved in such settlement in any manner arising out of the ~~accident, occasion, or taking~~ accident or occasion complained of. ~~All such settlements, and all such releases, shall be approved in advance by the Town Attorney.~~"

SECTION 2. This act is effective when it becomes law.

MEMORANDUM

TO: House Finance Committee

FROM: Gerry. F. Cohen
Director of Legislative Drafting

SUBJECT: Proposed Committee Substitute for House Bill 488, Cary Charter Rewrite

The proposed committee substitute for House Bill 488, Cary Charter Rewrite, was requested by the Town of Cary. It takes the 1971 Charter, and incorporates in it amendments made by later Session Laws (whether those amendments referred specifically to the Charter or not). It repeals obsolete portions of the Charter (such as voluminous provisions on election administration that were superceded by the Uniform Municipal Elections Act which was passed later in the 1971 Session). It repeals eight local acts that were incorporated into the charter. It also mentions 11 other local acts that apply to Cary and one or more other municipalities so that one document will point to all the local legislation applicable to the Town. It also modernizes some language, and updates statutory references in the Charter to reflect changes in general law enacted since 1971.

It makes no substantive changes to the power of the Town, and does not either grant to or take away from the Town of Cary any powers.

HOUSE BILL 464:
Winston-Salem Motor Vehicle Tax Increase

BILL ANALYSIS

Committee:	House Finance	**Date:**	April 26, 2005
Introduced by:	Rep. Parmon	**Summary by:**	Cindy Avrette
Version:	First Edition		Committee Counsel

SUMMARY: House Bill 464 increases the amount of the general municipal vehicle tax Winston-Salem may impose from $10 to $25. The proceeds of the additional tax may be used only for transportation-related purposes. The bill is effective when it becomes law.

CURRENT LAW: Under general law, counties may not impose a license or privilege tax on motor vehicles[1] and municipalities are limited in the taxes they may impose on motor vehicles to the taxes listed below:

- **General Municipal Vehicle Tax.** – A tax not to exceed $5 a year on a motor vehicle resident in the municipality. The revenue generated by this tax may be used for any lawful purpose. By local acts, the amount of the tax has been increased for several cities and towns. The cities of Durham, Henderson, and Oxford and the towns of Ahoskie, Cary, Chapel Hill, Creedmoor, and Hillsborough may levy a tax up to $10. The town of Carrboro[2] and the cities of Gastonia, Kinston, and Raleigh may levy a tax up to $15. The cities of Charlotte and Greenville and the towns of Cornelius, Davidson, Huntersville, Matthews, Mint Hill, Murfreesboro, and Pineville may levy a tax up to $20.
- **Local Public Transportation System.** – A tax not to exceed $5 a year on a motor vehicle resident in the municipality. Only municipalities that operate a public transportation system may impose this tax and the proceeds from the tax may be used only for local public transportation systems.[3]
- **Tax on Taxicabs.** – A tax not to exceed $15 a year on each vehicle operated in the municipality as a taxicab. The proceeds of this tax may be used for any lawful purpose.

BILL ANALYSIS: House Bill 464 would authorize Winston-Salem to increase its motor vehicle tax from $10 to $20. The proceeds of the additional tax must be used exclusively for transportation-related purposes as follows:

- 1/3 must be used for traffic management functions, such as congestion management and prevention.
- 1/3 must be used for public transit functions, such as bus, streetcar, and rail transit systems.
- 1/3 must be used for non-motorized transportation functions, such as sidewalks, pedestrian safety improvements, bicycle routes, and greenways.

H0464e1-SMRB

[1] By local acts modifying G.S. 20-97, Alleghany, Caswell, and Pamlico Counties may impose an annual motor vehicle tax. The amounts vary from $5 to $15.

[2] HB 691 would authorize Carrboro to increase its tax to $25.

[3] This tax may not be imposed by the City of Durham or by any cities and towns in Gaston County.

SUMMARY: ***The proposed committee substitute for House Bill 1037 increases the amount of the municipal motor vehicle tax Wrightsville Beach may impose from $5 to $15 and it authorizes the Town to establish a schedule of discounts for motor vehicle taxes paid prior to July 1st of each year. The bill would become effective when it becomes law.***

CURRENT LAW: Under general law, counties may not impose a license or privilege tax on motor vehicles[1] and municipalities are limited in the taxes they may impose on motor vehicles to the taxes listed below:

- **General Municipal Vehicle Tax.** – A tax not to exceed $5 a year on a motor vehicle resident in the municipality. The revenue generated by this tax may be used for any lawful purpose. By local acts, the amount of the tax has been increased for several cities and towns. The cities of Durham, Henderson, Oxford, Winston-Salem[2] and the towns of Ahoskie, Cary, Chapel Hill, Creedmoor, and Hillsborough may levy a tax up to $10. The town of Carrboro[3] and the cities of Gastonia, Kinston, and Raleigh may levy a tax up to $15. The cities of Charlotte and Greenville and the towns of Cornelius, Davidson, Huntersville, Matthews, Mint Hill, Murfreesboro, and Pineville may levy a tax up to $20.
- **Local Public Transportation System.** – A tax not to exceed $5 a year on a motor vehicle resident in the municipality. Only municipalities that operate a public transportation system may impose this tax and the proceeds from the tax may be used only for local public transportation systems.[4]
- **Tax on Taxicabs.** – A tax not to exceed $15 a year on each vehicle operated in the municipality as a taxicab. The proceeds of this tax may be used for any lawful purpose.

BILL ANALYSIS: The Town of Wrightsville Beach issues a vehicle decal for each vehicle for which a motor vehicle tax is paid. The decal serves as a re-entry device to identify residents and property owners following an evacuation. In recent years, the property owners and residents of the Town have tended to pay the tax and obtain the decal immediately before and after an evacuation. The result of this timing is often extremely long lines at a time when property owners, residents, and town personnel need to be preparing for severe weather conditions.

To encourage taxpayers to pay the motor vehicle tax and obtain the vehicle decal earlier in the year, ***House Bill 1037*** authorizes the Town of Wrightsville Beach to establish a schedule of discounts for payments of the tax made prior to July 1st of each year. The bill also increases the rate of tax the Town

[1] By local acts modifying G.S. 20-97, Alleghany, Caswell, and Pamlico Counties may impose an annual motor vehicle tax. The amounts vary from $5 to $15.

[2] HB 464 would authorize Winston-Salem to increase its tax to $20.

[3] HB 691 would authorize Carrboro to increase its tax to $25.

[4] This tax may not be imposed by the City of Durham or by any cities and towns in Gaston County.

may impose from an amount up to $5 to amount up to $15. The Town would likely impose a schedule of taxation similar to the amounts shown in the chart below:

Tax Paid	Rate of Tax, with Discount
Before April 1	Up to $5
After April 1, but before July 1	Up to $10
After July 1	Up to $15

A BILL TO BE ENTITLED

AN ACT TO MAKE CHANGES TO STATE AND LOCAL GOVERNMENT FINANCE LAWS.

The General Assembly of North Carolina enacts:

SECTION 1. G.S. 158-7.3(c) reads as rewritten:

"(c) Development Financing District. – A development financing district created pursuant to this section must be comprised of property that is one or more of the following:

(1) Blighted, deteriorated, deteriorating, undeveloped, or inappropriately developed from the standpoint of sound community development and growth.

(2) Appropriate for rehabilitation or conservation activities.

(3) Appropriate for the economic development of the community.

The total land area within development financing districts in a unit, including development financing districts created pursuant to G.S. 160A-515.1, may not exceed five percent (5%) of the total land area of the unit. For the purposes of this section, land in a district created by a county that subsequently becomes part of a city, town, or incorporated village does not count against the five-percent (5%) limit for the city, town, or incorporated village unless the city, town, or incorporated village and the county have entered into an agreement pursuant to G.S. 159-107(e). A county may not include in a district created pursuant to this section any land that, at the time the district is created, is inside a city, town, or incorporated village."

SECTION 2. G.S. 159-29(a) reads as rewritten:

"(a) The finance officer shall give a true accounting and faithful performance bond with sufficient sureties in an amount to be fixed by the governing board, not less than ~~ten thousand dollars ($10,000) nor more than two hundred fifty thousand dollars ($250,000).~~fifty thousand dollars ($50,000). The premium on the bond shall be paid by the local government or public authority."

SECTION 3. Article 4 of Chapter 159 of the General Statutes is amended by adding a new section to read:

"**§ 159-68. Certain provisions not applicable to refunding bonds.**

The provisions of G.S. 159-56 and the provisions of this Article related to the holding of a public hearing prior to the adoption of the bond order do not apply to refunding bonds issued by a unit of local government so long as the refunding bonds do not extend the final maturity of the debt or obligation to be refunded and so long as the aggregate debt service over the life of the refunding bonds is less than the aggregate debt service on the debt or obligation to be refunded. When the conditions of this section are satisfied, a unit of local government may introduce a bond order, adopt a bond order, and adopt a sale resolution with respect to refunding bonds in one or more meetings of the unit's governing body."

SECTION 4. G.S. 159-83(a)(5) reads as rewritten:

"(5) To borrow money for the purpose of acquiring, constructing, reconstructing, extending, bettering, improving, or otherwise paying the cost of revenue bond projects, ~~and~~ to issue its revenue bonds or bond anticipation notes therefor, in the name of the State or a municipality, as the case may be, ~~but no encumbrance, mortgage, or other pledge or real property of the State or a municipality may be created in any manner.~~and to pledge, mortgage, or grant a security interest in all or a portion of the real and personal property comprising the utility or public enterprise facility or system acquired, constructed, reconstructed, extended, bettered, or improved with the proceeds of the borrowing. Property subject to a mortgage, deed of trust, security interest, or similar lien pursuant to this subdivision may be sold at foreclosure in any manner permitted by the instrument creating the encumbrance, without compliance with any other provision of law regarding the disposition of publicly owned property."

SECTION 5. G.S. 159-107(e) reads as rewritten:

"(e) Increment Agreements. – Effect of Annexation on District Established by a County. – If a city annexes land in a development financing district established by a county pursuant to G.S. 158-7.3, the proceeds of all taxes levied by the city on property within the district shall be paid to the city unless the city enters into an agreement with the county pursuant to this ~~subsection.~~subsection, and the annexed land in the county's district that subsequently becomes a part of the city does not count against the city's five-percent (5%) limit under G.S. 158-7.3 or G.S. 160A-515.1 unless the city and the county enter into an agreement pursuant to this section. The city and the county may enter into an increment agreement under which the city agrees that city taxes on part or all of the incremental valuation in the district shall be paid into the revenue increment fund for the district. An increment agreement may be entered into when the district is established or at any time after the district is established. The increment agreement may extend for the duration of the district or for a shorter time agreed to by the parties."

SECTION 6. G.S. 159-111(b) reads as rewritten:

"(b) In order to provide additional security for debt instruments issued pursuant to this Article, and in lieu of pledging its faith and credit for that purpose pursuant to subsection (a) of this section, a unit of local government may ~~agree to apply to the payment of the instruments~~pledge or grant a security interest in any available sources of revenues of the unit, including special assessments against property within the development financing district made by the unit pursuant to Article 9 of Chapter 153A of the General Statutes or Article 10 of Chapter 160A of the General Statutes, as long as ~~the agreement to use the sources to make payment~~doing so does not constitute a pledge of the unit's taxing ~~power or of the unit's revenues derived from local sales taxes.~~power. In addition, to the extent the generation of the revenues is within the power of the unit, the unit may enter into covenants to take action in order to generate the revenues, as long as the covenant does not constitute a pledge of the unit's taxing power. In addition, the unit may pledge, mortgage, or grant a security interest in all or a portion of the real and personal property being financed or improved with the proceeds of the project development financing debt instrument. Property subject to a mortgage, deed of trust, security interest, or similar lien pursuant to this subsection may be sold at foreclosure in any manner permitted by the instrument creating the encumbrance, without compliance with any other provision of law regarding the disposition of publicly owned property."

SECTION 7. G.S. 159-125 reads as rewritten:

"**§ 159-125. Bid instructions; bid deposit.**

(a) Except for revenue bonds, no bid for less than the ninety-eight percent (98%) of the face value of the bonds plus one hundred percent (100%) of accrued interest may be entertained.

Different rates of interest may be bid for bonds maturing in different ~~years, but~~ years and different rates of interest may ~~not~~ be bid for bonds maturing in the same ~~year.~~year unless the Secretary of the Commission requires one interest rate per maturity in connection with the sale of the bonds. This subsection applies to public sale of bonds only.

(b) ~~Each bid shall be~~ The Secretary of the Commission may require that bids be accompanied by a bid deposit ~~equal to two percent (2%) of the aggregate principal amount of the bond issue. The~~ in an amount prescribed by the Secretary of the Commission or may determine that no bid deposit is required. If required, the bid deposit shall be made in a form approved by the Secretary of the Commission, and shall secure the issuing unit against loss resulting from the bidder's failure to comply with the terms of the bid. ~~his bid. This subsection shall not apply to bids entered by a State or federal agency.~~

(c) When a State or federal agency has agreed to purchase the bonds at a stated rate of interest unless more favorable bids are received, bids may be entertained from other purchasers for less than all of the bonds."

SECTION 8. G.S. 159-127 reads as rewritten:

"**§ 159-127. Award of bonds.**

All bids received pursuant to a public sale shall be opened in public on a date and at a time and place to be specified in the notice of sale. ~~The bond~~ Bonds sold at public sale shall be awarded to the bidder offering to purchase the bonds at the lowest interest cost

to the issuing ~~unit. In calculating such interest cost, the amount of any premium bid shall be deducted from the aggregate amount of interest on the entire issue until maturity.~~unit calculated in the manner established by the Secretary of the Commission in the notice of sale."

SECTION 9. G.S. 159-139 reads as rewritten:

"**§ 159-139. Destruction of cancelled bonds, notes, and coupons.**

(a) All cancelled bonds, notes, and interest coupons of a unit may be destroyed in one of the following ways, in the discretion of the governing board:

(1) Method 1. – The finance officer shall make an entry in ~~a substantially bound book kept by him for the purpose of recording the destruction of bonds, notes, and coupons, showing~~the official records of the unit, which may include the register for the bonds, notes, and coupons, showing:

a. With respect to bonds and notes, the purpose of issuance, the date of issue, serial numbers (if any), denomination, maturity date, and total principal amount.

b. With respect to coupons, the purpose of issue and date of the bonds to which the coupons appertain, the maturity date of the coupons and, as to each maturity date, the denomination, quantity, and total amount of coupons.

After this entry has been made, the paid bonds, notes, and coupons shall be destroyed or marked cancelled in the manner determined by the finance officer, who shall make an entry of the destruction or cancellation in the official records of the unit. ~~by either burning or shredding, in the presence of the mayor or chairman of the governing board, the finance officer, the unit's attorney, and the clerk to the governing board, or any three of them, each of whom shall certify under his hand in the book kept by the finance officer that he saw the bonds and coupons destroyed.~~ Cancelled bonds, notes, or coupons shall not be destroyed until after one year from the date of payment.

(2) Method 2. – The governing board may contract with the bank, trust company or other person acting as fiscal agent for a bond issue for the destruction of bonds and interest coupons which have been cancelled by the fiscal agent. The contract shall require that the fiscal agent give the unit a written certificate of each destruction containing the same information required by Method 1 to be entered in the record of destroyed bonds and coupons. The certificates shall be filed among the permanent records of the finance officer's office. Cancelled bonds or coupons shall not be destroyed until one year from the date of payment.

(b) The provisions of G.S. 121-5 and G.S. 132-3 ~~shall~~ do not apply to paid bonds, notes, and coupons. The information required to be ~~entered in a substantially bound book~~ recorded prior to destruction under either Method 1 or Method 2 may as an

alternative, be shown by photocopying, microfilming or other similar method of recording the information by directly reproducing the cancelled documents."

SECTION 10. G.S. 159C-3(15a) reads as rewritten:

"**§ 159C-3. Definitions.**

The following definitions apply in this Chapter:

...

(15a) Special purpose project. – Any structure, equipment, or other facility for any one or more of the following purposes:

a. Water systems or facilities, including all plants, works, instrumentalities, and properties used or useful in obtaining, conserving, treating, and distributing water for domestic or industrial use, irrigation, sanitation, fire protection, or any other public or private use.

b. Sewage disposal systems or facilities, including all plants, works, instrumentalities, and properties used or useful in the collection, treatment, purification, or disposal of sewage, other than facilities constituting a water pollution control facility.

c. Public transportation systems, facilities, or equipment, including bus, truck, ferry, and railroad terminals, depots, trackages, vehicles, and ferries, and mass transit systems.

d. Public parking lots, areas, garages, and other public vehicular parking structures and facilities.

e. Public auditoriums, gymnasiums, stadiums, and convention centers.

f. Recreational ~~facilities.~~facilities, including museums.

g. Land, equipment, and facilities for the disposal, treatment, or recycling of solid or other waste that are described in G.S. 159I-8.

h. Facilities for the provision of rehabilitation services, education, training, and employment opportunities for persons with disabilities and the disadvantaged. The term does not include a retail facility, however, unless the proposed operator of the facility certifies that at least seventy-five percent (75%) of its employees will be disadvantaged or disabled persons and at least seventy-five percent (75%) of its inventory will be composed of used, donated items and items manufactured by disadvantaged or disabled persons."

SECTION 11. G.S. 159G-18(a) reads as rewritten:

"(a) Applicants may execute debt instruments payable to the State in order to obtain revolving loans provided for in this Chapter. Applicants shall pledge as security for such obligations the user fee revenues derived from operation of the benefited facilities or systems ~~only,~~only; or other sources of ~~revenue,~~revenue; or their faith and ~~credit,~~credit; or a mortgage, deed of trust, security interest, or similar lien on all or a portion of the real and personal property comprising the utility or public enterprise

facility or system acquired, constructed, reconstructed, extended, bettered, or improved with the proceeds of the borrowing; or any combination thereof. The faith and credit of applicants that are local government units shall not be pledged or be deemed to have been pledged unless the requirements of Article 4, Chapter 159 of the General Statutes have been met. The State Treasurer, with the assistance of the Local Government Commission, shall develop and adopt appropriate debt instruments for use by applicants under this Chapter. The Local Government Commission shall develop and adopt appropriate procedures for the delivery of debt instruments by applicants to the State without any public bidding therefor."

SECTION 12. G.S. 160A-515.1(b) reads as rewritten:

"(b) Development Financing District. – A development financing district shall comprise all or portions of one or more redevelopment areas defined pursuant to this Article. The total land area within development financing districts in a city, including development financing districts created pursuant to G.S. 158-7.3, may not exceed five percent (5%) of the total land area of the city. For purposes of this section, land in a district created by a county that subsequently becomes part of a city does not count against the city's five-percent (5%) limit unless the city and the county have entered into an agreement pursuant to G.S. 159-107(e)."

SECTION 13. This act is effective when it becomes law.

HOUSE BILL HB 1117: Public Finance Changes

BILL ANALYSIS

Committee:	House Finance	**Date:**	April 22, 2005
Introduced by:	Rep. Ross and Howard	**Summary by:**	Erika Churchill
Version:	Second Edition		Committee Counsel

SUMMARY: The bill would make various amendments to statutes dealing with public finance, effective when it becomes law.

CURRENT LAW & BILL ANALYSIS:

Sections 1, 5, and 12. Counties and cities have the authority to create development financing districts. Chapter 158 and 160A-515.1. The total land area within the district may not exceed 5% of the total land area of the unit creating the district. The bill would amend the relevant statutes to provide that land in a district created by a county that subsequently becomes part of a municipality does not count against the five-percent (5%) limit for the municipality unless the municipality and the county have entered into an increment agreement under G.S. 159-107(e). The increment agreement is an agreement between the city and county under which the city agrees that city taxes on all or part of the incremental valuation of the property in the district be paid into the revenue increment fund (a separate accounting fund for the revenue generated) for the district.

Section 2. Local governments are required to appoint a finance officer to carry out certain statutorily required duties. G.S. 159-24; G.S.159-25. The finance officer is required to have a performance bond of at least $10,000 and no more than $250,000, payable to the local government. The bill would increase the minimum bond amount to $50,000 and remove the cap.

Section 3. Prior to the issuance of a general obligation bond, a local government is required to publish a notice of the bond order at least once, then hold a hearing, then publish another notice after the adoption of the bond order with a statement that any action or proceeding questioning the validity of the order must be commenced within 30 days of the date of publication. After the issuance of the bond, local governments may desire to refinance the bond to obtain a savings in the cost of the financing. In "refunding" the bond, the same publication process is required. The bill would state that the publication process is not necessary if all of the following apply:

1. The refunding bonds do not extend the final maturity of the debt or obligation to be refunded.
2. The aggregate debt service over the life of the refunding bonds is less than the aggregate debt service on the debt or obligation to be refunded.
3. The unit of local government introduces a bond order, adopts a bond order, and adopts a sale resolution with respect to refunding bonds in one or more meetings of its governing body.

Section 4. The State and units of local government are authorized to issue revenue bonds, but are specifically prohibited from encumbering the related real property. The bill would allow the State and units of local government to pledge, mortgage, or grant a security interest in real and personal property comprising the utility or public enterprise project affected by the bond issuance. Any property so encumbered could be sold in accordance with the encumbering document and would not fall under any disposition of governmental property statutes.

Section 6. Units of local government may issue project development financing debt instruments, and may agree to repay the debt with any available revenues of the unit, provided the agreement does not constitute a pledge of the unit's taxing power. The bill would allow the unit to also specifically pledge the revenues to be raised from any special assessment, provided it did not constitute a pledge of the unit's taxing power, and encumber any real or personal property being financed or improved by the project. Any property so encumbered could be sold in accordance with the encumbering document and would not fall under any disposition of governmental property statutes.

Section 7.

G.S. 159-125(a). General obligation bonds may not be issued as "split coupon" bonds, meaning the bonds may not have differing rates for same maturity years. General obligation bonds of a particular maturity must bear interest at the same rate. The bill would permit split coupon bonds unless the Local Government Commission required one rate per maturity in connection with the sale of the bonds.

G.S. 159-125(b). All bids for the purchase of general obligation bonds must be accompanied by a 2% bid deposit. The bill would eliminate the mandatory requirement for the bid deposit, and permit the Local Government Commission to set an appropriate bid deposit, including none.

Section 8. Bonds are to be awarded to the bidder offering to purchase at the lowest interest cost to the issuing unit. The interest cost is to calculated as follows: the aggregate amount of interest on the entire issue until maturity less the amount of the premium bid. This is commonly referred to as "net interest." The bill would allow the Local Government Commission to determine the method of calculating the lowest interest cost in the notice of sale.

Section 9. After entering relevant financial information into the books of the unit and waiting a year, cancelled bonds are to be destroyed either by burning or shredding in the presence of the mayor or chairman of the governing body, the finance officer, the attorney and clerk to the board, or any 3 of those persons **or** by the financial institution providing written certification. The bill would delete the requirement to burn or shred the bonds, and require the bond to be destroyed or cancelled in a manner to be determined by the finance officer.

Section 10. The bill would add museums to the list of special purpose projects for which bonds can be issued by the North Carolina Capital Facilities Finance Agency and local industrial development authorities.

Section 11. Local government units and certain non-profit water corporations may apply for clean water revolving grants and loans. The bill would permit the applicant to encumber the real and personal property benefited by the borrowing to the favor of the State.

BACKGROUND: The provisions of the bill come upon the recommendation of the Public Finance Advisory Council, formed by the State Treasurer's Office.

EFFECTIVE DATE: When the bill becomes law.

BILL SUMMARY: **Development Financing Districts.** Amends the statutes dealing with development financing districts created by counties and cities to provide that land in a district created by a county that subsequently becomes part of a municipality does not count against the 5% land area limit for the district unless the municipality and the county have entered into an increment agreement (city taxes on all or part of the incremental valuation of the property in the district must be paid into the revenue increment fund for the district). **Finance Officer Bond.** Changes the performance bond requirement for local finance officers from a minimum of $10,000

and a $250,000 maximum to a minimum of $10,000 and no cap. **General Obligation Bond Notification Requirements.** Currently, the public notification and hearings requirements for refunding bonds are the same as for the original issuance. The bill would exempt refunding bonds from the publication process under certain conditions. **Revenue Bond Property Encumbrance**. The State and units of local government are authorized to issue revenue bonds but may not encumber the related real property. The bill allows the unit to pledge, mortgage, or grant a security interest in real and personal property comprising the utility or public enterprise project affected by the bond issuance. Any property so encumbered could be sold in accordance with the encumbering document and would not fall under any disposition of governmental property statutes. **Project Development Financing Debt**. Units of local government may issue project development financing debt instruments, and may agree to repay the debt with any available revenues of the unit, provided the agreement does not constitute a pledge of the unit's taxing power. The bill allows a unit to pledge the revenues to be raised from any special assessment, provided it did not constitute a pledge of the unit's taxing power, and encumber any real or personal property being financed or improved by the project. **Split Coupon Bonds**. Permits coupon bonds of the same maturity to offer different rates unless the Local Government Commission required one rate per maturity in connection with the sale of the bonds. **General Obligation Bond Bids**. Eliminates the 2% deposit on the bids for general obligation bonds in lieu of giving the Local Government Commission the authority to set an appropriate bid deposit, including none. **Net Interest Cost Calculation**. Replaces the current statutory language use to determine the net interest cost for bond bid purposes with Local Government Commission authority to determine the appropriate method. **Destruction Of Cancelled Bonds**. Replaces the outdated system for destroying cancelled bonds with local finance officer discretion as to the appropriate method. **Special Purpose Project Bonds**. Adds museums to the list of special purpose projects for which bonds can be issued by the North Carolina Capital Facilities Finance Agency and local industrial development authority. **Clean Water Bond Property Encumbrance**. Permit an applicant for clean water revolving grants and loans to encumber the real and personal property benefited by the borrowing to the favor of the State.

A BILL TO BE ENTITLED

AN ACT TO INCREASE THE FEE PAID BY DWI OFFENDERS FOR ATTENDING AN ALCOHOL AND DRUG EDUCATION TRAFFIC SCHOOL, TO INCREASE THE AMOUNT REMITTED FROM THE FEE BY AN AREA FACILITY TO THE DEPARTMENT OF HEALTH AND HUMAN SERVICES, TO INCREASE THE QUALIFICATIONS OF PERSONS WHO WILL BE ELIGIBLE TO PROVIDE ADET SCHOOL INSTRUCTION, TO DIRECT THE COMMISSION ON MENTAL HEALTH, DEVELOPMENTAL DISABILITIES, AND SUBSTANCE ABUSE SERVICES TO MODIFY THE RULES REGARDING THE NUMBER OF INSTRUCTIONAL HOURS AND MAXIMUM ADET SCHOOL CLASS SIZE, AND TO REQUIRE THE DEPARTMENT TO ESTABLISH AN OUTCOMES EVALUATION STUDY ON THE EFFECTIVENESS OF SUBSTANCE ABUSE SERVICES AS RECOMMENDED BY THE JOINT LEGISLATIVE OVERSIGHT COMMITTEE ON MENTAL HEALTH, DEVELOPMENTAL DISABILITIES, AND SUBSTANCE ABUSE SERVICES.

The General Assembly of North Carolina enacts:

SECTION 1. G.S. 122C-142.1(f) reads as rewritten:

"(f) Fees. – A person who has a substance abuse assessment conducted for the purpose of obtaining a certificate of completion shall pay to the assessing agency a fee of one hundred dollars ($100). A person shall pay to a ~~treatment facility or~~ school a fee of ~~seventy-five dollars ($75.00).~~one hundred sixty dollars ($160.00). A person shall pay to a treatment facility a fee of seventy-five dollars ($75.00). If the defendant is treated by an area mental health facility, G.S. 122C-146 applies after receipt of the seventy-five dollar ($75.00) fee.

A facility that provides to a person who is required to obtain a certificate of completion a substance abuse assessment, an ADET school, or a substance abuse treatment program may require the person to pay a fee required by this subsection before it issues a certificate of completion. As stated in G.S. 122C-146, however, an area facility may not deny a service to a person because the person is unable to pay.

~~An area~~A facility shall remit to the Department ~~five percent (5%)~~ ten percent (10%) of each fee paid to the ~~area~~ facility under this subsection by a person who attends an ADET school conducted by the ~~area~~ facility. The Department may use amounts remitted to it under this subsection only to support, evaluate, and administer ADET schools."

SECTION 2. G.S. 122C-142.1 is amended by adding a new subsection to read:

"(d1) Persons Authorized to Provide Instruction. – Beginning January 1, 2009, individuals who provide ADET school instruction as a Department-authorized ADETS instructor must have at least one of the following qualifications:

(1) Certified Substance Abuse Counselor (CSAC), as defined by the Commission.

(2) Certified Clinical Addiction Specialist (CCAS), as defined by the Commission.

(3) Certified Substance Abuse Prevention Consultant (CSAPC), as defined by the Commission."

SECTION 3. The Commission on Mental Health, Developmental Disabilities, and Substance Abuse Services shall revise its rules regarding the number of instructional program hours and the class size for ADET schools. The minimum program hours of instruction shall not be less than 16 hours. The maximum class size shall not be more than 20 participants.

SECTION 4. G.S. 122C-142.1 is amended by adding a new subsection to read:

"(j) The Department shall establish an outcomes evaluation study on the effectiveness of substance abuse services provided to persons who obtain a certificate of completion under G.S. 20-17.6 as a condition for restoration of a drivers license. The findings of the study shall be reported every two years to the Joint Legislative Commission on Governmental Operations. The Department shall submit an initial report on the findings of the study to the Commission no later than December 31, 2007, and shall submit a report to the Commission every two years following that date."

SECTION 5. Section 1 becomes effective when the rules adopted under Section 3 of this act become effective and shall apply to fees charged for ADET school instruction that commences on or after that date. The remainder of this act is effective when it becomes law.

HOUSE BILL 35:
ADET School/Qualis. Increase.

BILL ANALYSIS

Committee:	House Finance	**Date:**	April 22, 2005
Introduced by:	Rep. Alexander	**Summary by:**	Erika Churchill
Version:	Second Edition		Committee Counsel

SUMMARY: ***The bill would increase the fee paid by participants to schools providing an alcohol and drug education traffic (ADET) school; increase the amount remitted to the Department of Health and Human Services by area mental health facilities; require minimum qualifications for instructors for the ADET schools; increase the number of hours of ADET school; and require the Department to establish an evaluation tool for the ADET school.***

CURRENT LAW: Persons convicted of DWI, commercial vehicle DWI, or driving while less than 21 years old after consuming alcohol must receive a "certificate of completion" in order to have their drivers license restored. The ADET school is a requirement for that certificate completion if the required substance abuse assessment does not identify a substance abuse handicap, the person has no previous DWI offense conviction, the person had an alcohol concentration of .14 or less, the person did not refuse to submit to a chemical test, and the person meets the admission criteria for Level .5 (Early Intervention).
The fee for ADET is $100 for the assessment, and a fee $75 to the treatment facility or school.

BILL ANALYSIS:

Section 1. The bill would increase the fee paid to schools from $75 to $160, and maintain the fee paid to treatment facilities at 75. The bill would also increase the amount remitted to the Department of Health and Human Services from the fees collected by facilities from 5% to 10%. **Effective when the Commission revises it's rules as required under Section 3 of the bill.**

Section 2. Beginning **January 1, 2009**, the bill would require persons providing instruction at ADET school to have at least one of the following qualifications:

1. Certified Substance Abuse Counselor (CSAC), as defined by the Commission for Mental Health, Developmental Disabilities, and Substance Abuse Services ("Commission").
2. Certified Clinical Addiction Specialist (CCAS), as defined by the Commission.
3. Certified Substance Abuse Prevention Consultant (CSAPC), as defined by the Commission."

Section 3. The bill would direct the Commission to revise its rules regarding ADET school to increase the number of hours to at least 16 hours and reduce class size to no more than 20 participants.

Section 4. The bill would required the Department of Health and Human Services to establish an outcomes evaluation study on the effectiveness of substance abuse services provided persons obtaining services as a condition of restoring their drivers license. The study shall be reported to Gov Ops every two years beginning on or before December 31, 2007.

EFFECTIVE DATE: Sections 1, 3, & 4 – Effective once the bill is enacted; Section 2 – January 1, 2009.

BILL SUMMARY:

Amends GS 122C-142.1(f) to increase amount of fee paid to schools for alcohol and drug education to $160 (was, $75) and to increase percentage of fee remitted to Department of Health and Human Services from area mental health facilities to 10% (was, 5%) of amount paid by person attending alcohol and drug education traffic (ADET) school. Enacts new GS 122C-142.1(d1) to require that ADET instructors have a CSAC, CCAS, or CSAPC certification beginning January 1, 2009. Requires Commission on Mental Health, Developmental Disabilities, and Substance Abuse Services to revise rules on hours of instruction for ADET schools so that minimum is at least 16 hours and revise rules on class size so that maximum is not more than 20 participants. Enacts new GS 122C-142.1(j) to require that Department study effectiveness of substance abuse services provided to persons required to have a certificate of completion for drivers license restoration, initial report on study due to the Joint Legislative Commission on

Governmental Operations on Dec. 31, 2007, and every two years thereafter. Fee increases effective upon adoption of rules regarding instructional hours and class size.

ASSUMPTIONS AND METHODOLOGY:
The following assumptions were made in performing this fiscal analysis:

Increased Revenues to LME's in FY 2005-06	
Persons Served by LME's FY 2003-04	663
Current Fee per Person	$75
Proposed Fee per Person	$160
Fee Difference per Person	$85
Less the 10% Charge by DMH/DD/SAS	$76.50
Estimated Revenue Increase for LME's	**$50,720**

- 16 Area and County Authorities, referred to in the document as local management entities (LME's), currently provide ADET schools as a direct service.
- While all 16 LME's will divest their ADET schools as part of mental health reform, this divestiture will occur over the next three years.
- For the purpose of this analysis, the LME's are assumed to retain their ADET schools for the next three years.
- The Division of Mental Health, Developmental Disabilities, and Substance Abuse Services (DMH/DD/SAS) will receive the full 10% remittance that the Division is authorized to take under statute. The increased remittance would be used to fund the outcomes study required in Section 4 of the proposed bill.
- The number of DWI offenders that enroll in ADET schools is assumed to remain constant at FY 2003-04 levels.

Impacts of the Fee Increase
By increasing the fee charged to DWI offenders from $75 to $160, ADET school providers will see an overall increase in revenues. These providers include 16 local management entities (LME's), which manage the delivery of community mental health, developmental disabilities, and substance abuse services. In order to determine the likely increase in revenue for the LME's, DHHS provided data on the number of persons served through LME ADET schools in FY 2003-04. Assuming that the number of ADET students remains relatively constant, the expected increase in revenue for the LME's should remain constant for the next two to three years.

This revenue increase for the LME's is affected by the current mental health system reform that DHHS is implementing. As part of reform, the LME's must divest of their direct services and contract for those services with private and other public providers. As a result, within the next three years, the 16 LME's currently providing ADET schools will need to contract for those services. This analysis assumes that revenues for the LME's providing ADET schools will remain constant until FY 2008-09, and at that time, the LME's will no longer administer the ADET schools directly. The following chart shows the estimated revenue increase for the LME's in FY 2005-06.

In addition to the revenue impact to the LME's, DMH/DD/SAS would also experience an increase in revenues. According to G.S. 122C-142.1, the Division has the authority to receive up to 5% of each fee paid by the DWI offender for ADET services. The increase in the fee will result in an increased amount of dollars remitted to DMH/DD/SAS. In addition to the fee increase, the proposed bill increases the percentage that is remitted to DMH/DD/SAS from 5% to 10%. The following chart describes the anticipated impact of the remittance and fee changes for the Division:

Increased Revenues for DMH/DD/SAS	
Persons Served in all ADETS FY 2003-04	4707
Current Fee per Person	$75.00
Estimated Current Revenue for All Providers	$353,025
Percentage Increase Remitted to DMH/DD/SAS	5%
Increased Revenue to DMH/DD/SAS for the current fee	**$17,651**
Propose Fee per Person	$160.00
Difference from Increased Fee	$85
Estimated Revenue Increase for All Providers	$400,095
Fee Percentage Remitted to DMH/DD/SAS	10%
Estimated Revenue Increase for DMH/DD/SAS from the Increased Fee	**$40,010**
Total Revenue Increase for DMH/DD/SAS	**$57,661**

Impacts to Expenditures

Sections 2 and 3 may impact the expenditures of any or all providers of ADET school services. Section 2 establishes in statute the instructor requirements for persons who administer the ADET classes. For any provider that hires instructors that do not meet this requirement, an additional expense would be incurred in hiring higher qualified instructors or purchasing training for existing instructors. Considering that the 16 LME's that current administer ADET schools will divest of those schools within the next three years, section 2 will not apply. The instructor standards will not go into effect until 2009, after the LME's will have divested of these services. No expenditure impact is expected for the LME from this section.

Section 3 requires the ADET school providers to deliver classes that are at least 16 hours long and have no more than 20 persons per class. For ADETS that are not in compliance, the minimum number of class hours could result in increased costs for additional instructor time. In addition, the maximum number of students could result in the need for more class space and/or additional classes. This provision would become effective in FY 2005-06, so an impact to LME expenditures is possible. This analysis does not estimate the expenditure impact to LME's. It is unclear whether any LME's are delivering ADET classes that are not in compliance with Section 3 of this draft bill.

Section 4 directs DHHS to perform an outcome study of the Certificate of Completion program. This study would be ongoing, and DHHS would be required to report to the Legislature every two years. According to DMH/DD/SAS, the cost of this study would be $150,000 in the first year and

$125,000 in subsequent years. As conceived by DMH/DD/SAS, this study would involve creating web-based method for providers to enter records for DWI offenders. This web-based system would allow DMH/DD/SAS to track outcomes for DWI offenders in the Certificate of Completion program and track the performance of providers. Absent an appropriation for such a system, the Division might incur fewer expenses through a paper-based system. This fiscal analysis assumes that the Division will perform a study equal in cost to the revenues available for the study. These revenues are collected through the 10% remittance on each ADET school fee paid by DWI offenders. This analysis assumes annual expenditures totaling $57,661 for the outcome study.

A BILL TO BE ENTITLED

AN ACT TO DEFINE PHYSICAL THERAPY AS A PROFESSIONAL SERVICE UNDER THE PROFESSIONAL CORPORATION ACT, TO AUTHORIZE THE NORTH CAROLINA BOARD OF PHYSICAL THERAPY EXAMINERS TO DISCIPLINE PERSONS FOR PAYING FOR REFERRALS OF PHYSICAL THERAPY PATIENTS, AND TO PREVENT CORPORATE OR BUSINESS INTERESTS FROM INTERFERING WITH PROFESSIONAL PHYSICAL THERAPY JUDGMENTS CONCERNING THE BEST INTERESTS OF PATIENTS.

The General Assembly of North Carolina enacts:

SECTION 1. G.S. 55B-2(6) reads as rewritten:

"(6) The term "professional service" means any type of personal or professional service of the public which requires as a condition precedent to the rendering of such service the obtaining of a license from a licensing board as herein defined, and pursuant to the following provisions of the General Statutes: Chapter 83A, "Architects"; Chapter 84, "Attorneys-at-Law"; Chapter 93, "Public Accountants"; and the following Articles in Chapter 90: Article 1, "Practice of Medicine," Article 2, "Dentistry," Article 6, "Optometry," Article 7, "Osteopathy," Article 8, "Chiropractic," Article 9A, "Nursing Practice Act," with regard to registered nurses, Article 11, "Veterinarians," Article 12A, "Podiatrists," Article 18A, "Practicing Psychologists," Article 18B, "Physical Therapy," Article 18C, "Marriage and Family Therapy Licensure," Article 18D, "Occupational Therapy," Article 22, "Licensure Act for Speech and Language Pathologists and Audiologists," and Article 24, "Licensed Professional Counselors"; Chapter 89C, "Engineering and Land Surveying"; Chapter 89A, "Landscape Architects"; Chapter 90B, "Social Worker Certification and Licensure Act" with regard to Licensed Clinical Social Workers as

defined by G.S. 90B-3; Chapter 89E, "Geologists"; Chapter 89B, "Foresters"; and Chapter 89F, "North Carolina Soil Scientist Licensing Act"."

SECTION 2. G.S. 90-270.26 is amended to add a new subdivision to read:

"(7a) Regulate physical therapy professional corporations pursuant to Chapter 55B of the General Statutes and this Article, including adopting rules for the registration of physical therapy professional corporations."

SECTION 3. Article 18B of Chapter 90 of the General Statutes is amended by adding a new section to read:

"**§ 90-270.31A. Physical therapy professional corporations.**

The Board shall not issue a certification to a professional corporation pursuant to G.S. 55B-6 for the transfer of stock to an individual who is not licensed under this Article unless the individual presents evidence satisfactory to the Board that the laws governing or regulating physical therapy practices and professional corporations in the jurisdiction where the individual is duly licensed and performs physical therapy professional services are equivalent to, or require a higher standard than, the provisions of this Article and Chapter 55B of the General Statutes."

SECTION 4. G.S. 90-270.35 is amended by adding a new subdivision to read:

"(4a) Practice physical therapy and make physical therapy patient treatment decisions based on corporate or business standards or parameters rather than on the best interest of the patient in the physical therapist's sound professional judgment;".

SECTION 5. G.S. 90-270.36 is amended by adding a new subdivision to read:

"(6a) Violation of G.S. 90-401 by financially compensating or rewarding another person, firm, or corporation for recommending, arranging, or securing employment by a patient."

SECTION 6. This act becomes effective January 1, 2006, and applies to acts occurring or offenses committed on or after that date.

HOUSE BILL 1194:
Physical Therapists/Professional Corporations

BILL ANALYSIS

Committee:	House Finance	**Introduced by:**	Reps. Weiss, Insko
Date:	April 23, 2005	**Summary by:**	Martha Walston
Version:	2nd Edition		Committee Counsel

SUMMARY: ***House Bill 1194 would permit physical therapists to form professional corporations and would authorize the Board of Physical Therapy Examiners to discipline persons for paying for referrals of physical therapy patients. The act would become effective January 1, 2006 and would apply to acts occurring or offenses committed on or after that date.***

Before forming a professional corporation, the physical therapists must obtain a certificate of registration from the Board of Physical Therapy Examiners and pay a registration fee not to exceed $50. The renewal fee may not exceed $25.

House bill 1194 was given a favorable report in the House Committee on Health.

CURRENT LAW: Persons engaging in certain professional services[1] may form a professional corporation under State law, with the following limitations:

- At least one incorporator must be someone duly licensed by the applicable licensing board i.e. a "licensee".
- All of the shares of stock of the corporation must be owned and held by a licensee or licensees.
- At least one director and one officer must be a licensee.
- The articles of incorporation, in addition to the requirements of the NC Business Corporations Act, shall designate the personal services to be rendered by the professional corporation and shall be accompanied by a certification by the appropriate licensing board that the ownership of the shares of stock is in compliance with statutory requirements.

Generally, shares of capital stock in a professional corporation may be issued only to licensees, and may only be transferred to other licensees. However, corporate stock may be held by a person licensed in another state who performs services for the corporation in that state, so long as at least one shareholder is a licensee and the corporation renders its professional services in this State through those shareholders that are licensed in this State. No share or shares may be transferred unless the corporation has received a certification of the licensing board that the transferee is a licensee. Any share of stock issued or transferred in violation of these requirements is void.

Professional corporations must obtain a certificate of registration from the applicable licensing board before opening, operating, or maintaining an establishment in this State. The fee for this certificate of registration may not exceed $50, and the renewal fee may not exceed $25.

Physical therapists must be licensed by the North Carolina Board of Physical Therapy Examiners (Board) in order to engage in the practice of physical therapy in this State.

---

[1] "Professional service" means any type of personal or professional service of the public that requires as a condition precedent to the rendering of the service the obtaining of a license from a licensing board, and includes the professions listed in G.S. 55-2(6), shown in Section 1 of the bill.

BILL ANALYSIS: Section 1 of House Bill 1194 would define physical therapy as a professional service so that physical therapists could form professional corporations in this State.

Section 2 would expand the powers and duties of the Board to include the regulation of physical therapy professional corporations.

Section 3 would prohibit the Board from issuing certification for the transfer of stock to a person who is not licensed as a physical therapist in this State unless the person presents evidence satisfactory to the Board that the laws regulating physical therapy in the State in which the person is licensed are equivalent to, or require a higher standard than, the standards in this State.

Section 4 would make it unlawful to practice physical therapy and make physical therapy patient treatment decisions based on corporate or business standards or parameters rather than on the best interest of the patient. A person violating this provision would be guilty of a Class 1 misdemeanor, and would subject a licensee to disciplinary action by the Board.

Section 5 would make the financial compensation of another person for recommending, arranging, or securing employment by a patient grounds for disciplinary action by the Board.

Section 6 would make the act effective January 1, 2006 and apply to acts occurring or offenses committed on or after that date.

Dianna Jessup, counsel to the House Committee on Health, contributed substantially to this summary.

A BILL TO BE ENTITLED

AN ACT TO CONSOLIDATE VARIOUS FEES INTO THE ANNUAL LICENSE CONTINUATION FEE PAID BY LICENSED INSURANCE COMPANIES TO ENHANCE EFFICIENT ADMINISTRATION OF FEE COLLECTION AND PROCESSING.

The General Assembly of North Carolina enacts:

SECTION 1. G.S. 58-6-5 reads as rewritten:

"**§ 58-6-5. Schedule of fees and charges.**

The Commissioner shall collect and pay into the State treasury fees and charges as follows:

(1) For filing and examining an insurance company application for admission, a nonrefundable fee of two hundred fifty dollars ($250.00), to be submitted with ~~such filing; for filing and auditing annual statement, one hundred dollars ($100.00); for filing any other papers required by law, twenty-five dollars ($25.00); for each certificate of examination, condition, or qualification of company or association, fifteen dollars ($15.00); for each seal when required, ten dollars ($10.00); for a list of licensed insurance companies, ten dollars ($10.00).~~ the filing; for each certification or confirmation of an insurance company deposit held by the Commissioner pursuant to this Chapter, twenty-five dollars ($25.00).

(2) Repealed by Session Laws 1977, c. 376, s. 2.

(3) The Commissioner shall receive for copy of any record or paper in his office fifty cents (50¢) per copy ~~sheet and ten dollars ($10.00) for certifying same, or any fact or data from the records of his office and for the examination and approval of charters of companies, twenty-five dollars ($25.00).~~ sheet.

(4) He shall collect all other fees and charges due and payable into the State treasury by any company, association, order, or individual under his Department.

(5) Repealed by Session Laws 1999-435, s. 1."

SECTION 2. G.S. 58-6-7 reads as rewritten:

"**§ 58-6-7. Licenses; perpetual licensing; annual license continuation fees for insurance companies.**

(a) In order to do business in this State, an insurance company shall apply for and obtain a license from the Commissioner. The license shall be perpetual and shall continue in full force and effect, subject to timely payment of the annual license continuation fee in accordance with this Chapter and subject to any other applicable provision of the insurance laws of this State. Except as provided in subsection (b) of this section, the insurance company shall pay a fee for each year the license is in effect, as follows:

For each domestic farmer's mutual assessment fire insurance company ..... $ 25.00

For each fraternal order ..... ~~100.00~~ 500.00

For each of all other insurance companies, except mutual burial associations taxed under G.S.105-121.1 ..... ~~1,000.00~~ 1,500.00

The fees levied in this subsection are in addition to those specified in G.S. 58-6-5.

~~(b) When the paid-in capital stock or surplus, or both, of an insurance company, other than a farmer's mutual assessment company or a fraternal order, does not exceed one hundred thousand dollars ($100,000), the fee levied in this section shall be one-half the amount specified.~~

(c) Upon payment of the fee specified above and the fees and taxes elsewhere specified each insurance company, exchange, bureau, or agency, shall be entitled to do the types of business specified in Chapter 58, of the General Statutes of North Carolina as amended, to the extent authorized ~~therein, except that: Insurance companies authorized to do either the types of business specified for (i) life insurance companies, or (ii) for fire and marine companies, or (iii) for casualty and fidelity and surety companies, in G.S. 58-7-75, which shall also do the types of business authorized in one or both of the other of the above classifications shall in addition to the fees above specified pay one hundred dollars ($100.00) for each such additional classification of business done.~~ therein. All fees and charges collected by the Commissioner under this Chapter are nonrefundable.

(d) Any rating bureau established by action of the General Assembly of North Carolina shall be exempt from the fees in this section."

SECTION 3. G.S. 58-7-150 and G.S. 58-7-155 are repealed.

SECTION 4. G.S. 58-8-60(b) reads as rewritten:

"(b) The articles of incorporation shall provide for the name of the corporation, to be approved by the Commissioner; the kinds of insurance it proposes to transact and on what business plan or principle; and the place of its location in the State. The certificate of incorporation must be subscribed and sworn to by a majority of the board of directors before an officer authorized to take acknowledgement of deeds, who shall certify the

certificate to the Commissioner. The Commissioner shall review the certificate and articles of incorporation and file them with the Secretary of State in accordance with ~~G.S. 58-7-35 upon payment of the required fees.~~ G.S. 58-7-35."

SECTION 5. G.S. 58-65-55 reads as rewritten:

"**§ 58-65-55. Issuance and continuation of license.**

(a) Every corporation subject to this Article shall pay to the Commissioner a fee of two hundred fifty dollars ($250.00) for filing an application for a license. Fee payment shall be contemporaneous with the filing. Before issuing or continuing any such license or certificate the Commissioner may make such an examination or investigation as the Commissioner deems expedient. The Commissioner shall issue a license upon the payment of a fee of ~~one thousand dollars ($1,000)~~ one thousand five hundred dollars ($1,500) and upon being satisfied on the following points:

(1) The applicant is established as a bona fide nonprofit hospital service corporation as defined by this Article and Article 66 of this Chapter.

(2) The rates charged and benefits to be provided are fair and reasonable.

(3) The amounts provided as working capital of the corporation are repayable only out of earned income in excess of amounts paid and payable for operating expenses and hospital and medical and/or dental expenses and such reserve as the Department deems adequate, as provided hereinafter.

(4) That the amount of money actually available for working capital be sufficient to carry all acquisition costs and operating expenses for a reasonable period of time from the date of the issuance of the certificate.

(b) The license shall continue in full force and effect, subject to payment of an annual license continuation fee of ~~one thousand dollars ($1,000),~~ one thousand five hundred dollars ($1,500), subject to all other provisions of subsection (a) of this section and subject to any other applicable provisions of the insurance laws of this State."

SECTION 6. G.S. 58-67-160 reads as rewritten:

"**§ 58-67-160. Fees.**

Every health maintenance organization subject to this Article shall pay to the Commissioner a fee of two hundred fifty dollars ($250.00) for filing an application for a license and an annual license continuation fee of ~~one thousand dollars ($1,000)~~ one thousand five hundred dollars ($1,500) for each license. The license shall continue in full force and effect, subject to timely payment of the annual license continuation fee in accordance with G.S. 58-6-7 and subject to any other applicable provisions of the insurance laws of this State."

SECTION 7. This act becomes effective July 1, 2005, and applies to applications filed, licenses issued, and licenses continued on or after that date.

HOUSE BILL 646:
Insurance Company Fee Consolidation.-AB

BILL ANALYSIS

Committee:	House Finance	**Date:**	April 26, 2005
Introduced by:	Rep. Holliman	**Summary by:**	Cindy Avrette
Version:	First Edition		Committee Counsel

SUMMARY: House Bill 646 is a recommendation of the Department of Insurance and has received a favorable recommendation from the House Insurance Committee. The bill eliminates various fees charged to insurance companies and increases the annual license continuation fee. The purpose of the fee consolidations is to lessen the administrative time spent by both the Department and the companies collecting and processing the various fees. The bill becomes effective July 1, 2005, and applies to applications filed, licenses issued, and licenses continued on or after that date.

THE BILL NEEDS A TECHNICAL AMENDMENT TO CORRECT AN INCORRECT STATUTORY CITE.

BILL ANALYSIS: House Bill 646 makes changes to fees paid by insurers to the Department of Insurance. It eliminates fees for filing and auditing annual statements, filing papers required by law, issuance of certificates of examination, condition, or qualification of a company or association, for required seals, lists of insurance companies, certifying records or data from the Commissioner's office, the examination or approval of charters, and fees for additional classifications of business beyond an insurer's primary classification.

To offset the loss of revenue from the elimination of the above fees, licensing and license continuation fees for most insurers are equalized and increased from $1,000 to $1,500. Section 2 of the bill eliminates the reduction of fees payable by insurance companies with less than $100,000 in paid-in capital stock or surplus. Under current law, the license fee payable by these companies is one-half of the general license fees. Section 2 of the bill would provide that these companies would be subject to the same $1,500 fee as other insurance companies.

However, the proposed license fee changes do preserve the lower license fee amounts paid by farmer's mutual assessment companies and fraternal orders. The bill increases the annual license fee for a fraternal order from $100 to $500 and it retains the $25 annual license fee amount for farmer's mutual assessment companies.

The bill also imposes the $250 application fee on Article 65 medical service corporations such as Blue Cross & Blue Shield and Delta Dental. Currently, Article 65 corporations do not pay an application fee.

House Committee on Finance

Minutes

~

May 3, 2005

The House Committee on Finance met on Tuesday, May 3, 2005 at 8:30 am in Room 544 of the Legislative Office Building. The following members were present: Chairpersons Alexander, Gibson, Howard, Luebke, McComas and Wainwright; Vice-Chairs Daughtridge, Ross, Weiss, and Womble; and Representatives Blackwood, Blust, Bordsen, Capps, Carney, Faison, Folwell, Glazier, Hackney, Holliman, Jones, Lewis, McGee, Rayfield, Underhill, and Walend. Also present were Sergeant-at-Arms Bill Freeman, Fred Hines, Dusty Rhodes, and Bill Sullivan. Staff persons present included Cindy Avrette, Rodney Bizzell, Ashley Huffstetler, and Martha Walston. The Agenda and Visitor Registration Sheet are attached and incorporated into these minutes as **attachments 1 and 2**.

Chairwoman Howard called the meeting to order at 8:32 am and recognized the two (2) pages present: Kevin Myers of Johnston County, sponsored by Representative Langdon; and Kym Rumley of Wake County, sponsored by Representative Dollar.

The first bill under the Committee's consideration was **HB 1217 – NOTARY FEE INCREASE** (see **attachment 3**). Chairwoman Howard recognized Representative Earle who explained that the bill increases the fee that may be collected by notaries from three dollars ($3) to six dollars ($6). Chairwoman Howard then recognized Representative Gibson who moved that House Bill 1217 be given a favorable report. Seeing no discussion, Chairwoman Howard called the motion to a vote, and it carried by consent.

Chairwoman Howard then recognized Representative Haire to explain **HB 896 – STATE BAR/APPEAL/FEE** (see **attachment 4**). Representative Haire stated that this bill increases the annual enrollment fee for the North Carolina State Bar from no more than two hundred dollars ($200) to no more than three hundred dollars ($300). The bill also provides the North Carolina State Bar with an appeal of right from any final order of the Disciplinary Hearing Commission. Representative Haire reported that he knew of no opposition to the bill and that the bill came at the request of the North Carolina Bar Association and the North Carolina State Bar. Following the explanation, Chairwoman Howard recognized Representative Luebke who moved that House Bill 896 be given a favorable report by the Committee. As there was no further debate, Chairwoman Howard called the motion to a vote, and it carried without objection.

The next bill under consideration by the Committee was **HB 105 – MOTOR FUEL TAX CHANGES** (see **attachment 5**). Chairwoman Howard first recognized Representative Alexander who moved for the adoption of the proposed committee substitute for the Committee's consideration. The motion was adopted. Representative Luebke was then recognized and explained that this bill was essentially a cleanup bill that made several changes regarding the licensing and

penalties of the motor fuel laws. He also noted that this bill provided for no tax increases. Representative Daughtridge was then recognized and moved for a favorable report to the proposed committee substitute and an unfavorable report to the original bill. Seeing no further discussion, Chairwoman Howard called the motion to a vote, and it carried without objection.

Chairwoman Howard then took a moment to recognize the birthdays of Jason Cannon, the Committee Clerk; and Bill Freeman with the Sergeant-at-Arms staff. The Committee proceeded to sing the birthday song in celebration of this momentous occasion. The room was filled with joyous song and an abundance of gleeful laughter as the spirit of festivity temporarily dwelt in the people who gathered in Room 544 of the Legislative Office Building. Chairwoman Howard announced the serving of a vanilla cake with chocolate icing after the meeting's conclusion.

Chairwoman Howard then recognized Representative Alexander who moved for the adoption of the proposed committee substitute for the Committee's consideration for **HB 1030 – INCREASE AIPORT AUTHORITY POWERS** (see **attachment 6**). The motion was adopted. Chairwoman Howard then recognized Representative Stiller who explained that this bill clarifies the powers of the Brunswick Airport Commission and authorizes the local airport authorities across the State to borrow money. He stated that there had originally been some constitutional concerns on the bill but also noted that the PCS before the Committee addressed those concerns. Following the explanation, Representative Holliman moved for a favorable report to the proposed committee substitute and an unfavorable report to the original bill. As there was no further debate, Chairwoman Howard called the motion to a vote and it carried by consent.

The final bill under consideration by the Committee was **HB 689 – MONROE MEALS TAX** (see **attachment 7**). Chairman Howard first recognized Representative Alexander who moved for the adoption of the proposed committee substitute for the Committee's consideration. The motion was adopted. Representative Gibson was then recognized who sent forth an amendment (see **attachment 8**) and moved its adoption. He explained that the amendment provided for the meals tax to be voted on in a referendum by the citizens of Monroe. As there was no debate on the amendment, Chairwoman Howard called the motion to a vote, and the amendment was adopted. Representative Gibson then continued to explain that the bill authorizes the City to levy a one percent (1%) sales tax on prepared food and beverages if the voters approve the tax in an election held in 2006. He further stated that the additional tax would go to support the construction of a civic center in the City of Monroe. Following the explanation, former Senator Fern Shubert was recognized by the Chair and announced her opposition to the bill. She stated as one of her objections that no one has seen the plans for a civic center. She also stated that the City is taxing the poor people of Union County to make up for the budget shortfalls and the mismanagement of the City of Monroe. Chairwoman Howard then recognized Representative Blackwood who claimed that eighty percent (80%) of the food and beverage tax would be the burden of the people of Union County, while only twenty percent (20%) would be paid from visitors from outside the county. Representative Jones was then recognized who felt that this bill is favorable to democracy because it allows the people of Monroe to vote on the bill in a referendum. Chairwoman Howard next recognized Representative Carney who, citing the benefits attributable to the additional food and beverage tax passed by the General Assembly for Charlotte/Mecklenburg, moved for a favorable report to a new proposed committee substitute, incorporating the adopted Gibson amendment, and an unfavorable report to the original bill. Chairwoman Howard then recognized T.J. Williams from the North Carolina Restaurant Association who spoke in opposition to the bill and submitted a letter to the Committee (see **attachment 9**). He stated that a better alternative would be a half-cent local sales tax increase, instead of a one percent prepared food and beverage tax. Representative Daughtridge was then recognized who noted that this bill would be an additional burden on small businesses, as they would be required to keep special book keeping

records. Chairwoman Howard then recognized Representative Luebke who asked why the referendum called for in the bill would be held in 2006, instead of 2005. Representative Gibson was recognized to respond and replied that the Monroe City Council requested the referendum in 2006. Seeing no further discussion, Chairwoman then called the Representative Carney's motion to a vote and it carried by a majority.

As there was no further business before the Committee, Chairwoman Howard then adjourned the meeting at 9:07 am.

Respectfully submitted,

Sponsors:	Representatives Earle; Bell, Cunningham, Parmon, Wainwright, and Wright.	
Referred to:	Finance.	

April 13, 2005

A BILL TO BE ENTITLED

AN ACT TO INCREASE THE FEE THAT MAY BE COLLECTED BY NOTARIES.

The General Assembly of North Carolina enacts:

SECTION 1. G.S. 10A-10 reads as rewritten:

"**§ 10A-10. Fees of notaries.**

The maximum fees that may be charged by a notary for notarial acts are as follows:

(1) For acknowledgments, ~~three dollars ($3.00)~~ six dollars ($6.00) per signature.

(2) For oaths or affirmations without a verification or proof, ~~three dollars ($3.00)~~ six dollars ($6.00) per person.

(3) For verifications or proofs, ~~three dollars ($3.00)~~ six dollars ($6.00) per signature."

SECTION 2. This act is effective when it becomes law.

HOUSE BILL H1217:
Notary Fee Increase

BILL ANALYSIS

Committee:	House Finance	**Date:**	May 3, 2005
Introduced by:	Earle	**Summary by:**	Martha Walston
Version:	First Edition		Committee Counsel

SUMMARY: House Bill 1217 increases the maximum fees that a notary public may charge from $3 to $6.

CURRENT LAW: A qualified person commissioned as a notary by the Secretary of State may perform any of the following notarial acts:

1. Acknowledgment – A notarial act in which a notary certifies that a signer, whose identity is personally known to the notary or proven on the basis of satisfactory evidence, has admitted, in the notary's presence, having signed a document voluntarily.
2. Oath or affirmation – A notarial act, in which a notary certifies that a person made a vow or affirmation in the presence of the notary, with reference made to a Supreme Being for an oath and with no reference made to a Supreme Being for an affirmation.
3. Verification or proof – A notarial act in which a notary certifies that a signer, whose identity is personally known to the notary or proven on the basis of satisfactory evidence, has, in the notary's presence, voluntarily signed a document and taken an oath or affirmation concerning the document.

To qualify as a notary public a person must be at least 18, reside or work in the State, satisfactorily complete a course of study approved b the Secretary, purchase and keep a reference manual approved by the Secretary, submit an application, and pay a nonrefundable $50 fee. A notary's commission is for a term of five years.

BILL ANALYSIS: House Bill 1217 increases the fee that a notary public may charge for the following services:

- For acknowledgments, the fee increases from $3 per signature to $6 per signature
- For oaths or affirmations without a verification or proof, the fee increases from $3 per person to $6 per person.
- For verifications or proof, the fee increases from $3 per person to $6 per person.

These fees were last increased in 1998. At that time they were increased from $2 to $3.

EFFECTIVE DATE: House Bill 1217 is effective when it becomes law.

BILL SUMMARY: HB 1217 increases from $3 to $6 the maximum fee that may be charged by a notary for acknowledgments, for oaths or affirmations without a verification or proof, and for verifications or proofs.

ASSUMPTIONS AND METHODOLOGY: The fees increased by HB 1217 are paid directly to the notary. The number of acknowledgements, oaths, and affirmations a notary provides in a given year varies greatly. Because the fees are paid to the notaries themselves, the legislation has no fiscal impact on the State.

There are 168,000 licensed notaries in North Carolina according to the Secretary of State's Notary Public Section.

HOUSE BILL 896

Short Title:	State Bar/Appeal/Fee.	(Public)
Sponsors:	Representative Haire.	
Referred to:	Finance.	

March 24, 2005

A BILL TO BE ENTITLED

AN ACT TO PROVIDE THE STATE BAR WITH AN APPEAL OF RIGHT FROM FINAL ORDERS OF THE DISCIPLINARY HEARING COMMISSION AND TO INCREASE THE MAXIMUM AMOUNT OF THE ANNUAL MEMBERSHIP FEES FOR MEMBERS OF THE STATE BAR.

The General Assembly of North Carolina enacts:

SECTION 1. G.S. 84-28(h) reads as rewritten:

"(h) There shall be an appeal of right by either party from any final order of the Disciplinary Hearing Commission ~~imposing admonition, reprimand, censure, suspension, stayed suspension, or disbarment upon an attorney, or involuntarily transferring a member of the North Carolina State Bar to disability inactive status~~ to the North Carolina Court of Appeals. Review by the appellate division shall be upon matters of law or legal inference. The procedures governing any appeal shall be as provided by statute or court rule for appeals in civil cases. A final order which imposes disbarment or suspension for 18 months or more shall not be stayed except upon application, under the rules of the Court of Appeals, for a writ of supersedeas. A final order imposing suspension for less than 18 months or any other discipline except disbarment shall be stayed pending determination of any appeal of right."

SECTION 2. G.S. 84-34 reads as rewritten:

"**§ 84-34. Membership fees and list of members.**

Every active member of the North Carolina State Bar shall, prior to the first day of July of each year, pay to the secretary-treasurer an annual membership fee in an amount determined by the Council but not to exceed ~~two hundred dollars ($200.00),~~ three hundred dollars ($300.00), and every member shall notify the secretary-treasurer of the member's correct mailing address. Any member who fails to pay the required dues by the last day of June of each year shall be subject to a late fee in an amount determined by the Council but not to exceed thirty dollars ($30.00). All dues for prior years shall be as were set forth in the General Statutes then in effect. The membership fee shall be regarded as a service charge for the maintenance of the several services authorized by

this Article, and shall be in addition to all fees required in connection with admissions to practice, and in addition to all license taxes required by law. The fee shall not be prorated: Provided, that no fee shall be required of an attorney licensed after this Article shall have gone into effect until the first day of January of the calendar year following that in which the attorney was licensed; but this proviso shall not apply to attorneys from other states admitted on certificate. The fees shall be disbursed by the secretary-treasurer on the order of the Council. The secretary-treasurer shall annually, at a time and in a law magazine or daily newspaper to be prescribed by the Council, publish an account of the financial transactions of the Council in a form to be prescribed by it. The secretary-treasurer shall compile and keep currently correct from the names and mailing addresses forwarded to the secretary-treasurer and from any other available sources of information a list of members of the North Carolina State Bar and furnish to the clerk of the superior court in each county, not later than the first day of October in each year, a list showing the name and address of each attorney for that county who has not complied with the provisions of this Article. The name of each of the active members who are in arrears in the payment of membership fees shall be furnished to the presiding judge at the next term of the superior court after the first day of October of each year, by the clerk of the superior court of each county wherein the member or members reside, and the court shall thereupon take action that is necessary and proper. The names and addresses of attorneys so certified shall be kept available to the public. The Secretary of Revenue is hereby directed to supply the secretary-treasurer, from records of license tax payments, with any information for which the secretary-treasurer may call in order to enable the secretary-treasurer to comply with this requirement.

The list submitted to several clerks of the superior court shall also be submitted to the Council at its October meeting of each year and it shall take the action thereon that is necessary and proper."

SECTION 3. Section 2 of this act becomes effective July 1, 2005. The remainder of this act is effective when it becomes law and applies to final orders of the Disciplinary Hearing Commission issued on or after that date.

HOUSE BILL H896:
State Bar/Appeal/Fee

BILL ANALYSIS

Committee:	House Finance	**Date:**	May 3, 2005
Introduced by:	Haire	**Summary by:**	Martha Walston
Version:	First Edition		Committee Counsel

SUMMARY: House Bill 896 amends the laws governing the North Carolina State Bar by:

- Providing the North Carolina State Bar an appeal of right from any final order of the Disciplinary Hearing Commission.
- Increasing the annual membership fee from an amount not to exceed $200 to an amount not to exceed $300.

CURRENT LAW: The North Carolina State Bar is an agency of the State with statutory authority to regulate the professional conduct of licensed attorneys. Governance of the State Bar is vested in a Council composed of 55 councilors (active members of the State Bar) and three public members not licensed to practice law. The Council has the power to take actions to ensure the competence of lawyers, adopt rules of professional ethics and conduct, investigate and prosecute matters of professional misconduct, grant or deny petitions of reinstatement, arbitrate disputes concerning legal fees, certify legal specialists, and determine whether a member is disabled.

The Disciplinary Hearing Commission of the State Bar is authorized to hold hearings in discipline, incapacity and disability matters, to make findings of fact and conclusions of law after the hearings, and to enter orders necessary to carry out the duties delegated to it by the Council. The Commission is composed of 20 members. Twelve of these members are members of the State Bar appointed by the Council and eight are laypersons (four appointed by the Governor and four appointed by the General Assembly).

BILL ANALYSIS: Section 1 of the bill provides that either party may appeal the final order of the Disciplinary Hearing Commission to the North Carolina Court of Appeals. This appeal of right would apply to both the State Bar and the attorney who is a party to the disciplinary action. Under current law, the statute provides "an appeal of right from any final order imposing admonition, reprimand, censure, suspension, stayed suspension, or disbarment upon an attorney, or involuntarily transferring a member of the North Carolina State Bar to disability inactive status." In a 2003 decision, the North Carolina Court of Appeals ruled that the language in the current statute provided no appeal from a final order that did not impose discipline. *State Bar v. Rudisill, 583.S.E. 2d 413,discretionary review denied, 589 S.E.2d 127 (2003).* In this case, the Disciplinary Hearing Commission granted summary judgment in favor of the attorney. The North Carolina State Bar appealed the Commission's decision to the North Carolina Court of Appeals. The appellate court dismissed the State Bar's appeal on grounds that its jurisdiction was limited to that provided by the General Assembly, and the statute in question did not provide an appeal of right from a final order that does not impose discipline. House Bill 896 would allow the State Bar to appeal from a final order where no discipline is imposed.

Section 2 of the bill increases the annual membership fee from an amount not to exceed $200 to an amount not to exceed $300. The State Bar last requested a dues increase in 1995. Currently the State Bar is assessing dues at the $200 statutory maximum. Every lawyer desiring to practice in North Carolina, including judges and district attorneys, is required to pay dues. This fee is regarded as a service charge for the maintenance of the services authorized by the State Bar. These services include administering professional discipline, assisting members of the public who have problems with lawyers

and the legal system, mediating fee disputes between lawyers and their clients, giving lawyers ethics advice, randomly auditing attorney trust accounts, reimbursing victims of dishonest lawyers, assisting lawyers suffering from addiction and mental illness, and making grants to support the provision of legal services to poor people.

EFFECTIVE DATE: Section 2 of the bill becomes effective July 1, 2005. The remainder is effective when it becomes law and applies to final orders of the Commission issued on or after that date.

PRINCIPAL DEPARTMENT(S) & PROGRAM(S) AFFECTED: State Bar

EFFECTIVE DATE: Section 1, effective when law; Section 2, effective July 1, 2005.

BILL SUMMARY: The first section of HB 896 has no fiscal impact. The second section of HB 896 increases the annual State Bar membership fee from an amount not to exceed $200 to an amount not to exceed $300. The State Bar last requested a dues increase in 1995. Currently the State Bar is assessing dues at the $200 statutory maximum. Every lawyer desiring to practice in North Carolina, including judges and district attorneys, is required to pay dues. This fee is regarded as a service charge for the maintenance of the services authorized by the State Bar. These services include administering professional discipline, assisting members of the public who have problems with lawyers and the legal system, mediating fee disputes between lawyers and their clients, giving lawyers ethics advice, randomly auditing attorney trust accounts, reimbursing victims of dishonest lawyers, assisting lawyers suffering from addiction and mental illness, and making grants to support the provision of legal services to poor people.

ASSUMPTIONS AND METHODOLOGY: The State Bar derives most of its funding from member dues and does not receive any support for its operations from the General Fund, although it does distribute State funds in the form of grants to other entities in accordance with

statutory directives. Member dues are paid directly to the State Bar. Under current law, member dues may not exceed $200. The agency has requested an increase in the statutory maximum since their annual revenue from dues is projected to fall short of their operating expenses beginning in 2006 if left at the current $200 level.

The State Bar intends to increase their annual dues by $35 beginning in 2006. They expect this will provide sufficient funding for all operations over the next three to four years, after which they may consider another increase. The $100 increase in the statutory maximum is based on the agency's 10-year projections and is designed to allow the State Bar to increase membership dues as needed over the next decade without seeking statutory changes.

This projection assumes a $35 increase for a total annual membership fee of $235 from 2006 through 2009. It then assumes a $15 increase over the $235 annual membership fee for a total of $250 in 2010.

State Bar members numbered 20,181 in 2005, and this projection assumes an annual 3% increase in membership through 2010. This is slightly higher than the 2.65% historical 5-year average derived from the table below.

Historic State Bar Membership and Fees 2000-2005						
	2000	**2001**	**2002**	**2003**	**2004**	**2005**
# of members	17,660	18,310	18,721	19,321	19,745	20,181
% change in membership	2.37%	3.68%	2.24%	3.20%	2.19%	2.21%
Annual dues*	$175	$175	$175	$175	$200	$200
Total revenue from dues (in millions)	**$3.09**	**$3.20**	**$3.28**	**$3.38**	**$3.95**	**$4.04**

Nationwide, law schools are experiencing full enrollment and the number of law school graduates taking the bar exam has steadily increased. Additionally, two North Carolina universities will open new law schools in coming years, one in 2006 and one in 2007. These factors make it likely that North Carolina will see a higher number of attorneys seeking State Bar membership in upcoming years.

Projected State Bar Membership and Fees 2005-2010					
	2005-06	**2006-07**	**2007-08**	**2008-09**	**2009-10**
# of members (3% increase per year)	20,786	21,410	22,052	22,714	23,395
Proposed increase in dues	$35	$35	$35	$35	$50
Total revenue from increase	**$727,525**	**$749,351**	**$771,831**	**$794,986**	**$1,169,766**

The State Bar projects that the total revenue derived from a $35 increase over the existing membership fee will allow the agency to maintain a positive operating fund balance through 2009, at which time another increase may be necessary.

A BILL TO BE ENTITLED

AN ACT TO MODIFY THE TAXATION OF MOTOR FUELS.

The General Assembly of North Carolina enacts:

SECTION 1. G.S. 105-236(2) reads as rewritten:

"**§ 105-236. Penalties.**

Penalties assessed by the Secretary under this Subchapter are assessed as an additional tax. Except as otherwise provided by law, and subject to the provisions of G.S. 105-237, the following penalties shall be applicable:

...

(2) Failure to Obtain a License. – For failure to obtain a license before engaging in a business, trade or profession for which a license is required, the Secretary shall assess a penalty equal to five percent (5%) of the amount prescribed for the license per month or fraction thereof until paid, not to exceed twenty-five percent (25%) of the amount so prescribed, but in any event shall not be less than five dollars ($5.00). In cases in which the taxpayer fails to obtain a license as required under G.S. 105-449.65 or G.S. 105-449.131, the Secretary may assess a penalty of one thousand dollars ($1,000)."

SECTION 2. G.S. 105-241(b) is amended by adding a new subdivision to read:

'(b) Electronic Funds Transfer. – Payment by electronic funds transfer is required as provided in this subsection.

...

(2a) Motor fuel taxes. – A taxpayer that is required to file an electronic return under Article 36C or Article 36D must pay the tax by electronic funds transfer."

SECTION 3. G.S. 105-449.39 reads as rewritten:

"**§ 105-449.39. Credit for payment of motor fuel tax.**

Every motor carrier subject to the tax levied by this Article is entitled to a credit on its quarterly report for tax paid by the carrier on fuel purchased in the State. The amount of the credit is determined using the flat cents-per-gallon rate plus the variable cents-per-gallon rate of tax in effect during the quarter covered by the report. To obtain a credit, the motor carrier must furnish evidence satisfactory to the Secretary that the tax for which the credit is claimed has been paid.

If the amount of a credit to which a motor carrier is entitled for a quarter exceeds the motor carrier's liability for that quarter, the Secretary must refund the excess to the motor ~~carrier.~~carrier in accordance with G.S. 105-266(a)(3)."

SECTION 4. G.S. 105-449.44(a) reads as rewritten:

"(a) Calculation. – The amount of motor fuel or alternative fuel a motor carrier uses in its operations in this State for a reporting period is the ~~ratio of the~~ number of miles the motor carrier travels in this State during that period divided by the calculated miles per gallon for the motor carrier for all qualified vehicles ~~to the total number of miles the motor carrier travels inside and outside this State during that period, multiplied by the total amount of fuel the motor carrier uses in its operations inside and outside the State~~ during that period."

SECTION 5. G.S. 105-449.46 reads as rewritten:

"**§ 105-449.46. Inspection of books and records.**

The Secretary and his authorized agents and representatives shall have the right at any reasonable time to inspect the books and records of any motor carrier subject to the tax imposed by this ~~Article.~~Article or to the registration fee imposed by Article 3 of Chapter 20 of the General Statutes."

SECTION 6. G.S. 105-449.47(a1) reads as rewritten:

"(a1) Registration and Identification Marker. – When the Secretary registers a motor carrier, the Secretary must issue at least one identification marker for each motor vehicle operated by the motor carrier. A motor carrier must keep records of identification markers issued to it and must be able to account for all identification markers it receives from the Secretary. Registrations and identification markers issued by the Secretary are for a calendar year. All identification markers issued by the Secretary remain the property of the State. The Secretary may ~~withhold or~~ revoke a registration or an identification marker when a motor carrier fails to comply with this ~~Article, former Article 36 or 36A of this Subchapter,~~ Article or Article 36C or 36D of this Subchapter.

A motor carrier must carry a copy of its registration in each motor vehicle operated by the motor carrier when the vehicle is in this State. A motor vehicle must clearly display an identification marker at all times. The identification marker must be affixed to the vehicle for which it was issued in the place and manner designated by the authority that issued it."

SECTION 7. Article 36B of Chapter 105 of the General Statutes is amended by adding a new section to read:

"**§ 105-449.47A. Reasons why the Secretary can deny an application for a registration and identification marker.**

The Secretary may refuse to register and issue an identification marker to an applicant that has done any of the following:

(1) Had a registration issued under Chapter 105 or Chapter 119 of the General Statutes cancelled by the Secretary for cause.

(2) Had a registration issued by another jurisdiction, pursuant to G.S. 105-449.57, cancelled for cause.

(3) Been convicted of fraud or misrepresentation.

(4) Been convicted of any other offense that indicates that the applicant may not comply with this Article if registered and issued an identification marker.

(5) Failed to remit payment for a tax debt under Chapter 105 or Chapter 119 of the General Statutes. The term 'tax debt' has the same meaning as defined in G.S. 105-243.1.

(6) Failed to file a return due under Chapter 105 or Chapter 119 of the General Statutes."

SECTION 8. G.S. 105-449.51 reads as rewritten:

"**§ 105-449.51. Violations declared to be misdemeanors.**

Any person who operates or causes to be operated on a highway in this State a motor vehicle that does not carry a registration card as required by this Article, does not properly display an identification marker as required by this Article, or is not registered in accordance with this Article is guilty of a Class 3 misdemeanor and, upon conviction thereof, shall ~~only~~ be fined ~~no less than ten dollars ($10.00) nor more than~~ two hundred dollars ($200.00). Each day's operation in violation of any provision of this section shall constitute a separate offense."

SECTION 9. G.S. 105-449.65(b) reads as rewritten:

"(b) Multiple Activity. – A person who is engaged in more than one activity for which a license is required must have a separate license for each activity, unless this subsection provides otherwise. A person who is licensed as a supplier ~~is not required to obtain a separate license for any other activity for which a license is required and~~ is considered to have a license as a distributor. A person who is licensed as an occasional importer or a tank wagon importer is not required to obtain a separate license as a ~~distributor.~~ distributor unless the importer is also purchasing motor fuel, at the terminal rack, from an elective or permissive supplier who is authorized to collect and remit the tax to the State. A person who is licensed as a distributor is not required to obtain a separate license as an importer if the distributor acquires fuel for import only from an elective supplier or a permissive supplier and is not required to obtain a separate license as an exporter. A person who is licensed as a distributor or a blender is not required to obtain a separate license as a motor fuel transporter if the distributor or blender does not transport motor fuel for others for hire."

SECTION 10. G.S. 105-449.69(b) reads as rewritten:

"(b) Most Licenses. – An applicant for a license as a refiner, a supplier, a terminal operator, an importer, a blender, ~~a bulk end user of undyed diesel fuel, a retailer of undyed diesel fuel,~~ or a distributor must meet the following requirements:

(1) If the applicant is a corporation, the applicant must either be incorporated in this State or be authorized to transact business in this State.

(2) If the applicant is a limited liability company, the applicant must either be organized in this State or be authorized to transact business in this State.

(3) If the applicant is a limited partnership, the applicant must either be formed in this State or be authorized to transact business in this State.

(4) If the applicant is an individual or a general partnership, the applicant must designate an agent for service of process and give the agent's name and address."

SECTION 11. G.S. 105-449.73 reads as rewritten:

"**§ 105-449.73. Reasons why the Secretary can deny an application for a license.**

The Secretary may refuse to issue a license to an ~~individual~~ applicant that ~~has done any of the following and may refuse to issue a license to an applicant that is a business entity if any principal in the business~~ has done any of the following:

(1) Had a license or registration issued under this Article or former Article 36 or 36A of this Chapter cancelled by the Secretary for cause.

(1a) Had a motor fuel license or registration issued by another state cancelled for cause.

(2) Had a federal Certificate of Registry issued under § 4101 of the Code, or a similar federal authorization, revoked.

(3) Been convicted of fraud or misrepresentation.

(4) Been convicted of any other offense that indicates that the applicant may not comply with this Article if issued a license.

(5) Failed to remit payment for ~~an overdue tax debt~~ tax debt under Chapter 105 or Chapter 119 of the General Statutes. The term ~~"overdue tax debt"~~ "tax debt" has the same meaning as defined in G.S. 105-243.1.

(6) Failed to file a return due under Chapter 105 or Chapter 119 of the General Statutes."

SECTION 12. G.S. 105-449.86(a) reads as rewritten:

"(a) Tax. – An excise tax at the motor fuel rate is imposed on dyed diesel fuel acquired to operate any of the following:

(1) Repealed by Session Laws 2003-349, s. 10.8, effective January 1, 2004.

(2) ~~Either a~~ A local bus ~~or an intercity bus~~ that is allowed by § 4082(b)(3) of the Code to use dyed diesel fuel.

(3) A highway vehicle that is owned by or leased to an educational organization that is not a public school and is allowed by § 4082(b)(1) or (b)(3) of the Code to use dyed diesel fuel.

~~(4) A highway vehicle that is owned by or leased to the American Red Cross and is allowed by § 4082 of the Code to use dyed diesel fuel.~~"

SECTION 13. G.S. 105-449.90A reads as rewritten:

"**§ 105-449.90A. Payment by supplier of destination state tax collected on exported motor fuel.**

Tax collected by a supplier on exported motor fuel is payable by the supplier to the destination ~~state if the supplier is licensed in that state for payment of motor fuel excise taxes.~~state. ~~Tax collected by a supplier on exported motor fuel is payable to the Secretary for remittance to the destination state if the supplier is not licensed in that state for payment of motor fuel excise taxes.~~Payments of destination state tax are due to the destination state ~~or the Secretary, as appropriate,~~ on the date set by the law of the destination state. ~~Payments of destination state tax to the Secretary must be accompanied by a form provided by the Secretary that contains the information required by the Secretary.~~"

SECTION 14. G.S. 105-449.96 is amended by adding a new subdivision to read:

"**§ 105-449.96. Information required on return filed by supplier.**

A return of a supplier must list all of the following information and any other information required by the Secretary:

...

(7) The number of gallons of motor fuel the supplier exchanged with another licensed supplier, pursuant to a two-party exchange agreement, during the month, sorted by type of fuel, person receiving the fuel, and terminal code."

SECTION 15. The catch line for G.S. 105-449.106 reads as rewritten:

"**§ 105-449.106. Quarterly refunds for ~~certain local governmental entities,~~ nonprofit organizations, taxicabs, and special mobile equipment.**"

SECTION 16. G.S. 105-449.115 reads as rewritten:

"**§ 105-449.115. Shipping document required to transport motor fuel by railroad tank car or transport truck.**

...

(f) Sanctions Against Transporter. – The following acts are grounds for a civil penalty payable to the ~~Department of Transportation, Division of Motor Vehicles,~~Department of Crime Control and Public Safety or the Department of Revenue:

(1) Transporting motor fuel in a railroad tank car or transport truck without a shipping document or with a false or an incomplete shipping document.

(2) Delivering motor fuel to a destination state other than that shown on the shipping document.

The penalty imposed under this subsection is payable by the person in whose name the conveyance is registered, if the conveyance is a transport truck, and is payable by the person responsible for the movement of motor fuel in the conveyance, if the conveyance is a railroad tank car. The amount of the penalty is five thousand dollars ($5,000). A penalty imposed under this subsection is in addition to any motor fuel tax assessed.

(g) Sanctions Against Terminal Operator. – The Secretary may assess a civil penalty of five thousand dollars ($5,000) against a terminal operator who willfully and with intent issues a shipping document that does not satisfy the requirements of subsection (b) of this section."

SECTION 17. G.S. 105-449.115A reads as rewritten:

"**§ 105-449.115A. Shipping document required to transport fuel by tank wagon.**

(a) Issuance. – A person who operates a tank wagon into which motor fuel is loaded at the terminal must comply with the document requirements in G.S. 105-449.115(b). A person ~~may not transport motor fuel by~~ who operates a tank wagon into which motor fuel is loaded from some other source must have ~~unless that person has~~ an invoice, bill of sale, or shipping document containing the following information and any other information required by the Secretary:

(1) The name and address of the person from whom the motor fuel was received.

(2) The date the fuel was loaded.

(3) The type of fuel.

(4) The gross number of gallons loaded.

(b) Duties of Transporter. – A person to whom an invoice, bill of sale, or shipping document was issued must do all of the following:

(1) Carry the invoice, bill of sale, or shipping document in the conveyance for which it is issued when transporting the motor fuel described in it.

(2) Show the invoice, bill of sale, or shipping document upon request when transporting the motor fuel described in it.

(3) Keep a copy of the invoice, bill of sale, or shipping document at a centralized place of business for at least three years from the date of delivery.

(c) Sanctions. – Transporting motor fuel in a tank wagon without an invoice, bill of sale, or shipping document containing the information required by this section is grounds for a civil penalty payable to the Department of Transportation, Division of Motor Vehicles, or the Department of Revenue. The penalty imposed under this subsection is payable by the person in whose name the tank wagon is registered. The amount of the penalty is one thousand dollars ($1,000). A penalty imposed under this subsection is in addition to any motor fuel tax assessed."

SECTION 18. G.S. 105-449.123 reads as rewritten:

"**§ 105-449.123. Marking requirements for dyed fuel storage facilities.**

(a) Requirements. – A person who is a retailer of dyed motor fuel or who stores both dyed and undyed motor fuel for use by that person or another person must mark the storage facility for the dyed motor fuel as follows in a manner that clearly indicates the fuel is not to be used to operate a highway vehicle. The storage facility must be marked "Dyed Diesel, Nontaxable Use Only, Penalty For Taxable Use" or "Dyed Kerosene, Nontaxable Use Only, Penalty for Taxable Use" or a similar phrase that clearly indicates the fuel is not to be used to operate a highway vehicle. A person who knowingly and with intent fails to mark the storage facility as required by this section is subject to a civil penalty equal to the excise tax at the motor fuel rate on the inventory

held in the storage tank at the time of the violation. If the inventory cannot be determined, then the penalty is calculated on the capacity of the storage tank.

(1) The storage tank of the storage facility must be marked if the storage tank is visible.

(2) The fillcap or spill containment box of the storage facility must be marked.

(3) The dispensing device that serves the storage facility must be marked.

(4) The retail pump or dispensing device at any level of the distribution system must comply with the marking requirements.

(b) Exception. – The marking requirements of this section do not apply to a storage facility that contains fuel used only for one of the purposes listed in G.S. 105-449.105A(a)(1) and is installed in a manner that makes use of the fuel for any other purpose improbable."

SECTION 19. G.S. 119-15 is amended by adding the following two new subdivisions:

"**§ 119-15. Definitions that apply to Article.**

The following definitions apply in this Article:

...

(1a) Dyed diesel fuel distributor. – A person who acquires dyed diesel fuel from either of the following:

a. A person who is not required to be licensed under Part 2 of Article 36C of Chapter 105 of the General Statutes and who maintains storage facilities for dyed diesel fuel to be used for nonhighway purposes.

b. Another dyed diesel fuel distributor.

(1b) Dyed diesel fuel. – Defined in G.S. 105-449.60."

SECTION 20. G.S. 119-15.1(a) reads as rewritten:

"(a) License. – A person may not engage in business in this State as any of the following unless the person has a license issued by the Secretary authorizing the person to engage in business:

(1) A kerosene supplier.

(2) A kerosene distributor.

(3) A kerosene terminal operator.

(4) A dyed diesel fuel distributor."

SECTION 21. G.S. 119-15.3(a) reads as rewritten:

"(a) Initial Bond. – An applicant for a license as a kerosene supplier, kerosene distributor, or kerosene terminal operator must file with the Secretary of Revenue a bond or an irrevocable letter of credit. A bond or irrevocable letter of credit must be conditioned upon compliance with the requirements of this Article, be payable to the State, and be in the form required by the Secretary. The amount of the bond or irrevocable letter of credit may not be less than five hundred dollars ($500.00) and may not be more than twenty thousand dollars ($20,000)."

SECTION 22. G.S. 20-91 reads as rewritten:

"**§ 20-91. Audit of vehicle registrations under the International Registration Plan.**

(a) Repealed by Session Laws 1995 (Regular Session, 1996), c. 756, s. 9.

(b) The ~~Division~~ Department of Revenue may audit a person who registers or is required to register a vehicle under the International Registration Plan to determine if the person has paid the registration fees due under this Article. A person who registers a vehicle under the International Registration Plan must keep any records used to determine the information provided to the Division when registering the vehicle. The records must be kept for three years after the date of the registration to which the records apply. The ~~Division~~ Department of Revenue may examine these records during business hours. If the records are not located in North Carolina and an auditor must travel to the location of the records, the registrant shall reimburse North Carolina for per diem and travel expense incurred in the performance of the audit. If more than one registrant is audited on the same out-of-state trip, the per diem and travel expense may be prorated.

The ~~Commissioner~~ Secretary of Revenue may enter into reciprocal audit agreements with other agencies of this State or agencies of another jurisdiction for the purpose of conducting joint audits of any registrant subject to audit under this section.

(c) If an audit is conducted and it becomes necessary to assess the registrant for deficiencies in registration fees or taxes due based on the audit, the assessment will be determined based on the schedule of rates prescribed for that registration year, adding thereto and as a part thereof an amount equal to five percent (5%) of the tax to be collected. If, during an audit, it is determined that:

(1) A registrant failed or refused to make acceptable records available for audit as provided by law; or

(2) A registrant misrepresented, falsified or concealed records, then all plates and cab cards shall be deemed to have been issued erroneously and are subject to cancellation. The ~~Commissioner~~ Commissioner, based on information provided by the Department of Revenue audit, may assess the registrant for an additional percentage up to one hundred percent (100%) North Carolina registration fees at the rate prescribed for that registration year, adding thereto and as a part thereof an amount equal to five percent (5%) of the tax to be collected. The Commissioner may cancel all registration and reciprocal privileges.

As a result of an audit, no assessment shall be issued and no claim for refund shall be allowed which is in an amount of less than ten dollars ($10.00).

The results of any audit conducted under this section shall be provided to the Division. The notice of any assessments ~~will~~ shall be sent by the Division to the registrant by registered or certified mail at the address of the registrant as it appears in the records of the Division of Motor Vehicles in Raleigh. The notice, when sent in accordance with the requirements indicated above, will be sufficient regardless of whether or not it was ever received.

The failure of any registrant to pay any additional registration fees or tax within 30 days after the billing date, shall constitute cause for revocation of registration license plates, cab cards and reciprocal privileges.

(d) Repealed by Session Laws 1995 (Regular Session, 1996), c. 756, s. 9."

SECTION 23. Sections 1, 7, 8, 9, 16, and 18 of this act become effective January 1, 2006. The remainder of this act is effective when it becomes law.

A BILL TO BE ENTITLED

AN ACT TO MODIFY THE TAXATION OF MOTOR FUELS.

The General Assembly of North Carolina enacts:

SECTION 1. G.S. 105-236(2) reads as rewritten:

"**§ 105-236. Penalties.**

Penalties assessed by the Secretary under this Subchapter are assessed as an additional tax. Except as otherwise provided by law, and subject to the provisions of G.S. 105-237, the following penalties shall be applicable:

...

(2) Failure to Obtain a License. – For failure to obtain a license before engaging in a business, trade or profession for which a license is required, the Secretary shall assess a penalty equal to five percent (5%) of the amount prescribed for the license per month or fraction thereof until paid, not to exceed twenty-five percent (25%) of the amount so prescribed, but in any event shall not be less than five dollars ($5.00). In cases in which the taxpayer fails to obtain a license as required under G.S. 105-449.65 or G.S. 105-449.131, the Secretary may assess a penalty of one thousand dollars ($1,000)."

SECTION 2. G.S. 105-449.39 reads as rewritten:

"**§ 105-449.39. Credit for payment of motor fuel tax.**

Every motor carrier subject to the tax levied by this Article is entitled to a credit on its quarterly report for tax paid by the carrier on fuel purchased in the State. The amount of the credit is determined using the flat cents-per-gallon rate plus the variable cents-per-gallon rate of tax in effect during the quarter covered by the report. To obtain a credit, the motor carrier must furnish evidence satisfactory to the Secretary that the tax for which the credit is claimed has been paid.

If the amount of a credit to which a motor carrier is entitled for a quarter exceeds the motor carrier's liability for that quarter, the Secretary must refund the excess to the motor ~~carrier.~~carrier in accordance with G.S. 105-266(a)(3)."

SECTION 3. G.S. 105-449.44(a) reads as rewritten:

"(a) Calculation. – The amount of motor fuel or alternative fuel a motor carrier uses in its operations in this State for a reporting period is the ~~ratio of the~~ number of miles the motor carrier travels in this State during that period divided by the calculated miles per gallon for the motor carrier for all qualified vehicles ~~to the total number of miles the motor carrier travels inside and outside this State during that period. multiplied by the total amount of fuel the motor carrier uses in its operations inside and outside the State~~ during that period."

SECTION 4. G.S. 105-449.46 reads as rewritten:

"**§ 105-449.46. Inspection of books and records.**

The Secretary and his authorized agents and representatives shall have the right at any reasonable time to inspect the books and records of any motor carrier subject to the tax imposed by this ~~Article.~~Article or to the registration fee imposed by Article 3 of Chapter 20 of the General Statutes."

SECTION 5. G.S. 105-449.47(a1) reads as rewritten:

"(a1) Registration and Identification Marker. – When the Secretary registers a motor carrier, the Secretary must issue at least one identification marker for each motor vehicle operated by the motor carrier. A motor carrier must keep records of identification markers issued to it and must be able to account for all identification markers it receives from the Secretary. Registrations and identification markers issued by the Secretary are for a calendar year. All identification markers issued by the Secretary remain the property of the State. The Secretary may ~~withhold or~~ revoke a registration or an identification marker when a motor carrier fails to comply with this ~~Article, former Article 36 or 36A of this Subchapter,~~ Article or Article 36C or 36D of this Subchapter.

A motor carrier must carry a copy of its registration in each motor vehicle operated by the motor carrier when the vehicle is in this State. A motor vehicle must clearly display an identification marker at all times. The identification marker must be affixed to the vehicle for which it was issued in the place and manner designated by the authority that issued it."

SECTION 6. Article 36B of Chapter 105 of the General Statutes is amended by adding a new section to read:

"**§ 105-449.47A. Reasons why the Secretary can deny an application for a registration and identification marker.**

The Secretary may refuse to register and issue an identification marker to an individual applicant that has done any of the following and may refuse to register and issue an identification marker to an applicant that is a business entity if any principal in the business has done any of the following:

(1) Had a registration issued under Chapter 105 or Chapter 119 of the General Statutes cancelled by the Secretary for cause.

(2) Had a registration issued by another jurisdiction, pursuant to G.S. 105-449.57, cancelled for cause.
(3) Been convicted of fraud or misrepresentation.
(4) Been convicted of any other offense that indicates that the applicant may not comply with this Article if registered and issued an identification marker.
(5) Failed to remit payment for a tax debt under Chapter 105 or Chapter 119 of the General Statutes. The term 'tax debt' has the same meaning as defined in G.S. 105-243.1.
(6) Failed to file a return due under Chapter 105 or Chapter 119 of the General Statutes."

SECTION 7. G.S. 105-449.51 reads as rewritten:

"**§ 105-449.51. Violations declared to be misdemeanors.**

Any person who operates or causes to be operated on a highway in this State a motor vehicle that does not carry a registration card as required by this Article, does not properly display an identification marker as required by this Article, or is not registered in accordance with this Article is guilty of a Class 3 misdemeanor and, upon conviction thereof, shall ~~only~~ be fined ~~no less than ten dollars ($10.00) nor more than~~ two hundred dollars ($200.00). Each day's operation in violation of any provision of this section shall constitute a separate offense."

SECTION 8. G.S. 105-449.65(b) reads as rewritten:

"(b) Multiple Activity. – A person who is engaged in more than one activity for which a license is required must have a separate license for each activity, unless this subsection provides otherwise. A person who is licensed as a supplier ~~is not required to obtain a separate license for any other activity for which a license is required and~~ is considered to have a license as a distributor. A person who is licensed as an occasional importer or a tank wagon importer is not required to obtain a separate license as a ~~distributor.~~ distributor unless the importer is also purchasing motor fuel, at the terminal rack, from an elective or permissive supplier who is authorized to collect and remit the tax to the State. A person who is licensed as a distributor is not required to obtain a separate license as an importer if the distributor acquires fuel for import only from an elective supplier or a permissive supplier and is not required to obtain a separate license as an exporter. A person who is licensed as a distributor or a blender is not required to obtain a separate license as a motor fuel transporter if the distributor or blender does not transport motor fuel for others for hire."

SECTION 9. G.S. 105-449.69(b) reads as rewritten:

"(b) Most Licenses. – An applicant for a license as a refiner, a supplier, a terminal operator, an importer, a blender, ~~a bulk end user of undyed diesel fuel, a retailer of undyed diesel fuel,~~ or a distributor must meet the following requirements:

(1) If the applicant is a corporation, the applicant must either be incorporated in this State or be authorized to transact business in this State.

(2) If the applicant is a limited liability company, the applicant must either be organized in this State or be authorized to transact business in this State.

(3) If the applicant is a limited partnership, the applicant must either be formed in this State or be authorized to transact business in this State.

(4) If the applicant is an individual or a general partnership, the applicant must designate an agent for service of process and give the agent's name and address."

SECTION 10. G.S. 105-449.73 reads as rewritten:

"**§ 105-449.73. Reasons why the Secretary can deny an application for a license.**

The Secretary may refuse to issue a license to an individual applicant that has done any of the following and may refuse to issue a license to an applicant that is a business entity if any principal in the business has done any of the following:

(1) Had a license or registration issued under this Article or former Article 36 or 36A of this Chapter cancelled by the Secretary for cause.

(1a) Had a motor fuel license or registration issued by another state cancelled for cause.

(2) Had a federal Certificate of Registry issued under § 4101 of the Code, or a similar federal authorization, revoked.

(3) Been convicted of fraud or misrepresentation.

(4) Been convicted of any other offense that indicates that the applicant may not comply with this Article if issued a license.

(5) Failed to remit payment for ~~an overdue tax debt~~ tax debt under Chapter 105 or Chapter 119 of the General Statutes. The term ~~"overdue tax debt"~~ "tax debt" has the same meaning as defined in G.S. 105-243.1.

(6) Failed to file a return due under Chapter 105 or Chapter 119 of the General Statutes."

SECTION 11. G.S. 105-449.86(a) reads as rewritten:

"(a) Tax. – An excise tax at the motor fuel rate is imposed on dyed diesel fuel acquired to operate any of the following:

(1) Repealed by Session Laws 2003-349, s. 10.8, effective January 1, 2004.

(2) Either a local bus or an intercity bus that is allowed by § 4082(b)(3) of the Code to use dyed diesel fuel.

(3) A highway vehicle that is owned by or leased to an educational organization that is not a public school and is allowed by § 4082(b)(1) or (b)(3) of the Code to use dyed diesel fuel.

~~(4) A highway vehicle that is owned by or leased to the American Red Cross and is allowed by § 4082 of the Code to use dyed diesel fuel.~~"

SECTION 12. G.S. 105-449.90A reads as rewritten:

"**§ 105-449.90A. Payment by supplier of destination state tax collected on exported motor fuel.**

Tax collected by a supplier on exported motor fuel is payable by the supplier to the destination ~~state if the supplier is licensed in that state for payment of motor fuel excise~~

~~taxes.~~state. ~~Tax collected by a supplier on exported motor fuel is payable to the Secretary for remittance to the destination state if the supplier is not licensed in that state for payment of motor fuel excise taxes.~~Payments of destination state tax are due to the destination state ~~or the Secretary, as appropriate,~~ on the date set by the law of the destination state. ~~Payments of destination state tax to the Secretary must be accompanied by a form provided by the Secretary that contains the information required by the Secretary.~~"

SECTION 13. G.S. 105-449.96 is amended by adding a new subdivision to read:

"**§ 105-449.96. Information required on return filed by supplier.**

A return of a supplier must list all of the following information and any other information required by the Secretary:

...

(7) The number of gallons of motor fuel the supplier exchanged with another licensed supplier, pursuant to a two-party exchange agreement, during the month, sorted by type of fuel, person receiving the fuel, and terminal code."

SECTION 14. The catch line for G.S. 105-449.106 reads as rewritten:

"**§ 105-449.106. Quarterly refunds for ~~certain local governmental entities,~~ nonprofit organizations, taxicabs, and special mobile equipment.**"

SECTION 15. G.S. 105-449.115 reads as rewritten:

"**§ 105-449.115. Shipping document required to transport motor fuel by railroad tank car or transport truck.**

(a) Issuance. – A person may not transport motor fuel by railroad tank car or transport truck unless the person has a shipping document for its transportation that complies with this section. A terminal operator and the operator of a bulk plant must give a shipping document to the person who operates a railroad tank car or a transport truck into which motor fuel is loaded at the terminal rack or bulk plant rack.

(b) Content. – A shipping document issued by a terminal operator or the operator of a bulk plant must contain the following information and any other information required by the Secretary:

(1) Identification, including address, of the terminal or bulk plant from which the motor fuel was received.
(2) The date the motor fuel was loaded.
(3) The gross gallons loaded.
(4) The destination state of the motor fuel, as represented by the purchaser of the motor fuel or the purchaser's agent.
(5) If the document is issued by a terminal operator, the document must be machine printed and it must contain the following information:
   a. The net gallons loaded.
   b. A tax responsibility statement indicating the name of the supplier that is responsible for the tax due on the motor fuel.

(c) Reliance. – A terminal operator or bulk plant operator may rely on the representation made by the purchaser of motor fuel or the purchaser's agent concerning

the destination state of the motor fuel. A purchaser is liable for any tax due as a result of the purchaser's diversion of fuel from the represented destination state.

(d) Duties of Transporter. – A person to whom a shipping document was issued must do all of the following:

(1) Carry the shipping document in the conveyance for which it was issued when transporting the motor fuel described in it. When operating an empty transport, carry the shipping document in the conveyance for the motor fuel last contained in the conveyance.

(2) Show the shipping document to a law enforcement officer upon request when transporting the motor fuel described in it.

(3) Deliver motor fuel described in the shipping document to the destination state printed on it unless the person does all of the following:

a. Notifies the Secretary before transporting the motor fuel into a state other than the printed destination state that the person has received instructions since the shipping document was issued to deliver the motor fuel to a different destination state.

b. Receives from the Secretary a confirmation number authorizing the diversion.

c. Writes on the shipping document the change in destination state and the confirmation number for the diversion.

(4) Give a copy of the shipping document to the distributor or other person to whom the motor fuel is delivered.

(e) Duties of Person Receiving Shipment. – A person to whom motor fuel is delivered by railroad tank car or transport truck may not accept delivery of the motor fuel if the destination state shown on the shipping document for the motor fuel is a state other than North Carolina. To determine if the shipping document shows North Carolina as the destination state, the person to whom the fuel is delivered must examine the shipping document and must keep a copy of the shipping document. The person must keep a copy at the place of business where the motor fuel was delivered for 90 days from the date of delivery and must keep it at that place or another place for at least three years from the date of delivery. A person who accepts delivery of motor fuel in violation of this subsection is jointly and severally liable for any tax due on the fuel.

(f) Sanctions Against Transporter. – The following acts are grounds for a civil penalty payable to the ~~Department of Transportation, Division of Motor Vehicles.~~Department of Crime Control and Public Safety or the Department of Revenue:

(1) Transporting motor fuel in a railroad tank car or transport truck without a shipping document or with a false or an incomplete shipping document.

(2) Delivering motor fuel to a destination state other than that shown on the shipping document.

The penalty imposed under this subsection is payable by the person in whose name the conveyance is registered, if the conveyance is a transport truck, and is payable by

the person responsible for the movement of motor fuel in the conveyance, if the conveyance is a railroad tank car. The amount of the penalty is five thousand dollars ($5,000). A penalty imposed under this subsection is in addition to any motor fuel tax assessed.

(g) Sanctions Against Terminal Operator. – The Secretary may assess a civil penalty of five thousand dollars ($5,000) against a terminal operator for issuing a shipping document that does not satisfy the requirements of subsection (b) of this section."

SECTION 16. G.S. 105-449.115A reads as rewritten:

"**§ 105-449.115A. Shipping document required to transport fuel by tank wagon.**

(a) Issuance. – A person who operates a tank wagon into which motor fuel is loaded at the terminal must comply with the document requirements in G.S. 105-449.115(b). A person ~~may not transport motor fuel by~~ who operates a tank wagon into which motor fuel is loaded from some other source must have ~~unless that person has~~ an invoice, bill of sale, or shipping document containing the following information and any other information required by the Secretary:

(1) The name and address of the person from whom the motor fuel was received.
(2) The date the fuel was loaded.
(3) The type of fuel.
(4) The gross number of gallons loaded.

(b) Duties of Transporter. – A person to whom an invoice, bill of sale, or shipping document was issued must do all of the following:

(1) Carry the invoice, bill of sale, or shipping document in the conveyance for which it is issued when transporting the motor fuel described in it.
(2) Show the invoice, bill of sale, or shipping document upon request when transporting the motor fuel described in it.
(3) Keep a copy of the invoice, bill of sale, or shipping document at the place of business for at least three years from the date of delivery.

(c) Sanctions. – Transporting motor fuel in a tank wagon without an invoice, bill of sale, or shipping document containing the information required by this section is grounds for a civil penalty payable to the Department of Transportation, Division of Motor Vehicles, or the Department of Revenue. The penalty imposed under this subsection is payable by the person in whose name the tank wagon is registered. The amount of the penalty is one thousand dollars ($1,000). A penalty imposed under this subsection is in addition to any motor fuel tax assessed."

SECTION 17. G.S. 105-449.123 reads as rewritten:

"**§ 105-449.123. Marking requirements for dyed fuel storage facilities.**

(a) Requirements. – A person who is a retailer of dyed motor fuel or who stores both dyed and undyed motor fuel for use by that person or another person must mark the storage facility for the dyed motor fuel as follows in a manner that clearly indicates the fuel is not to be used to operate a highway vehicle. The storage facility must be marked "Dyed Diesel, Nontaxable Use Only, Penalty For Taxable Use" or "Dyed Kerosene, Nontaxable Use Only, Penalty for Taxable Use" or a similar phrase that clearly

indicates the fuel is not to be used to operate a highway vehicle. A person who fails to mark the storage facility as required by this section is subject to a civil penalty equal to the excise tax at the motor fuel rate on the inventory held in the storage tank at the time of the violation. If the inventory cannot be determined, then the penalty is calculated on the capacity of the storage tank.

(1) The storage tank of the storage facility must be marked if the storage tank is visible.

(2) The fillcap or spill containment box of the storage facility must be marked.

(3) The dispensing device that serves the storage facility must be marked.

(4) The retail pump or dispensing device at any level of the distribution system must comply with the marking requirements.

(b) Exception. – The marking requirements of this section do not apply to a storage facility that contains fuel used only for one of the purposes listed in G.S. 105-449.105A(a)(1) and is installed in a manner that makes use of the fuel for any other purpose improbable."

SECTION 18. G.S. 119-15 is amended by adding the following two new subdivisions:

"**§ 119-15. Definitions that apply to Article.**

The following definitions apply in this Article:

...

(1a) Dyed diesel fuel distributor. – A person who acquires dyed diesel fuel from either of the following:

a. A person who is not required to be licensed under Part 2 of Article 36C of Chapter 105 of the General Statutes and who maintains storage facilities for dyed diesel fuel to be used for nonhighway purposes.

b. Another dyed diesel fuel distributor.

(1b) Dyed diesel fuel. – Defined in G.S. 105-449.60."

SECTION 19. G.S. 119-15.1(a) reads as rewritten:

"(a) License. – A person may not engage in business in this State as any of the following unless the person has a license issued by the Secretary authorizing the person to engage in business:

(1) A kerosene supplier.

(2) A kerosene distributor.

(3) A kerosene terminal operator.

(4) A dyed diesel fuel distributor."

SECTION 20. G.S. 119-15.3(a) reads as rewritten:

"(a) Initial Bond. – An applicant for a license as a kerosene supplier, kerosene distributor, or kerosene terminal operator must file with the Secretary of Revenue a bond or an irrevocable letter of credit. A bond or irrevocable letter of credit must be conditioned upon compliance with the requirements of this Article, be payable to the State, and be in the form required by the Secretary. The amount of the bond or

irrevocable letter of credit may not be less than five hundred dollars ($500.00) and may not be more than twenty thousand dollars ($20,000)."

SECTION 21. G.S. 20-91 reads as rewritten:

"**§ 20-91. Audit of vehicle registrations under the International Registration Plan.**

(a) Repealed by Session Laws 1995 (Regular Session, 1996), c. 756, s. 9.

(b) The ~~Division~~ Department of Revenue may audit a person who registers or is required to register a vehicle under the International Registration Plan to determine if the person has paid the registration fees due under this Article. A person who registers a vehicle under the International Registration Plan must keep any records used to determine the information provided to the Division when registering the vehicle. The records must be kept for three years after the date of the registration to which the records apply. The ~~Division~~ Department of Revenue may examine these records during business hours. If the records are not located in North Carolina and an auditor must travel to the location of the records, the registrant shall reimburse North Carolina for per diem and travel expense incurred in the performance of the audit. If more than one registrant is audited on the same out-of-state trip, the per diem and travel expense may be prorated.

The ~~Commissioner~~ Secretary of Revenue may enter into reciprocal audit agreements with other agencies of this State or agencies of another jurisdiction for the purpose of conducting joint audits of any registrant subject to audit under this section.

(c) If an audit is conducted and it becomes necessary to assess the registrant for deficiencies in registration fees or taxes due based on the audit, the assessment will be determined based on the schedule of rates prescribed for that registration year, adding thereto and as a part thereof an amount equal to five percent (5%) of the tax to be collected. If, during an audit, it is determined that:

(1) A registrant failed or refused to make acceptable records available for audit as provided by law; or

(2) A registrant misrepresented, falsified or concealed records, then all plates and cab cards shall be deemed to have been issued erroneously and are subject to cancellation. The ~~Commissioner~~ Commissioner, based on information provided by the Department of Revenue audit, may assess the registrant for an additional percentage up to one hundred percent (100%) North Carolina registration fees at the rate prescribed for that registration year, adding thereto and as a part thereof an amount equal to five percent (5%) of the tax to be collected. The Commissioner may cancel all registration and reciprocal privileges.

As a result of an audit, no assessment shall be issued and no claim for refund shall be allowed which is in an amount of less than ten dollars ($10.00).

The results of any audit conducted under this section shall be provided to the Division. The notice of any assessments ~~will~~ shall be sent by the Division to the registrant by registered or certified mail at the address of the registrant as it appears in the records of the Division of Motor Vehicles in Raleigh. The notice, when sent in

accordance with the requirements indicated above, will be sufficient regardless of whether or not it was ever received.

The failure of any registrant to pay any additional registration fees or tax within 30 days after the billing date, shall constitute cause for revocation of registration license plates, cab cards and reciprocal privileges.

(d) Repealed by Session Laws 1995 (Regular Session, 1996), c. 756, s. 9."

SECTION 22. Sections 1, 6, 7, 8, 15, and 17 of this act become effective January 1, 2006. The remainder of this act is effective when it becomes law.

HOUSE BILL 105:
Motor Fuel Tax Changes

BILL ANALYSIS

Committee:	House Finance	**Date:**	May 3, 2005
Introduced by:	Rep. Luebke	**Summary by:**	Cindy Avrette
Version:	PCS for First Edition H105-CSRBx-11		Committee Counsel

SUMMARY: The proposed committee substitute for House Bill 105 makes several changes to the motor fuel laws. The provisions regarding penalties and licensing become effective January 1, 2006. The remainder becomes effective when it becomes law. The Revenue Laws Study Committee recommended this bill to the 2005 General Assembly.

BACKGROUND & ANALYSIS:

Section 1 - Penalty for failure to obtain a license.

Section 1 allows the Secretary to impose a $1,000 penalty for failure to obtain a license under G.S. 105-449.65 or G.S. 105-449.131[1]. Currently, the Secretary has general authority to impose a penalty for failure to obtain a license. Under that general authority, the amount of the penalty imposed is equal to 5% of the amount prescribed for the license for each month the taxpayer fails to obtain the license, with a maximum penalty of 25% of the amount prescribed for the license. Because this general authority limits the penalty to a percentage of the amount prescribed for the license, it effectively bars assessing a penalty when there is no charge to obtain a license. There is no charge for the licenses issued pursuant to G.S. 105-449.65 or G.S. 105-449.131. This provision becomes effective January 1, 2006.

Section 2 - Electronic Funds Transfer

The *PCS added Section 2* to the bill at the request of the Department of Revenue. Section 2 would enable the Motor Fuels Division to move towards a paperless return by enabling the Secretary to require those taxpayers who file electronically to also pay electronically. By statute the Secretary can require motor fuels taxpayers to file returns electronically. The Division plans to require motor fuel taxpayers that have schedule date information to file their returns electronically. 'Schedule data information' is a separate schedule that lists all bills of lading for the fuel being reported. The information enables the Department to track fuel on a load-by-load basis. The Secretary will not require electronic filing from taxpayers who request relief from this requirement in writing.

Section 3 - Conform refund provisions.

[1] G.S. 105-449.65 is contained in the Article dealing with gasoline, diesel fuel, and blended fuel, and requires the following to have a license: refiners, suppliers, terminal operator, importers, exporters, blenders, motor fuel transporters, and distributors who purchase motor fuel from an elective or permissive supplier at an out-of-state terminal for import into this State. G.S. 105-449.131 is contained in the Article dealing with alternative fuels and requires the following to have a license: providers of alternative fuel, bulk-end users, and retailers.

Section 3 conforms the refund statute applicable to motor carriers to the general rule applicable to tax refunds of overpaid taxes. Under the general administrative provisions of G.S. 105-266(a)(3), the Secretary does not have to refund a tax overpayment of less than $3.00 unless the taxpayer makes a written request for the refund. A motor carrier is entitled to a credit on its quarterly report for tax paid by the carrier on fuel purchased in this State. If the credit exceeds the amount of tax owed, the statute provides that the Secretary must refund the excess to the carrier. The statute does not set a minimum amount. This statute appears to conflict with the general administrative provision. This section clarifies that the general administrative law applicable to refunds applies to refunds payable to motor carriers. This provision becomes effective when it becomes law.

Section 4 - Technical change.

Section 4 removes obsolete language to conform to current administrative practice. G.S. 105-449.44 establishes the calculation by which a motor carrier determines the amount of fuel used in North Carolina. The formula under current law has not been used since 1991. In 1992, North Carolina became a participant in the International Fuel Tax Agreement. The method proposed by this section conforms to the IFTA agreement and is the method motor carriers have been using to determine the amount of fuel used in this State since 1992. This provision becomes effective when it becomes law.

Sections 5 and 22 - Conforming changes.

Sections 5 and 22 transfer audit functions related to the International Registration Plan from the Department of Transportation, Division of Motor Vehicles to the Department of Revenue, Motor Fuels Tax Division. The International Registration Plan is the mechanism through which interstate motor carriers are licensed. It helps to ensure that the proper amount of motor fuels tax is credited to each jurisdiction in which the motor carrier travels. It has been suggested that the Department of Revenue has more expertise in auditing taxpayers and would be a more appropriate home for these audit functions. The positions associated with these audit functions were transferred July 1, 2004, through an administrative transfer. These provisions become effective when they become law.

Section 6 - Technical change.

Section 6 removes language that is no longer applicable. G.S. 105-449.47 provides that the Secretary must issue identification markers to motor carriers. The current statute provides that the Secretary may withhold an identification marker if a motor carrier fails to comply with *former Article 36 or 36A*. The General Assembly repealed those articles in 1996. The authority of the Department to issue an assessment under one of those articles has expired and any uncollectible assessments issued under those articles has been written off. Therefore, the language repealed by this section is obsolete. This provision becomes effective when it becomes law.

Section 7 - Reasons to refuse to register and issue identification marker to motor carrier.

Section 7 sets forth the reasons the Secretary could refuse to register and issue an identification marker to a motor carrier. The Department requests this change to enable it to only register applicants that are in good standing with North Carolina and other taxing jurisdictions. The statute proposed in this section is very similar to G.S. 105-449.73, which sets forth the reasons

the Secretary may refuse to issue a license to an applicant under the motor fuel statutes. This provision becomes effective January 1, 2006. ***The PCS removed the distinction between an individual and a business entity. It made a conforming change to G.S. 105-449.73 in section 11 of the PCS.***

Section 8 - Simplify criminal penalty.

Section 8 simplifies the criminal penalty imposed on persons who operate in this State as a motor carrier without obtaining the necessary registration and identification markers. A violation of the motor carrier requirements is a Class 3 misdemeanor. Under current law it is punishable by a fine that is no less than $10 nor more than $200. This section sets the amount of the fine at $200. The civil penalty for this offense is $100. This provision becomes effective January 1, 2006.

Section 9 - Clarification of licensing requirements for multiple activities.

Section 9 clarifies the current licensing requirements by conforming them to the current Department policy and practice. This provision becomes effective January 1, 2006.

Section 10 - Technical change.

Section 10 removes obsolete language. In 1999, the General Assembly removed the licensing requirements for bulk-end users and retailers of undyed diesel fuel. The legislation did not include a conforming change to G.S. 105-449.69(b). This provision becomes effective when it becomes law.

Section 11 - Clarifying change.

Section 11 changes the defined term 'overdue tax debt' to the appropriate defined term 'tax debt'. Under the general administrative provisions in G.S. 105-243.1, a tax debt is defined as the total amount of tax, penalty, and interest due for which a notice of final assessment has been mailed to the taxpayer after the taxpayer no longer has the right to contest the debt. An 'overdue tax debt' is any part of a tax debt that remains unpaid *90 days or more after the notice of final assessment* was mailed to the taxpayer. A collection assistance fee is imposed on an overdue tax debt that remains unpaid 30 days or more after the appropriate fee notice is mailed to the taxpayer. G.S. 105-449.73 sets forth the reasons the Secretary can deny a license to an applicant. One of the reasons is failure to remit taxes that remain due after a taxpayer no longer has the right to contest the tax debt. Since G.S. 105-449.73 has nothing to do with the imposition of a collection assistance fee, the term 'overdue tax debt' is not the appropriate term to use. This provision becomes effective when it becomes law.

Section 12 - Conforming change.

Section 12 exempts motor fuel acquired to operate a highway vehicle owned by or leased to the American Red Cross from the motor fuel excise tax. In Department of Employment v. United States, 385 U.S. 355, 87 S.Ct. 464 (1966), the United States Supreme Court ruled that the Red Cross is an instrumentality of the United States for state tax immunity purposes. This provision codifies the current administrative practice of the Department of Revenue. This section is effective when it becomes law.

The PCS makes another conforming change to federal law by recognizing that federal law no longer allows dyed diesel fuel to be used in intercity buses. Dyed diesel fuel indicates that the

fuel is used for a nontaxable purpose under federal law. State law provides that in the circumstances listed in this statute, the State motor fuel tax is imposed on dyed diesel fuel. This amendment does not change the taxation of the fuel used in intercity buses: the State tax continues to apply.

Section 13 - Repeal obsolete payment procedure.

Section 13 removes the ability of a person exporting motor fuel to another state to pay the tax directly to the Department if the person is not licensed in the destination state of the motor fuel because it is no longer necessary. This provision was included in the statutes in 1996 when North Carolina first adopted 'tax at the rack' to accommodate persons exporting product to a state that was not a 'tax at the rack' state. Today, with the exception of Georgia, all of the surrounding states have adopted 'tax at the rack'. The Georgia border in the western part of the State would not be affected by this repeal because the closest terminal to the Georgia line is in Charlotte. This provision becomes effective when it becomes law.

Section 14 - Conforming change.

Section 14 provides that a supplier must list on its return to the Secretary the number of gallons of motor fuel the supplier exchanged with another licensed supplier pursuant to a two-party exchange agreement. The Secretary currently requires this information on the supplier return. This provision becomes effective with it becomes law.

Section 15 - Technical change.

Section 15 removes obsolete language from the catch line of G.S. 105-449.106. In 2003, the General Assembly exempted motor fuel sold to a county or city for its use from the motor fuel tax. Although the legislation authorizing the exemption made the appropriate conforming change to the refund statute, it failed to amend the catch line. This provision becomes effective when it becomes law.

Section 16 - Shipping document.

Section 16 allows the Secretary of Revenue to assess a penalty of $5,000 on a terminal operator who ***willfully and with intent (added by PCS)*** fails to issue a shipping document that satisfies the requirements for the shipping document, effective January 1, 2006. Under G.S. 105-449.115, shipping documents issued by a terminal operator must contain the following information: 1) identification of the terminal or bulk plant from which the fuel was received, 2) the date the fuel was loaded, 3) the gross gallons loaded, 4) the destination state of the motor fuel, 5) the net gallons loaded, and 6) a tax responsibility statement indicating the name of the supplier that is responsible for the tax. The Motor Fuels Tax Division has noticed a problem with some terminal operators failing to issue proper shipping documents. Without an accurate shipping document, it is difficult, if not impossible, for the Department to ensure that the proper amount of tax is being paid.

Section 16 also makes a technical change to subsection (f). ***The PCS removes a change from the original bill that would have required transporters of an empty transport to carry a shipping document.***

Section 17 - Documentation for tank wagon.

Section 17 would require the same documentation requirements for a person who operates a tank wagon into which motor fuel is loaded at the terminal as for a person who operates a transport truck into which motor fuel is loaded at the terminal. It would also require that a copy of the invoice be kept at a centralized place of business for at least three years from the date of delivery. ***The PCS modified this provision by limiting it to a central place of business as opposed to each place of business.*** This section becomes effective when it becomes law.

Section 19 - Penalty for failing to property mark storage facility.

Section 19 would impose a civil penalty on a person who ***knowingly and with intent (added by PCS)*** does not properly mark the storage facility of motor fuel. Undyed fuel is subject to the motor fuel tax; dyed fuel is not. This section becomes effective January 1, 2006.

Sections 20 and 21 - Conforming changes.

Sections 20 and 21 make changes to Chapter 119 necessitated by legislation enacted in 2003. In 2003, the General Assembly voted to apply the inspection tax to dyed diesel fuels. The inspection tax is imposed on all fuel types at the rate of ¼¢ per gallon. Proceeds of the tax are used to offset the expenses of administering the motor fuels taxes. The changes in these two sections are needed to apply the tax to distributors who purchase only dyed diesel fuel. These two sections are effective when they become law.

Section 21- Technical change.

The law provides that an applicant for a license as a kerosene supplier, kerosene distributor, or a kerosene terminal operation may file either a bond with the Secretary of Revenue or an irrevocable letter of credit. Section 2 inserts the phrase 'irrevocable letter of credit' in a sentence in which it was inadvertently omitted. This section becomes effective when it becomes law.

Section 23 - Effective dates.

Section 23 is the effective date section and it becomes effective when it becomes law.

PRINCIPAL DEPARTMENT(S) & PROGRAM(S) AFFECTED: Department of Revenue

EFFECTIVE DATE: Sections 1, 6, 7, 8, 15, and 17 become effective January 1, 2006. The remainder of the act is effective when it becomes law.

BILL SUMMARY: The legislation makes several changes to the motor fuel laws as follows: (1) Amends GS 105-236(2), effective January 1, 2006, to authorize Secretary of Revenue to impose a penalty of $1,000 for a person's failure to obtain certain motor and alternative fuel business licenses as required by GS 105-449.65 and 105-449.131. (2) Amends GS 105-449.46 and GS 20-91 to transfer audits related to the International Registration Plan from the Department of Transportation, Division of Motor Vehicles, to the Department of Revenue, Motor Fuels Tax Division. (3) Enacts new GS 105-449.47A, effective January 1, 2006, to authorize Secretary to deny a motor carrier an identification marker if carrier has: had a registration cancelled for cause; has been convicted of fraud, misrepresentation, or any other offense that indicates that applicant may not comply with motor carrier fuel tax requirements; or failed to pay a state tax or file a return. (4) Effective January 1, 2006, amends GS 105-449.51 to impose $200 fine (was, at least

$10 and up to $200) for operation of a motor vehicle without required registration and identification markers. (5) Amends GS 105-449.65(b) to provide that a person licensed as an occasional or tank wagon importer is required to obtain a distributor license if the importer is also purchasing motor fuel, at the terminal rack, from an elective or permissive supplier who is authorized to collect and remit tax to the state, effective Jan. 1, 2006. (6) Deletes GS 105-449.86(a)(4), which imposed motor fuel excise tax on American Red Cross. (7) Amends GS 105-449.90A to delete option of paying tax to NC rather than destination state when the person exporting fuel is not registered in the destination state. (8) Enacts new GS 105-449.96(7) to require that fuel supplier list on state tax return the number of gallons of motor fuel exchanged with another licensed supplier pursuant to a two-party exchange agreement. (9) Amends GS 105-449.15(d)(1), effective January 1, 2006, to require a person operating an empty fuel transport to carry the shipping document for the motor fuel last contained in the conveyance. (10) Enacts new GS 105-449.115(g) authorizing Secretary of Revenue to assess a civil penalty of $5,000 against a terminal operator that issues a shipping document that does not contain all the required information. (11) Amends GS 105-449.115A(a) to extend shipping document requirements to a person who operates a tank wagon into which motor fuel is loaded at the terminal. (12) Effective January 1, 2006, amends GS 105-449.123(a) to impose a civil penalty on a person who fails to mark a storage facility for dyed (untaxed) motor fuel. Amends GS 119-15 to define "dyed diesel fuel" and "dyed diesel fuel distributor." (13) Enacts new GS 119-15.1(a)(4) to require licensing of dyed diesel fuel distributor. (14) Makes technical and conforming changes.

ASSUMPTIONS AND METHODOLOGY:

Penalties

The legislation authorizes the Secretary of Revenue to impose a $1,000 penalty for failure to obtain certain motor and alternative fuel business licenses. The current law bars the Department from charging a penalty because there is no fee for the license. The Department estimates a maximum of five violations a year. Since the penalty is discretionary, no revenue estimate is possible. If a penalty were accessed, the proceeds would be deposited in the Highway Fund.

The bill also allows the Secretary of Revenue to impose a civil penalty of $5,000 on an oil terminal operator that issues a shipping document that does not contain all the required information. Without an accurate and complete bill of laden the Department cannot ensure proper taxation. No estimate is available due to the discretionary nature of the penalty, but proceeds are expected to be limited.

The final penalty relates to persons who operate as a motor carrier in North Carolina, but do so without obtaining the necessary registration and identification markers. Under current law the fine is between $10 and $200. This section sets the amount at $200. While no estimate is available, the impact is expected to be minimal.

Red Cross

The legislation exempts the Red Cross from paying the excise tax on dyed diesel fuel. The U.S. Supreme Court ruled in the Department of Employment v. United States that the American Red Cross is an instrumentality of the United States for state tax immunity purposes. While the Red

Cross is not exempt by statute, the Department of Revenue had administratively recognized their federal exemption status and has refunded their tax payments. Since this section conforms statute to department policy, no fiscal impact is expected.

Refunds

The bill conforms the refund statute for motor carriers to the general rule applicable to tax refunds of overpaid taxes. Under the general administrative provisions of G.S. 105-266(a)(3), the Secretary does not have to refund a tax overpayment of less than $3.00, unless the taxpayer makes a written request for the funds. However, there is no minimum payment amount for motor carriers. This provision conforms the motor carrier process to the utilized with other taxpayers. No fiscal impact is expected.

Department of Revenue (Administrative Responsibility)

Per Section 21, G.S. 20-91is amended to transfer audits related to the International Registration Plan to the Department of Revenue. In July 2004, six (6) Vehicle Plan Registration Auditor positions with salaries and related benefits were transferred through administrative process from the Department of Transportation (DOT) to the Department of Revenue/International Registration Division to handle International Registration audit functions. The support for the division is derived from receipts transferred from DOT, and there is no additional funding required for the positions. Additionally, there is no increase in receipts needed for the department to administer the new or revised statutory requirements resulting from this legislation.

Other provisions:

Sections 3,5,8,9,10,12,13,14,18, and 19 either conform the law to existing Department practice or changes obsolete language. No fiscal impact is expected as a result of these changes.

The remaining sections deal with record keeping requirements and have no fiscal impact.

A BILL TO BE ENTITLED

AN ACT TO CLARIFY THE POWERS OF THE BRUNSWICK AIRPORT COMMISSION AND TO AUTHORIZE LOCAL AIRPORT AUTHORITIES TO BORROW MONEY.

The General Assembly of North Carolina enacts:

SECTION 1. In addition to all other powers authorized by law, the Brunswick County Airport Commission shall have the following powers:

(1) To sell, lease, or otherwise dispose of any property, real or personal, belonging to the Airport Commission, according to the procedures described in Article 12 of Chapter 160A of the General Statutes, but no sale of real property shall be made without the approval of the Brunswick County Board of County Commissioners.

(2) To contract with persons, firms, or corporations for terms not to exceed 20 years, for the operation of airline-scheduled passenger and freight flights, nonscheduled flights, and any other airplane activities not inconsistent with the grant agreements under which the airport property is held.

(3) To erect and construct buildings, hangars, shops, and other improvements and facilities, not inconsistent with or in violation of the agreements applicable to and the grants under which the real property of the airport is held; and to lease these improvements and facilities for a term or terms not to exceed 20 years.

SECTION 2. The Brunswick County Airport Commission shall be exempt from any beach renourishment fees imposed by the Town of Oak Island.

SECTION 3. The Brunswick County Airport Commission is considered to be an airport authority for the purpose of any general law pertaining to airport authorities.

SECTION 4. Subchapter IV of Chapter 159 of the General Statutes is amended by adding a new article to read:

"Article 14.

"Borrowing by Airport Authorities.

"**§ 159-201. Borrowing authority.**

Whenever an airport authority is authorized by general or local act to erect and construct improvements and facilities and to lease these improvements and facilities, the authority may borrow money for use in making and paying for these improvements and facilities, secured by and on the credit only of the lease agreements in respect to these improvements and facilities, and to pledge and assign the leases and lease agreements as security for the authorized loans. The airport authority's power to borrow money under this section is subject to the approval of the Commission.

To the extent this section conflicts with any local act, then this section shall control."

A BILL TO BE ENTITLED

AN ACT TO AMEND THE ACTS REGULATING THE BRUNSWICK COUNTY AIRPORT COMMISSION AND TO CLARIFY THE POWERS OF THE COMMISSION.

The General Assembly of North Carolina enacts:

SECTION 1. Section 1 of Chapter 411 of the 1961 Session Laws, as amended by Section 2 of Chapter 385 of the 1991 Session Laws, reads as rewritten:

"Section 1. There is hereby created a board to be known as the Brunswick County Airport Commission whose membership shall consist of Southport, ~~Yaupon Beach, Long Beach,~~ Oak Island, and Brunswick County and which board is hereby constituted a body politic and corporate. The said board shall be comprised of seven members, four of whom shall be appointed by the Board of County Commissioners of Brunswick ~~County and one~~ County, two of whom shall be appointed by ~~each member town,~~ the governing body of the Town of Oak Island, and one of whom shall be appointed by the governing body of the City of Southport, all of whom shall be experienced businessmen with no qualifications as to residence. The membership of said board shall be named as provided for in Chapter 63 of the General Statutes of North Carolina. The members of said board shall receive no compensation per diem or otherwise, but shall be allowed and paid actual expenses incurred in the transaction of business and at the instance of the said Commission. In the event that either the Aldermen of the City of Southport, the Commissioners of the Town of ~~Yaupon Beach, the Commissioners of the Town of Long Beach,~~ Oak Island, or the Brunswick County Commissioners do not deem it advisable or any one or two of said municipal bodies do not enter into an agreement to set up said Airport Commission as provided for under Chapter 63 of the General Statutes of North Carolina, then in such event the municipality or county desiring to create such a commission may do so having all powers herein conferred with the right and privilege of calling such commission in the name of the particular municipality and/or county government."

SECTION 2. In addition to all other powers authorized by law, the Brunswick County Airport Commission shall have the following powers:

(1) To sell, lease, or otherwise dispose of any property, real or personal, belonging to the Airport Commission, according to the procedures described in Article 12 of Chapter 160A of the General Statutes, but no sale of real property shall be made without the approval of the Brunswick County Board of County Commissioners.

(2) To contract with persons, firms, or corporations for terms not to exceed 20 years, for the operation of airline-scheduled passenger and freight flights, nonscheduled flights, and any other airplane activities not inconsistent with the grant agreements under which the airport property is held.

(3) To erect and construct buildings, hangars, shops, and other improvements and facilities, not inconsistent with or in violation of the agreements applicable to and the grants under which the real property of the airport is held; to lease these improvements and facilities for a term or terms not to exceed 20 years; to borrow money for use in making and paying for these improvements and facilities, secured by and on the credit only of the lease agreements in respect to these improvements and facilities, and to pledge and assign the leases and lease agreements as security for the authorized loans.

SECTION 3. The Brunswick County Airport Commission shall be exempt from any beach renourishment fees imposed by the Town of Oak Island.

SECTION 4. This act is effective when it becomes law.

HOUSE BILL H1030:
Increase Airport Authority Powers

BILL ANALYSIS

Committee:	House Finance	**Date:**	May 2, 2005
Introduced by:	Stiller	**Summary by:**	Martha Walston Committee Counsel
Version:	PCS to First Edition HH1030-CSLAx-4		

SUMMARY: The proposed committee substitute for House Bill 1030 does the following:

- gives the Brunswick County Airport Commission additional powers.
- exempts the Commission from any beach renourishment fees imposed by the Town of Oak Island.
- Provides that the Commission is considered an airport authority for the purposes of any general law pertaining to airport authorities.
- Amends the Local Government Finance Chapter of the General Statutes to allow an airport authority to borrow money for use in making and paying for the construction of improvements and facilities at the airport and to secure the debt by lease agreements regarding the improvements and facilities.
- Deletes unnecessary language in the original bill. This language described proposed legislation that was enacted in 2000.

BILL ANALYSIS: Section 1 of House Bill 1030 gives the Brunswick County Airport Commission the following additional powers:

1. To sell, lease, or otherwise dispose of any property, real or personal, belonging to the Airport Commission, according to the procedures described in Article 12 of Chapter 160A, but no sale of real property shall be made without the approval of the Brunswick County Board of Commissioners. In 2003, the General Assembly gave airport authorities created by a local act of the General Assembly the authority to finance real and personal property by installment contracts and other means of indebtedness authorized by G.S. 160A-20.
2. To contract with persons, firms, or corporations for terms not to exceed 20 years, for the operation of airline-scheduled passenger and freight flights, nonscheduled flights, and any other airplane activities not inconsistent with the grant agreements under which the airport property is held.
3. To erect and construct buildings, hangars, shops, and other improvements and facilities, not inconsistent with or in violation of the agreements applicable to and the grants under which the real property of the airport is held; and to lease these improvements and facilities for a term or terms not to exceed 20 years.

Section 2 of House bill 1030 exempts the Airport Commission from any beach renourishment fees imposed by the Town of Oak Island.

Section 3 of the bill deems the Airport Commission to be an airport authority for the purpose of any general law pertaining to airport authorities.

Section 4 of the bill amends the Local Government Finance Chapter of the General Statutes to allow an airport authority to borrow money for use in making and paying for the construction of improvements and facilities at the airport and to secure the debt by lease agreements regarding the improvements and facilities. The 1st edition of House Bill 1030 was a local bill that authorized the Brunswick County Airport Commission to borrow money for this purpose. This part of the original bill was unconstitutional since it was a local act relating to debt.[1] Section 4 would allow the Brunswick County Airport Commission to borrow money. Local legislation has been enacted in the past which contained language giving certain airport authorities the power to borrow money. Section 4 would remedy the constitutional problem raised by this local language.

EFFECTIVE DATE: This act is effective when it becomes law.

BACKGROUND: In 1961, the General Assembly authorized legislation creating the Airport Commission of Southport, Boiling Springs Lake, Long Beach, and Brunswick County. In 1991, the General Assembly amended the earlier legislation and authorized the town of Yaupon Beach, the town of Long Beach, and Brunswick County to establish the Brunswick County Airport Commission. In 1999, the General Assembly authorized the Airport Commission to receive refunds of sales and use taxes.[2] In 2000, the General Assembly amended the membership of the Commission to reflect the consolidation of the charters of the towns of Yaupon Beach and Long Beach into the newly created town of Oak Island.

H1030e1-SMLA-CSLA

[1] Article V, Section 4(1) of the North Carolina Constitution provides: "The General Assembly shall enact general laws relating to the borrowing of money secured by a pledge of the faith and credit and the contracting of other debts by counties, cities and towns, special districts, and other units, authorities, and agencies of local government.

[2] G.S. 105-164.14(c) allows certain governmental entities, including a local airport authority that was created under a local act of the General Assembly, to receive refunds of sales and use taxes paid on direct purchases of personal property and services.

A BILL TO BE ENTITLED

AN ACT TO AUTHORIZE THE CITY OF MONROE TO LEVY A PREPARED FOOD AND BEVERAGES TAX.

The General Assembly of North Carolina enacts:

SECTION 1.(a) Authority; Vote. – If the majority of those voting on the question pursuant to this section vote for the levy of the tax, the Monroe City Council may, by ordinance, levy a prepared food and beverages tax of up to one percent (1%) of the sales price of prepared food and beverages sold within the City of Monroe at retail for consumption on or off the premises by a retailer subject to sales tax under G.S. 105-164(a)(1). This tax is in addition to State and local sales tax.

The Monroe City Council may direct the county board of elections to submit to the qualified voters of the city during any election held in 2006 the question of whether to levy a local prepared food and beverages tax of one percent (1%) as provided in this section. The election must be held on a date jointly agreed upon by the boards and held in accordance with the procedures of G.S. 163-287. The question to be used in the voting systems and ballots shall be:

"[ ] FOR [ ] AGAINST

One percent (1%) local prepared food and beverages tax, in addition to the current local sales and use taxes, to be used for the Civic Center Project for the City of Monroe."

SECTION 1.(b) Definitions. – The definitions in G.S. 105-164.3 apply to this section to the extent they are not inconsistent with the provisions of this section. In addition, the following definitions apply in this act:

(1) Net proceeds. – Gross proceeds less the cost to the city of administering and collecting the tax.

(2) Prepared food and beverages. – The term includes the following:

a. Prepared food, as defined in G.S. 105-164.3.

b. An alcoholic beverage, as defined in G.S. 18B-101, that meets at least one of the conditions of prepared food under G.S. 105-164.3.

SECTION 1.(c) Exemptions. – The prepared food and beverages tax does not apply to the following sales of prepared food and beverages:

(1) Prepared food and beverages served to residents in boarding houses and sold together on a periodic basis with rental of a sleeping room or lodging.
(2) Retail sales exempt from taxation under G.S. 105-164.13.
(3) Retail sales through or by means of vending machines.
(4) Prepared food and beverages served by a retailer subject to the local occupancy tax if the charge for the prepared food and beverages is included in a single, nonitemized sales price together with the charge for rental of a room, lodging, or accommodation furnished by the retailer.
(5) Prepared food and beverages furnished without charge by an employer to an employee.
(6) Retail sales by grocers or by grocery sections of supermarkets or other diversified retail establishments, other than sales of prepared food and beverages in the delicatessen or similar department of the grocer or grocery section.
(7) Prepared food and beverages served on a federal military reservation.

SECTION 1.(d) Collection. – Every retailer subject to the tax levied under this section shall, on and after the effective date of the levy of the tax, collect the tax. This tax shall be collected as part of the charge for furnishing prepared food and beverages. The tax shall be stated separately on the sale document and shall be paid by the purchaser to the retailer as trustee for and on account of the city. The tax shall be added to the sales price and shall be passed on to the purchaser instead of being borne by the retailer. The city shall design, print, and furnish to all appropriate businesses and persons in the city the necessary forms for filing returns and instructions to ensure the full collection of the tax.

SECTION 1.(e) Administration. – The city shall administer a tax levied under this section. A tax levied under this section is due and payable to the city's director of finance and administration in monthly installments on or before the 15th day of the month following the month in which the tax accrues. Every retailer liable for the tax shall, on or before the 15th day of each month, prepare and render a return on a form prescribed by the city. The return shall show the total gross receipts derived in the preceding month from sales to which the tax applies.

A return filed with the city's director of finance and administration under this section is not a public record and may not be disclosed except in accordance with G.S. 160A-208.1.

The provisions of Article 5 and Article 9 of Chapter 105 of the General Statutes apply to this section to the extent they are not inconsistent with the provisions

of this section. The uniform meals tax penalty provisions of G.S. 160A-214.1 apply to a tax levied under this section.

SECTION 1.(f) Refunds. – The city shall refund to a nonprofit or governmental entity the prepared food and beverages tax paid by the entity on eligible purchases of prepared food and beverages. A nonprofit or governmental entity's purchase of prepared food and beverages is eligible for a refund under this subsection if the entity is entitled to a refund under G.S. 105-164.14(b) or (c) of local sales and use tax paid on the purchase or if the sale is exempt under G.S. 105-164.13. The time limitations, application requirements, penalties, and restrictions provided in G.S. 105-164.14(b) and (d) apply to refunds to nonprofit entities; the time, limitations, application requirements, penalties, and restrictions provided in G.S. 105-164.14(c) and (d) apply to refunds to governmental entities. When an entity applies for a refund of the prepared food and beverages tax paid by it on purchases, it must attach to its application a copy of the application submitted to the Department of Revenue under G.S. 105-164.14 for a refund of the sales and use tax on the same purchases or a written statement that the purchases were exempt from the tax. An applicant for a refund under this subsection must provide any information required by the city to substantiate the claim.

SECTION 1.(g) Use of Net Proceeds. – The City of Monroe must use the net proceeds of a tax levied under this section for the construction, operation, and maintenance of a civic center.

SECTION 1.(h) Effective Date of Levy. – A tax levied under this section shall become effective on the date specified in the ordinance levying the tax. The date must be the first day of a calendar month and may not be before the first day of the fourth month after the date the ordinance is adopted.

SECTION 1.(i) Repeal. – A tax levied under this section may be repealed by an ordinance adopted by the Monroe City Council. The Monroe City Council shall repeal the tax when the Civic Center Project for which the tax was imposed is constructed and any debt for the Project has been paid. Any repeal shall become effective on the first day of a month and may not become effective until the end of the fiscal year in which the repeal ordinance is adopted. Repeal of a tax levied under this section does not affect a liability for a tax that attached before the effective date of the repeal, nor does it affect a right to a refund of a tax that accrued before the effective date of the repeal.

SECTION 2. This act is effective when it becomes law.

"[ ] FOR [ ] AGAINST

One percent (1%) local prepared food and beverage tax, in addition to the current local sales and use taxes, to be used for the Civic Center Project for the City of Monroe."

SECTION 1.(b) Definitions; Sales and Use Tax Statutes. – The definitions in G.S. 105-164.3 apply to this section to the extent they are not inconsistent with the provisions of this section. The provisions of Article 5 and Article 9 of Chapter 105 of the General Statutes apply to this section to the extent they are not inconsistent with the provisions of this section.

SECTION 1.(c) Exemptions. – The prepared food tax does not apply to the following sales of prepared food:

(1) Prepared food served to residents in boarding houses and sold together on a periodic basis with rental of a sleeping room or lodging.

(2) Retail sales exempt from taxation under G.S. 105-164.13.
(3) Retail sales through or by means of vending machines.
(4) Prepared food served by a retailer subject to the local occupancy tax if the charge for the meals or prepared food or drink is included in a single, nonitemized sales price together with the charge for rental of a room, lodging, or accommodation furnished by the retailer.
(5) Prepared food furnished without charge by an employer to an employee.
(6) Retail sales by grocers or by grocery sections of supermarkets or other diversified retail establishments, other than sales of prepared food in the delicatessen or similar department of the grocer or grocery section.
(7) Prepared food served on a federal military reservation.

SECTION 1.(d) Collection. – Every retailer subject to the tax levied under this section shall, on and after the effective date of the levy of the tax, collect the tax. This tax shall be collected as part of the charge for furnishing prepared food. The tax shall be stated separately on the sale document and shall be paid by the purchaser to the retailer as trustee for and on account of the city. The tax shall be added to the sales price and shall be passed on to the purchaser instead of being borne by the retailer. The city shall design, print, and furnish to all appropriate businesses and persons in the city the necessary forms for filing returns and instructions to ensure the full collection of the tax.

SECTION 1.(e) Administration. – The city shall administer a tax levied under this section. A tax levied under this section is due and payable to the city's director of finance and administration in monthly installments on or before the 15th day of the month following the month in which the tax accrues. Every retailer liable for the tax shall, on or before the 15th day of each month, prepare and render a return on a form prescribed by the city. The return shall show the total gross receipts derived in the preceding month from sales to which the tax applies.

A return filed with the city's director of finance and administration under this section is not a public record and may not be disclosed except in accordance with G.S. 160A-208.1.

SECTION 1.(f) Refunds. – The city shall refund to a nonprofit or governmental entity the prepared food tax paid by the entity on eligible purchases of prepared food. A nonprofit or governmental entity's purchase of prepared food is eligible for a refund under this subsection if the entity is entitled to a refund under G.S. 105-164.14(b) or (c) of local sales and use tax paid on the purchase or if the sale is exempt under G.S. 105-164.13. The time limitations, application requirements, penalties, and restrictions provided in G.S. 105-164.14(b) and (d) apply to refunds to nonprofit entities; the time, limitations, application requirements, penalties, and restrictions provided in G.S. 105-164.14(c) and (d) apply to refunds to governmental entities. When an entity applies for a refund of the prepared food tax paid by it on purchases, it must attach to its application a copy of the application submitted to the Department of Revenue under G.S. 105-164.14 for a refund of the sales and use tax on the same purchases or a written statement that the purchases were exempt from the tax.

An applicant for a refund under this subsection must provide any information required by the city to substantiate the claim.

SECTION 1.(g) Penalties. – A person, firm, corporation, or association who fails or refuses to file the return or pay the tax required by this section is subject to the civil and criminal penalties set by G.S. 105-236 for failure to pay or file a return for State sales and use taxes. The Monroe City Council has the same authority to waive the penalties for a tax levied under this section that the Secretary of Revenue has to waive the penalties for State sales and use taxes.

SECTION 1.(h) Use of Proceeds. – The City of Monroe must use the proceeds of a tax levied under this section for the construction, operation, and maintenance of a civic center.

SECTION 1.(i) Effective Date of Levy. – A tax levied under this section shall become effective on the date specified in the ordinance levying the tax. The date must be the first day of a calendar month and may not be before the first day of the fourth month after the date the ordinance is adopted.

SECTION 1.(j) Repeal. – A tax levied under this section may be repealed by an ordinance adopted by the Monroe City Council. Any repeal shall become effective on the first day of a month and may not become effective until the end of the fiscal year in which the repeal ordinance is adopted. Repeal of a tax levied under this section does not affect a liability for a tax that attached before the effective date of the repeal, nor does it affect a right to a refund of a tax that accrued before the effective date of the repeal.

SECTION 2. This act is effective when it becomes law.

HOUSE BILL H689:
Monroe Meals Tax

BILL ANALYSIS

Committee:	House Finance	**Date:**	May 3, 2005
Introduced by:	Gibson	**Summary by:**	Martha Walston
Version:	First Edition		Committee Counsel
	H689-CCSLAx-6		

SUMMARY: House Bill 689 authorizes the city of Monroe to levy a 1% sales tax on prepared food and beverages in addition to the 7% State and local sales tax. The proceeds from the tax may be used only for the construction, operation, and maintenance of a civic center. The proposed committee substitute does the following:

- Adds definitions to the act for the following terms: "net proceeds" and "prepared food and beverages"
- Amends the penalties section to state that the uniform meals tax penalty provisions in G.S. 160A-214.1 apply to the tax.
- Adds a section that the tax will sunset when the Civic Center project is constructed and any debt for the Project has been paid.

BILL ANALYSIS: House Bill 689 authorizes the Monroe City Council to levy a 1% sales tax on prepared food if the voters vote for the tax in an election held in 2006. The ballot must state:

"[ ]FOR [ ]AGAINST

One percent (1%) local prepared food and beverage tax, in addition to the current local sales and use taxes, to be used for the Civic Center Project for the City of Monroe."

The net proceeds of the tax must be used for the construction, operation, and maintenance of a civic center.

The tax does not apply to any of the following:

- Prepared food served to residents in boarding houses and sold together on a periodic basis with rental of sleeping room or lodging.
- Sales exempt from the State sales tax.
- Sales made through vending machines
- Prepared food subject to the occupancy tax because it is included in a single, non-itemized sales price for the rental of a room.
- Prepared food furnished without charge by an employer to an employee
- Sales by grocers or by grocery sections of supermarkets or other diversified retail establishment, other than sales of prepared food in the delicatessen or similar department of the grocer or grocery section.
- Prepared food served on a federal military reservation.

A nonprofit or governmental entity entitled to a refund of State sales tax on prepared food is also entitled to a refund of the local prepared food tax.

EFFECTIVE DATE: House Bill 689 is effective when it becomes law.

BACKGROUND: Four counties and two municipalities currently have the authority to levy a prepared food tax: Cumberland (1993), Dare (1991), Mecklenburg (1989), and Wake (1991) Counties, the City of Charlotte (1989) and the Town of Hillsborough(1993). Charlotte can levy the tax only if Mecklenburg County has not levied it.

The City of Monroe plans to build a civic center. The proposed facility would consist of approximately 40,000 to 45,000 square feet at an estimated cost of $8 million. The facility would include meeting rooms that could accommodate between 800 to 1000 individuals at one time or be separated into smaller meeting rooms for smaller groups. During the 2001 Session, a 5% Monroe occupancy tax was enacted. (S.L. 2001-439) A portion of the Monroe occupancy tax proceeds may be used for tourism-related expenditures which are defined as expenditures that are designed to increase the use of lodging facilities, meeting facilities, or convention facilities in a city.

PRINCIPAL DEPARTMENT(S) & PROGRAM(S) AFFECTED: City of Monroe

EFFECTIVE DATE: When it becomes law.

BILL SUMMARY:

The bill authorizes the Monroe City Council to levy a prepared food tax of up to 1% of the sales price of these items sold within the city limits. The bill exempts sales through vending machines, meals provided without charge to employees, items sold together with the rental of a sleeping room or lodging; and sales exempt from the State sales tax. Sales by retailers who collect an occupancy tax and do not separate the meal from the room are also exempt, as are grocery store sales that are not through the deli or similar department of the store. The legislation stipulates that the city shall administer the tax. Refunds will be given to non-profits that are offered a sales tax refund. The City of Monroe is authorized to levy the tax if the voters approve the tax in a referendum in 2006. The City of Monroe must use the proceeds of the tax for the construction, operation, and maintenance of a civic center. The tax would sunset when the civic center project is constructed and any debt for the project has been paid.

ASSUMPTIONS AND METHODOLOGY:

Because the bill impacts only local revenues there is no General Fund impact.

According to the 1997 Economic Census, during that year Monroe foodservice and drinking place establishments reported $52,052,000 in sales. Assuming this number is a reasonable proxy for prepared meals sales, a 1% tax would have generated approximately $520,520 in revenue. Using a 4% growth rate since that time suggests the following revenue stream associated with this bill.

Fiscal Year	Revenue
2005-06	370,431
2006-07	770,497
2007-08	801,317
2008-09	833,369
2009-10	866,704

The estimate in the fiscal impact box assumes a January 1, 2006 implementation date.

The Honorable J. Curtis Blackwood
North Carolina House of Representatives
State Legislative Building, Room 1317
Raleigh, North Carolina 27601-1096

Dear Representative Blackwood:

We were shocked to learn that you had been advised that 60 percent of the proposed meals tax for Monroe, if adopted, would be paid by "outsiders." Frankly, that is baloney. Our estimate is that no more than 20 percent would be paid by outsiders while at least 80 percent or more would be paid by the people who live and work in Union County.

For example, one restaurant on I-95 in Smithfield, North Carolina, was surprised to learn about three years ago that only 19 percent of their business comes from the Interstate and 81 percent from locals who live and work in Johnston County. The Bojangles' franchisee there continues to be astounded by that fact.

Another example would be Big Ed's Restaurant here in Raleigh. Many think of Big Ed's as a "tourist restaurant." For example, some of the Raleigh Convention and Visitors Bureau staff do send people there or take them there for the Big Ed's country cooking experience. Yet, on any single day of the week, Monday through Saturday, you will find that well over 80 percent of their customers are local Wake County people; most from the within the city of Raleigh. The same applies to the Angus Barn and Vinnie's, two fine dining places here in Raleigh and Wake County.

There is no way that 60 percent of the meals tax dollars in Monroe will come from outside Union County. In fact, there is no county in the state where that would happen. However, a large chunk of those tax dollars will be paid by the people who live in the county and who are subsequently penalized for going to town for a meal.

Further, it is entirely possible that in some instances a few county residents who do not live in Monroe will maintain a high resentment factor towards the tax to the extent that they go to Cabarrus, Stanley or Anson county to eat out. This is not likely to be a huge problem but it will happen. Others may simply choose to eat at home because of the 2 percent sales tax on that food compared to the much higher tax that would apply to restaurant sales.

We should not allow any jurisdiction to tax a hot dog at a rate higher than a Rolex or fur coat.

Sincerely,

T. Jerry Williams

The Honorable Fern Shubert
North Carolina Senate
1414 Legislative Building
Raleigh, NC 27601

Dear Senator Shubert:

I am writing to ask that you vote for enactment this year of the one-percent prepared food and beverage tax to fund construction of the Monroe Civic Center.

Completion of this facility will be of great benefit to our citizens:

- It will enhance the city's ability to recruit industry to locate here, adding jobs, wealth and tax base to Monroe and Union County. I am confident that a majority in the community wants this civic center now.

- Union County suffers for lack of a facility of this size and scope. Many events - wedding receptions, trade shows, corporate meetings, annual meetings, retreats, high school proms, graduations and parties are conducted by Union County organizations in Mecklenburg County. This situation penalizes us from realizing financial benefits, convenience and satisfaction from having events here. Piedmont High School is seeking to conduct its graduation ceremonies at the Cabarrus County civic center. This is a shameful state of affairs.

- Construction of this state of the art facility will revitalize Skyway Drive, the principal gateway into Monroe from US 74. Presence of the civic center will likely result in conversion of an adjacent turn of the century textile mill into a mixed use residential, office facility. Another adjacent and blighted/abandoned mill could be demolished and the property developed. Revitalization of a predominantly African American single-family neighborhood nearby would be positively impacted.

- Financing of construction by this one percent tax is not burdensome to taxpayers. Tourists and other travelers visiting Union County will pay approximately 60 percent of the tax. It is a minimal and voluntary tax. If an individual consumed $1,000 annually in prepared food and beverages, their total tax would be only $10. The tax sunsets in 15 years and can only be used to pay the debt service on this facility. Union County residents dine regularly in Mecklenburg County where they are assessed a two percent tax, which funds Charlotte Mecklenburg amenities. This is not a deterrent to their patronage and I dare say most are unaware of the tax.

Your assistance is needed and very much appreciated in making this dream come true now for Monroe and Union County.

Sincerely,

Jim Carpenter

Dear Representative Blackwood:

I am a citizen of Monroe, and an announced candidate for Mayor of the City. I wish to register my opposition to proposed House Bill 689. I do not believe that this Bill to authorize the City of Monroe to levy a prepared food tax of up to 1% of the sales price is in the best interest of the citizens of both the City and Union County.

As a proven conservative public official (County Commissioner for past 12 years), I would only resort to ANY tax increase on our citizens only for the most dire of public needs. With the recent increases in both unprepared groceries and restaurant meals that we are currently facing; yet another tax on top of these increases is not conservatively wise at this time. I believe that it is commonly acknowledged by our citizens that a Civic Center (possibly including a new City Hall), would be nice, but is not a current necessity.

In my opinion, the citizens who work and/or live in Monroe, and by necessity must eat lunch in the many fast-food establishments in order to meet lunch hour deadlines, are the people least likely to afford yet another tax. I believe the funding of civic projects and city offices, both of which require long-term maintenance, would be more fairly imposed on the citizen's property tax obligations.

I respectfully request that the proposed House Bill 689 be withdrawn, or that you actively work against its passage. If it must be imposed at this time; then I strongly suggest, at the very least, a public referendum on this matter only appear on the general election ballot in October. This would save the City several thousands of dollars in voting and precinct costs, and allow more time for public debate prior to the October election.

Yours most Sincerely,

Paul A. Standridge

Vote

Monroe City Council to seek legislation for prepared meals tax

By RITCHIE E. STARNES -- MONROE (March 2, 2005)

The Monroe City Council on Tuesday unanimously approved a resolution that requests local legislation to authorize a referendum for residents to consider a 1 percent prepared meal tax as a source for funding a civic center.

The vote followed an earlier meeting by the City Facilities Committee that identified the funding source for a 45,000-square-foot civic center, estimated to cost between $6.75 million and $9 million. If approved, the local referendum would be planned for May 2006. A provision also states that the tax would conclude consistent with the debt service, estimated at 20 years.

The council debated the question of funding at its recent annual strategic planning retreat. Plans for a performing arts center soured when estimates doubled from $3 million to $6 million because of rising construction costs, prompting the board to revisit the idea of a civic center. The former Scott Aviation building on Charlotte Avenue or a commercial site on Skyway Drive have been named as possible locations.

The city is already collecting a 1-cent occupancy tax from Monroe motels and hotels, implemented as a means to pay for the performing arts center.

Talk of a civic center and the tax, levied against diners at citywide restaurants, has surfaced before, but the tax never materialized and the board turned its attention on the performing arts center. The city already paid about $370,000 for the architectural plans to build the performing arts center before shelving the idea.

Also on Tuesday, the council unanimously approved the city entering a 10-year joint-use agreement with the Union County Board of Education. The agreement, dating back to 1997, means that the city and the school system will continue to share the sporting facilities at Walter Bickett.

As part of the shared relationship, the Board of Education funded the construction of the Walter Bickett field house and has used the city-owned property at Walter Bickett Stadium. The city has also made improvements on school-owned property and has continued to use the property for recreational use, like the soccer fields at Monroe Middle School. The school system and the Monroe Parks and Recreation Department also share sporting facilities.

Councilman Robert Smith suggested a change in the relationship is in order.

"We need to continue to talk with them about swapping the property," he said. "This is a temporary fix for what they own and what we lease. It really should have been done before the merger."

Immediately after the vote, the council also unanimously approved making $41,450 in improvements at the Walter Bickett Stadium. The lion's share of the expense, $30,000 for drainage repair, will be paid out of the next fiscal year budget that begins in July.

SUBJECT: Support of Monroe Meals Tax – HB 689

Dear Representative Gibson:

On behalf of the City Council of the City of Monroe, I would like to express appreciation for your support of the City of Monroe's request for local legislation to levy a prepared food tax in the City of Monroe subject to a local referendum. The purpose of the Monroe Meals Tax is to provide a funding source for a proposed Civic Center. The Civic Center would be located on property which the City of Monroe has already acquired.

I would also outline that the City has received Resolutions of Support for this facility from an overwhelming majority of the 14 municipalities located in Union County. Likewise, this widespread support has been evidenced by support from the Union County Chamber of Commerce and also the Monroe Economic Development Commission.

As you are aware, there are several revisions which have been incorporated into the requested legislation consisting of a local referendum, sunset provision, and necessitating that the proceeds would be used for the purpose of a Civic Center. Once again, I would reiterate the widespread Community support for this tax in recognition of the significant need for such a facility in Union County. As the County seat, along with our central location in Union County, it seems appropriate that such a facility would be located in the City of Monroe.

Should you have questions or require any additional information which I may provide, please do not hesitate to contact me.

Sincerely,

Judy L. Davis

May 2, 2005

To Members of the North Carolina General Assembly:

The Board of Directors of the Union County Chamber of Commerce respectfully requests that you to vote for enactment this year of legislation to allow a city of Monroe referendum regarding a one-percent prepared food and beverage tax to fund construction of a civic center.

Completion of this facility will be of great benefit to our citizens:

- It will enhance the ability of Monroe and Union County to recruit industry to locate here, adding jobs, wealth and tax base. A majority in the community wants this civic center now.

- Union County suffers for lack of a facility of this size and scope. Many events – wedding receptions, trade shows, corporate meetings, annual meetings, retreats, high school proms, graduations and parties are conducted by Union County organizations in Mecklenburg County. This situation penalizes us from realizing financial benefits, convenience and satisfaction from having events here. Local high schools are compelled to conduct graduation ceremonies outside of Union County. This is a shameful state of affairs.

- Financing of construction by this one percent tax is not burdensome to taxpayers. Tourists and other travelers visiting Union County will pay approximately 60 percent of the tax. Many of these individuals are non-residents of North Carolina. It is a minimal and voluntary tax. If an individual consumed $1,000 annually in prepared food and beverages, their total tax would be only $10. The tax sunsets in 15 years and can only be used to pay the debt service on this facility. Union County residents dine regularly in Mecklenburg County where they are assessed a two percent tax, which funds Charlotte Mecklenburg amenities. This is not a deterrent to their patronage and I dare say most are unaware of the tax.

While the Chamber is hesitant to endorse any new taxation, we are bolstered by the fact funding for the civic center will be decided by and hopefully approved by citizens and taxpayers of Monroe. Your consideration of this important legislation is gratefully appreciated.

House Committee on Finance

Minutes

~

May 10, 2005

The House Committee on Finance met on Tuesday, May 10, 2005 at 8:30 am in Room 544 of the Legislative Office Building. The following members were present: Chairpersons Alexander, Gibson, Howard, Luebke, and Wainwright; Vice-Chairs Daughtridge, Hill, Ross, Weiss, and Womble; Representatives Blackwood, Blust, Bordsen, Capps, Carney, Dockham, Faison, Folwell, Glazier, Hackney, Holliman, Jones, McGee, Rayfield, Underhill, Walend, and Wiley; and Ex-Officio member Representative Culpepper. Also present were Sergeant-at-Arms Earl Coker, Bill Freeman, Fred Hines, and Dusty Rhodes. Staff persons present included Cindy Avrette, Rodney Bizzell, Erika Churchill, Brenna Erford, Ashley Huffstetler, Linda Millsaps, and Martha Walston. The Agenda and Visitor Registration Sheet are attached and incorporated into these minutes as **attachments 1 and 2.**

Chairman Luebke called the meeting to order at 8:33 am and recognized the two (2) pages present: Jonathan Mestas of Wake County, sponsored by Representative Eddins; and Matthew Knight of Durham County, sponsored by Representative Wilkins.

The first bill under the Committee's consideration was **HB 1136 – MERCURY SWITCH REMOVAL** (see **attachment 3**). Chairman Luebke first recognized Representative Weiss who moved for the adoption of the proposed committee substitute for the Committee's consideration. The motion carried. The bill sponsor, Representative Culpepper, was then recognized to explain the bill. He stated that HB 1136 requires manufacturers of vehicles sold in the North Carolina to develop, submit, and implement a mercury minimization plan that provides for the removal, collection, and recovery of mercury switches from "end-of-life vehicles" in order to reduce the quantity of mercury that is released into the environment. The plan must involve a five-dollar ($5) fee minimum charged to the car companies and given to the scrap metal recycling facilities for each mercury switch stripped off a vehicle. Cindy Avrette from Research was recognized and offered an explanation of the difference between the 2nd edition of the bill and the proposed committee substitute stating that it added a provision that would allow for the protection of any information designated by a vehicle manufacturer to be a trade secret. Following the explanation, Representative Holliman was recognized and asked how the mercury switches would be disposed. Responding to the question, Representative Culpepper stated that a plan would be developed to remove the mercury switches and then recycle the mercury. Chairman Luebke then recognized Representative Blackwood who inquired as to why the automobile companies were being charged for the cleanup when they are already facing huge profit losses. Representative Capps was also recognized and followed Representative Blackwood's comment by stating that the burden of the tax should be shared by the ones making the profits, those being the scrap metal and recycling facilities. To respond to the comments, Representative Culpepper was then recognized and pointed out that the vehicle manufacturers have known about the environmental risks associated with mercury switches

and have had the opportunity to voluntarily use an alternative mechanism for some time. He continued by stating that the vehicle manufacturers should carry the burden because they are responsible for the environmental hazard now under discussion. Chairman Luebke then recognized Representative Underhill who moved for a favorable report to the proposed committee substitute and an unfavorable report to the original bill. Chairman Luebke recognized Ross Good, a representative from Daimler Chrysler Corporation, who spoke in opposition to the bill and pointed out that only 1.5% of mercury releases in the environment come from automobiles. Ricky Young of Custom Auto Recycling was also recognized and, speaking in support of the bill, stated that although the five-dollar ($5) fee listed in the bill was not high enough to cover the costs of removing the switches, his association was nonetheless in support of the legislation. Seeing no further discussion, Chairman Luebke then called Representative Underhill's earlier motion to a vote, and it carried by majority.

Chairman Luebke then recognized Representative Fisher to explain **HB 1357 – AMEND ACUPUNCTURE LAWS/FEES** (see **attachment 4**). Before the explanation, Representative Gibson was recognized to send forth a technical amendment (see **attachment 5**) and moved its adoption. As there was no debate on the amendment, Chairman Luebke called the motion to a vote and the amendment was adopted. Representative Fisher then explained the bill stating that it alters certain statutes governing the Acupuncture Licensing Board and increases some of the maximum fees that can be charged by the Board. Following the explanation, Chairman Luebke recognized Representative Jones who moved for a favorable report to a new proposed committee substitute, incorporating the adopted Gibson amendment, and an unfavorable report to the original bill. Representative Wainwright was then recognized and asked why the Board could wait as long as 120 days before acting on a licensure renewal. Chairman Luebke then recognized Barbara Berry, the Chairwoman of the North Carolina Acupuncture Licensing Board, who stated that the Board only meets every sixty (60) days and that the 120 day period was necessary given this meeting schedule. Other general questions were asked about the fee increases and were answered by Barbara Berry. Seeing no further discussion, Chairman Luebke then called Representative Jones' earlier motion to a vote, and it carried by majority.

The next bill under consideration by the Committee was **HB 1005 – PINEVILLE ANNEXATION** (see **attachment 6**). The bill sponsor, Representative McMahan, was recognized and explained that this bill annexes 1100 acres into the Town of Pineville. He stated that the residents living within the proposed annexation had requested this legislation and that he knew of no opposition. Chairman Luebke then recognized Representative Carney who moved that House Bill 1005 be given a favorable report by the Committee. As there was no further debate, Chairman Luebke called the motion to a vote and it carried without objection.

Chairman Luebke then recognized Representative Ross to explain **HB 1115 – ELECTION ADMINISTRATION AMENDMENTS** (see **attachment 7**). Representative Ross informed the Committee members that the bill was given a favorable report from the Election Law and Campaign Finance Reform Committee. She continued by stating that the bill updated and "cleaned up" the current election statutes. She further informed the members that the reason the bill was before the Finance Committee was a change in candidate filing fees (see attached bill summary for further details). Chairman Luebke then recognized Representative Holliman who moved that House Bill 1115 be given a favorable report by the Committee. Seeing no further discussion, Chairman Luebke called the motion to a vote, and it carried by consent.

The following bill considered by the Committee was **SB 420 – OAK RIDGE VOLUNTARY ANNEXATIONS** (see **attachment 8**). Representative Brown was first recognized and, on behalf of the bill sponsor Sen. P. Berger, explained that the bill authorizes the

Town of Oak Ridge to voluntarily annex non-contiguous property by petition. Chairman Luebke then recognized Representative Howard who moved that Senate Bill 420 be given a favorable report. As there was no further debate, Chairman Luebke called the motion to a vote, and it carried without objection.

The final bill under consideration by the Committee was **HB 1411 – UPDATE CONSUMER CREDIT SALES CAP** (see **attachment 9**). As Chairman Luebke was the sponsor of this bill, Representative Howard assumed the chair. Representative Luebke first sent forth an amendment (see **attachment 10**) correcting a drafting error in the bill and moved for its adoption. As there was no debate on the amendment, Chairwoman Howard called the motion to a vote, and the amendment was adopted. Representative Luebke then explained that the bill increases the maximum amount that may be financed in a consumer credit sale from $25,000 to $75,000. He stated that this amount had not been increased since 1971. Chairwoman Howard then recognized Representative Womble who moved for a favorable report to a new proposed committee substitute, incorporating the adopted Luebke amendment, and an unfavorable report to the original bill. Seeing no further discussion, Chairwoman Howard called the motion to a vote and it carried without objection

Following the consideration of House Bill 1411, Representative Luebke reassumed the chair. He then referred **HB 470 – TRANSYLVANIA OCCUPANCY TAX** to the Subcommittee on Occupancy Tax.

As there was no further business before the Committee, Chairman Luebke then adjourned the meeting at 9:39 am.

Respectfully submitted,

Representative Paul Luebke

A BILL TO BE ENTITLED

AN ACT TO REDUCE THE RELEASE OF MERCURY INTO THE ENVIRONMENT BY THE REMOVAL, COLLECTION, AND RECOVERY OF MERCURY SWITCHES FROM CERTAIN MOTOR VEHICLES.

The General Assembly of North Carolina enacts:

SECTION 1. Article 9 of Chapter 130A of the General Statutes is amended by adding a new Part to read:

"Part 6. Mercury Switch Removal Act of 2005.

"**§ 130A-310.50. Short title.**

This Part may be cited as the Mercury Switch Removal Act of 2005.

"**§ 130A-310.51. Definitions.**

As used in this Part:

(1) "Capture rate" means the annual removal, collection, and recovery of mercury switches as a percentage of the total number of mercury switches available for removal from end-of-life vehicles.

(2) "End-of-life vehicle" means a vehicle that is sold, given, or otherwise conveyed to a vehicle recycler or scrap metal recycling facility for the purpose of recycling.

(3) "Manufacturer" means a person, firm, association, partnership, corporation, governmental entity, organization, combination, or joint venture that is the last person in the production or assembly process of a new vehicle that utilizes mercury switches, or in the case of an imported vehicle, the importer or domestic distributor of the vehicle.

(4) "Mercury minimization plan" means a plan for removing, collecting, and recovering mercury switches from end-of-life vehicles that is prepared as provided in G.S. 130A-310.53.

(5) "Mercury switch" means each mercury-containing capsule, commonly known as a "bullet", that is part of a convenience light switch assembly installed in a vehicle.

(6) "Scrap metal recycling facility" means a fixed location where machinery and equipment are used to process scrap metal into specific grades of scrap metal for sale and whose primary product is scrap iron, scrap steel, or nonferrous metallic scrap.

(7) "Vehicle" means any passenger automobile or passenger car, station wagon, truck, van, or sport utility vehicle with a gross vehicle weight rating of less than 12,000 pounds.

(8) "Vehicle recycler" means an individual or entity engaged in the business of acquiring, dismantling, or destroying six or more end-of-life vehicles in a calendar year for the primary purpose of resale of parts of the vehicle.

"**§ 130A-310.52. Purpose.**

The purpose of this Part is to reduce the quantity of mercury that is released into the environment by removing mercury switches from end-of-life vehicles and by creating a removal, collection, and recovery program for mercury switches that are removed from end-of-life vehicles in this State.

"**§ 130A-310.53. Mercury minimization plan.**

(a) Every manufacturer of vehicles sold within this State shall develop a mercury minimization plan prepared pursuant to this section and submit the plan to the Department for review and approval pursuant to G.S. 130A-310.54. Manufacturers of vehicles may develop and submit a plan either individually or as part of a group of manufacturers. A manufacturer shall not be required to develop or implement a mercury minimization plan if the manufacturer demonstrates to the satisfaction of the Department that there is no significant risk of a release of mercury from any vehicle manufactured by the manufacturer.

(b) The mercury minimization plan prepared and submitted pursuant to this section shall include at a minimum all of the following:

(1) The make, model, and year of any vehicle, including current and anticipated future production models, that are sold or offered for sale by the vehicle manufacturer and that may contain one or more mercury switches. For each make, model, and year the vehicle manufacturer shall provide a description and the location of each mercury switch in the vehicle and all safe and environmentally sound methods for removal of mercury switches from end-of-life vehicles. If the manufacturer does not know or is uncertain as to whether or not a switch contains mercury, the plan shall be based on a presumption that the switch does contain mercury.

(2) A system to mark end-of-life vehicles that are to be shredded or crushed to indicate the presence or absence of a mercury switch.

(3) Educational materials to assist a vehicle recycler or a scrap metal recycling facility in undertaking a safe and environmentally sound

method for the removal of the mercury switches from end-of-life vehicles. The materials shall include information on hazards related to mercury and on the proper handling of mercury.

(4) A proposed method for storage and disposal of the mercury switches, including packaging and shipping of mercury switches to permitted recycling, storage, or disposal facilities. To the extent adequate, affordable, and environmentally sound mercury switch disposal technology is unavailable, the plan shall provide for the temporary storage of mercury switches.

(5) A proposed procedure for the transfer of information among entities subject to the mercury minimization plan to enable vehicle manufacturers and the Department to comply with the reporting requirements set out in G.S. 130A-310.56.

(6) A proposal to implement and finance the plan in accordance with subsection (d) of this section.

(c) To the extent practicable, a mercury minimization plan shall utilize the currently available end-of-life vehicle recycling infrastructure. To the extent adequate, affordable, and environmentally sound end-of-life vehicle recycling infrastructure is unavailable, the plan shall provide for the development of this infrastructure.

(d) A mercury minimization plan shall provide a method to finance the removal, collection, and recovery of mercury switches installed in vehicles manufactured by the manufacturer and its predecessors and affiliates. In order to ensure that the costs of removal, collection, and recovery of mercury switches are not borne by automobile dealers, consumers, vehicle recyclers, scrap metal recycling facilities, the State or local governments, or other persons who become responsible for end-of-life vehicles, these costs shall be borne by the manufacturers of vehicles sold in the State. The plan shall provide for prompt reimbursement by manufacturers to vehicle recyclers, scrap metal recycling facilities, the Department, and others of any costs incurred for removal, collection, and recovery of mercury switches. Costs shall include, but are not limited to, the following:

(1) A minimum of five dollars ($5.00) for each mercury switch removed by a vehicle recycler pursuant to G.S. 130A-310.55(a) as partial compensation for the labor and other costs incurred by a vehicle recycler in the removal of the mercury switch.

(2) A minimum of five dollars ($5.00) for each mercury switch removed by a scrap metal recycling facility pursuant to G.S. 130A-310.55(b) as partial compensation for the labor and other costs incurred by a scrap metal recycling facility in the removal of the mercury switch.

(3) One dollar ($1.00) for each mercury switch removed by a vehicle recycler pursuant to G.S. 130A-310.55(a) or by a scrap metal recycling facility pursuant to G.S. 130A-310.55(b) as partial compensation to the Department for costs incurred in administering and enforcing the provisions of this Part.

(4) The cost of packaging necessary to store or transport mercury switches to recycling, storage, or disposal facilities.

(5) The cost of shipping mercury switches to recycling, storage, or disposal facilities.

(6) The cost of recycling, storage, or disposal of mercury switches.

(7) The preparation and distribution to vehicle recyclers and scrap metal recycling facilities of the educational materials required by subdivision (3) of subsection (b) of this section.

(8) Maintenance of all appropriate record-keeping systems.

(e) Manufacturers of vehicles sold within this State shall reimburse vehicle recyclers or scrap metal recycling facilities for each mercury switch removed, collected, and recovered as provided in this section. Manufacturers shall reimburse vehicle recyclers or scrap metal recycling facilities that maintain the records required by G.S. 130A-310.55 for each mercury switch as provided in this section without regard to the date on which the mercury switch is removed, collected, or recovered.

"**§ 130A-310.54. Plan approval and implementation.**

(a) The Department shall review a mercury minimization plan within 120 days after receiving the plan. As a part of its review the Department shall consider comments received from vehicle recyclers, persons who operate scrap metal recycling facilities, and other interested parties. The Department may approve or disapprove the entire plan or may approve part of the plan and disapprove the remainder of the plan. If the Department approves the plan in its entirety, the manufacturer shall begin implementation of the plan within 30 days unless the Department approves a later implementation date. If the Department disapproves the plan in its entirety, the Department shall notify the manufacturer of the reasons for the disapproval. The manufacturer shall submit a revised mercury minimization plan within 30 days. If the Department approves a mercury minimization plan in part, the manufacturer shall implement the approved parts of the mercury minimization plan within 30 days unless the Department approves a later implementation date and shall submit a revision of those parts of the plan that are disapproved within 30 days. Any part of a mercury minimization plan that is not approved or disapproved within 120 days shall be deemed approved, and the manufacturer shall begin implementation within 30 days.

(b) A manufacturer must obtain approval of all required parts of a mercury minimization plan within 240 days of the date on which the manufacturer is required to submit a plan for review under this Part. If a manufacturer fails to obtain approval of all required parts of a mercury minimization plan within the 240 days, the Department shall prepare a plan, notify the manufacturer of the plan, and direct the manufacturer to begin implementation of the plan within 30 days.

(c) The Department may review an approved mercury minimization plan and recommend or require the manufacturer to modify the plan at any time upon finding that the approved mercury minimization plan as implemented no longer meets the requirements of this Part.

"**§ 130A-310.55. Removal of mercury switches from end-of-life vehicles.**

(a) A vehicle recycler that is subject to an approved mercury minimization plan and that conveys ownership of an end-of-life vehicle to a scrap metal recycling facility shall remove all mercury switches identified in the mercury minimization plan prior to delivery of the vehicle to the scrap metal recycling facility. If a mercury switch is inaccessible due to the condition of the vehicle, the fact that the mercury switch remains in the vehicle shall be noted on the vehicle recycler's invoice.

(b) A scrap metal recycling facility that is subject to an approved mercury minimization plan and that accepts an end-of-life vehicle that has not been flattened, crushed, baled, or shredded and that contains mercury switches shall remove the mercury switches before the end-of-life vehicle is flattened, crushed, baled, or shredded unless the mercury switch is inaccessible due to the condition of the vehicle.

(c) It shall be unlawful for any person to knowingly flatten, crush, bale, shred, or otherwise alter the condition of a vehicle from which accessible mercury switches have not been removed.

(d) A mercury switch is inaccessible if, due to the condition of the vehicle, the switch cannot be removed in accordance with the approved mercury minimization plan and removal of the switch would significantly increase the risk of a release of mercury into the environment.

(e) A vehicle recycler or scrap metal recycling facility that removes mercury switches pursuant to subsection (a) or (b) of this section shall maintain records of:

(1) The number of vehicles of each make that are processed for recycling.

(2) The number of mercury switches removed from each vehicle make, model, and year.

(3) The number of vehicles processed for recycling.

(f) Each vehicle recycler and scrap metal recycling facility that is required to maintain records under subsection (e) of this section shall retain the records for a minimum of three years and shall make the records available for inspection by the Department upon request.

(g) It shall be unlawful for a person who is required to remove mercury switches under this Part to willfully fail to do so. It shall be unlawful for a person who is required to make and maintain records under this Part to willfully fail to do so. It shall be unlawful to knowingly make a false report that a mercury switch has been removed from an end-of-life vehicle.

(h) Mercury switches that are removed from end-of-life vehicles shall be considered 'universal waste' as defined in 40 Code of Federal Regulations § 273.9 (1 July 2004 Edition). Mercury switches that are removed from end-of-life vehicles shall be collected, transported, treated, stored, disposed of, and otherwise handled in accordance with rules adopted by the Commission governing universal waste.

(i) Mercury switches shall be removed from end-of-life vehicles so as to achieve a capture rate of at least ninety percent (90%).

"**§ 130A-310.56. Evaluation of vehicle design changes that affect mercury recyclability; reporting requirements.**

(a) Each vehicle manufacturer shall, either individually or as part of a group, prepare an annual report that describes in detail the status of vehicle design changes that

are intended to facilitate recycling of vehicle components that contain mercury. At a minimum, the report shall include all of the following:

(1) For each make and model, a list of all vehicle components that contain mercury for the previous three model years, the current model year, and the next upcoming model year.

(2) A description of all design changes that each manufacturer has implemented or will implement to reduce or eliminate vehicle components that contain mercury, the achieved or anticipated amount of each reduction, and when the design change will be implemented.

(3) A summary of all policies that each manufacturer has implemented or will implement to ensure that the manufacturers' vehicles are designed to be recycled in a safe, cost-effective, and environmentally sound manner.

(4) A summary of any recommendations, complaints, or reports that the manufacturer has received within the previous 12 months from vehicle recyclers, scrap metal recycling facilities, government entities, or other persons, as well as any other information available to the manufacturer, regarding vehicle design features that adversely affect the recyclability of vehicle components that contain mercury.

(b) A vehicle manufacturer or group of vehicle manufacturers that submits the report required by subsection (a) of this section may designate any information in the report that constitutes a trade secret, as defined in G.S. 66-152, as confidential information in accordance with G.S. 132-1.2. Information so designated shall be protected as provided in G.S. 130A-304.

(c) Each vehicle manufacturer shall submit, either individually or as part of a group, the report required by subsection (a) of this section on or before 1 July of each year.

(d) The Department may evaluate the extent to which vehicle design promotes or impedes recycling of vehicle components that contain mercury. The Department may conduct hearings from time to time to receive public comment regarding vehicle design changes that affect recycling of vehicle components that contain mercury. The Department may develop recommendations as to changes in vehicle design that would further promote the recyclability of these components. The Department shall report its findings and recommendations, including any legislative proposals, to the Environmental Review Commission on or before 1 October of each year.

(e) Each vehicle manufacturer that is required to implement a mercury minimization plan shall prepare, either individually or as part of a group, an annual report on the implementation of the plan. The report shall be submitted to the Department within 90 days after the end of the anniversary of the date on which the manufacturer is required to begin implementation of the plan. The report shall include, at a minimum, all of the following:

(1) A detailed description and documentation of the capture rate achieved.

(2) In the event that a capture rate of at least ninety percent (90%) is not achieved, a description of additional or alternative actions that may be

implemented to improve the mercury minimization plan and its implementation.

(3) The number of mercury switches collected, the number of end-of-life vehicles containing mercury switches, the number of end-of-life vehicles processed for recycling, and a description of how the mercury switches were managed.

(4) A statement that details the costs required to implement the mercury minimization plan.

"**§ 130A-310.57. Adoption of rules; administrative procedure; enforcement.**

(a) The Commission may adopt rules to implement this Part.

(b) Chapter 150B of the General Statutes governs implementation of this Part.

(c) This Part may be enforced as provided in Part 2 of Article 1 of this Chapter."

SECTION 2. The Commission for Health Services shall amend 15A NCAC 13A .0119 to adopt rules governing the management of waste mercury-containing devices, as defined in the Notice of Proposed Rulemaking published on 12 June 2002 in the Federal Register, Volume 67, Number 113, Page 40507 through 40528, as universal waste.

SECTION 3. G.S. 130A-310.53, as enacted by Section 1 of this act, becomes effective 1 January 2006. G.S. 130A-310.56, as enacted by Section 1 of this act, becomes effective 1 July 2007. All other provisions of Part 6 of Article 9 of Chapter 130A of the General Statutes, as enacted by Section 1 of this act and Sections 2 and 3 of this act, become effective when this act becomes law. This act expires on 1 July 2026.

"**§ 130A-310.51. Definitions.**

As used in this Part:

(1) "Capture rate" means the annual removal, collection, and recovery of mercury switches as a percentage of the total number of mercury switches available for removal from end-of-life vehicles.

(2) "End-of-life vehicle" means a vehicle that is sold, given, or otherwise conveyed to a vehicle recycler or scrap metal recycling facility for the purpose of recycling.

(3) "Manufacturer" means a person, firm, association, partnership, corporation, governmental entity, organization, combination, or joint venture that is the last person in the production or assembly process of a new vehicle that utilizes mercury switches, or in the case of an imported vehicle, the importer or domestic distributor of the vehicle.

(4) "Mercury minimization plan" means a plan for removing, collecting, and recovering mercury switches from end-of-life vehicles that is prepared as provided in G.S. 130A-310.53.

(5) "Mercury switch" means each mercury-containing capsule, commonly known as a "bullet", that is part of a convenience light switch assembly installed in a vehicle.

(6) "Scrap metal recycling facility" means a fixed location where machinery and equipment are used to process scrap metal into specific grades of scrap metal for sale and whose primary product is scrap iron, scrap steel, or nonferrous metallic scrap.

(7) "Vehicle" means any passenger automobile or passenger car, station wagon, truck, van, or sport utility vehicle with a gross vehicle weight rating of less than 12,000 pounds.

(8) "Vehicle recycler" means an individual or entity engaged in the business of acquiring, dismantling, or destroying six or more end-of-life vehicles in a calendar year for the primary purpose of resale of parts of the vehicle.

"**§ 130A-310.52. Purpose.**

The purpose of this Part is to reduce the quantity of mercury that is released into the environment by removing mercury switches from end-of-life vehicles and by creating a removal, collection, and recovery program for mercury switches that are removed from end-of-life vehicles in this State.

"**§ 130A-310.53. Mercury minimization plan.**

(a) Every manufacturer of vehicles sold within this State shall develop a mercury minimization plan prepared pursuant to this section and submit the plan to the Department for review and approval pursuant to G.S. 130A-310.54. Manufacturers of vehicles may develop and submit a plan either individually or as part of a group of manufacturers. A manufacturer shall not be required to develop or implement a mercury minimization plan if the manufacturer demonstrates to the satisfaction of the Department that there is no significant risk of a release of mercury from any vehicle manufactured by the manufacturer.

(b) The mercury minimization plan prepared and submitted pursuant to this section shall include at a minimum all of the following:

(1) The make, model, and year of any vehicle, including current and anticipated future production models, that are sold or offered for sale by the vehicle manufacturer and that may contain one or more mercury switches. For each make, model, and year the vehicle manufacturer shall provide a description and the location of each mercury switch in the vehicle and all safe and environmentally sound methods for removal of mercury switches from end-of-life vehicles. If the manufacturer does not know or is uncertain as to whether or not a switch contains mercury, the plan shall be based on a presumption that the switch does contain mercury.

(2) A system to mark end-of-life vehicles that are to be shredded or crushed to indicate the presence or absence of a mercury switch.

(3) Educational materials to assist a vehicle recycler or a scrap metal recycling facility in undertaking a safe and environmentally sound method for the removal of the mercury switches from end-of-life vehicles. The materials shall include information on hazards related to mercury and on the proper handling of mercury.

(4) A proposed method for storage and disposal of the mercury switches, including packaging and shipping of mercury switches to permitted recycling, storage, or disposal facilities. To the extent adequate, affordable, and environmentally sound mercury switch disposal technology is unavailable, the plan shall provide for the temporary storage of mercury switches.

(5) A proposed procedure for the transfer of information among entities subject to the mercury minimization plan to enable vehicle manufacturers and the Department to comply with the reporting requirements set out in G.S. 130A-310.56.

(6) A proposal to implement and finance the plan in accordance with subsection (d) of this section.

(c) To the extent practicable, a mercury minimization plan shall utilize the currently available end-of-life vehicle recycling infrastructure. To the extent adequate, affordable, and environmentally sound end-of-life vehicle recycling infrastructure is unavailable, the plan shall provide for the development of this infrastructure.

(d) A mercury minimization plan shall provide a method to finance the removal, collection, and recovery of mercury switches installed in vehicles manufactured by the manufacturer and its predecessors and affiliates. In order to ensure that the costs of removal, collection, and recovery of mercury switches are not borne by automobile dealers, consumers, vehicle recyclers, scrap metal recycling facilities, the State or local governments, or other persons who become responsible for end-of-life vehicles, these costs shall be borne by the manufacturers of vehicles sold in the State. The plan shall provide for prompt reimbursement by manufacturers to vehicle recyclers, scrap metal recycling facilities, the Department, and others of any costs incurred for removal, collection, and recovery of mercury switches. Costs shall include, but are not limited to, the following:

(1) A minimum of five dollars ($5.00) for each mercury switch removed by a vehicle recycler pursuant to G.S. 130A-310.55(a) as partial compensation for the labor and other costs incurred by a vehicle recycler in the removal of the mercury switch.

(2) A minimum of five dollars ($5.00) for each mercury switch removed by a scrap metal recycling facility pursuant to G.S. 130A-310.55(b) as partial compensation for the labor and other costs incurred by a scrap metal recycling facility in the removal of the mercury switch.

(3) One dollar ($1.00) for each mercury switch removed by a vehicle recycler pursuant to G.S. 130A-310.55(a) or by a scrap metal recycling facility pursuant to G.S. 130A-310.55(b) as partial compensation to the Department for costs incurred in administering and enforcing the provisions of this Part.

(4) The cost of packaging necessary to store or transport mercury switches to recycling, storage, or disposal facilities.

(5) The cost of shipping mercury switches to recycling, storage, or disposal facilities.

(6) The cost of recycling, storage, or disposal of mercury switches.
(7) The preparation and distribution to vehicle recyclers and scrap metal recycling facilities of the educational materials required by subdivision (3) of subsection (b) of this section.
(8) Maintenance of all appropriate record-keeping systems.

(e) Manufacturers of vehicles sold within this State shall reimburse vehicle recyclers or scrap metal recycling facilities for each mercury switch removed, collected, and recovered as provided in this section. Manufacturers shall reimburse vehicle recyclers or scrap metal recycling facilities that maintain the records required by G.S. 130A-310.55 for each mercury switch as provided in this section without regard to the date on which the mercury switch is removed, collected, or recovered.

"**§ 130A-310.54. Plan approval and implementation.**

(a) The Department shall review a mercury minimization plan within 120 days after receiving the plan. As a part of its review the Department shall consider comments received from vehicle recyclers, persons who operate scrap metal recycling facilities, and other interested parties. The Department may approve or disapprove the entire plan or may approve part of the plan and disapprove the remainder of the plan. If the Department approves the plan in its entirety, the manufacturer shall begin implementation of the plan within 30 days unless the Department approves a later implementation date. If the Department disapproves the plan in its entirety, the Department shall notify the manufacturer of the reasons for the disapproval. The manufacturer shall submit a revised mercury minimization plan within 30 days. If the Department approves a mercury minimization plan in part, the manufacturer shall implement the approved parts of the mercury minimization plan within 30 days unless the Department approves a later implementation date and shall submit a revision of those parts of the plan that are disapproved within 30 days. Any part of a mercury minimization plan that is not approved or disapproved within 120 days shall be deemed approved, and the manufacturer shall begin implementation within 30 days.

(b) A manufacturer must obtain approval of all required parts of a mercury minimization plan within 240 days of the date on which the manufacturer is required to submit a plan for review under this Part. If a manufacturer fails to obtain approval of all required parts of a mercury minimization plan within the 240 days, the Department shall prepare a plan, notify the manufacturer of the plan, and direct the manufacturer to begin implementation of the plan within 30 days.

(c) The Department may review an approved mercury minimization plan and recommend or require the manufacturer to modify the plan at any time upon finding that the approved mercury minimization plan as implemented no longer meets the requirements of this Part.

"**§ 130A-310.55. Removal of mercury switches from end-of-life vehicles.**

(a) A vehicle recycler that is subject to an approved mercury minimization plan and that conveys ownership of an end-of-life vehicle to a scrap metal recycling facility shall remove all mercury switches identified in the mercury minimization plan prior to delivery of the vehicle to the scrap metal recycling facility. If a mercury switch is

inaccessible due to the condition of the vehicle, the fact that the mercury switch remains in the vehicle shall be noted on the vehicle recycler's invoice.

(b) A scrap metal recycling facility that is subject to an approved mercury minimization plan and that accepts an end-of-life vehicle that has not been flattened, crushed, baled, or shredded and that contains mercury switches shall remove the mercury switches before the end-of-life vehicle is flattened, crushed, baled, or shredded unless the mercury switch is inaccessible due to the condition of the vehicle.

(c) It shall be unlawful for any person to knowingly flatten, crush, bale, shred, or otherwise alter the condition of a vehicle from which accessible mercury switches have not been removed.

(d) A mercury switch is inaccessible if, due to the condition of the vehicle, the switch cannot be removed in accordance with the approved mercury minimization plan and removal of the switch would significantly increase the risk of a release of mercury into the environment.

(e) A vehicle recycler or scrap metal recycling facility that removes mercury switches pursuant to subsection (a) or (b) of this section shall maintain records of:

(1) The number of vehicles of each make that are processed for recycling.

(2) The number of mercury switches removed from each vehicle make, model, and year.

(3) The number of vehicles processed for recycling.

(f) Each vehicle recycler and scrap metal recycling facility that is required to maintain records under subsection (e) of this section shall retain the records for a minimum of three years and shall make the records available for inspection by the Department upon request.

(g) It shall be unlawful for a person who is required to remove mercury switches under this Part to willfully fail to do so. It shall be unlawful for a person who is required to make and maintain records under this Part to willfully fail to do so. It shall be unlawful to knowingly make a false report that a mercury switch has been removed from an end-of-life vehicle.

(h) Mercury switches that are removed from end-of-life vehicles shall be considered 'universal waste' as defined in 40 Code of Federal Regulations § 273.9 (1 July 2004 Edition). Mercury switches that are removed from end-of-life vehicles shall be collected, transported, treated, stored, disposed of, and otherwise handled in accordance with rules adopted by the Commission governing universal waste.

(i) Mercury switches shall be removed from end-of-life vehicles so as to achieve a capture rate of at least ninety percent (90%).

"**§ 130A-310.56. Evaluation of vehicle design changes that affect mercury recyclability; reporting requirements.**

(a) Each vehicle manufacturer shall, either individually or as part of a group, prepare an annual report that describes in detail the status of vehicle design changes that are intended to facilitate recycling of vehicle components that contain mercury. At a minimum, the report shall include all of the following:

(1) For each make and model, a list of all vehicle components that contain mercury for the previous three model years, the current model year, and the next upcoming model year.

(2) A description of all design changes that each manufacturer has implemented or will implement to reduce or eliminate vehicle components that contain mercury, the achieved or anticipated amount of each reduction, and when the design change will be implemented.

(3) A summary of all policies that each manufacturer has implemented or will implement to ensure that the manufacturers' vehicles are designed to be recycled in a safe, cost-effective, and environmentally sound manner.

(4) A summary of any recommendations, complaints, or reports that the manufacturer has received within the previous 12 months from vehicle recyclers, scrap metal recycling facilities, government entities, or other persons, as well as any other information available to the manufacturer, regarding vehicle design features that adversely affect the recyclability of vehicle components that contain mercury.

(b) Each vehicle manufacturer shall submit, either individually or as part of a group, the report required by subsection (a) of this section on or before 1 July of each year.

(c) The Department may evaluate the extent to which vehicle design promotes or impedes recycling of vehicle components that contain mercury. The Department may conduct hearings from time to time to receive public comment regarding vehicle design changes that affect recycling of vehicle components that contain mercury. The Department may develop recommendations as to changes in vehicle design that would further promote the recyclability of these components. The Department shall report its findings and recommendations, including any legislative proposals, to the Environmental Review Commission on or before 1 October of each year.

(d) Each vehicle manufacturer that is required to implement a mercury minimization plan shall prepare, either individually or as part of a group, an annual report on the implementation of the plan. The report shall be submitted to the Department within 90 days after the end of the anniversary of the date on which the manufacturer is required to begin implementation of the plan. The report shall include, at a minimum, all of the following:

(1) A detailed description and documentation of the capture rate achieved.

(2) In the event that a capture rate of at least ninety percent (90%) is not achieved, a description of additional or alternative actions that may be implemented to improve the mercury minimization plan and its implementation.

(3) The number of mercury switches collected, the number of end-of-life vehicles containing mercury switches, the number of end-of-life vehicles processed for recycling, and a description of how the mercury switches were managed.

(4) A statement that details the costs required to implement the mercury minimization plan.

"**§ 130A-310.57. Adoption of rules; administrative procedure; enforcement.**

(a) The Commission may adopt rules to implement this Part.

(b) Chapter 150B of the General Statutes governs implementation of this Part.

(c) This Part may be enforced as provided in Part 2 of Article 1 of this Chapter."

SECTION 2. The Commission for Health Services shall amend 15A NCAC 13A .0119 to adopt rules governing the management of waste mercury-containing devices, as defined in the Notice of Proposed Rulemaking published on 12 June 2002 in the Federal Register, Volume 67, Number 113, Page 40507 through 40528, as universal waste.

SECTION 3. G.S. 130A-310.53, as enacted by Section 1 of this act, becomes effective 1 January 2006. G.S. 130A-310.56, as enacted by Section 1 of this act, becomes effective 1 July 2007. All other provisions of Part 6 of Article 9 of Chapter 130A of the General Statutes, as enacted by Section 1 of this act and Sections 2 and 3 of this act, become effective when this act becomes law. This act expires on 1 July 2026.

HOUSE BILL 1136:
Mercury Switch Removal-2

BILL ANALYSIS

Committee:	House Finance	**Date:**	May 10, 2005
Introduced by:	Reps. Culpepper, Hackney, Hunter	**Summary by:**	Jennifer McGinnis and George Givens, Staff Attorneys
Version:	PCS to Second Edition H1136-CSRT-8		

SUMMARY: ***House bill 1136 would require manufacturers of vehicles sold in the State to develop, submit, and implement a mercury minimization plan (plan) that provides for the removal, collection, and recovery of mercury switches from end-of-life vehicles in order to reduce the quantity of mercury that is released into the environment. The bill would also require: (i) vehicle recyclers and scrap metal recycling facilities subject to an approved plan to remove all accessible mercury switches from end-of-life vehicles, and specifies procedures for inaccessible switches; (ii) maintenance of certain records by manufacturers, vehicle recyclers, and scrap metal recycling facilities; and (iii) that mercury switches be removed from end-of-life vehicles so as to achieve a capture rate of at least 90%. The bill would make it unlawful for anyone to: knowingly flatten, crush, bale, or shred a vehicle from which accessible mercury switches have not been removed; willfully fail to remove switches if required to do so; willfully fail to maintain records as required; knowingly make a false report that a switch has been removed from an end-of-life vehicle. The bill would create various reporting requirements.***

Under the bill "mercury switch" is defined as a mercury-containing capsule, commonly known as a "bullet", that is part of a convenience light switch assembly installed in a vehicle.

PCS CHANGES TO 2ND EDITION: The bill requires vehicle manufacturers to submit an annual report that describes the status of vehicle design changes intended to facilitate recycling of vehicle components that contain mercury. The PCS would add a provision that would allow a vehicle manufacturer or group of manufacturers to designate any information that constitutes a trade secret submitted pursuant to the report as confidential, and provides that information so designated will be protected.

BILL ANALYSIS: The bill would require manufacturers of vehicles sold in the State to develop, submit, and implement a mercury minimization plan (plan) that provides for the removal, collection, and recovery of mercury switches from end-of-life vehicles in order to reduce the quantity of mercury released in to the environment. Manufacturers of vehicles would be allowed to develop and submit a plan either individually or as part of a group of manufacturers. A manufacturer that could demonstrate to the satisfaction of the Department of Environment and Natural Resources (DENR) that there is no significant risk of a release of mercury from any vehicle manufactured by the manufacturer would not be required to develop or implement a plan. The plan must include at a minimum all of the following:

- Information about: vehicles that are sold or offered for sale that may contain mercury switches; the switch's location in the vehicle; and safe and environmentally sound methods for removal of the switches.
- A system to mark end-of-life vehicles that are to be shredded or crushed to indicate the presence or absence of a switch.
- Educational materials to assist vehicle recyclers or scrap metal recycling facilities in undertaking safe and environmentally sound removal of the switches.
- Methods for storage and disposal of the switches.
- Methods to finance the removal, collection, and recovery of mercury switches installed in vehicles. The bill provides that these costs should be borne by manufacturers, and not by

automobile dealers, consumers, vehicle recyclers, the State or local governments, or other persons who become responsible for end-of-life vehicles. The bill would establish certain minimum costs for removing, recycling, and storing mercury switches and requires manufacturers to promptly reimburse recyclers, scrap metal recycling facilities, DENR, and others for those services.

In addition, the bill would:

- Provide that a plan must use currently available end-of-life recycling infrastructure to the extent practicable, and to the extent the infrastructure is unavailable, the plan should provide for its development.
- Provide that a plan must be submitted to DENR for review, and would establish timelines for DENR's review of the plans. If a manufacturer failed to obtain approval of all required parts of the plan with 240 days of the submittal deadline, DENR would be directed to prepare a plan for the manufacturer to implement. In addition, DENR would be authorized to review an approved plan and recommend or require the manufacturer to modify the plan at any time upon finding that the approved plan as implemented no longer meets the requirements of this act.
- Require that a vehicle recycler subject to an approved plan must remove all mercury switches from end-of-life vehicles before they are delivered to a scrap metal recycling facility, and specifies procedures for inaccessible switches. Scrap metal recycling facilities subject to an approved plan that accept end-of-life vehicles that have not been flattened, crushed, baled, or shredded would be required to remove switches that are not inaccessible before the vehicles are flattened, crushed, baled, or shredded. Vehicle recyclers and scrap metal recycling facilities would be required to maintain records of the number of vehicles processed for recycling and the number of switches removed.
- Make it unlawful for anyone to: knowingly flatten, crush, bale, or shred a vehicle from which accessible mercury switches have not been removed; willfully fail to remove switches if required to do so; willfully fail to maintain records as required; or knowingly make a false report that a switch has been removed from an end-of-life vehicle.
- Provide that mercury switches that are removed from end-of-life vehicles shall be considered "universal waste" as defined in the Code of Federal Regulations. Provide that the switches must be collected, transported, treated, stored, disposed of, and otherwise handled in accordance with rules adopted by the Commission for Health Services (Commission) governing universal waste. Provide that the Commission must amend 15A NCAC 13A .0119, Standards for Universal Waste Management, in this regard.
- Provide that mercury switches are to be removed from end-of-life vehicles so as to achieve a capture rate of at least 90%.
- Require manufacturers to prepare an annual report that describes the status of vehicle design changes that are intended to facilitate recycling of components that contain mercury and submit an annual report on implementation of a plan to DENR.
- Provide that DENR may evaluate the extent to which vehicle design promotes or impedes recycling of vehicle components that contain mercury; may conduct public hearings and receive public comments from time to time on the matter; may develop recommendations as to design changes that would promote recyclability of components that contain mercury; and must report its findings and recommendations to the Environmental Review Commission annually.
- Authorize the Commission to adopt rules to implement the provisions of this act.
- Provide that the provisions of the bill may be enforced as provided in Part 2 of Article 1 of Chapter 130A of the General Statutes, which provides that a violation may result in the imposition of administrative penalties and subject a person to conviction of a misdemeanor. In addition, the Secretary of Environment and Natural Resources or a local health director may institute an action for injunctive relief in the superior court of the county where a violation occurs.

BACKGROUND: Automobiles have historically used switches containing mercury to turn on the hood, trunk, or door lights when they are opened, and to operate some anti-lock brake systems. While most manufacturers are committed to designing new cars without mercury in the switches, the problem remains for the more than 215 million mercury switches contained in cars on the road today. Unless mercury switches are recovered before the automobiles get crushed and recycled, mercury can be released into the air, soil, and water during crushing, or from subsequent management in electric arc furnaces (EAFs).

Once the high value parts have been removed from retired automobiles, vehicle hulks are sent to shredder facilities where ferrous (steel) and nonferrous metals are recovered, or sent directly to EAFs. These EAFs use electrical energy to melt the scrap to make new steel products. During the dismantling and recycling processes, there is the potential for mercury contained in vehicles to be released to the environment. Based on mercury test data and industry responses to a survey conducted in 2004, the current estimate of mercury emitted from electric arc furnaces is ten tons per year.[1]

Over 15 million automobiles are recycled in the US every year. North Carolina-based Nucor Corporation alone recycles 5 million automobiles.[2]

Two states, Maine and Arkansas, have enacted similar legislation and several other states have legislation pending. The Maine act required among other things that certain manufacturers pay a $1.00 bounty for mercury switches removed from their automobiles and established consolidation facilities in that state for the collection of mercury switches. The Alliance of Automobile Manufacturers filed suit challenging that the Maine law violated the federal Constitution with respect to the Commerce Clause, the Equal Protection Clause, and the Due Process Clause of the Fourteenth Amendment. On 17 July 2003, the United States Magistrate Judge filed a Recommended Decision with the United States District Court for the District of Maine (Court) that the Court grant the Defendant's (Commissioner of the Maine Department of Environmental Protection) Motion for Summary Judgment. On 31 July 2003, the Plaintiff filed an Objection to the Recommended Decision. On 17 February 2004 the Court affirmed the decision of the Magistrate Judge and ordered that the Defendant's Motion for Summary Judgment be granted.

In 1993, Sweden banned mercury switches in new automobiles. All companies selling automobiles in Europe, including U.S. automobile manufacturers, discontinued the use of mercury switches at that time. Some companies, mainly in Japan, (for instance, Honda) have never used mercury switches. U.S. automobile manufacturers voluntarily discontinued the domestic use of mercury switches in new automobiles in 2003 after the enactment of the Maine Mercury Switch Removal Act of 2002.[3]

EFFECTIVE DATE: G.S. 130A-310.53, which requires development of mercury minimization plans, would become effective 1 January 2006. G.S. 130A-310.56, which contains various reporting requirements applicable to vehicle manufacturers and DENR, would become effective 1 July 2007. All other provisions of the act would become effective when the act becomes law. The act would sunset on 1 July 2026.

GENERAL ASSEMBLY OF NORTH CAROLINA

SESSION 2005

HOUSE BILL 1357

Short Title:	Amend Acupuncture Laws/Fees.	(Public)
Sponsors:	Representatives Fisher, Gibson (Primary Sponsors); B. Allen, Bordsen, and Harrison.	
Referred to:	Finance.	

April 21, 2005

A BILL TO BE ENTITLED

AN ACT AUTHORIZING THE ACUPUNCTURE LICENSING BOARD TO EMPLOY CERTAIN PROFESSIONAL ADVISORS; TO CLARIFY QUALIFICATIONS FOR INITIAL LICENSURE, LICENSE RENEWAL, AND INACTIVE, SUSPENDED, EXPIRED, AND LAPSED LICENSES; TO CLARIFY CONTINUING EDUCATION; AND TO INCREASE AND ESTABLISH CERTAIN FEES.

The General Assembly of North Carolina enacts:

SECTION 1. G.S. 90-454 reads as rewritten:

"**§ 90-454. Powers and duties of Board.**

The Board may:

(1) Deny, issue, suspend, and revoke licenses in accordance with rules adopted by the Board, and may collect fees, investigate violations of this Article, and otherwise administer the provisions of this Article.

(2) Sponsor or authorize other entities to offer continuing education programs, and approve continuing education requirements for license renewal.

(3) Establish requirements ~~for~~ for, collect fees from, and approve schools of acupuncture in this State. The requirements shall be at least as stringent as the core curricula standards of the Council of Colleges of Acupuncture and Oriental Medicine.

(4) Sue to enjoin violations of G.S. 90-452. The court may issue an injunction even though no person has yet been injured as a result of the unauthorized practice.

(5) Adopt and use a seal to authenticate official documents of the Board.

(6) Employ and fix the compensation of personnel and professional advisors, including legal counsel, as may be needed to carry out its

functions, and purchase, lease, rent, sell, or otherwise dispose of personal and real property for the operations of the Board.

(7) Expend funds as necessary to carry out the provisions of this Article from revenues and interest generated by fees collected under this Article.

(8) Adopt rules to implement this Article in accordance with Chapter 150B of the General Statutes.

(9) Establish practice parameters to become effective July 1, 1995. The practice parameters shall be applicable to general and specialty areas of practice. The Board shall review the parameters on a regular basis and shall require licensees to identify parameters being utilized, the plan of care, and treatment modalities utilized in accordance with the plan of care."

SECTION 2. G.S. 90-455 reads as rewritten:

"**§ 90-455. Qualifications for license; ~~renewal.~~renewal; inactive, suspended, expired, or lapsed license.**

(a) Initial License. – To receive a license to practice acupuncture, a person shall meet all of the following requirements:

(1) Submit a completed application as required by the Board.

(2) Submit any fees required by the Board.

(3) ~~Successfully complete~~Submit proof of successful completion of a licensing examination administered or approved by the Board.

(4) Provide documentary evidence of having met one of the following standards of education, training, or demonstrated experience:

a. ~~Successfully complete~~Successful completion of a three-year postgraduate acupuncture college or training program approved by the Board.

b. Continuous licensure to practice acupuncture by an agency or another state for at least 10 years before application for licensure in this State during which time no disciplinary actions were taken or are pending against the applicant and submitting proof to the Board that the applicant has fulfilled at least an average of 20 continuing education credits in acupuncture or health care-related studies for each of the 10 years preceding application for licensure.

(5) ~~Successfully complete~~Submit proof of successful completion of the Clean Needle Technique Course offered by the Council of Colleges of Acupuncture and Oriental Medicine.

(6) Be of good moral character.

(7) Is not currently or has not engaged in any practice or conduct that would constitute grounds for disciplinary action pursuant to G.S. 90-456.

(8) Submit a form signed by the applicant attesting to the intention of the applicant to adhere fully to the ethical standards adopted by the Board.

(b) Renewal of License. – The license to practice acupuncture shall be renewed every two years. Upon submitting all required declarations, documents, and fees required by the Board for renewal, the applicant's license shall remain in good standing for a period of up to 120 days during which time the Board shall meet to review and act upon the application for renewal. To renew a license, ~~a person shall complete 40 hours of Board-approved Continuing Education Units within each renewal period.~~an applicant shall:

(1) Submit a completed application as required by the Board.

(2) Submit any fees required by the Board.

(3) Upon request by the Board, submit proof of completion of 40 hours of Board-approved continuing education units within each renewal period.

(c) Inactive License. – A licensed acupuncturist who is not actively engaged in the practice of acupuncture in this State and who does not wish to renew the license may direct the Board to place the license on inactive status. A license may remain on inactive status for a period not to exceed eight years from the date the license was placed on inactive status. Upon an applicant's proof of completion of 40 hours of Board-approved continuing education units, payment of all fees, a determination by the Board that the applicant is not engaged in any prohibited activities that would constitute the basis for discipline as set forth in G.S. 90-456, and has not engaged in any of those prohibited activities during the period of time the license has been on inactive status, the Board may activate the license of the applicant.

(d) Suspended License. – A suspended license is subject to the renewal requirements of this section and may be renewed as provided in this section. This renewal does not entitle the licensed person to engage in the licensed activity or in any other conduct or activity in violation of the order or judgment by which the license was suspended, until the license is reinstated. If a license revoked on disciplinary grounds is reinstated and requires renewal, the licensed person shall pay the renewal fee and any applicable late fee.

(e) Expired License. – A license that has expired as a result of failure to renew pursuant to subsection (b) of this section may be renewed no later than two years after its expiration. The date of renewal shall be the date the Board acts to approve the renewal. To apply for renewal of an expired license, the applicant shall:

(1) File an application for renewal on a form provided by the Board.

(2) Submit proof of completion of all continuing education requirements.

(3) Pay all accrued renewal fees, along with an expired license fee.

(f) Lapsed License. – A license that has lapsed as a result of not being renewed within two years after the license expired or not reactivated within eight years after the license lapsed is deemed inactive. A lapsed license may not be renewed, reactivated, or reinstated. A person with a lapsed license may apply to obtain a new license pursuant to subsection (a) of this section."

SECTION 3. G.S. 90-457 reads as rewritten:

"**§ 90-457. Fees.**

The Board may establish fees, not to exceed the following ~~amounts, to cover the cost of services rendered:~~amounts:

(1) ~~For an application~~Application and an examination, one hundred dollars ($100.00).

(2) ~~For issuance~~Issuance of a license, five hundred dollars ($500.00).

(3) ~~For renewal~~Renewal of a license, three hundred dollars ($300.00).

(4) ~~For the late renewal~~Renewal of a license, an additional late fee of ~~seventy-five dollars ($75.00).~~two hundred dollars ($200.00).

(5) Duplicate license fee, twenty-five dollars ($25.00).

(6) Duplicate wall certificate fee, fifty dollars ($50.00).

(7) Labels for licensed acupuncturists, one hundred fifty dollars ($150.00).

(8) Returned check fee, forty dollars ($40.00).

(9) Licensure verification, forty dollars ($40.00).

(10) Name change, twenty-five dollars ($25.00).

(11) Continuing education program approval fee, fifty dollars ($50.00).

(12) Continuing education provider approval fee, two hundred dollars ($200.00).

(13) Initial school application fee, one thousand dollars ($1,000).

(14) Renewal school approval fee, seven hundred fifty dollars ($750.00).

(15) Inactive license renewal fee, fifty dollars ($50.00), payment due for each two-year extension."

SECTION 4. Article 30 of Chapter 90 of the General Statutes is amended by adding the following new section to read:

"**§ 90-457.1. Continuing education.**

(a) Applicants for license renewal shall complete all required continuing education units during the two calendar years immediately preceding the license renewal date.

(b) The Board shall set the minimum hours for study of specific subjects within the scope of practice of acupuncture. The Board shall set the maximum hours for subjects that have content relating to any health service and are relevant to the practice of acupuncture. In addition to formally organized courses, the Board may approve courses, such as personal training in nonaccredited programs and teaching diagnosis and treatment, as long as these courses have received prior approval by the Board.

(c) For purposes of this Article, one continuing education unit is defined as one contact hour or 50 minutes.

(d) The Board may choose to audit the records of any licensee who has reported and sworn compliance with the continuing education requirement. The audit of any licensee shall not take place more than every two years.

(e) Failure to comply with the continuing education requirements shall prohibit license renewal and result in the license reverting to expired status at the end of the renewal period.

(f) A licensee may apply to the Board for an extension of time to complete the portion of continuing education requirements that the licensee is unable to meet due to such unforeseeable events as military duty, family emergency, or prolonged illness. The

Board may, at its discretion, grant an extension for a maximum of one licensing period. The Board shall receive the request no later than 30 days before the license renewal date. The applicant shall attest that the request is a complete and accurate statement, and the request shall contain the following:

(1) An explanation of the licensee's failure to complete the continuing education requirements.

(2) A list of continuing education courses and hours that the licensee has completed.

(3) The licensee's plan for satisfying the continuing education requirements."

SECTION 5. This act is effective when it becomes law.

HOUSE BILL 1357:
Amend Acupuncture Laws/Fees.

BILL ANALYSIS

Committee:	House Finance	**Date:**	May 10, 2005
Introduced by:	Fisher and Gibson	**Summary by:**	Martha Walston
Version:	First Edition		Committee Counsel

SUMMARY: ***House Bill 1357 makes the following changes to the statutes governing the Acupuncture Licensing Board:***

- Authorizes the Board to hire professional advisors, including legal counsel, and to fix their compensation.
- Allows licensure of applicants licensed for at least 10 years in another state if the applicant has no disciplinary actions in that period and meets minimum continuing education standards.
- Adds requirements for renewal of licenses.
- Adds new language providing for an inactive license and for the renewal of suspended, expired, and lapsed licenses.
- Increases some fees related to licensure and adds new fees.

CURRENT LAW: The Acupuncture Licensing Board was established by the General Assembly in 1993. The Board is composed of six members: two appointed by the Governor and four appointed by the General Assembly. The Governor's appointees must be a layperson and a physician trained in acupuncture. The General Assembly's appointees must be non-physicians licensed to practice acupuncture.

Acupuncture is defined as a form of health care developed from traditional and modern Chinese medical concepts that employ acupuncture diagnosis and treatment, and adjunctive therapies and diagnostic techniques, for the promotion, maintenance, and restoration of health and the prevention of disease.

BILL ANALYSIS:

Section 1 of the bill gives the Board the authority to employ professional advisors, including legal counsel, and to fix their compensation.

Section 2 of the bill amends the licensing qualifications as follows:

Initial License

- Adds language allowing licensure of an applicant who has been continuously licensed to practice acupuncture in another state for at least 10 years and who has no disciplinary actions during that time. The applicant must also have fulfilled at least an average of 20 continuing education credits for each of the 10 years preceding the application for N.C. licensure.
- Adds language requiring that the applicant be of good moral character, not currently engaged in any conduct that would constitute grounds for disciplinary action, and submit a form signed by the applicant that he or she will adhere to the ethical standards of the Board.

Renewal of License

- Adds language that when an applicant submits an application for license renewal, the applicant's license will remain in good standing for up to 120 days while the Board reviews and acts upon the application for renewal. Current law requires that a license must be renewed every two years for a fee not to exceed $300.

Inactive License, Suspended License, Expired License, and Lapsed License (This is new language)

- Inactive License – allows a licensed acupuncturist to remain on inactive status for a period not to exceed eight years. The Board may activate the license upon the applicant's completion of 40 hours of continuing education units, payment of all fees, and upon the Board's finding that the applicant has not engaged in any prohibited activity.
- Suspended License – subject to the license renewal requirements.
- Expired License – A license that has expired as a result of failure to renew may be renewed no later than two years after its expiration.
- Lapsed License – A person with a lapsed license must apply to obtain a new license and meet the requirements for initial licensure.

Section 3 of the bill amends the statute that sets out the maximum fees as follows:

- Increases the late fee for license renewal from $75 to $200.
- Adds the following new maximum fees:
  - Duplicate license fee - $25
  - Duplicate wall certificate fee - $50
  - Labels for licensed acupuncturists - $150
  - Returned check fee - $40
  - Licensure verification - $40
  - Name change - $25
  - Continuing education program approval fee - $50
  - Continuing education provider approval fee - $200
  - Initial school application fee - $1,000
  - Renewal school approval fee - $750
  - Inactive license renewal fee - $50 (Payment due for each two-year extension)

Section 4 of the bill clarifies continuing education requirements. The bill requires an applicant for renewal to complete 40 hours of continuing education units within the two-year renewal period. One unit is defined as one contact hour or 50 minutes. A licensee may apply to the Board for an extension to complete these requirements due to unforeseeable events.

EFFECTIVE DATE: The bill is effective when it becomes law.

BILL SUMMARY: House Bill 1357 makes the following changes to the statutes governing the Acupuncture Licensing Board:

- Authorizes the Board to hire professional advisors, including legal counsel, and set their compensation.
- Allows licensure of applicants licensed for at least 10 years in another state if the applicant has no disciplinary actions in that period and meets minimum continuing education standards.
- Adds requirements for renewal of licenses.
- Adds new language providing for an inactive license and for the renewal of suspended, expired, and lapsed licenses.
- Increases some fees related to licensure and adds new fees.

ASSUMPTIONS AND METHODOLOGY: The Acupuncture Licensing Board was created in 1993 and has licensed a total of 321 acupuncturists since its creation. There are currently 235 licensed acupuncturists in North Carolina and two soon-to-be accredited schools of acupuncture, one in Mars Hill and the other in Sugar Grove. The number of acupuncturists applying for licensure has increased significantly in recent years. In 2003, the Acupuncture Licensing Board received 21 new applications for licensure; in 2004, the board received 41 new applications. As of May 2005 the board has received 30 new applications.

New (First-Time) Acupuncturist Applications			
	2003	2004	2005
# of applications	21	41	30

The board currently assesses fees for applications, licensure, and other services as provided in their administrative rules, but these practices have not been set in statute. Fees are paid directly to the board and do not impact the General Fund. This legislation does not increase the major fees (for application, licensure, and renewal of licenses) from which the board derives most of its funding from the 1993 levels. The table below presents only fees that will increase pursuant to this legislation:

Schedule of Proposed Fee Increases		
	Current fee	Proposed Fee
Late license renewal	$75.00	$200.00
Returned check	$25.00	$40.00
License verification	$25.00	$40.00
School application	$750.00	$1,000.00
Continuing education provider	$50.00	**
**The board seeks statutory authority to increase the continuing education provider fee up to $200, but does not plan to increase the fee at this time		

Total board revenues for FY 2004 were $50,733. Of that amount, 99.2% ($50,313) was fee revenue. The board does not receive any state appropriations.

The increases in fee revenue anticipated by the board are small and difficult to project accurately due to the small number of licensees and biannual renewal requirements. No data was available on the number of late license renewals. The board estimates the fee changes in this bill will result in $2,000 to $5,000 in additional fee revenue per year, the largest variable being whether one of the two acupuncture schools is due for a renewal in a given year.

HOUSE BILL 1005

Short Title:	Pineville Annexation.	(Local)
Sponsors:	Representatives McMahan; Gulley, Rhodes, and Vinson.	
Referred to:	Finance.	

March 31, 2005

A BILL TO BE ENTITLED

AN ACT TO ANNEX CERTAIN DESCRIBED TERRITORY TO THE CORPORATE LIMITS OF THE TOWN OF PINEVILLE.

The General Assembly of North Carolina enacts:

SECTION 1. The corporate limits of the Town of Pineville are extended to include the entire territory located in the Town's Sphere of Influence on January 1, 2005, excepting and excluding that area bounded by the easterly margin of the right-of-way of Lancaster Highway on the east and McAlpine Creek on the north. As used in this act, "sphere of influence" means that area designated as such in annexation agreements between the Town of Pineville and other municipalities under Chapter 953 of the 1983 Session Laws, or under other general or local acts.

SECTION 2. The Town of Pineville shall record in the office of the Register of Deeds of Mecklenburg County a detailed map of the area annexed by this act.

SECTION 3. This act becomes effective June 30, 2005.

HOUSE BILL 1005: Pineville Annexation

BILL ANALYSIS

Committee:	House Finance	**Date:**	May 10, 2005
Introduced by:	Rep. McMahan	**Summary by:**	Cindy Avrette
Version:	First Edition		Committee Counsel

SUMMARY: ***House Bill 1005 annexes approximately 1100 acres into the Town of Pineville. The annexed areas involve seven areas that are either on the edge of the current corporate limits or are 'doughnut holes' within the Town's current boundaries. All of the areas are within the Town's ETJ and are within the Town's Sphere of Influence, as designated in an annexation agreement between the Town of Pineville and the other municipalities located in Mecklenburg County. The bill becomes effective June 30, 2005.***

BILL ANALYSIS: House Bill 1005 would annex into the Town of Pineville seven areas in and around the current corporate limits of Pineville that are largely developed for urban purposes. The areas are either on the edge of the corporate limits or are 'doughnut holes' within its boundaries. The areas lie within the Town's extraterritorial jurisdiction for planning purposes and combined total approximately 1100 acres.

The seven areas include four apartment complexes, a business park, large commercial developments, a retirement community, and scattered residential units. The areas also include some vacant land for which there are plans for a major development that includes 175,000 square feet of commercial space mixed with approximately 200 residential units. Construction for this development is scheduled to begin this spring.

Mecklenburg County currently serves the areas although the areas are in closer proximity to Pineville. Annexation of the areas will help alleviate confusion over boundaries and extend municipal services to the areas: sanitation services, access to parks and recreation programs, and extension of public safety. The additional Pineville tax rate paid by the residents will be partially offset by the decrease in the county tax rate related to public safety.[1]

The bill becomes effective June 30, 2005.

H1005e1-SMRB

[1] The additional tax rate in unincorporated areas of the county for public service is $0.1626/$100 value in taxes. Therefore, the net tax increase is $0.1374/$100 value. This amount will include the provision of sanitation services for single-family residences, a service that is currently provided through contracted services by the individual.

AN ACT TO ALLOW POLITICAL PARTIES TO USE "RUNNERS" TO PICK UP VOTER LISTS FROM POLLS; TO PROHIBIT A CANDIDATE FROM BEING AN OBSERVER OR RUNNER AT THE POLLS; TO AUTHORIZE THE EXECUTIVE DIRECTOR OF THE STATE BOARD OF ELECTIONS TO PERMIT DIFFERENT VOTING SYSTEMS IN THE SAME PRECINCT; TO ALLOW THE CHANGING OF REGISTERED VOTERS BASED ON ADJUSTED COUNTY LINE; TO CHANGE THE DEADLINE FOR FILING A PROTEST FROM SIX O'CLOCK P.M. TO FIVE O'CLOCK P.M.; TO PERMIT THE SAME KIND OF VOTER ASSISTANCE IN ONE-STOP SITES AS AT VOTING PLACES ON ELECTION DAY; TO CHANGE THE REQUIREMENT FOR A STATEWIDE UNAFFILIATED CANDIDATE TO CONFORM TO A FEDERAL COURT DECISION; TO PROHIBIT PIECE PAYMENT FOR VOTER REGISTRATION DRIVES; TO EXPRESSLY PROVIDE THAT PRECINCT TRANSFER VOTERS AT ONE-STOP SITES NEED NOT VOTE PROVISIONAL BALLOTS; TO DELETE THE REQUIREMENT THAT ONE-STOP VOTERS BE INSTRUCTED IN HOW TO VOTE MAIL ABSENTEE BALLOTS; TO FIX THE SALARY ON WHICH A FILING FEE FOR AN OFFICE IS BASED; TO REMOVE THE OUTDATED REFERENCE IN THE FILING FEE STATUTE TO OFFICES "COMPENSATED ENTIRELY BY FEES"; TO ALLOW FOR THE CANCELLATION OF A VOTER'S REGISTRATION IN A FORMER COUNTY WHEN THE VOTER REGISTERS IN A NEW COUNTY; TO UPDATE AND MAKE MORE TECHNOLOGY-NEUTRAL THE LANGUAGE IN THE STATUTE PROVIDING FOR ACCESS TO VOTER REGISTRATION DATA; TO EXTEND FOR THREE DAYS THE COUNTY CANVASS AFTER A GENERAL ELECTION IN NOVEMBER OF AN EVEN-NUMBERED YEAR AND CHANGE OTHER RELATED DATES; TO CLARIFY HOW WINNERS OF ELECTIONS SHALL BE DETERMINED; AND TO EXPRESSLY ALLOW ELECTRONIC

POLLBOOKS, AS RECOMMENDED BY THE HOUSE COMMITTEE ON ELECTION LAWS AND CAMPAIGN FINANCE REFORM.

The General Assembly of North Carolina enacts:

SECTION 1.(a) G.S. 163-45 reads as rewritten:

"**§ 163-45. Observers; appointment.**

The ~~chairman~~ chair of each political party in the county shall have the right to designate two observers to attend each voting place at each primary and election and such observers may, at the option of the designating party ~~chairman,~~ chair, be relieved during the day of the primary or election after serving no less than four hours and provided the list required by this section to be filed by each ~~chairman~~ chair contains the names of all persons authorized to represent such ~~chairman's~~chair's political party. Not more than two observers from the same political party shall be permitted in the voting enclosure at any time. This right shall not extend to the ~~chairman~~ chair of a political party during a primary unless that party is participating in the primary. In any election in which an unaffiliated candidate is named on the ballot, the candidate or the candidate's campaign manager shall have the right to appoint two observers for each voting place consistent with the provisions specified herein. Persons appointed as observers must be registered voters of the county for which appointed and must have good moral character. No person who is a candidate on the ballot in a primary or election may serve as an observer or runner in that primary or election. Observers shall take no oath of office.

Individuals authorized to appoint observers must submit in writing to the chief judge of each precinct a signed list of the observers appointed for that precinct. Individuals authorized to appoint observers must, prior to 10:00 A.M. on the fifth day prior to any primary or general election, submit in writing to the ~~chairman~~ chair of the county board of elections two signed copies of a list of observers appointed by them, designating the precinct for which each observer is appointed. Before the opening of the voting place on the day of a primary or general election, the ~~chairman~~ chair shall deliver one copy of the list to the chief judge for each affected precinct. ~~He~~ The chair shall retain the other copy. The ~~chairman,~~ chair, or the chief judge and judges for each affected precinct, may for good cause reject any appointee and require that another be appointed. The names of any persons appointed in place of those persons rejected shall be furnished in writing to the chief judge of each affected precinct no later than the time for opening the voting place on the day of any primary or general election, either by the ~~chairman~~ chair of the county board of elections or the person making the substitute appointment.

An observer shall do no electioneering at the voting place, and ~~he~~ shall in no manner impede the voting process or interfere or communicate with or observe any voter in casting ~~his~~ a ballot, but, subject to these restrictions, the chief judge and judges of elections shall permit ~~him~~ the observer to make such observation and take such notes as ~~he~~ the observer may desire.

Whether or not the observer attends to the polls for the requisite time provided by this section, each observer shall be entitled to obtain at times specified by the State Board of Elections, but not less than three times during election day with the spacing not less than one hour apart, a list of the persons who have voted in the precinct so far in

that election day. Counties that use an "authorization to vote document" instead of poll books may comply with the requirement in the previous sentence by permitting each observer to inspect election records so that the observer may create a list of persons who have voted in the precinct so far that election day; each observer shall be entitled to make the inspection at times specified by the State Board of Elections, but not less than three times during election day with the spacing not less than one hour apart. Instead of having an observer receive the voting list, the county party chair may send a runner to do so. The runner may be the precinct party chair or any person named by the county party chair. That party chair must notify the chair of the county board of elections or the board chair's designee of the names of all runners to be used in each precinct before the runner goes to the precinct. The runner may receive a voter list from the precinct on the same schedule as an observer. Whether obtained by observer or runner, each party is entitled to only one voter list at each of the scheduled times. No runner may enter the voting enclosure except when necessary to announce that runner's presence. The runner must leave immediately after being provided with the list."

SECTION 1.(b) G.S. 163-166.3 reads as rewritten:

"**§ 163-166.3. Limited access to the voting enclosure.**

During the time allowed for voting in the voting place, only the following persons may enter the voting enclosure:

(1) An election official.

(2) An observer appointed pursuant to G.S. 163-45.

(2a) A runner appointed pursuant to G.S. 163-45, but only to the extent necessary to announce that runner's presence and to receive the voter list as provided in G.S. 163-45.

(3) A person seeking to vote in that voting place on that day but only while in the process of voting or seeking to vote.

(4) A voter in that precinct while entering or explaining a challenge pursuant to G.S. 163-87 or G.S. 163-88.

(5) A person authorized under G.S. 163-166.8 to assist a voter but, except as provided in subdivision (6) of this section, only while assisting that voter.

(6) Minor children of the voter under the age of 18, or minor children under the age of 18 in the care of the voter, but only while accompanying the voter and while under the control of the voter.

(7) Persons conducting or participating in a simulated election within the voting place or voting enclosure, if that simulated election is approved by the county board of elections.

(8) Any other person determined by election officials to have an urgent need to enter the voting enclosure but only to the extent necessary to address that need."

SECTION 2. G.S. 163-165.10 reads as rewritten:

"**§ 163-165.10. Adequacy of voting system for each precinct.**

The county board of elections shall make available for each precinct voting place an adequate quantity of official ballots or ~~equipment so that all voters qualified to vote at~~

~~the precinct may do so.~~ equipment. When the board of county commissioners has decided to adopt and purchase or lease a voting system for voting places under the provisions of G.S. 165-165.8, the board of county commissioners shall, as soon as practical, provide for each of those voting places sufficient equipment of the approved voting system in complete working order. If it is impractical to furnish each voting place with the equipment of the approved voting system, that which has been obtained may be placed in voting places chosen by the county board of elections. In that case, the county board of elections shall choose the voting places and allocate the equipment in a way that as nearly as practicable provides equal access to the voting system for each voter. The county board of elections shall appoint as many voting system custodians as may be necessary for the proper preparation of the system for each election and for its maintenance, storage, and care. The Executive Director of the State Board of Elections may permit a county board of elections to provide more than one type of voting system in a precinct, but only upon a finding that doing so is necessary to comply with federal or State law."

SECTION 3.(a) Article 7A of Chapter 163 of the General Statutes is amended by adding a new section to read:

"**§ 163-82.15A. Administrative change of registration when county line is adjusted.**

When a boundary between counties is established by legislation or under G.S. 153A-18, the Executive Director shall direct the county boards of elections involved to administratively change the voter registration of any voter whose county of residence is altered by the establishment of the boundary. The voter shall not be required to submit a new application to register, and the provisions of G.S. 163-57 shall apply to the determination of residency. The Executive Director shall prescribe a method of notifying the voter of the change of county registration, the correct precinct, and other relevant information."

SECTION 3.(b) G.S. 163-57 reads as rewritten:

"**§ 163-57. Residence defined for registration and voting.**

All election officials in determining the residence of a person offering to register or vote, shall be governed by the following rules, so far as they may apply:

(1) That place shall be considered the residence of a person in which that person's habitation is fixed, and to which, whenever that person is absent, has the intention of returning.

a. In the event that a person's habitation is divided by a State, county, municipal, precinct, ward, or other election district, then the location of the bedroom or usual sleeping area for that person with respect to the location of the boundary line at issue shall be controlling as the residency of that person.

b. If the person disputes the determination of residency, the person may request a hearing before the county board of elections making the determination of residency. The procedures for notice of hearing and the conduct of the hearing shall be as provided in G.S. 163-86. The presentation of an accurate and current determination of a person's residence and the boundary

line at issue by map or other means available shall constitute prima facie evidence of the geographic location of the residence of that person.

(2) A person shall not be considered to have lost that person's residence if that person leaves home and goes into another ~~state or county~~state, county, municipality, precinct, ward, or other election district of this State, for temporary purposes only, with the intention of returning.

(3) A person shall not be considered to have gained a residence in any ~~county~~county, municipality, precinct, ward, or other election district of this State, into which that person comes for temporary purposes only, without the intention of making that ~~county~~county, municipality, precinct, ward, or other election district a permanent place of abode.

(4) If a person removes to another ~~state or county~~state, county, municipality, precinct, ward, or other election district within this State, with the intention of making that ~~state or county~~state, county, municipality, precinct, ward, or other election district a permanent residence, that person shall be considered to have lost residence in the ~~state or county~~state, county, municipality, precinct, ward, or other election district from which that person has removed.

(5) If a person removes to another ~~state or county~~state, county, municipality, precinct, ward, or other election district within this State, with the intention of remaining there an indefinite time and making that ~~state or county~~state, county, municipality, precinct, ward, or other election district that person's place of residence, that person shall be considered to have lost that person's place of residence in this ~~State or the county~~State, county, municipality, precinct, ward, or other election district from which that person has removed, notwithstanding that person may entertain an intention to return at some future time.

(6) If a person goes into another~~state or county~~ state, county, municipality, precinct, ward, or other election district, or into the District of Columbia, and while there exercises the right of a citizen by voting in an election, that person shall be considered to have lost residence in this ~~State or county.~~ State, county, municipality, precinct, ward, or other election district.

(7) School teachers who remove to a ~~county~~county, municipality, precinct, ward, or other election district for the purpose of teaching in the schools of that county temporarily and with the intention or expectation of returning during vacation periods to live in the ~~county~~state, county, municipality, precinct, ward, or other election district in which their parents or other relatives reside, and who do not have the intention of becoming residents of the ~~county~~state, county, municipality, precinct, ward, or other election district to which they have moved to teach, for purposes of registration and voting shall be considered residents of the ~~county~~state, county, municipality, precinct,

ward, or other election district in which their parents or other relatives reside.

(8) If a person removes to the District of Columbia or other federal territory to engage in the government service, that person shall not be considered to have lost residence in this State during the period of such service unless that person votes in the place to which the person removed, and the place at which that person resided at the time of that person's removal shall be considered and held to be the place of residence.

(9) If a person removes to a ~~county~~ county, municipality, precinct, ward, or other election district to engage in the service of the State government, that person shall not be considered to have lost residence in the ~~county~~ county, municipality, precinct, ward, or other election district from which that person removed, unless that person votes in the place to which the person removed, and the place at which that person resided at the time of that person's removal shall be considered and held to be the place of residence.

(9a) The establishment of a secondary residence by an elected official outside the district of the elected official shall not constitute prima facie evidence of a change of residence.

(10) For the purpose of voting a spouse shall be eligible to establish a separate domicile.

(11) So long as a student intends to make the student's home in the community where the student is physically present for the purpose of attending school while the student is attending school and has no intent to return to the student's former home after graduation, the student may claim the college community as the student's domicile. The student need not also intend to stay in the college community beyond graduation in order to establish domicile there. This subdivision is intended to codify the case law."

SECTION 4. G.S. 163-182.9(b)(4) reads as rewritten:

"(4) The timing for filing a protest shall be as follows:

a. If the protest concerns the manner in which votes were counted or results tabulated, the protest shall be filed before the beginning of the county board of election's canvass meeting.

b. If the protest concerns the manner in which votes were counted or results tabulated and the protest states good cause for delay in filing, the protest may be filed until ~~6:00~~ 5:00 P.M. on the second business day after the county board of elections has completed its canvass and declared the results.

c. If the protest concerns an irregularity other than vote counting or result tabulation, the protest shall be filed no later than ~~6:00~~ 5:00 P.M. on the second business day after the county board has completed its canvass and declared the results.

d. If the protest concerns an irregularity on a matter other than vote counting or result tabulation and the protest is filed before election day, the protest proceedings shall be stayed, unless a party defending against the protest moves otherwise, until after election day if any one of the following conditions exists:
1. The ballot has been printed.
2. The voter registration deadline for that election has passed.
3. Any of the proceedings will occur within 30 days before election day."

SECTION 5.(a) G.S. 163-227.2(e) reads as rewritten:

"(e) The voter shall vote that voter's absentee ballot in a voting booth in the office of the county board of elections, and the county board of elections shall provide a voting booth for that purpose, provided however, that the county board of elections may in the alternative provide a private room for the voter adjacent to the office of the board, in which case the voter shall vote that voter's absentee ballot in that room. ~~If the voter needs assistance in getting to and from the voting booth and in preparing and marking that voter's ballots or if the voter is a blind voter, only a member of the county board of elections, the director of elections, an employee of the board of elections authorized by the board, a near relative of the voter or the voter's verifiable legal guardian shall be entitled to assist the voter.~~ A voter at a one-stop site shall be entitled to the same assistance as a voter at a voting place on election day under G.S. 163-166.8. The State Board of Elections shall, where appropriate, adapt the rules it adopts under G.S. 163-166.8 to one-stop voting."

SECTION 5.(b) G.S. 163-226.3(a) reads as rewritten:

"(a) Any person who shall, in connection with absentee voting in any election held in this State, do any of the acts or things declared in this section to be unlawful, shall be guilty of a Class I felony. It shall be unlawful:

(1) For any person except the voter's near relative or the voter's verifiable legal guardian to assist the voter to vote an absentee ballot when the voter is voting an absentee ballot other than under the procedure described in G.S. 163-227.2; provided that if there is not a near relative or legal guardian available to assist the voter, the voter may request some other person to give assistance;

(2) For any person to assist a voter to vote an absentee ballot under the absentee voting procedure authorized by G.S. 163-227.2 except ~~a member of the county board of elections, the director of elections, an employee of the board authorized by the board, the voter's near relative or the voter's verifiable legal guardian;~~as provided in that section;

(3) For a voter who votes an absentee ballot under the procedures authorized by G.S. 163-227.2 to vote that voter's absentee ballot outside of the voting booth or private room provided to the voter for that purpose in or adjacent to the office of the county board of elections or at the additional site provided by G.S. 163-227.2(f1), or to

receive assistance ~~in getting to and from the voting booth or private room and in preparing and marking that voter's ballots from any person other than a member of the county board of elections, the director of elections, an employee of the board of elections authorized by the board, a near relative of the voter or the voter's verifiable legal guardian;~~except as provided in G.S. 163-227.2;

(4) For any owner, manager, director, employee, or other person, other than the voter's near relative or verifiable legal guardian, to make a written request pursuant to G.S. 163-230.1 or an application on behalf of a registered voter who is a patient in any hospital, clinic, nursing home or rest home in this State or for any owner, manager, director, employee, or other person other than the voter's near relative or verifiable legal guardian, to mark the voter's absentee ballot or assist such a voter in marking an absentee ballot;

(5) Repealed by Session Laws 1987, c. 583, s. 8.

(6) For any person to take into that person's possession for delivery to a voter or for return to a county board of elections the absentee ballot of any voter, provided, however, that this prohibition shall not apply to a voter's near relative or the voter's verifiable legal guardian;

(7) Except as provided in subsections (1), (2), (3) and (4) of this section, G.S. 163-231(a), G.S. 163-250(a), and G.S. 163-227.2(e), for any voter to permit another person to assist the voter in marking that voter's absentee ballot, to be in the voter's presence when a voter votes an absentee ballot, or to observe the voter mark that voter's absentee ballot."

SECTION 6. G.S. 163-122(a) reads as rewritten:

"(a) Procedure for Having Name Printed on Ballot as Unaffiliated Candidate. – Any qualified voter who seeks to have ~~his~~ that voter's name printed on the general election ballot as an unaffiliated candidate shall:

(1) If the office is a statewide office, file written petitions with the State Board of Elections supporting ~~his~~ candidacy for a specified office. These petitions must be filed with the State Board of Elections on or before 12:00 noon on the last Friday in June preceding the general election and must be signed by qualified voters of the State equal in number to two percent (2%) of the total number of ~~registered voters in the State as reflected by the most recent statistical report issued by the State Board of Elections.~~ voters who voted in the most recent general election for Governor. Also the petition must be signed by at least 200 registered voters in each of four congressional districts in North Carolina. No later than 5:00 p.m. on the fifteenth day preceding the date the petitions are due to be filed with the State Board of Elections, each petition shall be presented to the ~~chairman~~ chair of the board of elections of the county in which the signatures were obtained. Provided the petitions are timely submitted, the ~~chairman~~ chair shall

examine the names on the petition and place a check mark on the petition by the name of each signer who is qualified and registered to vote in ~~his~~ that county and shall attach to the petition ~~his~~ the petitioner's signed certificate. Said certificates shall state that the signatures on the petition have been checked against the registration records and shall indicate the number of signers to be qualified and registered to vote in ~~his~~ that county. The ~~chairman~~ chair shall return each petition, together with the certificate required in this section, to the person who presented it ~~to him~~ for checking. Verification by the ~~chairman~~ chair of the county board of elections shall be completed within two weeks from the date such petitions are presented."

SECTION 7.(a) Article 7A of Chapter 163 of the General Statutes is amended by adding a new section to read:

"**§ 163-82.25A. Piece payment in voter registration drives prohibited.**

No person who employs or contracts with another person to register voters or assist or encourage voters to fill out voter registration forms shall pay that person per voter registration application completed. No person shall accept payment per voter registration application. A violation of this section is a Class 2 misdemeanor."

SECTION 7.(b) G.S. 163-274 is amended by adding a new subdivision to read:

"(14) For any person to pay or accept payment per voter registration application completed in violation of G.S. 163-82.25A."

SECTION 8.(a) G.S. 163-227.2 is amended by adding a new subsection to read:

"(e2) A voter who has moved within the county more than 30 days before election day but has not reported the move to the board of elections shall not be required on that account to vote a provisional ballot at the one-stop site, as long as the one-stop site has available all the information necessary to determine whether a voter is registered to vote in the county and which ballot the voter is eligible to vote based on the voter's proper residence address. The voter with that kind of unreported move shall be allowed to vote the same kind of absentee ballot as other one-stop voters."

SECTION 8.(b) G.S. 163-166.11 is amended by adding a new subdivision to read:

"(2a) A voter who has moved within the county more than 30 days before election day but has not reported the move to the board of elections shall not be required on that account to vote a provisional ballot at the one-stop site, as long as the one-stop site has available all the information necessary to determine whether a voter is registered to vote in the county and which ballot the voter is eligible to vote based on the voter's proper residence address. The voter with that kind of unreported move shall be allowed to vote the same kind of absentee ballot as other one-stop voters as provided in G.S. 163-227.2(e2)."

SECTION 9. G.S. 163-227.2(c) reads as rewritten:

"(c) If the application is properly filled out, the authorized member or employee shall enter the voter's name in the register of absentee requests, applications, and ballots ~~issued; shall furnish the voter with the instruction sheets called for by G.S. 163-229(c); and~~ issued and shall furnish the voter with the ballots to which the application for absentee ballots applies. The voter thereupon shall vote in accordance with subsection (e) of this section.

All actions required by this subsection shall be performed in the office of the board of elections, except that the voting may take place in an adjacent room as provided by subsection (e) of this section. The application under this subsection shall be signed in the presence of the ~~chairman~~chair, member, director of elections of the board, or full-time employee, authorized by the board who shall sign the application and certificate as the witness and indicate the official title held by him or her. Notwithstanding G.S. 163-231(a), in the case of this subsection, only one witness shall be required on the certificate."

SECTION 10. G.S. 163-107(a) reads as rewritten:

"(a) Fee Schedule. – At the time of filing a notice of candidacy, each candidate shall pay to the board of elections with which he files under the provisions of G.S. 163-106 a filing fee for the office he seeks in the amount specified in the following tabulation:

Office Sought	**Amount of Filing Fee**
Governor	One percent (1%) of the annual salary of the office sought
Lieutenant Governor	One percent (1%) of the annual salary of the office sought
All State executive offices	One percent (1%) of the annual salary of the office sought
All District Attorneys of the General Court of Justice	One percent (1%) of the annual salary of the office sought
United States Senator	One percent (1%) of the annual salary of the office sought
Members of the United States House of Representatives	One percent (1%) of the annual salary of the office sought
State Senator	One percent (1%) of the annual salary of the office sought
Member of the State House of Representatives	One percent (1%) of the annual salary of the office sought
All county offices not compensated by fees	One percent (1%) of the annual salary of the office sought
~~County commissioners, if compensated entirely by fees~~	~~Ten dollars ($10.00)~~
~~Members of county board of education, if compensated entirely by fees~~	~~Five dollars ($5.00)~~

~~Sheriff, if compensated entirely by fees~~	~~Forty dollars ($40.00), plus one percent (1%) of the income of the office above four thousand dollars ($4,000)~~
~~Clerk of superior court, if compensated entirely by fees~~	~~Forty dollars ($40.00), plus one percent (1%) of the income of the office above four thousand dollars ($4,000)~~
~~Register of deeds, if compensated entirely by fees~~	~~Forty dollars ($40.00), plus one percent (1%) of the income of the office above four thousand dollars ($4,000)~~
~~Any other county office, if compensated entirely by fees~~	~~Twenty dollars ($20.00), plus one percent (1%) of the income of the office above two thousand dollars ($2,000)~~
All county offices compensated partly by salary and partly by fees	One percent (1%) of the first annual salary to be received (exclusive of fees)

The salary of any office that is the basis for calculating the filing fee is the starting salary for the office, rather than the salary received by the incumbent, if different. If no starting salary can be determined for the office, then the salary used for calculation is the salary of the incumbent, as of January 1 of the election year."

SECTION 11. G.S. 163-82.9 reads as rewritten:

"**§ 163-82.9. Cancellation of prior registration.**

If an applicant indicates on an application form described in G.S. 163-82.3 a current registration to vote in any other county, municipality, or state, the county board of elections, upon registering the person to vote, shall send a notice to the appropriate officials in the other county, municipality, or state and shall ask them to cancel the person's voter registration there. If an applicant completes an application form described in G.S. 163-82.3 except that the applicant neglects to complete the portion of the form that authorizes cancellation of previous registration in another county, the State Board of Elections shall notify the county board of elections in the previous county of the new registration, and the board in the previous county shall cancel the registration. The State Board of Elections shall adopt rules to prevent disenfranchisement in the implementation of this section. Those rules shall include adequate notice to the person whose previous registration is to be cancelled."

SECTION 12.(a) G.S. 163-82.10(b) reads as rewritten:

"(b) Access to Registration Records. – Upon request by that person, the county board of elections shall provide to any person a list of the registered voters of the county or of any precinct or precincts in the county. The county board may furnish selective lists according to party affiliation, gender, race, date of registration, precinct name, precinct identification code, congressional district, senate district, representative district, and, where applicable, county commissioner district, city governing board district, fire district, soil and water conservation district, and voter history including primary, general, and special districts, or any other reasonable category. No list produced under this section shall contain a voter's date of birth. However, lists may be produced

according to voters' ages. ~~The~~ Both the following shall apply ~~if a county maintains or has its voter registration list maintained on a computer:~~to all counties:

(1) ~~In addition to the typed, mimeographed, photocopied, computer printout or label lists, the~~ The county board of elections shall make the voter registration information available to the public on electronic or magnetic medium. ~~Magnetic medium for the purpose of this section shall consist of nine track tape or 3.5 inch diskettes and 5.25 inch diskettes readily accessible using MS-DOS or Microsoft Windows operating systems or both such systems; and~~ For purposes of this section, "electronic or magnetic medium" means any of the media in use by the State Board of Elections at the time of the request.

(2) Information requested on electronic or magnetic medium shall contain the following: voter name, county voter identification number, residential address, mailing address, sex, race, age but not date of birth, party affiliation, precinct name, precinct identification code, congressional district, senate district, representative district, and, where applicable, county commissioner district, city governing board district, fire district, soil and water conservation district, and any other district information available, and voter history including primary, general, and special districts, or any other reasonable ~~category;~~category.

~~provided that this subsection shall not require a county to computerize its lists, but if a county does computerize it shall comply with subdivisions (1) and (2) of this subsection.~~ The county board shall require each person to whom a list is furnished to reimburse the board for the actual cost incurred in preparing it, except as provided in subsection (c) of this section. Actual cost for the purpose of this section shall not include the cost of any equipment or any imputed overhead expenses. ~~It may include the actual cost of paper, labels, and magnetic medium. The purchaser at its discretion may provide the magnetic medium.~~ When furnishing information under this subsection to a purchaser on a magnetic medium provided by the county board or the purchaser, the county board may impose a service charge of up to twenty-five dollars ($25.00)."

SECTION 12.(b) G.S. 163-82.10(c) reads as rewritten:

"(c) Free Lists. ~~Free lists of all registered voters in the county shall be provided in the following cases:~~

~~(1)~~ A county board ~~that maintains voter records on computer~~ shall provide, upon written request, one free list ~~to:~~of all the registered voters in the county to

~~a.~~ ~~The~~ the State chair of each political ~~party;~~ party and

~~b.~~ ~~The~~to the county chair of each political party once in every odd-numbered year, once during the first six calendar months of every even-numbered year, and once during the latter six calendar months of every even-numbered year.

~~(2) A county board that does not maintain voter records on computer shall provide one free paper list every two years to the county chair of each political party.~~

Each free list shall include the name, address, gender, age but not date of birth, race, political affiliation, voting history, precinct, precinct name, precinct identification code, congressional district, senate district, representative district, and, where applicable, county commissioner district, city governing board district, fire district, soil and water conservation district, and voter history including primary, general, and special districts of each registered voter. ~~The free paper list to the county party chairs shall group voters by precinct.~~ All free lists shall be provided as soon as practicable on one of any electronic or magnetic media, but no later than 30 days after written request. Each State party chair shall provide ~~the discs or tapes~~ the information on the media received from the county boards or a copy of the media containing the data itself to candidates of that party who request the ~~discs or tapes~~ data in writing. ~~Each State party chair shall return discs and tapes to the county boards within 30 days after receiving them.~~ As used in this section, "political party" means a political party as defined in G.S. 163-96."

SECTION 13.(a) G.S. 163-182.5(b) reads as rewritten:

"(b) Canvassing by County Board of Elections. – The county board of elections shall meet at 11:00 A.M. on the ~~seventh~~ tenth day after every election held on the same day as a general election in November of the even-numbered year, and at 11:00 A.M. on the seventh day after every other election, to complete the canvass of votes cast and to authenticate the count in every ballot item in the county by determining that the votes have been counted and tabulated correctly. If, despite due diligence by election officials, the initial counting of all the votes has not been completed by that time, the county board may hold the canvass meeting a reasonable time thereafter. The canvass meeting shall be at the county board of elections office, unless the county board, by unanimous vote of all its members, designates another site within the county. The county board shall examine the returns from precincts, from absentee official ballots, and from provisional official ballots and shall conduct the canvass."

SECTION 13.(b) G.S. 163-182.7 reads as rewritten:

"**§ 163-182.7. Ordering recounts.**

(a) Discretionary Recounts. – The county board of elections or the State Board of Elections may order a recount when necessary to complete the canvass in an election. The county board may not order a recount where the State Board of Elections has already denied a recount to the petitioner.

(b) Mandatory Recounts for Ballot Items Within the Jurisdiction of the County Board of Elections. – In a ballot item within the jurisdiction of the county board of elections, a candidate shall have the right to demand a recount of the votes if the difference between the votes for that candidate and the votes for a prevailing candidate is not more than one percent (1%) of the total votes cast in the ballot item, or in the case of a multiseat ballot item not more than one percent (1%) of the votes cast for those two candidates. The demand for a recount must be made in writing and must be received by the county board of elections by 5:00 P.M. on the first business day after the canvass. The recount shall be conducted under the supervision of the county board of elections.

(c) Mandatory Recounts for Ballot Items Within the Jurisdiction of the State Board of Elections. – In a ballot item within the jurisdiction of the State Board of Elections, a candidate shall have the right to demand a recount of the votes if the difference between the votes for that candidate and the votes for a prevailing candidate are not more than the following:

(1) For a nonstatewide ballot item, one percent (1%) of the total votes cast in the ballot item, or in the case of a multiseat ballot item, one percent (1%) of the votes cast for those two candidates.

(2) For a statewide ballot item, one-half of one percent (0.5%) of the votes cast in the ballot item, or in the case of a multiseat ballot item, one-half of one percent (0.5%) of the votes cast for those two candidates, or 10,000 votes, whichever is less.

The demand for a recount must be in writing and must be received by the State Board of Elections by noon on the second ~~Thursday after the election.~~ business day after the county canvass. If ~~on that Thursday~~ at that time the available returns show a candidate not entitled to a mandatory recount, but the Executive Director determines subsequently that the margin is within the threshold set out in this subsection, the Executive Director shall notify the eligible candidate immediately and that candidate shall be entitled to a recount if that candidate so demands within 48 hours of notice. The recount shall be conducted under the supervision of the State Board of Elections.

(d) Rules for Conducting Recounts. – The State Board of Elections shall promulgate rules for conducting recounts. Those rules shall be subject to the following guidelines:

(1) The rules shall specify, with respect to each type of voting system, when and to what extent the recount shall consist of machine recounts and hand-to-eye recounts.

(2) The rules shall provide guidance in interpretation of the voter's choice.

(3) The rules shall specify how the goals of multipartisan participation, opportunity for public observation, and good order shall be balanced. "

SECTION 14. G.S. 163-166.7(c) reads as rewritten:

"(c) The State Board of Elections shall promulgate rules for the process of voting. Those rules shall emphasize the appearance as well as the reality of dignity, good order, impartiality, and the convenience and privacy of the voter. Those rules, at a minimum, shall include procedures to ensure that all the following occur:

(1) The voting system remains secure throughout the period voting is being conducted.

(2) Only properly voted official ballots are introduced into the voting system.

(3) Except as provided by G.S. 163-166.9, no official ballots leave the voting enclosure during the time voting is being conducted there.

(4) All improperly voted official ballots are returned to the precinct officials and marked as spoiled.

(5) Voters leave the voting place promptly after voting.

(6) Voters not clearly eligible to vote in the precinct but who seek to vote there are given proper assistance in voting a provisional official ballot or guidance to another voting place where they are eligible to vote.

(7) Information gleaned through the voting process that would be helpful to the accurate maintenance of the voter registration records is recorded and delivered to the county board of elections.

(8) The registration records are kept secure. The State Board of Elections shall permit the use of electronic registration records in the voting place in lieu of or in addition to a paper pollbook or other registration record.

(9) Party observers are given access as provided by G.S. 163-45 to current information about which voters have voted.

(10) The voter, before voting, shall sign that voter's name on the pollbook, other voting record, or voter authorization document. If the voter is unable to sign, a precinct official shall enter the person's name on the same document before the voter votes."

SECTION 15. G.S. 163-182.15 is amended by adding a subsection to read:

"(d) Determining Results. – In a primary for party nomination, the results shall be determined in accordance with G.S. 163-111 and the certificate issued accordingly. In a general election, the individuals having the highest number of votes for each office shall be declared elected to the office, and the certificate shall be issued accordingly. In a referendum, the ballot proposal receiving the highest number of votes shall be declared to have prevailed, and the certificate shall be issued accordingly."

SECTION 16. Sections 2, 6, 8, 9, 10, 12, and 14 of this act are effective when this act becomes law and apply to all primaries and elections held on or after that date. The remainder of this act becomes effective January 1, 2006, and applies to all primaries and elections held on or after that date.

HOUSE BILL 1115:
Election Administration Amendments

BILL ANALYSIS

Committee:	House Finance	**Date:**	May 6, 2005
Introduced by:	Reps. Moore, Ross	**Summary by:**	R. Erika Churchill
Version:	Second Edition		Committee Counsel

SUMMARY: ***House Bill 1115 would make several changes to the laws concerning election administration. The changes are based on proposals made by the staff of the State Board of Elections. The bill has been referred to House Finance due to a filing fee clarification (see Section 10).***

CURRENT LAW AND BILL ANALYSIS:

Section 1. Current law allows county political parties to appoint "observers" to be inside a polling place to monitor what is going on, as long as they do not disrupt. One of the things they may do is pick up lists at certain times of the day of the people who have voted at the precinct. A practice has grown up of parties sending "runners," who have not gone through the process of being appointed observers, to pick up the voter lists and nothing more. The bill would recognize the practice of permitting runners by allowing a party chair to send a runner to the precinct to pick up the voter list. The runner could be the precinct party chair or anyone appointed by the party chair, other than a candidate. The party chair must provide the county board of elections a list of which runners will go to which precincts before the runners are sent. The runner may enter the voting enclosure only where necessary to announce his or her presence. Upon receiving the list, they must leave immediately. The bill would also state that no candidate in an election might be an observer. **Effective January 1, 2006.**

Section 2. The bill would authorize the Executive Director of the State Board of Elections to permit a county to use more than one voting system in a precinct where doing so would be necessary to comply with State or federal law. The 2002 Help America Vote Act requires a fully disabled-accessible station in every precinct, and there is an expectation that some counties may need to have two different voting systems in the same precinct in order to comply with the federal law. **Effective when the bill becomes law.**

Sections 3. Voter registration in North Carolina is based upon county residency. County boundaries may be altered by act of the General Assembly or by following the procedure for settling a disputed boundary as set forth in G.S. 153A-18. In the past, county boundary adjustments have resulted in a voter residing in a county other than the one in which the voter was registered. The bill would authorize the Executive Director of the State Board of Elections to move the voter's registration to the correct county administratively, and provide notice to the voter this has been done. The voter, who has not moved, would not need to submit a new voter registration application.

The bill would also provide guidance to the boards of election in determining which precinct, ward or other election district the voter resides. If the residence of the voter were divided by a county, municipal, precinct, ward, or other election district, the bill would state the bedroom or usual sleeping area of the voter would be used to determine the district in which the voter resides. **Effective January 1, 2006.**

Section 4. Current law sets the certain deadlines for filing an election protests at 6:00 p.m. on the second day after the county canvass. Most county boards of election offices close at 5:00 p.m. The bill would change the statutory deadline to coincide with operating hours of most county boards of election, and clarify that it is the second business day after the county canvass. **Effective January 1, 2006.**

Section 5. Current law provides that on election day a voter whose illiteracy or disability requires them to have assistance to vote may receive assistance from anyone other than their employer or union representative. If not illiterate or disabled, a voter may receive assistance from an immediate family member. Those provisions reflect federal law regarding assistance at federal elections. Current law also provides that at a one-stop site a voter who needs assistance or who is blind may receive assistance only from a county board of elections member, a county election director, a board employee, a near relative of the voter or the voter's verifiable legal guardian. The bill would amend the one-stop law on voter assistance to be the same as that at the polls on election day. **Effective when the bill becomes law.**

Section 6. Currently, an unaffiliated candidate desiring to be on the general election ballot in a statewide race is required to collect signatures from voters on petitions equal to 2% of all the registered voters in the State, which is currently approximately 107,000 signatures. Currently a new party desiring to be on the ballot is required to collect signatures equal to 2% of the turnout in the latest Governor's race, which is now 69,734. Last year the U.S. District Court in *Delaney v. Bartlett* found the disparity between the two thresholds unconstitutional and held the statewide unaffiliated threshold unconstitutional. The State did not appeal. The bill would make the statewide unaffiliated threshold 2% of the latest Governor's race turnout, the same as the new party threshold. **Effective when the bill becomes law.**

Section 7. Current law does not regulate how voter registration drives may pay persons conducting drive. In 2004 some drives turned in questionable voter registration applications, which ultimately were determined to be false. Some of the drives allowed persons to be compensated based on the number of voter registrations obtained. The U.S. Supreme Court has ruled, in the similar situation of initiative petition drives, that a State cannot prohibit paying people for doing the petition work. Courts have been less clear on whether payment on a piecework or commission basis can be banned. The bill would prohibit anyone from paying someone to register voters per voter registration application completed. A violation would be a Class 2 misdemeanor. **Effective January 1, 2006.**

Section 8. Currently, if a person moves more than 30 days before an election within the county where registered to vote but does not notify the board of elections of the move, a voter may show up at the new voting place and be allowed to vote there. But, since the voter's name is not on the pollbook for that precinct, the voter must vote a provisional ballot. If such a voter with an unreported move went to vote at a one-stop site, most counties have allowed that voter to vote the same kind ballot as other one-stop voters rather than a provisional ballot. The bill would clarify that a voter who has not reported a move within the county is not required to vote a provisional ballot at a one-stop site. **Effective when the bill becomes law.**

Section 9. Currently, statutes require officials at a one-stop sites to furnish one-stop voters, who are there voting in person, with instructions in how to vote mail absentee. The bill would remove that requirement. **Effective when it becomes law.**

Section 10. Currently, candidate's filing fees are set at 1% of the annual salary of the office sought, except for an office "compensated entirely by fees," which is a flat dollar amount. No offices "compensated entirely by fees" exist today. The bill would remove the references to offices compensated entirely by fees. The bill would also specify that the salary used in calculating the filing fee is the starting salary for the office, rather than the incumbent's salary, if the two are different. If no starting salary can be determined, then the salary used for calculating the filing fee is the incumbent's salary as of January 1ST of the election year. **Effective when bill becomes law.**

Section 11. Currently the voter registration form requires a person registering in a new county to cancel any prior registration in another county. Sometimes voters do not complete the cancellation part of the form. The bill would require the State Board of Elections to notify the county board in the old county of the new registration if this happened. The board in the old county would then be required to cancel the registration. The State Board is required to adopt rules to prevent disenfranchisement, including adequate notice to the voter whose registration is going to be cancelled. **Effective January 1, 2006.**

Section 12. The current statute allowing free and paid access to voter registration data was written in the mid-1990s in language that was specific to the technology of the time. It also contains language implying that a county has an option in having or not having computerized voter registration data. The bill updates the access to records statute, removing references to old technology and to the option not to have lists on computer. It does not require the county boards to provide its list to county party chairs on paper. **Effective when the bill becomes law.**

Section 13. Current law requires the county board of elections to hold its canvass on the 7th day after a primary or election. The bill would change the county canvass to the 10th day for even-year general elections only. For other elections ("election" is defined to include primary), the canvass stays on the 7th day. **Effective when the bill becomes law.**

Section 14. The bill adds to the State Board's criteria that it must permit to use of electronic registration records in the voting place in lieu of paper pollbooks or other records.

**This fiscal analysis is independent of the impact of other criminal penalty bills being considered by the General Assembly, which could also increase the projected prison population and thus the availability of prison beds in future years. The Fiscal Research Division is tracking the cumulative effect of all criminal penalty bills on the prison system as well as the Judicial Department.*

BILL SUMMARY:[1]

This bill would make several changes to the laws concerning election administration. The changes are based on proposals made by the staff of the State Board of Elections. There are three sections that could have a fiscal impact: sections 5 and 7, which have criminal penalties, and section 10, which makes a clarification to the filing fee requirements. These three sections are summarized below.

Section 5: Current law provides that on election day a voter whose illiteracy or disability requires them to have assistance to vote may receive assistance from anyone other than their employer or union representative. If not illiterate or disabled, a voter may receive assistance from an immediate family member. Those provisions reflect federal law regarding assistance at federal elections. Current law also provides that at a one-stop site a voter who needs assistance or who is blind may receive assistance only from a county board of elections member, a county election director, a board employee, a near relative of the voter or the voter's verifiable legal guardian. Section 5 of this bill would amend the one-stop law on voter assistance to be the same as that at the polls on election day.

Section 7: Current law does not regulate how voter registration drives may pay persons conducting the drives. This section of the bill would prohibit anyone from paying someone to register voters per voter registration application completed. A violation would be a Class 2 misdemeanor.

Section 10: Currently, candidate's filing fees are set at 1% of the annual salary of the office sought, except for an office "compensated entirely by fees," which is a flat dollar amount. No offices "compensated entirely by fees" exist today. The bill would remove the references to offices compensated entirely by fees. The bill would also specify that the salary used in calculating the filing fee is the starting salary for the office, rather than the incumbent's salary, if the two are different. If no starting salary can be determined, then the salary used for calculating the filing fee is the incumbent's salary as of January 1ST of the election year.

ASSUMPTIONS AND METHODOLOGY:

Election Administration Changes

The bill provides compliance and/or clarifying legislation to existing statutes. As noted in the bill summary, only sections 5, 7, and 10 could have a fiscal impact. The fiscal impact of sections 5 & 7 are discussed below in the ***Modification of Criminal Offenses*** subsection.

Section 10 clarifies the filing fee requirement. The bill would remove the statutory references to the filing fees for offices that are compensated entirely by fees. Because no offices compensated entirely by fees exist today, removing these statutory references would not have a fiscal impact. Section 10 also clarifies that the salary to be used in calculating the filing fee, which is a percentage of the annual salary of the office sought, is the starting salary for the office, rather than the incumbent's salary. The State Board of Elections estimates that the clarification of which salary to use in calculating the filing fees could result in a slight reduction in filing fee receipts by boards of elections, assuming that (1) the starting salary is lower than the incumbent's salary and (2) the counties have been using the incumbent's salary. The Board estimates, however, that the reduction would not be significant.

[1] Adopted from May 6, 2005 Bill Analysis prepared by House Finance Committee Counsel

Modification of Criminal Offenses

General

Section 5 of this bill would modify the specified list of individuals authorized to provide assistance to voters at a one-stop voting site and would, thus, alter the types of individuals eligible to commit a Class I felony for illegally providing such assistance. Section 7 of the bill would create a new Class 2 misdemeanor for paying or accepting payment for registering voters on a per voter basis. As these provisions modify criminal offenses, they would be expected to lead to changes in adjudication and incarceration rates and an associated fiscal impact to the Department of Correction and the Judicial Branch. However, as the provisions of both sections would not be expected to lead to a significant number of new felony or misdemeanor charges or convictions, the fiscal impact is not anticipated to be substantial.

Current G.S. 163-274(1) and G.S. 163-274(10) provide that it is a Class 2 misdemeanor for specified officials to fail to perform certain duties related to the administration of elections. As several provisions of the bill would expand the set of duties prescribed for some of these officials, additional Class 2 misdemeanor charges and convictions could result under G.S. 163-274(1) or G.S. 163-274(10) for failure in the performance of those duties as required by law. However, given that the class of eligible offenders is small and the scope of behavior encompassed by these offenses is not expanded significantly, the number of new Class 2 misdemeanor charges and convictions under G.S. 163-274 as a result of this bill is not expected to be substantial.

Department of Correction

The Sentencing and Policy Advisory Commission prepares inmate population projections annually. The projections used for incarceration fiscal notes are based on January 2005 projections. These projections are based on historical information on incarceration and release rates under Structured Sentencing, crime rate forecasts by a technical advisory group, probation and revocation rates, and the decline (parole and maxouts) of the stock prison population sentenced under previous sentencing acts. Based on the most recent population projections and estimated available prison bed capacity, *there are no surplus prison beds available for the five-year fiscal note horizon and beyond.*

Section 5: It is unknown whether altering the specified list of individuals allowed to assist voters at the polls under G.S. 163-226.3 would lead to a decrease, no change, or an increase in the number of offenders sentenced as Class I felons for illegally assisting voters. As such, no estimate of the fiscal impact associated with this provision is available. The Administrative Office of the Courts does not maintain an offense code for violations of present G.S. 163-226.3, which is some indication that the current offense is infrequently charged and rarely results in convictions.

Section 7: Because this section would provide for a new Class 2 misdemeanor, the Sentencing Commission has no historical data from which to estimate the impact on local jail populations. As noted in the "General" section, additional Class 2 misdemeanor convictions could also result under G.S. 163-274 for failure in the performance of certain duties for specified officials. In FY 2003-04, 15 percent of Class 2 misdemeanors resulted in active sentences with a maximum length of 60 days and an average length of 23 days. Offenders with active sentences less than thirty days are housed in county jails at county expense, and the Department of Correction (DOC) reimburses the county for housing offenders sentenced to between thirty and ninety days at a rate of $18 per

offender per day. Because Class 2 misdemeanants serving active time as a result of this offense would be housed in county jails, this provision would not impact prison population.

The remaining 85 percent of Class 2 misdemeanants received non-active sentences. For those offenders sentenced to supervised probation, the Division of Community Corrections (DCC) would incur costs of $1.87 per offender per day. Offenders sentenced to community service would cost $0.67 per offender per day, and offenders given unsupervised probation would not impact DCC.

Judicial Branch

For most criminal penalty bills, the Administrative Office of the Courts (AOC) provides Fiscal Research with an analysis of the fiscal impact of the specific bill. For these bills, fiscal impact is typically based on the assumption that court time will increase due to an expected increase in trials and a corresponding increase in the hours of work for judges, clerks, and prosecutors. This increased court time is also expected to result in greater expenditures for jury fees and indigent defense.

Section 5: It is unknown whether the modification to the list of individuals authorized to assist at the polls provided by Section 5 of the bill would lead to a decrease, no change, or an increase in the number of individuals charged with a Class I felony for illegally assisting voters. As such, no estimate is available with respect to the fiscal impact of this provision. As noted in the DOC section, the lack of an offense code for current violations of G.S. 163-226.3 may be some indication that the offense is presently infrequently charged.

Section 7: As this section provides for a new criminal offense, no data is available with which to estimate the number of additional Class 2 misdemeanor charges the Courts would process as a result of this bill. However, AOC anticipates that the majority of voter registration campaigns would comply with the requirements of this legislation and would thus expect relatively few new charges to result from this bill.

As noted in the "General" section, additional Class 2 misdemeanor charges could also result under G.S. 163-274 for failure in the performance of certain duties for specified officials. The number of additional charges, however, is not expected to be substantial as the bill would only refine current law and not greatly expand the scope of behavior encompassed by this offense.

Based on the costs of time in court, attorney preparation time, and indigent defense, the average estimated cost to process a single Class 2 misdemeanor charge via trial is $2,322. This cost includes an estimated $1,373 in jury fees, costs of time in court, and attorney costs and an additional $949 in indigent defense. However, based on prior-year data, the majority of any new Class 2 misdemeanor charges that are not dismissed are likely to be settled by guilty plea at an estimated cost of $272 per plea.

SENATE BILL 420

Short Title:	Oak Ridge Voluntary Annexations.	(Local)
Sponsors:	Senator Berger of Rockingham.	
Referred to:	State and Local Government.	

March 7, 2005

A BILL TO BE ENTITLED

AN ACT TO ALLOW THE TOWN OF OAK RIDGE TO MAKE VOLUNTARY ANNEXATIONS WITHIN A CERTAIN DESCRIBED AREA.

The General Assembly of North Carolina enacts:

SECTION 1. Section 1.2 of the Charter of the Town of Oak Ridge, being S.L. 1998-113, reads as rewritten:

"Section 1.2. (a) Except as provided by subsection (c) of this section, Article 4A of Chapter 160A of the General Statutes does not apply to the Town of Oak Ridge until July 1, 2018.

(b) G.S. 160A-58.1(b)(2) does not apply to (i) the City of Greensboro as it relates to the Town of Oak Ridge or (ii) the Town of Kernersville as it relates to the Town of Oak Ridge.

(c) Parts 1 and 4 of Article 4A of Chapter 160A of the General Statutes apply to the Town of Oak Ridge as to the following described territory in Guilford County:

Beginning at a point located at the intersection of Haw River Road and the Forsyth/Guilford County line; thence following the Forsyth/Guilford County line north to the point at which the Forsyth/Guilford County line intersects with the corporate limits of the Town of Stokesdale; thence continuing in an easterly and southeasterly direction following the Town of Stokesdale corporate limits to Haw River Road at which point the Town of Oak Ridge corporate limits begin; thence continuing southwesterly along the southern right-of-way of Haw River Road to the point and place of beginning."

SECTION 2. This act is effective when it becomes law.

SENATE BILL 420:
Oak Ridge Voluntary Annexations.

BILL ANALYSIS

Committee:	House Finance	**Introduced by:**	Sen. Berger of Rockingham
Date:	May 10, 2005	**Summary by:**	Trina Griffin
Version:	First Edition		Committee Counsel

SUMMARY: ***This bill would authorize the Town of Oak Ridge to annex non-contiguous property by petition. The act is effective when it becomes law. Its companion bill, House Bill 815, sponsored by Rep. Brown, is also in the House Finance Committee.***

CURRENT LAW: G.S. 160A-58.1 governs the voluntary annexation by a municipality of noncontiguous property. All property owners in the satellite area[1] may petition for voluntary annexation of the noncontiguous property if the property meets the following five standards in G.S. 160A-58.1(b):

1. The nearest point on the proposed satellite corporate limits must be not more than three miles from the primary corporate limits of the annexing city.
2. No point on the proposed satellite corporate limits may be closer to the primary corporate limits of another city than to the primary corporate limits of the annexing city.
3. The area must be so situated that the annexing city will be able to provide the same services within the proposed satellite corporate limits that it provides within its primary corporate limits.
4. If the area proposed for annexation, or any portion thereof, is a subdivision as defined in G.S. 160A-376, all of the subdivision must be included.
5. The area within the proposed satellite corporate limits, when added to the area within all other satellite corporate limits, may not exceed 10% of the area within the primary corporate limits of the annexing city.

However, the town charter of Oak Ridge precludes it from annexing property under North Carolina statutory provisions for annexation until July 1, 2018.

BILL ANALYSIS: The bill would amend the Town Charter to allow Oak Ridge to seek annexation by petition of a described property that is non-contiguous to the current town property limits. The property, measuring approximately 3 square miles, is agricultural and rural residential in nature. The act is effective when it becomes law.

S420-SMSV-001

[1] G.S. 160A-58.4 provides that satellite corporate limits cannot be considered a part of a municipality's corporate limits for purposes of its ETJ. Therefore, satellite annexations have no effect upon a municipality's ETJ.

A BILL TO BE ENTITLED

AN ACT TO UPDATE THE CAP FOR THE AMOUNT FINANCED THAT FALLS WITHIN THE MEANING OF A CONSUMER CREDIT SALE IN ORDER TO REFLECT THE INCREASE IN THE COST OF CONSUMER GOODS AND SERVICES DUE TO INFLATION.

The General Assembly of North Carolina enacts:

SECTION 1. G.S. 25A-2(a) reads as rewritten:

"**§ 25A-2. 'Consumer credit sale' defined.**

(a) Except as provided in subsection (c) of this section, a "consumer credit sale" is a sale of goods or services in which

(1) The seller is one who in the ordinary course of business regularly extends or arranges for the extension of consumer credit, or offers to extend or arrange for the extension of such credit,

(2) The buyer is a natural person,

(3) The goods or services are purchased primarily for a personal, family, household or agricultural purpose,

(4) Either the debt representing the price of the goods or services is payable in installments or a finance charge is imposed, and

(5) The amount financed does not exceed ~~twenty-five thousand dollars ($25,000)~~ seventy-five thousand dollars ($75,000) or, in the case of a debt secured by real property or a manufactured home as defined in G.S. 143-145(7), regardless of the amount financed."

SECTION 2. This act becomes effective October 1, 2005, and applies to sales that occur on or after that date.

HOUSE BILL 1411:
Update Consumer Credit Sales Cap

BILL ANALYSIS

Committee:	House Finance	**Date:**	May 10, 2005
Introduced by:	Rep. Luebke	**Summary by:**	Martha Walston
Version:	First Edition		Committee Counsel

SUMMARY: House Bill 1411 increases the maximum amount that may be financed in a consumer credit sale from $25,000 to $75,000 in order to reflect the increase in the cost of consumer goods and services due to inflation. The amount that may be financed has not been increased since 1971.

HB 1411 becomes effective October 1, 2005, and applies to sales that occur on or after that date.

CURRENT LAW: Consumer credit sales agreements are governed by the Retail Installment Sales Act (RISA) in Chapter 25A of the General Statutes. A consumer credit sale is one in which the seller in the ordinary course of its business regularly extends or arranges for the extension of consumer credit. The buyer is a natural person and the goods or services are purchased primarily for a personal, family, household or agricultural purpose. Either the debt representing the price of the goods or services is payable in installments or a finance charge is imposed, and as a general rule, the amount financed does not exceed $25,000. The exception to the general rule is that there is no limit concerning the amount being financed if the transaction involves a debt secured by real property or a manufactured home.

Every consumer credit installment sales contract must be in writing, dated and signed by the buyer. The RISA provides limitations on the term of the loan, interest and finance charges, transfer fees, insurance, the types of property that can be taken as collateral, default charges, deferral charges, and rebates for prepayment. A buyer may not authorize any person to confess judgment on a claim arising out of a consumer credit sale. The agreement may not contain any provision limiting, excluding, modifying or in any manner altering the terms of any express warranty given by any seller to any buyer. If a lawsuit is filed to enforce the contract, the court shall allow a reasonable attorney's fee to the prevailing party.

Further requirements must be met if the solicitation for the consumer credit sale occurs in the buyer's home. The seller must obtain the buyer's signature on a "fully completed written agreement or offer to purchase." This writing must contain the same language as that used in the oral sales presentation, designate the date of the transaction as the date on which the buyer signs the agreement, contain the name and address of the seller, and contain statutory language that notifies the buyer that the contract may be cancelled within three business days. The seller must also provide the buyer with the statutory form that the buyer may use to cancel the contract. If the buyer exercises its right to cancel, any down payment made by the buyer must be returned in full within ten business days. [1]

BILL ANALYSIS: House Bill 1411 increases the amount that may be financed in a consumer credit sale from a maximum amount of $25,000 to a maximum amount of $75,000. The maximum amount of $25,000 was enacted by the General Assembly in 1971 and has never been changed to reflect the increase in the cost of consumer goods and services due to inflation.

BACKGROUND: Retail installment sales acts (RISAs) were first adopted by most states in the 1940s and 1950s. The scope and substance of RISAs vary from state to state, but all RISAs emphasize the disclosure of contract terms and the need to inform purchasers of their legal rights.

House Committee on Finance

Minutes

~

May 17, 2005

The House Committee on Finance met on Tuesday, May 17, 2005 at 8:30 am in Room 544 of the Legislative Office Building. The following members were present: Chairpersons Alexander, Gibson, Howard, Luebke, McComas and Wainwright; Vice-Chairs Daughtridge, Hill, Weiss, and Womble; and Representatives Blackwood, Blust, Bordsen, Capps, Carney, Dockham, Faison, Folwell, Glazier, Hackney, Harrell, Holliman, Jones, Lewis, McGee, Underhill, Vinson, Walend, and Wiley. Also present were Sergeant-at-Arms Jonathan Calloway, Bill Freeman, Fred Hines, and Dusty Rhodes. Staff persons present included Cindy Avrette, Rodney Bizzell, Erika Churchill, Brenna Erford, Ashley Huffstetler, Linda Millsaps, and Martha Walston. The Agenda and Visitor Registration Sheet are attached and incorporated into these minutes as **attachments 1 and 2**.

Chairman Wainwright called the meeting to order at 8:33 am and recognized the two (2) pages present: Charis Craig of Catawba County, sponsored by Representative Hilton; and Kelly Smith of Catawba County, sponsored by Representative Hilton.

The first bill under the Committee's consideration was **HB 85 – ALPHA PHI ALPHA FRATERNITY SPECIAL PLACE** (see **attachment 3**). Chairman Wainwright first recognized Representative Alexander who moved for the adoption of the proposed committee substitute for the Committee's consideration. The motion was adopted. Representative Womble was then recognized and explained that this was an omnibus bill incorporating all of the new special license plate bills filed during the session. As there was no discussion on the bill, Chairman Wainwright then recognized Representative Holliman who moved for a favorable report to the proposed committee substitute and an unfavorable report to the original bill. Chairman Wainwright then called the motion to a vote, and it carried by consent.

The next bill considered by the Committee was **HB 629 – OPTION TO FREEZE CREDIT REPORT** (see **attachment 4**). Chairman Wainwright first recognized Representative Hill who moved for the adoption of the proposed committee substitute for the Committee's consideration. The motion was adopted. Representative Adams was then recognized to explain the bill. She stated that House Bill 629 requires a credit reporting agency to, upon the written request from a consumer, place a security freeze prohibiting the agency from providing a consumer's credit report to a third party. Following the explanation, Representative Blackwood asked if the credit report freeze would be permanent. To answer the question, Representative Adams was recognized and explained that the freeze would only be temporary, and that the consumer would be provided a PIN number that could be provided to release the freeze for a certain creditor. Chairman Wainwright then recognized Representative Daughtridge who asked if this bill would prohibit the Employment Security Commission from accessing a credit report. Brad Lamb with the NC

Consumers' Council was recognized to answer the question. He again reiterated that consumers would be given a PIN number to provide organizations that the consumer wants to allow access to their credit reports. Chairman Wainwright then recognized Representative Howard who moved for a favorable report to the proposed committee substitute and an unfavorable report to the original bill. As there was no further debate, Chairman Wainwright called the motion to a vote and it carried without objection.

The following bill considered by the Committee was **HB 613 - UPDATE CERTIFICATION/LICENSURE/REC. THERAPY** (see **attachment 5**). Chairman Wainwright first recognized Representative Howard who moved for the adoption of the proposed committee substitute for the Committee's consideration. The motion was adopted. The bill sponsor, Representative Harrell, was then recognized and explained that this bill simply updates existing laws that regulate the practice of recreational therapy. He also stated that the bill has received no opposition. Following the explanation, Chairman Wainwright recognized Representative Gibson who moved for a favorable report to the proposed committee substitute and an unfavorable report to the original bill. Seeing no further discussion, Chairman Wainwright called the motion to a vote and it carried by consent.

Chairman Wainwright then recognized Representative Alexander to explain **HB 890 – CRIME LAB COST RECOVERY FEE** (see **attachment 6**). Before the explanation, Representative Hill was recognized and moved for the adoption of the proposed committee substitute for the Committee's consideration. The motion was adopted. Representative Alexander then explained that the bill requires a District or Superior Court judge to charge a defendant $300 when a local government crime laboratory performs a DNA analysis, tests bodily fluids, or analyzes a controlled substance in connection with an investigation leading to conviction. Representative Holliman was then recognized and asked what the court would do when handling an indigent person's inability to pay this fee. Representative Glazier was recognized and, answering the question, stated that the fee could be waived by the court or included as part of the judgment by the court. Following other general questions about the bill, Representative Glazier moved for a favorable report to the proposed committee substitute and an unfavorable report to the original bill. As there was no further debate, Chairman Wainwright called the motion to a vote and it carried without objection.

The next bill under consideration by the Committee was **HB 1025 – WINEMAKING ON PREMISES PERMIT** (see **attachment 7**). Chairman Wainwright recognized Representative Luebke to explain the bill. He explained that the bill creates a new "Winemaking on Premises" permit to businesses where customers may purchase ingredients and rent the equipment, time, and space to make unfortified wine for personal use. He stated that the production of beer for personal use was already allowed under the law and that this bill simply extended that right to wine. He also reported that the bill had received a favorable report in the Alcoholic Beverage Committee. Following his explanation, Representative Luebke then moved that House Bill 1025 be given a favorable report by the Committee. Seeing no further discussion, Chairman Wainwright called the motion to a vote, and it carried by consent.

Chairman Wainwright then recognized Representative Hill who moved for the adoption of the proposed committee substitute for the Committee's consideration of **HB 1277 – CLARIFY HUNTER SAFETY** (see **attachment 8**). The motion was adopted. Chairman Wainwright recognized the bill sponsor, Representative Faison, who explained that this bill amends the licensure and education requirements for young hunters. He also explained specifically that the bill lowers the fee charged to disabled hunters from $10 to $5. Chairman Wainwright then recognized Representative Holliman who moved for a favorable report to the proposed committee substitute

and an unfavorable report to the original bill. As there was no further debate, Chairman Wainwright called the motion to a vote and it carried without objection.

The next bill under consideration by the Committee was **HB 1281 – COUNTY CONTROL/NOXIOUS AQUATIC WEEDS** (see **attachment 9**). Chairman Wainwright recognized Representative Lucy Allen who explained that the bill grants certain counties the authority to define noxious aquatic weed control service districts. She furthered stated that noxious weeds covered in this bill have become a problem in many lake areas and this legislation provides localities with the authority to regulate them. Following the explanation, Representative Jones moved for a favorable report to the proposed committee substitute and an unfavorable report to the original bill. Seeing no further discussion, Chairman Wainwright called the motion to a vote and it carried by consent

Chairman Wainwright then recognized Representative Weiss who moved for the adoption of the proposed committee substitute for the Committee's consideration of **HB 1429 – WINE SHIPPER FEE/WINE PRIMARY SOURCE** (see **attachment 10**). The motion was adopted. Representative Gibson was then recognized and explained that the bill provides for reciprocity among the states by eliminating the application fee for a wine shipper permit and requires the designation of a primary source for the importation of wine into the state. Chairman Wainwright recognized Chris Valauri, President of the Beer and Wine Wholesalers, who answered general questions about the bill. Following the discussion, Representative Hill was recognized and moved for a favorable report to the proposed committee substitute and an unfavorable report to the original bill. As there was no further debate, Chairman Wainwright called the motion to a vote and it carried without objection.

The next bill under consideration by the Committee was **HB 1507 – AMEND INTERPRETER/TRANSLITERATOR LICENSE ACT** (see **attachment 11**). Chairman Wainwright recognized Representative Alexander who explained that this bill amends the North Carolina Interpreter and Transliterator Licensure Act and allows the North Carolina Transliterator Licensing Board to assess civil penalties not to exceed $1,000. Representative Holliman was recognized and asked why the NC Transliterator Licensing Board would need to charge such high civil penalties. Kathy Beetham, the Secretary of the Board, was recognized and stated that a maximum fine of $1,000 could be charged to someone who repeatedly violated the rules regarding transliterator licensing. She also stated that since licensed transliterators often provided translating services on legal matters for deaf persons, the civil penalties were necessary in order to protect those individuals from any deceptive practice. Representative Faison then was recognized and asked if the bill applies to language translators. Ms. Beetham was recognized and responded saying that the bill only applies to sign language translators who are compensated for their services. Chairman Wainwright then recognized Representative Howard who moved that House Bill 1507 be given a favorable report by the Committee. Seeing no further discussion, Chairman Wainwright called the motion to a vote and it carried by consent.

The final bill considered by the Committee was **HB 768 – 2005 OMNIBUS LABOR LAW CHANGES** (see **attachment 12**). Chairman Wainwright first recognized Representative Glazier who moved for the adoption of the proposed committee substitute for the Committee's consideration. The motion was adopted. Chairman Wainwright then recognized Representative Howard who sent forth an amendment (see **attachment 13**), which ensures that an employee will have the right to withhold authorization for employer deductions on paychecks, and moved for its adoption. As there was no debate on the amendment, Chairman Wainwright called the motion to a vote, and the amendment was adopted. Representative Howard then continued and explained that the bill received a favorable report from the House Judiciary II Committee and is a cleanup agency

bill from the Department of Labor. Chairman Wainwright then recognized Representative Hackney who asked if the effective date should be when the bill becomes law. Representative Howard was recognized and stated that she was amenable to delaying the effective date of the bill to October 1, 2005. Thus, Representative Hackney sent forth an amendment changing the effective date to October 1, 2005 and moved for its adoption. Seeing no further discussion, Chairman Wainwright called the motion to a vote and the amendment was adopted. Representative Luebke was then recognized and moved for a favorable report to a new proposed committee substitute, incorporating the adopted amendments, and an unfavorable report as to the original PCS before the Committee. As there was no further debate, Chairman Wainwright called the motion to a vote and it carried without objection.

Having no further business before the Committee, Chairman Wainwright then adjourned the meeting at 9:26 am.

Respectfully submitted,

Representative William Wainwright

A BILL TO BE ENTITLED

AN ACT TO AUTHORIZE THE DIVISION OF MOTOR VEHICLES TO ISSUE THE FOLLOWING SPECIAL REGISTRATION PLATES: AIR MEDAL RECIPIENT, ALPHA PHI ALPHA FRATERNITY, ARC OF NORTH CAROLINA, AUTISM SOCIETY OF NORTH CAROLINA, BUDDY PELLETIER SURFING FOUNDATION, COASTAL CONSERVATION ASSOCIATION, COLD WAR VETERAN, CORVETTE CLUB, GUILFORD BATTLEGROUND COMPANY, NATIONAL MULTIPLE SCLEROSIS SOCIETY, NATIONAL WILD TURKEY FEDERATION, NORTH CAROLINA AQUARIUM, NORTH CAROLINA MUSEUM OF NATURAL SCIENCES, OPERATION ENDURING FREEDOM, OPERATION IRAQI FREEDOM, SCUBA, SHARE THE ROAD, AND TARHEEL CLASSIC THUNDERBIRD CLUB.

The General Assembly of North Carolina enacts:

SECTION 1. G.S. 20-63 (b) reads as rewritten:

"(b) Every license plate shall have displayed upon it the registration number assigned to the vehicle for which it is issued, the name of the State of North Carolina, which may be abbreviated, and the year number for which it is issued or the date of expiration. A plate issued for a commercial vehicle, as defined in G.S. 20-4.2(1), and weighing 26,001 pounds or more, must bear the word "commercial," unless the plate is a special registration plate authorized in G.S. 20-79.4 or the commercial vehicle is a trailer or is licensed for 6,000 pounds or less. The plate issued for vehicles licensed for 7,000 pounds through 26,000 pounds must bear the word "weighted".

Except as otherwise provided in this subsection, a registration plate issued by the Division for a private passenger vehicle or for a private hauler vehicle licensed for 6,000 pounds or less shall be a "First in Flight" plate. A "First in Flight" plate shall have the words "First in Flight" printed at the top of the plate above all other letters and numerals. The background of the plate shall depict the Wright Brothers biplane flying over Kitty Hawk Beach, with the plane flying slightly upward and to the right. The

following special registration plates do not have to be a "First in Flight" plate. The design of the plates that are not "First in Flight" plates must be approved by the Division and the State Highway Patrol for clarity and ease of identification.

(1) Friends of the Great Smoky Mountains National Park.
(2) Rocky Mountain Elk Foundation.
(3) Blue Ridge Parkway Foundation.
(4) Friends of the Appalachian Trail.
(5) NC Coastal Federation.
(6) In God We Trust.
(7) Stock Car Racing Theme.
(8) Buddy Pelletier Surfing Foundation.
(9) Guilford Battleground Company.
(10) National Wild Turkey Federation.
(11) North Carolina Aquarium Society."

SECTION 2. G.S. 20-79.4(a) reads as rewritten:

"(a) General. – Upon application and payment of the required registration fees, a person may obtain from the Division a special registration plate for a motor vehicle registered in that person's name if the person qualifies for the registration plate. A holder of a special registration plate who becomes ineligible for the plate, for whatever reason, must return the special plate within 30 days. A special registration plate may not be issued for a vehicle registered under the International Registration Plan. A special registration plate may be issued for a commercial vehicle that is not registered under the International Registration Plan. A special registration plate may not be developed using a name or logo for which a trademark has been issued unless the holder of the trademark licenses, without charge, the State to use the name or logo on the special registration plate. ~~A holder of a special registration plate who becomes ineligible for the plate, for whatever reason, must return the special plate within 30 days.~~"

HOUSE BILL 85:
Various Special License Plates

BILL ANALYSIS

Committee:	House Finance	**Date:**	May 17, 2005
Introduced by:	Reps. Womble, Bell, Pierce	**Summary by:**	Cindy Avrette
Version:	PCS to First Edition H85-CSRBf-12		Committee Counsel

SUMMARY: The Proposed Committee Substitute for House Bill 85 authorizes the Division of Motor Vehicles to develop 18 new special registration plates. The bill becomes effective when it becomes law.

CURRENT LAW: The Division of Motor Vehicles is authorized to issue more than 100 special license plates. As a general rule, the fee for a special registration plate is the regular vehicle registration fee plus a $10 special registration plate fee.[1] The $10 special registration plate fee is credited to the Special Registration Plate Account. After deducting the cost of the plates from this account, $525,000 is annually appropriated to provide operating assistance for seven Visitor Centers.[2] The Centers are located in Brunswick, Camden, Carteret, Caswell, Macon, Tyrell, and Watauga Counties. The remaining revenue in the account is transferred quarterly to the Department of Commerce for advertising (33%), the Department of Transportation for highway beautification (50%), and the Department of Human Resources to promote travel accessibility for disabled persons (17%).

The cost of some special plates includes a fee in addition to the $10 special registration plate fee. In those instances, the first $10 goes to the special registration plate fund and the remainder is transferred quarterly to designated beneficiaries of the additional fee amount.

BILL ANALYSIS: The PCS for House Bill 85 authorizes the Division of Motor Vehicles to issue 18 new special registration plates. With the exception of the 'Air Medal Recipient', all of the plates authorized by the PCS must meet the 300 minimum plate requirement.[3] All of the plates authorized by the PCS require the $10 special registration plate fee that is credited to the Special Registration Plate Account. The PCS provides that the following new plates would not have to be a 'First in Flight' plate[4]:

- Buddy Pelletier Surfing Foundation
- Guilford Battleground Company
- National Wild Turkey Federation
- North Carolina Aquarium Society

Lastly, the bill provides that the Division may not develop a special registration plate that uses a name or logo for which a trademark has been issued unless the holder of the trademark licenses, without charge, the State to use the name or logo on the special registration plate. This provision codifies the current practice. It also removes the language from the individual special license plate authorizations.

---

[1] One registration plate is issued free of charge to a recipient of the Congressional Medal of Honor, a 100% Disabled Veteran, or an ex-prisoner of war. Four special registration plates are exempt from the $10 special plate fee: active member of the National Guard, Legion of Valor, Purple Heart Recipient, and the Silver Star Recipient.

[2] There are 10 Visitors' Centers. Two of the centers that do not receive State funding are located in Dare County and the third one is located in McDowell County.

[3] There are 96 organizations trying to obtain the 300 minimum plate applications. Some of the organizations have been trying to meet this minimum number since 1992.

[4] The design of plates that are not 'First in Flight' plates must be approved by the Division and the State Highway Patrol for clarity and ease of identification. G.S. 20-63(b).

The following chart details the plates authorized by this PCS, the cost of each plate, and how the additional revenues derived from the plates, if any, will be distributed and used.

Purposes	Additional Fees/ Use
Air Medal Recipient. – Issuable to the recipient of the Air Medal. The plate shall bear the emblem of the Air Medal and the words 'Air Medal'. President Roosevelt authorized the Air Medal in 1942 for meritorious achievement while participating in aerial flight or for a single act of heroism against an armed enemy. ***Sponsor:*** *Representative Setzer and Pate, HB 378*	**$10.00** $10 to SRPA
Alpha Phi Alpha Fraternity. – Issuable to the owner of a motor vehicle. The plate shall bear the fraternity's symbol and name. The additional revenue derived from the sale of the plate shall be transferred quarterly to the Association of North Carolina Alphamen Educational Foundation for scholarships for the benefit of African-American males in ANCA attending accredited North Carolina colleges and universities. Alpha Phi Alpha was the first intercollegiate Greek-letter fraternity established for African-Amercians. It was founded at Cornell University in Ithaca, New York in 1906. ***Sponsor:*** *Representative Womble, Bell, and Pierce, HB 85*	**$20.00** $10 to SRPA $10 to CCAPA[5]
ARC of North Carolina. – Issuable to the registered owner of a motor vehicle. The plate shall bear the logo of the ARC of North Carolina and the phrase 'The ARC'. The additional revenue derived from the sale of the plate shall be transferred quarterly to The ARC of North Carolina, Inc., for its programs in support of retarded citizens in North Carolina. The ARC of North Carolina seeks to secure for all people with developmental disabilities the opportunity to choose and realize their goals of where and how they learn, live, work, and play. There are at least 40 local ARC chapters throughout the State. ***Sponsor:*** *Representative Goodwin, HB 1529*	**$10.00** $10 to SRPA
Autism Society of North Carolina. – Issuable to the registered owner of a motor vehicle. The plate shall bear the phrase 'Autism Society of North Carolina' and the logo of the Autism Society. The additional revenue derived from the sale of the plate shall be transferred quarterly to the Autism Society of North Carolina, Inc. for support services to individuals with autism and their families. The Autism Society of North Carolina was founded in 1970 by a dedicated group of parents seeking services and support for their families. The organization connects people who live with autism with resources, support, advocacy and information tailored to their unique needs. ***Sponsor:*** *Representative Gibson, HB 1668*	**$20** $10 to SRPA $10 to CCAPA
Buddy Pelletier Surfing Foundation. – Issuable to the registered owner of a motor vehicle. The plate shall bear the words 'Buddy Pelletier Surfing Foundation' and the logo of the Foundation. The additional revenue derived from the sale of the plate shall be transferred quarterly to the Buddy Pelletier Surfing Foundation to fund the Foundation's scholastic and humanitarian aid programs. Buddy Pelletier founded the organization to render humanitarian aid to those with catastrophic needs and to provide scholarships to students who are involved in the sport of surfing. ***Sponsor:*** *Representative Preston, HB 870*	**$20** $10 to SRPA $10 to CCAPA
Coastal Conservation Association. – Issuable to the registered owner of a motor vehicle. The plate shall bear the logo and name of the Coastal Conservation Association. The additional revenue derived from the sale of the plate shall be transferred quarterly to the Division of Marine Fisheries for its conservation programs. The Coastal Conservation Association is a non-profit organization comprised of 15 coastal state chapters, including a North Carolina chapter. The stated purpose of CCA is	**$30** $10 to SRPA $20 to CCAPA

to advise and education the public on conservation of marine resources. The objective of CCA is to conserve, promote, and enhance the present and future availability of coastal resources for the benefit and enjoyment of the general public. The Division of Marine Fisheries, part of the Department of Environment and Natural Resources, is responsible for the stewardship of the state's marine and estuarine resources. The DMF's mission is to maintain, preserve, and develop all of North Carolina's marine and estuarine resources. A 9-member Marine Fisheries Commission and the Secretary of the Department establish agency policies. The General Assembly authorized a similar plate in 2003 for the North Carolina Coastal Federation. The Division has not developed this plate because it has not yet received the 300 minimum plate applications. ***Sponsor:*** *Representative McMahan and Gibson, HB 1355*	
Cold War Veteran. -- Issuable to a veteran of the armed services of the United States who served during the Cold War era, September 2, 1945, through December 26, 1991, and who was separated from the armed services under honorable conditions. The plate shall bear the words 'Cold War Veteran' and an insignia representing the Cold War era. In the 1998 National Defense Authorization Act, the Secretary of Defense approved awarding Cold War Recognition Certificates to all members of the armed forces and qualified federal government civilian personnel who faithfully and honorably served the country any time during the Cold War era. Currently, there is no badge or medal authorized for this era. ***Sponsor:*** *Representative Setzer and Pate, HB 379.*	**$10** $10 to SRPA
Corvette Club. – Issuable to the registered owner of a motor vehicle. The plate shall bear the flags logo of the Chevrolet Corvette. The Corvette Club is based in Bowling Green, Kentucky and its mission is to keep its members informed and aware of al the latest breaking news in the Corvette industry. ***Sponsor:*** *Representative Underhill, HB 1228*	**$10** $10 to SRPA
Guilford Battleground Company. – Issuable to the registered owner of a motor vehicle. The plate shall bear the phrase 'Revolutionary' and an image that depicts General Nathaniel Greene. The additional revenue derived from the sale of the plate shall be transferred quarterly to the Guilford Battleground Company for its programs. The Guilford Battleground Company was organized in the 1980s to provide support to the unique partnership of Guilford Courthouse National Military Park, a Revolutionary War battle site, and Tannenbaum Historic Park, an 18th century farmstead and colonial heritage center. ***Sponsor:*** *Representative Jeffus, HB 692*	**$20** $10 to SRPA $10 to CCAPA
National Multiple Sclerosis Society. – Issuable to the registered owner of a motor vehicle. The plate shall bear the logo of the Society and the phrase '1-800-FIGHT MS'. The additional revenue derived from the sale of the plate shall be transferred quarterly to the National Multiple Sclerosis Society for its public awareness programs. The National Multiple Sclerosis Society and its network of chapters promote research, educate, advocate on critical issues, and organize a wide range of programs, including support for the newly diagnosed and those living with MS over time. There are three chapters in and near North Carolina: the Central North Carolina Chapter in Greensboro, the Eastern North Carolina Chapter in Raleigh, and the Mid-Atlantic Chapter in Charlotte.. ***Sponsor:*** *Holliman, HB 1197*	**$25** $10 to SRPA $15 to CCAPA
National Wild Turkey Federation. – Issuable to the registered owner of a motor vehicle. The plate shall bear the design of a strutting wild turkey and dogwood blossoms and the words 'Working For The Wild Turkey'. The NWTF is a non-profit organization with	**$25** $10 to SRPA $15 to CCAPA

members in 50 states, Canada, and 11 other foreign countries. The NWTF was founded in 1973 to support scientific wildlife management on public, private, and corporate lands as well as wild turkey hunting as a traditional North American sport. Since 1985 over $2,119,609 has been raised and spent by North Carolina chapters on projects within North Carolina. The monies have been spent on habitat improvement projects, educational programs and literature, land purchases, and research. ***Sponsor:*** *Representative Coates, HB 745*	
North Carolina Aquariums. – Issuable to the registered owner of a motor vehicle. The plate is created as a 'State Attraction' plate, which may bear a phrase or insignia representing the aquatic environments of the State. The additional revenue derived from the sale of the plate shall be transferred quarterly to the North Carolina Aquarium Society, Inc. for its programs in support of the North Carolina aquariums. The North Carolina Aquariums operate three facilities located at Roanoke Island, Pine Knoll Shores, and Fort Fisher. The Aquariums were established in 1976 to promote an awareness, understanding, appreciation, and conservation of the diverse natural and cultural resources associated with North Carolina's ocean, estuaries, rivers, streams, and other aquatic environments. The North Carolina Aquarium Society, established in 1986, is the support organization for the three Aquariums. It is a membership-based, non-profit organization that raises funds for the Aquariums through private donations, corporate gifts, and foundation grants. The Aquariums have completed expansion of the Roanoke Island and Fort Fisher facilities and expansion plans are being explored for the facility at Pine Knoll Shores. Over one million people visited the Aquariums last year. ***Sponsor:*** *Representative McComas, HB 1036*	**$30** $10 to SRPA $20 to CCAPA
North Carolina Museum of Natural Sciences. – Issuable to the registered owner of a motor vehicle. The plate is created as a 'State Attraction' plate, which may bear a phrase or insignia representing the Museum of Natural Sciences. The additional revenue derived from the sale of the plate shall be transferred quarterly to the Friends of the North Carolina State Museum of Natural Sciences for its programs in support of the museum. The North Carolina State Museum of Natural Sciences is the only science museum in the State with a full-time research staff. The museum's staff maintain the State's zoological collections, conduct primary research in the natural sciences, collaborate on research projects, play a supporting role in natural sciences study at the university level, and interpret natural history to the public. The Friends of the North Carolina Museum of Natural Sciences, established in 1979, is a private, non-profit group that supports the Museum's educational programs, exhibits, and research through membership, fund-raising, and advocacy. ***Sponsor:*** *Representative Martin, HB 1083*	**$30** $10 to the SRPA $20 to the CCAPA
Operation Enduring Freedom and Operation Iraqi Freedom. – The PCS amends the **Military Wartime Veteran** plate category to specifically name the last two campaigns of the US Military. The plate would be issuable to either a member or veteran of the armed services of the United States who served during Operation Enduring Freedom or Operation Iraqi Freedom. If the person is a veteran of the armed services, then the veteran must be separated from the armed services under honorable conditions. The plate shall bear a word or phrase identifying the period of war and a replica of the campaign badge or medal awarded for that war. The campaign medals for these two military operations were announced in April 2005. The statute provides that the Division may develop a plate for any campaign, expedition, or engagement for which the United States Department of Defense authorizes a campaign badge or medal. Therefore, as of April of 2005, the Division may develop this plate without this authorization. ***Sponsors:***	**$10.00** $10 to SRPA

Operation Iraqi Freedom, *Representative Capps, HB 682* ***Operation Enduring Freedom,*** *requested by Representative Martin*	
SCUBA. – Issuable to the registered owner of a motor vehicle. The plate shall bear the phrase 'SCUBA' and a logo of the Diver Down Flag. The additional revenue derived from the sale of this plate shall be transferred quarterly to the Division of Marine Fisheries for the purpose of development the State's artificial reefs. The Division of Marine Fisheries, part of the Department of Environment and Natural Resources, is responsible for the stewardship of the state's marine and estuarine resources. The DMF's mission is to maintain, preserve, and develop all of North Carolina's marine and estuarine resources. A 9-member Marine Fisheries Commission and the Secretary of the Department establish agency policies. The General Assembly authorized a similar plate in 1993: Crystal Coast special registration plate. The Division has not yet received the necessary 300 applications to develop the Crystal Coast plate. If issued, the additional revenue derived from it would be used by the Crystal Coast Artificial Reef Association to promote scuba diving off the Crystal Coast. ***Sponsor:*** *Representative Preston, HB 812*	**$20** $10 to the SRPA $10 to the CCAPA
Share the Road. – Issuable to the registered owner of a motor vehicle. The plate shall bear a representation of a bicycle and the phrase 'Share the Road'. A BILL TO BE ENTITLED

AN ACT TO REQUIRE ANY CONSUMER CREDIT REPORTING AGENCY TO, UPON THE WRITTEN REQUEST OF A CONSUMER, PLACE A SECURITY FREEZE THAT PROHIBITS THE AGENCY FROM PROVIDING A CONSUMER'S CREDIT REPORT TO A THIRD PARTY.

The General Assembly of North Carolina enacts:

SECTION 1. Chapter 75 of the General Statutes is amended by adding a new Article to read:

"Article 2A.

"Credit Report Protection Act.

"**§ 75-60. Title.**

This Article may be cited as the "Credit Report Protection Act".

"**§ 75-61. Definitions.**

The following definitions apply in this Article:

(1) Business. – A sole proprietorship, partnership, corporation, association, or other group, however organized and whether or not organized to operate at a profit. Business includes a financial institution organized, chartered, or holding a license or authorization certificate under the laws of this State, any other state, the United States, or any other country, or the parent or the subsidiary of any such financial institution. Business shall not include any government or governmental subdivision or agency.

(2) Consumer. – An individual.

(3) Consumer or credit reporting agency. – Any person that, for monetary fees, dues, or on a cooperative nonprofit basis, regularly engages in whole or in part in the practice of assembling or evaluating consumer credit information or other information on consumers for the purpose of furnishing consumer reports to third parties.

(4) Consumer report or credit report. – Any written, oral, or other communication of any information by a consumer reporting agency bearing on a consumer's creditworthiness, credit standing, credit capacity, character, general reputation, personal characteristics, or mode of living that is used or expected to be used or collected in whole or in part for the purpose of serving as a factor in establishing the consumer's eligibility for any one or more of the following:
a. Credit to be used primarily for personal, family, or household purposes.
b. Employment purposes.
c. Any other purpose authorized under 15 U.S.C. § 1681b.

(5) Credit card. – Defined in section 103 of the Truth in Lending Act (15 U.S.C. § 160, et seq.).

(6) Person. – Any individual, partnership, corporation, trust, estate, cooperative, association, government, or governmental subdivision or agency, or other entity.

(7) Personal information. – An individual's first name or first initial and last name in combination with identifying information as defined in G.S. 14-113.20(b) or any identifying information, when not in connection with the individual's first name or first initial and last name, that if compromised would be sufficient to perform or attempt to perform identity theft against the person whose information was compromised.

(8) Records. – Any material on which written, drawn, spoken, visual, or electromagnetic information is recorded or preserved, regardless of physical form or characteristics. Records do not include publicly available directories containing information an individual has voluntarily consented to have publicly disseminated or listed, such as name, address, or telephone number.

(9) Security breach. – Unauthorized acquisition of records or data that compromises the security or confidentiality of personal information. Security breach does not include a good faith acquisition of personal information by an employee or agent of the business for a legitimate purpose, provided that the personal information is not used for a purpose unrelated to the business or subject to further unauthorized disclosure.

(10) Security freeze. – Notice, at the request of the consumer and subject to certain exceptions under G.S. 75-63(p) that prohibits the consumer reporting agency from releasing all or any part of the consumer's credit report or any information derived from it without the express authorization of the consumer.

"**§ 75-63. Security freeze.**

(a) If a consumer elects to place a security freeze on his or her credit report, a credit reporting agency shall not release the consumer's credit report or information to a

third party without prior express authorization from the consumer. This subsection does not prevent a consumer reporting agency from advising a third party that a security freeze is in effect with respect to the consumer's credit report.

(b) A consumer may elect to place a security freeze on his or her credit report by making a request directly to a consumer reporting agency by any of the following methods:

(1) By certified mail.

(2) By telephone by providing certain personal identification.

(3) Through a secure electronic mail connection if such connection is made available by the agency.

(c) A consumer reporting agency shall place a security freeze on a consumer's credit report no later than five business days after receiving a written or telephone request from the consumer or three business days after receiving a secure electronic mail request.

(d) The consumer reporting agency shall send a written confirmation of the security freeze to the consumer within five business days of placing the freeze and at the same time shall provide the consumer with a unique personal identification number or password to be used by the consumer when providing authorization for the release of his or her credit for a specific party or period of time.

(e) If the consumer wishes to allow his or her credit report to be accessed for a specific party or period of time while a freeze is in place, he or she shall contact the consumer reporting agency via telephone, certified mail, or secure electronic mail, request that the freeze be temporarily lifted, and provide all of the following:

(1) Proper identification.

(2) The unique personal identification number or password provided by the consumer reporting agency pursuant to subsection (d) of this section.

(3) The proper information regarding the third party who is to receive the credit report or the time period for which the report shall be available to users of the credit report.

(f) A consumer reporting agency that receives a request from a consumer to temporarily lift a freeze on a credit report pursuant to subsection (e) of this section shall comply with the request no later than three business days after receiving the request.

(g) A consumer reporting agency may develop procedures involving the use of telephone, fax, or, upon the consent of the consumer in the manner required by the Electronic Signatures in Global and National Commerce Act (e-Sign) for legally required notices, by the Internet, e-mail, or other electronic media to receive and process a request from a consumer to temporarily lift a freeze on a credit report pursuant to subsection (e) of this section in an expedited manner.

(h) A consumer reporting agency shall remove or temporarily lift a freeze placed on a consumer's credit report only in the following cases:

(1) Upon the consumer's request, pursuant to subsection (e) of this section.

(2) If the consumer's credit report was frozen due to a material misrepresentation of fact by the consumer. If a consumer reporting

agency intends to remove a freeze upon a consumer's credit report pursuant to this subdivision, the consumer reporting agency shall notify the consumer in writing five business days prior to removing the freeze on the consumer's credit report.

(i) If a third party requests access to a consumer credit report on which a security freeze is in effect, and this request is in connection with an application for credit or any other use, and the consumer does not allow his or her credit report to be accessed for that specific party or period of time, the third party may treat the application as incomplete.

(j) If a third party requests access to a consumer credit report on which a security freeze is in effect for the purpose of receiving, extending, or otherwise utilizing the credit therein, and not for the sole purpose of account review, the consumer credit reporting agency shall notify the consumer that an attempt has been made to access the credit report and by whom.

(k) A security freeze shall remain in place until the consumer requests that the security freeze be removed. A consumer reporting agency shall remove a security freeze within three business days of receiving a request for removal from the consumer who provides both of the following:

(1) Proper identification.

(2) The unique personal identification number or password provided by the consumer reporting agency pursuant to subsection (d) of this section.

(l) A consumer reporting agency shall require proper identification of the person making a request to place or remove a security freeze.

(m) A consumer reporting agency shall not suggest or otherwise state or imply to a third party that the consumer's security freeze reflects a negative credit score, history, report, or rating.

(n) A consumer shall not be charged for any security freeze services, including, but not limited to, the placement or lifting of a security freeze; however, a consumer may be charged no more than five dollars ($5.00) only in the following discrete circumstances:

(1) If the consumer fails to retain the original personal identification number provided by the agency, the consumer shall not be charged for a one-time reissue of the personal identification number and no more than five dollars ($5.00) for subsequent instances of loss of the personal identification number.

(2) The consumer may be charged no more than five dollars ($5.00) for the third and each subsequent time within a calendar year the consumer requests a security freeze on his or her credit report be temporarily lifted pursuant to subsection (e) of this section.

(3) For consumers that remove a security freeze pursuant to subsection (k) of this section, the consumer may be charged no more than five dollars ($5.00) for the third and each subsequent time within a calendar year

the consumer requests a security freeze be placed on his or her credit report pursuant to subsection (b) of this section.

(o) At anytime that a consumer is required to receive a summary of rights required under section 609 of the federal Fair Credit Reporting Act, the following notice shall be included:

"North Carolina Consumers Have the Right to Obtain a Security Freeze on a Credit Report.

You may obtain a security freeze on your credit report at no charge to protect your privacy and ensure that credit is not granted in your name without your knowledge. You have a right to place a security freeze on your credit report pursuant to North Carolina law. The security freeze will prohibit a consumer reporting agency from releasing any information in your credit report without your express authorization or approval.

The security freeze is designed to prevent credit, loans, and services from being approved in your name without your consent. When you place a security freeze on your credit report, within five business days you will be provided a personal identification number or password to use if you choose to remove the freeze on your credit report or to temporarily authorize the release of your credit report to a specific party, parties, or period of time after the freeze is in place. To provide that authorization, you must contact the consumer reporting agency and provide all of the following:

(1) The unique personal identification number or password provided by the consumer reporting agency.

(2) Proper identification to verify your identity.

(3) Proper information regarding the third party or parties who are to receive the credit report or the period of time for which the report shall be available to users of the credit report.

A consumer reporting agency that receives a request from a consumer to lift temporarily a freeze on a credit report shall comply with the request no later than three business days after receiving the request. A security freeze does not apply to circumstances where you have an existing account relationship and a copy of your report is requested by your existing creditor or its agents or affiliates for certain types of account review, collection, fraud control, or similar activities.

If you are actively seeking credit, you should understand that the procedures involved in lifting a security freeze may slow your own applications for credit. You should plan ahead and lift a freeze – either for a period of time if you are shopping around or specifically for a certain creditor – a few days before actually applying for new credit.

If you lift your freeze more than two times in a calendar year, you may be charged no more than five dollars ($5.00) for each subsequent time you wish to impose a security freeze on your credit report. You have a right to bring a civil action against someone who violates your rights under the credit reporting laws. The action may be brought against a consumer reporting agency or a user of your credit report."

(p) The provisions of this section do not apply to the use of a consumer credit report by any of the following:

(1) A person, or the person's subsidiary, affiliate, agent, or assignee with which the consumer has or, prior to assignment, had an account, contract, or debtor-creditor relationship for the purposes of reviewing the account or collecting the financial obligation owing for the account contract or debt.

(2) A subsidiary, affiliate, agent, assignee, or prospective assignee of a person to whom access has been granted under subsection (e) of this section for purposes of facilitating the extension of credit or other permissible use.

(3) Any person acting pursuant to a court order, warrant, or subpoena.

(4) A State or local agency that administers a program for establishing and enforcing child support obligations.

(5) The State or its agents or assigns acting to investigate fraud or acting to investigate or collect delinquent taxes or unpaid court orders or to fulfill any of its other statutory responsibilities.

(6) A person for the purposes of prescreening, as defined by the federal Fair Credit Reporting Act.

(7) Any person or entity administering a credit file monitoring subscription service to which the consumer has subscribed.

(8) Any person or entity for the purpose of providing a consumer with a copy of his or her credit report upon the consumer's request.

(q) If a consumer reporting agency erroneously, whether by accident or design, violates the security freezes by releasing credit information that has been placed under a security freeze or violates any other provision in this section, the affected consumer is entitled to:

(1) Notification within five business days of the release of the information, including specificity as to the information released and the third-party recipient of the information.

(2) File a civil action pursuant to G.S. 75-16. In addition to the remedies therein, a consumer may recover statutory damages of one thousand dollars ($1,000) per violation and seek injunctive relief to prevent or restrain further violations."

SECTION 2. This act becomes effective October 1, 2005.

A BILL TO BE ENTITLED

AN ACT TO REQUIRE ANY CONSUMER CREDIT REPORTING AGENCY TO, UPON THE WRITTEN REQUEST OF A CONSUMER, PLACE A SECURITY FREEZE THAT PROHIBITS THE AGENCY FROM PROVIDING A CONSUMER'S CREDIT REPORT TO A THIRD PARTY.

The General Assembly of North Carolina enacts:

SECTION 1. Chapter 25B of the General Statutes is amended by adding a new Article to read:

"Article 2.

"Security Freeze on Consumers' Credit Reports.

"**§ 25B-10. Definitions.**

As used in this Article, the following definitions apply:

(1) 'Consumer credit file' means all of the information about a consumer that is recorded and retained by a consumer credit reporting agency regardless of how the information is stored.

(2) 'Consumer credit report' means a communication or other information by a consumer credit reporting agency relating to the creditworthiness, credit standing, credit capacity, debts, character, general reputation, personal characteristics, or mode of living of a consumer that is used or expected to be used or collected, wholly or partly, as a factor in establishing the consumer's eligibility for credit or insurance for personal, family, or household purposes, employment purposes, or other purpose authorized under section 603 and section 604 of the Fair Credit Reporting Act, 15 U.S.C. § 1681a and § 1681b, as amended. The term does not include any of the following:

a. A report containing information solely on a transaction between the consumer and the person making the report.

b. An authorization or approval of a specific extension of credit directly or indirectly by the issuer of a credit card or similar device.

c. A report in which a person who has been requested by a third party to make a specific extension of credit directly or indirectly to a consumer makes a decision with respect to the request, if the third party advises the consumer of the name and address of the person to whom the request was made and the person makes the disclosures that must be made under section 615 of the Fair Credit Reporting Act, 15 U.S.C. § 1681m, as amended, to the consumer in the event of adverse action against the consumer.

d. Any communication of information described in this subdivision among persons related by common ownership or affiliated by corporate control.

(3) 'Consumer credit reporting agency' means a person that regularly engages wholly or partly in the practice of assembling or evaluating consumer credit information or other information on consumers in order to provide consumer credit reports to third parties for monetary fees, for dues, or on a cooperative nonprofit basis. Consumer credit reporting agency does not include a business entity that provides only check verification or check guarantee services.

(4) 'Proper identification' means information generally sufficient to identify a person.

"**§ 25B-20. Request and placement of security freeze.**

(a) A consumer may elect to place a security freeze on his or her consumer credit file by submitting to a consumer credit reporting agency a request in writing that is sent by certified mail and that includes proper identification of the consumer. Subject to G.S. 25B-50, upon receiving the consumer's request for a security freeze under this section, a consumer credit reporting agency shall place a notice in a consumer's credit file that indicates the file is subject to a security freeze. When a consumer credit file is subject to a security freeze, a consumer credit reporting agency shall not release information from that consumer's credit file and shall not provide a consumer credit report for that consumer to a third party, unless the agency receives prior express authorization under G.S. 25B-40 from the consumer. This section does not prevent a consumer credit reporting agency from advising a third party that a security freeze is in effect with respect to the consumer's credit file.

(b) A consumer credit reporting agency shall place a security freeze for a consumer no later than five business days after receiving the written request from the consumer. The consumer credit reporting agency shall, no later than 10 business days after receiving the written request from the consumer, also do all of the following:

(1) Send a written confirmation of the security freeze to the consumer.

(2) Disclose in writing to the consumer the process of placing and removing the security freeze and the process for allowing access to information from the consumer's credit file or for providing a

consumer credit report for a specific requester or a specific period of time while the security freeze is in effect by temporarily lifting the security freeze under G.S. 25B-40(b).

(3) Provide the consumer with a unique personal identification number or password to be used by the consumer to authorize a removal or temporary lifting of the security freeze under G.S. 25B-40.

(c) Any consumer credit reporting agency shall honor a security freeze placed by any other consumer credit reporting agency.

(d) A consumer may request in writing a replacement personal identification number or password. The request must comply with the requirements for requesting a security freeze under subsection (a) of this section. The consumer reporting agency shall no later than the third business day after the date the agency receives the request for a replacement personal identification number or password provide the consumer with a new unique personal identification number or password to be used by the consumer instead of the number or password that was provided under subsection (b) of this section.

"**§ 25B-30. Notification of change.**

If a security freeze is in place, a consumer credit reporting agency shall notify the consumer in writing of a change in the consumer credit file to the consumer's name, date of birth, social security number, or address no later than 30 calendar days after the date the change is made. The agency shall send notification of a change of address to the new address and former address. This section does not require notice of an immaterial change, including a street abbreviation change or correction of a transposition of letters or misspelling of a word.

"**§ 25B-40. Removal or temporary lifting of security freeze.**

(a) On a request in writing and with proper identification provided by a consumer, including the consumer's personal identification number or password provided under G.S. 25B-20, a consumer credit reporting agency shall remove a security freeze no later than the third business day after the date the agency receives the request.

(b) On a request in writing and with proper identification provided by a consumer, including the consumer's personal identification number or password provided under G.S. 25B-20, a consumer credit reporting agency, shall, no later than the third business day after the date the agency receives the request, temporarily lift the security freeze for either or both of the following:

(1) A certain properly designated period of time.

(2) A certain properly identified third party.

(c) A consumer credit reporting agency may develop procedures involving the use of a telephone, a facsimile machine, the Internet, or another electronic medium to receive and process a request from a consumer under this section.

(d) A consumer credit reporting agency shall remove a security freeze when the security freeze was placed due to a material misrepresentation of fact by the consumer. The consumer credit reporting agency shall notify the consumer in writing before removing the security freeze under this subsection.

(e) A consumer credit reporting agency shall not charge a fee for a request under subsection (a) or (b) of this section.

"**§ 25B-50. Exemptions from security freeze.**

A consumer credit reporting agency may provide a consumer credit report to all of the following for any consumer credit file that is currently subject to a freeze under G.S. 25B-20:

(1) A State or local governmental entity, including a law enforcement agency or court or private collection agency, if the entity, agency, or court is acting under a court order, warrant, subpoena, or administrative subpoena.

(2) A child support agency acting to investigate or collect child support payments or acting under title IV-D of the Social Security Act, 42 U.S.C. § 651, et seq., as amended.

(3) The Department of Health and Human Services acting to investigate fraud.

(4) The Department of Revenue acting to investigate or collect delinquent sales or franchise taxes.

(5) A tax assessor-collector acting to investigate or collect delinquent ad valorem taxes.

(6) A person for the purposes of prescreening as provided by the Fair Credit Reporting Act, 15 U.S.C. § 1681, et seq., as amended.

(7) A person with whom the consumer has an account or contract or to whom the consumer has issued a negotiable instrument, or the person's subsidiary, affiliate, agent, assignee, prospective assignee, or private collection agency, for purposes related to that account, contract, or instrument.

(8) A subsidiary, affiliate, agent, assignee, or prospective assignee of a person to whom access has been granted under G.S. 25B-40(b).

(9) A person who administers a credit file monitoring subscription service to which the consumer has subscribed.

(10) A check service or fraud prevention service company that issues consumer credit reports:

a. To prevent or investigate fraud; or

b. For purposes of approving or processing negotiable instruments, electronic funds transfers, or similar methods of payment.

(11) A deposit account information service company that issues consumer reports related to account closures caused by fraud, substantial overdrafts, automated teller machine abuses, or similar negative information regarding a consumer to an inquiring financial institution for use by the financial institution only in reviewing a consumer request for a deposit account with that institution.

(12) A consumer credit reporting agency that:

a. Acts only to resell credit information by assembling and merging information contained in a database of another consumer credit reporting agency or multiple consumer credit reporting agencies; and

b. Does not maintain a permanent database of credit information from which new consumer credit reports are produced.

"**§ 25B-60. Charges for placing security freeze.**

A consumer credit reporting agency may impose a reasonable charge on a consumer for each placement of a security freeze. The amount of the charge shall not exceed ten dollars ($10.00). A consumer credit reporting agency shall charge no such fee to any victim of identity fraud under Article 20 of Chapter 14 of the General Statutes who submits a valid police report.

"**§ 25B-70. Injunctive relief; civil penalty.**

(a) The Attorney General may file a suit against a person for either or both of the following:

(1) Injunctive relief to prevent or restrain a violation of this Article.

(2) A civil penalty in an amount not to exceed two thousand five hundred dollars ($2,500) for each violation of this Article.

(b) If the Attorney General brings an action against a person under subsection (a) of this section, and an injunction is granted against the person or the person is found liable for a civil penalty, the Attorney General may recover reasonable expenses, court costs, investigative costs, and attorneys' fees.

(c) Each day a violation continues or occurs is a separate violation for purposes of imposing a penalty under this section.

"**§ 25B-80. Exemptions from Article.**

The provisions of this Article do not apply to any of the following entities:

(1) A check service or fraud prevention service company that issues consumer credit reports:

a. To prevent or investigate fraud, or

b. For purposes of approving or processing negotiable instruments, electronic funds transfers, or similar methods of payment.

(2) A deposit account information service company that issues consumer credit reports related to account closures caused by fraud, substantial overdrafts, automated teller machine abuses, or similar negative information regarding a consumer to an inquiring financial institution for use by only the financial institution in reviewing a consumer request for a deposit account with that institution."

SECTION 2. This act becomes effective October 1, 2005.

House Bill 629:
Credit Report Protection Act.

BILL ANALYSIS

Committee:	**House Finance**	**Sponsor:**	**Representative Adams**
Date:	May 17, 2005	**Analysis by:**	Ashley Huffstetler
Version:	**H629-CSMB-17**		Staff Attorney

SUMMARY: House Bill 629 requires a consumer credit reporting agency to place a freeze on a consumer's credit report at the request of the consumer. The freeze prohibits the reporting agency from releasing the consumer's credit report to any third party. The PCS makes grammatical and technical corrections to the original bill.

ANALYSIS: House Bill 629 adds a new Article to the consumer protection statutes and allows an individual consumer to request, in writing, that a consumer reporting agency place a security freeze on his or her credit report. The security freeze prohibits the consumer reporting agency from releasing the consumer's credit report, or any information derived from it, without the express authorization of the consumer. The consumer reporting agency may advise a party requesting a report that there is a security freeze in place prohibiting the release of the information, but the agency may not suggest or imply that the consumer's freeze reflects a negative credit score, history, report, or rating.

The consumer must make the request to place a security freeze on the account in one of the following three ways: (1) by certified mail, (2) by telephone, or (3) by email. The freeze must be effective within five business days if the request is made by phone or mail and within three business days if the request is made by email. The reporting agency must confirm the freeze to the consumer and send a personal identification number (PIN) or password to be used by the consumer to access the account when providing authorization of the release of credit information to a specific party or for a period of time. When authorization is properly given, the reporting agency must lift the freeze within three business days of the request.

The reporting agency may lift the freeze only in the following limited circumstances: (1) upon the consumer's request, and (2) if the credit report was frozen due to a material misrepresentation of fact by the consumer. If a third party requests the report for any purpose other than routine account review, the consumer reporting agency must notify the consumer that an attempt was made to access the report and by whom.

The consumer is not to be charged for any security freeze services, *except* in the following circumstances:

1. Up to $5 may be charged for the third and all subsequent replacement requests of the consumer's PIN number.
2. Up to $5 may be charged for the third and all subsequent requests in a calendar year that the consumer's credit report be made available on a *temporary* basis under subsection (e).
3. Up to $5 may be charged for the third and all subsequent requests in a calendar year to *remove* the freeze under subsection (k).

When the credit reporting agency sends a summary of rights to the consumer, it must also send a notice of rights for obtaining a security freeze on the consumer's credit report. Additionally, the consumer is

entitled to specific notice if any information is erroneously released when a freeze is in place, and he or she may file a civil action to recover up to $1,000 per violation and injunctive relief.

Section (p) of the bill sets out the parties *exempted* from the credit freeze requirements. These include businesses with whom the consumer has an existing relationship, persons acting pursuant to court order, child support enforcement agencies, and others.

BACKGROUND: The movement to allow consumers to freeze their credits reports stems from the pervasive problem of identity theft in the instant credit economy. California is currently the only state that allows consumers to completely freeze their accounts, but legislation passed in Louisiana and Vermont becomes effective this July. Texas offers the protection to former victims of identity theft. Similar legislation has been filed in 18 other states.

The purpose of the legislation is to thwart identity thieves in their efforts to get new loans and credit in the name of existing consumers. Proponents of the legislation argue that identity theft protection is increasingly necessary in our fluid economy. They point to the recent security breach at Bank of America where thousands of consumer's financial records were reported stolen by identity thieves. Opponents of freeze legislation say that it hinders companies for offering pre-approved credit and is inconvenient for the consumer.

Several bills have been filed in the 2005-2006 session dealing with identity theft issues. Senate Bill 783 requires companies to protect the personal information of consumers and to inform consumers when a security breach has occurred. Senate Bill 921 (with companions) requires the reporting agency to place a security freeze on a consumer's account at the request of the consumer. It provides exemptions from the freeze, allowing government entities, child support agencies, HHS, DOR, and others to access the records. The penalties and fees are both higher than those in House Bill 629. Senate Bill 1048 (with companion) allows consumers to request the freeze and has a provision for social security number protection. It has other provisions on identity theft protection and security breaches. House Bill 546 proposes a study of identity theft.

A BILL TO BE ENTITLED

AN ACT TO UPDATE THE LAWS REGULATING THE PRACTICE OF RECREATIONAL THERAPY.

The General Assembly of North Carolina enacts:

SECTION 1. G.S. 90C-1 through G.S. 90C-19 are repealed.

SECTION 1.1. The title of Chapter 90C reads as rewritten:

"**Chapter 90C.**

~~**Therapeutic Recreation Personnel Certification Act.**~~ **North Carolina Recreational Therapy Licensure Act.**"

SECTION 2. Chapter 90C of the General Statutes is amended by adding the following new sections to read:

"**§ 90C-20. Short title.**

This Chapter shall be known as the 'North Carolina Recreational Therapy Licensure Act'.

"**§ 90C-21. Purpose.**

It is the purpose and intent of the Recreational Therapy Licensure Act to safeguard the health and safety of the public and to protect the public from harm by qualified persons by establishing a minimum level of education, experience and competence to assure the highest degree of professional care and conduct on the part of licensed recreational therapists and licensed recreational therapy assistants.

"**§ 90C-22. Definitions.**

In this Chapter, unless the context otherwise requires, the following definitions shall apply:

(1) Board. – The North Carolina Board of Recreational Therapy Licensure.

(2) Licensed recreational therapist. – A person who holds a license pursuant to this Chapter as a recreational therapist. A person licensed as a 'Recreational Therapist' under this Chapter may practice in clinical, residential, educational, and community settings and may:

a. Conduct an individualized patient or client assessment for the purpose of collecting systematic, comprehensive and accurate data necessary to determine a course of action and subsequent individualized treatment plan.

b. Plan and develop the individualized treatment plan that identifies a patient or client's goals, objectives, and treatment intervention strategies.

c. Implement the individualized treatment plan that is consistent with the overall patient or client treatment program.

d. Systematically evaluate and compare the patient or client's response to the individualized treatment plan and suggest modifications as appropriate.

e. Develop a discharge plan in collaboration with the patient or client, his or her family, and other treatment team members.

f. Serve as a resource for patient or client recreation opportunities to promote or improve their general health and well-being..

g. Deliver services in accordance with the professional standards of practice and Codes of Ethics promulgated by national or State professional organizations.

h. Manage delivery of services in accordance with a written plan of operation based upon standards advanced by appropriate membership, regulatory, and credentialing agencies.

i. Provide professional and pre-professional education and training of recreational therapists or recreational therapy assistants.

j. Conduct research in the field of recreational therapy or therapeutic recreation.

(3) Licensed recreational therapy assistant. – A person who holds a license pursuant to this Chapter as a recreational therapy assistant to act under the supervision of a licensed recreational therapist as defined by rule. A person licensed as a 'Recreational Therapy Assistant' under this Chapter may assist in the practice of recreational therapy in clinical, residential, and community settings under the supervision of a licensed recreational therapist and in accordance with a recreational therapy assistant's training, education, and scope of practice, as defined by rule.

(4) Person. – Any individual, corporation, partnership, association, unit of government, or other legal entity.

(5) Recreational therapy aide. – Any non-licensed person who aids in the provision of recreational therapy services under the provisions of this Chapter, and who, acts under the direction and on-site supervision of a licensed recreational therapist or licensed recreational therapy assistant. A recreational therapy aide may perform recreational therapy related duties and functions which are assigned and are commensurate with an aide's training and competency. An aide's work shall not include responding to a physician's orders; designing, conducting or interpreting individualized recreational therapy patient assessment; determining or modifying recreational therapy

treatment plans or interventions; or any independent practice or performance of recreational therapy services.

(6) Scope of recreational therapy. – The practice of recreational therapy includes all direct patient or client services of assessment, planning, design, implementation, evaluation, and documentation of specific interventions, management, consultation, research, and education for either individuals or groups that require specific therapeutic recreation or recreational therapy intervention representing the process and knowledge base delineated in the most recent National Council for Therapeutic Recreation Certification (NCTRC) Job Analysis Study and professional standards of practice. Scope is inclusive of professional and pre-professional education and training in recreational therapy, therapeutic recreation, and related research.

(7) Recreational therapy. – A treatment service designed to restore, remediate, or rehabilitate a patient or client's level of functioning and independence in life activities, as well as reduce or eliminate the activity limitations and restrictions to participation in life situations caused by an illness or disabling condition.

(8) Therapeutic recreation. – The provision of treatment services and the provision of recreation services to persons with illnesses or disabling conditions. The primary purposes of treatment services, which are often referred to as recreational therapy, are to restore, remediate, or rehabilitate in order to improve functioning and independence as well as reduce or eliminate the effects of illness or disability. The primary purposes of recreation services are to provide recreation resources and opportunities in order to improve health and well-being. Therapeutic recreation is provided by professionals who are trained and certified, registered, or licensed to provided therapeutic recreation.

"**§ 90C-23. North Carolina Recreational Therapy Licensure Board is created.**

(a) The North Carolina Recreational Therapy Licensure Board is created.

(b) Composition. – The Board shall consist of eight members appointed as follows:

(1) Three practicing recreational therapists, one of whom shall be appointed by the Governor, one of whom shall be appointed by the General Assembly upon the recommendation of the President Pro Tempore, and one of whom shall be appointed by the General Assembly upon the recommendation of the Speaker of the House of Representatives.

(2) One licensed practicing recreational therapy assistant appointed by the Governor.

(3) One licensed practicing recreational therapist who is engaged primarily in providing education or training for recreational therapists or recreational therapy assistants appointed by the Governor.

(4) One physician licensed pursuant to Article 1 of Chapter 90 of the General Statutes appointed by the Governor.

(5) Two public members, one of whom shall be appointed by the General Assembly upon the recommendation of the President Pro Tempore and

one of whom shall be appointed by the General Assembly upon the recommendation of the Speaker of the House of Representatives.

The Governor shall make appointments after consultation with the North Carolina Recreational Therapy Licensure Board and other interested persons.

(c) Qualifications. – The nonpublic recreational therapist or recreational therapy assistant members of the Board shall hold a current license. Each nonpublic recreational therapist or recreational therapy assistant member of the Board, at the time of his or her appointment and for at least two years before, shall have been actively engaged in North Carolina in the practice of recreational therapy or therapeutic recreation, in the education and training of graduate or undergraduate students of recreational therapy or therapeutic recreation, or in recreational therapy or therapeutic recreation research.

One public member shall not be a licensed health care professional or an agent or employee of any health care institution, health care insurer, health care professional school, or a member of any allied health profession. One public member shall have received recreational therapy or therapeutic recreation services. For purposes of this subsection, a person enrolled in a program to prepare him or her to be a licensed health care professional or an allied health professional shall not be eligible to serve as a public member of the Board. The spouse of any person who would be prohibited by this subsection from serving on the Board as a public member shall not serve as a public member of the Board. Public members shall reasonably reflect the population of this State.

(d) Term. – Members of the Board shall serve three-year staggered terms and shall serve until a successor is appointed and qualified. No member shall serve more than two consecutive full terms.

(e) Vacancies. – The Governor shall fill vacancies to the Board positions for which he is the appointing authority within 30 days after a position is vacated. The General Assembly shall fill vacancies for which it is the appointing authority in accordance with G.S. 120-122. Appointees shall serve the remainder of the unexpired term and until their successors have been appointed and qualified.

(f) Removal. – The Board may remove any of its members for gross neglect of duty, incompetence, or unprofessional conduct. A member subject to disciplinary proceedings shall be disqualified from Board business until the charges are resolved. The Governor may also remove any member for gross neglect of duty, incompetence, or unprofessional conduct.

(g) Compensation. – Each member of the Board shall receive such per diem compensation and reimbursement for travel and subsistence as shall be set for licensing Board members generally, as provided in G.S. 93B-5.

(h) Officers. – The officers of the Board shall be a chairman, a vice-chairman and other officers deemed necessary by the Board to carry out the purposes of this Chapter. All officers shall be elected annually by the Board for one-year terms and shall serve until their successors are elected and qualified.

(i) Meetings. – The Board shall hold at least two meetings each year to conduct business, and shall adopt rules governing the calling, holding, and conducting of regular and special meetings. A majority of the Board members shall constitute a quorum.

(j) Employees. – The Board may employ necessary personnel for the performance of its functions, and fix their compensation, within the limits of the funds available to the Board.

(k) The total expense of the administration of this Chapter shall not exceed the total income from fees collected pursuant to this Chapter. None of the expenses of the Board, or the compensation or expenses of any officer or any employee of the Board shall be paid or payable out of the General Fund. Neither the Board nor any of its officers or employees may incur any expense, debt, or other financial obligation binding upon the State.

"**§ 90C-24. Powers of the Board.**

(a) The Board shall have the following general powers and duties:

(1) To administer this Chapter.

(2) To issue interpretations of this Chapter.

(3) To adopt, amend, or repeal rules and regulations in the manner prescribed by Chapter 150B of the General Statutes, as may be necessary to carry out the provisions of this Chapter.

(4) To establish qualifications of, employ, and set the compensation of the Executive Director who shall not be a member of the Board.

(5) To employ and fix the compensation of the personnel that the Board determines are necessary to carry out the provisions of this Chapter and to incur other expenses necessary to effectuate this Chapter.

(6) To determine the qualifications of persons who are licensed pursuant to this Chapter.

(7) To issue, renew, deny, suspend, or revoke licenses and carry out any of the other actions authorized by this Chapter.

(8) To conduct investigations for the purpose of determining whether violations of this Chapter are grounds for revoking, denying, suspending, or refusing to renew the licenses of persons licensed pursuant to this Chapter.

(9) To maintain a record of all proceedings and make available to persons who hold a license and other concerned parties an annual report of all Board action.

(10) To set fees for licensure, license renewal, and other services deemed necessary to carry out the purpose of this Chapter.

(11) To adopt a seal containing the name of the Board to be used on licenses and official reports it issues.

(12) To issue annually a list stating the names of persons currently licensed under the privilege of this Chapter.

(13) To establish or approve, as defined by rule, reasonable competency requirements for licensure, including the power to adopt or use examination materials, study or training courses, and standards of recognized accrediting and credentialing agencies and professional associations and the power to establish or approve, as defined by rule,

reasonable standards for renewal of licensure, including requirements for continuing recreational therapy or therapeutic recreation education.

(b) The powers and duties enumerated above are granted for the purpose of enabling the Board to protect the public from misrepresentation of licensure status as provided in this Chapter and shall be liberally construed to accomplish this objective.

"**§ 90C-25. Executive Director.**

The Executive Director shall deposit all fees payable to the Board in financial institutions designated by the Board as official depositories. The funds shall be deposited in the name of the Board and shall be used to pay all expenses incurred by the Board in carrying out the purposes of this Chapter. The State Auditor shall audit the Board annually.

"**§ 90C-26. The Board may accept contributions, etc.**

The Board may accept grants, contributions, devises, bequests, and gifts that shall be kept in a separate fund and shall be used by it to publicize the licensure program and its protective benefits to the public.

"**§ 90C-27. Requirements for licensure.**

(a) The Board shall license any person as a 'Licensed Recreational Therapist' who meets the following education, credential, and experience requirements:

(1) Passage of an appropriate examination as a therapeutic recreation specialist or a recreational therapist by the North Carolina Recreational Therapy Licensure Board or current certification as a 'Certified Therapeutic Recreation Specialist' by the National Council for Therapeutic Recreation Certification.

(2) A minimum level of education or experience, as defined by rules of the Board, inclusive of practice competency standards or guidelines promulgated by professional associations and credentialing and accrediting organizations.

(3) For purposes of this subsection, an academic major or specialization shall be defined by rules of the Board and shall be inclusive of information gathered through surveys of educational institutions in the State having a bachelors or masters degree with a specialization in recreational therapy or therapeutic recreation.

(b) The Board shall license any person as a 'Licensed Recreational Therapy Assistant' who meets the following education and experience requirements:

(1) A minimum level of education or experience, as defined by rules of the Board, inclusive of practice competency standards or guidelines promulgated by professional associations and credentialing and accrediting organizations as deemed appropriate by the Board.

(2) For purposes of this section, an academic major or specialization shall be defined by rules of the Board, and shall be inclusive of information gathered through surveys of educational institutions in the State having associate's degree curricula in recreational therapy or therapeutic recreation.

"**§ 90C-28. Licensure fees.**

Applications for licensure shall be made on forms prescribed and furnished by the Board. The Board may establish fees for the actual cost of duplication services, materials, and returned bank items. All fees derived from services provided by the Board under the provisions of this Chapter shall be nonrefundable. The Board shall establish the amount of fees as defined by rule not to exceed the following amounts:

(1)	Initial application for licensure fee	$200.00
(2)	Licensure renewal fee	$200.00
(3)	Record maintenance fee	$100.00
(4)	Inactive fee	$ 50.00.

"**§ 90C-29. License renewal.**

Every license issued pursuant to this Chapter shall be renewable every two years. Within 30 days before the expiration date, a person who desires to continue to be licensed in the field of therapeutic recreation or recreational therapy shall apply for license renewal on forms furnished by the Board. The applicant shall meet criteria for renewal, including continuing education, established by the Board as defined by rule and shall pay the required fee established by the Board pursuant to this Chapter. Failure to renew the license before the expiration date shall result in automatic forfeiture of any license issued pursuant to this Chapter.

The Executive Director shall notify, in writing, every person at his or her last known address of the expiration of his or her license and the amount that is required for its two-year renewal.

"**§ 90C-30. Reinstatement.**

A person who has allowed his or her license to lapse by failure to renew it pursuant to this Chapter must apply for licensure on a reinstatement form provided by the Board. The Board shall require the applicant to return the completed reinstatement licensure form including renewal requirements established by the Board as defined by rule. If the license has lapsed for more than two years, the Board shall require the applicant to successfully demonstrate competency as defined by rules established by the Board. If the Board determines that the license should be reinstated, it shall issue a license renewal to the applicant.

"**§ 90C-31. Inactive list.**

When a person licensed by the Board submits a request for inactive status and pays the inactive fee, the Board shall issue to the person a statement of inactive status and shall place the person's name on the 'Inactive Status' list. While on that list, the person shall not hold himself or herself out as licensed pursuant to this Chapter. When that person desires to be removed from the inactive list and returned to an active list, an application shall be submitted to the Board on a form furnished by the Board, and the fee shall be paid for license renewal. The Board shall require evidence of competency as defined by rule to resume practice before returning the applicant to the active status.

"**§ 90C-32. Revocation, suspension, or denial of licensure.**

The Board may require remedial education, issue of a letter of reprimand, restrict, revoke, or suspend any license issued pursuant to this Chapter or deny any application for licensure if the Board determines that the licensee or applicant has done any of the following:

(1) Given false information or has withheld material information from the Board in procuring or attempting to procure a license pursuant to this Chapter.
(2) Been convicted of, or pleaded guilty or nolo contendere to, any crime that indicates that the person is unfit or incompetent to be licensed pursuant to this Chapter.
(3) Is unable to perform the functions for which a license has been issued due to impairment of mental or physical faculties.
(4) Engaged in conduct that endangers the public health.
(5) Is unfit or incompetent to be licensed pursuant to this Chapter by reason of deliberate or negligent acts or omissions regardless of whether active injury to the patient or client is established.
(6) Engages in conduct that deceives, defrauds, or harms the public in the course of claiming licensed status or practicing recreational therapy.
(7) Willfully violated any provision of this Chapter, rules, or Code of Ethics enacted by the Board.
(8) Aided, abetted, or assisted any person in violating the provisions of this Chapter.

The Board may reinstate a revoked license or remove licensure restrictions when it finds that the reasons for revocation or restriction no longer exist and that the person can reasonably be expected to safely and properly practice recreational therapy.

"**§ 90C-33. Reciprocity.**

The Board may grant a license, without examination or by special examination, to any person who, at the time of application, is licensed as a recreational therapist or therapeutic recreation specialist by a similar Board of another country, state, or territory whose licensing standards are substantially equivalent to or higher than those required by this Chapter. The Board shall determine the substantial equivalence upon which reciprocity is based.

"**§ 90C-34. Persons and practices not affected.**

Nothing in this Chapter shall be construed to prevent or restrict:

(1) Any person qualified, registered, certified, or licensed to engage in another profession or occupation or any person working under the supervision of a person registered, certified, or licensed to engage in another profession or occupation in this State from performing work incidental to the practice of that profession or occupation as long as that person does not represent himself or herself as a recreational therapy assistant or recreational therapist or the work to be recreational therapy or therapeutic recreation as defined by this Chapter.
(2) Any person employed as a therapeutic recreation specialist, therapeutic recreation assistant, or recreational therapist or a recreational therapy assistant by the government of the United States, if he or she provides therapeutic recreation or recreational therapy solely under the direction and control of the organization by which he or she is employed.

(3) Any person pursuing a course of study leading to a degree in recreational therapy or therapeutic recreation at an accredited college or university that meets the minimum academic requirements for a major or specialization in recreational therapy as defined by the rules and regulations of the Board.

(4) Any person fulfilling the supervised fieldwork experience required for a degree and for licensure, as defined by the rules of the Board, if the person is designated by a title that clearly indicates his or her status as a student.

"**§ 90C-35. Reports; immunity from suit.**

Any person who has reasonable cause to suspect malpractice, misconduct, or incapacity of a person who is licensed pursuant to this Chapter or who has reasonable cause to suspect that any person is in violation of this Chapter should report the relevant facts to the Board. Upon receipt of a charge or upon its own initiative, the Board may give notice of an administrative hearing pursuant to Chapter 150B of the General Statutes or may, after diligent investigation, dismiss unfounded charges. Any person making a report pursuant to this section shall be immune from criminal prosecution or civil liability based on that report unless the person knew the report was false or acted in reckless disregard of whether or not the report was false.

"**§ 90C-36. Violations and penalties.**

Any person not licensed under this Chapter who holds himself or herself out to be licensed under this Chapter or who practices recreational therapy or therapeutic recreation shall be guilty of a Class 1 misdemeanor. Any fine imposed as a result of conviction shall not exceed five hundred dollars ($500.00).

"**§ 90C-37. Enjoining illegal practices.**

(a) If the Board finds that a person is violating any of the provisions of this Chapter, it may apply in its own name to the superior court for temporary or permanent restraining order or injunction to prevent that person from continuing the illegal practices. The court is empowered to grant an injunction regardless of whether criminal prosecution or other action has been or may be instituted as a result of the violation. All actions by the Board shall be governed by the Rules of Civil Procedure.

(b) The venue for actions brought under this Chapter shall be in the county where the defendant resides or the county where violation occurs."

SECTION 3. Members serving on the North Carolina State Board of Therapeutic Recreation Certification on the effective date of this act shall continue to serve and complete their current terms on the North Carolina Recreational Therapy Licensure Board established in G.S. 90C-23, as enacted in Section 2 of this act. The Governor shall appoint the physician member to serve a three-year term pursuant to G.S. 90C-23(b)(4), as enacted in Section 2 of this act. Members appointed thereafter shall serve three-year staggered terms.

SECTION 4. Any current State-certified person working within the scope of recreational therapy, as defined in G.S. 90C-22(7), as enacted in Section 2 of this act, as a recreational therapist or a recreational therapy assistant before January 30, 2006, may be exempt from all educational, examination, and experience requirements for initial

licensure pursuant to this Chapter, as enacted in Section 2 of this act. In order to qualify for this exemption, an applicant must apply to the Board for licensure before January 15, 2008, and the applicant must be working within the scope of recreational therapy and previously certified by the Board at the time of application. The Board shall attempt in good faith to notify all current State-certified persons of the availability of this exemption and the deadlines for qualifying and applying for licensure under this act.

SECTION 5. This act becomes effective October 1, 2005.

A BILL TO BE ENTITLED

AN ACT TO UPDATE THE LAWS REGULATING THE PRACTICE OF RECREATIONAL THERAPY.

The General Assembly of North Carolina enacts:

SECTION 1. G.S. 90C-1 through G.S. 90C-19 are repealed.

SECTION 2. Chapter 90C of the General Statutes is amended by adding the following new sections to read:

"**§ 90C-20. Short title.**

This Chapter shall be known as the 'North Carolina Recreational Therapy Licensure Act'.

"**§ 90C-21. Purpose.**

The North Carolina Recreational Therapy Licensure Act is enacted to safeguard the public health, safety and welfare, to protect the public from being harmed by unqualified persons, to ensure the highest degree of professional care and conduct on the part of recreational therapists and recreational therapy assistants, to provide for the establishment of standards of education, and to ensure the availability of recreational therapy services of high quality to persons in need of such services. It is the purpose of this Chapter to provide for the regulation of persons offering recreational therapy services to the public.

"**§ 90C-22. Definitions.**

The following definitions shall apply in this Chapter:

(1) Board. – The North Carolina Recreational Therapy Licensure Board.

(2) Licensed recreational therapist. – A person who holds a license pursuant to this Chapter as a recreational therapist. A person licensed as a 'Recreational Therapist' under this Chapter may practice in medical, residential, educational, or community settings and may:

a. Conduct an individualized patient or client assessment for the purpose of collecting systematic, comprehensive, and accurate data necessary to determine a course of action and subsequent individualized treatment plan.
b. Plan and develop the individualized treatment plan that identifies a patient or client's goals, objectives, and treatment intervention strategies.
c. Implement the individualized treatment plan that is consistent with the overall patient or client treatment program.
d. Systematically evaluate and compare the patient or client's response to the individualized treatment plan and suggest modifications as appropriate.
e. Develop a discharge plan in collaboration with the patient or client, his or her family, and other treatment team members.
f. Serve as a resource for patient or client recreation opportunities to promote or improve his or her general health and well-being.
g. Deliver services in accordance with the professional standards of practice and Codes of Ethics promulgated by national or State professional organizations.
h. Manage delivery of services in accordance with a written plan of operation based upon standards advanced by appropriate membership, regulatory, and credentialing agencies.
i. Provide professional and pre-professional educational training of recreational therapists or recreational therapy assistants.
j. Conduct research in the field of recreational therapy or therapeutic recreation.

(3) Licensed recreational therapy assistant. – A person who holds a license pursuant to this Chapter as a recreational therapy assistant to act under the supervision of a licensed recreational therapist. A person licensed as a 'Recreational Therapy Assistant' under this Chapter may assist in the practice of recreational therapy in clinical, residential, or community settings under the supervision of a licensed recreational therapist and in accordance with a recreational therapy assistant's training, education, and scope of practice, as determined by the Board.

(4) Person. – Any individual, corporation, partnership, association, unit of government, or other legal entity.

(5) Recreational therapy. – A treatment service designed to restore, remediate, or rehabilitate a patient or client's level of functioning and independence in life activities, as well as reduce or eliminate the activity limitations and restrictions to participation in life situations caused by an illness or disabling condition.

(6) Recreational therapy technician. – Any nonlicensed person who aids in the provision of recreational therapy services in accordance with the provisions of this Chapter and who acts under the direction and on-site

supervision of a licensed recreational therapist or licensed recreational therapy assistant. A recreational therapy technician may perform recreational therapy related duties or functions, which are assigned and are commensurate with a technician's training and competency. However, a technician's work shall not include response to physician's orders, designing, conducting, or interpreting individualized recreational therapy patient assessments, determining or modifying recreational therapy treatment plans or interventions, or any independent practice or performance of recreational therapy services.

(7) Scope of recreational therapy. – The practice of recreational therapy includes all direct patient or client services of assessment, planning, design, implementation, evaluation, and documentation of specific interventions, management, consultation, research, and education for either individuals or groups that require specific therapeutic recreation or recreational therapy intervention representing the process and knowledge base delineated in the most recent National Council for Therapeutic Recreation Certification (NCTRC) Job Analysis Study and professional standards of practice. Scope is inclusive of professional and pre-professional education and training in recreational therapy or therapeutic recreation and related research.

(8) Therapeutic recreation. – The provision of treatment services and the provision of recreation services to persons with illnesses or disabling conditions. The primary purposes of treatment services, which are often referred to as recreational therapy, are to restore, remediate, or rehabilitate in order to improve functioning and independence as well as reduce or eliminate the effects of illness or disability. The primary purposes of recreation services are to provide recreation resources and opportunities in order to improve health and well-being. Therapeutic recreation is provided by professionals who are trained and certified, registered, or licensed to provide therapeutic recreation.

"**§ 90C-23. North Carolina Recreational Therapy Licensure Board is created.**

(a) The North Carolina Recreational Therapy Licensure Board is created.

(b) Composition. – The Board shall consist of eight members appointed as follows:

(1) Three practicing recreational therapists, one of whom shall be appointed by the Governor, one of whom shall be appointed by the General Assembly upon the recommendation of the President Pro Tempore, and one of whom shall be appointed by the General Assembly upon the recommendation of the Speaker of the House of Representatives.

(2) One licensed practicing recreational therapy assistant appointed by the Governor.

(3) One licensed practicing recreational therapist who is engaged primarily in providing education or training for recreational therapists or recreational therapy assistants appointed by the Governor.

(4) One physician licensed pursuant to Article 1 of Chapter 90 of the General Statutes appointed by the Governor.

(5) Two public members, one of whom shall be appointed by the General Assembly upon the recommendation of the President Pro Tempore and one of whom shall be appointed by the General Assembly upon the recommendation of the Speaker of the House of Representatives.

The Governor shall make appointments after consultation with the North Carolina Recreational Therapy Licensure Board and other interested persons.

(c) Qualifications. – The nonpublic recreational therapist or recreational therapy assistant members of the Board shall hold a current license. One public member shall not be a licensed health care professional or an agent or employee of any health care institution, health care insurer, health care professional school, or a member of any allied health profession. One public member shall have received recreational therapy or therapeutic recreation services. For purposes of this subsection, a person enrolled in a program to prepare him or her to be a licensed health care professional or an allied health professional shall not be eligible to serve as a public member of the Board. The spouse of any person who would be prohibited by this subsection from serving on the Board as a public member shall not serve as a public member of the Board. Public members shall reasonably reflect the population of this State.

(d) Term. – Members of the Board shall serve three-year staggered terms and shall serve until a successor is appointed and qualified. No member shall serve more than two consecutive full terms.

(e) Vacancies. – The Governor shall fill vacancies to the Board positions for which he is the appointing authority within 30 days after a position is vacated. The General Assembly shall fill vacancies for which it is the appointing authority in accordance with G.S. 120-122. Appointees shall serve the remainder of the unexpired term and until their successors have been appointed and qualified.

(f) Removal. – The Board may remove any of its members for gross neglect of duty, incompetence, or unprofessional conduct. A member subject to disciplinary proceedings shall be disqualified from Board business until the charges are resolved. The Governor may also remove any member for gross neglect of duty, incompetence, or unprofessional conduct.

(g) Compensation. – Each member of the Board shall receive such per diem compensation and reimbursement for travel and subsistence as shall be set for licensing Board members generally, as provided in G.S. 93B-5.

(h) Officers. – The officers of the Board shall be a chairman, a vice-chairman and other officers deemed necessary by the Board to carry out the purposes of this Chapter. All officers shall be elected annually by the Board for one-year terms and shall serve until their successors are elected and qualified.

(i) Meetings. – The Board shall hold at least two meetings each year to conduct business, and shall adopt rules governing the calling, holding, and conducting of regular and special meetings. A majority of the Board members shall constitute a quorum.

(j) Employees. – The Board may employ necessary personnel for the performance of its functions, and fix their compensation, within the limits of the funds available to the Board.

(k) The total expense of the administration of this Chapter shall not exceed the total income from fees collected pursuant to this Chapter. None of the expenses of the Board, or the compensation or expenses of any officer or any employee of the Board shall be paid or payable out of the General Fund. Neither the Board nor any of its officers or employees may incur any expense, debt, or other financial obligation binding upon the State.

"**§ 90C-24. Powers of the Board.**

(a) The Board shall have the following general powers and duties:

(1) To administer this Chapter.

(2) To issue interpretations of this Chapter.

(3) To adopt, amend, or repeal rules and regulations in the manner prescribed by Chapter 150B of the General Statutes, as may be necessary to carry out the provisions of this Chapter.

(4) To establish qualifications of, employ, and set the compensation of the Executive Director who shall not be a member of the Board.

(5) To employ and fix the compensation of the personnel that the Board determines are necessary to carry out the provisions of this Chapter and to incur other expenses necessary to effectuate this Chapter.

(6) To determine the qualifications of persons who are licensed pursuant to this Chapter.

(7) To issue, renew, deny, suspend, or revoke licenses and carry out any of the other actions authorized by this Chapter.

(8) To conduct investigations for the purpose of determining whether violations of this Chapter are grounds for revoking, denying, suspending, or refusing to renew the licenses of persons licensed pursuant to this Chapter.

(9) To maintain a record of all proceedings and make available to persons who hold a license and other concerned parties an annual report of all Board action.

(10) To set fees for licensure, license renewal, and other services deemed necessary to carry out the purpose of this Chapter.

(11) To adopt a seal containing the name of the Board to be used on licenses and official reports it issues.

(12) To issue annually a list stating the names of persons currently licensed under the privilege of this Chapter.

(13) To establish or approve, as defined by rule, reasonable competency requirements for licensure, including the power to adopt or use examination materials, study or training courses, and standards of recognized accrediting and credentialing agencies and professional associations and the power to establish or approve, as defined by rule, reasonable standards for renewal of licensure, including requirements for continuing recreational therapy or therapeutic recreation education.

(b) The powers and duties enumerated above are granted for the purpose of enabling the Board to protect the public from misrepresentation of licensure status as provided in this Chapter and shall be liberally construed to accomplish this objective.

"**§ 90C-25. Executive Director.**

The Executive Director shall deposit all fees payable to the Board in financial institutions designated by the Board as official depositories. The funds shall be deposited in the name of the Board and shall be used to pay all expenses incurred by the Board in carrying out the purposes of this Chapter. The State Auditor shall audit the Board annually.

"**§ 90C-26. The Board may accept contributions, etc.**

The Board may accept grants, contributions, devises, bequests, and gifts that shall be kept in a separate fund and shall be used by it to publicize the licensure program and its protective benefits to the public.

"**§ 90C-27. Requirements for licensure.**

(a) Effective January 30, 2006, until January 30, 2008, persons currently practicing as recreational therapists and recreational therapy assistants shall meet the following requirements for licensure:

(1) The Board shall license any person as a recreational therapist who meets the following education, credential, and experience requirements:

a. Current certification, including having successfully passed the appropriate examination as a therapeutic recreation specialist by the North Carolina Therapeutic Recreation Certification Board or current certification as a certified therapeutic recreation specialist by the National Council for Therapeutic Recreation Certification.

b. A minimum level of education or experience, as defined by rules and regulations of the Board, inclusive of practice competency standards or guidelines promulgated by professional associations and credentialing and accrediting organizations.

(2) The Board shall license any person as a recreational therapy assistant who meets the following education and experience requirements:

a. Current certification as a therapeutic recreation assistant by the North Carolina Therapeutic Recreation Certification Board.

b. A minimum level of education or experience, as defined by rules and regulations of the Board, inclusive of practice competency standards or guidelines promulgated by professional associations and credentialing and accrediting organizations as deemed appropriate by the Board. For purposes of this section, an academic major or specialization shall be defined by rules and regulations of the Board, and shall be inclusive of information gathered through surveys of educational institutions in North Carolina having associate's degree curricula in recreational therapy or therapeutic recreation.

(b) Effective January 30, 2006, all new applicants for licensure shall meet the following requirements:

(1) An applicant shall be licensed upon satisfactorily showing to the Board that he or she is competent and knowledgeable about the practice of recreational therapy or therapeutic recreation as provided by rules and regulations of the Board.

(2) The Board shall license a person as a recreational therapist who passes the Board examination for licensure in this classification and meets one of the following education and experience requirements:

a. A baccalaureate degree or higher from an accredited college or university with a major in recreational therapy or therapeutic recreation or a major in recreation and an option in therapeutic recreation, which includes a field placement requirement. For purposes of this sub-subdivision, 'an option in therapeutic recreation' shall include: (i) a minimum of three courses dealing exclusively with therapeutic recreation content; (ii) a minimum of three courses dealing exclusively with recreation content; (iii) completion of a 360-hour field placement experience in a clinical, residential, or community-based therapeutic recreation program under an agency supervisor who is licensed by the Board; and (iv) completion of supportive coursework to include a minimum of 18 semester hours or 27 quarter hours from four of these six areas: psychology, sociology, physical/biological science, special education, human services, or adapted physical education.

b. A baccalaureate degree or higher from an accredited college or university with a major in recreation and two years of full-time experience in a clinical, residential, or community-based therapeutic recreation program.

c. A baccalaureate degree or higher from an accredited college or university in one of the recreation-related or allied health fields and five years of full-time experience in a clinical, residential, or community-based therapeutic recreation program.

Transcripts must show evidence of 18 semester hours or 27 quarter hours of upper division credits in recreational therapy or therapeutic recreation coursework and evidence of appropriate support courses.

(3) The Board shall license a person as a recreational therapy assistant who passes an examination for licensure in this classification and meets one of the following education and experience requirements:

a. An associate of arts degree from an accredited educational institution with a major in recreational therapy or therapeutic recreation or a major in recreation and an option in therapeutic recreation, which includes a field placement requirement. For purposes of this sub-subdivision, 'an option in therapeutic recreation' shall include: (i) a minimum of two courses dealing exclusively with recreational therapy or therapeutic recreation content; (ii) a minimum of two courses dealing exclusively with recreation content; (iii) completion of a 360-hour field placement experience in a clinical, residential, or community-based therapeutic recreation program under an agency supervisor who is licensed by the Board; and (iv) completion of supportive coursework to include a minimum of 12 semester or 18 quarter hours selected from psychology, sociology, physical or biological sciences, human services, and physical education activity classes.

b. An associate or arts degree from an accredited educational institution with a major in recreation and one year of full-time experience in a clinical, residential, or community-based therapeutic recreation program.

c. An associate of arts degree or higher from an accredited educational institution with a major in one of the skill areas (arts, dance, drama, music, physical education) and one year of full-time experience in a clinical, residential, or community-based therapeutic recreation program.

d. Completion of the National Therapeutic Recreation 750-Hour Training Program for therapeutic recreation personnel, with verification by an official certificate of completion.

e. Four years of full-time experience in a clinical, residential, or community-based therapeutic recreation program.

(4) The Board may issue a recreational therapist provisional license to any person who meets the educational requirements of subsection (b) of this section while acquiring the experience required for licensure. This provisional license may be issued for a period of two years and shall not be renewed, except in extraordinary circumstances upon unanimous vote of the Board.

"**§ 90C-28. Licensure fees.**

Applications for licensure shall be made on forms prescribed and furnished by the Board. The Board may establish fees for the actual cost of duplication services, materials, and returned bank items. All fees derived from services provided by the Board under the provisions of this Chapter shall be nonrefundable. The Board shall establish the amount of fees as defined by rule not to exceed the following amounts:

(1)	Initial application for licensure fee	$200.00
(2)	Licensure renewal fee	$200.00
(3)	Record maintenance fee	$100.00
(4)	Inactive fee	$ 50.00.

"**§ 90C-29. License renewal.**

Every license issued pursuant to this Chapter shall be renewable every two years. Within 30 days before the expiration date, a person who desires to continue to be licensed in the field of therapeutic recreation or recreational therapy shall apply for license renewal on forms furnished by the Board. They shall meet criteria for renewal established by the Board as defined by rule and shall pay the required fee established by the Board in accordance to this Chapter. Failure to renew the license before the expiration date shall result in automatic forfeiture of any license issued pursuant to this Chapter.

The Executive Director shall notify, in writing, every person at his or her last known address of the expiration of his or her license and the amount that is required for its two-year renewal.

"**§ 90C-30. Reinstatement.**

A person who has allowed his or her license to lapse by failure to renew it pursuant to this Chapter must apply for licensure on a reinstatement form provided by the Board. The Board shall require the applicant to return the completed reinstatement licensure form including renewal requirements established by the Board as defined by rule. If the license has lapsed for more than two years, the Board shall require the applicant to successfully demonstrate competency as defined by rules established by the Board. If the Board determines that the license should be reinstated, it shall issue a license renewal to the applicant.

"**§ 90C-31. Inactive list.**

When a person licensed by the Board submits a request for inactive status, the Board shall issue to the person a statement of inactive status and shall place the person's name on the 'Inactive Status' list. While on that list, the person shall not hold himself or herself out as licensed pursuant to this Chapter. When that person desires to be removed from the inactive list and returned to an active list, an application shall be submitted to the Board on a form furnished by the Board, and the fee shall be paid for license renewal. The Board shall require evidence of competency as defined by rule to resume practice before returning the applicant to the active status.

"**§ 90C-32. Revocation, suspension, or denial of licensure.**

The Board may require remedial education, issue of a letter of reprimand, restrict, revoke, or suspend any license issued pursuant to this Chapter or deny any application for licensure if the Board determines that the licensee or applicant has done any of the following:

(1) Given false information or has withheld material information from the Board in procuring or attempting to procure a license pursuant to this Chapter.
(2) Been convicted of, or pleaded guilty or nolo contendere to, any crime that indicates that the person is unfit or incompetent to be licensed pursuant to this Chapter.
(3) Is unable to perform the functions for which a license has been issued due to impairment of mental or physical faculties.
(4) Engaged in conduct that endangers the public health.
(5) Is unfit or incompetent to be licensed pursuant to this Chapter by reason of deliberate or negligent acts or omissions regardless of whether active injury to the patient or client is established.
(6) Engages in conduct that deceives, defrauds, or harms the public in the course of claiming licensed status or practicing recreational therapy.
(7) Willfully violated any provision of this Chapter or of rules, regulations, or Code of Ethics enacted by the Board.
(8) Aided, abetted, or assisted any person in violating the provisions of this Chapter.

The Board may reinstate a revoked license or remove licensure restrictions when it finds that the reasons for revocation or restriction no longer exist and that the person can reasonably be expected to safely and properly practice recreational therapy.

"**§ 90C-33. Reciprocity.**

The Board may grant a license, without examination or by special examination, to any person who, at the time of application, is licensed as a recreational therapist or therapeutic recreation specialist by a similar Board of another country, state, or territory whose licensing standards are substantially equivalent to or higher than those required by this Chapter. The Board shall determine the substantial equivalence upon which reciprocity is based.

"**§ 90C-34. Persons and practices not affected.**

Nothing in this Chapter shall be construed to prevent or restrict:

(1) Any person qualified, registered, certified, or licensed to engage in another profession or occupation or any person working under the supervision of a person registered, certified, or licensed to engage in another profession or occupation in this State from performing work incidental to the practice of that profession or occupation as long as that person does not represent himself or herself as a recreational therapy assistant or recreational therapist or the work to be recreational therapy or therapeutic recreation as defined by this Chapter.
(2) Any person employed as a therapeutic recreation specialist, therapeutic recreation assistant, or recreational therapist or a recreational therapy assistant by the government of the United States, if he or she provides therapeutic recreation or recreational therapy solely under the direction and control of the organization by which he or she is employed.

(3) Any person pursuing a course of study leading to a degree in recreational therapy or therapeutic recreation at an accredited college or university that meets the minimum academic requirements for a major or specialization in recreational therapy as defined by the rules and regulations of the Board.

(4) Any person fulfilling the supervised fieldwork experience required for a degree and for licensure, as defined by the rules and regulations of the Board, if the person is designated by a title that clearly indicates his or her status as a student.

"**§ 90C-35. Reports; immunity from suit.**

Any person who has reasonable cause to suspect malpractice, misconduct, or incapacity of a person who is licensed pursuant to this Chapter or who has reasonable cause to suspect that any person is in violation of this Chapter should report the relevant facts to the Board. Upon receipt of a charge or upon its own initiative, the Board may give notice of an administrative hearing pursuant to Chapter 150B of the General Statutes or may, after diligent investigation, dismiss unfounded charges. Any person making a report pursuant to this section shall be immune from criminal prosecution or civil liability based on that report unless the person knew the report was false or acted in reckless disregard of whether or not the report was false.

"**§ 90C-36. Violations and penalties.**

Any person who willfully violates the provisions of this Chapter shall be guilty of a misdemeanor and shall be fined not less than one hundred dollars ($100.00) nor more than five hundred dollars ($500.00) or be imprisoned for a period not exceeding six months, or both, in the discretion of the court.

"**§ 90C-37. Enjoining illegal practices.**

(a) If the Board finds that a person is violating any of the provisions of this Chapter, it may apply in its own name to the superior court for temporary or permanent restraining order or injunction to prevent that person from continuing the illegal practices. The court is empowered to grant an injunction regardless of whether criminal prosecution or other action has been or may be instituted as a result of the violation. All actions by the Board shall be governed by the Rules of Civil Procedure.

(b) The venue for actions brought under this Chapter shall be in the county where the defendant resides or the county where violation occurs."

SECTION 3. Members serving on the North Carolina State Board of Therapeutic Recreation Certification on the effective date of this act shall continue to serve and complete their current terms on the North Carolina Recreational Therapy Licensure Board established in G.S. 90C-23, as enacted in Section 2 of this act. The Governor shall appoint the physician member to serve a three-year term pursuant to G.S. 90C-23(b)(4), as enacted in Section 2 of this act. Members appointed thereafter shall serve three-year staggered terms.

SECTION 4. Any current State-certified person working within the scope of recreational therapy, as defined in G.S. 90C-22(7), as enacted in Section 2 of this act, as a recreational therapist or a recreational therapy assistant before January 30, 2006, may be exempt from all educational, examination, and experience requirements for licensure

pursuant to this Chapter, as enacted in Section 2 of this act. In order to qualify for this exemption, an applicant must apply to the Board for licensure before January 30, 2008, and he or she must be working within the scope of recreational therapy and previously certified by the Board at the time of application.

SECTION 5. This act becomes effective October 1, 2005.

HOUSE BILL 613:
Update Certification/Licensure/Rec. Therapy

BILL ANALYSIS

Committee:	House Finance	**Date:**	May 17, 2005
Introduced by:	Reps. Harrell, Womble	**Summary by:**	Martha Walston
Version:	PCS to First Edition H613-CSLAf-3		Committee Counsel

SUMMARY: ***House Bill 613 updates the laws regulating the practice of recreational therapy. The bill is in House Finance because it increases the maximum licensure application from $50 to $200 and the maximum renewal fee from $25 to $200. The bill deletes a $25 reinstatement fee and a $10 certificate replacement fee and adds a new maximum record maintenance fee of $100 and an inactive fee of $50.***

BILL ANALYSIS: House Bill 613 rewrites Chapter 90C of the General Statutes as follows:

- Changes the name of the Chapter from "Therapeutic Recreation Personnel Certification Act" to "North Carolina Recreational Therapy Licensure Act.
- Changes certification to licensure and changes the titles of licensees. The current law authorizes certification as a therapeutic recreation specialist or a therapeutic recreation assistant. HB 613 authorizes the licensure of a recreational therapist and licensed recreational therapy assistant and defines a recreational therapy aide as a non-licensed person who aids in providing recreational therapy services under the direct supervision of a licensed recreational therapist or licensed recreational therapy assistant.
- Adds an additional member to the current seven-member Board. The new member shall be appointed by the Governor and must be a physician licensed in North Carolina.
- Gives the Board a power to:
  - Issue annually a list of persons currently licensed under the Chapter.
  - Establish or approve competency requirements for licensure, including examinations and continuing education.
- Sets out the requirements for licensure as a recreational therapist or recreational therapy assistant. Any current State-certified person working in the scope of recreational therapy before January 30, 2006, is exempt from all educational, examination, and experience requirements for initial licensure under the Chapter if the person applies to the Board for licensure before January 15, 2008. The applicant must also be working within the scope of recreational therapy and previously certified by the Board at the time of application.
- Amends the maximum fees of the Board as follows:

Current Maximum Fees		Proposed Maximum Fees	
Certification as a therapeutic recreation specialist or as a therapeutic recreation assistant	$50	Initial licensure	$200
		Licensure renewal fee	$200
Certificate renewal	$25	Record maintenance fee	$100
Reinstatement of lapsed or expired certificate	$25	Inactive fee	$ 50
Replacement certificate	$10		

- Provides that the Chapter does not apply to incidental work by person licensed in another profession, federal employees, or students pursuing a degree in recreational therapy and fulfilling supervised fieldwork requirements.
- Makes it a Class 1 misdemeanor with a maximum fine of $500 for a person not licensed under the Chapter to represent himself or herself as licensed or to practice recreational therapy or therapeutic recreation. Current law provides for a maximum fine of $500 and/or imprisonment not to exceed 60 days.

PRINCIPAL DEPARTMENT(S) & PROGRAM(S) AFFECTED: North Carolina Recreational Therapy Licensure Board; Department of Correction; Judicial Branch

EFFECTIVE DATE: October 1, 2005

BILL SUMMARY: Creates the North Carolina Recreational Therapy Licensure Board and sets a maximum fee schedule for licensure and license renewal of recreational therapists. Elevates the penalty for violations of Chapter 90C from a Class 2 to Class 1 misdemeanor.

ASSUMPTIONS AND METHODOLOGY: There are currently 734 national board-certified recreational therapists in North Carolina, 500 of which are also state-certified. Under this bill, all practicing recreational therapists in the state will be required to obtain state licensure. The 500 recreational therapists who already hold state certification will be grandfathered in and will not have to pay an initial licensure fee; however, the licensure board expects most will elect to pay their renewal fee soon after this legislation is enacted. The following table details the number of recreational therapists in North Carolina either required or expected to pay fees over the next five years.

Number of Recreational Therapists Subject to Selected Fees (by FY)					
	2005-06	2006-07	2007-08	2008-09	2009-10
Total initial licenses	269	35	40	40	40
Total renewals	350	185	385	190	390
Record maintenance	0	619	220	425	230
Inactive	10	10	10	10	10

The projection assumes 35 new recreational therapists will seek licensure in North Carolina each year through 2008, after which the projection assumes a slight increase to 40 new recreational therapists per year. Licenses are renewed on a biannual basis. The record maintenance fee is also biannual and is staggered to fall between license renewal years.

The board does not intend to assess fees at the maximum statutory limitation set forth in this bill. Their proposed fee schedule is as follows:

Proposed Fee Schedule		
	Statutory limit	Actual fee
Initial application for licensure	$200	$100
Licensure renewal	$200	$100
Record maintenance	$100	$50
Inactive fee	$50	$50

Using the actual fees set forth in the far-right column, the table below shows the board's projected annual revenues. The board will operate entirely on fee revenue and its activities will not have any effect on the General Fund.

Total Projected Fee Revenues 2005-2010					
	2005-06	2006-07	2007-08	2008-09	2009-10
Total initial licenses	$ 26,900	$ 3,500	$ 4,000	$ 4,000	$ 4,000
Total renewals	35,000	18,500	38,500	19,000	39,000
Record maintenance	-	30,950	11,000	21,250	11,500
Inactive	500	500	500	500	500
Total fee revenue	**$ 62,400**	**$ 53,450**	**$ 54,000**	**$ 44,750**	**$ 55,000**

Expenditures

Department of Correction

The Sentencing and Policy Advisory Commission prepares inmate population projections annually. The projections used for incarceration fiscal notes are based on January 2005 projections. These projections are based on historical information on incarceration and release rates under Structured Sentencing, crime rate forecasts by a technical advisory group, probation and revocation rates, and the decline (parole and maxouts) of the stock prison population

sentenced under previous sentencing acts. Based on the most recent population projections and estimated available prison bed capacity, *there are no surplus prison beds available for the five-year fiscal note horizon and beyond.*

Violations under this bill are expected to be substantially similar to violations under existing Chapter 90C and, as such, no additional convictions would be expected. Presently, the Administrative Office of the Courts does not maintain an offense code for violations of Chapter 90C, which is some indication that these offenses are infrequently charged and rarely result in convictions. However, convictions would be elevated from Class 2 to Class 1 misdemeanors due to this bill.

- In FY 2003-04, 19 percent of Class 1 as opposed to 15 percent of Class 2 misdemeanors resulted in active sentences and the average estimated time served was 31 days as opposed to 13 days for Class 2.
- Offenders with active sentences of less than ninety days are housed in county jails, and DOC reimburses counties for housing offenders between thirty and ninety days at a rate of $18 per offender per day. As such, sentences elevated from Class 2 to Class 1 misdemeanors would be expected to increase payments to counties by DOC.
- The remaining 81 percent of Class 1 misdemeanants received non-active sentences. For those offenders sentenced to supervised probation, the Division of Community Corrections (DCC) would incur costs of $1.87 per offender per day. Offenders sentenced to community service would cost $0.67 per offender per day, and offenders given unsupervised probation would not impact DCC.

Because most Class 1 misdemeanants serving active time as a result of this bill would be housed in county jails, this legislation is not expected to significantly impact prison population.

Judicial Branch

For most criminal penalty bills, the Administrative Office of the Courts (AOC) provides Fiscal Research with an analysis of the fiscal impact of the specific bill. For these bills, fiscal impact is typically based on the assumption that court time will increase due to an expected increase in trials and a corresponding increase in the hours of work for judges, clerks, and prosecutors. This increased court time is also expected to result in greater expenditures for jury fees and indigent defense.

Because AOC does not maintain an offense code for present violations of Chapter 90C, there is no historical data regarding Class 1 misdemeanor charges for these offenses. However, the lack of an offense code may be some indication that there are few charges for these offenses. As such, the number of charges elevated from Class 2 to Class 1 misdemeanors due to this bill is not expected to be substantial.

Based on the costs of time in court, attorney preparation time, and indigent defense, the average estimated increase in cost to dispose of a single charge via trial that is elevated from a Class 2 to Class 1 misdemeanor is $891. This cost includes an estimated increase of $507 for costs of time in court and attorney preparation and an additional $384 in indigent defense. *However, based on prior-year data, the majority of charges under this bill that are not dismissed are likely to be settled by guilty plea at an estimated increase in cost of $8 per plea.*

A BILL TO BE ENTITLED

AN ACT AUTHORIZING THE COURT TO ASSESS A FEE FOR THE COSTS OF THE SERVICES OF A CRIME LABORATORY OPERATED BY A LOCAL GOVERNMENT.

The General Assembly of North Carolina enacts:

SECTION 1. G.S. 7A-304(a) is amended by adding a new subdivision to read:

"(8) For the services of any crime laboratory facility operated by a local government or group of local governments, the district or superior court judge shall, upon conviction, order payment of the sum of three hundred dollars ($300.00) to be remitted to the general fund of the local governmental unit that operates the laboratory to be used for law enforcement purposes. The cost shall be assessed only in cases in which, as part of the investigation leading to the defendant's conviction, the laboratory has performed DNA analysis of the crime, test of bodily fluids of the defendant for the presence of alcohol or controlled substances, or analysis of any controlled substance possessed by the defendant or the defendant's agent. The costs shall be assessed only if the court finds that the work performed at the local government's laboratory is the equivalent of the same kind of work performed by the State Bureau of Investigation under subdivision (7) of this subsection. The court may waive or reduce the amount of the payment required by this subdivision upon a finding of just cause to grant such a waiver or reduction. The costs assessed in one case against one individual under both this subdivision and subdivision (7) of this subsection shall not exceed three hundred dollars ($300.00). If more than one laboratory has performed work under either or both of the two subdivisions in the same case, or if multiple local

governmental units jointly operate the same laboratory performing work, the court shall apportion the proceeds from the fee between or among the governmental units on the basis of the relative contribution of each governmental unit to the work performed."

SECTION 2. This act becomes effective July 1, 2005, and applies to court costs assessed or collected on or after that date for offenses committed on or after that date.

A BILL TO BE ENTITLED

AN ACT AUTHORIZING THE COURT TO ASSESS A FEE FOR THE COSTS OF THE SERVICES OF A MUNICIPAL CRIME LABORATORY.

The General Assembly of North Carolina enacts:

SECTION 1. G.S. 7A-304(a) is amended by adding a new subdivision to read:

"(8) For the services of any municipal police laboratory facility, the district or superior court judge shall, upon conviction, order payment of the sum of three hundred dollars ($300.00) to be remitted to the general fund of the laboratory's municipality to be used for law enforcement purposes. The cost shall be assessed only in cases in which, as part of the investigation leading to the defendant's conviction, the municipal laboratory has performed DNA analysis of the crime, test of bodily fluids of the defendant for the presence of alcohol or controlled substances, or analysis of any controlled substance possessed by the defendant or the defendant's agent. The court may waive or reduce the amount of the payment required by this subdivision upon a finding of just cause to grant such a waiver or reduction."

SECTION 2. This act becomes effective July 1, 2005, and applies to court costs assessed or collected on or after that date.

BILL ANALYSIS

Committee:	**House Finance**	**Sponsor:**	**Representative Alexander**
Date:	May 17, 2005	**Analysis by:**	Ashley Huffstetler
Version:	**PCS H890-CSMB-18**		Staff Attorney

SUMMARY: ***House Bill 890 requires a District or Superior Court judge to charge a defendant $300 when a local government crime laboratory performed DNA analysis, tested bodily fluids, or analyzed a controlled substance in connection with the investigation leading to conviction. The PCS changes the bill to cover all local government units.***

CURRENT LAW: Current law requires trial judges to charge criminal defendants (or in some cases prosecuting witnesses) $300 for use of the State Bureau of Investigation (SBI) investigation crime unit. It is charged only if, in that particular case, the SBI lab has performed DNA analysis, done body-fluid analysis for the presence of alcohol or drugs, or done analysis of drugs in the defendant's possession. The court may waive or reduce the amount if it finds just cause to do so.

BILL ANALYSIS: House Bill 890 amends G.S. 7A-304(a) to add a parallel provisions to the $300 fee for use of the SBI crime lab. This bill requires judges to order payment of $300 to a local government unit when the local government crime lab performed DNA analysis, tested the defendant's bodily fluids for the presence of alcohol or drugs, or analyzed any controlled substance possessed by the defendant or his or her agent. It provides that the money will be remitted to the general fund of the lab's local government unit.

Like the SBI provision, the new local government lab provision gives the court discretion to waive or reduce the court costs in any case where it finds just cause. The new local government provisions would also rely on the court's judgment to decide these other questions:

- Whether the work done in the case by the local government lab is equivalent to what would be done in the SBI lab. Only if it is, would the $300 fee be assessed.
- How the $300 should be distributed where more than one lab did work on the same case. The court would apportion the $300 according to the relative contributions of each lab.
- How the $300 should be distributed where more than one unit of government jointly operated the same lab. Again, the court would apportion the $300 according to the contributions of each unit of local government.

BACKGROUND: The Charlotte –Mecklenburg Police Department has a crime lab, but court costs are not authorized for its use. Raleigh and Wake County also jointly sponsor a crime lab, which is also unassisted by the courts.

PRINCIPAL DEPARTMENT(S) & PROGRAM(S) AFFECTED: Department of Justice – State Bureau of Investigation; Local Governments

EFFECTIVE DATE: July 1, 2005

BILL SUMMARY: In cases in which the State Bureau of Investigation (SBI) performs certain lab analyses, current G.S. 7A-304(a)(7) directs judges to order that a defendant, upon conviction, pay a fee of $300 to be remitted to the SBI. This bill would direct the court to also order the $300 fee when these services are performed by a municipal lab if the work is equivalent to that performed by the SBI; receipts would be remitted to the general fund of the laboratory's municipality to be used for law enforcement purposes. As in current law, the fee could be reduced or waived by the court. If both the SBI and a municipal laboratory, or multiple municipal laboratories, performed lab analyses in a case, the $300 fee would be divided among them.

ASSUMPTIONS AND METHODOLOGY:

The SBI provides laboratory services for most jurisdictions in the state. The following jurisdictions have their own crime laboratories, which process some or all of the same types of evidence as the SBI that are covered under G.S. 7A-304(a)(7):

- Charlotte-Mecklenburg: DNA, controlled substances, and blood alcohol
- City-County Bureau of Identification (Raleigh/Wake County): Controlled substances

In FY 2003-04, there were approximately 21,000 trials and guilty pleas in Criminal Superior Court for offenses likely to require lab analyses (murder, manslaughter, rape and other sex offenses, controlled substances, and impaired driving appeals). Approximately 10 percent of these cases were in judicial districts in which the municipality had the capability to process relevant lab analyses. While these figures do not take into account analyses that might be required for cases heard in District Court, we assume that the percentages would remain the same.

FY 2003-04 Criminal Superior Court Cases	Trial/plea	% of Total	Estimated Revenue
Statewide	**20,979**	**100.0%**	
Potential DNA Analyses	3,165		
Potential Drug Analyses	16,896		
Potential Blood Alcohol Analyses	918		
Mecklenburg	**1,463**	**7.0%**	**$56,970**
Potential DNA Analyses	127		
Potential Drug Analyses	1,302		
Potential Blood Alcohol Analyses	34		
Wake	**720**	**3.4%**	**$28,037**
Potential Drug Analyses	720		
Remaining Total (Potential SBI)*	**18,796**	**89.6%**	**$731,926**

Potential DNA Analyses = murder, manslaughter, rape, other sex offenses.
Potential Drug Analyses = controlled substances offenses.
Potential Blood Alcohol Analyses = impaired driving appeals.

*SBI revenue is actual 2003-04 receipts.

We cannot determine which cases actually involved DNA, drug, or blood alcohol evidence analyzed by a crime lab, nor can we determine in which cases the SBI received a $300 or lesser fee. Overall, however, during FY 2003-04, the SBI collected approximately $732,000 in receipts from its lab fee. As shown in the chart above, we assume that the SBI was responsible for approximately 90 percent of the lab analyses, Mecklenburg was responsible for 7 percent and Wake for 3 percent. Under this scenario, if municipal crime labs had received the same fees as the SBI in 2003-04, they would have collected approximately $85,000. **These figures do not take into account any cases in which multiple laboratories were involved in the analysis.**

Impact of Cost-Sharing Among Labs: There is the potential for the SBI to see a decrease in revenue as a result of this PCS. This PCS requires that no more than $300 be assessed. If more than one laboratory is involved, the fee must be divided among the laboratories providing the analyses. In some court cases in both Mecklenburg and Wake counties, it is possible that the SBI will perform one type of lab analysis and the municipal laboratory will perform another type of

analysis on the same case. For example, Wake County may analyze controlled substances, but send blood alcohol or DNA evidence to the SBI for analysis. **In these cases, if the court ordered a laboratory fee, the effect of this PCS would be to reduce the funds allocated to the SBI.** Rather than the SBI receiving the entire fee, a portion would be allotted to Mecklenburg or Wake.

We are unable to determine the percentage of cases that would involved multiple laboratories. If, for example, five percent of the cases in Mecklenburg and Wake counties in which fees were collected required analyses by both the municipal lab and the SBI lab, and the fees were divided equally between the labs, the SBI would see a decrease of approximately $2,000 in revenue. If 50 percent of the cases in Mecklenburg and Wake counties in which fees were collected required analyses by both the municipal lab and the SBI lab, and the fees were divided equally between the labs, the SBI would see a decrease of approximately $20,000 in revenue. The revenue received by the SBI is used, in part, to fund receipt-supported positions in the SBI lab.

The $300 fee currently in statute is based on estimated costs of laboratory analyses in the SBI lab in 2002. These costs vary significantly by type of analysis – DNA testing is the most costly. We do not have information on the costs incurred by municipal labs in conducting lab analyses, and therefore cannot project how the $300 fee would be shared among multiple labs.

SOURCES OF DATA: Administrative Office of the Courts; Department of Justice.

TECHNICAL CONSIDERATIONS: The City-County Bureau of Identification (CCBI) is a law enforcement agency that provides services to every other law enforcement agency in Wake County. It is funded by Wake County and the City of Raleigh. For the purposes of this fiscal note, we have assumed that it would be considered a municipal police laboratory.

Short Title:	Winemaking on Premises Permit.	(Public)
Sponsors:	Representatives Luebke; LaRoque and Ross.	
Referred to:	Alcoholic Beverage Control.	

March 31, 2005

A BILL TO BE ENTITLED

AN ACT TO ALLOW THE ALCOHOLIC BEVERAGE CONTROL COMMISSION TO ISSUE PERMITS FOR 'WINEMAKING ON PREMISES' BUSINESSES.

The General Assembly of North Carolina enacts:

SECTION 1. G.S. 18B-1001 is amended by adding a new subdivision to read:

"(16) Winemaking on Premises Permit. – A permit may be issued to a business, located in a jurisdiction where the sale of unfortified wine is allowed, where individual customers who are 21 years old or older may purchase ingredients and rent the equipment, time, and space to make unfortified wine for personal use in amounts set forth in 27 C.F.R. § 24.75. Except for wine produced for testing equipment or recipes and samples pursuant to this subdivision, the permit holder shall not engage in the actual production or manufacture of wine. Samples may be consumed on the premises only by a person who has a nonrefundable contract to ferment at the premises, and the samples may not exceed one ounce per sample. All wine produced at a winemaking on premises facility shall be removed from the premises by the customer, and may only be used for home consumption and the personal use of the customer."

SECTION 2. G.S. 18B-307 reads as rewritten:

"**§ 18B-307. Manufacturing offenses.**

(a) Offenses. – It shall be unlawful for any person, except as authorized by this Chapter, to:

(1) Sell or possess equipment or ingredients intended for use in the manufacture of any alcoholic beverage, except equipment and ingredients provided under a Brew on Premises permit or a Winemaking on Premises permit; or

(2) Knowingly allow real or personal property owned or possessed by him to be used by another person for the manufacture of any alcoholic beverage, except pursuant to a Brew on Premises permit or a Winemaking on Premises permit.

(b) Unlawful Manufacturing. – Except as provided in G.S. 18B-306, it shall be unlawful for any person to manufacture any alcoholic beverage, except at an establishment with a Brew on Premises permit or a Winemaking on Premises permit, without first obtaining the applicable ABC permit and revenue licenses.

(c) Second Offense of Manufacturing. – A second offense of unlawful manufacturing of alcoholic beverage shall be a Class I felony."

SECTION 3. G.S. 18B-902(d) is amended by adding a new subdivision to read:

"(37) Winemaking on premises permit. – $400.00."

SECTION 4. This act is effective when it becomes law.

HOUSE BILL 1025:
Winemaking on Premises Permit

BILL ANALYSIS

Committee:	House Finance	**Date:**	May 17, 2005
Introduced by:	Rep. Luebke	**Summary by:**	Cindy Avrette
Version:	First Edition		Committee Counsel

SUMMARY: House Bill 1025 creates a new "Winemaking on Premises" permit to businesses where customers may purchase ingredients and rent the equipment, time, and space to make unfortified wine for personal use. There is a $400 application fee for the permit.

CURRENT LAW: Under G.S. 18B-307 it is generally unlawful for any person without the appropriate ABC permit to:

- Sell or possess equipment or ingredients intended for use in the manufacture of any alcoholic beverage
- Knowingly allow real or personal property owned or possessed by him to be used by another person for the manufacture of any alcoholic beverage.
- Manufacture any alcoholic beverage, without first obtaining the applicable ABC permit and revenue licenses.

There are two notable exceptions to the general prohibition against the unlicensed manufacture of alcoholic beverages. G.S. 18B-306 allows an individual to make, possess, and transport native wines and malt beverages for his own use and for the use of his family and guests; and G.S. 18B-1001(14) provides for the manufacture of malt beverages pursuant to a "Brew on Premises" permit. A brew on premises permit authorizes the holder to rent the equipment and space necessary to produce malt beverages only; it does not apply to the manufacture of wine.

A Brew on Premises permit may be issued to a business, located in a jurisdiction where the sale of malt beverages is allowed, where individual customers who are 21 years old or older may purchase ingredients and rent the equipment, time, and space to brew malt beverages for personal use in amounts set forth in federal law. The statute requires that the customer do all of the following:

a. Select a recipe and kettle.
b. Weigh out the proper ingredients and add them to the kettle.
c. Transfer the wort to the fermenter.
d. Add the yeast.
e. Place the ingredients in a fermentation room.
f. Filter, carbonate, and bottle the malt beverage.

BILL ANALYSIS: House Bill 1025 would provide for the licensing of commercial establishments in which individuals could purchase ingredients and rent equipment, time, and space to make unfortified wine on the premises for their personal and family use, similar to the current brew on premises permit for making malt beverages. The permit holder will not engage in the actual production of the wine, and all wine must be removed from the premises by the customer and used only for home consumption and the customer's personal use. The fee for the permit is $400. That is same amount as a 'Brew on Premises' permit.

EFFECTIVE DATE: The bill would be effective when it becomes law.

Brenda Carter, counsel to the House Committee on Alcoholic Beverage Control, prepared this summary for that Committee.

PRINCIPAL DEPARTMENT(S) & PROGRAM(S) AFFECTED: NC Alcoholic Beverage Control Commission

EFFECTIVE DATE: Becomes effective when law.

BILL SUMMARY: This bill allows the Alcoholic Beverage Control Commission to issue permits for winemaking on premises businesses. The permit would authorize such businesses to sell or rent equipment and provide space for the production of unfortified wine by individual consumers who are at least 21 years old, but only in jurisdictions where unfortified wine sales are permitted. The bill prohibits the manufacture of wine by the permit holder and requires that any wine produced must be for the personal use of the customer only. The bill establishes a permit fee of $400.

ASSUMPTIONS AND METHODOLOGY: The bill would charge a fee of $400 for each winemaking on premises permit. While it is unknown how many businesses would apply for the permit, a similar permit for brewing beer on the premises currently has no permit holders. Therefore, it is assumed that any revenue generated from the winemaking on premises permit fee will be an insignificant amount.

A BILL TO BE ENTITLED

AN ACT TO AMEND THE LICENSURE AND EDUCATION REQUIREMENTS FOR PERSONS UNDER SIXTEEN YEARS OF AGE AND TO CHANGE THE FEE CHARGED TO PARTICIPANTS IN THE DISABLED SPORTSMAN PROGRAM AND ALLOW MORE FLEXIBILITY IN THE SCHEDULING OF ACTIVITIES REQUIRED UNDER THAT PROGRAM.

The General Assembly of North Carolina enacts:

SECTION 1. G.S. 113-270.1A reads as rewritten:

"**§ 113-270.1A. Hunter safety course required.**

(a) Except as provided in ~~subsection~~ subsections (a1) and (d) of this section, on or after July 1, 1991, a person, regardless of age, may not procure a hunting license ~~or hunt~~ in this State without producing a certificate of competency or a hunting license issued prior to July 1, 1991, or signing a statement on a form provided by the Wildlife Resources Commission that he had such a license.

(a1) A person who qualifies for a totally disabled resident combination hunting-fishing license under ~~G.S. 113-270.1C(b)(3)~~G.S. 113-270.1C(b)(4) need not comply with the requirements of subsection (a) of this section in order to receive that license, so long as the person does not make use of the license unless:

(1) The ~~person~~ disabled hunter is accompanied by an adult of at least 21 years of age who is licensed to hunt; and

(2) The licensed adult ~~hunter~~ maintains a proximity to the disabled hunter which enables the adult to take immediate control of the hunting device at all times.

(b) The Wildlife Resources Commission shall institute and coordinate a statewide course of instruction in hunter ethics, wildlife laws and regulations, and competency and safety in the handling of firearms, and in so doing, may cooperate with any political subdivision, or with any reputable organization having as one of its

objectives the promotion of competency and safety in the handling of firearms, including local rod and gun clubs.

(1) The Wildlife Resources Commission shall designate those persons or agencies authorized to give the course of instruction, and this designation shall be valid until revoked by the Commission. Those designated persons shall submit to the Wildlife Resources Commission validated listings naming all persons who have successfully completed the course of instruction.

(2) The Wildlife Resources Commission may conduct the course in hunter safety, using Commission personnel or other persons at times and in areas where other competent agencies are unable or unwilling to meet the demand for instruction.

(3) The Wildlife Resources Commission shall issue a certificate of competency and safety to each person who successfully completes the course of instruction, and the certificate shall be valid until revoked by the Commission.

(4) Any similar certificate issued outside the State by a governmental agency, shall be accepted as complying with the requirements of subsection (a) above, if the privileges are reciprocal for North Carolina residents.

(5) The Wildlife Resources Commission shall adopt rules and regulations to provide for the course of instruction and the issuance of the certificates consistent with the purpose of this section.

(c) On or after July 1, 1991, any person who obtains a hunting license by presenting a fictitious certificate of competency or who attempts to obtain a certificate of competency or hunting license through fraud shall have his hunting privileges revoked by the Wildlife Resources Commission for a period not to exceed one year.

(d) ~~Nothing in this section shall be construed to prohibit the sale of~~ Notwithstanding the provisions of subsection (a) of this section, the lifetime licenses ~~as~~ provided for in ~~G.S. 113-270.1D(b) or G.S. 113-270.2(c)(2).~~ G.S. 113-270.1D(b)(1), (2), and (3) and G.S. 113-270.2(c)(2) may be purchased by or in the name of persons under 14 years of age who have not obtained a hunter safety certificate of competency, subject to the requirements of this subsection. ~~Pending satisfactory completion of the hunter safety course, persons~~ Persons who possess ~~such licenses~~ one of the lifetime licenses specified in this subsection but who have not reached the age of 14 may exercise the privileges ~~thereof~~ of the lifetime license only when accompanied by an adult at least 21 years of age who is licensed to hunt in this State. For the purpose of this section, "accompanied" ~~is defined as being able to take immediate control of the hunting device.~~ means that the adult maintains a proximity to the young hunter at all times that enables the adult to take immediate control of the hunting device. Upon reaching the age of 14, the holder of one of the lifetime licenses specified in this subsection may exercise the privileges of the lifetime license without adult accompaniment, but only after obtaining a hunter safety certificate of competency as provided in G.S. 113-270.1A(a)."

SECTION 2. G.S. 113-276(d) reads as rewritten:

"(d) Except as otherwise provided in this Subchapter, individuals under 16 years of age are exempt from the hunting and trapping license requirements of G.S. 113-270.1B(a) and G.S. 113-270.3(a), except the falconry license described in ~~G.S. 113-270.3(b)(4), and the fishing license requirement of G.S. 113-272, if:~~

~~(1) He is accompanied by a responsible adult who is in compliance with applicable license requirements; or~~

~~(2) He is carrying a current and valid license appropriate to the activity which has been issued to one of his parents or to his guardian.~~

G.S. 113-270.3(b)(4). Individuals under 16 may hunt under this exemption, provided that the young hunter is accompanied by an adult at least 21 years of age who is licensed to hunt in this State. For purposes of this section, "accompanied" means that the licensed adult maintains a proximity to the young hunter that enables the licensed adult to take immediate control of the hunting device. Upon reaching the age of 14 and successfully obtaining the hunter safety certificate of competency required by G.S. 113-270.1A(a), a young hunter may hunt under the license exemption until age 16 without adult accompaniment or may purchase and use a hunting license without adult accompaniment. Individuals under 16 years of age are exempt from the fishing license requirements of ~~G.S. 113-270.1B~~ G.S. 113-270.1B(a), 113-272, and ~~G.S.~~ 113-271."

SECTION 3. G.S. 113-296 reads as rewritten:

"**§ 113-296. Disabled Sportsman Program.**

(a) The Disabled Sportsman Program is established, to be developed and administered by the Wildlife Resources Commission. The Disabled Sportsman Program shall consist of special hunting and fishing activities adapted to the needs of persons with the disabilities described in subsection (b) of this section.

(b) In order to be eligible for participation in the Disabled Sportsman Program established by this section, a person must be able to certify through competent medical evidence one of the following disabilities:

(1) Amputation of one or more limbs;

(2) Paralysis of one or more limbs;

(3) Dysfunction of one or more limbs rendering the person unable to perform the tasks of grasping and lifting with the hands and arms or unable to walk without mechanical assistance, other than a cane;

(4) Disease, injury, or defect confining the person to a wheelchair, walker, or crutches;

(5) Legal deafness; or

(6) Legal blindness, for purposes of participation in disabled fishing only.

The disability must be permanent, and a person loses eligibility to participate in the Disabled Sportsman Program when the specified disability ceases to exist.

(c) A person who qualifies under subsection (b) of this section may apply for participation in the Disabled Sportsman Program by completing an application supplied by the Wildlife Resources Commission and by supplying the medical evidence necessary to confirm the person's disability. In order to participate in activities under the Program, each disabled participant may be accompanied by an able-bodied companion,

who may also participate in the hunting, fishing, or other activity. The Commission shall charge each disabled participant an ~~annual~~ application fee of ~~ten dollars ($10.00)~~ five dollars ($5.00) for each special hunt for disabled persons for which the disabled hunter applies to defray the cost of processing the application and administering the special activities provided under the Program. The participant and the participant's companion shall also obtain any applicable hunting, fishing, or other special license required for the activities.

(d) In developing the Disabled Sportsman Program, the Wildlife Resources Commission shall:

(1) Establish special seasons and bag limits for hunting all or selected species of wildlife;

(2) Authorize the manner for taking wildlife, consistent with State law;

(3) Permit the use of vehicles and other means of conveyance in areas normally closed to such use;

(4) Set special fishing seasons and size and creel limits for inland fish; and

(5) Permit the use of crossbows or other specially equipped bows by persons incapable of arm movement sufficient to operate a longbow, recurve bow, or compound bow, but only during a season for hunting with bow and arrow and only during a special hunt organized and supervised by the Wildlife Resources Commission for the Disabled Sportsman Program; and

(6) Alter any other established rules of the Wildlife Resources Commission pertaining to hunting, fishing, or special activities, as generally applicable or as applicable to game lands, for the purpose of providing access to disabled persons participating in the Disabled Sportsman Program.

The Wildlife Resources Commission may use its game lands for purposes of conducting special activities for the Disabled Sportsman Program, and may enter into agreements with other landholders for purposes of conducting special activities on private lands.

(e) The Wildlife Resources Commission may establish special activities under the Disabled Sportsman Program for any class or classes of disability described in subsection (b) of this section. The Commission shall publicize these activities through the public media and in the Commission's publications to ensure that disabled persons are notified of the activities and informed about the application process.

(f) The Wildlife Resources Commission shall hold at least four special hunting activities under the Disabled Sportsman Program per calendar ~~year, at least two during the season for taking deer with bow and arrow, and at least two during the season for taking deer with guns.~~ year. The Commission shall alternate the location of these special activities so as to provide equal access to disabled persons in all regions of the State."

SECTION 4. This act becomes effective July 1, 2005.

G.S. 113-270.3(b)(4). Individuals under 16 may hunt under this exemption, provided that the young hunter is accompanied by an adult at least 21 years of age who is licensed to hunt in this State. For purposes of this section, "accompanied" means that the licensed adult maintains a proximity to the young hunter that enables the licensed adult to take immediate control of the hunting device. Upon reaching the age of 14 and successfully obtaining the hunter safety certificate of competency required by G.S. 113-270.1A(a), a young hunter may hunt under the license exemption until age 16 without adult accompaniment or may purchase and use a hunting license without adult accompaniment. Individuals under 16 years of age are exempt from the fishing license requirements of ~~G.S. 113-270.1B~~ G.S. 113-270.1B(a), 113-272, and ~~G.S.~~ 113-271."

SECTION 3. G.S. 113-296 reads as rewritten:

"**§ 113-296. Disabled Sportsman Program.**

(a) The Disabled Sportsman Program is established, to be developed and administered by the Wildlife Resources Commission. The Disabled Sportsman Program shall consist of special hunting and fishing activities adapted to the needs of persons with the disabilities described in subsection (b) of this section.

(b) In order to be eligible for participation in the Disabled Sportsman Program established by this section, a person must be able to certify through competent medical evidence one of the following disabilities:

(1) Amputation of one or more limbs;

(2) Paralysis of one or more limbs;

(3) Dysfunction of one or more limbs rendering the person unable to perform the tasks of grasping and lifting with the hands and arms or unable to walk without mechanical assistance, other than a cane;

(4) Disease, injury, or defect confining the person to a wheelchair, walker, or crutches;

(5) Legal deafness; or

(6) Legal blindness, for purposes of participation in disabled fishing only.

The disability must be permanent, and a person loses eligibility to participate in the Disabled Sportsman Program when the specified disability ceases to exist.

(c) A person who qualifies under subsection (b) of this section may apply for participation in the Disabled Sportsman Program by completing an application supplied by the Wildlife Resources Commission and by supplying the medical evidence necessary to confirm the person's disability. In order to participate in activities under the Program, each disabled participant may be accompanied by an able-bodied companion, who may also participate in the hunting, fishing, or other activity. The Commission

shall charge each disabled participant an ~~annual~~ application fee of ~~ten dollars ($10.00)~~ five dollars ($5.00) for each special hunt for disabled persons for which the disabled hunter applies to defray the cost of processing the application and administering the special activities provided under the Program. The participant and the participant's companion shall also obtain any applicable hunting, fishing, or other special license required for the activities.

(d) In developing the Disabled Sportsman Program, the Wildlife Resources Commission shall:

(1) Establish special seasons and bag limits for hunting all or selected species of wildlife;

(2) Authorize the manner for taking wildlife, consistent with State law;

(3) Permit the use of vehicles and other means of conveyance in areas normally closed to such use;

(4) Set special fishing seasons and size and creel limits for inland fish; and

(5) Permit the use of crossbows or other specially equipped bows by persons incapable of arm movement sufficient to operate a longbow, recurve bow, or compound bow, but only during a season for hunting with bow and arrow and only during a special hunt organized and supervised by the Wildlife Resources Commission for the Disabled Sportsman Program; and

(6) Alter any other established rules of the Wildlife Resources Commission pertaining to hunting, fishing, or special activities, as generally applicable or as applicable to game lands, for the purpose of providing access to disabled persons participating in the Disabled Sportsman Program.

The Wildlife Resources Commission may use its game lands for purposes of conducting special activities for the Disabled Sportsman Program, and may enter into agreements with other landholders for purposes of conducting special activities on private lands.

(e) The Wildlife Resources Commission may establish special activities under the Disabled Sportsman Program for any class or classes of disability described in subsection (b) of this section. The Commission shall publicize these activities through the public media and in the Commission's publications to ensure that disabled persons are notified of the activities and informed about the application process.

(f) The Wildlife Resources Commission shall hold at least four special hunting activities under the Disabled Sportsman Program per calendar ~~year, at least two during the season for taking deer with bow and arrow, and at least two during the season for taking deer with guns.~~ year. The Commission shall alternate the location of these special activities so as to provide equal access to disabled persons in all regions of the State."

SECTION 4. This act becomes effective July 1, 2005.

House Bill 1277:
Clarify Hunter Safety

BILL ANALYSIS

Committee:	**House Finance**	**Sponsor:**	**Representative Faison**
Date:	May 17, 2005	**Analysis by:**	Ashley Huffstetler
Version:	**H1277-CSMB-16**		Staff Attorney

SUMMARY: House Bill 1277 amends licensure and educational requirements for young hunters and lowers the special hunt fee charged to disabled hunters from $10 to $5. The PCS makes a technical correction to the existing statute.

ANALYSIS: House Bill 1277 amends the hunter safety course requirements to allow young hunters who hold special licenses to hunt with licensed hunters 21 years of age or older without having to complete a hunter safety course. Once a lifetime licensee reaches age 14, he or she may hunt without an adult if he or she completes a hunter safety course and receives a certificate of competency. Additionally, the bill creates a hunting license exemption for people under age 16 to allow a person to hunt without a license if accompanied by a licensed adult at least 21 years old. With both these changes, a person who is 14 or 15 may hunt with or without a license without adult accompaniment if he or she has obtained the certificate of competency.

The bill also lowers the fee charged to disabled participants in special hunts from $10 to $5 and removes language requiring the Wildlife Commission to sponsor four deer hunts per year.

BACKGROUND: Under current law, lifetime sportsman licenses are valid and available to infants, youths, adults, the elderly, and the disabled. It is unclear, however, whether a properly licensed youth can hunt pending completion of a hunter safety course. The Wildlife Resources Commission requested a clarification of this law to allow young people with lifetime licenses, who have not obtained a certificate of competency, to attend hunts with licensed adults. The Commission also recommended lowering the fee for disabled hunts and allowing the Commission more discretion planning hunts for disabled hunters. Under current law, the only hunts required for disabled hunts are deer hunts.

PRINCIPAL DEPARTMENT(S) & PROGRAM(S) AFFECTED: Wildlife Resources Commission

EFFECTIVE DATE: July 1, 2005

BILL SUMMARY:
This bill amends the licensure and education requirements for persons under sixteen years of age and lowers the fee from $10 to $5 for each special hunt for participants in the Disabled Sportsman Program.

ASSUMPTIONS AND METHODOLOGY:
The Wildlife Resources Commission provides a special hunting program that allows eligible disabled individuals to participate in hunting and fishing activities adapted to the needs of persons with physical disabilities. Each participant is charged a $10 fee for each special hunt. This bill would lower the application fee to $5. The chart below indicates the fiscal impact of lowering this fee based on the last four years of applications for special hunts.

Year	Number of Applications	Revenue at $10	Revenue at $5	Fiscal Impact from Fee Change
2002	87	$870	$435	($435)
2003	102	$1,020	$510	($510)
2004	111	$1,110	$555	($555)
2005	99	$990	$495	($495)

Assuming an average of 100 applications per year, the anticipated revenue loss from this bill is $500 per year. Revenue losses for future years are based on a 5% annual increase in applications. The projected revenue loss is shown in the chart below:

Year	Fiscal Impact from Fee Change
2006	($500)
2007	($525)
2008	($551)
2009	($578)
2010	($607)

Revenues from the sale of licenses and applications are deposited into a special fund within the Wildlife Resources Commission. This bill will not have a General Fund impact.

A BILL TO BE ENTITLED

AN ACT TO GRANT CERTAIN COUNTIES THE AUTHORITY TO DEFINE NOXIOUS AQUATIC WEED CONTROL SERVICE DISTRICTS.

The General Assembly of North Carolina enacts:

SECTION 1. G.S. 153A-301 is amended by adding a new subsection to read:

"(e) The board of commissioners of a county that adjoins or contains a lake, river, or tributary of a river or lake that has an identified noxious aquatic weed problem may define any number of noxious aquatic weed control service districts composed of property that are contiguous to the water or provides direct access to the water through a shared, certified access site to the water. As used in this subsection, the term "noxious aquatic weed" is any plant organism identified by the Secretary of Environment and Natural Resources under G.S. 113A-222 or regulated as a pest plant by the Commissioner of Agriculture under Article 36 of Chapter 106 of the General Statutes."

SECTION 2. This act is effective when it becomes law.

HOUSE BILL 1281:
County Control/Noxious Aquatic Weeds

BILL ANALYSIS

Committee:	House Finance	**Date:**	May 13, 2005
Introduced by:	Reps. L. Allen, Ed Jones, Wray	**Summary by:**	Erika Churchill
Version:	Second Edition		Committee Counsel

SUMMARY: The bill would allow certain counties to create noxious aquatic weed control service districts; effective when it becomes law.

CURRENT LAW:

Plant Pests. A plant pest is any insect, mite, nematode other invertebrate animal, disease, noxious weed, plant or animal parasite in any stage of development which is injurious to plants and plant products. G.S. 106-419. Any plant that has been infected with a plant pest may be treated as a plant pest. G.S. 106-419.1. No person may knowingly and willfully keep any plant or plant product infested or infected by any dangerous plant pest, except under regulations prescribed by the Board of Agriculture. G.S. 106-421. The Board of Agriculture has the ability to adopt reasonable regulations to eradicate, repress, and prevent the spread of plant pests in North Carolina. Those regulations can include inspections, quarantine of areas, and governance of transporting items liable to harbor plant pests. G.S. 106-420.

Service Districts. Article 16 of Chapter 153A grants to boards of county commissioners the authority to define service districts in order to finance, provide or maintain the districts for certain listed services. The types of services that are authorized include beach erosion, fire protection, recreation, sewage collection and disposal, solid waste collection, water supply and distribution, ambulance and rescue service, law enforcement and cemeteries. The Article authorizes the county to charge for the services provided. It also sets-out a procedure for adopting the service district.

BILL ANALYSIS:

The bill would allow the board of county commissioners in a county that adjoins or contains a lake, river, or tributary of a river or lake that has an identified noxious aquatic weed problem to define any number of noxious aquatic weed control service districts. The districts would have to be composed of property that are contiguous to the water or property that provides direct access to the water through a shared, certified access site to the water.

The term "noxious aquatic weed" would be any plant organism identified by the Secretary of Environment and Natural Resources under G.S. 113A-222 or regulated as a pest plant by the Commissioner of Agriculture under Article 36 of Chapter 106 of the General Statutes.

EFFECTIVE DATE: The act would become effective when it becomes law.

(34) Wine producer permit – $300.00.
(35) Wine tasting permit – $100.00.
~~(36) Wine shipper permit – $100.00.~~"

SECTION 2. G.S. 18B-1001.1(a) reads as rewritten:

"(a) A winery holding a federal basic wine manufacturing permit located within or outside of the State may apply to the Commission for issuance of a wine shipper permit that shall authorize the shipment of brands of fortified and unfortified wines identified in the application. The applicant shall not be required to pay an application fee for the wine shipper permit. A wine shipper permittee may amend the brands of wines identified in the permit application but shall file any amendment with the Commission. Any winery that applies for a wine shipper permit shall notify in writing any wholesalers that have been authorized to distribute the winery's brands within the State that an application has been filed for a wine shipper permit. A wine shipper permittee may sell and ship not more than two cases of wine per month to any person in North Carolina to whom alcoholic beverages may be lawfully sold. All sales and shipments shall be for personal use only and not for resale. A case of wine shall mean any combination of packages containing not more than nine liters of wine."

SECTION 3. G.S. 18B-203(a) reads as rewritten:

"(a) Powers. – The Commission shall have authority to:

...

(19) Recognize the wine importer permittee that is the primary American source of supply for the wine of a winery. The primary American source of supply is the source closest to the manufacturer in the channel of commerce from whom the product can be secured by American wholesalers."

SECTION 4. G.S. 18B-1106 reads as rewritten:

"**§ 18B-1106. Authorization of wine importer permit.**

(a) Authorization. – The holder of a wine importer permit may:

(1) Import fortified and unfortified wines from outside the United States in closed containers;
(2) Store those wines;
(3) Sell those wines to wine wholesalers for purposes of resale.

(b) Distribution Agreements. – Wine distribution agreements are governed by Article 12 of this Chapter.

(c) Primary Source of Supply. – The holder of a wine importer permit may import and sell to wholesalers only wine for which it is the primary American source of supply as recognized by the Commission."

SECTION 5. G.S. 18B-1107 reads as rewritten:

"§ 18B-1107. Authorization of wine wholesaler permit.

(a) Authorization. – The holder of a wine wholesaler permit may:

(1) Receive, possess and transport shipments of fortified and unfortified ~~wine;~~.wine. The wine must be received from one of the following:
a. The primary American source of supply for that wine as recognized by the Commission.
b. A licensed North Carolina wholesaler who received the wine from the primary American source of supply and with whom the wholesaler has a subcontracting agreement for the distribution of the wine.

(2) Sell, deliver and ship wine in closed containers for purposes of resale to wholesalers or retailers licensed under this Chapter as authorized by the ABC ~~laws;~~laws.

(3) Furnish and sell wine to its employees, subject to the rules of the Commission and the Department of ~~Revenue;~~Revenue.

(4) In locations where the sale is legal, furnish wine to guests and any other person who does not hold an ABC permit, for promotional purposes, subject to rules of the ~~Commission;~~Commission.

(5) Sell out-of-date unfortified and fortified wines to holders of cider and vinegar manufacturer permits, provided that each bottle is marked "out-of-date" by the wholesaler.

(b) Distribution Agreements. – Wine distribution agreements are governed by Article 12 of this Chapter."

SECTION 5. G.S. 18B-1114 reads as rewritten:

"§ 18B-1114. Authorization of nonresident wine vendor permit.

The holder of a nonresident wine vendor permit may sell, deliver, and ship unfortified and fortified wine in this State only to wholesalers, importers, and bottlers licensed under this Chapter, as authorized by the ABC laws. The unfortified and fortified wine must come to rest at the licensed premises of a wine wholesaler in this State before being resold to a retailer. A nonresident wine vendor permit may be issued to a winery, a wholesaler, an importer, or a bottler outside North Carolina who desires to sell, deliver, and ship unfortified and fortified wine into this State. The holder of a nonresident wine vendor permit may sell, deliver, and ship into this State only wine for which it is the primary American source of supply as recognized by the Commission."

SECTION 6. G.S. 18B-1201(4) reads as rewritten:

§ 18B-1201. Definitions.

As used in this Article, unless the context requires otherwise:

...

(4) "Winery" means any holder of an unfortified winery permit, fortified winery permit, limited winery permit, wine importer permit, or nonresident wine vendor permit issued under the authority of this Chapter who sells at least 1,000 cases of wine in North Carolina per year."

SECTION 7. This act is effective when it becomes law and applies to wine shipper permit applications submitted on or after that date.

HOUSE BILL 1429:
Wine Shipper Fee/Wine Primary Source

BILL ANALYSIS

Committee:	House Finance	**Date:**	May 17, 2005
Introduced by:	Reps. Harrell, Gibson	**Summary by:**	Cindy Avrette
Version:	PCS to First Edition H1429-CSRB-14		Committee Counsel

SUMMARY: ***House Bill 1429 eliminates the application fee for a wine shipper permit. The proposed committee substitute adds sections 3 through 6 of the bill to require the Alcoholic Beverage Control Commission to recognize a wine importer as the primary source of supply for the wine of a winery and to prohibit wine wholesalers from receiving, possessing, or transporting wine from any source other than the recognized primary source. The bill becomes effective when it becomes law.***

CURRENT LAW: After the end of Prohibition in the 1930s, North Carolina adopted laws to prohibit the importation of wine and other alcoholic beverages except through a highly regulated system. The structure of the ABC system is a three-tiered system. Under this system, an out-of-state producer of wine may sell its products in North Carolina to licensed wholesalers only. Wholesalers may in turn sell the products to other wholesalers or to licensed retailers. Only licensed retailers may sell the products to consumers.

In 1981, the General Assembly enacted an exception to this three-tiered structure. Under that exception, North Carolina wineries were allowed to sell and ship wine directly to North Carolina consumers. This exception did not extend to out-of-state wineries. In 2002, a federal district court held in *Beskind v. Easley*,[1] that this exemption violated the Commerce Clause of the United States Constitution because it clearly favored in-state economic interests over out-of-state interests. . North Carolina appealed this decision to the federal Court of Appeals. That court upheld the holding.[2]

To remedy the unconstitutional exception in the State's ABC law, the General Assembly was left with the option of repealing the exemption for in-state wineries or allowing shipments from out-of-state wineries on the same basis as for in-state wineries. S.L. 2003-402 created a new permit under the ABC laws that would allow any winery to ship wine directly to individuals in North Carolina and it provides a mechanism for the collection of excise and sales and use taxes on direct shipments of wine.[3] Under that act, any winery that holds a federal basic wine manufacturer permit may apply for a North Carolina wine shipper permit for a fee of $100. The annual renewal fee is $25.[4]

BILL ANALYSIS: Sections 1 and 2 of House Bill 1429 would eliminate the $100 fee, and subsequently the annual renewal fee, for the wine shipper permit.

The PCS for House Bill 1429 adds sections 3 through 6 of the bill. Those sections would require the ABC Commission to recognize only one wine importer permittee as the source for wines from a winery. It would prohibit wine importers from importing or selling to wholesalers wine for which it is not the

[3] The State is able to establish sufficient nexus with an out-of-state winery to require its collection of the State's taxes by requiring the acquisition of a wine shipper permit.

recognized source of supply and it would prohibit wine wholesalers from receiving, possessing, or transporting shipments of wine from an importer that is not the recognized source of supply. It also expands the protection of wine distribution agreements to these sales by amending the definition of 'winery' to include the holder of a 'wine importer permit'.

EFFECTIVE DATE: The bill is effective when it becomes law and applies to wine shipper permit applications submitted on or after that date.

EFFECTIVE DATE: Becomes effective when law.

BILL SUMMARY:
This bill eliminates the fee, which is currently $100, for the permit authorizing a winery to ship brands of fortified and unfortified wines.

ASSUMPTIONS AND METHODOLOGY: According to the Alcoholic Beverage Control Commission, there are currently 273 wine shipping permits. It is estimated that approximately 25 permit applications are received annually. Multiplying this number by the $100 permit fee results in a revenue loss to the General Fund of $2,500 per year.

HOUSE BILL 1507

Short Title:	Amend Interpreter/Transliterator License Act.	(Public)
Sponsors:	Representative Alexander.	
Referred to:	Finance.	

April 21, 2005

A BILL TO BE ENTITLED

AN ACT TO AMEND CERTAIN LAWS UNDER THE NORTH CAROLINA INTERPRETER AND TRANSLITERATOR LICENSURE ACT, TO EXPAND THE GROUP OF PERSONS WHO MAY OBTAIN A PROVISIONAL LICENSE UNDER THE ACT, AND TO AUTHORIZE THE NORTH CAROLINA INTERPRETER AND TRANSLITERATOR LICENSING BOARD TO ASSESS CIVIL PENALTIES.

The General Assembly of North Carolina enacts:

SECTION 1. G.S. 90D-4(b) is amended by adding the following new subdivision to read:

"(b) The provisions of this Chapter do not apply to:

...

(6) Nonresident persons who are nationally certified providing interpreting or transliterating services in this State no more than 20 days per year in accordance with rules adopted by the Board."

SECTION 2. G.S. 90D-8 reads as rewritten:

"**§ 90D-8. Provisional license.**

(a) Upon application to the Board and the payment of the required fees, an applicant may be issued a one-time provisional license as an interpreter or transliterator if the applicant meets all of the following qualifications:

(1) Is at least 18 years of age.

(2) Is of good moral character as determined by the Board.

(3) Completes two continuing education units approved by the Board. These units must be completed for each renewable year.

(4) Satisfies one of the following:

a. Holds a quality assurance North Carolina Interpreter Classification System (NCICS) level C classification.

b. Holds a valid National Association of the Deaf (NAD) level 2 or 3 certification.

c. Holds a current Educational Interpreter Performance Assessment (EIPA) level 3 or above classification.

~~d. Holds the following certificates for cued language transliterating coursework: Educational Interpreting Defined, Cued Language Transliterator (CLT) Skill Development I, II, and III, and Ethical Decision Making I.~~

d. Holds at least a two-year interpreting degree from a regionally accredited institution.

(a1) Upon application to the Board, payment of the required fees, and meeting the requirements for a provisional license under subdivisions (1) and (2) of subsection (a) of this section, the Board may also issue a provisional license to any of the following categories of persons seeking a provisional license:

(1) A certified deaf interpreter (CDI) who completes 30 hours of training, including 'Role and Function', 'Code of Ethics', and interpreting professional studies coursework.

(2) An oral interpreter who completes a total of 40 hours of training in interpreting coursework or workshops related to oral interpreting.

(3) A person providing cued speech interpreting or transliterating services who completes a total of 40 hours of training in interpreting coursework or workshops related to cued speech.

(4) A person providing interpreting or transliterating services who has a recognized credential from another state in the field of interpreting or transliterating.

(5) An interpreter or transliterator who has accumulated 200 hours per year in the provision of interpreting or transliterating services, in this State or another state, totaling 400 hours for the two years immediately preceding the date of application.

(b) A provisional license issued under this section shall be valid for one year. Upon expiration, a provisional license may be renewed for an additional one-year period in the discretion of the Board. However, a provisional license shall not be renewed more than three times. The Board may, in its discretion, grant an extension after the third time the provisional license has been renewed under circumstances to be established in rules adopted by the Board.

(c) Effective July 1, 2008, any person who applies for initial licensure on a provisional basis as an interpreter or transliterator shall hold at least a two-year degree from a regionally accredited institution."

SECTION 3. G.S. 90D-6 is amended by adding the following new subdivision to read:

"**§ 90D-6. Powers of the Board.**

The Board shall have the power and duty to:

...

(12) Conduct administrative hearings in accordance with Article 3A of Chapter 150B of the General Statutes."

SECTION 4. Chapter 90D of the General Statutes is amended by adding the following new section to read:

"**§ 90D-14. Civil penalties.**

(a) Authority to Assess Civil Penalties. – The Board may assess a civil penalty not to exceed one thousand dollars ($1,000) for the violation of any section of this Chapter or any rules adopted by the Board. The clear proceeds of any civil penalty assessed under this section shall be remitted to the Civil Penalty and Forfeiture Fund in accordance with G.S. 115C-457.2.

(b) Consideration Factors. – Before imposing and assessing a civil penalty, the Board shall consider the following factors:

(1) The nature, gravity, and persistence of the particular violation.

(2) The appropriateness of the imposition of a civil penalty when considered alone or in combination with other punishment.

(3) Whether the violation was willful and malicious.

(4) Any other factors that would tend to mitigate or aggravate the violations found to exist.

(c) Schedule of Civil Penalties. – The Board shall establish a schedule of civil penalties for violations of this Chapter or rules adopted by the Board.

(d) Costs. – The Board may assess the costs of disciplinary actions against a person found to be in violation of this Chapter or rules adopted by the Board."

SECTION 5. This act is effective when it becomes law.

HOUSE BILL 1507:
Amend Interpreter/Transliterator License Act

BILL ANALYSIS

Committee:	House Finance	**Date:**	May 17, 2005
Introduced by:	Rep. Alexander	**Summary by:**	Martha Walston
Version:	First Edition		Committee Counsel

SUMMARY: House Bill 1507 amends the Interpreters and Transliterators Licensure Act as follows:

- Exempts from licensing requirements nationally certified interpreters or transliterators who provide services in North Carolina for no more than 20 days a year.
- Authorizes additional persons to obtain a provisional license.
- Authorizes Board to conduct administrative hearing in accordance with Chapter 150B
- Authorizes the Board to assess civil penalties not to exceed $1,000 for violations of Chapter 90D.

CURRENT LAW: In 2003, the General Assembly enacted the Interpreter and Transliterator Licensure Act. The purpose of Chapter 90D is to provide for the regulation of persons offering manual or oral interpreting or transliterating services to individuals who are deaf, hard-of-hearing, or dependent on the use of manual modes of communication in this State.

Interpreting is defined as the process of providing accessible communication, between and among persons who are deaf or hard-of-hearing and those who are hearing. This process includes, but is not limited to, communication between American Sign Language and English. It may also involve various other modalities that involve visual, gestural, and tactile methods.

Transliterating is the process of providing accessible communication between one or more hearing persons and one or more deaf or hard-of-hearing persons using a form of manually coded English.

BILL ANALYSIS: Section 1 of the bill adds the following to the list of persons exempt from licensure: "Nonresident persons who are nationally certified providing interpreting or transliterating services in this State no more than 20 days per year in accordance with rules adopted by the Board."

Section 2 of the bill makes the following changes to the statute authorizing a one-year provisional license:

- Deletes a provision authorizing the issuance of a provisional license to persons holding certain course certificates.
- Authorizes the Board to issue a provisional license to a person who is at least 18, of good moral character, and who satisfies one of five listed interpreting or transliterating categories.

Section 3 of the bill authorizes the Board to conduct administrative hearings in accordance with Article 3A of Chapter 150B of the General Statutes. Article 3A applies to occupational licensing agencies.

Section 4 of the bill authorizes the Board to assess a civil penalty not to exceed $1,000 for any violation of Chapter 90D or any rules of the Board. Before assessing a civil penalty, the Board must consider four factors. The Board shall also establish a schedule of civil penalties. The Board may assess the costs of disciplinary actions against the person violating the Chapter and rules of the Board.

EFFECTIVE DATE: The bill is effective when it becomes law.

A BILL TO BE ENTITLED

AN ACT TO MAKE TECHNICAL AND OTHER CHANGES TO THE UNIFORM BOILER AND PRESSURE VESSEL ACT OF NORTH CAROLINA AND THE WAGE AND HOUR ACT OF NORTH CAROLINA.

The General Assembly of North Carolina enacts:

SECTION 1. G.S. 95-69.9 reads as rewritten:

"**§ 95-69.9. Definitions.**

(a) The term "board" shall mean the North Carolina Board of Boiler and Pressure Vessel ~~Rules;~~Rules.

(b) The term "boiler" shall mean a closed vessel in which water is heated, steam is generated, steam is superheated, or any combination thereof, under pressure or vacuum ~~for use externally to itself~~ by the direct or indirect application of ~~heat from the combustion of fuels, or from electricity or nuclear energy. This~~ heat. The term "boiler" shall also include fired units for heating or vaporizing liquids other than water where these units ~~are separate from processing systems and~~ are complete within ~~themselves;~~themselves.

(c) The term "Commissioner" shall mean the North Carolina Commissioner of ~~Labor;~~Labor.

~~(d) The term "Director" shall mean the individual appointed by the Commissioner to hold the office of Director of the Boiler and Pressure Vessel Division within the Department of Labor;~~

(e) The term "inspection certificate" or "certificate of inspection" shall mean certification by the ~~Director~~ Chief Inspector that a boiler or pressure vessel is in compliance with the rules and regulations adopted under this ~~Article;~~Article.

(f) The term "inspector's commission" shall mean a written authorization by the Commissioner for a person who has met the qualifications set out in this Article to conduct inspections of boilers and pressure ~~vessels;~~vessels.

(g) The term "pressure vessel" shall mean a vessel in which the pressure is obtained from an indirect source or by the application of heat from an indirect source or a direct source, other than those included within the term "boiler".

(h) The term "Chief Inspector" shall mean the individual appointed by the Commissioner to hold the office of Chief of the Boiler Safety Bureau within the Department of Labor. The Chief Inspector serves as the North Carolina member on the National Board of Boiler and Pressure Vessel Inspectors.

(i) The term "Deputy Inspector" shall mean any Boiler and Pressure Vessel Inspector who is employed by the Department of Labor and is subordinate to the Chief Inspector.

(j) The term "National Board" shall mean the National Board of Boiler and Pressure Vessel Inspectors.

(k) The term "person" shall mean any individual, association, partnership, firm, corporation, private organization, or the State of North Carolina or any political subdivision of the State or any unit of local government."

SECTION 2. G.S. 95-69.10 reads as rewritten:

"**§ 95-69.10. Application of Article; exemptions.**

(a) This Article shall apply to all boilers and pressure vessels constructed, used, or designed for operation in this State including all new and existing installations which are operated in connection with business buildings, institutional buildings, industrial buildings, assembly buildings, educational buildings, public residential buildings, recreation buildings, other public buildings, and water supplies. This Article shall also apply to boilers and hot water supply tanks, and heaters located in hotels, motels, tourist courts, camps, cottages, resort lodges, and similar places whenever the owner or operator advertises in any manner for transit patronage, or solicits such business for temporary abode by transit patrons.

(b) This Article shall not apply to:

(1) Boilers and pressure vessels owned ~~and/or~~ or operated by the federal ~~government.~~government, unless the agency in question has asked for coverage by this Article.

(2) Pressure vessels used for transportation or storage of compressed gases when constructed in compliance with the specifications of the United States Department of Transportation and when charged with gas marked, maintained, and periodically requalified for use, as required by appropriate regulations of the United States Department of Transportation.

(3) Portable pressure vessels used for agricultural purposes only or for pumping or drilling in an open field for water, gas or coal, gold, talc, or other minerals and metals.

(4) Boilers and pressure vessels which are located in private residences or in apartment houses of less than six families.

(5) Pressure vessels used for transportation or storage of liquified petroleum gas.

(6) Air tanks located on vehicles licensed under the rules and regulations of other state authorities operating under rules and regulations substantially similar to those of this State and used for carrying passengers or freight within interstate commerce.

(7) Air tanks installed on right-of-way of railroads and used directly in the operation of trains.

(8) ~~Pressure vessels that do not exceed five cubic feet in volume and 250 PSIG pressure; or one and one-half cubic feet in volume and 600 PSIG pressure; or an inside diameter of six inches with no limitations on pressure.~~Any of the following pressure vessels that do not exceed the listed limitations if the vessel is not equipped with a quick actuating closure:

a. Five cubic feet in volume and 250 psig.

b. Three cubic feet in volume and 350 psig.

c. One and one-half cubic feet in volume and 600 psig.

d. An inside diameter of six inches with no limitation on pressure.

(9) Pressure vessels operating at a working pressure not exceeding 15 ~~PSIG pressure.~~psig.

(10) Pressure vessels with a nominal water capacity ~~of~~ not exceeding 120 gallons ~~or less~~ and containing water under pressure at ~~ambient temperature,~~ temperatures not exceeding 120°F, including those containing air, the compression of which serves as a cushion.

(11) Boilers and pressure vessels on railroad steam locomotives that are subject to federal safety regulations.

(12) Repealed by Session Laws 1985, c. 620, s. 2.

(13) Coil-type hot water supply boilers, generally referred to as steam jennies, where the water can flash into steam when released directly to the atmosphere through a manually operated nozzle and where adequate safety relief valves and controls are installed on them, provided none of the following limitations are exceeded:

a. There is no drum, header, or other steam space.

b. No steam is generated within the coil.

c. Maximum 1 inch tube size.

d. Maximum 3/4 inch nominal pipe size.

e. Maximum 6 gallon nominal water storage capacity.

f. Water temperature of ~~350 degrees fahrenheit.~~350°F.

(14) Pressure vessels containing water at a temperature not exceeding 110 degrees fahrenheit except that this provision shall not exclude hydropneumatic pressure vessels from regulation.

(15) An air tank that does not exceed eight cubic feet in volume that is installed on a service vehicle.

(16) Autoclaves in medical offices and hospitals that are less than five cubic feet in volume, even if they are equipped with a quick actuating closure.

(17) Coil-type hot water supply boilers of the instantaneous type where adequate safety relief valves and controls are installed if none of the following limitations are exceeded:
a. There is no drum, header, or other steam space.
b. No steam is generated within the coil.
c. Maximum one-inch tube size.
d. Maximum three-quarter-inch nominal pipe size.
e. Maximum six-gallon nominal water storage capacity.
f. Water temperature not to exceed 250°F.
g. Maximum heat input does not exceed 400,000 Btu/hr or 110 kW.
h. Maximum pressure of 260 psig.

(18) Toy boilers, if all of the following apply:
a. The water containing volume of the boiler is less than one quart.
b. The operating pressure does not exceed 15 psig.
c. The maximum outside diameter of the shell is no greater than six inches.
d. The boiler is manually fired by solid fuels.

(19) Pressure vessels associated with electrical apparatus in electrical switchyards if the pressure vessels have proper pressure relief devices.

(20) Carbon dioxide tanks used in beverage dispensing service.

(c) The construction and inspection requirements established by the Department of Labor shall not apply to hot water supply boilers which are directly fired with oil, gas or electricity, or hot water supply tanks heated by steam or any other indirect means, which do not exceed any of the following limitations:

(1) Heat input of 200,000 ~~BTU HR;~~Btu/hr or 58.6 kW.

~~(2) Water temperature of 200 degrees F;~~

(3) Nominal water capacity of 120 ~~gallons;~~gallons.

provided that they are equipped with ASME Code and National Board certified safety relief valves.

(d) The construction requirements established by the Department of Labor shall not apply to pressure vessels installed in this State prior to December 31, 1981, that:

(1) Are of one-piece, ~~forged construction and have no weldments;~~unwelded, forged construction;

(2) Are constructed before January 1, 1981, and operating or could be operated, under the laws of any state or Canadian Province that has adopted one or more sections of the ASME Code;

(3) Are transferred into this State without a change of ownership; and

(4) Are determined by the ~~Director~~ Chief Inspector to be constructed under standards substantially equivalent to those established by the department at the time of transfer;

provided that they are equipped with ASME Code and National Board certified safety relief valves.

(e) The construction requirements established by the Department of Labor shall not apply to pressure vessels installed in this State prior to December 31, 1984, that:

(1) Are manufactured from gray iron casting material, as specified by the American Society for Testing and Materials, (ASTM) 48-60T/30;

(2) Are constructed before December 31, 1967, and operating or could be operated, under the laws of any state or Canadian Province that has adopted one or more sections of the ASME Boiler and Pressure Vessel Code;

(3) Are transferred into this State without a change of ownership; and

(4) Are determined by the ~~Director~~ Chief Inspector to be constructed under standards substantially equivalent to those established by the department at the time of transfer;

provided that they are equipped with ASME Code and National Board certified safety relief valves.

(f) The construction requirements established by the Department of Labor shall not apply to hydropneumatic tanks installed or operated by a community water system prior to January 1, 1986."

SECTION 3. G.S. 95-69.11 reads as rewritten:

"**§ 95-69.11. Powers and duties of Commissioner.**

The Commissioner of Labor is hereby charged, directed, and empowered:

(1) To adopt, modify, or revoke rules governing the construction, operation, and use of boilers and pressure vessels, including, where necessary, requirements for fencing to prevent unauthorized persons from coming in contact with boilers and pressure vessels or the systems they are connected to.

(2) ~~To supervise the office of the Director of Boiler and Pressure Vessel Division.~~To delegate to the Chief Inspector any powers, duties, and responsibilities that the Commissioner determines will best serve the public interest in the safe operation of boilers and pressure vessels, and to supervise the Chief Inspector in the performance of those duties.

(3) To enforce rules adopted under authority of this Article.

(4) To inspect boilers and pressure vessels covered under this Article.

(5) To issue inspection certificates to those boilers and pressure vessels found in compliance with this Article.

(6) To enjoin violations of this Article in the civil and criminal courts of this State.

(7) To keep adequate records of the type, dimensions, age, conditions, pressure allowed upon, location, and date of the last inspection of all boilers and pressure vessels to which this Article applies.

(8) To require such periodic reports from inspectors, owners, and operators of boilers and pressure vessels as he deems appropriate in carrying out the purposes of this Article.

(9) To have free access, without notice, to any location in this State, during reasonable hours, where a boiler or pressure vessel is being

built, installed, or operated for the purpose of ascertaining whether such boiler or pressure vessel is built, installed, or operated in accordance with the provisions of this Article.

(10) To investigate serious accidents involving boilers and pressure vessels to determine the causes of the accidents, and to have full subpoena powers in conducting the investigation.

(11) To establish reasonable fees for the inspection and issuance of inspection certificates for boilers and pressure vessels that are in use.

(12) To establish reasonable fees for the examination and certification of inspectors.

(13) To appoint qualified individuals to the Board of Boiler and Pressure Vessel Rules.

(14) To perform inspections and audits relating to the construction and repair of boilers and pressure vessels and to establish and collect fees for these activities.

(15) To order the payment of civil penalties provided by this section.

(16) To require that before any boiler or pressure vessel that is subject to this Article is transferred into the State, or is moved from one location to another within the State, the owner or the owner's authorized agent shall file with the Commissioner a written notice of intent to do so and the type of device involved and provide a copy of the specifications, previous inspection documents, or other information that the Commissioner deems necessary to determine whether the boiler or pressure vessel is in compliance with the provisions of this Article and the rules adopted under this Article."

SECTION 4. G.S. 95-69.12 reads as rewritten:

"**§ 95-69.12. ~~Office of Director of Boilers and Pressure Vessels Division created; powers and duties.~~Boiler Safety Bureau established.**

~~There is hereby created the office of Director of the Boiler and Pressure Vessel Division within the North Carolina Department of Labor. The person holding this office shall assist the Commissioner in carrying out the provisions of this Article in accordance with the provisions of Chapter 126 of the General Statutes. The Director is charged with the responsibility for the administration of this Article on a day-to-day basis.~~

~~The Director shall be primarily responsible for the inspection of boilers and pressure vessels subject to this Article and for the issuance of inspection certificates for those boilers and pressure vessels found suitable. He shall also be responsible for the collection of fees for the inspection of boilers and pressure vessels and transmitting the same to the State Treasurer, where they shall be held in a special account to cover the operating expenses of the Division.~~

There is established a Boiler Safety Bureau within the Department of Labor. The Commissioner shall appoint a Chief Inspector of the Boiler Safety Bureau and any other employees that the Commissioner deems necessary to assist the Chief Inspector in administering the provisions of this Article and the rules adopted under this Article."

SECTION 5. G.S. 95-69.13 reads as rewritten:

"**§ 95-69.13. Board of Boiler and Pressure Vessels Rules created; appointment, terms, compensation and duties.**

(a) There is hereby created the North Carolina Board of Boiler and Pressure Vessels Rules consisting of nine members appointed by the ~~Commissioner, of which three shall be appointed for a term of one year, three for a term of two years, one for a term of three years, one for a term of four years, and one for a term of five years. At the expiration of their respective terms of office, their successors shall be appointed for terms of five years each.~~ Commissioner for a term of five years each. Of these nine appointed members, one shall be a representative of the owners and users of steam boilers within this State, one a representative of boiler manufacturers within this State, one a representative of boilermakers within this State who has had not less than five years' practical experience as a boilermaker, one shall be a representative of the owners or users of pressure vessels within the State, one shall be a representative of the pressure vessel manufacturers within the State, one a representative of ~~a~~ boiler inspection and insurance ~~company~~ companies authorized to insure boilers and pressure vessels within the State, one a representative of the ~~operating steam engineers~~ antique boiler owners and operators in this State, one a contractor holding a Group I North Carolina Heating License, and one a mechanical engineer on the faculty of a recognized engineering college or a licensed professional engineer having boiler and pressure vessel experience. The Commissioner of Labor shall serve as ~~chairman.~~chair. The Chief Inspector shall serve on the Board and in the absence of the Commissioner shall serve as chair.

(b) The Board shall meet at least twice annually and shall be responsible for:

(1) Studying and proposing rules and regulations, for adoption, modification or revocation by the Commissioner, governing the construction, installation, inspection, repair, alteration, use and operation of boilers and pressure vessels in this State. The rules and regulations so formulated shall conform as nearly as possible to the standards of the American Society of Mechanical ~~Engineers and amendments and interpretations thereto made and approved by the council of the Society.~~Engineers.

(2) Devise and ~~administer~~ proctor examinations covering this Article and the rules adopted under this Article to applicants seeking a ~~certificate of competency as~~ commission as inspectors of boilers and pressure vessels in this State.

(2a) Act as proctors during the administration of the National Board commissioning examination.

(3) Issue, suspend, or revoke inspector's ~~commission to~~ commissions as inspectors of boilers and pressure vessels within this State. Whenever action is taken under this section to suspend or revoke a commission, the affected party shall be given notice of the availability of an administrative hearing and of judicial review in accordance with Chapter 150B of the General Statutes, the Administrative Procedure Act.

(c) The members of the Board shall serve without salary but shall be paid a subsistence and travel allowance as established in accordance with Chapter 138 of the General Statutes."

SECTION 6. G.S. 95-69.14 reads as rewritten:

"**§ 95-69.14. Rules and regulations governing the construction, operation and use of boilers and pressure vessels.**

The Commissioner, after consultation with the Board, may adopt, ~~modify~~ modify, or revoke ~~such~~ any rules and regulations governing the construction, installation, repair, alteration, inspection, ~~use~~ use, and operation of boilers and pressure vessels as ~~he~~ the Commissioner deems appropriate to insure the safe operation and avoidance of injury to person or property from boilers and pressure vessels. The rules and regulations will conform as nearly as possible to the standards of the American Society of Mechanical Engineers and the amendments and interpretations ~~thereto, but to avoid unnecessary hardships that would result from requiring replacement of existing non-code tanks that meet minimum safety requirements where there is no danger to persons, such rules and regulations shall vary for hydropneumatic pressure vessels installed or operated by a community water system prior to January 1, 1986.~~of those engineering standards.

The procedure for the adoption, ~~modification~~ modification, or revocation of ~~such~~ the rules and regulations shall be ~~the same as that contained within~~ in accordance with ~~the Administrative Procedure Act of North Carolina as the same appears in~~ Chapter 150B of the General ~~Statutes.~~Statutes, the Administrative Procedure Act."

SECTION 7. G.S. 95-69.15 reads as rewritten:

"**§ 95-69.15. Classification of inspectors; qualifications; examinations; certificates of competency; inspector's commission.**

(a) There shall be three types of inspectors authorized to conduct inspections and report their findings to the ~~Director~~ Chief Inspector under this Article:

(1) Boiler and Pressure Vessel ~~Inspector.~~ Inspector or Deputy Inspector. – Shall be a qualified ~~individual~~ individual, employed by the Department of Labor and appointed by the Commissioner, to assist in conducting inspections under this Article and report on the suitability of boilers and pressure vessels so ~~inspected;~~inspected.

(2) Special ~~Inspector.~~ Inspector or Insurance Inspector. – Shall be a qualified individual regularly employed by an insurance company authorized to insure in this State against injury to person ~~and/or~~ or property or both from explosions and accidents involving boilers and pressure ~~vessels;~~vessels. Special Inspectors shall not include employees of private contract inspection agencies.

(3) Owner-User Inspectors. – Shall be a qualified individual employed on a full-time basis by a company operating ~~boilers or~~ pressure vessels for its own use and not for resale, and maintains an established inspection program for periodic inspection of ~~boilers and~~ pressure vessels owned or used by that company and where such inspection program is under the supervision of one or more engineers having qualifications satisfactory to the Commissioner.

(b) Inspector's Commission. – Any company authorized to insure in this State against loss to person or property as a result of an explosion or accident involving boilers and pressure vessels or operating boilers ~~and/or~~ or pressure vessels or both for its own use and not for resale, may apply for the issuance of an inspector's commission for an individual within its employ who has a ~~certificate of competency.~~commission from the National Board.

A North Carolina commission authorizes an inspector to make inspections on boilers and pressure vessels and report on the suitability of said boilers and pressure vessels to the ~~Director.~~ Chief Inspector. Those inspectors holding commissions as special inspectors shall be limited to making inspections on boilers and pressure vessels insured by their employer. Owner-user inspectors shall be limited to conducting inspections on boilers and pressure vessels operated by their respective employers.

A person seeking a commission from this State to conduct in-service inspections of boilers and pressure vessels must take and pass an examination on this Article and the rules adopted pursuant to this Article prior to receiving the commission. Any person who has had a commission in this State but who has been inactive for more than one year must take or retake and pass the State examination before conducting further in-service inspections of boilers and pressure vessels.

(c) ~~Qualifications for~~ Certificates of Competency. – Certificates of competency may be issued by the Chief Inspector to those persons who take and pass a National Board commissioning examination administered by the Board. ~~To be entitled to a certificate of competency, as one of the above type inspectors, an individual must:~~

~~(1) Have passed an examination provided and administered by the Board; or~~

~~(2) Have passed an examination and been certified in a state having rules and regulations substantially similar to those effective within North Carolina; or~~

~~(3) Hold a certificate of competency of the National Board of Boiler and Pressure Vessel Inspectors; and~~

~~(4) Continue in the employ of the company requesting the certificate of competency from the Board.~~"

SECTION 8. G.S. 95-69.16 reads as rewritten:

"**§ 95-69.16. Inspection certificate required.**

All boilers and pressure vessels subject to the provisions of this Article shall be inspected by ~~an authorized~~ a commissioned inspector. The Commissioner may determine both the frequency and the method of inspection. In determining the frequency of inspection, the Commissioner shall give due consideration to the hazard involved and the need for the protection of the public. The method of inspection must provide an adequate procedure to insure the safety of individuals likely to be injured by an explosion or accident involving a boiler or pressure vessel.

No boiler or pressure vessel may be operated without an inspection certificate, except pressure vessels being operated under an owner-user provision where administrative procedures of equal safety and competency have been approved by the

Board and Commissioner. No more than ~~60~~ 90 days grace period may be granted beyond the certificate expiration date."

SECTION 9. G.S. 95-69.17 reads as rewritten:

"**§ 95-69.17. ~~Administrative and judicial review of decisions.~~Noncomplying devices; appeal.**

~~(a) A final decision to suspend or revoke an inspector's commission or inspection certificate shall be made in accordance with Chapter 150B of the General Statutes.~~

~~(b) A final decision to deny an application for a certificate of competency or to refuse to issue or renew an inspection certificate shall be made in accordance with Chapter 150B of the General Statutes. In a contested case under this subsection, the decision of the Director shall not be stayed pending administrative review.~~

~~(c) Article 4 of Chapter 150B of the General Statutes governs judicial review of a final decision in a contested case.~~

(a) If the Commissioner determines that a boiler or pressure vessel is subject to the provisions of this Article and that the operation of the boiler or pressure vessel is exposing the public to an unsafe condition likely to result in serious personal injury or property damage, the Commissioner may immediately order in writing that the use of the boiler or pressure vessel be stopped or limited until the Commissioner determines that the boiler or pressure vessel has been made safe for operation.

(b) If the Commissioner determines that the provisions of this Article or the rules adopted pursuant to this Article have not been complied with, the Commissioner may refuse to issue or renew or may revoke, suspend, or amend an inspection certificate.

(c) Whenever action is taken under this section, the affected party shall be given notice of the availability of an administrative hearing and of judicial review in accordance with Chapter 150B of the General Statutes, the Administrative Procedure Act."

SECTION 10. G.S. 95-69.18 reads as rewritten:

"**§ 95-69.18. ~~Inspection certificates required; misrepresentation as inspector.~~Operation without inspection certificate; operation not in compliance with this Article; operation after nonissuance or revocation of certificate.**

~~It shall be unlawful for any person, firm, partnership, association or corporation to operate or use any boiler or pressure vessel in this State, and to which this Article applies, without a valid inspection certificate issued by the North Carolina Department of Labor. Any person, firm, partnership, association or corporation found to be operating or using a boiler or pressure vessel without a valid inspection certificate shall be guilty of a Class 3 misdemeanor which may include a fine of one thousand dollars ($1,000).~~

~~Any person who knowingly and willfully misrepresents himself as an authorized inspector in North Carolina, shall be guilty of a Class 2 misdemeanor.~~

(a) No person may operate or permit to be operated any boiler or pressure vessel subject to the provisions of this Article without a valid inspection certificate unless the absence of a valid inspection certificate is the result of the Commissioner's failure to inspect the device.

(b) No person may operate or permit to be operated any boiler or pressure vessel subject to the provisions of this Article other than in accordance with this Article and the rules adopted pursuant to this Article.

(c) No person may operate or permit to be operated any boiler or pressure vessel subject to the provisions of this Article after the Commissioner has refused to issue or has revoked the inspection certificate for the boiler or pressure vessel."

SECTION 11. Article 7A of Chapter 95 of the General Statutes is amended by adding a new section to read:

"**§ 95-69.19. Violations; civil penalties; appeals.**

(a) Any person who violates G.S. 95-69-18(a) or (b) (Operation without inspection certificate; operation not in accordance with Article or rules and regulations) shall be subject to a civil penalty not to exceed two hundred fifty dollars ($250.00) for each day each boiler or pressure vessel is so operated or used.

(b) Any person who violates G.S. 95-69-18(c) (Operation after refusal to issue or after revocation of inspection certificate) shall be subject to a civil penalty not to exceed five hundred dollars ($500.00) for each day any such boiler or pressure vessel is so operated or used.

(c) In determining the amount of any penalty ordered under authority of this section, the Commissioner shall give due consideration to the appropriateness of the penalty with respect to the size of the business of the person being charged, the gravity of the violation, the good faith of the person, and the record of previous violations.

(d) The determination of the amount of the penalty by the Commissioner shall be final, unless within 15 days after receipt of notice thereof by certified mail the person charged with the violation takes exception to the determination in which event the final determination of the penalty shall be made in an administrative proceeding and in a judicial proceeding pursuant to Chapter 150B of the General Statutes, the Administrative Procedure Act.

(e) The Commissioner may file in the office of the clerk of the superior court of the county where the violation occurred or where the person against whom a civil penalty has been ordered resides, or if a corporation is involved in the county where the corporation maintains its principal place of business, a certified copy of a final order of the Commissioner unappealed from, or of a final order of the Commissioner affirmed upon appeal. Upon filing of the final order, the clerk of superior court shall enter judgment in accordance with the order and notify the parties. The judgment shall have the same force and effect as a judgment by the superior court of the General Court of Justice."

SECTION 12. Article 7A of Chapter 95 of the General Statutes is amended by adding a new section to read:

"**§ 95-69.20. Violations; criminal penalties.**

(a) Any person who knowingly and willfully misrepresents himself as an authorized inspector administering or enforcing the provisions of this Article or the rules adopted pursuant to this Article shall be guilty of a Class 2 misdemeanor.

(b) Any person knowingly making a material and false statement, representation or certification in any application, record, report, plan, or any other document filed or

required to be maintained pursuant to this Article or the rules adopted pursuant to this Article shall be guilty of a Class 2 misdemeanor."

SECTION 13. G.S. 95-107 reads as rewritten:

"**§ 95-107. Assessment and collection of fees; certificates of safe operation.**

The assessment of the fees adopted by the Commissioner pursuant to ~~G.S. 95-110.5 and G.S. 95-111.4~~ G.S. 95-69.11, 95-110.5, and 95-111.4 shall be made against the owner or operator of the equipment and may be collected at the time of inspection. If the fees are not collected at the time of inspection, the Department must bill the owner or operator of the equipment for the amount of the fee assessed for the inspection of the equipment and the amount assessed is payable by the owner or operator of the equipment upon receipt of the bill. Certificates of safe operation may be withheld by the Department of Labor until such time as the assessed fees are collected."

SECTION 14. G.S. 95-108 reads as rewritten:

"**§ 95-108. Disposition of fees.**

All fees collected by the Department of Labor pursuant to ~~G.S. 95-110.5 and G.S. 95-111.4~~ G.S. 95-69.11, 95-110.5, and 95-111.4 shall be deposited with the State Treasurer and shall be used exclusively for inspection and certification purposes."

SECTION 15. G.S. 95-25.5(i) reads as rewritten:

"(i) ~~Youths~~ Youth under 18 years of age employed by their ~~parents~~ parent, guardian, or other person standing in loco parentis are exempt from all provisions of this section, except for all of the following:

(1) The certificate requirements of subsection (a) of this section.

(2) The prohibition from hazardous or detrimental occupations of subsection (b) of this section.

(3) The prohibitions of subsection (j)(2) of this section if the youths only work at the establishment when another employee at least 21 years of age is in charge of and present at the licensed premises."

SECTION 16. G.S. 95-25.8 reads as rewritten:

"**§ 95-25.8. Withholding of wages.**

~~An employer may withhold or divert any portion of an employee's wages when:~~

~~(1) The employer is required or empowered to do so by State or federal law, or~~

~~(2) The employer has a written authorization from the employee which is signed on or before the payday for the pay period from which the deduction is to be made indicating the reason for the deduction. Two types of authorization are permitted:~~

~~a. When the amount or rate of the proposed deduction is known and agreed upon in advance, the authorization shall specify the dollar amount or percentage of wages which shall be deducted from one or more paychecks, provided that if the deduction is for the convenience of the employee, the employee shall be given a reasonable opportunity to withdraw the authorization;~~

~~b. When the amount of the proposed deduction is not known and agreed upon in advance, the authorization need not specify a~~

~~dollar amount which can be deducted from one or more paychecks, provided that the employee receives advance notice of the specific amount of any proposed deduction and is given a reasonable opportunity to withdraw the authorization before the deduction is made.~~

(a) An employer may withhold or divert a portion of an employee's wages when:

(1) The employer is required or empowered by State or federal law; or

(2) The employer has a written authorization from the employee which is signed on or before the payday(s) for the pay period(s) from which the deduction is to be made indicating the reason for the deduction, and the actual dollar amount or percentage of wages which shall be deducted from one or more paychecks. Provided, such authorization cannot be granted prior to the occurrence of the event for which the deduction is to be made. If the withholding or diversion of wages owed is made for the convenience of the employee, the employee shall be given a reasonable opportunity to withdraw the authorization before the deduction is made.

(b) In addition to complying with the requirements in subsection (a), of this section, an employer may withhold or divert a portion of an employee's wages for cash shortages, inventory shortages, or loss or damage to an employer's property only after giving the employee written notice of the amount to the deducted seven days prior to the payday on which the deduction is to be made, except that when a separation occurs the seven-day notice is not required. Any withholdings or diversions of an employee's wages pursuant to this subsection are considered to be for the employer's benefit, and thus are subject to the limitations provided in subsection (c) of this section.

(c) In addition to the requirements of subsections (a) and (b) of this section, the withholding or diversion of wages owed for the employer's benefit must comply with the following requirements:

(1) In non-overtime workweeks, an employer may reduce wages to the minimum wage level.

(2) In overtime workweeks, employers may reduce wages to the minimum wage level for non-overtime hours.

(3) No reductions may be made during overtime work hours.

(d) Withholding or diversion of wages owed, for the convenience of employees, must be made pursuant to this section, but are not limited in the amounts to be withheld."

SECTION 17. G.S. 95-25.9 is repealed.

SECTION 18. G.S. 95-25.10 is repealed.

SECTION 19. G.S. 95-25.11 reads as rewritten:

"**§ 95-25.11. Employers' remedies preserved.**

~~(a) The provisions of G.S. 95-25.8, G.S. 95-25.9, and G.S. 95-25.10 do not apply if criminal process has issued against the employee, if the employee has been indicted, or if the employee has been arrested pursuant to Articles 17, 20, and 32 of Chapter 15A~~

~~of the General Statutes for a charge incident to a cash shortage, inventory shortage, or damage to an employer's property.~~

~~If the employee is not found guilty, then the amount deducted shall be reimbursed to the employee by the employer.~~

~~(b)~~ Nothing in this Article shall preclude an employer from bringing a civil action in the General Court of Justice to collect any amounts due the employer from the employee."

SECTION 20. G.S. 95-25.12 reads as rewritten:

"**§ 95-25.12. Vacation ~~pay.~~pay plans.**

No employer is required to provide vacation pay plans for employees. However, if an employer provides ~~vacation~~ these promised benefits for employees, the employer shall give all vacation time off or payment in lieu of time off in accordance with the company policy or practice. Employees shall be notified in accordance with G.S. 95-25.13 of any policy or practice which requires or results in loss or forfeiture of vacation time or pay. Employees not so notified are not subject to such loss or forfeiture."

SECTION 21. G.S. 95-25.13(3) reads as rewritten:

"(3) Notify ~~its~~ employees, in writing or through a posted notice maintained in a place accessible to its employees, ~~of~~ at least 24 hours prior to any changes in promised ~~wages prior to the time of such changes except that wages~~ wages. Wages may be retroactively increased without the prior notice required by this subsection; and".

SECTION 22. G.S. 95-25.15(a) reads as rewritten:

"(a) The Commissioner or his designated representative shall have the power and authority to enter any place of employment and gather such facts as are essential to determine whether or not the employer is covered by any provision of this Article.

With respect to any provision of this Article under which the employer is covered, the Commissioner or ~~his~~ the Commissioner's designated representative may inspect such places and such records, make transcriptions of any and all such records, question employees and investigate such facts, conditions, practices, or matters as are necessary to determine whether the employer has violated said provision of this Article.

With respect to the provisions of G.S. 95-25.6 through 95-25.12 (Wage Payment) as those provisions apply to persons covered by the Fair Labor Standards Act, the Commissioner or his designated representative shall have no authority under this subsection unless the Commissioner or his designated representative has received a complaint from an employee of the covered establishment.~~establishment, and then shall investigate that specific complaint only.~~"

SECTION 23. G.S. 95-25.17 reads as rewritten:

"**§ 95-25.17. Wage and Hour Division established.**

~~The State Employment Standards Division within the North Carolina Department of Labor is renamed the Wage and Hour Division. The Commissioner shall reappoint the Director of the State Employment Standards Division as the Director of the Wage and Hour Division and shall reappoint such other employees as he deems necessary to assist him in administering the provisions of this Article.~~ The Commissioner of Labor is

charged with enforcement of this Article. The Commissioner shall appoint a Wage and Hour Director and any other employees the Commissioner deems necessary for enforcement of this Article. The Commissioner shall continue to prescribe the powers, duties, and responsibilities of the Director and employees engaged in the administration of this Article."

SECTION 24. This act is effective when it becomes law.

GENERAL ASSEMBLY OF NORTH CAROLINA

SESSION 2005

HOUSE BILL 768

Committee Substitute Favorable 5/9/05

Short Title: 2005 Omnibus Labor Law Changes.-AB (Public)

Sponsors:

Referred to:

March 17, 2005

A BILL TO BE ENTITLED

AN ACT TO MAKE TECHNICAL AND OTHER CHANGES TO THE UNIFORM BOILER AND PRESSURE VESSEL ACT OF NORTH CAROLINA AND THE WAGE AND HOUR ACT OF NORTH CAROLINA.

The General Assembly of North Carolina enacts:

SECTION 1. G.S. 95-69.9 reads as rewritten:

"**§ 95-69.9. Definitions.**

(a) The term "board" shall mean the North Carolina Board of Boiler and Pressure Vessel ~~Rules;~~Rules.

(b) The term "boiler" shall mean a closed vessel in which water is heated, steam is generated, steam is superheated, or any combination thereof, under pressure or vacuum ~~for use externally to itself~~ by the direct or indirect application of ~~heat from the combustion of fuels, or from electricity or nuclear energy. This~~ heat. The term "boiler" shall also include fired units for heating or vaporizing liquids other than water where these units ~~are separate from processing systems and~~ are complete within ~~themselves;~~themselves.

(c) The term "Commissioner" shall mean the North Carolina Commissioner of ~~Labor;~~Labor.

~~(d) The term "Director" shall mean the individual appointed by the Commissioner to hold the office of Director of the Boiler and Pressure Vessel Division within the Department of Labor;~~

(e) The term "inspection certificate" or "certificate of inspection" shall mean certification by the ~~Director~~ Chief Inspector that a boiler or pressure vessel is in compliance with the rules and regulations adopted under this ~~Article;~~Article.

(f) The term "inspector's commission" shall mean a written authorization by the Commissioner for a person who has met the qualifications set out in this Article to conduct inspections of boilers and pressure ~~vessels;~~vessels.

(g) The term "pressure vessel" shall mean a vessel in which the pressure is obtained from an indirect source or by the application of heat from an indirect source or a direct source, other than those included within the term "boiler".

(h) The term "Chief Inspector" shall mean the individual appointed by the Commissioner to hold the office of Chief of the Boiler Safety Bureau within the Department of Labor. The Chief Inspector serves as the North Carolina member on the National Board of Boiler and Pressure Vessel Inspectors.

(i) The term "Deputy Inspector" shall mean any Boiler and Pressure Vessel Inspector who is employed by the Department of Labor and is subordinate to the Chief Inspector.

(j) The term "National Board" shall mean the National Board of Boiler and Pressure Vessel Inspectors.

(k) The term "person" shall mean any individual, association, partnership, firm, corporation, private organization, or the State of North Carolina or any political subdivision of the State or any unit of local government."

SECTION 2. G.S. 95-69.10 reads as rewritten:

"**§ 95-69.10. Application of Article; exemptions.**

(a) This Article shall apply to all boilers and pressure vessels constructed, used, or designed for operation in this State including all new and existing installations which are operated in connection with business buildings, institutional buildings, industrial buildings, assembly buildings, educational buildings, public residential buildings, recreation buildings, other public buildings, and water supplies. This Article shall also apply to boilers and hot water supply tanks, and heaters located in hotels, motels, tourist courts, camps, cottages, resort lodges, and similar places whenever the owner or operator advertises in any manner for transit patronage, or solicits such business for temporary abode by transit patrons.

(b) This Article shall not apply to:

(1) Boilers and pressure vessels owned ~~and/or~~ or operated by the federal ~~government.~~government, unless the agency in question has asked for coverage by this Article.

(2) Pressure vessels used for transportation or storage of compressed gases when constructed in compliance with the specifications of the United States Department of Transportation and when charged with gas marked, maintained, and periodically requalified for use, as required by appropriate regulations of the United States Department of Transportation.

(3) Portable pressure vessels used for agricultural purposes only or for pumping or drilling in an open field for water, gas or coal, gold, talc, or other minerals and metals.

(4) Boilers and pressure vessels which are located in private residences or in apartment houses of less than six families.

(5) Pressure vessels used for transportation or storage of liquified petroleum gas.

(6) Air tanks located on vehicles licensed under the rules and regulations of other state authorities operating under rules and regulations substantially similar to those of this State and used for carrying passengers or freight within interstate commerce.

(7) Air tanks installed on right-of-way of railroads and used directly in the operation of trains.

(8) ~~Pressure vessels that do not exceed five cubic feet in volume and 250 PSIG pressure; or one and one-half cubic feet in volume and 600 PSIG pressure; or an inside diameter of six inches with no limitations on pressure.~~Any of the following pressure vessels that do not exceed the listed limitations if the vessel is not equipped with a quick actuating closure:

a. Five cubic feet in volume and 250 psig.

b. Three cubic feet in volume and 350 psig.

c. One and one-half cubic feet in volume and 600 psig.

d. An inside diameter of six inches with no limitation on pressure.

(9) Pressure vessels operating at a working pressure not exceeding 15 ~~PSIG pressure.~~psig.

(10) Pressure vessels with a nominal water capacity ~~of~~ not exceeding 120 gallons ~~or less~~ and containing water under pressure at ~~ambient temperature,~~ temperatures not exceeding 120°F, including those containing air, the compression of which serves as a cushion.

(11) Boilers and pressure vessels on railroad steam locomotives that are subject to federal safety regulations.

(12) Repealed by Session Laws 1985, c. 620, s. 2.

(13) Coil-type hot water supply boilers, generally referred to as steam jennies, where the water can flash into steam when released directly to the atmosphere through a manually operated nozzle and where adequate safety relief valves and controls are installed on them, provided none of the following limitations are exceeded:

a. There is no drum, header, or other steam space.

b. No steam is generated within the coil.

c. Maximum 1 inch tube size.

d. Maximum 3/4 inch nominal pipe size.

e. Maximum 6 gallon nominal water storage capacity.

f. Water temperature of ~~350 degrees fahrenheit.~~350°F.

(14) Pressure vessels containing water at a temperature not exceeding 110 degrees fahrenheit except that this provision shall not exclude hydropneumatic pressure vessels from regulation.

(15) An air tank that does not exceed eight cubic feet in volume that is installed on a service vehicle.

(16) Autoclaves in medical offices and hospitals that are less than five cubic feet in volume, even if they are equipped with a quick actuating closure.

(17) Coil-type hot water supply boilers of the instantaneous type where adequate safety relief valves and controls are installed if none of the following limitations are exceeded:
a. There is no drum, header, or other steam space.
b. No steam is generated within the coil.
c. Maximum one-inch tube size.
d. Maximum three-quarter-inch nominal pipe size.
e. Maximum six-gallon nominal water storage capacity.
f. Water temperature not to exceed 250°F.
g. Maximum heat input does not exceed 400,000 Btu/hr or 110 kW.
h. Maximum pressure of 260 psig.

(18) Toy boilers, if all of the following apply:
a. The water containing volume of the boiler is less than one quart.
b. The operating pressure does not exceed 15 psig.
c. The maximum outside diameter of the shell is no greater than six inches.
d. The boiler is manually fired by solid fuels.

(19) Pressure vessels associated with electrical apparatus in electrical switchyards if the pressure vessels have proper pressure relief devices.

(20) Carbon dioxide tanks used in beverage dispensing service.

(c) The construction and inspection requirements established by the Department of Labor shall not apply to hot water supply boilers which are directly fired with oil, gas or electricity, or hot water supply tanks heated by steam or any other indirect means, which do not exceed any of the following limitations:

(1) Heat input of 200,000 ~~BTU HR;~~Btu/hr or 58.6 kW.

~~(2) Water temperature of 200 degrees F;~~

(3) Nominal water capacity of 120 ~~gallons;~~gallons.

provided that they are equipped with ASME Code and National Board certified safety relief valves.

(d) The construction requirements established by the Department of Labor shall not apply to pressure vessels installed in this State prior to December 31, 1981, that:

(1) Are of one-piece, ~~forged construction and have no weldments;~~unwelded, forged construction;

(2) Are constructed before January 1, 1981, and operating or could be operated, under the laws of any state or Canadian Province that has adopted one or more sections of the ASME Code;

(3) Are transferred into this State without a change of ownership; and

(4) Are determined by the ~~Director~~ Chief Inspector to be constructed under standards substantially equivalent to those established by the department at the time of transfer;

provided that they are equipped with ASME Code and National Board certified safety relief valves.

(e) The construction requirements established by the Department of Labor shall not apply to pressure vessels installed in this State prior to December 31, 1984, that:

(1) Are manufactured from gray iron casting material, as specified by the American Society for Testing and Materials, (ASTM) 48-60T/30;

(2) Are constructed before December 31, 1967, and operating or could be operated, under the laws of any state or Canadian Province that has adopted one or more sections of the ASME Boiler and Pressure Vessel Code;

(3) Are transferred into this State without a change of ownership; and

(4) Are determined by the ~~Director~~ Chief Inspector to be constructed under standards substantially equivalent to those established by the department at the time of transfer;

provided that they are equipped with ASME Code and National Board certified safety relief valves.

(f) The construction requirements established by the Department of Labor shall not apply to hydropneumatic tanks installed or operated by a community water system prior to January 1, 1986."

SECTION 3. G.S. 95-69.11 reads as rewritten:

"**§ 95-69.11. Powers and duties of Commissioner.**

The Commissioner of Labor is hereby charged, directed, and empowered:

(1) To adopt, modify, or revoke rules governing the construction, operation, and use of boilers and pressure vessels, including, where necessary, requirements for fencing to prevent unauthorized persons from coming in contact with boilers and pressure vessels or the systems they are connected to.

(2) ~~To supervise the office of the Director of Boiler and Pressure Vessel Division.~~To delegate to the Chief Inspector any powers, duties, and responsibilities that the Commissioner determines will best serve the public interest in the safe operation of boilers and pressure vessels, and to supervise the Chief Inspector in the performance of those duties.

(3) To enforce rules adopted under authority of this Article.

(4) To inspect boilers and pressure vessels covered under this Article.

(5) To issue inspection certificates to those boilers and pressure vessels found in compliance with this Article.

(6) To enjoin violations of this Article in the civil and criminal courts of this State.

(7) To keep adequate records of the type, dimensions, age, conditions, pressure allowed upon, location, and date of the last inspection of all boilers and pressure vessels to which this Article applies.

(8) To require such periodic reports from inspectors, owners, and operators of boilers and pressure vessels as he deems appropriate in carrying out the purposes of this Article.

(9) To have free access, without notice, to any location in this State, during reasonable hours, where a boiler or pressure vessel is being

built, installed, or operated for the purpose of ascertaining whether such boiler or pressure vessel is built, installed, or operated in accordance with the provisions of this Article.

(10) To investigate serious accidents involving boilers and pressure vessels to determine the causes of the accidents, and to have full subpoena powers in conducting the investigation.

(11) To establish reasonable fees for the inspection and issuance of inspection certificates for boilers and pressure vessels that are in use.

(12) To establish reasonable fees for the examination and certification of inspectors.

(13) To appoint qualified individuals to the Board of Boiler and Pressure Vessel Rules.

(14) To perform inspections and audits relating to the construction and repair of boilers and pressure vessels and to establish and collect fees for these activities.

(15) To order the payment of civil penalties provided by this section.

(16) To require that before any boiler or pressure vessel that is subject to this Article is transferred into the State, or is moved from one location to another within the State, the owner or the owner's authorized agent shall file with the Commissioner a written notice of intent to do so and the type of device involved and provide a copy of the specifications, previous inspection documents, or other information that the Commissioner deems necessary to determine whether the boiler or pressure vessel is in compliance with the provisions of this Article and the rules adopted under this Article."

SECTION 4. G.S. 95-69.12 reads as rewritten:

"**§ 95-69.12. ~~Office of Director of Boilers and Pressure Vessels Division created; powers and duties.~~Boiler Safety Bureau established.**

~~There is hereby created the office of Director of the Boiler and Pressure Vessel Division within the North Carolina Department of Labor. The person holding this office shall assist the Commissioner in carrying out the provisions of this Article in accordance with the provisions of Chapter 126 of the General Statutes. The Director is charged with the responsibility for the administration of this Article on a day-to-day basis.~~

~~The Director shall be primarily responsible for the inspection of boilers and pressure vessels subject to this Article and for the issuance of inspection certificates for those boilers and pressure vessels found suitable. He shall also be responsible for the collection of fees for the inspection of boilers and pressure vessels and transmitting the same to the State Treasurer, where they shall be held in a special account to cover the operating expenses of the Division.~~

There is established a Boiler Safety Bureau within the Department of Labor. The Commissioner shall appoint a Chief Inspector of the Boiler Safety Bureau and any other employees that the Commissioner deems necessary to assist the Chief Inspector in administering the provisions of this Article and the rules adopted under this Article."

SECTION 5. G.S. 95-69.13 reads as rewritten:

"**§ 95-69.13. Board of Boiler and Pressure Vessels Rules created; appointment, terms, compensation and duties.**

(a) There is hereby created the North Carolina Board of Boiler and Pressure Vessels Rules consisting of nine members appointed by the ~~Commissioner, of which three shall be appointed for a term of one year, three for a term of two years, one for a term of three years, one for a term of four years, and one for a term of five years. At the expiration of their respective terms of office, their successors shall be appointed for terms of five years each.~~ Commissioner for a term of five years each. Of these nine appointed members, one shall be a representative of the owners and users of steam boilers within this State, one a representative of boiler manufacturers within this State, one a representative of boilermakers within this State who has had not less than five years' practical experience as a boilermaker, one shall be a representative of the owners or users of pressure vessels within the State, one shall be a representative of the pressure vessel manufacturers within the State, one a representative of ~~a~~ boiler inspection and insurance ~~company~~ companies authorized to insure boilers and pressure vessels within the State, one a representative of the ~~operating steam engineers~~ antique boiler owners and operators in this State, one a contractor holding a Group I North Carolina Heating License, and one a mechanical engineer on the faculty of a recognized engineering college or a licensed professional engineer having boiler and pressure vessel experience. The Commissioner of Labor shall serve as ~~chairman.~~chair. The Chief Inspector shall serve on the Board and in the absence of the Commissioner shall serve as chair.

(b) The Board shall meet at least twice annually and shall be responsible for:

(1) Studying and proposing rules and regulations, for adoption, modification or revocation by the Commissioner, governing the construction, installation, inspection, repair, alteration, use and operation of boilers and pressure vessels in this State. The rules and regulations so formulated shall conform as nearly as possible to the standards of the American Society of Mechanical ~~Engineers and amendments and interpretations thereto made and approved by the council of the Society.~~Engineers.

(2) Devise and ~~administer~~ proctor examinations covering this Article and the rules adopted under this Article to applicants seeking a ~~certificate of competency as~~ commission as inspectors of boilers and pressure vessels in this State.

(2a) Act as proctors during the administration of the National Board commissioning examination.

(3) Issue, suspend, or revoke inspector's ~~commission to~~ commissions as inspectors of boilers and pressure vessels within this State. Whenever action is taken under this section to suspend or revoke a commission, the affected party shall be given notice of the availability of an administrative hearing and of judicial review in accordance with Chapter 150B of the General Statutes, the Administrative Procedure Act.

(c) The members of the Board shall serve without salary but shall be paid a subsistence and travel allowance as established in accordance with Chapter 138 of the General Statutes."

SECTION 6. G.S. 95-69.14 reads as rewritten:

"**§ 95-69.14. Rules and regulations governing the construction, operation and use of boilers and pressure vessels.**

The Commissioner, after consultation with the Board, may adopt, ~~modify~~ modify, or revoke ~~such~~ any rules and regulations governing the construction, installation, repair, alteration, inspection, ~~use~~ use, and operation of boilers and pressure vessels as ~~he~~ the Commissioner deems appropriate to insure the safe operation and avoidance of injury to person or property from boilers and pressure vessels. The rules and regulations will conform as nearly as possible to the standards of the American Society of Mechanical Engineers and the amendments and interpretations ~~thereto, but to avoid unnecessary hardships that would result from requiring replacement of existing non-code tanks that meet minimum safety requirements where there is no danger to persons, such rules and regulations shall vary for hydropneumatic pressure vessels installed or operated by a community water system prior to January 1, 1986.~~ of those engineering standards.

The procedure for the adoption, ~~modification~~ modification, or revocation of ~~such~~ the rules and regulations shall be ~~the same as that contained within~~ in accordance with ~~the Administrative Procedure Act of North Carolina as the same appears in~~ Chapter 150B of the General ~~Statutes.~~ Statutes, the Administrative Procedure Act."

SECTION 7. G.S. 95-69.15 reads as rewritten:

"**§ 95-69.15. Classification of inspectors; qualifications; examinations; certificates of competency; inspector's commission.**

(a) There shall be three types of inspectors authorized to conduct inspections and report their findings to the ~~Director~~ Chief Inspector under this Article:

(1) Boiler and Pressure Vessel ~~Inspector.~~ Inspector or Deputy Inspector. – Shall be a qualified ~~individual~~ individual, employed by the Department of Labor and appointed by the Commissioner, to assist in conducting inspections under this Article and report on the suitability of boilers and pressure vessels so ~~inspected;~~ inspected.

(2) Special ~~Inspector.~~ Inspector or Insurance Inspector. – Shall be a qualified individual regularly employed by an insurance company authorized to insure in this State against injury to person ~~and/or~~ or property or both from explosions and accidents involving boilers and pressure ~~vessels;~~ vessels. Special Inspectors shall not include employees of private contract inspection agencies.

(3) Owner-User Inspectors. – Shall be a qualified individual employed on a full-time basis by a company operating ~~boilers or~~ pressure vessels for its own use and not for resale, and maintains an established inspection program for periodic inspection of ~~boilers and~~ pressure vessels owned or used by that company and where such inspection program is under the supervision of one or more engineers having qualifications satisfactory to the Commissioner.

(b) Inspector's Commission. – Any company authorized to insure in this State against loss to person or property as a result of an explosion or accident involving boilers and pressure vessels or operating boilers ~~and/or~~ or pressure vessels or both for its own use and not for resale, may apply for the issuance of an inspector's commission for an individual within its employ who has a ~~certificate of competency.~~commission from the National Board.

A North Carolina commission authorizes an inspector to make inspections on boilers and pressure vessels and report on the suitability of said boilers and pressure vessels to the ~~Director.~~ Chief Inspector. Those inspectors holding commissions as special inspectors shall be limited to making inspections on boilers and pressure vessels insured by their employer. Owner-user inspectors shall be limited to conducting inspections on boilers and pressure vessels operated by their respective employers.

A person seeking a commission from this State to conduct in-service inspections of boilers and pressure vessels must take and pass an examination on this Article and the rules adopted pursuant to this Article prior to receiving the commission. Any person who has had a commission in this State but who has been inactive for more than one year must take or retake and pass the State examination before conducting further in-service inspections of boilers and pressure vessels.

(c) ~~Qualifications for~~ Certificates of Competency. – Certificates of competency may be issued by the Chief Inspector to those persons who take and pass a National Board commissioning examination administered by the Board. ~~To be entitled to a certificate of competency, as one of the above type inspectors, an individual must:~~

~~(1) Have passed an examination provided and administered by the Board; or~~

~~(2) Have passed an examination and been certified in a state having rules and regulations substantially similar to those effective within North Carolina; or~~

~~(3) Hold a certificate of competency of the National Board of Boiler and Pressure Vessel Inspectors; and~~

~~(4) Continue in the employ of the company requesting the certificate of competency from the Board.~~"

SECTION 8. G.S. 95-69.16 reads as rewritten:

"**§ 95-69.16. Inspection certificate required.**

All boilers and pressure vessels subject to the provisions of this Article shall be inspected by ~~an authorized~~ a commissioned inspector. The Commissioner may determine both the frequency and the method of inspection. In determining the frequency of inspection, the Commissioner shall give due consideration to the hazard involved and the need for the protection of the public. The method of inspection must provide an adequate procedure to insure the safety of individuals likely to be injured by an explosion or accident involving a boiler or pressure vessel.

No boiler or pressure vessel may be operated without an inspection certificate, except pressure vessels being operated under an owner-user provision where administrative procedures of equal safety and competency have been approved by the

Board and Commissioner. No more than ~~60~~ 90 days grace period may be granted beyond the certificate expiration date."

SECTION 9. G.S. 95-69.17 reads as rewritten:

"**§ 95-69.17. ~~Administrative and judicial review of decisions.~~Noncomplying devices; appeal.**

~~(a) A final decision to suspend or revoke an inspector's commission or inspection certificate shall be made in accordance with Chapter 150B of the General Statutes.~~

~~(b) A final decision to deny an application for a certificate of competency or to refuse to issue or renew an inspection certificate shall be made in accordance with Chapter 150B of the General Statutes. In a contested case under this subsection, the decision of the Director shall not be stayed pending administrative review.~~

~~(c) Article 4 of Chapter 150B of the General Statutes governs judicial review of a final decision in a contested case.~~

(a) If the Commissioner determines that a boiler or pressure vessel is subject to the provisions of this Article and that the operation of the boiler or pressure vessel is exposing the public to an unsafe condition likely to result in serious personal injury or property damage, the Commissioner may immediately order in writing that the use of the boiler or pressure vessel be stopped or limited until the Commissioner determines that the boiler or pressure vessel has been made safe for operation.

(b) If the Commissioner determines that the provisions of this Article or the rules adopted pursuant to this Article have not been complied with, the Commissioner may refuse to issue or renew or may revoke, suspend, or amend an inspection certificate.

(c) Whenever action is taken under this section, the affected party shall be given notice of the availability of an administrative hearing and of judicial review in accordance with Chapter 150B of the General Statutes, the Administrative Procedure Act."

SECTION 10. G.S. 95-69.18 reads as rewritten:

"**§ 95-69.18. ~~Inspection certificates required; misrepresentation as inspector.~~Operation without inspection certificate; operation not in compliance with this Article; operation after nonissuance or revocation of certificate.**

~~It shall be unlawful for any person, firm, partnership, association or corporation to operate or use any boiler or pressure vessel in this State, and to which this Article applies, without a valid inspection certificate issued by the North Carolina Department of Labor. Any person, firm, partnership, association or corporation found to be operating or using a boiler or pressure vessel without a valid inspection certificate shall be guilty of a Class 3 misdemeanor which may include a fine of one thousand dollars ($1,000).~~

~~Any person who knowingly and willfully misrepresents himself as an authorized inspector in North Carolina, shall be guilty of a Class 2 misdemeanor.~~

(a) No person may operate or permit to be operated any boiler or pressure vessel subject to the provisions of this Article without a valid inspection certificate unless the absence of a valid inspection certificate is the result of the Commissioner's failure to inspect the device.

(b) No person may operate or permit to be operated any boiler or pressure vessel subject to the provisions of this Article other than in accordance with this Article and the rules adopted pursuant to this Article.

(c) No person may operate or permit to be operated any boiler or pressure vessel subject to the provisions of this Article after the Commissioner has refused to issue or has revoked the inspection certificate for the boiler or pressure vessel."

SECTION 11. Article 7A of Chapter 95 of the General Statutes is amended by adding a new section to read:

"**§ 95-69.19. Violations; civil penalties; appeals.**

(a) Any person who violates G.S. 95-69-18(a) or (b) (Operation without inspection certificate; operation not in accordance with Article or rules and regulations) shall be subject to a civil penalty not to exceed two hundred fifty dollars ($250.00) for each day each boiler or pressure vessel is so operated or used.

(b) Any person who violates G.S. 95-69-18(c) (Operation after refusal to issue or after revocation of inspection certificate) shall be subject to a civil penalty not to exceed five hundred dollars ($500.00) for each day any such boiler or pressure vessel is so operated or used.

(c) In determining the amount of any penalty ordered under authority of this section, the Commissioner shall give due consideration to the appropriateness of the penalty with respect to the size of the business of the person being charged, the gravity of the violation, the good faith of the person, and the record of previous violations.

(d) The determination of the amount of the penalty by the Commissioner shall be final, unless within 15 days after receipt of notice thereof by certified mail the person charged with the violation takes exception to the determination in which event the final determination of the penalty shall be made in an administrative proceeding and in a judicial proceeding pursuant to Chapter 150B of the General Statutes, the Administrative Procedure Act.

(e) The Commissioner may file in the office of the clerk of the superior court of the county where the violation occurred or where the person against whom a civil penalty has been ordered resides, or if a corporation is involved in the county where the corporation maintains its principal place of business, a certified copy of a final order of the Commissioner unappealed from, or of a final order of the Commissioner affirmed upon appeal. Upon filing of the final order, the clerk of superior court shall enter judgment in accordance with the order and notify the parties. The judgment shall have the same force and effect as a judgment by the superior court of the General Court of Justice."

SECTION 12. Article 7A of Chapter 95 of the General Statutes is amended by adding a new section to read:

"**§ 95-69.20. Violations; criminal penalties.**

(a) Any person who knowingly and willfully misrepresents himself as an authorized inspector administering or enforcing the provisions of this Article or the rules adopted pursuant to this Article shall be guilty of a Class 2 misdemeanor.

(b) Any person knowingly making a material and false statement, representation or certification in any application, record, report, plan, or any other document filed or

required to be maintained pursuant to this Article or the rules adopted pursuant to this Article shall be guilty of a Class 2 misdemeanor."

SECTION 13. G.S. 95-107 reads as rewritten:

"**§ 95-107. Assessment and collection of fees; certificates of safe operation.**

The assessment of the fees adopted by the Commissioner pursuant to ~~G.S. 95-110.5 and G.S. 95-111.4~~ G.S. 95-69.11, 95-110.5, and 95-111.4 shall be made against the owner or operator of the equipment and may be collected at the time of inspection. If the fees are not collected at the time of inspection, the Department must bill the owner or operator of the equipment for the amount of the fee assessed for the inspection of the equipment and the amount assessed is payable by the owner or operator of the equipment upon receipt of the bill. Certificates of safe operation may be withheld by the Department of Labor until such time as the assessed fees are collected."

SECTION 14. G.S. 95-108 reads as rewritten:

"**§ 95-108. Disposition of fees.**

All fees collected by the Department of Labor pursuant to ~~G.S. 95-110.5 and G.S. 95-111.4~~ G.S. 95-69.11, 95-110.5, and 95-111.4 shall be deposited with the State Treasurer and shall be used exclusively for inspection and certification purposes."

SECTION 15. G.S. 95-25.5(i) reads as rewritten:

"(i) ~~Youths~~ Youth under 18 years of age employed by their ~~parents~~ parent, guardian, or other person standing in loco parentis are exempt from all provisions of this section, except for all of the following:

(1) The certificate requirements of subsection (a) of this section.

(2) The prohibition from hazardous or detrimental occupations of subsection (b) of this section.

(3) The prohibitions of subsection (j)(2) of this section if the youths only work at the establishment when another employee at least 21 years of age is in charge of and present at the licensed premises."

SECTION 16. G.S. 95-25.8 reads as rewritten:

"**§ 95-25.8. Withholding of wages.**

~~An employer may withhold or divert any portion of an employee's wages when:~~

~~(1) The employer is required or empowered to do so by State or federal law, or~~

~~(2) The employer has a written authorization from the employee which is signed on or before the payday for the pay period from which the deduction is to be made indicating the reason for the deduction. Two types of authorization are permitted:~~

~~a. When the amount or rate of the proposed deduction is known and agreed upon in advance, the authorization shall specify the dollar amount or percentage of wages which shall be deducted from one or more paychecks, provided that if the deduction is for the convenience of the employee, the employee shall be given a reasonable opportunity to withdraw the authorization;~~

~~b. When the amount of the proposed deduction is not known and agreed upon in advance, the authorization need not specify a~~

~~dollar amount which can be deducted from one or more paychecks, provided that the employee receives advance notice of the specific amount of any proposed deduction and is given a reasonable opportunity to withdraw the authorization before the deduction is made.~~

(a) An employer may withhold or divert any portion of an employee's wages when required or empowered by State or federal law.

(b) Withholding or diversion of wages owed, for the employer's benefit, must be made in accordance with the employer's written policies, and the employer must comply with the following requirements:

(1) In nonovertime workweeks, an employer may reduce wages to the minimum wage level.

(2) In overtime workweeks, employers may reduce wages to the minimum wage level for nonovertime hours.

(3) No reductions may be made during overtime work hours.

(c) Withholding or diversion of wages owed, for the convenience of employees, must be made in accordance with the employer's written policy and are not limited in the amounts to be withheld."

SECTION 17. G.S. 95-25.9 is repealed.

SECTION 18. G.S. 95-25.10 is repealed.

SECTION 19. G.S. 95-25.11 reads as rewritten:

"**§ 95-25.11. Employers' remedies preserved.**

~~(a) The provisions of G.S. 95-25.8, G.S. 95-25.9, and G.S. 95-25.10 do not apply if criminal process has issued against the employee, if the employee has been indicted, or if the employee has been arrested pursuant to Articles 17, 20, and 32 of Chapter 15A of the General Statutes for a charge incident to a cash shortage, inventory shortage, or damage to an employer's property.~~

~~If the employee is not found guilty, then the amount deducted shall be reimbursed to the employee by the employer.~~

~~(b)~~ Nothing in this Article shall preclude an employer from bringing a civil action in the General Court of Justice to collect any amounts due the employer from the employee."

SECTION 20. G.S. 95-25.12 reads as rewritten:

"**§ 95-25.12. Vacation ~~pay.~~pay plans.**

No employer is required to provide ~~vacation~~ time off with pay, vacation, or paid time off plans for employees. However, if an employer provides ~~vacation~~ these promised benefits for employees, the employer shall give all ~~vacation~~paid time off or payment in lieu of time off in accordance with the company policy or practice. Employees shall be notified in accordance with G.S. 95-25.13 of any policy or practice which requires or results in loss or forfeiture of ~~vacation time or pay.~~ paid time off. Employees not so notified are not subject to such loss or forfeiture."

SECTION 21. G.S. 95-25.13(3) reads as rewritten:

"(3) Notify ~~its~~ employees, in writing or through a posted notice maintained in a place accessible to its employees, ~~of~~ at least 24 hours prior to any

changes in promised ~~wages prior to the time of such changes except that wages~~ wages. Wages may be retroactively increased without the prior notice required by this subsection; and".

SECTION 22. G.S. 95-25.15(a) reads as rewritten:

"(a) The Commissioner or his designated representative shall have the power and authority to enter any place of employment and gather such facts as are essential to determine whether or not the employer is covered by any provision of this Article.

With respect to any provision of this Article under which the employer is covered, the Commissioner or ~~his~~ the Commissioner's designated representative may inspect such places and such records, make transcriptions of any and all such records, question employees and investigate such facts, conditions, practices, or matters as are necessary to determine whether the employer has violated said provision of this Article.

With respect to the provisions of G.S. 95-25.6 through 95-25.12 (Wage Payment) as those provisions apply to persons covered by the Fair Labor Standards Act, the Commissioner or his designated representative shall have no authority under this subsection unless the Commissioner or his designated representative has received a complaint from an employee of the covered establishment.~~establishment, and then shall investigate that specific complaint only.~~"

SECTION 23. G.S. 95-25.17 reads as rewritten:

"**§ 95-25.17. Wage and Hour Division established.**

~~The State Employment Standards Division within the North Carolina Department of Labor is renamed the Wage and Hour Division. The Commissioner shall reappoint the Director of the State Employment Standards Division as the Director of the Wage and Hour Division and shall reappoint such other employees as he deems necessary to assist him in administering the provisions of this Article.~~ The Commissioner of Labor is charged with enforcement of this Article. The Commissioner shall appoint a Wage and Hour Director and any other employees the Commissioner deems necessary for enforcement of this Article. The Commissioner shall continue to prescribe the powers, duties, and responsibilities of the Director and employees engaged in the administration of this Article."

SECTION 24. This act is effective when it becomes law.

HOUSE BILL 768:
2005 Omnibus Labor Law Changes.-AB

BILL ANALYSIS

Committee:	House Finance	**Date:**	May 17, 2005
Introduced by:	Rep. Howard	**Summary by:**	Drupti Chauhan Staff Attorney, revised by Martha Walston, Committee Counsel
Version:	Second Edition H768-CSLA-10		

SUMMARY: House Bill 768 makes changes to the Uniform Boiler and Pressure Vessel Act and the Wage and Hour Act. The bill was given a favorable report in House Judiciary II. The proposed committee substitute makes changes to sections 16 and 20 of the bill.

CURRENT LAW: The Uniform Boiler and Pressure Vessel Act of North Carolina (Boiler Act) regulates all boilers and pressure vessels constructed, used, or designed for operation in NC. The Wage and Hour Act of North Carolina addresses issues such as minimum wages, overtime, wage payment, youth employment, and wage disputes.

BILL ANALYSIS: Sections 1-14 of the bill make changes to the Boiler Act and other conforming changes. Sections 15-24 make changes to the Wage and Hour Act.

Boiler Act Changes

Section 1: This section amends definitions in the Boiler Act including defining Chief Inspector and Deputy Inspector. The Chief Inspector is the individual appointed by the Commissioner of Labor to hold the office of the Chief of the Boiler Safety Bureau at the NC Department of Labor (NC DOL). The term "Deputy Inspector" means any Boiler or Pressure Vessel Inspector employed by the NC DOL.

Section 2: This section makes technical and other changes to the applications and exemptions section of the Boiler Act.

- Include coverage for boilers and pressure vessels owned or operated by the federal government if the agency in question asks for coverage under the Boiler Act
- Exempt pressure vessels that do not exceed certain listed limitations if the vessel is not equipped with a quick actuating closure
- Add exemptions from the Boiler Act for the following:
    - Air tanks that do not exceed eight cubic feet in volume and installed on a service vehicle;
    - Autoclaves in medical offices and hospitals that are less than five cubic feet in volume;
    - Coil-type hot water supply boilers of the instantaneous type with adequate safety relief valves and controls if specified limitations are not exceeded;
    - Toy boilers if specified requirements are met;
    - Pressure vessels associated with electrical apparatus;
    - Carbon dioxide tanks used in beverage dispensing service.

- Amends the applicability of the construction and inspection requirements established by the NC DOL for hot water supply boilers and for pressure vessels that were installed in the State prior to December 31, 1981
- Adds an exemption from the construction requirements established by the NC DOL for hydropneumatic tanks installed or operated by a community water system prior to January 1, 1986

Section 3: This section modifies the powers and duties of the Commissioner of Labor (Commissioner) by allowing the Commissioner to determine and delegate to the Chief Inspector any powers, duties, and responsibilities concerning the operation of boilers and pressure vessels. The Commissioner would be required to supervise the Chief Inspector.

The Commissioner would also be given the power to:

- Order the payment of civil penalties for violations; and
- Require that before any boiler or pressure vessel subject to the Boiler is brought into the State or moved within the State, the owner of the device files an intent of such a move and provides a copy of the specifications, previous inspection documents or other information the Commissioner deems necessary to determine compliance with the Boiler Act and the rules adopted under the Boiler Act.

Section 4: This section eliminates the office of the Director of the Boiler and Pressure Vessel Division at the NC DOL and creates the Boiler Safety Bureau (Bureau) within the NC DOL. The Commissioner would appoint the Chief Inspector of the Bureau and any other employees that the Commissioner deems necessary to administer the statutes and rules of the Boiler Act.

The section would eliminate the current requirement that the fees collected from the inspection of boilers and pressure vessels be transmitted to the State Treasurer where they are held in a special account to cover the operating expenses of the Boiler and Pressure Vessel Division.

Section 5: This section makes changes to the North Carolina Board of Boiler and Pressure Vessel Rules (Board). It replaces the requirement that one member be a representative of the operating steam engineers and replaces it with a representative of antique boiler owners and operators. It further provides that the Chief Inspector of the Bureau shall serve on the Board and in the absence of the Commissioner, the Chief Inspector shall serve as the chair of the Board.

The section adds that the Board members are to serve as proctors during the administration of the National Board commissioning examination. Moreover, language is added that whenever action is taken by the Board to suspend or revoke a commission of an inspector of boilers and pressure vessels, the affected party is to be given notice of the availability of an administrative hearing and judicial review under Chapter 150B of the General Statute (the Administrative Procedure Act).

Section 6: This section eliminates discretionary language in the requirement that the rules and regulation conform as closely as possible to the standards of the American Society of Mechanical Engineers and make other technical changes in the statute.

Section 7: This section specifies that a boiler pressure inspector or deputy inspector must be a person employed by the NC DOL. Moreover, the section provides although a special inspector or insurance inspector must be a qualified individual regularly employed by an insurance company, a special inspector may not be an employee of private contract inspection agencies.

This section would add the requirement that a person seeking a NC commission to conduct in-service inspections of boilers and pressure vessels must pass an examination on the Boiler Act and rules adopted under it before receiving a commission. Any person who has had a NC commission but has been inactive for more than one year must take or retake the State examination before conducting further in-service inspections of boiler and pressure vessels.

Section 8: No boiler or pressure vessel may be operated without a valid inspection certificate except for certain pressure vessels being operated under an owner-user provision that have been approved by the Board and Commissioner. This section would extend the grace period for operating a boiler or pressure vessel beyond the certificate expiration date from 60 to 90 days.

Section 9: This section rewrites the provisions governing administrative and judicial review of decisions. The current law allows for decisions to be made in accordance with the APA and decisions of the Director of the Boiler and Pressure Vessel Division are not stayed during the pending administrative review. Under the proposed modification, if the Commissioner determines that a boiler or pressure vessel subject to regulation is exposing the public to unsafe condition that is likely to result in serious personal injury or property damage, the Commissioner may order that its use be stopped or limited until the Commissioner determines that it has been made safe for operation. The Commissioner would have the authority to refuse to issue or to renew or may revoke, suspend, or amend inspection certificates. Judicial review would be available in accordance with the APA.

Section 10: This section rewrites the violations provisions of the Boiler Act. No person can operate a boiler or pressure vessel subject to the Boiler Act without a valid inspection certificate unless the absence of such a valid certificate is because the Commissioner has not inspected the device. In addition, no person can operate or permit to be operated any boiler or pressure vessel subject to the Boiler Act if the Commissioner has refused to issue or has revoked the inspection certificate for the boiler or pressure vehicle.

Section 11: This section adds a new civil penalties section to the Boiler Act with the following penalties:

- No more than $250.00 per day fine for each boiler or pressure vessel operated without an inspection certificate or not in accordance with the rules of the Boiler Act;
- No more than $500.00 per day fine for operating a boiler or pressure vessel after the refusal to issue or revocation of a an inspection certificate;

In determining the amount of the penalty, the Commissioner is to consider the appropriateness of the penalty with respect to the size of business, the gravity of the violation, good faith and record of previous violations.

The decision of the Commissioner is final unless the person charged with the violation files an appeal in accordance with the APA within 15 days of the Commissioner's decision.

The Commissioner may file the copy of the final order in the office of the clerk of superior court in the county where the violation occurred, the person lives, or the corporation maintains its principal place of office. The clerk of superior court is to enter judgment in accordance with the order and notify the parties.

Section 12: This section changes the criminal penalties for violation of the Boiler Act. Any person who knowingly and willfully misrepresents himself as an authorized inspector administering or enforcing the provisions of the Act is guilty of a Class 2 misdemeanor. Any person that knowingly makes a material

and false statement, representation or certification in application, record, report, plan, or any other document filed or required to be maintained is guilty of a Class 2 misdemeanor.

Sections 13-14: These sections amend the statutes related to the assessment, collections and disposition of fees to include the new civil fees provided for above.

Wage and Hour Act Changes

Section 15: This section expands the exemption from the Wage and Hour Act for youth under the age of 18 that are employed by their parents to include guardians or other persons standing in loco parentis.

Sections 16-19: Withholding of Wages

Current Law: An employer has the ability to withhold or divert any portion of a employee's wages when the employer is required to do so by State or federal law or the employer has written authorization from the employee. Two types of authorization from the employee are permitted:

- A specified dollar amount when the amount or rate of the proposed deduction is known
- Blanket authorization when the amount of the proposed deduction is not known

An employer cannot deduct cash shortages, inventory shortages, or loss or damage to an employer's property from an employee's wages unless the employee is given notice of the amount to be deducted.

Cash shortages, inventory shortages, loss or damage to an employer's property and deposits by the employee for the user of the employer can be deducted from the employee's paycheck or recouped by other methods, however, the deductions or recoupments may not reduce wages below the following amounts:

- 85% of the minimum and overtime wages if wages determined under the Wage and Hour Act;
- The minimum and overtime wages required under the Fair Labor Standards Act when wages are determined under that Act; or
- An amount equivalent to the amount of minimum and overtime wages which would be required under the Wage and Hour Act when the wages are not determined either by the Wage and Hour Act nor the Fair Labor Standards Act

These wage withholding provisions do not apply if criminal charges have been brought against the employee for cash shortages, inventory shortages, or damages to the employer's property. Civil actions may also be brought against the employee.

Analysis of Sections 16-19: These sections rewrite the withholding provisions in the following manner. An employer may withhold or divert any portion of an employee's wages when required or empowered by State or federal law, or when the employer has written authorization from the employee stating the reason for the deduction and the amount which shall be deducted. An employer may also withhold or divert a portion of an employee's wages for cash shortages, inventory shortages, or loss or damage to an employer's property only after giving the employee written notice of the amount to be deducted seven days prior to the payday on which the deduction is made.

If wages are withheld for the employer's benefit, the withholding must be made in accordance with the above requirements and the employer must comply with the following:

- Wages may be reduced to minimum wage level during non-overtime workweeks;

- Wages may be reduced to the minimum wage level for non-overtime hours during overtime workweeks;
- No reductions may be made during overtime work hours.

If wages are withheld for the employee's benefit, then the withholding must be in accordance with the employer's written policies and are not limited in the amounts to be withheld.

An employer may bring a civil action to collect amount due to the employer.

Section 20: This section makes technical changes to the vacation pay statute by including the term "pay plans".

Section 21: This section modifies the notice requirement that employers must give employees before changing promised wages. The section requires that employees be given at least 24 hours prior notice.

Section 22: This section broadens the Commissioner's authority to investigating wage complaints from employees. Currently the statute limits the Commissioner to investigating only the specific complaint filed by an employee. The bill would delete that limitation.

Section 23: This section clarifies that the Commissioner of Labor is charged with the enforcement of the Wage and Hour Act.

EFFECTIVE DATE: The bill would become effective when it becomes law.

A BILL TO BE ENTITLED

AN ACT TO AUTHORIZE MUNICIPALITIES TO ISSUE REVENUE BONDS FOR THE CONSTRUCTION OF WATER TREATMENT AND RELATED FACILITIES TO BE OWNED BY A WATER AND SEWER AUTHORITY.

The General Assembly of North Carolina enacts:

SECTION 1. G.S. 159-83 is amended by adding a new subsection to read:

"(f) In addition to the powers they may now or hereafter have, each municipality has the power to finance and refinance the cost of water treatment facilities and related transmission mains, and their expansion and improvement, all or some portion of which may be located on land leased from an authority created under the provisions of G.S. 162A-3.1, for a term not less than the term of the obligations issued or otherwise incurred for the purpose. The authority may own or operate (or both) such facilities and mains and may contract with one or more of the political subdivisions that are members of the authority for operation of all or portions thereof. For this purpose, each municipality has, in addition to the powers it has under applicable law, all the powers under G.S. 162A-6(b) of an authority created under G.S. 162A-3.1, and the political subdivisions that are members of the authority and that contract with such municipality for a supply of water and a portion of the capacity of the water treatment facilities and mains shall have all the powers of political subdivisions under G.S. 162A-6(b) and G.S. 162A-16 contracting with an authority created under G.S. 162A-3.1. This provision is supplemental to the other provisions of this Article."

SECTION 2. This act is effective when it becomes law.

House Committee on Finance

Minutes

~

May 24, 2005

The House Committee on Finance met on Tuesday, May 24, 2005 at 8:30 am in Room 544 of the Legislative Office Building. The following members were present: Chairpersons Alexander, Gibson, Howard, Luebke, McComas and Wainwright; Vice-Chairs Daughtridge, Hill, Ross, Weiss, and Womble; and Representatives Blackwood, Bordsen, Capps, Carney, Dockham, Faison, Folwell, Glazier, Hackney, Jones, McGee, Rayfield, Underhill, Vinson, Walend, and Wiley. Also present were Sergeant-at-Arms Bill Freeman, Fred Hines, Dusty Rhodes, and Walter Spell. Staff persons present included Cindy Avrette, Rodney Bizzell, Brenna Erford, Ashley Huffstetler, Linda Millsaps, and Martha Walston. The Agenda and Visitor Registration Sheet are attached and incorporated into these minutes as **attachments 1 and 2**.

Chairwoman Alexander called the meeting to order at 8:33 am and recognized the three (3) pages present: Ellen Carter of Davie County, sponsored by Representative Howard; Chris Evans of Durham County, sponsored by Representative Miller; and Mark Hamblin of Beaufort County, sponsored by Representative Brubaker.

The first bill under the Committee's consideration was **SB 525 – NASCAR HALL OF FAME FINANCING** (see **attachment 3**). Chairwoman Alexander first recognized Senator Clodfelter who explained that the bill authorizes the City of Charlotte and Mecklenburg County to increase the occupancy tax from 6% to 8%. The amount raised by the tax increase would be allocated toward the construction of the $137.5 million NASCAR Hall-of-Fame if the City of Charlotte is chosen as the host for the project. The bill includes a provision that only allows Mecklenburg County to authorize the tax increase if NASCAR chooses Charlotte to host the Hall-of-Fame facility. Following the explanation, Representative Howard inquired about whether or not additional administrative fees would be required in order to administer the increased tax. Senator Clodfelter was recognized and responded by stating that no additional administrative fees would be required by the occupancy tax increase, and he also pointed out that the bill has received strong support from the Charlotte Hotel Association. Chairwoman Alexander then recognized John Tate, the Finance Chair of the Steering Committee for the NASCAR Hall-of-Fame, who stated that this bill is an attempt to seize "a once in a lifetime opportunity for North Carolina". He stated that a Hall-of-Fame would be highly beneficial to the economy of the Charlotte region. Mr. Tate also spoke briefly about the fierce competition that exists to host the Hall-of-Fame (from both Atlanta, Georgia and Kansas City, Missouri) and the need for North Carolina to show its strong support for the project. Chairwoman Alexander then recognized Jim Hobbs from the NC Hospitality Association to speak in opposition to the bill. Mr. Hobbs provided a handout to the committee members (see materials in attachment 3) and stated that with an occupancy tax increase, Charlotte will have the highest travel taxes on the East Coast and North Carolina will share this reputation.

Mohammed Jenatian, the President of the Greater Charlotte Hospitality and Tourism Alliance, was recognized next to speak in support of the bill. He stated that Senate Bill 525 has one hundred percent support from the hotel industry in the Charlotte region. Jerry Hancock from the NC Travel and Tourism Coalition was recognized last and stated that the project is important to Charlotte and North Carolina. However, he said that he held serous concerns about the financing of the project and hoped that the authorization of an occupancy tax exceeding six percent (6%) would only occur for this one special project. Chairwoman Alexander then recognized Representative Rayfield who asked how many people would likely visit the Hall-of-Fame. Senator Clodfelter was recognized and reported that between four and five hundred thousand people would likely visit each year. Ron Kimble, the Assistant City Manager of Charlotte was also recognized and pointed out that the State would receive an additional $3.1 million in additional revenues annually coming from additional income, sales, and gasoline taxes. Representative Daughtridge was recognized and suggested that the $3.1 million figure was an underestimate since NASCAR fans would likely spend at least three to four days visiting in the Charlotte and surrounding area. Chairwoman Alexander then recognized Representative Luebke who spoke of his support for the bill saying that this was a one-time opportunity for North Carolina. Representative Gibson was recognized and said that this is an exceptional project and deserves an exception to the normal occupancy tax standard, especially since the group being taxed is supporting the bill. Chairwoman Alexander then recognized Representative Carney who moved that Senate Bill 525 be given a favorable report by the Committee. Seeing no further discussion, Chairwoman Alexander called the motion to a vote and it carried by consent.

The next bill considered by the Committee was **HB 470 – TRANSYLVANIA OCCUPANCY TAX** (see **attachment 4**). Chairwoman Alexander first recognized Representative Howard who moved for the adoption of the proposed committee substitute for the Committee's consideration. The motion was adopted. Chairwoman Alexander then recognized Representative Walend who explained that House Bill 470 authorizes Transylvania County to increase the occupancy tax rate to a level not to exceed six percent (6%). (The current rate of the tax was 3%.) Representative Walend also reported that the bill brings the Transylvania Occupancy Tax into compliance with the uniform provisions established by the House Finance Committee. She further stated that the bill had received a favorable recommendation from the House Finance Subcommittee on Occupancy Tax. Chairwoman Alexander then recognized Representative Womble who, as Chair of the Occupancy Tax Subcommittee, moved that House Bill 470 be given a favorable report by the Committee. As there was no further debate, Chairwoman Alexander called the motion to a vote, and it carried without objection.

The final bill considered by the Committee was **HB 1261 - WIRELESS TELEPHONE SERVICE** (see **attachment 5**). Chairwoman Alexander recognized Representative Underhill who explained that the bill reduced the monthly wireless Enhanced 911 charge from eighty to seventy cents. She stated that the bill also changed the allocation of funds coming from the wireless 911 charges and established staggered terms for the members of the Wireless 911 Board. Representative Wainwright was then recognized and inquired about the acronyms, CMRS and PSAP, used in the bill summary. Chairwoman Alexander recognized Richard Taylor, the Executive Director of the Wireless Communication Board, who defined CMRS as "Command Mobile Radio Service" and PSAP as "Public Safety Answering Point". Representative Howard was then recognized and asked about the limited use of 911 funds by municipalities. Mr. Taylor was recognized and responded that the 911 service funds are to be used for developing and maintaining technology in the receipt of 911 calls. Cindy Avrette from Research was recognized and added that Representative Howard's inquiry is more related to another bill and not House Bill 1261. Richard Taylor also noted that much of Representative Howard's concerns were more pertinent to the "land-line" 911 fees collected by the State. Chairwoman Alexander then recognized Representative Glazier who moved that House Bill

1261 be given a favorable report by the Committee. Seeing no further discussion, Chairwoman Alexander called the motion to a vote, and it carried by consent.

As there was no further business before the Committee, Chairwoman Alexander then adjourned the meeting at 9:39 am.

Respectfully submitted,

Representative Martha Alexander

A BILL TO BE ENTITLED

AN ACT RELATING TO NASCAR HALL OF FAME FINANCING.

Whereas, the General Assembly has, pursuant to Section 6(a) of Chapter 908 of the 1983 Session Laws, as amended by Chapters 821 and 922 of the 1989 Session Laws and S.L. 2001-402, previously authorized Mecklenburg County to levy an occupancy tax at a rate not to exceed 6%; and

Whereas, the General Assembly has not previously authorized any local government to levy an occupancy tax in excess of 6%; and

Whereas, the State of North Carolina and the City of Charlotte now have a "once-in-a-lifetime" opportunity to potentially locate a unique national tourism facility (i.e., the NASCAR Hall of Fame Museum) in Charlotte, North Carolina – a facility that will have a significant positive impact on the economy of the Charlotte region and the State of North Carolina; and

Whereas, in order to facilitate the financing of the capital costs of the NASCAR Hall of Fame Museum, the General Assembly is, for this unique situation and opportunity, willing to authorize a 2% occupancy tax that is in addition to the previously authorized 6% occupancy tax; Now, therefore,

The General Assembly of North Carolina enacts:

SECTION 1. Occupancy tax. (a) Authorization and Scope. – Upon receiving written confirmation from the National Association of Stock Car Auto Racing, Inc., (NASCAR) that it will license or otherwise legally authorize the location of the NASCAR Hall of Fame Museum facility in Charlotte, North Carolina, the Mecklenburg County Board of Commissioners may levy a room occupancy tax of up to two percent (2%) of the gross receipts derived from the rental of any accommodation subject to the tax under Section 6 of Chapter 908 of the 1983 Session Laws, as amended by Chapter 821 of the 1989 Session Laws. The tax authorized by this section is in addition to any other State or local sales and use tax and any other State or local occupancy tax authorized by law.

SECTION 1.(b) Administration. – Except as otherwise provided in this act, a tax levied under this section shall be levied, administered, and collected as provided in Part IV of Chapter 908 of the 1983 Session Laws, as amended by Chapters 821 and 922 of the 1989 Session Laws and S.L. 2001-402. The penalties provided in Part IV of Chapter 908 of the 1983 Session Laws, as amended by Chapters 821 and 922 of the 1989 Session Laws and S.L. 2001-402, apply to a tax levied under this section.

SECTION 1.(c) Definitions. – The definitions in G.S. 105-164.3 and in Part IV of Chapter 908 of the 1983 Session Laws, as amended by Chapters 821 and 922 of the 1989 Session Laws and S.L. 2001-402, apply to this act insofar as they are not inconsistent with this act.

SECTION 1.(d) Relationship to the Sales and Use Tax Statutes. – The definitions in G.S. 105-164.3 shall apply to this act insofar as they are not inconsistent with the provisions of this act. All other provisions of Article 5 and Article 9 of Subchapter I, Chapter 105 of the General Statutes, as the same relate to the North Carolina Sales and Use Tax Act, shall be applicable to this act and administered by the local administrative authority unless the provisions are inconsistent with the provisions of this act. It is the intention of this act that the provisions of this act and the provisions of the North Carolina Sales and Use Tax Act, insofar as practicable, shall be harmonized. The provisions with respect to remedies and penalties applicable to the North Carolina Sales and Use Tax Act, as contained in Article 5 and Article 9, Subchapter I, Chapter 105 of the General Statutes, shall be applicable in like manner to the taxes authorized to be levied and collected under this act, to the extent that the same are not inconsistent with any provision of this act.

SECTION 1.(e) Repeal. – A tax levied under this act shall only be repealed in accordance with this subsection. The Mecklenburg County Board of Commissioners shall repeal the tax effective the earlier of July 1, 2038, or July 1 after the date of final satisfaction, by payment or other irrevocable defeasance, of any debt instruments or obligations that were issued by the City of Charlotte or a related special purpose entity in connection with the financing or refinancing of the NASCAR Hall of Fame Museum facility. Effective upon the repeal of the tax in accordance with this subsection, subsection (a) of this section is repealed, and any tax levied under that subsection shall be rescinded. Repeal of a tax levied under this act does not affect a liability for a tax that has attached before the effective date of the repeal, nor does it affect a right to a refund of a tax that accrued before the effective date of the repeal.

SECTION 1.(f) Distribution and Use of Proceeds. – The local administrative authority, acting on its own behalf or as agent for each taxing entity shall distribute the proceeds of the tax levied pursuant to this act to the City of Charlotte. The City of Charlotte shall use the proceeds only for the acquisition, construction, repair, maintenance, and financing of a NASCAR Hall of Fame Museum facility and an ancillary and adjacent NASCAR/convention center ballroom facility. The Charlotte Regional Visitors Authority shall have all the powers and duties enumerated in Section 5.23 of the Charter of the City of Charlotte (S.L. 2000-26 as amended by S.L. 2001-402 and S.L. 2004-14) with respect to facilities constructed pursuant to this act.

SECTION 2. This act is effective when it becomes law.

SENATE BILL 525:
NASCAR Hall of Fame Financing

BILL ANALYSIS

Committee:	House Finance	**Date:**	May 24, 2005
Introduced by:	Sen. Clodfelter	**Summary by:**	Cindy Avrette
Version:	Third Edition		Committee Counsel

SUMMARY: Senate Bill 525 does the following:

- ***It would authorize the Mecklenburg County Board of Commissioners to levy an additional 2% occupancy tax upon receiving written confirmation from NASCAR that it will locate the NASCAR Hall of Fame Museum facility in Charlotte. This would bring the occupancy tax rate to 8% in Mecklenburg. No other county or city in North Carolina currently has an occupancy tax rate in excess of 6%.***
- ***It would require the net proceeds of the additional 2% occupancy tax to be used only for the acquisition, construction, repair, maintenance, and financing of the NASCAR Hall of Fame Museum facility and an adjacent NASCAR convention center ballroom facility.***

CURRENT LAW: Mecklenburg County has the authority to levy a 6% occupancy tax. The net proceeds of the first 3% are distributed to the City of Charlotte to provide for convention center facilities. The net proceeds of the remainder are divided between the City of Charlotte and the following six towns in the county: Cornelius, Davidson, Huntersville, Matthews, Mint Hill, and Pineville. Generally, the remainder is required to be used for acquiring, constructing, financing, maintaining, operating, marketing, and promoting convention centers, civic centers performing arts centers, coliseums, auditoriums, and museums, for off-street parking for use in conjunction with these facilities, and for tourism and tourism-related programs and activities including art and cultural programs, events, and festivals.

Of the 74 counties and 65 cities authorized to levy a room occupancy tax, no locality currently has the authority to levy an occupancy tax in excess of 6%.

BILL ANALYSIS: Senate Bill 525 does the following:

Levy. – The bill authorizes Mecklenburg County to levy an additional 2% room occupancy tax upon receiving written confirmation from NASCAR that it will locate the NASCAR Hall of Fame Museum facility in Charlotte. The additional tax would be levied, administered, and collected in accordance with the procedures currently place for the existing 6% occupancy tax. With this authority, the total occupancy tax rate in Mecklenburg would be 8%.

Use. – The net proceeds of the additional 2% occupancy tax must be distributed to the City of Charlotte and used only for the acquisition, construction, repair, maintenance, and financing of a NASCAR Hall of Fame Museum facility and an ancillary and adjacent NASCAR convention center ballroom facility.

Repeal. – The bill provides that the Mecklenburg County Board of Commissioners must repeal the tax effective the earlier of July 1, 2038, or July 1 following the date of final satisfaction of all debt instruments or obligations issued by the City of Charlotte (or a related special purpose entity) in connection with the financing or refinancing of the NASCAR Hall of Fame Museum facility.

EFFECTIVE DATE: This act is effective when it becomes law.

BACKGROUND: The North Carolina Travel and Tourism Coalition has a policy statement for legislation authorizing local occupancy taxes. Many of the principles contained in its statement are similar to the ones established by the House Finance subcommittee in 1993. Based upon this work, the House Finance Committee generally looks for the inclusion of several uniform provisions in the occupancy tax bills it considers:

UNIFORM OCCUPANCY TAX PROVISIONS
Rate – The county tax rate cannot exceed 6% and the city tax rate, when combined with the county rate, cannot exceed 6%.
Use – Two-thirds of the proceeds must be used to promote travel and tourism and the remainder must be used for tourism related expenditures.
Definitions The term "net proceeds", "promote travel and tourism", and "tourism related expenditures" are defined terms.
Administration – The net revenues must be administered by a local tourism development authority that has the authority to determine how the tax proceeds will be used, is created by a local ordinance, and at least ¾ of the members must be currently active in the promotion of travel and tourism in the county and 1/3 of the members must be affiliated with organizations that collect the tax.
Costs of Collection – The taxing authority may retain from the revenues its actual costs of collection, not to exceed 3% of the first $500,000 collected each year plus 1% of the remainder collected each year.

EFFECTIVE DATE: Becomes effective when law.

BILL SUMMARY:

The bill authorizes Mecklenburg County to levy an additional 2% room occupancy tax upon receiving written confirmation from NASCAR that it will locate the NASCAR Hall of Fame Museum facility in Charlotte. The additional tax would be levied, administered, and collected in accordance with the procedures currently in place for the existing 6% occupancy tax. With this authority, the total occupancy tax rate in Mecklenburg would be 8%.

The net proceeds of the additional 2% occupancy tax must be distributed to the City of Charlotte and used only for the acquisition, construction, repair, maintenance, and financing of a NASCAR Hall of Fame Museum facility and an ancillary and adjacent NASCAR convention center ballroom facility.

The bill provides that the additional 2% occupancy tax may be repealed, by resolution of the county board of commissioners, upon final satisfaction of all debt instruments or obligations issued by the City of Charlotte (or a related special purpose entity) in connection with the financing or refinancing of the NASCAR Hall of Fame Museum facility. The repeal would not become effective until July 1 following the date of final satisfaction.

ASSUMPTIONS AND METHODOLOGY:

Historically, Mecklenburg County's collections have been as follows:

Year	Amount	Each 1%
2001-02	$15,248,147	$2,541,357
2002-03	$15,774,948	$2,629,158
2003-04	$16,707,195	$2,784,532

Extending this trend suggests the following increase in total occupancy tax revenue as a result of a 2% increase in the rate:

Year	Amount	Each 1%
2005-06	$5,829,823	$2,914,911
2006-07	$6,103,307	$3,051,653
2007-08	$6,389,892	$3,194,946
2008-09	$6,689,792	$3,344,896
2009-10	$7,004,212	$3,502,106

RE: Senate Bill 525 NASCAR Hall of Fame Financing

● **The City of Charlotte has demonstrated a reckless disregard** for managing its revenues from the occupancy tax and prepared food taxes authorized by the General Assembly. Charlotte's annual debt service for tourism capital projects and other required distributions will exceed available hospitality tax revenues by at least $12.9 million in FY 2005. Charlotte officials have confirmed these amounts are correct.

Revenues from Tourism Taxes FY 2005	**$33.6 Million**
Debt Service Obligations & Required Distributions	**$46.5 million**
Funds Deficit FY 2005	**($12.9 million)**

Each of the debt instruments for the $374.2 million outstanding bonds or installment contracts requires that one or more of the hospitality taxes authorized by the General Assembly be the sole source of annual revenues to fund the debt service. A report detailing these commitments is available to each member of this Finance Committee.

8% OCCUPANCY TAX + 7.5% SALES TAX = 15.5%

● The legislation before this committee today would authorize an additional 2% occupancy tax to be levied in Mecklenburg County raising the total tax on a hotel room to 15.5%, the **highest for any major city on the East Coast**.

EAST COAST CITIES:					
•Atlanta	15.0%	•Miami	13.0%	•Philadelphia	14.0%
•Washington	14.5%	•Baltimore	12.5%	•Charleston	12.9%
•New York	13.62%	•Richmond	13.0%	•Alexandria	10.25%
•Myrtle Beach	10.0%	•Columbia	10.0%	•Savannah	12.0%
•Orlando	10.0%	•Tampa	12.0%	•Boston	12.45%

● Supporters of the NASCAR Hall of Fame Museum should question how aggressively Charlotte will pursue the new museum given the current $12.9 million deficit and their need for additional revenues. It is important to understand that the City of Charlotte initially sought the tax increase whether or not they were chosen as the site for this national museum.

NCHLA and the Hospitality Alliance of North Carolina wishes to thank the House Finance Committee and all of the Members who have worked to maintain the 6% cap on this tax. We will continue to oppose any local effort to raise the occupancy tax above a rate of 6%.

A BILL TO BE ENTITLED

AN ACT TO ALLOW TRANSYLVANIA COUNTY TO INCREASE THE OCCUPANCY TAX RATE IN THAT COUNTY.

The General Assembly of North Carolina enacts:

SECTION 1. Levy of Additional Occupancy Tax. – In addition to the tax authorized by Chapter 969 of the 1985 Session Laws, as amended by S.L. 1999-205, the Transylvania County Board of Commissioners may levy a room occupancy tax of up to three percent (3%) of the gross receipts derived from the rental of accommodations taxable under that Chapter. The levy, collection, administration, and repeal of the tax authorized by this act shall be in accordance with the provisions of Section 1 of Chapter 969 of the 1985 Session Laws, as amended by S.L. 1999-205. Transylvania County may not levy a tax under this act unless it also levies the tax authorized under Chapter 969 of the 1985 Session Laws.

SECTION 2. Use of Proceeds of Additional Tax. – Transylvania County shall use funds collected under this act only in accordance with Section 1(e) of Chapter 969 of the 1985 Session Laws, as amended by S.L. 1999-205 and this act.

SECTION 3. Section 1(e) of Chapter 969 of the 1985 Session Laws, as amended by S.L. 1999-205, reads as rewritten:

"(e) Use of Tax Revenue. Transylvania County ~~shall place revenue collected from a tax levied under this act in a special Travel and Tourism Fund. Revenue in this Fund may be used only to promote travel and tourism and for tourism-related expenditures in Transylvania County.~~ shall, on a quarterly basis, remit the net proceeds of the occupancy tax levied under Chapter 969 of the 1985 Session Laws, as amended by S.L. 1999-205 and this act, and under Section 1 of this act to the Transylvania Tourism Development Authority. The Authority shall use at least two-thirds of the funds remitted to it under this subsection to promote travel and tourism in Transylvania County and shall use the remainder for tourism-related expenditures.

The following definitions apply in this subsection:

(1) Net proceeds. – Gross proceeds less the cost to the county of administering and collecting the tax, as determined by the finance officer, not to exceed three percent (3%) of the first five hundred thousand dollars ($500,000) of gross proceeds collected each year and one percent (1%) of the remaining gross receipts collected each year.

~~(1)~~(2) Promote travel and tourism. – To advertise or market an area or activity, publish and distribute pamphlets and other materials, conduct market research, or engage in similar promotional activities that attract tourists or business travelers to the area; the term includes administrative expenses incurred in engaging in these activities.

~~(2)~~(3) Tourism-related expenditures. – Expenditures that, in the judgment of the governing authority, are designed to increase the use of lodging facilities, meeting facilities, and convention facilities in a county by attracting tourists or business travelers to the county. The term includes tourism-related capital expenditures."

SECTION 4. Tourism Development Authority. – (a) Appointment and Membership. – The board of commissioners shall adopt a resolution creating a county Tourism Development Authority, which shall be a public authority under the Local Government Budget and Fiscal Control Act. The resolution shall provide for the membership of the Authority including the members' terms of office, and for the filling of vacancies on the Authority. At least one-third of the members must be individuals who are affiliated with businesses that collect the occupancy tax in the county and at least one-half of the members must be individuals who are currently active in the promotion of travel and tourism in the county. The board of commissioners shall designate one member of the Authority as chair and shall determine the compensation, if any, to be paid to members of the Authority.

The Authority shall meet at the call of the chair and shall adopt rules of procedure to govern its meetings. The Finance Officer for Transylvania County shall be the ex officio finance officer of the Authority.

SECTION 4.(b) Duties. – The Authority shall expend the net proceeds of the taxes levied under this act and under Chapter 969 of the 1985 Session Laws, as amended by S.L. 1999-205, for the purposes provided in Section 1(e) of Chapter 969 of the 1985 Session Laws, as amended. The Authority shall promote travel, tourism, and conventions in the county, sponsor tourist-related events and activities in the county, and finance tourist-related capital projects in the county.

SECTION 4.(c) Reports. – The Authority shall report quarterly and at the close of the fiscal year to the board of commissioners on its receipts and expenditures for the preceding quarter and for the year in such detail as the board may require.

SECTION 5. This act applies only to Transylvania County.

SECTION 6. This act is effective when it become law.

House Bill 470:
Transylvania Occupancy Tax

BILL ANALYSIS

Committee:	**Occupancy Tax Subcommittee**	**Sponsor:**	**Representative Walend**
Date:	April 19, 2004	**Analysis:**	Ashley Huffstetler
Version:	**PCS H470-CSSVx-14 v.1**		Staff Attorney

SUMMARY: ***The PCS for House Bill 470 authorizes Transylvania County to levy an additional 3% room occupancy tax. It also amends the Transylvania County occupancy tax legislation and brings it into full conformity with the occupancy tax guidelines.***

CURRENT LAW: Currently, Transylvania County levies a 3% room occupancy tax. The money is to be used to promote travel and tourism and for tourism related expenditures, but there is no fractional allocation. There also is no Tourism and Development Authority. The legislation does have some uniform definitions.

BACKGROUND: Since 1983, the General Assembly has authorized many units of local government to levy a room occupancy tax. In several instances, the General Assembly has authorized both a county and a city within that county to impose an occupancy tax. The rate of tax, the use of the tax proceeds, the administration of the tax, and the body with the authority to determine how the tax proceeds will be spent vary considerably. Over the past several years, there has been a greater effort to make the occupancy taxes uniform. In 1997, the General Assembly enacted uniform municipal and county administrative provisions for occupancy tax legislation – G.S. 153A-155 and G.S. 160A-215. These provisions provide uniformity in the areas of levy, administration, collection, repeal, and penalties.

BILL ANALYSIS: The PCS to House Bill 470 authorizes Transylvania County to levy an additional room occupancy tax up to 3%. The proceeds must be remitted to a Tourism Development Authority (TDA), which must use two-thirds of the proceeds to promote travel and tourism and one-third for tourism-related expenditures. These administrative and use provisions conform to the uniform guidelines referenced above and detailed in the chart below:

UNIFORM OCCUPANCY TAX PROVISIONS
Rate – The county tax rate cannot exceed 6%, and the city tax rate, when combined with the county rate, cannot exceed 6%.
Use – Two-thirds of the proceeds must be used to promote travel and tourism, and the remainder must be used for tourism-related expenditures.
Definitions – The terms "net proceeds," "promote travel and tourism," and "tourism related expenditures" are defined terms.
Administration – The net revenues must be administered by a local tourism development authority, which has the authority to determine how the tax proceeds will be used and is created by a local ordinance. At least ½ of the members must be currently active in the promotion of travel and tourism in the city or county, and 1/3 of the members must be affiliated with organizations that collect the tax.
Costs of Collection – The taxing authority may retain from the revenues its actual costs of collection, not to exceed 3% of the first $500,000 collected each year plus 1% of the remainder collected each year.

PRINCIPAL DEPARTMENT(S) & PROGRAM(S) AFFECTED: Transylvania County

EFFECTIVE DATE: Becomes effective when law.

BILL SUMMARY:
This bill allows Transylvania County to increase its occupancy tax rate from 3% to 6%.

ASSUMPTIONS AND METHODOLOGY: In 2003-2004, the 3% room tax in Transylvania County raised $202,793.

This bill doubles the rate to 6%. Historically, Transylvania County's collections have been as follows:

Year	Amount	Each 1%
1998-99	194,342	64,781
1999-00	215,542	71,847
2000-01	206,849	68,950
2001-02	198,554	66,185
2002-03	201,162	67,054
2003-04	202,793	67,598

Extending this trend suggests the following increase in total occupancy tax revenue as a result of the bill:

Year	Amount	Each 1%
2005-06	206,865	68,955
2006-07	208,934	69,645
2007-08	211,023	70,341
2008-09	213,133	71,044
2009-10	215,264	71,755

...

(9) "Mobile set telephone number" means the number assigned to a CMRS ~~connection.~~connection, including the 10-digit number assigned to a CMRS mobile phone.

...

(11a) "Primary PSAP" means the first point of reception of a 911 call by a public safety answering point.

(12) "Pseudoautomatic number identification" or "Pseudo-ANI" means a wireless Enhanced 911 service capability that enables the automatic display of the number of the cell site or cell ~~face.~~ face and is used to identify the approximate location of a wireless caller.

...

(13a) "Shared resources" means any element that is used for both receiving wire line 911 calls and wireless 911 calls and is an eligible expense under G.S. 62A-8 and G.S. 62A-25.

(13b) "Subscriber" means a person who subscribes to a CMRS service or prepaid wireless service.

(14) "Wireless 911 system" means an emergency telephone system that provides the user of a CMRS connection the ability to reach a PSAP by dialing the digits ~~911.~~911 and complements a wireless Enhanced 911 system.

...

(15a) "Wireless Enhanced 911 State plan" means a document prepared, maintained, and updated by the Wireless 911 Board that provides for all aspects of the State's integrated wireless Enhanced 911 system, including the Board's determination of permitted uses of moneys from the Wireless Fund and the amounts disbursed from the Fund to CMRS providers and PSAPs.

...."

SECTION 2. G.S. 62A-22 reads as rewritten:

"**§ 62A-22. Wireless 911 Board.**

(a) There is created a Wireless 911 Board ("Board"), consisting of 13 members as follows:

(1) Two members appointed by the Governor, one upon the recommendation of the North Carolina League of Municipalities and one upon the recommendation of the North Carolina Association of County Commissioners;

(2) Five members appointed by the General Assembly upon the recommendation of the Speaker of the House of Representatives, one of whom shall be a sheriff, three representing CMRS providers licensed to do business in North Carolina and one representing the North Carolina Chapter of the Association of Public Safety Communications Officials (APCO);

(3) Five members appointed by the General Assembly upon the recommendation of the President Pro Tempore of the Senate, one of whom shall be a chief of police, two representing CMRS providers licensed to do business in North Carolina, one representing local exchange carriers licensed to do business in North Carolina, and one representing the North Carolina Chapter of the National Emergency Number Association (NENA); and

(4) The State Chief Information Officer or the Chief Information Officer's designee, who shall serve as the chair.

A quorum of the Board shall consist of seven members. The Board shall meet upon the call of the chair.

(b) Each member shall serve a term of four years and may be appointed to no more than two successive terms. Members shall remain in office until their successors

are appointed and qualified. Vacancies ~~may~~ shall be filled in the same manner as the original appointment.

(b1) G.S. 14-234 shall apply to members, officers, and employees of the Board. Members, officers, and employees of the Board shall disclose any interest, direct or indirect, they have in any firm or corporation interested in contracting with the Board, and the nature of that interest shall be included in the Board's minutes. A member, officer, or employee of the Board shall not participate in decisions involving parties with whom they have a conflict of interest.

(b2) The Governor may remove any member for misfeasance, malfeasance, or nonfeasance in accordance with G.S. 143B-13(d).

...."

SECTION 3. Article 2 of Chapter 62A is amended by adding the following new section to read:

"**§ 62A-22.1. Powers and duties of the Board.**

The Wireless 911 Board shall have the following powers and duties:

(1) To levy a monthly wireless Enhanced 911 service charge on each CMRS connection. The service charge is not a tax.

(2) To make and enter into contracts and agreements necessary or incidental to the performance of its duties and powers under this Article, including purchase agreements that are paid with funds from the administrative fee allowed under G.S. 62A-26 and other moneys appropriated to or received by the Board for the wireless Enhanced 911 system.

(3) To accept gifts, grants, or other moneys for purposes of furthering the intent of this Article.

(4) To develop a comprehensive wireless Enhanced 911 telecommunications plan for communicating Enhanced 911 call information across networks and among PSAPs. In constructing and periodically updating the plan, the Board shall monitor trends and advances in wireless Enhanced 911 telecommunications technology, investigate and utilize development of other resources within the State as part of the wireless Enhanced 911 State plan, including GIS mapping and Voice over Internet Protocol (VoIP), and formulate strategies for the efficient and effective delivery of wireless Enhanced 911 telecommunications services.

(5) To provide or fund advisory services and training for PSAPs in accordance with policies and procedures established by the Board.

(6) To advocate for issues related to wireless Enhanced 911 system functions, features, and operations to improve the delivery of wireless Enhanced 911 services to residents of and visitors to the State.

(7) To take other necessary and proper action to implement the provisions of this Article."

SECTION 4. G.S. 62A-23 reads as rewritten:

"**§ 62A-23. Amount of service charge.**

(a) ~~The Board shall levy a monthly wireless Enhanced 911 service charge on each CMRS connection.~~ The rate of ~~such~~ the monthly wireless Enhanced 911 service charge shall ~~initially~~ be set at ~~eighty cents (80¢)~~seventy cents (70¢) per month per each CMRS connection beginning ~~October 1, 1998.~~October 1, 2005. The service charge shall have uniform application and shall be imposed throughout the State.

(b) The ~~service charge may be adjusted by the~~ Board may adjust the service charge ~~beginning July 1, 2000 and every two years thereafter.~~on July 1st of every even-numbered year. The Board is to set the service charge at such a rate as to ensure full recovery for CMRS providers and for primary PSAPs, over a reasonable period of time, of the costs allowed in G.S. 62A-25(b) and associated with developing and maintaining a wireless Enhanced 911 system. If necessary to ensure full recovery of costs for both CMRS providers and eligible primary PSAPs over a reasonable period of time, the Board may annually adjust the allocation percentages set forth in G.S. 62A-25(a) and G.S. 62A-25(b), or reallocate funds comprising the Wireless Fund, provided, however, that any adjustment or reallocation shall be consistent with the requirements of the FCC Order.

...."

SECTION 5. G.S. 62A-24 reads as rewritten:

"**§ 62A-24. Management of funds.**

(a) Each CMRS provider, as a part of its monthly billing process, shall collect from its subscribers the wireless Enhanced 911 service charge described in G.S. 62A-23. The CMRS provider may list the service charge as a separate entry on each bill. If a CMRS provider receives a partial payment for a monthly bill from a subscriber, the provider shall apply the payment first against the amount the subscriber owes the provider.

...."

SECTION 6. G.S. 62A-25 reads as rewritten:

"**§ 62A-25. Use of funds.**

(a) ~~Sixty percent (60%)~~Fifty-three percent (53%) of the funds in the Wireless Fund established in G.S. 62A-22(c) shall be used to reimburse CMRS providers, in response to sworn invoices submitted to the Board, for the actual costs incurred by the CMRS providers in complying with the wireless 911 requirements established by the FCC Order and any rules and regulations which are or may be adopted by the FCC pursuant to the FCC Order, including costs and expenses incurred for designing, upgrading, purchasing, leasing, programming, installing, testing, or maintaining all necessary data, hardware, and software required in order to provide such service as well as the recurring and nonrecurring costs of operating such service. All costs and expenses must be commercially reasonable.

(b) ~~Forty percent (40%)~~Forty-seven percent (47%) of the funds in the Wireless Fund established in G.S. 62A-22(c) shall be used to make monthly distributions to eligible primary PSAPs (the ~~"40%~~ "PSAP Fund"). Money from the ~~40%~~PSAP Fund shall be used only to pay for the lease, purchase, or maintenance of emergency telephone equipment for the wireless Enhanced 911 system, including necessary computer hardware, software and database provisioning, ~~and~~ nonrecurring costs of

establishing a wireless Enhanced 911 ~~system.~~system, and expenses related to shared resources. For purposes of this section, shared resources expenses are limited to those expenses identified in this section and G.S. 62A-8 and shall not exceed an amount determined reasonable by the Board. Money from the ~~40%~~PSAP Fund shall also be used to pay the rates associated with the local telephone companies' charges related to the operation of the wireless Enhanced 911 system. The ~~40%~~PSAP Fund shall be distributed as follows:

(1) Fifty percent (50%) of it shall be divided equally among the total number of eligible primary PSAPs in North Carolina. However, monthly distribution shall be made only to those eligible primary PSAPs that have complied with the provisions of this Article. Distribution to each eligible primary PSAP will begin the month following its compliance with the provisions of this Article. All monies remaining in this portion of the ~~40%~~ PSAP Fund on ~~January 31~~June 30 of each year will then be evenly distributed to each of the eligible primary PSAPs.

(2) The other fifty percent (50%) shall be divided pro rata among the eligible primary PSAPs based on the population served by the PSAP. However, monthly distribution shall be made only to those primary PSAPs that have complied with the provisions of this Article. Distribution to each eligible primary PSAP will begin the month following its compliance with the provisions of this Article. The population data to be used shall be the latest certified county and official municipal estimates of population published by the Office of State Budget and Management. All monies remaining in this portion of the ~~40%~~PSAP Fund on ~~January 31~~ June 30 of each year will then be distributed to each of the eligible primary PSAPs based on the population served by the primary PSAP.

...

(d) In no event shall any invoice for reimbursement be approved for payment of costs of any CMRS provider exceeding the lesser of one hundred percent (100%) of the eligible costs allowed under G.S. 62A-25(b) or one hundred twenty-five percent (125%) of the service charges remitted by such CMRS provider unless prior approval for such expenditures is received from the Board. If the total amount of invoices submitted to the Board and approved for payment exceeds the amount in the Wireless Fund in any month, CMRS providers that have invoices approved for payment shall receive a pro rata share of the Wireless Fund, based on the relative amount of their approved invoices available that month, and the balance of the payments will be carried over to the following month or months and shall include interest at a rate equal to the rate earned by the Wireless Fund until all of the approved payments are made.

(e) In January of each year every participating PSAP will submit to the Board a copy of its governing agency's approved budget detailing the PSAP's revenues and expenditures associated with the operation of its wireless Enhanced 911 system. PSAPs must comply with all requests by the Board for financial information related to the

operation of the wireless Enhanced 911 system. The PSAP budget shall identify revenues and expenditures for eligible expense reimbursements as provided in G.S. 62A-25(b).

...

(g) To receive funds under this section, a PSAP must comply with the wireless Enhanced 911 service requirements established by the FCC Order and any rules and regulations that are or may be adopted by the FCC pursuant to the FCC Order. A county or municipality that has one or more PSAPs shall submit in writing to the Board information that identifies the PSAPs in the manner required by the FCC Order."

SECTION 7. Article 2 of Chapter 62A of the General Statutes is amended by adding the following new section to read:

"**§ 62A-25.1. Unauthorized use of funds.**

The Board shall give written notice of violation to any CMRS provider or PSAP found by the Board to be using moneys from the Wireless Fund for purposes not authorized by this Article. Upon receipt of notice, the CMRS provider or PSAP shall cease making any unauthorized expenditures. The CMRS provider or PSAP may petition the Board for a hearing on the question of whether the expenditures were unauthorized, and the Board shall grant the request within a reasonable period of time. If, after the hearing, the Board concludes the expenditures were in fact unauthorized, the Board may require the CMRS provider or PSAP to refund the moneys improperly spent within 90 days, and the moneys shall be deposited into the Wireless Fund. If a CMRS provider or PSAP does not cease making unauthorized expenditures or refuses to refund improperly spent moneys, the Board may suspend funding to the provider or PSAP until corrective action is taken."

SECTION 8. Notwithstanding the provisions of G.S. 62A-22(b), to establish staggered terms of the members of the Wireless 911 Board, the terms of Joseph K. Durham, appointed by the Governor upon the recommendation of the North Carolina Association of County Commissioners; W. Allen Whitaker (a sheriff) and Don Van Liew (representing a CMRS provider), appointed by the General Assembly upon the recommendation of the Speaker of the House of Representatives; and Robert Cherry (a chief of police), Philip L. Penny (representing the North Carolina Chapter of the National Emergency Number Association (NENA)), and James R. Montgomery (representing a CMRS provider), appointed by the General Assembly upon the recommendation of the President Pro Tempore of the Senate, shall expire on June 30, 2005. The vacancies shall be filled in the same manner as the original appointments, and the persons appointed shall serve four-year terms, ending June 30, 2009. The terms of the remaining members of the Board shall expire on June 30, 2006. After the staggered terms have been established, members appointed to the Board thereafter shall serve four-year terms in accordance with G.S. 62A-22(b).

SECTION 9. This act is effective when it becomes law.

HOUSE BILL 1261:
Wireless Telephone Service

BILL ANALYSIS

Committee:	House Finance	**Date:**	May 24, 2005
Introduced by:	Rep. Underhill	**Summary by:**	Cindy Avrette
Version:	Second Edition		Committee Counsel

SUMMARY: House Bill 1261 reduces monthly wireless Enhanced 911 service charge, changes the allocation of the funds from the Wireless Fund to CMRS providers and PSAPs, grants to the Wireless 911 Board the authority to order a CMRS provider or a PSAP to cease using Wireless Fund moneys for unauthorized purposes, and establishes staggered terms for the Wireless 911 Board. It also establishes a number of new definitions. The act would become effective when it becomes law.

CURRENT LAW: Article 2 of Chapter 62A of the General Statutes creates the funding and governance mechanism by which North Carolina is complying with the Federal Communications Commission's requirement (FCC Order) that 911 calls made from wireless telephone carriers provide the precise location of the 911 calls (wireless enhanced 911 system).

The Article creates the Wireless 911 Board which has 13 members: 2 appointed by the Governor, 5 appointed by the General Assembly upon the recommendation of the Speaker of the House of Representatives, 5 appointed by the General Assembly upon the recommendation of the President Pro Tempore of the Senate, and the State Chief Information Officer. The members serve for 4-year terms. The Article also establishes the Wireless Fund. The Board is charged with depositing the revenues collected from the wireless Enhanced 911 surcharge into the Fund and making disbursements from the Fund. The Board may deduct a 1% administrative fee for its expenses.

Each wireless telephone service provider (CMRS provider) must collect the surcharge on each mobile handset telephone number assigned to CMRS customer (CMRS connection). The fee is currently ¢80 per month. The Board has the authority to adjust the surcharge beginning July 1, 2000 and every 2 years thereafter. The purpose of the surcharge is to reimburse CMRS providers and the public service agencies that receive and dispatch 911 calls (PSAPs) for the cost of developing, implementing, and maintaining wireless Enhanced 911 service. The service charge is statutorily capped at ¢80 per month.

The statutes provide that 60% of the funds will go to CMRS providers for the actual costs incurred by the CMRS providers for designing, upgrading, purchasing, leasing, programming, installing, testing, or maintaining all necessary data, hardware, and software to provide the service. 40% will go to eligible PSAPs to a Fund known as the 40% Fund. Those moneys may be used to pay for the lease, purchase, or maintenance of emergency telephone equipment for the wireless database provisioning, and nonrecurring costs of establishing a wireless enhanced 911 systems. It can also be used to pay the rates associated with the local telephone companies' charges related to the operation of the wireless Enhanced 911 systems. 50% of the moneys in the 40% Fund is divided equally among the total number of PSAPs in North Carolina and the other 50% is divided prorate among the eligible PSAPs based on the population served by the PSAP.

BILL ANALYSIS: **Section 1** modifies a number of existing definitions and enacts some new definitions.

Section 2 allows members to stay on the Board until their successors are appointed and qualified. It also articulates that members, officers, and employees of the Board as subject to G.S. 14-234, the criminal statutes that prohibit public officers and employees from benefiting from public contracts in which they

have an interest. These provisions already applied to the Board, but this clarifies any ambiguity on this matter. The section also adds language that the Governor has the authority to remove any member of the Board for misfeasance, malfeasance, or nonfeasance under G.S. 143-13(d). Again, the Governor probably has this authority, but this clarifies any ambiguity.

Section 3 creates a new section in Article 2 that specifies the powers and duties of the Board. These powers include the development of a comprehensive wireless Enhanced 911 telecommunications plan for communicating Enhanced 911 call information across networks and among PSAPs.

Section 4 reduces the monthly surcharge from ¢80 to ¢70 per each CMRS connection beginning October 1, 2005.

Section 5 clarifies that each CMRS provider must collect the monthly surcharge from the person who subscribes to a CMRS service or prepaid wireless service.

Section 6 modifies the allocation of the Fund. CMRS providers would receive 53% of the funds, down from the current 60%, and 47% of the Fund (up from 40%) would be divided among the eligible primary PSAPs. It also clarifies that a PSAP must comply with the wireless Enhanced 911 service requirements established by the FCC Order and any rules or regulations adopted by the FCC to implement the Order.

Section 7 creates G.S. 62A-25.1 which outlines the procedure the Board must use if it finds that a CMRS provider or PSAP is using moneys from the Fund for unauthorized purposes. The Board must notify the CMRS provider or the PSAP in writing. The CMRS provided or the PSAP must then cease making the expenditures, but may request a hearing before the Board. If the Board concludes the funds were spent for an unauthorized purpose, the provider or the PSAP must refund the moneys. The Board also has the authority to suspend funding until the provider or the PSAP take corrective action.

Section 8 establishes staggered Board terms by providing that six of the current Board members' terms expire June 30, 2005, and the remaining seven members' terms will expire June 30, 2006.

BACKGROUND: 911 is the official national emergency number in the United States and Canada. Dialing 911 connects the caller with a Public Safety Answering Point (PSAP) dispatcher trained to route the call to local emergency medical, fire, and law enforcement agencies. The FCC has also established a program requiring wireless telephone carriers to provide E911 capability. When fully implemented, wireless E911 will provide the precise location of 911 calls from wireless phones.

EFFECTIVE DATE: When the bill becomes law.

BILL SUMMARY: The bill amends the laws pertaining to the state Wireless 911 Board and the state Wireless Fund. In Section 2, the bill requires Board members to disclose interests in firms or corporations seeking to contract with the Board and makes members subject to the conflict of interest provisions in G.S. 14-234. Section 3 enacts a new G.S. 62A-22.1, setting forth additional powers and duties for the Board. In Section 4, the bill reduces the wireless enhanced 911 (E-911) service charge (a charge levied on users of commercial mobile radio services (CMRS)) from 80 cents to 70 cents per month. Section 5 requires CMRS providers to collect the charge from their subscribers. Section 6 reallocates a portion of the Wireless Fund that presently goes to CMRS providers to primary public safety answering points (PSAPs, or also referred to as 911 Centers). Also Section 6 provides that to receive funds, a PSAP must comply with the wireless enhanced 911 service requirements established by the Federal Communications Commission (FCC), and it

requires counties and municipalities with more than one PSAP to submit written information to the Board identifying the PSAPs. Section 7 enacts a new G.S. 62A-25.1, setting forth the procedures by which the Board may require a CMRS provider or a PSAP that misuses funds from the Wireless Fund to reimburse the Fund. Section 8 creates staggered terms by providing that the terms of certain named members of the Wireless Board will expire on June 30, 2005, and the terms of the remaining members will expire on June 30, 2006.

ASSUMPTIONS AND METHODOLOGY: Sections 4, 5, and 6 of the bill are projected to fiscally impact the Wireless Fund. Details of how each Section contributes to the bill's overall fiscal impact are as follows:

Section 4 reduces the monthly wireless enhanced 911 (E-911) service charge (surcharge), collected for each wireless connection, from $0.80 to $0.70 beginning October 1, 2005. Under G.S. 62A-24, each CMRS provider collects the surcharges from its subscribers as a part of its routine billing process and remits them, less a statutorily allowed one-percent (1%) administrative fee, to the Wireless Fund. Additionally by statute, the Board is entitled to deduct a one-percent (1%) administrative fee from the surcharges for its expenses. Of the remaining monthly remittances, the Board allocates sixty-percent (60%) of the funds in the Wireless Fund to reimburse CMRS providers for costs they incur to comply with the wireless E-911 requirements; forty-percent (40%) is to be distributed monthly to eligible PSAPs. Fifty percent (50%) of the money for the PSAPs is divided equally among the total number of PSAPs in North Carolina and 50% is divided prorate among the eligible PSAPs based on the population serviced by the PSAP. The Board reports that the fiscal impact of Section 4 would be to reduce revenue to the Wireless Fund from an estimated $40,179,600 to $35,157,150 in FY 2005-06 (13% decrease). The effect would be less revenue for the Wireless 911 Board, CMRS providers, and for eligible primary PSAPs. This Board reports that Section 6 would prevent a revenue loss for PSAPs because it modifies the percentage of the Wireless Fund allocated for PSAPs from 40% to 47% and CMRS providers from 60% to 53%. The Board estimates that reducing the surcharge to $0.70 per wireless connection would not prevent the Board from covering its costs for its duties and responsibilities, including those added by Section 3, within its projected revenues from the 1% administrative fee. Also, the Board reported that the surcharge reduction would not prevent it from meeting its statutory responsibility of ensuring full recovery for CMRS providers as required by G.S. 62A-23(b). The Board's projected total revenues to the Wireless Fund at both the current $0.80 rate and at the proposed $0.70 rate are shown below in Table 1. The Board's revenue estimate includes a 2.5% conservative industry projection growth rate.

Table 1
Comparison of Projected Wireless Fund Revenues from $0.80 and $0.70 Surcharge Rates

	Fiscal Years				
Wireless (CMRS) Surcharge per Connection	**2005-06**	**2006-07**	**2007-08**	**2008-09**	**2009-10**
$0.80 (current)	$40,179,600	$41,184,090	$42,213,692	$43,269,035	$44,350,760
$0.70 (proposed)	$35,157,150	$36,036,079	$36,936,981	$37,860,405	$38,806,915

Section 5 clarifies that CMRS providers are to collect the wireless E-911 surcharge from their subscribers, including persons with a subscription to a prepaid wireless service. Currently, CMRS providers are not required to report to the Board on whether they collect and remit the surcharge from their prepaid service subscribers. Although the Board projects that the surcharges collected on prepaid wireless service connections would minimally increase the Wireless Fund's revenue, it does not have an estimate of how much prepaid service surcharge revenue would be remitted as a result of this bill.

Section 6 modifies the allocation of the funds in the Wireless Fund between the funds reserved to reimburse the CMRS providers from 60% to 53% and the funds to be distributed monthly to eligible PSAPs from 40% to 47%. As mentioned previously in the discussion of Section 4's fiscal impact, the Board estimates that if the rate is decreased to $0.70, but the funds are not reallocated, then the PSAPs would receive less money. The Board reports that PSAPs budgets do not indicate a need for less Wireless Fund revenue. Table 2 below shows the Board's estimates of what the different revenue streams would be for the PSAPs, with the surcharge set at $0.80 and $0.70, at the 40% and 47% funding allocation levels.

A BILL TO BE ENTITLED

AN ACT TO AMEND THE DURHAM COUNTY OCCUPANCY TAX AND TO IMPOSE OCCUPANCY TAXES IN THE CITIES OF REIDSVILLE AND EDEN AND THE TOWN OF BOILING SPRINGS.

The General Assembly of North Carolina enacts:

PART I. DURHAM OCCUPANCY TAX.

SECTION 1.1. Section 7(a) of S.L. 2001-480, as amended by Section 1 of S.L. 2002-36, reads as rewritten:

"**SECTION 7.(a)** If a plan for financing a Performing Arts Theater has not been approved by the Durham City Council and has been disapproved by the Durham County Commissioners within ~~42~~54 months after the levy of the one percent (1%) tax authorized under Section 6(c) of this act, the county's authority to levy the one percent (1%) tax described under Section 6(c) of this act and the levy of the one percent (1%) tax described in this subsection are repealed on the first day of the second month following the ~~42-month~~54-month period.

If construction on the Performing Arts Theater has not begun within ~~42~~54 months after the levy of the one percent (1%) tax authorized under Section 6(c) of this act, the county's authority to levy the one percent (1%) tax described in Section 6(c) of this act and the levy of the one percent (1%) tax described in Section 6(c) of this act are repealed on the first day of the second month following the ~~42-month~~54-month period.

It is the goal of the General Assembly that a plan for financing the Performing Arts Theater shall be adopted within ~~12~~54 months after the levy of the one percent (1%) tax authorized under Section 6(c) of this act, and construction of the Performing Arts Theater shall begin within ~~24~~54 months of the levy of the one percent (1%) tax described in Section 6(c) of this act.

Any funds collected but not spent before the repeal date shall be redistributed to the Durham Convention and Visitors Bureau to promote travel and tourism."

SECTION 1.2. Section 9(e) of S.L. 2001-480, as amended by Section 4 of S.L. 2002-36, reads as rewritten:

"**SECTION 9.(e)** Use of Proceeds From Additional One Percent (1%) Tax After First 24 Months. – The net proceeds of the tax collected under Section 6(c) of this act after the first 24 months that the tax is levied shall be remitted monthly to the Durham Convention and Visitors Bureau as set out in Section 10 of this act. The Bureau shall use and distribute these net proceeds in the following priority order:

(1) To the City of Durham, the first one million four hundred thousand dollars ($1,400,000) collected annually to finance the debt service associated with the construction of the Performing Arts ~~Theater.~~Theater and for the design and engineering costs associated with the construction of the Theater. But no more than two million seven hundred fifty-two thousand dollars ($2,752,000) of those proceeds may be used for design and engineering costs associated with the construction of the Theater. Until those funds are distributed to the City of Durham for that purpose, they shall be held by the Durham Convention and Visitors Bureau in a capital reserve fund as provided by Part 2 of Article 3 of Chapter 159 of the General Statutes except they may be expended as provided by the last sentence of Section 7(a) of this act if the tax is repealed as provided by Section 7(a) of this act. Any interest earned by that fund shall be credited to the fund.

(2) Thirty-two years after the levy of the tax authorized under Section 6(c) of this act, instead of the allocation under subdivision (1) of this subsection, the first one million four hundred thousand dollars ($1,400,000) collected annually shall be used by the Bureau to promote travel and tourism or for tourism related expenditures.

(3) To Durham County, the next five hundred thousand dollars ($500,000) collected annually to be used for improvements to the Museum of Life and Science. This may include the financing of debt service. Any of these funds that are not needed for this purpose shall be returned to the Bureau and used to promote travel and tourism.

(4) The Bureau shall use any net proceeds in excess of that provided by subdivisions (1), (2), and (3) of this subsection to promote travel, tourism, and conventions in Durham County.

As used in this subsection, "annually" means the 12-month period beginning after the first 24 months that the tax authorized under Section 6(c) of this act is levied."

PART II. REIDSVILLE OCCUPANCY TAX.

SECTION 2.1. Occupancy Tax. – (a) Authorization and Scope. – The Reidsville City Council may levy a room occupancy tax of up to three percent (3%) of the gross receipts derived from the rental of any room, lodging, or accommodation furnished by a hotel, motel, inn, tourist camp, or similar place within the city that is subject to sales tax imposed by the State under G.S. 105-164.4(a)(3). This tax is in addition to any State or local sales tax. This tax does not apply to accommodations

furnished by nonprofit charitable, educational, or religious organizations when furnished in furtherance of their nonprofit purpose.

SECTION 2.1.(b) Administration. – A tax levied under this section shall be levied, administered, collected, and repealed as provided in G.S. 160A-215. The penalties provided in G.S. 160A-215 apply to a tax levied under this section.

SECTION 2.1.(c) Distribution and Use of Tax Revenue. – The City of Reidsville shall, on a quarterly basis, remit the net proceeds of the occupancy tax to the Reidsville Tourism Development Authority. The Authority shall use at least two-thirds of the funds remitted to it under this subsection to promote travel and tourism in Reidsville and shall use the remainder for tourism-related expenditures.

The following definitions apply in this subsection:

(1) Net proceeds. – Gross proceeds less the cost to the city of administering and collecting the tax, as determined by the finance officer, not to exceed three percent (3%) of the first five hundred thousand dollars ($500,000) of gross proceeds collected each year and one percent (1%) of the remaining gross receipts collected each year.

(2) Promote travel and tourism. – To advertise or market an area or activity, publish and distribute pamphlets and other materials, conduct market research, or engage in similar promotional activities that attract tourists or business travelers to the area. The term includes administrative expenses incurred in engaging in the listed activities.

(3) Tourism-related expenditures. – Expenditures that, in the judgment of the Tourism Development Authority, are designed to increase the use of lodging facilities, meeting facilities, or convention facilities in a city or to attract tourists or business travelers to the city. The term includes tourism-related capital expenditures.

SECTION 2.2. Reidsville Tourism Development Authority. – (a) Appointment and Membership. – When the Reidsville City Council adopts a resolution levying a room occupancy tax under this act, it shall also adopt a resolution creating a city Tourism Development Authority, which shall be a public authority under the Local Government Budget and Fiscal Control Act. The resolution shall provide for the membership of the Authority, including the members' terms of office, and for the filling of vacancies on the Authority. At least one-third of the members must be individuals who are affiliated with businesses that collect the tax in the city, and at least one-half of the members must be individuals who are currently active in the promotion of travel and tourism in the city. The city council shall designate one member of the Authority as chair and shall determine the compensation, if any, to be paid to members of the Authority.

The Authority shall meet at the call of the chair and shall adopt rules of procedure to govern its meetings. The Finance Officer for Reidsville shall be the ex officio finance officer of the Authority.

SECTION 2.2.(b) Duties. – The Authority shall expend the net proceeds of the tax levied under this act for the purposes provided in this act. The Authority shall

promote travel, tourism, and conventions in the city, sponsor tourist-related events and activities in the city, and finance tourist-related capital projects in the city.

SECTION 2.2.(c) Reports. – The Authority shall report quarterly and at the close of the fiscal year to the Reidsville City Council on its receipts and expenditures for the preceding quarter and for the year in such detail as the city council may require.

PART III. EDEN OCCUPANCY TAX.

SECTION 3.1. Occupancy Tax. – (a) Authorization and Scope. – The Eden City Council may levy a room occupancy tax of up to three percent (3%) of the gross receipts derived from the rental of any room, lodging, or accommodation furnished by a hotel, motel, inn, tourist camp, or similar place within the city that is subject to sales tax imposed by the State under G.S. 105-164.4(a)(3). This tax is in addition to any State or local sales tax. This tax does not apply to accommodations furnished by nonprofit charitable, educational, or religious organizations when furnished in furtherance of their nonprofit purpose.

SECTION 3.1.(b) Administration. – A tax levied under this section shall be levied, administered, collected, and repealed as provided in G.S. 160A-215. The penalties provided in G.S. 160A-215 apply to a tax levied under this section.

SECTION 3.1.(c) Distribution and Use of Tax Revenue. – The City of Eden shall, on a quarterly basis, remit the net proceeds of the occupancy tax to the Eden Tourism Development Authority. The Authority shall use at least two-thirds of the funds remitted to it under this subsection to promote travel and tourism in Eden and shall use the remainder for tourism-related expenditures.

The following definitions apply in this subsection:

(1) Net proceeds. – Gross proceeds less the cost to the city of administering and collecting the tax, as determined by the finance officer, not to exceed three percent (3%) of the first five hundred thousand dollars ($500,000) of gross proceeds collected each year and one percent (1%) of the remaining gross receipts collected each year.

(2) Promote travel and tourism. – To advertise or market an area or activity, publish and distribute pamphlets and other materials, conduct market research, or engage in similar promotional activities that attract tourists or business travelers to the area. The term includes administrative expenses incurred in engaging in the listed activities.

(3) Tourism-related expenditures. – Expenditures that, in the judgment of the Tourism Development Authority, are designed to increase the use of lodging facilities, meeting facilities, or convention facilities in a city or to attract tourists or business travelers to the city. The term includes tourism-related capital expenditures.

SECTION 3.2. Eden Tourism Development Authority. – (a) Appointment and Membership. – When the Eden City Council adopts a resolution levying a room occupancy tax under this act, it shall also adopt a resolution creating a city Tourism Development Authority, which shall be a public authority under the Local Government Budget and Fiscal Control Act. The resolution shall provide for the membership of the

Authority, including the members' terms of office, and for the filling of vacancies on the Authority. At least one-third of the members must be individuals who are affiliated with businesses that collect the tax in the city, and at least one-half of the members must be individuals who are currently active in the promotion of travel and tourism in the city. The city council shall designate one member of the Authority as chair and shall determine the compensation, if any, to be paid to members of the Authority.

The Authority shall meet at the call of the chair and shall adopt rules of procedure to govern its meetings. The Finance Officer for Eden shall be the ex officio finance officer of the Authority.

SECTION 3.2.(b) Duties. – The Authority shall expend the net proceeds of the tax levied under this act for the purposes provided in this act. The Authority shall promote travel, tourism, and conventions in the city, sponsor tourist-related events and activities in the city, and finance tourist-related capital projects in the city.

SECTION 3.2.(c) Reports. – The Authority shall report quarterly and at the close of the fiscal year to the Eden City Council on its receipts and expenditures for the preceding quarter and for the year in such detail as the city council may require.

PART IV. BOILING SPRINGS OCCUPANCY TAX.

SECTION 4.1. Occupancy tax. – (a) Authorization and Scope. – The Boiling Springs Town Council may levy a room occupancy tax of up to three percent (3%) of the gross receipts derived from the rental of any room, lodging, or accommodation furnished by a hotel, motel, inn, tourist camp, or similar place within the town that is subject to sales tax imposed by the State under G.S. 105-164.4(a)(3). This tax is in addition to any State or local sales tax. This tax does not apply to accommodations furnished by nonprofit charitable, educational, or religious organizations when furnished in furtherance of their nonprofit purpose.

SECTION 4.1.(b) Administration. – A tax levied under this section shall be levied, administered, collected, and repealed as provided in G.S. 160A-215. The penalties provided in G.S. 160A-215 apply to a tax levied under this section.

SECTION 4.1.(c) Distribution and Use of Tax Revenue. – The Town of Boiling Springs shall, on a quarterly basis, remit the net proceeds of the occupancy tax to the Boiling Springs Tourism Development Authority. The Authority shall use at least two-thirds of the funds remitted to it under this subsection to promote travel and tourism in Boiling Springs and shall use the remainder for tourism-related expenditures.

The following definitions apply in this subsection:

(1) Net proceeds. – Gross proceeds less the cost to the town of administering and collecting the tax, as determined by the finance officer, not to exceed three percent (3%) of the first five hundred thousand dollars ($500,000) of gross proceeds collected each year and one percent (1%) of the remaining gross receipts collected each year.

(2) Promote travel and tourism. – To advertise or market an area or activity, publish and distribute pamphlets and other materials, conduct market research, or engage in similar promotional activities that attract

tourists or business travelers to the area. The term includes administrative expenses incurred in engaging in the listed activities.

(3) Tourism-related expenditures. – Expenditures that, in the judgment of the Tourism Development Authority, are designed to increase the use of lodging facilities, meeting facilities, or convention facilities in a town or to attract tourists or business travelers to the town. The term includes tourism-related capital expenditures.

SECTION 4.2. Boiling Springs Tourism Development Authority. – (a) Appointment and Membership. – When the Boiling Springs Town Council adopts a resolution levying a room occupancy tax under this act, it shall also adopt a resolution creating a town Tourism Development Authority, which shall be a public authority under the Local Government Budget and Fiscal Control Act. The resolution shall provide for the membership of the Authority, including the members' terms of office, and for the filling of vacancies on the Authority. At least one-third of the members must be individuals who are affiliated with businesses that collect the tax in the town, and at least one-half of the members must be individuals who are currently active in the promotion of travel and tourism in the town. The town council shall designate one member of the Authority as chair and shall determine the compensation, if any, to be paid to members of the Authority.

The Authority shall meet at the call of the chair and shall adopt rules of procedure to govern its meetings. The Finance Officer for Boiling Springs shall be the ex officio finance officer of the Authority.

SECTION 4.2.(b) Duties. – The Authority shall expend the net proceeds of the tax levied under this act for the purposes provided in this act. The Authority shall promote travel, tourism, and conventions in the town, sponsor tourist-related events and activities in the town, and finance tourist-related capital projects in the town.

SECTION 4.2.(c) Reports. – The Authority shall report quarterly and at the close of the fiscal year to the Boiling Springs Town Council on its receipts and expenditures for the preceding quarter and for the year in such detail as the town council may require.

PART V. UNIFORM PROVISIONS.

SECTION 5. G.S. 160A-215 reads as rewritten:

"(g) This section applies only to Beech Mountain District W, to the Cities of Eden, Gastonia, Goldsboro, Greensboro, High Point, Kings Mountain, Lexington, Lincolnton, Lumberton, Monroe, Mount Airy, Reidsville, Shelby, Statesville, Washington, and Wilmington, to the Towns of Beech Mountain, Blowing Rock, Boiling Springs, Carolina Beach, Carrboro, Franklin, Kure Beach, Jonesville, Mooresville, North Topsail Beach, Selma, Smithfield, St. Pauls, Wilkesboro, and Wrightsville Beach, and to the municipalities in Avery and Brunswick Counties."

PART VI. EFFECTIVE DATES.

SECTION 6. This act is effective when it becomes law.

A BILL TO BE ENTITLED

AN ACT TO AMEND THE DURHAM COUNTY OCCUPANCY TAX.

The General Assembly of North Carolina enacts:

SECTION 1. Section 7.(a) of S.L. 2001-480, as amended by Section 1 of S.L. 2002-36, reads as rewritten:

"**SECTION 7.(a)** If a plan for financing a Performing Arts Theater has not been approved by the Durham City Council and has been disapproved by the Durham County Commissioners within ~~42~~54 months after the levy of the one percent (1%) tax authorized under Section 6(c) of this act, the county's authority to levy the one percent (1%) tax described under Section 6(c) of this act and the levy of the one percent (1%) tax described in this subsection are repealed on the first day of the second month following the ~~42-month~~54-month period.

If construction on the Performing Arts Theater has not begun within ~~42~~54 months after the levy of the one percent (1%) tax authorized under Section 6(c) of this act, the county's authority to levy the one percent (1%) tax described in Section 6(c) of this act and the levy of the one percent (1%) tax described in Section 6(c) of this act are repealed on the first day of the second month following the ~~42-month~~54-month period.

It is the goal of the General Assembly that a plan for financing the Performing Arts Theater shall be adopted within ~~12~~54 months after the levy of the one percent (1%) tax authorized under Section 6(c) of this act, and construction of the Performing Arts Theater shall begin within ~~24~~54 months of the levy of the one percent (1%) tax described in Section 6(c) of this act.

Any funds collected but not spent before the repeal date shall be redistributed to the Durham Convention and Visitors Bureau to promote travel and tourism."

SECTION 2. Section 9(e) of S.L. 2001-480, as amended by Section 4 of S.L. 2002-36, reads as rewritten:

"**SECTION 9.(e)** Use of Proceeds From Additional One Percent (1%) Tax After First 24 Months. – The net proceeds of the tax collected under Section 6(c) of this act

after the first 24 months that the tax is levied shall be remitted monthly to the Durham Convention and Visitors Bureau as set out in Section 10 of this act. The Bureau shall use and distribute these net proceeds in the following priority order:

(1) To the City of Durham, the first one million four hundred thousand dollars ($1,400,000) collected annually to finance the debt service associated with the construction of the Performing Arts ~~Theater.~~Theater and for the design and engineering costs associated with the construction of the Theater. But no more than two million seven hundred fifty-two thousand dollars ($2,752,000) of those proceeds may be used for design and engineering costs associated with the construction of the Theater. Until those funds are distributed to the City of Durham for that purpose, they shall be held by the Durham Convention and Visitors Bureau in a capital reserve fund as provided by Part 2 of Article 3 of Chapter 159 of the General Statutes except they may be expended as provided by the last sentence of Section 7(a) of this act if the tax is repealed as provided by Section 7(a) of this act. Any interest earned by that fund shall be credited to the fund.

(2) Thirty-two years after the levy of the tax authorized under Section 6(c) of this act, instead of the allocation under subdivision (1) of this subsection, the first one million four hundred thousand dollars ($1,400,000) collected annually shall be used by the Bureau to promote travel and tourism or for tourism related expenditures.

(3) To Durham County, the next five hundred thousand dollars ($500,000) collected annually to be used for improvements to the Museum of Life and Science. This may include the financing of debt service. Any of these funds that are not needed for this purpose shall be returned to the Bureau and used to promote travel and tourism.

(4) The Bureau shall use any net proceeds in excess of that provided by subdivisions (1), (2), and (3) of this subsection to promote travel, tourism, and conventions in Durham County.

As used in this subsection, "annually" means the 12-month period beginning after the first 24 months that the tax authorized under Section 6(c) of this act is levied."

SECTION 3. This act is effective when it becomes law.

House Bill 945:
Omnibus Occupancy Taxes.

BILL ANALYSIS

Committee: Occupancy Tax Subcommittee
Date: May 19, 2005
Version: PCS H945-CSMB-11 v.6

Sponsors: Representatives Luebke, Miller, Michaux, and Wilkins
Analysis by: Ashley Huffstetler

SUMMARY: The PCS to House Bill 945 amends the Durham Occupancy Tax to extend the period of time allowed for the City to plan, approve and begin construction on a performing arts theater using proceeds from the final 1% occupancy tax. It also modifies the distribution of the proceeds of the Durham tax. In addition, the bill levies new occupancy taxes in the cities of Eden and Reidsville and the Town of Boiling Springs at a rate of 3%. All three taxes fully conform to the House finance committee's occupancy tax guidelines.

CURRENT LAW: Durham is the only jurisdiction of these four that currently levies an occupancy tax. Durham County has the authority to levy a three percent (3%), two percent (2%), and one percent (1%) occupancy tax, for a total of six percent (6%). Durham County and the City of Durham share the proceeds of part of the tax. The continued authorization of the final one percent (1%) occupancy tax is conditioned upon the development of a plan for paying for and constructing a performing arts theater. The legislation requires that the Durham City Council develop a plan for financing the theater within 42 months of Durham County voting to levy the one percent (1%) tax. Additionally, construction of the theater must have begun within 42 months of the levy of the one percent (1%) tax. Once the tax has been levied for 24 months, the first one million four hundred thousand dollars ($1,400,000) of the net proceeds must be used to finance the debt associated with the construction of the performing arts theater. If the financing is not established and construction has not begun within 42 months of the levy of the tax, the authority to levy the one percent (1%) tax is repealed.

BACKGROUND: In 1997, the General Assembly enacted uniform municipal and county administrative provisions for occupancy tax legislation – G.S. 153A-155 and G.S. 160A-215. These provisions provide uniformity in the areas of levy, administration, collection, repeal, and penalties. Also, the North Carolina Travel and Tourism Coalition has a policy statement for legislation authorizing local occupancy taxes. Many of the principles contained in its statement are similar to the ones established by a House Finance Subcommittee on Occupancy Taxes in 1993.

The current version of the Durham County occupancy tax legislation was created in 2001 and revised in 2002. The city and county split the proceeds of the first three percent (3%) of the tax and may use the money for any purpose authorized by law. The second two percent (2%) of the tax is distributed to the Convention and Visitors Bureau, which acts as a Tourism Development Authority. The composition of this board complies with House guidelines. The final one percent (1%) tax is distributed in several different ways during the initial 24 months of the levy of the tax. After the initial 24 months, the proceeds from the one percent (1%) tax may be used to finance the debt associated with building a performing arts center, to improve the Museum of Life and Science, and to promote travel and tourism. This allocation does not comply with House guidelines, but was reached by consensus during the 2001 session.

The cities of Eden and Reidsville are located in Rockingham County. Neither city currently levies an occupancy tax, but Rockingham County does levy a 3% tax.

The Town of Boiling Springs is located in Cleveland County. It does not currently levy an occupancy tax, but Cleveland County does levy a 3% tax.

BILL ANALYSIS: The PCS for House Bill 945 amends the Durham Occupancy Tax by allowing Durham more time to plan for and construct the performing arts theater. It gives the City 54 months (4 ½ years) to plan and begin construction upon the performing arts theater, and the one percent (1%) tax will not automatically be repealed until that time. Also, the bill modifies how the proceeds of the tax are to be used after the tax has been levied for 24 months. The Visitor's Bureau must continue to distribute the money to the City of Durham to finance the debt associated with the performing arts theater, and must also distribute money to pay for the design and engineering costs associated with building the theater. The bill caps the amount at two million seven hundred fifty–two thousand dollars ($2,752,000) that may be used for design and engineering costs.

The PCS also authorizes the enactment of local occupancy taxes in the cities of Eden and Reidsville and the Town of Boiling Springs at a rate of 3%. The proceeds must be remitted to a Tourism Development Authority (TDA), which must use two-thirds of the proceeds to promote travel and tourism and one-third for tourism-related expenditures. These administrative and use provisions conform to the uniform guidelines referenced above and detailed in the chart below:

UNIFORM OCCUPANCY TAX PROVISIONS
Rate – The county tax rate cannot exceed 6%, and the city tax rate, when combined with the county rate, cannot exceed 6%.
Use – Two-thirds of the proceeds must be used to promote travel and tourism, and the remainder must be used for tourism-related expenditures.
Definitions – The terms "net proceeds," "promote travel and tourism," and "tourism related expenditures" are defined terms.
Administration – The net revenues must be administered by a local tourism development authority (TDA), which determines how the tax proceeds will be used and is created by a local ordinance. At least ½ of the members must be currently active in the promotion of travel and tourism in the city or county, and 1/3 of the members must be affiliated with organizations that collect the tax.
Costs of Collection – The taxing authority may retain from the revenues its actual costs of collection, not to exceed 3% of the first $500,000 collected each year plus 1% of the remainder collected each year.

BILL SUMMARY:

The PCS to House Bill 945 amends the Durham Occupancy Tax to extend the period of time allowed for the City to plan, approve and begin construction on a performing arts theater using proceeds from the final 1% occupancy tax. It also modifies the distribution of the proceeds of the Durham tax. In addition, the bill levies new occupancy taxes in the cities of Eden and Reidsville and the Town of Boiling Springs at a rate of 3%. All three taxes fully conform to the House Finance Committee's occupancy tax guidelines.

ASSUMPTIONS AND METHODOLOGY:

Durham

Because the bill does not affect the occupancy tax rate and only makes changes related to the time allowed for planning and construction of the performing arts center and the use of the proceeds, this portion of the bill does not have a fiscal impact.

Reidsville

According to the City of Reidsville, there are 6 motels in the city limits. Assuming an average of 30 rooms in each, an average room rate of $45 per night and a 60% rate of room occupancy, FRD estimates the 3% occupancy tax would generate $53,217 per year. Because no historic data is available, the General Consumer Price Index estimated rate of increase is used to estimate future growth in occupancy tax receipts. No development of additional motels or other accommodations is assumed in the estimates of subsequent year revenues.

Eden

According to the City of Eden, there are 5 motels in the city limits. Assuming an average of 30 rooms in each, an average room rate of $45 per night and a 60% rate of room occupancy, FRD estimates the 3% occupancy tax would generate $44,348 per year. Because no historic data is available, the General Consumer Price Index estimated rate of increase is used to estimate future growth in occupancy tax receipts. No development of additional motels or other accommodations is assumed in the estimates of subsequent year revenues.

Town of Boiling Springs

According to the Town of Boiling Springs, there is 1 motel in the city limits with approximately 50 rooms. Assuming an average room rate of $45 per night and a 60% rate of room occupancy, FRD estimates the 3% occupancy tax would generate $14,783 per year. Because no historic data is available, the General Consumer Price Index estimated rate of increase is used to estimate future growth in occupancy tax receipts. No development of additional motels or other accommodations is assumed in the estimates of subsequent year revenues.

A BILL TO BE ENTITLED

AN ACT TO ENABLE THE CREATION OF A MACON-JACKSON REGIONAL AIRPORT AUTHORITY.

The General Assembly of North Carolina enacts:

SECTION 1. There is hereby created the "Macon-Jackson Regional Airport Authority" (for brevity hereinafter referred to as the "Airport Authority"), which shall be a body both corporate and politic, having the powers and jurisdiction hereinafter enumerated and such other and additional powers as shall be conferred upon it by general law and future acts of the General Assembly.

SECTION 2. The Airport Authority shall consist of not less than five and not more than nine members. The exact provisions relating to the appointment, terms, succession, removal, and vacancies of members, and other similar matters shall be jointly determined and adopted by a resolution of the board of county commissioners of each county.

Each member shall take and subscribe before the Clerk of Court of Macon County or the Clerk of Court of Jackson County, depending on the member's residence, an oath of office and file that oath with the board of county commissioners of both counties. Membership on the Airport Authority and the Macon County Board of Commissioners or the Jackson County Board of Commissioners shall not constitute dual office holding within the meaning of Section 9 of Article VI of the North Carolina Constitution.

SECTION 3. The Airport Authority may adopt suitable bylaws for its management. The members of the Airport Authority may receive compensation, per diem, or otherwise as the Macon County Board of Commissioners and the Jackson County Board of Commissioners from time to time jointly determine. Members shall be allowed and paid their actual expenses incurred in transacting the business and at the instance of the Airport Authority. Members of the Airport Authority shall not be personally liable for their acts as members of the Airport Authority, except for acts resulting from misfeasance or malfeasance.

SECTION 4(a). The Airport Authority shall constitute a body, both corporate and politic, and shall have the following powers and authority:

(1) To purchase, acquire, establish, construct, own, control, lease, equip, improve, maintain, operate, and regulate airports and landing fields for the use of airplanes and other aircraft within the limits of the counties and for this purpose to purchase, improve, own, hold, lease, or operate real or personal property. The Airport Authority may exercise these powers alone or in conjunction with the counties of Macon and Jackson.

(2) To sue and be sued in the name of the Airport Authority, to make contracts and hold any personal property necessary for the exercise of the powers of the Airport Authority, and acquire by purchase, lease, or otherwise any existing lease, leasehold right, or other interest in any existing airport located in the county.

(3) To charge and collect reasonable and adequate fees and rents for the use of airport property or for services rendered in the operation of the airport.

(4) To make all reasonable rules and regulations it deems necessary for the proper maintenance, use, operation, and control of the airport, including public safety, and provide penalties for the violation of these rules and regulations; provided, the rules and regulations and schedules of fees not be in conflict with the laws of North Carolina and the regulations of the Federal Aviation Administration. The Airport Authority may administer and enforce any airport zoning regulations adopted by the counties of Macon or Jackson depending on the location of the airport.

(5) To issue bonds pursuant to Article 5 of Chapter 159 of the General Statutes.

(6) To sell, lease, or otherwise dispose of any property, real or personal, belonging to the Airport Authority, according to the procedures described in Article 12 of Chapter 160A of the General Statutes, but no sale of real property shall be made without the approval of the board of commissioners of the county in which the real property is located.

(7) To purchase any insurance that the Federal Aviation Administration or the Airport Authority shall deem necessary. The Airport Authority shall be responsible for any and all insurance claims or liabilities.

(8) To deposit or invest and reinvest any of its funds as provided by the Local Government Finance Act, as it may be amended from time to time, for the deposit or investment of unit funds.

(9) To purchase any of its outstanding bonds or notes.

(10) To operate, own, lease, control, regulate, or grant to others, for a period not to exceed 20 years, the right to operate on any airport premises restaurants, snack bars, vending machines, food and beverage dispensing outlets, rental car services, catering services, novelty shops,

insurance sales, advertising media, merchandising outlets, motels, hotels, barbershops, automobile parking and storage facilities, automobile service establishments, and all other types of facilities as may be directly or indirectly related to the maintenance and furnishing to the general public of a complete air terminal installation.

(11) To contract with persons, firms, or corporations for terms not to exceed 20 years, for the operation of airline-scheduled passenger and freight flights, nonscheduled flights, and any other airplane activities not inconsistent with the grant agreements under which the airport property is held.

(12) To erect and construct buildings, hangars, shops, and other improvements and facilities, not inconsistent with or in violation of the agreements applicable to and the grants under which the real property of the airport is held; to lease these improvements and facilities for a term or terms not to exceed 20 years; to borrow money for use in making and paying for these improvements and facilities, secured by and on the credit only of the lease agreements in respect to these improvements and facilities, and to pledge and assign the leases and lease agreements as security for the authorized loans.

(13) Subject to the limitations set out in this act, to have all the same power and authority granted to cities and counties pursuant to Chapter 63 of the General Statutes, Aeronautics.

(14) To have a corporate seal, which may be altered at will.

SECTION 4(b). The Airport Authority shall possess the same exemptions in respect to payment of taxes and license fees and be eligible for sales and use tax refunds to the same extent as provided for municipal corporations by the laws of the State of North Carolina.

SECTION 5. The Airport Authority may acquire from the counties by agreement with the counties, and the counties may grant and convey, either by gift or for such consideration as the county may deem wise, any real or personal property which it now owns or may hereafter acquire, including nontax monies, and which may be necessary for the construction, operation, and maintenance of any airport located in the counties.

SECTION 6. Any lands acquired, owned, controlled, or occupied by the Airport Authority shall be, and are declared to be, acquired, owned, controlled, and occupied for a public purpose.

SECTION 7. Private property needed by the Airport Authority for any airport, landing field, or as facilities of an airport or landing field, may be acquired by gift or devise, or may be acquired by private purchase or by the exercise of eminent domain pursuant to Chapter 40A of the General Statutes, as a local public condemnor, including the provisions of G.S. 40A-42. If property acquired by gift, devise, purchase, or condemnation has a burial ground or graveyard, then it shall be lawful for the Airport Authority, after 30 days' notice to the surviving spouse or next of kin of the deceased buried there or the person in control of the graves, if they are known, to remove the

interred body and reinter the body in another cemetery in Macon County or Jackson County. If no surviving spouse or next of kin or person in control can be found, then the Airport Authority may advertise for four consecutive weeks in a newspaper published in Macon County and Jackson County of the intended removal of the graves. The removal shall then be conducted under the supervision of the Clerk of the Superior Court of Macon County or the Clerk of the Superior Court of Jackson County or his or her representative. The expense of the removal shall be borne by the Airport Authority.

SECTION 8. The Airport Authority shall make an annual report to the Macon County Board of Commissioners and the Jackson County Board of Commissioners setting forth in detail the operations and transactions conducted by it pursuant to this act. The Airport Authority shall not have the power to pledge the credit of Macon County or Jackson County, or any subdivision thereof, or to impose any obligation on Macon County or Jackson County, or any of its subdivisions, except when that power is expressly granted by statute.

SECTION 9. Subject to the limitations as set out in this act, all rights and powers given and granted to counties or municipalities by general law, which may now be in effect, or enacted in the future, relating to the development, regulation, and control of municipal airports and the regulation of aircraft are now concurrently vested in the Airport Authority. The Macon County Board of Commissioners and the Jackson County Board of Commissioners may delegate its powers under these acts to the Airport Authority, and the Airport Authority shall have concurrent rights with Macon County and Jackson County to control, regulate, and provide for the development of aviation in Macon County or Jackson County.

SECTION 10. The Airport Authority may contract with and accept grants from the Federal Aviation Administration, the State of North Carolina, or any of the agencies or representatives of either of said governmental bodies relating to the purchase of land and air easements and to the grading, constructing, equipping, improving, maintaining, or operating of an airport or its facilities or both.

SECTION 11. The Airport Authority may employ or contract with any agents, engineers, attorneys, and other persons whose services may be deemed by the Airport Authority to be necessary and useful in carrying out the provisions of Sections 1 through 10 of this act.

SECTION 12. The Macon County Board of Commissioners and the Jackson County Board of Commissioners may appropriate funds derived from any source including ad valorem taxes to carry out the provisions of this act in any proportion or upon any basis as may be determined by the Macon County Board of Commissioners or the Jackson County Board of Commissioners. The Macon County Board of Commissioners and the Jackson County Board of Commissioners may provide county services to the Airport Authority upon any basis as may be determined by the Macon County Board of Commissioners or the Jackson County Board of Commissioners.

SECTION 13. The Airport Authority may expend the funds that are appropriated by the county for joint airport purposes and may pledge the credit of the Airport Authority to the extent of the appropriated funds.

SECTION 14. The Airport Authority shall elect from among its members a chair and other officers at its initial meeting and then biennially thereafter. Officers shall be eligible to succeed themselves in office and to serve consecutive terms at the will of the members of the Airport Authority. A majority of the Airport Authority shall control its decisions. Each member of the Airport Authority, including the chair, shall have one vote. The Airport Authority shall meet at the places and times designated by the chair.

SECTION 15. If an airport established pursuant to this act ceases to be operated by the Airport Authority, or if any property acquired pursuant to this act for airport purposes is abandoned, then the title to that real or personal property, or rights under any existing lease, shall revert to and vest in the county in which the property is located; and on the sale of that property, the proceeds shall vest in the county in which the property is located.

SECTION 16. The powers granted to the Airport Authority shall not be effective until the members of the Airport Authority have been appointed by the Macon County Board of Commissioners and the Jackson County Board of Commissioners, acting jointly, and nothing in this act shall require either board of commissioners to make the initial appointments. It is the intent of this act to enable but not to require the formation of the Macon-Jackson Regional Airport Authority.

SECTION 17. Upon the creation of the Macon-Jackson Regional Airport Authority, either county may elect to dissolve its current county Airport Authority. The dissolution may be effectuated by a resolution of the board of county commissioners following a public hearing held on the matter, or by a resolution of the board of county commissioners ratifying a favorable binding referendum on the question of the dissolution. The referendum on the dissolution may be held at the same time as any other state or county primary, election, special election, or referendum.

SECTION 18. No fixed wing or rotary wing flights may originate or terminate in Macon County or Jackson County unless they originate or terminate from an airport approved by the Federal Aviation Authority and operated pursuant to Chapter 63 of the General Statutes.

SECTION 19. If any one or more sections, clauses, sentences, or parts of this act shall be adjudged invalid, such judgment shall not affect, impair, or invalidate the remaining provisions thereof, but shall be confined in its operation to the specific provisions held invalid, and the inapplicability or invalidity of any section, clause, sentence, or part of this act in one or more instances or circumstances shall not be taken to affect or prejudice in any way its applicability or validity in any other instance.

SECTION 20. Sections 1 through 17 of this act shall expire on January 1, 2007, if the Macon County Board of County Commissioners and the Jackson County Board of County Commissioners have not appointed members of the Macon-Jackson Regional Airport Authority prior to that date.

SECTION 21. This act is effective when it becomes law.

A BILL TO BE ENTITLED

AN ACT TO CONSOLIDATE THE EXISTING MACON COUNTY AIRPORT AUTHORITY AND THE EXISTING JACKSON COUNTY AIRPORT AUTHORITY TO CREATE A NEW MACON-JACKSON REGIONAL AIRPORT AUTHORITY.

The General Assembly of North Carolina enacts:

SECTION 1. S.L. 1999-238 reads as rewritten:

"Section 1. There is hereby created the ~~"Macon County~~"Macon-Jackson Regional Airport Authority" (for brevity hereinafter referred to as the "Airport Authority"), which shall be a body both corporate and politic, having the powers and jurisdiction hereinafter enumerated and such other and additional powers as shall be conferred upon it by general law and future acts of the General Assembly.

Section 2. The Airport Authority shall consist of five members, who shall be residents of Macon County or Jackson County and who shall be appointed to staggered terms of six years by agreement of the Macon County Board of Commissioners and the Jackson County Board of Commissioners. Members may succeed themselves in office and serve more than one term. Two initial appointments to the Airport Authority shall be for two years, two initial appointments to the Airport Authority shall be for four years, and the remaining initial appointment to the Airport Authority shall be for six years.

When vacancies occur in the membership of the Airport Authority, for any reason, the remaining members of the Airport Authority shall submit a list of two or more candidates to the Macon County Board of Commissioners and the Jackson County Board of Commissioners. The ~~Board~~ Boards of Commissioners shall either jointly select one from that list to fill the unexpired term of the vacant office or shall request that the Airport Authority submit additional candidates. The Airport Authority shall submit additional candidates upon request until the ~~Board~~ Boards of Commissioners ~~selects~~ select a member from the candidates submitted.

Each member shall take and subscribe before the Clerk of Superior Court of Macon County or the Clerk of the Superior Court of Jackson County, depending on the member's residence, an oath of office and file the same with the Macon County Board of Commissioners. Membership on the Macon County Board of Commissioners or the Jackson County Board of Commissioners and the Airport Authority shall not constitute double office holding within the meaning of Article VI, Section 9, of the Constitution of North Carolina.

Section 3. The Airport Authority may adopt suitable bylaws for its management. The members of the Airport Authority may receive compensation, per diem, or otherwise as the Macon County Board of Commissioners and the Jackson County Board of Commissioners from time to time ~~determines.~~jointly determine. Members shall be allowed and paid their actual expenses incurred in transacting the business and at the instance of the Airport Authority. Members of the Airport Authority shall not be personally liable for their acts as members of the Airport Authority, except for acts resulting from misfeasance or malfeasance.

Section 4.(a) The Airport Authority shall constitute a body, both corporate and politic, and shall have the following powers and authority:

(1) To purchase, acquire, establish, construct, own, control, lease, equip, improve, maintain, operate, and regulate airports and landing fields for the use of airplanes and other aircraft within the limits of the county and for this purpose to purchase, improve, own, hold, lease, or operate real or personal property. The Airport Authority may exercise these powers alone or in conjunction with the ~~County~~ counties of ~~Macon.~~Macon and Jackson.

(2) To sue and be sued in the name of the Airport Authority, to make contracts and hold any personal property necessary for the exercise of the powers of the Airport Authority, and acquire by purchase, lease, or otherwise any existing lease, leasehold right, or other interest in any existing airport located in the county.

(3) To charge and collect reasonable and adequate fees and rents for the use of airport property or for services rendered in the operation of the airport.

(4) To make all reasonable rules and regulations it deems necessary for the proper maintenance, use, operation, and control of the airport, including public safety, and provide penalties for the violation of these rules and regulations; provided, the rules and regulations and schedules of fees not be in conflict with the laws of North Carolina and the regulations of the Federal Aviation Administration. The Airport Authority may administer and enforce any airport zoning regulations adopted by the ~~County~~ counties of ~~Macon.~~Macon or Jackson depending on the location of the airport.

(5) To issue bonds pursuant to Article 5 of Chapter 159 of the General Statutes.

(6) To sell, lease, or otherwise dispose of any property, real or personal, belonging to the Airport Authority, according to the procedures described in Article 12 of Chapter 160A of the General Statutes, but no sale of real property shall be made without the approval of the ~~Macon County~~ Board of ~~Commissioners.~~Commissioners of the county in which the real property is located.

(7) To purchase any insurance that the Federal Aviation Administration or the Airport Authority shall deem necessary. The Airport Authority shall be responsible for any and all insurance claims or liabilities.

(8) To deposit or invest and reinvest any of its funds as provided by the Local Government Finance Act, as it may be amended from time to time, for the deposit or investment of unit funds.

(9) To purchase any of its outstanding bonds or notes.

(10) To operate, own, lease, control, regulate, or grant to others, for a period not to exceed 20 years, the right to operate on any airport premises restaurants, snack bars, vending machines, food and beverage dispensing outlets, rental car services, catering services, novelty shops, insurance sales, advertising media, merchandising outlets, motels, hotels, barbershops, automobile parking and storage facilities, automobile service establishments, and all other types of facilities as may be directly or indirectly related to the maintenance and furnishing to the general public of a complete air terminal installation.

(11) To contract with persons, firms, or corporations for terms not to exceed 20 years, for the operation of airline-scheduled passenger and freight flights, nonscheduled flights, and any other airplane activities not inconsistent with the grant agreements under which the airport property is held.

(12) To erect and construct buildings, hangars, shops, and other improvements and facilities, not inconsistent with or in violation of the agreements applicable to and the grants under which the real property of the airport is held; to lease these improvements and facilities for a term or terms not to exceed 20 years; to borrow money for use in making and paying for these improvements and facilities, secured by and on the credit only of the lease agreements in respect to these improvements and facilities, and to pledge and assign the leases and lease agreements as security for the authorized loans.

(13) Subject to the limitations set out in this act, to have all the same power and authority granted to cities and counties pursuant to Chapter 63 of the General Statutes, Aeronautics.

(14) To have a corporate seal, which may be altered at will.

Section 4.(b) The Airport Authority shall possess the same exemptions in respect to payment of taxes and license fees and be eligible for sales and use tax refunds to the same extent as provided for municipal corporations by the laws of the State of North Carolina.

Section 5. The Airport Authority may acquire from the ~~county,~~ counties by agreement with the ~~county,~~counties, and the ~~county~~ counties may grant and convey, either by gift or for such consideration as the county may deem wise, any real or personal property which it now owns or may hereafter acquire, including nontax monies, and which may be necessary for the construction, operation, and maintenance of any airport located in the ~~county.~~counties.

Section 6. Any lands acquired, owned, controlled, or occupied by the Airport Authority shall be, and are declared to be, acquired, owned, controlled, and occupied for a public purpose.

Section 7. Private property needed by the Airport Authority for any airport, landing field, or as facilities of an airport or landing field, may be acquired by gift or devise, or may be acquired by private purchase or by the exercise of eminent domain pursuant to Chapter 40A of the General Statutes, as a local public condemnor, including the provisions of G.S. 40A-42. If property acquired by gift, devise, purchase, or condemnation has a burial ground or graveyard, then it shall be lawful for the Airport Authority, after 30 days' notice to the surviving spouse or next of kin of the deceased buried there or the person in control of the graves, if they are known, to remove the interred body and reinter the body in another cemetery in Macon County or Jackson County. If no surviving spouse or next of kin or person in control can be found, then the Airport Authority may advertise for four consecutive weeks in a newspaper published in Macon County and Jackson County of the intended removal of the graves. The removal shall then be conducted under the supervision of the Clerk of the Superior Court of Macon County or the Clerk of the Superior Court of Jackson County or his or her representative. The expense of the removal shall be borne by the Airport Authority.

Section 8. The Airport Authority shall make an annual report to the Macon County Board of Commissioners and the Jackson County Board of Commissioners setting forth in detail the operations and transactions conducted by it pursuant to this act. The Airport Authority shall not have the power to pledge the credit of Macon County or Jackson County, or any subdivision thereof, or to impose any obligation on Macon County or Jackson County, or any of its subdivisions, except when that power is expressly granted by statute.

Section 9. Subject to the limitations as set out in this act, all rights and powers given and granted to counties or municipalities by general law, which may now be in effect, or enacted in the future, relating to the development, regulation, and control of municipal airports and the regulation of aircraft are now concurrently vested in the Airport Authority. The Macon County Board of Commissioners and the Jackson County Board of Commissioners may delegate its powers under these acts to the Airport Authority, and the Airport Authority shall have concurrent rights with Macon County and Jackson County to control, regulate, and provide for the development of aviation in Macon County or Jackson County.

Section 10. The Airport Authority may contract with and accept grants from the Federal Aviation Administration, the State of North Carolina, or any of the agencies or representatives of either of said governmental bodies relating to the purchase of land

and air easements and to the grading, constructing, equipping, improving, maintaining, or operating of an airport or its facilities or both.

Section 11. The Airport Authority may employ or contract with any agents, engineers, attorneys, and other persons whose services may be deemed by the Airport Authority to be necessary and useful in carrying out the provisions of Sections 1 through 10 of this act.

Section 12. The Macon County Board of Commissioners and the Jackson County Board of Commissioners may appropriate funds derived from any source including ad valorem taxes to carry out the provisions of this act in any proportion or upon any basis as may be determined by the Macon County Board of Commissioners or the Jackson County Board of Commissioners. The Macon County Board of Commissioners and the Jackson County Board of Commissioners may provide county services to the Airport Authority upon any basis as may be determined by the Macon County Board of Commissioners or the Jackson County Board of Commissioners.

Section 13. The Airport Authority may expend the funds that are appropriated by the county for joint airport purposes and may pledge the credit of the Airport Authority to the extent of the appropriated funds.

Section 14. The Airport Authority shall elect from among its members a chair and other officers at its initial meeting and then biennially thereafter. Officers shall be eligible to succeed themselves in office and to serve consecutive terms at the will of the members of the Airport Authority. A majority of the Airport Authority shall control its decisions. Each member of the Airport Authority, including the chair, shall have one vote. The Airport Authority shall meet at the places and times designated by the chair.

Section 15. If an airport established pursuant to this act ceases to be operated by the Airport Authority, or if any property acquired pursuant to this act for airport purposes is abandoned, then the title to that real or personal property, or rights under any existing lease, shall revert to and vest in the County of Macon and on the sale of that property, the proceeds shall vest totally in the County of Macon.

Section 16. The powers granted to the Airport Authority shall not be effective until the members of the Airport Authority have been appointed by the Macon County Board of Commissioners and the Jackson County Board of Commissioners, acting jointly, and nothing in this act shall require ~~the~~ either Board of Commissioners to make the initial appointments. It is the intent of this act to enable but not to require the formation of the ~~Macon County~~ Macon-Jackson Regional Airport Authority. Upon appointment of the members of the Macon-Jackson Regional Airport Authority, the Macon County Airport Authority and the Jackson County Airport Authority, if in existence, are dissolved.

Section 17. If any one or more sections, clauses, sentences, or parts of this act shall be adjudged invalid, such judgment shall not affect, impair, or invalidate the remaining provisions thereof, but shall be confined in its operation to the specific provisions held invalid, and the inapplicability or invalidity of any section, clause, sentence, or part of this act in one or more instances or circumstances shall not be taken to affect or prejudice in any way its applicability or validity in any other instance.

Section 18. Chapter 955 of the 1989 Session Laws, except for Section 10 is repealed.

Section 19. This act is effective when it becomes law."

SECTION 2. This act is effective when it becomes law.

HOUSE BILL 1051:
Macon-Jackson Regional Airport Authority

BILL ANALYSIS

Version:	1st Edition		Committee Counsel

SUMMARY: House Bill 1051 is a local bill that authorizes the formation of the Macon-Jackson Regional Airport Authority if the Boards of County Commissioners of Macon and Jackson Counties decide to appoint members to the proposed Airport Authority. The original version of House Bill 1051 would have consolidated the existing Macon County Airport Authority and the existing Jackson County Airport Authority to create a new Macon-Jackson Regional Airport Authority.

BILL ANALYSIS: In 1997, the General Assembly enacted legislation enabling the Jackson County Board of Commissioners to establish the Jackson County Airport Authority. In 1989, the General Assembly enacted legislation enabling the Macon County Board of Commissioners to establish the Macon County Airport Authority and allowing the Rutherford Airport Authority to lease land to the State for a period not to exceed 30 years. In 1999, the General Assembly repealed the 1989 legislation, except for the language affecting the Rutherford Airport Authority and enacted legislation authorizing the establishment of the Macon County Airport Authority. The 1999 legislation changed the number of members of the Authority, and added to the powers of the Authority.

House Bill 1051 would authorize the Boards of County Commissioners of Macon and Jackson Counties to form the Macon-Jackson Regional Airport Authority possessing the same powers that the separate county airport authorities currently have. Upon creation of the proposed Authority, each County's Board of County Commissioners may elect to dissolve its existing county airport authority. The Bill would also prohibit fixed wing or rotary wing flights from originating or terminating in Macon or Jackson County unless the flights originate or terminate from an airport approved by the Federal Aviation Authority and operated under Chapter 63 (Aeronautics) of the General Statutes.

House Bill 1051 provides that the authorization to create the Macon-Jackson Regional Airport Authority will expire January 1, 2007, if the Macon and Jackson County Boards of Commissioners have not appointed members of the new Authority by that date.

BACKGROUND: On March and April of 2005, the Jackson County Board of Commissioners and Macon County Board of Commissioners adopted resolutions requesting the General Assembly to enact legislation enabling the creation of the Macon-Jackson Regional Airport Authority. According to the resolutions, the Jackson County Airport has a runway length of only 3003 feet and the topography limits further expansion of the Jackson County Airport or extension of the runway. The Macon County Airport has a runway length of 4400 feet, and

there are plans to extend the runway to accommodate larger business-class jet aircraft. The Macon County Airport is only 30 miles from the Jackson County Airport and is an alternate local airport for Jackson County. The availability of the longer runway enhances the business climate in both counties and the entire southwestern mountain region, and a shared commitment of local resources will promote efficiency by eliminating the duplication of airport services and enhancing the overall level of airport services available to the southwestern mountain region.

HOUSE BILL 1084

Committee Substitute Favorable 4/21/05

Short Title: Expunge Nonviolent Felonies/Young Offenders. (Public)

A BILL TO BE ENTITLED

AN ACT TO PROVIDE THAT A YOUTHFUL OFFENDER'S CRIMINAL RECORD MAY BE EXPUNGED OF NONVIOLENT FELONIES.

The General Assembly of North Carolina enacts:

SECTION 1. Article 5 of Chapter 15A of the General Statutes is amended by adding a new section to read:

"**§ 15A-149. Expunction of records for first offenders who are under 18 years of age at the time of the commission of a nonviolent felony.**

(a) For purposes of this section, the term "nonviolent felony" means any felony except the following:

(1) A Class A through E felony.

(2) A felony that includes assault as an essential element of the offense; and

(3) A felony that is an offense for which the convicted offender must register under Article 27A of Chapter 14 of the General Statutes.

(b) Notwithstanding any other provision of law, if a person is convicted of more than one nonviolent felony in the same session of court, then the multiple nonviolent felony convictions shall be treated as one nonviolent felony conviction under this section, and the expunction order issued under this section shall provide that the multiple convictions shall be expunged from the person's record in accordance with this section.

(c) Whenever any person who had not yet attained the age of 18 years at the time of the offense and has not previously been convicted of any felony or misdemeanor other than a traffic violation under the laws of the United States, the laws of this State, or any other state pleads guilty to or is guilty of a nonviolent felony, the person may file a petition in the court where the person was convicted for expunction of the nonviolent felony from the person's criminal record. The petition cannot be filed earlier than two years after the date of the conviction or when any active sentence, period of probation, and post-release supervision has been served, whichever occurs later. The person shall

also perform at least 100 hours of community service, preferably related to the conviction, before filing a petition for expunction under this section. The petition shall contain, but not be limited to, the following:

(1) An affidavit by the petitioner that he has been of good behavior for the two-year period since the date of conviction of the nonviolent felony in question and has not been convicted of any felony or misdemeanor other than a traffic violation under the laws of the United States or the laws of this State or any other state.

(2) Verified affidavits of two persons who are not related to the petitioner or to each other by blood or marriage that they know the character and reputation of the petitioner in the community in which he or she lives and that the petitioner's character and reputation are good.

(3) A statement that the petition is a motion in the cause in the case wherein the petitioner was convicted.

(4) An application on a form approved by the Administrative Office of the Courts requesting and authorizing a State and national criminal record check by the Department of Justice using any information required by the Administrative Office of the Courts to identify the individual and a search of the confidential record of expungements maintained by the Administrative Office of the Courts. The application shall be forwarded to the Department of Justice and to the Administrative Office of the Courts to conduct the searches and report the findings to the court.

(5) An affidavit by the petitioner that no restitution orders or civil judgments representing amounts ordered for restitution entered against him or her are outstanding.

(6) An affidavit by the petitioner that the petitioner has performed at least 100 hours of community service since the conviction for the nonviolent felony. The affidavit shall include a list of the community services performed, a list of the recipients of the services, and a detailed description of those services.

The petition shall be served upon the district attorney of the court wherein the case was tried resulting in conviction. The district attorney shall have 10 days thereafter in which to file any objection thereto and shall be duly notified as to the date of the hearing of the petition.

The judge to whom the petition is presented is authorized to call upon a probation officer for any additional investigation or verification of the petitioner's conduct during the two-year period that the judge deems desirable.

(d) If the court, after a hearing, finds that the petitioner has remained of good behavior and has been free of conviction of any felony or misdemeanor, other than a traffic violation, for two years from the date of conviction of the nonviolent felony in question or any active sentence, period of probation or post-release supervision has been served, whichever is later, the petitioner has no outstanding restitution orders or civil judgments representing amounts ordered for restitution entered against him or her, the

petitioner was less than 18 years old at the time of the commission of the offense in question, and the petitioner has performed at least 100 hours of community service since the time of the conviction, then the court shall order that the person be restored, in the contemplation of the law, to the status the person occupied before such arrest or indictment or information. No person as to whom such order has been entered shall be held thereafter under any provision of any laws to be guilty of perjury or otherwise giving a false statement by reason of his or her failure to recite or acknowledge such arrest, or indictment, information, or trial, or response to any inquiry made of the person for any purpose.

(e) The court shall also order that the nonviolent felony conviction be expunged from the records of the court and direct all law enforcement agencies bearing record of the same to expunge their records of the conviction. The clerk shall forward a certified copy of the order to the sheriff, chief of police, or other arresting agency. The sheriff, chief, or head of any other arresting agency shall then transmit the copy of the order with a form supplied by the State Bureau of Investigation to the State Bureau of Investigation, and the State Bureau of Investigation shall forward the order to the Federal Bureau of Investigation.

(f) Any other applicable State or local government agency shall expunge from its records entries made as a result of the conviction ordered expunged under this section. The agency shall also reverse any administrative actions taken against a person whose record is expunged under this section as a result of the charges or convictions expunged.

(g) The clerk of superior court in each county in North Carolina shall, as soon as practicable after each term of court in the clerk's county, file with the Administrative Office of the Courts the names of those persons granted a discharge under the provisions of this section, and the Administrative Office of the Courts shall maintain a confidential file containing the names of persons granted conditional discharges. The information contained in the file shall be disclosed only to judges of the General Court of Justice of North Carolina for the purpose of ascertaining whether any person charged with an offense has been previously granted a discharge.

(h) Any person eligible for expunction of a criminal record under this section shall be notified about the provisions of this section by the probation officer assigned to that person. If no probation officer is assigned, notification of the provisions of this section shall be provided by the court at the time of the conviction of the felony which is to be expunged under this section.

(i) A person who files a petition for expunction of a criminal record under this section must pay the clerk of superior court a fee of one hundred dollars ($100.00) at the time the petition is filed. Fees collected under this subsection shall be deposited in the General Fund. This subsection does not apply to petitions filed by an indigent."

SECTION 2. This act becomes effective December 1, 2005.

Expunge Nonviolent Felonies/Young Offenders

BILL ANALYSIS

SUMMARY: ***House Bill 1084 allows for the expunction of criminal records for offenders who are under the age of 18 at the time of commission of a nonviolent felony. The petitioner must wait two years after the conviction or any period of probation, or time served for an active sentence, period of probation or post-supervised release (whichever is later), perform 100 hours of community service, commit no prior or subsequent felony or non-traffic misdemeanor offenses, and present affidavits attesting to his or her character in order to receive an expunction. The PCS made several substantive changes to the original bill and increased the expunction fee from $65 to $100.***

CURRENT LAW: Article 5 of the Criminal Procedure Act allows for the expunction of criminal records of certain cases. Expunction is the process by which a record of criminal conviction is removed by order of the court, and an individual is restored to the status he or she occupied before the arrest or indictment. General Statute 15A-145 allows a person convicted of a *misdemeanor* to file a petition for expunction if the person was under 18 at the time of a conviction or, in the case of a misdemeanor alcohol possession charge, the person was under 21 at the time of conviction. The petition may not be filed sooner than two years after the conviction or completion of probation and must include the following [1]:

1) an affidavit of good behavior for the two years following conviction, stating that the petitioner has not been convicted of any felony or non-traffic misdemeanor charge;

2) two affidavits of good character from persons unrelated to the petitioner;

3) a statement that the petition is a motion in the cause in the case wherein the petitioner was convicted; and

4) affidavits of the clerk of superior court, chief of police, and sheriff of the county of the offense and where the petitioner resides showing that petitioner has not been convicted of a felony or non-traffic misdemeanor offense prior to or in the two years since the conviction in question.

If the court finds in favor of the petitioner the clerk of superior court and the appropriate law enforcement agencies must expunge the record of the conviction.

Other sections of Article 5 provide for "Expunction of records when charges are dismissed or there are finding of not guilty as a result of identity fraud"[2] and "Expunction of DNA records when charges are dismissed on appeal or pardon of innocence is granted."[3].

BILL ANALYSIS: The bill would add a new section to Article 5 "Expunction of Records" of Chapter 15A "Criminal Procedure Act" of the General Statutes. The proposed G.S. 15A-149 would provide expunction of the criminal records of *first time offenders* who are under 18 years of age at the time of the

[1] G.S. 15A-145(a)(1) through (4).
[2] G.S. 15A-147.
[3] G.S. 15A-148.

commission of a nonviolent felony if there are no previous or subsequent felony or misdemeanor convictions, other than a traffic violation. "Nonviolent felony" would include any felony ***except*** the following:

- A Class A through E felony;
- A felony that includes assault as an essential element of the offense; and
- A felony that is an offense for which the convicted offender must register under Article 27A of Chapter 14 of the General Statutes (sex offenders).

If a person is convicted of more than one nonviolent felony in the same session of court, the bill provides that the multiple nonviolent felony convictions are to be treated as one nonviolent felony conviction, and the expunction order will expunge all convictions.

The procedure to be followed by the petitioner is modeled along the lines of existing procedures. The petition cannot be filed earlier than two years after the date of conviction or after the time when any active sentence, period of probation, or post-release supervision has been served, whichever occurs later. The petitioner is also required to perform at least 100 hours of community service before filing the petition for expunction.

The petition must contain at least the following:

1) An affidavit of good behavior by the petitioner for the two years following conviction, stating that the petitioner has not been convicted of any felony or non-traffic misdemeanor charge under the laws of the United States, this State or any other state during that time;

2) Two affidavits of good character from persons unrelated to petitioner;

3) A statement that the petition is a motion in the cause in the case wherein the petitioner was convicted;

4) An application authorizing a State and national criminal record check by the Department of Justice with the results reported to the court;

5) An affidavit by the petitioner that no restitution orders or civil judgments representing amounts ordered for restitution entered against the petitioner are outstanding; and

6) An affidavit from the petitioner that he or she has performed at least 100 hours of community service.

The petition is served on the district attorney who has 10 days to file any objections. If the judge finds that the petitioner has met the requirements, the judge shall order the petitioner restored to his or her prior status, that the conviction be expunged from court records, and that all law enforcement agencies expunge their records, including the State Bureau of Investigation and the Federal Bureau of Investigation.

Any other applicable State or local government agency is directed to expunge from its records any entries made as a result of the conviction order expunged under this section. The agency is required to also reverse any administrative actions taken against a person whose record is expunged under this section.

The clerk of superior court in each North Carolina county shall file with the Administrative Offices of the Court the names of those persons granted a discharge under this provision. The Administrative Offices must maintain a confidential file with the names of persons granted conditional discharges and this

information can only be disclosed to judges of the General Court of Justice of North Carolina to determine if any person charged with an offense has been previously given a discharge.

Either a probation officer or the court *must* provide notification of the opportunity for expunction under this section.

The bill sets the filing fee for the expunction petition at $100.00, unless the petitioner is indigent. The PCS amended the fee provision in the bill by increasing the fee for filing the expunction petition from $65 to $100.

EFFECTIVE DATE: The bill would become effective December 1, 2005.

BILL SUMMARY: This bill would enact new G.S. 15A-149 to allow expunction of records for nonviolent felonies committed by first-time offenders who were under the age of 18 at the time of the conviction. A nonviolent felony is defined as any felony except a Class A through Class E felony, a felony with assault as an essential element of the offense, and a felony for which the convicted offender must register as a sex offender.

To be eligible for expunction under the bill, the offender must not have been previously convicted of any felony or misdemeanor other than a traffic violation, and must have remained of good behavior and been free of conviction of any felony or misdemeanor other than a traffic violation for two years from the date of conviction of the nonviolent felony to be expunged. A petition cannot be filed earlier than two years after the date of conviction or when any active sentence, period of probation, and post-release supervision has been served, whichever occurs later. The offender must also perform 100 hours of community service before filing a petition.

ASSUMPTIONS AND METHODOLOGY:

To estimate the number of individuals eligible to file a petition for expunction under this bill, the Administrative Office of the Courts (AOC) identified the number of defendants convicted of a single nonviolent felony while under the age of eighteen by counting the number of convictions recorded per defendant's name in each county. Using this method, AOC identified 12,254 defendants eligible for expunction due to this bill.[1]

As it would be unreasonable to assume that all 12,254 eligible individuals would petition for expunction, AOC estimated the percentage of this total that would file a petition by utilizing the petition rate for existing expunction provisions under G.S. 15A-145(a), which allows for expunction of non-traffic misdemeanors committed by offenders under age eighteen. In calendar year 2004, there were 244 petitions filed out of an estimated 6,900 eligible convictions, revealing that approximately 4 percent of eligible individuals actually sought to have their convictions expunged.

For the 12,254 existing convictions that would be eligible for expunction, AOC estimates that a greater proportion of individuals would seek expunction initially and at declining rates thereafter. However, each year AOC anticipates that an additional 750 convictions would become eligible for expunction. Of these, AOC estimates that 8 percent would seek expunction, resulting in an additional 60 petitions annually. Table 1 below outlines the total number of petitions that would be filed each year based on the estimated numbers of eligible convictions and the rate at which eligible individuals would seek expunction.

Table 1: Estimated Number of Expunction Petitions Filed

	FY 05-06	FY 06-07	FY 07-08	FY 08-09	FY 09-10
Existing Backlog of Convictions	12,254	12,254	12,254	12,254	12,254
Percentage Seeking Expunction	6%	4%	2%	2%	2%
Petitions	**735**	**490**	**245**	**245**	**245**

Total Estimated Petitions	**795**	**550**	**305**	**305**	**305**

[1] To the extent that two individuals with identical names would appear to be one individual with multiple convictions, this approximation would underestimate the number of defendants eligible for expunction under this bill. However, to the extent that some individuals could have a single conviction in multiple counties, this approximation would be an overestimate.

Revenues

Under this bill there would be a $100 fee when filing a petition for expunction. AOC estimates that approximately one quarter of petitioners would be indigent and would thus not pay the fee when seeking expunction. Table 2 below outlines projected revenues if 75 percent of petitioners were to pay the $100 fee.

Expenditures

Judicial Branch

Petitions filed as a result of this bill would lead to additional workload and costs for superior court and the Administrative Office of the Courts.

Superior Court: Clerks would devote time to receiving, filing, and processing petitions, as well as destroying and otherwise expunging court files and records. Additionally, the petitioner would pay a $100 fee when filing a petition, and clerks would incur time receiving and processing these payments or an affidavit of indigency if the petitioner is unable to pay. The petition must also be served on the district attorney, who would then have ten days to review and file an objection. Furthermore, the bill specifies that a hearing must be held and lists the findings that would justify expunction. Under current practice, most hearings are conducted in chambers or otherwise informally, and with rare exceptions, are uncontested. Nevertheless, expunction petitions due to this bill would require additional judge time to review affidavits and other documents, hear from the petitioner, make an evaluation, and issue an order. For cases that are contested or require closer scrutiny, significant judge time would be required.

Administrative Office of the Courts: To seek expunction under existing law, a person fills out an AOC form, which is sent to the SBI for a national record check and to the AOC to determine whether the person has previously had a record expunged. In 2004, AOC processed 6,297 of these requests. As under current law, this bill would require AOC to maintain a confidential file of expungements, but unlike some provisions of current law, this bill does not specify that a person may only seek an expungement once in their lifetime (see Technical Considerations). Handling current expunction petitions requires approximately one-half of a position in order to look up the information, handle related communications with the clerk and SBI, answer citizen questions, and maintain the files. Also, AOC would incur costs for programming, development, production of forms, postage, copying, printing, mailing, and similar operating costs.

Table 3 on the next page outlines the additional costs that would be needed to process the estimated number of expunction petitions resulting from this bill each year. These figures represent additional resource costs for the Courts but, as they are formulated on fractional position estimates, do not represent the need for additional positions.

Department of Justice

The State Bureau of Investigation (SBI) in the Department of Justice is involved in the expunction process in three ways:

1. The SBI reviews applications for expunction to determine whether the applicant is eligible, and transmits that information to the Court system.
2. Upon a judicial order for expunction, the SBI removes information from its databases and forwards the expunction order to the Federal Bureau of Investigation.
3. This analysis assumes that new subsection (f) in this bill would require that an offender's DNA profile also be removed from the Convicted Offender DNA Information System (CODIS). Beginning in December 2003, all convicted felons were required to provide a DNA sample.

The workload of seven different positions in the SBI is affected by this bill – two processing assistants, a fingerprint technician supervisor, an attorney, an evidence technician, and a DNA database analyst. It requires a total of approximately 67 minutes of staff time to process an application, 172 minutes of staff time to process an expunction order, and 30 minutes of staff time to remove the DNA record from CODIS. The SBI estimates that 87 percent of applications result in expunction orders. Using data and methodology from the Administrative Office of the Courts, we estimate the following:

Table 4: Estimated SBI Position and Operating Expenditures

	2005-06	2006-07	2007-08
Number of applications	795	550	305
Number of orders (87%)	692	479	265

Positions required	**0.96**	**0.92**	**0.52**

*Estimated number of eligible convictions that occurred on or after December 1, 2003.

The staff time required to process 795 applications is equivalent to one full-time position. Therefore, the box on the front page reflects one additional position required for the SBI in FY 2005-06. Position requirements will decrease in later years as workload declines.

TECHNICAL CONSIDERATIONS:

1. Effective date: This bill would be effective December 1, 2005. AOC notes that considerable preparation would be necessary to implement this bill, including hiring and training personnel, modifying computer programs, and coordination between AOC and the SBI to prepare for the anticipated increase in petitions. AOC expects that an effective date no earlier than January 1, 2006 would be necessary to implement the bill.

2. Notice to Department of Correction and Division of Motor Vehicles: The bill does not include the Department of Correction or Division of Motor Vehicles among the agencies to whom the Clerk must send a certified copy of an expungement order. The mechanism by which DOC and DMV would receive notice of an expungement order is not specified.

3. DNA Expungement: It is unclear whether subsection (f) (which requires any other applicable State or local government agency to expunge from its records entries made as a result of the conviction to be expunged) would require that DNA profiles be removed from the Convicted Offender DNA Information System. This fiscal analysis assumes that this provision would require DNA to be expunged and Department of Justice costs are calculated accordingly.

4. Fee for Expungement. This bill sets a fee of $100 for expungements resulting from this legislation. Currently, the fee for expungement is $65. Senate Bill 622 (2005 Appropriations Act), which has passed the Senate and been referred to the House, would increase fees for expungements to $125.

HOUSE BILL 1340

Short Title:	Reestablish Boxing Commission.	(Public)
Sponsors:	Representative Faison.	
Referred to:	Finance.	

April 21, 2005

A BILL TO BE ENTITLED

AN ACT TO REESTABLISH THE NORTH CAROLINA STATE BOXING COMMISSION.

The General Assembly of North Carolina enacts:

SECTION 1. The regulation of boxing under the authority of the Alcohol Law Enforcement Division of the Department of Crime Control and Public Safety is transferred to the North Carolina State Boxing Commission reestablished pursuant to Article 68A of Chapter 143 of the General Statutes, as enacted in Section 3 of this act, within the Department of Commerce, Division of Tourism, Film, and Sports Development by a Type II transfer, as defined by G.S. 143A-6(b).

SECTION 2. Article 68 of Chapter 143 of the General Statutes is repealed.

SECTION 3. Chapter 143 of the General Statutes is amended by adding the following new Article to read:

"Article 68A.

"North Carolina State Boxing Commission.

"**§ 143-659.1. Legislative findings and declarations.**

The General Assembly finds and declares to be the public policy of this State that it is in the best interest of the public and of boxing that boxing should be subject to an effective and efficient system of strict control and regulation in order to:

(1) Protect the safety and well-being of participants in boxing; and

(2) Promote the public confidence and trust in the regulatory process and the conduct of boxing.

To further the public confidence and trust, the provisions of this Article are designed to regulate all persons, practices, and associations related to the operation of any live boxing event, performance, or contest held in North Carolina.

"**§ 143-659.2. Definitions.**

The following definitions apply in this Article:

(1) Amateur. – A person who is not receiving or competing for and has never received or competed for any purse or other article or thing of value for participating in a match.
(2) Announcer. – Any person who engages in the act of announcing a boxing match.
(3) Boxer. – Any person who engages as a participant in a boxing match.
(4) Boxing match. – A match where the participants engage in the use of full contact boxing techniques (using the fist only), and where the object of a match is to win by decision, knockout (KO), or technical knockout (TKO).
(5) Commission. – The North Carolina State Boxing Commission.
(6) Contest. – A boxing match in which the participants strive earnestly to win.
(7) Contestant. – Any person who engages as a participant in a boxing match.
(8) Division. – The Division of Tourism, Film, and Sports Development of the Department of Commerce.
(9) Exhibition. – A boxing match where the participants display their boxing skills and technique without necessarily striving to win.
(10) Judge. – A person who has a vote in determining the winner of any match or contest.
(11) Kickboxer. – Any person who engages as a participant in a kickboxing match.
(12) Kickboxing match. – A match in which the participants engage in full contact martial arts fighting techniques using the hands and the feet, and where the object of the match is to win by decision, knockout (KO), or technical knockout (TKO).
(13) Licensee. – Any person, club, corporation, organization, or association to whom a license has been issued pursuant to the provisions of this Article.
(14) Manager. – Any person who controls or administers the boxing affairs of any contestant, and who:
a. By contract, agreement, or other arrangement with any person undertakes or has undertaken to represent in any way the interest of the contestant in any professional boxing contest in which the boxer is to participate as a contestant, and is entitled under that contract, agreement, or arrangement to receive monetary or other compensation for his or her services, without regard to the sources of the compensation. The term 'manager' shall not be construed to mean any attorney licensed to practice in this State whose participation in the activities is restricted solely to his representing the interests of a professional boxer as a client.

b. Directs or controls the professional boxing activities of any professional boxer.

c. Receives or is entitled to receive a percentage of the gross purse or gross income of any professional boxing contest.

(15) Match. – Any boxing or kickboxing contest or exhibition, and includes any event, engagement, sparring or practice session, show or program where the public is admitted and in which there is intended to be physical contact, whether an exhibition or contest. This definition does not include training or practice sessions when no admission is charged.

(16) Matchmaker. – A person through whom matches are arranged for participants and who otherwise assists participants in procuring engagement dates for boxing.

(17) Natural person. – An individual.

(18) Participant. – Any person who engages in a match or exhibition and performs as a boxer.

(19) Person. – An individual, group of individuals, business, corporation, limited liability company, partnership, or any other individual or collective entity.

(20) Physician. – An individual licensed to practice medicine in this State.

(21) Professional. – Any person who is licensed as a professional boxer under the federal Professional Boxing Safety Act of 1996.

(22) Promoter. – Any person who produces, arranges, stages, holds, or gives any match in North Carolina involving a professional participant.

(23) Referee. – The official who shall enter and remain in the ring for the duration of a match and shall enforce the rules and maintain order in the ring.

(24) Ring official. – Any person who performs an official function for the duration of a match.

(25) Sanctioned amateur. – A person who competes in a sanctioned amateur match.

(26) Sanctioned amateur match. – Any boxing or kickboxing match regulated by an amateur sports organization that has been recognized and approved by the North Carolina Boxing Commission.

(27) Second. – Any person who will work or be present in the corner of a participant for the duration of a match.

(28) Timekeeper. – Any person who will operate the clock or watch for the duration of a match for the purpose of keeping the official time of the match.

(29) Toughman contestant. – Any person who competes in a toughman event.

(30) Toughman event. – An elimination program of matches in which: (i) the contestants are not professional boxers; (ii) the finalist receives a purse or other article of value; (iii) the participants engage in the use of

full contact boxing techniques; and (iv) the object of each match is to win by decision, knockout (KO), or technical knockout (TKO).

(31) Ultimate warrior match. – A match where the participants use any combination of boxing, kicking, wrestling, hitting, punching, or other combative, contact techniques and which combination of techniques is not specifically authorized by and conducted pursuant to this Article.

"**§ 143-659.3. State Boxing Commission.**

(a) Creation. – The North Carolina State Boxing Commission is created within the Division of Tourism, Film, and Sports Development of the Department of Commerce to regulate in North Carolina live boxing and kickboxing matches, whether professional, amateur, sanctioned amateur, or toughman events, in which admission is charged for viewing, or the contestants compete for a purse or prize of value greater than twenty-five dollars ($25.00). The Commission shall consist of seven members. All the members shall be residents of this State and meet requirements for membership under the Professional Boxing Safety Act of 1996. The initial Commission members shall be appointed as follows:

(1) The General Assembly, upon the recommendation of the Speaker of the House of Representatives, shall appoint two Commission members, one to serve a two-year term and one to serve a three-year term.

(2) The General Assembly, upon the recommendation of the President Pro Tempore of the Senate, shall appoint two Commission members, one to serve a one-year term and one to serve a two-year term.

(3) The Governor shall appoint two Commission members, one to serve a one-year term and one to serve a three-year term.

(4) The Lieutenant Governor shall appoint one Commission member to serve a two-year term.

Upon the expiration of the terms of the initial Commission members, each member shall be appointed for a term of three years and shall serve until a successor is appointed. The Governor shall designate which member of the Commission is to serve as chair. A member of the Commission may be removed from office by the Division. Each member before entering upon the duties of a member shall take and subscribe an oath to perform the duties of the office faithfully, impartially, and justly to the best of the member's ability. A record of these oaths shall be filed in the Division.

(b) Vacancies. – Members shall serve until their successors are appointed and have been qualified. Any vacancy in the membership of the Commission shall be filled in the same manner as the original appointment. Vacancies for members appointed by the General Assembly shall be filled in accordance with G.S. 120-122. A vacancy in the membership of the Commission other than by expiration of term shall be filled for the unexpired term only.

(c) Meetings. – Meetings of the Commission shall be called by the chair or by any two members of the Commission, and meetings shall be held at least quarterly. Any three members of the Commission shall constitute a quorum at any meeting. Action may be taken and motions and resolutions adopted by the Commission at any

meeting by the affirmative vote of a majority of the members of the Commission present at a meeting at which a quorum exists. Any or all members may participate in a regular or special meeting by, or conduct the meeting through the use of, any means of communication by which all members participating may simultaneously hear each other during the meeting. A member participating in the meeting by this means is deemed to be present in person at the meeting.

(d) Rule-Making Authority of the Commission. – The Commission shall have the exclusive authority to approve and issue rules for the regulation of the conduct, promotion, and performances of live boxing, kickboxing, sanctioned amateur, amateur, and toughman matches and exhibitions in this State. The rules shall be issued pursuant to the provisions of Chapter 150B of the General Statutes and may include, without limitation, the following subjects:

(1) Requirements for issuance of licenses and permits required by this Article.
(2) Regulation of ticket sales.
(3) Physical requirements for contestants, including classification by weight and skill.
(4) Supervision of matches and exhibitions by licensed physicians and referees.
(5) Insurance and bonding requirements.
(6) Compensation of participants and licensees.
(7) Contracts and financial arrangements.
(8) Prohibition of dishonest, unethical, and injurious practices.
(9) Facilities.
(10) Approval of sanctioning amateur sports organizations.
(11) Procedures and requirements for compliance with the Professional Boxing Safety Act of 1996.

(e) Compensation. – None of the members of the Commission shall receive compensation for serving on the Commission. However, members of the Commission may be reimbursed for their expenses in accordance with the provisions of Chapter 138 of the General Statutes.

(f) Staff Assistance. – The Division shall hire a person to serve as Executive Director of the Commission and shall provide staff assistance to the Executive Director. The Executive Director shall enforce this Article through the Division. If necessary, the Executive Director may train and contract with independent contractors for the purpose of regulating and monitoring events, issuing licenses, collecting fees, and enforcing rules of the Commission. The Executive Director may initiate and review criminal background checks on persons requesting to work as independent contractors for the Commission or persons applying to be licensed by the Commission.

"**§ 143-659.4. Licensing and permitting.**

(a) License and Permit Required. – Except for sanctioned amateur matches, it is unlawful for any person to act in this State as an announcer, contestant, judge, manager, matchmaker, promoter, referee, timekeeper, or second unless the person is licensed to do so under this Article. It is unlawful for a promoter to present a match in this State,

other than a sanctioned amateur match, unless the promoter has a permit issued under this Article to do so. The Commission has the exclusive authority to issue, deny, suspend, or revoke any license or permit provided for in this Article.

(b) License. – All licenses issued under this Article shall be valid only during the calendar year in which they are issued, except contestant licenses shall be valid for one year from the date of issuance. A license for an announcer, contestant, judge, matchmaker, referee, timekeeper, or second shall be issued only to a natural person. A natural person shall not transfer or assign a license or change it into another name. A license for a manager or promoter may be issued to a corporation or partnership; provided, however, that all officers or partners shall submit an application for individual licensure, and only those officers or partners who are licensed shall be entitled to negotiate or sign contracts. The addition of a new officer or partner during the license period shall necessitate the filing of an application for individual licensure by the new officer or partner.

An applicant for a license shall file with the Commission the appropriate nonrefundable fee and any forms, documents, medical examinations, or exhibits the Commission may require in order to properly administer this Article. The information requested shall include the date of birth and social security number of each applicant as well as any other personal data necessary to positively identify the applicant and may include the requirement of verification of any documents the Commission deems appropriate. A person may not participate under a fictitious or assumed name in any match unless the person has first registered the name with the Commission.

(c) Surety Bond. – An applicant for a promoter's license must submit, in addition to any other forms, documents, or exhibits requested by the Commission, a surety bond payable to the Commission for the benefit of any person injured or damaged by (i) the promoter's failure to comply with any provision of this Article or any rules adopted by the Commission or (ii) the promoter's failure to fulfill the obligations of any contract related to the holding of a boxing event. The surety bond shall be issued in an amount to be no less than five thousand dollars ($5,000). The amount of the surety bond shall be negotiable upon the sole discretion of the Commission. All surety bonds shall be upon forms approved by the Division and supplied by the Commission.

(d) Permit. – A permit issued to a promoter under this Article is valid for a single match. An applicant for a permit shall file with the Commission the appropriate nonrefundable fee and any forms or documents the Commission may require.

"**§ 143-659.5. Fees; State Boxing Commission Revenue Account.**

(a) License Fees. – The Commission shall collect the following license fees:

Announcer	$50.00
Contestant	$25.00
Judge	$50.00
Manager	$100.00
Matchmaker	$200.00
Promoter	$300.00
Referee	$50.00
Timekeeper	$50.00

Second	$25.00.

The annual license renewal fees shall not exceed the initial license fees.

(b) Permit Fees. – The Commission may establish a fee schedule for permits issued under this Article. The fees may vary depending on the seating capacity of the facility to be used to present a match. The fee may not exceed the following amounts:

Seating Capacity	Fee Amount
Less than 2,000	$100.00
2,000 – 5,000	$200.00
Over 5,000	$300.00.

(c) State Boxing Commission Revenue Account. – There is created the State Boxing Commission Revenue Account within the Division of Tourism, Film, and Sports Development of the Department of Commerce. Moneys collected pursuant to the provisions of this Article shall be credited to the Account and applied to the administration of the Article.

"**§ 143-659.6. Contracts and financial arrangements.**

Any contract between licensees and related to a boxing match or exhibition held or to be held in this State must meet the requirements of administrative rules as set forth by the Commission. Any contract which does not satisfy the requirements of the administrative rules shall be void and unenforceable. All contracts shall be in writing.

"**§ 143-659.7. Sanctioned amateur matches.**

In addition to the other applicable provisions of this Article, a sanctioned amateur match shall be conducted pursuant to the rules of the sports organization sanctioning the boxing match or exhibition.

"**§ 143-659.8. Violations.**

(a) Civil Penalties. – The Division may issue an order against a licensee or other person who willfully violates any provision of this Article, imposing a civil penalty of up to five thousand dollars ($5,000) for a single violation or of up to twenty-five thousand dollars ($25,000) for multiple violations in a single proceeding or a series of related proceedings. No order under this subsection may be entered without giving the licensee or other person 15 days' prior notice and an opportunity for a contested case hearing conducted pursuant to Article 3 of Chapter 150B of the General Statutes.

The clear proceeds of civil penalties imposed pursuant to this subsection shall be remitted to the Civil Penalty and Forfeiture Fund in accordance with G.S. 115C-457.2.

(b) Criminal Penalties. – A willful violation of any provision of this Article shall constitute a Class 2 misdemeanor. The Division may refer any available evidence concerning violations of this Article to the proper district attorney, who may, with or without such a reference, institute the appropriate criminal proceedings.

(c) Injunction. – Whenever it appears to the Division that a person has engaged or is about to engage in an act or practice constituting a violation of any provision of this Article or any rule or order hereunder, the Division may bring an action in any court of competent jurisdiction to enjoin those acts or practices and to enforce compliance with this Article or any rule or order issued pursuant to this Article."

SECTION 4. G.S. 18B-502(a) reads as rewritten:

"(a) Authority. – To procure evidence of violations of the ABC law, alcohol law-enforcement agents, employees of the Commission, local ABC officers, and officers of local law-enforcement agencies that have contracted to provide ABC enforcement under G.S. 18B-501(f) shall have authority to investigate the operation of each licensed premises for which an ABC permit has been issued, to make inspections that include viewing the entire premises, and to examine the books and records of the permittee. The inspection authorized by this section may be made at any time it reasonably appears that someone is on the premises. Alcohol law-enforcement agents are also authorized to be on the premises to the extent necessary to enforce the provisions of ~~Article 68~~Article 68A of Chapter 143 of the General Statutes."

SECTION 5. G.S. 90-18.3 reads as rewritten:

"**§ 90-18.3. Physical examination by nurse practitioners and physician assistants.**

(a) Whenever a statute or State agency rule requires that a physical examination shall be conducted by a physician, the examination may be conducted and the form signed by a nurse practitioner or a physician's assistant, and a physician need not be present. Nothing in this section shall otherwise change the scope of practice of a nurse practitioner or a physician's assistant, as defined by G.S. 90-18.1 and G.S. 90-18.2, respectively.

(b) This section shall not apply to physical examinations conducted pursuant to G.S. 1A-1, Rule 35; G.S. 15B-12; ~~G.S. 90-14~~G.S. 90-14; or any rules adopted by the North Carolina Boxing Commission requiring physical examinations unless those statutes or rules are amended to make the provisions of this section applicable."

SECTION 6. This act is effective when it becomes law.

HOUSE BILL 1340:
Reestablish Boxing Commission

BILL ANALYSIS

Committee:	House Finance	**Date:**	May 24, 2005
Introduced by:	Rep. Faison	**Summary by:**	Martha Walston
Version:	First Edition		Committee Counsel

SUMMARY: House Bill 1340 transfers the regulation of boxing from the Alcohol Law Enforcement Division of the Department of Crime Control and Public Safety to the Department of Commerce, Division of Tourism, Film, and Sports Development and reestablishes the North Carolina State Boxing Commission within the Division of Tourism, Film, and Sports Development. The current license fees, permit fees, civil penalties, and criminal penalties remain the same.

CURRENT LAW: The Alcohol Law Enforcement Division of the Department of Crime Control and Public Safety currently regulates the following boxing activities:

- Live boxing and kickboxing matches, whether professional, amateur, sanctioned amateur, or toughman events, in which admission is charged for viewing, or the contestants compete for a purse or prize of value greater than $25.

Prior to July 1, 2004, the above activities (hereinafter referred to as boxing) were controlled by the North Carolina State Boxing Commission created within the Department of Crime Control and Public Safety.

BILL ANALYSIS: House Bill 1340 reestablishes the North Carolina State Boxing Commission within the Department of Commerce, Division of Tourism, Film, and Sports Development and transfers regulation of boxing to this Commission. The Commission will differ from the previous Commission in two ways:

- The **new Commission** will be composed of seven members who are residents of the State and meet requirements for membership under the Professional Boxing Safety Act of 1996. The initial members shall be appointed as follows:
  (1) Four members appointed by the General Assembly (two by the Speaker of the House of Representatives and two by the President Pro Tempore of the Senate).
  (2) Two members appointed by the Governor
  (3) One member appointed by the Lieutenant Governor

  The **previous Commission** consisted of six voting and two nonvoting advisory members who were residents of N.C. and met requirements for membership under the Professional Boxing Safety Act of 1999 as follows:
  (1) One voting member appointed by the Governor
  (2) Four members appointed by the General Assembly (Two members, one voting and one nonvoting, by the Speaker of the House of Representatives and two members, one voting and one nonvoting, by the President Pro Tempore of the Senate)
  (3) Two voting members appointed by the Secretary of Crime Control and Public Safety
  (4) One member appointed by the Tribal Council of the Eastern Band of the Cherokee.[1]

[1] This member may serve on the Commission only if an agreement exists and remains in effect between the Tribal Council of the Eastern Band of the Cherokee and the Commission authorizing the Commission to regulate professional boxing matches within the Cherokee Indian Reservation as provided by the Professional Boxing Safety Act of 1996.

- House Bill 1340 deletes the prohibition against ultimate warrior matches. These matches are also prohibited under current law. An "ultimate warrior match" is defined as a match where the participants use any combination of boxing, kicking, wrestling, hitting, punching, or other combative, contact techniques and which combination of techniques is not specifically authorized by and conducted pursuant to this Article.

House Bill 1340 provides that rules adopted by the Commission requiring physical examinations are not governed by the statute in Chapter 90 that allows a physical examination to be conducted by a nurse practitioner or a physician's assistant when a statute or agency rule requires a physician to conduct the physical examination.

The current license fees and permit fees will remain the same except they will be placed in a State Boxing Commission Revenue Account within the Department of Commerce instead of the Department of Crime Control and Public Safety. The fees are set out below:

License Fees The annual license renewal fees may not exceed the initial license fees

Announcer	$50
Contestant	$25
Judge	$50
Manager	$100
Matchmaker	$200
Promoter	$300
Referee	$50
Timekeeper	$50
Second	$25

Permit Fees The Commission may establish a fee schedule for permits issued under this Article. The fees may vary depending on the seating capacity of the facility to be used to present a match. The fee may not exceed the following amounts:

Seating Capacity	Fee amount
Less than 2, 000	$100
2,000 – 5,000	$200
Over 5,000	$300

The current civil penalties and criminal penalties for violations of the Article also remain the same, except that the penalties will be under the authority of the Division of Tourism, Film, and Sports Development within the Department of Commerce, instead of the Division of Crime Control and Public Safety.

EFFECTIVE DATE: House Bill 1340 is effective when it becomes law.

House Committee on Finance

Minutes

~

May 26, 2005

The House Committee on Finance met on Thursday, May 26, 2005 at 8:30 am in Room 544 of the Legislative Office Building. The following members were present: Chairpersons Alexander, Gibson, Howard, Luebke, McComas and Wainwright; Vice-Chairs Hill, Ross, Weiss, and Womble; and Representatives Blackwood, Bordsen, Capps, Carney, Cunningham, Faison, Folwell, Glazier, Hackney, Holliman, Jones, Lewis, McGee, Rayfield, Underhill, Walend, and Wiley. Also present were Sergeant-at-Arms Bill Freeman, Fred Hines, Dusty Rhodes, and Walter Spell. Staff persons present included Cindy Avrette, Rodney Bizzell, Erika Churchill, Brenna Erford, Ashley Huffstetler, Linda Millsaps, and Martha Walston. The Agenda and Visitor Registration Sheet are attached and incorporated into these minutes as **attachments 1 and 2**.

Chairman McComas called the meeting to order at 8:31 am and recognized the three (3) pages present: Ellen Carter of Davie County, sponsored by Representative Howard; Christina Garrett of Harnett County, sponsored by Representative Lewis; and Spencer Powell of Harnett County, sponsored by Representative Lewis.

Chairman McComas then recognized Representative Alexander who announced the birthday of Chairman McComas. She proceeded to lead the members of the Committee in singing the birthday song in honor of Chairman McComas.

Chairman McComas then called the matter of business before the Committee. The sole bill considered at this meeting was **HB 1541 – HOMEOWNER ASSOCIATION AMENDMENTS** (see **attachment 3**). Chairman McComas first recognized Representative Rayfield who moved for the adoption of the proposed committee substitute for the Committee's consideration. The motion was adopted. Representative Earle was then recognized and explained the background to the bill. She stated that this bill is an attempt to protect homeowners by making it more difficult for homeowner associations to foreclose on homes for a failure to pay association fees. Representative Earle reported that the bill sponsors have been working closely with the Bar Association to develop this bill. She reported that the only issue not agreed to by the Bar is the $1,200 cap on attorney's fees that is included in the bill. (The Bar was recommending a $1,500 cap.) Representative Stam was then recognized and presented a more technical summary of the bill (see the attached bill summary for further detail). Chairman McComas then recognized Representative Weiss who stated that a tremendous amount of work has been done to craft the bill and that the bill represented a good balance. Following the explanation, Representative Womble was recognized and inquired about the difference between the proposed committee substitute and the original bill. Chairman McComas recognized Martha Walston from Fiscal Research who reported that the proposed committee substitute is a major rework of the original bill incorporating added safeguards for property owners

and the Bar Association's recommendations. Representative Hackney was then recognized and asked why the North Carolina State flag was not included along with the United States flag in the bill. Chairman McComas recognized Representative Stam who mentioned that he was not aware that the display of the State flag had ever been a major issue. Representative Underhill was then recognized and sent forth an amendment and moved for its adoption (see **attachment 4**). She explained that the amendment stemmed from a case in her district involving a constituent and would prohibit an executive board member of a homeowners' association from paying themselves a fee for service without approval of the executive board of an association. Representative Weiss was recognized to respond to the amendment and asked that Representative Underhill withdraw the amendment so more time could be given to take a closer look at the issue. Chairman McComas then recognized Representative Underhill who withdrew her amendment. Representative Wainwright was then recognized and asked why the executive board would be able to meet in a closed session. Chairman McComas recognized Representative Stam who responded by stating that private meetings would need to be held for personnel or disciplinary actions. Representative Gibson was then recognized and offered an amendment (see **attachment 5**) and moved for its adoption. Rep. Gibson was recognized by the Chair to explain his amendment and stated that it would add the North Carolina State flag to the provision protecting the homeowners' ability to display a flag on their property. Seeing no further discussion, Chairman McComas called the motion to a vote and the amendment was adopted. Representative Wainwright was then recognized and asked if homeowners were provided the right to cast a proxy vote. Chairman McComas then recognized Henry Jones from the Bar Association who replied said that the Planned Community Act (already a part of the General Statutes) provides homeowners with the ability to vote by proxy. Chairman McComas next recognized Mr. Jim Laumann of the Homeowner Associations of North Carolina who reported that there are over thirteen thousand homeowner associations in North Carolina and only twenty percent (20%) are professionally managed. Mr. Laumann inquired if the State was planning to provide financing to help inform the homeowner associations of the changes to the law if this bill were passed. Representative Stam was recognized and responded that homeowner associations would be informed through the press and members of the General Assembly. Representative Holliman was then recognized and asked if the effective date of October 1, 2005 would give the homeowners' associations enough time to be in compliance with the new regulations. Following his comments, Representative Holliman was then recognized to send forth an amendment (see **attachment 6**) and moved for its adoption. He explained that the amendment would change the effective date from October 1, 2005 to January 1, 2006, providing homeowners and associations more time to comply with the bill. As there was no debate on the amendment, Chairman McComas called the motion to a vote and the amendment was adopted by the Committee. Representative Underhill was then recognized and sent forth another amendment (see **attachment 7**). Ashley Huffstetler from Research explained that the amendment, which she noted was similar in nature to Representative Underhill's first amendment, limits officers and directors of homeowner associations from sub-dealings. Chairman McComas recognized Representative Stam who opposed the amendment saying that the bill sponsors needed more time to review the real effect of the amendment. Thus, Representative Underhill was again recognized and withdrew the amendment. Chairman McComas then recognized Representative Wiley who sent forth an amendment (see **attachment 8**) allowing homeowner associations to regulate the number of flags that could be displayed on a homeowner's property, except on the occasion of patriotic holidays. Representative Hackney was then recognized and expressed concerns that the amendment would not allow for proper regulation by the associations of all other types of flags. At that time, Representative Wiley was again recognized and withdrew the amendment. Chairman McComas then recognized Representative Womble who moved for a favorable report to the proposed committee substitute, incorporating the adopted amendments, and an unfavorable report to the original bill. Seeing no further discussion, Chairman McComas called the motion to a vote and it carried without objection.

Chairman McComas then announced the inclusion of a chart detailing the Wire-line Emergency 911 Charge Fund Balances by county for FY2003-04 (see **attachment 9**). Chairman McComas reminded the members that this information had been committed to the Committee members during the Committee meeting on May 24, 2005.

As there was no further business before the Committee, Chairman McComas then adjourned the meeting at 9:35 am.

Respectfully submitted,

Representative Danny McComas

Referred to:

April 21, 2005

A BILL TO BE ENTITLED

AN ACT TO AMEND THE LAWS GOVERNING HOMEOWNER ASSOCIATIONS TO PROVIDE GREATER PROTECTIONS FOR HOMEOWNERS.

The General Assembly of North Carolina enacts:

SECTION 1. G.S. 47F-3-102(11) reads as rewritten:

"**§ 47F-3-102. Powers of owners' association.**

Unless the articles of incorporation or the declaration expressly provides to the contrary, the association may:

...

(11) Impose reasonable charges for late payment of ~~assessments~~ assessments, not to exceed the greater of twenty-five dollars ($25.00) or ten percent (10%) of the amount of the unpaid assessment and, after notice and an opportunity to be heard, suspend privileges or services provided by the association (except rights of access to lots) during any period that assessments or other amounts due and owing to the association remain unpaid for a period of 30 days or longer;

...."

SECTION 2. G.S. 47F-3-103 is amended by adding a new subsection to read:

"(f) The association shall publish the names and addresses of all officers and board members of the association within 30 days of their election."

SECTION 3. G.S. 47F-3-107.1 reads as rewritten:

"**§ 47F-3-107.1. Procedures for fines and suspension of planned community privileges or services.**

Unless a specific procedure for the imposition of fines or suspension of planned community privileges or services is provided for in the declaration, a hearing shall be held before the executive board or an adjudicatory panel appointed by the executive board to determine if any lot owner should be fined or if planned community privileges

or services should be suspended pursuant to the powers granted to the association in G.S. 47F-3-102(11) and (12). Any adjudicatory panel appointed by the executive board shall be composed of members of the association who are not officers of the association or members of the executive board. ~~If the executive board fails to appoint an adjudicatory panel to hear such matters, hearings under this section shall be held before the executive board.~~ The lot owner charged shall be given notice of the charge, opportunity to be heard and to present evidence, and notice of the decision. If it is decided that a fine should be imposed, a fine not to exceed one hundred ~~fifty~~ dollars ~~($150.00)~~ $100.00) may be imposed for the violation and without further hearing, for each day more than five days after the decision that the violation occurs. Such fines shall be shall be assessments secured by liens under G.S. 47F-3-116. If it is decided that a suspension of planned community privileges or services should be imposed, the suspension may be continued without further hearing until the violation or delinquency is cured. The lot owner may appeal the decision of an adjudicatory panel to the full executive board by delivering written notice of appeal to the executive board within 15 days after the date of the decision. The executive board may affirm, vacate, or modify the prior decision of the adjudicatory body."

SECTION 4. G.S. 47F-3-108 reads as rewritten:

"**§ 47F-3-108. Meetings.**

(a) A meeting of the association shall be held at least once each year. Special meetings of the association may be called by the president, a majority of the executive board, or by lot owners having ten percent (10%), or any lower percentage specified in the bylaws, of the votes in the association. Not less than 10 nor more than 60 days in advance of any meeting, the secretary or other officer specified in the bylaws shall cause notice to be hand-delivered or sent prepaid by United States mail to the mailing address of each lot or to any other mailing address designated in writing by the lot owner, or sent by electronic means, including by electronic mail over the Internet, to an electronic mailing address designated in writing by the lot owner. The notice of any meeting shall state the time and place of the meeting and the items on the agenda, including the general nature of any proposed amendment to the declaration or bylaws, any budget changes, and any proposal to remove a director or officer.

(b) Meetings of the executive board shall be held as provided in the bylaws. At regular intervals, the executive board meeting shall provide lot owners an opportunity to attend a portion of an executive board meeting and to speak to the executive board about their issues or concerns. The executive board may place reasonable restrictions on the number of persons who speak on each side of an issue and may place reasonable time restrictions on persons who speak.

(c) Except as otherwise provided in the bylaws, meetings of the association and the executive board shall be conducted in accordance with general principles of parliamentary procedure so as to facilitate the orderly and efficient completion of business."

SECTION 5. G.S. 47F-3-116 reads as rewritten:

"**§ 47F-3-116. Lien for assessments.**

(a) Any assessment levied against a lot remaining unpaid for a period of 30 days or longer shall constitute a lien on that lot when a claim of lien is filed of record in the office of the clerk of superior court of the county in which the lot is located in the manner provided herein. Unless the declaration otherwise provides, fees, charges, late charges, and other charges imposed pursuant to G.S. 47F-3-102, 47F-3-107, 47F-3-107.1,and 47F-3-115 are enforceable as assessments under this section. ~~The~~ Except as provided in subsections (a1) and (a2) of this section, the association may foreclose the claim of lien in like manner as a mortgage on real estate under power of sale under Article 2A of Chapter 45 of the General Statutes. ~~Unless the declaration otherwise provides, fees, charges, late charges, fines, interest, and other charges imposed pursuant to G.S. 47F-3-102, 47F-3-107, 47F-3-107.1, and 47F-3-115 are enforceable as assessments under this section.~~

(a1) An association may not foreclose an association assessment lien under Article 2A of Chapter 45 of the General Statutes if the debt securing the lien consists solely of fines imposed by the association, interest on unpaid fines, or attorneys' fees incurred by the association solely associated with fines imposed by the association. The association, however, may enforce the lien by judicial foreclosure as provided in Article 29A of Chapter 1 of the General Statutes.

(a2) An association shall not levy, charge, or attempt to collect a service, collection, consulting, or administration fee from any lot owner unless the fee is expressly allowed in the declaration. Any lien securing a debt consisting solely of these fees may only be enforced by judicial foreclosure as provided in Article 29A of Chapter 1 of the General Statutes.

(b) The lien under this section is prior to all liens and encumbrances on a lot except (i) liens and encumbrances (specifically including, but not limited to, a mortgage or deed of trust on the lot) recorded before the docketing of the claim of lien in the office of the clerk of superior court, and (ii) liens for real estate taxes and other governmental assessments and charges against the lot. This subsection does not affect the priority of mechanics' or materialmen's liens.

(c) A lien for unpaid assessments is extinguished unless proceedings to enforce the lien are instituted within three years after the docketing of the claim of lien in the office of the clerk of superior court.

(d) This section does not prohibit other actions to recover the sums for which subsection (a) of this section creates a lien or prohibit an association taking a deed in lieu of foreclosure.

(e) A judgment, decree, or order in any action brought under this section shall include costs and reasonable attorneys' fees for the prevailing party. If the lot owner does not contest the collection of debt and enforcement of a lien after the expiration of the 15-day period following notice as required in subsection (e1) of this section, then reasonable attorney's fees shall not exceed one thousand two hundred dollars ($1,200), not including costs or expenses incurred. The collection of debt and enforcement of a lien remain uncontested as long as the lot owner does not dispute, contest, or raise any objection, defense, offset, or counterclaim as to the amount or validity of the debt and lien asserted or the association's right to collect the debt and enforce the lien as provided

in this section. The attorney's fee limitation in this subsection shall not apply to judicial foreclosures or to proceedings authorized under subsection (d) of this section or G.S. 47F-3-120.

(e1) A lot owner may not be required to pay attorneys' fees and court costs until the lot owner is notified in writing of the association's intent to seek payment of attorneys' fees and court costs. The notice must be sent by first class mail to the property address and, if different, to the mailing address for the lot owner in the association's records. In addition, the notice must either be hand-delivered to the property address or sent certified mail with confirmation of delivery by the U.S. Postal Service to the property address and, if different, to the mailing address for the lot owner in the association's records. The notice shall set out the outstanding balance due as of the date of the notice and state that the lot owner has 15 days from the mailing of the notice by first class mail to pay the outstanding balance without the attorneys' fees and court costs. If the lot owner pays the outstanding balance within this period, then the lot owner shall have no obligation to pay attorneys' fees and court costs. The notice shall also inform the lot owner of the opportunity to contact a representative of the association to discuss a payment schedule for the outstanding balance as provided in subsection (e2) of this section and shall provide the name and telephone number of the representative.

(e2) The association, acting through its executive board and in the board's sole discretion, may agree to allow payment of an outstanding balance in installments. Neither the association nor the lot owner is obligated to offer or accept any proposed installment schedule. Reasonable administrative fees and costs for accepting and processing installments may be added to the outstanding balance and included in an installment payment schedule. Reasonable attorneys' fees may be added to the outstanding balance and included in an installment schedule only after the lot owner has been given notice as required in subsection (e1) of this section.

(f) Where the holder of a first mortgage or first deed of trust of record, or other purchaser of a lot obtains title to the lot as a result of foreclosure of a first mortgage or first deed of trust, such purchaser and its heirs, successors, and assigns, shall not be liable for the assessments against such lot which became due prior to the acquisition of title to such lot by such purchaser. Such unpaid assessments shall be deemed to be common expenses collectible from all the lot owners including such purchaser, its heirs, successors, and assigns.

(g) A claim of lien shall set forth the name and address of the association, the name of the record owner of the lot at the time the claim of lien is filed, a description of the lot, and the amount of the lien claimed."

SECTION 6. G.S. 47F-3-118 reads as rewritten:

"**§ 47F-3-118. Association records.**

(a) The association shall keep financial records sufficiently detailed to enable the association to comply with this Chapter. All financial and other ~~records~~ records, including records of meetings of the association and executive board, shall be made reasonably available for examination by any lot owner and the lot owner's authorized ~~agents.~~agents as required in the bylaws and Chapter 55A of the General Statutes. If the

bylaws do not specify particular records to be maintained, the association shall keep accurate records of all cash receipts and expenditures and all assets and liabilities. In addition to any specific information that is required by the bylaws to be assembled and reported to the lot owners at specified times, the association shall make an annual income and expense statement and balance sheet available to all lot owners at no charge and within 75 days after the close of the fiscal year to which the information relates. Notwithstanding the bylaws, a more extensive compilation, review, or audit of the association's books and records for the current or immediately preceding fiscal year may be required by a vote of the majority of the executive board or by the affirmative vote of two-thirds of the lot owners present in person or by proxy at any annual meeting or any special meeting duly called for that purpose.

(b) The association, upon written request, shall furnish to a lot owner or the lot owner's authorized agents a statement setting forth the amount of unpaid assessments and other charges against a lot. The statement shall be furnished within 10 business days after receipt of the request and is binding on the association, the executive board, and every lot owner."

SECTION 7. Article 3 of Chapter 47F of the General Statutes is amended by adding the following new section to read:

"**§ 47F-3-121. American flag and political sign displays.**

Notwithstanding any provision in any declaration of covenants, no restriction on the use of land shall be construed to:

(1) Regulate or prohibit the display of the flag of the United States, of a size no greater than four feet by six feet, which is displayed in accordance with the patriotic customs set forth in 4 U.S.C. §§ 5-10, as amended, governing the display and use of the flag of the United States unless:

a. For restrictions registered prior to October 1, 2005, the restriction specifically uses the following terms:

1. Flag of the United States of America;
2. American flag; or
3. United States flag.

b. For restrictions registered on or after October 1, 2005, the restriction shall be written on the first page of the instrument or conveyance in print that is in boldface type, capital letters, and no smaller than the largest print used elsewhere in the instrument or conveyance. The restriction shall be construed to regulate or prohibit the display of the United States flag only if the restriction specifically states: '**THIS DOCUMENT REGULATES OR PROHIBITS THE DISPLAY OF THE FLAG OF THE UNITED STATES OF AMERICA**'.

This subdivision shall apply to owners of property who display the flag of the United States on property owned exclusively by them and does not apply to common areas, easements, rights-of-way, or other areas owned by others.

(2) Regulate or prohibit the indoor or outdoor display of a political sign by an association member on property owned exclusively by the member, unless:

a. For restrictions registered prior to October 1, 2005, the restriction specifically uses the term 'political signs'.

b. For restrictions registered on or after October 1, 2005, the restriction shall be written on the first page of the instrument or conveyance in print that is in boldface type, capital letters, and no smaller than the largest print used elsewhere in the instrument or conveyance. The restriction shall be construed to regulate or prohibit the display of political signs only if the restriction specifically states: **'THIS DOCUMENT REGULATES OR PROHIBITS THE DISPLAY OF THE POLITICAL SIGNS'.**

Even when display of a political sign is permitted under this subdivision, an association (i) may prohibit the display of political signs earlier than 45 days before the day of the election and later than seven days after an election day, and (ii) may regulate the size and number of political signs that may be placed on a member's property if the association's regulation is no more restrictive than any applicable city, town, or county ordinance that regulates the size and number of political signs on residential property. If the local government in which the property is located does not regulate the size and number of political signs on residential property, the association shall permit at least one political sign with the maximum dimensions of 24 inches by 24 inches on a member's property. For the purposes of this subdivision, 'political sign' means a sign that attempts to influence the outcome of an election, including supporting or opposing an issue on the election ballot. This subdivision shall apply to owners of property who display political signs on property owned exclusively by them and does not apply to common areas, easements, rights-of-way, or other areas owned by others."

SECTION 8. G.S. 47C-3-102(11) reads as rewritten:

"**§ 47C-3-102. Powers of unit owners' association.**

(a) Unless the declaration expressly provides to the contrary, the association, even if unincorporated, may:

...

(11) Impose charges for late payment of ~~assessments~~ assessments, not to exceed the greater of twenty-five dollars ($25.00) or ten percent (10%) of the amount of the unpaid assessment and, after notice and an opportunity to be heard, levy reasonable fines not to exceed one hundred ~~fifty~~dollars ~~($150.00)~~($100.00) (G.S. 47C-3-107.1) for violations of the declaration, bylaws, and rules and regulations of the association;".

SECTION 9. G.S. 47C-3-103 is amended by adding a new subsection to read:

"(g) The association shall publish the names and addresses of all officers and board members of the association within 30 days of the election."

SECTION 10. G.S. 47C-3-107.1 reads as rewritten:

"**§ 47C-3-107.1. ~~Charges for late payments, fines.~~Procedures for fines and suspension of condominium privileges or services.**

~~The bylaws of the association may provide for a hearing before an adjudicatory panel to determine if a unit owner should be fined not to exceed one hundred fifty dollars ($150.00) for a violation of the declaration, bylaws or rules and regulations of the association. Such panel shall accord to the party charged with the violation notice of the charge, opportunity to be heard and to present evidence, and notice of the decision. Such a fine shall be an assessment secured by lien under G.S. 47C-3-116.~~ Unless a specific procedure for the imposition of fines or suspension of condominium privileges or services is provided for in the declaration, a hearing shall be held before the executive board or an adjudicatory panel appointed by the executive board to determine if any unit owner should be fined or if condominium privileges or services should be suspended pursuant to the powers granted to the association in G.S. 47C-3-102(11). Any adjudicatory panel appointed by the executive board shall be composed of members of the association who are not officers of the association or members of the executive board. The unit owner charged shall be given notice of the charge, opportunity to be heard and to present evidence, and notice of the decision. If it is decided that a fine should be imposed, a fine not to exceed one hundred dollars ($100.00) may be imposed for the violation and without further hearing, for each day more than five days after the decision that the violation occurs. Such fines shall be assessments secured by liens under G.S. 47C-3-116. If it is decided that a suspension of condominium privileges or services should be imposed, the suspension may be continued without further hearing until the violation or delinquency is cured. A unit owner may appeal a decision of an adjudicatory panel to the full executive board by delivering written notice of appeal to the executive board within 15 days after the date of the decision. The executive board may affirm, vacate, or modify the prior decision of the adjudicatory body."

SECTION 11. G.S. 47C-3-108 reads as rewritten:

"**§ 47C-3-108. Meetings.**

(a) A meeting of the association shall be held at least once each year. Special meetings of the association may be called by the president, a majority of the executive board, or by unit owners having twenty percent (20%) or any lower percentage specified in the bylaws of the votes in the association. Not less than 10 nor more than 50 days in advance of any meeting, the secretary or other officer specified in the bylaws shall cause notice to be hand-delivered or sent prepaid by United States mail to the mailing address of each unit or to any other mailing address designated in writing by the unit owner, or sent by electronic means, including by electronic mail over the Internet, to an electronic mailing address designated in writing by the unit owner. The notice of any meeting must state the time and place of the meeting and the items on the agenda,

including the general nature of any proposed amendment to the declaration or bylaws, any budget changes, and any proposal to remove a director or officer.

(b) Meetings of the executive board shall be held as provided in the bylaws. At regular intervals, the executive board meeting shall provide unit owners an opportunity to attend a portion of an executive board meeting and to speak to the executive board about their issues and concerns. The executive board may place reasonable restrictions on the number of persons who speak on each side of an issue and may place reasonable time restrictions on persons who speak.

(c) Except as otherwise provided for in the bylaws, meetings of the association and executive board shall be conducted in accordance with general principles of parliamentary procedure so as to facilitate the orderly and efficient completion of business."

SECTION 12. G.S. 47C-3-116 reads as rewritten:

"**§ 47C-3-116. Lien for assessments.**

(a) Any assessment levied against a unit remaining unpaid for a period of 30 days or longer shall constitute a lien on that unit when a claim of lien is filed of record in the office of the clerk of superior court of the county in which the unit is located in the manner provided therefor by Article 8 of Chapter 44 of the General Statutes. Unless the declaration otherwise provides, fees, charges, late charges and other charges imposed pursuant to G.S. 47C-3-102, 47C-3-107, 47C-3-107.1, and 47C-3-115 are enforceable as assessments under this section. Except as provided in subsections (a1) and (a2) of this section, ~~The~~ the association's lien may be foreclosed in like manner as a mortgage on real estate under power of sale under Article 2A of Chapter 45 of the General Statutes. ~~Unless the declaration otherwise provides, fees, charges, late charges, fines, and interest charged pursuant to G.S. 47C-3-102(10), (11), and (12), G.S. 47C-3-107(d) and 47C-3-107.1, are enforceable as assessments under this section.~~

(a1) An association may not foreclose an association assessment lien under Article 2A of Chapter 45 of the General Statutes if the debt securing the lien consists solely of fines imposed by the association, interest on unpaid fines, or attorneys' fees incurred by the association solely associated with fines imposed by the association. The association, however, may enforce the lien by judicial foreclosure as provided in Article 29A of Chapter 1 of the General Statutes.

(a2) An association shall not levy, charge, or attempt to collect a service, collection, consulting, or administration fee from any unit owner unless the fee is expressly allowed in the declaration. Any lien secured by debt consisting solely of these fees may only be enforced by judicial foreclosure as provided in Article 29A of Chapter 1 of the General Statutes.

(b) The lien under this section is prior to all other liens and encumbrances on a unit except (i) liens and encumbrances (specifically including, but not limited to, a mortgage or deed of trust on the unit) recorded before the docketing of the lien in the office of the clerk of superior court, and (ii) liens for real estate taxes and other governmental assessments or charges against the unit. This subsection does not affect the priority of mechanics' or materialmen's liens.

(c) A lien for unpaid assessments is extinguished unless proceedings to enforce the lien are instituted within three years after the docketing thereof in the office of the clerk of superior court.

(d) This section does not prohibit actions to recover sums for which subsection (a) creates a lien or prohibit an association taking a deed in lieu of foreclosure.

(e) A judgment, decree, or order in any action brought under this section ~~must~~ shall include costs and reasonable attorneys' fees for the prevailing party. If the unit owner does not contest the collection of debt and enforcement of a lien after the expiration of the 15-day period following notice as required in subsection (e1) of this section, then reasonable attorneys' fees shall not exceed one thousand two hundred dollars ($1,200), not including costs or expenses incurred. The collection of debt and enforcement of a lien remain uncontested as long as the unit owner does not dispute, contest, or raise any objection, defense, offset, or counterclaim as to the amount or validity of the debt and lien asserted or the association's right to collect the debt and enforce the lien as provided in this section. The attorneys' fee limitation in this subsection shall not apply to judicial foreclosures or proceedings authorized under subsection (d) of this section or G.S. 47F-4-117.

(e1) A unit owner may not be required to pay attorneys' fees and court cost until the unit owner is notified in writing of the association's intent to seek payment of attorneys' fees and court costs. The notice must be sent by first class mail to the property address and, if different, to the mailing address for the unit owner in the association's records. In addition, the notice must either be hand-delivered to the property address or sent certified mail with confirmation of delivery by the U.S. Postal Service to the property address and, if different, to the mailing address for the unit owner in the association's records. The notice shall set out the outstanding balance due as of the date of the notice and state that the unit owner has 15 days from the mailing of the notice by first class mail to pay the outstanding balance without the attorneys' fees and court costs. If the unit owner pays the outstanding balance within this period, then the unit owner shall have no obligation to pay attorneys' fees and court costs. The notice shall also inform the unit owner of the opportunity to contact a representative of the association to discuss a payment schedule for the outstanding balance as provided in subsection (e2) of this section and shall provide the name and telephone number of the representative.

(e2) The association, acting through its executive board and in the board's sole discretion, may agree to allow payment of an outstanding balance in installments. Neither the association nor the unit owner is obligated to offer or accept any proposed installment schedule. Reasonable administrative fees and costs for accepting and processing installments may be added to the outstanding balance and included in an installment payment schedule. Reasonable attorneys' fees may be added to the outstanding balance and included in an installment schedule only after the unit owner has been given notice as required in subsection (e1) of this section.

(f) Where the holder of a first mortgage or first deed of trust of record, or other purchaser of a unit, obtains title to the unit as a result of foreclosure of a first mortgage or first deed of trust, such purchaser, and its heirs, successors and assigns, shall not be

liable for the assessments against such unit which became due prior to acquisition of title to such unit by such purchaser. Such unpaid assessments shall be deemed to be common expenses collectible from all the unit owners including such purchaser, and its heirs, successors and assigns."

SECTION 13. G.S. 47C-3-118 reads as rewritten:

"**§ 47C-3-118. Association records.**

(a) The association shall keep financial records sufficiently detailed to enable the association to comply with this chapter. All financial and other ~~records~~ records, including records of meetings of the association and executive board, shall be made reasonably available for examination by any unit owner and the unit owner's ~~his~~ authorized ~~agents.~~agents as required by the bylaws and by Chapter 55A of the General Statutes if the association is a nonprofit corporation. If the bylaws do not specify particular records to be maintained, the association shall keep accurate records of all cash receipts and expenditures and all assets and liabilities. In addition to any specific information that is required by the bylaws to be assembled and reported to the unit owners at specified times, the association shall make an annual income and expense statement and balance sheet available to all unit owners at no charge and within 75 days after the close of the fiscal year to which the information relates. Notwithstanding the bylaws, a more extensive compilation, review, or audit of the association's books and records for the current or immediately preceding fiscal year may be required by a vote of the majority of the executive board or by the affirmative vote of two-thirds of the unit owners present in person or by proxy at any annual meeting or any special meeting duly called for that purpose.

(b) The association, upon written request, shall furnish a unit owner or the unit owner's authorized agents a statement setting forth the amount of unpaid assessments and other charges against a unit. The statement shall be furnished within 10 business days after receipt of the request and is binding on the association, the executive board, and every unit owner."

SECTION 14. Article 3 of Chapter 47C of the General Statutes is amended by adding the following news section to read:

"**§ 47C-3-121. American flag and political sign displays.**

Notwithstanding any provision in any declaration of covenants, no restriction on the use of land shall be construed to:

(1) Regulate or prohibit the display of the flag of the United States, of a size no greater than four feet by six feet, which is displayed in accordance with the patriotic customs set forth in 4 U.S.C. §§ 5-10, as amended, governing the display and use of the flag of the United States unless:

a. For restrictions registered prior to October 1, 2005, the restriction specifically uses the following terms:

1. Flag of the United States of America;
2. American flag; or
3. United States flag.

b. For restrictions registered on or after October 1, 2005, the restriction shall be written on the first page of the instrument or conveyance in print that is in boldface type, capital letters, and no smaller than the largest print used elsewhere in the instrument or conveyance. The restriction shall be construed to regulate or prohibit the display of the United States flag only if the restriction specifically states: **'THIS DOCUMENT REGULATES OR PROHIBITS THE DISPLAY OF THE FLAG OF THE UNITED STATES OF AMERICA'.**

This subdivision shall apply to owners of property who display the flag of the United States on property owned exclusively by them and does not apply to common areas, easements, rights-of-way, or other areas owned by others.

(2) Regulate or prohibit the indoor or outdoor display of a political sign by an association member on that member's property owned exclusively by the member, unless:

a. For restrictions registered prior to October 1, 2005, the restriction specifically uses the term 'political signs'.

b. For restrictions registered on or after October 1, 2005, the restriction shall be written on the first page of the instrument or conveyance in print that is in boldface type, capital letters, and no smaller than the largest print used elsewhere in the instrument or conveyance. The restriction shall be construed to regulate or prohibit the display of political signs only if the restriction specifically states: **'THIS DOCUMENT REGULATES OR PROHIBITS THE DISPLAY OF THE POLITICAL SIGNS'.**

Even when display of a political sign is permitted under this subdivision, an association (i) may prohibit the display of political signs earlier than 45 days before the day of the election and later than seven days after an election day, and (ii) may regulate the size and number of political signs that may be placed on a member's property if the association's regulation is no more restrictive than any applicable city, town, or county ordinance that regulates the size and number of political signs on residential property. If the local government in which the property is located does not regulate the size and number of political signs on residential property, the association shall permit at least one political sign with the maximum dimensions of 24 inches by 24 inches on a member's property. For the purposes of this subdivision, 'political sign' means a sign that attempts to influence the outcome of an election, including supporting or opposing an issue on the election ballot. This subdivision shall apply to owners of property who display political signs on property owned exclusively by them and

does not apply to common areas, easements, rights-of-way, or other areas owned by others."

SECTION 15. This act becomes effective October 1, 2005, and applies to violations occurring and proceeding commenced on or after that date and to fiscal years beginning on or after that date.

A BILL TO BE ENTITLED

AN ACT TO AMEND THE LAWS GOVERNING HOMEOWNER ASSOCIATIONS TO PROVIDE GREATER PROTECTIONS FOR HOMEOWNERS.

The General Assembly of North Carolina enacts:

SECTION 1. G.S. 47F-3-102(11) reads as rewritten:

"**§ 47F-3-102. Powers of owners' association.**

Unless the articles of incorporation or the declaration expressly provides to the contrary, the association may:

...

(11) Impose reasonable charges for late payment of ~~assessments~~ assessments, not to exceed the greater of fifteen dollars ($15.00) or ten percent (10%) of the amount of the unpaid assessment and, after notice and an opportunity to be heard, suspend privileges or services provided by the association (except rights of access to lots) during any period that assessments or other amounts due and owing to the association remain unpaid for a period of 30 days or longer;

...."

SECTION 2. G.S. 47F-3-107.1 reads as rewritten:

"**§ 47F-3-107.1. Procedures for fines and suspension of planned community privileges or services.**

Unless a specific procedure for the imposition of fines or suspension of planned community privileges or services is provided for in the declaration, a hearing shall be held before an adjudicatory panel appointed by the executive board to determine if any lot owner should be fined or if planned community privileges or services should be suspended pursuant to the powers granted to the association in G.S. 47F-3-102(11) and (12). The adjudicatory panel shall be composed of members of the association who are not officers of the association or members of the executive board. Decisions by the adjudicatory panel shall be appealable by the lot owner to the full executive board. If the

executive board fails to appoint an adjudicatory panel to hear such matters, hearings under this section shall be held before the full executive board. The lot owner charged shall be given notice of the charge, opportunity to be heard and to present evidence, and notice of the decision. If it is decided that a fine should be imposed, a fine not to exceed one hundred ~~fifty~~ dollars ~~($150.00)~~($100.00) may be imposed for the violation and without further hearing, for each day more than 10 days after the decision that the violation ~~occurs.~~ occurs, up to a maximum of one thousand dollars ($1,000). Such fines shall be G.S. 47F-3-116. If it is decided that a suspension of planned community privileges or services should be imposed, the suspension may be continued without further hearing until the violation or delinquency is cured."

SECTION 3. G.S. 47F-3-108 reads as rewritten:

"**§ 47F-3-108. Meetings.**

(a) A meeting of the association shall be held at least once each year. Special meetings of the association may be called by the president, a majority of the executive board, or by lot owners having ten percent (10%), or any lower percentage specified in the bylaws, of the votes in the association. Not less than 10 nor more than 60 days in advance of any meeting, the secretary or other officer specified in the bylaws shall cause notice to be hand-delivered or sent prepaid by United States mail to the mailing address of each lot or to any other mailing address designated in writing by the lot owner, or sent by electronic means, including by electronic mail over the Internet, to an electronic mailing address designated in writing by the lot owner. The notice of any meeting shall state the time and place of the meeting and the items on the agenda, including the general nature of any proposed amendment to the declaration or bylaws, any budget changes, and any proposal to remove a director or officer.

(b) All meetings of the association and the board of directors shall be open to all members of the association or any person designated by a member in writing as the member's representative and all members or designated representatives so desiring shall be permitted to attend and speak at an appropriate time during the deliberations and proceedings. The board may place reasonable time restrictions on those persons speaking during the meeting but shall permit a member or a member's representative to speak before the association or board takes formal action on an item under discussion in addition to any other opportunities to speak. The board shall provide for a reasonable number of persons to speak on each side of an issue.

(c) Except as otherwise provided for in the declaration, meetings of the association and board of directors shall be conducted in accordance with general principles of parliamentary procedure. The provisions of the most recent edition of Robert's Rules of Order shall govern any procedural matter for which no other provision has been made."

SECTION 4. G.S. 47F-3-116 reads as rewritten:

"**§ 47F-3-116. Lien for assessments.**

(a) Any assessment levied against a lot remaining unpaid for a period of 30 days or longer shall constitute a lien on that lot when a claim of lien is filed of record in the office of the clerk of superior court of the county in which the lot is located in the manner provided herein. Except for fines assessed under G.S. 47F-3-107.1, interest on

unpaid fines and attorneys' fees allowed for the collection of fines, the~~The~~ association may foreclose the claim of lien in like manner as a mortgage on real estate under power of sale under Article 2A of Chapter 45 of the General Statutes. Unless the declaration otherwise provides, fees, charges, late charges, ~~fines, interest,~~interest other than interest on fines, and other charges imposed pursuant to G.S. 47F-3-102, 47F-3-107, ~~47F-3-107.1,~~ and 47F-3-115 are enforceable as assessments under this section. An association may not foreclose an association assessment lien if the debt securing the lien consists solely of fines assessed by the association, interest on unpaid fines, or attorneys' fees incurred by the association solely associated with fines assessed by the association.

A lot owner may redeem the property from any purchaser at a sale foreclosing an association's assessment lien not later than the 180th day after the date the association mails written notice of the sale to the owner under Article 2A of Chapter 45 of the General Statutes.

(b) The lien under this section is prior to all liens and encumbrances on a lot except (i) liens and encumbrances (specifically including, but not limited to, a mortgage or deed of trust on the lot) recorded before the docketing of the claim of lien in the office of the clerk of superior court, and (ii) liens for real estate taxes and other governmental assessments and charges against the lot. This subsection does not affect the priority of mechanics' or materialmen's liens.

(c) A lien for unpaid assessments is extinguished unless proceedings to enforce the lien are instituted within three years after the docketing of the claim of lien in the office of the clerk of superior court.

(d) This section does not prohibit other actions to recover the sums for which subsection (a) of this section creates a lien or prohibit an association taking a deed in lieu of foreclosure.

(e) A judgment, decree, or order in any action brought under this section shall include costs and may include reasonable attorneys' fees for the prevailing ~~party.~~party in an amount not to exceed the amount in controversy. The amount in controversy means the principal obligation due at the time of the filing of the proceeding together with interest on the principal amount actually accrued through the date of the order or judgment.

(f) Where the holder of a first mortgage or first deed of trust of record, or other purchaser of a lot obtains title to the lot as a result of foreclosure of a first mortgage or first deed of trust, such purchaser and its heirs, successors, and assigns, shall not be liable for the assessments against such lot which became due prior to the acquisition of title to such lot by such purchaser. Such unpaid assessments shall be deemed to be common expenses collectible from all the lot owners including such purchaser, its heirs, successors, and assigns.

(g) A claim of lien shall set forth the name and address of the association, the name of the record owner of the lot at the time the claim of lien is filed, a description of the lot, and the amount of the lien claimed."

SECTION 5. Article 3 of Chapter 47F is amended by adding the following new sections to read:

"**§ 47F-3-116.1. Collections.**

(a) Notwithstanding any law or any provisions of the governing documents to the contrary, this section shall apply to debts for assessments that arise on and after January 1, 2006.

(b) An association that seeks to collect delinquent regular or special assessments of an amount less than two thousand five hundred dollars ($2,500), not including any late charges, fees and costs of collection, attorneys' fees, or interest, may not collect that debt through judicial or nonjudicial foreclosure, but may attempt to collect or secure that debt in any of the following ways:

(1) By a civil action in small claims court, pursuant to Article 19 of Chapter 7A of the General Statutes. An association that chooses to proceed by an action in small claims court, and prevails, may enforce the judgment as permitted under Article 28 of Chapter 1 of the General Statutes. The amount that may be recovered in small claims court to collect upon a debt for delinquent assessments may not exceed the jurisdictional limits of the small claims court and shall be the sum of the following:

a. The amount owed as of the date of filing the complaint in the small claims court proceeding.

b. In the discretion of the court, an additional amount described in sub-subdivision a. of this subsection equal to the amount owed for the period from the date the complaint is filed until the estimated date of judgment.

(2) By recording a lien on the owner's separate interest upon which the association may not foreclose until the amount of the delinquent assessments secured by the lien, exclusive of any late charges, fees and costs of collection, attorneys' fees, or interest, equals or exceeds two thousand five hundred dollars ($2,500). An association that chooses to record a lien under these provisions, prior to recording the lien, shall offer the owner and, if so requested by the owner, participate in dispute resolution as set forth in G. S. 7A-38.4A.

(3) Any other manner provided by law, except for judicial or nonjudicial foreclosure.

(c) An association that seeks to collect delinquent regular or special assessments of an amount of two thousand five hundred dollars ($2,500) or more, not including any late charges, fees and costs of collection, attorneys' fees, or interest, may use judicial or nonjudicial foreclosure subject to the following conditions:

(1) Prior to initiating a foreclosure on an owner's separate interest, the association shall offer the owner and, if so requested by the owner, participate in dispute resolution as set forth in G.S. 7A-38.4A. The decision to pursue dispute resolution shall be the choice of the owner, except that binding arbitration shall not be available if the association intends to initiate a judicial foreclosure.

(2) The decision to initiate foreclosure of a lien for delinquent assessments that has been validly recorded shall be made only by the board of

directors of the association and may not be delegated to an agent of the association. The board shall approve the decision by a majority vote of the board members in an executive session. The board shall record the vote in the minutes of that meeting. The board shall maintain the confidentiality of the owner or owners of the separate interest by identifying the matter by the parcel number of the property, rather than the name of the owner or owners.

(3) The board shall provide personal notice to an owner of a separate interest who occupies the separate interest if the board votes to foreclose upon the separate interest. The board shall provide written notice to an owner of a separate interest who does not occupy the separate interest by first-class mail, postage prepaid, at the most current address shown on the books of the association.

(4) A nonjudicial foreclosure by an association to collect upon a debt for delinquent assessments shall be subject to a right of redemption as set forth in G.S. 47F-3-116.

(5) A nonjudicial or judicial foreclosure by an association to collect upon a debt for delinquent assessments shall comply with the following requirements:

a. The minimum bid shall be at least seventy-five percent (75%) of the appraised value, excluding any senior liens subject to which the successful bidder would be taking title.

b. An appraiser appropriately licensed under Article 1 of Chapter 93E of the General Statutes shall perform the exterior appraisal. The cost of the appraisal shall be recouped at sale if the property is auctioned or at cure of the default prior to sale. The appraisal shall be completed at least 30 days, but no more than 60 days, prior to sale unless, in the event of a judicial foreclosure, the court orders a different completion date.

"**§ 47F-3-117. Financial reporting.**

(a) The association shall prepare an annual financial report within 60 days after the close of the fiscal year. The association shall, within 75 days after the close of the fiscal year, provide each lot owner with a copy of the annual financial report or a written notice that a copy of the financial report is available upon request at no charge to the lot owner.

(b) Financial reports shall be prepared as follows:

(1) An association that meets the criteria of this subdivision shall prepare or cause to be prepared a complete set of financial statements in accordance with generally accepted accounting principles. The financial statements shall be based upon the association's total annual revenues, as follows:

a. An association with total annual revenues of one hundred thousand dollars ($100,000) or more, but less than two hundred

thousand dollars ($200,000), shall prepare compiled financial statements.

b. An association with total annual revenues of at least two hundred thousand dollars ($200,000), but less than four hundred thousand dollars ($400,000), shall prepare reviewed financial statements.

c. An association with total annual revenues of four hundred thousand dollars ($400,000) or more shall prepare audited financial statements.

d. An association with total annual revenues of less than one hundred thousand dollars ($100,000) shall prepare a report of cash receipts and expenditures.

(2) An association in a community of fewer than 50 parcels, regardless of the association's annual revenues, may prepare a report of cash receipts and expenditures in lieu of financial statements required by subdivision (1) of this subsection unless the declaration provides otherwise.

(3) A report of cash receipts and disbursement must disclose the amount of receipts by accounts and receipt classifications and the amount of expenses by accounts and expense classifications, including the following, as applicable: costs for security, professional, and management fees and expenses; taxes; costs for recreation facilities; expenses for refuse collection and utility services; expenses for lawn care; costs for building maintenance and repair; insurance costs; administration and salary expenses; and reserves if maintained by the association.

(c) If twenty percent (20%) of the parcel owners petition the board for a level of financial reporting higher than that required by this section, the association shall duly notice and hold a meeting of members within 30 days of receipt of the petition for the purpose of voting on raising the level of reporting for that fiscal year. Upon approval of a majority of the total voting interests of the lot owners, the association shall prepare or cause to be prepared, shall amend the budget or adopt a special assessment to pay for the financial report regardless of any provision to the contrary in the declaration, and shall provide within 90 days of the meeting or the end of the fiscal year, whichever occurs later, one of the following:

(1) Compiled, reviewed, or audited financial statements, if the association is otherwise required to prepare a report of cash receipts and expenditures.

(2) Reviewed or audited financial statements, if the association is otherwise required to prepare compiled financial statements.

(3) Audited financial statements, if the association is otherwise required to prepare reviewed financial statements.

(d) If approved by a majority of the voting interests present at a properly called meeting of the association, an association may prepare or cause to be prepared, one of the following:

(1) A report of cash receipts and expenditures in lieu of a compiled, reviewed, or audited financial statement.

(2) A report of cash receipts and expenditures or a compiled financial statement in lieu of a reviewed or audited financial statement.

(3) A report of cash receipts and expenditures, a compiled financial statement, or a reviewed financial statement in lieu of an audited financial statement."

SECTION 6. G.S. 47F-3-120 reads as rewritten:

"**§ 47F-3-120. Declaration limits on attorneys' fees.**

Except as provided in G.S. 47F-3-116, in an action to enforce provisions of the articles of incorporation, the declaration, bylaws, or duly adopted rules or regulations, the court may award reasonable attorneys' fees to the prevailing party up to a maximum of two thousand five hundred dollars ($2,500), if recovery of attorneys' fees is allowed in the declaration. A lot owner is not liable for attorneys' fees incurred by the association relating to a matter described by notice under G.S. 47F-3-107.1 if the attorneys' fees are incurred before the conclusion of the hearing under G.S. 47F-3-107.1. Attorneys' fees may be collected by the association only if the lot owner is provided a written notice that attorneys' fees and cost will be charged to the lot owner if the delinquency or violation continues after a date certain, at least 10 days after the notice is received by the lot owner."

SECTION 7. Article 3 of Chapter 47F of the General Statutes is amended by adding the following new section to read:

"**§ 47F-3-121. American flag and political sign displays.**

Notwithstanding any provision in any declaration of covenants, no restriction on the use of land shall be construed to:

(1) Regulate or prohibit the display of the flag of the United States, of a size no greater than four feet by six feet, which is displayed in accordance with the patriotic customs set forth in 4 U.S.C. §§ 5-10, as amended, governing the display and use of the flag of the United States unless:

a. For restrictions registered prior to October 1, 2005, the restriction specifically uses the following terms:

1. Flag of the United States of America;

2. American flag; or

3. United States flag.

b. For restrictions registered on or after October 1, 2005, the restriction shall be written on the first page of the instrument or conveyance in print that is in boldface type, capital letters, and no smaller than the largest print used elsewhere in the instrument or conveyance. The restriction shall be construed to regulate or prohibit the display of the United States flag only if

the restriction specifically states: **'THIS DOCUMENT REGULATES OR PROHIBITS THE DISPLAY OF THE FLAG OF THE UNITED STATES OF AMERICA'.**

This subdivision shall apply to owners of property who display the flag of the United States on their property and does not apply to common areas, easements, rights-of-way, or other areas owned by others.

(2) Regulate or prohibit the indoor or outdoor display of a political sign by an association member on that member's property, unless:

a. For restrictions registered prior to October 1, 2005, the restriction specifically uses the term "political signs".

b. For restrictions registered on or after October 1, 2005, the restriction shall be written on the first page of the instrument or conveyance in print that is in boldface type, capital letters, and no smaller than the largest print used elsewhere in the instrument or conveyance. The restriction shall be construed to regulate or prohibit the display of political signs only if the restriction specifically states: **'THIS DOCUMENT REGULATES OR PROHIBITS THE DISPLAY OF THE POLITICAL SIGNS'.**

When permitted under this subdivision, an association may prohibit the display of political signs earlier than 45 days before the day of the election and later than seven days after an election day. An association may regulate the size and number of political signs that may be placed on a member's property if the association's regulation is no more restrictive than any applicable city, town, or county ordinance that regulates the size and number of political signs on residential property. If the local government in which the property is located does not regulate the size and number of political signs on residential property, the association shall permit at least one political sign with the maximum dimensions of 24 inches by 24 inches on a member's property. For the purposes of this subdivision, "political sign" means a sign that attempts to influence the outcome of an election, including supporting or opposing an issue on the election ballot. This subdivision shall apply to owners of property who display political signs on their property and does not apply to common areas, easements, rights-of-way, or other areas owned by others."

SECTION 8. G.S. 47C-3-102(11) reads as rewritten:

"**§ 47C-3-102. Powers of unit owners' association.**

(a) Unless the declaration expressly provides to the contrary, the association, even if unincorporated, may:

...

(11) Impose charges for late payment of ~~assessments~~ assessments, not to exceed the greater of fifteen dollars ($15.00) or ten percent (10%) of

the amount of the unpaid assessment and, after notice and an opportunity to be heard, levy reasonable fines not to exceed one hundred fifty dollars ($150.00) (G.S. 47C-3-107.1) for violations of the declaration, bylaws, and rules and regulations of the association;".

SECTION 9. G.S. 47C-3-107.1 reads as rewritten:

"**§ 47C-3-107.1. Charges for late payments, fines.**

~~The bylaws of the association may provide for a hearing before an adjudicatory panel to determine if a unit owner should be fined not to exceed one hundred fifty dollars ($150.00) for a violation of the declaration, bylaws or rules and regulations of the association. Such panel shall accord to the party charged with the violation notice of the charge, opportunity to be heard and to present evidence, and notice of the decision. Such a fine shall be an assessment secured by lien under G.S. 47C-3-116.~~ Unless a specific procedure for the imposition of fines or suspension of condominium privileges or services is provided for in the declaration, a hearing shall be held before an adjudicatory panel appointed by the executive board to determine if any unit owner should be fined or if condominium privileges or services should be suspended pursuant to the powers granted to the association in G.S. 47C-3-102(11). The adjudicatory panel shall be composed of members of the association who are not officers of the association or members of the executive board. Decisions by the adjudicatory panel shall be appealable by the unit owner to the full executive board. If the executive board fails to appoint an adjudicatory panel to hear such matters, hearings under this section shall be held before the full executive board. The unit owner charged shall be given notice of the charge, opportunity to be heard and to present evidence, and notice of the decision. If it is decided that a fine should be imposed, a fine not to exceed one hundred dollars ($100.00) may be imposed for the violation and without further hearing, for each day more than 10 days after the decision that the violation occurs, up to a maximum of one thousand dollars ($1,000). Such fines shall be assessments secured by liens on the property but may not be foreclosed under G.S. 47C-3-116. If it is decided that a suspension of condominium privileges or services should be imposed, the suspension may be continued without further hearing until the violation or delinquency is cured."

SECTION 10. G.S. 47C-3-108 reads as rewritten:

"**§ 47C-3-108. Meetings.**

(a) A meeting of the association shall be held at least once each year. Special meetings of the association may be called by the president, a majority of the executive board, or by unit owners having twenty percent (20%) or any lower percentage specified in the bylaws of the votes in the association. Not less than 10 nor more than 50 days in advance of any meeting, the secretary or other officer specified in the bylaws shall cause notice to be hand-delivered or sent prepaid by United States mail to the mailing address of each unit or to any other mailing address designated in writing by the unit owner, or sent by electronic means, including by electronic mail over the Internet, to an electronic mailing address designated in writing by the unit owner. The notice of any meeting must state the time and place of the meeting and the items on the agenda, including the general nature of any proposed amendment to the declaration or bylaws, any budget changes, and any proposal to remove a director or officer.

(b) All meetings of the association and the board of directors shall be open to all members of the association or any person designated by a member in writing as the member's representative, and all members or designated representatives so desiring shall be permitted to attend and speak at an appropriate time during the deliberations and proceedings. The board may place reasonable time restrictions on those persons speaking during the meeting but shall permit a member or a member's representative to speak before the association or board takes formal action on an item under discussion in addition to any other opportunities to speak. The board shall provide for a reasonable number of persons to speak on each side of an issue.

(c) Except as otherwise provided for in the declaration, meetings of the association and board of directors shall be conducted in accordance with general principles of parliamentary procedure. The provisions of the most recent edition of Robert's Rules of Order shall govern any procedural matter for which no other provision has been made."

SECTION 11. G.S. 47C-3-116 reads as rewritten:

"**§ 47C-3-116. Lien for assessments.**

(a) Any assessment levied against a unit remaining unpaid for a period of 30 days or longer shall constitute a lien on that unit when filed of record in the office of the clerk of superior court of the county in which the unit is located in the manner provided therefor by Article 8 of Chapter 44 of the General Statutes. Except for fines assessed under G.S. 47C-3-107.1, interest on unpaid fines and attorneys' fees allowed for the collection of fines, the ~~The~~ association's lien may be foreclosed in like manner as a mortgage on real estate under power of sale under Article 2A of Chapter 45 of the General Statutes. Unless the declaration otherwise provides, fees, charges, late charges, ~~fines,~~ and ~~interest~~ interest other than interest on fines, charged pursuant to ~~G.S. 47C-3-102(10), (11), and (12), G.S. 47C-3-107(d), and 47C-3-107.1,~~ G.S. 47C-3-102(10), (11), and (12) and G.S. 47C-3-107(d), are enforceable as assessments under this section. An association may not foreclose an association assessment lien if the debt securing the lien consists solely of fines assessed by the association, interest on unpaid fines, or attorneys' fees incurred by the association solely associated with fines assessed by the association.

A lot owner may redeem the property from any purchaser at a sale foreclosing an association's assessment lien not later than the 180th day after the date the association mails written notice of the sale to the owner under Article 2A of Chapter 45 of the General Statutes.

(b) The lien under this section is prior to all other liens and encumbrances on a unit except (i) liens and encumbrances (specifically including, but not limited to, a mortgage or deed of trust on the unit) recorded before the docketing of the lien in the office of the clerk of superior court, and (ii) liens for real estate taxes and other governmental assessments or charges against the unit. This subsection does not affect the priority of mechanics' or materialmen's liens.

(c) A lien for unpaid assessments is extinguished unless proceedings to enforce the lien are instituted within three years after the docketing thereof in the office of the clerk of superior court.

(d) This section does not prohibit actions to recover sums for which subsection (a) creates a lien or prohibit an association taking a deed in lieu of foreclosure.

(e) A judgment, decree, or order in any action brought under this section ~~must~~ shall include costs and may include reasonable attorneys' fees for the prevailing ~~party.~~party in an amount not to exceed the amount in controversy. The amount in controversy means the principal obligation due at the time of the filing of the proceeding together with interest on the principal amount actually accrued through the date of the order or judgment.

(f) Where the holder of a first mortgage or first deed of trust of record, or other purchaser of a unit, obtains title to the unit as a result of foreclosure of a first mortgage or first deed of trust, such purchaser, and its heirs, successors and assigns, shall not be liable for the assessments against such unit which became due prior to acquisition of title to such unit by such purchaser. Such unpaid assessments shall be deemed to be common expenses collectible from all the unit owners including such purchaser, and its heirs, successors and assigns."

SECTION 12. Article 3 of Chapter 47C of the General Statutes is amended by adding the following new sections to read:

"**§ 47C-3-116.1. Collections.**

(a) Notwithstanding any law or any provisions of the governing documents to the contrary, this section shall apply to debts for assessments that arise on and after January 1, 2006.

(b) An association that seeks to collect delinquent regular or special assessments of an amount less than two thousand five hundred dollars ($2,500), not including any late charges, fees and costs of collection, attorneys' fees, or interest, may not collect that debt through judicial or nonjudicial foreclosure, but may attempt to collect or secure that debt in any of the following ways:

(1) By a civil action in small claims court, pursuant to Article 19 of Chapter 7A of the General Statutes. An association that chooses to proceed by an action in small claims court, and prevails, may enforce the judgment as permitted under Article 28 of Chapter 1 of the General Statutes. The amount that may be recovered in small claims court to collect upon a debt for delinquent assessments may not exceed the jurisdictional limits of the small claims court and shall be the sum of the following:

a. The amount owed as of the date of filing the complaint in the small claims court proceeding.

b. In the discretion of the court, an additional amount described in sub-subdivision a. of this subsection equal to the amount owed for the period from the date the complaint is filed until the estimated date of judgment.

(2) By recording a lien on the owner's separate interest upon which the association may not foreclose until the amount of the delinquent assessments secured by the lien, exclusive of any late charges, fees and costs of collection, attorneys' fees, or interest, equals or exceeds two

thousand five hundred dollars ($2,500). An association that chooses to record a lien under these provisions, prior to recording the lien, shall offer the owner and, if so requested by the owner, participate in dispute resolution as set forth in G. S. 7A-38.4A.

(3) Any other manner provided by law, except for judicial or nonjudicial foreclosure.

(c) An association that seeks to collect delinquent regular or special assessments of an amount of two thousand five hundred dollars ($2,500) or more, not including any late charges, fees and costs of collection, attorneys' fees, or interest, may use judicial or nonjudicial foreclosure subject to the following conditions:

(1) Prior to initiating a foreclosure on an owner's separate interest, the association shall offer the owner and, if so requested by the owner, participate in dispute resolution as set forth in G.S. 7A-38.4A. The decision to pursue dispute resolution shall be the choice of the owner, except that binding arbitration shall not be available if the association intends to initiate a judicial foreclosure.

(2) The decision to initiate foreclosure of a lien for delinquent assessments that has been validly recorded shall be made only by the board of directors of the association and may not be delegated to an agent of the association. The board shall approve the decision by a majority vote of the board members in an executive session. The board shall record the vote in the minutes of that meeting. The board shall maintain the confidentiality of the owner or owners of the separate interest by identifying the matter by the parcel number of the property, rather than the name of the owner or owners.

(3) The board shall provide personal notice to an owner of a separate interest who occupies the separate interest if the board votes to foreclose upon the separate interest. The board shall provide written notice to an owner of a separate interest who does not occupy the separate interest by first-class mail, postage prepaid, at the most current address shown on the books of the association.

(4) A nonjudicial foreclosure by an association to collect upon a debt for delinquent assessments shall be subject to a right of redemption as set forth in G.S. 47C-3-116.

(5) A nonjudicial or judicial foreclosure by an association to collect upon a debt for delinquent assessments shall comply with the following requirements:

a. The minimum bid shall be at least seventy-five percent (75%) of the appraised value, excluding any senior liens subject to which the successful bidder would be taking title.

b. An appraiser appropriately licensed under Article 1 of Chapter 93E of the General Statutes shall perform the exterior appraisal. The cost of the appraisal shall be recouped at sale if the property is auctioned or at cure of the default prior to sale. The

appraisal shall be completed at least 30 days, but no more than 60 days, prior to sale unless, in the event of a judicial foreclosure, the court orders a different completion date.

"**§ 47C-3-116.2. Financial reporting.**

(a) The association shall prepare an annual financial report within 60 days after the close of the fiscal year. The association shall, within 75 days after the close of the fiscal year, provide each lot owner with a copy of the annual financial report or a written notice that a copy of the financial report is available upon request at no charge to the lot owner.

(b) Financial reports shall be prepared as follows:

(1) An association that meets the criteria of this subdivision shall prepare or cause to be prepared a complete set of financial statements in accordance with generally accepted accounting principles. The financial statements shall be based upon the association's total annual revenues, as follows:

a. An association with total annual revenues of one hundred thousand dollars ($100,000) or more, but less than two hundred thousand dollars ($200,000), shall prepare compiled financial statements.

b. An association with total annual revenues of at least two hundred thousand dollars ($200,000), but less than four hundred thousand dollars ($400,000), shall prepare reviewed financial statements.

c. An association with total annual revenues of four hundred thousand dollars ($400,000) or more shall prepare audited financial statements.

d. An association with total annual revenues of less than one hundred thousand dollars ($100,000) shall prepare a report of cash receipts and expenditures.

(2) An association in a community of fewer than 50 parcels, regardless of the association's annual revenues, may prepare a report of cash receipts and expenditures in lieu of financial statements required by subdivision (1) of this subsection unless the declaration provides otherwise.

(3) A report of cash receipts and disbursement must disclose the amount of receipts by accounts and receipt classifications and the amount of expenses by accounts and expense classifications, including the following, as applicable: costs for security, professional, and management fees and expenses; taxes; costs for recreation facilities; expenses for refuse collection and utility services; expenses for lawn care; costs for building maintenance and repair; insurance costs; administration and salary expenses; and reserves if maintained by the association.

(c) If twenty percent (20%) of the parcel owners petition the board for a level of financial reporting higher than that required by this section, the association shall duly notice and hold a meeting of members within 30 days of receipt of the petition for the purpose of voting on raising the level of reporting for that fiscal year. Upon approval of a majority of the total voting interests of the lot owners, the association shall prepare or cause to be prepared, shall amend the budget or adopt a special assessment to pay for the financial report regardless of any provision to the contrary in the declaration, and shall provide within 90 days of the meeting or the end of the fiscal year, whichever occurs later, one of the following:

(1) Compiled, reviewed, or audited financial statements, if the association is otherwise required to prepare a report of cash receipts and expenditures.

(2) Reviewed or audited financial statements, if the association is otherwise required to prepare compiled financial statements.

(3) Audited financial statements, if the association is otherwise required to prepare reviewed financial statements.

(d) If approved by a majority of the voting interests present at a properly called meeting of the association, an association may prepare or cause to be prepared, one of the following:

(1) A report of cash receipts and expenditures in lieu of a compiled, reviewed, or audited financial statement.

(2) A report of cash receipts and expenditures or a compiled financial statement in lieu of a reviewed or audited financial statement.

(3) A report of cash receipts and expenditures, a compiled financial statement, or a reviewed financial statement in lieu of an audited financial statement.

"**§ 47C-3-121. American flag and political sign displays.**

Notwithstanding any provision in any declaration of covenants, no restriction on the use of land shall be construed to:

(1) Regulate or prohibit the display of the flag of the United States, of a size no greater than four feet by six feet, which is displayed in accordance with the patriotic customs set forth in 4 U.S.C. §§ 5-10, as amended, governing the display and use of the flag of the United States unless:

a. For restrictions registered prior to October 1, 2005, the restriction specifically uses the following terms:

1. Flag of the United States of America;

2. American flag; or

3. United States flag.

b. For restrictions registered on or after October 1, 2005, the restriction shall be written on the first page of the instrument or conveyance in print that is in boldface type, capital letters, and no smaller than the largest print used elsewhere in the instrument or conveyance. The restriction shall be construed to

regulate or prohibit the display of the United States flag only if the restriction specifically states: **'THIS DOCUMENT REGULATES OR PROHIBITS THE DISPLAY OF THE FLAG OF THE UNITED STATES OF AMERICA'**.

This subdivision shall apply to owners of property who display the flag of the United States on their property and does not apply to common areas, easements, rights-of-way, or other areas owned by others.

(2) Regulate or prohibit the indoor or outdoor display of a political sign by an association member on that member's property, unless:

a. For restrictions registered prior to October 1, 2005, the restriction specifically uses the term "political signs".

b. For restrictions registered on or after October 1, 2005, the restriction shall be written on the first page of the instrument or conveyance in print that is in boldface type, capital letters, and no smaller than the largest print used elsewhere in the instrument or conveyance. The restriction shall be construed to regulate or prohibit the display of political signs only if the restriction specifically states: **'THIS DOCUMENT REGULATES OR PROHIBITS THE DISPLAY OF THE POLITICAL SIGNS'**.

When permitted under this subdivision, an association may prohibit the display of political signs earlier than 45 days before the day of the election and later than seven days after an election day. An association may regulate the size and number of political signs that may be placed on a member's property if the association's regulation is no more restrictive than any applicable city, town, or county ordinance that regulates the size and number of political signs on residential property. If the local government in which the property is located does not regulate the size and number of political signs on residential property, the association shall permit at least one political sign with the maximum dimensions of 24 inches by 24 inches on a member's property. For the purposes of this subdivision, "political sign" means a sign that attempts to influence the outcome of an election, including supporting or opposing an issue on the election ballot. This subdivision shall apply to owners of property who display political signs on their property and does not apply to common areas, easements, rights-of-way, or other areas owned by others."

SECTION 13. G.S. 47C-4-117 reads as rewritten:

"**§ 47C-4-117. Effect of violations on rights of action; attorney's fees.**

If a declarant or any other person subject to this chapter fails to comply with any provision hereof or any provision of the declaration or bylaws, any person or class of person adversely affected by that failure has a claim for appropriate relief. ~~The court may award reasonable attorney's fees to the prevailing party.~~ Except as otherwise

provided for in G.S. 47C-3-116(e), in an action to enforce provisions of the articles of incorporation, the declaration, bylaws, or duly adopted rules or regulations, the court may award reasonable attorneys' fees to the prevailing party up to a maximum of two thousand five hundred dollars ($2,500), if recovery of attorneys' fees is allowed in the declaration. A unit owner is not liable for attorneys' fees incurred by the association relating to a matter described by notice under G.S. 47C-3-107.1 if the attorneys' fees are incurred before the conclusion of the hearing under G.S. 47C-3-107.1. Attorneys' fees may be collected by the association only if the unit owner is provided a written notice that attorneys' fees and cost will be charged to the unit owner if the delinquency or violation continues after a date certain, at least 10 days after the notice is received by the unit owner."

SECTION 14. This act becomes effective October 1, 2005, and applies to violations occurring on or after that date and fiscal years beginning on or after that date.

HOUSE BILL 1541:
Homeowner Association Amendments

BILL ANALYSIS

Committee:	House Finance	**Date:**	May 26, 2005
Introduced by:	Reps. Earle, Weiss, Stam, Barnhart	**Summary by:**	Martha Walston
Version:	PCS to First Edition H1541-CSLAf-11		Committee Counsel

SUMMARY: House Bill 1541 makes numerous amendments to the existing law affecting both homeowners' associations and condominium unit associations. These amendments include:

- Capping the late payment of assessments,
- Capping attorneys' fees in uncontested actions,
- Reducing the maximum fine that my be imposed from $150 to $100 a day and adding that the fine applies to each day more than five days after the decision,
- Providing owners notice by first class mail and either certified mail or hand-delivery before attorneys' fees and court costs may be assessed and allowing the owner 15 days from the date of the mailing to pay the outstanding balance without the attorneys' fees and court costs,
- Limiting foreclosure to judicial sale when the debt securing a lien consists solely of fines or service, collection, consulting, or administration fees imposed by the association,
- Prohibiting an association from charging a service, collection, consulting or administration fee from the owner unless expressly allowed by declaration,
- Requiring executive boards to provide owners an opportunity to attend and speak at meetings,
- Requiring associations to maintain detailed records and to provide access to owners,
- Limiting restrictions on the display of the U.S. flag and political signs unless the deed of conveyance clearly sets out these restrictions.

BILL ANALYSIS: Sections 1 through 7 of the bill makes changes to Article 3 of the North Carolina Planned Community Act, governing management of a planned community. Sections 8 through 14 make conforming changes to Article 3 of the North Carolina Condominium Act, governing management of the condominium.

Under current law a **planned community** is defined as "real estate with respect to which any person, by virtue of that person's ownership of a lot, is expressly obligated by a declaration to pay real property taxes, insurance premiums, or other expenses to maintain, improve, or benefit other lots or other real estate described in the declaration. Ownership of a lot does not include holding a leasehold interest of less than 20 years in a lot, including renewal options."

Under current law a **condominium** is defined as "real estate, portions of which are designated for separate ownership and the remainder of which is designated for common ownership solely by the owners of those portions. Real estate is not a condominium unless the undivided interests in the common elements are vested in the unit owners."

Section 1 of the bill places a cap on charges for late payment of assessments not to exceed the greater of $25 or 10% of the amount of the unpaid assessment. Current law authorizes a lot owners' association to impose reasonable late payment of assessments but does not provide a cap.

Section 2 of the bill requires the association to publish the names and addresses of all officers and board members of the association within 30 days of their election.

Section 3 of the bill amends the procedures for fines and suspension of planned community privileges or services as follows:

- Provides that a hearing to determine the imposition of fines or suspension of privileges or services may also be held before the executive board. If a hearing is held before an adjudicatory panel, the panel must be composed of members of the association who are not officers of the association or members of the executive board. Current law provides for a hearing only before an adjudicatory panel appointed by the executive board.
- Provides that if a fine is imposed it may not exceed $100 (now $150), and it may not be imposed without further hearing, for each day more than five days after the decision that the violation occurs.
- Provides a process allowing the lot owner to appeal the decision of the adjudicatory panel to the full executive board.

Section 4 of the bill requires that lot owners must be given an opportunity to attend a portion of an executive board meeting and to speak to the executive board about their issues or concerns. The board may place reasonable restrictions on the number of speakers and the time allotted to speak. Unless otherwise provided in the bylaws, meetings of the association and executive board must be conducted under general principles of parliamentary procedure.

Section 5 of the bill amends the statute governing liens for assessments as follows:

- Prohibits an association from foreclosing an assessment lien on the lot in the manner as a mortgage on real estate under power of sale when the debt secured by the lien consists solely of fines, interest on unpaid fines, or attorneys' fees incurred by the association solely associated with fines. However, the association may enforce a lien on the lot by judicial foreclosure. This is a sale of property authorized by order of a judge or clerk.
- Prohibits an association from levying, charging, or attempting to collect a service, collection, consulting, or administration fee from a lot owner unless the fee is expressly allowed in the declaration. Liens securing a debt consisting solely of these fees may only be enforced by judicial foreclosure.
- Makes the following changes to the reasonable attorneys' fees incurred when collecting a debt and enforcing a lien. Current law allows that a judgment, decree, or order in an action under this section shall include costs and reasonable attorneys' fees for the prevailing party:
  - Provides that a lot owner may not be required to pay attorneys' fees and court costs until the owner is notified in writing of the association's intent to seek attorneys' fees and court costs. The notice must be sent by first class mail and either hand-delivered to the owner are sent by certified mail with confirmation of delivery by the U.S. Postal Service. The notice must give the owner 15 days from the mailing of the first class notice to pay the outstanding balance. If the balance is paid within this period then there is no obligation to pay attorneys' fees and court costs. The notice must also inform the lot owner of the opportunity to contact a representative of the association to discuss paying the outstanding balance in installments. The representative's name and telephone number must be set out in the notice.

- If the lot owner does not contest the collection of the debt and enforcement of a lien after the collection of the 15-day period following notice, then reasonable attorneys' fees may not exceed $1,200, not including costs or expenses incurred. This fee limitation does not apply to judicial foreclosures, to other actions to recover the sums that create a lien under this section, or to actions to enforce provisions of the articles of incorporation, the declaration, bylaws, or rules.
- The association, acting through its executive board and in the board's sole discretion, may agree to allow payment of an outstanding balance in installments. Neither the association nor the owner is obligated to offer or accept any proposed installment schedule.

Section 6 of the bill amends the statute governing association records by adding that the association must also make the records of meetings of the association and executive board available for examination by the unit owner or the owner's authorized agents. The association is also required to make an annual income and expense statement and balance sheet available to lot owners at no charge and within 75 days after the close of the fiscal year to which the information relates. A more extensive compilation, review, or audit of the association's books requires a vote of the majority of the executive board or the affirmative vote of two-thirds of the lot owners present or by proxy at an annual meeting or any special meeting.

Section 7 of the bill adds a new section that limits the ability of covenants to regulate the display of a U.S. flag that is no greater than four feet by six feet unless (1) for restrictions registered prior to October 1, 2005, the restriction specifically uses the terms of flag of the USA, American flag, or US flag, and (2) for restrictions registered on or after October 1, 2005, the following restriction is written on the first page of the deed of conveyance in boldface type and capital letters: "**THIS DOCUMENT REGULATES OR PROHIBITS THE DISPLAY OF THE FLAG OF THE UNITED STATES".**

Section 7 of the bill also limits the ability of covenants to regulate the indoor or outdoor display of a political sign by an association member on property owned exclusively by the member unless: (1) for restrictions registered prior to October 1, 2005, the restriction specifically uses the term "political signs", and (2) for restrictions registered on or after October 1, 2005, the following restriction is written on the first page of the deed of conveyance in boldface type and capital letters: "**THIS DOCUMENT REGULATES OR PROHIBITS THE DISPLAY OF THE POLITICAL SIGNS".**

Even when display of political signs is permitted, an association may prohibit the display of the sign earlier than 45 days before the election and later than 7 days after the election. The association may also regulate the size and number of political signs that may be placed on a member's property if the association's regulation is no more restrictive than the local government ordinance regulating size and number of signs on residential property. If there is no local government ordinance, the association must permit at least one political sign with the maximum dimensions of 24 inches by 24 inches.

Sections 8 through 13 of the bill make conforming changes to the article regulating the management of the condominium under the North Carolina Condominium Act.

EFFECTIVE DATE: The act becomes effective October 1, 2005, and applies to violations occurring and proceedings commenced on or after that date and to fiscal years beginning on or after that date.

House Committee on Finance

Minutes

~

June 2, 2005

The House Committee on Finance met on Thursday, June 2, 2005 at 8:30 am in Room 544 of the Legislative Office Building. The following members were present: Chairpersons Alexander, Gibson, Howard, Luebke, and Wainwright; Vice-Chairs Daughtridge, Hill, Ross, and Womble; and Representatives Blackwood, Carney, Faison, Folwell, McGee, Rayfield, Underhill, and Wiley. Also present were Sergeant-at-Arms Bill Freeman, Fred Hines, Dusty Rhodes, and Walter Spell. Staff persons present included Cindy Avrette, Rodney Bizzell, Brenna Erford, Ashley Huffstetler, Linda Millsaps, and Martha Walston. The Agenda and Visitor Registration Sheet are attached and incorporated into these minutes as **attachments 1 and 2**.

Chairwoman Howard called the meeting to order at 8:30 am and recognized the two (2) pages present: Mary Christoph of Alamance County, sponsored by Representative Bordsen; Suzanne Jordan of Wake County, sponsored by Representative Ross.

Chairwoman Howard referred **Senate Bill 92 – WATAUGA DISTRICT U OCCUPANCY TAX** to the Subcommittee on Occupancy Tax.

The first bill under the Committee's consideration was **HB 863 – KERNERSVILLE/WOODFIN LOCAL ACT** (see **attachment 3**). Chairwoman Howard first recognized Representative Hill who moved for the adoption of the proposed committee substitute for the Committee's consideration. The motion was adopted. Cindy Avrette from Research was recognized and explained that House Bill 863 provides for the annexation of approximately 100 acres into the town limits of Woodfin. The proposed committee substitute removes the part of the bill that would have allowed the Town of Kernersville to convey certain property by private sale or trade because it was included in House Bill 787, the Omnibus Local Laws bill that passed the House the previous night. Following the explanation, Representative Alexander moved for a favorable report to the proposed committee substitute and an unfavorable report to the original bill. Seeing no further discussion, Chairwoman Howard called the motion to a vote and it carried without objection.

The next bill considered by the Committee was **HB 945 – OMNIBUS OCCUPANCY TAXES & DURHAM P-P PARTNERSHIPS** (see **attachment 4**). Chairwoman Howard first recognized Representative Carney who moved for the adoption of the proposed committee substitute for the Committee's consideration. The motion was adopted. Chairwoman Howard then recognized Representative Luebke who explained that House Bill 945 is an omnibus occupancy tax bill that includes a number of counties and municipalities and conforms to the standard occupancy tax guidelines. He also stated that the bill clarifies the authority of the County of Durham to enter

into public-private projects. Representative Luebke also reported that the bill had received a favorable report from the Subcommittee on Occupancy Tax. Representative Luebke then offered an amendment (see **attachment 5**). Ashley Huffstetler from Staff was then recognized and explained that the amendment removes the City of Wilson from the bill and provides clarifying language to the Halifax Occupancy Tax. Chairwoman Howard then recognized Representative Womble who stated that he supported the amendment and then moved for its adoption. As there was no further debate, Chairwoman Howard called the motion to a vote and the amendment was adopted. Representative Alexander was then recognized and moved for a favorable report to the proposed committee substitute, incorporating the adopted amendments, and an unfavorable report to the original bill. Representative Daughtridge was then recognized and asked general questions about the Durham public-private partnership provision of the bill. Seeing no further discussion, Chairwoman Howard called the motion to a vote and it carried by consent.

As there was no further business before the Committee, Chairwoman Howard then adjourned the meeting at 8:43 am.

Respectfully submitted,

Representative Julia Howard
Presiding Chair

The orientation of the directions described in this section is True North and the distances described are horizontal ground lengths in feet. Any directions in recorded documents that are used in this description that were not oriented to True North have been rotated for consistency with other record documents that are oriented to True North. It is the intent of this description to describe the property described in Deed Book 760, Page 275, Deed Book 922, Page 377, and Deed Book 1137, Page 454 (conveyed to Sherwood Heights Incorporated) and in Deed Book 1756, Page 537 (conveyed to Thomas W. Coleman) and located outside the corporate limits of the City of Asheville, North Carolina.

All deed book and plat book references in the descriptions in this section refer to documents recorded in the Buncombe County Register of Deeds Office.

SECTION 3. Section 1 of this act shall apply only to the Town of Kernersville. Section 2 of this act shall apply only to the Town of Woodfin.

SECTION 4. This act is effective when it becomes law.

HOUSE BILL 863:
Woodfin Annexation

BILL ANALYSIS

Committee:	House Finance	**Date:**	June 2, 2005
Sponsored by:	Rep. Sherrill	**Summary by:**	Cindy Avrette
Version:	PCS to Third Edition H863-CSRB		Committee Counsel

SUMMARY: ***House Bill 863 would annex approximately 100 acres into the town limits of Woodfin. The proposed committee substitute removes the part of the bill that would have allowed the Town of Kernersville to convey certain property by private sale or trade because it is included in House Bill 787, the Omnibus Local Laws bill, that passed 2nd and 3rd reading on the House floor last night.***

BILL ANALYSIS: House Bill 863 would annex two tracts of property into the Town of Woodfin. The Town cannot annex the property into the Town under existing annexation laws because the property is not contiguous to its limits and it is contiguous to the city limits of Asheville. It appears that approximately 10 feet separates this property from the corporate limits of Woodfin. One person owns the property and that person has requested that the property be annexed by the Town of Woodfin for development into high end residential development.

EFFECTIVE DATE: The bill would become effective when it becomes law.

A BILL TO BE ENTITLED

AN ACT TO AUTHORIZE THE LEVY OF ROOM OCCUPANCY AND TOURISM DEVELOPMENT TAXES IN CASWELL COUNTY, THE CITIES OF EDEN AND REIDSVILLE, THE TOWNS OF BENSON, BOILING SPRINGS, KENLY, AND YANCEYVILLE, AND TO AMEND OCCUPANCY TAXES IN DURHAM, HALIFAX, SELMA, SMITHFIELD, AND WILSON; AND TO CLARIFY THE AUTHORITY OF THE COUNTY OF DURHAM TO ENTER INTO PUBLIC-PRIVATE PROJECTS.

The General Assembly of North Carolina enacts:

PART I. CASWELL COUNTY OCCUPANCY TAX.

SECTION 1.1. Occupancy Tax. – (a) Authorization and Scope. – The Caswell County Board of Commissioners may levy a room occupancy tax of up to three percent (3%) of the gross receipts derived from the rental of any room, lodging, or accommodation furnished by a hotel, motel, inn, tourist camp, or similar place within the county that is subject to sales tax imposed by the State under G.S. 105-164.4(a)(3). This tax is in addition to any State or local sales tax. This tax does not apply to accommodations furnished by nonprofit charitable, educational, or religious organizations when furnished in furtherance of their nonprofit purpose.

SECTION 1.1.(b) Administration. – A tax levied under this section shall be levied, administered, collected, and repealed as provided in G.S. 153A-155. The penalties provided in G.S. 153A-155 apply to a tax levied under this section.

SECTION 1.1.(c) Distribution and Use of Tax Revenue. – Caswell County shall, on a quarterly basis, remit the net proceeds of the occupancy tax to the Caswell County Tourism Development Authority. The Authority shall use at least two-thirds of the funds remitted to it under this subsection to promote travel and tourism in Caswell and shall use the remainder for tourism-related expenditures.

The following definitions apply in this subsection:

(1) Net proceeds. – Gross proceeds less the cost to the county of administering and collecting the tax, as determined by the finance officer, not to exceed three percent (3%) of the first five hundred thousand dollars ($500,000) of gross proceeds collected each year and one percent (1%) of the remaining gross receipts collected each year.

(2) Promote travel and tourism. – To advertise or market an area or activity, publish and distribute pamphlets and other materials, conduct market research, or engage in similar promotional activities that attract tourists or business travelers to the area. The term includes administrative expenses incurred in engaging in the listed activities.

(3) Tourism-related expenditures. – Expenditures that, in the judgment of the Tourism Development Authority, are designed to increase the use of lodging facilities, meeting facilities, or convention facilities in a county or to attract tourists or business travelers to the county. The term includes tourism-related capital expenditures.

SECTION 1.2. Caswell County Tourism Development Authority. – (a) Appointment and Membership. – When the Caswell County Board of Commissioners adopts a resolution levying a room occupancy tax under this act, it shall also adopt a resolution creating a county Tourism Development Authority, which shall be a public authority under the Local Government Budget and Fiscal Control act. The resolution shall provide for the membership of the Authority, including the members' terms of office, and for the filling of vacancies on the Authority. At least one-third of the members must be individuals who are affiliated with businesses that collect the tax in the county, and at least one-half of the members must be individuals who are currently active in the promotion of travel and tourism in the county. The board of commissioners shall designate one member of the Authority as chair and shall determine the compensation, if any, to be paid to members of the Authority.

The Authority shall meet at the call of the chair and shall adopt rules of procedure to govern its meetings. The Finance Officer for Caswell County shall be the ex officio finance officer of the Authority.

SECTION 1.2.(b) Duties. – The Authority shall expend the net proceeds of the tax levied under this act for the purposes provided in this act. The Authority shall promote travel, tourism, and conventions in the county, sponsor tourist-related events and activities in the county, and finance tourist-related capital projects in the county.

SECTION 1.2.(c) Reports. – The Authority shall report quarterly and at the close of the fiscal year to the Caswell County Board of Commissioners on its receipts and expenditures for the preceding quarter and for the year in such detail as the board may require.

PART II. EDEN OCCUPANCY TAX.

SECTION 2.1. Occupancy Tax. – (a) Authorization and Scope. – The Eden City Council may levy a room occupancy tax of up to three percent (3%) of the gross receipts derived from the rental of any room, lodging, or accommodation furnished by a hotel, motel, inn, tourist camp, or similar place within the city that is subject to sales tax

imposed by the State under G.S. 105-164.4(a)(3). This tax is in addition to any State or local sales tax. This tax does not apply to accommodations furnished by nonprofit charitable, educational, or religious organizations when furnished in furtherance of their nonprofit purpose.

SECTION 2.1.(b) Administration. – A tax levied under this section shall be levied, administered, collected, and repealed as provided in G.S. 160A-215. The penalties provided in G.S. 160A-215 apply to a tax levied under this section.

SECTION 2.1.(c) Distribution and Use of Tax Revenue. – The City of Eden shall, on a quarterly basis, remit the net proceeds of the occupancy tax to the Eden Tourism Development Authority. The Authority shall use at least two-thirds of the funds remitted to it under this subsection to promote travel and tourism in Eden and shall use the remainder for tourism-related expenditures.

The following definitions apply in this subsection:

(1) Net proceeds. – Gross proceeds less the cost to the city of administering and collecting the tax, as determined by the finance officer, not to exceed three percent (3%) of the first five hundred thousand dollars ($500,000) of gross proceeds collected each year and one percent (1%) of the remaining gross receipts collected each year.

(2) Promote travel and tourism. – To advertise or market an area or activity, publish and distribute pamphlets and other materials, conduct market research, or engage in similar promotional activities that attract tourists or business travelers to the area. The term includes administrative expenses incurred in engaging in the listed activities.

(3) Tourism-related expenditures. – Expenditures that, in the judgment of the Tourism Development Authority, are designed to increase the use of lodging facilities, meeting facilities, or convention facilities in a city or to attract tourists or business travelers to the city. The term includes tourism-related capital expenditures.

SECTION 2.2. Eden Tourism Development Authority. – (a) Appointment and Membership. – When the Eden City Council adopts a resolution levying a room occupancy tax under this act, it shall also adopt a resolution creating a city Tourism Development Authority, which shall be a public authority under the Local Government Budget and Fiscal Control Act. The resolution shall provide for the membership of the Authority, including the members' terms of office, and for the filling of vacancies on the Authority. At least one-third of the members must be individuals who are affiliated with businesses that collect the tax in the city, and at least one-half of the members must be individuals who are currently active in the promotion of travel and tourism in the city. The city council shall designate one member of the Authority as chair and shall determine the compensation, if any, to be paid to members of the Authority.

The Authority shall meet at the call of the chair and shall adopt rules of procedure to govern its meetings. The Finance Officer for Eden shall be the ex officio finance officer of the Authority.

SECTION 2.2.(b) Duties. – The Authority shall expend the net proceeds of the tax levied under this act for the purposes provided in this act. The Authority shall

promote travel, tourism, and conventions in the city, sponsor tourist-related events and activities in the city, and finance tourist-related capital projects in the city.

SECTION 2.2.(c) Reports. – The Authority shall report quarterly and at the close of the fiscal year to the Eden City Council on its receipts and expenditures for the preceding quarter and for the year in such detail as the city council may require.

PART III. REIDSVILLE OCCUPANCY TAX.

SECTION 3.1. Occupancy Tax. – (a) Authorization and Scope. – The Reidsville City Council may levy a room occupancy tax of up to three percent (3%) of the gross receipts derived from the rental of any room, lodging, or accommodation furnished by a hotel, motel, inn, tourist camp, or similar place within the city that is subject to sales tax imposed by the State under G.S. 105-164.4(a)(3). This tax is in addition to any State or local sales tax. This tax does not apply to accommodations furnished by nonprofit charitable, educational, or religious organizations when furnished in furtherance of their nonprofit purpose.

SECTION 3.1.(b) Administration. – A tax levied under this section shall be levied, administered, collected, and repealed as provided in G.S. 160A-215. The penalties provided in G.S. 160A-215 apply to a tax levied under this section.

SECTION 3.1.(c) Distribution and Use of Tax Revenue. – The City of Reidsville shall, on a quarterly basis, remit the net proceeds of the occupancy tax to the Reidsville Tourism Development Authority. The Authority shall use at least two-thirds of the funds remitted to it under this subsection to promote travel and tourism in Reidsville and shall use the remainder for tourism-related expenditures.

The following definitions apply in this subsection:

(1) Net proceeds. – Gross proceeds less the cost to the city of administering and collecting the tax, as determined by the finance officer, not to exceed three percent (3%) of the first five hundred thousand dollars ($500,000) of gross proceeds collected each year and one percent (1%) of the remaining gross receipts collected each year.

(2) Promote travel and tourism. – To advertise or market an area or activity, publish and distribute pamphlets and other materials, conduct market research, or engage in similar promotional activities that attract tourists or business travelers to the area. The term includes administrative expenses incurred in engaging in the listed activities.

(3) Tourism-related expenditures. – Expenditures that, in the judgment of the Tourism Development Authority, are designed to increase the use of lodging facilities, meeting facilities, or convention facilities in a city or to attract tourists or business travelers to the city. The term includes tourism-related capital expenditures.

SECTION 3.2. Reidsville Tourism Development Authority. – (a) Appointment and Membership. – When the Reidsville City Council adopts a resolution levying a room occupancy tax under this act, it shall also adopt a resolution creating a city Tourism Development Authority, which shall be a public authority under the Local Government Budget and Fiscal Control Act. The resolution shall provide for the

membership of the Authority, including the members' terms of office, and for the filling of vacancies on the Authority. At least one-third of the members must be individuals who are affiliated with businesses that collect the tax in the city, and at least one-half of the members must be individuals who are currently active in the promotion of travel and tourism in the city. The city council shall designate one member of the Authority as chair and shall determine the compensation, if any, to be paid to members of the Authority.

The Authority shall meet at the call of the chair and shall adopt rules of procedure to govern its meetings. The Finance Officer for Reidsville shall be the ex officio finance officer of the Authority.

SECTION 3.2.(b) Duties. – The Authority shall expend the net proceeds of the tax levied under this act for the purposes provided in this act. The Authority shall promote travel, tourism, and conventions in the city, sponsor tourist-related events and activities in the city, and finance tourist-related capital projects in the city.

SECTION 3.2.(c) Reports. – The Authority shall report quarterly and at the close of the fiscal year to the Reidsville City Council on its receipts and expenditures for the preceding quarter and for the year in such detail as the city council may require.

PART IV. BENSON OCCUPANCY TAX.

SECTION 4.1. Occupancy Tax. – (a) Authorization and Scope. – The Town of Benson may levy a room occupancy tax of up to two percent (2%) of the gross receipts derived from the rental of any room, lodging, or accommodation furnished by a hotel, motel, inn, tourist camp, or similar place within the town that is subject to sales tax imposed by the State under G.S. 105-164.4(a)(3). This tax is in addition to any State or local sales tax. This tax does not apply to accommodations furnished by nonprofit charitable, educational, or religious organizations when furnished in furtherance of their nonprofit purpose.

SECTION 4.1.(b) Administration. – A tax levied under this section shall be levied, administered, collected, and repealed as provided in G.S. 160A-215. The penalties provided in G.S. 160A-215 apply to a tax levied under this section.

SECTION 4.1.(c) Distribution and Use of Tax Revenue. – The Town of Benson shall, on a quarterly basis, remit the net proceeds of the occupancy tax to the Johnston County Tourism Authority created in Chapter 647 of the 1987 Session Laws. The Johnston County Tourism Authority shall use at least two-thirds of the funds remitted to it under this subsection to promote travel and tourism in Benson and shall use the remainder for tourism-related expenditures in Benson. The net proceeds of the occupancy tax levied under this Part shall supplement rather than supplant any proceeds being used in the Town of Benson derived from the occupancy tax levied by Johnston County pursuant to Chapter 647 of the 1987 Session Laws.

The following definitions apply in this subsection:

(1) Net proceeds. – Gross proceeds less the cost to the town of administering and collecting the tax, as determined by the finance officer, not to exceed three percent (3%) of the first five hundred

thousand dollars ($500,000) of gross proceeds collected each year and one percent (1%) of the remaining gross receipts collected each year.

(2) Promote travel and tourism. – To advertise or market an area or activity, publish and distribute pamphlets and other materials, conduct market research, or engage in similar promotional activities that attract tourists or business travelers to the area. The term includes administrative expenses incurred in engaging in these activities.

(3) Tourism-related expenditures. – Expenditures that, in the judgment of the Tourism Authority, are designed to increase the use of lodging facilities, meeting facilities, and convention facilities in a town by attracting tourists or business travelers to the town. The term includes tourism-related capital expenditures.

PART V. BOILING SPRINGS OCCUPANCY TAX.

SECTION 5.1. Occupancy Tax. – (a) Authorization and Scope. – The Boiling Springs Town Council may levy a room occupancy tax of up to three percent (3%) of the gross receipts derived from the rental of any room, lodging, or accommodation furnished by a hotel, motel, inn, tourist camp, or similar place within the town that is subject to sales tax imposed by the State under G.S. 105-164.4(a)(3). This tax is in addition to any State or local sales tax. This tax does not apply to accommodations furnished by nonprofit charitable, educational, or religious organizations when furnished in furtherance of their nonprofit purpose.

SECTION 5.1.(b) Administration. – A tax levied under this section shall be levied, administered, collected, and repealed as provided in G.S. 160A-215. The penalties provided in G.S. 160A-215 apply to a tax levied under this section.

SECTION 5.1.(c) Distribution and Use of Tax Revenue. – The Town of Boiling Springs shall, on a quarterly basis, remit the net proceeds of the occupancy tax to the Boiling Springs Tourism Development Authority. The Authority shall use at least two-thirds of the funds remitted to it under this subsection to promote travel and tourism in Boiling Springs and shall use the remainder for tourism-related expenditures.

The following definitions apply in this subsection:

(1) Net proceeds. – Gross proceeds less the cost to the town of administering and collecting the tax, as determined by the finance officer, not to exceed three percent (3%) of the first five hundred thousand dollars ($500,000) of gross proceeds collected each year and one percent (1%) of the remaining gross receipts collected each year.

(2) Promote travel and tourism. – To advertise or market an area or activity, publish and distribute pamphlets and other materials, conduct market research, or engage in similar promotional activities that attract tourists or business travelers to the area. The term includes administrative expenses incurred in engaging in the listed activities.

(3) Tourism-related expenditures. – Expenditures that, in the judgment of the Tourism Development Authority, are designed to increase the use of lodging facilities, meeting facilities, or convention facilities in a

town or to attract tourists or business travelers to the town. The term includes tourism-related capital expenditures.

SECTION 5.2. Boiling Springs Tourism Development Authority. – (a) Appointment and Membership. – When the Boiling Springs Town Council adopts a resolution levying a room occupancy tax under this act, it shall also adopt a resolution creating a town Tourism Development Authority, which shall be a public authority under the Local Government Budget and Fiscal Control Act. The resolution shall provide for the membership of the Authority, including the members' terms of office, and for the filling of vacancies on the Authority. At least one-third of the members must be individuals who are affiliated with businesses that collect the tax in the town, and at least one-half of the members must be individuals who are currently active in the promotion of travel and tourism in the town. The town council shall designate one member of the Authority as chair and shall determine the compensation, if any, to be paid to members of the Authority.

The Authority shall meet at the call of the chair and shall adopt rules of procedure to govern its meetings. The Finance Officer for Boiling Springs shall be the ex officio finance officer of the Authority.

SECTION 5.2.(b) Duties. – The Authority shall expend the net proceeds of the tax levied under this act for the purposes provided in this act. The Authority shall promote travel, tourism, and conventions in the town, sponsor tourist-related events and activities in the town, and finance tourist-related capital projects in the town.

SECTION 5.2.(c) Reports. – The Authority shall report quarterly and at the close of the fiscal year to the Boiling Springs Town Council on its receipts and expenditures for the preceding quarter and for the year in such detail as the town council may require.

PART VI. KENLY OCCUPANCY TAX.

SECTION 6.1. Occupancy Tax. – (a) Authorization and Scope. – The Town of Kenly may levy a room occupancy tax of up to two percent (2%) of the gross receipts derived from the rental of any room, lodging, or accommodation furnished by a hotel, motel, inn, tourist camp, or similar place within the town that is subject to sales tax imposed by the State under G.S. 105-164.4(a)(3). This tax is in addition to any State or local sales tax. This tax does not apply to accommodations furnished by nonprofit charitable, educational, or religious organizations when furnished in furtherance of their nonprofit purpose.

SECTION 6.1.(b) Administration. – A tax levied under this section shall be levied, administered, collected, and repealed as provided in G.S. 160A-215. The penalties provided in G.S. 160A-215 apply to a tax levied under this section.

SECTION 6.1.(c) Distribution and Use of Tax Revenue. – The Town of Kenly shall, on a quarterly basis, remit the net proceeds of the occupancy tax to the Johnston County Tourism Authority created in Chapter 647 of the 1987 Session Laws. The Johnston County Tourism Authority shall use at least two-thirds of the funds remitted to it under this subsection to promote travel and tourism in Kenly and shall use the remainder for tourism-related expenditures in Kenly. The net proceeds of the

occupancy tax levied under this Part shall supplement rather than supplant any proceeds being used in the Town of Kenly derived from the occupancy tax levied by Johnston County pursuant to Chapter 647 of the 1987 Session Laws.

The following definitions apply in this subsection:

(1) Net proceeds. – Gross proceeds less the cost to the town of administering and collecting the tax, as determined by the finance officer, not to exceed three percent (3%) of the first five hundred thousand dollars ($500,000) of gross proceeds collected each year and one percent (1%) of the remaining gross receipts collected each year.

(2) Promote travel and tourism. – To advertise or market an area or activity, publish and distribute pamphlets and other materials, conduct market research, or engage in similar promotional activities that attract tourists or business travelers to the area. The term includes administrative expenses incurred in engaging in these activities.

(3) Tourism-related expenditures. – Expenditures that, in the judgment of the Tourism Authority, are designed to increase the use of lodging facilities, meeting facilities, and convention facilities in a town by attracting tourists or business travelers to the town. The term includes tourism-related capital expenditures.

The Authority shall meet at the call of the chair and shall adopt rules of procedure to govern its meetings. The Finance Officer for Yanceyville shall be the ex officio finance officer of the Authority.

SECTION 7.2.(b) Duties. – The Authority shall expend the net proceeds of the tax levied under this act for the purposes provided in this act. The Authority shall promote travel, tourism, and conventions in the town, sponsor tourist-related events and activities in the town, and finance tourist-related capital projects in the town.

SECTION 7.2.(c) Reports. – The Authority shall report quarterly and at the close of the fiscal year to the Yanceyville Town Council on its receipts and expenditures for the preceding quarter and for the year in such detail as the town council may require.

PART VIII. DURHAM OCCUPANCY TAX.

SECTION 8.1. Section 7(a) of S.L. 2001-480, as amended by Section 1 of S.L. 2002-36, reads as rewritten:

"**SECTION 7.(a)** If a plan for financing a Performing Arts Theater has not been approved by the Durham City Council and has been disapproved by the Durham County Commissioners within ~~42~~54 months after the levy of the one percent (1%) tax authorized under Section 6(c) of this act, the county's authority to levy the one percent (1%) tax described under Section 6(c) of this act and the levy of the one percent (1%) tax described in this subsection are repealed on the first day of the second month following the ~~42-month~~54-month period.

If construction on the Performing Arts Theater has not begun within ~~42~~54 months after the levy of the one percent (1%) tax authorized under Section 6(c) of this act, the county's authority to levy the one percent (1%) tax described in Section 6(c) of this act and the levy of the one percent (1%) tax described in Section 6(c) of this act are repealed on the first day of the second month following the ~~42-month~~54-month period.

It is the goal of the General Assembly that a plan for financing the Performing Arts Theater shall be adopted within ~~12~~54 months after the levy of the one percent (1%) tax authorized under Section 6(c) of this act, and construction of the Performing Arts Theater shall begin within ~~24~~54 months of the levy of the one percent (1%) tax described in Section 6(c) of this act.

Any funds collected but not spent before the repeal date shall be redistributed to the Durham Convention and Visitors Bureau to promote travel and tourism."

SECTION 8.2. Section 9(e) of S.L. 2001-480, as amended by Section 4 of S.L. 2002-36, reads as rewritten:

"**SECTION 9.(e)** Use of Proceeds From Additional One Percent (1%) Tax After First 24 Months. – The net proceeds of the tax collected under Section 6(c) of this act after the first 24 months that the tax is levied shall be remitted monthly to the Durham Convention and Visitors Bureau as set out in Section 10 of this act. The Bureau shall use and distribute these net proceeds in the following priority order:

(1) To the City of Durham, the first one million four hundred thousand dollars ($1,400,000) collected annually to finance the debt service associated with the construction of the Performing Arts ~~Theater.~~Theater and for the design and engineering costs associated with the construction of the Theater. But no more than two million seven hundred fifty-two thousand dollars ($2,752,000) of those proceeds may be used for design and engineering costs associated with the construction of the Theater. Until those funds are distributed to the City of Durham for that purpose, they shall be held by the Durham Convention and Visitors Bureau in a capital reserve fund as provided by Part 2 of Article 3 of Chapter 159 of the General Statutes except they may be expended as provided by the last sentence of Section 7(a) of this act if the tax is repealed as provided by Section 7(a) of this act. Any interest earned by that fund shall be credited to the fund.

(2) Thirty-two years after the levy of the tax authorized under Section 6(c) of this act, instead of the allocation under subdivision (1) of this subsection, the first one million four hundred thousand dollars ($1,400,000) collected annually shall be used by the Bureau to promote travel and tourism or for tourism related expenditures.

(3) To Durham County, the next five hundred thousand dollars ($500,000) collected annually to be used for improvements to the Museum of Life and Science. This may include the financing of debt service. Any of these funds that are not needed for this purpose shall be returned to the Bureau and used to promote travel and tourism.

(4) The Bureau shall use any net proceeds in excess of that provided by subdivisions (1), (2), and (3) of this subsection to promote travel, tourism, and conventions in Durham County.

As used in this subsection, "annually" means the 12-month period beginning after the first 24 months that the tax authorized under Section 6(c) of this act is levied."

PART IX. HALIFAX COUNTY OCCUPANCY TAX.

SECTION 9. Chapter 377 of the 1987 session laws, as amended by S.L. 2005-46, reads as rewritten:

"Section 1. Occupancy ~~tax.~~Tax. – (a) Authorization and ~~scope.~~Scope. – The Halifax County Board of Commissioners may levy a room occupancy tax of three percent (3%) of the gross receipts derived from the rental of any room, lodging, or similar accommodation furnished by a hotel, motel, inn, or similar place within the county that is subject to sales tax imposed by the State under G.S 105-164.4(a)(3). This tax is in addition to any State or local sales tax. This tax does not apply to accommodations furnished by nonprofit charitable, educational, or religious organizations.

(a1) Authorization of ~~additional tax.~~Additional Tax. – In addition to the tax authorized by subsection (a) of this section, the Halifax County Board of Commissioners may levy an additional room occupancy tax of up to two percent (2%) of the gross receipts derived from the rental of accommodations taxable under subsection (a) of this section. The levy, collection, administration, and repeal of the tax authorized by this subsection ~~must~~shall be in accordance with the provisions of this section. Halifax County may not levy a tax under this subsection unless it also levies the tax authorized under subsection (a) of this section.

(b) Administration. – A tax levied under this section ~~must~~shall be levied, administered, collected, and repealed as provided in G.S. 153A-155. The penalties provided in G.S. 153A-155 apply to a tax levied under this section.
