HOUSE BILL 1250

Short Title:	Durham Satellite Annexations.	(Local)
Sponsors:	Representatives Hall, Wilkins, and Luebke (Primary Sponsors).	
Referred to:	Local Government II, if favorable, Finance.	

March 29, 2007

A BILL TO BE ENTITLED

AN ACT REMOVING THE CAP ON SATELLITE ANNEXATIONS FOR THE CITY OF DURHAM.

The General Assembly of North Carolina enacts:

SECTION 1. G.S. 160A-58.1(b)(5) reads as rewritten:

"(b) A noncontiguous area proposed for annexation must meet all of the following standards:

. . .

(5) The area within the proposed satellite corporate limits, when added to the area within all other satellite corporate limits, may not exceed ten percent (10%) of the area within the primary corporate limits of the annexing city.

This subdivision does not apply to the Cities of Claremont, Concord, Conover, Durham, Elizabeth City, Gastonia, Greenville, Hickory, Kannapolis, Locust, Marion, Mount Airy, Mount Holly, New Bern, Newton, Oxford, Randleman, Rockingham, Sanford, Salisbury, Southport, Statesville, and Washington and the Towns of Angier, Ayden, Benson, Bladenboro, Burgaw, Calabash, Catawba, Clayton, Columbia, Creswell, Dallas, Dobson, Fuquay-Varina, Garner, Godwin, Grimesland, Holly Ridge, Holly Springs, Kenly, Knightdale, Landis, Leland, Louisburg, Maggie Valley, Maiden, Mayodan, Midland, Mocksville, Morrisville, Pembroke, Pine Level, Princeton, Ranlo, Rolesville, Rutherfordton, Shallotte, Smithfield, Spencer, Stem, Stovall, Surf City, Swansboro, Taylorsville, Troy, Wallace, Warsaw, Waynesville, Wendell, Windsor, Yadkinville, and Zebulon."

SECTION 2. This act is effective when it becomes law.

HOUSE BILL 1250:
Durham Satellite Annexations

BILL ANALYSIS

Committee:	Senate Finance	**Date:**	July 11, 2007
Introduced by:	Reps. Hall, Wilkins, Luebke	**Summary by:**	Judy Collier
Version:	First Edition		Research Assistant

SUMMARY: ***House Bill 1250 is a local bill that would exempt the City of Durham from the requirement for satellite annexation that the area to be annexed, when added to the area within all other satellite corporate limits, may not exceed 10% of the area within the primary corporate limits of the annexing city.***

CURRENT LAW: G.S. 160A-58.1 governs the voluntary annexation by a municipality of noncontiguous property. All property owners in the satellite area[1] may petition for voluntary annexation of the noncontiguous property if the property meets the following five standards in G.S. 160A-58.1(b):

1. The nearest point on the proposed satellite corporate limits must be not more than three miles from the primary corporate limits of the annexing city.
2. No point on the proposed satellite corporate limits may be closer to the primary corporate limits of another city than to the primary corporate limits of the annexing city.
3. The area must be so situated that the annexing city will be able to provide the same services within the proposed satellite corporate limits that it provides within its primary corporate limits.
4. If the area proposed for annexation, or any portion thereof, is a subdivision as defined in G.S. 160A-376, all of the subdivision must be included.
5. **The area within the proposed satellite corporate limits, when added to the area within all other satellite corporate limits, may not exceed 10% of the area within the primary corporate limits of the annexing city.**

If the property does not meet the statutory requirements for annexation, the municipality does not have the authority to annex the area. However, the General Assembly can extend the corporate limits of a municipality to encompass areas that the municipality would not statutorily have the authority to annex.

BILL ANALYSIS: House Bill 1250 would permanently exempt the City of Durham from the 5th requirement, which requires that the proposed area for satellite annexation, when added to the area within all other satellite corporate limits, not exceed 10% of the area within the primary corporate limits of the annexing city.

The purpose of the 5th requirement is designed to further the legislative goal of not allowing annexations to undermine the notion of a city as a single, contiguous, and compact entity. In practice, however, the standard has proved to be a problem for many smaller cities, because one large development by itself may easily exceed the 10% limit. Because of this, the General Assembly has exempted a significant number of cities and towns (at least 70) from this 10% rule by local act.

EFFECTIVE DATE: HB 1250 would become effective when it becomes law.

H1250e1-SMRE

[1] G.S. 160A-58.4 provides that satellite corporate limits cannot be considered a part of a municipality's corporate limits for purposes of its ETJ. Therefore, satellite annexations have no effect upon a municipality's ETJ.

SENATE BILL 282
PROPOSED COMMITTEE SUBSTITUTE S282-CSSVx-41 [v.2]

Short Title: Amend Chatham County Occupancy Tax. (Local)

Sponsors:

Referred to:

February 22, 2007

A BILL TO BE ENTITLED

AN ACT TO AUTHORIZE CHATHAM COUNTY TO LEVY AN ADDITIONAL 3% ROOM OCCUPANCY TAX AND TO MAKE OTHER ADMINISTRATIVE CHANGES.

The General Assembly of North Carolina enacts:

SECTION 1. Part 1 of Chapter 642 of the 1993 Session Laws reads as rewritten:

"**PART 1. CHATHAM OCCUPANCY TAX.**

Section 1. Occupancy ~~tax.~~Tax. (a) Authorization and ~~scope.~~ Scope. – The Chatham County Board of Commissioners may ~~by resolution, after not less than 10 days' public notice and after a public hearing held pursuant thereto,~~ levy a room occupancy tax of up to three percent (3%) of the gross receipts derived from the rental of any room, lodging, or accommodation furnished by a hotel, motel, inn, tourist camp, or similar place within the county that is subject to sales tax imposed by the State under G.S. 105-164.4(a)(3). This tax is in addition to any State or local sales tax. This tax does not apply to accommodations furnished by nonprofit charitable, educational, or religious organizations.

(a1) Additional Tax. – In addition to the tax authorized by subsection (a) of this section, the Chatham County Board of Commissioners may levy a room occupancy and tourism development tax of three percent (3%) of the gross receipts derived from the rental of accommodations taxable under subsection (a) of this section. The levy, collection, administration, and repeal of the tax authorized by this section and the use of tax revenue from a tax levied under this subsection shall be in accordance with this Part. Chatham County may not levy a tax under this subsection unless it also levies the tax authorized under subsection (a) of this section.

~~(b) Collection. Every operator of a business subject to the tax levied under this section shall, on and after the effective date of the levy of the tax, collect the tax. This tax shall be collected as part of the charge for furnishing a taxable accommodation. The~~

~~tax shall be stated and charged separately from the sales records, and shall be paid by the purchaser to the operator of the business as trustee for and on account of the county. The tax shall be added to the sales price and shall be passed on to the purchaser instead of being borne by the operator of the business. The county shall design, print, and furnish to all appropriate businesses and persons in the county the necessary forms for filing returns and instructions to ensure the full collection of the tax. An operator of a business who collects the occupancy tax levied under this section may deduct from the amount remitted to the county a discount equal to the discount the State allows the operator for State sales and use tax.~~

(c) Administration. – A tax levied under this Part shall be levied, administered, collected, and repealed as provided in G.S. 153A-155. The penalties provided in G.S. 153A-155 apply to a tax levied under this Part. ~~The county shall administer a tax levied under this section. A tax levied under this section is due and payable to the county finance officer in monthly installments on or before the fifteenth day of the month following the month in which the tax accrues. Every person, firm, corporation, or association liable for the tax shall, on or before the fifteenth day of each month, prepare and render a return on a form prescribed by the county. The return shall state the total gross receipts derived in the preceding month from rentals upon which the tax is levied.~~

~~A return filed with the county finance officer under this section is not a public record as defined by G.S. 132-1 and may not be disclosed except as required by law.~~

~~(d) Penalties. A person, firm, corporation, or association who fails or refuses to file the return or pay the tax required by this section is subject to the civil and criminal penalties set by G.S. 105-236 for failure to pay or file a return for State sales and use taxes. The Chatham County Board of Commissioners has the same authority to waive the penalties for a room occupancy tax that the Secretary of Revenue has to waive the penalties for State sales and use taxes.~~

(e) Distribution and Use of ~~tax revenue.~~ Tax Revenue – Chatham County shall, on a quarterly basis, remit the net proceeds of the occupancy tax to the Chatham County Tourism Development Authority. The Authority shall use at least two-thirds of the ~~net proceeds of the tax levied under this section~~ funds remitted to it under this subsection to promote travel and tourism in Chatham County and shall use the remainder for tourism-related expenditures. The following definitions apply in this subsection:

(1) Net proceeds. – Gross proceeds less the cost to the county of administering and collecting the tax, as determined by the finance officer, not to exceed ~~seven percent (7%) of the gross proceeds.~~three percent (3%) of the first five hundred thousand dollars ($500,000) of gross proceeds collected each year and one percent (1%) of the remaining gross proceeds collected each year.

(2) Promote travel and tourism. – To advertise or market an area or activity, publish and distribute pamphlets and other materials, conduct market research, or engage in similar promotional activities that attract tourists or business travelers to the area. The term includes administrative expenses incurred in engaging in the listed activities.

(3) Tourism-related expenditures. – Expenditures ~~that~~ that, in the judgment of county Tourism Development Authority, are designed to increase the use of lodging ~~facilities~~ facilities, meeting facilities, or convention facilities in the county or to attract tourists or business travelers to the county. The term includes tourism-related capital expenditures.~~expenditures to construct, maintain, operate, or market a convention or meeting facility, a visitors' center, or a coliseum; and other expenditures that, in the judgment of the board of commissioners, will facilitate and promote tourism.~~

~~(f) **Effective date of levy.** A tax levied under this section shall become effective on the date specified in the resolution levying the tax. That date must be the first day of a calendar month, however, and may not be earlier than the first day of the second month after the date the resolution is adopted.~~

~~(g) **Repeal.** A tax levied under this section may be repealed by a resolution adopted by the Chatham County Board of Commissioners. Repeal of a tax levied under this section shall become effective on the first day of a month and may not become effective until the end of the fiscal year in which the repeal resolution was adopted. Repeal of a tax levied under this section does not affect a liability for a tax that was attached before the effective date of the repeal, nor does it affect a right to a refund of a tax that accrued before the effective date of the repeal.~~

Section 1.1. Chatham County Tourism Development Authority. – (a) Appointment and Membership. – When the Chatham County Board of Commissioners adopts a resolution levying a room occupancy tax under this Part, it shall also adopt a resolution creating a county Tourism Development Authority, which shall be a public authority under the Local Government Budget and Fiscal Control Act. The resolution shall provide for the membership of the Authority, including the members' terms of office, and for the filling of vacancies on the Authority. At least one-third of the members must be individuals who are affiliated with businesses that collect the tax in the county, and at least one-half of the members must be individuals who are currently active in the promotion of travel and tourism in the county. The board of commissioners shall designate one member of the Authority as chair and shall determine the compensation, if any, to be paid to members of the Authority.

The Authority shall meet at the call of the chair and shall adopt rules of procedure to govern its meetings. The Finance Officer for Chatham County shall be the ex officio finance officer of the Authority.

(b) Duties. – The Authority shall expend the net proceeds of the tax levied under this Act for the purposes provided in this Act. The Authority shall promote travel, tourism, and conventions in the county, sponsor tourist-related events and activities in the county, and finance tourist-related capital projects in the county.

(c) Reports. – The Authority shall report quarterly and at the close of the fiscal year to the Chatham County Board of Commissioners on its receipts and expenditures for the preceding quarter and for the year in such detail as the board may require."

SECTION 2. G.S. 105-153A-155(g) reads as rewritten:

"(g) This section applies only to Alleghany, Anson, Brunswick, Buncombe, Cabarrus, Camden, Carteret, Chatham, Chowan, Clay, Craven, Cumberland, Currituck, Dare, Davie, Duplin, Durham, Franklin, Granville, Halifax, Madison, Martin, Montgomery, Nash, New Hanover, New Hanover County District U, Pasquotank, Pender, Person, Randolph, Richmond, Rockingham, Rowan, Scotland, Stanly, Transylvania, Tyrrell, Vance, and Washington Counties, to Watauga County District U, and to the Township of Averasboro in Harnett County."

SECTION 3. This act is effective when it becomes law.

SENATE BILL 282:
Amend Chatham Occupancy Tax

BILL ANALYSIS

Committee:	Senate Finance	**Date:**	July 11, 2007
Introduced by:	Sen. Atwater	**Summary by:**	Trina Griffin
Version:	PCS to First Edition S282-CSSVx-41		Committee Counsel

SUMMARY: The Proposed Committee Substitute for Senate Bill 282[1] authorizes Chatham County to increase its room occupancy tax from 3% to 6% and makes other administrative changes to conform the legislation to the occupancy tax guidelines adhered to by the House Finance Committee.

CURRENT LAW: In 1993, the General Assembly authorized Chatham County to levy a room occupancy tax of up to three percent (3%). Currently, the county administers the proceeds and is required to use at least two-thirds of the proceeds to promote travel and tourism and use the remainder for tourism-related expenditures. The funds are not administered by a Tourism Development Authority.

BILL ANALYSIS: The Proposed Committee Substitute for Senate Bill 282 would authorize Chatham County to increase its room occupancy tax from 3% to 6%. It would require the county to establish a Tourism Development Authority and to remit the net proceeds of the room occupancy tax to the Authority. The bill also makes changes to the current administrative provisions so that it conforms to the uniform guidelines adhered to by the House Finance Committee, which are detailed in the following chart:

UNIFORM OCCUPANCY TAX PROVISIONS
Rate – The county tax rate cannot exceed 6% and the city tax rate, when combined with the county rate, cannot exceed 6%.
Use – Two-thirds of the proceeds must be used to promote travel and tourism and the remainder must be used for tourism related expenditures.
Definitions The term "net proceeds", "promote travel and tourism", and "tourism related expenditures" are defined terms.
Administration – The net revenues must be administered by a local tourism development authority that has the authority to determine how the tax proceeds will be used, is created by a local ordinance, and at least ½ of the members must be currently active in the promotion of travel and tourism in the county and 1/3 of the members must be affiliated with organizations that collect the tax.
Costs of Collection – The taxing authority may retain from the revenues its actual costs of collection, not to exceed 3% of the first $500,000 collected each year plus 1% of the remainder collected each year.

EFFECTIVE DATE: This act is effective when it becomes law.

BACKGROUND: Since 1983, the General Assembly has authorized many units of local government to levy a room occupancy tax. In several instances, the General Assembly has authorized both a county and a city within that county to impose an occupancy tax. The rate of tax, the use of the tax proceeds, the administration of the tax, and the body with the authority to determine how the tax proceeds will be spent vary considerably. Over the past several years, there has been a greater effort to make the occupancy taxes uniform. In 1997, the General Assembly enacted uniform municipal and county

administrative provisions for occupancy tax legislation – G.S. 153A-155 and G.S. 160A-215. These provisions provide uniformity in the areas of levy, administration, collection, repeal, and penalties.

The North Carolina Travel and Tourism Coalition has a policy statement for legislation authorizing local occupancy taxes. Many of the principles contained in its statement are similar to the ones established by a House Finance subcommittee on Occupancy Taxes in 1993.

A BILL TO BE ENTITLED

AN ACT TO AUTHORIZE THE TOWN OF CHAPEL HILL AND THE CITY OF ASHEVILLE TO PROVIDE DEVELOPMENT INCENTIVES IN EXCHANGE FOR REDUCTIONS IN ENERGY CONSUMPTION.

The General Assembly of North Carolina enacts:

SECTION 1. The Charter of the Town of Chapel Hill, being Chapter 473 of the 1975 Session Laws, is amended by adding a new section to read:

"Sec. 5.19. Ordinances permitting density bonuses and other land-use development incentives for development projects agreeing to meet energy conservation carbon reduction standards.

For the purpose of reducing the amount of energy consumption by new development, and thereby promoting the public health, safety, and welfare, the Town of Chapel Hill may grant a density bonus, make adjustments to otherwise applicable development requirements, or provide other incentives to a developer within the Town and its extraterritorial planning jurisdiction if the developer agrees to construct new development or reconstruct existing development in a manner that the Town determines, based on generally recognized standards established for such purposes, makes a significant contribution to the reduction of energy consumption."

SECTION 2. The City of Asheville, for the purpose of reducing the amount of energy consumption by new development, and thereby promoting the public health, safety, and welfare, may adopt ordinances to grant a density bonus, make adjustments to otherwise applicable development requirements, or provide other incentives to a developer within the City and its extraterritorial planning jurisdiction if the developer agrees to construct new development or reconstruct existing development in a manner that the City determines, based on generally recognized standards established for such purposes, makes a significant contribution to the reduction of energy consumption.

SECTION 3. This act is effective when it becomes law.

Local Energy Efficiency Incentives

BILL ANALYSIS

Committee:	Senate Finance	**Date:**	July 11, 2007
Introduced by:	Rep. Insko	**Summary by:**	Trina Griffin
Version:	Second Edition		Committee Counsel

SUMMARY: House Bill 1097 would authorize the Town of Chapel Hill and the City of Asheville to provide development incentives in exchange for reductions in energy consumption.

BILL ANALYSIS: House Bill 1097 would authorize the Town of Chapel Hill and the City of Asheville to adopt ordinances to provide incentives to developers within the municipalities and their extraterritorial jurisdictions that agree to construct new development or reconstruct existing development in a manner that the municipality determines makes a significant contribution to the reduction of energy consumption. The Town of Chapel Hill or the City of Asheville may grant a density bonus, make adjustments to otherwise applicable development requirements, or provide other incentives to a developer that meets the aforementioned conditions. Density bonus ordinances permit developers to increase the number of units allowed on a piece of property.

EFFECTIVE DATE: This act would become effective when it becomes law.

A BILL TO BE ENTITLED

AN ACT TO AUTHORIZE THE CONSTRUCTION AND THE FINANCING, WITHOUT APPROPRIATIONS FROM THE GENERAL FUND, OF CERTAIN CAPITAL IMPROVEMENTS PROJECTS OF THE CONSTITUENT INSTITUTIONS OF THE UNIVERSITY OF NORTH CAROLINA.

The General Assembly of North Carolina enacts:

PART I. SELF-LIQUIDATING PROJECTS

SECTION 1. The purpose of this act is: (i) to authorize the construction or acquisition by certain constituent institutions of The University of North Carolina of the capital improvements projects listed in this act for the respective institutions, and (ii) to authorize the financing of these projects with funds available to the institutions from gifts, grants, receipts, self-liquidating indebtedness, Medicare reimbursements for education costs, or other funds, or any combination of these funds, but not including funds received for tuition or appropriated from the General Fund of the State.

SECTION 2. The capital improvements projects, and their respective costs, authorized by this act to be constructed or otherwise acquired and financed as provided in Section 1 of this act, are as follows:

Appalachian State University	
Frank Residence Hall Renovation	$7,461,000
Steam Distribution Improvements – Phase IV	$3,086,000
East Carolina University	
Family Medicine Center – Supplement	$6,000,000
North Carolina State University	
Companion Animal Hospital	$34,000,000
Residence Halls – Improvements and Infrastructure Expansion	$13,000,000

The University of North Carolina at Chapel Hill	
College of Arts and Sciences – Digital Multimedia Center and Music Library	$4,000,000
Rosenau Hall Laboratory Building – Comprehensive Renovation	$1,124,000
Science Complex – Phase I	$20,000,000
Hanes Hall	$750,000
Genomic Sciences Building	$12,500,000
Electrical Infrastructure Improvements	$9,300,000
Information Technology Infrastructure Improvements	$11,800,000
Translational Medicine Program Facility Renovation	$4,000,000
Henry Stadium Renovation	$2,000,000
Carmichael Auditorium – Supplement	$2,000,000
Woollen Gymnasium – Supplement	$2,000,000
McColl Building Expansion and Renovation	$6,500,000
Bell Tower Development Parking	$30,000,000
Chilled Water Infrastructure	$39,600,000
The University of North Carolina at Pembroke	
New Football/Multipurpose Tower	$2,000,000
The University of North Carolina at Wilmington	
Residence Halls – Improvements	$5,000,000
Marine Biotechnology Research Facility	$15,000,000
Western Carolina University	
Residence Halls – Construction/Acquisition	$44,560,000

SECTION 3. At the request of the Board of Governors of The University of North Carolina and upon determining that it is in the best interest of the State to do so, the Director of the Budget may authorize an increase or decrease in the cost of, or a change in the method of, funding the projects authorized by this act. In determining whether to authorize a change in cost or funding, the Director of the Budget may consult with the Joint Legislative Commission on Governmental Operations.

SECTION 4. Pursuant to G.S. 116D-26, the Board of Governors may issue, subject to the approval of the Director of the Budget, at one time or from time to time, special obligation bonds of the Board of Governors for the purpose of paying all or any part of the cost of acquiring, constructing, or providing for the projects authorized by Section 2 and Section 7 of this act. The maximum principal amount of bonds to be issued shall not exceed the specified project costs in Section 2 and Section 7 of this act plus five percent (5%) of such amount to pay issuance expenses, fund reserve funds, pay capitalized interest and pay other related additional costs, plus any increase in the

specific project costs authorized by the Director of the Budget pursuant to Section 3 of this act.

SECTION 5. With respect to the Marine Biotechnology Research Facility project at the University of North Carolina at Wilmington, the institution may accomplish construction and financing through lease arrangements to and from a special purpose entity created or existing for that purpose and through working with other state agencies. The institution may use funds appropriated for the Marine Biotechnology Research Facility from the General Fund of the State on an annual basis to make debt service, lease, or other similar payments necessary to accomplish the financing; provided, however, nothing in this section shall be construed as pledging the full faith and credit of the State towards making such payments.

SECTION 6. With respect to the Residence Halls project at Western Carolina University, the institution may accomplish construction and financing through lease arrangements to and from the Western Carolina University Research and Development Corporation.

SECTION 7. The University of North Carolina at Chapel Hill may accomplish the financing of the acquisition and implementation of certain components of its enterprise administrative systems, including, but not limited to, Student, Human Resources, Payroll, and Finance, in an amount not to exceed fifty-nine million dollars ($59,000,000). Costs related to the project may include, but not be limited to, costs of applicable hardware, software, consulting services, project and support staff, renovation of the Porthole Building on the campus of the University of North Carolina at Chapel Hill, training services, leases of space for the project, and any technical infrastructure components required to implement the systems for the duration of the project. The project shall be deemed to be a "capital facility" and a "special obligation bond project" for purposes of G.S. 116D-22(5).

PART II. REVISE UNIVERSITY GENERAL OBLIGATION INDEBTEDNESS

SECTION 8. Pursuant to Section 2(b) of S.L. 2000-3, the General Assembly finds that it is in the best interest of the State to respond to current educational and research program requirements at Elizabeth City State University by (a) changing the scope of "Mitchell-Lewis Residence Hall – Replacement" to a comprehensive renovation project and by (b) reducing the scope of the "Land Acquisition" project and transferring unused funds to "Lane Hall Classroom Building – Comprehensive Renovation" and "Electrical Distribution System Upgrade" and "Campus Infrastructure Improvements." Section 2(a) of S.L. 2000-3 is therefore amended in the portion under Elizabeth City State University by:

(1) Renaming "Mitchell-Lewis Residence Hall – Replacement" to read "Mitchell-Lewis Residence Hall – Comprehensive Renovation", and

(2) Reducing the allocation to "Land Acquisition" by $650,000, and

(3) Increasing the allocation to "Lane Hall Classroom Building – Comprehensive Renovation" by $600,000, and

(4) Increasing the allocation to "Electrical Distribution System Upgrade" by $25,000, and

(5) Increasing the allocation to "Campus Infrastructure Improvements" by $25,000.

SECTION 9. Pursuant to Section 2(b) of S.L. 2000-3, the General Assembly finds that it is in the best interest of the State to respond to current educational and research program requirements at North Carolina Central University by reducing the scope of "Hoey Building – Comprehensive Renovation" and transferring unused funds to "Pearson Cafeteria – Expansion" and "Eagleson Residence Hall – Comprehensive Renovation". Section 2(a) of S.L. 2000-3 is therefore amended in the portion under North Carolina Central University by:

(1) Reducing the allocation to "Hoey Building – Comprehensive Renovation" by $2,300,000,

(2) Increasing the allocation to "Pearson Cafeteria – Expansion" by $1,000,000, and

(3) Increasing the allocation to "Eagleson Residence Hall – Comprehensive Renovation" by $1,300,000.

PART III. EFFECTIVE DATE

SECTION 10. This act is effective when it becomes law.

S 1241. UNC NON-APPROPRIATED CAPITAL PROJECTS. Filed 3/21/07. TO AUTHORIZE THE CONSTRUCTION AND THE FINANCING, WITHOUT APPROPRIATIONS FROM THE GENERAL FUND, OF CERTAIN CAPITAL IMPROVEMENTS PROJECTS OF THE CONSTITUENT INSTITUTIONS OF THE UNIVERSITY OF NORTH CAROLINA.

This proposed committee substitute (PCS) authorizes the construction or acquisition of the following capital improvement projects by certain constituent institutions of The University of North Carolina and authorizes their financing with funds available to the institutions from gifts, grants, receipts, self-liquidating indebtedness, Medicare reimbursements for education costs, or other funds or a combination of these funds, but not including funds received for tuition or appropriated from the General Fund:

Appalachian State University	
Frank Residence Hall Renovation	$7,461,000
Steam Distribution Improvements – Phase IV	$3,086,000
East Carolina University	
Family Medicine Center – Supplement	$6,000,000
North Carolina State University	
Companion Animal Hospital	$34,000,000
Residence Halls – Improvements and Infrastructure Expansion	$13,000,000
The University of North Carolina at Chapel Hill	
College of Arts and Sciences – Digital Multimedia Center and Music Library	$4,000,000
Rosenau Hall Laboratory Building – Comprehensive Renovation	$1,124,000
Science Complex – Phase I	$20,000,000
Hanes Hall	$750,000
Genomic Sciences Building	$12,500,000
Electrical Infrastructure Improvements	$9,300,000
Information Technology Infrastructure Improvements	$11,800,000
Translational Medicine Program Facility Renovation	$4,000,000
Henry Stadium Renovation	$2,000,000
Carmichael Auditorium – Supplement	$2,000,000
Woollen Gymnasium – Supplement	$2,000,000
McColl Building Expansion and Renovation	$6,500,000
Bell Tower Development Parking	$30,000,000
Chilled Water Infrastructure	$39,600,000
The University of North Carolina at Pembroke

Residence Halls – Improvements	$5,000,000
Marine Biotechnology Research Facility	$15,000,000
Western Carolina University	
Residence Halls – Construction/Acquisition	$44,560,000

At the request of The University of North Carolina Board of Governors, the Director of the Budget may authorize specified changes. Pursuant to GS 116D-26, the Board of Governors may, subject to approval, issue special obligation bonds of the Board of Governors for some projects. The Aquaculture Hatchery Biotech Research Facility at the University of North Carolina at

Wilmington and the Residence Halls at Western Carolina University projects may be accomplished through specified lease arrangements. The University of North Carolina at Chapel Hill may accomplish the financing and acquisition of certain components of its enterprise administrative systems, in an amount up to $59 million, subject to limitations.

The PCS further revises Section 2(b) of S.L. 2000-3 to change the scope of the Mitchell-Lewis Residence Hall replacement project at Elizabeth City State University to a comprehensive renovation project. The PCS also eliminates a land acquisition project at ECSU.

The PCS further revises Section 2(b) of S.L. 2000-3 to reduce the authorization for the Hoey Building comprehensive renovation project at North Carolina Central University and increase the scopes of both the Pearson Cafeteria expansion project and Eagleson Residence Hall comprehensive renovation project.

ASSUMPTIONS AND METHODOLOGY:

Part I. Self-Liquidating Projects

Chart 1 on Page 3 lists each self-liquidating capital improvement project proposed by the Board of Governors of the University of North Carolina for FY 2007-08. There are 24 new capital improvement projects totaling $324,681,000 in improvements. The Board also requests the authority to fund $10,000,000 in supplements to 3 previously authorized self-liquidating capital projects. Five proposed projects will increase student fees to cover debt service payments. Six new projects would require General Fund support for increased operating costs. Financial data for these charts was provided by the Division of Finance, University of North Carolina General Administration.

The University of North Carolina

SB 1241 – UNC Non-Appropriated Capital Projects

- Each year, the University requests legislative authorization for needed capital projects which the campuses proposed to construct using Non-General fund sources. This year's package contains the projects that, if authorized, are expected to begin prior to June 30, 2008.

- The package totals $334 million. It contains 23 new or supplemental capital improvement projects at 7 campuses and 1 ITS replacement project at UNC-CH. All projects have been approved by the Chancellors and Boards of Trustees and by the President and the Board of Governors.

- The projects include academic, research, clinical and administrative space and improvements to student services, residential living, dining, recreation, athletics and parking facilities.

- No funding for constructions will come from General Fund sources. Sources include:

    - 26% from gifts and grants (contributions)
    - 26% from housing and dining receipts
    - 23% from utility and ITS receipts
    - 17% from parking and overhead receipts
    - 7% from federal funds and other funds
    - 1% from student debt service fees

- No support from General Fund sources for operating costs will be required for other than academic facilities or facilities used for academic programs.

- Historically, approximately 60% of University buildings have been constructed with General fund monies and 40% have been constructed by gifts from donors, student feeds and user-generated revenues from University auxiliary operations. Since 1999, the University's contribution to that partnership has exceeded $2.7 billion.

- This bill also contains several modifications to projects authorized by the 2000 bond.

The University of North Carolina

SB 1241 – UNC Non-Appropriated Capital Projects

Each year, the University requests legislative authorization for needed capital projects which the campuses proposed to construct using Non-General fund sources. The package totals **$334 million**. This bill also contains several modifications to projects authorized by the 2000 bond.

Appalachian State University

Frank Residence Hall Renovation **$7,461,000**

This funding would provide for the comprehensive renovation of the 26-year old 49,000 square foot residence hall. Work would include upgrading existing fire safety systems and improving building accessibility.

Steam Distribution Improvements – Phase IV **$3,086,000**

This project would continue a comprehensive program to repair or replace steam distribution and condensate return lines on campus.

East Carolina University

Family Medicine Center – Supplement **$6,000,000**

The proposed increase would enable the campus to extend services from the central utility plant to the building and address the known change in bidding climate and increased costs.

North Carolina State University

Companion Animal Hospital **$34,000,000**

The facility would be a 115,000 square foot teaching hospital with clinical animal spaces and specialty practice areas. The current companion animal hospital functions would move from the existing main building and would provide much needed space for hospital growth. This project would make available approximately 35,000 square feet in the existing main building for use as classrooms, labs, offices, and outreach programs.

Residence Halls – Improvements and Infrastructure Expansion **$13,000,000**

This project would make improvements in campus residence halls including fire safety upgrades, elevator replacements, bathroom renovations, window repairs, interior renovations, and water pipe repairs. The project would also include the installation of new infrastructure, including roads and pathways, to connect the Greek Court area to the campus.

The University of North Carolina at Chapel Hill

College of Arts and Sciences – Digital Multimedia Center and Music Library **$4,000,000**

Rosenau Hall Laboratory Building – Comprehensive Renovation **$1,124,000**

Science Complex – Phase I **$20,000,000**

These three projects were authorized as part of the 2000 Higher Education Bond program and included partial funding from private gifts. The campus has requested the authority to borrow, if needed, funding on an interim basis until construction is complete.

Hanes Hall **$750,000**
The project would include renovation of the fourth floor to expand offices and interview suites for Career Services.

Genomic Sciences Building **$12,500,000**
This facility would provide 210,000 square feet of modern classrooms, laboratories, and offices, including nine wet labs, four bioinformatics labs, a 250-seat lecture hall, a 450-seat lecture hall, an 80-seat classroom, and four 30-seat seminar rooms, serving faculty, post-doctoral fellows, technicians, graduate students and undergraduates.

Electrical Infrastructure Improvements **$9,300,000**
This project would upgrade the medium voltage electrical distribution system at the south substation and continue the build-out of a ductbank serving campus electrical and telecommunications needs. The project includes high speed switches, breakers, cables, and upgraded control system.

Information Technology Infrastructure Improvements **$11,800,000**
This project would upgrade the campus and building fiber optics distribution system. Work would include WiFi connectivity, broadcast-quality video capabilities, network security, and real time communication projects.

Translational Medicine Program Facility Renovation **$4,000,000**
This project would renovate 12,000 square feet of space on the second floor of the Brinkhous-Bullitt Building serving the School of Medicine's Translational Medicine program. The work would create office and conference space that supports the program's translation of research results into clinical applications. Improvements to the building's systems and infrastructure are also included.

Henry Stadium Renovation **$2,000,000**
This project would replace the existing synthetic turf at Henry Stadium, due to age-related wear and tear, in order to improve the safe use of the facility.

Carmichael Auditorium – Supplement **$2,000,000**
Woollen Gymnasium – Supplement **$2,000,000**
The proposed increase would enable the campus to address the known change in bidding climate and the increased costs associated with preserving the necessary project scope.

McColl Building Expansion and Renovation **$6,500,000**
This proposed increase would enable the campus to address the increased costs associated with the original project scope and to renovate approximately 25,000 square feet of additional space on the first through fourth floors.

Bell Tower Development Parking **$30,000,000**
In order to accommodate additional development on campus, surface parking is being abolished to create space for new buildings. The parking deck in this plan would replace spaces lost to the construction of the Genome Sciences Building.

Chilled Water Infrastructure **$39,600,000**
The new plant in the Bell Tower parking lot is critical to the system's hydraulics. It is the oldest plant on campus, has reached the end of its useful life, and needs to be totally renovated and have its capacity increased.

The University of North Carolina at Pembroke

New Football/Multipurpose Tower **$2,000,000**

This project would provide an elevated, fully accessible building to support campus academic, recreational, athletic, and fund-raising activities.

The University of North Carolina at Wilmington

Residence Halls – Improvements **$5,000,000**

This project makes improvements to residence halls on campus including the replacement of existing fire alarm systems, installation of fire sprinkler systems, and updating bathrooms. This project would also replace two, 33-year-old elevators in Galloway Hall, a six-story residence hall serving 400 students.

Marine Biotechnology Research Facility **$15,000,000**

This project would build an approximately 60,000 square-foot marine biotechnology and aquaculture research facility. The facility will house the Marine Biotechnology Initiative as well as the Wilmington Branch of the North Carolina Oyster Hatchery Program and other initiatives seeking to develop and market commercial products from various Marine Science research initiatives.

Western Carolina University

Residence Halls – Construction/Acquisition **$44,560,000**

This project would replace two, 400-bed residence halls. Included in this project is the demolition of the old Dodson Cafeteria, a central cooling plant, and faculty offices for the Honors College which would create a living-learning environment to enhance the student learning experience by co-mingling faculty offices within the traditional residence hall setting.

A BILL TO BE ENTITLED

AN ACT TO AUTHORIZE THE TOWN OF DALLAS TO LEVY A ROOM OCCUPANCY AND TOURISM DEVELOPMENT TAX.

The General Assembly of North Carolina enacts:

SECTION 1. Occupancy tax. – (a) Authorization and Scope. – The Board of Aldermen of the Town of Dallas may levy a room occupancy tax of up to three percent (3%) of the gross receipts derived from the rental of any room, lodging, or accommodation furnished by a hotel, motel, inn, tourist camp, or similar place within the town that is subject to sales tax imposed by the State under G.S. 105-164.4(a)(3). This tax is in addition to any State or local sales tax. This tax does not apply to accommodations furnished by nonprofit charitable, educational, or religious organizations when furnished in furtherance of their nonprofit purpose.

SECTION 1.(b) Administration. – A tax levied under this section shall be levied, administered, collected, and repealed as provided in G.S. 160A-215. The penalties provided in G.S. 160A-215 apply to a tax levied under this section.

SECTION 1.(c) Distribution and Use of Tax Revenue. – The Town of Dallas shall, on a quarterly basis, remit the net proceeds of the occupancy tax to the Dallas Tourism Development Authority. The Authority shall use at least two-thirds of the funds remitted to it under this subsection to promote travel and tourism in Dallas and shall use the remainder for tourism-related expenditures.

The following definitions apply in this subsection:

(1) Net proceeds. – Gross proceeds less the cost to the town of administering and collecting the tax, as determined by the finance officer, not to exceed three percent (3%) of the first five hundred thousand dollars ($500,000) of gross proceeds collected each year and one percent (1%) of the remaining gross receipts collected each year.

(2) Promote travel and tourism. – To advertise or market an area or activity, publish and distribute pamphlets and other materials, conduct

market research, or engage in similar promotional activities that attract tourists or business travelers to the area; the term includes administrative expenses incurred in engaging in the listed activities.

(3) Tourism-related expenditures. – Expenditures that, in the judgment of Dallas Tourism Development Authority, are designed to increase the use of lodging facilities, meeting facilities, or convention facilities in a town or to attract tourists or business travelers to the town. The term includes tourism-related capital expenditures.

SECTION 2. Tourism Development Authority. – (a) Appointment and Membership. – When the Board of Aldermen adopts a resolution levying a room occupancy tax under this act, it shall also adopt a resolution creating the Dallas Tourism Development Authority, which shall be a public authority under the Local Government Budget and Fiscal Control Act. The resolution shall provide for the membership of the Authority, including the members' terms of office, and for the filling of vacancies on the Authority. At least one-third of the members shall be individuals who are affiliated with businesses that collect the tax in the town and at least three-fourths of the members shall be individuals who are currently active in the promotion of travel and tourism in the town. The Board of Aldermen shall designate one member of the Authority as chair and shall determine the compensation, if any, to be paid to members of the Authority.

The Authority shall meet at the call of the chair and shall adopt rules of procedure to govern its meetings. The Finance Officer for the Town of Dallas shall be the ex officio finance officer of the Authority.

SECTION 2.(b) Duties. – The Authority shall expend the net proceeds of the tax levied under this act for the purposes provided in Section 1 of this act. The Authority shall promote travel, tourism, and conventions in the town, sponsor tourist-related events and activities in the town, and finance tourist-related capital projects in the town.

SECTION 2.(c) Reports. – The Authority shall report quarterly and at the close of the fiscal year to the Board of Aldermen on its receipts and expenditures for the preceding quarter and for the year in such detail as the Board of Aldermen may require.

SECTION 3. Administrative provisions. – G.S. 160A-215(g) reads as rewritten:

"(g) This section applies only to Beech Mountain District W, to the Cities of Belmont, Elizabeth City, Eden, Gastonia, Goldsboro, Greensboro, High Point, Kings Mountain, Lexington, Lincolnton, Lumberton, Monroe, Mount Airy, Reidsville, Roanoke Rapids, Shelby, Statesville, Washington, and Wilmington, to the Towns of Ahoskie, Beech Mountain, Benson, Blowing Rock, Boiling Springs, Burgaw, Carolina Beach, Carrboro, Dallas, Dobson, Elkin, Franklin, Jonesville, Kenly, Kure Beach, Mooresville, North Topsail Beach, Pilot Mountain, Selma, Smithfield, St. Pauls, Troutman, Tryon, West Jefferson, Wilkesboro, and Wrightsville Beach, and to the municipalities in Avery and Brunswick Counties."

SECTION 4. This act is effective when it becomes law.

SENATE BILL 154:
Dallas Occupancy Tax

BILL ANALYSIS

Committee:	Senate Finance	**Date:**	July 11, 2007
Introduced by:	Sen. Hoyle	**Summary by:**	Trina Griffin
Version:	PCS to First Edition S154-CSMCx-21		Committee Counsel

SUMMARY: ***The Proposed Committee Substitute for Senate Bill 154[1] authorizes the Town of Dallas to levy a 3% occupancy tax. At least two-thirds of the proceeds would be used to promote travel and tourism and the remainder would be used for tourism-related expenditures. This bill conforms to the guidelines supported by the North Carolina Travel and Tourism Coalition and adhered to by the House Finance Committee.***

CURRENT LAW: The Town of Dallas is located in the Gaston County. While the Town of Dallas does not have authority to levy, the county may currently levy a 3% room occupancy tax.

BILL ANALYSIS: The Proposed Committee Substitute for Senate Bill 154 authorizes the Town of Dallas to levy a room occupancy tax of up to 3%. The proceeds must be remitted to a town Tourism Development Authority (TDA), which must use at least two-thirds of the proceeds to promote travel and tourism and the remainder for tourism-related expenditures. These administrative and use provisions conform to the uniform guidelines referenced above and detailed in the chart below:

UNIFORM OCCUPANCY TAX PROVISIONS
Rate – The county tax rate cannot exceed 6% and the city tax rate, when combined with the county rate, cannot exceed 6%.
Use – Two-thirds of the proceeds must be used to promote travel and tourism and the remainder must be used for tourism related expenditures.
Definitions The term "net proceeds", "promote travel and tourism", and "tourism related expenditures" are defined terms.
Administration – The net revenues must be administered by a local tourism development authority that has the authority to determine how the tax proceeds will be used, is created by a local ordinance, and at least ½ of the members must be currently active in the promotion of travel and tourism in the county and 1/3 of the members must be affiliated with organizations that collect the tax.
Costs of Collection – The taxing authority may retain from the revenues its actual costs of collection, not to exceed 3% of the first $500,000 collected each year plus 1% of the remainder collected each year.

EFFECTIVE DATE: Senate Bill 154 would become effective when it becomes law.

BACKGROUND: Since 1983, the General Assembly has authorized many units of local government to levy a room occupancy tax. In several instances, the General Assembly has authorized both a county and a city within that county to impose an occupancy tax. The rate of tax, the use of the tax proceeds, the administration of the tax, and the body with the authority to determine how the tax proceeds will be spent vary considerably. Over the past several years, there has been a greater effort to make the occupancy taxes uniform. In 1997, the General Assembly enacted uniform municipal and county

administrative provisions for occupancy tax legislation – G.S. 153A-155 and G.S. 160A-215. These provisions provide uniformity in the areas of levy, administration, collection, repeal, and penalties.

The North Carolina Travel and Tourism Coalition has a policy statement for legislation authorizing local occupancy taxes. Many of the principles contained in its statement are similar to the ones established by a House Finance subcommittee on Occupancy Taxes in 1993.

The General Assembly of North Carolina enacts:

SECTION 1. G.S. 14-208.6 reads as rewritten:

"**§ 14-208.6. Definitions.**

The following definitions apply in this Article:

(1a) "Aggravated offense" means any criminal offense that includes either of the following: (i) engaging in a sexual act involving vaginal, anal, or oral penetration with a victim of any age through the use of force or

the threat of serious violence; or (ii) engaging in a sexual act involving vaginal, anal, or oral penetration with a victim who is less than 12 years old.

(1b) "County registry" means the information compiled by the sheriff of a county in compliance with this Article.

(1c) "Division" means the Division of Criminal Information of the Department of Justice.

(1d) "Electronic mail" means the transmission of information or communication by the use of the Internet, a computer, a facsimile machine, a pager, a cellular telephone, a video recorder, or other electronic means sent to a person identified by a unique address or address number and received by that person.

~~(1d)~~(1e) "Employed" includes employment that is full-time or part-time for a period of time exceeding 14 days or for an aggregate period of time exceeding 30 days during any calendar year, whether financially compensated, volunteered, or for the purpose of government or educational benefit.

(1f) "Entity" means a business, or organization that provides Internet service, electronic communications service, remote computing service, online service, electronic mail service or electronic instant message or chat services whether the business or organization is within or outside the State.

(1g) "Instant Message" means a form of real-time text communication between two or more people. The communication is conveyed via computers connected over a network such as the Internet.

~~(1e)~~(1h) "Institution of higher education" means any postsecondary public or private educational institution, including any trade or professional institution, college, or university.

(1i) "Internet" means the global information system that is logically linked together by a globally unique address space based on the Internet Protocol or its subsequent extensions; that is able to support communications using the Transmission Control Protocol/Internet Protocol suite, its subsequent extensions, or other Internet Protocol compatible protocols; and that provides, uses, or makes accessible, either publicly or privately, high-level services layered on the communications and related infrastructure described in this subdivision.

~~(1f)~~(1j) "Mental abnormality" means a congenital or acquired condition of a person that affects the emotional or volitional capacity of the person in a manner that predisposes that person to the commission of criminal sexual acts to a degree that makes the person a menace to the health and safety of others.

~~(1g)~~(1k) "Nonresident student" means a person who is not a resident of North Carolina but who is enrolled in any type of school in the State on a part-time or full-time basis.

~~(1h)~~(1l) "Nonresident worker" means a person who is not a resident of North Carolina but who has employment or carries on a vocation in the State, on a part-time or full-time basis, with or without compensation or government or educational benefit, for more than 14 days, or for an aggregate period exceeding 30 days in a calendar year.

~~(1i)~~(1m) "Offense against a minor" means any of the following offenses if the offense is committed against a minor, and the person committing the offense is not the minor's parent: G.S. 14-39 (kidnapping), G.S. 14-41 (abduction of children), and G.S. 14-43.3 (felonious restraint). The term also includes the following if the person convicted of the following is not the minor's parent: a solicitation or conspiracy to commit any of these offenses; aiding and abetting any of these offenses.

(1n) "Online identifier" means electronic mail address, instant message screen name, user ID, chat or other Internet communication name, but it does not mean social security number, date of birth, or pin number.

(2) "Penal institution" means:

a. A detention facility operated under the jurisdiction of the Division of Prisons of the Department of Correction;

b. A detention facility operated under the jurisdiction of another state or the federal government; or

c. A detention facility operated by a local government in this State or another state.

(2a) "Personality disorder" means an enduring pattern of inner experience and behavior that deviates markedly from the expectations of the individual's culture, is pervasive and inflexible, has an onset in adolescence or early adulthood, is stable over time, and leads to distress or impairment.

(2b) "Recidivist" means a person who has a prior conviction for an offense that is described in G.S. 14-208.6(4).

(3) "Release" means discharged or paroled.

(4) "Reportable conviction" means:

a. A final conviction for an offense against a minor, a sexually violent offense, or an attempt to commit any of those offenses unless the conviction is for aiding and abetting. A final conviction for aiding and abetting is a reportable conviction only if the court sentencing the individual finds that the registration of that individual under this Article furthers the purposes of this Article as stated in G.S. 14-208.5.

b. A final conviction in another state of an offense, which if committed in this State, is substantially similar to an offense

against a minor or a sexually violent offense as defined by this section, or a final conviction in another state of an offense that requires registration under the sex offender registration statutes of that state.

c. A final conviction in a federal jurisdiction (including a court martial) of an offense, which is substantially similar to an offense against a minor or a sexually violent offense as defined by this section.

d. A final conviction for a violation of G.S. 14-202(d), (e), (f), (g), or (h), or a second or subsequent conviction for a violation of G.S. 14-202(a), (a1), or (c), only if the court sentencing the individual issues an order pursuant to G.S. 14-202(l) requiring the individual to register.

(5) "Sexually violent offense" means a violation of G.S. 14-27.2 (first degree rape), G.S. 14-27.3 (second degree rape), G.S. 14-27.4 (first degree sexual offense), G.S. 14-27.5 (second degree sexual offense), G.S. 14-27.5A (sexual battery), G.S. 14-27.6 (attempted rape or sexual offense), G.S. 14-27.7 (intercourse and sexual offense with certain victims), G.S. 14-27.7A(a) (statutory rape or sexual offense of person who is 13-, 14-, or 15-years-old where the defendant is at least six years older), G.S. 14-43.13 (subjecting or maintaining a person for sexual servitude), G.S. 14-178 (incest between near relatives), G.S. 14-190.6 (employing or permitting minor to assist in offenses against public morality and decency), G.S. 14-190.9(a1)(felonious indecent exposure), G.S. 14-190.16 (first degree sexual exploitation of a minor), G.S. 14-190.17 (second degree sexual exploitation of a minor), G.S. 14-190.17A (third degree sexual exploitation of a minor), G.S. 14-190.18 (promoting prostitution of a minor), G.S. 14-190.19 (participating in the prostitution of a minor), G.S. 14-202.1 (taking indecent liberties with children), or G.S. 14-202.3 (Solicitation of child by computer to commit an unlawful sex ~~act).~~act), G.S. 14-318.4(a1)(parent or caretaker commit or permit act of prostitution with or by a juvenile), or G.S. 14-318.4(a2) (commission or allowing of sexual act upon a juvenile by parent or guardian). The term also includes the following: a solicitation or conspiracy to commit any of these offenses; aiding and abetting any of these offenses.

(6) "Sexually violent predator" means a person who has been convicted of a sexually violent offense and who suffers from a mental abnormality or personality disorder that makes the person likely to engage in sexually violent offenses directed at strangers or at a person with whom a relationship has been established or promoted for the primary purpose of victimization.

(7) "Sheriff" means the sheriff of a county in this State.

(8) "Statewide registry" means the central registry compiled by the Division in accordance with G.S. 14-208.14.

(9) "Student" means a person who is enrolled on a full-time or part-time basis, in any postsecondary public or private educational institution, including any trade or professional institution, or other institution of higher education."

SECTION 2. G.S. 14-208.7(b) reads as rewritten:

"(b) The Division shall provide each sheriff with forms for registering persons as required by this Article. The registration form shall ~~require:~~ require all of the following:

(1) The person's full name, each alias, date of birth, sex, race, height, weight, eye color, hair color, drivers license number, and home ~~address;~~address.

(3) A current ~~photograph;~~photograph taken by the sheriff, without charge, at the time of registration.

(4) The person's ~~fingerprints;~~fingerprints taken by the sheriff, without charge, at the time of registration.

(5) A statement indicating whether the person is a student or expects to enroll as a student within a year of registering. If the person is a student or expects to enroll as a student within a year of registration, then the registration form shall also require the name and address of the educational institution at which the person is a student or expects to enroll as a ~~student; and~~student.

(6) A statement indicating whether the person is employed or expects to be employed at an institution of higher education within a year of registering. If the person is employed or expects to be employed at an institution of higher education within a year of registration, then the registration form shall also require the name and address of the educational institution at which the person is or expects to be employed.

(7) Any online identifier that the person uses or intends to use.

~~The sheriff shall photograph the individual at the time of registration and take fingerprints from the individual at the time of registration both of which will be kept as part of the registration form. The registrant will not be required to pay any fees for the photograph or fingerprints taken at the time of registration.~~"

SECTION 3. G.S. 14-208.8(a) reads as rewritten:

"(a) At least 10 days, but not earlier than 30 days, before a person who will be subject to registration under this Article is due to be released from a penal institution, an official of the penal institution ~~shall:~~do all of the following:

(1) Inform the person of the person's duty to register under this Article and require the person to sign a written statement that the person was so informed or, if the person refuses to sign the statement, certify that the person was so ~~informed;~~informed.

(2) Obtain the registration information required under G.S. 14-208.7(b)(1), (2), (5), ~~and (6).~~(6), and (7), as well as the address where the person expects to reside upon the person's ~~release; and~~release.

(3) Send the Division and the sheriff of the county in which the person expects to reside the information collected in accordance with subdivision (2) of this subsection."

SECTION 4. The catch line for G.S. 14-208.9 reads as rewritten:

"**§ 14-208.9. Change of address; change of academic status or educational employment ~~status.~~status; change of online identifier.**"

SECTION 5. G.S. 14-208.9 is amended by adding a new subsection to read:

"(e) If a person required to register changes his or her or obtains a new online identifier, then the person shall, within 10 days, report in person to the sheriff of the county with whom the person registered to provide the new or changed online identifier information to the sheriff. The sheriff shall immediately forward this information to the Division."

SECTION 6. G.S. 14-208.9A(a)(3) reads as rewritten:

"(3) The verification form shall be signed by the person and shall indicate the following:

a. ~~whether~~ Whether the person still resides at the address last reported to the sheriff. If the person has a different address, then the person shall indicate that fact and the new address.

b. Whether the person still uses or intends to use any online identifiers last reported to the sheriff. If the person has any new or different online identifiers, then the person shall provide those online identifiers to the sheriff."

SECTION 7. G.S. 14-208.11(a) is amended by adding a new subdivision to read:

"(10) Fails to inform the registering sheriff of any new or changes to existing online identifiers that the person uses or intends to use."

SECTION 8. G.S. 14-208.14(a) is amended by adding a new subdivision to read:

"(5) To maintain a system allowing an entity to access a list of online identifiers of persons in the central sex offender registry."

SECTION 9. Part 2 of Article 27A of Chapter 14 of the General Statutes is amended by adding a new section to read:

"**§ 14-208.15A. Release of online identifiers to entity; fee.**

(a) The Division may release registry information regarding a registered offender's online identifier to an entity for the purpose of allowing the entity to prescreen users or to compare the online identifier information with information held by the entity as provided by this section.

(b) An entity desiring to prescreen its users or compare its database of registered users to the list of online identifiers of persons in the statewide registry may apply to the Division to access the information. An entity that complies with the criteria developed by the Division regarding the release and use of the online identifier information and

pays the fee may screen new users or compare its database of registered users to the list of online identifiers of persons in the statewide registry as frequently as the Division may allow for the purpose of identifying a registered user associated with an online identifier contained in the statewide registry.

(c) The Division may charge an entity that submits a request for the online identifiers of persons in the statewide registry a fee of one hundred dollars ($100.00). Fees collected under this section shall be credited to the Department of Justice and applied to the cost of providing this service.

(d) The Division shall develop criteria and adopt rules regarding the release and use of online identifier information. The criteria shall include a requirement that the information obtained from the statewide registry shall not be disclosed for any purpose other than for prescreening its users or comparing the database of registered users of the entity against the list of online identifiers of persons in the statewide registry.

(e) An entity that receives a complaint from a user of the entity's services that a person who has an online identifier subject to registration on the statewide registry uses its service to solicit a minor by computer to commit an unlawful sex act as defined in G.S. 14-202.3 shall report that information to the Cyber Tipline at the National Center for Missing and Exploited Children or to the appropriate law enforcement official in this State. The offense is committed in the State for purposes of determining jurisdiction, if the transmission that constitutes the offense either originates in the State or is received in the State.

(f) An entity that complies with this section in good faith is immune from civil or criminal liability resulting from either of the following:

(1) The entity's refusal to provide system service to a person on the basis that the entity reasonably believed that the person was subject to registration under State sex offender registry laws.

(2) A person's criminal or tortious acts when the person is subject to the State sex offender registry laws, and the person:

a. Complied with the requirement to register the person's online identifier, and

b. Committed the criminal or tortious acts against a minor with whom the person had communicated on the entity's system by using the person's registered online identifier."

SECTION 10. Part 2 of Article 27A of Chapter 14 of the General Statutes is amended by adding the following new section to read:

"**§ 14-208.18. Forfeiture of licensing privileges for failure to register on the sex offender and public protection registry.**

(a) Definitions. – The following definitions apply in this section:

(1) 'Licensing board' means a department, division, agency, officer, board, or other unit of State government that issues hunting, fishing, trapping, drivers, or occupational licenses or licensing privileges.

(2) 'Licensing privilege' means the privilege of a person to be authorized to engage in an activity as evidenced by hunting, fishing, or trapping

licenses, regular and commercial drivers licenses, and occupational, professional, and business licenses.

(3) 'Occupational license' means a license, certificate, permit, registration, or any other authorization issued by a licensing board that allows a person to engage in an occupation or profession.

(b) Upon a finding by the sentencing judge that a person who has a reportable conviction or is a recidivist has failed to register with the statewide sex offender and public protection registry, and upon findings as to any specific licensing privileges held by the person, the court may revoke some or all of the privileges until the person has registered with the registry. Upon an order revoking the privileges of a person who has failed to register, the clerk of superior court shall notify the appropriate licensing board that the person has failed to register and that the person's licensing privileges are revoked until the licensing board receives proof of certification by the clerk that the person has registered.

(c) A person may file a request with the clerk of superior court for certification that the person has registered with the statewide registry. A person whose licensing privileges have been revoked under subsection (b) of this section because of a willful failure to comply with the registration requirement may file a request with the clerk of superior court for certification that the person has met the requirements of or is no longer subject to the registry requirement. The clerk shall provide a form to be used for a request for certification. If the clerk finds that the person whose licensing privileges have been revoked under subsection (b) of this section for failure to comply with registering on the statewide registry has complied with or is no longer subject to the registry requirement, then the clerk shall certify that the person has met the requirements of or is no longer subject to the requirements and shall provide a copy of the certification to the person. Upon request of the person, the clerk shall mail a copy of the certification to the appropriate licensing board.

(d) If licensing privileges are revoked under this section, the person may petition the district court for a reinstatement of the person's privileges. The court may order the privileges reinstated conditioned upon compliance with this Article. The court may order the privileges reinstated if the person has complied with or is no longer subject to the registry requirement. Upon reinstatement of the person whose licensing privileges were revoked based on failure to comply with this Article, the clerk of superior court shall certify that the person has complied with or is no longer subject to the requirements of this Article and provide a copy of the certification to the person. Upon request of the person whose licensing privileges are reinstated, the clerk shall mail a copy of the certification to the appropriate licensing board.

(e) A person whose licensing privileges are reinstated under this section may provide a copy of the certification set forth in either subsection (c) or (d) of this section to each licensing agency to which the person applies for reinstatement of licensing privileges. Upon request of the person, the clerk shall mail a copy of the certification to the appropriate licensing board. Upon receipt of a copy of the certification, the licensing board shall reinstate the license.

(f) Upon receipt of notification by the clerk that a person's licensing privileges are revoked pursuant to this section, the board shall note the revocation on its records and take all necessary steps to implement and enforce the revocation. These steps shall not include the board's independent revocation process pursuant to Article 3A of Chapter 150B of the General Statutes, the Administrative Procedure Act, which process is replaced by the court process prescribed by this section. The revocation pertaining to a person shall remain in full force and effect until the board receives certification under this section that the person has complied with the requirements of this Article. The revocation pertaining to the person whose licensing privileges were revoked on the basis of failure to comply with this Article shall remain in full force and effect until the board receives certification of reinstatement under subsection (d) of this section."

SECTION 11. Chapter 93B of the General Statutes is amended by adding a new section to read:

"**§ 93B-13.1. Revocation when licensing privilege forfeited for failure to register on the sex offender and public protection registry.**

(a) Upon receipt of a court order pursuant to G.S. 14-208.18 or notice that an individual has failed to register on the statewide registry as required, the occupational license of a licensee under its jurisdiction shall be revoked. An occupational licensing board shall note the revocation in its records, report the action within 30 days to the Department of Justice, Division of Criminal Statistics, and follow the normal post-revocation rules and procedures of the board as if the revocation had been ordered by the board. The revocation shall remain in effect until the board receives certification by the clerk of superior court or the Division of Criminal Statistics that the licensee has complied with the registry requirements under Part 2 of Article 27A of Chapter 14 of the General Statutes or is no longer subject to the registry requirements that were the basis for the revocation.

(b) If at the time the court revokes a license pursuant to subsection (a) of this section the occupational licensing board has revoked the same license under the licensing board's disciplinary authority over licensees under its jurisdiction and that revocation period is greater than the revocation period resulting from forfeiture pursuant to G.S. 14-208.18, then the revocation period imposed by the occupational licensing board applies. If the period during which the license was revoked was less than two years, the board shall reinstate the license. If, however, the period of revocation was greater than two years, the board may, in its discretion, require the licensee to demonstrate competence as a condition of reinstatement.

(c) If at the time the court revokes a license pursuant to subsection (a) of this section the occupational licensing board has taken disciplinary action pursuant to the same license under the licensing board's disciplinary authority over licensees under its jurisdiction and the duration of that disciplinary action is greater than the revocation period resulting from forfeiture pursuant to G.S. 14-208.18, then the board shall have no obligation to reinstate the license as provided in (b) in this section and the disciplinary action imposed by the board shall continue in effect."

SECTION 12. By December 1, 2007, the Administrative Office of the Courts, in consultation with the North Carolina Department of Justice, North Carolina

Department of Correction, and the North Carolina Sheriffs' Association shall develop a procedure to ensure timely notification to the Division of Criminal Information, Department of Justice, and to sheriffs regarding any person subject to registration under Article 27A of Chapter 14 of the General Statutes who does not receive an active term of imprisonment, as specified in G.S. 14-208.7(a).

SECTION 13.(a) Funds are authorized to be allocated to the Governor's Crime Commission for award as grants to eligible sheriffs' offices to assist with the enforcement of the State's sex offender laws. The grants shall be awarded specifically to enhance and support law efforts by sheriffs to do the following: (i) process and conduct in-person sex offender registrations, (ii) monitor compliance of sex offenders as required under Article 27A of Chapter 14 of the General Statutes, and (iii) conduct activities to investigate and apprehend persons who commit reportable offenses as defined under Article 27A of Chapter 14 of the General Statutes. Eligible sheriffs' offices are required to provide non-State matching funds equal to twenty-five percent (25%) of the grant amount awarded under this section., one-half of which may be in in-kind contributions.

SECTION 13.(b) The Commission shall establish the criteria regarding the eligibility and amount of the awards for the grants described in this section. The grant criteria shall include consideration of all of the following:

(1) The number of convicted sex offenders in the county of the applicant.
(2) The level of community support for the grant award.
(3) Whether the application identifies a problem that is consistent with the purposes of this initiative.
(4) The development and maintenance by the applicant with other public safety agencies to regularly exchange information and intelligence.
(5) Whether the application articulates clearly the jurisdiction's goals, outcomes, and objectives and describes the accountability system and performance measures to determine progress towards achieving them.

SECTION 13.(c) Any grants allocated shall not revert to the General Fund but shall remain with the Commission for the purposes described in this section.

SECTION 13.(d) The grant funds described by this section shall supplement, and not supplant, existing funds and services provided for the tracking of registered sex offenders. The grants shall be subject to established fiscal controls, annual reporting, and accountability requirements specified by the Commission.

SECTION 13.(e) This section is effective only if funds are appropriated to implement it. Nothing in this section shall obligate or require the State to appropriate funds for the purposes set forth in the section.

SECTION 14. Sections 12 and 14 of this act are effective when they become law. Section 13 of this act becomes effective August 1, 2007. The remainder of this act becomes effective December 1, 2007, and applies to persons who are required to register under Article 27A of Chapter 14 of the General Statutes on or after that date. The requirements related to online identifiers apply to persons whose initial registration under Article 27A of Chapter 14 of the General Statutes occurs on or after December 1, 2007, and to persons who are registered under Article 27 of Chapter 14 of the General

Statutes as of December 1, 2007, but only after the first verification of registration that occurs on or after that date.

SENATE BILL 869:
Sex Offender/Register E-Mail Address.-AB

BILL ANALYSIS

Committee:	Senate Finance	**Date:**	July 11, 2007
Introduced by:	Sen. Boseman	**Summary by:**	Trina Griffin
Version:	PCS to Second Edition S869-CSSVf-42		Committee Counsel

SUMMARY: Senate Bill 869 does the following:

- ***It would add two existing criminal offenses to the list of offenses requiring registration on the sex offender registry.***
- ***It would require persons who are required to register on the sex offender registry to register their email addresses and any other 'online identifiers' the person uses or intends to use for communicating on the Internet.***
- ***It would allow entities that provide Internet services to obtain, upon payment of a $100 fee, a list of registered offenders and their online identifiers for the purpose of prescreening users.***
- ***It would provide these entities with immunity from civil and criminal liability for criminal or tortious acts committed against a minor by a person with a registered online identifier who uses the entity's services.***
- ***It would authorize a sentencing judge to revoke any and all licensing privileges, including a drivers, hunting, fishing, occupational, or business license, of a person who fails to properly register on the sex offender registry.***
- ***It would authorize the allocation of funds to the Governor's Crime Commission to be used to award grants to sheriffs' offices to support sex offender enforcement efforts.***

BILL ANALYSIS:

Section 1: Adds definitions to the sex offender registry statutes, including: electronic mail, entity, instant message, internet, and online identifier. Also adds two existing criminal offenses to the list of offenses that would require registration on the sex offender registry:

- G.S. 14-318.4(a1) – Parent or caretaker commit or permit act of prostitution with or by a juvenile.
- G.S. 14-318.4(a2) - Commission or allowing of sexual act upon a juvenile by parent or guardian.

Section 2: Requires that forms used by sheriffs to register sex offenders include any online identifier that the person either uses or intends to use.

Section 3: Amends the statute that requires a confinement facility to collect information for the registry from prisoners who are pending release (more than 10 days, but less than 30 days from release date).

Sections 4 and 5: Requires that the person report in person, within 10 days, to the sheriff to register any new or changed online identifier information. It requires the sheriff to forward this information to the Division of Criminal Information (DCI).

Section 6: Amends the statute requiring semiannual verification to require the offender to provide updated online identifier information.

Section 7: Amends penalty statute to provide that a person who willfully fails to provide an online identifier that the person uses or intends to use is guilty of a Class F felony. As a practical matter, this prohibits a registered offender from using an email address or other online identifier that the person has not registered with the sheriff.

Section 8: Requires the DCI to maintain a system that allows entities to access a list of online identifiers of persons in the sex offender registry.

Section 9:

- Authorizes DCI to release to qualifying entities, upon payment of a $100 fee, online identifier information of registered sex offenders. An entity is defined as a business or organization that provides Internet service, electronic communications service, remote computing service, online service, email service, instant message, or chat service, whether it is within or outside this State. DCI must establish criteria and rules regarding the release and use of information. Specifically, an entity may only use this information to prescreen users or compare the database of registered users of the entity against the online identifiers of persons in the registry.
- Requires an entity that receives a complaint from a user regarding another user who uses the entity's service to solicit a minor to commit an unlawful sex act and who has a registered online identifier to report the information to the Cyber Tipline at the National Center for Missing and Exploited Children or an appropriate law enforcement official.
- Provides immunity to an entity from civil or criminal liability resulting from:
    - The entity's refusal to provide service to a person based on the person's registration in the sex offender registry.
    - Criminal or tortious acts committed by a registered sex offender who registered his or her online identifier and committed the criminal or tortuous acts against a minor with whom the person communicated on the entity's system using the person's registered online identifier.

Section 10: Authorizes the sentencing judge who finds that a person has failed to comply with the sex offender registry laws to revoke some or all of the person's licensing privileges until the person is registered. The statute provides for notification by the clerk of court to the licensing agencies. It also provides that an offender may file with the clerk a request for certification based on meeting the registry requirements or that the person is no longer subject to registration, and may petition the district court for reinstatement.

The boards are to take action on revocations upon receipt of notice, and the actions of the board are not subject to the Administrative Procedures Act. A revocation under the procedure in the statute is to remain in place until such time as the board receives the required notice from the clerk of court.

Section 11: Provides for revocation of an occupational license upon receipt of a court order. The revocation is to remain in place until notification of compliance with the State registry laws. If the period of revocation exceeds two years, the licensing board may, in its discretion, require the licensee to demonstrate competence as a condition of reinstatement. Revocations resulting from the board's own disciplinary action are not superseded by the provisions of the statute.

Section 12: Requires the Administrative Office of the Courts, in consultation with the N.C. Department of Justice, N.C. Department of Correction, and the North Carolina Sheriff's Association, to develop by

December 1, 2007, a timely procedure to notify DCI when a person subject to the registration laws does not received an active term of imprisonment.

Section 13: Authorizes funds to be allocated to the Governor's Crime Commission to award grants to sheriffs' offices. The funds are to be used for assisting in the registration and monitoring requirements of the sex offender registry statutes, and the investigation and apprehension of persons who commit reportable offenses. An eligible sheriff's office would be required to match 25% of the funds. The funds would not revert to the General Fund, and shall not supplant any existing funds provided for tracking registered sex offenders.

PROPOSED COMMITTEE SUBSTITUTE: The PCS makes the following changes to the Second Edition of the bill.

- It amends the definition of 'online identifier' to specifically exclude social security number, date of birth, or pin number.
- It deletes the requirement that an offender execute a voluntary consent form upon registration that would authorize an entity to provide to the sheriff and DCI any information pertaining to the person necessary to determine the veracity of the person's online identifier.
- It changes the requirement that an offender register, in person, changes to or new online identifiers "before using the online identifier" to "within 10 days" of the change to be consistent with the other provisions for providing changed information, including address, academic status, and educational employment status.
- It adds a requirement that entities must report to the Cyber Tipline at the National Center for Missing and Exploited Children or the appropriate law enforcement official when it receives a complaint from a user about another user who is using the entity's service to solicit a minor to commit an unlawful sex act and the person has an email address subject to registration on the sex offender registry.
- It adds a provision that if an offender has a licensing privilege reinstated by the court and the revocation period exceeded two years, then the licensing board would have discretion to require the licensee to demonstrate competence prior to reinstatement.
- It modifies the grant provision by reducing the matching requirement to 25%.
- It modifies the effective date to provide that offenders will be required to register their online identifiers beginning with any initial registrations or verifications of registration that occur on or after December 1, 2007.

EFFECTIVE DATE: Section 12 is effective when it becomes law. Section 13 becomes effective July 1, 2007. The remainder of the act is effective December 1, 2007, and applies to persons who are on the sex offender registry as of that date, and to any person required by law to be on the registry on or after that date.

BILL SUMMARY (General Assembly Research Division)

This act would require persons required to register on the State sex offender registry to include any identifier the person uses or intends to use for the purpose of communicating on the Internet. The identifying information would be available to entities that provide Internet services for the purpose of allowing the entity to prescreen users, or for comparison with the registry for the purpose of protecting minors. The act also provides for the forfeiture of licensing privileges for a person who fails to properly register on the sex offender registry, and adds offenses which will require registration. The act applies to persons who are on the sex offender registry on or after December 1, 2007.

Section 1: Adds definitions to the sex offender registry statutes, including: electronic mail, entity, instant message, internet, and on-line identifier. Also adds two new offenses under the definition of "sexually violent offense"

- G.S. 14-318.4(a1) – Parent or caretaker commit or permit act of prostitution with or by a juvenile.
- G.S. 14-318.4(a2) - Commission or allowing of sexual act upon a juvenile by parent or guardian.

Section 2: Requires that forms used by sheriffs to register sex offenders include any online identifier that the person either uses, or intends to use. The registrant would also be required to execute a consent form that allows entities (as defined by the act) to provide information to the sheriff and Division of Criminal Information (DCI) necessary to determine accuracy of registry information.

Section 3: Amends the statute that requires a confinement facility to collect information for the registry from prisoners who are pending release (more than 10 days, but less than 30 days from release date).

Section 4: Amends catch line of statute.

Section 5: Prohibits a person required to register from using any online identifier that is not included in their registration. Also requires that the person report in person to the sheriff to register any changes, and to execute the necessary consent form authorizing entities to release information.

Section 6: Amends the statute requiring semiannual verification to provide for an updated or new consent form authorizing an entity to provide information to the Sheriff and the DCI.

Section 7: Amends penalty statute to provide that a person who willfully fails to provide an online identifier is guilty of a Class F felony.

Section 8: Requires the DCI to maintain a system that allows entities to compare the database of registered users of the entity to the line of online identifiers of persons in the sex offender registry.

Section 9: Requires the DCI to develop criteria and adopt rules for allowing entities, for a fee of one hundred dollars ($100), to review the database of online identifiers. The authorized purposes include the

prescreening of users or comparing the database of registered users of the entity against the online identifiers of persons in the registry to protect children from online sexual predators. The rules shall also require that the entity notify the DCI when a comparison indicates that a registered offender's online identifier is being used on the entity's system.

Section 10: Authorizes a judge who finds that a person has failed to comply with the sex offender registry laws to revoke some or all of the person's licensing privileges until the person has registered. The statute provides for notifications to the licensing agencies; requests for certification based on meeting the registry requirements or that the person is no longer subject to registration, to be filed with the clerk of court; and petitions to the district court for reinstatement.

The boards are to take action on revocations upon receipt of notice, and the actions of the board are not subject to the Administrative Procedures Act. A revocation under the procedure in the statute is to remain in place until such time as the board receives the required notice from the clerk of court.

Section 11: Provides for revocation of an occupational license upon receipt of a court order. The revocation is to remain in place until notification of compliance with the State registry laws. Revocations resulting from the board's own disciplinary action are not superseded by the provisions of the statute.

Section 12: Requires the Administrative Office of the Courts, in consultation with the N.C. Department of Justice, N.C. Department of Correction, and the North Carolina Sheriff's Association, to develop by December 1, 2007, a timely procedure to notify DCI when a person subject to the registration laws does not received an active term of imprisonment.

Section 13.(a) – Section 13.(e) Authorizes funds to the Department of Crime Control and Public Safety, to be allocated to the Governor's Crime Commission to award grants to sheriffs' offices. The funds are to be used for assisting in the registration and monitoring requirements of the sex offender registry statutes, and the investigation and apprehension of persons who commit reportable offenses. The funds would be available on a matching grant basis, dollar for dollar.

The funds would not revert to the General Fund, and shall not supplant any existing funds provided for tracking registered sex offenders.

<u>The Proposed Committee Substitute makes the following changes to the Second Edition of the bill:</u>

- It amends the definition of 'online identifier' to specifically exclude social security number, date of birth, or pin number.
- It deletes the requirement that an offender execute a voluntary consent form upon registration that would authorize an entity to provide to the sheriff and DCI any information pertaining to the person necessary to determine the veracity of the person's online identifier.
- It changes the requirement that an offender register, in person, changes to or new online identifiers "before using the online identifier" to "within 10 days" of the change to be consistent with the other provisions for providing changed information, including address, academic status, and educational employment status.
- It adds a requirement that entities must report to the Cyber Tipline at the National Center for Missing and Exploited Children or the appropriate law enforcement official when it receives a complaint from a user about another user who is using the entity's service to solicit a minor to commit an unlawful sex act and the person has an email address subject to registration on the sex offender registry.
- It adds a provision that if an offender has a licensing privilege reinstated by the court and the revocation period exceeded two years, then the licensing board would have discretion to require the licensee to demonstrate competence prior to reinstatement.

- It modifies the grant provision by reducing the matching requirement to 25%.
- It modifies the effective date to provide that offenders will be required to register their online identifiers beginning with any initial registrations or verifications of registration that occur on or after December 1, 2007.

ASSUMPTIONS AND METHODOLOGY:

The proposed committee substitute does not affect the estimated fiscal impact of this bill.

General

The Sentencing and Policy Advisory Commission prepares prison population projections for each bill containing a criminal penalty. The Commission assumes for such bills that expanding existing, or creating new criminal offenses produces no deterrent or incapacitative effect on crime. Therefore, the Fiscal Research Division does not assume deterrent effects for any criminal penalty bill.

Department of Correction – Division of Prisons

The chart below depicts the projected inmate population relative to available prison bed capacity system-wide. Capacity projections assume operation at Expanded Operating Capacity,[1] and represent the total number of beds in operation, or authorized for construction or operation as of December 6, 2006. Official Department of Correction capacity projections also assume the General Assembly will fund 500 additional prison beds, generated by partial double-celling of the future Tabor City facility (inmate admission FY 2008-09). However, Fiscal Research does not include these 500 beds in capacity estimates (row two), since these beds have not been authorized for funding.

Based on the most recent population projections and estimated bed capacity, *there are no surplus prison beds available for the five-year fiscal note horizon or beyond.* Therefore, the number of *additional beds needed* (row five) is *always equal to* the projected number of *additional inmates* resulting from a bill (row four). Rows four and five in the chart demonstrate the impact of SB 869. As shown, the Sentencing Commission estimates that this specific legislation will add 16 inmates to the prison system by the end of FY 2011-12.

	June 30 2008	June 30 2009	June 30 2010	June 30 2011	June 30 2012
1. Projected No. of Inmates Under Current Structured Sentencing Act [2]	39,621	40,236	41,021	41,848	42,718
2. Projected No. of Available Prison Beds (DOC Expanded Capacity)	38,505	39,353	39,353	39,353	39,353
3. Projected No. of Beds Over/Under Inmate Population	-1,116	-883	-1,668	-2,495	-3,365
4. Projected No. of Additional					

[1] Expanded Operating Capacity (EOC) is: 1) the number of single cells housing one inmate, 2) the number of single cells housing two inmates, and 3) the number of beds in dormitories, allowing between 35 (130% of SOC) and 50 (SOC) square feet per inmate.

[2] The Sentencing and Policy Advisory Commission prepares inmate population projections annually. These projections are derived from: historical information on incarceration and release rates under Structured Sentencing; crime rate forecasts by a technical advisory group; probation and offender revocation rates; and the decline (parole and max-outs) of the stock prison population sentenced under prior sentencing acts. Projections were updated in December 2006.

Inmates Due to this Bill[3]	*N/A*	*6*	*16*	*16*	*16*
5. No. of Additional Beds Needed Each Fiscal Year Due to this Bill	***N/A***	***6***	***16***	***16***	***16***

POSITIONS: It is anticipated that by FY 2011-12, approximately 6 positions would be needed to supervise the additional inmates housed under this bill. This position total includes security, program, and administrative personnel at a ratio of approximately one employee for every 2.5 inmates. This ratio is the combined average of the last seven prisons opened by DOC – two of the prisons were medium custody and five were close custody.

FISCAL IMPACT BEYOND FIVE YEARS: Fiscal notes examine a bill's impact over a five-year horizon, through FY 2011-12. However, when information is available, Fiscal Research also attempts to quantify longer-term impacts. Accordingly, the chart below illustrates the projected number of available beds given current conditions; the projected number of additional inmates due to (bill number); and, the estimated number of new beds required each year through FY 2015-16.

	June 30 2013	June 30 2014	June 30 2015	June 30 2016
1. Available Beds (Over/Under) Under Current Structured Sentencing	-4,234	-5,117	-5,996	-6,866
2. ***Projected No. of Additional Inmates Resulting From (Bill Number)***				
3. ***Estimated No. of New Beds Required Under (Bill Number)***		***Cannot be determined***		

CONSTRUCTION: Construction costs for new prison beds, listed in the following chart, are derived from Department of Correction cost range estimates (FY 2006-07) for each custody level, and assume Expanded Operating Capacity (EOC). Figures represent the midpoints of each range.

As shown, there are two primary options for prison bed construction: 1) a "stand alone," or entirely new institution;[4] or, 2) an addition within or adjacent to the perimeter of an existing institution, termed an "add-on."[5] Cost estimates for "add-on" beds are based upon a prototypical design, and assume that program/core support from the base institution will support 500 additional close or medium custody inmates, or 250 additional minimum custody inmates. "Add-on" costs are lower, relative to "stand-alone," due partly to the usage of existing sites and infrastructure.

Estimated Construction Cost per Custody Level, FY 2006-07

Custody Level	Minimum	Medium	Close
Cost Per Bed: EOC "Stand Alone"	$56,000	$63,000	$109,000
Cost Per Bed: EOC "Add-On"	$52,000	$39,000	$71,000

Construction costs are shown as *non-recurring costs in the "Fiscal Impact" table* (p.1). An annual inflation rate of eight percent (8.0%) is applied to these base costs.[6] As illustrated (p.1), these costs also assume that

[3] Criminal penalty bills effective December 1, 2007 should not affect prison population and bed needs until FY 2008-09, due to the lag time between offense charge and sentencing - 6 months on average. No delayed effect is presumed for the Court System.
[4] New, "stand alone" institution built for Expanded Operating Capacity; single cells are assumed for close custody, and dormitories are assumed for medium and minimum custody (occupancy no greater than 130% of SOC).

[5] Close and medium custody "add-on" facilities are built within the perimeter of an existing 1,000-cell Close Security Institution; a minimum custody "add-on" is built adjacent to an existing perimeter. Add-on facilities built for EOC employ the same custody configurations as "stand alone" (i.e. single cells for close custody, and dorms for medium and minimum custody levels).
[6] Office of State Construction, March 24, 2006.

funds to construct beds at a "stand alone" facility should be budgeted four years in advance, since building a prison typically requires four years for site selection, planning, design, construction, and occupancy. The overall duration for facility addition ("add-on") is shorter, requiring that funds be budgeted three years in advance.

Accordingly, given an increase of 16 inmates, bed provision through construction of a "stand alone" facility could cost approximately $1,088,640. Provision through "add-on" could cost approximately $624,000.

OPERATING: Operating costs are based on actual FY 2005-06 costs for each custody level, as provided by the Department of Correction. These costs include security, inmate programs, inmate costs (food, medical, etc.), and administrative overhead costs for the Department and the Division of Prisons. A three percent (3.0%) annual inflation rate is applied to these base costs, as shown in the *recurring costs estimate in the "Fiscal Impact" table* (p.1).

Daily Inmate Operating Cost per Custody Level, FY 2005-06

Custody Level	Minimum	Medium	Close	Daily Average
Daily Cost Per Inmate	$54.81	$70.83	$79.72	$66.87

Assuming daily average cost of $24,408 in 05/06, plus inflation the cost will be $160,026 in 2008/09 to operate 6 new beds and $460,874 to operate 16 beds.

Methodology for Prison Bed Impact

The following chart summarizes the minimum bed impact for each criminal penalty in the bill. Further discussion of the basis for these estimates follows the chart.

Change in Offense	Prison Bed Impact

Source: Sentencing and Policy Advisory Commission

The following analysis of the impact of SB 869 on Correction is primarily based on comments from the Sentencing Commission. Since the data on these offenses did not allow the Commission to use the prison population simulation model, Fiscal Research used Commission data for a "what if" scenario based on the bed impact if a small number of convictions occurred.

Section 1

Section 1 of the proposed bill amends G.S. 14-208.6(5), the definition of "sexually violent offense," to include G.S. 14-318.4(a1) (parent or caretaker commit or permit act of prostitution with or by a juvenile) and G.S. 14-318.4(a2) (commission or allowing of sexual act upon a juvenile by parent or guardian). In FY 2005/06, there were no convictions under G.S. 14-318.4(a1) and eight convictions under G.S. 14-318.4(a2), both of which are Class E felonies.

Adding these offenses to the definition of "sexually violent offenses" expands the group of "reportable offenses" requiring registration as a sex offender. The expanded group of reportable offenses expands the pool of potential convictions under:

- G.S. 14-208.9A(c) (sex offender failure to comply with Sheriff's request for new photo; Class 1 misdemeanor)
- G.S. 14-208.11(a) (failure to register; Class F felony)
- G.S. 14-208.11A (fail to report non-compliance of sex offender; Class H felony)
- G.S. 14-208.16 (violation of sex offender residential restriction; Class G felony)
- G.S. 14-208.17 (registrant working or volunteering for child-involved activities, violation of limitations on residential use; Class F felony)

In FY 2005/06, there were 234 convictions for failure to register under G.S. 14-208.11(a) (which represents an increase from 147 convictions in FY 2004/05 and 116 convictions in FY 2003/04). With the exception of G.S. 14-208.11(a), the listed offenses are new offenses (effective December 1, 2006). As a result, there are no historical data available for these offenses.

It is not known how many of the additional offenders under this section will fail to comply with their registration requirements.

- G.S. 14-208.9A(c): In FY 2005/06, 20% of Class 1 misdemeanor convictions resulted in active sentences. The average estimated time served for Class 1 convictions was 31 days. Offenders serving active sentences of 90 days or less are housed in county jails. Therefore, additional Class 1 convictions under this proposed bill would not be expected to have a significant impact on the prison population. The impact on local jail populations is not known.

- G.S. 14-208.11(a) and G.S. 14-208.17: In FY 2005/06, 47% of Class F convictions resulted in active sentences, with an average estimated time served of 20 months. If, for example, there were two additional Class F convictions under this proposed bill per year, the combination of active sentences and probation revocations would result in the need for one additional prison bed the first year and three additional prison beds the second year.

- G.S. 14-208.11A: In FY 2005/06, 34% of Class H convictions resulted in active sentences, with an average estimated time served of 11 months. If, for example, there were three additional Class H convictions under this proposed bill per year, the combination of active sentences and probation revocations would result in the need for one additional prison bed the first year and two additional prison beds the second year.

- G.S. 14-208.16: In FY 2005/06, 42% of Class G convictions resulted in active sentences, with an average estimated time served of 16 months. If, for example, there were two additional Class G convictions under this proposed bill per year, the combination of active sentences and probation revocations would result in the need for one additional prison bed the first year and two additional prison beds the second year.

Adding G.S. 14-318.4(a1) and G.S. 14-318.4(a2) to the group of reportable offenses also expands the pool of persons potentially required to submit to GPS monitoring under G.S. 14-208.40(a)(2) (subject to DOC's risk assessment), which could result in additional resource needs for DCC. *Based on analysis by the Division of Community Corrections and discussions with Fiscal Research, DOC does not expect any significant increase in the number of offenders on GPS.*

The new group required to submit to GPS monitoring would expand the potential pool of offenders under G.S. 14-208.44, subsections (a) (failure to enroll; Class F felony) and (b) (tampering with GPS device; Class E felony). However, it is not known how many of the additional offenders under this section will be required to submit to GPS monitoring and may fail to enroll or tamper with the GPS device. These offenses are new offenses (effective December 1, 2006). As a result, there are no historical data available for these offenses.

- G.S. 14-208.44(a): In FY 2005/06, 47% of Class F convictions resulted in active sentences, with an average estimated time served of 20 months. If, for example, there were two additional Class F convictions under this proposed bill per year, the combination of active sentences and probation revocations would result in the need for one additional prison bed the first year and three additional prison beds the second year.

- G.S. 14-208.44(b): In FY 2005/06, 49% of Class E convictions resulted in active sentences, with an average estimated time served of 31 months. If, for example, there were two additional Class E convictions under this proposed bill per year, the combination of active sentences and probation revocations would result in the need for one additional prison bed the first year and three additional prison beds the second year. In addition, since a period of Post-Release Supervision follows release from prison for offenders convicted of Class B1-E felonies, there will be some impact on Post-Release Supervision caseloads and prison beds due to revocations.

Section 7

The proposed bill amends several statutes governing sex offender registration to require that offenders include in their registration information any "online identifier" (*e.g.*, e-mail address) that they use or intend to use and to prohibit the use of any such identifier before it is provided to the Sheriff. Section 7 of the proposed bill creates a new offense under G.S. 14-208.11(a) (failure to register) by making it a Class F felony to fail to provide such online identifiers during registration. Failure to comply with registration requirements at any point during the registration period is a Class F felony. In FY 2005/06, there were 234 convictions for failure to register under G.S. 14-208.11(a).

It is not known how many additional registration violations might occur as a result of the proposed change. In FY 2005/06, 47% of Class F convictions resulted in active sentences, with an average estimated time served of 20 months. If, for example, there were two additional Class F convictions under this proposed bill per year, the combination of active sentences and probation revocations would result in the need for one additional prison bed the first year and three additional prison beds the second year.

Department of Correction – Division of Community Corrections

For felony offense classes E through I and all misdemeanor classes, offenders may be given non-active (intermediate or community) sentences exclusively, or in conjunction with imprisonment (split-sentence). Intermediate sanctions include intensive supervision probation, special probation, house arrest with electronic monitoring, day reporting center, residential treatment facility, and drug treatment court. Community sanctions include supervised probation, unsupervised probation, community service, fines, and restitution. Offenders given intermediate or community sanctions requiring supervision are supervised by the Division of Community Corrections (DCC); DCC also oversees community service.[7]

General supervision of intermediate and community offenders by a probation officer costs DCC $1.96 per offender, per day; no cost is assumed for those receiving unsupervised probation, or who are ordered only to pay fines, fees, or restitution. The daily cost per offender on intermediate sanction ranges from $7.71 to $14.97, depending upon sanction type. Thus, assuming intensive supervision probation – the most frequently used intermediate sanction – the estimated daily cost per intermediate offender is $14.97 for the initial six-month intensive duration, and $1.96 for general supervision each day thereafter. Total costs to DCC are based on average supervision length and the percentage of offenders (per offense class) sentenced to intermediate sanctions and supervised probations.

Adding G.S. 14-318.4(a1) and G.S. 14-318.4(a2) to the group of reportable offenses also expands the pool of persons potentially required to submit to GPS monitoring under G.S. 14-208.40(a)(2) (subject to DOC's risk assessment), which may result in additional resource needs for DCC and may also result in impact to the prison population due to revocation. Based on analysis by the Divsion of Community Corrections and discussions with Fiscal Research, DOC does not expect any significant increase in the number of offenders on GPS.

Offenders supervised by DCC are required to pay a $30 supervision fee monthly, while those serving community service pay a one-time fee of $200. Offenders on house arrest with electronic monitoring must also pay a one-time $90 fee. These fees are collected by the Court System and are credited to the General Fund. Conversely, sex offenders who must submit to GPS monitoring (S.L. 2006-247) pay a one-time fee of $90, which is credited to the Department of Correction. Overall, the collection rate for FY 2005-06 was 66%.

Department of Justice

The Department of Justice (DOJ) currently operates the sex offender registry database. This bill requires that the Department expand the database to collect Internet identification information. DOJ estimates that it will cost $735,718 in 2007-08 and $380,233 in 2008-09 to implement this bill. The additional costs are associated with database development/maintenance, software/equipment purchases and additional staff positions to support the database's expanded purpose. These estimates have been adjusted based on information received from the agency to more accurately reflect the anticipated cost of implementing this bill. More specifically, the following adjustments were made:

[7] DCC incurs costs of $0.69 per day for each offender sentenced to the Community Service Work Program; however, the total cost for this program cannot be determined.

Fiscal Research Division Adjustments

		DOJ Estimate	FRD Estimate
		Recurring	**Recurring**
1	Salary and wages	$ 275,928	**$ 210,300**
2	Benefits/Medical	$ 63,020	**$ 39,000**
3	Office Lease	$ 23,625	**$ 0**
4	Operating Expenses	$ 17,660	**$ 11,500**
	Total Recurring	**$ 380,233**	**$ 260,800**
		Nonrecurring	**Nonrecurring**
5	IT Contractors	$ 254,139	**$ 254,000**
6	Furniture	$ 16,000	**$ 10,600**
7	Auto/Accessories	$ 23,800	**$ 23,200**
8	Computers	$ 46,897	**$ 21,000**
9	Training, Equipment and Software	$ 14,649	**$ 11,200**
	Total Nonrecurring	**$ 355,485**	**$ 320,000**
Total Requirements		$ 735,718	$ 580,800

Position cost reduction. The agency estimate included funding for 5 staff positions to support the database's expanded purpose: Two IT positions for database development and maintenance, a Computer Crimes Agent to investigate/apprehend violators and two Information Processing Technicians to support database operations and ensure data input accuracy. The two Information Processing Technician positions were taken out of the agency's estimate. The agency already has staff doing information monitoring/database support functions for the sex offender registry. This bill does not create a new process. It adds an additional function to the information monitoring process. This bill will not increase agency's workload enough to require two additional staff positions. (-$89,648). *(NOTE: House Budget includes two new Computer Crimes Agent positions, but these funds cannot be considered to cover the cost of this bill unless these positions are included in the final budget).*

Offices Lease cost reduction The agency indicated that they will need an additional 1,500 square feet of work space to accommodate the staff positions requested at a total cost of $23,625. As part of their 2007-09 agency budget request, the agency requested over 40 staff positions to support the agency's office and field operations with no request for additional office space to accommodate the new staff positions. It is very unlikely that the agency will be receiving an additional 40 positions in the budget process. They should have space to accommodate the three staff positions needed to implement this bill. The agency estimate was reduced to eliminate the costs built in for lease space. (-$23,625)

Furniture cost reduction The agency requested $16,000 for furniture cost. This amount was reduced to reflect the amount of furniture needed to accommodate three staff positions recommended. (-$5,400)

Computer cost reduction The agency estimate for computer costs was reduced base on the number of units needed to accommodate the three staff positions. Amounts requested for high-tech computers for similar functions in prior agency requests further justifies this reduction. (-$25,897)

Training, equipment, software and operating cost reduction The amount requested for training, equipment, software other operating expenses was reduced to reflect the amount needed for three staff positions. Also,

the agency mentioned that some of the software costs were already included in the computer cost estimate. (-$10,341)

Based on the adjustments made, the Fiscal Research Division estimates that it will cost $580,800 in 2007-08 and $260,800 in 2008-09 to implement this bill.

NOTE: *Section 9 of the bill allows DOJ to collect a fee from entities to review the database for online identifiers but there is no way to determine the number of entities that will choose to use this service. This fee may offset some of the costs detailed in this Note for DOJ.*

Judicial Branch

The Administrative Office of the Courts provides Fiscal Research with a fiscal impact analysis for most criminal penalty bills. For such bills, fiscal impact is typically based on the assumption that court time will increase due to anticipated increases in trials and corresponding increases in workload for judges, clerks, and prosecutors. This increased court time is also expected to result in greater expenditures for jury fees and indigent defense.

Sections 1-11
Section 1: Expand definition of sexually violent offense

This bill expands the definition of sexually violent offense to include certain child abuse offenses, thus expanding the pool of defendants who would be required to register as sex offenders if convicted of these offenses.

Under current law, defendants with certain reportable convictions, including a conviction for a sexually violent offense, must register with the Sex Offender and Public Protection Registration Program or the Sexually Violent Predator Registration Program. Failure to register is punishable as a Class F felony under current GS 14-208.11. This bill expands current GS 14-208.6(5) by adding two child abuse offenses to the list of sexually violent offenses: a parent committing or permitting prostitution with or by a juvenile (GS 14-318.4(a1)) and the commission or allowing of a sexual act upon a juvenile by a parent (GS 14-318.4(a2)).

AOC data for calendar 2006 show approximately 5 defendants charged and none convicted under current GS 14-318.4(a1); there were 47 charged and 16 convicted under current GS 14-318.4(a2). AOC has no data from which to determine the number of defendants convicted of these child abuse offenses who would fail to register as a sex offender, or thereafter violate provisions of the Program.

Sections 2, 5, 6, and 7: Registration and updating of online identifier

Section 2 of this bill expands the type of information collected on the sex offender registration form by requiring the registrant to provide any online identifier, as defined in new GS 14-208.6(1o), that he/she uses or intends to use. Section 5 prohibits a registrant from using any online identifier that has not been included on the registration form, and requires him/her to notify the sheriff of any changes to the online identifier before using it. Online identifier is defined broadly to include electronic mail addresses, and instant message, IP and other Internet communication addresses.

Section 5 also requires a registrant to execute a consent form enabling the sheriff and Department of Justice to obtain any information necessary to verify his/her changed or new online identifier. Section 6 expands current GS 208.9A by providing that a registrant who has an online identifier must update the consent form or execute a new one to enable the sheriff and DOJ to verify the online identifier.

Current GS 14-208.11(a) provides that a person required to register is guilty of a Class F felony if he/she fails to register, fails to return the verification form, or fails to update registry information. Section 7 of this bill expands current GS 14-208.11(a) by specifying that it is a Class F felony to fail to provide an online identifier as required.

AOC data for calendar 2006 show 716 defendants charged under current GS 14-208.11. AOC has no data from which to estimate the number of sex offenders with online identifiers who would fail to register or update them as required by this bill. Thus we cannot estimate the number of additional felony charges that would arise. Considering the prevalence of Internet communication, a substantial number of additional violations could arise. For any new charges, there would be an increase in the workload of superior court judges, district attorneys, clerks, court reporters, and indigent defense counsel.

Sections 10 and 11: Revocation of licensing privileges for failure to register as sex offender

This bill outlines new procedures for revoking the licensing privileges of persons who fail to register as sex offenders under current Article 27A of Chapter 14.

Current GS 15A-1331A(b) provides that the licensing privileges of a person convicted of a felony are automatically forfeited for the full term of his/her probation period if he/she was offered a suspended sentence conditioned upon acceptance of probation and rejects probation, or probation is revoked or suspended. „Licensing privilege_ is defined in current GS 15A-1331A(a)(2) to include regular and commercial driver's licenses, occupational licenses, and hunting and fishing licenses and permits.

New GS 14-208.18 provides that the court may revoke some or all of the licensing privileges of a person who has failed to register as a sex offender. Licensing privilege is broadly defined to include regular and commercial driver's licenses, hunting, fishing, and trapping licenses, and occupational, business, and professional licenses. The person may petition the court for reinstatement of the licensing privileges; the court may reinstate such privileges if the person has complied with or is no longer subject to the registry requirement.

AOC assumes that for every person charged with failure to register, the court would devote time to consider revocations. Given the importance of licensing privileges, it can be anticipated that the prospect of having these privileges revoked as a result of failing to register or failing to update registration information would affect prosecution and defense strategies, and that all persons whose privileges are revoked would seek reinstatement of such privileges.

Fiscal Research generally agrees with this analysis. While it is unlikely all 716 offenders who fail to register will have licenses of some type, the broad range of licenses covered in the bill (including drivers licenses) makes it likely that a large majority of the 716 cases will fall under the proposed law.

If an average of two hours of in-court time, including revocation and reinstatement proceedings, is spent on each of the 716 defendants charged with failure to register under current GS 14-208.11, these 1,432 hours would require one position each for a district court judge, clerk, and assistant district attorney. Cost for each position is:

Position	07/08 (7 mos.)Recurring	07/08 NR	FY 08/09
ADA	$55,544	$3,596	$95,598
Dist Court Judge	$21,786	$2,203	$37,480
Deputy Clerk	$80,526	$9,434	$136,660
TOTAL	**$157,856**	**$15,233**	**$269,738**

Total costs over 5 years are shown in the Fiscal Impact table on Page 1

Section 12
This Section requires the AOC to develop a procedure to ensure timely notification to the sheriffs and the Department of Justices Division of Criminal Information of those registered sex offenders who do not receive an active term of imprisonment.

Under current procedure, the clerk manually fills out the „notification of requirement to register as a sex offender_ form (AOC-CR-261) for each person who is required to register under Article 27A of Chapter 14, and who does not receive an active term of imprisonment. The clerk leaves copies of this form in the courthouse for the sheriff to pick up. The AOC will not modify this procedure as a result of this bill; the AOC will continue to give this form manually to the sheriffs, and will incur no programming costs as a result.

The AOC Automated Criminal/Infractions System (ACIS) contains a sex offender flag that is manually triggered by the clerk when he/she enters information on the AOC-CR-261 form into ACIS. Since this flag is not automatically triggered when AOC-CR-261 information is entered, there is a possibility that the clerk would fail to trigger the flag for some sex offenders. In addition, the sex offender flag does not contain all the case information needed to comply with this new requirement. To resolve these two issues, an estimated 4,460 hours of design, programming, and implementation would be required in ACIS and CourtFlow at an estimated cost of $334,500. These programming changes would allow for the electronic transmission to the DOJ of all pertinent data on sex offenders who receive a suspended sentence.

Crime Control and Public Safety and Local Law Enforcement
Section 13 establishes a grant program under the Governors Crime Commission to provide funds to sheriffs' offices to enforce sex offender laws. However, no appropriation figure is included in SB 869 and the amount of funds needed for such a program cannot be determined

A BILL TO BE ENTITLED

AN ACT TO INCREASE THE PENALTIES FOR VIOLATIONS OF LAWS TO PROTECT AIR QUALITY.

The General Assembly of North Carolina enacts:

SECTION 1. G.S. 143-215.114A reads as rewritten:

"**§ 143-215.114A. Enforcement procedures: civil penalties.**

(a) A civil penalty of not more than ~~ten~~ twenty-five thousand dollars ~~($10,000)~~($25,000) may be assessed by the Secretary against any person who:

(1) Violates any classification, standard or limitation established pursuant to G.S. 143-215.107.

(2) Is required but fails to apply for or to secure a permit required by G.S. 143-215.108 or who violates or fails to act in accordance with the terms, conditions, or requirements of such permit.

(3) Violates or fails to act in accordance with the terms, conditions, or requirements of any special order or other appropriate document issued pursuant to G.S. 143-215.110.

(4) Fails to file, submit, or make available, as the case may be, any documents, data or reports required by this Article or Parts 1 or 7 of Article 21 of this Chapter.

(5) Violates a rule of the Commission or a local governing body implementing this Article or Parts 1 or 7 of Article 21.

(6) Violates the offenses set out in G.S. 143-215.114B.

(7) Violates the emissions limitations set out in G.S. 143-215.107D.

(b) If any action or failure to act for which a penalty may be assessed under this section is continuous, the Secretary may assess a penalty not to exceed ~~ten~~ twenty-five thousand dollars ~~($10,000)~~($25,000) per day for so long as the violation continues.

(b1) The Secretary may assess a civil penalty of not more than ~~ten~~ twenty-five thousand dollars ~~($10,000)~~($25,000) per day for a violation of the emissions limitations

set out in G.S. 143-215.107D as provided in this subsection. If at the end of any calendar year, an investor-owned public utility has violated an emissions limitation set out in G.S. 143-215.107D, the violation shall be considered to be continuous from the day that the collective emissions first exceeded the emissions limitation set out in G.S. 143-215.107D through the end of the calendar year and the Secretary may assess a separate civil penalty for each day.

(c) In determining the amount of the penalty the Secretary shall consider the factors set out in G.S. 143B-282.1(b). The procedures set out in G.S. 143B-282.1 shall apply to civil penalty assessments that are presented to the Commission for final agency decision.

(d) The Secretary shall notify any person assessed a civil penalty of the assessment and the specific reasons therefor by registered or certified mail, or by any means authorized by G.S. 1A-1, Rule 4. Contested case petitions shall be filed within 30 days of receipt of the notice of assessment.

(e) Requests for remission of civil penalties shall be filed with the Secretary. Remission requests shall not be considered unless made within 30 days of receipt of the notice of assessment. Remission requests must be accompanied by a waiver of the right to a contested case hearing pursuant to Chapter 150B and a stipulation of the facts on which the assessment was based. Consistent with the limitations in G.S. 143B-282.1(c) and (d), remission requests may be resolved by the Secretary and the violator. If the Secretary and the violator are unable to resolve the request, the Secretary shall deliver remission requests and his recommended action to the Committee on Civil Penalty Remissions of the Environmental Management Commission appointed pursuant to G.S. 143B-282.1(c).

(f) If any civil penalty has not been paid within 30 days after notice of assessment has been served on the violator, the Secretary shall request the Attorney General to institute a civil action in the Superior Court of any county in which the violator resides or has his or its principal place of business to recover the amount of the assessment, unless the violator contests the assessment as provided in subdivision (4) of this subsection, or requests remission of the assessment in whole or in part as provided in subdivision (5) of this subsection. If any civil penalty has not been paid within 30 days after the final agency decision or court order has been served on the violator, the Secretary shall request the Attorney General to institute a civil action in the Superior Court of any county in which the violator resides or has his or its principal place of business to recover the amount of the assessment. Such civil actions must be filed within three years of the date the final agency decision or court order was served on the violator.

(g) Repealed by Session Laws 1996, Second Extra Session c. 18, s. 27.34(f).

(h) The clear proceeds of penalties provided for in this section shall be remitted to the Civil Penalty and Forfeiture Fund in accordance with G.S. 115C-457.2."

SECTION 2. This act becomes effective October 1, 2007, and applies to offenses committed on or after that date.

HOUSE BILL 1646:
Increase Penalties for Air Pollution

BILL ANALYSIS

Committee:	Senate Finance	**Date:**	July 11, 2007
Introduced by:	Reps. Allen, Gibson	**Summary by:**	Trina Griffin
Version:	PCS to First Edition H1646-CSSV-43		Committee Counsel

SUMMARY: House Bill 1646 would increase from $10,000 to $25,000 the maximum civil penalty for violating air pollution laws. The increase would be effective for offenses committed on or after October 1, 2007.

CURRENT LAW: G.S. 143-215.114A authorizes the Secretary of Environmental and Natural Resources to assess a civil penalty of not more than $10,000 against any person who violates any of the following statutes and rules for the protection of air quality:

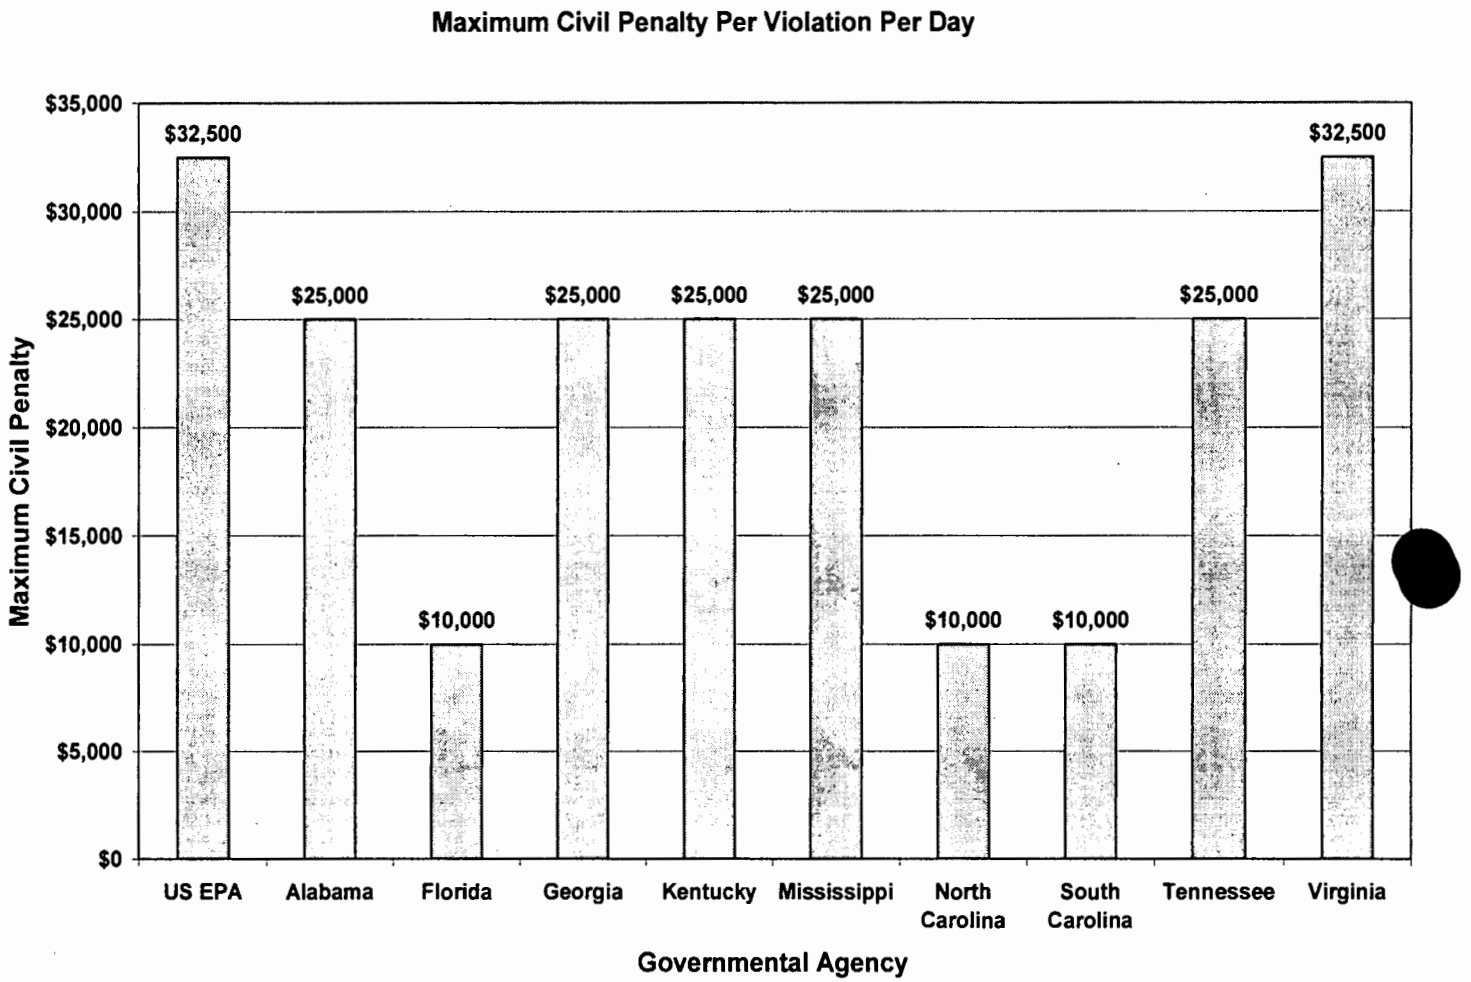
- The classifications, standards, and limitations in G.S. 143-215.107.
- The permits required by G.S. 143-215.108. That section prohibits doing a number of things that can result in air pollution or affect air quality unless the person obtains a permit. The permits are issued by the Environmental Management Commission, which has rulemaking authority to attach conditions to the permits. A violation of 143-215.108 would be failing to obtain a permit, or failing to comply with the permit's conditions.
- The special orders issued by the Environmental Management Commission pursuant to G.S. 143-215.110.
- The reporting requirements of Article 21B of Chapter 143 (Air Pollution Control) or of Parts 1 or 7 of Article 21 of Chapter 143. Article 21 is the general article about Water and Air Quality.
- The rules adopted by the Environmental Management Commission or a local governing body implementing the air pollution statutes.
- The criminal violations set forth in G.S. 143-215.114B.
- The emissions limitations set forth in G.S. 143-215.107D. That statute limits emissions by investor-owned utilities of oxides of nitrogen and sulfur dioxide (Clean Smokestacks Act).

If the act or omission for which the civil penalty is assessed is continuous, the Secretary may assess up to $10,000 for every day the violation continues. In the case of nitrogen and sulfur dioxide emissions by investor-owned utilities, if the polluter is in violation at the end of a calendar year, the daily assessment begins on the day the emission exceeded the limit and continues to the end of the year. The proceeds of the penalty are remitted to the Civil Penalty and Forfeiture Fund.

BILL ANALYSIS: House Bill 1646 increases the maximum civil penalty the Secretary of Environment and Natural Resources may assess for the above air pollution violations from $10,000 to $25,000.

EFFECTIVE DATE: The bill would become effective October 1, 2007. It would apply to offenses committed on or after that date.

BACKGROUND: The maximum civil penalty for these air pollution violations was last increased in 1991. At that time it went up from $5,000 to $10,000. The maximum civil penalty in the comparable statute for the protection of water quality was increased from $10,000 to $25,000 in 1999. Below is a chart identifying the federal and other southern state's maximum civil penalty for air pollution violations per day.



The information displayed in the above chart was provided by staff in the Division of Air Quality in the Department of Environment and Natural Resources and Legislative staff.

Bill Gilkeson and Jennifer Mundt substantially contributed to this summary.

POSITIONS (cumulative):					

PRINCIPAL DEPARTMENT(S) & PROGRAM(S) AFFECTED: Department of Environment & Natural Resources, Division of Air Quality; Office of Administrative Hearings.

EFFECTIVE DATE: July 1, 2007

BILL SUMMARY: Amends G.S. 143-215.114A to increase the cap on penalties from $10,000 to $25,000 for listed air quality violations including violations of permits and special orders, on daily penalties for continuous violations, and for daily penalties for violations of emission limitations.

ASSUMPTIONS AND METHODOLOGY:

Department of Environment & Natural Resources

This bill would increase the maximum amount the Department can charge for air quality violations. It does not require the Department to charge more; it provides them with the option to charge more. The Department has assessed the full $10,000 fine 17 times in the last five years. The Department estimates that they would rarely exceed the $10,000 fine amount - perhaps assessing a fine in excess of $10,000 two or three times per year, although it is unclear if such violations would warrant a $25,000 fine or an amount somewhere between $10,000 and $25,000. **Thus, an estimate of the increased revenue is not available at this time but is likely negligible.**

Office of Administrative Hearings
While some increase in the number of cases the Office of Administrative Hearings will process is expected, the exact increase cannot be determined. This increase is not expected to be significant, however. Fiscal Research therefore determines that the Office of Administrative Hearings should be able to manage this increase within existing resources.

A BILL TO BE ENTITLED

AN ACT TO INCREASE THE PENALTIES FOR VIOLATIONS OF LAWS TO PROTECT AIR QUALITY.

The General Assembly of North Carolina enacts:

SECTION 1. G.S. 143-215.114A reads as rewritten:

"**§ 143-215.114A. Enforcement procedures: civil penalties.**

(a) A civil penalty of not more than ~~ten~~ twenty-five thousand dollars ~~($10,000)~~($25,000) may be assessed by the Secretary against any person who:

(1) Violates any classification, standard or limitation established pursuant to G.S. 143-215.107.

(2) Is required but fails to apply for or to secure a permit required by G.S. 143-215.108 or who violates or fails to act in accordance with the terms, conditions, or requirements of such permit.

(3) Violates or fails to act in accordance with the terms, conditions, or requirements of any special order or other appropriate document issued pursuant to G.S. 143-215.110.

(4) Fails to file, submit, or make available, as the case may be, any documents, data or reports required by this Article or Parts 1 or 7 of Article 21 of this Chapter.

(5) Violates a rule of the Commission or a local governing body implementing this Article or Parts 1 or 7 of Article 21.

(6) Violates the offenses set out in G.S. 143-215.114B.

(7) Violates the emissions limitations set out in G.S. 143-215.107D.

(b) If any action or failure to act for which a penalty may be assessed under this section is continuous, the Secretary may assess a penalty not to exceed ~~ten~~ twenty-five thousand dollars ~~($10,000)~~($25,000) per day for so long as the violation continues.

(b1) The Secretary may assess a civil penalty of not more than ~~ten~~ twenty-five thousand dollars ~~($10,000)~~($25,000) per day for a violation of the emissions limitations

set out in G.S. 143-215.107D as provided in this subsection. If at the end of any calendar year, an investor-owned public utility has violated an emissions limitation set out in G.S. 143-215.107D, the violation shall be considered to be continuous from the day that the collective emissions first exceeded the emissions limitation set out in G.S. 143-215.107D through the end of the calendar year and the Secretary may assess a separate civil penalty for each day.

(c) In determining the amount of the penalty the Secretary shall consider the factors set out in G.S. 143B-282.1(b). The procedures set out in G.S. 143B-282.1 shall apply to civil penalty assessments that are presented to the Commission for final agency decision.

(d) The Secretary shall notify any person assessed a civil penalty of the assessment and the specific reasons therefor by registered or certified mail, or by any means authorized by G.S. 1A-1, Rule 4. Contested case petitions shall be filed within 30 days of receipt of the notice of assessment.

(e) Requests for remission of civil penalties shall be filed with the Secretary. Remission requests shall not be considered unless made within 30 days of receipt of the notice of assessment. Remission requests must be accompanied by a waiver of the right to a contested case hearing pursuant to Chapter 150B and a stipulation of the facts on which the assessment was based. Consistent with the limitations in G.S. 143B-282.1(c) and (d), remission requests may be resolved by the Secretary and the violator. If the Secretary and the violator are unable to resolve the request, the Secretary shall deliver remission requests and his recommended action to the Committee on Civil Penalty Remissions of the Environmental Management Commission appointed pursuant to G.S. 143B-282.1(c).

(f) If any civil penalty has not been paid within 30 days after notice of assessment has been served on the violator, the Secretary shall request the Attorney General to institute a civil action in the Superior Court of any county in which the violator resides or has his or its principal place of business to recover the amount of the assessment, unless the violator contests the assessment as provided in subdivision (4) of this subsection, or requests remission of the assessment in whole or in part as provided in subdivision (5) of this subsection. If any civil penalty has not been paid within 30 days after the final agency decision or court order has been served on the violator, the Secretary shall request the Attorney General to institute a civil action in the Superior Court of any county in which the violator resides or has his or its principal place of business to recover the amount of the assessment. Such civil actions must be filed within three years of the date the final agency decision or court order was served on the violator.

(g) Repealed by Session Laws 1996, Second Extra Session c. 18, s. 27.34(f).

(h) The clear proceeds of penalties provided for in this section shall be remitted to the Civil Penalty and Forfeiture Fund in accordance with G.S. 115C-457.2."

SECTION 2. This act becomes effective July 1, 2007, and applies to offenses committed on or after that date.

A BILL TO BE ENTITLED

AN ACT TO MODIFY THE CREDIT FOR CERTAIN REAL PROPERTY DONATIONS.

The General Assembly of North Carolina enacts:

SECTION 1. G.S. 105-130.34 reads as rewritten:

"**§ 105-130.34. Credit for certain real property donations.**

(a) Any ~~corporation~~ C Corporation that makes a qualified donation of an interest in real property located in North Carolina during the taxable year that is useful for (i) public beach access or use, (ii) public access to public waters or trails, (iii) fish and wildlife conservation, ~~or other similar land conservation purposes~~ (iv) forestland or farmland conservation, (v) watershed protection, (vi) conservation of natural areas as that term is defined in G.S. 113A-164.3(3), (vii) conservation of natural or scenic river areas as those terms are used in G.S. 113A-34, (viii) conservation of predominantly natural parkland, or (ix) historic landscape conservation is allowed a credit against the tax imposed by this Part equal to twenty-five percent (25%) of the fair market value of the donated property interest. To be eligible for this credit, the interest in real property must be donated in perpetuity to and accepted by the State, a local government, or a body that is both organized to receive and administer lands for conservation purposes and qualified to receive charitable contributions pursuant to G.S. 105-130.9. Lands required to be dedicated pursuant to local governmental regulation or ordinance and dedications made to increase building density levels permitted under a regulation or ordinance are not eligible for this credit. The credit allowed under this section may not exceed five hundred thousand dollars ($500,000). To support the credit allowed by this section, the taxpayer must file with ~~its~~ the income tax ~~return,~~return for the taxable year in which the credit is ~~claimed, a certification by the Department of Environment and Natural Resources that the property donated is suitable for one or more of the valid public benefits set forth in this subsection.~~claimed the following:

(1) A certification by the Department of Environment and Natural Resources that the property donated is suitable for one or more of the valid public benefits set forth in this subsection.

(2) A self-contained appraisal report or summary appraisal report as defined in Standards Rule 2-2 in the latest edition of the Uniform Standards of Professional Appraisal Practice as promulgated by the Appraisal Foundation for the property. For fee simple absolute donations of real property, a taxpayer may submit documentation of the county's appraised value of the donated property, as adjusted by the sales assessment ratio, in lieu of an appraisal report.

(b) The credit allowed by this section may not exceed the amount of tax imposed by this Part for the taxable year reduced by the sum of all credits allowed, except payments of tax made by or on behalf of the taxpayer.

(c) Any unused portion of this credit may be carried forward for the next succeeding five years.

(d) That portion of a qualifying donation that is the basis for a credit allowed under this section is not eligible for deduction as a charitable contribution under G.S. 105-130.9."

SECTION 2. G.S. 105-151.12 reads as rewritten:

"**§ 105-151.12. Credit for certain real property donations.**

(a) ~~A person who~~An individual or pass-through entity that makes a qualified donation of an interest in real property located in North Carolina during the taxable year that is useful for (i) public beach access or use, (ii) public access to public waters or trails, (iii) fish and wildlife conservation, ~~or (iv) other similar land conservation purposes~~(iv) forestland or farmland conservation, (v) watershed protection, (vi) conservation of natural areas as that term is defined in G.S. 113A-164.3(3), (vii) conservation of natural or scenic river areas as those terms are used in G.S. 113A-34, (viii) conservation of predominantly natural parkland, or (ix) historic landscape conservation is allowed a credit against the tax imposed by this Part equal to twenty-five percent (25%) of the fair market value of the donated property interest. To be eligible for this credit, the interest in property must be donated in perpetuity to and accepted by the State, a local government, or a body that is both organized to receive and administer lands for conservation purposes and qualified to receive charitable contributions under the Code. Lands required to be dedicated pursuant to local governmental regulation or ordinance and dedications made to increase building density levels permitted under a regulation or ordinance are not eligible for this credit. ~~The credit allowed under this section may not exceed two hundred fifty thousand dollars ($250,000).~~ To support the credit allowed by this section, the taxpayer must file with the income tax return for the taxable year in which the credit is claimed ~~a certification by the Department of Environment and Natural Resources that the property donated is suitable for one or more of the valid public benefits set forth in this subsection.~~the following:

(1) A certification by the Department of Environment and Natural Resources that the property donated is suitable for one or more of the valid public benefits set forth in this subsection. The certification for a

qualified donation made by a pass-through entity must be filed by the pass-through entity.

(2) A self-contained or summary appraisal report as defined in Standards Rule 2-2 in the latest edition of the Uniform Standards of Professional Appraisal Practice as promulgated by the Appraisal Foundation for the property. For fee simple absolute donations of real property, a taxpayer may submit documentation of the county's appraised value of the donated property, as adjusted by the sales assessment ratio, in lieu of an appraisal report.

(a1) Individuals. – The aggregate amount of credit allowed to an individual in a taxable year under this section for one or more qualified donations, whether made directly or indirectly as owner of a pass-through entity, may not exceed two hundred fifty thousand dollars ($250,000). In the case of property owned by a married couple, if both spouses are required to file North Carolina income tax returns, the credit allowed by this section may be claimed only if the spouses file a joint return. The aggregate amount of credit allowed to a husband and wife filing a joint tax return may not exceed five hundred thousand dollars ($500,000). If only one spouse is required to file a North Carolina income tax return, that spouse may claim the credit allowed by this section on a separate return.

(a2) Pass-Through Entities. – The aggregate amount of credit allowed to a pass-through entity in a taxable year under this section for one or more qualified donations, whether made directly or indirectly as owner of another pass-through entity, may not exceed five hundred thousand dollars ($500,000). Each individual who is an owner of a pass-through entity is allowed as a credit an amount equal to the owner's allocated share of the credit to which the pass-through entity is eligible under this subsection, not to exceed two hundred fifty thousand dollars ($250,000). Each corporation that is an owner of a pass-through entity is allowed as a credit an amount equal to the owner's allocated share of the credit to which the pass-through entity is eligible under this subsection, not to exceed five hundred thousand dollars ($500,000). If an owner's share of the pass-through entity's credit is limited due to the maximum allowable credit under this section for a taxable year, the pass-through entity and its owners may not reallocate the unused credit among the other owners.

(b) The credit allowed by this section may not exceed the amount of tax imposed by this Part for the taxable year reduced by the sum of all credits allowed, except payments of tax made by or on behalf of the taxpayer.

Any unused portion of this credit may be carried forward for the next succeeding five years.

(c) Repealed by Session Laws 1998-212, s. 29A.13(b).

~~(d) In the case of property owned by a married couple, if both spouses are required to file North Carolina income tax returns, the credit allowed by this section may be claimed only if the spouses file a joint return. If only one spouse is required to file a North Carolina income tax return, that spouse may claim the credit allowed by this section on a separate return.~~

(e) In the case of marshland for which a claim has been filed pursuant to G.S. 113-205, the offer of donation must be made before December 31, 2003 to qualify for the credit allowed by this section.

~~(f) Notwithstanding G.S. 105-269.15, the maximum dollar limit that applies in determining the amount of the credit applicable to a partnership that qualifies for the credit applies separately to each partner.~~"

SECTION 3. This act is effective for taxable years beginning on or after January 1, 2007.

HOUSE BILL 463:
Conservation Tax Credit Modifications

BILL ANALYSIS

Committee:	Senate Finance	**Date:**	June 11, 2007
Introduced by:	Rep. Luebke	**Summary by:**	Dan Ettefagh
Version:	Third Edition		Committee Counsel

SUMMARY: ***HB 463 would equalize the cap for the conservation tax credit for corporations and pass-through entities at $500,000. The bill, a recommendation of the Revenue Laws Study Committee, would also require any taxpayer claiming the credit to support the claim's represented value of the real property donation by using either certain appraisal reports or the county's appraisal value as adjusted by the sales assessment ratio. Finally, the bill narrows the conservation purposes which qualify the land for a credit. The Proposed Committee Substitute makes technical and clarifying changes to the bill requested by the Department of Revenue and clarifies that married couples filing jointly are entitled to the same tax credit cap as two unrelated individuals making an equivalent donation of property.***

[As introduced, this bill was identical to S241, as introduced by Sen. Clodfelter, which is currently in Senate Finance.]

CURRENT LAW: Under current law, a taxpayer receives an income tax credit for certain donations of real property located in North Carolina. The amount of the credit is 25% of the fair market value of the donated property interest, capped at $250,000 for individuals and $500,000 for corporations. To be eligible for the credit, the land must be useful for (i) public beach access or use, (ii) public access to public waters or trails, (iii) fish and wildlife conservation, or (iv) other similar land conservation purposes, and the land must be donated in perpetuity to and accepted by the State, a local government, or a body organized to receive and administer lands for conservation purposes and qualified to receive charitable contributions.

In support of the claim of the credit, a taxpayer is required to file with the income tax return a certification by DENR that the property is suitable for the statutorily listed conservation purposes. DENR does not review the documentation in an effort to verify the taxpayer's representation as to the fair market value of the donated property interest.

BILL ANALYSIS: House Bill 463 accomplishes the following three primary functions:

- It brings equity to the tax treatment of C Corporation and pass-through entity taxpayers by equalizing the tax credit dollar amount limitation for both at $500,000.
- It addresses valuation concerns of donated property by requiring the use of certain types of supported appraisal reports or the county's appraisal value.
- It reduces uncertainty with respect to the types of uses that qualify for conservation purposes by substituting specific uses in place of a catch-all use.

With respect to the first primary function, House Bill 463 raises the existing conservation tax credit dollar limitation for pass-through entities from $250,000 to $500,000. Current law limits the tax credit a pass-through business entity receives for conservation land donations to $250,000 while C Corporation business entities receive $500,000 for similarly valued conservation land donations. This bill brings the

credit for pass-through entities to the same level as that which is available to C Corporations for similar donations of land useful for conservation purposes.

With respect to the second primary function, House Bill 463 addresses concerns regarding the accuracy of the stated fair market value of donated property interests. These concerns, reported by the Department, stem from (a) the use of restricted appraisal reports that are compiled specifically for one person and contain little or no information relied upon by the appraiser to formulate the property's value and (b) the lack of any requirement in the current law of specific documentation useful for establishing the fair market value of the donation. The bill addresses this issue by requiring a taxpayer to support a claim for a credit with either a self-contained or a summary appraisal report, which are two types of reports defined by Standards Rule 2-2 of the Uniform Standards of Professional Appraisal Practice and required to have certain information included supporting the valuation determination. A taxpayer may elect, for fee simple donations of property only, to use the county's appraised value of the property as adjusted by the sales assessment ratio.

With respect to the third primary function, House Bill 463 adds specificity to what conservation purposes qualify for the conservation tax credit. Differences in the statutory construction of the phrase, "other similar land conservation purposes" developed between DENR and Revenue. The bill eliminates the phrase and substitutes six, new, specific conservation purposes: forestland or farmland conservation, watershed protection, conservation of natural areas as that term is defined in G.S. 113A-164.3(3), conservation of natural or scenic river areas as those terms are used in G.S. 113A-34, conservation of predominantly natural parkland, or historic landscape conservation.

The PCS makes a technical change to the language of G.S. 105-130.34 to refer specifically to C Corporations, since G.S. 105-151.12 deals with pass-through entities, including S Corporations. In addition, the PCS clarifies that the cap for a married couple filing jointly is $500,000.

EFFECTIVE DATE: This bill would become effective for taxable years beginning on or after January 1, 2007.

BACKGROUND: The conservation tax credit was enacted in 1983 with a dollar limitation for all taxpayers of $5,000. That cap was raised in 1989 (to $25,000 for all taxpayers), 1997 (to $100,000 for individuals and $250,000 for corporations), and in 1999 (to $250,000 for individuals and $500,000 for corporations).

Prior to January 1, 2007, the cap for individuals claiming a conservation tax credit was not applied to pass-through entities as a whole. Rather, the pass-through entity received tax credits up to the statutory dollar amount limitation for each member making a qualifying donation. In 2001, the Revenue Laws Study Committee proposed that North Carolina begin applying dollar amount limitations of most tax credits to pass-through entities as a whole as well as to each individual partner. Doing so brought North Carolina into conformity with how federal law allowed pass-through entities to take tax credits. While the original proposal applied to the conservation tax credit, the bill ultimately enacted excluded the conservation tax credit and preserved the historic treatment of pass-through entities taking the tax credit by applying the cap only to the individual members of the pass-through entity and not to the entity as a whole. This exception for the conservation tax credit was originally set to expire in 2005; however, the sunset was extended twice, preserving the unique application of the cap for the conservation tax credit until it expired on January 1, 2007. Effective January 1, 2007, pass-through entities claiming the conservation tax credit are limited, as are all individual taxpayers, to a cap of $250,000. The amount of the tax credit dollar limitation for C Corporations claiming the conservation tax credit is $500,000.

BILL SUMMARY:

This legislative proposal would equalize the cap for the conservation tax credit for corporations and pass-through entities at $500,000. Individuals can receive a credit not to exceed $250,000 and as amended, married taxpayers filing jointly can receive a tax credit up to $500,000 rather than the $250,000 cap under current law. The bill would also require any taxpayer claiming the credit to support the claim's represented value of the real property donation by using either certain appraisal reports or the county's appraisal value as adjusted by the sales assessment ratio. Finally, the bill narrows the conservation purposes that qualify the land for a credit.

ASSUMPTIONS AND METHODOLOGY:

Based on discussions with the Department of Revenue, there is not sufficient data available for an accurate assessment of the overall fiscal impact from the proposed changes in the bill. Fiscal Research thinks that raising the cap on pass through entities may lead to granting higher tax credits

for donated lands, while the improved valuation guidelines and a more narrowly defined conservation purpose may offset the increased credit cap for pass through entities. Increasing the credits allowed for married couples filing jointly may allow a few taxpayers to receive more credits than allowed under current law. The Department of Revenue in analyzing past returns of married filers claiming the conservation credit have estimated the impact at less than $500,000 per tax year.

A BILL TO BE ENTITLED

AN ACT TO AUTHORIZE AN ANNUAL LICENSE FEE FOR HOSPICES; TO REQUIRE INSPECTIONS OF HOSPICES EVERY THREE YEARS; AND TO APPROPRIATE FUNDS TO THE DEPARTMENT OF HEALTH AND HUMAN SERVICES TO SUPPORT TWO FULL-TIME POSITIONS TO SURVEY ALL LICENSED HOSPICE PROVIDERS EVERY THREE YEARS.

The General Assembly of North Carolina enacts:

SECTION 1. G.S. 131E-202 reads as rewritten:

"**§ 131E-202. Licensing.**

(a) The Commission shall adopt rules for the licensing and regulation of hospices, hospice inpatient facilities, and hospice residential care facilities pursuant to this Article for the purpose of providing care, treatment, health, safety, welfare, and comfort of hospice patients. These rules shall include, but not be limited to:

(1) The qualifications and supervision of licensed and nonlicensed personnel;

(2) The provision and coordination of home and inpatient care, including the development of a written care plan;

(3) The management, operation, staffing, and equipping of the hospice program;

(4) Clinical and business records kept by the hospice, hospice inpatient care facility, and hospice residential care facility; and

(5) Procedures for the review of utilization and quality of care.

(b) The Department shall provide applications for hospice licensure. Each application filed with the Department shall contain all information requested therein. A license shall be granted to the applicant upon determination by the Department that the applicant has complied with the provisions of this Article and with the rules adopted by the Commission thereunder. Each license shall be issued only for the premises and persons named therein, shall not be transferable or assignable except with the written

approval of the Department, and shall be posted in a conspicuous place on the licensed premises.

(c) The Department shall issue and renew the license in accordance with this Article and with rules adopted ~~thereunder.~~thereunder and shall charge the applicant a nonrefundable annual license fee in the amount of three hundred fifty dollars ($350.00)."

SECTION 2. G.S. 131E-204 reads as rewritten:

"**§ 131E-204. Inspections.**

The Department shall inspect all hospices that are subject to rules adopted pursuant to this Article in order to determine compliance with the provisions of this Article and with rules adopted thereunder. Inspections shall be conducted at a minimum of every three years in accordance with rules adopted by the Commission."

SECTION 3. There is appropriated from the General Fund to the Department of Health and Human Services, Division of Facility Services, the sum of forty-two thousand five hundred dollars ($42,500) for the 2007-2008 fiscal year and the sum of forty-two thousand five hundred dollars ($42,500) for the 2008-2009 fiscal year. These funds shall be used to support two full-time equivalent positions to survey all licensed hospice providers every three years.

SENATE BILL 708:
Hospice/License Fees, Inspections, Funds

BILL ANALYSIS

Committee:	Senate Ref to Finance. If fav, re-ref to Appropriations/Base Budget	**Date:**	July 10, 2007
Introduced by:	Sen. Purcell	**Summary by:**	Heather Fennell Committee Counsel
Version:	PCS to First Edition S708-CSTD-28		

SUMMARY: The PCS to Senate Bill 708 authorizes an annual license fee for hospices of $350 per year, requires inspection of hospices every three years, and appropriate funds to the Department of Health and Human Services to support two full-time positions to survey licensed hospice providers across the State. The PCS clarifies that the license fee applies to both initial and renewal applications for licensure, and changes the effective date.

[As introduced, this bill was identical to H1927, as introduced by Reps. Farmer-Butterfield, Parmon, Fisher, which is currently in House Finance.]

CURRENT LAW:

Licensing: Article 10 of Chapter 131E provides for the licensure of hospices, hospice inpatient facilities, and hospice residential care facilities. G.S. 131E-202 requires the North Carolina Medical Commission to adopt rules for the licensing. The rules must include:

(1) The qualifications and supervision of licensed and nonlicensed personnel;

(2) The provision and coordination of home and inpatient care, including the development of a written care plan;

(3) The management, operation, staffing, and equipping of the hospice program;

(4) Clinical and business records kept by the hospice, hospice inpatient care facility, and hospice residential care facility; and

(5) Procedures for the review of utilization and quality of care.

G.S. 131E-203 exempts hospices administered by the local health departments from the licensing requirements. In addition, health care facilities licensed under Article 5 or 6 of Chapter 131E that provide hospice services but do not operate a freestanding hospice facility, are not required to obtain a separate license under G.S. 131E-202.

Any facility offering hospice services that is exempted from the licensing requirement is still subject to the rules adopted by the Commission under this Article.

Inspections: G.S. 131E-204 requires the Department of Health and Human Services to inspect all hospice facilities that are subject to this Article.

BILL ANALYSIS:

Sec. 1 of Senate Bill 708 authorizes the Department to charge a nonrefundable annual license fee of $350.00 hospices, hospice inpatient facilities, and hospice residential care facilities.

Sec. 2 of the bill requires the Department to inspect all hospices, hospice inpatient facilities, and hospice residential care facilities subject to this Article at least once every three years.

Sec. 3 of the bill appropriates $42,500 for the 2007-2008 fiscal year and $42,500 for the 2008-2009 fiscal year for two full-time positions the in the Department of Health and Human Services to survey all licensed hospice providers every three years.

EFFECTIVE DATE: This act is effective October 1, 2008.

BACKGROUND: Currently there is no license fee for hospices, hospice inpatient facilities, and hospice residential care facilities.

The current license fees for other facilities are as follows:

Facility Type	**Number of Beds**	**Base Fee**	**Per-Bed Fee**
Adult Care Homes	1-6 beds	$250.00	
	6+ beds	$350.00	$12.50
Continuing Care Retirement Communities	1+ beds	$450.00	$12.50
General Acute Hospitals:	1-49 beds	$250.00	$12.50
	50-99 beds	$350.00	$12.50
	100-199 beds	$450.00	$12.50
	200-399 beds	$550.00	$12.50
	400-699 beds	$750.00	$12.50
	700+ beds	$950.00	$12.50
Other Hospitals:		$500.00	$12.50

BILL SUMMARY: The proposed legislation amends GS 131E-202 to require an annual license fee of $350 for hospices and also amends GS 131E-204 to require that hospices be inspected at a minimum of once every three years. The proposed legislation also appropriates $42,500 in each year of the biennium from the General Fund to the Department of Health and Human Services, Division of Facility Services, to support two positions to do the required inspections.

ASSUMPTIONS AND METHODOLOGY: **Revenues:** The Division of Health Service Regulation licenses 200 hospices annually. The proposed legislation requires an annual license fee of $350. The annual revenue from the proposed licensure fee for hospices would be $70,000 (200 hospices X $350 annual license fee). Since hospices serve Medicare patients, the Division can draw down $20,000 in federal funding to cover the cost of licensure and regulation of hospices.

Expenditures: The proposed legislation requires that all licensed hospices be inspected at least once every three years. Under current law, hospices are inspected according to rules set by the Medical Care Commission which uses the federal standard of inspections once every ten years. The Division of Health Service Regulation does not have staff assigned to inspect hospices. The Division has estimated that hospice inspections once every three years would require two registered nurse positions (Facility Survey Consultant I - Pay Grade 73). The annual cost of these positions' salaries, benefits, travel, and other costs is estimated to be $150,000 in FY 2007-08 and have been inflated to reflect increased cost of salaries and benefits in FY 2008-09 through FY 2011-12. Fees and federal funding will not cover the full cost of the hospice inspection program, and the remaining costs will need state appropriations to fully fund the program. Estimated state appropriations for the inspection program are $60,000 for FY 2007-08 and $68,400 for FY 2008-09, and the need for state appropriations increases to $97,768 by FY 2011-12.

SOURCES OF DATA: Division of Health Service Regulation, Department of Health and Human Services

TECHNICAL CONSIDERATIONS: Effective July 1, 2007, the name for the Division of Facility Services was changed to the Division of Health Service Regulation.

SENATE BILL 708

Short Title:	Hospice/License Fees, Inspections, Funds.	(Public)
Sponsors:	Senators Purcell; Atwater, Dorsett, Jones, Kinnaird, and Rand.	
Referred to:	Finance.	

March 14, 2007

A BILL TO BE ENTITLED

AN ACT TO AUTHORIZE AN ANNUAL LICENSE FEE FOR HOSPICES; TO REQUIRE INSPECTIONS OF HOSPICES EVERY THREE YEARS; AND TO APPROPRIATE FUNDS TO THE DEPARTMENT OF HEALTH AND HUMAN SERVICES TO SUPPORT TWO FULL-TIME POSITIONS TO SURVEY ALL LICENSED HOSPICE PROVIDERS EVERY THREE YEARS.

The General Assembly of North Carolina enacts:

SECTION 1. G.S. 131E-202 reads as rewritten:

"**§ 131E-202. Licensing.**

(a) The Commission shall adopt rules for the licensing and regulation of hospices, hospice inpatient facilities, and hospice residential care facilities pursuant to this Article for the purpose of providing care, treatment, health, safety, welfare, and comfort of hospice patients. These rules shall include, but not be limited to:

(1) The qualifications and supervision of licensed and nonlicensed personnel;

(2) The provision and coordination of home and inpatient care, including the development of a written care plan;

(3) The management, operation, staffing, and equipping of the hospice program;

(4) Clinical and business records kept by the hospice, hospice inpatient care facility, and hospice residential care facility; and

(5) Procedures for the review of utilization and quality of care.

(b) The Department shall provide applications for hospice licensure. Each application filed with the Department shall contain all information requested therein. A license shall be granted to the applicant upon determination by the Department that the applicant has complied with the provisions of this Article and with the rules adopted by the Commission thereunder. Each license shall be issued only for the premises and persons named therein, shall not be transferable or assignable except with the written

approval of the Department, and shall be posted in a conspicuous place on the licensed premises.

(c) The Department shall renew the license in accordance with this Article and with rules adopted ~~thereunder.~~thereunder and shall charge the applicant a nonrefundable annual license fee in the amount of three hundred fifty dollars ($350.00)."

SECTION 2. G.S. 131E-204 reads as rewritten:

"**§ 131E-204. Inspections.**

The Department shall inspect all hospices that are subject to rules adopted pursuant to this Article in order to determine compliance with the provisions of this Article and with rules adopted thereunder. Inspections shall be conducted at a minimum of every three years in accordance with rules adopted by the Commission."

SECTION 3. There is appropriated from the General Fund to the Department of Health and Human Services, Division of Facility Services, the sum of forty-two thousand five hundred dollars ($42,500) for the 2007-2008 fiscal year and the sum of forty-two thousand five hundred dollars ($42,500) for the 2008-2009 fiscal year. These funds shall be used to support two full-time equivalent positions to survey all licensed hospice providers every three years.

SECTION 4. This act becomes effective July 1, 2007.

PRINCIPAL DEPARTMENT(S) & PROGRAM(S) AFFECTED: Chatham County

EFFECTIVE DATE: Becomes effective when law.

BILL SUMMARY:
The Proposed Committee Substitute for Senate Bill 282 authorizes Chatham County to increase its room occupancy tax from 3% to 6% and makes other administrative changes to conform the legislation to the occupancy tax guidelines adhered to by the House Finance Committee.

ASSUMPTIONS AND METHODOLOGY:
The current 3% tax in Chatham County generated $103,756 in FY 2005-06. Based on 3% growth for future years, the additional 3% tax is estimated to generate the following revenue stream.

Chatham Occupancy Tax Proceeds		
	3% Tax	Each 1%

A BILL TO BE ENTITLED

AN ACT TO INCORPORATE THE TOWN OF BUTNER, TO TRANSFER CERTAIN ASSETS PREVIOUSLY HELD BY THE STATE OF NORTH CAROLINA FOR THE TOWN OF BUTNER TO THE NEWLY INCORPORATED TOWN OF BUTNER, AND TO MAKE CONFORMING CHANGES TO PUBLIC LAWS AFFECTING THE BUTNER RESERVATION.

The General Assembly of North Carolina enacts:

SECTION 1. Findings and Purpose. The General Assembly finds as follows:

(1) The Camp Butner reservation is administered by the Secretary of the Department of Health and Human Services (hereinafter "Secretary") in accordance with the provisions of Article 6 of Chapter 122C of the General Statutes (the Camp Butner reservation is variously referred to, in whole or in part, as the Camp Butner reservation, the Town of Butner, and the Community of Butner and in this act shall be referred to as the "Butner Reservation").

(2) The Department of Health and Human Services (hereinafter "Department") has long operated the Town of Butner with the Secretary or the Secretary's designee acting as the de facto mayor of the Town of Butner.

(3) The operation of the Town of Butner is not a core function of the Department, and the Department's mission would not be negatively impacted by the incorporation of the Town of Butner.

(4) The utilities were transferred to the South Granville Water and Sewer Authority ("SGWASA") pursuant to the provisions of Session Law 2006-159 which also provides that SGWASA shall pay to the Department a sum, indexed to inflation, as set out in that legislation to

support the operations of the Butner Reservation including the Town of Butner.

(5) The citizens of the Town of Butner currently also pay a tax authorized by Section 1 of Chapter 830 of the 1983 Session Laws of twenty-five cents (25¢) per one hundred dollars ($100.00) valuation of all real and personal property to the Butner Public Safety Division of the Department of Crime Control and Public Safety.

(6) The customers of the utility have paid for water and sewer over the years, and those payments have also financed the operations of the Town of Butner.

(7) Certain personal property has been purchased by the Department for use in operating the Butner Reservation and that personal property traditionally used primarily for the benefit of the portion of the Butner Reservation to be incorporated should be transferred by the State to the newly incorporated Town of Butner.

SECTION 1.1. A Charter for the Town of Butner is enacted to read:

"CHARTER OF THE TOWN OF BUTNER.

"ARTICLE I. INCORPORATION AND CORPORATE POWERS.

"Section 1.1. **Incorporation and Corporate Powers.** The inhabitants of the Town of Butner are a body corporate and politic under the name 'Town of Butner.' The Town of Butner has all the powers, duties, rights, privileges, and immunities conferred and imposed on cities by the general laws of North Carolina.

"ARTICLE II. CORPORATE BOUNDARIES.

"Section 2.1. **Town Boundaries.** Until modified in accordance with law, the boundaries of the Town of Butner are as shown on a map produced June 12, 2007, by the Granville County Tax Department and kept on file in the Butner City Hall, the Granville County Planning Department, and in the office of the Granville County Board of Elections. The area within said boundaries shall be in the Town of Butner and in no other municipality.

"Section 2.2. **Extraterritorial Jurisdiction.** Until modified in accordance with law, the extraterritorial jurisdiction of the Town of Butner under G.S. 160A-360 shall be as shown on a map produced June 12, 2007, by the Granville County Tax Department and kept on file in the Butner Town Hall, the Granville County Planning Department, and in the office of the Granville County Board of Elections.

"Section 2.3. **Restrictions on Annexation as to Creedmoor.**

(a) The Town of Butner may not annex under Article 4A of Chapter 160A of the General Statutes any territory not shown in its corporate limits or extraterritorial jurisdiction on the map produced June 12, 2007, by the Granville County Tax Department and kept on file in the Butner Town Hall, the Granville County Planning Department, and the Granville County Board of Elections located east of the centerline of Cash Road and south of Interstate 85 without first receiving approval of the City of Creedmoor Board of Commissioners.

(b) For a period of five years following the effective date of the incorporation of the Town of Butner, the Town of Butner may not involuntarily annex under Part 2 or 3

of Article 4A of Chapter 160A of the General Statutes any territory not shown in its corporate limits or extraterritorial jurisdiction on the map produced June 12, 2007, by the Granville County Tax Department and kept on file in the Butner Town Hall, the Granville County Planning Department, and the Granville County Board of Elections located west of the centerline of Cash Road and South of Interstate 85 without first receiving approval of the City of Creedmoor Board of Commissioners.

"Section 2.4. **Restrictions on Annexation and Extraterritorial Jurisdiction as to the City of Durham.**

(a) Notwithstanding the provisions of G.S. 160A-58.1(b)(2) and provided the remainder of the requirements of Part 4 of Article 4A of Chapter 160A of the General Statutes are met, the City of Durham may annex by satellite annexation pursuant to G.S. 160A-58.1, or any successor statute, any territory in Durham County that is closer to the primary corporate limits of the Town of Butner than to the primary corporate limits of the City of Durham. This subsection shall also be considered as part of the Charter of the City of Durham.

(b) In addition to any other requirements of law, the Town of Butner may not annex under Article 4A of Chapter 160A of the General Statutes any territory in Durham County, or exercise extraterritorial authority under Article 19 of Chapter 160A of the General Statutes in Durham County, without first receiving approval of the City of Durham, as evidenced by a resolution or ordinance adopted by the City Council.

(e) The Town of Butner shall not request any changes in this section of the Charter without first receiving approval of the City of Durham, as evidenced by a resolution or ordinance adopted by the City Council.

"ARTICLE III. GOVERNING BODY.

"Section 3.1. **Structure of the Governing Body; Number of Members.** The governing body of the Town of Butner shall be the Town Council, which shall have six members.

"Section 3.2. **Temporary Officers.**

(a) Until January 1, 2008, Edgar Smoak is appointed Mayor. At its first regular meeting in December 2007, the Butner Town Council shall choose from among its membership a Mayor to serve from January 1, 2008, through December 31, 2008. At its first regular meeting in December 2008, the Butner Town Council shall choose from among its membership a Mayor to serve from January 1, 2009, through the organizational meeting after the initial election of 2009.

(b) Until the organizational meeting after the initial election of 2009 provided for by Article IV of this Charter, Vicky Cates, Christine Emory, Linda Jordan, Tom Lane, Elbert Oakely, Jr., and John Wimbush are appointed members of the Town Council of the Town of Butner. Edgar Smoak is appointed to the Butner Town Council to serve from January 1, 2008, through the organizational meeting after the initial election of 2009 to fill the vacancy caused by a member of the Town Council being chosen as Mayor. The person chosen from the council to serve as Mayor from January 1, 2008, through December 31, 2008, is appointed to the Butner Town Council to serve from January 1, 2009, through the organizational meeting after the initial election of 2009.

(c) If any person named in this section is unable to serve, the remaining named members of the Town Council shall, by majority vote, appoint a person to serve until the initial election is held.

"Section 3.3. **Manner of Electing Council; Term of Office.** The qualified voters of the entire Town shall elect members of the Town Council from the Town at large. Members shall be elected in 2009, and quadrennially thereafter, for four-year terms. To be eligible for election to the Town Council, an individual must reside in the Town of Butner. Vacancies on the Town Council shall be filled in accordance with G.S. 160A-63.

"Section 3.4. **Manner of Electing Mayor; Term of Office; Duties.** The qualified voters of the entire Town shall elect the Mayor in 2009, and biennially thereafter, for a term of two years. The Mayor shall attend and preside over meetings of the Town Council, shall advise the Town Council from time to time as to the matters involving the Town of Butner, and shall have the right to vote as a member of the Town Council only on matters before the Town Council when his or her vote is necessary to break a tie.

"Section 3.5. **Manner of Electing Mayor Pro Tempore; Term of Office; Duties.**

(a) The person serving as vice-chairman of the Butner Advisory Council on the day before the effective date of incorporation shall serve as the Mayor Pro Tempore until January 1, 2008. In December of 2007, the members of the Butner Town Council shall select a Mayor Pro Tempore from the membership of the Town Council to serve from January 1, 2008, through December 31, 2008. In December of 2008, the members of the Butner Town Council shall select a Mayor Pro Tempore from the membership of the Town Council to serve from January 1, 2009, until the organizational meeting after the 2009 municipal election.

(b) At the organizational meeting after the initial election in November 2009, and biennially thereafter, the Mayor Pro Tempore shall be elected from among the members of the Town Council and shall serve for a term of two years.

(c) The Mayor Pro Tempore shall act both in the absence or disability of the Mayor. If the Mayor and the Mayor Pro Tempore are both absent from a meeting of the Town Council, the members of the Town Council present may elect a temporary chairman to preside in the absence. The Mayor Pro Tempore shall have the right to vote on all matters before the Town Council and shall be considered a member of the Town Council for all purposes.

"Section 3.6. **Compensation of Mayor and Town Council.** Compensation of the Mayor and members of the Town Council shall be fixed by the Town Council pursuant to the provisions of G.S. 160A-64.

"ARTICLE IV. ELECTIONS.

"Section 4.1. **Conduct of Town Elections.** Elections shall be conducted on a nonpartisan basis and results determined by a plurality as provided in G.S. 163-292.

"Section 4.2. **Date of Election.** Elections shall be conducted in accordance with Chapter 163 of the General Statutes, except that the first election is to be held on the statewide date for municipal elections in November 2009.

"Section 4.3. **Special Elections and Referenda.** Special elections and referenda may be held only as provided by general law or applicable local acts of the General Assembly.

"ARTICLE V. ORGANIZATION AND ADMINISTRATION.

"Section 5.1. **Form of Government.** The Town shall operate under the Council-Manager plan as provided in Part 2 of Article 7 of Chapter 160A of the General Statutes.

"ARTICLE VI. TAXES AND BUDGET ORDINANCE.

"Section 6.1. **Powers of the Town Council.** The Town Council may levy those taxes and fees authorized by general law.

"Section 6.2. **Budget.** From and after July 1, 2007, the citizens and property in the Town of Butner shall be subject to municipal taxes levied for the fiscal year beginning July 1, 2007, and, for that purpose, the Town shall obtain from Granville County a record of the property in the area herein incorporated that was listed for taxes as of January 1, 2007. The Town may adopt a budget ordinance for fiscal year 2007-2008 without following the timetable in the Local Government Budget and Fiscal Control Act but shall follow the sequence of actions in the spirit of the Act insofar as is practical. For fiscal year 2007-2008, ad valorem taxes may be paid at par or face amount within 90 days of adoption of the budget ordinance and thereafter in accordance with the schedule in G.S. 106-360 as if the taxes had been due and payable on September 1, 2007.

"ARTICLE VII. ORDINANCES.

"Section 7.1. **Ordinances.** Except as otherwise provided in this Charter, the Town of Butner is authorized to adopt such ordinances as the Town Council deems necessary for the governance of the Town.

"ARTICLE VIII. MISCELLANEOUS.

"Section 8.1. **Conflicts of Interest.** Business shall be conducted in accordance with G.S. 14-234 and in accordance with other applicable statutes.

"Section 8.2. **Provision of Services and Administration of Functions.** The Town Council may enter into agreements with other governmental bodies and private enterprises for the provision of services and the administration of corporate functions in order to provide the services and administer the functions in the most efficient and cost-effective manner.

"Section 8.3. **Shared Revenues.** For the purpose of allocation of State and local shared revenues during the 2007-2008 fiscal year, including sales tax and Powell Bill funds, the Town of Butner shall be considered to have been incorporated on June 30, 2007."

SECTION 2. The incorporation of the Town of Butner by Section 1 of this act and the remaining provisions of this act satisfy the requirement of Section 2(c) of Session Law 2006-159 that the majority of the functions of the Department performed at the Butner Reservation are assumed by a municipal corporation organized pursuant to the laws of the State of North Carolina.

SECTION 3.(a) The Governor shall convey to the incorporated Town of Butner on or before September 1, 2007, all right, title, and interest in all of the personal

property used by the Department for the benefit of that portion of the Reservation to be incorporated by this bill in the operation of the Town of Butner including tools, vehicles, lawn mowers, backhoe loaders, and files specific to the operation of the newly incorporated Town of Butner including, but not limited to, the following:

(23) Granville County Tax Parcel # 086604501213, consisting of lots 48 and 49 as shown on that certain plat recorded at Plat Book 2, Page 147 of the Granville County Registry;

(24) That certain tract or parcel of land identified in the Butner Long-Range Master Plan dated December 1998 prepared pursuant to Section 4 of Senate Bill 428, 1997 Session, consisting of 650 acres more or less located in the southern portion of the study area as described in said master plan along 'B' Street and west of 12th, 5th, and 4th Street, and more particularly shown on a map dated March 19, 2007, prepared by Deborah H. Robertson, Registered Forester, for the North Carolina Department of Agriculture, a copy of which is on file with the Town of Butner, the Department of Health and Human Services, and the Department of Agriculture. If said property or any portion thereof is sold, leased, or otherwise conveyed to a private entity (other than a land trust or other nonprofit organization devoted to conservation), the sales price shall be either (i) approved by the Secretary and the Town of Butner or (ii) equal to or greater than the appraised value of the property as determined by a qualified appraiser selected by the Town of Butner and the Secretary or, if the Town of Butner and the Secretary cannot agree on an appraiser, then the value of the property as determined by the average of the value of said property as determined by a qualified appraiser selected by the Secretary and a qualified appraiser selected by the Town of Butner. Upon the disposition of said land by the Town of Butner, twenty-five percent (25%) of any sales proceeds shall be retained by the Town of Butner, and the remainder of the sales proceeds, if any, shall be paid to the State Treasurer by the Town for deposit in a capital improvement account to the credit of the Department of Health and Human Services as set out in Section 12 hereof. The costs of sale, if any, shall be deducted from the sales proceeds and shall be allocated between the Town and the Department based upon each party's share of the sales proceeds;

(25) That certain tract or parcel of land identified in the Butner Long-Range Master Plan dated December 1998 prepared pursuant to Section 4 of Senate Bill 428, 1997 Session, consisting of five acres more or less located in the central portion of the study area as described in said master plan along Central Avenue, midway between 'D' Street and 'E' Street and known as the Gazebo area;

(26) That certain tract or parcel of land identified in the Butner Long-Range Master Plan dated December 1998 prepared pursuant to Section 4 of Senate Bill 428, 1997 Session, consisting of 30 acres more or less located in the central portion of the study area, between 'F' Street and 'G' Street and from 12th Street to Central Avenue; provided, however, that the State shall retain ownership of the portion of said property consisting of 7843.45 square feet (0.18 acres) currently leased by the State to Sprint as shown on that certain map entitled "Site Survey for: Sprint," prepared by Jim Morrow, Professional Land Surveyor and dated January 9, 2005, and upon which is currently located a cellular telephone tower. It is further provided that this property shall vest in the Town of Butner if said property is no longer leased by the State for use as a communications tower or is no longer used or occupied by the State for State purposes;

(27) That certain tract or parcel of land between 'D' Street and 'E' Street and from 24th Street to 26th Street upon which is located that structure known as the Butner Sports Arena;

(28) That certain building and parcel of land known as Granville County Tax Parcel # 087605091519 located on Central Avenue currently leased by the Department to the Employment Security Commission; provided, however, that such transfer shall be subject to the terms of the existing lease between the Department and the Employment Security Commission;

(29) That certain tract or parcel of land consisting of twenty acres more or less previously designated for use as a ball field for Town of Butner and being that portion of a 83.6892 acre tract shown on a survey titled "Survey for North Carolina Department of Human Resources, Butner, North Carolina," and dated October 23, 1995 by James R. Wilson, Registered Land Surveyor lying northeast of the Wake Electric Management Corporation power line right-of-way as shown on said map;

(30) That certain tract or parcel of land described in Session Law 1997-443 and set aside for the use of the citizens of Butner "until the time . . . that a permanent local government is established on the Butner Reservation at which time the land shall be transferred to the local government." Said tract or parcel of land is more particularly described in said session law as follows: "Approximately 2 acres, on the east side it borders Central avenue with a line running along the Wallace

Bradshur property on the north back to the tree line next to the ADATC. From there it follows a tree line south and west to and including the softball field. From the softball field it turns east to the State Employees Credit Union and follows the Credit Union property on the south side back to Central Avenue." In addition thereto, said conveyance is intended to include all property owned by the State, including all alleyways, (except the property occupied by the State Employees Credit Union) bounded on the south by the above described softball field, on the north by Central Avenue, on the west by the property formerly belonging to Wallace Bradsher (now owned by Ronald Alligood) and on the east by West E Street;

(31) That certain portion of the lands owned by the State containing 8.11 acres more or less bordered by G Street, 21st Street, Granville Street, and that certain parcel of land described in the Granville County tax records as Granville County Tax Parcel # 086720900028 to the south;

(32) That certain portion of the lands owned by the State beginning at a point in the northeast corner of that parcel of land described in the Granville County tax records as Granville County Tax Parcel # 087717029272 and continuing in a straight line from said point northeast in a manner parallel to F Street approximately 1,762.64 feet to a point perpendicular to the southwest corner of the paved surface of 25th Street; running thence southeast approximately 227.01 feet to a point being a common corner between Granville County Tax Parcel # 087713234113, the subject property, and 25th Street and running thence southwest approximately 235.00 feet to a corner, thence southeast approximately 590.05 feet along the boundaries with Granville County Tax Parcel numbers 087713234113, 087714235047, 087714225965, 087714226845, and 087714226762; thence southwest approximately 99.00 feet to a common corner with Granville County Tax Parcel number 087714225529; thence northwest approximately 225.00 feet to a corner; thence southwest approximately 560.00 feet to a corner with Granville County Tax Parcel # 087717221306; thence southeast along a common boundary with Granville County Tax Parcel # 087717221306 approximately 225.00 feet to a corner with East F Street; thence southwest approximately 329.00 feet to a common corner with Granville County Tax Parcel # 087717127160 and East F Street; thence northwest approximately 225.00 feet to a common corner with Granville County Tax Parcel # 087717127160; thence southwest approximately 308.32 feet along Granville County Tax Parcel numbers 087717127160, 087717126083, and 087717125071 to a corner; thence northeast approximately 18.00 feet; thence northwest approximately 354.00 feet to a corner with G Street; thence southeast approximately 244.00 feet to a common corner with Granville County Tax Parcel # 087717029272 and G Street; thence northwest

approximately 225.00 feet along the boundary of Granville County Tax Parcel # 087717029272 to the point and place of beginning containing 21.9718 acres more or less;

(33) Granville County Tax Parcel # 086502592083, consisting of 5.34 acres more or less;

(89) That portion of the property owned by the State of North Carolina bordering Lake Holt consisting of ten acres more or less upon which property is currently located the concession stand/bait shop, enclosed picnic shelter, boat docks, picnic tables, parking area and other recreational facilities currently used by the Town of Butner in support of the recreational use of Lake Holt, together with an easement thereto across the existing access roads from Old Highway 75 to said recreational facilities.
(90) All other lots, alleyways, and parcels of land one acre or less not currently occupied by the State of North Carolina.

SECTION 3.(c) The Town of Butner may dispose of by private negotiation and sale any of the real property described in subsection (b) of this section, and shall specifically be exempt as to those dispositions from the provisions of Article 12 of Chapter 160A of the General Statutes. This subsection does not apply to property listed in subdivisions (25), (26), (27), (28), (29), (30), or (89) of subsection (b) of this section.

SECTION 3.(d) On or before March 15, 2008, the Governor shall convey to the incorporated Town of Butner for use for recreation, the preservation of open space, protection of the public drinking water supply, and possible future expansion of Lake Holt, a perpetual Conservation Easement pursuant to Article 4 of Chapter 121 of the General Statutes enforceable against the State of North Carolina, without regard to the defense of sovereign immunity or similar doctrines, in and to all land owned by the State of North Carolina (except that portion of the hereinafter described land under use by the National Guard and restricted by a deed provision requiring that said land revert to the ownership of the United States if not used for military purposes, said National Guard property being more particularly described at Deed Book 140, Page 236 of the Granville County Registry) east of Range Road (State Road 1121), south of Roberts

Chapel Road, north of Old Highway 75, and west of Range Road (State Road 1126) consisting of 1463 acres more or less surrounding the perimeter of Lake Holt as more particularly described on a map prepared June 18, 2007 by Deborah H. Robertson, Registered Forester, for the North Carolina Department of Agriculture, a copy of which is on file with the Town of Butner, the Department of Health and Human Services and the Department of Agriculture; provided, however, that the State of North Carolina shall not be restricted in its right to use that portion of the above-referenced property currently used by the State for the operation of Camp Barham and Camp Eason as long as such use, which may include the construction of additional improvements, is consistent with such laws, rules, regulations, and ordinances as are or may be in place for the protection of the public drinking supply and that said easement shall not be by its terms inconsistent with the rights given to the South Granville Water and Sewer Authority in that certain Easement and License Agreement dated December 14, 2006 and recorded at Book 1185, Page 291 of the Granville County Registry. Said easement shall prohibit all residential, commercial, and industrial uses in the easement area but shall not limit the State of North Carolina's use of said easement area for agricultural and silvicultural uses, provided said uses are consistent with all laws, rules, regulations, and ordinances governing said uses. There shall be excepted from the above easement area that certain tract or parcel of land consisting of 85 acres more or less and labeled "Proposed NBAF Site" on the above-described map; provided, however, that if said tract or parcel of land is not selected by the United States Department of Homeland Security for use in connection with the National Bio and Agro-Defense Facility project (NBAF Project) within five years of the date hereof, said area shall become subject to the terms of the easement to be granted. If no deed is recorded within five years in the Granville County Registry conveying said tract or parcel of land or some part thereof for use in connection with the above-described project, it shall be conclusively presumed that said tract or parcel of land or part thereof not so conveyed is subject to the terms of the easement herein granted. Said easement also shall grant to the South Granville Water and Sewer Authority and its successors the right to enforce the terms of the easement related to the protection of the public drinking water supply. The Town of Butner shall be allowed the continued use, including the expansion and improvement, of the recreational facilities described in Section 3(b)(89) of this act.

SECTION 3.(e) The Department of Health and Human Services may contract with the Town of Butner to provide employees, equipment, and material and services for a period not to exceed six months after incorporation and to lease property to the Town of Butner any time after incorporation.

SECTION 3.1. G.S. 122C-3(3) reads as rewritten:

"**§ 122C-3. Definitions.**

The following definitions apply in this Chapter:

...

(3) "Camp Butner reservation" means the original Camp Butner reservation as may be designated by the Secretary as having been acquired by the State and includes not only areas which are owned and occupied by the State but also those which may have been leased or

otherwise disposed of by the ~~State.~~ State, and shall also include those areas within the municipal boundaries of the Town of Butner and that portion of the extraterritorial jurisdiction of the Town of Butner consisting of lands not owned by the State of North Carolina.

...."

SECTION 4. G.S. 122C-403 reads as rewritten:

"**§ 122C-403. Secretary's authority over Camp Butner reservation.**

The Secretary shall administer the Camp Butner ~~reservation~~ reservation except (i) those areas within the municipal boundaries of the Town of Butner and (ii) that portion of the Town of Butner's extraterritorial jurisdiction consisting of lands not owned by the State of North Carolina. In performing this duty, the Secretary has the powers listed below. In exercising these powers the Secretary has the same authority and is subject to the same restrictions that the governing body of a city would have and would be subject to if the reservation was a city, unless this section provides to the contrary. The Secretary may:

(1) Regulate airports on the reservation in accordance with the powers granted in Article 4 of Chapter 63 of the General Statutes.

(2) Take actions in accordance with the general police power granted in Article 8 of Chapter 160A of the General Statutes.

(3) Regulate the development of the reservation in accordance with the powers granted in Article 19, Parts 2, 3, 3C, 5, 6, and 7, of Chapter 160A of the General Statutes. The Secretary may not, however, grant a special use permit, a conditional use permit, or a special exception under Part 3 of that Article. In addition, the Secretary is not required to notify landowners of zoning classification actions under G.S. 160A-384, and the protest petition requirements in G.S. 160A-385, and 160A-386 do not ~~apply.~~ apply, but the Secretary shall give the mayor of the Town of Butner at least 14 days' advance written notice of any proposed zoning change. The Secretary may ~~appoint the Butner Planning Council~~ establish a board to act like a Board of Adjustment to make recommendations to the Secretary concerning implementation of plans for the development of the reservation. When acting as a Board of Adjustment, ~~the Butner Planning Council~~ that board shall be subject to subsections (b), (c), (d), (f), and (g) of G.S. 160A-388.

(4) Establish one or more planning agencies in accordance with the power granted in ~~G.S. 160A-361 or designate the Butner Planning Council as the planning agency for the reservation.~~ G.S. 160A-361.

(5) Regulate streets, traffic, and parking on the reservation in accordance with the powers granted in Article 15 of Chapter 160A of the General Statutes.

(6) Control erosion and sedimentation on the reservation in accordance with the powers granted in G.S. 160A-458 and Article 4 of Chapter 113A of the General Statutes.

(7) Contract with and undertake agreements with units of local government in accordance with the powers granted in G.S. 160A-413 and Article 20, Part 1, of Chapter 160A of the General Statutes.

(8) Regulate floodways on the reservation in accordance with the powers granted in G.S. 160A-458.1 and Article 21, Part 6, of Chapter 143 of the General Statutes.

~~(8a) Act on resolutions adopted by the council pursuant to G.S. 122C-413.1(a). If the Secretary approves the resolution, it shall be carried out by the Butner Town Manager. The Secretary shall have no more than 30 days during which to disapprove any recommendation of the council contained in the resolution. Any disapproval shall be in writing, stating the reasons for the disapproval, and shall be returned to the council. If the Secretary does not disapprove a recommendation of the council within the prescribed period, the recommendation shall be deemed approved by the Secretary and shall be carried out by the Butner Town Manager.~~

(9) Assign duties given by the statutes listed in the preceding subdivisions to a local official to the ~~Butner Town Manager.~~Secretary's designee.

~~(9a) Select the Butner Town Manager from the candidates submitted by the council pursuant to G.S. 122C-413.1(b). The Butner Town Manager shall serve at the pleasure of the Secretary. The Secretary shall, through the Butner Town Manager, provide all necessary administrative assistance to the council in carrying out its duties.~~

(10) Adopt rules to carry out the purposes of this Article."

SECTION 5. G.S. 122C-405 reads as rewritten:

"**§ 122C-405. Procedure applicable to rules.**

Rules adopted by the Secretary under this Article shall be adopted in accordance with the procedures for adopting a city ordinance on the same subject, shall be subject to review in the manner provided for a city ordinance adopted on the same subject, and shall be enforceable in accordance with the procedures for enforcing a city ordinance on the same subject. Violation of a rule adopted under this Article is punishable as provided in G.S. 122C-406.

Rules adopted under this Article may apply to part or all of the Camp Butner ~~reservation.~~ Reservation, except those areas within the municipal boundaries of the Town of Butner and that portion of the Town of Butner's extraterritorial jurisdiction consisting of lands not owned by the State of North Carolina. If a public hearing is required before the adoption of a rule, ~~the Butner Planning Council shall conduct the hearing.~~ the Secretary shall designate one or more employees of the Department to conduct the hearing. The Butner Town Council shall receive at least 14 days' advance written notice of any public hearing with all correspondence concerning such public hearings to be directed to the mayor of the Town of Butner and sent by certified mail, return receipt requested, or equivalent delivery service to Butner Town Hall."

SECTION 6. G.S. 122C-407 reads as rewritten:

"**§ 122C-407. Water and sewer system.**

(a) The Department may acquire, construct, establish, enlarge, maintain, operate, and contract for the operation of a water supply and distribution system and a sewage collection and disposal system for the Camp Butner ~~reservation.~~ Reservation, and may enter into such contracts, memoranda of understanding, and other agreements with other persons or entities, including, but not limited to, local governments, authorities, and private enterprises, reasonably necessary to extend or otherwise provide water and sewer service to any portion of the Camp Butner Reservation.

(b) ~~These water and sewer systems~~ Those things authorized by subsection (a) of this section may be operated for the benefit of persons and property within the Camp Butner reservation and areas outside the reservation within reasonable limitations specifically including any sanitary ~~district or city~~ district, water and sewer authority, county water and sewer district, or municipality in Durham or Granville Counties.

(c) The Secretary may fix and enforce water and sewer rates and charges in accordance with G.S. 160A-314 as if it were a city."

SECTION 7. G.S. 122C-408 reads as rewritten:

"**§ 122C-408. Butner Public Safety Division of the Department of Crime Control and Public Safety; jurisdiction; fire and police district.**

(a) The Secretary of Crime Control and Public Safety may employ special police officers for the territory of the Butner ~~Advisory Council Jurisdiction~~ Reservation. The Secretary of Crime Control and Public Safety shall contract with the Town of Butner to provide fire and police protection to those areas within the incorporated limits of the Town of Butner. ~~The territorial jurisdiction of these special police officers shall be the Butner Advisory Council Jurisdiction, as defined in G.S. 122C-413(a).~~ The territorial jurisdiction of these officers shall consist of the property shown on a map produced May 20, 2003, by the Information Systems Division of the North Carolina General Assembly and kept on file in the office of the Butner Town Manager and in the office of Director of the Butner Public Safety Division of the Department of Crime Control and Public Safety and such additional areas which are within the incorporated limits of the Town of Butner as shown on a map to be kept in the office of the Butner Town Manager and in the office of Director of the Butner Public Safety Division of the Department of Crime Control and Public Safety. The Secretary of Crime Control and Public Safety may organize these special police officers into a public safety department for that territory and may establish it as a division within that principal department as permitted by Chapter 143B of the General Statutes.

(b) After taking the oath of office required for law-enforcement officers, the special police officers authorized by this section shall have the authority of deputy sheriffs of Durham and Granville Counties in those counties respectively. Within the territorial jurisdiction stated in subsection (a) of this section, the special police officers have the primary responsibility to enforce the laws of North ~~Carolina~~ Carolina, the ordinances of the Town of Butner, and any rule applicable to ~~that territory~~ the Butner Reservation adopted under authority of this Part or under G.S. 143-116.6 or G.S. 143-116.7 or under the authority granted any other agency of the State and also have the powers set forth for firemen in Articles 80, 82 and 83 of Chapter 58 of the General Statutes. Any civil or criminal process to be served on any individual confined

at any State facility within the territorial jurisdiction described in subsection (a) of this section shall be forwarded by the sheriff of the county in which the process originated to the Director of the Butner Public Safety Division. Special police officers authorized by this section shall be assigned to transport any individual transferred to or from any State facility within the territorial jurisdiction described in subsection (a) of this section to or from the psychiatric service of the University of North Carolina Hospitals at Chapel Hill.

(c) The contract between the Town of Butner and the Department of Crime Control and Public Safety shall provide that:

(1) The Butner Public Safety Division of the Department of Crime Control and Public Safety shall provide the same level of service to the incorporated area known as the Town of Butner as provided to those areas of the Town of Butner served by Butner Public Safety on January 1, 2007;

(2) The Town of Butner shall pay to the State Treasurer, on or before May 1 of each year, for deposit in the General Fund an amount equal to the amount that actually would have been collected from real and personal property ad valorem taxes due January 5, 2007, in the area incorporated as the Town of Butner effective July 1, 2007, assuming a tax of twenty-five cents (25¢) per one hundred dollars ($100.00) valuation of all real and personal property in said area increased effective July 1 of each year by the increase in the percentage change in the Consumer Price Index published by the U.S. Department of Labor, Bureau of Labor Statistics, for the southeast region, all urban consumers (or if that data shall no longer be available, the closest equivalent substitute then in publication by the United States Government) for the previous year ended December 31st;

(3) If additional areas are added to the incorporated limits of the Town of Butner, the payments due under the contract shall be increased by an amount equal to the amount that actually would have been collected from real and personal property ad valorem taxes due January 5 of the year of incorporation of such area if said incorporation occurs on or before May 1 or the amount collected for the preceding year if said incorporation occurs prior to May 1 of the then current year assuming a tax of twenty-five cents (25¢) per one hundred dollars ($100.00) valuation of all real and personal property in said area and increased yearly as set out above; and

(4) The Town of Butner and the Department of Crime Control and Public Safety may by mutual agreement modify the amounts required to be paid by the Town of Butner pursuant to subdivisions (2) and (3) of this subsection."

SECTION 8. G.S. 122C-409 reads as rewritten:

"**§ 122C-409. Community of Butner comprehensive emergency management plan.**

The Department of Crime Control and Public Safety shall establish an emergency management agency as defined in G.S. 166A-4(2) for ~~the Community of Butner and~~ the Camp Butner ~~reservation.~~ Reservation, and the Town of Butner."

SECTION 9. G.S. 122C-410 reads as rewritten:

"**§ 122C-410. Authority of county or city over Camp Butner ~~reservation.~~ Reservation; zoning jurisdiction by Town of Butner over State lands.**

(a) A municipality other than the Town of Butner may not annex territory extending into or extend its extraterritorial jurisdiction into the Camp Butner reservation without written approval from the Secretary and the Butner Town Council of each proposed annexation or extension. The Town of Butner may not annex territory extending into or extend its extraterritorial jurisdiction into those portions of the Camp Butner Reservation owned by the State of North Carolina without written approval from the Secretary of each proposed annexation or extension. The procedures, if any, for withdrawing approval granted by the Secretary to an annexation or extension of extraterritorial jurisdiction shall be stated in the notice of approval.

(b) A county ordinance may apply in part or all of the Camp Butner reservation (other than areas within the Town of Butner) if the Secretary gives written approval of the ~~ordinance.~~ ordinance, except that ordinances adopted by a county under Article 18 of Chapter 153A of the General Statutes may not apply in the extraterritorial jurisdiction of the Town of Butner without approval of the Butner Town Council. The Secretary may withdraw ~~his~~ approval of a county ordinance by giving written notification, by certified mail, return receipt requested, to the county. A county ordinance ceases to be effective in the Camp Butner reservation 30 days after the county receives the written notice of the withdrawal of approval. This section does not enhance or diminish the authority of a county to enact ordinances applicable to the Town of Butner and its extraterritorial jurisdiction.

(c) Notwithstanding any other provision of this Article, no portion of the lands owned by the State as of September 1, 2007, which are located in the extraterritorial jurisdiction or the incorporated limits of the Town of Butner shall be subject to any of the powers granted to the Town of Butner pursuant to Article 19 of Chapter 160A of the General Statutes except as to property no longer owned by the State. If any portion of such property owned by the State of North Carolina as of September 1, 2007, is no longer owned by the State, the Town of Butner may exercise all legal authority granted to the Town pursuant to the terms of its charter or by Article 19 of Chapter 160A of the General Statutes and may do so by ordinances adopted prior to the actual date of transfer. Before the State shall dispose of any property inside the incorporated limits of the Town of Butner or any of that property currently under the control of the North Carolina Department of Health and Human Services or the North Carolina Department of Agriculture and Consumer Services within the extraterritorial jurisdiction of the Town of Butner, southeast of Old Highway 75, northeast of Central Avenue, southwest of 33rd Street, and northwest of "G" Street, by sale or lease for any use not directly associated with a State function, the Town of Butner shall first be given the right of first refusal to purchase said property at fair market value as determined by the average of

the value of said property as determined by a qualified appraiser selected by the Secretary and a qualified appraiser selected by the Town of Butner."

SECTION 10. Part 1B of Article 6 of Chapter 122C of the General Statutes (Butner Advisory Council) is repealed.

SECTION 11. Article 6 of Chapter 122C of the General Statutes is amended by adding a new Part to read:

"Part 1D. Butner Commissions.

"**§ 122C-414. Butner Fire and Police Commission.**

(a) There is created a Butner Fire and Police Commission to consist of seven members, to be appointed in accordance with this section.

(b) The Butner Fire and Police Commission shall consist of seven members, three appointed by the Town of Butner, two appointed by the Secretary, one appointed by the Secretary of Crime Control and Public Safety, and one appointed by the Granville County Board of Commissioners. All members appointed by the Town of Butner shall reside within the Town of Butner or its extraterritorial jurisdiction or the Butner Reservation. All members appointed by the Secretary or the Secretary of Crime Control and Public Safety shall either work at or have responsibility for one of the State-run institutions located within the Butner Reservation or shall reside within the Town of Butner and its extraterritorial jurisdiction or the Butner Reservation. The Director of the Butner Public Safety Division of the Department of Crime Control and Public Safety shall serve as an ex officio member of the Butner Fire and Police Commission. No active member of the Butner Public Safety Division of the Department of Crime Control and Public Safety may serve on the Butner Fire and Police Commission.

(c) The Butner Fire and Police Commission has the following duties and responsibilities:

(1) To periodically review, and recommend changes to, the operational policy for the Butner Public Safety Division of the Department of Crime Control and Public Safety.

(2) To consult with the Secretary of the Department of Crime Control and Public Safety in the Department's hiring of the Director of the Butner Public Safety Division of the Department of Crime Control and Public Safety. Such consultation shall include, but not be limited to, the Commission reviewing and providing its comments to the Secretary of the Department of Crime Control and Public Safety on the credentials of the applicants for said position. In performing its functions under this subsection, the Commission members shall have the same access to the applicants' personnel records pursuant to Article 7, Chapter 126 of the General Statutes as the Secretary of the Department of Crime Control and Public Safety and shall be subject to the same restraints concerning the personnel information as set out in said article.

(3) To review and make recommendations to the Secretary of Crime Control and Public Safety concerning the recommended needs of the

Butner Public Safety Division of the Department of Crime Control and Public Safety.

(4) To receive and forward citizen complaints received by the Commission concerning the Butner Public Safety Division of the Department of Crime Control and Public Safety to the Director of the Butner Public Safety Division of the Department of Crime Control and Public Safety and the Secretary of the Department of Crime Control and Public Safety as the Commission determines is appropriate.

(5) To perform all such other functions assigned to it by the General Assembly or the Secretary of the Department of Crime Control and Public Safety.

(d) The members of the Butner Fire and Police Commission shall be appointed within 30 days after the effective date of incorporation of the Town of Butner. One member appointed by the Town of Butner, one member appointed by the Secretary, and the member appointed by the Granville County Board of Commissioners shall serve an initial term of two years. The remainder of the members shall serve an initial term of four years. The beginning date of each initial term for the purpose of reappointment shall be September 1, 2007. Thereafter each member shall serve a term of four years.

"**§ 122C-415. Butner Lands Commission.**

(a) There is created a Butner Lands Commission to consist of nine members, to be appointed in accordance with this section.

(b) The Butner Lands Commission shall consist of nine members, two appointed by the Town of Butner, two appointed by Granville County, two appointed by the Secretary, one appointed by the Commissioner of the North Carolina Department of Agriculture and Consumer Services, one appointed by the Secretary of Commerce, and one appointed by the Governor on or before September 1, 2007. The Butner Lands Commission shall make recommendations to the Governor on or before September 1, 2008, concerning:

(1) Land owned by the State of North Carolina in the Butner Reservation that may be well-suited to the creation of a mega-site business and industrial park.

(2) Land owned by the State of North Carolina that should be released for private commercial and residential development.

(3) The use of other lands within the Butner Reservation that will promote agricultural research and development, the development and growth of State institutions, and the preservation of natural lands."

SECTION 12. G.S. 146-30(c) reads as rewritten:

"(c) The amount or rate of such service charge shall be fixed by rules and regulations adopted by the Governor and approved by the Council of State, but as to any particular sale, lease, rental, or other disposition, it shall not exceed ten percent (10%) of the gross amount received from such sale, lease, rental, or other disposition. Notwithstanding any other provision of this Subchapter, the net proceeds derived from the sale of land or products of land owned by or under the supervision and control of the Wildlife Resources Commission, or acquired or purchased with funds of that

Commission, shall be paid into the Wildlife Resources Fund. Provided, however, the net proceeds derived from the sale of land or timber from land owned by or under the supervision and control of the Department of Agriculture and Consumer Services shall be deposited with the State Treasurer in a capital improvement account to the credit of the Department of Agriculture and Consumer Services, to be used for such specific capital improvement projects or other purposes as are provided by transfer of funds from those accounts in the Capital Improvement Appropriations Act. Provided further, the net proceeds derived from the sale of park land owned by or under the supervision and control of the Department of Environment and Natural Resources shall be deposited with the State Treasurer in a capital improvement account to the credit of the Department of Administration to be used for the purpose of park land acquisition as provided by transfer of funds from those accounts in the Capital Improvement Appropriations Act. In the Capital Improvement Appropriations Act, line items for purchase of park and agricultural lands will be established for use by the Departments of Administration and Agriculture. The use of such funds for any specific capital improvement project or land acquisition is subject to approval by the Director of the Budget. No other use may be made of funds in these line items without approval by the General Assembly except for incidental expenses related to the project or land acquisition. Additionally with the approval of the Director of the Budget, either Department may request funds from the Contingency and Emergency Fund when the necessity of prompt purchase of available land can be demonstrated and funds in the capital improvement accounts are insufficient. Provided further, the net proceeds derived from the sale of any portion of the land owned by the State in or around the ~~unincorporated area known as~~ Butner Reservation on or after July 1, 1980, shall be deposited with the State Treasurer in a capital improvement account to the credit of the ~~Hospital to provide water and sewers and to bring those streets in the unincorporated area known as Butner not on the State highway system up to standards adequate for acceptance on the system,~~ Department of Health and Human Services to make capital improvements on or to property owned by the State in the Butner Reservation ~~according to a plan adopted by the Department of Administration, and~~ subject to approval by the Office of State Budget and Management, ~~with the approval of the Board of County Commissioners of Granville County,~~ and may be used to build industrial access roads to industries located or to be located on the Butner Reservation, ~~on the Butner lands,~~ to construct new city streets ~~on the Butner lands,~~ in the Butner Reservation, extend water and sewer service on the Butner ~~lands,~~ Reservation, ~~and~~ repair storm drains on the Butner ~~lands.~~Reservation, and for other capital uses on the Reservation as determined by the Secretary."

SECTION 13. G.S. 136-41.1(c) reads as rewritten:

"(c) ~~Notwithstanding the provisions of subsections (a) and (b) of this section and of G.S. 136-41.2, the unincorporated area known as Butner qualifies in all respects for allocation of funds under this section and certification of the population and street mileage of Butner by the North Carolina Department of Health and Human Services is acceptable. Funds allocated to the area for this purpose shall be administered by the~~

~~Butner Town Manager.~~ Any funds allocated to the unincorporated area known as the Butner Reservation shall be transferred to the Town of Butner."

SECTION 14. Section 1 of Chapter 830 of the 1983 Session Laws reads as rewritten:

"Section 1.(a) The territorial jurisdiction of the Butner Police and Fire Protection District shall include: (i) any property formerly a part of the original Camp Butner reservation, including both those areas currently owned and occupied by the State and its agencies and those which may have been leased or otherwise disposed of by the State; (ii) the Lyons Station Sanitary District; and (iii) that part of Granville County adjoining the Butner reservation and the Lyons Station Sanitary District situated north and west of the intersection of Rural Paved Roads 1103 and 1106 and bounded by those roads and the boundaries of said reservation and said sanitary ~~district.~~ district, provided, however, that those portions of said lands within the corporate limits of the Town of Butner are removed from the Butner Police and Fire Protection District for the purposes hereof."

SECTION 14.1. Section 1.1 through 14 of this act shall become effective only if the Charter of the Town of Butner is approved under section 5 of the Voting Rights Act of 1965. If the Charter is not approved, Sections 1.1 through 14 of this act have no force and effect. If the Charter is approved, then those sections become effective on the first day of the next calendar month that begins more than three days after the approval, except that the persons appointed as temporary officers under Section 3.2 of the Charter may immediately take the oath of office and take such preliminary actions as may be necessary for initial organization, personnel actions, and budget adoption, in such special meetings as may be called under G.S. 160A-71.

SECTION 14.2. The Department of Justice shall be responsible for submitting any information required by G.S. 120-30.9F for preclearance under the Voting Rights Act of 1965.

SECTION 14.3. Section 14 of this act removes the territory within the corporate limits of the Town of Butner from the Butner Police and Fire Protection District provided by Section 1 of Chapter 830 of the 1983 Session Laws, as amended. Since this act will become effective after July 1, 2007, with respect to taxes on property located within the corporate limits, for taxes levied for the 2007-2008 fiscal year, if the incorporation becomes effective, Granville County shall remit to the Town of Butner rather than to the State General Fund the taxes collected for that district on properties located within the corporate limits. Notwithstanding the previous sentence, if Granville County does not bill the Butner Police and Fire Protection District tax for fiscal year 2007-2008 on properties located within the proposed corporate limits until either the incorporation is either precleared or rejected under Section 5, those taxes are released or refunded if the incorporation is precleared, or shall be billed if the incorporation is rejected.

SECTION 15. This act is effective when it becomes law.

HOUSE BILL 986:
Butner Incorporation

BILL ANALYSIS

Committee:	Senate Finance	**Date:**	July 18, 2007
Introduced by:	Rep. Crawford	**Summary by:**	Judy Collier
Version:	Fourth Edition		Research Assistant

SUMMARY: House Bill 986 would incorporate the Town of Butner[1]. HB 986 would become effective when it becomes law and is subject to pre-clearance by the U.S. Department of Justice prior to implementation.

CURRENT LAW: Municipalities may be created by the General Assembly and may give such powers and duties to those cities and towns as it may deem advisable. The General Assembly cannot incorporate, as a city or town, any territory meeting any of the following criteria:

- Lying within 1 mile of the corporate limits of any other city or town having a population of 5,000 or more according to the most recent decennial census.
- Lying within 3miles of the corporate limits of any other city or town having a population of 10,000 or more according to the most recent decennial census.
- Lying within 4 miles of the corporate limits of any other city or town having a population of 25,000 or more according to the most recent decennial census.
- Lying within 5 miles of the corporate limits of any other city or town having a population of 50,000 or more according to the most recent decennial census.

Notwithstanding the foregoing limitations, the General Assembly may incorporate a city or town by an act adopted by a 3/5 vote of all the members of each chamber. Article VII, Section 1, North Carolina Constitution.

Rule 35.1(b) of the House Rules requires that a legislative proposal proposing incorporation must have attached to its bill jacket a report of the Joint Municipal Incorporations Commission prior to a favorable report by a committee of the House. Article 20 of Chapter 120 creates the Joint Municipal Incorporation Commission and sets forth the constitutional and statutory criteria for review of a proposed incorporation.

The Camp Butner reservation has been run by the Department of Health and Human Services for a number of years, administered by the Secretary.

BILL ANALYSIS: HB 986 would incorporate the Town of Butner; transfer certain assets previously held by the State of North Carolina for the Town of Butner to the newly incorporated Town of Butner; and make conforming changes to public laws affecting the Butner reservation.

EFFECTIVE DATE: HB 986 would become effective when it becomes law, and is subject to pre-clearance by the U.S. Department of Justice prior to implementation.

A BILL TO BE ENTITLED

AN ACT TO PERMIT LOCAL BOARDS OF EDUCATION TO ENTER INTO LEASE PURCHASE OR INSTALLMENT PURCHASE CONTRACTS FOR FOOD SERVICE EQUIPMENT.

The General Assembly of North Carolina enacts:

SECTION 1. G.S. 115C-528(a) reads as rewritten:

"(a) Local boards of education may purchase or finance the purchase of automobiles; school buses; mobile classroom units; food service equipment, photocopiers; and computers, computer hardware, computer software, and related support services by lease purchase contracts and installment purchase contracts as provided in this section. Computers, computer hardware, computer software, and related support services purchased under this section shall meet the technical standards specified in the North Carolina Instructional Technology Plan as developed and approved under G.S. 115C-102.6A and G.S. 115C-102.6B."

SECTION 2. This act is effective when it becomes law.

HOUSE BILL 705:
School Food Service Equipment/Lease-Purchase

BILL ANALYSIS

Committee:	Senate Finance	**Date:**	July 16, 2007
Introduced by:	Reps. Crawford, Wray	**Summary by:**	Martha Walston
Version:	First Edition		Committee Counsel

SUMMARY: House Bill 705 authorizes local boards of education to purchase or finance food service equipment through lease purchase contracts and installment purchase contracts.

CURRENT LAW: G.S. 115C-528 authorizes local boards of education to purchase the following items under a lease purchase or installment purchase contract: school buses; mobile classroom units; photocopiers; and computers, computer hardware, computer software, and related support services.

Lease purchase contract – this type of contract authorizes the local board of education to possess and use the property for a specified period of time while making periodic payments. The contract contains either an obligation or option to purchase the property during the term of the contract. The contract may also include an option to upgrade the property during the term, and the board does not have to rebid the contract if it exercises this option. An option to upgrade is common when purchasing computers.

Installment purchase contract – this type of contract gives the seller a security interest in the property to secure payment of the purchase price.

Both lease purchase contracts and installment purchase contracts cannot exceed the useful life of the property purchased. The contracts require approval by the Local Government Commission and the county commissioners, depending upon the term and amount of the contract.[1]

The contracts may not contain a nonsubstitution clause that restricts the local board's right to continue to provide a service or activity or to replace or substitute property that has been financed. No deficiency judgment is allowed against any local board for breach of the contract, and the taxing power of a unit of local government may not be pledged to secure payment of the contract.

BILL ANALYSIS: House Bill 705 expands the authority of a local board of education to enter into a lease purchase or installment purchase contract when purchasing food service equipment.

EFFECTIVE DATE: When it becomes law.

BACKGROUND: Prior to 1996, local school units had authority to acquire property by lease purchase or installment purchase only for automobiles and guaranteed energy savings contracts.

H0705e1-SMLA

[1] The Local Government Commission must approve a contract that obligates the local board to pay $500,000 or more. No prior approval is required if the term of the contract is less than three years and the total amount financed does not exceed either $250,000 or an amount equal to three times the local board's annual state allocation for classroom materials, equipment, and instructional supplies, whichever is less. Contracts that exceed this dollar threshold or extend beyond three years must be approved by the county commissioners and be treated as continuing contracts for capital outlay.

A BILL TO BE ENTITLED

AN ACT TO ESTABLISH THE COMMITTEE ON ACTUARIAL VALUATION OF RETIRED EMPLOYEES' HEALTH BENEFITS.

The General Assembly of North Carolina enacts:

SECTION 1. Article 3 of Chapter 135 of the General Statutes is amended by adding a new section to read:

"**§ 135-38.1. Committee on Actuarial Valuation of Retired Employees' Health Benefits.**

(a) There is established the Committee on Actuarial Valuation of Retired Employees' Health Benefits. The Committee shall be responsible for collecting data and reviewing assumptions for the sole purpose of conducting required actuarial valuations of State supported retired employees' health benefits under other post-employment benefit accounting standards set forth by the Governmental Accounting Standards Board of the Financial Accounting Foundation.

(b) The Committee on Actuarial Valuation of Retired Employees' Health Benefits shall consist of five members serving ex officio, as follows:

(1) The State Budget Officer, who shall serve as the Chair;

(2) The State Auditor;

(3) The State Controller;

(4) The State Treasurer; and

(5) The Executive Administrator for the Teachers' and the State Employees' Comprehensive Major Medical Plan.

(c) A majority of the members of the Committee then serving shall constitute a quorum.

(d) Each member shall be entitled to one vote on the Committee. Three affirmative votes shall be necessary for a decision by the members at any meeting of the Committee.

(e) The Committee shall keep in convenient form such data as is necessary for actuarial valuation of retired employees' health benefits under accounting standards set forth by the Governmental Accounting Standards Board of the Financial Accounting Foundation. The Department of State Treasurer, Retirement Systems Division, the Teachers' and State Employees' Comprehensive Major Medical Plan, and any other State agency, department, or university institution, local public school agency, or local community college institution shall provide any necessary data upon request of the Committee for the purpose of conducting its responsibilities.

(f) The Committee shall designate either the actuary under contract with the Department of State Treasurer, Retirement Systems Division, or the actuary under contract with the Teachers' and State Employees' Comprehensive Major Medical Plan as the technical adviser to the Committee on matters regarding the actuarial valuation of retired employees' health benefits created by the provisions of this Chapter. The technical advisor shall perform such actuarial valuation and other duties as are required under this Chapter.

(g) The Committee shall secure an annual calendar-year actuarial valuation of retired employees' health benefits under accounting standards set forth by the Governmental Accounting Standards Board of the Financial Accounting Foundation.

(h) The Committee shall keep a record of all of its proceedings which shall be open to public inspection."

SECTION 2. This act is effective when it becomes law.

HOUSE BILL 1529:
Actuarial Valuation/Retiree Health Benefits

BILL ANALYSIS

Committee:	Senate Finance	**Date:**	July 18, 2007

Version:	PCS to First Edition H1529-CSSV-44		Committee Counsel

SUMMARY: House Bill 1529 would establish the Committee on Actuarial Valuation of Retired Employees' Health Benefits. The Proposed Committee Substitute changes the effective date from July 1, 2007 to when it becomes law.

BILL ANALYSIS: House Bill 1529 would establish the Committee on Actuarial Valuation of Retired Employees' Health Benefits. The Committee would collect data and review assumptions for the purpose of conducting required actuarial valuations of State-supported retired employees' health benefits using the new accounting standards set forth by the Governmental Accounting Standards Board of the Financial Accounting Foundation.

The Committee would consist of five members as follows:

- The State Budget Officer, Chair
- The State Auditor
- The State Controller
- The State Treasurer
- The Executive Administrator for the Teachers' and the State Employees' Comprehensive Major Medical Plan

The Committee must designate as a technical adviser either the actuary under contract with the State Treasurer, Retirement Systems Division, or the actuary under contract with the Teachers' and State Employees' Comprehensive Major Medical Plan. The Committee must keep a record of all of its proceedings, and they must be open to public inspection.

Unlike the Retirement System, where the Board of Trustees can carry out the oversight of the process for valuation of retirement benefit liabilities, retiree health care liabilities cut across the Retirement System and the State Health Plan where there is not a single unified Board to oversee this function. The process for the first valuation conducted last year was done informally with the participation of the above-named officials. The bill would ensure that the process is formalized for the future as the individuals in those roles change over time.

EFFECTIVE DATE: This bill would become effective when it becomes law.

Referred to:

February 7, 2007

A BILL TO BE ENTITLED

AN ACT TO AUTHORIZE BURKE COUNTY TO LEVY AN ADDITIONAL THREE PERCENT OCCUPANCY TAX AND TO MAKE OTHER ADMINISTRATIVE CHANGES.

The General Assembly of North Carolina enacts:

SECTION 1. Chapter 422 of the 1989 Session Laws, as amended by Chapter 143 of the 1995 Session Laws, reads as rewritten:

"Section 1. Occupancy tax. – (a) Authorization and ~~scope.~~ Scope. – The Burke County Board of Commissioners may ~~by resolution, after not less than 10 days' public notice and after a public hearing held pursuant thereto,~~ levy a room occupancy tax of three percent (3%) of the gross receipts derived from the rental of any room, lodging, or accommodation furnished by a hotel, motel, inn, tourist camp, or similar place within the county that is subject to sales tax imposed by the State under G.S. ~~105-164.4(3).~~105-164.4(a)(3). This tax is in addition to any State or local sales tax. This tax does not apply to accommodations furnished by nonprofit charitable, educational, or religious ~~organizations.~~organizations when furnished in furtherance of their nonprofit purpose.

(a1) Authorization of Additional Occupancy Tax. – In addition to the tax authorized by subsection (a) of this section, the Burke County Board of Commissioners may levy an additional room occupancy tax of up to three percent (3%) of the gross receipts derived from the rental of accommodations taxable under subsection (a) of this section. The levy, collection, administration, and repeal of the tax authorized by this subsection must be in accordance with this act. Burke County may not levy a tax under this subsection unless it also levies a tax under subsection (a) of this section.

~~(b) Collection. Every operator of a business subject to the tax levied under this section shall, on and after the effective date of the levy of the tax, collect the tax. This tax shall be collected as part of the charge for furnishing a taxable accommodation. The tax shall be stated and charged separately from the sales records, and shall be paid by the purchaser to the operator of the business as trustee for and on account of the county.~~

~~The tax shall be added to the sales price and shall be passed on to the purchaser instead of being borne by the operator of the business. The county shall design, print, and furnish to all appropriate businesses and persons in the county the necessary forms for filing returns and instructions to ensure the full collection of the tax. An operator of a business who collects the occupancy tax levied under this section may deduct from the amount remitted to the county a discount of three percent (3%) of the amount collected.~~

(c) Administration. – A tax levied under this act must be levied, administered, collected, and repealed as provided in G.S. 153A-155. The penalties provided in G.S. 153A-155 apply to a tax levied under this act.~~The county shall administer a tax levied under this section. A tax levied under this section is due and payable to the county finance officer in monthly installments on or before the 15th day of the month following the month in which the tax accrues. Every person, firm, corporation, or association liable for the tax shall, on or before the 15th day of each month, prepare and render a return on a form prescribed by the county. The return shall state the total gross receipts derived in the preceding month from rentals upon which the tax is levied.~~

~~A return filed with the county finance officer under this section is not a public record as defined by G.S. 132-1 and may not be disclosed except as required by law.~~

(c1) Definitions. – The following definitions apply in this act:

(1) Net proceeds. – Gross proceeds less the cost to the county of administering and collecting the tax, as determined by the finance officer, not to exceed three percent (3%) of the first five hundred thousand dollars ($500,000) of gross proceeds collected each year and one percent (1%) of the remaining gross receipts collected each year.

(2) Promote travel and tourism. – To advertise or market an area or activity, publish and distribute pamphlets and other materials, conduct market research, or engage in similar promotional activities that attract tourists or business travelers to the area. The term includes administrative expenses incurred in engaging in the listed activities.

(3) Tourism-related expenditures. – Expenditures that, in the judgment of the Tourism Development Authority, are designed to increase the use of lodging facilities, meeting facilities, or convention facilities in a county or to attract tourists or business travelers to the county. The term includes tourism-related capital expenditures.

~~(d) Penalties. A person, firm, corporation, or association who fails or refuses to file the return required by this section shall pay a penalty of ten dollars ($10.00) for each day's omission. In case of failure or refusal to file the return or pay the tax for a period of 30 days after the time required for filing the return or for paying the tax, there shall be an additional tax, as a penalty, of five percent (5%) of the tax due in addition to any other penalty, with an additional tax of five percent (5%) for each additional month or fraction thereof until the tax is paid. The board of commissioners may, for good cause shown, compromise or forgive the additional tax penalties imposed by this subsection.~~

~~Any person who willfully attempts in any manner to evade a tax imposed under this section or who willfully fails to pay the tax or make and file a return shall, in addition to~~

~~all other penalties provided by law, be guilty of a misdemeanor and shall be punishable by a fine not to exceed one thousand dollars ($1,000), imprisonment not to exceed six months, or both.~~

(e) Distribution and Use of ~~tax revenue.~~ Tax Revenue. – Burke County ~~shall use~~ must, on a quarterly basis, remit the net proceeds of the occupancy tax ~~only to promote economic development and travel and tourism in Burke County. The county may allocate the net proceeds one-half for economic development and one-half for travel and tourism or in any other ratio the board of commissioners considers appropriate. As used in this subsection, 'net proceeds' means gross proceeds less the cost to the county of administering and collecting the tax, as determined by the finance officer.~~levied under this act to the Burke County Tourism Development Authority. The Authority must use the proceeds as follows:

(1) First three percent (3%). – At least two-thirds must be used to promote travel and tourism in Burke County, and the remainder must be used for tourism-related expenditures in Burke County.

(2) Remainder. – The Authority must segregate the remaining net proceeds into three separate accounts as set out in this subdivision. The Authority must use at least two-thirds of the funds in each account to promote travel and tourism in each of the named areas and must use the remainder for tourism-related expenditures in each of the named areas. The amounts and accounts are as follows:

a. Forty-five percent (45%) must be remitted to the Morganton Account.

b. Thirty percent (30%) must be remitted to the Burke County Account.

c. Twenty-five percent (25%) must be remitted to the Valdese Account.

~~(f) Effective date of levy. A tax levied under this section shall become effective on the date specified in the resolution levying the tax. That date must be the first day of a calendar month, however, and may not be earlier than the first day of the second month after the date the resolution is adopted.~~

~~(g) Repeal. A tax levied under this section may be repealed by a resolution adopted by the Burke County Board of Commissioners. Repeal of a tax levied under this section shall become effective on the first day of a month and may not become effective until the end of the fiscal year in which the repeal resolution was adopted. Repeal of a tax levied under this section does not affect a liability for a tax that was attached before the effective date of the repeal, nor does it affect a right to a refund of a tax that accrued before the effective date of the repeal.~~

"Sec. 1.1. Burke County Tourism Development Authority. – (a) Appointment and Membership. – When the Burke County Board of Commissioners adopts a resolution levying a room occupancy tax under this act, it must also adopt a resolution creating a county Tourism Development Authority that is a public authority under the Local Government Budget and Fiscal Control Act. The resolution must provide for the membership of the Authority, including the members' terms of office, and for the filling

of vacancies on the Authority. At least one-third of the members must be individuals who are affiliated with businesses that collect the tax in the county, and at least three-fourths of the members must be individuals who are currently active in the promotion of travel and tourism in the county. Of the total membership, at least one member must represent the Town of Morganton, and at least one member must represent the Town of Valdese. The board of commissioners must designate one member of the Authority as chair and must determine the compensation, if any, to be paid to members of the Authority.

The Authority meets at the call of the chair and must adopt rules of procedure to govern its meetings. The Finance Officer for Burke County is the ex officio finance officer of the Authority.

(b) Duties. – The Authority must expend the net proceeds of the tax remitted to it under this act for the purposes provided in this act. The Authority must promote travel, tourism, and conventions, sponsor tourism-related events and activities, and finance tourism-related capital projects in the county and in the named towns in this act.

(c) Reports. – The Authority must report quarterly and at the close of the fiscal year to the Burke County Board of Commissioners on its receipts and expenditures for the preceding quarter and for the year in such detail as the board may require.

"Sec. 2. This act is effective upon ratification."

SECTION 2. G.S. 153A-155(g) reads as rewritten:

"(g) This section applies only to Alleghany, Anson, Brunswick, Buncombe, Burke, Cabarrus, Camden, Carteret, Chowan, Clay, Craven, Cumberland, Currituck, Dare, Davie, Duplin, Durham, Franklin, Granville, Halifax, Madison, Martin, Montgomery, Nash, New Hanover, New Hanover County District U, Pasquotank, Pender, Person, Randolph, Richmond, Rockingham, Rowan, Scotland, Stanly, Transylvania, Tyrrell, Vance, and Washington Counties, to Watauga County District U, and to the Township of Averasboro in Harnett County."

SECTION 3. This act is effective when it becomes law. The Burke County Board of Commissioners has 30 days from the date the act becomes effective to ensure that the membership of the Authority is in compliance with this act.

HOUSE BILL 78:
Amend Burke County Occupancy Tax

BILL ANALYSIS

Committee:	Senate Finance	**Date:**	July 18, 2007
Introduced by:	Rep. Church	**Summary by:**	Trina Griffin
Version:	Second Edition		Committee Counsel

SUMMARY: House Bill 78 authorizes Burke County to levy an additional 3% room occupancy tax, it requires the establishment of a county tourism development authority, and it modifies the distribution formula for the occupancy tax proceeds.

House Bill 78 received a favorable recommendation from the House Finance Subcommittee on Occupancy Tax on June 20, 2007.

CURRENT LAW: In 1989, the General Assembly authorized Burke County to levy a 3% room occupancy tax. As of 1996, the county is authorized to allocate 50% of the net proceeds for economic development and 50% for travel and tourism, or *in any other ratio the board of commissioners considers appropriate.* The proceeds are not required to be distributed by a tourism development authority. However, the county does have its own "Travel and Tourism Board."

BILL ANALYSIS: House Bill 78 does the following:

- It authorizes Burke County to levy an additional 3% room occupancy tax, for a total rate of 6%.
- It requires Burke County to convert its Travel and Tourism Board to a Tourism Development Authority (TDA) within 30 days after the act becomes effective, consistent with the occupancy tax guidelines. It also requires representation of Morganton and Valdese on the TDA.
- It requires Burke County to remit the net proceeds of the entire 6% tax to the TDA.
- It requires the TDA to spend the proceeds as follows:
    - First 3%. – Two-thirds of the first 3% must be spent to promote travel and tourism and the remainder must be spent on tourism-related expenditures.
    - Remainder. – The remainder must be segregated into three accounts as follows. Two-thirds of the proceeds in each account must be used to promote travel and tourism in each of the named areas and the remainder must be used for tourism-related expenditures in each of the named areas.
        - Morganton Account = 45%
        - Burke County Account = 30%
        - Valdese Account = 25%
- It conforms the current administrative provisions to the statutory uniform provisions.

EFFECTIVE DATE: This act is effective when it becomes law.

BACKGROUND: Since 1983, the General Assembly has authorized many units of local government to levy a room occupancy tax. In several instances, the General Assembly has authorized both a county and a city within that county to impose an occupancy tax. The rate of tax, the use of the tax proceeds, the administration of the tax, and the body with the authority to determine how the tax proceeds will be spent vary considerably. Over the past several years, there has been a greater effort to make the

occupancy taxes uniform. In 1997, the General Assembly enacted uniform municipal and county administrative provisions for occupancy tax legislation – G.S. 153A-155 and G.S. 160A-215. These provisions provide uniformity in the areas of levy, administration, collection, repeal, and penalties.

The North Carolina Travel and Tourism Coalition has a policy statement for legislation authorizing local occupancy taxes. Many of the principles contained in its statement are similar to the ones established by a House Finance subcommittee on Occupancy Taxes in 1993.

The administrative and use provisions conform to the uniform guidelines referenced above and detailed in the chart below:

UNIFORM OCCUPANCY TAX PROVISIONS
Rate – The county tax rate cannot exceed 6% and the city tax rate, when combined with the county rate, cannot exceed 6%.
Use – Two-thirds of the proceeds must be used to promote travel and tourism and the remainder must be used for tourism related expenditures.
Definitions The term "net proceeds", "promote travel and tourism", and "tourism related expenditures" are defined terms.
Administration – The net revenues must be administered by a local tourism development authority that has the authority to determine how the tax proceeds will be used, is created by a local ordinance, and at least ½ of the members must be currently active in the promotion of travel and tourism in the county and 1/3 of the members must be affiliated with organizations that collect the tax.
Costs of Collection – The taxing authority may retain from the revenues its actual costs of collection, not to exceed 3% of the first $500,000 collected each year plus 1% of the remainder collected each year.

PRINCIPAL DEPARTMENT(S) & PROGRAM(S) AFFECTED: Burke County, City of Morganton, Town of Valdese

EFFECTIVE DATE: Becomes effective when law.

BILL SUMMARY:
House Bill 78 authorizes Burke County to levy an additional 3% room occupancy tax, it requires the establishment of a county tourism development authority, and it modifies the distribution formula.

ASSUMPTIONS AND METHODOLOGY:
Burke County currently levies a 3% room occupancy tax. HB 78 would allow the county to levy an additional 3% tax, for a total of 6%. The current 3% Burke County occupancy tax generated $165,648 in FY 2005-06. Projections for the additional 3% tax are based on current collections and consumer price index increases from Moody's Economy.com.

The bill requires Burke County to convert its Travel and Tourism Board to a Tourism Development Authority (TDA) and to spend the proceeds of the total 6% tax as follows:

- First 3%. – Two-thirds of the first 3% must be spent to promote travel and tourism and the remainder must be spent on tourism-related expenditures.
- Remainder. – The remainder must be segregated into three accounts as follows. Two-thirds of the proceeds in each account must be used to promote travel and tourism in each of the named areas and the remainder must be used for tourism-related expenditures in each of the named areas.

- Morganton Account = 45%
- Burke County Account = 30%
- Valdese Account = 25%

Short Title: Coordinate Statewide Enhanced 911 System. (Public)

A BILL TO BE ENTITLED

AN ACT TO MODERNIZE AND IMPROVE THE ADMINISTRATION OF THE STATE'S 911 SYSTEM THROUGH A STATEWIDE 911 BOARD, BY ENSURING THAT ALL VOICE SERVICES CONTRIBUTE TO THE 911 SYSTEM AND BY PROVIDING PARITY IN THE QUALITY OF SERVICE AND THE LEVEL OF 911 CHARGES ACROSS VOICE COMMUNICATIONS SERVICE PROVIDERS.

Whereas, maintaining an efficient Enhanced 911 system across the State benefits all citizens and not just certain localities; and

Whereas, the Wireless 911 Board has successfully administered the statewide wireless Enhanced 911 system for many years; and

Whereas, local governments have administered a similar wireline Enhanced 911 system for their local jurisdictions; and

Whereas, the average monthly 911 service charges paid to local governments by local exchange company customers exceeds the average monthly 911 service charges paid to the Wireless 911 Board by wireless company customers, thereby creating an unfair competitive advantage for wireless companies; and

Whereas, some VoIP-enabled providers do not currently support the Enhanced 911 system by collecting 911 service charges; and

Whereas, the consolidation of the State's Enhanced 911 system under a single board with a uniform 911 service charge will improve the integration of the State's 911 system, enhance efficiency and accountability, and create a level competitive playing field among voice communications technologies; Now, therefore,

The General Assembly of North Carolina enacts:

SECTION 1(a). Chapter 62A of the General Statutes is amended by adding a new Article to read:

"Article 3.

"Emergency Telephone Service.

"**§ 62A-40. Definitions.**

The following definitions apply in this Article.

(1) 911 Board. – The 911 Board established in G.S. 62A-41.

(2) 911 Fund. – The North Carolina 911 Fund established in G.S. 62A-43.

(3) 911 State Plan. – A document prepared, maintained, and updated by the 911 Board that provides a comprehensive plan for communicating 911 call information across networks and among PSAPs, addresses all aspects of the State's 911 system, and describes the allowable uses of revenue in the 911 Fund.

(4) 911 system. – An emergency telephone system that does all of the following:

a. Enables the user of a voice communications service connection to reach a PSAP by dialing the digits 911.

b. Provides enhanced 911 service.

(5) Call taking. – The act of processing a call for emergency assistance up to the point that the call is ready for dispatch, including the use of equipment, call classification, location of a caller, and determination of the appropriate response level for emergency reponders.

(6) Commercial Mobile Radio Service (CMRS). – Defined in 47 C.F.R. § 20.3.

(7) CMRS connection. – Each mobile handset telephone number assigned to a CMRS subscriber with a place of primary use in North Carolina.

(8) CMRS provider. – An entity, whether facilities-based or nonfacilities-based, that is licensed by the Federal Communications Commission to provide CMRS or that resells CMRS within North Carolina.

(9) Enhanced 911 service. – Directing a 911 call to an appropriate PSAP by selective routing based on the geographical location from which the call originated and providing information defining the approximate geographic location and the telephone number of a 911 caller, in accordance with the FCC Order.

(10) Exchange access facility. – The access from a subscriber's premises to the telephone system of a service supplier. The term includes service supplier provided access lines, private branch exchange trunks, and centrex network access registers, as defined by applicable tariffs approved by the North Carolina Utilities Commission. The term does not include service supplier owned and operated telephone pay station lines, Wide Area Telecommunications Service (WATS), Foreign Exchange (FX), or incoming only lines.

(11) FCC Order. – The Order of the Federal Communications Commission, FCC Docket No. 94-102, adopted on December 1, 1997, and any consent decrees, rules, and regulations adopted by the Federal Communications Commission pursuant to the Order.

(12) GIS mapping. – Computerized geographical information that can be used to assist in locating a person who calls emergency assistance, including street centerlines, ortho photography, and oblique imaging.

(13) Interconnected VoIP service. – Defined in 47 C.F.R. § 9.3.

(14) Local exchange carrier. – An entity that is authorized to provide telephone exchange service or exchange access in North Carolina.

(15) Prepaid wireless telephone service. – A right that meets all of the following requirements:

a. Authorizes the purchase of CMRS, either exclusively or in conjunction with other services.

b. Must be paid for in advance.

c. Is sold in units or dollars whose number or dollar value declines with use and is known on a continuous basis.

(16) Primary PSAP. – The first point of reception of a 911 call by a public safety answering point.

(17) Proprietary information. – Subscriber lists, technology descriptions, technical information, or trade secrets that are developed, produced, or received internally by a voice communications service provider or by a voice communications service provider's employees, directors, officers, or agents.

(18) Public safety answering point (PSAP). – The public safety agency that receives an incoming 911 call and dispatches appropriate public safety agencies to respond to the call.

(19) Service supplier. – An entity that provides exchange telephone service to a telephone subscriber.

(20) Subscriber. – A person who purchases a voice communications service and is able to receive it or use it periodically over time.

(21) Voice communications service connection. – Each telephone number assigned to a residential or commercial subscriber by a voice communications service provider, without regard to technology deployed.

(22) Voice communications service. – Any of the following:

a. The transmission, conveyance, or routing of real-time, two-way voice communications to a point or between or among points by or through any electronic, radio, satellite, cable, optical, microwave, wireline, wireless, or other medium or method, regardless of the protocol used.

b. The ability to receive and terminate voice calls to and from the public switched telephone network.

c. Interconnected VoIP service.

(23) Voice communications service provider. – An entity that provides voice communications service to a subscriber.

(24) VoIP provider. – An entity that provides interconnected VoIP service.

"**§ 62A-41. 911 Board.**

(a) Membership. – The 911 Board is established in the Office of Information Technology Services. The 911 Board consists of 17 members as follows:

(1) Four members appointed by the Governor as follows:

a. An individual who represents municipalities appointed upon the recommendation of the North Carolina League of Municipalities.

b. An individual who represents counties appointed upon the recommendation of the North Carolina Association of County Commissioners.

c. An individual who represents a VoIP provider.

d. An individual who represents the North Carolina chapter of the National Emergency Number Association (NENA).

(2) Six members appointed by the General Assembly upon the recommendation of the Speaker of the House of Representatives as follows:

a. An individual who is a sheriff.

b. Two individuals who represent CMRS providers operating in North Carolina.

c. An individual who represents the North Carolina chapter of the Association of Public Safety Communications Officials (APCO).

d. Two individuals who represent local exchange carriers operating in North Carolina, one of whom represents a local exchange carrier with less than 50,000 access lines.

(3) Six members appointed by the General Assembly upon the recommendation of the President Pro Tempore of the Senate as follows:

a. An individual who is a chief of police.

b. Two individuals who represent CMRS providers operating in North Carolina.

c. An individual who represents the North Carolina chapter of the National Emergency Number Association (NENA).

d. Two individuals who represent local exchange carriers operating in North Carolina, one of whom represents a local exchange carrier with less than 200,000 access lines.

(4) The State Chief Information Officer or the State Chief Information Officer's designee, who serves as the chair.

(b) Term. – A member's term is four years. Members remain in office until their successors are appointed and qualified. Vacancies are filled in the same manner as the

original appointment. The Governor may remove any member for misfeasance, malfeasance, or nonfeasance in accordance with G.S. 143B-13(d).

(c) Meetings. – Members of the 911 Board serve without compensation. Members receive per diem, subsistence, and travel allowances at the rate established in G.S. 138-5. A quorum of the 911 Board is nine members. The 911 Board meets upon the call of the chair.

(d) Public Servants. – The members of the 911 Board are public servants under G.S. 138A-3 and are subject to the provisions of Chapter 138A of the General Statutes.

"**§ 62A-42. Powers and duties of the 911 Board.**

(a) Duties. – The 911 Board has the following powers and duties:

(1) To develop the 911 State Plan. In developing and updating the plan, the 911 Board must monitor trends in voice communications service technology and in enhanced 911 service technology, investigate and incorporate GIS mapping and other resources into the plan, and formulate strategies for the efficient and effective delivery of enhanced 911 service.

(2) To administer the 911 Fund and the monthly 911 service charge authorized by G.S. 62A-43.

(3) To distribute revenue in the 911 Fund to CMRS providers and PSAPs in accordance with this Article and advise CMRS providers and PSAPs of the requirements for receiving a distribution from the 911 Fund.

(4) To establish policies and procedures to fund advisory services and training for PSAPs and to provide funds in accordance with these policies and procedures.

(5) To investigate the revenues and expenditures associated with the operation of a PSAP to ensure compliance with restrictions on the use of amounts distributed from the 911 Fund.

(6) To make and enter into contracts and agreements necessary or incidental to the performance of its powers and duties under this Article and to use revenue available to the 911 Board under G.S. 62A-44 for administrative expenses to pay its obligations under the contracts and agreements.

(7) To accept gifts, grants, or other money for the 911 Fund.

(8) To undertake its duties in a manner that is competitively and technologically neutral as to all voice communications service providers.

(9) To adopt rules to implement this Article. This authority does not include the regulation of any enhanced 911 service, such as the establishment of technical standards.

(10) To take other necessary and proper action to implement the provisions of this Article.

(b) Prohibition. – In no event shall the 911 Board or any other State agency lease, construct, operate, or own a communications network for the purpose of providing 911 service.

"**§ 62A-43. Service charge for 911 service.**

(a) Charge Imposed. – A monthly 911 service charge is imposed on each active voice communications service connection that is capable of accessing the 911 system. The service charge is seventy cents (0.70) or a lower amount set by the 911 Board under subsection (d) of this section. The service charge is payable by the subscriber to the voice communications service provider. The provider may list the service charge separately from other charges on the bill. Partial payments made by a subscriber are applied first to the amount the subscriber owes the provider for the voice communications service.

(b) Prepaid Wireless. – A voice communications service provider of prepaid wireless telephone service must collect and remit to the 911 Board the monthly service charge imposed upon prepaid wireless telephone subscribers in the State under one of the following methods:

(1) Collecting the service charge from each active prepaid wireless telephone service subscriber whose account balance is equal to or greater than the amount of the service charge.

(2) Dividing the provider's total earned prepaid wireless telephone service revenue received for the month from each active prepaid wireless telephone service subscriber by fifty dollars ($50.00) and multiplying the quotient by the amount of the service charge.

(c) Remittance to 911 Board. – A voice communications service provider must remit the service charges collected by it under this section to the 911 Board. The provider must remit the collected service charges by the end of the calendar month following the month the provider received the charges from its subscribers. A provider may deduct and retain from the service charges it receives from its subscribers and remits to the 911 Board an administrative allowance equal to the greater of one percent (1%) of the amount of service charges remitted or fifty dollars ($50.00) a month.

(d) Adjustment of Charge. – The 911 Board must monitor the revenues generated by the service charge. If the 911 Board determines that the rate produces revenue in excess of the amount needed, the 911 Board must reduce the rate. The reduced rate must ensure full cost recovery for voice communications service providers and for primary PSAPs over a reasonable period of time. A change in the amount of the rate becomes effective only on July 1 of an even-numbered year. The 911 Board must notify providers of a change in the rate at least 90 days before the change becomes effective.

(e) Collection. – A voice communications service provider has no obligation to take any legal action to enforce the collection of the service charge billed to a subscriber. The 911 Board may initiate a collection action and reasonable costs and attorneys' fees associated with that collection action may be assessed against the subscriber. At the request of the 911 Board, but no more than annually, a voice communications service provider must report to the 911 Board the amount of the provider's uncollected service charges. The 911 Board may request, to the extent

permitted by federal privacy laws, the name, address, and telephone number of a subscriber who refuses to pay the 911 service charge.

(f) Restriction. – A local government may not impose a service charge or other fee on a subscriber to support the 911 system.

"**§ 62A-44. 911 Fund.**

(a) Fund. – The 911 Fund is created as an interest-bearing special revenue fund within the State Treasury. The 911 Board administers the Fund. The 911 Board must credit to the 911 Fund all revenues remitted to it from the service charge imposed by G.S. 62A-43 on voice communications service connections in the State. Revenue in the Fund may only be used as provided in this Article.

(b) Allocation of Revenues. – The 911 Board may deduct and retain for its administrative expenses up to one percent (1%) of the total service charges remitted to it under G.S. 62A-43 for deposit in the 911 Fund. The remaining revenues remitted to the 911 Board for deposit in the 911 Fund are allocated as follows:

(1) Fifty-three percent (53%) of the funds remitted by CMRS providers to the 911 Fund are allocated for reimbursements to CMRS providers pursuant to G.S. 62A-45.

(2) Forty-seven percent (47%) of the funds remitted by CMRS providers and all funds remitted by all other voice communications service providers are allocated for monthly distributions to primary PSAPs pursuant to G.S. 62A-46 and grants to PSAPs pursuant to G.S. 62A-47.

(c) Report. – In February of each odd-numbered year, the 911 Board must report to the Joint Legislative Commission on Governmental Operations, the Revenue Laws Study Committee, and the Joint Legislative Utility Review Committee. The report must contain complete information regarding receipts and expenditures of all funds received by the 911 Board during the period covered by the report, the status of the 911 system in North Carolina at the time of the report, and the results of any investigations by the Board of PSAPs that have been completed during the period covered by the report.

(d) Nature of Revenue. – The General Assembly finds that distributions of revenue from the 911 Fund are not State expenditures for the purpose of Section 5(3) of Article III of the North Carolina Constitution. Therefore, the Governor may not reduce or withhold revenue in the 911 Fund.

"**§ 62A-45. Fund distribution to CMRS providers.**

(a) Distribution. – CMRS providers are eligible for reimbursement from the 911 Fund for the actual costs incurred by the CMRS providers in complying with the requirements of enhanced 911 service. Costs of complying include costs incurred for designing, upgrading, purchasing, leasing, programming, installing, testing, or maintaining all necessary data, hardware, and software required to provide service as well as the recurring and nonrecurring costs of providing the service. To obtain reimbursement, a CMRS provider must comply with all of the following:

(1) Invoices must be sworn.

(2) All costs and expenses must be commercially reasonable.

(3) All invoices for reimbursement must be related to compliance with the requirements of enhanced 911 service.

(4) Prior approval must be obtained from the 911 Board for all invoices for payment of costs that exceed the lesser of:

a. One hundred percent (100%) of the eligible costs allowed under this section.

b. One hundred twenty-five percent (125%) of the service charges remitted to the 911 Board by the CMRS provider.

(b) Payment Carry-Forward. – If the total amount of invoices submitted to the 911 Board and approved for payment in a month exceeds the amount available from the 911 Fund for reimbursements to CMRS providers, the amount payable to each CMRS provider is reduced proportionately so that the amount paid does not exceed the amount available for payment. The balance of the payment is deferred to the following month. A deferred payment accrues interest at a rate equal to the rate earned by the 911 Fund until it is paid.

(c) Grant Reallocation. – If the amount of reimbursements to CMRS providers approved by the 911 Board for a fiscal year is less than the amount of funds allocated for reimbursements to CMRS providers for that fiscal year, the 911 Board may reallocate part or all of the excess amount to the PSAP Grant Account established under G.S. 62A-47. The 911 Board may reallocate funds under this subsection only once each calendar year and may do so only within the three-month period that follows the end of the fiscal year. If the 911 Board reallocates more than three million dollars ($3,000,000) to the PSAP Grant Account in a calendar year, it must consider reducing the amount of the service charge in G.S. 62A-44 to reflect more accurately the underlying costs of providing 911 system services.

The 911 Board must make the following findings before it reallocates funds to the PSAP Grant Account:

(1) There is a critical need for additional funding for PSAPs in rural or high-cost areas to ensure that enhanced 911 service is deployed throughout the State.

(2) The reallocation will not impair cost recovery by CMRS providers.

(3) The reallocation will not result in the insolvency of the 911 Fund.

"**§ 62A-46. Fund distribution to PSAPs.**

(a) Monthly Distribution. – The 911 Board must make monthly distributions to primary PSAPs from the amount allocated to the 911 Fund for PSAPs. The amount to be distributed to each primary PSAP is the sum of the following:

(1) The PSAP's base amount. – The PSAP's base amount is the amount the PSAP received in the fiscal year ending June 30, 2007 and deposited in the Emergency Telephone System Fund of its local governing entity, as reported to the State Treasurer's Office, Local Government Division.

(2) The PSAP's per capita amount – The PSAP's per capita amount is the PSAP's per capita share of the amount designated by the Board under subsection (b) of this section for the per capita distribution. The 911

Board must use the most recent population estimates certified by the State Budget Officer in making the per capita distribution under this subdivision. A PSAP is not eligible for a distribution under this subdivision unless it provides enhanced 911 service.

(b) Percentage Designations. – The 911 Board must determine how revenue that is allocated to the 911 Fund for distribution to primary PSAPs and is not needed to make the base amount distribution required by subdivision (a)(1) of this section is to be used. The 911 Board must designate a percentage of the remaining funds to be distributed to primary PSAPs on a per capita basis and a percentage to be allocated to the PSAP Grant Account established in G.S. 62A-47. If the 911 Board does not designate an amount to be allocated to the PSAP Grant Account, the 911 Board must distribute all of the remaining funds on a per capita basis. The 911 Board may not change the percentage designation more than once each calendar year.

(c) Use of Funds. – A PSAP that receives a distribution from the 911 Fund may not use the amount received to pay for the lease or purchase of real estate, cosmetic remodeling of emergency dispatch centers, hiring or compensating telecommunicators, or the purchase of mobile communications vehicles, ambulances, fire engines, or other emergency vehicles. Distributions received by a PSAP may be used only to pay for the following:

(1) The lease, purchase, or maintenance of emergency telephone equipment, including necessary computer hardware, software, and database provisioning, addressing, and nonrecurring costs of establishing a 911 system.

(2) Expenditures for in-State training of 911 personnel regarding the maintenance and operation of the 911 system. Allowable training expenses include the cost of transportation, lodging, instructors, certifications, improvement programs, quality assurance training, and training associated with call taking, and emergency medical, fire, or law enforcement procedures. Training outside the State is not an eligible expenditure unless the training is unavailable in the State or the PSAP documents that the training costs are less if received out-of-state. Training specific to the receipt of 911 calls is allowed only for intake and related call taking quality assurance and improvement. Instructor certification costs and course required prerequisites, including physicals, psychological exams, and drug testing, are not allowable expenditures.

(3) Charges associated with the service supplier's 911 service and other service supplier recurring charges. The PSAP providing 911 service is responsible to the voice communications service provider for all 911 installation, service, equipment, operation, and maintenance charges owed to the voice communications service provider. A PSAP may contract with a voice communications service provider on terms agreed to by the PSAP and the provider.

(d) Local Fund. – The fiscal officer of a PSAP to whom a distribution is made under this section must deposit the funds in a special revenue fund, as defined in G.S. 159-26(b)(2), designated as the Emergency Telephone System Fund. The fiscal officer may invest money in the Fund in the same manner that other money of the local government may be invested. Income earned from the invested money in the Emergency Telephone System Fund must be credited to the Fund. Revenue deposited into the Fund must be used only as permitted in this section.

(e) Compliance. – A PSAP, or the governing entity of a PSAP, must comply with all of the following in order to receive a distribution under this section:

(1) A county or municipality that has one or more PSAPs must submit in writing to the 911 Board information that identifies the PSAPs in the manner required by the FCC Order.

(2) A participating PSAP must annually submit to the 911 Board a copy of its governing agency's proposed or approved budget detailing the revenues and expenditures associated with the operation of the PSAP. The PSAP budget must identify revenues and expenditures for eligible expense reimbursements as provided in this Article and rules adopted by the 911 Board.

(3) A PSAP must be included in its governing entity's annual audit required under the Local Government Budget and Fiscal Control Act. The Local Government Commission must provide a copy of each audit of a local government entity with a participating PSAP to the 911 Board.

(4) A PSAP must comply with all requests by the 911 Board for financial information related to the operation of the PSAP.

"**§ 62A-47. PSAP Grant Account.**

(a) Account Established. – A PSAP Grant Account is established within the 911 Fund for the purpose of making grants to PSAPs in rural and other high cost areas. The Account consists of revenue allocated by the 911 Board under G.S. 62A-45(c) and G.S. 62AB-46.

(b) Application. – A PSAP may apply to the 911 Board for a grant from the PSAP Grant Account. An application must be submitted in the manner prescribed by the 911 Board. The 911 Board may approve a grant application and enter into a grant agreement with a PSAP if it determines all of the following:

(1) The costs estimated in the application are reasonable and have been or will be incurred for the purpose of promoting a cost-effective and efficient 911 system.

(2) The expenses to be incurred by the applicant are consistent with the 911 State Plan.

(3) There are sufficient funds available in the fiscal year in which the grant funds will be distributed.

(4) The costs are authorized PSAP costs under G.S. 62A-46(c).

(c) Agreement. – A grant agreement between the 911 Board and a PSAP must include the purpose of the grant, the time frame for implementing the project or

program funded by the grant, the amount of the grant, and a provision for repaying grant funds if the PSAP fails to comply with any of the terms of the grant. The amount of the grant may vary among grantees. If the grant is intended to promote the deployment of enhanced 911 service in a rural area of the State, the grant agreement must specify how the funds will assist with this goal. The 911 Board must publish one or more notices each fiscal year advertising the availability of grants from the PSAP Grant Account and detailing the application process, including the deadline for submitting applications, any required documents specifying costs, either incurred or anticipated, and evidence demonstrating the need for the grant. Any grant funds awarded to PSAPs under this section are in addition to any funds reimbursed under G.S. 62A-46.

"**§ 62A-48. Recovery of unauthorized use of funds.**

The 911 Board must give written notice of violation to any voice communications service provider or PSAP found by the 911 Board to be using monies from the 911 Fund for purposes not authorized by this Article. Upon receipt of notice, the voice communications service provider or PSAP must cease making any unauthorized expenditures. The voice communications service provider or PSAP may petition the 911 Board for a hearing on the question of whether the expenditures were unauthorized, and the 911 Board must grant the request within a reasonable period of time. If, after the hearing, the 911 Board concludes the expenditures were in fact unauthorized, the 911 Board may require the voice communications service provider or PSAP to refund the monies improperly spent within 90 days. Money received under this section must be credited to the 911 Fund. If a voice communications service provider or PSAP does not cease making unauthorized expenditures or refuses to refund improperly spent money, the 911 Board must suspend funding to the provider or PSAP until corrective action is taken.

"**§ 62A-49. Conditions for providing enhanced 911 service.**

In accordance with the FCC Order, no CMRS provider is required to provide enhanced 911 service until all of the following conditions are met:

(1) The provider receives a request for the service from the administrator of a PSAP that is capable of receiving and utilizing the data elements associated with the service.

(2) Funds for reimbursement of the CMRS provider's costs are available pursuant to G.S. 62A-45.

(3) The local exchange carrier is able to support the requirements of enhanced 911 service.

"**§ 62A-50. Audit.**

The State Auditor may perform audits of the 911 Board pursuant to Article 5A of Chapter 147 of the General Statutes to ensure that funds in the 911 Fund are being managed in accordance with the provisions of this Article. The State Auditor must perform an audit of the 911 Board at least every two years. The 911 Board must reimburse the State Auditor for the cost of an audit of the 911 Board.

"**§ 62A-51. Subscriber records.**

Each CMRS provider must provide its 10,000 number groups to a PSAP upon request. This information remains the property of the disclosing CMRS provider and

must be used only in providing emergency response services to 911 calls. CMRS voice communications service provider connection information obtained by PSAP personnel for public safety purposes is not public information under Chapter 132 of the General Statutes. No person may disclose or use, for any purpose other than the 911 system, information contained in the database of the telephone network portion of a 911 system.

"**§ 62A-52. Proprietary information.**

All proprietary information submitted to the 911 Board or the State Auditor is confidential. Proprietary information submitted pursuant to this Article is not subject to disclosure under Chapter 132 of the General Statutes, and it may not be released to any person other than to the submitting CMRS voice communications service provider, the 911 Board, and the State Auditor without the express permission of the submitting CMRS voice communications service provider. Proprietary information is considered a trade secret under the Trade Secrets Protection Act, Article 24 of Chapter 66 of the General Statutes. General information collected by the 911 Board or the State Auditor may be released or published only in aggregate amounts that do not identify or allow identification of numbers of subscribers or revenues attributable to an individual CMRS voice communications service provider."

"**§ 62A-53. Limitation of liability.**

Except in cases of wanton or willful misconduct, a voice communications service provider and its employees, directors, officers, and agents are not liable for any damages in a civil action resulting from death or injury to any person or from damage to property incurred by any person in connection with developing, adopting, implementing, maintaining, or operating the 911 system or in complying with emergency related information requests from State or local government officials. This section does not apply to actions arising out of the operation or ownership of a motor vehicle.

SECTION 1(b). Article 19 of Chapter 14 of the General Statutes is amended by adding a new section to read:

"**§ 14-111.4. Misuse of 911 system.**

It is unlawful for an individual who is not seeking public safety assistance, is not providing 911 service, or is not responding to a 911 call to access or attempt to access the 911 system for a purpose other than an emergency communication. A person who knowingly violates this section commits a Class 3 misdemeanor. If a person knowingly accesses or attempts to access the 911 system for the purpose of avoiding a charge for voice communications service, as defined in G.S. 62A-40, and the value of the charge exceeds one hundred dollars ($100.00), the person commits a Class 1 misdemeanor."

SECTION 2(a). Article 1 of Chapter 62A of the General Statutes is repealed.

SECTION 2(b). Any funds remaining in the Emergency Telephone System Fund or required to be remitted by a service supplier to the local fiscal officer for deposit to the fund, collected pursuant to Article 1 of Chapter 62A of the General Statutes prior to the effective date of this act, are transferred to the General Fund of the local governing entity to be used for any lawful purpose. Any local governing entity is not relieved of any prior obligation incurred for uses authorized by G.S. 62A-8.

SECTION 3(a). Article 2 of Chapter 62A of the General Statutes is repealed.

SECTION 3(b). The records, personnel, property, and unexpended balances of appropriations, allocations, and other funds, including the functions of budgeting and purchasing, of the Wireless 911 Board created under Article 2 of Chapter 62A of the General Statutes and repealed by subsection (a) of this Section, are transferred to the 911 Board created under Article 3 of Chapter 62A of the General Statutes, as enacted by Section 1 of this act. All rules, decisions, and actions adopted, made, or taken by the Wireless 911 Board created under Article 2 of Chapter 62A that have not been repealed or rescinded continue in effect until repealed or rescinded by the 911 Board created under Article 3 of Chapter 62A of the General Statutes, as enacted by Section 1 of this act.

SECTION 3(c). The members of the Wireless 911 Board created under Article 2 of Chapter 62A of the General Statutes, other than a member appointed by the General Assembly upon the recommendation of the Speaker of the House to represent CMRS providers, serve as 11 of the initial members of the 911 Board created under Article 3 of Chapter 62A of the General Statutes, as enacted by Section 1 of this act, without reappointment by the Governor or the General Assembly. The State Chief Information Officer must designate which of the initial members who transfer to the 911 Board from the Wireless 911 Board serve four-year terms and which serve six-year terms so that the terms of half the members of the 911 Board, other than the State Chief Information Officer, will expire every two years.

The following membership positions for the 911 Board have no counterpart on the Wireless 911 Board and must be appointed in accordance with Article 3 of Chapter 62A of the General Statutes:

1. Of the appointments by the Governor, an individual representing a VoIP provider and an individual representing the North Carolina chapter of the National Emergency Number Association (NENA).
2. Of the appointments by the General Assembly upon the recommendation of the Speaker of the House of Representatives two individuals who represents local exchange carriers operating in North Carolina, one of whom represents a local exchange carrier with less than 50,000 access lines.
3. Of the appointments by the General Assembly upon the recommendation of the President Pro Tempore of the Senate an individual who represents a local exchange carrier with less than 200,000 access lines.

SECTION 4. G.S. 62-157 reads as rewritten:

"**§ 62-157. Telecommunications relay service.**

(a) Finding. – The General Assembly finds and declares that it is in the public interest to provide access to public telecommunications services for hearing impaired or speech impaired persons, including those who also have vision impairment, and that a statewide telecommunications relay service for telephone service should be established.

(a1) Definitions. – For purposes of this section:

(1) "CMRS" is as defined in G.S. ~~62A-21.~~62A-40.

(2) "CMRS connection" is as defined in G.S. ~~62A-21.~~62A-40.

(3) "CMRS provider" is as defined in G.S. ~~62A-21.~~62A-40.

(4) "Exchange access facility" means the access from a particular telephone subscriber's premises to the telephone system of a local exchange telephone company, and includes local exchange company-provided access lines, private branch exchange trunks, and centrex network access registers, all as defined by tariffs of telephone companies as approved by the Commission.

(5) "Local service provider" means a local exchange company, competing local provider, or telephone membership corporation.

(b) Authority to Require Surcharge. – The Commission shall require local service providers to impose a monthly surcharge on all residential and business local exchange access facilities to fund a statewide telecommunications relay service by which hearing impaired or speech impaired persons, including those who also have vision impairment, may communicate with others by telephone. This surcharge, however, may not be imposed on participants in the Subscriber Line Charge Waiver Program or the Link-up Carolina Program established by the Commission. This surcharge, and long distance revenues collected under subsection (f) of this section, are not includable in gross receipts subject to the franchise tax levied under G.S. 105-120 or the sales tax levied under G.S. 105-164.4.

(c) Specification of Surcharge. – The Department of Health and Human Services shall initiate a telecommunications relay service by filing a petition with the Commission requesting the service and detailing initial projected required funding. The Commission shall, after giving notice and an opportunity to be heard to other interested parties, set the initial monthly surcharge based upon the amount of funding necessary to implement and operate the service, including a reasonable margin for a reserve. The surcharge shall be identified on customer bills as a special surcharge for provision of a telecommunications relay service for hearing impaired and speech impaired persons. The Commission may, upon petition of any interested party, and after giving notice and an opportunity to be heard to other interested parties, revise the surcharge from time to time if the funding requirements change. In no event shall the surcharge exceed twenty-five cents (25¢) per month for each exchange access facility.

(d) Funds to Be Deposited in Special Account. – The local service providers shall collect the surcharge from their customers and deposit the moneys collected with the State Treasurer, who shall maintain the funds in an interest-bearing, nonreverting account. After consulting with the State Treasurer, the Commission shall direct how and when the local service providers shall deposit these moneys. Revenues from this fund shall be available only to the Department of Health and Human Services to administer the statewide telecommunications relay service program, including its establishment, operation, and promotion. The Commission may allow the Department of Health and Human Services to use up to four cents (4¢) per access line per month of the surcharge for the purpose of providing telecommunications devices for hearing impaired or speech impaired persons, including those who also have vision impairment, through a distribution program. The Commission shall prepare such guidelines for the distribution program as it deems appropriate and in the public interest. Both the Commission and the

Public Staff may audit all aspects of the telecommunications relay service program, including the distribution programs, as they do with any public utility subject to the provisions of this Chapter. Equipment paid for with surcharge revenues, as allowed by the Commission, may be distributed only by the Department of Health and Human Services.

(e) Administration of Service. – The Department of Health and Human Services shall administer the statewide telecommunications relay service program, including its establishment, operation, and promotion. The Department may contract out the provision of this service for four-year periods to one or more service providers, using the provisions of G.S. 143-129.

(f) Charge to Users. – The users of the telecommunications relay service shall be charged their approved long distance and local rates for telephone services (including the surcharge required by this section), but no additional charges may be imposed for the use of the relay service. The local service providers shall collect revenues from the users of the relay service for long distance services provided through the relay service. These revenues shall be deposited in the special fund established in subsection (d) of this section in a manner determined by the Commission after consulting with the State Treasurer. Local service providers shall be compensated for collection, inquiry, and other administrative services provided by said companies, subject to the approval of the Commission.

(g) Reporting Requirement. – The Commission shall, after consulting with the Department of Health and Human Services, develop a format and filing schedule for a comprehensive financial and operational report on the telecommunications relay service program. The Department of Health and Human Services shall thereafter prepare and file these reports as required by the Commission with the Commission and the Public Staff. The Department shall also be required to report to the Revenue Laws Study Committee.

(h) Power to Regulate. – The Commission shall have the same power to regulate the operation of the telecommunications relay service program as it has to regulate any public utility subject to the provisions of this Chapter.

(i) Wireless Surcharge. – A CMRS provider, as part of its monthly billing process, must collect the same surcharge imposed on each exchange access facility under this section for each CMRS connection. A CMRS provider may deduct a one percent (1%) administrative fee from the total amount of surcharge collected. A CMRS provider shall remit the surcharge collected, less the administrative fee, to the ~~Wireless~~ 911 Board in the same manner and with the same frequency as the local service providers remit the surcharge to the State Treasurer. The ~~Wireless~~ 911 Board shall remit the funds collected from the surcharge to the special account created under subsection (d) of this section."

SECTION 5. G.S. 105-130.5(b)(17) reads as rewritten:

"(17) To the extent included in federal taxable income, 911 charges imposed under G.S. 62A-43 and remitted to the 911 Fund under that section.~~the following:~~

~~a. The amount of 911 charges collected under G.S. 62A-5 and remitted to a local government under G.S. 62A-6.~~

~~b. The amount of wireless Enhanced 911 service charges collected under G.S. 62A-23 and remitted to the Wireless Fund under G.S. 62A-24.~~"

SECTION 6. G.S. 105-164.13(54)c. reads as rewritten:

"c. 911 charges imposed under ~~G.S. 62A-4 or G.S. 62A-23~~ G.S. 62A-43 and remitted to the ~~Emergency Telephone System~~ 911 Fund under ~~G.S. 62A-7 or the Wireless Fund under G.S. 62A-24.~~that section."

SECTION 7(a). The Joint Legislative Utility Review Committee is directed to determine the best method for collecting the service charge imposed by G.S. 62A-43 from prepaid telephone wireless subscribers. The Committee is further directed to submit a final report of its findings and recommendations to the 2007 General Assembly, Regular Session 2008.

SECTION 7(b). Notwithstanding G.S. 62A-23, the charge imposed by that section does not apply to prepaid wireless telephone service effective August 1, 2007.

SECTION 7(c). Notwithstanding G.S. 62A-43, the charge imposed by that section does not apply to prepaid wireless telephone service for the 2008 calendar year.

SECTION 8. Sections 1 through 6 of this act become effective January 1, 2008. Section 1(b) of this act applies to offenses committed on or after January 1, 2008. The remaining sections of this act are effective when they become law.

HOUSE BILL 1755:
Coordinate Statewide Enhanced 911 System

BILL ANALYSIS

Committee:	Senate Finance	**Date:**	July 16, 2007
Introduced by:	Reps. Saunders, Brubaker, Holliman, Howard	**Summary by:**	Heather Fennell
Version:	PCS to Fourth Edition H1755-CSTDf-24		Committee Counsel

SUMMARY: House Bill 1755 creates a new statewide administration system for the 911 system, by creating the 911 Board, and authorizing the new 911 Board to administer and distribute funds collected from voice communications providers to public safety answering points across the state. The PCS to House Bill 1755:

- ***Makes technical and clarifying changes to the bill.***
- ***Adds a moratorium on the collection of the 911 service charge on prepaid wireless service.***

CURRENT LAW: Currently, local government entities collect a 911 service charge from subscribers of local telephone providers (landline providers). The Wireless 911 Board collects a monthly service charge on each subscriber of "commercial mobile radio service," or "CMRS," providers (wireless providers). A portion of the fees collected by the Wireless 911 Board is distributed to "public safety answering points" (PSAP). Each PSAP is the public safety agency that receives incoming 911 calls and dispatches public safety agencies to respond to each call. Funds not distributed to PSAPs are distributed to CMRS providers to reimburse these providers for the costs in complying with an order of the Federal Communications Commission that directs CMRS providers to enable PSAPs to geographically locate individuals who call 911 from wireless phones. Currently, no fees for 911 services are collected from internet phone services including voice over internet protocol (VoIP).

BILL ANALYSIS: House Bill 1755 creates a new statewide 911 system removing the authority of local governing entities to collect local 911 charges, and reforming the Wireless 911 Board into the 911 Board. There will be a uniform fee across the state for all providers of voice communications, including local telephone companies, CMRS providers, and VoIP providers. The fee will be $0.70 per month for each service connection.

Sec. 1(a). Creates a new Article, Article 3 in Chapter 62A to provide for the statewide 911 system.

Definitions: Changes, clarifies, or provides new definitions for the statewide 911 system. The definitions remove references to repealed statues and substitutes new terms.

The Board: Creates the 911 Emergency Locating Board. The 911 Board will consist of 17 members including representatives of municipalities, counties, the National Emergency Number Association, the Association of Public Safety Communications Officials, a sheriff, a chief of police, local exchange carriers, CMRS providers, and VoIP providers. The State Chief Information Officer or his designee and twelve members of the Wireless 911 Board will serve as the initial members of the 911 Board with the additional five members being appointed by either the Governor, the Speaker of the House, or the President Pro Tempore of the Senate.

A Board member's term is 4 years. Members of the 911 Board fall within the definition of public servants, and are subject to Chapter 138A of the General Statutes, the State Government Ethics Act.

Service Charge: The rate of the monthly 911 service charge is set at $0.70 per month, per voice communications service connection. If the Board determines that the service charge produces revenues

in excess of the revenues needed by PSAPs and voice communication service providers, the Board must lower the service charge. The Board may adjust the service charge on July 1 of an even-numbered year. No other state agency or local government may collect an additional fee for 911 services.

Voice communication service providers remit service charges to the 911 Board monthly. A voice communication service provider has no obligation to take legal action to enforce the collection of the service charge but must report to the 911 Board the amount of uncollected service charges. Each voice communications service provider may deduct an administrative fee of the greater of $50 or 1% of service charges remitted to the Board.

The 911 Fund: The 911 Fund is created as an interest bearing special revenue fund. The 911 Board may deduct up to 1% of the total service charges remitted to the Board for administrative expenses. The remaining revenues from the Fund are allocated as follows:

- 53% of the funds remitted from CMRS providers are used to reimburse CMRS providers, for reimbursement of costs incurred in complying with the FCC Order mandating compliance with wireless 911 requirements.
- 47% of the funds remitted from CMRS providers, and all funds remitted from other providers are distributed to PSAPs.

The 911 Board must report to the General Assembly every two years on the receipts and expenditures of the Board.

Fund distributions to CMRS providers: CMRS providers are eligible for reimbursement for costs related to compliance with enhanced 911 service. CMRS providers must submit sworn invoices for commercially reasonable costs for reimbursement. The Board may reallocate funds originally allocated for the reimbursement of CMRS providers to the PSAP Grant Account, if the Board makes certain findings, including that the reallocation will not impair cost recovery of CMRS providers. If the Board reallocates more than $3,000,000 to the Grant Account in any one year, the Board must consider reducing the amount of the service charge.

Fund distribution to PSAPs: Each PSAP will receive the same amount of funds it received in the fiscal year ending June 30, 2007 from the Emergency Telephone System Fund of its local governing entity. Remaining funds are distributed to PSAPs that provide enhanced 911 service. A portion of remaining funds are allocated based on population served with the remaining portion allocated to the PSAP Grant Account for rural and other high-cost areas.

Funds distributed to PSAPs may not be used for real estate, remodeling of dispatch centers, compensation of telecommunicators, or the purchase of emergency vehicles. Funds distributed to PSAPs are restricted to the following:

- The lease, purchase, or maintenance of emergency telephone equipment, including necessary computer hardware, software and database provisioning, addressing, and nonrecurring costs of establishing a 911 system.
- Reasonable expenditures for training of 911 personnel.

PSAP Compliance: In order to receive monthly distributions from the 911 Fund, a PSAP, or the governing entity of a PSAP must comply will all of the following:

- Annually, each PSAP must submit its proposed or approved budget identifying revenues and expenditures for eligible expenses.

- Each PSAP must be included in its governing entity's annual audit. Pursuant to the Local Government Budget and Fiscal Control Act, each local government unit must be audited each year. The Local Government Commission will provide the 911 Board with a copy of the audit of each local government unit with a participating PSAP.

- Each PSAP must comply with requests from the 911 Board for financial information.

The Grant Account: A Grant Account is established for making grants to PSAPs in rural and other high cost areas. The 911 board may prescribe the manner in which a PSAP may apply for grants. Grants may be approved for reasonable costs for an efficient 911 system that are consistent with the 911 State Plan. Funds received by PSAPs in the form of grants are subject to the same restrictions on use as all other funds distributed to PSAPs.

62A-48 — 62A-53: These provisions including Unauthorized use of funds, Provisions of wireless services, Audit, Customer records, Proprietary information, Limitation of liability, and Misuse of 911 system, are taken directly from the existing statutes. Technical changes were made to each section to substitute new terms and include VoIP providers.

Sec. 1(b). Moves the existing section, G.S. 62A-32 to Chapter 14. This section provides a penalty for misuse of the 911 system. Knowingly violating of this section is a Class 3 misdemeanor; attempts to access the 911 system to avoid a charge for voice communications service exceeding $100 is a Class 1 misdemeanor.

Sec. 2(a). Repeals Article 1 of Chapter 62A.

Sec. 2(b). This section provides any funds remaining in the Emergency Telephone System Fund or required to be remitted by a service supplier to the local fiscal officer for deposit to the Fund, collected pursuant to Article 1 of Chapter 62A prior to the effective date of this act, shall be transferred to the General Fund of the governing entity to be used for any lawful purpose. Any local governing entity is not relieved of any prior obligation incurred for uses authorized by G.S.62A-8.

Sec. 3(a). Repeals Article 2 of Chapter 62A.

Sec. 3(b). Provides that the records, personnel, property, balance of funds of the Wireless 911 Board will convert to the new 911 Board upon the effective date of this Act.

Sec. 3(c). Provides that 11 of the existing members of the Wireless 911 Board will serve as the initial members of the 911 Board. Provides for the appointment of the additional members. Provides that the State Chief Information Officer will designate the terms of certain members in order for the members of the Board to serve in staggered terms.

Sec. 4, Sec. 5, and Sec. 6. Makes conforming changes to existing statues to provide new statutory references.

Sec. 7. Provides that the service fee for 911 will not be collected from the providers of prepaid wireless telephone service for the period of August 1, 2007 till December 31, 2008. The Joint Legislative Review Committee is directed to determine the best method for collecting the 911 service charge on providers of prepaid wireless telephone service and submit a final report of its findings and recommendations to the 2007 General Assembly, Regular Session 2008.

EFFECTIVE DATE: Sections 1 through 6 of this act become effective January 1, 2008. Section 1(b) of this act applies to offenses committed on or after January 1, 2008. The remaining sections of this act are effective when they become law.

(c) The Town of Eastover acknowledges that, notwithstanding the provisions of G.S. 160A-58.1(b)(2), the City of Fayetteville may annex all or any portion of the property described in subsections (a) and (b) of this section without entering into an annexation agreement with the Town of Eastover.

(d) The Town of Eastover does not object to the property described in subsections (a) and (b) of this section being included in the City of Fayetteville's Municipal Influence Area to the extent any Municipal Influence Area is created by agreement of the City of Fayetteville and Cumberland County.

"ARTICLE III. GOVERNING BODY.

"Section 3.1. **Structure of Governing Body; Number of Members.** The governing body of the Town of Eastover is the Mayor and the Town Council, which shall have six members.

"Section 3.2. **Temporary Officers.** Until the organizational meeting after the initial election in 2007 provided for by Section 4.1 of this Charter, Charles G. McLaurin is hereby appointed Mayor and Benny Pearce, Sara Piland, Rupert Tatum, Jr., Lawrence Buffaloe, Cheryl Hudson, and Willie Geddie are appointed council members of the Town of Eastover, and they shall possess and exercise the powers granted to the

governing body until their successors are elected or appointed and qualified pursuant to this Charter. The temporary officers shall elect one of their members to serve as Mayor Pro Tempore until the organizational meeting after the initial election in 2007. If any person named in this section is unable to serve, the remaining temporary officers shall, by majority vote, appoint a person to serve until the initial municipal election is held in 2007.

"Section 3.3. **Manner of Electing Town Council; Term of Office.** The qualified voters of the entire Town shall elect the members of the Town Council and, except as provided in this section, they shall serve four-year terms. In 2007, the three candidates receiving the highest numbers of votes shall be elected to four-year terms and the three candidates receiving the next highest numbers of votes shall be elected to two-year terms. In 2009, and quadrennially thereafter, three members shall be elected to four-year terms. In 2011, and quadrennially thereafter, three members shall be elected to four-year terms. To be eligible for election to the Town Council, an individual must reside in the Town of Eastover. Vacancies on the Town Council shall be filled in accordance with G.S. 160A-63.

"Section 3.4. **Manner of Electing Mayor; Term of Office; Duties.** The qualified voters of the entire Town shall elect the Mayor. In 2007, and biennially thereafter, the Mayor shall be elected for a term of two years. The Mayor shall attend and preside over meetings of the Town Council, shall advise the Town Council from time to time as to matters involving the Town of Eastover, and shall have the right to vote as a member of the Town Council on all matters before the Council, but shall have no right to break a tie vote in which the Mayor has participated.

"Section 3.5. **Manner of Electing Mayor Pro Tempore; Term of Office; Duties.** The Mayor Pro Tempore shall be elected from among the members of the Town Council at the organizational meeting after the initial election in November 2007, and shall serve for a term of two years. The Mayor Pro Tempore shall act in the absence or disability of the Mayor. If the Mayor and Mayor Pro Tempore are both absent from a meeting of the Town Council, the members of the Town Council present may elect a temporary chair to preside in the absence. The Mayor Pro Tempore shall have the right to vote on all matters before the Town Council and shall be considered a member of the Town Council for all purposes.

"Section 3.6. **Compensation of Mayor and Town Council.** The Mayor and members of the Town Council shall be reimbursed for ordinary and necessary expenses.

"ARTICLE IV. ELECTIONS.

"Section 4.1. **Conduct of Town Elections.** Elections shall be conducted on a nonpartisan basis and results determined by a plurality as provided in G.S. 163-292.

"Section 4.2. **Date of Election.** Elections shall be conducted in accordance with Chapter 163 of the General Statutes.

"Section 4.3. **Special Elections and Referenda.** Special elections and referenda may be held only as provided by general law or applicable local acts of the General Assembly.

"ARTICLE V. ADMINISTRATION.

"Section 5.1. **Form of Government.** The Town shall operate under the Council-Manager plan as provided in Part 2 of Article 7 of Chapter 160A of the General Statutes.

"Section 5.2. **Town Manager; Appointment; Power and Duties.** The Town Council shall appoint a Town Manager who shall be responsible for the administration of all departments of the Town government, except as otherwise directed by the Town Council. The Town Manager shall have all the powers and duties conferred by general law, except as expressly limited by the provisions of this Charter, and the additional powers and duties conferred by the Town Council, so far as authorized by general law.

"Section 5.3. **Town Manager's Authority Over Personnel; Role of Elected Officials.** As chief administrator of the Town, the Town Manager shall have the power to appoint, suspend, and remove all Town officers, department heads, and employees, except the Town Attorney, Town Clerk, and any other official whose appointment or removal is vested in the Town Council by this Charter or by general law. Neither the Town Council nor any of its members shall take part in the appointment or removal of officers or employees in the administrative service of the Town of Eastover, except as provided by this Charter. Except for purposes of inquiry, or for consultation with the Town Attorney, the Town Council and its members shall deal with Town employees solely through the Town Manager or Acting Town Manager, and neither the Town Council nor any of its members shall give any specific orders to any subordinates of the Town Manager or Acting Town Manager, either publicly or privately.

"Section 5.4. **Town Attorney.** The Town Council shall appoint a Town Attorney licensed to practice law in North Carolina. It shall be the duty of the Town Attorney to represent the Town, advise Town officials, and perform other duties required by law or as the Town Council may direct.

"Section 5.5. **Town Clerk.** The Town Council shall appoint a Town Clerk to keep a journal of the proceedings of the Town Council, to maintain official records and documents, to give notice of meetings, and to perform such other duties required by law or as the Town Council may direct.

"Section 5.6. **Other Administrative Officers and Employees.** The Town Council may authorize other offices and positions and appoint persons to fill the offices and positions, or the Council may authorize the offices and positions to be filled by appointment by the Town Manager. The Town Council may organize the Town government as deemed appropriate, subject to the requirements of general law.

"Section 5.7. **Consolidation of Functions.** Where positions are not incompatible, the Town Council may combine in one person the powers and duties of two or more officers created or authorized by this Charter.

"ARTICLE VI. TAXES AND BUDGET ORDINANCE.

"Section 6.1. **Powers of the Town Council.** The Town Council may levy those taxes and fees authorized by general law. An affirmative vote equal to a majority of all the members of the Town Council shall be required to change the ad valorem tax rate from the rate established during the prior fiscal year.

"Section 6.2. **Budget.** From and after July 1, 2007, the citizens and property in the Town of Eastover shall be subject to municipal taxes levied for the year beginning July

1, 2007, and for that purpose the Town shall obtain from Cumberland County a record of property in the area herein incorporated which was listed for property taxes as of January 1, 2007. The Town may adopt a budget ordinance for fiscal year 2007-2008 without following the timetable in the Local Government Budget and Fiscal Control Act, but shall follow the sequence of actions in the spirit of the act insofar as is practical. For fiscal year 2007-2008, ad valorem taxes may be paid at par or face amount within 90 days of adoption of the budget ordinance and thereafter in accordance with the schedule in G.S. 105-360 as if the taxes had been due and payable on September 1, 2007.

"ARTICLE VII. ORDINANCES.

"Section 7.1. **Ordinances.** Except as otherwise provided in this Charter, the Town of Eastover is authorized to adopt such ordinances as the Town Council deems necessary for the governance of the Town.

"ARTICLE VIII. MISCELLANEOUS.

"Section 8.1. **Conflicts of Interest.** No person, or a member of the person's immediate family, who is employed by or is an official of the Town of Eastover, shall do business with the Town unless the activity is approved by the Town Council. All appointed officials of the Town shall inform the Town Council of any conflicts of interest, and the failure to so inform shall constitute grounds for immediate dismissal for cause. No official of the Town may accept any gratuity from any business, person, or other official if the gratuity is related to his or her official duties.

"Section 8.2. **Enlargement of Town Council.** The qualified voters of the Town of Eastover may seek to enlarge the number of members of the Town Council by submitting a petition to that effect signed by twenty percent (20%) of the qualified voters. Upon passage of a resolution as provided in G.S. 160A-102 or upon receipt of a valid petition, the Town Council shall immediately take steps as provided in Part 4 of Article 5 of Chapter 160A of the General Statutes to determine by referendum whether the number of members of the Town Council should be increased. If a majority of the votes cast in the referendum are in the affirmative, a special election shall be held at the earliest possible date to elect the additional members required to enlarge the Town Council to the number set forth in the referendum.

"Section 8.3. **Amendments to Charter.** The Town Council may propose and enact amendments to this Charter in accordance with Part 4 of Article 5 of Chapter 160A of the General Statutes. No amendment to this Charter shall become effective until public notice is given and a public hearing is held to receive comments on the proposed Charter amendment. Notwithstanding G.S. 160A-103, upon receipt of a referendum petition bearing the signatures and residence addresses of twenty percent (20%) of the qualified voters of the Town, the Town Council shall submit ordinances adopted under G.S. 160A-102 to a vote of the people.

"Section 8.4. **Provision of Services and Administration of Functions.** The Town Council may enter into agreements with other governmental bodies and private enterprises for the provision of services and the administration of corporate functions in order to provide the services and administer the functions in the most efficient and cost-effective manner.

"Section 8.5. **Sales Tax Reimbursement.** The Town of Eastover shall comply with the terms of the Sales Tax Interlocal Agreement between Cumberland County and the municipalities within Cumberland County with regard to the Town of Eastover's incorporation until the Agreement expires on June 30, 2013, or the Agreement is terminated, whichever occurs first.

"ARTICLE IX. SPECIAL PROVISIONS.

"Section 9.1. **Fire Protection.** The Town of Eastover may contract with the Eastover Volunteer Fire Department, Inc., and the Vander Volunteer Fire Department, Inc., to provide fire protection for the Town. The contract terms and the amount paid by the Town of Eastover to the Eastover Volunteer Fire Department, Inc., and the Vander Volunteer Fire Department, Inc., shall be mutually agreed upon and annually renewed by the Board of Directors for the Eastover Volunteer Fire Department, Inc., and the Town Council and the Board of Directors for the Vander Volunteer Fire Department, Inc., and the Town Council."

SECTION 2. Section 1 of this act shall become effective only if the Charter of the Town of Eastover is approved under section 5 of the Voting Rights Act of 1965 by the United States Department of Justice. If the Charter is not approved, Section 1 of this act shall have no force and effect.

SECTION 3. Upon approval of the Charter by the United States Department of Justice, the Cumberland County Board of Elections, in consultation with the State Board of Elections, shall set and publicize a schedule for the election of Town Officers for the Town of Eastover at the earliest convenient date, but the election shall be held no later than 150 days after the Charter has been approved. The schedule shall include a filing period of two weeks.

SECTION 4. The persons named as members of the Interim Board in Section 3.2 of the Charter of the Town of Eastover, as enacted in Section 1 of this act, being Charles G. McLaurin, Benny Pearce, Sara Piland, Rupert Tatum, Jr., Lawrence Buffaloe, Cheryl Hudson, and Willie Geddie, shall be responsible for submitting any information required by G.S. 120-30.9F to the Attorney General of the United States.

SECTION 5. This act is effective when it becomes law.

HOUSE BILL 1191: Incorporate Eastover

BILL ANALYSIS

Committee:	Senate Finance	**Date:**	July 18, 2007
Introduced by:	Reps. Glazier, Dickson, Brisson, Lucas	**Summary by:**	Judy Collier
Version:	Second Edition		Research Assistant

SUMMARY: House Bill 1191 would incorporate the Town of Eastover in Cumberland County, effective upon preclearance by the U.S. Department of Justice.

CURRENT LAW: Municipalities may be created by the General Assembly and may give such powers and duties to those cities and towns as it may deem advisable. The General Assembly cannot incorporate, as a city or town, any territory meeting any of the following criteria:

- Lying within 1 mile of the corporate limits of any other city or town having a population of 5,000 or more according to the most recent decennial census.
- Lying within 3miles of the corporate limits of any other city or town having a population of 10,000 or more according to the most recent decennial census.
- Lying within 4 miles of the corporate limits of any other city or town having a population of 25,000 or more according to the most recent decennial census.
- Lying within 5 miles of the corporate limits of any other city or town having a population of 50,000 or more according to the most recent decennial census.

Notwithstanding the foregoing limitations, the General Assembly may incorporate a city or town by an act adopted by a 3/5 vote of all the members of each chamber. Article VII, Section 1, North Carolina Constitution.

Rule 35.1(b) of the House Rules requires that a legislative proposal proposing incorporation must have attached to its bill jacket a report of the Joint Municipal Incorporations Commission prior to a favorable report by a committee of the House. Article 20 of Chapter 120 creates the Joint Municipal Incorporation Commission and sets forth the constitutional and statutory criteria for review of a proposed incorporation.

BILL ANALYSIS: HB 1191 would incorporate a specified area into the Town of Eastover, including the following:

- The Town would have six council members and a mayor.
- The Mayor would have the ability to vote on all matters before the council, but could not break a tie on a vote in which the Mayor participated.
- Elections would be non-partisan plurality.
- The Town would operate under the council manager plan.
- The Town would not have the authority to annex into certain described territory.
- The Town would not have the authority to annex into certain described territory for a period of 15 years.

EFFECTIVE DATE: Effective when it becomes law, but cannot take effect until precleared by the U.S. Department of Justice.

BACKGROUND: The Joint Municipal Incorporations Commission found that the proposed Town of Eastover did not meet the standards required by Article 20 of Chapter 120, and did not recommend incorporation. The specific standard not met was the development density requirement of G.S. 120-168. That statute requires a density of 40% of the area to be incorporated is developed for residential, commercial, industrial, institutional, or governmental uses.

A BILL TO BE ENTITLED

AN ACT AMENDING THE CHARTER OF THE TOWN OF CARRBORO TO PROVIDE GREATER FLEXIBILITY IN THE PAYMENT OF SPECIAL ASSESSMENTS AND THE COLLECTION OF DELINQUENT SPECIAL ASSESSMENT PAYMENTS, AND TO ALLOW THE CITY OF ROANOKE RAPIDS TO ASSESS BENEFITED PROPERTIES FOR MAINTENANCE OF PARKING LOTS.

The General Assembly of North Carolina enacts:

SECTION 1.(a) Article 5 of the Charter of the Town of Carrboro, being Chapter 476 of the 1987 Session Laws, as amended, is amended by adding the following new section to read:

"**Section 5-4. Collection of Special Assessment Liens.** (a) In addition to the payment methods provided in G.S. 160A-232, the Board of Aldermen may provide in the resolution directing the project giving rise to the assessment that assessments may be paid in whatever periodic installments, including annually, semiannually, quarterly, or monthly, that are authorized in the resolution. The interest rate applicable to the installments shall be the same without regard to the installment period.

(b) Notwithstanding the provisions of G.S. 160A-233(b), the Board of Aldermen may authorize the town manager or the manager's designee to waive the automatic acceleration of delinquent special assessment payments and to design and establish installment plans for the repayment of special assessments.

(c) To collect delinquent special assessment payments, the town may use any and all of the remedies authorized for the collection of unpaid property taxes under Article 26 of Chapter 105 of the General Statutes."

SECTION 1.(b) This section applies to all special assessments levied by the town under the provisions of its Charter or Article 10 of Chapter 160A of the General Statutes before and after this section's effective date.

SECTION 2.(a) G.S. 160A-216 is amended by adding a new subdivision to read:

"**§ 160A-216. Authority to make special assessments.**

Any city is authorized to make special assessments against benefited property within its corporate limits for:

...

(6) Repair and maintenance of parking lots, including, but not limited to, lighting, drainage, and appropriate traffic signage."

SECTION 2.(b) Article 10 of Chapter 160A of the General Statutes is amended by adding a new section to read:

"**§ 160A-219.1. Parking lot assessments.**

Assessments for repair and maintenance of parking lots as authorized by G.S. 160A-216(6) may be made only for shopping center parking lots where the parking lot property was acquired by the city either as a result of foreclosure for nonpayment of city property taxes or by transfer of title to the city from another taxing unit that acquired the property as a result of foreclosure for nonpayment of property taxes. Assessments may be made only as to benefited property within the shopping center as defined by the city, and the basis for such assessments shall be made in accordance with G. S. 160A-218."

SECTION 2.(c) This section applies only to the City of Roanoke Rapids.

SECTION 3. This act is effective when it becomes law.

HOUSE BILL 555:
Carrboro/Special Assessments

BILL ANALYSIS

Committee:	Senate Finance	**Date:**	July 18, 2007
Introduced by:	Rep. Insko	**Summary by:**	Trina Griffin
Version:	PCS to First Edition H555-PCS50733-LBx-71		Committee Counsel

SUMMARY: House Bill 555 amends the Charter of the Town of Carrboro to authorize the Town to use alternate methods to collect special assessments.

The Proposed Committee Substitute would also allow the City of Roanoke Rapids to assess benefited properties for the repair and maintenance of certain shopping center parking lots.

CURRENT LAW: Article 10 of 160A governs how cities make special assessments. Cities are authorized to make special assessments against benefited properties within its corporate limits for enumerated purposes including the construction and maintenance of streets and sidewalks, and water, sewage and drainage systems.

The procedure for imposing assessments includes the publication of a preliminary assessment roll, a public hearing, and final confirmation of the assessment roll. Once the assessments are confirmed, the assessments are a lien on the benefited property until paid.[1]

Payments of special assessments must be made in cash, or in not more than 10 annual installments. If an assessment installment payment is not paid on time, then all remaining installments immediately become due. Installment payments cannot be reinstated until the property owner has paid all installments in arrears with interest.

If an assessment is delinquent, the only remedy for the collection of the assessment is to foreclose the assessment lien under the procedures of G.S. 160A-233.

The additional remedies allowed under Article 26 of Chapter 105 of the General Statutes include remedies against personal property (105-366) and attachment and garnishment (105-368).

BILL ANALYSIS: House Bill 555:

- Authorizes the Town of Carrboro to provide for assessments to be paid in periodic installments, including annually, semiannually, quarterly, or monthly. The interest rate applicable to the installments is to be the same, without regard to the installment period.
- Authorizes the Town Manager to waive automatic acceleration of delinquent assessments, and to design installment plans for payment.
- Authorizes the Town to collect delinquent special assessments using all of the remedies for collection of unpaid property taxes under Article 26 of Chapter 105 of the General Statutes.

The Proposed Committee Substitute would also authorize the City of Roanoke Rapids to make special assessments against benefited property for the repair and maintenance of parking lots, including lighting, drainage, and traffic signage. However, this authority would be limited to shopping center parking lots where the property was acquired by the city either as the result of foreclosure for nonpayment of city

[1] The lien of special assessments is inferior to all prior and subsequent liens for State, local, and federal taxes, and superior to all other liens.

property taxes or by transfer of title to the city from another taxing unit that acquired the property as a result of foreclosure.

EFFECTIVE DATE: This act is effective when it becomes law, and applies to all special assessments levied by the Town before and after the act's effective date.

BACKGROUND:

Local modifications to the statute directing the payment of special assessments in cash or in no more than 10 annual installments include:

The City of Fayetteville – S.L. 1995-718 authorized up to 20 annual installments.

The Village of Pinehurst – S.L. 2003-259 authorized up to 15 annual installments, but only with regard to assessments for repair and rehabilitation of a dam in the Village of Pinehurst.

A BILL TO BE ENTITLED

AN ACT TO PROVIDE A WEIGHT AND SIZE EXCEPTION TO STATE AND LOCAL FIREFIGHTING AGENCIES TRANSPORTING OVERWEIGHT AND OVERSIZED VEHICLES BEING USED TO COMBAT FOREST FIRES, WILDFIRES, AND OTHER EMERGENCIES OR DISASTERS, TO AUTHORIZE THE ISSUANCE OF AN ANNUAL OR SINGLE TRIP PERMIT FOR OVERSIZE AND OVERWEIGHT COMMERCIAL VEHICLES USED IN EMERGENCY RESPONSE, AND TO AUTHORIZE THE ISSUANCE OF A SINGLE TRIP PERMIT FOR OVERSIZE OR OVERWEIGHT VEHICLES OR VEHICLE COMBINATIONS RESPONDING TO AN EMERGENCY EVENT.

The General Assembly of North Carolina enacts:

SECTION 1. Chapter 20 of the General Statutes is amended by adding a new section to read:

"**§ 20-118.4. Firefighting equipment exempt from size and weight restrictions while transporting or moving heavy equipment in an emergency; permits.**

(a) Exemption From Weight and Size Restrictions During Emergency Response. – Any overweight or oversize vehicle owned and operated by a State or local government or cooperating federal agency is exempt from the weight and size restrictions of this Chapter and implementing rules while it is actively engaged in (i) a response to a fire under the authority of a forest ranger pursuant to G.S. 113-55(a); (ii) a county request for forest protection assistance pursuant to G.S. 113-59; (iii) a request for assistance under a state of emergency declared pursuant to G.S. 14-288.12, 14-288.13, 14-288.14, 14-288.15, and any other applicable statutes and provisions of common law; (iv) a request for assistance under a disaster declared pursuant to G.S 166A-6 or G.S. 166A-8, when the vehicle meets the following conditions:

(1) The vehicle weight does not exceed the manufacturer's GVWR or 90,000 pounds gross weight, whichever is less.

(2) The tri-axle grouping weight does not exceed 50,000 pounds, tandem axle weight does not exceed 42,000 pounds, and the single axle weight does not exceed 22,000 pounds.

(3) A vehicle/vehicle combination does not exceed 12 feet in width and a total overall vehicle combination length of 75 feet from bumper to bumper.

(b) Marking, Lighting, and Bridge Requirements. – Vehicle/vehicle combinations subject to an exemption or permit under this section shall not be exempt from the requirement of a yellow banner on the front and rear measuring a total length of seven feet by 18 inches bearing the legend "Oversize Load" in 10 inch black letters 1.5 inches wide, and red flags measuring 18 inches square to be displayed on all sides at the widest point of load. In addition, when operating between sunset and sunrise, flashing amber lights shall be displayed on each side of the load at the widest point. Vehicle/vehicle combinations subject to an exemption or permit under this section shall not exceed posted bridge limits without prior approval from the Department of Transportation.

(c) Definition of 'Response'. – A response lasts from the time an overweight or oversize vehicle is requested until the vehicle is returned to its base location and restored to a state of readiness for another response.

(d) Discretionary Annual or Single Trip Permit for Emergency Response by a Commercial Vehicle. – The Department of Transportation may, in its discretion, issue an annual or single trip special use permit waiving the weight and size restrictions of this Chapter and implementing rules for a commercial overweight or oversize vehicle actively engaged in a response to a fire or a request for assistance from a person authorized to direct emergency operations. The Department of Transportation may condition the permit with safety measures that do not unreasonably delay a response. The Department of Transportation may issue the single trip special use permit upon verbal communication, provided the requestor submits appropriate documentation and fees on the next business day.

(e) No Liability for Issuance of Permit Under This Section. – The action of issuing a permit by the Department of Transportation under this section is a governmental function and does not subject the Department of Transportation to liability for injury to a person or damage to property as a result of the activity."

SECTION 2. G.S. 20-119 reads as rewritten:

"§ 20-119. Special permits for vehicles of excessive size or weight; fees.

(a) The Department of Transportation may, in its discretion, upon application, for good cause being shown therefor, issue a special permit in writing authorizing the applicant to operate or move a vehicle of a size or weight exceeding a maximum specified in this Article upon any highway under the jurisdiction and for the maintenance of which the body granting the permit is responsible. However, the Department is not authorized to issue any permit to operate or move over the State highways twin trailers, commonly referred to as double bottom trailers. Every such permit shall be carried in the vehicle to which it refers and shall be open to inspection by any peace officer. The authorities in any incorporated city or town may grant permits in writing and for good cause shown, authorizing the applicant to move a vehicle over

the streets of such city or town, the size or weight exceeding the maximum expressed in this Article. The Department of Transportation shall issue rules to implement this section.

(a1) Where permitted by the posted road and bridge limits, the Department may issue a single trip permit for a vehicle or vehicle combination responding to an emergency event that could result in severe damage, injury, or loss of life or property resulting from any natural or man-made emergency as determined by either the Secretary of Crime Control and Public Safety or the Secretary of Transportation or their designees. A permit issued under this subsection may allow for travel from a specific origin to destination and return 24 hours a day, seven days a week, including holidays. Permits issued under this subsection shall include a requirement for banners, flags, and other safety devices, as determined by the Department, and a requirement for a law enforcement escort or a vehicle being operated by a certified escort vehicle operator if traveling between sunset and sunrise. To obtain authorization to travel during restricted times, application shall be made with any required documentation to the proper officials as designated by the Department. If an emergency permit is issued under this subsection, the requestor shall contact the Department of Transportation's central permit office on the next business day to complete any further documentation and pay the applicable fees.

(b) Upon the issuance of a special permit for an oversize or overweight vehicle by the Department of Transportation in accordance with this section, the applicant shall pay to the Department for a single trip permit a fee of twelve dollars ($12.00) for each dimension over lawful dimensions, including height, length, width, and weight up to 132,000 pounds. For overweight vehicles, the applicant shall pay to the Department for a single trip permit in addition to the fee imposed by the previous sentence a fee of three dollars ($3.00) per 1,000 pounds over 132,000 pounds.

Upon the issuance of an annual permit for a single vehicle, the applicant shall pay a fee in accordance with the following schedule:

Commodity:	Annual Fee:
Annual Permit to Move House Trailers	$200.00
Annual Permit to Move Other Commodities	$100.00

In addition to the fees set out in this subsection, applications for permits that require an engineering study for pavement or structures or other special conditions or considerations shall be accompanied by a nonrefundable application fee of one hundred dollars ($100.00).

This subsection does not apply to farm equipment or machinery being used at the time for agricultural purposes, nor to the moving of a house as provided for by the license and permit requirements of Article 16 of this Chapter. Fees will not be assessed for permits for oversize and overweight vehicles issued to any agency of the United States Government or the State of North Carolina, its agencies, institutions, subdivisions, or municipalities if the vehicle is registered in the name of the agency.

(b1) Neither the Department nor the Board may require review or renewal of annual permits, with or without fee, more than once per calendar year.

A BILL TO BE ENTITLED

AN ACT TO EXTEND THE SUNSET ON THE TAX CREDITS FOR QUALIFIED BUSINESS INVESTMENTS AND TO EXTEND THE TIME FOR FILING AN APPLICATION TO OCTOBER 15.

The General Assembly of North Carolina enacts:

SECTION 1. G.S. 105-163.015 reads as rewritten:

"**§ 105-163.015. Sunset.**

This Part is repealed effective for investments made on or after January 1, ~~2008.~~2011."

SECTION 2. G.S. 105-163.011(c) reads as rewritten:

"(c) Application. – To be eligible for the tax credit provided in this section, the taxpayer must file an application for the credit with the ~~Secretary~~ Secretary. The application should be filed on or before April 15 of the year following the calendar year in which the investment was made. ~~The Secretary may grant extensions of this deadline, as the Secretary finds appropriate, upon the request of the taxpayer, except that the application may not be filed after September 15~~ The Secretary may not accept an application filed after October 15 of the year following the calendar year in which the investment was made. An application is effective for the year in which it is timely filed. The application shall be on a form prescribed by the Secretary and shall include any supporting documentation that the Secretary may require. If an investment for which a credit is applied for was paid for other than in money, the taxpayer shall include with the application a certified appraisal of the value of the property used to pay for the investment. The application for a credit for an investment made by a pass-through entity must be filed by the pass-through entity."

SECTION 3. Section 2 of this act becomes effective January 1, 2008, and applies to applications filed on or after that date. The remainder of this act is effective when it becomes law.

HOUSE BILL 1598:
Extend Qualified Business Venture Tax Credit

BILL ANALYSIS

Committee:	Senate Finance	**Date:**	July 16, 2007
Introduced by:	Reps. Gibson, Owens, Daughtridge, Wainwright	**Summary by:**	Cindy Avrette Committee Counsel
Version:	PCS to Third Edition H1598-CSRB-54		

SUMMARY: ***House Bill 1598 would extend the sunset on the tax credits for qualified business investments from January 1, 2008, to January 1, 2011.[1] The bill would become effective when it becomes law. The proposed Senate committee substitute does two things:***

- ***It removes the provision added in the House that would have required a married couple who wanted to claim the credit to file a joint return.***
- ***It allows an application for the tax credit to be filed on or before October 15.***

CURRENT LAW: The qualified business investment tax credit is allowed for an individual taxpayer who invests in a qualifying small business. A qualifying small business is one of the following:

- A business that engages primarily in manufacturing, processing, warehousing, wholesaling, research and development, or a service-related industry. Its annual gross revenues may not exceed $5,000,000. *(qualified business venture)*
- A business that has received during the current year or any of the preceding three years a grant, an investment, or other funding from a federal agency under the Small Business Innovation Research Programs. Its annual gross revenues may not exceed $1,000,000. *(qualified grantee business)*
- A business that has been certified by a constituent institution of The University of North Carolina or a research university as currently performing under a licensing agreement with the institution or university for the purpose of commercializing technology developed at the institution or university. *(qualified licensee business)*

The credit is equal to 25% of the amount invested and may not exceed $50,000 per individual in a single taxable year. If the investor is a husband and wife, the $50,000 limitation applies to the couple as one entity if the investment is made from joint funds and the stock certificate is issued in both names. However, if the couple made separate investments, as indicated by the use of separate funds and by the issuance of stock certificates in separate names, then the $50,000 limitation applies to each individual.

An individual investor may also claim the allocable share of credits obtained by "pass-through entities" of which the investor is an owner. Pass-through entities include limited partnerships, general partnerships, S corporations, and limited liability companies. The credit may not be taken in the year the investment is made. Instead, the credit is taken in the year following the calendar year in which the investment was made, but only if the taxpayer files an application with the Secretary of Revenue. Any unused credit may be carried forward for the next five years. The total amount of credits allowed to all taxpayers for investments made in a calendar year may not exceed $7 million.[2] The Secretary of

[1] This bill is identical to Senate Bill 762, introduced by Sen. Hoyle. SB 762 is in Senate Finance.
[2] The General Assembly increased the cap fro $6 million to $7 million in 2004, S.L. 2004-124, Part 32C.

Revenue calculates the total amount of tax credits claimed from applications filed. If the amount exceeds the cap, then the Secretary allows a portion of the tax credits claimed by allocating the total of $7 million in tax credits in proportion to the size of the credit claimed by each taxpayer. In general, a taxpayer forfeits the credit if the taxpayer transfers the securities within one year or the qualified business redeems the securities purchased by the taxpayer within five years after the investment was made. The credit is currently set to expire as of January 1, 2008.

An application for the credit must be filed on or before April 15 of the year following the calendar year in which the investment is made. The Secretary may grant extensions of this deadline, so long as the application is filed on or before September 15. The Secretary may not accept an application for the credit filed after September 15.

BILL ANALYSIS: House Bill 1598 would extend the sunset for three years so that the credit would expire in 2011, rather than 2008. The proposed Senate committee substitute does two things:

- It removes the provision added by the House that would require a husband and wife who claim the credit to file a joint return. The intent of the House provision was to eliminate the marriage penalty, if one existed. Such a penalty does not exist under current law. Furthermore, the language added by the House would require a married couple to determine a year in advance how it would like to file its return.
- It provides that an application should be filed by April 15, but may be filed on or before October 15. This amendment would remove the requirement that a taxpayer request an extension of time to file an application if the application is filed after April 15. The date of October 15 coincides with the income tax extension date.

BACKGROUND: The purpose of the credit is to stimulate early stage investments that help move new technologies from universities and other research laboratories to commercialization. Since 1999, investors using the North Carolina Qualified Business Venture tax credit have claimed approximately $48 million in credits and generated more than $274 million in credit-eligible capital contributions to qualifying small companies. Demand for the credit exceeded $7 million in 2006.

A qualified business venture does not include a real estate-related business, a business that was formed for the primary purpose of acquiring all or part of the stock or assets of one or more existing businesses, or a business that is substantially engaged in one or more of the following:

- Providing a professional service.
- Construction or contracting.
- Selling or leasing at retail.
- The purchase, sale, or development of commercial paper, notes, other indebtedness, securities, or real property, or otherwise makes investments.
- Providing personal grooming or cosmetics services.
- Offering any form of entertainment, amusement, recreation, or athletic or fitness activity for which an admission or a membership is charged.

A BILL TO BE ENTITLED

AN ACT AUTHORIZING THE NORTH CAROLINA LANDSCAPE CONTRACTORS' REGISTRATION BOARD TO INCREASE CERTAIN FEES AND ESTABLISH A NEW FEE UNDER THE LAWS PERTAINING TO LANDSCAPE CONTRACTORS.

The General Assembly of North Carolina enacts:

SECTION 1. G.S. 89D-5 reads as rewritten:

"**§ 89D-5. Application for certificate; examination; renewal.**

(a) Any person, partnership, association or corporation hereinafter desiring to register and be titled as a landscape contractor shall make written application for a certificate of title to the Board on such forms as are prescribed by the Board. Each applicant for a certificate of title as a landscape contractor shall be at least 18 years of age. Prior to July 1, 1976, each applicant for a certificate shall have been actively engaged as an untitled landscape contractor for at least one year prior to date of application. After July 1, 1976, an applicant shall furnish evidence satisfactory to the Board of three years' experience in landscape contracting or the completion of a study or combination of study and experience in landscape contracting equivalent to three years' experience under a landscape contractor.

(b) Any person who applies to the Board to be registered and titled as a landscape contractor shall be required to take an oral or written examination to determine his qualifications. Each application for registration by examination shall be accompanied by an application fee of ~~fifty dollars ($50.00).~~seventy-five dollars ($75.00).

The Board shall compile a manual from which the examination will be prepared. The examination fee shall not exceed seventy-five dollars ($75.00). Any one failing to pass an examination may be reexamined upon payment of the same fee as that charged to persons taking the examination for the first time, in accordance with such rules as the Board may adopt pertaining to examinations and reexaminations.

If the results of the examination are satisfactory, the Board shall issue the applicant a certificate authorizing him to be titled as a landscape contractor in the State of North Carolina upon payment of the initial certification fee as outlined in subsection (c).

(c) All certificates granted and issued by the Board under the provisions of this Chapter shall expire annually on December 31. Renewal of such certificates may be effected at any time during the month preceding the expiration date of such certificates upon proper application to the Board accompanied by the payment to the secretary-treasurer of the Board of a renewal fee, as set by the Board, of not more than ~~fifty dollars ($50.00).~~seventy-five dollars ($75.00). The fee for an initial certificate shall be the same as for a renewal certificate and is in addition to the application fee. All certificates reinstated after expiration date thereof shall be subject to a late filing fee of ~~ten dollars ($10.00).~~twenty-five dollars ($25.00). In the event a registrant fails to obtain a reinstatement of such certificate within 12 months from the date of expiration thereof, the Board may, in its discretion, consider such registrant subject to the provisions of this Chapter relating to the issuance of an original certificate. Duplicate certificates may be issued by the Board upon payment of a fee ~~of one dollar ($1.00)~~not to exceed five dollars ($5.00) by the registrant. The Board may charge a fee not to exceed thirty-five dollars ($35.00) for issuance of an original parchment certificate."

SECTION 2. This act is effective when it becomes law.

HOUSE BILL 649:
Increase Fees/Landscape Contractors

BILL ANALYSIS

Committee:	Senate Finance	**Date:**	July 18, 2007
Introduced by:	Rep. Gibson	**Summary by:**	Heather Fennell
Version:	First Edition		Committee Counsel

SUMMARY: House Bill 649 authorizes the Landscape Contractor's Registration Board to increase certain fees and establish a new fee.

CURRENT LAW: Any person, partnership, association, or corporation must first obtain a certificate issued by the Landscape Contractor's Registration Board before using the term "landscape contractor." Each individual who applies to be registered and titled as a landscape contractor must file an application with the Board and take a written or oral examination. Certificates must be renewed yearly.

BILL ANALYSIS: House Bill 649 would amend the fees paid to the Landscape Contractor's Registration Board as follows:

Description	Current Fee	Proposed Fee
Application for examination	$ 50.00	$ 75.00
Renewal fee	$ 50.00	$ 75.00
Late filing fee	$ 10.00	$ 25.00
Duplicate certificate fee	$ 1.00	$ 5.00

House Bill 649 also authorizes the Board to charge a new fee not to exceed $35.00 for the issuance of an original parchment certificate.

EFFECTIVE DATE: This act is effective when it becomes law.

BACKGROUND: The application for examination fee was set at $20.00 in 1975 and raised to $50.00 in 1983. The renewal fee, late filing fee, and duplicate certificate fee have remained unchanged since 1975.

	FY 2007-08	FY 2008-09	FY 2009-10	FY 2010-11	FY 2011-12
REVENUES					
NC Landscape Contractors' Registration Board	$ 22,769	$ 23,611	$ 24,485	$ 25,391	$ 26,330

PRINCIPAL DEPARTMENT(S) & PROGRAM(S) AFFECTED: NC Landscape Contractor's Registration Board

EFFECTIVE DATE: When law.

BILL SUMMARY: House Bill 649 would allow the North Carolina Landscape Contractor's Registration Board to increase certain fees as well as introduce a new fee.

- Raise the landscape contractor examination fee from $50-$75
- Raise the annual renewal fee from $50-$75
- Raise the late filing fee from $10-$25
- Raise the fee for duplicate certificates from $1-$5
- Create a fee for the issuance of an original parchment certificate not to exceed $35

The application for examination fee was set at $20 in 1975 and raised to $50 in 1983. The renewal fee, late filing fee, and duplicate certificate fee have remained unchanged since 1975.

ASSUMPTIONS AND METHODOLOGY: Any person, partnership, association, or corporation must first obtain a certificate issued by the Landscape Contractor's Registration Board before using the term "landscape contractor." Each individual who applies to be registered and titled as a landscape contractor must file an application with the Board and take a written or oral examination. Certificates must be renewed yearly. The current fee structure is as follows:

Description	Current	Proposed
Application for examination	$ 50.00	$ 75.00
Renewal Fee	$ 50.00	$ 75.00
Late Filing Fee	$ 10.00	$ 25.00

The growth in applicants for the past five years has varied. This estimate assumes 3.7% per year annual growth rate in applications.

Fees collected for late filings have averaged approximately $1,000 per year for the previous five years. For purposes of this analysis, Fiscal Research assumes that this amount will stay about the same in subsequent years.

Revenue from duplicate certificate requests is negligible; for that reason, any revenues resulting from that fee increase have been omitted from this analysis. Fiscal Research also has no means of predicting revenues from the request of original parchment certificates.

Revenue Summary	2007-08	2008-09	2009-10	2010-11	2011-12
Revenue Under Current Fee Structure	$ 46,538	$ 48,222	$ 49,970	$ 51,782	$ 53,661
Revenue from Proposed Fee Structure	$ 69,306	$ 71,834	$ 74,455	$ 77,172	$ 79,991
Revenue Increase from Proposal	**$ 22,769**	**$ 23,611**	**$ 24,485**	**$ 25,391**	**$ 26,330**

A BILL TO BE ENTITLED

AN ACT AMENDING THE PSYCHOLOGY PRACTICE ACT TO CLARIFY REQUIREMENTS FOR PERMANENT LICENSURE.

The General Assembly of North Carolina enacts:

SECTION 1. G.S. 90-270.4(e) reads as rewritten:

"(e) ~~Nothing~~ Subject to subsection (g) of this section, nothing in this Article shall be construed to prevent a qualified ~~members~~ member of other professional groups licensed or certified under the laws of this State from rendering services within the scope of practice, as defined in the statutes regulating those professional practices, provided ~~they do~~ the person does not hold ~~themselves~~ himself or herself out to the public by any title or description stating or implying that ~~they are psychologists~~the person is a psychologist or ~~are~~ licensed, certified, or registered to practice psychology."

SECTION 2. G.S. 90-270.4(g) reads as rewritten:

"(g) Except as ~~otherwise provided in this Article,~~ provided in subsection (c) of this section, if a person who is otherwise exempt from the provisions of this Article and not required to be licensed under this Article is or becomes licensed under this Article, he or she shall ~~be required to~~ comply with all ~~conditions, requirements, and obligations imposed by~~ Board rules ~~or by statute upon~~ and statutes applicable to all other psychologists licensed under this ~~Article.~~Article. These requirements apply regardless of whether the person holds himself or herself out to the public by any title or description stating or implying that the person is a psychologist, a licensed psychological associate, or licensed to practice psychology."

SECTION 3. G.S. 90-270.6 reads as rewritten:

"**§ 90-270.6. Psychology Board; appointment; term of office; composition.**

For the purpose of carrying out the provisions of this Article, there is created a North Carolina Psychology Board, which shall consist of seven members appointed by the Governor. At all times three members shall be licensed psychologists, two members

shall be licensed psychological associates, and two members shall be members of the public who are not licensed under this Article. ~~Each member of the Board must reside in a different congressional district at the time of the appointment. Due~~ The Governor shall give due consideration ~~shall also be given~~ to the adequate representation of the various fields and areas of practice of ~~psychology.~~psychology and to adequate representation from various geographic regions in the State. Terms of office shall be three years. All terms of service on the Board expire June 30 in appropriate years. As the term of a psychologist member expires, or as a vacancy of a psychologist member occurs for any other reason, the North Carolina Psychological Association, or its successor, shall, having sought the advice of the chairs of the graduate departments of psychology in the State, for each vacancy, submit to the Governor a list of the names of three eligible persons. From this list the Governor shall make the appointment for a full term, or for the remainder of the unexpired term, if any. Each Board member shall serve until his or her successor has been appointed. As the term of a member expires, or if one should become vacant for any reason, the Governor shall appoint a new member within 60 days of the vacancy's occurring. No member, either public or licensed under this Article, shall serve more than three complete consecutive terms."

SECTION 4. G.S. 90-270.13(a) reads as rewritten:

"(a) Upon application and payment of the ~~requisite~~ required fee, the Board shall grant permanent licensure at the appropriate level to any person who, at the time of ~~application, is~~ application meets all of the following requirements:

(1) Is licensed or certified as a psychologist by a similar psychology licensing board in another ~~jurisdiction, whose~~ jurisdiction.

(2) The license or certification is in good ~~standing, who is~~ standing.

(3) Is a graduate of an institution of higher ~~education, who passes any~~ education.

(4) Who passes an examination prescribed by the ~~Board, and who meets~~ Board.

(5) Meets the definition of a senior psychologist as that term is defined by the rules of the Board."

SECTION 5. G.S. 90-270.13 is amended by adding a new subsection to read:

"(a1) Upon application and payment of the required fee, the Board shall grant permanent licensure at the appropriate level to any person who, at the time of application, meets all of the following requirements:

(1) Is licensed or certified as a psychologist by a similar psychology licensing board in another jurisdiction.

(2) The license or certification is in good standing.

(3) Possesses a doctoral degree in psychology from an institution of higher education.

(4) Passes an examination prescribed by the Board.

(5) Has no unresolved complaints in any jurisdiction at the time of application in this State.

(6) Holds a current credential for psychology licensure mobility, as defined in rules adopted by the Board."

SECTION 6. G.S. 90-270.13(f) reads as rewritten:

"(f) The Board may deny licensure to any person otherwise eligible for permanent licensure under this ~~subsection~~ section upon documentation of ~~illegal, immoral, dishonorable, unprofessional, or unethical~~ conduct ~~as~~ specified in G.S. 90-270.15."

SECTION 7. This act is effective when it becomes law.

HOUSE BILL 1488:
Amend Psychology Practice Act

BILL ANALYSIS

Committee:	Senate Finance	**Date:**	July 16, 2007
Introduced by:	Rep. Goodwin	**Summary by:**	Martha Walston
Version:	Fourth Edition		Committee Counsel

SUMMARY: House Bill 1488 amends the Psychology Practice Act as follows:

- ***Clarifies that if a person is licensed by the Psychology Board, even if licensed by another board, and even if the person is not calling himself or herself a psychologist, the person must comply with the requirements of the Psychology Practice Act.***
- ***Removes the requirement that members of the Board must reside in different congressional districts.***
- ***Allows the Board to grant permanent licensure to a person who is licensed in another jurisdiction and who holds a current credential for psychology licensure mobility. The current fee for permanent licensure cannot exceed $100.***

House Bill 1488 has been through the House Committee on Health, House Judiciary I, House Finance , and Senate Health Care. The only difference between the bill that passed out of the House and the Senate version is a correction to a statutory reference.

CURRENT LAW: G.S. 90-270.4(e) provides that nothing in the Psychology Practice Act requires a person who is a qualified member of another professional group from rendering services within the scope of that practice as long as the person does not hold himself or herself out as a psychologist. G.S. 90-270.4(g) provides that if that person is also licensed as a psychologist (holds dual licensure); the person does have to comply with the Psychology Practice Act. The North Carolina Court of Appeals recently held that the North Carolina Psychology Board did not have the authority to discipline a licensed psychological associate, who was also a licensed counselor, for failure to comply with supervision requirements under the Practice act because the individual was not holding himself out as a psychologist.[1]

G.S. 90-270.6 requires that each member of the seven member North Carolina Psychology Board (Board) must reside in a different congressional district at the time the person is appointed to serve on the Board.

G.S. 90-270.13 allows the Board to grant licensure to psychologists licensed or certified in other jurisdictions if the applicant meets certain requirements. These requirements include: payment of the required application fee, licensure in good standing with a similar psychology licensing board, graduation from an institution of higher education, successful passage of the Board's examination, and meets the definition of a senior psychologist as defined by Board rules.[2]

BILL ANALYSIS:

Sections 1 and 2 amend G.S. 90-270.4(e) and (g) to clarify that a person who holds dual licensure must comply with the Psychology Practice Act requirements regardless of whether the person is holding himself or herself out as a psychologist.

[1] *Trayford, M.S. v. North Carolina Psychology Board*, 619 SE 2d 862 (2005)

[2] A senior psychologist must have been licensed for 12 continuous years.

Section 3 removes from G.S. 90-270.6 the requirement that all members of the Board must reside in different congressional districts at the time of their appointment. It would require the Governor to take into consideration adequate representation from various geographic regions of the State.

Section 4 makes grammatical and stylistic changes to G.S. 90-270.13(a).

Section 5 creates a new subsection (a1) to G.S. 90-270.13 that would allow the Board to grant permanent licensure to an individual who is licensed by a psychology board in another jurisdiction, holds a license that is in good standing, passes the Board's exam, holds a PhD in Psychology, has no outstanding unresolved complaints in another state, and holds a current credential for psychology licensure mobility as defined in rules adopted by the Board.

Section 6 clarifies language in G.S. 90-270.13(f) regarding the Board's discretion to deny licensure to a person licensed as a psychologist in another state due to conduct prohibited under G.S. 90-270.15.

EFFECTIVE DATE: The act is effective when it becomes law.

A BILL TO BE ENTITLED

AN ACT TO MAKE A TECHNICAL CORRECTION TO THE DESCRIPTION OF THE BOUNDARY BETWEEN THE NASH-ROCKY MOUNT SCHOOL ADMINISTRATIVE UNIT AND THE EDGECOMBE COUNTY PUBLIC SCHOOL SYSTEM.

The General Assembly of North Carolina enacts:

SECTION 1. Section 3.1 of Chapter 391 of the 1991 Session Laws, as added by Section 4 of S.L. 2003-346, reads as rewritten:

"**Sec. 3.1.** ~~Except as follows, the county line between Nash and Edgecombe Counties shall be the boundary line between the Nash-Rocky Mount School Administrative Unit and the Edgecombe County Public School System (as renamed by S.L. 2003-125):~~

~~Beginning in southeast Rocky Mount the boundary between the two school units shall go east from the county line at the intersection of Kingston Avenue and Sutton Road, following Little Cokey Swamp Creek to Old Wilson Road, then north on Old Wilson Road to its intersection with Proctor Street, then diagonally northeast from the intersection of Old Wilson Road and Proctor Street across undeveloped land to the intersection of Cokey Road and Pitt Street, then northwest on Cokey Road to the Norfolk Railroad tracks, then east along the railroad tracks to Glendale Avenue, then north on South Glendale Avenue to its intersection with Melody Lane, then east on Melody Lane to its intersection with Ashland Avenue, then north on Ashland Avenue to its intersection with Rosewood Avenue, then east on Rosewood Avenue to its intersection with Courtland Avenue, then north on Courtland Avenue to its intersection with Vernon Road, then east on Vernon Road to its intersection with Meadowbrook Road, then northwest on Meadowbrook Road to its intersection with Business US64 (North Raleigh Street), then west on Business US64 (North Raleigh Street) to its intersection with Stokes Street, then north on Stokes Street to its intersection with King Circle, then east and north on King Circle to its intersection with Barnes Street, then north on Barnes Street to its intersection with Charter Drive, then east on Charter Drive~~

~~to its intersection with Anne Street, then north on Anne Street to its intersection with Cherry Street, then east on Cherry Street to its intersection with Harper Street, then north on Harper Street to its intersection with Leggett Road, then west and southwest on Leggett Road to the underpass at Bypass US64, then west on Bypass US64 to the Nash-Edgecombe County line.~~ The county line between Nash and Edgecombe Counties shall be the boundary between the Nash-Rocky Mount School District and the Edgecombe County School District, except for the following area of Rocky Mount, located in Edgecombe County, which shall be part of the Nash-Rocky Mount School District:

Beginning at a point in southern Rocky Mount, such point being more accurately described as the point where the county boundary, being the center of the CSX Railroad right-of-way intersects the centerline of the road named Kingston Avenue on the Nash County side, designated as SR 1727 and named Sutton Road on the Edgecombe County side, designated as SR 1157, said roads constituting a single roadway named and numbered differently in each county.

From said POINT OF BEGINNING, thence continuing eastward along the centerline of Sutton Road to the point where the run of Little Cokey Swamp Creek runs under the road, thence following the run of Little Cokey Swamp Creek to the point where the creek runs under Old Wilson Road, SR 1002, thence continuing northward along the centerline of Old Wilson Road to its intersection with Proctor Street (formerly Davis Street), thence following the centerline of Proctor Street eastward a distance of approximately 180 feet to a point where the western property line of Lot 7, Block A, of the subdivision as shown on "Map Showing Subdivision of the W-R-Proctor Property, Located in South Rocky Mount, Edgecomb (sic) County NC" dated April 1923, on record in the Edgecombe County Register of Deeds filed in Map Book 2, Page 44, the point being where said western property line of Lot 7, Block A, if extended in a southerly direction would intersect the centerline of Proctor Street (shown on said map as Davis Street). Thence in a northerly direction following said line along the western boundary of Lot 7, Block A and the eastern boundary of Lots 1-6 of Block A to a point, being the northwest corner of Lot 7, Block A and the northeast corner of Lot 1, Block A of said subdivision, cornering and following the northern boundary of said subdivision in an easterly direction to an iron marking the northeast corner of Lot 1, Block G, of the same subdivision.

From this description, all of the subdivision shown in Map Book 2, Page 44 Edgecombe County Public Registry shall be in the Edgecombe County School District with the exception of Lots 1-6 of Block A, with addresses in the 1500-block of Old Wilson Road, which shall be in the Nash-Rocky Mount School District.

From said northeast corner of Lot 1, Block G, as previously noted, thence cornering northwesterly along the eastern boundary of that property now or formerly belonging to the Trustees of the East Rocky Mount Church of God as described in Deed Book 840, Page 355, Edgecombe County Public Registry, to the southeast corner of Lot 7 as shown on "Map of Aqua Court" dated February 29, 1972, on record in the Edgecombe County Register of Deeds filed in Map Book 16, Page 36. Thence continuing northwesterly along the eastern line of Lot 7 to a point, being the western corner of Lot

3 and southern corner of Lot 2, as shown on the 1909 Survey of J.J. Wells entitled "Property of Hargrove Heirs", on record in the Edgecombe County Register of Deeds filed in Map Book 3, Page 492, thence northeasterly along the common line between Lots 2 and 3 and continuing along that line, if extended, to the centerline of Cokey Road (SR 1164), cornering and following the centerline of Cokey Road to its intersection with the CSX Railroad Line running toward Tarboro.

From this description, all of the properties addressed on the even-numbered side of Cokey Road in the 1100 and 1200 blocks are in the Nash-Rocky Mount School District and those properties addressed on the odd-numbered side of Cokey Road, plus all properties in the 1300 block and higher are in the Edgecombe County School District.

From said point where the centerline of Cokey Road intersects the centerline of the CSX Railroad, thence following the centerline of the CSX Railroad, crossing Pitt St., S. Fairview Road, and S. Glendale Drive, to a point where the eastern boundary of the subdivision "Kenwood Park Section V" on record in the Edgecombe County Register of Deeds filed in Plat Cabinet 2, Slides 83a-b, if extended southward, would intersect the centerline of the CSX Railroad, cornering, thence along the eastern boundary of said subdivision, across Eastern Avenue and continuing along the eastern boundary of an earlier section of Kenwood Park dated April 7, 1956, on record in the Edgecombe County Register of Deeds filed in Map Book 11, Page 5, to a point in the eastern boundary of Lot 6, Block F, Kenwood Park, also being the southwest corner of a lot described in Deed Book 1114, Page 825, Edgecombe County Public Registry, addressed as 1729 Rosewood Avenue. Thence eastward along the southern boundary of 1729 Rosewood Avenue, described in the aforementioned deed, and the southern boundary of 1737 Rosewood Avenue as described in Deed Book 994, Page 423 ECPR, and across Dreaver Street to the southwest corner of Lot 1, Block A of "Property Developed by D.T. Powell & Sons" subdivision according to a map dated November 30,1955 by Fred Dasher, on record in the Edgecombe County Register of Deeds filed in Map Book 10, Page 59. Thence eastward along the southern boundary of said subdivision to the centerline of Courtland Avenue, cornering and following the centerline of Courtland Avenue to its intersection with the centerline of Vernon Road, turning east on Vernon and following the centerline of Vernon Road to its intersection with Meadowbrook Road. From said intersection of Vernon Road and Meadowbrook Road, continuing in a northwesterly direction along the centerline of Meadowbrook Road (SR 1232) to its intersection with North Raleigh St. (US Highway 64 Business).

From this description, all properties on the north side of Vernon Road terminating with its intersection with Meadowbrook Road are in the Nash-Rocky Mount School District and all properties on the south side of Vernon Road between its intersection with Courtland Avenue and its intersection with Meadowbrook Road are in the Edgecombe County School District. All addresses on the east side of Meadowbrook in the 1900 block or greater of Meadowbrook Road, plus the properties addressed in the 2000 block or greater of each road crossing Courtland Avenue and located south of Vernon Road are in the Edgecombe County School District.

From the intersection of Meadowbrook Road and North Raleigh St., thence along the centerline of North Raleigh St. (US Highway 64 Business) to the western line, if

extended, of the property known as 1740 N. Raleigh St., now or formerly belonging to Showers of Blessing Christian Center as described in Deed Book 1148, page 743, ECPR, cornering and following the western boundary of 1740 N. Raleigh St. in a northerly direction, that same line after a distance also being the eastern boundary of the Mayview Subdivision, as described in Map Book 13, Page 44 and Map Book 14, Page 66, ECPR to Virginia Street, thence continuing northerly along the eastern boundary of "Map of Property of Edgecombe Storage Corp. as described in Map Book 12, Page 65 ECPR, thence continuing in a northerly direction along the eastern boundary of various sections of the Hillsdale Subdivision as shown in Map Book 5, Page 16, Map Book 10, Page 11, and Map Book 12, Page 83 ECPR, but stopping at the northeast corner of lot 395, Hillsdale, 4th Addition (Map Book 12, Page 83), and cornering, thence heading in a westerly direction along the northern line of lot 395, also being the southern line of lots 393 and 394 and continuing along said line to the centerline of Harper Street, cornering thence in a northerly direction along the centerline of Harper Street to its intersection with the centerline of Leggett Road (SR 1243).

From the intersection of Harper Street and Leggett Road, thence going in a southeasterly direction along the centerline of Leggett Road (SR 1243) to a point midway between the bridges of the eastbound and westbound lanes of the US Highway 64 Freeway, cornering, thence in a westerly direction along the center of the US Highway 64 Freeway median to the Nash County Line (being the center of the CSX Railroad Right-of-Way), cornering, thence in a southerly direction along the Edgecombe-Nash County Line to the POINT OF BEGINNING."

SECTION 2. This act is effective when it becomes law.

SENATE BILL 19:
Nash County Local Act

BILL ANALYSIS

Committee:	Senate Finance	**Date:**	July 18, 2007
Introduced by:	Sen. Swindell	**Summary by:**	Judy Collier
Version:	PCS to First Edition S19-CSLBx-70		Research Assistant

SUMMARY: Senate Bill 19 is a Nash County local bill. The Proposed Committee Substitute (PCS) corrects the boundary description between the Nash-Rocky Mount School Administrative Unit and the Edgecombe County Public School System.

SB 19 would become effective when it becomes law and would be subject to pre-clearance by the U.S. Department of Justice.

BILL ANALYSIS: The PCS for SB 19 corrects the boundary description between the Nash-Rocky Mount School District and the Edgecombe County School District by rewriting Section 3.1 of Chapter 391 of the 1991 Session Laws, as added by Section 4 of Chapter 346 of the 2003 Session Laws.

BACKGROUND: Legislation was enacted in 1991[1] providing for the merger and consolidation of the School Administrative Units in Nash County and the City of Rocky Mount. Section 3 of the bill stated that the county administrative unit and the city administrative unit (including that portion of the existing city administrative unit located in Edgecombe County) were merged and consolidated into a single school administrative unit to be known as the Nash-Rocky Mount School Administrative Unit, but it did not describe the boundary between the new school system and the portion of Rocky Mount that remained in the Nash-Rocky Mount school unit.

Later, when election districts were drawn for the new Edgecombe County School unit, census block descriptions were used. In 2000, the Edgecombe County Board of Elections realized that some voters were registered and voting in the Edgecombe County School District even thought their children attended the Nash-Rocky Mount schools, the result of a variance in census blocks being centered down the middle of streets while student attendance zones are drawn to include both sides of a street within the same attendance zone.

Legislation was enacted in 2003[2] to correct the boundary between the Nash-Rocky Mount School Administrative Unit and the Edgecombe County Public System. Section 4 of the bill added a new Sec. 3.1 to S.L. 1991-391. Both the Nash-Rocky Mount Board of Education and the Edgecombe County Board of Education agreed[3] upon the boundary described in the bill and both school boards thought the problem was fixed. Ultimately, the description differs in several places from the working documents utilized by both boards.

A correction is now needed to properly describe the boundary as previously agreed upon by the two school boards and also to resolve two potential problems in the existing description depending on where houses are built in presently undeveloped areas.

The description in SB 19 was developed by the Edgecombe County Mapping Division. It has been reviewed and approved by the Edgecombe County Board of Education, Nash-Rocky Mount Board of Education and the Edgecombe County Board of Elections. The new description results in only a couple of houses—and no school children—moving from the Nash-Rocky Mount district to the Edgecombe district.

A BILL TO BE ENTITLED

AN ACT TO AUTHORIZE THE TOWN OF CLAYTON TO GIVE ANNUAL NOTICE TO CHRONIC VIOLATORS OF THE TOWN'S PUBLIC NUISANCE ORDINANCE AND TO ALLOW THE TOWN OF CLAYTON TO ANNEX BY VOLUNTARY PETITION AREAS THAT ARE MORE THAN THREE MILES FROM THE TOWN'S PRIMARY CORPORATE LIMITS IF THE AREAS ARE CONTIGUOUS TO THE TOWN'S SATELLITE CORPORATE LIMITS

The General Assembly of North Carolina enacts:

SECTION 1. A municipality may notify a chronic violator of the municipality's public nuisance ordinance that, if the violator's property is found to be in violation of the ordinance, the municipality shall, without further notice in the calendar year in which notice is given, take action to remedy the violation, and the expense of the action shall become a lien upon the property and shall be collected as unpaid taxes. The initial annual notice shall be served by registered or certified mail. A chronic violator is a person who owns property whereupon, in the previous calendar year, the municipality gave notice of violation at least three times under any provision of the public nuisance ordinance.

SECTION 2. G.S. 160A-58.1(b)(1) shall not apply to the Town of Clayton if the area proposed for annexation is contiguous to the Town's satellite corporate limits. For purposes of this act, the term "satellite corporate limits" means the corporate limits of any noncontiguous area annexed pursuant to Part 4 of Article 4A of Chapter 160A of the General Statutes by the Town of Clayton or pursuant to a local act enacted by the General Assembly authorizing or effecting noncontiguous annexations for the Town of Clayton.

SECTION 3. This act is effective when it becomes law and applies to the Town of Clayton only.

SENATE BILL 181:
Clayton Ordinance Violators/Annex Areas

BILL ANALYSIS

Committee:	Senate Finance	**Date:**	July 18, 2007
Introduced by:	Sen. Smith	**Summary by:**	Trina Griffin
Version:	Second Edition		Committee Counsel

SUMMARY: Senate Bill 181 would authorize the Town of Clayton to give annual notice to chronic violators of the public nuisance ordinance. It also allows the Town of Clayton to annex by voluntary petition areas that are more than three miles from the town's primary corporate limits if the areas are contiguous to the satellite limits.

CURRENT LAW & BILL ANALYSIS:

Section 1: Notice to Public Nuisance Violators

G.S. 160A-193 grants to cities the authority to remove or otherwise remedy situations that are dangerous or prejudicial to the public health or public safety. The expense of removal is paid by the property owner or becomes a lien against the property that is collected as unpaid ad valorem taxes.

Senate Bill 181 would authorize the Town of Clayton to notify a chronic violator of the municipality's public nuisance ordinance that, if the violator's property is found to be in violation of the ordinance, the municipality shall, without further notice in the calendar year in which the notice is given, take action to remedy the violation.

- The expense of the action becomes a lien upon the violator's property and will be collected as unpaid taxes.
- The initial annual notice is served by registered or certified mail.
- A chronic violator is a person who owns property whereupon, in the previous calendar year, the municipality gave notice of violation at least three times under the public nuisance ordinance.

Section 2: Exemption from Three-Mile Standard for Voluntary Annexation

G.S. 160A-58.1 governs the voluntary annexation by a municipality of noncontiguous property. All property owners in the satellite area[1] may petition for voluntary annexation of the noncontiguous property if the property meets the following five standards in G.S. 160A-58.1(b):

1. **The nearest point on the proposed satellite corporate limits must be not more than three miles from the primary corporate limits of the annexing city.**
2. No point on the proposed satellite corporate limits may be closer to the primary corporate limits of another city than to the primary corporate limits of the annexing city.
3. The area must be so situated that the annexing city will be able to provide the same services within the proposed satellite corporate limits that it provides within its primary corporate limits.
4. If the area proposed for annexation, or any portion thereof, is a subdivision as defined in G.S. 160A-376, all of the subdivision must be included.

[1] G.S. 160A-58.4 provides that satellite corporate limits cannot be considered a part of a municipality's corporate limits for purposes of its ETJ. Therefore, satellite annexations have no effect upon a municipality's ETJ.

5. The area within the proposed satellite corporate limits, when added to the area within all other satellite corporate limits, may not exceed 10% of the area within the primary corporate limits of the annexing city.

These standards are designed to further the legislative goal of not allowing annexations to undermine the notion of a city as a single, contiguous, and compact entity. With regard to the first standard, the areas being annexed must not be too far from the city's primary limits. The General Assembly has enacted exceptions to this standard for approximately 18 municipalities, 13 of which are in Union County.

Section 2 of the bill would exempt the Town of Clayton from this requirement if the area being annexed is contiguous to the Town's satellite corporate limits.

EFFECTIVE DATE: This act is effective when it becomes law.

established by the Board. The denial, suspension, or revocation shall be in accordance with Chapter 150B of the General Statutes of North ~~Carolina;~~Carolina.

(7) Issue subpoenas to compel the attendance of witnesses and the production of pertinent books, accounts, records, and documents. The district court shall have the power to impose punishment pursuant to G.S. Chapter 5A, Article 2, for acts occurring in matters pending before the Private Protective Services Board which would constitute civil contempt if the acts occurred in an action pending in ~~court;~~court.

(8) Repealed by Session Laws 1989, c. 759, s. 5.

(9) ~~Establish~~ Adopt rules governing detection of deception schools, and charge fees for reimbursement of costs incurred pursuant to approval of ~~such schools; and~~ the schools.

(10) Contract for services as necessary to carry out the functions of the Board.

(11) Approve training schools, instructors, and course materials for any person, firm, association, or corporation wishing to provide training described in this Chapter.

(12) Approve a design for a badge or shield that indicates a person is licensed or registered to engage in private protective services. The badge or shield shall be approved by the North Carolina Sheriffs' Association and the North Carolina Association of Chiefs of Police."

SECTION 3. G.S. 74C-9 reads as rewritten:

"**§ 74C-9. Form of license; term; renewal; posting; branch offices; not assignable; late renewal fee.**

(a) The license when issued shall be in such form as may be determined by the Board and shall state:

(1) The name of the licensee,

(2) The name under which the licensee is to operate, and

(3) The number and expiration date of the license.

(b) The license shall be issued for a term of ~~one year.~~two years. A trainee permit shall be issued for a term of ~~one year.~~two years. All licenses must be renewed prior to the expiration of the term of the license. Following issuance, the license shall at all times be posted in a conspicuous place in the licensee's principal place of business, in North Carolina, unless for good cause exempted by the Director. A license issued under this Chapter is not assignable. The Board may require all licensees to complete continuing education courses approved by the Board before renewal of their licenses.

(c) Repealed by Session Laws 1989, c. 759, s. 7.

(d) The operator or manager of any branch office shall be properly licensed or registered. The license shall be posted at all times in a conspicuous place in the branch office. This license shall be issued for a term of one year. Every business covered under the provisions of this Chapter shall file in writing with the Board the addresses of each of its branch offices, if any, within 10 working days after the establishment, closing, or changing of the location of any branch office. The Director may, upon the successful

completion of an investigation of the application, issue a temporary branch office license pending approval of the application by the Board.

(e) The Board is authorized to charge reasonable application and license fees as follows:

(1) A nonrefundable initial application fee in an amount not to exceed one hundred fifty dollars ($150.00);

(2) A new or renewal license fee in an amount not to exceed two hundred fifty dollars ~~($250.00);~~($250.00) per year of the license term;

(3) A new or renewal trainee permit fee in an amount not to exceed two hundred fifty dollars ~~($250.00);~~($250.00) per year of the license term;

(4) A new or renewal fee for each license or duplicate license in addition to the basic license referred to in subsection (2) in an amount not to exceed fifty dollars ($50.00);

(5) A late renewal fee to be paid in addition to the renewal fee due in an amount not to exceed one hundred dollars ($100.00), if the license has not been renewed on or before the expiration date of the licensee;

(6) A new, renewal, replacement or reissuance fee for an unarmed registration identification card in an amount not to exceed thirty dollars ($30.00);

(7) An application fee for ~~an armed security guard~~a firearm registration permit not to exceed fifty dollars ($50.00);

(8) A new, renewal, replacement, or reissuance fee for ~~an armed security guard~~a firearm registration permit not to exceed thirty dollars ($30.00);

(9) An application fee for certification as a certified trainer not to exceed fifty dollars ($50.00);

(10) A renewal or replacement fee for certified trainer certification not to exceed twenty-five dollars ($25.00);

(11) A new nonresident temporary permit fee not to exceed one hundred dollars ($100.00);

(12) An unarmed registration transfer fee not to exceed fifteen dollars ($15.00);

(13) A branch office license fee not to exceed fifty dollars ($50.00); and

(14) A special limited guard and patrol license fee not to exceed one hundred dollars ($100.00).

Except as provided in G.S. 74C-13(k), all fees collected pursuant to this section shall be expended, under the direction of the Board, for the purpose of defraying the expenses of administering this Chapter.

(f) A license or trainee permit granted under the provisions of this Chapter may be renewed by the Private Protective Services Board upon notification by the licensee or permit holder to the Director of intended renewal, the payment of the proper fee, and evidence of a policy of liability insurance as prescribed in G.S. 74C-10(e).

The renewal shall be finalized before the expiration date of the license. In no event will renewal be granted more than three months after the date of expiration of a license or trainee permit.

(g) Upon notification of approval of ~~his~~ the application by the Board, an applicant must furnish evidence that ~~he~~ the applicant has obtained the necessary liability insurance required by G.S. 74C-10 and obtain the license applied for or ~~his~~ the application shall lapse.

(h) Trainee permits shall not be issued to applicants that qualify for a private detective license. A licensed private detective may supervise no more than five trainees at any given time."

SECTION 4. G.S. 74C-10(e) reads as rewritten:

"(e) No security guard and patrol, armored car, or special limited guard and patrol license shall be issued under this Chapter unless the applicant files with the Board evidence of a policy of liability insurance. The policy must provide for the following minimum coverage: fifty thousand dollars ($50,000) because of bodily injury or death of one person as a result of the negligent act or acts of the principal insured or his agents operating in the course and scope of his employment; subject to said limit for one person, one hundred thousand dollars ($100,000) because of bodily injury or death of two or more persons as the result of the negligent act or acts of the principal insured or his agents operating in the course and scope of his or her agency; twenty thousand dollars ($20,000) because of injury to or destruction of property of others as the result of the negligent act or acts of the principal insured or his agents operating in the course and scope of his or her agency. If the licensee, other than a security guard and patrol, armored car, or special limited guard and patrol licensee, carries a firearm while engaged in private protective services activities, the licensee shall obtain a policy of liability insurance with a minimum coverage as specified above. A licensee is deemed to be 'carrying a firearm' for purposes of this section while engaged in private protective services if the licensee has a firearm on the licensee's person or in the automobile the licensee is using to perform private protective services."

SECTION 5. G.S. 74C-10(h) reads as rewritten:

"(h) Every security guard and patrol licensee, armored car licensee, special limited guard and patrol licensee, or licensee carrying a firearm while engaged in private protective services ~~licensee~~ shall at all times maintain on file with the Board the certificate of insurance required by this Chapter in full force and effect and upon failure to do so, the license of such licensee shall be automatically suspended and shall not be reinstated until an application therefor, in the form prescribed by the Board, is filed together with a proper insurance certificate.

No cancellation or refusal to renew by an insurer of a licensee under this Chapter shall be effective unless the insurer has given the insured licensee notice of the cancellation or refusal to renew. Upon termination of insurance coverage for said licensee, the insurer shall give notice to the Director of the Board."

SECTION 6. G.S. 74C-11(d) reads as rewritten:

"(d) An unarmed security guard shall make application to the Director for an unarmed registration card which the Director shall issue to ~~said~~ the applicant after receipt of the information required to be submitted by ~~his~~ the applicant's employer pursuant to subsection ~~(a),~~(a) of this section, and after meeting any additional requirements which the Board, in its discretion, deems to be necessary. The unarmed

security guard registration card shall be in the form of a pocket card designed by the Board, shall be issued in the name of the applicant, and may have the applicant's photograph affixed ~~thereto.~~ to the card. The unarmed security guard registration card shall expire one year after its date of issuance and shall be renewed every year. The Board may require all registration holders to complete continuing education courses approved by the Board before renewal of their registrations. If an unarmed registered security guard is terminated by a licensee and changes employment to another security guard and patrol company, the security guard's registration card shall remain valid, provided the security guard pays the unarmed guard registration transfer fee to the Board and a new unarmed security guard registration card is issued. An unarmed security guard whose transfer registration application and transfer fee have been sent to the Board may work with a copy of the transfer application until the registration card is issued."

SECTION 7. G.S. 74C-12 reads as rewritten:

"**§ 74C-12. Denial, suspension, or revocation of license, registration, or ~~permit.~~permit; duty to report criminal arrests.**

(a) The Board may, after compliance with Chapter 150B of the General Statutes, deny, suspend or revoke a license, registration, or permit issued under this Chapter if it is determined that the applicant, licensee, registrant, or permit holder ~~has:~~has done any of the following acts:

(1) Made any false statement or given any false information in connection with any application for a license, registration, or permit or for the renewal or reinstatement of a license, registration, or ~~permit;~~permit.

(2) Violated any provision of this ~~Chapter;~~Chapter.

(3) Violated any rule ~~promulgated~~ adopted by the Board pursuant to the authority contained in this ~~Chapter;~~Chapter.

(4) Repealed by Session Laws 1989, c. 759, s. 10.

(18) Failed to obtain a substitute qualifying agent by a business entity within 30 days after its qualifying agent has ceased to serve as the business entity's qualifying ~~agent;~~agent.

(19) Been judged incompetent by a court having jurisdiction under Chapter 35A or former Chapter 35 of the General Statutes or committed to a mental health facility for treatment of mental illness, as defined in G.S. 122C-3, by a court under ~~G.S. 122C-271;~~G.S. 122C-271.

(20) Failed or refused to offer a report to a client within 30 days of the client's written ~~request;~~request after the client has paid for services rendered.

(21) Been previously denied a license, registration, or permit under this Chapter or previously had a license, registration, or permit revoked for ~~cause;~~cause.

(22) Engaged in a private protective services profession under a name other than the name under which the license was obtained under the provisions of this ~~Chapter;~~Chapter.

(23) Divulged to any person, except as required by law, any information acquired by ~~him~~ the license holder except at the direction of the employer or client for whom the information was obtained. A license may divulge to any law enforcement officer or district attorney or ~~his~~ district attorney's representative any information the law enforcement officer may require to investigate a criminal offense with the prior approval and consent of the ~~client;~~client.

(24) Fraudulently held himself or herself out as employed by or licensed by the State Bureau of Investigation or any other governmental ~~authority;~~authority.

(25) Intemperate habits or lacks good moral character. The acts that are prima facie evidence of intemperate habits or lack of good moral character under G.S. 74C-8(d)(2) are prima facie evidence of the same under this ~~subdivision;~~subdivision.

(26) Advertised or solicited business using a name other than that in which the license was ~~issued;~~issued.

(27) Worn, carried, or accepted any badge or shield purporting to indicate that the person is a ~~private detective or private investigator~~law enforcement officer while licensed under the provisions of this Chapter as a private investigator.

(28) Possessed or displayed a badge or shield while providing private protective services that was not designed and approved by the Board pursuant to G.S. 74C-5(12).

(b) The denial, revocation, or suspension of a license, registration, or permit by the Board shall be in writing, be signed by the Director of the Board, and state the grounds upon which the Board decision is based. The aggrieved person shall have the right to appeal from this decision as provided in Chapter 150B of the General Statutes. The aggrieved person shall file the appeal within 60 days of receipt of the Board's decision.

(c) The following persons may not be issued a license, registration, or permit under this Chapter:

(1) A sworn court official.

(2) A holder of a company police commission under Chapter 74E of the General Statutes.

(d) A licensee shall report to the Board in writing within 30 days any charge, arrest for, or conviction of a misdemeanor or felony for any of the following:

(1) Crimes that have as an essential element dishonesty, deceit, fraud, or misrepresentation.

(2) Illegal use, possession, sale, manufacture, distribution, or transportation of a controlled substance, drug, narcotic, or alcoholic beverage.

(3) Illegal use, carrying, or possession of a firearm.

(4) Acts involving assault.

(5) Acts involving unlawful breaking or entering, burglary, or larceny.

(6) Any offense involving moral turpitude.

For purposes of this section, the term 'conviction' includes the entry of a plea of guilty, a plea of nolo contendere, prayer for judgment continued, or a finding of guilt by a court of competent jurisdiction. The licensee's failure to report a charge, arrest for, or conviction of a misdemeanor or felony is grounds for revocation of the license."

SECTION 8. G.S. 74C-13 reads as rewritten:

"**§ 74C-13. Armed ~~security guard~~licensee or registered employee required to have firearm registration permit; ~~security guard~~firearms training.**

(a) It shall be unlawful for any person performing ~~the duties of an armed security guard~~private protective services duties to carry a firearm in the performance of those

duties without first having met the qualifications ~~as set forth in~~ of this section and having been issued a firearm registration permit by the Board. ~~For the purposes of this section, the following terms are defined:~~

(a1) The following definitions apply in this section.

(1) Armed private investigator. – A licensed private investigator who, at any time, wears, carries, or possesses a firearm in the performance of duty.

~~(1)~~(1a) ~~"Armed security guard" means an~~ Armed security guard. – An individual employed by a contract security company or a proprietary security organization whose principal duty is that of an armed security watchman; armed armored car service guard; armed alarm system company responder; ~~private detective;~~ or armed courier service who at any time wears, carries, or possesses a firearm in the performance of duty.

(2) ~~"Contract security company" means any~~ Contract security company. – Any person, firm, association, or corporation engaging in a private protective services profession that provides services on a contractual basis for a fee or other valuable consideration to any other person, firm, association, or corporation.

(3) ~~"Proprietary security organization" means any~~ Proprietary security organization. – Any person, firm, association, or corporation or department thereof which employs security guards, alarm responders, armored car personnel, or couriers who are employed regularly and exclusively as an employee by an employer in connection with the business affairs of ~~such~~ the employer.

(b) It shall be unlawful for any person, firm, association, or corporation and its agents and employees to employ an armed security guard or an armed private investigator and knowingly authorize or permit ~~him~~ the armed security guard or armed private investigator to carry a firearm during the course of performing his or her duties as an armed security guard or an armed private investigator if the Board has not issued him or her a firearm registration permit under this section or if the person, firm, association, or corporation permits an armed security guard or an armed private investigator to carry a firearm during the course of performing his or her duties whose firearm registration permit has been suspended, revoked, or has otherwise expired:

(1) ~~An armed security guard~~ A firearm registration permit grants authority to the armed security guard, or armed private investigator, while in the performance of his or her duties or traveling directly to and from work, to carry ~~a standard .38 caliber or .32 caliber revolver or any other~~any firearm approved by the Board and not otherwise prohibited by law. The use of any firearm not approved by the Board is prohibited.

(2) All firearms carried by authorized armed security guards in the performance of their duties shall be owned or leased by the employer. Personally owned firearms shall not be carried by an armed security guard in the performance of his or her duties.

(c) The applicant for ~~an armed security guard~~a firearm registration permit shall submit an application to the Board on a form provided by the Board.

(d) Each ~~armed security guard~~ firearm registration permit issued under this section to an armed security guard shall be in the form of a pocket card designed by the Board and shall identify the contract security company or proprietary security organization by whom the holder of the firearm registration permit is employed. ~~An armed security guard~~A firearm registration permit issued to an armed security guard expires one year after the date of its issuance and must be renewed annually unless the permit holder's employment terminates before the expiration of the permit. The Board may require all permit holders to complete continuing education courses approved by the Board before renewal of their permits.

(d1) Each firearm registration permit issued under this section to an armed private investigator shall be in the form of a pocket card designed by the Board and shall identify the name of the armed private investigator. While carrying a firearm and engaged in private protective services, the armed private investigator shall carry the firearms registration permit issued by the Board, together with valid identification, and shall disclose to any law enforcement officer that the person holds a valid permit and is carrying a firearm, whether concealed or in plain view, when approached or addressed by the law enforcement officer, and shall display both the permit and the proper identification upon the request of a law enforcement officer. A private investigator firearm registration permit expires one year from the date of issuance and shall be renewed annually. The Board may require all permit holders to complete continuing education courses approved by the Board before renewal of their permits.

(e) If ~~the holder of~~ an armed security guard ~~firearm registration permit~~ terminates his or her employment with the contract security company or proprietary security organization, the firearm registration permit expires and must be returned to the Board within 15 working days of the date of termination of the employee.

(f) A contract security company or proprietary security organization shall be allowed to employ an individual for 30 days as an armed security guard pending completion of the firearms training required by this Chapter, if the contract security company or proprietary security organization obtains prior approval from the Director. The Board and the Attorney General shall provide by rule the procedure by which an armed private investigator, a contract security ~~company~~ company, or a proprietary security organization applicant may be issued a temporary firearm registration permit by the Director of the Board pending a determination by the Board of whether to grant or deny an applicant a firearm registration permit.

(g) The Board may suspend, revoke, or deny ~~an armed security guard~~a firearm registration permit if the holder or applicant has been convicted of any crime involving moral turpitude or any crime involving the illegal use, carrying, or possession of a deadly weapon or for violation of this section or rules promulgated by the Board to implement this section. The Director may summarily suspend ~~an armed security guard~~a firearm registration permit pending resolution of charges involving the illegal use, carrying, or possession of a firearm lodged against the holder of the permit.

(h) The Board and the Attorney General shall establish a firearms training program for ~~armed security guards~~licensees and registered employees to be conducted by agencies and institutions approved by the Board and the Attorney General. The Board and the Attorney General may approve training programs conducted by a contract security company and the security department of a proprietary security organization, if the contract security company or security department of a proprietary security organization offers the courses listed in subdivision (1) of this subsection and if the instructors of the training program are certified trainers approved by the Board and the Attorney General:

(1) The basic training course approved by the Board and the Attorney General shall consist of a minimum of four hours of classroom training which shall include:

a. Legal limitations on the use of hand guns and on the powers and authority of an armed security guard,

b. Familiarity with this ~~section,~~section;

c. Range firing and procedure and hand gun safety and ~~maintenance,~~maintenance; and

d. Any other topics of armed security guard training curriculum which the Board deems necessary.

(2) An applicant for ~~an armed security guard~~a firearm registration permit must fire a minimum qualifying score to be determined by the Board and the Attorney General on any approved target course approved by the Board and the Attorney General.

(3) ~~An armed security guard~~A firearms registrant must complete a refresher course and shall requalify on the prescribed target course prior to the renewal of his or her firearm registration permit.

(4) The Board and the Attorney General shall have the authority to promulgate all rules necessary to administer the provisions of this section concerning the training requirements of this section.

(i) The Board may not issue ~~an armed security guard~~a firearm registration permit to an applicant until the applicant's employer submits evidence satisfactory to the Board that the applicant:

(1) Has satisfactorily completed an approved training course.

(2) Meets all the qualifications established by this section and by the rules promulgated to implement this section.

(3) Is mentally and physically capable of handling a firearm within the guidelines set forth by the Board and the Attorney General.

(j) The Board and the Attorney General are authorized to prescribe reasonable rules to implement this section, including rules for periodic requalification with the firearm and for the maintenance of records relating to persons issued ~~an armed security guard~~a firearm registration permit by the Board.

(k) All fees collected pursuant to G.S. 74C-9(e)(7) and (8) shall be expended, under the direction of the Board, for the purpose of defraying the expense of administering the firearms provisions of this Chapter.

(l) The Board and the Attorney General shall establish a training program for certified trainers to be conducted by agencies and institutions approved by the Board and the Attorney General. The Board or the Attorney General shall have the authority to promulgate all rules necessary to administer the provisions of this subsection.

(1) The Board and the Attorney General shall also establish renewal requirements for certified trainers. The Board may require all certified trainers to complete continuing education courses approved by the Board before renewal of their certifications.

(2) No certified firearms trainer shall certify ~~an armed security guard~~a licensee or registrant unless the ~~armed security guard~~licensee or registrant has successfully completed the firearms training requirements set out above in subsection (h) of this section.

(m) The Board and the Attorney General shall establish a training program for unarmed security guards to be conducted by agencies and institutions approved by the Board and the Attorney General. The Board and the Attorney General shall have the authority to promulgate all rules necessary to administer the provisions of this subsection.

(n) A private investigator shall be permitted to carry a concealed weapon during the performance of his or her duties as a private investigator upon: (i) obtaining a concealed weapon permit issued pursuant to G.S. 14-415.11; (ii) successfully completing the firearms training course approved by the Board and the Attorney General; and (iii) having a notation affixed to the face of the firearms registration card designating that the armed private investigator is allowed to carry a concealed weapon. A private investigator who does not carry a weapon during the course of his or her duties as a private investigator but who wishes to carry a concealed weapon while not engaged in private investigative duties shall be permitted to do so upon completion of the requirements set forth in Article 54B of Chapter 14 of the General Statutes."

SECTION 9. Article 1 of Chapter 74C of the General Statutes is amended by adding a new section to read:

"**§ 74C-22. Continuing education.**

The Board may require individuals holding a license, registration, certificate, or permit to complete continuing education courses approved by the Board before renewal. The Board shall establish, by rule, the number of hours of continuing education necessary for renewal and any other requirements for completion of continuing education courses. The Board shall have the authority to approve continuing education courses and shall consider the continuing education course criteria, including the course curriculum, the qualifications of the instructor, the potential benefit to the industry, and any other criteria the Board deems appropriate."

SECTION 10. G.S. 74C-30 reads as rewritten:

"**§ 74C-30. Private Protective Services Recovery Fund created; payments to Fund; management; use of funds.**

(a) There is hereby created and established a special fund to be known as the "Private Protective Services Recovery Fund" (hereinafter Fund) which shall be set aside and maintained in the Office of the State Treasurer. Said Fund shall be used in the

manner provided in this Article for the payment of claims where the aggrieved person has suffered a direct monetary loss by reason of certain acts committed by any person licensed under this Chapter.

(b) Nothing contained in this Article shall limit the authority of the Board to take disciplinary action against any licensee or trainee under this Chapter, nor shall the repayment in full or all obligations to the Fund by any licensee or trainee nullify or modify the effect of any other disciplinary proceeding brought under this Chapter.

(c) In addition to the fees provided for elsewhere in this Chapter, the Board shall charge the following fees which shall be deposited into the Fund:

~~(1) On July 1, 1983, the Board shall charge every licensee and trainee possessing a license or trainee permit on that date a fee of fifty dollars ($50.00);~~

(2) The Board shall charge each new applicant for a licensee or trainee permit fifty dollars ($50.00), provided that for purposes of this Article a new applicant is hereby defined as an applicant who did not possess a license or trainee permit on July 1, 1983; and

(3) The Board is authorized to charge each licensee and trainee an additional amount, not to exceed fifty dollars ($50.00), on July 1 of any year in which the balance of the Fund is less than ~~one hundred thousand dollars ($100,000).~~twenty-five thousand dollars ($25,000), provided that any amount so assessed will be only so much as is needed to raise the level of the Fund to ~~one hundred thousand dollars ($100,000).~~twenty-five thousand dollars ($25,000).

(d) The State Treasurer shall invest and reinvest the moneys in the Fund in a manner provided by law, provided that sufficient liquidity shall be maintained to satisfy claims authorized by the Board. The proceeds from ~~such~~ the investments shall be deposited to the credit of the Fund. The Board in its discretion, may use any and all of the proceeds from ~~such~~ the investments or funds that exceed twenty-five thousand dollars ($25,000) for any of the following purposes:

(1) To advance education and research in the private protective services field for the benefit of those licensed under the provisions of this Chapter and for the improvement of the ~~industry;~~industry.

(2) To underwrite educational seminars, training centers and other educational projects for the use and benefit generally of licensees and ~~trainees; and~~trainees.

(3) To sponsor, contract for and to underwrite any and all additional educational training and research projects of a similar nature having to do with the advancement of the private protective services field in North Carolina. The Board shall have the authority to sponsor courses given by private individuals, associations, or corporations. However, the Board shall only grant funds as necessary to offset the actual cost of the educational course. Any individual, association, or corporation receiving grant money from the Board shall make the course available to the industry at large. Any individual, association, or corporation

receiving grant money from the Board and advertising the course to the industry is required to include in its advertising the following statement: 'The course is being given in whole or in part by a grant from the Private Protective Services Board.'

(e) By a unanimous vote of the Board, funds in the Fund in excess of fifty thousand dollars ($50,000) may be converted to offset the operating expenses of the Board. However, in converting the funds, the Board shall make findings of fact by a written order or resolution supporting the need to make the conversion."

SECTION 11. G.S. 74C-31(d) reads as rewritten:

"(d) Until ~~such time as~~ the Fund reaches ~~one hundred thousand dollars ($100,000);~~twenty-five thousand dollars ($25,000), or at any time the Fund has insufficient assets in excess of ~~one hundred thousand dollars ($100,000)~~twenty-five thousand dollars ($25,000) to pay outstanding claims, the State Treasurer shall not disburse any payments to an aggrieved party. However, any party aggrieved and awarded payment as ordered by the Board which order is dated after July 1, 1983, shall hold a vested right for payment plus interest as provided in G.S. 24-1 once the Fund reaches a sufficient level for payments. Authorized payments which cannot be made due to the lack of funds will be paid as funds become available, beginning with those payments which have been unsatisfied for the longest period of time."

SECTION 12. G.S. 14-269.2(g) reads as rewritten:

"(g) This section shall not apply ~~to:~~to any of the following:

(1) A weapon used solely for educational or school-sanctioned ceremonial purposes, or used in a school-approved program conducted under the supervision of an adult whose supervision has been approved by the school ~~authority;~~authority.

(1a) A person exempted by the provisions of G.S. ~~14-269(b);~~14-269(b).

(2) Firefighters, emergency service personnel, and North Carolina Forest Service personnel, and any private police employed by ~~an educational institution,~~ a school, when acting in the discharge of their official ~~duties;~~duties.

(3) Home schools as defined in G.S. ~~115C-563(a); or~~115C-563(a).

(4) Weapons used for hunting purposes on the Howell Woods Nature Center property in Johnston County owned by Johnston Community College when used with the written permission of Johnston Community College or for hunting purposes on other educational property when used with the written permission of the governing body of the school that controls the educational property.

(5) A person registered under Chapter 74C of the General Statutes as an armed armored car service guard or an armed courier service guard when acting in the discharge of the guard's duties and with the permission of the college or university.

(6) A person registered under Chapter 74C of the General Statutes as an armed security guard while on the premises of a hospital or health care

facility located on educational property when acting in the discharge of the guard's duties with the permission of the college or university.

SECTION 13. Sections 12 and 13 are effective when the act becomes law. The remainder of this act becomes effective October 1, 2007.

SENATE BILL 854:
Amend Private Protective Services Act

BILL ANALYSIS

Committee:	Senate Finance	**Date:**	July 18, 2007
Introduced by:	Sen. Snow	**Summary by:**	Trina Griffin Committee Counsel
Version:	PCS to Second Edition S854-CSSVf-45		

SUMMARY: ***Senate Bill 854 makes a number of changes to Chapter 74C of the General Statutes, which regulates the private protective services profession. It authorizes the Private Protective Services Board ("Board") to require continuing education for license renewal, changes the license renewal period from annually to biannually, prohibits anyone who is engaged in private protective services from carrying a firearm unless registered with the Board, and increases the minimum fund balance in the Private Protective Services Recovery Fund. These changes would become effective October 1, 2007.***

The Proposed Committee Substitute would allow armed armored car service guards and armed courier service guards to be on college campuses, with the school's permission, for the purpose of discharging their official duties. It would also allow armed security guards to be on the premises of a hospital located on educational property with the school's permission and for the purpose of discharging their official duties (Section 12). These changes would become effective when the act becomes law.

BILL ANALYSIS:

Section 1 makes stylistic changes and corrections to the definitions section of the Chapter.

Section 2 authorizes the Private Protective Services Board to approve training schools and instructors, and to approve badge designs subject to the approval of the designs by the Sheriffs' Association and the Association of Chiefs of Police.

Sections 3, 6, and 9 authorize the Board to require continuing education as a condition of issuing or renewing a license or issuing or renewing a firearms registration. Section 3 also increases the term of a license from 1 to 2 years.

Sections 4 and 5 requires security guard and patrol, armored car, special limited guard and patrol or any licensee who carries a fire arm to obtain and maintain liability insurance.

Section 7 authorizes the Board to suspend or revoke a license if the licensee has carried or worn a badge purporting to represent that the person is a law enforcement office. The Board could also suspend or revoke a license if the licensee uses a badge that has not been approved by the Board. This section also requires that a licensee must report to the Board any charge, arrest for, or conviction for certain misdemeanors or felonies. Failure to report this information within 30 days will be grounds for the Board to revoke the license.

Section 8 makes it unlawful for any person to carry a firearm unless the person has registered with the Board. Registration is evidenced by a pocket card which must be displayed to law enforcement officers.

Section 10 decreases from $100,000 to $25,000 the minimum amount that should be held in the Private Protective Services Recovery Fund. Upon a unanimous vote of the Board, funds in excess of $25,000 may be used for operating expenses.

Section 11 prohibits any payments from the Fund if the balance is less than $25,000.

Section 12 does two things. It creates an exemption from the criminal statute prohibiting weapons on educational property for armed armored car service guards and armed courier service guards. The exemption is limited to situations where the guards are discharging their official duties and have the permission of the college or university. This section also allows armed security guards to be on the premises of a hospital located on educational property with the school's permission and for the purpose of discharging their official duties. This section would become effective when the act becomes law.

A BILL TO BE ENTITLED

AN ACT TO AUTHORIZE THE CONSTRUCTION AND THE FINANCING, WITHOUT APPROPRIATIONS FROM THE GENERAL FUND, OF CERTAIN CAPITAL IMPROVEMENTS PROJECTS OF THE CONSTITUENT INSTITUTIONS OF THE UNIVERSITY OF NORTH CAROLINA.

The General Assembly of North Carolina enacts:

PART I. SELF-LIQUIDATING PROJECTS

SECTION 1. The purpose of this act is: (i) to authorize the construction or acquisition by certain constituent institutions of The University of North Carolina of the capital improvements projects listed in this act for the respective institutions, and (ii) to authorize the financing of these projects with funds available to the institutions from gifts, grants, receipts, self-liquidating indebtedness, Medicare reimbursements for education costs, or other funds, or any combination of these funds, but not including funds received for tuition or appropriated from the General Fund of the State.

SECTION 2. The capital improvements projects, and their respective costs, authorized by this act to be constructed or otherwise acquired and financed as provided in Section 1 of this act, are as follows:

Appalachian State University	
Frank Residence Hall Renovation	$7,461,000
Steam Distribution Improvements – Phase IV	$3,086,000

Residence Halls – Improvements	$5,000,000
Marine Biotechnology Research Facility	$15,000,000
Western Carolina University	
Residence Halls – Construction/Acquisition	$44,560,000

SECTION 3. At the request of the Board of Governors of The University of North Carolina and upon determining that it is in the best interest of the State to do so, the Director of the Budget may authorize an increase or decrease in the cost of, or a change in the method of, funding the projects authorized by this act. In determining whether to authorize a change in cost or funding, the Director of the Budget may consult with the Joint Legislative Commission on Governmental Operations.

SECTION 4. Pursuant to G.S. 116D-26, the Board of Governors may issue, subject to the approval of the Director of the Budget, at one time or from time to time, special obligation bonds of the Board of Governors for the purpose of paying all or any part of the cost of acquiring, constructing, or providing for the projects authorized by Section 2 and Section 7 of this act. The maximum principal amount of bonds to be issued shall not exceed the specified project costs in Section 2 and Section 7 of this act plus five percent (5%) of such amount to pay issuance expenses, fund reserve funds, pay capitalized interest and pay other related additional costs, plus any increase in the

specific project costs authorized by the Director of the Budget pursuant to Section 3 of this act.

SECTION 5. With respect to the Marine Biotechnology Research Facility project at the University of North Carolina at Wilmington, the institution may accomplish construction and financing through lease arrangements to and from a special purpose entity created or existing for that purpose and through working with other state agencies. The institution may use funds appropriated for the Marine Biotechnology Research Facility from the General Fund of the State on an annual basis to make debt service, lease, or other similar payments necessary to accomplish the financing; provided, however, nothing in this section shall be construed as pledging the full faith and credit of the State towards making such payments.

SECTION 6. With respect to the Residence Halls project at Western Carolina University, the institution may accomplish construction and financing through lease arrangements to and from the Western Carolina University Research and Development Corporation.

SECTION 7. The University of North Carolina at Chapel Hill may accomplish the financing of the acquisition and implementation of certain components of its enterprise administrative systems, including, but not limited to, Student, Human Resources, Payroll, and Finance, in an amount not to exceed fifty-nine million dollars ($59,000,000). Costs related to the project may include, but not be limited to, costs of applicable hardware, software, consulting services, project and support staff, renovation of the Porthole Building on the campus of the University of North Carolina at Chapel Hill, training services, leases of space for the project, and any technical infrastructure components required to implement the systems for the duration of the project. The project shall be deemed to be a "capital facility" and a "special obligation bond project" for purposes of G.S. 116D-22(5).

PART II. REVISE UNIVERSITY GENERAL OBLIGATION INDEBTEDNESS

SECTION 8. Pursuant to Section 2(b) of S.L. 2000-3, the General Assembly finds that it is in the best interest of the State to respond to current educational and research program requirements at Elizabeth City State University by (a) changing the scope of "Mitchell-Lewis Residence Hall – Replacement" to a comprehensive renovation project and by (b) reducing the scope of the "Land Acquisition" project and transferring unused funds to "Lane Hall Classroom Building – Comprehensive Renovation" and "Electrical Distribution System Upgrade" and "Campus Infrastructure Improvements." Section 2(a) of S.L. 2000-3 is therefore amended in the portion under Elizabeth City State University by:

(1) Renaming "Mitchell-Lewis Residence Hall – Replacement" to read "Mitchell-Lewis Residence Hall – Comprehensive Renovation", and

(2) Reducing the allocation to "Land Acquisition" by $650,000, and

(3) Increasing the allocation to "Lane Hall Classroom Building – Comprehensive Renovation" by $600,000, and

(4) Increasing the allocation to "Electrical Distribution System Upgrade" by $25,000, and

(5) Increasing the allocation to "Campus Infrastructure Improvements" by $25,000.

SECTION 9. Pursuant to Section 2(b) of S.L. 2000-3, the General Assembly finds that it is in the best interest of the State to respond to current educational and research program requirements at North Carolina Central University by reducing the scope of "Hoey Building – Comprehensive Renovation" and transferring unused funds to "Pearson Cafeteria – Expansion" and "Eagleson Residence Hall – Comprehensive Renovation". Section 2(a) of S.L. 2000-3 is therefore amended in the portion under North Carolina Central University by:

(1) Reducing the allocation to "Hoey Building – Comprehensive Renovation" by $2,300,000,

(2) Increasing the allocation to "Pearson Cafeteria – Expansion" by $1,000,000, and

(3) Increasing the allocation to "Eagleson Residence Hall – Comprehensive Renovation" by $1,300,000.

At the request of The University of North Carolina Board of Governors, the Director of the Budget may authorize specified changes. Pursuant to GS 116D-26, the Board of Governors may, subject to approval, issue special obligation bonds of the Board of Governors for some projects. The Aquaculture Hatchery Biotech Research Facility at the University of North Carolina at

Wilmington and the Residence Halls at Western Carolina University projects may be accomplished through specified lease arrangements. The University of North Carolina at Chapel Hill may accomplish the financing and acquisition of certain components of its enterprise administrative systems, in an amount up to $59 million, subject to limitations.

The PCS further revises Section 2(b) of S.L. 2000-3 to change the scope of the Mitchell-Lewis Residence Hall replacement project at Elizabeth City State University to a comprehensive renovation project. The PCS also eliminates a land acquisition project at ECSU.

The PCS further revises Section 2(b) of S.L. 2000-3 to reduce the authorization for the Hoey Building comprehensive renovation project at North Carolina Central University and increase the scopes of both the Pearson Cafeteria expansion project and Eagleson Residence Hall comprehensive renovation project.

ASSUMPTIONS AND METHODOLOGY:

Part I. Self-Liquidating Projects

Chart 1 on Page 3 lists each self-liquidating capital improvement project proposed by the Board of Governors of the University of North Carolina for FY 2007-08. There are 24 new capital improvement projects totaling $324,681,000 in improvements. The Board also requests the authority to fund $10,000,000 in supplements to 3 previously authorized self-liquidating capital projects. Five proposed projects will increase student fees to cover debt service payments. Six new projects would require General Fund support for increased operating costs. Financial data for these charts was provided by the Division of Finance, University of North Carolina General Administration.

The University of North Carolina

SB 1241 – UNC Non-Appropriated Capital Projects

- Each year, the University requests legislative authorization for needed capital projects which the campuses proposed to construct using Non-General fund sources. This year's package contains the projects that, if authorized, are expected to begin prior to June 30, 2008.

- The package totals $334 million. It contains 23 new or supplemental capital improvement projects at 7 campuses and 1 ITS replacement project at UNC-CH. All projects have been approved by the Chancellors and Boards of Trustees and by the President and the Board of Governors.

- The projects include academic, research, clinical and administrative space and improvements to student services, residential living, dining, recreation, athletics and parking facilities.

- No funding for constructions will come from General Fund sources. Sources include:

    - 26% from gifts and grants (contributions)
    - 26% from housing and dining receipts
    - 23% from utility and ITS receipts
    - 17% from parking and overhead receipts
    - 7% from federal funds and other funds
    - 1% from student debt service fees

- No support from General Fund sources for operating costs will be required for other than academic facilities or facilities used for academic programs.

- Historically, approximately 60% of University buildings have been constructed with General fund monies and 40% have been constructed by gifts from donors, student feeds and user-generated revenues from University auxiliary operations. Since 1999, the University's contribution to that partnership has exceeded $2.7 billion.

- This bill also contains several modifications to projects authorized by the 2000 bond.

The University of North Carolina

SB 1241 – UNC Non-Appropriated Capital Projects

Each year, the University requests legislative authorization for needed capital projects which the campuses proposed to construct using Non-General fund sources. The package totals **$334 million**. This bill also contains several modifications to projects authorized by the 2000 bond.

Appalachian State University

Frank Residence Hall Renovation **$7,461,000**

This funding would provide for the comprehensive renovation of the 26-year old 49,000 square foot residence hall. Work would include upgrading existing fire safety systems and improving building accessibility.

Steam Distribution Improvements – Phase IV **$3,086,000**

This project would continue a comprehensive program to repair or replace steam distribution and condensate return lines on campus.

East Carolina University

Family Medicine Center – Supplement **$6,000,000**

The proposed increase would enable the campus to extend services from the central utility plant to the building and address the known change in bidding climate and increased costs.

North Carolina State University

Companion Animal Hospital **$34,000,000**

The facility would be a 115,000 square foot teaching hospital with clinical animal spaces and specialty practice areas. The current companion animal hospital functions would move from the existing main building and would provide much needed space for hospital growth. This project would make available approximately 35,000 square feet in the existing main building for use as classrooms, labs, offices, and outreach programs.

Residence Halls – Improvements and Infrastructure Expansion **$13,000,000**

This project would make improvements in campus residence halls including fire safety upgrades, elevator replacements, bathroom renovations, window repairs, interior renovations, and water pipe repairs. The project would also include the installation of new infrastructure, including roads and pathways, to connect the Greek Court area to the campus.

The University of North Carolina at Chapel Hill

College of Arts and Sciences – Digital Multimedia Center and Music Library **$4,000,000**

Rosenau Hall Laboratory Building – Comprehensive Renovation **$1,124,000**

Science Complex – Phase I **$20,000,000**

These three projects were authorized as part of the 2000 Higher Education Bond program and included partial funding from private gifts. The campus has requested the authority to borrow, if needed, funding on an interim basis until construction is complete.

Hanes Hall **$750,000**
The project would include renovation of the fourth floor to expand offices and interview suites for Career Services.

Genomic Sciences Building **$12,500,000**
This facility would provide 210,000 square feet of modern classrooms, laboratories, and offices, including nine wet labs, four bioinformatics labs, a 250-seat lecture hall, a 450-seat lecture hall, an 80-seat classroom, and four 30-seat seminar rooms, serving faculty, post-doctoral fellows, technicians, graduate students and undergraduates.

Electrical Infrastructure Improvements **$9,300,000**
This project would upgrade the medium voltage electrical distribution system at the south substation and continue the build-out of a ductbank serving campus electrical and telecommunications needs. The project includes high speed switches, breakers, cables, and upgraded control system.

Information Technology Infrastructure Improvements **$11,800,000**
This project would upgrade the campus and building fiber optics distribution system. Work would include WiFi connectivity, broadcast-quality video capabilities, network security, and real time communication projects.

Translational Medicine Program Facility Renovation **$4,000,000**
This project would renovate 12,000 square feet of space on the second floor of the Brinkhous-Bullitt Building serving the School of Medicine's Translational Medicine program. The work would create office and conference space that supports the program's translation of research results into clinical applications. Improvements to the building's systems and infrastructure are also included.

Henry Stadium Renovation **$2,000,000**
This project would replace the existing synthetic turf at Henry Stadium, due to age-related wear and tear, in order to improve the safe use of the facility.

Carmichael Auditorium – Supplement **$2,000,000**
Woollen Gymnasium – Supplement **$2,000,000**
The proposed increase would enable the campus to address the known change in bidding climate and the increased costs associated with preserving the necessary project scope.

McColl Building Expansion and Renovation **$6,500,000**
This proposed increase would enable the campus to address the increased costs associated with the original project scope and to renovate approximately 25,000 square feet of additional space on the first through fourth floors.

Bell Tower Development Parking **$30,000,000**
In order to accommodate additional development on campus, surface parking is being abolished to create space for new buildings. The parking deck in this plan would replace spaces lost to the construction of the Genome Sciences Building.

Chilled Water Infrastructure **$39,600,000**
The new plant in the Bell Tower parking lot is critical to the system's hydraulics. It is the oldest plant on campus, has reached the end of its useful life, and needs to be totally renovated and have its capacity increased.

The University of North Carolina at Pembroke

New Football/Multipurpose Tower **$2,000,000**

This project would provide an elevated, fully accessible building to support campus academic, recreational, athletic, and fund-raising activities.

The University of North Carolina at Wilmington

Residence Halls – Improvements **$5,000,000**

This project makes improvements to residence halls on campus including the replacement of existing fire alarm systems, installation of fire sprinkler systems, and updating bathrooms. This project would also replace two, 33-year-old elevators in Galloway Hall, a six-story residence hall serving 400 students.

Marine Biotechnology Research Facility **$15,000,000**

This project would build an approximately 60,000 square-foot marine biotechnology and aquaculture research facility. The facility will house the Marine Biotechnology Initiative as well as the Wilmington Branch of the North Carolina Oyster Hatchery Program and other initiatives seeking to develop and market commercial products from various Marine Science research initiatives.

Western Carolina University

Residence Halls – Construction/Acquisition **$44,560,000**

This project would replace two, 400-bed residence halls. Included in this project is the demolition of the old Dodson Cafeteria, a central cooling plant, and faculty offices for the Honors College which would create a living-learning environment to enhance the student learning experience by co-mingling faculty offices within the traditional residence hall setting.

(10) Permitting another person to use ~~his license,~~his or her license.

(10a) Failure by a licensee to properly supervise an apprentice under ~~his supervision, and~~his or her supervision.

(11) For violating any of the provisions of this Chapter.

(b) Board action in revoking or suspending a license shall be in accordance with Chapter 150B of the General Statutes. Any person whose license has been suspended for any of the grounds or reasons herein set forth, may, after the expiration of 90 days but within two years, apply to the Board to have the same reissued; upon a showing satisfactory to the Board that ~~such~~ reissuance will not endanger the public health and

welfare, the Board may reissue a license to such person for a fee set by the Board, not to exceed two hundred dollars ($200.00). If application is made subsequent to two years from date of suspension, reissuance shall be in accordance with the provisions of G.S. 93D-8.

(c) Records, papers, and other documents containing information collected or compiled by or on behalf of the Board as a result of an investigation, inquiry, or interview conducted in connection with registration, licensure, or a disciplinary matter shall not be considered public records within the meaning of Chapter 132 of the General Statutes. Any notice or statement of charges, notice of hearing, or decision rendered by the Board in connection with a hearing is a public record. However, information that identifies a consumer who has not consented to the public disclosure of services rendered to the consumer by a person registered or licensed under this Chapter shall be deleted from the public record. All other records, papers, and documents containing information collected or compiled by or on behalf of the Board shall be public records, provided that any information that identifies a consumer who has not consented to the public disclosure of services rendered to the consumer is deleted."

SECTION 6. This act is effective when it becomes law.

SENATE BILL 1332:
Raise Fee Ceil'g/Amend Hear. Aid Dealer Laws

BILL ANALYSIS

Committee:	Senate Finance	**Date:**	July 16, 2007
Introduced by:	Sen. Purcell	**Summary by:**	Martha Walston
Version:	Second Edition		Committee Counsel

SUMMARY: Senate Bill 1332 makes the following changes to the statutes governing the North Carolina State Hearing Aid Dealers and Fitters Board:

- ***Increases the fees charged for licensure application, renewal, and examination.***
- ***Increases the reimbursement rate for Board member travel.***
- ***Authorizes the Board to serve notice of licensed expiration by registered mail, certified mail or depositing with a designated delivery service.***
- ***Provides that certain information collected as a result of an investigation conducted in connection with registration, licensure, or a disciplinary matter is not public record.***
- ***Makes technical changes.***

Senate Bill 1332 was given a favorable report in Senate Health Care.

CURRENT LAW: Persons fitting or selling hearing aids in North Carolina are required to be licensed by the North Carolina State Hearing Aid Dealers and Fitters Board (Board) or be an apprentice under the supervision of a licensee. An applicant for licensure must complete various requirements and pay a fee. Licenses must be renewed annually.

BILL ANALYSIS: Senate Bill 1332 authorizes the Board to raise certain fees and reimbursement rates as follows:

Type of Fee	Old Maximum	New Maximum
Examination fee	$75	$300
Issuance of license	$150	$250
Renewal of license	$150	$250
Type of Reimbursement		
Board member travel, per diem, and other authorized expenses	8¢ per mile Meals/Lodging- Actual rate not to exceed $20	As provided in G.S. 138-6(a) Mileage- 25¢ per mile Subsistence $81 in-State $93 out of State

The bill makes further substantive changes as follows:

Section 2 amends G.S. 93D-3(d) by removing the bonding requirement of the Board's secretary treasurer and by revising the travel reimbursement and reporting requirements.

Section 3 allows persons holding doctoral degrees in Audiology from an accredited training program to be issued a license as a hearing aid dealer and fitter without serving as an apprentice for a period of one year.

Section 4 changes the notice language by authorizing the Board to serve notice of license expiration by registered mail, certified mail, or by depositing with a designated delivery service in accordance with G.S. 1A-1, Rule 4(j)(1)d.

Section 5 adds a provision to GS 93D-13 to specify that documents containing information collected by the Board as a result of an investigation or inquiry conducted in connection with registration, licensure, or a disciplinary matter are not a public record. Notice, statement of charges and decisions rendered by the Board in connection with the hearing are public records. Information that identifies a consumer is not public unless the consumer consents to disclosure. The section also provides the Board the discretion to suspend a license for the inability to perform the functions for which a person is licensed.

Section 6 makes the act effective when it becomes law.

Shawn Parker, Legislative analyst to Senate Health Care, substantially contributed to this summary.

BILL SUMMARY:

This bill increases the maximum fees that may be charged for licensure examinations, travel expenses for the Board, and license applications and renewals. The bill adds a provision to G.S. 93D-13 to specify that documents containing information collected by the Board as a result of an investigation or inquiry conducted in connection with registration, licensure, or a disciplinary matter are not public record, except that notices, statements of charges, or decisions rendered in a disciplinary matter are public record. The bill provides that information identifying a consumer is not public unless the consumer consents to disclosure and makes other clarifying and technical changes. The bill also amends G.S. 93D-11 to provide that in the case of a default in payment, in addition to by mail, the notice to the licensee may be sent by certified mail, or in a manner provided for in G.S. 1A-1, Rule 4(j) (1) d (by depositing with a designated delivery service a copy of the summons and complaint, addressed to the party to be served, delivering to the addressee, and obtaining a delivery receipt).

ASSUMPTIONS AND METHODOLOGY: Senate Bill 1332 raises fees for three items which are summarized in table 1 below.

Table 1

FEE SCHEDULE	Current	Proposed	Increase
Exam	$ 75	$ 300	$ 225
Application	$ 150	$ 250	$ 100
Renewal	$ 150	$ 250	$ 100

The number of individuals subject to the fees are based off of 2006-07 actual numbers and are grown at 3% from year to year. Anyone paying for the exam is required to pay the application fee at the same time so these figures will always be in parity. The Board estimates that the number of individuals subject to the yearly renewal fee grows at an average of 20 individuals in a fiscal year. Based on this information the Board can expect the following revenue stream:

Table 2

FISCAL IMPACT	2007-08	2008-09	2009-10	2010-11	2011-12
Exam	97	100	103	106	109
Application	97	100	103	106	109
Renewal	515	535	555	575	595
Exam	$ 21,825	$ 22,500	$ 23,175	$ 23,850	$ 24,525
Application	$ 9,700	$ 10,000	$ 10,300	$ 10,600	$ 10,900
Renewal	$ 51,500	$ 53,500	$ 55,500	$ 57,500	$ 59,500
TOTAL	$ 83,025	$ 86,000	$ 88,975	$ 91,950	$ 94,925

North Carolina State Hearing Aid Dealers and Fitters Board:
This bill makes changes to the way the Board distributes travel reimbursement to its members, specifically compelling it to adhere to G.S. 93B-5. As the Board already complies with the provisions of G.S. 93B-5, the expansion of duties and responsibilities in the bill has no fiscal impact.

A BILL TO BE ENTITLED

AN ACT STREAMLINING LOCAL GOVERNMENT REGULATION OF WIRELESS FACILITIES AND WIRELESS SUPPORT STRUCTURES AND THE COLLOCATION OF WIRELESS FACILITIES.

The General Assembly of North Carolina enacts:

SECTION 1. Article 19 of Chapter 160A of the General Statutes is amended by adding a new Part 3E to read:

"Part 3E. Wireless Telecommunications Facilities.

"**§ 160A-400.50. Purpose and Compliance with Federal Law.**

(a) The purpose of this section is to ensure that the safe and efficient integration of facilities necessary for the provision of advanced wireless telecommunications services throughout the community and to ensure the ready availability of reliable wireless service to the public, government agencies, and first responders, with the intention of furthering the public safety and general welfare. The following standards shall apply to a city's actions, as a regulatory body, in the regulation of the placement, construction, or modification of a wireless communications facility.

(b) The placement, construction, or modification of wireless communications facilities shall be in conformity with the Federal Communications Act, 47 U.S.C. § 332 as amended, and in accordance with the rules promulgated by the Federal Communications Commission.

"**§ 160A-400.51. Definitions.**

The following definitions apply in this Part.

(1) Antenna. – Communications equipment that transmits and receives electromagnetic radio signals used in the provision of all types of wireless communications services.

(2) Application. – A formal request submitted to the city to construct or modify a wireless support structure of a wireless facility.

(3) Building permit. – An official administrative authorization issued by the city prior to beginning construction consistent with the provisions of G.S. 160A-417.

(4) Collocation. – The installation of new wireless facilities on previously-approved structures, including towers, buildings, utility poles and water tanks.

(5) Equipment enclosure. – An enclosed structure, cabinet, or shelter used to contain radio or other equipment necessary for the transmission or reception of wireless communication signals.

(6) Land development regulation. – Any ordinance enacted pursuant to this Part.

(7) Search ring. – The area within which a wireless facility must be located in order to meet service objectives of the wireless service provider using the wireless facility or wireless support structure.

(8) Utility pole. – A structure that is designed for and used to carry lines, cables or wires for telephone, cable television, or electricity, or to provide lighting.

(9) Wireless facility. – The set of equipment and network components, exclusive of the underlying support structure or tower, including antennas, transmitters, receivers base stations, power supplies, cabling, and associated equipment necessary to provide wireless data and telecommunications services to a discrete geographic area.

(10) Wireless support structure. – A new or existing structure, such as a monopole, lattice tower, or guyed tower that is designed to support or capable of supporting wireless facilities. A utility pole is not a wireless support structure.

"**§ 160A-400.52. Construction of wireless facilities and wireless support structures.**

(a) A city may plan for and regulate the siting or modification of wireless support structures and wireless facilities in accordance with land development regulations and in conformity with this Part. Except as expressly stated, nothing in this Part shall limit a city from regulating applications to construct, modify, or maintain wireless support structures, or construct, modify, maintain, or collocate wireless facilities on a wireless support structure based on consideration of land use, public safety, and zoning considerations, including aesthetics, landscaping, structural design, and setbacks, or State and local building code requirements, consistent with the provisions of federal law provided in 160A-400.50. For purposes of this Part, public safety shall not include requirements relating to radio frequency emissions of wireless facilities.

(b) Any person that proposes to construct or modify a wireless support structure or wireless facility within the planning and land use jurisdiction of a city must do both of the following:

(1) Submit a completed application with the necessary copies and attachments to the appropriate planning authority.

(2) Comply with any local ordinances concerning land use and any applicable permitting processes.

(c) A city's review of an application for the placement, construction, or modification of a wireless facility or wireless support structure shall only address public safety, land development, or zoning issues. In reviewing an application, the city may not require information on or evaluate an applicant's business decisions about its designed service, customer demand for its service, or quality of its service to or from a particular area or site. In reviewing an application the city may review the following:

(1) Applicable public safety, land use, or zoning issue addressed in its adopted regulations that do not conflict with this Part, including, aesthetics, landscaping, land use based location priorities, structural design, and setbacks.

(2) Information or materials directly related to an identified public safety, land development or zoning issue including evidence that no existing or previously approved structure can reasonably be used for the antenna placement instead of the construction of a new tower, that residential areas cannot be served from outside the residential area, or that the proposed height of a new tower or initial antenna placement or a proposed height increase of a modified tower, replacement tower, or collocation is necessary to provide the applicant's designed service

(3) A city may require applicants for new wireless support structures to evaluate the reasonable feasibility of collating new antennas and equipment on an existing structure or structures within the applicant's search ring. Collocation on an existing structure is not reasonably feasible if contractual, economic, or engineering impediments prevent collocation.

(d) An application shall be deemed complete unless the city provides notice in writing to the applicant within 45 days of submission, in the case of collocation applications entitled to streamlined processing under G.S. 160A-400.53, or 60 days of submission, in the case of other applications, or within some other mutually agreed upon timeframe. The notice shall identify the deficiencies in the application which, if cured, would make the application complete. The application shall be deemed complete on resubmission if the additional materials address the deficiencies identified.

(e) The city shall issue a written decision approving or denying an application within 45 days in the case of collocation applications entitled to streamlined processing under G.S. 160A-400.53(c) and (d) and within a reasonable period of time consistent with the issuance of other land use permits in the case of other applications, each as measured from the time the application is deemed complete.

(f) A city may fix and charge an application fee, consulting fee, or other fee associated with the submission, review, processing and approval of an application to site or modify wireless support structures or wireless facilities that is based on the costs of the services provided and does not exceed what is usual and customary for such services. Any charges or fees assessed by a city on account of an outside consultant shall be fixed in advance and incorporated into a permit or application fee, and shall be

based on the reasonable costs to be incurred by the city in connection with the regulatory review authorized under this section. On request, the amount of the consultant charges incorporated into the permit or application fee shall be separately identified and disclosed to the applicant.

(g) The city may condition the issuance of a building permit, certificate of completion, or applicable land use permit authorizing the construction of a new wireless support structure on the provision of documentation prior to construction or occupation of the structure establishing the existence of one or more parties, including the owner of the wireless support structure, who intend to locate wireless facilities on the wireless support structure. A city shall not deny an initial land use or zoning permit based on a showing of such documentation.

(h) The city may not require the placement of wireless support structures or wireless facilities on city owned or leased property, but may develop a process to encourage the placement of wireless support structures or facilities on city owned or leased property, including an expedited approval process.

(i) This section shall not be construed to limit the provisions or requirements of any historic district or landmark regulation adopted pursuant to Part 3C of this Article.

"**§ 160A-400.53. Collocation of wireless facilities.**

(a) Applications for collocation entitled to streamlined processing under this section shall be reviewed for conformance with applicable site plan and building permit requirements but shall not otherwise be subject to zoning requirements, including design or placement requirements, or public hearing review.

(b) Applications for collocation of wireless facilities are entitled to streamlined processing if the addition of the additional wireless facility does not exceed the number of wireless facilities previously approved for the wireless support structure on which the collocation is proposed. This provision applies to wireless support structures which are approved on or after December 1, 2007.

(c) Applications for collocation that meet all the following requirements shall also be entitled to streamlined processing:

(1) The collocation does not increase the overall height and width of the tower or wireless support structure to which the wireless facilities are to be attached.

(2) The collocation does not increase the ground space area approved in the site plan for equipment enclosures and ancillary facilities.

(3) The wireless facilities in the proposed collocation comply with applicable regulations, restrictions, or conditions, if any, applied to the initial wireless facilities placed on the tower or other wireless support structure.

(4) The additional wireless facilities comply with all federal, state and local safety requirements.

(5) The collocation does not exceed the applicable weight limits for the wireless support structure.

SECTION 2. Article 18 of Chapter 153A of the General Statutes is amended by adding a new Part 3B to read:

"Part 3B. Wireless Telecommunications Facilities.

"**§ 153A-349.50. Purpose and Compliance with Federal Law.**

(a) Purpose. – The purpose of this section is to ensure that the safe and efficient integration of facilities necessary for the provision of advanced wireless telecommunications services throughout the community and to ensure the ready availability of reliable wireless service to the public, government agencies, and first responders, with the intention of furthering the public safety and general welfare. The following standards shall apply to a county's actions, as a regulatory body, in the regulation of the placement, construction, or modification of a wireless communications facility.

(b) Compliance with the Federal Communications Act. – The placement, construction, or modification of wireless communications facilities shall be in conformity with the Federal Communications Act, 47 U.S.C. § 332 as amended, and in accordance with the rules promulgated by the Federal Communications Commission.

"**§ 153A-349.51. Definitions.**

The following definitions apply in this Part.

(1) Antenna. – Communications equipment that transmits and receives electromagnetic radio signals used in the provision of all types of wireless communications services.

(2) Application. – A formal request submitted to the county to construct or modify a wireless support structure of a wireless facility.

(3) Building permit. – An official administrative authorization issued by the county prior to beginning construction consistent with the provisions of G.S. 153A-357.

(4) Collocation. – The installation of new wireless facilities on previously-approved structures, including towers, buildings, utility poles and water tanks.

(5) Equipment enclosure. – An enclosed structure, cabinet, or shelter used to contain radio or other equipment necessary for the transmission or reception of wireless communication signals.

(6) Land development regulation. – Any ordinance enacted pursuant to this Part.

(7) Search ring. – The area within which a wireless facility must be located in order to meet service objectives of the wireless service provider using the wireless facility or wireless support structure.

(8) Utility pole. – A structure that is designed for and used to carry lines, cables or wires for telephone, cable television, or electricity, or to provide lighting.

(9) Wireless facility. – The set of equipment and network components, exclusive of the underlying support structure or tower, including antennas, transmitters, receivers base stations, power supplies, cabling, and associated equipment necessary to provide wireless data and telecommunications services to a discrete geographic area.

(10) Wireless support structure. – A new or existing structure, such as a monopole, lattice tower, or guyed tower that is designed to support or capable of supporting wireless facilities. A utility pole is not a wireless support structure.

"**§ 153A-349.52. Construction of wireless facilities and wireless support structures.**

(a) A county may plan for and regulate the siting or modification of wireless support structures and wireless facilities in accordance with land development regulations and in conformity with this Part. Except as expressly stated, nothing in this Part shall limit a county from regulating applications to construct, modify, or maintain wireless support structures, or construct, modify, maintain, or collocate wireless facilities on a wireless support structure based on consideration of land use, public safety, and zoning considerations, including aesthetics, landscaping, structural design, and setbacks, or State and local building code requirements, consistent with the provisions of federal law provided in 153A-349.50. For purposes of this Part, public safety shall not include requirements relating to radio frequency emissions of wireless facilities.

(b) Any person that proposes to construct or modify a wireless support structure or wireless facility within the planning and land use jurisdiction of a county must do both of the following:

(1) Submit a completed application with the necessary copies and attachments to the appropriate planning authority.

(2) Comply with any local ordinances concerning land use and any applicable permitting processes.

(c) A county's review of an application for the placement, construction, or modification of a wireless facility or wireless support structure shall only address public safety, land development, or zoning issues. In reviewing an application, the county may not require information on or evaluate an applicant's business decisions about its designed service, customer demand for its service, or quality of its service to or from a particular area or site. In reviewing an application the county may review the following:

(1) Applicable public safety, land use, or zoning issue addressed in its adopted regulations that do not conflict with this Part, including, aesthetics, landscaping, land use based location priorities, structural design, and setbacks.

(2) Information or materials directly related to an identified public safety, land development or zoning issue including evidence that no existing or previously approved structure can reasonably be used for the antenna placement instead of the construction of a new tower, that residential areas cannot be served from outside the residential area, or that the proposed height of a new tower or initial antenna placement or a proposed height increase of a modified tower, replacement tower, or collocation is necessary to provide the applicant's designed service

(3) A county may require applicants for new wireless support structures to evaluate the reasonable feasibility of collating new antennas and equipment on an existing structure or structures within the applicant's

search ring. Collocation on an existing structure is not reasonably feasible if contractual, economic, or engineering impediments prevent collocation.

(d) An application shall be deemed complete unless the county provides notice in writing to the applicant within 45 days of submission, in the case of collocation applications entitled to streamlined processing under G.S. 160A-400.53, or 60 days of submission, in the case of other applications, or within some other mutually agreed upon timeframe. The notice shall identify the deficiencies in the application which, if cured, would make the application complete. The application shall be deemed complete on resubmission if the additional materials address the deficiencies identified.

(e) The county shall issue a written decision approving or denying an application within 45 days in the case of collocation applications entitled to streamlined processing under G.S. 160A-400.53(c) and (d) and within a reasonable period of time consistent with the issuance of other land use permits in the case of other applications, each as measured from the time the application is deemed complete.

(f) A county may fix and charge an application fee, consulting fee, or other fee associated with the submission, review, processing and approval of an application to site or modify wireless support structures or wireless facilities that is based on the costs of the services provided and does not exceed what is usual and customary for such services. Any charges or fees assessed by a county on account of an outside consultant shall be fixed in advance and incorporated into a permit or application fee, and shall be based on the reasonable costs to be incurred by the county in connection with the regulatory review authorized under this section. On request, the amount of the consultant charges incorporated into the permit or application fee shall be separately identified and disclosed to the applicant.

(g) The county may condition the issuance of a building permit, certificate of completion, or applicable land use permit authorizing the construction of a new wireless support structure on the provision of documentation prior to construction or occupation of the structure establishing the existence of one or more parties, including the owner of the wireless support structure, who intend to locate wireless facilities on the wireless support structure. A county shall not deny an initial land use or zoning permit based on a showing of such documentation.

(h) The county may not require the placement of wireless support structures or wireless facilities on county owned or leased property, but may develop a process to encourage the placement of wireless support structures or facilities on county owned or leased property, including an expedited approval process.

(i) This section shall not be construed to limit the provisions or requirements of any historic district or landmark regulation adopted pursuant to Part 3C of this Article.

"**§ 153A-349.53. Collocation of Wireless Facilities.**

(a) Applications for collocation entitled to streamlined processing under this section shall be reviewed for conformance with applicable site plan and building permit requirements but shall not otherwise be subject to zoning requirements, including design or placement requirements, or public hearing review.

(b) Applications for collocation of wireless facilities are entitled to streamlined processing if the addition of the additional wireless facility does not exceed the number of wireless facilities previously approved for the wireless support structure on which the collocation is proposed. This provision applies to wireless support structures which are approved on or after December 1, 2007.

(c) Applications for collocation that meet all the following requirements shall also be entitled to streamlined processing:

(1) The collocation does not increase the overall height and width of the tower or wireless support structure to which the wireless facilities are to be attached.

(2) The collocation does not increase the ground space area approved in the site plan for equipment enclosures and ancillary facilities.

(3) The wireless facilities in the proposed collocation comply with applicable regulations, restrictions, or conditions, if any, applied to the initial wireless facilities placed on the tower or other wireless support structure.

(4) The additional wireless facilities comply with all federal, state and local safety requirements.

(5) The collocation does not exceed the applicable weight limits for the wireless support structure.

SECTION 3. If any provision of this Act or the application thereof to any person or circumstance is held invalid, such invalidity shall not affect other provisions or applications of the Act which can be given effect without the invalid provision or application, and to that end the provisions of this Act are declared to be severable.

SECTION 4. This act becomes effective December 1, 2007.

SENATE BILL 831:
Wireless Telecommunications Facilities

BILL ANALYSIS

Committee:	Senate Finance	**Date:**	July 17, 2007
Introduced by:	Sen. Hoyle	**Summary by:**	Heather Fennell
Version:	PCS to Second Edition S831-CSTD-30		Committee Counsel

SUMMARY: ***Senate Bill 831 outlines requirements of local government regulation of wireless facilities and wireless support structures and the collocation of wireless facilities. The PCS to Senate Bill 831 makes the following changes to the bill:***

- ***Recodifies the provisions into the land use statues for cities and counties.***
- ***Changes the following fees and procedures for the application process:***

  1) Removes the cap on consultant fees associated with the application process. Consultant fees must now be included in application and permit fees and must be based on the reasonable costs incurred by the local government in the application process.

  2) Eliminates the time limit for initial local government action on an application; changes the time limit for initial local government action on streamlined processing to 45 days.

  3) Extends the time from 30 days to 60 days for regular applications and 45 days for streamlined collocation applications from which an application will be deemed complete unless the local government notifies the applicant of a deficiency in the application.

- ***Now prohibits the construction of wireless facilities that do not have immediate prospect of a tenant.***
- ***The following restrictions on local government regulation of wireless facilities in the 2nd Edition of the bill have been removed:***

  1) Limitations on the surety requirements for removal of abandoned or unused facilities.

  2) Limitation on the duration of permits.

  3) Prohibition on restriction of placement in residential areas.

  5) Limitations on separation requirements between facilities.

  6) Limitations on requirements of emergency power systems.

  7) Limitations on Distributed Antenna Systems requirements.

- ***Changes the effective date of the legislation to December 1, 2007.***

BILL ANALYSIS:

Sec. 1. Creates a new Part, Part 3E of Article 19 of Chapter 160A concerning the municipal regulation of wireless facilities (equipment and network components necessary to provide wireless service) and wireless support structures (new or existing structures designed support wireless facilities).

Sec. 2. Creates a new Part, Part 3B of Article 18 of Chapter 153A concerning county regulation of wireless facilities and wireless support structures.

Both Sections 1 and 2 have the following provisions:

Regulation: Local governments may regulate the siting and modification of wireless facilities and wireless support structures based on considerations of land use, public safety and zoning considerations. These regulations may include aesthetics, landscaping, structural design, setbacks, and State and local building code requirements so long as the regulations are consistent with federal law. For the purposes of this Part, "public safety" may not include requirements relating to radio frequency emissions of wireless facilities. Any person that proposes to construct or modify a wireless facility or wireless support structure must comply with local ordinances concerning land use and applicable permitting processes.

Application: Applications may include information on applicable public safety, land use or zoning regulations. Applications may also require applicants for new facilities to evaluate the reasonable feasibility of collocation of facilities, but collation is not reasonably feasible if contractual, economic, or engineering impediments prevent collocation. Information concerning an applicants business decisions regarding service, customer demand, or quality of service may not be reviewed or required in the application process.

Applications are deemed complete if the local government fails to notify applicants of deficiencies in an application in 60 days. For applications eligible for streamlined process, the time is 45 days.

Local governments are required to provide a written decision within 45 days of submission for applications eligible for streamlined processing.

Local governments may charge application fees and consulting fees for the review of applications. Fees must be based on the costs incurred by the local government in the application process. Any charges or fees in relation to consultant services must be fixed in advance and included in the permit or application fee.

Building permits for new wireless facilities or wireless support structures may be denied if the facility does not have an immediate prospect of a tenant. However, building permits may not be denied based on the identity of the prospective tenant.

Local governments may not require wireless facilities or wireless support structures to be placed on government owned or leased property, but may encourage the siting of facilities on government owned or leased property.

Collocation: Collocation is the installation of new wireless facilities on previously-approved structures. Applications for collocation that meet the requirements of this section are eligible for streamlined processing and are reviewed for conformance with applicable site plans and building permits but are not subject to zoning requirements or public hearing review.

Collocation applications for wireless facilities are eligible for streamlined processing if the addition of the additional wireless facility does not exceed the number of wireless facilities previously approved for the wireless support structure on which the collocation is proposed. This provision applies to wireless support structures which are approved on or after December 1, 2007.

Collocation applications are also eligible for streamlined processing if the application meets all of the following requirements:

(1) The collocation does not increase the overall height and width of the tower or wireless support structure to which the wireless facilities are to be attached.
(2) The collocation does not increase the ground space area approved in the site plan for equipment enclosures and ancillary facilities.

(3) The wireless facilities in the proposed collocation comply with applicable regulations, restrictions, or conditions, if any, applied to the initial wireless facilities placed on the tower or other wireless support structure.
(4) The additional wireless facilities comply with all federal, state and local safety requirements.
(5) The collocation does not exceed the applicable weight limits for the wireless support structure.

EFFECTIVE DATE: When it becomes law.

BILL SUMMARY: Changes the Department of Transportation outdoor advertising selective vegetation removal policy to authorize a five hundred foot removal zone, as recommended by the Joint Legislative Transportation Oversight Committee. (Identical to H 49)

The proposed committee substitute makes the following changes to the 1st edition of the bill:

- Amends GS 136-18.7 to increase the fee for a selective vegetation removal permit issued pursuant to GS 136-18(5), (7), and (9) from $200 to $300. Makes the fee nonrefundable.
- Amends GS 136-93 by adding new subsection (b) to provide for fines in addition to any penalty imposed by the court ranging from $2,000 to a maximum of $30,000 for trimming or removing a tree in violation of the statute.

- Amends GS 136-129 (limitations of outdoor advertising devices) to provide guidelines regarding spacing of legally erected advertising structures, fees for those structures, designation by the Department of Transportation (DOT) of a portion of the fees for restoration funds, and limitations on fees or charges for restoration or compensatory replacement of vegetation.
- Modifies proposed new GS 136-133.1 (outdoor advertising selective vegetation removal) to provide guidelines as to vegetation permitted to be removed from the maximum removal area determined by applying metes and bounds described in GS 136-133.1. Also modifies the distances used to determine the maximum removal area. Additionally provides guidelines governing the removal of vegetation and violations that may result in the temporary or permanent revocation of an advertising permit. Directs that the issuance of permits to remove vegetation are available at the sole discretion of DOT only for locations that have been permitted for at least two years and provides that a party who loses an appeal of an outdoor advertising permit revocation has to forfeit all revenue generated by the outdoor advertising from the date of the revocation to the date of the court decision or settlement to DOT.
- Changes the title of the bill.

ASSUMPTIONS AND METHODOLOGY:

General

In effect, the addition of proposed G.S. 136-133.1, which delineates the maximum area and parameters for vegetation removal with regard to outdoor advertising, creates a new offense for violation of Article 11, Chapter 136. Current G.S. 136-135 provides that it is unlawful for anyone to place, erect, or "maintain" outdoor advertising along the interstate system or primary system in violation of Article 11 or rules adopted by the Department of Transportation. Therefore, *the removal of vegetation outside the boundaries prescribed by S.B. 150 would constitute "maintenance" of advertising in violation of Article 11, a Class 1 misdemeanor offense under G.S. 136-135.*

Because this proposed offense is new, there is no historical data from which to estimate the potential frequency of violation, or resultant charges and convictions. Thus, Fiscal Research cannot quantify the impact of this proposal. In addition, the Administrative Office of the Courts presently does not maintain an offense code for G.S. 136-135, indicating that offenses under this statute are infrequently charged and/or infrequently result in conviction. *Accordingly, given the nature of this offense and existing penalty level, Fiscal Research does not anticipate a significant impact due to this proposed legislation.*

Department of Correction: Division of Prisons

Based on the most recent prison population projections and estimated available bed capacity, *there are no surplus prison beds available over the immediate five-year horizon or beyond.* Therefore, any new felony conviction that results in an active sentence will require an additional prison bed.

Because Class 1 misdemeanants serve their designated terms of incarceration within local jails, any resultant active sentence due to this proposal should not impact the state's prison population.[1] The potential impact on local jail populations is unknown.

In FY 2005-06, 20% of Class 1 misdemeanor convictions resulted in active sentences, with an average estimated time served of 31 days. Accordingly, to the extent that future convictions for the proposed offense were to result in active sentences longer than 30 days, the Department of Correction could incur some additional costs for county reimbursement. However, given the typical length for Class 1 active sentences, Fiscal Research does not anticipate a significant increase in reimbursements due to this proposal.

Department of Correction: Division of Community Corrections

In FY 2005-06, 80% of Class 1 misdemeanor convictions resulted in either intermediate or community punishments, predominantly special, intensive, or general supervision probation. *Thus, if future convictions for the proposed offense were to occur, the Division of Community Corrections (DCC) would likely assume some additional costs for offenders placed under its supervision.* However, it is not known how many offenders would be sentenced to intermediate or community punishments, to which type, or for how long.

Presently, general supervision of intermediate and community offenders by a probation officer costs DCC $1.96 per offender, per day; no cost is assumed for those receiving unsupervised probation, or who are ordered only to pay fines, fees, or restitution. DCC also incurs a daily cost of $0.69 per offender sentenced to the Community Service Work Program. However, the daily cost per offender on intermediate sanction is much higher, ranging from $7.71 to $14.97 depending on the type of sanction. Intensive supervision probation is the most frequently used intermediate sanction, and costs an estimated $14.97 per offender, per day. On average, intensive supervision lasts six-months, with general supervision assumed for a designated period thereafter.

Judicial Branch

There is no readily available data from which to determine the number charges that might occur for violation of G.S. 136-133.1. However, the Administrative Office of the Courts expects that any additional cases resulting from this proposal would increase court-time requirements and workloads for district attorneys, district court judges, clerks, court reporters, and indigent defense counsel. Presently, the estimated cost per Class 1 misdemeanor trial is $3,702; the estimated cost per plea is $243. Actual costs may vary from this general estimate, which includes indigent defense costs.

TECHNICAL CONSIDERATIONS: None

FISCAL RESEARCH DIVISION: (919) 733-4910

---

[1] Active sentences between 1-90 days are served in local jails. The Department of Correction reimburses counties $18 per day for offenders housed longer than 30 days (between 30 and 90). Sentences longer than 90 days are to be served in state prison; however, when bed shortages demand it, the State may lease needed beds from counties.

A BILL TO BE ENTITLED

AN ACT TO CHANGE THE DEPARTMENT OF TRANSPORTATION OUTDOOR ADVERTISING SELECTIVE VEGETATION REMOVAL POLICY.

The General Assembly of North Carolina enacts:

SECTION 1. G.S. 136-18.7 reads as rewritten:

"**§ 136-18.7. Fees.**

The fee for a selective vegetation removal permit issued pursuant to G.S. 136-18(5), (7), and (9) is ~~two hundred dollars ($200.00).~~three hundred dollars ($300.00) per permitted site and is nonrefundable."

SECTION 2. G.S. 136-93 reads as rewritten:

"**§ 136-93. Openings, structures, pipes, trees, and issuance of permits.**

(a) No opening or other interference whatsoever shall be made in any State road or highway other than streets not maintained by the Department of Transportation in cities and towns, nor shall any structure be placed thereon, nor shall any structure which has been placed thereon be changed or removed except in accordance with a written permit from the Department of Transportation or its duly authorized officers, who shall exercise complete and permanent control over such roads and highways. No State road or State highway, other than streets not maintained by the Department of Transportation in cities and towns, shall be dug up for laying or placing pipes, conduits, sewers, wires, railways, or other objects, and no tree or shrub in or on any State road or State highway shall be planted, trimmed, or removed, and no obstruction placed thereon, without a written permit as hereinbefore provided for, and then only in accordance with the regulations of said Department of Transportation or its duly authorized officers or employees; and the work shall be under the supervision and to the satisfaction of the Department of Transportation or its officers or employees, and the entire expense of replacing the highway in as good condition as before shall be paid by the persons, firms,

or corporations to whom the permit is given, or by whom the work is done. The Department of Transportation, or its duly authorized officers, may, in its discretion, before granting a permit under the provisions of this section, require the applicant to file a satisfactory bond, payable to the State of North Carolina, in such an amount as may be deemed sufficient by the Department of Transportation or its duly authorized officers, conditioned upon the proper compliance with the requirements of this section by the person, firm, or corporation granted such permit. Any person making any opening in a State road or State highway, or placing any structure thereon, or changing or removing any structure thereon without obtaining a written permit as herein provided, or not in compliance with the terms of such permit, or otherwise violating the provisions of this section, shall be guilty of a Class 1 misdemeanor: Provided, this section shall not apply to railroad crossings. The railroads shall keep up said crossings as now provided by law.

(b) A person who violates this section by trimming or removing a tree shall, in addition to any other penalty imposed by the court, pay a fine of two thousand dollars ($2,000) per tree, and a maximum fine of thirty thousand dollars ($30,000). As applicable to this subsection, a tree is defined as a tree with a trunk diameter of four inches or greater, as measured six inches from the ground."

SECTION 3. G.S. 136-129 reads as rewritten:

"**§ 136-129. Limitations of outdoor advertising devices.**

(a) No outdoor advertising shall be erected or maintained within 660 feet of the nearest edge of the right-of-way of the interstate or primary highway systems in this State so as to be visible from the main-traveled way thereof after the effective date of this Article as determined by G.S. 136-140, except the following:

(1) Directional and other official signs and notices, which signs and notices shall include those authorized and permitted by Chapter 136 of the General Statutes, which include but are not limited to official signs and notices pertaining to natural wonders, scenic and historic attractions and signs erected and maintained by a public utility, electric or telephone membership corporation, or municipality for the purpose of giving warning of or information as to the location of an underground cable, pipeline or other installation.

(2) Outdoor advertising which advertises the sale or lease of property upon which it is located.

(2a) Outdoor advertising which advertises the sale of any fruit or vegetable crop by the grower at a roadside stand or by having the purchaser pick the crop on the property on which the crop is grown provided: (i) the sign is no more than two feet long on any side; (ii) the sign is located on property owned or leased by the grower where the crop is grown; (iii) the grower is also the seller; and (iv) the sign is kept in place by the grower for no more than 30 days.

(3) Outdoor advertising which advertises activities conducted on the property upon which it is located.

(4) Outdoor advertising, in conformity with the rules and regulations promulgated by the Department of Transportation, located in areas which are zoned industrial or commercial under authority of State law.

(5) Outdoor advertising, in conformity with the rules and regulations promulgated by the Department of Transportation, located in unzoned commercial or industrial areas.

(b) On controlled routes with fully controlled access no two legally erected outdoor advertising structures shall be spaced less than 500 feet apart. On controlled routes without fully controlled access outside of incorporated municipalities no two structures shall be spaced less than 500 feet apart.

(c) The fee for outdoor advertising structures specified in subdivisions (a)(4) and (a)(5) of this section shall not exceed one hundred fifty dollars ($150.00) for the initial fee and ninety dollars ($90.00) for the annual renewal fee.

(d) The Department of Transportation shall designate thirty dollars ($30.00) of each initial and annual renewal fee for restoration funds for compensatory replacement of vegetation removed within the highway rights-of-way for opening views to legally erected forms of outdoor advertising that is located adjacent to State highway rights-of-way. The Department shall use the restoration funds received for removal of vegetation under this subsection for replacement planting along the highway rights-of-way.

(e) Except as authorized under subsection (d) of this section, no other fees or charges shall apply for restoration or compensatory replacement of vegetation permitted to be removed under G.S. 136-133.1 within the highway rights-of-way for opening views to legally erected forms of outdoor advertising structures that are located adjacent to highway rights-of-way."

SECTION 4. Chapter 136 of the General Statutes is amended by adding a new section to read:

"**§ 136-133.1. Outdoor advertising selective vegetation removal.**

(a) The maximum removal area for vegetation for each sign face shall be determined as follows:

(1) The point located on the edge of the right-of-way that is the closest point to the centerline of the sign face shall be point A.

(2) The point located 150 feet down the right-of-way line in the direction of the sign viewing zone shall be point B.

(3) The point on the edge of the pavement of the travel way that is the closest to the centerline of the sign shall be point C.

(4) The point 50 feet down the edge of the pavement in the direction of the sign viewing zone from point C shall be point D.

(5) The point 375 feet down the edge of pavement in the direction of the sign viewing zone from point C shall be point E.

(6) Lines drawn from point A to point D and from point B to point E shall define the limits of the vegetation removal area.

(b) Vegetation permitted to be removed shall be defined as any tree, shrub, or plant growing within the ABED removal zone that blocks or will be blocking the sign

face of the outdoor advertising. Any tree that was in existence before an outdoor advertising structure was erected shall not be eligible for removal. As applicable to this subsection, a tree is defined as a tree with a diameter of four inches or greater, as measured six inches from the ground.

(c) No person shall cut, trim, or otherwise cause to be removed vegetation that is in front of or adjacent to outdoor advertising and also within the limits of highway rights-of-way for the purpose of enhancing the visibility of outdoor advertising unless permitted to do so by the Department of Transportation.

(d) Permits to remove vegetation may be granted only for outdoor advertising locations that have been permitted at least two years and then only at the sole discretion of the Department of Transportation.

(e) If a person or company who is legally responsible for the outdoor advertising structure removes or causes to be removed vegetation that is in front of or adjacent to an outdoor advertising sign and also within a highway right-of-way without a permit and the removal has the effect of enhancing the visibility of the outdoor advertising, the outdoor advertising is illegal and shall be removed from the sign structure at that person's or company's expense.

(f) If a person or company who is legally responsible for the outdoor advertising structure is convicted of violating subsection (c) of this section, the person or company shall not be eligible for an outdoor advertising permit or selective vegetation permit at the specific location of the violation for the period of time indicated by subdivisions (1), (2), and (3) of this subsection:

(1) For a first violation: one year.

(2) For a second violation: five years.

(3) For a third violation: ineligibility is permanent.

(g) Any person or company who is convicted of violating subsection (b) or (c) of this section shall reimburse the Department of Transportation for cleaning or replanting at the site of the violation. Until the expenses are reimbursed, the person or company shall not be issued a permit for outdoor advertising or selective vegetation removal at the specific location of the violation.

(h) Any person or company who is legally responsible for an outdoor advertising structure that appeals an outdoor advertising permit revocation to a court and loses the appeal or settles prior to the hearing of the case shall forfeit to the Department of Transportation all revenues generated by the outdoor advertising from the date of revocation to the date of the court decision or settlement."

SECTION 5. This act becomes effective December 1, 2007, and applies to permits applied for on or after that date and offenses that occur on or after that date.

SENATE BILL 150:
Outdoor Adv. Vegetation Removal Changes

BILL ANALYSIS

Committee:	Senate Finance	**Date:**	July 18, 2007
Introduced by:	Sen. Jenkins	**Summary by:**	Trina Griffin
Version:	PCS to Second Edition S150-CSSV		Committee Counsel

SUMMARY: ***Senate Bill 150 would make the following changes to the Department of Transportation's outdoor advertising and selective vegetation removal policies:***

- ***Increases permit fee from $200 to $300 for outdoor advertising and vegetation removal.***
- ***Increases penalties for removing vegetation without a permit or in violation of restrictions.***
- ***Provides limits on spacing of outdoor advertising structures.***
- ***Provides for a portion of the outdoor advertising permit fee to be used for replacement planting on highway rights-of way.***
- ***Increases the vegetation removal zone for outdoor advertising.***
- ***Specifically prohibits removal of vegetation without a permit from the Department.***
- ***Allows vegetation removal permits only for outdoor advertising locations that have been permitted for at least two years.***
- ***Provides that if an outdoor advertising permit is revoked, and the responsible person appeals the revocation to a court but ultimately loses or settles, the person shall forfeit to the Department any revenue generated by the advertising from the date of revocation to the date of the court decision or settlement.***

The Proposed Committee Substitute changes the effective date.

BILL ANALYSIS: The North Carolina General Statutes generally authorize the Department of Transportation to regulate outdoor advertising and the removal of vegetation on State highway rights-of way. The Department has adopted rules that provide for permitting of these activities. Senate Bill 150 would amend the General Statutes to change the Department's policies on outdoor advertising and vegetation removal in the following ways:

Permit fee for vegetation removal. Section 1 would increase the permit fee for vegetation removal from $200 to $300.

Penalty for removing trees without permit. Section 2 would provide for a mandatory monetary penalty for trimming or removing trees on State highways without a permit. G.S. 136-93 prohibits trimming or removing trees without a permit and makes it a Class 1 misdemeanor to violate the provision. A Class 1 misdemeanor is punishable by up to 120 days and a fine in the discretion of the court. The bill would provide for a mandatory fine of $2000 per tree, with a maximum fine of $30,000.

Spacing of outdoor advertising structures. Section 3 would provide that outdoor advertising structures may not be spaced less than 500 feet apart on controlled routes with fully controlled access or controlled routes without fully controlled access outside incorporated municipalities. Currently, the rules prohibit structures less than 500 feet apart on controlled routes with fully controlled access and less than 300 feet apart on controlled routes without fully controlled access outside incorporated municipalities.

Permit fee for outdoor advertising. Section 3 would also increase the initial fee for outdoor advertising structures to $150 and the renewal fee to $90, with $30 of each going to restoration funds to be used for replacement planting on highway rights-of way. Additional fees for restoration would be prohibited. Currently, the rules provide for an initial fee of $120 and a renewal fee of $60.

Vegetation removal zone. Section 4 would increase the selective vegetation removal zone for outdoor advertising from 250 feet to 375 feet. The current rule allows for a removal zone that is 250 feet out at its farthest point from the face of a legally erected billboard. The outdoor advertising industry has asked to increase the zone to 500 feet, but the Department has not amended its policy. It also increases the removal zone at its farthest point from the face of the billboard from 250 feet to 375 feet.

Vegetation removal permit. Section 4 would also specifically prohibit removal of vegetation for the purpose of enhancing the visibility of outdoor advertising without a permit from the Department. Violation would be a Class 1 misdemeanor. It would also allow vegetation removal permits only for outdoor advertising locations that have been permitted for at least two years and then only at the discretion of the Department.

Additional penalties for violations. Section 4 would provide the following additional penalties for removing vegetation in violation of the provisions of this act:

- Removing vegetation without a permit, which has the effect of enhancing the visibility of the advertising – advertising would be considered illegal and responsible person would have to remove the advertising at that person's expense.
- Removing vegetation without a permit – person convicted would not be eligible for an outdoor advertising or vegetation removal permit at the location of the violation for one year for first violation, five years for second violation, and permanently for third violation.
- Removing vegetation without a permit or removing trees that are not eligible to be removed – person convicted would be required to reimburse the Department for cleaning and replanting at the site.

Forfeiture of revenue generated by unauthorized advertising. Section 4 would also provide that, if an outdoor advertising permit is revoked, and the responsible person appeals the revocation to a court but ultimately loses or settles, the person shall forfeit to the Department any revenue generated by the advertising from the date of revocation to the date of the court decision or settlement.

EFFECTIVE DATE: The act would become effective December 1, 2007, and apply to permits issued on or after or offenses committed on or after that date.

Wendy Ray, counsel to Senate Commerce, substantially contributed to this summary.

BILL SUMMARY: Changes the Department of Transportation outdoor advertising selective vegetation removal policy to authorize a five hundred foot removal zone, as recommended by the Joint Legislative Transportation Oversight Committee. (Identical to H 49)

The proposed committee substitute makes the following changes to the 1st edition of the bill:

- Amends GS 136-18.7 to increase the fee for a selective vegetation removal permit issued pursuant to GS 136-18(5), (7), and (9) from $200 to $300. Makes the fee nonrefundable.
- Amends GS 136-93 by adding new subsection (b) to provide for fines in addition to any penalty imposed by the court ranging from $2,000 to a maximum of $30,000 for trimming or removing a tree in violation of the statute.

- Amends GS 136-129 (limitations of outdoor advertising devices) to provide guidelines regarding spacing of legally erected advertising structures, fees for those structures, designation by the Department of Transportation (DOT) of a portion of the fees for restoration funds, and limitations on fees or charges for restoration or compensatory replacement of vegetation.
- Modifies proposed new GS 136-133.1 (outdoor advertising selective vegetation removal) to provide guidelines as to vegetation permitted to be removed from the maximum removal area determined by applying metes and bounds described in GS 136-133.1. Also modifies the distances used to determine the maximum removal area. Additionally provides guidelines governing the removal of vegetation and violations that may result in the temporary or permanent revocation of an advertising permit. Directs that the issuance of permits to remove vegetation are available at the sole discretion of DOT only for locations that have been permitted for at least two years and provides that a party who loses an appeal of an outdoor advertising permit revocation has to forfeit all revenue generated by the outdoor advertising from the date of the revocation to the date of the court decision or settlement to DOT.
- Changes the title of the bill.

ASSUMPTIONS AND METHODOLOGY:

General

In effect, the addition of proposed G.S. 136-133.1, which delineates the maximum area and parameters for vegetation removal with regard to outdoor advertising, creates a new offense for violation of Article 11, Chapter 136. Current G.S. 136-135 provides that it is unlawful for anyone to place, erect, or "maintain" outdoor advertising along the interstate system or primary system in violation of Article 11 or rules adopted by the Department of Transportation. Therefore, *the removal of vegetation outside the boundaries prescribed by S.B. 150 would constitute "maintenance" of advertising in violation of Article 11, a Class 1 misdemeanor offense under G.S. 136-135.*

Because this proposed offense is new, there is no historical data from which to estimate the potential frequency of violation, or resultant charges and convictions. Thus, Fiscal Research cannot quantify the impact of this proposal. In addition, the Administrative Office of the Courts presently does not maintain an offense code for G.S. 136-135, indicating that offenses under this statute are infrequently charged and/or infrequently result in conviction. *Accordingly, given the nature of this offense and existing penalty level, Fiscal Research does not anticipate a significant impact due to this proposed legislation.*

Department of Correction: Division of Prisons

Based on the most recent prison population projections and estimated available bed capacity, *there are no surplus prison beds available over the immediate five-year horizon or beyond.* Therefore, any new felony conviction that results in an active sentence will require an additional prison bed.

Because Class 1 misdemeanants serve their designated terms of incarceration within local jails, any resultant active sentence due to this proposal should not impact the state's prison population.[1] The potential impact on local jail populations is unknown.

In FY 2005-06, 20% of Class 1 misdemeanor convictions resulted in active sentences, with an average estimated time served of 31 days. Accordingly, to the extent that future convictions for the proposed offense were to result in active sentences longer than 30 days, the Department of Correction could incur some additional costs for county reimbursement. However, given the typical length for Class 1 active sentences, Fiscal Research does not anticipate a significant increase in reimbursements due to this proposal.

Department of Correction: Division of Community Corrections

In FY 2005-06, 80% of Class 1 misdemeanor convictions resulted in either intermediate or community punishments, predominantly special, intensive, or general supervision probation. *Thus, if future convictions for the proposed offense were to occur, the Division of Community Corrections (DCC) would likely assume some additional costs for offenders placed under its supervision.* However, it is not known how many offenders would be sentenced to intermediate or community punishments, to which type, or for how long.

Presently, general supervision of intermediate and community offenders by a probation officer costs DCC $1.96 per offender, per day; no cost is assumed for those receiving unsupervised probation, or who are ordered only to pay fines, fees, or restitution. DCC also incurs a daily cost of $0.69 per offender sentenced to the Community Service Work Program. However, the daily cost per offender on intermediate sanction is much higher, ranging from $7.71 to $14.97 depending on the type of sanction. Intensive supervision probation is the most frequently used intermediate sanction, and costs an estimated $14.97 per offender, per day. On average, intensive supervision lasts six-months, with general supervision assumed for a designated period thereafter.

Judicial Branch

There is no readily available data from which to determine the number charges that might occur for violation of G.S. 136-133.1. However, the Administrative Office of the Courts expects that any additional cases resulting from this proposal would increase court-time requirements and workloads for district attorneys, district court judges, clerks, court reporters, and indigent defense counsel. Presently, the estimated cost per Class 1 misdemeanor trial is $3,702; the estimated cost per plea is $243. Actual costs may vary from this general estimate, which includes indigent defense costs.

SOURCES OF DATA: Department of Correction; Judicial Branch; North Carolina Sentencing and Policy Advisory Commission.

TECHNICAL CONSIDERATIONS: None

FISCAL RESEARCH DIVISION: (919) 733-4910

[1] Active sentences between 1-90 days are served in local jails. The Department of Correction reimburses counties $18 per day for offenders housed longer than 30 days (between 30 and 90). Sentences longer than 90 days are to be served in state prison; however, when bed shortages demand it, the State may lease needed beds from counties.

GENERAL ASSEMBLY OF NORTH CAROLINA

SESSION 2007

S 2

SENATE BILL 1492

Agriculture/Environment and Natural Resources Committee Substitute Adopted 7/23/07

Short Title: Solid Waste Management Act of 2007. (Public)

Sponsors:

Referred to:

March 27, 2007

A BILL TO BE ENTITLED

AN ACT TO: (1) CLARIFY THE CIRCUMSTANCES UNDER WHICH AN APPLICATION FOR A SOLID WASTE MANAGEMENT PERMIT MAY BE DENIED; (2) PROVIDE THAT SOLID WASTE MANAGEMENT PERMITS ARE NOT TRANSFERABLE; (3) INCREASE THE PENALTIES THAT MAY BE IMPOSED FOR SOLID WASTE VIOLATIONS; (4) REQUIRE THAT AN APPLICANT FOR A PERMIT AND A PERMIT HOLDER ESTABLISH FINANCIAL RESPONSIBILITY TO ENSURE THE AVAILABILITY OF SUFFICIENT FUNDS FOR PROPER DESIGN, CONSTRUCTION, OPERATION, MAINTENANCE, CLOSURE, AND POST-CLOSURE MONITORING AND MAINTENANCE OF A SOLID WASTE MANAGEMENT FACILITY; (5) REQUIRE THAT AN OWNER OR OPERATOR OF A SANITARY LANDFILL ESTABLISH FINANCIAL ASSURANCE SUFFICIENT TO COVER A MINIMUM OF THREE MILLION DOLLARS IN COSTS FOR POTENTIAL ASSESSMENT AND CORRECTIVE ACTION AT THE FACILITY, IN ADDITION TO OTHER FINANCIAL RESPONSIBILITY REQUIREMENTS; (6) CLARIFY AND EXPAND THE SCOPE OF ENVIRONMENTAL COMPLIANCE REVIEW REQUIREMENTS; (7) CLARIFY THAT A PARENT, SUBSIDIARY, OR OTHER AFFILIATE OF THE APPLICANT OR PARENT, INCLUDING ANY BUSINESS ENTITY OR JOINT VENTURER WITH A DIRECT OR INDIRECT INTEREST IN THE APPLICANT IS SUBJECT TO FINANCIAL RESPONSIBILITY AND ENVIRONMENTAL COMPLIANCE REVIEW; (8) PROVIDE FOR SITING OF COMBUSTION PRODUCTS LANDFILLS IN AREAS THAT HAVE BEEN FORMERLY USED FOR THE STORAGE OR DISPOSAL OF COMBUSTION PRODUCTS FROM COAL-FIRED GENERATING UNITS AT THE SAME FACILITY THAT GENERATED THE COMBUSTION PRODUCTS, AND TECHNICAL REQUIREMENTS FOR THESE LANDFILLS; (9) SPECIFY ADDITIONAL TECHNICAL

REQUIREMENTS FOR SOLID WASTE MANAGEMENT FACILITIES; (10) REQUIRE THAT ALL APPLICANTS FOR PERMITS FOR SANITARY LANDFILLS CONDUCT AN ENVIRONMENTAL IMPACT STUDY; (11) REQUIRE THAT CERTAIN APPLICANTS FOR SOLID WASTE MANAGEMENT FACILITY PERMITS CONDUCT A TRAFFIC STUDY; (12) CLARIFY THE CIRCUMSTANCES UNDER WHICH A UNIT OF LOCAL GOVERNMENT MAY COLLECT A SOLID WASTE AVAILABILITY FEE; (13) AUTHORIZE UNITS OF LOCAL GOVERNMENT TO HIRE LANDFILL LIAISONS; (14) ESTABLISH FEES APPLICABLE TO PERMITS FOR SOLID WASTE MANAGEMENT FACILITIES TO SUPPORT THE SOLID WASTE MANAGEMENT PROGRAM; (15) ESTABLISH A SOLID WASTE DISPOSAL TAX TO BE IMPOSED ON THE DISPOSAL OF MUNICIPAL SOLID WASTE IN LANDFILLS IN THE STATE AND ON THE TRANSFER OF MUNICIPAL SOLID WASTE FOR DISPOSAL OUTSIDE THE STATE IN ORDER TO PROVIDE FUNDS FOR THE ASSESSMENT AND REMEDIATION OF PRE-1983 LANDFILLS AND FOR OTHER PURPOSES; (16) ESTABLISH A COMPUTER EQUIPMENT MANAGEMENT PROGRAM; (17) DIRECT THE DEPARTMENT OF ENVIRONMENT AND NATURAL RESOURCES TO DEVELOP A PROPOSED RECYCLING PROGRAM FOR FLUORESCENT LAMPS; (18) DIRECT THE ENVIRONMENT REVIEW COMMISSION TO STUDY ISSUES RELATED TO THE FRANCHISE OF SOLID WASTE MANAGEMENT FACILITIES BY UNITS OF LOCAL GOVERNMENT AND THE TRANSPORTATION OF SOLID WASTE BY RAIL AND BARGE; AND (19) MAKE RELATED CLARIFYING, CONFORMING, AND TECHNICAL CHANGES.

The General Assembly of North Carolina enacts:

SECTION 1.(a) G.S. 130A-294, as amended by S.L. 2007-107, reads as rewritten:

"**§ 130A-294. Solid waste management program.**

(a) The Department is authorized and directed to engage in research, conduct investigations and surveys, make inspections and establish a statewide solid waste management program. In establishing a program, the Department shall have authority to:

(1) Develop a comprehensive program for implementation of safe and sanitary practices for management of solid waste;

(2) Advise, consult, cooperate and contract with other State agencies, units of local government, the federal government, industries and individuals in the formulation and carrying out of a solid waste management program;

(3) Develop and adopt rules to establish standards for qualification as a "recycling, reduction or resource recovering facility" or as "recycling, reduction or resource recovering equipment" for the purpose of special tax classifications or treatment, and to certify as qualifying those applicants which meet the established standards. The standards shall

be developed to qualify only those facilities and equipment exclusively used in the actual waste recycling, reduction or resource recovering process and shall exclude any incidental or supportive facilities and equipment;

(4) a. Develop a permit system governing the establishment and operation of solid waste management facilities. A landfill with a disposal area of 1/2 acre or less for the on-site disposal of land clearing and inert debris is exempt from the permit requirement of this section and shall be governed by G.S. 130A-301.1. The Department shall not approve an application for a new permit, the renewal of a permit, or a substantial amendment to a permit for a sanitary landfill, excluding demolition landfills as defined in the rules of the Commission, except as provided in subdivisions (3) and (4) of subsection (b1) of this section. No permit shall be granted for a solid waste management facility having discharges that are point sources until the Department has referred the complete plans and specifications to the Environmental Management Commission and has received advice in writing that the plans and specifications are approved in accordance with the provisions of G.S. 143-215.1. If the applicant is a unit of local government, and has not submitted a solid waste management plan that has been approved by the Department pursuant to G.S. 130A-309.09A(b), the Department may deny a permit for a sanitary landfill or a facility that disposes of solid waste by incineration, unless the Commission has not adopted rules pursuant to G.S. 130A-309.29 for local solid waste management plans. In any case where the Department denies a permit for a solid waste management facility, it shall state in writing the reason for denial and shall also state its estimate of the changes in the applicant's proposed activities or plans that will be required for the applicant to obtain a permit.

~~b. The issuance of permits for sanitary landfills operated by local governments is exempt from the environmental impact statements required by Article 1 of Chapter 113A of the General Statutes, entitled the North Carolina Environmental Policy Act of 1971. All sanitary landfill permits issued to local governments prior to July 1, 1984, are hereby validated notwithstanding any failure to provide environmental impact statements pursuant to the North Carolina Environmental Policy Act of 1971;~~

c. The Department shall deny an application for a permit for a solid waste management facility if the Department finds that:

1. Construction or operation of the proposed facility would be inconsistent with or violate rules adopted by the Commission.
2. Construction or operation of the proposed facility would result in a violation of water quality standards adopted by the Environmental Management Commission pursuant to G.S. 143-214.1 for waters, as defined in G.S. 143-213.
3. Construction or operation of the facility would result in significant damage to ecological systems, natural resources, cultural sites, recreation areas, or historic sites of more than local significance. These areas include, but are not limited to, national or State parks or forests; wilderness areas; historic sites; recreation areas; segments of the natural and scenic rivers system; wildlife refuges, preserves and management areas; areas that provide habitat for threatened or endangered species; primary nursery areas and critical fisheries habitat designated by the Marine Fisheries Commission; and Outstanding Resource Waters designated by the Environmental Management Commission.
4. Construction or operation of the proposed facility would substantially limit or threaten access to or use of public trust waters or public lands.
5. The proposed facility would be located in a natural hazard area, including a floodplain, a landslide hazard area, or an area subject to storm surge or excessive seismic activity, such that the facility will present a risk to public health or safety.
6. There is a practical alternative that would accomplish the purposes of the proposed facility with less adverse impact on public resources, considering engineering requirements and economic costs.
7. The cumulative impacts of the proposed facility and other facilities in the area of the proposed facility would violate the criteria set forth in sub-sub-subdivisions 2. through 5. of this sub-subdivision.
8. Construction or operation of the proposed facility would be inconsistent with the State solid waste management policy and goals as set out in G.S. 130A-309.04 and with the State solid waste management plan developed as provided in G.S. 130A-309.07.
9. The cumulative impact of the proposed facility, when considered in relation to other similar impacts of

facilities located or proposed in the community, would have a disproportionate adverse impact on a minority or low-income community protected by Title VI of the federal Civil Rights Act of 1964.

~~(4a) No permit shall be granted for any public or private sanitary landfill to receive solid non-radioactive waste generated outside the boundaries of North Carolina to be deposited, unless such waste has previously been inspected by the solid waste regulatory agency of that nation, state or territory, characterized in detail as to its contents and certified by that agency to be non-injurious to health and safety. The Commission shall adopt rules to implement this subsection.~~

(5) Repealed by Session Laws 1983, c. 795, s. 3.

(5a) Designate a geographic area within which the collection, transportation, storage and disposal of all solid waste generated within said area shall be accomplished in accordance with a solid waste management plan. Such designation may be made only after the Department has received a request from the unit or units of local government having jurisdiction within said geographic area that such designation be made and after receipt by the Department of a solid waste management plan which shall include:

a. The existing and projected population for such area;
b. The quantities of solid waste generated and estimated to be generated in such area;
c. The availability of sanitary landfill sites and the environmental impact of continued landfill of solid waste on surface and subsurface waters;
d. The method of solid waste disposal to be utilized and the energy or material which shall be recovered from the waste; and
e. Such other data that the Department may reasonably require.

(5b) Authorize units of local government to require by ordinance, that all solid waste generated within the designated geographic area that is placed in the waste stream for disposal be collected, transported, stored and disposed of at a permitted solid waste management facility or facilities serving such area. The provisions of such ordinance shall not be construed to prohibit the source separation of materials from solid waste prior to collection of such solid waste for disposal, or prohibit collectors of solid waste from recycling materials or limit access to such materials as an incident to collection of such solid waste; provided such prohibitions do not authorize the construction and operation of a resource recovery facility unless specifically permitted pursuant to an approved solid waste management plan. If a private solid waste landfill shall be substantially affected by such ordinance then the unit of local government adopting the ordinance shall be

required to give the operator of the affected landfill at least two years written notice prior to the effective date of the proposed ordinance.

(5c) Except for the authority to designate a geographic area to be serviced by a solid waste management facility, delegate authority and responsibility to units of local government to perform all or a portion of a solid waste management program within the jurisdictional area of the unit of local government; provided that no authority over or control of the operations or properties of one local government shall be delegated to any other local government.

(5d) Require that an annual report of the implementation of the solid waste management plan within the designated geographic area be filed with the Department.

(6) ~~The Department is authorized to charge~~ Charge and collect fees from operators of hazardous waste disposal facilities. The fees shall be used to establish a fund sufficient for each individual facility to defray the anticipated costs to the State for monitoring and care of the facility after the termination of the period during which the facility operator is required by applicable State and federal statutes, regulations or rules to remain responsible for post-closure monitoring and care. In establishing the fees, consideration shall be given to the size of the facility, the nature of the hazardous waste and the projected life of the facility.

(7) Establish and collect annual fees from generators and transporters of hazardous waste, and from storage, treatment, and disposal facilities regulated under this Article as provided in G.S. 130A-294.1.

(a1) A permit for a solid waste management facility is not transferable.

(b) The Commission shall adopt and the Department shall enforce rules to implement a comprehensive statewide solid waste management program. The rules shall be consistent with applicable State and federal law; and shall be designed to protect the public health, safety, and welfare; preserve the environment; and provide for the greatest possible conservation of cultural and natural resources. Rules for the establishment, location, operation, maintenance, use, discontinuance, recordation, post-closure care of solid waste management facilities also shall be based upon recognized public health practices and procedures, including applicable epidemiological research and studies; hydrogeological research and studies; sanitary engineering research and studies; and current technological development in equipment and methods. The rules shall not apply to the management of solid waste that is generated by an individual or individual family or household unit on the individual's property and is disposed of on the individual's property.

~~(b0) The Commission shall adopt rules for financial responsibility to ensure the availability of sufficient funds for closure and post-closure maintenance and monitoring at solid waste management facilities, and for any corrective action the Department may require during the active life of a facility or during the closure and post-closure periods. The rules may permit demonstration of financial responsibility through the use of a~~

~~letter of credit, insurance, surety, trust agreement, financial test, or guarantee by corporate parents or third parties who can pass the financial test. The rules shall require that an owner or operator of a privately owned solid waste management facility demonstrate financial responsibility by a method or combinations of methods that will ensure that sufficient funds for closure, post-closure maintenance and monitoring, and any corrective action that the Department may require will be available during the active life of the facility, at closure, and for a period of not less than 30 years after closure even if the owner or operator becomes insolvent or ceases to reside, be incorporated, do business, or maintain assets in the State.~~

(b1) (1) For purposes of this subsection and subdivision (4) of subsection (a) of this section, a "substantial amendment" means either:

a. An increase of ten percent (10%) or more in:

1. The population of the geographic area to be served by the sanitary landfill;
2. The quantity of solid waste to be disposed of in the sanitary landfill; or
3. The geographic area to be served by the sanitary landfill.

b. A change in the categories of solid waste to be disposed of in the sanitary landfill or any other change to the application for a permit or to the permit for a sanitary landfill that the Commission or the Department determines to be substantial.

(2) A person who intends to apply for a new permit, the renewal of a permit, or a substantial amendment to a permit for a sanitary landfill shall obtain, prior to applying for a permit, a franchise for the operation of the sanitary landfill from each local government having jurisdiction over any part of the land on which the sanitary landfill and its appurtenances are located or to be located. A local government may adopt a franchise ordinance under G.S. 153A-136 or G.S. 160A-319. A franchise granted for a sanitary landfill shall include all of the following:

a. A statement of the population to be served, including a description of the geographic area.

b. A description of the volume and characteristics of the waste stream.

c. A projection of the useful life of the sanitary landfill.

d. An explanation of how the franchise will be consistent with the jurisdiction's solid waste management plan required under G.S. 130A-309.09A, including provisions for waste reduction, reuse, and recycling.

e. The procedures to be followed for governmental oversight and regulation of the fees and rates to be charged by facilities subject to the franchise for waste generated in the jurisdiction of the franchising entity.

f. A facility plan for the sanitary landfill that shall include the ~~exact~~ boundaries of the proposed facility, proposed development of the facility site in five-year operational phases, the boundaries of all waste disposal units, final elevations and capacity of all waste disposal units, the amount of waste to be received per day in tons, the total waste disposal capacity of the sanitary landfill in tons, a description of environmental controls, and a description of any other waste management activities to be conducted at the facility. In addition, the facility plan shall show the proposed location of soil borrow areas, leachate facilities, and all other facilities and infrastructure, including ingress and egress to the facility.

(2a) A local government may elect to award a preliminary franchise. If a local government elects to award a preliminary franchise, the preliminary franchise shall contain, at a minimum, all of the information described in sub-subdivisions a. through e. of subdivision (2) of this subsection plus a general description of the proposed sanitary landfill, including the approximate number of acres required for the proposed sanitary landfill and its appurtenances and a description of any other solid waste management activities that are to be conducted at the site.

(3) Prior to the award of a franchise for the construction or operation of a sanitary landfill, the board of commissioners of the county or counties in which the sanitary landfill is proposed to be located or is located or, if the sanitary landfill is proposed to be located or is located in a city, the governing board of the city shall conduct a public hearing. The board of commissioners of the county or counties in which the sanitary landfill is proposed to be located or is located or, if the sanitary landfill is proposed to be located or is located in a city, the governing board of the city shall provide at least 30 days' notice to the public of the public hearing. The notice shall include a summary of all the information required to be included in the franchise, and shall specify the procedure to be followed at the public hearing. The applicant for the franchise shall provide a copy of the application for the franchise that includes all of the information required to be included in the franchise, to the public library closest to the proposed sanitary landfill site to be made available for inspection and copying by the public.

(4) An applicant for a new permit, the renewal of a permit, or a substantial amendment to a permit for a sanitary landfill shall request each local government having jurisdiction over any part of the land on which the sanitary landfill and its appurtenances are located or to be located to issue a determination as to whether the local government has in effect a franchise, zoning, subdivision, or land-use planning ordinance applicable to the sanitary landfill and whether the proposed sanitary

landfill, or the existing sanitary landfill as it would be operated under the renewed or substantially amended permit, would be consistent with the applicable ordinances. The request to the local government shall be accompanied by a copy of the permit application and shall be delivered to the clerk of the local government personally or by certified mail. In order to serve as a basis for a determination that an application for a new permit, the renewal of a permit, or a substantial amendment to a permit for a sanitary landfill is consistent with a zoning, subdivision, or land-use planning ordinance, an ordinance or zoning classification applicable to the real property designated in the permit application shall have been in effect not less than 90 days prior to the date the request for a determination of consistency is delivered to the clerk of the local government. The determination shall be verified or supported by affidavit signed by the chief administrative officer, the chief administrative officer's designee, clerk, or other official designated by the local government to make the determination and, if the local government states that the sanitary landfill as it would be operated under the new, renewed, or substantially amended permit is inconsistent with a franchise, zoning, subdivision, or land-use planning ordinance, shall include a copy of the ordinance and the specific reasons for the determination of inconsistency. A copy of the determination shall be provided to the applicant when the determination is submitted to the Department. The Department shall not act upon an application for a permit under this section until it has received a determination from each local government requested to make a determination by the applicant; provided that if a local government fails to submit a determination to the Department as provided by this subsection within 15 days after receipt of the request, the Department shall proceed to consider the permit application without regard to a franchise, local zoning, subdivision, and land-use planning ordinances. Unless the local government makes a subsequent determination of consistency with all ordinances cited in the determination or the sanitary landfill as it would be operated under the new, renewed, or substantially amended permit is determined by a court of competent jurisdiction to be consistent with the cited ordinances, the Department shall attach as a condition of the permit a requirement that the applicant, prior to construction or operation of the sanitary landfill under the permit, comply with all lawfully adopted local ordinances cited in the determination that apply to the sanitary landfill. This subsection shall not be construed to affect the validity of any lawfully adopted franchise, local zoning, subdivision, or land-use planning ordinance or to affect the responsibility of any person to comply with any lawfully adopted franchise, local zoning, subdivision, or land-use planning ordinance. This subsection shall not be construed

to limit any opportunity a local government may have to comment on a permit application under any other law or rule. This subsection shall not apply to any facility with respect to which local ordinances are subject to review under either G.S. 104E-6.2 or G.S. 130A-293.

(5) As used in this subdivision, "coal-fired generating unit" and "investor-owned public utility" have the same meaning as in G.S. 143-215.107D(a). Notwithstanding subdivisions (a)(4), (b1)(3), or (b1)(4) of this section, no franchise shall be required for a sanitary landfill used only to dispose of waste generated by a coal-fired generating unit that is owned or operated by an investor-owned utility subject to the requirements of G.S. 143-215.107D.

(b2) The Department ~~may~~ shall require an applicant for a permit or a permit holder under this Article to satisfy the Department that the applicant or permit holder, and any parent, subsidiary, or other affiliate of the applicant, permit holder, or parent, including any joint venturer with a direct or indirect interest in the applicant, permit holder, or parent:

(1) Is financially qualified to carry out the activity for which the permit is required. An applicant for a permit and permit holders for solid waste management facilities that are not hazardous waste facilities shall establish financial responsibility as required by ~~G.S. 130A-294(b0).~~G.S. 130A-295.2. An applicant for a permit and permit holders for hazardous waste facilities shall establish financial responsibility as required by G.S. 130A-295.04.

(2) Has substantially complied with the requirements applicable to any ~~solid waste management~~ activity in which the ~~applicant~~ applicant or permit holder, or a parent, subsidiary, or other affiliate of the applicant, permit holder, or parent, or a joint venturer with a direct or indirect interest in the applicant, has previously engaged and has been in substantial compliance with federal and state laws, regulations, and rules for the protection of the ~~environment.~~environment as provided in G.S. 130A-295.3.

(b3) An applicant for a permit or a permit holder under this Article shall satisfy the Department that the applicant has met the requirements of subsection (b2) of this section before the Department is required to otherwise review the application. ~~In order to continue to hold a permit under this Article, a permittee must remain financially qualified and must provide any information requested by the Department to demonstrate that the permittee continues to be financially qualified.~~

...."

SECTION 1.(b) This section becomes effective 1 August 2007 and applies to any application for a permit for a solid waste management facility that is pending on that date.

SECTION 2.(a) G.S. 130A-18 reads as rewritten:

"**§ 130A-18. Injunction.**

(a) If a person shall violate any provision of this ~~Chapter or~~ Chapter, the rules adopted by the Commission or rules adopted by a local board of health, or a condition or term of a permit or order issued under this Chapter, the Secretary or a local health director may institute an action for injunctive relief, irrespective of all other remedies at law, in the superior court of the county where the violation occurred or where a defendant resides.

(b) The Secretary of Environment and Natural Resources and a local health director shall have the same rights enumerated in subsection (a) of this section to enforce the provisions of Part 4 of Article 5 and Articles 8, 9, 10, 11, and 12 of this Chapter."

SECTION 2.(b) This section becomes effective 1 August 2007 and applies to violations that occur on or after that date.

SECTION 3.(a) G.S. 130A-22(a) reads as rewritten:

"(a) The Secretary of Environment and Natural Resources may impose an administrative penalty on a person who violates Article 9 of this Chapter, rules adopted by the Commission pursuant to Article 9, or any term or condition of a permit or order issued under Article 9. Each day of a continuing violation shall constitute a separate violation. The penalty shall not exceed ~~five thousand dollars ($5,000)~~ fifteen thousand dollars ($15,000) per day in the case of a violation involving nonhazardous waste. The penalty shall not exceed ~~twenty-five thousand dollars ($25,000)~~thirty-two thousand five hundred dollars ($32,500) per day in the case of a first violation involving hazardous waste as defined in G.S. 130A-290 or involving the disposal of medical waste as defined in G.S. 130A-290 in or upon water in a manner that results in medical waste entering waters or lands of the State; and shall not exceed fifty thousand dollars ($50,000) per day for a second or further violation involving the disposal of medical waste as defined in G.S. 130A-290 in or upon water in a manner that results in medical waste entering waters or lands of the State. The penalty shall not exceed ~~twenty-five thousand dollars ($25,000)~~ thirty-two thousand five hundred dollars ($32,500) per day for a violation involving a voluntary remedial action implemented pursuant to G.S. 130A-310.9(c) or a violation of the rules adopted pursuant to G.S. 130A-310.12(b). If a person fails to pay a civil penalty within 60 days after the final agency decision or court order has been served on the violator, the Secretary of Environment and Natural Resources shall request the Attorney General to institute a civil action in the superior court of any county in which the violator resides or has his or its principal place of business to recover the amount of the assessment. Such civil actions must be filed within three years of the date the final agency decision or court order was served on the violator."

SECTION 3.(b) This section becomes effective 1 August 2007 and applies to violations that occur on or after that date.

SECTION 4.(a) G.S. 130A-22 is amended by adding a new subsection to read:

"(j) The Secretary of Environment and Natural Resources may also assess the reasonable costs of any investigation, inspection, or monitoring associated with the

assessment of the civil penalty against any person who is assessed a civil penalty under this section."

SECTION 4.(b) This section becomes effective 1 August 2007 and applies to violations that occur on or after that date.

SECTION 5.(a) Part 2 of Article 9 of Chapter 130A of the General Statutes is amended by adding a new section to read:

"**§ 130A-295.2. Financial responsibility requirements for applicants and permit holders for solid waste management facilities.**

(a) As used in this section:

(1) 'Financial assurance' refers to the ability of an applicant or permit holder to pay the costs of assessment and remediation in the event of a release of pollutants from a facility, closure of the facility in accordance with all applicable requirements, and post-closure monitoring and maintenance of the facility.

(2) 'Financial qualification' refers to the ability of an applicant or permit holder to pay the costs of proper design, construction, operation, and maintenance of the facility.

(3) 'Financial responsibility' encompasses both financial assurance and financial qualification.

(b) The Commission may adopt rules governing financial responsibility requirements for applicants for permits and for permit holders to ensure the availability of sufficient funds for the proper design, construction, operation, maintenance, closure, and post-closure monitoring and maintenance of solid waste management facilities and for any corrective action the Department may require during the active life of a facility or during the closure and post-closure periods.

(c) The Department may provide a copy of any filing that an applicant for a permit or a permit holder submits to the Department to meet the financial responsibility requirements under this section to the State Treasurer. The State Treasurer shall review the filing and provide the Department with a written opinion as to the adequacy of the filing to meet the purposes of this section, including any recommended changes.

(d) The Department may, in its sole discretion, require an applicant for a permit to construct a facility to demonstrate its financial qualification for the design, construction, operation, and maintenance of a facility. The Department may require an applicant for a permit for a solid waste management facility to provide cost estimates for site investigation; land acquisition, including financing terms and land ownership; design; construction of each five-year phase, if applicable; operation; maintenance; closure, and post-closure monitoring and maintenance of the facility to the Department. The Department may allow an applicant to demonstrate its financial qualifications for only the first five-year phase of the facility. If the Department allows an applicant for a permit to demonstrate its financial qualification for only the first five-year phase of the facility, the Department shall require the applicant or permit holder to demonstrate its financial qualification for each successive five-year phase of the facility when applying for a permit to construct each successive phase of the facility.

(e) If the Department requires an applicant for a permit or a permit holder for a solid waste management facility to demonstrate its financial qualification, the applicant or permit holder shall provide an audited, certified financial statement. An applicant who is required to demonstrate its financial qualification may do so through a combination of cash deposits, insurance, and binding loan commitments from a financial institution licensed to do business in the State and rated AAA by Standard & Poor's, Moody's Investor Service, or Fitch, Inc. If assets of a parent, subsidiary, or other affiliate of the applicant or a permit holder, or a joint venturer with a direct or indirect interest in the applicant or permit holder, are proposed to be used to demonstrate financial qualification, then the party whose assets are to be used must be designated as a joint permittee with the applicant on the permit for the facility.

(f) The applicant and permit holder for a solid waste management facility shall establish financial assurance by a method or combination of methods that will ensure that sufficient funds for closure, post-closure maintenance and monitoring, and any corrective action that the Department may require will be available during the active life of the facility, at closure, and for any post-closure period of time that the Department may require even if the applicant or permit holder becomes insolvent or ceases to reside, be incorporated, do business, or maintain assets in the State. Rules adopted by the Commission may allow a business entity that is an applicant for a permit or a permit holder to establish financial assurance through insurance, irrevocable letters of credit, trusts, surety bonds, or any other financial device, or any combination of the foregoing shown to provide protection equivalent to the financial protection that would be provided by insurance if insurance were the only mechanism used. Assets used to meet the financial assurance requirements of this section shall be in a form that will allow the Department to readily access funds for the purposes set out in this section. Assets used to meet financial assurance requirements of this section shall not be accessible to the permit holder except as approved by the Department.

(g) In order to continue to hold a permit under this Article, a permit holder must maintain financial responsibility and must provide any information requested by the Department to establish that the permit holder continues to maintain financial responsibility. A permit holder shall notify the Department of any significant change in the: (i) identity of any person or structure of the business entity that holds the permit for the facility; (ii) identity of any person or structure of the business entity that owns or operates the facility; or (iii) assets of the permit holder, owner, or operator of the facility. The permit holder shall notify the Department within 30 days of a significant change. A change shall be considered significant if it has the potential to affect the financial responsibility of the permit holder, owner, or operator, or if it would result in a change in the identity of the permit holder, owner, or operator for purposes of either financial responsibility or environmental compliance review. Based on its review of the changes, the Department may require the permit holder to reestablish financial responsibility and may modify or revoke a permit, or require issuance of a new permit.

(h) To meet the financial assurance requirements of this section, the owner or operator of a sanitary landfill shall establish financial assurance sufficient to cover a minimum of three million dollars ($3,000,000) in costs for potential assessment and

corrective action at the facility. The Department may require financial assurance in a higher amount and may increase the amount of financial assurance required of a permit holder at any time based upon the types of waste disposed in the landfill, the projected amount of waste to be disposed in the landfill, the location of the landfill, potential receptors of releases from the landfill, and inflation. The financial assurance requirements of this subsection are in addition to the other financial responsibility requirements set out in this section.

(i) The Commission may adopt rules under which a unit of local government and a solid waste management authority created pursuant to Article 22 of Chapter 153A of the General Statutes may meet the financial responsibility requirements of this section by either a local government financial test or a capital reserve fund requirement."

SECTION 5.(b) G.S. 130A-309.27 reads as rewritten:

"**§ 130A-309.27. ~~Landfill escrow account.~~Joint and several liability.**

(a) As used in this section:

(1) "Owner or operator" means, in addition to the usual meanings of the term, any owner of record of any interest in land on which a landfill is or has been sited, ~~and~~ any person or ~~corporation which~~ business entity that owns a majority interest in any other corporation which is the owner or operator of a ~~landfill.~~landfill, and any person designated as a joint permittee pursuant to G.S. 130A-295.2(e).

(2) "Proceeds" means all funds collected and received by the Department, including interest and penalties on delinquent fees.

(b) Every owner or operator of a landfill is jointly and severally liable for the improper operation and closure of the landfill, as provided by law.

~~(c) The owner or operator of a landfill shall establish a fee, or a surcharge on existing fees or other appropriate revenue-producing mechanism, to ensure the availability of financial resources for the proper closure of the landfill. However, the disposal of solid waste by persons on their own property is exempt from the provisions of this section.~~

~~(1) The revenue-producing mechanism must produce revenue at a rate sufficient to generate funds to meet State and federal landfill closure requirements.~~

~~(2) The revenue shall be deposited in an interest-bearing escrow account to be held and administered by the owner or operator. The owner or operator shall file with the Department an annual audit of the account. The audit shall be conducted by a certified public accountant and shall be filed no later than 31 December of each year. Failure to collect or report this revenue, except as allowed in subsection (d), is a noncriminal violation, punishable by a fine of not more than five thousand dollars ($5,000) for each offense. The owner or operator may make expenditures from the account and its accumulated interest only for the purpose of landfill closure and, if such expenditures do not deplete the fund to the detriment of eventual closure, for planning and construction of resource recovery or landfill facilities. Any moneys~~

~~remaining in the account after paying for proper and complete closure, as determined by the Department, shall, if the owner or operator does not operate a landfill, be deposited by the owner or operator into the general fund of the unit of local government.~~

~~(3) The revenue generated under this subsection and any accumulated interest thereon may be applied to the payment of, or pledged as security for, the payment of revenue bonds issued in whole or in part for the purpose of complying with State and federal landfill closure requirements. The application or pledge may be made directly in the proceedings authorizing the bonds or in an agreement with an insurer of bonds to assure the insurer of this additional security.~~

~~(d) An owner or operator may establish proof of financial responsibility with the Department in lieu of the requirements of subsection (c). This proof may include surety bonds, certificates of deposit, securities, letter of credit, corporate guarantee, or other documents showing that the owner or operator has sufficient financial resources to cover, at a minimum, the costs of complying with landfill closure requirements. The owner or operator shall estimate the costs to the satisfaction of the Department.~~

~~(e) This section does not repeal, limit, or abrogate any other law authorizing units of local government to fix, levy, or charge rates, fees, or charges for the purpose of complying with State and federal landfill closure requirements.~~

~~(f) The Commission shall adopt rules to implement this section.~~"

SECTION 5.(c) This section becomes effective 1 August 2007 and applies to any application for a permit for a solid waste management facility that is pending on that date. The provisions of G.S. 130A-295.2(h), as enacted by this section, apply to the owner or operator of a sanitary landfill when the permit is next subject to renewal after 1 August 2009.

SECTION 6.(a) Part 2 of Article 9 of Chapter 130A of the General Statutes is amended by adding a new section to read:

"**§ 130A-295.3. Environmental compliance review requirements for applicants and permit holders.**

(a) For purposes of this section, "applicant" means an applicant for a permit and a permit holder and includes the owner or operator of the facility, and, if the owner or operator is a business entity, applicant also includes: (i) the parent, subsidiary, or other affiliate of the applicant; (ii) a partner, officer, director, member, or manager of the business entity, parent, subsidiary, or other affiliate of the applicant; and (iii) any person with a direct or indirect interest in the applicant, other than a minority shareholder of a publicly traded corporation who has no involvement in management or control of the corporation or any of its parents, subsidiaries, or affiliates.

(b) The Department shall conduct an environmental compliance review of each applicant for a new permit, permit renewal, and permit amendment under this Article. The environmental compliance review shall evaluate the environmental compliance history of the applicant for a period of five years prior to the date of the application and may cover a longer period at the discretion of the Department. The environmental compliance review of an applicant may include consideration of the environmental

compliance history of the parents, subsidiaries, or other affiliates of an applicant or parent that is a business entity, including any business entity or joint venturer with a direct or indirect interest in the applicant, and other facilities owned or operated by any of them. The Department shall determine the scope of the review of the environmental compliance history of the applicant, parents, subsidiaries, or other affiliates of the applicant or parent, including any business entity or joint venturer with a direct or indirect interest in the applicant, and of other facilities owned or operated by any of them. An applicant for a permit shall provide environmental compliance history information for each facility, business entity, joint venture, or other undertaking in which any of the persons listed in this subsection is or has been an owner, operator, officer, director, manager, member, or partner, or in which any of the persons listed in this subsection has had a direct or indirect interest as requested by the Department.

(c) The Department shall determine the extent to which the applicant, or a parent, subsidiary, or other affiliate of the applicant or parent, or a joint venturer with a direct or indirect interest in the applicant, has substantially complied with the requirements applicable to any activity in which any of these entities previously engaged, and has substantially complied with federal and State laws, regulations, and rules for the protection of the environment. The Department may deny an application for a permit if the applicant has a history of significant or repeated violations of statutes, rules, orders, or permit terms or conditions for the protection of the environment or for the conservation of natural resources as evidenced by civil penalty assessments, administrative or judicial compliance orders, or criminal penalties.

(d) A permit holder shall notify the Department of any significant change in its environmental compliance history or other information required by G.S. 130-295.2(g). The Department may reevaluate the environmental compliance history of a permit holder and may modify or revoke a permit or require issuance of a new permit."

SECTION 6.(b) G.S. 130A-309.06(b) is repealed.

SECTION 6.(c) This section becomes effective 1 August 2007 and applies to any application for a permit for a solid waste management facility that is pending on that date.

SECTION 7. (a) G.S. 130A-290(a) is amended by adding three new subdivisions to read:

"(2a) "Coal-fired generating unit" means a coal-fired generating unit, as defined by 40 Code of Federal Regulations § 96.2 (1 July 2001 Edition), that is located in this State and has the capacity to generate 25 or more megawatts of electricity.

(2b) "Combustion products" means residuals, including fly ash, bottom ash, boiler slag, mill rejects, and flue gas desulfurization residue produced by a coal-fired generating unit.

(2c) "Combustion products landfill" means a facility or unit for the disposal of combustion products, where the landfill is located at the same facility with the coal-fired generating unit or units producing the combustion products, and where the landfill is located wholly or partly on top of a facility that is, or was, being used for the disposal or

storage of such combustion products, including, but not limited to, landfills, wet and dry ash ponds, and structural fill facilities."

SECTION 7. (b) Part 2 of Article 9 of Chapter 130A of the General Statutes is amended by adding a new section to read:

"§ 130A-295.4. Combustion products landfills.

(a) The definitions set out in G.S. 130A-290(a) apply to this section.

(b) The Department may permit a combustion products landfill to be constructed partially or entirely within areas that have been formerly used for the storage or disposal of combustion products at the same facility as the coal-fired generating unit that generates the combustion products, provided the landfill is constructed with a bottom liner system consisting of three components in accordance with this section. Of the required three components, the upper two components shall consist of two separate flexible membrane liners, with a leak detection system between the two liners. The third component shall consist of a minimum of two feet of soil underneath the bottom of those liners, with the soil having a maximum permeability of 1×10^{-7} centimeters per second. The flexible membrane liners shall have a minimum thickness of thirty one-thousandths of an inch (0.030"), except that liners consisting of high-density polyethylene shall be at least sixty one-thousandths of an inch (0.060") thick. The lower flexible membrane liner shall be installed in direct and uniform contact with the compacted soil layer. The Department may approve an alternative to the soil component of the composite liner system if the Department finds, based on modeling, that the alternative liner system will provide an equivalent or greater degree of impermeability.

(c) An applicant for a permit for a combustion products landfill shall develop and provide to the Department a response plan, which shall describe the circumstances under which corrective measures are to be taken at the landfill in the event of the detection of leaks in the leak detection system between the upper two liner components at amounts exceeding an amount specified in the response plan (as expressed in average gallons per day per acre of landfill, defined as an Action Leakage Rate). The response plan shall also describe the remedial actions that the landfill is required to undertake in response to detection of leakage in amounts in excess of the Action Leakage Rate. The Department shall review the response plan as a part of the permit application for the landfill. Compliance with performance of the landfill to prevent releases of waste to the environment may be determined based on leakage rate rather than monitoring well data.

SECTION 7.(c) This section becomes effective 1 August 2007. Any permit issued for a combustion products landfill as described in this subsection shall, for purposes of this bill, be considered to have been permitted on property described in a solid waste management facility permit that is in effect on 1 August 2007.

SECTION 8.(a) Part 2 of Article 9 of Chapter 130A of the General Statutes is amended by adding a new section to read:

"§ 130A-295.5. Traffic study required for certain solid waste management facilities.

(a) An applicant for a permit for a sanitary landfill or for a transfer station shall conduct a traffic study of the impacts of the proposed facility. The Department shall include as a condition of a permit for a sanitary landfill or for a transfer station a

requirement that the permit holder mitigate adverse impacts identified by the traffic study. The study shall include all of the following at a minimum:

(1) Identification of routes from the nearest limited access highway used to access the proposed facility.

(2) Daily and hourly traffic volumes that will result along each approach route between the nearest limited access highway and the proposed facility.

(3) A map identifying land uses located along the identified approach routes, including, but not limited to, residential, commercial, industrial development, and agricultural operations. The map shall identify residences, schools, hospitals, nursing homes, and other significant buildings that front the approach routes.

(4) Identification of locations on approach routes where road conditions are inadequate to handle the increased traffic associated with the proposed facility and a description of the mitigation measures proposed by the applicant to address the conditions.

(5) A description of the potential adverse impacts of increased traffic associated with the proposed facility and the mitigation measures proposed by the applicant to address these impacts.

(6) An analysis of the impact of any increase in freight traffic on railroads and waterways.

(b) An applicant for a permit for a sanitary landfill or for a transfer station may satisfy the requirements of subsection (a) of this section by obtaining a certification from the Division Engineer of the Department of Transportation that the proposed facility will not have a substantial impact on highway traffic."

SECTION 8.(b) This section is effective 1 August 2007 and applies to any application for a permit for a solid waste management facility that is pending on that date. The section shall not apply to:

(1) An amendment, modification, or other change to a permit for a landfill issued on or before 1 June 2006.

(2) A permit for a horizontal or vertical expansion of the landfill permitted on or before 1 June 2006.

(3) A permit to construct a new landfill within the facility boundary identified in the facility plan of a landfill permitted on or before 1 June 2006.

(4) A permit to operate a new landfill if a permit to construct the new landfill was issued on or before 1 June 2006.

(5) A permit for a sanitary landfill used only to dispose of waste generated by a coal-fired generating unit that is owned or operated by an investor-owned utility subject to the requirements of G.S. 143-215.107D.

(6) A permit for a sanitary landfill determined to be necessary by the Secretary of Environment and Natural Resources in order to respond to an imminent hazard to public health or a natural disaster.

SECTION 9.(a) Part 2 of Article 9 of Chapter 130A of the General Statutes is amended by adding a new section to read:

"**§ 130A-295.6. Additional requirements for sanitary landfills.**

(a) The Department shall conduct a study of the environmental impacts of any proposed sanitary landfill. The study shall meet all of the requirements set forth in G.S. 113A-4 and rules adopted pursuant to G.S. 113A-4. If an environmental impact statement is required, the Department shall publish notice of the draft environmental impact statement and shall hold a public hearing in the county where the landfill will be located no sooner than 30 days following the public notice. The Department shall consider the study of environmental impacts and any mitigation measures proposed by the applicant in deciding whether to issue or deny a permit. An applicant for a permit for a sanitary landfill shall pay all costs incurred by the Department to comply with this subsection including the costs of any special studies that may be required.

(b) The Department shall require a buffer between any stream or wetland and the nearest waste disposal unit of a sanitary landfill of at least 200 feet. The Department may approve a buffer of less than 200 feet, but in no case less than 100 feet, if it finds all of the following:

(1) The proposed sanitary landfill or expansion of the sanitary landfill will serve a critical need in the community.

(2) There is no feasible alternative location that would allow siting or expansion of the sanitary landfill with 200-foot buffers.

(c) A waste disposal unit of a sanitary landfill shall not be constructed within:

(1) A 100-year floodplain, except as authorized by variance granted under G.S. 143-215.54A(b). This subdivision does not apply to land removed from a 100-year floodplain designation pursuant to: (i) 44 Code of Federal Regulations Part 72 (1 October 2006 Edition) as a result of man-made alterations within the floodplain, such as the placement of fill; modification of a channel; construction or modification of a bridge, culvert, levee, or similar measure; or construction of single or multiple residential or commercial structures on single or multiple lots; and (ii) 44 Code of Federal Regulations Part 70 (1 October 2006 Edition) as a result of floodplain map correction made by a letter of map amendment.

(2) A wetland.

(d) The Department shall not issue a permit to construct any waste disposal unit of a landfill if at the time of the application for a permit any portion of the proposed waste disposal unit would be located within:

(1) Five miles of the outermost boundary of a National Wildlife Refuge.

(2) One mile of the outermost boundary of a State gameland.

(3) Two miles of the outermost boundary of a component of the State Parks System.

(e) A sanitary landfill for the disposal of construction and demolition debris waste shall be constructed with a liner system that consists of a flexible membrane liner over two feet of soil with a maximum permeability of 1×10^{-5} centimeters per second.

The flexible membrane liner shall have a minimum thickness of thirty one-thousandths of an inch (0.030"), except that a liner that consists of high-density polyethylene shall be at least sixty one-thousandths of an inch (0.060") thick. The flexible membrane liner shall be installed in direct and uniform contact with the soil layer. The Department may approve an alternative to the soil component of the liner system if the Department finds, based on modeling, that the alternative liner system will provide an equivalent or greater degree of impermeability.

(f) A sanitary landfill, other than a sanitary landfill for the disposal of construction and demolition debris waste, shall be constructed so that the post-settlement bottom elevation of the liner system, or the post-settlement bottom elevation of the waste if no liner system is required, is a minimum of four feet above both the seasonal high groundwater table and the bedrock datum plane contours. A sanitary landfill for the disposal of construction and demolition debris waste shall be constructed so that the post-settlement bottom elevation of the flexible membrane liner component of the liner system is a minimum of four feet above both the seasonal high groundwater table and the bedrock datum plane contours.

(g) A permit holder for a sanitary landfill shall develop and implement a waste screening plan. The plan shall identify measures adequate to ensure compliance with State laws and rules, and any applicable local ordinances that prohibit the disposal of certain items in landfills. The plan shall address all sources of waste generation. The plan is subject to approval by the Department.

(h) The following requirements apply to any sanitary landfill for which a liner is required:

(1) A geomembrane base liner system shall be tested for leaks and damage by methods approved by the Department that ensure that the entire liner is evaluated.

(2) A leachate collection system shall be designed to return the head of the liner to 30 centimeters or less within 72 hours. The design shall be based on the precipitation that would fall on an empty cell of the sanitary landfill as a result of a 25-year-24-hour storm event. The leachate collection system shall maintain a head of less than 30 centimeters at all times during leachate recirculation. The Department may require the operator to monitor the head of the liner to demonstrate that the head is being maintained in accordance with this subdivision and any applicable rules.

(3) All leachate collection lines shall be designed and constructed to permanently allow cleaning and remote camera inspection. All leachate collection lines shall be cleaned at least once a year, except that the Department may allow leachate collection lines to be cleaned once every two years if: (i) the facility has continuous flow monitoring; and (ii) the permit holder demonstrates to the Department that the leachate collection lines are clear and functional based on at least three consecutive annual cleanings. Remote camera inspections of the leachate collection lines shall occur upon completion of

construction, at least once every five years thereafter, and following the clearing of blockages.

(4) Any pipes used to transmit leachate shall provide dual containment outside of the disposal unit. The bottom liner of a sanitary landfill shall be constructed without pipe penetrations.

(i) The Department shall not issue a permit for a sanitary landfill that authorizes:

(1) A capacity of more than 55 million cubic yards of waste.

(2) A disposal area of more than 350 acres.

(3) A maximum height, including the cap and cover vegetation, of more than 250 feet above the mean natural elevation of the disposal area."

SECTION 9.(b) This section is effective 1 August 2007 and applies to any application for a permit for a solid waste management facility that is pending on that date. To the extent that G.S. 130A-295.6, as enacted by this section, imposes requirements that are more stringent than those in effect prior to 1 August 2007, the more stringent requirements of those subsections do not apply to:

(1) An amendment, modification, or other change to a permit for a landfill issued on or before 1 June 2006.

(2) A permit for a horizontal or vertical expansion of the landfill permitted on or before 1 June 2006.

(3) A permit to construct a new landfill within the facility boundary identified in the facility plan of a landfill permitted on or before 1 June 2006.

(4) A permit to operate a new landfill if a permit to construct the new landfill was issued on or before 1 June 2006.

(5) A permit for a sanitary landfill used only to dispose of waste generated by a coal-fired generating unit that is owned or operated by an investor-owned utility subject to the requirements of G.S. 143-215.107D.

(6) A permit for a sanitary landfill determined to be necessary by the Secretary of Environment and Natural Resources in order to respond to an imminent hazard to public health or a natural disaster.

SECTION 10.(a) G.S. 153A-292(b) reads as rewritten:

"(b) The board of county commissioners may impose a fee for the collection of solid waste. The fee may not exceed the costs of collection.

The board of county commissioners may impose a fee for the use of a disposal facility provided by the county. The fee for use may not exceed the cost of operating the facility and may be imposed only on those who use the facility. The fee for use may vary based on the amount, characteristics, and form of recyclable materials present in solid waste brought to the facility for disposal. A county may not impose a fee for the use of a disposal facility on a city located in the county or a contractor or resident of the city unless the fee is based on a schedule that applies uniformly throughout the county.

The board of county commissioners may impose a fee for the availability of a disposal facility provided by the county. A fee for availability may not exceed the cost of providing the facility and may be imposed on all improved property in the county

that benefits from the availability of the facility. A county may not impose an availability fee on property whose solid waste is collected by a county, a city, or a private contractor for a fee if the fee imposed by a county, a city, or a private contractor for the collection of solid waste includes a charge for the availability and use of a disposal facility provided by the county. Property served by a private contractor who disposes of solid waste collected from the property in a disposal facility provided by a private contractor that provides the same services as those provided by the county disposal facility is not considered to benefit from a disposal facility provided by the county and is not subject to a fee imposed by the county for the availability of a disposal facility provided by the county. To the extent that the services provided by the county disposal facility differ from the services provided by the disposal facility provided by a private contractor in the same county, the county may charge an availability fee to cover the costs of the additional services provided by the county disposal facility.

In determining the costs of providing and operating a disposal facility, a county may consider solid waste management costs incidental to a county's handling and disposal of solid waste at its disposal facility, including the costs of the methods of solid waste management specified in G.S. 130A-309.04(a) of the Solid Waste Management Act of 1989. A fee for the availability or use of a disposal facility may be based on the combined costs of the different disposal facilities provided by the county."

SECTION 10.(b) G.S. 160A-314.1(a) reads as rewritten:

"(a) In addition to a fee that a city may impose for collecting solid waste or for using a disposal facility, a city may impose a fee for the availability of a disposal facility provided by the city. A fee for availability may not exceed the cost of providing the facility and may be imposed on all improved property in the city that benefits from the availability of the facility. A city may not impose an availability fee on property whose solid waste is collected by a county, a city, or a private contractor for a fee if the fee imposed by a county, a city, or a private contractor for the collection of solid waste includes a charge for the availability and use of a disposal facility provided by the city. Property served by a private contractor who disposes of solid waste collected from the property in a disposal facility provided by a private contractor that provides the same services as those provided by the city disposal facility is not considered to benefit from a disposal facility provided by the city and is not subject to a fee imposed by the city for the availability of a disposal facility provided by the city. To the extent that the services provided by the city disposal facility differ from the services provided by the disposal facility provided by a private contractor in the same city, the city may charge an availability fee to cover the costs of the additional services provided by the city disposal facility.

In determining the costs of providing and operating a disposal facility, a city may consider solid waste management costs incidental to a city's handling and disposal of solid waste at its disposal facility. A fee for the availability or use of a disposal facility may be based on the combined costs of the different disposal facilities provided by the city."

SECTION 10.(c) This section becomes effective 1 August 2007.

SECTION 11.(a) G.S. 153A-136 is amended by adding two new subsections to read:

"(e) A county that has planning jurisdiction over any portion of the site of a sanitary landfill may employ a local government landfill liaison. No person who is responsible for any aspect of the management or operation of the landfill may serve as a local government landfill liaison. A local government landfill liaison shall have a right to enter public or private lands on which the landfill facility is located at reasonable times to inspect the landfill operation in order to:

(1) Ensure that the facility meets all local requirements.

(2) Identify and notify the Department of suspected violations of applicable federal or State laws, regulations, or rules.

(3) Identify and notify the Department of potentially hazardous conditions at the facility.

(f) Entry pursuant to subsection (e) of this section shall not constitute a trespass or taking of property."

SECTION 11.(b) Chapter 160A of the General Statutes is amended by adding a new section to read:

"**§ 160A-325. Local government landfill liaison.**

(a) A city that has planning jurisdiction over any portion of the site of a sanitary landfill may employ a local government landfill liaison. No person who is responsible for any aspect of the management or operation of the landfill may serve as a local government landfill liaison. A local government landfill liaison shall have a right to enter public or private lands on which the landfill facility is located at reasonable times to inspect the landfill operation in order to:

(1) Ensure that the facility meets all local requirements.

(2) Identify and notify the Department of suspected violations of applicable federal or State laws, regulations, or rules.

(3) Identify and notify the Department of potentially hazardous conditions at the facility.

(b) Entry pursuant to this section shall not constitute a trespass or taking of property."

SECTION 11.(c) This section becomes effective 1 August 2007.

SECTION 12. [Reserved.]

SECTION 13.(a) G.S. 130A-290(a), as amended by S.L. 2007-107, is amended by renumbering subdivision (1a) as (1b), renumbering subdivision (1b) as (1c), renumbering subdivision (1c) as (1d), and by adding a new subdivision to read:

"(1a) 'Business entity' has the same meaning as in G.S. 55-1-40(2a)."

SECTION 13.(b) G.S. 130A-290(a), as amended by S.L. 2007-107, is amended by renumbering subdivision (21a) as (21b) and by adding a new subdivision to read:

"(21a) 'Pre-1983 landfill' means any land area, whether publicly or privately owned, on which municipal solid waste disposal occurred prior to 1 January 1983 but not thereafter, but does not include any landfill used primarily for the disposal of industrial solid waste."

SECTION 13.(c) This section becomes effective 1 August 2007.

SECTION 14.(a) Chapter 130A of the General Statutes is amended by adding a new section to read:

"**§ 130A-295.8. Fees applicable to permits for solid waste management facilities.**

(a) The Solid Waste Management Account is established as a nonreverting account within the Department. All fees collected under this section shall be credited to the Account and shall be used to support the solid waste management program established pursuant to G.S. 130A-294.

(b) As used in this section:

(1) 'New permit' means any of the following:

a. An application for a permit for a solid waste management facility that has not been previously permitted by the Department. The term includes one site suitability review, the initial permit to construct, and one permit to operate the constructed portion of a phase included in the permit to construct.

b. An application that proposes to expand the boundary of a permitted waste management facility for the purpose of expanding the permitted activity.

c. An application that includes a proposed expansion to the boundary of a waste disposal unit within a permitted solid waste management facility.

d. An application for a substantial amendment to a solid waste permit, as defined in G.S. 130A-294.

(2) 'Permit amendment' means any of the following:

a. An application for a permit to construct and one permit to operate for the second and subsequent phases of landfill development described in the approved facility plan for a permitted solid waste management facility.

b. An application for the five-year renewal of a permit for a permitted solid waste management facility or for a permit review of a permitted solid waste management facility.

c. Any application that proposes a change in ownership or corporate structure of a permitted solid waste management facility.

(3) 'Permit modification' means any of the following:

a. An application for any change to the plans approved in a permit for a solid waste management facility that does not constitute a 'permit amendment' or a 'new permit'.

b. A second or subsequent permit to operate for a constructed portion of a phase included in the permit to construct.

(c) An applicant for a permit shall pay an application fee upon submission of an application according to the following schedule:

(1) Municipal Solid Waste Landfill accepting less than 100,000 tons/year of solid waste, New Permit – $25,000.
(2) Municipal Solid Waste Landfill accepting less than 100,000 tons/year of solid waste, Amendment – $15,000.
(3) Municipal Solid Waste Landfill accepting less than 100,000 tons/year of solid waste, Modification – $1,500.
(4) Municipal Solid Waste Landfill accepting 100,000 tons/year or more of solid waste, New Permit – $50,000.
(5) Municipal Solid Waste Landfill accepting 100,000 tons/year or more of solid waste, Amendment – $30,000.
(6) Municipal Solid Waste Landfill accepting 100,000 tons/year or more of solid waste, Modification – $3,000.
(7) Construction and Demolition Landfill accepting less than 100,000 tons/year of solid waste, New Permit – $15,000.
(8) Construction and Demolition Landfill accepting less than 100,000 tons/year of solid waste, Amendment – $9,000.
(9) Construction and Demolition Landfill accepting less than 100,000 tons/year of solid waste, Modification – $1,500.
(10) Construction and Demolition Landfill accepting 100,000 tons/year or more of solid waste, New Permit – $30,000.
(11) Construction and Demolition Landfill accepting 100,000 tons/year or more of solid waste, Amendment – $18,500.
(12) Construction and Demolition Landfill accepting 100,000 tons/year or more of solid waste, Modification – $2,500.
(13) Industrial Landfill accepting less than 100,000 tons/year of solid waste, New Permit – $15,000.
(14) Industrial Landfill accepting less than 100,000 tons/year of solid waste, Amendment – $9,000.
(15) Industrial Landfill accepting less than 100,000 tons/year of solid waste, Modification – $1,500.
(16) Industrial Landfill accepting 100,000 tons/year or more of solid waste, New Permit – $30,000.
(17) Industrial Landfill accepting 100,000 tons/year or more of solid waste, Amendment – $18,500.
(18) Industrial Landfill accepting 100,000 tons/year or more of solid waste, Modification – $2,500.
(19) Tire Monofill, New Permit – $1,750.
(20) Tire Monofill, Amendment – $1,250.
(21) Tire Monofill, Modification – $500.
(22) Treatment and Processing, New Permit – $1,750.
(23) Treatment and Processing, Amendment – $1,250.
(24) Treatment and Processing, Modification – $500.
(25) Transfer Station, New Permit – $5,000.
(26) Transfer Station, Amendment – $3,000.

(27) Transfer Station, Modification – $500.
(28) Incinerator, New Permit – $1,750.
(29) Incinerator, Amendment – $1,250.
(30) Incinerator, Modification – $500.
(31) Large Compost Facility, New Permit – $1,750.
(32) Large Compost Facility, Amendment – $1,250.
(33) Large Compost Facility, Modification – $500.
(34) Land Clearing and Inert, New Permit – $1,000.
(35) Land Clearing and Inert, Amendment – $500.
(36) Land Clearing and Inert, Modification – $250.

(d) A permitted solid waste management facility shall pay an annual permit fee on or before 1 August of each year according to the following schedule:

(1) Municipal Solid Waste Landfill – $3,500.
(2) Post-Closure Municipal Solid Waste Landfill – $1,000.
(3) Construction and Demolition Landfill – $2,750.
(4) Post-Closure Construction and Demolition Landfill – $500.
(5) Industrial Landfill – $2,750.
(6) Post Closure Industrial Landfill – $500.
(7) Transfer Station – $750.
(8) Treatment and Processing Facility – $500.
(9) Tire Monofill – $500.
(10) Incinerator – $500.
(11) Large Compost Facility – $500.
(12) Land Clearing and Inert Debris Landfill – $500.

(e) The Department shall determine whether an application for a permit for a solid waste management facility that is subject to a fee under this section is complete within 90 days after the Department receives the application for the permit. A determination of completeness means that the application includes all required components but does not mean that the required components provide all of the information that is required for the Department to make a decision on the application. If the Department determines that an application is not complete, the Department shall notify the applicant of the components needed to complete the application. An applicant may submit additional information to the Department to cure the deficiencies in the application. The Department shall make a final determination as to whether the application is complete within the later of: (i) 90 days after the Department receives the application for the permit less the number of days that the applicant uses to provide the additional information; or (ii) 30 days after the Department receives the additional information from the applicant. The Department shall issue a draft permit decision on an application for a permit within one year after the Department determines that the application is complete. The Department shall hold a public hearing and accept written comment on the draft permit decision for a period of not less than 30 or more than 60 days after the Department issues a draft permit decision. The Department shall issue a final permit decision on an application for a permit within 90 days after the comment period on the draft permit decision closes. The Department and the applicant may

mutually agree to extend any time period under this subsection. If the Department fails to act within any time period set out in this subsection, the applicant may treat the failure to act as a denial of the permit and may challenge the denial as provided in Chapter 150B of the General Statutes."

SECTION 14.(b) This section becomes effective on 1 August 2007 and applies to any application for a permit for a solid waste management facility that is pending on that date, except that during the period 1 August 2007 through 1 August 2008 the Department shall determine whether an application or a permit for a solid waste management facility is complete within 270 days after the Department receives the application for the permit.

SECTION 15.(a) Subchapter I of Chapter 105 of the General Statutes is amended by adding a new Article to read:

"Article 5G.

"Solid Waste Disposal Tax.

"**§ 105-187.60. Definitions.**

The definitions set out in G.S. 105-164.3 and G.S. 130A-290 apply to this Article.

"**§ 105-187.61. Tax imposed.**

An excise tax is imposed on the disposal of municipal solid waste and construction and demolition debris in any landfill permitted pursuant to Article 9 of Chapter 130A of the General Statutes at a rate of one dollar and fifty cents ($1.50) per ton of waste. An excise tax is imposed on the transfer of municipal solid waste and construction and demolition debris to a transfer station permitted pursuant to Article 9 of Chapter 130A of the General Statutes for disposal outside the State at a rate of one dollar and fifty cents ($1.50) per ton of waste.

"**§ 105-187.62. Administration.**

The owner or operator of each landfill and transfer station permitted pursuant to Article 9 of Chapter 130A of the General Statutes shall maintain scales designed to determine waste tonnage that are approved by the Department of Agriculture and Consumer Services. Each owner or operator shall record waste tonnage at the time the waste is received on a form approved by the Department and shall calculate and record the tax due under this Article for each calendar month on a form approved by the Department. Each owner or operator shall report the number of tons of waste received and pay the tax due for each calendar month to the Department no later than the fifteenth day of the following calendar month.

"**§ 105-187.63. Use of tax proceeds.**

From the taxes received pursuant to this Article, the Secretary may retain the costs of collection, not to exceed two hundred twenty-five thousand dollars ($225,000) a year, as reimbursement to the Department. The Secretary shall credit taxes received pursuant to this Article, less the cost of collection, as follows:

(1) Sixty-seven percent (67%) to the Inactive Hazardous Sites Cleanup Fund established by G.S. 130A-310.11.

(2) Thirty-three (33%) to the Solid Waste Management Trust Fund established by G.S. 130A-309.12."

SECTION 15.(b) Part 2A of Article 9 of Chapter 130A of the General Statutes is amended by adding a new section to read:

"**§ 130A-295.9. Solid waste disposal tax; use of proceeds.**

It is the intent that the proceeds of the solid waste disposal tax imposed by Article 5G of Chapter 105 of the General Statutes shall be used only for the following purposes:

(1) Funds credited pursuant to G.S. 105-187.63(1) to the Inactive Hazardous Sites Cleanup Fund shall be used by the Department of Environment and Natural Resources to fund the assessment and remediation of pre-1983 landfills. Up to seven percent (7%) of the proceeds of the tax under this subdivision may be used to fund staff to administer contracts for the assessment and remediation of pre-1983 landfills.

(2) Funds credited pursuant to G.S. 105-187.63(2) to the Solid Waste Management Trust Fund shall be used by the Department of Environment and Natural Resources to fund grants to State agencies and units of local government to initiate or enhance local recycling programs. Up to seven percent (7%) of the net proceeds of the tax under this subdivision may be used by the Department to administer this Part."

SECTION 15.(c) G.S. 130A-310.6 is amended by adding four new subsections to read:

"(c) The Secretary shall use funds allocated to the Department under G.S. 130A-295.9(c)(1) to assess pre-1983 landfills, to determine the priority for remediation of pre-1983 landfills, and to develop and implement a remedial action plan for each pre-1983 landfill that requires remediation. Environmental and human health risks posed by a pre-1983 landfill may be mitigated using a risk-based approach for assessment and remediation.

(d) The Secretary shall not seek cost recovery for assessment and remedial action performed under subsection (c) of this section at a pre-1983 landfill from any otherwise potentially responsible party if the Secretary develops and implements a remedial action plan for that pre-1983 landfill and if the potentially responsible party cooperates with assessment of the site and implementation of control and mitigation measures at any site which the potentially responsible party owns or over which the potentially responsible party exercises control, including, but not limited to, granting access to the site, allowing installation of monitoring wells, allowing installation and maintenance of improvements to the landfill cap, allowing installation of security measures, agreeing to record and implement land-use restrictions, and providing access to any records regarding the pre-1983 landfill. The Secretary shall develop and implement remedial action plans for pre-1983 landfills in the order of their priority determined as provided in subsection (c) of this section. The Secretary shall not develop or implement a remedial action plan for a pre-1983 landfill unless the Secretary determines that sufficient funds will be available from the Inactive Hazardous Sites Cleanup Fund to pay the costs of development and implementation of a remedial action plan for that pre-1983 landfill.

(e) A unit of local government that voluntarily undertakes assessment or remediation of a pre-1983 landfill may request that the Department reimburse the costs of assessment of the pre-1983 landfill and implementation of measures necessary to remediate the site to eliminate an imminent hazard. The Department shall provide reimbursement under this subsection if the Department finds all of the following:

(1) The unit of local government undertakes assessment and remediation under a plan approved by the Department.

(2) The unit of local government provides a certified accounting of costs incurred for assessment and remediation.

(3) Each contract for assessment and remediation complies with the requirements of Articles 3D and 8 of Chapter 143 of the General Statutes.

(4) Remedial action is limited to measures necessary to abate the imminent hazard.

(f) The Department may undertake any additional action necessary to remediate a pre-1983 landfill based on the priority ranking of the site under subsection (c) of this section."

SECTION 15.(d) G.S. 130A-310.11 reads as rewritten:

"**§ 130A-310.11. Inactive Hazardous Sites Cleanup Fund created.**

(a) There is established under the control and direction of the Department the Inactive Hazardous Sites Cleanup Fund. This fund shall be a revolving fund consisting of any monies appropriated for such purpose by the General Assembly or available to it from grants, taxes, and other monies paid to it or recovered by or on behalf of the Department. The Inactive Hazardous Sites Cleanup Fund shall be treated as a nonreverting special trust fund and shall be credited with interest by the State Treasurer pursuant to G.S. 147-69.2 and G.S. 147-69.3.

(b) Funds credited to the Inactive Hazardous Sites Cleanup Fund pursuant to G.S. 130A-295.9 shall be used only as provided in G.S. 130A-309.295.9(c)."

SECTION 15.(e) This section becomes effective 1 July 2008.

SECTION 16.(a) The Commission for Health Services shall review rules governing the design, construction, operation, maintenance, closure, and post-closure monitoring and maintenance of solid waste management facilities to determine whether changes are required to protect public health, safety, welfare, and the environment; to improve the performance of solid waste management facilities; to take advantage of technological advances in landfill design, construction, operation, maintenance, and closure; and to provide additional protection to environmentally sensitive areas of the State. The Commission shall adopt rules necessary to minimize impacts from solid waste management facilities on public health, safety, welfare, and the environment. These rules shall:

(1) Establish standards for the collection, control, and utilization or destruction of landfill gasses at municipal solid waste landfills.

(2) Establish standards for the design, construction, operation, maintenance, closure, and post-closure monitoring and maintenance of bioreactor landfills.

(3) Establish criteria for development of bird and wildlife management plans.

(4) Incorporate measures necessary to minimize impacts to natural, historic, and cultural resources, including, but not limited to, wetlands, critical fisheries habitat, parks, recreation areas, cultural and historic sites, and potential water supplies.

SECTION 16.(b) This section is effective when it becomes law.

SECTION 17.1.(a) Article 9 of Chapter 130A of the General Statutes is amended by adding a new Part to read:

"Part 2E. Discarded Computer Equipment Management.

"**§ 130A-309.90. Findings.**

The General Assembly makes the following findings:

(1) The computer equipment waste stream is growing rapidly in volume and complexity and can introduce toxic materials into solid waste landfills.

(2) It is in the best interests of the citizens of this State to have convenient, simple, and free access to recycling services for discarded computer equipment.

(3) Collection programs operated by local government and nonprofit agencies are an efficient way to divert discarded computer equipment from disposal and to provide recycling services to all citizens of this State.

(4) The development of local and nonprofit collection programs is hindered by the high costs of recycling and transporting discarded computer equipment.

(5) No other system currently exists, either provided by electronics manufacturers, retailers, or others, to adequately serve all citizens of the State and to divert large quantities of discarded computer equipment from disposal.

(6) Manufacturer responsibility is an effective way to ensure that manufacturers of computer equipment take part in a solution to the electronic waste problem.

(7) The recycling of discarded computer equipment recovers valuable materials for reuse and will create jobs and expand the tax base of the State.

"**§ 130A-309.91. Definitions.**

As used in this Part, the following definitions apply:

(1) 'Business entity' has the same meaning as in G.S. 55-1-40(2a).

(2) Computer equipment. – Any desktop central processing unit, any laptop computer, the monitor or video display unit for a computer system and the keyboard, mice, and other peripheral equipment. Computer equipment does not include a printing device such as a printer, a scanner, a combination print-scanner-fax machine, or other device designed to produce hard paper copies from a computer; an

automobile; a television; a household appliance; a large piece of commercial or industrial equipment, such as commercial medical equipment, that contains a cathode ray tube, a cathode ray tube device, a flat panel display or similar video display device that is contained within, and is not separate from, the larger piece of equipment, or other medical devices as that term is defined under the federal Food, Drug, and Cosmetic Act.

(3) Discarded computer equipment. – Computer equipment that is solid waste.

(4) Discarded computer equipment collector. – A municipal or county government, nonprofit agency, or retailer that accepts discarded computer equipment from the public.

(5) Certified computer equipment recycling facility. – A business that processes discarded computer equipment for reuse and recycling and that meets a minimum set of operational and material handling standards determined by the Department.

(6) Manufacturer. – A person who manufactures computer equipment sold under its own brand or label; sells under its own brand or label computer equipment produced by other suppliers; imports into the United States computer equipment that was manufactured outside of the United States; or owns a brand that it licenses to another person for use on computer equipment. Manufacturer includes a business entity that acquires another business entity that manufactures or has manufactured computer equipment.

(7) Orphan discarded computer equipment. – Any discarded computer equipment for which a manufacturer cannot be identified or for which the manufacturer is no longer in business and has no successor in interest.

(8) Retailer. – A person who sells computer equipment in the State to a consumer. Retailer includes a manufacturer of computer equipment that sells directly to a consumer through any means, including transactions conducted through sales outlets, catalogs, the Internet, or any similar electronic means, but does not include a person who sells computer equipment to a distributor or retailer through a wholesale transaction.

"**§ 130A-309.92. Responsibility for recycling discarded computer equipment.**

In addition to the specific requirements of this Part, discarded computer equipment collectors, certified computer equipment recycling facilities, and manufacturers share responsibility for the recycling of discarded computer equipment and the education of citizens of the State as to recycling opportunities for discarded computer equipment.

"**§ 130A-309.93. Requirements for manufacturers.**

(a) Registration and Fee Required. – Each manufacturer of computer equipment, before selling or offering for sale computer equipment in North Carolina, shall register with the Department and, at the time of registration, shall pay an initial registration fee

of ten thousand dollars ($10,000) to the Department. A computer equipment manufacturer that has registered shall pay an annual renewal registration fee of one thousand dollars ($1,000) to the Department. The annual renewal registration fee shall be paid each year no later than the first day of the month in which the initial registration fee was paid. The proceeds of these fees shall be credited to the Computer Equipment Management Account.

(b) Manufacturer Label Required. – A manufacturer shall not sell or offer to sell computer equipment in this State unless a visible, permanent label clearly identifying the manufacturer of that device is affixed to the equipment.

(c) Computer Equipment Recycling Plan. – Each manufacturer of computer equipment shall develop and submit to the Department a plan for reuse or recycling of discarded computer equipment in the State produced by the manufacturer. The manufacturer shall submit a proposed plan to the Department within 120 days of registration as required by subsection (a) of this section. The plan shall:

(1) Describe any direct take-back program to be implemented by the manufacturer, including mail-back programs and collection events.

(2) Provide that the manufacturer will take responsibility for discarded computer equipment it manufactured when the discarded computer equipment is received by a certified computer equipment recycling facility.

(3) Provide that the manufacturer will take responsibility for its proportionate share of orphan discarded computer equipment received by a certified computer equipment recycling facility.

(4) Describe the contractual arrangement between the manufacturer and each certified computer equipment recycling facility under which the certified computer equipment recycling facility processes discarded computer equipment it manufactured for reuse and recycling and invoices the manufacturer on a quarterly basis and under which the manufacturer pays the invoices on a timely basis.

(5) Include a detailed description as to how the manufacturer will implement and finance the plan.

(6) Describe the performance measures that will be used by the manufacturer to document recovery and recycling rates for discarded computer equipment.

(7) Include a public education plan on the laws governing the recycling and reuse of discarded computer equipment under this Part and on the methods available to consumers to comply with those requirements.

(d) Computer Equipment Recycling Plan Revision. – A manufacturer may prepare a revised plan and submit it to the Department at any time as the manufacturer considers appropriate in response to changed circumstances or needs. The Department may require a manufacturer to revise or update a plan if the Department finds that the plan is inadequate or out-of-date.

(e) Payment of Costs for Plan Implementation. – Each manufacturer is responsible for all costs associated with the development and implementation of its

plan. A manufacturer shall not collect a charge for the management of discarded computer equipment at the time the equipment is discarded.

(f) Payments to Certified Computer Equipment Recycling Facilities. – Each manufacturer:

(1) Shall pay each certified computer equipment recycling facility the reasonable costs of transportation of discarded computer equipment from computer equipment collectors to certified computer equipment recycling facilities, and the actual costs of recycling the discarded computer equipment by a certified computer equipment recycling facility.

(2) Shall pay each certified computer equipment recycling facility for the manufacturer's pro rata share of orphan discarded computer equipment from the previous calendar year, calculated as provided in G.S. 130A-309.97 and paid on an annual basis.

(3) May provide information to the Department on any certified computer equipment recycling facility whose cost charges are unreasonable for consideration by the Department under G.S. 130A-309.95.

(g) Joint Computer Equipment Recycling Plans. – A manufacturer may fulfill the requirements of this section by participation in a joint recycling plan with other manufacturers. A joint plan shall meet the requirements of subsection (c) of this section.

(h) Annual Report. – Each manufacturer shall submit a report to the Department by 1 February of each year that includes all of the following for the previous calendar year:

(1) A description of the collection and recycling services used to recover the manufacturer's products.

(2) The quantity and type of computer equipment sold by the manufacturer to retail consumers in this State.

(3) The quantity and type of discarded computer equipment collected by the manufacturer for recovery in this State for the preceding calendar year.

(4) Any other information requested by the Department.

"**§ 130A-309.94. Requirements for discarded computer equipment collectors.**

Each discarded computer equipment collector shall ensure that discarded computer equipment received by the collector is consolidated at central locations, properly stored, and either held for pickup by a certified computer equipment recycling facility or delivered to a certified computer equipment recycling facility.

"**§ 130A-309.95. Certification of computer equipment recycling facilities.**

(a) A manufacturer may include a computer equipment recycling facility in its computer equipment recycling plan only if the computer equipment recycling facility has been certified by the Department. A computer equipment recycling facility must be certified by the Department in order to be eligible to invoice a manufacturer for the costs of recycling discarded computer equipment.

(b) In order to become a certified computer equipment recycling facility, the business entity that owns or operates the facility must apply to the Department for

certification. The Department shall certify computer equipment recycling facilities that are located within the State or outside the State but within the United States or its territorial possessions. The Department may certify a computer equipment recycling facility if the Department finds all of the following:

(1) The business entity is in substantial compliance with all international, federal, and State agreements, laws, regulations, and rules for the protection of the environment, including those governing the export of used products and materials.

(2) The business entity actively uses recognized recycling industry auditing and certification programs to assess ongoing business and environmental performance.

(3) The business entity has in place adequate policies and procedures to inventory and account for materials as they are received, stored, processed, and shipped.

(4) The business entity has implemented a plan for hazardous materials identification and management.

(5) The business entity has implemented a plan for reporting and responding to accidents, spills, fires, and explosions.

(6) The business entity has implemented an occupational health and safety program that provides adequate protection for employees and for other persons who enter the facility.

(7) The business entity and its suppliers and subcontractors do not use prison labor to collect, process, or market discarded computer equipment.

(8) The business entity does not export intact nonworking cathode ray tubes either directly or indirectly.

(9) The business entity maintains in force general liability insurance or equivalent corporate guarantees with limits of not less than one million dollars ($1,000,000) per occurrence and not less than ten million dollars ($10,000,000) in the aggregate.

(10) The business entity has a plan for the disruption or cessation of operations that provides for the completion of all work in progress; closure of the facility in compliance with all applicable federal and State laws, regulations, and rules, including the removal of all hazardous materials; and full payment of all costs of compliance with this subdivision.

(c) Each applicant for certification shall provide its schedule of charges for transporting and recycling of discarded computer equipment from computer equipment collectors. Each applicant shall describe its experience and capacity to manage discarded computer equipment and its system of inventory management and cost accounting. The Department shall evaluate an applicant's schedule of charges in relation to the applicant's experience and capacity to manage discarded computer equipment. The Department shall consider an applicant's schedule of charges in relation to the schedules of charges of other computer equipment recycling facilities and shall certify

the computer equipment recycling facility only if it determines that those charges are just and reasonable.

(d) At the time the annual renewal fee is due under subsection (e) of this section, each owner or operator of a certified computer equipment recycling facility shall submit:

(1) Information sufficient to demonstrate continued compliance with the requirements of this section.

(2) The information required by subsection (c) of this section.

(e) Each applicant for certification as a computer equipment recycling facility, at the time of registration, shall pay an application fee of five thousand dollars ($5,000) to the Department and shall pay an annual renewal fee of two thousand five hundred dollars ($2,500) to the Department. The annual renewal fee shall be paid each year no later than the first day of the month in which the application fee was paid. The proceeds of these fees shall be credited to the Computer Equipment Management Account.

(f) Each computer equipment recycling facility is subject to inspection by the Department at the time of an application for certification. Each certified computer equipment recycling facility is subject to inspection by the Department at any time. The Department may revoke the certification of a computer equipment recycling facility if the Department finds that the facility fails to meet any of the requirements of this section.

"**§ 130A-309.96. Requirements for certified computer equipment recycling facilities.**

(a) Each certified computer equipment recycling facility shall maintain an accounting and itemized inventory of the discarded computer equipment delivered to the facility by quantity, type, and manufacturer. Discarded computer equipment that cannot be inventoried by the identity of its manufacturer shall be inventoried as orphan discarded computer equipment.

(b) Each certified computer equipment recycling facility shall work cooperatively with manufacturers and shall enter into contractual arrangements with manufacturers under which the certified computer equipment recycling facility processes discarded computer equipment for reuse and recycling and invoices each manufacturer on a quarterly basis and under which each manufacturer pays the invoices on a timely basis.

(c) Each certified computer equipment recycling facility shall submit a report to the Department by 1 February of each year that includes all of the following for the previous calendar year:

(1) The quantity, type, and manufacturer of discarded computer equipment received by the facility.

(2) The quantity and types of materials recovered from discarded computer equipment for reuse and recycling.

(3) The quantity and types of materials discarded as waste.

(4) Any other information requested by the Department.

"**§ 130A-309.97. Responsibilities of the Department.**

In addition to its other responsibilities under this Part, the Department shall:

(1) No later than 1 March of each year, based on the information supplied by manufacturers pursuant G.S. 130A-309.93(i)(2), calculate the market share of each manufacturer for the previous calendar year. The market share of each manufacturer for the previous calendar year shall be that manufacturer's pro rata share of the cost of management of orphan discarded computer equipment waste by each certified computer equipment recycling facility for the previous calendar year.

(2) No later than 15 March of each year, notify each manufacturer and each certified computer equipment recycling facility of each manufacturer's pro rata share of the cost of management of orphan discarded computer equipment.

(3) Develop and maintain a current list of manufacturers that are in compliance with the requirements of G.S. 130A-309.93 and provide the current list to the Department of Administration each time that the list is updated.

(4) Develop and maintain a list of certified computer equipment recycling facilities and supply this list to each manufacturer registered under G.S. 130A-309.93.

(5) Develop and implement a public education program on the laws governing the recycling and reuse of discarded computer equipment under this Part and on the methods available to consumers to comply with those requirements. The Department shall make this information available on the Internet and shall provide technical assistance to manufacturers to meet the requirements of G.S. 130A-309.93(c)(7). The Department shall also provide technical assistance to units of local government on the establishment and operation of discarded computer equipment collection centers and in the development and implementation of local public education programs.

(6) Maintain the confidentiality of any information that is required to be submitted by a manufacturer or certified computer equipment recycling facility under this Part that is designated as a trade secret, as defined in G.S. 66-152(3) and that is designated as confidential or as a trade secret under G.S. 132-1.2.

"**§ 130A-309.98. Computer Equipment Management Account.**

The Computer Equipment Management Account is created as a nonreverting account within the Department. Funds in the Account shall be used by the Department to implement the provisions of this Part.

"**§ 130A-309.99. Enforcement.**

(a) This Part may be enforced as provided by Part 2 of Article 1 of this Chapter.

(b) If a manufacturer fails to pay the costs described in subdivisions (1) and (2) of G.S.130A-309.93(f), the Department may recover the unpaid costs plus all expenses of any action necessary to recover the unpaid costs from the manufacturer. The Attorney General may commence a civil action against a manufacturer to recover the costs and

expenses described in this section, which are in addition to any fines and civil penalties that may be imposed.

"**§ 130A-309.100. Annual report.**

No later than 1 April of each year, the Department shall submit a report on the recycling of discarded computer equipment in the State under this Part to the Environmental Review Commission. The report must include an evaluation of the recycling rates in the State for discarded computer equipment, a discussion of compliance and enforcement related to the requirements of this Part, and any recommendations for any changes to the system of collection and recycling of discarded computer equipment or other electronic devices."

SECTION 17.1(b) The Department shall include in the annual report for 1 April 2011, as required by G.S. 130A-309.100, as enacted by Section 17.1(a) of this act, an analysis of the feasibility and advisability of deleting the exclusion of printing devices from the definition of computer equipment as set out in G.S. 130A-309.91, as enacted by Section 17.1(a) of this act.

SECTION 17.2. G.S. 130A-309.09A(b)(6) reads as rewritten:

"(6) Include an assessment of current programs and a description of intended actions with respect to:

a. Education with the community and through the schools.

b. Management of special wastes.

c. Prevention of illegal disposal and management of litter.

d. Purchase of recycled materials and products manufactured with recycled materials.

e. For each county and each municipality with a population in excess of 25,000, collection of discarded computer equipment, as defined in G.S. 130A-309.91."

SECTION 17.3. G.S. 130A-309.10(f) is amended by adding a new subdivision to read:

"(14) Discarded computer equipment, as defined in G.S. 130A-309.91."

SECTION 17.4. G.S. 130A-309.10(f1) is amended by adding a new subdivision to read:

"(7) Discarded computer equipment, as defined in G.S. 130A-309.91."

SECTION 17.5. Part 4 of Article 3D of Chapter 147 of the General Statutes is amended by adding a new section to read:

"**§ 147-33.104. Purchase by State agencies and governmental entities of certain computer equipment prohibited.**

(a) The exemptions set out in G.S. 147-33.80 do not apply to this section.

(b) No State agency, political subdivision of the State, or other public body shall purchase computer equipment, as defined in G.S. 130A-309.91, from any manufacturer determined not to be in compliance with the requirements of G.S. 130A-309.93 as determined from the list provided by the Department of Environment and Natural Resources pursuant to G.S. 130A-309.97(3).

(c) The Office of Information Technology Services shall make the list available to political subdivisions of the State and other public bodies. A manufacturer that is not

in compliance with the requirements of G.S. 130A-309.93 shall not sell or offer for sale computer equipment to the State, a political subdivision of the State, or other public body."

SECTION 17.6(a) Part 2E of Article 9 of Chapter 130A of the General Statutes, as enacted by Section 17.1(a) of this act, becomes effective as follows:

(1) G.S.130A-309.90 becomes effective 1 January 2008.
(2) G.S.130A-309.91 becomes effective 1 January 2008.
(3) G.S.130A-309.92 becomes effective 1 January 2008.
(4) G.S.130A-309.93(a) becomes effective 1 January 2008.
(5) G.S.130A-309.93(b) becomes effective 1 January 2008.

SECTION 18.(c) Subsections (d), (e), (f), and (g) of G.S. 130A-295.01, as enacted by Section 1.4 of S.L. 2007-107, read as rewritten:

"~~(d)~~(e)

(1) Within 10 days of filing an application for a permit for a commercial hazardous waste facility, the applicant shall notify every person who

resides or owns property located within one-fourth mile of any property boundary of the facility that the application has been filed. The notice shall be by mail to residents and by certified mail to property owners, or by any other means approved by the Department, shall be in a form approved by the Department, and shall include all of the following:

~~(1)~~a. The location of the facility.

~~(2)~~b. A description of the facility.

~~(3)~~c. The hazardous and nonhazardous wastes that are to be received and processed at the facility.

~~(4)~~d. A description of the emergency response plan for the facility.

~~(e)~~(2) The permit holder for a commercial hazardous waste facility shall publish a notice that includes the information set out in ~~subsection (d)~~subdivision (1) of this ~~section~~ subsection annually beginning one year after the permit is issued. The notice shall be published in a form and manner approved by the Department in a newspaper of general circulation in the community where the facility is located.

~~(f)~~(3) The permit holder for a commercial hazardous waste facility shall provide the information set out in ~~subdivisions (1) through (4)~~ subdivision (1) of this subsection ~~(d) of this section~~ by mail to the persons described in subdivision (1) of this subsection ~~(d) of this section~~ at the midpoint of the period for which the permit is issued.

~~(g)~~(4) Each commercial hazardous waste facility applicant and permit holder shall provide documentation to demonstrate to the Department that the requirements set out in ~~subsections (d) through (f) of this section~~ subdivisions (1), (2), and (3) of this subsection have been met."

SECTION 18.(d) G.S. 130A-295.01(e), as enacted by Section 1.5 of S.L. 2007-107, is recodified as G.S. 130A-295.01(f).

SECTION 18.(e) G.S. 130A-295.01(f), as enacted by Section 1.6 of S.L. 2007-107, is recodified as G.S. 130A-295.01(g).

SECTION 18.(f) Subdivisions (6) and (7) of subsection (f) of Section 4.1 of S.L. 2007-107 read as rewritten:

"(6) Review the sprinkler requirements ~~for Hazardous Materials Facilities (Section 903.2.4)~~ under Section 903.2.4 of the State Building Code for facilities used to collect, store, process, treat, recycle, recover, or dispose of hazardous substance, as defined in 29 Code of Federal Regulations § 1910.120(a)(3) (1 July 2006 Edition), and determine whether sprinkler design criteria and coverage should be amended.

(7) Review the fire alarm requirements for ~~Hazardous Materials Facilities (Section 907.2.5)~~ under Section 903.2.4 of the State Building Code and determine whether the ~~relevant~~ facilities used to collect, store, process, treat, recycle, recover, or dispose of hazardous substance, as defined in 29 Code of Federal Regulations § 1910.120(a)(3) (1 July 2006 Edition), should have a full fire alarm system or, in the

alternative, full staffing as recommended by the Department of Environment and Natural Resources. If the Task Force determines that relevant facilities should have full staffing, the Task Force shall recommend the level of knowledge and training that should be required of the staff."

SECTION 19. The Division of Waste Management and the Division of Pollution Prevention and Environmental Assistance of the Department of Environment and Natural Resources shall jointly develop a proposal for a recycling program for fluorescent lamps. The program will be developed so as to ensure that substantially all of the mercury contained in fluorescent lamps will be recovered so as to facilitate a phaseout of incandescent lamps without damage to public health and the environment from the increased use of mercury lamps as replacements for fluorescent lamps. The Department of Environment and Natural Resources shall report its findings and recommendations, including legislative proposals and cost estimates, to the Environmental Review Commission on or before 1 March 2008.

SECTION 20. The Environmental Review Commission shall study issues related to the franchise of solid waste management facilities by units of local government. The Environmental Review Commission, with the assistance of the Department of Justice, shall study issues related to the transportation of solid waste by rail or barge, including the extent to which regulation of the transportation of solid waste by rail or barge by state governments may be preempted by federal law. The Environmental Review Commission shall report its findings and recommendations, including any legislative proposals, to the 2008 Regular Session of the General Assembly.

SECTION 21. If any section or provision of this act is declared unconstitutional or invalid by the courts, the unconstitutional or invalid section or provision does not affect the validity of this act as a whole or any part of this act other than the part declared to be unconstitutional or invalid.

SECTION 22. Except as otherwise provided in this act, this act is effective when it becomes law.

SENATE BILL 1492:
Solid Waste Management Act of 2007

BILL ANALYSIS

Committee:	Senate Finance	**Date:**	July 24, 2007
Introduced by:	Sen. Clodfelter	**Summary by:**	Jennifer McGinnis
Version:	Second Edition		Staff Attorney

SUMMARY: The 2nd Edition of Senate Bill 1492 would:

- *Clarify the circumstances under which an application for a solid waste management permit may be denied.*
- *Provide that solid waste management permits are not transferable.*
- *Increase the penalties that may be imposed for solid waste violations.*
- *Amend financial responsibility requirements for applicants and permit holders for solid waste management facilities.*
- *Clarify and expand the scope of environmental compliance review requirements.*
- *Clarify that a parent, subsidiary, or other affiliate of the applicant or parent, including any business entity or joint venturer with a direct or indirect interest in the applicant is subject to financial responsibility and environmental compliance review.*
- *Provide for siting of combustion products landfills in areas that have been formerly used for the storage or disposal of combustion products from coal-fired generating units at the same facility that generated the combustion products, and technical requirements for these landfills.*
- *Specify additional technical requirements for solid waste management facilities.*
- *Require that permit applicants for certain solid waste facilities conduct environmental impact studies and traffic studies of the impacts of the proposed facility.*
- *Clarify the circumstances under which a unit of local government may collect a solid waste availability fee.*
- *Authorize certain units of local government to hire landfill liaisons.*
- *Establish fees applicable to permits for solid waste management facilities to support the solid waste management program; and require the Department to issue a draft permit decision on an application for a permit subject to a fee within one year after the Department determines the application is complete.*
- *Establish a solid waste disposal tax of 1.50 per ton of waste to be imposed on the disposal of municipal solid waste in landfills in the State and on the transfer of municipal solid waste for disposal outside the State.*
- *Enact provisions related to the recycling of discarded computer equipment.*

BILL ANALYSIS: The bill would -

1) Clarify the circumstances under which an application for a solid waste management permit may be denied. The Department of Environment and Natural Resources (Department) must deny a permit if it finds that:

- Construction or operation of the proposed facility, or the cumulative impacts of the proposed facility and other facilities in the area, would: (1) be inconsistent with or violate rules adopted by the Commission for Health Services (Commission); (2) result in a violation of water quality standards; (3) result in significant damage to ecological systems, natural resources, cultural sites, recreation areas, or historic sites of more than local significance; (4) limit or threaten access to or use of public trust waters; (5) be inconsistent with the State solid waste management policy and goals and with the State solid waste management plan; or (6) have a disproportionate adverse impact on a minority or low-income community protected by Title VI of the federal Civil Rights Act of 1964.
- The proposed facility would be located in a natural hazard area, including a floodplain or an area subject to excessive seismic activity, such that the facility will present a risk to public health or safety.
- There is a practicable alternative that would accomplish the purposes of the proposed facility with less adverse impact on public resources, considering engineering requirements and economic costs.
- The cumulative impacts of the proposed facility and other facilities in the area of the proposed facility would violate the criteria listed above.

(2) Provide that solid waste management permits are not transferable.

(3) Increase the penalties that may be imposed for solid waste violations.

The amount that may be assessed for a penalty involving non-hazardous waste would be increased from $5,000 per day to $15,000 per day. The amount that may be assessed for a penalty involving hazardous waste would be increased from $25,000 per day to $32,500 per day.

In addition, the bill provides that the Secretary of Environment and Natural Resources may also assess the reasonable costs of any investigation, inspection, or monitoring associated with the assessment of the civil penalty against any person who is assessed a civil penalty for solid waste violations.

(4) Amend financial responsibility requirements for applicants and permit holders for solid waste management facilities: The bill would create a new G.S. 130A- 295.2, which would:

- Add definitions for "financial assurance," "financial qualification," and "financial responsibility."
- Require the Commission to adopt rules governing financial responsibility to ensure availability of sufficient funds for design, construction, operation, and maintenance (the statutes currently require rules governing financial responsibility for closure and post-closure maintenance and monitoring, and for any corrective action the Department may require).
- Authorize the Department to submit any filings pertaining to financial responsibility to the State Treasurer for review and recommendations.
- With regard to financial responsibility, require a permit holder to: (i) maintain financial responsibility in order to continue to hold a permit; (ii) provide any information requested by the Department concerning maintenance of financial responsibility; and, (iii) notify the Department of any significant change in information that might affect financial responsibility. Based upon review of information provided, the Department may require a permit holder to reestablish financial responsibility and may modify or revoke a permit, or require issuance of a new permit.

- With regard to financial qualification, authorize the Department, in its sole discretion, to require an applicant to:
  - Demonstrate its financial qualification for the design, construction, operation, and maintenance of a facility. If the Department requires a demonstration of financial qualification, the applicant or permit holder: (i) must provide an audited, certified financial statement; (ii) may do so through a combination of cash deposits, insurance, and binding loan commitments from a financial institution licensed to do business in the State and rated AAA by Standard & Poor's, Moody's Investor Service, or Fitch, Inc. If assets of a parent, subsidiary, or other affiliate of the applicant or a permit holder, or a joint venturer with a direct or indirect interest in the applicant or permit holder, are proposed to be used to demonstrate its financial qualification, then the party whose assets are to be used must be designated as a joint permittee with the applicant on the permit of the facility.
  - Provide cost estimates for site investigation; land acquisition, including financing terms and land ownership; design; construction of each five-year phase, if applicable; operation; maintenance; closure, and post-closure monitoring and maintenance of the facility to the Department.
- With regard to financial assurance:
  - Require an applicant and permit holder to establish financial assurance by a method or combination of methods that will ensure that sufficient funds for closure, post-closure maintenance and monitoring, and any corrective action that the Department may require, will be available during the active life of the facility, at closure, and for any post-closure period of time that the Department may require.
  - The applicant or permit holder may establish financial assurance through insurance, irrevocable letters of credit, trusts, surety bonds, or any other financial device, or any combination of the foregoing shown to provide protection equivalent to the financial protection that would be provided by insurance if insurance were the only mechanism used.
  - Assets used to meet financial assurance requirements must be in a form readily accessible to the Department, and inaccessible to the permit holder except as approved by the Department.
  - Require that the owner or operator of a sanitary landfill establish financial assurance sufficient to cover a minimum of $3,000,000 in costs for potential assessment and corrective action at the facility, and give the Department discretion to require financial assurance in a higher amount or increase the amount at any time based upon the types of waste disposed in the landfill, the projected amount of waste to be disposed in the landfill, the location of the landfill, potential receptors of releases from the landfill, and inflation.
  - Authorizes the Commission to adopt rules to allow a unit of local government or solid waste management authority to meet the financial responsibility requirements by either a local government financial test or a capital reserve fund requirement.

(5) Clarify and expand the scope of environmental compliance review requirements.

Under current statutory law, an applicant for a permit may be required to demonstrate that the applicant (and designated affiliated entities) has substantially complied with (i) the requirements applicable to any solid waste management activity in which the applicant has previously engaged, and (ii) federal and State laws, regulations, and rules for the protection of the environment.

The bill would create a new G.S. 130A-295.3 to require that the Department conduct an environmental compliance review of each applicant (and designated affiliated entities) to determine the extent to which the applicant has complied with (i) requirements applicable to activities in which it has previously engaged, and (ii) federal and state laws, regulations, and rules for the protection of the environment.. The bill authorizes the Department to deny an application for a permit if the applicant has a history of significant or repeated violations of statutes, rules, orders, or permit terms or conditions for the protection of the environment or for the conservation of natural resources.

(6) Clarify that a parent, subsidiary, or other affiliate of the applicant or parent, including any person with a direct or indirect interest in the applicant (other than a minority shareholder of a publicly traded corporation who has no involvement in the management or control of the corporation) is subject to financial responsibility and environmental compliance review.

(7) Provide for siting of combustion products landfills in areas that have been formerly used for the storage or disposal of combustion products from coal-fired generating units at the same facility that generated the combustion products, and technical requirements for these landfills.

(8) Specify additional technical requirements for solid waste management facilities. The bill would require:

- The Department to conduct a study of environmental impacts (EIS) from the proposed facility, and require the applicant to pay all costs incurred by the Department in connection with the study.
- A buffer of at least 200 feet between any stream or wetland and the nearest waste disposal unit of a sanitary landfill, except in certain circumstances.
- A sanitary landfill for the disposal of construction and demolition debris must be constructed with a composite liner system consisting of two components.
- A sanitary landfill must be constructed so that the post-settlement bottom elevation of the liner system, or the post-settlement bottom elevation of the waste if no liner system is required, is a minimum of four feet above both the seasonal high groundwater table and the bedrock datum plane contours.
- With respect to any sanitary landfill for which a liner is required, additional requirements for testing of geomembrane base liner systems for leaks and damage, and design and maintenance of leachate collection systems, lines, and pipes.
- A permit holder for a sanitary landfill to develop and implement a waste screening plan to ensure compliance with State laws and rules, and any applicable local ordinances, that prohibit the disposal of certain items in landfills.

The bill would prohibit:

- Construction of a waste disposal unit of a sanitary landfill in: a 100-year floodplain except as authorized by variance, a wetland; within 5 miles of the outermost boundary of a National Wildlife Refuge, 1 mile of the outermost boundary of a State gameland, or 2 miles of the outermost boundary of a component of the State Parks System.
- Issuance of a permit for a sanitary landfill that authorizes: (i) a capacity of more than 55 million cubic yards of waste; (ii) a disposal area of more than 350 acres; and (iii) a maximum height, including the cap and cover vegetation, of more than 250 feet above the mean natural elevation of the disposal area.

(9) Require that applicants for a permit for a sanitary landfill or for a transfer station conduct a traffic study of the impacts of the proposed facility.

(10) Clarify the circumstances under which a unit of local government may collect a solid waste availability fee.

(11) Authorize certain units of local government to hire landfill liaisons.

(12) Establish a schedule of fees applicable to permits for solid waste management facilities to support the solid waste management program. Requires the Department to issue a draft permit decision on an application for a permit subject to a fee within one year after the Department determines the application is complete.

(13) Establish a solid waste disposal tax of $1.50 per ton of waste to be imposed on the disposal of municipal solid waste in landfills in the State and on the transfer of municipal solid waste for disposal outside the State in order to provide funds for: (i) the assessment and remediation of orphan landfills (67%); and (ii) grants to units of local government to initiate or enhance local recycling programs (33%).

One designated use of the funds is remediation of pre-1983 landfills ("orphan" landfills) – the bill requires the Secretary of Environment and Natural Resources to assess these landfills, determine their priority for remediation, and to develop and implement a remedial action plan for each landfill that requires remediation. The bill provides that with regard to these landfills, the Secretary must not seek cost recovery from the potentially responsible parties for a particular site if the Secretary develops and implements a remedial action for the site and the party cooperates with the assessment and remediation program. The Secretary will develop and implement a remedial action plan only if funds are available to pay the cost of implementation.

(14) Enact provisions related to the recycling of discarded computer equipment. The bill:

- Establishes the North Carolina Producer Responsibility Program (program) for the recycling of discarded computer equipment.
- Prohibits the disposal of discarded computer equipment in landfills or by incineration effective 1 January 2011.
- Requires each manufacturer of computer equipment sold in the State to:
  - Register with the Department.
  - Pay a $10,000 initial registration fee and an annual registration fee. The proceeds of the fees would be credited to the Computer Equipment Management Account, a non-reverting account established within the Department.
  - Submit a plan to the Department for the recycling or reuse of computer equipment produced by the manufacturer and discarded by households in the State.
  - Pay the reasonable costs of operating a certified computer recycling facility that are attributable to handling discarded equipment by households in the State, the costs of transporting the discarded equipment, and the actual costs of recycling the discarded computer equipment.
  - Submit a report to the Department by 31 January of each year.
- Requires computers sold in the State to include a label identifying the manufacturer.
- Allows manufacturers to participate in collective recovery plans with other manufacturers.
- Prohibits manufacturers not in compliance with requirements from selling computer equipment to the State and to political subdivisions of the State.

- Provides that only computer equipment recycling facilities certified by the Department may accept discarded computer equipment for recycling and establishes environmentally sound management standards that must be met for a computer equipment recycling facility to be certified by the Department.
- In addition to certification of computer equipment recycling facility, the bill requires the Department to: (i) calculate each manufacturer's market share for the previous calendar year in order to determine the manufacturer's pro-rata share of orphan discarded computer equipment and to notify each manufacturers by 15 March of each year of their share; (ii) supply manufacturers with a list of certified recycling facilities; (iii) develop and maintain a list of manufacturers in compliance with the applicable provisions; (iv) develop and implement a public education program on recycling of discarded computer equipment and provide technical assistance to local governments and manufacturers; (v) submit a report on the recycling of discarded computer equipment to the Environmental Review Commission no later than 1 April of each year.
- Requires computer equipment collectors that participate in the program to ensure that discarded computer equipment is delivered to a certified recycling facility.
- Authorizes the Attorney General to commence a civil action against a manufacturer to recover costs, in addition to any fines or penalties imposed.

(15) Make related clarifying, conforming, and technical changes.

BILL SUMMARY:
Senate Bill 1492 would:

- Clarify the circumstances under which an application for a solid waste management permit may be denied.
- Provide that solid waste management permits are not transferable.
- Increase the penalties that may be imposed for solid waste violations.
- Amend financial responsibility requirements for applicants and permit holders for solid waste management facilities.
- Clarify and expand the scope of environmental compliance review requirements.
- Clarify that a parent, subsidiary, or other affiliate of the applicant or parent, including any business entity or joint venturer with a direct or indirect interest in the applicant is subject to financial responsibility and environmental compliance review.
- Provide for siting of combustion products landfills in areas that have been formerly used for the storage or disposal of combustion products from coal-fired generating units at the same facility that generated the combustion products, and technical requirements for these landfills.
- Specify additional technical requirements for solid waste management facilities.
- Require that permit applicants for certain solid waste facilities conduct environmental impact studies and traffic studies of the impacts of the proposed facility.

- Enact provisions related to the recycling of discarded computer equipment.

ASSUMPTIONS AND METHODOLOGY:

DEPARTMENT OF ENVIRONMENT AND NATURAL RESOURCES

Revenues

Section 3 – Administrative Penalties

Over the past five years, the Division of Waste Management (DWM) has collected an average of $52,474 annually in administrative penalties. DWM estimates that as the number of inspections increases, the number of penalties most likely will decrease due to improved compliance. However, DWM also anticipates that as inspections increase, the number of illegal or non-permitted facilities with violations will increase. Thus, DWM anticipates a steady state in the overall number of penalties assessed and anticipates collecting $157,423 annually in administrative penalties once the penalty increase is enacted. This penalty money goes to the Civil Penalty and Forfeiture Fund.

Section 14 – Landfill Permit Fees

Section 14 creates landfill permit fees for new permits, amendments, and modifications. The following table provides an estimate of anticipated yearly revenue from these fees.

New Permits, Amendments, & Modifications

	Modification		$ 250	10.00	$ **2,500**
	Subtotal Permit Fees	**394**		**158.50**	$ **587,400**

Section 14 also establishes annual permit fees and post-closure fees. The following table provides an estimate of anticipated yearly revenue from these fees.

Annual Fees

Type	Total Number	Fee	Annual Number	Revenue
MSW	55			
Annual		$ 3,500	40	$ **140,000**
Post-Closure		$ 1,000	15	$ **15,000**

LCID	139	$ 500	139	$ **69,500**
Subtotal Annual Fees	**417**		**417**	$ **523,750**

Together these fees would generate $1,111,150 annually.

Section 15 – Solid Waste Disposal Tax

Section 15 of the bill imposes a tax on the disposal of municipal solid waste (MSW) and construction and demolition (C&D) debris of $1.50 per ton of waste.

The following table shows the projection for the amount of revenue collected under this tax:

Solid Waste Disposal Tax Revenue Projection

	FY 2007-08	FY 2008-09	FY 2009-10	FY 2010-11	FY 2011-12

Available Revenue		$18,871,697	$19,371,405	$19,871,112	$20,370,821

*a steady average is used for out-of-state waste because there is no discernible trend in collection

The revenue from this tax would be distributed as follows:

- 67% to the Inactive Hazardous Sites Cleanup Fund for assessment and remediation of pre-1983 landfills. Up to 7% of this amount may be used for administrative costs.
- 33% to the Solid Waste Management Trust Fund for grants for recycling programs. Up to 7% of this amount may be used for administrative costs.

The following table demonstrates the revenue distribution for each of these Funds:

Solid Waste Disposal Tax Revenue Distribution

	FY 2007-08	FY 2008-09	FY 2009-10	FY 2010-11	FY 2011-12
Available Revenue	$0	$18,871,697	$19,371,405	$19,871,112	$20,370,821
67% Inactive Hazardous Sites	$0	$12,644,037	$12,978,841	$13,313,645	$13,648,450

7% Admin. Allowance	$0	$435,936	$447,479	$459,023	$470,566

Section 17 – Discarded Computer Equipment Management

Section 17 requires each manufacturer of computer equipment to pay an initial registration fee of $10,000 and an annual renewal registration fee of $1,000. These fees would be credited to the Computer Equipment Management Account.

Based on experiences in other states, DENR estimates that there might be 75-80 registered manufacturers in North Carolina. Revenue from the first year would be between $750,000 and $800,000 and $75,000 to $80,000 in annual renewals thereafter.

Section 17 also requires computer equipment recycling facilities to pay an initial registration fee of $5,000 and an annual renewal fee of $2,500. These fees would also be credited to the Computer Equipment Management Account.

DENR estimates that there would be between 15 and 20 registered computer equipment recycling facilities. Revenue in the first year would be between $75,000 and $100,000 with $37,500 to $50,000 in annual renewals thereafter.

Expenditures

Revenue collected under the Solid Waste Disposal Tax for the Inactive Hazardous Sites Cleanup Fund and the Solid Waste Management Trust Fund would be expended by DENR as directed in the bill. The other costs for DENR would be for administrative expenses to administer these programs. DENR estimates that a total of 32 permanent positions would be needed and 2 time-limited positions. The following chart breaks out the number of positions by Division:

	FY 2007-08	FY 2008-09	FY 2009-10	FY 2010-11	FY 2011-12

Section 9 - Landfill Construction Costs

If local governments construct a new landfill, they will have to conform to the landfill requirements as specified in Section 9.

The following table illustrates the five-year costs for a new MSW landfill to conform to these requirements. The table is based on an average-sized 76-acre landfill with 19 acres constructed in the first 5 years.

Section 14 - Landfill Permit Fees

Local governments that operate their own landfills will have to pay the annual permit fees. If they modify or amend an existing landfill or build a new landfill, they will have to pay the corresponding permit fees. Of the estimated $1,111,150 in permit fees that DENR will collect annually, **$742,622 will be paid by publicly-owned facilities.**

Section 15 – Solid Waste Disposal Tax

Due to insufficient data related to local government waste collection, an estimate is not available as to how much local governments will pay of the approximately $19 million collected from the Solid Waste Disposal Tax.

INFORMATION TECHNOLOGY SERVICES

Revenues

The Office of Information Technology Services (ITS) does not receive any revenue. The proceeds of fees collected from manufacturers are credited to the Computer Equipment Management Account maintained by the Department of Environment and Natural Resources.

Expenditures

ITS makes bulk purchases of computers on a quarterly basis. State agencies provide ITS with information on their desktop and laptop requirements, standard configurations are advertised, and the lowest bidder is awarded a contract. From November 2004 through May 2007, desktop and laptop bulk purchases saved State agencies $18,928,441.78. Restricting the number of manufacturers eligible to compete for these contracts could reduce the State's ability to continue to realize the same level of savings. However, until DENR develops a list of eligible manufacturers, it is not possible to determine how significant this reduction might be.

JUSTICE SYSTEM

Expenditures

General expansion of the solid waste management permitting requirements, financial responsibility requirements, and other rules and restrictions may increase the potential for violation of the provisions of Chapter 130A or rules adopted by the Commission for Health Services – a Class 1 misdemeanor offense per G.S. 130A-25. In addition, the Sentencing and Policy Advisory Commission identifies the following new Class 1 misdemeanor offenses (per G.S. 130A-25(a) and 14-3(a)):

G.S. 130A-309.93., Requirements for manufacturers: Subsection (b) makes it a criminal offense for a manufacturer (as defined by statute) to offer for sale in North Carolina computer equipment without a visible, permanent label affixed that clearly identifies the manufacturer. Effective January 1, 2008, and would apply to sales that occur on or after that date.

G.S. 130A-309.94., Requirements for discarded computer equipment collectors: Makes it a criminal offense for a collector to fail to ensure that received equipment is consolidated at central locations, properly stored, and either held for pickup by a certified computer equipment recycling facility, or delivered to a certified computer equipment recycling facility. Effective January 1, 2009.

G.S. 130A-309.96., Requirements for certified computer equipment recycling facilities: This section makes it a criminal offense for a certified computer equipment recycling facility to do any of the following:

a. fail to maintain an accounting and itemized inventory of discarded computer equipment delivered to its facility.
b. fail to "work cooperatively" with manufacturers and to enter into contractual agreements providing for the reuse and recycling of discarded equipment, under which the recycler appropriately invoices manufacturers and manufacturers make timely payments; or
c. fail to submit annual reports as provided.

Subsection (a) is effective January 1, 2009; subsection (b) is effective January 1, 2008; and subsection (c) is effective January 1, 2010.

SECTION 17.3: Amends G.S. 130A-309.10., Prohibited acts relating to packaging; coded labeling of plastic containers required; disposal of certain solid wastes in landfills or by incineration prohibited, to add subdivision (f)(14) which makes it a criminal offense for a person to knowingly dispose of discarded computer equipment in a landfill. Effective January 1, 2011, and would apply to offenses that occur on or after that date.

SECTION 17.4: Amends G.S. 130A-309.10., Prohibited acts relating to packaging; coded labeling of plastic containers required; disposal of certain solid wastes in landfills or by incineration prohibited, to add subdivision (f1) (7) which makes it a criminal offense for a person to knowingly dispose of discarded computer equipment by incineration in an incinerator for which a permit is required under Chapter 130A, Article 9. Effective January 1, 2011, and would apply to offenses that occur on or after that date.

Although the Division of Waste Management anticipates an increase in violations among illegal or non-permitted facilities as inspections increase, it is not known how many additional criminal charges or convictions might result from this proposed legislation. Nor is it known how many

administrative penalty appeals or injunctive relief actions will be commenced. Consequently, the potential impact on the justice system is indeterminate.

Department of Correction

Because Class 1 misdemeanants serve their designated terms of incarceration within local jails, any resultant active sentence due to this proposal should not impact the state's prison population.[1] The potential impact on local jail populations is unknown.

In FY 2005-06, 20% of Class 1 misdemeanor convictions resulted in active sentences, with an average estimated time served of 31 days. Accordingly, to the extent that future convictions for the proposed offense were to result in active sentences longer than 30 days, the Department of Correction could incur some additional costs for county reimbursement. However, given the typical length for Class 1 active sentences, Fiscal Research does not anticipate a significant increase in reimbursements due to this proposal.

The remaining 80% of Class 1 misdemeanants in FY 2005-06 received non-active, intermediate or community punishments. Thus, if new convictions were to occur, the Division of Community Corrections (DCC) could incur some additional costs for offenders placed under its supervision. Included below is a brief overview of DCC sanction costs, per offender:

- General supervision of intermediate and community offenders by a probation officer costs DCC $1.96 per offender, per day; no cost is assumed for those receiving unsupervised probation, or who are ordered only to pay fines, fees, or restitution. DCC also incurs a daily cost of $0.69 per offender sentenced to the Community Service Work Program.
- The daily cost per offender on intermediate sanction is much higher, ranging from $7.71 to $14.97 depending on the type of sanction.
- Intensive supervision probation is the most frequently used intermediate sanction, and costs an estimated $14.97 per offender, per day; on average, intensive supervision lasts six-months, with general supervision assumed for a designated period thereafter.

Judicial Branch

Though the number of number of resultant Class 1 misdemeanor charges is indeterminate, the Administrative Office of the Courts expects that any additional caseload will increase court-time requirements and the associated costs of case disposal. Presently the estimated costs per Class 1 misdemeanor trial and plea are $3,702 and $243, respectively.[2]

Court-time requirements could also increase, depending on the number of resultant administrative penalty appeals and injunctive relief actions.

Department of Justice

Where authorized, the Attorney General may commence actions for injunctive relief of believed violations of the Chapter. Accordingly, some additional workload could be assumed, contingent upon the number of petitions for relief. The degree of such impact is indeterminate.

---

[1] Active sentences between 1-90 days are served in local jails. The Department of Correction reimburses counties $18 per day for offenders housed longer than 30 days (between 30 and 90). Sentences longer than 90 days are to be served in state prison; however, when bed shortages demand it, the State may lease needed beds from counties.

[2] Cost estimates account for indigent defense; however, actual costs may vary with time requirements and disposition.

TECHNICAL CONSIDERATIONS:
Section 15 allows the Department of Revenue (DOR) to retain up to $225,000 of the Solid Waste Disposal Tax for the costs of collection. However, HB 1473, 5th edition and 8th edition contain provisions increasing this amount up to $425,000 for two other similar taxes - the White Goods Tax and the Scrap Tire Tax.

Re: SB 1492, Solid Waste Management Act of 2007

On behalf of our organizations, we write to express our support for SB 1492, Solid Waste Management Act of 2007. SB 1492 stands to become the most comprehensive and important update of North Carolina's solid waste laws since 1991.

Keeping pace with rapid population growth and the influx of solid waste that will come on its heels, SB 1492 will protect public health and the environment while keeping disposal options affordable for all of North Carolina.

As participants in the stakeholder process, we wish to emphasize the following provisions as critical elements that must remain a part of the final bill language:

- ✓ New safeguards to protect drinking water supplies, wetlands, streams, sensitive soils and public lands, particularly plastic single liners for construction and demolition waste and 200 foot buffers from streams and wetlands.
- ✓ Close the loophole that excludes publicly owned landfills from a state level environmental review, and create a comparable environmental review process for privately owned landfills.
- ✓ Protect North Carolina's investment in resources held in the public trust by requiring significant buffers between landfills and state parks and gamelands, as well as National Wildlife Refuges.
- ✓ Encourage North Carolina's growing recycling economy by directing a portion of revenue from the per ton tip fee to local and state government recycling programs and a portion per ton for cleaning up unlined landfills.
- ✓ Create an efficient and convenient computer collection and recovery system at no charge to the State.
- ✓ Protect taxpayers by requiring landfill applicants demonstrate financial assurance, and require disclosure of all owners and operators with a financial interest in landfills.

We urge the Senate to pass SB 1492 including all of the provisions above

Short Title: Canal Dredging Fee/Brunswick Fire Fees. (Local)

Sponsors:

Referred to:

March 1, 2007

A BILL TO BE ENTITLED

AN ACT TO AUTHORIZE THE TOWNS OF OCEAN ISLE BEACH, EMERALD ISLE, AND HOLDEN BEACH TO SET CANAL DREDGING FEES BASED ON A PROPERTY OWNER'S FRONTAGE ABUTTING A DREDGING PROJECT, AND TO MODIFY BRUNSWICK COUNTY'S FIRE PROTECTION FEES.

The General Assembly of North Carolina enacts:

SECTION 1. Section 3 of S.L. 2004-104 reads as rewritten:

"**SECTION 3.** Fees. – The fees imposed by the municipality may not exceed the cost of providing for the dredging of the canals within the municipality. The fees shall be imposed on owners of each dwelling unit or parcel of property that could or does benefit from water access through the canal system on the ~~island.~~ island and shall be made on the basis of one of the following:

(1) The frontage abutting the project at an equal rate per foot of frontage.

(2) Per unit or parcel of property."

SECTION 2. Section 1 of S.L. 1999-323, as amended by S.L. 2001-74, reads as rewritten:

"**Section 1.** Fee-supported fire districts.

"**Section 1.(a)** Request for Fee-Supported District. – A county may create a fee-supported fire district for insurance grading purposes if it receives one of the following:

(1) A written request to create the district signed by at least two-thirds of the members of the board of directors of a fire department that contracts with the county to provide fire protection within an area of the county.

(2) A petition requesting creation of a district signed by fifteen percent (15%) of the resident freeholders living in an area in the county. The petition must describe the area to be designated as the district.

"**Section 1.(b)** Creation of Fee-Supported District. – Upon receipt of a request as provided in subsection (a), the county may adopt a resolution establishing a fee-supported fire district and imposing annual fees for the provision of fire protection services within the district. The fee may be established or changed only after the county board of commissioners has received the recommendations of the committee for that district, established under subsection (b1) of this section. The district may not include any area that is within (i) a tax-supported fire district established under Article 3A of Chapter 69 of the General Statutes; (ii) a county service district established under Article 16 of Chapter 153A of the General Statutes for fire protection purposes; or (iii) another fee-supported fire district. The district may not include any area that is within the corporate limits of a municipality unless the governing body of the municipality agrees to the inclusion. However, it is not necessary to obtain the consent of a municipality if the municipality has not levied a tax, performed any official act, nor held any elections within a period of 10 years preceding the adoption of the resolution including the area within the district.

"**Section 1.(b1)** Committee for District. – Each district shall have a committee to allow local control over the fee-setting process. In each district that does not include any territory in a participating municipality, the committee shall consist of five members as follows: The Fire Chief, the member of the board of county commissioners in whose electoral district more than fifty percent (50%) of the land area of the district lies, a community member chosen by the Fire Department Board of Directors, a community member chosen by the board of county commissioners, and the Fire Marshal. In each district that does include any territory in a participating municipality, the committee shall consist of members as follows: The Fire Chief, the mayor of each participating municipality in the district, the member of the board of county commissioners in whose electoral district more than fifty percent (50%) of the land area of the district lies, a community member chosen by the Fire Department Board of Directors, a community member chosen by the board of county commissioners, and the Fire Marshal. In either type of district, the Fire Marshal shall chair the committee, but may vote only to break a tie. The committee shall conduct an inquiry into the amount of funds required by the district to meet its needs, and shall make findings on the issue. The committee will communicate these findings to the board of county commissioners and recommend a fee. The board of county commissioners will then set the fee. The same process shall be used for changes to the fee once established.

"**Section 1.(c)** Fees. – The fees imposed by the county may not exceed the cost of providing fire protection services within the district and may be imposed on owners of all real property that benefits from the availability of fire protection and on owners of all manufactured or mobile homes that benefit from the availability of fire protection. For the purpose of this section, the term 'fire protection' includes furnishing emergency medical, rescue, and ambulance services to protect persons in the district from injury or death. The county shall establish a schedule of fees for different classes of property and the fee for each class of property shall be proportional to the estimated cost of providing fire protection services to that class of property. The schedule of fees shall include the

following classes of property and the fee on each class of property shall not exceed the following maximums:

(1) A single-family dwelling or manufactured or mobile home, and appurtenant structures, plus up to five acres of surrounding land. The fee on this class of property may not exceed:

a. Fifty dollars ($50.00) per site per year for homes ~~1,500~~ 1,000 square feet of heated floor area or less.

b. One hundred dollars ($100.00) per site per year for homes greater than ~~1,500~~ 1,000 square feet of heated floor area but less than ~~2,500~~ 2,000 square feet of heated floor area.

c. ~~One hundred fifty dollars ($150.00)~~ Two hundred dollars ($200.00) per site per year for homes ~~2,500 square feet of heated floor area and above.~~greater than 2,000 square feet of floor area but not greater than 3,000 square feet of heated floor area.

d. Three hundred dollars ($300.00) per site per year for homes greater than 3,000 square feet of floor area but not greater than 4,000 square feet of heated floor area.

e. Four hundred dollars ($400.00) per site per year for homes greater than 4,000 square feet of floor area but not greater than 5,000 square feet of heated floor area.

f. Five hundred dollars ($500.00) per site per year for homes greater than 5,000 square feet of floor area but not greater than 6,000 square feet of heated floor area.

g. Six hundred dollars ($600.00) per site per year for homes greater than 6,000 square feet of floor area but not greater than 7,000 square feet of heated floor area.

h. Seven hundred dollars ($700.00) per site per year for homes greater than 7,000 square feet of floor area but not greater than 8,000 square feet of heated floor area.

i. Eight hundred dollars ($800.00) per site per year for homes greater than 8,000 square feet of heated floor area.

(2) Unimproved land other than the five acres of land classified as part of a single-family dwelling or manufactured or mobile home. The county may establish a maximum fee for unimproved land as follows:

a. Up to five acres, ~~five dollars ($5.00).~~ ten dollars ($10.00).

b. Five acres or more but less than 25 acres, ~~ten dollars ($10.00).~~twenty dollars ($20.00).

c. 25 acres or more but less than ~~100~~ 50 acres, fifty dollars ($50.00).

f. 100,000 square feet or over, ~~three thousand dollars ($3,000).~~eight thousand dollars ($8,000).

(5) A multiple-family dwelling. Each unit in a multiple-family dwelling shall be treated as a single-family dwelling under subdivision (1) of this subsection.

(6) Any other class of property selected by the county. The fee on these classes of property may not exceed one hundred dollars ($100.00) per year.

(7) Outbuildings and special structures that fail to fall into any category above will be classified based on the most appropriate category determined by the specific use of the type of structure.

"**Section 1.(d)** Billing of Fees. – The county may include a fee imposed under this section on the property tax bill for the real property, or the manufactured or mobile home, on which the fee is imposed.

"**Section 1.(e)** Use of Fees. – The county shall credit the fees collected within the district to a separate fund to be used only to furnish fire protection in the district. The board of commissioners shall administer the fund to provide fire protection by one or more of the following methods:

(1) Contracting with any municipality, any incorporated nonprofit volunteer or community fire department, or the Department of Environment and Natural Resources.

(2) Furnishing fire protection itself if it maintains an organized fire department.

(3) Establishing a fire department in the district.

"**Section 1.(f)** Audit of Fire Department. – If the county contracts with a fire department to provide fire protection services in a fee-supported fire district, the fire department shall prepare an annual budget based on anticipated revenues and shall submit the budget to the county for processing and approval through the county's regular budget procedure. The fire department shall contract for quarterly bookkeeping/accounting services from an independent accountant for each fiscal year July 1 through June 30. The independent accountant must be approved in advance by the County Finance Officer. The fire department is to submit all invoices, cash receipts, bank statements with canceled checks or facsimiles, check registers or stubs, and other financial source documents to the accountant within 15 days of the end of each fiscal quarter. The accountant is to provide a monthly bank reconciliation for each month of the quarter, an itemized schedule of all disbursements for the quarter, and an itemized schedule of cash receipts for the quarter, a quarterly financial report, and a year-to-date financial report directly to the County Fire Marshal's office within 45 days of the end of each fiscal quarter. Funding will not be disbursed until the financial report is accepted by the Finance Officer. The fire department agrees to contract for an independent financial audit conducted by a certified public accountant in accordance with generally accepted accounting principles, for each fiscal year July 1 through June 30 to be completed by October 31 after that fiscal year and submitted to the Brunswick County Emergency Services Department by November 10 following that fiscal year and will comply with federal and State laws and regulations related to financial and compliance audits. Towns will handle all financing and accounts that are spent for the town fire departments. The Town will follow all accounting principles and practices as required by the State of North Carolina. The Treasurer of any fee-supported department shall be bonded for at least one and one-half times the department's annual budget. ~~Upon request of the county, the fire department shall make quarterly or semiannual reports to the county detailing its revenues, expenditures, and activities.~~ The county may audit the fire department's financial records upon reasonable notice to the fire department. Any fees

collected by the county to be disbursed to a fee-supported department will be withheld until all fiscal issues are resolved to the satisfaction of the County Finance Officer.

"**Section 1.(g)** Extension of Area of District. – The county may by resolution annex to any fee-supported fire district any territory that it could include in a new district under subsection (c) of this section, upon finding that:

(1) The area to be annexed is contiguous to the district, with at least one-eighth of the area's aggregate external boundary coincident with the existing boundary of the district; and

(2) The area to be annexed requires the services of the district.

The county may also by resolution annex to any fee-supported fire district any territory it could include in a new district under subsection (c) of this section if seventy-five percent (75%) of the real property owners in the territory to be annexed have petitioned the board of commissioners for annexation to the service district.

The area of any fee-supported fire district may be increased by including within the boundaries of the district any adjoining territory lying within a municipality if the territory is not already included in another fire protection district, and both the municipal governing body and the county commissioners of the county in which the district is located agree by resolution to the inclusion. However, it is not necessary to obtain the consent of a municipality if the municipality has not levied a tax, performed any official act, nor held any elections within a period of 10 years preceding the adoption of the resolution including the area within the district.

"**Section 1.(h)** Annexation of District. – When any portion of a fee-supported fire district has been annexed by a municipality furnishing fire protection to its citizens, and the municipality has not agreed to allow territory within it to be in the district, then the portion of the district annexed is no longer part of a fee-supported district. For the purposes of this section and regardless of the actual effective date of annexation, the date of annexation shall be considered to be a date in the month of June. When any portion of a fee-supported fire district is annexed by a municipality furnishing fire protection to its citizens, there is debt associated with the prior fee-supported district providing the fire protection to that area, an assumption of debt shall be paid to the fee-supported district at a rate of not less than one-half the fees that are collected from the annexed area for a period of not less than three years. This shall in no way limit or restrict a municipality from contracting with a fee-supported district to provide fire protection services nor shall it require a fee-supported district to provide fire protection services without an additional contract.

"**Section 1.(i)** Abolition of District. – Upon finding that there is no longer a need for a given fee-supported fire district, the board of commissioners may repeal the resolution establishing the district and thus abolish the district.

"**Section 1.(j)** Administrative Oversight. – Each nonmunicipal department shall bring any purchase in excess of ten thousand dollars ($10,000) for approval to a fire protection oversight board that is determined by the board of commissioners of the county and is chaired by the Emergency Services Director or his designee. Failure to adhere to the recommendations of the committee could lead to forfeiture of collected fees. All departments that receive funding from a fee-supported district shall participate

in countywide strategic planning sessions conducted by the emergency services office no less than once a year.

"**Section 1.(k)** Collection Remedies. – A county may foreclose fire fee liens under any procedure provided by law for the foreclosure of property tax liens, except that: (i) lien sales and lien sale certificates are not required, and (ii) foreclosure may be begun at any time after 30 days after the due date. The county is not entitled to a deficiency judgment in an action to foreclose a fire fee lien. The lien of fire fees is inferior to all prior and subsequent liens for State, local, and federal taxes, and superior to all other liens."

SECTION 3. Section 2 of this act becomes effective January 1, 2008. The remainder of this act is effective when it becomes law.

HOUSE BILL 429:
Canal Dredging Fee/Brunswick Fire Fees

BILL ANALYSIS

Committee:	Senate Finance	**Date:**	July 25, 2007
Introduced by:	Rep. Stiller	**Summary by:**	Trina Griffin
Version:	PCS to Second Edition H429-CSSVf-50		Committee Counsel

SUMMARY: House Bill 429 2nd edition gives the Towns of Ocean Isle, Emerald Isle, and Holden Beach the option of basing the canal dredging fee amount either on a per unit or parcel of property or on the frontage abutting the project at an equal rate per foot of frontage. Under current law, the towns may base fees only on a per unit or per parcel basis.

The Proposed Committee Substitute adds a provision modifying the Brunswick County fees for providing emergency services by fire departments.

CURRENT LAW: In 2004, the General Assembly authorized the Town of Ocean Isle Beach to create a fee-supported canal dredging district for properties that are contiguous to a canal within the town limits (S.L. 2004-104). In 2005, the General Assembly extended this same authority to the Towns of Emerald Isle (S.L. 2005-47) and Holden Beach (S.L. 2005-90). The legislation provided the following:

- The annual fee may not exceed the cost of providing for the dredging of canals, both natural and concrete.
- The fee would be imposed on owners of each dwelling unit or parcel of property that could or does benefit from water access through the canal system.
- The dredging fee may be included on the property tax bill and collected in the same manner as property taxes. The remedies for collection of taxes will also apply to the collection of these fees.
- The fees collected shall be placed in a separate fund to be used only to pay the bill for canal dredging.

This legislation was proposed to provide the means to remove the silt and sand that have flowed into the canals in the towns impeding the navigability of the canals. These canals provide water access from the Intracoastal Waterway to lots and rights-of-way within the towns' limits.

BILL ANALYSIS:

Section 1 of House Bill 429 would give Ocean Isle, Emerald Isle, and Holden Beach an option with regard to setting the annual fee amount to be assessed on owners of property who benefit from a canal dredging project. The fee amount would be determined based upon one of the following:

- The frontage abutting the project at an equal rate per foot of frontage.
- Per unit or parcel of property.

Under current law, the towns may base fees only on a per unit or per parcel basis. This bill offers an additional option based on frontage. The bill does not change the manner in which the fees are collected. The fees may be imposed annually, must be established by July 1 of each year, and are collected in the same manner as property tax.

This section would be effective when it becomes law.

Section 2 of the House Bill 429 would modify the Brunswick County fees for providing emergency services by fire departments.

this section would become effective January 1, 2008.

BACKGROUND: The current law was patterned after fire fee district legislation. Under that type of legislation, fees are based on a per unit or per parcel basis. Ocean Isle has requested that it be able to set the fees based on the frontage abutting the canal dredging project because it more fairly apportions the cost among the property owners. Thus a property owner who owns two lots equaling 500 feet would pay less than a property owner with one lot measuring over 1,000 feet. This method of determining fees is similar to the basis for determining special assessments. However, Ocean Isle would like to continue collecting the fees in the same manner as it is currently collecting them and not under the procedures for special assessments.

Emerald Isle would like to retain the option of basing the fees on a per unit or per parcel basis. Since all three towns derive their fee authority for canal dredging projects from the same local act, the bill has been amended to provide both options for setting fees to all three towns.

A BILL TO BE ENTITLED

AN ACT PROVIDING FOR HOW THE STATE TREASURER SHALL ADDRESS CERTAIN STATE INVESTMENTS RELATING TO SUDAN.

The General Assembly of North Carolina enacts:

SECTION 1. Legislative findings.

(1) On July 23, 2004, the United States Congress declared that "the atrocities unfolding in Darfur, Sudan, are genocide."

(2) On September 9, 2004, Secretary of State Colin L. Powell told the U.S. Senate Foreign Relations Committee that "genocide has occurred and may still be occurring in Darfur" and "the Government of Sudan and the Janjaweed bear responsibility."

(3) On September 21, 2004, addressing the United Nations General Assembly, President George W. Bush affirmed the Secretary of State's finding and stated, "At this hour, the world is witnessing terrible suffering and horrible crimes in the Darfur region of Sudan, crimes my government has concluded are genocide."

(4) On December 7, 2004, the U.S. Congress noted that the genocidal policy in Darfur has led to reports of "systematic rape of thousands of women and girls, the abduction of women and children, and the destruction of hundreds of ethnically African villages, including the poisoning of their wells and the plunder of their crops and cattle upon which the people of such villages sustain themselves."

(5) Also on December 7, 2004, Congress found that "the Government of Sudan has restricted access by humanitarian and human rights workers

to the Darfur area through intimidation by military and security forces, and through bureaucratic and administrative obstruction, in an attempt to inflict the most devastating harm on those individuals displaced from their villages and homes without any means of sustenance or shelter."

(6) On September 25, 2006, Congress reaffirmed that "the genocide unfolding in the Darfur region of Sudan is characterized by acts of terrorism and atrocities directed against civilians, including mass murder, rape, and sexual violence committed by the Janjaweed and associated militias with the complicity and support of the National Congress Party-led faction of the Government of Sudan."

(7) On September 26, 2006, the U.S. House of Representatives stated that "an estimated 300,000 to 400,000 people have been killed by the Government of Sudan and its Janjaweed allies since the [Darfur] crisis began in 2003, more than 2,000,000 people have been displaced from their homes, and more than 250,000 people from Darfur remain in refugee camps in Chad."

(8) The Darfur crisis represents the first time the United States Government has labeled ongoing atrocities genocide.

(9) The Federal Government has imposed sanctions against the Government of Sudan since 1997. These sanctions are monitored through the U.S. Treasury Department's Office of Foreign Assets Control (OFAC).

(10) According to a former chair of the U.S. Securities and Exchange Commission, "the fact that a foreign company is doing material business with a country, government, or entity on OFAC's sanctions list is, in the SEC staff's view, substantially likely to be significant to a reasonable investor's decision about whether to invest in that company."

(11) Since 1993, the U.S. Secretary of State has determined that Sudan is a country the government of which has repeatedly provided support for acts of international terrorism, thereby restricting United States assistance, defense exports and sales, and financial and other transactions with the Government of Sudan.

(12) A 2006 U.S. House of Representatives report states that "a company's association with sponsors of terrorism and human rights abuses, no matter how large or small, can have a materially adverse result on a public company's operations, financial condition, earnings, and stock prices, all of which can negatively affect the value of an investment."

(13) In response to the financial risk posed by investments in companies doing business with a terrorist-sponsoring state, the Securities and Exchange Commission established its Office of Global Security Risk to provide for enhanced disclosure of material information regarding such companies.

(14) The current Sudan divestment movement encompasses nearly 100 universities, cities, states, and private pension plans.

(15) Companies facing such widespread divestment present further material risk to remaining investors.

(16) It is a fundamental responsibility of the State of North Carolina to decide where, how, and by whom financial resources in its control should be invested, taking into account numerous pertinent factors.

(17) It is the prerogative and desire of the State of North Carolina in respect to investment resources in its control and to the extent reasonable, with due consideration for, among other things, return on investment, on behalf of itself and its investment beneficiaries, not to participate in an ownership or capital-providing capacity with entities that provide significant practical support for genocide, including certain non-United States companies presently doing business in Sudan.

(18) It is the judgment of the General Assembly that this act should remain in effect only insofar as it continues to be consistent with, and does not unduly interfere with, the foreign policy of the United States as determined by the Federal Government.

(19) It is the judgment of this General Assembly that mandatory divestment of public funds from certain companies is a measure that should be employed sparingly and judiciously. A Congressional and Presidential declaration of genocide satisfies this high threshold.

SECTION 2. Definitions.

As used in this act, the following definitions apply:

(1) "Active Business Operations" means all Business Operations that are not Inactive Business Operations.

(2) "Business Operations" means engaging in commerce in any form in Sudan, including by acquiring, developing, maintaining, owning, selling, possessing, leasing, or operating equipment, facilities, personnel, products, services, personal property, real property, or any other apparatus of business or commerce.

(3) "Company" means any sole proprietorship, organization, association, corporation, partnership, joint venture, limited partnership, limited liability partnership, limited liability company, or other entity or business association, including all wholly-owned subsidiaries, majority-owned subsidiaries, parent companies, or affiliates of such entities or business associations, that exists for profit-making purposes.

(4) "Complicit" means taking actions during any preceding 20-month period which have directly supported or promoted the genocidal campaign in Darfur, including, but not limited to, preventing Darfur's victimized population from communicating with each other, encouraging Sudanese citizens to speak out against an internationally approved security force for Darfur, actively working to deny, cover up,

or alter the record on human rights abuses in Darfur, or other similar actions.

(5) "Direct Holdings" in a Company means all securities of that Company held directly by the Public Fund or in an account or fund in which the Public Fund owns all shares or interests.

(6) "Government of Sudan" means the government in Khartoum, Sudan, which is led by the National Congress Party (formerly known as the National Islamic Front) or any successor government formed on or after October 13, 2006 (including the coalition National Unity Government agreed upon in the Comprehensive Peace Agreement for Sudan), and does not include the regional government of southern Sudan.

(7) "Inactive Business Operations" means the mere continued holding or renewal of rights to property previously operated for the purpose of generating revenues but not presently deployed for such purpose.

(8) "Indirect Holdings" in a Company means all securities of that Company held in an account or fund, such as a mutual fund, managed by one or more persons not employed by the Public Fund, in which the Public Fund owns shares or interests together with other investors not subject to the provisions of this act.

(9) "Marginalized Populations of Sudan" include, but are not limited to, the portion of the population in the Darfur region that has been genocidally victimized; the portion of the population of southern Sudan victimized by Sudan's North-South civil war; the Beja, Rashidiya, and other similarly underserved groups of eastern Sudan; the Nubian and other similarly underserved groups in Sudan's Abyei, Southern Blue Nile, and Nuba Mountain regions; and the Amri, Hamadab, Manasir, and other similarly underserved groups of northern Sudan.

(10) "Military Equipment" means weapons, arms, military supplies, and equipment that readily may be used for military purposes, including, but not limited to, radar systems or military-grade transport vehicles; or supplies or services sold or provided directly or indirectly to any force actively participating in armed conflict in Sudan.

(11) "Mineral Extraction Activities" include exploring, extracting, processing, transporting, or wholesale selling or trading of elemental minerals or associated metal alloys or oxides (ore), including gold, copper, chromium, chromite, diamonds, iron, iron ore, silver, tungsten, uranium, and zinc, as well as facilitating such activities, including by providing supplies or services in support of such activities.

(12) "Oil-Related Activities" include, but are not limited to, owning rights to oil blocks; exporting, extracting, producing, refining, processing, exploring for, transporting, selling, or trading of oil; constructing, maintaining, or operating a pipeline, refinery, or other oil-field

infrastructure; and facilitating such activities, including by providing supplies or services in support of such activities, provided that the mere retail sale of gasoline and related consumer products shall not be considered Oil-Related Activities.

(13) "Power Production Activities" means any Business Operation that involves a project commissioned by the National Electricity Corporation (NEC) of Sudan or other similar Government of Sudan entity whose purpose is to facilitate power generation and delivery, including, but not limited to, establishing power-generating plants or hydroelectric dams, selling or installing components for the project, providing service contracts related to the installation or maintenance of the project, as well as facilitating such activities, including by providing supplies or services in support of such activities.

(14) "Public Fund" means any funds held by the State Treasurer to the credit of:

a. The Teachers' and State Employees' Retirement System.
b. The Consolidated Judicial Retirement System.
c. The Firemen's and Rescue Workers' Pension Fund.
d. The Local Governmental Employees' Retirement System.
e. The Legislative Retirement System.
f. The Legislative Retirement Fund.
g. The North Carolina National Guard Pension Fund.

(14a) "Scrutinized Business Operations" means Business Operations that have resulted in a Company becoming a Scrutinized Company.

(15) "Scrutinized Company" means any Company that meets the criteria in sub-subdivisions a., b., or c. below:

a. The Company has Business Operations that involve contracts with and/or provision of supplies or services to the Government of Sudan, to companies in which the Government of Sudan has any direct or indirect equity share, Government of Sudan-commissioned consortiums or projects, or to Companies involved in Government of Sudan-commissioned consortiums or projects and at least one of the following conditions is satisfied:

1. More than ten percent (10%) of the Company's revenues or assets linked to Sudan involve Oil-Related Activities or Mineral Extraction Activities; less than seventy-five percent (75%) of the Company's revenues or assets linked to Sudan involve contracts with and/or provision of Oil-Related or Mineral Extracting products or services to the regional government of southern Sudan or a project or consortium created exclusively by that regional government; and the Company has failed to take Substantial Action.

2. More than ten percent (10%) of the Company's revenues or assets linked to Sudan involve Power Production Activities; less than seventy-five percent (75%) of the Company's Power Production Activities include projects whose intent is to provide power or electricity to the Marginalized Populations of Sudan; and the Company has failed to take Substantial Action.

b. The Company is Complicit in the Darfur genocide.

c. The Company supplies Military Equipment within Sudan, unless it clearly shows that the Military Equipment cannot be used to facilitate offensive military actions in Sudan or the Company implements rigorous and verifiable safeguards to prevent use of that equipment by forces actively participating in armed conflict, for example, through post-sale tracking of such equipment by the Company, certification from a reputable and objective third party that such equipment is not being used by a party participating in armed conflict in Sudan, or sale of such equipment solely to the regional government of southern Sudan or any internationally recognized peacekeeping force or humanitarian organization.

Notwithstanding anything herein to the contrary, a Social Development Company which is not Complicit in the Darfur genocide shall not be considered a Scrutinized Company.

(16) "Social Development Company" means a Company whose primary purpose in Sudan is to provide humanitarian goods or services, including medicine or medical equipment, agricultural supplies or infrastructure, educational opportunities, journalism-related activities, information or information materials, spiritual-related activities, services of a purely clerical or reporting nature, food, clothing, or general consumer goods that are unrelated to Oil-Related Activities, Mineral Extraction Activities, or Power Production Activities.

(17) "Substantial Action" means adopting, publicizing, and implementing a formal plan to cease Scrutinized Business Operations within one year and to refrain from any such new Business Operations; undertaking significant humanitarian efforts on behalf of one or more Marginalized Populations of Sudan; or through engagement with the Government of Sudan, materially improving conditions for the genocidally victimized population in Darfur.

SECTION 3. Identification of companies.

(a) Within 90 days of this act becoming effective, the Public Fund shall make its best efforts to identify all Scrutinized Companies in which the Public Fund has Direct or Indirect Holdings or could possibly have such holdings in the future. Such efforts shall include, as appropriate:

(1) Reviewing and relying, as appropriate in the Public Fund's judgment, on publicly available information regarding Companies with Business Operations in Sudan, including information provided by nonprofit organizations, research firms, international organizations, and government entities;

(2) Contacting asset managers contracted by the Public Fund that invest in Companies with Business Operations in Sudan; or

(3) Contacting other institutional investors that have divested from and/or engaged with Companies that have Business Operations in Sudan.

(b) By the first meeting of the Public Fund following the 90-day period described in subsection (a), the Public Fund shall assemble all Scrutinized Companies identified into a "Scrutinized Companies List."

(c) The Public Fund shall update the Scrutinized Companies List on a quarterly basis based on evolving information from, among other sources, those listed in subsection (a) of this section.

SECTION 4. Required actions.

(a) General. The Public Fund shall adhere to the procedure for Companies on the Scrutinized Companies List as provided in this section:

(b) Engagement.

(1) The Public Fund shall immediately determine the Companies on the Scrutinized Companies List in which the Public Fund owns Direct or Indirect Holdings.

(2) For each Company identified in subdivision (1) of this section with only Inactive Business Operations, the Public Fund shall send a written notice informing the Company of this act and encouraging it to continue to refrain from initiating Active Business Operations in Sudan until it is able to avoid Scrutinized Business Operations. The Public Fund shall continue such correspondence on a semiannual basis.

(3) For each Company newly identified in subdivision (1) of this section with Active Business Operations, the Public Fund shall send a written notice informing the Company of its Scrutinized Company status and that it may become subject to divestment by the Public Fund. The notice shall offer the Company the opportunity to clarify its Sudan-related activities and shall encourage the Company, within 90 days, to either cease its Scrutinized Business Operations or convert such operations to Inactive Business Operations in order to avoid qualifying for divestment by the Public Fund.

(4) If, within 90 days following the Public Fund's first engagement with a Company pursuant to subdivision (3) of this section that Company ceases Scrutinized Business Operations, the Company shall be removed from the Scrutinized Companies List and the provisions of this Section shall cease to apply to it unless it resumes Scrutinized Business Operations. If, within 90 days following the Public Fund's

first engagement, the Company converts its Scrutinized Active Business Operations to Inactive Business Operations, the Company shall be subject to all provisions relating thereto.

(c) Divestment.

(1) If, after 90 days following the Public Fund's first engagement with a Company pursuant to subdivision (b)(3) of this section, the Company continues to have Scrutinized Active Business Operations, and only while such Company continues to have Scrutinized Active Business Operations, the Public Fund shall sell, redeem, divest, or withdraw all publicly traded securities of the Company within 15 months after the Company's most recent appearance on the Scrutinized Companies List.

(2) If a Company that ceased Scrutinized Active Business Operations following engagement pursuant to subdivision (b)(3) of this section resumes such operations, subdivision (1) of this subsection shall immediately apply, and the Public Fund shall send a written notice to the Company. The Company shall also be immediately reintroduced onto the Scrutinized Companies List.

(d) Prohibition. At no time shall the Public Fund acquire securities of Companies on the Scrutinized Companies List that have Active Business Operations, except as provided below.

(e) Exemption. No Company which the United States Government affirmatively declares to be excluded from its present or any future federal sanctions regime relating to Sudan shall be subject to divestment or investment prohibition pursuant to subsections (c) and (d) of this section.

(f) Excluded Securities. Notwithstanding anything herein to the contrary, subsections (c) and (d) of this section shall not apply to Indirect Holdings in actively managed investment funds. The Public Fund shall, however, submit letters to the managers of such investment funds containing Companies with Scrutinized Active Business Operations requesting that they consider removing such Companies from the fund or create a similar actively managed fund with Indirect Holdings devoid of such Companies. If the manager creates a similar fund, the Public Fund shall replace all applicable investments with investments in the similar fund in an expedited time frame consistent with prudent investing standards. For the purposes of this section, "private equity" funds shall be deemed to be actively managed investment funds.

SECTION 5. Reporting.

(a) The Public Fund shall file a publicly available report to the General Assembly that includes the Scrutinized Companies List within 30 days after the list is created.

(b) Annually thereafter, the Public Fund shall file a publicly available report to the General Assembly and send a copy of that report to the United States Presidential Special Envoy to Sudan (or an appropriate designee or successor) that includes:

(1) A summary of correspondence with Companies engaged by the Public Fund under Sections 4(b)(2) and (b)(3) of this act.

(2) All investments sold, redeemed, divested, or withdrawn in compliance with Section 4(c) of this act.
(3) All prohibited investments under Section 4(d) of this act; and
(4) Any progress made under Section 4(f) of this act.

SECTION 6. Expiration of this act. This act expires upon the occurrence of any of the following:

(1) The Congress or President of the United States declaring that the Darfur genocide has been halted for at least 12 months.
(2) The United States revoking all sanctions imposed against the Government of Sudan.
(3) The Congress or President of the United States declaring that the Government of Sudan has honored its commitments to cease attacks on civilians, demobilize and demilitarize the Janjaweed and associated militias, grant free and unfettered access for deliveries of humanitarian assistance, and allow for the safe and voluntary return of refugees and internally displaced persons.
(4) The Congress or President of the United States, through legislation or executive order, declaring that mandatory divestment of the type provided for in this act interferes with the conduct of United States foreign policy.

SECTION 7. Other legal obligations. With respect to actions taken in compliance with this act, including all good faith determinations regarding Companies as required by this act, the Public Fund shall be exempt from any conflicting statutory or common law obligations, including any such obligations in respect to choice of asset managers, investment funds, or investments for the Public Fund's securities portfolios.

SECTION 8. Reinvestment in certain companies with Scrutinized Active Business Operations. Notwithstanding anything in this act, the Public Fund is permitted to cease divesting from certain Scrutinized Companies pursuant to Section 4(c) of this act and/or reinvest in certain Scrutinized Companies from which it divested pursuant to Section 4(c) of this act if clear and convincing evidence shows that the value for all assets under management by the Public Fund becomes equal to or less than 99.50% (50 basis points) of the hypothetical value of all assets under management by the Public Fund assuming no divestment for any company had occurred under Section 4(c) of this act. Cessation of divestment, reinvestment, and/or any subsequent ongoing investment authorized by this section shall be strictly limited to the minimum steps necessary to avoid the contingency set forth in the preceding sentence. For any cessation of divestment, reinvestment, and/or subsequent ongoing investment authorized by this section, the Public Fund shall provide a written report to the General Assembly in advance of initial reinvestment, updated semiannually thereafter as applicable, setting forth the reasons and justification, supported by clear and convincing evidence, for its decisions to cease divestment, reinvest, and/or remain invested in Companies with Scrutinized Active Business Operations. This section has no application to reinvestment in Companies on the ground that they have ceased to have Scrutinized Active Business Operations.

SECTION 9. Enforcement. The Attorney General is charged with enforcing the provisions of this act and, through any lawful designee, may bring such actions in court as are necessary to do so.

SECTION 10. Severability. If any one or more provision, section, subsection, sentence, clause, phrase, or word of this legislation or the application thereof to any person or circumstance is found to be invalid, illegal, unenforceable, or unconstitutional, the same is hereby declared to be severable and the balance of this legislation shall remain effective and functional notwithstanding such invalidity, illegality, unenforceability, or unconstitutionality. The General Assembly declares that it would have passed this legislation, and each provision, section, subsection, sentence, clause, phrase or word thereof, irrespective of the fact that any one or more provision, section, subsection, sentence, clause, phrase, or word be declared invalid, illegal, unenforceable, or unconstitutional, including, but not limited to, each of the engagement, divestment, and prohibition provisions of this legislation.

SECTION 11. This act becomes effective July 1, 2007.

HOUSE BILL 291:
Sudan (Darfur) Divestment Act

BILL ANALYSIS

Committee:	Senate Finance	**Date:**	July 25, 2007
Introduced by:	Reps. Luebke, Coates, Harrison, Jones	**Summary by:**	Martha Walston
Version:	Second Edition		Committee Counsel

SUMMARY: ***House Bill 291 requires the public retirement and pension funds (hereinafter Public Fund) held by the State Treasurer to address certain investments relating to the situation in Darfur, Sudan as follows:***

- ***Identify within 90 days of the act all scrutinized companies in which the Public Fund has direct or indirect holdings or could have such holdings in the future. A scrutinized company is defined as one that has business operations or other activity relating to Sudan.***
- ***Assemble a list of scrutinized companies and determine whether the Public Fund owns direct or indirect holdings in the company.***
- ***Take actions based upon the status of the companies on the list. These actions may include the sale, redemption, divestment, or withdrawal of all publicly traded securities of the company.***

CURRENT LAW: On November 1, 2006, the North Carolina Department of State Treasurer adopted a policy on Sudan-related investments. According to the Department, the policy states that companies providing monetary or military support to the Sudanese government, but failing to provide humanitarian aid or helping to improve the welfare of the Sudanese people, should not be held by the North Carolina Retirement System (NCRS). Since adoption of the policy, the NCRS has divested interest in nine companies that were found to be conducting business contrary to the policy, and has directed its managers not to acquire securities in these companies in the future.[1]

BILL ANALYSIS: House Bill 291 would enact the following legislation governing the Public Fund's treatment of companies with ties to Sudan:

- Section 1 of the act lists legislative findings regarding the history of the U.S. Government's recognition and position on the atrocities in Darfur, Sudan. The findings also state that it is North Carolina's responsibility to decide the investment of financial resources in its control, that it is the State's desire not to participate with entities that provided support for genocide, that this act should remain in affect as long as it does not interfere with U.S. foreign policy, and that mandatory divestment of public funds from certain companies should be employed sparingly and judiciously.
- Section 2 of the act defines terms used in the act. A scrutinized company is a company that meets the criteria in a., b., or c, below:
  a. The company has business operations that involve contracts with or provision of supplies or services to the Government of Sudan, to companies in which Sudan has any equity share, Sudan-commissioned consortiums or projects , or to companies involved in such consortiums or projects, AND at least one of the following conditions is met: the

[1] The nine companies are: Bharat Heavy Electricals, China Petroleum and Chemical Corp., Nam Fatt, Oil & Natural Gas Company, PECD Berhad, PetroChina Company, Sudan Telecom Company, Tatneft OAO, and Videocon Industries Limited.

company has a certain percentage of its revenue or assets linked to Sudan involved oil-related or mineral extraction activities; or the company has a certain percentage of its assets linked to power production activities in Sudan.

b. The company is complicit in the Darfur genocide.

c. The company supplies military equipment within Sudan.

- Section 3 requires the Public Fund to identify within 90 days of the act all scrutinized companies in which the Public Fund has direct or indirect holdings or could have such holdings in the future. The Fund must assemble a list of scrutinized companies and determine whether the Fund owns direct or indirect holdings in the company.
- Section 4 sets out the following actions the Public fund must take based upon the status of the companies on the list:
  - If the company has only inactive business operations with Sudan, the Public Fund will send written notice to the company informing it of its status and encouraging the company to continue to refrain from active business operations. If the company ceases inactive operations with Sudan within 90 days, it will be removed from the scrutinized companies list.
  - If the company has active business operations with Sudan, the Public Fund will notify the company that it may be divested. The company will have 90 days to either cease its active business operations or convert to inactive business operations. If the company does not cease its active business operations with Sudan, the Public Fund will sell, redeem, divest, or withdraw all publicly traded securities of the company within 15 months after the company's most recent appearance on the scrutinized companies list..
- Section 4 also sets out the following restrictions on the actions of the Public Fund:
  - The Public Fund is prohibited from acquiring securities of companies on the scrutinized companies list that have active business operations, unless the U.S. Government declares the company to be excluded from federal sanctions relating to Sudan.
  - The Public Fund may not divest or prohibit acquisition of indirect holdings in actively managed investment funds. Indirect holdings are defined as securities of a company held in an account or fund, such as a mutual fund, managed by one or more persons not employed by the Public Fund, in which the Public Fund owns shares or interests together with other investors not subject to the act. Private equity funds are considered actively managed investment funds
- Section 5 of the acts sets out reporting requirements of the Public Fund. The Fund must file a report with the General Assembly that includes the scrutinized companies list within 30 days after the list is created. Thereafter, the report must be filed annually and a copy sent to the United States Presidential Special Envoy to Sudan.
- Section 6 of the act provides that the act expires if the Darfur genocide has been halted for 12 months, the U.S. revokes all sanctions against Sudan, Sudan has honored certain commitments, or the U.S. declares that mandatory divestment interferes with the conduct of U.S. foreign policy.

- Section 7 exempts the Public Fund from conflicting statutory or common law obligations, with respect to actions taken in compliance with the act.
- Section 8 provides that the Public Fund may cease divesting from or reinvest in scrutinized companies if clear and convincing evidence shows that the value for all assets under management by the Fund becomes equal to or less than 99.50% of the hypothetical value of all assets under management by the Fund assuming no divestment had occurred.
- Section 9 provides enforcement of the act by the Attorney General.
- Section 10 provides for severability in case any part of the act is found to be illegal or unconstitutional.

EFFECTIVE DATE: The act becomes effective July 1, 2007.

BACKGROUND: The following states have adopted legislation to prohibit state investment in the government of Sudan and companies doing business in Sudan: Arizona, California, Louisiana, New Jersey, and Oregon. Colleges and universities throughout the United States have also reviewed their portfolios. They include Harvard, Stanford, University of California, Amherst, Brown University, Dartmouth, University of Pennsylvania, Princeton, Williams College, Smith, Swarthmore, and Yale.

In 2005, the Illinois Legislature adopted legislation that prohibits state investment in the government of Sudan and companies doing business in or with Sudan. Fund managers responsible for Illinois's state pension and retirement funds were given 18 months to divest from such companies. In February, 2007, a federal district court enjoined enforcement of the legislation. *National Foreign Trade Council, Inc v. Giannoulias,* No. 06 C 4251 (Feb. 23, 2007). Specifically, the court found that the amendments to the state pension code violated the Foreign Commerce Clause of the U.S. Constitution, which gives Congress the power to regulate commerce with foreign nations.

PRINCIPAL DEPARTMENT(S) & PROGRAM(S) AFFECTED: Department of the State Treasurer, State Employee Pension and Retirement Programs

EFFECTIVE DATE: July 1, 2007

BILL SUMMARY: This bill requires the public fund, within 90 days of the act becoming effective, to identify all scrutinized companies in which the public fund has direct or indirect holdings or could possibly have such holdings in the future. The bill defines *public fund* to mean any funds held by the State Treasurer to the credit of: (1) the Teachers' and State Employees' Retirement System, (2) the Consolidated Judicial Retirement System, (3) the Firemen's and Rescue

Workers' Pension Fund, (4) the Local Governmental Employees' Retirement System, (5) the Legislative Retirement System, (6) the Legislative Retirement Fund, or (7) the North Carolina National Guard Pension Fund. This bill defines *scrutinized company* as a company that has business operations or other activity relating to Sudan. This bill also lists required actions, from engagement to divestment. This bill prohibits investment in scrutinized companies that have active business operations, provides exemptions and exclusions, and requires periodic reporting by the public fund to the General Assembly. This bill directs the Attorney General to enforce the act and sets out occurrences that trigger the expiration of the act. This legislation is effective July 1, 2007.

ASSUMPTIONS AND METHODOLOGY:
Two primary areas of potential fiscal impact are associated with this bill. First, monies invested in the Public Fund to Scrutinized Companies must be divested within a certain timeframe and then reinvested in other funds. This reinvestment will theoretically result in no real net gain or net loss in the amount of money in the funds, as the total amount on money invested will not change. While some gain or loss is conceivable, as rates of return will differ from one stock to another, it is impossible to estimate the magnitude of such a change. There is, therefore, no substantive fiscal impact associated with the divestment of funds from Scrutinized Companies.

Second, the Department of the State Treasurer requested two Investment Assistant positions to facilitate the completion of the work detailed in this legislation. The Department reports that it would not be in the best interest of the Pension Fund to have an asset manager determine the appropriateness of how and when divestment is done. The Department also reports that it is the Treasurer's fiduciary responsibility to oversee this very deliberate and sensitive process. Of the 28 states that have either passed or introduced similar legislation, none include provisions for their respective Departments of the State Treasurer to receive positions in order to divest funds. Therefore, Fiscal Research concludes that no additional positions are required to carry out the provisions of this bill.

TECHNICAL CONSIDERATIONS:
In 2005, the Illinois Legislature adopted legislation that prohibits the investment of state monies in the government of Sudan and companies doing business in or with Sudan. Fund managers responsible for Illinois's state pension and retirement funds were given 18 months to divest from such companies. In February 2007, the US District Court for the District of Illinois found this legislation unconstitutional. Specifically, the court found that the portions of the act that limit pension investments violated the federal government's right to regulate foreign commerce per the US Constitution. It is important to note that this bill includes a severability clause.

A BILL TO BE ENTITLED

AN ACT PROVIDING FOR HOW THE STATE TREASURER SHALL ADDRESS CERTAIN STATE INVESTMENTS RELATING TO SUDAN.

The General Assembly of North Carolina enacts:

SECTION 1. Legislative findings.

(1) On July 23, 2004, the United States Congress declared that "the atrocities unfolding in Darfur, Sudan, are genocide."

(2) On September 9, 2004, Secretary of State Colin L. Powell told the U.S. Senate Foreign Relations Committee that "genocide has occurred and may still be occurring in Darfur" and "the Government of Sudan and the Janjaweed bear responsibility."

(3) On September 21, 2004, addressing the United Nations General Assembly, President George W. Bush affirmed the Secretary of State's finding and stated, "At this hour, the world is witnessing terrible suffering and horrible crimes in the Darfur region of Sudan, crimes my government has concluded are genocide."

(4) On December 7, 2004, the U.S. Congress noted that the genocidal policy in Darfur has led to reports of "systematic rape of thousands of women and girls, the abduction of women and children, and the destruction of hundreds of ethnically African villages, including the poisoning of their wells and the plunder of their crops and cattle upon which the people of such villages sustain themselves."

(5) Also on December 7, 2004, Congress found that "the Government of Sudan has restricted access by humanitarian and human rights workers to the Darfur area through intimidation by military and security forces, and through bureaucratic and administrative obstruction, in an attempt to inflict the most devastating harm on those individuals displaced

from their villages and homes without any means of sustenance or shelter."

(6) On September 25, 2006, Congress reaffirmed that "the genocide unfolding in the Darfur region of Sudan is characterized by acts of terrorism and atrocities directed against civilians, including mass murder, rape, and sexual violence committed by the Janjaweed and associated militias with the complicity and support of the National Congress Party-led faction of the Government of Sudan."

(7) On September 26, 2006, the U.S. House of Representatives stated that "an estimated 300,000 to 400,000 people have been killed by the Government of Sudan and its Janjaweed allies since the [Darfur] crisis began in 2003, more than 2,000,000 people have been displaced from their homes, and more than 250,000 people from Darfur remain in refugee camps in Chad."

(8) The Darfur crisis represents the first time the United States Government has labeled ongoing atrocities genocide.

(9) The Federal Government has imposed sanctions against the Government of Sudan since 1997. These sanctions are monitored through the U.S. Treasury Department's Office of Foreign Assets Control (OFAC).

(10) According to a former chair of the U.S. Securities and Exchange Commission, "the fact that a foreign company is doing material business with a country, government, or entity on OFAC's sanctions list is, in the SEC staff's view, substantially likely to be significant to a reasonable investor's decision about whether to invest in that company."

(11) Since 1993, the U.S. Secretary of State has determined that Sudan is a country the government of which has repeatedly provided support for acts of international terrorism, thereby restricting United States assistance, defense exports and sales, and financial and other transactions with the Government of Sudan.

(12) A 2006 U.S. House of Representatives report states that "a company's association with sponsors of terrorism and human rights abuses, no matter how large or small, can have a materially adverse result on a public company's operations, financial condition, earnings, and stock prices, all of which can negatively affect the value of an investment."

(13) In response to the financial risk posed by investments in companies doing business with a terrorist-sponsoring state, the Securities and Exchange Commission established its Office of Global Security Risk to provide for enhanced disclosure of material information regarding such companies.

(14) The current Sudan divestment movement encompasses nearly 100 universities, cities, states, and private pension plans.

(15) Companies facing such widespread divestment present further material risk to remaining investors.

(16) The State Treasurer has contacted federal officials in the Departments of State, Treasury, and Commerce seeking assistance with determining a list of companies that are doing business in the Sudan, but the requested information has not been provided.

(17) The State Treasurer has been working with a coalition of the largest state pension funds to share information and to develop a coordinated engagement action for companies that may be doing business in the Sudan.

(18) The Department of State Treasurer has already divested of nine companies that have been found to be providing monetary or military support to the Sudan government, and who have failed to undertake humanitarian efforts.

(19) It is the judgment of the General Assembly that this Act should remain in effect only insofar as it continues to be consistent with, and does not unduly interfere with, the foreign policy of the United States as determined by the Federal Government.

(20) It is the judgment of this General Assembly that mandatory divestment of public funds from certain companies is a measure that should be employed sparingly and judiciously. A Congressional and Presidential declaration of genocide satisfies this high threshold.

SECTION 2. Definitions.

(1) "Public Fund" means any funds held by the State Treasurer to the credit of:

a. The Teachers' and State Employees' Retirement System.
b. The Consolidated Judicial Retirement System.
c. The Firemen's and Rescue Workers' Pension Fund.
d. The Local Governmental Employees' Retirement System.
e. The Legislative Retirement System.
f. The Legislative Retirement Fund.
g. The North Carolina National Guard Pension Fund.

SECTION 3. Required Actions.

(1) The Public Fund shall make no investments in Sudan government bonds, notes, or similar bills of the nation of Sudan.

(2) The Public Fund shall make no investment in companies conducting business activities in Sudan that are directly related to genocide, as expressly identified by the U.S. State Department, Treasury Department, or any other authorized agency of the U.S. Federal Government.

(3) The Public Fund shall seek to avoid investments in international or non-U.S. companies that are providing significant military or monetary support to the government of Sudan, and that have failed to take

humanitarian or other actions to aid the people of the Darfur region of Sudan.

(4) The Public Fund shall use best efforts to identify such companies meeting the provisions of Subsection (3) of this Section through sources that may include any of the following, as appropriate:
   a. Publicly available information.
   b. Federal agencies.
   c. Other institutional investors.
   d. Entities such as the Council of Institutional Investors, research firms or non-profit organizations specifically engaged on the Sudan issues.

(5) This Act does not require exit or divestment from any index or commingled public equity investment vehicle. For all actively-managed public equity stock and fixed income investment vehicles which hold investments in international or non-U.S. companies doing direct business in Sudan, reasonable efforts will be made to actively engage these companies that may be in violation of the provisions of Subdivision (3) of this section. Companies will be encouraged to cease suspect business operations in Sudan and/or to adopt practices designed to assist the people who have suffered from the genocide.

(6) Where companies fail to respond adequately to engagement efforts, the Public Fund shall divest within 15 months.

(7) This Act does not apply to real estate or private equity investments and is subject to the fiduciary obligations of the Public Fund and its officers.

SECTION 4. Reporting.

(1) The Public Fund shall report annually on engagement and divestment actions taken pursuant to this Act, in its Annual Report.

SECTION 5. Expiration. This Act expires upon the occurrence of any of the following:

(1) The Congress or President of the United States declaring that the Darfur genocide has ended.

(2) The United States revoking all sanctions imposed against the Government of Sudan.

(3) The Congress or President of the United States declaring that the Government of Sudan has honored its commitments to cease attacks on civilians, demobilize and demilitarize the Janjaweed and associated militias, grant free and unfettered access for deliveries of humanitarian assistance, and allow for the safe and voluntary return of refugees and internally displaced persons.

(4) The Congress or President of the United States, through legislation or executive order, declaring that mandatory divestment of the type provided for in this act interferes with the conduct of United States foreign policy.

SECTION 6. This act becomes effective July 1, 2007.

SENATE BILL 516:
Sudan (Darfur) Divestment Act

BILL ANALYSIS

Committee:	Senate Commerce, Small Business and Entrepreneurship	**Date:**	May 3, 2007
Introduced by:	Sen. Shaw	**Summary by:**	Walker Reagan Committee Co-Counsel
Version:	PCS to First Edition S516-CSTB-10		Denise Huntley Committee Staff

SUMMARY: The Proposed Committee Substitute for Senate Bill 516 requires the public retirement and pension funds (hereinafter Public Fund) held by the State Treasurer to address certain investments relating to the situation in the Darfur region of Sudan.

[As introduced, this bill was identical to H291, as introduced by Reps. Luebke, Coates, Harrison, Jones, which is currently in Senate Finance.]

CURRENT LAW: On November 1, 2006, the North Carolina Department of State Treasurer adopted a policy on Sudan-related investments. According to the Department, the policy states that companies providing monetary or military support to the Sudanese government, but failing to provide humanitarian aid or helping to improve the welfare of the Sudanese people, should not be held by the North Carolina Retirement System (NCRS). Since adoption of the policy, the NCRS has divested interest in nine companies that were found to be conducting business contrary to the policy, and has directed its managers not to acquire securities in these companies in the future.

BILL ANALYSIS: Senate Bill 516 would enact the following legislation governing the Public Fund's treatment of companies with ties to Sudan:

- Section 1 of the bill lists legislative findings regarding the history of the U.S. Government's recognition and position on the atrocities in Darfur, Sudan. The findings also state that it is North Carolina's responsibility to decide the investment of financial resources in its control, that it is the State's desire not to participate with entities that provided support for genocide, that this act should remain in affect as long as it does not interfere with U.S. foreign policy, and that mandatory divestment of public funds from certain companies should be employed sparingly and judiciously.
- Section 2 defines "Public Fund" as any fund held by the State Treasurer to the credit of 7 specific areas.
- Section 3 prohibits the Public Fund from making investments in Sudan government bonds, notes, or similar bills of the nation of Sudan and in companies conducting business activities in Sudan that are directly related to genocide as defined by federal agencies. The Public Fund shall avoid investments in international or non-U.S. companies that provide significant military or monetary support to Sudan and have failed humanitarian action to the people in Darfur. The Public Fund shall use best efforts to identify companies these companies. The bill does not require exit or divestment from any index or commingled public equity investment vehicle, although reasonable efforts will be made to engage companies actively managing public equity stock and fixed income investment vehicles that hold investments in companies doing direct business in Sudan. If these companies do not respond adequately to engagement efforts, the Public Fund shall divest within 15 months. This bill does not apply to real estate or private equity investments.

- Section 4 of the bill requires the Public Fund to report annually on engagement and divestment actions taken pursuant to this Act in its Annual Report.
- Section 5 of the Act states incidences the bill may expire. These include the Congress or President declaring the genocide in Darfur to have ended, revoking all sanctions imposed against Sudan, declaring Sudan has honored its commitments to cease civilian attacks, demobilize and demilitarize the Janjaweed, grant access for deliveries of humanitarian aid. The bill would also expire if the President or Congress declared mandatory divestment of this type interferes with America's foreign policy.

EFFECTIVE DATE: The act becomes effective July 1, 2007.

BACKGROUND: The following states have adopted legislation to prohibit state investment in the government of Sudan and companies doing business in Sudan: Arizona, California, Louisiana, New Jersey, and Oregon. Colleges and universities throughout the United States have also reviewed their portfolios. They include Harvard, Stanford, University of California, Amherst, Brown University, Dartmouth, University of Pennsylvania, Princeton, Williams College, Smith, Swarthmore, and Yale.

A BILL TO BE ENTITLED

AN ACT TO PROVIDE FOR FUNDING FOR THE STATEWIDE SPAY AND NEUTER PROGRAM FROM THE SALE OF RABIES VACCINATION TAGS.

The General Assembly of North Carolina enacts:

SECTION 1. G.S. 130A-190 reads as rewritten:

"**§ 130A-190. Rabies vaccination tags.**

(a) Issuance. – A licensed veterinarian or a certified rabies vaccinator who administers rabies vaccine to a dog or cat shall issue a rabies vaccination tag to the owner of the animal. The rabies vaccination tag shall show the year issued, a vaccination number, the words "North Carolina" or the initials "N.C." and the words "rabies vaccine." Dogs and cats shall wear rabies vaccination tags at all times. However, cats may be exempted from wearing the tags by local ordinance.

(b) Fee. – Rabies vaccination tags, ~~links and~~ links, and rivets may be obtained from the Department. The Secretary is authorized to establish by rule a fee for the rabies tags, ~~links and rivets.~~ links, and rivets in accordance with this subsection. ~~Except as otherwise authorized in this section, the fee shall not exceed the actual cost of the rabies tags, links and rivets, plus transportation costs. The Secretary may increase the fee beyond the actual cost plus transportation, by an amount not to exceed five cents ($.05) per tag, to fund rabies education and prevention programs.~~ The fee for each tag is the sum of the following:

(1) The actual cost of the rabies tag, links, and rivets.

(2) Transportation costs.

(3) Five cents ($.05). This portion of the fee shall be used to fund rabies education and prevention programs.

(4) Twenty cents ($.20). This portion of the fee shall be credited to the Spay/Neuter Account established in G.S. 19A-62 and used to fund statewide spay/neuter programs. This portion of the fee shall not be

imposed for tags provided to persons who own and vaccinate ten or more dogs per year.

~~(c) The Department shall make available a special edition rabies tag to be known as the "I Care" tag. This tag shall be different in shape from the standard tag and shall carry the inscription "I Care" in addition to the information required by subsection (a) of this section. The Secretary is authorized to establish a fee for the "I Care" rabies tag equal to the amount set forth in subsection (b) of this section plus an additional fifty cents ($.50). The additional fifty cents ($.50) shall be credited to the Spay/Neuter Account established in G.S. 19A-62.~~"

SECTION 2. G.S. 19A-62 reads as rewritten:

"**§ 19A-62. Spay/Neuter Account established.**

(a) Creation. – The Spay/Neuter Account is established as a nonreverting special revenue account in the Department of Health and Human Services. The Account consists of the following:

(1) ~~Fifty cents (50¢) of the fee imposed by G.S. 130A-190(c) on the costs of obtaining rabies vaccination tags~~ The portion of the fee imposed under G.S. 130A-190(b)(4) for obtaining a rabies vaccination tag from the Department of Health and Human Services.

(2) Ten dollars ($10.00) of the additional fee imposed by G.S. 20-79.7 for an Animal Lovers special license plate.

(3) Any other funds available from appropriations by the General Assembly or from contributions and grants from public or private sources.

(b) Use. – The revenue in the Account shall be used by the Department of Health and Human Services as follows:

SENATE BILL 684: Spay/Neuter Funding

BILL ANALYSIS

Committee:	Senate Finance	**Date:**	July 25, 2007
Introduced by:	Sen. Kinnaird	**Summary by:**	Trina Griffin
Version:	PCS to First Edition S684-CSSVf-49		Committee Counsel

SUMMARY: Senate Bill 684 does the following:

- ***It would increase the fee for obtaining a rabies vaccination tag. The proceeds derived from the increase would be used to fund statewide spay/neuter programs.***
- ***It would limit funds for reduced-cost spay/neuter programs to those local governments that require proof of rabies vaccination, or if none, require vaccination at the time of the procedure.***
- ***It would ensure that funds dedicated for rabies education and prevention programs remain at the current level.***

CURRENT LAW: Dogs and cats are required to be vaccinated against rabies. However, cats may be exempted by local ordinance. Issued by a licensed veterinarian or a certified rabies vaccinator, a rabies tag represents proof of vaccination and must be worn at all times by the animal. Veterinarians and other vaccinators may obtain the tags from either the Department of Health and Human Services or the private market. The fee for tags provided by the Department may not exceed the actual cost of the tag, links, and rivets, transportation costs, plus an amount not to exceed five cents ($.05) to fund rabies education and prevention programs. The actual cost plus the transportation cost is currently two cents ($.02).

The Department also makes available a special edition rabies tag known as the "I Care" tag. The fee for this special edition tag is an additional fifty cents ($.50). The proceeds from the additional fifty cents are credited to the Spay/Neuter Account. The Spay/Neuter Account is also funded by the additional fee charged for the Animal Lovers special license plate and any other funds available from appropriations or from contributions or grants from public or private sources.

The funds in the Account may be used as follows:

- 20% is used to develop and implement the statewide education component of the Spay/Neuter Program.
- Up to 20% may be used to defray costs of administering the Spay/Neuter Program.
- Remaining funds are distributed quarterly to eligible counties and cities seeking reimbursement for the reduced-costs spay/neuter surgeries performed during the previous year.

BILL ANALYSIS: The Proposed Committee Substitute for Senate Bill 684 does the following:

- It eliminates the voluntary "I Care" special edition tag.
- It increases the fee for all rabies tags by twenty cents ($.20). The proceeds from the increase are to be credited to the Spay/Neuter Account and used for statewide spay/neuter programs.
- It exempts from the additional $.20-cent-portion of the fee, persons who own and vaccinate ten or more dogs per year.

- It provides that if the revenue generated by the $.05-cent-portion of the rabies tag fee is less than $47,500 in a fiscal year, which represents the current funding level, then the difference between $47,500 and the amount generated may be used from the Spay/Neuter Account for rabies education and prevention programs.
- It would provide that a county or city is ineligible to receive funds for reimbursement for reduced-cost spay/neuter surgeries unless it requires proof of rabies vaccination at the time of the procedure or, if there is none, that the provider vaccinate at the time of the procedure

EFFECTIVE DATE: This act becomes effective January 1, 2008.

BILL SUMMARY:
The Proposed Committee Substitute amends the General Statutes in two places, G.S. 130A-190 and G.S. 19A-62, to do the following:

- Eliminate the voluntary "I Care" special edition tag.
- Increase the fee for all rabies tags by twenty cents ($.20). The proceeds from the increase are to be credited to the Spay/Neuter Account and used for statewide spay/neuter programs.
- Exempt from the additional $.20-cent-portion of the fee, persons who own and vaccinate ten or more dogs per year.
- Provide that if the revenue generated by the $.05-cent-portion of the rabies tag fee is less than $47,500 in a fiscal year, which represents the current funding level, then funds from the Spay/Neuter Account up to the difference between that amount and the amount generated may be used for rabies education and prevention programs.
- Provide that a county or city is ineligible to receive funds for reimbursement for reduced-cost spay/neuter surgeries unless it requires proof of rabies vaccination at the time of the procedure or, if there is none, that the provider give the vaccination at the time of the procedure

ASSUMPTIONS AND METHODOLOGY:
Currently, the fee structure is as shown in the table below (Table 1: Current Fee Structure): the cost of the tag itself ($.02), the fee for the rabies education and prevention programs ($.05), and the optional fee for the "I Care" tag ($.50). The table includes estimates of the number of tags the Department issued in FY 2006-07 (from the Department of Health and Human Services) subject to each fee category. These estimates were used to calculate the total estimated revenue from each part of the fee structure. A total of 9,700 "I Care" tags were purchased for total additional revenue of $4,850. All tags purchased were subject to the Rabies Education Fee ($.05), which created total estimated revenue of $47,485 for these programs.

Table 1: Current Fee Structure

	Cost	# of Tags	Revenue
Tag	$0.02	949,700	$18,994
Rabies Education Fee	$0.05	949,700	$47,485
"I Care" Fee	$0.50	9,700	$4,850
Total Revenue			**$71,329**
Less Cost of Tags			($18,994)
Total Net Revenue			**$52,335**

Table 2, (next page), shows the proposed fee structure. It also shows the potential additional revenues if there were no changes to the number of tags purchased. However, it is anticipated that there may be a reduction in the number of tags purchased because of this increase in fees. According to the Department of Health and Human Services, Division of Public Health, the private market cost of these tags ranges from $.09 to $.23. The proposed changes would bring the total cost per tag to $.27 – higher than the private market cost. It is assumed that some veterinarians and certified rabies vaccinators currently purchasing their tags from the Department at $.07 per tag would chose to purchase their tags in the private market if the proposed fees were to take effect.

There is no estimate of the number of tags that would no longer be purchased from the Department and therefore it is not possible to estimate the fiscal impact of these proposed changes. The impact is likely to range between a loss of $52,335 if no tags are purchased (the current amount of net revenue, see Table 1) and a gain of $237,425 if there is no change in the number of tags purchased (see Table 2). The impact would be both to the Department of Health and Human Services, Division of Public Health and to the cities and counties that receive reimbursement for spay/neuter programs from the Spay/Neuter Account.

Table 2: Proposed Fee Structure with No Change in Tags Purchased

	Cost	# of Tags	Revenue
Tag	$0.02	949,700	$18,994
Rabies Education Fee	$0.05	949,700	$47,485
Spay/Neuter Fee	$0.20	949,700	$189,940
Total Revenue			**$256,419**
Less Cost of Tags			*($18,994)*
Total Net Revenue			**$237,425**

However, it is possible to estimate the minimum number of tags that would need to be purchased under the proposed fees for the programs to "break-even". The PCS provides that if the revenue generated by the $.05-cent-portion of the rabies tag fee is less than $47,500 in a fiscal year, which represents the current funding level, then funds from the Spay/Neuter Account up to the difference between that amount and the amount generated may be used for rabies education and prevention programs – in other words, as fewer tags are purchased from the Department, more funding will come from the Spay/Neuter Account to make up the difference. If at least 209,340 tags (22% of the tags currently purchased) are purchased under the proposed fees (see Table 3, below), the new $.20 fee will generate enough revenue to make up the difference and still contribute the current amount of funding of $4,850 (currently from the "I Care" tag, see Table 1) to the Spay/Neuter Account for the current Spay/Neuter Account purposes.

Table 3: Minimum Number of Tags Purchased Needed to Avoid Reducing Spay/Neuter Account Funding

	Cost	# of Tags	Revenue
Tag	$0.02	209,340	$4,187
Rabies Education Fee	$0.05	209,340	$10,467
Spay/Neuter Fee	$0.20	209,340	$41,868
Amount of Spay/Neuter Fee into Rabies Education			*$37,018*
Amount of Spay/Neuter Fee into Spay/Neuter Account			*$4,850*
Total Revenue			**$56,522**
Less Cost of Tags			($4,187)
Total Net Revenue			**$52,335**

For Poor Families, an Added Burden of Too Many Pets

By ERIK ECKHOLM

SELMER, Tenn. — Phillip Swetman is an accidental owner of 13 dogs. Most, Mr. Swetman said, came from "drive-bys."

"They hear a dog bark and they throw theirs in the ditch," he said. "Then for us, it's either let them starve or get hit by a car, or take them in."

Midnight dumping of unwanted dogs is common here on the southern tail of the Appalachian Mountains, where large numbers of poor people are attached to multiple pets but cannot afford to sterilize or vaccinate them, and where impoverished county governments do not maintain animal shelters, require licensing or enforce requirements for rabies shots.

The combination of pets and poverty, veterinary experts say, brings similar results to many rural areas: unhealthy conditions for oversized animal populations, desperate efforts by often-overwhelmed individuals to help and a lurking threat to human health.

Dr. Bob Sumrall, a veterinarian in nearby Henderson, in Chester County, estimated that more than 75 percent of the thousands of dogs in the county alone have not had rabies shots. "This poses a definite health risk," he said.

Excess animals, dropped on dark roads that wind through oak and pine forests and cornfields here, tend to end up in the care of people with bigger hearts than bank accounts. People like Mr. Swetman and his wife, Alicia, who have a hard enough time paying their own mortgage and gasoline bills on what Mr. Swetman earns as a machinist at a bathtub factory but have ended up with a large menagerie nonetheless, mostly because of abandoned animals and unplanned births.

The Swetmans live on a back-country road near Finger. They keep two dogs in their cluttered concrete-block house, two tethered to trees and the rest in three wire pens. They somehow eke out $26 a week to buy two 50-pound sacks of dog food.

"I'd do without food myself before they do," Ms. Swetman said. But they say with some despair

that veterinary care, which can run $100 a year per animal for vaccines and $100 or more for spaying or neutering, is far beyond their reach.

"A lot of poor people here end up with lots of dogs and they get a feeling of hopelessness, they don't know what to do," said Sherrye McKinney, who works for pet-rescue groups in the region.

So the Swetmans were grateful to get an appointment at a temporary free clinic for their latest two puppies, even if there were no slots left in the oversubscribed five-day program for their eight older unspayed females.

The clinic was set up in Selmer's National Guard armory in mid-June by Rural Area Veterinary Services, a program of the Humane Society of the United States that sends volunteer veterinarians and students to Appalachia, Indian reservations and other areas to sterilize and treat pets whose owners live in poverty.

"With every animal we prevent from having a litter, we're making a difference," said Tammy Rouse, Appalachian coordinator for the volunteer service. Inside the hall, three veterinarians and 28 veterinary students spent 15-hour days sterilizing up to 50 dogs and cats a day and provided vaccinations, deworming and other treatments.

But the volunteer service faces a Sisyphean task, Ms. Rouse said.

"It's like putting a Band-Aid on a gushing artery," she said. "Spay-neuter has to go hand in hand with education and legislation."

Tina Churchwell, head of the humane society in McNairy County, where Finger and Selmer are situated, calls 12 dogs her own and has set up a makeshift shelter at her home, kennels holding 22 other dogs she hopes might be adopted. The society is searching for money to build a proper shelter on land the county has offered, but community support is lacking, Ms. Churchwell said.

Lacking money for the normal accoutrements of pet care, some people improvise. James Cotner, 64, and his wife live on $9,000 a year in a wood-heated, tin-roofed house. Fifteen cats wander the grounds and the Cotners have three dogs, the latest taken in after being found dumped on the road. "I tried to give her away but nobody wanted a big dog because they eat too much," Mr. Cotner said

Buying feed at Wal-Mart has stretched their budget, he said, and he was grateful for the free clinic, which sterilized the dogs and provided rabies shots. "I've been afraid they'd bite somebody and I'd get sued," he said.

To fight fleas and ticks, he has used a folk remedy. A tobacco chewer, he saves the juice and sprays it on the lawn.

Janet Stanford Brown, 28, took two cats to the armory for spaying and one of the four dogs her family now keeps. The brown mixed-breed, Punkin, had an infected wound on her shoulder, probably a bite, Ms. Brown feared, from a young pit bull they had recently taken in.

"I'd take her to the vet if we had the money," Ms. Brown said as Dr. Lydia Love, chief veterinarian at the free clinic, examined the nasty wound and made arrangements for treatment. "Punkin is my son's dog and if it came to that, I'd borrow the money to get her cared for."

Her husband, an apprentice electrician, does not earn high wages. Their animals feed on table scraps and hunt for food, dragging in rabbits and other creatures.

Each evening of the clinic, as the staff finished long hours of surgery and hands-on comforting of animals groggily recovering from anesthesia, owners, many pacing with the anxiety of relatives in a human hospital, waited to pick up their pets.

Alicia Swetman looked especially anguished because she learned that one of her puppies, the one with one blue eye and one brown eye, had a health problem that made surgery too dangerous. To Ms. Swetman's relief, as the puppies were brought out, their tails wagging furiously at the reunion, Dr. Love said it was probably a curable worm infection.

"I'd happily give these two away to a good home, where they'd be loved," Ms. Swetman said, not entirely convincingly, as she hugged the afflicted puppy.

A BILL TO BE ENTITLED

AN ACT TO AMEND THE PLANT PROTECTION AND CONSERVATION ACT.

The General Assembly of North Carolina enacts:

SECTION 1. G.S. 106-202.15 reads as rewritten:

"**§ 106-202.15. Powers and duties of the Board.**

The Board shall have all of the following powers and duties:

(1) To adopt ~~and publish by July 1, 1980, an endangered species list, a threatened species list and a list of species of special concern, as provided for in G.S. 106-202.16,~~and maintain a list of protected plant species for North Carolina, identifying each entry by the common name and scientific ~~name and cross-referencing by family, genus, and species number as found in the current edition of "The Manual of the Vascular Flora of the Carolinas," or if not found in this edition, as identified by the American Society of Plant Taxonomists;~~ name, along with its status as endangered, threatened, or of special concern, as provided under G.S. 106-202.16.

(2) To reconsider and revise the lists from time to time in response to public proposals and as the Board deems ~~necessary;~~necessary.

(3) To conserve and to regulate the collection and shipment of those plant species or higher taxa that are of such similarity to endangered and threatened species that they cannot be easily or readily distinguished from an endangered or threatened ~~species;~~species.

(4) To regulate within the State any exotic species, in the same manner as a resident species if the exotic species is on the Federal Endangered and Threatened Species List or it is listed in the Appendices to the International Treaty to Conserve Endangered and Threatened ~~Species;~~Species.

(5) To determine that certain plant species growing in North Carolina, whether or not they are on the endangered or threatened species list, are of special concern and to limit, regulate or forbid sale or collection of these ~~plants;~~plants.

(6) To conduct investigations to determine whether a plant should be on the protected plant lists and the requirements for survival of resident species of ~~plants;~~plants.

(7) To adopt regulations to protect, conserve and enhance resident and exotic species of plants on the lists, or to otherwise affect the intent of this ~~Article;~~Article.

(8) To develop, establish and coordinate conservation programs for endangered species and threatened species of plants, consistent with the policies of the Endangered Species Act, including the acquisition of rights to land or aquatic ~~habitats;~~habitats.

(9) To enter into and administer cooperative agreements through the Commissioner of Agriculture, in concert with the North Carolina Botanical Garden and other agencies, with the U.S. Department of Interior or other federal, State or private organizations concerning endangered and threatened species of plants and their conservation and ~~management;~~management.

(10) To cooperate or enter into formal agreements with any agency of any other state or of the federal government for the purpose of enforcing any of the provisions of this ~~Article;~~Article.

(11) Through the Commissioner, to receive funds, donations, grants or other moneys, issue grants, enter contracts, employ personnel and purchase supplies and materials necessary to fulfill its ~~duties;~~duties.

(12) To ~~promulgate regulations~~adopt rules under which the Department of Agriculture and Consumer Services may issue permits to licensed nurserymen, commercial growers, scientific supply houses and botanical gardens for the sale or distribution of plants on the protected list provided that the plants are nursery propagated ~~and~~ or grown ~~horticulturally from seeds or by vegetative propagation of cuttings, meristems or other similar materials and that the plants bear the grower's permit number.~~horticulturally.

(13) To stop the sale of or to seize any endangered, threatened, or special concern plant species, or part thereof possessed, transported, or moved within this State or brought into this State from any place outside the State if such is found by the Board or its duly authorized agent to be in violation of this Article or rules adopted pursuant to this Article. Such plants shall be moved or disposed of at the direction of the Board or its agent or by court order.

(14) To establish fees for permits authorized in this Article."

SECTION 2. G.S. 106-202.17(b) reads as rewritten:

"(b) The Scientific Committee shall consist of the Directors of The University of North Carolina at Chapel Hill Herbarium, the North Carolina State University Herbarium, the North Carolina Botanical Garden of The University of North Carolina at Chapel Hill, the North Carolina State Museum of Natural Sciences and the North Carolina Natural Heritage Program of the Department of Environment and Natural Resources or their designees, a representative of the North Carolina Association of Nurserymen, Inc., appointed by the Commissioner, and a representative of ~~the Garden Club of North Carolina, Incorporated, the North Carolina Chapter of the Nature Conservancy or the North Carolina Wild Flower Preservation Society, Inc., a~~ conservation organization, appointed by the Commissioner. Members shall serve for three-year terms and may succeed themselves."

SECTION 3. G.S. 106-202.18 reads as rewritten:

"**§ 106-202.18. Powers and duties of the Scientific Committee.**

The Scientific Committee shall have all of the following powers and duties:

(1) To gather and provide information and data and advise the Board with respect to all aspects of the biology and ecology of endangered and threatened plant ~~species;~~species.

(2) To develop and present to the Board management and conservation practices for preserving endangered or threatened plant ~~species;~~species.

(3) To recommend habitat areas for acquisition to the extent that funds are available or ~~expected;~~expected.

(4) To investigate and make recommendations to the Board as to the status of endangered, threatened plant species, or species of special ~~concern;~~concern.

(5) To make recommendations to the Board concerning regulation of the collection and shipment of endangered or threatened plant species within North ~~Carolina;~~Carolina.

(6) To review and comment on ~~botanical aspects of~~ environmental impact statements prepared by ~~North Carolina~~State agencies ~~or other agencies as appropriate;~~on projects that may affect protected plants; and

(7) To advise the Board on matters submitted to the Scientific Committee by the Board or the Commissioner which involve technical questions and the development of pertinent rules and regulations, and make any recommendations as deemed by the Scientific Committee to be worthy of the Board's consideration."

SECTION 4. G.S. 106-202.19(a1) reads as rewritten:

"(a1) Any person convicted of violating this Article, or any rule of the Board adopted pursuant to this Article shall be guilty of a Class ~~3 misdemeanor, and for a first violation shall only be fined not less than one hundred dollars ($100.00) nor more than five hundred dollars ($500.00); and upon a subsequent conviction shall only be fined not less than five hundred dollars ($500.00) and not more than one thousand dollars ($1,000).~~2 misdemeanor. POSITIONS: (cumulative)	**Amount cannot be determined.**				

PRINCIPAL DEPARTMENT(S) & PROGRAM(S) AFFECTED: Department of Agriculture and Consumer Services; Department of Correction; Judicial Branch.

EFFECTIVE DATE: December 1, 2007.

**This fiscal analysis is independent of the impact of other criminal penalty bills being considered by the General Assembly, which could also increase the projected prison population and thus the availability of prison beds in future years. The Fiscal Research Division is tracking the cumulative effect of all criminal penalty bills on the prison system as well as the Judicial Department.*

BILL SUMMARY: Amends GS 106-202.15 to include in the duties of the North Carolina Plant Conservation Board maintaining a list of protected plant species that includes each plant's status. Also includes the duty of establishing permit fees. Removes reference to 1980 publishing duties and to entering cross references in the species list. Amends GS 106-202.17 to require that the Scientific Committee (Committee) include a member of a conservation organization, instead of a

member of specifically listed organizations. Amends GS 106-202.18 to give the Committee authority to review and comment on, but not veto, state agency projects that have the potential to affect protected plants (was, review and comment on botanical aspects of environmental impact statements). Amends GS 106-202.19 to increase the penalty for violations of the Plant Protection and Conservation Act (Act) from a Class 3 misdemeanor with a fine only to a Class 2 misdemeanor. Amends GS 106-202.19 to allow an agent of the Department of Agriculture and Consumer Services to inspect papers and records related to the Act. Make technical changes. Effective October 1, 2007.

Second edition (House committee substitute) changes the effective date from October 1, 2007 to offenses committed on or after December 1, 2007.

Third edition (House committee substitute) makes the following changes to the second edition: *Provides that the Scientific Committee has the power and duty to review and comment on environmental impact statements prepared by state agencies on projects that may affect protected plants. Current law provides for review and comment on botanical aspects of environmental impact statements prepared by state and other agencies as appropriate. The previous editions of the bill provided for review and comment on projects in N.C. proposed by state or other agencies that could affect protected plants or habitats and specified that approval by the committee or the North Carolina Plant Conservation Board is not required. Makes technical changes.*

ASSUMPTIONS AND METHODOLOGY:

Revenues:

The Department of Agriculture and Consumer Services' Plant Industry Division is responsible for the listing and protection of North Carolina's endangered plants and threatened plant species. Guided by the 1979 Plant Conservation and Protection Act, the Division maintains a list of endangered, threatened, and special concern plant species for the State and enforces regulations and issues permits concerning State-listed plant species.

Currently, fees are not assessed on permits related to the collection, propagation and sale of protected plants. Under the proposed legislation, the Plant Conservation Board would be given the authority to set fees for these permits. Additionally, the Plant Conservation Board has the authority to adopt rules to create new types of permits. Therefore, because the level of permit fees has not been determined, no fiscal estimate can be provided.

General - Expenditures

G.S. 106-202.19, Unlawful acts; penalties; enforcement, makes it a Class 3 misdemeanor (punished by a fine only) for a person to violate any of the provisions of Article 19B of Chapter 106 of the General Statutes, or any rule of the North Carolina Plant Conservation Board adopted pursuant to Article 19B. Accordingly, because this bill reclassifies violation to a Class 2 misdemeanor offense, any additional charge would be expected to generate some additional fiscal impact.

The Administrative Office of the Courts presently does not maintain an offense code for G.S. 106-202.19, indicating that such offense is infrequently charged and/or infrequently results in conviction. *Thus, given the nature of offense and proposed penalty level, Fiscal Research does not anticipate a significant impact due to this proposed legislation.*

Department of Correction: Division of Prisons

Because Class 2 misdemeanants serve their designated terms of incarceration within local jails, any resultant active sentence due to this proposal should not impact the state's prison population.[1] The potential impact on local jail populations is unknown.

In FY 2005-06, 17% of Class 2 misdemeanor convictions resulted in active sentences, with an average estimated time served of 13 days. To the extent that future convictions for the proposed offense were to result in active sentences longer than 30 days, the Department of Correction could incur some additional costs for county reimbursement. However, given the typical length for Class 2 misdemeanor active sentences, Fiscal Research does not anticipate a significant increase in reimbursements due to this proposal.

Department of Correction: Division of Community Corrections

In FY 2005-06, 83% of Class 2 misdemeanor convictions resulted in either intermediate or community punishments, predominantly special, intensive, or general supervision probation. *Thus, if future convictions under G.S. 106-202.19 were to occur, the Division of Community Corrections (DCC) could assume some additional costs for offenders placed under its supervision.* However, it is not known how many offenders would be sentenced to intermediate or community punishments, to which type, or for how long.

Presently, general supervision of intermediate and community offenders by a probation officer costs DCC $1.96 per offender, per day; no cost is assumed for those receiving unsupervised probation, or who are ordered only to pay fines, fees, or restitution. DCC also incurs a daily cost of $0.69 per offender sentenced to the Community Service Work Program. However, the daily cost per offender on intermediate sanction is much higher, ranging from $7.71 to $14.97 depending on the type of sanction. Intensive supervision probation is the most frequently used intermediate sanction, and costs an estimated $14.97 per offender, per day. On average, intensive supervision lasts six-months, with general supervision assumed for a designated period thereafter.

Judicial

Under current law, violations are subject only to fines, in the amounts specified by the statute. As amended, violations would be subject to incarceration (depending on prior conviction level, from one to 60 days, G.S.15A-1340.23) as well as a fine. In addition, this bill could also increase the amount of fine a person would be subject to. Fines now range from $100 to $500 for a first offense, and from $500 to $1,000 for subsequent offenses. As amended, the amount of fine imposed could reach $1,000 for all offenses (the maximum fine amount for Class 2 misdemeanors in G.S. 15A-1340.23).

---

[1] Active sentences between 1-90 days are served in local jails. The Department of Correction reimburses counties $18 per day for offenders housed longer than 30 days (between 30 and 90). Sentences longer than 90 days are to be served in state prison; however, when bed shortages demand it, the State may lease needed beds from counties.

The AOC presently does not have an offense code in its automated system for G.S. 106-202, which is some indication that there are relatively few charges. Nevertheless, the proposed penalty enhancement is expected to be accompanied by more vigorous defense and prosecution, resulting in increased court time and the costs of case disposal. Moreover, all indigent costs assumed would constitute additional costs, since these would not have been incurred under current law (no chance of incarceration).

Presently, the estimated cost per Class 2 misdemeanor trial is $2,770; the estimated cost per plea is $230. Actual costs may vary from this general estimate, which includes indigent defense costs.

further violates any provision of this Article after written notice from the Board, the court may determine that each day during which the violation continued or is repeated constitutes a separate violation subject to the foregoing penalties."

SECTION 5. G.S. 106-202.19(b) reads as rewritten:

"(b) The Commissioner or any employee or agent of the Department of Agriculture and Consumer Services designated by the Commissioner to enforce the provisions of this Article, may enter any place within the State at all reasonable times where plant materials are being grown, ~~transported~~ transported, or offered for sale and require the presentation for inspection of all pertinent papers and records relative to the provisions of this Article, after giving notice in writing to the owner or custodian of the premises to be entered. If he refuses to consent to the entry, the Commissioner may apply to any district court judge and the judge may order, without notice, that the owner or custodian of the place permit the Commissioner to enter the place for the purposes herein stated and failure by any person to obey the order may be punished as for contempt."

SECTION 6. This act becomes effective December 1, 2007, and applies to offenses committed on or after that date.

SUMMARY: ***House Bill 862 is an agency bill that would amend the Plant Protection and Conservation Act to do the following:***

- ***Clarify that under the Plant Protection and Conservation Act, the Board currently has the authority to issue permits but not fees.***
- ***Authorize the North Carolina Plant Conservation Board to establish permit fees.***
- ***Provide that the membership of the North Carolina Plant Conservation Scientific Committee would include a member of a conservation organization, rather than one of three specified organizations.***
- ***Limit review and comment by the Scientific Committee to environmental impact statements prepared by State agencies on projects that may affect protected plants.***
- ***Increase the punishment for violation of the Act from a Class 3 misdemeanor, with a fine only, to a Class 2 misdemeanor.***
- ***Allow an agent of the Department of Agriculture to inspect papers and records related to the Act.***

House Bill 862 received a favorable report in Senate Agriculture and is in Senate Finance because it authorizes the NC Plant Conservation Board to establish permit fees.

CURRENT LAW & BILL ANALYSIS:

Section 1. of the bill amends the powers and duties of the North Carolina Plant Conservation Board ("Board") in several ways:

- Requires adoption of and maintenance of a list of protected plants, broken down by status of endangered, threatened or special concern. Currently the Board is required to adopt individual lists of endangered, threatened or special concern plants. The definition of 'protected plant' includes the categories of endangered, threatened and special concern. G.S. 106-202.12.
- **Allows the Board to establish fees for permits authorized by Article 19B of Chapter 106, Plant Protection and Conservation Act.** Under current law the statutes governing the Plant Protection and Conservation Act require a ginseng dealer to hold an annual permit. The statutes also authorize the Board to promulgate regulations under which the Department of Agriculture and Consumer Services may issue permits to licensed nurserymen, commercial growers, scientific supply houses and botanical gardens for the sale or distribution of plants on the protected list. The Board has statutory authority to deny, suspend, revoke, or modify any permit issued under the statutes. The regulations adopted by the Board provide for the following permits: ginseng dealer's permit, special concern endangered and threatened plant propagation permit, protected plant commerce permit, and protected plant permit. The permits are issued without any fee, because there is no statutory authority for the Board to set permit fees.
- Makes technical clean ups.

Section 2. of the bill amends the membership of the North Carolina Plant Conservation Scientific Committee ("Scientific Committee") to provide that a member of a conservation group shall serve, in lieu of a member of one of three specified organizations. The three specified organizations are: Garden Club of North Carolina, NC Chapter of the Nature Conservancy, and the NC Wild Flower Preservation Society.

Section 3. of the bill amends the powers and duties of the Scientific Committee to allow that Committee to review and comment on environmental impact statements prepared by State agencies on projects that may affect protected plants. The authority to review and comment does not include approval.

Section 4. of the bill amends the punishment for violation of Article 19B of Chapter 106, Plant Protection and Conservation Act. Current punishment is a Class 3 misdemeanor, and a first time violation is punished by a fine only, not to exceed $100.00, and subsequent violations are also fine only, not to exceed $500.00. The bill would increase punishment to a Class 2 misdemeanor. A Class 2 misdemeanor carries a maximum fine of $1,000.00 and 1-30 days jail with no prior conviction.

Section 5. of the bill adds an agent of the Department of Agriculture and Consumer Services to the list of individuals who may inspect pertinent papers and records related to the Act. Currently, only the Commissioner or any employee of the Department has that authority.

EFFECTIVE DATE: The act becomes effective December 1, 2007, and applies to offenses committed on or after that date.

A BILL TO BE ENTITLED

AN ACT TO AUTHORIZE CRIMINAL BACKGROUND REVIEWS FOR CURRENT AND FUTURE EMS PERSONNEL.

The General Assembly of North Carolina enacts:

SECTION 1. G.S. 131E-159 is amended by adding a new subsection to read:

"(g) An individual who applies for EMS credentials, seeks to renew EMS credentials, or holds EMS credentials is subject to a criminal background review by the Department. At the request of the Department, the Emergency Medical Services Disciplinary Committee, established by G.S. 143-519, shall review criminal background information and make a recommendation regarding the eligibility of an individual to obtain initial EMS credentials, renew EMS credentials, or maintain EMS credentials. The Department and the Emergency Medical Services Disciplinary Committee shall keep all information obtained pursuant to this subsection confidential. The Medical Care Commission shall adopt rules to implement the provisions of this subsection, including rules to establish a reasonable fee to offset the actual costs of criminal history information obtained pursuant to G.S. 114-19.21."

SECTION 2. Chapter 114 of the General Statutes is amended by adding a new section to read:

"**§ 114-19.21. Criminal record checks of EMS personnel.**

The Department of Justice may provide to the Department of Health and Human Services the criminal history from the State and National Repositories of Criminal Histories of an individual who applies for EMS credentials, seeks to renew EMS credentials, or holds EMS credentials, when the criminal history is requested by the Department. The Department of Health and Human Services shall provide to the

Department of Justice the request for the criminal history, the fingerprints of the individual to be checked, any additional information required by the Department of Justice, and a form consenting to the check of the criminal record and to the use of fingerprints and other identifying information required by the State or National Repositories signed by the individual to be checked. The Department of Health and Human Services and Emergency Medical Services Disciplinary Committee, established by G.S. 143-519, shall keep all information obtained pursuant to this section confidential. The Department of Justice shall charge a reasonable fee to offset the costs incurred by it to conduct the checks of criminal history records authorized by this section."

SECTION 3. G.S. 143-519(a) reads as rewritten:

"(a) There is created ~~an~~ the Emergency Medical Services Disciplinary ~~Committee which~~Committee. The Committee shall review and make recommendations to the Department regarding all disciplinary matters relating to credentialing of emergency medical services personnel. At the request of the Department, the Committee shall review criminal background information and make a recommendation regarding the eligibility of an individual to obtain initial EMS credentials, renew EMS credentials, or maintain EMS credentials."

SECTION 4. This act becomes effective October 1, 2007.

HOUSE BILL 535:
Criminal Background Reviews - EMS Personnel

BILL ANALYSIS

Committee:	Senate Finance	**Date:**	July 25, 2007
Introduced by:	Rep. Wainwright	**Summary by:**	Trina Griffin Committee Counsel
Version:	PCS to Fourth Edition H535-CSSVf-51		

SUMMARY: House Bill 535 would provide for criminal background reviews of individuals who apply for emergency medical service (EMS) credentials, seek to renew EMS credentials, or hold EMS credentials. The proposed committee substitute makes one technical citation change.

CURRENT LAW: Under current law, the Department of Health and Human Services (DHHS) credentials EMS personnel. DHHS may deny, suspend, amend, or revoke the credentials of an EMS worker in any case in which DHHS finds that there has been a substantial failure to comply with the statutes or rules regulating emergency medical services. DHHS rules provide that DHHS may deny, suspend, or revoke the credentials of an EMS worker for any conviction of a felony or a crime involving moral turpitude or scope of practice.

Prior to taking a disciplinary action against an EMS worker, DHHS must consider the recommendations of the EMS Disciplinary Committee. The EMS Disciplinary Committee reviews and makes recommendations to DHHS regarding all disciplinary matters relating to credentialing EMS personnel.

BILL ANALYSIS:

House Bill 535 would provide for criminal background reviews by DHHS of individuals who apply for EMS credentials, seek to renew EMS credentials, or hold EMS credentials. At the request of DHHS, the EMS Disciplinary Committee will review criminal background information and make a recommendation regarding the eligibility of an individual to obtain, renew, or maintain EMS credentials. DHHS and the EMS Disciplinary Committee will keep all criminal background information confidential. The Medical Care Commission will adopt rules to implement the criminal background reviews, including rules to establish a reasonable fee to offset the actual costs of obtaining criminal history information from the Department of Justice (DOJ).

House Bill 535 would authorize DOJ to provide to DHHS the criminal histories from the State and National Repositories of Criminal Histories of individuals who apply for EMS credentials, seek to renew EMS credentials, or hold EMS credentials when the criminal history information is requested by DHHS. DHHS will provide to DOJ the fingerprints of the individual to be checked, additional information required by DOJ, and a form signed by the individual to be checked consenting to the criminal record check and the use of fingerprints and other identifying information. DHHS and the EMS Disciplinary Committee will keep all criminal background information confidential. DOJ shall charge a reasonable fee to offset the cost incurred to conduct the criminal history check.

House Bill 535 would authorize the EMS Disciplinary Committee to, at the request of DHHS, review criminal background information and make recommendations regarding the eligibility of individuals to obtain initial EMS credentials, renew EMS credentials, or maintain EMS credentials

EFFECTIVE DATE: This act becomes effective October 1, 2007.

SENATE BILL 1392:
Sales Tax Relief For Certain Textbooks

BILL ANALYSIS

Committee:	Senate Finance	**Date:**	July 25, 2007
Introduced by:	Sen. Brown	**Summary by:**	Dan Ettefagh
Version:	PCS to First Edition S1392-CSMC		Committee Counsel

SUMMARY: The PCS to Senate Bill 1392 creates a sales tax exemption for purchases of school instructional material if (a) the material is assigned by a course instructor and (b) the material is purchased by a student enrolled at an accredited postsecondary educational institution.

CURRENT LAW: Under current law, the sale of textbooks and other written instructional material are taxed at the rate of six and one-half percent (6.5%).

BILL ANALYSIS: The PCS to Senate Bill 1392 exempts from sales and use taxes the sale of school instructional material if sold to students enrolled at accredited postsecondary educational institutions and if assigned by a course instructor. School instructional material adopts the definition in Part III of the Library of Definitions contained in the Streamlined Sales and Use Tax Agreement, to wit: "written material commonly used by the student in a course of study as a reference and to learn the subject being taught" with an all-inclusive list composed of reference books, reference maps and globes, textbooks, and workbooks.

EFFECTIVE DATE: This act becomes effective October 1, 2007, and applies to sales made on or after that date.

BACKGROUND: The House Budget Bill contained a provision allowing school instructional materials with a sales price of $300 or less to be tax-free during the sales tax holiday without any restrictions regarding whether it was purchased by a student or assigned by a course instructor.

TECHNICAL CONCERNS: The Department of Revenue is concerned that the exemption will require increased record-keeping burdens on sellers and increased administration burdens on the Department. The former would be due to the required documentation that the instructional material was sold to an enrolled student. The latter would be the necessity of verifying exemptions and protests where proper records are not maintained.

A BILL TO BE ENTITLED

AN ACT TO PROVIDE A TAX CREDIT TO HEALTH CARE PROVIDERS TO PURCHASE WHEELCHAIR ACCESSIBLE PATIENT EXAMINATION TABLES.

The General Assembly of North Carolina enacts:

SECTION 1. Part 1 of Article 4 of Chapter 105 of the General Statutes is amended by adding a new section to read:

"**§ 105-130.49. Tax credit for wheelchair accessible patient examination tables.**

(a) Credit. – A taxpayer that places an eligible patient examination table into service in this State during the taxable year is allowed a credit against the tax imposed by this Part equal to the cost of the table, not to exceed five thousand dollars ($5,000) per table. The total amount of credit allowed under this section to a taxpayer during a taxable year may not exceed ten thousand dollars ($10,000).

(b) Definition. – As used in this section, the term 'eligible patient examination table' means an examination table that satisfies all of the following conditions:

(1) The table is designed to serve patients who have disabilities that have resulted in the use of a wheelchair.

(2) The table complies with all applicable ADA standards for patient accessibility.

(3) The table provides integrated docking and no-lift transfer of the patient from the wheelchair to the examination table.

(4) The table allows health care providers to transfer a patient without lifting the patient.

(c) Cap and Carryforward. – The credit allowed under this section may not exceed the amount of tax imposed by this Part for the taxable year reduced by the sum of all credits allowable, except tax payments made by or on behalf of the taxpayer. Any unused portion of the credit may be carried forward for the succeeding five years.

(d) Sunset. – This section is repealed for taxable years beginning on or after January 1, 2012."

SECTION 2. Part 2 of Article 4 of Chapter 105 of the General Statutes is amended by adding a new section to read:

"**§ 105-151.31. Tax credit for wheelchair accessible patient examination tables.**

(a) Credit. – A taxpayer that places an eligible patient examination table into service in this State during the taxable year is allowed a credit against the tax imposed by this Part equal to the cost of the table, not to exceed five thousand dollars ($5,000) per table. The total amount of credit allowed under this section to a taxpayer during a taxable year may not exceed ten thousand dollars ($10,000).

(b) Definition. – As used in this section, the term 'eligible patient examination table' means an examination table that satisfies all of the following conditions:

(c) Cap and Carryforward. – The credit allowed under this section may not exceed the amount of tax imposed by this Part for the taxable year reduced by the sum of all credits allowable, except tax payments made by or on behalf of the taxpayer. Any unused portion of the credit may be carried forward for the succeeding five years.

(d) Sunset. – This section is repealed for taxable years beginning on or after January 1, 2012."

SECTION 3. This act is effective for taxable years beginning on or after January 1, 2007.

SENATE BILL 1073:
Tax Credit - Wheelchair Patient Exam Tables

BILL ANALYSIS

Committee:	Senate Finance	**Date:**	July 24, 2007
Introduced by:	Sen. Swindell	**Summary by:**	Cindy Avrette
Version:	PCS to First Edition S1073-CSRB-59		Committee Counsel

SUMMARY: The proposed committee substitute for Senate Bill 1073 would provide a tax credit to health care providers who purchase a wheelchair accessible patient examination table that allows a health care provider to transfer a patient without lifting the patient. The credit would be equal to the cost of the table, not to exceed $5,000. The total amount of credit claimed in a taxable year could not exceed $10,000.

The taxpayer would remain entitled to deduct the cost of the table from taxable income as a business expense under section 179 of the Code. The bill would become effective for taxable years beginning on or after January 1, 2007, and expire for taxable years beginning on or after January 1, 2012.

BACKGROUND: Under Titles II and III of the Americans with Disabilities Act, health care facilities have a legal obligation to provide accessible healthcare to people with disabilities. To help cover the costs of compliance with the ADA, the federal government offers two tax incentives for ADA-related eligible access expenditures:

- An income tax credit available to small businesses. A small business is one that had either revenues of $1,000,000 or less or 30 or fewer full-time employees in the previous tax year.
- An income tax deduction available to businesses of any size.

The federal tax credit is equal to 50% of the eligible access expenditures in a year that exceed $250, up to a maximum expenditure of $10,250. Therefore, the maximum federal credit amount available to a qualifying small business is $5,000.

The federal deduction under section 190 of the Code is limited to architectural and transportation barrier removal expenses. It is applicable to any taxpayer. The federal tax deduction is a maximum of $15,000 per year. A taxpayer may also deduct the expense of other expenditures, such as an eligible patient exam table, under section 179 of the Code as a business expense.[1] Any deduction claimed at the federal level is also a deduction for State tax purposes since federal taxable income is the starting point for determining State taxable income.

BILL ANALYSIS: In addition to the credit allowed under federal law, Senate Bill 1073 would allow a State income tax credit to a taxpayer who places an 'eligible patient examination table' into service during the taxable year. Unlike the federal credit, the State credit would be allowed to any taxpayer that places into service an eligible patient examination table, not just to a small business. An 'eligible patient examination table' is a table that meets all of the following conditions:

- Is designed to serve patients who have disabilities that have resulted in the use of a wheelchair.

[1] A taxpayer may decide to treat an expenditure as a capital expense and depreciate it over several years.

- Complies with all applicable ADA standards for patient accessibility.
- Provides integrated docking and no-lift transfer of the patient from the wheelchair to the examination table.
- Allows health care provides to transfer a patient without lifting the patient.

Although there are many different height-adjustable examination and treatment tables and chairs that meets the first two requirements, it appears there is only one table that meets all four requirements: the Martin Chair-A-Table, developed by Martin Innovations in Rocky Mount, NC.

The amount of the State tax credit would be equal to the cost of the table, not to exceed $5,000. The total amount of credit allowed during a taxable year could not exceed $10,000. The credit may not exceed the amount of tax imposed for the taxable year. Any unused portion of the credit may be carried forward for five years. The anticipated cost of a Martin Chair-A-Table is $12,500.

The proposed committee substitute more narrowly restricts the applicability of the original bill so that it is limited to tables that provide integrated docking and no-lift transfers of the patient from the wheelchair to the examination table. It removes sections 3 and 4 of the bill. These sections are unnecessary because State taxable income already reflects the deduction of these expenses at the federal level since State taxable income begins with federal taxable income. It also removes an appropriation from the bill and sunsets the credit in five years.

EFFECTIVE DATE: The bill becomes effective for taxable years beginning on or after January 1, 2007, and expires for taxable years beginning on or after January 1, 2012.

EFFECTIVE DATE: January 1, 2007

BILL SUMMARY:

The PCS to senate bill 1073 provides a tax credit for health care providers who purchase a wheelchair accessible exam table, which is compliant with ADA standards for patient accessibility. The PCS is more restrictive than the original bill, and is limited to only one table currently in production. Beginning with the 2007 taxable year, the PCS enacts new GS 105-130.49 and GS 105-151.31 providing taxpayers that purchase a wheelchair accessible examination table and wheelchair "docking" capabilities, with a corporate or individual income tax credit equal to the cost of the table, not to exceed $5,000 per table and $10,000 per taxable year. It allows unused portions of the credit to be carried forward for the succeeding five years and provides that the credit may not exceed a taxpayer's tax liability. The PCS also amends GS 105-130.5(c) and GS 105-134.6(d) to provide for a deduction from taxable income purchases of wheelchair accessible exam tables to the extent the credit had not been taken. The tax credit sunsets in January 1, 2012. The PCS removes from the original bill (S1073) appropriations for grants to hospitals that purchase the tables.

ASSUMPTIONS AND METHODOLOGY:

The PCS provides more restrictive language than the original bill, and there is currently only one table in production that would qualify for the tax credit. The fiscal impact is based on information provided by the manufacturer of that table. Because the table is not in full production and may only be available on a limited basis in the first two fiscal years, the impact is expected to be minimal. The estimated reduction in FY2007-08 General Fund revenues will be $0.1 million.

The General Assembly of North Carolina enacts:

SECTION 1. G.S. 93E-1-2.1 reads as rewritten:

"**§ 93E-1-2.1. Registration, license, or certificate required of real estate appraisers.**

~~Beginning October 1, 1995, it shall be~~It is unlawful for any person in this State to act as a real estate appraiser, to directly or indirectly engage or assume to engage in the business of real estate appraisal, or to advertise or hold himself or herself out as engaging in or conducting the business of real estate appraisal without first obtaining a registration, license, or certificate issued by the Appraisal Board under the provisions of this Chapter. It ~~shall also be~~is also unlawful, with regard to any real property where any portion of that property is located within this State, for any person to perform any of the acts listed above without first being registered, licensed, or certified by the Appraisal Board under the provisions of this Chapter."

SECTION 2. G.S. 93E-1-3 reads as rewritten:

"**§ 93E-1-3. When registration, license, or certificate not required.**

(a) No trainee registration, license, or certificate shall be issued under the provisions of this Chapter to a partnership, association, corporation, firm, or group. However, nothing herein shall preclude a registered ~~trainee, State-licensed or State-certified~~trainee or licensed or certified real estate appraiser from rendering appraisals for or on behalf of a partnership, association, corporation, firm, or group, provided the appraisal report is prepared by a ~~State-licensed or State-certified~~licensed or

certified real estate appraiser or by a registered trainee under the immediate personal direction of, the ~~State-licensed or State-certified~~licensed or certified real estate appraiser and is reviewed and signed by that ~~State-licensed or State-certified~~licensed or certified appraiser.

(b) Repealed by Session Laws 2001-399, s. 1.

(c) Nothing in this Chapter shall preclude a real estate broker ~~or salesman~~licensed under Chapter 93A of the General Statutes from performing a comparative market analysis as defined in G.S. 93E-1-4, provided the person does not represent himself or herself as being a registered trainee or a ~~State-licensed or State-certified~~licensed or certified real estate appraiser. A real estate broker ~~or salesperson~~ may perform a comparative market analysis for compensation or other valuable consideration only for prospective or actual brokerage clients or for real property involved in an employee relocation program.

(d) Nothing in this Chapter shall abridge, infringe upon, or otherwise restrict the right to use the term "certified ad valorem tax appraiser" or any similar term by persons certified by the Department of Revenue to perform ad valorem tax appraisals, provided that the term is not used in a manner that creates the impression of certification by the State to perform real estate appraisals other than ad valorem tax appraisals.

(e) Nothing in this Chapter shall entitle a registered trainee or a ~~State-licensed or State-certified~~licensed or certified real estate appraiser to appraise real estate for ad valorem tax purposes unless the person has first been certified by the Department of Revenue pursuant to G.S. 105-294.

(f) A trainee registration, license, or certificate is not required under this Chapter for:

(1) Any person, partnership, association, or corporation that performs appraisals of property owned by that person, partnership, association, or corporation for the sole use of that person, partnership, association, or corporation;

(2) Any court-appointed commissioner who conducts an appraisal pursuant to a judicially ordered evaluation of property;

(3) Any person to qualify as an expert witness for court or administrative agency testimony, if otherwise qualified;

(4) A person who appraises standing timber so long as the appraisal does not include a determination of value of any land;

(5) Any person employed by a lender in the performance of appraisals with respect to which federal regulations do not require a licensed or certified appraiser; and

(6) A person who performs ad valorem tax appraisals and is certified by the Department of Revenue under G.S. 105-294 or G.S. 105-296;

however, any person who is registered, licensed, or certified under this Chapter and who performs any of the activities set forth in subdivisions (1) through (5) of this subsection must comply with all of the provisions of this Chapter."

SECTION 3. G.S. 93E-1-3.1 reads as rewritten:

"**§ 93E-1-3.1. Prohibited use of title; permissible use of title.**

(a) It shall be unlawful for any person to assume or use the title "registered trainee", ~~"State-licensed"~~licensed real estate appraiser", ~~"State-certified"~~certified real estate appraiser", or any title, designation, or abbreviation likely to create the impression of registration, licensure, or certification as a real estate appraiser, unless the person is registered, licensed, or certified by the Appraisal Board in accordance with the provisions of this Chapter. The Board may adopt for the exclusive use of persons licensed or certified under the provisions of this Chapter, a seal, symbol, or other mark identifying the user as a ~~State-licensed or State-certified~~licensed or certified real estate appraiser.

(b) Any person certified as a real estate appraiser by an appraisal trade organization shall retain the right to use the term "certified" or any similar term in identifying the person to the public, provided that:

(1) In each instance wherein the term is used, the name of the certifying organization or body is prominently and conspicuously displayed immediately adjacent to the term; and

(2) The use of the term does not create the impression of certification by the State.

This subsection does not entitle any person certified only by a trade organization to conduct an appraisal that requires a State registration, license, or certification.

(c) The term "registered trainee", ~~"State-licensed"~~licensed real estate appraiser", ~~"State-certified"~~certified real estate appraiser", or any similar term shall not be used following or immediately in connection with the name of a partnership, association, corporation, or other firm or group, or in a manner that might create the impression of registration, licensure, or certification as a real estate appraiser under this Chapter."

SECTION 4. G.S. 93E-1-4 reads as rewritten:

"**§ 93E-1-4. Definitions.**

When used in this Chapter, unless the context otherwise requires, the term:

(1) "Appraisal" or "real estate appraisal" means an analysis, opinion, or conclusion as to the value of identified real estate or specified interests therein performed for compensation or other valuable consideration.

(2) "Appraisal assignment" means an engagement for which an appraiser is employed or retained to act, or would be perceived by third parties or the public as acting, as a disinterested third party in rendering an unbiased appraisal.

(4) Repealed by Session Laws 2001-399, s. 1.

(b) Each application for registration as a trainee or for ~~licensure or~~ certification as a real estate appraiser shall be accompanied by a fee of two hundred dollars ($200.00), plus any additional fee as may be necessary to defray the cost of any competency examination administered by a private testing service.

(c) Any person who files with the Board an application for State ~~registration, licensure,~~registration or certification as a real estate appraiser shall be required to pass an examination to demonstrate the person's competence. The Board shall also make an investigation as it deems necessary into the background of the applicant to determine the applicant's qualifications with due regard to the paramount interest of the public as to the applicant's competency, honesty, truthfulness, and integrity. All applicants shall obtain criminal record reports from one or more reporting services designated by the Board to provide criminal record reports. Applicants are required to pay the designated reporting service for the cost of the reports. In addition, the Board may investigate and consider whether the applicant has had any disciplinary action taken against any other professional license in North Carolina or any other state, or if the applicant has committed or done any act which, if committed or done by any real estate trainee or appraiser, would be grounds under the provisions hereinafter set forth for disciplinary action including the suspension or revocation of registration, licensure, or certification, or whether the applicant has been convicted of or pleaded guilty to any criminal act. If the results of the investigation shall be satisfactory to the Board, and the applicant is otherwise qualified, then the Board shall issue to the applicant a trainee ~~registration, license~~registration or certificate authorizing the applicant to act as a registered trainee real estate ~~appraiser, State-licensed real estate appraiser, or a State-certified~~appraiser or certified real estate appraiser in this State.

(d) If the applicant has not affirmatively demonstrated that the applicant meets the requirements for ~~registration, licensure,~~registration or certification, action on the application will be deferred pending a hearing before the Board."

SECTION 7. G.S. 93E-1-6.1 reads as rewritten:

"**§ 93E-1-6.1. Trainee supervision.**

All trainees shall perform all real estate appraisal-related activities under the immediate, active, and personal supervision of a ~~State-licensed or State-certified~~licensed or certified real estate appraiser. All appraisal reports must be signed by the ~~State-licensed or State-certified~~ appraiser who supervised the trainee. By signing the appraisal report, the ~~State-licensed or State-certified~~ appraiser accepts shared responsibility, with the trainee, for the content of and conclusions in the report."

SECTION 8. G.S. 93E-1-7 reads as rewritten:

"**§ 93E-1-7. Registration, license and certificate renewal; renewal fees; continuing education; reinstatement; replacement registrations, licenses and certificates; registration, licensure, and certification history; address changes.**

(a) Trainee registrations, licenses, and certificates issued under this Chapter shall expire on the 30th day of June of every year and shall become invalid after that date unless renewed prior to the expiration date by filing an application with and paying to the Executive Director of the Board the fee of ~~two hundred dollars ($200.00).~~two hundred twenty-five dollars ($225.00). As a prerequisite to the renewal of a trainee registration or a real estate appraiser license or certificate, the trainee registration holder, the licensee, or the certificate holder must satisfy any continuing education requirements that may be prescribed by the Board under subsection (b) of this section. The members of the General Assembly are exempt from this requirement and any education program regarding trainee supervision during their term of office. The Board may adopt rules establishing a system of trainee registration, license, and certificate renewal in which trainee registrations, licenses, and certificates expire annually with varying expiration dates.

(b) The Board may by rule require, as a prerequisite to trainee registration, license, or certificate renewal, the completion of Board-approved education courses in subject matters determined by the Board, or courses determined by the Board to be equivalent to the instruction, not inconsistent with any requirements of federal authorities.

(b1) Course sponsors shall pay to the Board a fee of five dollars ($5.00) for each licensee completing an approved continuing education course conducted by the sponsor.

(b2) The Board shall not charge a course application fee, a course renewal fee, or any other fee for a continuing education course offered by a North Carolina college, university, junior college, or community or technical college accredited by the Southern Association of Colleges and Schools or an agency of the federal, State, or local government.

(c) All trainee registrations, licenses, and certificates reinstated after the expiration dates shall be subject to a late filing fee of ~~five dollars ($5.00)~~ten dollars ($10.00) per month for each month or part thereof that the trainee registration, license, or certificate is lapsed, not to exceed ~~sixty dollars ($60.00).~~one hundred twenty dollars ($120.00). The late filing fee shall be in addition to the required renewal fee. In the event a trainee, licensee, or certificate holder fails to reinstate the trainee registration, license, or certificate within 12 months after the expiration date thereof, the Board may, in its discretion, consider the person as not having been previously registered, licensed,

or certified, and thereby subject to the provisions of this Chapter relating to the issuance of an original trainee registration, license, or certificate, including the examination requirements set forth herein. Applications to reinstate trainee registrations, licenses, or certificates expired for 12 or more months shall be accompanied by the fee required for an original trainee registration, license, or certificate.

(d) Replacement trainee registrations, licenses, and certificates may be issued by the Board upon payment of ~~five dollars ($5.00)~~ten dollars ($10.00) by the trainee, licensee, or certificate holder. Certification by the Board of the trainee registration history or the licensure or certification history of a person registered, licensed, or certified under this Chapter shall be made only after the payment of a fee of ten dollars ($10.00) to the Board."

SECTION 9. G.S. 93E-1-8 reads as rewritten:

"**§ 93E-1-8. Education program approval and fees.**

(a) The Board may by rule prescribe minimum standards for the approval and renewal of approval of schools and other course sponsors and their instructors to conduct appraiser prelicensing and precertification courses required by G.S. 93E-1-6(a). Such standards may address subject matter, program structuring, instructional materials, requirements for satisfactory course completion, instructors' qualifications, and other related matters relevant to the provision of such courses in a manner that best serves the public interest. The standards may require that schools and course sponsors obtain approval for the content of prelicensing and precertification courses from the Appraiser Qualifications Board of the Appraisal Foundation as part of the application process with the Appraisal Board and pay any fees directly to the Appraiser Qualifications Board as required by the Appraiser Qualifications Board for the approval.

(b) The Board may by rule set nonrefundable fees chargeable to private real estate appraisal schools or course sponsors, including appraisal trade organizations, for the approval and annual renewal of approval of their prelicensing and precertification courses required by G.S. 93E-1-6(a), or equivalent courses. ~~Such~~ The fees shall be ~~forty dollars ($40.00)~~one hundred dollars ($100.00) per course for approval and ~~twenty dollars ($20.00) per course for renewal of approval of private school courses, and three hundred dollars ($300.00) per course for approval and~~ fifty dollars ($50.00) per course for renewal of ~~approval for course sponsors, including appraisal trade organizations.~~approval. No fees shall be charged for the approval or renewal of approval to conduct appraiser prelicensing or precertification courses where such courses are offered by a North Carolina college, university, junior college, or community or technical college accredited by the Southern Association of Colleges and Schools, or an agency of the federal, State, or local government.

(c) The Board may by rule prescribe minimum standards for the approval and annual renewal of approval of schools and other course sponsors and their instructors to conduct appraiser continuing education courses. Such standards may address subject matter, instructional materials, requirements for satisfactory course completion, minimum course length, instructors' qualifications, and other related matters relevant to the provision of such courses in a manner that best serves the public interest.

(d) Nonrefundable fees of one hundred dollars ($100.00) per course may be charged to schools and course sponsors for the approval to conduct appraiser continuing education courses and fifty dollars ($50.00) per course for renewal of approval. However, no fees shall be charged for the approval or renewal of approval to conduct appraiser continuing education courses where such courses are offered by a North Carolina college, university, junior college, or community or technical college accredited by the Southern Association of Colleges and Schools, or by an agency of the federal, State, or local government. A nonrefundable fee of fifty dollars ($50.00) per course may be charged to current or former licensees or certificate holders requesting approval by the Board of a course for continuing education credit when approval of such course has not been previously obtained by the offering school or course sponsor."

SECTION 10. G.S. 93E-1-12(a) reads as rewritten:

"(a) The Board may take disciplinary action against registered trainees and State-licensed or State-certified real estate appraisers. Upon its own motion or the complaint of any person, the Board may investigate the actions of any person registered as a trainee or licensed or certified as a real estate appraiser under this Chapter, any person who performs appraisals without an appropriate registration, license, or certificate, or any person who holds himself or herself out to be registered as a trainee or licensed or certified as a real estate appraiser when the person holds no registration, license, or certificate. If the Board finds probable cause to believe that a person registered as a trainee or licensed or certified as a real estate appraiser under this Chapter has violated any of the provisions of this Chapter, the Board may hold a hearing on the allegations of misconduct.

The Board may suspend or revoke the registration, license, or certificate granted to any person under the provisions of this Chapter or reprimand any registered trainee, licensee, or certificate holder if, following a hearing or by consent, the Board finds the registered trainee, licensee, or certificate holder to have:

(1) Procured registration, licensure, or certification pursuant to this Chapter by making a false or fraudulent representation;

(2) Made any willful or negligent misrepresentation or any willful or negligent omission of material fact;

(3) Accepted an appraisal assignment when the employment is contingent upon the appraiser reporting a predetermined result, analysis, or opinion, or when the fee to be paid for the performance of the appraisal assignment is contingent upon the opinion, conclusion, or valuation reached or upon consequences resulting from the appraisal assignment;

(4) Acted or held himself or herself out as a registered trainee or a ~~State-licensed or State-certified~~licensed or certified real estate appraiser when not so registered, licensed, or certified;

(5) Failed as a ~~State-licensed or State-certified~~licensed or certified real estate appraiser to actively and personally supervise any person not licensed or certified under this Chapter who assists the ~~State-licensed~~

~~or State-certified~~licensed or certified real estate appraiser in performing real estate appraisals;

(6) Failed to make available to the Board for its inspection without prior notice, originals or true copies of all written contracts engaging the person's services to appraise real property, and all reports and supporting data assembled and formulated by the appraiser in preparing the reports;

(7) Paid a fee or valuable consideration to any person for acts or services performed in violation of this Chapter;

(8) Acted as a real estate appraiser in an unworthy or incompetent manner as to endanger the interest of the public;

(9) Violated any of the standards of practice for real estate appraisers or any other rule promulgated by the Board;

(10) Performed any other act which constitutes improper, fraudulent, or other dishonest conduct; or

(11) Violated any of the provisions of this Chapter.

The Executive Director of the Board shall transmit a certified copy of all final orders of the Board suspending or revoking registrations, licenses, or certificates issued under this Chapter to the clerk of superior court of the county in which the licensee or certificate holder maintains the person's principal place of business. The clerk shall enter these orders upon the judgment docket of the county."

SECTION 11. G.S. 93E-1-12(c) reads as rewritten:

"(c) When a person registered as a trainee or licensed or certified as a real estate appraiser under this Chapter is accused of any act, omission, or misconduct which would subject the person to disciplinary action, the registered trainee, licensee, or certificate holder, with the consent and approval of the Board, may surrender his or her registration, license, or certificate and all the rights and privileges pertaining to it for a period of time established by the ~~Board.~~Board of at least five years. A person who surrenders his or her registration, license, or certificate shall not thereafter be eligible for or submit any application for registration, licensure, or certification as a real estate appraiser during the period that the registration, license, or certificate is surrendered."

SECTION 12. After January 1, 2008, the North Carolina Appraisal Board will no longer issue a license for a licensed residential real estate appraiser. Any individual holding a license as a licensed residential real estate appraiser on that date shall be allowed to maintain the license so long as it is properly renewed in accordance with G.S. 93E-1-7.

SECTION 13. Section 6 of this act becomes effective January 1, 2008, and applies to any person applying under this section on or after that date. The remainder of this act becomes effective October 1, 2007, and applies to applicants for registration, licensure, or certification under this act and to persons whose registration, license, or certification are renewed under this act on or after October 1, 2007.

SENATE BILL 1485:
Amend NC Appraisers Act/Fees

BILL ANALYSIS

Committee:	Senate Finance	**Date:**	July 25, 2007
Introduced by:	Sen. Rand	**Summary by:**	Dan Ettefagh
Version:	Second Edition		Committee Counsel

SUMMARY: ***Senate Bill 1485 makes various changes to the North Carolina Appraisers Act by modifying the amount and type of education required for certified residential or certified general real estate appraisers, eliminating the category of a licensed residential real estate appraiser, and increasing the fees to the Appraisal Board for initial applications and license renewals. The PCS changes the effective date from July 1, 2007 to October 1, 2007.***

CURRENT LAW: Chapter 93E of the General Statutes makes it illegal for anyone to appraise real property without being registered, licensed or certified by the Appraisal Board. The minimum educational standards that the Board must approve are those established by the federal government. A registered trainee must have at least 90 hours of classroom instruction in real estate appraisal principles and practices; a licensed residential real estate appraiser must have at least 90 hours of classroom instruction plus at least 2,000 hours of experience in real estate appraising over five years; a certified residential real estate appraiser must have at least 120 hours of instruction plus at least 2,500 hours of experience; and a certified general real estate appraiser must have at least 180 hours of classroom instruction plus at least 3000 hours of experience.

BACKGROUND: The Appraiser Qualifications Board (AQB) establishes the minimum education, experience and examination requirements for real estate appraisers that are currently used by the federal government. The AQB standards have recently changes, and SB 1485 brings North Carolina law into conformity with the current AQB standards.

BILL ANALYSIS: Senate Bill 1485 amends the North Carolina Appraisers Act as follows:

- Section 1 makes a technical change.
- Sections 2, 3, 4, 7 and 10 convert "State-licensed" to "licensed" and "State-certified" to "certified".
- Section 5 does the following:
    - Establishes the Appraisal Foundation's minimum educational requirements as the State's minimum requirements.
    - Increases the hours of instruction for licensed residential real estate appraisers from 90 hours to 150 hours, increases the hours of instruction for certified residential real estate appraisers from 120 hours to 200 hours, and increases the hours of instruction for certified general real estate appraisers from 180 hours to 300 hours.
    - Requires applicants to obtain and submit criminal record checks from approved reporting services.
- Section 6 of the bill, effective January 1, 2008, requires applicants for registered trainees to have a high school diploma or its equivalent; eliminates the category of licensed residential real estate appraiser; requires applicants for certified residential real estate appraiser to have

(i) an associate's degree or higher or (ii) a high school diploma/equivalent and 21 semester credit hours in certain prescribed courses; requires applicants for a certified general real estate appraiser certification to hold (i) a bachelor's degree or higher or (ii) a high school diploma and 30 semester hours in certain prescribed courses.

- Sections 5, 8, and 9 increase fees for applications, renewals, course approvals and court attendance certifications as follows:
    - Fee for an application for registration as a trainee or for licensure or certification is increased to $200 (from $150).
    - Fee for renewing (prior to expiration) a trainee registration, a license or a certificate each year is increased to $225 (from $200).
    - Fee paid by course sponsors conducting an approved continuing education course is implemented at five dollars for each licensee completing (new fee – not applicable to certain universities, colleges, and governmental agencies).
    - Late filing fee for renewing (after expiration) a trainee registration, a license or a certificate is increased to $10 (from five dollars) per month the registration, license, or certificate is expired. The cap on this fee has also been increased to $120 (from $60).
    - Cost for replacement trainee registrations, licenses, and certificates is increased to $10 (from five dollars).
    - Fee chargeable to private real estate appraisal schools or course sponsor for approval of prelicensing and precertification courses is increased to $100 per course (from $40).
    - Fee chargeable to private real estate appraisal schools or course sponsor for renewal of approval of prelicensing and precertification courses is increased to $50 per course (from $20).
- Section 11 establishes a five-year minimum period for surrender of a registration, license or certificate for conduct that would subject the person to disciplinary action.
- Section 12 clarifies that after January 1, 2008, no licenses for licensed residential real estate appraiser will be issued, but current licensees are grandfathered so long as they properly renew the license.

EFFECTIVE DATE: Section 6 becomes effective January 1, 2008, and applies to applicants applying under that section on or after that date. The remainder of the act becomes effective October 1, 2007, and applies to applications and renewals on or after October 1, 2007.

EFFECTIVE DATE: Effective October 1, 2007

BILL SUMMARY:

March 26, 2007

S 1485. AMEND NC APPRAISERS ACT/FEES. Filed 3/26/07. AMENDING EDUCATION REQUIREMENTS FOR REAL ESTATE APPRAISERS UNDER THE NORTH CAROLINA APPRAISERS ACT, ELIMINATING THE CATEGORY OF LICENSED RESIDENTIAL REAL ESTATE APPRAISER, AND AUTHORIZING THE NORTH CAROLINA APPRAISAL BOARD TO ESTABLISH AND INCREASE CERTAIN FEES. Under current law, real estate appraisers are designated as "certified general, "certified residential," and "licensed residential." Amends GS 93E-1-12(c) to provide that after January 1, 2008, the NC Appraisal Board (Board) will no longer issue a license for a licensed residential real estate appraiser but will allow any individual holding that license on that date to maintain the license as long as it is properly renewed. Amends GS 93E-1-3 to limit performance of a comparative market analysis to a real estate broker (was, real estate broker or salesman). Makes technical and conforming changes to GS Chapter 93E to remove the qualifying term "State" from preceding references to "certified and licensed real estate appraisers. Amends GS 93E-1-6 to make adjustments to qualifications for registration as a trainee and sets minimum requirements imposed by the Appraisal Foundation (was, the federal government). Increases the number of instructional hours required for certification or licensing as a real estate appraiser. Requires applicants for registration, licensure, or certification to provide criminal record reports and to obtain the reports from reporting services

HOUSE BILL 1213
Committee Substitute Favorable 4/19/07

Short Title: Cary Multifamily Developmt/Recreational Land. (Local)

Sponsors:

Referred to:

March 29, 2007

A BILL TO BE ENTITLED

AN ACT GRANTING AUTHORITY TO THE TOWN OF CARY TO REQUIRE DEVELOPERS OF MULTIFAMILY UNITS TO PROVIDE FUNDS FOR RECREATIONAL LAND TO SERVE MULTIFAMILY DEVELOPMENTS.

The General Assembly of North Carolina enacts:

SECTION 1. The town of Cary may, by ordinance, provide that a developer of multifamily units that are not subject to the subdivision ordinance shall provide funds to the town whereby the town may acquire recreational land or areas to serve the multifamily development, including the purchase of land that may be used to serve more than one multifamily development or residential subdivision within the immediate area. All funds received by the town pursuant to this section may be combined with funds received from residential subdivisions under G.S. 160A-372, and shall be used only for the acquisition or development of recreation, park, or open space sites. Any formula enacted to determine the amount of funds that are to be provided under this section shall be based on a flat fee per unit. The ordinance may allow a combination or partial payment of funds and partial dedication of land when the town council determines that this combination is in the best interests of the citizens of the area to be served.

SECTION 2. This act applies to the town of Cary only.

SECTION 3. This act is effective when it becomes law.

HOUSE BILL 1213:
Cary Multifamily Developmt/Recreational Land

BILL ANALYSIS

Committee:	Senate Finance	**Date:**	July 26, 2007
Introduced by:	Rep. Weiss	**Summary by:**	Judy Collier
Version:	Second Edition		Research Assistant

SUMMARY: House Bill 1213 (Second Edition) is a local bill that authorizes the Town of Cary to adopt an ordinance requiring a developer of multifamily units to provide funds to the town for the acquisition of recreational land to serve the multifamily development.

CURRENT LAW: Under G.S. 160A-372, a city may enact a subdivision control ordinance requiring a developer to provide funds to the city, so that the city may acquire recreational land or areas to serve the development or subdivision, or more than one subdivision or development, within the immediate area. Funds received by a municipality may be used only for the acquisition or development of recreation, park, or open space sites. Any formula enacted to determine the amount of funds to be provided by a developer shall be based upon the value of the development for property tax purposes. A combination of funds and partial dedication of land may be allowed when the municipality determines that this combination is in the best interests of the area residents.

BILL ANALYSIS: House Bill 1213 authorizes the Town of Cary to enact a similar ordinance requiring developers of multifamily units, not subject to the subdivision ordinance, to provide funds to the Town to acquire recreational land for the multifamily development. Funds received from the developers may be combined with funds received from residential subdivision developers under G.S. 160A-372. Any formula to determine the amount of funds must be based on a flat fee per unit.[1] The ordinance may allow for a combination of partial payment of funds and partial dedication of land.

The Town of Apex was given similar authorization to charge a dwelling unit in S.L. 1995-722.

EFFECTIVE DATE: When the bill becomes law

H1213e2-SMRE
Martha Walston, counsel to House Finance Committee, substantially contributed to this summary.

[1] The bill's 1st edition based the formula on the value of the multifamily development for property tax purposes. This language would constitute an unconstitutional local property tax.

HOUSE BILL 487

Short Title:	Exemption For Baler Twine From Sales Tax.	(Public)
Sponsors:	Representatives Hill; Faison, Lewis, Moore, Saunders, Williams, and Wray.	
Referred to:	Agriculture, if favorable, Finance.	

March 6, 2007

A BILL TO BE ENTITLED

AN ACT TO EXEMPT BALER TWINE FROM THE SALES AND USE TAX.

The General Assembly of North Carolina enacts:

SECTION 1. G.S. 105-164.13(1) reads as rewritten:

"(1) Any of the following items sold to a farmer for use by the farmer in the planting, cultivating, harvesting, or curing of farm crops or in the production of dairy products, eggs, or animals. A "farmer" includes a dairy operator, a poultry farmer, an egg producer, a livestock farmer, a farmer of crops, and a farmer of an aquatic species, as defined in G.S. 106-758.

a. Commercial fertilizer, lime, land plaster, plastic mulch, plant bed covers, potting soil, baler twine, and seeds.

b. Farm machinery, attachment and repair parts for farm machinery, and lubricants applied to farm machinery. The term "machinery" includes implements that have moving parts or are operated or drawn by an animal. The term does not include implements operated wholly by hand or motor vehicles required to be registered under Chapter 20 of the General Statutes.

c. A horse or mule.

d. Fuel other than electricity."

SECTION 2. This act becomes effective October 1, 2007, and applies to sales made on or after that date.

HOUSE BILL 487:
Exemption For Baler Twine From Sales Tax

BILL ANALYSIS

Committee:	Senate Finance	**Date:**	July 26, 2007
Introduced by:	Rep. Hill	**Summary by:**	Martha Walston
Version:	First Edition		Committee Counsel

SUMMARY: House Bill 487 would exempt baler twine used by a farmer from State and local sales and use tax.

CURRENT LAW: Under G.S. 105-164.13(1), the following items are exempt from sales and use tax if sold to a farmer for use by the farmer in the planting, cultivating, harvesting, or curing of farm crops or in the production of dairy products, eggs, or animals:

- Commercial fertilizer, lime, land covers, potting soil, and seeds.
- Farm machinery, attachment and repair parts for farm machinery, and lubricants applied to farm machinery.
- Horses or mules
- Fuel other than electricity.

The term "farmer" includes a dairy operator, a poultry farmer, an egg producer, a livestock farmer, a farmer of crops, and a farmer of an aquatic species.[1]

BILL ANALYSIS: House Bill 487 would add baling twine to the list of items that are exempt when purchased by a farmer for use in agricultural production.

EFFECTIVE DATE: The act becomes effective October 1, 2007, and applies to sales of baling twine made on or after that date.

BACKGROUND: To receive a sales and use tax exemption, a farmer must apply for and obtain an exemption certificate from the Department of Revenue. An exemption certificate authorizes a retailer to sell tangible personal property to the holder of the certificate and not collect tax on the sale. A person who purchases property under an exemption certificate is liable for any tax due on the sale if the Department determines that the person is not eligible for the certificate or the property was not used as intended. In addition any person who willfully attempts, or who aids or abets any person to attempt to evade or defeat the tax is guilty of a Class H felony.

H0487e1-SMLA

[1] G.S. 106-758 defines "aquatic species" as any species of finfish, mollusk, crustacean, or other aquatic invertebrate, amphibian, reptile, or aquatic plant, and including, but not limited to, fish and fishes. "Fish" and "fishes" are defined as all marine mammals; all shellfish; all crustaceans; and all other fishes.

The Department of Justice shall charge a reasonable fee for conducting the checks of the criminal history records authorized by this section.

(c) All releases of criminal history information to the local Homeland Security ~~director~~ director, local fire chief, county fire marshal, emergency services director, or local law enforcement agency shall be subject to, and in compliance with, rules governing the dissemination of criminal history record checks as adopted by the North Carolina Division of Criminal Information. All of the information the local Homeland Security ~~director~~ director, local fire chief, county fire marshal, emergency services director, or local law enforcement agency receives through the checking of the criminal

history is privileged information and for the exclusive use of that ~~director~~ director, chief, marshal, or agency.

(d) If the applicant's verified criminal history record check reveals one or more convictions covered under subdivision (a)(2) of this section, then the conviction shall constitute just cause for not selecting the applicant for the position or for dismissing the person from a current position with the local fire ~~department.~~department or emergency medical services. The conviction shall not automatically prohibit volunteering or employment; however, the following factors shall be considered by the local Homeland Security ~~director~~ director, local fire chief, county fire marshal, emergency services director, or local law enforcement agency in determining whether the position shall be denied:

(1) The level and seriousness of the crime;
(2) The date of the crime;
(3) The age of the person at the time of the conviction;
(4) The circumstances surrounding the commission of the crime, if known;
(5) The nexus between the criminal conduct of the person and the duties of the person;
(6) The prison, jail, probation, parole, rehabilitation, and employment records of the person since the date the crime was committed; and
(7) The subsequent commission by the person of a crime listed in subsection (a) of this section.

(e) The local fire ~~department~~ department or emergency medical services may deny the applicant the position or dismiss an applicant who refuses to consent to a criminal history record check or use of fingerprints or other identifying information required by the State or National Repositories of Criminal Histories. This refusal constitutes just cause for the denial of the position or the dismissal from the position.

(f) The local fire ~~department~~ department or emergency medical services may extend a conditional offer of the position pending the results of a criminal history record check authorized by this section.

(g) For purposes of this section, 'local fire chief' shall include only fire chiefs who are paid employees of a city; 'county fire marshal' shall include only fire marshals who are paid employees of a county; and 'emergency services director' shall include only emergency services directors who are paid employees of a city or county."

HOUSE BILL 1322:
Fire Chief/EMS Directors Can Request Criminal Histories

BILL ANALYSIS

Committee:	Senate Finance	**Date:**	July 26, 2007
Introduced by:	Reps. Clary, Moore	**Summary by:**	Dan Ettefagh Committee Counsel
Version:	PCS to Second Edition H1322-CSMC		

SUMMARY: House Bill 1322 expands those who can request criminal history records checks from the Department of Justice for applicants with a fire department or emergency medical service. The PCS makes technical changes. House Bill 1322 is in Senate Finance because it requires the Department of Justice to charge a reasonable fee for conducting the record checks.

CURRENT LAW: G.S. 114-19.12 currently authorizes a designated local Homeland Security director or a local law enforcement agency (only when there is not a designated local Homeland Security director) to obtain a criminal history from the Department of Justice for an applicant for a paid or volunteer position with a fire department in a unit of local government.

BILL ANALYSIS: House Bill 1322 would add local fire chiefs, county fire marshals, and emergency services directors to the persons currently authorized, under the provisions of G.S. 114-19.12, to request, obtain, and use a criminal history records check from the Department of Justice for applicants for a paid or volunteer position with a local fire department or emergency medical service. **The Department of Justice is required to charge a reasonable fee for conducting the criminal history record check.**

For purposes of this section, the term "local fire chief" only includes fire chiefs who are paid employees of a city and "county fire marshal" only includes fire marshals who are paid employees of a county. The term "emergency services director" only includes emergency medical services directors who are paid employees of a city or county.

EFFECTIVE DATE: This act is effective when it becomes law.

BILL SUMMARY: Amends G.S. 114-19.12 to provide local fire chiefs, county fire marshals, and local emergency services directors with the authority to request criminal record checks from the Department of Justice, for applicants to fire departments and emergency medical services units in local government.

ASSUMPTIONS AND METHODOLOGY: According to the Office of the State Fire Marshall, approximately 2035 certifications for Firefighter 1 and 2 designations are issued annually. This total captures new 'applicants' who have completed the requisite training classes/credits for certification, and does not include those who apply to departments and do not pursue certification.

Similarly, the Office of Emergency Medical Services indicates that of the 32,000 persons that are credentialed annually, approximately half (17,000) actually provide patient care (indicative of the number employed). However, because this total also encompasses annual re-certifications, the actual number of new applicants is unknown.

The State Bureau of Investigation (SBI) of the Department of Justice charges non-criminal justice agencies $38 per state and national record check, as follows:

NC Fingerprint Check:	$14
National Fingerprint Check:	$24 ($2 to DOJ, $22 remitted to the FBI)
Total:	$38

Based on discussions with local fire chiefs and state officials, FRD assumes the costs of conducting criminal record checks will be born by local units, including any costs incurred for fingerprinting (FRD assumes live-scan, electronic fingerprinting). But, while a significant number of new record checks are anticipated, it is not known how many state or federal checks may be conducted.

Department of Justice

The unit cost for conducting national and criminal record checks via live-scan is $14.54 (cost includes overhead and equipment). Each staff member in the SBI's fingerprint identification section can perform, on average, 8,000 - 10,000 checks per year. As indicated below, the costs incurred for criminal record checks are largely offset by fee collections; however, depending on the frequency of criminal record check requests, additional resources (office space, equipment, personnel) may be required. The total amount of fee proceeds is indeterminate.

Record Check	Agency Fee	DOJ Total Cost*
Live-Scan Fingerprint Check *(NC data only)*	$14.00	$14.54
Live-Scan Fingerprint Check *(NC and FBI data)*	$38.00	$36.54
**2005 unit costs are derived from OSBM "Study of the Cost of Providing Criminal Record Checks;" costs include an equipment allowance and 12.5% overhead rate* *Cost for state and federal record checks includes $22 remittance per check to the Federal Bureau of Investigation*

A BILL TO BE ENTITLED

AN ACT TO ALLOW CHATHAM COUNTY TO USE RECREATION FUNDS RECEIVED FROM SUBDIVISION DEVELOPERS TO CONSTRUCT AND ACQUIRE RECREATIONAL FACILITIES IN CHATHAM COUNTY.

The General Assembly of North Carolina enacts:

SECTION 1. G.S. 153A-349.6 is amended by adding a new subsection to read:

"(e) A development agreement may require a developer to provide funds to the county to be used for the development and construction of recreational facilities to serve one or more developments within an area chosen by the county."

SECTION 2. This act applies to Chatham County only.

SECTION 3. This act is effective when it becomes law.

SENATE BILL 609:
Chatham Recreation Exaction Fee

BILL ANALYSIS

Committee:	Senate Finance	**Date:**	July 26, 2007
Introduced by:	Sen. Atwater	**Summary by:**	Cindy Avrette
Version:	PCS to First Edition S609-CSRB-68		Committee Counsel

SUMMARY: The Proposed Committee Substitute for Senate Bill 609 would allow Chatham County to enter into a development agreement with a developer whereby the developer would agree to provide funds to the county to be used for the development and construction of recreational facilities.

CURRENT LAW: Local governments often use their subdivision and zoning authority to require exactions to address impacts of a proposed development. G.S. 153A-331 specifically allows a county to adopt subdivision ordinances that may require a developer to do one or more of the following to address the impacts of a proposed development:

- Provide funds to enable the local government to acquire recreational land or areas to serve the development or developments within the immediate area.
- Provide funds to be used for the development of roads to serve the development.
- Construct community service facilities.
- Reserve school sites.

In 2005, the General Assembly made substantial revisions to city and county planning and land-use management statutes. Part of those revisions included authorization of development agreements between a local government and a developer. In the laws concerning development agreements, the General Assembly made several findings. It recognized that large scale development often creates potential community impacts and that large-scale development requires careful integration between public capital facilities planning, financing, and construction and the phasing of the private development. The statute authorizing development agreements specifically states that a local government may not exercise any authority not authorized by general or local act and may not impose any tax or fee not otherwise authorized by law.

A local government may enter into a development agreement with a developer provided the property contains 25 acres or more of developable property. A local government must hold a public hearing on a proposed agreement. An agreement must meet minimum requirements. The burdens of an agreement are binding, and therefore a developer must record an agreement with the register of deeds.

BILL ANALYSIS: The proposed committee substitute for Senate Bill 609 would allow Chatham County to enter into a development agreement whereby the developer may agree to provide funds to the county to be used to develop and construct recreational facilities and public libraries.

A BILL TO BE ENTITLED

AN ACT AUTHORIZING THE DEPARTMENT OF HEALTH AND HUMAN SERVICES TO IMPLEMENT A FEDERALLY REQUIRED MANDATORY FEE FOR SUCCESSFUL CHILD SUPPORT COLLECTION FOR FAMILIES THAT HAVE NEVER RECEIVED TANF.

The General Assembly of North Carolina enacts:

SECTION 1. G.S. 110-130.1(a) reads as rewritten:

"(a) All child support collection and paternity determination services provided under this Article to recipients of public assistance shall be made available to any individual not receiving public assistance in accordance with federal law and as contractually authorized by the nonrecipient, upon proper application and payment of a nonrefundable application fee of twenty-five dollars ($25.00). The fee shall be reduced to ten dollars ($10.00) if the individual applying for the services is indigent. An indigent individual is an individual whose gross income does not exceed one hundred percent (100%) of the federal poverty guidelines issued each year in the Federal Register by the U.S. Department of Health and Human Services. For the purposes of this subsection, the term "gross income" has the same meaning as defined in G.S. 105-134.1.

In the case of an individual who has never received assistance under a State program funded pursuant to Title IV-A of the Social Security Act and for whom the State has collected and disbursed to the family in a federal fiscal year at least five hundred dollars ($500.00) of support, the State shall impose an annual fee of twenty-five dollars ($25.00) for each case in which services are furnished. The child support agency shall retain the fee from support collected on behalf of the individual. However, the child support agency shall not retain the fee from the first five hundred dollars ($500.00) collected. The child support agency shall use the fee to support the ongoing operation of the program."

BILL ANALYSIS

Committee:	Senate Finance	**Date:**	July 25, 2007
Introduced by:	Rep. Goodwin	**Summary by:**	Trina Griffin
Version:	First Edition		Committee Counsel

SUMMARY: House Bill 825 is an agency bill that would require the Department of Health and Human Services to assess an annual fee of $25 for certain persons for whom the state has collected child support and disbursed it to the family. The persons subject to the fee are those who have never received Temporary Assistance for Needy Families (TANF).

CURRENT LAW: Any child support collection and paternity determination services provided to individuals who receive public assistance must also be made available to any individual who is not receiving public assistance if that individual properly applies for that service and pays a one-time, nonrefundable application fee of $25. The fee is reduced to $10 if the individual applying for the services is indigent.

BILL ANALYSIS: House Bill 825 requires the Department of Health and Human Services to impose an additional fee for child support collection services. The State must impose an annual fee of $25 for each case in which services are furnished to an individual who has never received assistance under a State program funded under Title IV-A of the Social Security Act, and for whom the State has collected and disbursed to the family at least $500 of support in a federal fiscal year. The child support agency must retain the fee from support collected on behalf of the individual. However, the child support agency cannot retain the fee from the first $500 collected, and must use the fee to support the ongoing operation of the program.

EFFECTIVE DATE: This act becomes effective when it becomes law.

BACKGROUND: The mandatory fee is required by a change in federal law. The Federal Requirement Certification is attached.

SUMMARY OF BILL PROVISIONS ALLEGEDLY REQUIRED BY FEDERAL LEGISLATION

Section 7310 of the Deficit Reduction Act of 2005 (P.L. 109-171) requires the State to impose a mandatory fee for successful child support collection for families that have never received Temporary Assistance for Needy Families (TANF). The State must impose an annual fee of twenty-five dollars ($25.00) for each case in which services are furnished to an individual who has never received assistance under a State program funded under Title IV-A of the Social Security Act, and for whom the State has collected and disbursed to the family at least five hundred dollars ($500.00) of support in a federal fiscal year. The child support agency must retain the fee from support collected on behalf of the individual. However, the child support agency cannot retain the fee from the first five hundred dollars ($500.00) collected, and must use the fee to support the ongoing operation of the program.

House Bill 825 authorizes the Department of Health and Human Services to impose this federally required mandatory fee for successful child support collection for families that have never received TANF.

COMPLIANCE CONSIDERATIONS

The State's TANF Block Grant funding will be adversely affected should the State fail to comply with the federal law. 45 C.F.R. 305.61 provides that the federal government will penalize the State's TANF Block Grant allocation for failure to comply with requirements of the IV-D program. The allocation will continue to be reduced until the State complies with the requirement.

The Automated Collection Tracking System (ACTS) will need to be modified in order to identify the receipt of the first $500.00 collected, impose the $25.00 collection fee, and be able to track receipts and fees on an annual basis for each Never Assistance case.

PRINCIPAL DEPARTMENT(S) & PROGRAM(S) AFFECTED: Department of Health and Human Services, Division of Social Services, Child Support Enforcement Program

EFFECTIVE DATE: This act is effective when it becomes law.

BILL SUMMARY:
This legislation authorizes the Department of Health and Human Services to implement a federally required mandatory fee of $25 for successful child support collection for families that have never received assistance from North Carolina's Temporary Assistance for Needy Families (TANF) program. The fee must be used to support the ongoing operation of the Child Support Enforcement Program.

ASSUMPTIONS AND METHODOLOGY:
The proposed legislation will generate annual revenue that must be used to support the ongoing operation of the Child Support Enforcement Program. The proposed legislation will also result in two one-time costs and one recurring cost for the Division of Social Services of the Department of Health and Human Services.

Revenues:
The $25 fee will be collected from child support cases that have never received cash assistance from North Carolina's TANF program. This annual fee will be collected after $500 of support is paid to a family in a federal fiscal year. The Division of Social Services estimates that 73,000 child

support cases would be affected by the fee requirement. Current data indicates that the number of cases affected by the mandatory fee will not increase over the next five years. Therefore, a constant 73,000 caseload was used in the revenue estimate.

The federal government will receive 66% of the fees collected and the county or State will retain 34% of the fees collected depending on if the local child support program is county or State operated. There are 72 county operated child support offices and the remainder are served by State operated offices.

Total Revenue Generated by $25 Fee

	Year 1	Year 2	Year 3	Year 4	Year 5
Federal Share	$1,204,500	$1,204,500	$1,204,500	$1,204,500	$1,204,500
State Share	$149,965	$149,965	$149,965	$149,965	$149,965
County Share	$470,535	$470,535	$470,535	$470,535	$470,535
Total	$1,825,000	$1,825,000	$1,825,000	$1,825,000	$1,825,000

Expenditures:

1. Anticipated costs of collections between $501 and $525 – There could be situations where the absent parent has paid an amount between $501 and $525. If this occurs, the State will be responsible for paying the remainder of the $25 fee. While this is likely to be a recurring cost, the Division of Social Services is unable to provide an estimate of the number of cases per year that may fall into this category.

2. Estimated cost to modify the Child Support Enforcement Program's automated collection and tracking system (ACTS) - The Division of Information Resource Management of the Department of Health and Human Services estimates that it will take 1330 man hours to make the modifications needed to ACTS to implement the $25 fee. The hourly rate is $80 for a total estimated cost of $106,400. The federal government will provide a 66% match for this cost. The state's remaining share of the total cost is $36,176.

3. Estimated implementation costs – To implement the $25 fee, the Division of Social Services estimates that there will be several one time costs associated with training, client notification, and advertising. These one-time costs are detailed in the table below. The federal government will also provide a 66% match for these costs. The state's remaining share of the total cost is $44,449.

	Year 1	Year 2	Year 3	Year 4	Year 5
Federal Share	$1,204,500	$1,204,500	$1,204,500	$1,204,500	$1,204,500
State Share	$149,965	$149,965	$149,965	$149,965	$149,965
County Share	$470,535	$470,535	$470,535	$470,535	$470,535
Total	$1,825,000	$1,825,000	$1,825,000	$1,825,000	$1,825,000

Expenditures:

1. Anticipated costs of collections between $501 and $525 – There could be situations where the absent parent has paid an amount between $501 and $525. If this occurs, the State will be responsible for paying the remainder of the $25 fee. While this is likely to be a recurring cost, the Division of Social Services is unable to provide an estimate of the number of cases per year that may fall into this category.

2. Estimated cost to modify the Child Support Enforcement Program's automated collection and tracking system (ACTS) - The Division of Information Resource Management of the Department of Health and Human Services estimates that it will take 1330 man hours to make the modifications needed to ACTS to implement the $25 fee. The hourly rate is $80 for a total estimated cost of $106,400. The federal government will provide a 66% match for this cost. The state's remaining share of the total cost is $36,176.

3. Estimated implementation costs – To implement the $25 fee, the Division of Social Services estimates that there will be several one time costs associated with training, client notification, and advertising. These one-time costs are detailed in the table below. The federal government will also provide a 66% match for these costs. The state's remaining share of the total cost is $44,449.

Implementation Costs

	Year 1 Costs
Training	$25,047
Client Notification	$55,686
Advertising	$50,000
Total	**$130,733**

Short Title: Amend Massage & Bodywork Therapy Act. (Public)

Sponsors:

Referred to:

March 26, 2007

A BILL TO BE ENTITLED

AN ACT AMENDING THE LAWS UNDER THE NORTH CAROLINA MASSAGE AND BODYWORK THERAPY PRACTICE ACT TO EXPAND THE EXISTING LAWS REGULATING MASSAGE AND BODYWORK THERAPY SCHOOLS; TO AUTHORIZE THE BOARD TO ESTABLISH FEES FOR LICENSING MASSAGE AND BODYWORK THERAPY SCHOOLS; AND TO ALLOW THE DEPARTMENT OF JUSTICE TO CONDUCT CRIMINAL HISTORY RECORD CHECKS FROM STATE AND NATIONAL REPOSITORIES OF CRIMINAL HISTORY OF APPLICANTS FOR LICENSURE TO PRACTICE MASSAGE AND BODYWORK THERAPY.

The General Assembly of North Carolina enacts:

SECTION 1. G.S. 90-621 reads as rewritten:

"**§ 90-621. Declaration of purpose.**

~~The General Assembly recognizes that the improper practice of massage and bodywork therapy is potentially harmful to the public. Mandatory licensure of those engaged in the practice of massage and bodywork therapy is necessary to ensure minimum standards of competency and to protect the public health, safety, and welfare.~~The purpose of this Article is to ensure the protection of the health, safety, and welfare of the citizens of this State receiving massage and bodywork therapy services. This purpose is achieved by establishing education and testing standards that ensure competency in the practice of massage and bodywork therapy. Mandatory licensure of those engaged in the practice of massage and bodywork therapy assures the public that each individual has satisfactorily met the standards of the profession and continues to meet both the ethical and competency goals of the profession."

SECTION 2. G.S. 90-622 reads as rewritten:

"**§ 90-622. Definitions.**

The following definitions apply in this Article:

(1) Accreditation. – Status granted to a postsecondary institution of higher learning that has met standards set by an accrediting agency recognized by the Secretary of the United States Department of Education. The accreditation for massage and bodywork schools may be institutional or programmatic in nature.

~~(1)~~(1a) Board. – The North Carolina Board of Massage and Bodywork Therapy.

(2) Board-approved school. – Any massage and bodywork therapy school or training program in this State or another state that is not otherwise exempt from Board approval, that has met the ~~criteria established by the Board.~~standards set forth in this Article, and been granted approval by the Board.

(2a) Criminal history record check. – A report resulting from a request made by the Board to the North Carolina Department of Justice for a history of conviction of a crime, whether a misdemeanor or felony, that bears on an applicant's fitness for licensure to practice massage and bodywork therapy. The crimes include, but are not limited to, the criminal offenses set forth in any of the following Articles of Chapter 14 of the General Statutes: Article 5, Counterfeiting and Issuing Monetary Substitutes; Article 5A, Endangering Executive and Legislative Officers; Article 6, Homicide; Article 7A, Rape and Other Sex Offenses; Article 8, Assaults; Article 10, Kidnapping and Abduction; Article 13, Malicious Injury or Damage by Use of Explosive or Incendiary Device or Material; Article 14, Burglary and Other Housebreakings; Article 15, Arson and Other Burnings; Article 16, Larceny; Article 17, Robbery; Article 18, Embezzlement; Article 19, False Pretenses and Cheats; Article 19A, Obtaining Property or Services by False or Fraudulent Use of Credit Device or Other Means; Article 19B, Financial Transaction Card Crime Act; Article 20, Frauds; Article 21, Forgery; Article 26, Offenses Against Public Morality and Decency; Article 26A, Adult Establishments; Article 27, Prostitution; Article 28, Perjury; Article 29, Bribery; Article 31, Misconduct in Public Office; Article 35, Offenses Against the Public Peace; Article 36A, Riots and Civil Disorders; Article 39, Protection of Minors; Article 40, Protection of the Family; Article 59, Public Intoxication; and Article 60, Computer-Related Crime. The crimes also include possession or sale of drugs in violation of the North Carolina Controlled Substances Act in Article 5 of Chapter 90 of the General Statutes and alcohol-related offenses including sale to underage persons in violation of G.S. 18B-302 or driving while impaired in violation of G.S. 20-138.1 through G.S. 20-138.5.

(2b) Jurisdiction. – The authority, capacity, or right of another state, territory of the United States, District of Columbia, or a foreign country to act.

(3) Massage and bodywork therapy. – Systems of activity applied to the soft tissues of the human body for therapeutic, educational, or relaxation purposes. The application may include:

a. Pressure, friction, stroking, rocking, kneading, percussion, or passive or active stretching within the normal anatomical range of movement.

b. Complementary methods, including the external application of water, heat, cold, lubricants, and other topical preparations.

c. The use of mechanical devices that mimic or enhance actions that may possibly be done by the hands.

(3a) Massage and bodywork therapy school. – Any educational institution that conducts a training program or curriculum for a tuition charge, which is intended to teach adults the knowledge, skills, and abilities necessary for the safe, effective, and ethical practice of massage and bodywork therapy.

(4) Massage and bodywork therapist. – A person licensed under this Article.

(5) Practice of massage and bodywork therapy. – The application of massage and bodywork therapy to any person for a fee or other consideration. ~~"Practice of massage and bodywork therapy" does not include the diagnosis of illness or disease, medical procedures, chiropractic adjustive procedures, electrical stimulation, ultrasound, prescription of medicines, or the use of modalities for which a license to practice medicine, chiropractic, nursing, physical therapy, occupational therapy, acupuncture, or podiatry is required by law.~~"

SECTION 2.1. G.S. 90-623 is amended by adding a new subsection to read:

"(d) The practice of massage and bodywork therapy shall not include any of the following:

(1) The diagnosis of illness or disease.

(2) Medical procedures, chiropractic adjustive procedures, electrical stimulation, ultrasound, or prescription of medicines.

(3) The use of modalities for which a license to practice medicine, chiropractic, nursing, physical therapy, occupational therapy, acupuncture, or podiatry is required by law.

(4) Sexual activity, which shall mean any direct or indirect physical contact, by any person or between persons, which is intended to erotically stimulate either person, or which is likely to cause such stimulation and includes sexual intercourse, fellatio, cunnilingus, masturbation, or anal intercourse. As used in this subdivision, masturbation means the manipulation of any body tissue with the intent to cause sexual arousal. Sexual activity can involve the use of any device or object and is not dependent on whether penetration, orgasm, or ejaculation has occurred."

SECTION 3. G.S. 90-625 reads as rewritten:

"**§ 90-625. North Carolina Board of Massage and Bodywork Therapy.**

(a) The North Carolina Board of Massage and Bodywork Therapy is created. The Board shall consist of seven members who are residents of this State and are as follows:

(1) Five members shall be massage and bodywork therapists who have been licensed under this Article and have been in the practice of massage and bodywork therapy for at least five of the last seven years prior to their serving on the Board. ~~The appointments may be made from lists provided by the North Carolina Therapeutic Massage and Bodywork Task Force.~~ Consideration shall be given to geographical distribution, practice setting, clinical specialty, involvement in massage and bodywork therapy education, and other factors that will promote diversity of the profession on the Board. Two of the five members shall be appointed by the General Assembly, upon the recommendation of the Speaker of the House of Representatives, two shall be appointed by the General Assembly, upon the recommendation of the President Pro Tempore of the Senate, and one shall be appointed by the Governor.

(2) One member shall be a physician licensed pursuant to Article 1 of Chapter 90 of the General ~~Statutes.~~Statutes or a person once licensed as a physician whose license lapsed while the person was in good standing with the profession and eligible for licensure. The appointment shall be made by the Governor and may be made from a list provided by the North Carolina Medical Society.

(3) One member shall be a member of the general public who shall not be licensed under Chapter 90 of the General Statutes or the spouse of a person who is so licensed, or have any financial interest, directly or indirectly, in the profession regulated under this Article. The appointment shall be made by the Governor.

(b) Legislative appointments shall be made in accordance with G.S. 120-121. A vacancy in a legislative appointment shall be filled in accordance with G.S. 120-122.

(c) Each member of the Board shall serve for a term of three years, ending on June 30 of the last year of the term. A member shall not be appointed to serve more than two consecutive terms.

(d) The Board shall elect annually a chair and other officers as it deems necessary. The Board shall meet as often as necessary for the conduct of business but no less than twice a year. The Board shall establish procedures governing the calling, holding, and conducting of regular and special meetings. A majority of the Board shall constitute a quorum.

(e) Each member of the Board may receive per diem and reimbursement for travel and subsistence as set forth in G.S. 93B-5.

(f) Members may be removed by the official who appointed the member for neglect of duty, incompetence, or unprofessional conduct. A member subject to disciplinary proceedings as a licensee or other professional credential shall be disqualified from participating in the official business of the Board until the charges

have been ~~resolved.~~resolved by a determination that the misconduct does not rise to the level of disciplinary action resulting in the suspension or revocation of the member's professional credential."

SECTION 3.1. The current terms of the two members of the Board appointed by the General Assembly upon the recommendation of the President Pro Tempore of the Senate are each extended to a total period of five years, ending on June 30 of the last year of each extended term. Upon the completion of these five year terms, all future members of the Board shall serve three year terms, as provided in G.S. 90-625(c).

SECTION 4. G.S. 90-626(8) reads as rewritten:

"**§ 90-626. Powers and duties.**

The Board shall have the following powers and duties:

...

(8) ~~Establish~~ Pursuant to the maximum amounts set by this Article and other specific authority authorizing fees, establish reasonable fees for applications for examination, certificates of licensure and renewal, approval of massage and bodywork therapy schools, and other services provided by the Board.

(4) The applicant is currently a practitioner in good standing, with no disciplinary proceeding or unresolved complaint pending in any jurisdiction at the time a license is to be issued in this State.

(5) The applicant passes a jurisprudence examination administered by the Board regarding laws and rules adopted by the Board for licensure under this Article.

(6) The applicant, including an applicant credentialed in a foreign country, demonstrates satisfactory proof of proficiency in the English language.

(7) Notwithstanding the requirements of subdivisions (2) and (3) of this subsection, the applicant has other credentials, to be reviewed by the Board on a case-by-case basis, that are deemed by the Board to be substantially equivalent to the requirements in subdivisions (2) and (3) of this subsection.

(c) The Board shall maintain a list of jurisdictions whose regulatory standards for the practice of massage and bodywork therapy have been determined by the Board to be substantially equivalent to or to exceed the requirements for licensure under this Article."

SECTION 9. G.S. 90-631(a) reads as rewritten:

"(a) The Board shall establish rules for the approval of massage and bodywork therapy schools. These rules shall include:

(1) Basic curriculum standards that ensure graduates have the education and skills necessary to carry out the safe and effective practice of massage and bodywork therapy.

(2) Standards for faculty and learning resources.

(3) Requirements for reporting changes in instructional staff and curriculum.

(4) A description of the process used by the Board to approve a school.

Any school that offers a training program in massage and bodywork therapy ~~may~~ not otherwise exempt from the requirements of this Article shall make application for approval to the Board. The Board shall grant approval to ~~schools.~~a school, whether in this State or another state, that ~~meet~~ meets the criteria established by the Board. The Board shall maintain a list of approved schools and a list of community college programs operating pursuant to subsection (b) of this section."

SECTION 10. G.S. 90-632 reads as rewritten:

"**§ 90-632. License renewal and continuing education.**

(a) The license to practice under this Article shall be renewed every two years. ~~When renewing a license, each licensee shall submit to the Board evidence of the successful completion of at least 25 hours of study, as approved by the Board, during the immediately preceding two years, in the practice of massage and bodywork therapy.~~

(b) The continuing education requirement for the initial license renewal is as follows:

(1) If the licensure period is two years or more, each licensee shall submit to the Board evidence of the successful completion of at least 24 hours

of study, as approved by the Board, since the initial licensure application date in the practice of massage and bodywork therapy.

(2) If the licensure period is less than two years, but more than one year, each licensee shall submit to the Board evidence of the successful completion of at least 12 hours of study, as approved by the Board, since the initial licensure application date in the practice of massage and bodywork therapy.

(c) For subsequent license renewals, each licensee shall submit to the Board evidence of the successful completion of at least 24 hours of study, as approved by the Board, since the previous licensure renewal submission date in the practice of massage and bodywork therapy."

SECTION 11. G.S. 90-633 reads as rewritten:

"**§ 90-633. Disciplinary action.**

(a) The Board may deny, suspend, revoke, or refuse to license a massage and bodywork therapist or applicant for any of the following:

(1) The employment of fraud, deceit, or misrepresentation in obtaining or attempting to obtain a license or the renewal of a license.

(2) The use of drugs or intoxicating liquors to an extent that affects professional competency.

(3) Conviction of an offense under any municipal, State, or federal narcotic or controlled substance ~~law until proof of rehabilitation can be established.~~law.

(4) Conviction of a felony or other public offense involving moral ~~turpitude until proof of rehabilitation can be established.~~turpitude.

(5) An adjudication of insanity or ~~incompetency until proof of recovery from the condition can be established.~~incompetency.

(6) Engaging in any act or practice in violation of any of the provisions of this Article or of any of the rules adopted by the Board, or aiding, abetting, or assisting any other person in the violation of these provisions or rules. For purposes of this subdivision, the phrase 'aiding, abetting, or assisting any other person' does not include acts intended to inform the individual who is not in compliance with this Article of the steps necessary to comply with this Article or any rules adopted by the Board.

(7) The commission of an act of malpractice, gross negligence, or incompetency.

(8) Practice as a licensee under this Article without a valid certificate or renewal.

(9) Engaging in conduct that could result in harm or injury to the public.

(10) The employment of fraud, deceit, or misrepresentation when communicating with the general public, health care professionals, or other business professionals.

(11) Falsely holding out himself or herself as licensed or certified in any discipline of massage and bodywork therapy without successfully completing training approved by the Board in that specialty.

(12) The application of systems of activity by a massage and bodywork therapist during the course of therapy with the intent of providing sexual stimulation or otherwise pursuing sexual contact.

(b) The Board may reinstate a revoked license, revoke censure or other judgment, or remove other licensure restrictions if the Board finds that the reasons for revocation, censure, or other judgment or other licensure restrictions no longer exist and the massage and bodywork therapist or applicant can reasonably be expected to safely and properly practice as a massage and bodywork therapist."

SECTION 12. G.S. 90-634 reads as rewritten:

"**§ 90-634. Enforcement; injunctive relief.**

(a) It is unlawful for a person not licensed or exempted under this Article to engage in any of the following:

(1) Practice of massage and bodywork therapy.

(2) Advertise, represent, or hold out himself or herself to others to be a massage and bodywork therapist.

(3) Use any title descriptive of any branch of massage and bodywork therapy, as provided in G.S. 90-623, to describe his or her practice.

(b) A person who violates subsection (a) of this section shall be guilty of a Class 1 misdemeanor.

(b1) It is unlawful for an individual, association, partnership, corporation, or other entity to open, operate, or advertise a massage and bodywork therapy school without first having obtained the approval required by G.S. 90-637.1.

(b2) An individual, association, partnership, corporation, or other entity that violates subsection (b1) of this section shall be guilty of a Class 3 misdemeanor.

(c) The Board may make application to superior court for an order enjoining a violation of this Article. Upon a showing by the Board that a ~~person~~ person, association, partnership, corporation, or other entity has violated or is about to violate this Article, the court may grant an injunction, restraining order, or take other appropriate action."

SECTION 13. G.S. 90-634.1 reads as rewritten:

"**§ 90-634.1. Civil penalties; disciplinary costs.**

(a) Authority to Assess Civil Penalties. – The Board may assess a civil penalty not in excess of one thousand dollars ($1,000) for the violation of any section of this Article or the violation of any rules adopted by the Board. The continuation of the same act for which the penalty is imposed shall not be the basis for an additional penalty. The clear proceeds of any civil penalty assessed under this section shall be remitted to the Civil Penalty and Forfeiture Fund in accordance with G.S. 115C-457.2.

(b) Consideration Factors. – Before imposing and assessing a civil penalty, the Board shall consider the following factors:

(1) The nature, gravity, and persistence of the particular violation.

(2) The appropriateness of the imposition of a civil penalty when considered alone or in combination with other punishment.

(3) Whether the violation was willful and malicious.
(4) Any other factors that would tend to mitigate or aggravate the violations found to exist.

(c) Schedule of Civil Penalties. – The Board shall establish a schedule of civil penalties for violations of this Article and rules adopted by the Board.

~~(d) Costs. – The Board may assess the costs of disciplinary actions against a person found to be in violation of this Article or rules adopted by the Board.~~"

SECTION 14. Article 36 of Chapter 90 of the General Statutes is amended by adding the following new sections to read:

"**§ 90-637. Authority to regulate massage and bodywork therapy schools.**

(a) The Board shall have authority to administer and enforce this Article and to grant and issue approval to massage and bodywork therapy schools whether in this State or another state.

(b) If a massage and bodywork therapy school offers training programs at more than one physical location, each location shall constitute a separate massage and bodywork therapy school.

(c) Notwithstanding G.S. 90-626, regarding the regulation of massage and bodywork therapy schools, the Board shall have the power and duty to:

(1) Formulate criteria and standards for approval of massage and bodywork therapy schools.
(2) Provide for adequate investigations of all massage and bodywork therapy schools applying for approval.
(3) Issue approvals to those applicant massage and bodywork therapy schools meeting the standards established by the Board.
(4) Maintain a list of massage and bodywork therapy schools approved under the provisions of this Article.
(5) Provide for periodic inspection of all massage and bodywork therapy schools approved in this State under the provisions of this Article.
(6) Require periodic reports of approved massage and bodywork therapy schools.

(d) The Board shall have general supervision over massage and bodywork therapy schools in this State for the purpose of protecting the health, safety, and welfare of the public by requiring that approved massage and bodywork therapy schools maintain: (i) adequate, safe, and sanitary facilities; (ii) sufficient and qualified instructional and administrative staff; and (iii) satisfactory programs of operation and instructions; and by requiring that massage and bodywork therapy schools carry out their advertised promises and contracts made with their students and patrons. The Board may adopt rules to approve massage and bodywork therapy schools as authorized under G.S. 90-626(9).

"**§ 90-637.1. Massage and bodywork therapy school approval required.**

No individual, association, partnership, corporation, or other entity shall open, operate, or advertise a massage and bodywork therapy school in this State unless it has first complied with all the requirements of this Article and rules adopted by the Board and has been approved by the Board.

"§ 90-637.2. Authority to establish fees for massage and bodywork therapy school approval.

(a) The Board shall establish a schedule of reasonable fees for approvals and renewals granted and for inspections performed pursuant to this Article. The fees collected under this section are intended to cover the administrative costs of the approval programs. No fee for application approval or renewal of approval shall be refunded in the event the application is rejected or the approval suspended or revoked.

(b) Fees for Board approval of schools are as follows:

(1)	Request for Application Approval Package	$20.00
(2)	Initial application for approval (one program)	2,000.00
(3)	Initial application for approval of additional programs (same location)	750.00
(4)	Inspection for initial approval or renewal (one program)	1,500.00
(5)	Inspection for initial approval or renewal of additional programs (same location)	500.00
(6)	Renewal of approval (one program)	1,000.00
(7)	Renewal of approval (each additional program)	750.00

(c) A school that is required to have more than one inspection in a fiscal year in order to investigate or verify areas of noncompliance with the standards for school approval shall pay a fee of one thousand five hundred dollars ($1,500) for each additional inspection.

"§ 90-637.3. Grounds for suspension, revocation, or refusal of massage and bodywork therapy school approval; notice and hearing; judicial review.

(a) The Board may deny, suspend, revoke, or refuse to approve a massage and bodywork therapy school for any of the following reasons:

(1) The employment of fraud, deceit, or misrepresentation in obtaining or attempting to obtain approval of a massage and bodywork therapy school.

(2) Engaging in any act or practice in violation of any of the provisions of this Article or of any of the rules adopted by the Board, or aiding, abetting, or assisting any other person in the violation of the provisions of this Article or rules adopted by the Board.

(3) Failure to require that its students must complete the minimum standards in order to graduate.

(4) Operating a massage and bodywork therapy school without approval from this Board.

(5) Engaging in conduct that could result in harm or injury to the public.

(6) The employment of fraud, deceit, or misrepresentation when communicating with the general public, health care professionals, or other business professionals.

(7) Falsely holding out a massage and bodywork therapy school as approved by this Board.

(8) Failure to allow authorized representatives of the Board to conduct inspections of the massage and bodywork therapy school or refusing to

make available to the Board, following written notice to the massage and bodywork therapy school, the requested information pertaining to the requirements for approval set forth in this Article.

(9) Failure to notify the Board in writing within 30 days of any notification it receives from its accrediting agency or the United States Department of Education Office of Postsecondary Education of a show cause action, probation action, or denial of accreditation.

(10) The applicant for or holder of massage and bodywork therapy school approval has pleaded guilty, entered a plea of nolo contendere, or has been found guilty of a crime involving moral turpitude by a judge or jury in any state or federal court.

(b) A refusal to issue, refusal to renew, or suspension or revocation of massage and bodywork therapy school approval under this section shall be made in accordance with Chapter 150B of the General Statutes.

"§ 90-638. Criminal history record checks of applicants for licensure.

(a) All applicants for licensure shall consent to a criminal history record check. Refusal to consent to a criminal history record check may constitute grounds for the Board to deny licensure to an applicant. The Board shall ensure that the State and national criminal history of an applicant is checked. The Board shall be responsible for providing to the North Carolina Department of Justice the fingerprints of the applicant to be checked, a form signed by the applicant consenting to the criminal record check and the use of fingerprints and other identifying information required by the State or National Repositories, and any additional information required by the Department of Justice. The Board shall keep all information obtained pursuant to this section confidential.

(b) The cost of the criminal history record check and the fingerprinting shall be borne by the applicant.

(c) If an applicant's criminal history record check reveals one or more convictions of crimes set forth in G.S. 90-622(2a) of this Article, the conviction shall not automatically bar licensure. The Board shall consider all of the following factors regarding the conviction:

(1) The level of seriousness of the crime.

(2) The date of the crime.

(3) The age of the person at the time of the conviction.

(4) The circumstances surrounding the commission of the crime, if known.

(5) The nexus between the criminal conduct of the person and the job duties of the position to be filled.

(6) The person's prison, jail, probation, parole, rehabilitation, and employment records since the date the crime was committed.

(7) The subsequent commission by the person of a crime set forth in G.S. 90-622(2a) of this Article.

If, after reviewing the factors, the Board determines that any of the grounds set forth in the subdivisions of G.S. 90-633(a) exist, the Board may deny licensure of the applicant. The Board may disclose to the applicant information contained in the

criminal history record check that is relevant to the denial. The Board shall not provide a copy of the criminal history record check to the applicant. The applicant shall have the right to appear before the Board to appeal the Board's decision. However, an appearance before the full Board shall constitute an exhaustion of administrative remedies in accordance with Chapter 150B of the General Statutes.

(d) The Board, its officers, and employees, acting in good faith and in compliance with this section, shall be immune from civil liability for denying licensure to an applicant based on information provided in the applicant's criminal history record check."

SECTION 15. Part 2 of Article 4 of Chapter 114 of the General Statutes is amended by adding the following new section to read:

"**§ 114-19.11B. Criminal record checks of applicants for licensure as massage and bodywork therapists.**

The Department of Justice may provide to the North Carolina Board of Massage and Bodywork Therapy from the State and National Repositories of Criminal Histories the criminal history of any applicant for licensure pursuant to Article 36 of Chapter 90 of the General Statutes. Along with the request, the Board shall provide to the Department of Justice the fingerprints of the applicant, a form signed by the applicant consenting to the criminal record check and use of fingerprints and other identifying information required by the State and National Repositories, and any additional information required by the Department of Justice. The applicant's fingerprints shall be forwarded to the State Bureau of Investigation for a search of the State's criminal history record file, and the State Bureau of Investigation shall forward a set of fingerprints to the Federal Bureau of Investigation for a national criminal history record check. The Board shall keep all information obtained pursuant to this section confidential. The Department of Justice may charge a fee to offset the cost incurred by it to conduct a criminal record check under this section. The fee shall not exceed the actual cost of locating, editing, researching, and retrieving the information."

SECTION 16. This act becomes effective October 1, 2007, and applies to the actions of therapists and schools on or after that date and to massage and bodywork therapist applications for licensure, and massage and bodywork therapy school applications for Board approval submitted to the Board on or after that date.

SENATE BILL 1314:
Amend Massage & Bodywork Therapy Act

BILL ANALYSIS

Committee:	Senate Finance	**Date:**	July 26, 2007
Introduced by:	Sen. Cowell	**Summary by:**	Dan Ettefagh
Version:	PCS to Second Edition		Committee Counsel

SUMMARY: ***Senate Bill 1314 amends the laws under the North Carolina Massage and Bodywork Therapy Practice Act to expand the authority of the Massage and Bodywork Therapy Board to regulate massage and bodywork therapy schools; to authorize the Board to establish fees for licensing massage and bodywork therapy schools; to allow the North Carolina Department of Justice to conduct criminal history record checks from state and national repositories of criminal history of applicants for licensure to practice massage and bodywork therapy; and to reduce the punishment for operating a massage and bodywork therapy school without approval by the Board to a Class 3 misdemeanor. The PCS makes a technical correction to the bill.***

CURRENT LAW: Article 36 of Chapter 90 of the General Statutes contains the Massage and Bodywork Therapy Practice Act. It establishes the legal requirement for the licensure and regulation of practitioners. The Article also creates a seven-member licensing Board charged with rule-making authority. Effective July 1, 2006, the Board has authority to adopt rules for approving massage and bodywork therapy schools. Massage and bodywork therapy programs operated by accredited degree or diploma granting colleges or universities are exempt from the Board's approval and licensure process. This exemption expressly applies to programs offered by the Community College System and the constituent institutions of The University of North Carolina.

BILL ANALYSIS:

Section 1 revises G.S. 90-621 regarding the purpose of the Article.

Section 2 amends G.S. 90-622, the definitions to add the term "accreditation", "criminal history record check", and "massage and bodywork therapy school".

Section 2.1 amends G.S. 90-623 by adding a subsection that outlines certain practices that do not constitute the practice of massage and bodywork therapy. Most of this language is just moved from the definitions section, but the new language also goes into some detail to explain that sexual activity intended to erotically stimulate either the therapist or the client does not constitute the practice of massage and bodywork therapy.

Section 3 amends G.S. 90-625 regarding appointments to the Board. The change allows a physician with a lapsed license to serve on the Board if the license lapsed while the person was in good standing with the profession and eligible for licensure.

Section 3.1 enacts uncodified language to extend the terms of two members of the Board appointed by the General Assembly to five-year terms. Apparently, the existing staggering of Board members has become confused and this language is intended to bring the appointment process back to the original staggering of terms.

Sections 4 and 5 amend G.S. 90-626 regarding the powers and duties of the Board. The changes allow the Board to adopt fees for the approval of massage and bodywork therapy schools, subject to the maximum amounts set out by statutes.

Section 6 amends G.S. 90-629 regarding the requirements that an applicant must meet in order to be licensed by the Board. The changes allow the Board to use competency assessment examination that meet generally accepted psychometric principles and standards, and requires the applicant to submit fingerprints and submit to a criminal background check.

Section 7 repeals G.S. 90-630 which allows the Board to license out of state therapists who meet certain criteria.

Section 8 creates a new statute that allows the Board to issue licensure by endorsement. This process applies both to states that have similar licensure standards and to states that do not have a licensure process, provided other qualifications are met.

Section 9 amends G.S. 90-631 to make it clear that a massage and bodywork therapy school that is not otherwise exempt from the Board's approval authority must apply to the Board for approval.

Section 10 amends G.S. 90-632 to specify the continuing education requirements for initial licensure renewal and different ones for subsequent licensure renewals.

Section 11 amends G.S. 90-633 regarding the Board's authority to refuse to issue, suspend, or revoke a license. These include conviction of a controlled substance offense, conviction of a crime of moral turpitude, and an adjudication of incompetency. It also adds language authorizing the Board to refuse to issue, suspend or revoke a license if the therapist uses the application of systems of activity with the intent of providing sexual stimulation or otherwise pursing sexual contact.

Section 12 amends G.S. 90-634 to make it a Class 3 misdemeanor to operate a massage and bodywork therapy school without first being approved by the Board.

Section 13 amends G.S. 90-634.1 to provide that continued violation of the Article or rules adopted by the Board shall not be the basis for an additional penalty.

Section 14 enacts G.S. 90-637 and G.S. 90-637.1 which specifies the Board's authority to administer and enforce the Article with regard to the approval of massage and bodywork therapy schools. The Board may formulate criteria and standards for approval, investigate all schools applying for approval, issue approvals and provide periodic inspections of the schools. It also enacts G.S. 90-637.2 which sets the maximum fees the Board may charge in the regulation and approval of schools, G.S. 90-637.3 sets out grounds for the Board suspending, revoking, or refusing to issue an approval of a school. Finally, the Section enacts G.S. 90-638 requiring all applicants for licensure to consent to a criminal background check.

Section 15 amends Chapter 114 of the General Statutes to authorize the Department of Justice to provide the Board with the criminal history of any applicant for licensure.

EFFECTIVE DATE: This act becomes effective October 1, 2007, and applies to the actions of therapists and schools on or after that date, and to massage and bodywork therapist applications for licensure, and massage and bodywork therapy school applications for Board approval submitted to the Board on or after that date.

A BILL TO BE ENTITLED

AN ACT AUTHORIZING CRIMINAL HISTORY RECORD CHECKS OF EMPLOYEES OF AND APPLICANTS FOR EMPLOYMENT WITH THE DEPARTMENT OF PUBLIC INSTRUCTION.

The General Assembly of North Carolina enacts:

SECTION 1. Chapter 114 of the General Statutes is amended by adding a new section to read:

"**§ 114-19.21. Criminal history record checks of employees of and applicants for employment with the Department of Public Instruction.**

(a) Definitions. – As used in this section, the term:

(1) "Covered person" means any of the following:

a. An applicant for employment or a current employee in a position in the Department of Public Instruction.

b. An independent contractor or an employee of an independent contractor that has contracted to provide services to the Department of Public Instruction.

(2) "Criminal history" means a State or federal history of conviction of a crime, whether a misdemeanor or felony, that bears upon a covered person's fitness for employment in the Department of Public Instruction. The crimes include, but are not limited to, criminal offenses as set forth in any of the following Articles of Chapter 14 of the General Statutes: Article 5, Counterfeiting and Issuing Monetary Substitutes; Article 5A, Endangering Executive and Legislative Officers; Article 6, Homicide; Article 7A, Rape and Other Sex Offenses; Article 8, Assaults; Article 10, Kidnapping and Abduction; Article 13, Malicious Injury or Damage by Use of Explosive or Incendiary Device or Material; Article 14, Burglary and Other Housebreakings; Article 15, Arson and Other Burnings; Article 16,

Larceny; Article 17, Robbery; Article 18, Embezzlement; Article 19, False Pretenses and Cheats; Article 19A, Obtaining Property or Services by False or Fraudulent Use of Credit Device or Other Means; Article 19B, Financial Transaction Card Crime Act; Article 20, Frauds; Article 21, Forgery; Article 26, Offenses Against Public Morality and Decency; Article 26A, Adult Establishments; Article 27, Prostitution; Article 28, Perjury; Article 29, Bribery; Article 31, Misconduct in Public Office; Article 35, Offenses Against the Public Peace; Article 36A, Riots and Civil Disorders; Article 39, Protection of Minors; Article 40, Protection of the Family; Article 59, Public Intoxication; and Article 60, Computer-Related Crime. The crimes also include possession or sale of drugs in violation of the North Carolina Controlled Substances Act, Article 5 of Chapter 90 of the General Statutes, and alcohol-related offenses such as sale to underage persons in violation of G.S. 18B-302, or driving while impaired violation of G.S. 20-138.1 through G.S. 20-138.5.

(b) When requested by the Department of Public Instruction, the North Carolina Department of Justice may provide to the requesting department a covered person's criminal history from the State Repository of Criminal Histories. Such request shall not be due to a person's age, sex, race, color, national origin, religion, creed, political affiliation, or handicapping condition as defined by G.S. 168A-3. For requests for a State criminal history record check only, the requesting department shall provide to the Department of Justice a form consenting to the check, signed by the covered person to be checked and any additional information required by the Department of Justice. National criminal record checks are authorized for covered applicants who have not resided in the State of North Carolina during the past five years. For national checks the Department of Public Instruction shall provide to the North Carolina Department of Justice the fingerprints of the covered person to be checked, any additional information required by the Department of Justice, and a form signed by the covered person to be checked, consenting to the check of the criminal record and to the use of fingerprints and other identifying information required by the State or National Repositories. The fingerprints of the individual shall be forwarded to the State Bureau of Investigation for a search of the State criminal history record file and the Federal Bureau of Investigation for a national criminal history record check. The Department of Public Instruction shall keep all information pursuant to this section confidential. The Department of Justice shall charge a reasonable fee for conducting the checks of the criminal history records authorized by this section.

(c) All releases of criminal history information to the Department of Public Instruction shall be subject to, and in compliance with, rules governing the dissemination of criminal history record checks as adopted by the North Carolina Division of Criminal Information. All of the information the department receives through the checking of the criminal history is privileged information and for the exclusive use of the department.

(d) If the covered person's verified criminal history record check reveals one or more convictions covered under subsection (a) of this section, then the conviction shall constitute just cause for not selecting the person for employment, or for dismissing the person from current employment with the Department of Public Instruction. The conviction shall not automatically prohibit employment; however, the following factors shall be considered by the Department of Public Instruction in determining whether employment shall be denied:

(1) The level and seriousness of the crime;
(2) The date of the crime;
(3) The age of the person at the time of the conviction;
(4) The circumstances surrounding the commission of the crime, if known;
(5) The nexus between the criminal conduct of the person and job duties of the person;
(6) The prison, jail, probation, parole, rehabilitation, and employment records of the person since the date the crime was committed; and
(7) The subsequent commission by the person of a crime listed in subsection (a) of this section.

(e) The Department of Public Instruction may deny employment to or dismiss a covered person who refuses to consent to a criminal history record check or use of fingerprints or other identifying information required by the State or National Repositories of Criminal Histories. Any such refusal shall constitute just cause for the employment denial or the dismissal from employment.

(f) The Department of Public Instruction may extend a conditional offer of employment pending the results of a criminal history record check authorized by this section."

SECTION 2. This act becomes effective October 1, 2007.

HOUSE BILL 1659:
Criminal History Checks/DPI Employees

BILL ANALYSIS

Committee:	Senate Finance	**Date:**	July 26, 2007
Introduced by:	Rep. Fisher	**Summary by:**	Dan Ettefagh
Version:	Third Edition		Committee Counsel

SUMMARY: House Bill 1659 authorizes the Department of Justice to provide criminal history record checks, upon request by the Department of Public Instruction (DPI), of its employees, applicants for employment, and independent contractors (and their employees) who have contracted with DPI . House Bill 1659 is in Senate Finance because it authorizes the Department of Justice to charge a reasonable fee for conducting the record checks.

CURRENT LAW: The Department of Justice is authorized by statute to provide criminal record checks of applicants for employment with and employees of a number of entities.[1] These entities include local boards of education in situations where a person is employed or seeking employment with a public school in the local school district. The Department may also provide record checks of employees of a local board of education, and independent contractors or employees of an independent contractor of a local board of education.

BILL ANALYSIS: House Bill 1659 authorizes the Department of Justice to provide criminal history record checks to DPI employees, applicants for employment, and contractors upon a request by DPI. "Criminal history" is defined as a State or federal history of conviction of a crime, whether a misdemeanor or a felony, that bears upon a covered person's fitness for employment. The bill includes a list of crimes that bear upon a person's suitability for employment.

DPI may not request a criminal history check based on a person's age, sex, race, color, national origin, religion, creed, political affiliation, or handicapping condition. If DPI requests only a State criminal history check, it must provide a consent form signed by the person to be checked. National criminal history checks are authorized for applicants who have not lived in the State during the past five years. If DPI requests a national criminal history check, it must provide fingerprints of the person to be checked and a signed consent form. DPI must keep all information obtained confidential. **The Department of Justice is authorized to charge a reasonable fee for conducting the criminal history record check.**

If the record check reveals one or more convictions of a listed crime, the conviction constitutes just cause for not employing a person or for dismissing a person from current employment. However, a conviction does not automatically prohibit employment. The bill lists a number of factors that must be considered in determining whether to deny employment.

Under the bill, refusal to consent to a criminal history records check constitutes just cause for denial of employment of an applicant or dismissal of a current employee by DPI. DPI may also extend a conditional offer of employment pending results of the criminal history record check.

EFFECTIVE DATE: October 1, 2007

PRINCIPAL DEPARTMENT(S) & PROGRAM(S) AFFECTED: N.C. Department of Public Instruction; Department of Justice.

EFFECTIVE DATE: October 1, 2007.

BILL SUMMARY: H.B. 1659 enacts G.S. 114-19.20 to authorize the Department of Public Instruction (DPI) to obtain criminal history record checks through the Department of Justice (DOJ) for the following covered persons:

a. Applicants for employment and current DPI employees who have direct or indirect ability to access DPI records, documents, or electronic data.
b. Persons in supervisory positions who have access to the above records and documents;
c. Applicants and current employees of DPI; and,
d. Independent contractors or their employees that have contracted to provide services to DPI.

Authorizes the North Carolina Department of Justice to provide, upon DPI's request, a covered person's criminal history from the State Repository of Criminal Histories and from the National Repository *if the covered person has not resided in North Carolina during the past five years*, after

certain procedural requirements are met. Requires DPI to keep all information confidential, and requires that all releases of criminal history information to DPI be subject to, and in compliance with, rules adopted by the Division of Criminal Information. Authorizes the Department of Justice to charge a reasonable fee for conducting the criminal record checks. Authorizes, but does not require, DPI to deny employment or dismiss a current employee if the covered person's verified criminal history record check reveals one or more specified convictions. Lists several criteria that DPI must consider before denying employment or dismissing a current employee. Authorizes DPI to deny employment or dismiss a covered person who refuses to consent to the criminal history record check. Authorizes DPI to extend a conditional offer of employment pending the results of a criminal history record check. Effective October 1, 2007.

Second edition (House committee substitute) makes a correction to proposed G.S. 114-19.20, directing that fingerprints of an individual undergoing a national criminal history check are to be forwarded to the Federal Bureau of Investigation (was, State Bureau of Investigation). Also condenses the definition of a covered person.

Third edition (Senate committee substitute) renumbers the proposed new statute, from G.S. 114-19.20 to G.S. 114-19.21.

ASSUMPTIONS AND METHODOLOGY:

Department of Public Instruction

Though H.B. 1659 authorizes the Department of Public Instruction to obtain criminal history record checks for all applicants, current employees, and independent contractors (including their employees), the Department indicates that checks will be conducted primarily on those individuals with access to personal, identifying information (e.g. student data, social security numbers, licensure payments, etc.). DPI estimates that approximately 100 checks will be conducted annually, the majority of which will be State history checks (national checks authorized for *covered applicants who have not resided in North Carolina during the five years prior to application)*; however, a more detailed estimate of national and federal checks is unavailable at this time.

To initiate a criminal record check, DPI must forward the covered person's fingerprints and consent form to the State Bureau of Investigation (SBI), and request that person's criminal record.[1] According to DPI, fingerprinting will be performed by the City/County Bureau of Identification (CCBI) via live-scan, and then forwarded electronically to the SBI – *CCBI charges a fee of $15 per scan to offset costs incurred* (database entries, video-photography, and documentation). *In addition*, the State Bureau of Investigation (SBI) charges the following fees to non-criminal justice agencies for state and national fingerprint checks:

N.C. Fingerprint Check:	$14 ($14 retained by DOJ)
National Fingerprint Check:	$38 ($16 retained by DOJ, $22 remitted to the FBI)

[1] The Criminal Information and Identification Section within the Special Operations Division of the State Bureau of Investigation (SBI) conduct the criminal record check.

Thus, assuming up to 100 state and/or national fingerprint checks each year, DPI's annual expenditures could range from $2,900 to $5,300. Although the Department of Public Instruction may experience some additional personnel workload (e.g. fingerprinting, record-keeping, etc.), it is assumed that any increase will be accommodated by current resources.

Department of Justice

DOJ's unit cost for conducting national and criminal record checks via live-scan is $14.54 (cost includes overhead and equipment). Each staff member in the fingerprint identification section can perform, on average, 8,000 - 10,000 checks per year. As indicated below, the costs incurred for criminal record checks are offset by fee collections; therefore, existing personnel will absorb the additional workload for the estimated 100 record checks.

Record Check	Agency Fee	DOJ Total Cost*
Live-Scan Fingerprint Check *(NC data only)*	$14.00	$14.54
Live-Scan Fingerprint Check *(NC and FBI data)*	$38.00	$36.54
**2005 unit costs are derived from OSBM "Study of the Cost of Providing Criminal Record Checks;" costs include an equipment allowance and 12.5% overhead rate* *Cost for state and federal record checks includes $22 remittance per check to the Federal Bureau of Investigation*		

Assuming up to 100 state and/or national criminal record checks annually, DOJ expenditures could range from $1,454 (state only) to $3,654 (state and federal); total receipts could range from $1,400 to $3,800, respectively.

A BILL TO BE ENTITLED

AN ACT PROVIDING FOR HOW THE STATE TREASURER SHALL ADDRESS CERTAIN STATE INVESTMENTS RELATING TO SUDAN.

The General Assembly of North Carolina enacts:

SECTION 1. Legislative findings.

(1) On July 23, 2004, the United States Congress declared that "the atrocities unfolding in Darfur, Sudan, are genocide."

(2) On September 9, 2004, Secretary of State Colin L. Powell told the U.S. Senate Foreign Relations Committee that "genocide has occurred and may still be occurring in Darfur" and "the Government of Sudan and the Janjaweed bear responsibility."

(3) On September 21, 2004, addressing the United Nations General Assembly, President George W. Bush affirmed the Secretary of State's finding and stated, "At this hour, the world is witnessing terrible suffering and horrible crimes in the Darfur region of Sudan, crimes my government has concluded are genocide."

(4) On December 7, 2004, the U.S. Congress noted that the genocidal policy in Darfur has led to reports of "systematic rape of thousands of women and girls, the abduction of women and children, and the destruction of hundreds of ethnically African villages, including the poisoning of their wells and the plunder of their crops and cattle upon which the people of such villages sustain themselves."

(5) Also on December 7, 2004, Congress found that "the Government of Sudan has restricted access by humanitarian and human rights workers

to the Darfur area through intimidation by military and security forces, and through bureaucratic and administrative obstruction, in an attempt to inflict the most devastating harm on those individuals displaced from their villages and homes without any means of sustenance or shelter."

(6) On September 25, 2006, Congress reaffirmed that "the genocide unfolding in the Darfur region of Sudan is characterized by acts of terrorism and atrocities directed against civilians, including mass murder, rape, and sexual violence committed by the Janjaweed and associated militias with the complicity and support of the National Congress Party-led faction of the Government of Sudan."

(7) On September 26, 2006, the U.S. House of Representatives stated that "an estimated 300,000 to 400,000 people have been killed by the Government of Sudan and its Janjaweed allies since the [Darfur] crisis began in 2003, more than 2,000,000 people have been displaced from their homes, and more than 250,000 people from Darfur remain in refugee camps in Chad."

(8) The Darfur crisis represents the first time the United States Government has labeled ongoing atrocities genocide.

(9) The Federal Government has imposed sanctions against the Government of Sudan since 1997. These sanctions are monitored through the U.S. Treasury Department's Office of Foreign Assets Control (OFAC).

(10) According to a former chair of the U.S. Securities and Exchange Commission, "the fact that a foreign company is doing material business with a country, government, or entity on OFAC's sanctions list is, in the SEC staff's view, substantially likely to be significant to a reasonable investor's decision about whether to invest in that company."

(11) Since 1993, the U.S. Secretary of State has determined that Sudan is a country the government of which has repeatedly provided support for acts of international terrorism, thereby restricting United States assistance, defense exports and sales, and financial and other transactions with the Government of Sudan.

(12) A 2006 U.S. House of Representatives report states that "a company's association with sponsors of terrorism and human rights abuses, no matter how large or small, can have a materially adverse result on a public company's operations, financial condition, earnings, and stock prices, all of which can negatively affect the value of an investment."

(13) In response to the financial risk posed by investments in companies doing business with a terrorist-sponsoring state, the Securities and Exchange Commission established its Office of Global Security Risk to provide for enhanced disclosure of material information regarding such companies.

(14) The current Sudan divestment movement encompasses nearly 100 universities, cities, states, and private pension plans.

(15) Companies facing such widespread divestment present further material risk to remaining investors.

(16) It is a fundamental responsibility of the State of North Carolina to decide where, how, and by whom financial resources in its control should be invested, taking into account numerous pertinent factors.

(17) It is the prerogative and desire of the State of North Carolina in respect to investment resources in its control and to the extent reasonable, with due consideration for, among other things, return on investment, on behalf of itself and its investment beneficiaries, not to participate in an ownership or capital-providing capacity with entities that provide significant practical support for genocide, including certain non-United States companies presently doing business in Sudan.

(18) It is the judgment of the General Assembly that this act should remain in effect only insofar as it continues to be consistent with, and does not unduly interfere with, the foreign policy of the United States as determined by the Federal Government.

(19) It is the judgment of this General Assembly that mandatory divestment of public funds from certain companies is a measure that should be employed sparingly and judiciously. A Congressional and Presidential declaration of genocide satisfies this high threshold.

SECTION 2. Definitions.

As used in this act, the following definitions apply:

(1) "Active Business Operations" means all Business Operations that are not Inactive Business Operations.

(2) "Business Operations" means engaging in commerce in any form in Sudan, including by acquiring, developing, maintaining, owning, selling, possessing, leasing, or operating equipment, facilities, personnel, products, services, personal property, real property, or any other apparatus of business or commerce.

(3) "Company" means any sole proprietorship, organization, association, corporation, partnership, joint venture, limited partnership, limited liability partnership, limited liability company, or other entity or business association, including all wholly-owned subsidiaries, majority-owned subsidiaries, parent companies, or affiliates of such entities or business associations, that exists for profit-making purposes.

(4) "Complicit" means taking actions during any preceding 20-month period which have directly supported or promoted the genocidal campaign in Darfur, including, but not limited to, preventing Darfur's victimized population from communicating with each other, encouraging Sudanese citizens to speak out against an internationally approved security force for Darfur, actively working to deny, cover up,

or alter the record on human rights abuses in Darfur, or other similar actions.

(5) "Direct Holdings" in a Company means all securities of that Company held directly by the Public Fund or in an account or fund in which the Public Fund owns all shares or interests.

(6) "Government of Sudan" means the government in Khartoum, Sudan, which is led by the National Congress Party (formerly known as the National Islamic Front) or any successor government formed on or after October 13, 2006 (including the coalition National Unity Government agreed upon in the Comprehensive Peace Agreement for Sudan), and does not include the regional government of southern Sudan.

(7) "Inactive Business Operations" means the mere continued holding or renewal of rights to property previously operated for the purpose of generating revenues but not presently deployed for such purpose.

(8) "Indirect Holdings" in a Company means all securities of that Company held in an account or fund, such as a mutual fund, managed by one or more persons not employed by the Public Fund, in which the Public Fund owns shares or interests together with other investors not subject to the provisions of this act.

(9) "Marginalized Populations of Sudan" include, but are not limited to, the portion of the population in the Darfur region that has been genocidally victimized; the portion of the population of southern Sudan victimized by Sudan's North-South civil war; the Beja, Rashidiya, and other similarly underserved groups of eastern Sudan; the Nubian and other similarly underserved groups in Sudan's Abyei, Southern Blue Nile, and Nuba Mountain regions; and the Amri, Hamadab, Manasir, and other similarly underserved groups of northern Sudan.

(10) "Military Equipment" means weapons, arms, military supplies, and equipment that readily may be used for military purposes, including, but not limited to, radar systems or military-grade transport vehicles; or supplies or services sold or provided directly or indirectly to any force actively participating in armed conflict in Sudan.

(11) "Mineral Extraction Activities" include exploring, extracting, processing, transporting, or wholesale selling or trading of elemental minerals or associated metal alloys or oxides (ore), including gold, copper, chromium, chromite, diamonds, iron, iron ore, silver, tungsten, uranium, and zinc, as well as facilitating such activities, including by providing supplies or services in support of such activities.

(12) "Oil-Related Activities" include, but are not limited to, owning rights to oil blocks; exporting, extracting, producing, refining, processing, exploring for, transporting, selling, or trading of oil; constructing, maintaining, or operating a pipeline, refinery, or other oil-field

infrastructure; and facilitating such activities, including by providing supplies or services in support of such activities, provided that the mere retail sale of gasoline and related consumer products shall not be considered Oil-Related Activities.

(13) "Power Production Activities" means any Business Operation that involves a project commissioned by the National Electricity Corporation (NEC) of Sudan or other similar Government of Sudan entity whose purpose is to facilitate power generation and delivery, including, but not limited to, establishing power-generating plants or hydroelectric dams, selling or installing components for the project, providing service contracts related to the installation or maintenance of the project, as well as facilitating such activities, including by providing supplies or services in support of such activities.

(14) "Public Fund" means any funds held by the State Treasurer to the credit of:

a. The Teachers' and State Employees' Retirement System.
b. The Consolidated Judicial Retirement System.
c. The Firemen's and Rescue Workers' Pension Fund.
d. The Local Governmental Employees' Retirement System.
e. The Legislative Retirement System.
f. The Legislative Retirement Fund.
g. The North Carolina National Guard Pension Fund.

(14a) "Scrutinized Business Operations" means Business Operations that have resulted in a Company becoming a Scrutinized Company.

(15) "Scrutinized Company" means any Company that meets the criteria in sub-subdivisions a., b., or c. below:

a. The Company has Business Operations that involve contracts with and/or provision of supplies or services to the Government of Sudan, to companies in which the Government of Sudan has any direct or indirect equity share, Government of Sudan-commissioned consortiums or projects, or to Companies involved in Government of Sudan-commissioned consortiums or projects and at least one of the following conditions is satisfied:

1. More than ten percent (10%) of the Company's revenues or assets linked to Sudan involve Oil-Related Activities or Mineral Extraction Activities; less than seventy-five percent (75%) of the Company's revenues or assets linked to Sudan involve contracts with and/or provision of Oil-Related or Mineral Extracting products or services to the regional government of southern Sudan or a project or consortium created exclusively by that regional government; and the Company has failed to take Substantial Action.

2. More than ten percent (10%) of the Company's revenues or assets linked to Sudan involve Power Production Activities; less than seventy-five percent (75%) of the Company's Power Production Activities include projects whose intent is to provide power or electricity to the Marginalized Populations of Sudan; and the Company has failed to take Substantial Action.

b. The Company is Complicit in the Darfur genocide.

c. The Company supplies Military Equipment within Sudan, unless it clearly shows that the Military Equipment cannot be used to facilitate offensive military actions in Sudan or the Company implements rigorous and verifiable safeguards to prevent use of that equipment by forces actively participating in armed conflict, for example, through post-sale tracking of such equipment by the Company, certification from a reputable and objective third party that such equipment is not being used by a party participating in armed conflict in Sudan, or sale of such equipment solely to the regional government of southern Sudan or any internationally recognized peacekeeping force or humanitarian organization.

Notwithstanding anything herein to the contrary, a Social Development Company which is not Complicit in the Darfur genocide shall not be considered a Scrutinized Company.

(16) "Social Development Company" means a Company whose primary purpose in Sudan is to provide humanitarian goods or services, including medicine or medical equipment, agricultural supplies or infrastructure, educational opportunities, journalism-related activities, information or information materials, spiritual-related activities, services of a purely clerical or reporting nature, food, clothing, or general consumer goods that are unrelated to Oil-Related Activities, Mineral Extraction Activities, or Power Production Activities.

(17) "Substantial Action" means adopting, publicizing, and implementing a formal plan to cease Scrutinized Business Operations within one year and to refrain from any such new Business Operations; undertaking significant humanitarian efforts on behalf of one or more Marginalized Populations of Sudan; or through engagement with the Government of Sudan, materially improving conditions for the genocidally victimized population in Darfur.

SECTION 3. Identification of companies.

(a) Within 90 days of this act becoming effective, the Public Fund shall make its best efforts to identify all Scrutinized Companies in which the Public Fund has Direct or Indirect Holdings or could possibly have such holdings in the future. Such efforts shall include, as appropriate:

(1) Reviewing and relying, as appropriate in the Public Fund's judgment, on publicly available information regarding Companies with Business Operations in Sudan, including information provided by nonprofit organizations, research firms, international organizations, and government entities;

(2) Contacting asset managers contracted by the Public Fund that invest in Companies with Business Operations in Sudan; or

(3) Contacting other institutional investors that have divested from and/or engaged with Companies that have Business Operations in Sudan.

(b) By the first meeting of the Public Fund following the 90-day period described in subsection (a), the Public Fund shall assemble all Scrutinized Companies identified into a "Scrutinized Companies List."

(c) The Public Fund shall update the Scrutinized Companies List on a quarterly basis based on evolving information from, among other sources, those listed in subsection (a) of this section.

SECTION 4. Required actions.

(a) General. The Public Fund shall adhere to the procedure for Companies on the Scrutinized Companies List as provided in this section:

(b) Engagement.

(1) The Public Fund shall immediately determine the Companies on the Scrutinized Companies List in which the Public Fund owns Direct or Indirect Holdings.

(2) For each Company identified in subdivision (1) of this section with only Inactive Business Operations, the Public Fund shall send a written notice informing the Company of this act and encouraging it to continue to refrain from initiating Active Business Operations in Sudan until it is able to avoid Scrutinized Business Operations. The Public Fund shall continue such correspondence on a semiannual basis.

(3) For each Company newly identified in subdivision (1) of this section with Active Business Operations, the Public Fund shall send a written notice informing the Company of its Scrutinized Company status and that it may become subject to divestment by the Public Fund. The notice shall offer the Company the opportunity to clarify its Sudan-related activities and shall encourage the Company, within 90 days, to either cease its Scrutinized Business Operations or convert such operations to Inactive Business Operations in order to avoid qualifying for divestment by the Public Fund.

(4) If, within 90 days following the Public Fund's first engagement with a Company pursuant to subdivision (3) of this section that Company ceases Scrutinized Business Operations, the Company shall be removed from the Scrutinized Companies List and the provisions of this Section shall cease to apply to it unless it resumes Scrutinized Business Operations. If, within 90 days following the Public Fund's

first engagement, the Company converts its Scrutinized Active Business Operations to Inactive Business Operations, the Company shall be subject to all provisions relating thereto.

(c) Divestment.

(1) If, after 90 days following the Public Fund's first engagement with a Company pursuant to subdivision (b)(3) of this section, the Company continues to have Scrutinized Active Business Operations, and only while such Company continues to have Scrutinized Active Business Operations, the Public Fund shall sell, redeem, divest, or withdraw all publicly traded securities of the Company within 15 months after the Company's most recent appearance on the Scrutinized Companies List.

(2) If a Company that ceased Scrutinized Active Business Operations following engagement pursuant to subdivision (b)(3) of this section resumes such operations, subdivision (1) of this subsection shall immediately apply, and the Public Fund shall send a written notice to the Company. The Company shall also be immediately reintroduced onto the Scrutinized Companies List.

(d) Prohibition. At no time shall the Public Fund acquire securities of Companies on the Scrutinized Companies List that have Active Business Operations, except as provided below.

(e) Exemption. No Company which the United States Government affirmatively declares to be excluded from its present or any future federal sanctions regime relating to Sudan shall be subject to divestment or investment prohibition pursuant to subsections (c) and (d) of this section.

(f) Excluded Securities. Notwithstanding anything herein to the contrary, subsections (c) and (d) of this section shall not apply to Indirect Holdings in actively managed investment funds. The Public Fund shall, however, submit letters to the managers of such investment funds containing Companies with Scrutinized Active Business Operations requesting that they consider removing such Companies from the fund or create a similar actively managed fund with Indirect Holdings devoid of such Companies. If the manager creates a similar fund, the Public Fund shall replace all applicable investments with investments in the similar fund in an expedited time frame consistent with prudent investing standards. For the purposes of this section, "private equity" funds shall be deemed to be actively managed investment funds.

SECTION 5. Reporting.

(a) The Public Fund shall file a publicly available report to the General Assembly that includes the Scrutinized Companies List within 30 days after the list is created.

(b) Annually thereafter, the Public Fund shall file a publicly available report to the General Assembly and send a copy of that report to the United States Presidential Special Envoy to Sudan (or an appropriate designee or successor) that includes:

(1) A summary of correspondence with Companies engaged by the Public Fund under Sections 4(b)(2) and (b)(3) of this act.

(2) All investments sold, redeemed, divested, or withdrawn in compliance with Section 4(c) of this act.
(3) All prohibited investments under Section 4(d) of this act; and
(4) Any progress made under Section 4(f) of this act.

SECTION 6. Expiration of this act. This act expires upon the occurrence of any of the following:

(1) The Congress or President of the United States declaring that the Darfur genocide has been halted for at least 12 months.
(2) The United States revoking all sanctions imposed against the Government of Sudan.
(3) The Congress or President of the United States declaring that the Government of Sudan has honored its commitments to cease attacks on civilians, demobilize and demilitarize the Janjaweed and associated militias, grant free and unfettered access for deliveries of humanitarian assistance, and allow for the safe and voluntary return of refugees and internally displaced persons.
(4) The Congress or President of the United States, through legislation or executive order, declaring that mandatory divestment of the type provided for in this act interferes with the conduct of United States foreign policy.

SECTION 7. Other legal obligations. With respect to actions taken in compliance with this act, including all good faith determinations regarding Companies as required by this act, the Public Fund shall be exempt from any conflicting statutory or common law obligations, including any such obligations in respect to choice of asset managers, investment funds, or investments for the Public Fund's securities portfolios.

SECTION 8. Reinvestment in certain companies with Scrutinized Active Business Operations. Notwithstanding anything in this act, the Public Fund is permitted to cease divesting from certain Scrutinized Companies pursuant to Section 4(c) of this act and/or reinvest in certain Scrutinized Companies from which it divested pursuant to Section 4(c) of this act if clear and convincing evidence shows that the value for all assets under management by the Public Fund becomes equal to or less than 99.50% (50 basis points) of the hypothetical value of all assets under management by the Public Fund assuming no divestment for any company had occurred under Section 4(c) of this act. Cessation of divestment, reinvestment, and/or any subsequent ongoing investment authorized by this section shall be strictly limited to the minimum steps necessary to avoid the contingency set forth in the preceding sentence. For any cessation of divestment, reinvestment, and/or subsequent ongoing investment authorized by this section, the Public Fund shall provide a written report to the General Assembly in advance of initial reinvestment, updated semiannually thereafter as applicable, setting forth the reasons and justification, supported by clear and convincing evidence, for its decisions to cease divestment, reinvest, and/or remain invested in Companies with Scrutinized Active Business Operations. This section has no application to reinvestment in Companies on the ground that they have ceased to have Scrutinized Active Business Operations.

SECTION 9. Enforcement. The Attorney General is charged with enforcing the provisions of this act and, through any lawful designee, may bring such actions in court as are necessary to do so.

SECTION 10. Severability. If any one or more provision, section, subsection, sentence, clause, phrase, or word of this legislation or the application thereof to any person or circumstance is found to be invalid, illegal, unenforceable, or unconstitutional, the same is hereby declared to be severable and the balance of this legislation shall remain effective and functional notwithstanding such invalidity, illegality, unenforceability, or unconstitutionality. The General Assembly declares that it would have passed this legislation, and each provision, section, subsection, sentence, clause, phrase or word thereof, irrespective of the fact that any one or more provision, section, subsection, sentence, clause, phrase, or word be declared invalid, illegal, unenforceable, or unconstitutional, including, but not limited to, each of the engagement, divestment, and prohibition provisions of this legislation.

SECTION 11. This act becomes effective July 1, 2007.

HOUSE BILL 291:
Sudan (Darfur) Divestment Act

BILL ANALYSIS

Committee:	Senate Finance	**Date:**	July 25, 2007
Introduced by:	Reps. Luebke, Coates, Harrison, Jones	**Summary by:**	Martha Walston
Version:	Second Edition		Committee Counsel

SUMMARY: ***House Bill 291 requires the public retirement and pension funds (hereinafter Public Fund) held by the State Treasurer to address certain investments relating to the situation in Darfur, Sudan as follows:***

- ***Identify within 90 days of the act all scrutinized companies in which the Public Fund has direct or indirect holdings or could have such holdings in the future. A scrutinized company is defined as one that has business operations or other activity relating to Sudan.***
- ***Assemble a list of scrutinized companies and determine whether the Public Fund owns direct or indirect holdings in the company.***
- ***Take actions based upon the status of the companies on the list. These actions may include the sale, redemption, divestment, or withdrawal of all publicly traded securities of the company.***

CURRENT LAW: On November 1, 2006, the North Carolina Department of State Treasurer adopted a policy on Sudan-related investments. According to the Department, the policy states that companies providing monetary or military support to the Sudanese government, but failing to provide humanitarian aid or helping to improve the welfare of the Sudanese people, should not be held by the North Carolina Retirement System (NCRS). Since adoption of the policy, the NCRS has divested interest in nine companies that were found to be conducting business contrary to the policy, and has directed its managers not to acquire securities in these companies in the future.[1]

BILL ANALYSIS: House Bill 291 would enact the following legislation governing the Public Fund's treatment of companies with ties to Sudan:

- Section 1 of the act lists legislative findings regarding the history of the U.S. Government's recognition and position on the atrocities in Darfur, Sudan. The findings also state that it is North Carolina's responsibility to decide the investment of financial resources in its control, that it is the State's desire not to participate with entities that provided support for genocide, that this act should remain in affect as long as it does not interfere with U.S. foreign policy, and that mandatory divestment of public funds from certain companies should be employed sparingly and judiciously.
- Section 2 of the act defines terms used in the act. A scrutinized company is a company that meets the criteria in a., b., or c, below:
  a. The company has business operations that involve contracts with or provision of supplies or services to the Government of Sudan, to companies in which Sudan has any equity share, Sudan-commissioned consortiums or projects , or to companies involved in such consortiums or projects, AND at least one of the following conditions is met: the

[1] The nine companies are: Bharat Heavy Electricals, China Petroleum and Chemical Corp., Nam Fatt, Oil & Natural Gas Company, PECD Berhad, PetroChina Company, Sudan Telecom Company, Tatneft OAO, and Videocon Industries Limited.

company has a certain percentage of its revenue or assets linked to Sudan involved oil-related or mineral extraction activities; or the company has a certain percentage of its assets linked to power production activities in Sudan.

b. The company is complicit in the Darfur genocide.

c. The company supplies military equipment within Sudan.

- Section 3 requires the Public Fund to identify within 90 days of the act all scrutinized companies in which the Public Fund has direct or indirect holdings or could have such holdings in the future. The Fund must assemble a list of scrutinized companies and determine whether the Fund owns direct or indirect holdings in the company.
- Section 4 sets out the following actions the Public fund must take based upon the status of the companies on the list:
  - If the company has only inactive business operations with Sudan, the Public Fund will send written notice to the company informing it of its status and encouraging the company to continue to refrain from active business operations. If the company ceases inactive operations with Sudan within 90 days, it will be removed from the scrutinized companies list.
  - If the company has active business operations with Sudan, the Public Fund will notify the company that it may be divested. The company will have 90 days to either cease its active business operations or convert to inactive business operations. If the company does not cease its active business operations with Sudan, the Public Fund will sell, redeem, divest, or withdraw all publicly traded securities of the company within 15 months after the company's most recent appearance on the scrutinized companies list..
- Section 4 also sets out the following restrictions on the actions of the Public Fund:
  - The Public Fund is prohibited from acquiring securities of companies on the scrutinized companies list that have active business operations, unless the U.S. Government declares the company to be excluded from federal sanctions relating to Sudan.
  - The Public Fund may not divest or prohibit acquisition of indirect holdings in actively managed investment funds. Indirect holdings are defined as securities of a company held in an account or fund, such as a mutual fund, managed by one or more persons not employed by the Public Fund, in which the Public Fund owns shares or interests together with other investors not subject to the act. Private equity funds are considered actively managed investment funds
- Section 5 of the acts sets out reporting requirements of the Public Fund. The Fund must file a report with the General Assembly that includes the scrutinized companies list within 30 days after the list is created. Thereafter, the report must be filed annually and a copy sent to the United States Presidential Special Envoy to Sudan.
- Section 6 of the act provides that the act expires if the Darfur genocide has been halted for 12 months, the U.S. revokes all sanctions against Sudan, Sudan has honored certain commitments, or the U.S. declares that mandatory divestment interferes with the conduct of U.S. foreign policy.

- Section 7 exempts the Public Fund from conflicting statutory or common law obligations, with respect to actions taken in compliance with the act.
- Section 8 provides that the Public Fund may cease divesting from or reinvest in scrutinized companies if clear and convincing evidence shows that the value for all assets under management by the Fund becomes equal to or less than 99.50% of the hypothetical value of all assets under management by the Fund assuming no divestment had occurred.
- Section 9 provides enforcement of the act by the Attorney General.
- Section 10 provides for severability in case any part of the act is found to be illegal or unconstitutional.

EFFECTIVE DATE: The act becomes effective July 1, 2007.

BACKGROUND: The following states have adopted legislation to prohibit state investment in the government of Sudan and companies doing business in Sudan: Arizona, California, Louisiana, New Jersey, and Oregon. Colleges and universities throughout the United States have also reviewed their portfolios. They include Harvard, Stanford, University of California, Amherst, Brown University, Dartmouth, University of Pennsylvania, Princeton, Williams College, Smith, Swarthmore, and Yale.

In 2005, the Illinois Legislature adopted legislation that prohibits state investment in the government of Sudan and companies doing business in or with Sudan. Fund managers responsible for Illinois's state pension and retirement funds were given 18 months to divest from such companies. In February, 2007, a federal district court enjoined enforcement of the legislation. *National Foreign Trade Council, Inc v. Giannoulias,* No. 06 C 4251 (Feb. 23, 2007). Specifically, the court found that the amendments to the state pension code violated the Foreign Commerce Clause of the U.S. Constitution, which gives Congress the power to regulate commerce with foreign nations.

A BILL TO BE ENTITLED

AN ACT TO ESTABLISH THE NORTH CAROLINA HEALTH INSURANCE RISK POOL AND TO FUND THE NORTH CAROLINA HEALTH INSURANCE RISK POOL FROM SAVINGS TO THE GENERAL FUND REALIZED FROM THE REPEAL OF THE TAX CREDIT FOR SMALL BUSINESS EMPLOYEE HEALTH BENEFITS AND FROM OTHER SOURCES.

The General Assembly of North Carolina enacts:

SECTION 1.1. Article 50 of Chapter 58 of the General Statutes is amended by adding a new Part to read:

"Part 6. North Carolina Health Insurance Risk Pool.

"**§ 58-50-175. Definitions.**

The following definitions apply to this Part:

(1) "Administrator" – The Pool Administrator selected by the Executive Director in accordance with this Part.

(2) "Benefit plan" – The coverage offered by the Pool to eligible individuals.

(3) "Board" – The Board of Directors of the Pool.

(4) "Commissioner" – The Commissioner of Insurance of North Carolina or the Commissioner's authorized designee.

(5) "Covered person" – Any individual resident of this State, excluding dependents, who is receiving or is eligible to receive medical care benefits from any insurer.

(6) "Creditable coverage" – The same meaning as defined in G.S. 58-68-30(c)(1).

(7) "Dependent" – A resident spouse, an unmarried child under the age of 19 years, a child who is a full-time student under the age of 23 years and who is financially dependent upon the parent or guardian, a child who is over 18 years of age and for whom a person may be obligated to pay child support, or a child of any age who is disabled and dependent upon the parent or guardian.

(8) "Executive Director" – The individual selected by a majority vote of the Board members and hired to serve as the Executive Director of the Pool.

(9) "Federally defined eligible individual" – The same meaning as the defined term "eligible individual" in G.S. 58-68-60(b).

(10) "Health insurance coverage" – The same meaning as defined in G.S. 58-68-25(a)(5) but does not include benefits described in G.S. 58-68-25(b).

(11) "Insurance arrangement" – The plan, program, contract, or other arrangement through which medical care is provided by an employer to its officers or employees but does not include medical care covered through an insurer.

(12) "Insured" – An individual who is eligible to receive benefits from the Pool.

(13) "Insurer" – Any entity, other than the Pool, that provides medical care benefits, including excess or stop-loss insurance, that covers medical care or administers medical care on any individual in this State. For the purposes of this Part, insurer includes:

a. An insurance company;
b. A hospital or medical service corporation;
c. A health maintenance organization;
d. A multiple employer welfare arrangement;
e. A third-party administrator or claims processor; and
f. Any other nongovernmental entity providing a health benefit plan subject to State insurance regulation.

(14) "Medical care" – All of the following:

a. The diagnosis, cure, mitigation, treatment, or prevention of disease, or amounts paid for the purpose of affecting any structure or function of the body;
b. Transportation primarily for and essential to medical care referred to in sub-subdivision a. of this subdivision; and
c. Insurance covering medical care referred to in sub-subdivisions a. and b. of this subdivision.

(15) "Plan of Operation" – The articles, bylaws, and operating rules and procedures adopted by the Board in accordance with this Part.

(16) "Pool" – The North Carolina Health Insurance Risk Pool.

(17) "Provider" – An individual or entity that provides medical care to individuals residing in this State.

(18) "Resident" – An individual who has legal status in the United States and who:

a. Has been legally domiciled in this State for a period of at least 30 days, except that for a federally defined eligible individual, there shall not be a 30-day requirement;

b. Is legally domiciled in this State on the date of application to the Pool and who is eligible for enrollment in the Pool as a result of the Health Insurance Portability and Accountability Act of 1996; or

c. Is legally domiciled in this State on the date of application to the Pool and is eligible for the credit for health insurance costs under section 35 of the Internal Revenue Code of 1986.

(19) "Special Fund." – The North Carolina Health Insurance Risk Pool Special fund.

(20) "Trade Adjustment Assistance Program" (TAA) – Title II of the Trade Act of 2002, P.L. 107-210.

"**§ 58-50-180. Risk Pool established; board of directors; plan of operation.**

(a) There is hereby created a nonprofit entity to be known as the North Carolina Health Insurance Risk Pool. The Pool shall operate under the supervision and control of the Board.

(b) The Board of the North Carolina Health Insurance Risk Pool shall consist of the Commissioner, who shall serve as an ex officio nonvoting member of the Board, and 11 members appointed as follows:

(1) One member who represents an insurer, as appointed by the Governor.

(2) Two members of the general public who are not employed by or affiliated with an insurance company or plan, group hospital, or other health care provider and can reasonably be expected to qualify for coverage in the Pool. Members of the general public include individuals whose only affiliation with health insurance or health care coverage is as a covered member. The two members of the general public shall be appointed by the General Assembly, as follows:

a. One member upon the recommendation of the President Pro Tempore of the Senate.

b. One member upon the recommendation of the Speaker of the House of Representatives.

(3) Eight members appointed by the Commissioner, as follows:

a. One insurer who sells individual health insurance policies.

b. One who represents the insurance industry, as recommended by the insurer who covers the largest number of persons in the State.

c. One who is licensed to sell health insurance in this State.

d. Two who represent the medical provider community, one as recommended by the North Carolina Medical Society, and one as recommended by the North Carolina Hospital Association.

e. One who represents business, as recommended by the North Carolina Citizens for Business and Industry.

f. One who represents small business, as recommended by the National Federation of Independent Business.

g. One who is either a health policy researcher or a health economist with experience relating to the operation of health insurance risk pools.

(c) The initial appointments by the Governor and the General Assembly upon the recommendation of the Speaker of the House of Representatives and the President Pro Tempore of the Senate shall serve a term of three years. The initial appointments by the Commissioner under sub-subdivisions a., b., and d. of subdivision (b)(3) of this section shall be for a term of two years. The initial appointments by the Commissioner under sub-subdivisions c., e., f., and g. of subdivision (b)(3) of this section shall be for a term of one year. All succeeding appointments shall be for terms of three years. Members shall not serve for more than two successive terms.

A Board member's term shall continue until the member's successor is appointed by the original appointing authority. Vacancies shall be filled by the appointing authority for the unexpired portion of the term in which they occur. A Board member may be removed by the appointing authority for cause.

The Board shall meet at least quarterly upon the call of the chair. A majority of the total membership of the Commission shall constitute a quorum.

The Commissioner shall appoint a chair to serve for the initial two years of the Plan's operation. Subsequent chairs shall be elected by a majority vote of the Board members and shall serve for two-year terms. Board members shall receive travel allowances under G.S. 138-6 when traveling to and from meetings of the Board, but shall not receive any subsistence allowance or per diem under G.S. 138-5.

(d) The Board shall submit to the Commissioner a Plan of Operation for the Pool and any amendments necessary or suitable to assure the fair, reasonable, and equitable administration of the Plan of Operation. The Plan of Operation shall become effective upon approval in writing by the Commissioner consistent with the date on which the coverage under this Part must be made available. If the Board fails to submit a suitable Plan of Operation within 180 days after the appointment of the Board, or at any time thereafter fails to submit suitable amendments to the Plan of Operation, the Commissioner shall adopt temporary rules necessary or advisable to effectuate the provisions of this section. The rules shall continue in force until modified by the Commissioner or superseded by a Plan of Operation submitted by the Board and approved by the Commissioner. The Plan of Operation shall:

(1) Establish procedures for operation of the Pool.

(2) Establish procedures for selecting a Pool Administrator in accordance with G.S. 58-50-185.

(3) Establish procedures to create a fund for administrative expenses, which shall be managed by the Board.

(4) Establish procedures for the collection, handling, disbursing, accounting, and auditing of assets, monies, and claims of the Pool and the Pool Administrator.

(5) Develop and implement a program to publicize the existence of the Pool, the eligibility requirements, procedures for enrollment, and availability of State premium subsidies and to maintain public awareness of the Pool.

(6) Establish procedures under which applicants and participants may have grievances reviewed by a grievance committee appointed by the Executive Director in accordance with G.S. 58-50-230.

(7) Establish procedures for identifying and confirming income levels of applicants for Pool coverage who are eligible to receive a State premium subsidy, if a State premium subsidy is available.

(8) Provide for other matters as may be necessary and proper for the execution of the Executive Director's powers, duties, and obligations under this Part.

(e) The Pool shall have the general powers and authority granted under the laws of this State to health insurers and the specific authority to do all of the following:

(1) Enter into contracts as are necessary or proper to carry out the provisions and purposes of this Part, including the authority, with the approval of the Executive Director in collaboration with the Board, to enter into contracts with similar plans of other states for the joint performance of common administrative functions or with persons or other organizations for the performance of administrative functions.

(2) Sue or be sued.

(3) Take legal action as necessary to:

a. Avoid the payment of improper claims against the Pool or the coverage provided by or through the Plan.

b. Recover any amounts erroneously or improperly paid by the Plan.

c. Recover any amounts paid by the Pool as a result of mistake of fact or law.

d. Recover other amounts due the Pool.

(4) Establish rates and rate schedules in accordance with this Part.

(5) Issue policies of insurance in accordance with the requirements of this Part.

(6) Appoint appropriate legal, actuarial, and other committees as necessary to provide technical assistance in the operation of the Pool, policy, and other contract design, and any other function within the Pool's authority.

(7) Establish policies, conditions, and procedures for reinsuring risks of participating health insurers, as defined in G.S. 58-68-25(a), desiring

to issue Pool coverage in their own name. Provision of reinsurance shall not subject the Pool to any of the capital or surplus requirements, if any, otherwise applicable to reinsurers.

(8) Employ and fix the compensation of employees.

(9) Prepare and distribute certificate of eligibility forms and enrollment instruction forms to insurance producers and to the general public.

(10) Provide for reinsurance for the Pool.

(11) Issue additional types of health insurance policies to provide optional coverage, including Medicare supplemental insurance coverage.

(12) Provide for and employ cost containment measures and requirements including preadmission screening, second surgical opinion, concurrent utilization review, disease management, individual case management, health and wellness programs including a smoking cessation initiative, and other commonly used benefit plan design features for the purpose of making health insurance coverage offered by the Pool more cost-effective.

(13) Design, utilize, contract, or otherwise arrange for the delivery of cost-effective health care services, including establishing or contracting with preferred provider organizations, health maintenance organizations, and other limited network provider arrangements.

(14) Adopt bylaws, policies, and procedures as may be necessary or convenient for the implementation of this Part and the operation of the Pool.

(f) The Executive Director, with the approval of the Board, shall operate the Pool in a manner so that the estimated cost of providing the benefit plans offered during any calendar year is not anticipated to exceed the total income the Pool expects to receive from policy premiums and other revenue available to the Pool. The Board may impose a cap on enrollment or may suspend enrollment for an indefinite period if the Board finds that estimated costs are anticipated to exceed income, except that any enrollment cap or suspension shall not apply to federally defined eligible individuals who are eligible to enroll in the Pool pursuant to G.S. 58-50-195(a)(5).

(g) The Executive Director shall make an annual report to the Speaker of the House of Representatives, the President Pro Tempore of the Senate, the Commissioner, the Joint Legislative Health Care Oversight Committee, and the Committee on Employee Hospital and Medical Benefits. The report shall summarize the activities of the Pool in the preceding calendar year, including the net written and earned premiums, benefit plan enrollment, the expense of administration, and the paid and incurred losses.

(h) Neither the Board nor the employees of the Pool are liable for any obligations of the Pool. There shall be no liability on the part of, and no cause of action of any nature shall arise against, the Pool or its agents or employees, the Board, the Executive Director, or the Commissioner or the Commissioner's representatives for any action taken by them in good faith in the performance of their powers and duties under this Part.

(i) The members of the Board are public servants under G.S. 138A-3(30) and are subject to the provisions of Chapter 138A of the General Statutes.

"**§ 58-50-185. Administrator.**

(a) The Executive Director, in collaboration with the Board, shall select through a competitive bidding process one or more insurers to administer the Pool. The Executive Director shall evaluate bids submitted based on criteria established by the Board. The criteria shall allow for the comparison of information about each bidding administrator and selection of a Pool Administrator based on at least the following:

(1) Proven ability to handle health insurance coverage to individuals.
(2) Efficiency and timeliness of the claim processing procedures.
(3) Estimated total charges for administering the Pool.
(4) Ability to apply effective cost containment programs and procedures and to administer the Pool in a cost-efficient manner.
(5) Financial condition and stability.
(6) Evidence of authority to provide third-party administrative services in North Carolina.

(b) The Administrator shall serve for a period specified in the contract between the Pool and the Administrator subject to removal for cause and subject to any terms, conditions, and limitations of the contract between the Pool and the Administrator. At least one year before the expiration of each period of service by an Administrator, the Executive Director shall invite eligible entities, including the current Administrator, unless the current Administrator was removed for cause, to submit bids to serve as the Administrator. Selection of the Administrator for the succeeding period shall be made at least six months before the end of the current period.

(c) The Administrator shall perform such functions relating to the Pool as may be assigned to it, including:

(1) Verification of eligibility.
(2) Payment of claims.
(3) Establishment of a premium billing procedure for collection of premiums from individuals covered under the Pool.
(4) Other necessary functions to assure timely payment of benefits to covered persons under the Pool.

(d) The Administrator shall submit regular reports to the Executive Director and the Board regarding the operation of the Pool. The contract between the Pool and the Administrator shall specify the frequency, content, and form of the report.

(e) Following the close of each calendar year, the Administrator shall determine net written and earned premiums, the expense of administration, and the paid and incurred losses for the year and report this information to the Executive Director and the Board on a form prescribed by the Executive Director.

(f) The Administrator shall be paid as provided in the contract between the Pool and the Administrator.

"**§ 58-50-190. Risk Pool rates and policy forms.**

(a) The Pool shall adopt and modify, as appropriate, rates, rate schedules, rate adjustments, expense allowances, agent referral fees, claim reserve formulas, and any

other actuarial function appropriate to the operation of the Pool. Rates and rate schedules may be adjusted for appropriate factors such as age, sex, and geographic variation in claim cost and shall take into consideration appropriate rating factors in accordance with established actuarial and underwriting practices.

(b) The Pool shall determine the standard risk rate by considering the premium rates charged by other insurers offering health insurance coverage to individuals. The standard risk rate shall be established using reasonable actuarial techniques and shall reflect anticipated experience and expenses for the coverage. Pool rates shall be one hundred fifty percent (150%) to two hundred percent (200%) of rates established as applicable for individual standard rates and shall be adjusted annually, at the time of annual renewal.

(c) The Executive Director, with the approval of the Board and the Commissioner, may develop incentive programs with premium discounts. The Pool may provide for premium surcharges for covered individuals who are smokers. Premium surcharge rates shall be established by the Executive Director, in collaboration with the Board, subject to the approval of the Commissioner.

(d) Provider reimbursement rates under Pool coverage shall be limited to the rates allowed for providers under the Medicare Program for those services covered by Medicare. The Board shall establish reimbursement rates for services for which Medicare has not established an allowed rate. Providers rendering medical care to an insured shall accept payment of the amount established under this subsection, including any applicable deductible, coinsurance, or co-payment amounts, as payment in full for services rendered.

(e) The Pool shall submit all premium rates and premium rate schedules and amendments to the Commissioner for approval. The Pool shall not use any premium rates, premium rate schedules, or amendments to the rates and schedules unless the Commissioner has approved them. The Commissioner, in evaluating the premium rates and premium rate schedules, shall consider the factors provided in this section. The Pool shall provide all individuals enrolled in the Pool with at least 45 days' notice of any change in Pool premium rates or premium rate schedules.

(f) The Pool shall submit all policy forms, riders, endorsements, and applications for coverage to the Commissioner for approval. The Pool shall not use any policy forms, riders, endorsements, or applications for coverages unless the Commissioner has approved them. Except for any provisions that are specifically treated otherwise under this Part, the provisions of this Chapter that apply to benefit plans and policy forms of health insurers generally shall apply to the benefit plans offered and policy forms used by the Pool.

"**§ 58-50-195. Eligibility for Pool coverage.**

(a) Any individual who is and continues to be a resident of this State is eligible for Pool coverage if the individual provides evidence of any of the following:

(1) A notice of rejection or refusal to issue substantially similar health insurance coverage for health reasons by an insurer. A rejection or refusal by an insurer offering only stop-loss, excess loss, or

reinsurance coverage with respect to the applicant is not sufficient evidence of eligibility.

(2) An offer to issue health insurance coverage only with a conditional rider that limits coverage for the individual's high-risk medical condition.

(3) A refusal by an insurer to issue health insurance coverage except at a rate exceeding the Pool rate.

(4) A diagnosis of the individual with one of the medical or health conditions listed by the Board in accordance with this section. An individual diagnosed with one or more of these conditions is eligible for Pool coverage without applying for other health insurance coverage.

(5) Qualification as a federally defined eligible individual, whether or not currently covered by an insurer under that qualification.

(6) An individual who is legally domiciled in this State and is eligible for the credit for health insurance costs under the Trade Adjustment Assistance Reform Act of 2002, section 35 of the Internal Revenue Code of 1986. Each dependent of an individual who is eligible for Pool coverage under this subdivision shall also be eligible for Pool coverage.

(7) The individual has current individual health insurance coverage at a rate exceeding the Pool rate.

(b) The Board, upon recommendation of the Executive Director, shall adopt a list of medical or health conditions for which a person shall be eligible for Pool coverage under subdivision (a)(4) of this section. The Board may amend the list as the Board considers appropriate.

(c) An individual is not eligible for coverage under the Pool if:

(1) The individual has or obtains medical care benefits substantially similar to or more comprehensive than the benefit plan offered by the Pool, or would be eligible to have coverage if the person elected to obtain it, except that:

a. An individual may maintain other coverage for the period of time the individual is satisfying any preexisting condition waiting period under a Pool policy; and

b. An individual may maintain Pool coverage for the period of time the individual is satisfying a preexisting condition waiting period under another health insurance policy intended to replace the Pool policy.

(2) The individual is determined to be eligible for enrollment in the State Medical Assistance Plan.

(3) The individual has previously terminated Pool coverage unless 12 months have lapsed since the termination, except that this subdivision shall not apply with respect to an applicant who is a federally defined

eligible individual or to an applicant eligible for or receiving benefits under the Trade Adjustment Assistance Program.

(4) The individual is an inmate or resident of a public institution, except that this subdivision shall not apply with respect to an applicant who is a federally defined eligible individual.

(5) The individual's premiums are paid for or reimbursed under any government-sponsored program or by any government agency or health care provider, except as an otherwise qualifying full-time employee, or dependent thereof, of a government agency or health care provider. This subdivision shall not apply for individuals receiving benefits under the Trade Adjustment Assistance Program or to individuals receiving premium subsidies made available by the State based on individual income levels.

(6) The individual has in effect on the date Pool coverage takes effect health insurance coverage from an insurer or insurance arrangement.

(d) Coverage under the Pool shall cease:

(1) On the date an individual is no longer a resident of this State.

(2) On the date an individual requests coverage to end.

(3) Upon the death of the covered individual.

(4) On the date State law requires cancellation of the Pool policy.

(5) At the option of the Pool, 30 days after the Pool makes any inquiry concerning the individual's eligibility or residence to which the individual does not reply.

(6) Because the individual has failed to make the payments required under this Part.

(e) Except as provided in subsection (d) of this section, an individual who ceases to meet the eligibility requirements of this section may be terminated at the end of the Pool policy period for which the necessary premiums have been paid.

"**§ 58-50-200. Unfair referral to Pool.**

It is an unfair trade practice under Article 63 of this Chapter and under Chapter 75 of the General Statutes for an employer, an insurer, an insurance producer, as defined in G.S. 58-33-10(7), or a third-party administrator to refer an individual employee to the Pool or arrange for an individual employee to apply to the Pool for the purpose of separating that employee from a group medical care benefit plan provided in connection with the employee's employment. This section shall not prohibit an insurer or insurance producer from informing an individual of other coverage options, including coverage provided by the Pool.

"**§ 58-50-205. Minimum Pool benefits.**

(a) The Pool shall offer at least two types of benefit plans for individuals eligible under G.S. 58-50-195, including preferred provider organizations with different levels of deductibles and cost-sharing, and at least one choice of a health savings account. The covered services and benefit levels may vary between the types of benefit plans, but at least two types of benefit plans must, at a minimum, cover the benefits and services outlined in the National Association of Insurance Commissioners' (NAIC) Model

Health Pool for Uninsurable Individuals Act and be consistent with comprehensive coverage generally available to persons who are eligible for individual health insurance other than Medicare. All benefit plans offered by the Pool shall include disease or case management services.

(b) The Board, upon the recommendation of the Executive Director, shall adopt rules regarding the lifetime limits and per individual combined coinsurance and deductibles for the health insurance products offered by the Pool. The initial rules shall include not less than one million dollars ($1,000,000) lifetime limit and a combined annual limit of up to five thousand dollars ($5,000) per individual on coinsurance and deductibles. The Board, upon recommendation of the Executive Director, shall adopt rules adjusting these limitations at least once every five years to reflect changes in the medical component of the Consumer Price Index. When adopting or adjusting lifetime limits the Board may establish categories of diseases that may be more seriously impacted by the lifetime limits than other diseases covered under the Pool.

"**§ 58-50-210. Preexisting conditions.**

(a) Except as otherwise provided by law, Pool coverage shall exclude charges or expenses incurred during the first 12 months following the effective date of coverage as to any condition for which medical advice, care, or treatment was recommended or received as to such conditions during the 12-month period immediately preceding the effective date of coverage, except that no preexisting condition exclusion shall be applied to a federally defined eligible individual.

(b) Subject to subsection (a) of this section, the preexisting condition exclusions shall be waived to the extent that similar exclusions, if any, have been satisfied under any prior health insurance coverage that was involuntarily terminated, provided that:

(1) Application for Pool coverage is made not later than 63 days following the involuntary termination, and in such case coverage in the Pool shall be effective from the date on which the prior coverage was terminated; and

(2) The applicant is not eligible for continuation or conversion rights that would provide coverage substantially similar to Pool coverage.

"**§ 58-50-215. Nonduplication of benefits.**

(a) The Pool shall be payor of last resort of benefits whenever any other benefit or source of third-party payment is available. Benefits otherwise payable under coverage shall be reduced by all amounts paid or payable through any other medical care benefits and by all hospital and medical expenses paid or payable under any workers' compensation coverage notwithstanding any provision of law to the contrary, automobile medical payment, or liability insurance, whether provided on the basis of fault or no-fault, and by any hospital or medical benefits paid or payable under or provided pursuant to any State or federal law or program.

(b) The Pool shall have a cause of action against an eligible person for the recovery of the amount of benefits paid that are not for covered expenses. Benefits due from the Pool may be reduced or refused as a setoff against any amount recoverable under this subsection.

"**§ 58-50-220: Reserved for future codification purposes.**

"§ 58-50-225. North Carolina Health Insurance Risk Pool Special Fund.

(a) The North Carolina Health Insurance Risk Pool Special Fund is established as an interest-bearing, non-reverting account in the General Fund. The Special Fund consists of the following revenue:

(1) Premiums, fees, charges, rebates, refunds, and any other receipts occurring or arising in connection with the Pool.

(2) An annual General Fund appropriation of twenty-one million two hundred thousand dollars ($21,200,000); sixteen million two hundred thousand dollars ($16,200,000) of this amount represents the savings to the General Fund from repealing the income tax credit for small business employee health benefits.

(3) Gifts, grants, and other appropriations.

(b) Disbursements from the Special Fund shall include the amounts required to pay the claims, benefits, and administrative costs as may be determined by the Executive Director and the Board. Disbursement from the Special Fund may be made by warrant drawn on the State Treasurer by the Executive Director, or the Executive Director and the Board may by contract authorize the Administrator to draw the warrant.

"§ 58-50-230. Complaint procedures.

An applicant or participant in coverage from the Pool is entitled to have complaints against the Pool reviewed by a grievance committee appointed by the Executive Director. Members of the Board shall not serve on the grievance committee. The grievance process shall comply with G.S. 58-50-62. The grievance committee shall report to the Board after completion of the review of each complaint. The Executive Director shall retain all written complaints regarding the Pool at least until the third anniversary of the date the Pool received the complaint. Independent review of an appeal decision upholding a noncertification or a second-level grievance review decision upholding a noncertification shall be subject to review pursuant to Part 4 of this Article.

"§ 58-50-235. Audit.

An audit of the Pool shall be conducted annually under the oversight of the State Auditor. The cost of the audit shall be reimbursed to the State Auditor from the Special Fund.

"§ 58-50-240. Taxation.

The Pool established under this Part is exempt from any and all State taxes.

"§ 58-50-245. Rules.

The Board and the Commissioner may adopt rules pursuant to Chapter 150B of the General Statutes, including temporary rules, to implement this Part.

"§ 58-50-250. Collective action.

The establishment of rates, forms, or procedures and any other joint or collective action required by this Part may not be the basis of any legal action or criminal or civil liability or penalty against the Pool or any insurer.

"§ 58-50-255. Pool financing; Board reporting.

(a) The Board shall monitor methods of financing the Pool to ensure a stable funding source and allow for its continued operation. This monitoring shall include supplementary sources of funding, such as funds obtained from public and private not-for-profit foundations, or other appropriate and available State or non-State funds. The Board shall also review on a regular basis:

(1) The number of individuals in this State who are uninsured as of a date certain because of high-risk conditions.

(2) The number of uninsured individuals who would qualify for coverage under the Pool based on G.S. 58-50-195 and its Plan of Operation.

(3) The cost of coverage under each of the health insurance plans developed by the Board, including administrative costs.

(4) The status of a request by the State to the Centers for Medicare and Medicaid Services for approval of the North Carolina Health Insurance Risk Pool to be considered an acceptable "alternative mechanism" under the federal Health Insurance Portability and Accountability Act in accordance with 45 C.F.R. § 148.128(e).

(5) Methods for providing a premium subsidy on a sliding scale basis for individuals with incomes up to three hundred percent (300%) of the federal poverty guidelines.

(b) The Board shall report its findings and recommendations to the General Assembly on March 1, 2008, and annually thereafter.

"**§§ 58-50-260 through 265: Reserved for future codification purposes.**"

SECTION 1.2. On or before January 1, 2008, the Executive Director shall notify the Centers for Medicare and Medicaid Services that the State has established the North Carolina Health Insurance Risk Pool and shall request that the North Carolina Health Insurance Risk Pool be approved as an acceptable "alternative mechanism" under the federal Health Insurance Portability and Accountability Act in accordance with 45 C.F.R. § 148.128(e). The Executive Director shall notify the Commissioner when the Centers for Medicare and Medicaid Services approve the request.

SECTION 1.3. The Executive Director shall study methods for encouraging healthy behaviors among the Pool's insureds and report the Executive Director's findings to the Board and to the General Assembly not later than one year after initial implementation of the Pool.

SECTION 1.4. Notwithstanding G.S. 58-50-210(a), individuals enrolling in the Pool within six months of the date that enrollment into the Pool first begins shall be subject to a six-month preexisting condition waiting period.

SECTION 1.5. G.S. 120-70.111(a) reads as rewritten:

"(a) The Joint Legislative Health Care Oversight Committee shall review, on a continuing basis, the provision of health care and health care coverage to the citizens of this State, in order to make ongoing recommendations to the General Assembly on ways to improve health care for North Carolinians. To this end, the Committee shall study the delivery, availability, and cost of health care in North Carolina. The Committee shall also review, on a continuing basis, the implementation of the State Health Insurance Program for Children established under Part 8 of Article 2 of Chapter 108A of the

General Statutes. As part of its review, the Committee shall advise and consult with the Department of Health and Human Services as provided under G.S. 108A-70.21. The Committee shall review, on a continuing basis, the implementation of the North Carolina Health Insurance Risk Pool established under Part 6 of Article 50 of Chapter 58 of the General Statutes. As part of its review, the Committee shall advise and consult with the Executive Director of the North Carolina Health Insurance Risk Pool as provided under G.S. 58-50-180. The Committee may also study other matters related to health care and health care coverage in this State."

SECTION 2.1. In addition to the North Carolina Health Insurance Risk Pool Special Fund established under G.S. 58-50-225, as enacted in this act, there is established in the Department of Insurance two separate funds, as follows:

(1) The Start-Up Reserve – State Funds. State funds appropriated to this Fund shall be used to support reasonable expenses for personnel to carry out the Board's responsibilities under the Pool, including contracting a third-party administrator. Funds shall be allocated by the Commissioner of Insurance for the reasonable expenses of the Board in conducting its duties under this Article that are incurred on or before July 1, 2009. At the end of the fiscal year, any unspent and unencumbered State funds and any interest or investment income earned on these funds shall not revert to the General Fund but shall be transferred to the North Carolina Health Insurance Risk Pool Special Fund.

(2) The Start-Up Reserve – Federal Funds. Federal funds received in lump sum or as a draw-down grant for the purposes of this Article shall be deposited to this Reserve and shall be expended and accounted for in accordance with requirements of the federal grant.

SECTION 2.2. It is the intent of the General Assembly that in the event the State is not awarded the federal funds anticipated, the General Fund shall be held harmless.

SECTION 3. There is appropriated from the General Fund to the Start-Up Reserve – State Funds established under Section 2.1 of this act, the sum of two hundred fifty thousand dollars ($250,000) for the 2007-2008 fiscal year. These funds shall be allocated for the purposes of and in accordance with Section 2.1 of this act. Unspent and unencumbered funds remaining on June 30, 2008, shall not revert to the General Fund but shall be used for the purposes described in Section 2.1 of this act.

SECTION 4. G.S. 105-129.16E, credit for small business employee health benefits, is repealed. As provided in G.S. 58-50-225, as enacted in this act, savings to the General Fund from the repeal of the credit for small business employee health insurance will be appropriated on a recurring basis to the North Carolina Health Insurance Risk Pool, as enacted by this act, for claims and other expenses of the North Carolina Health Insurance Risk Pool.

SECTION 5. Notwithstanding G.S. 143C-9-3(b) and G.S. 147-86.30, of the funds credited to the Health Trust Account from the Master Settlement Agreement pursuant to Section 6(2) of S.L. 1992 during the 2008-2009 fiscal year, the sum of five

million dollars ($5,000,000) for the 2008-2009 fiscal year shall be transferred from the Department of State Treasurer, Budget Code 23460 (Health and Wellness Trust Fund) to the State Controller to be deposited in Nontax Budget Code 19978 (Intra State transfers) to support General Fund appropriations by the 2007 General Assembly, Regular Session 2008, for operations and claims of the North Carolina Health Insurance Risk Pool, as enacted by this act.

SECTION 6. For the purposes of providing the funds necessary to carry out the powers and duties of the Pool, effective July 1, 2008, the Teachers' and State Employees' Comprehensive Major Medical Plan and any successor Plan shall pay an annual surcharge to the North Carolina Health Insurance Risk Pool Special Fund in the amount of one dollar and fifty cents ($1.50) per member per month based on enrollment of active employee Plan members and their dependents covered under the Plan.

SECTION 7. The provisions of this act are severable. If any provision of this act is held invalid by a court of competent jurisdiction, the invalidity does not affect other provisions of the act that can be given effect without the invalid provision.

SECTION 8. Sections 2.1, 2.2, and 3 of this act become effective July 1, 2007, and expire July 1, 2009. The remainder of this act is effective when it becomes law. Enrollment in the Pool shall commence no later than January 1, 2009.

Referred to:

March 29, 2007

A BILL TO BE ENTITLED

AN ACT TO WAIVE THE REQUIREMENT TO OBTAIN A CONCEALED HANDGUN PERMIT TO CARRY A CONCEALED HANDGUN FOR CERTAIN PERSONS AUTHORIZED BY FEDERAL LAW TO CARRY CONCEALED HANDGUNS AND FOR CERTAIN FEDERAL AND STATE RETIRED LAW ENFORCEMENT OFFICERS, AND TO EXEMPT ARMED ARMORED CAR SERVICE GUARDS AND ARMED SECURITY GUARDS WHILE PERFORMING DUTIES FROM PROHIBITIONS ON CARRYING WEAPONS ON CERTAIN EDUCATIONAL PROPERTY.

The General Assembly of North Carolina enacts:

SECTION 1. G.S. 14-415.10 is amended by adding a new subdivision to read:

"(6) Qualified retired law enforcement officer. – An individual who meets all of the following qualifications:

a. Retired in good standing from service with a public agency located in the United States as a law enforcement officer, other than for reasons of mental instability.

b. Prior to retirement, was authorized by law to engage in or supervise the prevention, detection, investigation, or prosecution of, or the incarceration of, any person for any violation of law, and had statutory powers of arrest.

c. Prior to retirement, was regularly employed as a law enforcement officer for a total of 15 years or more, or retired after completing probationary periods of service due to a service-connected disability, as determined by the agency.

d. Has a vested right to benefits under the retirement plan of the agency."

SECTION 2. G.S. 17C-6(a) is amended by adding a new subdivision to read:

"(16) Establish standards and guidelines for the annual firearms certification of qualified retired law enforcement officers, as defined in G.S. 14-415.10(6), to efficiently implement the provisions of G.S. 14-415.25. The standards shall provide for the courses, qualifications, and the issuance of the annual firearms qualification certification. The Commission may adopt any rules necessary to effect the provisions of this section, and may charge a reasonable fee to applicants for the costs incurred in compliance with this subdivision."

SECTION 3. Article 54B of Chapter 14 of the General Statutes is amended by adding a new section to read:

"**§ 14-415.25. Exemption from permit requirement.**

Law enforcement officers and qualified retired law enforcement officers authorized by federal law to carry a concealed handgun pursuant to section 926B or 926C of Title 18 of the United States Code, who are in compliance with the requirements of those sections, are exempt from obtaining the permit described in G.S. 14-415.11."

SECTION 4. Article 54B of Chapter 14 of the General Statutes is amended by adding a new section to read:

"**§ 14-415.26. Certification of qualified retired law enforcement officers.**

(a) In lieu of obtaining a permit under this Article, a qualified retired law enforcement officer may apply to the North Carolina Criminal Justice Education and Training Standards Commission for certification. The application shall include all of the following:

(1) Verification of completion of the firearms qualification criteria established by the Commission.

(2) Photographic identification indicating retirement status issued by the agency from which the applicant retired from service.

(3) Any other application information required by the Commission.

(b) The Commission shall include with the certification a notice of the limitations applicable under federal or State law to the concealed carry of firearms in this State. The failure to receive a notification under this subsection shall not be a defense to any offense or violation of applicable State or federal laws.

(c) The Commission shall not incur any civil or criminal liability as the result of the performance of its duties under this section.

(d) It shall be unlawful for an applicant, or any person assisting an applicant, to make a willful and intentional misrepresentation on any form or application submitted to the Commission. A violation of this subsection shall be a Class 2 misdemeanor, and shall result in the immediate revocation of any certification issued by the Commission. A person convicted under this subsection shall be ineligible for certification under this section, or from obtaining a concealed carry permit under State law.

(e) This section shall not exempt any individual engaged in the private protective services profession in this State from fulfilling the registration and training requirements in Chapter 74C of the General Statutes."

SECTION 5. G.S. 14-415.12(b)(8) reads as rewritten:

"**§ 14-415.12. Criteria to qualify for the issuance of a permit.**

(b) The sheriff shall deny a permit to an applicant who:

...

(8) Is or has been adjudicated guilty of or received a prayer for judgment continued or suspended sentence for one or more crimes of violence constituting a misdemeanor, including but not limited to, a violation of a misdemeanor under Article 8 of Chapter 14 of the General Statutes, or a violation of a misdemeanor under G.S. 14-225.2, 14-226.1, 14-258.1, 14-269.2, 14-269.3, 14-269.4, 14-269.6, 14-276.1, 14-277, 14-277.1, 14-277.2, 14-277.3, 14-281.1, 14-283, 14-288.2, 14-288.4(a)(1) or (2), 14-288.6, 14-288.9, 14-288.12, 14-288.13, 14-288.14, 14-318.2, ~~or 14-415.21(b).~~14-415.21(b), or 14-415.26(d)."

SECTION 6. G.S. 14-269.2(g) reads as rewritten:

"(g) This section shall not apply ~~to:~~to any of the following:

(1) A weapon used solely for educational or school-sanctioned ceremonial purposes, or used in a school-approved program conducted under the supervision of an adult whose supervision has been approved by the school ~~authority;~~authority.

(1a) A person exempted by the provisions of G.S. ~~14-269(b);~~14-269(b).

(2) Firefighters, emergency service personnel, and North Carolina Forest Service personnel, and any private police employed by ~~an educational institution,~~ a school, when acting in the discharge of their official ~~duties;~~duties.

(3) Home schools as defined in G.S. ~~115C-563(a); or~~115C-563(a).

(4) Weapons used for hunting purposes on the Howell Woods Nature Center property in Johnston County owned by Johnston Community College when used with the written permission of Johnston Community College or for hunting purposes on other educational property when used with the written permission of the governing body of the school that controls the educational property.

(5) A person registered under Chapter 74C of the General Statutes as an armed armored car service guard or an armed courier service guard when acting in the discharge of the guard's duties and with the permission of the college or university.

(6) A person registered under Chapter 74C of the General Statutes as an armed security guard while on the premises of a hospital or health care facility located on educational property when acting in the discharge of the guard's duties with the permission of the college or university."

SECTION 7. Sections 2, 6, and 7 of this act are effective when it becomes law. The remainder of this act becomes effective December 1, 2007, and applies to offenses committed on or after that date.

HOUSE BILL 1231:
Certain Law Officers/Waive Handgun Permit

BILL ANALYSIS

Committee:	Senate Finance	**Date:**	July 25, 2007
Introduced by:	Reps. Gibson, Daughtridge	**Summary by:**	Martha Walston
Version:	Fourth Edition		Committee Counsel

SUMMARY: House Bill 1231 waives the concealed handgun permit requirement for certain persons authorized by federal law to carry concealed handguns and for certain federal and state retired law enforcement officers.

Senate Judiciary I amended the bill as follows:

- ***Clarifies that the proposed language authorizing a retired law enforcement officer to obtain certification in lieu of a concealed handgun permit, does not exempt an individual engaged in the private protective services profession in North Carolina from fulfilling the registration and training requirements in the Private Protective Services Act.***
- ***Exempts specified private protective services persons registered under the Private Protective Services Act from the statute prohibiting weapons on campus or other educational property. (G.S. 14-269.2).***

House Bill 1231 is in Senate Finance because it authorizes the North Carolina Criminal Justice Education and Training Standards Commission to charge a reasonable fee for certifying a qualified retired law enforcement officer to carry a concealed handgun. The certification is in lieu of a concealed handgun permit.

CURRENT LAW: Section 926B and 926C of Title 18 of the U.S. Code authorize current law enforcement officers and certain retired law enforcement officers to carry a concealed weapon without first obtaining a concealed carry permit. The federal law requires that certain criteria be met, and that the officers be able to provide certain types of identification showing that the officer or retired officer meets the criteria.

North Carolina does not have a process for retired law enforcement officers to obtain the identification required by federal law.

BILL ANALYSIS: HB 1231 amends the North Carolina Concealed Handgun Permit statutes as follows:

- Adds a definition for qualified retired law enforcement officer.
- Exempts law enforcement officers and qualified retired law enforcement officers authorized to carry a concealed handgun permit under section 926B or 926C of Title 18 of the U.S. Code from obtaining concealed handgun permit under the N.C. statutes.
- Authorizes a qualified retired law enforcement officer to obtain annual certification from the North Carolina Criminal Justice Education and Training Standards Commission to carry a concealed handgun. This certification is in lieu of a permit. The application for certification must include the following:
    1. Verification of completion of firearms qualifications criteria required by the Commission.

2. Photographic identification indicating retirement status from the agency where the applicant was a law enforcement officer.
3. Any other information required by the Commission.

The Commission must include with the certification a notice of the limitations to the concealed carry of firearms in N.C. However, failure to receive this notification is not a defense to a violation of State or federal laws. The Commission is not subject to any liability as a result of its duties under this section. It is a Class 2 misdemeanor for an applicant or any person assisting an applicant to make a willful and intentional misrepresentation on any form or application submitted to the Commission. A sheriff must deny a concealed handgun permit to anyone who has been found guilty of, received a prayer for judgment continued or a suspended sentence for this misdemeanor.

House Bill 1231 amends the North Carolina Criminal Justice Education and Training Standards Commission statutes by giving the Commission the responsibility and authority to establish the necessary standards and guidelines to annually certify qualified retirement officers to carry concealed handguns pursuant to federal law, to adopt rules, and to charge a reasonable fee for the certification. These standards must provide for courses, qualifications, and issuance of the annual firearms qualification certification.

A current law enforcement officer qualified to carry a concealed handgun under federal law would not have to obtain certification but would have to carry photographic identification issued by the governmental agency employing the officer.

HB 1231 amends the statute prohibiting the prohibition of weapons on campus or other educational property by exempting persons who are registered under Chapter 74C (Private Protective Services) as one of the following:

- An armed armored car service guard or an armed courier service guard when acting in the discharge of the guard's duties and with the permission of the college or university.
- An armed security guard while on the premises of a hospital or health care facility located on educational property when acting in the discharge of the guard's duties with the permission of the college or university.

EFFECTIVE DATE: Section 2 of the act is effective when it becomes law. The remainder of the act becomes effective December 1, 2007, and applies to offenses committed on or after that date.

**This fiscal analysis is independent of the impact of other criminal penalty bills being considered by the General Assembly, which could also increase the projected prison population and thus the availability of prison beds in future years. The Fiscal Research Division is tracking the cumulative effect of all criminal penalty bills on the prison system as well as the Judicial Department.*

BILL SUMMARY: Section 926C of Title 18 of the U.S. Code provides that qualified retired law enforcement officers, as defined by the section, may carry concealed firearms if they possess the following identification:

1. Photo identification, issued by the agency from which the individual retired, that indicates fulfillment of the agency's standards/training for active law enforcement officers to carry a firearm; or,

2. Photo identification issued by the agency from which the individual retired, and *certification* issued by the state in which the individual resides that indicates fulfillment of the agency's standards/training for active law enforcement officers to carry a firearm.

Accordingly, H.B. 1231 provides for the certification of qualified retired law enforcement officers (as similarly defined by federal law) through the N.C. Criminal Justice Education and Training Standards Commission (Department of Justice), and exempts those in compliance with the requirements of sections 926B (active law enforcement) and 926C of Title 18 from North Carolina's concealed handgun permit requirement. Currently, persons without the requisite identification must obtain a concealed handgun permit (Article 54B of Chapter 14); therefore, the certification provides an alternative to the current permitting process.

In addition, H.B. 1231 makes it a Class 2 misdemeanor for an applicant to make a willful and intentional misrepresentation on any form or application submitted to the Commission; it also provides for the denial of a concealed handgun permit to any individual convicted of this offense.

The third edition (Senate committee substitute) makes the following changes to the second edition:

1. Modifies proposed G.S. 14-215.26 to clarify that it does not exempt an individual from fulfilling the registration and training requirements of Chapter 74C.
2. Effective when the act becomes law, amends G.S. 14-269.2 (Weapons on campus or other educational property) to exempt specified private protective services persons registered under Chapter 74C.
3. Makes technical and conforming changes.

ASSUMPTIONS AND METHODOLOGY

PART I. ANNUAL FIREARMS CERTIFICATION

Currently, a person who meets the requisite criteria (Article 54B) may apply for, and receive, a concealed handgun permit from the sheriff of his county of residence. The permit is valid for five years, and must be renewed prior to 30 days of the date of expiration. G.S. 14-415.19, sets forth the following permit fees (payable to the sheriff) and remittances:

General Permit		
Fee type	**Amount**	**Remittance**
Application	$80	County Finance Officer remits $45 of each new application and $40 of each new renewal fee to the Department of Justice for the costs of State and federal criminal record checks, and for the implementation of Article 54B; the remaining $35 is used by the collecting sheriff to pay administrative (Article 54B) and other law enforcement costs.
Renewal	$75	
Duplicate	$15	
Retired Sworn Law Enforcement*		
Fee type	**Amount**	**Remittance**
Application	$45	County Finance Officer remits the proceeds of each new application and renewal fee to the Department of Justice for the costs of State and federal criminal record checks, and for the implementation of Article 54B.
Renewal	$40	

* Retired sworn law enforcement must provide the following information:

1. Copy of the officer's letter of retirement from either the N.C. Teacher's and State Employees' Retirement System or the N.C. Local Governmental Employees' Retirement System; and,
2. Written documentation from the head of the employing agency that indicates the person was neither involuntarily terminated nor under administrative or criminal investigation within six months of retirement

Consequently, fee proceeds could decrease for both the Department of Justice and sheriffs if qualified retired law enforcement officers pursue certification *in lieu of permitting* (or increase for DOJ, depending on the fee amount and actual number of certifications). However, because H.B. 1231 authorizes the Commission to charge a reasonable fee to applicants, no significant change in receipts is assumed for the Department of Justice – *the appropriate fee amount is indeterminate at this time.* Conversely, sheriffs' total receipts could decrease if officers retired from out-of-state service seek certification, rather than a general concealed handgun permit (would forego $35 per permit).

It is not known how many qualified retired law enforcement officers, from service in North Carolina or out-of-state, would apply for *annual* certification. Data collected by the Criminal Justice Education and Training Standards Commission, in consultation with the Retirement Systems Division, indicates that approximately 1,637 officers and deputies have retired in the past 10 years, with an average of 218 having retired per year during the past five years. The number of retirees from out-of-state service is unknown.

While the appropriate fee amount is unknown, the Department of Justice expects that any additional resource needs, arising from the requisite planning and implementation of the certification process, will be covered by future proceeds. Accordingly, no additional funding is required.

PART II. CRIMINAL OFFENSE

H.B. 1231 creates a new Class 2 misdemeanor offense for an applicant to make a willful and intentional misrepresentation on any form or application submitted to the Commission. Since this is a new offense, there is no historical data from which to estimate potential violation. However, Fiscal Research assumes that most applicants will lawfully apply for the certification, resulting in few additional charges and/or convictions. Although some additional costs could be incurred by the Courts and Corrections due to resultant charges and/or convictions, these costs should not prove significant.

Department of Correction

There is no historical data from which to estimate the number of convictions that might result for the proposed offense. However, since *Class 2 misdemeanants serve their designated terms of incarceration within local jails, there is no anticipated impact on the state prison population.*[1] *The potential impact on local jail populations is unknown.*

In FY 2005-06, 17% of Class 2 misdemeanor convictions resulted in active sentences, with an average estimated time served of 13 days. Per Structured Sentencing, Class 2 active sentences may range from one to sixty days in length. Consequently, the Department of Correction could incur some additional costs for county reimbursement; though, the typical sentence length suggests minimal impact.

The remaining 83% of Class 2 misdemeanants in FY 2005-06 received non-active, intermediate or community punishments. Thus, if new convictions result, the Division of Community Corrections (DCC) could incur some additional costs for offenders placed under its supervision. Included below is an overview of DCC supervision/sanction costs, per offender.

- General supervision of intermediate and community offenders by a probation officer costs DCC $1.96 per offender, per day; no cost is assumed for those receiving unsupervised probation, or who are ordered only to pay fines, fees, or restitution. DCC also incurs a daily cost of $0.69 per offender sentenced to the Community Service Work Program.

[1] Active sentences between 1-90 days are served in local jails. The Department of Correction reimburses counties $18 per day for offenders housed longer than 30 days (between 30 and 90). Sentences longer than 90 days are to be served in state prison; however, when bed shortages demand it, the State may lease needed beds from counties.

- The daily cost per offender on intermediate sanction is much higher, ranging from $7.71 to $14.97 depending on the type of sanction.
- Intensive supervision probation is the most frequently used intermediate sanction, and costs an estimated $14.97 per offender, per day; on average, intensive supervision lasts six-months, with general supervision assumed for a designated period thereafter.

Judicial Branch

Although the number of resultant charges is unknown, the Administrative Office of the Courts expects that any additional caseload will increase court-time requirements and the associated costs of case disposal. Presently the estimated costs per Class 2 misdemeanor trial and plea are $2,770 and $230, respectively. These cost estimates account for indigent defense. However, actual costs may vary with time requirements and disposition.

A BILL TO BE ENTITLED

AN ACT TO AUTHORIZE THE TOWN OF NAVASSA TO ENTER INTO AN AGREEMENT FOR PAYMENTS IN LIEU OF ANNEXATION.

The General Assembly of North Carolina enacts:

SECTION 1. Notwithstanding any applicable provision of the General Statutes or any other public or local law, the Town of Navassa is granted certain contract powers as follows:

(1) The Town of Navassa may, by agreement, provide that certain property described in the agreement as the "DAK Property" may not be involuntarily annexed by the Town prior to January 1, 2016, under the General Statutes as they now exist or may be subsequently amended. The Town of Navassa shall not seek to repeal this act upon its approval by the General Assembly.

(2) Any agreement entered into as provided in subdivision (1) of this section is deemed by this section to be proprietary and commercial in nature and is specifically determined to be consistent with the public policy of the State of North Carolina.

(3) Any agreement entered into as provided in subdivision (1) of this section is a continuing agreement and is binding on and enforceable against the current and future members of the Town Council of the Town of Navassa during the full term of such agreement and any extension thereof.

(4) The parties to any agreement entered into as provided in subdivision (1) of this section are authorized by this section to modify, amend, and extend such agreement on mutual written consent, without the approval of the General Assembly, provided that any such modification or amendment does not materially alter the concept of the agreement.

SECTION 2. The Town of Navassa may accept payments in lieu of taxes as consideration for the agreement discussed in Section 1 of this act.

SECTION 3. The Town of Navassa will accept the total amount of one million two hundred thousand dollars ($1,200,000) as payment in lieu of taxes on the DAK Property. DAK shall make biannual payments in the amount of sixty thousand dollars ($60,000). This is one hundred twenty thousand dollars ($120,000) per year during the course of the agreement.

SECTION 4. The agreement under Section 1 of this act shall apply to the DAK Property described as follows: a 615.7999-acre tract in an unincorporated area adjacent to the Town and identified as Brunswick County Parcel No. 01100001.

SECTION 5. This act is effective when it becomes law.

A BILL TO BE ENTITLED

AN ACT TO AMEND THE CHIROPRACTIC PRACTICE ACT TO REQUIRE CRIMINAL RECORD CHECKS ON APPLICANTS FOR LICENSURE AS CHIROPRACTIC PHYSICIANS, TO PROHIBIT CHIROPRACTORS FROM OFFERING ENTICEMENTS TO PROSPECTIVE PATIENTS, TO EXPAND THE GROUNDS FOR PROFESSIONAL DISCIPLINE OF CHIROPRACTORS, TO REPEAL THE SALES AND USE TAX EXEMPTION FOR NUTRITIONAL SUPPLEMENTS SOLD BY A CHIROPRACTOR, AND TO AMEND THE PERFUSIONIST LICENSURE ACT.

The General Assembly of North Carolina enacts:

SECTION 1. Article 8 of Chapter 90 of the General Statutes is amended by adding a new section to read:

"**§ 90-143.3. Criminal record checks of applicants for licensure.**

(a) Any person applying for licensure as a chiropractic physician in this State shall provide to the Board a fingerprint card in a format acceptable to the Board and a form signed by the applicant consenting to a criminal record check and the use of the applicant's fingerprints and such other identifying information as may be required by the State or national data banks. The Board shall submit these documents to the Department of Justice, along with a request for a criminal record check of the applicant.

(b) Upon receipt of the Board's submission, the Department of Justice shall commence the requested criminal record check. The Department of Justice shall forward a set of the applicant's fingerprints to the State Bureau of Investigation for a search of the State's criminal records, and the State Bureau of Investigation shall forward a set of the applicant's fingerprints to the Federal Bureau of Investigation for a search of national criminal records. The Department of Justice may charge the licensure applicant a fee for performing the criminal record check.

(c) The Board shall keep all information obtained from criminal record checks privileged and confidential, in accordance with applicable State law and federal guidelines, and the information shall not be a public record under Chapter 132 of the General Statutes. If the Board refuses to issue a license based in whole or part on information obtained from a criminal record check, the Board may disclose the relevant information to the applicant but shall not provide a copy of the record check to the applicant.

(d) When acting in good faith and in conformity with this section, the Board, its officers, and employees shall be immune from civil liability for initially refusing licensure based on information contained in a criminal record check supplied by the Department of Justice, even if the information relied upon is later shown to be erroneous."

SECTION 2. Part 2 of Article 4 of Chapter 114 of the General Statutes is amended by adding the following new section to read:

"**§114-19.20. Criminal record checks of applicants for licensure as chiropractic physicians.**

The Department of Justice may provide to the State Board of Chiropractic Examiners from the State and National Repositories of Criminal Histories the criminal history of any applicant for licensure pursuant to Article 8 of Chapter 90 of the General Statutes. Along with the request, the Board shall provide to the Department of Justice the fingerprints of the applicant, a form signed by the applicant consenting to the criminal record check and use of fingerprints and other identifying information required by the State and National Repositories, and any additional information required by the Department of Justice. The applicant's fingerprints shall be forwarded to the State Bureau of Investigation for a search of the State's criminal history record file and the State Bureau of Investigation shall forward a set of fingerprints to the Federal Bureau of Investigation for a national criminal history record check. The Board shall keep all information obtained pursuant to this section confidential. The Department of Justice may charge a fee to offset the cost incurred by it to conduct a criminal record check under this section. The fee shall not exceed the actual cost of locating, editing, researching, and retrieving the information."

SECTION 3. Article 8 of Chapter 90 of the General Statutes is amended by adding a new section to read:

"**§ 90-154.4. Enticements prohibited.**

(a) For purposes of this section, an enticement is anything of monetary value offered by a chiropractor to a prospective patient as an incentive to enter treatment. Except as permitted in subsection (b) of this section, it shall be an unlawful rebate, in violation of G.S. 90-154(b)(12), for a chiropractor to offer an enticement to a prospective patient if, at the time the offer is made, the chiropractor knows or has reason to believe that the prospective patient's treatment expenses will be paid in whole or part by an insurer or other third-party payor.

(b) Unless prohibited by other State or federal law, the following marketing practices shall not be construed as violations of subsection (a) of this section:

(1) Free or reduced rates, services, examinations, or treatments advertised and delivered in conformity with G.S. 90-154.1.

(2) Cash or point-of-service discounts not more than 30 percentage points lower than the charges customarily billed to third-party payors.

(3) Prepaid wellness plans covering only services that can be performed entirely by the offering chiropractor or the chiropractor's staff within the confines of the chiropractor's office.

(4) Merchandise with a value of not more than ten ($10.00) dollars given to a prospective patient for promotional purposes."

SECTION 4. G.S. 90-154(b) is amended by adding a new subdivision to read:

"(b) Any one of the following is grounds for disciplinary action by the Board under subsection (a):

...

(21) Committing an act on or after October 1, 2007 which demonstrates a lack of good moral character which would have been a basis for denying a license under G.S. 90-143(b)(1), had it been committed before application for a license."

SECTION 5. G.S. 90-151.1 reads as rewritten:

"**§ 90-151.1. Selling nutritional supplements to patients.**

A chiropractic physician may sell nutritional supplements at a chiropractic office to a patient as part of the patient's plan of treatment but may not otherwise sell nutritional supplements at a chiropractic office. ~~A chiropractic physician who sells nutritional supplements to a patient must keep a record of the sale that complies with G.S. 105-164.24, except that the record may not disclose the name of the patient.~~"

SECTION 6. G.S. 105-164.13(13c) is repealed.

SECTION 7. G.S. 90-682(2) reads as rewritten:

"**§ 90-682. Definitions.**

The following definitions apply in this Article:

...

(2) Committee. – The ~~North Carolina Perfusion Advisory Committee.~~Perfusionist Advisory Committee of the North Carolina Medical Board.

..."

SECTION 8. G.S. 90-682.1 reads as rewritten:

"**§ 90-682.1. Medical Board approval required.**

(a) The Committee shall report to the Medical Board all actions taken by the Committee pursuant to this Article, except for actions taken by the Committee pursuant to G.S. 90-684. No action by the Committee is effective unless the action is approved by the Medical Board. The Medical Board may also rescind or ~~supercede,~~supersede, in whole or in part, any action taken by the Committee in carrying out the provisions of this Article, except for actions taken by the Committee pursuant to G.S. 90-684. In rescinding or superseding an action by the Committee, the Board may remand the matter back to the Committee with instructions to perform some act consistent with this

Article or Article 1 of Chapter 90. Members of the Medical Board may be selected by the President of the Board to participate in the matter that is subject of the Order remanding the matter back to the Committee.

(b) The Board may waive any requirements of this Article consistent with G.S. 90-12.2."

SECTION 9. G.S. 90-684 is amended by adding a new subsection to read:

"(h) Qualified Immunity. – The Committee and its members and staff shall not be held liable in any civil or criminal proceeding for exercising, in good faith, the powers and duties authorized by law. A person, partnership, firm , corporation, association, authority, or other entity acting in good faith without fraud or malice shall be immune from civil liability for (i) reporting, investigating, or providing an expert medical opinion to the Committee regarding the acts and omissions of a licensee or applicant that violates the provisions of G.S. 90-691(a) or any other provision of law relating to the fitness of a licensee or applicant to practice perfusion and (ii) initiating or conducting proceedings against a licensee or applicant if a complaint is made or action is taken in good faith without fraud or malice. A person shall not be held liable in any civil proceeding for testifying before the Committee in good faith and without fraud or malice in any proceeding involving a violation of G.S. 90-961(a) or any other law relating to the fitness of an applicant or licensee to practice perfusion, or for making a recommendation to the Committee in the nature of peer review, in good faith and without fraud and malice."

SECTION 10. G.S. 90-685 reads as rewritten:

"**§ 90-685. Powers of the Committee.**

The Committee shall have the power and duty to:

(1) Administer this Article.

(2) Issue interpretations of this Article.

(3) Adopt, amend, or repeal rules as may be necessary to carry out the provisions of this Article.

(4) Employ and fix the compensation of personnel that the Committee determines is necessary to carry into effect the provisions of this Article and incur other expenses necessary to effectuate this Article.

(4a) Establish the standards for qualifications and fitness of applicants for licensure, provisional licensure, licensure renewal, and reciprocal licensure.

(5) Determine the qualifications and fitness of applicants for licensure, provisional licensure, licensure renewal, and reciprocal licensure.

(6) Issue, renew, deny, suspend, or revoke licenses, order probation, issue reprimands, and carry out any other disciplinary actions authorized by this Article.

(7) Set fees for licensure, provisional licensure, reciprocal licensure, licensure renewal, and other services deemed necessary to carry out the purposes of this Article.

(8) Establish continuing education requirements for licensees.

(9) Establish a code of ethics for licensees.

(10) Maintain a current list of all persons who have been licensed under this Article.

(11) Conduct investigations for the purpose of determining whether violations of this Article or grounds for disciplining licensees exist.

(12) Maintain a record of all proceedings and make available to all licensees and other concerned parties an annual report of all Committee action.

(13) Adopt a seal containing the name of the Committee for use on all official documents and reports issued by the Committee.

(14) Summon and issue subpoenas for the appearance of any witnesses deemed necessary to testify concerning any matter to be heard before or inquired into by the Committee.

(15) Order that any patient records, documents or other material concerning any matter to be heard before or inquired into by the Committee shall be produced before the Committee or made available for inspection, notwithstanding any other provisions of law providing for the application of any physician-patient privilege with respect to such records, documents or other material. The Committee shall withhold from public disclosure the identity of a patient including information relating to dates and places of treatment, or any other information that would tend to identify the patient, unless the patient or the representative of the patient expressly consents to the disclosure.

(16) Order a licensee whose health and effectiveness have been significantly impaired by alcohol, drug addiction or mental illness to attend and successfully complete a treatment program as deemed necessary and appropriate."

SECTION 11. Article 40 of Chapter 90 of the General Statutes is amended by adding a new section to read:

"**§ 90-685.1. Confidentiality of Committee investigative information.**

(a) All records, papers, investigative files, investigative reports, other investigative information and other documents containing information in the possession of or received or gathered by the Committee, or its members or employees as a result of investigations, inquiries or interviews conducted in connection with a licensing, complaint, or disciplinary matter shall not be considered public records within the meaning of Chapter 132 of the General Statutes and are privileged, confidential, and not subject to discovery, subpoena, or other means of legal compulsion for release to any person other than the Committee, its employees or agents involved in the application for license or discipline of a license holder, except as provided in subsection (b) of this section. For purposes of this subsection, investigative information includes information relating to the identity of, and a report made by, a perfusionist, or other person performing an expert review for the Committee.

(b) The Committee shall provide the licensee or applicant with access to all information in its possession that the Committee intends to offer into evidence in presenting its case in chief at the contested hearing on the matter, subject to any

privilege or restriction set forth by rule, statute, or legal precedent, upon written request from a licensee or applicant who is the subject of a complaint or investigation, or from the licensee's or applicant's counsel, unless good cause is shown for delay. The Committee is not required to provide any of the following:

(1) A Committee investigative report.

(2) The identity of a non-testifying complainant.

(3) Attorney-client communications, attorney work product, or other materials covered by a privilege recognized by the Rules of Civil Procedure or the Rules of Evidence."

SECTION 12. G.S. 90-690 reads as rewritten:

"**§ 90-690. Renewal of licenses.**

(a) All licenses to practice perfusion shall expire two years after the date they were issued. The Committee shall send a notice of expiration to each licensee at his or her last known address at least 30 days prior to the expiration of his or her license. All applications for renewal of unexpired licenses shall be filed with the Committee and accompanied by proof satisfactory to the Committee that the applicant has completed the continuing education requirements established by the Committee and the renewal fee as required by G.S. 90-689.

(b) An application for renewal of a license that has been expired for less than three years shall be accompanied by proof satisfactory to the Committee that the applicant has current certification as defined by G.S. 90-682(1), has satisfied the continuing education requirements established by the Committee and has paid the renewal and late fees required by G.S. 90-689. A license that has been expired for more than three years shall not be renewed, but the applicant may apply for a new license by complying with the current requirements for licensure under this Article."

SECTION 13. Article 40 of Chapter 90 of the General Statutes is amended by adding a new section to read:

"**§ 90-690.1. Maintenance of certification to maintain licensure.**

(a) After December 31, 2007, all licensed perfusionists who are licensed under this Article shall maintain certification as defined in G.S. 90-682(1) in order to maintain licensure. If certification shall lapse at any time, the Committee may initiate disciplinary action under G.S. 90-691, or upon a finding consistent with G.S. 150B-3(c), may order the summary suspension of the perfusionist's license.

(b) The provisions of this section shall not apply to perfusionists who were licensed under Section 2 of S. L. 2005-267.

SECTION 14. G.S. 90-691 reads as rewritten:

"**§ 90-691. ~~Suspension, revocation, and refusal to renew.~~Disciplinary Authority.**

(a) The Committee may place on probation with or without conditions, impose limitations and conditions on, publicly reprimand, assess monetary redress, issue public letters of concern, require satisfactory completion of treatment programs or remedial or educational training, deny, refuse to renew, suspend, or revoke an application or license ~~or order probation or issue a reprimand~~ if the applicant or licensee:

(1) Gives false information or withholds material information from the Committee in procuring or attempting to procure a license.

(2) Gives false information or withholds material information from the Committee during the course of an investigation conducted by the Committee.

(3) Has been convicted of or pled guilty or no contest to a crime that indicates the person is unfit or incompetent to practice perfusion as defined in this Article or that indicates the person has deceived, defrauded, or endangered the public.

(4) Has a habitual substance abuse or mental impairment that interferes with his or her ability to provide appropriate care as established by this Article or rules adopted by the Committee. The Committee is empowered and authorized to require a licensee to submit to a mental or physical examination by persons designated by the Committee before or after charges may be presented against the licensee, and the results of the examination shall be admissible in evidence in hering before the Committee.

(5) Has demonstrated gross negligence, incompetency, or misconduct in the practice of perfusion as defined in this Article. The Committee may, upon reasonable grounds, require a licensee to submit to inquiries or examinations, written or oral, as the Committee deems necessary to determine the professional qualifications of the licensee.

(6) Has had an application for licensure or a license to practice perfusion in another jurisdiction denied, suspended, or revoked for reasons that would be grounds for similar action in this State.

(7) Has willfully violated any provision of this Article or rules adopted by the Committee.

(8) Has allowed his or her certification to lapse.

(b) The taking of any action authorized under subsection (a) of this section may be ordered by the Committee after a hearing is held in accordance with Article 3A of Chapter 150B of the General Statutes. The Committee may reinstate a revoked license if it finds that the reasons for revocation no longer exist and that the person can reasonably be expected to perform the services authorized under this Article in a safe manner."

SECTION 15. This act becomes effective October 1, 2007.

SENATE BILL 864:
Amend Chiropractic Practice Act

BILL ANALYSIS

Committee:	Senate Finance	**Date:**	July 25, 2007
Introduced by:	Sen. Purcell	**Summary by:**	Martha Walston
Version:	PCS to Second Edition S864-CSLA		Committee Counsel

SUMMARY: Senate Bill 864, which was given a favorable report in Senate Health Care, amends the statutes governing the licensure of chiropractic physicians as follows:

- ***Requires criminal record checks on applicants for licensure as a chiropractic physician.***
- ***Prohibits chiropractors from offering enticements to prospective patients.***
- ***Expands the grounds for professional discipline of licensees by the State Board of Chiropractic Examiners.***

The PROPOSED COMMITTEE SUBSTITUTE amends the chiropractic statutes as follows:

- ***Authorizes the Department of Justice to conduct a criminal history check of any applicant for licensure with the State Board of Chiropractic Examiners***
- ***Repeals the sales tax exemption for nutritional supplements sold by a chiropractic physician at a chiropractic office to a patient as part of the patient's plan of treatment.***

The PROPOSED COMMITTEE SUBSTITUTE also amends the Perfusionist Licensure Act as set out in the Bill Analysis.

BILL ANALYSIS:

Section 1 requires a criminal record check of any applicant for licensure as a chiropractic physician. Applicants shall provide to the Board a signed consent form authorizing the background check, a finger print car, and other identifying materials needs to conduct the check. SB 864 direct the Board to submit these documents to the Department of Justice to commence the criminal record check and authorizes the Department to charge a fee to the applicant for performing the criminal record check. The Board must keep all information obtained from the criminal record check confidential. The Board is released from liability for refusing to grant a license based on information contained in the criminal record check.

Section 2 authorizes the Department of Justice to conduct criminal history checks on applicants for licensure with the Board.

Section 3 prohibits a chiropractor from offering an enticement (anything of monetary value) to a prospective patient, if at the time of the offer the chiropractor knows or has reason to know that an insurer or another third party payor will be paying for some portion of the treatment. The act sets out specified marketing practices that are not violations.

Section 4 provides that a licensee's act demonstrating a lack of good moral character is grounds for disciplinary action by the Board.

Sections 5 and 6 repeal the sales tax exemption for nutritional supplements sold by a chiropractic physician at a chiropractic office to a patient as part of the patient's plan of treatment, and deletes language that is no longer required because of the repeal.

Sections 7 through 14 make the following changes to the Perfusionist Licensure Act.[1]

- Renames the NC Perfusion Advisory Committee, the Perfusionist Advisory Committee of the North Carolina Medical Board. (Current law requires this Committee to report all actions taken by the Committee to the Medical Board.) **Section 7**
- If the Medical Board rescinds or supersedes the Perfusionist Advisory Committee, the Board may remand the matter back to the Committee. The President of the Medical Board may select members of the Medical Board to participate in the matter being remanded. **Section 8**
- The Perfusionist Advisory Committee and its members and staff are given immunity in any civil or criminal proceeding if they acted in good faith. Qualified immunity from civil liability is also given to anyone providing information to the Committee, bringing an action before the Committee, or testifying before the Committee if done in good faith without fraud or malice. **Section 9**
- Expands the powers of the Perfusionist Advisory Committee. **Section 10**
- Provides that investigative information and other documents in the possession of or received or gathered by the Committee in connection with a licensing, complaint or disciplinary matter are confidential. Requires the Committee to provide the licensee or applicant access to all information in possession of the Committee if requested by the licensee or applicant or their counsel, except certain specified documents. **Section 11**
- Clarifies that an applicant for renewal of a license that has been expired for less than three years must show proof satisfactory to the Committee that the applicant has a current certification that the applicant has successfully completed the examination process and has been issued a certificate by the American Board of Cardiovascular Perfusion. **Section 12**
- After December 31, 2007.all perfusionists who are licensed under the Article must maintain certification in order to maintain licensure. This requirement does not apply to perfusionists who were issued a license because his or her primary job function has been operating cardiopulmonary bypass systems during cardiac surgery cases in a licensed health care facility in the five years immediately preceding application to the Committee or within five of the last eight years preceding application to the Committee. **Section 13**
- Expands the disciplinary authority of the Committee. **Section 14**

EFFECTIVE DATE: The act becomes effective October 1, 2007.

S0864e2-SMLA-CSLA

[1] Practice of perfusion is the performing of functions, under the supervision of a licensed physician, necessary for the support, eatment, measurement, or supplementation of the cardiovascular, circulatory, and respiratory systems or other organs, or the combination of those functions, and the ensuring safe management of physiological function by monitoring and analyzing the parameters of the systems during any medical situation where it is necessary to support or replace the patient's cardiopulmonary or circulatory function.

BILL SUMMARY:
The PCS for SB 864:

- Authorizes the Department of Justice to conduct a criminal history check of any applicant for licensure with the State Board of Chiropractic Examiners
- Repeals the sales tax exemption for nutritional supplements sold by a chiropractic physician at a chiropractic office to a patient as part of the patient's plan of treatment.

The PROPOSED COMMITTEE SUBSTITUTE also amends the Perfusionist Licensure Act as set out in the Bill Analysis.

ASSUMPTIONS AND METHODOLOGY:

The State Board of Chiropractic Examiners anticipates approximately 120 to 150 applicants for licensure annually. The State Bureau of Investigation (SBI) of the Department of Justice charges non-criminal justice agencies $38 per state and national record check, as follows:

NC Fingerprint Check:	$14
National Fingerprint Check:	$24 ($2 to DOJ, $22 remitted to the FBI)
Total:	$38

FRD assumes the costs of conducting these criminal record checks will be incurred by the applicants for licensure, including any costs incurred for fingerprinting (live-scan, electronic fingerprinting assumed). Accordingly, assuming up to 150 state and national record checks, DOJ annual fee proceeds would approach $5,700.

The unit cost for conducting national and criminal record checks via live-scan is $14.54 (cost includes overhead and equipment). Each staff member in the SBI's fingerprint identification section can perform, on average, 8,000 - 10,000 checks per year. As indicated, the costs incurred for criminal record checks are largely offset by fee collections, and existing SBI staff and resources should accommodate any increase in workload.

Record Check	Agency Fee	DOJ Total Cost*
Live-Scan Fingerprint Check (NC data only)	$14.00	$14.54
Live-Scan Fingerprint Check (NC and FBI data)	$38.00	$36.54

*2005 unit costs are derived from OSBM "Study of the Cost of Providing Criminal Record Checks;" costs include an equipment allowance and 12.5% overhead rate

Cost for state and federal record checks includes $22 remittance per check to the Federal Bureau of Investigation

Sections 5 and 6 repeal the sales tax exemption for nutritional supplements sold by a chiropractic physician at a chiropractic office to a patient as part of the patient's plan of treatment. The Department of Revenue indicates that this exemption currently results in a loss of $200,000 annually. Therefore, repealing the exemption would result in a gain of $200,000 annually. This amount is increased by 3% each year to account for inflation.

A BILL TO BE ENTITLED

AN ACT TO PROVIDE PROPERTY TAX RELIEF FOR WORKING WATERFRONT PROPERTY, TO ESTABLISH THE ADVISORY COMMITTEE FOR THE COORDINATION OF WATERFRONT ACCESS, TO MAKE EXPANDED PUBLIC ACCESS TO COASTAL WATERS A PRIORITY IN PLANNING STATE ROAD PROJECTS, TO INCREASE FEES FOR VESSEL TITLING; TO WAIVE PERMIT FEES FOR EMERGENCY COASTAL AREA MANAGEMENT ACT PERMITS, AND TO DIRECT A STUDY OR CONSTRUCTION AND REPAIR IN REGULATED FLOOD ZONES, AS RECOMMENDED BY THE WATERFRONT ACCESS STUDY COMMITTEE.

The General Assembly of North Carolina enacts:

PART I. PROPERTY TAX RELIEF FOR WORKING WATERFRONT PROPERTY.

SECTION 1. Article 12 of Subchapter II of Chapter 105 of the General Statutes is amended by adding the following new section to read:

"**§ 105-277.14. Taxation of working waterfront property.**

(a) Definitions. – The following definitions apply in this section:

(1)Coastal fishing waters. – Defined in G.S. 113-129.

(2) Commercial fishing operation. – Defined in G.S. 113-168.

(3) Fish processing. -- Processing fish, as defined in G.S. 113-129, for sale.

(4) Working waterfront property. – Any of the following:

a. A pier that extends into coastal fishing waters and limits access to those who pay a fee.

b. Real property that is adjacent to coastal fishing waters and is primarily used for a commercial fishing operation or fish processing.

(b) Classification. – Working waterfront property is designated a special class of property under Section 2(2) of Article V of the North Carolina Constitution and must be appraised, assessed, and taxed in accordance with this section. Working waterfront property must be taxed on the basis of the value of the property in its present use rather than on its true value.

(c) Deferred Taxes. -- The difference between the taxes that are due on working waterfront property taxed on the basis of its present use and that would be due if the property were taxed on the basis of its true value are a lien on the property. The difference in taxes must be carried forward in the records of each taxing unit as deferred taxes. The deferred taxes become due when the property no longer qualifies as working waterfront property. The tax for the fiscal year that opens in the calendar year in which deferred taxes become due is computed as if the property had not been classified for that year, and taxes for the preceding three fiscal years that have been deferred are immediately payable, together with interest as provided in G.S. 105-360 for unpaid taxes. Interest accrues on the deferred taxes due as if they had been payable on the dates on which they originally became due. If only a part of the property no longer qualifies as working waterfront property, the assessor must determine the amount of deferred taxes applicable to that part and that amount becomes payable with interest. Upon the payment of any taxes deferred under this section for the three years immediately preceding a disqualification, all liens arising under this subsection are extinguished.

(c) Application. – To obtain the benefit of this section, the owner of working waterfront property must submit an application for classification and exclusion to the assessor of the county in which the property is located and the assessor must approve the application. An application must contain the information and be in the form required by the assessor. An initial application must be filed during the regular listing period of the year for which the benefit of this classification is first claimed or within 30 days of the date shown on a notice of change in valuation made pursuant to G.S. 105-286 or G.S. 105-287. A new application is not required to be submitted unless the property is transferred or becomes ineligible for classification under this section.

PART II. ADVISORY COMMITTEE FOR THE COORDINATION OF WATERFRONT ACCESS.

SECTION 2.1. There is established the Advisory Committee for the Coordination of Waterfront Access within the Department of Environment and Natural Resources. The Advisory Committee shall be composed of the following members:

(1) The Secretary of Environment and Natural Resources or the Secretary's designee, Chair.

(2) The Director of the Division of Coastal Management of the Department of Environment and Natural Resources or the Director's designee.

(3) The Director of the Division of Parks and Recreation of the Department of Environment and Natural Resources or the Director's designee.
(4) The Director of the Division of Marine Fisheries of the Department of Environment and Natural Resources or the Director's designee.
(5) The Director of the Division of Aquariums of the Department of Environment and Natural Resources or the Director's designee.
(6) The Executive Director of the Wildlife Resources Commission or the Executive Director's designee.
(7) A representative of the State Property Office appointed by the Secretary of Administration.
(8) The Executive Director of North Carolina Sea Grant.
(9) One local government representative appointed by the North Carolina League of Municipalities.
(10) One local government representative appointed by the North Carolina Association of County Commissioners.

SECTION 2.2. The Advisory Committee for the Coordination of Waterfront Access shall:

(1) Develop a coordinated plan for providing greater waterfront access in the State. This plan shall specifically address geographic diversity of waterfront access, diversity of types of waterfront access, and funding for waterfront access. The entities represented on the Advisory Committee shall adhere to the plan to the maximum extent practicable.
(2) Develop recommendations for increasing and improving waterfront access in the State.

SECTION 2.3. The Advisory Committee shall report its progress in implementing this Part, including any recommendations developed pursuant to this Part, to the Joint Legislative Commission on Seafood and Aquaculture no later than October 1 of each year. The first report required by this section shall be submitted no later than October 1, 2008.

PART III. DIRECT THE DEPARTMENT OF TRANSPORTATION TO EXPAND PUBLIC ACCESS TO COASTAL WATERS.

SECTION 3.1. G.S. 136-18 is amended by adding a new subdivision to read:

"(40) To expand public access to coastal waters in its road project planning and construction programs. The Department shall work with the Wildlife Resources Commission, other State agencies, and other entities to ensure that public access to coastal waters is expanded along the roadways, bridges, and other transportation infrastructure owned or maintained by the Department. The Department shall report on its progress in expanding public access to coastal waters to the Joint

Legislative Commission on Seafood and Aquaculture no later than March 1 of each year."

SECTION 3.2. The first report required by G.S. 136-18, as enacted by this section, is due no later than March 1, 2008.

PART IV. INCREASE BOATING FUNDING.

SECTION 4.1. G.S. 75A-3(c) reads as rewritten:

"(c) The Boating Account is established within the Wildlife Resources Fund created under G.S. 143-250. Interest and other investment income earned by the Account accrues to the Account. All moneys collected pursuant to the numbering and titling provisions of this Chapter shall be credited to this Account. Motor fuel excise tax revenue is credited to the Account under G.S. 105-449.126. The Commission shall use revenue in the Account, subject to the Executive Budget Act and the Personnel Act, for the administration and enforcement of this Chapter; for activities relating to boating and water safety including education and waterway marking and improvement; and for boating access area acquisition, development, and maintenance. The Commission shall use at least three dollars ($3.00) of each one-year certificate of number fee and at least nine dollars ($9.00) of each three-year certificate of number fee collected under the numbering provisions of G.S. 75A-5 for boating access area acquisition, development, and maintenance."

SECTION 4.2. G.S. 75A-5(a) reads as rewritten:

"(a) Application for Certificate of Number and Fees. – The owner of each vessel requiring numbering by this State shall file an application for a certificate of number with the Commission. The Commission shall furnish application forms and shall prescribe the information contained in the application form. The application shall be signed by the owner of the vessel or the owner's agent and shall be accompanied by a ~~fee of ten dollars ($10.00)~~ fee. The fee is fifteen dollars ($15.00) for a one-year period or ~~by a fee of twenty-five dollars ($25.00)~~ forty dollars ($40.00) for a three-year ~~period; provided, however, there shall be no fee charged for~~ period. The fee does not apply to vessels owned and operated by nonprofit rescue squads if they are operated exclusively for rescue purposes, including rescue training. The owner shall have the option of selecting a one-year numbering period or a three-year numbering period. Upon receipt of the application in approved form, the Commission shall enter the application in its records and issue the owner a certificate of number stating the identification number awarded to the vessel and the name and address of the owner, and a validation decal indicating the expiration date of the certificate of number. The owner shall paint on or attach to each side of the bow of the vessel the identification number in such manner as may be prescribed by rules of the Commission in order that it may be clearly visible. The identification number shall be maintained in legible condition. The validation decal shall be displayed on the starboard bow of the vessel immediately following the number. The certificate of number shall be pocket size and shall be available for inspection on the vessel for which the certificate is issued at all times the vessel is in operation. Any person charged with failing to so carry a certificate of number shall not

be convicted if the person produces in court a certificate of number previously issued to the owner that was valid at the time of the alleged violation."

SECTION 4.3. G.S. 75A-5(c) reads as rewritten:

"(c) Change of Ownership. – Should the ownership of a vessel change, a new application form with a fee ~~of ten dollars ($10.00) for a one-year period or by a fee of twenty-five dollars ($25.00) for a three-year period~~ in the amount set in subsection (a) of this section shall be filed with the Commission and a new certificate bearing the same identification number shall be awarded to the new owner in the same manner as an original certificate of number. Possession of the certificate shall in cases involving prosecution for violation of any provision of this Chapter be prima facie evidence that the person whose name appears on the certificate is the owner of the vessel referred to on the certificate."

SECTION 4.4. G.S. 75A-5(h) reads as rewritten:

"(h) Renewal of Certificates. – An owner of a vessel awarded a certificate of number pursuant to this Chapter shall renew the certificate on or before the first day of the month after which the certificate expires; otherwise, the certificate shall lapse and be void until such time as it may thereafter be renewed. Application for renewal shall be submitted on a form approved by the Commission and shall be accompanied by a fee ~~of ten dollars ($10.00) for a one-year period or by a fee of twenty-five dollars ($25.00) for a three-year period; provided, there shall be no fee~~ in the amount set in subsection (a) of this section. No fee is required for a period of one year for renewal of certificates of number that have been previously issued to commercial fishing vessels as defined in G.S. 75A-5.1, upon compliance with all of the requirements of that section."

PART V. WAIVER OF FEES FROM CAMA EMERGENCY PERMITS.

SECTION 5. G.S. 113A-118(f) reads as rewritten:

"(f) The Secretary may issue special emergency permits under this Article. These permits may only be issued in those extraordinary situations in which life or structural property is in imminent danger as a result of storms, sudden failure of man-made structures, or similar occurrence. These permits may carry any conditions necessary to protect the public interest, consistent with the emergency situation and the impact of the proposed development. If an application for an emergency permit includes work beyond that necessary to reduce imminent dangers to life or property, the emergency permit shall be limited to that development reasonably necessary to reduce the imminent danger; all further development shall be considered under ordinary permit procedures. This emergency permit authority of the Secretary shall extend to all development in areas of environmental concern, whether major or minor development, and the mandatory notice provisions of G.S. 113A-119(b) shall not apply to these emergency permits. To the extent feasible, these emergency permits shall be coordinated with any emergency permits required under G.S. 113-229(e1). The fees associated with any permit issued pursuant to this subsection or rules adopted pursuant to this subsection shall be waived."

PART VI. STUDY CONSTRUCTION AND REPAIR IN REGULATED FLOOD ZONES.

SECTION 6. The Division of Emergency Management of the Department of Crime Control and Public Safety shall study ways to facilitate the construction and repair of water dependent structures such as fish processing and packing facilities and boat repair and building facilities located in regulated flood zones. The Division shall report the results of its study, including any recommendations, to the Joint Legislative Commission on Seafood and Aquaculture by March 1, 2008.

PART VII. EFFECTIVE DATE.

SECTION 7. Section 1 of this act is effective for taxes imposed for taxable years beginning on or after July 1, 2008. Sections 4.1 through 4.4 of this act become effective January 1, 2008. The remainder of this act is effective when it becomes law.

BILL ANALYSIS

Committee:	Senate Finance	**Date:**	July 26, 2007
Introduced by:	Sen. Albertson	**Summary by:**	Martha Walston
Version:	PCS to Second Edition S646-CSLA		Committee Counsel

SUMMARY: The proposed committee substitute for Senate Bill 646 does the following:

- ***Creates a new classification of property (working waterfront property) for property tax purposes.***
- ***Working waterfront property will be taxed on its present use rather than true value***
- ***Deferred taxes for the preceding three years become due on the property when it no longer qualifies as working waterfront property***
- ***Establishes the Advisory Committee for the Coordination of Waterfront Access within the Department of Environment and Natural Resources.***
- ***Directs the Department of Transportation to expand public access to coastal waters in its road project planning and construction programs***
- ***Increases certain boat numbering fees that are held in the Wildlife Resource Commission's Boating and Waterway Account.***
- ***Waives fees for CAMA emergency permits***
- ***Directs the Division of Emergency Management to study ways to facilitate construction and repair of water dependent structures in regulated flood zones..***

BILL ANALYSIS:

Part I. Property Tax Relief for Working Waterfront Property

This Part classifies working waterfront property as a special class of property that must be appraised, assessed, and taxed at its present use rather than its true value. Working waterfront property is any of the following:

- A pier that extends into coastal fishing waters and limits access to those who pay a fee.
- Real property that is adjacent to coastal fishing waters and is primarily used for a commercial fishing operation or fish processing.

The deferred taxes[1] for the preceding three fiscal years become due when the property no longer qualifies as working waterfront property. These deferred taxes are a lien on the property, and the lien is not extinguished until the taxes are paid. The owner of working waterfront property must submit an application to the tax assessor to receive the special tax treatment. A new application must be submitted when the property is transferred or loses its eligibility for classification.

Part II. Advisory Committee for the Coordination of Waterfront Access

[1] Deferred taxes are the difference between the taxes due on the property taxed at its present use and the taxes that would be due if the property were taxed at its true value.

The PCS would establish the Advisory Committee for the Coordination of Waterfront Access within the Department of Environment and Natural Resources. The Advisory Committee would be composed of representatives of State and local government and would be charged with developing a coordinated plan and recommendations for providing greater waterfront access in the State. The Committee must report its progress and any recommendations to the Joint Legislative Commission on Seafood and Aquaculture no later than October 1 of each year.

Part III. Department of Transportation to Expand Public Access to Coastal Waters

The PCS would direct the Department of Transportation to expand public access to coastal waters in its road project planning and construction programs. The Department must report on its progress to the Joint Legislative Commission on Seafood and Aquaculture no later than March 1 of each year.

Part IV. Increase Boating and Waterway Access Funding

The PCS would increase certain boat numbering fees that are held in the Wildlife Resource Commission's Boating and Waterway Account. Currently the fee for numbering a boat is $10. The PCS would require a $15 fee for a one-year period and a $40 fee for a three-year period.

The PCS would also provide that interest and other investment income earned in the Account accrue to the Account.(Effective January 1, 2008)

Part V. Waiver of Fees From CAMA Emergency Permits

Under current law, the Secretary of Environment and Natural Resources may issue special emergency CAMA building permits when life or structural property is in imminent danger as a result of a storm, sudden failure of a man-made structure, or similar occurrence. The PCS would provide that the fees associated with such a permit be waived.

Part VI. Study Construction and Repair in Regulated Flood Zones

The PCS directs the Division of Emergency Management to study ways to facilitate construction and repair of water dependent structures in regulated flood zones.

Senate committee substitute replaces the content of the 1st edition with AN ACT TO ESTABLISH WORKING WATERFRONTS AS A SPECIAL CLASS OF PROPERTY SUBJECT TO PRESENT-USE VALUE; TO ESTABLISH THE ADVISORY COMMITTEE FOR THE COORDINATION OF WATERFRONT ACCESS; TO DIRECT THE DEPARTMENT OF TRANSPORTATION TO MAKE EXPANDED PUBLIC ACCESS TO COASTAL WATERS A PRIORITY IN ITS ROAD PROJECT PLANNING AND CONSTRUCTION PROGRAMS; TO INCREASE FEES FOR VESSEL TITLING; TO PROVIDE THAT FEES ASSOCIATED WITH AN EMERGENCY COASTAL AREA MANAGEMENT ACT PERMIT SHALL BE WAIVED; AND TO DIRECT THE DIVISION OF EMERGENCY MANAGEMENT TO STUDY CONSTRUCTION AND REPAIR IN REGULATED FLOOD ZONES, AS RECOMMENDED BY THE WATERFRONT ACCESS STUDY COMMITTEE.

Present use value. Beginning with the 2008-09 property tax year, amends GS 105-277.3 to provide that working waterfront land that has produced an average income of at least $1,000 for the three years preceding the year for which the tax benefit is claimed is taxed at the land's present use value. Makes conforming changes to the catch lines of GS 105-277.4, GS 105-277.5, and GS 105-277.6. Amends GS 105-277.2 to (1) include working waterfront land in the definition of present use value and (2) provide that the capitalization rate for agricultural and horticultural land is between 6% and 7%, as determined by the Use-Value Advisory Board. Amends GS 105-277.7 to add a representative of the Division of Marine Fisheries of the Department of Environment and Natural Resources (DENR) to the Use-Value Advisory Board. Effective July 1, 2007, appropriates $100,000 for 2007-08 from the General Fund to the Agricultural Extension Service of North Carolina State University for the Use-Value Advisory Board. Makes technical, conforming, and clarifying changes to GS 160A-37(f1) and GS 160A-49(f1).

Advisory committee. Establishes the Advisory Committee for the Coordination of Waterfront Access within DENR to develop a plan for providing greater waterfront access in North Carolina and develop recommendations for increasing and improving water access. The committee is required to report on implementation to the Joint Legislative Commission on Seafood and Aquaculture by October 1 of each year, beginning in 2008.

Public access. Amends GS 136-18 to require the Department of Transportation (DOT) to expand public access to coastal waters in its road project planning and construction programs. Requires DOT to report on its progress to the Joint Legislative Commission on Seafood and Aquaculture by March 1 of each year, beginning in 2008.

Boating and waterway access funding. Amends GS 75A-3(c) to change the Boating Account to the Boating and Waterways Account and to provide that money for administering and enforcing the chapter remains available until it is expended. Amends GS 75A-5 to increase the fees for boat numbering, for renewal, and for a change in ownership from $10 to $15 for a one-year period and from $25 to $40 for a three-year period. Effective January 1, 2008.

CAMA. Amends GS 113A-118(f) to waive the fees for an emergency Coastal Area Management Act (CAMA) permit.

Study. Requires the Division of Emergency Management of the Department of Crime Control and Public Safety to study ways to facilitate the construction and repair of water dependent structures located in regulated flood zones and to report to the Joint Legislative Commission on Seafood and Aquaculture by March 1, 2008.

ASSUMPTIONS AND METHODOLOGY:

Part 1 – Present-Use Value for Working Waterfronts

No estimate available. According to the Department of Revenue and the Waterfront Access Study Committee, no data is available regarding the acreage or value of working waterfront property that would be eligible for present-use value. Eligible properties would include fish houses and certain commercial piers and docks in the inter-tidal zone that generated an average gross income of $1,000 for the past three years.

The assessed value of eligible properties would be determined by reducing the market value by the percentage that all present-use value property in the agriculture, horticulture and forest land programs is reduced. The present-use value of all property in the program for FY 2005-06 represented 38.1% of the market value.

Part 3 – Direct the Department of Transportation to Expand Public Access to Coastal Waters

No estimate available. According to the Department of Transportation, expanded public access could include, for example, raising or constructing bridges, improving or constructing roads, or improving boat ramp access. The expenditures would depend on the specific projects undertaken.

The Wildlife Resources Commission (WRC) has indicated that increased opportunities to partner with DOT to provide public access will likely impact their operating expenses within the Engineering Services Division. The Engineering Service Division is responsible for developing additional public fishing and boating access areas. However, increases in operating expenses may be offset by the reduction in acquisition costs associated with using state owned land for new access areas.

Part 4 – Increase Boating and Waterway Access Funding

The Boating and Waterway Access Account is comprised of motor fuel excise tax for watercraft, vessel registrations, and interest earnings. The bill will increase vessel registrations from $10 to $15 for one year registrations and from $25 to $40 for three year registrations. WRC has estimated that vessel registrations will continue to increase at an average of 2% to 3% per year. Using the actual count per type of vessel registration for FY 2006-07, the following table displays an example of how much additional revenue would have been generated with the fee increases.

	1 Year Registrations			3 Year Registrations		
	Count	Current	Proposed	Count	Current	Proposed
New Registrations	916	$9,160	$13,740	24,211	$605,275	$968,440
Transfer of Ownership	904	$9,040	$13,560	30,009	$750,225	$1,200,360
Registration Renewals	9,353	$93,530	$140,295	72,976	$1,824,400	$2,919,040
Total		$111,730	$167,595		$3,179,900	$5,087,840

The additional revenue generated in proposed fee increases in the above chart totals $55,865 in 1 year registrations and $1,907,940 in 3 year registrations. However, due to the January 1, 2008 effective date for the fee increases, FY 2008-09 will generate only half of this amount, or approximately $1.1 million.

Section 5 – Waive CAMA Emergency Permit Fees

Since 1999, only eight Major Permits have been authorized under the provisions of G.S. 113A-118(f); an average of one permit each year is authorized under this Statute. Seven of the eight permits issued were assessed a $400 fee and one was assessed at $250 fee. Thus, Fiscal Research estimates that waiving CAMA permit fees under G.S. 113A-118(f) would result in a $400 loss of fee revenue annually.

Section 6 - Study Construction and Repair in Regulated Flood Zones

The bill directs the Division of Emergency Management of the Department of Crime Control and Public Safety (CCPS) to study ways to facilitate the construction and repair of water dependent structures such as fish processing and packing facilities and boat repair and building facilities located in regulated flood zones. The Division shall report the results of the study, including any recommendations, to the Joint Legislative Commission on Seafood and Aquaculture by March 1, 2008. Department estimates that it will cost $50,000 to administer this study.

SENATE BILL 684
PROPOSED COMMITTEE SUBSTITUTE S684-CSSVf-49 [v.5]

7/25/2007 10:35:00 AM

Short Title: Spay/Neuter Funding. (Public)

Sponsors:

Referred to:

March 13, 2007

A BILL TO BE ENTITLED

AN ACT TO PROVIDE FOR FUNDING FOR THE STATEWIDE SPAY AND NEUTER PROGRAM FROM THE SALE OF RABIES VACCINATION TAGS.

The General Assembly of North Carolina enacts:

SECTION 1. G.S. 130A-190 reads as rewritten:

"**§ 130A-190. Rabies vaccination tags.**

(a) Issuance. – A licensed veterinarian or a certified rabies vaccinator who administers rabies vaccine to a dog or cat shall issue a rabies vaccination tag to the owner of the animal. The rabies vaccination tag shall show the year issued, a vaccination number, the words "North Carolina" or the initials "N.C." and the words "rabies vaccine." Dogs and cats shall wear rabies vaccination tags at all times. However, cats may be exempted from wearing the tags by local ordinance.

(b) Fee. – Rabies vaccination tags, ~~links and~~ links, and rivets may be obtained from the Department. The Secretary is authorized to establish by rule a fee for the rabies tags, ~~links and rivets.~~ links, and rivets in accordance with this subsection. ~~Except as otherwise authorized in this section, the fee shall not exceed the actual cost of the rabies tags, links and rivets, plus transportation costs. The Secretary may increase the fee beyond the actual cost plus transportation, by an amount not to exceed five cents ($.05) per tag, to fund rabies education and prevention programs.~~ The fee for each tag is the sum of the following:

(1) The actual cost of the rabies tag, links, and rivets.

(2) Transportation costs.

(3) Five cents ($.05). This portion of the fee shall be used to fund rabies education and prevention programs.

(4) Twenty cents ($.20). This portion of the fee shall be credited to the Spay/Neuter Account established in G.S. 19A-62 and used to fund statewide spay/neuter programs. This portion of the fee shall not be

imposed for tags provided to persons who own and vaccinate ten or more dogs per year.

~~(c) The Department shall make available a special edition rabies tag to be known as the "I Care" tag. This tag shall be different in shape from the standard tag and shall carry the inscription "I Care" in addition to the information required by subsection (a) of this section. The Secretary is authorized to establish a fee for the "I Care" rabies tag equal to the amount set forth in subsection (b) of this section plus an additional fifty cents ($.50). The additional fifty cents ($.50) shall be credited to the Spay/Neuter Account established in G.S. 19A-62.~~"

SECTION 2. G.S. 19A-62 reads as rewritten:

"**§ 19A-62. Spay/Neuter Account established.**

(a) Creation. – The Spay/Neuter Account is established as a nonreverting special revenue account in the Department of Health and Human Services. The Account consists of the following:

(1) ~~Fifty cents (50¢) of the fee imposed by G.S. 130A-190(c) on the costs of obtaining rabies vaccination tags~~ The portion of the fee imposed under G.S. 130A-190(b)(4) for obtaining a rabies vaccination tag from the Department of Health and Human Services.

(2) Ten dollars ($10.00) of the additional fee imposed by G.S. 20-79.7 for an Animal Lovers special license plate.

(3) Any other funds available from appropriations by the General Assembly or from contributions and grants from public or private sources.

(b) Use. – The revenue in the Account shall be used by the Department of Health and Human Services as follows:

(1) If the revenue generated by the portion of the fee imposed under G.S. 130A-190(b)(3) is less than $47,500 for the fiscal year, then funds up to the difference between $47,500 and the amount of revenue generated may be used from this Account to fund rabies education and prevention programs."

(2) Twenty percent (20%) shall be used to develop and implement the statewide education program component of the Spay/Neuter Program established in G.S. 19A-61(a).

~~(2)~~(3) Up to twenty percent (20%) of the money in the Account may be used to defray the costs of administering the Spay/Neuter Program established in this Article.

~~(3)~~(4) Funds remaining after deductions for the education program and administrative expenses shall be distributed quarterly to eligible counties and cities seeking reimbursement for reduced-cost spay/neuter surgeries performed during the previous year. A county or city is ineligible to receive funds under this subdivision unless it requires the owner to show proof of rabies vaccination at the time of the procedure or, if none, require vaccination at the time of the procedure."

SECTION 3. This act becomes effective January 1, 2008.

SENATE BILL 684: Spay/Neuter Funding

BILL ANALYSIS

Committee:	Senate Finance	**Date:**	July 25, 2007
Introduced by:	Sen. Kinnaird	**Summary by:**	Trina Griffin
Version:	PCS to First Edition S684-CSSVf-49		Committee Counsel

SUMMARY: Senate Bill 684 does the following:

- ***It would increase the fee for obtaining a rabies vaccination tag. The proceeds derived from the increase would be used to fund statewide spay/neuter programs.***
- ***It would limit funds for reduced-cost spay/neuter programs to those local governments that require proof of rabies vaccination, or if none, require vaccination at the time of the procedure.***
- ***It would ensure that funds dedicated for rabies education and prevention programs remain at the current level.***

CURRENT LAW: Dogs and cats are required to be vaccinated against rabies. However, cats may be exempted by local ordinance. Issued by a licensed veterinarian or a certified rabies vaccinator, a rabies tag represents proof of vaccination and must be worn at all times by the animal. Veterinarians and other vaccinators may obtain the tags from either the Department of Health and Human Services or the private market. The fee for tags provided by the Department may not exceed the actual cost of the tag, links, and rivets, transportation costs, plus an amount not to exceed five cents ($.05) to fund rabies education and prevention programs. The actual cost plus the transportation cost is currently two cents ($.02).

The Department also makes available a special edition rabies tag known as the "I Care" tag. The fee for this special edition tag is an additional fifty cents ($.50). The proceeds from the additional fifty cents are credited to the Spay/Neuter Account. The Spay/Neuter Account is also funded by the additional fee charged for the Animal Lovers special license plate and any other funds available from appropriations or from contributions or grants from public or private sources.

The funds in the Account may be used as follows:

- 20% is used to develop and implement the statewide education component of the Spay/Neuter Program.
- Up to 20% may be used to defray costs of administering the Spay/Neuter Program.
- Remaining funds are distributed quarterly to eligible counties and cities seeking reimbursement for the reduced-costs spay/neuter surgeries performed during the previous year.

BILL ANALYSIS: The Proposed Committee Substitute for Senate Bill 684 does the following:

- It eliminates the voluntary "I Care" special edition tag.
- It increases the fee for all rabies tags by twenty cents ($.20). The proceeds from the increase are to be credited to the Spay/Neuter Account and used for statewide spay/neuter programs.
- It exempts from the additional $.20-cent-portion of the fee, persons who own and vaccinate ten or more dogs per year.

- It provides that if the revenue generated by the $.05-cent-portion of the rabies tag fee is less than $47,500 in a fiscal year, which represents the current funding level, then the difference between $47,500 and the amount generated may be used from the Spay/Neuter Account for rabies education and prevention programs.
- It would provide that a county or city is ineligible to receive funds for reimbursement for reduced-cost spay/neuter surgeries unless it requires proof of rabies vaccination at the time of the procedure or, if there is none, that the provider vaccinate at the time of the procedure

EFFECTIVE DATE: This act becomes effective January 1, 2008.

BILL SUMMARY:

The Proposed Committee Substitute amends the General Statutes in two places, G.S. 130A-190 and G.S. 19A-62, to do the following:

- Eliminate the voluntary "I Care" special edition tag.
- Increase the fee for all rabies tags by twenty cents ($.20). The proceeds from the increase are to be credited to the Spay/Neuter Account and used for statewide spay/neuter programs.
- Exempt from the additional $.20-cent-portion of the fee, persons who own and vaccinate ten or more dogs per year.
- Provide that if the revenue generated by the $.05-cent-portion of the rabies tag fee is less than $47,500 in a fiscal year, which represents the current funding level, then funds from the Spay/Neuter Account up to the difference between that amount and the amount generated may be used for rabies education and prevention programs.
- Provide that a county or city is ineligible to receive funds for reimbursement for reduced-cost spay/neuter surgeries unless it requires proof of rabies vaccination at the time of the procedure or, if there is none, that the provider give the vaccination at the time of the procedure

ASSUMPTIONS AND METHODOLOGY:

Currently, the fee structure is as shown in the table below (Table 1: Current Fee Structure): the cost of the tag itself ($.02), the fee for the rabies education and prevention programs ($.05), and the optional fee for the "I Care" tag ($.50). The table includes estimates of the number of tags the Department issued in FY 2006-07 (from the Department of Health and Human Services) subject to each fee category. These estimates were used to calculate the total estimated revenue from each part of the fee structure. A total of 9,700 "I Care" tags were purchased for total additional revenue of $4,850. All tags purchased were subject to the Rabies Education Fee ($.05), which created total estimated revenue of $47,485 for these programs.

Table 1: Current Fee Structure

	Cost	# of Tags	Revenue
Tag	$0.02	949,700	$18,994
Rabies Education Fee	$0.05	949,700	$47,485
"I Care" Fee	$0.50	9,700	$4,850
Total Revenue			**$71,329**
Less Cost of Tags			($18,994)
Total Net Revenue			**$52,335**

Table 2, (next page), shows the proposed fee structure. It also shows the potential additional revenues if there were no changes to the number of tags purchased. However, it is anticipated that there may be a reduction in the number of tags purchased because of this increase in fees. According to the Department of Health and Human Services, Division of Public Health, the private market cost of these tags ranges from $.09 to $.23. The proposed changes would bring the total cost per tag to $.27 – higher than the private market cost. It is assumed that some veterinarians and certified rabies vaccinators currently purchasing their tags from the Department at $.07 per tag would chose to purchase their tags in the private market if the proposed fees were to take effect.

There is no estimate of the number of tags that would no longer be purchased from the Department and therefore it is not possible to estimate the fiscal impact of these proposed changes. The impact is likely to range between a loss of $52,335 if no tags are purchased (the current amount of net revenue, see Table 1) and a gain of $237,425 if there is no change in the number of tags purchased (see Table 2). The impact would be both to the Department of Health and Human Services, Division of Public Health and to the cities and counties that receive reimbursement for spay/neuter programs from the Spay/Neuter Account.

Table 2: Proposed Fee Structure with No Change in Tags Purchased

	Cost	# of Tags	Revenue
Tag	$0.02	949,700	$18,994
Rabies Education Fee	$0.05	949,700	$47,485
Spay/Neuter Fee	$0.20	949,700	$189,940
Total Revenue			**$256,419**
Less Cost of Tags			*($18,994)*
Total Net Revenue			**$237,425**

However, it is possible to estimate the minimum number of tags that would need to be purchased under the proposed fees for the programs to "break-even". The PCS provides that if the revenue generated by the $.05-cent-portion of the rabies tag fee is less than $47,500 in a fiscal year, which represents the current funding level, then funds from the Spay/Neuter Account up to the difference between that amount and the amount generated may be used for rabies education and prevention programs – in other words, as fewer tags are purchased from the Department, more funding will come from the Spay/Neuter Account to make up the difference. If at least 209,340 tags (22% of the tags currently purchased) are purchased under the proposed fees (see Table 3, below), the new $.20 fee will generate enough revenue to make up the difference and still contribute the current amount of funding of $4,850 (currently from the "I Care" tag, see Table 1) to the Spay/Neuter Account for the current Spay/Neuter Account purposes.

Table 3: Minimum Number of Tags Purchased Needed to Avoid Reducing Spay/Neuter Account Funding

	Cost	# of Tags	Revenue
Tag	$0.02	209,340	$4,187
Rabies Education Fee	$0.05	209,340	$10,467
Spay/Neuter Fee	$0.20	209,340	$41,868
Amount of Spay/Neuter Fee into Rabies Education			*$37,018*
Amount of Spay/Neuter Fee into Spay/Neuter Account			*$4,850*
Total Revenue			**$56,522**
Less Cost of Tags			($4,187)
Total Net Revenue			**$52,335**

A BILL TO BE ENTITLED

AN ACT TO ALLOW COUNTIES TO PARTICIPATE IN FINANCING IMPROVEMENTS TO PUBLIC STREETS, HIGHWAYS, AND BRIDGES; AND TO ALLOW MUNICIPALITIES THAT RECEIVE AN ALLOCATION OF FUNDS FROM THE HIGHWAY FUND AND THE HIGHWAY TRUST FUND WITH MONIES FOR REPAIR, MAINTENANCE, CONSTRUCTION, RECONSTRUCTION, WIDENING, OR IMPROVING STREETS OF THE MUNICIPALITY AN OPTION TO ELECT TO CONTINUE TO RECEIVE ALLOCATIONS OR HAVE THE ALLOCATION REPROGRAMMED TO FUND ANY PROJECT ON THE DEPARTMENT OF TRANSPORTATION'S TRANSPORTATION IMPROVEMENT LIST.

The General Assembly of North Carolina enacts:

SECTION 1. G.S. 136-18(29a) reads as rewritten:

"(29a) To coordinate with all public and private entities planning schools to provide written recommendations and evaluations of driveway access and traffic operational and safety impacts on the State highway system resulting from the development of the proposed sites. All public and private entities shall, upon acquiring land for a new school or prior to beginning construction of a new school, relocating a school, or expanding an existing school, request from the Department a written evaluation and written recommendations to ensure that all proposed access points comply with the criteria in the current North Carolina Department of Transportation "Policy on Street and Driveway Access". The Department shall provide the written evaluation and recommendations within a reasonable time, which shall not exceed 60 days. This subdivision shall not be construed to require the public or

private entities planning schools to meet the recommendations made by the ~~Department.~~Department, except those highway improvements that are required for safe ingress and egress to the State highway system."

SECTION 2. G.S. 136-45 reads as rewritten:

"**§ 136-45. General purpose of law; control, repair and maintenance of highways.**

The general purpose of the laws creating the Department of Transportation is that said Department of Transportation shall take over, establish, construct, and maintain a statewide system of hard-surfaced and other dependable highways running to all county seats, and to all principal towns, State parks, and principal State institutions, and linking up with state highways of adjoining states and with national highways into national forest reserves by the most practical routes, with special view of development of agriculture, commercial and natural resources of the State, ~~and~~ and, except as otherwise provided by law, for the further purpose of permitting the State to assume control of the State highways, repair, construct, and reconstruct and maintain said highways at the expense of the entire State, and to relieve the counties and cities and towns of the State of this burden."

SECTION 3. G.S. 136-51 reads as rewritten:

"**§ 136-51. Maintenance of county public roads vested in Department of Transportation.**

From and after July 1, 1931, the exclusive control and management and responsibility for all public roads in the several counties shall be vested in the Department of Transportation as hereinafter provided, and all county, district, and township highway or road commissioners, by whatever name designated, and whether created under public, public-local, or private acts, shall be abolished:

Provided, that for the purpose of providing for the payment of any bonded or other indebtedness, and for the interest thereon, that may be outstanding as an obligation of any county, district, or township commission herein abolished, the boards of county commissioners of the respective counties are hereby constituted fiscal agents, and are vested with authority and it shall be their duty to levy such taxes on the taxable property or persons within the respective county, district, or township by or for which said bonds or other indebtedness were issued or incurred and as are now authorized by law to the extent that the same may be necessary to provide for the payment of such obligations; and the respective commissions herein abolished shall on or before July 1, 1931, turn over to said boards of county commissioners any moneys on hand or evidences of indebtedness properly applicable to the discharge of any such indebtedness (except such moneys as are mentioned in paragraph (a) above); and all uncollected special road taxes shall be payable to said boards of county commissioners, and the portion of said taxes applicable to indebtedness shall be applied by said commissioners to said indebtedness, or invested in a sinking fund according to law. All that portion of said taxes or other funds coming into the hands of said county commissioners and properly applicable to the maintenance or improvement of the public roads of the county shall be held by them as a special road fund and disbursed upon proper orders of the Department of Transportation.

Provided, further, that in order to fully carry out the provisions of this section the respective boards of county commissioners are vested with full authority to prosecute all suitable legal actions.

Nothing in this section shall prevent a county from participating in the cost of rights-of-way, construction, reconstruction, improvement, or maintenance of a road on the State highway system under agreement with the Department of Transportation. A county is authorized and empowered to acquire land by dedication and acceptance, purchase, or eminent domain and make improvements to portions of the State highway system lying within or outside the county limits utilizing local funds that have been authorized for that purpose. The provisions of G.S. 153A-15 apply to any county attempting to acquire property outside its limits. All improvements to the State highway system shall be done in accordance with the specifications and requirements of the Department of Transportation."

SECTION 4. G.S. 136-98 reads as rewritten:

"**§ 136-98. ~~Prohibition of local road taxes and bonds and construction of roads by local authorities; existing contracts.~~Counties authorized to participate in costs of road construction and maintenance.**

~~(a) From and after the first day of July, 1931, no county or road district by authority of any public, public-local, or private act shall levy any taxes for the maintenance, improvement, reconstruction, or construction of any of the public roads in the various and several counties of the State, nor shall any county, through the board of commissioners thereof or the highway commission, nor shall any district or township highway commission, issue or sell or enter into any contract to issue or sell any bonds heretofore authorized to be issued and sold, but unissued and unsold, for the purpose of obtaining money with which to improve, maintain, reconstruct, or construct roads, except for the purpose of discharging obligations entered into prior to the ratification of this section, and all acts authorizing the board of county commissioners, the county highway commissions, district highway or township commissions, to issue and sell bonds for the purpose aforesaid, are hereby amended so as to conform to this section. No board of county commissioners nor county highway commission, nor district nor township highway commission from and after the passage of this section shall enter into any contract to build or construct roads in the various and several counties except for such projects as can be completed and paid for prior to July 1, 1931. All contracts heretofore entered into by any county through the board of county commissioners, county highway commission, and all contracts heretofore entered into by any district or township highway commission which shall be incomplete on July 1, 1931, shall be taken over by the Department of Transportation and completed by the Department of Transportation by the use of money and funds applicable thereto, by the terms of the said contracts. Nothing in this section or in any section of Chapter 145 of the Public Laws of 1931 that may appear in this Code shall be construed to prohibit the levying of taxes authorized by law for the payment of interest or principal on outstanding bonds or other evidences of debt lawfully issued. Any county or road district which has heretofore issued bonds or other evidences of debt by authority of law for road~~

~~improvement purposes may refund said bonds or other evidences of debt under and pursuant to the laws of the State of North Carolina relative thereto.~~

(b) Nothing in this Article prohibits counties from establishing service districts for road maintenance under Part 1, Article 16 of Chapter 153A of the General Statutes.

(c) A county is authorized to participate in the cost of rights-of-way, construction, reconstruction, improvement, or maintenance of a road on the State highway system under agreement with the Department of Transportation."

SECTION 5. Chapter 136 of the General Statutes is amended by adding a new section to read:

"**§ 136-41.4. Municipal use of allocated funds; election.**

A municipality that qualifies for an allocation of funds pursuant to G.S. 136-41.1 shall have the option to accept all funds allocated to the municipality, under that section, for the repair, maintenance, construction, reconstruction, widening, or improving of the municipality's streets, or the municipality may elect to have some or all of the allocation reprogrammed for any Transportation Improvement Project currently on the approved project list within the municipality's limits or within the area of any metropolitan planning organization or rural planning organization.

If a municipality chooses to have its allocation reprogrammed, the minimum amount that may be reprogrammed is an amount equal to that amount necessary to complete one full phase of the project selected by the municipality or an amount that, when added to the amount already programmed for the Transportation Improvement Project selected, would permit the completion of at least one full phase of the project."

SECTION 6. Section 5 of this act becomes effective October 1, 2007. The remainder of this act is effective when it becomes law.

SENATE BILL 1513:
County Financing/Highway and Bridge Projects

BILL ANALYSIS

Committee:	Senate Finance	**Date:**	July 25, 2007
Introduced by:	Sen. Jenkins	**Summary by:**	Martha Walston Committee Counsel
Version:	PCS to Second Edition S1513-CSLA		

SUMMARY: Senate Bill 1513 does the following:

- ***require entities that are planning schools to follow recommendations of DOT for highway improvements that are required for safe ingress and egress to the State highway system***
- ***authorizes counties to participate in the cost of construction and maintenance of roads on the State highway system.***

SB 1513 was given a favorable report in Senate Commerce, Small Business and Entrepreneurship.

The PROPOSED COMMITTEE SUBSTITUTE adds language that would allow municipalities that receive Powell Bill Funds the option of accepting all funds allocated to the municipality or to elect to have some or all of the allocation reprogrammed for certain Transportation Improvement Projects.[1]

CURRENT LAW:

Driveway access to schools. G.S. 136-18(29a) provides that for all new school construction, relocation, and renovation projects, the public or private entity responsible for the project must request from the Department of Transportation a written evaluation and recommendations regarding the compliance of proposed access points to criteria developed by the Department. The Department must provide the evaluation and recommendations within 60 days of receiving the request, but the entity responsible for the school project is not required to act on the evaluation and recommendations.

County participation in road construction and maintenance. G.S. 136-51 provides that the Department of Transportation has the exclusive control and management and responsibility for all public roads in the counties. G.S. 136-98(a) prohibits counties from levying taxes, issuing bonds, or entering into any contract to build or construct roads.

Powell Bill Funds (G.S. 136-41.4 through G.S. 136-41.3)

Each year DOT is required to pay from the Highway Fund an allocation to all active and qualifying municipalities a sum equal to 1 ¾ cents on each taxed gallon of motor fuel. In addition, revenue is allocated and appropriated from the Highway Trust Fund. The Powell Bill Funds shall be expended only for the purposes of maintaining, repairing, constructing, reconstructing or widening of any street including bridges, drainage, curb and gutter, and other necessary appurtenances within the corporate limits of the municipality, or for the planning, construction, and maintenance of bikeways or sidewalks along public streets and highways.

BILL ANALYSIS:

Driveway access to schools. Senate Bill 1513 would amend G.S. 136-18(29a) to require entities responsible for school projects to comply with the recommendations provided by the Department with

[1] These projects are listed in a schedule designated as the Transportation Improvement Program, which includes the project's anticipated cost for a period of seven years into the future and the anticipated funding sources.

regard to highway improvements that are required for safe ingress and egress to the State highway system.

County participation in road construction and maintenance. Senate Bill 1513 would amend the current law to authorize counties to participate in the cost of construction and maintenance of roads on the State highway system under agreements with the Department.

Option for municipal use of allocated Powell Bill Funds (Section 5 of the bill)

Senate Bill 1513 gives municipalities that qualify for an allocation of Powell Bill Funds an option to either:

- Accept all funds allocated to the municipality under the Powell Bill statutes to be used for the repair, maintenance, construction, reconstruction, widening, or improving of the municipality's streets, or
- Elect to have some or all of the allocation of funds reprogrammed for any Transportation Improvement Project currently on the approved project list within the city's limits or within the area of any metropolitan planning organization or rural planning organization. The minimum amount that may be reprogrammed is equal to the amount necessary to complete one full phase of the selected project or an amount that, when added to the amount already programmed for the TIP, would permit the completion of at least one full phase of the project.

EFFECTIVE DATE: Section 5 of the bill becomes effective October 1, 2007. The remainder of the act is effective when it becomes law.

HOUSE BILL 820:
Amend Interbasin Transfer Laws

BILL ANALYSIS

Committee:	Senate Finance	**Date:**	July 25, 2007
Introduced by:	Reps. Allen, Gibson	**Summary by:**	Jeff Hudson
Version:	PCS to First Edition H820-CSRTf-40 [v.2]		Committee Counsel

SUMMARY: The Proposed Committee Substitute for House Bill 820 would establish a new process for applying for a certificate for an interbasin transfer and for determining whether such a certificate should be issued.

CURRENT LAW AND BILL ANALYSIS:

Study.

The Environmental Review Commission (Commission), with the assistance of the Department of Environment and Natural Resources (DENR), would study the allocation of surface water resources and their availability and maintenance in the State, including issues related to the transfer of water from one river basin to another and the withdrawal of water for consumptive use. The study would include an evaluation of the benefits of establishing a formal or informal process for negotiating interbasin transfers. The Environmental Review Commission could submit an interim report to the 2008 Regular Session of the General Assembly and would submit a final report of its findings and recommendations, including any legislative proposals, to the 2009 General Assembly.

The Division of Water Resources of the Department of Environment and Natural Resources, in consultation with the Environmental Review Commission, would prepare a new river basin map that defines the extent to which river basins in North Carolina extend into adjacent states.

Certificate Required.

A person would be required to obtain a certificate from the Commission in order to transfer 2,000,000 gallons of water or more per day from one river basin to another.

(The current interbasin transfer law has the same threshold for when a certificate is required.)

Notice of Intent to File a Petition.

The applicant would prepare a notice of intent to file a petition that includes a non technical description of the applicant's request and identifies the proposed water source. Within 90 days of filing the notice of intent, the applicant would hold at least one public meeting in the source river basin upstream from the proposed point of withdrawal, at least one public meeting in the source river basin down stream from the proposed point of withdrawal, and at least one public meeting in the receiving river basin to provide information to interested parties and the public regarding the nature and extent of the proposed transfer and to receive comment on the scope of the environmental documents. The applicant would provide at least 30 days notice of the public meetings by publishing notice in the North Carolina Register; by publishing notice in a newspaper of general circulation in many of the potentially affected areas in North Carolina and adjacent states; and by giving notice by first class mail to many potentially affected state and local governments and water users in North Carolina and adjacent states.

(The current interbasin transfer law provides that upon receipt of the petition, the Commission will hold a public hearing on the proposed transfer after giving at least 30 days' written notice of the hearing.

The notice must include a nontechnical description of the applicant's request and a statement as to the effects of the water transfer on the source and receiving river basins. Notice must be given by publishing notice in the North Carolina Register; by publishing notice in a newspaper of general circulation in the area of the river basin downstream from the point of withdrawal; and by giving notice by first-class mail to many potentially affected state and local governments and water users in North Carolina.)

Environmental Documents and Public Hearing.

An environmental assessment would be prepared for every petition for a certificate and an environmental impact statement would be prepared for every petition for a certificate for an interbasin transfer. An environmental impact statement would include a comprehensive analysis of the impacts that would occur in the source river basin and the receiving river basin if the petition for a certificate is granted. The environmental impact statement would also include an evaluation of alternatives to the proposed interbasin transfer and a description of measures to mitigate any adverse impacts that may arise from the proposed interbasin transfer.

Within 30 days of the completion of the draft environmental impact document, the Commission would hold a public hearing on it. Notice of the hearing on the draft environmental document would be given as provided for notice of intent to file a petition, except that notice would be given in the Environmental Register rather than the North Carolina Register. The Commission could not act on the petition until the Commission determines that the environmental document is complete and adequate.

(The current interbasin transfer law requires that an environmental assessment be prepared and may require that a full environmental impact statement be prepared. There is no requirement to hold a separate public hearing on the adequacy of the environmental documents.)

Petition.

An applicant for a certificate would petition the Commission. The petition would be in writing and contain information on the nature and extent of the transfer as well as current and future water uses, including: a description of the facilities to be used to transfer the water; a description of the proposed uses of the water to be transferred; a description of water quality in the source and receiving river basins; a description of the water conservation measures used by the applicant; a description of every source of water within the receiving river basin; a description of existing, planned, or reasonably foreseeable water transfers and withdrawals from the source river basin; a demonstration that the proposed transfer would not impair existing uses of water within the source river basin; and any other information deemed necessary by the Commission.

(The current interbasin transfer law also requires the applicant to petition the Commission. The petition must be in writing and include a description of the facilities to be used to transfer the water; a description of the proposed uses of the water; the water conservation measures to be used by the applicant to assure efficient use of the water and avoidance of waste, and any other information deemed necessary by the Commission.)

Settlement Discussions.

Within 30 days after an applicant files a petition, the Commission would appoint a mediation officer who would initiate settlement discussions between the applicant and all other interested parties.

Draft Determination and Public Hearing on the Draft Determination.

Within 90 days after the Commission determines that the environmental document is adequate or the applicant submits its petition for a certificate, whichever occurs later, the Commission would issue a

draft determination on whether to grant the certificate. The draft determination would be based on the same criteria and include the same conditions and limitations, findings of fact, and conclusions of law that would be required in a final determination. Notice of the draft determination would be given as provided for notice of intent to file a petition. Within 60 days of the issuance of the draft determination, the Commission would hold a public hearing on the draft determination. At least one hearing would be held in the affected area of the source river basin and at least one hearing would be held in the affected area of the receiving river basin. The Commission would give at least 30 days' written notice of the public hearing as provided for notice of intent to file a petition.

(The current interbasin transfer law does not require the Commission to make a draft determination.)

Final Determination: Factors to be Considered.

In determining whether a certificate may be issued for the transfer, the Commission would specifically consider a number of factors, including: the necessity and reasonableness of the amount of surface water proposed to be transferred and its proposed uses; the present and reasonably foreseeable future detrimental effects on the source river basin; the cumulative effect on the source major river basin of existing and projected water transfer or consumptive water uses; the present and reasonably foreseeable beneficial and detrimental effects on the receiving river basin; all reasonable alternatives to the proposed transfer; and any other facts and circumstances that the Commission finds reasonably necessary to implement the interbasin transfer law.

(The current interbasin transfer law provides that in determining whether a certificate may be issued for the transfer, the Commission must specifically consider a number of factors, including: the necessity, reasonableness, and beneficial effects of the amount of surface water proposed to be transferred and its proposed uses; the present and reasonably foreseeable future detrimental effects on the source river basin; the cumulative effect on the source major river basin of any water transfer or consumptive water use; the detrimental effects on the receiving river basin; reasonable alternatives to the proposed transfer; any other facts and circumstances that the Commission finds are reasonably necessary to implement the interbasin transfer law.)

Final Determination: Information to be Considered.

In determining whether a certificate may be issued for the transfer, the Commission would consider the petition, the environmental document, all oral and written comment submitted, the water quality of the source river basin and the receiving river basin, any other information that the Commission determines to be relevant and useful.

(The current interbasin transfer law does not include a similar separate provision on information to be considered.)

Final Determination: Burden and Standard of Proof; Specific Findings.

The Commission would grant a certificate for a water transfer if the Commission finds that the applicant has established by a preponderance of the evidence that: the benefits of the proposed transfer outweigh the detriments of the proposed transfer; the detriments have been or will be mitigated to the maximum degree practicable; the amount of the transfer does not exceed the amount of the projected shortfall under the applicant's water supply plan after first taking into account all other sources of water that are available to the applicant; and there are no reasonable alternatives to the proposed transfer.

(The current interbasin transfer law provides that a certificate will be granted if the applicant establishes and the Commission concludes by a preponderance of the evidence that the benefits of the

proposed transfer outweigh the detriments of the proposed transfer and the detriments have been or will be mitigated to a reasonable degree.)

Final Determination: Certificate Conditions and Limitations.

The Commission would be authorized to grant the certificate in whole or in part, or deny the certificate. The Commission would be authorized to impose any conditions or limitations on a certificate that the Commission found necessary. The certificate would have to include a number of conditions, including: a water conservation plan; a drought management plan; the maximum amount of water that may be transferred on a daily basis; a provision that the Commission may amend the certificate under certain conditions; and a provision that prohibits the resale of transferred water except under certain conditions...

(The current interbasin transfer law provides that the Commission may grant the certificate in whole or in part, or deny the certificate. The Commission may also grant a certificate with any conditions attached that the Commission believes are necessary. The certificate must include a drought management plan and indicate the maximum amount of water that may be transferred.)

Administrative and Judicial Review; Certain Pre Existing Transfers; Emergency Transfers; Relationship to Federal Law; Planning Requirements.

For these provisions, the current interbasin transfer law and the PCS are very similar or identical.

Statement of Policy.

It would be the public policy of the State to maintain, protect, and enhance water quality within North Carolina; that projected future water needs in a receiving river basin are subordinate to projected future water needs in a source river basin; and that the cumulative impact of transfers from a source river basin would not result in a violation of the State and federal antidegradation policies.

(The current interbasin transfer law contains a similar provision, except that it does not explicitly state that projected future water needs in a receiving river basin are subordinate to projected future water needs in a source river basin.)

Application Fee.

An applicant for a certificate under this section would pay an application fee of ten thousand dollars ($10,000.00) to the Commission for processing a petition for a certificate. The applicant would pay the fee at the time the applicant submits the petition for a certificate to the Commission.

(There is no application fee under the current interbasin transfer law.)

EFFECTIVE DATE:

The Proposed Committee Substitute for House Bill 820 would become effective 1 December 2007 and apply to any petition for a certificate for an interbasin transfer made on or after that date.

A BILL TO BE ENTITLED

AN ACT TO DIRECT THE ENVIRONMENTAL REVIEW COMMISSION TO STUDY ISSUES RELATED TO THE TRANSFER OF WATER FROM ONE RIVER BASIN TO ANOTHER RIVER BASIN AND THE ALLOCATION OF SURFACE WATER RESOURCES AND TO AMEND THE LAWS GOVERNING THE TRANSFER OF WATER FROM ONE RIVER BASIN TO ANOTHER RIVER BASIN.

The General Assembly of North Carolina enacts:

SECTION 1.(a) The General Assembly finds that:

(1) The findings set out in the Preamble to the Regional Water Supply Planning Act of 1971, G.S. 162A-21, remain largely true today and the purposes of that Act remain largely unfulfilled today.

(2) North Carolina still lacks a comprehensive regime for regulating surface water withdrawals for consumptive and nonconsumptive uses and that absence hinders the State's ability to make progress towards fulfilling the goals of the Act of 1971.

(3) The provisions of G.S. 143-215.73A, which require the Department of Environment and Natural Resources to prepare a statewide plan for water resources development projects, are too limited in terms of scope and time, and the resources available to the Department are insufficient to produce a comprehensive approach to water resource management.

(4) The particular requirements of other statutes regarding water resources, such as those regulating water transfers and withdrawals and those regulating capacity use areas, are difficult to apply and lead to unintended and even harmful consequences when applied in the absence of a sufficient comprehensive system of regulation of surface water resources within North Carolina.

(5) A number of North Carolina's major river basins extend into adjoining states, creating the potential for conflicts between North Carolina and adjoining states over the management of shared water basins, whereas a comprehensive system of surface water withdrawal and management would provide the State with a better means for avoiding or mitigating those potential interstate conflicts.

SECTION 1.(b) The Environmental Review Commission, with the assistance of the Department of Environment and Natural Resources, shall study the allocation of surface water resources and their availability and maintenance in the State, including issues related to the transfer of water from one river basin to another and the withdrawal of water for consumptive use. The study shall include an evaluation of the benefits of establishing formal or informal procedures for negotiating transfers of water from one river basin to another. In the conduct of this study, the Environmental Review Commission may employ independent consultants as provided in G.S. 120-32.02 and G.S. 120-70.44. The Environmental Review Commission may submit an interim report to the 2008 Regular Session of the General Assembly and shall submit a final report of its findings and recommendations, including any legislative proposals, to the 2009 General Assembly.

SECTION 1.(c) The Division of Water Resources of the Department of Environment and Natural Resources, in consultation with the Environmental Review Commission, shall prepare a revised map entitled "Major River Basins and Sub-basins in North Carolina". The revised map shall be prepared as a recommended replacement for the map referenced in G.S. 143-215.22G. The revised map shall define the extent to which any river basin that encompasses any river that flows from another state into North Carolina or that flows from North Carolina into another state extends into an adjacent state. The Environmental Review Commission shall recommend a revised map and a conforming legislative proposal to amend the definition of "river basin" set out in G.S. 143-215.22G to the 2008 Regular Session of the General Assembly.

SECTION 2. G.S. 143-215.22I is repealed.

SECTION 3. Part 2A of Article 21 of Chapter 143 of the General Statutes is amended by adding a new section to read:

"**§ 143-215.22L. Regulation of surface water transfers.**

(a) Certificate Required. – No person, without first obtaining a certificate from the Commission, may:

(1) Initiate a transfer of 2,000,000 gallons of water or more per day from one river basin to another.

(2) Increase the amount of an existing transfer of water from one river basin to another by twenty-five percent (25%) or more above the average daily amount transferred during the year ending 1 July 1993 if the total transfer including the increase is 2,000,000 gallons or more per day.

(3) Increase an existing transfer of water from one river basin to another above the amount approved by the Commission in a certificate issued under G.S. 162A-7 prior to 1 July 1993.

(b) Exception. – Notwithstanding the provisions of subsection (a) of this section, a certificate shall not be required to transfer water from one river basin to another up to the full capacity of a facility to transfer water from one basin to another if the facility was in existence or under construction on 1 July 1993.

(c) Notice of Intent to File a Petition. – An applicant shall prepare a notice of intent to file a petition that includes a nontechnical description of the applicant's request and an identification of the proposed water source. Within 90 days after the applicant files a notice of intent to file a petition, the applicant shall hold at least one public meeting in the source river basin upstream from the proposed point of withdrawal, at least one public meeting in the source river basin downstream from the proposed point of withdrawal, and at least one public meeting in the receiving river basin to provide information to interested parties and the public regarding the nature and extent of the proposed transfer and to receive comment on the scope of the environmental documents. Written notice of the public meetings shall be provided at least 30 days before the public meetings. At the time the applicant gives notice of the public meetings, the applicant shall request comment on the alternatives and issues that should be addressed in the environmental documents required by this section. The applicant shall accept written comment on the scope of the environmental documents for a minimum of 30 days following the public meetings. Notice of the public meetings and opportunity to comment on the scope of the environmental documents shall be provided as follows:

(1) By publishing notice in the North Carolina Register.

(2) By publishing notice in a newspaper of general circulation in:

a. Each county in this State located in whole or in part of the area of the source river basin upstream from the proposed point of withdrawal.

a1. Each county in an adjacent State located in whole or in part of the area of the source river basin upstream from the proposed point of withdrawal, up to the point of the last impoundment upstream from the point of withdrawal. This sub-subdivision shall not apply if there are no impoundments located in the source river basin upstream from the proposed point of withdrawal.

b. Each county in this State or in an adjacent state located in whole or in part of the area of the source river basin downstream from the proposed point of withdrawal.

c. Any area in the State in a river basin for which the source river basin has been identified as a future source of water in a local water supply plan prepared pursuant to G.S. 143-355(l).

d. Each county in the State located in whole or in part of the receiving river basin.

(3) By giving notice by first-class mail or electronic mail to each of the following:

a. The board of commissioners of each county in this State or any adjacent state that is located entirely or partially within the source river basin of the proposed transfer.
b. The board of commissioners of each county in this State or any adjacent state that is located entirely or partially within the receiving river basin of the proposed transfer.
c. The governing body of any public water supply system that withdraws water upstream or downstream from the withdrawal point of the proposed transfer.
d. If any portion of the source or receiving river basins is located in an adjacent state, all state water management or use agencies, environmental protection agencies, and the office of the governor in each adjacent state upstream or downstream from the withdrawal point of the proposed transfer.
e. All persons who have registered a water withdrawal or transfer from the proposed source river basin under this Part or under similar law in an adjacent state.
f. All persons who hold a certificate for a transfer of water from the proposed source river basin under this Part or under similar law in an adjacent state.
g. All persons who hold a National Pollutant Discharge Elimination System (NPDES) wastewater discharge permit for a discharge of 100,000 gallons per day or more upstream or downstream from the proposed point of withdrawal.
h. To any other person who submits to the applicant a written request to receive all notices relating to the petition.

(d) Environmental Documents. – The definitions set out in G.S. 113A-9 apply to this section. The Department shall conduct a study of the environmental impacts of any proposed transfer of water for which a certificate is required under this section. The study shall meet all of the requirements set forth in G.S. 113A-4 and rules adopted pursuant to G.S. 113A-4. An environmental assessment shall be prepared for any petition for a certificate under this section. The determination of whether an environmental impact statement shall also be required shall be made in accordance with the provisions of Article 1 of Chapter 113A of the General Statutes; except that an environmental impact statement shall be prepared for every proposed transfer of water from one major river basin to another for which a certificate is required under this section. The applicant who petitions the Commission for a certificate under this section shall pay the cost of special studies necessary to comply with Article 1 of Chapter 113A of the General Statutes. An environmental impact statement prepared pursuant to this subsection shall include all of the following:

(1) A comprehensive analysis of the impacts that would occur in the source river basin and the receiving river basin if the petition for a certificate is granted.

(2) An evaluation of alternatives to the proposed interbasin transfer, including water supply sources that do not require an interbasin transfer and use of water conservation measures.

(3) A description of measures to mitigate any adverse impacts that may arise from the proposed interbasin transfer.

(e) Public Hearing on the Draft Environmental Document. – The Commission shall hold a public hearing on the draft environmental document for a proposed interbasin transfer after giving at least 30 days' written notice of the hearing in the Environmental Bulletin and as provided in subdivisions (2) and (3) of subsection (c) of this section. The notice shall indicate where a copy of the environmental document can be reviewed and the procedure to be followed by anyone wishing to submit written comments and questions on the environmental document. The Commission shall prepare a record of all comments and written responses to questions posed in writing. The record shall include complete copies of scientific or technical comments related to the potential impact of the interbasin transfer.

(f) Determination of Adequacy of Environmental Document. – The Commission shall not act on any petition for an interbasin transfer until the Commission has determined that the environmental document is complete and adequate. A decision on the adequacy of the environmental document is subject to review in a contested case on the decision of the Commission to issue or deny a certificate under this section.

(g) Petition. – An applicant for a certificate shall petition the Commission for the certificate. The petition shall be in writing and shall include all of the following:

(1) A description of the facilities to be used to transfer the water, including the location and capacity of water intakes, pumps, pipelines, and other facilities.

(2) A description of all the proposed consumptive and nonconsumptive uses of the water to be transferred.

(3) A description of the water quality of the source river and receiving river, including information on aquatic habitat for rare, threatened, and endangered species; in-stream flow data for segments of the source and receiving rivers that may be affected by the transfer; and any waters that are impaired pursuant to section 303(d) of the federal Clean Water Act (33 U.S.C. § 1313(d)).

(4) A description of the water conservation measures used by the applicant at the time of the petition and any additional water conservation measures that the applicant will implement if the certificate is granted.

(5) A description of every source of water within the receiving river basin, including surface water impoundments, groundwater wells, reinjection storage, and purchase of water from another source within the river basin, that is a practicable alternative to the proposed transfer that would meet the applicant's water supply needs. The description of water sources shall include sources available at the time of the petition for a certificate and any planned or potential water sources.

(6) A description of water transfers and withdrawals registered under G.S. 143-215.22H or included in a local water supply plan prepared pursuant to G.S. 143-355(l) from the source river basin, including transfers and withdrawals at the time of the petition for a certificate and any planned or reasonably foreseeable transfers or withdrawals.

(7) A demonstration that the proposed transfer, if added to all other transfers and withdrawals required to be registered under G.S. 143-215.22H or included in any local water supply plan prepared pursuant to G.S. 143-355(l) from the source river basin at the time of the petition for a certificate, would not reduce the amount of water available for use in the source river basin to a degree that would impair existing uses, pursuant to the antidegradation policy set out in 40 Code of Federal Regulation § 131.12 (Antidegradation Policy) (1 July 2006 Edition) and the statewide antidegradation policy adopted pursuant thereto, or existing and planned consumptive and nonconsumptive uses of the water in the source river basin. If the proposed transfer would impact a reservoir within the source river basin, the demonstration must include a finding that the transfer would not result in a water level in the reservoir that is inadequate to support existing uses of the reservoir, including recreational uses.

(8) The applicant's future water supply needs and the present and reasonably foreseeable future water supply needs in the source river basin. The analysis of future water supply needs shall include agricultural, recreational, industrial, and hydropower uses. Local water supply plans prepared pursuant to G.S. 143-355(l) for water systems in the source river basin shall be used to evaluate the projected future water needs in the source river basin that will be met by public water systems.

(9) The applicant's water supply plan prepared pursuant to G.S. 143-355(l). If the applicant's water supply plan is more than two years old at the time of the petition, then the applicant shall include with the petition an updated water supply plan.

(10) Any other information deemed necessary by the Commission for review of the proposed water transfer.

(g1) Settlement Discussions. – Within 30 days after an applicant files a petition under this section, the Commission shall appoint a mediation officer. The mediation officer may be a member of the Commission, an employee of the Department, or a neutral third party but shall not be a hearing officer under subsections (e) or (i) of this section. The mediation officer shall make a reasonable effort to initiate settlement discussions between the applicant and all other interested parties. Evidence of statements made and conduct that occurs in a settlement discussion conducted under this subsection, whether attributable to a party, a mediation officer, or other person shall not be subject to discovery and shall be inadmissible in any subsequent proceeding on the

petition for a certificate. The Commission may adopt rules to govern the conduct of the mediation process.

(h) Draft Determination. – Within 90 days after the Commission determines that the environmental document prepared in accordance with subsection (d) of this section is adequate or the applicant submits its petition for a certificate, whichever occurs later, the Commission shall issue a draft determination on whether to grant the certificate. The draft determination shall be based on the criteria set out in this section and shall include the conditions and limitations, findings of fact, and conclusions of law that would be required in a final determination. Notice of the draft determination shall be given as provided in subsection (c) of this section.

(i) Public Hearing on the Draft Determination. – Within 60 days of the issuance of the draft determination as provided in subsection (h) of this section, the Commission shall hold public hearings on the draft determination. At least one hearing shall be held in the affected area of the source river basin, and at least one hearing shall be held in the affected area of the receiving river basin. In determining whether more than one public hearing should be held within either the source or receiving river basins, the Commission shall consider the differing or conflicting interests that may exist within the river basins, including the interests of both upstream and downstream parties potentially affected by the proposed transfer. The public hearings shall be conducted by one or more hearing officers appointed by the Chair of the Commission. The hearing officers may be members of the Commission or employees of the Department. The Commission shall give at least 30 days' written notice of the public hearing as provided in subsection (c) of this section. The Commission shall prepare a record of all comments and written responses to questions posed in writing. The record shall include complete copies of scientific or technical comments related to the potential impact of the interbasin transfer.

(j) Final Determination: Factors to be Considered. – In determining whether a certificate may be issued for the transfer, the Commission shall specifically consider each of the following items and state in writing its findings of fact and conclusions of law with regard to each item:

(1) The necessity and reasonableness of the amount of surface water proposed to be transferred and its proposed uses.

(2) The present and reasonably foreseeable future detrimental effects on the source river basin, including present and future effects on public, industrial, economic, recreational, and agricultural water supply needs, wastewater assimilation, water quality, fish and wildlife habitat, hydroelectric power generation, navigation, and recreation. Local water supply plans prepared pursuant to G.S. 143-355(l) that affect the source river basin shall be used to evaluate the projected future water needs in the source river basin that will be met by public water systems. Information on projected future water needs that is more recent than the local water supply plans may be used if the Commission finds the information to be reliable. The determination shall include a specific finding as to measures that are necessary or

advisable to mitigate or avoid detrimental impacts on the source river basin.

(3) The cumulative effect on the source major river basin of any water transfer or consumptive water use that, at the time the Commission considers the petition for a certificate is occurring, is authorized under this section, or is projected in any local water supply plan that has been submitted to the Department in accordance with G.S. 143-355(l).

(4) The present and reasonably foreseeable future beneficial and detrimental effects on the receiving river basin, including present and future effects on public, industrial, economic, recreational, and agricultural water supply needs, wastewater assimilation, water quality, fish and wildlife habitat, hydroelectric power generation, navigation, and recreation. Local water supply plans prepared pursuant to G.S. 143-355(l) that affect the receiving river basin shall be used to evaluate the projected future water needs in the receiving river basin that will be met by public water systems. Information on projected future water needs that is more recent than the local water supply plans may be used if the Commission finds the information to be reliable. The determination shall include a specific finding as to measures that are necessary or advisable to mitigate or avoid detrimental impacts on the receiving river basin.

(5) The availability of alternatives to the proposed transfer, including the potential capacity of alternative sources of water, the potential of each alternative to reduce the amount of or avoid the proposed transfer, probable costs, and environmental impacts. The determination shall include a specific finding as to why the applicant's need for water cannot be satisfied by alternatives within the receiving basin, including unused capacity under a transfer for which a certificate is in effect or that is otherwise authorized by law at the time the applicant submits the petition. The determination shall include a specific finding as to whether a current water source of the applicant is no longer available due to depletion or contamination. The determination shall consider the extent to which access to potential sources of surface water or groundwater within the receiving river basin are unavailable as a result of the operation of other provisions of law that the restrict the use of those potential sources. The determination shall consider the feasibility of the applicant's purchase of water from other water suppliers within the receiving basin and of the transfer of water from another sub-basin within the receiving major river basin. Except in circumstances of technical or economic infeasibility or adverse environmental impact, the Commission's determination as to reasonable alternatives shall give preference to alternatives that would involve a transfer from one sub-basin to another within the major receiving river basin over

alternatives that would involve a transfer from one major river basin to another major river basin.

(6) If applicable to the proposed project, the applicant's present and proposed use of impoundment storage capacity to store water during high-flow periods for use during low-flow periods and the applicant's right of withdrawal under G.S. 143-215.44 through G.S. 143-215.50.

(7) If the water to be withdrawn or transferred is stored in a multipurpose reservoir constructed by the United States Army Corps of Engineers, the purposes and water storage allocations established for the reservoir at the time the reservoir was authorized by the Congress of the United States.

(8) Any other facts and circumstances that are reasonably necessary to carry out the purposes of this Part.

(k) Final Determination: Information to be Considered. – In determining whether a certificate may be issued for the transfer, the Commission shall consider all of the following sources of information:

(1) The petition.

(2) The environmental document prepared pursuant to subsection (d) of this section.

(3) All oral and written comment and all accompanying materials or evidence submitted pursuant to subsections (e) and (i) of this section.

(4) Information developed by or available to the Department on the water quality of the source river basin and the receiving river basin, including waters that are identified as impaired pursuant to section 303(d) of the federal Clean Water Act (33 U.S.C. § 1313(d)), that are subject to a total maximum daily load (TMDL) limit under subsections (d) and (e) of section 303 of the federal Clean Water Act, or that would have their assimilative capacity impaired if the certificate is issued.

(5) Any other information that the Commission determines to be relevant and useful.

(l) Final Determination: Burden and Standard of Proof; Specific Findings. – The Commission shall grant a certificate for a water transfer if the Commission finds that the applicant has established by a preponderance of the evidence all of the following:

(1) The benefits of the proposed transfer outweigh the detriments of the proposed transfer. In making this determination, the Commission shall be guided by the approved environmental document and the policy set out in subsection (s) of this section.

(2) The detriments have been or will be mitigated to the maximum degree practicable.

(3) The amount of the transfer does not exceed the amount of the projected shortfall under the applicant's water supply plan after first taking into account all other sources of water that are available to the applicant.

(4) There are no reasonable alternatives to the proposed transfer.

(m) Final Determination: Certificate Conditions and Limitations. – The Commission may grant the certificate in whole or in part, or deny the certificate. The Commission may impose any conditions or limitations on a certificate that the Commission finds necessary to achieve the purposes of this Part. The conditions and limitations shall include any mitigation measures proposed by the applicant to minimize any detrimental effects within the source and receiving river basins. In addition, the certificate shall require all of the following conditions and limitations:

(1) A water conservation plan that specifies the water conservation measures that will be implemented by the applicant in the receiving river basin to ensure the efficient use of the transferred water. The water conservation plan shall provide for the mandatory implementation of water conservation measures by the applicant that equal or exceed the most stringent water conservation plan implemented by a public water system that withdraws water from the source river basin.

(2) A drought management plan that specifies how the transfer shall be managed to protect the source river basin during drought conditions or other emergencies that occur within the source river basin. This drought management plan shall include mandatory reductions in the permitted amount of the transfer based on the severity and duration of a drought occurring within the source river basin and shall provide for the mandatory implementation of a drought management plan by the applicant that equals or exceeds the most stringent water conservation plan implemented by a public water system that withdraws water from the source river basin.

(3) The maximum amount of water that may be transferred on a daily basis, and methods or devices required to be installed and operated that measure the amount of water that is transferred.

(4) A provision that the Commission may amend a certificate to reduce the maximum amount of water authorized to be transferred whenever it appears that an alternative source of water is available to the certificate holder from within the receiving river basin, including, but not limited to, the purchase of water from another water supplier within the receiving basin or to the transfer of water from another sub-basin within the receiving major river basin.

(5) A provision that the Commission shall amend the certificate to reduce the maximum amount of water authorized to be transferred if the Commission finds that the applicant's current projected water needs are significantly less than the applicant's projected water needs at the time the certificate was granted.

(6) Except as provided in this subdivision, a provision that the applicant will not resell the water that would be transferred pursuant to the certificate to another public water supply system. In the case of a petition where the applicant proposes to furnish water to another

public water supply system within the receiving river basin, the Commission may approve a certificate that contemplates the resale if each jurisdiction included within the regional water supply system is a co-applicant for the transfer and will be subject to all the terms, conditions, and limitations made applicable to the primary applicant.

(n) Administrative and Judicial Review. – Administrative and judicial review of a final decision by the Commission on a petition for a certificate under this section shall be governed by Chapter 150B of the General Statutes.

(o) Certain Preexisting Transfers. – In cases where an applicant requests approval to increase a transfer that existed on 1 July 1993, the Commission may approve or disapprove only the amount of the increase. If the Commission approves the increase, the certificate shall be issued for the amount of the preexisting transfer plus any increase approved by the Commission. A certificate for a transfer approved by the Commission under G.S. 162A-7 shall remain in effect as approved by the Commission and shall have the same effect as a certificate issued under this Part. A certificate for the increase of a preexisting transfer shall contain all of the conditions and limitations required by subsection (m) of this section.

(p) Emergency Transfers. – In the case of water supply problems caused by drought, a pollution incident, temporary failure of a water plant, or any other temporary condition in which the public health requires a transfer of water, the Secretary of Environment and Natural Resources may grant approval for a temporary transfer. Prior to approving a temporary transfer, the Secretary shall consult with those parties listed in subdivision (3) of subsection (c) of this section that are likely to be affected by the proposed transfer. However, the Secretary shall not be required to satisfy the public notice requirements of this section or make written findings of fact and conclusions of law in approving a temporary transfer under this subsection. If the Secretary approves a temporary transfer under this subsection, the Secretary shall specify conditions to protect other water users. A temporary transfer shall not exceed six months in duration, but the approval may be renewed for a period of six months by the Secretary based on demonstrated need as set forth in this subsection.

(q) Relationship to Federal Law. – The substantive restrictions, conditions, and limitations upon surface water transfers authorized in this section may be imposed pursuant to any federal law that permits the State to certify, restrict, or condition any new or continuing transfers or related activities licensed, relicensed, or otherwise authorized by the federal government. This section shall govern the transfer of water from one river basin to another unless preempted by federal law.

(r) Planning Requirements. – When any transfer for which a certificate was issued under this section equals or exceeds eighty percent (80%) of the maximum amount authorized in the certificate, the applicant shall submit to the Department a detailed plan that specifies how the applicant intends to address future foreseeable water needs. If the applicant is required to have a local water supply plan, then this plan shall be an amendment to the local water supply plan required by G.S.143-355(l). When the transfer equals or exceeds ninety percent (90%) of the maximum amount authorized in

the certificate, the applicant shall begin implementation of the plan submitted to the Department.

(s) Statement of Policy. – It is the public policy of the State to maintain, protect, and enhance water quality within North Carolina. It is the public policy of this State that projected future water needs in a receiving river basin are subordinate to projected future water needs in a source river basin. Further, it is the public policy of the State that the cumulative impact of transfers from a source river basin shall not result in a violation of the antidegradation policy set out in 40 Code of Federal Regulations § 131.12 (1 July 2006 Edition) and the statewide antidegradation policy adopted pursuant thereto.

(t) Fee. – An applicant for a certificate under this section shall pay a fee of ten thousand dollars ($10,000) to the Commission for processing a petition for a certificate. The applicant shall pay the fee at the time the applicant submits the petition for a certificate to the Commission."

SECTION 4. G.S. 113A-8.1 reads as rewritten:

"**§ 113A-8.1. Surface water transfers.**

An environmental assessment shall be prepared for any transfer for which a petition is filed in accordance with ~~G.S. 143-215.22I.~~G.S. 143-215.22L. The determination of whether an environmental impact statement is needed with regard to the proposed transfer shall be made in accordance with the provisions of this Article."

SECTION 5. G.S. 143-215.6A(a)(9) reads as rewritten:

"(9) Is required, but fails, to apply for or to secure a certificate required by ~~G.S. 143-215.22I,~~ G.S. 143-215.22L, or who violates or fails to act in accordance with the terms, conditions, or requirements of the certificate."

SECTION 6. This act becomes effective when it becomes law and applies to any petition for a certificate for a transfer of surface water from one river basin to another river basin made on or after that date.

MINUTES

The Senate Finance Committee met in room 544 of the Legislative Office Building, on Friday, July 27, 2007, at 11:00 a.m. Twenty members of the committee were present. Senator David Hoyle presided.

H.B. 177 – Comm. Coll./Participate in Energy Loan Prog.

Representative Tolson was recognized to explain the bill. Senator Stevens moved for a favorable report and the motion carried. A copy of the bill and the summary is attached.

H.B. 628 – Uniform Graduated Co-Payment MH/DD/SA Svcs.

Representative Insko was recognized to explain the bill. Senator Purcell moved for a favorable report and division was called. The bill was displaced. A copy of the bill, the summary, and the fiscal note is attached.

H.B. 546 – Gen. Stat. Comm. Tech. Corrections – Arts.

Representative Ross was recognized to explain the bill. Copies of the bill were not yet available so the bill was displaced.

H.B. 1259 – Historic Rehabilitation Tax Credit.

The bill was taken up and Senator Kerr motioned for a favorable report. The motion carried. A copy of the bill and the summary is attached.

S.B. 1214 – Amend Interstate Compact/Adult Offenders.

Senator Rand was recognized to explain the bill and moved for a favorable report. The motion carried. A copy of the bill and the summary is attached.

H.B. 562 – Morrisville Annexation.

Senator Cowell was recognized to explain the bill. Senator Stevens moved for a favorable report and the motion carried. A copy of the bill and the summary is attached.

The meeting adjourned at 11:25 a.m.

A BILL TO BE ENTITLED

AN ACT AUTHORIZING COMMUNITY COLLEGE BOARDS TO SECURE LOANS UNDER THE ENERGY IMPROVEMENT LOAN PROGRAM.

The General Assembly of North Carolina enacts:

SECTION 1. G.S. 115D-20 reads as rewritten:

"**§ 115D-20. Powers and duties of trustees.**

The trustees of each institution shall constitute the local administrative board of such institution, with such powers and duties as are provided in this Chapter and as are delegated to it by the State Board of Community Colleges. The powers and duties of trustees shall include the following:

...

(10) To enter into guaranteed energy savings contracts pursuant to Part 2 of Article 3B of Chapter 143 of the General Statutes.

HOUSE BILL 177:
Comm. Coll./Participate in Energy Loan Prog

BILL ANALYSIS

Committee:	House Education	**Date:**	March 21, 2007
Introduced by:	Rep. Tolson	**Summary by:**	Heather Fennell
Version:	Third Edition		Committee Counsel

SUMMARY: The third edition of House Bill 177 would authorize local community college boards to enter into loans under the Energy Improvement Loan Program.

CURRENT LAW: The Business Energy Improvement Program was created in 2000 to give information and assistance, including low cost loans, for energy efficient improvements to businesses in North Carolina. In 2001, the title of the program was changed to the Energy Improvement Loan Program, and the beneficiaries of the program were expanded to include local governmental units and nonprofit organizations. For the purposes of this program, the term "local governmental units" is defined to include any board of a community college.

G.S. 143-345.18 authorizes the Department of Administration to:

- establish a revolving fund for secured loans in amounts not greater than $500,000 per entity to install energy-efficient capital improvements within local governmental units.
- develop and adopt rules to allow State-regulated financial institutions to provide secured loans to local government units in accordance with terms and criteria established by the department.

BILL ANALYSIS: G.S. 115D-20 provides certain powers and duties to the trustees of the local administrative boards of community colleges. Subsection (10) of G.S. 115D-20 currently authorizes trustees to enter into guaranteed energy savings contracts under Part 2 of Article 3B of Chapter 143 of the General Statutes. A guaranteed energy savings contract is a contract for the evaluation, recommendation, or implementation of energy conservation measures, including the design and installation of equipment, or the replacement of existing equipment. Payments for the contracts must be made over time, and the energy savings must be guaranteed to exceed costs.

The third edition of House Bill 177 would add a new subsection authorizing trustees of individual community colleges to enter into loan agreements under the Energy Improvement Loan Program (EILP) found in Chapter 143, Article 36, Part 3. EILP provides low interest loans for eligible conservation measures to qualifying organizations. The loans can be repaid from the energy savings these improvements generate. The time period of the loan equals the average payback time of the conservation measures, but cannot exceed 10 years.

EFFECTIVE DATE: This bill is effective when it becomes law.

A BILL TO BE ENTITLED

AN ACT TO CREATE A UNIFORM CO-PAYMENT SCHEDULE FOR MH/DD/SA SERVICES AS RECOMMENDED BY THE JOINT LEGISLATIVE OVERSIGHT COMMITTEE FOR MENTAL HEALTH, DEVELOPMENTAL DISABILITIES, AND SUBSTANCE ABUSE SERVICES.

The General Assembly of North Carolina enacts:

SECTION 1. G.S. 122C-146 reads as rewritten:

"**§ 122C-146. ~~Fee for service.~~Uniform co-payment schedule.**

(a) The ~~area authority~~LME and its contractual provider agencies shall ~~prepare fee schedules~~ implement the co-payment schedule based on family income adopted by the Secretary ~~for services and~~ under G.S. 122C-112.1(a)(34). The LME is responsible for determining the applicability of the co-payment to individuals authorized by the LME to receive services. An LME that provides services and its contractual provider agencies shall also make every reasonable effort to collect appropriate reimbursement for costs in providing these services from individuals or entities able to pay, including insurance and third-party ~~payment, except that individuals~~ payments. However, no individual may be refused services because of an inability to pay.

(b) Individuals may not be charged for free services, as required in "The Amendments to the Education of the Handicapped Act", P.L. 99-457, provided to eligible infants and toddlers and their families. This exemption from charges does not exempt insurers or other third-party payors from being charged for payment for these services, if the person who is legally responsible for any eligible infant or toddler is first advised that the person may or may not grant permission for the insurer or other payor to be billed for the free services. ~~However, no individual may be refused services because of an inability to pay.~~

(c) All funds collected from ~~fees from area authority~~co-payments for LME operated services shall be used ~~for the fiscal operation or capital improvements of the area authority's programs.~~to provide services to individuals in targeted populations.

The collection of ~~fees~~ co-payments by ~~an area authority~~ an LME that provides services may not be used as justification for reduction or replacement of the budgeted commitment of local tax revenue. All funds collected from co-payments by contractual provider agencies shall be used to provide services to individuals in targeted populations."

SECTION 2. G.S. 122C-112.1(a) is amended by adding a new subdivision to read:

"**§ 122C-112.1. Powers and duties of the Secretary.**

(a) The Secretary shall do all of the following:

...

(34) Adopt rules for the implementation of a co-payment graduated schedule to be used by LMEs and by contractual provider agencies under G.S. 122C-146. The co-payment graduated schedule shall be developed to require a co-payment for services identified by the Secretary. Families whose family income is four hundred percent (400%) or greater of the federal poverty level are eligible for services with the applicable co-payment."

SECTION 3. The Secretary of the Department of Health and Human Services shall identify all services that are funded by or through the Department's budget and that do not require income-based criteria in order for an individual to be eligible to receive the service. The Secretary shall develop a proposal for implementing income-based criteria for eligibility for those programs and shall submit the proposal to the General Assembly and the Fiscal Research Division by November 1, 2007.

SECTION 4. Section 1 of this act becomes effective July 1, 2008, and applies to services provided on or after that date. The remainder of this act is effective when it becomes law.

HOUSE BILL 628:
Uniform Graduated Co-paymt - MH/DD/SA Svces

BILL ANALYSIS

Committee:	Senate Finance	**Date:**	July 26, 2007
Introduced by:	Rep. Insko	**Summary by:**	Cindy Avrette
Version:	Fourth Edition		Committee Counsel

SUMMARY: ***House Bill 628[1] would authorize the Department of Health and Human Services (Department) to create a statewide uniform sliding fee schedule for Local Management Entity (LME) authorized MH/DD/SAS services and would require funds collected from these fees by contractual provider agencies be used to provide services to individuals in targeted populations. The LMEs that may impose the fees are the ones that provide the services.***

The bill would also direct the Department to identify and develop a proposal to address services that do not have income-related eligibility. The Department must submit its proposal by November 1, 2007.

This bill is a recommendation of the Joint Legislative Oversight Committee on Mental Health, Developmental Disabilities and Substance Abuse Services. It received a favorable report from the House Committee on Mental Health Reform.

CURRENT LAW: LMEs are responsible for the management and oversight of the public system of mental health, developmental disabilities, and substance abuse services at the community level. A LME may be an area authority, a county program, or a consolidated human services agency. A LME may provide the services or it may contract with a public or private entity for the implementation of the services. A LME or the contractual agency providing the services is required to prepare a fee schedule for the services and make reasonable efforts to collect appropriate reimbursement for costs from individuals or entities based on an ability to pay.[2]

A survey of LMEs by the Division of Mental Heath, Developmental Disabilities, and Substance Abuse Services (Division) during the fall of 2006 showed there is no uniformity across the State regarding fee schedules. LMEs may or may not use the same fee schedule for all services. Some look at gross income, others do not. Some set an income floor below which no fee is charged, others do not. All LMEs that reported on their sliding fee scale had a maximum income above which no relief was provided. However, those maximum incomes ranged from $7,200 to $99,000 for a family of one. Two LMEs charged for "no shows", but the vast majority did not. Only one LME had a maximum monthly liability limit.[3]

BILL ANALYSIS: House Bill 628 directs the Department to adopt rules that would implement a standard fee schedule and a sliding fee schedule to be used by LMEs and contractual provider agencies for locally authorized services. The Division is hiring a consultant to help determine the appropriate fee schedule. It is anticipated that it may take as long as a year for the schedule to be completed. The proposed committee substitute assumes that the standard fee schedule will be completed by July 1, 2008, and thus provides that the LMEs that provide the services and their contractual provider agencies must begin applying the standardized fees for services offered on or after July 1, 2008.

[1] As introduced, the bill is identical to Senate Bill 1265.

[2] G.S. 122C-146

[3] Joint Legislative Oversight Committee on Mental Health, Developmental Disabilities, and Substance Abuse Services Report to the 2007 General Assembly

Effective July 1, 2008, the bill requires funds collected from fees by contractual provider agencies be used to provide services to individuals in targeted populations. A 'targeted population' is defined as individuals who are given service priority under the State Plan. Presently, the use of the funds collected by contractual provider agencies varies from LME to LME.

The bill further directs the Department to submit to the General Assembly and the Fiscal Research Division by November 1, 2007, a proposal to address program services that do not have income-based criteria for eligibility.

EFFECTIVE DATE: Section 1 of the bill, which directs the LMEs and contractual provider agencies to implement the standardized fee schedule, would become effective July 1, 2008, and apply to services offered on or after that date. The remainder of the bill would become effective when it becomes law.

PRINCIPAL DEPARTMENT(S) & PROGRAM(S) AFFECTED: Department of Health and Human Services, Division of Mental Health, Developmental Disabilities, and Substance Abuse Services, Local Management Entities

EFFECTIVE DATE: Section 1 of this act becomes effective July 1, 2008 and only applies to services provided on or after that date. The remainder of this act is effective when it becomes law.

BILL SUMMARY:

Currently, Local Management Entities (LMEs) and their contractual agencies are required to prepare fee schedules for services and make reasonable efforts to collect appropriate reimbursement for costs from individuals or entities based on ability to pay. House Bill 628 would direct LMEs and private providers to implement a standardized co-payment schedule based on family income and rules adopted by the Secretary of the Department of Health and Human Services (DHHS). The LME would be responsible for determining the co-payment for individuals who the LME authorizes to receive services. The Secretary is directed to adopt rules to implement a co-payment graduated schedule to be used by LMEs and private providers. Families whose income is 400% or greater of the Federal Poverty Level are eligible for services subject to the applicable co-pay.

ASSUMPTIONS AND METHODOLOGY:

Revenues: Currently, fees from LME-operated services collected under G.S.122C-146 are used for the fiscal operation or capital improvements of the LME. HB 628 amends G.S. 122C-146 in the following ways:

- Changes the fee to a co-payment and to specify that the LME is responsible for determining the applicability of the co-payment to individuals authorized by the LME to receive services.
- Changes the use of these funds (currently "fees" and proposed to be "co-payments") from fiscal operation or capital improvements to service provision to targeted populations.
- Modifies the non-supplant language to state that the collection of co-payments by an LME *that provides services* may not be used as justification for reduction or replacement of the budgeted commitment of local tax revenue (italics added for emphasis). Currently the collection of fees by any LME (not just one providing services) may not be used as justification for the reduction or replacement of budgeted commitment of local tax revenue.
- Adds that all funds collected from co-payments by contractual provider agency shall be used to provide services to targeted populations.

A new, statewide co-payment schedule will change the amount of receipts collected at the local level and therefore the amount of resources available for service provision. However, because the new co-payment schedule is not yet known, it is impossible to estimate the revenue to be generated by the new schedule and whether it would increase or decrease local revenue.

Expenditures: The Division of Mental Health, Developmental Disabilities, and Substance Abuse Services (DMHDDSAS) plans to hire a contractor to assist them in developing the standardized co-payment schedule required in HB 628. The contractor would establish the statewide co-payment schedule for mental health, developmental disability, and substance abuse services and establish standardized policies and procedures for the implementation of the standardized co-payment schedule. This work would also include a comprehensive review of fee and co-payment schedules and policies in other states for mental health, developmental disability, and substance abuse services which are administered on a statewide basis.

DMHDDSAS estimates that this contract should not exceed $70,000. DMHDDSAS expects to pay for this contract out of existing funds during FY 2007-08 from the Trust Fund for Mental Health, Developmental Disabilities, and Substance Abuse Services and Bridge Funding Needs.

In addition to establishing the co-payment schedule, policies, and procedures, the Department of Health and Human Services will also need to implement rules for this standardized co-payment schedule. There is no anticipated additional cost for this because rule implementation is within the scope of the Department's existing work.

Additionally, the LMEs and MH/DD/SA providers may need to update or change their computer systems based on the new, standardized co-payment schedule. For example, LMEs will need to implement a method for indicating to providers whether or not a family authorized for services is

subject to the co-payment schedule. However, LMEs and providers routinely change their systems to reflect payment changes for third party insurers, and any changes from this statewide co-payment schedule are likely to be within the scope of those routine changes.

A BILL TO BE ENTITLED

AN ACT TO REMOVE THE SUNSET ON THE PASS-THROUGH ENTITY ALLOCATION PROVISIONS OF THE HISTORIC REHABILITATION TAX CREDIT.

The General Assembly of North Carolina enacts:

SECTION 1. Section 9 of S.L. 1999-389, as amended by Section 19(a) of S.L. 2001-476 and Section 1 of S.L. 2003-415, reads as rewritten:

"**Section 9.** Sections 1 through 6 of this act are effective for taxable years beginning on or after January 1, 1999. ~~G.S. 105-129.35(b), as amended by this act, is repealed effective January 1, 2008, for property placed in service on or after that date.~~ Sections 7 and 8 of this act become effective for taxable years beginning on or after January 1, 2000. The remainder of this act is effective when it becomes law."

SECTION 2. This act is effective when it becomes law.

HOUSE BILL 1259:
Historic Rehabilitation Tax Credit

BILL ANALYSIS

Committee:	Senate Finance	**Date:**	July 27, 2007
Introduced by:	Rep. Howard	**Summary by:**	Cindy Avrette
Version:	First Edition		Committee Counsel

SUMMARY: House Bill 1259 removes the sunset on the pass-through entity allocation provisions of the historic rehabilitation tax credit. The bill is effective when it becomes law.

CURRENT LAW: North Carolina allows an income tax credit[1] to taxpayers that qualify for the federal historic rehabilitation tax credit.[2] The amount of the credit is equal to 20% of the expenses of rehabilitating an income-producing historic structure.[3] A pass-through entity may qualify for the rehabilitation credit and pass the credits on to its owners.[4]

For most State tax credits, a pass-through entity is required to allocate the credit among its owners in the same proportion that other items, such as the federal rehabilitation credit, are allocated under the Internal Revenue Code. Under the Internal Revenue Code, tax credits are allocated among S corporation shareholders in accordance with their pro rata share of the corporation, which is determined on the basis of stock ownership, [5] and tax credits are allocated among partners in a partnership in accordance with the partnership agreement.[6] However, in 1999, the General Assembly amended the law to provide for the separate sale of the historic tax credit for income-producing property by allowing a pass-through entity to allocate the tax credit among its owners at its discretion. The allocation of the credit allows the tax credit to be utilized more fully since it can be redistributed to North Carolina investors with State income tax liability. The owner's adjusted basis in the pass-through entity must be equal to at least 40% of the amount of credit allocated to the owner.[7] Each year an allocated credit is claimed, the pass-through entity and its owners must include a statement with their tax return that shows both the allocation made and the allocation that would otherwise have been required under G.S. 105-131.8 and G.S. 105-269.15.

BILL ANALYSIS: The provisions of State law allowing the allocation of the credit among the owners of a pass-through entity will expire for taxable years beginning on or after January 1, 2008. The original provision would have expired for taxable years beginning on or after January 1, 2002. S.L. 2001-476 extended the provision for two years and S.L. 2003-415 extended it for four more years. This act would repeal the sunset so that the credit could continue to be allocated among the owners of a pass-through entity.

---

[1] G.S. 105-129.35. The credit may not be taken for the tax year the property is placed in service but must be taken in installments over five years after the historic structure is placed in service. Any unused portion of a credit may be carried forward for a five-year period.

[2] The federal tax credit is available for rehabilitating only income-producing historic structures. The federal credit amount is equal to 20% of the rehabilitation expenses.

[3] North Carolina also allows an income tax credit of 30% of the expenses of rehabilitating an historic structure that is not income-producing, and thus not eligible for the federal income tax credit.

[4] A pass-through entity is an entity, such as a partnership, a limited liability company, or a Subchapter S corporation, that is treated as owned by individuals or other entities under federal tax law and whose income, losses, and credits are reported by the owners on their State income tax returns.

[5] State law provides that the tax credit allowed a shareholder in a Subchapter S corporation is based on the percentage of stock held by the shareholder in the corporation. G.S. 105-131.8.

[6] State law provides that the tax credit allowed a partner is based on the partnership agreement, which must have substantial economic effect, which means that the allocation agreement must reflect the economic interest of the partners in the partnership and cannot be based solely on tax consequences. G.S. 105-269.15.

[7] S.L. 2003-415. Prior to 2003, the amount of credit allocated to an owner could not exceed the owner's adjusted basis in the entity.

A BILL TO BE ENTITLED

AN ACT TO AMEND THE INTERSTATE COMPACT FOR THE SUPERVISION OF ADULT OFFENDERS.

The General Assembly of North Carolina enacts:

SECTION 1. Article 4B of Chapter 148 of the General Statutes reads as rewritten:

"Article 4B.

"Interstate Compact for ~~the Supervision of Adult Offenders.~~ Adult Offender Supervision.

"**§ 148-65.4. Short title.**

This Article may be cited as "The Interstate Compact for ~~the Supervision of Adult Offenders~~Adult Offender Supervision".

"**§ 148-65.5. Governor to execute compact; form of compact.**

The Governor of North Carolina is authorized and directed to execute a compact on behalf of the State of North Carolina with any state of the United States legally joining therein in the form substantially as follows:

Preamble.

Whereas: The Interstate Compact for the Supervision of Parolees and Probationers was established in 1937, it is the earliest corrections "compact" established among the states, and has not been amended since its adoption over 62 years ago;

Whereas: This compact is the only vehicle for the controlled movement of adult parolees and probationers across state lines, and it currently has jurisdiction over more than a quarter of a million offenders;

Whereas: The complexities of the compact have become more difficult to administer, and many jurisdictions have expanded supervision expectations to include currently unregulated practices such as victim input, victim notification requirements, and sex offender registration;

Whereas: After hearings, national surveys, and a detailed study by a task force appointed by the National Institute of Corrections, the overwhelming recommendation has been to amend the document to bring about an effective management capacity that addresses public safety concerns and offender accountability;

Whereas: The General Assembly hereby finds, determines, and declares that this act is necessary for the immediate preservation of the public peace, health, and safety. The Governor is hereby authorized and directed to enter into a compact on behalf of the State of North Carolina with any state of the United States and other territorial possessions of the United States legally joining therein in the form substantially as follows;

Whereas: Upon the adoption of this Interstate Compact for ~~the Supervision of Adult Offenders,~~ Adult Offender Supervision, it is the intention of the General Assembly to repeal the previous Interstate Compact for the Supervision of Parolees and Probationers one year after the effective date of this compact.

...

Article IV.
The State Council.

(a) Each member state shall create a State Council for Interstate Adult Offender Supervision that shall be responsible for the appointment of the commissioner who shall serve on the Interstate Commission from that state. Each state council shall appoint as its commissioner the Compact Administrator from that state to serve on the Interstate Commission in such capacity under or pursuant to applicable law of the member state. While each member state may determine the membership of its own state council, its membership must include at least one representative from the legislative, judicial, and executive branches of government, victims groups, and compact administrators.

(b) Each compacting state retains the right to determine the qualifications of the Compact Administrator, who shall be appointed by the state council or by the Governor in consultation with the legislature and the judiciary. In addition to appointment of its own commissioner to the National Interstate Commission, each state council shall exercise oversight and advocacy concerning its participation in Interstate Commission activities and other duties as may be determined by each member state including, but not limited to, development of policy operations and procedures of the compact within that state.

...

"§ 148-65.6. Implementation of the compact.

(a) The North Carolina State Council for Interstate Adult Offender Supervision shall be established, consisting of ~~11~~ 14 members. ~~The Secretary of Correction, or the Secretary's designee, shall serve as the Compact Administrator for the State of North Carolina and as North Carolina's Commissioner to the Interstate Compact Commission. The Secretary of Correction, or the Secretary's designee, is a member of the State Council and serves as chairperson of the State Council.~~ North Carolina's Commissioner to the Interstate Compact Commission is a member of the State Council and serves as

chair of the State Council. The remaining members of the State Council shall consist of the following:

(1) One member representing the executive branch, to be appointed by the Governor;

(2) One member from a victim's assistance group, to be appointed by the Governor;

(3) One at-large member, to be appointed by the Governor;

(4) One member of the Senate, to be appointed by the President Pro Tempore of the Senate;

(5) One member of the House of Representatives, to be appointed by the Speaker of the House of Representatives;

(6) A superior court judge, to be appointed by the Chief Justice of the Supreme Court; ~~and~~

(6a) A district court judge, to be appointed by the Chief Justice of the Supreme Court;

(7) Four members representing the Division of Community Corrections, to be appointed by the Director of the Division of Community ~~Corrections.~~Corrections;

(8) A district attorney, to be appointed by the Governor; and

(9) A sheriff, to be appointed by the Governor.

(a1) The Governor, in consultation with the legislature and judiciary, shall appoint the Compact Administrator. The Compact Administrator shall be appointed by the State Council as North Carolina's Commissioner to the Interstate Compact Commission.

(b) The State Council shall meet at least twice a year and may also hold special meetings at the call of the chairperson. All terms are for three years.

(c) The State Council may advise the Compact Administrator on participation in the Interstate Commission activities and administration of the compact.

(d) The members of the State Council shall serve without compensation but shall be reimbursed for necessary travel and subsistence expenses in accordance with the policies of the Office of State Budget and Management.

(e) The State Council shall act in an advisory capacity to the Secretary of Correction concerning this State's participation in Interstate Commission activities and other duties as may be determined by each member state, including recommendations for policy concerning the operations and procedures of the compact within this State.

(f) The Governor shall by executive order provide for any other matters necessary for implementation of the compact at the time that it becomes effective, and, except as otherwise provided for in this section, the State Council may promulgate rules or regulations necessary to implement and administer the compact.

"**§ 148-65.7. ~~Supervision fee.~~ Fees.**

(a) Persons convicted in this State who make a request for transfer to another state pursuant to the compact shall pay a transfer application of one hundred fifty dollars ($150.00) for each transfer application submitted. The transfer application fee shall be paid to the Compact Commissioner upon submission of the transfer application. The Commissioner or the Commissioner's designee may waive the application fee if either

the Commissioner or the Commissioner's designee finds that payment of the fee will constitute an undue economic burden on the offender.

All fees collected pursuant to this section shall be deposited in the Interstate Compact Fund and shall be used only to support administration of the Interstate Compact.

The Interstate Compact Fund is established within the Department of Correction as a nonreverting, interest-bearing special revenue account. Accordingly, revenue in the Fund at the end of a fiscal year does not revert, and interest and other investment income earned by the Fund shall be credited to it. All moneys collected by the Department of Correction pursuant to this subsection shall be remitted to the State Treasurer to be deposited and held in this Fund. Moneys in the Fund shall be used to supplement funds otherwise available to the Department of Correction for the administration of the Interstate Compact.

(b) Persons supervised in this State pursuant to this compact shall pay the supervision fee specified in G.S. 15A-1374(c). The fee shall be paid to the clerk of court in the county in which the person initially receives supervision services in this State. The Commissioner or the Commissioner's designee may waive the fee if either the Commissioner or the Commissioner's designee finds that payment of the fee will constitute an undue economic burden on the offender.

"§ 148-65.8. Interstate parole and probation hearing procedures.

(a) Where supervision of an offender is being administered pursuant to the Interstate Compact for ~~the Supervision of Adult Offenders,~~ Adult Offender Supervision, the appropriate judicial or administrative authorities in this State shall notify the Compact Administrator of the sending state whenever, in their view, consideration should be given to retaking or reincarceration for a parole, probation, or post-release supervision violation. Prior to the giving of any such notification, a hearing shall be held in accordance with this section within a reasonable time, unless such hearing is waived by the offender. ~~The appropriate officer or officers of this State shall, as soon as practicable following termination of any such hearing, report to the sending state, furnish a copy of the hearing record, and make recommendations regarding the disposition to be made of the offender by the sending state.~~ Pending any proceeding pursuant to this section, the appropriate officers of this State may take custody of and detain the offender involved for a period not to exceed 15 days prior to the ~~hearing and, if it appears to the hearing officer or officers that retaking or reincarceration is likely to follow, for such reasonable period after the hearing or waiver as may be necessary to arrange for the retaking or reincarceration.~~ hearing. The offender shall not be entitled to bail pending the hearing.

(b) Any hearing pursuant to this section may be before the Administrator of the Interstate Compact for ~~the Supervision of Adult Offenders,~~ Adult Offender Supervision, a deputy of the Administrator, any other person appointed by the Administrator, or any person authorized pursuant to the laws of this State to hear cases of alleged parole, probation, or post-release supervision violation, except that no hearing officer shall be the person making the allegation of violation.

(c) With respect to any hearing pursuant to this section, the offender:

(1) Shall have reasonable notice in writing of the nature and content of the allegations to be made, including notice that its purpose is to determine whether there is probable cause to believe that the offender has committed a violation that may lead to a revocation of parole, probation, or post-release supervision.

(2) Shall be permitted to advise with any persons whose assistance the offender reasonably desires, prior to the hearing.

(3) Shall have the right to confront and examine any persons who have made allegations against the offender, unless the hearing officer determines that such confrontation would present a substantial present or subsequent danger of harm to such person or persons.

(4) May admit, deny, or explain the violation alleged and may present proof, including affidavits and other evidence, in support of the offender's contentions. ~~A record of the proceedings shall be made and preserved.~~

(c1) A record of the hearing shall be made and preserved. As soon as practicable following termination of any hearing conducted pursuant to this section or the waiver of such hearing, the appropriate officer or officers of this State shall report to the sending state, furnish a copy of the hearing record, and make recommendations regarding the disposition to be made of the offender by the sending state. If the hearing recommendation is to retake or reincarcerate the offender, the hearing officer or officers may detain the offender until notice is received from the sending state. If the sending state provides notice that it intends to retake or reincarcerate the offender, the offender shall remain in custody for such reasonable period after the hearing or waiver as may be necessary to arrange for the retaking or reincarceration.

(d) In any case of alleged parole or probation violation by a person being supervised in another state pursuant to the Interstate Compact for ~~the Supervision of Adult Offenders,~~ Adult Offender Supervision, any appropriate judicial or administrative officer or agency in another state may hold a hearing on the alleged violation. Upon receipt of the record of a parole, probation, or post-release supervision violation hearing held in another state pursuant to a statute substantially similar to this section, that record shall have the same standing and effect as though the proceeding of which it is a record was had before the appropriate officer or officers in this State, and any recommendations contained in or accompanying the record shall be fully considered by the appropriate officer or officers of this State in making disposition of the matter.

"**§ 148-65.9. North Carolina sentence to be served in another jurisdiction.**

The Post-Release Supervision and Parole Commission, with the concurrence of the Secretary of Correction, may direct that the balance of any sentence imposed by the courts of this State shall be served concurrently with a sentence or sentences in another state or federal institution and may effect a transfer of custody of such individual to the other jurisdiction for such purpose. In the event the individual's sentence liability in the other jurisdiction terminates prior to the expiration of the individual's North Carolina sentence, the individual shall be either paroled (if eligible) or returned to the prison

department of this State, in the discretion of the Post-Release Supervision and Parole Commission."

SENATE BILL 1214:
Amend Interstate Compact/Adult Offenders.-AB

BILL ANALYSIS

Committee:	Senate Finance	**Date:**	July 26, 2007
Introduced by:	Sen. Rand	**Summary by:**	Heather Fennell
Version:	Second Edition		Committee Counsel

SUMMARY: ***Senate Bill 1214 would make technical corrections, expand the membership of the State Council, provide for appointment of the Compact Administrator and Commissioner in accord with the terms of the Compact, establish fees for in-state transfer applications, and modify procedures for hearings.***

CURRENT LAW: Article 4B of Chapter 148 established the Interstate Compact for the Supervision of Adult Offenders (ICSAO). The ICSAO provides for a joint compact among the states to track the location of offenders, transfer supervision authority in an orderly and efficient manner, and return offenders to their originating jurisdictions when necessary.

The Compact creates a State Council responsible for appointing a Commissioner to serve on the Interstate Compact Commission for that state. The Compact requires that the State Council appoint as Commissioner the Compact Administrator from that state. Each state retains the right to determine the qualifications of the Compact Administrator, who is appointed by either the State Council or by the Governor in consultation with the legislature and the judiciary.

G.S. 148-65.6 provides for implementation of the Compact. The North Carolina State Council consists of 11 members:

- Secretary of Correction (or designee) – Chairperson.
- 1 executive branch representative, 1 member from a victim's assistance group, and 1 at-large member, all appointed by the Governor.
- 1 member of the Senate, appointed by the President Pro Tempore.
- 1 member of the House of Representatives, appointed by the Speaker of the House.
- 1 superior court judge, appointed by the Chief Judge of the Supreme Court.
- 4 members representing the Division of Community Corrections, appointed by the Director of the Division of Community Corrections.

The Secretary of Correction, or designee, serves as the Compact Administrator and North Carolina's Commissioner to the Interstate Compact Commission.

G.S. 148-65.7 provides for supervision fees as specified in G.S. 15A-1374(c). G.S. 15A-1374(c) establishes a monthly fee of thirty dollars ($30.00) for parolee supervision. The fee is payable to the clerk of superior court of the county in which the offender initially receives supervision services in the State.

G.S. 148-65.8 provides the procedures for interstate parole and probation hearings.

- When the appropriate authorities determine that consideration should be given to retaking or reincarceration for a parole, probation, or post-release supervision violation by an offender supervised under the ICSAO, the Compact Administrator of the sending state must be notified.
- Prior to notification, a hearing must be held within a reasonable time unless waived by the offender. As soon as practicable following the hearing, the appropriate officer must report to the sending state, furnish a copy of the hearing record, and make recommendations regarding the offender's disposition by the sending state.
- Pending proceedings pursuant to this section, appropriate officers may take custody of and detain an offender for a period of not more than 15 days prior to the hearing. If it appears to the hearing officer that retaking or reincarceration is likely to follow, the offender may be detained for a reasonable period after the hearing or waiver as necessary for retaking or reincarceration.

BILL ANALYSIS: Senate Bill 1214 would make the following changes to Article 4B.

- Would make technical changes by correcting the title from "Interstate Compact for the Supervision of Adult Offenders" to "Interstate Compact for Adult Offender Supervision" throughout the Article.
- Would add 3 new members to the State Council in G.S. 148-65.6: 1) a district court judge to be appointed by the Chief Judge of the Supreme Court, 2) a district attorney, to be appointed by the Governor, and 3) a sheriff, to be appointed by the Governor.
- Would appoint the Commissioner as a member of the State Council in place of the Secretary of Correction, and would make the Commissioner the chair of the State Council. Would require the Governor to appoint the Compact Administrator in consultation with the legislature and judiciary, and would require the State Council to appoint the Compact Administrator as the Commissioner to the Interstate Compact Commission.
- Would add the following fees under G.S. 148-65.7. Persons convicted in NC who make a transfer request under the ICAOS would pay a transfer application fee of $150 for each transfer application submitted, payable to the Compact Commissioner. The Compact Commissioner may waive the fee if either the Commissioner or Commissioner's designee found the payment to be an undue economic burden on the offender. Fees would be deposited in the Interstate Compact Fund and used only in support of administration of the Interstate Compact.
- Would establish in G.S. 148-65.7 the Interstate Compact Fund within the Department of Correction as a nonreverting, interest-bearing special revenue account, used to supplement funds otherwise available to the Department of Corrections for administration of the Compact.
- Would allow the Commissioner or the Commissioner's designee to waive the fee for supervision in NC, which would remain at $30, if either felt that payment of the fee would constitute an undue economic burden on the offender.
- Would reorganize the procedures for interstate parole and probation hearings under G.S. 148-65.8 as follows.
  - Would eliminate the provisions under G.S. 148-65.8(a) regarding notice to other states and providing that the offender could be held for a reasonable period after the hearing or waiver of hearing as necessary if it appeared to hearing officers that retaking or reincarceration was likely.
  - Would add to subsection (a) the mandate that offenders are not entitled to bail pending hearings.
  - Would create a new subsection (c1) providing for recording of the hearing, notification to the sending state, and requiring that if the hearing recommendation was to retake or reincarcerate the offender, the hearing officer could detain the offender until notice was received from the sending state, and that if the sending state provided notice that it intended to retake or reincarcerate the offender, the offender must remain in custody after the hearing as necessary to arrange for the retaking.

EFFECTIVE DATE: This bill would become effective when it becomes law.

BACKGROUND: The 1937 Interstate Compact for the Supervision of Parolees and Probationers was replaced by the member states with the Interstate Compact for Adult Offender Supervision, which North Carolina adopted in 2002. All 50 states, the District of Columbia, Puerto Rico, and the Virgin Islands are members of the Compact.

GENERAL ASSEMBLY OF NORTH CAROLINA

SESSION 2007

HOUSE BILL 562*

Short Title:	Morrisville Annexations.	(Local)
Sponsors:	Representative T. Harrell.	
Referred to:	Local Government I, if favorable, Finance.	

March 12, 2007

A BILL TO BE ENTITLED

AN ACT TO AUTHORIZE THE TOWN OF MORRISVILLE TO ANNEX CERTAIN PROPERTIES CURRENTLY TOTALLY SURROUNDED BY THE CORPORATE LIMITS.

The General Assembly of North Carolina enacts:

SECTION 1. Notwithstanding the provisions of G.S. 160A-48, a municipality to which that section applies may adopt ordinances annexing property that, on February 15, 2007, was completely enclosed by the corporate limits of the municipality, if the ordinance makes a finding that the total acreage being annexed is less than five percent (5%) of the total acreage within the corporate limits of the municipality prior to the annexation and also either:

(1) Makes a finding based upon circumstances and evidence satisfactory to the municipality that the annexation is necessary for the orderly growth and development of the municipality; or

(2) Makes a finding based upon circumstances and evidence satisfactory to the municipality that the annexation improves the ability to provide public safety services.

SECTION 2. The procedure for recording any annexation under this act is as provided in G.S. 160A-51.

SECTION 3. Any annexation ordinance adopted under this act shall be adopted before December 31, 2017.

SECTION 4. This act applies only to the Town of Morrisville.

SECTION 5. This act is effective when it becomes law.

HOUSE BILL 562:
Morrisville Annexations

BILL ANALYSIS

Committee:	Senate Finance	**Date:**	July 27, 2007
Introduced by:	Rep. T. Harrell	**Summary by:**	Trina Griffin
Version:	First Edition		Committee Counsel

SUMMARY: House Bill 562 is a local bill that authorizes the Town of Morrisville to annex certain property that is totally surrounded by the corporate limits without being subject to the statutory requirement of development for urban purposes. This act is effective when it becomes law.

[As introduced, this bill was identical to S491, as introduced by Sen. Cowell, which is currently in House Local Government I .]

CURRENT LAW: North Carolina authorizes municipalities to involuntarily annex territory if specified criteria set out in G.S. 160A-48 are met. One of the requirements concerns the location of the property in relationship to the municipality's existing corporate boundaries: the area proposed to be annexed must be adjacent or contiguous to the municipality's boundaries. Specifically, at least 1/8 of the aggregate external boundaries of the area must coincide with the municipal boundary, and no part of the area may be included within the boundary of another incorporated municipality.

In addition to the general requirements concerning location of the area in relation to the municipality's existing boundaries, the area must also be "developed for urban purposes" by meeting one of several standards concerning population, density, and development.

BILL ANALYSIS:

House Bill 562 would authorize the annexation of an area currently surrounded by the existing city limits of Morrisville without being subject to the statutory requirement that part or all of the area to be annexed be developed for urban purposes as defined in G.S. 160A-48(c). Although the area to be annexed would not have to meet the development criteria, the town would still be required to follow the annexation procedures set out in Part 3 of Article 4A.

The bill further requires that the annexation ordinance make a finding that the total acreage being annexed is less than five percent (5%) of the total acreage within the corporate limits of the municipality prior to the annexation and that either:

- Based upon circumstances and evidence satisfactory to the municipality, the annexation is necessary for the orderly growth and development of the municipality; or
- Based upon circumstances and evidence satisfactory to the municipality, the annexation improves the ability to provide public safety services.

The annexation ordinance must be adopted before December 31, 2017.

EFFECTIVE DATE: This act is effective when it becomes law.

HOUSE BILL 859*

Senate Agriculture/Environment and Natural Resources Committee Substitute Adopted 7/26/07

Short Title: Nutrient Offset Program Transition. (Public)

Sponsors:

Referred to:

March 15, 2007

A BILL TO BE ENTITLED

AN ACT TO ESTABLISH TRANSITIONAL NUTRIENT OFFSET PAYMENTS AND TO DIRECT THE DEPARTMENT OF ENVIRONMENT AND NATURAL RESOURCES TO DEVELOP AND IMPLEMENT A PLAN TO TRANSITION THE NORTH CAROLINA ECOSYSTEM ENHANCEMENT PROGRAM NUTRIENT OFFSET PROGRAM FROM A FEE-BASED PROGRAM TO A PROGRAM BASED ON THE ACTUAL COSTS OF PROVIDING NUTRIENT CREDITS.

Whereas, the General Assembly established the Riparian Buffer Protection Program (G.S. 143-214.20) to provide alternatives for persons who would otherwise be required to maintain riparian buffers; and

Whereas, the General Assembly directed the Environmental Management Commission to establish a compensatory mitigation fee to be paid into the Riparian Buffer Restoration Fund; and

Whereas, the Environmental Management Commission adopted a revised schedule of compensatory mitigation fees for nutrient loading offsets on 12 January 2006 in accordance with the Administrative Procedure Act; and

Whereas, the General Assembly enacted S.L. 2006-215, as amended by S.L. 2006-218 and S.L. 2006-255, which established a temporary per pound factor and method of calculation for nutrient offset fees in lieu of the fee schedule adopted by the Environmental Management Commission and directed the Environmental Review Commission to study issues related to the nutrient offset payment program; and

Whereas, the Environmental Review Commission entered into a contract with Research Triangle Institute, International (RTI), to provide consultant services for a study of the costs associated with providing nutrient controls that are adequate to offset point source and nonpoint source discharges of nitrogen and other nutrients; and

Whereas, the Environmental Review Commission received the final report from RTI on 11 June 2007; and

Whereas, the final report from RTI recommended a nutrient offset payment factor for nitrogen in the Neuse River Basin of $25.77 per pound of nitrogen; and

Whereas, the final report from RTI recommended a nutrient offset payment factor for nitrogen in the Tar-Pamlico River Basin of $19.70 per pound of nitrogen; and

Whereas, the final report from RTI recommended a nutrient offset payment factor for phosphorous in the Tar-Pamlico River Basin of $26.02 per tenth of a pound of phosphorus; and

Whereas, the final report from RTI recommended that a 10% fee be added to the nutrient offset payments to cover the costs of program administration;

Now, therefore,

The General Assembly of North Carolina enacts:

SECTION 1. The per pound factors for nutrient offset payments are established as follows:

(1) For nitrogen in the Neuse River Basin, twenty-eight dollars and thirty-five cents ($28.35) per pound of nitrogen, calculated in accordance with the method used as of 1 January 2006 for determining pounds of nitrogen per acre.

(2) For nitrogen in the Tar-Pamlico River Basin, twenty-one dollars and sixty-seven cents ($21.67) per pound of nitrogen, calculated in accordance with the method used as of 1 January 2006 for determining pounds of nitrogen per acre.

(3) For phosphorous in the Tar-Pamlico River Basin, twenty-eight dollars and sixty-two cents ($28.62) per tenth of a pound of phosphorous.

SECTION 2. No later than 1 September 2009, the Department of Environment and Natural Resources shall develop and implement a plan to transition the North Carolina Ecosystem Enhancement Program nutrient offset program from a fee-based program to a program based on the actual costs of providing nutrient credits. The new program shall use the least cost alternative for providing nutrient offset credits consistent with rules adopted by the Environmental Management Commission for implementation of nutrient management strategies in the Neuse River Basin and the Tar-Pamlico River Basin.

SECTION 3. The Department of Environment and Natural Resources shall report on its progress in developing and implementing a new fee structure for the nutrient offset program to the Environmental Review Commission on 1 September 2008 and 1 March 2009.

SECTION 4. Nutrient offset payments may be used to partially offset the nitrogen loading requirements specified in 15A NCAC 2B .0234 and 2B .0235 for the Neuse River Basin and to partially offset the nitrogen and phosphorous loading requirements specified in 15A NCAC 2B .0258 for the Tar-Pamlico River Basin by payment into the Riparian Buffer Restoration Fund administered by the Department of Environment and Natural Resources. In addition, partial offset credits to meet the requirements of 15A NCAC 2B .0234, 2B .0235, and 2B .0258 may also be obtained through nutrient offset projects provided by organizations and parties not affiliated with the Department. All nutrient offset projects authorized under this section shall be

consistent with rules adopted by the Environmental Management Commission for implementation of nutrient management strategies in the Neuse River Basin and the Tar-Pamlico River Basin and shall be located within the same eight digit Cataloging Unit, designated by the United States Geological Survey, in which the associated nutrient loading takes place.

SECTION 5. This act becomes effective 1 September 2007 and applies to all nutrient offset payments, including those set out in 15A NCAC 2B .0240, as adopted by the Environmental Management Commission on 12 January 2006. The fee schedule set out in Section 1 of this act expires 1 September 2009.

HOUSE BILL 859:
Nutrient Offset Program Transition

BILL ANALYSIS

Committee:	Senate Finance	**Date:**	July 27, 2007
Introduced by:	Reps. Gibson, Allen	**Summary by:**	Jeff Hudson
Version:	Second Edition		Dan Ettefagh
			Committee Counsel

SUMMARY: ***House Bill 859 would provide for the transition of the Nutrient Offset Payment Program from a fee-based program to a program based on the actual costs of providing nutrient offsets.***

[As introduced, this bill was identical to S603, as introduced by Sen. Malone, which is currently in Senate Agriculture/Environment/Natural Resources.]

CURRENT LAW AND BACKGROUND:

During the 1999 Regular Session, the General Assembly established the Riparian Buffer Protection Program to provide alternatives for persons who would otherwise be required to maintain riparian buffers. The General Assembly also directed the Environmental Management Commission (EMC) to establish a schedule of compensatory mitigation fees for the program. In January, 2006, the EMC adopted a revised schedule of compensatory mitigation fees. There were a number of concerns expressed about the amount of increase in these nutrient offset payment fees. In response, the General Assembly enacted legislation during the 2006 Short Session to establish temporary nutrient offset payment fees in lieu of the fee schedule adopted by the EMC and directed the Environmental Review Commission (ERC) to study issues related to the nutrient offset payment program. The ERC entered into a contract with Research Triangle Institute, International (RTI), to provide consultant services for a study of the costs associated with providing nutrient controls adequate to offset point source and nonpoint source discharges of nitrogen and other nutrients. The ERC received the final report from RTI in June of 2007. In, the final report, RTI recommended:

- A nutrient offset payment factor for nitrogen in the Neuse River Basin of twenty-five dollars and seventy-seven cents ($25.77) per pound of nitrogen.
- A nutrient offset payment factor for nitrogen in the Tar-Pamlico River Basin of nineteen dollars and seventy cents ($19.70) per pound of nitrogen.
- A nutrient offset payment factor for phosphorous in the Tar-Pamlico River Basin of twenty-six dollars and two cents ($26.02) per tenth of a pound of phosphorus.
- A ten percent (10%) fee be added to the nutrient offset payments to cover the costs of program administration.

BILL ANALYSIS:

House Bill 859 would establish the following nutrient offset payment fees:

- For nitrogen in the Neuse River Basin, twenty-eight dollars and thirty-five cents ($28.35) per pound of nitrogen.
- For nitrogen in the Tar-Pamlico River Basin, twenty-one dollars and sixty-seven cents ($21.67) per pound of nitrogen.

- For phosphorous in the Tar-Pamlico River Basin, twenty-eight dollars and sixty-two cents ($28.62) per tenth of a pound of phosphorous.

This fee schedule would expire 1 September 2009.

House Bill 859 would require the Department of Environment and Natural Resources (DENR) to develop and implement a plan to transition the nutrient offset program from a fee-based program to a program based on the actual costs of providing nutrient credits no later than 1 September 2009. The bill would require DENR to report on its progress in developing and implementing the new fee structure to the ERC on 1 September 2008 and 1 March 2009.

House Bill 859 would provide that nutrient offset credits may be obtained through nutrient offset projects provided by organizations that are not affiliated with DENR. The bill would also provide that nutrient offset projects must be located within the same eight digit Cataloging Unit, designated by the United States Geological Survey, in which the associated nutrient loading takes place.

EFFECTIVE DATE: This act becomes effective 1 September 2007, and applies to all nutrient offset payments.

BILL SUMMARY:

House Bill 859 would establish the following nutrient offset payment fees:

- For nitrogen in the Neuse River Basin, twenty-eight dollars and thirty-five cents ($28.35) per pound of nitrogen.
- For nitrogen in the Tar-Pamlico River Basin, twenty-one dollars and sixty-seven cents ($21.67) per pound of nitrogen.
- For phosphorous in the Tar-Pamlico River Basin, twenty-eight dollars and sixty-two cents ($28.62) per tenth of a pound of phosphorous.

This fee schedule would expire September 1, 2009.

House Bill 859 would require the Department of Environment and Natural Resources (DENR) to develop and implement a plan to transition the nutrient offset program from a fee-based program to a program based on the actual costs of providing nutrient credits no later than September 1, 2009. The bill would require DENR to report on its progress in developing and implementing the new fee structure to the ERC on September 1, 2008 and March 1, 2009.

House Bill 859 would provide that nutrient offset credits may be obtained through nutrient offset projects provided by organizations that are not affiliated with DENR. The bill would also provide that nutrient offset projects must be located within the same eight digit Cataloging Unit, designated by the United States Geological Survey, in which the associated nutrient loading takes place.

ASSUMPTIONS AND METHODOLOGY:

The following tables demonstrate the amount of revenue generated using the fee schedule in this bill. Thus, the totals are pro-rated for FY 2007-08, reflecting the ten months of the year these fees will be in effect. They are also pro-rated for FY 2009-10, reflecting the two months of the year these fees will be in effect. Estimates beyond September 1, 2009 are not available because the bill directs the Department to transition this program from a fee-based program to a program based on actual costs. *Fees and costs beyond September 1, 2009 are not known at this time.*

A BILL TO BE ENTITLED

AN ACT TO CREATE A UNIFORM CO-PAYMENT SCHEDULE FOR MH/DD/SA SERVICES AS RECOMMENDED BY THE JOINT LEGISLATIVE OVERSIGHT COMMITTEE FOR MENTAL HEALTH, DEVELOPMENTAL DISABILITIES, AND SUBSTANCE ABUSE SERVICES.

The General Assembly of North Carolina enacts:

SECTION 1. G.S. 122C-146 reads as rewritten:

"**§ 122C-146. ~~Fee for service.~~Uniform co-payment schedule.**

(a) The ~~area authority~~LME and its contractual provider agencies shall ~~prepare fee schedules~~ implement the co-payment schedule based on family income adopted by the Secretary ~~for services and~~ under G.S. 122C-112.1(a)(34). The LME is responsible for determining the applicability of the co-payment to individuals authorized by the LME to receive services. An LME that provides services and its contractual provider agencies shall also make every reasonable effort to collect appropriate reimbursement for costs in providing these services from individuals or entities able to pay, including insurance and third-party ~~payment, except that individuals~~ payments. However, no individual may be refused services because of an inability to pay.

(b) Individuals may not be charged for free services, as required in "The Amendments to the Education of the Handicapped Act", P.L. 99-457, provided to eligible infants and toddlers and their families. This exemption from charges does not exempt insurers or other third-party payors from being charged for payment for these services, if the person who is legally responsible for any eligible infant or toddler is first advised that the person may or may not grant permission for the insurer or other payor to be billed for the free services. ~~However, no individual may be refused services because of an inability to pay.~~

(c) All funds collected from ~~fees from area authority~~co-payments for LME operated services shall be used ~~for the fiscal operation or capital improvements of the area authority's programs.~~to provide services to individuals in targeted populations.

The collection of ~~fees~~ co-payments by ~~an area authority~~ an LME that provides services may not be used as justification for reduction or replacement of the budgeted commitment of local tax revenue. All funds collected from co-payments by contractual provider agencies shall be used to provide services to individuals in targeted populations."

SECTION 2. G.S. 122C-112.1(a) is amended by adding a new subdivision to read:

"**§ 122C-112.1. Powers and duties of the Secretary.**

(a) The Secretary shall do all of the following:

...

(34) Adopt rules for the implementation of a co-payment graduated schedule to be used by LMEs and by contractual provider agencies under G.S. 122C-146. The co-payment graduated schedule shall be developed to require a co-payment for services identified by the Secretary. Families whose family income is four hundred percent (400%) or greater of the federal poverty level are eligible for services with the applicable co-payment."

SECTION 3. The Secretary of the Department of Health and Human Services shall identify all services that are funded by or through the Department's budget and that do not require income-based criteria in order for an individual to be eligible to receive the service. The Secretary shall develop a proposal for implementing income-based criteria for eligibility for those programs and shall submit the proposal to the General Assembly and the Fiscal Research Division by November 1, 2007.

SECTION 4. Section 1 of this act becomes effective July 1, 2008, and applies to services provided on or after that date. The remainder of this act is effective when it becomes law.

HOUSE BILL 628:
Uniform Graduated Co-paymt - MH/DD/SA Svces

BILL ANALYSIS

Committee:	Senate Finance	**Date:**	July 26, 2007
Introduced by:	Rep. Insko	**Summary by:**	Cindy Avrette
Version:	Fourth Edition		Committee Counsel

SUMMARY: ***House Bill 628[1] would authorize the Department of Health and Human Services (Department) to create a statewide uniform sliding fee schedule for Local Management Entity (LME) authorized MH/DD/SAS services and would require funds collected from these fees by contractual provider agencies be used to provide services to individuals in targeted populations. The LMEs that may impose the fees are the ones that provide the services.***

The bill would also direct the Department to identify and develop a proposal to address services that do not have income-related eligibility. The Department must submit its proposal by November 1, 2007.

This bill is a recommendation of the Joint Legislative Oversight Committee on Mental Health, Developmental Disabilities and Substance Abuse Services. It received a favorable report from the House Committee on Mental Health Reform.

CURRENT LAW: LMEs are responsible for the management and oversight of the public system of mental health, developmental disabilities, and substance abuse services at the community level. A LME may be an area authority, a county program, or a consolidated human services agency. A LME may provide the services or it may contract with a public or private entity for the implementation of the services. A LME or the contractual agency providing the services is required to prepare a fee schedule for the services and make reasonable efforts to collect appropriate reimbursement for costs from individuals or entities based on an ability to pay.[2]

A survey of LMEs by the Division of Mental Heath, Developmental Disabilities, and Substance Abuse Services (Division) during the fall of 2006 showed there is no uniformity across the State regarding fee schedules. LMEs may or may not use the same fee schedule for all services. Some look at gross income, others do not. Some set an income floor below which no fee is charged, others do not. All LMEs that reported on their sliding fee scale had a maximum income above which no relief was provided. However, those maximum incomes ranged from $7,200 to $99,000 for a family of one. Two LMEs charged for "no shows", but the vast majority did not. Only one LME had a maximum monthly liability limit.[3]

BILL ANALYSIS: House Bill 628 directs the Department to adopt rules that would implement a standard fee schedule and a sliding fee schedule to be used by LMEs and contractual provider agencies for locally authorized services. The Division is hiring a consultant to help determine the appropriate fee schedule. It is anticipated that it may take as long as a year for the schedule to be completed. The proposed committee substitute assumes that the standard fee schedule will be completed by July 1, 2008, and thus provides that the LMEs that provide the services and their contractual provider agencies must begin applying the standardized fees for services offered on or after July 1, 2008.

[1] As introduced, the bill is identical to Senate Bill 1265.

[3] Joint Legislative Oversight Committee on Mental Health, Developmental Disabilities, and Substance Abuse Services Report to the 2007 General Assembly

Effective July 1, 2008, the bill requires funds collected from fees by contractual provider agencies be used to provide services to individuals in targeted populations. A 'targeted population' is defined as individuals who are given service priority under the State Plan. Presently, the use of the funds collected by contractual provider agencies varies from LME to LME.

The bill further directs the Department to submit to the General Assembly and the Fiscal Research Division by November 1, 2007, a proposal to address program services that do not have income-based criteria for eligibility.

EFFECTIVE DATE: Section 1 of the bill, which directs the LMEs and contractual provider agencies to implement the standardized fee schedule, would become effective July 1, 2008, and apply to services offered on or after that date. The remainder of the bill would become effective when it becomes law.

EFFECTIVE DATE: Section 1 of this act becomes effective July 1, 2008 and only applies to services provided on or after that date. The remainder of this act is effective when it becomes law.

BILL SUMMARY:

Currently, Local Management Entities (LMEs) and their contractual agencies are required to prepare fee schedules for services and make reasonable efforts to collect appropriate reimbursement for costs from individuals or entities based on ability to pay. House Bill 628 would direct LMEs and private providers to implement a standardized co-payment schedule based on family income and rules adopted by the Secretary of the Department of Health and Human Services (DHHS). The LME would be responsible for determining the co-payment for individuals who the LME authorizes to receive services. The Secretary is directed to adopt rules to implement a co-payment graduated schedule to be used by LMEs and private providers. Families whose income is 400% or greater of the Federal Poverty Level are eligible for services subject to the applicable co-pay.

ASSUMPTIONS AND METHODOLOGY:

Revenues: Currently, fees from LME-operated services collected under G.S.122C-146 are used for the fiscal operation or capital improvements of the LME. HB 628 amends G.S. 122C-146 in the following ways:

- Changes the fee to a co-payment and to specify that the LME is responsible for determining the applicability of the co-payment to individuals authorized by the LME to receive services.
- Changes the use of these funds (currently "fees" and proposed to be "co-payments") from fiscal operation or capital improvements to service provision to targeted populations.
- Modifies the non-supplant language to state that the collection of co-payments by an LME *that provides services* may not be used as justification for reduction or replacement of the budgeted commitment of local tax revenue (italics added for emphasis). Currently the collection of fees by any LME (not just one providing services) may not be used as justification for the reduction or replacement of budgeted commitment of local tax revenue.
- Adds that all funds collected from co-payments by contractual provider agency shall be used to provide services to targeted populations.

A new, statewide co-payment schedule will change the amount of receipts collected at the local level and therefore the amount of resources available for service provision. However, because the new co-payment schedule is not yet known, it is impossible to estimate the revenue to be generated by the new schedule and whether it would increase or decrease local revenue.

Expenditures: The Division of Mental Health, Developmental Disabilities, and Substance Abuse Services (DMHDDSAS) plans to hire a contractor to assist them in developing the standardized co-payment schedule required in HB 628. The contractor would establish the statewide co-payment schedule for mental health, developmental disability, and substance abuse services and establish standardized policies and procedures for the implementation of the standardized co-payment schedule. This work would also include a comprehensive review of fee and co-payment schedules and policies in other states for mental health, developmental disability, and substance abuse services which are administered on a statewide basis.

DMHDDSAS estimates that this contract should not exceed $70,000. DMHDDSAS expects to pay for this contract out of existing funds during FY 2007-08 from the Trust Fund for Mental Health, Developmental Disabilities, and Substance Abuse Services and Bridge Funding Needs.

In addition to establishing the co-payment schedule, policies, and procedures, the Department of Health and Human Services will also need to implement rules for this standardized co-payment schedule. There is no anticipated additional cost for this because rule implementation is within the scope of the Department's existing work.

Additionally, the LMEs and MH/DD/SA providers may need to update or change their computer systems based on the new, standardized co-payment schedule. For example, LMEs will need to implement a method for indicating to providers whether or not a family authorized for services is

subject to the co-payment schedule. However, LMEs and providers routinely change their systems to reflect payment changes for third party insurers, and any changes from this statewide co-payment schedule are likely to be within the scope of those routine changes.

A BILL TO BE ENTITLED

AN ACT TO MAKE TECHNICAL CORRECTIONS TO PROPERTY TAX, RETIREMENT SYSTEM, AND OTHER STATUTES RELATING TO THE NORTH CAROLINA STATE ART SOCIETY, AS RECOMMENDED BY THE GENERAL STATUTES COMMISSION.

The General Assembly of North Carolina enacts:

SECTION 1. G.S. 105-275(41) reads as rewritten:

"**§ 105-275. Property classified and excluded from the tax base.**

The following classes of property are hereby designated special classes under authority of Article V, Sec. 2(2), of the North Carolina Constitution and shall not be listed, appraised, assessed, or taxed:

...

(41) Objects of art held by the North Carolina State Art Society, Incorporated.

...."

SECTION 2. G.S. 135-27(d) reads as rewritten:

"(d) The governing board of any association or organization listed in subsection (a), in its discretion, may elect on or before July 1, 1983, by an appropriate resolution of said board, to cause the employees of such association or organization so employed prior to July 1, 1983, to become members of the Teachers' and State Employees' Retirement System. Such Retirement System coverage shall be conditioned on such association's or organization's paying all of the employer's contributions or matching funds from funds of the association or organization and on such board's collecting from its employees the employees' contributions at such rates as may be fixed by law and by the regulations of the Board of Trustees of the Retirement System, all of such funds to be paid to the Retirement System and placed in the appropriate funds. Retroactive coverage of the employees of any such association or organization may also be effected to the extent that such board requests; provided, the association or organization shall pay all of the employer's contributions or matching funds necessary for such purposes;

and, provided further, such association or organization shall collect from its employees all employees' contributions necessary for such purpose, computed at such rates and in such amount as the Board of Trustees of the Retirement System shall determine, all of such funds to be paid to the Retirement System, together with such interest as may be due, and placed in the appropriate funds. The provisions of this subsection shall be fully applicable to the North Carolina Symphony Society, Inc. and the North Carolina State Art Society, Inc."

SECTION 3. G.S. 135-40.2(f) reads as rewritten:

"(f) For the support of the benefits made available to any member vested at the time of retirement, their spouses or surviving spouses, and the surviving spouses of employees who are receiving a survivor's alternate benefit under G.S. 135-5(m) of those associations listed in G.S. 135-27(a), licensing and examining boards under G.S. 135-1.1, the North Carolina State Art Society, Inc., and the North Carolina Symphony Society, Inc., each association, organization or board shall pay to the Plan the full cost of providing these benefits under this section as determined by the Board of Trustees of the Teachers' and State Employees' Comprehensive Major Medical Plan. In addition, each association, organization or board shall pay to the Plan an amount equal to the cost of the benefits provided under this section to presently retired members of each association, organization or board since such benefits became available at no cost to the retired member."

SECTION 4. The title of Article 3 of Chapter 140 of the General Statutes reads as rewritten:

"Article 3.

North Carolina State Art Society."

SECTION 5. G.S. 140-5.13(d)(2) and (5) read as rewritten:

"(d) All initial appointments and elections to the Board of Trustees shall be made on July 1, 1980, or as soon as feasible thereafter except as provided in this subsection, and the terms of all except the legislative appointees shall expire on June 30, 1983, or June 30, 1986, as the case may be. In order to establish regularly overlapping terms, initial appointments and elections to the Board of Trustees shall be made as follows:

...

(2) One member shall be elected by the North Carolina State Art Society, Incorporated, for an initial term of three years and two members shall be elected by that Society for initial terms of six years.

...

(5) Three members shall be elected by the State Art Museum Building Commission to serve until the termination of that Commission or until June 30, 1983, whichever shall first occur. Upon the termination of the terms of those three members, should such termination occur prior to June 30, 1983, their successors shall be elected as follows: one by the North Carolina State Art Society, Incorporated, one by the North Carolina Museum of Art Foundation, Incorporated, and one by the Board of Trustees of the North Carolina Museum of Art; the terms of the successor members so elected shall expire on June 30, 1983. On

July 1, 1983, or as soon as feasible thereafter, the successors of these three members shall be elected for terms of six years, as follows: one by the North Carolina State Art Society, Incorporated, one by the North Carolina Museum of Art Foundation, Incorporated, and one by the Board of Trustees of the North Carolina Museum of Art.

A BILL TO BE ENTITLED

AN ACT TO CLARIFY THAT A LOCAL GOVERNMENT MAY NOT IMPOSE A TAX, FEE, OR MONETARY CONTRIBUTION FOR DEVELOPMENT THAT IS NOT SPECIFICALLY AUTHORIZED BY LAW.

The General Assembly of North Carolina enacts:

SECTION 1. G.S. 153A-320 reads as rewritten:

"**§ 153A-320. Territorial ~~jurisdiction.~~jurisdiction; limitation of authority.**

(a) Jurisdiction. – Each of the powers granted to counties by this ~~Article, by Chapter 157A, and~~ Article and by Chapter 160A, Article 19 may be exercised throughout the county except as otherwise provided in G.S. 160A-360.

(b) Limitation of Authority. – A county may not impose or exact a tax, fee, or monetary contribution for development or a development permit unless specifically authorized by law. The terms 'development' and 'development permit' have the same meanings as defined in G.S. 153A-349.2."

SECTION 2. G.S. 153A-349.1(b) reads as rewritten:

"(b) Local governments and agencies may enter into development agreements with developers, subject to the procedures and requirements of this Part. In entering into such agreements, a local government may not exercise any authority or make any commitment not authorized by general or local act and may not impose ~~any tax or fee~~ or exact a tax, fee, or monetary contribution not authorized by otherwise applicable law."

SECTION 3. The catch line of G.S. 160A-360 reads as rewritten:

"**§ 160A-360. Territorial ~~jurisdiction.~~jurisdiction; limitation of authority.**"

SECTION 4. G.S. 160A-360 is amended by adding a new subsection to read:

"(k) A city may not impose or exact a tax, fee, or monetary contribution for development or a development permit unless specifically authorized by law. The terms 'development' and 'development permit' have the same meanings as defined in G.S. 160A-400.21."

SECTION 5. G.S. 160A-400.20(b) reads as rewritten:

"(b) Local governments and agencies may enter into development agreements with developers, subject to the procedures and requirements of this Part. In entering into such agreements, a local government may not exercise any authority or make any commitment not authorized by general or local act and may not impose ~~any tax or fee~~ or exact a tax, fee, or monetary contribution not authorized by otherwise applicable law."

SECTION 6. Sections 2 and 5 of this act are effective when it becomes law and apply to development agreements entered into on or after that date. The remainder of this act is effective when it becomes law.

SENATE BILL 1180:
No Monetary Exaction for Development

BILL ANALYSIS

Committee:	Senate Finance	**Date:**	May 23, 2007
Introduced by:	Sen. Dalton	**Summary by:**	Cindy Avrette
Version:	First Edition		Committee Counsel

SUMMARY: Senate Bill 1180 clarifies that a local government may not impose or exact a tax, fee, or monetary contribution for development unless that authority is specifically granted by statute.

CURRENT LAW AND BACKGROUND: Local governments have the authority given to them by the State. In 2005, the General Assembly made substantial revisions to city and county planning and land-use management statutes. Part of those revisions included authorization of development agreements between a local government and a developer. In the laws concerning development agreements, the General Assembly made several findings. It recognized that large scale development often creates potential community impacts and that large-scale development requires careful integration between public capital facilities planning, financing, and construction and the phasing of the private development. The statute authorizing development agreements specifically states that a local government may not exercise any authority not authorized by general or local act and may not impose any tax or fee not otherwise authorized by law.

Between 1985 and 1991, the General Assembly gave three counties and several municipalities the authority to implement impact fees. Impact fees are charged by local governments to developers who wish to construct new properties. The revenue from the impact fees are used to pay for the construction of public facilities necessitated by the development. Since 1991, the General Assembly has not given any local government new impact fee authority.

Some local governments claim that special authority is not necessary to enable them to impose impact fees; that its imposition is a logical extension of their power to require developers to provide facilities or improvements as a condition to developing a property. However, the North Carolina Court of Appeals ruled in June 2006 in the case of *Durham Land Owners Association v. County of Durham* that it found no authority in a county's zoning and general police powers to support a county's statutory authority to impose a school impact fee.

In contract to an impact fee, local governments often use their subdivision and zoning authority to require exactions to address impacts of a proposed development.[1] The statutes specifically allow subdivision ordinances to require a developer to provide funds to enable the local government to acquire recreational land or areas to serve the development; to provide funds to be used for the development of roads to serve the development; to construct community service facilities; and to reserve school sites.[2]

Some local governments have adopted 'Adequate Public Facility' requirements based upon the zoning statute that says:

> "Zoning regulations shall be designed to promote the public health, safety, and general welfare. To that end, the regulations may address, among other things, the following public purposes: to provide adequate light and air; to prevent the overcrowding of land; to avoid undue concentration of

> population; to lessen congestion in the streets; to secure safety from fire, panic, and dangers; and to facilitate eh efficient and adequate provision of transportation, water, sewerage, schools, parks, and other public requirements."[3]

Under an Adequate Public Facility ordinance a development may not be approved if the facilities are inadequate to support the development. A few counties have used this authority to deny approval as an indirect way to impose school impact fees. Their ordinances provide that if there is inadequate school capacity a development cannot be approved; however, the developer has the option of voluntarily contributing a set 'fee' to advance the availability of the capacity and if that is done, the development can be approved.

BILL ANALYSIS: Senate Bill 1180 makes changes in the planning and regulation authorization statutes for both counties and cities. The bill amends the first statute in each Article to specifically prohibit a county or city from imposing or exacting a tax, fee, or monetary contribution for development or a development permit unless specifically authorized by law. The bill also specifies in the statutes that authorize counties and cities to enter into development agreements that a county or city may not, as part of that agreement, exact a monetary contribution not authorized by law. The law already prohibits the imposition of a tax or fee as part of a development agreement.

The statutes currently authorize the imposition of fees for 'over-the-counter' type services such as permits.[4] Case law has upheld the imposition of fee schedules for specific activities under these statutes; but not fees for providing general government services to the overall public, such as education.[5] Case law has also upheld cities' implicit authority to impose fees to fund capital improvements for water and sewer under the public enterprise statutes.[6] Lastly, as mentioned earlier in the summary, ordinances may require developers to provide roads, water, sewer, and recreational areas within a new subdivision. They may also require developers to construct community service facilities and to reserve school sites.

EFFECTIVE DATE: The bill is effective when it becomes law and the amendments to the statutes governing development agreements are applicable to development agreements entered into on or after that date.

Referred to:	Finance.	

March 22, 2007

A BILL TO BE ENTITLED

AN ACT TO REQUIRE COUNTIES AND CITIES TO PAY INTEREST ON ILLEGALLY EXACTED TAXES, FEES, OR MONETARY CONTRIBUTIONS FOR DEVELOPMENT THAT ARE NOT SPECIFICALLY AUTHORIZED BY LAW.

The General Assembly of North Carolina enacts:

SECTION 1. G.S. 153A-324 reads as rewritten:

"**§ 153A-324. Enforcement of ordinances.**

(a) In addition to the enforcement provisions of this Article and subject to the provisions of the ordinance, any ordinance adopted pursuant to this Article, to Chapter 157A, or to Chapter 160A, Article 19 may be enforced by any remedy provided by G.S. 153A-123.

(b) If the county is found to have illegally exacted a tax, fee, or monetary contribution for development or a development permit not specifically authorized by law, the county shall return the tax, fee, or monetary contribution plus interest of six percent (6%) per annum."

SECTION 2. G.S. 160A-363 is amended by adding a new subdivision to read:

"(e) If the city is found to have illegally exacted a tax, fee, or monetary contribution for development or a development permit not specifically authorized by law, the city shall return the tax, fee, or monetary contribution plus interest of six percent (6%) per annum."

SECTION 3. This act is effective when it becomes law.

A BILL TO BE ENTITLED

AN ACT TO PROVIDE FOR THE ENFORCEMENT OF TOLLS AT TOLL FACILITIES OPERATED BY THE NORTH CAROLINA TURNPIKE AUTHORITY, TO ALLOW USE OF STATE FUNDS USED TO SERVICE DEBT ON BONDS ISSUED BY THE NORTH CAROLINA TURNPIKE AUTHORITY, TO MODIFY STATUTES DEALING WITH RIGHT-OF-WAY REGISTRATION BY THE NORTH CAROLINA TURNPIKE AUTHORITY, TO MODIFY LAWS APPLICABLE TO THE NORTH CAROLINA TURNPIKE AUTHORITY, TO PROVIDE GAP FUNDING FOR PROJECTS BONDED BY THE NORTH CAROLINA TURNPIKE AUTHORITY, AND TO PROVIDE FOR AN INCREASE IN REVENUE TO HELP MAINTAIN AND PRESERVE THE INTRASTATE HIGHWAY SYSTEM.

The General Assembly of North Carolina enacts:

SECTION 1. Chapter 20 of the General Statutes is amended by adding a new Article to read:

"Article 18.

"Toll Violation Enforcement.

"**§ 20-400. Definitions.**

Unless the context requires otherwise, the following definitions apply to this Article to the defined words and phrases and their cognates:

(1) Authority. – The North Carolina Turnpike Authority acting directly or through its duly authorized officers or agents to collect tolls or fees for the use of any road, bridge, or tunnel.

(2) Toll facility. – Any road, bridge, or tunnel for which tolls or fees are charged for the use thereof.

(3) Processing agency. – A toll enforcement agent, designated by the Authority, responsible for the processing of the notices of toll evasions and notices of delinquent toll evasions. A processing agency may

include a public agency or private vendor that the Authority contracts with for the processing of notices of toll evasions and notices of delinquent toll evasions.

"**§ 20-401. Payment of toll on toll facilities required.**

(a) A person may not use any toll facility without payment of tolls, except as provided by statute, ordinance, or rule of the Authority.

(b) If a vehicle is found by automated devices, visual observation, or otherwise to have evaded tolls on any toll facility, the Authority, or a processing agency, shall, within 30 days of the violation, forward to the registered owner of the vehicle a notice of toll evasion violation setting forth the violation, including reference to the section violated, the approximate time, and the location of the violation. If accurate information concerning the identity and address of the registered owner of the vehicle is not available to the processing agency within 30 days of the violation, the processing agency shall have an additional 45 calendar days to obtain such information and forward the notice of toll evasion violation. Where the registered owner is a repeat violator, the processing agency shall forward the notice of toll evasion violation within 90 calendar days of the violation. "Repeat violator" means any registered owner that has had more than five violations issued pursuant to this section in any 30-day period within the preceding 12-month period. The notice of toll evasion violation shall also set forth the following:

(1) The vehicle license plate number.

(2) If practicable, the registration expiration date and the make of the vehicle.

(3) A clear and concise explanation of the procedures for contesting the violation and appealing an adverse decision.

(c) A violation of subsection (a) of this section is an infraction subject to a penalty established pursuant to G.S. 20-404(b). The collection of penalties assessed pursuant to the section shall be governed by the administrative procedures established by the Authority pursuant to G.S. 20-402.

"**§ 20-402. Administrative adjudication.**

The Authority shall establish a system of administrative adjudication to adjudicate alleged instances of a vehicle's operation on a toll facility without the required toll having been paid. The provisions of Chapter 150B of the General Statutes shall not apply to the Authority or its processing agents.

"**§ 20-403. Judicial review.**

(a) The contestant may seek judicial review of the processing agency's final decision by filing a written notice of appeal to the superior court, in the county where the alleged violation took place, within 20 days after the mailing of the final decision by the processing agency. The appeal shall be heard by a judge, with no right to a jury trial, and the standard of review shall be de novo. The contents of the processing agency's file in the case on appeal shall be received in evidence if the contents can be shown not to create an unfair prejudice toward the alleged violator. A copy of the notice of toll evasion violation shall be prima facie evidence of the facts stated therein. A copy of the

written notice of appeal shall be served upon the Authority or the processing agency in a manner consistent with Rule 4 of the North Carolina Rules of Civil Procedure.

(b) If no written notice of appeal of the processing agency's decision is filed within the period set forth in subsection (a) of this section, the decision shall be deemed final.

(c) If the toll evasion penalty has not been deposited and the decision is adverse to the contestant, the processing agency may, promptly after the decision becomes final, proceed to collect the penalty under G.S. 20-407.

"**§ 20-404. Toll evasion penalties.**

(a) The notice of toll evasion violation shall be accompanied by a written notice of the toll evasion penalty due for that violation and the address of the person authorized to receive a deposit of the toll evasion penalty, to whom payments may be sent, and a statement, in bold print, that payments of the toll evasion penalty for the toll evasion violation may be sent through the mail.

(b) A schedule of toll evasion penalties for toll evasion violations shall be established by the Authority, but shall not exceed the amount of the unpaid toll plus one hundred dollars ($100.00) per violation.

(c) Toll evasion penalties under this Article shall be collected as civil penalties.

(d) If the toll evasion penalty is received by the person authorized to receive the deposit of the toll evasion penalty and there is no contest as to that toll evasion violation, the proceedings under this Article shall terminate.

(e) The amount of the unpaid toll shall be retained by or remitted to the Authority. The Authority shall remit all penalties assessed pursuant to this Article to the Civil Penalty and Forfeiture Fund established pursuant to G.S. 115C-457.1.

"**§ 20-405. Notice of delinquent toll evasion violation.**

(a) If the payment of the toll evasion penalty is not received by the person authorized to receive a deposit of the toll evasion penalty by the time and date fixed for appearance on the notice of toll evasion violation, the processing agency shall serve or mail to the registered owner a notice of the delinquent toll evasion violation.

(b) Delivery of a notice of delinquent toll evasion violation under this section may be made by personal service or by first-class mail addressed to the registered owner.

(c) The notice of delinquent toll evasion violation shall contain the information specified in G.S. 20-401(b) and shall also contain a notice to the registered owner that, unless the registered owner pays the toll evasion penalty or contests the notice within 15 days after the date postmarked on the mailing of the notice of delinquent toll evasion violation or completes and files an affidavit of non-liability which complies with G.S. 20-406(a) or (b), the renewal of the vehicle registration shall be blocked by the Division until all tolls, penalties, and fees assessed pursuant to this Article are paid in full. If the registered owner, by appearance or by mail, makes payment to the processing agency within 15 days of the mailing of the notice of the delinquent toll evasion violation, the toll evasion penalty shall consist of the amount of the original penalty without any additional administrative fees or charges.

(d) If the registered owner fails to pay the toll evasion penalty, as required, or fails to contest the violation, as provided in G.S. 20-401(b)(3), the registered owner shall be deemed responsible for the violation and the toll evasion penalty and any administrative fees or charges shall be due to the Authority by the registered owner.

(e) The notice of the delinquent toll evasion violation shall contain, or be accompanied with, an affidavit of non-liability and information of what constitutes non-liability, information as to the effect of executing the affidavit, and instructions for returning the affidavit to the Authority.

"**§ 20-406. Rentals and leases; evidence of sale.**

(a) If the affidavit of non-liability is returned to the agency within 30 days of the mailing of the notice of the toll evasion violation together with the proof of a written rental agreement or lease between a bona fide renting or leasing company and its customer which identifies the rentee or lessee and provides the drivers license number, name, and address of the rentee or lessee, the processing agency shall personally serve or mail, by first-class mail, to the rentee or lessee, identified in the affidavit of non-liability, a notice of the delinquent toll evasion violation. If payment is not received within 15 days of the mailing of the notice of the delinquent toll evasion violation, the processing agency may proceed against the rentee or lessee pursuant to G.S. 20-407.

(b) If the affidavit of non-liability is returned with evidence that the registered owner served has made a bona fide sale or transfer of the vehicle and has delivered possession thereof to the purchaser prior to the date of the alleged violation, the processing agency shall cancel the notice of the toll evasion violation with respect to the registered owner.

"**§ 20-407. Collection of unpaid toll evasion penalties.**

The processing agency shall proceed under one or more of the following options to collect an unpaid toll evasion penalty:

(a) The processing agency may file an itemization of unpaid toll evasion penalties and administrative and service fees with the Division.

(b) If more than four hundred dollars ($400.00) in unpaid penalties and fees have been accrued by any person or registered owner, the processing agency may file proof of unpaid penalties with the court that shall have the same effect as a civil judgment entered pursuant to Article 23 of Chapter 1 of the General Statutes. Execution may be levied and other measures may be taken for the collection of the judgment as are authorized for the collection of an unpaid civil judgment entered against a defendant in an action on a debtor. The court may assess costs against a judgment debtor to be paid upon satisfaction of the judgment. The processing agency shall send a notice by first-class mail to the person or registered owner indicating that a judgment shall be entered for the unpaid penalties, fees, and costs and that, after 30 days from the date of the mailing of the notice, the judgment shall have the same effect as an entry of judgment against a judgment debtor. The person or registered owner shall also be notified at that time that execution may be levied against his or her assets, liens may be placed against his or her property, his or her wages may be garnished, and other steps may be taken to satisfy the judgment. The filing fee plus any costs of collection shall be added to the judgment amount.

(c) The Authority may contract with a collection agency to collect unpaid toll evasion penalties, fees, and charges.

"**§ 20-408. Use of information.**

Any information obtained pursuant to this Article, through the use of automated devices, shall not be used for any purpose other than to identify and obtain the mailing address information of toll evasion violators and to facilitate the serving of notices of toll evasion violations and notices of delinquent toll evasion violations."

SECTION 2. Chapter 136 of the General Statutes is amended by adding a new section to read:

"**§ 136-89.188A. State funds used for debt service on bonds issued by the authority.**

Of funds appropriated to the Authority pursuant to the State Budget Act, the Authority may use the funds to:

(1) Pay capital costs of Turnpike Projects undertaken by the Authority.

(2) Pay operating and maintenance expenses with respect to such Turnpike Projects including operating and maintenance expenses associated with the operation of the Turnpike Projects as toll facilities.

(3) Pay debt service on revenue bonds issued by the Authority to finance the costs of one or more Turnpike Projects.

(4) To fund related operating reserves or debt service reserves.

The General Assembly hereby acknowledges that the undertaking by the Authority of the construction of Turnpike Projects will result in the construction and use of those transportation facilities many years in advance of when such construction and use would otherwise occur, and that the financing of the Turnpike Projects in whole or in part from bonds to be paid from user tolls will greatly reduce the amount of traditional highway funding sources necessary to construct the Turnpike Projects.

Any appropriations to the Authority shall constitute an agreement by the State to pay the funds to the Authority within the meaning of G.S. 159-81(4). Notwithstanding the foregoing, it is the intention of the General Assembly that the enactment of this provision and the issuance of bonds or notes by the Authority in reliance thereon shall not in any manner constitute a pledge of the faith and credit and taxing power of the State, and nothing contained herein shall prohibit the General Assembly from amending its appropriations at any time to decrease or eliminate the amount annually appropriated to the Authority."

SECTION 3. G.S. 136-89.194 reads as rewritten:

"**§ 136-89.194. Laws applicable to the Authority; exceptions.**

(a) Motor Vehicle Laws. – The Turnpike System shall be considered a "highway" as defined in G.S. 20-4.01(13) and a "public vehicular area" as defined in G.S. 20-4.01(32). All law enforcement and emergency personnel, including the State Highway Patrol and the Division of Motor Vehicles, shall have the same powers and duties on the Turnpike System as on any other highway or public vehicular area.

(b) Contracting. – For the purposes of implementing this Article, the Authority shall solicit competitive proposals for the construction of Turnpike Projects in accordance with the provisions of Article 2 of this Chapter. Contracts for professional engineering services and other kinds of professional or specialized services necessary in

connection with construction of Turnpike Projects shall be solicited in accordance with procedures utilized by the Department of Transportation.

(c) Alternative Contracting Methods. – Notwithstanding the provisions of subsection (b) of this section, the Authority may authorize the use of alternative contracting methods if:

(1) The authorization applies to an individual project;

(2) The Authority has concluded, and documented in writing, that the alternative contracting method is necessary because the project cannot be completed utilizing the procedures of Article 2 of this Chapter within the necessary time frame or available funding or for other reasons the Authority deems in the public interest;

(3) The Authority has provided, to the extent possible, for the solicitation of competitive proposals prior to awarding a contract; and

(4) The approved alternative contracting method provides for reasonable compliance with the disadvantaged business participation goals of G.S. 136-28.4.

(d) Entry for Surveys. – The Turnpike Authority and its employees and contractors shall have the same right of entry for surveys, borings, soundings, or examinations as granted the Department of Transportation in G.S. 136-120.

(e) Documents and Records. – The diaries kept in connection with construction or repair contracts entered into by the Turnpike Authority and any analysis generated by any bid analysis and management system, including work papers, documents and the output of automated systems associated with the analyses of bids of the Turnpike Authority, shall have the same public record status as the records of the Department of Transportation in G.S. 136-28.5.

(f) Adjustment and Resolution of Turnpike Construction Claim. The provisions of G.S. 136-29 shall apply to the Turnpike Authority except that references in G.S. 136-29 to Turnpike Authority and the "State Highway Administrator" shall be to the "Turnpike Authority" and the "Chief Engineer", respectively. References in G.S. 136-29 to a "State Highway" shall be to a "Turnpike facility"."

SECTION 4. G.S. 47-30(l) reads as rewritten:

"(l) The provisions of this section shall not apply to the registration of highway right-of-way plans provided for in ~~G.S. 136-19.4 nor to~~G.S. 136-19.4, the Turnpike Authority right-of-way plans provided for in G.S. 136-89.184A, or to the registration of roadway corridor official maps provided in Article 2E of Chapter 136."

SECTION 5. Chapter 136 of the General Statutes is amended by adding a new section to read:

"**§ 136-89.184A. Registration of right-of-way plans.**

(a) A copy of the cover sheet and plan and profile sheets of the final right-of-way plans for all Turnpike Authority projects, on those projects for which plans are prepared, under which right-of-way or other interest in real property is acquired or access is controlled shall be certified by the Turnpike Authority to the register of deeds of the county or counties within which the project is located. The Authority shall certify

said plan sheets to the register of deeds within two weeks from their formal approval by the Board of Directors.

(b) The copy of the plans certified to the register of deeds shall consist of a Xerox, photographic, or other permanent copy, except for plans electronically transmitted pursuant to subsection (c) of this section, and shall measure approximately 17 inches by 11 inches including no less than one and one-half inches binding space on the left-hand side.

(c) With the approval of the county in which the right-of-way plans are to be filed, the Authority may transmit the plans electronically.

(d) Notwithstanding any other provision in the law, upon receipt of said original certified copy of the right-of-way plans, the register of deeds shall record said right-of-way plans and place the same in a book maintained for that purpose, and the register of deeds shall maintain a cross-index to said right-of-way plans by number of road affected, if any, and by identification number. No probate before the clerk of the superior court shall be required.

(e) If after the approval of said final right-of-way plans the Board of Directors shall by resolution alter or amend said right-of-way or control of access, the Turnpike Authority, within two weeks from the adoption by the Board of Directors of said alteration or amendment, shall certify to the register of deeds in the county or counties within which the project is located a copy of the amended plan and profile sheets approved by the Board of Directors and the register of deeds shall remove the original plan sheets and record the amended plan sheets in lieu thereof.

(f) The register of deeds in each county shall collect a fee from the Turnpike Authority for recording right-of-way plans and profile sheets in the amount set out in G.S. 161-10."

SECTION 6. Chapter 136 of the General Statutes is amended by adding a new section to read:

"**§ 136-89.184B. Project Cost Estimates.**

All cost estimates prepared for the purpose of comparing bids shall be confidential and shall not be disclosed until after the opening of bids for a project."

SECTION 7. G.S. 20-87(15) reads as rewritten:

"(5) Private Passenger Vehicles. – There shall be paid to the Division annually, as of the first day of January, for the registration and licensing of private passenger vehicles, fees according to the following classifications and schedules:

Private passenger vehicles of not more than fifteen passengers ..... ~~$28.00~~$38.00

Private passenger vehicles over fifteen passengers..... ~~31.00~~41.00

Provided, that a fee of only one dollar ($1.00) shall be charged for any vehicle given by the federal government to any veteran on account of any disability suffered during war so long as such vehicle is owned by the original donee or other veteran entitled to receive such gift under Title 38, section 252, United States Code Annotated. Of the registration fees collected pursuant to this subdivision, five dollars

($5.00) shall be credited by the Division to the Highway Fund for the maintenance and preservation of the Intrastate System as defined in G.S. 136-175(1) and five dollars ($5.00) shall be credited by the Division to the North Carolina Turnpike Authority to be used to provide debt service on bonds issued for Authority Projects."

SECTION 8. G.S. 20-88(b)(1) reads as rewritten:

"(1) The minimum fee for a vehicle licensed under this subsection is ~~twenty-four dollars ($24.00)~~thirty-four ($34.00) at the farmer rate and ~~twenty-eight dollars ($28.00)~~thirty-eight ($38.00) at the general rate. Of the registration fees collected pursuant to this subdivision, five dollars ($5.00) shall be credited by the Division to the Highway Fund for the maintenance and preservation of the Intrastate System as defined in G.S. 136-175(1) and five dollars ($5.00) shall be credited by the Division to the North Carolina Turnpike Authority to be used to provide debt service on bonds issued for Authority Projects."

SECTION 9. Sections 7 and 8 become effective October 1, 2007. The remainder of this act is effective when it becomes law.

PRINCIPAL DEPARTMENT(S) & PROGRAM(S) AFFECTED: North Carolina Turnpike Authority (NCTA); Division of Motor Vehicles (DMV); Civil Penalty and Forfeiture Fund; Judicial Branch; DOT

EFFECTIVE DATE: Sections 7 and 8 become effective October1, 2007; remainder effective when the bill becomes law.

BILL SUMMARY: The PCS for Senate Bill 1352 provides for enforcement at toll facilities operated by the North Carolina Turnpike Authority (NCTA), allows funds to be used to service debt on bonds issued by the NCTA, modifies statutes dealing with right-of-way registration by the NCTA, and modifies laws applicable to the NCTA. (Source: Legislative Drafting Division, *Bill Analysis, July 26, 2007.*)
Sections 7 and 8 increase the registration fees for most passenger vehicles from $28 to $38. Of the registration fees collected under these sections $5 would be credited to the Highway Fund for the maintenance and preservation of the Intrastate System and $5 would be credited to the North Carolina Turnpike Authority (NCTA) to pay debt service on bonds issued by the NCTA.

The current annual registration fee for most passenger vehicles is $28. The bill would increase annual registration fees by $10 to $38 for private passenger vehicles of not more than fifteen passengers and to $41 for private passenger vehicles over fifteen passengers. The bill would also increase the minimum annual registration fee for a vehicle licensed under G.S. 20-88 Property-hauling vehicles by $10 to $34 at the farmer rate and to $38 at the general rate.

ASSUMPTIONS AND METHODOLOGY:
Sections 1-6:
The actual start of toll operations for the North Carolina Turnpike Authority is expected to be late in calendar year 2010. For the purpose of this fiscal note it is assumed that FY10-11 is a full year of operations. However, actual first year costs and revenues for the Turnpike Authority are likely to be lower than shown.
A fiscal impact is expected for the following agencies:

North Carolina Turnpike Authority (NCTA)
The NCTA estimates that its cost for processing violations will be as follows:

FY10-11	$1.8 million
FY11-12	$2.0

The source of these funds will be toll revenues. The NCTA notes that it has not yet determined the computer systems, data formats, or communications systems that will be used to enforce the tolls.

Division of Motor Vehicles (DMV)
The exact division of responsibility between DMV and NCTA has not been established. DMV indicates that extensive and complex modifications to the State Titling and Registration System (STARS) and the International Registration Plan (IRP) will be required. DMV estimates the total cost of these modifications as $754,800. Discussion between NCTA and DMV could lead to changes in this estimate. Also, the timing of the need for the modifications will depend on the actual NCTA start of operations and could be later than shown above.

SENATE BILL 1180:
No Monetary Exaction for Development

BILL ANALYSIS

Committee:	Senate Finance	**Date:**	July 27, 2007
Introduced by:	Sen. Dalton	**Summary by:**	Cindy Avrette
Version:	First Edition		Committee Counsel

SUMMARY: Senate Bill 1180 clarifies that a local government may not impose or exact a tax, fee, or monetary contribution for development unless that authority is specifically granted by statute.

CURRENT LAW AND BACKGROUND: Local governments have the authority given to them by the State. In 2005, the General Assembly made substantial revisions to city and county planning and land-use management statutes. Part of those revisions included authorization of development agreements between a local government and a developer. In the laws concerning development agreements, the General Assembly made several findings. It recognized that large scale development often creates potential community impacts and that large-scale development requires careful integration between public capital facilities planning, financing, and construction and the phasing of the private development. The statute authorizing development agreements specifically states that a local government may not exercise any authority not authorized by general or local act and may not impose any tax or fee not otherwise authorized by law.

Between 1985 and 1991, the General Assembly gave three counties and several municipalities the authority to implement impact fees. Impact fees are charged by local governments to developers who wish to construct new properties. The revenue from the impact fees are used to pay for the construction of public facilities necessitated by the development. Since 1991, the General Assembly has not given any local government new impact fee authority.

Some local governments claim that special authority is not necessary to enable them to impose impact fees; that its imposition is a logical extension of their power to require developers to provide facilities or improvements as a condition to developing a property. However, the North Carolina Court of Appeals ruled in June 2006 in the case of *Durham Land Owners Association v. County of Durham* that it found no authority in a county's zoning and general police powers to support a county's statutory authority to impose a school impact fee.

In contract to an impact fee, local governments often use their subdivision and zoning authority to require exactions to address impacts of a proposed development.[1] The statutes specifically allow subdivision ordinances to require a developer to provide funds to enable the local government to acquire recreational land or areas to serve the development; to provide funds to be used for the development of roads to serve the development; to construct community service facilities; and to reserve school sites.[2]

Some local governments have adopted 'Adequate Public Facility' requirements based upon the zoning statute that says:

> "Zoning regulations shall be designed to promote the public health, safety, and general welfare. To that end, the regulations may address, among other things, the following public purposes: to provide adequate light and air; to prevent the overcrowding of land; to avoid undue concentration of

[1] Article 18 of Chapter 153A and Article 19 of Chapter 160A.
[2] G.S. 153A-331 and G.S. 160A-372.

> population; to lessen congestion in the streets; to secure safety from fire, panic, and dangers; and to facilitate eh efficient and adequate provision of transportation, water, sewerage, schools, parks, and other public requirements."[3]

Under an Adequate Public Facility ordinance a development may not be approved if the facilities are inadequate to support the development. A few counties have used this authority to deny approval as an indirect way to impose school impact fees. Their ordinances provide that if there is inadequate school capacity a development cannot be approved; however, the developer has the option of voluntarily contributing a set 'fee' to advance the availability of the capacity and if that is done, the development can be approved.

BILL ANALYSIS: Senate Bill 1180 makes changes in the planning and regulation authorization statutes for both counties and cities. The bill amends the first statute in each Article to specifically prohibit a county or city from imposing or exacting a tax, fee, or monetary contribution for development or a development permit unless specifically authorized by law. The bill also specifies in the statutes that authorize counties and cities to enter into development agreements that a county or city may not, as part of that agreement, exact a monetary contribution not authorized by law. The law already prohibits the imposition of a tax or fee as part of a development agreement.

The statutes currently authorize the imposition of fees for 'over-the-counter' type services such as permits.[4] Case law has upheld the imposition of fee schedules for specific activities under these statutes; but not fees for providing general government services to the overall public, such as education.[5] Case law has also upheld cities' implicit authority to impose fees to fund capital improvements for water and sewer under the public enterprise statutes.[6] Lastly, as mentioned earlier in the summary, ordinances may require developers to provide roads, water, sewer, and recreational areas within a new subdivision. They may also require developers to construct community service facilities and to reserve school sites.

EFFECTIVE DATE: The bill is effective when it becomes law and the amendments to the statutes governing development agreements are applicable to development agreements entered into on or after that date.

SENATE BILL 1180:
No Monetary Exaction for Development

BILL ANALYSIS

Committee:	Senate Finance	**Date:**	July 27, 2007
Introduced by:	Sen. Dalton	**Summary by:**	Cindy Avrette
Version:	First Edition		Committee Counsel

SUMMARY: Senate Bill 1180 clarifies that a local government may not impose or exact a tax, fee, or monetary contribution for development unless that authority is specifically granted by statute.

CURRENT LAW AND BACKGROUND: Local governments have the authority given to them by the State. In 2005, the General Assembly made substantial revisions to city and county planning and land-use management statutes. Part of those revisions included authorization of development agreements between a local government and a developer. In the laws concerning development agreements, the General Assembly made several findings. It recognized that large scale development often creates potential community impacts and that large-scale development requires careful integration between public capital facilities planning, financing, and construction and the phasing of the private development. The statute authorizing development agreements specifically states that a local government may not exercise any authority not authorized by general or local act and may not impose any tax or fee not otherwise authorized by law.

Between 1985 and 1991, the General Assembly gave three counties and several municipalities the authority to implement impact fees. Impact fees are charged by local governments to developers who wish to construct new properties. The revenue from the impact fees are used to pay for the construction of public facilities necessitated by the development. Since 1991, the General Assembly has not given any local government new impact fee authority.

Some local governments claim that special authority is not necessary to enable them to impose impact fees; that its imposition is a logical extension of their power to require developers to provide facilities or improvements as a condition to developing a property. However, the North Carolina Court of Appeals ruled in June 2006 in the case of *Durham Land Owners Association v. County of Durham* that it found no authority in a county's zoning and general police powers to support a county's statutory authority to impose a school impact fee.

In contract to an impact fee, local governments often use their subdivision and zoning authority to require exactions to address impacts of a proposed development.[1] The statutes specifically allow subdivision ordinances to require a developer to provide funds to enable the local government to acquire recreational land or areas to serve the development; to provide funds to be used for the development of roads to serve the development; to construct community service facilities; and to reserve school sites.[2]

Some local governments have adopted 'Adequate Public Facility' requirements based upon the zoning statute that says:

> "Zoning regulations shall be designed to promote the public health, safety, and general welfare. To that end, the regulations may address, among other things, the following public purposes: to provide adequate light and air; to prevent the overcrowding of land; to avoid undue concentration of

> population; to lessen congestion in the streets; to secure safety from fire, panic, and dangers; and to facilitate eh efficient and adequate provision of transportation, water, sewerage, schools, parks, and other public requirements."[3]

Under an Adequate Public Facility ordinance a development may not be approved if the facilities are inadequate to support the development. A few counties have used this authority to deny approval as an indirect way to impose school impact fees. Their ordinances provide that if there is inadequate school capacity a development cannot be approved; however, the developer has the option of voluntarily contributing a set 'fee' to advance the availability of the capacity and if that is done, the development can be approved.

BILL ANALYSIS: Senate Bill 1180 makes changes in the planning and regulation authorization statutes for both counties and cities. The bill amends the first statute in each Article to specifically prohibit a county or city from imposing or exacting a tax, fee, or monetary contribution for development or a development permit unless specifically authorized by law. The bill also specifies in the statutes that authorize counties and cities to enter into development agreements that a county or city may not, as part of that agreement, exact a monetary contribution not authorized by law. The law already prohibits the imposition of a tax or fee as part of a development agreement.

The statutes currently authorize the imposition of fees for 'over-the-counter' type services such as permits.[4] Case law has upheld the imposition of fee schedules for specific activities under these statutes; but not fees for providing general government services to the overall public, such as education.[5] Case law has also upheld cities' implicit authority to impose fees to fund capital improvements for water and sewer under the public enterprise statutes.[6] Lastly, as mentioned earlier in the summary, ordinances may require developers to provide roads, water, sewer, and recreational areas within a new subdivision. Judicial System

The NCTA estimates that toll violations/infractions will constitute roughly 3 percent of annual transactions, with most cases disposed via payment of the imposed penalty or through the NCTA's administrative adjudication process. However, a small percentage of defendants are expected to seek judicial review in Superior Court – an estimated 306 cases in CY 2011 and 378 cases in CY 2012.

Based on the NCTA's five-year judicial review estimates, the Administrative Office of the Courts estimates that 345 cases (5 yr. avg.) will be heard in Superior Court annually, and will require approximately two additional hours of court-time per case. These 690 additional hours of court-time are estimated to cost $155,000 annually (based on a 6-hour court day in superior court at a cost of $1,344 per day for a civil, non-jury proceeding). Although lower first-year costs will be incurred due to the operational date for the first toll facility (late 2010), this analysis assumes that FY 2010-11 will be a full year of operation.

Civil Penalty and Forfeiture Fund

The NCTA is required by the bill to establish a schedule of toll evasion penalties not to exceed the unpaid toll plus $100 per violation. The penalties collected will be remitted to the Civil Penalty and Forfeiture Fund. The amount will depend on the penalties set and is not currently known.

Sections 7-8:

Annual registration fees would be increased by $10 for approximately 6.5 million vehicles under this bill, increasing annual revenues by approximately $65 million ($49 million in the first partial year).

The funds collected ($10 of the registration fee collected for each vehicle) would be used for two purposes ($5 for each):

- North Carolina Turnpike Authority (NCTA) gap funding –
  Gap funding is the difference between the amount of funding needed to pay the debt service on a turnpike project and the revenues available for debt service from tolls.

- Maintenance and preservation of the Intrastate System, which is defined in G.S. 136-175(1) as "the network of major, multilane arterial highways composed of those routes, segments, or corridors listed in G.S. 136-178, and any other route added by the Department of Transportation under G.S. 136-178."

SENATE BILL 1435

Short Title:	Amend Funeral Serv. Prac./Other Related Laws.	(Public)
Sponsors:	Senator Atwater.	
Referred to:	Commerce, Small Business and Entrepreneurship.	

March 26, 2007

A BILL TO BE ENTITLED

AN ACT AMENDING THE LAWS PERTAINING TO THE PRACTICE OF FUNERAL SERVICE, MUTUAL BURIAL ASSOCIATIONS, PRENEED FUNERAL FUNDS, AND CREMATIONS.

The General Assembly of North Carolina enacts:

SECTION 1. G.S. 90-210.18A reads as rewritten:

"**§ 90-210.18A. Board of Funeral Service created; qualifications; vacancies; removal.**

(a) The General Assembly declares that the practice of funeral service affects the public health, safety, and welfare and is subject to regulation and control in the public interest. The public interest requires that only qualified persons be permitted to practice funeral service in North Carolina and that the profession merit the confidence of the public. This Article shall be liberally construed to accomplish these ends.

(b) The North Carolina Board of Funeral Service is created and shall regulate the practice of funeral service in this State. The Board shall have nine members as follows:

(1) Four members appointed by the Governor from nominees recommended by the North Carolina Funeral Directors Association, Inc. These members shall be persons licensed under this Article.

(2) Two members appointed by the Governor from nominees recommended by the Funeral Directors & Morticians Association of North Carolina, Inc. These members shall be persons licensed under this Article.

(3) One member appointed by the Governor who is licensed under this Article and who is not affiliated with any funeral service trade association.

(4) One member appointed by the General Assembly, upon the recommendation of the President Pro Tempore of the Senate. This member shall be a person who is not licensed under this Article or employed by a person who is licensed under this Article.

(5) One member appointed by the General Assembly, upon the recommendation of the Speaker of the House of Representatives. This member shall be a person who is not licensed under this Article or employed by a person who is licensed under this Article.

Members of the Board shall serve staggered three-year terms, ending on ~~June 30~~December 1 of the last year of the term or when a successor has been duly appointed, whichever is later. No member may serve more than two complete consecutive terms.

(c) Vacancies. – A vacancy shall be filled in the same manner as the original appointment, except that all unexpired terms of Board members appointed by the General Assembly shall be filled in accordance with G.S. 120-122. Appointees to fill vacancies shall serve the remainder of the unexpired term and until their successors have been duly appointed and qualified.

(d) Removal. – The Board may remove any of its members for neglect of duty, incompetence, or unprofessional conduct. A member subject to disciplinary proceedings as a licensee shall be disqualified from participating in the official business of the Board until the charges have been resolved."

SECTION 2. G.S. 90-210.20 reads as rewritten:

"**§ 90-210.20. Definitions.**

(a) "Advertisement" means the publication, dissemination, circulation or placing before the public, or causing directly or indirectly to be made, published, disseminated or placed before the public, any announcement or statement in a newspaper, magazine, or other publication, or in the form of a book, notice, circular, pamphlet, letter, handbill, poster, bill, sign, placard, card, label or tag, or over any radio, television station, or electronic medium.

(b) "Board" means the North Carolina Board of Funeral Service.

(c) "Burial" includes interment in any form, cremation and the transportation of the dead human body as necessary therefor.

(c1) "Dead human bodies", as used in this Article includes fetuses beyond the second trimester and the ashes from cremated bodies.

(d) "Embalmer" means any person engaged in the practice of embalming.

(e) "Embalming" means the preservation and disinfection or attempted preservation and disinfection of dead human bodies by application of chemicals externally or internally or both and the practice of restorative art including the restoration or attempted restoration of the appearance of a dead human body. Embalming shall not include the washing or use of soap and water to cleanse or prepare a dead human body for disposition by the authorized agents, family, or friends of the deceased who do so privately without pay or as part of the ritual washing and preparation of dead human bodies prescribed by religious practices; provided, that no dead human body shall be handled in a manner inconsistent with G.S. 130A-395.

(e1) ~~"Funeral chapel"~~ "Chapel" means a chapel or other facility separate from the funeral establishment premises for the primary purpose of reposing of dead human bodies, visitation or funeral ceremony that is owned, operated, or maintained by a funeral establishment ~~or other licensee~~ under this Article, and that does not use the word "funeral" in its name, on a sign, in a directory, in advertising or in any other manner; in

which or on the premises of which there is not displayed any caskets or other funeral merchandise; in which or on the premises of which there is not located any preparation room; and which no owner, operator, employee, or agent thereof represents the chapel to be a funeral establishment.

(f) "Funeral directing" means engaging in the practice of funeral service except embalming.

(g) "Funeral director" means any person engaged in the practice of funeral directing.

(h) "Funeral establishment" means every place or premises devoted to or used in the care, arrangement and preparation for the funeral and final disposition of dead human bodies and maintained for the convenience of the public in connection with dead human bodies or as the place for carrying on the ~~profession~~ practice of funeral service.

(i) "Funeral service licensee" means a person who is duly licensed and engaged in the practice of funeral service.

(j) "Funeral service" means the aggregate of all funeral service licensees and their duties and responsibilities in connection with the funeral as an organized, purposeful, time-limited, flexible, group-centered response to death.

(k) "Practice of funeral service" means engaging in the care or disposition of dead human bodies or in the practice of disinfecting and preparing by embalming or otherwise dead human bodies for the funeral service, transportation, burial or cremation, or in the practice of funeral directing or embalming as presently known, whether under these titles or designations or otherwise. "Practice of funeral service" also means engaging in making arrangements for funeral ~~service,~~service or cremation, selling funeral supplies to the public or making financial arrangements for the rendering of such services or the sale of such supplies.

(l) "Resident trainee" means a person who is engaged in preparing to become licensed for the practice of funeral directing, embalming or funeral service under the personal supervision and instruction of a person duly licensed for the practice of funeral directing, embalming or funeral service in the State of North Carolina under the provisions of this Chapter, and who is duly registered as a resident trainee with the Board."

SECTION 3. G.S. 90-210.23 reads as rewritten:

"**§ 90-210.23. Powers and duties of the Board.**

(a) The Board is authorized to adopt and promulgate such rules and regulations for transaction of its business and for the carrying out and enforcement of the provisions of this Article as may be necessary and as are consistent with the laws of this State and of the United States.

(b) The Board shall elect from its members a president, a vice-president and a secretary, no two offices to be held by the same person. The president and vice-president and secretary shall serve for one year and until their successors shall be elected and qualified. The Board shall have authority to engage adequate staff as deemed necessary to perform its duties.

(c) The members of the Board shall serve without compensation provided that such members shall be reimbursed for their necessary traveling expenses and the

necessary expenses incident to their attendance upon the business of the Board, and in addition thereto they shall receive per diem and expense reimbursement as provided in G.S. 93B-5 for every day actually spent by such member upon the business of the Board. All expenses, salaries and per diem provided for in this Article shall be paid from funds received under the provisions of this Article and shall in no manner be an expense to the State.

(d) Every person licensed by the Board and every resident trainee shall furnish all information required by the Board reasonably relevant to the practice of the profession or business for which the person is a licensee or resident trainee. Every funeral service establishment and its records and every place of business where the practice of funeral service or embalming is carried on and its records shall be subject to inspection by the Board during normal hours of operation and periods shortly before or after normal hours of operation and shall furnish all information required by the Board reasonably relevant to the business therein conducted. Every licensee, resident trainee, embalming facility, and funeral service establishment shall provide the Board with a current post-office address which shall be placed on the appropriate register and all notices required by law or by any rule or regulation of the Board to be mailed to any licensee, resident trainee, embalming facility, or funeral service establishment shall be validly given when mailed to the address so provided.

(d1) The Board is empowered to hold hearings in accordance with the provisions of this Article and of Chapter 150B to subpoena witnesses and to administer oaths to or receive the affirmation of witnesses before the Board.

In any show cause hearing before the Board held under the authority of Chapter 150B of the General Statutes where the Board imposes discipline against a licensee, the Board may recover the costs, other than attorneys' fees, of holding the hearing against all respondents jointly, not to exceed five thousand dollars ($5,000).

(e) The Board is empowered to regulate and inspect, according to law, funeral service establishments and embalming facilities, their operation, and the licenses under which they are operated, and to enforce as provided by law the rules, regulations, and requirements of the Division of Health Services and of the city, town, or county in which the funeral service establishment or embalming facility is maintained and operated. Any funeral establishment or embalming facility that, upon inspection, is found not to meet all of the requirements of this Article shall pay a reinspection fee to the Board for each additional inspection that is made to ascertain that the deficiency or other violation has been corrected. The Board is also empowered to enforce compliance with the standards set forth in Funeral Industry Practices, 16 C.F.R. 453 (1984), as amended from time to time.

(f) The Board may establish, supervise, regulate and control programs for the resident trainee. It may approve schools of mortuary science or funeral service, graduation from which is required by this Article as a qualification for the granting of any license, and may establish essential requirements and standards for such approval of mortuary science or funeral service schools.

(g) Schools for teaching mortuary science which are approved by the Board shall have extended to them the same privileges as to the use of bodies for dissecting while

teaching as those granted in this State to medical colleges, but such bodies shall be obtained through the same agencies which provide bodies for medical colleges.

(h) The Board shall adopt a common seal.

(h1) The Board shall have the power to acquire, hold, rent, encumber, alienate, and otherwise deal with real property in the same manner as a private person or corporation, subject only to approval of the Governor and the Council of State. Collateral pledged by the Board for an encumbrance is limited to the assets, income, and revenues of the Board.

(h2) The Board may employ legal counsel and clerical and technical assistance, and fix the compensation therefor, and incur such other expenses as may be deemed necessary in the performance of its duties and the enforcement of the provisions of this Article or as otherwise required by law and as may be necessary to carry out the powers herein conferred.

(i) The Board may perform such other acts and exercise such other powers and duties as may be provided elsewhere in this Article or otherwise by law and as may be necessary to carry out the powers herein conferred."

SECTION 4. G.S. 90-210.25 reads as rewritten:

"**§ 90-210.25. Licensing.**

(a) Qualifications, Examinations, Resident Traineeship and Licensure. –

(1) To be licensed for the practice of funeral directing under this Article, a person must:

a. Be at least 18 years of age.

b. Be of good moral character.

c. Be a graduate of a Funeral Director Program at a mortuary science college approved by the Board or a school of mortuary science accredited by the American Board of Funeral Service Education. Have completed a minimum of 32 semester hours or 48 quarter hours of instruction, including the subjects set out in sub-part e.1. of this subdivision, as prescribed by a mortuary science college approved by the Board or a school of mortuary science accredited by the American Board of Funeral Service Education.

d. Have completed 12 months of resident traineeship as a funeral director, pursuant to the procedures and conditions set out in G.S. 90-210.25(a)(4), either before or after satisfying the educational requirement under sub-subdivision c. of this subdivision.

e. Have passed an oral or written funeral director examination on the following subjects:

1. Psychology, sociology, pathology, funeral directing, business law, funeral law, funeral management, and accounting.

2. Repealed by Session Laws 1997-399, s. 5.

3. Laws of North Carolina and rules of the Board and other agencies dealing with the care, transportation and disposition of dead human bodies.

(2) To be licensed for the practice of embalming under this Article, a person must:

a. Be at least 18 years of age.

b. Be of good moral character.

c. Be a graduate of a mortuary science college approved by the Board.

d. Have completed 12 months of resident traineeship as an embalmer pursuant to the procedures and conditions set out in G.S. 90-210.25(a)(4), either before or after satisfying the educational requirement under sub-subdivision c. of this subdivision.

e. Have passed an oral or written embalmer examination on the following subjects:

1. Embalming, restorative arts, chemistry, pathology, microbiology, and anatomy.

2. Repealed by Session Laws 1997-399, s. 6.

3. Laws of North Carolina and rules of the Board and other agencies dealing with the care, transportation and disposition of dead human bodies.

(3) To be licensed for the practice of funeral service under this Article, a person must:

a. Be at least 18 years of age.

b. Be of good moral character.

c. Be a graduate of and receive an associate degree from a mortuary science college approved by the Board or a school of mortuary science accredited by the American Board of Funeral Service Education. Have completed a minimum of 60 semester hours or 90 quarter hours of instruction, including the subjects set out in sub-part e.1. of this subdivision, as prescribed by a mortuary science college approved by the Board or a school of mortuary science accredited by the American Board of Funeral Service Education.

d. Have completed 12 months of resident traineeship as a funeral service licensee, pursuant to the procedures and conditions set out in G.S. 90-210.25(a)(4), either before or after satisfying the educational requirement under sub-subdivison c. of this subdivision.

e. Have passed an oral or written funeral service examination on the following subjects:

1. Psychology, sociology, funeral directing, business law, funeral law, funeral management, and accounting.

2. Embalming, restorative arts, chemistry, pathology, microbiology, and anatomy.
3. Repealed by Session Laws 1997-399, s. 7.
4. Laws of North Carolina and rules of the Board and other agencies dealing with the care, transportation and disposition of dead human bodies.

(4) a. A person desiring to become a resident trainee shall apply to the Board on a form provided by the Board. The application shall state that the applicant is not less than 18 years of age, of good moral character, and is the graduate of a high school or the equivalent thereof, and shall indicate the licensee under whom the applicant expects to train. A person training to become an embalmer may serve under either a licensed embalmer or a funeral service licensee. A person training to become a funeral director may serve under either a licensed funeral director or a funeral service licensee. A person training to become a funeral service licensee shall serve under a funeral service licensee. The application must be sustained by oath of the applicant and be accompanied by the appropriate fee. When the Board is satisfied as to the qualifications of an applicant it shall instruct the secretary to issue a certificate of resident traineeship.

b. ~~When~~ Within 30 days of a resident trainee ~~leaves~~ leaving the proctorship of the licensee under whom the trainee has worked, the licensee shall file with the Board an affidavit showing the length of time served with the licensee by the trainee, and the affidavit shall be made a matter of record in the Board's office. The licensee shall deliver a copy of the affidavit to the trainee.

c. A person who has not completed the traineeship and wishes to do so under a licensee other than the one whose name appears on the original certificate may reapply to the Board for approval.

d. A certificate of resident traineeship shall be signed by the resident trainee and upon payment of the renewal fee shall be renewable one year after the date of original registration; but the certificate may not be renewed more than two times. The Board shall mail to each registered trainee at his last known address a notice that the renewal fee is due and that, if not paid within 30 days of the notice, the certificate will be canceled. A late fee, in addition to the renewal fee, shall be charged for a late renewal, but the renewal of the registration of any resident trainee who is engaged in the active military service of the United States at the time renewal is due may, at the discretion of the Board, be held in abeyance for the duration of that service without penalties. No credit shall be allowed for the

12-month period of resident traineeship that shall have been completed more than five years preceding the examination for a license.

e. All registered resident trainees shall report to the Board at least once every month during traineeship upon forms provided by the Board listing the work which has been completed during the preceding month of resident traineeship. The data contained in the reports shall be certified as correct by the licensee under whom the trainee has served during the period and by the licensed person who is managing the funeral service establishment. Each report shall list the following:
   1. For funeral director trainees, the conduct of any funerals during the relevant time period,
   2. For embalming trainees, the embalming of any bodies during the relevant time period,
   3. For funeral service trainees, both of the activities named in 1 and 2 of this subsection, engaged in during the relevant time period.

f. To meet the resident traineeship requirements of G.S. 90-210.25(a)(1), G.S. 90-210.25(a)(2) and G.S. 90-210.25(a)(3) the following must be shown by the affidavit(s) of the licensee(s) under whom the trainee worked:
   1. That the funeral director trainee has, under supervision, assisted in directing at least 25 funerals during the resident traineeship,
   2. That the embalmer trainee has, under supervision, assisted in embalming at least 25 bodies during the resident traineeship,
   3. That the funeral service trainee has, under supervision, assisted in directing at least 25 funerals and, under supervision, assisted in embalming at least 25 bodies during the resident traineeship.

g. The Board may suspend or revoke a certificate of resident traineeship for violation of any provision of this Article.

h. Each sponsor for a registered resident trainee must during the period of sponsorship be actively employed with a funeral establishment. The traineeship shall be a primary vocation of the trainee.

i. Only one resident trainee may register and serve at any one time under any one person licensed under this Article.

j., k. Repealed by Session Laws 1991, c. 528, s. 4.

l. The Board shall register no more than one resident trainee at a funeral establishment that served 100 or fewer families during the 12 months immediately preceding the date of the

application, and shall register no more than one resident trainee for each additional 100 families served at the funeral establishment during the 12 months immediately preceding the date of the application.

(5) The Board by regulation may recognize other examinations that the Board deems equivalent to its own.

a. All licenses shall be signed by the president and secretary of the Board and the seal of the Board affixed thereto. All licenses shall be issued, renewed or duplicated for a period not exceeding one year upon payment of the renewal fee, and all licenses, renewals or duplicates thereof shall expire and terminate the thirty-first day of December following the date of their issue unless sooner revoked and canceled; provided, that the date of expiration may be changed by unanimous consent of the Board and upon 90 days' written notice of such change to all persons licensed for the practice of funeral directing, embalming and funeral service in this State.

b. The holder of any license issued by the Board who shall fail to renew the same on or before February 1 of the calendar year for which the license is to be renewed shall have forfeited and surrendered the license as of that date. No license forfeited or surrendered pursuant to the preceding sentence shall be reinstated by the Board unless it is shown to the Board that the applicant has, throughout the period of forfeiture, engaged full time in another state of the United States or the District of Columbia in the practice to which his North Carolina license applies and has completed for each such year continuing education substantially equivalent in the opinion of the Board to that required of North Carolina licensees; or has completed in North Carolina a total number of hours of accredited continuing education computed by multiplying five times the number of years of forfeiture; or has passed the North Carolina examination for the forfeited license. No additional resident traineeship shall be required. The applicant shall be required to pay all delinquent annual renewal fees and a reinstatement fee. The Board may waive the provisions of this section for an applicant for a forfeiture which occurred during his service in the armed forces of the United States provided he applies within six months following severance therefrom.

c. All licensees now or hereafter licensed in North Carolina shall take continuing education courses in subjects relating to the practice of the profession for which they are licensed, to the end that the benefits of learning and reviewing skills will be utilized and applied to assure proper service to the public.

d. As a prerequisite to the annual renewal of a license, the licensee must complete, during the year immediately preceding renewal, at least five hours of continuing education courses, of which the Board may require licensees to take up to two hours specified by the Board. All continuing education courses must be approved by the Board prior to enrollment. A licensee who completes more than five hours in a year may carry over a maximum of five hours as a credit to the following year's requirement. A licensee who is issued an initial license on or after July 1 does not have to satisfy the continuing education requirement for that year.

e. The Board shall not renew a license unless fulfillment of the continuing education requirement has been certified to it on a form provided by the Board, but the Board may waive this requirement for renewal in cases of certified illness or undue hardship or where the licensee lives outside of North Carolina and does not practice in North Carolina, and the Board shall waive the requirement for all licensees who were licensed on or before December 31, 2003, and have been licensed in North Carolina for a continuous period of 25 years or more, for all licensees who are licensed on or after January 1, 2004, who have been licensed for a continuous period of 25 years or more and have attained the age of 60 years, and for all licensees who are, at the time of renewal, members of the General Assembly.

f. The Board shall cause to be established and offered to the licensees, each calendar year, at least eight hours of continuing education courses. The Board may charge licensees attending these courses a reasonable registration fee in order to meet the expenses thereof and may also meet those expenses from other funds received under the provisions of this Article.

g. Any person who having been previously licensed by the Board as a funeral director or embalmer prior to July 1, 1975, shall not be required to satisfy the requirements herein for licensure as a funeral service licensee, but shall be entitled to have such license renewed upon making proper application therefor and upon payment of the renewal fee provided by the provisions of this Article. Persons previously licensed by the Board as a funeral director may engage in funeral directing, and persons previously licensed by the Board as an embalmer may engage in embalming. Any person having been previously licensed by the Board as both a funeral director and an embalmer may upon application therefor receive a license as a funeral service licensee.

h. The Department of Justice may provide a criminal record check to the Board for a person who has applied for a new or renewal license, or certification through the Board. The Board shall provide to the Department of Justice, along with the request, the fingerprints of the applicant, any additional information required by the Department of Justice, and a form signed by the applicant consenting to the check of the criminal record and to the use of the fingerprints and other identifying information required by the State or national repositories. The applicant's fingerprints shall be forwarded to the State Bureau of Investigation for a search of the State's criminal history record file, and the State Bureau of Investigation shall forward a set of the fingerprints to the Federal Bureau of Investigation for a national criminal history check. The Board shall keep all information pursuant to this subdivision privileged, in accordance with applicable State law and federal guidelines, and the information shall be confidential and shall not be a public record under Chapter 132 of the General Statutes.

The Department of Justice may charge each applicant a fee for conducting the checks of criminal history records authorized by this subdivision.

(a1) Inactive Licenses. – Any person holding a license issued by the Board for funeral directing, for embalming, or for the practice of funeral service may apply for an inactive license in the same category as the active license held. The inactive license is renewable annually. Continuing education is not required for the renewal of an inactive license. The ~~only activity that a~~ holder of an inactive license may not engage in ~~is to vote pursuant to G.S. 90-210.18(c)(2).~~any activity requiring an active license. The holder of an inactive license may apply for an active license in the same category, and the Board shall issue an active license if the applicant has completed ~~in North Carolina a~~ total number of hours of accredited continuing education equal to five times the number of years the applicant held the inactive license. No application fee is required for the reinstatement of an active license pursuant to this subsection. The holder of an inactive license who returns to active status shall surrender the inactive license to the Board.

(a2) In order to engage in the practice of funeral directing or funeral service, such a licensee must own, be employed by, or otherwise be an agent of a licensed funeral establishment; except that such a licensee may practice funeral directing or funeral service if:

(1) Employed by a college of mortuary science; or

(2) The licensee:

a. Maintains all of his or her business records at a location made known to the Board and available for inspection by the Board under the same terms and conditions as the business records of a licensed funeral establishment;

b. Complies with rules and regulations imposed on funeral establishments and the funeral profession that are designed to protect consumers, to include, but not be limited to, the Federal Trade Commission's laws and rules requiring General Price Lists and Statements of Goods and Services; and

c. Pays to the Board the funeral establishment license fee required by law and set by the Board.

Nothing in this subdivision shall preclude a licensee from arranging cremations and cremating human remains while employed by a crematory.

(b) Persons Licensed under the Laws of Other Jurisdictions. –

(1) The Board shall grant licenses to funeral directors, embalmers and funeral service licensees, licensed in other states, territories, the District of Columbia, and foreign countries, when it is shown that the applicant holds a valid license as a funeral director, embalmer or funeral service licensee issued by the other jurisdiction, has demonstrated knowledge of the laws and rules governing the profession in North Carolina and has submitted proof of his good moral character; and either that the applicant has continuously practiced the profession in the other jurisdiction for at least three years immediately preceding his application, or the Board has determined that the licensing requirements for the other jurisdiction are substantially similar to those of North Carolina.

(2) The Board shall periodically review the mortuary science licensing requirements of other jurisdictions and shall determine which licensing requirements are substantially similar to the requirements of North Carolina.

(3) The Board may issue special permits, to be known as courtesy cards, permitting nonresident funeral directors, embalmers and funeral service licensees to remove bodies from and to arrange and direct funerals and embalm bodies in this State, but these privileges shall not include the right to establish a place of business in or engage generally in the business of funeral directing and embalming in this State. Except for special permits issued by the Board for teaching continuing education programs and for work in connection with disasters, no special permits may be issued to nonresident funeral directors, embalmers, and funeral service licensees from states that do not issue similar courtesy cards to persons licensed in North Carolina pursuant to this Article.

(c) Registration, Filing and Transportation. –

(1) The holder of any license granted by this State for those within the funeral service profession or renewal thereof provided for in this Article shall cause registration to be filed in the office of the board of health of the county or city in which he practices his profession, or if

there be no board of health in such county or city, at the office of the clerk of the superior court of such county. All such licenses, certificates, duplicates and renewals thereof shall be displayed in a conspicuous place in the funeral establishment where the holder renders service.

(2) It shall be unlawful for any railway agent, express agency, baggage master, conductor or other person acting as such, to receive the dead body of any person for shipment or transportation by railway or other public conveyance, to a point outside of this State, unless the body is accompanied by a burial-transit permit.

(3) The "transportation or removal of a dead human body" shall mean the removal of a dead human body for a fee from the location of the place of death or discovery of death or the transportation of the body to or from a medical facility, funeral establishment or facility, crematory or related holding facility, place of final disposition, or place designated by the Medical Examiner for examination or autopsy of the dead human body.

(4) Any individual, not otherwise exempt from this subsection, shall apply for and receive a permit from the Board before engaging in the transportation or removal of a dead human body in this State. Unless otherwise exempt from this subsection, no corporation or other business entity shall engage in the transportation or removal of a dead human body unless it has in its employ at least one individual who holds a permit issued under this section. No individual permit holder shall engage in the transportation or removal of a dead human body for more than one person, firm, or corporation without first providing the Board with written notification of the name and physical address of each such employer.

(5) The following persons shall be exempt from the permit requirements of this section but shall otherwise be subject to subdivision (9) of this subsection and any rules relating to the proper handling, care, removal, or transportation of a dead human body:

a. Licensees under this Article and their employees.

b. Employees of common carriers.

c. Except as provided in sub-subdivision (6)c. of this section, employees of the State and its agencies and employees of local governments and their agencies.

d. Funeral directors licensed in another state and their employees.

(6) The following persons shall be exempt from this section:

a. Emergency medical technicians, rescue squad workers, volunteer and paid firemen, and law enforcement ~~officers.~~officers while acting within the scope of their employment.

b. Employees of public or private hospitals, nursing homes, or long-term care facilities, while handling a dead human body within such facility or while acting within the scope of their employment.
c. State and county medical examiners and their investigators.
d. Any individual transporting cremated remains.
e. Any individual transporting or removing a dead human body of their immediate family or next of kin.
f. Any individual who has exhibited special care and concern for the decedent.

(7) Individuals eligible to receive a permit under this section for the transportation or removal of a dead human body for a fee, shall:
a. Be at least 18 years of age.
b. Possess and maintain a valid drivers license issued by this State and provide proof of all liability insurance required for the registration of any vehicle in which the person intends to engage in the business of the removal or transportation of a dead human body.
c. Affirmatively state under oath that the person has read and understands the statutes and rules relating to the removal and transportation of dead human bodies and any guidelines as may be adopted by the Board.
d. Provide three written character references on a form prescribed by the Board, one of which must be from a licensed funeral director.
e. Be of good moral character.

(8) The permit issued under this section shall expire on December 31 of each year. The application fee for the individual permit shall not exceed one hundred twenty-five dollars ($125.00). A fee, not to exceed one hundred dollars ($100.00), in addition to the renewal fee not to exceed seventy-five dollars ($75.00), shall be charged for any application for renewal received by the Board after February 1 of each year.

(9) No person shall transport a dead human body in the open cargo area or passenger area of a vehicle or in any vehicle in which the body may be viewed by the public. Any person removing or transporting a dead human body shall either cover the body, place it upon a stretcher designed for the purpose of transporting humans or dead human bodies in a vehicle, and secure such stretcher in the vehicle used for transportation, or shall enclose the body in a casket or container designed for common carrier transportation, and secure the casket or container in the vehicle used for transportation. No person shall fail to treat a dead human body with respect at all times. No person shall take a photograph or video recording of a dead human body without the

consent of a member of the deceased's immediate family or next of kin or other authorizing agent.

(10) The Board may adopt rules under this section including permit application procedures and the proper procedures for the removal, handling, and transportation of dead human bodies. The Board shall consult with the Office of the Chief Medical Examiner before initiating rule making under this section and before adopting any rules pursuant to this section. Nothing in this section prohibits the Office of the Chief Medical Examiner from adopting policies and procedures regarding the removal, transportation, or handling of a dead human body under the jurisdiction of that office that are more stringent than the laws in this section or any rules adopted under this section. Any violation of this section or rules adopted under this section may be punished by the Board by a suspension or revocation of the permit to transport or remove dead human bodies or by a term of probation. The Board may, in lieu of any disciplinary measure, accept a penalty not to exceed five thousand dollars ($5,000) per violation.

(11) Each applicant for a permit shall provide the Board with the applicant's home address, name and address of any corporation or business entity employing such individual for the removal or transportation of dead human bodies, and the make, year, model, and license plate number of any vehicle in which a dead human body is transported. A permittee shall provide written notification to the Board of any change in the information required to be provided to the Board by this section or by the application for a permit within 30 days after such change takes place.

(12) If any person shall engage in or hold himself out as engaging in the business of transportation or removal of a dead human body without first having received a permit under this section, the person shall be guilty of a Class 2 misdemeanor.

(13) The Board shall have the authority to inspect any place or premises that the business of removing or transporting a dead human body is carried out and shall also have the right of inspection of any vehicle and equipment used by a permittee for the removal or transportation of a dead human body.

(d) Establishment Permit. –

(1) No person, firm or corporation shall conduct, maintain, manage or operate a funeral establishment unless a permit for that establishment has been issued by the Board and is conspicuously displayed in the establishment. Each funeral establishment at a specific location shall be deemed to be a separate entity and shall require a separate permit and compliance with the requirements of this Article.

(2) A permit shall be issued when:

a. It is shown that the funeral establishment has in charge a person, known as a manager, licensed for the practice of funeral directing or funeral service, who shall not be permitted to manage more than one funeral establishment. The manager shall be charged with overseeing the daily operation of the funeral establishment. If the manager leaves the employment of the funeral establishment and is the only licensee employed who is eligible to serve as manager, the funeral establishment may operate without a manager for a period not to exceed 30 days so long as: (i) the funeral establishment retains one or more licensees to perform all services requiring a license under this Article; (ii) the licensees are not practicing under the exception authorized by G.S. 90-210.25(a2) and would otherwise be eligible to serve as manager; and (iii) the funeral establishment registers the name of the licensees with the Board.

b. The Board receives a list of the names of all part-time and full-time licensees employed by the establishment.

c. It is shown that the funeral establishment satisfies the requirements of G.S. 90-210.27A.

d. The Board receives payment of the permit fee.

(3) Applications for funeral establishment permits shall be made on forms provided by the Board and filed with the Board by the owner, a partner, a member of the limited liability company, or an officer of the corporation by January 1 of each year, and shall be accompanied by the application fee or renewal fee, as the case may be. All permits shall expire on December 31 of each year. If the renewal application and renewal fee are not received in the Board's office on or before February 1, a late renewal fee, in addition to the regular renewal fee, shall be charged.

(4) The Board may place on probation, refuse to issue or renew, ~~suspend~~ suspend, or revoke a permit when an owner, partner, manager, member, operator, or officer of the funeral establishment violates any provision of this Article or any regulations of the Board, or when any agent or employee of the funeral establishment, with the consent of any person, firm or corporation operating the funeral establishment, violates any of those provisions, rules or regulations. In any case in which the Board is entitled to place a funeral establishment permittee on a term of probation, the Board may also impose a penalty of not more than five thousand dollars ($5,000) in conjunction with the probation. In any case in which the Board is entitled to suspend, revoke, or refuse to renew a permit, the Board may accept from the funeral establishment permittee an offer to pay a penalty of not more than five thousand dollars ($5,000). The Board may either accept a

penalty or revoke or refuse to renew a license, but not both. Any penalty under this subdivision may be in addition to any penalty assessed against one or more licensed individuals employed by the funeral establishment.

(5) Funeral establishment permits are not transferable. A new application for a permit shall be made to the Board within 30 days of a change of ownership of a funeral establishment.

(d1) Embalming Outside Establishment. – An embalmer who engages in embalming in a facility other than a funeral establishment or in the residence of the deceased person shall, no later than January 1 of each year, register the facility with the Board on forms provided by the Board.

(e) Revocation; Suspension; Compromise; Disclosure. –

(1) Whenever the Board finds that an applicant for a license or a person to whom a license has been issued by the Board is guilty of any of the following acts or omissions and the Board also finds that the person has thereby become unfit to practice, the Board may suspend or revoke the license or refuse to issue or renew the license, in accordance with the procedures set out in Chapter 150B of the General Statutes:

a. Conviction of a felony or a crime involving fraud or moral turpitude.

a1. Denial, suspension, or revocation of an occupational or business license by another jurisdiction.

b. Fraud or misrepresentation in obtaining or renewing a license or in the practice of funeral service.

c. False or misleading advertising as the holder of a license.

d. Solicitation of dead human bodies by the licensee, his agents, assistants, or employees; but this paragraph shall not be construed to prohibit general advertising by the licensee.

e. Employment directly or indirectly of any resident trainee agent, assistant or other person, on a part-time or full-time basis, or on commission, for the purpose of calling upon individuals or institutions by whose influence dead human bodies may be turned over to a particular licensee.

f. The payment or offer of payment of a commission by the licensee, his agents, assistants or employees for the purpose of securing business except as authorized by Article 13D of this Chapter.

g. Gross immorality, including being under the influence of alcohol or drugs while practicing funeral service.

h. Aiding or abetting an unlicensed person to perform services under this Article, including the use of a picture or name in connection with advertisements or other written material published or caused to be published by the licensee.

i. Failing to treat a dead human body with respect at all times.

j. Violating or cooperating with others to violate any of the provisions of this ~~Article,~~Article or Articles 13D, 13E, or 13F of Chapter 90 of the General Statutes, any rules and regulations of the Board, or the standards set forth in Funeral Industry Practices, 16 C.F.R. 453 (1984), as amended from time to time.

k. Violation of any State law or municipal or county ordinance or regulation affecting the handling, custody, care or transportation of dead human bodies.

l. Refusing to surrender promptly the custody of a dead human body or cremated remains upon the express order of the person lawfully entitled to the custody thereof.

m. Knowingly making any false statement on a certificate of ~~death.~~death or violating or cooperating with others to violate any provision of Article 4 or 16 of Chapter 130A of the General Statutes or any rules or regulations promulgated under those Articles as amended from time to time.

n. Indecent exposure or exhibition of a dead human body while in the custody or control of a licensee.

In any case in which the Board is entitled to suspend, revoke or refuse to renew a license, the Board may accept from the licensee an offer to pay a penalty of not more than five thousand dollars ($5,000). The Board may either accept a penalty or revoke or refuse to renew a license, but not both.

(2) Where the Board finds that a licensee is guilty of one or more of the acts or omissions listed in subdivision (e)(1) of this section but it is determined by the Board that the licensee has not thereby become unfit to practice, the Board may place the licensee on a term of probation in accordance with the procedures set out in Chapter 150B of the General Statutes. In any case in which the Board is entitled to place a licensee on a term of probation, the Board may also impose a penalty of not more than five thousand dollars ($5,000) in conjunction with the probation. The Board may also require satisfactory completion of remedial or educational training as a prerequisite to license reinstatement or for completing the term of probation.

No person licensed under this Article shall remove or cause to be embalmed a dead human body when he or she has information indicating crime or violence of any sort in connection with the cause of death, nor shall a dead human body be cremated, until permission of the State or county medical examiner has first been obtained. However, nothing in this Article shall be construed to alter the duties and authority now vested in the office of the coroner.

No funeral service establishment shall accept a dead human body from any public officer (excluding the State or county medical examiner or his agent), or employee or from the official of any institution, hospital or nursing home, or from a physician or any person having a professional relationship with a decedent, without having first made

due inquiry as to the desires of the persons who have the legal authority to direct the disposition of the decedent's body. If any persons are found, their authority and directions shall govern the disposal of the remains of the decedent. Any funeral service establishment receiving the remains in violation of this subsection shall make no charge for any service in connection with the remains prior to delivery of the remains as stipulated by the persons having legal authority to direct the disposition of the body. This section shall not prevent any funeral service establishment from charging and being reimbursed for services rendered in connection with the removal of the remains of any deceased person in case of accidental or violent death, and rendering necessary professional services required until the persons having legal authority to direct the disposition of the body have been notified.

When and where a licensee presents a selection of funeral merchandise to the public to be used in connection with the service to be provided by the licensee or an establishment as licensed under this Article, a card or brochure shall be directly associated with each item of merchandise setting forth the price of the service using said merchandise and listing the services and other merchandise included in the price, if any. When there are separate prices for the merchandise and services, such cards or brochures shall indicate the price of the merchandise and of the items separately priced.

At the time funeral arrangements are made and prior to the time of rendering the service and providing the merchandise, a funeral director or funeral service licensee shall give or cause to be given to the person or persons making such arrangements a written statement duly signed by a licensee of said funeral establishment showing the price of the service as selected and what services are included therein, the price of each of the supplemental items of services or merchandise requested, and the amounts involved for each of the items for which the funeral establishment will advance moneys as an accommodation to the person making arrangements, insofar as any of the above items can be specified at that time. If fees charged by a finance company for expediting payment of life insurance proceeds to the establishment will be passed on to the person or persons responsible for payment of the funeral expenses, information regarding the fees, including the total dollar amount of the fee, shall be disclosed on the written statement. The statement shall have printed, typed or stamped on the face thereof: "This statement of disclosure is provided under the requirements of North Carolina G.S. 90-210.25(e)." The Board may prescribe other disclosures that a licensee shall give to consumers upon finding that the disclosure is necessary to protect public health, safety, and welfare.

(e1) Except as otherwise authorized by law, no licensee under this Article, nor any of the licensee's agents, assistants, or employees, shall accept, solicit, or offer to accept any payment, gratuity, commission, or compensation of any kind in exchange for soliciting or taking human tissue from a dead human body for any person or entity engaging in the recovery of human tissue.

(f) Unlawful Practices. – If any person shall practice or hold himself or herself out as practicing the profession or art of embalming, funeral directing or practice of funeral service or operating a funeral establishment without having complied with the

~~licensing~~ provisions of this Article, ~~he~~ the person shall be guilty of a Class 2 misdemeanor.

(g) Whenever it shall appear to the Board that any person, firm or corporation has violated, threatens to violate or is violating any provisions of this Article, the Board may apply to the courts of the State for a restraining order and injunction to restrain these practices. If upon application the court finds that any provision of this Article is being violated, or a violation is threatened, the court shall issue an order restraining and enjoining the violations, and this relief may be granted regardless of whether criminal prosecution is instituted under the provisions of this subsection. The venue for actions brought under this subsection shall be the superior court of any county in which the acts are alleged to have been committed or in the county where the defendant in the action resides."

SECTION 5. G.S. 90-210.27A reads as rewritten:

"§ 90-210.27A. Funeral establishments.

(a) Every funeral establishment shall contain a preparation room which is strictly private, of suitable size for the embalming of dead bodies. Each preparation room shall:

(1) Contain one standard type operating table.
(2) Contain facilities for adequate drainage.
(3) Contain a sanitary waste receptacle.
(4) Contain an instrument sterilizer.
(5) Have wall-to-wall floor covering of tile, concrete, or other material which can be easily cleaned.
(6) Be kept in sanitary condition and subject to inspection by the Board or its agents at all times.
(7) Have a placard or sign on the door indicating that the preparation room is private.
(8) Have a proper ventilation or purification system to maintain a nonhazardous level of airborne contamination.

(b) No one is allowed in the preparation room while a dead human body is being prepared except licensees, resident trainees, public officials in the discharge of their duties, members of the medical profession, officials of the funeral home, next of kin, or other legally authorized persons.

(c) Every funeral establishment shall contain a reposing room for dead human bodies, of suitable size to accommodate a casket and visitors.

(d) Repealed by Session Laws 1997-399, s. 14.

(e) If a funeral establishment is solely owned by a natural person, that person must be licensed by the Board as a funeral director or a funeral service licensee. If it is owned by a partnership, at least one partner must be licensed by the Board as a funeral director or a funeral service licensee. If it is owned by a corporation, the president, vice-president, or the chairman of the board of directors must be licensed by the Board as a funeral director or a funeral service licensee. If it is owned by a limited liability company, at least one member must be licensed by the Board as a funeral director or a funeral service licensee. The licensee required by this subsection must be actively engaged in the operation of the funeral establishment.

(f) If a funeral establishment uses the name of a living person in the name under which it does business, that person must be licensed by the Board as a funeral director or a funeral service licensee.

(g) No funeral establishment ~~or other licensee under this Article~~ shall own, operate, or maintain a ~~funeral~~ chapel without first having registered the name, location, and ownership thereof with the Board; own or maintain more than two ~~funeral~~ chapels, or own or maintain a ~~funeral~~ chapel outside of a radius of 50 miles from the funeral establishment. A duly licensed person may use a ~~funeral~~ chapel for making arrangements for funeral ~~service,~~services, selling funeral ~~supplies~~ merchandise to the ~~public,~~public by photograph, video, or computer based presentation, or making financial arrangements for the rendering of ~~such~~ the service or sale of supplies, provided that ~~such~~ the uses are secondary and incidental to and do not interfere with the reposing of dead human bodies, visitation, or funeral ceremony.

(h) All public health laws and rules apply to funeral establishments. In addition, all funeral establishments must comply with all of the standards established by the rules adopted by the Board.

(i) No funeral establishment shall use an unregistered or misleading name. Misleading names include, but are not limited to, names in the plural form when there is only one funeral ~~establishment~~ establishment, the use of names of deceased individuals, unless the establishment is licensed using the name at the time the new application is made, the use of names of individuals not associated with the establishment, and the use of the word "crematory" or "crematorium" in the name of a funeral establishment that does not own a crematory. If an owner of a funeral establishment owns more than one funeral establishment, the owner may not use the word "crematory" or "crematorium" in the name of more than one of its funeral establishments; except that each funeral home having a crematory on the premises may contain the term "crematory" or "crematorium" in its name.

(j) A funeral establishment will not use any name other than the name by which it is properly registered with the Board."

SECTION 6. G.S. 90-210.28 reads as rewritten:

The Board may charge all others requesting copies of the current statutes and regulations, and the licensees or applicants requesting additional copies, a fee equal to the costs of production and distribution of the requested documents."

SECTION 7. Article 13A of Chapter 90 of the General Statutes is amended by adding a new section to read:

"**§ 90-210.29A-1. Examination scores not public record.**

The examination scores of applicants for licensure shall not be subject to the provisions of Chapter 132 of the General Statutes. The Board shall release examination scores to any person requesting examination scores whether or not the applicant has obtained a passing score at the time of the request."

SECTION 8. G.S. 90-210.62 reads as rewritten:

"**§ 90-210.62. Types of preneed funeral contracts; forms.**

(a) A preneed licensee may offer standard preneed funeral contracts and inflation-proof preneed funeral contracts. A standard preneed funeral contract applies the trust funds or insurance proceeds to the purchase price of funeral services and merchandise at the time of death of the contract beneficiary without ~~a guarantee~~protection against potential future price increases. An inflation-proof contract establishes ~~a fixed price~~an agreement between the preneed licensee and the purchaser for funeral services and merchandise without regard to potential future price increases. Upon written disclosure to the purchaser of a preneed funeral contract, inflation-proof contracts may permit the preneed licensee to retain all of the preneed funeral contract trust funds on deposit, and all insurance proceeds, even those in excess of the retail cost

of goods and services provided, when the preneed licensee has fully performed the preneed funeral contract. Preneed funeral contracts may be revocable or irrevocable, at the option of the preneed funeral contract purchaser.

(b) The Board ~~shall approve all~~may prescribe forms for preneed funeral ~~contracts.~~contracts consistent with this Article. All contracts must be in ~~writing, and no form shall be used without prior approval of the Board.~~writing on forms prescribed by the Board. Any use or attempted use of any oral preneed funeral contract or any written contract in a form not ~~approved~~ prescribed by the Board shall be deemed a violation of this Article."

SECTION 9. Article 13D of Chapter 90 of the General Statutes is amended by adding a new section to read:

"**§ 90-210.63A. Amendment of preneed funeral contracts.**

(a) Unless otherwise provided by this Article, preneed funeral contracts may be modified by mutual consent of the contracting preneed funeral establishment and the preneed contract purchaser, or after the death of the preneed contract purchaser, the preneed contract beneficiary or his or her legal representative.

(b) When the preneed contract purchaser and preneed contract beneficiary are the same, the preneed contract purchaser may designate one or more individuals to change the arrangements or performing funeral establishment, or may designate that the arrangements or performing funeral establishment may not be changed without an order from the clerk of superior court in the county where probate proceedings are instituted upon a finding that the change is in the best interest of the estate.

(c) If the preneed purchaser, or after his or her death, the preneed contract beneficiary or his or her legal representative, and the contracting preneed funeral establishment agree to modify any goods or services selected under an inflation-proof contract, the preneed licensee shall not be required to guarantee the price of the modified goods and services at the time of death and all other funeral goods and service selected shall remain guaranteed. If the modifications increase the purchase price, the provisions of G.S. 90-210.64(b) shall apply as if the modified contract had been executed on the original date. If the modifications decrease the purchase price, the preneed licensee shall refund all monies according to the provisions of G.S. 90-210.64(d)."

SECTION 10. G.S. 90-210.64 reads as rewritten:

"**§ 90-210.64. Death of preneed funeral contract beneficiary; disposition of funds.**

(a) After the death of a preneed funeral contract beneficiary and full performance of the preneed funeral contract by the preneed licensee, the preneed licensee shall promptly complete a certificate of performance and present it to the financial institution that holds funds in trust under G.S. 90-210.61(a)(1) or to the insurance company that issued a preneed insurance policy pursuant to G.S. 90-210.61(a)(3). Upon receipt of the certificate of performance or similar claim form, the financial institution shall pay the trust funds to the contracting preneed licensee and the insurance company shall pay the insurance proceeds according to the terms of the policy. Within 10 days after receiving payment, the preneed licensee shall ~~mail~~ file a copy of the certificate of performance or other claim form to the Board.

(b) Unless otherwise specified in the preneed funeral contract, the preneed licensee shall have no obligation to deliver merchandise or perform any services for which payment in full has not yet been deposited with a financial institution or that will not be provided by the proceeds of a prearrangement insurance policy. Any such amounts received which do not constitute payment in full shall be refunded to the estate of the deceased preneed funeral contract beneficiary or credited against the cost of merchandise or services contracted for by a representative of the deceased. Any balance remaining after payment for the merchandise and services as set forth in the preneed funeral contract shall be paid to the estate of the preneed funeral contract beneficiary or the prearrangement insurance policy beneficiary named to receive any such balance. Provided, however, unless the parties agree to the contrary, there shall be no refund to the estate of the preneed funeral contract beneficiary of an inflation-proof preneed funeral ~~contract.~~contract except as required by G.S. 90-210.63A(c).

(c) In the event that any person other than the contracting preneed licensee performs any funeral service or provides any merchandise as a result of the death of the preneed funeral contract beneficiary, the financial institution shall pay the trust funds to the contracting preneed licensee and the insurance company shall pay the insurance proceeds according to the terms of the policy. The preneed licensee shall, subject to the provisions of G.S. 90-210.65(d), immediately pay the monies so received to the other provider.

(d) When the balance of a preneed funeral fund is one hundred dollars ($100.00) or less and is payable to the estate of a deceased preneed funeral contract beneficiary and there has been no representative of the estate appointed, the balance due may be paid directly to a beneficiary or to the beneficiaries of the estate. If the balance of a preneed funeral fund exceeds one hundred dollars ($100.00) or is not payable to the estate, the balance must be paid into the office of the clerk of superior court in the county where probate proceedings could be filed for the deceased preneed funeral contract beneficiary.

(e) Upon the fulfillment of a preneed contract, all of the following items shall be completed within 30 days:

(1) The contracting preneed licensee must submit a certificate of performance or similar claim form to the financial institution holding the preneed trust funds and close the preneed account.

(2) The proceeds of this trust account shall be distributed according to the terms of the preneed contract.

(3) A completed copy of the certificate of performance or similar claim form evidencing the final disposition of any financial institution preneed trust account funds must be filed with the Board by the contracting licensee."

SECTION 11. G.S. 90-210.65(e) reads as rewritten:

"(e) This section shall not apply to irrevocable preneed funeral contracts. Irrevocable preneed funeral contracts may ~~not~~ only be revoked ~~nor~~ or any proceeds refunded ~~except by~~by the order of a court of competent ~~jurisdiction.~~jurisdiction, except as follows:

(1) The Board may order an irrevocable contract revoked when the preneed contract beneficiary is no longer domiciled in this State and has submitted a written copy to the Board of a new preneed funeral contract executed under the laws of state where the preneed contract beneficiary is domiciled. Upon receipt of the Board's order, the original contracting preneed licensee shall immediately follow the provisions of G.S. 90-210.63 to transfer the funds to the successor firm.

(2) ~~Notwithstanding the previous sentence, irrevocable~~Irrevocable preneed funeral contracts purchased pursuant to G.S. 90-210.61(a)(3) shall also be revocable when the underlying insurance policy lapses or is otherwise cancelled and the lapsed or cancelled policy no longer provides any funding for the preneed funeral contract."

SECTION 12. G.S. 90-210.67(b) reads as rewritten:

"(b) An application for a preneed funeral establishment license shall be accompanied by a nonrefundable application fee of not more than ~~one hundred fifty dollars ($150.00).~~four hundred dollars ($400.00). The Board shall set the amounts of the application fees and renewal fees by rule, but the fees shall not exceed ~~one hundred fifty dollars ($150.00).~~four hundred dollars ($400.00). A funeral establishment receiving a permit after January 1, 2008, or whose license has lapsed or was terminated for any reason after January 1, 2008, shall obtain a surety bond in an amount not less than fifty thousand dollars ($50,000) for five years, or upon demonstrating that it is solvent, no less than one year from the date the original license is issued. The Board may extend the bonding requirement in the event there is a claim paid from the bond.

If the license is granted, the application fee shall be applied to the annual license fee for the first year or part thereof. Upon receipt of the application and payment of the application fee, the Board shall issue a renewable preneed funeral establishment license unless it determines that the applicant has violated any provision of G.S. 90-210.69(c) or has made false statements or representations in the application, or is insolvent, or has conducted or is about to conduct, its business in a fraudulent manner, or is not duly authorized to transact business in this State. The license shall expire on December 31 and each preneed funeral establishment licensee shall pay annually to the Board on or before that date a license renewal fee of not more than ~~one hundred fifty dollars ($150.00).~~four hundred dollars ($400.00). On or before the first day of February immediately following expiration, a license may be renewed without paying a late fee. After that date, a license may be renewed by paying a late fee of not more than one hundred dollars ($100.00) in addition to the annual renewal fee."

SECTION 13. G.S. 90-210.68(d) reads as rewritten:

"(d) Financial institutions that accept preneed funeral trust funds and insurance companies that issue prearrangement insurance policies shall, upon request by the Board or its inspectors or examiners, disclose any information regarding preneed funeral trust accounts held or prearrangement insurance policies issued by it for a preneed licensee.

Financial institutions that accept preneed funeral trust funds and insurance companies that assign policy proceeds or designate a preneed funeral establishment as

beneficiary shall also forward an account balance to the contracting preneed funeral establishment at the end of each calendar year."

SECTION 14. G.S. 90-210.68(e) reads as rewritten:

"(e) In the event that any preneed licensee is unable or unwilling or is for any reason relieved of its responsibility to perform as trustee or to perform any preneed funeral contract, the ~~Board, with the written consent of the purchaser of the preneed funeral contract, or after the purchaser's death or incapacity, the preneed funeral contract beneficiary~~ Board shall order the contract and any amounts retained pursuant to G.S. 90-210.61(a)(2) to be assigned to a substitute preneed licensee provided that ~~the substitute licensee agrees to accept such assignment.~~neither the substitute preneed licensee or preneed contract purchaser, or after the death of the preneed contract purchaser, the preneed contract beneficiary or his or her legal representative, shall be obligated to perform the agreement without executing a new preneed funeral contract. Any lapse or transfer of a preneed contract pursuant to this section shall not be grounds to revoke an irrevocable preneed funeral contract."

SECTION 15. G.S. 90-210.69(c) reads as rewritten:

"(c) In accordance with the provisions of Chapter 150B of the General Statutes, if the Board finds that a licensee, an applicant for a license or an applicant for license renewal is guilty of one or more of the following, the Board may refuse to issue or renew a license or may suspend or revoke a license or place the holder thereof on probation upon conditions set by the Board, with revocation upon failure to comply with the conditions:

(1) Offering to engage or engaging in activities for which a license is required under this Article but without having obtained such a license.
(2) Aiding or abetting an unlicensed person, firm, partnership, association, corporation or other entity to offer to engage or engage in such activities.
(3) A crime involving fraud or moral turpitude by conviction thereof.
(4) Fraud or misrepresentation in obtaining or receiving a license or in preneed funeral planning.
(5) False or misleading advertising.
(6) Violating or cooperating with others to violate any provision of this Article, the rules and regulations of the Board, or the standards set forth in Funeral Industry Practices, 16 C.F.R. 453 (1984), as amended from time to time.
(7) Denial, suspension, or revocation of an occupational or business license by another jurisdiction.

In any case in which the Board is authorized to take any of the actions permitted under this subsection, the Board may instead accept an offer in compromise of the charges whereby the accused shall pay to the Board a penalty of not more than five thousand dollars ($5,000). In any case in which the Board is entitled to place a licensee on a term of probation, the Board may also impose a penalty of not more than five thousand dollars ($5,000) in conjunction with such probation."

SECTION 16. G.S. 90-210.102 reads as rewritten:

"§ 90-210.102. Hearing by Board of dispute over liability for funeral benefits; appeal.

In case of a disagreement between the representative of a deceased member of any burial association and such deceased member's burial association a hearing may be held by the Board of Funeral Service, on request of either party, to determine whether the association is liable for the benefits set forth in the policy issued to the said deceased member of said burial association. The Board of Funeral Service shall render a decision which shall have the same force and effect as judgments rendered by courts of competent jurisdiction in North Carolina. Either party may appeal from the decision of the Board of Funeral Service. Appeal shall be to the district court division of the General Court of Justice in the county in which the burial association is located. The procedure for appeal shall be the same as the appeal procedure set forth in Article 19 of Chapter 7A of the General Statutes of North Carolina regulating appeals from the magistrate to the district court. ~~Upon appeal trial shall be de novo.~~"

SECTION 17. G.S. 90-210.107 reads as rewritten:

"§ 90-210.107. Acquisition, merger, dissolution, and liquidation of mutual burial associations.

(a) Any insurance company which desires to purchase the assets of or to merge with a burial association as provided in G.S. 90-210.106 shall submit to the Board of Funeral Service and to the secretary of the association a written proposal containing the terms and conditions of the proposed purchase or merger. A proposal may be conditioned upon an increase in the assessments of an association in the manner set out in subsection (g) of this section. In such a case, the issues of purchase or merger and an increase in assessments may be considered at the same meeting of the association.

(b) Upon receipt of a written proposal:

(1) The Board shall issue an order directing the association to hold a meeting of the membership within 30 days following receipt of the order for the purpose of voting on the proposal.

(2) Within 10 days of receiving the order from the Board, the association shall give at least 10 days' written notice of the meeting to each of its members. The notice shall:

a. State the date, time, and place of the meeting.

b. State the purpose of the meeting.

c. Contain or have attached the proposal submitted by the insurance company.

d. Contain a statement limiting the time that each member will be permitted to speak to the proposal, if the association deems it advisable.

e. Contain a written proxy form and instructions concerning the proxy prescribed by the Board.

(c) A representative of the insurance company shall be permitted to attend the meeting held by the association for the purposes of explaining the proposal and answering any questions from the members. The officers of the association may present their views concerning the proposal. Any member of the association who wishes to

speak to the proposal shall be permitted to do so subject to any time limitation stated in the notice of the meeting.

(d) The secretary of the association shall record the name of every member who is present at the meeting or has issued a written proxy pursuant to G.S. 55A-7-24 and shall determine whether there is a quorum. The presence of 15 members or ten percent (10%) of the membership, whichever is greater, shall constitute a quorum. Acceptance or rejection of the proposal shall be by majority vote of the members ~~present and~~ voting. Any member who is at least 18 years of age shall be permitted to vote. A parent or guardian of any member who is under 18 years of age may vote on behalf of his or her child or ward, but only one vote may be cast on behalf of that member.

(e) The secretary of the association shall certify the result of the vote and the presence of a quorum to the Board within five days following the meeting and shall include with the certification a copy of the notice of the meeting that was sent to the members of the association.

(f) The Board shall immediately review the certification, the notice, and any other records that may be necessary to determine the adequacy of notice, the presence of a quorum, and the validity of the vote. Upon determining that the meeting and vote were regular and held following proper notice and that a majority of a quorum of the members voted in favor of the proposal, the Board shall issue an order approving the purchase or merger and directing that the purchase or merger proceed in accordance with the proposal.

(g) Any burial association whose current assessments are not, or are unlikely to be within the next three years, adequate to reach or maintain a reserve of at least twenty-one dollars ($21.00) per member or are inadequate to meet the requirements of a proposal from an insurance company to acquire the assets of or to merge with the association may increase its assessments by an amount necessary to reach and maintain the reserve or to meet the proposal. The increase shall be approved by a vote of the members of the association at a regular meeting of the association or at a special meeting called for the purpose of increasing assessments.

(1) Any officer or director of the association may call a special meeting for the purpose of increasing assessments, and the secretary shall call a special meeting for such purpose upon the request of at least ten percent (10%) of the members or upon receipt of a proposal from an insurance company that is conditioned upon an increase in assessments.

(2) Written notice setting out the date, time, place, and the purpose of the meeting shall be hand delivered or sent by first-class mail, postage prepaid, to the last known address of each member of the association at least 10 days in advance of the meeting.

(3) No vote may be had on the question of an increase in assessments unless a quorum of the members of the association is present at the meeting. A quorum shall be conclusively presumed if 15 members or ten percent (10%) of the membership of the association, whichever is greater, is present at the meeting.

(4) The proposal to increase the assessments shall be approved by an affirmative vote of a majority of the members present and voting.

(5) The secretary of the association within five days following the meeting shall certify the result of the vote and the presence of a quorum to the Board in the manner and for the purposes set out in subsections (e) and (f) of this section.

(h) Upon a written request from an association that has held a valid meeting and voted for voluntary dissolution in accordance with G.S. 90-210.81, the Board shall issue an order of liquidation for that association.

(i) Upon receipt of a request for voluntary dissolution under subsection ~~(h),~~(h) of this section or if the sponsoring funeral establishment has its permit revoked or ceases operation for any reason, the Board shall issue an order of liquidation. The Board's order may direct that the agreements for members' benefits be transferred to a financially sound mutual burial association, as well as all records, property, and unexpended balances of funds of the association to be liquidated, if the financially sound mutual burial association agrees in writing to accept the transfer. The Board's order shall direct the burial association to complete the liquidation and to file a final report with the Board no later than December 31 of the year of the liquidation. Upon receipt of the order of liquidation, the burial association shall:

(1) Cease accepting new members.

(2) Collect all debts owed to the association and pay all debts owed by the association from monies on hand, including the reserve.

(3) Distribute pro rata any remaining monies on hand and in the reserve among those who were members of the association and whose transfer could not be accomplished on the date that the liquidation order was issued by the Board. Each member's distributive share shall be determined by dividing the amount of the member's benefit by the aggregate benefits of all members of the association and then multiplying the total amount of money available for distribution by the percentage so derived. Assessments owed by the members to the association at the time of distribution shall be taken into account and shall be offset against the members' distributive shares.

(4) Issue a certificate to members in an amount that equals the difference between the distributive share issued in subdivision (3) of this subsection and the full amount of the member's association benefit. Any certificate issued shall supersede and supplant any other certificate already issued by the association. The certificate shall be on a form prescribed by the Board and shall be prepared and distributed by the association at its expense.

(5) File a final report with the Board on or before December 31 in the year in which the order of liquidation was issued. This report shall show all receipts and disbursements, including the amount distributed to each member, since the last annual report of the association was filed with the Board.

(j) A certificate issued under subsection (i) of this section may be used as a credit toward the cost of funeral services, facilities, and merchandise at any funeral establishment that agrees on forms prescribed by the Board to accept such certificates. A funeral establishment that agrees to accept certificates shall do so until the agreement with the Board expires. The Board shall maintain and distribute to the public a list of funeral establishments that will accept certificates.

(k) Upon receipt of the final report of dissolution by the association, which is required by subsection (i) of this section, the Board shall immediately review the final report and shall notify the association whether the report is complete and has been accepted. Upon acceptance of the final report by the Board, all licenses issued to soliciting agents of the association pursuant to G.S. 90-210.84 are automatically cancelled."

SECTION 18. G.S. 90-210.121(22) is repealed.

SECTION 19. G.S. 90-210.121 is amended by adding the following new subdivisions to read:

"§ 90-210.121. Definitions.

As used in this Article, unless the context requires otherwise:

...

(13a) "Cremation society" means any person, firm, corporation, or organization that is affiliated with a crematory licensed under this Article and provides cremation information to consumers.

...

(17a) "Initial container" means a receptacle for cremated remains, for which the intended use and design is to hold cremated remains, usually composed of cardboard, plastic, or similar material that can be closed in a manner so as to prevent the leakage or spillage of the cremated remains or the entrance of foreign material and is a single container of sufficient size to hold the cremated remains.

...."

SECTION 20. G.S. 90-210.122(c) reads as rewritten:

"(c) The initial terms of the members of the Crematory Authority shall be staggered by the appointing authorities so that the terms of three members (two of which shall be appointees of the Governor) expire December 31, 1991, the terms of two members (both of which shall be appointees of the Governor) expire December 31, 1992, and the terms of the remaining two members (one of which shall be an appointee of the Governor) expire December 31, 1993.

As the terms of the members appointed by the Governor expire, their successors shall be elected from among a list of nominees in an election conducted by the Board in which all licensed crematory operators are eligible to vote. The Board ~~may~~ shall conduct the election for members of the Crematory Authority ~~simultaneously with the election for members of the Board or at any other time. The Board~~ and shall prescribe the procedures and establish the time and date for nominations and elections to the Crematory Authority. A nominee who receives a majority of the votes cast shall be

declared elected. The Board shall appoint the successors to the two positions for which it makes initial appointments pursuant to this section.

The terms of the elected members of the Crematory Authority shall be three years. The terms of the members appointed by the Board, including the members initially appointed pursuant to this subsection, shall be coterminous with their terms on the Board. Any vacancy occurring in an elective seat shall be filled for the unexpired term by majority vote of the remaining members of the Crematory Authority. Any vacancy occurring in a seat appointed by the Governor shall be filled by the Governor. Any vacancy occurring in a seat appointed by the Board shall be filled by the Board."

SECTION 21. G.S. 90-210.123(g) is amended by adding a new subdivision to read:

"(g) Whenever the Board finds that an owner, partner, crematory manager, member, officer, or any crematory technician of a crematory licensee or any applicant to become a crematory licensee, or that any authorized employee, agent, or representative has violated any provision of this Article, or is guilty of any of the following acts, and when the Board also finds that the crematory operator or applicant has thereby become unfit to practice, the Board may suspend, revoke, or refuse to issue or renew the license, in accordance with Chapter 150B of the General Statutes:

...

(1a) Denial, suspension, or revocation of an occupational or business license by another jurisdiction.

...."

SECTION 22. G.S. 90-210.123(i) reads as rewritten:

"(i) The Board may hold hearings in accordance with the provisions of this Article and Chapter 150B of the General Statutes. The Board shall conduct any such hearing. The Board shall constitute an "agency" under Article 3A of Chapter 150B of the General Statutes with respect to proceedings initiated pursuant to this Article. The Board is empowered to regulate and inspect crematories and crematory licensees and to enforce as provided by law the provisions of this Article and the rules adopted hereunder. Any crematory that, upon inspection, is found not to meet any of the requirements of this Article shall pay a reinspection fee to the Board for each additional inspection that is made to ascertain whether the deficiency or other violation has been corrected. The Board may obtain preliminary and final injunctions whenever a violation of this Article has occurred or threatens to occur.

In addition to the powers enumerated in Chapter 150B of the General Statutes, the Board shall have the power to administer oaths and issue subpoenas requiring the attendance of persons and the production of papers and records before the Board in any hearing, investigation, or proceeding conducted by it. Members of the Board's staff or the sheriff or other appropriate official of any county of this State shall serve all notices, subpoenas, and other papers given to them by the President of the Board for service in the same manner as process issued by any court of record. Any person who neglects or refuses to obey a subpoena issued by the Board shall be guilty of a Class 1 misdemeanor."

SECTION 23. G.S. 90-210.124(a) reads as rewritten:

"**§ 90-210.124. Authorizing agent.**

(a) The following person, in the priority list below, shall have the right to serve as an "authorizing agent":

(1) ~~An individual at least 18 years of age may authorize the cremation and disposition of the individual's own dead body in a written will, pursuant to health care power of attorney to the extent provided in Article 3 of Chapter 32 of the General Statues, pursuant to a preneed funeral contract executed pursuant to Article 13D of Chapter 90 of the General Statutes, pursuant to a cremation authorization form executed pursuant to Article 13F of Chapter 90 of the General Statutes, or in a written statement signed by the individual and witnessed by two persons who are at least 18 years old.~~An individual at least 18 years of age may authorize the type, place, and method of disposition of the individual's own dead body by methods in the following order:

a. Pursuant to a preneed funeral contract executed pursuant to Article 13D of Chapter 90 of the General Statutes or pursuant to a cremation authorization form executed pursuant to Article 13C of Chapter 90 of the General Statutes.

b. Pursuant to a written will.

c. Pursuant to a written statement other than a will signed by the individual and witnessed by two persons who are at least 18 years old.

d. Pursuant to a health care power of attorney to the extent provided in Article 3 of Chapter 32A of the General Statutes.

When an individual has authorized his or her own cremation and disposition in accordance with this subsection, the individual or institution designated by that individual shall act as the authorizing agent for that individual.

(2) If a decedent has left no written authorization for the cremation and disposition of the decedent's body as permitted under subdivision (1) of this subsection, the following competent persons in the order listed may authorize the type, method, place, cremation, and disposition of the decedent's body:

a. The surviving spouse.

b. A majority of the surviving children who are at least 18 years of age and can be located after reasonable efforts.

c. The surviving parents.

d. A majority of the surviving siblings who are at least 18 years of age and can be located after reasonable efforts.

e. A majority of the persons in the classes of the next degrees of kinship, in descending order, who, under State law, would inherit the decedent's estate if the decedent died intestate who are at least 18 years of age and can be located after reasonable efforts.

f. A person who has exhibited special care and concern for the decedent and is willing and able to make decisions about the cremation and disposition.

g. In the case of indigents or any other individuals whose final disposition is the responsibility of the State or any of its instrumentalities, a public administrator, medical examiner, coroner, State-appointed guardian, or any other public official charged with arranging the final disposition of the decedent may serve as the authorizing agent.

h. In the case of individuals who have donated their bodies to science or whose death occurred in a nursing home or private institution and in which the institution is charged with making arrangements for the final disposition of the decedent, a representative of such institution may serve as the authorizing agent in the absence of any of the above.

i. In the absence of any of the above, any person willing to assume responsibility as authorizing agent, as specified in this act.

This subsection does not grant to any person the right to cancel a preneed funeral contract executed pursuant to Article 13D of Chapter 90 of the General Statutes or to cause or prohibit the substitution of a preneed licensee as authorized under G.S. ~~90-210.63.~~90-210.63 or permit modification of preneed contracts under G.S. 90-210.63A. If a person under this subsection is incompetent at the time of the decedent's death, the person shall be treated as if he or she predeceased the decedent. An attending physician may certify the incompetence of a person and the certification shall apply to the rights under this subsection only. Any person under this subsection may waive his or her rights under this subsection by any written statement notarized by a notary public or signed by two witnesses."

SECTION 24. G.S. 90-210.129 is amended by adding the following new subsections to read:

"(o) Unless the death falls under the jurisdiction of the Medical Examiner, before the cremation of fetal remains of less than 20 weeks gestation, the crematory licensee shall receive a written statement, on a form prescribed by the Board and signed by the attending physician, acknowledging the circumstances, date, and time of the delivery of the fetal remains from the mother.

(p) Before the cremation of fetal remains of 20 completed weeks gestation or greater, the crematory licensee shall receive a fetal report of death as prescribed in G.S.130A-114.

(q) Before the cremation of amputated body parts, the crematory licensee shall receive a written statement, on a form prescribed by the Board and signed by the attending physician acknowledging, the circumstances of the amputation. This section does not apply to the disposition of body parts cremated pursuant to Part 3 of Article 16 of Chapter 130A of the General Statutes."

SECTION 25. G.S. 90-210.130(b) reads as rewritten:

"(b) The authorizing agent is responsible for the disposition of the cremated remains. If, after a period of 30 days from the date of cremation, the authorizing agent or the agent's representative has not specified the final disposition or claimed the cremated remains, the crematory licensee or the person in possession of the cremated remains may release the cremated remains to another family member upon written notification to the authorizing agent delivered by certified mail or dispose of the cremated remains only in a manner permitted in this section. The authorizing agent shall be responsible for reimbursing the crematory licensee for all reasonable expenses incurred in disposing of the cremated remains pursuant to this section. A record of such disposition shall be made and kept by the person making the disposition. Upon disposing of cremated remains in accordance with this section, the crematory licensee or person in possession of the cremated remains shall be discharged from any legal obligation or liability concerning such cremated remains."

SECTION 26. Article 13F of Chapter 90 of the General Statutes is amended by adding the following new section to read:

"**§ 90-210.135. Cremation Societies.**

(a) No person, firm , or corporation licensed as a crematory under the provisions of this Article may operate a cremation society without first registering the name of the cremation society with the Board."

SECTION 27. G.S. 130A-420 reads as rewritten:

"**§ 130A-420. Authority to dispose of body or body parts.**

(a) An individual at least 18 years of age may authorize the type, place, and method of disposition of the individual's own dead body ~~in a written will, pursuant to a health care power of attorney to the extent provided in Article 3 of Chapter 32A of the General Statutes, pursuant to a preneed funeral contract executed pursuant to Article 13D of Chapter 90 of the General Statutes, pursuant to a cremation authorization form executed pursuant to Article 13C of Chapter 90 of the General Statutes, or in a written statement signed by the individual and witnessed by two persons who are at least 18 years old.~~ by methods in the following order:

(1) Pursuant to a preneed funeral contract executed pursuant to Article 13D of Chapter 90 of the General Statutes or pursuant to a cremation authorization form executed pursuant to Article 13C of Chapter 90 of the General Statutes.

(2) Pursuant to a written will.

(3) Pursuant to a written statement other than a will signed by the individual and witnessed by two persons who are at least 18 years old.

(4) Pursuant to a health care power of attorney to the extent provided in Article 3 of Chapter 32A of the General Statutes.

An individual may also delegate his or her right to dispose of his or her own dead human body to any person by any means authorized in subdivisions (1) through (3) of this subsection.

(b) If a decedent has left no written authorization for the disposal of the decedent's body as permitted under subsection (a) of this section, the following

competent persons in the order listed may authorize the type, method, place, and disposition of the decedent's body:

(1) The surviving spouse.

(2) A majority of the surviving ~~children.~~children over 18 years of age, who can be located after reasonable efforts.

(3) The surviving parents.

(4) A majority of the surviving ~~siblings.~~siblings over 18 years of age, who can be located after reasonable efforts.

(5) A majority of the persons in the classes of the next degrees of kinship, in descending order, who, under State law, would inherit the decedent's estate if the decedent died ~~intestate.~~intestate who are at least 18 years of age and can be located after reasonable efforts.

(6) A person who has exhibited special care and concern for the decedent and is willing and able to make decisions about the disposition.

(7) In the case of indigents or any other individuals whose final disposition is the responsibility of the State or any of its instrumentalities, a public administrator, medical examiner, coroner, State-appointed guardian, or any other public official charged with arranging the final disposition of the decedent.

(8) In the case of individuals who have donated their bodies to science or whose death occurred in a nursing home or private institution and in which the institution is charged with making arrangements for the final disposition of the decedent, a representative of the institution.

(9) In the absence of any of the persons described in subdivisions (1) through (8) of this subsection, any person willing to assume responsibility for the disposition of the body.

This subsection does not grant to any person the right to cancel a preneed funeral contract executed pursuant to Article 13D of Chapter 90 of the General ~~Statutes or~~ Statutes, to prohibit the substitution of a preneed licensee as authorized under G.S. ~~90-210.63.~~90-210.63, or to permit modification of preneed contracts under G.S. 90-210.63A. If an individual is incompetent at the time of the decedent's death, the individual shall be treated as if he or she predeceased the decedent. An attending physician may certify the incompetence of an individual and the certification shall apply to the rights under this section only. Any individual under this section may waive his or her rights under this subsection by any written statement notarized by a notary public or signed by two witnesses.

(b1) A person who does not exercise his or her right to dispose of the decedent's body under subsection (b) of this section within five days of notification or 10 days from the date of death, whichever is earlier, shall be deemed to have waived his or her right to authorize disposition of the decedent's body or contest disposition in accordance with this section.

(c) An individual at least 18 years of age may, in a writing signed by the individual, authorize the disposition of one or more of the individual's body parts that has been or will be removed. If the individual does not authorize the disposition, a

person listed in subsection (b) of this section may authorize the disposition as if the individual was deceased.

(d) This section does not apply to the disposition of dead human bodies as anatomical gifts under Part 3 of Article 16 of Chapter 130A of the General Statutes or the right to perform autopsies under Part 2 of Article 16 of Chapter 130A of the General Statutes."

SECTION 28. This act is effective when it becomes law.

SENATE BILL 1435:
Amend Funeral Serv. Prac./Other Related Laws

BILL ANALYSIS

Committee:	Senate Finance	**Date:**	July 27, 2007
Introduced by:	Sen. Atwater	**Summary by:**	Trina Griffin
Version:	First Edition		Committee Counsel

SUMMARY: Senate Bill 1435 makes various changes to laws regarding the practice of funeral service, mutual burial associations, preneed funeral funds, and cremations. It also increases several of the fees collected by the Board of Funeral Service. The act is effective when it becomes law. What follows is a summary of the bill provided by the Board (with section numbers added and arranged in the order they appear in the bill):

The Board has received written and oral public comment on the proposed changes and incorporated several changes based on comments received. The following is a summary of the proposed legislation:

Chapter 90
Article 13A

Section 1. G.S. 90-210.18A. This amendment changes the ending date of terms of service from June 30 to December 31. The terms of current members would be extended.

Section 2. G.S. 90-210.20(e). This amendment excludes this practice from the definition of embalming to allow individuals to wash a dead human body if part of a religious practice or if done by immediately family members without pay.

G.S. 90-210.20(e1). This is a technical change.

G.S. 90-210.20(h). This is a technical change.

Section 3. G.S. 90-210.23(d1). This allows the Board to assess administrative costs up to $5,000.00 if a Board disciplines a licensee during any show cause hearing. At least nine other North Carolina licensing Boards have statute authority to recover the costs of any administrative hearings. (Barbers, Cosmetic Art, Pharmacy, Insurance, Contractors, Nursing, Chiropractic, Veterinary Medicine and Psychology.) Board staff has conducted research with funeral regulatory boards in other jurisdictions. Georgia, South Carolina & Tennessee have statutory provisions allowing recovery of the investigative and hearing costs that lead to disciplinary action. The Board of Funeral Service is only seeking authority to recover costs of show cause proceedings when there is a finding against the licensee.

Section 4. G.S. 90-210.25(a)(4)b. This amendment requires a trainee to file an affidavit within 30 days of completing a traineeship.
G.S. 90-210.25(a1). This amendment allows inactive licensees to receive credit for continuing education courses taken in another jurisdiction. This amendment also contains a technical change due to the repeal of G.S. 90-210.18.

G.S. 90-210.25(c)(6)a. This amendment clarifies that emergency personnel acting outside the scope of their employment must receive a permit from the Board to transport human remains.

G.S. 90-210.25(d)(2)a. Current law prohibits a funeral establishment from operating without a manager at all times. This amendment creates an exception to permit funeral establishments who lose their only licensee eligible to serve as manager to operate without a manager for 30 days provided a licensed funeral director works at the establishment.

G.S. 90-210.25(d)(4). This amendment is a technical change to include sanctions less than suspension or revocation of funeral establishment permits for violations of law.

G.S. 90-210.25(e)(1)a1. This addition gives the Board the authority to deny an individual license if they have been denied an occupational license by another jurisdiction on fitness grounds.

G.S. 90-210.25(e)(1)j. This amendment clarifies the Board's authority to discipline licensees for violating laws governing the filing of death certificates.

G.S. 90-210.25(e)(1)*l*. This amendment requires a funeral director to surrender cremated remains promptly upon request.

G.S. 90-210.25(e)(1)m. This amendment clarifies the Board's authority to discipline licensees for violating vital records laws.

G.S. 90-210.25(e)(2). This amendment gives the Board the authority to require continuing education prior to license reinstatement.

G.S. 90-210.25(e). This amendment requires a funeral home to give a written disclosure that charges for assigning insurance policies to finance companies are passed on to the consumer. This amendment also allows the Board to prescribe other disclosures to protect consumers through rulemaking.

G.S. 90-210.25(f). Current law levies no penalty for operating a funeral establishment without a permit other than injunctive relief. This amendment makes this offense a Class 2 misdemeanor.

Section 5. G.S. 90-210.27A(g). This amendment prohibits the display of merchandise in a chapel and makes a conforming change.

G.S. 90-210.27A(i). This amendment prohibits a licensee from using the name of any person, living or deceased, if they have never been associated with the business.

Section 6. G.S. 90-210.28. This section raises fee ceilings to permit the Board to increase its auditing and enforcement activities to protect consumers. The Board's research suggests the last fee increase for individual licenses and funeral establishments was in 1989. This also contains a technical change.

Section 7. G.S. 90-210.29A-1. Current public records laws subject examination scores to public inspection, which differs from procedures of other licensing boards. This section excludes examination scores from the inspection provisions of public records laws but allows anyone making a public records

request to learn if the individual has obtained a passing score. At least three licensing Boards exclude exanimation scores from public record: Geologists, Soil Scientists, and Real Estate.

Article 13D

Section 8. G.S. 90-210.62. This change clarifies the definition of inflation-proof contract and the Board's authority to prescribe a uniform preneed contract form. Consumers are sometimes confused by the terms "guarantee" and "fixed price" by believing the price paid for funeral merchandise and services at the time of contract execution will remain the same price at a future date of death which could be years away. While the price may not increase in very short term, funeral homes are subject to inflationary pressures like any business, so it is likely the prices will increase over a long term. The accurate description of the legal requirements is that the funeral home is entitled to the interest or policy value growth which they use to offset the price increases. Conversely the funeral establishment has the legal obligation to absorb losses on funeral merchandise and services that may occur with a fully funded inflation-proof contract. This change will not effect the funeral establishment's legal obligations under the terms of a fully funded inflation-proof preneed contract.

Section 9. G.S. 90-210.63A. This section establishes when a preneed contract may be modified by the parties. This section also gives a person who elects to prepay his own funeral the right to make the arrangements irrevocable except by court order or to designate the parties who may modify them. This section also governs how funeral funds are allocated when a preneed contract is modified to increase or decrease the total cost of services under an inflation-proof contract.

Section 10. 90-210.64. These are technical and conforming changes.

Section 11. G.S. 90-210.65(e). Current law requires a court order from the General Court of Justice to revoke a preneed contract. Because many preneed contracts are created by individuals who receive Medicaid, this section gives the Board the authority to order a contract revoked for individuals who wish to transfer a contract to a funeral home in another state.

Section 12. G.S. 90-210.67(b). This section raises fees for a preneed establishment license. The Board's research suggests that these fee ceilings have not been raised since 1992. This section also requires all funeral homes who receive a new preneed license or whose preneed license lapses or is revoked after the legislation is signed into law to be covered by a surety bond for five years or until it demonstrates to the satisfaction of the Board that it is solvent. The Board would have the authority to extend the bond if a claim is paid while in force. This provision would apply to all newly licensed preneed firms after January 1, 2008.

Section 13. G.S. 90-210.68(d). Current law limits the ability of preneed trustees to receive information from insurance companies for statutory reporting purposes. This amendment requires insurance companies to provide this information to the preneed trustee. In order to execute and fund a preneed contract, the policy owner or their legal representative would also execute an assignment or beneficiary designation naming the preneed funeral establishment. It is the Board's position that this authorizes the insurance companies to release the information necessary to comply with the Board's annual reporting requirements.

Section 14. G.S. 90-210.68(e). Current law limits the Board's authority to substitute a trustee if a funeral home closes or has its licensed revoked. This amendment gives the Board the authority to substitute a trustee but does not bind either the funeral home or consumer to a contract without their consent.

Section 15. G.S. 90-210.69(c)(7). This provision adds to the Board's authority to deny a license for revocation, suspension, or denial of another occupational license.

Article 13E

Section 16. G.S. 210.102. This change requires appeals from orders against mutual burial associations to follow the same procedure for all other administrative appeals.

Section 17. G.S. 90-210.107. Current law requires an in-person meeting of members to dissolve a burial association. Most association members are elderly and are often unable to attend such meetings easily. The proposed change allows members to vote by written proxy to dissolve similar to other corporations. The amendment also gives the Board authority to dissolve associations by administrative action when funeral homes close or have their licenses revoked.

Article 13F

Section 18. G.S. 90-210.121(22). This change eliminates the use of certain containers, such as coffee cans, to return cremated remains to families. There are also conforming changes throughout the Article.

Section 19. G.S. 90-210.122(c). This is a technical change to conform to the passage of G.S. 90-210.18A.

Section 20. G.S. 90-210.123(g). This section gives the Board the authority to deny a license if the applicant has had a similar license denied or revoked by another jurisdiction.

Section 21. G.S. 90-210.123(i). This contains technical changes to conform to other laws.

Section 22. G.S. 90-210.124. The changes to this section are to harmonize the proposed changes to G.S. 130A-420.

Section 23. G.S. 90-210.129. Current law requires the same documentation for fetal deaths that are required for other deaths, but vital records requirements do not require such information to be filed. This section defines what documentation is required to cremate fetuses and other human body parts. This does not impose a new reporting requirement for vital records.

Section 24. G.S. 90-210.130(b). This section allows other family members to possess unclaimed cremated remains after thirty days if notice is provided to the authorizing agent.

Section 25. G.S. 90-210.135. This change requires crematories that run cremation societies to register the name with the Board. No fees or other regulations are associated with this requirement.

Chapter 130

Section 26. G.S. 130A-420. Current law provides a hierarchy to dispose of human remains. This section clarifies many of the problems encountered by the Board in authorizing disposition. First, a hierarchy is established for the types of disposition documents, and the deceased is given the right to delegate the right to make funeral arrangements to any other person in these documents. Second, current law provides no mechanism to pass over individuals' rights to make funeral arrangements in cases of simultaneous accident or other medical hardship. This change allows a physician to certify an individual's incapacity and bypass him instead of seeking a temporary guardianship to act on their behalf. This is consistent with provisions of current NC law for health care agents. This section also makes technical changes to harmonize differences between cremation authorization laws and other forms of disposition to promote uniform interpretation. Board staff continues to work with the NC Bar Association on this provision.

A BILL TO BE ENTITLED

AN ACT TO REQUIRE THE CONSPICUOUS DISCLOSURE OF ANY MAINTENANCE FEES CHARGED FOR GIFT CARDS AND TO PROHIBIT ISSUERS OF GIFT CARDS FROM CHARGING MAINTENANCE FEES FOR ONE YEAR AFTER THE DATE OF PURCHASE.

The General Assembly of North Carolina enacts:

SECTION 1. Article 13 of Chapter 66 of the General Statutes is amended by adding a new section to read:

"**§ 66-67.4. Requirements for maintenance fees for gift cards.**

(a) Disclosure. – The seller or issuer of a gift card must conspicuously disclose any maintenance fee charges at the time of purchase. The disclosure must be visible on the gift card itself. No person, firm, or corporation engaged in commerce shall charge any maintenance fee on a gift card for one calendar year following the date of the purchase of the gift card.

(b) Penalty. – A seller or issuer of a gift card who violates this section commits an unfair trade practice under G.S. 75-1.1 and is subject to a civil penalty in accordance with G.S. 75-15.2.

(c) Definitions. – As used in this section, the following terms mean:

(1) Gift card. – A record evidencing a promise, made for monetary consideration, by a seller or issuer that goods or services will be provided to the owner of the record to the value shown in the record. A gift card includes a record that contains a microprocessor chip, magnetic strip, or other storage medium that is pre-funded and for which the value is adjusted upon each use, a gift certificate, a stored-value card or certificate, a store card, or a prepaid long-distance telephone service that is activated by a prepaid card that required

dialing an access number or an access code in addition to dialing the phone number to which the user of the prepaid card seeks to connect.

(2) Maintenance fee. – Any fee that the owner of the gift card is subject to when the gift card is redeemed, including a service or inactivity fee.

(d) Limitation. – The provisions of this section shall not apply to gift cards that are issued by a financial institution or its operating subsidiary and that are usable at multiple unaffiliated sellers of goods or services."

SECTION 2. This act becomes effective December 1, 2007, and applies to gift cards as defined in G.S. 66-67.4, as enacted by Section 1 of this act, that are sold on or after that date.

SENATE BILL 1517:
Prohibit Gift Card Maintenance Fees

BILL ANALYSIS

Committee:	Senate Finance	**Date:**	July 26, 2007
Introduced by:	Sen. Atwater	**Summary by:**	Heather Fennell and Trina Griffin Committee Counsel
Version:	PCS for Second Edition S1517-CSMC-51		

SUMMARY: ***Senate Bill 1517 would prohibit a person who sells a gift card from charging a maintenance fee for the use of the card during the first year after the card is issued. The bill would also require maintenance fees to be clearly disclosed at the time of sale and on the gift card itself.***

~~***The Proposed Committee Substitute would exempt from these requirements gift cards issued by financial institutions that are usable at multiple unaffiliated sellers of goods or services.***~~

CURRENT LAW: Fees on gift cards are not regulated in this State.

BILL ANALYSIS: Senate Bill 1517 would require that all gift cards must clearly disclose at the time of purchase, and on the card itself, any maintenance fees charged for the gift card. The bill prohibits charging any maintenance fee during the first year after the card is sold. A violation of this law is an unfair and deceptive trade practice under Chapter 75 of the General Statutes and is subject to a civil fine of up to $5000 in an action brought by the Attorney General under that statute. A violation of Chapter 75 is subject to treble damages and attorneys fees.

The bill defines a "gift card' as a record evidencing a promise, made for monetary consideration, by a seller that goods or services will be provided to the owner of the card up to the value shown on the record. Included in the definition of a gift care is a prefunded card, a gift certificate, a stored-value card, a store card, or a prepaid long distance telephone service. "Maintenance fee" is defined as any fee the owner (holder) of the gift care is subject to when the gift card is redeemed, including a service or inactivity fee. Nothing in this bill restricts the charging of any fees in connection with the issuance of the gift card.

EFFECTIVE DATE: The bill becomes effective December 1, 2007 and applies to gift cards sold on or after that date.

A BILL TO BE ENTITLED

AN ACT TO INCREASE THE OCCUPANCY TAX FOR THE TOWN OF JONESVILLE, TO AUTHORIZE YADKIN COUNTY TO LEVY AN OCCUPANCY TAX IN A TAX DISTRICT COMPRISING THE UNINCORPORATED AREAS OF THE COUNTY, AND TO AUTHORIZE THE TOWN OF YADKINVILLE TO LEVY AN OCCUPANCY TAX.

The General Assembly of North Carolina enacts:

INCREASE JONESVILLE OCCUPANCY TAX

SECTION 1. Section 1 of S.L. 2002-95 is amended by adding a new subsection to read:

"(a1) Additional Occupancy Tax. – In addition to the tax authorized by subsection (a) of this section, the Jonesville Town Council may levy an additional room occupancy tax of up to three percent (3%) of the gross receipts derived from the rental of accommodations taxable under subsection (a) of this section. The levy, collection, administration, and repeal of the tax authorized by this subsection shall be in accordance with the provisions of this section. The Town of Jonesville may not levy a tax under this subsection unless it also levies the maximum tax authorized under subsection (a) of this section."

YADKIN COUNTY DISTRICT Y OCCUPANCY TAX

SECTION 2. Yadkin County District Y Created. – Yadkin County District Y is created as a taxing district. Its jurisdiction consists of that part of Yadkin County that is located outside of incorporated areas within the county. Yadkin County District Y is a body politic and corporate and has the power to carry out the provisions of this act. The Yadkin County Board of Commissioners shall serve ex officio as the governing body of the district, and the officers of the county shall serve as the officers of the governing body of the district. A simple majority of the governing body

constitutes a quorum, and approval by a majority of those present is sufficient to determine any matter before the governing body, if a quorum is present.

SECTION 3. Authorization and Scope. – The governing body of Yadkin County District Y may levy a room occupancy tax of up to six percent (6%) of the gross receipts derived from the rental of any room, lodging, or accommodation furnished by a hotel, motel, inn, tourist camp, or similar place within the district that is subject to sales tax imposed by the State under G.S. 105-164.4(a)(3). This tax is in addition to any State or local sales or room occupancy tax. This tax does not apply to accommodations furnished by charitable, educational, or religious institutions or nonprofit organizations when furnished in furtherance of their nonprofit purpose.

SECTION 4. Administration. – A tax levied under this act shall be levied, administered, collected, and repealed as provided in G.S. 153A-155 as if Yadkin County District Y were a county. The penalties provided in G.S. 153A-155 apply to a tax levied under this act.

SECTION 5. Distribution and Use of Tax Revenue. – Yadkin County District Y shall, on a quarterly basis, distribute the net proceeds of the occupancy tax to the Yadkin County District Y Tourism Development Authority created pursuant to Section 6 of this act. The Authority shall use at least two-thirds of the proceeds distributed to it to promote travel and tourism in the district and shall use the remainder for tourism-related expenditures in the district. In accordance with the North Carolina Constitution and the United States Constitution, the tax proceeds may be used only for the direct benefit of the jurisdiction of Yadkin County District Y. None of the proceeds may be used to promote travel or tourism in areas within Yadkin County that are outside of the district or for tourism-related expenditures in the county that are outside of the district.

The following definitions apply in this act:

(1) Net proceeds. – Gross proceeds less the cost to the county of administering and collecting the tax, as determined by the finance officer, not to exceed three percent (3%) of the first five hundred thousand dollars ($500,000) of gross proceeds collected each year and one percent (1%) of the remaining gross receipts collected each year.

(2) Promote travel and tourism. – To advertise or market an area or activity, publish and distribute pamphlets and other materials, conduct market research, or engage in similar promotional activities that attract tourists or business travelers to the area. The term includes administrative expenses incurred in engaging in the listed activities.

(3) Tourism-related expenditures. – Expenditures that, in the judgment of the Tourism Development Authority, are designed to increase the use of lodging facilities, meeting facilities, or convention facilities in a county or to attract tourists or business travelers to the county. The term includes tourism-related capital expenditures.

SECTION 6.(a) Yadkin County District Y Tourism Development Authority. – Appointment and Membership. – The Yadkin County Board of Commissioners shall adopt a resolution creating the Yadkin County District Y Tourism Development

Authority, which shall be a public authority under the Local Government Budget and Fiscal Control Act. The resolution shall provide for the membership of the Authority, including the members' terms of office, and for the filling of vacancies on the Authority. At least one-third of the members must be individuals who are affiliated with businesses that collect the tax in the district, and at least one-half of the members must be individuals who are currently active in the promotion of travel and tourism in the district. The board of commissioners shall designate one member of the Authority as chair and shall determine the compensation, if any, to be paid to members of the Authority.

The Authority shall meet at the call of the chair and shall adopt rules of procedure to govern its meetings. The Finance Officer for Yadkin County shall be the ex officio finance officer of the Authority.

SECTION 6.(b) Duties. – The Authority shall expend the net proceeds of the tax levied under this act for the purposes provided in Section 5 of this act. The Authority shall promote travel and tourism in the district and make tourism-related expenditures in the district.

SECTION 6.(c) Reports. – The Authority shall report quarterly and at the close of the fiscal year to the Yadkin County Board of Commissioners on its receipts and expenditures for the preceding quarter and for the year in such detail as the board may require.

YADKINVILLE OCCUPANCY TAX

SECTION 7. Occupancy tax. – (a) Authorization and Scope. – The Board of Commissioners for the Town of Yadkinville may levy a room occupancy tax of up to six percent (6%) of the gross receipts derived from the rental of any room, lodging, or accommodation furnished by a hotel, motel, inn, tourist camp, or similar place other than a bed and breakfast within the town that is subject to sales tax imposed by the State under G.S. 105-164.4(a)(3). This tax is in addition to any State or local sales tax. This tax does not apply to accommodations furnished by nonprofit charitable, educational, or religious organizations when furnished in furtherance of their nonprofit purpose.

SECTION 7.(b) Administration. – A tax levied under this section shall be levied, administered, collected, and repealed as provided in G.S. 160A-215. The penalties provided in G.S. 160A-215 apply to a tax levied under this section.

SECTION 7.(c) Distribution and Use of Tax Revenue. – The Town of Yadkinville shall, on a quarterly basis, remit the net proceeds of the occupancy tax to the Yadkinville Tourism Development Authority. The Authority shall use at least two-thirds of the funds remitted to it under this subsection to promote travel and tourism in the Town of Yadkinville and shall use the remainder for tourism-related expenditures.

The following definitions apply in this subsection:

(1) Net proceeds. – Gross proceeds less the cost to the town of administering and collecting the tax, as determined by the finance officer, not to exceed three percent (3%) of the first five hundred thousand dollars ($500,000) of gross proceeds collected each year and one percent (1%) of the remaining gross proceeds collected each year.

(2) Promote travel and tourism. – To advertise or market an area or activity, publish and distribute pamphlets and other materials, conduct market research, or engage in similar promotional activities that attract tourists or business travelers to the area; the term includes administrative expenses incurred in engaging in the listed activities.

(3) Tourism-related expenditures. – Expenditures that, in the judgment of Yadkinville Tourism Development Authority, are designed to increase the use of lodging facilities, meeting facilities, or convention facilities in the town or to attract tourists or business travelers to the town. The term includes tourism-related capital expenditures.

SECTION 8. Tourism Development Authority. – (a) Appointment and Membership. – When the Board of Commissioners adopts a resolution levying a room occupancy tax under this act, it shall also adopt a resolution creating the Yadkinville Tourism Development Authority, which shall be a public authority under the Local Government Budget and Fiscal Control Act. The resolution shall provide for the membership of the Authority, including the members' terms of office, and for the filling of vacancies on the Authority. At least one-third of the members shall be individuals who are affiliated with businesses that collect the tax in the town, and at least one-half of the members shall be individuals who are currently active in the promotion of travel and tourism in the town. The Board of Commissioners shall designate one member of the Authority as chair and shall determine the compensation, if any, to be paid to members of the Authority.

The Authority shall meet at the call of the chair and shall adopt rules of procedure to govern its meetings. The Finance Officer for the Town of Yadkinville shall be the ex officio finance officer of the Authority.

SECTION 8.(b) Duties. – The Authority shall expend the net proceeds of the tax levied under Section 7 of this act for the purposes provided in Section 7 of this act. The Authority shall promote travel, tourism, and conventions in the town, sponsor tourist-related events and activities in the town, and finance tourist-related capital projects in the town.

SECTION 8.(c) Reports. – The Authority shall report quarterly and at the close of the fiscal year to the Yadkinville Board of Commissioners on its receipts and expenditures for the preceding quarter and for the year in such detail as the Board of Commissioners may require.

ADMINISTRATIVE PROVISIONS

SECTION 9. G.S. 153A-155(g) reads as rewritten:

"(g) This section applies only to Alleghany, Anson, Brunswick, Buncombe, Burke, Cabarrus, Camden, Carteret, Caswell, Chowan, Clay, Craven, Cumberland, Currituck, Dare, Davie, Duplin, Durham, Franklin, Granville, Halifax, Madison, Martin, Montgomery, Nash, New Hanover, New Hanover County District U, Northampton, Pasquotank, Pender, Perquimans, Person, Randolph, Richmond, Rockingham, Rowan, Sampson, Scotland, Stanly, Transylvania, Tyrrell, Vance, and Washington Counties, to Watauga County District U, to Yadkin County District Y, and to the Township of Averasboro in Harnett County."

SECTION 10. G.S. 160A-215(g) reads as rewritten:

"(g) This section applies only to Beech Mountain District W, to the Cities of Belmont, Elizabeth City, Eden, Gastonia, Goldsboro, Greensboro, High Point, Kings Mountain, Lexington, Lincolnton, Lumberton, Monroe, Mount Airy, Reidsville, Roanoke Rapids, Shelby, Statesville, Washington, and Wilmington, to the Towns of Ahoskie, Beech Mountain, Benson, Blowing Rock, Boiling Springs, Burgaw, Carolina Beach, Carrboro, Dobson, Elkin, Franklin, Jonesville, Kenly, Kure Beach, Mooresville, North Topsail Beach, Pilot Mountain, Selma, Smithfield, St. Pauls, Troutman, Tryon, West Jefferson, Wilkesboro, ~~and~~ Wrightsville Beach, and Yadkinville, and to the municipalities in Avery and Brunswick Counties."

SECTION 11. This act is effective when it becomes law.

AN ACT REMOVING CERTAIN RESTRICTIONS ON SATELLITE ANNEXATIONS FOR THE CITY OF KANNAPOLIS.

The General Assembly of North Carolina enacts:

SECTION 1. G.S. 160A-58.1(b) reads as rewritten:

"(b) A noncontiguous area proposed for annexation must meet all of the following standards:

~~(1) The nearest point on the proposed satellite corporate limits must be not more than three miles from the primary corporate limits of the annexing city.~~

~~(2) No point on the proposed satellite corporate limits may be closer to the primary corporate limits of another city than to the primary corporate limits of the annexing city, except as set forth in subsection (b2) of this section.~~

(3) The area must be so situated that the annexing city will be able to provide the same services within the proposed satellite corporate limits that it provides within its primary corporate limits.

(4) If the area proposed for annexation, or any portion thereof, is a subdivision as defined in G.S. 160A-376, all of the subdivision must be included.

(5) The area within the proposed satellite corporate limits, when added to the area within all other satellite corporate limits, may not exceed ten percent (10%) of the area within the primary corporate limits of the annexing city.

This subdivision does not apply to the Cities of Claremont, Concord, Conover, Elizabeth City, Gastonia, Greenville, Hickory, Kannapolis, Locust, Marion, Mount Airy, Mount Holly, New Bern, Newton, Oxford, Randleman, Rockingham, Sanford, Salisbury,

Southport, Statesville, and Washington and the Towns of Angier, Ayden, Benson, Bladenboro, Burgaw, Calabash, Catawba, Clayton, Columbia, Creswell, Dallas, Dobson, Fuquay-Varina, Garner, Godwin, Grimesland, Holly Ridge, Holly Springs, Kenly, Knightdale, Landis, Leland, Louisburg, Maggie Valley, Maiden, Mayodan, Midland, Mocksville, Morrisville, Pembroke, Pine Level, Princeton, Ranlo, Rolesville, Rutherfordton, Shallotte, Smithfield, Spencer, Stem, Stovall, Surf City, Swansboro, Taylorsville, Troy, Wallace, Warsaw, Waynesville, Wendell, Windsor, Yadkinville, and Zebulon."

SECTION 2. This act applies to the City of Kannapolis only.

SECTION 3. This act applies only to annexations in the area of Cabarrus County bound by the existing City of Kannapolis corporate limits to the east, the Mecklenburg County/Cabarrus County line to the west, the Cabarrus County/Rowan County/Iredell County lines to the north, and N.C. Highway 73 to the south.

SECTION 4. This act is effective when it becomes law.

HOUSE BILL 849

Senate State & Local Government Committee Substitute Adopted 7/27/07

Short Title: Regulation of Golf Carts in Morrisville. (Local)

Sponsors:

Referred to:

March 15, 2007

A BILL TO BE ENTITLED

AN ACT TO AUTHORIZE THE TOWN OF MORRISVILLE TO REGULATE GOLF CARTS ON PUBLIC STREETS OR HIGHWAYS WITHIN THE TOWN OR ON PROPERTY OWNED OR LEASED BY THE TOWN.

The General Assembly of North Carolina enacts:

SECTION 1. Section 1 of S.L. 2006-27, as amended by S.L. 2007-72, reads as rewritten:

"**SECTION 1.** This act applies to the City of Saluda and the Towns of Badin, Carolina Beach, Emerald Isle, Fremont, Faison, Indian Beach, Kings Mountain, Kure Beach, Morrisville, Shelby and Wrightsville Beach only."

SECTION 2. This act is effective when it becomes law.

HOUSE BILL 849:
Regulation of Golf Carts in Morrisville

BILL ANALYSIS

Committee:	Senate Finance	**Date:**	July 30, 2007
Introduced by:	Rep. T. Harrell	**Summary by:**	Judy Collier
Version:	Second Edition		Research Assistant

SUMMARY: House Bill 849[1] authorizes the Town of Morrisville to regulate the operation of golf carts on public streets or highways within the Town, as well as on any property owned or leased by the Town, and it allows the Town to charge a fee for registration. The bill becomes effective when it becomes law.

CURRENT LAW: Under current law, vehicles intended to be operated on the streets and highways of the State must be registered (G.S. 20-50). Golf carts may not be registered (G.S. 20-54), and therefore may not operate on the streets and highways.

G.S. 20-4.01.(12a) defines a golf cart as a vehicle designed and manufactured for operation on a golf course for sporting or recreational purposes and that is not capable of exceeding speeds of 20 miles per hour.

BILL ANALYSIS: House Bill 849 amends S.L. 2006-27, which was amended by S.L. 2007-72, to allow the Town of Morrisville to enact an ordinance to regulate the operation of golf carts on any public street or highway within the city limits, or on any property owned or leased by the town. With regard to golf carts, by ordinance, the town may:

- require registration,
- charge a fee for the registration,
- specify the persons authorized to operate,
- specify required equipment,
- specify load limits, and
- specify hours and methods of operation.

BACKGROUND:

- The General Assembly has enacted legislation for golf carts in the following locations: Lake Waccamaw (S.L. 2001-356), Cary (S.L. 2001-485), Whispering Pines (S.L. 2002-82), Seven Lakes (S.L. 2002-82).
- The General Assembly has enacted legislation for golf carts and utility vehicles in: Beech Mountain (S.L. 2003-124) and Seven Devils (S.L. 2004-58).
- The General Assembly has enacted golf cart legislation allowing fees to be charged in: the Town of Lake Waccamaw (S.L. 2001-356); the Village of Bald Head Island (S.L. 2002-129); and the Towns of Elizabethtown, Rose Hill, and Bladenboro (S.L. 2005-11); Benson, Chadbourn and Tabor City (S.L. 2006-149); and Clarkton (S.L. 2006-152).
- The General Assembly has enacted legislation to allow the Town of Caswell Beach to regulate golf carts on any street or road within the confines of the municipal limits (S.L. 2006-149).
- The General Assembly has enacted legislation to allow the operation of golf carts on any public street or highway within the city limits, or on any property owned or leased by the town in: the City of Saluda and the Town of Faison (S.L. 2006-27) and Badin, Carolina Beach, Emerald Isle, Fremont, Indian Beach, Kings Mountain, Kure Beach, Shelby, and Wrightsville Beach (S.L. 2007-72).

H0849e2-SMRE – Theresa Matula, Staff to Senate State & Local Government Committee substantially contributed to this summary.

[1] As introduced, HB 849 is identical to SB 531, which received a favorable report from Senate Finance on May 16, 2007.

HOUSE BILL 1013

Short Title:	Haywood County Occupancy Tax.	(Local)
Sponsors:	Representatives Rapp and Haire (Primary Sponsors).	
Referred to:	Finance.	

March 26, 2007

A BILL TO BE ENTITLED

AN ACT TO AUTHORIZE HAYWOOD COUNTY TO LEVY AN ADDITIONAL ONE PERCENT OCCUPANCY TAX AND TO MAKE OTHER ADMINISTRATIVE CHANGES.

The General Assembly of North Carolina enacts:

SECTION 1. Section 16.1 of Part V of Chapter 908 of the 1983 Session Laws, as enacted by Chapter 942 of the 1985 Session Laws (Regular Session 1986), is recodified as Section 10.1 of Part V of Chapter 908 of the 1983 Session Laws, as amended.

SECTION 2. Part V of Chapter 908 of the 1983 Session Laws, as amended by Chapter 942 of the 1985 Session Laws (Regular Session 1986), Chapter 48 of the 1987 Session Laws, Chapter 540 of the 1995 Session Laws, and Section 1 of this act, reads as rewritten:

"Part V. Haywood Occupancy Tax.

"Sec. 10. ~~Levy of Tax.~~Occupancy Tax. (a) Authorization and Scope. – The Haywood County Board of Commissioners may ~~by resolution, after not less than 10 days' public notice and after a public hearing held pursuant thereto,~~ levy a room occupancy and tourism development ~~tax.~~

~~(b) Collection of the tax, and liability therefor, shall begin and continue only on and after the first day of a calendar month set by the Haywood County Board of Commissioners in the resolution levying the tax, which in no case may be earlier than the first day of the second succeeding calendar month after the date of adoption of the resolution.~~

~~"Sec. 11. Occupancy Tax. The county room occupancy and tourism development tax that may be levied under this Part shall be~~ tax of two percent (2%) of the gross receipts derived from the rental of any room, lodging, or similar accommodation furnished by any hotel, motel, inn, tourist camp, or other similar place within the county ~~now subject to the three percent (3%)~~ that is subject to sales tax imposed by the State under G.S. ~~105-164.4(3).~~105-164.4(a)(3). This tax is in addition to any State or local sales tax.

This tax does not apply to accommodations furnished by nonprofit charitable, educational, benevolent, or religious organizations.

"Sec. 10.1. Additional One Percent (1%) Occupancy Tax. – In addition to the tax authorized by ~~Sections 10 and 11~~ Section 10 of this Part, the Haywood County Board of Commissioners may levy a room occupancy and tourism development tax of one percent (1%) of the gross receipts derived from the rental of accommodations taxable under ~~those sections.~~ that section. The levy, collection, administration, and repeal of the tax authorized by this section, and the use of tax revenue from a tax levied under this section, shall be in accordance with ~~Sections 10 through 16 of~~ this Part. Haywood County may not levy a tax under this section unless it also levies a tax under ~~Sections 10 and 11~~ Section 10 of this Part.

"Sec. 10.2. Additional One Percent (1%) Occupancy Tax. – In addition to the tax authorized by Sections 10 and 10.1 of this Part, the Haywood County Board of Commissioners may levy a room occupancy and tourism development tax of one percent (1%) of the gross receipts derived from the rental of accommodations taxable under Sections 10 and 10.1 of this Part. The levy, collection, administration, and repeal of the tax authorized by this section and the use of tax revenue from a tax levied under this section shall be in accordance with this Part. Haywood County may not levy a tax under this section unless it also levies the tax authorized under Sections 10 and 10.1 of this Part.

"Sec. 12. Administration. – A tax levied under this Part shall be levied, administered, collected, and repealed as provided in G.S. 153A-155. The penalties provided in G.S. 153A-155 apply to a tax levied under this Part. ~~Administration of Tax. (a) Any tax levied under this Part is due and payable to the county in monthly installments on or before the 15th day of the month following the month in which the tax accrues. Every person, firm, corporation, or association liable for the tax shall, on or before the 15th day of each month, prepare and render a return on a form prescribed by the county. The return shall state the total gross receipts derived in the preceding month from rentals upon which the tax is levied.~~

~~(b) Any person, firm, corporation, or association who fails or refuses to file the return required by this Part shall pay a penalty of ten dollars ($10.00) for each day's omission.~~

~~(c) In case of failure or refusal to file the return or pay the tax for a period of 30 days after the time required for filing the return or for paying the tax, there shall be an additional tax, as a penalty, of five percent (5%) of the tax due in addition to the penalty prescribed in subsection (b), with an additional tax of five percent (5%) for each additional month or fraction thereof until the occupancy tax is paid.~~

~~(d) Any person who willfully attempts in any manner to evade the occupancy tax imposed by this Part or to make a return and who willfully fails to pay the tax or make and file a return shall, in addition to all other penalties provided by law, be guilty of a misdemeanor and shall be punished by a fine not to exceed one thousand dollars ($1,000) or by imprisonment not to exceed six months, or both.~~

~~"Sec. 13. Collection of Tax. Every operator of a business subject to the tax levied pursuant to this Part shall, on and after the effective date of the levy of the tax, collect the two percent (2%) room occupancy tax.~~

~~This tax shall be collected as part of the charge for the furnishing of any taxable accommodations. The tax shall be stated and charged separately from the sales records, and shall be paid by the purchaser to the operator of the business as trustee for and on account of Haywood County. It is the intent of this Part that the room occupancy tax levied by Haywood County shall be added to the sales price and that the tax shall be passed on to the purchaser instead of being borne by the operator of the business. The county shall design, print, and furnish to all appropriate businesses in the county the necessary forms for filing returns and instructions to ensure the full collection of the tax.~~

"Sec. 14. ~~Disposition of Taxes Collected.~~Distribution and Use of the First Three Percent Occupancy Tax. – Haywood County ~~shall~~ shall, on a monthly basis, remit the net proceeds of ~~all revenues received from~~ the room occupancy and tourism development tax levied under Sections 10 and 10.1 of this Part to the ~~county~~ Haywood County Tourism Development Authority. ~~Authority appointed pursuant to this Part. "Net proceeds" means gross proceeds less the cost to the county of administering and collecting the tax. The Authority may expend these funds only to further the development of travel, tourism, and conventions in the county through State, national, and international advertising and promotion. The Authority may use no more than fifteen percent (15%) of these funds for administrative expenses of the Authority.~~The Authority shall use at least two-thirds of the funds remitted to it under this Part to promote travel and tourism in the county and shall use the remainder for tourism-related expenditures.

The following definitions apply in this Part:

(1) Net proceeds. – Gross proceeds less the cost to the county of administering and collecting the tax, as determined by the finance officer, not to exceed three percent (3%) of the first five hundred thousand dollars ($500,000) of gross proceeds collected each year and one percent (1%) of the remaining gross receipts collected each year.

(2) Promote travel and tourism. – To advertise or market an area or activity, publish and distribute pamphlets and other materials, conduct market research, or engage in similar promotional activities that attract tourists or business travelers to the area. The term includes administrative expenses incurred in engaging in the listed activities.

(3) Tourism-related expenditures. – Expenditures that, in the judgment of the Tourism Development Authority, are designed to increase the use of lodging facilities, meeting facilities, or convention facilities in a county or to attract tourists or business travelers to the county. The term includes tourism-related capital expenditures.

"Sec. 14.1. Distribution and Use of the Additional One Percent Occupancy Tax. – Haywood County shall, on a monthly basis, remit the net proceeds of the room occupancy and tourism development tax levied under Section 10.2 of this Part to the Haywood County Tourism Development Authority. The Authority must segregate the

net proceeds received under this section into five separate accounts based on the collection area from which the proceeds were collected. Net proceeds collected under this section from accommodations located in the 28716 zip code area must be credited to the Canton Area Account. Net proceeds collected under this section from accommodations located in the 28721 zip code area must be credited to the Clyde Area Account. Net proceeds collected under this section from accommodations located in 28745 zip code area must be credited to the Lake Junaluska Area Account. Net proceeds collected under this section from accommodations located in the 28751 zip code area must be credited to the Maggie Valley Area Account. Net proceeds collected under this section from accommodations located in the 28785 and the 28786 zip code areas must be credited to the Waynesville Area Account. Based on recommendations from and in consultation with each of the five collection areas, the Authority shall use at least two-thirds of the funds in each account to promote travel and tourism and the remainder for tourist-related expenditures in each of the collection areas.

"Sec. 15. ~~Appointments, Duties of~~ Tourism Development Authority. – (a) Appointment and Membership. – When the Haywood County Board of Commissioners adopts a resolution levying a room occupancy and tourism development tax pursuant to this Part, it shall also adopt a resolution creating ~~a~~ the Haywood County Tourism Development ~~Authority~~ Authority, which shall be a public authority under the Local Government Budget and Fiscal Control Act. The resolution shall provide that the Authority is composed of ~~nine voting members appointed as follows:~~ the following 15 members:

(1) Three members who own or operate hotels, motels, or other accommodations with more than 20 rental units.

(2) Three members who own or operate hotels, motels, or other accommodations with 20 or fewer rental units.

(3) ~~Three tourist-oriented business members at large.~~ Two members who own or operate a tourism-related business, including, but not limited to, county attractions, resorts, restaurants, gift shops, and concert venues.

(4) Four at-large members who are recommended to the Board of Commissioners by the four municipal governments. Each governing body must submit two names to the Board, and the Board must select from the names submitted.

(5) Three ex officio, nonvoting members as follows:

a. A member of the Haywood County Board of Commissioners.

b. The Haywood County finance officer.

c. The Executive Director of the Haywood County Economic Development Commission.

All members of the Authority shall be appointed by the Haywood County Board of Commissioners. At least one-third of the members must be individuals affiliated with businesses that collect the tax in the county, and at least one-half of the members must be individuals currently active in the promotion of travel and tourism in the county. The Board of Commissioners shall designate ~~three~~ four of its initial appointees to serve a

one-year term, ~~three~~ four to serve a two-year term, and ~~three~~ four to serve a three-year term. Thereafter, all members shall serve three-year terms. All members of the Authority serve at the pleasure of the Board of Commissioners and may be removed by the Board at any time. All members of the Authority shall serve without compensation. Vacancies shall be filled by the Board of Commissioners subject to the qualifications established above for the vacating member. Members appointed to fill vacancies shall serve the remainder of the unexpired term for which they are appointed to fill.

~~(b)~~ The members of the Tourism Development Authority shall elect from its membership a chair. The Authority shall meet at the call of the chair and shall adopt rules of procedure to govern its meetings. The chair shall only vote to break a tie vote. The finance officer of Haywood County shall serve ex officio as accountant for the Authority.

(b1) Duties. – The Authority shall expend the net proceeds of the tax levied under this Part for the purposes provided in this Part. The Authority shall promote travel, tourism, and conventions in the county, sponsor tourist-related events and activities in the county, and finance tourist-related capital projects in the county.

(c) Reports. – The ~~Tourism Development~~ Authority shall report quarterly and at the close of the fiscal year to the Board of Commissioners on its receipts and disbursements for the preceding quarter and for the year in such detail as the Board may require.

~~"Sec. 16. Repeal of Levy. (a) The board of county commissioners may by resolution repeal the levy of the room occupancy tax in Haywood County, but no repeal of taxes levied under this Part shall be effective until the end of the fiscal year in which the repeal resolution was adopted.~~

~~(b) No liability for any tax levied under this Part that attached prior to the date on which a levy is repealed is discharged as a result of the repeal, and no right to a refund of a tax that accrued prior to the effective date on which a levy is repealed may be denied as a result of the repeal.~~"

SECTION 3. G.S. 153A-155(g) reads as rewritten:

"(g) This section applies only to Alleghany, Anson, Brunswick, Buncombe, Cabarrus, Camden, Carteret, Chowan, Clay, Craven, Cumberland, Currituck, Dare, Davie, Duplin, Durham, Franklin, Granville, Halifax, Haywood, Madison, Martin, Montgomery, Nash, New Hanover, New Hanover County District U, Pasquotank, Pender, Person, Randolph, Richmond, Rockingham, Rowan, Scotland, Stanly, Transylvania, Tyrrell, Vance, and Washington Counties, to Watauga County District U, and to the Township of Averasboro in Harnett County."

SECTION 4. This act is effective when it becomes law.

HOUSE BILL 1013:
Haywood County Occupancy Tax

BILL ANALYSIS

Committee:	Senate Finance	**Date:**	July 30, 2007
Introduced by:	Reps. Rapp, Haire	**Summary by:**	Trina Griffin
Version:	First Edition		Committee Counsel

SUMMARY: House Bill 1013 authorizes Haywood County to levy an additional 1% room occupancy tax and makes other administrative changes.

HB 1013 received a favorable report from the House Finance Subcommittee on Occupancy Tax on July 24, 2007.

CURRENT LAW: In 1983, the General Assembly authorized Haywood County to levy a two percent (2%) room occupancy tax. The net proceeds are remitted to a county Tourism Development Authority and must be used to further the development of travel, tourism, and conventions in the county through State, national and international advertising and promotion. In 1985, the General Assembly authorized an additional one percent (1%), for a total occupancy tax rate of three percent (3%).

BILL ANALYSIS: House Bill 1013 does the following:

- It authorizes Haywood County to levy an additional 1% room occupancy tax, for a total county rate of 4%.
- It directs the TDA to use the first 3% as follows: At least two-thirds must be used to promote travel and tourism and the remainder must be used for tourism-related expenditures.
- It directs the TDA to segregate the net proceeds of the remaining 1% into five accounts based on the collection area from which the proceeds are collected. Funds in these accounts must be spent in accordance with the guidelines. That is, at least two-thirds must be used to promote travel and tourism and the remainder must be used for tourism-related expenditures. The collection areas are as follows:
  - Canton
  - Clyde
  - Lake Junaluska
  - Maggie Valley
  - Waynesville
- It conforms the current administrative provisions relating to the levy, collection, administration, repeal, and penalties associated with the tax to the uniform provisions in G.S. 153A-155.

EFFECTIVE DATE: This act is effective when it becomes law.

BACKGROUND: Since 1983, the General Assembly has authorized many units of local government to levy a room occupancy tax. In several instances, the General Assembly has authorized both a county and a city within that county to impose an occupancy tax. The rate of tax, the use of the tax proceeds, the administration of the tax, and the body with the authority to determine how the tax proceeds will be spent vary considerably. Over the past several years, there has been a greater effort to make the occupancy taxes uniform. In 1997, the General Assembly enacted uniform municipal and county administrative provisions for occupancy tax legislation – G.S. 153A-155 and G.S. 160A-215. These provisions provide uniformity in the areas of levy, administration, collection, repeal, and penalties.

The North Carolina Travel and Tourism Coalition has a policy statement for legislation authorizing local occupancy taxes. Many of the principles contained in its statement are similar to the ones established by a House Finance subcommittee on Occupancy Taxes in 1993 and are detailed in the chart below:

UNIFORM OCCUPANCY TAX PROVISIONS
Rate – The county tax rate cannot exceed 6% and the city tax rate, when combined with the county rate, cannot exceed 6%.
Use – Two-thirds of the proceeds must be used to promote travel and tourism and the remainder must be used for tourism related expenditures.
Definitions The term "net proceeds", "promote travel and tourism", and "tourism related expenditures" are defined terms.
Administration – The net revenues must be administered by a local tourism development authority that has the authority to determine how the tax proceeds will be used, is created by a local ordinance, and at least ½ of the members must be currently active in the promotion of travel and tourism in the county and 1/3 of the members must be affiliated with organizations that collect the tax.
Costs of Collection – The taxing authority may retain from the revenues its actual costs of collection, not to exceed 3% of the first $500,000 collected each year plus 1% of the remainder collected each year.

PRINCIPAL DEPARTMENT(S) & PROGRAM(S) AFFECTED: Haywood County

EFFECTIVE DATE: Becomes effective when law.

BILL SUMMARY:
House Bill 1013 authorizes Haywood County to levy an additional 1% room occupancy tax and makes other administrative changes.

ASSUMPTIONS AND METHODOLOGY:
The revenue generated by the additional 1% occupancy tax is calculated by dividing the current revenue from the existing 3% occupancy tax by 3 and assuming 3% growth for future years. The additional tax would bring the total occupancy tax rate to 4%. The bill directs the Tourism Development Authority (TDA) to use the first 3% as follows: At least two-thirds must be used to promote travel and tourism and the remainder must be used for tourism-related expenditures.

It directs the TDA to segregate the net proceeds of the remaining 1% into five accounts based on the collection area from which the proceeds are collected. Funds in these accounts must be spent in accordance with the guidelines. That is, at least two-thirds must be used to promote travel and tourism and the remainder must be used for tourism-related expenditures. The collection areas are as follows:

A BILL TO BE ENTITLED

AN ACT TO AUTHORIZE THE DIVISION OF MOTOR VEHICLES TO PRODUCE AN E-911 TELECOMMUNICATOR SPECIAL REGISTRATION PLATE.

The General Assembly of North Carolina enacts:

SECTION 1. G.S. 20-79.4 is amended by adding a new subdivision to read:

"(40a) E-911 Telecommunicator. – Issuable to an active E-911 Telecommunicator. An active E-911 Telecommunicator is an individual employed by a public safety agency whose primary responsibility is to receive, process, transmit, or dispatch emergency and nonemergency calls for police, fire, emergency medical, and other public safety services via telephone and other communication devices. The plate shall bear the phrase "E-911 Telecommunicator." The Division may not issue the plate authorized by this subdivision unless it receives at least 300 applications for the plate."

SECTION 2. This act is effective when it becomes law.

HOUSE BILL 1652:
Special Plate for E-911 Telecommunicators

BILL ANALYSIS

Committee:	Senate Finance	**Date:**	July 30, 2007
Introduced by:	Rep. Justice	**Summary by:**	Martha Walston
Version:	Second Edition		Committee Counsel

SUMMARY: House Bill 1652 would authorize the Division of Motor Vehicles to develop a new special registration plate for E-911 Telecommunicators. The bill also defines "E-911 Telecommunicators".

CURRENT LAW: The Division of Motor Vehicles is authorized to issue more than 164 special license plates. As a general rule, the fee for a special registration plate is the regular vehicle registration fee plus a $10 special registration plate fee.[1] The Division may issue one free registration plate to a recipient of the Legion of Valor[2] award, a 100% disabled veteran, or an ex-prisoner of war. All other special registration plates, including additional Legion of Valor, 100% Disabled Veteran, and Ex-Prisoner of War plates, are subject to the regular motor vehicle registration fee of $28 and the additional special registration plate fee of $10.

The $10 special registration plate fee is credited to the Special Registration Plate Account. After deducting the cost of the plates from this account, $1,000,000 is annually appropriated to provide operating assistance for ten Visitor Centers.[3] The Centers are located in Brunswick, Camden, Carteret, Caswell, Columbus, Macon, McDowell, Transylvania, Tyrell, and Watauga Counties.[4] The remaining revenue in the account is transferred quarterly to the Department of Commerce for advertising (33%), the Department of Transportation for highway beautification (50%), and the Department of Human Resources to promote travel accessibility for disabled persons (17%).

The cost of some special plates includes a fee in addition to the $10 special registration plate fee. In those instances, the first $10 goes to the special registration plate fund and the remainder is transferred quarterly to designated beneficiaries of the additional fee amount.

BILL ANALYSIS: House Bill 1652 would authorize the Division of Motor Vehicles to issue a new special registration plate issuable to active E-911 Telecommunicators and bearing the phrase "E-911 Telecommunicator". The Division would have to receive at least 300 applications for the plate before it could be developed. The plate would require the $10 special registration plate fee that is credited to the Special Registration Plate Account.

An "E-911 Telecommunicator" is an individual employed by a public safety agency whose primary responsibility is to receive, process, transmit, or dispatch emergency and non-emergency calls for police, fire, emergency medical, and other public safety services vial telephone and other communication devices.

EFFECTIVE DATE: The act would be effective when it becomes law.

H1652e2-SMLA

---

[1] Aside from the three plates available free of charge, three special registration plates are exempt from the $10 special plate fee: active member of the National Guard, Purple Heart Recipient, and the Silver Star Recipient.

[2] The Legion of Valor plate is issuable to a recipient of one of the following: Congressional Medal of Honor, Distinguished Service Cross, Navy Cross, or Air Force Cross.

[3] There are 12 Visitors' Centers. The two centers that do not receive State funding are located in Dare County.

[4] Each Visitor's Center receives $100,000.

A BILL TO BE ENTITLED

AN ACT TO PROVIDE FOR THE EXPUNCTION OF CONVICTIONS FOR CERTAIN NONVIOLENT CRIMINAL OFFENSES UPON APPLICATION AND A FEE, TO ALLOW DISCLOSURE OF EXPUNGED INFORMATION TO LAW ENFORCEMENT AGENCIES AND OTHER SPECIFIED AGENCIES FOR EMPLOYMENT AND LICENSING PURPOSES AND TO REQUIRE THOSE AGENCIES TO MAINTAIN THE CONFIDENTIALITY OF THE EXPUNGED INFORMATION, AND TO MAKE CONFORMING CHANGES TO EXISTING EXPUNCTION STATUTES.

The General Assembly of North Carolina enacts:

SECTION 1. Article 5 of Chapter 15A of the General Statutes is amended by adding a new section to read:

"**§ 15A-150. Expunction of records for conviction of certain nonviolent criminal offenses.**

(a) A person may file a petition in the court where the person was convicted for expunction of a felony conviction from the person's criminal record if all of the following criteria are met:

(1) The person, at the time of the felony offense, had not previously been convicted of any felony or misdemeanor other than a traffic violation under the laws of the United States, the laws of this State, or any other state.

(2) The conviction is for a felony violation of any of the following:

a. G.S. 14-54.

b. G.S. 14-56.

c. G.S. 14-71.1.

d. G.S. 14-100 where the thing of value is less than one hundred thousand dollars ($100,000).

e. G.S. 90-95(d)(4).

(3) The person, at the time of the petition, has no convictions other than the conviction to be expunged and traffic violations under the laws of the United States, the laws of this State, or any other state.

(b) The petition may not be filed earlier than 10 years after the date of the felony conviction or when any active sentence, period of probation, and post-release supervision has been served, whichever occurs later. The petition shall contain all of the following:

(1) An affidavit by the petitioner stating all of the following:

a. That the petitioner has been of good moral character for the 10-year period since the date of the felony conviction in question.

b. That the petitioner had not been convicted of any other felony or any misdemeanor other than a traffic violation under the laws of the United States or the laws of this State or any other state.

c. That the petition has no restitution orders or civil judgments representing amounts ordered for restitution entered against the petitioner outstanding.

(2) Verified affidavits of two persons, who are not related to the petitioner or to each other by blood or marriage and were not involved in the actions giving rise to the felony conviction in question, that:

a. The person knows the character and reputation of the petitioner in the community in which the petitioner lives.

b. The petitioner's character and reputation are good.

c. The petitioner is and has been of good moral character for the 10-year period since the date of the felony conviction in question.

(3) A statement that the petition is a motion in the cause in the case wherein the petitioner was convicted.

(4) An application on a form approved by the Administrative Office of the Courts requesting and authorizing all of the following:

a. A State and national criminal record check by the Department of Justice using any information required by the Administrative Office of the Courts to identify the individual.

b. A search by the Department of Justice for any outstanding warrants or pending criminal cases.

c. A search of the confidential record of expunctions maintained by the Administrative Office of the Courts.

(c) The petition shall be served upon the district attorney of the court wherein the case was tried resulting in conviction. The district attorney shall have 30 days thereafter in which to file any objection to the petition and shall be duly notified as to the date of the hearing on the petition. The district attorney shall make his or her best efforts to contact the victim, if any, to notify the victim of the request for expunction prior to the date of the hearing. The application required by subsection (b)(4) of this section shall be

forwarded to the Department of Justice and to the Administrative Office of the Courts, which shall conduct the searches and report their findings to the court.

(d) The court in which the petition was filed may take any of the following steps and may consider at least the following issues in rendering a decision upon a petition for expunction of records of a felony conviction under this section:

(1) Call upon a probation officer for additional investigation or verification of the petitioner's conduct during the 10-year period since the date of conviction of the felony conviction in question.

(2) Review the results of the State and national criminal record check by the Department of Justice and Administrative Office of the Courts.

(3) Review the amount of restitution, if any, made by the petitioner to the victim of the felony conviction to be expunged and give consideration to whether or not restitution was paid in full.

(4) Review any other information the court deems relevant, including affidavits or other testimony provided by law enforcement officers, district attorneys, and victims of the felony committed by the petitioner.

(e) The court may order that the petitioner be restored, in the contemplation of the law, to the status the petitioner occupied before the arrest or indictment or information if the court finds all of the following after a hearing:

(1) The petitioner has remained of good moral character 10 ten years from the date of conviction of the felony in question or any active sentence, period of probation, or post-release supervision has been served, whichever is later.

(2) The petitioner has not previously been convicted of any felony or misdemeanor other than a traffic violation under the laws of the United States, the laws of this State, or any other state.

(3) The petitioner has no outstanding warrants or pending criminal cases.

(4) The petitioner has no outstanding restitution orders or civil judgments representing amounts ordered for restitution entered against the petitioner.

(5) The search of the confidential records of expunctions conducted by the Administrative Office of the Courts shows that the petitioner has not been previously granted an expunction.

(f) No person as to whom an order has been entered pursuant to subsection (e) of this section shall be held thereafter under any provision of any laws to be guilty of perjury or otherwise giving a false statement by reason of that person's failure to recite or acknowledge the arrest, indictment, information, trial, or conviction. Persons pursuing certification under the provisions of Chapters 17C or 17E of the General Statutes shall disclose any and all felony convictions to the certifying commission regardless of whether or not the felony convictions were expunged under this section.

(g) The court shall also order that the felony conviction be expunged from the records of the court and direct all law enforcement agencies bearing record of the same to expunge that agency's records of the felony conviction. The clerk shall forward a

certified copy of the order to the sheriff, chief of police, or other arresting law enforcement agency. The sheriff, chief of police, or head of any other arresting law enforcement agency shall then transmit the copy of the order with a form supplied by the State Bureau of Investigation to the State Bureau of Investigation, and the State Bureau of Investigation shall forward the order to the Federal Bureau of Investigation.

(h) A person as to whom an order has been entered pursuant to subsection (e) of this section may notify any other applicable State or local government agency of the order, and that State or local government agency shall expunge from its records entries made as a result of the conviction ordered expunged under this section. The person may also request that the State or local government agency reverse any administrative actions taken against that person as a result of the charges or convictions expunged, and the State or local government agency shall use its discretion in deciding whether or not to reverse, in whole or part, any action taken against that person. This subsection shall not apply to the Department of Justice for DNA records and samples stored in the State DNA Database and the State DNA Databank.

(i) The clerk of superior court in each county in North Carolina shall, as soon as practicable after each term of court in the clerk's county, file with the Administrative Office of the Courts the names of those persons granted expunctions under this section, and the Administrative Office of the Courts shall maintain a confidential file containing the names of persons granted expunctions. The information contained in the file shall be disclosed only as follows:

(1) To judges of the General Court of Justice of North Carolina for the purpose of ascertaining whether any person charged with an offense has been previously granted a discharge.

(2) To federal, State, and local law enforcement agencies for employment purposes only.

(3) To the North Carolina Criminal Justice Education and Training Standards Commission for certification purposes only.

(4) To the North Carolina Sheriffs' Education and Training Standards Commission for certification purposes only.

(5) To federally insured depository institutions for employment purposes only.

(6) To the North Carolina State Bar and the Board of Law Examiners for licensing purposes only.

(7) To the North Carolina State Board of Certified Public Accountant Examiners for licensing purposes only.

(8) To local boards of education for employment purposes only.

(9) To the Department of Health and Human Services for licensing purposes, employment purposes, and placement purposes if a criminal history check is mandated for the license or placement.

(10) To the North Carolina Medical Board for licensing purposes only.

(11) To the North Carolina Real Estate Commission for licensing purposes only.

(12) To the North Carolina Appraisal Board for licensing purposes only.

(j) A person who files a petition for expunction of a criminal record under this section must pay the clerk of superior court a fee of two hundred dollars ($200.00) at the time the petition is filed. One hundred dollars ($100.00) of the fee collected under this subsection shall be remitted to the North Carolina Department of Justice to pay the costs of the State Bureau of Investigation purging records pursuant to receipt of an order of expunction. The remaining one hundred dollars ($100.00) of the fee shall be remitted to the Administrative Office of the Courts to pay the costs associated with implementation of the provisions of this section. This subsection does not apply to petitions filed by an indigent."

SECTION 2. G.S. 17C-13 reads as rewritten:

"**§ 17C-13. Pardons.**

(a) When a person presents competent evidence that he has been granted an unconditional pardon for a crime in this State, any other state, or the United States, the Commission may not deny, suspend, or revoke that person's certification based solely on the commission of that crime or for an alleged lack of good moral character due to the commission of that crime.

(b) Notwithstanding G.S. 15A-150, the Commission may gain access to a person's felony conviction records, including those maintained by the Administrative Office of the Courts in its confidential files containing the names of persons granted expunctions. The Commission may deny, suspend, or revoke a person's certification based solely on that person's felony conviction, whether or not the felony conviction was expunged."

SECTION 3. G.S. 17E-12 reads as rewritten:

"**§ 17E-12. Pardons.**

(a) When a person presents competent evidence that the person has been granted an unconditional pardon of innocence for a crime in this State, any other state, or the United States, the Commission may not deny, suspend, or revoke that person's certification based solely on the commission of that crime or for alleged lack of good moral character due to the commission of that crime.

(b) Notwithstanding G.S. 15A-150, the Commission may gain access to a person's felony conviction records, including those maintained by the Administrative Office of the Courts in its confidential files containing the names of persons granted expunctions. The Commission may deny, suspend, or revoke a person's certification based solely on that person's felony conviction, whether or not the felony conviction was expunged."

SECTION 4. This act becomes effective December 1, 2007, and applies to applications for expunction of records made on or after that date.

SENATE BILL 1081:
Expunge Nonviolent Crimes

BILL ANALYSIS

Committee:	Senate Finance	**Date:**	July 30, 2007
Introduced by:	Sen. Weinstein	**Summary by:**	Trina Griffin
Version:	PCS to Second Edition S1081-CSST-99		Committee Counsel

SUMMARY: Senate Bill 1081 would create a procedure for one time expunction of certain, limited nonviolent criminal offenses, and set fees for that expunction.

CURRENT LAW:

- ***G.S. 7B-3200*** provides for expunction of adjudications of undisciplined and delinquent.
- ***G.S. 15A-145*** provides for expunction of records of first offenders under the age of 18 at the time of conviction for misdemeanors.
- ***G.S. 15A-149*** provides for expunction of records when a pardon of innocence is granted.
- ***G.S. 90-96(b)*** provides for expunction of certain offenses related to controlled substances for first time offenders under the age of 21 placed on probation under G.S. 90-96(a), following the dismissal of the person and discharge of the proceedings.
- ***G.S. 90-113.14(b)*** provides for expunction of certain offenses related to the Toxic Vapors Act for first time offenders under the age of 21 placed on probation under G.S. 90-113.14(a), following the dismissal of the person and discharge of the proceedings.

BILL ANALYSIS:

Section 1. The proposed committee substitute would create a new statute section to set forth the procedure to follow to expunge certain non-violent crimes from a person's criminal record.

Under this procedure, only persons convicted of the following crimes may petition the court for an expunction:

- G.S. 14-54 - Breaking or entering buildings generally.
- G.S. 14-56 - Breaking or entering into or breaking out of railroad cars, motor vehicles, trailers, aircraft, boats, or other watercraft.
- G.S. 14-71.1 - Possessing stolen goods.
- G.S. 14-100 - Obtaining property by false pretenses -- if the property is less than $100,000.
- G.S. 90-95(d)(4) - Possession of a Schedule VI controlled substance.

The petitioner must meet all of the following criteria:

1. Have no convictions other than traffic violations and the conviction giving rise to the petition for expunction.
2. Wait 10 years from the latest of the following dates before filing the petition:
   - Date of conviction.
   - Date of completion of any active sentence, period of probation and post-release supervision.
3. Have been of good moral character since the date of conviction.
4. Have no outstanding restitutions orders or civil judgments for restitution.
5. Have paid the fee of $200.

Upon the filing of the petition, the district attorney of the court wherein the case resulting in the conviction was tried is to be notified and given 30 days to file an objection to the expunction. The district attorney is to use best efforts to contact the victim and notify the victim of the request for expunction.

The order of expunction may be ordered by the court if all of the following are found by the court:

1. The petitioner is of good moral character for 10 years.
2. The petitioner has no other criminal convictions other than traffic violations.
3. The petitioner has no outstanding warrants or pending criminal cases.
4. The petitioner has no outstanding restitutions orders or civil judgments for restitution.
5. The petitioner has not previously been granted an expunction.

If the court grants the expunction, the court is to notify all law enforcement agencies bearing record of the conviction to expunge that agency's records of the conviction. The petitioner may notify other applicable State or local government agencies of the court order, and that State or local agency must then expunge that agency's records of the conviction. The petitioner could also ask that State or local agency to reverse any adverse actions taken against the petitioner as a result of the felony conviction, and that State or local agency would have the ability to decide whether to reverse the adverse action in whole or part.

The Administrative Office of the Courts is to maintain a confidential file of the names of person's granted an expunction under this procedure. That information shall be available to all of the following:

- Judges of the General Court of Justice of North Carolina for the purpose of ascertaining whether any person charged with an offense has been previously granted a discharge.
- Federal, State and local law enforcement agencies for employment purposes only.
- The North Carolina Criminal Justice Education and Training Standards Commission for certification purposes only.
- The North Carolina Sheriffs' Education and Training Standards Commission for certification purposes only.
- Federally insured depository institutions for employment purposes only.
- The North Carolina State Bar and the Board of Law Examiners for licensing purposes only.
- The North Carolina State Board of Certified Public Accountant Examiners for licensing purposes only.
- Local boards of education for employment purposes only.
- The Department of Health and Human Services for licensing purposes, employment purposes, and placement purposes if a criminal history check is mandated for the license or placement.
- The North Carolina Medical Board for licensing purposes only.
- The North Carolina Real Estate Commission for licensing purposes only.
- The North Carolina Appraisable Board for licensing purposes only.

Sections 2-3. The pcs makes conforming changes to the Criminal Justice Education and Training Standards Commission and Sheriffs' Education and Training Standards Commission to reflect that those Commissions may access the AOC file of the expunction.

EFFECTIVE DATE: December 1, 2007, and applies to applications for expunction on or after that date.

SECTION 3. If House Bill 818, 2007 Regular Session, becomes law, then G.S. 90-8.2 reads as rewritten:

"§ 90-8.2. Appointment of subcommittees.

(a) The North Carolina Medical Board shall appoint and maintain a subcommittee to work jointly with a subcommittee of the Board of Nursing to develop rules to govern the performance of medical acts by registered nurses, including the determination of reasonable fees to accompany an application for approval not to exceed one hundred dollars ($100.00) and for renewal of approval not to exceed fifty dollars ($50.00). ~~The fee for reactivation of an inactive incomplete application shall be five dollars ($5.00).~~ Rules developed by this subcommittee from time to time shall govern the performance of medical acts by registered nurses and shall become effective when adopted by both the North Carolina Medical Board and the Board of Nursing. The North Carolina Medical Board shall have responsibility for securing compliance with these rules.

(b) The North Carolina Medical Board shall appoint and maintain a subcommittee of four licensed physicians to work jointly with a subcommittee of the North Carolina Board of Pharmacy to develop rules to govern the performance of medical acts by clinical pharmacist practitioners, including the determination of reasonable fees to accompany an application for approval not to exceed one hundred dollars ($100.00) and for renewal of approval not to exceed fifty dollars ($50.00). ~~The fee for reactivation of an inactive incomplete application shall be five dollars ($5.00).~~ Rules recommended by the subcommittee shall be adopted in accordance with Chapter 150B of the General Statutes by both the North Carolina Medical Board and the North Carolina Board of Pharmacy and shall not become effective until adopted by both Boards. The North Carolina Medical Board shall have responsibility for ensuring compliance with these rules."

SECTION 4. Article 1 of Chapter 90 of the General Statutes is amended by adding the following new section to read:

"§ 90-12A. Limited license to practice in a medical education and training program.

(a) As provided in rules adopted by the Board, the Board may issue a limited license known as a 'resident's training license' to a physician not otherwise licensed by the Board who is participating in a graduate medical education training program.

(b) A resident's training license shall become inactive at the time its holder ceases to be a resident in a training program or obtains any other license to practice medicine issued by the Board. The Board shall retain jurisdiction over the holder of the inactive license."

SECTION 5. Article 1 of Chapter 90 of the General Statutes is amended by adding the following new section to read:

"§ 90-12.1A. Limited volunteer license.

(a) The Board may issue a 'military limited volunteer license' to an applicant who:

(1) Has a license to practice medicine and surgery in another state;

(2) Produces a letter from the state of licensure indicating the applicant is in good standing; and

(3) Is authorized to treat personnel enlisted in a branch of the United States armed services or veterans.

(b) The Board may issue a 'retired limited volunteer license' to an applicant who is a retired physician and has allowed his or her license to practice medicine and surgery in this State or another state to become inactive.

(c) A physician holding a limited license under this section shall comply with the continuing medical education requirements pursuant to rules adopted by the Board.

(d) The Board shall issue a limited license under this section within 30 days after an applicant provides the Board with information satisfying the requirements of this section.

(e) The holder of a limited license under this section may practice medicine and surgery only at clinics that specialize in the treatment of indigent patients. The holder of the limited license may not receive compensation for services rendered at clinics specializing in the care of indigent patients.

(f) The holder of a limited license issued pursuant to this section who practices medicine or surgery at places other than clinics that specialize in the treatment of indigent patients shall be guilty of a Class 3 misdemeanor and, upon conviction, shall be fined not less than twenty-five dollars ($25.00) nor more than fifty dollars ($50.00) for each offense. The Board, in its discretion, may revoke the limited license after due notice is given to the holder of the limited license.

(g) The Board may, by rule, require an applicant for a limited license under this section to comply with other requirements or submit additional information the Board deems appropriate."

SECTION 6. Article 1 of Chapter 90 of the General Statutes is amended by adding the following new section to read:

"§ 90-12.2A. Special purpose license.

(a) The Board may issue a special purpose license to practice medicine to an applicant who:

(1) Holds a full and unrestricted license to practice in at least one other jurisdiction; and

(2) Does not have any current or pending disciplinary or other action against him or her by any medical licensing agency in any state or other jurisdiction.

(b) The holder of the special purpose license practicing medicine or surgery beyond the limitations of the license shall be guilty of a Class 3 misdemeanor and, upon conviction, shall be fined not less than twenty-five dollars ($25.00) nor more than fifty dollars ($50.00) for each offense. The Board, at its discretion, may revoke the special license after due notice is given to the holder of the special purpose license.

(c) The Board may adopt rules and set fees as appropriate to implement the provisions of this section."

SECTION 7. Article 1 of Chapter 90 of the General Statutes is amended by adding the following new section to read:

"**§ 90-12.3. Medical school faculty license.**

(a) The Board may issue a medical school faculty license to practice medicine and surgery to a physician who:

(1) Holds a full-time appointment as either a lecturer, assistant professor, associate professor, or full professor at one of the following medical schools:

a. Duke University School of Medicine;

b. The University of North Carolina at Chapel Hill School of Medicine;

c. Wake Forest University School of Medicine; or

d. East Carolina University School of Medicine; and

(2) Is not subject to disciplinary order or other action by any medical licensing agency in any state or other jurisdiction.

(b) The holder of the medical school faculty license issued under this section shall not practice medicine or surgery outside the confines of the medical school or an affiliate of the medical school. The holder of the medical school faculty license practicing medicine or surgery beyond the limitations of the license shall be guilty of a Class 3 misdemeanor and, upon conviction, shall be fined not less than twenty-five dollars ($25.00) nor more than fifty dollars ($50.00) for each offense. The Board, at its discretion, may revoke the special license after due notice is given to the holder of the medical school faculty license.

(c) The Board may adopt rules and set fees related to issuing medical school faculty licenses. The Board may, by rule, set a time limit for the term of a medical school faculty license."

SECTION 8. If House Bill 818, 2007 Regular Session, becomes law, then G.S. 90-13.1 reads as rewritten:

"**§ 90-13.1. License fees.**

(a) Each applicant for a license to practice medicine and surgery in this State under either G.S. ~~90-9, 90-10, or 90-13~~90-9.1 or G.S. 90-9.2 shall pay to the North Carolina Medical Board an application fee of three hundred fifty dollars ($350.00).

(b) ~~Whenever~~ Each applicant for a limited license ~~is granted as provided in~~to practice in a medical education and training program under G.S. ~~90-12, the applicant~~90-12A shall pay to the Board a fee ~~not to exceed~~of one hundred ~~fifty~~ dollars ($100.00). ~~($150.00), except where a limited license to practice in a medical education and training program approved by the Board for the purpose of education or training is granted, the applicant shall pay a fee of one hundred dollars ($100.00), and~~

(c) ~~where~~ An applicant for a limited volunteer license ~~to practice medicine and surgery only at clinics that specialize in the treatment of indigent patients is granted, the applicant~~under G.S. 90-12.1A shall not pay a fee.

(d) A fee of twenty-five dollars ($25.00) shall be paid for the issuance of a duplicate license.

(e) All fees shall be paid in advance to the North Carolina Medical Board, to be held in a fund for the use of the Board."

SECTION 9. If House Bill 818, 2007 Regular Session, becomes law, then G.S. 90-13.2 reads as rewritten:

"**§ 90-13.2. Registration every year with Board.**

(a) Every person licensed to practice medicine by the North Carolina Medical Board shall register annually with the Board within 30 days of the person's birthday.

(b) A person who registers with the Board shall report to the Board the person's name and office and residence address and any other information required by the Board, and shall pay ~~a~~ an annual registration fee of one hundred seventy-five dollars ($175.00), except those who have a limited license to practice in a medical education and training program approved by the Board for the purpose of education or training shall pay a registration fee of one hundred twenty-five dollars ($125.00) and those who have a limited volunteer license shall pay an annual registration fee of twenty-five dollars ($25.00). However, licensees who have a limited license to practice for the purpose of education and training under G.S. 90-12A shall not be required to pay more than one annual registration fee for each year of training.

(c) A physician who is not actively engaged in the practice of medicine in North Carolina and who does not wish to register the license may direct the Board to place the license on inactive status.

(d) For purposes of annual registration, the Board shall use a simplified registration form which allows registrants to confirm information on file with the Board.

(e) A physician who fails to register as required by this section shall pay an additional fee of fifty dollars ($50.00) to the Board. The license of any physician who fails to register and who remains unregistered for a period of 30 days after certified notice of the failure is automatically inactive. The Board shall retain jurisdiction over the holder of the inactive license.

(f) Except as provided in G.S. ~~90-12(d),~~90-12.1A, a person whose license is inactive shall not practice medicine in North Carolina nor be required to pay the annual registration fee.

(g) Upon payment of all accumulated fees and penalties, the license of the physician may be reinstated, subject to the Board requiring the physician to appear before the Board for an interview and to comply with other licensing requirements. The penalty may not exceed the maximum fee for a license under G.S. ~~90-13.~~90-13.1."

SECTION 10. Section 1 and Section 10 of this act are effective when it becomes law. The remainder of this act becomes effective October 1, 2007.

A BILL TO BE ENTITLED

AN ACT TO EXCLUDE FROM PROPERTY TAX REAL AND PERSONAL PROPERTY THAT IS SUBJECT TO A CAPITAL LEASE WITH A LOCAL SCHOOL ADMINISTRATIVE UNIT.

The General Assembly of North Carolina enacts:

SECTION 1. G.S. 105-275 is amended by adding a new subdivision to read:

"**§ 105-275. Property classified and excluded from the tax base.**

The following classes of property are hereby designated special classes under authority of Article V, Sec. 2(2), of the North Carolina Constitution and shall not be listed, appraised, assessed, or taxed:

...

(43) Real or tangible personal property that is subject to a capital lease pursuant to G.S. 115C-531."

SECTION 2. This act is effective for taxes imposed for taxable years beginning on or after July 1, 2007.

HOUSE BILL 63:
Property Tax - School Capital Leases

BILL ANALYSIS

Committee:	Senate Finance	**Date:**	July 30, 2007
Introduced by:	Reps. Yongue, Johnson, Jones, Lucas	**Summary by:**	Cindy Avrette
Version:	First Edition		Committee Counsel

SUMMARY: House Bill 63 would exclude from property tax real or tangible personal property that is subject to a capital lease and is used as a public school facility. The bill is a recommendation of the House Select Committee on Public School Construction. The bill is effective for taxes imposed for taxable years beginning on or after July 1, 2007.

CURRENT LAW: In 2006, the General Assembly authorized local school administrative units to enter into capital leases to provide for school facilities. Capital leases differ from operating leases in several respects. In general, a capital lease is one that is considered to have the economic characteristics of ownership. To determine whether a lease is a capital lease or an operating lease, one must look at a number of different provisions in the lease. Under generally accepted accounting principles, a capital lease is a non-cancelable contract satisfying one or more of the following conditions:

- Legal title to the property is transferred to the lessee.
- The lease contains bargain or nominal purchase options.
- The lease term equals or exceeds 75% of the asset's useful life.
- The present value of the minimum lease payments equals or exceeds 90% of the asset's fair market value.

Generally, property owned by a unit of local government is not subject to property tax.

BILL ANALYSIS: House Bill would exclude from the property tax real and tangible personal property[1] that is subject to a capital lease and is used as a public school facility. This change does not affect the current practice of counties. Counties treat the lessee in a capital lease as the property owner for property tax purposes because a capital lease is typically a type of financing agreement in which the lessee purchases the property over the term of the lease.

EFFECTIVE DATE: This bill would be effective when it became law.

PRINCIPAL DEPARTMENT(S) & PROGRAM(S) AFFECTED: NC Department of Revenue, County Tax Assessors and Local School Administrative Units

EFFECTIVE DATE: Effective for taxes imposed for taxable years beginning July 1, 2007.

BILL SUMMARY: House Bill 63 would exempt school facilities subject to a capital lease from property tax. To qualify for the exemption, the property must be subject to a capital lease and be used as a public school facility. The bill is a recommendation of the House Select Committee on Public School Construction.

BACKGROUND: In 2006, General Assembly adopted Senate Bill 2009, which allows local school administrative units to enter into capital leases for school facilities. Prior to the enactment of this law, school boards were allowed to enter into operating leases for school facilities, but the property on which the facilities were located had to be owned in fee simple by the local unit. In addition, all construction and repairs were required to be under the direction and control of the local board of education. Senate Bill 2009 provides that when the building is the subject of a capital lease, the board is not required to own the property and the lease may provide that the lessor is responsible for repairs and renovations.

ASSUMPTIONS AND METHODOLOGY: Under generally accepted accounting principles a capital lease is a non-cancelable contract in which legal title to the property is transferred to the lessee. Capital leases also contain bargain or nominal purchase options and the lease term equals or exceeds 75% of the asset's useful life. Moreover, a capital lease is generally considered to have the economic characteristics of ownership. As a result, the NC Department of Revenue indicates that the current practice of counties is to treat the lessee in a capital lease as the responsible party for

the payment of property taxes. Therefore, in the case of a school capital lease, the local school administrative unit would currently be considered the owner for tax purposes and the property would be exempt from property tax. House Bill 63 clarifies that property subject to a school capital lease is excluded from property tax and is expected to have no significant fiscal impact.

A BILL TO BE ENTITLED

AN ACT TO PROVIDE ENHANCED ECONOMIC DEVELOPMENT INCENTIVES TO ENDANGERED MANUFACTURERS, TO PROVIDE PROPERTY TAX EXCLUSIONS FOR ENDANGERED MANUFACTURERS, TO CLARIFY THAT A LOW-PROFIT LIMITED LIABILITY COMPANY IS A LIMITED LIABILITY COMPANY UNDER STATE LAW, TO ESTABLISH THE NORTH CAROLINA FURNITURE FUND TO RECEIVE STATE AND FEDERAL FUNDING FOR THE FURNITURE INDUSTRY, TO ESTABLISH THE NORTH CAROLINA FURNITURE COUNCIL TO ADMINISTER THE FUND, AND TO APPROPRIATE FUNDS FOR THAT PURPOSE, TO APPROPRIATE FUNDS TO ESTABLISH THE FURNITURE TECHNOLOGY CENTER, TO PROVIDE FOR ADDITIONAL PENALTIES FOR THE UNAUTHORIZED DISCLOSURE OF TRADE SECRETS, AND TO CLARIFY THAT INDUSTRIAL MACHINERY IS NOT SUBJECT TO REGULATION UNDER THE BUILDING CODE.

Whereas, the State of North Carolina is and should be actively engaged in economic development efforts to attract and stimulate private sector job creation and capital investors; and

Whereas, the furniture industry in North Carolina has been damaged by overseas competition and has now become an endangered industry in North Carolina; and

Whereas, economically distressed areas could utilize grant funds to revitalize the furniture industry and furniture manufacturing, in particular, to provide jobs to the unemployed; and

Whereas, economic development grant funds could enable North Carolina to be more nationally or internationally competitive in developing the furniture industry; and

Whereas, additional furniture industry jobs would strengthen the economy of North Carolina as a whole; Now, therefore,

The General Assembly of North Carolina enacts:

PART I. ECONOMIC DEVELOPMENT INCENTIVES

SECTION 1.1. G.S. 105-129.83 is amended by adding a new subsection to read:

"(m) Endangered Manufacturer Enhancements. – Any establishment whose primary activity is in one of the following subsectors shall be treated as if it were located in a development tier one area for all purposes under this Article:

(1) Apparel manufacturing subsector 315 as defined by NAICS.

(2) Furniture and related product manufacturing subsector 337 as defined by NAICS.

(3) Textile mills subsector 313 as defined by NAICS.

(4) Textile product mills subsector 314 as defined by NAICS."

SECTION 1.2. G.S. 105-164.14(h) reads as rewritten:

"(h) Low Enterprise or Development Tier Machinery. – Eligible taxpayers are allowed an annual refund of sales and use taxes paid under this Article as provided in this subsection.

(1) Refunds. – An eligible person is allowed an annual refund of sales and use taxes paid by it under this Article at the general rate of tax on eligible machinery and equipment it purchases for use in an enterprise tier one area or an enterprise tier two area, as defined in G.S. 105-129.3 or a development tier one area, as defined in G.S. ~~143B-437.08.~~143B-437.08 or in an industry listed in G.S. 105-129.83(m) regardless of where the machinery and equipment is located in this State. Liability incurred indirectly by the taxpayer for sales and use taxes on these items is considered tax paid by the taxpayer. A request for a refund must be in writing and must include any information and documentation required by the Secretary. A request for a refund is due within six months after the end of the State's fiscal year. Refunds applied for after the due date are barred.

(2) Eligibility. – A person is eligible for the refund provided in this subsection if it is engaged primarily in one of the businesses listed in G.S. 105-129.4(a) in an enterprise tier one area or an enterprise tier two area, as defined in G.S. ~~105-129.3 or~~105-129.3, if it is engaged primarily in one of the businesses listed in G.S. 105-129.83(a) in a development tier one area, as defined in G.S. ~~143B-437.08.~~143B-437.08, or if it is engaged primarily in one of the businesses listed in G.S. 105-129.83(m) anywhere in the State.

(3) Machinery and equipment. – For the purpose of this subsection, the term "machinery and equipment" means engines, machinery, equipment, tools, and implements used or designed to be used in one of the businesses listed in G.S. 105-129.4(a) or G.S. 105-129.83(a). Machinery and equipment are eligible for the refund provided in this

subsection if the taxpayer places them in service in an ~~enterprise tier one area or an enterprise tier two area, as defined in G.S. 105-129.3, or a development tier one area, as defined in G.S. 143B-437.08,~~applicable area, capitalizes them for tax purposes under the Code, and does not lease them to another party."

SECTION 1.3. G.S. 143B-437.53(a) reads as rewritten:

"(a) Minimum Number of Eligible Positions. – A business may apply to the Committee for a grant for any project that creates the minimum number of eligible positions as set out in the table below. If the project will be located in more than one development tier area, the location with the highest development tier area designation determines the minimum number of eligible positions that must be created. If the primary activity of the project is in an industry listed in G.S. 105-129.83(m), the minimum job creation number applicable to development tier one applies regardless of the tier designation of the location of the project.

Development Tier Area	Number of Eligible Positions
Tier One	10
Tier Two	20
Tier Three	20"

SECTION 1.4. G.S. 143B-437.56(d) reads as rewritten:

"(d) For any eligible position that is located in a development tier three area, seventy-five percent (75%) of the annual grant approved for disbursement shall be payable to the business, and twenty-five percent (25%) shall be payable to the Utility Account pursuant to G.S. 143B-437.61. For any eligible position that is located in a development tier two area, eighty-five percent (85%) of the annual grant approved for disbursement shall be payable to the business, and fifteen percent (15%) shall be payable to the Utility Account pursuant to G.S. 143B-437.61. For a project that is primarily engaged in one of the industries listed in G.S. 105-129.83(m), one hundred percent (100%) of the annual grant approved for disbursement shall be payable to the business regardless of the development tier designation of the location. A position is located in the development tier area that has been assigned to the county in which the project is located at the time the application is filed with the Committee."

SECTION 1.5. Section 1.1 of this part is effective for taxable years beginning on or after January 1, 2007. Section 1.2 of this part becomes effective January 1, 2007, and applies to purchases made on or after that date. The remainder of this part is effective when it becomes law.

PART II. PROPERTY TAX EXCLUSION

SECTION 2.1. G.S. 105-275 is amended by adding a new subdivision to read:

"**§ 105-275. Property classified and excluded from the tax base.**

The following classes of property are hereby designated special classes under authority of Article V, Sec. 2(2), of the North Carolina Constitution and shall not be listed, appraised, assessed, or taxed:

...

(43) Real and personal property that is located at an establishment whose primary activity is in one of the subsectors listed in this subdivision. For the purposes of this subdivision, the terms 'establishment' and 'NAICS' have the same meaning as in G.S. 105-129.81.

a. Apparel manufacturing subsector 315 as defined by NAICS.

b. Furniture and related product manufacturing subsector 337 as defined by NAICS

c. Textile mills subsector 313 as defined by NAICS.

d. Textile product mills subsector 314 as defined by NAICS."

SECTION 2.2. This part is effective for taxes imposed for taxable years beginning on or after July 1, 2008.

PART III. LOW-PROFIT LIMITED LIABILITY COMPANIES

SECTION 3.1. G.S. 57C-1-03 reads as rewritten:

"**§ 57C-1-03. Definitions.**

The following definitions apply in this Chapter, unless otherwise specifically provided:

...

(11) Limited liability company or domestic limited liability company. – An entity formed and existing under this Chapter. The term "limited liability company" or "domestic limited liability company" includes low-profit limited liability companies and companies designated as "L3C."

(12) Limited partnership or domestic limited partnership. – Has the same meaning as in G.S. 59-102(8).

(12a) Low-profit limited liability company or "L3C." – An entity formed and existing under this Chapter that is organized for a business purpose that satisfies and is at all times operated to satisfy each of the following requirements:

a. The entity (i) significantly furthers the accomplishment of one or more charitable or educational purposes within the meaning of section 170(c)(2)(B) of the Internal Revenue Code of 1986, as amended, and (ii) would not have been formed but for the entity's relationship to the accomplishment of charitable or educational purposes;

b. No significant purpose of the entity is the production of income or the appreciation of property; provided, however, that the fact that an entity produces significant income or capital appreciation shall not, in the absence of other factors, be conclusive evidence of a significant purpose involving the production of income or the appreciation of property; and

c. No purpose of the entity is to accomplish one or more political or legislative purposes within the meaning of section 170(c)(2)(D) of the Code, as amended.

If an entity that met this definition at its formation at any time ceases to satisfy any one of the foregoing requirements, it shall immediately cease to be a low-profit limited liability company but will continue to exist as a limited liability company.

All references in this subdivision to sections of the Code shall be to sections of the Internal Revenue Code of 1986, as amended from time to time, or to corresponding provisions of subsequent internal revenue laws of the United States.

~~(12a)~~(12b) Management of the affairs. – In respect of an entity, unless the context indicates otherwise, the authority to direct and participate in the management of the entity.

...."

SECTION 3.2. G.S. 55D-20(a) is amended by adding the following subdivision to read:

"(6) The name of a low-profit limited liability company, as defined in G.S. 57C-1-03(12a), must contain the abbreviation "L3C" or "l3c.""

SECTION 3.3 This part is effective when it becomes law.

PART IV. NORTH CAROLINA FURNITURE FUND AND COUNCIL

SECTION 4.1. Article 10 of Chapter 143B of the General Statutes is amended by adding a new Part to read:

"Part 2K. North Carolina Furniture Council.

"**§ 143B-437.95. North Carolina Furniture Council. – creation; powers; duties.**

There is established the North Carolina Furniture Council of the Department of Commerce. The North Carolina Furniture Council shall have the following powers and duties:

(1) To identify and implement methods for improving North Carolina's furniture industry.

(2) To assure orderly growth and development of North Carolina's furniture industry.

(3) To assist in the coordination of the activities of the various State agencies and other organizations contributing to the development of the furniture industry.

(4) To receive and disburse funds.

(5) To establish criteria for recipients of grants from the North Carolina Furniture Fund and to make grants from the Fund.

(6) To enter into contracts for the purpose of developing new or improved markets for and technological advances in the furniture industry.

(7) To enter into agreements with any local, state, or national organizations or agencies engaged in education for the purpose of disseminating information on furniture industry projects.

(8) To enter into contracts with commercial entities for the purpose of developing marketing, advertising, and other promotional programs

designed to promote the orderly growth of the North Carolina furniture industry.

(9) To acquire any licenses or permits necessary for performance of the duties of the Council.

"**§ 143B-437.96. North Carolina Furniture Council. — composition; terms; reimbursement.**

(a) The Council shall consist of 13 members. The following members or their designees shall serve as ex officio members:

(1) The Secretary of the Department of Commerce.

(2) The President of the Community College System.

(3) The Chancellor of North Carolina State University.

The remaining members shall be appointed as follows:

(1) Three persons appointed by General Assembly, upon the recommendation of the Speaker of the House of Representatives, one of whom shall be a representative of the furniture manufacturing industry.

(2) Three persons appointed by the General Assembly, upon the recommendation of the President Pro Tempore of the Senate, one of whom shall be a representative of the furniture upholstery industry.

(3) One representative of the furniture manufacturing industry, appointed by the Governor.

(4) One representative of the furniture upholstery industry, appointed by the Governor.

(5) One retailer of North Carolina furniture products, appointed by the Governor.

(6) One member of the general public, appointed by the Governor.

(b) Other than the initial members of the Council and members of the Council serving ex officio, members of the Council shall serve three-year terms. Initial members of the Council shall serve staggered terms as follows:

(1) The following initial members shall serve terms of three years:

a. The representative of the furniture manufacturing industry appointed by the General Assembly upon the recommendation of the President Pro Tempore of the Senate.

b. The representative of the furniture manufacturing industry appointed by the General Assembly upon recommendation of the Speaker of the House of Representatives.

c. The retailer of North Carolina furniture products appointed by the Governor.

d. The member of the general public appointed by the Governor.

(2) The remaining members shall serve terms of two years.

(c) The Secretary of the Department of Commerce shall serve as chair of the Council and shall call all meetings of the Council.

(d) The Governor may remove any member of the Council appointed by the Governor for misconduct, incompetence, or neglect of duty. The General Assembly may

remove any member appointed by it for the same reasons. The appointing authority making the original appointment shall appoint successors.

(e) All vacancies occurring on the Council shall be filled, for the unexpired term, by the appointing authority making the original appointment. Vacancies in appointments made by the General Assembly shall be filled in accordance with G.S. 120-122.

(f) The Department of Commerce shall furnish the Council with meeting space and clerical and other services required by the Council to conduct its business.

(g) The members of the Council shall not receive compensation or per diem for their service on the Council.

(h) A majority of the Council shall constitute a quorum for the transaction of business.

"**§ 143B-437.97. North Carolina Furniture Fund.**

The North Carolina Furniture Fund is hereby created as a special, interest-bearing, and nonreverting fund in the Department of Commerce. The Fund shall be treated as a special trust fund and shall be credited with interest by the State Treasurer pursuant to G.S. 147-69.2 and G.S. 147-69.3. The Fund shall be eligible to receive State and federal funding.

The purpose of the North Carolina Furniture Fund is to develop and support the furniture industry in North Carolina, thereby creating jobs for the citizens of the State, encouraging the investment of private funds in North Carolina companies, and promoting the economy of the State in general. Moneys from the Fund may be used for the public purposes of developing the furniture industry workforce and promoting economic development in the furniture industry through the awarding of grants to organizations that support the furniture industry.

The North Carolina Furniture Council of the Department of Commerce shall administer the Fund and shall make grants from the Fund based on criteria adopted by the Council."

SECTION 4.2. There is appropriated from the General Fund to the North Carolina Furniture Fund the sum of five million dollars ($5,000,000) for the 2007-2009 fiscal biennium to be used to provide grants to promote the furniture industry in North Carolina.

SECTION 4.3. This part becomes effective July 1, 2007.

PART V. FURNITURE TECHNOLOGY CENTER

SECTION 5.1. There is appropriated from the General Fund to the Community Colleges System Office the sum of one million dollars ($1,000,000) for the 2007-2008 fiscal year and the sum of one million dollars ($1,000,000) for the 2008-2009 fiscal year to establish the Furniture Technology Center. The Furniture Technology Center shall be merged administratively with the Hosiery Technology Center at Catawba Valley Community College. It shall be a collaborative effort by Catawba Valley Community College, Western Piedmont Community College, Caldwell Community College and Technical Institute, and Lenoir-Rhyne College.

SECTION 5.2. This part becomes effective July 1, 2007.

PART VI. ADDITIONAL PENALTY FOR MISAPPROPRIATION OF TRADE SECRETS

SECTION 6.1. G.S. 66-154 is amended by adding a new subsection to read:

"(e) Willful and malicious misappropriation of a trade secret is a Class 1 misdemeanor."

SECTION 6.2. This part becomes effective December 1, 2007, and applies to acts committed on or after that date.

PART VII. BUILDING CODE INDUSTRIAL MACHINERY

SECTION 7.1. G.S. 143-138(b) reads as rewritten:

"(b) Contents of the Code. – The North Carolina State Building Code, as adopted by the Building Code Council, may include reasonable and suitable classifications of buildings and structures, both as to use and occupancy; general building restrictions as to location, height, and floor areas; rules for the lighting and ventilation of buildings and structures; requirements concerning means of egress from buildings and structures; requirements concerning means of ingress in buildings and structures; rules governing construction and precautions to be taken during construction; rules as to permissible materials, loads, and stresses; rules governing chimneys, heating appliances, elevators, and other facilities connected with the buildings and structures; rules governing plumbing, heating, air conditioning for the purpose of comfort cooling by the lowering of temperature, and electrical systems; and such other reasonable rules pertaining to the construction of buildings and structures and the installation of particular facilities therein as may be found reasonably necessary for the protection of the occupants of the building or structure, its neighbors, and members of the public at large.

In addition, the Code may regulate activities and conditions in buildings, structures, and premises that pose dangers of fire, explosion, or related hazards. Such fire prevention code provisions shall be considered the minimum standards necessary to preserve and protect public health and safety, subject to approval by the Council of more stringent provisions proposed by a municipality or county as provided in G.S. 143-138(e). These provisions may include regulations requiring the installation of either battery-operated or electrical smoke detectors in every dwelling unit used as rental property, regardless of the date of construction of the rental property. For dwelling units used as rental property constructed prior to 1975, smoke detectors shall have an Underwriters' Laboratories, Inc., listing or other equivalent national testing laboratory approval, and shall be installed in accordance with either the standard of the National Fire Protection Association or the minimum protection designated in the manufacturer's instructions, which the property owner shall retain or provide as proof of compliance.

The Code may contain provisions regulating every type of building or structure, wherever it might be situated in the State.

Provided further, that nothing in this Article shall be construed to make any building rules applicable to farm buildings located outside the building-rules jurisdiction of any municipality.

Provided further, that no building permit shall be required under the Code or any local variance thereof approved under subsection (e) for any construction, installation, repair, replacement, or alteration costing five thousand dollars ($5,000) or less in any single family residence or farm building unless the work involves: the addition, repair, or replacement of load bearing structures; the addition (excluding replacement of same size and capacity) or change in the design of plumbing; the addition, replacement or change in the design of heating, air conditioning, or electrical wiring, devices, appliances, or equipment, the use of materials not permitted by the North Carolina Uniform Residential Building Code; or the addition (excluding replacement of like grade of fire resistance) of roofing.

Provided further, that no building permit shall be required under such Code from any State agency for the construction of any building or structure, the total cost of which is less than twenty thousand dollars ($20,000), except public or institutional buildings.

For the information of users thereof, the Code shall include as appendices:

(1) Any rules governing boilers adopted by the Board of Boiler and Pressure Vessels Rules,

(2) Any rules relating to the safe operation of elevators adopted by the Commissioner of Labor, and

(3) Any rules relating to sanitation adopted by the Commission for Health Services which the Building Code Council believes pertinent.

In addition, the Code may include references to such other rules of special types, such as those of the Medical Care Commission and the Department of Public Instruction as may be useful to persons using the Code. No rule issued by any agency other than the Building Code Council shall be construed as a part of the Code, nor supersede that Code, it being intended that they be presented with the Code for information only.

Nothing in this Article shall extend to or be construed as being applicable to the regulation of the design, construction, location, installation, or operation of (1) equipment for storing, handling, transporting, and utilizing liquefied petroleum gases for fuel purposes or anhydrous ammonia or other liquid fertilizers, except for liquefied petroleum gas from the outlet of the first stage pressure regulator to and including each liquefied petroleum gas utilization device within a building or structure covered by the Code, or (2) equipment or facilities, other than buildings, of a public utility, as defined in G.S. 62-3, or an electric or telephone membership corporation, including without limitation poles, towers, and other structures supporting electric or communication lines.

Nothing in this Article shall extend to or be construed as being applicable to the regulation of the design, construction, location, installation, or operation of industrial machinery. For the purposes of this paragraph, 'industrial machinery' means equipment and machinery used in a system of operations for the explicit purpose of producing a product. The term does not include equipment that is permanently attached to, or a component part of, a building and related to general building services such as ventilation, heating and cooling, plumbing, fire suppression or prevention, and general electrical transmission.

In addition, the Code may contain rules concerning minimum efficiency requirements for replacement water heaters, which shall consider reasonable availability from manufacturers to meet installation space requirements.

No State, county, or local building code or regulation shall prohibit the use of special locking mechanisms for seclusion rooms in the public schools approved under G.S. 115C-391.1(e)(1)e., provided that the special locking mechanism shall be constructed so that it will engage only when a key, knob, handle, button, or other similar device is being held in position by a person, and provided further that, if the mechanism is electrically or electronically controlled, it automatically disengages when the building's fire alarm is activated. Upon release of the locking mechanism by a supervising adult, the door must be able to be opened readily."

SECTION 7.2. This part is effective when it becomes law.

PART VIII. EFFECTIVE DATE

SECTION 8.1. Except as otherwise provided, this act is effective when it becomes law.

Dear Senator Jacumin,

I am writing this letter to encourage you to continue to pursue the passage of the endangered industry and jobs act.

We are a small manufacturing company located in Hickory, NC. We have felt the intense pressure of the overseas markets that are being used to produce what used to be produced here in the United States. We have set up a business model that changes the way furniture is made here and we believe that once it is at full size, will be able to compete directly with the overseas manufacturers and bring some of the manufacturing jobs back to North Carolina. At our current size, we are struggling to make it, but the boost that your bill would give us, if enacted, we would allow us to become profitable enough to attract investment dollars to grow and create more jobs. We have a plan in place that would use the help provided by your bill to not only create jobs within my company, but also bring together other furniture related companies together to gain even more efficiency to become even more competitive. While I do not really want to think about this part, the reality is that without your bill enacted into law, I am not sure that we will be around much longer. We would then, not only, not create the jobs I mentioned above, but would lose the ones we already have.

I have provided a document that details how your bill would work for us, but the basic numbers are listed below.

I wish you the best in your efforts to help us bring back jobs to North Carolina. Please let me know if there is anything I can do to help you. We are counting on you.

Sincerely,

Jay Rubino
President

SENATE BILL 91:
Endangered Manufacturing and Jobs Act

BILL ANALYSIS

Committee:	Senate Finance	**Date:**	July 30, 2007
Introduced by:	Sen. Jacumin	**Summary by:**	Cindy Avrette
Version:	First Edition		Committee Counsel

SUMMARY: ***This bill makes numerous changes to existing law to provide for greater incentives for the growth and protection of North Carolina's furniture industry. Different parts of the bill have different effective dates.***

[As introduced, this bill was identical to H39, as introduced by Reps. Church, Jeffus, which is currently in House Commerce, Small Business and Entrepreneurship .]

BILL ANALYSIS:

Part I. Economic Development Incentives

The William S. Lee Quality Jobs and Business Expansion Act was enacted in 1996, effective beginning with the 1996 tax year with a 2002 sunset. The Act is a package of State tax incentives and has been modified in each subsequent year. The incentives are primarily in the form of tax credits for investment in machinery and equipment and real property, for job creation, and for worker training. Counties are divided into five enterprise tiers based on the unemployment rate, per capita income, and population growth of the county. For many of the credits, the lower the tier of a county, the more favorable the incentive. The Act requires the Department of Commerce and the Department of Revenue to report periodically on the credits allowed by the Act.

In 2006, the General Assembly acted to replace the Bill Lee Act with a new, more narrowly-focused set of tax incentives. While the new legislation (Article 3J) retained many of the features of the Bill Lee Act, the new legislation was streamlined by eliminating some of the more technical provisions of the Bill Lee Act and some of the credits that had not been used frequently. Some of the primary differences between Article 3J and the Bill Lee Act are as follows:

Whereas the Bill Lee Act divided counties into five enterprise tiers, Article 3J divides counties into three development tiers. In addition, the factors which determine enterprise tiers status under Article 3J vary slightly from the factors used under the Bill Lee Act.

Whereas under the Bill Lee Act eligibility by industry type depended on a number of factors, under Article 3J eligibility by industry type depends, for most industries, solely on the primary activity at the specific location.

Whereas the Bill Lee Act contained eight credits, Article 3J contains only three. The credits for technology commercialization, worker training, central office and aircraft facility property, research and development, and development zone projects were eliminated.

This Part would treat establishments that are involved in one of several different industry subsectors as if they were located in a development tier one area. Location in a development tier one area has the following benefits.

These taxpayers are not required to meet a wage standard with respect to employees at the establishment. Generally, taxpayers must meet a wage standard equal to the lower of 90% of the average county wage or 110% of the average State wage.

For the credit for creating jobs, the taxpayer must meet a job creation threshold of 5 before any credit may be taken. The threshold in higher-tiered areas ranges from 10 to 15 jobs.

For the credit for creating jobs, the amount of the credit is equal to $12,500 per job. The credit amount in higher-tiered areas ranges from $750 per job to $5,000 per job.

For the credit for investing in business property, the taxpayer is not required to meet a threshold before taking the credit. In higher-tiered areas, the threshold ranges from $1,000,000 to $2,000,000.

For the credit for investing in business property, the amount of the credit is equal to 7% of the eligible investment amount. In higher-tiered areas, the credit amount ranges from 3.5% to 5% of the eligible investment amount.

For the credit for investment in real property, the taxpayer would be eligible for the credit. The credit is not available in higher-tiered areas.

In 2002, the General Assembly created the Job Development Investment Grant Program. The program makes grants to participating businesses based on a percentage of the individual income tax withholdings of new positions created by the business. Participation in the program requires the creation of a minimum of 10 jobs in a development tier one area or 20 jobs in a development tier two or three area. For jobs that are located in development tiers two or three, the amount of the grant is automatically reduced.

This Part would treat businesses that are involved in the furniture, textile, or apparel manufacturing industries as if they were located in a development tier one area regardless of the actual tier designation of the location.

The General Assembly has provided for a sales and use tax refund for sales of machinery and equipment that are subject to the general rate of tax and that are put in to service in a development tier one area. Because mill machinery and equipment is generally exempt from the sales and use tax (and subject to a lower excise tax instead), it is a limited category of machinery and equipment to which this refund applies.

This Part would extend this refund to similar equipment used in a furniture, textile, or apparel manufacturing facility regardless of the actual tier designation of the particular location.

The changes to Article 3J would be effective for taxable years beginning on or after January 1, 2007. The sales and use tax changes would be effective for sales made on or after July 1, 2007. The JDIG changes would be effective when they became law.

Part II. Property Tax Exclusion

Under North Carolina law, real and personal property are subject to a property tax. Property taxes are imposed and administered by counties and cities based on general State laws adopted by the General Assembly and approved by the Governor. State law provides for numerous exclusions and exemptions from the property tax. The North Carolina Constitution prohibits legislation that would allow local governments to exclude or exempt property from the property tax[1].

[1] Article V, Section 2 of the North Carolina Constitution provides:
"Classification. Only the General Assembly shall have the power to classify property for taxation, which power shall be exercised only on a State-wide basis and shall not be delegated. No class of property shall be taxed except by uniform rule, and every classification shall be made by general law uniformly applicable in every county, city and town, and other unit of local government."

Part II of the bill would provide for an exclusion from the property tax for real and personal property that is located at an establishment whose primary activity is in one of the following industry subsectors: apparel manufacturing, furniture and related product manufacturing, textile mills, and textile product mills.

The Part relies on the concepts of 'establishment' and 'NAICS' as used in Article 3J of Chapter 105 of the General Statutes[2]. Under Article 3J, an 'establishment' is generally a discrete physical location at which business operations are conducted. 'NAICS' is the acronym for the North American Industry Classification System. NAICS is a joint effort of the Office of Management and Budget and its counterparts in Canada and Mexico. The system is designed to classify all business operation based on the primary activity that occurs at the establishment. NAICS classifications have been used in North Carolina's economic development tax incentives since 1996.

This Part would be effective for taxes imposed for taxable years beginning on or after July 1, 2008.

Part III. Low-Profit Limited Liability Companies

A limited liability company is a business entity that is essentially a hybrid of a partnership and a corporation. Like a corporation, an LLC limits the liability of its owners. Like a partnership, an LLC is usually not subject to entity-level taxation. Limited liability companies have been specifically authorized under North Carolina law since 1993.

Part III of the bill would clarify that a low-profit limited liability company is a limited liability company under North Carolina.

Low-profit limited liability companies (L^3Cs) have been proposed as a means for encouraging investment in struggling business enterprises. Under this theory, non-profit organizations that are required to spend a certain percentage of their assets each year to maintain their non-profit status would invest in L^3Cs that have some social purpose. If structured correctly, it is possible that the IRS could treat this investment as a program-related investment that would count towards the percentage that must be spent in order to maintain non-profit status. Because non-profits do not face the same pressures as for-profit investors, the theory states that non-profits would be willing to accept a lower rate of return than would be required for a for-profit investor. Struggling businesses might then be able to stay in business, providing jobs to employees and other community benefits, because the pressure to produce market-rate profit levels had been removed.

One of the benefits of L^3Cs is that no special legal structure, other than the LLC structure, is needed to establish an L^3C.

This Part would be effective when it became law.

Part IV. North Carolina Furniture Fund and Council

Part IV of the bill establishes the North Carolina Furniture Council and the North Carolina Furniture Fund in the Department of Commerce and appropriates a total of $5,000,000 from the General Fund to the Fund for the 2007-2009 biennium. The Fund is a special, interest-bearing, and nonreverting fund. The State funds appropriated to the Fund shall be used for grants to support and promote the furniture industry in the State and create jobs for the citizens of the State. The Fund will be administered by the North Carolina Furniture Council.

The North Carolina Furniture Council consists of 13 members, with appointments by the Governor and the General Assembly. The membership of the Council shall consist of manufacturing industry

[2] Article 3J replaces the Bill Lee Act for most taxpayers beginning with the 2007 tax year.

representatives, upholstery industry representatives, and one furniture retailer. The Secretary of the Department of Commerce, the President of the Community College System, and the Chancellor of North Carolina State University shall serve as members of the Council by virtue of their offices.

The primary responsibility of the North Carolina Furniture Council is to promote the furniture industry in the State. To promote the furniture industry, the Council shall assure the growth and development of the furniture industry and improve the furniture industry through the development of new markets and technologies. The Council shall also establish the criteria for recipients of grants and shall award grants from the Fund.

This Part becomes effective July 1, 2007.

Part V. Furniture Technology Center

Part V of the bill appropriates a total of $2,000,000 from the General Fund for the 2007-2009 fiscal biennium to the Community Colleges System Office to establish the Furniture Technology Center. The community colleges located in the parts of the State that have suffered job losses in the furniture industry in the past five years, including Catawba Valley Community College, Western Piedmont Community College, Caldwell Community College and Technical Institute, and Lenoir-Rhyne College, shall work together in a collaborative effort to train workers for, and develop new technologies in, the textile and furniture industries. The Furniture Technology Center shall be merged administratively with the Hosiery Technology Center at Catawba Valley Community College.

This Part becomes effective July 1, 2007.

Part VI. Additional Penalty for Misappropriation of Trade Secrets

Article 24 of Chapter 66 of the General Statutes is the Trade Secrets Protection Act and provides an owner of a trade secret a remedy by civil action for misappropriation of that trade secret. G.S. 66-154 sets forth the remedies for the misappropriation of a trade secret and allows for injunctive relief and punitive damages in addition to actual damages if the misappropriation is willful and malicious.

Part VI of the bill amends G.S. 66-154 to establish a criminal penalty for the willful and malicious misappropriation of a trade secret, which would be in addition to any civil remedy. The criminal penalty is a Class 1 misdemeanor.

This Part becomes effective December 1, 2007, and applies to acts committed on or after that date.

Part VII. Building Code – Industrial Machinery

Part VII of the bill amends G.S. 143-138, the State Building Code, to state that the State Building Code shall not govern the regulation of the design, construction, location, installation, or operation of industrial machinery. The term "industrial machinery" is defined as equipment and machinery used in a system of operations for the explicit purpose of producing a product.

The State Building Code would continue to regulate equipment that is permanently attached to or a component part of a building and related to general building services such as ventilation, heating and cooling, plumbing, fire suppression or prevention, and general electrical transmission.

This Part is effective when it becomes law.

Short Title: Senior Circuit Breaker Tax Benefit. (Public)

Sponsors:

Referred to:

March 26, 2007

A BILL TO BE ENTITLED

AN ACT TO CREATE A SENIOR CIRCUIT BREAKER PROPERTY TAX BENEFIT.

The General Assembly of North Carolina enacts:

SECTION 1. G.S. 105-277.1(b) is amended by adding a new subdivision to read:

"(b) Definitions. – The following definitions apply in this section:

...

(3a) Property tax relief. – The property tax homestead exclusion provided in this section or the property tax homestead circuit breaker provided in G.S. 105-277.1B.

...."

SECTION 2. G.S. 105-277.1 is amended by adding a new subsection to read:

"**§ 105-277.1. Property tax homestead exclusion.**

...

(e) Election. – An owner who qualifies for both kinds of property tax relief may elect the property tax homestead circuit breaker under G.S. 105-277.1B instead of the property tax homestead exclusion provided in this section. When property is owned by two or more persons, each person must qualify for both kinds of property tax relief and must elect the property tax homestead circuit breaker in order for the property tax homestead circuit breaker to be allowed instead of the property tax homestead exclusion."

SECTION 3. Article 12 of Chapter 105 of the General Statutes is amended by adding a new section to read:

"**§ 105-277.1B. Property tax homestead circuit breaker.**

(a) Classification. – A permanent residence owned and occupied by a qualifying owner is designated a special class of property under Article V, Section 2(2) of the North Carolina Constitution and is taxable in accordance with this section.

(b) Definitions. – The definitions provided in G.S. 105-277.1 apply to this section.

(c) Income Eligibility Limit. – The income eligibility limit provided in G.S. 105-277.1(a2) applies to this section.

(d) Qualifying Owner. – For the purpose of qualifying for the property tax homestead circuit breaker under this section, a qualifying owner is an owner who meets all of the following requirements as of January 1 preceding the taxable year for which the benefit is claimed:

(1) The owner has an income for the preceding calendar year of not more than one hundred fifty percent (150%) of the income eligibility limit specified in subsection (c) of this section.

(2) The owner has occupied the property as a permanent residence for at least five years.

(3) The owners is at least 65 years of age or totally and permanently disabled.

(4) The owner is a North Carolina resident.

(e) Multiple Owners. – When a permanent residence is owned and occupied by two or more persons other than husband and wife, no property tax homestead circuit breaker is allowed unless all of the owners qualify and elect to defer taxes under this section.

(f) Tax Limitation. – A qualifying owner may defer the portion of tax imposed on his or her permanent residence if it exceeds a percentage of the qualifying owner's income as provided in this section.

Income	Percentage
Less than the income eligibility limit	4.0%
100% to 150% of the income eligibility limit	5.0%

(g) Temporary Absence. – An otherwise qualifying owner does not lose the benefit of this circuit breaker because of a temporary absence from his or her permanent residence for reasons of health, or because of an extended absence while confined to a rest home or nursing home, so long as the residence is unoccupied or occupied by the owner's spouse or other dependent.

(h) Deferred Taxes. – The difference between the taxes due under this section and the taxes that would have been payable in the absence of this section are a lien on the real property of the taxpayer as provided in G.S. 105-355(a). The difference in taxes for the three fiscal years preceding the current tax year shall be carried forward in the records of the taxing unit or units as deferred taxes. Interest accrues on the deferred taxes due as if they had been payable on the dates on which they originally became due. On or before September 1 of each year, the assessor shall notify each residence owner to whom a tax deferral has previously been granted of the accumulated sum of deferred taxes and interest.

(i) Disqualifying Events. – Taxes deferred under this section are payable within nine months after a disqualifying event. The tax for the fiscal year that opens in a calendar year in which deferred taxes become due is computed as if the property was not eligible for property tax relief under this section. Each of the following constitutes a disqualifying event:

(1) The owner transfers the residence. Transfer of the residence under this subdivision is not a disqualifying event if (i) the owner transfers the residence as part of a divorce proceeding to either his or her spouse who qualifies for tax deferral under this section or to a co-owner of the residence, (ii) that individual occupies or continues to occupy the property as his or her permanent residence and (iii) that individual elects to continue deferring payment of the tax.

(2) The owner dies. Death of the owner under this subdivision is not a disqualifying event if (i) the owner's share passes to either his or her spouse who qualifies for tax deferral under this section or to a co-owner of the residence, (ii) that individual occupies or continues to occupy the property has his or her permanent residence and (iii) that individual elects to continue deferring payment of the tax.

(3) The owner ceases to use the property as a permanent residence.

(j) Interruption of Qualification. – If the owner of a tax-deferred residence does not qualify under this section for deferral as of January 1 preceding a taxable year for reasons other than a disqualifying event or if the owner of a tax-deferred residence revokes an application for deferral by notifying the assessor in writing, the owner may not defer any additional property taxes under this section without submitting a new application. Deferred taxes from earlier years do not become due because of an interruption of qualification; however, deferred taxes existing at the time of an interruption of qualification shall be carried forward until the occurrence of a disqualifying event. If owner qualifies for tax deferral under this section following an interruption of qualification, the taxing unit or units shall disregard the years during which there was an interruption of qualification for purposes of determining the three fiscal years preceding the current tax year under subsection (g) of this section.

(k) Prepayment. – All or part of the deferred taxes and accrued interest may be paid to the tax collector at any time. Any partial payment is applied first to accrued interest. A residence owner to whom a tax deferral has previously been granted may revoke the application for deferral at any time by notifying the assessor in writing.

(l) Creditor Limitations. – A mortgagee or trustee that elects to pay any tax deferred by the owner of a residence subject to a mortgage or deed of trust does not acquire a right to foreclose as a result of the election. Except for requirements dictated by federal law or regulation, any provision in a mortgage, deed of trust, or other agreement that prohibits the owner from deferring taxes on property under this section is void.

(m) Construction. – This section does not affect the attachment of a lien for personal property taxes against a tax-deferred residence.

(n) Application. – An application for property tax relief provided by this section should be filed during the regular listing period, but may be filed and must be accepted at any time up to and through June 1 preceding the tax year for which the relief is claimed. Persons may apply for this property tax relief by entering the appropriate information on a form made available by the assessor under G.S. 105-282.1."

SECTION 4. G.S. 150-282.1(a)(2) reads as rewritten:

"(2) Single application required. – An owner of one or more of the following properties eligible ~~to be exempted or excluded from taxation~~for a property tax benefit must file an application for ~~exemption or exclusion~~the benefit to receive it. Once the application has been approved, the owner does not need to file an application in subsequent years unless new or additional property is acquired or improvements are added or removed, necessitating a change in the valuation of the property, or there is a change in the use of the property or the qualifications or eligibility of the taxpayer necessitating a review of the ~~exemption or exclusion:~~benefit.

a. Property exempted from taxation under G.S. 105-278.3, 105-278.4, 105-278.5, 105-278.6, 105-278.7, or 105-278.8.

b. Special classes of property excluded from taxation under G.S. 105-275(3), (7), (8), (12), (17), (18), (19), (20), (21), (35), (36), (38), (39), or (41) or under G.S. 131A-21.

c. Special classes of property classified for taxation at a reduced valuation under G.S. 105-277(h), 105-277.1, 105-277.10, 105-277.13, 105-278.

d. Property owned by a nonprofit homeowners' association but where the value of the property is included in the appraisals of property owned by members of the association under G.S. 105-277.8.

e. Special classes of property eligible for tax relief under G.S. 105-277.1B."

SECTION 5. G.S. 105-309(f) reads as rewritten:

"(f) The ~~notice set out below must appear~~assessor must print a homestead tax relief notice on each abstract or on an information sheet distributed with the abstract. The abstract or sheet must include the address and telephone number of the assessor below the ~~notice:~~notice required by this section. The notice must be in the form required by the Department of Revenue designed to notify the taxpayer of his or her rights and responsibilities under the homestead property tax exclusion provided in G.S. 105-277.1 and the property tax homestead circuit breaker provided in G.S. 105-277.1B.

~~"PROPERTY TAX HOMESTEAD EXCLUSION FOR ELDERLY OR PERMANENTLY DISABLED PERSONS.~~

~~North Carolina excludes from property taxes a portion of the appraised value of a permanent residence owned and occupied by North Carolina residents aged 65 or older~~

~~or totally and permanently disabled whose income does not exceed (assessor insert amount). The amount of the appraised value of the residence that may be excluded from taxation is the greater of twenty thousand dollars ($20,000) or fifty percent (50%) of the appraised value of the residence. Income means the owner's adjusted gross income as determined for federal income tax purposes, plus all moneys received other than gifts or inheritances received from a spouse, lineal ancestor or lineal descendant.~~

~~If you received this exclusion in (assessor insert previous year), you do not need to apply again unless you have changed your permanent residence. If you received the exclusion in (assessor insert previous year) and your income in (assessor insert previous year) was above (assessor insert amount), you must notify the assessor. If you received the exclusion in (assessor insert previous year) because you were totally and permanently disabled and you are no longer totally and permanently disabled, you must notify the assessor. If the person receiving the exclusion in (assessor insert previous year) has died, the person required by law to list the property must notify the assessor. Failure to make any of the notices required by this paragraph before June 1 will result in penalties and interest.~~

~~If you did not receive the exclusion in (assessor insert previous year) but are now eligible, you may obtain a copy of an application from the assessor. It must be filed by June 1."~~"

SENATE BILL 1442:
Senior Circuit Breaker Tax Benefit

BILL ANALYSIS

Committee:	Senate Finance	**Date:**	July 30, 2007
Introduced by:	Sen. Snow	**Summary by:**	Dan Ettefagh
Version:	PCS to First Edition S1442-CSMC		Committee Counsel

SUMMARY: The PCS for Senate Bill 1442 would create a senior property tax homestead deferral system based on certain qualifications and income requirements of owners of permanent residences located in North Carolina.

CURRENT LAW: Under current law, the only homestead property tax benefit is found in G.S. 105-277.1, the property tax homestead exclusion. Under the homestead exclusion, North Carolina residents who are at least 65 years of age or totally and permanently disabled and who meet the income eligibility limit[1] may exclude from taxation the greater of twenty thousand dollars ($20,000) or fifty percent (50%) of the appraised value of the permanent residence.

BILL ANALYSIS: Senate Bill 1442 proposes a property tax deferral benefit for North Carolina residents who have owned and occupied property located in the State as a permanent residence for at least five years and are either 65 years of age or older or totally and permanently disabled. The amount of taxes deferred would be based upon the income eligibility limit of the property tax homestead exclusion. Under this system, an owner who met the requirements of the circuit breaker benefit and made less than the income eligibility limit could elect to defer the portion of taxes imposed on the permanent residence that exceeds four percent (4%) of the owner's income. An owner who met the requirements of the circuit breaker benefit and made between the income eligibility limit and one and one-half times the income eligibility limit could elect to defer the portion of taxes imposed on the permanent residence that exceeds five percent (5%) of the owner's income.

Taxes deferred via the circuit breaker benefit would accrue interest and become a lien on the real property of the taxpayer. The general rule is that these deferred taxes would be carried forward until the death of the owner or until the owner transfers the property, at which time the amount of taxes for that year with no circuit breaker benefit plus those taxes deferred for the preceding three fiscal years, together with interest would become due and must be paid within nine months after the date of death or transfer. An exception to this rule exists, allowing the deferral to continue where the residence is transferred to the former owner's spouse, if the spouse qualifies for the circuit breaker benefit, occupies the property has a permanent residence, and elects to continue deferral.

If the owner ceases to use the residence as a permanent residence for a reason other than a temporary absence for reasons of health or an extended absence while confined to a rest home or nursing home while the residence remains either unoccupied or occupied by the owner's spouse or other dependent, the owner loses the benefit of the circuit breaker, and the deferred taxes become due and payable at the same time the tax levied on the residence in that year is due. If the owner fails to qualify for the circuit

[1] The income eligibility limit until July 1, 2003 was $18,000. For taxable years beginning on or after July 1, 2003, the income eligibility limit is the amount for the preceding year, adjusted by the same percentage of this amount as the percentage of any cost-of-living adjustment made to Social Security benefits, rounded to the nearest $100. In 2006, the income eligibility limit was $19,700.

breaker benefit for a taxable year but continues using the property as a permanent residence, no deferral is allowed for that year but deferred taxes from earlier years do not become due.

Other provisions in the bill include:

- The assessor must annually notify each owner electing this tax benefit of the accumulated sum of deferred taxes and interest.
- Prepayment of all or part of taxes deferred to the tax collector is allowed at any time, with partial payments applied first to accrued interest.
- A qualifying owner may revoke a tax deferral application at any time by written notification to the assessor.
- Mortgagees or trustees electing to pay taxes deferred by a qualifying owner do not acquire a right to foreclose as a result.
- Provisions in mortgages, deeds of trust, or other agreements prohibiting a qualifying owner from electing the circuit breaker benefit are void.
- Where property is owned by two or more persons other than husband and wife, all owners must qualify and elect the circuit breaker benefit for it to be available to any of the qualifying owners.
- The tax benefit under this section may not be combined with the property tax homestead exclusion. Owners qualifying for both types of property tax benefit must elect which to utilize.

EFFECTIVE DATE: This act is effective for taxes imposed for taxable years beginning on or after July 1, 2008.

EFFECTIVE DATE: Effective for taxes imposed for taxable years beginning on or after July 1, 2008.

BILL SUMMARY:
Senate Bill 1442 proposes a property tax deferral benefit for North Carolina residents who have owned and occupied property located in the State as a permanent residence for at least five years and are either 65 years of age or older or totally and permanently disabled. The amount of taxes deferred would be based upon the income eligibility limit of the property tax homestead exclusion. Under this system, an owner who met the requirements of the circuit breaker benefit and made less than the income eligibility limit could elect to defer the portion of taxes imposed on the permanent

residence that exceeds four percent (4%) of the owner's income. An owner who met the requirements of the circuit breaker benefit and made between the income eligibility limit and one and one-half times the income eligibility limit could elect to defer the portion of taxes imposed on the permanent residence that exceeds five percent (5%) of the owner's income.

ASSUMPTIONS AND METHODOLOGY:
A simulation model was developed to determine the estimated tax liability of homeowners in the qualifying income categories compared to their calculated income thresholds. The amount of tax liability in excess of the threshold is the potential deferred amount.

For purposes of this analysis, the Homestead income limit is assumed to be $25,000. Therefore, a homeowner with income up to $25,000 would be subject to the 4% income threshold. Homeowners earning between $25,000 and $37,500 (150% of $25,000) would be subject to the 5% threshold.

For example, if a taxpayer's home is valued at $150,000 and the tax rate is $1 per $100 in assessed value, the total tax due is $1,500. If the taxpayer earns $25,000 in income, he may defer any taxes in excess of 4%, or $1,000. Therefore, the taxpayer would be able to defer $500 in this example.

Because the bill includes a rollback provision in the event the homeowner sells the property or otherwise becomes ineligible for the program, the total impact of the bill is determined by subtracting the rollback payments from the amount of deferred taxes in any given year. The rollback provides for payment of current taxes due plus the previous three years. Finally, a participation rate is applied to reflect the estimated percentage of eligible homeowners who will participate in the program.

To determine the potential impact of the deferral, a distribution table was obtained from the American Community Survey of the US Census Bureau. The table provides a distribution of home values by income groups. [NOTE: the distribution reflects the relationship of home values and incomes for all age groups. It is not known to what degree the relationship between income and home value would differ for senior citizens.]

For each income group, the income threshold is calculated by multiplying the income by 4% for incomes below $25,000 and by 5% for incomes between $25,000 and $37,500. Within each income group, the distribution table provides the number of homeowners in various home value ranges. For each group, the property tax owed can be calculated and compared to the income threshold.

The amount of tax liability in excess of the income threshold for each home value category is the amount eligible for deferment for each homeowner in the category. This amount is multiplied by the number of homeowners in the category to determine to total amount of deferred taxes. This process is repeated for each home value category in all eligible income groups. For future year projections, the income values are assumed to grow by 5% per year and home values are projected to grow 5% per year. Population is assumed to grow 2% per year.

The bill also limits the program to homeowners who have been in their homes for 5 or more years. The percentage of homeowners in this category is estimated to be 65 percent based on Census data. The rollback amount is calculated based on the assumption that homeowners sell their homes on average every 7 years. Thus, each year of the estimate assumes that 1/7 of the participating homeowners will drop out of the program and pay the appropriate rollback of the current year taxes plus deferred taxes from the previous three years with interest.

Although many other states offer circuit breaker programs, few are structured as deferrals. As a result, it is difficult based on other states' experience to draw conclusions about what level of participation could be expected with this program in North Carolina. The reason cited by other states for the low participation rates is that homeowners are reluctant to have a lien placed on their homes and in many cases elderly homeowners are reluctant to leave their heirs with a large tax payment.

To estimate a potential participation rate, FRD estimated the total number of years a homeowner would need to reside in the residence in order for the program to be financially beneficial. To qualify for the program, a homeowner must have lived in the home for 5 or more years. Because the rollback period is the equivalent of the current year taxes plus three years of deferred taxes, the homeowner would benefit after 5 years of being in the program. In other words, after five years in the program, the homeowner could continue to participate in the program with no additional years of deferred liability.

Thus, including the five-year period required to qualify for the program, a homeowner would need to live in a home for 10 years in order to benefit from participation. According to Census data, the percentage of homeowners who have lived in their homes for 10 or more years is 45%. Approximately 60% of these eligible homeowners would also be eligible for the homestead exemption either program. Because of the hesitancy homeowners have shown in having liens placed on their homes for deferral programs, this estimate assumes that 90% of the homeowners eligible for both programs would choose the homestead exemption. The table below indicates the impact based on these assumptions.

A BILL TO BE ENTITLED

AN ACT TO INCREASE THE BENEFIT OF THE PROPERTY TAX HOMESTEAD EXCLUSION BY RAISING BOTH THE INCOME ELIGIBILITY LIMIT AND THE AMOUNT EXCLUDED FROM TAXATION; TO AUTHORIZE THE REVENUE LAWS STUDY COMMITTEE TO STUDY WHETHER AND HOW TO INDEX THE MINIMUM AMOUNT THAT IS EXCLUDED FROM TAX; TO CREATE A SENIOR CIRCUIT BREAKER PROPERTY TAX BENEFIT; TO MODIFY THE PRESENT-USE VALUE REQUIREMENTS FOR AGRICULTURAL LAND USED AS AN AQUATIC SPECIES FARM; AND TO AUTHORIZE THE REVENUE LAWS STUDY COMMITTEE TO STUDY VARIOUS MODIFICATIONS AND EXPANSIONS TO THE PRESENT-USE VALUE SYSTEM.

The General Assembly of North Carolina enacts:

PART I. PROPERTY TAX HOMESTEAD EXCLUSION MODIFICATION

SECTION 1.1. G.S. 105-277.1 reads as rewritten:

"**§ 105-277.1. Property tax homestead exclusion.**

(a) Exclusion. – A permanent residence owned and occupied by a qualifying owner is designated a special class of property under Article V, Sec. 2(2) of the North Carolina Constitution and is taxable in accordance with this section. The amount of the appraised value of the residence equal to the exclusion amount is excluded from taxation. The exclusion amount is the greater of ~~twenty thousand dollars ($20,000)~~twenty-five thousand or fifty percent (50%) of the appraised value of the residence. A qualifying owner is an owner who meets all of the following requirements as of January 1 preceding the taxable year for which the benefit is claimed:

(1) Is at least 65 years of age or totally and permanently disabled.

(2) Has an income for the preceding calendar year of not more than the income eligibility limit.
(3) Is a North Carolina resident.

(a1) Temporary Absence. – An otherwise qualifying owner does not lose the benefit of this exclusion because of a temporary absence from his or her permanent residence for reasons of health, or because of an extended absence while confined to a rest home or nursing home, so long as the residence is unoccupied or occupied by the owner's spouse or other dependent.

(a2) Income Eligibility Limit. – Until July 1, ~~2003,~~2008, the income eligibility limit is ~~eighteen thousand dollars ($18,000).~~twenty-five thousand dollars ($25,000). For taxable years beginning on or after July 1, ~~2003,~~2008, the income eligibility limit is the amount for the preceding year, adjusted by the same percentage of this amount as the percentage of any cost-of-living adjustment made to the benefits under Titles II and XVI of the Social Security Act for the preceding calendar year, rounded to the nearest one hundred dollars ($100.00). On or before July 1 of each year, the Department of Revenue must determine the income eligibility amount to be in effect for the taxable year beginning the following July 1 and must notify the assessor of each county of the amount to be in effect for that taxable year.

(b) Definitions. – The following definitions apply in this section:
(1) Code. – The Internal Revenue Code, as defined in G.S. 105-228.90.
(1a) Income. – ~~Adjusted gross income, as defined in section 62 of the Code, plus all other~~All moneys received from every source other than gifts or inheritances received from a spouse, lineal ancestor, or lineal descendant. For married applicants residing with their spouses, the income of both spouses must be included, whether or not the property is in both names.
(1b) Owner. – A person who holds legal or equitable title, whether individually, as a tenant by the entirety, a joint tenant, or a tenant in common, or as the holder of a life estate or an estate for the life of another. A manufactured home jointly owned by husband and wife is considered property held by the entirety.
(2) Repealed by Session Laws 1993, c. 360, s. 1.
(2a) Repealed by Session Laws 1985 (Reg. Sess., 1986), c. 982, s. 20.
(3) Permanent residence. – A person's legal residence. It includes the dwelling, the dwelling site, not to exceed one acre, and related improvements. The dwelling may be a single family residence, a unit in a multi-family residential complex, or a manufactured home.
(4) Totally and permanently disabled. – A person is totally and permanently disabled if the person has a physical or mental impairment that substantially precludes him or her from obtaining gainful employment and appears reasonably certain to continue without substantial improvement throughout his or her life.

(c) Application. – An application for the exclusion provided by this section should be filed during the regular listing period, but may be filed and must be accepted

at any time up to and through June 1 preceding the tax year for which the exclusion is claimed. When property is owned by two or more persons other than husband and wife and one or more of them qualifies for this exclusion, each owner must apply separately for his or her proportionate share of the exclusion.

(1) Elderly Applicants. – Persons 65 years of age or older may apply for this exclusion by entering the appropriate information on a form made available by the assessor under G.S. 105-282.1.

(2) Disabled Applicants. – Persons who are totally and permanently disabled may apply for this exclusion by (i) entering the appropriate information on a form made available by the assessor under G.S. 105-282.1 and (ii) furnishing acceptable proof of their disability. The proof must be in the form of a certificate from a physician licensed to practice medicine in North Carolina or from a governmental agency authorized to determine qualification for disability benefits. After a disabled applicant has qualified for this classification, the applicant is not required to furnish an additional certificate unless the applicant's disability is reduced to the extent that the applicant could no longer be certified for the taxation at reduced valuation.

(d) Multiple Ownership. – A permanent residence owned and occupied by husband and wife as tenants by the entirety is entitled to the full benefit of this exclusion notwithstanding that only one of them meets the age or disability requirements of this section. When a permanent residence is owned and occupied by two or more persons other than husband and wife and one or more of the owners qualifies for this exclusion, each qualifying owner is entitled to the full amount of the exclusion not to exceed his or her proportionate share of the valuation of the property. No part of an exclusion available to one co-owner may be claimed by any other co-owner and in no event may the total exclusion allowed for a permanent residence exceed the exclusion amount provided in this section."

SECTION 1.2. The Revenue Laws Study Committee may study the issue of whether to index the minimum excluded appraised value limit in the property tax homestead exclusion in G.S. 105-277.1 and, if so, which index to use.

SECTION 1.3. Section 1.1 of this act is effective for taxes imposed for taxable years beginning on or after July 1, 2008. The remainder of this section is effective when it becomes law.

PART II. SENIOR CIRCUIT BREAKER PROPERTY TAX BENEFIT

SECTION 2.1. G.S. 105-277.1(b) is amended by adding a new subdivision to read:

"(b) Definitions. – The following definitions apply in this section:

...

(3a) Property tax relief. – The property tax homestead exclusion provided in this section or the property tax homestead circuit breaker provided in G.S. 105-277.1B.

...."

SECTION 2.2. G.S. 105-277.1 is amended by adding a new subsection to read:

"**§ 105-277.1. Property tax homestead exclusion.**

...

(e) Election. – An owner who qualifies for both kinds of property tax relief may elect the property tax homestead circuit breaker under G.S. 105-277.1B instead of the property tax homestead exclusion provided in this section. When property is owned by two or more persons, each person must qualify for both kinds of property tax relief and must elect the property tax homestead circuit breaker in order for the property tax homestead circuit breaker to be allowed instead of the property tax homestead exclusion."

SECTION 2.3. Article 12 of Chapter 105 of the General Statutes is amended by adding a new section to read:

"**§ 105-277.1B. Property tax homestead circuit breaker.**

(a) Classification. – A permanent residence owned and occupied by a qualifying owner is designated a special class of property under Article V, Section 2(2) of the North Carolina Constitution and is taxable in accordance with this section.

(b) Definitions. – The definitions provided in G.S. 105-277.1 apply to this section.

(c) Income Eligibility Limit. – The income eligibility limit provided in G.S. 105-277.1(a2) applies to this section.

(d) Qualifying Owner. – For the purpose of qualifying for the property tax homestead circuit breaker under this section, a qualifying owner is an owner who meets all of the following requirements as of January 1 preceding the taxable year for which the benefit is claimed:

(1) The owner has an income for the preceding calendar year of not more than one hundred fifty percent (150%) of the income eligibility limit specified in subsection (c) of this section.

(2) The owner has occupied the property as a permanent residence for at least five years.

(3) The owners is at least 65 years of age or totally and permanently disabled.

(4) The owner is a North Carolina resident.

(e) Multiple Owners. – When a permanent residence is owned and occupied by two or more persons other than husband and wife, no property tax homestead circuit breaker is allowed unless all of the owners qualify and elect to defer taxes under this section.

(f) Tax Limitation. – A qualifying owner may defer the portion of tax imposed on his or her permanent residence if it exceeds a percentage of the qualifying owner's income as provided in this section.

Income	Percentage
Less than the income eligibility limit	4.0%
100% to 150% of the income eligibility limit	5.0%

(g) Temporary Absence. – An otherwise qualifying owner does not lose the benefit of this circuit breaker because of a temporary absence from his or her permanent residence for reasons of health, or because of an extended absence while confined to a rest home or nursing home, so long as the residence is unoccupied or occupied by the owner's spouse or other dependent.

(h) Deferred Taxes. – The difference between the taxes due under this section and the taxes that would have been payable in the absence of this section are a lien on the real property of the taxpayer as provided in G.S. 105-355(a). The difference in taxes for the three fiscal years preceding the current tax year shall be carried forward in the records of the taxing unit or units as deferred taxes. Interest accrues on the deferred taxes due as if they had been payable on the dates on which they originally became due. On or before September 1 of each year, the assessor shall notify each residence owner to whom a tax deferral has previously been granted of the accumulated sum of deferred taxes and interest.

(i) Disqualifying Events. – Taxes deferred under this section are payable within nine months after a disqualifying event. The tax for the fiscal year that opens in a calendar year in which deferred taxes become due is computed as if the property was not eligible for property tax relief under this section. Each of the following constitutes a disqualifying event:

(1) The owner transfers the residence. Transfer of the residence under this subdivision is not a disqualifying event if (i) the owner transfers the residence as part of a divorce proceeding to either his or her spouse who qualifies for tax deferral under this section or to a co-owner of the residence, (ii) that individual occupies or continues to occupy the property as his or her permanent residence and (iii) that individual elects to continue deferring payment of the tax.

(2) The owner dies. Death of the owner under this subdivision is not a disqualifying event if (i) the owner's share passes to either his or her spouse who qualifies for tax deferral under this section or to a co-owner of the residence, (ii) that individual occupies or continues to occupy the property has his or her permanent residence and (iii) that individual elects to continue deferring payment of the tax.

(3) The owner ceases to use the property as a permanent residence.

(j) Interruption of Qualification. – If the owner of a tax-deferred residence does not qualify under this section for deferral as of January 1 preceding a taxable year for reasons other than a disqualifying event or if the owner of a tax-deferred residence revokes an application for deferral by notifying the assessor in writing, the owner may not defer any additional property taxes under this section without submitting a new application. Deferred taxes from earlier years do not become due because of an interruption of qualification; however, deferred taxes existing at the time of an interruption of qualification shall be carried forward until the occurrence of a disqualifying event. If owner qualifies for tax deferral under this section following an interruption of qualification, the taxing unit or units shall disregard the years during

which there was an interruption of qualification for purposes of determining the three fiscal years preceding the current tax year under subsection (g) of this section.

(k) Prepayment. – All or part of the deferred taxes and accrued interest may be paid to the tax collector at any time. Any partial payment is applied first to accrued interest. A residence owner to whom a tax deferral has previously been granted may revoke the application for deferral at any time by notifying the assessor in writing.

(l) Creditor Limitations. – A mortgagee or trustee that elects to pay any tax deferred by the owner of a residence subject to a mortgage or deed of trust does not acquire a right to foreclose as a result of the election. Except for requirements dictated by federal law or regulation, any provision in a mortgage, deed of trust, or other agreement that prohibits the owner from deferring taxes on property under this section is void.

(m) Construction. – This section does not affect the attachment of a lien for personal property taxes against a tax-deferred residence.

(n) Application. – An application for property tax relief provided by this section should be filed during the regular listing period, but may be filed and must be accepted at any time up to and through June 1 preceding the tax year for which the relief is claimed. Persons may apply for this property tax relief by entering the appropriate information on a form made available by the assessor under G.S. 105-282.1."

SECTION 2.4. G.S. 150-282.1(a)(2) reads as rewritten:

"(2) Single application required. – An owner of one or more of the following properties eligible ~~to be exempted or excluded from taxation~~for a property tax benefit must file an application for ~~exemption or exclusion~~the benefit to receive it. Once the application has been approved, the owner does not need to file an application in subsequent years unless new or additional property is acquired or improvements are added or removed, necessitating a change in the valuation of the property, or there is a change in the use of the property or the qualifications or eligibility of the taxpayer necessitating a review of the ~~exemption or exclusion:~~benefit.

a. Property exempted from taxation under G.S. 105-278.3, 105-278.4, 105-278.5, 105-278.6, 105-278.7, or 105-278.8.

b. Special classes of property excluded from taxation under G.S. 105-275(3), (7), (8), (12), (17), (18), (19), (20), (21), (35), (36), (38), (39), or (41) or under G.S. 131A-21.

c. Special classes of property classified for taxation at a reduced valuation under G.S. 105-277(h), 105-277.1, 105-277.10, 105-277.13, 105-278.

d. Property owned by a nonprofit homeowners' association but where the value of the property is included in the appraisals of property owned by members of the association under G.S. 105-277.8.

e. Special classes of property eligible for tax relief under G.S. 105-277.1B."

SECTION 2.5. G.S. 105-309(f) reads as rewritten:

"(f) The ~~notice set out below must appear~~assessor must print a homestead tax relief notice on each abstract or on an information sheet distributed with the abstract. The abstract or sheet must include the address and telephone number of the assessor below the ~~notice:~~notice required by this section. The notice must be in the form required by the Department of Revenue designed to notify the taxpayer of his or her rights and responsibilities under the homestead property tax exclusion provided in G.S. 105-277.1 and the property tax homestead circuit breaker provided in G.S. 105-277.1B.

~~"PROPERTY TAX HOMESTEAD EXCLUSION FOR ELDERLY OR PERMANENTLY DISABLED PERSONS.~~

~~North Carolina excludes from property taxes a portion of the appraised value of a permanent residence owned and occupied by North Carolina residents aged 65 or older or totally and permanently disabled whose income does not exceed (assessor insert amount). The amount of the appraised value of the residence that may be excluded from taxation is the greater of twenty thousand dollars ($20,000) or fifty percent (50%) of the appraised value of the residence. Income means the owner's adjusted gross income as determined for federal income tax purposes, plus all moneys received other than gifts or inheritances received from a spouse, lineal ancestor or lineal descendant.~~

~~If you received this exclusion in (assessor insert previous year), you do not need to apply again unless you have changed your permanent residence. If you received the exclusion in (assessor insert previous year) and your income in (assessor insert previous year) was above (assessor insert amount), you must notify the assessor. If you received the exclusion in (assessor insert previous year) because you were totally and permanently disabled and you are no longer totally and permanently disabled, you must notify the assessor. If the person receiving the exclusion in (assessor insert previous year) has died, the person required by law to list the property must notify the assessor. Failure to make any of the notices required by this paragraph before June 1 will result in penalties and interest.~~

~~If you did not receive the exclusion in (assessor insert previous year) but are now eligible, you may obtain a copy of an application from the assessor. It must be filed by June 1.~~""

SECTION 2.6. This section is effective for taxes imposed for taxable years beginning on or after July 1, 2008.

PART III. AQUATIC SPECIES FARM MODIFICATIONS TO PUV

SECTION 3.1. G.S. 105-277.3(a)(1) reads as rewritten:

"(1) Agricultural land. – Individually owned agricultural land consisting of one or more tracts, one of which ~~consists~~ satisfies the requirements of this subdivision. For agricultural land used as a farm for aquatic species, as defined in G.S. 106-758, the tract must meet the income requirement for agricultural land and must consist of at least five acres in actual production or produce at least 20,000 pounds of aquatic species for commercial sale annually, regardless of acreage. For all

other agricultural land, the tract must meet the income requirement for agricultural land and must consist of at least 10 acres that are in actual ~~production and that,~~production. Land in actual production includes land under improvements used in the commercial production or growing of crops, plants, or animals.

To meet the income requirement, agricultural land must, for the three years preceding January 1 of the year for which the benefit of this section is claimed, have produced an average gross income of at least one thousand dollars ($1,000). Gross income includes income from the sale of the agricultural products produced from the land, any payments received under a governmental soil conservation or land retirement program, and the amount paid to the taxpayer during the taxable year pursuant to P.L. 108-357, Title VI, Fair and Equitable Tobacco Reform Act of 2004. ~~Land in actual production includes land under improvements used in the commercial production or growing of crops, plants, or animals.~~"

SECTION 3.2. This section is effective for taxes imposed for taxable years beginning on or after July 1, 2008.

PART IV. TAX RELIEF STUDY FOR NON-DEVELOPMENTAL PROPERTY

SECTION 4.1. The General Assembly finds that increases to property tax values in this State resulting from real estate development often make it difficult for owners who do not want to develop their property to continue to use their property for farming or other non-developmental purposes. The Revenue Laws Study Committee may study ways to address the inability of landowners to pay escalating property taxes while maintaining non-developmental uses. The study may include a review of the following:

(1) Implementing tax benefits for donating perpetual easements on property to ensure continuation of non-developmental uses.

(2) Extending present-use value benefits to property that is used for wildlife conservation.

(3) Other ways to reduce property taxes to preserve property used for farmland and other non-developmental uses.

SECTION 4.2. The Revenue Laws Study Committee may report its findings on the issues in this act, including any recommendations or legislative proposals, to the 2008 Regular Session of the General Assembly.

SECTION 4.3. This section is effective when it becomes law.

HOUSE BILL 1499:
Property Tax And PUV Changes And Studies

BILL ANALYSIS

Committee:	Senate Finance	**Date:**	July 30, 2007
Introduced by:	Reps. Martin, Holliman, R. Warren, Braxton	**Summary by:**	Dan Ettefagh
Version:	PCS to Third Edition		Martha Walston
	H1499-CSMC		Committee Counsel

PART I: PROPERTY TAX HOMESTEAD EXCLUSION MODIFICATION AND STUDY

SUMMARY: ***Part I of HB 1499 amends the property tax homestead exclusion by increasing the income eligibility limit to $25,000, by amending the definition but not the application of the definition for "income", and by increasing the property tax exclusion for a qualifying homestead from the greater of $20,000 or 50% of its appraised value to the greater of $25,000 or 50% of its appraised value. Part I also authorizes a study as to whether and how to index the appraised value exemption for the homestead exclusion.***

CURRENT LAW: Under current law, the property tax homestead exclusion in G.S. 105-277.1 grants an exclusion from property tax on the residence of North Carolina residents who (i) are at least 65 years of age or totally and permanently disabled AND (ii) have an income not exceeding the income eligibility limit. Until July 1, 2003, the income eligibility limit was $18,000. For taxable years beginning on or after July 1, 2003, the income eligibility limit of $18,000 has been adjusted each year by a cost-of-living adjustment (COLA) percentage used to increase Social Security benefits for the preceding calendar year. In 2007, the income eligibility limit is $20,500.

The income used to determine the income eligibility limit is a homeowner's adjusted gross income, as defined in the Internal Revenue Code[1], plus all other moneys received from every source other than gifts or inheritances received from a spouse, lineal ancestor, or lineal descendant. For married applicants residing with their spouses, the income of both spouses is included, whether or not the property is in both names.

The amount excluded from property tax is the greater of $20,000 or 50% of the tax value of the home.[2] To apply for the exclusion, the taxpayer must file an application with the tax assessor by June 1 following the listing period. Once a taxpayer has qualified for the exclusion, it is not necessary to reapply each year.

BILL ANALYSIS: Part I of HB 1499 increases the income eligibility limit to $25,000, and indexes this amount for taxable years beginning on or after July 1, 2008. The definition of "income" used to determine income eligibility limit is clarified so that it includes all moneys received from every source other than gifts or inheritances received from a spouse, lineal ancestor, or lineal descendant. Finally, HB 1499 increases the amount excluded from taxation from the greater of $20,000 or 50% of the tax value

[1] Adjusted gross income in section 62 of the Code is a taxpayer's gross income (all income received from any source other than tax-free income) minus number of deductions such as capital losses, business expenses, net operating losses, and IRA contributions.

[2] A residence owned by husband and wife as tenants by the entirety is entitled to the full exclusion notwithstanding that only one spouse meets the age or disability requirements. If a residence is owned by two or more persons other than husband and wife, each owner who meets the eligibility requirements is entitled to the full exclusion not to exceed the owner's proportionate share of the valuation of the residence.

of the home to the greater or $25,000 or 50% of the tax value of the home. The Revenue Laws Study Committee is directed to study whether to index the excluded tax value and, if so, which index to use.

EFFECTIVE DATE: Section 1.1 of this act is effective for taxes imposed for taxable years beginning on or after July 1, 2008. The remainder of section 1 is effective when it becomes law.

PART II: SENIOR CIRCUIT BREAKER PROPERTY TAX BENEFIT

SUMMARY: Part II of HB 1499 would create a senior property tax homestead deferral system based on certain qualifications and income requirements of owners of permanent residences located in North Carolina.

CURRENT LAW: See current law section for Part I for a review of the current homestead exclusion.

BILL ANALYSIS: Senate Bill 1442 proposes a property tax deferral benefit for North Carolina residents who have owned and occupied property located in the State as a permanent residence for at least five years and are either 65 years of age or older or totally and permanently disabled. The amount of taxes deferred would be based upon the income eligibility limit of the property tax homestead exclusion. Under this system, an owner who met the requirements of the circuit breaker benefit and made less than the income eligibility limit could elect to defer the portion of taxes imposed on the permanent residence that exceeds four percent (4%) of the owner's income. An owner who met the requirements of the circuit breaker benefit and made between the income eligibility limit and one and one-half times the income eligibility limit could elect to defer the portion of taxes imposed on the permanent residence that exceeds five percent (5%) of the owner's income.

Taxes deferred via the circuit breaker benefit would accrue interest and become a lien on the real property of the taxpayer. The general rule is that these deferred taxes would be carried forward until the death of the owner or until the owner transfers the property, at which time the amount of taxes for that year with no circuit breaker benefit plus those taxes deferred for the preceding three fiscal years, together with interest would become due and must be paid within nine months after the date of death or transfer. An exception to this rule exists, allowing the deferral to continue where the residence is transferred to the former owner's spouse, if the spouse qualifies for the circuit breaker benefit, occupies the property has a permanent residence, and elects to continue deferral.

If the owner ceases to use the residence as a permanent residence for a reason other than a temporary absence for reasons of health or an extended absence while confined to a rest home or nursing home while the residence remains either unoccupied or occupied by the owner's spouse or other dependent, the owner loses the benefit of the circuit breaker, and the deferred taxes become due and payable at the same time the tax levied on the residence in that year is due. If the owner fails to qualify for the circuit breaker benefit for a taxable year but continues using the property as a permanent residence, no deferral is allowed for that year but deferred taxes from earlier years do not become due.

Other provisions in the bill include:

- The assessor must annually notify each owner electing this tax benefit of the accumulated sum of deferred taxes and interest.
- Prepayment of all or part of taxes deferred to the tax collector is allowed at any time, with partial payments applied first to accrued interest.
- A qualifying owner may revoke a tax deferral application at any time by written notification to the assessor.

- Mortgagees or trustees electing to pay taxes deferred by a qualifying owner do not acquire a right to foreclose as a result.
- Provisions in mortgages, deeds of trust, or other agreements prohibiting a qualifying owner from electing the circuit breaker benefit are void.
- Where property is owned by two or more persons other than husband and wife, all owners must qualify and elect the circuit breaker benefit for it to be available to any of the qualifying owners.
- The tax benefit under this section may not be combined with the property tax homestead exclusion. Owners qualifying for both types of property tax benefit must elect which to utilize.

EFFECTIVE DATE: Part II of HB 1499 is effective for taxes imposed for taxable years beginning on or after July 1, 2008.

PART III: AQUATIC SPECIES FARM MODIFICATIONS TO PUV

SUMMARY: Part II of HB 1499 modifies the classification for agricultural land for purposes of present-use value to separate it into two broad categories: agricultural land used for aquatic species farms and all other agricultural land.

CURRENT LAW: Under current law, agricultural land is one of three classifications that qualify for present-use value tax treatment (PUV). Agricultural land is defined as land that is a part of a farm unit that is actively engaged in the commercial production or growing of crops, plants, or animals. If land meets the requirements of agricultural land under PUV, taxes are assessed on the land according to its value as used for its agricultural purposes, as opposed to its true value. In order to qualify as agricultural land for PUV, the land must be (i) individually owned, (ii) consist of one or more tracts, one of which consists of at least 10 acres that are in actual production, and (iii) for at least 3 years prior to January 1 for the year in which the landowner is claiming PUV, the land produced an average gross income of at least $1,000.

BILL ANALYSIS: The PCS for Senate Bill 1305 establishes substitute production and acreage requirements for agricultural land used as an aquatic species farm. For aquatic species farm agricultural land only, the tract qualifies for PUV if it meets the existing $1,000 income requirement and either (i) consists of at least five acres in actual production, or (ii) produces 20,000 pounds of aquatic species for commercial sale annually, irrespective of acreage. Aquatic species is defined as any species of finfish, mollusk, crustacean, or other aquatic invertebrate, amphibian, reptile, or aquatic plant, and including but not limited to fish and fishes as defined in G.S. 113-129(7).[3]

EFFECTIVE DATE: Part III of HB 1499 is effective for taxes imposed for taxable years beginning on or after July 1, 2008.

BACKGROUND:

Since 1973, the General Assembly has provided that farmland (agricultural land, horticultural land, and forestland) must be appraised, assessed, and taxed at its present-use value, as opposed to its market value. The present-use value classification has helped preserve farmland by insulating it from the rising property tax values caused by competing market pressure to develop farmland for commercial and residential purposes.

[3] G.S. 113-129(7) defines "fish" and "fishes" as all marine mammals, shellfish, crustaceans, and all other fishes.

Classifications of agricultural use value land: Agricultural land must be actively engaged in the commercial production or growing of crops, plants, or animals under a sound management program and consist of at least one tract with a minimum of 10 acres in actual production. For the preceding three years, the land must have produced an average gross income of at least $1,000.

Ownership requirements

To qualify for use value the property must be owned by one of the following:

- A natural person who (1) lives on the land, (2) has owned the land in their family for at least four years, or (3) was a member or beneficiary of a business entity or trust and received the land from the business entity or trust that qualified for classification at use value in the hands of the entity or trust when it was transferred to the person.
- An eligible business entity or trust that owned the land itself or by one or more of its members or creators for the last four years.

Exceptions to the four-year ownership requirement

- Land may qualify for use value when purchased by a new owner if the land is eligible at the time of transfer for use value classification of the same basis as other use value property owned by the new owner.
- Land may qualify for use value if at the time of transfer to a new owner the land was in the use value program and the new owner accepts liability for the deferred taxes.[4]

PART IV: TAX RELIEF STUDY FOR NON-DEVELOPMENTAL PROPERTY

SUMMARY: The PCS for Senate Bill 1203 authorizes the Revenue Laws Study Committee to study various changes to the present-use value (PUV) system.

BILL ANALYSIS: The PCS for Senate Bill 1203 authorizes the Revenue Laws Study Committee to study (i) methods, including modifying PUV or adopting tax deferral measures, for preserving farmland that owners may be forced to sell as a result of increasing land prices; (ii) measures to reduce taxes for PUV landowners who donate a perpetual easement on the property to ensure its continued current use; and (iii) whether to add a classification under the PUV system for property used for wildlife conservation. The RLSC is directed to report its findings on the issues, including recommendations or proposals, to the 2008 Regular Session of the General Assembly.

EFFECTIVE DATE: Part IV of HB 1499 is effective when it becomes law.

H1499e3-SMMC-CSMC

[4] The four-year ownership requirement continues to apply to land that was eligible for, but not in, the use value program at the time of transfer if the purchaser has no other use value land.

GENERAL ASSEMBLY OF NORTH CAROLINA

SESSION 2007

S 2

SENATE BILL 915

Health Care Committee Substitute Adopted 7/26/07

Short Title: Assisted Living Facility Amendments. (Public)

Sponsors:

Referred to:

March 20, 2007

A BILL TO BE ENTITLED

AN ACT TO MAKE TECHNICAL AND ORGANIZATIONAL CHANGES TO THE LAW REGARDING THE LICENSURE AND INSPECTION OF FACILITIES FOR AGED AND DISABLED INDIVIDUALS.

The General Assembly of North Carolina enacts:

SECTION 1.(a) Chapter 131D of the General Statutes is amended by adding the following new Article to read:

"Article 1B.

"Licensing of Maternity Homes."

SECTION 1.(b) G.S. 131D-1 is recodified as G.S. 131D-10.10 under Article 1B of Chapter 131D of the General Statutes.

SECTION 1.(c) The title of Article 1 of Chapter 131D reads as rewritten:

"Article 1.

~~Licensing of Facilities.~~

Adult Care Homes."

SECTION 1.(d) G.S. 131D-2 is repealed.

SECTION 1.(e) Article 1 of Chapter 131D of the General Statutes, as amended by Section 1(c) of this act, is amended by adding the following new Parts to read:

"Part 1. Licensing.

"**§ 131D-2.1. Definitions.**

As used in this Article:

(1) "Abuse." – The willful or grossly negligent infliction of physical pain, injury, or mental anguish, unreasonable confinement, or the willful or grossly negligent deprivation by the administrator or staff of an adult care home of services which are necessary to maintain mental and physical health.

(2) "Administrator." – A person approved by the Department of Health and Human Services who has the responsibility for the total operation of a licensed domiciliary home.

(3) "Adult care home." – An assisted living residence in which the housing management provides 24-hour scheduled and unscheduled personal care services to two or more residents, either directly or, for scheduled needs, through formal written agreement with licensed home care or hospice agencies. Some licensed adult care homes provide supervision to persons with cognitive impairments whose decisions, if made independently, may jeopardize the safety or well-being of themselves or others and therefore require supervision. Medication in an adult care home may be administered by designated, trained staff. Adult care homes that provide care to two to six unrelated residents are commonly called family care homes.

(4) "Amenities." – Services such as meals, housekeeping, transportation, and grocery shopping that do not involve hands-on personal care.

(5) "Assisted living residence." – Any group housing and services program for two or more unrelated adults, by whatever name it is called, that makes available, at a minimum, one meal a day and housekeeping services and provides personal care services directly or through a formal written agreement with one or more licensed home care or hospice agencies. The Department may allow nursing service exceptions on a case-by-case basis. Settings in which services are delivered may include self-contained apartment units or single or shared room units with private or area baths. Assisted living residences are to be distinguished from nursing homes subject to provisions of G.S. 131E-102. Housing programs for two or more unrelated adults that target their services to elderly or disabled persons in which the only services provided by the housing management, either directly or through an agreement or other arrangements, are amenities that include, at a minimum, one meal a day and housekeeping services, are exempt from licensure, but are required to be listed with the Division of Aging and Adult Services, providing information on their location and number of units operated. This type of housing is not considered assisted living. There are three types of assisted living residences: adult care homes, adult care homes that serve only elderly persons, and multiunit assisted housing with services. As used in this section, "elderly person" means:

a. Any person who has attained the age of 55 years or older and requires assistance with activities of daily living, housing, and services, or

b. Any adult who has a primary diagnosis of Alzheimer's disease or other form of dementia who requires assistance with

activities of daily living, housing, and services provided by a licensed Alzheimer's and dementia care unit.

(6) "Compensatory agent." – A spouse, relative, or other caretaker who lives with a resident and provides care to a resident.

(7) "Department." – The Department of Health and Human Services unless some other meaning is clearly indicated from the context.

(8) "Exploitation." – The illegal or improper use of an aged or disabled resident or the aged or disabled resident's resources for another's profit or advantage.

(9) "Family care home." – An adult care home having two to six residents. The structure of a family care home may be no more than two stories high, and none of the aged or physically disabled persons being served there may be housed in the upper story without provision for two direct exterior ground-level accesses to the upper story.

(10) "Multiunit assisted housing with services." – An assisted living residence in which hands-on personal care services and nursing services which are arranged by housing management are provided by a licensed home care or hospice agency through an individualized written care plan. The housing management has a financial interest or financial affiliation or formal written agreement which makes personal care services accessible and available through at least one licensed home care or hospice agency. The resident has a choice of any provider, and the housing management may not combine charges for housing and personal care services. All residents, or their compensatory agents, must be capable, through informed consent, of entering into a contract and must not be in need of 24-hour supervision. Assistance with self-administration of medications may be provided by appropriately trained staff when delegated by a licensed nurse according to the home care agency's established plan of care. Multiunit assisted housing with services programs are required to register with the Division of Health Service Regulation and to provide a disclosure statement. The disclosure statement is required to be a part of the annual rental contract that includes a description of the following requirements:

a. Emergency response system;
b. Charges for services offered;
c. Limitations of tenancy;
d. Limitations of services;
e. Resident responsibilities;
f. Financial/legal relationship between housing management and home care or hospice agencies;
g. A listing of all home care or hospice agencies and other community services in the area;
h. An appeals process; and

i. Procedures for required initial and annual resident screening and referrals for services.

Continuing care retirement communities, subject to regulation by the Department of Insurance under Chapter 58 of the General Statutes, are exempt from the regulatory requirements for multiunit assisted housing with services programs.

(11) "Neglect." – The failure to provide the services necessary to maintain a resident's physical or mental health.

(12) "Personal care services." – Any hands-on services allowed to be performed by In-Home Aides II or III as outlined in Department rules.

(13) "Registration." – The submission by a multiunit assisted housing with services provider of a disclosure statement containing all the information as outlined in subdivision (10) of this section.

(14) "Resident." – A person living in an assisted living residence for the purpose of obtaining access to housing and services provided or made available by housing management.

(15) "Secretary." – The Secretary of Health and Human Services unless some other meaning is clearly indicated from the context.

"**§ 131D-2.2. Persons not to be cared for in adult care homes and multiunit assisted housing with services; hospice care.**

(a) Adult Care Homes. – Except when a physician certifies that appropriate care can be provided on a temporary basis to meet the resident's needs and prevent unnecessary relocation, adult care homes shall not care for individuals with any of the following conditions or care needs:

(1) Ventilator dependency;

(2) Individuals requiring continuous licensed nursing care;

(3) Individuals whose physician certifies that placement is no longer appropriate;

(4) Individuals whose health needs cannot be met in the specific adult care home as determined by the residence; and

(5) Such other medical and functional care needs as the Medical Care Commission determines cannot be properly met in an adult care home.

(b) Multiunit Assisted Housing With Services. – Except when a physician certifies that appropriate care can be provided on a temporary basis to meet the resident's needs and prevent unnecessary relocation, multiunit assisted housing with services shall not care for individuals with any of the following conditions or care needs:

(1) Ventilator dependency;

(2) Dermal ulcers III and IV, except those stage III ulcers which are determined by an independent physician to be healing;

(3) Intravenous therapy or injections directly into the vein, except for intermittent intravenous therapy managed by a home care or hospice agency licensed in this State;

(4) Airborne infectious disease in a communicable state that requires isolation of the individual or requires special precautions by the caretaker to prevent transmission of the disease, including diseases such as tuberculosis and excluding infections such as the common cold;

(5) Psychotropic medications without appropriate diagnosis and treatment plans;

(6) Nasogastric tubes;

(7) Gastric tubes except when the individual is capable of independently feeding himself or herself and caring for the tube, or as managed by a home care or hospice agency licensed in this State;

(8) Individuals requiring continuous licensed nursing care;

(9) Individuals whose physician certifies that placement is no longer appropriate;

(10) Unless the individual's independent physician determines otherwise, individuals who require maximum physical assistance as documented by a uniform assessment instrument and who meet Medicaid nursing facility level-of-care criteria as defined in the State Plan for Medical Assistance. Maximum physical assistance means that an individual has a rating of total dependence in four or more of the seven activities of daily living as documented on a uniform assessment instrument;

(11) Individuals whose health needs cannot be met in the specific multiunit assisted housing with services as determined by the residence; and

(12) Such other medical and functional care needs as the Medical Care Commission determines cannot be properly met in multiunit assisted housing with services.

(c) Hospice Care. – At the request of the resident, hospice care may be provided in an assisted living residence under the same requirements for hospice programs as described in Article 10 of Chapter 131E of the General Statutes.

(d) Obtaining Services. – The resident of an assisted living facility has the right to obtain services at the resident's own expense from providers other than the housing management. This subsection shall not be construed to relieve the resident of the resident's contractual obligation to pay the housing management for any services covered by the contract between the resident and housing management.

"**§ 131D-2.3. Exemptions from licensure.**

(a) The following are excluded from this Article and are not required to be registered or obtain licensure under this Article:

(1) Facilities licensed under Chapter 122C or Chapter 131E of the General Statutes;

(2) Persons subject to rules of the Division of Vocational Rehabilitation Services;

(3) Facilities that care for no more than four persons, all of whom are under the supervision of the United States Veterans Administration;

(4) Facilities that make no charges for housing, amenities, or personal care service, either directly or indirectly; and

(5) Institutions that are maintained or operated by a unit of government and that were established, maintained, or operated by a unit of government and exempt from licensure by the Department on September 30, 1995.

"**§ 131D-2.4. Licensure of adult care homes for aged and disabled individuals; impact of prior violations on licensure; compliance history review; license renewal.**

(a) Licensure. – Except for those facilities exempt under G.S. 131D-2.3, the Department of Health and Human Services shall inspect and license all adult care homes. The Department shall issue a license for a facility not currently licensed as an adult care home for a period of six months. If the licensee demonstrates substantial compliance with Articles 1 and 3 of this Chapter and rules adopted thereunder, the Department shall issue a license for the balance of the calendar year.

(b) Compliance History Review. – Prior to issuing a new license or renewing an existing license, the Department shall conduct a compliance history review of the facility and its principals and affiliates. The Department may refuse to license a facility when the compliance history review shows a pattern of noncompliance with State law by the facility or its principals or affiliates, or otherwise demonstrates disregard for the health, safety, and welfare of residents in current or past facilities. The Department shall require compliance history information and make its determination according to rules adopted by the Medical Care Commission.

(c) Prior Violations. – No new license shall be issued for any adult care home to an applicant for licensure who:

(1) Was the owner, principal, or affiliate of a licensable facility under Chapter 122C, Chapter 131D, or Article 7 of Chapter 110 of the General Statutes that had its license revoked until one full year after the date of revocation;

(2) Is the owner, principal, or affiliate of an adult care home that was assessed a penalty for a Type A or Type B violation until the earlier of one year from the date the penalty was assessed or until the home has substantially complied with the correction plan established pursuant to G.S. 131D-34 and substantial compliance has been certified by the Department;

(3) Is the owner, principal, or affiliate of an adult care home that had its license summarily suspended or downgraded to provisional status as a result of Type A or Type B violations until six months from the date of reinstatement of the license, restoration from provisional to full licensure, or termination of the provisional license, as applicable; or

(4) Is the owner, principal, or affiliate of a licensable facility that had its license summarily suspended or downgraded to provisional status as a result of violations under Chapter 122C or Article 1 of Chapter 131D of the General Statutes or had its license summarily suspended or

denied under Article 7 of Chapter 110 of the General Statutes until six months from the date of the reinstatement of the license, restoration from provisional to full licensure, or termination of the provisional license, as applicable.

An applicant for new licensure may appeal a denial of certification of substantial compliance under subdivision (2) of this subsection by filing with the Department a request for review by the Secretary within 10 days of the date of denial of the certification. Within 10 days of receipt of the request for review, the Secretary shall issue to the applicant a written determination that either denies certification of substantial compliance or certifies substantial compliance. The decision of the Secretary is final.

(d) License Renewals. – License renewals shall be valid for one year from the date of renewal unless revoked earlier by the Secretary for failure to comply with any part of this section or any rules adopted hereunder. Licenses shall be renewed annually upon filing and the Department's approval of the renewal application. The Department shall not renew a license if outstanding fees, fines, and penalties imposed by the State against the home have not been paid. Fines and penalties for which an appeal is pending are exempt from consideration. The renewal application shall contain all necessary and reasonable information that the Department may require.

(e) In order for an adult care home to maintain its license, it shall not hinder or interfere with the proper performance of duty of a lawfully appointed community advisory committee, as defined by G.S. 131D-31 and G.S. 131D-32.

"**§ 131D-2.5. License fees.**

The Department shall charge each adult care home with six or fewer beds a nonrefundable annual license fee in the amount of two hundred fifty dollars ($250.00). The Department shall charge each adult care home with more than six beds a nonrefundable annual license fee in the amount of three hundred fifty dollars ($350.00) plus a nonrefundable annual per-bed fee of twelve dollars and fifty cents ($12.50).

"**§ 131D-2.6. Legal action by Department.**

(a) Notwithstanding the existence or pursuit of any other remedy, the Department may, in the manner provided by law, maintain an action in the name of the State for injunction or other process against any person to restrain or prevent the establishment, conduct, management, or operation of an adult care home without a license. Such action shall be instituted in the superior court of the county in which any unlicensed activity has occurred or is occurring.

(b) If any person shall hinder the proper performance of duty of the Secretary or his representative in carrying out this section, the Secretary may institute an action in the superior court of the county in which the hindrance has occurred for injunctive relief against the continued hindrance, irrespective of all other remedies at law.

(c) Actions under this section shall be in accordance with Article 37 of Chapter 1 of the General Statutes and Rule 65 of the Rules of Civil Procedure.

"**§ 131D-2.7. Provisional license; license revocation.**

(a) Provisional License. – Except as otherwise provided in this section, the Department may amend a license by reducing it from a full license to a provisional license for a period of not more than 90 days whenever the Department finds that:

(1) The licensee has substantially failed to comply with the provisions of Articles 1 and 3 of Chapter 131D of the General Statutes and the rules adopted pursuant to these Articles;

(2) There is a reasonable probability that the licensee can remedy the licensure deficiencies within a reasonable length of time; and

(3) There is a reasonable probability that the licensee will be able thereafter to remain in compliance with the licensure rules for the foreseeable future.

The Department may extend a provisional license for not more than one additional 90-day period upon finding that the licensee has made substantial progress toward remedying the licensure deficiencies that caused the license to be reduced to provisional status.

The Department may also issue a provisional license to a facility, pursuant to rules adopted by the Medical Care Commission, for substantial failure to comply with the provisions of this section or rules adopted pursuant to this section. Any facility wishing to contest the issuance of a provisional license shall be entitled to an administrative hearing as provided in the Administrative Procedure Act, Chapter 150B of the General Statutes. A petition for a contested case shall be filed within 30 days after the Department mails written notice of the issuance of the provisional license.

(b) License Revocation. – The Department may revoke a license whenever:

(1) The Department finds that:

a. The licensee has substantially failed to comply with the provisions of Articles 1 and 3 of Chapter 131D of the General Statutes and the rules adopted pursuant to these Articles; and

b. It is not reasonably probable that the licensee can remedy the licensure deficiencies within a reasonable length of time; or

(2) The Department finds that:

a. The licensee has substantially failed to comply with the provisions of Articles 1 and 3 of Chapter 131D of the General Statutes and the rules adopted pursuant to these Articles; and

b. Although the licensee may be able to remedy the deficiencies within a reasonable time, it is not reasonably probable that the licensee will be able to remain in compliance with licensure rules for the foreseeable future; or

c. The licensee has failed to comply with the provisions of Articles 1 and 3 of Chapter 131D of the General Statutes and the rules adopted pursuant to these Articles, and the failure to comply endangered the health, safety, or welfare of the patients in the facility.

"**§ 131D-2.8. Penalties.**

(a) Any individual or corporation that establishes, conducts, manages, or operates a facility subject to licensure under this section without a license is guilty of a Class 3 misdemeanor, and, upon conviction, shall be punishable only by a fine of not more than fifty dollars ($50.00) for the first offense and not more than five hundred dollars ($500.00) for each subsequent offense. Each day of a continuing violation after conviction shall be considered a separate offense.

(b) In addition, the Department may summarily suspend a license pursuant to G.S. 150B-3(c) whenever it finds substantial evidence of abuse, neglect, exploitation, or any condition which presents an imminent danger to the health and safety of any resident of the home. Any facility wishing to contest summary suspension of a license shall be entitled to an administrative hearing as provided in the Administrative Procedure Act, Chapter 150B of the General Statutes. A petition for a contested case shall be filed within 20 days after the Department mails a notice of summary suspension to the licensee.

"**§§ 131D-2.9 and 2.10: Reserved for future codification purposes.**

"Part 2. Other Laws Pertaining to the Inspection and Operation of Adult Care Homes.

"**§ 131D-2.11. Inspections, monitoring, and review by State agency and county departments of social services.**

(a) State Inspection and Monitoring. – The Department shall ensure that adult care homes required to be licensed by this Article are monitored for licensure compliance on a regular basis. All facilities licensed under this Article and adult care units in nursing homes are subject to inspections at all times by the Secretary. The Division of Health Service Regulations shall inspect all adult care homes and adult care units in nursing homes on an annual basis. In addition, the Department shall ensure that adult care homes are inspected every two years to determine compliance with physical plant and life-safety requirements.

(b) Monitoring by County. – The Department shall work with county departments of social services to do the routine monitoring in adult care homes to ensure compliance with State and federal laws, rules, and regulations in accordance with policy and procedures established by the Division of Health Service Regulation and to have the Division of Health Service Regulation oversee this monitoring and perform any required follow-up inspection. The county departments of social services shall document in a written report all on-site visits, including monitoring visits, revisits, and complaint investigations. The county departments of social services shall submit to the Division of Health Service Regulation written reports of each facility visit within 20 working days of the visit.

(c) State Review of County Compliance. – The Division of Health Service Regulation shall conduct and document annual reviews of the county departments of social services' performance. When monitoring is not done timely or there is failure to identify or document noncompliance, the Department may intervene in the particular service in question. Department intervention shall include one or more of the following activities:

(1) Sending staff of the Department to the county departments of social services to provide technical assistance and to monitor the services being provided by the facility.
(2) Advising county personnel as to appropriate policies and procedures.
(3) Establishing a plan of action to correct county performance.

The Secretary may determine that the Department shall assume the county's regulatory responsibility for the county's adult care homes.

"**§ 131D-2.12. Training requirements; county departments of social services.**

(a) The county departments of social services' adult home specialists and their supervisors shall complete:

(1) Eight hours of prebasic training within 60 days of employment;
(2) Thirty-two hours of basic training within six months of employment;
(3) Twenty-four hours of postbasic training within six months of the basic training program;
(4) A minimum of eight hours of complaint investigation training within six months of employment; and
(5) A minimum of 16 hours of statewide training annually by the Division of Health Service Regulation.

(b) The joint training requirements by the Department shall be as provided in G.S. 143B-139.5B.

"**§ 131D-2.13. Departmental duties.**

(a) Enforcement of Room Ventilation and Temperature. – The Department shall monitor regularly the enforcement of rules pertaining to air circulation, ventilation, and room temperature in resident living quarters. These rules shall include the requirement that air conditioning or at least one fan per resident bedroom and living and dining areas be provided when the temperature in the main center corridor exceeds 80 degrees Fahrenheit.

(b) Administrator Directory. – The Department shall keep an up-to-date directory of all persons who are administrators as defined in G.S. 131D-2.1.

(c) Departmental Complaint Hotline. – Adult care homes shall post the Division of Health Service Regulation's complaint hotline number conspicuously in a public place in the facility.

(d) Provider File. – The Department of Health and Human Services shall establish and maintain a provider file to record and monitor compliance histories of facilities, owners, operators, and affiliates of nursing homes and adult care homes.

(e) Report on Use of Restraint. – The Department shall report annually on October 1 to the Joint Legislative Oversight Committee on Mental Health, Developmental Disabilities, and Substance Abuse Services the following for the immediately preceding fiscal year:

(1) The level of compliance of each adult care home with applicable State law and rules governing the use of physical restraint and physical hold of residents. The information shall indicate areas of highest and lowest levels of compliance.

(2) The total number of adult care homes that reported deaths under G.S. 131D-34.1, the number of deaths reported by each facility, the number of deaths investigated pursuant to G.S. 131D-34.1, and the number found by the investigation to be related to the adult care home's use of physical restraint or physical hold.

"**§ 131D-2.14. Confidentiality.**

Notwithstanding G.S. 8-53 or any other law relating to confidentiality of communications between physician and patient, in the course of an inspection conducted under G.S. 131D-2.11:

(1) Department representatives may review any writing or other record concerning the admission, discharge, medication, care, medical condition, or history of any person who is or has been a resident of the facility being inspected, and

(2) Any person involved in giving care or treatment at or through the facility may disclose information to Department representatives unless the resident objects in writing to review of his records or disclosure of such information.

(3) The facility, its employees, and any other person interviewed in the course of an inspection shall be immune from liability for damages resulting from disclosure of any information to the Department. The Department shall not disclose:

a. Any confidential or privileged information obtained under this section unless the resident or his legal representative authorizes disclosure in writing or unless a court of competent jurisdiction orders disclosure, or

b. The name of anyone who has furnished information concerning a facility without that person's consent.

The Department shall institute appropriate policies and procedures to ensure that unauthorized disclosure does not occur. All confidential or privileged information obtained under this section and the names of persons providing such information shall be exempt from Chapter 132 of the General Statutes.

(4) Notwithstanding any law to the contrary, Chapter 132 of the General Statutes, the Public Records Law, applies to all records of the State Division of Social Services of the Department of Health and Human Services and of any county department of social services regarding inspections of domiciliary care facilities except for information in the records that is confidential or privileged, including medical records, or that contains the names of residents or complainants.

"**§ 131D-2.15. Resident assessments.**

(a) The Department shall ensure that facilities conduct and complete an assessment of each resident within 72 hours of admitting the resident and annually thereafter. In conducting the assessment, the facility shall use an assessment instrument approved by the Secretary upon the advice of the Director of the Division of Aging and

Adult Services. The Department shall provide ongoing training for facility personnel in the use of the approved assessment instrument.

The facility shall use the assessment to develop appropriate and comprehensive service plans and care plans and to determine the level and type of facility staff that is needed to meet the needs of residents. The assessment shall determine a resident's level of functioning and shall include, but not be limited to, cognitive status and physical functioning in activities of daily living. Activities of daily living are personal functions essential for the health and well-being of the resident. The assessment shall not serve as the basis for medical care. The assessment shall indicate if the resident requires referral to the resident's physician or other appropriate licensed health care professional or community resource.

(b) The Department, as part of its inspection and licensing of adult care homes, shall review assessments and related service plans and care plans for a selected number of residents. In conducting this review, the Department shall determine:

(1) Whether the appropriate assessment instrument was administered and interpreted correctly;

(2) Whether the facility is capable of providing the necessary services;

(3) Whether the service plan or care plan conforms to the results of an appropriately administered and interpreted assessment; and

(4) Whether the service plans or care plans are being implemented fully and in accordance with an appropriately administered and interpreted assessment.

(c) If the Department finds that the facility is not carrying out its assessment responsibilities in accordance with this section, the Department shall notify the facility and require the facility to implement a corrective action plan. The Department shall also notify the resident of the results of its review of the assessment, service plans, and care plans developed for the resident. In addition to administrative penalties, the Secretary may suspend the admission of any new residents to the facility. The suspension shall be for the period determined by the Secretary and shall remain in effect until the Secretary is satisfied that conditions or circumstances merit removing the suspension.

"**§ 131D-2.16. Suspension of admissions.**

(a) In addition to the administrative penalties described in G.S. 131D-2.8, the Secretary may suspend the admission of any new residents to an adult care home where the conditions of the adult care home are detrimental to the health or safety of the residents. This suspension shall be for the period determined by the Secretary and shall remain in effect until the Secretary is satisfied that conditions or circumstances merit removing the suspension.

(b) In imposing a suspension under this section, the Secretary shall consider the following factors:

(1) The degree of sanctions necessary to ensure compliance with this section and rules adopted hereunder; and

(2) The character and degree of impact of the conditions at the home on the health or safety of its residents.

(c) The Secretary of Health and Human Services shall adopt rules to implement this section.

(d) Any facility wishing to contest a suspension of admissions shall be entitled to an administrative hearing as provided in the Administrative Procedure Act, Chapter 150B of the General Statutes. A petition for a contested case shall be filed within 20 days after the Department mails a notice of suspension of admissions to the licensee.

"**§ 131D-2.17. Rules.**

Except as otherwise provided in this Article, the Medical Care Commission shall adopt rules necessary to carry out this Article. The Commission has the authority, in adopting rules, to specify the limitation of nursing services provided by assisted living residences. In developing rules, the Commission shall consider the need to ensure comparable quality of services provided to residents, whether these services are provided directly by a licensed assisted living provider, licensed home care agency, or hospice. In adult care homes, living arrangements where residents require supervision due to cognitive impairments, rules shall be adopted to ensure that supervision is appropriate and adequate to meet the special needs of these residents. Rule-making authority under this section is in addition to that conferred under G.S. 131D-4.3 and G.S. 131D-4.5.

"**§ 131D-2.18. Impact on other laws; severability.**

(a) Nothing in this section shall be construed to supersede any federal or State antitrust, antikickback, or safe harbor laws or regulations.

(b) If any provisions of this section or the application of it to any person or circumstance is held invalid, the invalidity does not affect other provisions or applications of the section which can be given effect without the invalid provision or application, and to this end the provisions of this section are severable.

"**§ 131D-2.19. Application of other laws.**

(a) Certification of assisted living administrators shall be as provided under Article 20A of Chapter 90 of the General Statutes.

(b) Compliance with the Health Care Personnel Registry shall be as provided under G.S. 131E-256.

(c) Rules for the operation of the adult care portion of a combination home, as defined in G.S. 131E-101, shall be as provided in G.S. 131E-104."

SECTION 2. G.S. 131D-41 and G.S. 131D-42 are repealed.

SECTION 3. This act becomes effective October 1, 2007. Licenses issued pursuant to G.S. 131D-2 remain effective until the date of annual renewal at which time Part 1 of Article 1 of Chapter 131D of the General Statutes shall apply. In all other respects, beginning October 1, 2007, Part 1 of Article 1 of Chapter 131D shall apply to the operation of facilities currently licensed under G.S. 131D-2.

A BILL TO BE ENTITLED

AN ACT TO REDUCE THE DISCREPANCY BETWEEN THE PROPERTY TAX VALUE OF PROPERTY AND ITS MARKET VALUE AND TO TREAT MOBILE HOMES THE SAME AS OTHER HOMES WITH RESPECT TO PROPERTY TAX LIENS.

The General Assembly of North Carolina enacts:

SECTION 1. G.S. 105-286 reads as rewritten:

"**§ 105-286. Time for general reappraisal of real property.**

(a) ~~Octennial~~ Quadrennial Plan. – Unless the date shall be ~~advanced~~ postponed as provided in subdivision (a)(2), below, each county of the State, as of January 1 of the year prescribed in the schedule set out in subdivision (a)(1), below, and every ~~eighth~~ fourth year thereafter, shall reappraise all real property in accordance with the provisions of G.S. 105-283 and 105-317.

(1) Schedule of Initial Reappraisals. –

Division One – 1972: Avery, Camden, Cherokee, Cleveland, Cumberland, Guilford, Harnett, Haywood, Lee, Montgomery, Northampton, and Robeson.

Division Two – 1973: Caldwell, Carteret, Columbus, Currituck, Davidson, Gaston, Greene, Hyde, Lenoir, Madison, Orange, Pamlico, Pitt, Richmond, Swain, Transylvania, and Washington.

Division Three – 1974: Ashe, Buncombe, Chowan, Franklin, Henderson, Hoke, Jones, Pasquotank, Rowan, and Stokes.

Division Four – 1975: Alleghany, Bladen, Brunswick, Cabarrus, Catawba, Dare, Halifax, Macon, New Hanover, Surry, Tyrrell, and Yadkin.

Division Five – 1976: Bertie, Caswell, Forsyth, Iredell, Jackson, Lincoln, Onslow, Person, Perquimans, Rutherford, Union, Vance, Wake, Wilson, and Yancey.

Division Six – 1977: Alamance, Durham, Edgecombe, Gates, Martin, Mitchell, Nash, Polk, Randolph, Stanly, Warren, and Wilkes.

Division Seven – 1978: Alexander, Anson, Beaufort, Clay, Craven, Davie, Duplin, and Granville.

Division Eight – 1979: Burke, Chatham, Graham, Hertford, Johnston, McDowell, Mecklenburg, Moore, Pender, Rockingham, Sampson, Scotland, Watauga, and Wayne.

(2) ~~Advancing Scheduled Octennial Reappraisal. – Any county desiring to conduct a reappraisal of real property earlier than required by this subsection (a) may do so upon adoption by the board of county commissioners of a resolution so providing. A copy of any such resolution shall be forwarded promptly to the Department of Revenue. If the scheduled date for reappraisal for any county is advanced as provided herein, real property in that county shall thereafter be reappraised every eighth year following the advanced date unless, in accordance with the provisions of this subdivision (a)(2), an earlier date shall be adopted by resolution of the board of county commissioners, in which event a new schedule of octennial reappraisals shall thereby be established for that county.~~Postponing Scheduled Quadrennial Reappraisal. – If, at the time for reappraisal of real property as required by subsection (a), the sales assessment ratio defined in G.S. 105-289(h) exceeds .90 for a county, that county may postpone a reappraisal of real property upon adoption by the board of county commissioners of a resolution until the time for the next subsequent reappraisal of real property as required by subsection (a) for that county. A county passing a resolution under this subsection shall promptly submit a copy to the Department of Revenue.

~~(b) Fourth-Year Horizontal Adjustments. – As of January 1 of the fourth year following a reappraisal of real property conducted under the provisions of subsection (a), above, each county shall review the appraised values of all real property and determine whether changes should be made to bring those values into line with then current true value. If it is determined that the appraised value of all real property or of defined types or categories of real property require such adjustment, the assessor shall revise the values accordingly by horizontal adjustments rather than by actual appraisal of individual properties: That is, by uniform application of percentages of increase or reduction to the appraised values of properties within defined types or categories or within defined geographic areas of the county.~~

(c) Value to Be Assigned Real Property When Not Subject to Appraisal. – In years in which real property within a county is not subject to reappraisal under ~~subsections (a) or (b),~~ subsection (a), above, or under G.S. 105-287, it shall be listed at the value assigned when last appraised under this section or under G.S. 105-287."

SECTION 2. G.S. 105-287 reads as rewritten:

"**§ 105-287. Changing appraised value of real property in years in which general reappraisal ~~or horizontal adjustment~~ is not made.**

(a) In a year in which a general reappraisal ~~or horizontal adjustment~~ of real property in the county is not made, the assessor shall increase or decrease the appraised value of real property, as determined under G.S. 105-286, to recognize a change in the property's value resulting from one or more of the reasons listed in this subsection. The reason necessitating a change in the property's value need not be under the control of or at the request of the owner of the affected property.

(1) Correct a clerical or mathematical error.

(2) Correct an appraisal error resulting from a misapplication of the schedules, standards, and rules used in the county's most recent general ~~reappraisal or horizontal adjustment.~~reappraisal.

(2a) Recognize an increase or decrease in the value of the property resulting from a conservation or preservation agreement subject to Article 4 of Chapter 121 of the General Statutes, the Conservation and Historic Preservation Agreements Act.

(2b) Recognize an increase or decrease in the value of the property resulting from a physical change to the land or to the improvements on the land, other than a change listed in subsection (b) of this section.

(2c) Recognize an increase or decrease in the value of the property resulting from a change in the legally permitted use of the property.

(3) Recognize an increase or decrease in the value of the property resulting from a factor other than one listed in subsection (b).

(b) In a year in which a general reappraisal ~~or horizontal adjustment~~ of real property in the county is not made, the assessor may not increase or decrease the appraised value of real property, as determined under G.S. 105-286, to recognize a change in value caused by:

(1) Normal, physical depreciation of improvements;

(2) Inflation, deflation, or other economic changes affecting the county in general; or

(3) Betterments to the property made by:

a. Repainting buildings or other structures;

b. Terracing or other methods of soil conservation;

c. Landscape gardening;

d. Protecting forests against fire; or

e. Impounding water on marshland for non-commercial purposes to preserve or enhance the natural habitat of wildlife.

(c) An increase or decrease in the appraised value of real property authorized by this section shall be made in accordance with the schedules, standards, and rules used in the county's most recent general ~~reappraisal or horizontal adjustment.~~reappraisal. An increase or decrease in appraised value made under this section is effective as of January 1 of the year in which it is made and is not retroactive. This section does not modify or restrict the provisions of G.S. 105-312 concerning the appraisal of discovered property.

(d) Notwithstanding subsection (a), if a tract of land has been subdivided into lots and more than five acres of the tract remain unsold by the owner of the tract, the

assessor may appraise the unsold portion as land acreage rather than as lots. A tract is considered subdivided into lots when the lots are located on streets laid out and open for travel and the lots have been sold or offered for sale as lots since the last appraisal of the property."

SECTION 3. G.S. 105-355 reads as rewritten:

"**§ 105-355. Creation of tax lien; date as of which lien attaches.**

(a) Lien on Real Property. – Regardless of the time at which liability for a tax for a given fiscal year may arise or the exact amount thereof be determined, the lien for taxes levied on a parcel of real property shall attach to the parcel taxed on the date as of which property is to be listed under G.S. 105-285, and the lien for taxes levied on personal property shall attach to all real property of the taxpayer in the taxing unit on the same date. All penalties, interest, and costs allowed by law shall be added to the amount of the lien and shall be regarded as attaching at the same time as the lien for the principal amount of the taxes. For purposes of this subsection (a):

(1) Taxes levied on real property listed in the name of a life tenant under G.S. 105-302 (c)(8) shall be a lien on the fee as well as the life estate.

(2) Taxes levied on improvements on or separate rights in real property owned by one other than the owner of the land, whether or not listed separately from the land under G.S. 105-302 (c)(11), shall be a lien on both the improvements or rights and on the land.

(b) Lien on Mobile Home Listed as Personal Property. – The lien for taxes levied on a mobile home listed as personal property shall attach to the mobile home and to all real property of the taxpayer in the taxing unit on the date as of which property is to be listed under G.S. 105-285.

~~(b)~~(c) Lien on Personal Property. – Taxes levied on real and personal property (including penalties, interest, and costs allowed by law) shall be a lien on personal property from and after levy or attachment and garnishment of the personal property levied upon or attached."

SECTION 4. This act is effective for taxes imposed for taxable years beginning on or after July 1, 2008. The reappraisal schedule in G.S. 105-286, determined without regard to the amendment to that statute made by Section 1 of this act, applies to a county until the county conducts its next general reappraisal. When a county conducts its next general reappraisal, the schedule in G.S. 105-286, as amended by Section 1 of this act, applies to that county.

SENATE BILL 1309:
Fairness in PT Values/Lien of Mobile Home

BILL ANALYSIS

Committee:	Senate Finance	**Date:**	July 30, 2007
Introduced by:	Sen. Clodfelter	**Summary by:**	Martha Walston
Version:	PCS to First Edition		Dan Ettafagh
	S1309-CSLA		Committee Counsel

SUMMARY: The proposed committee substitute for Senate Bill 1309 does the following:

- ***Changes the eight-year property tax valuation cycle to a four-year cycle, and authorizes a county to postpone a scheduled four-year reappraisal if the county's sales assessment ratio exceeds .90.***
- ***Creates a tax lien on mobile homes listed as personal property.***

CURRENT LAW:

Timing of Property Tax Revelations

Counties are required to reappraise real property at least every eight years in a staggered system. The property tax statutes provide for horizontal adjustments every fourth year of the cycle, in which the counties review the appraised values of the real property and compare it to the current true value to determine whether an adjustment needs to be made to normalize the appraised value to the current true value. In practice, many counties have chosen to have a shorter reappraisal cycle of four or six years, and horizontal adjustments are infrequently used.

A tax assessor must reappraise specific parcels in a nonrevaluation year in order to correct clerical or mathematical errors in the former reappraisal; correct appraisal errors resulting from misapplication of the county's appraisal manual; or recognize an increase or a decrease in value resulting from some factor other than normal depreciation, economic changes affecting property in general, or certain improvements such as repainting and landscaping.[1]

Tax Lien on Mobile Home treated as Personal Property

For property tax purposes, a mobile home is defined as a manufactured home under G.S. 105-273(13)[2] or a structure designed, constructed, and intended for use as a dwelling house, office, place of business, or similar place of habitation and capable of being transported from place to place on wheels attached to its frame Trailers and vehicles required to be registered annually fall outside of the definition of mobile home.

Before moving a mobile home, anyone other than a manufacturer or dealer of mobile homes, must obtain a permit from the county tax collector. When applying for the permit, the applicant must do one of the following: (a) pay all taxes due to be paid by the owner of the mobile home, (b) show proof that no taxes are due, or (c) demonstrate that removal of the mobile home will not jeopardize the collection

[1] Reappraisals made under the authority of G.S. 105-287 must conform to the appraisal manual adopted in the last revaluation year so that they will represent market or present-use value as of January 1 of the revaluation year, rather than current value. Also, these appraisals take effect as of January 1 of the year in which they are made and do not affect previous tax years.

[2] Under G.S. 105-273(13), a manufactured home is real property when it is a residential structure; the moving hitch wheels, and axles have been removed; the home is placed on a permanent foundation; and the home is either situated on land owned by the owner or the manufactured home or on land in which the owner of the home has a 20 year lease that provides for disposition of the home on termination of the lease.

of taxes. The applicant must also provide his name and address, where the mobile home is now, where the mobile home is going, and who is moving it. There is no charge for the permit.

If the holder of a lien is repossessing the mobile home, the lienholder must first pay taxes due on the home and inform the tax collector where the mobile home is going. A lienholder, who is a N.C. resident, must pay the taxes within 7 day of issuance of the permit. Any other lienholder must pay at the time of application for a permit.

It taxes are not paid on the mobile home, the tax collector may go against the taxpayer by garnishing wages, attaching bank accounts, using debt setoff, or levying on the home by taking possession and selling. If the mobile home is considered real property, then the unpaid taxes are a lien on the mobile home. This means that a subsequent purchaser of the home is liable for the unpaid taxes.

Counties have encountered frequent situations where a mobile home has been repossessed and sold on-site or where the mobile home is sold and moved without a permit. Often the tax collectors are not aware of the sales until after they are completed and the former owner has disappeared. Once the mobile home is transferred to a new owner for value, the county's ability to collect taxes due by levy and sale expires. The county tax collector has no recourse against the present owner if the mobile home is listed as personal property.

BILL ANALYSIS:

Senate bill 1309 would eliminate the current octennial plan for general reappraisals of real property and replace it with a quadrennial plan. However, the four-year reappraisal would be postponed if at the time of reappraisal, the ratio of the appraised value of real property to the true value of real property exceeds .90 and the board of county commissioners adopts a resolution to postpone the reappraisal until the next subsequent quadrennial reappraisal. Any resolution adopted by the county to postpone the reappraisal must be promptly submitted to the Department of Revenue. This change would also eliminate the need for horizontal adjustment provisions in the reappraisal system.

Under current law, the Department of Revenue is required to make annual studies of the ratio of the appraised value of real property to its true value or market value and to establish for each county the median ratio as determined by the studies for each calendar year. As the sales assessment ratio increases, the appraised value becomes closer to the true value or market value of the property.

Senate bill 1309 would also provide that a tax lien attaches to a mobile home listed as personal property and to all real property of the taxpayer in the taxing unit on the date the mobile home is listed (January 1). Once the lien has attached, its priority is not affected by transfer of title, by death, or by receivership of the property owner. In other words, the delinquent taxes follow the mobile home, and a subsequent buyer is liable for the unpaid taxes. The North Carolina Association of County Commissioners and the North Carolina Tax Collectors Association support this proposal.

EFFECTIVE DATE: This act is effective for taxes imposed for taxable years beginning on or after July 1, 2008. The reappraisal schedule in G.S. 105-286, determined without regard to the amendment to that statute made by Section 1 of this act, applies to a county until the county conducts its next general reappraisal. When a county conducts its next general reappraisal, the schedule in G.S. 105-286, as amended by Section 1 of this act, applies to that county.

A BILL TO BE ENTITLED

AN ACT TO AUTHORIZE THE DIVISION OF MOTOR VEHICLES TO CREATE A LIMITED REGISTRATION PLATE, TO EXEMPT MOTOR VEHICLES REGISTERED UNDER THE INTERNATIONAL REGISTRATION PLAN FROM THE COMBINED REGISTRATION AND PROPERTY TAX SYSTEM, TO PROVIDE THAT INTEREST GENERATED BY FUNDS IN THE COMBINED MOTOR VEHICLE AND REGISTRATION ACCOUNT BE CREDITED TO THE ACCOUNT, TO AUTHORIZE THE OFFICE OF STATE BUDGET AND MANAGEMENT TO DIRECT THE TREASURER TO DISTRIBUTE THE FUNDS IN THE ACCOUNT TO IMPLEMENT THE INTEGRATED COMPUTER SYSTEM, TO DISTRIBUTE ANY REMAINING FUNDS IN THE ACCOUNT TO THE LOCAL GOVERNMENTS, AND TO MAKE TECHNICAL AND CLARIFYING CHANGES TO THE COMBINED MOTOR VEHICLE REGISTRATION RENEWAL AND PROPERTY TAX COLLECTION SYSTEM.

The General Assembly of North Carolina enacts:

SECTION 1. G.S. 20-79.1 reads as rewritten:

"**§ 20-79.1. Use of temporary registration plates or markers by purchasers of motor vehicles in lieu of dealers' plates.**

(a) The Division may, subject to the limitations and conditions hereinafter set forth, deliver temporary registration plates or markers designed by said Division to a dealer duly registered under the provisions of this Article who applies for at least 25 such plates or markers and who encloses with such application a fee of one dollar ($1.00) for each plate or marker for which application is made. Such application shall be made upon a form prescribed and furnished by the Division. Dealers, subject to the limitations and conditions hereinafter set forth, may issue such temporary registration plates or markers to owners of vehicles, provided that such owners shall comply with the pertinent provisions of this section.

(b) Every dealer who has made application for temporary registration plates or markers shall maintain in permanent form a record of all temporary registration plates or markers delivered to him, and shall also maintain in permanent form a record of all temporary registration plates or markers issued by him, and in addition thereto, shall maintain in permanent form a record of any other information pertaining to the receipt or the issuance of temporary registration plates or markers that the Division may require. Each record shall be kept for a period of at least one year from the date of entry of such record. Every dealer shall allow full and free access to such records during regular business hours, to duly authorized representatives of the Division and to peace officers.

(c) Every dealer who issues temporary registration plates or markers shall also issue a temporary registration certificate upon a form furnished by the Division and deliver it with the registration plate or marker to the owner.

(d) A dealer shall:

(1) Not issue, assign, transfer, or deliver temporary registration plates or markers to anyone other than a bona fide purchaser or owner of a vehicle which he has sold.

(2) Not issue a temporary registration plate or marker without first obtaining from the purchaser or owner a written application for titling and registration of the vehicle and the applicable fees.

(3) Within 10 working days, mail or deliver the application and fees to the Division or deliver the application and fees to a local license agency for processing. Delivery need not be made if the contract for sale has been rescinded in writing by all parties to the contract.

(4) Not deliver a temporary registration plate to anyone purchasing a vehicle that has an unexpired registration plate that is to be transferred to the purchaser.

(5) Not lend to anyone, or use on any vehicle that he may own, any temporary registration plates or markers.

A dealer may issue temporary markers, without obtaining the written application for titling and registration or collecting the applicable fees, to nonresidents for the purpose of removing the vehicle from the State.

(e) Every dealer who issues temporary plates or markers shall write clearly and indelibly on the face of the temporary registration plate or marker:

(1) The dates of issuance and expiration;

(2) The make, motor number, and serial numbers of the vehicle; and

(3) Any other information that the Division may require.

It shall be unlawful for any person to issue a temporary registration plate or marker containing any misstatement of fact or to knowingly write any false information on the face of the plate or marker.

(f) If the Division finds that the provisions of this section or the directions of the Division are not being complied with by the dealer, ~~he~~ the Division may suspend, after a hearing, the right of a dealer to issue temporary registration plates or markers. Nothing

in this section shall be deemed to require a dealer to collect or receive property taxes from any person.

(g) Every person to whom temporary registration plates or markers have been issued shall permanently destroy such temporary registration plates or markers immediately upon receiving the limited registration plates or the annual registration plates from the Division: Provided, that if the limited registration plates or the annual registration plates are not received within 30 days of the issuance of the temporary registration plates or markers, the owner shall, notwithstanding, immediately upon the expiration of such 30-day period, permanently destroy the temporary registration plates or markers.

(h) Temporary registration plates or markers shall expire and become void upon the receipt of the limited registration plates or the annual registration plates from the Division, or upon the rescission of a contract to purchase a motor vehicle, or upon the expiration of 30 days from the date of issuance, depending upon whichever event shall first occur. No refund or credit or fees paid by dealers to the Division for temporary registration plates or markers shall be allowed, except in the event that the Division discontinues the issuance of temporary registration plates or markers or unless the dealer discontinues business. In this event the unissued registration plates or markers with the unissued registration certificates shall be returned to the Division and the dealer may petition for a refund. Upon the expiration of the 30 days from the date of issuance, a second 30-day temporary registration plate or marker may be issued by the dealer upon showing the vehicle has been sold, a temporary lien has been filed as provided in G.S. 20-58, and that the dealer, having used reasonable diligence, is unable to obtain the vehicle's statement of origin or certificate of title so that the lien may be perfected.

(i) A temporary registration plate or marker may be used on the vehicle for which issued only and may not be transferred, loaned, or assigned to another. In the event a temporary registration plate or marker or temporary registration certificate is lost or stolen, the owner shall permanently destroy the remaining plate or marker or certificate and no operation of the vehicle for which the lost or stolen registration certificate, registration plate or marker has been issued shall be made on the highways until the regular license plate is received and attached thereto.

(j) The Commissioner of Motor Vehicles shall have the power to make such rules and regulations, not inconsistent herewith, as he shall deem necessary for the purpose of carrying out the provisions of this section.

(k) The provisions of G.S. 20-63, 20-71, 20-110 and 20-111 shall apply in like manner to temporary registration plates or markers as is applicable to nontemporary plates."

SECTION 2. Part 5 of Article 3 of Chapter 20 of the General Statutes is amended by adding a new section to read:

"**§ 20-79.1A. Use of limited registration plates on motor vehicles.**

(a) The Division or its authorized agent shall issue a limited registration plate upon receipt of an application for title and registration fees from a dealer, who is authorized to issue temporary registration plates or markers to owners of vehicles pursuant to G.S. 20-79.1, or from any other person. The limited registration plate must

be clearly and visibly designated as "temporary" and shall expire on the last day of the second month following the date of application of the limited registration plate.

(b) Notwithstanding subsection (a) of this section, the Division or its authorized agent shall issue an annual registration plate upon receipt of an application for title, registration fees, and property taxes from the dealer or any other person."

SECTION 3. G.S. 105-330.4(a), as amended by Section 3 of S.L. 2005-294, reads as rewritten:

"**§ 105-330.4. Due date, interest, and enforcement remedies.**

(a) **(Effective until July 1, 2010)** Taxes on a classified motor vehicle listed pursuant to G.S. 105-330.3(a)(2) shall be due on September 1 following the date by which the vehicle was required to be listed. Taxes on a classified motor vehicle listed pursuant to G.S. 105-330.3(a)(1) shall be due each year on the following dates:

(1) For a vehicle registered under the staggered system, taxes shall be due on the first day of the fourth month following the date the registration expires or on the first day of the fourth month following the last day of the month in which the new registration is applied for.

(2) For a vehicle newly registered under the annual system, taxes shall be due on the first day of the fourth month following the date the new registration is applied for. For a vehicle whose registration is renewed under the annual system, taxes shall be due on May 1 following the date the registration expired.

(a) **(Effective July 1, 2010, or when the Division of Motor Vehicles and the Department of Revenue certify that the integrated computer system for registration renewal and property tax collection for motor vehicles is in operation, whichever occurs first)** Taxes on a classified motor vehicle listed pursuant to G.S. 105-330.3(a)(2) are due on September 1 following the date by which the vehicle was required to be listed. Taxes on a classified motor vehicle listed pursuant to G.S. 105-330.3(a)(1) are due each year on the date a new registration is applied for or the fifteenth day of the month following the month in which the registration renewal sticker expired pursuant to G.S. 20-66(g).

(a1) Notwithstanding subsection (a) of this section, taxes on a classified motor vehicle for which the registration fees have been paid pursuant to G.S. 20-79.1 or subsection (a) of G.S. 20-79.1A, are due on the last day of the second month following the date on which the limited registration is applied for."

SECTION 4. G.S. 105-330.5, as amended by Section 6 of S.L. 2005-294, is amended by adding a new subsection to read:

"(a2) For classified motor vehicles where the registration fees have been paid pursuant to G.S. 20-79.1 or subsection (a) of G.S. 20-79.1A, the Property Tax Division's notice shall contain a statement that registration fees have been paid pursuant to G.S. 20-79.1 or G.S. 20-79.1A and that the registration becomes valid for the remainder of the year upon payment of county and municipal taxes and fees due in the current year."

SECTION 5. G.S. 105-330.5(b), as amended by Section 6 of S.L. 2005-294, reads as rewritten:

"(b) When the combined tax and registration notice required by subsection (a) or (a2) of this section is prepared, the Property Tax Division of the Department of Revenue or a third-party contractor shall mail a copy of the notice, with appropriate instructions for payment, to the motor vehicle owner. The Department shall establish a fee equal to the actual cost of printing and sending the notice. The Department may receive a fee for each notice generated for a vehicle registered in a county or municipal corporation from the taxes and fees remitted to the county or municipal corporation in which the vehicle is registered. The collecting authority is responsible for collecting county and municipal taxes and fees assessed under this Article and may retain a fee for collecting these taxes and fees. The fee retained by the collecting authority shall be an amount equal to at least one-third of the compensation paid for registration renewals conducted by contract agents under G.S. 20-63(h). The Property Tax Division shall establish procedures to ensure that tax payments and fees received pursuant to this Article and Chapter 20 of the General Statutes are properly accounted for and taxes and fees due other taxing units and the Division of Motor Vehicles are remitted at least once each month. Each collecting authority shall provide a weekly financial report containing information required by the Property Tax Division to the taxing units and Division of Motor Vehicles to enable them to account for payments received."

SECTION 6. G.S. 105-330.1(b) reads as rewritten:

"(b) Exceptions. – The following motor vehicles are not classified under subsection (a) of this section:

(1) Motor vehicles exempt from registration pursuant to G.S. 20-51.
(2) Manufactured homes, mobile classrooms, and mobile offices.
(3) Semitrailers or trailers registered on a multiyear basis.
(4) Motor vehicles owned or leased by a public service company and appraised under G.S. 105-335.
(5) Repealed by Session Laws 2000, c. 140, s. 75(a). (1991, c. 624, s. 1; 1991 (Reg. Sess., 1992), c. 961, s. 3; 1993, c. 485, s. 18; c. 543, s. 4; 1993 (Reg. Sess., 1994), c. 745, s. 1; 2000-140, s. 75(a).)
(6) Motor vehicles registered under the International Registration Plan."

SECTION 7.(a) G.S. 105-330.10 reads as rewritten:

"**§ 105-330.10. (Effective until July 1, 2010) Disposition of interest.**

Sixty percent (60%) of the first month's interest collected on unpaid taxes pursuant to G.S. 105-330.4 shall be transferred on a monthly basis to the Combined Motor Vehicle and Registration Account created within the Treasurer's Office. Interest generated by the funds in the Combined Motor Vehicle and Registration Account shall be credited to the Account. ~~The North Carolina Association of County Commissioners~~The Office of State Budget and Management shall direct the Treasurer to distribute the funds in the Account to the Division of Motor Vehicles for the purpose of developing and implementing an integrated computer system within the Division of Motor Vehicles that would allow for the combined assessment, billing, and collection of property taxes on motor vehicles and the issuance of registration plates. Funds in the Account shall not be transferred by the Office of State Budget and Management and appropriated by the General Assembly until the Department of Transportation and the

North Carolina Association of County Commissioners reach agreement on a project plan for the integrated system. The Treasurer shall report to the Revenue Laws Study Committee semiannually with the first report due by April 30, 2006. The report shall contain a detailed description of the amount of moneys transferred to the Account and distributed from the Account. Any funds remaining in the Account after the integrated computer system has been certified to be in operation shall be distributed to the local governments on a pro rata basis determined by the first month's interest collected on the unpaid taxes on classified motor vehicles and paid into the Account by each local government."

SECTION 7.(b) This section is effective when it becomes law.

SECTION 8. Unless otherwise stated, this act becomes effective July 1, 2010, or when the Division of Motor Vehicles and the Department of Revenue certify that the integrated computer system for registration renewal and property tax collection for motor vehicles is in operation, whichever occurs first.

HOUSE BILL 1688:
Amend Combined MV Registration and PT System

BILL ANALYSIS

Committee:	House Finance	**Date:**	July 31, 2007
Introduced by:	Rep. Folwell	**Summary by:**	Martha Walston
Version:	Third Edition		Committee Counsel

SUMMARY: House Bill 1688 does the following:

- *Creates a limited registration plate designed and issued by the DMV. This plate will be designated as "temporary" and issued upon receipt of an application of title and payment of registration fees. The plate expires on the last day of the second month following the date of application of the limited registration plate.*
- *Authorizes licensed motor vehicle dealers to issue a limited registration plate to the purchaser of a motor vehicle*
- *Authorizes other persons to obtain a limited registration plate from the DMV or an authorized agent.*
- *Exempts motor vehicles registered under the International Registration Plan from the special class of motor vehicles listed under the combined motor vehicle registration and property tax system.*
- *Provides that the interest generated by the funds in the Combined Motor Vehicle and Registration Account located in the Treasurer's Office shall be credited to the Account. These funds will not transferred by the Office of State Budget and Management and appropriated by the General Assembly until the DOT and the NC Association of County Commissioners reach agreement on a project plan for the integrated computer system.*
- *Provides that any funds remaining in the Account after the system is certified to be in operation will be distributed to the local governments on a pro rata basis.*
- *Makes technical and conforming changes to the combined motor vehicle registration and property tax system that is to go into effect July 1, 2010, or when the DMV and the Department of Revenue certify that the integrated computer system for registration renewal and property tax collect for motor vehicles is in operation, whichever occurs first.*

CURRENT LAW: When a person buys a new automobile from a dealer, the purchaser either transfers a registration plate or obtains a new plate. If the purchaser obtains a new plate, the dealer is authorized by statute to provide him with a 30-day temporary plate.[1] Before issuing the plate, the dealer must obtain from the owner a written application for titling and registration and the applicable fees. Within 10 working days, the dealer must then send the application and fees to the DMV or local license agency for processing. The temporary registration plate expires upon receipt of the annual registration plate from the DMV, upon rescission of a contract to purchase a motor vehicle, or upon expiration of the 30 days from date of issuance of the temporary plate, whichever occurs first. Some dealers have contracted with DMV to obtain the annual registration plate for the purchaser. In this case, the purchaser pays the dealer a fee for this service instead of going to the DMV or local license agency himself to obtain the annual registration plate.

[1] G.S. 20-79.1, DMV will issue temporary plates to a licensed dealer who applies for at least 25 such plates and pays a $1.00 fee for each plate. The dealer must maintain a permanent record of all temporary plates delivered to him and issued by him.

Under the combined system, which goes into effect July 1, 2010, or when the integrated computer system is in place, property taxes on a motor vehicle are due at the time of registration or renewal of registration. In the above scenario when a person purchases a new vehicle from a dealer and obtains the annual plate from the dealer, the dealer would be required to collect property taxes from the purchaser.

BILL ANALYSIS:

Limited Registration Plate

House Bill 1688 creates a new limited registration plate which would allow purchasers of a motor vehicle from a dealer or any other person up to 90 days in some cases to pay property tax on the vehicle. A dealer would not be required to collect the property tax from a purchaser unless the purchaser asked the dealer to obtain the annual registration plate on the vehicle.

Scenario #1

Purchaser buys a car from Dealer on March 15. Dealer is authorized by DMV to issue the temporary 30-day plate and the proposed limited plate.

Purchaser fills out an application for titling and registration of the vehicle and pays the titling and registration fees to Dealer. Dealer then provides the purchaser with the temporary plate and the purchaser drives the vehicle off the lot.

Dealer submits the titling and registration fees to DMV and obtains a limited plate for the purchaser. This limited plate expires on the last day of May.

The Property Tax Division within the Department of Revenue mails a notice to Purchaser indicating that the limited plate expires on the last day of May, that registration fees have been paid and that the registration becomes valid for the remainder of the year upon payment of county and municipal taxes and fees due in the current year.

County and municipal taxes and fees on the motor vehicle are due on last day of May, giving Purchaser 75 days from the date of purchase to pay the local taxes and fees.

Scenario #2

Purchaser buys a car from a private citizen on March 15, and goes to the DMV or its authorized agent to apply for a title and pay registration fees. The DMV or its authorized agent provides the purchaser with a limited registration plate which will expire on the last day of May.

The Property Tax Division within the Department of Revenue mails a notice to Purchaser indicating that the limited registration plate expires on the last day of May, that registration fees have been paid, and that the registration becomes valid for the remainder of the year upon payment of county and municipal taxes and fees due in the current year.

County and municipal taxes and fees on the motor vehicle are due on last day of May, giving Purchaser 75 days from the date of purchase to pay the local taxes and fees.

Exempt International Registration Plan vehicles

House Bill 1688 exempts motor vehicles registered under the International Registration Plan (IRP) from the combined motor vehicle registration and property tax system. These vehicles will be treated as other personal property for property tax purposes. The IRP is a registration reciprocity compact among 48 states, D.C., and 10 Canadian Provinces that provides for the payment of license fees on the basis of fleet miles operated in various jurisdictions. Under this plan, the registration fee due is based on the mileage reported in the jurisdictions of travel. The mileage reported determines the percentage to be paid to each jurisdiction based on their fee structure. This mileage is reported at the time of the license plate

renewal and is based on the prior fiscal year reporting period. To determine the property taxes due on the fleet vehicles, the Department of Revenue apportions a fair and reasonable share of the value of the company using property, business, and mileage factors, and allocates the valuations of the property among the local taxing units. Each local taxing unit then applies its tax rate to the apportioned valuation just as it does for any other type of property. The IRP applies to any of the following vehicles: (a) a vehicle having two axles and a gross vehicle weight in excess of 26,000 pounds, (b) a vehicle having three axles or more regardless of weight, or (c) a vehicle when the combination exceeds 26,000 pounds gross vehicle weight and the vehicle travels in two or more jurisdictions.

Interest Credited to Combined Motor Vehicle and Registration Account

House Bill 1688 provides that interest generated by the funds in the Combined Motor Vehicle and Registration Account shall be credited to the Account. This Account was created within the Treasurer's Office, effective January 1, 2006, and holds funds generated by 60% of the first month's interest collected on unpaid taxes on motor vehicles registered under the current staggered system.[2] This interest accrues at the rate of 5%. The North Carolina Association of County Commissioners was given authority to direct the Treasurer to distribute these funds for the purpose of developing and implementing the integrated computer system.

Transfer of Funds in the Combined Motor Vehicle and Registration Account

Current law gives the North Carolina Association of County Commissioners the authority to direct the Treasurer to distribute the funds in the Combined Motor Vehicle and Registration Account to DMV for the purpose of developing and implementing the integrated computer system. HB 1688 deletes this language and adds language that the Office of State Budget and Management will direct the Treasurer to distribute the funds in the Account. However, the funds will not be transferred by OSBM and appropriated by the General Assembly until the Department of Transportation and the North Carolina Association of County Commissioners reach agreement on a project plan for the integrated system. Any funds remaining in the Account after the integrated system has been certified to be in operation, shall be distributed to the local governments on a pro rata basis determined by the first month's interest collected on the unpaid taxes on motor vehicles and paid into the Account by each local government.

EFFECTIVE DATE: Unless otherwise stated in the act, the act becomes effective July 1, 2010, or when the Division of Motor Vehicles and the Department of Revenue certify that the integrated computer system is in operation, whichever occurs first.

H1688e3-SMLA

[2] Under the current system, property taxes for the 12-month period that begins the first month following vehicle registration or renewal become due four months after the registration or renewal.

SECTION 2. G.S. 55-9A-09 reads as rewritten:

"**§ 55-9A-09. Exemptions.**

The provisions of this Article shall not be applicable to ~~any~~ a corporation ~~if,~~that meets one or more of the conditions listed in this section:

(1) ~~on~~ On or before September 30, 1990, or such earlier date as may be irrevocably established by resolution of the board of directors, or at any time before the corporation becomes, or after it ceases to be, a covered corporation, the board of directors adopts a bylaw stating that the provisions of this Article shall not be applicable to the ~~corporation; or, in~~ corporation. Neither adoption nor failure to adopt such a bylaw or provision shall constitute grounds for any cause of action against the corporation, or any officer or director of the corporation.

(2) In the case of a corporation formed after August 12, 1987, its initial articles of incorporation provide that this Article shall not be applicable to the corporation; or on or after September 1, 2000, and on or before December 31, 2000, the board of directors of a corporation to which the provisions of this Article were applicable on September 1, 2000, adopts a bylaw stating that the provisions of this Article shall not be applicable to the corporation. Neither adoption nor failure to adopt such a bylaw or provision shall constitute grounds for any cause of action against the corporation, or any officer or director of the corporation.

(3) On or after August 1, 2007, and on or before December 31, 2007, the board of directors of a corporation to which the provisions of this Article were applicable on August 1, 2007, adopts a bylaw stating that the provision of this Article shall not be applicable to the corporation. Neither the adoption nor failure to adopt a bylaw under this subdivision shall constitute grounds for any cause of action against the corporation or any of its officers or directors."

SECTION 3. If House Bill 1473, 2007 Regular Session, becomes law, then Section 24.3 of House Bill 1473, 2007 Regular Session, reads as rewritten:

'SECTION 24.3.(c) This section is effective for taxable years beginning on or after ~~January 1, 2007.~~January 1, 2008.'

SECTION 4.(a) If House Bill 1473, 2007 Regular Session, becomes law, then G.S. 105-522(a)(2), as enacted by Section 31.16.4(c) of House Bill 1473, 2007 Regular Session, reads as rewritten:

'(2) Hold harmless amount. – The sum of the ~~following:~~following distributed to a municipality for the month:

a. Fifty percent (50%) of the amount of sales and use tax revenue distributed under Article 40 of this ~~Chapter to the municipality for a month,~~ Chapter, other than revenue from the sale of food that is subject to local tax but is exempt from State tax under G.S. 105-164.13B.

b. Twenty-five percent (25%) of the amount of sales and use tax revenue distributed under Article 39 of this Chapter or under Chapter 1096 of the 1967 Session Laws, other than revenue from the sale of food that is subject to local tax but is exempt from State tax under G.S. 105-164.13B.

c. The amount determined ~~under sub-subdivision a. of this subdivision subtracted from the amount determined under sub-subdivision b. of this subdivision.~~ by subtracting twenty-five percent (25%) of the amount of sales and use tax revenue distributed under Article 39 of this Chapter or under Chapter 1096 of the 1967 Session Laws from fifty percent (50%) of the amount distributed under Article 40 of this Chapter. This calculation determines the effect of distributing a one-quarter percent (.25%) tax on the basis of point of origin instead of on a per capita basis. ~~If the difference is negative, the result increases the hold harmless amount.~~'

SECTION 4.(b) If House Bill 1473, 2007 Regular Session, becomes law, then G.S. 105-523(a)(2), as enacted by Section 31.16.4(d) of House Bill 1473, 2007 Regular Session, reads as rewritten:

'(2) Repealed sales tax amount. – The sum of the ~~following:~~following distributed to a county for the month:

a. Fifty percent (50%) of the amount of sales and use tax revenue distributed ~~to a county~~ under Article 40 of this Chapter, other than revenue from the sale of food that is subject to local tax but is exempt from State tax under G.S. 105-164.13B.

b. Twenty-five percent (25%) of the amount of sales and use tax revenue distributed under Article 39 of this Chapter or under Chapter 1096 of the 1967 Session Laws, other than revenue from the sale of food that is subject to local tax but is exempt from State tax under G.S. 105-164.13B.

c. The amount determined ~~under sub-subdivision a. of this subdivision subtracted from the amount determined under sub-subdivision b. of this subdivision.~~ by subtracting twenty-five percent (25%) of the amount of sales and use tax revenue distributed under Article 39 of this Chapter or under Chapter 1096 of the 1967 Session Laws from fifty percent (50%) of the amount distributed under Article 40 of this Chapter. This calculation determines the effect of distributing a one-quarter percent (.25%) tax on the basis of point of origin instead of on a per capita basis. ~~If the difference is negative, the result increases the hold harmless amount.~~'

SECTION 4.(c) This section becomes effective October 1, 2009, and applies to distributions for months beginning on or after that date.

SECTION 5. If House Bill 1473, 2007 Regular Session becomes law, then G.S. 105-538, as enacted by Section 31.17(b) of House Bill 1473, 2007 Session, reads as rewritten:

'§ 105-538. Administration of taxes.

Except as provided in this Article, the adoption, levy, collection, administration, and repeal of these additional taxes must be in accordance with Article 39 of this Chapter. G.S. 105-468.1 is an administrative provision that applies to this Article. A tax levied under this Article does not apply to the sales price of food that is exempt from tax pursuant to G.S. 105-164.13B. The Secretary shall not divide the amount allocated to a county between the county and the municipalities within the county. Notwithstanding the provisions of G.S. 105-467(c), during the 2008 calendar year a tax levied under this

Article may become effective on the first day of any calendar quarter so long as the county gives the Secretary at least 60 days' advance notice of the new tax levy.'

SECTION 6.(a) If House Bill 1473, 2007 Regular Session becomes law, then G.S. 105-164.14(n), as enacted by Section 31.20(b) of House Bill 1473, 2007 Regular Session, reads as rewritten:

'(n) Analytical Services Supplies. – A taxpayer engaged in analytical services in this State is allowed a refund of ~~fifty percent (50%) of the eligible amount of~~ sales and use tax paid by it in this ~~State on~~ State. The amount of the refund is the greater of the following:

(1) Fifty percent (50%) of the eligible amount sales and use tax paid by it on tangible personal property that is consumed or transformed in analytical service activities. The eligible amount of sales and use tax paid by the taxpayer in this State is the amount by which sales and use taxes paid by the taxpayer in this State in the fiscal year exceed the amount paid by the taxpayer in this State in the 2006-2007 State fiscal year.

(2) Fifty percent (50%) of the amount of sales and use tax paid by it in the fiscal year on medical reagents and medical supplies.

A request for a refund must be in writing and must include any information and documentation that the Secretary requires. A request for a refund is due within six months after the end of the State's fiscal year. Refunds applied for after the due date are barred.'

SECTION 6.(b) This section becomes effective July 1, 2007, and applies to purchases made on or after that date.

SECTION 7. If House Bill 1473, 2007 Regular Session becomes law, then G.S. 105-129.95, as enacted by House Bill 1473, 2007 Regular Session, reads as rewritten:

'**§ 105-129.95. Definitions.**

The following definitions apply in this Article:

(1) Costs of construction. – The costs of acquiring and improving land, constructing buildings and other structures, ~~and~~ equipping the ~~facility.~~ facility, and constructing and equipping rail tracks to the railroad intermodal facility that are necessary to access and support facility operations. In the case of property owned or leased by the taxpayer, cost is determined pursuant to regulations adopted under section 1012 of the Code.

(2) Eligible railroad intermodal facility. – A railroad intermodal facility whose costs of construction exceed thirty million dollars ($30,000,000).

(3) Intermodal facility. – A facility where freight is transferred from one mode of transportation to another.

(4) Railroad intermodal facility. – An intermodal facility whose primary purpose is to transfer freight between a railroad and another mode of transportation.'

SECTION 8. This act is effective when it becomes law.

HOUSE BILL 109:
Corporate Opt Out Changes/Budget Rev Changes

BILL ANALYSIS

Committee:	Senate Finance	**Date:**	July 31, 2007
Introduced by:	Reps. Wilkins, Setzer, Underhill, Thomas	**Summary by:**	Cindy Avrette Committee Counsel
Version:	PCS to Second Edition H109-CSSV-61		

SUMMARY: The proposed committee substitute for House Bill 109[1] does two things:

- ***It provides North Carolina corporations a limited opportunity to opt out of being subject to the provisions of the North Carolina Shareholder Protection Act ("Shareholder Protection Act") and the North Carolina Control Share Acquisitions Act ("Control Share Act").***
- ***It makes technical and clarifying changes to the revenue provisions of the Current Operations and Capital Improvements Appropriations Act of 2007.***

BILL ANALYSIS: Sections 1 and 2 of the bill provide North Carolina corporations a limited opportunity to opt out of being subject to the provisions of the Shareholder Protection Act and the Control Share Act. This limited opt out is substantially similar to opt outs provided by the North Carolina legislature in the past.

The bill does not automatically exempt a North Carolina corporation from coverage under either the Shareholder Protection Act or the Control Share Act. Instead, the bill provides a corporation the opportunity during a limited period of time (5 months) for its board of directors to consider whether to amend the corporation's bylaws to permit the opting out. Periodically, the North Carolina legislature has adopted such "opt out" periods under the two acts, for instance in 1987, 1990 and 2000. It has been seven years since the last voluntary opt out period was adopted.

The bill also makes the following technical and clarifying changes to the revenue provisions of the Current Operations and Capital Improvements Appropriations Act of 2007:

- Section 3: Section 24.3 of the budget requires the Department of Revenue to include language in its booklets for the individual income tax return that identified the availability of State and federal earned income tax credits. This provision becomes effective for taxable years beginning on or after January 1, 2007. Section 31.4 of the budget enacts a State earned income tax credit, effective for taxable years beginning on or after January 1, 2008. The amendment conforms the effective of Section 24.3 to Section 31.4 by changing the effective date of Section 24.3 to January 1, 2008.
- Section 4: Corrects a calculation in the city hold harmless provisions.
- Section 5: Clarifies that the administrative provisions in Article 39 regarding lump-sum contracts will apply to the local option county sales tax.
- Section 6: Rewrites the sales tax exemption for research supplies to fulfill the intent of providing an incentive to existing companies to increase their work in the State. As written, the provision rewards new businesses to the detriment of existing businesses.

[1] House Bill 109 provided an income tax deduction for volunteer firefighters and EMS workers. The substance of this provision is included in Section 31.24 of House Bill 1473, the Current Operations and Capital Improvements Appropriations Act of 2007.

- Section 7: Clarifies that the costs of construction for purposes of the tax credit for constructing a railroad intermodal facility includes the costs of constructing and equipping rail tracks to the facility that are necessary to access and support facility operations.

(22) Referee. – The official who shall enter and remain in the ring for the duration of a match and shall enforce the rules and maintain order in the ring.

(23) Ring official. – Any person who performs an official function for the duration of a match.

(23a) Sanctioned amateur. – A person who competes in a sanctioned amateur match.

(23b) Sanctioned amateur match. – Any ~~boxing or kickboxing~~ match regulated by an amateur sports organization that has been recognized and approved by the Division.

(24) Second. – Any person who will work or be present in the corner of a participant for the duration of a match.

(25) Timekeeper. – Any person who will operate the clock or watch for the duration of a match for the purpose of keeping the official time of the match.

(25a) Toughman contestant. – Any person who competes in a toughman event.

(25b) Toughman event. – An elimination program of matches in which (i) the contestants are not professional boxers, (ii) the finalist receives a purse or other article of value, (iii) the participants engage in the use of full contact boxing techniques, and (iv) the object of each match is to win by decision, knockout (KO), or technical knockout (TKO).

~~(26) Ultimate warrior match. – A match where the participants use any combination of boxing, kicking, wrestling, hitting, punching, or other combative, contact techniques and which combination of techniques is not specifically authorized by and conducted pursuant to this Article.~~

(27) Unarmed Combat. – A match consisting of any combination of boxing, kicking, wrestling, hitting, punching, or other combative contact

techniques which may reasonably be expected to inflict injury to opponents."

SECTION 2. G.S. 143-652.1 reads as rewritten:

"**§ 143-652.1. Regulation of ~~Boxing.~~boxing, kickboxing, mixed martial arts, and toughman events.**

The Alcohol Law Enforcement Division of the Department of Crime Control and Public Safety shall regulate live ~~boxing and kickboxing~~ boxing, kickboxing, and mixed martial arts matches, whether professional, amateur, or sanctioned amateur, or toughman events, in which admission is charged for viewing, or the contestants compete for a purse or prize of value greater than twenty-five dollars ($25.00). The Division shall have the exclusive authority to approve and issue rules for the regulation of the conduct, promotion, and performances of live boxing, kickboxing, and mixed martial arts ~~sanctioned amateur, amateur, and toughman~~ matches and ~~exhibitions~~ exhibitions, whether professional, amateur, or sanctioned amateur, and toughman events in this State. Monies ~~[moneys]~~ collected pursuant to the provisions of this Article shall be credited to the Account and applied to the administration of the Article."

SECTION 6. G.S. 143-656 reads as rewritten:

"**§ 143-656. Contracts and financial arrangements.**

Any contract between licensees and related to a ~~boxing~~ match or exhibition held or to be held in this State must meet the requirements of administrative rules as set forth by the Division. Any contract which does not satisfy the requirements of the administrative rules shall be void and unenforceable. All contracts shall be in writing."

SECTION 7. G.S. 143-657.1 reads as rewritten:

"**§ 143-657.1. Sanctioned amateur matches.**

In addition to the other applicable provisions of this Article, a sanctioned amateur match shall be conducted pursuant to the rules of the sports organization sanctioning the ~~boxing~~ match or exhibition."

SECTION 8. The Alcohol Law Enforcement Division of the Department of Crime Control and Public Safety shall, as soon as practicable, adopt permanent rules to regulate mixed martial arts, as authorized by this act.

SECTION 9. This act is effective when it becomes law and applies to matches held, and licenses and permits issued, on or after that date, except that no license or permit for mixed martial arts shall be issued by the Division until the rules required under Section 8 of this act become effective.

HOUSE BILL 1786:
Regulate Mixed Martial Arts/Fees

BILL ANALYSIS

Committee:	Senate Finance	**Date:**	July 31, 2007
Introduced by:	Reps. Bordsen, Love	**Summary by:**	Wendy Graf Ray
Version:	PCS to Third Edition H1786-CSSUf-64[v.5]		Committee Counsel

SUMMARY: ***The PCS for House Bill 1786 amends Article 68 of Chapter 143 (Regulation of Boxing) in the following ways:***

- ***Authorizes mixed martial arts (effective when the bill becomes law, except that no matches would be authorized until rules regulating those events are adopted by the Division).***
- ***Increases from $5,000 to $10,000 the amount of the surety bond required from a promoter of an event.***
- ***Increases the license and permit fees authorized under the Article.***
- ***Establishes a new admission fee of $1.50 per ticket sold to an event to be collected by the Division.***
- ***Requires the Division to adopt rules regulating mixed martial arts as soon as practicable.***
- ***Makes clarifying changes throughout the Article to make clear that the statutes cover all sporting events that are authorized and not just boxing.***

CURRENT LAW: Article 68 of Chapter 143 gives the Alcohol Law Enforcement Division of the Department of Crime Control and Public Safety the authority to regulate boxing, kickboxing, and toughman events. The Division issues licenses to contestants, as well as announcers, judges, managers, matchmakers, promoters, referees, timekeepers, and seconds, in these events. It also issues permits for each event. The Division is authorized to collect specified fees for licenses and permits.

Under current law, ultimate warrior matches are prohibited. "Ultimate warrior match" is defined as one where participants use any combination of boxing, kicking, wrestling, hitting, punching, or other combative, contact techniques and the combination of techniques is not specifically authorized under Article 68. Mixed martial arts would fall under that definition, and is therefore currently prohibited by law.

BILL ANALYSIS: The PCS for House Bill 1786 amends the law regulating boxing and related sports in the following ways:

Mixed martial arts. The PCS authorizes mixed martial arts, which is currently prohibited under North Carolina law. Mixed martial arts is a form of sporting martial arts that uses a variety of martial arts techniques, as well as boxing, wrestling, and grappling techniques. The Division is directed to adopt rules, as soon as practicable, to regulate mixed martial arts, and while the authorization becomes effective when the bill becomes law, the Division may not issue any licenses or permits for mixed martial arts until those rules become effective.

The PCS makes clear that all other forms of unarmed combat, besides those specifically authorized (boxing, kickboxing, toughman, and mixed martial arts), are prohibited under North Carolina law.

Surety bond. The PCS amends G.S. 143-654(c), which requires an applicant for a promoter's license (required to hold a match) to submit a surety bond payable to the Division for the benefit of any person damaged by the promoter's failure to comply with requirements or fulfill contractual obligations related to the holding of a match. The amount of the bond required is currently no less than $5,000, and the PCS raises the amount to $10,000.

License and permit fees. The PCS increases all of the fees authorized for licenses and permits issued by the Division as indicated in the following chart:

TYPE OF LICENSE OR PERMIT *	CURRENT FEE	FEE UNDER PCS
Announcer	$50.00	$75.00
Contestant	$25.00	$37.50
Judge	$50.00	$75.00
Manager	$100.00	$150.00
Matchmaker	$200.00	$300.00
Promoter	$300.00	$450.00
Referee	$50.00	$75.00
Timekeeper	$50.00	$75.00
Second	$25.00	$37.50
Facility with a seating capacity of less than 2,000	$100.00	$150.00
Facility with a seating capacity of 2,000-5,000	$200.00	$300.00
Facility with a seating capacity of over 5,000	$300.00	$450.00

* Licenses issued by the Division are valid only during the calendar year in which they are issued, except for contestant licenses, which are valid for one year from the date of issuance. A permit is valid only for a single match.

Admission fee. The PCS authorizes the Division to collect a new admission fee of $1.50 per ticket sold to any regulated event.

EFFECTIVE DATE: The act would be effective when it becomes law and would apply to matches held, and licenses and permits issued, on or after that date. However, no license or permit for mixed martial arts would be issued until the Division has permanent rules in place regulating those events.

Committee Clerk Comments:

(b) Every dealer who has made application for temporary registration plates or markers shall maintain in permanent form a record of all temporary registration plates or markers delivered to him, and shall also maintain in permanent form a record of all temporary registration plates or markers issued by him, and in addition thereto, shall maintain in permanent form a record of any other information pertaining to the receipt or the issuance of temporary registration plates or markers that the Division may require. Each record shall be kept for a period of at least one year from the date of entry of such record. Every dealer shall allow full and free access to such records during regular business hours, to duly authorized representatives of the Division and to peace officers.

(c) Every dealer who issues temporary registration plates or markers shall also issue a temporary registration certificate upon a form furnished by the Division and deliver it with the registration plate or marker to the owner.

(d) A dealer shall:

(1) Not issue, assign, transfer, or deliver temporary registration plates or markers to anyone other than a bona fide purchaser or owner of a vehicle which he has sold.

(2) Not issue a temporary registration plate or marker without first obtaining from the purchaser or owner a written application for titling and registration of the vehicle and the applicable fees.

(3) Within 10 working days, mail or deliver the application and fees to the Division or deliver the application and fees to a local license agency for processing. Delivery need not be made if the contract for sale has been rescinded in writing by all parties to the contract.

(4) Not deliver a temporary registration plate to anyone purchasing a vehicle that has an unexpired registration plate that is to be transferred to the purchaser.

(5) Not lend to anyone, or use on any vehicle that he may own, any temporary registration plates or markers.

A dealer may issue temporary markers, without obtaining the written application for titling and registration or collecting the applicable fees, to nonresidents for the purpose of removing the vehicle from the State.

(e) Every dealer who issues temporary plates or markers shall write clearly and indelibly on the face of the temporary registration plate or marker:

(1) The dates of issuance and expiration;

(2) The make, motor number, and serial numbers of the vehicle; and

(3) Any other information that the Division may require.

It shall be unlawful for any person to issue a temporary registration plate or marker containing any misstatement of fact or to knowingly write any false information on the face of the plate or marker.

(f) If the Division finds that the provisions of this section or the directions of the Division are not being complied with by the dealer, ~~he~~ the Division may suspend, after a hearing, the right of a dealer to issue temporary registration plates or markers. Nothing

in this section shall be deemed to require a dealer to collect or receive property taxes from any person.

(g) Every person to whom temporary registration plates or markers have been issued shall permanently destroy such temporary registration plates or markers immediately upon receiving the limited registration plates or the annual registration plates from the Division: Provided, that if the limited registration plates or the annual registration plates are not received within 30 days of the issuance of the temporary registration plates or markers, the owner shall, notwithstanding, immediately upon the expiration of such 30-day period, permanently destroy the temporary registration plates or markers.

(h) Temporary registration plates or markers shall expire and become void upon the receipt of the limited registration plates or the annual registration plates from the Division, or upon the rescission of a contract to purchase a motor vehicle, or upon the expiration of 30 days from the date of issuance, depending upon whichever event shall first occur. No refund or credit or fees paid by dealers to the Division for temporary registration plates or markers shall be allowed, except in the event that the Division discontinues the issuance of temporary registration plates or markers or unless the dealer discontinues business. In this event the unissued registration plates or markers with the unissued registration certificates shall be returned to the Division and the dealer may petition for a refund. Upon the expiration of the 30 days from the date of issuance, a second 30-day temporary registration plate or marker may be issued by the dealer upon showing the vehicle has been sold, a temporary lien has been filed as provided in G.S. 20-58, and that the dealer, having used reasonable diligence, is unable to obtain the vehicle's statement of origin or certificate of title so that the lien may be perfected.

(i) A temporary registration plate or marker may be used on the vehicle for which issued only and may not be transferred, loaned, or assigned to another. In the event a temporary registration plate or marker or temporary registration certificate is lost or stolen, the owner shall permanently destroy the remaining plate or marker or certificate and no operation of the vehicle for which the lost or stolen registration certificate, registration plate or marker has been issued shall be made on the highways until the regular license plate is received and attached thereto.

(j) The Commissioner of Motor Vehicles shall have the power to make such rules and regulations, not inconsistent herewith, as he shall deem necessary for the purpose of carrying out the provisions of this section.

(k) The provisions of G.S. 20-63, 20-71, 20-110 and 20-111 shall apply in like manner to temporary registration plates or markers as is applicable to nontemporary plates."

SECTION 2. Part 5 of Article 3 of Chapter 20 of the General Statutes is amended by adding a new section to read:

"**§ 20-79.1A. Use of limited registration plates on motor vehicles.**

(a) The Division or its authorized agent shall issue a limited registration plate upon receipt of an application for title and registration fees from a dealer, who is authorized to issue temporary registration plates or markers to owners of vehicles pursuant to G.S. 20-79.1, or from any other person. The limited registration plate must

be clearly and visibly designated as "temporary" and shall expire on the last day of the second month following the date of application of the limited registration plate.

(b) Notwithstanding subsection (a) of this section, the Division or its authorized agent shall issue an annual registration plate upon receipt of an application for title, registration fees, and property taxes from the dealer or any other person."

SECTION 3. G.S. 105-330.4(a), as amended by Section 3 of S.L. 2005-294, reads as rewritten:

"**§ 105-330.4. Due date, interest, and enforcement remedies.**

(a) **(Effective until July 1, 2010)** Taxes on a classified motor vehicle listed pursuant to G.S. 105-330.3(a)(2) shall be due on September 1 following the date by which the vehicle was required to be listed. Taxes on a classified motor vehicle listed pursuant to G.S. 105-330.3(a)(1) shall be due each year on the following dates:

(1) For a vehicle registered under the staggered system, taxes shall be due on the first day of the fourth month following the date the registration expires or on the first day of the fourth month following the last day of the month in which the new registration is applied for.

(2) For a vehicle newly registered under the annual system, taxes shall be due on the first day of the fourth month following the date the new registration is applied for. For a vehicle whose registration is renewed under the annual system, taxes shall be due on May 1 following the date the registration expired.

(a) **(Effective July 1, 2010, or when the Division of Motor Vehicles and the Department of Revenue certify that the integrated computer system for registration renewal and property tax collection for motor vehicles is in operation, whichever occurs first)** Taxes on a classified motor vehicle listed pursuant to G.S. 105-330.3(a)(2) are due on September 1 following the date by which the vehicle was required to be listed. Taxes on a classified motor vehicle listed pursuant to G.S. 105-330.3(a)(1) are due each year on the date a new registration is applied for or the fifteenth day of the month following the month in which the registration renewal sticker expired pursuant to G.S. 20-66(g).

(a1) Notwithstanding subsection (a) of this section, taxes on a classified motor vehicle for which the registration fees have been paid pursuant to G.S. 20-79.1 or subsection (a) of G.S. 20-79.1A, are due on the last day of the second month following the date on which the limited registration is applied for."

SECTION 4. G.S. 105-330.5, as amended by Section 6 of S.L. 2005-294, is amended by adding a new subsection to read:

"(a2) For classified motor vehicles where the registration fees have been paid pursuant to G.S. 20-79.1 or subsection (a) of G.S. 20-79.1A, the Property Tax Division's notice shall contain a statement that registration fees have been paid pursuant to G.S. 20-79.1 or G.S. 20-79.1A and that the registration becomes valid for the remainder of the year upon payment of county and municipal taxes and fees due in the current year."

SECTION 5. G.S. 105-330.5(b), as amended by Section 6 of S.L. 2005-294, reads as rewritten:

"(b) When the combined tax and registration notice required by subsection (a) or (a2) of this section is prepared, the Property Tax Division of the Department of Revenue or a third-party contractor shall mail a copy of the notice, with appropriate instructions for payment, to the motor vehicle owner. The Department shall establish a fee equal to the actual cost of printing and sending the notice. The Department may receive a fee for each notice generated for a vehicle registered in a county or municipal corporation from the taxes and fees remitted to the county or municipal corporation in which the vehicle is registered. The collecting authority is responsible for collecting county and municipal taxes and fees assessed under this Article and may retain a fee for collecting these taxes and fees. The fee retained by the collecting authority shall be an amount equal to at least one-third of the compensation paid for registration renewals conducted by contract agents under G.S. 20-63(h). The Property Tax Division shall establish procedures to ensure that tax payments and fees received pursuant to this Article and Chapter 20 of the General Statutes are properly accounted for and taxes and fees due other taxing units and the Division of Motor Vehicles are remitted at least once each month. Each collecting authority shall provide a weekly financial report containing information required by the Property Tax Division to the taxing units and Division of Motor Vehicles to enable them to account for payments received."

SECTION 6. G.S. 105-330.1(b) reads as rewritten:

"(b) Exceptions. – The following motor vehicles are not classified under subsection (a) of this section:

(1) Motor vehicles exempt from registration pursuant to G.S. 20-51.
(2) Manufactured homes, mobile classrooms, and mobile offices.
(3) Semitrailers or trailers registered on a multiyear basis.
(4) Motor vehicles owned or leased by a public service company and appraised under G.S. 105-335.
(5) Repealed by Session Laws 2000, c. 140, s. 75(a). (1991, c. 624, s. 1; 1991 (Reg. Sess., 1992), c. 961, s. 3; 1993, c. 485, s. 18; c. 543, s. 4; 1993 (Reg. Sess., 1994), c. 745, s. 1; 2000-140, s. 75(a).)
(6) Motor vehicles registered under the International Registration Plan."

SECTION 7.(a) G.S. 105-330.10 reads as rewritten:

"**§ 105-330.10. (Effective until July 1, 2010) Disposition of interest.**

Sixty percent (60%) of the first month's interest collected on unpaid taxes pursuant to G.S. 105-330.4 shall be transferred on a monthly basis to the Combined Motor Vehicle and Registration Account created within the Treasurer's Office. Interest generated by the funds in the Combined Motor Vehicle and Registration Account shall be credited to the Account. ~~The North Carolina Association of County Commissioners~~The Office of State Budget and Management shall direct the Treasurer to distribute the funds in the Account to the Division of Motor Vehicles for the purpose of developing and implementing an integrated computer system within the Division of Motor Vehicles that would allow for the combined assessment, billing, and collection of property taxes on motor vehicles and the issuance of registration plates. Funds in the Account shall not be transferred by the Office of State Budget and Management and appropriated by the General Assembly until the Department of Transportation and the

North Carolina Association of County Commissioners reach agreement on a project plan for the integrated system. The Treasurer shall report to the Revenue Laws Study Committee semiannually with the first report due by April 30, 2006. The report shall contain a detailed description of the amount of moneys transferred to the Account and distributed from the Account. Any funds remaining in the Account after the integrated computer system has been certified to be in operation shall be distributed to the local governments on a pro rata basis determined by the first month's interest collected on the unpaid taxes on classified motor vehicles and paid into the Account by each local government."

SECTION 7.(b) This section is effective when it becomes law.

SECTION 8. Unless otherwise stated, this act becomes effective July 1, 2010, or when the Division of Motor Vehicles and the Department of Revenue certify that the integrated computer system for registration renewal and property tax collection for motor vehicles is in operation, whichever occurs first.

HOUSE BILL 1688:
Amend Combined MV Registration and PT System

BILL ANALYSIS

Committee:	House Finance	**Date:**	July 31, 2007
Introduced by:	Rep. Folwell	**Summary by:**	Martha Walston
Version:	Third Edition		Committee Counsel

SUMMARY: House Bill 1688 does the following:

- ***Creates a limited registration plate designed and issued by the DMV. This plate will be designated as "temporary" and issued upon receipt of an application of title and payment of registration fees. The plate expires on the last day of the second month following the date of application of the limited registration plate.***
- ***Authorizes licensed motor vehicle dealers to issue a limited registration plate to the purchaser of a motor vehicle***
- ***Authorizes other persons to obtain a limited registration plate from the DMV or an authorized agent.***
- ***Exempts motor vehicles registered under the International Registration Plan from the special class of motor vehicles listed under the combined motor vehicle registration and property tax system.***
- ***Provides that the interest generated by the funds in the Combined Motor Vehicle and Registration Account located in the Treasurer's Office shall be credited to the Account. These funds will not transferred by the Office of State Budget and Management and appropriated by the General Assembly until the DOT and the NC Association of County Commissioners reach agreement on a project plan for the integrated computer system.***
- ***Provides that any funds remaining in the Account after the system is certified to be in operation will be distributed to the local governments on a pro rata basis.***
- ***Makes technical and conforming changes to the combined motor vehicle registration and property tax system that is to go into effect July 1, 2010, or when the DMV and the Department of Revenue certify that the integrated computer system for registration renewal and property tax collect for motor vehicles is in operation, whichever occurs first.***

CURRENT LAW: When a person buys a new automobile from a dealer, the purchaser either transfers a registration plate or obtains a new plate. If the purchaser obtains a new plate, the dealer is authorized by statute to provide him with a 30-day temporary plate.[1] Before issuing the plate, the dealer must obtain from the owner a written application for titling and registration and the applicable fees. Within 10 working days, the dealer must then send the application and fees to the DMV or local license agency for processing. The temporary registration plate expires upon receipt of the annual registration plate from the DMV, upon rescission of a contract to purchase a motor vehicle, or upon expiration of the 30 days from date of issuance of the temporary plate, whichever occurs first. Some dealers have contracted with DMV to obtain the annual registration plate for the purchaser. In this case, the purchaser pays the dealer a fee for this service instead of going to the DMV or local license agency himself to obtain the annual registration plate.

[1] G.S. 20-79.1, DMV will issue temporary plates to a licensed dealer who applies for at least 25 such plates and pays a $1.00 fee for each plate. The dealer must maintain a permanent record of all temporary plates delivered to him and issued by him.

Under the combined system, which goes into effect July 1, 2010, or when the integrated computer system is in place, property taxes on a motor vehicle are due at the time of registration or renewal of registration. In the above scenario when a person purchases a new vehicle from a dealer and obtains the annual plate from the dealer, the dealer would be required to collect property taxes from the purchaser.

BILL ANALYSIS:

Limited Registration Plate

House Bill 1688 creates a new limited registration plate which would allow purchasers of a motor vehicle from a dealer or any other person up to 90 days in some cases to pay property tax on the vehicle. A dealer would not be required to collect the property tax from a purchaser unless the purchaser asked the dealer to obtain the annual registration plate on the vehicle.

Scenario #1

Purchaser buys a car from Dealer on March 15. Dealer is authorized by DMV to issue the temporary 30-day plate and the proposed limited plate.

Purchaser fills out an application for titling and registration of the vehicle and pays the titling and registration fees to Dealer. Dealer then provides the purchaser with the temporary plate and the purchaser drives the vehicle off the lot.

Dealer submits the titling and registration fees to DMV and obtains a limited plate for the purchaser. This limited plate expires on the last day of May.

The Property Tax Division within the Department of Revenue mails a notice to Purchaser indicating that the limited plate expires on the last day of May, that registration fees have been paid and that the registration becomes valid for the remainder of the year upon payment of county and municipal taxes and fees due in the current year.

County and municipal taxes and fees on the motor vehicle are due on last day of May, giving Purchaser 75 days from the date of purchase to pay the local taxes and fees.

Scenario #2

Purchaser buys a car from a private citizen on March 15, and goes to the DMV or its authorized agent to apply for a title and pay registration fees. The DMV or its authorized agent provides the purchaser with a limited registration plate which will expire on the last day of May.

The Property Tax Division within the Department of Revenue mails a notice to Purchaser indicating that the limited registration plate expires on the last day of May, that registration fees have been paid, and that the registration becomes valid for the remainder of the year upon payment of county and municipal taxes and fees due in the current year.

County and municipal taxes and fees on the motor vehicle are due on last day of May, giving Purchaser 75 days from the date of purchase to pay the local taxes and fees.

Exempt International Registration Plan vehicles

House Bill 1688 exempts motor vehicles registered under the International Registration Plan (IRP) from the combined motor vehicle registration and property tax system. These vehicles will be treated as other personal property for property tax purposes. The IRP is a registration reciprocity compact among 48 states, D.C., and 10 Canadian Provinces that provides for the payment of license fees on the basis of fleet miles operated in various jurisdictions. Under this plan, the registration fee due is based on the mileage reported in the jurisdictions of travel. The mileage reported determines the percentage to be paid to each jurisdiction based on their fee structure. This mileage is reported at the time of the license plate

renewal and is based on the prior fiscal year reporting period. To determine the property taxes due on the fleet vehicles, the Department of Revenue apportions a fair and reasonable share of the value of the company using property, business, and mileage factors, and allocates the valuations of the property among the local taxing units. Each local taxing unit then applies its tax rate to the apportioned valuation just as it does for any other type of property. The IRP applies to any of the following vehicles: (a) a vehicle having two axles and a gross vehicle weight in excess of 26,000 pounds, (b) a vehicle having three axles or more regardless of weight, or (c) a vehicle when the combination exceeds 26,000 pounds gross vehicle weight and the vehicle travels in two or more jurisdictions.

Interest Credited to Combined Motor Vehicle and Registration Account

House Bill 1688 provides that interest generated by the funds in the Combined Motor Vehicle and Registration Account shall be credited to the Account. This Account was created within the Treasurer's Office, effective January 1, 2006, and holds funds generated by 60% of the first month's interest collected on unpaid taxes on motor vehicles registered under the current staggered system.[2] This interest accrues at the rate of 5%. The North Carolina Association of County Commissioners was given authority to direct the Treasurer to distribute these funds for the purpose of developing and implementing the integrated computer system.

Transfer of Funds in the Combined Motor Vehicle and Registration Account

Current law gives the North Carolina Association of County Commissioners the authority to direct the Treasurer to distribute the funds in the Combined Motor Vehicle and Registration Account to DMV for the purpose of developing and implementing the integrated computer system. HB 1688 deletes this language and adds language that the Office of State Budget and Management will direct the Treasurer to distribute the funds in the Account. However, the funds will not be transferred by OSBM and appropriated by the General Assembly until the Department of Transportation and the North Carolina Association of County Commissioners reach agreement on a project plan for the integrated system. Any funds remaining in the Account after the integrated system has been certified to be in operation, shall be distributed to the local governments on a pro rata basis determined by the first month's interest collected on the unpaid taxes on motor vehicles and paid into the Account by each local government.

EFFECTIVE DATE: Unless otherwise stated in the act, the act becomes effective July 1, 2010, or when the Division of Motor Vehicles and the Department of Revenue certify that the integrated computer system is in operation, whichever occurs first.

H1688e3-SMLA

[2] Under the current system, property taxes for the 12-month period that begins the first month following vehicle registration or renewal become due four months after the registration or renewal.

A BILL TO BE ENTITLED

AN ACT TO AMEND THE ALLOCATION AMONG LOCAL GOVERNMENTS OF THE TENNESSEE VALLEY AUTHORITY PAYMENT IN LIEU OF TAXES.

The General Assembly of North Carolina enacts:

SECTION 1. G.S. 105-458 reads as rewritten:

"**§ 105-458. Apportionment of payments in lieu of taxes between local units.**

The payments received by the State and local governments from the Tennessee Valley Authority in lieu of taxes under section 13 of the Act of Congress creating it, and as amended, shall be apportioned between the local governments in which the property is owned or an operation is carried on, on the basis of ~~the percentage of loss of taxes to each,~~each local government's percentage of the total value of the Authority's property in the State, determined as hereinafter provided: Provided, however, that the minimum annual payment to any local government from said fund, including the amounts paid direct to said local government by the Authority, shall not be less than the amount of annual actual tax loss to such local government based upon the two-year average on said property next prior to it being taken over by the Authority."

SECTION 2. G.S. 105-459 reads as rewritten:

"**§ 105-459. Determination of amount of taxes lost by virtue of T.V.A. operation of property; proration of funds.**

The Department of Revenue shall determine each year, on the basis of current tax laws, the ~~total taxes that would be due to both the State of North Carolina and the local governments~~allocation of the Authority's valuation among the local governments in the same manner as if the property owned ~~and/or~~or operated by the Authority were owned ~~and/or~~or operated by a privately owned public ~~utility: Provided, however, in making said calculations the Department of Revenue shall use the tax rate fixed by the local government unit and taxing district involved for the tax year next preceding such calculations.~~utility. The Department of Revenue and the Treasurer of the State of North Carolina shall then prorate the funds received from the Authority by the State and local

governments between the local governments upon the basis of the foregoing calculations."

SECTION 3. G.S. 105-461 reads as rewritten:

"**§ 105-461. Duty of county accountant, etc.**

The county accountant or other proper officer of each local government to which this Subchapter is applicable ~~shall:~~

~~(1) Certify to the Department of Revenue and the Treasurer of the State of North Carolina the tax rate fixed by the governing body of such local government immediately upon the fixing of the same:~~

~~(2)~~ ~~Certify~~ shall certify each month to the Treasurer of the State of North Carolina a statement of the amount received by the local government direct from the Authority.

No local government shall be entitled to receive its distributive share of said fund from the Treasurer of the State of North Carolina until the foregoing information has been properly furnished. If any such local government shall fail to furnish the information herein required within 10 days from and after receipt by it from the Department of Revenue of request for the same, forwarded by registered mail, then and in that event it shall be barred from participating in the benefits provided for the period for which the same is requested."

SECTION 4. This act becomes effective July 1, 2007.

HOUSE BILL 1036:
Amend Allocation of TVA Payment

BILL ANALYSIS

Committee:	Senate Finance	**Date:**	August 1, 2007
Introduced by:	Rep. Haire	**Summary by:**	Trina Griffin
Version:	Second Edition		Committee Counsel

SUMMARY: ***House Bill 1036 amends the allocation of payments made by the Tennessee Valley Authority to the State and local governments. The allocation will be made on the basis of each local government's percentage of the total value of the TVA property in the State (instead of on the basis of the percentage of loss of taxes to each local government.) In addition, when calculating the allocation of the TVA's valuation among the local governments, the Department of Revenue will no longer use the tax rate fixed by the local government.***

CURRENT LAW: Pursuant to federal law, the Tennessee Valley Authority (TVA) annually makes payments to the State and local governments in lieu of property taxes. These payments are apportioned between the local governments in which the property is owned or an operation is carried on, on the basis of the percentage of loss of taxes to each local government. The minimum annual payment to any local government cannot be less than the local government's annual actual tax loss based upon the two-year average on the property next prior to it being taken over by TVA.

Each year the Department of Revenue must determine the total taxes that would be due to both the State and the local governments in the same manner as if the property were owned and operated by a privately owned utility.[1] The amount is calculated based on the tax rate fixed by the local government.

BILL ANALYSIS: House Bill 1036 would apportion the payments made by TVA between the local governments on the basis of each local government's percentage of the total value of the TVA's property in the State. Each year the Department of Revenue will determine the allocation of the TVA's valuation among the local governments as if the property were owned or operated by a privately owned utility. The tax rate fixed by the local government will no longer be used in making this calculation. In the past, as local governments in the mountains dropped their tax rate as the value of property appreciated, the lower rate resulted in a lower payment from TVA. This was because the lower tax rate was applied to the book value of TVA property.

TVA property is located in the following North Carolina counties: Avery, Buncombe, Cherokee, Clay, Graham, Haywood, Henderson, Jackson, Macon, Madison, Mitchell, Swain, and Watauga.[2] TVA property is also located in the towns of Murphy in Cherokee County and Bryson City in Swain County.

EFFECTIVE DATE: July 1, 2007.

---

[1] DOR determines the true value of utilities using the following:

- The market value of the company's capital stock and debt.
- The book value of the company's system property as reflected in the books of account kept under the regulations of the appropriate federal or state regulatory agency and what it would cost to replace or reproduce the system property, less a reasonable allowance for depreciation.
- Gross receipts and operation income of the company.
- Any other information that in the judgment of the Department has a bearing on the true value of the company's system property.

[2] The counties of Cherokee, Swain, and Graham have the most TVA property.

BACKGROUND: The Tennessee Valley Authority (TVA) was created by Congress in 1933. This federal corporation is the largest public power company in the U.S. and manages the nation's fifth largest river. Beginning in July, 1940, federal law required the TVA to pay a percentage of their gross proceeds to State and local governments annually "in order to render financial assistance to those States and local governments in which the power operations of the Corporation [TVA] are carried on and in which the Corporation [TVA] has acquired properties previously subject to State and local taxation." Since 1948, payment has been 5% of the gross proceeds. These proceeds are derived from the sale of power by TVA for the preceding fiscal year. These payments are in lieu of taxation. The payments are apportioned among the States in the following manner:

One-half of the payment is apportioned by paying to each State the percentage thereof which the gross proceeds of the power sales by the TVA within the state during the preceding fiscal year bear to the total gross proceeds from all power sales by the TVA

The remaining one-half is apportioned by paying to each State the percentage thereof which the book value of the power property held by the TVA within the State at the end of the preceding fiscal year bears to the total book value of all the property held by the TVA.

A BILL TO BE ENTITLED

AN ACT TO DISTINGUISH BETWEEN SPECIAL PLATES ISSUED TO BRONZE STAR RECIPIENTS FOR MERITORIOUS SERVICE OR FOR VALOR IN COMBAT.

The General Assembly of North Carolina enacts:

SECTION 1. G.S. 20-79.4 is amended by adding a new subdivision to read:

"(b) Types. – The Division shall issue the following types of special registration plates:

...

(16a) Bronze Star Combat Recipient. – Issuable to a recipient of the Bronze Star Medal for valor in combat. The plate shall bear the emblem of the Bronze Star with a "Combat V" emblem and the words "Bronze Star." To be eligible for this plate, the applicant must provide documentation that the medal was issued for valor in combat.

...."

SECTION 2. This act is effective when it becomes law.

HOUSE BILL 206:
Bronze Star Special Plate Changes

BILL ANALYSIS

Committee:	Senate Finance	**Date:**	August 1, 2007
Introduced by:	Rep. Cleveland	**Summary by:**	Trina Griffin
Version:	Second Edition		Committee Counsel

SUMMARY: House Bill 206 would authorize the Division of Motor Vehicles to develop a new registration plate for recipients of the Bronze Star Medal for valor in combat. The plate would require the $10 special registration fee that is credited to the Special Registration Plate Account but would not require at least 300 applications.

The 2nd edition clarifies that the plate for a Bronze Star Combat Recipient is a new plate, which is slightly different from the current Bronze Star Recipient Plate.

CURRENT LAW: The Division of Motor Vehicles is authorized to issue more than 164 special license plates. As a general rule, the fee for a special registration plate is the regular vehicle registration fee plus a $10 special registration plate fee.[1] The Division may issue one free registration plate to a recipient of the Legion of Valor[2] award, a 100% disabled veteran, or an ex-prisoner of war. All other special registration plates, including additional Legion of Valor, 100% Disabled Veteran, and Ex-Prisoner of War plates, are subject to the regular motor vehicle registration fee of $28 and the additional special registration plate fee of $10.

The $10 special registration plate fee is credited to the Special Registration Plate Account. After deducting the cost of the plates from this account, $1,000,000 is annually appropriated to provide operating assistance for ten Visitor Centers.[3] The Centers are located in Brunswick, Camden, Carteret, Caswell, Columbus, Macon, McDowell, Transylvania, Tyrell, and Watauga Counties.[4] The remaining revenue in the account is transferred quarterly to the Department of Commerce for advertising (33%), the Department of Transportation for highway beautification (50%), and the Department of Human Resources to promote travel accessibility for disabled persons (17%).

The cost of some special plates includes a fee in addition to the $10 special registration plate fee. In those instances, the first $10 goes to the special registration plate fund and the remainder is transferred quarterly to designated beneficiaries of the additional fee amount.

A Bronze Star Recipient may receive a Bronze Star special plate upon payment of the regular registration fee and the $10 special registration plate fee without satisfying the 300 application requirement. This plate bears the emblem of the Bronze Star and the words "Bronze Star".

BILL ANALYSIS: House Bill 206 authorizes DMV to issue a new plate to a recipient of the Bronze Star Medial for valor in combat. The plate will be similar to the current Bronze Star recipient plate, except that it will also have a "Combat V" emblem. The applicant must provide documentation that the medal was issued for valor in combat and pay both the regular registration fee and the $10 special registration plate fee. The applicant does not have to meet the $300 application requirement.

---

[1] Aside from the three plates available free of charge, three special registration plates are exempt from the $10 special plate fee: active member of the National Guard, Purple Heart Recipient, and the Silver Star Recipient.

[2] The Legion of Valor plate is issuable to a recipient of one of the following: Congressional Medal of Honor, Distinguished Service Cross, Navy Cross, or Air Force Cross.

[3] There are 12 Visitors' Centers. The two centers that do not receive State funding are located in Dare County.

[4] Each Visitor's Center receives $100,000.

EFFECTIVE DATE: When it becomes law.

BACKGROUND: The Bronze Star Medal was established in 1944, retroactive to December 7, 1941. It is a United States Armed Forces individual military decoration and is the fourth highest award for bravery, heroism or meritorious service. The medal is awarded to any person who, while serving in any capacity in or with the military of the U.S. after December 6, 1941, distinguished himself or herself by heroic or meritorious achievement or service, not involving participation in aerial flight, while engaged in any of the following:

- An action against an enemy of the United States
- Military operations involving conflict with an opposing foreign force
- While serving with friendly foreign forces engaged in an armed conflict against an opposing armed force in which the United States is not a belligerent party.

A Valor or ("V") device is attached to the Bronze Star Medal if the award resulted from an act of combat heroism.

A BILL TO BE ENTITLED

AN ACT TO CHANGE ARTICLE 3A OF CHAPTER 20, SAFETY AND EMISSIONS INSPECTION PROGRAMS, TO ALLOW FOR ELECTRONIC INSPECTION PROCESSES AND AUTHORIZATION.

The General Assembly of North Carolina enacts:

SECTION 1. G.S. 20-66 reads as rewritten:

"**§ 20-66. Renewal of vehicle registration.**

(a) Annual Renewal. – The registration of a vehicle must be renewed annually. To renew the registration of a vehicle, the owner of the vehicle must file an application with the Division and pay the required registration fee. The Division may receive and grant an application for renewal of registration at any time before the registration expires.

(b) Method of Renewal. – When the Division renews the registration of a vehicle, it must issue a new registration card for the vehicle and either a new registration plate or a registration renewal sticker. The Division may renew a registration plate for any type of vehicle by means of a renewal sticker.

(b1) Repealed by Session Laws 1993, c. 467, s. 2.

(c) Renewal Stickers. – A registration renewal sticker issued by the Division must be displayed on the registration plate that it renews in the place prescribed by the Commissioner and must indicate the period for which it and the registration plate on which it is displayed are valid. Except where physical differences between a registration renewal sticker and a registration plate render a provision of this Chapter inapplicable, the provisions of this Chapter relating to registration plates apply to registration renewal stickers.

(d), (e) Repealed by Session Laws 1993 (Reg. Sess., 1994), c. 761, § 5.

(f) Repealed by Session Laws 1993, c. 467, s. 2.

(g) When Renewal Sticker Expires. – The registration of a vehicle that is renewed by means of a registration renewal sticker expires at midnight on the last day

of the month designated on the sticker. It is lawful, however, to operate the vehicle on a highway until midnight on the fifteenth day of the month following the month in which the sticker expired.

The Division may vary the expiration dates of registration renewal stickers issued for a type of vehicle so that an approximately equal number expires at the end of each month, quarter, or other period consisting of one or more months. When the Division implements registration renewal for a type of vehicle by means of a renewal sticker, it may issue a registration renewal sticker that expires at the end of any monthly interval.

(h) Repealed by Session Laws 2004-167, s. 3, as amended by Session Laws 2004-199, s. 59, effective January 1, 2006.

(i) Property Tax Consolidation. – When the Division receives an application under subsection (a) for the renewal of registration before the current registration expires, the Division shall grant the application if it is made for the purpose of consolidating the property taxes payable by the applicant on classified motor vehicles, as defined in G.S. 105-330. The registration fee for a motor vehicle whose registration cycle is changed under this subsection shall be reduced by a prorated amount. The prorated amount is one-twelfth of the registration fee in effect when the motor vehicle's registration was last renewed multiplied by the number of full months remaining in the motor vehicle's current registration cycle, rounded to the nearest multiple of twenty-five cents (25¢).

(j) Inspection Prior to Renewal of Registration. – The Division shall not renew the registration of a vehicle unless it has a current safety or emissions inspection.

(k) Return of Registration Plates Upon Expiration. – Registration plates that are not renewed shall be surrendered to the Division within 120 days of expiration."

SECTION 2. G.S. 20-183.2(c) reads as rewritten:

"(c) Definitions. – The following definitions apply in this Part:

(1) Electronic inspection authorization. – An inspection authorization that is generated electronically through the electronic accounting system that creates a unique nonduplicating authorization number assigned to the vehicle's inspection receipt upon successful passage of an inspection. The term 'electronic inspection authorization' shall include the term 'inspection sticker' during the transition period to use of electronic inspection authorizations.

~~(1)~~(2) Emissions county. – A county listed in G.S. 143-215.107A(c) or designated by the Environmental Management Commission pursuant to G.S. 143-215.107A(d) and certified to the Commissioner of Motor Vehicles as a county in which the implementation of a motor vehicle emissions inspection program will improve ambient air quality.

~~(2)~~(3) Federal installation. – An installation that is owned by, leased to, or otherwise regularly used as the place of business of a federal agency."

SECTION 3. G.S. 20-183.4 reads as rewritten:

"**§ 20-183.4. License required to perform safety inspection; qualifications for license.**

(a) License Required. – A safety inspection must be performed by one of the following methods:

(1) At a station that has a safety inspection station license issued by the Division and by a mechanic who is employed by the station and has a safety inspection mechanic license issued by the Division.

(2) At a place of business of a person who has a safety self-inspector license issued by the Division and by an individual who has a safety inspection mechanic license issued by the Division.

(b) Station Qualifications. – An applicant for a license as a safety inspection station must meet all of the following requirements:

(1) Have a place of business that has adequate facilities, space, and equipment to conduct a safety inspection. A place of business designated in a station license that has been suspended or revoked cannot be the designated place for any other license applicant during the period of the suspension or revocation, unless the Division finds that operation of the place of business as an inspection station during this period by the license applicant would not defeat the purpose of the suspension or revocation because the license applicant has no connection with the person whose license was suspended or revoked or because of another reason. A finding made by the Division under this subdivision must be set out in a written statement that includes the finding and the reason for the finding.

(2) Regularly employ at least one mechanic who has a safety inspection mechanic license.

(3) Designate the individual who will be responsible for the day-to-day operation of the station. The individual designated must be of good character and have a reputation for honesty.

(4) Have equipment and software to transfer information on safety inspections to the Division by electronic means. During the initial implementation of the electronic inspection process, the vendor selected by the Division shall provide the equipment and software at no cost to a station that holds a license on October 1, 2008.

(c) Mechanic Qualifications. – An applicant for a license as a safety inspection mechanic must meet all of the following requirements:

(1) Have successfully completed an eight-hour course approved by the Division that teaches students about the safety equipment a motor vehicle is required to have to pass a safety inspection and how to conduct a safety ~~inspection.~~inspection using equipment to electronically transmit the vehicle information and inspection results.

(2) Have a drivers license.

(3) Be of good character and have a reputation for honesty.

(d) Self-Inspector Qualifications. – An applicant for a license as a safety self-inspector must meet all of the following requirements:

(1) Operate a fleet of at least 10 vehicles that are subject to a safety inspection.
(2) Regularly employ or contract with an individual who has a safety inspection mechanic license and who will perform a safety inspection on the vehicles that are part of the self-inspector's fleet."

SECTION 4. G.S. 20-183.4A reads as rewritten:

"**§ 20-183.4A. License required to perform emissions inspection; qualifications for license.**

(a) License Required. – An emissions inspection must be performed by one of the following methods:

(1) At a station that has an emissions inspection station license issued by the Division and by a mechanic who is employed by the station and has an emissions inspection mechanic license issued by the Division.
(2) At a place of business of a person who has an emissions self-inspector license issued by the Division and by an individual who has an emissions inspection mechanic license.

(b) Station Qualifications. – An applicant for a license as an emissions inspection station must meet all of the following requirements:

(1) Have a license as a safety inspection station.
(2) Repealed by Laws 2000-134, s. 15, effective January 1, 2006.
(2a) Have equipment to analyze data provided by the on-board diagnostic (OBD) equipment approved by the Environmental Management Commission.
(3) Have equipment and software to transfer information on emissions inspections to the Division by electronic means. During the initial implementation of the electronic inspection process, the vendor selected by the Division shall provide the software at no cost to a station that holds a license on October 1, 2008.
(4) Regularly employ at least one mechanic who has an emissions inspection mechanic license.

(c) Mechanic Qualifications. – An applicant for a license as an emissions inspection mechanic must meet all of the following requirements:

(1) Have a license as a safety inspection mechanic.
(2) Repealed by Laws 2000-134, s. 15, effective January 1, 2006.
(2a) Have successfully completed an eight-hour course approved by the Division that teaches students about the causes and effects of the air pollution problem, the purpose of the emissions inspection program, the vehicle emission standards established by the United States Environmental Protection Agency, the emission control devices on vehicles, how to conduct an emissions inspection using equipment to analyze data provided by the on-board diagnostic (OBD) equipment approved by the Environmental Management Commission, and any other topic required by 40 C.F.R. § 51.367 to be included in the course. Successful completion requires a passing score on a written

test and on a hands-on test in which the student is required to conduct an emissions inspection of a motor vehicle.

(d) Self-Inspector Qualifications. – An applicant for a license as an emissions self-inspector must meet all of the following requirements:

(1) Have a license as a safety self-inspector.

(2) Operate a fleet of at least 10 vehicles that are subject to an emissions inspection.

(3) Repealed by Laws 2000-134, s. 15, effective January 1, 2006.

(3a) Have, or have a contract with a person who has, equipment to analyze data provided by the on-board diagnostic (OBD) equipment approved by the Environmental Management Commission.

(4) Regularly employ or contract with an individual who has an emissions inspection mechanic license and who will perform an emissions inspection on the vehicles that are part of the self-inspector's fleet."

SECTION 5. G.S. 20-183.4C(a) reads as rewritten:

"(a) Inspection. – A vehicle that is subject to a safety inspection, an emissions inspection, or both must be inspected as follows:

(1) A new vehicle must be inspected before it is sold at retail in this State. Upon purchase, a receipt approved by the Division must be provided to the new owner certifying compliance.

(2) A used vehicle must be inspected before it is offered for sale at retail in this State by a ~~dealer at a location other than a public auction.~~ dealer. Upon purchase, a receipt approved by the Division must be provided to the new owner certifying compliance.

~~(3) A used vehicle that is offered for sale at retail in this State by a dealer at a public auction must be inspected before it is offered for sale unless it has an inspection sticker that was put on the vehicle under this Part and does not expire until at least nine months after the date the vehicle is offered for sale at auction.~~

(4) A new or used vehicle acquired by a resident of this State from a ~~person~~ outside the State must be inspected within 10 days after the vehicle is registered with the Division.

(5) A vehicle owned by a new resident of this State who transfers the registration of the vehicle from the resident's former home state to this State must be inspected within 10 days after the vehicle is registered with the Division.

~~(5a) If the registration of a vehicle is transferred from a county that is not an emissions county to an emissions county, the vehicle must be inspected in accordance with this Part within 60 days of the transfer of registration.~~

(6) A vehicle that has been inspected in accordance with this Part must be inspected by the last day of the month in which the ~~inspection sticker~~registration on the vehicle ~~expires, unless another subdivision of this section requires it to be inspected sooner.~~expires.

(7) A vehicle that is required to be inspected in accordance with this Part may be inspected 90 days prior to midnight of the last day of the month as designated by the vehicle registration sticker.

(8) A new or used vehicle acquired from a retailer in this State and registered with the Division with a new registration or a transferred registration must be inspected in accordance with this Part when the current registration expires.

(9) A used vehicle acquired from a private sale in this State must be inspected in accordance with this Part within 30 days after the vehicle is registered with the Division or when the current registration expires if it has not received a passing inspection within the previous 12 months.

(10) An unregistered vehicle must be inspected within 30 days after the vehicle is registered with the Division or not later than 30 days after a transferred registration expires.

(11) A person who owns a vehicle located outside of this State when its emissions inspection becomes due may obtain an emissions inspection in the jurisdiction where the vehicle is located, in lieu of a North Carolina emissions inspection, as long as the inspection meets the requirements of 40 C.F.R. § 51."

SECTION 6. G.S. 20-183.4D reads as rewritten:

"**§ 20-183.4D. Procedure when a vehicle is inspected.**

(a) Receipt. – When a safety inspection mechanic or an emissions inspection mechanic inspects a vehicle, the mechanic must give the person who brought the vehicle in for inspection an inspection receipt. The inspection receipt must state the date of the inspection, identify the mechanic performing the inspection, identify the station or self-inspector where the inspection was performed, and list the components of the inspection performed and indicate for each component whether the vehicle passed or failed. A vehicle that fails a component of an inspection may be repaired at any repair facility chosen by the owner or operator of the vehicle.

(b) ~~Sticker.~~Electronic Inspection Authorization. – When a vehicle that is subject to a safety inspection only passes the safety inspection, the safety inspection mechanic who performed the inspection must ~~put an inspection sticker on the windshield of~~issue an electronic inspection authorization to the vehicle at the place designated by the Division. When a vehicle that is subject to both a safety inspection and an emissions inspection passes both inspections or passes the safety inspection and has a waiver for the emissions inspection, the emissions mechanic performing the inspection must ~~put an inspection sticker on the windshield of~~issue an electronic inspection authorization to the vehicle at the place designated by the Division.

~~(c) Content of Sticker. An inspection sticker issued for a vehicle that is subject to a safety inspection only must be a different color from an inspection sticker issued for a vehicle that is subject to both a safety and an emissions inspection. An inspection sticker must indicate when it expires, must be printed with a unique serial number and an official program seal, and must be counterfeit resistant. The side of an inspection~~

~~sticker that is readable from the interior of a vehicle must contain the following information:~~

~~(1) The date the inspection was performed.~~

~~(2) The odometer reading when the inspection was performed.~~

~~(3) The signature, initials, or other identification of the mechanic who performed the inspection and put the sticker on the windshield.~~

~~(d) When Sticker Expires. An inspection sticker put on a vehicle that did not have an inspection sticker issued under this Part when it was brought in for inspection expires at midnight on the last day of the twelfth month after the month the inspection sticker is put on the vehicle. An inspection sticker put on a vehicle that had an inspection sticker that was put on under this Part when it was brought in for inspection expires as follows:~~

~~(1) If the expiration date of the inspection sticker the vehicle had when it was brought in for inspection is less than 12 full months from the date of the inspection, the inspection sticker expires at midnight on the last day of the twelfth month after the month the inspection sticker is put on the vehicle.~~

~~(2) If the expiration date of the inspection sticker the vehicle had when it was brought in for inspection is 12 or more months from the date of the inspection, the inspection sticker expires one year after the expiration date of the inspection sticker the vehicle had when it was brought in for inspection, regardless of whether there are 12 months in this period.~~

(e) When Electronic Inspection Authorization Expires. – An electronic inspection authorization issued under this Part expires at midnight of the last day of the month designated by the vehicle registration sticker of the following year."

SECTION 7. G.S. 20-183.5 reads as rewritten:

"**§ 20-183.5. When a vehicle that fails an emissions inspection may obtain a waiver from the inspection requirement.**

(a) **(For amendment to subsection (a) effective January 1, 2006, see notes.)** Requirements. – The Division may issue a waiver for a ~~vehicle~~ vehicle, excluding a vehicle owned or being held for retail sale by a motor vehicle dealer, that meets all of the following requirements:

(1) Fails an emissions inspection because it passes the visual inspection but fails the analysis of exhaust emissions or the analysis of data provided by the on-board diagnostic (OBD) equipment.

(2) Has documented repairs costing at least the waiver amount made to the vehicle to correct the cause of the failure. The waiver amount is ~~seventy-five dollars ($75.00) if the vehicle is a pre-1981 model and is~~ two hundred dollars ~~($200.00) if the vehicle is a 1981 or newer model.~~($200.00).

(3) Is reinspected and again fails the inspection because it passes the visual inspection but fails the analysis of exhaust emissions or the

analysis of data provided by the on-board diagnostic (OBD) equipment.

(4) Meets any other waiver criteria required by 40 C.F.R. § ~~51.360.~~51.360, or as designated by the Division.

(b) Procedure. – To obtain a waiver, a person must contact a local enforcement office of the Division. Before issuing a waiver, an employee of the Division must review the inspection receipts issued for the inspections of the vehicle, review the documents establishing what repairs were made to the vehicle and at what cost, review any statement denying warranty coverage of the repairs made, and do a visual inspection of the vehicle, if appropriate, to determine if the documented repairs were made. The Division must issue a waiver if it determines that the vehicle qualifies for a waiver. A person to whom a waiver is issued must present the waiver to the self-inspector or inspection station performing the inspection to obtain an ~~inspection sticker.~~electronic inspection authorization.

(c) Repairs. – The following repairs and their costs cannot be considered in determining whether the cost of repairs made to a vehicle equals or exceeds the waiver amount:

(1) Repairs covered by a warranty that applies to the vehicle.

(2) Repairs needed as a result of tampering with an emission control device of the vehicle.

(3) ~~If the vehicle is a 1981 or newer model, repairs~~ Repairs made by an individual who is not professionally engaged in the business of repairing vehicles.

(4) OBD diagnostics without corresponding repairs.

(d) ~~Sticker Expiration.~~Electronic Inspection Authorization. – An ~~inspection sticker put on~~ electronic inspection authorization issued to a vehicle after the vehicle receives a waiver from the requirement of passing the emissions inspection expires at the same time it would if the vehicle had passed the emissions inspection."

SECTION 8. G.S. 20-183.5A reads as rewritten:

"**§ 20-183.5A. When a vehicle that fails a safety inspection because of missing emissions control devices may obtain a waiver.**

(a) Requirements. – The Division may issue a waiver for a vehicle that meets all of the following requirements:

(1) Fails a safety inspection because it does not have one or more emissions control devices.

(2) Has documented repairs within the previous calendar year to replace missing emissions control devices costing at least the waiver amount made to the vehicle to correct the cause of the failure. The waiver amount is ~~seventy-five dollars ($75.00) if the vehicle is a pre-1981 model and is~~ two hundred dollars ($200.00) if the vehicle is a ~~1981~~1996 or newer model.

(b) Procedure. – To obtain a waiver, a person must contact a local enforcement office of the Division. Before issuing a waiver, an employee of the Division must review the inspection receipts issued for the inspections of the vehicle, review the

documents establishing what repairs were made to the vehicle and at what cost, review any statement denying warranty coverage of the repairs made, and do a visual inspection of the vehicle, if appropriate, to determine if the documented repairs were made. The Division must issue a waiver if it determines that the vehicle qualifies for a waiver. A person to whom a waiver is issued must present the waiver to the self-inspector or inspection station performing the inspection to obtain an ~~inspection sticker.~~electronic inspection authorization.

(c) Repairs. – The following repairs and their costs cannot be considered in determining whether the cost of repairs made to a vehicle equals or exceeds the waiver amount:

(1) Repairs covered by a warranty that applies to the vehicle.

(2) Repairs needed as a result of tampering with an emission control device of the vehicle.

(3) ~~If the vehicle is a 1981 or newer model, repairs~~ Repairs made by an individual who is not professionally engaged in the business of repairing vehicles.

(d) Sticker Expiration. – An inspection sticker put on a vehicle after the vehicle receives a waiver from the requirement of passing the safety inspection expires at the same time it would if the vehicle had passed the safety inspection."

SECTION 9. G.S. 20-183.5A(d) reads as rewritten:

"(d) ~~Sticker~~Electronic Inspection Authorization Expiration. – An ~~inspection sticker put on~~ electronic inspection authorization issued to a vehicle after the vehicle receives a waiver from the requirement of passing the safety inspection expires at the same time it would if the vehicle had passed the safety inspection."

SECTION 10. G.S. 20-183.6 is repealed.

SECTION 11. G.S. 20-183.6A(a) reads as rewritten:

"(a) Division. – The Division is responsible for administering the safety inspection and the emissions inspection programs. In exercising this responsibility, the Division must:

(1) Conduct performance audits, record audits, and equipment audits of those licensed to perform inspections to ensure that inspections are performed properly.

(2) Ensure that Division personnel who audit license holders are knowledgeable about audit procedures and about the requirements of both the safety inspection and the emissions inspection programs.

(3) Perform an emissions inspection on a vehicle when requested to do so by a vehicle owner so the owner can compare the result of the inspection performed by the Division with the result of an inspection performed at an emissions inspection station.

(4) Investigate complaints about a person licensed to perform inspections and reports of irregularities in performing inspections.

(5) Establish written procedures for the issuance of ~~inspection stickers~~ electronic inspection authorizations to persons licensed to perform ~~inspections.~~electronic inspection authorizations.

(6) Submit information and reports to the federal Environmental Protection Agency as required by 40 C.F.R. Part 51.

(b) License Holders. – A person who is licensed by the Division under this Part must post the license at the place required by the Division and must keep a record of inspections performed. The inspection record must identify the vehicle that was inspected, indicate the type of inspection performed and the date of inspection, and contain any other information required by the Division. A self-inspector or an inspection station must send its records of inspections to the Division in the form and at the time required by the Division. An auditor of the Division may review the inspection records of a person licensed by the Division under this Part during normal business hours."

SECTION 12. G.S. 20-183.7 reads as rewritten:

"**§ 20-183.7. Fees for performing an inspection and ~~putting an inspection sticker on~~ issuing an electronic inspection authorization to a vehicle; use of civil penalties.**

(a) Fee Amount. – When a fee applies to an inspection of a vehicle or the issuance of an ~~inspection sticker,~~ electronic inspection authorization, the fee must be collected. The following fees apply to an inspection of a vehicle and the issuance of an ~~inspection sticker:~~electronic inspection authorization:

Type	Inspection	~~Sticker~~ Authorization
Safety Only	~~$ 8.25~~$12.75	$0.85
Emissions and Safety	23.75	6.25.

The fee for performing an inspection of a vehicle applies when an inspection is performed, regardless of whether the vehicle passes the inspection. The fee for an ~~inspection sticker~~ electronic inspection authorization applies when an ~~inspection sticker is put on~~ electronic inspection authorization is issued to a vehicle. ~~The fee for an inspection sticker does not apply to a replacement inspection sticker for use on a windshield replaced by a business registered with the Division pursuant to G.S. 20-183.6.~~ The fee for inspecting after-factory tinted windows shall be ten dollars ($10.00), and the fee applies only to an inspection performed with a light meter after a safety inspection mechanic determined that the window had after-factory tint. A safety inspection mechanic shall not inspect an after-factory tinted window of a vehicle for which the Division has issued a medical exception permit pursuant to G.S. 20-127(f).

A vehicle that is inspected at an inspection station and fails the inspection is entitled to be reinspected at the same station at any time within 30 days of the failed inspection without paying another inspection fee.

The inspection fee for an emissions and safety inspection set out in this subsection is the maximum amount that an inspection station or an inspection mechanic may charge for an emissions and safety inspection of a vehicle. An inspection station or an inspection mechanic may charge the maximum amount or any lesser amount for an emissions and safety inspection of a vehicle. The inspection fee for a safety only

inspection set out in this subsection may not be increased or decreased. The ~~sticker~~ authorization fees set out in this subsection may not be increased or decreased.

(b) Self-Inspector. – The fee for an inspection does not apply to an inspection performed by a self-inspector. The fee for ~~putting an inspection sticker on~~ issuing an electronic inspection authorization to a vehicle applies to an inspection performed by a self-inspector.

(c) Fee Distribution. – Fees collected for ~~inspection stickers~~ electronic inspection authorizations are payable to the Division of Motor Vehicles. The amount of each fee listed in the table below shall be credited to the Highway Fund, the Emissions Program Account established in subsection (d) of this section, the Telecommunications Account established in subsection (d1) of this section, the Volunteer Rescue/EMS Fund established in G.S. 58-87-5, the Rescue Squad Workers' Relief Fund established in G.S. 58-88-5, and the Division of Air Quality of the Department of Environment and Natural Resources:

Recipient	Safety Only ~~Sticker~~ Electronic Authorization	Emissions and Safety ~~Sticker~~ Electronic Authorization
Highway Fund	.55	.55
Emissions Program Account	.00	3.00
Telecommunications Account	.00	1.75
Volunteer Rescue/EMS Fund	.18	.18
Rescue Squad Workers' Relief Fund	.12	.12
Division of Air Quality	.00	.65

(d) Emissions Program Account. – The Emissions Program Account is created as a nonreverting account within the Highway Fund. The Division shall administer the Account. Revenue in the Account may be used only to fund the vehicle emissions inspection and maintenance program.

(d1) Telecommunications Account. – The Telecommunications Account is created as a nonreverting account within the Highway Fund. The Division shall administer the Account. Revenue in the Account may be used only to provide equipment and telecommunications services associated with the vehicle safety and emissions inspection and maintenance program.

(e) Civil Penalties. – Civil penalties collected under this Part shall be credited to the Highway Fund as nontax revenue.

(f) Inspection Stations Required to Post Fee Information. – The Division shall approve the form and style of one or more standard signs to be used to display the information required by this subsection. The Division shall require that one or more of the standard signs be conspicuously posted at each inspection station in a manner reasonably calculated to make the information on the sign readily available to each person who presents a motor vehicle to the station for inspection. The sign shall include the following information:

(1) The maximum and minimum amounts of the inspection fee authorized by this section.
(2) The amount of the inspection fee charged by the inspection station and a statement that clearly indicates that the amount of the inspection fee is determined by the inspection station, that the inspection fee is retained by the inspection station to compensate the station for performing the inspection, and that the inspection fee is not paid to the State.
(3) The amount of the ~~sticker~~ electronic inspection authorization fee, if the motor vehicle passes the inspection, a statement that the ~~sticker~~ electronic inspection authorization fee is paid to the State, and a brief summary of the purposes for which the ~~sticker~~ electronic inspection authorization fee is collected.
(4) The total fee to be charged if the motor vehicle passes the inspection.
(5) A statement that a vehicle that fails an inspection may be reinspected at the same station within 30 days of the inspection without payment of another inspection fee.

(g) Information on Receipt. – The information set out in subdivisions (1) through (5) of subsection (f) of this section shall be set out in not smaller than 12 point type and shall be shown graphically in the form of a pie chart on the inspection receipt.

(h) Subsections (f) and (g) of this section apply only to inspection stations that perform both emissions and safety inspections."

SECTION 13. G.S. 20-183.7B reads as rewritten:

"**§ 20-183.7B. Acts that are Type I, II, or III safety violations.**

(a) Type I. – It is a Type I violation for a safety self-inspector, a safety inspection station, or a safety inspection mechanic to do any of the following:

(1) ~~Put~~ Issue a safety ~~inspection sticker on~~ electronic inspection authorization to a vehicle without performing a safety inspection of vehicle.
(2) ~~Put~~ Issue a safety ~~inspection sticker on~~ electronic inspection authorization to a vehicle after performing a safety inspection of the vehicle and determining that the vehicle did not pass the inspection.
(3) Allow a person who is not licensed as a safety inspection mechanic to perform a safety inspection for a self-inspector or at a safety station.
(4) ~~Sell~~ Sell, issue, or otherwise give an ~~inspection sticker~~electronic inspection authorization to another, other than as the result of a vehicle inspection in which the vehicle passed the inspection.
(5) Be unable to account for five or more ~~inspection stickers~~electronic inspection authorizations at any one time upon the request of an officer of the Division.
(6) Perform a safety-only inspection on a vehicle that is subject to both a safety and an emissions inspection.
(7) Transfer an ~~inspection sticker~~electronic inspection authorization from one vehicle to another.

(8) Conduct a safety inspection of a vehicle without driving the vehicle and without raising the vehicle and without opening the hood of the vehicle to check equipment located therein.

(9) Solicit or accept anything of value to pass a vehicle other than as provided in this Part.

(b) Type II. – It is a Type II violation for a safety self-inspector, a safety inspection station, or a safety inspection mechanic to do any of the following:

(1) ~~Put~~ Issue a safety ~~inspection sticker on~~ electronic inspection authorization to a vehicle without driving the vehicle and checking the vehicle's braking reaction, foot brake pedal reserve, and steering free play.

(2) ~~Put~~ Issue a safety ~~inspection sticker on~~ electronic inspection authorization to a vehicle without raising the vehicle to free each wheel and checking the vehicle's tires, brake lines, parking brake cables, wheel drums, exhaust system, and the emissions equipment.

(3) ~~Put~~ Issue a safety ~~inspection sticker on~~ electronic inspection authorization to a vehicle without raising the hood and checking the master cylinder, horn mounting, power steering, and emissions equipment.

(4) Conduct a safety inspection of a vehicle outside the designated inspection area.

(5) ~~Put~~ Issue a safety ~~inspection sticker on~~ electronic inspection authorization to a vehicle with inoperative equipment, or with equipment that does not conform to the vehicle's original equipment or design specifications, or with equipment that is prohibited by any provision of law.

(6) ~~Put~~ Issue a safety ~~inspection sticker on~~ electronic inspection authorization to a vehicle without performing a visual inspection of the vehicle's exhaust system.

(7) ~~Put~~ Issue a safety ~~inspection sticker on~~ electronic inspection authorization to a vehicle without checking the exhaust system for leaks.

(8) ~~Put~~ Issue a safety ~~inspection sticker on~~ electronic inspection authorization to a vehicle that is required to have any of the following emissions control devices but does not have the device:

a. Catalytic converter.
b. PCV valve.
c. Thermostatic air control.
d. Oxygen sensor.
e. Unleaded gas restrictor.
f. Gasoline tank cap.
g. Air injection system.
h. Evaporative emissions system.
i. Exhaust gas recirculation (EGR) valve.

(9) ~~Put~~ Issue a safety ~~inspection sticker on~~ electronic inspection authorization to a vehicle after failing to inspect four or more of following:
a. Emergency brake.
b. Horn.
c. Headlight high beam indicator.
d. Inside rearview mirror.
e. Outside rearview mirror.
f. Turn signals.
g. Parking lights.
h. Headlights – operation and lens.
i. Headlights – aim.
j. Stoplights.
k. Taillights.
l. License plate lights.
m. Windshield wiper.
n. Windshield wiper blades.
o. Window tint.

(10) Impose no fee for a safety inspection of a vehicle or the issuance of a safety ~~inspection sticker~~ electronic inspection authorization or impose a fee for one of these actions in an amount that differs from the amount set in G.S. 20-183.7.

(c) Type III. – It is a Type III violation for a safety self-inspector, a safety inspection station, or a safety inspection mechanic to do any of the following:
(1) Fail to post a safety inspection station license issued by the Division.
(2) Fail to send information on safety inspections to the Division at the time or in the form required by the Division.
(3) Fail to post all safety information required by federal law and by the Division.
(4) Fail to put the required information on an ~~inspection sticker or~~ inspection receipt in a legible manner using ink.
(5) Issue a receipt that is signed by a person other than the safety inspection mechanic.
(6) Place an incorrect expiration date on an ~~inspection sticker.~~electronic inspection authorization.
(7) ~~Put~~ Issue a safety ~~inspection sticker on~~ electronic inspection authorization to a vehicle after having failed to inspect three or fewer of the following:
a. Emergency brake.
b. Horn.
c. Headlight high beam indicator.
d. Inside rearview mirror.
e. Outside rearview mirror.
f. Turn signals.

g. Parking lights.
h. Headlights – operation and lens.
i. Headlights – aim.
j. Stoplights.
k. Taillights.
l. License plate lights.
m. Windshield wiper.
n. Windshield wiper blades.
o. Window tint.

(d) Other Acts. – The lists in this section of the acts that are Type I, Type II, or Type III violations are not the only acts that are one of these types of violations. The Division may designate other acts that are a Type I, Type II, or Type III violation."

SECTION 14. G.S. 20-183.8 reads as rewritten:

"**§ 20-183.8. Infractions and criminal offenses for violations of inspection requirements.**

(a) Infractions. – A person who does any of the following commits an infraction and, if found responsible, is liable for a penalty of up to fifty dollars ($50.00):

(1) Operates a motor vehicle that is subject to inspection under this Part on a highway or public vehicular area in the State when the vehicle has not been inspected in accordance with this Part, as evidenced by the vehicle's lack of a current ~~inspection sticker~~electronic inspection authorization or otherwise.

(2) Allows an ~~inspection sticker~~electronic inspection authorization to be ~~put on~~ issued to a vehicle owned or operated by that person, knowing that the vehicle was not inspected before the ~~sticker~~ electronic inspection authorization was ~~attached~~ issued or was not inspected properly.

(3) ~~Puts~~ Issues an ~~inspection sticker~~ electronic inspection authorization on a vehicle, knowing or having reasonable grounds to know that an inspection of the vehicle was not performed or was performed improperly. A person who is cited for a civil penalty under G.S. 20-183.8B for an emissions violation involving the inspection of a vehicle may not be charged with an infraction under this subdivision based on that same vehicle.

(4) Alters the original certified configuration or data link connectors of a vehicle in such a way as to make an emissions inspection by analysis of data provided by on-board diagnostic (OBD) equipment inaccurate or impossible.

(b) Defenses to Infractions. – Any of the following is a defense to a violation under subsection (a) of this section:

(1) The vehicle was continuously out of State for at least the 30 days preceding the date the ~~inspection sticker~~electronic inspection authorization expired and a current ~~inspection sticker~~ electronic

inspection authorization was obtained within 10 days after the vehicle came back to the State.

(2) The vehicle displays a dealer license plate or a transporter plate, the dealer repossessed the vehicle or otherwise acquired the vehicle within the last 10 days, and the vehicle is being driven from its place of acquisition to the dealer's place of business or to an inspection station.

(3) Repealed by Session Laws 1997-29, s. 5.

(4) The charged infraction is described in subdivision (a)(1) of this section, the vehicle is subject to a safety inspection or an emissions inspection and the vehicle owner establishes in court that the vehicle was inspected after the citation was issued and within 30 days of the expiration date of the inspection sticker that was on the vehicle or the electronic inspection authorization was issued to the vehicle when the citation was issued.

(c) Felony. – A person who does any of the following commits a Class I felony:

(1) Forges an inspection ~~sticker.~~sticker or inspection receipt.

(2) Buys, sells, issues, or possesses a forged inspection ~~sticker.~~sticker or electronic inspection authorization.

(3) Buys, sells, issues, or possesses an ~~inspection sticker~~electronic inspection authorization other than as the result of either of the following:

a. Having a license as an inspection station, a self-inspector, or an inspection mechanic and obtaining the ~~inspection sticker~~ electronic inspection authorization from the Division through an electronic authorization vendor in the course of business.

b. A vehicle inspection in which the vehicle passed the inspection or for which the vehicle received a waiver.

(4) Solicits or accepts anything of value in order to pass a vehicle that fails a safety or emissions inspection.

(5) Fails a vehicle for any reason not authorized by law."

SECTION 15. G.S. 20-183.8A reads as rewritten:

"**§ 20-183.8A. Civil penalties against motorists for emissions violations.**

The Division shall assess a civil penalty against a person who owns or leases a vehicle that is subject to an emissions inspection and who does any of the following:

(1) Fails to have the vehicle inspected within four months after it is required to be inspected under this Part.

(2) Instructs or allows a person to tamper with an emission control device of the vehicle so as to make the device inoperative or fail to work properly.

(3) Incorrectly states the county of registration of the vehicle to avoid having an emissions inspection of the vehicle.

The amount of penalty is ~~one hundred dollars ($100.00) if the vehicle is a pre-1981 vehicle and~~ two hundred fifty dollars ~~($250.00) if the vehicle is a 1981 or newer model~~

~~vehicle.~~($250.00). As provided in G.S. 20-54, the registration of a vehicle may not be renewed until a penalty imposed under this section has been paid."

SECTION 16. G.S. 20-183.8C reads as rewritten:

"**§ 20-183.8C. Acts that are Type I, II, or III emissions violations.**

(a) Type I. – It is a Type I violation for an emissions self-inspector, an emissions inspection station, or an emissions inspection mechanic to do any of the following:

(1) ~~Put~~ Issue an emissions ~~inspection sticker~~ electronic inspection authorization on a vehicle without performing an emissions inspection of the vehicle.

(1a) ~~Put~~ Issue an emissions ~~inspection sticker on~~ electronic inspection authorization to a vehicle after performing an emissions inspection of the vehicle and determining that the vehicle did not pass the inspection.

(2) Use a test-defeating strategy when conducting an emissions ~~inspection, such as holding the accelerator pedal down slightly during an idle test, disconnecting or crimping a vacuum hose to effect a passing result,~~ inspection by changing the emission standards for a vehicle by incorrectly entering the vehicle type or model year, or using data provided by the on-board diagnostic (OBD) equipment of another vehicle to achieve a passing result.

(3) Allow a person who is not licensed as an emissions inspection mechanic to perform an emissions inspection for a self-inspector or at an emissions station.

(4) ~~Sell~~ Sell, issue, or otherwise give an ~~inspection sticker~~electronic inspection authorization to another other than as the result of a vehicle inspection in which the vehicle passed the inspection or for which the vehicle received a waiver.

(5) Be unable to account for five or more ~~inspection stickers~~ electronic inspection authorizations at any one time upon the request of an auditor of the Division.

(6) Perform a safety-only inspection on a vehicle that is subject to both a safety and an emissions inspection.

(7) Transfer an ~~inspection sticker~~ electronic inspection authorization from one vehicle to another.

(b) Type II. – It is a Type II violation for an emissions self-inspector, an emissions inspection station, or an emissions inspection mechanic to do any of the following:

(1) Use the identification code of another to gain access to an emissions analyzer or to equipment to analyze data provided by on-board diagnostic (OBD) equipment.

(2) Keep ~~inspection stickers and other~~ compliance documents in a manner that makes them easily accessible to individuals who are not inspection mechanics.

(3) ~~Put~~ Issue a safety ~~inspection sticker~~ electronic inspection authorization or an emissions ~~inspection sticker~~ electronic inspection authorization on a vehicle that is required to have one of the following emissions control devices but does not have it:
a. Catalytic converter.
b. PCV valve.
c. Thermostatic air control.
d. Oxygen sensor.
e. Unleaded gas restrictor.
f. Gasoline tank cap.
g. Air injection system.
h. Evaporative emissions system.
i. Exhaust gas recirculation (EGR) valve.

(4) ~~Put~~ Issue a safety ~~inspection sticker~~electronic inspection authorization or an emissions ~~inspection sticker~~ electronic inspection authorization on a vehicle without performing a visual inspection of the vehicle's exhaust system and checking the exhaust system for leaks.

(5) Impose no fee for an emissions inspection of a vehicle or the issuance of an emissions ~~inspection sticker~~ electronic inspection authorization or impose a fee for one of these actions in an amount that differs from the amount set in G.S. 20-183.7.

(c) Type III. – It is a Type III violation for an emissions self-inspector, an emissions inspection station, or an emissions inspection mechanic to do any of the following:

(1) Fail to post an emissions license issued by the Division.

(2) Fail to send information on emissions inspections to the Division at the time or in the form required by the Division.

(3) Fail to post emissions information required by federal law to be posted.

~~(4) Fail to put the required information on an inspection sticker in a legible manner using ink.~~

(5) Fail to put the required information on an inspection receipt in a legible manner.

~~(6) Fail to maintain a maintenance log for an emissions analyzer or for equipment to analyze data provided by on-board diagnostic (OBD) equipment.~~

(d) Other Acts. – The lists in this section of the acts that are Type I, Type II, or Type III violations are not the only acts that are one of these types of violations. The Division may designate other acts that are a Type I, Type II, or Type III violation."

SECTION 16.1. The Division may utilize the vendor currently providing services for the emissions stations to help implement the provisions of this act.

SECTION 16.2. The Division shall report on the progress of implementing this act to the Joint Legislative Transportation Oversight Committee by May 1, 2008.

SECTION 17. This act becomes effective October 1, 2008, and applies to offenses committed on or after that date.

Introduced by:	Rep. Cole	**Summary by:**	Trina Griffin
Version:	Third Edition		Committee Counsel

SUMMARY: House Bill 679 does the following:

- ***Aligns the date of a vehicle inspection with the date of registration renewal.***
- ***Requires that a vehicle pass inspection before the registration may be renewed.***
- ***Moves the safety inspection stations to an electronic reporting system like the emissions inspection stations.***
- ***Increases the safety inspection fee from $8.25 to $12.75.***
- ***Amends the statutes governing waiver of inspection requirements.***

This bill would become effective October 1, 2008.

CURRENT LAW: Safety and emissions inspections are evidenced by a sticker placed on a vehicle's windshield.

BILL ANALYSIS: House Bill 679 establishes a new electronic safety and emissions vehicle inspection process. DMV will no longer issue a sticker to go on the windshield. Instead the customer will receive a receipt showing successful completion of the inspection. The fee for issuing an electronic inspection authorization for safety only will increase from $8.25 to $12.75. **(Section 12).**

Section 1 of the bill requires a vehicle to have a current safety or emissions inspection prior to renewal of registration, and requires registration plates that are not renewed to be surrendered within 120 days of expiration.

Section 2 of the bill defines "electronic inspection authorization."

Section 3 of the bill requires applicants for a license as a safety inspection station to have equipment and software to transfer information on safety inspections to DMV electronically, and requires an applicant for a safety inspection mechanic license to have training in use of the system. The equipment and software will be provided a no cost to a licensed safety inspection station during the initial implementation of the electronic inspection process. The station must hold a license on October 1, 2008.

Section 4 of the bill specifies that during the initial implementation of the electronic inspection process, the vendor selected by the Division must provide the software at no cost to an emissions inspection station that holds a license on October 1, 2008.

Section 5 of the bill requires sellers of new and used vehicles to be given a receipt certifying compliance with the electronic inspection process, and provides deadlines for inspection of vehicles acquired by various specified methods.

Section 6 of the bill authorizes electronic safety and emissions inspections, and eliminates the requirement for an inspection sticker. This section provides that inspections shall expire at midnight of the last day of the month of the month designated by the vehicle registration sticker of the following year.

Sections 7 of the bill provides that a vehicle (except a vehicle owned or being held for retail sale by a motor vehicle dealer) may obtain a waiver from the emissions inspection if the vehicle meets all of the following requirements:

- Fails the analysis part of an emission inspection
- Has documented repairs costing at least $200 to correct the failure. (currently repairs of $75 if the vehicle is a pre-1981 model and $200 if the vehicle is a 1981 or newer model)
- Is reinspected and again fails the analysis part of the inspection
- Meets any other waiver criteria required by federal regulations or designated by DMV.

Section 8 of the bill provides that a vehicle may obtain a waiver from a safety inspection if it meets all of the following requirements:

- Fails a safety inspection because it does not have an emissions control device.
- Has documented repairs costing $200 if the vehicle is a 1996 or newer model (currently repairs of $75 if the vehicle is a pre-1981 model and $200 if the vehicle is a 1981 or newer model.)

Section 9 provides that an electronic inspection authorization issued to a vehicle that received a waiver expires the same time it would if the vehicle had passed the safety inspection.

Section 10 is a conforming change. It repeals G.S. 20-183.6, which currently requires businesses that replace windshields to register with DMV to get inspection stickers.

Section 11 of the bill makes conforming changes.

Sections 13-16 of the bill make conforming changes.

EFFECTIVE DATE: This act becomes effective October 1, 2008, and applies to offenses committed on or after that date.

Giles Perry, counsel to House Transportation, and Martha Walston, counsel to House Finance, substantially contributed to this summary.

**This fiscal analysis is independent of the impact of other criminal penalty bills being considered by the General Assembly, which could also increase the projected prison population and thus the availability of prison beds in future years. The Fiscal Research Division is tracking the cumulative effect of all criminal penalty bills on the prison system as well as the Judicial Department.*

BILL SUMMARY: This act amends G.S. 20-183.4 to require that vehicle inspection stations' personnel transmit information on safety and emissions inspections to the Division of Motor Vehicles (DMV) electronically. The safety inspection stations will be required to have the appropriate communications equipment necessary to transmit information electronically provided by a vendor contracted by the Division of Motor Vehicles. This act requires that an electronic authorization will occur in lieu of a physical sticker affixed to the vehicle's windshield. That electronic authorization information will be maintained and connected to the Vehicle Identification Database managed by DMV through contractual services.

A vehicle's safety inspection and registration term will expire together during the same month annually and the inspection must be completed prior to a vehicle registration renewal is allowed.

Effective October 1, 2008, the fee amount charged to customers for a safety-only inspection will be increased from $8.25 to $12.75. This fee is the inspection station's payment for inspection services paid for by the customer.

The third edition (House committee substitute) makes the following changes to the second:

- Modifies proposed G.S. 20-183.4(b)(4) (safety inspections) to:
    1. Provide that the station must have software as well as equipment, and
    2. Provide that during the initial implementation of the electronic inspection process, the vendor must provide the equipment and software at no cost to a station that holds a license on October 1, 2008.
- Modifies proposed amendments to G.S. 20-183.4A(b)(3) (emissions inspections) to:
    1. Provide that the station must have software as well as equipment, and
    2. Provide that during the initial implementation of the electronic inspection process, the vendor must provide the software (but not equipment) at no cost to a station that holds a license on October 1, 2008.
- Modifies proposed amendments to G.S. 20-183.4C(a) by providing that an out-of-state emissions inspection is allowed for a vehicle located outside NC when its inspection becomes due as long as the inspection meets specified federal standards.
- Authorizes the Division of Motor Vehicles (DMV) to utilize its current emissions vendor to implement the act and requires DMV to report by May 1, 2008, on its progress in implementing the act to the Joint Legislative Transportation Oversight Committee.
- Makes technical corrections by updating the version of G.S. 20-183.4A being amended.
- Makes technical and conforming changes to G.S. 20-183.7 and GS 20-183.7B.
- Changes the effective date from January 1, 2009 to October 1, 2008.

ASSUMPTIONS AND METHODOLOGY:

I. ELECTRONIC INSPECTION AUTHORIZATION

Department of Transportation, Division of Motor Vehicles:

- There will be a contract by DMV and the vendor to provide the current inspection stations with electronic communications equipment necessary for electronic stickers and upgrade the vendor's existing system. The Division and current vendor for emission inspections transmissions estimate this amount to be $11,611,000. This analysis assumes contract with the vendor to cost $1,800,000 beginning in FY2007-2008 and would continue for approximately 6.5 years. The Division intends to pay the vendor out of receipts generated by emissions

inspections and paid into the "Telecommunications" account established in law and paid for through fees by the customer. That account currently generates $1.75 per emissions inspection, of which $1.30 covers the cost to transmit current data from emissions inspections stations. The difference of .45 cents will be used to fund the contract with the vendor to automate the safety-only inspections.

- There will be costs associated with information technology upgrades and reprogramming for the proposed changes to the VID system managed by DMV. Most of the IT charges will occur in the first year in anticipation of issuing electronic authorizations for vehicle inspections in October 2008. The above costs show 75% of the one time charges in FY2007-2008 for 25% of those charges in FY2008-2009.
- There will be savings to DMV for discontinuing the purchase of the paper stickers from a vendor. This represents a savings of $345,296 annually for no longer purchasing the paper stickers. The FY2008-2009 amount above is prorated based on October 2008 effective date.
- There will be savings to DMV for discontinuing the reimbursement to local tag agents for the provision of the paper stickers to the inspection stations. The DMV will no longer reimburse license plate agents at $1.43 per transaction for this service. The annual savings is $106,755 and the prorated amount is reflected in FY2008-2009 based on the October 1, 2008 effective date.
- It is assumed that the compliance rate for vehicle emissions and safety-only inspections will increase as a result of linking the requirement for the inspection to the vehicle registration. DMV estimates that compliance will increase to 97% for both inspections. This will result in increased revenues of approximately $1,736,089 annually. Those fees go into the Highway Fund, Emissions Program, Telecommunication Account, Volunteer Rescue/EMS, Rescue Squad Workers Relief fund, and Division of Air Quality.
- The increase in the inspection fee amount from $8.25 to $12.75 will be borne by the customer who will pay the amount to the inspection station; there will be no fiscal impact to the DMV for this fee increase. DMV estimates that 97% compliance for safety-only inspections would produce 2,879,928 vehicles inspected annually; the increase in the fee of $4.50 would generate $12,959,676 for safety inspection stations.

II. Infractions & Criminal Offenses

By amending G.S. 20-183.8 to accommodate the proposed electronic inspection authorization process, H.B. 679 alters the scope of infractions and offenses for violations of inspection requirements. Specifically, the inclusion of electronic inspection authorizations, inspection receipts, or issuance thereof, expands several (subdivisions (1) through (3)) Class I felony offenses within subsection (c):

(c)(1): Makes it a Class I felony to forge an inspection receipt.

(c)(2): Makes it a Class I felony to issue a forged inspection sticker, or to buy, sell, issue, or possess a forged electronic inspection authorization.

(c)(3): Makes it a Class I felony to buy, sell, issue, or possess an electronic inspection authorization, other than through certain means/conditions.

However, based on the small number of charges and convictions under current G.S. 20-183.8(c)(2) – twenty-one (21) defendants charged in CY 2006, and no (0) convictions in FY 2004/05 – and present lack of offense codes for offenses under subdivisions (c)(1) and (c)(3), Fiscal Research does not anticipate a significant number of additional criminal charges or convictions due to this legislation.[1]

[1] The Administrative Office of the Courts currently does not maintain offense codes for the offenses listed in G.S. 20-183.8 (c)(1) or (c)(3); such lack of offense code may indicate that these offenses are infrequently charged and infrequently result in conviction.

Similarly, because this proposal would require an individual to obtain a current inspection for vehicle registration, the Division of Motor Vehicles expects the number of infractions (G.S. 20-183.8) and civil penalty assessments (G.S. 20-183.8A) to decrease by an unknown amount; however, the numbers of Type I, II, or III violations (sections 13 and 16) for which civil penalties may be assessed under G.S. 20-183.8B are expected to remain constant. **Consequently, the proposed changes should not have a significant impact on Corrections or the Courts.**

A BILL TO BE ENTITLED

AN ACT AUTHORIZING THE NORTH CAROLINA MANUFACTURED HOUSING BOARD TO USE ALTERNATIVE METHODS FOR CRIMINAL HISTORY RECORD CHECKS OF APPLICANTS FOR LICENSURE UNDER THE LAWS REGULATING MANUFACTURED HOMES.

The General Assembly of North Carolina enacts:

SECTION 1. G.S. 143-143.10A(b) reads as rewritten:

"(b) All applicants for licensure shall consent to a criminal history record check. Refusal to consent to a criminal history record check may constitute grounds for the Board to deny licensure to an applicant. The Board shall ensure that the State and national criminal history of an applicant is checked. ~~The~~Applicants shall obtain criminal record reports from one or more reporting services designated by the Board to provide criminal record reports. Each applicant is required to pay the designated service for the cost of the criminal record report. In the alternative, the Board ~~shall be responsible for providing~~may provide to the North Carolina Department of Justice the fingerprints of the applicant to be checked, a form signed by the applicant consenting to the criminal record check and the use of fingerprints and other identifying information required by the State or National Repositories of Criminal Histories, and any additional information required by the Department of Justice. The Board shall keep all information obtained pursuant to this section confidential."

SECTION 2. This act is effective when it becomes law.

HOUSE BILL 1829:
Manufact. Housing Bd/Alt. Methods/Crim Checks

BILL ANALYSIS

Committee:	Senate Finance	**Date:**	August 1, 2007
Introduced by:	Rep. Harrison	**Summary by:**	Trina Griffin
Version:	First Edition		Committee Counsel

SUMMARY: House Bill 1829 would allow the North Carolina Manufactured Housing Board to accept criminal record reports conducted by private reporting services if the reporting service is designated by the Board to provide criminal record reports. The applicant for licensure by the Board would be responsible for paying the designated service for the cost of the report.

CURRENT LAW: The North Carolina Manufactured Housing Board requires that a person applying for licensure as a manufactured home manufacturer, dealer, salesperson, or set-up contractor consent to a criminal history record check. The Board must ensure that the State and national criminal history of an applicant is checked, and is responsible for providing the North Carolina Department of Justice with the applicant's fingerprints, a consent form signed by the applicant, and any additional information required by the N.C. Department of Justice. Currently a fingerprint card is submitted with the application for licensure.

The Board may charge the applicant a fee to cover the cost of the criminal record check. This fee is $55.

ANALYSIS: House Bill 1829 would allow the Board to accept criminal record reports that an applicant obtained from reporting services designated by the Board. The applicant would be required to pay the designated reporting service for the cost of the report. The report would be submitted with the application for licensure.

The North Carolina Real Estate Commission has similar authority to accept criminal record checks from designated reporting services.

EFFECTIVE DATE: The bill is effective when it becomes law.

PRINCIPAL DEPARTMENT(S) & PROGRAM(S) AFFECTED: N.C. Manufactured Housing Board; Department of Justice.

EFFECTIVE DATE: Effective when it becomes law.

BILL SUMMARY: Those applying to the North Carolina Manufactured Housing Board for licensure as a manufactured home manufacturer, dealer, salesperson, or set-up contractor must consent to a criminal history record check. The Board ensures that the applicant's State and national criminal histories are checked, and provides the N.C. Department of Justice with the applicant's fingerprints, a consent form signed by the applicant, and any additional information required (a fingerprint card is submitted with the application). The Board charges a fee of $55 to cover the cost of the criminal record check, $38 of which is remitted to the Department of Justice (see Assumptions and Methodology).

H.B. 1829 amends G.S. 143-143.10A(b) to specify that applicants obtain criminal record reports from reporting services designated by the Board. The applicant is required to pay the designated service for the cost of the report, which is submitted with the application for licensure. However, the bill also provides that the Board may alternatively provide an applicant's fingerprints, signed consent form, and other required information to the North Carolina Department of Justice to perform a criminal record check.

Source: Adapted from Bill Summary (H1829e1-SMLA) and Bill Digest H.B. 1829 (04/18/0200)

ASSUMPTIONS AND METHODOLOGY: Presently, the Board charges a fee of $55 to cover the cost of a criminal record check - $38 is remitted to the Department of Justice (SBI) and the remaining $17 is retained by the Board to cover associated costs. The State Bureau of Investigation (SBI) incurs the following costs for background checks conducted for non-criminal justice agencies:

NC Fingerprint Check:	$14
National Fingerprint Check:	$24 ($2 to DOJ, $22 remitted to the FBI)
Total:	$38

Costs to the SBI per state and national check average $19.46, not including overhead or equipment ($16 retained for administrative costs).[1]

In FY 2006-07, 398 new licenses were issued by the Board (a decrease of approx. 13% from FY06 and 35% from FY07). It is not known exactly how many record checks will be obtained from designated reporting services, in lieu of checks conducted by the Department of Justice. However, because fee proceeds largely offset the costs incurred by both the Department of Justice and the Manufactured Housing Board for record checks, no net change in revenues or expenditures is expected. Any decrease in the number of record checks (workload) will be accompanied by a decrease in fee proceeds.

SOURCES OF DATA: N.C. Manufactured Housing Board; Department of Justice.

TECHNICAL CONSIDERATIONS: Criminal histories received from SBI/FBI are confidential documents, which are reviewed by the Board and then separated from applications and locked in a secure location. However, it is unclear whether histories obtained from reporting services and submitted with applications are also confidential.

A BILL TO BE ENTITLED

AN ACT TO CLARIFY PROVISIONS IN THE LOCAL DEVELOPMENT ACT, TO CLARIFY URBAN PROGRESS ZONES AND AGRARIAN GROWTH ZONES, TO ALLOW MORE THAN ONE AGRARIAN GROWTH ZONE IN A COUNTY, TO CLARIFY WHEN THE LAST REPORT IS DUE FOR THE REPEALED LEE ACT CREDITS, TO MAKE TECHNICAL CHANGES CONCERNING THE TAX CREDITS FOR GROWING BUSINESSES; TO PROVIDE FOR PUBLICATION, MONITORING, AND REPORTING ON ECONOMIC DEVELOPMENT INCENTIVE CLAWBACKS; AND TO REQUIRE CLAWBACK PROVISIONS IN LOCAL ECONOMIC DEVELOPMENT AGREEMENTS.

The General Assembly of North Carolina enacts:

SECTION 1. G.S. 158-7.1(b)(4) reads as rewritten:

"(b) A county or city may undertake the following specific economic development activities. (This listing is not intended to limit by implication or otherwise the grant of authority set out in subsection (a) of this section). The activities listed in this subsection may be funded by the levy of property taxes pursuant to G.S. 153A-149 and G.S. 160A-209 and by the allocation of other revenues whose use is not otherwise restricted by law.

...

(4) A county or city may ~~acquire or construct one or more "shell buildings", which are structures of flexible design adaptable for use by a variety of industrial or commercial businesses. A county or city may convey or lease a shell building or space in a shell building pursuant to subsection (c) of this section.~~acquire, construct, convey, or lease a building suitable for industrial or commercial use."

SECTION 2. G.S. 143B-437.09(a) reads as rewritten:

"(a) Urban Progress Zone Defined. – An urban progress zone is an area that meets all of the following conditions:

(1) It is comprised of part or all of one or more contiguous census tracts, census block groups, or both, ~~or parts thereof,~~ in the most recent federal decennial ~~census that meets all conditions in this subsection.~~census.

~~(1)~~(2) All ~~land within the zone~~ of the area is located in whole within the primary corporate limits of a municipality with a population ~~of more than~~ in excess of 10,000 according to the most recent annual population estimates certified by the State Budget Officer.

~~(2)~~(3) Every census tract and census block group that ~~composes part of the zone~~ comprises the area meets at least one of the following conditions:

a. ~~More~~ It has a population that meets the poverty level threshold. The population of a census tract or census block group meets the poverty level threshold if more than twenty percent (20%) of its population is below the poverty level according to the most recent federal decennial census.

b. ~~At~~ It is located adjacent to a census tract or census block group whose population meets the poverty level threshold and at least fifty percent (50%) of the ~~area of the portion that is within the primary corporate limits of the municipality~~ part of it that is included in the area is zoned as ~~nonresidential and the census tract or census block group is adjacent to a census tract or block group of which at least twenty percent (20%) of the population is below the poverty level.~~nonresidential. No more than thirty-five percent (35%) of the area of a zone may consist of census tracts or census block groups that satisfy this condition only.

c. It has a population that has a poverty level that is greater than the poverty level of the population of the State and a per capita income that is at least ten percent (10%) below the per capita income of the State according to the most recent federal decennial census, and it has experienced a major plant closing and layoff within the past ten years. A census tract or census block group has experienced a major plant closing and layoff if one of its industries has closed one or more facilities in the census tract or census block group resulting in a layoff of at least 3,000 employees working in the census tract or census block group and if the number of employees laid off is greater than seven percent (7%) of the population of the municipality according to the most recent federal decennial census.

~~(3) The area of the zone zoned as nonresidential does not exceed thirty-five percent (35%) of the total area of the zone.~~"

SECTION 3. G.S. 143B-437.10 reads as rewritten:

"**§ 143B-437.10. Agrarian growth zone designation.**

(a) Agrarian Growth Zone Defined. – An agrarian growth zone is an area that meets all of the following conditions:

(1) It is comprised of one or more contiguous census tracts, census block groups, or both, in the most recent federal decennial ~~census that meets all conditions in this subsection. A county may have no more than one agrarian growth zone.~~ census.

~~(1)~~(2) All ~~land within the zone~~ of the area is located in whole within a county that has no municipality with a population in excess of ~~10,000.~~10,000 according to the most recent annual population estimates certified by the State Budget Officer.

~~(3) The area of the zone less the smallest census tract included in the zone does not exceed five percent (5%) of the total area of the county in which the zone is located.~~

(b) Limitation and Designation. – The area of a county that is included in one or more agrarian growth zones shall not exceed five percent (5%) of the total area of the county. Upon application of a county, the Secretary of Commerce shall make a written determination whether an area is an agrarian growth zone that satisfies the conditions ~~and limitations~~ of subsection (a) of this section. The application shall include all of the information listed in this subsection. A determination under this section is effective until December 31 of the year following the year in which the determination is made. The Department of Commerce shall publish annually a list of all ~~urban progress~~ agrarian growth zones with a description of their boundaries.

(1) A map showing the census tracts and block groups that would comprise the zone.

(2) A detailed description of the boundaries of the area that would comprise the zone.

(3) A certification regarding the size of the proposed zone.

(4) Detailed census information on the county and the proposed zone.

(5) A resolution of the board of county commissioners requesting the designation of the area as an agrarian growth zone.

(6) Any other material required by the Secretary of Commerce.

(c) Parcel of Property Partially in Agrarian Growth Zone. – For the purposes of this section, a parcel of property that is located partially within an agrarian growth zone is considered entirely within the zone if all of the following conditions are satisfied:

(1) At least fifty percent (50%) of the parcel is located within the zone.

(2) The parcel was in existence and under common ownership prior to the most recent federal decennial census.

(3) The parcel is a portion of land made up of one or more tracts or tax parcels of land that is surrounded by a continuous perimeter boundary."

SECTION 4. G.S. 105-129.2A(d) reads as rewritten:

"(d) Report. – The Department of Commerce shall report the results of these studies and its recommendations to the General Assembly biennially with the first report due by April 1, ~~2001.~~2001, and the last report due by June 1, 2007."

SECTION 5. G.S. 105-129.2A(a) reads as rewritten:

"(a) Sunset. – This Article is repealed ~~effective~~ for business activities that occur in taxable years beginning on or after January 1, 2007."

SECTION 6. Article 10 of Chapter 143B of the General Statutes is amended by adding the following new sections to read:

"**§ 143B-435.1. Clawbacks.**

(a) Clawback Defined. – For the purpose of this Article, a clawback is a requirement that all or part of an economic development incentive will be returned or forfeited if the recipient business does not fulfill its responsibilities under the incentive law, contract, or both.

(b) Findings. – The General Assembly finds that in order for a clawback to be effective, there must be monitoring and reporting regarding the business' performance of its responsibilities and a mechanism for obtaining repayment if the clawback requiring the return of previously disbursed funding is triggered. Clawback provisions are essential to protect the State's investment in a private business and ensure that the public benefits from the incentive will be secured.

(c) Catalog. – The Department of Commerce shall catalog all clawbacks in State and federal programs it administers, whether provided by statute, by rule, or under a contract. The catalog must include a description of each clawback, the program to which it applies, and a citation to its source. The Department shall publish the catalog on its web site and update it every six months.

(d) Report. – The Department of Commerce shall report to the Revenue Laws Study Committee by April 1 and October 1 of each year on all clawbacks that have been triggered under programs it administers and its progress on obtaining repayments. The report must include the name of each business, the event that triggered the clawback, and the amount forfeited or to be repaid.

SECTION 7. G.S. 158-7.1 is amended by adding a new subsection to read:

"(h) Each economic development agreement entered into between a private enterprise and a city or county shall clearly state their respective responsibilities under the agreement. Each agreement shall contain provisions regarding remedies for a breach of those responsibilities on the part of the private enterprise. These provisions shall include a provision requiring the recapture of sums appropriated or expended by the city or county upon the occurrence of events specified in the agreement. Events that would require the city or county to recapture funds would include the creation of fewer jobs than specified in the agreement, a lower capital investment than specified in the agreement, and failing to maintain operations at a specified level for a period of time specified in the agreement."

SECTION 8. This act is effective when it becomes law.

Economic Development Modifications

BILL ANALYSIS

Committee:	Senate Finance	**Date:**	August 1, 2007
Introduced by:	Reps. Gibson, Owens, Daughtridge, Wainwright	**Summary by:**	Trina Griffin Committee Counsel
Version:	PCS to Second Edition H1595-CSSVx-65		

SUMMARY: ***In April, the Senate passed S1199 titled "Economic Development Modifications." This bill is currently in House Finance. The provisions of that bill have been incorporated into a proposed committee substitute for House Bill 1595 with a couple of additions. The Proposed Committee Substitute for House Bill 1595 does the following:***

- ***Clarifies in the Local Development Act a local government's authority to acquire, construct, convey, or lease buildings for industrial or commercial use.***
- ***Clarifies certain criteria for urban progress zones. It also expands the urban progress zones to address districts that have experienced massive layoffs.****
- ***Amends the provision providing how population is determined for agrarian growth zones and allows more than one agrarian growth zone in a county.***
- ***Requires a final Bill Lee Act report by the Department of Commerce on June 1, 2007, which is consistent with the Act's repeal.***
- ***Clarifies the effective date for tax credits available under the new Article 3J, Tax Credits for Growing Businesses.***
- ***Provides for publication, monitoring, and reporting on economic development incentive clawbacks.****
- ***Requires clawback provisions in local economic development agreements.****

CURRENT LAW & BILL ANALYSIS:

Section 1: Authority to Acquire, Construct, Convey, or Lease Certain Buildings

The Local Development Act of 1925 authorizes counties and cities to undertake specific economic development activities to be funded by the levy of property taxes and by the allocation of other revenues whose use is not otherwise restricted by law. Among those activities is the acquisition, construction, conveyance, or lease of "shell buildings," which are structures of flexible design adaptable for use by a *variety* of industrial or commercial businesses.

In light of a concern that the term "shell building" implies or is limited to buildings for general, nonspecific use only, this section eliminates that term. It clarifies that a local government may acquire, construct, convey, or lease any building for industrial or commercial use, regardless of whether the local government has a specific business entity in mind when it acquires, constructs, conveys, or leases a building.

* These provisions were not in S1199 when it passed the Senate.

Section 2: Clarification of Criteria for Urban Progress Zones

As mentioned above, Article 3J provides enhanced tax credits in "urban progress zones," which were designed to replace the development zones adopted under the Bill Lee Act. Development zones were intended to be areas of high poverty within cities. Over the years, it became clear that the development zones often included areas that were neither high poverty nor particularly urban. Under Article 3J, the intent is for UP zones to be more narrowly focused and subject to more stringent guidelines with respect to poverty.

An urban progress zone is an area comprised of one or more contiguous census tracts, census block groups, or both, or parts thereof, in the most recent federal decennial census that meets all of the following conditions:

(1) All land within the zone is located in whole within the primary corporate limits of a municipality with a population of more than 10,000 according to the most recent annual population estimates certified by the State Budget Officer.

(2) Every census tract and census block group that composes part of the zone meets at least one of the following conditions:

a. More than twenty percent (20%) of its population is below the poverty level according to the most recent federal decennial census.

b. At least fifty percent (50%) of the area of the portion that is within the primary corporate limits of the municipality is zoned as nonresidential and the census tract or census block group is adjacent to a census tract or block group of which at least twenty percent (20%) of the population is below the poverty level.

(3) The area of the zone zoned as nonresidential does not exceed thirty-five percent (35%) of the total area of the zone.

The current wording states that the area zoned as nonresidential may not exceed 35% of the total area of the zone. However, the original intent was not to limit zones to only those areas that have less than 35% nonresidential development, but rather to restrict the size of the zone that did not meet the poverty requirements. According to the Department of Commerce, the current wording makes it very difficult to create a workable zone, and they have requested that the statute be revised to more accurately reflect the original intent when the act passed last year.

Under the bill, that portion of the zone which is required to be at least 50% nonresidential and be adjacent to a tract or block group of which at least 20% of the population is at or below poverty level, cannot exceed 35% of the total area of the zone. Section 2 also rewrites the definition for clarity.

This section also expands the urban progress zone definition to address districts that have experienced massive layoffs.

Section 3: Agrarian Growth Zone Changes

In 2006, the General Assembly created a new package of State tax incentives to replace the Bill Lee Act for most taxpayers. As part of that package, the new Article 3J replaced development zones with urban progress (UP) zones and created a new type of zone called an agrarian growth (AG), which provides those areas with the same benefits provided to UP zones.

An AG zone must satisfy all of the following conditions:

1. It must be composed of contiguous census tracts or block groups located within a single county **that does not have any municipality with a population in excess of 10,000.**

2. Each census tract or block group in the zone must have more than 20% of its population below the poverty level.
3. The area of the zone, less its smallest census tract, may not exceed 5% of the total area of the county.

Section 3 would specify that the population estimate must be based on the most recent annual population estimates certified by the State Budget Officer. This is the same basis for determining population for qualification as an UP zone. This change would make the two statutes consistent with regard to determining population. Section 3 also removes the restriction that a county have no more than one agrarian growth zone, but maintains the overall 5% cap. That is, the area of a county included in one or more agrarian growth zones may not exceed 5%.

Section 4: Final Bill Lee Act Report by Department of Commerce

The Department of Commerce is required to make biennial reports on tax equity and the impact of the Bill Lee Act. With limited exception applicable to four specific industries, the Bill Lee Act is repealed effective for business activities that occur on or after January 1, 2007. Section 4 of the bill requires the Department of Commerce to provide a final report on June 1, 2007. Since there are only a few specific businesses that may continue to take Bill Lee credits until 2010, an study of those credits after 2007 would not be representative of the credits' impact or equity.

Section 5: Clarify Effective Date of Article 3J

The repeal of the Bill Lee Act applies to "business activities" occurring on or after January 1, 2007. The effective date of Article 3J, Tax Credits for Growing Businesses, is for "taxable years" beginning on or after January 1, 2007. Section 5 of the bill clarifies the effective date for Article 3J to avoid any possible gap where, for example, a business with its taxable year beginning on July 1 engaged in otherwise eligible "business activities" after January 1, 2007.

Section 6: Monitoring of Clawbacks

This section would require the Department of Commerce to publish, monitor, and report on economic development incentive clawbacks. Specifically, it must catalog all clawbacks in the State and federal programs it administers, including a description of each clawback, the program to which it applies, and a citation to its source. The report must be published and updated every six months.

Section 7: Clawback Provisions in Economic Development Agreements

This section would require economic development agreements entered into between a local government and a private enterprise to contain clawback provisions allowing the local government to recapture amounts appropriated or expended if certain events occur. These events must be specified in the agreement and would include the creation of fewer jobs, the investing of less capital, or the failure to maintain operations at a specified level.

EFFECTIVE DATE: This act is effective when it becomes law.

A BILL TO BE ENTITLED

AN ACT TO PROVIDE FOR AN INCREASE IN THE PENALTY SET FOR A RED LIGHT VIOLATION DETECTED BY A CAMERA; TO REQUIRE THAT THE CLEAR PROCEEDS OF EACH PENALTY COLLECTED BE TRANSFERRED TO THE LOCAL SCHOOL BOARD; TO DEFINE WHAT AMOUNTS MAY BE DEDUCTED FROM EACH PENALTY BY A MUNICIPALITY TO ARRIVE AT THE AMOUNT OF CLEAR PROCEEDS FROM EACH CIVIL PENALTY THAT MUST BE TRANSFERRED TO THE LOCAL SCHOOL BOARD; AND TO PERMIT A COLLECTION ASSISTANCE FEE TO BE COLLECTED FROM THE RESPONSIBLE PARTY IF THE CIVIL PENALTY IS NOT PAID WITHIN A SPECIFIED TIME.

The General Assembly of North Carolina enacts:

SECTION 1. G.S. 160A-300.1(c) reads as rewritten:

"**§ 160A-300.1. Use of traffic control photographic systems.**

...

(c) Municipalities may adopt ordinances for the civil enforcement of G.S. 20-158 by means of a traffic control photographic system, as described in subsection (a) of this section. Notwithstanding the provisions of G.S. 20-176, in the event that a municipality adopts an ordinance pursuant to this section, a violation of G.S. 20-158 at a location at which a traffic control photographic system is in operation shall not be an infraction. An ordinance authorized by this subsection shall provide that:

(1) The owner of a vehicle shall be responsible for a violation unless the owner can furnish evidence that the vehicle was, at the time of the violation, in the care, custody, or control of another person. The owner

of the vehicle shall not be responsible for the violation if the owner of the vehicle, within 30 days after the date of personal service or mailing of notification of the violation, furnishes the officials or agents of the municipality which issued the citation either of the following:

a. An affidavit stating the name and address of the person or company who had the care, custody, and control of the vehicle.

b. An affidavit stating that the vehicle involved was, at the time, stolen. The affidavit must be supported with evidence that supports the affidavit, including insurance or police report information.

(1a) Subdivision (1) of this subsection shall not apply, and the registered owner of the vehicle shall not be responsible for the violation, if notice of the violation is given to the registered owner of the vehicle more than 90 days after the date of the violation.

(2) A violation detected by a traffic control photographic system shall be deemed a noncriminal violation for which a civil penalty of ~~fifty dollars ($50.00)~~ seventy-five dollars ($75.00) shall be assessed, and for which no points authorized by G.S. 20-16(c) shall be assigned to the owner or driver of the vehicle nor insurance points as authorized by G.S. 58-36-65.

(3) The owner of the vehicle shall be issued a citation which shall clearly state when the penalty is due and the manner in which the violation may be ~~challenged, and the~~challenged. The owner shall comply with the directions on the citation. The citation shall be processed by officials or agents of the municipality and shall be forwarded by personal service or first-class mail to the address given on the motor vehicle registration. If the owner fails to pay the civil penalty or to respond to the citation within 30 days after the date the citation is served or mailed, ~~the time period specified on the citation,~~ the owner shall have waived the right to contest responsibility for the violation, and shall be subject to a civil penalty not to exceed one hundred dollars ($100.00). The municipality may establish procedures for the collection of these penalties and may enforce the penalties by civil action in the nature of debt.

(4) The municipality shall institute a nonjudicial administrative hearing to review objections to citations or penalties issued or assessed under this section.

(5) The clear proceeds from the citations issued pursuant to an ordinance authorized by this section shall be paid to the local school board. For the purposes of determining the clear proceeds derived from the citations, the following expenses, not to exceed ten percent (10%) of the civil penalty assessed pursuant to subdivision (2) of this subsection, are authorized to be deducted from each civil penalty

assessed pursuant to the provisions of subdivision (2) of this subsection:

a. The cost of materials and postage directly related to the printing and mailing of the first and second notices sent to the owner and, if necessary, the driver of the vehicle.

b. The cost of computer services directly related to the production and mailing of the notices described in sub-subdivision a. of this subdivision.

(6) The municipality may assess a collection assistance fee against the owner and, if necessary, driver of the vehicle under the conditions in this subdivision. Amounts collected must be credited first to the payment of the civil penalty and then to collection assistance fee. The conditions are as follows:

a. The civil penalty has not been paid within 30 days after the personal service or first-class mailing of a second notice that the penalty is due. The second notice must be served or mailed no sooner than 30 days after the day the first notice was served or mailed and must contain a notice stating that a collection assistance fee will be assessed if the penalty is not paid within 30 days after the service or mailing of the second notice, the date when the collection assistance fee will be assessed, and the amount of the collection assistance fee. The collection assistance fee shall not exceed twenty percent (20%) of the civil penalty assessed pursuant to subdivision (2) of this subsection.

b. Collection assistance fees shall be placed in a separate fund that may be used only for the purpose of paying for the costs of collection expended to collect civil penalties that remain unpaid 30 days after the service or mailing of the second notice required pursuant to sub-subdivision a. of this subdivision."

SECTION 2. G.S. 160A-300.1(d) reads as rewritten:

"(d) This section applies only to the Cities of Albemarle, Charlotte, Durham, Fayetteville, Greensboro, Greenville, High Point, Locust, Lumberton, Newton, Rocky Mount, and Wilmington, to the Towns of Chapel Hill, Cornelius, Huntersville, Matthews, Nags Head, Pineville, and Spring Lake, and to the municipalities in Union County."

SECTION 3. Section 1 of this act applies to the Cities of Albemarle, Charlotte, Durham, Fayetteville, Locust, and Rocky Mount and to the municipalities in Union County."

SECTION 4. This act becomes effective September 1, 2007, and applies to offenses committed on or after that date.

HOUSE BILL 1228:
Stop Light Cameras in Certain Municipalities

BILL ANALYSIS

Committee:	Senate Finance	**Date:**	August 1, 2007
Introduced by:	Rep. Gibson	**Summary by:**	Trina Griffin
Version:	PCS to Fifth Edition H1228-CSSVf-64		Committee Counsel

SUMMARY: The 5th Edition of House Bill 1228 is a local act applicable to the Cities of Albemarle, Fayetteville, Locust, Monroe, and Rocky Mount and to the Towns of Marshville and Wingate.[1] It amends the legislation authorizing the use of cameras to identify and penalize persons who violate the red light statute. The bill raises the civil penalty, changes provisions regarding notice to the violator, specifies the deductions a municipality may make from the civil penalty in arriving at the amount that must be paid to the local school board as required by the North Carolina Constitution, and authorizes the assessment of a collection assistance fee that may collected from a violator in certain circumstances.

The Proposed Committee Substitute would also make this act applicable to the cities of Charlotte and Durham and to all municipalities in Union County.[2]

CURRENT LAW: G.S. 160A-300.1 authorizes certain municipalities to use traffic control photographic systems to enforce the State law prohibiting a driver from entering an intersection when a traffic light is emitting a steady red signal.[3] The owner is notified of the violation and must pay the civil penalty of $50.00 in the time specified by the ordinance. If the penalty is not paid within the time specified, it is increased to $100.00, and the right to contest the citation is forfeited. (The municipality is required to establish a nonjudicial administrative hearing process to allow the citation and penalty to be contested.) There is no provision in the statute regarding the constitutional requirement that the clear proceeds of such penalties must be paid to the local school board. (Article IX, Section 7.)

BILL ANALYSIS: House Bill 1228 amends G.S. 160A-300.1(c) as follows:

- Raises the civil penalty from $50.00 to $75.00.
- Requires the citation to state when the penalty is due.
- Specifies that the increase in the civil penalty and the loss of appeal rights occurs if payment is not made within 30 days after the citation is served or mailed.
- Specifies that the clear proceeds must be paid to the local school board, subject only to deductions for costs of materials and postage directly related to the printing and mailing of required notices and computer services directly related to the production and mailing of the notices. The deductions may not exceed 10% of the $75.00 civil penalty.
- Authorizes the assessment of a "collection assistance fee," not to exceed 20% of the $75.00 civil penalty, if the civil penalty has not been paid 30days after a second notice.

---

[1] The City of Monroe and the Towns of Marshville and Wingate are located in Union County.

[2] The other municipalities in Union County are: Hemby Bridge, Indian Trail, Lake Park, Marvin, Mineral Springs, Stallings, Unionville, Waxhaw, Weddington, and Wesley Chapel.

[3] G.S. 20-158.

- Requires the proceeds from the collection assistance fee to be placed in a separate fund to be used only for collection expenses related to civil penalties that remain unpaid after the second notice.

EFFECTIVE DATE: Effective September 1, 2007, and applies to offenses committed on or after that date.

BACKGROUND: There are 20 municipalities, plus all the municipalities in Union County, authorized to operate "red light camera" systems. Most of the ordinances do not specify that the clear proceeds of the penalties must go to the local school board, pursuant to Article IX, Section 7 of the North Carolina Constitution. A few do specify this, but allow virtually all costs of operating the system to be deducted in order to arrive at the clear proceeds owed the school board. These costs include lease or purchase of the traffic control and photographic system, paying the contractor to operate the system, and any administrative costs incurred by the municipality to operate the system. In practice, all municipalities operating a system deducted all of these costs. The result was that very little was left for the school boards, but the municipalities incurred virtually no cost to operate the systems.

In 2006, the North Carolina Court of Appeals decided the case of *Shavitz v. City of High Point,* 177 N.C. App. 465 (2006), holding that the deduction of these operating costs was a violation of Article IX, Section 7 of the State Constitution, and ordering the City of High Point to pay the Guilford County schools approximately $1.5 million wrongfully withheld. The city filed a Petition for Discretionary Review with the North Carolina Supreme Court. On June 28, 2007, the Court denied that petition.

A BILL TO BE ENTITLED

AN ACT TO ENSURE COMPLIANCE WITH MOTOR CARRIER AND COMMERCIAL DRIVERS LICENSE PROVISIONS OF CHAPTER 20 OF THE GENERAL STATUTES AND TO AUTHORIZE THE COMMISSIONER OF MOTOR VEHICLES TO ENTER INTO THE UNIFIED MOTOR CARRIER REGISTRATION AGREEMENT.

The General Assembly of North Carolina enacts:

SECTION 1. G.S. 20-17.4(l) reads as rewritten:

"(l) Disqualification ~~for Testing Positive in a~~ Based on Drug or Alcohol Test. – Upon receipt of notice of a positive drug or alcohol test, or of refusal to participate in a drug or alcohol test, pursuant to G.S. 20-37.19(c), the Division ~~shall~~ must disqualify a ~~driver~~ CDL holder from operating a commercial motor vehicle until receipt of proof of successful completion of assessment and treatment by a substance abuse professional in accordance with 49 C.F.R. § 382.503."

SECTION 2. G.S. 20-37.19(c) reads as rewritten:

"(c) The employer of any employee or applicant who tests positive or of any employee who refuses to participate in a drug or alcohol test required under 49 C.F.R. Part 382 and 49 C.F.R. Part 655 ~~shall~~ must notify the Division ~~of Motor Vehicles~~ in writing within five business days following the employer's receipt of confirmation of a positive drug ~~test.~~or alcohol test or of the employee's refusal to participate in the test. The notification ~~shall~~ must include the driver's name, address, drivers license number, social security number, and results of the drug or alcohol ~~test.~~test or documentation from the employer of the refusal by the employee to take the test."

SECTION 3. G.S. 20-382 reads as rewritten:

"§ 20-382. ~~Registration of for-hire interstate motor carriers and verification that their for-hire vehicles are insured.~~**For-hire motor carrier registration, insurance verification, and temporary trip permit authority.**

(a) UCRA. – The Commissioner may enter into the Unified Carrier Registration Agreement (UCRA), established pursuant to Section 4305 of Public Law 109-73, and into agreements with jurisdictions participating in the UCRA to exchange information for any audit or enforcement activity required by the UCRA. Upon entry into the UCRA, the requirements set under the UCRA apply to the Division. If a requirement set under the UCRA conflicts with this section, the UCRA controls. Rules adopted to implement this section must ensure compliance with mandates of the Federal Motor Carrier Safety Administration and the United States Department of Transportation.

(a1) Carrier Registration. – A ~~for-hire~~ motor carrier may not operate a for-hire motor vehicle in interstate commerce in this State unless the motor carrier has complied with all of the following requirements:

(1) Registered its operations with ~~the Division by doing~~ its base state.

(1a) Done one of the following:

a. ~~Filing~~ Filed a copy of the certificate of authority issued to it by the United States Department of Transportation allowing it to ~~operate~~ transport regulated items in this State and any amendments to that authority.

b. ~~Certifying~~ Certified to the Division that it carries only items that are not regulated by the United States Department of Transportation.

(2) Verified, in accordance with subsection (b) ~~or (c)~~ of this section, that it has insurance for each for-hire motor vehicle it operates.

(3) Paid the fees set in G.S. 20-385.

(b) Insurance ~~Verification for Federally Regulated Motor Carriers.~~ Verification. – A ~~for-hire~~ motor carrier that operates a for-hire motor vehicle in interstate commerce in this ~~State,~~ State and is regulated by the United States Department of ~~Transportation, and designates this State as its registration state must obtain a receipt from the Division verifying that each for-hire motor vehicle the motor carrier operates in any jurisdiction is insured. To obtain a receipt, the motor carrier must apply annually to the Division during the application period and state the number of for-hire motor vehicles the motor carrier intends to operate in each jurisdiction during the next calendar year. The certificate of authority issued to the motor carrier by the United States Department of Transportation is proof that the motor carrier has insurance for its for-hire motor vehicles.~~

~~The motor carrier must keep a copy of the receipt in each of its for-hire motor vehicles. The motor carrier may transfer the receipt from one for-hire motor vehicle to another as long as the total number of for-hire motor vehicles operated in any jurisdiction and in all jurisdictions does not exceed the number stated on the receipt.~~

~~A motor carrier may operate more for-hire motor vehicles in a jurisdiction than stated in its most recent annual application only if the motor carrier files another application with the Division and obtains a receipt stating the increased number. A~~

~~motor carrier that obtains a receipt for an increased number of for-hire motor vehicles must put a copy of the new receipt in each of its for-hire motor vehicles. The new receipt replaces rather than supplements the previous receipt.~~Transportation must verify to the Division that each for-hire motor vehicle the motor carrier operates in this State is insured in accordance with the requirements set by the United States Department of Transportation. A motor-carrier that operates a for-hire motor vehicle in interstate commerce in this State and is exempt from regulation by the United States Department of Transportation must verify to the Division that each for-hire motor vehicle the motor carrier operates in this State is insured in accordance with the requirements set by the North Carolina Utilities Commission.

(c) Trip Permit. – ~~Insurance Verification for Nonregulated Motor Carriers. – A for-hire motor carrier that operates a for-hire motor vehicle in interstate commerce in this State and is exempt from regulation by the United States Department of Transportation must verify to the Division that each for-hire motor vehicle the motor carrier operates in this State is insured. To do this, the motor carrier must obtain annually for each for-hire motor vehicle a cab card approved by the Commissioner and a North Carolina identification stamp issued by the Division. To obtain an identification stamp, the motor carrier must apply annually to the Division during the application period for an identification stamp for each for-hire motor vehicle the motor carrier intends to operate in this State during the next 12-month period beginning February 1.~~

~~The motor carrier must place the identification stamp on the cab card and keep the cab card in the for-hire motor vehicle for which it was issued. An identification stamp is issued for a specific for-hire motor vehicle and is not transferable from one for-hire motor vehicle to another.~~

~~A motor carrier may operate in this State a for-hire motor vehicle for which it did not obtain an identification stamp during the most recent annual application period only if it obtains for that vehicle either a cab card and identification stamp or an emergency permit. A motor carrier may obtain an additional identification stamp after the close of the annual application period by filing an application for it with the Division. An identification stamp issued after the close of the annual application period expires the same date as one issued during the annual application period.~~

A motor carrier that is not registered as required by this section may obtain an emergency trip permit by filing an application for it with the Division. An emergency trip permit allows the motor carrier to operate a for-hire motor vehicle in this State for a period not to exceed 10 days. ~~without a cab card and identification stamp between the time the motor carrier has applied for an identification stamp and the time the Division issues the identification stamp.~~"

SECTION 4. G.S. 20-382.2(a)(2) is repealed.

SECTION 5. G.S. 20-385 reads as rewritten:

"**§ 20-385. Fee schedule.**

~~(a)~~ ~~Amounts.~~ – The fees listed in this section apply to a motor carrier. These fees are in addition to any fees required under the Unified Carrier Registration Agreement.

~~(1) Verification by a for-hire motor carrier of insurance for each for-hire motor vehicle operated in this State $ 1.00~~

(2)	Application by an intrastate motor carrier for a certificate of exemption	~~45.00~~$45.00
(3)	Certification by an interstate motor carrier that it is not regulated by the United States Department of Transportation	45.00
(4)	Application by an interstate motor carrier for an ~~Emergency~~ emergency trip permit	18.00

~~(b) Reciprocal Agreements. The fee set in subdivision (a)(1) of this section does not apply to the verification of insurance by an interstate motor carrier regulated by the United States Department of Transportation if the Division had a reciprocal agreement on November 15, 1991, with another state by which no fee is imposed. The Division had reciprocal agreements as of that date with the following states: California, Delaware, Indiana, Maryland, Massachusetts, Michigan, Minnesota, Missouri, Nebraska, New Jersey, Pennsylvania, Texas, and Vermont.~~"

SECTION 6. If the Commissioner of Motor Vehicles enters into the Unified Carrier Registration Agreement, the Agreement must specify the date on which any fees required under the Agreement become effective in this State. The date must ensure adequate time to implement the fee provisions.

SECTION 7. This act is effective when it becomes law.

HOUSE BILL 769:
Unified Carrier Registration/CDL Changes

BILL ANALYSIS

Committee:	Senate Ref to Finance. If fav, re-ref to Appropriations/Base Budget	**Date:**	August 1, 2007
Introduced by:	Reps. Allen, Carney	**Summary by:**	Trina Griffin Committee Counsel
Version:	PCS to Third Edition H769-CSSVf-67		

SUMMARY: ***House Bill 769 amends the statutes relating to commercial drivers and licenses and motor carriers as follows:***

- ***Requires the Division of Motor Vehicles (DMV) to disqualify a commercial driver's license (CDL) holder from operating a commercial motor vehicle when DMV receives notice that the driver refused to participate in a drug or alcohol test, as required by federal law. (Current law requires DMV to disqualify a driver from operating a commercial motor vehicle only when the driver tests positive on a test.)***
- ***Requires an employer to notify DMV if an employee or applicant tests positive on a drug or alcohol test or if an employee refuses to take the test. It would not require an employer to notify DMV if an applicant refuses to participate in a drug or alcohol test. (Current law only requires an employer to notify DMV if an employee tests positive.)***
- ***Authorizes the Commissioner of Motor Vehicles to enter into the Unified Motor Carrier Registration Agreement.***

This bill is in Senate Finance because it authorizes fees to be assessed under the Unified Motor Carrier Registration Agreement.

The Proposed Committee Substitute deletes a provision that would have removed limitations on administrative decisions regarding emissions violations heard by DMV and makes clarifying changes.

BILL ANALYSIS: The PCS for House Bill 769 amends the motor vehicle statutes relating to commercial drivers licenses and motor carriers in the following ways:

Disqualification to drive a commercial vehicle for refusing drug or alcohol test. **Sections 1 and 2** add language to the statute that requires an employer to notify DMV when an employee refuses to participate in a required drug or alcohol test. Upon receiving this notification, DMV must disqualify a CDL holder from operating a commercial motor vehicle until the Division receives proof that the driver has successfully completed a substance abuse assessment and recommended treatment, as required by federal law. (Currently these provisions only apply when the CDL holder takes and fails a drug or alcohol test. This allows a driver to refuse to take the test, quit his or her job, and work for another company.)

Unified Motor Carrier Registration Agreement. **Sections 3 through 6** amend statutes pertaining to regulation of for-hire motor carriers in interstate commerce. It gives the Commissioner the authority to enter into the Unified Carrier Registration Agreement (UCRA) established by federal law in 2005. Upon entering the UCRA, the DMV would abide by its requirements, and motor carriers would be allowed to operate in North Carolina if registered under the Unified Carrier Registration Act. No state is currently participating in the UCRS, because the fee structure has not been approved. However, a fee structure is anticipated by next year. In order to participate in the UCRA and collect fees, North Carolina

must first have authorizing legislation. The UCRA applies to all motor carriers required to register with the United States Department of Transportation, including private, for-hire, and exempt[1] motor carriers, as well as brokers, freight forwarders, and leasing companies. Exempt carriers and interstate motor carrier applying for an emergency permit will continue to pay the applicable State fees in addition to the UCRS fees.[2] The UCRA does not apply to intrastate motor carriers. Fees collected under the UCRA and distributed to North Carolina go into the Highway Fund.

BACKGROUND: Prior to January 1, 2007, a number of states, including North Carolina, were participating in the Single State Registration System (SSRS). Under the SSRS, only regulated for-hire motor carriers were covered, and the carriers were required to register in each of the states in which they wished to travel. The SSRS distributed the applicable fees to each state. On January 1, 2007, Congress repealed the SSRS. This meant that North Carolina could no longer collect the $1.00 fee from a for-hire carrier.

EFFECTIVE DATE: When it becomes law.

Martha Walston, counsel to House Finance, substantially contributed to this summary.

H0769e3-SMSV

[1] Exempt interstate motor carriers are those that carry items in their natural state such as produce.
[2] Under current law, there is a $45 fee for an exempt interstate motor carrier and an $18 fee for an interstate motor carrier emergency permit.

A BILL TO BE ENTITLED

AN ACT TO REQUIRE THAT RECOMMENDATIONS ON DEBT CAPACITY INCLUDE RECOMMENDATIONS RELATED TO DEBT SUPPORTED BY THE GENERAL FUND, THE HIGHWAY FUND, AND THE HIGHWAY USE FUND; TO REQUIRE THE DEPARTMENT OF TRANSPORTATION TO REVIEW THE STIP PLANNING AND DEVELOPMENT PROCESS; TO DIRECT THE OFFICE OF STATE BUDGET AND MANAGEMENT TO STUDY LONG-TERM ECONOMIC, MOBILITY, AND INFRASTRUCTURE NEEDS; TO ENACT CERTAIN BRIDGE CONSTRUCTION GUIDELINES; AND TO REQUIRE COMPLIANCE WITH CERTAIN FEDERAL GUIDELINES FOR TRANSPORTATION PROJECTS.

The General Assembly of North Carolina enacts:

SECTION 1. G.S. 142-101(d) reads as rewritten:

"(d) Duties. – The Debt Affordability Advisory Committee shall annually advise the Governor and the General Assembly on the estimated debt capacity of the State for the upcoming 10 fiscal years. The Committee shall oversee the undertaking of an annual debt affordability study and the establishment of guidelines for evaluating the State's debt burden. The guidelines should include target and ceiling ratios of net tax-supported debt to personal income and debt service to revenues, target and floor percentages for the 10-year payout ratio, and target and floor percentages for the unreserved General Fund balance. The Committee's recommendations shall include recommendations on debt capacities for debt supported by the General Fund, the Highway Fund, and the Highway Trust Fund. The Committee shall also recommend any other debt management policies it considers desirable and consistent with sound management of the State's debt."

SECTION 2. The Department shall review the State Transportation Improvement Program (STIP) project planning, development, and prioritization process

to determine any needed legislation to address congestion, mobility, and transportation infrastructure needs to meet established transportation network performance targets, and shall study alternative funding sources. The Department shall report their findings and recommendations to the Joint Legislative Transportation Oversight Committee by October 1, 2007.

SECTION 3. The Office of State Budget and Management shall conduct a study to develop a statewide logistics plan to address long-term economic, mobility, and infrastructure needs. The study shall include, but not be limited to, all of the following:

1. Identification of priority commerce needs.
2. Transportation infrastructure, including multi-modal solutions, to support key industries vital to the State's long-term economic growth.
3. Input from State agencies and the private sector.
4. A timetable for meeting any identified needs.

The Office of State Budget and Management shall report its findings to the Joint Legislative Transportation Oversight Committee not later than April, 1, 2008. Of the funds appropriated to the Department of Transportation from the Highway Fund, the Department may use up to one million dollars ($1,000,000) to pay for this study.

SECTION 4. Article 2A of Chapter 136 of the General Statutes is amended by adding a new section to read:

"**§ 136-44.7D. Bridge construction guidelines.**

A bridge crossing rivers and streams in watersheds shall be constructed to accommodate the hydraulics of a flood water level equal to the water level projected for a 100-year flood for the region in which the bridge is built. The bridge shall be built without regard for the riparian buffer zones as designated by the Department of Environment and Natural Resources, Division of Water Quality. No Memorandums of Agreement may be made between Departments to bypass this construction mandate. No agency rules shall be enacted contrary to this section."

SECTION 5. Article 2A of Chapter 136 of the General Statutes is amended by adding a new section to read:

"**§ 136-44.7E. Compliance with federal guidelines for transportation projects.**

The Department may continue to use the Merger '01 process provided the relevant portions of P.L.109-59, Section 6002, (SAFETEA-LU), are incorporated to ensure the Department as the recipient agency is the co-lead agency with the United States Department of Transportation, delegating all other federal, state, or local agencies as participating or cooperating agencies. The Department's designation as a co-lead agency shall inure to the Department the authority to determine the purpose and need of a project and to determine viable alternatives. Any conflict between cooperating or participating agencies and the Department shall be resolved by the Department in favor of the completion of the project in conflict."

SECTION 6. This act becomes effective when it becomes law.

HOUSE BILL 1005:
Various Transportation Changes/Studies.

BILL ANALYSIS

Committee:	Senate Finance	**Date:**	August 1, 2007
Introduced by:	Rep. Cole	**Summary by:**	Trina Griffin

HOUSE BILL 1785

Committee Substitute Favorable 6/6/07

Committee Substitute #2 Favorable 7/3/07

Short Title: Fire-Safe Cigarette Act. (Public)

Sponsors:

Referred to:

April 19, 2007

A BILL TO BE ENTITLED

AN ACT TO REQUIRE CIGARETTE FIRE SAFETY BY ADOPTING A CIGARETTE FIRE-SAFETY STANDARD.

The General Assembly of North Carolina enacts:

SECTION 1. Chapter 58 of the General Statutes is amended by adding a new Article to read:

"Article 92.

"Fire-Safety Standard and Firefighter Protection Act.

"**§ 58-92-1. Title.**

This Article shall be known and may be cited as the "Fire-Safety Standard and Firefighter Protection Act."

"**§ 58-92-5. Findings.**

The General Assembly finds:

(1) Cigarettes are the leading cause of fire deaths in this State and the nation.

(2) Each year in the United States, 700-900 persons are killed due to cigarette fires, and 3,000 are injured in fires ignited by cigarettes, while in this State, there were 2,916 cigarette-related fires in North Carolina during the period 2001-2006.

(3) A high proportion of the victims of cigarette fires are nonsmokers, including senior citizens and young children.

(4) Cigarette-caused fires result in billions of dollars of property losses and damages in the United States and millions of dollars in this State.

(5) Cigarette fires unnecessarily jeopardize firefighters and result in avoidable emergency response costs for municipalities.

(6) In 2004, New York State implemented a cigarette fire-safety regulation requiring cigarettes sold in that state to meet a fire-safety performance standard; in 2005, Vermont and California enacted

cigarette fire-safety laws directly incorporating New York's regulation into statute; and, in 2006, Illinois, New Hampshire, and Massachusetts joined these states in enacting such laws.

(7) In 2005, Canada implemented the New York State fire-safety standard contained in the other state laws, becoming the first nation to have a cigarette fire-safety standard.

(8) New York State's cigarette fire-safety standard is based upon decades of research by the National Institute of Standards and Technology, congressional research groups, and private industry.

(9) This cigarette fire-safety standard minimizes costs to the State and minimally burdens cigarette manufacturers, distributors, and retail sellers, and, therefore, should become law in this State.

(10) It is therefore fitting and proper for this State to adopt the cigarette fire-safety standard that is in effect in New York State to reduce the likelihood that cigarettes will cause fires and result in deaths, injuries, and property damages.

"**§ 58-92-10. Definitions.**

For the purposes of this Article:

(1) "Agent" means any person authorized by the Department of Revenue to pay the excise tax on packages of cigarettes.

(2) "Cigarette" means any roll for smoking, whether made wholly or in part of tobacco or any other substance, irrespective of size or shape, and whether or not such tobacco or substance is flavored, adulterated, or mixed with any other ingredient, the wrapper or cover of which is made of paper or any other substance or material, other than leaf tobacco.

(3) "Commissioner" means the Commissioner of Insurance.

(3a) "Consumer testing" means an assessment of cigarettes that is conducted by a manufacturer (or under the control and direction of a manufacturer), for the purpose of evaluating consumer acceptance of such cigarettes.

(4) "Manufacturer" means:

a. Any entity which manufactures or otherwise produces cigarettes or causes cigarettes to be manufactured or produced anywhere that such manufacturer intends to be sold in this State, including cigarettes intended to be sold in the United States through an importer;

b. The first purchaser anywhere that intends to resell in the United States cigarettes manufactured anywhere that the original manufacturer or maker does not intend to be sold in the United States; or

c. Any entity that becomes a successor of an entity described in sub-subdivision a. or b. of this subdivision.

(5) "Quality control and quality assurance program" means the laboratory procedures implemented to ensure that operator bias, systematic and nonsystematic methodological errors, and equipment-related problems do not affect the results of the testing. Such a program ensures that the testing repeatability remains within the required repeatability values stated in G.S. 58-92-15(a6) for all test trials used to certify cigarettes in accordance with this Article.

(6) "Repeatability" means the range of values within which the repeat results of cigarette test trials from a single laboratory will fall ninety-five percent (95%) of the time.

(7) "Retail dealer" means any person, other than a manufacturer or distributor, engaged in selling cigarettes or tobacco products.

(8) "Sale" means any transfer of title or possession or both, exchange or barter, conditional or otherwise, in any manner or by any means whatever or any agreement therefor. In addition to cash and credit sales, the giving of cigarettes as samples, prizes, or gifts, and the exchanging of cigarettes for any consideration other than money, are considered sales.

(9) "Sell" means to sell, or to offer or agree to do the same.

(10) "Distributor" means any person other than a manufacturer who sells cigarettes or tobacco products to retail dealers or other persons for purposes of resale, any person who owns, operates, or maintains one or more cigarette or tobacco product vending machines in, at, or upon premises owned or occupied by any other person, or a distributor as defined in G.S. 105-113.4(3)a.

"**§ 58-92-15. Test method and performance standard.**

(a) Except as provided in subsection (g) of this section, no cigarettes may be sold or offered for sale in this State or offered for sale or sold to persons located in this State unless the cigarettes have been tested in accordance with the test method and meet the performance standard specified in this section, a written certification has been filed by the manufacturer with the Commissioner in accordance with G.S. 58-92-20, and the cigarettes have been marked in accordance with G.S. 58-92-25.

(a1) Testing of cigarettes shall be conducted in accordance with the American Society of Testing and Materials (ASTM) standard E2187-04, "Standard Test Method for Measuring the Ignition Strength of Cigarettes."

(a2) Testing shall be conducted on 10 layers of filter paper.

(a3) No more than twenty-five percent (25%) of the cigarettes tested in a test trial in accordance with this section shall exhibit full-length burns. Forty replicate tests shall comprise a complete test trial for each cigarette tested.

(a4) The performance standard required by this section shall only be applied to a complete test trial.

(a5) Written certifications shall be based upon testing conducted by a laboratory that has been accredited pursuant to standard ISO/IEC 17025 of the International

Organization for Standardization (IOS) or other comparable accreditation standard required by the Commissioner.

(a6) Laboratories conducting testing in accordance with this section shall implement a quality control and quality assurance program that includes a procedure that will determine the repeatability of the testing results. The repeatability value shall be no greater than 0.19.

(a7) This section does not require additional testing if cigarettes are tested consistent with this Article for any other purpose.

(a8) Testing performed or sponsored by the Commissioner to determine a cigarette's compliance with the performance standard required shall be conducted in accordance with this section.

(b) Each cigarette listed in a certification submitted pursuant to G.S. 58-92-20 that uses lowered permeability bands in the cigarette paper to achieve compliance with the performance standard set forth in this section shall have at least two nominally identical bands on the paper surrounding the tobacco column. At least one complete band shall be located at least 15 millimeters from the lighting end of the cigarette. For cigarettes on which the bands are positioned by design, there shall be at least two bands fully located at least 15 millimeters from the lighting end and 10 millimeters from the filter end of the tobacco column, or 10 millimeters from the labeled end of the tobacco column for nonfiltered cigarettes.

(c) A manufacturer of a cigarette that the Commissioner determines cannot be tested in accordance with the test method prescribed in subsection (a1) of this section shall propose a test method and performance standard for the cigarette to the Commissioner. Upon approval of the proposed test method and a determination by the Commissioner that the performance standard proposed by the manufacturer is equivalent to the performance standard prescribed in subsection (a3) of this section, the manufacturer may employ such test method and performance standard to certify such cigarette pursuant to G.S. 58-92-20. If the Commissioner determines that another state has enacted reduced cigarette ignition propensity standards that include a test method and performance standard that are the same as those contained in this Article, and the Commissioner finds that the officials responsible for implementing those requirements have approved the proposed alternative test method and performance standard for a particular cigarette proposed by a manufacturer as meeting the fire-safety standards of that state's law or regulation under a legal provision comparable to this section, then the Commissioner shall authorize that manufacturer to employ the alternative test method and performance standard to certify that cigarette for sale in this State, unless the Commissioner demonstrates a reasonable basis why the alternative test should not be accepted under this Article. All other applicable requirements of this section shall apply to the manufacturer.

(d) Each manufacturer shall maintain copies of the reports of all tests conducted on all cigarettes offered for sale for a period of three years and shall make copies of these reports available to the Commissioner and the Attorney General upon written request. Any manufacturer who fails to make copies of these reports available within 60 days of receiving a written request shall be subject to a civil penalty not to exceed ten

thousand dollars ($10,000) for each day after the sixtieth day that the manufacturer does not make such copies available.

(e) The Commissioner may adopt a subsequent ASTM Standard Test Method for Measuring the Ignition Strength of Cigarettes upon a finding that such subsequent method does not result in a change in the percentage of full-length burns exhibited by any tested cigarette when compared to the percentage of full-length burns the same cigarette would exhibit when tested in accordance with ASTM Standard E2187-04 and the performance standard in subsection (a3) of this section.

(f) The Commissioner shall review the effectiveness of this section and report every three years to the General Assembly the Commissioner's findings, and if appropriate, recommendations for legislation to improve the effectiveness of this Article. The report and legislative recommendations shall be submitted no later than June 30 following the conclusion of each three-year period.

(g) The requirements of subsections (a) through (a8) of this section shall not prohibit:

(1) Distributors or retail dealers from selling their existing inventory of cigarettes on or after the effective date of this Article if the distributor or retail dealer can establish that all taxes owed on the cigarettes pursuant to Article 2A of Chapter 105 of the General Statutes have been paid prior to the effective date of this Article and the distributor or retail dealer can establish that the inventory was purchased prior to the effective date in comparable quantity to the inventory purchased during the same period of the prior year.

(2) The sale of cigarettes solely for the purpose of consumer testing.

(h) The Commissioner shall implement this Article in accordance with the implementation and substance of the New York Fire Safety Standards for Cigarettes.

(i) No local government may pass any ordinance changing the performance standard set forth in this section.

"**§ 58-92-20. Certification and product change.**

(a) Each manufacturer shall submit to the Commissioner a written certification attesting both of the following:

(1) Each cigarette listed in the certification has been tested in accordance with G.S. 58-92-15.

(2) Each cigarette listed in the certification meets the performance standard set forth in G.S. 58-92-15.

(b) Each cigarette listed in the certification shall be described with the following information:

(1) Brand or trade name on the package.

(2) Style, such as light or ultralight.

(3) Length in millimeters.

(4) Circumference in millimeters.

(5) Flavor, such as menthol or chocolate, if applicable.

(6) Filter or nonfilter.

(7) Package description, such as soft pack or box.

(8) Marking pursuant to G.S. 58-92-25.

(9) The name, address, and telephone number of the laboratory, if different than the manufacturer that conducted the test.

(10) The date that the testing occurred.

(c) Certifications shall be made available to the Attorney General for purposes consistent with this Article and the Commissioner for the purposes of ensuring compliance with this section.

(d) Each cigarette certified under this section shall be recertified every three years.

(e) For each certification form, a manufacturer shall pay to the Commissioner a fee of two hundred fifty dollars ($250.00). The Commissioner may annually adjust this fee to ensure it defrays the actual costs of the processing, testing, enforcement, and oversight activities required by this Article.

(f) There is established in the State treasury a separate, nonreverting fund to be known as the "Fire Safety Standard and Firefighter Protection Act Enforcement Fund." The fund shall consist of all certification fees submitted by manufacturers and shall, in addition to any other monies made available for such purpose, be available to the Commissioner solely to support processing, testing, enforcement, and oversight activities under this Article.

(g) If a manufacturer has certified a cigarette pursuant to this section, and thereafter makes any change to such cigarette that is likely to alter its compliance with the reduced cigarette ignition propensity standards required by this Article, that cigarette shall not be sold or offered for sale in this State until the manufacturer retests the cigarette in accordance with the testing standards set forth in G.S. 58-92-15 and maintains records of that retesting as required by G.S. 58-92-15. Any altered cigarette which does not meet the performance standard set forth in G.S. 58-92-15 may not be sold in this State.

"**§ 58-92-25. Marking of cigarette packaging.**

(a) Cigarettes that are certified by a manufacturer in accordance with G.S. 58-92-20 shall be marked to indicate compliance with the requirements of G.S. 58-92-15. The marking shall be in eight-point type or larger and consist of one of the following:

(1) Modification of the product UPC Code to include a visible mark printed at or around the area of the UPC Code. The mark may consist of alphanumeric or symbolic characters permanently stamped, engraved, embossed, or printed in conjunction with the UPC.

(2) Any visible combination of alphanumeric or symbolic characters permanently stamped, engraved, or embossed upon the cigarette package or cellophane wrap.

(3) Printed, stamped, engraved, or embossed text that indicates that the cigarettes meet the standards of this Article.

(b) A manufacturer shall use only one marking and shall apply this marking uniformly for all packages, including, but not limited to, packs, cartons, and cases and brands marketed by that manufacturer.

(c) The Commissioner shall be notified as to the marking that is selected.

(d) Prior to the certification of any cigarette, a manufacturer shall present its proposed marking to the Commissioner for approval. Upon receipt of the request, the Commissioner shall approve or disapprove the marking offered, except that the Commissioner shall approve:

(1) Any marking in use and approved for sale in New York pursuant to the New York Fire Safety Standards for Cigarettes, or

(2) The letters "FSC," which signifies Fire Standards Compliant, appearing in eight-point type or larger and permanently printed, stamped, engraved, or embossed on the package at or near the UPC Code.

(d1) Proposed markings shall be deemed approved if the Commissioner fails to act within 10 business days of receiving a request for approval.

(e) No manufacturer shall modify its approved marking unless the modification has been approved by the Commissioner in accordance with this section.

(f) Manufacturers certifying cigarettes in accordance with G.S. 58-92-20 shall provide a copy of the certifications to all distributors and agents to which they sell cigarettes and shall also provide sufficient copies of an illustration of the package marking utilized by the manufacturer pursuant to this section for each retail dealer to which the distributors or agents sell cigarettes. Distributors and agents shall provide a copy of these package markings received from manufacturers to all retail dealers to which they sell cigarettes. Distributors, agents, and retail dealers shall permit the Commissioner, the Secretary of Revenue, the Attorney General, and their employees to inspect markings of cigarette packaging marked in accordance with this section.

"**§ 58-92-30. Penalties.**

(a) A manufacturer, distributor, agent, or any other person or entity who knowingly sells or offers to sell cigarettes, other than through retail sale, in violation of G.S. 58-92-15, shall be subject to a civil penalty not to exceed one hundred dollars ($100.00) for each pack of such cigarettes sold or offered for sale provided that in no case shall the penalty against any such person or entity exceed one hundred thousand dollars ($100,000) during any 30-day period.

(b) A retail dealer who knowingly sells or offers to sell cigarettes in violation of G.S. 58-92-15 shall be subject to a civil penalty not to exceed one hundred dollars ($100.00) for each pack of such cigarettes sold or offered for sale, provided that in no case shall the penalty against any retail dealer exceed twenty-five thousand dollars ($25,000) for sales or offers to sell during any 30-day period.

(c) In addition to any penalty prescribed by law, any corporation, partnership, sole proprietor, limited partnership, or association engaged in the manufacture of cigarettes that knowingly makes a false certification pursuant to G.S. 58-92-20 shall be subject to a civil penalty of at least seventy-five thousand dollars ($75,000) but not to exceed two hundred fifty thousand dollars ($250,000) for each such false certification.

(d) Any person violating any other provision in this Article shall be subject to a civil penalty for a first offense not to exceed one thousand dollars ($1,000), and for a

subsequent offense subject to a civil penalty not to exceed five thousand dollars ($5,000) for each such violation.

(e) Any cigarettes that have been sold or offered for sale that do not comply with the performance standard required by G.S. 58-92-15 shall be subject to forfeiture as contraband under the same procedures as G.S. 75D-5 or G.S. 113-412. Cigarettes forfeited pursuant to this section shall be destroyed; provided, however, that prior to the destruction of any cigarette forfeited pursuant to these provisions, the true holder of the trademark rights in the cigarette brand shall be permitted to inspect the cigarette.

(f) In addition to any other remedy provided by law, the Commissioner or Attorney General may file an action in the superior court for a violation of this Article, including petitioning for injunctive relief or to recover any costs or damages suffered by the State because of a violation of this Article, including enforcement costs relating to the specific violation and attorneys' fees. Each violation of this Article or of rules or regulations adopted under this Article constitutes a separate civil violation for which the Commissioner or Attorney General may obtain relief.

(g) Whenever any law enforcement personnel or duly authorized representative of the Commissioner shall discover any cigarettes that have not been marked in the manner required by G.S. 58-92-25, such personnel is hereby authorized and empowered to seize and take possession of such cigarettes. Such cigarettes shall be turned over to the Department of Revenue and shall be forfeited to the State. Cigarettes seized pursuant to this section shall be destroyed; provided, however, that prior to the destruction of any cigarette seized pursuant to these provisions, the true holder of the trademark rights in the cigarette brand shall be permitted to inspect the cigarette.

(h) Any penalty imposed under this Article shall be payable to the Commissioner.

(i) A violation of this Article constitutes a civil offense only and is not a crime.

"**§ 58-92-35. Implementation.**

(a) The Commissioner may adopt rules, pursuant to Chapter 150B of the General Statutes, necessary to effectuate the purposes of this Article.

(b) The Department of Revenue in the regular course of conducting inspections of distributors, agents, and retail dealers, as authorized under the Tobacco Products Tax Act, Article 2A of Chapter 105 of the General Statutes, may inspect such cigarettes to determine if the cigarettes are marked as required by G.S. 58-92-25. If the cigarettes are not marked as required, the Department of Revenue shall notify the Commissioner.

"**§ 58-92-40. Inspection.**

To enforce the provisions of this Article, the Attorney General, the Department of Revenue, and the Commissioner, their duly authorized representatives, and other law enforcement personnel may examine the books, papers, invoices, and other records of any person in possession, control, or occupancy of any premises where cigarettes are placed, stored, sold, or offered for sale, as well as the stock of cigarettes on the premises. Every person in the possession, control, or occupancy of any premises where cigarettes are placed, sold, or offered for sale is hereby directed and required to give the Attorney General, the Department of Revenue, and the Commissioner, their duly

authorized representatives, and other law enforcement personnel the means, facilities, and opportunity for the examinations authorized by this section.

"**§ 58-92-45. Disposition of penalties.**

The clear proceeds of civil penalties and forfeitures provided for in this Article shall be remitted to the Civil Penalty and Forfeiture Fund in accordance with G.S. 115C-457.2.

"**§ 58-92-50. Sale outside the State.**

Nothing in this Article shall be construed to prohibit any person or entity from manufacturing or selling cigarettes that do not meet the requirements of G.S. 58-92-15 if the cigarettes are or will be stamped for sale in another state or are packaged for sale outside the United States and that person or entity has taken reasonable steps to ensure that such cigarettes will not be sold or offered for sale to persons located in this State.

"**§ 58-92-55. Preemption.**

This Article does not apply if a federal reduced cigarette ignition propensity standard that preempts this Article is enacted and becomes effective, but such inapplicability does not affect any liability for forfeiture or penalties accrued prior to the effective date of the federal law."

SECTION 2. This act becomes effective on January 1, 2009.

HOUSE BILL 1785: Fire-Safe Cigarette Act

BILL ANALYSIS

Committee:	Senate Finance	**Date:**	August 1, 2007
Introduced by:	Reps. Insko, Glazier, Cotham	**Summary by:**	Trina Griffin
Version:	Third Edition		Committee Counsel

SUMMARY: HB 1785 would enact model legislation, the Fire-Safety Standard and Firefighter Protection Act, which would be applied to cigarettes. The purpose of the legislation is to reduce the likelihood that cigarettes will cause fires and result in deaths, injuries, and property damages. Specifically, the bill does the following:

- ***Prohibits the sale of cigarettes in the State unless the cigarettes meet certain test and performance standards.***
- ***Requires manufacturers to certify to the Commissioner of Insurance that the cigarettes meet these standards.***
- ***Requires that cigarettes meeting these standards be marked to indicate compliance.***
- ***Requires manufacturers to pay a $250 fee for each certification form submitted to the Commissioner.***
- ***Authorizes Commissioner to impose penalties as follows: (a) failure to provide test reports to the Commissioner and Attorney General upon request, (b) sale of cigarettes that do not meet performance standards, (c) making a false certification, or (d) any other violation of the Act.***

The bill is in Senate Finance because of the fee provision in G.S. 58-92-20(e).

CURRENT LAW: Model legislation requiring the use of fire-safe cigarettes has been enacted in New York, California, Vermont, and Canada. Other states that have passed legislation are: Kentucky, Massachusetts, Minnesota, Maryland, Illinois, Iowa, Montana, New Hampshire, New Jersey, Oregon, and Utah. New York was the first state to require that cigarettes sold and manufactured in the state be fire-safe.[1]

BILL ANALYSIS: House Bill 1785 adopts the Model Legislation, known as the Fire-Safety and Firefighter Protection Act, and codifies the legislation within the Insurance Chapter of the General Statutes. The bill provides for the following:

Findings (§ 58-92-5)

The findings state that the leading cause of fire deaths in this State and the nation are cigarettes, that several states and Canada have enacted cigarette fire-safety laws, and that it is "fitting and proper for this State to adopt the cigarette fire-safety standard that is in effect in New York State to reduce the likelihood that cigarettes will cause fires and result in death, injuries, and property damages."

Definitions (§ 58-92-10)

The Bill defines the following words: agent, cigarette, commissioner, consumer testing, manufacturer, quality control and quality assurance program, repeatability, retail dealer, sale, sell, and distributor. The proposed committee substitute deletes a portion of the language defining cigarettes, because this language has been deleted from the states that have enacted the model act.

[1] According to the Coalition for Fire-Safe Cigarettes, the states of California, Illinois, New Hampshire, New York, Oregon, and Vermont do not require fees.

Test Method and Performance Standard (§ 58-92-15) (Certification and Product Change (§ 58-92-20), and Marking of Cigarette Packaging (§ 58-92-25)

No cigarette may be sold or offered for sale in the State unless it has been tested, meets the performance standards of the tests, and is accompanied by a written certification filed by the manufacturer and marked to indicate compliance. An exception to the testing requirement would allow the sale of existing inventory by a wholesale or retail dealer if the dealer can establish that the cigarette tax has been paid or if the sale of cigarettes is solely for the purpose of consumer testing.

Testing requirements

- Testing must be done under the American Society of Testing and Materials (ASTM) "Standard Test Method for Measuring the Ignition Strength of Cigarettes".
- Testing must be conducted using 10 layers of filter paper.
- No more than 25% of cigarettes may exhibit full-length burns.
- Performance standards shall be applied only to a complete test trial (consists of 40 replicate tests).
- Written certifications of testing by manufacturers shall be based on testing by laboratories accredited by the International Organization for Standardization (ISO) or comparable standard required by the Commissioner.

A manufacturer of a cigarette that the Commissioner determines cannot be tested under the above test methods shall propose a test method to the Commissioner for approval.

Certification

Each manufacture must submit to the Commissioner a written certification that the cigarette has been tested and meets the performance standards required by the Act. The certification must include the cigarette's brand name, style, length and circumference, flavor, filter or non-filter, package description, marking under the Act, name, address, and telephone number of the laboratory, and date of testing.

Markings

Cigarettes certified under the Act must be marked in 8 point type or larger to indicate compliance. Only one marking may be used for all packages, including packs, cartons, cases, and brands. The Commissioner must be notified of the marker and approve the marking.

Fees (§58-92-20(e))

A manufacturer must pay the Commissioner a $250 fee for each certification form, and each cigarette must be recertified every three years. The fees are deposited into a nonreverting fund established in the State treasury. This fund, known as the "Fire Safety Standard and Firefighter Protection Act Enforcement Fund" will be available to the Commissioner solely to support processing, testing, enforcement and oversight activities under the Article. The Commissioner is given the authority to annually adjust the fee to ensure that it defrays the actual costs to support the above activities.

Civil Penalties (§§ 58-92-15(d) and 58-92-30)

The Article authorizes the Commissioner to impose the following civil penalties:

- Failure of a manufacturer to provide copies of test reports of cigarettes sold in the State to the Commissioner and Attorney General within 60 days of receiving a written request – not to exceed $10,000 for each day after the 60th day of receiving the request.
- Knowingly selling or offering to sell cigarettes that do not meet the testing standards – not to exceed $100 for each pack. For retail dealers, the penalty may not exceed $25,000 for sales or

offers to sell during a 30-day period. For any other person, the penalty may not exceed $100,000 during any 30-day period.

- A false certification knowingly made by a business engaged in the manufacture of cigarettes – at least $75,000 for each false certification, not to exceed $250,000 for each false certification.
- Violation of any other provision of the Article – not to exceed $1,000 for the first offense and $5,000 for each subsequent offense.

The clear proceeds of the above penalties are to be remitted to the Civil Penalty and Forfeiture Fund.[2]

Cigarettes sold or offered for sale that do not comply with the performance standard are subject to forfeiture. The Commissioner or Attorney General may also file an action in superior court for a violation of the Article including injunctive relief, recovery of costs or damages incurred by the State.

Reporting Requirements

- Each manufacturer must maintain reports of all tests conducted on cigarettes offered for sale for a period of three years and make copies available to the Commissioner and Attorney General.
- The Commissioner must report every three years to the General Assembly on findings as to the effectiveness of the test method and performance standard for cigarette fire safety and make recommendations if needed.

Implementation and Inspection

The Article authorizes the Commissioner to adopt rules and authorizes the Attorney General, Department of Revenue, and Commissioner and other law enforcement personnel to examine the books, papers, invoices, and other records of any person in possession, control, or occupancy of any premises where cigarettes are placed, stored, sold, or offered for sale.

Exemptions

- The Article does not prohibit the manufacture or sale of cigarettes that do not meet the test methods and performance standards, if the cigarettes will be stamped for sale in another state or are packaged for sale outside the United States.
- The Article does not apply if a federal reduced cigarette ignition propensity standard that preempts this Article is enacted.

EFFECTIVE DATE: January 1, 2009.

A BILL TO BE ENTITLED

AN ACT TO AUTHORIZE THE UTILITIES COMMISSION TO CONSIDER DIFFERENCES BETWEEN ELECTRIC MEMBERSHIP CORPORATIONS AND CITIES NOT RESOLVED PURSUANT TO G.S. 160A-331.2(B), AS ENACTED BY S.L. 2005-150.

The General Assembly of North Carolina enacts:

SECTION 1. G.S. 160A-331.2 reads as rewritten:

"**§ 160A-331.2. Agreements of electric suppliers.**

(a) The General Assembly finds and determines that, in order to avoid the unnecessary duplication of electric facilities and to facilitate the settlement of disputes between cities that are primary suppliers and other electric suppliers, it is desirable for the State to authorize electric suppliers to enter into agreements pursuant to which the parties to the agreements allocate to each other the right to provide electric service to premises each would not have the right to serve under this Article but for the agreement, provided that no agreement between a city that is a primary supplier and another electric supplier shall be enforceable by or against an electric supplier that is subject to the territorial assignment jurisdiction of the North Carolina Utilities Commission until the agreement has been approved by the Commission. The Commission shall approve an agreement entered into pursuant to this section unless it finds that such agreement is not in the public interest. Such agreements may allocate the right to serve premises by reference to specific premises, geographical boundaries, or amounts of unspecified load to be served, but no agreement shall affect in any way the rights of other electric suppliers who are not parties to the relevant agreement. The provisions of this section apply to agreements relating to electric service inside and outside the corporate limits of a city.

~~(b) During the period beginning June 1, 2005, and ending May 31, 2007, electric membership corporations and cities that own and maintain their own electric distribution lines shall undertake good faith negotiations concerning the provision of~~

~~future electric services within areas outside of the corporate limits of such cities as of June 1, 2005, and the development of agreements relating to the provision of electric services, the location of lines, and the areas within which electric services may be provided by such electric suppliers. To the extent such negotiations produce any agreements between the affected electric suppliers, such agreements shall be submitted to the North Carolina Utilities Commission for approval under this section. To the extent such negotiations do not produce an agreement and disputes among the suppliers remain as of May 31, 2007, such disputes shall be resolved pursuant to the provisions of G.S. 7A-38.3C(i).~~

(c) To the extent negotiations undertaken pursuant to subsection (b) of this section, as enacted by S.L. 2005-150, have not resulted in an agreement between a negotiating electric membership corporation and a negotiating city by May 31, 2007, jurisdiction shall immediately lie in the North Carolina Utilities Commission to resolve all issues related to those negotiations. Either party to the negotiations may petition the Commission to exercise the jurisdiction conferred in this subsection upon the filing of a petition and the payment of a filing fee of five hundred dollars ($500.00). In reaching its decision, the Commission shall include consideration of the public convenience and necessity. The Commission shall not consider rate differentials between the involved city and the involved electric membership corporation.

(d) Notwithstanding an order of the Commission issued pursuant to subsection (c) of this section:

(1) Any electric membership corporation or city may furnish electric service to any consumer who desires service from that electric membership corporation or city at any premises being served by another electric membership corporation or city, or at premises which another electric membership corporation or city has the right to serve pursuant to subsection (c) of this section, upon agreement of the affected electric membership corporation or city, subject to approval by the Commission.

(2) The Commission shall have the authority and jurisdiction, after notice to all affected electric membership corporations and cities and after a hearing, if a hearing is requested by any affected electric membership corporation or city, or any other interested party, to order any electric membership corporation or city which may reasonably do so to furnish electric service to any consumer who desires service from that electric membership corporation or city at any premises being served by another electric membership corporation or city pursuant to subsection (c) of this section or subdivision (1) of this subsection, or which another electric membership corporation or city has the right to serve pursuant to subsection (c) of this section or subdivision (1) of this subsection, and to order the other electric membership corporation or city to cease and desist from furnishing electric service to such premises, upon finding that service to the consumer by the electric membership corporation or city which is then furnishing service, or

which has the right to furnish service to those premises, is or will be inadequate or undependable, or that the rates, conditions of service, or service regulations, applied to such consumer, are unreasonably discriminatory.

(e) Assignments or reassignments made or approved by the Commission pursuant to subsection (c) or (d) of this section shall be deemed to be service area agreements approved pursuant to subsection (a) of this section."

SECTION 2. G.S. 117-10.2 reads as rewritten:

"**§ 117-10.2. Restriction on municipal service.**

Except as otherwise provided in this section, no electric membership corporation shall furnish electric service to, or within the limits of, any incorporated city or town, except pursuant to a franchise that may be granted under the provisions of G.S. 117-10.1, or as permitted under G.S. 160A-331, ~~160A-331.1,~~ 160A-331.2, 160A-332, and 160A-333. In addition, an electric membership corporation may furnish electric service to, or within the limits of, any incorporated city or town if the city or town and all electric suppliers, including public utilities, other electric membership corporations and other cities or towns, then furnishing electric service to or within such city or town consent thereto in writing."

SECTION 3. G.S. 117-10.3 and G.S. 160A-331.1 are repealed. Agreements previously entered into pursuant to G.S. 117-10.3 and G.S. 160A-331.1 shall not be affected by this repeal.

SECTION 4. G.S. 7A-38.3C is repealed. Any disputes submitted to the Public Staff of the North Carolina Utilities Commission pursuant to G.S. 7A-38.3C(i) are transferred to the North Carolina Utilities Commission to be considered by the Commission pursuant to G.S. 160A-331.2(c), as enacted by this act, and the Commission shall exercise its jurisdiction upon payment of the filing fee required by that subsection by the petitioner.

SECTION 5. This act is effective when it becomes law.

A BILL TO BE ENTITLED

AN ACT ALLOWING THE NORTH CAROLINA BOARD OF ELECTROLYSIS EXAMINERS TO PROVIDE FOR THE LICENSURE OF LASER HAIR PRACTITIONERS AND LASER HAIR PRACTITIONER INSTRUCTORS UPON MEETING CERTAIN REQUIREMENTS ESTABLISHED BY THE BOARD AND AUTHORIZING THE BOARD TO CHARGE FEES RELATED TO THOSE CERTIFICATIONS.

The General Assembly of North Carolina enacts:

SECTION 1. G.S. 88A-2 reads as rewritten:

"**§ 88A-2. Purpose.**

The purpose of this Chapter is to ensure minimum standards of competency, to protect the public from misrepresentation of status by persons who hold themselves out to be ~~"certified electrologists",~~'licensed electrologists' or 'licensed laser hair practitioners' and to provide the public with safe care by the mandatory licensing of ~~electrologists.~~electrologists and laser hair practitioners."

SECTION 2. G.S. 88A-3 is amended by adding the following new subdivisions to read:

"**§ 88A-3. Definitions.**

As used in this Chapter, unless the context requires otherwise:

...

(5) 'Laser hair practitioner' means a person who engages in laser, light source, or pulsed-light treatments for the removal of hair.

(6) 'Laser, light source, or pulsed-light treatments' means the use of laser or pulsed-light devices for nonablative procedures for the removal of hair.

(7) 'Laser, light source, or pulsed-light devices' means a device used exclusively in the nonablative procedure for the removal of hair."

SECTION 3. G.S. 88A-4 reads as rewritten:

"**§ 88A-4. Unlawful practice.**

(a) ~~Effective January 31, 1994, it~~It shall be unlawful to engage in the practice of electrolysis or laser, light source, or pulsed-light treatments in this State without a license.

(b) Any person practicing electrology or laser, light source, or pulsed-light treatments for the purpose of hair removal or hair reduction in this State without being licensed by the Board shall be guilty of a Class I felony and may be assessed a civil penalty of up to five thousand dollars ($5,000) for each offense. Any other violation of this Chapter shall be a Class 2 misdemeanor."

SECTION 4. G.S. 88A-9(b) reads as rewritten:

"(b) All fees may be calculated by the Board in amounts sufficient to pay the costs of administration of this act, but in no event may they exceed the following:

(1)	Application for licensure as an electrologist	$150.00
(1a)	Initial license	150.00
(1b)	Examination or reexamination	125.00
(2)	Licensure of electrology renewal	~~200.00~~ 150.00
(3)	Application for ~~certification~~ licensure as an electrology instructor	150.00
(4)	~~Certificate~~ Licensure of electrology instructor renewal	~~75.00~~ 150.00
(5)	Application for certification as a ~~Board-approved~~ Board-approved school of electrology	500.00
(5a)	Application for licensure as laser hair practitioner	150.00
(5b)	Licensure of laser hair practitioner renewal	150.00
(5c)	Application for licensure as laser hair practitioner instructor	150.00
(5d)	Licensure of laser hair practitioner instructor renewal	150.00
(5e)	Application for certification as a Board-approved school of laser, light source, or pulsed-light treatments	500.00
(5f)	Certificate of Board-approved school of laser, light source, or pulsed-light renewal	400.00
(6)	Certificate of ~~Board-approved~~Board-approved school of electrology renewal	250.00
(6a)	Certification of out-of-state schools	~~100.00~~ 150.00
(6b)	Certification of out-of-state schools renewal	~~75.00~~ 100.00
(6c)	Office inspection or reinspection	100.00
(6d)	License by reciprocity	150.00
(7)	Late renewal charge	~~75.00~~ 125.00
(8)	Reinstatement of expired license or certification	~~300.00~~ 250.00
(9)	Reactivation of license	200.00
(10)	Duplicate license or certification	25.00."

SECTION 5. G.S. 88A-10(a)(3) reads as rewritten:

"(a) Any person who desires to be licensed as an "electrologist" pursuant to this Chapter shall:

...

(3) Be ~~18~~ 21 years of age or older.

...."

SECTION 6. Chapter 88A of the General Statutes is amended by adding a new section to read:

"**§ 88A-11.1. Requirements for licensure as a laser hair practitioner; limitations on licensed laser hair practitioners.**

(a) Any person seeking licensure by the Board as a laser hair practitioner shall have met the following requirements at the time the license is requested:

(1) Be an electrologist licensed under this Chapter.

(2) Completed a minimum 30-hour laser, light source, or pulsed-light treatment certification course approved by the Board and in accordance with rules adopted by the Board.

(3) Be currently using or anticipate using laser, light source, or pulsed-light devices that the person has been certified by a Board-approved school to operate.

(b) When the Board determines that an applicant has met all the requirements for licensure, and has submitted the initial license fee required in G.S. 88A-9(b), the Board shall issue a license to the applicant.

(c) Each laser hair practitioner shall practice laser, light source, or pulsed-light treatments under the supervision of a physician licensed under Article 1 of Chapter 90 of the General Statutes. The physician shall be readily available, but not required to be on site when the laser, light source, or pulsed-light treatments are being performed. However, the authority to regulate laser clinicians shall remain with the Board.

(d) A laser hair practitioner shall not dispense or administer medication or provide advice regarding the use of medication, whether prescription or over-the-counter, in connection with laser, light source, or pulsed-light treatments.

(e) All laser hair practitioners shall use laser, light source, or pulsed-light devices approved by the federal Food and Drug Administration and comply with all applicable federal and State regulations, rules, and laws. Any licensed laser hair practitioner violating this subsection shall have his or her license revoked by the Board.

(f) Only a licensed physician may use laser, light source, or pulsed-light devices for ablative procedures."

SECTION 7. G.S. 88A-12 reads as rewritten:

"**§ 88A-12. License renewal.**

(a) Every electrologist license or laser hair practitioner license issued pursuant to this Chapter must be renewed annually. On or before the date the current license expires, a person who desires to continue to practice electrology or as a laser hair practitioner shall apply for license renewal to the Board on forms approved by the Board, provide evidence of the successful completion of a continuing educational program approved by the Board, meet the criteria for renewal established by the Board, and pay the required fee. The Board may provide for the late renewal of licensure upon payment of a late fee as set by the Board, but late renewal may not be granted more than 90 days after expiration of the license.

(b) Any person who has failed to renew his or her license for more than 90 days after expiration may have it reinstated by applying to the Board for reinstatement on a

form approved by the Board, furnishing a statement of the reason for failure to apply for renewal prior to the deadline, and paying the required fee. The Board may require evidence of competency to resume practice before reinstating the applicant's license."

SECTION 8. G.S. 88A-13 is amended by adding the following new subsection to read:

"(d) Laser hair practitioners are required to complete a minimum of 10 hours of continuing education annually to maintain their licenses pursuant to rules adopted by the Board."

SECTION 9. Chapter 88A of the General Statutes is amended by adding the following new sections to read:

"**§ 88A-15.1. Persons and practices not affected.**

The requirements of this Chapter shall not apply to any person licensed or approved by the North Carolina Medical Board to practice medicine or perform medical acts, tasks, or functions pursuant to Article 1 of Chapter 90 of the General Statutes or any person employed and working under the direct supervision of a physician licensed to practice medicine pursuant to Article 1 of Chapter 90 of the General Statutes.

"**§ 88A-17.1. Requirements for licensure as a laser hair practitioner instructor.**

(a) Any person who desires licensure as a laser practitioner instructor pursuant to this Chapter shall meet the following requirements:

(1) Submit an application on a form approved by the Board.

(2) Be an electrologist licensed under this Chapter or a physician licensed under Article 1 of Chapter 90 of the General Statutes.

(3) Have practiced laser and light-based treatments actively for at least five years immediately before applying for licensure.

(4) Have at least 100 hours of training in laser and light-based treatments.

(b) When the Board determines that an applicant has met all qualifications for licensure as a laser hair practitioner instructor and has submitted the required fee, the Board shall issue an instructor's license to the applicant."

SECTION 10. G.S. 88A-18 reads as rewritten:

"**§ 88A-18. Renewal of instructor's ~~certificate.~~license.**

An electrology or laser hair practitioner instructor's ~~certificate~~ license shall be renewed annually. On or before the date the current ~~certificate~~ license expires, the applicant must submit an application for renewal of ~~certification~~ licensure on a form approved by the Board, meet criteria for renewal established by the Board, and pay the required fee. Any person whose instructor's ~~certificate~~ license has expired for a period of ~~five~~ three years or more shall be required to take and pass the instructor's examination before the ~~certificate~~ license can be renewed."

SECTION 11. Chapter 88A of the General Statutes is amended by adding the following new section to read:

"**§ 88A-19.1. Requirements for certification as a Board-approved school of laser, light source, or pulsed-light treatments.**

(a) Any school in this State or another state that desires to be certified as a Board-approved school of laser, light source, or pulsed-light treatments shall:

(1) Submit an application on a form approved by the Board;

(2) Submit a detailed projected floor plan of the institutional area demonstrating adequate school facilities to accommodate students for purposes of lectures, classroom instruction, and practical demonstration;

(3) Submit a detailed list of the equipment to be used by the students in the practical course of their studies;

(4) Submit a copy of the planned laser, light source, or pulsed-light curriculum consisting of the number of hours and subject matter determined by the Board, provided that the number of hours required shall not be less than 30 hours pursuant to rules adopted by the Board;

(5) Submit a certified copy of the school manual of instruction;

(6) Submit the names and qualifications of the instructors certified; and

(7) Submit any additional information the Board may require.

(b) When the Board determines that an applicant has met all the qualifications for certification as a Board-approved school of laser, light source, or pulsed-light treatments and has submitted the required fee, the Board shall issue a certificate to the applicant.

(c) A school's certification is only valid for the location named in the application. When a school desires to change locations, an application shall be submitted to the Board on a form furnished by the Board, and the fee shall be paid for certificate renewal.

(d) A school's certification is not transferable. Schools shall immediately notify the Board in writing of any sale, transfer, or change in ownership or management.

(e) Every school shall display its certification in a manner prescribed by the Board.

(f) All laser, light source, or pulsed-light devices used in the school shall be approved by the federal Food and Drug Administration."

SECTION 12. G.S. 88A-20 reads as rewritten:

"**§ 88A-20. Certification renewal.**

Every certificate issued pursuant to G.S. 88A-19 or G.S. 88A-19.1 shall be renewed annually. On or before the date the current certificate expires, the applicant must submit an application for renewal of certification on a form approved by the Board, meet criteria for renewal established by the Board, and pay the required fee. Failure to renew the certificate within 90 days after the expiration date shall result in automatic forfeiture of any certification issued pursuant to this Chapter."

SECTION 13. Any person who submits proof to the Board that he or she has met educational training requirements to practice as a laser hair practitioner in accordance with rules adopted by the North Carolina Board of Electrolysis Examiners shall be licensed without having to satisfy the educational training requirements of G.S. 88A-11.1, as enacted by Section 6 of this act, but shall comply with all other requirements for licensure under G.S. 88A-11.1, enacted by Section 6 of this act, and otherwise comply with the provisions of Chapter 88A of the General Statutes and rules adopted by the Board.

SECTION 14. This act becomes effective October 1, 2007.

Application for certification as Board-approved school of laser, light source, or pulsed-light treatment	***$500 (same for school of electrology)***
Renewal (annual)	***$400 ($250 for school of electrology)***

House Bill 726 also provides that any person practicing laser, light source, or pulsed-light treatments without a license by the Board shall be guilty of a Class I felony and may be assessed a civil penalty of $5,000 per violation.

CURRENT LAW: Chapter 88A of the General Statutes creates the North Carolina Board of Electrolysis Examiners and requires the mandatory licensing of electrologists. A violation of practicing electrolysis without a license is a Class 2 misdemeanor. Electrolysis is defined as the permanent removal of hair by the application of an electric current to the dermal papilla by a filament to cause decomposition, coagulation, or dehydration within the hair follicle as approved by the Food and Drug Administration of the United States Government.

The Board is composed of five members:

- Three electrologists who have practiced for at least five years. One is appointed by the Speaker of the House of Representatives, one is appointed by the President Pro Tem of the Senate, and one is appointed by the Governor.
- A physician licensed in North Carolina, who is nominated by the North Carolina Medical Board and appointed by the Governor.
- A public member, appointed by the Governor.

Chapter 88A sets out the requirements for licensure as an electrologist, certification as an electrology instructor, and certification as a Board-approved school of electrology.

BILL ANALYSIS: House Bill 726 authorizes the licensure of a laser hair practitioner and laser hair practitioner instructor. A laser hair practitioner is defined as a person who engages in laser, light source, or pulsed-light treatments of hair. "Laser, light source, or pulsed-light treatments" are defined as the use of laser or pulsed-light devices for nonablative procedures for the removal of hair.

To be licensed as a laser hair practitioner, a person must first meet the following requirements:

- Be a licensed electrologist.
- Complete a minimum 30-hour laser, light source, or pulsed-light treatment course approved by the Board.
- Currently using or anticipate using laser, light source, or pulsed-light devices.
- Submit the $150 licensure application fee.

A laser hair practitioner is also required to complete a minimum of 10 hours of continuing education annually to maintain licensure.

The following limitations apply to a licensed laser hair practitioner:

- They must practice under the supervision of a licensed physician. However, the authority to regulate laser hair practitioners remains with the Board.
- They are not allowed to dispense or administer medication in connection with treatments, whether prescription or over-the-counter.
- Failure to use devices approved by the federal Food and Drug Administration or failure to comply with all applicable federal and State regulations, rules and laws, subject a licensed laser hair practitioner to license revocation by the Board.
- The use of laser, light source, or pulsed-light devices for ablative procedures is reserved for a licensed physician only.

The following persons and practices are not affected by the requirements of Chapter 88A of the General Statutes:

- Any person licensed or approved by the North Carolina Medical Board to practice medicine or perform medical acts, tasks, or functions as authorized by statute.
- Any person employed and working under the direct supervision of a physician licensed to practice medicine.

To be licensed as a laser hair practitioner instructor, a person must meet the following requirements:

- Submit a Board-approved application.
- Be a licensed electrologist or a licensed physician.
- Have practiced laser and light-based treatments actively for at least five years immediately before applying for licensure.
- Have at least 100 hours of training in laser and light-based treatments.
- Submit the $150 licensure application fee.

Any person practicing laser, light source, or pulsed-light treatments without a license by the Board shall be guilty of a Class I felony and may be assessed a civil penalty of $5,000 per violation.

To be certified as a Board-approved school of laser, light source, or pulsed-light treatments, the school must submit the following:

- Board-approved application.
- Detailed floor plan that demonstrates adequate school facilities.
- Detailed list of equipment to be used by students.
- Copy of the curriculum consisting of the number of hours, with a minimum of 30, and subject matter determined by the Board.
- Certified copy of the school manual of instruction.

- Names and qualifications of the licensed instructors.
- $500 certification fee.
- Submit any additional information the Board may require.

A school's certification is only valid for the location named in the application. If a school desires to change location, it must apply to the Board and pay a certificate renewal fee of $250. A school's certification is not transferable, and the school must notify the Board in writing of any sale, transfer, or change in ownership or management.

EFFECTIVE DATE: The act is effective October 1, 2007.
