31 shall be required by any other collector or personal representative.

32 (b) Prior to filing the proof of notice required by G.S. 28A-14-2, every personal

21 **"§ 28A-15-1. Assets of the estate generally.**

22 (a) All of the real and personal property, both legal and equitable, of a decedent shall be
23 assets available for the discharge of debts and other claims against ~~his~~ the decedent's estate in
24 the absence of a statute expressly excluding any such property. Provided that before real
25 property is selected the personal representative must determine that such selection is in the best
26 interest of the administration of the estate.

27 (b) In determining what property of the estate shall be sold, leased, pledged, mortgaged
28 or exchanged for the payment of the debts of the decedent and other claims against ~~his~~ the
29 decedent's estate, the personal representative shall select the assets which in ~~his~~ the personal
30 representative's judgment are calculated to promote the best interests of the estate. In the
31 selection of assets for this purpose, there shall be no necessary distinction between real and
32 personal property, absent any contrary provision in the will.

33 (c) If it shall be determined by the personal representative that it is in the best interest of
34 the administration of the estate to sell, lease, or mortgage any real estate or interest therein to
35 obtain money for the payment of debts and other claims against the decedent's estate, the
36 personal representative shall institute a special proceeding before the clerk of superior court for
37 such purpose pursuant to Article 17 of this Chapter, except that no such proceeding shall be
38 required for a sale made pursuant to authority given by will. A general provision granting
39 authority to the personal representative to sell the testator's real property, or incorporation by
40 reference of the provisions of G.S. 32-27(2) shall be sufficient to eliminate the necessity for a
41 proceeding under Article 17. If a special proceeding has been instituted by the personal
42 representative pursuant to G.S. 28A-13-3(c), the personal representative may petition for sale,
43 lease, or mortgage of any real property as a part of that proceeding and is not required to
44 institute a separate special proceeding.

45 (d) The crops of every deceased person, remaining ungathered at ~~his~~ the person's death,
46 shall, in all cases, belong to the personal representative or collector, as part of the personal

48 land, unless such intent be manifest and specified in the will.

49 **"§ 28A-15-2. Title and possession of property.**

50 (a) Personal Property. – Subsequent to the death of the decedent and prior to the
51 appointment and qualification of the personal representative or collector, the title and the right

1 of possession of personal property of the decedent is vested in ~~his~~ the decedent's heirs; but upon
2 the appointment and qualification of the personal representative or collector, the heirs shall be
3 divested of such title and right of possession which shall be vested in the personal
4 representative or collector relating back to the time of the decedent's death for purposes of
5 administering the estate of the decedent. But, if in the opinion of the personal representative,
6 ~~his~~ the personal representative's possession, custody and control of any item of personal
7 property is not necessary for purposes of administration, such possession, custody and control
8 may be left with or surrendered to the heir or devisee presumptively entitled thereto.

9 (b) Real Property. – The title to real property of a decedent is vested in ~~his~~ the
10 decedent's heirs as of the time of ~~his~~ the decedent's death; but the title to real property of a
11 decedent devised under a valid probated will becomes vested in the devisees and shall relate
12 back to the decedent's death, subject to the provisions of G.S. 31-39.

13 **"§ 28A-15-3. Nonexoneration of encumbered property.**

14 When real or personal property subject to any lien or security interest, except judgment
15 liens, is specifically devised, the devisee takes the property subject to the encumbrance and
16 without a right to have other assets of the decedent applied to discharge the secured obligation,
17 unless an express provision of the will confers such right of exoneration. A general
18 testamentary direction to pay the debts of the decedent is not sufficient to confer such right.

19 **"§ 28A-15-4. Encumbered assets.**

20 When any assets of the estate are encumbered by mortgage, pledge, lien or other security
21 interest, the personal representative may pay the encumbrance or any part thereof, renew or
22 extend any obligation secured by the encumbrance, or convey or transfer the encumbered assets
23 to the creditor in satisfaction of ~~his~~ the creditor's lien, in whole or in part, whether or not the
24 holder of the encumbrance has filed a claim, if it appears to be for the best interest of the estate;
25 provided that payment of an encumbrance shall not increase the share of the distributee entitled
26 to the encumbered assets unless the distributee is entitled to exoneration by express provisions
27 of the will.

28 **"§ 28A-15-5. Order in which assets appropriated; abatement.**

29 (a) General Rules. – In the absence of testamentary indication as to the order of
30 abatement, or some other controlling statute, shares of devisees and of heirs abate, without any
31 preference or priority as between real and personal property, in the following order:

- 32 (1) Property not disposed of by the will;
- 33 (2) Residuary devisees;
- 34 (3) General devisees;
- 35 (4) Specific devisees.

36 For purposes of abatement, a demonstrative devise of money or property payable out of or
37 charged on a particular fund or other property is treated as a specific devise; but if the particular
38 fund or property out of which the demonstrative devise is to be paid is nonexistent or
39 insufficient at the death of the testator, the deficiency is to be payable out of the general estate
40 of the decedent and is to be regarded as a general devise and must abate pro rata with other
41 general devisees. Abatement within each classification is in proportion to the amounts of
42 property each of the beneficiaries would have received, had full distribution of the property
43 been made in accordance with the terms of the will.

44 (b) Abatement; Sales; Contribution. – When property which has been specifically
45 devised is sold, leased, or mortgaged, or a security therein is created, by the personal
46 representative, abatement shall be achieved by ratable adjustments in, or contributions from
47 other interest in the remaining assets. The clerk of superior court shall, at the time of the
48 hearing on the petition for final distribution, determine the amounts of the respective
49 contributions and whether the same shall be made before distribution or shall constitute a lien
50 on specific property which is distributed.

51 **"§ 28A-15-6. Federal income tax refunds – joint returns.**

1 Upon the determination by the United States Treasury Department of an overpayment of
2 income tax by a married couple filing a joint federal income tax return, one of whom has died
3 since the filing of such return or where a joint federal income tax return is filed on behalf of a
4 husband and wife, one of whom has died prior to the filing of the return, any refund of the tax
5 by reason of such overpayment, if not in excess of five hundred dollars (\$500.00), shall be the
6 sole and separate property of the surviving spouse. In the event that both spouses are dead at
7 the time such overpayment is determined, such refund, if not in excess of five hundred dollars
8 (\$500.00), shall be the sole and separate property of the estate of the spouse who died last and
9 may be paid directly by the Treasury Department to the executor or administrator of such
10 estate, or to the person entitled to the possession of the assets of a small estate pursuant to the
11 provisions of Article 25 of this Chapter.

12 **"§ 28A-15-7. Federal income tax refunds – separate returns.**

13 Upon the determination by the United States Treasury Department of an overpayment of
14 income tax by any married person filing a separate return, any refund of the tax by reason of
15 such overpayment, if not in excess of two hundred fifty dollars (\$250.00), exclusive of interest,
16 shall be the sole and separate property of the surviving spouse, and the United States Treasury
17 Department may pay said sum directly to such surviving spouse, and such payment to the
18 extent thereof shall operate as a complete acquittal and discharge of the United States Treasury
19 Department.

20 **"§ 28A-15-8. State income tax returns.**

21 Upon the determination by the Secretary of Revenue of North Carolina of an overpayment
22 of income tax by any married person, any refund of the tax by reason of such overpayment, if
23 not in excess of two hundred dollars (\$200.00) exclusive of interest, shall be the sole and
24 separate property of the surviving spouse, and said Secretary of Revenue may pay said sum
25 directly to such surviving spouse, and such payment to the extent thereof shall operate as a
26 complete acquittal and discharge of the Secretary of Revenue.

27 **"§ 28A-15-9. Excess funds.**

28 If the amount of any refund exceeds the sums specified in G.S. 28A-15-6, 28A-15-7 or
29 28A-15-8, the sums specified therein and one half of any additional sums shall be the sole and
30 separate property of the surviving spouse. The remaining one half of such additional sums shall
31 be the property of the estate of the decedent spouse.

32 **"§ 28A-15-9.1. Phase II payments.**

33 A Phase II payment as defined in G.S. 28A-21-3.1 shall be the property of the distributees
34 paid in accordance with that section.

35 **"§ 28A-15-10. Assets of decedent's estate for limited purposes.**

36 (a) When needed to satisfy claims against a decedent's estate, assets may be acquired by

46 of Article 4 of Chapter 41 of the General Statutes.

47 Such assets shall be acquired solely for the purpose of satisfying such claims, however, and
48 shall not be available for distribution to heirs or devisees.

49 (b) Where there are not sufficient personal and real assets of the decedent to satisfy all
50 the debts and other claims against ~~his~~ the decedent's estate, the personal representative shall
51 have the right to sue for and recover any and all personal property or real property, or interest

1 therein, which the decedent may in any manner have transferred or conveyed with intent to
2 hinder, delay, or defraud his the decedent's creditors, and any personal property or real
3 property, or interest therein, so recovered shall constitute assets of the estate in the hands of the
4 personal representative for the payment of debts and other claims against the estate of the
5 decedent. But if the alienee has sold the personal property or real property, or interest therein,
6 so fraudulently acquired by ~~him~~ the alienee from the decedent to a bona fide purchaser for
7 value without notice of the fraud, then such personal property or real property, or interest
8 therein, may not be recovered from such bona fide purchaser but the fraudulent alienee shall be
9 liable to the personal representative for the value of the personal property or real property, or
10 interest therein, so acquired and disposed of to a bona fide purchaser. If the whole recovery
11 from the fraudulent alienee shall not be necessary for the payment of the debts and other claims
12 against the estate of the decedent, the surplus shall be returned to such fraudulent alienee or his
13 the fraudulent alienee's assigns.

14 (c) Where there has been a recovery in an action for wrongful death, the same shall not
15 be applied to the payment of debts and other claims against the estate of decedent or devisees,
16 except as to the payment of reasonable burial and funeral expenses and reasonable hospital and
17 medical expenses incident to the injury resulting in death and as limited and provided in
18 G.S. 28-18-2 [G.S. 28A-18-2].

19 **"§ 28A-15-11. Debt due from personal representative not discharged by appointment.**

47 (a) If a contingent or unliquidated claim becomes absolute before the distribution of the

28 (\$3,500). This limitation shall not include burial place or gravestone. The preferential limitation
29 herein granted shall be construed to be only a limit with respect to preference of payment and
30 shall not be construed to be a limitation on reasonable funeral expenses which may be incurred;
31 nor shall the preferential limitation of payment in the amount of three thousand five hundred

38 with respect to preference of payment and shall not be construed to be a limitation on
39 reasonable gravestone or burial place expenses which may be incurred; nor shall the
40 preferential limitation of payment in the amount of one thousand five hundred dollars (\$1,500)
41 be diminished by any Veterans Administration, social security or other federal governmental

3 all other medical supplies necessary for the treatment of such decedent during the last illness of
4 such decedent, said period of last illness not to exceed 12 months.

5 Eighth class. A claim for equitable distribution.

6 Ninth class. All other claims.

7 (b) Notwithstanding subsection (a) of this section, if payment of the commissions of the
8 personal representative under G.S. 28A-23-3(g) would cause the estate to be unable to pay all
9 claims against the estate of a decedent, then the commissions shall be limited to the amount
10 allowed under G.S. 28A-23-3(a).

11 **"§ 28A-19-7. Satisfaction of claims other than by payment.**

12 Notwithstanding any provision of law to the contrary,

- 13 (1) If a decedent was liable in person at the time of ~~his~~ the decedent's death for
14 the payment or satisfaction of any claim or the performance, satisfaction, or
15 discharge of any liability or obligation, whether joint or several, primary or
16 secondary, direct or contingent, or enforceable in any other manner or form
17 whatsoever, or
18 (2) If only the property of a decedent or some part thereof was liable at the time
19 of ~~his~~ the decedent's death for the payment or satisfaction of any claim or the
20 performance, satisfaction, or discharge of any liability or obligation, whether
21 joint or several, primary or secondary, direct or contingent, or enforceable in
22 any other manner or form against the property of the decedent but not
23 against ~~him~~ the decedent or ~~his~~ the decedent's estate as a personal liability,
24 and
25 (3) If any person other than the personal representative of the decedent is willing
26 to assume the liability of the decedent and of ~~his~~ the decedent's estate or to
27 receive or accept property of the decedent subject to such liability in cases
28 where the decedent was not personally liable and the creditor, obligee, or
29 other person for whose benefit such liability exists is willing to accept an
30 agreement with that effect and to discharge the personal representative of the
31 decedent and the estate of the decedent from the payment, satisfaction, or
32 discharge of such liability, and
33 (4) If such creditor, obligee, or other person for whose benefit such liability
34 exists and the person assuming the liability or the person receiving or
35 accepting property of the decedent subject to such liability shall execute,
36 acknowledge, and deliver in the form and manner required for deeds
37 conveying real property in North Carolina, an agreement between

41 decedent and ~~his~~ the decedent's estate from the payment, satisfaction, or
42 discharge of the liability, and thereafter the said creditor, obligee, or other
43 person for whose benefit such liability exists shall have no remedy for the
44 enforcement thereof except against the person assuming it or against the
45 property subject to it as provided in the said agreement; then upon the filing
46 with the clerk of superior court having jurisdiction over the estate and the
47 personal representative of one duplicate original of the said agreement, or of
48 a certified copy thereof if it is a duly recorded instrument, the same shall be
49 accepted in the same manner as a voucher showing payment or discharge of
50 the said liability in the accounts of the personal representative of the
51 decedent.

1 The word "person" as used in this section shall include one or more natural persons,
2 corporations, partnerships, or entities having the power to own property or to make contracts in
3 regard thereto. The word "release" as used in this section shall include a covenant not to sue in
4 any case in which an unqualified release or discharge of one obligee would discharge another,
5 and if the liability involved is a negotiable instrument or other instrument transferable to a
6 holder in due course, such release shall not be effective unless notice thereof is endorsed on the
7 instrument involved, dated, and signed by the creditor or the holder of the indebtedness or
8 person for whose benefit the property is encumbered.

9 **"§ 28A-19-8. Funeral expenses of decedent.**

10 (a) Any person authorized under G.S. 130A-420 to dispose of a decedent's body may
11 bind a decedent's estate for funeral expenses and related charges, including interest and finance
12 charges, in accordance with this section, including the execution and delivery on behalf of the
13 estate of any agreements, promissory notes, and other instruments relating to the estate.
14 Whether or not a personal representative of the estate has been appointed at the time the
15 expenses are incurred, funeral expenses of a decedent, together with interest or finance charges
16 if financed by the funeral establishment or a third-party creditor, or advanced by a health care
17 agent exercising authority described in G.S. 32A-19(b), shall be considered as an obligation of
18 the estate of the decedent and the decedent's estate shall be primarily liable for those expenses
19 to the funeral establishment that provided the funeral service, to any third-party creditor that
20 finances the payment of those expenses, or to any other person described in this section who
21 has paid such expenses.

22 (b) The provisions of this section shall not affect the application of G.S. 28A-19-6 or
23 G.S. 130A-420.

24 **"§ 28A-19-9. Gravestone and burial place authorized.**

25 (a) ¶ If the decedent has duly appointed a health care agent pursuant to Article 3 of
26 Chapter 32A of the General Statutes to provide for these expenses, the health care agent may
27 make arrangements to provide a suitable gravestone to mark the grave of the testator or
28 intestate, and the personal representative shall reimburse the health care agent subject to the
29 monetary limitations and procedures contained in this section. If the decedent did not have a
30 health care agent, or if the health care agent does not act, it is lawful for a personal
31 representative or the decedent's duly appointed health care agent to provide a suitable
32 gravestone to mark the graves of the testator or intestate and to pay for the cost of erecting the
33 same. The cost thereof shall be treated as a third class claim under G.S. 28A-19-6 and credited
34 as such in final accounts. The costs thereof shall be in the sound discretion of the personal
35 representative, representative or health care agent, having due regard to the value of the estate
36 and to the interests of creditors and needs of the surviving spouse and the heirs and devisees of
37 the estate. Where the personal representative or health care agent desires to spend more than
38 one thousand five hundred dollars (\$1,500) for the purpose of a gravestone, and the will does
39 not grant specific authority to the personal representative for such expenditures in excess of one
40 thousand five hundred dollars (\$1,500), the personal representative shall file a petition before
41 the clerk of the court, and such order as will be made by the court shall specify the amount to
42 be expended for such purpose. In specifying the amount, the clerk may consider the value of
43 the estate. To the extent that the personal representative or health care agent advances the costs
44 for providing a suitable gravestone to mark the graves of the testator or intestate and for
45 erecting the same, the advancement shall be considered as an obligation of the decedent's
46 estate, and the decedent's estate shall be primarily liable for the costs for providing a suitable
47 gravestone to mark the graves of the testator or intestate and for erecting the same.

48 (b) It is lawful for ~~a personal representative~~ the decedent's duly appointed health care
49 agent to provide a suitable burial place for the testator or intestate. If the decedent did not have
50 a health care agent, or if the health care agent does not act, then the personal representative may
51 provide a suitable burial place for the testator or intestate. The cost of a suitable burial place

1 shall be in the sound discretion of the personal ~~representative~~, representative or the decedent's
2 health care agent, having due regard to the value of the estate and to the interests of creditors
3 and needs of the surviving spouse and the heirs and devisees of the estate, and shall be treated
4 as a third class claim under G.S. 28A-19-6.

5 **"§ 28A-19-10. Perpetual care of cemetery lot.**

6 It shall be lawful for a personal representative to provide for perpetual care for the lot upon
7 which is located the grave of the testator or intestate, and the cost thereof shall be paid and
8 credited as such in final accounts: Provided, that the provisions of this section shall be
9 applicable to an interment made in a cemetery authorized by law to operate as a perpetual-care
10 cemetery or association, and the cost thereof shall be in the sound discretion of the personal
11 representative having due regard to the value of the estate and to the interest of the surviving
12 spouse and the heirs and devisees of the estate. Provided, where the personal representative
13 desires to spend more than two hundred fifty dollars (\$250.00) for such purpose, and the will
14 does not grant specific authority to the personal representative for such expenditure in excess of
15 two hundred fifty dollars (\$250.00), ~~he~~ the personal representative shall file ~~his~~ the personal
16 representative's petition before the clerk of the superior court and such order as will be made by
17 the court shall specify the amount to be expended for such purpose.

18 **"§ 28A-19-11. Pleading statute of limitations.**

19 When claims are not barred pursuant to G.S. 28A-19-3, it shall be within the discretion of
20 the personal representative or collector acting in good faith to determine whether or not any
21 applicable statute of limitations shall be pleaded to bar a claim which ~~he~~ the personal
22 representative or collector believes to be just. ~~His~~ The personal representative's or collector's
23 admission of such claim or ~~his~~ the personal representative's or collector's decision not to plead
24 the statute in an action brought on the claim shall, in the absence of any showing of collusion or
25 bad faith, be binding on all persons interested in the estate.

26 **"§ 28A-19-12. Claims due representative not preferred.**

27 No property or assets of the decedent shall be retained by the personal representative or
28 collector in satisfaction of ~~his~~ the personal representative's or collector's own claim, in
29 preference to others of the same class. Prior to payment of ~~his~~ the personal representative's or
30 collector's own claim the personal representative or collector shall receive written approval of
31 the clerk of superior court. If the clerk does not approve the claim the personal representative or
32 collector may refer the claim as a disputed claim under the provisions of G.S. 28A-19-15. The
33 provisions of G.S. 28A-19-1 and G.S. 28A-19-3 shall not apply to such claims and the personal
34 representative or collector may present ~~his~~ the personal representative's or collector's own claim
35 at any time prior to the filing of ~~his~~ the personal representative's or collector's final account.

36 **"§ 28A-19-13. No preference within class.**

37 No personal representative or collector shall give to any claim any preference whatever,
38 either by paying it out of its class or by paying thereon more than a pro rata proportion in its
39 class.

40 **"§ 28A-19-14. Claims not due rebated.**

41 Claims owed by the estate but not yet due may be paid by the personal representative on a
42 rebate of interest thereon for the time unexpired.

43 **"§ 28A-19-15. Disputed claim may be referred.**

44 If the personal representative doubts the justness of any claim so presented, ~~he~~ the personal
45 representative may enter into an agreement, in writing, with the claimant, to refer the matter in
46 controversy, whether the same be of a legal or equitable nature, to one or more disinterested
47 persons, not exceeding three, whose proceedings shall be the same in all respects as if such
48 reference had been ordered in an action. Such agreement to refer, and the award thereupon,
49 shall be filed in the clerk's office where the letters were granted, and shall be a lawful voucher
50 for the personal representative. The same may be impeached in any proceeding against the

1 personal representative for fraud therein: Provided, that the right to refer claims under this
2 section shall extend to claims in favor of the estate as well as those against the estate.

3 **"§ 28A-19-16. Disputed claim not referred barred in three months.**

4 If a claim is presented to and rejected by the personal representative or collector, and not
5 referred as provided in G.S. 28A-19-15, the claimant must, within three months, after due
6 notice in writing of such rejection, ~~or after some part of the claim becomes due,~~ commence an
7 action for the recovery thereof, or in the case of a contingent or unliquidated claim, file a
8 petition for an order from the clerk of superior court pursuant to G.S. 28A-19-5(b), or be
9 forever barred from maintaining an action thereon.

10 **"§ 28A-19-17. No lien by suit against representative.**

11 No lien shall be created by the commencement of a suit against a personal representative or
12 collector.

13 **"§ 28A-19-18. When costs against representative allowed.**

14 No costs shall be recovered in any action against a personal representative or collector
15 unless it appears that payment was unreasonably delayed or neglected, or that the defendant
16 refused to refer the matter in controversy, in which case the court may award such costs
17 against the defendant personally, or against the estate, as may be just.

18 **"§ 28A-19-19. Claims for equitable distribution.**

19 (a) The provisions of G.S. 28A-19-5 and G.S. 28A-19-7 shall not apply to claims for
20 equitable distribution.

21 (b) The personal representative may enter into an agreement, in writing, with a claimant
22 providing for distribution of marital or divisible property, or both, in a manner deemed by the
23 personal representative and the claimant to be equitable. The agreement shall be filed in the
24 clerk's office where the letters were granted and shall be a lawful voucher for the personal
25 representative. The same may be impeached in any proceeding against the personal
26 representative for fraud therein.

27 (c) Unless the claim for equitable distribution has been referred as provided in
28 G.S. 28A-19-15, the claimant may at anytime, subject to the provisions of G.S. 28A-19-16, file
29 an action with the district court for distribution of marital or divisible property in accordance
30 with the provisions of G.S. 50-20.

31 "Article 20.

32 "Inventory.

33 **"§ 28A-20-1. Inventory within three months.**

34 Every personal representative and collector, within three months after ~~his qualification,~~ the
35 qualification of that personal representative or collector, shall return to the clerk, on oath, a just,
36 true and perfect inventory of all the real and personal property of the deceased, which have

39 the personal representative or collector and be recorded by the clerk.

40 **"§ 28A-20-2. Compelling the inventory.**

41 (a) If the inventory specified in G.S. 28A-20-1 is not filed as prescribed, the clerk of
42 superior court must issue an order requiring the personal representative or collector to file it
43 within the time specified in the order, not less than 20 days, or to show cause why ~~he~~ the
44 personal representative or collector should not be removed from office. If, after due service of
45 the order, the personal representative or collector does not on or before the return day of the
46 order file such inventory or obtain further time in which to file it, the clerk may remove ~~him~~ the
47 personal representative or collector from office or may issue an attachment against ~~him~~ the
48 personal representative or collector for a contempt and commit ~~him until he~~ the personal
49 representative or collector until the personal representative or collector files said inventory
50 report.

1 (b) The personal representative or collector shall be personally liable for the costs of
2 any proceeding incident to ~~his~~ the personal representative's or collector's failure to file the
3 inventory required by G.S. 28A-20-1. Such costs shall be taxed against ~~him~~ the personal
4 representative or collector by the clerk of superior court and may be collected by deduction
5 from any commissions which may be found due the personal representative or collector upon
6 final settlement of the estate.

7 **"§ 28A-20-3. Supplemental inventory.**

8 (a) Whenever any property not included in the original inventory report becomes
9 known to any personal representative or collector or whenever the personal representative or
10 collector learns that the valuation or description of any property or interest therein indicated in
11 the original inventory is erroneous or misleading, ~~he~~ the personal representative or collector
12 shall prepare and file with the clerk of superior court a supplementary inventory in the same
13 manner as prescribed for the original inventory. The clerk shall record the supplemental report
14 with the original inventory.

15 (b) The making of the supplemental inventory shall be enforced in a manner specified
16 in G.S. 28A-20-2.

17 **"§ 28A-20-4. Employment of appraisers.**

18 A personal representative or collector may, but shall not be required to, employ qualified
19 and disinterested appraisers to assist in ascertaining the fair market value as of the date of the
20 decedent's death of any asset the value of which may be subject to reasonable doubt. Different
21 persons may be employed to appraise different kinds of assets. The name and address of any
22 appraiser shall be indicated in the inventory with the asset or assets ~~he~~ the appraiser appraised.

23 "Article 21.

36 annual account. In no event may a personal representative or collector select a fiscal year-end
37 which is more than twelve months from the date of death of the decedent or, in the case of trust
38 administration, the date of the opening of the trust. Any fiscal year selected may not be changed
39 without the permission of the clerk of superior court.

40 The personal representative or collector shall produce vouchers for all payments or verified

51 inheritance tax release, or in the time period for filing an annual account pursuant to

1 G.S. 28A-21-1, whichever is later. If no estate or inheritance tax return was required to be filed
2 for the estate, the personal representative or collector shall so certify in the final account filed
3 with the clerk of superior court. Such certification shall list the amount and value of all of the
4 decedent's property, and with respect to real estate, its particular location within or outside the

9 personal representative or collector shall produce vouchers for all payments or verified proof
10 for all payments in lieu of vouchers. With the approval of the clerk of superior court, such
11 account may be filed voluntarily at any time. In all cases, the accounting shall be reviewed,
12 audited and recorded by the clerk of superior court in the manner prescribed in G.S. 28A-21-1.

13 (b) Except as provided in subsection (a), after the date specified in the general notice to
14 creditors as provided for in G.S. 28A-14-1, if all of the debts and other claims against the estate

23 **"§ 28A-22-5. Distribution of assets in kind in satisfaction of bequests and transfers in**
24 **trust.**

29 fiduciary shall, in the absence of contrary provisions in such will or trust indenture, be required

31 appreciation or depreciation in the value of all property available for distribution in satisfaction
32 of such bequest or transfer.

33 (b) The provisions of subsection (a) of this section shall not apply unless either:

50 America, and other taxing authorities, requiring the fiduciary to exercise the fiduciary's

1 in trust will be fairly representative of the net appreciation or depreciation in value on the date,
2 or dates, of distribution of all property then available for distribution in satisfaction of such
3 bequest or transfer in trust. Any such fiduciary shall be authorized to enter into any other
4 agreement not in conflict with the express terms of the will or trust indenture that may be

20 (c) This section establishes a procedure that is separate from the provisions of
21 G.S. 33-69.1 and it is not the intention of this section to repeal in whole or in part the

26 **"§ 28A-22-8. Executor or trustee; discretion over distributions.**

27 Unless otherwise restricted by the terms of the will or trust, an executor or trustee shall
28 have absolute discretion to make distributions in cash or in specific property, real or personal,

40 (b) The clerk shall hold the share without liability for profit or interest. If no claim has
41 been presented within a period of one year after the filing of the final account, the clerk shall
42 deliver the share to the State Treasurer as abandoned property.

43 (c) The clerk shall not be required to publish any notice to such devisee or heir and
44 shall not be required to report such share to the State Treasurer. If the devisee or heir is located,
45 the clerk shall inform the devisee or heir that ~~he~~ the devisee or heir is entitled to file a claim
46 with the State Treasurer for the share under the provisions of G.S. 116B-67.

47 **"§ 28A-22-10. Distribution of assets of inoperative trust.**

3 terms of the instrument creating the trust without the interposition of the establishment of the
4 trust. If only a portion of the trust would be inoperative, the property distributable to that
5 portion of the trust may be distributed directly to the person or persons entitled to the property
6 under the terms of the instrument creating the trust.

7 **"§ 28A-22-11. Agreements with heirs.**

8 Any agreement by an heir, unknown or known but unlocated, the primary purpose of which
9 is to locate or recover, or assist in the recovery of, a share in a decedent's estate shall be subject
10 to the provisions of G.S. 116B-78.

11 "Article 23.

12 "Settlement.

13 **"§ 28A-23-1. Settlement after final account filed.**

16 G.S. 28A-22-1 and has filed his the personal representative's or collector's final account for
17 settlement pursuant to G.S. 28A-21-2, if the clerk of superior court, after review of the personal
18 representative's or collector's final account, approves the same, ~~he~~ the clerk of superior court
19 shall enter an order discharging the personal representative or collector from further ~~liability,~~

24 When any personal representative or collector holds property due a minor without a
25 guardian and desires to file his the personal representative's or collector's petition for
26 settlement, ~~he~~ the personal representative or collector may deliver the property to the clerk of
27 superior court who shall invest upon interest or otherwise manage said property for the use of
28 the minor or the clerk may proceed to appoint a guardian for the minor pursuant to the
29 provisions of Chapter 35A of the General Statutes and then may deliver the property of the
30 minor to the guardian.

31 **"§ 28A-23-3. Commissions allowed personal representatives; representatives guilty of
32 misconduct or default.**

33 (a) Personal representatives, collectors or public administrators shall be entitled to
34 commissions to be fixed in the discretion of the clerk of superior court not to exceed five
35 percent (5%) upon the amounts of receipts, including the value of all personal property when
36 received, and upon the expenditures made in accordance with law. In determining the
37 maximum commissions allowable under this subsection, the clerk of superior court may take
38 into consideration fees paid by the estate for professional services performed in the ordinary
39 course of administering the estate, including services performed by attorneys and accountants.
40 However, the clerk is not required to reduce the maximum commissions allowed by the
41 aggregate fees paid to professionals on a dollar-for-dollar basis.

42 The commissions shall be charged as a part of the costs of administration and, upon
43 allowance, may be retained out of the assets of the estate against creditors and all other persons
44 claiming an interest in the estate. If the gross value of an estate is two thousand dollars (\$2,000)
45 or less, the clerk of superior court may fix the commission to be received by the personal
46 representative, collector or public administrator in an amount the clerk of superior court, in the
47 clerk's discretion, deems just and adequate.

48 (b) In determining the amount of the commissions, both upon personal property
49 received and upon expenditures made, the clerk of superior court shall consider the time,
50 responsibility, trouble and skill involved in the management of the estate. Where real property

1 is sold to pay debts or legacies, the commission shall be computed only on the proceeds
2 actually applied in the payment of debts or legacies.

3 (c) The clerk of superior court may allow commissions from time to time during the
4 course of the administration, but the total commissions allowed shall be determined on final
5 settlement of the estate and shall not exceed the limit fixed in this section.

6 (d) Nothing in this section shall be construed to:

7 (1) Prevent the clerk of the superior court from allowing reasonable sums for
8 necessary charges and disbursements incurred in the management of the
9 estate.

10 (2) Allow commissions on distribution of the shares of heirs or on distribution
11 of shares of devisees.

12 (3) Abridge the right of any party interested in the administration of a decedent's
13 estate to appeal an order of the clerk of superior court to a judge of superior
14 court.

15 (e) No personal representative, collector or public administrator, who has been guilty of
16 default or misconduct in the due execution of ~~his or her~~ the personal representative's,
17 collector's, or public administrator's office resulting in the revocation of ~~his or her~~ the
18 appointment of the personal representative, collector, or public administrator under the
19 provisions of G.S. 28A-9-1, shall be entitled to any commission under the provisions of this
20 section.

21 (f) For the purpose of computing commissions whenever any portion of the dividends,
22 interest, rents or other amounts payable to a personal representative, collector or public
23 administrator is required by any law of the United States or other governmental unit to be
24 withheld for income tax purposes by the person, corporation, organization or governmental unit
25 paying the same, the amount withheld shall be deemed to have been received and expended.

26 (g) Subsection (a) of this section does not apply if the testator's will specifies a
27 stipulated amount or method or standard for determining the compensation for the services
28 rendered by the personal representative, including a provision in the will that the compensation
29 of the personal representative is to be determined by applying the personal representative's
30 regularly adopted schedule of compensation in effect at the time of performance of those
31 services. Subsection (a) of this section also shall not apply if the testator's will provides that the
32 personal representative is to receive "reasonable compensation" for those services or similar
33 language to that effect if the personal representative and the beneficiaries whose shares would
34 be charged with the payment of the personal representative's compensation consent in writing
35 to the specific amount that constitutes reasonable compensation.

36 (h) Subsection (a) of this section shall apply if the testator's will provides that
37 compensation of the personal representative shall be the amount "as provided by law," the
38 "maximum amount provided by law," or other similar language.

39 **"§ 28A-23-4. Counsel fees allowable to attorneys serving as representatives.**

40 The clerk of superior court, in ~~his discretion,~~ the discretion of the clerk of superior court, is
41 authorized and empowered to allow counsel fees to an attorney serving as a personal
42 representative, collector or public administrator (in addition to the commissions allowed ~~him~~
43 the attorney as such representative, collector or public administrator) where such attorney in
44 behalf of the estate ~~he~~ the attorney represents renders professional services, as an attorney,
45 which are beyond the ordinary routine of administration and of a type which would reasonably
46 justify the retention of legal counsel by any such representative, collector or public
47 administrator not ~~himself~~ licensed to practice law.

48 **"§ 28A-23-5. Reopening administration.**

49 If, after an estate has been settled and the personal representative discharged, other property
50 of the estate shall be discovered, or if it shall appear that any necessary act remains
51 unperformed on the part of the personal representative, or for any other proper cause, the clerk

1 of superior court, upon the petition of any person interested in the estate and without notice or
2 upon such notice as he the clerk of superior court may direct, may order that said estate be
3 reopened. He The clerk of superior court may reappoint the personal representative or appoint
4 another personal representative to administer such property or perform such acts as may be
5 deemed necessary. Unless the clerk of superior court shall otherwise order, the provisions of
6 this Chapter as to an original administration shall apply to the proceedings had in the reopened
7 administration; but no claim which is already barred can be asserted in the reopened
8 administration.

42 member or members by at least 120 hours.

43 "**§ 28A-24-3. Co-owners with right of survivorship; requirement of survival by 120 hours.**

44 Except as otherwise provided in this Article, (i) if it is not established by clear and
45 convincing evidence that one of two co-owners with right of survivorship survived the other
46 co-owner by at least 120 hours, one-half of the property passes as if one had survived by at
47 least 120 hours and one-half as if the other had survived by at least 120 hours and (ii) if there
48 are more than two co-owners with right of survivorship and it is not established by clear and
49 convincing evidence that at least one of them survived the others by at least 120 hours, the
50 property passes to the estates of each of the co-owners in the proportion that one bears to the
51 whole number of co-owners.

1 § 28A-24-4. Survival of an event; 120-hour period not applicable.

2 For purposes of a governing instrument that requires survival of an event, other than the
3 death of another individual, the 120-hour survivorship requirement of this Article does not
4 apply.

5 § 28A-24-5. Victim deemed to survive slayer.

6 Notwithstanding any other provisions of this Article, solely for the purpose of determining
7 whether the victim is entitled to any right or benefit that depends on surviving the death of a
8 slayer under G.S. 31A-3, the slayer is deemed to have predeceased the victim and the victim is
9 deemed to have survived the slayer by at least 120 hours (or any greater survival period
10 required of the victim under the slayer's will or other governing instrument) unless it is
11 established by clear and convincing evidence that the slayer survived the victim by at least 120
12 hours.

13 § 28A-24-6. Exceptions to the 120-hour survival requirement.

14 Survival by 120 hours is not required if any of the following apply:

- 15 (1) The governing instrument contains language dealing explicitly with
16 simultaneous deaths or deaths in a common disaster and the language is
17 operable under the facts of the case.
- 18 (2) The governing instrument expressly indicates that an individual is not
19 required to survive the death of another individual by any specified period or
20 expressly requires the individual to survive another individual for a specified
21 period; but survival must be established by clear and convincing evidence.
- 22 (3) The imposition of a 120-hour requirement of survival would cause a
23 nonvested property interest or a power of appointment to fail to qualify for
24 validity under G.S. 41-15; but survival must be established by clear and
25 convincing evidence.
- 26 (4) The application of a 120-hour requirement of survival to multiple governing
27 instruments would result in an unintended failure or duplication of a
28 disposition; but survival must be established by clear and convincing
29 evidence.
- 30 (5) The application of a 120-hour requirement of survival would deprive an
31 individual or the estate of an individual of an otherwise available tax
32 exemption, deduction or credit, expressly including the marital deduction,
33 resulting in the imposition of a tax upon a donor or testator or other person
34 (or their estate) as the transferor of any property. "Tax" includes any federal
35 or State gift, estate or inheritance tax.
- 36 (6) The application of a 120-hour requirement of survival would result in an
37 escheat.

38 § 28A-24-7. Evidence of death or status.

43 G.S. 90-323 or Chapter 28C of the General Statutes.
- 44 (2) A certified or authenticated copy of a death certificate purporting to be
45 issued by an official or agency in the place where the death purportedly
46 occurred is prima facie evidence of the fact, place, date, and time of death
47 and the identity of the decedent. In the absence of evidence disputing the
48 death certificate, that certificate shall be conclusive evidence of the fact,
49 place, date, and time of death and the identity of the decedent.
- 50 (3) A certified or authenticated copy of any record or report of a governmental
51 agency, domestic or foreign, that an individual is missing, detained, dead, or

1 alive is prima facie evidence of the status and of the dates, circumstances,
2 and places disclosed by the record or report. The record or report is
3 conclusive evidence of the status and of the dates, circumstances, and places
4 disclosed by the record or report unless there is evidence to the contrary.

- 5 (4) In the absence of prima facie evidence of death under subdivision (2) or (3)
6 of this section, the fact of death may be established by clear and convincing
7 evidence, including circumstantial evidence.

9 personal liability of recipient.**

10 (a) A payor or other third party is not liable for having made a payment or transferred
11 an item of property or any other benefit to a person designated in a governing instrument who,
12 under this Article, is not entitled to the payment or item of property, or for having taken any

26 proceedings relating to decedents' estates located in the county of the decedent's residence. The
27 clerk shall hold the funds or item of property and, upon the clerk's determination under this
28 Article, shall order disbursement in accordance with the determination. Payments, transfers, or
29 deposits made to or with the clerk discharge the payor or other third party from all claims for
30 the value of amounts paid to or items of property transferred to or deposited with the clerk.

31 (b) A person who purchases property for value and without notice, or who received a
32 payment or other item of property in partial or full satisfaction of a legally enforceable
33 obligation, is neither obligated under this Article to return the payment, item of property, or
34 benefit, nor liable under this Article for the amount of the payment or the value of the item of
35 property or benefit. But a person who, not for value, receives a payment, item of property, or

1 debt or deliver the property directly to the nonresident domiciliary personal representative as
2 set forth in subsection (a) of this section.

3 **"§ 28A-26-3. Ancillary administration.**

4 (a) Any domiciliary personal representative of a nonresident decedent upon the filing of
5 a certified or exemplified copy of letters of appointment with the clerk of superior court who
6 has venue under G.S. 28A-3-1 may be granted ancillary letters in this State notwithstanding
7 that the domiciliary personal representative is a nonresident of this State or is a foreign
8 corporation. If the domiciliary personal representative is a foreign corporation, it need not
9 qualify under any other law of this State to authorize it to act as ancillary personal
10 representative in the particular estate. If application is made for the issuance of ancillary letters
11 to the domiciliary personal representative, the clerk of superior court shall give preference in
12 appointment to the domiciliary personal representative unless the decedent shall have otherwise
13 directed in a will.

14 (b) If, within 90 days after the death of the nonresident, or within 60 days after issue of
15 domiciliary letters, should that be a shorter period, no application for ancillary letters has been
16 made by a domiciliary personal representative, any person who could apply for issue of letters
17 had the decedent been a resident may apply for issue of ancillary letters.

18 If it is known that there is a duly qualified domiciliary personal representative, the clerk of
19 superior court shall send notice of such application, by registered mail, to that personal
20 representative and to the appointing court. Such notice shall include a statement that, within 14
21 days after its mailing, the domiciliary personal representative may apply for the issue of
22 ancillary letters with the preference specified in subsection (a) of this section; and that ~~his~~
23 failure of the domiciliary personal representative to do so will be deemed a waiver, with the
24 result that letters will be issued to another. Upon such failure, the clerk of superior court may
25 issue ancillary letters in accordance with the provisions of Article 4 of this Chapter.

26 If the applicant and the clerk of superior court have no knowledge of the existence of a
27 domiciliary personal representative, the clerk of superior court may proceed to issue ancillary
28 letters. Subsequently, upon it becoming known that a domiciliary personal representative has
29 been appointed, whether such appointment occurred before or after the issue of ancillary letters,
30 the clerk of superior court shall notify the domiciliary personal representative, by registered
31 mail, of the action taken by the clerk of superior court and the state of the ancillary
32 administration. Such notice shall include a statement that at any time prior to approval of the
33 ancillary personal representative's final account the domiciliary personal representative may
34 appear in the proceedings for any purpose ~~he~~ the domiciliary personal representative may deem
35 advisable; and that ~~he~~ the domiciliary personal representative may apply to be substituted as
36 ancillary personal representative, but that such request will not be granted unless the clerk of
37 superior court finds that such action will be for the best interests of North Carolina
38 administration of the estate.

39 **"§ 28A-26-4. Bonds.**

40 (a) Subject to the exception in subsection (b), any personal representative, including a
41 domiciliary personal representative, who is granted ancillary letters of administration in this
42 State must satisfy the bond requirements prescribed in Article 8 of this Chapter.

43 (b) Where a citizen or subject of a foreign country, or of any other state or territory of
44 the United States, by will sufficient according to the laws of this State, and duly probated and
45 recorded in the proper county, devises to ~~his~~ that person's executor, with power to sell and
46 convey, real property situated in this State in trust for a person named in the will, the power
47 being vested in the executor as such trustee, the executor may execute the power without giving
48 bond in this State.

49 **"§ 28A-26-5. Authority of domiciliary personal representative of a nonresident decedent.**

1 The domiciliary personal representative of the nonresident decedent after qualifying as
2 ancillary personal representative in this State is authorized to administer the North Carolina
3 estate of the nonresident decedent in accordance with the provisions of this Chapter.

4 **"§ 28A-26-6. Jurisdiction.**

5 (a) A domiciliary personal representative of a nonresident decedent may invoke the
6 jurisdiction of the courts of this State after qualifying as ancillary personal representative in this
7 State except that ~~he~~ the domiciliary personal representative may invoke such jurisdiction prior
8 to qualification for the purpose of appealing from a decision of the clerk of superior court
9 regarding a question of qualification.

10 (b) A domiciliary personal representative of a nonresident decedent submits to the
11 jurisdiction of the courts of this State:

- 12 (1) As provided in G.S. 1-75.4, or
- 13 (2) By receiving payment of money or taking delivery of personal property
14 under G.S. 28A-26-2; or
- 15 (3) By acceptance of ancillary letters of administration in this State under
16 G.S. 28A-26-3; or
- 17 (4) By doing any act as personal representative in this State which if done as an
18 individual would have given the State jurisdiction over ~~him~~ the personal
19 representative as an individual.

20 **"§ 28A-26-7. Service on personal representative of a nonresident decedent.**

21 A court of this State having jurisdiction of the subject matter and grounds for personal
22 jurisdiction as provided in G.S. 28A-26-6 may exercise personal jurisdiction over a defendant
23 by service of process in accordance with the provisions of G.S. 1A-1, Rule 4(j).

24 **"§ 28A-26-8. Duties of personal representative in an ancillary administration.**

25 (a) All assets of estates of nonresident decedents being administered in this State are
26 subject to all claims, allowances and charges existing or established against the estate of the
27 decedent wherever existing or established.

28 (b) An adjudication of a claim rendered in any jurisdiction in favor of or against any
29 personal representative of the estate of a nonresident decedent is binding on the ancillary
30 personal representative in this State and on all parties to the litigation.

31 (c) Limitations on presentation of claims shall be governed by the provisions of this
32 Chapter except that creditors residing in the domiciliary state barred by the statutes of that state
33 may not file claims in an ancillary administration in this State.

34 (d) In the payment of claims by the ancillary administrator, the following rules shall
35 apply:

- 36 (1) If the value of the entire estate, wherever administered, equals or exceeds
37 family exemptions and allowances, prior charges and claims against the
38 entire estate, the claims allowed in this State shall be paid in full from assets
39 in this State, if such assets are sufficient for the purpose.
- 40 (2) If such total exemptions, allowances, charges and claims exceed the value of
41 the entire estate, the claims allowed in this State shall be paid their proper
42 percentage pro rata by class, if assets in this State are sufficient for the
43 purpose.
- 44 (3) If assets in this State are inadequate for either of the purposes stated in
45 subdivisions (1) or (2) above, the claims allowed in this State shall be paid,
46 pro rata by class, to the extent the local assets will permit.
- 47 (4) If the value of the entire estate, wherever administered, is insufficient to pay
48 all exemptions and allowances, prior charges and claims against the entire
49 estate, the priority for order of payment established by the law of the
50 domicile will prevail.

1 **"§ 28A-26-9. Remission of surplus assets by ancillary personal representative to**
2 **domiciliary personal representative.**

3 Unless a testator in a will otherwise directs, any assets (including proceeds from the sale of
4 real estate) remaining after payment of claims against the estate of a nonresident decedent
5 being administered by an ancillary personal representative other than the domiciliary personal
6 representative shall be transferred and delivered to the domiciliary personal representative or, if
7 none, to the court in the domicile of the decedent which has jurisdiction to administer the
8 estate.

9 "Article 27.

10 "Apportionment of Federal Estate Tax.

11 **"§ 28A-27-1. Definitions.**

12 For the purposes of this Article:

- 13 (1) "Estate" means the gross estate of a decedent as determined for the purpose
14 of the federal estate tax.
- 15 (2) "Fiduciary" includes a personal representative and a trustee.
- 16 (3) "Person" means any individual, partnership, association, joint stock
17 company, corporation, governmental agency, including any multiples or
18 combinations of the foregoing as, for example, individuals as joint tenants.
- 19 (4) "Person interested in the estate" means any person, including a personal
20 representative, guardian, or trustee, entitled to receive, or who has received,
21 from a decedent while alive or by reason of the death of a decedent any
22 property or interest therein included in the decedent's taxable estate.
- 23 (5) "State" means any state, territory, or possession of the United States, the
24 District of Columbia, or the Commonwealth of Puerto Rico.
- 25 (6) "Tax" means the net Federal Estate Tax due, after application of any
26 available unified transfer tax credit, and interest and penalties imposed in
27 addition to the tax.

28 **"§ 28A-27-2. Apportionment.**

29 (a) Except as otherwise provided in subsection (b) of this section, or in G.S. 28A-27-5,
30 G.S. 28A-27-6, or G.S. 28A-27-8, the tax shall be apportioned among all persons interested in
31 the estate in the proportion that the value of the interest of each person interested in the estate
32 bears to the total value of the interests of all persons interested in the estate. The values as
33 finally determined for federal estate tax purposes shall be used for the purposes of this
34 computation.

35 (b) In the event the decedent's will provides a method of apportionment of the tax
36 different from the method provided in subsection (a) above, the method described in the will
37 shall control. However, in the case of any will executed on or after October 1, 1986, a general
38 direction in the will that taxes shall not be apportioned, whether or not referring to this Article,
39 but shall be paid from the residuary portion of the estate shall not, unless specifically stated
40 otherwise, apply to taxes imposed on assets which are includible in the valuation of the
41 decedent's gross estate for federal estate tax purposes only by reason of Sections 2041, 2042 or
42 2044 of the Internal Revenue Code of 1954 or corresponding provisions of any subsequent tax
43 law. In the case of an estate administered under any will executed on or after October 1, 1986,
44 in the event that the estate tax computation involves assets described in the preceding sentence,
45 unless specifically stated otherwise, apportionment shall be made against such assets and the
46 tax so apportioned shall be recovered from the persons receiving such assets as provided in
47 Sections 2206, 2207 or 2207A of the Internal Revenue Code of 1954 or corresponding
48 provisions of any subsequent tax law.

49 **"§ 28A-27-3. Procedure for determining apportionment.**

50 (a) The personal representative of a decedent shall determine the apportionment of the
51 tax.

1 (b) If the personal representative finds that it is inequitable to apportion interest and
2 penalties in the manner provided in this Article because such interest or penalties were imposed
3 due to the fault of one or more persons interested in the ~~estate~~ estate, the personal
4 representative may direct apportionment thereon in the manner ~~he~~ the personal representative
5 finds equitable.

6 (c) The expenses reasonably incurred by the personal representative in connection with
7 the apportionment of the tax shall be apportioned as provided for taxes under this Article. If the
8 personal representative finds that it is inequitable to apportion the expenses because such
9 expenses were incurred because of the fault of one or more persons interested in the ~~estate~~
10 estate, the personal representative may direct other more equitable apportionment.

11 **"§ 28A-27-4. Uncollected tax.**

12 The personal representative shall not be under any duty to institute any suit or proceeding to
13 recover from any person interested in the estate the amount of the tax apportioned to the person
14 until the expiration of the six months next following final determination of the tax. A personal
15 representative who institutes the suit or proceeding within a reasonable time after the six
16 months' period shall not be subject to any liability or surcharge because any portion of the tax
17 apportioned to any person interested in the estate was collectable at a time following the death
18 of the decedent but thereafter became uncollectable. If the personal representative cannot
19 collect from any person interested in the estate the amount of the tax apportioned to the person,
20 the amount not recoverable shall be apportioned among the other persons interested in the
21 estate who are subject to apportionment. The apportionment shall be made in the proportion
22 that the value of the interest of each remaining person interested in the estate bears to the total
23 value of the interests of all remaining persons interested in the estate.

24 **"§ 28A-27-5. Exemptions, deductions, and credits.**

25 (a) Any interest for which a deduction or exemption is allowed under the federal
26 revenue laws in determining the value of the decedent's net taxable estate, such as property
27 passing to or in trust for a surviving spouse and gifts or bequests for charitable, public, or
28 similar purposes, shall not be included in the computation provided for in G.S. 28A-27-2 to the
29 extent of the allowable deduction or exemption. When such an interest is subject to a prior
30 present interest which is not allowable as a deduction or exemption, such present interest shall
31 not be included in the computation provided for in this Article and no tax shall be apportioned
32 to or paid from principal.

33 (b) Any credit for property previously taxed and any credit for gift taxes or death taxes
34 of a foreign country paid by the decedent or ~~his~~ the decedent's estate shall inure to the
35 proportionate benefit of all persons liable to apportionment; provided, however, that if the tax
36 which gives rise to such a credit has in fact been paid by a person interested in the estate, the
37 benefit of such credit shall inure to that person paying the tax.

38 (c) Any credit for inheritance, succession, or estate taxes or taxes in the nature thereof
39 in respect to property or interests includible in the estate shall inure to the benefit of the persons
40 or interests chargeable with the payment thereof to the extent that, or in the proportion that, the
41 credit reduces the tax.

42 (d) To the extent that property passing to or in trust for a surviving spouse or any
43 charitable, public, or similar gift or bequest does not constitute an allowed deduction for
44 purposes of the tax solely by reason of an inheritance tax or other death tax imposed upon and
45 deductible from the property, the property shall not be included in the computation provided for
46 in this Article, and to that extent no apportionment shall be made against the property. This
47 section does not apply in any instance where the result will be to deprive the estate of a
48 deduction otherwise allowable under Section 2053(d) of the Internal Revenue Code of 1954 of
49 the United States or corresponding provisions of any subsequent tax law, relating to deduction
50 for State death taxes on transfers for public, charitable, or religious uses.

51 **"§ 28A-27-6. No apportionment between temporary and remainder interests.**

1 No interest in income and no estate for years or for life or other temporary interest in any
2 property or fund is subject to apportionment as between the temporary interest and the
3 remainder. The tax on the temporary interest and the tax, if any, on the remainder is chargeable
4 against the corpus of the property or funds subject to the temporary interest and remainder.

5 **"§ 28A-27-7. Fiduciary's rights and duties.**

6 (a) The personal representative may withhold from any property of the decedent in ~~his~~
7 the personal representative's possession, distributable to any person interested in the estate, the
8 amount of the tax apportioned to ~~his~~ the person's interest. If the property in possession of the
9 personal representative and distributable to any person interested in the estate tax is insufficient
10 to satisfy the proportionate amount of the tax determined to be due from the person, the
11 personal representative may recover the deficiency from the person interested in the estate. If
12 the property is not in the possession of the personal ~~representative~~ he representative, the
13 personal representative may recover from any person interested in the estate the amount of the
14 tax apportioned to the person in accordance with this Article.

15 (b) If property held by the fiduciary or other person is distributed prior to final
16 apportionment of the tax, the personal representative may require the distributee to provide a
17 bond or other security for the apportionment liability in the form and amount prescribed by the
18 fiduciary, with the approval of the clerk of superior court having jurisdiction of the
19 administration of the estate.

20 **"§ 28A-27-8. Difference with Federal Estate Tax Law.**

21 If the liabilities of persons interested in the estate as prescribed by this Article differ from
22 those which result under the Federal Estate Tax Law, the liabilities imposed by the federal law
23 will control and the balance of this Article shall apply as if the resulting liabilities had been
24 prescribed herein.

25 **"§ 28A-27-9. Effective date.**

26 The provisions of this Article shall not apply to taxes due on account of the death of
27 decedents dying prior to October 1, 1986.

28 "Article 28.

29 "Summary Administration.

30 **"§ 28A-28-1. Summary administration where spouse is sole beneficiary.**

31 When a decedent dies testate or intestate leaving a surviving spouse as the sole devisee or
32 heir, the surviving spouse may file a petition for summary administration with the clerk of
33 superior court of the county where the decedent was domiciled at the time of death. This
34 procedure is available if the decedent died partially testate, provided that the surviving spouse
35 is the sole devisee under the will and the sole heir of the decedent's intestate property. This
36 procedure is not available if the decedent's will provides that it is not available or if the devise
37 to the surviving spouse is in trust rather than outright.

38 **"§ 28A-28-2. Petition.**

39 (a) The petition shall be signed by the surviving spouse and verified to be accurate and
40 complete to the best of the spouse's knowledge and belief and shall state as follows:

- 41 (1) The name and address of the spouse and the fact that ~~he or she~~ the spouse is
42 the surviving spouse of the decedent;
- 43 (2) The name and domicile of the decedent at the time of death;
- 44 (3) The date and place of death of the decedent;
- 45 (4) The date and place of marriage of the spouse and the decedent;
- 46 (5) A description sufficient to identify each tract of real property owned in
47 whole or in part by the decedent at the time of death;
- 48 (6) A description of the nature of the decedent's personal property and the
49 location of such property, as far as these facts are known or can with
50 reasonable diligence be ascertained;

- 1 (7) The probable value of the decedent's personal property, so far as the value is
2 known or can with reasonable diligence be ascertained;
- 3 (8) That no application or petition for appointment of a personal representative
4 is pending or has been granted in this State;
- 5 (9) That the spouse is the sole devisee or sole heir, or both, of the decedent, and
6 that there is no other devisee or heir; that the decedent's will, if any, does not
7 prohibit summary administration; and that any property passing to the
8 spouse under the will is not in trust;
- 9 (10) The name and address of any executor or coexecutor named by the will and
10 that, if the decedent died testate, a copy of the petition has been personally
11 delivered or sent by first-class mail by the spouse to the last-known address
12 of any executor or coexecutor named by the will, if different from the
13 spouse;
- 14 (11) That, to the extent of the value of the property received by the spouse under
15 the will of the decedent or by intestate succession, the spouse assumes all
16 liabilities of the decedent that were not discharged by reason of death and
17 assumes liability for all taxes and valid claims against the decedent or the
18 estate, as provided in G.S. 28A-28-6; and
- 19 (12) If the decedent died testate, that the decedent's will has been admitted to
20 probate in the court of the proper county; that a duly certified copy of the
21 will has been recorded in each county in which is located any real property
22 owned by the decedent at the time of death; and that a certified copy of the
23 decedent's will is attached to the petition.

24 (b) The petition shall be filed by the clerk upon payment of the fee provided in
25 G.S. 7A-307 and shall be indexed in the index to estates.

26 **"§ 28A-28-3. Clerk's order.**

27 If it appears to the clerk that the petition and supporting evidence, if any, comply with the
28 requirements of G.S. 28A-28-2 and on the basis thereof the spouse is entitled to summary
29 administration, the clerk shall enter an order to that effect and no further administration of the
30 estate is necessary. Nothing in this section shall preclude a petition under the provisions of
31 G.S. 28A-28-7(a) or the appointment of a personal representative or a collector under the
32 provisions of Article 6 or Article 11 of this Chapter.

33 **"§ 28A-28-4. Effect of order.**

34 (a) The presentation of a certified copy of the order described in G.S. 28A-28-3 shall be
35 sufficient to require the transfer to the spouse of any property or contract right owned by the
36 decedent at the time of death, including but not limited to: (i) wages and salary; (ii) the title and
37 license to a motor vehicle registered in the name of the decedent owner; (iii) the ownership
38 rights of a savings account, checking account, or certificate of deposit in a bank in the name of
39 the decedent owner; (iv) the ownership rights of a savings account, share certificate, or
40 certificate of deposit in a credit union, building and loan association, or savings and loan
41 association in the name of the decedent owner; and (v) the ownership rights in any stock or
42 security registered on the books of a corporation in the name of the decedent owner.

43 (b) After the entry of the order described in G.S. 28A-28-3, the spouse may convey,
44 lease, sell, or mortgage any real property devised to or inherited by the spouse from the
45 decedent, at public or private sale, upon such terms as the spouse may determine. This section
46 shall not limit any other powers the spouse may have over property devised to or inherited by
47 the spouse from the decedent. The provisions of G.S. 28A-17-12 are not applicable to a
48 conveyance, sale, lease, or mortgage under this subsection.

49 **"§ 28A-28-5. Effect of payment.**

50 The person paying, delivering, transferring, or issuing property or the evidence thereof
51 pursuant to the order described in G.S. 28A-28-3 is discharged and released to the same extent

1 as if the person dealt with a duly qualified personal representative of the decedent. The person
2 is not required to see to the application of the property or evidence thereof or to inquire into the
3 truth of any statement in the petition or order.

4 If any person to whom the order is presented refuses to pay, deliver, transfer, or issue any
5 property or evidence thereof, the property may be recovered or its payment, delivery, transfer,
6 or issuance may be compelled in an action brought for that purpose by the surviving spouse.
7 The court costs and attorney's fee incident to the action shall be taxed against the person whose
8 refusal to comply with the provisions of G.S. 28A-28-4 made the action necessary.

9 **"§ 28A-28-6. Spouse's assumption of liabilities.**

10 If the clerk grants the order for summary administration, the spouse shall be deemed to have
11 assumed, to the extent of the value of the property received by the spouse under the will of the
12 decedent or by intestate succession, all liabilities of the decedent that were not discharged by
13 reason of death and liability for all taxes and valid claims against the decedent or the estate.
14 The value of the property is the fair market value of the property on the date of death of the
15 decedent less any liens or encumbrances on the property so received. The spouse may assert
16 any defense, counterclaim, cross-claim, or setoff which would have been available to the
17 decedent if the decedent had not died except for actions listed in G.S. 28A-18-1(b). A spouse
18 shall not be deemed to have assumed any liabilities of the decedent that were discharged by
19 reason of death.

20 **"§ 28A-28-7. Right to petition for appointment of personal representative; discharge of
21 spouse's liability.**

22 (a) Nothing in this Article shall preclude any person qualified to serve as personal
23 representative pursuant to G.S. 28A-4-1, including the surviving spouse, from petitioning the
24 clerk of superior court for the appointment of a personal representative or collector to
25 administer the decedent's estate. If a personal representative or collector is appointed, the
26 spouse shall render a proper accounting to the personal representative or collector and file a
27 copy of the accounting with the clerk. The spouse shall deliver assets of the decedent's estate,
28 cash, or other property and shall be discharged of liability in accordance with the provisions of
29 subsection (b) of this section.

30 (b) In the event that a personal representative or collector is appointed, the spouse shall
31 be discharged of liability for the debts of the decedent as follows:

32 (1) If the spouse delivers to the personal representative or collector all of the
33 property received by the spouse in the identical form that it was received by
34 the spouse, then the spouse will be discharged of all liability.

35 (2) If the spouse does not deliver to the personal representative or collector all
36 of the property in the identical form that it was received by the spouse, then
37 the spouse shall be discharged of liability as follows:

38 a. For property delivered to the personal representative or collector that
39 is in the identical form that it was received by the spouse, the spouse
40 is discharged to the extent of the fair market value of the property at
41 the time of the decedent's death or the fair market value at the time
42 the property was received by the personal representative or collector,
43 whichever is greater.

44 b. For property delivered to the personal representative or collector that
45 is not in the identical form that it was received by the spouse, the
46 spouse is discharged to the extent of the fair market value of such
47 property at the time it was delivered to the personal representative or
48 collector.

49 **"Article 29.**

50 **"Notice to Creditors Without Estate Administration.**

51 **"§ 28A-29-1. Notice to creditors without estate administration.**

1 When a decedent dies testate or intestate leaving no property subject to probate, any person
2 otherwise qualified to serve as personal representative of the estate pursuant to Article 4 of this
3 Chapter or the trustee then serving under the terms of a revocable trust created by the decedent
4 may file a petition to be appointed as a limited personal representative to provide notice to
5 creditors without administration of an estate before the clerk of superior court of the county
6 where the decedent was domiciled at the time of death. This procedure is not available if the
7 decedent's will provides that it is not available. A limited personal representative shall have the
8 rights and obligations provided for in this Article."

9 SECTION 5. Chapter 29 of the General Statutes reads as rewritten:

10 "Chapter 29.

11 "Intestate Succession.

12 "Article 1.

19 an intestate donor to any person who would be ~~his~~ the donor's heir or one of
20 ~~his~~ the donor's heirs upon ~~his~~ the donor's death, and intended by the intestate
21 donor to enable the donee to anticipate ~~his~~ the donee's inheritance to the
22 extent of the gift; except that no gift to a spouse shall be considered an
23 advancement unless so designated by the intestate donor in a writing signed
24 by the donor at the time of the gift.
- 25 (2) "Estate" means all the property of a decedent, including but not limited to:
26 a. An estate for the life of another; and

~~When a caveator shall have given bond with surety approved by the clerk, in the sum of two hundred dollars (\$200.00), payable to the propounder of the will, conditioned upon the payment of all costs which shall be adjudged against such caveator in the superior court or when a caveator shall have deposited money or given a mortgage in lieu of such bond, or shall have filed affidavits and satisfied the clerk of his inability to give such bond or otherwise secure such costs,~~

(a) Upon the filing of a caveat, the clerk shall transfer the cause to the superior court for trial. Such trial by jury. The caveat shall be served upon all interested parties in accordance with G.S. 1A-1, Rule 4 of the Rules of Civil Procedure.

(b) After service under subsection (a) of this section, the caveator shall cause notice of the caveat proceeding to be given to all devisees, legatees, or other persons in interest in the manner provided for service of process by G.S. 1A-1, Rule 4(j) and (k). The notice shall advise such devisees, legatees, or other persons in interest, of the session of superior court to which the proceeding has been transferred and shall call upon them to appear and make themselves proper parties to the proceeding if they so choose. At the session of court to which such proceeding is transferred, or as soon thereafter as motion to that effect shall be made by the propounder, and before trial, the judge shall require any of the devisees, legatees or other persons in interest so cited, either those who make themselves a hearing to align the parties to be served upon all parties in accordance with G.S. 1A-1, Rule 5 of the Rules of Civil Procedure. At the alignment hearing, all of the interested parties who wish to be aligned as parties shall appear and be aligned by the court as parties with the caveators or whose interests appear to him antagonistic to that of parties with the propounders of the will, to align themselves and to file bond within such time as he shall direct and before trial. 1 (c) Within 30 days following the entry of an order aligning the parties, any interested
2 party who was aligned may file a responsive pleading to the caveat, provided, however, that

6 (d) Upon motion of an aligned party, the court may require a caveator to provide
7 security in such sum as the court deems proper for the payment of such costs and damages as

21 **"§ 31-46.1. Construction of certain formula clauses applicable to estates of decedents
22 dying in calendar year 2010.**

23 (a) Purpose. – The federal estate tax and generation-skipping transfer tax expired
24 January 1, 2010, for one year. To carry out the intent of decedents in the construction of wills
25 and trusts and to promote judicial economy in the administration of trusts and estates, this
26 section construes certain formula clauses that reference federal estate and generation-skipping
27 transfer tax laws and that are used in wills or codicils of decedents who die in or before
28 calendar year 2010.

29 (b) Applicability. – This section applies to the following:

30 (1) To a will or codicil executed by a decedent before December 31, 2009, that
31 contains a formula provision described in subsection (c) of this section if the
32 decedent dies after December 31, 2009, and before the earlier of January 1,
33 2011, and the effective date of the reinstatement of the federal estate tax and
34 generation-skipping transfer tax, unless the will or codicil clearly manifests
35 an intent that a rule contrary to the rule of construction described in
36 subsection (c) of this section applies.

37 (2) To the terms of a will or codicil executed by a decedent who dies before
38 December 31, 2009, providing for a disposition of property that contains a
39 formula provision described in subsection (c) of this section and occurs as a
40 result of the death of another individual who dies after December 31, 2009,
41 and before the earlier of January 1, 2011, and the effective date of the
42 reinstatement of the federal estate tax and generation-skipping transfer tax,
43 unless the terms of the will or codicil clearly manifests an intent that a rule
44 contrary to the rule of construction described in subsection (c) of this section
45 applies.

46 (c) Construction. – A will or codicil subject to this section is considered to refer to the
47 federal estate and generation-skipping transfer tax laws as they applied with respect to estates
48 of decedents dying on December 31, 2009, if the will or codicil contains a formula that meets
49 one or more of the following conditions:

50 (1) The formula refers to any of the following: "applicable credit amount,"
51 "applicable exclusion amount," "applicable exemption amount," "applicable

1 fraction," "estate tax exemption," "generation-skipping transfer tax
2 exemption," "GST exemption," "inclusion ratio," "marital deduction,"
3 "maximum marital deduction," "unified credit," or "unlimited marital
4 deduction."

5 (2) The formula measures a share of an estate or trust based on the amount that
6 can pass free of federal estate taxes or the amount that can pass free of
7 federal generation-skipping transfer taxes.

8 (3) The formula is otherwise based on a provision of federal estate tax or federal
9 generation-skipping transfer tax law similar to the provisions in subdivision
10 (1) or (2) of this subsection.

11 (d) **Judicial Determination.** – The personal representative or an affected beneficiary

13 General Court of Justice under Article 26 of Chapter 1 of the General Statutes, and the trustee
14 of a trust created under the will or an affected beneficiary under the trust may bring a
15 proceeding as permitted under Article 2 of Chapter 36C of the General Statutes to determine
16 whether the decedent intended that the references under subsection (c) of this section be
17 construed with respect to the federal law as it existed after December 31, 2009. The action must
18 be commenced within 12 months following the death of the decedent.

19 "Article 8.

20 "Testamentary Additions to Trusts.

21 **"§ 31-47. Testamentary additions to trusts.**

22 (a) A will may validly devise property to:

23 (1) The trustee of a trust established before the testator's death by the testator, by
24 the testator and some other person, or by some other person, including a trust
25 authorized by G.S. 36C-4-401.1; or

26 (2) The trustee of a trust to be established at the testator's death, if the trust is
27 identified in the testator's will and its terms are set forth in a written
28 instrument executed before or concurrently with the execution of the
29 testator's will, regardless of the existence, size, or character of the corpus of
30 the trust during the testator's lifetime.

31 The devise is not invalid because the trust is amendable or revocable, or because the trust
32 instrument or any amendment thereto was not executed in the manner required for wills, or
33 because the trust was amended after the execution of the testator's will or after the testator's
34 death. A revocable trust to which property is first transferred under subdivision (2) of this
35 subsection is an inter vivos trust and not a testamentary trust and, as of the date of the execution
36 of the trust instrument, is subject to Article 6 of Chapter 36C of the General Statutes.

37 (b) Unless the testator's will provides otherwise, property devised to the trustee of a
38 trust described in subsection (a) of this section is not held under a testamentary trust of the
39 testator, but it becomes a part of the trust to which it is devised, and shall be administered and
40 disposed of in accordance with the provisions of the governing instrument setting forth the
41 terms of the trust, including any amendments thereto made before or after the testator's death.

42 (c) Unless the testator's will provides otherwise, a revocation or termination of the trust
43 before the testator's death causes the devise to lapse.

44 (d) A devise to a trust shall be construed as a devise to the trustee of that trust.

45 (e) For purposes of this section, "devise," when used as a noun, means a testamentary
46 disposition of real or personal property and, when used as a verb, means to dispose of real or
47 personal property by will.

48 (f) Nothing in this section alters, amends, or in any manner affects the application of
49 the doctrine of acts of independent significance.

50 "Article 9.

51 "Incorporation by Reference; Acts of Independent Significance.

1 **"§ 31-51. Incorporation by reference.**

2 A writing in existence when a will is executed may be incorporated by reference if the
3 language of the will manifests this intent and describes the writing sufficiently to permit its
4 identification.

5 **"§ 31-52. Acts and events of independent significance.**

6 A will may dispose of property by reference to acts and events that have significance apart
7 from their effect upon the disposition made by the will, whether they occur before or after the
8 execution of the will or before or after the testator's death. These acts and events may include
9 the execution or revocation of another individual's will and the safekeeping of items in a
10 secured depository.

11 **SECTION 9. G.S. 31B-1.2 reads as rewritten:**

12 **"§ 31B-1.2. Right of fiduciary to institute a proceeding for review of renunciation.**

13 (a) Prior to renouncing, if a fiduciary so elects, the fiduciary may institute a proceeding
14 by petition before the clerk of court for a determination as to whether a renunciation would be
15 compatible with the fiduciary's duties. ~~Commencement~~ In the case of a trustee, commencement
16 of the proceeding, jurisdiction, venue, parties, representation, and notice shall be governed by
17 Chapter 36C of the General Statutes. In the case of a personal representative, commencement
18 of the proceeding, jurisdiction, venue, parties, representation, and notice shall be governed by
19 Chapter 28A of the General Statutes. In addition to any other notice requirements, notice of the
20 proceeding shall be given to all persons entitled to delivery of a copy of an instrument of
21 renunciation under G.S. 31B-2.1.

22 (b) After renouncing, if a fiduciary so elects, the fiduciary has a right to institute a
23 declaratory judgment action pursuant to Article 26 of Chapter 1 of the General Statutes for a
24 determination as to whether the renunciation is compatible with the fiduciary's duties. In
25 addition to any other notice requirements, notice of the action shall be given to all persons
26 entitled to delivery of a copy of an instrument of renunciation under G.S. 31B-2.1.

27 (c) A proceeding or action instituted under this section shall comply with all of the
28 following:

29 (1) The petition or complaint shall state the basis for the fiduciary's allegation
30 that the renunciation is compatible with the fiduciary's duties, considering
31 among other things the intended purposes of the trust or other instrument and
32 the impact of the renunciation on beneficiaries and potential beneficiaries. A
33 petition or complaint filed by a trustee of a charitable trust shall contain a
34 statement that a copy of the petition or complaint is being provided to the
35 Attorney General.

36 (2) After considering among other things the intended purposes of the trust or
37 other instrument and the impact of the renunciation on beneficiaries and
38 potential beneficiaries, the court shall enter an order stating the court's
39 determination as to whether the renunciation is compatible with the
40 fiduciary's duties.

41 (d) The effectiveness of a renunciation is not affected by a determination under this
42 section that the renunciation is not compatible with a fiduciary's duties."

43 **SECTION 10. G.S. 32A-20(a) reads as rewritten:**

44 "(a) A health care power of attorney shall become effective when and if the physician or
45 physicians or, in the case of mental health treatment, physician or eligible psychologist as
46 defined in G.S. 122C-3(13d), designated by the principal determine in writing that the principal
47 lacks sufficient understanding or capacity to make or communicate decisions relating to the
48 health care of the principal, and shall continue in effect during the incapacity of the principal.
49 The determination shall be made by the principal's attending physician or eligible psychologist
50 if the physician or physicians or eligible psychologist designated by the principal is unavailable
51 or is otherwise unable or unwilling to make this determination or if the principal failed to

1 designate a physician or physicians or eligible psychologist to make this determination. A
2 health care power of attorney may include a provision that, if the principal does not designate a
3 physician for reasons based on his religious or moral beliefs as specified in the health care
4 power of attorney, a person designated by the principal in the health care power of attorney
5 may certify in writing, acknowledged before a notary public, that the principal lacks sufficient
6 understanding or capacity to make or communicate decisions relating to his health care. The
7 person so designated must be a competent person 18 years of age or older, not engaged in
8 providing health care to the principal for remuneration, and must be a person other than the
9 health care agent. For purposes of exercising authority described in G.S. 32A-19(b), however, a
10 health care power of attorney shall be effective following the death of the principal without
11 regard to the principal's understanding or capacity when the principal was living. Nothing in
12 this section shall be construed to prevent a principal from revoking a health care power of
13 attorney."

14 **SECTION 11.** G.S. 36C-2-205(d) reads as rewritten:

15 "(d) Extensions of Time. – The clerk of superior court, for cause shown at any time in
16 the clerk's discretion, with or without motion or notice, may enter an order enlarging the period
17 of time within which an act is required or permitted by this Article, by any applicable Rules of
18 Civil Procedure or by order of the court, if the request is made before the expiration of the
19 period originally prescribed, but not to exceed 10 days, ~~nor more than once.~~ except to the extent
20 that the court finds that justice requires that the time be enlarged for a period of greater than 10
21 days. Upon motion made after the expiration of the specified period, the clerk of superior court
22 may permit the act where the failure to act was the result of excusable neglect. Notwithstanding
23 any other provision of this subsection, the parties to a proceeding may enter into binding
24 stipulations, without approval of the clerk of superior court, enlarging the time within which an
25 act is required or permitted by this Article, by any applicable Rules of Civil Procedure or by
26 order of the court, not to exceed 30 days."

27 **SECTION 12.** G.S. 36C-2-205(e) reads as rewritten:

28 "(e) Rules of Civil Procedure. – Unless the clerk of superior court otherwise directs,
29 G.S. 1A-1, Rules 4, 5, 6(a), 6(d), 6(e), 18, 19, 20, 21, 24, and 45 45, 56, and 65 of the Rules of

36 before the clerk of superior court, the term "judge" shall be construed as "clerk of superior
37 court."

38 **SECTION 13.** G.S. 36C-6-604 reads as rewritten:

SENATE BILL 436: Extend Sunsets

2011-2012 General Assembly

Committee:	House Finance	Date:	June 15, 2011
Introduced by:	Sen. Hartsell	Prepared by:	Trina Griffin
Analysis of:	PCS to Second Edition S436-CSSV-44		Committee Counsel

SUMMARY: *Senate Bill 436 would extend the sunset on the tax credit for qualified business ventures from January 1, 2013, to January 1, 2016. The bill would also extend for one year the sales tax refund allowed to a joint governmental agency created to operate a cable television system. The PCS makes a technical change related to the sales tax refund extension.*

QUALIFIED BUSINESS VENTURE TAX CREDIT: The General Assembly enacted the tax credit for investments in qualified business ventures in August 1987 to promote economic development for North Carolina businesses. The purpose of the credit is to stimulate early stage investments that help move new technologies from universities and other research laboratories to commercialization. The qualified business investment tax credit is allowed for an individual taxpayer who invests in a qualifying small business. Qualifying small businesses include a business that engages primarily in manufacturing, processing, warehousing, wholesaling, research and development, or a service-related industry, a business that has received within the preceding three years funding from a federal agency under the Small Business Innovation Research Programs, or a business that has been certified by a research university as currently performing under a licensing agreement with the institution for commercializing technology developed at the institution.

The credit is equal to 25% of the amount invested and may not exceed \$50,000 per individual in a single taxable year. The total amount of tax credits allowed to taxpayers for investments made in a calendar year may not exceed \$7.5 million. If the total amount of tax credits claimed exceeds this maximum amount, the credit is allocated proportionately among the taxpayers.

Section 1 of the bill would extend the sunset on the credit from January 1, 2013, to January 1, 2016. The General Assembly last extended the credit in S.L. 2010-31 from January 1, 2011, to January 1, 2013.

SALES TAX REFUND FOR MI CONNECTION: Last session, the General Assembly allowed cities that jointly operate a cable television system to obtain a refund of State and local sales and use tax paid by the entity on purchases made between July 1, 2007, and June 30, 2010. Section 2 of the bill would extend the refund for one year, for purchases made through June 30, 2011.

The only entity that fits this description is MI Connection. MI Connection is a locally owned and operated cable and Internet system serving the towns of Mooresville, Davidson and Cornelius in the counties of Mecklenburg and Iredell. The municipalities have created a joint agency through an interlocal agreement pursuant to G.S. 160A-462 to operate a cable television system. A cable television system is one of the listed systems that a municipality has the authority to operate as a public enterprise under Article 16 of Chapter 160A of the General Statutes.

Under G.S. 105-164.14(c) a city may obtain a sales tax refund of the purchases it makes. Under that authority, a city that operates a cable television system may obtain a sales tax refund; MI Connection was not allowed a refund under that subsection because it was operated as a joint venture, rather than by the cities themselves.

EFFECTIVE DATE: Effective when the bill becomes law.					

BILL SUMMARY: Senate Bill 436 extends the sunset for the qualified business venture tax credit from January 1, 2013 to January 1, 2016. The qualified business venture tax credit is allowed for an individual taxpayer who invests in a qualifying small business. Qualifying small businesses include a business that engages primarily in manufacturing, processing, warehousing, wholesaling, research and development, or a service-related industry, a business that has received within the preceding three years funding from a federal agency under the Small Business Innovation Research Programs, or a business that has been certified by a research university as currently performing under a licensing agreement with the institution for commercializing technology developed at the institution. The credit is equal to 25% of the amount invested and may not exceed \$50,000 per individual in a single taxable year. The total amount of tax credits allowed to taxpayers for investments made in a calendar year may not exceed \$7.5 million.

Version two of SB 436 also extends the sunset for the sales tax refund for MI Connection for one year for purchases made through June 30, 2011. The 2010 session of the General Assembly enacted HB 455 authorizing MI Connection as an institution eligible for a sales and use tax refund under G.S. 105-164.14. The legislation redefined the types of joint governmental agencies eligible for a sales tax refund under G.S.105-164.14(c). Under the bill, an agency created by an interlocal agreement pursuant to G.S. 160A-462 to be eligible for a sales and use tax refund. The agency must also operate a public broadcast station or "communication system that provides high-speed

broadband Internet access service or other Internet access service” or provide other video programming services.

ASSUMPTIONS AND METHODOLOGY: Credit utilization for the qualified business venture tax credit is expected to equal the cap. Therefore, the impact for each year the credit is extended equals the \$7.5 million cap.

SB 436 extends the annual sales and use tax refund allowed to MI Connection for an additional fiscal year. This change reduces General Fund availability by \$25,000 for the 2011-12 fiscal year and local revenues by \$5,000 per fiscal year.

EXPENDITURES					
POSITIONS (cumulative):

EFFECTIVE DATE: This act is effective when it becomes law.					

BILL SUMMARY:

Senate Bill 670 amends GS 93D-3 to delete the requirement that one member of the board be an audiologist appointed from a list of nominees from the NC Speech and Hearing Association, and it requires that four members of the board be actively engaged in fitting and selling hearing aids and be licensed under GS Chapter 93D. The bill specifies that the terms of the two members on the board who are audiologists expire on the date the bill becomes law.

Senate Bill 670 amends GS 93D-2 to allow a person with a license under Article 22 of GS Chapter 90 and a doctoral degree in audiology to fit or sell hearing aids. It provides the same authorization to an apprentice working under such licensee (or those licensed by the North Carolina State Hearing Aid Dealers and Fitters Board) who is registered in accordance with GS 93D-9. The bill amends GS 93D-3(c)(14) to authorize the Board to set a fee of \$150 a year for the registration of persons not licensed under GS Chapter 93D providing supervision of apprentices registered under

GS 93D-9. The bill amends GS 93D-3(a) to require one member of the Board be a person with hearing loss.

ASSUMPTIONS AND METHODOLOGY:

According to the North Carolina State Hearing Aid Dealers and Fitters Board, approximately 200 of their 560 members possess a doctoral degree in audiology (AuD) and licensure in speech and language pathology or audiology. Under Senate Bill 670, these 200 members would no longer need to be licensed by the North Carolina State Hearing Aid Dealers and Fitters Board to fit or sell hearing aids.

If all 200 current members who possess a doctoral degree in audiology (AuD) and licensure in speech and language pathology or audiology chose not to be licensed by the North Carolina State Hearing Aid Dealers and Fitters Board, the Board's revenue would decrease by \$53,000 for FY11-12. The revenue figure is derived by multiplying the \$250.00 license renewal fee plus the \$15.00 continuing education reporting fee by the 200 current members who could possibly not renew their license. This amount has been grown by the North Carolina Health Services Employment growth rate.

SENATE BILL 670: Revise Membership/Hearing Aid Fitters Board

2011-2012 General Assembly

Committee: House Finance
Introduced by: Sen. Hartsell
Analysis of: Third Edition

Date: June 15, 2011
Prepared by: Greg Roney
Committee Counsel

SUMMARY: *Senate Bill 670 authorizes persons possessing a doctoral degree in audiology (AuD) and licensed as an audiologist by the Board of Examiners for Speech and Language Pathologists and Audiologists to fit or sell hearing aids without obtaining a license from the North Carolina State Hearing Aid Dealers and Fitters Board and modifies the membership of the Board to reflect this change.*

CURRENT LAW: It is unlawful for a person to fit or sell hearing aids without being licensed to do so by the North Carolina State Hearing Aid Dealers and Fitters Board.

In addition to this Board, there exists the Board of Examiners for Speech and Language Pathologists and Audiologists. This Board licenses speech pathologists and audiologists independently.

The licensing chapter for audiologists, Article 22 of Chapter 90 of the General Statutes, specifically provides that its licensing requirements do not apply to a person licensed by the North Carolina State Hearing Aid Dealers and Fitters Board and it more specifically provides that nothing in the Article may be construed to prevent a person licensed by the Hearing Aid Dealers and Fitters Board from the practice of fitting and selling hearing aids. The licensing chapter for hearing aid dealers and fitters, Chapter 93D of the General Statutes, does not contain a similar provision.

BILL ANALYSIS: Senate Bill 670 would provide that a person who is licensed as an audiologist by the Board of Examiners for Speech and Language Pathologists and Audiologists and possesses a doctoral degree in audiology (AuD) is authorized to fit or sell hearing aids and supervise the fitting and selling of hearing aids by properly registered apprentices without obtaining a license from the North Carolina State Hearing Aid Dealers and Fitters Board.

It would also make the following conforming changes throughout the licensure chapter for hearing aid dealers and fitters consistent with this exemption:

- It would allow a person to serve as an apprentice under the supervision of a Registered Sponsor- a defined term which includes qualified audiologist and qualified Board licensees.
- It would require Registered Sponsor that supervises an apprentice to register with the Hearing Aid Dealers and Fitters Board and pay a registration fee of \$150 a year.
- It would change the membership of the Board. Under the current law, one member of the seven member board must be an audiologist recommended by the North Carolina Speech and Hearing Association. The bill would replace this appointment with one that would represent the interest of hearing aid consumers. The appointee must be a person with a hearing loss.

EFFECTIVE DATE: This act is effective when it becomes law.

HOUSE BILL 882: ATV & Motorcycles Off-Road Fund

2011-2012 General Assembly

Committee: House Finance
Introduced by: Rep. Crawford
Analysis of: First Edition

Date: June 15, 2011
Prepared by: Trina Griffin
Committee Counsel

SUMMARY: *House Bill 882 would require certain all-terrain vehicles (ATVs) and motorcycles intended for off-road use to be registered and titled with the Wildlife Resources Commission.*

BILL ANALYSIS:

Section 1 requires all-terrain vehicles (ATV) and motorcycles, except for those exempt from registration under Chapter 20 or those used primarily for agricultural purposes or by law enforcement, fire, rescue, and emergency medical personnel, to be registered with the Wildlife Resources Commission if the ATV or motorcycle meets all of the following criteria:

- It is not otherwise required to be registered.
- It was manufactured in the year 2005 or later.
- It is intended for off-road operation.

Section 2 sets out the requirements for registering and titling ATVs and motorcycles for off-road use.

The owner of the vehicle must provide the following at the time of registration:

- The Product Identification Number or Vehicle Identification Number; and
- A manufacturers certificate of origin or title, or an inspection and indemnity bond.

The following registration and title fees apply:

- The registration fee for an ATV or motorcycle is \$15.
- The fee for a title on an ATV or motorcycle is \$25.

The owner of the ATV or motorcycle is not required to have insurance or provide proof of financial responsibility.

The Wildlife Resources Commission must issue a registered ATV or motorcycle a registration plate or sticker that is different in color or design from those issued by the Division of Motor Vehicles so that it can be readily recognized by law enforcement.

The Commission is also responsible for collecting any taxes required under Chapter 105 for these types of vehicles. If the applicant paid the sales and use tax to a dealer in North Carolina, proof of payment will be acceptable proof. If the vehicle was purchased outside North Carolina, the Commission is required to collect applicable sales and use tax and submit it to the Department of Revenue.

EFFECTIVE DATE: The act would become effective January 1, 2013.

EFFECTIVE DATE: This act is effective when it becomes law

BILL SUMMARY:

Senate Bill 743 amends GS 90-12.1A, authorizing the NC Medical Board (Board) to issue a "limited volunteer license" (rather than a military limited volunteer license) to an applicant with a license to practice medicine and surgery in another state who shows a letter establishing active licensure in the other state (deletes requirement that the person be authorized to treat personnel enlisted in the U.S. armed services or veterans). It adds that a limited volunteer license holder may not practice medicine and surgery within NC for more than 30 days per calendar year. The bill amends GS 90-13.2, specifying that limited volunteer license holders will pay no registration fee.

The bill deletes requirement that limited license holders comply with continuing medical education requirements. It deletes a provision related to retired limited volunteer licenses, and instead enacts new GS 90-21.1B, authorizing the Board to issue a "retired limited volunteer license" to an applicant who is a physician with an inactive license to practice medicine and surgery issued by NC or another state. Senate Bill 743 requires retired limited volunteer license holders to practice only at clinics treating indigent patients, and makes a violation of this provision a Class 3 misdemeanor, with a fine not less than \$25 and not more than \$50 for each offense.

ASSUMPTIONS AND METHODOLOGY:

Senate Bill 743 expands the pool of possible limited volunteer licensees by removing the requirement that the licensee must be authorized to treat personnel enlisted in the U.S. armed services or veterans. It also eliminates the \$25 annual registration fee for those who have a limited volunteer license. However, it keeps that \$25 annual registration fee for those who have a retired limited volunteer license.

The North Carolina Medical Board estimates that there have only been five persons with a military limited volunteer license, ever. None of these are currently licensed. Since no licensees would be impacted by the elimination of the \$25 annual registration fee, there would be no loss in annual revenue.

SENATE BILL 743: Encourage Volunteer Health Care Providers

2011-2012 General Assembly

Committee: House Finance
Introduced by: Sen. Goolsby
Analysis of: Third Edition

Date: June 15, 2011
Prepared by: Greg Roney
Committee Counsel

SUMMARY: *Senate Bill 743 modifies the requirements and fee provisions for a limited volunteer license to practice medicine as a physician or as a physician assistant at clinics that specialize in the treatment of indigent patients.*

CURRENT LAW: The North Carolina Medical Board may issue a 'military limited volunteer license' and a 'retired limited volunteer license' to physicians. In both instances, the holder of the license may practice medicine and surgery only at clinics that specialize in the treatment of indigent patients and the holder may not receive compensation for the services rendered. A holder of the license who practices at places other than clinics that specialize in the treatment of indigent patients is guilty of a Class 3 misdemeanor. For physician assistants, the North Carolina Medical Board may issue a limited volunteer license for members of the US armed services or employee of the Veterans' Administration or another federal agency.

The holder of a limited license does not have to pay an application fee of \$350 or annual registration fee of \$175. The holder of the limited license does pay an annual registration fee of \$25.

BILL ANALYSIS: Senate Bill 743 broadens the applicability of a 'military limited volunteer license' by removing the requirement that an applicant must be authorized to treat personnel enlisted in the United States armed services. Senate Bill 743 still requires the applicant must be licensed to practice medicine in good standing in another state. The name of the license is changed to reflect the removal of the military connection. The bill retains the requirement that the holder of this license may only practice in a clinic that specializes in the treatment of indigent patients, but it limits the practice under the license to no more 30 days per calendar year. The holder of this license does not have to pay either an application fee or an annual registration fee.

The bill removes the provisions regarding a 'retired limited volunteer license' from G.S. 90A-12.1A and places them in a new G.S. 90A-12.1B. The bill does not change the requirements for this license, the limitations of this license, or the applicable fees associated with this license. The holder of this license must be a physician that has allowed his or her license in this or another state to practice medicine to become inactive. The holder of the license may only practice in clinics that specialize in the treatment of indigent patients and may not receive compensation for those services. The holder of the license must comply with continuing medical education requirements and other rules adopted by the Board and pay a \$25 annual registration fee. As under current law, it is a Class 3 misdemeanor for a retired limited volunteer licensee to practice medicine at places other than clinics that specialize in the treatment of indigent patients.

Senate Bill 743 provides limited volunteer licenses and retired limited volunteer licenses for physician assistants.

Non-profit community health referral services have limited liability for the acts and omissions of the physician referred to by the service provided the physician maintains appropriate liability insurance, Senate Bill 743 provides limited liability protections to a non-profit community health referral services for the acts and omissions of the physician if *the service* maintains appropriate liability service (similar to the provision for free clinics).

35 **SECTION 16.** G.S. 105-164.4(a)(3) reads as rewritten:

36 (3) A tax at the general rate applies to the gross receipts derived from the rental
 37 of an accommodation. The tax does not apply to (i) a private residence or
 38 cottage that is rented for fewer than 15 days in a calendar year or to year; (ii)
 39 an accommodation rented to the same person for a period of 90 or more
 40 continuous days-days; or (iii) an accommodation arranged or provided to a
 41 person by a school, camp, or similar entity where a tuition or fee is charged
 42 to the person for enrollment in the school, camp, or similar entity.

43 Gross receipts derived from the rental of an accommodation include the
 44 sales price of the rental of the accommodation. The sales price of the rental
 45 of an accommodation is determined as if the rental were a rental of tangible
 46 personal property. The sales price of the rental of an accommodation
 47 marketed by a facilitator includes charges designated as facilitation fees and
 48 any other charges necessary to complete the rental.

49 A person who provides an accommodation that is offered for rent is
 50 considered a retailer under this Article. A facilitator must report to the
 51 retailer with whom it has a contract the sales price a consumer pays to the

1 facilitator for an accommodation rental marketed by the facilitator. A retailer
 2 must notify a facilitator when an accommodation rental marketed by the
 3 facilitator is completed and, within three business days of receiving the
 4 notice, the facilitator must send the retailer the portion of the sales price the
 5 facilitator owes the retailer and the tax due on the sales price. A facilitator
 6 that does not send the retailer the tax due on the sales price is liable for the
 7 amount of tax the facilitator fails to send. A facilitator is not liable for tax
 8 sent to a retailer but not remitted by the retailer to the Secretary. Tax
 9 payments received by a retailer from a facilitator are held in trust by the
 10 retailer for remittance to the Secretary. A retailer that receives a tax payment
 11 from a facilitator must remit the amount received to the Secretary. A retailer
 12 is not liable for tax due but not received from a facilitator. The requirements
 13 imposed by this subdivision on a retailer and a facilitator are considered
 14 terms of the contract between the retailer and the facilitator.

15 A person who, by written contract, agrees to be the rental agent for the
 16 provider of an accommodation is considered a retailer under this Article and
 17 is liable for the tax imposed by this subdivision. The liability of a rental
 18 agent for the tax imposed by this subdivision relieves the provider of the
 19 accommodation from liability. A rental agent includes a real estate broker, as
 20 defined in G.S. 93A-2.

21 The following definitions apply in this subdivision:

- 22 a. Accommodation. – A hotel room, a motel room, a residence, a
 23 cottage, or a similar lodging facility for occupancy by an individual.
- 24 b. Facilitator. – A person who is not a rental agent and who contracts
 25 with a provider of an accommodation to market the accommodation
 26 and to accept payment from the consumer for the accommodation."

27 **SECTION 17. G.S. 105-164.4C(h)(5) reads as rewritten:**

Subject: H619 as amended in the Senate

Dear Finance Chairs,

We did not get a chance to respond to Mr. Huie's \$32 million estimate of the impact of enacting the bill and would like to do so now. It should be noted that the \$32 million he referred to would represent a potential **increase** in revenues for the biennium rather than a loss. The biennium consensus revenue forecast **does not** include in the tax base any agreements that the department may have entered into with taxpayers during resolution initiatives. Therefore, FRD's position is that any money not collected during the next biennium as a result of H619, as amended, means revenues will not increase above the budgeted amount.

Best regards,

Barry

HOUSE BILL 619
Committee Substitute Favorable 5/26/11
Senate Finance Committee Substitute Adopted 6/8/11

Short Title: Forced Combinations.

Referred to:

1 A BILL TO BE ENTITLED
2 AN ACT TO SPECIFY THE SECRETARY OF REVENUE'S AUTHORITY TO ADJUST
3 THE NET INCOME OF A CORPORATION OR TO REQUIRE A CORPORATION TO
4 FILE A COMBINED RETURN.
5 The General Assembly of North Carolina enacts:
6 SECTION 1. G.S. 105-130.6 is repealed.
7 SECTION 2. Part 1 of Article 4 of Chapter 105 of the General Statutes is amended
8 by adding a new section to read:
9 **"§ 105-130.5A. Secretary's authority to adjust net income or require a combined return.**
10 (a) Notice. – When the Secretary has reason to believe that any corporation so conducts
11 its trade or business in such manner as to fail to accurately report its State net income properly
12 attributable to its business carried on in the State through the use of transactions that lack
13 economic substance or are not at fair market value between members of an affiliated group of
14 entities, the Secretary may, upon written notice to the corporation, require any information
15 reasonably necessary to determine whether the corporation's intercompany transactions have
16 economic substance and are at fair market value and for the accurate computation of the
17 corporation's State net income properly attributable to its business carried on in the State. The
18 corporation must provide the information requested within 90 days of the date of the notice.
19 (b) Adjust Net Income. – If upon review of the information provided, the Secretary
20 finds as a fact that the corporation's intercompany transactions lack economic substance or are
21 not at fair market value, the Secretary may redetermine the State net income of the corporation
22 properly attributable to its business carried on in the State under this section by (i) adding back,
23 eliminating, or otherwise adjusting intercompany transactions to accurately compute the
24 corporation's State net income properly attributable to its business carried on in the State, or, if
25 such adjustments are not adequate under the circumstances to redetermine State net income, (ii)
26 requiring the corporation to file a return that reflects the net income on a combined basis of all
27 members of its affiliated group that are conducting a unitary business. The Secretary shall
28 consider and be authorized to use any reasonable method proposed by the corporation for
29 redetermining its State net income attributable to its business carried on in the State. In
30 determining whether the corporation's intercompany transactions lack economic substance or
31 are not at fair market value, the Secretary shall consider each taxable year separately.
32 (c) Combined Return. – If the Secretary finds as a fact that a combined return is
33 required, the Secretary may, upon written notice to the corporation, require the corporation to
34 submit the combined return, and the corporation shall submit the combined return within 60
35 days of the date of the notice. The submission by the corporation of the combined return
36 required by the Secretary shall not be deemed to be a return or construed as an agreement by

1 the corporation that an assessment based on the combined return is correct or that additional tax
2 is due by the Secretary's deadline for submitting the combined return. The Secretary or the
3 corporation may propose a combination of fewer than all members of the unitary group, and the
4 Secretary shall be authorized to consider whether such proposed combination is a reasonable
5 means of redetermining State net income; provided, however, the Secretary shall not require a
6 combination of fewer than all members of the unitary group without the consent of the
7 corporation.

8 (d) Written Statement of Findings. – If the Secretary makes an adjustment or requires a
9 combined return under this section, the Secretary shall provide the corporation with a written
10 statement containing detail of the facts, circumstances, and reasons for which the Secretary has
11 found as a fact that the corporation did not accurately report its State net income properly
12 attributable to its business carried on in the State and the Secretary's proposed method for
13 computation of the corporation's State net income.

14 (e) Members of Affiliated Group. – The Secretary may require a combined return under
15 this section regardless of whether the members of the affiliated group are or are not doing
16 business in this State.

17 (f) Economic Substance. – A transaction has economic substance if (i) the transaction,
18 or the series of transactions of which the transaction is a part, has one or more reasonable
19 business purposes other than the creation of State income tax benefits and (ii) the transaction,
20 or the series of transactions of which the transaction is a part, has economic effects beyond the
21 creation of State income tax benefits. In determining whether a transaction has economic
22 substance, all of the following apply:

- 23 (1) Reasonable business purposes and economic effects include, but are not
24 limited to, any material benefit from the transaction other than State income
25 tax benefits not allowable under subdivision (3) of this subsection.
- 26 (2) In determining whether to require a combined return, whether the transaction
27 has economic effects beyond the creation of State income tax benefits may
28 be satisfied by demonstrating material business activity of the entities
29 involved in the transaction.
- 30 (3) If State income tax benefits resulting from a transaction, or a series of
31 transactions of which the transaction is a part, are consistent with legislative
32 intent, such State income tax benefits shall be considered in determining
33 whether such transaction has business purpose and economic substance.
- 34 (4) Centralized cash management of an affiliated group as defined in subsection
35 (i) of this section shall not constitute evidence of an absence of economic
36 substance.
- 37 (5) Achieving a financial accounting benefit shall not be taken into account as a
38 reasonable business purpose for entering into a transaction if the origin of
39 such financial accounting benefit is a reduction of State income tax.

40 (g) Allocation of Income and Deductions. – In determining whether transactions
41 between members of the affiliated group of entities are not at fair market value, the Secretary
42 shall apply the standards contained in the regulations adopted under section 482 of the Code.

43 (h) Apportionment. – If the Secretary requires a combined return under this section, the
44 combined State net income of the corporation and the members of the affiliated group of
45 entities shall be apportioned to this State by use of an apportionment formula that accurately
46 reports the State net income properly attributable to the corporation's business carried on in the
47 State and which fairly reflects the apportionment formula in G.S. 105-130.4 applicable to the
48 corporation and each member of the affiliated group included in the combined return.

49 (i) Affiliated Group Defined. – For purposes of this section, an affiliated group is a
50 group of two or more corporations or noncorporate entities in which more than fifty percent
51 (50%) of the voting stock of each member corporation or ownership interest of each member

1 noncorporate entity is directly or indirectly owned or controlled by a common owner or
2 owners, either corporate or noncorporate, or by one or more of the member corporations or
3 noncorporate entities. Nothing in this subsection shall be construed to limit or negate the
4 Secretary's authority to add back, eliminate, or otherwise adjust intercompany transactions
5 involving the listed entities to accurately compute the corporation's State net income properly
6 attributable to its business carried on in the State, as provided in subsection (b) of this section.

7 The following entities shall not be included in a combined return:

8 (1) A corporation not required to file a federal income tax return.

9 (2) An insurance company, other than a captive insurance company, (i) which is
10 subject to tax under Article 8B of this Chapter, (ii) whose premiums are
11 subject to tax under Article 21 of Chapter 58 or a similar tax in another state,
12 or (iii) which is licensed as a reinsurance company. A "captive insurance
13 company" means an insurer that is part of an affiliated group where the
14 insurer receives more than fifty percent (50%) of its net written premiums or
15 other amounts received as compensation for insurance from members of the
16 affiliated group.

17 (3) A corporation exempt from taxation under section 501 of the Code.

18 (4) An S corporation.

19 (5) A foreign corporation as defined in section 7701 of the Code, other than a
20 domestic branch thereof.

21 (6) A partnership, limited liability company, or other entity not taxed as a
22 corporation.

23 (7) A corporation with at least eighty percent (80%) of its gross income from all
24 sources in the tax year being active foreign business income as defined in
25 section 861(c)(1)(B) of the Code in effect as of July 1, 2009.

26 (i) Proposed Assessment or Refund. – If the Secretary redetermines the State net
27 income of the corporation in accordance with this section by adjusting the State net income of
28 the corporation or requiring a combined return, the Secretary shall issue a proposed assessment
29 or refund upon making such redetermination. The procedures for a proposed assessment or a
30 refund in Article 9 of Chapter 105 shall be applicable to proposed assessments and refunds
31 made under this section.

32 (k) Penalties. – If a combined return required by this section is not timely submitted by
33 a corporation, then the corporation is subject to the penalties provided in G.S. 105-236(a)(3).
34 Penalties shall not be imposed on an assessment under this section except as expressly
35 authorized in this section and in G.S. 105-236(a)(5)f.

36 (l) Advice. – A corporation may request in writing from the Secretary specific advice
37 regarding whether a redetermination of the corporation's State net income or a combined return
38 would be required under this section under certain facts and circumstances. The Secretary may
39 request information from the taxpayer that is required to provide the specific advice. The
40 Secretary shall provide the specific advice within 120 days of the receipt of the requested
41 information from the taxpayer. G.S. 105-264 governs the effect of this advice.

42 (m) Extension. – The Secretary and the taxpayer may extend any time limit contained in
43 this section by mutual agreement.

44 (n) Other Tax Adjustments. – Nothing in this section shall be construed to limit or
45 negate the Secretary's authority to make tax adjustments as otherwise permitted by law.

46 (o) Appeals. – If the corporation appeals a final determination by the Department under
47 this section to the Office of Administrative Hearings in a contested tax case, the administrative
48 law judge shall review de novo (i) whether the separate income tax returns submitted by the
49 taxpayer fail to report State net income properly attributable to its business carried on in this
50 State through the use of intercompany transactions that lack economic substance or are not at
51 fair market value between members of an affiliated group of entities; (ii) whether the

1 Department's means of determining the corporation's State net income under this section is an
2 appropriate means of determining the corporation's State net income properly attributable to
3 this State; and (iii) if a combined return is required by the Department, whether adjustments
4 other than requiring the corporation to file a return on a combined basis are adequate under the
5 circumstances to redetermine State net income."

6 SECTION 3. G.S. 105-130.15(a) reads as rewritten:

7 "(a) The net income of a corporation shall be computed in accordance with the method
8 of accounting it regularly employs in keeping its books. The method must be consistent with
9 respect to both income and deductions. ~~If this method does not clearly reflect the income, the~~
10 ~~computation shall be made in accordance with a method that, in the Secretary's opinion, does~~
11 ~~clearly reflect the income, but deductions and~~ shall follow as nearly as practicable the federal
12 practice, unless contrary to the context and intent of this Part.

13 The Secretary may adopt the rules and regulations and any guidelines administered or
14 established by the Internal Revenue Service unless contrary to any provisions of this Part."

15 SECTION 4. G.S. 105-130.16 reads as rewritten:

16 "§ 105-130.16. Returns.

17 (a) Return.—Every corporation doing business in this State must file with the Secretary
18 an income tax return showing specifically the items of gross income and the deductions
19 allowed by this Part and any other facts the Secretary requires to make any computation
20 required by this Part. The return of a corporation must be signed by its president,
21 vice-president, treasurer, or chief financial officer. The officer signing the return must furnish
22 an affirmation verifying the return. The affirmation must be in the form required by the
23 Secretary.

24 (b) ~~Correction of Distortions.—When the Secretary has reason to believe that any~~
25 ~~corporation so conducts its trade or business in such manner as to either directly or indirectly~~
26 ~~distort its true net income and the net income properly attributable to the State, whether by the~~
27 ~~arbitrary shifting of income, through price fixing, charges for service, or otherwise, whereby~~
28 ~~the net income is arbitrarily assigned to one or another unit in a group of taxpayers carrying on~~
29 ~~business under a substantially common control, the Secretary may require any facts the~~
30 ~~Secretary considers necessary for the proper computation of the entire net income and the net~~
31 ~~income properly attributable to the State, and in determining these computations, the Secretary~~
32 ~~must have regard to the fair profit that would normally arise from the conduct of the trade or~~
33 ~~business.~~

34 (c) ~~Other Corrections.—When any corporation liable to taxation under this Part~~
35 ~~conducts its business in such a manner as to either directly or indirectly benefit the members or~~
36 ~~stockholders thereof or any person interested in the business by selling its products or goods or~~
37 ~~commodities in which it deals at less than the fair price which might be obtained therefor, or~~
38 ~~when a corporation, a substantial portion of whose capital stock is owned either directly or~~
39 ~~indirectly by another corporation, acquires and disposes of the products of the corporation so~~
40 ~~owning a substantial portion of its stock in such a manner as to create a loss or improper net~~
41 ~~income for either of the corporations, or when a corporation, owning directly or indirectly a~~
42 ~~substantial portion of the stock of another corporation, acquires and disposes of the products of~~
43 ~~the corporation of which it so owns a substantial portion of the stock in such manner as to~~
44 ~~create a loss or improper net income for either of the corporations, the Secretary may determine~~
45 ~~the amount of taxable income of the such corporations for the calendar or fiscal year, having~~
46 ~~due regard to the reasonable profits which, but for such arrangement or understanding, might or~~
47 ~~could have been obtained by the corporations liable to taxation under this Part from dealing in~~
48 ~~such products, goods or commodities."~~

49 SECTION 5. G.S. 105-236(a)(5)f. reads as rewritten:

50 "(a) Penalties. — The following civil penalties and criminal offenses apply:

51 ...

1 (5) Negligence. –

2 ...
3 f. Consolidated or combined return. – The amount of tax shown as due
4 on a consolidated or combined return filed at the request of the
5 Secretary under Part 1 of Article 4 of this Chapter is not considered a
6 deficiency and is not subject to this subdivision unless one or more of
7 the following applies:

- 8 1. The return is an amended consolidated or combined return
9 that includes the same corporations as the initial consolidated
10 or combined return filed at the request of the Secretary. In
11 this case the deficiency is the extent to which the amount
12 shown as due on the amended return exceeds the amount
13 shown as due on the initial return.
- 14 2. ~~The Secretary has adopted permanent rules in accordance~~
15 ~~with G.S. 105-262 that describe the facts and circumstances~~
16 ~~under which the Secretary will require a consolidated or~~
17 ~~combined return under G.S. 105-130.6, and the Secretary~~
18 ~~requires the taxpayer to file a consolidated or combined~~
19 ~~return under that statute because the taxpayer's facts and~~

HOUSE BILL 619: Forced Combinations

2011-2012 General Assembly

Committee:	House Finance	Date:	June 17, 2011
Introduced by:	Reps. Howard, McLawhorn, Carney, Ingle	Prepared by:	Cindy Avrette & Dan Ettefagh
Analysis of:	Third Edition, with 4 unengrossed amendments		Committee Counsel

BILL SUMMARY: *House Bill 619 is before House Finance for a recommendation on whether or not the House should concur in the Senate Finance Committee Substitute, as amended. The Senate removed the contents of House Bill 619, which were ultimately included in the budget (S.L. 2011-145) and replaced them with provisions that change the Secretary of Revenue's authority to adjust the income of a multistate corporation or require it to file a combined return when the Secretary determines that the corporation conducts its business in a way that fails to accurately reflect its income attributable to North Carolina.*

The bill would become effective January 1, 2012, and apply to proposed assessments for taxable years beginning on or after January 1, 2012. The bill also provides that the provisions of the bill will be reviewed by the Revenue Laws Study Committee and it may recommend any changes needed to the law and may recommend whether the provisions of the new law should apply to pending assessments.

CURRENT LAW: Under current law, North Carolina is a single-entity filing state, meaning that a multistate corporation must determine its State net income as if it filed a separate return for federal income tax purposes. G.S. 105-130.14 prohibits a corporation from filing a consolidated or combined return in NC unless specifically directed by the Secretary to do so. Under G.S. 105-130.6, the Secretary can require a corporation to file a combined return with other parent, subsidiary, or affiliated corporations when the Department believes the corporation's net income attributable to this State is not accurately reflected on its separate filing return. After the Secretary directs, a corporation has 60 days to file a combined return before being subject to penalties if the taxpayer has not requested a hearing on the tax liability used as the basis for the penalty. The Secretary was directed in 2010 to adopt rules that describe when the Secretary would require the filing of a consolidated or combined return. A corporation must file a consolidated return when the rule adopted by the Department requires or, pursuant to a written request from the corporation, the Secretary provided written advice to the corporation stating that the Secretary will require a combined return. The Department has not adopted any rules in this area.

BILL ANALYSIS: House Bill 619 repeals G.S. 105-130.6 and replaces it with G.S. 105-130.5A, which provides the following:

- If the Secretary has reason to believe a corporation's business conduct causes it to inaccurately report net income attributable to its business in NC, the Secretary may give notice to and require any information necessary from the corporation to determine whether its intercompany transactions have economic substance¹ and are at FMV between affiliated members.² The corporation has 90 days to comply.

¹ Economic substance exists where transaction/s have both 1/+ reasonable business purposes AND economic effects, other than tax benefits. Reasonable business purposes and economic effects include any material benefit other than tax benefits that are not consistent with legislative intent. A showing that a transaction has economic effect beyond tax benefit may be satisfied by demonstrating material business activity of the entities involved. - If the Secretary reviews the provided information and finds as fact that the intercompany transactions lack economic substance or were not at FMV, the Secretary may redetermine the State net income of the corporation by (i) adjusting the intercompany transactions to accurately reflect State net income or (ii) requiring the corporation to file a combined return for all members of its affiliated group conducting a unitary business.³ If either option is utilized, the Secretary must provide the corporation with a written statement containing details of the rationale supporting the findings of fact as to inaccurate reporting and as to the Secretary's proposed computational method of income.
- If the Secretary finds as fact that a combined return is required, the Secretary may give written notice and require the submission of a combined return within 90 days of the notice. The submission does not act as an admission of liability, and the Secretary or corporation may propose a combination of fewer members.
- In determining whether transactions between members of the affiliated group of entities are at FMV, the Secretary must apply the standards contained in Section 482 of the Code.
- If a combined return is require, the combined net income of the corporation and affiliated members must be apportioned in a way that fairly reflects the current apportionment formula applicable to the corporation and each included affiliated member in determining State income tax.
- Properly required returns not timely submitted result in penalties.
- A corporation may request in writing specific advice regarding whether a redetermination of net income or a combined return would be required under listed facts, and the Secretary may request additional information to fulfill the request. Advice must be provided within 120 days of receipt of the request. The Secretary may charge a fee for providing advice, which are credited to an account in the Department and do not revert to the GF. The fee must be between \$100 and \$5000 unless waived by the Secretary.
- The Secretary may extend the time limits contained in G.S. 105-130.5A, by mutual agreement.
- Appeals of the Secretary's determination are to OAH, with the ALJ reviewing, de novo, (i) whether the separate income tax returns fail to report State net income property due to transactions that lack economic substance or are not of FMV between affiliated members, (ii) whether the Department's determination of net income is appropriate to properly determine State-attributable corporate income, and (iii) where a combined return is required, whether adjustments other than requiring the combined return are adequate to redetermine State net income.

EFFECTIVE DATE: The act becomes effective January 1, 2012, and applies to proposed assessments for taxable years beginning on or after January 1, 2012.

group, alone, is not evidence of an absence of economic substance, and a financial accounting benefit is not a reasonable business purpose, alone, if the origin is a reduction of income tax.

² An affiliated group is 2/+ corporations or noncorporate entities in which more than 50% of the voting stock/ownership interest of each member is directly or indirectly owned or controlled by a common owner or owners, excluding (i) corporations not required to file a federal income tax return; (ii) certain insurance companies; (iii) 501 tax-exempt corporations; (iv) S corporations; (v) foreign corporations under section 7701 of the Code; (vi) a partnership, LLC, or other entity not taxed as a corporation; and (vii) a corporation with at least 80% of its gross income from all sources in the tax from active foreign business income.

³ This authority exists even if all members of the affiliated group are not doing business in the State.

BILL SUMMARY: House Bill 619 as passed by the Senate includes four amendments. The amendments provide for the following:

- North Carolina corporate taxpayers that license intangible property from a related corporation can elect to have the affiliate file a return and pay tax based on its activity or add the deduction taken for royalty payments back in calculating its North Carolina taxable income. Under current law, the Department of Revenue conducts examinations of corporations filing under this royalty reporting option to ensure that the transactions have economic substance and that they are at arms-length. Amendment one negates the Department's authority to require these corporations to file a combined return or adjust their transactions when the Department concludes that the transactions between the affiliates lack economic substance or are not at arm's length.
- Amendment two provides that Sections 1 through 6 of the bill become effective for January 1, 2012, and that Sections 2 and 5 apply to assessments proposed for taxable years beginning on or after that date. The amendment also allows the Revenue Laws Study Committee to review the provisions enacted by House Bill 619 and to recommend to the General Assembly the extent to which the law should apply to pending assessments and requests for refund.
- Amendment three conforms the definition of a captive insurance company to provisions of the Internal Revenue Code
- Amendment four alters the reporting time periods for the Department and the taxpayer.

ASSUMPTIONS AND METHODOLOGY: House Bill 619 as amended only affects assessments for taxable years beginning on or after January 1, 2012. Therefore, any fiscal impact resulting from the amended bill is not estimated to impact this biennium.

Summary of Proposed Technical Corrections to Session Law (HB619)

Recognized - Canaan Huie - Department of Revenue. Correction requested by Dept. of Revenue. HB619 placed some limitation on Secretary's authority to force combinations. It required the Secretary to make a finding in order to force the combination that inner company transactions either lacked economic substance or were not at fair market value. The department concluded the same authority to force a combination was the same authority to allow a combination, allowing a tax payer to continue to file combined return without the secretary having to make a finding that their inner company transactions lacked economic substance or were not at fair market value.

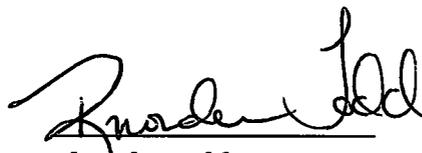

Chairman Julia Howard - The technical corrections will be incorporated into the conference report SB580. This request was made by Governor Perdue and Secretary David Hoyle.

There being no further business presently before the Committee, Chairperson Howard adjourned the meeting at 1:00 pm.

Dear President Pro Tempore Berger:

I am writing to ask you to consider the attached legislation during the special session beginning on September 12. This simple amendment to H 619 will provide clarity with respect to the Secretary's authority to allow a taxpayer to file a combined return with no unintended consequences. At the Governor's request, the staff at the Department of Revenue worked closely with representatives of the business community and the legislative staff to draft this amendment. I know of no opposition to this legislation and will support it throughout the legislative process. It should be enacted as soon as possible to provide clarity to taxpayers so that they may evaluate their options accordingly.

I appreciate your consideration of this matter and am happy to answer any questions you may have.

Sincerely,

Summary of Proposed Technical Corrections to Session Law 2011-390 (HB 619)

Following the enactment of Session Law 2011-390 ("Forced Combination Bill"), the North Carolina Department of Revenue expressed concern that approximately 130+ existing settlement agreements entered into with corporations during the 2009 Resolution Initiative may not be valid after 12/31/2011 because of the wording of those agreements and the changes to the Secretary of Revenue's authority to require corporations to file a combined tax return contained in Session Law 2011-390 that will be effective on that date. The Department also noted that, based on its interpretation of HB 619, the effective date of the repeal and modifications of the existing forced combination statutes G.S. 105-130.6, G.S. 105-130.15 and 105-130.16 should be changed to prevent a lapse of the Secretary's authority to require combined returns for taxable years prior to 1/1/12. The Governor and the Department have requested that the statutes be amended to address these concerns.

Section 1 – clarifies the Secretary's authority to enter into settlement agreements under the new statutory rules for requiring forced combinations by adding a paragraph to new statute 105-130.5A. The new paragraph allows "voluntary redeterminations" whereby the Secretary of Revenue and a corporation may jointly agree to a reasonable, alternative tax return filing methodology that accurately reports the corporation's state net income for taxable years beginning on or after 1/1/12 without a finding that intercompany transactions lack of economic substance or are not at fair market value.

Section 2 – clarifies that the existing statutes 105-130.6, 105-130.15, and 105-130.16 are of full force and effect for taxable years beginning prior to 1/1/12 and that the new statutory rules for forced combinations contained in 105-130.5A are effective for tax years beginning on or after 1/1/12.

SUMMARY: *House Bill 947 would provide \$50,000 in compensation to individuals who were asexualized or sterilized under the authority of the Eugenics Board of North Carolina.*

The finance component of House Bill 947 is Section 2. Section 2 allows a State individual income tax deduction for the compensation.

The Proposed Committee Substitute makes 6 technical changes to House Bill 947 as follows: (1) the effective date for Section 2 that creates the State tax deduction is tax years beginning on or after 1/1/12; (2) the source of the funds transferred in Sections 7-10 is the Eugenics Reserve Fund; (3) the compensation is specified to be a lump-sum payment; (4) the hearing location for out-of-State claimants is Wake County; (5) the State Treasurer is authorized to pay compensation to the recipient, a trust specified under G.S. 143B-426.51(b), or the recipient's estate; and (6) determinations favorable to the claimant are not subject to appeal by the State.

As introduced, House Bill 947 was identical to S800.

BACKGROUND: Beginning in 1919, the General Assembly authorized the asexualization and sterilization of certain inmates or patients of State institutions. Involuntary sterilization was ruled permissible under the U.S. Constitution in 1929.¹ In 1933, the General Assembly created and authorized the Eugenics Board of North Carolina ("Board") to order sterilization of a "mentally diseased, feeble-minded, or epileptic" individual when such procedure was considered to be in the best interest of the mental, moral, or physical improvement of the individual or for the public good, or if the individual would be likely to procreate a child who would have a tendency to serious physical, mental, or nervous disease or deficiency. The Board ordered the asexualization or sterilization of an estimated 7,600 individuals between 1933 and 1974. In 1974, the General Assembly transferred the authority to order such sterilization proceedings to the courts. North Carolina's involuntary sterilization laws were repealed in 2003.

BILL ANALYSIS: House Bill 947 would establish a program to provide compensation in the amount of \$50,000 to individuals asexualized or sterilized by order of the Board between 1933 and 1974, and to provide a process for determining who is entitled to that compensation.

SECTION 1 of the bill defines eligibility for compensation, sets the amount of compensation, establishes the process and procedure for the filing and determining of claims of eligibility for compensation, provides appeal rights, creates an advocacy office for sterilization victims, addresses records privacy, and prescribes the effects of compensation awards for purposes of eligibility for public assistance and taxation.

G.S. 143B-426.50 sets out the definitions applicable in this Part. "Qualified recipient" is defined as an individual entitled to compensation who proves he or she (1) was asexualized or sterilized (2) pursuant to an order of the Board between 1933 and 1974, and (3) was alive as of March 1, 2010.

House Bill 947

Page 2

G.S. 143B-426.51 sets a lump sum compensation award of \$50,000 per qualified recipient. It allows compensation to be assigned to a trust for the recipient's benefit.

G.S. 143B-426.52 sets the deadline for filing a claim as December 31, 2015. Claims are submitted to the Office of Justice for Sterilization Victims ("Office"), which in turn files the claims with the Industrial Commission ("Commission"). The Commission is required to make rules for processing claims, make eligibility determinations, and notify claimants.

G.S. 143B-426.53 sets out the authority and process for the Commission to make eligibility determinations. This process provides for a determination on the application by a deputy commissioner, gives an unsuccessful claimant the right to a redetermination, a hearing, and a review on the record by the full Commission. Appeals by the claimant from the Commission are to the Court of Appeals.

G.S. 143B-426.54 creates an Office of Justice for Sterilization Victims in the Department of Administration. (DOA) to assist in the filing of claims, serve as victim advocate, provide legal assistance to victims when necessary, and implement a public outreach program to potential qualified recipients.

G.S. 143B-426.55 provides that records relating to eligibility, claims, and payments under the Program are confidential and are not public records.

G.S. 143B-426.56 excludes compensation payments from the State income tax and from being considered income or assets for purposes of eligibility for public assistance programs. DHHS is specifically directed to provide income, resource and asset disregard and protection to individuals who apply for or receive public assistance under State-controlled programs.

G.S. 143B-426.57 makes clear that no applicable statute of limitations is revived or extended by this law, and that the State's liability is limited to the \$50,000 compensation award.

SECTIONS 2 AND 3 of the bill make conforming changes exempting compensation payments from the State income tax laws and the public assistance laws. ✓

SECTION 4 makes conforming changes to the current public record law that exempts certain records of the Eugenics Board from public records by permitting the release of minutes or reports of the Eugenics Board if identifying information is redacted.

SECTION 5 establishes the Eugenics Sterilization Compensation Fund in the Office of the State Treasurer to pay compensation awards.

SECTION 6 directs the Department of Health and Human Services to submit State Plan Amendments by July 1, 2012, to the federal Centers for Medicare and Medicaid Services for income, resource and asset disregard for compensation payments. *Wake County*

SECTION 7 directs the Office of the State Treasurer to use \$10 million in 2012-13 appropriated funds for the payment of compensation.

SECTION 8 directs the Industrial Commission to use \$184,000 in 2012-13 appropriated funds to administer the Program.

SECTION 9 directs DOA to use \$654,000 of 2012-13 appropriated funds for expenses of the Office.

SECTION 10 directs the Department of Cultural Resources to use \$57,000 of 2012-13 appropriated funds to scan and index Eugenics Board records, and to work with DOA to create an electronic searchable database of the records. DOA is directed to use \$155,000 of 2012-13 appropriated funds for the database creation and maintenance.

SECTION 11 states the intent of the General Assembly that, if appropriations are insufficient to pay all qualified claims, future General Assemblies will appropriate adequate funds to compensate all qualified recipients.

ASSUMPTIONS AND METHODOLOGY:

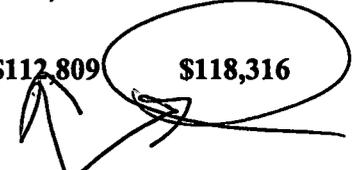

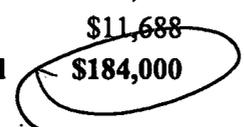

Potential Qualified Recipients: Section 1 awards qualified recipients, as defined in the bill, compensation of \$50,000. Section 5 of this bill creates a Eugenics Sterilization Compensation Fund within the Office of the State Treasurer to distribute compensation.

The NC Justice for Sterilization Victims Foundation received an estimate from the State Center for Health Statistics that there could potentially be 2,994 individuals alive in 2010 who would be eligible for compensation. While the individuals must file by December 31, 2015, it is unknown how many of these individuals will file a claim to receive compensation in a given year and when they will be determined an eligible qualified recipient. It is expected that it will take some portion of time to set up the process for outreach, advocacy, and determination required by the Bill. Currently, the Foundation reports that 132 claims have been filed and have deemed valid by their review. Thus, a low estimate for the first year of operations would be \$6,600,000. Should all of the estimated 2,994 qualified recipients apply for the State could expend a total of \$149,700,000 over the analyzed time period.

Section 1

Section 1 directs that the Industrial Commission will make determinations as to eligibility to receive the funds. The bill directs that a Deputy Commissioner will make the determination and hold hearings if requested by a denied claimant. Additionally, the full Commission is to hear appeals if they are made by the claimant. Fiscal Research estimates that one new full-time Commissioner is needed in the first year, with one administrative assistant. It is unknown how many claims, both valid and unsubstantiated will be made; however, the Commission will have to review all of them to make determinations. In their experience thus far, the NC Justice for Sterilization Victims Foundation has received four unsubstantiated claims for each one that is validated. It is estimated that one Deputy Commissioner could review at least 3,000 claims per year. It is estimated that the first two years will be the busiest, with the number of claims declining in subsequent years. Thus, the Deputy Commissioner position and the administrative assistant position is reduced to 0.5 FTE in years 3 and thereafter. Costs, including inflationary increases, are estimated as follows:

	FY 2012-13	FY 2013-14	FY 2014-15	FY 2015-16	FY 2016-17
Deputy Commissioner	\$95,000	\$102,353	\$54,544	\$57,806	\$60,684
Administrative Assistant	\$31,622	\$34,070	\$19,277	\$20,429	\$21,447
Retirement	\$18,120	\$27,822	\$13,990	\$14,827	\$15,565
Social Security	\$9,687	\$18,560	\$9,333	\$9,891	\$10,384
Health Insurance	\$10,384	\$11,188	\$5,534	\$5,865	\$6,157
Travel	\$2,500	\$1,281	\$1,319	\$1,352	\$1,382
Operating Costs R	\$5,000	\$3,843	\$2,574	\$2,639	\$2,697
Operating Costs NR	\$11,688				
Total	\$184,000	\$199,116	\$106,570	\$112,809	\$118,316

Funds for FY 2012-13 are transferred to the Industrial Commission from the Eugenics Reserve Fund in section 8 of the bill.

Furthermore, Section 1 directs that the Department of Administration (DOA) establish an Office for Justice of Sterilization Victims. The Office will assist claimants, or their legal representatives, in filing claims for compensation. The Office will also help determine if a claimant is qualified for compensation. If needed, the Office will provide legal representation for claimants as required. The Office is also directed to perform outreach efforts to notify and identify potential claimants. There is currently a director of the NC Justice for Sterilization Victims Foundation within the DOA. The Foundation was established by Executive Order and funded by the General Assembly in S.L. 2009-451 with a non-recurring, non-reverting appropriation of \$250,000. It is estimated that the director will continue to staff the Office. In addition, there will be additional staff of an Attorney II to assist in legal representation and assistance for the claimants and office. Two Advocacy Specialists will be required to assist potential claimants and review claims. An administrative assistant will also be required to assist the office. The Office will perform outreach functions as required by the Bill and it is estimated that \$300,000, non-recurring, will be required for this function.

Section 10 also directs the Department of Administration (DOA) to create an electronic database of Eugenics Board records. DOA is directed to use \$155,000 of the funds transferred from the reserve for this purpose. DOA anticipates that they will use contractual or temporary personnel to design and maintain the database using existing software programs, and to oversee data collection and entry. DOA also estimates that they will require six graduate student interns for three months to collect and enter the data. Expenses would include contractual or temporary employees, software and other related operating costs, and computer equipment. It is anticipated that the database will be completed within FY 2012-13. Beyond FY 2012-13, DOA may incur some ongoing expenses for temporary or contractual services in order to maintain the database, but it is expected that the Department can absorb these with funds available.

Costs, including inflationary increases, are estimated as follows:

	FY 2012-13	FY 2013-14	FY 2014-15	FY 2015-16	FY 2016-17
Director (1)	\$58,701	\$63,244	\$67,406	\$71,437	\$74,994

Funds for FY 2012-13 are transferred to the Department of Administration from the Eugenics Reserve Fund in section 9 and 10 of the bill.

Section 1 allows claimants to appeal a determination from the Industrial Commission to the Court of Appeals within thirty days. Fiscal Research estimates that there will not be a noticeable impact on the Court of Appeals and any appeals can be handled with available resources.

Section 2 also provides that compensation provided under this bill is not subject to State income tax. This is to be clarifying in nature and does not create a fiscal impact.

Sections 7, 8, and 9

These sections transfer funds from the Eugenics Reserve Fund to the appropriate Departments where the funds will be expended.

Section 10

Section 10 directs the Department of Cultural Resources (DCR) to electronically scan and index the Eugenics Board index cards and minutes. DCR has already scanned these documents, but has not yet indexed them. DCR anticipates that one new, time-limited position would be required for one year (FY 2012-13) to index these records. The \$57,000 in transferred funds that DCR is directed to spend for this purpose would be sufficient to hire one additional Archives & Records Professional, including salary (\$35,996), benefits, and associated position start-up and operating costs. DCR would utilize existing staff to coordinate with DOA on the creation of an electronic database. Details are as follows:

	FTE	FY 2012-13
Archives and Records Professional	1	\$35,996
Ret/SS		\$7,905

HOUSE BILL 1025: Extend Tax Provisions

2011-2012 General Assembly

Committee: House Finance	Date: May 30, 2012
Introduced by: Reps. Howard, Starnes	Prepared by: Heather Fennell
Analysis of: First Edition	Committee Counsel

SUMMARY: *The proposed draft extends several tax provisions.*

[As introduced, this bill was identical to S827, as introduced by Sens. Rucho, Hartsell, Blue, which is currently in Senate Finance.]

BILL ANALYSIS: It is anticipated that major tax modernization will be undertaken during the 2013 session of the General Assembly. This act extends the following provisions in order to maintain the current state of the North Carolina tax code until comprehensive tax modernization can be accomplished.

Section 1: Extends the tier one designation for seafood industrial parks through July 1, 2013.

Sections 2-10: Extends the following tax credits through January 1, 2014:

2. Tax credit for renewable fuel facilities.
3. Tax credit for biodiesel producers.
4. Work opportunity tax credit.
5. Article 3J tax credits.
6. Tax credit for recycling oyster shells.
7. Tax credit for premiums on long-term care insurance.
8. Refundable earned income tax credit.
9. Tax credit for adoption expenses.
10. Tax credit for qualified business ventures.

Section 11: Extends the following sales tax refunds through January 1, 2014:

- Passenger air carriers
- Machinery and equipment placed in a tier 1 county.
- Aviation fuel for motorsports team of sanctioning body.
- Analytical services.
- Certain industrial facilities.

EFFECTIVE DATE: This act is effective when it becomes law.

BACKGROUND: Tax credits are considered a mechanism for encouraging and rewarding behavior that is beneficial to the State. Like appropriations, tax credits are expenditures of public funds for the benefit of certain businesses, interest groups, and other taxpayers. However, unlike appropriations, without some limitation, they can continue in perpetuity costing the State millions of dollars without review by the General Assembly. In 1998, the Revenue Laws Study Committee recommended that sunsets be placed on virtually all of the tax credits as a means to review and reevaluate those credits. Periodic review of tax credits allow the General Assembly to consider each credit on its merits to determine whether it continues to serve a public purpose that justifies its cost.

The work opportunity tax credit was repealed for 2012. The proposal would reinstate the credit for 2012 and schedule its repeal for 2014. The other provisions are scheduled for repeal in 2013. The proposal extends the repeal date for one year to 2014.

ASSUMPTIONS AND METHODOLOGY:

The estimated impact for the income and sales tax provisions is based on data obtained from the Department of Revenue. The fiscal impact shown for FY 2014-15 and FY 2015-16 is due to the extension of the Article 3J tax credits. The Article 3J tax credits are taken in installments that don't begin until the tax year following the year generated and are subject to carry-forward provisions. Consequently, the fiscal impact for a one year extension of Article 3J is spread out over a 10-year period.

PCS for HOUSE BILL 142: Economic Development & Finance Changes

2011-2012 General Assembly

Committee: House Finance	Date: May 30, 2012
Introduced by: Reps. T. Moore, Hager, Hastings	Prepared by: Trina Griffin

- *One-year cap of 37 ½¢ on the gas tax (the current rate is 38.9¢).*
- *One-year delay of new and increased ferry tolls.*

- *Port enhancement zone technical correction.*

ONE-YEAR CAP ON THE MOTOR FUEL EXCISE TAX RATE

CURRENT LAW: A motor fuel excise tax is imposed on all motor fuel sold, distributed, or used in the State. The motor fuel tax rate has two components: a flat rate of 17.5¢ and a variable rate that may change every six months.¹ The variable rate is equal to 7% of the wholesale price of gasoline based on a weighted average price of gasoline and diesel, as reported by the US DOE Energy Information Administration. The variable rate is currently 21.4¢, for a total State tax motor fuel tax rate of 38.9¢ per gallon for the period January through June 2012.

The upcoming variable rate is expected to decrease based on the six-month period that ended March 31; the projected State motor fuel tax rate beginning July 1, 2012, is 38.8¢ a gallon. However, it is projected that the rate effective January 1, 2013, would be higher based on the wholesale price of gasoline over the last few months. The variable tax rate effective January 1, 2013, would be based on the wholesale price of gasoline during the period April 1, 2012, through September 30, 2012.

One-half cent per gallon of the excise tax is allocated to various environmental funds. Of the remaining excise tax revenue, 75% goes to the Highway Fund and 25% goes to the Highway Trust Fund.

BILL ANALYSIS: Section 1 of the PCS would place a cap of 37½¢ per gallon on the motor fuel excise tax rate for the period July 1, 2012, through June 30, 2013. The rate could fall below this amount, but it could not exceed this amount. This reduction in rate would reduce motor fuel tax revenues by an estimated \$81.6 million for FY12-13. The House budget reflects the impact of the cap.

EFFECTIVE DATE: This section would become effective when the act becomes law.

¹ The variable rate component was introduced in 1986 as part of legislation that increased funding for road construction. In addition to the introduction of a 3% variable rate, which equated to 1.5¢ per gallon at that time, the legislation increased the flat rate from 12¢ per gallon to 14¢ per gallon. The General Assembly incorporated the variable rate in part as recognition that the cost of road construction increases as the cost of motor fuel increases because of the petroleum products used in road construction. In 1989, the General Assembly increased the flat tax rate to 17¢ per gallon and increased the variable component from 3% to 7% of the average wholesale price. In 1992, the tax rate was changed to the current rate of 17.5¢ per gallon plus 7% of the average wholesale price (S.L. 1991-538).

House PCS 142

Page 2

BACKGROUND: The General Assembly has legislated temporary caps and ceilings on the variable rate over the past few years:

2006	Capped the variable rate at 12.4¢ per gallon to ensure that the State motor fuel tax rate could not exceed 29.9¢ for the period January 2006 through June 2007. ²
2007	Extended the 12.4¢ cap through the period ending June 2009. The rate fell to 29.7¢ for the period July through December 2007; otherwise it remained at 29.9¢.
2009	Created a ceiling on the variable rate of 12.4¢ per gallon to ensure that the State motor fuel tax rate did not fall below 29.9¢ for the period July 2009 through June 2011. Based on the wholesale price of motor fuel during this period, the rate remained well above the floor of 29.9¢. The rate rose to 32.5¢ per gallon for the period ending June 2011.
2011	The House passed House Bill 645 during the special session held in November. The 3rd edition of House Bill 645 would cap the motor fuel tax rate at 35¢ per gallon, which was the effective tax rate in November 2011. The bill passed third reading in the House on November 29, 2011. On May 16, it was received by the Senate and referred to the Senate Finance Committee.

DELAY FERRY TOLL COLLECTION

CURRENT LAW: Section 31.30 of the 2011 Appropriations Act directed the Board of Transportation to establish tolls for all ferry routes except for the Ocracoke/Hatteras Ferry and the Knotts Island Ferry, to become effective April 1, 2012. The Senate Appropriations Committee Report on House Bill 200, incorporated into the budget act, indicated that toll increases on existing routes and new tolls on the remaining routes would generate \$2.5 million in FY 2011-12 and \$5 million recurring beginning in FY 2012-2013.

BILL ANALYSIS: Section 2 of the PCS would direct the Department of Transportation not to collect during the 2012-2013 fiscal year the new and increased tolls required by the 2011 budget act. The fiscal impact of this delay is accounted for in the House budget.

EFFECTIVE DATE: This section would become effective when the act becomes law.

BACKGROUND: On February 29, 2012, the Governor issued an Executive Order placing a one-year moratorium on the new and increased ferry tolls. The legality of the Governor's order has been called into question by both the Attorney General's office and members of the General Assembly. In a statement issued on April 13, 2012, Attorney General Roy Cooper said that the state law as passed by the Legislature must be followed. He further stated that since it was the Legislature's decision to collect tolls, only the Legislature has the authority to remove them. The Department of Transportation has set the new and increased rates for five ferry routes, but they are not currently being enforced.

EXEMPT MOTIONS TO WITHDRAW FROM FILING FEE

CURRENT LAW: There is a \$20 fee to file most motions in civil actions, in special proceedings, and in the administration of estates.³ There is no fee to file a motion where the sole claim for relief is the taxing of costs, including attorney's fees.

² Section 24.3 of S.L. 2006-66. Section 2.2(g) of S.L. 2006-66 provided a reserve in the General Fund for the purpose of holding harmless the Highway Fund and the Highway Trust Fund in the event that the variable wholesale component of the tax would have exceeded 12.4¢ per gallon.

³ Fees for motions listed in G.S. 7A-308 supersede the \$20 fee in G.S. 7A-305.

House PCS 142

Page 3

BILL ANALYSIS: Section 3 would exempt from the \$20 filing fee a motion to withdraw as attorney or counsel of record in civil actions, special proceedings, or in the administration of estates. The fiscal impact of this exemption is accounted for in the House budget.

EFFECTIVE DATE: This section would become effective August 1, 2012, and apply to motions filed on or after that date.

WAIVE FILING FEE FOR FILING ARTICLES OF ORGANIZATION BY AN UNEMPLOYED INDIVIDUAL

CURRENT LAW: Articles of organization are similar to articles of incorporation, outlining the initial statements required to form a limited liability company. It is a necessary document for setting up an LLC in North Carolina. The current fee for filing articles or organization with the Secretary of State is \$125.00.

BILL ANALYSIS: Section 4 of the PCS would waive the \$125 filing fee for articles of organization if the organizer swears or affirms, under penalty of perjury, that the organizer is an unemployed individual at the time of filing.

EFFECTIVE DATE: This section becomes effective August 1, 2012, and applies to articles of organization filed on or after that date.

CLARIFY & EXTEND TIME TO APPLY FOR A SALES TAX REFUND OF AVIATION FUEL

CURRENT LAW: An interstate passenger air carrier is allowed an annual refund of the sales and use tax paid by it on fuel in excess of \$2,500,000. A request for a refund is due within six months after the end of the State's fiscal year. The refund period covers purchases made during the State's fiscal year. Refunds applied for after the due date are barred. The only taxpayer that currently qualifies for this credit is U.S. Airways.

BACKGROUND: This sales tax refund for aviation fuel was originally authorized in 2005. Prior to 2010, the refund period covered purchases made during a calendar year, and the refund application was due within six months after the end of the calendar year. In 2010, the General Assembly enacted legislation, S.L. 2010-166, that consolidated and made uniform sunset and reporting features and requirements across the State's various economic incentives. Among the changes, the due dates of the sales tax refunds were standardized to apply to a fiscal year. The effective date of the legislation specifically provided that, "The first claim for refund by a taxpayer whose sales tax refund period is changed by this act is due within six months after July 1, 2010, and applies to purchases during the time period not covered by the taxpayer's last claim for refund."

There was some confusion associated with this bill. During the same session, there was another bill,^[1] which passed first, extending various sunsets from January 1, 2011, to January 1, 2013. S.L. 2010-166 failed to take into account the extension of the sunsets enacted by the other bill. When S.L. 2010-166 was enacted, it unintentionally nullified the sunset extensions because it was enacted after the first one passed. This error was later corrected in 2011 technical corrections legislation.^[2]

In the midst of the confusion, the transition from filing for a refund on a calendar year basis to a fiscal year basis, which should have occurred in 2010, was overlooked by both U.S. Airways and the Department of Revenue. In February of 2011, U.S. Airways filed for a refund for calendar year 2010 and received it. In January of 2012, U.S. Airways filed for a refund for calendar year 2011 and was told

^[1] S.L. 2010-31.

^[2] S.L. 2011-330.

House PCS 142

Page 4

that the claim for the first six months of 2011 was barred due to an untimely application. And the refund request for the second six months of 2011 was not yet due.

BILL ANALYSIS: Section 5 of the PCS does two things. First, it validates the 2010 refund application and payment issued by the Department of Revenue and second, it provides for the transition from a calendar year refund period to a fiscal year refund period. Subsection (a) would validate the 2010 refund payment made on a calendar year basis. Subsection (b) would allow the taxpayer to apply for a sales tax refund for aviation fuel purchased by it in excess of \$1,250,000 between January 1, 2011, and June 30, 2011, so long as the application is made before July 1, 2012. The cap is reduced to reflect the fact that the refund would only be for a six-month period. The fiscal impact of this provision is a reduction of approximately \$6.34 million in State sales tax revenues and \$2.71 million in local sales tax revenues. The provision has a fiscal impact because the taxpayer is not entitled to the refund under current law since it filed an untimely application. The fiscal impact has been accounted for in the House budget with corresponding adjustments to General Fund availability.

EFFECTIVE DATE: The provision related to the refund for the first half of 2011 is effective January 1, 2011, and applies to purchases made on or after that date. The remainder of the section is effective when it becomes law.

INDUSTRIAL DEVELOPMENT FUND CHANGES

CURRENT LAW: The Industrial Development Fund (IDF), which is within the Department of Commerce, provides funds to assist local governments in economically distressed counties with creating jobs in certain industries.⁴ "Economically distressed county" is defined as a county that has one of the 65 highest rankings under the development tier designation.⁵ An eligible industry is defined as a company or person engaged in the business of air courier services, information technology and services, manufacturing, or warehousing and wholesale trade.

The IDF funds must be used for (i) installation of or purchases of equipment for eligible industries; (ii) structural repairs and renovations of buildings for expansion of eligible industries; or (iii) construction of or improvements to new or existing utility lines or equipment or transportation infrastructure for existing or new building for the eligible industries. Other requirements include that the funds have to be used by the city and county governments for projects that directly result in the creation of new jobs and must be expended at a maximum rate of \$10,000 per new job created up to a maximum of \$500,000 per project.

To be eligible for funding, the infrastructure being funded must be located on the site of the building or, if not located on the site, must be directly related to the operation of the specific eligible industrial activity. In all cases, the infrastructure must be located in an economically distressed county.

BILL ANALYSIS: Section 6 of the PCS would modify the eligibility qualification for the funding of sewer infrastructure only by providing that the sewer infrastructure need not be located in the same county as the site of the building where the eligible industrial activity is being conducted. It does not change the requirement that the infrastructure project must be directly related to the operation of the eligible industrial activity.

BACKGROUND: This change would facilitate an economic development project in Davie County. Ashley Furniture is currently upfitting an existing building that requires additional sewer capacity.

⁴ IDF is currently funded by loan repayments only; there is no longer a General Fund appropriation for IDF. Loan repayments average around \$50,000 annually.

⁵ Under the development tier designation, the 40 most distressed counties are designated as tier 1, the next 40 as tier 2 and the 20 least distressed as tier 3.

BILL SUMMARY: The Proposed Committee Substitute for House Bill 142 makes the following changes related to economic development and the finance laws:

- One-year cap of 37 ½¢ on the gas tax.
- One-year delay of increased ferry tolls.
- Exempt from \$20 filing fee motions to withdraw as attorney.
- Clarify and extend time to apply for sales tax refund of aviation fuel.
- Industrial Development Fund changes related only to sewer infrastructure projects.
- Lower investment threshold from \$150 million to \$100 million in order to be eligible for 20-year carryforward period under Article 3J.
- Waive filing fee for articles of organization by an unemployed individual.
- Port enhancement zone technical correction.

ASSUMPTIONS AND METHODOLOGY:

PART I: One-year Cap on Motor Fuel Excise Tax Rate

Consensus Revenue Forecast:

The motor fuels excise tax rate consists of a flat rate of 17.5 cents per gallon plus a variable rate that is 7% of the national weighted average wholesale price of gasoline and diesel for a six-month base period. For January through June 2012, the variable rate is 21.4 cents per gallon. Based on the April 2012 consensus revenue forecast, the variable rate will decrease to an average of 21.3 cents per gallon in FY 2013. Capping the tax at 37.5 cents per gallon sets a maximum variable rate at no more than 20.0 cents per gallon for FY 2013. Based on existing statutes, the variable rate will automatically readjust on July 1, 2013. Capping this automatic adjustment generates this fiscal impact.

Distribution of Motor Fuels Excise Tax:

Wildlife Resources Fund receives 1/6 of one percent of Motor Fuels Excise Tax attributed only to the Highway Fund. A cap impacts the Highway Fund, Highway Trust Fund, and Wildlife Resources Fund. The total cut to Wildlife Resource is \$102,000.

PART II: Delay Ferry Toll Collection

Delays the collection of increased tolls required per S.L. 2011-145, Sec. 31.30, for the 2012-13 fiscal year. S.L. 2011-145 directed that the Board of Transportation toll all ferry routes, except the Currituck/Knotts Island and Hatteras/Ocracoke routes, to achieve a net recurring reduction in operating funding of \$2.5 million.

Fares will be collected in accordance with the schedule in effect prior to the submitted amendments to 19A NCAC 02D .0531 and 19A NCAC 02D .0532. The House Committee Report on the Continuation, Expansion, and Capital Budgets (HB 950) appropriates \$2.5 million on a non-recurring basis to offset the loss of tolling revenue resulting from this delay.

PART III: Exempt Motions to Withdraw from Civil Motions Filing

The Administrative Office of the Courts estimates that motions to withdraw as counsel account for approximately \$290,000 of the total funds collected for the civil motions fee. Therefore, Part III of this bill will result in a loss in General Fund availability of \$290,000. H.B. 950, Modify 2011

Appropriations Act, includes reductions in the Justice and Public Safety area to account for the loss.

PART IV: Waive the Filing Fee for Filing Articles of Organization with the Secretary of State for Unemployed Individuals

This section would waive the \$125 filing fee for Articles of Organization for limited liability corporations. Currently funds collected from this fee are deposited into the State's General Fund. It is unknown how much revenue the State will fail to collect as a result of this fee waiver. According to recent data, there were 34,365 new LLC filings in FY 2011. The table below reflects data for the most recent completed Fiscal Year, as well as historic trends. It is unknown how many of those filing were unemployed at the time of filing. It is unknown how many additional individuals will file given the fee waiver.

FY	Active LLC	New LLC
2010-11	198,793	34,365
2009-10	236,718	29,974
2008-09	218,649	29,594
2007-08	197,193	30,351
2006-07	166,182	30,351

It is also unknown how such a fee waiver will impact the current operation of the Corporations Division within the Secretary of State. Currently, the annual appropriation to the Division is \$3,004,428 for each year of the current biennium which supports 59 FTE. If such a program greatly increases LLC filings, additional resources may be required within the Division. The Secretary of State is responsible for creating a form, which should not require additional resources. While it is the responsibility of the filing organizer to attest, under penalty of perjury that they are unemployed, the Secretary of State may require additional resources for enforcement.

PART V: Clarify and Extend the Period of Time to Apply for a Sales Tax Refund of Aviation Fuel Purchased by an Interstate Passenger Air Carrier between January 1, 2010 and June 30, 2011

An interstate passenger air carrier is allowed a refund of the sales and use tax paid by it on fuel in excess of \$2,500,000. A request for a refund is due within six months after the end of the State's fiscal year. This proposal extends the period in which interstate passenger air carriers can apply for a sales tax refund. According to the Department of Revenue, outstanding sales tax refunds for interstate passenger air carriers in excess of \$1,250,000 between January 1, 2010, and June 30, 2011 equal \$6.34 million in State sales tax and \$2.71 million in local sales tax. The request for a refund is due before July 1, 2012.

PART VI: Permit the Use of Moneys from the Industrial Development Fund to be used for Sewer Improvements in Adjoining Counties

Part 6 of the bill allows for the Industrial Development Fund (IDF) to fund sewer infrastructure projects in any county as long as the site that the sewer infrastructure is servicing is in an eligible

county. This part of the bill is not estimated to have a fiscal impact as it is not known which projects would have applied before this change versus after this change. IDF is currently funded by loan repayments only; there is no longer a General Fund appropriation for IDF. Loan repayments average around \$50,000 annually. As of May 25, 2012, IDF had a cash balance of \$1,102,793.

SOURCES OF DATA: U.S. Airways representatives; NC Dept. of Revenue; Consensus Revenue Forecast, April 2012, between the Office of State Budget and Management and the North Carolina General Assembly's Fiscal Research Division;

TECHNICAL CONSIDERATIONS: None

Forsyth County operates the water and sewer system that serves Davie County and would need to make improvements to the system in order to provide the additional capacity required by Ashley Furniture. Davie County is a tier 2 county and would be eligible for IDF funds. Forsyth County, however, is a tier 3 county and would not otherwise qualify. As applied to this project, the change would enable IDF funds to be used to improve sewer infrastructure located in a tier 3 county to the extent it is directly related to the operation of an eligible industrial activity in a tier 2 county. Forsyth County has indicated that the improvements to the sewer system for purposes of serving the Ashley Furniture site would not enhance sewer service in Forsyth County.

PORT ENHANCEMENT ZONE TECHNICAL CORRECTION

CURRENT LAW: S.L. 2011-302 created a new type of zone eligible for enhanced credits⁶ under Article 3J, known as a "ports enhancement zone." North Carolina has two State ports, the Port of Morehead City and the Port of Wilmington. The Port of Morehead City is located in Carteret County; Carteret County is a tier 3 county. The Port of Wilmington is located in New Hanover County; New Hanover County is also a tier 3 county.

A ports enhancement zone is an area that meets the following conditions:

- Is comprised of one or more contiguous census tracts, census block groups, or both, in the most recent federal census.
- All of the area is located within 25 miles of a state port and is capable of being used to enhance port operations.
- Every census tract and census block group in the area has at least 11% of households with incomes of \$15,000 or less.

The statute also stipulates that the area of the county that is included in one or more port enhancement zones may not exceed 5% of the total area of the county.

The enhanced credits available to an urban progress zone (UP zone) and an agrarian growth zone (AG zone)⁷ will be available to a ports enhancement zone, effective for taxable years beginning on or after January 1, 2013.

BILL ANALYSIS: Section 7 of the PCS would change one of the three conditions that must be met in order to qualify as a ports enhancement zone. Under the bill, the zone would have to be comprised of part or all of one or more contiguous census tracts, census block groups, or both, in the most recent federal decennial census. This change would make it consistent with the UP zone definition.

⁶ North Carolina seeks to incent businesses to create jobs and invest in business property primarily through Article 3J tax credits. A taxpayer's eligibility for a credit and the amount of the credit varies depending upon the county or zone in which the jobs are created or the investments are made. These credits may be combined to offset up to 50% of the taxpayer's State income and franchise tax liability, and as a general rule, unused credits may be carried forward for up to five years.

⁷ The enhanced credits available to an UP zone or an AG zone under Article 3J are as follows:

- **Jobs tax credit.** – The threshold for new full-time jobs created to qualify for the tax credit for creating new jobs is the same as for a tier 1 county, five ; and the amount of the credit is increased by \$1,000 per job. If the job is filled by a resident of the zone or a long-term unemployed worker, the credit is increased by an additional \$2,000 per job.
- **Machinery and equipment investment tax credit.** – The investment threshold requirement to qualify for the tax credit for investing in business property is the same as a tier 1 county, which is none. The amount of the investment tax credit is also the same as a tier 1 county, 7% of the cost of tangible personal property that is placed in service during the taxable year.

SUMMARY: *House Bill 991 would delay the effective date of legislation enacted during the 2011 session authorizing Jackson County to levy an additional 3% room occupancy tax and requiring other administrative changes. This bill received a favorable report by the Occupancy Tax Subcommittee on June 5, 2012.*

CURRENT LAW: In 1985, the General Assembly authorized several western counties, including Jackson, to levy an occupancy tax of 3%. The net proceeds of the tax are placed in a special Travel and Tourism Fund and may be used only to promote travel and tourism in the county. The county has discretionary authority to establish a tourism development authority to administer the funds.

In 2011, the General Assembly enacted S.L. 2011-170 (HB 96), which rewrote and recodified the law authorizing the 3% room occupancy tax in Jackson County to conform the content to the uniform format currently used for occupancy taxes. By conforming to the House Finance Occupancy Tax Guidelines, Jackson County may use up to one-third of the occupancy tax proceeds for tourism-related expenditures, which it could not do under the 1985 law. The 2011 legislation also authorized Jackson County to levy an additional 3% occupancy tax with the same conditions and requirements that apply to the first 3%.

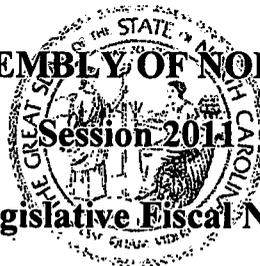

BILL ANALYSIS: House Bill 991 would delay until January 1, 2013, the effective date of the 2011 legislation. The county has requested this legislation.

EFFECTIVE DATE: This act is effective when it becomes law.

BACKGROUND: As noted above, the 1985 legislation did not require the occupancy tax proceeds to be administered by a tourism development authority. In 1987, the legislation was amended to give the County discretionary authority to establish a travel and tourism authority. Jackson County currently has two travel and tourism authorities that administer the proceeds of the 3% room occupancy tax: the Jackson County Tourism Authority and the Cashiers Tourism Authority. Based upon the way the 2011 legislation was drafted, the County was required to establish a single, countywide Tourism Development Authority as soon as the act became law, regardless of when and whether the County enacted the additional 3% occupancy tax. The County believed that it would not have to establish a single TDA until it enacted the additional 3% tax. The County would like additional time to transition to a single TDA and, therefore, requested the effective date extension.

BILL SUMMARY: House Bill 991 amends SL 2011-170 to postpone changes made to Jackson County's occupancy tax until January 1, 2013.

ASSUMPTIONS AND METHODOLOGY: The 2011 legislation allowed for an additional 3% occupancy tax to be levied with the same conditions and requirements that apply to the initial 3% rate. House Bill 991 would simply move the effective date of that legislation to January 1, 2013. There would be no fiscal impact, as the additional 3% occupancy tax is not being levied.

HOUSE BILL 1087: Fontana Dam Occupancy Tax

2011-2012 General Assembly

Committee: House Finance
Introduced by: Rep. West
Analysis of: First Edition

Date: June 7, 2012
Prepared by: Trina Griffin
Committee Counsel

SUMMARY: *House Bill 1087 would authorize the Town of Fontana Dam to levy a room occupancy tax of up to 3%, the proceeds of which would be remitted to a Tourism Development Authority. The Authority would be required to use at least two-thirds of the proceeds to promote travel and tourism and the remainder for tourist-related expenditures. This bill was given a favorable report by the Occupancy Tax Subcommittee on June 5, 2012.*

[As introduced, this bill was identical to S942, as introduced by Sen. Davis, which is currently in Senate State and Local Government.]

CURRENT LAW: The Town of Fontana Dam was incorporated in 2011.¹ The Town is located in Graham County, which has the authority to levy a 3% room occupancy tax.² The proceeds of that tax may be, but are not required to be, administered by a Travel and Tourism Authority. All of the proceeds must be used to promote travel and tourism in the county. The Fontana Village Resort, which is the only hotel accommodation within the municipal limits, currently collects both the State and local sales and use tax and the county occupancy tax on the rental of its accommodations.

BILL ANALYSIS: House Bill 1087 would authorize Fontana Dam to levy a 3% room occupancy tax. The Town would be required to establish a Tourism Development Authority to administer the proceeds. The proceeds must be used as follows: at least two-thirds for tourism promotion and the remainder for tourism-related expenditures. The bill conforms to the Guidelines for Occupancy Tax adopted by the House Finance Committee.

EFFECTIVE DATE: This act is effective when it becomes law.

BACKGROUND: Since 1983, the General Assembly has authorized many units of local government to levy a room occupancy tax. Over the past several years, there has been a greater effort to make the occupancy taxes uniform. In 1997, the General Assembly enacted uniform municipal and county administrative provisions for occupancy tax,³ which provide uniformity among counties and cities with respect to the levy, administration, collection, repeal, and imposition of penalties.

¹The Joint Legislative Commission on Municipal Incorporation did not give a favorable recommendation to the incorporation of Fontana Dam in its report, dated March 16, 2009, because the Commission found that the proposed Town did not meet the Commission standards for population and population density. The petition said Fontana Dam has 25 to 30 people with 25 people per half square mile, and the standard is 100 people with 250 people per square mile. Failure to get a favorable recommendation from the Commission does not prevent the General Assembly from incorporating a municipality. In the past 10 years, six petitions have failed to get a favorable recommendation, and incorporation occurred anyway. In most of those cases, the Commission found that the area seeking to be incorporated did not meet the criterion of 40% development. In the same years, eight failed petitions resulted in no incorporation.

²Originally enacted in 1985, Graham County's authorizing legislation does not conform to the House Finance Guidelines for Occupancy Tax. On previous occasions the Subcommittee has been presented with the issue of whether to require nonconforming county legislation to be brought into conformity with the Guidelines when a municipality in that county seeks the authority to levy or increase an occupancy tax, which effectively prevents conforming the county legislation in the future to the extent there remains a 6% cap on the rate of tax. To date, the Occupancy Tax Subcommittee has not established such a requirement.

³G.S. 153A-155 and G.S. 160A-215.

House Bill 1087

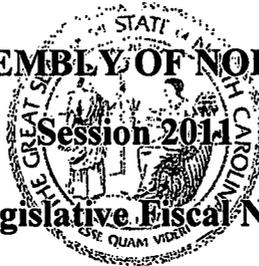

Page 2

In 1993, the House Finance Committee established the Occupancy Tax Guidelines, which address the rate of tax, the use of the tax proceeds, the administration of the tax, and the body with authority to determine how the proceeds will be spent. A summary of these provisions is detailed in the chart below. Many of the principles contained in the Guidelines are similar to those contained in policy statements adopted by the North Carolina Travel and Tourism Coalition and the North Carolina Restaurant and Lodging Association. The House Finance Committee Chairs have traditionally appointed a Subcommittee on Occupancy Taxes to scrutinize occupancy tax legislation to determine whether the legislation adheres to the Guidelines. The House Finance Chairs appointed Representatives McGee, Cotham, Carney, Moffitt, and Warren to be members of the House Finance Subcommittee on Occupancy Taxes this biennium.

UNIFORM OCCUPANCY TAX PROVISIONS
Rate – The county tax rate cannot exceed 6% and the city tax rate, when combined with the county rate, cannot exceed 6%.
Use – Two-thirds of the proceeds must be used to promote travel and tourism and the remainder must be used for tourism related expenditures.
Definitions The term “net proceeds”, “promote travel and tourism”, and “tourism related expenditures” are defined terms.
Administration – The net revenues must be administered by a local tourism development authority that has the authority to determine how the tax proceeds will be used, is created by a local ordinance, and at least 1/2 of the members must be currently active in the promotion of travel and tourism in the county and 1/3 of the members must be affiliated with organizations that collect the tax.
Costs of Collection – The taxing authority may retain from the revenues its actual costs of collection, not to exceed 3% of the first \$500,000 collected each year plus 1% of the remainder collected each year.

BILL SUMMARY:

House Bill 1087 would authorize the Town of Fontana Dam to levy a room occupancy tax of up to 3%, the proceeds of which would be remitted to a Tourism Development Authority. The Authority would be required to use at least two-thirds of the proceeds to promote travel and tourism and the remainder for tourist-related expenditures.

ASSUMPTIONS AND METHODOLOGY:

The Town of Fontana Dam has one resort with approximately 200 rentable rooms. In 2011, the North Carolina Department of Commerce estimated a room occupancy rate of 56.1%, with an average daily room rate of \$81.86. Using this information (200 rooms * 365 days * 56.1% occupancy rate * \$81.86 room rate * 3% occupancy tax) yields a revenue estimate of \$100,600 for 2012-13. Future fiscal year impacts were forecast using the Leisure and Tourism portion of the North Carolina Gross State Product, as forecast by Moody's.

Short Title: Unemployment Insurance Changes.

(Public)

Sponsors:

Referred to:

May 21, 2012

1 A BILL TO BE ENTITLED
2 AN ACT TO MAKE CHANGES TO THE UNEMPLOYMENT INSURANCE LAWS.
3 The General Assembly of North Carolina enacts:

4
5 **PART I. CHANGE THE LAW TO CONTINUE THE THREE-YEAR LOOKBACK**
6 **TRIGGER FOR EXTENDED BENEFITS**

7 **SECTION 1.(a)** The General Assembly finds that the Governor's Executive Order
8 No. 93, entitled "Extend Unemployment Benefits to Protect the Safety, Health, and Welfare of
9 North Carolina's Long-Term Unemployed," was the purported basis for action by the then
10 Employment Security Commission to provide for the extension of unemployment benefits to
11 thousands of North Carolinians. The extension of unemployment benefits was grounded upon
12 amendments to section 203 of the Federal-State Extended Unemployment Compensation Act of
13 1970 (the "1970 Act"), as amended by section 502(b) of the Tax Relief, Unemployment
14 Insurance Reauthorization and Job Creation Act of 2010 (the "Tax Relief Act of 2010").

15 **SECTION 1.(b)** The General Assembly finds that the Governor's Executive Order
16 No. 113, entitled "Further Extend Unemployment Benefits to Protect the Safety, Health, and
17 Welfare of North Carolina's Long-Term Unemployed," was the purported basis for action by
18 the then Employment Security Commission to provide for the extension of unemployment
19 benefits to thousands of North Carolinians nearing the end of a two-month federal extension of
20 unemployment benefits under section 201 of the Temporary Payroll Tax Cut Continuation Act
21 of 2011. That extension, authorized through February 29, 2012, was grounded upon
22 amendments to section 203 of the 1970 Act, as amended by section 502(b) of the Tax Relief
23 Act of 2010.

24 **SECTION 1.(c)** The General Assembly finds that section 502(b) of the Tax Relief
25 Act of 2010 specifies that the extension of benefits is to be made only as "the State may by law
26 provide." Section 205(f) of the underlying 1970 Act defines "State law" as the "unemployment
27 compensation law of the State, approved by the [U.S. Secretary of Labor]." In North Carolina,
28 that law is Chapter 96 of the General Statutes, the "Employment Security Law." Nothing in
29 Chapter 96 of the General Statutes, then or now, authorizes the Governor to extend
30 unemployment benefits by executive order, nor does Executive Order No. 93 or Executive
31 Order No. 113, or any other such order, constitute a "State law" within the meaning of the 1970
32 Act or the North Carolina Constitution. Section 1 of Article II of the North Carolina

* S 8 2 8 - P C S 1 5 2 4 4 - R B - 8 1 *

1 Constitution provides that "the legislative power of the State shall be vested in the General
2 Assembly." Further, Section 6 of Article I of the North Carolina Constitution provides that the
3 legislative and executive powers are "separate and distinct."

4 SECTION 1.(d) The General Assembly finds that the people of this State entrusted
5 the creation of laws to the General Assembly, not to the executive branch, and that Executive
6 Order No. 93 and Executive Order No. 113 were issued and acted upon by the executive branch
7 in a manner contrary to the rule of law.

8 SECTION 1.(e) Further, the General Assembly finds that it enacted Section 6.16 of
9 Session Law 2011-145 and, in so doing, validated the effects of the Governor's Executive Order
10 No. 113 with the stated intent to allow extended benefits to be paid under the Tax Relief Act of
11 2010 so long as payment of the extended benefits did not hinder the State's ability to reduce its
12 debt owed to the federal government for unemployment benefits.

13 SECTION 1.(f) It is deemed, therefore, to be in the best interest of the people of
14 this State that the General Assembly now ratify and hereby validate the effects of the
15 Governor's Executive Order No. 113.

16 SECTION 1.(g) To maintain the rule of law with respect to State and federal
17 relations pertaining to employment security laws in North Carolina, any executive order issued
18 by the Governor that purports to extend unemployment insurance benefits, whether those
19 benefits will be paid from federal or State funds, is void ab initio, unless the executive order is
20 issued upon authority that is conferred expressly by an act enacted by the General Assembly or
21 granted specifically to the Governor by the Congress of the United States.

22 SECTION 1.(h) Section 6.16(d) of S.L. 2011-145 reads as rewritten:

23 "SECTION 6.16.(d) This section becomes effective April 16, 2011, and expires ~~January 1,~~
24 2012-January 1, 2013."

25 SECTION 1.(i) G.S. 96-12.01(a1)(4)c.3. reads as rewritten:

26 "3. This section applies as provided under the Tax Relief,
27 Unemployment Insurance Reauthorization, and Job Creation
28 Act of 2010 (P.L. 111-312) as it existed on December 17,
29 2010, and is applicable to compensation for weeks of
30 unemployment beginning after December 17, 2010, and
31 ending on or before ~~December 31, 2011, December 31, 2012,~~
32 provided that:

33 I. The average rate of (i) insured unemployment, not
34 seasonally adjusted, equaled or exceeded one hundred
35 twenty percent (120%) of the average of such rates for
36 the corresponding 13-week period ending in all of the
37 preceding three calendar years and equaled or
38 exceeded five percent (5%) or (ii) total
39 unemployment, seasonally adjusted, as determined by
40 the United States Secretary of Labor, for the period
41 consisting of the most recent three months for which
42 data for all states are published before the close of the
43 week equals or exceeds six and one-half percent
44 (6.5%); and

45 II. The average rate of total unemployment in this State,
46 seasonally adjusted, as determined by the United
47 States Secretary of Labor, for the three-month period
48 referred to in this subsection, equals or exceeds one
49 hundred ten percent (110%) of the average for any of
50 the corresponding three-month periods ending in the
51 three preceding calendar years."

SECTION 1.(j) G.S. 96-12.01(a1)(4)e.3. reads as rewritten:

"3. This subdivision applies as provided under the Tax Relief, Unemployment Insurance Reauthorization, and Job Creation Act of 2010 (P.L. 111-312) as it existed on December 17, 2010, and is applicable to compensation for weeks of unemployment beginning after December 17, 2010, and ending on or before ~~December 31, 2011~~, December 31, 2012, provided that:

- I. The average rate of total unemployment, seasonally adjusted, as determined by the United States Secretary of Labor, for the period consisting of the most recent three months for which data for all states are published before the close of the week equals or exceeds eight percent (8%); and
- II. The average rate of total unemployment in this State, seasonally adjusted, as determined by the United States Secretary of Labor, for the three-month period referred to in this subdivision equals or exceeds one hundred ten percent (110%) of the average for any of the corresponding three-month periods ending in the three preceding calendar years."

SECTION 1.(k) This section is effective when it becomes law and applies retroactively to January 1, 2012.

PART II. RESOLUTION OF OUTSTANDING ISSUES FROM S.L. 2011-401

SECTION 2.(a) The Current Operations Appropriations Act for the 2012-2013 fiscal year shall provide for the annual salaries of the Board of Review, as provided in G.S. 96-4(b).

SECTION 2.(b) G.S. 96-14(2) reads as rewritten:

"§ 96-14. Disqualification for benefits.

An individual shall be disqualified for benefits:

- ...
- (2) For the duration of the individual's unemployment beginning with the first day of the first week after the disqualifying act occurs with respect to which week an individual files a claim for benefits if it is determined by the Division that such individual is, at the time such claim is filed, unemployed because he or she was discharged for misconduct connected with the work. Misconduct connected with the work is defined as intentional acts or omissions evincing disregard of an employer's interest or standards of behavior which the employer has a right to expect or has explained orally or in writing to an employee or evincing carelessness or negligence of such degree as to manifest equal disregard. Receipt by the employee of no fewer than three written reprimands from the employer in the 12 months that immediately precedes the employee's termination is prima facie evidence of misconduct connected with the work. Examples of misconduct connected with the work include the following:

~~"Discharge for misconduct with the work" as used in this section is defined to include but not be limited to~~

- a. ~~separation~~ Separation initiated by an employer for violating the employer's written alcohol or illegal drug ~~policy; reporting policy.~~

SECTION 2.(c) G.S. 96-15(b)(2) reads as rewritten:

"(2) Adjudication. – When a protest is made by the claimant to the initial or monetary determination, or a question or issue is raised or presented as to the eligibility of a claimant under G.S. 96-13, or whether any disqualification should be imposed under G.S. 96-14, or benefits denied or adjusted pursuant to G.S. 96-18, the matter shall be referred to an adjudicator. The adjudicator may consider any matter, document or statement deemed to be pertinent to the issues, including telephone conversations, and after such consideration shall render a conclusion as to the claimant's benefit entitlements. The adjudicator shall notify the claimant and all other interested parties of the conclusion reached. The conclusion of the adjudicator shall be deemed the

1 final decision of the Division unless within 30 days after the date of
2 notification or mailing of the conclusion, whichever is earlier, a written
3 appeal is filed pursuant to rules adopted by the Division. The Division shall
4 be deemed an interested party for such purposes and may remove to itself or
5 transfer to an appeals referee the proceedings involving any claim pending
6 before an adjudicator.

7 Provided, any interested employer shall be allowed ~~30~~10 days from the
8 ~~earlier of mailing or delivery~~ of the notice of the filing of a claim against the

13 question or issue may be raised or presented by the Division as to the
14 eligibility of a claimant under G.S. 96-13, or whether any disqualification
15 should be imposed under G.S. 96-14, after 45 days from the first day of the
16 first week after the question or issue occurs with respect to which week an
17 individual filed a claim for benefits. None of the provisions of this
18 subsection shall have the force and effect nor shall the same be construed or
19 interested as repealing any other provisions of G.S. 96-18.

20 An employer shall receive written notice of the employer's appeal rights
21 and any forms that are required to allow the employer to protest the claim.
22 The forms shall include a section referencing the appropriate rules pertaining
23 to appeals and the instructions on how to appeal."

24 **SECTION 2.(d)** G.S. 96-15(f) reads as rewritten:

25 "(f) Procedure. – The manner in which disputed claims shall be presented, the reports

29 and other technical rules of procedure. ~~All~~

30 All testimony at any hearing before an appeals referee upon a disputed claim shall be
31 recorded unless the ~~the parties have waived the evidentiary hearing and entered into a~~
32 stipulation resolving the issues pending before the appeals referee, hearing officer, or other
33 employee assigned to make the decision, recording is waived by all interested parties. If the
34 testimony is recorded, it ~~but~~ need not be transcribed unless the disputed claim is further
35 appealed and, one or more of the parties objects, under such rules as the Division may adopt, to
36 being provided a copy of the tape recording of the hearing. Any other provisions of this
37 Chapter notwithstanding, any individual receiving the transcript shall pay to the Division such

39 prescribed by the Division for a party shall not exceed the lesser of sixty-five cents (65¢) per
40 page or sixty-five dollars (\$65.00) per transcript. The Division may by regulation provide for
41 the fee to be waived in such circumstances as it in its sole discretion deems appropriate but in
42 the case of an appeal in forma pauperis supported by such proofs as are required in G.S. 1-110,
43 the Division shall waive the fee.

44 The parties may enter into a stipulation of the facts. If the appeals referee, hearing officer,
45 or other employee assigned to make the decision believes the stipulation provides sufficient
46 information to make a decision, then the appeals referee, hearing officer, or other employee
47 assigned to make the decision may accept the stipulation and render a decision based on the
48 stipulation. If the appeals referee, hearing officer, or other employee assigned to make the
49 decision does not believe the stipulation provides sufficient information to make a decision,

29 f. The Division shall charge benefits to an employer's account when it
30 determines that an overpayment has been made to a claimant and it
31 determines that both of the following conditions apply:

- 32 1. The overpayment occurred because the employer failed to
33 respond timely or adequately to a written request of the
34 Division for information relating to an unemployment
35 compensation claim.
- 36 2. The employer exhibits a pattern of failure to respond timely
37 or adequately by failing to respond to written requests from
38 the Division for information relating to an unemployment
39 compensation claim on two or more occasions. If an
40 employer uses a third-party agent to respond on its behalf to
41 the Division, then the actions of the agent must be considered
42 when determining a pattern of failure to respond timely or
43 adequately. A pattern is established based on the agent's
44 behavior overall and not only with respect to its behavior
45 related to the employer.

46 For purposes of this sub-subdivision, written notification may
47 include a request sent electronically. A response is considered
48 untimely if it fails to be made within the time allowed under
49 G.S. 96-15(b)(2). A response is considered inadequate if it fails to
50 provide sufficient facts to enable the Division to make a correct
51 determination of benefits. However, a response may not be

1 considered inadequate if the Division fails to request the necessary
 2 information.

3 The prohibition on the noncharging of an employer's account
 4 under this sub-subdivision applies to each week of unemployment
 5 compensation that is an overpayment until the Division makes a
 6 determination that the claimant is no longer eligible for the overpaid
 7 amount and stops making the overpayment. If the claim is a
 8 combined-wage claim, the determination of noncharging for the
 9 combined-wage claim shall be made by the paying state. If the
 10 response from the employer does not meet the criteria established by
 11 the paying state for an adequate or timely response, the paying state
 12 must promptly notify the transferring state of its determination and
 13 the employer must be appropriately charged. The Division may
 14 waive the prohibition for good cause."

15 **SECTION 3.(d)** G.S. 96-18 is amended by adding a new subsection to read:

16 **"(h) Mandatory Federal Penalty.** – A person who has been held ineligible for benefits
 17 under subsection (e) of this section and who, because of those same acts or omissions, has
 18 received any sum as benefits under this Chapter to which the person is not entitled shall be
 19 assessed a penalty in an amount equal to fifteen percent (15%) of the amount of the erroneous
 20 payment. The penalty amount shall be payable to the fund. The penalty applies to an erroneous
 21 payment made under any State program providing for the payment of unemployment
 22 compensation as well as an erroneous payment made under any federal program providing for
 23 the payment of unemployment compensation. The notice of determination or decision advising
 24 the person that benefits have been denied or adjusted pursuant to subsection (e) of this section
 25 must include the reason for the finding of an erroneous payment, the penalty amount assessed
 26 under this subsection, and the reason the penalty has been applied.

27 The penalty amount may be collected in any manner allowed for the recovery of the
 28 erroneous payment, except that the penalty amount may not be recovered through offsets of
 29 future benefits. When a recovery with respect to an erroneous payment is made, any recovery
 30 applies first to the principal of the erroneous payment, then to the federally mandated penalty
 31 amount imposed under this subsection, and finally to any other amounts due."

32 **SECTION 3.(e)** G.S. 96-6(a) reads as rewritten:

33 **"(a) Establishment and Control.** – There is hereby established as a special fund, separate
 34 and apart from all public moneys or funds of this State, an Unemployment Insurance Fund,
 35 which shall be administered by the Division's Employment Insurance Section exclusively for
 36 the purposes of this Chapter. All moneys in the fund shall be commingled and undivided. This
 37 fund shall consist of:

- 38 (1) All contributions collected under this Chapter, together with any interest
 39 earned upon any moneys in the ~~fund~~;fund.

 41 the ~~fund~~;fund.

- 43 (4) Any moneys received from the federal unemployment account in the
 44 unemployment trust fund in accordance with Title XII of the Social Security

- 46 (5) All moneys credited to this State's account in the Unemployment Trust Fund
 47 pursuant to section 903 of Title IX of the Social Security Act, as amended,
 48 (~~U.S.C.A. Title 42, sec. 1103 (a)~~);(U.S.C.A. Title 42, sec. 1103 (a)).

- 51 (7) Reimbursement payments in lieu of contributions.

1 (8) Any federally mandated penalty amount assessed under G.S. 96-18(h).

2 All moneys in the fund shall be commingled and undivided."

3 SECTION 3.(f) Subsection (c) of this section becomes effective October 1, 2013,
4 and applies to an overpayment established on or after that date. Subsections (d) and (e) of this
5 section become effective October 1, 2013, and apply to an erroneous payment determined

 14 much it anticipates recovering annually through TOP. The report should

A BILL TO BE ENTITLED

AN ACT TO ESTABLISH THE REMAINING NINE PERCENT OF THE COMMON BOUNDARY BETWEEN ALAMANCE COUNTY AND ORANGE COUNTY NOT ADDRESSED BY SESSION LAW 2011-88 AND AS AUTHORIZED BY THE GENERAL ASSEMBLY BY SESSION LAW 2010-61 ENABLING THE CHANGES IN THE HISTORIC ORANGE COUNTY-ALAMANCE COUNTY BOUNDARY LINE AS DESCRIBED IN THE 1849 SURVEY ESTABLISHING ALAMANCE COUNTY.

The General Assembly of North Carolina enacts:

SECTION 1. The historic boundary line forming Alamance County from Orange County was described and surveyed in 1849. In the subsequent 160 years, this line became uncertain, resulting in unintentional modifications to the boundary line affecting taxation, school attendance, zoning maps, and elections, within and among Alamance County, Orange County, and the Town of Mebane, North Carolina. Pursuant to G.S. 153A-18(a) entitled "Uncertain or Disputed Boundary", both county boards of commissioners passed resolutions (Alamance County, December 17, 2007 and Orange County, January 18, 2008) to request that North Carolina Geodetic Survey perform a preliminary resurvey and present a proposed map for consideration by both counties.

SECTION 2. In the 2011 session, the General Assembly, through S.L. 2011-88, ratified and adopted ninety-one percent (91%) of the boundary line between Alamance County and Orange County. Also in the 2011 session, the General Assembly, through S.L. 2011-87, authorized the boards of commissioners of Alamance County and Orange County to determine the most appropriate location for the remaining nine percent (9%) of the boundary line.

SECTION 3. The General Assembly recognizes the difficulties in addressing the issues associated with adopting a county boundary line and authorizes Alamance County and Orange County to maintain the current taxing, elections, education and any other recognized government functions in place in the transition areas affected by this act, if so needed, until July 1, 2013.

SECTION 4.(a) Except as otherwise provided in this act, on and after January 1, 2013, all papers, documents, and instruments required or permitted to be filed or registered, involving residents and property in areas affected by the resurvey of the boundary line, which previously may have been recorded in the adjoining counties, shall be recorded in the county to which the property has been reassigned by this act.

SECTION 4.(b) On and after January 1, 2013, all real and personal property in areas affected by the resurvey of the boundary line that was subject to ad valorem taxation on

* H 1 0 9 0 - P C S 1 1 3 7 1 - T M X - 2 8 *

1 January 1, 2013, shall be subject to ad valorem taxes in the county to which the property is
2 reassigned for the fiscal year beginning July 1, 2013, to the same extent as it would have been
3 had it been correctly recognized by the tax departments of each county on March 1, 2013,
4 except as hereinafter provided with respect to classified registered motor vehicles. On
5 September 1, 2012, the adjoining county tax administrators shall commence the transfer to the
6 respective county tax assessors the ad valorem tax listings and valuations for all real and
7 personal property subject to ad valorem taxation in areas affected by the resurvey of the
8 boundary line, except classified motor vehicles which were registered in the adjoining counties
9 prior to July 1, 2012. For the fiscal year that begins July 1, 2012, all real and personal property
10 in areas affected by the resurvey of the boundary line, which was subject to ad valorem taxation
11 in that area on January 1, 2013, shall be assessed and taxed as follows:

- 12 (1) The ad valorem property taxes assessed on all classified registered motor
13 vehicles registered or listed in adjoining counties between January 1, 2012,
14 and March 1, 2013, shall be collected by the appropriate adjoining county
15 tax collector, and all such taxes shall be retained by that adjoining county.
16 The taxes on all classified registered motor vehicles registered after March 1,
17 2013, shall be assessed and collected by the county tax department in the
18 county to which the real property wherein the classified registered motor
19 vehicles are situated has been reassigned.
- 20 (2) The values established by the particular adjoining county tax administrator
21 on all personal property other than classified registered motor vehicles shall
22 be used by each county tax assessor without adjustment in computing taxes
23 due for the fiscal year beginning July 1, 2013. All such taxes shall be
24 assessed and collected by the appropriate county tax department.
- 25 (3) For the interim time period between the reassignment of properties into their
26 respective counties and until such time as the next regularly scheduled
27 revaluation period, Alamance County and Orange County may select either
28 of two methods of valuating the property reassigned into their respective
29 counties by this act. The selection of either method by a county shall not
30 give any individual or entity grounds for challenging such temporary
31 valuation. Such methods are delineated as follows:
 - 32 a. The values established by the adjoining county tax administrators on
33 all real property formerly taxed in their county shall be adjusted by
34 the appropriate county tax assessor by applying the difference
35 between one hundred percent (100%) of such values and the
36 appropriate county median ratio, as established by the Sales
37 Assessment Ratio Study compiled by the North Carolina Department
38 of Revenue as of January 1, 2009. The taxes determined by applying
39 this method will be collected and retained by the appropriate county
40 tax collector. The value of such property shall then be revalued
41 according to the regularly scheduled revaluation period for each
42 county.
 - 43 b. The values established by the adjoining county tax administrators on
44 all real property formerly taxed in their county shall be adopted by
45 the appropriate county tax assessor upon the transition of property to
46 the adjoining county. The valuation of such property shall then be
47 revalued according to the regularly scheduled revaluation period for
48 each county.
- 49 (4) Beginning January 1, 2014, all property in areas affected by the resurvey of
50 the boundary line that is subject to ad valorem taxation shall be listed,
51 assessed, and taxed by the appropriate county tax administrator in the same

1 manner as is prescribed by law for all other property located within each
2 county.

3 (5) The final tax values of property subject to ad valorem taxation in areas
4 affected by the resurvey of the boundary line as of January 1, 2014, shall be
5 determined by the adjoining county tax administrator. Appeals to the North
6 Carolina Property Tax Commission or to the courts by property owners of
7 properties affected by the boundary line change shall be defended by both
8 counties, and both counties shall be responsible for the counties' costs and
9 expenses, including attorneys' fees, incurred in connection with such
10 appeals.

11 (6) Any unpaid taxes or tax liens for the fiscal year ending June 30, 2013, or for
12 prior years on property subject to taxation in areas affected by the resurvey
13 of the boundary line shall continue to be valid and enforceable by the
14 respective adjoining county, including the foreclosure remedies provided for
15 in G.S. 105-374 and G.S. 105-375, and the remedies of attachment and
16 garnishment provided for in G.S. 105-366 through G.S. 105-368. The
17 Alamance County and Orange County tax administrators shall supply one
18 another with a list of unpaid taxes for properties in areas of the boundary line
19 affected by the resurveys for the tax year 2012 on or before July 1, 2013.
20 Any such taxes collected by either county shall be promptly paid to the
21 appropriate adjoining county including accrued interest. The provisions of
22 G.S. 105-352(d) shall not apply to (i) those areas in adjoining county
23 previously taxed by either county outside the areas affected by the resurvey
24 of the boundary line, that shall forthwith be properly listed and taxed in the
25 county to which they have been reassigned by this act; and (ii) those areas
26 within each county that were in the past improperly listed and taxed by the
27 adjoining counties due to uncertainty as to the exact location of the true
28 historic Alamance County-Orange County boundary line.

29 **SECTION 4.(c)** No cause of action, including criminal actions, involving persons
30 or property in areas affected by the resurvey of the boundary line that is pending on July 1,
31 2013, shall be abated, and such actions shall continue in the appropriate adjoining county. In
32 no event shall a defense to a criminal act be maintained where such defense alleges a lack of
33 jurisdiction due to any act or failure to act related to the adjustment of the boundary line by this
34 act, regardless of when such criminal act is alleged to have occurred.

35 **SECTION 4.(d)** The board of elections of each adjoining county shall, effective
36 July 1, 2013, transfer the voter registration records pertaining to persons residing in areas
37 affected by the resurvey of the boundary line and located in either county to the adjoining
38 county's board of elections, and thereafter the registered voters so transferred shall be validly
39 registered to vote in that adjoining county. Persons in areas affected by the resurvey of the
40 boundary line shall continue to be in the same State House, State Senate, and United States
41 House of Representatives Districts as they were prior to the resurvey.

42 **SECTION 4.(e)** The Jury Commission of each adjoining county shall revise its
43 jury lists to add to or eliminate therefrom those persons subject to jury duty who reside in areas
44 affected by the resurvey of the boundary line, said revised jury lists to be effective July 1, 2013.

45 **SECTION 5.(a)** Any properties affected by S.L. 2010-61 or this act and that are
46 subject to taxation under G.S. 105-274 and that were taxed by both the Alamance County and
47 Orange County taxing authorities on or after January 1, 2007, are hereby granted the following
48 relief:

49 (1) Property owners of any such dually taxed properties may, pursuant to the
50 terms of G.S. 105-381, demand refund and/or release of taxes paid to the
51 county from which their property, or portion thereof, was transitioned.

1 (2) Any claim for relief pursuant to this section and under the terms of
2 G.S. 105-381 may be made for taxes assessed January 1, 2007, through
3 December 31, 2012. All such claims for relief must be made in writing to the
4 county from which the affected property was transitioned on or before
5 February 28, 2013. Should a claim for relief pursuant to this section not be
6 made by February 28, 2013, such claim is waived and no further relief shall
7 be granted pursuant to this or any other act. Alamance County and Orange
8 County shall not grant refunds or releases pursuant to this section for any
9 claims made after February 28, 2013, and are released from all liability, and
10 no court action shall be maintained for any such claims made for any act or
11 failure to act pursuant to this section.

12 **SECTION 5.(b)** The provisions of this section shall apply only to properties
13 transitioned or reassigned from one county to the other, in whole or in part, by the resurveys of
14 individual qualifying properties pursuant to S.L. 2010-61 and this act.

15 **SECTION 5.(c)** For purposes of this section only, the term "property owner" shall
16 include any builder or developer that paid property taxes on real property to both counties and
17 subsequently sold said property or that, as part of an escrow agreement in which the buyer of
18 such property paid taxes to one county and the builder or developer who sold the property, paid
19 taxes on the same piece of property to the adjoining county.

20 **SECTION 5.(d)** The taxing authorities of Alamance County and Orange County
21 shall notify property owners affected by this section of the terms of this section within 30 days
22 of this act becoming law. Such notice shall be by United States mail at the mailing address to
23 which any tax bills were previously submitted. No other notice is or shall be required.

24 **SECTION 6.** Any child who was a resident of any area reassigned by this act on its
25 date of ratification and who was a student in the Orange or Alamance school system during the
26 2011-2012 school year, and the siblings of any such person, may attend school in the same
27 school system attended in the 2011-2012 school year without necessity of a release or payment
28 of tuition. Any such student, while attending the Orange County school system, shall be
29 considered a resident of Orange County for all public school purposes, including transportation,
30 athletics, and funding formulas. Any such student, while attending the Alamance County
31 School system, shall be considered a resident of Alamance County for all public school
32 purposes, including transportation, athletics, and funding formulas. Notice must be given to all
33 affected school systems by the parent or guardian in order to exercise the privilege granted by
34 this section.

35 **SECTION 7.** The establishment of a county boundary line is, pursuant to Section 1
36 of Article VII of the North Carolina Constitution, the sole responsibility of the General
37 Assembly. Further, it is vital to the State of North Carolina and all affected local governments
38 that county boundary lines be fixed and any uncertainty as to the location of county boundary
39 lines be resolved. For this reason and in the interest of justice, neither Alamance County nor
40 Orange County, nor any agent, employee, or appointed or elected official thereof, shall be
41 liable to any individual, group, organization, for-profit or not-for-profit business entity of any
42 kind, governmental entity or agency of any type or kind for any damages, costs, fees, or fines,
43 and or court action shall be maintained against said counties, officials, employees, and agents
44 for any recommendation, act, failure to act, or conduct related to S. L. 2010-61, S.L. 2011-88,
45 or this act and/or the adoption of a fixed boundary line separating the two counties. Except as
46 set out in Section 5 of this act, and effective upon this act becoming law, Alamance County and
47 Orange County, their officials, employees, and agents are released from all liability for any
48 claims made, and no court action shall be maintained against said officials, employees, and
49 agents for any act or failure to act pursuant to the terms of this act, S.L. 2011-88, or S.L.
50 2010-61, and no further relief shall be granted or cause of action sustained except as provided
51 herein.

1 **SECTION 8.** Should any provision of S.L. 2010-61, as amended by S.L. 2011-88,
2 conflict with any provision of this act, the provisions of this act shall control. Should any line
3 marking the area of the nine percent (9%) reflected in the surveys referenced herein conflict
4 with any line shown on the surveys describing the area of the ninety-one percent (91%), the
5 surveys marking the area of the nine percent (9%) shall control.

6 **SECTION 9.** Pursuant to Section 1 of Article VII of the North Carolina
7 Constitution, any boundary line between Alamance County and Orange County previously
8 surveyed, recognized, adopted, described, utilized, or ratified, save and except the ninety-one
9 percent (91%) of the boundary line adopted by S.L. 2011-88, is modified as set forth herein
10 upon ratification of this act.

11 **SECTION 10.** Pursuant to Section 1 of Article VII of the North Carolina
12 Constitution, the official boundary line regarding the remaining nine percent (9%) of the line
13 separating Alamance County and Orange County, as recommended by the Alamance County
14 Board of Commissioners at its meeting of December 6, 2010, and the Orange County Board of
15 Commissioners at its meeting of December 14, 2010, is hereby formally recognized and
16 adopted by the General Assembly.

17 **SECTION 11.** Upon adoption, the survey plats reflecting the boundary line shall
18 be filed with the Alamance County Register of Deeds, with the Orange County Register of
19 Deeds, and in the office of the Secretary of State as provided in G.S. 153A-18(a).

20 **SECTION 12.** This act is effective when it becomes law.

A BILL TO BE ENTITLED

1 AN ACT TO ALLOW GRANVILLE COUNTY, PERSON COUNTY, THE CITY OF
2 CREEDMOOR, THE TOWN OF BUTNER, AND THE TOWN OF STEM TO COLLECT
3 DELINQUENT STORMWATER UTILITY FEES IN THE SAME MANNER AS
4 DELINQUENT PERSONAL AND REAL PROPERTY TAXES.

6 Whereas, water quality standards mandated by State and federal law are requiring
7 that local governments develop more detailed, advanced, and costly stormwater programs; and

8 Whereas, effective stormwater management should be provided to protect, to the
9 extent practicable, the citizens from the loss of life and property damage from flooding; and

10 Whereas, aging stormwater conveyance systems and increasing demand upon those
11 systems from development require that local governments engage in long-term planning; and

12 Whereas, the construction, operation, and maintenance of stormwater conveyance
13 systems requires long-term planning and stable and adequate funding; and

14 Whereas, it is often most efficient to bill and collect rents, rates, fees, charges, and
15 penalties for stormwater management programs and structural and natural stormwater and
16 drainage systems in the same manner as property taxes; Now, therefore,

17 The General Assembly of North Carolina enacts:

18 SECTION 1.(a) G.S. 153A-277(a1) is amended by adding a new subdivision to
19 read:

21 subsection may be billed with property taxes, may be payable in the same
22 manner as property taxes, and, in the case of nonpayment, may be collected
23 in any manner by which delinquent personal or real property taxes can be
24 collected. If an ordinance states that delinquent fees can be collected in the
25 same manner as delinquent real property taxes, the fees are a lien on the real
26 property described on the bill that includes the fee."

27 SECTION 1.(b) G.S. 153A-277(c) reads as rewritten:

28 "(c) Except as provided in subsections (a1) and (d) of this section and G.S. 153A-293,
29 rents Rents, rates, fees, charges, and penalties for enterprisory services shall be legal

Except for a voluntary redetermination as allowed under G.S. 105-130.5A(c), the Secretary may not redetermine the State net income of a corporation properly attributable to its business carried on in the State under G.S. 105-130.5A until a rule adopted by the Secretary in accordance with this section becomes effective. This section provides an expedited procedure for the adoption of rules needed to administer G.S. 105-130.5A. The Secretary may not interpret G.S. 105-130.5A in the form of a bulletin or directive under G.S. 105-264.

The Secretary is exempt from G.S. 150B-21.1 through G.S. 150B-21.4 of Part 2 of Article 2A of Chapter 150B of the General Statutes but is subject to the expedited procedure for the adoption of rules as established by this section. The Secretary is exempt from Part 3 of Article 2A of Chapter 150B of the General Statutes but is subject to the expedited review procedure as established by this section.

(b) Definitions. – The definitions in G.S. 150B-2 apply in this section.

(c) Fiscal Note. – The Secretary must prepare a fiscal note for a proposed new rule or a proposed change to a rule that has a substantial economic impact. The fiscal note must be submitted with the proposed rule when the rule is submitted to the Codifier of Rules, and the Codifier of Rules must publish the fiscal note with the proposed rule on the Internet. The Secretary must accept a written comment on the fiscal note in the same manner the Secretary accepts written comments on the proposed rule. The Secretary is not subject to the fiscal note requirement under G.S. 105-262(c). For purposes of this section, a "substantial economic impact" has the same meaning as defined in G.S. 150B-21.4(b1).

(d) Adoption. – The Secretary may adopt a rule under this section by using the procedure for adoption of a temporary rule set forth in G.S. 150B-21.1(a3). The Secretary must

1 provide electronic notification of the adoption of a rule to persons on the mailing list
2 maintained in accordance with G.S. 150B-21.2(d) and any other interested parties, including
3 those originally given notice of the rule making and those who provided comment on the rule.
4 If the Secretary receives written comment objecting to the rule and requesting review by the
5 Commission, the rule must be reviewed in accordance with subsections (e) through (i) of this
6 section. A person may object to the rule and request review by the Commission at any point
7 prior to the adoption of the rule and by 5:00 P.M. on the third business day following electronic
8 notification from the Secretary of the adoption of a rule. If the Secretary receives no written
9 comment objecting to the rule and requesting review by the Commission, the Secretary must
10 deliver the rule to the Codifier of Rules. The Codifier of Rules must enter the rule into the
11 North Carolina Administrative Code upon receipt of the rule.

12 (e) Review. – If the Secretary receives written comment objecting to the rule and
13 requesting review by the Commission, the Secretary must submit the rule to the Commission
14 for review. The Commission may not consider questions relating to the quality or efficacy of
15 the rule but must restrict its review to a determination of whether the rule meets all of the
16 following criteria:

17 (1) It is within the authority delegated to the agency by the General Assembly.

18 (2) It is clear and unambiguous.

19 (3) It is reasonably necessary to implement or interpret an enactment of the
20 General Assembly, or of Congress, or a regulation of a federal agency. The
21 Commission must consider the cumulative effect of all rules adopted by the
22 agency related to the specific purpose for which the rule is proposed.

23 (4) It was adopted in accordance with this section.

24 (f) Manner of Review. – When the Commission reviews a rule under this section, the
25 time limits in subsections (b) and (b1) of G.S. 150B-21.1 apply. The Commission must review
26 the rule to determine whether the rule meets the standards in subsection (e) of this section. The
27 Commission must direct a member of its staff who is an attorney licensed to practice law in
28 North Carolina to review the rule. The staff member must make a recommendation to the
29 Commission or its designee. The Commission's designee must be a panel of at least three
30 members of the Commission. The staff member, Commission's designee, or the Commission
31 may also request technical changes as allowed in G.S. 150B-21.10. In reviewing the rule, the
32 Commission may consider any information submitted by the Secretary or another person.

33 (g) Objection. – If the Commission or its designee finds that the rule does not meet the
34 standards in subsection (e) of this section and objects to the rule, the Commission or its
35 designee must send the Secretary a written statement of the objection and the reason for the
36 objection within one business day. The Secretary must take one of the following actions:

37 (1) Change the rule to satisfy the Commission's objection and submit the revised
38 rule to the Commission.

39 (2) Submit a written response to the Commission indicating that the Secretary
40 has decided not to change the rule.

41 (h) Changes. – When the Secretary changes a rule in response to an objection by the
42 Commission, the Commission must determine whether the change satisfies the Commission's
43 objection. If it does, the Commission must approve the rule. If it does not, the Commission
44 must send the Secretary a written statement of the Commission's continued objection and the
45 reason for the continued objection.

46 (i) Approval. – If the Commission or its designee finds that the rule meets the standards
47 in subsection (e) of this section, the Commission or its designee must approve the rule and
48 deliver the rule to the Codifier of Rules. The Codifier of Rules must enter the rule into the
49 North Carolina Administrative Code upon receipt from the Commission or its designee.

50 (j) Return of Rule. – A rule to which the Commission has objected remains under
51 review by the Commission until the Secretary decides not to satisfy the Commission's objection

1 and makes a written request to the Commission to return the rule to the Secretary. When the
2 Commission returns a rule to the Secretary in accordance with this section, the Secretary may
3 file an action for declaratory judgment in Wake County Superior Court pursuant to Article 26
4 of Chapter 1 of the General Statutes.

5 (k) Effective Date. – G.S. 150B-21.3 does not apply to a rule adopted under this
6 section. A rule adopted under this section becomes effective on the last day of the month the
7 Codifier of Rules enters the rule in the North Carolina Administrative Code."

8 **SECTION 3.** G.S. 150B-1(d)(4) reads as rewritten:

9 "(d) Exemptions from Rule Making. – Article 2A of this Chapter does not apply to the
10 following:

11 ...
12 (4) The Department of Revenue, with respect to the notice and hearing
13 requirements contained in Part 2 of Article 2A. With respect to the Secretary
14 of Revenue's authority to redetermine the State net taxable income of a
15 corporation under G.S. 105-130.5A, the Department is subject to the
16 rule-making requirements of G.S. 105-262.1.

17"

18 **SECTION 4.** On June 30, 2011, the Governor signed into law S.L. 2011-390,
19 House Bill 619, as passed by the General Assembly. The law repealed the Secretary of
20 Revenue's authority to adjust a corporation's net income or require a combined return under
21 G.S. 105-130.6, 105-130.15, and 105-130.16 and replaced it with a new authority under
22 G.S. 105-130.5A. The Fiscal Research Division of the North Carolina General Assembly
23 prepared a fiscal memo on House Bill 619. Therefore, notwithstanding G.S. 105-262.1, as
24 enacted by Section 2 of this act, G.S. 105-262(c), and Section 7 of the Budget Manual prepared
25 by the Office of State Budget and Management, the Secretary of Revenue shall not be required
26 to prepare a fiscal note for a proposed new rule submitted to the Codifier of Rules under
27 G.S. 105-262.1, as enacted by this act, prior to December 31, 2012.

28 **SECTION 5.** On April 17, 2012, the Department of Revenue published a directive
29 pursuant to G.S. 105-264, CD-12-02, that explains the Secretary's authority under
30 G.S. 105-130.5A to redetermine a corporation's net income by adjusting the corporation's
31 intercompany transactions or requiring a corporation to file a combined income tax return for
32 tax years beginning on or after January 1, 2012. This act supersedes the Directive; however, a
33 taxpayer who relied upon the interpretation in the Directive and whose North Carolina taxable
34 income for the 2012 taxable year is less under the Directive's interpretation than under an
35 interpretation of G.S. 105-130.5A by a rule adopted pursuant to G.S. 105-262.1, as enacted by
36 this act, is entitled to rely on the interpretation under the Directive for the 2012 taxable year.

37 **SECTION 6.** S.L. 2011-390, as amended by S.L. 2011-411, enacted
38 G.S. 105-130.5A, effective for taxable years beginning on or after January 1, 2012. The
39 Secretary of Revenue's authority under G.S. 105-130.5A exists continuously for taxable years
40 beginning on or after January 1, 2012. G.S. 105-262.1, as enacted by Section 2 of this act,
41 prevents the Secretary from exercising the authority granted under G.S. 105-130.5A until a rule
42 adopted in accordance with G.S. 105-262.1 becomes effective. After the rule becomes
43 effective, the Secretary may issue a proposed denial of a refund or a proposed assessment under
44 the authority of G.S. 105-130.5A for any taxable year beginning on or after January 1, 2012,
45 subject to the applicable statute of limitations.

46 **SECTION 7.** This act is effective when it becomes law.

**PROGRAM EVALUATION DIVISION
NORTH CAROLINA GENERAL ASSEMBLY**

February 2012

Operational Changes for State Attractions Could Yield \$1.9 Million Annually and Reduce Reliance on the State

Recommendations

The General Assembly directed the Program Evaluation Division to evaluate state attractions in part to determine whether administration could be consolidated. Based on the findings of this evaluation, complete consolidation of all attractions under one of the existing agencies is not recommended. However, efficiencies could be gained through the following recommendations for changes to site administration and operations.

Recommendation 1. The General Assembly should direct the Department of Cultural Resources (DCR) to coordinate the management of sites to increase efficiency, reduce operating costs by changing operating schedules and by closing sites partially or entirely, and develop and expand public-private partnerships with non-profit entities and fees to reduce reliance on state funds.

1 - A. Implement a coordinated management structure for Bennett Place, Duke Homestead, and Historic Stagville located in Durham County and analyze site proximity and span of control to identify other historic sites that could adopt a coordinated management structure. The list of additional sites that could adopt coordinated management structures should be reported to the Senate Appropriations Committee on General Government and Information Technology and the House Appropriations Committee on General Government by December 31, 2012, so changes can be implemented for Fiscal Year 2013-14.

1 - B. Reduce days of operation for the following historic sites:

- Alamance Battleground
- Aycock Birthplace
- Bentonville Battlefield
- Historic Edenton
- Thomas Wolfe Memorial
- Town Creek Indian Mound
- Charlotte Hawkins Brown Memorial

1 - C. Close the Museum of the Albemarle and the Richard Caswell Memorial

1 - D. Explore opportunities to develop and expand public-private partnerships with non-profit entities and fees to reduce reliance on state funds. DCR should report the results of this analysis to the Senate Appropriations Committee on General Government and Information Technology and the House Appropriations Committee on General Government by October 1, 2012, so changes can be implemented for Fiscal Year 2012-13.

Exhibit 14

Operational Changes for the Department of Cultural Resources Could Yield \$1.1 Million Annually

Recommended Operational Change for the Department of Cultural Resources	Estimated Cost Savings
Close one museum	\$ 738,243
Close one historic site	To be determined
Reduce seven historic sites to a five-day schedule	247,828
Coordinate management of historic sites in Durham County	92,100
Total Estimated Cost Savings	\$ 1,078,171

Note: The artifacts from the Museum of the Albemarle will be preserved.

Recommendation 2. The General Assembly should direct the Department of Environment and Natural Resources (DENR) to coordinate the management of sites to increase efficiency, record daily visitation data at all parks to determine potential savings from daily or seasonal closure, and develop and expand public-private partnerships with non-profit entities and fees to reduce reliance on state funds.

- 2 - A.** Implement a coordinated management structure for the state parks in Bladen County and analyze site proximity and span of control to identify other state parks and recreation areas that could adopt a coordinated management structure. The list of additional sites that could adopt coordinated management structures should be reported to the House Appropriations Subcommittee on Natural and Economic Resources and the Senate Appropriations Committee on Natural and Economic Resources by December 31, 2012, so changes can be implemented for Fiscal Year 2013-14.
- 2 - B.** Record daily visitation counts for state parks and recreation areas and use the data to determine potential changes to daily or seasonal operations DENR should validate the number of visitors per car, report the results of their data collection, and make recommendations for daily and seasonal closure of state parks and recreation areas to the Senate Appropriations Committee on Natural and Economic Resources and the House Appropriations Subcommittee on Natural and Economic Resources by April 1, 2013, so changes could be implemented for Fiscal Year 2013-14.
- 2 - C.** Adopt public-private partnerships with non-profit entities for the operations of the zoo and aquariums. A complete proposal of state costs and savings resulting from privatizing operations at the zoo and aquariums should be provided to the Senate Appropriations Committee on Natural and Economic Resources and the House Appropriations Subcommittee on Natural and Economic Resources by December 31, 2012.
- 2 - D.** Explore opportunities to develop and expand public-private partnerships with non-profit entities and fees. DENR should report the results of this analysis to the Senate Appropriations Committee on Natural and Economic Resources and the House Appropriations Subcommittee on Natural and Economic Resources by December 31, 2012, so changes could be implemented for Fiscal Year 2013-14.

Exhibit 15

Operational Changes for the Department of Environment and Natural Resources Could Yield \$858,100 Annually in the First Year

Recommended Operational Change for the Department of Environment and Natural Resources	Estimated Cost Savings
Coordinate management in Bladen County	\$ 58,100
Outsource zoo operations to non-profit entity	800,000
Total Estimated Cost Savings	\$ 858,100

Note: Savings from adopting a public-private partnership management structure for zoo operations are based on consultant estimates.

SENATE BILL 841

Short Title: Effective Utilization of PED.

(Public)

Sponsors: Senator Hartsell.

Referred to: Program Evaluation.

May 22, 2012

A BILL TO BE ENTITLED

AN ACT TO ENSURE THAT THE RESOURCES OF THE PROGRAM EVALUATION DIVISION ARE UTILIZED EFFECTIVELY BY THE GENERAL ASSEMBLY, AS RECOMMENDED BY THE JOINT LEGISLATIVE PROGRAM EVALUATION OVERSIGHT COMMITTEE.

The General Assembly of North Carolina enacts:

SECTION 1. Chapter 120 of the General Statutes is amended by adding a new section to read:

"§ 120-36.17. Program Evaluation Division impact statement.

(a) Every bill and resolution introduced in the General Assembly proposing a study or evaluation by the Program Evaluation Division shall have attached to it at the time of its consideration by the General Assembly an impact statement prepared by the Division. The impact statement shall identify and estimate, to complete all studies and reports required by the bill or resolution, all of the following: (i) the number of personnel required; (ii) the total number of hours required; and (iii) the estimated costs.

(1) If, after review, the Division determines that no estimates are possible, the impact statement shall contain a statement to that effect, setting forth the reasons why no estimate can be given.

(2) The Division shall indicate whether the Division, based upon its current annual work plan, has adequate and sufficient resources to undertake the study or evaluation as part of the current annual work plan, and shall explain the basis for its determination.

(3) If the Division determines that it would not be able to undertake the study or evaluation as part of its current annual work plan, it shall indicate a time frame in which it believes the study or evaluation could be accomplished.

(b) The sponsor of each bill or resolution to which this section applies shall present a copy of the bill or resolution with the request for an impact statement to the Program Evaluation Division. Upon receipt of the request and the copy of the bill or resolution, the Program Evaluation Division shall prepare the impact statement as promptly as possible, but shall transmit it to the sponsor within two weeks after the request is made, unless the sponsor agrees to an extension of time. If the impact statement is not transmitted within two weeks, or by the end of any extension of time as provided under this subsection, then there shall be no impact statement required under this section.

(c) This impact statement shall be attached to the original of each proposed bill or resolution that is reported favorably by any committee of the General Assembly, but shall be separate from the bill or resolution and shall be clearly designated as an impact statement. An

* S 8 4 1 - V - 1 *

1 impact statement attached to a bill or resolution pursuant to this subsection is not a part of the
2 bill or resolution and is not an expression of legislative intent proposed by the bill or resolution.

3 (d) If a committee of the General Assembly reports favorably a proposed bill or
4 resolution that directs the Program Evaluation Division to conduct a study or evaluation, the
5 chair of the committee shall obtain from the Program Evaluation Division, and attach to the bill
6 or resolution, an impact statement as provided in this section."

7 SECTION 2. G.S. 120-36.13(a) reads as rewritten:

8 "§ 120-36.13. **Work plan and requests for program evaluation.**

9 (a) Plan. – The Joint Legislative Program Evaluation Oversight Committee, in
10 consultation with the Director of the Program Evaluation Division, must establish an annual
11 work plan for the Division. The Division must adhere to this annual plan, unless the Joint
12 Legislative Program Evaluation Oversight Committee changes the annual plan to add a new
13 evaluation or remove a planned evaluation. Any enacted legislation that directs the Program
14 Evaluation Division to conduct a study or an evaluation is included in the annual work plan by
15 operation of ~~law-law~~; however, notwithstanding any other provision of law, if the enacted
16 legislation did not have an impact statement, as provided in G.S. 120-36.17, completed prior to
17 its consideration by the General Assembly, then the study or evaluation shall be included in the
18 next annual work plan adopted by the Committee and one year shall be added to any required
19 reporting dates included in the legislation, except that the impact statement is not required and
20 the evaluation may be included in the current work plan if the impact statement was not
21 provided pursuant to the time requirements in G.S. 120-36.17(b).

22 The annual work plan constitutes an information request and a drafting request made by the
23 Committee cochairs to legislative employees under Article 17 of Chapter 120 of the General
24 Statutes. Any document prepared by a legislative employee pursuant to the annual work plan
25 becomes available to the public only as provided in G.S. 120-131. Any document prepared by
26 an agency employee pursuant to a request under G.S. 120-131.1(a1) becomes available to the
27 public only as provided in G.S. 120-131."

28 SECTION 3. This act is effective when it becomes law.

SENATE BILL 841: Effective Utilization of PED

2011-2012 General Assembly

Committee: House Finance
Introduced by: Sen. Hartsell
Analysis of: First Edition

Date: June 18, 2012
Prepared by: Cindy Avrette
Committee Counsel

SUMMARY: *This act provides that a bill or resolution that proposes a study or evaluation by the Program Evaluation Division (PED) must have an impact statement attached to it prepared by PED indicating whether PED has adequate and sufficient resources to undertake the study as part of its current annual work plan. The bill is a recommendation of the Joint Legislative Program Evaluation Oversight Committee (Committee). The bill would become effective when it becomes law.¹*

CURRENT LAW: Standing legislative interim study committees, such as the Revenue Laws Study Committee and the various oversight committees, study issues that are directed to them for study by the General Assembly through legislation as well as issues that are brought before them through requests made by individual members to the committees' chairs. This process is codified for PED in G.S. 120-36.13. Under that statute, the Committee, in consultation with the Director of PED, develops an annual work plan for PED. A legislative member may submit a request to PED to study or evaluate an issue and the Director of PED must review the request. After review, the Director must make a recommendation to the Committee as to whether to include the request in the PED annual work plan based upon the work required to conduct the evaluation, the effect of the request on PED's ability to complete the other items in its work plan, the significance of the request compared to the evaluations included in its current work plan, and any overlap between the request and other evaluations conducted by PED or another agency. Any enacted legislation that directs PED to conduct a study or an evaluation is included in the current annual work plan by operation of law.

BILL ANALYSIS: Senate Bill 841 would modify the requirement that PED include, by operation of law, issues that are directed to it for study or evaluation through enacted legislation in its current annual work plan. Under the bill, the issue may not become part of PED's current annual work plan unless the legislation had attached to it at the time of its consideration an impact statement prepared by the PED. If the legislation failed to have an impact statement attached to it at the time of its consideration, then the issue must be included in the next annual work plan adopted by the Committee and one year shall be added to any required reporting dates included in the legislation.

The bill sponsor of legislation directing PED to study or evaluate an issue must provide the PED with a copy of the legislation. PED would be required to transmit the impact statement within two weeks after the request is made, unless an extended period of time is agreed upon. In the impact statement, PED would note whether it has adequate and sufficient resources to undertake the study, based upon its current annual work plan. The impact statement would need to specify (i) the number of personnel required to conduct the study; (ii) the total number of hours required to complete the study; and (iii) the estimated cost of performing the study.

If PED determines that it does not have sufficient and adequate resources to undertake the study, it must indicate a time frame in which it believes it could accomplish the legislative requested study. If PED is unable to provide an estimate, the impact statement would so indicate and explain the reasons.

¹ The House companion bill, H1012, introduced by Rep. Howard, is also in House Finance.
Research Division

Senate Bill 841

Page 2

If the impact statement is not provided by the PED within the deadline period, then there would be no requirement that it be attached to the legislation, and the evaluation may be included in the current year work plan.

If a bill or resolution is enacted without the impact statement, then the request would be included in the next annual work plan adopted by the Joint Legislative Program Evaluation Oversight Committee, and one year would be added to the reporting dates included in the legislation.

EFFECTIVE DATE: This act is effective when it becomes law.

BACKGROUND: The General Assembly created PED in 2007 to assist the General Assembly in fulfilling its responsibility to oversee government functions by providing an independent, objective source of information to be used in evaluating whether public services are delivered in an effective and efficient manner and in accordance with law. The Joint Legislative Program Evaluation Oversight Committee noted in its meetings that the 2007 legislation created a process whereby the PED director would assess the feasibility of proposed projects, avoid duplicating other studies, and submit a proposed work plan to the Committee for approval that would set priorities for evaluations. However, in practice, this priority-setting process has been effectively bypassed. The Committee noted that the General Assembly, through special provisions and general bills, has mandated an increasing number and percentage of PED projects. From 2008 through May 29, 2012, PED completed a total of 36 reports. Of those, the Committee assigned only 15 or 42%. The General Assembly directly assigned the other 21, or 58%. The Committee noted this trend is increasing: from January 2011 to May 29, 2012, the General Assembly has assigned PED 12 of 16, or 75%, of the report projects.

Hal Pell, counsel to the Senate Program Evaluation Committee, contributed to this summary.

47 of the association may be called by the president, a majority of the executive board, or by lot
48 owners having ten percent (10%), or any lower percentage specified in the bylaws, of the votes
49 in the association. Not less than 10 nor more than 60 days in advance of any meeting, the
50 secretary or other officer specified in the bylaws shall cause notice to be hand-delivered or sent
51 prepaid by United States mail to the mailing address of each lot or to any other mailing address

2 mail over the Internet, to an electronic mailing address designated in writing by the lot owner.
3 The notice of any meeting shall state the time and place of the meeting and the items on the
4 agenda, including the general nature of any proposed amendment to the declaration or bylaws,
5 any budget changes, ~~and any proposal to remove a director or officer~~officer, and any material
6 matter for which a vote is to be taken.

7 (b) Meetings of the executive board shall be held as provided in the bylaws. At regular
8 intervals, the executive board meeting shall provide lot owners an opportunity to attend a
9 portion of an executive board meeting and to speak to the executive board about their issues or
10 concerns. The executive board may place reasonable restrictions on the number of persons who
11 speak on each side of an issue and may place reasonable time restrictions on persons who
12 speak.

13 (c) Except as otherwise provided in the bylaws, meetings of the association and the
14 executive board shall be conducted in accordance with the most recent edition of Robert's Rules
15 of Order Newly Revised.

16 (d) Actions taken at a meeting held in violation of the association's bylaws or any
17 provision of this Chapter shall be null and void, and no members of the association shall be
18 bound by any decision or ruling made in that meeting."

19 SECTION 4.(a) G.S. 47F-3-110 is repealed.

20 SECTION 4.(b) Article 3 of Chapter 47F of the General Statutes is amended by
21 adding a new section to read:

22 "§ 47F-3-110A. Voting; proxies; ballots.

23 (a) Unless prohibited or limited by the declaration or bylaws, lot owners may vote at a
24 meeting in person, by absentee ballot pursuant to subdivision (4) of subsection (b) of this
25 section, by a proxy pursuant to subsection (c) of the section, or, when a vote is conducted
26 without a meeting, by electronic or paper ballot pursuant to subsection (d) of this section.

27 (b) At a meeting of lot owners, the following requirements apply:

28 (1) Lot owners who are present in person may vote by voice vote, show of
29 hands, standing, or any other method for accurately determining the votes of
30 lot owners, as designated by the person presiding at the meeting.

31 (2) If only one of several owners of a lot is present, that owner is entitled to cast
32 all the votes allocated to that lot. If more than one of the owners are present,
33 the votes allocated to that lot may be cast only in accordance with the
34 agreement of a majority in interest of the owners, unless the declaration
35 expressly provides otherwise. There is majority agreement if any one of the
36 owners casts the votes allocated to the lot without protest being made
37 promptly to the person presiding over the meeting by any of the other
38 owners of the lot.

39 (3) Unless a greater number or fraction of the votes in the association is required
40 for a particular matter to be voted on by this Chapter or the declaration, a
41 majority of the votes cast determines the outcome of any action of the
42 association.

43 (4) Subject to subsection (a) of this section, a lot owner may vote by absentee
44 ballot without being present at the meeting. The association promptly shall
45 deliver an absentee ballot to an owner that requests it if the request is made
46 at least seven days before the scheduled meeting. Votes cast by absentee
47 ballot must be included in the tally of a vote taken at that meeting.

48 (5) When a lot owner votes by absentee ballot, the association must be able to
49 verify that the ballot is cast by the lot owner having the right to do so.

50 (c) Except as otherwise provided in the declaration or bylaws, the following
51 requirements apply with respect to proxy voting:

- 1 (1) Votes allocated to a lot may be cast pursuant to a directed or undirected
2 proxy duly executed by a lot owner.
- 3 (2) If a lot is owned by more than one person, each owner of the lot may vote or
4 register protest to the casting of votes by the other owners of the lot through
5 a duly executed proxy.
- 6 (3) A lot owner may revoke a proxy given pursuant to this section only by actual
7 notice of revocation to the person presiding over a meeting of the
8 association.
- 9 (4) A proxy is void if it is not dated, if it purports to be revocable without notice,
10 or if it is given in favor of a board member.
- 11 (5) A proxy is valid only for the meeting at which it is cast and any recessed
12 session of that meeting.
- 13 (6) A proxy may be used to achieve the required quorum at a meeting.
- 14 (7) A proxy is valid only if the nature of the matter for which the vote is to be
15 taken is stated in the notice as required by G.S. 47F-3-108(a).
- 16 (8) A person may not cast proxies representing more than fifteen percent (15%)
17 of the votes in the association.
- 18 (d) Unless prohibited or limited by the declaration or bylaws, an association may

- 22 (2) The association shall deliver a paper or electronic ballot to every lot owner
23 entitled to vote on the matter.
- 24 (3) The ballot must set forth each proposed action and provide an opportunity to
25 vote for or against the action.
- 26 (4) When the association delivers the ballots, the association shall do all of the
27 following:
- 28 a. Indicate the number of responses needed to meet the quorum

30 association shall file with the clerk of court a notice of satisfaction of lien signed by the
31 association's agent or attorney, whereupon the clerk of superior court shall forthwith make upon
32 the record of the claim of lien on real property an entry of acknowledgment of satisfaction.

33 (b) An association that fails to acknowledge satisfaction of a claim of lien pursuant to
34 this section by the end of the period specified in subsection (a) of this section is liable to the

36 (c) An association that is required to acknowledge satisfaction of a claim of lien
37 pursuant to this section and does not do so by the end of the period specified in subsection (a)
38 of this section is also liable to the lot owner for one thousand dollars (\$1,000) and any

- 23 (1) The declaration, bylaws, or other governing documents expressly require
24 conduct of an annual financial audit.
25 (2) The association has annual revenues or expenditures of at least four hundred

47 and concerns. The executive board may place reasonable restrictions on the number of persons
48 who speak on each side of an issue and may place reasonable time restrictions on persons who

6 bound by any decision or ruling made in that meeting."

7 SECTION 9.(a) G.S. 47C-3-110 is repealed.

8 SECTION 9.(b) Article 3 of Chapter 47C of the General Statutes is amended by
9 adding a new section to read:

10 "**§ 47C-3-110A. Voting; proxies; ballots.**

12 meeting in person, by absentee ballot pursuant to subdivision (4) of subsection (b) of this
13 section, by a proxy pursuant to subsection (c) of this section, or, when a vote is conducted
14 without a meeting, by electronic or paper ballot pursuant to subsection (d) of this section.

23 expressly provides otherwise. There is majority agreement if any one of the
24 owners casts the votes allocated to the unit without protest being made
25 promptly to the person presiding over the meeting by any of the other
26 owners of the unit.

27 (3) Unless a greater number or fraction of the votes in the association is required
28 for a particular matter to be voted on by this Chapter or the declaration, a
29 majority of the votes cast determines the outcome of any action of the
30 association.

31 (4) Subject to subsection (a) of this section, a unit owner may vote by absentee
32 ballot without being present at the meeting. The association promptly shall
33 deliver an absentee ballot to an owner that requests it if the request is made

41 proxy duly executed by a unit owner.

42 (2) If a unit is owned by more than one person, each owner of the unit may vote
43 or register protest to the casting of votes by the other owners of the unit
44 through a duly executed proxy.

45 (3) A unit owner may revoke a proxy given pursuant to this section only by
46 actual notice of revocation to the person presiding over a meeting of the
47 association.

48 (4) A proxy is void if it is not dated, if it purports to be revocable without notice,
49 or if it is given in favor of a board member.

50 (5) A proxy is valid only for the meeting at which it is cast and any recessed
51 session of that meeting.

- 1 (6) A proxy may be used to achieve the required quorum at a meeting.

3 taken is stated in the notice as required by G.S. 47F-3-108(a).
4 (8) A person may not cast proxies representing more than fifteen percent (15%)
5 of the votes in the association.
6 (d) Unless prohibited or limited by the declaration or bylaws, an association may
7 conduct a vote without a meeting. In that event, the following requirements apply:
8 (1) The association shall notify the unit owners that the vote will be taken by
9 ballot.
10 (2) The association shall deliver a paper or electronic ballot to every unit owner
11 entitled to vote on the matter.
12 (3) The ballot must set forth each proposed action and provide an opportunity to
13 vote for or against the action.
14 (4) When the association delivers the ballots, the association shall do all of the

19 than election of directors.
20 c. Specify a time and date, not fewer than seven days after the date the
21 association delivers the ballot, by which a ballot must be delivered to
22 the association to be counted.
23 d. Describe the time, date, and manner by which unit owners wishing to
24 deliver information to all unit owners regarding the subject of the
25 vote may do so.
26 (5) Except as otherwise provided in the declaration or bylaws, a ballot is not
27 revoked after delivery to the association by death or disability or attempted
28 revocation by the person that cast that vote.
29 (6) Approval by ballot pursuant to this subsection is valid only if the number of
30 votes cast by ballot equals or exceeds the quorum required to be present at a
31 meeting authorizing the action.
32 (e) If the declaration requires that votes on specified matters affecting the condominium
33 be cast by lessees rather than unit owners of leased units, (i) the provisions of this section apply
34 to lessees as if they were unit owners; (ii) unit owners who have leased their units to other
35 persons may not cast votes on those specified matters; and (iii) lessees are entitled to notice of
36 meetings, access to records, and other rights respecting those matters as if they were unit
37 owners. Unit owners must also be given notice, in the manner provided in G.S. 47C-3-108, of
38 all meetings at which lessees may be entitled to vote.

43 subgroup.
44 (2) All except de minimis costs that will be incurred based on the vote taken will
45 be assessed solely against those unit owners entitled to vote.
46 (h) For purposes of subdivision (1) of subsection (g) of this section, an issue to be voted
47 on is not of special interest solely to a subgroup if it substantially affects the overall appearance
48 of the condominium or substantially affects living conditions of unit owners not included in the
49 voting subgroup."

50 SECTION 10. Article 3 of Chapter 47C of the General Statutes is amended by
51 adding a new section to read:

1 "§ 47C-3-120. Alternative dispute resolution allowed.

2 Parties to a dispute arising under this Chapter or an association's declaration, bylaws, or
3 rules and regulations may agree to resolve the dispute by any form of binding or nonbinding
4 alternative dispute resolution, except that a declarant may agree with the association to do so
5 only after the period of declarant control has expired. Parties electing to use alternative dispute
6 resolution for disputes arising under this Chapter shall only use mediators certified by the
7 Dispute Resolution Commission. An agreement to submit to any form of binding alternative
8 dispute resolution must be in a record authenticated by the parties."

HOUSE BILL 1084: HOAs/Planned Community Act Amends

2011-2012 General Assembly

Committee: House Finance	Date: June 18, 2012
Introduced by: Reps. Jordan, Justice, R. Moore, Spear	Prepared by: Dan Eteffagh
Analysis of: H1084-CSMCx-23	Jennifer McGinnis Committee Counsel

SUMMARY: *The Proposed Committee Substitute makes technical changes to House Bill 1084, which would amend the Planned Community Act and Condominium Act by requiring associations to release liens upon full payment of the debt, by requiring all associations to conduct an annual financial review or audit, by specifying voting rights procedures, by allowing use of alternative dispute resolution for conflicts arising under the Planned Community Act or Condominium Act, and by simplifying the collection of property taxes due on property owned by certain nonprofit homeowners associations, as recommended by the House Select Committee on Homeowners Associations.*

BILL ANALYSIS:

Sections 1 and 6 create a new G.S. 47F-3-116.1 in the Planned Community Act (PCA) and a corresponding new G.S. 47C-3-116.1 in the Condominium Act (CA) to:

- require an association that has filed a claim of lien for unpaid assessments to acknowledge satisfaction of the claim of lien within 30 days after the association receives full payment or performance of the debt;
- make the association liable for actual but not punitive damages if it fails to acknowledge satisfaction of the debt as required; and
- makes the association liable for \$1,000, reasonable attorneys' fees and court costs if the lot owner both notifies the association of full payment and demands an acknowledge of satisfaction with the clerk of superior court, and the association fails to acknowledge satisfaction with the clerk within 30 days of receipt of the lot owner's demand.

Sections 2(a) and 7(a) eliminate current provisions in the PCA and CA which permit a more extensive review or audit of the association's financial records upon a majority vote or the executive board or owners.

Sections 2(b) and 7(b) create new sections in the PCA and CA which require the board of directors to provide for an annual independent financial review of the association, or an audit in lieu of a review if the governing documents require an audit, the association has annual revenues or expenditures of at least \$400,000, or upon a majority vote of the board or unit owners.

Sections 3 and 8 add a requirement that meeting notices include notice of "any material matter for which a vote is to be taken."

Sections 4(a) and 9(a) repeal the current sections pertaining to voting.

Sections 4(b) and 9(b) add new sections prescribing the specific procedures for voting at a meeting, whether by absentee ballot, by proxy, or without a meeting.

Sections 5 and 10 add sections allowing parties to resolve disputes through the use of alternative dispute resolution using certified mediators.

House Bill 1084

Page 2

Sections 11.(a) and 11.(b) modify the existing law that provides that the value of real and personal property owned by a nonprofit homeowners' association (HOA) must be included in the appraisals of property owned by members of the HOA and not be assessed against the HOA if:

- all property owned by the HOA is held for the use, benefit, and enjoyment of all members of the HOA equally;
- each member of the HOA has an irrevocable right to use and enjoy all the property owned by the HOA subject to the rules, regulations or bylaws of the HOA; and
- each irrevocable right to use and enjoy all the property owned by the HOA is appurtenant to taxable real property owned by a member of the HOA.

Effective for taxes imposed for taxable years beginning on or after July 1, 2012, common property of the association that meets the above requirements but is located in another taxing jurisdiction would be taxed in the jurisdiction in which it is located and to the owner of record, the HOA, which would, in turn, recoup the taxes owed from its members. The value of such common property would not be included in the appraisals of property owned by the members of the HOA.

EFFECTIVE DATE: This act becomes effective July 1, 2012.

34 upon the information and evidence it receives, the Board finds that:

- 35 (1) The proposed district meets the standards set forth in this subsection; and
36 (2) It is impossible or impracticable to provide on a countywide basis the
37 additional or higher levels of services, facilities, or functions proposed for
38 the district; and
39 (3) It is economically feasible to provide the proposed services, facilities, or
40 functions to the district without unreasonable or burdensome tax levies.

41 (a) Additional Uses. – A developer of a research and production service district
42 established prior to June 1, 2012, may amend the covenants that limit the use of real property in
43 the district to include any of the following uses: research; or scientifically-oriented production,
44 technology, education; or associated commercial, residential, or institutional purposes; or for
45 other purposes specifically authorized pursuant to the terms and conditions of the covenants. A
46 research and production service district is presumed to be in compliance with the standards in
47 subsection (a) of this section if the district met the standards in subsection (a) of this section, as
48 that subsection was enacted at the time of the establishment of the district.

49 (b) Multi-County Districts. – If an area that meets the standards for creation of a
50 research and production service district lies in more than one county, the boards of
51 commissioners of those counties may adopt concurrent resolutions establishing a service

1 district, even if that portion of the district lying in any one of the counties does not by itself
2 meet the standards. Each of the county boards of commissioners shall follow the procedure set
3 out in this section for creation of a ~~service~~-district.

4 If a multi-county ~~service~~-district is established, as provided in this subsection, the boards of
5 commissioners of the counties involved shall jointly determine whether the same appraisal and
6 assessment standards apply uniformly throughout the ~~district~~ district, or, in the case of a
7 multijurisdictional industrial park that satisfies the criteria of G.S. 143B-437.08(h), whether
8 there is a current need in each participating county to levy a tax, which determination shall be
9 made by each participating county's board of commissioners. This determination shall be set
10 out in concurrent resolutions of the boards. If the same appraisal and assessment standards
11 apply uniformly throughout the district, the boards of commissioners of all the counties shall
12 levy the same rate of tax for the district, so that a uniform rate of tax is levied for district
13 purposes throughout the district. If the boards determine that the same standards do not apply
14 uniformly throughout the district, the boards shall agree on the extent of divergence between
15 the counties and on the resulting adjustments of tax rates that will be necessary in order that an
16 effectively uniform rate of tax is levied for district purposes throughout the district. In the event
17 that one or more of the boards of commissioners in one or more of the counties participating in
18 a multijurisdictional industrial park that satisfies the criteria of G.S. 143B-437.08(h) determines
19 that there is no current need to levy a tax for all or part of the property meeting said
20 requirements within its jurisdictional boundaries, then that county or those counties shall be
21 under no obligation to do so. That county or those counties participating in a multijurisdictional
22 industrial park that satisfies the criteria of G.S. 143B-437.08(h) that choose to levy a tax for all
23 or part of the property meeting said requirements within its jurisdictional boundaries may do so
24 without setting an effectively uniform rate of tax as described above, provided such rate shall
25 not exceed the rate allowed in G.S. 143B-317(b).

26 The boards of commissioners of the counties establishing a multi-county ~~service~~-district
27 pursuant to this subsection may, by concurrent resolution, provide for the administration of
28 services within the district by one or more counties on behalf of all the establishing counties."

29 (c) Report. – Before the public hearing required by subsection (d), the board of
30 commissioners shall cause to be prepared a report containing:

- 31 (1) A map of the proposed district, showing its proposed boundaries;
- 32 (2) A statement showing that the proposed district meets the standards set out in
33 subsection (a); and
- 34 (3) A plan for providing one or more services, facilities, or functions to the
35 district.

36 The report shall be available for public inspection in the office of the clerk to the board for
37 at least four weeks before the date of the public hearing.

38 (d) Hearing and Notice. – The board of commissioners shall hold a public hearing
39 before adopting any resolution defining a ~~service~~-district under this section. Notice of the
40 hearing shall state the date, hour, and place of the hearing and its subject, and shall include a
41 map of the proposed district and a statement that the report required by subsection (c) is
42 available for public inspection in the office of the clerk to the board. The notice shall be
43 published at least once not less than one week before the date of the hearing. In addition, it
44 shall be mailed at least four weeks before the date of the hearing by any class of U.S. mail
45 which is fully prepaid to the owners as shown by the county tax records as of the preceding
46 January 1 (and at the address shown thereon) of all property located within the proposed
47 district. The person designated by the board to mail the notice shall certify to the board that the
48 mailing has been completed and his certificate is conclusive in the absence of fraud.

49 (e) Effective Date. – The resolution defining a ~~service~~-district shall take effect at the
50 beginning of a fiscal year commencing after its passage, as determined by the board of
51 commissioners.

1 **"§ 153A-313. ~~Advisory Research and production service district advisory committee.~~**

2 (a) The board or boards of commissioners, in the resolution establishing a research and
3 production service district, shall also provide for an advisory committee for the district. Such a
4 committee shall have at least 10 members, serving terms as set forth in the resolution; one
5 member shall be the representative of the developer of the research and production ~~park-park~~
6 established as a research and production service district. The resolution shall provide for the
7 appointment or designation of a ~~chairman-chair.~~ The board of commissioners or, in the case of
8 a multi-county ~~service~~-district, the boards of commissioners shall appoint the members of the
9 advisory committee. If a multi-county ~~service~~-district is established, the concurrent resolutions
10 establishing the district shall provide how many members of the advisory committee are to be
11 appointed by each board of commissioners. Before making the appointments, the appropriate
12 board shall request the association of owners and tenants, required by G.S. 153A-312(a), to
13 submit a list of persons to be considered for appointment to the committee; the association shall
14 submit at least two names for each appointment to be made. Except as provided in the next two
15 sentences, the board of commissioners shall make the appointments to the committee from the
16 list of persons submitted. In addition, the developer of the research and production park shall
17 appoint one person to the advisory committee as the developer's representative on the
18 committee. In addition, in a single county ~~service~~-district, the board of commissioners may
19 make two additional appointments of such other persons as the board of commissioners deems
20 appropriate, and in a multi-county ~~service~~-district, each board of county commissioners may
21 make one additional appointment of such other person as that board of commissioners deems
22 appropriate. Whenever a vacancy occurs on the committee in a position filled by appointment
23 by ~~a~~-the board of commissioners, the appropriate board, before filling the vacancy, shall request
24 the association to submit the names of at least two persons to be considered for the vacancy;
25 and the board shall fill the vacancy by appointing one of the persons so submitted, except that if
26 the vacancy is in a position appointed by the board of commissioners under the preceding
27 sentence of this section, the board of commissioners making that appointment shall fill the
28 vacancy with such person as that board of commissioners deems appropriate.

29 Each year, before adopting the budget for the ~~service~~-district and levying the tax for the
30 district, the board or boards of commissioners shall request recommendations from the advisory
31 committee as to the level of services, facilities, or functions to be provided for the district for
32 the ensuing year. The board or boards of commissioners shall, to the extent permitted by law,
33 expend the proceeds of any tax levied for the district in the manner recommended by the
34 advisory ~~board-committee.~~

35 (b) In the event that the research and production service district satisfies the criteria of
36 G.S. 143B-437.08(h), the board of directors for the nonprofit corporation which owns the
37 industrial park shall serve as the advisory committee described in subsection (a) of this section.

38 **"§ 153A-314. Extension of service districts.**

39 (a) Standards. – A board of commissioners may by resolution annex territory to a
40 research and production service district upon finding that:

HOUSE BILL 391: RTP District Amendments

2011-2012 General Assembly

Committee: House Finance	Date: June 19, 2012
Introduced by: Reps. Avila, Torbett	Prepared by: Heather Fennell
Analysis of: Fourth Edition	Committee Counsel

SUMMARY: *House Bill 391 would amend the authorizing statutes for county research and production districts to allow for additional permitted uses in the districts, including mixed-use development that combines residential, retail, and business use. The bill also allows each county in which a multijurisdictional industrial park is located to determine whether or not to levy a tax in the portion of the park in that county, and increases the property tax limit in multijurisdictional industrial parks.*

CURRENT LAW: In 1985, the General Assembly authorized counties to establish research and production districts. A board of commissioners may, by resolution, establish a research and production district for any area of the county if it meets the statutory standards. A county may levy property taxes within the district in addition to those levied throughout the county with a cap of 10¢ on each \$100 value of taxable property.

The original standards for a research and production service district limited real property in the district to use for research or scientifically oriented production or for associated commercial or institutional purposes. The original standards also included acreage requirements, employment requirements, and a restriction on the number of permanent residents in the district. The standards also provided that no part of a district could be within the boundaries of any incorporated city or town.

A board of county commissioners may create a district by resolution after publication of a report outlining the district, and holding a public hearing on the formation of the district. Multi-county districts are also authorized. For multi-county districts, the boards of county commissioners may pass concurrent resolutions.

At the time the county research and production service district legislation was enacted it was assumed that the Research Triangle Park would be the only district created under the act due to the acreage and employment level standards need to qualify for the creation of a district.

In 2009, the General Assembly amended these standards to allow for the creation of a district when all of the real property in the district is part of a multijurisdictional industrial park. The maximum property tax rate for a district in a multijurisdictional industrial park is 15¢ on each \$100 value of taxable property. Currently there is one multijurisdictional industrial park, Triangle North, located in Franklin, Granville, Vance, and Warren Counties.

BILL ANALYSIS: House Bill 391 amends the authorizing statutes for county research and production districts to allow for additional permitted uses in the districts, including mixed-use development that combines residential, retail, and business use, and authorizes the creation of new sub-districts, urban service research districts. The bill also allows each county in which a multijurisdictional industrial park is located to determine whether or not to levy a tax in the portion of the park in that county, and increases the property tax limit in multijurisdictional industrial parks.

House Bill 391

County Research and Production Service Districts:

New districts: The standards for a creation of a county research and production service district are amended to provide that real property in a district may be used for the following additional purposes:

- Scientifically-oriented technology and education.
- Residential purposes associated with scientifically-oriented production, technology, or education.
- Any other purpose specifically authorized in the covenants adopted to restrict the use of the real property.

Existing districts: Districts established prior to June 1, 2012 may amend the covenants that restrict the use of real property in those districts to include the additional purposes listed above.

Conforming changes: The statutes governing county research and production service districts are amended to reflect the expansion in the permitted uses of real property in the districts.

Urban Research Service Districts

The board of commissioners of a county (Board) may establish urban research districts (URSD) within existing county research and production districts. The method of formation and governance of URSDs are substantially similar to provisions for county research and production service districts.

Standards for USRD: The URSD must be located within a county research and production service district, must be wholly within the county that establishes the URSD, and may not be contained in any other URSD. Prior to establishing a URSD, the Board must receive a petition requesting creation of the URSD from 50% of the owners of real property in the proposed URSD that own at least 50% of the total area of the real property in the proposed URSD.

URSD Advisory Committee: The Board must provide an advisory committee for the URSD. The advisory committee will consist of owners and tenants of the URSD, an appointee of the developer of the district in which the URSD is located, and appointees of the Board. The committee will advise the Board on the services, facilities, and functions of the URSD.

Hearing and notice: Prior to establishing, extending, removing territory from, or abolishing a URSD, the Board must hold a public hearing regarding the action.

Standards for extension of USRD: To extend an URSD, the Board must find that the covenants restricting the use of real property will apply, 100% of the owners of real property in the area to be added petition to be added, the area to be added is contiguous, and the area requires the additional services, facilities, or functions served by the URSD.

Standards for removing area from USRD: To remove area from an URSD, the Board must find the removal is recommended by a vote of 2/3rds of the owners and tenants association and 100% of the owners of property in the area to be removed request removal, the area to be removed no longer requires the additional services, facilities, or functions served by the URSD, and the county has not financed any project for which taxes are levied on the area.

Services in the URSD: The Board must provide services for which the URSD is being taxed in a reasonable time. The Board may also designate the developer of the county research and production service district in which the URSD is located to contract with any local government for services within the URSD.

House Bill 391

Page 3

Taxes: The Board may levy taxes in the URSD that are in addition to the county taxes, and the taxes in the research and development district in order to finance and maintain services within the URSD.

The rate of the tax may not exceed the rate levied in the city with the largest population that is 1) contiguous to the county research and production service district in which the URSD is located, and 2) located primarily within the same county as the URSD.¹

The taxes levied may be used for services in the URSD, and debt service for debt incurred by the county for capital projects in the URSD.

Multijurisdictional Industrial Parks

The bill also allows each county in which a multijurisdictional industrial park is located to determine whether or not to levy a tax in the portion of the park in that county. The bill also increases the property tax limit in multijurisdictional industrial parks to 20¢ on each \$100 value of taxable property from 15¢ on each \$100 value of taxable property.

EFFECTIVE DATE: This act is effective when it becomes law.

H391-SMTD-127(e4) v1

¹ There are three cities contiguous to RTP that could potentially meet this definition. Cary (tax rate of 33¢ per \$100 value of taxable property), Durham (tax rate 55¢ per \$100 value of taxable property), and Morrisville (tax rate 36¢ per \$100 value of taxable property).

HOUSE BILL 1216: Town of Wallace/Satellite Annexations

2011-2012 General Assembly

Committee: House Finance
Introduced by: Rep. Dixon
Analysis of: Second Edition

Date: June 19, 2012
Prepared by: Trina Griffin
Committee Counsel

SUMMARY: *House Bill 1216 changes the standards for voluntary satellite annexations applicable the Town of Wallace's voluntary satellite annexation of the property on which the Vidant Family Medicine facility is located.*

[As introduced, this bill was identical to S944, as introduced by Sen. Jackson, which is currently in Senate Finance.]

CURRENT LAW: G.S. 160A-58.1 governs voluntary municipal annexation of noncontiguous property (known as voluntary satellite annexation). If all property owners in a satellite area petition a municipality for voluntary annexation of the noncontiguous property, the municipality may annex the property, if it meets all of the following five standards:

1. The nearest point on the proposed satellite corporate limits must be not more than three miles from the primary corporate limits of the annexing city.
2. No point on the proposed satellite corporate limits may be closer to the primary corporate limits of another city than to the primary corporate limits of the annexing city.
3. The area must be so situated that the annexing city will be able to provide the same services within the proposed satellite corporate limits that it provides within its primary corporate limits.
4. **If the area proposed for annexation, or any portion thereof, is a subdivision as defined in G.S. 160A-376, all of the subdivision must be included.**
5. The area within the proposed satellite corporate limits, when added to the area within all other satellite corporate limits, may not exceed ten percent (10%) of the area within the primary corporate limits of the annexing city.

BILL ANALYSIS: House Bill 1216 exempts the Town of Wallace from the fourth standard for voluntary satellite annexation of the property on which the Vidant Family Medicine facility is located. The Town of Wallace was already exempted from standard #5, above.¹ The Town of Wallace will be required to provide municipal services (standard #3) to the voluntarily annexed satellite area.

EFFECTIVE DATE: This act is effective when it becomes law.

BACKGROUND: The General Assembly has exempted at least 16 other municipalities from the fourth standard.

HOUSE BILL 1106: Apex Annexation

2011-2012 General Assembly

Committee: House Finance	Date: June 19, 2012
Introduced by: Reps. Murry, Dollar, Stam	Prepared by: Trina Griffin
Analysis of: First Edition	Committee Counsel

SUMMARY: *House Bill 1106 annexes a described area into the Town of Apex.*

CURRENT LAW: Annexation is a method by which municipalities alter their boundaries. The municipality must follow the statutorily prescribed steps in order to add an area into its boundaries. As the municipality is receiving more tax revenue from the added area, the municipality must provide (or contract to provide) basic services to the area. These services include police protection, fire protection, solid waste collection and the extension of water and sewer lines to the area.

North Carolina law sets forth four basic ways in which a municipality may annex an area.

- **Voluntary Annexation.** The owners of all real property in an area contiguous to the municipality desiring to be annexed sign a petition requesting annexation.
- **Voluntary Satellite Annexation.** The owners of all real property in the area desiring to be annexed sign a petition requesting annexation, if it otherwise meets the statutory requirements.
- **Municipal-Initiated Annexation.** The municipality initiates annexation proceeding, pursuant to statutory requirements.
- **Legislative Act.** The General Assembly has the authority to extend the boundaries of any municipality.

BILL ANALYSIS: House Bill 1106 annexes a 0.208 acre tract into the corporate limits of the Town of Apex.

EFFECTIVE DATE: This act becomes effective when it becomes law.

PROPERTY OWNED BY CERTAIN NONPROFIT HOMEOWNERS ASSOCIATIONS.

The General Assembly of North Carolina enacts:

SECTION 1. G.S. 105-277.8 reads as rewritten:

"§ 105-277.8. Taxation of property of nonprofit homeowners' association.

(a) ~~The~~ Except as provided in subsection (a1) of this section, the value of real and personal property owned by a nonprofit homeowners' association shall be included in the appraisals of property owned by members of the association and shall not be assessed against the association ~~if~~ if each of the following requirements is met:

- (1) All property owned by the association is held for the use, benefit, and enjoyment of all members of the association ~~equally~~; equally.
- (2) Each member of the association has an irrevocable right to use and enjoy, on an equal basis, all property owned by the association, subject to any restrictions imposed by the instruments conveying the right or the rules, regulations, or bylaws of the ~~association~~; and association.
- (3) Each irrevocable right to use and enjoy all property owned by the association is appurtenant to taxable real property owned by a member of the association.

The assessor may allocate the value of the association's property among the property of the association's members on any fair and reasonable basis.

(a1) The value of extraterritorial common property shall be subject to taxation only in the jurisdiction in which it is entirely contained and only in the amount of the local tax of the jurisdiction in which it is entirely contained. The value of any property taxed pursuant to this subsection, as determined by the latest schedule of values, shall not be included in the appraisals of property owned by members of the association that are referenced in subsection (a) of this section or otherwise subject to taxation. The assessor for the jurisdiction that imposes a tax pursuant to this subsection shall provide notice of the property, the value, and any other information to the assessor of any other jurisdiction so that the real properties owned by the members of the association are not subject to taxation for that value.

(b) As used in this section, "nonprofit homeowners' association" means a homeowners' association as defined in § 528(c) of the Internal Revenue Code and "extraterritorial common property" means real property that is (i) owned by a nonprofit homeowners' association that meets the requirements of subdivisions (1) through (3) of subsection (a) of this section and (ii) entirely contained within a taxing jurisdiction that is different from that of the

HOUSE BILL 1105: Modify Taxation of HOA Property

2011-2012 General Assembly

Committee: House Finance
Introduced by: Rep. Justice
Analysis of: H1105-CSMCx-24

Date: June 18, 2012
Prepared by: Dan Ettefagh
Committee Counsel

SUMMARY: *The Proposed Committee Substitute replaces the language for House Bill 1105 and would simplify the collection of property taxes due on property owned by certain nonprofit homeowners associations, as recommended by the House Select Committee on Homeowners Associations.*

CURRENT LAW: Currently, G.S. 105-277.8 provides that the value of real and personal property owned by a nonprofit homeowners' association (HOA) must be included in the appraisals of property owned by members of the HOA and not be assessed against the HOA if:

- all property owned by the HOA is held for the use, benefit, and enjoyment of all members of the HOA equally;
- each member of the HOA has an irrevocable right to use and enjoy all the property owned by the HOA subject to the rules, regulations or bylaws of the HOA; and
- each irrevocable right to use and enjoy all the property owned by the HOA is appurtenant to taxable real property owned by a member of the HOA.

BILL ANALYSIS: The bill modifies treatment of common property of the association that meets the above requirements but is located in another taxing jurisdiction. Under the bill, HOA property would be taxed in the jurisdiction in which it is located and to the owner of record, the HOA, which would, in turn, recoup the taxes owed from its members. The value of such common property would not be included in the appraisals of property owned by the members of the HOA.

EFFECTIVE DATE: This act is effective for taxes imposed for taxable years beginning on or after July 1, 2012.

SENATE BILL 426: Modify/Clarify Public Finance Statutes

2011-2012 General Assembly

Committee:	House Finance	Date:	June 18, 2012
Introduced by:	Sen. Clodfelter	Prepared by:	Cindy Avrette
Analysis of:	PCS to Third Edition S426-CSRbx-85		Committee Counsel

SUMMARY: *Senate Bill 426 makes changes to the bond statutes designed to improve their efficiency. The House PCS for Senate Bill 426 does two things:*

- *It removes the original Section 4 from the bill. Section 4 would have extended the sunset on the ability of cities and counties to issue special assessments for critical infrastructure needs from July 1, 2013, until July 1, 2016.*
- *It adds a new Section 4 that would authorize a resolution establishing a municipal service district to become effective upon a date specified in the resolution if special obligation bonds are anticipated to be authorized as funding for a project, as opposed to property tax revenues.*

CURRENT LAW AND BILL ANALYSIS:

Section 1: Under the Local Government Budget and Fiscal Control Act, an obligation may not be incurred by a city or county unless there has been an approved appropriation authorizing the payment of the obligation. For an obligation evidenced by a contract, an agreement, or a purchase order, the finance officer must have a certificate attached to the appropriate instrument stating the instrument has been pre-audited to assure that the obligation is an approved appropriation. An obligation incurred in violation of this requirement is invalid and may not be enforced. This section would eliminate the need for the pre-audit certificate if the document has been approved by the Local Government Commission (LGC). The LGC approves all contractual obligations related to the financing of capital projects. These would include bond purchase agreements¹, credit facilities, repayment agreements, remarketing agreements, interest swap agreements, and installment purchase contracts.²

Section 2: Under the Local Government Bond Act, the governing body of a local government unit initiates the general obligation bond process when it authorizes the filing of an application to issue general obligation bonds with the LGC. This authorization takes place in a formal meeting. After the LGC has received and acknowledged receipt of the application requesting approval to issue GO bonds, the governing body must introduce a bond order, which also takes place in a formal meeting. The bond order is the formal resolution which specifies the details of the bonds being put to a vote: the purpose of the bond, the amount of the bond, the source of revenues for repayment of the bond, etc. The law then requires other meetings after the bond order is introduced, such as a public hearing. This section would allow the governing body to adopt the bond order at the same meeting in which it initiates the bond process. It does not eliminate the requirement of public notice of intent or the publication of notice of hearing on the bond order.

Section 3: Under the State and Local Government Revenue Bond Act, a bond order may not be adopted until after the LGC approves the application for the issuance of the revenue bonds. This section would

¹ Bond purchase agreements would include GO bonds, revenue bonds, and special obligation bonds.

² Installment purchase contracts may also be known as financing agreements, lease-purchase agreements, capital leases, certificates of participation, and limited obligation bonds.

Senate PCS 426

remove this restriction. The current restriction means that the LGC is approving the issuance of bonds before the bond order has been finalized by the governing body.

Section 4: Section 4 would authorize a resolution establishing a municipal service district to become effective upon a date specified in the resolution if special obligation bonds are anticipated to be authorized as funding for a project, as opposed to property tax revenues. Under current law, a resolution establishing a municipal service district becomes effective either (1) at the beginning of the next fiscal year, or (2) immediately, if it is anticipated that general obligation bonds will be issued for a project.

Article V, Sec. 2(4) of the North Carolina Constitution allows the General Assembly to enact general laws authorizing the governing board of a local governmental unit to define territorial areas and to levy additional taxes within those areas to finance a service that is provided to a greater extent in that area than is provided to the entire area of the governmental unit. The purposes for which a service district may be created are: Beach erosion control and flood and hurricane protection works; any service which the municipality may by law provide, such as placing utility wiring underground; downtown revitalization projects; transit-oriented development projects; drainage projects; sewage collection and disposal systems; lighting at interstate highway interchange ramps; off-street parking facilities; and watershed improvement projects.

Based on that provision, Article 23 of Chapter 160A authorizes a city to define a municipal service district and to levy a property tax in that district that is in addition to those levied through the city. A city may also incur debt, as allowed under general law, to finance services within a service district and may allocate any other revenues whose use is not otherwise restricted by law. When there is no longer a need for the service district, the district may be abolished.

To create a district, a city must hold a public hearing on a proposed resolution. The resolution must define the service district and find that the area defined is in need of one or more of the services for which a district may be created to a demonstrably greater extent than the remainder of the city. The resolution may become effective at the beginning of a fiscal year, except if the resolution states that general obligation bonds are anticipated to be authorized for the project, the resolution may become effective immediately, but no ad valorem tax may be levied for partial fiscal year.

EFFECTIVE DATE: The bill would become effective when it becomes law.

HOUSE BILL 1050: Elizabethtown Industr. Park Deannexation

2011-2012 General Assembly

Committee: House Finance
Introduced by: Rep. Brisson
Analysis of: First Edition

Date: June 19, 2012
Prepared by: Greg Roney
Committee Counsel

SUMMARY: *House Bill 1050 would deannex 4 tracts of land that were involuntarily annexed by the Town of Elizabethtown in an industrial park area and would prohibit involuntary annexation of those tracts for 12 years.*

CURRENT LAW: Under Section 1 of Article VII of the NC Constitution, the General Assembly is empowered to "provide for the organization and government and the fixing of boundaries of counties, cities and towns, and other governmental subdivisions, and, except as otherwise prohibited by this Constitution, may give such powers and duties to counties, cities and towns, and other governmental subdivisions as it may deem advisable." The General Assembly has not enacted any method for municipalities to deannex property – that power remains with the General Assembly.

BILL ANALYSIS:

Section 1 repeals the local involuntary annexation ordinances listed in Section 3 of the bill.

Section 2 provides that the 4 tracts covered by the bill shall not be subject to any involuntary annexation for 12 years after the effective date.

Section 3 lists the 4 tracts covered by the bill.

Section 4 is a severability clause, providing that if any provision of the bill is held invalid then the remainder of the bill can be enforced.

EFFECTIVE DATE: This act is effective from and after June 29, 2012.

SENATE BILL 813: DCR and DENR/Study State Attractions Savings

2011-2012 General Assembly

Committee: House Finance
Introduced by: Sen. Hartsell
Analysis of: Second Edition

Date: June 18, 2012
Prepared by: Cindy Avrette
Committee Counsel

SUMMARY: *Senate Bill 813 would require the Department of Cultural Resources and the Department of Environment and Natural Resources to study and implement recommendations by the Joint Legislative Program Evaluation Oversight Committee in an effort to increase revenue and potential savings.*

The House companion bill, House Bill 944, introduced by Rep. Howard, was on the House calendar last night for 2nd and 3rd readings. The House bill received a favorable recommendation from the House Government Committee on June 14, 2012. The Senate bill differs from the House bill in one respect: the reporting due date for the first report on the number of visitors per car, used to calculate visitor counts at state parks, is changed from April 1, 2013, to October 1, 2013.

BACKGROUND: Senate Bill 813 would implement the recommendations found in the Program Evaluation Division's Report Number 2012-01, "Operational Changes for State Attractions Could Yield \$2 Million Annually and Reduce Reliance on the State," dated February 14, 2012, and the recommendations of the State Attractions Subcommittee dated March 21, 2012.

BILL ANALYSIS: Section 1 would require the Department of Cultural Resources (DCR) to do the following:

- Identify historic sites that could adopt a coordinated management structure.
- Study reduced schedules for historic sites.
- Study the feasibility of implementing more reliable mechanisms for counting visitors.
- Determine the appropriate operating schedule for the Richard Caswell Memorial after the CSS Neuse moves to its new location.
- Study potential savings through various cost-saving measures. Reporting requirements would be specific to certain historic sites.¹
- Report on the provisions of Section 1 to the Senate Appropriations Subcommittee on General Government and Information Technology and the House Appropriations Subcommittee on General Government no later than December 15, 2012.

Section 2 would require the Department of Environment and Natural Resources (DENR) to do the following:

- Identify parks that could adopt a coordinated management structure.
- Study daily visitation data to determine potential changes from daily or seasonal closure of specific parks.

¹ Alamance Battleground, Aycock Birthplace, Bennett Place, Bentonville Battlefield, Charlotte Hawkins Brown Memorial, Duke Homestead, Historic Edenton, Historic Stagville, Museum of the Albemarle, Thomas Wolfe Memorial, and Town Creek Indian Mound.

Senate Bill 813

Page 2

- Provide an analysis of anticipated State costs and savings from partnering with nonprofits for operations at the zoo and aquariums.
- Study and report potential savings from various cost-saving measures.
- Report on the provisions above to the Senate Appropriations Committee on Natural and Economic Resources and the House Appropriations Subcommittee on Natural and Economic Resources no later than December 15, 2012,
- Validate no less frequently than every five years the number of visitors per car used in the calculation of visitor counts at State parks. DENR would be required to report their findings on this provision to the Senate Appropriations Subcommittee on Natural and Economic Resources and the House Appropriations Subcommittee on Natural and Economic Resources no later than October 1, 2013.

EFFECTIVE DATE: This act would become effective when it becomes law.

BACKGROUND: The Program Evaluation Division was directed to review state attraction management with a specific focus on potential administration consolidation and optimal operating schedules for sites. The study included 23 state historic sites, nine museums, and three commissions, administered by the Department of Cultural Resources; and 39 state parks and recreation areas, three aquariums, Jennette's Pier, the North Carolina Zoological Park, the North Carolina Museum of Natural Sciences, and the North Carolina Museum of Forestry, administered by the Department of Environment and Natural Resources. The Division issued a report as a result of their work, PED Report-2012-01.

On March 21, 2012, the State Attractions Subcommittee made specific recommendations, (Subcommittee Recommendations) which are contained in this bill.

Mariah Matheson, staff to the Senate Agriculture/Environment/Natural Resources Committee, and Theresa Matula, staff to the House Government Committee, substantially contributed to this summary.

8 "(b) The following deductions from federal taxable income shall be made in determining
9 State net income:

10 ...

11 (14) The amount by which the basis of a depreciable asset is required to be
12 reduced under the Code for federal tax purposes because of a tax credit
13 allowed against the corporation's federal income tax ~~liability~~ liability or
14 because of a grant allowed under section 1603 of the American Recovery
15 and Reinvestment Tax Act of 2009, P.L. 111-3. This deduction may be
16 claimed only in the year in which the Code requires that the asset's basis be
17 reduced. In computing gain or loss on the asset's disposition, this deduction
18 shall be considered as depreciation.

19"

20 SECTION 1.2. G.S. 105-134.5 reads as rewritten:

22 Carolina taxable income defined.

23 ...

24 (b) Nonresidents. – For a nonresident individual, the term "North Carolina taxable
25 income" means the taxpayer's adjusted gross income as modified in G.S. 105-134.6, multiplied
26 by a fraction the denominator of which is the taxpayer's ~~adjusted~~ gross income as modified in
27 G.S. 105-134.6, and the numerator of which is the amount of that ~~adjusted~~ gross income, as
28 modified, that is derived from North Carolina sources and is attributable to the ownership of
29 any interest in real or tangible personal property in this State, is derived from a business, trade,
30 profession, or occupation carried on in this State, or is derived from gambling activities in this
31 State.

32 (c) Part-year Residents. – If an individual was a resident of this State for only part of
33 the taxable year, having moved into or removed from the State during the year, the term "North
34 Carolina taxable income" has the same meaning as in subsection (b) of this section except that

10 taxpayer's filing status or the itemized deductions amount claimed under the Code. The North
11 Carolina standard deduction amount is the lesser of the amount shown in the table below or the
12 amount allowed under the Code. In the case of a married couple filing separate returns, a
13 taxpayer may not deduct the standard deduction amount if the taxpayer or the taxpayer's spouse
14 claims itemized deductions for State purposes.

15 A taxpayer that deducts the standard deduction amount under this subsection and is entitled
16 to an additional deduction amount under section 63(f) of the Code for the aged or blind may
17 deduct an additional amount under this subsection. The additional amount the taxpayer may
18 deduct is six hundred dollars (\$600.00) in the case of an individual who is married and seven
19 hundred fifty dollars (\$750.00) in the case of an individual who is not married and is not a
20 surviving spouse. The taxpayer is allowed the same number of additional amounts that the
21 taxpayer claimed under the Code for the taxable year.

22 **SECTION 1.10.** G.S. 105-468 reads as rewritten:

23 "**§ 105-468. Scope of use tax.**

24 The use tax authorized by this Article is a tax at the rate of one percent (1%) of the cost
25 price of each item or article of tangible personal property that is not sold in the taxing county
26 but is used, consumed, or stored for use or consumption in the taxing county. The tax applies to
27 the same items that are subject to tax under G.S. 105-467.

28 Every retailer who is engaged in business in this State and in the taxing county and is
29 required to collect the use tax levied by G.S. 105-164.6 shall collect the one percent (1%) use
30 tax when the property is to be used, consumed, or stored in the taxing county. The use tax
31 contemplated by this section shall be levied against the purchaser, and the purchaser's liability

37 a local sales or use tax was due and has been paid in a taxing jurisdiction outside the State
38 where the purpose of the tax is similar in purpose and intent to the tax which may be imposed
39 pursuant to this Article, the tax paid may be credited against the tax imposed under this section
40 by a taxing county upon the same property. If the amount of sales or use tax so paid is less than
41 the amount of the use tax due the taxing county under this section, the purchaser shall pay to
42 the Secretary an amount equal to the difference between the amount so paid in the other taxing
43 county or jurisdiction and the amount due in the taxing county. The Secretary may require such
44 proof of payment in another taxing county or jurisdiction as is deemed to be necessary. The use
45 tax levied under this Article is not subject to credit for payment of any State sales or use tax not
46 imposed for the benefit and use of counties and municipalities. No credit shall be given under
47 this section for sales or use taxes paid in a taxing jurisdiction outside this State if that taxing
48 jurisdiction does not grant similar credit for sales taxes paid under this Article."

49 **SECTION 1.11.** G.S. 160A-536(e)(2) reads as rewritten:

50 "(2) The city must receive a petition signed by at least sixty percent (60%) of the
51 lot owners of the owners' association requesting the city to establish a

1 municipal service district for the purpose of paying the costs related to
2 converting private residential streets to public streets. The executive board of
3 an owners' association for which the city has received a petition under this
4 subsection may transfer street-related common elements to the city,
5 notwithstanding the provisions of either the North Carolina Planned
6 Community Act in Chapter 47F of the General Statutes, Statutes or the
7 North Carolina Condominium Act in Chapter 47C of the General Statutes, or

2 **SECTION 1.13.(a)** The General Assembly makes the following findings:

- 3 (1) Section 1.3 of S.L. 2010-147 was intended to address concerns about the
4 stringency of the environmental impact test used in determining eligibility
5 for credits under Article 3J of Chapter 105 of the General Statutes.
6 (2) The General Assembly purposefully decided to adjust that standard
7 retroactively to January 1, 2007, the effective date of Article 3J of Chapter
8 105 of the General Statutes.
9 (3) By retroactively changing this standard, the General Assembly intended to
10 address instances where the application of this standard had resulted in a
11 finding that a taxpayer was ineligible for credits contrary to the intent of the
12 General Assembly in enacting the original legislation.
13 (4) The General Assembly intended for taxpayers to receive the benefits of this
14 retroactive change.
15 (5) The provisions of G.S. 105-129.84(d) that require a taxpayer to claim a
16 credit under Article 3J of Chapter 105 of the General Statutes within six
17 months after the date set by statutes for the filing of return had the effect of
18 limiting the benefits of this retroactive change.

19 **SECTION 1.13.(b)** Notwithstanding the provisions of G.S. 105-129.84(d), for the
20 2007 through 2010 taxable years, a taxpayer that satisfies all of the following conditions may
21 claim a credit under Article 3J of Chapter 105 of the General Statutes on an amended return
22 that is filed before January 1, 2013:

- 23 (1) The taxpayer did not timely claim a credit under Article 3J of Chapter 105 of
24 the General Statutes.
25 (2) The taxpayer would have been ineligible to claim a credit under Article 3J of
26 Chapter 105 of the General Statutes because it failed to meet the
27 environmental impact standard under G.S. 105-129.83(e) prior to the
28 enactment of S.L. 2010-147.
29 (3) The taxpayer satisfies the environmental impact standard under
30 G.S. 105-129.83(e) after the enactment of S.L. 2010-147.

31 **SECTION 1.13.(c)** This section is effective when it becomes law.

3 "(a) General Principles. – The following principles apply in determining where to source
4 the sale of a product. These principles apply regardless of the nature of the ~~product-product~~,
5 except as otherwise noted in this section:

6 (1) ~~Over the counter.~~—When a purchaser receives a product at a business
7 location of the seller, the sale is sourced to that business location.

8 (2) ~~Delivery to specified address.~~—When a purchaser or purchaser's donee
9 receives a product at a location specified by the purchaser and the location is
10 not a business location of the seller, the sale is sourced to the location where
11 the purchaser or the purchaser's donee receives the product.

12 (3) ~~Delivery address unknown.~~—When a seller of a product does not know the
13 address where a product is received, the sale is sourced to the first address or

24 ordinary course of the seller's business when use of this address does not
25 constitute bad faith.

26 (4) When subdivisions (1), (2), and (3) of this subsection do not apply, the sale

41 "§ 105-164.7. **Retailer to collect sales tax from purchaser as trustee for State.**

42 The sales tax imposed by this Article is intended to be passed on to the purchaser of a
43 taxable item and borne by the purchaser instead of by the retailer. A retailer must collect the tax
44 due on an item when the item is sold at retail. The tax is a debt from the purchaser to the
45 retailer until paid and is recoverable at law by the retailer in the same manner as other debts. A
46 retailer is considered to act as a trustee on behalf of the State when it collects tax from the
47 purchaser of a taxable item. The tax must be stated and charged separately on the invoices or
48 other documents of the retailer given to the purchaser at the time of the sale except for either of
49 the following:

50 (1) Vending machine sales.

1 (2) Where a retailer displays a statement indicating the sales price includes the
2 tax."

3 SECTION 2.10.(a) Part 2 of Article 5 of Chapter 105 of the General Statutes is

7 on-premises consumption also gives prepared food or drink to its patrons or employees free of
8 charge, for the purpose of this Article, the property given away is considered sold along with
9 the property sold. If a retailer gives an item of inventory to a customer free of charge on the
10 condition that the customer purchase similar or related property, the item given away is
11 considered sold along with the item sold. In all other cases, property given away or used by any
12 retailer or wholesale merchant is not considered sold, whether or not the retailer or wholesale
13 merchant recovers its cost of the property from sales of other property."

14 SECTION 2.10.(b) This section becomes effective August 7, 2009.

15 SECTION 2.11. G.S. 105-164.14(a) reads as rewritten:

34 does not depart or land in this State.
- 35 (5) Any other information required by the Secretary.

36 For each applicant, the Secretary shall compute the amount to be refunded as follows. First,
37 the Secretary shall determine the ~~ratio of~~ mileage ratio. The numerator of the mileage ratio is
38 the number of miles the applicant operated its all motor vehicles, railroad cars, locomotives,
39 and airplanes in this State during the refund period to period. The denominator of the mileage
40 ratio is the number of miles it the applicant operated them all motor vehicles, railroad cars,
41 locomotives, and airplanes both inside and outside this State during the refund period. Second,
42 the Secretary shall determine the applicant's proportional liability for the refund period by
43 multiplying this mileage ratio by the purchase price of the items identified in subdivision (1) of
44 this subsection and then multiplying the resulting product by the tax rate that would have
45 applied to the items if they had all been purchased in this State. Third, the Secretary shall
46 refund to each applicant the excess of the amount of sales and use taxes the applicant paid in
47 this State during the refund period on these items over the applicant's proportional liability for

15 known at the time of the purchase and one or more of the potential uses is
16 taxable but others are not taxable.

17 ...

13 up to five dollars (\$5.00), set by the governing body. The amount set by the governing body
14 should be the estimated cost to the taxing unit of billing the taxpayer for the amounts due on a
15 tax receipt or tax notice. Upon adoption of a resolution pursuant to this subsection, the tax
16 collector shall not bill the taxpayer for, or otherwise collect, minimal taxes but shall keep a
17 record of all minimal taxes by receipt number and amount and shall make a report of the
18 amount of these taxes to the governing body at the time of the settlement. These minimal taxes
19 shall not be a lien on the taxpayer's real property and shall not be collectible under Article 26 of
20 this Subchapter. A resolution adopted pursuant to this subsection must be adopted on or before
21 June 15 preceding the first taxable year to which it applies and remains in effect until amended
22 or repealed by resolution of the taxing unit. A resolution adopted pursuant to this subsection
23 shall not apply to taxes on registered motor vehicles."

24 SECTION 3.2. G.S. 105-330.2 reads as rewritten:

25 "§ 105-330.2. (Effective July 1, 2013 – See Editor's note) Appraisal, ownership, and situs.

27 (b1) Valuation Appeal. – The owner of a classified motor vehicle may appeal the
28 appraised value ~~or taxability~~ of the vehicle by filing a request for appeal with the assessor
29 within 30 days of the date taxes are due on the vehicle under G.S. 105-330.4. An owner who
30 appeals the appraised value ~~or taxability~~ of a classified motor vehicle must pay the tax on the
31 vehicle when due, subject to a full or partial refund if the appeal is decided in the owner's favor.

32 The combined tax and registration notice or tax receipt for a classified motor vehicle must
33 explain the right to appeal the appraised value ~~and taxability~~ of the vehicle. A lessee of a
34 vehicle that is required by the terms of the lease to pay the tax on the vehicle is considered the
35 owner of the vehicle for purposes of filing an appeal under this subsection. Appeals filed under
36 this subsection shall proceed in the manner provided by G.S. 105-312(d).

37 (b2) Exemption or Exclusion Appeal. – The owner of a classified motor vehicle may
38 appeal the vehicle's eligibility for an exemption or exclusion by filing a request for appeal with
39 the assessor within 30 days of the assessor's initial decision on the exemption or exclusion
40 application filed by the owner pursuant to G.S. 105-330.3(b). Appeals filed under this
41 subsection shall proceed in the manner provided by G.S. 105-312(d).

42"

43 SECTION 3.3. G.S. 105-330.3 reads as rewritten:

44 "§ 105-330.3. (Effective July 1, 2013 – See Editor's note) Listing requirements for
45 classified motor vehicles; application for exempt status.
46

47 (a1) Unregistered Vehicles. – The owner of an unregistered classified motor vehicle
48 must list the vehicle for taxes by filing an abstract with the assessor of the county in which the
49 vehicle is located on or before January 31 following the date the owner acquired the
50 unregistered vehicle or, in the case of a registration that is not renewed, January 31 following
51 the date the registration expires, and on or before January 31 of each succeeding year that the

1 vehicle is unregistered. If a classified motor vehicle required to be listed pursuant to this
2 subsection is registered during the calendar before the end of the fiscal year in for which it was
3 listed, the vehicle is taxed for the fiscal year that opens in the calendar year of listing as an
4 unregistered vehicle. required to be listed, the following applies:

5 (1) The vehicle is taxed as a registered vehicle, and the tax assessed pursuant to
6 this subsection for the fiscal year in which the vehicle was required to be
7 listed shall be released and/or refunded.

8 (2) For any months for which the vehicle was not taxed between the date the
9 registration expired and the start of the current registered vehicle tax year,
10 the vehicle is taxed as an unregistered vehicle as follows:

11 a. The value of the motor vehicle is determined as of January 1 of the
12 year in which the registration of the motor vehicle expires.

13 b. In computing the taxes, the assessor must use the tax rates and any
14 additional motor vehicle taxes of the various taxing units in effect on
15 the date the taxes are computed.

16 c. The tax on the motor vehicle is the product of a fraction and the
17 number of months for which the vehicle was not taxed between the
18 date the registration expires and the start of the current registered
19 vehicle tax year. The numerator of the fraction is the product of the
20 appraised value of the motor vehicle and the tax rate of the various
21 taxing units. The denominator of the fraction is 12.

22 d. The taxes are due on the first day of the second month following the
23 month the notice was prepared.

24 e. Interest accrues on unpaid taxes for these unregistered classified
25 motor vehicles at the rate of five percent (5%) for the remainder of
26 the month following the month the taxes are due. Interest accrues at
27 the rate of three-fourths percent (3/4%) for each following month
28 until the taxes are paid, unless the notice is prepared after the date the
29 taxes are due. In that circumstance, the interest accrues beginning the
30 second month following the date of the notice until the taxes are
31 paid.

32 (3) A vehicle required to be listed pursuant to this subsection that is not listed by
33 January 31 and is not registered before the end of the fiscal year for which it
34 was required to be listed is subject to discovery pursuant to
35 G.S. 105-312. G.S. 105-312, unless the vehicle has been taxed as a registered
36 vehicle for the current year.

37 (b) Exemption or Exclusion. – The owner of a classified motor vehicle who claims an
38 exemption or exclusion from tax under this Subchapter has the burden of establishing that the
39 vehicle is entitled to the exemption or exclusion. The owner may establish prima facie
40 entitlement to exemption or exclusion of the classified motor vehicle by filing an application
41 for exempt status with the assessor assessor within 30 days of the date taxes on the vehicle are
42 due. When an approved application is on file, the assessor must omit from the tax records the
43 classified motor vehicles described in the application. An application is not required for
44 vehicles qualifying for the exemptions or exclusions listed in G.S. 105 282.1(a)(1). The
45 remaining provisions of G.S. 105 282.1 do not apply to classified motor vehicles.

46"

47 **SECTION 3.4.** G.S. 105-330.4 reads as rewritten:

48 "§ 105-330.4. (Effective July 1, 2013 – See Editor's note) Due date, interest, and
49 enforcement remedies.

50 ...

1 (b) Subject to the provisions of G.S. 105-395.1, interest on unpaid taxes and registration
2 fees on classified motor vehicles listed pursuant to G.S. 105-330.3(a)(1) accrues at the rate of
3 five percent (5%) for the remainder of the month following the ~~date month~~ in which the
4 registration renewal sticker expired pursuant to G.S. 20-66(g). Interest accrues at the rate of
5 three-fourths percent (3/4%) beginning the second month following the due date and for each
6 month thereafter until the taxes and fees are paid, unless the notice required by G.S. 105-330.5
7 is prepared after the date the taxes and fees are due. In that circumstance, the interest accrues
8 beginning the second month following the date of the notice until the taxes and fees are paid.
9 Subject to the provisions of G.S. 105-395.1, interest on delinquent taxes on classified motor
10 vehicles listed pursuant to G.S. 105-330.3(a)(2) accrues as provided in G.S. 105-360(a) and
11 discounts shall be allowed as provided in G.S. 105-360(c).

12 (c) Remedies. – The enforcement remedies in this Subchapter apply to unpaid taxes on
13 an unregistered classified motor vehicle. The enforcement remedies in this Subchapter do not
14 apply to unpaid taxes on a registered classified motor ~~vehicle~~ vehicle for which the tax year
15 begins on or after August 1, 2013.

16 (d) Tax payments submitted by mail are deemed to be received as of the date shown on
17 the postmark affixed by the United States Postal Service. If no date is shown on the postmark
18 or if the postmark is not affixed by the United States Postal Service, the tax payment is deemed
19 to be received when the payment is received ~~in the office of the tax collector.~~ by the collecting
20 authority. In any dispute arising under this subsection, the burden of proof is on the taxpayer to
21 show that the payment was timely made."

22 **SECTION 3.5.** G.S. 105-330.5(e) is repealed.

23 **SECTION 3.6.** Effective July 1, 2011, Section 13 of S.L. 2005-294, as amended by

SENATE BILL 826: Revenue Laws Tech., Clarifying, & Admin Chngs

2011-2012 General Assembly

Committee: House Finance	Date: June 19, 2012
Introduced by: Sens. Rucho, Hartsell	Prepared by: Trina Griffin
Analysis of: Third Edition	Committee Counsel

SUMMARY: *Senate Bill 826, which is a recommendation of the Revenue Laws Study Committee, makes a number of technical, administrative, and clarifying changes to the revenue laws and related statutes, many of which were requested by the Department of Revenue. The technical changes appear in Part I, the clarifying and administrative changes appear in Part II, and changes related to the combined motor vehicle registration and property tax collection system appear in Part III.*

[As introduced, this bill was identical to H1026, as introduced by Reps. Howard, Starnes, which is currently in House Finance.]

EFFECTIVE DATE: Except as otherwise provided, this bill would become effective when it becomes law.

CURRENT LAW & BILL ANALYSIS:

Section	Explanation
PART I: TECHNICAL CHANGES	
1.1	<p>A taxpayer is allowed a deduction for the amount by which the basis of a depreciable asset is required to be reduced under the Code for federal tax purposes because of a <u>tax credit</u> allowed against the corporation's federal taxable income.</p> <p>Section 1603 of ARRTA directs the Treasury to provide cash payments, or grants, to eligible persons who place in service specified energy property and apply for the payments. The purpose of section 1603 is to reimburse eligible applicants for a portion of the expense of such property. A section 1603 grant recipient is required to reduce the basis of the asset. This change would allow a taxpayer to reduce his or her State taxable income if the taxpayer receives a section 1603 <u>grant payment</u> rather than a credit under sections 45 or 48 of the Code.</p>
1.2	<p>Deletes the word "adjusted" as used in the definition of North Carolina taxable income for nonresidents and part-year residents.</p> <p>In 2011, the General Assembly changed the starting point for calculating NC taxable income from federal taxable income to federal adjusted gross income (Section 31A.1 of S.L. 2011-145). This change simplified the calculation of NC taxable income because taxpayers no longer have to make adjustments to reduce the federal standard deduction and exemption amounts to determine the State deduction and exemption amounts. The intent was not to change the end result or impact the amount of NC taxable income.</p> <p>For purposes of prorating NC taxable income for nonresidents and part-year residents, the relevant fraction should only refer to "gross income," which was how the proration was computed prior to the 2011 change. Using "adjusted gross income" could produce a different result, changing the amount of NC taxable income, which was not the intent</p>

	of the 2011 change.
1.3	Clarifies that the standard deduction amount for individual income tax purposes is the <i>lesser</i> of the amount set out in the statute or the amount allowed under the Code. The current law refers only to the "standard deduction amount listed in the table below." However, there are instances where the North Carolina standard deduction is zero ¹ or less than is shown in the table. This is another technical change identified by the Department as the result of the passage of Section 31A.1 of S.L. 2011-145.
1.4	<p>This section makes changes to the sales and use tax exemption statute with regard to motor fuels and installation and delivery charges.</p> <p>Motor fuels are subject either to the motor fuels tax or to the sales tax, but not both. Dyed diesel and dyed kerosene are examples of motor fuels that are subject to the sales tax, but are nevertheless defined as motor fuels. This change in the sales tax exemption statute makes it clear that, to the extent a motor fuel is taxed under Article 36C (Gasoline, Diesel, and Blends), it is exempt from sales and use tax.</p> <p>This section also amends the sales tax exemptions for delivery and installation charges so that the language is parallel. It adds the phrase "similar billing document," which currently appears in the exemption for delivery charges, to the exemption for installation charges. It adds the phrase "at the time of sale," which currently appears in the exemption for installation charges, to the exemption for delivery charges.</p>
1.5	This is a technical change because the tax on manufacturing fuel was repealed, effective July 1, 2010.
1.6	This is a technical change because the existing statutory catchline refers to an Article that does not exist.
1.7	This section updates from January 1, 2011, to January 1, 2012 the reference to the Internal Revenue Code. This change keeps the statute up to date, but does not result in any substantive changes because there have not been any federal tax law changes since January 1, 2011 that impact the calculation of North Carolina taxable income.
1.8	This section adds an additional Code reference to the statute that governs when a return, report, payment, or any other document that is mailed to the Department is timely filed. Code section 7503 addresses when the due date falls on a Saturday, Sunday, or a holiday.
1.9	This is a technical change to correct a statutory reference.
1.10	This section conforms the statute on the scope of the local use tax so that it is consistent with the parallel statute for the State use tax, which was amended during the 2011 session. The 2011 change ² was a clarifying change.
1.11	S.L. 2011-72 authorized certain cities to establish a municipal service district for the

¹ If a taxpayer is (1) married filing a separate return for federal income tax purposes and the taxpayer's spouse itemizes deductions; (2) a nonresident alien; or (3) filing a short-year return because of a change in the taxpayer's accounting period, the taxpayer is not entitled to the standard deduction.

	<p>purpose of converting private residential streets to public streets. The act was designed to address 14 residential developments in the Town of Morrisville that were seeking to convert private streets to public streets. After the bill passed, it was discovered that some of the developments were created under the Condominium Act rather than the Planned Development Act, which the bill amended. This section makes the necessary conforming changes.</p>
1.12	<p>This section corrects several errors in the 2011 special license plate act.³ It adds the "Mountains-to-Sea Trail" plate to the list of plates that may be on a background other than the First in Flight background, which was the original intent. Under current law, the authorization for the plate states that it "shall bear the phrase 'Mountains-to-Sea Trail' with a background designed by the Friends of the Mountains-to-Sea Trail," suggesting that the organization may design its own background. However, in order for an organization to have a background other than First in Flight, it must be authorized in G.S. 20-63.</p> <p>This section also corrects errors with regard to the fees for the Sustainable Fisheries and the Morgan Horse Club plates.</p>
1.13	<p>This section would allow a taxpayer to claim an Article 3J credit that the taxpayer would have been ineligible for prior to 2010 because it failed to meet the environmental impact standard, which was loosened retroactively that year.</p> <p>In 2010, the General Assembly changed the environmental standard for Article 3J retroactively to 2007.⁴ By loosening the standard and making the change retroactive to 2007, the General Assembly intended to allow certain taxpayers to file for an Article 3J credit. However, the 2010 change failed to make a corresponding change to the statute of limitations, which requires claims to be filed within six months of the due date of the return. Therefore, a taxpayer who did not claim the credit when the original standard was in effect would be unable to take advantage of the retroactive change which</p>

⁴ Sec. 1.3 of S.L. 2010-147 (*Various Economic Incentives*). Prior to the 2010 change, a taxpayer was eligible for certain economic incentives if the taxpayer had no pending administrative, civil, or criminal enforcement actions based on alleged *significant* violations of any DENR-implemented programs and had no final determination of responsibility for any *significant* administrative, civil, or criminal violation of any DENR-implemented program within the prior five years. Article 3J had a definition of what constituted a "significant violation" but there was some confusion as to whether certain violations met the definition. At the time, the Department made no distinction between civil and criminal violations or on the basis of whether the violation was knowing and willful. The 2010 clarification was designed to ensure that minor violations do not disqualify a taxpayer that would otherwise be eligible for a tax incentive. The current definition of an "environmental disqualifying event," as enacted by S.L. 2010-147, is as follows:

(9a) Environmental disqualifying event. – Any of the following occurrences:

- a. During the tax year in which the activity occurred for which a credit is being claimed, a civil penalty was assessed against the taxpayer by the Department of Environment and Natural Resources for failure to comply with an order issued by an agency of the Department to abate or remediate a violation of any program administered by the agency.
- b. During the tax year in which the activity occurred for which a credit is being claimed or in the prior two tax years, any of the following:
 1. A finding was made by the Department of Environment and Natural Resources that the taxpayer knowingly and willfully, as defined in G.S. 143-215.6B, including all limitations thereto, committed a violation of any program implemented by an agency of the Department.
 2. An assessment for damages to fish or wildlife pursuant to G.S. 143-215.3(a)(7) was made against the taxpayer.
 3. A judicial order for injunctive relief was issued against the taxpayer in connection with a violation of any program implemented by an agency of the Department of Environment and Natural Resources.
- c. During the tax year in which the activity occurred for which the credit is being claimed or in the prior four tax years, a criminal penalty was imposed on the taxpayer in connection with a violation of any program implemented by an agency of the Department of Environment and Natural Resources.

Senate Bill 826

	loosened the standard. This change does not have a fiscal impact.
1.14	Makes changes required by the fact that that G.S. 130.6, which dealt with forced combinations, was repealed last year and replaced with a new statute. The definitions are the same definitions that were in G.S. 130.6, except for "parent," which was not defined.
PART II: CLARIFYING AND ADMINISTRATIVE CHANGES	
2.1	This change would allow a wholesale or retail dealer of other tobacco products to provide security to the Secretary in the form of an irrevocable letter of credit as an alternative to a bond. An irrevocable letter of credit would typically be used by a foreign company that would be unable to obtain a bond because it does not have assets in this country. This form of security is consistent with what is currently allowed under the motor fuels tax statutes.
2.2	S.L. 2011-12 added synthetic cannabinoids to the list of controlled substances. No corresponding changes were made to the unauthorized substance tax laws. Therefore, under current law, they would be grouped with "other controlled substances" and subject to tax at a rate of \$200 per gram. Marijuana is taxed at \$3.50 per gram. This section would tax synthetic cannabinoids at the same rate as marijuana, effective when the S.L. 2011-12 became law.
2.3	<p>Holding companies are subject to an annual franchise tax, which is capped at \$75,000. A holding company is currently defined as one that receives more than 80% of its gross income from corporations in which it owns, directly or indirectly, more than 50% of the outstanding voting stock or capital interests. However, a corporation whose only asset is an investment in subsidiaries and has no income cannot meet the 80% test because the denominator would be zero. This section expands the definition of a holding company to address this situation.</p> <p>The Department has indicated that this is a clarifying change, not a substantive one. A question has arisen about this specific fact pattern where a taxpayer is clearly a holding company in that all of its assets are investments in subsidiaries. For the year in question, the holding company had no income. Therefore, there would be \$0 in income from subsidiaries and \$0 in total income. Under a strict application of G.S. 105-120.2, \$0 divided by \$0 would result in an undefined mathematical value. Because it is undefined, it cannot be determined if it exceeds 80%. Alternatively, if one of the subsidiaries of the holding company had issued a dividend of as little as one cent, then 100% of the income would be coming from investments in subsidiaries. The Department believes that this interpretation is not what the General Assembly intended. The Department's interpretation is that it was a holding company and subject to the cap of \$75,000 on franchise tax.</p>
2.4	Makes the definition in Article 3J consistent with the definition of business property in Article 3B ⁵ and the old provisions for eligible machinery and equipment in Article 3A. ⁶
2.5	Provides that a taxpayer may qualify for innocent spouse relief at the State level if the

⁶ G.S. 105-129.9(a).

	<p>taxpayer would have qualified for relief at the federal level even if the taxpayer does not have a federal tax liability.</p> <p>North Carolina follows federal law with regard to a taxpayer's eligibility for innocent spouse relief. The way the statute currently reads, a taxpayer would have to have had a federal tax liability that he or she was relieved of in order to qualify for relief at the State level. With this change, if the taxpayer would have qualified for innocent spouse relief had the taxpayer had a federal tax liability, then the taxpayer is eligible for relief at the State level.</p>
2.6	<p>Adds the Education expenses credit to the list of credits that are not allowed to be claimed by an estate or trust. In 2011, the General Assembly enacted the Tax Credit for Children with Disabilities.⁷ This is a conforming change that should have been made at the time and is consistent with the other credits that are not eligible to be claimed by an estate.</p>
2.7	<p>This section makes three changes to sales tax definitions in order to conform to the Streamlined definitions, and it updates the reference to the most current version of the Streamlined Agreement dated December 19, 2011.</p>
2.8	<p>This section clarifies the general sourcing provisions to conform to the Streamlined requirements. It was noted during the 2011 Annual Compliance Review that the existing statute was not consistent with the Streamlined requirements.</p>
2.9	<p>Restores language stating that sales tax must be stated and charged separately that was inadvertently stricken from the statute.</p>
2.10	<p>This section restores language relating to the application of use tax to items given away by merchants, which was inadvertently deleted in a 2009 budget provision. The language was originally added to the definition of "sale or selling" in 1996 as the result of a court case.⁸ The language was intended to restrict the application of that case, a</p>

⁷ S.L. 2011-395. The credit allows an individual income tax credit for up to \$3,000 per semester for tuition and special education and related services expenses for a taxpayer's eligible dependent child with a disability who is enrolled in a nonpublic school or a public school where tuition is charged for the eligible dependent child's enrollment.

⁸The use tax, first enacted in 1939, is the complement to the sales tax and applies to the storage, use, or consumption in this State of tangible personal property. Use tax accounts for approximately 5% of total sales and use tax collections. A merchant is liable for use tax on property it uses in its business, such as furniture, equipment, décor, or promotional giveaways. Items sold by the merchant, however, are not subject to use tax because sales tax will apply when the items are sold at retail. With regard to items given away free of charge, the general rule in this State, and virtually all states, is that a retailer is liable for sales and use tax on those items. Until 1993, the following items were considered used, not sold, and thus subject to use tax: meals provided free to a merchant's employees, food given away to the merchant's patrons, and matches given away to patrons, other than matches given away along with the sale of cigarettes. A group of restaurants appealed the assessment of the tax, claiming that the items should be considered sold. In *Matter of Rock-Ola Café*, 111 N.C.App. 683 (1993), the North Carolina Court of Appeals agreed with the restaurants that these items should be considered sold along with the food the restaurant sold as part of its business. However, the Revenue Laws Study Committee, in its report to the 1996 Regular Session, concluded that the Court's opinion was overly broad in its rationale. The rationale, that the cost of these items is recovered by the sales of other items, taken literally and if applied broadly, could be interpreted to eliminate the use tax altogether in that the cost of all of a merchant's purchases are ultimately covered by the price of sold items. The Committee recommended, and the General Assembly enacted, the language in this section to limit the application of the court's opinion to the facts of that case, which dealt specifically with restaurants. Under this language, property given away by a merchant is exempt from use tax only in the case of restaurants that provide free meals to employees or free bar food to patrons. The bill that was ultimately enacted added language to exempt items of inventory given away to a customer free of charge on the condition that the customer buy similar property ("buy one, get one free").

Senate Bill 826

Page 6

	<p>broad application of which could be interpreted in such a way so as to eliminate the use tax. In 1996, the Revenue Laws Study Committee recommended limiting the application of the decision to the facts of that case, which involved food given away by restaurants.</p> <p>In 2009, a number of sales tax statutes were amended to address digital property. While amending those statutes, a number of stylistic and technical changes were also made. The language dealing with items given away by merchants was removed with the intent that it be located elsewhere in the sales and use tax statutes as a technical change. However, it was never relocated. This section restores the language by placing it in a new statutory section, effective the date that the 2009 deletion became effective since there was no intent to remove it.</p>
2.11	<p>This section makes two changes related to sales tax refunds for interstate carriers. First, it modifies the reference to "them" to make it clear that, for purposes of calculating a refund on certain cars, parts, fuel, and repair parts, an interstate carrier must include all motor vehicles, railroad cars, locomotives, and airplanes that the applicant owns or leases and that are operated both inside and outside the State in the denominator. Second, it clarifies that airplane miles are not in this State if the airplane only flies over North Carolina but does not take off or land in the State.</p>
2.12	<p>A direct pay permit authorizes the holder to purchase property that is subject to sales and use tax without paying the tax to the seller. A person who purchases an item under a direct pay permit is liable for use tax, which is payable when the property is placed in use or the service is received. A person can apply for a direct pay permit if the person purchases an item whose tax status cannot be determined at the time of purchase, and either:</p> <ul style="list-style-type: none">• The place of business where the item will be used is not known at the time of purchase and a different tax consequence applies depending on where the item is used, or• The manner in which the item will be used is not known at the time of purchase and one or more of the potential uses is taxable but others are not taxable. <p>Generally speaking, a direct pay permit is not intended to allow purchasers to "shop" for a lower tax rate. It was originally designed to address situations where a purchaser of machinery, for example, did not know at the time of purchase how the machinery was going to be used and, therefore, whether it would be subject to sales tax at the general rate, exempt from tax, or subject to the 1%/\$80 rate. In those cases, however, the property was always going to be used in North Carolina. The Department is aware of a situation where a retailer that has purchased items from NC vendors and has taken delivery of those items in NC wants to use a direct pay permit arguing that the items may be shipped out of state at some later date for use in another state. This section adds the words "for storage, use, or consumption in this State" to make it clear that a direct pay permit may not be used to avoid paying NC sales tax in this way.</p> <p>A person who purchases telecommunications service under a direct pay permit must file a return and pay the tax due monthly to the Secretary. This section adds the word</p>

	"quarterly" so that the filing frequency is consistent with the filing frequency for general State and local sales tax remitters. ⁹ By providing for quarterly filing, this change would conform the statute to current practice at the Department.
2.13	<p>There is an excise tax imposed on piped natural gas received for consumption in this State, which is in lieu of the sales and use tax. The tax is payable on a monthly basis. Under current law, a taxpayer who is consistently liable for at least \$10,000 of tax a month must make a monthly prepayment of the next month's liability.</p> <p>This section would change from \$10,000 to \$20,000 the prepayment threshold for the tax on piped natural gas, the purpose of which is to be consistent with the prepayment threshold for retailers required to remit sales and use tax.¹⁰ This change does not change the amount of excise tax revenue remitted to the General Fund, but it does change by one month the timing of the payment for the year of the transition to the higher threshold. The Department indicates that it knows of only one company that would be affected by increasing the threshold to \$20,000.</p>
2.14	Generally speaking, the State may not contract with foreign vendors that refuse to collect use tax, where applicable, on sales delivered to North Carolina. G.S. 143-59.1 requires the Department to periodically provide to the Secretary of Administration a list of ineligible vendors based on this requirement. This section provides that the Department of Administration may not enter into a contract with a vendor if the Department of Revenue has determined that the vendor or an affiliate of the vendor refuses to collect use tax. This language has been agreed to by both the Department of Revenue and the Department of Administration.
2.15	This section conforms the statute to current practice at the Department. If a taxpayer files a return electronically, then the taxpayer must pay the tax due before the taxpayer may submit the return.
2.16	This section removes the confusion caused by the new fee applicable to the recording of subsequent instruments by eliminating the fee and imposing a \$10 fee for an instrument that assigns more than one security instrument by reference to a previously recorded instrument. S.L. 2011-296 changed the fees collected by register of deeds for the purpose of simplifying their collection and remittance. As part of the legislation, a new fee became applicable to the indexing and filing of "subsequent instruments." Several registers of deeds have questioned how to apply the new fee applicable to subsequent instruments that contain references to multiple recorded documents, such as cancellations of multiple deeds of trust or substitution of trustee in multiple documents.

⁹A taxpayer who is consistently liable for less than \$100 a month in State and local sales and use taxes must file a return and pay the taxes due on a quarterly basis. A taxpayer who is consistently liable for at least \$100 a month but less than \$20,000 a month in State and local sales and use taxes must file a return and pay the taxes due on a monthly basis. (G.S. 105-164.16.)

¹⁰For sales and use tax, the threshold limit of \$10,000 was enacted in 2001 as a means to accelerate the payment of sales and use tax dollars into the General Fund for fiscal year 2001-02. Prior to this change, the threshold amount for making bimonthly payments was \$20,000. In the years following 2001, the sales and use tax rate, at its highest, reached 7.75%. The lowering of the threshold amount along with the increase in the tax rate subjected more retailers to the most extensive sales tax remittance requirements. Consequently, many small retailers expressed a cash flow hardship with the pre-payment requirement. In 2010, the General Assembly phased in a restoration of the \$20,000 prepayment threshold. The change decreased the number of retailers required to submit a prepayment of 65% of the amount of sales tax revenue to be remitted for the following month.

Senate Bill 826

2.17	<p>This section makes conforming changes to the statutes dealing with the State Home Foreclosure Prevention Project (SHFPP). The SHFPP was created by the General Assembly in 2008¹¹ as an emergency program and was expanded and extended in 2010¹² to cover all homeowners. The program is an effort to reduce unnecessary foreclosures providing homeowners with free resources, such as counseling, as they work with servicers to create alternatives to foreclosure.</p> <p>In 2011, the administration and staffing of SHFPP homeowner and counseling activities was transferred to the NC Housing Finance Agency, effective July 1, 2011.¹³ Under that legislation, the Office of the Commissioner of Banks retained administration of the pre-foreclosure filings database, servicing invoicing, and the granting of 30-day extensions.</p> <p>This section would complete the transfer of all program activities to the NC Housing Finance Agency and would remove the program sunset.</p>
2.18	<p>This change has been requested by the Department because TIMS, its new computer system that is not up and running yet, will not be able to compute the minimum penalty well. It will require a work around and likely an addition to the current contract. This has no impact on the General Fund and a negligible impact on the Fines & Forfeiture Fund.</p>
2.19	<p>Provides that the portion of the Register of Deeds fees that are remitted to Cultural Resources for archives and records management shall be placed in a special revenue fund.</p>
PART III: COMBINED MOTOR VEHICLE REGISTRATION/PROPERTY TAX CHANGES	
<p>In 2005, the General Assembly created a framework establishing a combined system for motor vehicle registration renewal and property tax collection. Originally, the act was to become effective the earlier of January 1, 2009, or the date that the Department of Revenue and the Division of Motor Vehicles certified that an integrated computer system is in operation. The effective date has since been extended and is currently set to go into effect July 1, 2013. Under the new system, the taxpayer/motor vehicle owner will receive one bill for property taxes and the DMV license renewal, and DMV will be the collecting authority. Counties will still determine the value and the taxability situs of motor vehicles. A number of conforming changes are needed to fully implement the combined system, which goes into effect July 1, 2013. Part III of this bill consists of those changes.</p>	
3.1	<p>Current law permits the governing body of a taxing unit to pass a resolution directing its tax collector not to collect minimal taxes, defined as up to \$5.00, charged on tax records and receipts. This section would exempt taxes on registered motor vehicles for two reasons: (1) a minimum of \$28 is collected for motor vehicle registration; and (2) DMV, not the counties, will be the collecting authority. Therefore, the minimal tax provision is not applicable with regard to combined motor vehicle and property tax collection.</p>

¹¹ S.L. 2008-226.

¹² S.L. 2010-168.

¹³ S.L. 2011-288.

Senate Bill 826

Page 9

3.2	<p>A taxpayer may appeal motor vehicle taxes on a number of grounds: the valuation by the county, the denial of an application for exemption or exclusion, and on the grounds that the county does not have authority to tax the vehicle because the situs of the vehicle is in another taxing district. The term "taxability" in the appeal statutes has been used to refer to both exemption status and situs, but because there are different time periods that apply depending on the basis of a taxpayer's appeal, the Department recommends separating the statutory provisions.¹⁴</p> <p>Therefore, this section strikes the term "taxability" from G.S. 105-330.2(b1) so that, as amended, this subsection would apply only to appeals based on valuation. It also creates a new subsection (b2) to address appeals based on an application for exemption or exclusion. Appeals based on a county's authority to tax are covered under current law in G.S. 105-381.</p>
3.3	<p>This section establishes a process for the collection of property tax on an unregistered vehicle. The objective of the process is to ensure that the taxpayer is not double-taxed and that property taxes are paid on motor vehicles that a person owns even if it is not registered. If a person does not register or renew registration, then the person would be required to list the vehicle with the county assessor. The listing will generate a tax bill. However, if the person subsequently registers or renews the tag for the vehicle, then DMV will charge the person for the registration plus the property tax. This provision allows a county to ignore the listing to the extent the person registered or renewed within the same year.</p>
3.4	<p>This section clarifies that counties would have authority to use collection remedies for unpaid motor vehicle taxes that were billed prior to the effective date of the combined motor vehicle/property tax system. The August 1 date is used because the tax year for July renewals begins August 1.</p> <p>It allows 45 days before the second month's interest begins. This is needed due to DMV's business process which DOR thinks may cause some taxpayers who pay by mail to get caught in a loop of sending in the payment after the due date, and the payment would be rejected. Without this change, the next month's interest would start before they got the correct amount mailed back in to DMV.</p> <p>This section also changes the term "tax collector" to "collecting authority" because under the new system, DMV and not the county tax assessor or tax collector will be the collecting authority.</p>
3.5	<p>This section repeals an unnecessary statute that relates to small underpayments and overpayments of motor vehicle taxes. Specifically, if a taxpayer fails to remit the additional \$1.00 charged for payments that are mailed rather than paid in-person, the collecting authority is not permitted to bill or attempt to collect the additional \$1.00. However, there is no longer a \$1.00 charge for mailed in payments so the provision is unnecessary.</p>

¹⁴ A taxpayer has 30 days to appeal a determination of value or eligibility for an exemption or exclusion. However, there is a five-year period to appeal an "illegal" tax under G.S. 105-381.

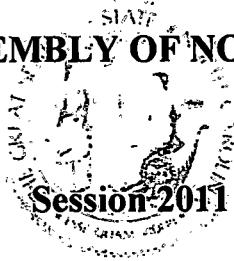

Senate Bill 826

Page 10

3.6	This section is a conforming change to the effective date. When the effective date for the implementation of the combined system was changed, this particular session law was missed.

EFFECTIVE DATE: Except as otherwise provided, effective when the bill becomes law.					

BILL SUMMARY:

Section 2.16 of the bill amends S.L. 2011-296, legislation enacted to simplify the fees charged for registering instruments with register of deeds offices. This bill modifies \$25.00 fee created during the 2011 session in S.L. 2011-296 for registering subsequent instruments. Prior to the enactment of S.L. 2011-296, a \$10.00 fee applied to the registration of subsequent/multiple instruments. The language and fee schedule for registering subsequent instruments in this proposal reduces the \$25.00 fee to \$10.00 making it consistent with the fee schedule used in previous years.

The bill also modifies the definition of subsequent instruments referencing G.S. 45-36.4(18). This change clarifies that subsequent instruments are documents intended to modify, amend, supplement or replace any previously registered instrument.

ASSUMPTIONS AND METHODOLOGY:

No State Impact

Changes included in the Revenue Laws Technical Corrections proposal modify the register of deeds fee schedule created during the 2011 Session with S.L. 2011-296. S.L. 2011-296 revised the fee schedule used at register of deeds offices and the amount of revenue that the registrars remit to the State. Though the technical corrections bill slightly reduces the amount of revenue collected through the registrar's offices, the amendment does not impact State funds. Register of deeds, under this proposal must still remit to the State \$6.20 per registered document as set forth in S.L. 2011-296.

Local Impact

The local fiscal impact of the technical corrections bill remains unknown due to a lack of data. Conversations with the North Carolina Association Register of Deeds representatives suggest that the impact will be minimal. This proposal changes the register of deeds fee schedule reducing the fees for registering subsequent instruments from \$25.00 per instrument to \$10.00 per instrument. Should the proposal become law, the fees for registering subsequent instruments would be congruent with the fee schedule utilized in prior years.

BILL ANALYSIS:

Section 1 repeals the local involuntary annexation ordinances listed in Section 3 of the bill.

Section 2 provides that the 3 tracts covered by the bill shall not be subject to any involuntary annexation for 12 years after the effective date.

Section 3 lists the 3 tracts covered by the bill.

Section 4 is a severability clause, providing that if any provision of the bill is held invalid then the remainder of the bill can be enforced.

4 The General Assembly of North Carolina enacts:

5 SECTION 1. Chapter 142 of the 1987 Session Laws, as amended by Part XII of
6 S.L. 2001-439, reads as rewritten:

7 "Section 1. Occupancy Tax. - (a) Authorization and Scope. - The Harnett County Board
8 of Commissioners may levy a room occupancy tax in an amount not to exceed three percent
9 (3%) of the gross receipts derived from the rental of any room, lodging, or similar
10 accommodation furnished by a hotel, motel, inn, or similar place within Averagesboro Township
11 that is subject to sales tax imposed by the State under G.S.105-164.4(a)(3). This tax is in

 8 administering and collecting the tax, as determined by the finance officer,

HOUSE BILL 988: Averasboro Township TDA Changes

2011-2012 General Assembly

Committee: House Finance
Introduced by: Rep. Lewis
Analysis of: First Edition

Date: June 14, 2012
Prepared by: Trina Griffin
Committee Counsel

SUMMARY: *House Bill 988 makes changes to the Averasboro Township Tourism Development Authority.*

CURRENT LAW: S.L. 1987-142 established the Averasboro Tourism Development Authority. There are currently seven members of the Authority:

- Two members appointed by the board of commissioners, one who is a hotel or motel operator from Averasboro Township and one who is a representative of the travel industry
- The Harnett County Manager (ex-officio member)
- The Harnett County Commissioner representing Averasboro Township (ex-officio member)
- The President of the Dunn Area Chamber of Commerce (ex-officio member)
- The Vice President of Economic and Industrial Development of the Dunn Area Chamber of Commerce (ex-officio member)
- The City Manager of the Town of Dunn (ex-officio member)

BILL ANALYSIS: House Bill 988 revises the town membership in the following ways:

- Increases the number of members on the Authority from seven to nine.
- Increases the number of hotel, motel, or bed and breakfast operators from one member to three members.
- Removes the requirement that one member must be a representative of the travel industry and instead requires that the member be currently active in tourism promotion, to be appointed by the Authority. The new language would make the provision consistent with the occupancy tax guidelines adopted by the House Finance Committee.
- Removes the ex-officio membership of the Vice President of Economic and Industrial Development of the Dunn Area Chamber of Commerce.
- Adds a city council member of Dunn appointed by the Dunn City Council as an ex-officio member.

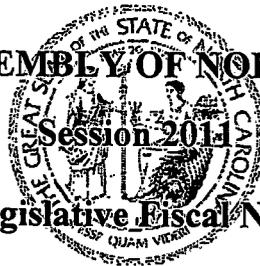

The bill also adds to the duties of the TDA, the ability to finance tourist-related capital projects. The Averasboro TDA is seeking this language because it would like to give funds to the Town for the purpose of enhancing and upgrading certain parks and recreation facilities that enhance tourism in the area. This language is consistent with language found in most other occupancy tax acts.

EFFECTIVE DATE: This act is effective when it becomes law and applies to the distribution of the net proceeds of the occupancy tax on or after the earlier of October 1, 2012, or the date specified in a resolution adopted in accordance with this act.

BACKGROUND: To meet the occupancy tax guidelines, a Tourism Development Authority Board must meet 2 thresholds: (1) 1/3 of the members must be collectors of the tax, and (2) 1/2 of the members must be currently active in the promotion of travel and tourism in the taxing district.

EFFECTIVE DATE:	This act is effective when it becomes law and applies to the distribution of the net proceeds of the occupancy tax on or after the earlier of October 1, 2012, or the date specified in a resolution adopted in accordance with this act.				

BILL SUMMARY:

House Bill 988 amends SL 1987-142, as amended, to require Averasboro Township (Harnett County) to remit occupancy tax proceeds to the Averasboro Township Tourism Development Authority (Authority) on a monthly (was, quarterly) basis. It expands Authority membership from seven to nine members and removes the one-year term limitation. Amends chair and co-chair designations, meeting times, and naming of the ex officio finance officer. The bill expands on the Authority's duties.

ASSUMPTIONS AND METHODOLOGY:

House Bill 988 would change how frequently occupancy tax proceeds are remitted to the Averasboro Township Tourism Development Authority. There would also be changes impacting the membership of the Authority, meeting times, and term limitations. None of the changes put forward in House Bill 988 would have a fiscal impact.

47 reorganize by forming an insurance holding company based upon a mutual plan and by
48 continuing the corporate existence of the reorganizing insurance company as a stock insurance
49 company. If the Commissioner, after a public comment period as provided in G.S. 58-10-285,
50 or, if applicable, a public hearing, is satisfied that the interests of the policyholders are properly
51 protected and that the plan of reorganization is fair and equitable to the policyholders, the

1 Commissioner may approve the proposed plan of reorganization and may require as a condition
2 of approval such modifications of the proposed plan of reorganization as the Commissioner
3 finds necessary for the protection of the policyholders' interests. The Commissioner may retain
4 consultants as provided in G.S. 58-10-285 to assist in the review of the proposed plan. The
5 Commissioner shall retain jurisdiction over a mutual insurance holding company organized
6 under this Part to assure that policyholder interests are protected. All of the initial shares of the
7 capital stock of the reorganized insurance company shall be issued to the mutual insurance
8 holding company. The membership interests of the policyholders of the reorganized insurance
9 company shall become membership interests in the mutual insurance holding company,
10 pursuant to the terms and conditions of the plan of reorganization approved by the
11 Commissioner. Policyholders of the reorganized insurance company shall be members of the
12 mutual insurance holding company in accordance with the articles of incorporation and bylaws
13 of the mutual insurance holding company. The mutual insurance holding company shall at all
14 times own a majority of the voting shares of the capital stock of the reorganized insurance
15 company.

16 (b) A domestic mutual insurance company, after approval by the Commissioner, may
17 reorganize by merging its policyholders' membership interests into a mutual insurance holding
18 company formed under subsection (a) of this section and continuing the corporate existence of
19 the reorganizing insurance company as a stock insurance company subsidiary of the mutual
20 insurance holding company. If the Commissioner is satisfied that the interests of the
21 policyholders are properly protected and that the merger of interests is fair and equitable to the
22 policyholders, the Commissioner may approve the proposed merger of interests and may
23 require as a condition of approval such modifications of the proposed merger of interests as the
24 Commissioner finds necessary for the protection of the policyholders' interests. The
25 Commissioner may retain consultants as provided in G.S. 58-10-285. The Commissioner has
26 jurisdiction over the mutual insurance holding company organized under this Part to assure that
27 policyholder interests are protected. All of the initial shares of the capital stock of the
28 reorganized insurance company shall be issued to the mutual insurance holding company. The
29 membership interests of the policyholders of the reorganized insurance company shall, pursuant
30 to the terms and conditions of the plan of reorganization approved by the Commissioner,
31 become membership interests in the mutual insurance holding company. Policyholders of the
32 reorganized insurance company shall be members of the mutual insurance holding company in
33 accordance with subsection (a) of this section and the articles of incorporation and bylaws of
34 the mutual insurance holding company. The mutual insurance holding company shall at all
35 times own a majority of the voting shares of the capital stock of the reorganized insurance
36 company.

37 (c) A mutual insurance holding company resulting from the reorganization of a
38 domestic mutual insurance company that was organized under Articles 7 and 8 and other
39 applicable provisions of this Chapter shall be incorporated under this Chapter. The articles of
40 incorporation and any amendments to such articles of the mutual insurance holding company
41 shall be subject to approval of the Commissioner in the same manner as those of a mutual
42 insurance company.

43 (d) A mutual insurance holding company is an insurer subject to Article 30 of this
44 Chapter and shall automatically be a party to any proceeding under Article 30 of this Chapter
45 involving an insurance company which, as a result of a reorganization under subsection (a) or
46 (b) of this section, is a subsidiary of the mutual insurance holding company. In any proceeding
47 under Article 30 of this Chapter involving the reorganized insurance company, the assets of the
48 mutual insurance holding company are deemed to be assets of the estate of the reorganized
49 insurance company for purposes of satisfying the claims of the reorganized insurance
50 company's policyholders. A mutual insurance holding company shall not dissolve or liquidate

1 without the approval of the Commissioner or as ordered by the court pursuant to Article 30 of
2 this Chapter.

3 (e) G.S. 58-10-10 and G.S. 58-10-12 are not applicable to a reorganization or merger of
4 interests under this Part. G.S. 58-10-10 and G.S. 58-10-12 are applicable to demutualization of
5 a mutual insurance holding company that resulted from the reorganization of a domestic mutual
6 insurance company organized under this Chapter as if the mutual insurance holding company
7 was a mutual insurance company.

8 (f) A membership interest in a domestic mutual insurance holding company shall not
9 constitute a security as defined in Chapter 78A of the General Statutes.

10 (g) The majority of the voting shares of the capital stock of the reorganized insurance

12 holding company, shall not be conveyed, transferred, assigned, pledged, subjected to a security
13 interest or lien, encumbered, or otherwise hypothecated or alienated by the mutual insurance
14 holding company or intermediate holding company. Any conveyance, transfer, assignment,
15 pledge, security interest, lien, encumbrance, or hypothecation or alienation of, in, or on the
16 majority of the voting shares of the reorganized insurance company is a violation of this section
17 and shall be void in inverse chronological order of the date of such conveyance, transfer,
18 assignment, pledge, security interest, lien, encumbrance, or hypothecation or alienation, as to
19 the shares necessary to constitute a majority of such voting shares. The majority of the voting
20 shares of the capital stock of the reorganized insurance company shall not be subject to
21 execution and levy as provided in Chapter 1 of the General Statutes. The shares of the capital
22 stock of the surviving or new company resulting from a merger or consolidation of two or more
23 reorganized insurance companies or two or more intermediate holding companies that were
24 subsidiaries of the same mutual insurance holding company are subject to the same
25 requirements, restrictions, and limitations to which the shares of the merging or consolidating
26 reorganized insurance companies or intermediate holding companies were subject by this
27 section prior to the merger or consolidation. The ownership of a majority of the voting shares
28 of the capital stock of the reorganized insurance company that are required by this section to be
29 at all times owned by a parent mutual insurance holding company includes indirect ownership
30 through one or more intermediate holding companies in a corporate structure approved by the
31 Commissioner. However, indirect ownership through one or more intermediate holding
32 companies shall not result in the mutual insurance holding company owning less than the
33 equivalent of a majority of the voting shares of the capital stock of the reorganized insurance
34 company. The Commissioner shall have jurisdiction over an intermediate holding company as
35 if it were a mutual insurance holding company.

36 (h) The applicant's articles of incorporation or bylaws, as appropriate, shall require a
37 policyholder vote of approval of the reorganization by a two-thirds majority of the domestic
38 mutual insurance company's policyholders voting on it in person, by proxy, or by mail at a
39 meeting called for the purpose of voting on the reorganization.

40 **"§ 58-10-285. Application; contents; process.**

41 (a) An application shall be designated as either a limited application or a standard
42 application. The filing of a limited application shall not preclude the subsequent filing of an
43 application for approval of an initial sale of stock as provided in G.S. 58-10-315.

9 person" or an "affiliated person." The Commissioner may waive this
10 requirement upon a showing of good cause.
- 11 (3) For the mutual insurance holding company to adopt articles of incorporation
12 prohibiting any waiver of dividends from stock subsidiaries except under
13 conditions specified in its articles of incorporation and after approval of the
14 waiver by the board of directors of the mutual insurance holding company

- 16 (4) Requiring that, after the initial stock offering by an insurance company
17 subsidiary of a mutual insurance holding company, an intermediate holding
18 company subsidiary of a mutual insurance holding company, or an insurance
19 company subsidiary of an intermediate holding company subsidiary of a
20 mutual insurance holding company, the boards of directors of each insurance
21 company or intermediate holding company include at least three directors
22 who are not interested persons of the mutual insurance holding company.
23 The Commissioner may waive this requirement upon a showing of good
24 cause.
- 25 (5) Establishing, within the board of directors of the corporation offering stock,
26 a pricing committee consisting exclusively of directors who are not members
27 of management of the insurance company subsidiary whose responsibility is
28 to evaluate and approve the price of any stock offering.
- 29 (d) An insurance company subsidiary of a mutual insurance holding company, an
30 intermediate holding company subsidiary of a mutual insurance holding company, or an
31 insurance company subsidiary of an intermediate holding company subsidiary to a mutual
32 insurance holding company may issue more than one class of stock, provided, however, that the
33 issuer complies with all of the following requirements:
- 34 (1) At all times a majority of the voting stock is held by the mutual insurance
35 holding company or its subsidiary.

39 any attorneys, actuaries, economists, accountants, consultants, or other professional advisors
40 not otherwise a part of the Commissioner's staff to assist the Commissioner in reviewing the
41 application. These contracts are personal professional service contracts exempt from Articles 3
42 and 3C of Chapter 143 of the General Statutes.
- 43 (f) The expenses of mailing any notices and other materials required by this section
44 shall be borne by the person filing the application.
- 45 (g) Upon receipt and review by the Commissioner of all information provided under
46 this section, the Commissioner may establish a period during which the Department will
47 receive and consider public comments about the proposed offering. The Commissioner shall
48 inform the public of the offering by posting information about the application in a manner
49 deemed appropriate by the Commissioner. The Commissioner may hold a public hearing
50 concerning the application or the proposed offering. Following any public comment period or

1 hearing, if applicable, the Commissioner may approve, conditionally approve, or deny the
2 application. The Commissioner may approve the application if the following apply:

- 3 (1) The offering complies with this Part and other provisions of law.
- 4 (2) The method for establishing the price of a stock offering is consistent with
5 generally accepted market or industry practices for establishing stock
6 offering prices in similar transactions.
- 7 (3) The plan and offering will not unfairly impact the interests of members of
8 the mutual insurance holding company.

9 Nothing in this subsection shall be deemed to prohibit the filing of a registration statement
10 with the United States Securities and Exchange Commission before or concurrently with the
11 giving of notice to members.

12 (h) Notwithstanding the provisions of subsections (a) through (g) of this section, stock
13 offerings which are not an initial stock offering, and which are proposed by entities with a class
14 of securities regularly traded on the New York Stock Exchange, the American Stock Exchange,
15 or another exchange approved by the Commissioner, or designated on the National Association
16 of Securities Dealers Automated Quotations national market system (NASDAQ), may be sold
17 in accordance with the following procedure: if a mutual insurance holding company, an
18 insurance company subsidiary of a mutual insurance holding company, an intermediate holding
19 company, or an insurance company subsidiary of an intermediate holding company intends to
20 make a stock offering which would be governed by the provisions of this subsection, that entity
21 shall deliver to the Commissioner, not less than 60 days prior to the offering, a notice of the
22 planned stock offering and all of the following information:

- 23 (1) The total number of shares intended to be offered.
- 24 (2) The intended date of sale.
- 25 (3) Evidence the stock is regularly traded on one of the public exchanges
26 specified in this subsection.
- 27 (4) A record of the trading price and trading volume of the stock during the prior
28 52 weeks.

29 The Commissioner shall be deemed to have approved the sale unless, within 60 days
30 following receipt of such notice, the Commissioner issues an objection to the sale. If the
31 Commissioner issues an objection to the sale, the application process set forth in subsections
32 (a) through (g) of this section shall be followed to determine whether the Commissioner
33 approves of the proposed sale.

34 (i) Approval of a stock offering obtained under either subsection (g) or (h) of this

The sole manner of altering or waiving the effective date is by the lien claimant's executing a document expressly denoted as a "final" lien waiver.

(3) Unless expressly stated on the lien waiver form, the lien waiver shall be construed to be conditional upon the lien claimant's actual receipt of the specified funds.

**SECTION 4. G.S. 44A-13 is amended by adding new subsections to read:
"§ 44A-13. Action to enforce claim of lien on real property.**

(d) Former Owner Not a Necessary Party to Action. – In an action brought under this section, a former owner of the improved property at the time the lien arose, who holds no ownership interest in the property at the time the action is commenced, and against whom the plaintiff seeks no relief, is not a necessary party to the action.

(e) Subsequent Purchaser and Lender Not Necessary or Proper Parties to Action Filed After Claim of Lien is Discharged. – If a claim of lien on real property filed under this Article is discharged pursuant to G.S. 44A-16(5) or G.S. 44A-16(6) prior to the filing of an action to enforce the claim of lien under G.S. 44A-13, then neither a subsequent purchaser of the real property upon which the lien is claimed nor the subsequent purchaser's lender shall be a

1 necessary or proper party to the action. However, nothing herein precludes the lien claimant
2 from asserting any claims against any party that are separate and distinct from enforcement of
3 the lien.

4 (f) Subsequent Purchaser and Lender No Longer Necessary or Proper Parties Upon
5 Discharge of Claim of Lien After Action Is Filed. – If an action to enforce a lien under
6 G.S. 44A-13 is commenced before the claim of lien is discharged pursuant to G.S. 44A-16(5)
7 or G.S. 44A-16(6), a subsequent purchaser of the real property upon which the lien is claimed
8 and the subsequent purchaser's lender shall cease to be a necessary or proper party to the action,
9 and any claim for lien enforcement asserted against the subsequent purchaser of the real
10 property upon which the lien is claimed or the subsequent purchaser's lender shall be dismissed
11 upon motion of any party upon a showing that the claim of lien was discharged pursuant to
12 G.S. 44A-16. However, nothing herein precludes the lien claimant from continuing to pursue
13 any claims against any party that are separate and distinct from enforcement of the lien.

14 (g) Bonds Prohibited From Requiring Subsequent Purchaser or Lender to Remain
15 Parties to Action After Discharge of Claim of Lien. – The fact that a subsequent purchaser of
16 the real property upon which the lien is claimed or the subsequent purchaser's lender is not a
17 party to an action to enforce a claim of lien on real property subsequent to discharge of that
18 claim of lien by the contractor under G.S. 44A-16 shall not invalidate the claim of lien under
19 this Chapter nor shall it invalidate any bond filed under G.S. 44A-16 to discharge the claim of
20 lien. Further, a bond filed under G.S. 44A-16(a)(6) shall not require that a subsequent purchaser
21 of the real property upon which the lien is claimed or the subsequent purchaser's lender remain
22 a party to an action to enforce a claim of lien after the claim of lien has been discharged
23 pursuant to G.S. 44A-16.

24 (h) Definition of "Subsequent Purchaser." – For purposes of this section, a "subsequent
25 purchaser" means a party whose record interest is protected under G.S. 47-18, including any
26 beneficiary of a deed of trust or mortgagee of that party, the priority of whose interest is
27 protected under the provisions of G.S. 47-20, and who was not the owner of the real property at
28 the time of the improvements giving rise to the lien claim as defined in G.S. 44A-7(3)."

29 **SECTION 5.** G.S. 44A-17 is repealed.

30 **SECTION 6.** G.S. 44A-18 reads as rewritten:

31 **"§ 44A-18. Grant of lien upon funds; subrogation; perfection.**

32 ~~Upon compliance with this Article:~~

33 ~~(1)(a)~~ A first tier subcontractor who furnished labor, materials, or rental equipment at the
34 site of the improvement shall ~~be entitled to have~~ a lien upon funds that are owed to the
35 contractor with whom the first tier subcontractor dealt and that arise out of the improvement on
36 which the first tier subcontractor worked or furnished materials.

37 ~~(2)(b)~~ A second tier subcontractor who furnished labor, materials, or rental equipment at
38 the site of the improvement shall ~~be entitled to have~~ a lien upon funds that are owed to the first
39 tier subcontractor with whom the second tier subcontractor dealt and that arise out of the
40 improvement on which the second tier subcontractor worked or furnished materials. A second
41 tier subcontractor, to the extent of the second tier subcontractor's lien provided in this
42 subdivision, shall also be ~~entitled to be~~ subrogated to the lien upon funds of the first tier
43 subcontractor with whom the second tier contractor dealt provided for in subdivision (1) of this
44 section and shall ~~be entitled to perfect~~ it by service of the notice of claim of lien upon funds to
45 the extent of the claim.

46 ~~(3)(c)~~ A third tier subcontractor who furnished labor, materials, or rental equipment at the
47 site of the improvement shall ~~be entitled to have~~ a lien upon funds that are owed to the second
48 tier subcontractor with whom the third tier subcontractor dealt and that arise out of the
49 improvement on which the third tier subcontractor worked or furnished materials. A third tier
50 subcontractor, to the extent of the third tier subcontractor's lien upon funds provided in this
51 subdivision, shall also ~~be entitled to be~~ subrogated to the lien upon funds of the second tier

5 ~~(4)~~(d) Subcontractors more remote than the third tier who furnished labor, materials, or
 6 rental equipment at the site of the improvement shall ~~be entitled to have~~ a lien upon funds that
 7 are owed to the person with whom they dealt and that arise out of the improvement on which
 8 they furnished labor, materials, or rental equipment, but such remote tier subcontractor shall not
 9 be entitled to subrogation to the rights of other persons.

10 ~~(5)~~(e) The liens upon funds granted under this section shall secure amounts earned by the
 11 lien claimant as a result of having furnished labor, materials, or rental equipment at the site of
 12 the improvement under the contract to improve real property, including interest at the legal rate
 13 provided in G.S. 24-5, whether or not such amounts are due and whether or not performance or
 14 delivery is complete. In the event insufficient funds are retained to satisfy all lien claimants,
 15 subcontractor lien claimants may recover the interest due under this subdivision on a pro rata
 16 basis, but in no event shall interest due under this subdivision increase the liability of the
 17 obligor under G.S. 44A-20.

18 ~~(6)~~(f) A lien upon funds granted under this section arises, attaches, and is
 19 perfected effective immediately upon the first furnishing of labor, materials, or rental equipment
 20 at the site of the improvement by a subcontractor. Any lien upon funds granted under this
 21 section is perfected upon the giving of notice of claim of lien upon funds in writing to the
 22 obligor as provided in G.S. 44A-19 and shall be effective upon the obligor's receipt of the
 23 notice. The subrogation rights of a first, second, or third tier subcontractor to the claim of lien
 24 on real property of the contractor created by Part 1 of Article 2 of this Chapter are perfected as
 25 provided in G.S. 44A-23. G.S. 44A-19.

26 (g) Until a lien claimant gives notice of a claim of lien upon funds in writing to the

3 (1) When the notice of claim of lien upon funds is attached to a claim of lien on
4 real property filed pursuant to ~~G.S. 44A-20(d)~~ or
5 ~~G.S. 44A-23~~-G.S. 44A-20(d).

6 (2) When the notice of claim of lien upon funds is filed by the obligor for the
7 purpose of discharging the claim of lien upon funds in accordance with
8 G.S. 44A-20(e).

9 (f) Filing a notice of claim of lien upon funds pursuant to subsection (e) of this section
10 is not a violation of G.S. 44A-12.1."

11 **SECTION 8.** G.S. 44A-20 reads as rewritten:

12 **"§ 44A-20. Duties and liability of obligor.**

13 (a) Upon receipt of the notice of claim of lien upon funds provided for in this Article,
14 the obligor shall be under a duty to retain any funds subject to the lien or liens upon funds
15 under this Article up to the total amount of such liens upon funds as to which notices of claims
16 of lien upon funds have been received.

17 (b) If, after the receipt of the notice of claim of lien upon funds to the obligor, the
18 obligor makes further payments to a contractor or subcontractor against whose interest the lien
19 or liens upon funds are claimed, the lien upon funds shall continue upon the funds in the hands
20 of the contractor or subcontractor who received the payment, and in addition the obligor shall
21 be personally liable to the person or persons entitled to liens upon funds up to the amount of
22 such wrongful payments, not exceeding the total claims with respect to which the notice of
23 claim of lien upon funds was received prior to payment.

24 (c) If an obligor makes a payment after receipt of notice of claim of lien on funds and
25 incurs personal liability under subsection (b) of this section, the obligor shall be entitled to
26 reimbursement and indemnification from the party receiving such payment.

27 (d) If the obligor is an owner of the property being improved, the lien claimant shall be
28 entitled to a claim of lien upon real property upon the interest of the obligor in the real property
29 to the extent of the owner's personal liability under subsection (b) of this section, which claim
30 of lien on real property shall be enforced only in the manner set forth in G.S. 44A-7 through
31 G.S. 44A-16 and which claim of lien on real property shall be entitled to the same priorities and
32 subject to the same filing requirements and periods of limitation applicable to the contractor.
33 The claim of lien on real property is perfected as of the time set forth in G.S. 44A-10 upon the
34 filing of the claim of lien on real property pursuant to G.S. 44A-12. A lien waiver signed by the
35 contractor prior to filing of the claim of lien on real property waives the subcontractor's right to
36 a claim of lien on real property but does not affect the subcontractor's rights to a claim of lien
37 on funds under this Article. The claim of lien on real property as provided under this subsection
38 shall be in the form set out in G.S. 44A-12(c) and shall contain, in addition, a copy of the notice
39 of claim of lien upon funds given pursuant to G.S. 44A-19 as an exhibit together with proof of
40 service thereof by affidavit, and shall state the grounds the lien claimant has to believe that the
41 obligor is personally liable for the debt under subsection (b) of this section.

42 (e) A notice of claim of lien upon funds under G.S. 44A-19 may be filed by the obligor
43 with the clerk of superior court in each county where the real property upon which the filed
44 notice of claim of lien upon funds is located for the purpose of discharging the notice of claim
45 of lien upon funds by any of the methods described in G.S. 44A-16.

46 (f) A bond deposited under this section to discharge a filed notice of claim of lien upon
47 funds shall be effective to discharge any claim of lien on real property filed by the same lien
48 claimant pursuant to subsection (d) of this section or G.S. 44A-23 and shall further be effective
49 to discharge any notices of claims of lien upon funds served by lower tier subcontractors or any
50 claims of lien on real property filed by lower tier subcontractors pursuant to subsection (d) of

1 this section or G.S. 44A-23 claiming through or against the contractor or higher tier
2 subcontractors up to the amount of the bond."

3 SECTION 9. G.S. 44A-23 reads as rewritten:

4 "§ 44A-23. Contractor's claim of lien on real property; perfection of subrogation rights of
5 subcontractor.

6 (a) First tier subcontractor. – A first tier subcontractor, ~~who gives notice of claim of lien~~
7 ~~upon funds as provided in this Article,~~ subcontractor may, to the extent of ~~this~~ its claim, enforce
8 the claim of lien on real property of the contractor created by Part 1 of this Article. The manner
9 of such enforcement shall be as provided by G.S. 44A-7 through 44A-16. The claim of lien on
10 real property is perfected as of the time set forth in G.S. 44A-10 upon filing of the claim of lien
11 on real property pursuant to G.S. 44A-12. When completing the claim of lien on real property
12 form, the subcontractor may use as the date upon which labor or materials were first or last
13 furnished on the real property either the date of the first or last furnishing of labor or materials
14 on the real property by the subcontractor making the claim or the date of the first or last
15 furnishing of labor or materials on the real property by the contractor through which the claim
16 of lien on real property is being asserted. Upon the filing of the claim of lien on real property,
17 with the notice of claim of lien upon funds attached, property and the commencement of the
18 action, no action of the contractor shall be effective to prejudice the rights of the subcontractor
19 without his written consent. A lien waiver signed by the contractor prior to commencement of
20 the action waives the subcontractor's right to a claim of lien on real property but does not affect
21 the subcontractor's rights to a claim of lien on funds under this Article.

22 (b) Second or third subcontractor. –

23 (1) A second or third tier ~~subcontractor, who gives notice of claim of lien upon~~
24 ~~funds as provided in this Article,~~ subcontractor may, to the extent of his
25 claim, enforce the claim of lien on real property of the contractor created by
26 Part 1 of Article 2 of the Chapter except when:

27 a. The owner or contractor, within 30 days following the date the
28 building permit is issued for the improvement of the real property
29 involved, involved or within 30 days following the date the
30 contractor is awarded the contract for the improvement of the real
31 property involved, whichever is later, posts on the property in a
32 visible location adjacent to the posted building permit permit, if a
33 permit is required, and files in the office of the clerk of superior court
34 in each county wherein the real property to be improved is located, a
35 completed and signed notice of contract form and the second or third
36 tier subcontractor fails to serve upon the contractor a completed and
37 signed notice of subcontract form by the same means of service as
38 described in G.S. 44A-19(d); or

39 b. After the posting and filing of a signed notice of contract and the
40 service upon the contractor of a signed notice of subcontract, the
41 contractor serves upon the second or third tier subcontractor, within
42 five days following each subsequent payment, by the same means of
43 service as described in G.S. 44A-19(d), the written notice of payment
44 setting forth the date of payment and the period for which payment is
45 made as requested in the notice of subcontract form set forth herein.

46 (2) The form of the notice of contract to be so utilized under this section shall be
47 substantially as follows and the fee for filing the same with the clerk of
48 superior court shall be the same as charged for filing a claim of lien on real
49 property:

"NOTICE OF CONTRACT

50 "(1) Name and address of the Contractor:

"(4) Request is hereby made by the undersigned subcontractor that he be notified in writing by the contractor of, and within five days following, each subsequent payment by the contractor to the first tier subcontractor for labor performed or material furnished at the improved real property within the above descriptions of such in paragraph (2) and subparagraph (3)(ii), respectively, the date payment was made and the period for which payment is made.

"Dated: _____

Subcontractor"

(4) The manner of such enforcement shall be as provided by G.S. 44A-7 through G.S. 44A-16. The lien is perfected as of the time set forth in G.S. 44A-10 upon the filing of a claim of lien on real property pursuant to G.S. 44A-12. Upon the filing of the claim of lien on real property, ~~with the notice of claim of lien upon funds attached, property~~ and the commencement of the action, no action of the contractor shall be effective to prejudice the rights of the second or third tier subcontractor without his written consent."

SECTION 10. G.S. 44A-24 reads as rewritten:

"§ 44A-24. False statement a ~~misdemeanor~~ ~~misdemeanor~~, an unfair and deceptive trade practice, and grounds for disciplinary action against a licensed contractor or qualifying party.

If any contractor or other person receiving payment from an obligor for an improvement to real property or from a purchaser for a conveyance of real property with improvements subject to this Article or to Article 3 of this Chapter shall knowingly furnish to such obligor, purchaser, or to a lender who obtains a security interest in said real property, or to a title insurance company insuring title to such real property, a false written statement of the sums due or claimed to be due for labor or material furnished at the site of improvements to such real property, then such contractor, subcontractor or other person shall be guilty of a Class 1 ~~misdemeanor~~ ~~misdemeanor~~ and shall be subject to a claim for violation of G.S. 75-1.1 by any

3 claim of lien on real property under this Article and who suffers actual harm as a result of the
4 misrepresentation. In addition, any person who knowingly signs or directs another person to
5 sign such a written statement shall be guilty of a Class 1 misdemeanor and subject to a claim
6 for violation of G.S. 75-1.1. Upon conviction and in the event the court shall grant any
7 defendant a suspended sentence, the court may in its discretion include as a condition of such
8 suspension a provision that the defendant shall reimburse the party who suffered loss on such
9 conditions as the court shall determine are proper.

10 The elements of the offense herein stated are the furnishing of the false written statement
11 with knowledge that it is false and the subsequent or simultaneous receipt of payment from an
12 obligor or ~~purchaser, and in any purchaser by the person signing the document, a person~~
13 directing another to sign the document, or any person or entity for whom the document was
14 signed. In any criminal prosecution hereunder it shall not be necessary for the State to prove
15 that the obligor, purchaser, lender or title insurance company relied upon the false statement or
16 that any person was injured thereby.

17 In addition to the criminal sanctions and civil liabilities created by this section, conduct
18 constituting the offense herein stated and causing actual harm to any person by any licensed
19 contractor or qualifying party, as that term is used in Chapter 87 of the General Statutes, shall
20 constitute deceit and misconduct subject to disciplinary action under Chapter 87 of the General
21 Statutes, including revocation, suspension, or restriction of a license or the ability to act as a
22 qualifying party for a license."

23 SECTION 11. G.S. 44A-27 reads as rewritten:

24 "§ 44A-27. Actions on payment bonds; service of notice.

25 (a) Subject to the provision of subsection (b) hereof, any claimant who has performed
26 labor or furnished materials in the prosecution of the work required by any contract for which a
27 payment bond has been given pursuant to the provisions of this Article, and who has not been
28 paid in full therefor before the expiration of 90 days after the day on which the claimant
29 performed the last such labor or furnished the last such materials for which he claims payment,
30 may bring an action on such payment bond in his own name, to recover any amount due him
31 for such labor or materials and may prosecute such action to final judgment and have execution
32 on the judgment.

33 (b) Any claimant who has a direct contractual relationship with any subcontractor but
34 has no contractual relationship, express or implied, with the contractor may bring an action on
35 the payment bond only if he has given written notice of claim on payment bond to the
36 contractor within 120 days from the date on which the claimant performed the last of the labor
37 or furnished the last of the materials for which he claims payment, stating with substantial
38 accuracy the amount claimed and the name of the person for whom the work was performed or
39 to whom the material was furnished. The contractor shall furnish a copy of the payment bond
40 required by this Article within seven calendar days in response to a written request served by
41 any claimant in accordance with the provisions of G.S. 44A-27(c). Subject to the exception set
42 forth in subsection (e) of this section, unless the contractor has failed to satisfy its obligation to
43 timely furnish a copy of the payment bond to a claimant upon proper request by the claimant,
44 the claim of such a claimant shall not include labor or materials provided more than 75 days

23 only to that portion of the claim in excess of twenty thousand dollars (\$20,000).

24 (f) In connection with any construction contract for which a bond is required by
25 G.S. 44A-26(a):

- 26 (1) The contractor shall provide to each subcontractor that it engages to perform

47 SECTION 12.(a) G.S. 44A-4(b) reads as rewritten:

48 "§ 44A-4. Enforcement of lien by sale.

49 ...
50 (b) Notice and Hearings. -

1 (1) If the property upon which the lien is claimed is a motor vehicle that is
2 required to be registered, the lienor following the expiration of the relevant
3 time period provided by subsection (a) shall give notice to the Division of
4 Motor Vehicles that a lien is asserted and sale is proposed and shall remit to
5 the Division a fee of ten dollars (\$10.00). The Division of Motor Vehicles
6 shall issue notice by ~~registered or certified~~ mail, return receipt requested, to
7 the person having legal title to the property, if reasonably ascertainable, to
8 the person with whom the lienor dealt if different, and to each secured party
9 and other person claiming an interest in the property who is actually known
10 to the Division or who can be reasonably ascertained. The notice shall state
11 that a lien has been asserted against specific property and shall identify the
12 lienor, the date that the lien arose, the general nature of the services
13 performed and materials used or sold for which the lien is asserted, the
14 amount of the lien, and that the lienor intends to sell the property in
15 satisfaction of the lien. The notice shall inform the recipient that the
16 recipient has the right to a judicial hearing at which time a determination
17 will be made as to the validity of the lien prior to a sale taking place. The
18 notice shall further state that the recipient has a period of 10 days from the
19 date of receipt in which to notify the Division by ~~registered or certified~~ mail,
20 return receipt requested, that a hearing is desired and that if the recipient
21 wishes to contest the sale of his property pursuant to such lien, the recipient
22 should notify the Division that a hearing is desired. The notice shall state the
23 required information in simplified terms and shall contain a form whereby
24 the recipient may notify the Division that a hearing is desired by the return
25 of such form to the Division. The Division shall notify the lienor whether
26 such notice is timely received by the Division. In lieu of the notice by the
27 lienor to the Division and the notices issued by the Division described
28 above, the lienor may issue notice on a form approved by the Division
29 pursuant to the notice requirements above. If notice is issued by the lienor,
30 the recipient shall return the form requesting a hearing to the lienor, and not
31 the Division, within 10 days from the date the recipient receives the notice if
32 a judicial hearing is requested. If the ~~registered or certified~~ mail notice has
33 been returned as undeliverable and the notice of a right to a judicial hearing
34 has been given to the owner of the motor vehicle in accordance with
35 G.S. 20-28.4, no further notice is required. Failure of the recipient to notify
36 the Division or lienor, as specified in the notice, within 10 days of the receipt
37 of such notice that a hearing is desired shall be deemed a waiver of the right
38 to a hearing prior to the sale of the property against which the lien is
39 asserted, and the lienor may proceed to enforce the lien by public or private
40 sale as provided in this section and the Division shall transfer title to the
41 property pursuant to such sale. If the Division or lienor, as specified in the
42 notice, is notified within the 10-day period provided above that a hearing is
43 desired prior to sale, the lien may be enforced by sale as provided in this
44 section and the Division will transfer title only pursuant to the order of a
45 court of competent jurisdiction.

46 If the ~~registered or certified~~ mail notice has been returned as
47 undeliverable, or if the name of the person having legal title to the vehicle
48 cannot reasonably be ascertained and the fair market value of the vehicle is
49 less than eight hundred dollars (\$800.00), the lienor may institute a special
50 proceeding in the county where the vehicle is being held, for authorization to

1 sell that vehicle. Market value shall be determined by the schedule of values
2 adopted by the Commissioner under G.S. 105-187.3.

3 In such a proceeding a lienor may include more than one vehicle, but the
4 proceeds of the sale of each shall be subject only to valid claims against that
5 vehicle, and any excess proceeds of the sale shall be paid immediately to the
6 Treasurer for disposition pursuant to Chapter 116B of the General Statutes.

7 The application to the clerk in such a special proceeding shall contain the
8 notice of sale information set out in subsection (f) hereof. If the application
9 is in proper form the clerk shall enter an order authorizing the sale on a date
10 not less than 14 days therefrom, and the lienor shall cause the application
11 and order to be sent immediately by first-class mail pursuant to G.S. 1A-1,
12 Rule 5, to each person to whom notice was mailed pursuant to this
13 subsection. Following the authorized sale the lienor shall file with the clerk a
14 report in the form of an affidavit, stating that the lienor has complied with
15 the public or private sale provisions of G.S. 44A-4, the name, address, and
16 bid of the high bidder or person buying at a private sale, and a statement of
17 the disposition of the sale proceeds. The clerk then shall enter an order
18 directing the Division to transfer title accordingly.

19 If prior to the sale the owner or legal possessor contests the sale or lien in
20 a writing filed with the clerk, the proceeding shall be handled in accordance
21 with G.S. 1-301.2.

22 (2) If the property upon which the lien is claimed is other than a motor vehicle
23 required to be registered, the lienor following the expiration of the 30-day
24 period provided by subsection (a) shall issue notice to the person having
25 legal title to the property, if reasonably ascertainable, and to the person with
26 whom the lienor dealt if different by ~~registered or~~ certified mail, return
27 receipt requested. Such notice shall state that a lien has been asserted against
28 specific property and shall identify the lienor, the date that the lien arose, the
29 general nature of the services performed and materials used or sold for
30 which the lien is asserted, the amount of the lien, and that the lienor intends
31 to sell the property in satisfaction of the lien. The notice shall inform the
32 recipient that the recipient has the right to a judicial hearing at which time a
33 determination will be made as to the validity of the lien prior to a sale taking
34 place. The notice shall further state that the recipient has a period of 10 days
35 from the date of receipt in which to notify the lienor by ~~registered or~~
36 certified mail, return receipt requested, that a hearing is desired and that if
37 the recipient wishes to contest the sale of his property pursuant to such lien,
38 the recipient should notify the lienor that a hearing is desired. The notice
39 shall state the required information in simplified terms and shall contain a
40 form whereby the recipient may notify the lienor that a hearing is desired by
41 the return of such form to the lienor. Failure of the recipient to notify the
42 lienor within 10 days of the receipt of such notice that a hearing is desired
43 shall be deemed a waiver of the right to a hearing prior to sale of the
44 property against which the lien is asserted and the lienor may proceed to
45 enforce the lien by public or private sale as provided in this section. If the
46 lienor is notified within the 10-day period provided above that a hearing is
47 desired prior to sale, the lien may be enforced by sale as provided in this
48 section only pursuant to the order of a court of competent jurisdiction."

49 SECTION 12.(b) G.S. 44A-24.10 reads as rewritten:

50 "§ 44A-24.10. Lien extinguished for lien claimant failing to file suit or answer in pending
51 suit within 30 days after service on owner.

1 If a lien claimant fails to file a suit to enforce the lien or fails to file an answer in a pending
 2 suit to enforce a lien within 30 days after a properly served written demand of the owner,
 3 lienee, or other authorized agent, the lien shall be extinguished. Service of the demand shall be
 4 by ~~registered or certified~~ mail, return receipt requested, or by personal service. The claimant
 5 shall file proof of properly served written demand with the clerk of the superior court. The
 6 provisions of this section shall not extend to any other deadline provided by law for the filing
 7 of any pleadings or for the foreclosure of any lien governed by this Part."

8 **SECTION 12.(c) G.S. 44A-43 reads as rewritten:**

9 **"§ 44A-43. Enforcement of self-service storage facility lien.**

10 ...
 11 (b) Notice and Hearing:

12 (1) If the property upon which the lien is claimed is a motor vehicle, the lienor,
 13 following the expiration of the 15-day period provided by subsection (a),
 14 shall give notice to the Division of Motor Vehicles that a lien is asserted and
 15 that a sale is proposed. The lienor shall remit to the Division a fee of two
 16 dollars (\$2.00); and shall also furnish the Division with the last known
 17 address of the occupant. The Division of Motor Vehicles shall issue notice
 18 by ~~registered or certified~~ mail, return receipt requested to the person having
 19 legal title to the vehicle, if reasonably ascertainable, and to the occupant, if
 20 different, at his last known address. The notice shall:

21 ...
 22 c. State that the legal title holder and the occupant have a period of 10
 23 days from the date of receipt of the notice in which to notify the
 24 Division of Motor Vehicles by ~~registered or certified~~ mail, return
 25 receipt requested, that a hearing is desired to contest the sale of the
 26 vehicle pursuant to the lien.

27 The person with legal title or the occupant must, within 10 days of receipt of the notice
 28 from the Division of Motor Vehicles, notify the Division of his desire to contest the sale of the
 29 vehicle pursuant to the lien, and that the Division should so notify lienor.

30 Failure of the person with legal title or the occupant to notify the Division that a hearing is
 31 desired shall be deemed a waiver of the right to a hearing prior to sale of the vehicle against
 32 which the lien is asserted. Upon such failure, the Division shall so notify the lienor; the lienor
 33 may proceed to enforce the lien by a public sale as provided by this section; and the Division
 34 shall transfer title to the property pursuant to such sale.

35 If the Division is notified within the 10-day period provided in this section that a hearing is
 36 desired prior to the sale, the lien may be enforced by a public sale as provided in this section
 37 and the Division will transfer title only pursuant to the order of a court of competent
 38 jurisdiction.

39 ...
 40 (c) Public Sale. –

41 (1) Not less than 20 days prior to sale by public sale the lienor:

42 a. Shall cause notice to be delivered by ~~registered or certified~~ mail to
 43 the person having a security interest in the property if reasonably
 44 ascertainable, and to the occupant at the occupant's last known
 45 address. Notice given pursuant to this subdivision shall be presumed
 46 delivered when it is properly addressed, first-class postage prepaid,
 47 and deposited with the United States Postal Service.

A BILL TO BE ENTITLED

AN ACT TO AUTHORIZE THE HENDERSON COUNTY BOARD OF COMMISSIONERS
TO LEVY AN ADDITIONAL ONE PERCENT ROOM OCCUPANCY AND TOURISM
DEVELOPMENT TAX AND TO MAKE OTHER ADMINISTRATIVE CHANGES.

The General Assembly of North Carolina enacts:

SECTION 1. Sections 5 and 6 of Chapter 172 of the 1987 Session Laws, as amended by Chapter 55 of the 1991 Session Laws and by Section 21(p) of S.L. 2007-527, read as rewritten:

"Sec. 5. Occupancy Tax. (a) Authorization and Scope. – The Board of Commissioners of Henderson County may ~~by resolution, after not less than 10 days' public notice and after a public hearing held pursuant thereto,~~ levy a room occupancy and tourism development tax of no less than three percent (3%) nor more than five percent (5%) of the gross receipts derived from the rental of any room, lodging, or similar accommodation furnished by a hotel, motel, inn, or similar place within the county that is subject to sales tax imposed by the State under ~~G.S. 105-164.4(3).~~ G.S. 105-164.4(a)(3). This tax is in addition to any State or local sales tax. This tax does not apply to accommodations furnished by nonprofit charitable, educational, or religious organizations.

(a) Authorization of Additional Tax. – In addition to the tax authorized by subsection (a) of this section, the Board of Commissioners of Henderson County may levy a room occupancy and tourism development tax of one percent (1%) of the gross receipts derived from the rental of accommodations taxable under subsection (a) of this section. The levy, collection, administration, and repeal of the tax authorized by this subsection shall be in accordance with the provisions of this section. Henderson County may not levy a tax under this subsection unless it also levies the tax authorized under subsection (a) of this section.

(b) ~~Collection. Every operator of a business subject to the tax levied under this act shall, on and after the effective date of the levy of the tax, collect the tax. This tax shall be collected as part of the charge for furnishing a taxable accommodation. The tax shall be stated and charged separately from the sales records, and shall be paid by the purchaser to the operator of the business as trustee for and on account of the county. The tax shall be added to the sales price and shall be passed on to the purchaser instead of being borne by the operator of the business. The county shall design, print, and furnish to all appropriate businesses and persons in the county the necessary forms for filing returns and instructions to ensure the full collection of the tax.~~

1 (c) Administration. – A tax levied under this section shall be levied, administered,
2 collected, and repealed as provided in G.S. 153A-155. The penalties provided in
3 G.S. 153A-155 apply to a tax levied under this section. The county shall administer a tax levied
4 under this act. A tax levied under this act is due and payable to the county finance officer in
5 monthly installments on or before the 20th day of the month following the month in which the
6 tax accrues. Every person, firm, corporation, or association liable for the tax shall, on or before
7 the 20th day of each month, prepare and render a return on a form prescribed by the county.
8 The return shall state the total gross receipts derived in the preceding month from rentals upon
9 which the tax is levied.

10 A return filed with the county finance officer under this act is not a public record as defined
11 by G.S. 132-1 and may not be disclosed except as required by law.

12 (d) Penalties. A person, firm, corporation, or association who fails or refuses to file the
13 return required by this act shall pay an additional tax, as a penalty, of one percent (1%) of the
14 tax due for each day's omission up to 30 days, with a minimum penalty of twenty five dollars
15 (\$25.00). In case of failure or refusal to file the return or pay the tax for a period of 30 days
16 after the time required for filing the return or for paying the tax, there shall be an additional tax,
17 as a penalty, of ten percent (10%) of the tax and penalty due in addition to any other penalty,
18 with an additional tax of ten percent (10%) for each additional month or fraction thereof until
19 the tax is paid. The board of commissioners may, for good cause shown, compromise or forgive
20 the tax penalties imposed by this subsection.

21 Any person who willfully attempts in any manner to evade a tax or penalty imposed under
22 this act or who willfully fails to pay the tax or penalty or make and file a return shall, in
23 addition to all other penalties provided by law, be guilty of a misdemeanor and shall be
24 punishable by a fine not to exceed one thousand dollars (\$1,000), imprisonment not to exceed
25 six months, or both.

26 (e) Use of Tax Revenue. – The county shall, on a quarterly basis, remit the net proceeds
27 of the room occupancy and tourism development tax levied under this act to the Henderson
28 County Tourism Development Authority. The Authority shall use at least two-thirds of the
29 funds remitted to it under this subsection to promote travel and tourism in Henderson County
30 and shall use the remainder for tourism-related expenditures.

31 (e1) Definitions. – The following definitions apply in this section:

32 (1) Net proceeds. – Gross proceeds less the cost to the county of administering
33 and collecting the tax, as determined by the finance officer, not to exceed
34 three percent (3%) of the first five hundred thousand dollars (\$500,000) of
35 gross proceeds collected each year and one percent (1%) of the remaining
36 gross receipts collected each year.

37 (2) Promote travel and tourism. – To advertise or market an area or activity,
38 publish and distribute pamphlets and other materials, conduct market
39 research, or engage in similar promotional activities that attract tourists or
40 business travelers to the area. The term includes administrative expenses
41 incurred in engaging in the listed activities.

42 (3) Tourism-related expenditures. – Expenditures that, in the judgment of the
43 entity responsible for expending the net proceeds of the tax, are designed to
44 increase the use of lodging facilities, meeting facilities, or convention
45 facilities in a county or to attract tourists or business travelers to the county.
46 The term includes tourism-related capital expenditures.

47 ~~shall place the net proceeds collected from a tax levied under this act in a special Travel and~~
48 ~~Tourism Fund. Revenue in this fund may be used only to promote travel and tourism in the~~
49 ~~county. This fund will be administered by the Henderson Travel and Tourism Committee. As~~
50 ~~used in this subsection, "net proceeds" means gross proceeds less five percent (5%) of the gross~~
51 ~~proceeds which the county may retain to defray the cost of administering and collecting the tax.~~

1 The scope of promotion of travel and tourism in the county may include the following:

2 (1) ~~Contracting with any person, firm, or agency to advise and assist in travel~~
3 ~~and tourism promotion.~~

4 (2) ~~Advertising via appropriate media.~~

6 ~~center or other similar facility which could logically be expected to promote~~
7 ~~tourism in the county.~~

8 (4) ~~Promoting special events which would bring tourists to the county.~~

9 (f) ~~Effective Date of Levy. A tax levied under this act shall become effective on the~~
10 ~~date specified in the resolution levying the tax. That date must be the first day of a calendar~~
11 ~~month, however, and may not be earlier than the first day of the second month after the date the~~
12 ~~resolution is adopted.~~

13 (g) ~~Repeal. A tax levied under this act may be repealed by a resolution adopted by the~~
14 ~~board of commissioners of the county. Repeal of a tax levied under this act does not affect a~~
15 ~~liability for a tax that attached before the effective date of the repeal, nor does it affect a right to~~
16 ~~a refund of a tax that accrued before the effective date of the repeal.~~

17 "Sec. 6. Henderson Travel and Tourism Committee. Tourism Development Authority. (a)
18 Appointment and Membership. – When the board of commissioners adopts a resolution levying
19 a room occupancy tax under subsection (a1) of this Section 5 of this act, it shall also adopt a
20 resolution creating the Henderson Travel and Tourism Committee, Tourism Development
21 Authority, which shall be a public authority under the Local Government Budget and Fiscal
22 Control Act. The resolution adopted by the Board of Commissioners shall provide for the
23 membership of the Authority, including the members' terms of office, and for the filling of
24 vacancies on the Authority. The Committee shall consist of nine voting members as follows:

40 individuals who are currently active in the promotion of travel and tourism in the county.

41 The board of commissioners shall designate one member of the ~~Committee~~ Authority as

30 way is incapable of maintaining the Zoo. The Department of Environment and Natural
31 Resources shall transfer to the Society any personal property listed in the State asset inventory
32 that is necessary for the operation of the Zoo, including any relevant permits, registrations, and
33 licenses necessary, appropriate, or convenient to ownership. If any fee or other payment is
34 required to effectuate the transfer, the Society shall pay the fee or other payment or reimburse
35 the Department of Environment and Natural Resources for any expenditure in relation to the
36 transfer.

37 (f) Real Property Transfer. – All real property currently owned by the State and
38 allocated to the Zoo shall remain in title to the State. The State shall retain property control
39 over all State real property at the Zoo, except that the Society shall be afforded naming rights
40 on land or fixtures owned by the State.

41 (g) Annual Appropriations by the State. – As a management fee to support operation of
42 the Zoo, the sum of ten million dollars (\$10,000,000) shall be appropriated annually by the
43 State to the Society under the terms of the management agreement until the end of its term,
44 except for the 2012-2013 fiscal year. For the 2012-2013 fiscal year, the sum of five million
45 dollars (\$5,000,000) shall be appropriated to annualize it to the January 1, 2013, effective date
46 of the transfer.

47 (h) Annual Expenditure by the Society. – The management agreement shall require that

7 (j) Reserve for Repair and Renovation. – The Society shall be eligible for allocations
8 from the Reserve for Repair and Renovation to cover current deferred maintenance on State
9 property at the Zoo that as of January 1, 2012, totaled thirty million dollars (\$30,000,000). It is
10 the intent of the General Assembly that five million dollars (\$5,000,000) annually shall be
11 provided to the Society from the Reserve until a total of thirty million dollars (\$30,000,000) has
12 been satisfied. The allocation shall be administered by the Department of Environment and
13 Natural Resources. As initial implementation of this subsection, for the 2012-2013 fiscal year,
14 the sum of five million dollars (\$5,000,000) is allocated from the Reserve for Repair and
15 Renovation to the Department of Environment and Natural Resources and provided to the
16 Society to cover deferred maintenance on State property at the Zoo.

19 Department of Environment and Natural Resources for transition expenses necessary to
20 implement this section.

21 (l) Audit. – The Society shall be subject to audit by the State Auditor and the Program
22 Evaluation Division of the General Assembly.

23 (m) Management Agreement Subject to Prior Approval of State Treasurer. – The
24 management agreement is subject to the prior approval of the State Treasurer with regard to
25 issues that might impact the tax-exempt status of outstanding debt issued by the State for Zoo
26 facilities, including the tax-exempt status of the Society. The Society shall provide evidence
27 satisfactory to the Secretary of the Department of Environment and Natural Resources and the
28 State Treasurer that the Society is recognized as exempt under section 501(c)(3) of the Internal
29 Revenue Code prior to the effective date of the management agreement and upon request at
30 other times.

31 (n) Further Conditions on Management Agreement. – The management agreement must
32 contain the following terms:

33 (1) An acknowledgement that a portion of the facilities at the Zoo were financed
34 by the State through the issuance of bonds the interest on which is exempt
35 from income taxation under the Internal Revenue Code as a result of the
36 characterization of such bonds as "governmental bonds" and not "private
37 activity bonds" and such characterization depends in part on the management
38 agreement being treated as a qualified management agreement under
39 applicable requirements (Qualified Management Agreement).

40 (2) A covenant by the Society not to take any action that will cause the
41 management agreement to cease to be treated as a Qualified Management
42 Agreement.

43 (3) A covenant by the Society that as of each January 1 and upon request at
44 other times to provide the State Treasurer a report on the current status of
45 financial matters under the management agreement and any related
46 agreements which might impact the tax-exempt status of outstanding debt
47 issued by the State for Zoo facilities.

48 (o) Certain Arrangements Subject to Prior Approval of State Treasurer. – If any entity
49 other than the Society will have any property rights or contractual rights to the use of property
50 at the Zoo, including naming rights, the right to operate concessions or rights under similar
51 arrangements, whether through the management agreement or otherwise, then the proposed

1 agreement or arrangement providing for such rights is subject to the prior approval of the State
2 Treasurer with regard to issues that might impact the tax-exempt status of outstanding debt
3 issued by the State for Zoo facilities.

1 A BILL TO BE ENTITLED
2 AN ACT TO REGULATE AND IMPOSE AN EXCISE TAX ON VIDEO SWEEPSTAKES,
3 TO USE THE PROCEEDS FOR LAW ENFORCEMENT AND PUBLIC EDUCATION,
4 AND TO PROVIDE FOR A DETERMINATION BY THE 2013 GENERAL ASSEMBLY
5 ON WHETHER THE EXPIRATION DATE OF THE REGULATORY REQUIREMENTS
6 IN THE ACT SHOULD BE EXTENDED.

7 Whereas, the General Assembly of North Carolina, in order to insure that the
8 gambling laws were not circumvented and to protect consumers from negative collateral
9 consequences of "sweepstakes" machines, enacted G.S. 14-306.4 in 2010; and

10 Whereas, the Superior Court for Guilford County, in Hest Technologies v. State,
11 found that, except for a single subdivision in the statute, the act making certain video
12 sweepstakes unlawful was constitutional; and

13 Whereas, the North Carolina Court of Appeals, upon appellate review and in a split
14 decision, found that the statute was unconstitutional; and

15 Whereas, the State has appealed the ruling of the North Carolina Court of Appeals
16 to the North Carolina Supreme Court, and filed its brief to the Court on June 15, 2012, and

17 Whereas, it cannot be determined when the North Carolina Supreme Court may
18 issue its decision whether the statute is or is not enforceable; and

19 Whereas, what had been an illegal activity is now being pursued across the State
20 without any regulation as to the integrity of software being utilized; the number of entries that
21 may be allowed per sweepstakes; an accounting as to how many winning entries and the
22 amounts being distributed as prizes; the age of persons who are allowed into "sweepstakes
23 parlors;" the presence of alcohol on the premises; and other matters which are legitimate
24 subjects of government regulation to insure against corrupt practices and to prevent consumers
25 of the State from being victimized; and

26 Whereas, it is the General Assembly's intent to enact regulations so long as video
27 sweepstakes are deemed lawful; Now, therefore,
28 The General Assembly of North Carolina enacts:

29 SECTION 1.(a) Chapter 105 of the General Statutes is amended by adding a new
30 article to read:

25 capable of being seen by a sweepstakes entrant, regardless of whether the

38 on a per capita basis according to the most recent annual population
39 estimates certified to the Secretary by the State Budget Officer.

40 (2) Three percent (3%) must be distributed to the municipal police departments
41 on a per capita basis according to the most recent annual population
42 estimates certified to the Secretary by the State Budget Officer.

47 Section.

48 (d) Education. – Of the remaining eighty-five percent (85%) of the net proceeds

50 thousand two hundred forty dollars (\$189,283,240) shall be credited to the Department of
51 Public Instruction and is appropriated to reduce the LEA Flexibility Adjustment, if applicable.

13 applies to an establishment that operates during any portion of a calendar year.

14 (c) Rate per Machine or Device. – A county or city may impose an annual excise tax at
15 the rate of five hundred dollars (\$500.00) on each video sweepstakes machine or device

18 machine or device operated during any portion of the calendar year.

19 (d) Administration. – Upon adoption of a resolution or ordinance levying the taxes
20 allowed under this section, the governing body of the county or city must immediately deliver a
21 certified copy of the resolution or ordinance to the Secretary. Upon receipt of the document, the
22 Secretary shall collect and administer the tax. The Secretary must distribute the local revenues
23 collected to the county or city for which the taxes are collected by March 31 of each year.

24 (e) Use of Funds. – Funds distributed by the Secretary to a city under this section may
25 be used for any public purpose. Funds distributed by the Secretary to a county under this
26 section must be allocated as follows:

27 (1) City share. – Fifty percent (50%) of the funds derived from a video
28 sweepstakes establishment located in a city or from a video sweepstakes
29 machine or device operated in an establishment located in a city must be
30 distributed to the city in which the establishment is located. The city may use
31 the funds distributed to it under this subdivision for any lawful purpose.

32 (2) Remaining share. – The remaining funds distributed to a county under this
33 section may be used by the county for any public purpose.

SENATE BILL 848

Short Title: Durham City Assessments. (Local)
Sponsors: Senators McKissick and Atwater.
Referred to: State and Local Government.

May 22, 2012

1 A BILL TO BE ENTITLED
2 AN ACT INCORPORATING ADDITIONAL BASES FOR MAKING ASSESSMENTS
3 UNDER THE CHARTER OF THE CITY OF DURHAM IN THE CASE OF BOTH
4 PETITIONED AND NON-PETITIONED ASSESSMENTS.

5 Whereas, Section 77(14) of the Charter of the City of Durham (Charter) currently
6 includes limited bases for making assessments against properties benefitting from
7 improvements; and

8 Whereas, the limited bases for making assessments currently available under the
9 Charter have the potential to allocate assessments to properties in a manner that is
10 disproportionate to the benefits bestowed by the improvements to the properties; and

11 Whereas, by incorporating additional bases for making assessments into the Charter,
12 the Durham City Council will be able to apportion both petitioned and non-petitioned
13 assessments among the benefitted properties in a manner that is more reflective of the benefits
14 bestowed on the benefitted properties; Now, therefore,

15 The General Assembly of North Carolina enacts:

16 SECTION 1. Section 77(14) of the Charter of the City of Durham, being Chapter
17 671 of the Session Laws of 1975, as amended by Chapter 577 of the 1991 Session Laws, reads
18 as rewritten:

19 "Sec. 77. Assessments for Water, Sewer, Street, Sidewalk, Grass Plot, Lighting, and
20 Waterfront Improvements.

21 ...
22 (14) Having determined such total cost, the City Council shall thereupon make a
23 preliminary assessment as hereinafter set out in this section. Such
24 preliminary assessment shall, however, be advisory only, and shall be
25 subject to the action of the Council thereon as hereinafter set out in
26 subsection 17 of this section. The preliminary assessment shall be made on
27 the basis hereinafter set out in this subsection for the classes of
28 improvements indicated; provided, that if the petition, or the resolution, in
29 those cases where the improvement was ordered made without petition,
30 specified that there should be specially assessed against the ~~abutting~~
31 benefited property a smaller proportion of the cost of any improvement than
32 is hereinafter specified in this section, then there shall be assessed against
33 the ~~abutting-benefiting~~ property only such proportion of the cost of the
34 improvement as was specified in the petition or in the resolution.

35 (a) Street paving. The total cost of any street paving improvement, exclusive of so
36 much of the cost as is incurred at street intersections and the share of street railways or

1 railroads, shall be specially assessed against the lots and parcels of land abutting directly on the
2 street paved, according to the extent of their respective frontages thereon, by an equal rate per
3 foot of such frontage. The cost of that part of the paving required to be borne by a street railway
4 or railroad, which paving is done by the City after default by the street railway in making the
5 same, as hereinbefore provided in this section, or which is done by the City by contract with the
6 railway or railroad as provided in subsection 12 of this section, shall be assessed against the
7 street railway or railroad, and the assessment shall be a lien on all of the franchises and
8 property of the street railway or railroad company, and may be collected by sale of such
9 property and franchises as is provided in subsection 23 of this section; Provided, further, that in
10 case of a corner lot, used as a single lot, the Council may provide by ordinance for the City to
11 bear a part of the cost of paving in accordance with the following formula, the amounts or
12 distances therein shown being maximum amounts or distances which may be reduced by the
13 ordinance:

14 (1) In the event that neither of the streets abutting a corner lot, used as a single
15 lot, has ever been paved, such lot shall be exempt from assessment for the
16 paving improvement along side of such lot to the extent of 20 per cent of the
17 first 150 feet thereof or 30 feet, whichever is less. Thereafter, upon the
18 paving of the intersecting street on which such lot abuts, such lot shall be
19 exempt from assessment for the paving of the street to the extent of 50 per
20 cent of the frontage on such street or 30 feet, whichever is less.

21 (2) In the event that the street along side of a corner lot, used as a single lot, is
22 paved and the intersecting street is to be paved, such lot shall be exempt
23 from assessment for the paving of the intersecting street to the extent of 50
24 per cent of the frontage thereon or 30 feet, whichever is less.

25 (3) In the event a street in front of a corner lot, used as a single lot, has been
26 paved and the street along side of such lot is to be paved, the lot shall be
27 exempt from assessment for the paving improvement along side of such lot
28 to the extent of 40 percent of the frontage on such street or 60 feet,
29 whichever is less.

30 The exemption herein provided shall apply only in areas zoned for
31 residential use or for apartments, and such portion of the cost of construction
32 as would otherwise be assessed against such corner lot shall be borne by the
33 City;

34 (b) Sidewalks. The total cost of constructing or reconstructing sidewalks shall be
35 assessed against the lots and parcels of land abutting on that side of the street upon which the
36 improvement is made, according to their respective frontages thereon by an equal rate per foot
37 of such frontage, the lots within a block being deemed to abut upon a sidewalk although the
38 latter extends beyond the lots to the curb line of an intersecting street; Provided, further, that in
39 case of a corner lot, used as a single lot, the Council may provide by ordinance for the City to
40 bear a part of the cost of sidewalk improvements in accordance with the following formula, the
41 amounts or distances therein shown being maximum amounts or distances which may be
42 reduced by the ordinance:

43 (1) In the event that neither of the streets abutting a corner lot, used as a single
44 lot, has sidewalks, such lot shall be exempt from assessment for the sidewalk
45 improvement along side of such lot to the extent of 20 per cent of the first
46 150 feet thereof or 30 feet, whichever is less. Thereafter, upon the
47 construction of sidewalks on the intersecting street, on which such lot abuts,
48 such lot shall be exempt from assessment for the sidewalk improvement on
49 the street to the extent of 50 per cent of the frontage on such street or 30 feet,
50 whichever is less.

1 (2) In the event that the street along side of a corner lot, used as a single lot, has
2 sidewalks and sidewalks are constructed on the intersecting street, such lot
3 shall be exempt from assessment for the sidewalks on the intersecting street
4 to the extent of 50 per cent of the frontage thereon or 30 feet, whichever is
5 less.

6 (3) In the event a street in front of a corner lot, used as a single lot, has
7 sidewalks and sidewalks are to be constructed on the intersecting street, the
8 lot shall be exempt from assessment for the sidewalk improvement along
9 side of such lot to the extent of 40 per cent of the frontage thereon or 60 feet,
10 whichever is less.

11 The exemptions herein provided shall apply only in areas zoned for
12 residential use or for apartments, and such portion of the cost of construction
13 as would otherwise be assessed against such corner lot shall be borne by the
14 City;

15 (c) Water mains and sewers. In the case of water mains and storm and sanitary sewers,
16 the cost of not exceeding an eight-inch water or sanitary sewer main and of not exceeding a
17 thirty-inch storm sewer main and of such portion of the mains as lie within the limits of the
18 street or streets, or parts thereof, to be improved as provided in the petition or resolution
19 ordering the same, shall be assessed against the abutting property. Such cost shall be assessed
20 against the lots and parcels of land abutting on the street or streets, or parts thereof, according
21 to their respective frontages thereon (i.e., the entire frontage benefited by the water or sanitary
22 sewer project) by an equal rate per foot of such frontage; provided, that in case of a corner lot,
23 used as a single lot, no assessment shall be made against the long side of the lot abutting on the
24 intersecting streets for any part of the frontage of such longer side of the lot except that portion
25 in excess of 150 feet if the lot is in a residential section of the City, or in excess of 100 feet if
26 the lot is in a business section of the City, and in such case the portion of the cost as would
27 otherwise be assessed against the lot shall be borne by the City; provided further, that if a water
28 or sanitary sewer main in excess of eight inches in size or a storm sewer main in excess of
29 thirty inches in size is laid in the portion of the street or streets, then the cost of the water or
30 sanitary sewer main in excess of the cost of an eight-inch main and the cost of the storm sewer
31 main in excess of a thirty-inch main shall be borne by the City, provided further, that if the
32 resolution ordered the construction of any septic tank or disposal plant, no part of the cost of
33 the same shall be specially assessed; provided further, that if the resolution ordered the
34 construction of any pumping station, force main or sanitary sewer outfall, the cost thereof may
35 be assessed against the lots and parcels of land abutting on the street or streets, or parts thereof,
36 according to their respective frontages thereon (i.e., the entire frontage benefited by such
37 pumping station, force main or sanitary sewer outfall) by an equal rate per front foot of such
38 frontage; provided, however, in the case of a corner lot, used as a single lot, where there is a
39 sewer already laid on the intersecting street on which the lot abuts and by which the lot is or
40 can be served, no assessment shall be made against the lot for the costs of any pumping station,
41 force main or sanitary sewer outfall incident to the second sewer for any part of the frontage of
42 the lot except that portion in excess of 150 feet if the lot is in a residential section, or in excess
43 of 100 feet if the lot is in a business section, and in such case the portion of the cost as would
44 otherwise be assessed against the lot shall be borne by the City. Nothing contained herein shall
45 be construed to limit the right of the City to contract with any property owner or owners for the
46 construction of any pumping station, outfall, septic tank or disposal plant or for the construction
47 of water mains or storm or sanitary sewers and for the assessment of the cost thereof according
48 to the terms of such contract;

49 (d) Water and Sewer Laterals. The entire cost of each water and sewer lateral required
50 to be laid by the owner of the property for or in connection with which such lateral is laid, but
51 laid by the City after default by the property owner in making the same as hereinbefore

1 provided, shall be specially charged against the particular lot or parcel of land for or in
2 connection with which it was made;

3 (e) Water Mains and Sewers and Laterals; Flat Rate Assessment. In lieu of assessing
4 each water and sanitary sewer improvement project on the basis of the cost of that particular
5 project, the City Council shall have authority to establish flat rates per frontage foot for the
6 assessment of property abutting water and sewer improvement projects, based on the average
7 cost of constructing 8-inch water mains and 8-inch sanitary sewer mains in the City, and shall
8 also have authority to establish flat rates for the assessment of property abutting the installation
9 of water and sanitary sewer laterals, based on the average cost of installing such laterals in the
10 City. The Council may then assess property abutting water and sanitary sewer improvement
11 projects on the basis of the flat rates so established, subject to the right of any nonpetitioning
12 property owner to have the assessment against his property adjusted as provided by law upon a
13 showing that his property has not been benefited to the extent of the assessment;

14 (f) Grass plots. The entire cost of grading or otherwise improving, or of planting, the
15 grass plots in any street or part thereof, shall be assessed against the lots and parcels of land
16 abutting on the street or part thereof wherein or whereon such improvements are made by an
17 equal rate per front foot of such frontage; provided, that this subsection shall be construed to
18 mean that when a grass plot in any street is graded or planted or otherwise improved, the cost
19 thereof shall be assessed against all of the property abutting on the street within the block
20 where such grass plot is located;

21 (g) Lighting improvements. The cost of any lighting improvement, such cost being
22 determined as provided in subsection thirteen of this section, shall be specially assessed against
23 the lots and parcels of land abutting directly on the street or streets, or part thereof, where such
24 improvement is made, according to their respective frontage thereon by an equal rate per foot
25 of such frontage;

26 (h) Water front improvements. The cost of any water front improvement shall be
27 specially assessed against the lots and parcels of land abutting on the improvement according to
28 their respective frontages thereon by an equal rate per foot of such frontage.

29 (i) In addition to the bases for making assessments for the cost of improvements
30 specified above in paragraphs (a) through (h) of this subdivision, the city council may
31 alternatively, or in conjunction, make assessments on the following bases:

32 (1) The area of land served, or subject to being served, by the improvement, at
33 an equal rate per unit of area.

34 (2) The value added to the land served by the improvement, or subject to being
35 served by it, being the difference between the appraised value of the land
36 without improvements as shown on the tax records of the county, and the
37 appraised value of the land with improvements according to the appraisal
38 standards and rules adopted by the county at its last revaluation, at an equal
39 rate per dollar of value added.

40 (3) The number of lots served, or subject to being served, where the project
41 involves extension of an existing system to a residential or commercial
42 subdivision, at an equal rate per lot.

43 (4) A combination of two or more of these alternative bases, which may also be
44 combined with the specific assessment basis listed above in paragraphs (a)
45 through (h) of this subdivision, for each class of improvement.

46 Whenever the basis selected for assessment is either area or value added, the
47 city council may provide for the laying out of benefit zones according to the
48 distance of benefited property from the improvement being undertaken, and
49 may establish differing rates of assessment to apply uniformly throughout
50 each benefit zone. For each improvement, the city council shall endeavor to
51 establish an assessment method from among the bases set out in this section

1 that will most accurately assess each lot or parcel of land according to the
2 benefit conferred upon it by the improvement."

3 **SECTION 2.** This act is effective when it becomes law.

18 Whereas, pursuant to Chapter 1074 of the 1989 Session Laws, as amended by
19 Chapter 900 of the 1991 Session Laws and Chapter 88 of the 1993 Session Laws, the General
20 Assembly directed that the State of North Carolina enter into a 99-year lease of the Indian
21 Cultural Center property with a North Carolina nonprofit entity known as the North Carolina
22 Indian Cultural Center, Inc. (NCICC); and
23 Whereas, the State of North Carolina entered into a 99-year lease agreement, dated
24 May 12, 1994, with NCICC, which lease was subsequently amended on December 9, 1997, and
25 June 6, 2001, in accordance with S.L. 1997-41 and S.L. 2001-89 (collectively, the "lease"); and
26 Whereas, the lease provides in paragraph 8 that the Indian Cultural Center property
27 is to "be maintained and improved, at no cost or expense to the [State of North Carolina], for

29 Inc., on file with the North Carolina Secretary of State"; and
30 Whereas, as provided in its charter, the organizational purposes of NCICC are, in
31 part: "a. [t]o respectfully present to the public accurate information on Native North American
32 history, art, and culture"; and "b. [t]o develop, establish, manage, furnish, equip, maintain,

* H 1 1 7 9 - P C S 1 1 3 8 5 - S V - 6 7 *

1 preserve, exhibit and interpret to the public the North Carolina Indian Cultural Center with its
2 Indian villages, arts and crafts, archaeological digs, museums, art exhibits, library, visitors'
3 center, recreational facilities, entertainment, restaurants, concessions, and other related
4 operations of an artistic, economic development, educational, and cultural nature"; and

5 Whereas, in addition to the maintenance requirements of paragraph 8, paragraphs 16
6 and 20 of the lease require NCICC to maintain during its term of possession, at its expense, the
7 Indian Cultural Center property and all permanent structures located on the property in
8 accordance with all applicable laws, rules, ordinances, orders, and regulations of State and
9 county governmental agencies; and

10 Whereas, in March 2010, the Office of State Construction assessed the condition of
11 the improvements at the Indian Cultural Center property, from which assessment it appears that
12 the improvements on the property have not been maintained as required in paragraphs 8, 16,
13 and 20 of the lease; and

14 Whereas, subsequently, the North Carolina Department of Insurance conducted a
15 fire and safety inspection at the Indian Cultural Center property, from which inspection it
16 appears that the improvements on the property have not been maintained as required in
17 paragraphs 8, 16, and 20 of the lease; and

18 Whereas, the Riverside Golf Course, comprising approximately 110 acres, is
19 contiguous to Indian Cultural Center property and uses as a means of access the main road
20 extending through the Indian Cultural Center property; and

21 Whereas, pursuant to paragraph 13 of the lease, the State of North Carolina retained
22 the right of ingress and egress, both vehicular and pedestrian, over the main road extending
23 through the Indian Cultural Center property for the purpose of accessing the Riverside Golf
24 Course; and

25 Whereas, NCICC has hindered or prevented access to the Riverside Golf Course by
26 the State, its lessees, contractors, and invitees by changing the locks on the entrance gate to the
27 Indian Cultural Center property and by other means; and

28 Whereas, paragraph 25 of the lease requires NCICC to keep in force, and maintain
29 throughout the term of the lease, fire and extended coverage insurance on the permanent
30 structures located on the Indian Cultural Center property; and

31 Whereas, pursuant to paragraph 26 of the lease, NCICC is required to keep in force,
32 for the mutual benefit of the State and NCICC, at no cost to the State, comprehensive broad
33 form general public liability insurance on the terms and conditions set forth in the lease; and

34 Whereas, NCICC has failed to provide evidence to the State that the insurance
35 required under paragraphs 25 and 26 of the lease is in force; and

36 Whereas, upon consultation with the Department of Administration, the Office of
37 the Attorney General provided NCICC with notice in a letter dated January 18, 2011, that
38 NCICC was in breach of its obligations under the lease for defaults that included some of those
39 set forth above; and

40 Whereas, the General Assembly also finds that NCICC is, and has been for some
41 time, in breach of its obligations under the lease for the defaults set forth above and other
42 defaults and that it would be in the best interest of the State if the lease were terminated and
43 existing law amended to allow the State of North Carolina to effect an alternate arrangement
44 for the disposition and management of the Indian Cultural Center property other than the lease
45 with NCICC; and

46 Whereas, pursuant to subsection (a) of Section 18 of Chapter 1074 of the 1989
47 Session Laws, as amended by Section 22 of Chapter 900 of the 1991 Session Laws, Section 1
48 of Chapter 88 of the 1993 Session Laws, Section 33 of Chapter 561 of the 1993 Session Laws,
49 Section 1 of S.L. 1997-41, and Section 1 of S.L. 2001-89, the Riverside Golf Course was
50 excluded from the real property subject to the lease and operated for a period of time under
51 separate lease agreements; and

1 Whereas, the Riverside Golf Course is not currently in operation and all lease
2 agreements for the Riverside Golf Course have either expired or allow for termination upon 30
3 days' notice by the State; Now, therefore,

4 The General Assembly of North Carolina enacts:

5 **SECTION 1.** Termination of leases and repossession of land. – Notwithstanding
6 the provisions of subsection (a) of Section 18 of Chapter 1074 of the 1989 Session Laws, as
7 amended by subsection (e) of Section 22 of Chapter 900 of the 1991 Session Laws, Section 1 of
8 Chapter 88 of the 1993 Session Laws, Section 33 of Chapter 561 of the 1993 Session Laws,
9 Section 1 of S.L. 1997-41, and Section 1 of S.L. 2001-89, the State of North Carolina shall
10 immediately terminate its lease of the Indian Cultural Center property pursuant to the terms of
11 the lease and repossess the property. The State of North Carolina shall also terminate its lease
12 of the Riverside Golf Course property upon giving 30 days' notice pursuant to the terms of the
13 lease and repossess the property. The State of North Carolina shall not sell, lease, or otherwise
14 dispose of the Indian Cultural Center property or the Riverside Golf Course property until the
15 Joint Legislative Program Evaluation Oversight Committee has made its final
16 recommendations upon completion of the study directed by Section 2 of this act and the
17 General Assembly has enacted legislation directing action on this issue.

18 **SECTION 2.(a)** PED Study. –The Joint Legislative Program Evaluation Oversight
19 Committee shall include in the 2012-2013 Work Plan for the Program Evaluation Division of
20 the General Assembly a study to evaluate the options for disposing of the Indian Cultural
21 Center property and the Riverside Golf Course property in such a way that ensures that the
22 properties will continue to serve all of the purposes listed in this section. The purposes are:

- 23 (1) The preservation, exhibition, and interpretation of Native North American
24 arts, crafts, and artifacts.
- 25 (2) The provision of information to the public on Native North American history
26 and culture.
- 27 (3) The installation of new and the renovation of existing public recreational and
28 entertainment facilities.
- 29 (4) The cultivation of economic development enterprises.

30 **SECTION 2.(b)** Reporting. – The Program Evaluation Division shall submit its
31 findings and recommendations to the Joint Legislative Program Evaluation Oversight
32 Committee at a date to be determined by the Joint Legislative Program Evaluation Oversight
33 Committee. The Committee shall submit its findings and recommendations to the General
34 Assembly on or before the convening of the 2013 General Assembly.

HOUSE BILL 1180
PROPOSED COMMITTEE SUBSTITUTE H1180-CSRbx-93 [v.1]

Short Title: Video Sweepstakes to Support Education.

1 A BILL TO BE ENTITLED
2 AN ACT TO REGULATE AND IMPOSE AN EXCISE TAX ON VIDEO SWEEPSTAKES,
3 TO USE THE PROCEEDS FOR LAW ENFORCEMENT AND PUBLIC EDUCATION,
4 AND TO PROVIDE FOR A DETERMINATION BY THE 2013 GENERAL ASSEMBLY
5 ON WHETHER THE EXPIRATION DATE OF THE REGULATORY REQUIREMENTS
6 IN THE ACT SHOULD BE EXTENDED.

7 Whereas, the General Assembly of North Carolina, in order to insure that the
8 gambling laws were not circumvented and to protect consumers from negative collateral
9 consequences of "sweepstakes" machines, enacted G.S. 14-306.4 in 2010; and

10 Whereas, the Superior Court for Guilford County, in Hest Technologies v. State,
11 found that, except for a single subdivision in the statute, the act making certain video
12 sweepstakes unlawful was constitutional; and

13 Whereas, the North Carolina Court of Appeals, upon appellate review and in a split
14 decision, found that the statute was unconstitutional; and

15 Whereas, the State has appealed the ruling of the North Carolina Court of Appeals
16 to the North Carolina Supreme Court, and filed its brief to the Court on June 15, 2012, and

17 Whereas, it cannot be determined when the North Carolina Supreme Court may
18 issue its decision whether the statute is or is not enforceable; and

19 Whereas, what had been an illegal activity is now being pursued across the State
20 without any regulation as to the integrity of software being utilized; the number of entries that
21 may be allowed per sweepstakes; an accounting as to how many winning entries and the
22 amounts being distributed as prizes; the age of persons who are allowed into "sweepstakes
23 parlors;" the presence of alcohol on the premises; and other matters which are legitimate
24 subjects of government regulation to insure against corrupt practices and to prevent consumers
25 of the State from being victimized; and

26 Whereas, it is the General Assembly's intent to enact regulations so long as video
27 sweepstakes are deemed lawful; Now, therefore,
28 The General Assembly of North Carolina enacts:

29 SECTION 1.(a) Chapter 105 of the General Statutes is amended by adding a new
30 article to read:

31 "Article 2E.
32 "Video Sweepstakes Revenue for Education and Law Enforcement.

12 General Statutes, and which does not have an entertaining display, to include

15 are not subject to the provisions of this Article.

16 (3) Prize. – Any gift, award, gratuity, good, service, credit, or anything else of

20 (4) Sweepstakes. – Any game, advertising scheme or plan, or other promotion
21 that, with or without payment of any consideration, a person may enter to
22 win or become eligible to receive any prize, the determination of which is
23 based upon chance.

24 (5) Video display. – Visual information in the form of an entertaining display,
25 capable of being seen by a sweepstakes entrant, regardless of whether the
26 information is communicated through actual or simulated game play; video

28 displayed on a screen; or by any other type, method, or mode of

38 **"§ 105-113.122. Excise tax on video sweepstakes establishments and machines.**

39 (a) Excise Tax. – An excise tax is levied on each video sweepstakes establishment
40 operating in this State as follows:

41 (1) A rate per video sweepstakes establishment.

42 (2) A rate per video sweepstakes machine or device.

43 (3) A rate on gross receipts.

44 (b) Rate per Establishment. – An annual excise tax at the rate of two thousand dollars
45 (\$2,000) is levied on a video sweepstakes establishment. The amount due is payable by January
46 1 of each year. The full amount of the tax applies to an establishment that operates during any
47 portion of a calendar year.

48 (c) Rate per Machine or Device. – An annual excise tax at the rate of one thousand

50 sweepstakes establishment. The amount due is payable by January 1 of each year. The full
51 amount of tax applies to a video sweepstakes machine or device that operates during any

1 portion of a calendar year. The Secretary must issue stamps to affix to each video sweepstakes
2 machine or device to indicate payment as required by this Article. The stamp must be displayed
3 conspicuously on the video sweepstakes machine or device, and it must clearly indicate the
4 year for which the tax is paid. Upon payment of the tax, the Secretary shall issue a stamp for
5 each video sweepstakes machine or device for which payment is received.

6 (d) Gross Receipts. – An annual excise tax of four percent (4%) of the taxable gross
7 receipts from operating a video sweepstakes machine or device is levied on each video
8 sweepstakes establishment. The amount due is payable quarterly or monthly in accordance with

15 transferred to a sweepstakes entrant. The return must include the taxpayer's gross receipts from
16 operating one or more video sweepstakes machines or devices during the reporting period and
17 the prizes awarded during this period to a sweepstakes entrant.

19 must report the taxes payable under this section in the form required by the Secretary. The
20 return must include the address where the video sweepstakes machines or devices are located
21 and whether the location is within the corporate limits of a municipality. Notwithstanding any
22 other provision of law, the person is not required to give identifying information on the return,
23 and the return is not required to be verified by oath or affirmation. The tax is due when the
24 return is filed. Taxes may be paid and stamps may be issued either by mail or in person.

25 **"§ 105-113.123. Use of tax proceeds.**

26 (a) Distribution. – The Secretary shall distribute the net tax proceeds collected under
27 this Article as provided in this section. Effective January 1, 2014, the Secretary must transfer
28 one million dollars (\$1,000,000) annually to the Department of Health and Human Services for
29 gambling addiction education and treatment programs before making the distributions under
30 this section.

31 (b) Administration. – The Department may retain six percent (6%) of the net proceeds
32 for its administrative expenses.

33 (c) Law Enforcement. – The Secretary must distribute nine percent (9%) of the net
34 proceeds collected under this Article to various law enforcement agencies, as provided in this
35 subsection. The monies distributed under this subsection are provided as additional funding for
36 the purposes for which they are distributed and are not intended to supplant existing funding.

37 (1) Three percent (3%) must be distributed to the county sheriff's departments
38 on a per capita basis according to the most recent annual population
39 estimates certified to the Secretary by the State Budget Officer.

40 (2) Three percent (3%) must be distributed to the municipal police departments
41 on a per capita basis according to the most recent annual population
42 estimates certified to the Secretary by the State Budget Officer.

43 (3) Three percent (3%) must be credited to the General Fund and appropriated
44 by the General Assembly in the Current Operations Appropriations Act for
45 the fiscal year that begins the following July 1 to the Department of Public
46 Safety for the support and operation of the Alcohol Law Enforcement
47 Section.

48 (d) Education. – Of the remaining eighty-five percent (85%) of the net proceeds
49 collected under this Article, the first one hundred eighty-nine million two hundred eight-three
50 thousand two hundred forty dollars (\$189,283,240) shall be credited to the Department of
51 Public Instruction and is appropriated to reduce the LEA Flexibility Adjustment, if applicable.

1 After this allocation is made, any remaining proceeds must be credited to the General Fund and
2 appropriated by the General Assembly in the Current Operations Appropriations Act for the
3 fiscal year that begins the following July 1 for education.

4 **"§ 105-113.124. Local tax.**

5 (a) Authorization. – A county or city may, by resolution or ordinance respectively,
6 impose an excise tax as allowed under this section on each video sweepstakes establishment
7 located in that county or city as follows:

8 (1) A rate per video sweepstakes establishment.

9 (2) A rate per video sweepstakes machine or device.

10 (b) Rate per Establishment. – A county or city may impose an annual excise tax at the
11 rate of one thousand dollars (\$1,000) on each video sweepstakes establishment located in that
12 jurisdiction. The amount due is payable by January 1 of each year. The full amount of tax
13 applies to an establishment that operates during any portion of a calendar year.

14 (c) Rate per Machine or Device. – A county or city may impose an annual excise tax at
15 the rate of five hundred dollars (\$500.00) on each video sweepstakes machine or device
16 operated in a video sweepstakes establishment located in that jurisdiction. The amount due is
17 payable by January 1 of each year. The full amount of tax applies to a video sweepstakes
18 machine or device operated during any portion of the calendar year.

19 (d) Administration. – Upon adoption of a resolution or ordinance levying the taxes

HOUSE BILL 1180: Video Sweepstakes Entertainment Tax

2011-2012 General Assembly

Committee:	House Finance	Date:	June 27, 2012
Introduced by:	Reps. Owens, Spear, Collins, McGee	Prepared by:	Cindy Avrette
Analysis of:	PCS to First Edition H1180-CSRbx-93		Committee Counsel

SUMMARY: *House Finance has discussed House Bill 1180 at its meeting last Thursday and yesterday. Based on committee discussion and member concerns, the PCS has evolved. The PCS does the following:*

- *The PCS provides that video sweepstakes will be regulated by the Department of Revenue, rather than the Lottery Commission, effective October 1, 2012. The section of the bill that provides for regulation will expire April 1, 2013. It is anticipated that the North Carolina Supreme Court will make a decision in the Hest case by that time. However, if it has not made a decision by April 1, 2013, the General Assembly may extend the sunset. If the court rules against the State, and the games remain legal, the General Assembly may repeal the sunset provision.*
- *The PCS provides that video sweepstakes establishments and video sweepstakes machines and devices will be subject to an excise tax. The tax becomes effective January 1, 2013. The tax will apply to any establishment operating in this State and to any machine or device operated in this State, regardless of whether or not the operation is legal or illegal.*
- *Under the PCS, effective January 1, 2014, the first \$1,000,000 of revenue will be transferred to DHHS for gambling addiction education and treatment programs. The PCS distributes the remaining tax revenue as follows: 6% will go to the Department of Revenue for administrative expenses; 3% will go to the county sheriff's departments; 3% will go to the city police departments; 3% will go the General Fund to be appropriated for the support and operation of the Alcohol Law Enforcement Section; 85% will be earmarked for public education. Of the amount earmarked for public education, the first \$189,283,240 will be appropriated to DPI to reduce the LEA budget adjustment. The remaining amount earmarked for public education will be credited to the General Fund and appropriated for education. The PCS notes that the intent of the distribution for law enforcement is to increase funding for it, not to supplant current funding.*
- *The PCS provides a uniform tax on video sweepstakes establishments for both counties and cities. If a county chooses to tax video sweepstakes establishments, it must share 50% of the revenue it receives from establishments located in a city with that city.*

CURRENT LAW: In 2010, the General Assembly expanded the prohibition it enacted on video poker machines in 2006 to include video sweepstakes and similar devices. On March 6, 2012, the N.C. Court of Appeals held that the ban on video sweepstakes and similar devices was an unconstitutional restriction of free speech. The case, *Hest Technologies, Inc. v. North Carolina*, has been appealed to the N.C. Supreme Court. The Supreme Court has not yet set a time for oral arguments, so it will likely be 2013 at the earliest before the case is decided.

The State repealed most of its privilege taxes in the 1990s. Counties do not have general authority to impose privilege taxes. Cities, however, have the power to levy privilege license taxes on all trades,

House PCS 1180

Page 2

occupation, professions, businesses, and franchises carried on within the city unless the law provides otherwise. Since the tax law is silent in regards to video sweepstakes, cities arguably have the authority to tax them. This authority has been upheld by the court of appeals in *IMT, Inc. v. City of Lumberton* on February 21, 2012. In that case, the court of appeals upheld Lumberton's imposition of a \$5,000 per establishment and \$2,500 per machine privilege license tax on internet sweepstakes businesses.

BILL ANALYSIS: The PCS for House Bill 1180 does not repeal the statute the General Assembly enacted in 2010 that made video sweepstakes machines and devices illegal.

Revenue Enhancement and Use of Proceeds:

Section 1 of the PCS imposes an excise tax on video sweepstake establishments operating in the State and an excise tax on video sweepstakes machines and devices operating in this State. The tax applies regardless of the outcome of the court decision. In that respect, the tax is similar to the tax on unauthorized controlled substances enacted by the General Assembly in 1989.

Like the original bill, the PCS imposes three different taxes:

- An annual tax of \$2,000 per establishment. The tax would be payable on a calendar year basis. The full amount of tax applies to a person who, during any portion of a calendar year, operates a video sweepstakes establishment.
- An annual tax per machine or device of \$1,000. Evidence of payment of the tax would be acknowledged by a stamp affixed to the machine or device.
- A 4% tax on the gross receipts from operating a video sweepstakes machine or device. Taxable gross receipts are the gross receipts derived by the establishment from a person that results in the person's eligibility to operate a sweepstakes machine or device at the establishment to determine whether the person has won a sweepstakes prize, less then amount of any prizes transferred to a sweepstakes entrant. This tax would be payable quarterly if the taxpayer is consistently liable for less than \$100 a month and would be payable monthly if the taxpayer is consistently liable for more than \$100 a month but less than \$20,000 a month. If the taxpayer is consistently liable for at least \$20,000 a month, the tax would be payable in accordance with the schedule and requirements that apply to payments of sales and use tax.

Eighty-five percent (85%) of the revenue derived from these taxes would be earmarked for public education. The first \$189,283,240 would be appropriated to DPI to reduce the LEA budget adjustment. The remainder would be appropriated to education as provided in the budget bill. Six percent (6%) of the revenue would be used for administrative expenses of the Department of Revenue. The remaining 9% would be allocated for law enforcement: 3% distributed to county sheriff's departments on a per capita basis; 3% distributed to municipal police departments on a per capita basis; and 3% appropriated for the support and operation of ALE.

Like the original bill, the PCS authorizes a uniform local privilege tax structure for counties and cities. Since counties do not currently have the authority to levy a privilege tax on a video sweepstakes establishment, this authority would be new for counties and would result in additional revenue. Under the broad privilege tax authority available to cities, several have levied privilege taxes on video sweepstakes establishments and in some instances the taxes currently levied are greater than the ones that would be allowed under this act. The taxes authorized for local governments would be in addition to the State taxes, and could result in a three-tier tax on video sweepstakes establishments located in a city. The local taxes would be administered by the State and distributed to the local governments on a quarterly basis. The taxes authorized for counties and cities would be as follows: an annual tax per establishment of \$1,000 and an annual tax per machine or device of \$500. The PCS provides that a

House PCS 1180

Page 3

county must share with a city one-half of the revenue it derives from an establishment or machine or device located in the city.

Regulation of Video Sweepstakes Establishments:

Section 2 of the PCS creates a new Chapter 18D, Video Sweepstakes. This section is new in the PCS. This Chapter is to provide regulations while video sweepstakes are "legal." It states that its intent is to "regulate any video sweepstakes that are not otherwise unlawful under applicable State law."

- The act puts regulatory authority with the Department of Revenue. Operators are required to obtain a license (\$250 application fee), and appropriate screening is conducted.
- Regulations are put in place to insure the integrity of the software; allows the Commission to insure that it can monitor how the games are conducted, and how the prizes that are awarded; limits entry into sweepstakes parlors to those 18 and over, and provides signage requirements; prohibits the purchase or consumption of alcohol in sweepstakes parlors; and allows the Commission to enact other regulations as necessary.
- Provides the Commission with power to deny licenses and to investigate for regulatory violations. Provides for criminal penalties and fines for certain violations, and civil penalties for certain regulatory violations.
- The act has a sunset provision which can be addressed by the 2013 legislature.
 - If the Supreme Court has not ruled by April 1, 2013, the GA can extend the sunset.
 - If the Court says that the statute is enforceable, and the games are illegal, the GA can let the regulations expire or repeal them.
 - If the Court rules that the video games are legal, then the GA can repeal the sunset provision, and until the GA decides to pass new legislation to prohibit them (or decides to do nothing), then the regulatory framework will stay in effect.

EFFECTIVE DATE: The bill would become effective when it becomes law. The regulation of the industry would apply to video sweepstakes establishments operating on or after October 1, 2012. The tax would apply to video sweepstakes establishments operated in this State on or after January 1, 2013.

16 (4) Submit to the Division by July 15 of each year the test scores of any

34 § 1232g.

35 (c) A nonpublic school accepting donation scholarship funds that fails to comply with
36 the requirements of this section shall be deemed ineligible to receive future donation

46 endorse the donation scholarship award to the nonpublic school for deposit into the account of
47 the nonpublic school. The parent or guardian shall not designate any entity or individual
48 associated with the nonpublic school as the parent's attorney-in-fact to endorse the donation
49 scholarship payment certificate, but shall endorse the donation scholarship payment certificate
50 in person at the site of the nonpublic school. A parent or guardian's failure to comply with this
51 section shall result in forfeit of the donation scholarship. A donation scholarship forfeited for

2 be awarded to another eligible student for that school year.

3 **"§ 115C-562.6. Division reporting requirements.**

4 (a) The Division shall report to the Department of Public Instruction annually, no later
5 than August 1, the number of eligible students who have received donation scholarships
6 through a scholarship-funding organization and who were enrolled the prior semester in a local
7 school administrative unit or charter school, by previously attended local school administrative
8 unit or charter school. The Department of Public Instruction shall adjust the allotments of local
9 school administrative units or charter schools based on the number of students awarded a
10 donation scholarship who attended a local school administrative unit or charter school during
11 the prior semester. The amount of the adjustment shall equal the average per pupil allocation
12 for average daily membership from the local school administrative unit or charter school.

13 (b) The Division shall report annually, no later than March 1, to the Joint Legislative
14 Education Oversight Committee on the following:

- 15 (1) Number and name of scholarship-funding organizations certified by the
16 Division.

33 Public Instruction and the Joint Legislative Education Oversight Committee on the learning
34 gains of eligible students receiving donation scholarships. This report shall be conducted by an
35 independent research organization to be selected by the Division, which may be a public or
36 private entity or university. The independent research organization shall report to the Division
37 on the learning gains of eligible students receiving donation scholarships on a Statewide basis
38 and shall compare, to the extent possible, the learning gains of these by nonpublic school to the
39 Statewide learning gains of public school students with similar socioeconomic backgrounds,
40 using aggregate standardized test performance data provided to the Division by nonpublic
41 schools and by the Department of Public Instruction."

42 SECTION 2. Subchapter I of Chapter 105 of the General Statutes is amended by
43 adding a new Article to read:

44 "Article 3L.

45 "Equal Opportunity Scholarship Tax Credit.

46 **"§ 105-129.100. Definitions.**

47 For purposes of this Article, a "scholarship-funding organization" is an organization
48 certified by the Division of Nonpublic Education of the Department of Administration pursuant
49 to G.S. 115C-562.2.

50 **"§ 105-129.101. Credit for donations to fund scholarships.**

1 (a) Credit. – A taxpayer that makes and substantiates, as required by G.S. 105-129.103,
2 a monetary donation to a scholarship-funding organization is allowed a tax credit equal to the
3 amount of the donation.

4 (b) Taxes Election. – The credit provided in this section is allowed against the excise
5 tax levied on beer, wine, and liquor in Part 4 of Article 2C of this Chapter, the franchise tax
6 levied in Article 3 of this Chapter, the income taxes levied in Part 1 of Article 4 of this Chapter,
7 or the insurance gross premiums tax levied under Article 8B of this Chapter. The taxpayer shall
8 elect the tax against which a credit will be claimed when filing the return on which the credit is
9 first claimed. This election is binding. Any carryforwards of the credit must be claimed against
10 the same tax.

11 (c) Cap. – The credit allowed in this Article may not exceed the amount of tax against
12 which it is claimed for the taxable period, reduced by the sum of all other credits allowed
13 against that tax, except tax payments made by or on behalf of the taxpayer. This limitation
14 applies to the cumulative amount of the credit, including carryforwards, claimed by the
15 taxpayer under this Article against each tax for the taxable period.

16 (d) Carryforward. – Any unused portion of a credit claimed against the franchise tax
17 levied in Article 3 of this Chapter, the income taxes levied in Part 1 of Article 4 of this Chapter,
18 or the insurance gross premium tax levied under Article 8B of this Chapter may be carried
19 forward for the succeeding five years. Any unused portion of a credit claimed against the excise
20 tax levied in Part 4 of Article 2C of this Chapter may be carried forward for the succeeding five
21 months.

22 (e) Change in Ownership of Business. – As used in this subsection, the term "business"
23 means a taxpayer. If, by sale, merger, consolidation, conversion, acquisition, or bankruptcy of a
24 business, or any transaction, an existing business reformulates itself as another, succeeding
25 business, the successor business may take any credit or carried-over portion of a credit that its
26 predecessor could have taken if it had a tax liability.

27 **"§ 105-129.102. Aggregate cap.**

28 From July 1, 2012, to December 31, 2012, the total amount of donations made for which a
29 tax credit is allowed under this Article may not exceed two million dollars (\$2,000,000). For
30 the calendar year beginning on January 1, 2013, the total amount of donations made in the
31 calendar year for which a tax credit is allowed under this Article may not exceed forty million
32 dollars (\$40,000,000).

33 **"§ 105-129.103. Substantiation.**

34 (a) Request for Written Certification. – To be eligible for the tax credit provided in this
35 Article, the taxpayer shall obtain from the Secretary a written certification that the sum of the
36 taxpayer's donation and all other donations for which the Secretary has issued a written
37 certification does not exceed the aggregate cap provided in G.S. 105-129.102. A request for a
38 written certification shall be on a form prescribed by the Secretary and shall include any
39 relevant supporting documentation the Secretary may require.

40 (b) Written Certification. – The Secretary shall respond to a request within 20 days and
41 may not issue a written certification after December 31 of the calendar year in which the
42 donation is made. Within 120 days of the date the Secretary issues the written certification, the
43 taxpayer shall submit the donation with the written certification to the scholarship-funding
44 organization or shall notify the Department that the donation was not made, whereupon the
45 Secretary may reallocate the amount to another taxpayer. The Secretary shall determine and
46 publish, on a weekly basis, the number and amount of certified donations that have been made.
47 The Secretary shall approve each request submitted in the order the requests are received until
48 the total amount of certified donations equals the aggregate cap provided in G.S. 105-129.102.
49 Each request received on the same business day shall be treated as received at the same time.
50 On the day the requests received, when added to the preceding written certifications issued,
51 exceed the aggregate cap provided in G.S. 105-129.102, the Secretary shall certify the

1 remaining amount under the aggregate cap in proportion to the amount of each request received
2 on that day. Every taxpayer claiming a credit for a donation under this section shall submit to
3 the Department any receipt received from a scholarship-funding organization within seven days
4 of receipt and shall maintain and make available for inspection by the Secretary any records the
5 Secretary considers necessary to determine and verify that the donation has been timely made.
6 The burden of proving eligibility for the credit and the amount of the credit shall rest upon the
7 taxpayer, and no credit shall be allowed to a taxpayer that fails to maintain adequate records or
8 to make them available for inspection."

9 SECTION 3.(a) G.S. 105-113.82 reads as rewritten:

10 "(a) Amount. – The Secretary must distribute annually a percentage of the net amount of
11 excise taxes collected on the sale of malt beverages and wine during the preceding 12-month
12 period ending March 31 to the counties or cities in which the retail sale of these beverages is
13 authorized in the entire county or city. For purposes of this distribution, the net amount is
14 calculated before any credit allowed under Article 3L of this Chapter is taken against the tax.
15 The percentages to be distributed are as follows:

- 16 (1) Of the tax on malt beverages levied under G.S. 105-113.80(a), twenty and
17 forty-seven hundredths percent (20.47%).
- 18 (2) Of the tax on unfortified wine levied under G.S. 105-113.80(b), forty-nine
19 and forty-four hundredths percent (49.44%).
- 20 (3) Of the tax on fortified wine levied under G.S. 105-113.80(b), eighteen
21 percent (18%)."

22 SECTION 3.(b) This section becomes effective when it becomes law and applies
23 to distributions made on or after that date. This section expires for distributions made on or
24 after March 31, 2015.

25 SECTION 4.(a) G.S. 105-130.5(a)(10) reads as rewritten:

26 "(a) The following additions to federal taxable income shall be made in determining
27 State net income:

- 28 ...
- 29 (10) The total amounts allowed under this Chapter during the taxable year as a
30 credit against the taxpayer's income tax. This subdivision does not apply to a
31 credit allowed under Article 3L of this Chapter or under G.S. 105-130.47. A
32 corporation that apportions part of its income to this State shall make the
33 addition required by this subdivision after it determines the amount of its
34 income that is apportioned and allocated to this State and shall not apply to a
35 credit taken under this Chapter the apportionment factor used by it in
36 determining the amount of its apportioned income.

37"

38 SECTION 4.(b) This section is effective for taxable years beginning on or after
39 January 1, 2012, and expires for taxable years beginning on or after January 1, 2014.

40 SECTION 5. G.S. 105-259(b) is amended by adding a new subdivision to read:

41 "(b) Disclosure Prohibited. – An officer, an employee, or an agent of the State who has
42 access to tax information in the course of service to or employment by the State may not
43 disclose the information to any other person except as provided in this subsection. Standards
44 used or to be used for the selection of returns for examination and data used or to be used for
45 determining the standards may not be disclosed for any purpose. All other tax information may
46 be disclosed only if the disclosure is made for one of the following purposes:

- 47 ...
- 48 (24a) To furnish the Division of Nonpublic Education of the Department of
49 Administration information needed to determine whether a
50 scholarship-funding organization has any overdue tax debts that would
51 prohibit it from being certified pursuant to G.S. 115C-562.2."

1 **SECTION 5.(b)** This section is effective when it becomes law and expires January
2 1, 2015.

3 **SECTION 6.** For the implementation of the provisions of this act, there is
4 appropriated from the General Fund to the Department of Revenue the sum of four hundred
5 seventy-eight thousand thirty-eight dollars (\$478,038) for the 2012-2013 fiscal year and to the
6 Department of Administration the sum of three hundred seventeen thousand nine hundred
7 sixty-six dollars (\$317,966) to be allocated to the Division of Nonpublic Education for the
8 2012-2013 fiscal year. The Department of Revenue may establish two personnel positions to
9 administer the provisions of this act. The Division of Nonpublic Education may establish four
10 personnel positions to administer the provisions of this act.

11 **SECTION 7.** If House Bill 950 becomes law, then Section 2.1 of that act reads as
12 rewritten:

13 **"SECTION 2.1.** Appropriations from the General Fund of the State for the
14 maintenance of the State departments, institutions, and agencies, and for other purposes as
15 enumerated, are adjusted for the fiscal year ending June 30, 2013, according to the schedule
16 that follows. Amounts set out in parentheses are reductions from General Fund appropriations

EFFECTIVE DATES: This bill is effective for taxable years beginning January 1, 2012, and applies to semesters beginning on or after July 1, 2012. Tax credits sunset effective January 1, 2014.					

BILL SUMMARY:

Overview

The bill creates the Equal Opportunity Scholarship Tax Credit program ("the Program"). The Program provides scholarships to eligible students who attend private schools in grades K-12 where tuition is charged (a "private school"). Scholarships are funded by businesses and corporations, which would receive tax credits to offset donations to scholarship-funding organizations (SFOs).

Business Tax Credits

For businesses and corporations, the Program provides tax credits from State taxes for making donations to SFOs. Businesses and corporations would be able to receive a tax credit equal to 100% of the donation amount.

Tax credits are allowed against:

- The excise tax levied in Part 4 of Article 2C of Chapter 105;¹
- The franchise tax levied in Article 3 of Chapter 105;
- Income taxes levied in Part 1 of Article 4 of Chapter 105; or
- The insurance gross premium tax levied under Article 8B of Chapter 105.

Unused credits claimed against the excise tax may be carried forward for five months. Unused credits claimed against income taxes may be carried forward for five years.

Businesses can begin making donations to SFOs can begin receiving tax credits effective July 1, 2012. From July 1, 2012 to December 31, 2012, the total amount of tax credits granted would be \$2 million. For the 2013 calendar year, the total amount of tax credits available may not exceed \$40 million. Tax credits would not be allowable after the 2013 calendar year.

To be eligible for the tax credit, the taxpayer must obtain a written certification from the DOR that there are still credits available under the cap. Within 120 days of receiving the certification, the business must submit the donation with the certification to the SFO. To facilitate this process, the DOR must publish, on at least a weekly basis, updated information on the availability of tax credits. The taxpayer must maintain all required paperwork to prove eligibility of the tax credit.

Donations to SFOs are effective for the 2012 taxable year, and can be made beginning July 1, 2012. DOR would be required to develop the necessary reporting and application forms required for a credit by September 1, 2012.

Scholarship Eligibility

For eligible students, the Program provides scholarships of up to \$4,000 per year. In order to be eligible, students must be from families whose annual income is at or below 225% of the federal poverty guidelines.²

¹ Credits taken against this tax will not affect distributions to counties or cities.

² The federal poverty guidelines are issued each year in the *Federal Register* by the federal Department of Health and Human Services. The guidelines are used for administrative purposes — for instance, determining financial eligibility for certain federal programs. The *Federal Register* notice of the 2012 poverty guidelines is available here: <http://aspe.hhs.gov/poverty/12poverty.shtml>.

3	\$19,090	\$42,953
4	\$23,050	\$51,863

6	\$30,970	\$69,683
7	\$34,930	\$78,593
8	\$38,890	\$87,503

Additionally, students must:

- Have spent at least the previous semester in a North Carolina public school;
- Be entering kindergarten or first grade; or
- Have received a scholarship during the previous school year

Eligible students could begin receiving scholarships in the spring 2013 semester of the 2012-13 school year.

Scholarship-Funding Organizations

SFOs must apply annually to the Division of Nonpublic Education (“the Division”) to be certified as an SFO. Applications are due to the Division by June 1 of each year, and certifications to organizations meeting the eligibility criteria must be issued no later than August 1. In order to qualify, as an SFO, an organization must:

- Incorporate as a 501(c)(3) tax-exempt nonprofit corporation and registered with the North Carolina Department of the Secretary of State;
- For the first 24 months of operation, uses 100% of donations to fund scholarships; after 24 months, uses at least 93% of donations to fund scholarships;
- Does not award scholarships to students within five degrees of kinship, as defined by G.S. 104A-1;
- Does not permit donors to designate donations for specific private schools or students;
- Does not show preference to a particular school or limit participation;
- Does not discriminate on the basis of race, color, ethnicity, or national origin;
- Does not issue scholarships greater than \$4,000;
- Awards scholarships to eligible students to attend any eligible private school;
- Awards scholarships to eligible students in the order in which the applications are received (except they can give priority to students who received scholarships the prior school year);
- Does not award scholarship to ineligible students;
- Permits eligible students receiving a scholarship to transfer to another private school and remain eligible;
- Has no paid staff in the scholarship-funding organization that has been convicted of any crime listed in G.S. 115C-238.29K; and

- Has no outstanding tax debt due to the Department of Revenue.

The Division must provide a list of certified SFOs to the Department of Revenue by December 1 of each year, and must maintain a current copy of the list shall also be maintained on the Division's web site. However, for the first year, applications must be submitted to the Division no later than August 15, 2012, and the Division shall issue certifications no later than August 30, 2012.

SFOs must provide an annual financial and compliance audit by October 1 of each year, and an annual report by July 15 of each year. The financial and compliance audit of all accounts and records pertaining to donations and scholarships must be conducted by an independent certified public accountant. The annual report must include information on:

- Total number, grade level, race, ethnicity, and sex of eligible students awarded donation scholarships;
- Amount of donation scholarship funding awarded;
- Percentage of first-time recipients of donation scholarships who were enrolled at a public school during the previous semester;
- The local school administrative unit or charter school in which an eligible student was enrolled in the prior semester, when applicable;
- The private schools at which donation scholarship recipients are enrolled; and
- Other information necessary for the Division to perform its duties.

SFOs are allowed to carry forward up to 20% of funds in their scholarship fund to the next fiscal year. Any additional amounts above 20% must be returned to the State Treasurer for deposit in the State General Fund.

The Division can revoke the certification of any SFO that fails to address any deficiencies within 90 days of receiving written notification of the deficiencies.

Requirements of Private Schools

All private schools accepting scholarship students must:

- Provide the SFO with documentation of the tuition and fees charged to the student;
- Conduct a criminal background check for the staff member with the highest decision-making authority
- Provide written progress reports to parents of scholarship students;
- Submit to the Division the scores of scholarship students on any nationally standardized achievement tests;
- Provide the Division with the graduation rate of scholarship students;
- Contract with an independent certified accountant to perform a financial review if the school receives more than \$500,000 in scholarships from this bill. The first financial review would not be required until the 2014-2015 school year.

Private schools enrolling more than 25 scholarship students shall report to the Division on the aggregate standardized test performance of eligible students.

Tuition Payment Process

In order to remit payment on behalf of scholarship students, the SFO must remit, at least twice per year, a scholarship payment certificate to the private school for endorsement by at least one of the student's parents or guardians. The parent or guardian would then restrictively endorse the scholarship award to the private school for deposit into the account of the private school.

Division of Nonpublic Education Reporting

The Division is required to report to DPI by August 1 of each year with the following information:

- The number of students who have received scholarships through a scholarship-funding organization and who were enrolled the prior semester in an LEA or charter school; and
- The LEA or charter school that those students had previously attended.

The Division is required to report to the Joint Legislative Education Oversight Committee by March 1 of each year with the following information:

- Number and name of SFOs certified by the Division;
- Total number, grade level, race, ethnicity, and sex of students participating in the Program;
- Amount of scholarship funding awarded, by SFO;
- The number of students who have received scholarships through a scholarship-funding organization and who were enrolled the prior semester in an LEA or charter school and the LEA or charter school that those students had previously attended;
- Private schools in which scholarship recipients are enrolled, including numbers of scholarship students at each private school;
- Revocations of certification of SFOs and private schools deemed ineligible to receive scholarships; and
- Number of contributors and dollar amounts of contributions received by SFOs.

The Division is required to report to DPI and the Joint Legislative Education Oversight Committee by October 1 of each year, beginning October 1, 2014, on the learning gains of students receiving donation scholarships, as determined by an independent research organization selected during the 2013-14 school year. To the extent possible, the learning gains of scholarship students should be compared to the learning gains of public school students with similar socioeconomic backgrounds.

Conforming Budget Changes

Section 7 of the bill makes conforming changes to H.B. 950, Modify 2011 Appropriations Act, should it become law, reflecting the decreased revenues and increased expenditures anticipated in FY 2012-13 as a result of this bill. That is, revenues are decreased by \$2,000,000 (reflecting tax credits granted) and expenditures are increased by \$796,004 (reflecting administrative costs to DOR and the Division). There is not an adjustment made for anticipated decrease in public school students. Reduced expenditures in public schools will be realized in January 2013, and reflected in greater than anticipated reversions at the end of FY 2012-13.

ASSUMPTIONS AND METHODOLOGY:

The fiscal analysis of this bill requires an examination of both the supply of available scholarship funds and the demand of students wanting to accept such scholarships to attend a private school. More specifically:

- **Supply of scholarships:** Examining the supply of available scholarship funds requires estimating the dollar value of the contributions that businesses and corporations will make to SFOs (and the corresponding value of the Program tax credits). More specifically, are contributions to SFOs likely to reach the \$40 million cap level in FY 2013-14?
- **Demand for scholarships:** The major question in assessing demand is to determine how many qualified students would be expected to apply for the Program scholarships in a given year. In particular, would the demand for scholarships be sufficient to utilize the annually available supply of scholarship funds? Furthermore, how many of those scholarship recipients would have been expected to attend a private school even if the Program did not exist?

Supply of Scholarships/Tax Credits

Analysis indicates that businesses and corporations in North Carolina would donate to North Carolina SFOs at a level sufficient meet the \$40 million cap in FY 2013-14.

While several states (Arizona, Florida, Georgia, Indiana, Iowa, Oklahoma, Pennsylvania, and Rhode Island) have some form of tax credit scholarship program, none are an exact match with the Program proposed by this bill. States have varying guidelines for:

- Which types of entities can claim a scholarship tax credit (e.g., corporations, individuals, etc.);
- Which types of state taxes the entity can claim its credit against (e.g., corporate income tax, insurance premiums tax, franchise tax, etc.);
- Which types of donations generate a tax credit (e.g., donations to scholarship-granting organizations only, or to other educational improvement organizations);
- The size of the credit relative to the contribution;
- Whether or not unused credits can be carried forward; and
- The size of the statewide cap on available credits.

The Florida Tax Credit Scholarship Program provides the most telling data for determining the value of credits that would likely be granted in the proposed North Carolina Program. First, Florida's allowable tax credit cap is set at a high enough level (compared to the size of Florida's economy) that it gives a good indication of the potential supply of donations/tax credits. The tax credit cap in the proposed North Carolina Program has the potential to increase to levels – relative to the size of other states' economies – that far surpasses the cap levels in most other states with similar programs, but would be similar to the relative cap size in Florida. Second, Florida provides a suitable comparison of the supply of donations/tax credits because the Florida credit applies to similar revenue sources.³

³ As of FY 2011-12, the Florida Tax Credit Scholarship Program allows tax credits against the corporate income tax, insurance premium tax, beverage excise tax, severance taxes on oil and gas production, and self-accrued sales tax liabilities of direct pay permit holders. Additionally, until FY 2011-12, credits against corporate income taxes were only allowed up to 75% of the corporation's contribution.

Data from Florida indicates that North Carolina would likely grant the maximum amount of tax credits allowable. The Florida Tax Credit Scholarship Program reached its tax credit cap of \$175 million for FY 2011-12, triggering an increase in the cap for FY 2012-13 to \$219 million.⁴ Analysis from the Florida Senate Finance and Tax Committee indicates that the cap will continue to be met, and increased, reaching \$341.8 million by FY 2014-15.⁵

The table below examines the actual and anticipated tax credits awarded under the Florida Tax Credit Scholarship Program against the potential tax credits that might be awarded under the North Carolina Program. Tax credits in each state are shown as a percentage of each state's GDP in order to make a comparison of the relative size of each state's anticipated level of tax credits. An annual growth rate of 4.5% is applied to both states' GDPs to account for anticipated economic growth in each state.⁶

Fiscal Year	Florida			North Carolina		
	Allowable Tax Credits	State GDP	Ratio	Allowable Tax Credits	State GDP	Ratio
2009-10	118,000,000	747,735,000,000	0.0158%		424,935,000,000	
2010-11	140,000,000	781,383,075,000	0.0179%		444,057,075,000	
2011-12	175,000,000	816,545,313,375	0.0214%		464,039,643,375	
2012-13	218,750,000	853,289,852,477	0.0256%	2,000,000	484,921,427,327	0.0004%
2013-14	273,437,500	891,687,895,838	0.0307%	40,000,000	506,742,891,557	0.0079%
2014-15	341,796,875	931,813,851,151	0.0367%			

Based on the evidence above, it is reasonable to conclude that businesses and corporations in North Carolina would donate to North Carolina SFOs at a level sufficient meet the \$40 million cap in FY 2013-14. The Florida Senate Finance and Tax Committee analysis implies that allowable credits could approach 0.0367% of Florida's economy. The \$40 million tax credit cap proposed by this bill only represents 0.0079% of North Carolina's anticipated GDP in FY 2013-14. Relative to the size of Florida's economy, tax credits at the maximum levels allowable under this bill would be below the levels that Florida has already experienced. As a result, one would expect the value of tax credits under the North Carolina Program to be equal to the \$40 million cap in FY 2013-14.

It is important to note that the supply of scholarships equals the availability of tax credits for FY 2012-13 and FY 2013-14. Beginning September 15, 2014, SFOs may begin retaining up to 7% of all donated funds to cover administrative costs at the SFO. As a result, scholarship availability is less than the tax credit cap, beginning in FY 2014-15.

Demand for Scholarships

This analysis assumes that there would be sufficient demand for scholarships to utilize all available funds for the time period covered by this fiscal analysis.

Demand will come from some number of students who are incentivized by this program to transfer from a public school to a private school (for the sake of this analysis, "public school students") and some number of students who would have attended a private school even in the absence of this Program ("private school students").

This analysis assumes that 90% of all eligible private school students would apply for a scholarship. The reason this number is below 100% is that a small minority of eligible students might not be aware of the Program, or might oppose receiving government support for philosophical reasons. Unfortunately, there is no available data from which to determine the actual demand from students who would have attended a private school in the absence of the Program. Therefore, this analysis assumes approximately 5,100 private school students will apply for Program scholarships.

Demand from eligible public school students is expected to be only 0.9% in FY 2012-13. This is approximately one-fourth of the demand observed in the Florida Tax Credit Scholarship Program. Because students can only begin receiving the scholarship in spring 2013, students who would otherwise have been enrolled in a public school would have to transfer mid-year in order to receive a scholarship. This analysis assumes that parents and guardians are less likely to transfer their children to a new school in the middle of a school year than they are during the summer, between school years. The demand is unlikely to increase significantly in FY 2013-14, as the Program's sunset provision means that no scholarships will be available in for the 2014-15 school year. As a result, this analysis assumes approximately 7,000 public school students will apply for scholarships each year.

In FY 2013-14, one would anticipate availability of approximately 10,526 scholarships, which is less than anticipated demand of approximately 12,100 students.

Estimated Fiscal Impact

The fiscal impact of this bill hinges on whether or not the decreased expenditures resulting from students transferring from public to private schools outweighs the value of the Programs' tax credits. In addition, there are likely to be certain administrative costs that would negatively impact the fiscal analysis of this proposal.

State Revenues

As stated above, this analysis assumes that tax credits will equal the available cap in each year covered by this fiscal analysis. That is, \$2 million of tax credits will be issued in FY 2012-13, increasing to \$40 million in FY 2013-14. Each dollar of tax credits represents a decrease in State revenues.

Public School Expenditures

In general terms, the State saves money for each student who is incentivized by the Program to transfer from a public school to a private school because the foregone revenue funding the scholarship is less than what the State would have spent educating that student in a public school.

However, the State loses money on each student receiving a scholarship who would have attended a private school even in the absence of the Program. For these students, the State loses the revenue associated with the scholarship donation, but does not experience an associated decrease in public school expenditures.

Estimating the number of public school students receiving scholarships and the number of private school students receiving scholarships requires estimating the relative demand for scholarships between each of these groups of students.

To determine relative demand, one must first estimate the eligible population of students (those within 225% of the federal poverty level) in both public and private schools. Utilizing data from the IPUMS-USA database, we estimate that approximately 52% of public school students meet the family income eligibility requirement, while 33% of private school students meet the family income eligibility requirement.⁷

As explained above, demand from eligible public school students is expected to be 0.9% in FY 2012-13 and FY 2013-14. Demand from eligible private school students is expected to be 90% in FY 2012-13 and FY 2013-14.

Based on the above, the following estimated factors are used to determine the relative demand for scholarships between students in grades K-1 who would have attended public school in the absence of the Program versus students in grades K-1 who would have attended a private school even if they had not received a scholarship:

- Number of public school students (1,492,793 in FY 2012-13, increasing 1.3% each year)
- Number of private school students in grades K-1 (17,200 in FY 2012-13, increasing 1.3% each year)
- Percent of public school students meeting the Program's income eligibility requirement (52%)
- Percent of private school students meeting the Program's income eligibility requirement (33%)
- Demand from eligible public school students (0.9%)
- Demand from eligible private school students (90%)

Using the above factors, it is assumed that approximately 42% of scholarships would be awarded to private school students in each year of the Program.

⁷ Steven Ruggles, J. Trent Alexander, Katie Genadek, Ronald Goeken, Matthew B. Schroeder, and Matthew Sobek. Integrated Public Use Microdata Series: Version 5.0 [Machine-readable database]. Minneapolis: University of Minnesota, 2010.

For FY 2012-13, a total of 526 scholarships are expected to be available. 222 are expected to be awarded to private school students and 304 are expected to be awarded to public school students.

Determining availability of scholarships in FY 2013-14 requires examining how cohorts of each type of scholarship student advance through school from year-to-year. This analysis assumes that 10% of "private school awardees" do not re-apply for the scholarship in the subsequent year. That is, this analysis assumes a turnover rate of 10% for "private school awardees". This analysis assumes a turnover rate of 15% for "public school awardees". That is, 458 scholarships would be carried forward from FY 2012-13 to 2013-14. The relative demand analysis is used to determine the mix of remaining scholarships.

The fiscal impact of each type of awardee is as follows:

- "Private school awardees": For each of these students, the State loses the revenue associated with the scholarship donation (\$3,800).
- "Public school awardees": For each of these students, the State loses the revenue associated with the scholarship donation (\$3,800), but decreases State expenditures in public schools (\$4,652 in FY 2012-13, increasing 1% per year).

LEA Impact

LEAs experience a decrease in local expenditures related to each "public school awardee". There is no LEA fiscal impact related to "private school awardees".

It is important to note that LEAs will not necessarily decrease expenditures as enrollments decrease in their public schools. The amounts shown indicate the amount by which LEAs could *potentially* decrease their local expenditures, and still provide the same local support for public schools as is currently provided.

Administrative Costs

Administration of the Program would place additional requirements on DOR and the Division.

For the DOR, two additional positions would be required to manage the process for awarding tax credits. This analysis assumes salary plus benefits of \$65,000 per position, with expenditures increasing in future years commensurate with inflation related to salaries.⁸ Additionally, DOR will be required to update certain software systems in order to automate processes. These system upgrades are expected to be a nonrecurring cost of \$300,000 in FY 2012-13.

For the Division, new responsibilities include:

- Creating the SFO application form
- Processing SFO certification requests
- Receiving and processing reports from SFOs
- Ensuring SFOs are in compliance with eligibility requirements
- Developing annual reports
- Contracting with an independent researcher

⁸ Salaries in future years are inflated using projected inflationary increases for salary and wages from Moody's Analytics available at: <https://www.economy.com/default.asp>

All of these responsibilities are outside of the scope of the Division's current responsibilities, and cannot be executed within existing resource levels.

The Division identified the following needs to carry out the increased responsibilities created by this bill:

- Additional personnel:
 - 1 lead program specialist to coordinate the Program for the Division
 - 2 educational specialists to conduct compliance visits to non-public schools
 - 1 program assistant to receive and manage scholarship funding data
 - Related expenses for travel, equipment, and furnishings
- A contract with an accountant to verify SFO compliance
- A contract with an independent researcher
- Additional database/technology capabilities to collect and manage information, as well as to automate SFO application process

These estimates appear reasonable given the existing resource levels at the Division.

The table below summarizes the estimated administrative costs for DOR and the Division.

TECHNICAL CONSIDERATIONS:

Supply of SFOs

It is unclear whether or not any SFOs will form to administer this Program. The bill permits SFOs to retain up to 7% of all donations after being certified for more than 24 consecutive months. The earliest an SFO could begin retaining donations would be September 15, 2014. As the tax credit expires at the end of the 2013 calendar year, it is unlikely SFOs will receive significant donations after September 15, 2014. As a result, there is no financial incentive for any SFOs to form.

SENATE BILL 599: Equal Opportunity Scholarship Tax Credit

2011-2012 General Assembly

Committee: House Finance	Date: June 27, 2012
Introduced by: Sens. Bingham, Brock, Rouzer	Prepared by: Dan Ettefagh
Analysis of: S599-CSMC-27	Committee Counsel

SUMMARY: *The Proposed Committee Substitute for Senate Bill 599 would create a tax credit for certain business entities that make donations to scholarship-funding organizations (SFOs), which would, in turn, award scholarships to eligible students to attend nonpublic schools. The PCS also modifies budget appropriations to cover the costs associated with the tax credit and authorizes additional personnel for the Department of Revenue and the Division of Nonpublic Education to implement the provisions of the act.*

BILL ANALYSIS OF PCS:

Section 1: Scholarship-Funding Organizations

SFOs may award donation scholarships using money donated to them for which taxpayers may be allowed a tax credit under Section 2 of the bill. Eligible students would be able to use the donation scholarship for tuition and fees at nonpublic schools. In order to be "eligible," a student would have to meet all of the following requirements:

- Have not yet received a high school diploma;
- Was a full-time student at a North Carolina public school during the previous semester, received a scholarship from an eligible SFO during the previous school year or is entering kindergarten or first grade; and
- Belong to a household with an income level not in excess of 225% of the federal poverty level.

Certification of SFOs – North Carolina charitable organizations can apply annually to the Division of Nonpublic Education in the Department of Administration (DNPE) for certification as an SFO. Once certified, a SFO may receive donations and award donation scholarships. The DNPE must certify an organization as an SFO if the organization:

- Is exempt under Section 501(c)(3) of the Internal Revenue Code.
- Uses 100% of donations to fund donation scholarships if the SFO has been certified for 24 consecutive months or less or uses at least 93% of donations to fund donation scholarships if the SFO has been certified for more than 24 consecutive months.
- Does not award donation scholarships within 5 degrees of lineal or collateral kinship of family of paid staff or board members of the SFO.
- Does not permit donors to designate donation scholarships for the direct benefit of a particular nonpublic school or eligible student.
- Does not show preference to a particular school or limit participation to any requirements other than those specified.
- Does not discriminate on the basis of race, color, ethnicity, national origin, sex, or religion.
- Funds donation scholarships of not more than \$4,000 per year per eligible student for tuition and fees for books, transportation, equipment or other items required by the nonpublic school.
- Awards donation scholarships to eligible students to attend any nonpublic school and does not limit availability to students of only one school.

Senate Bill 599

Page 2

- Awards donation scholarships to eligible students in the order in which the applications are received, however, it may give priority to eligible students who received a donation scholarship from it during the previous school year.
- Restricts award of donation scholarships to eligible students.
- Permits an eligible student receiving a donation scholarship to enroll in a different nonpublic school and remain eligible.
- Has no paid staff in the SFO that has been convicted of particular crimes and provides evidence of criminal history checks in the SFO's application.
- Has satisfied or otherwise resolved any notices of overdue tax debts from the DOR.

The DNPE must give DOR an annual list of certified SFOs by August 1 and maintain a current list on their website.

Obligations of SFOs

The following information must be submitted by a SFO to the DNPE:

- An annual financial and compliance audit conducted by an independent certified public accountant of accounts and records pertaining to donations and donation scholarships.
- An annual report on donation scholarship awards that includes information on:
 - Total number, grade level, race, ethnicity, and sex of eligible students awarded donation scholarships.
 - Amount of donation scholarship funding awarded.
 - Percentage of first time recipients of donation scholarships who were enrolled at a public school during the previous semester.
 - The local school administrative unit or charter school in which an eligible student was enrolled in the prior semester, when applicable.
 - The nonpublic schools at which donation scholarship recipients are enrolled.
 - Other information necessary for the DNPE to perform its duties.

SFOs can carry forward no more than 20% of donations to the following fiscal year. Donations in excess of the 20% that can be carried forward that remain on June 30 of each year must be returned to the State. The DNPE must give written notice to a SFO that is not in compliance with requirements for SFOs, and it has 90 days to correct the deficiencies. If the deficiencies are not corrected, then the certification must be revoked and the SFO must notify parents of eligible students receiving a donation scholarship of the revocation. SFOs must require taxpayers making donations to it to also provide a copy of the written certification issued by the DOR. The SFOs must also report the amount of the donation to the DOR.

Obligations of Nonpublic Schools Receiving Scholarship Funds

Nonpublic schools that accept scholarship funds from SFOs must comply with the following:

- Provide documentation to the SFO for required tuition and fees charged to the eligible student by the nonpublic school.
- Conduct a criminal background check for the staff member with the highest decision making authority to ensure that person has not been convicted of specified crimes.
- Provide to the parent or guardian of an eligible student whose tuition and fees are paid in whole or in part with a donation scholarship an annual written explanation of the student's progress, including the student's scores on any standardized achievement tests.

Senate Bill 599

Page 3

- Submit to the DNPE by July 15 of each year the test scores of any nationally standardized achievement test administered to any student receiving a donation scholarship.
- Provide to the DNPE graduation rates of the students receiving donation scholarships in a manner consistent with nationally recognized standards.
- Contract with an independent certified accountant to perform a financial review for each school year in which the school receives more than five hundred thousand dollars (\$500,000) in donation scholarships.

Nonpublic schools that enroll more than 25 students whose tuition and fees are paid in whole or in part with a donation scholarship must report to the DNPE on the aggregate standardized test performance of eligible students. Test performance data must be provided to an independent research organization selected by DNPE for research purposes.

If a nonpublic school that accepts donation scholarships fails to comply with the mandatory requirements, it would be determined to be ineligible to receive future scholarships from a SFO and would have to notify parents or guardians of enrolled students receiving a donation scholarship that the nonpublic school cannot receive future scholarships. The DNPE must notify SFOs of any nonpublic schools that are ineligible for donation scholarship funds.

Scholarship Endorsement – The SFO must remit a scholarship payment certificate to the nonpublic school at least two times each school year. This payment must be endorsed by the student's parent or guardian in person at the site of the nonpublic school. Failure to comply with this requirement would result forfeiture of the scholarship.

Reporting Requirements for DNPE – The DNPE must report to the Department of Public Instruction (DPI) annually on the number of students who have received donation scholarships through a SFO and who were enrolled the prior semester in a local school administrative unit (LEA) or charter school, by previously attended LEA or charter school. The DPI must adjust the allocations of LEAs or charter schools based on the number of students awarded donation scholarships and must equal the average per pupil allocation for average daily membership from the LEA or charter school.

The DNPE must also report annually to the Joint Legislative Education Oversight Committee (JLEOC) on a number of different items including numbers and names of SFOs; total number, grade level, race, ethnicity, and sex of eligible students; amount of scholarship funding awarded by SFOs; and number of contributors and dollar amounts of contributions received by SFOs. Finally, the DNPE must report to the DPI and the JLEOC on the learning gains of students receiving donation scholarships with the evaluation conducted by an independent research organization.

Section 2: Equal Opportunity Scholarship Tax Credit

Tax Credit for Donations to Scholarship-Funding Organizations - Taxpayers that make monetary donations to a SFO would be able to take a tax credit equal to the amount of the donation. The tax credit would be allowed against the following taxes: (i) excise, (ii) franchise, (iii) income, or (iv) insurance gross premium, with the taxpayer making the election of which tax against which the credit will be claimed. This election would be binding and must be made when filing the return on which the tax credit is first claimed and any carryforwards of the credit must be claimed against the same tax.

Any tax credits allowed cannot exceed the amount of tax against which it is claimed for the taxable period, reduced by the sum of all other credits allowed against that tax, except for tax payments made by or on behalf of the taxpayer. The limitation applies to the cumulative amount of the credit including carryforwards claimed by the taxpayer against each tax for the taxable period.

Any unused portion of a credit claimed against the franchise tax, income tax, or insurance gross premium tax can be carried forward for five years. Unused portions of a credit claimed against the excise tax can be carried forward for five months. Successor businesses can take tax credits or carried-over portions of credits that the predecessor could have taken.

Aggregate Cap and Limitations – From July 1, 2012 to December 31, 2012, the total amount of tax credits allowed for monetary donations could not exceed \$2,000,000. For the calendar year beginning January 1, 2013,

Senate Bill 599

Page 4

the total amount of tax credits allowed for monetary donations made in that calendar year could not exceed \$40,000,000. The only tax credit with an aggregate cap is the qualified business investments tax credit, which is distributed on a pro rata basis in any year in which the cap is reached, rather than, as here, on a first-come, first served basis until the cap is reached. Practically speaking, prior to making a donation, the taxpayer must receive a certification for the donation to get a credit, which would indicate whether the donation would result in a dollar-for-dollar tax credit.

Substantiation - To be eligible for the tax credit, the taxpayer would have to obtain a written certification from the Secretary of Revenue (Secretary) that the sum of the tax credit for the donation and the tax credit for all other donations for which the Secretary has issued a written certification is not more than the aggregate cap.

The Secretary must respond to requests for certifications in 20 days and could not issue a written certification after December 31 of the calendar year in which the donation is made. Within 120 days of the issuance of a written certification, the taxpayer must submit the donation with the written certification to the SFO or notify the DOR that the donation was not made. The Secretary must publish on a weekly basis the number and amount of tax credits for which certified donations have been made. Requests must be approved in the order in which they are received by the Secretary until the total amount of all certified donations equals the aggregate cap. Request received on the same business day must be treated as received at the same time. The Secretary would issue certifications in proportion to each request received on the day the aggregate cap is exceeded.

Taxpayers must maintain and make available for inspection by the Secretary any records the Secretary considers necessary to verify that the donation was timely made. The burden of proving eligibility for the credit and the amount of the credit is on the taxpayer.

Sections 3, 4, and 5 make conforming changes and provide that (i) that the local beer and wine distribution of the excise tax would be unaffected by credits taken against excise tax and (ii) disclosures of information could be made by DOR to the DNPE to determine whether a SFO had overdue tax debts that would prevent it from being certified.

APPROPRIATION:

In **Section 6**, the bill would appropriate \$478,038 to DOR and \$317,966 to the Department of Administration for the DNPE for the 2012-2013 fiscal year.

In **Section 7**, the bill would adjust General Fund appropriations and availability.

EFFECTIVE DATE: Section 1 is effective when it becomes law and expires January 1, 2016. Section 2 of the bill would be effective for taxable years beginning on or after January 1, 2012, would apply to donations made on or after July 1, 2012, and would expire for taxable years beginning on or after January 1, 2014. Section 3, the hold harmless provision for beer and wine excise tax distribution, would be effective when it becomes law and would apply to distributions made on or after that date, expiring for distributions made on or after March 31, 2015. Section 4 is effective for taxable years beginning on or after January 1, 2012, and expires for taxable years beginning on or after January 1, 2014. Section 5 is effective when it becomes law and expires January 1, 2015. DOR must develop necessary forms required for a tax credit on or before September 1, 2012. The DNPE must select an independent research organization by the beginning of the 2013-2014 school year. Applications for certifications of SFOs for 2012 must be submitted to the DNPE by September 1, 2012 with certifications issued no later than September 15, 2012 and a list provided to the DOR within three business days. The first financial review for a nonpublic school that accepts scholarship funds from an SFO would be required for the 2014-2015 school year. The first learning gains report would be due October 1, 2014. The remainder of the act is effective when it becomes law.

BACKGROUND: Nine states have scholarship tax credit programs: Arizona, Florida, Georgia, Indiana, Iowa, Oklahoma, Pennsylvania, Rhode Island and Virginia.

Arizona allows individuals to claim a credit on income tax, and corporations to claim credits on income tax and insurance premiums. Corporations may also receive a credit for donations intended for foster children and children with disabilities, subject to a separate statewide cap.

Senate Bill 599

Page 5

Florida allows corporations to claim credits on taxes for income, gas & oil production, insurance premiums, sales tax for holders of direct pay permits, and excise taxes on alcoholic beverages, with a statewide cap of \$229 million in 2012-2013, the highest in the nation.

Georgia allows both individuals and corporations to claim credits for "qualified education expenses," which includes donations to scholarship-funding organizations.

Indiana allows individuals and corporations to claim a credit against income tax for 50% of the donation to a "scholarship granting organization."

Iowa permits only individuals to claim a tax credit for donations to "school tuition organizations" with no limit on the individual credit, but subject to a statewide cap of \$8.75 million.

Oklahoma allows both individuals and corporations to claim credits equal to 50% of donations to scholarship-granting organizations, subject to individual and statewide caps. If the taxpayer makes a written pledge to donate the same amount for three consecutive years the credit is increased to 75% of the donation, subject to the same caps. Instead of being carried over, credits that exceed the statewide cap are reduced in proportion to the taxpayer's share of the state cap.

Pennsylvania allows business firms to claim a credit for 75% of a one-year donation, and 90% of a two-year donation, subject to caps for each business and statewide. Businesses may also claim credits for donations to pre-kindergarten scholarship organizations under a separate state cap.

Rhode Island allows businesses to claim a credit for 75% of a donation or 90% of a donation if the business commits in writing to making the same donation for two consecutive years, subject to individual and statewide caps.

Virginia permits individuals and businesses to claim a credit for 65% of a minimum donation of \$500, with a maximum of \$50,000 on all available credits in a taxable year for individuals and a statewide cap of \$25 million for both individuals and business.

4 (b) Taxes Election. – The credit provided in this section is allowed against the excise
5 tax levied on beer, wine, and liquor in Part 4 of Article 2C of this Chapter, the franchise tax
6 levied in Article 3 of this Chapter, the income taxes levied in Part 1 of Article 4 of this Chapter,
7 or the insurance gross premiums tax levied under Article 8B of this Chapter. The taxpayer shall
8 elect the tax against which a credit will be claimed when filing the return on which the credit is
9 first claimed. This election is binding. Any carryforwards of the credit must be claimed against
10 the same tax.

11 (c) Cap. – The credit allowed in this Article may not exceed the amount of tax against
12 which it is claimed for the taxable period, reduced by the sum of all other credits allowed
13 against that tax, except tax payments made by or on behalf of the taxpayer. This limitation
14 applies to the cumulative amount of the credit, including carryforwards, claimed by the
15 taxpayer under this Article against each tax for the taxable period.

16 (d) Carryforward. – Any unused portion of a credit claimed against the franchise tax
17 levied in Article 3 of this Chapter, the income taxes levied in Part 1 of Article 4 of this Chapter,
18 or the insurance gross premium tax levied under Article 8B of this Chapter may be carried
19 forward for the succeeding five years. Any unused portion of a credit claimed against the excise
20 tax levied in Part 4 of Article 2C of this Chapter may be carried forward for the succeeding five
21 months.

22 (e) Change in Ownership of Business. – As used in this subsection, the term "business"
23 means a taxpayer. If, by sale, merger, consolidation, conversion, acquisition, or bankruptcy of a
24 business, or any transaction, an existing business reformulates itself as another, succeeding
25 business, the successor business may take any credit or carried-over portion of a credit that its
26 predecessor could have taken if it had a tax liability.

27 **"§ 105-129.102. Aggregate cap.**

28 From July 1, 2012, to December 31, 2012, the total amount of donations made for which a
29 tax credit is allowed under this Article may not exceed two million dollars (\$2,000,000). For
30 the calendar year beginning on January 1, 2013, the total amount of donations made in the
31 calendar year for which a tax credit is allowed under this Article may not exceed forty million
32 dollars (\$40,000,000).

33 **"§ 105-129.103. Substantiation.**

34 (a) Request for Written Certification. – To be eligible for the tax credit provided in this
35 Article, the taxpayer shall obtain from the Secretary a written certification that the sum of the
36 taxpayer's donation and all other donations for which the Secretary has issued a written
37 certification does not exceed the aggregate cap provided in G.S. 105-129.102. A request for a
38 written certification shall be on a form prescribed by the Secretary and shall include any
39 relevant supporting documentation the Secretary may require.

40 (b) Written Certification. – The Secretary shall respond to a request within 20 days and
41 may not issue a written certification after December 31 of the calendar year in which the
42 donation is made. Within 120 days of the date the Secretary issues the written certification, the
43 taxpayer shall submit the donation with the written certification to the scholarship-funding
44 organization or shall notify the Department that the donation was not made, whereupon the
45 Secretary may reallocate the amount to another taxpayer. The Secretary shall determine and
46 publish, on a weekly basis, the number and amount of certified donations that have been made.
47 The Secretary shall approve each request submitted in the order the requests are received until
48 the total amount of certified donations equals the aggregate cap provided in G.S. 105-129.102.
49 Each request received on the same business day shall be treated as received at the same time.
50 On the day the requests received, when added to the preceding written certifications issued,
51 exceed the aggregate cap provided in G.S. 105-129.102, the Secretary shall certify the

1 remaining amount under the aggregate cap in proportion to the amount of each request received
2 on that day. Every taxpayer claiming a credit for a donation under this section shall submit to
3 the Department any receipt received from a scholarship-funding organization within seven days
4 of receipt and shall maintain and make available for inspection by the Secretary any records the
5 Secretary considers necessary to determine and verify that the donation has been timely made.
6 The burden of proving eligibility for the credit and the amount of the credit shall rest upon the
7 taxpayer, and no credit shall be allowed to a taxpayer that fails to maintain adequate records or
8 to make them available for inspection."

9 **SECTION 3.(a)** G.S. 105-113.82 reads as rewritten:

10 "(a) Amount. – The Secretary must distribute annually a percentage of the net amount of
11 excise taxes collected on the sale of malt beverages and wine during the preceding 12-month
12 period ending March 31 to the counties or cities in which the retail sale of these beverages is
13 authorized in the entire county or city. For purposes of this distribution, the net amount is
14 calculated before any credit allowed under Article 3L of this Chapter is taken against the tax.

15 The percentages to be distributed are as follows:

- 16 (1) Of the tax on malt beverages levied under G.S. 105-113.80(a), twenty and
17 forty-seven hundredths percent (20.47%).
- 18 (2) Of the tax on unfortified wine levied under G.S. 105-113.80(b), forty-nine
19 and forty-four hundredths percent (49.44%).
- 20 (3) Of the tax on fortified wine levied under G.S. 105-113.80(b), eighteen
21 percent (18%)."

22 **SECTION 3.(b)** This section becomes effective when it becomes law and applies
23 to distributions made on or after that date. This section expires for distributions made on or
24 after March 31, 2015.

25 **SECTION 4.(a)** G.S. 105-130.5(a)(10) reads as rewritten:

26 "(a) The following additions to federal taxable income shall be made in determining
27 State net income:

- 28 ...
- 29 (10) The total amounts allowed under this Chapter during the taxable year as a
30 credit against the taxpayer's income tax. This subdivision does not apply to a
31 credit allowed under Article 3L of this Chapter or under G.S. 105-130.47. A
32 corporation that apportions part of its income to this State shall make the
33 addition required by this subdivision after it determines the amount of its
34 income that is apportioned and allocated to this State and shall not apply to a
35 credit taken under this Chapter the apportionment factor used by it in
36 determining the amount of its apportioned income.

37"

38 **SECTION 4.(b)** This section is effective for taxable years beginning on or after
39 January 1, 2012, and expires for taxable years beginning on or after January 1, 2014.

40 **SECTION 5.** G.S. 105-259(b) is amended by adding a new subdivision to read:

41 "(b) Disclosure Prohibited. – An officer, an employee, or an agent of the State who has
42 access to tax information in the course of service to or employment by the State may not
43 disclose the information to any other person except as provided in this subsection. Standards
44 used or to be used for the selection of returns for examination and data used or to be used for
45 determining the standards may not be disclosed for any purpose. All other tax information may
46 be disclosed only if the disclosure is made for one of the following purposes:

47 ...

- 48 (24a) To furnish the Division of Nonpublic Education of the Department of
49 Administration information needed to determine whether a
50 scholarship-funding organization has any overdue tax debts that would
51 prohibit it from being certified pursuant to G.S. 115C-562.2."

1 **SECTION 5.(b)** This section is effective when it becomes law and expires January
 2 1, 2015.

3 **SECTION 6.** For the implementation of the provisions of this act, there is
 4 appropriated from the General Fund to the Department of Revenue the sum of four hundred
 5 seventy-eight thousand thirty-eight dollars (\$478,038) for the 2012-2013 fiscal year and to the
 6 Department of Administration the sum of three hundred seventeen thousand nine hundred
 7 sixty-six dollars (\$317,966) to be allocated to the Division of Nonpublic Education for the
 8 2012-2013 fiscal year. The Department of Revenue may establish two personnel positions to
 9 administer the provisions of this act. The Division of Nonpublic Education may establish four
 10 personnel positions to administer the provisions of this act.

11 **SECTION 7.** If House Bill 950 becomes law, then Section 2.1 of that act reads as
 12 rewritten:

13 **"SECTION 2.1.** Appropriations from the General Fund of the State for the
 14 maintenance of the State departments, institutions, and agencies, and for other purposes as
 15 enumerated, are adjusted for the fiscal year ending June 30, 2013, according to the schedule
 16 that follows. Amounts set out in parentheses are reductions from General Fund appropriations
 17 for the 2012-2013 fiscal year.

SENATE BILL 599: Equal Opportunity Scholarship Tax Credit

2011-2012 General Assembly

Committee: House Finance	Date: June 27, 2012
Introduced by: Sens. Bingham, Brock, Rouzer	Prepared by: Dan Ettefagh
Analysis of: S599-CSMC-27	Committee Counsel

SUMMARY: *The Proposed Committee Substitute for Senate Bill 599 would create a tax credit for certain business entities that make donations to scholarship-funding organizations (SFOs), which would, in turn, award scholarships to eligible students to attend nonpublic schools. The PCS also modifies budget appropriations to cover the costs associated with the tax credit and authorizes additional personnel for the Department of Revenue and the Division of Nonpublic Education to implement the provisions of the act.*

BILL ANALYSIS OF PCS:

Section 1: Scholarship-Funding Organizations

SFOs may award donation scholarships using money donated to them for which taxpayers may be allowed a tax credit under Section 2 of the bill. Eligible students would be able to use the donation scholarship for tuition and fees at nonpublic schools. In order to be "eligible," a student would have to meet all of the following requirements:

- Have not yet received a high school diploma;
- Was a full-time student at a North Carolina public school during the previous semester, received a scholarship from an eligible SFO during the previous school year or is entering kindergarten or first grade; and
- Belong to a household with an income level not in excess of 225% of the federal poverty level.

Certification of SFOs – North Carolina charitable organizations can apply annually to the Division of Nonpublic Education in the Department of Administration (DNPE) for certification as an SFO. Once certified, a SFO may receive donations and award donation scholarships. The DNPE must certify an organization as an SFO if the organization:

- Is exempt under Section 501(c)(3) of the Internal Revenue Code.
- Uses 100% of donations to fund donation scholarships if the SFO has been certified for 24 consecutive months or less or uses at least 93% of donations to fund donation scholarships if the SFO has been certified for more than 24 consecutive months.
- Does not award donation scholarships within 5 degrees of lineal or collateral kinship of family of paid staff or board members of the SFO.
- Does not permit donors to designate donation scholarships for the direct benefit of a particular nonpublic school or eligible student.
- Does not show preference to a particular school or limit participation to any requirements other than those specified.
- Does not discriminate on the basis of race, color, ethnicity, national origin, sex, or religion.
- Funds donation scholarships of not more than \$4,000 per year per eligible student for tuition and fees for books, transportation, equipment or other items required by the nonpublic school.
- Awards donation scholarships to eligible students to attend any nonpublic school and does not limit availability to students of only one school.

Senate Bill 599

Page 2

- Awards donation scholarships to eligible students in the order in which the applications are received, however, it may give priority to eligible students who received a donation scholarship from it during the previous school year.
- Restricts award of donation scholarships to eligible students.
- Permits an eligible student receiving a donation scholarship to enroll in a different nonpublic school and remain eligible.
- Has no paid staff in the SFO that has been convicted of particular crimes and provides evidence of criminal history checks in the SFO's application.
- Has satisfied or otherwise resolved any notices of overdue tax debts from the DOR.

The DNPE must give DOR an annual list of certified SFOs by August 1 and maintain a current list on their website.

Obligations of SFOs

The following information must be submitted by a SFO to the DNPE:

- An annual financial and compliance audit conducted by an independent certified public accountant of accounts and records pertaining to donations and donation scholarships.
- An annual report on donation scholarship awards that includes information on:
 - Total number, grade level, race, ethnicity, and sex of eligible students awarded donation scholarships.
 - Amount of donation scholarship funding awarded.
 - Percentage of first time recipients of donation scholarships who were enrolled at a public school during the previous semester.
 - The local school administrative unit or charter school in which an eligible student was enrolled in the prior semester, when applicable.
 - The nonpublic schools at which donation scholarship recipients are enrolled.
 - Other information necessary for the DNPE to perform its duties.

SFOs can carry forward no more than 20% of donations to the following fiscal year. Donations in excess of the 20% that can be carried forward that remain on June 30 of each year must be returned to the State. The DNPE must give written notice to a SFO that is not in compliance with requirements for SFOs, and it has 90 days to correct the deficiencies. If the deficiencies are not corrected, then the certification must be revoked and the SFO must notify parents of eligible students receiving a donation scholarship of the revocation. SFOs must require taxpayers making donations to it to also provide a copy of the written certification issued by the DOR. The SFOs must also report the amount of the donation to the DOR.

Obligations of Nonpublic Schools Receiving Scholarship Funds

Nonpublic schools that accept scholarship funds from SFOs must comply with the following:

- Provide documentation to the SFO for required tuition and fees charged to the eligible student by the nonpublic school.
- Conduct a criminal background check for the staff member with the highest decision making authority to ensure that person has not been convicted of specified crimes.
- Provide to the parent or guardian of an eligible student whose tuition and fees are paid in whole or in part with a donation scholarship an annual written explanation of the student's progress, including the student's scores on any standardized achievement tests.

Senate Bill 599

Page 3

- Submit to the DNPE by July 15 of each year the test scores of any nationally standardized achievement test administered to any student receiving a donation scholarship.
- Provide to the DNPE graduation rates of the students receiving donation scholarships in a manner consistent with nationally recognized standards.
- Contract with an independent certified accountant to perform a financial review for each school year in which the school receives more than five hundred thousand dollars (\$500,000) in donation scholarships.

Nonpublic schools that enroll more than 25 students whose tuition and fees are paid in whole or in part with a donation scholarship must report to the DNPE on the aggregate standardized test performance of eligible students. Test performance data must be provided to an independent research organization selected by DNPE for research purposes.

If a nonpublic school that accepts donation scholarships fails to comply with the mandatory requirements, it would be determined to be ineligible to receive future scholarships from a SFO and would have to notify parents or guardians of enrolled students receiving a donation scholarship that the nonpublic school cannot receive future scholarships. The DNPE must notify SFOs of any nonpublic schools that are ineligible for donation scholarship funds.

Scholarship Endorsement – The SFO must remit a scholarship payment certificate to the nonpublic school at least two times each school year. This payment must be endorsed by the student's parent or guardian in person at the site of the nonpublic school. Failure to comply with this requirement would result forfeiture of the scholarship.

Reporting Requirements for DNPE – The DNPE must report to the Department of Public Instruction (DPI) annually on the number of students who have received donation scholarships through a SFO and who were enrolled the prior semester in a local school administrative unit (LEA) or charter school, by previously attended LEA or charter school. The DPI must adjust the allocations of LEAs or charter schools based on the number of students awarded donation scholarships and must equal the average per pupil allocation for average daily membership from the LEA or charter school.

The DNPE must also report annually to the Joint Legislative Education Oversight Committee (JLEOC) on a number of different items including numbers and names of SFOs; total number, grade level, race, ethnicity, and sex of eligible students; amount of scholarship funding awarded by SFOs; and number of contributors and dollar amounts of contributions received by SFOs. Finally, the DNPE must report to the DPI and the JLEOC on the learning gains of students receiving donation scholarships with the evaluation conducted by an independent research organization.

Section 2: Equal Opportunity Scholarship Tax Credit

Tax Credit for Donations to Scholarship-Funding Organizations - Taxpayers that make monetary donations to a SFO would be able to take a tax credit equal to the amount of the donation. The tax credit would be allowed against the following taxes: (i) excise, (ii) franchise, (iii) income, or (iv) insurance gross premium, with the taxpayer making the election of which tax against which the credit will be claimed. This election would be binding and must be made when filing the return on which the tax credit is first claimed and any carryforwards of the credit must be claimed against the same tax.

Any tax credits allowed cannot exceed the amount of tax against which it is claimed for the taxable period, reduced by the sum of all other credits allowed against that tax, except for tax payments made by or on behalf of the taxpayer. The limitation applies to the cumulative amount of the credit including carryforwards claimed by the taxpayer against each tax for the taxable period.

Any unused portion of a credit claimed against the franchise tax, income tax, or insurance gross premium tax can be carried forward for five years. Unused portions of a credit claimed against the excise tax can be carried forward for five months. Successor businesses can take tax credits or carried-over portions of credits that the predecessor could have taken.

Aggregate Cap and Limitations – From July 1, 2012 to December 31, 2012, the total amount of tax credits allowed for monetary donations could not exceed \$2,000,000. For the calendar year beginning January 1, 2013,

Senate Bill 599

Page 4

the total amount of tax credits allowed for monetary donations made in that calendar year could not exceed \$40,000,000. The only tax credit with an aggregate cap is the qualified business investments tax credit, which is distributed on a pro rata basis in any year in which the cap is reached, rather than, as here, on a first-come, first served basis until the cap is reached. Practically speaking, prior to making a donation, the taxpayer must receive a certification for the donation to get a credit, which would indicate whether the donation would result in a dollar-for-dollar tax credit.

Substantiation - To be eligible for the tax credit, the taxpayer would have to obtain a written certification from the Secretary of Revenue (Secretary) that the sum of the tax credit for the donation and the tax credit for all other donations for which the Secretary has issued a written certification is not more than the aggregate cap.

The Secretary must respond to requests for certifications in 20 days and could not issue a written certification after December 31 of the calendar year in which the donation is made. Within 120 days of the issuance of a written certification, the taxpayer must submit the donation with the written certification to the SFO or notify the DOR that the donation was not made. The Secretary must publish on a weekly basis the number and amount of tax credits for which certified donations have been made. Requests must be approved in the order in which they are received by the Secretary until the total amount of all certified donations equals the aggregate cap. Request received on the same business day must be treated as received at the same time. The Secretary would issue certifications in proportion to each request received on the day the aggregate cap is exceeded.

Taxpayers must maintain and make available for inspection by the Secretary any records the Secretary considers necessary to verify that the donation was timely made. The burden of proving eligibility for the credit and the amount of the credit is on the taxpayer.

Sections 3, 4, and 5 make conforming changes and provide that (i) that the local beer and wine distribution of the excise tax would be unaffected by credits taken against excise tax and (ii) disclosures of information could be made by DOR to the DNPE to determine whether a SFO had overdue tax debts that would prevent it from being certified.

APPROPRIATION:

In **Section 6**, the bill would appropriate \$478,038 to DOR and \$317,966 to the Department of Administration for the DNPE for the 2012-2013 fiscal year.

In **Section 7**, the bill would adjust General Fund appropriations and availability.

EFFECTIVE DATE: Section 1 is effective when it becomes law and expires January 1, 2016. Section 2 of the bill would be effective for taxable years beginning on or after January 1, 2012, would apply to donations made on or after July 1, 2012, and would expire for taxable years beginning on or after January 1, 2014. Section 3, the hold harmless provision for beer and wine excise tax distribution, would be effective when it becomes law and would apply to distributions made on or after that date, expiring for distributions made on or after March 31, 2015. Section 4 is effective for taxable years beginning on or after January 1, 2012, and expires for taxable years beginning on or after January 1, 2014. Section 5 is effective when it becomes law and expires January 1, 2015. DOR must develop necessary forms required for a tax credit on or before September 1, 2012. The DNPE must select an independent research organization by the beginning of the 2013-2014 school year. Applications for certifications of SFOs for 2012 must be submitted to the DNPE by September 1, 2012 with certifications issued no later than September 15, 2012 and a list provided to the DOR within three business days. The first financial review for a nonpublic school that accepts scholarship funds from an SFO would be required for the 2014-2015 school year. The first learning gains report would be due October 1, 2014. The remainder of the act is effective when it becomes law.

BACKGROUND: Nine states have scholarship tax credit programs: Arizona, Florida, Georgia, Indiana, Iowa, Oklahoma, Pennsylvania, Rhode Island and Virginia.

Arizona allows individuals to claim a credit on income tax, and corporations to claim credits on income tax and insurance premiums. Corporations may also receive a credit for donations intended for foster children and children with disabilities, subject to a separate statewide cap.

Senate Bill 599

Page 5

Florida allows corporations to claim credits on taxes for income, gas & oil production, insurance premiums, sales tax for holders of direct pay permits, and excise taxes on alcoholic beverages, with a statewide cap of \$229 million in 2012-2013, the highest in the nation.

Georgia allows both individuals and corporations to claim credits for “qualified education expenses,” which includes donations to scholarship-funding organizations.

Indiana allows individuals and corporations to claim a credit against income tax for 50% of the donation to a “scholarship granting organization.”

Iowa permits only individuals to claim a tax credit for donations to “school tuition organizations” with no limit on the individual credit, but subject to a statewide cap of \$8.75 million.

Oklahoma allows both individuals and corporations to claim credits equal to 50% of donations to scholarship-granting organizations, subject to individual and statewide caps. If the taxpayer makes a written pledge to donate the same amount for three consecutive years the credit is increased to 75% of the donation, subject to the same caps. Instead of being carried over, credits that exceed the statewide cap are reduced in proportion to the taxpayer’s share of the state cap.

Pennsylvania allows business firms to claim a credit for 75% of a one-year donation, and 90% of a two-year donation, subject to caps for each business and statewide. Businesses may also claim credits for donations to pre-kindergarten scholarship organizations under a separate state cap.

Rhode Island allows businesses to claim a credit for 75% of a donation or 90% of a donation if the business commits in writing to making the same donation for two consecutive years, subject to individual and statewide caps.

Virginia permits individuals and businesses to claim a credit for 65% of a minimum donation of \$500, with a maximum of \$50,000 on all available credits in a taxable year for individuals and a statewide cap of \$25 million for both individuals and business.

This section clarifies that each USRD must be completely contained within a county research and production service district.

If the district or set of districts has two or more regular resident superior court judges, the senior resident superior court judge will be the judge having the most continuous service in that office. Section 65.8(b) directs the Irrigation Contractors' Licensing Board to notify the North Carolina Cooperative Extension of the provision for exemption from the examination requirement under subsection (a) of this section as soon as practicable after the effective date of this section.

Section 66 corrects drafting errors in G.S. 93D-5(c) as amended by S.L. 2011-311 (S670), which incorrectly stated that the one-year apprenticeship requirement "shall not be waived" rather than "shall be waived," and incorrectly set out the specific circumstances under which the applicant would be eligible for a waiver of the apprenticeship requirement.

Effective for contracts entered into on or after October 1, 2012.

Section 69.1 deletes a provision in S.L. 2012-121 permitting a person serving as a member of the Authority who was an elected official when the act became effective to continue serving until completion of the term of the elective office and until a successor member is appointed and qualified.

Section 70 allows residents of a group home licensed under Chapter 122C and who meet current criteria to be eligible for personal care services under the State's Medicaid Plan.

Section 70.5(a) amends G.S. 132-1.12 to further limit the identifiable information for any minor participating in a local-government sponsored program, including email addresses. A minor who has received local government funding is public record.

Section 70.5(b) redacts a portion of G.S. 153A-345(a) and removes the requirement that if the board of commissioners does not zone the entire territorial jurisdiction of the county, each designated zoning area shall have a least one resident as a member of the board of adjustment.

Section 70.5.(c) provides that this section applies only to Chatham County.

Section 71 amends Article 13A of Chapter 90 of the General Statutes to prohibit the Board of Funeral Service from issuing or renewing any license, permit or registration of a person convicted of a sexual offense against a minor under enumerated sections of the General Statutes, or convicted in another jurisdiction for an offense having substantially similar elements. In addition, the Board would be required to impose a sanction equal to or more severe than that imposed by another jurisdiction upon any licensee whose license, permit or registration has been revoked or suspended in another jurisdiction, or who has been placed on probation in that jurisdiction, because of a felony conviction other than for a sexual offense against a minor. This would apply to convictions occurring on or after January 1, 1997.
