North Carolina General Assembly

House Finance Subcommittee on Occupancy Tax

Minutes

April 19, 2011

The House Finance Subcommittee on Occupancy Tax met on Tuesday, April 19, 2011 at 9:00 am in Room 425 of the Legislative Office Building. The following members were present: Chairperson McGee; and Representatives Carney, Cotham, Moffitt, and Warren. Also present were Sergeant-at-Arms Young Bae, Todd Batchelor and Reggie Sills. Staff persons present included Dan Ettefagh, Trina Griffin, and Brian Silvka. The Agenda and Visitor Registration Sheets are attached and incorporated into these minutes as **attachments 1 and 2**.

Chairperson McGee called the meeting to order at 9:00 am and recognized the two (2) pages present: (1) Alexis Barfield of New Hanover County sponsored by Representative Hamilton; and (2) Cooper Blackwell of Edgecombe County sponsored by Representative Farmer-Butterfield.

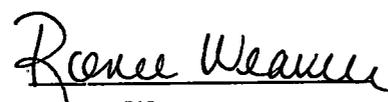

The first bill considered by the Committee was **HB 204 Edgecombe Co. Tourism Development Authority** (see **attachment 3**). The Chair recognized Representative Tolson to explain the bill. The Chair recognized Representative Cotham who moved that HB 204 be given a favorable report and be re-referred to the Finance Committee. The motion carried.

The next bill considered by the Committee was **HB 545 Amend Moore County Occupancy Tax** (see **attachment 4**). Chairperson McGee recognized Representative Boles to explain the bill. The Chair then recognized Representative Cotham who moved that HB 545 be given a favorable report and be re-referred to the Finance Committee. The motion carried.

There being no further business presently before the Committee, Chairperson McGee adjourned the meeting at 9:09 am.

Respectfully submitted,

Representative William "Bill" McGee
Presiding Chair

Renee Weaver
Clerk, Finance Committee on
Occupancy Tax

Referred to: Government, if favorable, Finance.

March 2, 2011

1 A BILL TO BE ENTITLED
2 AN ACT TO ESTABLISH THE EDGECOMBE COUNTY TOURISM DEVELOPMENT
3 AUTHORITY.

4 The General Assembly of North Carolina enacts:

5 SECTION 1. Tourism Development Authority. – (a) The Board of Commissioners
6 of Edgecombe County may by resolution create the Edgecombe County Tourism Development
7 Authority, which shall be a public authority under the Local Government Budget and Fiscal
8 Control Act. The resolution shall provide for the membership of the Authority, including the
9 members' terms of office, and for the filling of vacancies on the Authority. At least one-third of
10 the members shall be individuals who are affiliated with businesses in the county, and at least
11 one-half of the members shall be individuals who are currently active in the promotion of travel
12 and tourism in the county. The resolution shall provide that the Authority shall be composed of
13 the following nine members:

- 14 (1) An Edgecombe County Commissioner appointed by the board of
15 commissioners.
- 16 (2) A member of the Tarboro Town Council appointed by the town council.
- 17 (3) Three owners or operators of motels, hotels, or other taxable
18 accommodations in Edgecombe County, one of whom shall be appointed by
19 the Tarboro Town Council, one by the Edgecombe County Board of
20 Commissioners, and one by the Edgecombe County Chamber of Commerce.
- 21 (4) Two individuals involved in the tourist business who have demonstrated an
22 interest in tourist development and do not own or operate hotels, motels, or
23 other taxable tourist accommodations, appointed as follows: one by the
24 Tarboro Town Council and one by the Edgecombe County Board of
25 Commissioners.
- 26 (5) An individual who is interested in the tourism business, has demonstrated an
27 interest in tourism development, and is appointed by the Edgecombe County
28 Board of Commissioners.
- 29 (6) An individual who is interested in the tourism business, has demonstrated an
30 interest in tourism development, and is appointed by the Tarboro Town
31 Council.

32 The Edgecombe County Board of Commissioners shall designate one member of the Authority
33 as chair and shall determine the compensation, if any, to be paid to members of the Authority.

1 The Authority shall meet at the call of the chair and shall adopt rules of procedure to
2 govern its meetings. The Finance Officer for Edgecombe County shall be the ex officio finance
3 officer of the Authority.

4 **SECTION 1.(b) Duties.** – The Authority shall promote travel, tourism, and
5 conventions in the county, sponsor tourist-related events and activities in the county, and
6 finance tourist-related capital projects in the county.

7 **SECTION 1.(c) Reports.** – The Authority shall report quarterly and at the close of
8 the fiscal year to the board of county commissioners on its receipts and expenditures for the
9 preceding quarter and for the year in such detail as the board may require.

10 **SECTION 2.** This act is effective when it becomes law.

HOUSE BILL 204: Edgecombe Co. Tourism Development Authority

2011-2012 General Assembly

Committee:	House Finance Subcommittee on Occupancy Tax	Date:	April 19, 2011
Introduced by:	Rep. Tolson	Prepared by:	Trina Griffin
Analysis of:	First Edition		Committee Counsel

SUMMARY: *House Bill 204 authorizes the creation of the Edgecombe County Tourism Development Authority to promote travel, tourism, and conventions; sponsor tourist-related events and activities; and finance tourist-related capital projects within the county.*

BILL ANALYSIS: House Bill 204 would authorize the Edgecombe County Board of Commissioners to create the Edgecombe County Tourism Development Authority for the purposes outlined above. The resolution creating the Authority must designate one member as chair and determine the compensation, if any, to be paid to Authority members. The Authority will meet at the call of the chair, adopt rules to govern meetings, will be a public authority under the Local Government Budget and Fiscal Control Act (Article 3, Chapter 159), and the Edgecombe County Finance Officer will serve as the ex officio finance officer of the Authority. The resolution creating the Edgecombe County Tourism Development Authority must specify terms of office, filling of vacancies, and the following nine member composition:

- One member that is an Edgecombe County Commissioner (appointed by the board of commissioners).
- One member of the Tarboro Town Council (appointed by the town council).
- Three members that are owners or operators of motels, hotels, or other taxable accommodations in Edgecombe County (one appointed by the Tarboro Town Council, one by the Edgecombe County Board of Commissioners, and one by the Edgecombe County Chamber of Commerce).
- Two members that are involved in the tourist business, have demonstrated an interest in tourist development and do not own or operate hotels, motels, or other taxable tourist accommodations (one appointed by the Tarboro Town Council and one by the Edgecombe County Board of Commissioners).
- One member interested in the tourism business that has demonstrated an interest in tourism development (appointed by the Edgecombe County Board of Commissioners).
- One member interested in the tourism business that has demonstrated an interest in tourism development (appointed by the Tarboro Town Council).

At least one-third of the members must be individuals affiliated with businesses in the county and at least one-half of the members must be currently active in the promotion of travel and tourism in the county.

The Authority must report to the board of county commissioners on a quarterly basis and at the close of the fiscal year. The reports must include receipts and expenditures for the preceding quarter and the year in the detail prescribed by the board.

EFFECTIVE DATE: This bill would become effective when it becomes law

BACKGROUND: Approximately $\frac{3}{4}$ of the counties in NC have Tourism Development Authorities or a tourism initiative run by a government entity or by some other entity. Approximately $\frac{1}{4}$ of the counties, including Edgecombe, do not have an officially designated tourism development entity.

The Edgecombe County Sustainable Tourism Plan (2008) recommended creation of a Tourism Development Authority. Edgecombe County is not currently authorized to levy an occupancy tax.

Theresa Matula, analyst for House Government, substantially contributed to this summary.

H204-SMSV-24(e1) v1

HOUSE BILL 545: Amend Moore County Occupancy Tax

2011-2012 General Assembly

Committee:	House Finance Subcommittee on Occupancy Tax	Date:	April 19, 2011
Introduced by:	Rep. Boles	Prepared by:	Trina Griffin
Analysis of:	First Edition		Committee Counsel

SUMMARY: *House Bill 545 recodifies the previously authorized Moore County Occupancy Tax to make it consistent with the current House Finance Occupancy Tax Guidelines. This change would allow the county to use up to one-third of the net proceeds for tourism-related expenditures.*

CURRENT LAW: In 1987, the General Assembly authorized Moore County to levy a room occupancy tax of 3% of the gross receipts derived from the rental of any room, lodging, or similar accommodation furnished by any hotel, motel, inn, tourist camp or other similar place within the county that is subject to the sales tax imposed under G.S. 105-164. The net proceeds must be remitted to the county Tourism Development Authority and must be used to further the development of travel and tourism through advertising and promotion.

The Moore County Tourism Development Authority is made up of 9 members:

- A county commissioner.
- 5 hotel operators, 2 of which operate the largest hotels by rental unit count.
- The Executive Vice President of the Sandhills Area Chamber of Commerce.
- 2 individuals interested in the tourist business but who do not operate a hotel.

BILL ANALYSIS: House Bill 545 recodifies the existing law authorizing a room occupancy tax in Moore County to conform the content to the uniform format currently used for occupancy taxes. Consistent with uniform occupancy tax provisions, the bill contains definitions for the following terms: "net proceeds," "promote travel and tourism" and "tourism-related expenditures". The bill also makes the Moore County occupancy tax subject to the uniform provisions for room occupancy taxes in G.S. 153A-155.

By conforming to the House Finance occupancy tax guidelines, Moore County would be able to use up to one-third of the occupancy tax proceeds for tourism-related expenditures, which it cannot do under current law.

EFFECTIVE DATE: House Bill 545 would become effective when it becomes law.

BACKGROUND: Since 1983, the General Assembly has authorized many units of local government to levy a room occupancy tax. In several instances, the General Assembly has authorized both a county and a city within that county to impose an occupancy tax. The rate of tax, the use of the tax proceeds, the administration of the tax, and the body with the authority to determine how the tax proceeds will be spent vary considerably. Over the past several years, there has been a greater effort to make the occupancy taxes uniform. In 1997, the General Assembly enacted uniform municipal and county administrative provisions for occupancy tax legislation – G.S. 153A-155 and G.S. 160A-215. These provisions provide uniformity in the areas of levy, administration, collection, repeal, and penalties.

A BILL TO BE ENTITLED

AN ACT TO MODIFY THE MOORE COUNTY OCCUPANCY TAX.

The General Assembly of North Carolina enacts:

SECTION 1. Chapter 188 of the 1987 Session Laws, as amended by S.L. 2007-527, is rewritten and recodified as Sections 2 and 3 of this act. This act does not affect the rights or liabilities of the county, a taxpayer, or another person arising under the law rewritten and recodified by this act before the effective date of this act, nor does it affect the right to any refund or credit of a tax that accrued under the law rewritten and recodified by this act before the effective date of this act.

SECTION 2. Occupancy tax. – (a) Authorization and Scope. – The Board of Commissioners of Moore County may levy a room occupancy tax of up to three percent (3%) of the gross receipts derived from the rental of any room, lodging, or accommodation furnished by a hotel, motel, inn, tourist camp, or similar place within the county that is subject to sales tax imposed by the State under G.S. 105-164.4(a)(3). This tax is in addition to any State or local sales tax. This tax does not apply to accommodations furnished by nonprofit charitable, educational, or religious organizations when furnished in furtherance of their nonprofit purpose.

SECTION 2.(b) Administration. – A tax levied under this section shall be levied, administered, collected, and repealed as provided in G.S. 153A-155. The penalties provided in G.S. 153A-155 apply to a tax levied under this section.

SECTION 2.(c) Definitions. – The following definitions apply in this act:

- (1) Net proceeds. – Gross proceeds less the cost to the county of administering and collecting the tax, as determined by the finance officer, not to exceed three percent (3%) of the first five hundred thousand dollars (\$500,000) of gross proceeds collected each year and one percent (1%) of the remaining gross proceeds collected each year.
- (2) Promote travel and tourism. – To advertise or market an area or activity, publish and distribute pamphlets and other materials, conduct market research, or engage in similar promotional activities that attract tourists or business travelers to the area. The term includes administrative expenses incurred in engaging in the listed activities.
- (3) Tourism-related expenditures. – Expenditures that, in the judgment of the Moore County Tourism Development Authority, are designed to increase the use of lodging facilities, meeting facilities, or convention facilities in the

1 county or to attract tourists or business travelers to the county. The term
2 includes tourism-related capital expenditures.

3 **SECTION 2.(d)** Distribution and Use of Tax Revenue. – Moore County shall, on a
4 quarterly basis, remit to the Moore County Tourism Development Authority the net proceeds of
5 the occupancy tax. The Authority shall use at least two-thirds of the funds remitted to it under
6 this subsection to promote travel and tourism in Moore County and shall use the remainder for
7 tourism-related expenditures.

8 **SECTION 3.** Tourism Development Authority. – (a) Appointment and
9 Membership. – When the Board of Commissioners adopts a resolution levying a room
10 occupancy tax under this act, it shall also adopt a resolution creating the Moore County
11 Tourism Development Authority, which shall be a public authority under the Local
12 Government Budget and Fiscal Control Act and shall be composed of the following members:

- 13 (1) A county commissioner appointed by the Board of County Commissioners.
- 14 (2) Five owners or operators of hotels, motels, or other taxable tourist
15 accommodations, two of which own or operate the largest hotels, motels, or
16 other accommodations in the county by rental unit count and three of which
17 own or operate other hotels, motels, or other accommodations by rental unit
18 count, who shall be appointed by the Board of County Commissioners,
- 19 (3) The Executive Vice-President of the Sandhills Area Chamber of Commerce.
- 20 (4) Two individuals interested in the tourist business who have demonstrated an
21 interest in tourist development but do not own or operate a hotel, motel, or
22 other taxable tourist accommodation, who shall be appointed by the Board of
23 County Commissioners.

24 All members of the Authority shall serve without compensation. Vacancies in the
25 Authority shall be filled in the same manner as the initial appointments. Members appointed to
26 fill vacancies shall serve for the remainder of the unexpired term for which they are appointed
27 to fill. Members shall serve terms as provided in the rules of procedure and bylaws of the
28 Authority.

29 The Board of Commissioners shall designate one member of the Authority as chair.
30 The Authority shall meet at the call of the chair and shall adopt rules of procedure and bylaws
31 to govern its meetings. The Finance Officer for Moore County shall be the ex officio finance
32 officer of the Authority.

33 **SECTION 3.(b)** Duties. – The Authority shall expend the net proceeds of the tax
34 levied under this act for the purposes provided in Section 2 of this act. The Authority shall
35 promote travel, tourism, and conventions in the county, sponsor tourist-related events and
36 activities in the county, and finance tourist-related capital projects in the county.

37 **SECTION 3.(c)** Reports. – The Authority shall report quarterly and at the close of
38 the fiscal year to the Moore County Board of Commissioners on its receipts and expenditures
39 for the preceding quarter and for the year in such detail as the Board of Commissioners may
40 require.

41 **SECTION 4.** Administrative provisions. – G.S. 153A-155(g) reads as rewritten:

42 "(g) Applicability. – Subsection (c) of this section applies to all counties and county
43 districts that levy an occupancy tax. To the extent subsection (c) conflicts with any provision of
44 a local act, subsection (c) supersedes that provision. The remainder of this section applies only
45 to Alleghany, Anson, Brunswick, Buncombe, Burke, Cabarrus, Camden, Carteret, Caswell,
46 Chatham, Cherokee, Chowan, Clay, Craven, Cumberland, Currituck, Dare, Davie, Duplin,
47 Durham, Forsyth, Franklin, Granville, Halifax, Haywood, Madison, Martin, McDowell,
48 Montgomery, Moore, Nash, New Hanover, New Hanover County District U, Northampton,
49 Pasquotank, Pender, Perquimans, Person, Randolph, Richmond, Rockingham, Rowan,
50 Sampson, Scotland, Stanly, Swain, Transylvania, Tyrrell, Vance, Washington, and Wilson
51 Counties, to Surry County District S, to Watauga County District U, to Wilkes County District

1 K, to Yadkin County District Y, and to the Township of Averagesboro in Harnett County and the
2 Ocracoke Township Taxing District."

3 **SECTION 5.** This act is effective when it becomes law.

HOUSE BILL 545: Amend Moore County Occupancy Tax

2011-2012 General Assembly

Committee:	House Finance Subcommittee on Occupancy Tax	Date:	April 19, 2011
Introduced by:	Rep. Boles	Prepared by:	Trina Griffin
Analysis of:	First Edition		Committee Counsel

SUMMARY: *House Bill 545 recodifies the previously authorized Moore County Occupancy Tax to make it consistent with the current House Finance Occupancy Tax Guidelines. This change would allow the county to use up to one-third of the net proceeds for tourism-related expenditures.*

CURRENT LAW: In 1987, the General Assembly authorized Moore County to levy a room occupancy tax of 3% of the gross receipts derived from the rental of any room, lodging, or similar accommodation furnished by any hotel, motel, inn, tourist camp or other similar place within the county that is subject to the sales tax imposed under G.S. 105-164. The net proceeds must be remitted to the county Tourism Development Authority and must be used to further the development of travel and tourism through advertising and promotion.

The Moore County Tourism Development Authority is made up of 9 members:

- A county commissioner.
- 5 hotel operators, 2 of which operate the largest hotels by rental unit count.
- The Executive Vice President of the Sandhills Area Chamber of Commerce.
- 2 individuals interested in the tourist business but who do not operate a hotel.

BILL ANALYSIS: House Bill 545 recodifies the existing law authorizing a room occupancy tax in Moore County to conform the content to the uniform format currently used for occupancy taxes. Consistent with uniform occupancy tax provisions, the bill contains definitions for the following terms: "net proceeds," "promote travel and tourism" and "tourism-related expenditures". The bill also makes the Moore County occupancy tax subject to the uniform provisions for room occupancy taxes in G.S. 153A-155.

By conforming to the House Finance occupancy tax guidelines, Moore County would be able to use up to one-third of the occupancy tax proceeds for tourism-related expenditures, which it cannot do under current law.

EFFECTIVE DATE: House Bill 545 would become effective when it becomes law.

BACKGROUND: Since 1983, the General Assembly has authorized many units of local government to levy a room occupancy tax. In several instances, the General Assembly has authorized both a county and a city within that county to impose an occupancy tax. The rate of tax, the use of the tax proceeds, the administration of the tax, and the body with the authority to determine how the tax proceeds will be spent vary considerably. Over the past several years, there has been a greater effort to make the occupancy taxes uniform. In 1997, the General Assembly enacted uniform municipal and county administrative provisions for occupancy tax legislation – G.S. 153A-155 and G.S. 160A-215. These provisions provide uniformity in the areas of levy, administration, collection, repeal, and penalties.

H545-SMSV-23(e1) v1

North Carolina General Assembly

House Finance Subcommittee on Occupancy Tax

Minutes

April 27, 2011

The House Finance Subcommittee on Occupancy Tax met on Wednesday, April 26, 2011 at 9:00 am in Room 425 of the Legislative Office Building. The following members were present: Chairperson McGee; and Representatives Carney, Moffitt, and Warren. Also present were Sergeant-at-Arms Wayne Davis and Bill MacRae. Staff persons present included Trina Griffin and Brian Slivka. The Agenda and Visitor Registration Sheets are attached and incorporated into these minutes as **attachments 1 and 2**.

Chairperson McGee called the meeting to order at 9:11 am.

The first bill considered by the Committee was **SB 269 Hillsborough Occupancy Tax** (see **attachment 3**). The Chair recognized Senator Kinnaird to explain the bill. The Chair recognized Representative Carney who moved that SB 269 be given a favorable report and be re-referred to the Finance Committee. The motion carried.

The next bill considered by the Committee was **HB 518 Authorize Add'l Person County Occupancy Tax** (see **attachment 4**). The Chair recognized Representative Moffitt who made a motion to adopt the proposed committee substitute for purposes of discussion. The motion carried. Chairperson McGee recognized Representative Wilkins to explain the bill. The Chair then recognized Representative Carney who moved that HB 518 be given a favorable report to the proposed committee substitute, unfavorable report to the original bill and be re-referred to the Finance Committee. The motion carried.

HB 414 Amend Rutherford County Occupancy Tax was the next bill heard by the Committee (see **attachment 5**). The Chair recognized Representative Hager to explain the bill. Chairperson McGee then recognized Representative Moffitt who moved for a favorable report and be re-referred to the Finance Committee. The motion carried.

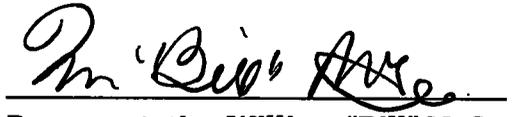

The next bill considered by the Committee was **HB 469 Additional Lumberton Occupancy** (see **attachment 6**). Chairperson McGee recognized Representative Carney who moved to adopt the proposed committee substitute for the purpose of discussion. The Chair recognized Representatives Graham and Pierce to explain the bill. Representative Carney was then

recognized and she moved that HB 469 be given a favorable report as to the proposed committee substitute, unfavorable to the original bill and be re-referred to the Finance Committee . The motion carried.

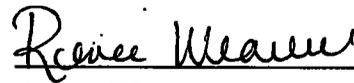

The last bill to be considered by the Committee was **HB 96 Additional Alleghany Occupancy Tax** (see attachment 7). The Chair recognized staff member Trina Griffin of the Research Division to explain the bill. Chairperson McGee then recognized Representative Warren who moved that HB 96 be given a favorable report to a proposed committee substitute that would add a provision setting up a Tourism Development Authority, unfavorable report to the original bill and be re-referred to the Finance Committee. The motion carried.

There being no further business presently before the Committee, Chairperson McGee adjourned the meeting at 9:37 am.

Respectfully submitted,

Representative William "Bill" McGee
Presiding Chair

Renee Weaver
Clerk, Finance Committee on
Occupancy Tax

SENATE BILL 269

Short Title: Hillsborough Occupancy Tax. (Local)

Sponsors: Senator Kinnaird.

Referred to: Finance.

March 9, 2011

A BILL TO BE ENTITLED

AN ACT TO AUTHORIZE THE TOWN OF HILLSBOROUGH TO LEVY A ROOM OCCUPANCY TAX.

The General Assembly of North Carolina enacts:

SECTION 1.1. Occupancy tax. – (a) Authorization and Scope. – The Town Board of the Town of Hillsborough may levy a room occupancy tax of up to three percent (3%) of the gross receipts derived from the rental of any room, lodging, or accommodation furnished by a hotel, motel, inn, tourist camp, or similar place within the town that is subject to sales tax imposed by the State under G.S. 105-164.4(a)(3). This tax is in addition to any State or local sales tax. This tax does not apply to accommodations furnished by nonprofit charitable, educational, or religious organizations when furnished in furtherance of their nonprofit purpose.

SECTION 1.1.(b) Administration. – A tax levied under this section shall be levied, administered, collected, and repealed as provided in G.S. 160A-215. The penalties provided in G.S. 160A-215 apply to a tax levied under this section.

SECTION 1.1.(c) Distribution and Use of Tax Revenue. – The Town of Hillsborough shall, on a quarterly basis, remit the net proceeds of the occupancy tax to the Hillsborough Tourism Development Authority. The Authority shall use at least two-thirds of the funds remitted to it under this subsection to promote travel and tourism in the Town of Hillsborough and shall use the remainder for tourism-related expenditures.

The following definitions apply in this subsection:

- (1) Net proceeds. – Gross proceeds less the cost to the town of administering and collecting the tax, as determined by the finance officer, not to exceed three percent (3%) of the first five hundred thousand dollars (\$500,000) of gross proceeds collected each year and one percent (1%) of the remaining gross proceeds collected each year.
- (2) Promote travel and tourism. – To advertise or market an area or activity, publish and distribute pamphlets and other materials, conduct market research, or engage in similar promotional activities that attract tourists or business travelers to the area; the term includes administrative expenses incurred in engaging in the listed activities.
- (3) Tourism-related expenditures. – Expenditures that, in the judgment of the Hillsborough Tourism Development Authority, are designed to increase the use of lodging facilities, meeting facilities, or convention facilities in the town or to attract tourists or business travelers to the town. The term includes tourism-related capital expenditures.

1 **SECTION 1.2.** Tourism Development Authority. – (a) Appointment and
2 Membership. – When the Town Board adopts a resolution levying a room occupancy tax under
3 this act, it shall also adopt a resolution creating the Hillsborough Tourism Development
4 Authority, which shall be a public authority under the Local Government Budget and Fiscal
5 Control Act. The resolution shall provide for the membership of the Authority, including the
6 members' terms of office, and for the filling of vacancies on the Authority. At least one-third
7 of the members shall be individuals who are affiliated with businesses that collect the tax in the
8 town, and at least one-half of the members shall be individuals who are currently active in the
9 promotion of the travel and tourism in the town. The Town Board shall designate one member
10 of the Authority as chair and shall determine the compensation, if any, to be paid to members
11 of the Authority. The Authority shall meet at the call of the chair and shall adopt rules of
12 procedure to govern its meetings. The finance officer for the Town of Hillsborough shall be the
13 ex officio finance officer of the Authority.

14 **SECTION 1.2.(b)** Duties. – The Tourism Development Authority shall expend the
15 net proceeds of the tax levied under this act for the purposes provided in Section 1 of this act.
16 The Authority shall promote travel, tourism, and conventions in the town, sponsor
17 tourist-related events and activities in the town, and finance tourist-related capital projects in
18 the town.

19 **SECTION 1.2.(c)** Reports. – The Tourism Development Authority shall report
20 quarterly and at the close of each fiscal year to the Hillsborough Town Board on its receipts
21 and expenditures for the preceding quarter and for the year in such detail as the Town Board
22 may require.

23 **SECTION 2.** G.S. 160A-215(g) reads as rewritten:

24 "(g) Applicability. – Subsection (c) of this section applies to all cities that levy an
25 occupancy tax. To the extent subsection (c) conflicts with any provision of a local act,
26 subsection (c) supersedes that provision. The remainder of this section applies only to Beech
27 Mountain District W, to the Cities of Belmont, Conover, Eden, Elizabeth City, Gastonia,
28 Goldsboro, Greensboro, Hickory, High Point, Jacksonville, Kings Mountain, Lenoir,
29 Lexington, Lincolnton, Lowell, Lumberton, Monroe, Mount Airy, Mount Holly, Reidsville,
30 Roanoke Rapids, Salisbury, Shelby, Statesville, Washington, and Wilmington, to the Towns of
31 Ahoskie, Beech Mountain, Benson, Bermuda Run, Blowing Rock, Boiling Springs, Boone,
32 Burgaw, Carolina Beach, Carrboro, Cooleemee, Cramerton, Dallas, Dobson, Elkin, Franklin,
33 Hillsborough, Jonesville, Kenly, Kure Beach, Leland, McAdenville, Mocksville, Mooresville,

EXPENDITURES

POSITIONS (cumulative):

PRINCIPAL DEPARTMENT(S) & PROGRAM(S) AFFECTED: Town of Hillsborough

EFFECTIVE DATE: This act is effective when it becomes law.

BILL SUMMARY:

Senate Bill 269 authorizes the Town Board of the Town of Hillsborough to levy a room occupancy tax of up to 3%. It provides that the tax must be levied, administered, collected, and repealed as provided in GS 160A-215 (uniform provisions for room occupancy taxes). The bill requires the Hillsborough Tourism Development Authority (TDA) to use at least two-thirds of the occupancy tax proceeds to promote travel and tourism in the town and the remainder for tourism-related expenditures. It mandates that at least one-third of the members of the TDA be affiliated with businesses that collect the tax in the town, and at least one-half of the members be currently active in the town's travel and tourism promotion. Senate Bill 269 makes conforming change to GS 160A-215(g).

ASSUMPTIONS AND METHODOLOGY:

The Town of Hillsborough currently has 208 rooms that would be subject to the proposed 3% local room occupancy tax. According to the town, Orange County estimates that approximately \$50,000 from the current 3% county occupancy tax is derived from hotel rooms in Hillsborough.

Orange County reported \$935,220 in occupancy tax collections for taxable year 2009. Chapel Hill, the only municipality in Orange County that currently levies a room occupancy tax, reported \$891,857 for collections during that same year. Both Orange County and Chapel Hill levy a 3% occupancy tax. It's assumed that the \$43,363 difference was collected from hotels in the town of Hillsborough. This amount was then grown using the leisure and hospitality portion of North Carolina's gross state product as projected by Moody's Economy.com.

SENATE BILL 269: Hillsborough Occupancy Tax

2011-2012 General Assembly

Committee:	House Finance Subcommittee on Occupancy Tax	Date:	April 27, 2011
Introduced by:	Sen. Kinnaird	Prepared by:	Trina Griffin Committee Counsel
Analysis of:	First Edition		

SUMMARY: Senate Bill 269 authorizes the Town of Hillsborough, located in Orange County, to levy a 3% room occupancy tax. At least two-thirds of the proceeds would be used to promote travel and tourism and the remainder would be used for tourism-related expenditures. This bill conforms to the guidelines supported by the North Carolina Travel and Tourism Coalition and adhered to by the House Finance Committee.

CURRENT LAW: Currently, the Town of Hillsborough does not have authority to levy a room occupancy tax. Orange County has had authority to levy a room occupancy tax of up to 3% since 1991.¹ The other municipalities in Orange County, Carrboro and Chapel Hill, have had authority to levy a room occupancy tax of up to 3% since 2001 and 1987 respectively.²

BILL ANALYSIS: Senate Bill 269 authorizes the Town of Hillsborough to levy a room occupancy tax of up to three percent (3%). Once levied, the total occupancy tax rate for the town would be up to six percent (6%) when the county tax is included. The proceeds of the tax levied by the town must be remitted to a Tourism Development Authority (TDA), to be created by the town's governing body when the tax is first levied. The TDA must use at least two-thirds of the proceeds to promote travel and tourism and the remainder for tourism-related expenditures. These administrative and use provisions conform to the uniform guidelines recognized by the House Finance Committee and set out in the chart below.

UNIFORM OCCUPANCY TAX PROVISIONS
Rate – The county tax rate cannot exceed 6% and the city tax rate, when combined with the county rate, cannot exceed 6%.
Use – Two-thirds of the proceeds must be used to promote travel and tourism and the remainder must be used for tourism related expenditures.
Definitions The term “net proceeds”, “promote travel and tourism”, and “tourism related expenditures” are defined terms.
Administration – The net revenues must be administered by a local tourism development authority that has the authority to determine how the tax proceeds will be used, is created by a local ordinance, and at least ½ of the members must be currently active in the promotion of travel and tourism in the county and 1/3 of the members must be affiliated with organizations that collect the tax.
Costs of Collection – The taxing authority may retain from the revenues its actual costs of collection, not to exceed 3% of the first \$500,000 collected each year plus 1% of the remainder collected each year.

EFFECTIVE DATE: Senate Bill 269 is effective when it becomes law.

¹ S.L. 1991-392. Orange County's occupancy tax does not conform to the occupancy tax guidelines.

² S.L. 2001-439 and S.L. 1987-460. Chapel Hill's occupancy tax does not conform to the occupancy tax guidelines; Carrboro's occupancy tax does conform to the guidelines.

Senate Bill 269

Page 2

BACKGROUND: Since 1983, the General Assembly has authorized many units of local government to levy a room occupancy tax. Over the past several years, there has been a greater effort to make the occupancy taxes uniform. In 1997, the General Assembly enacted uniform municipal and county administrative provisions for occupancy tax,³ which provide uniformity among counties and cities with respect to the levy, administration, collection, repeal, and imposition of penalties.

In 1993, the House Finance Committee established the Occupancy Tax Guidelines, which address the rate of tax, the use of the tax proceeds, the administration of the tax, and the body with authority to determine how the proceeds will be spent. Many of the principles contained in the Guidelines are similar to those contained in policy statements adopted by the North Carolina Travel and Tourism Coalition and the North Carolina Restaurant and Lodging Association. The House Finance Committee Chairs have traditionally appointed a Subcommittee on Occupancy Taxes that scrutinizes occupancy tax legislation to determine whether the legislation adheres to the Guidelines. The House Finance Chairs appointed Representatives McGee, Cotham, Carney, Moffitt, and Warren to be members of the House Finance Subcommittee on Occupancy Taxes this biennium.

Cindy Avrette, counsel to Senate Finance, substantially contributed to this summary.

A BILL TO BE ENTITLED

AN ACT TO AUTHORIZE AN ADDITIONAL ONE PERCENT OCCUPANCY TAX FOR PERSON COUNTY.

The General Assembly of North Carolina enacts:

SECTION 1. Section 14 of S.L. 1997-364 reads as rewritten:

"Section 14. Person County occupancy tax. (a) Authorization and scope. — The Person County Board of Commissioners may levy a room occupancy tax of up to five percent (5%) of the gross receipts derived from the rental of any room, lodging, or accommodation furnished by a hotel, motel, inn, tourist camp, or similar place within the county that is subject to sales tax imposed by the State under G.S. 105-164.4(a)(3).

This tax is in addition to any State or local sales tax. This tax does not apply to accommodations furnished by nonprofit charitable, educational, or religious organizations when furnished in furtherance of their nonprofit purpose.

(a) Authorization of Additional Tax. — In addition to the tax authorized by subsection (a) of this section, the Person County Board of Commissioners may levy an additional room occupancy tax of up to one percent (1%) of the gross receipts derived from the rental of accommodations taxable under subsection (a) of this section. The levy, collection, administration, and repeal of the tax authorized by this subsection shall be in accordance with the provisions of this section. Person County may not levy a tax under this subsection unless it also levies the tax authorized under subsection (a) of this section.

(b) Administration. — Except as otherwise provided in this section, a tax levied under this section shall be levied, administered, collected, and repealed as provided in G.S. 153A-155. The penalties provided in G.S. 153A-155 apply to a tax levied under this section.

(c) Distribution and use of tax revenue. — Person County shall, on a quarterly basis, remit the net proceeds of the occupancy tax to the Person Tourism Development Authority. ~~Of the net proceeds that accrue during the first four years that a tax is levied under this section, the Authority may use up to two thirds only for the following tourism related expenditures: (i) constructing or operating the Person County Historical Museum, (ii) developing Lake Mayo for fishing tournaments, skiing tournaments, and other activities designed to attract tourists to the lake from outside the county, and (iii) supporting the May Festival and other festivals designed to attract tourists from outside the county. The Authority shall use the remaining net proceeds that accrue during the first four years that a tax is levied under this section only to promote travel and tourism in Person County.~~

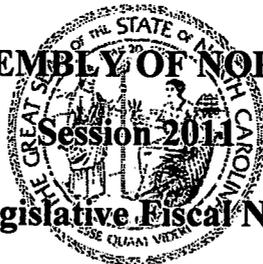

1 ~~Of the net proceeds that accrue after this four year period, the~~ The Authority shall use at
2 least two-thirds of the funds remitted to it under this subsection to promote travel and tourism
3 in Person County and shall use the remainder for tourism-related expenditures.

4 The following definitions apply in this subsection:

- 5 (1) Net proceeds. – Gross proceeds less the cost to the county of administering
6 and collecting the tax, as determined by the finance officer, not to exceed
7 three percent (3%) of the gross proceeds.
- 8 (2) Promote travel and tourism. – To advertise or market an area or activity,
9 publish and distribute pamphlets and other materials, conduct market
10 research, or engage in similar promotional activities that attract tourists or
11 business travelers to the area; the term includes administrative expenses
12 incurred by the Authority in engaging in the listed activities.
- 13 (3) Tourism-related expenditures. – Expenditures that, in the judgment of the
14 Authority, are designed to increase the use of lodging facilities, meeting
15 facilities, and convention facilities in a county or to attract tourists or
16 business travelers to the county. The term includes tourism-related capital
17 expenditures."

18 **SECTION 2.** This act is effective when it becomes law.

GENERAL ASSEMBLY OF NORTH CAROLINA

Legislative Fiscal Note

BILL NUMBER: House Bill 518 (First Edition)

SHORT TITLE: Authorize Add'l Person County Occupancy Tax.

SPONSOR(S): Representative Wilkins

FISCAL IMPACT					
	Yes (X)	No ()	No Estimate Available ()		
	<u>FY 2011-12</u>	<u>FY 2012-13</u>	<u>FY 2013-14</u>	<u>FY 2014-15</u>	<u>FY 2015-16</u>
REVENUES	\$33,446	\$35,637	\$37,659	\$39,245	\$40,579
EXPENDITURES					
POSITIONS (cumulative):					
PRINCIPAL DEPARTMENT(S) & PROGRAM(S) AFFECTED: Person County					
EFFECTIVE DATE: This act is effective when it becomes law					

BILL SUMMARY:

House Bill 518 amends Section 14 of SL 1997-364 to allow Person County to levy an additional room occupancy tax of up to (1%) one percent of the gross receipts derived from the rental of any room, lodging, or accommodation furnished by a hotel, motel, inn, tourist camp, or similar place within the county that is subject to the state's sales tax under GS 105-164.4(a)(3). It prohibits Person County from levying the additional tax unless it levies the (5%) five percent occupancy tax previously authorized. The bill specifies that proceeds from the additional (1%) one percent tax are earmarked for operating the Person County Museum of History.

ASSUMPTIONS AND METHODOLOGY:

Person County currently collects a (5%) five percent room occupancy tax. According to the North Carolina Department of State Treasurer, the county collected \$152,669 in occupancy tax revenue for Tax Year 2010. Assuming that an additional (1%) one percent would generate (1/5) one-fifth of current collections, and forecasting based on the leisure and hospitality portion of North Carolina Gross State Product, it's estimated that an additional (1%) one percent occupancy tax would yield Person County \$33,446 in FY11-12.

HOUSE BILL 518: Authorize Add'l Person County Occupancy Tax

2011-2012 General Assembly

Committee:	House Finance Subcommittee on Occupancy Tax	Date:	April 27, 2011
Introduced by:	Rep. Wilkins	Prepared by:	Trina Griffin
Analysis of:	PCS to First Edition H518-CSSVx-8		Committee Counsel

SUMMARY: *The Proposed Committee Substitute for House Bill 518 would authorize Person County to levy an additional 1% room occupancy tax, and it deletes unnecessary language relating to how the proceeds of the existing 5% tax were to be spent during the first four years of levy.*

CURRENT LAW: In 1997, the General Assembly authorized Person County to levy a room occupancy tax of up to 5%. The net proceeds are required to be distributed to the Person County Tourism Development Authority. The legislation provided that during the first four years of levy, the net proceeds were to be used as follows:

- Up to 2/3 may be used only for the following tourism-related expenditures:
 - Constructing or operating the Person County Museum of History.
 - Developing Lake Mayo for fishing tournaments, skiing tournaments, and other activities designed to attract tourists to the lake from outside the county.
 - Supporting the May Festival and other festivals designed to attract tourists from outside the county.
- The remainder must be used to promote travel and tourism in Person County.

After the first four years, at least two-thirds of the funds must be used for tourism promotion and the remainder for tourism-related expenditures.

BILL ANALYSIS: The PCS would authorize Person County to levy an additional 1% room occupancy tax. It also deletes language referring to the use of the proceeds during the first four years of the levy of the existing 5% tax since that time period has expired. The net proceeds of the additional 1% would be used in the same manner as the existing 5%, which is in accordance with the House Finance guidelines for occupancy tax: at least two-thirds for tourism promotion and the remainder for tourism-related expenditures.

EFFECTIVE DATE: This act is effective when it becomes law.

BACKGROUND: Since 1983, the General Assembly has authorized many units of local government to levy a room occupancy tax. Over the past several years, there has been a greater effort to make the occupancy taxes uniform. In 1997, the General Assembly enacted uniform municipal and county administrative provisions for occupancy tax,¹ which provide uniformity among counties and cities with respect to the levy, administration, collection, repeal, and imposition of penalties.

In 1993, the House Finance Committee established the Occupancy Tax Guidelines, which address the rate of tax, the use of the tax proceeds, the administration of the tax, and the body with authority to determine how the proceeds will be spent. A summary of these provisions is detailed in the chart below. Many of the principles contained in the Guidelines are similar to those contained in policy statements

¹ G.S. 153A-155 and G.S. 160A-215.
Research Division

House PCS 518

Page 2

adopted by the North Carolina Travel and Tourism Coalition and the North Carolina Restaurant and Lodging Association. The House Finance Committee Chairs have traditionally appointed a Subcommittee on Occupancy Taxes to scrutinize occupancy tax legislation to determine whether the legislation adheres to the Guidelines. The House Finance Chairs appointed Representatives McGee, Cotham, Carney, Moffitt, and Warren to be members of the House Finance Subcommittee on Occupancy Taxes this biennium.

UNIFORM OCCUPANCY TAX PROVISIONS
Rate – The county tax rate cannot exceed 6% and the city tax rate, when combined with the county rate, cannot exceed 6%.
Use – Two-thirds of the proceeds must be used to promote travel and tourism and the remainder must be used for tourism related expenditures.
Definitions The term “net proceeds”, “promote travel and tourism”, and “tourism related expenditures” are defined terms.
Administration – The net revenues must be administered by a local tourism development authority that has the authority to determine how the tax proceeds will be used, is created by a local ordinance, and at least 1/2 of the members must be currently active in the promotion of travel and tourism in the county and 1/3 of the members must be affiliated with organizations that collect the tax.
Costs of Collection – The taxing authority may retain from the revenues its actual costs of collection, not to exceed 3% of the first \$500,000 collected each year plus 1% of the remainder collected each year.

HOUSE BILL 414

Short Title: Amend Rutherford County Occupancy Tax. (Local)

Sponsors: Representative Hager (Primary Sponsor).
For a complete list of Sponsors, see Bill Information on the NCGA Web Site.

Referred to: Government, if favorable, Finance.

March 22, 2011

A BILL TO BE ENTITLED

AN ACT TO MODIFY THE RUTHERFORD COUNTY OCCUPANCY TAX.

The General Assembly of North Carolina enacts:

SECTION 1. Sections 5 and 6 of Chapter 577 of the 1991 Session Laws, as amended by S.L. 2007-527, are rewritten and recodified as Sections 2 and 3 of this act. This act does not affect the rights or liabilities of the county, a taxpayer, or another person arising under the law rewritten and recodified by this act before the effective date of this act, nor does it affect the right to any refund or credit of a tax that accrued under the law rewritten and recodified by this act before the effective date of this act.

SECTION 2. Occupancy tax. – (a) Authorization and Scope. – The Board of Commissioners of Rutherford County may levy a room occupancy tax of up to six percent (6%) of the gross receipts derived from the rental of any room, lodging, or accommodation furnished by a hotel, motel, inn, tourist camp, or similar place within the county that is subject to sales tax imposed by the State under G.S. 105-164.4(a)(3). This tax is in addition to any State or local sales tax. This tax does not apply to accommodations furnished by nonprofit charitable, educational, or religious organizations when furnished in furtherance of their nonprofit purpose.

SECTION 2.(b) Administration. – A tax levied under this section shall be levied, administered, collected, and repealed as provided in G.S. 153A-155. The penalties provided in G.S. 153A-155 apply to a tax levied under this section.

SECTION 2.(c) Definitions. – The following definitions apply in this act:

- (1) Net proceeds. – Gross proceeds less the cost to the county of administering and collecting the tax, as determined by the finance officer, not to exceed three percent (3%) of the first five hundred thousand dollars (\$500,000) of gross proceeds collected each year and one percent (1%) of the remaining gross proceeds collected each year.
- (2) Promote travel and tourism. – To advertise or market an area or activity, publish and distribute pamphlets and other materials, conduct market research, or engage in similar promotional activities that attract tourists or business travelers to the area. The term includes administrative expenses incurred in engaging in the listed activities.
- (3) Tourism-related expenditures. – Expenditures that, in the judgment of the Rutherford County Tourism Development Authority, are designed to increase the use of lodging facilities, meeting facilities, or convention

1 facilities in the county or to attract tourists or business travelers to the
2 county. The term includes tourism-related capital expenditures.

3 **SECTION 2.(d)** Distribution and Use of Tax Revenue. – Rutherford County shall,
4 on a quarterly basis, remit to the Rutherford County Tourism Development Authority the net
5 proceeds of the occupancy tax. Alternatively, Rutherford County may, at the request and on
6 behalf of the Authority, establish a separate fund to account for the management of all receipts
7 and disbursements of the Authority. In addition to the management of this separate fund, the
8 county may also provide services, including, but not limited to, finance, human resources,
9 legal, and information technology. Service fees will be assessed by the county for the indirect
10 costs related to these services. The Authority shall use at least two-thirds of the funds remitted
11 to it under this subsection to promote travel and tourism in Rutherford County and shall use the
12 remainder for tourism-related expenditures.

13 **SECTION 3.** Tourism Development Authority. – (a) Appointment and
14 Membership. – When the Board of Commissioners adopts a resolution levying a room
15 occupancy tax under this act, it shall also adopt a resolution creating the Rutherford County
16 Tourism Development Authority, which shall be a public authority under the Local
17 Government Budget and Fiscal Control Act. The resolution adopted by the Board of
18 Commissioners shall provide for the membership of the Authority, including the members'
19 terms of office, and for the filling of vacancies on the Authority. At least one-third of the
20 members shall be individuals who are affiliated with businesses that collect the tax in the
21 county, and at least one-half of the members shall be individuals who are currently active in the
22 promotion of travel and tourism in the county. The Board of Commissioners shall designate
23 one member of the Authority as chair and shall determine the compensation, if any, to be paid
24 to members of the Authority.

25 The Authority shall meet at the call of the chair and shall adopt rules of procedure to
26 govern its meetings. The Finance Officer for Rutherford County shall be the ex officio finance
27 officer of the Authority.

28 **SECTION 3.(b)** Duties. – The Authority shall expend the net proceeds of the tax
29 levied under this act for the purposes provided in Section 2 of this act. The Authority shall
30 promote travel, tourism, and conventions in the county, sponsor tourist-related events and
31 activities in the county, and finance tourist-related capital projects in the county.

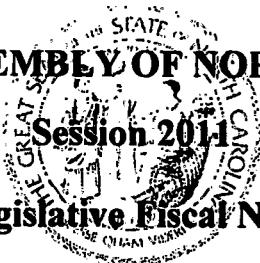

32 **SECTION 3.(c)** Reports. – The Authority shall report quarterly and at the close of
33 the fiscal year to the Rutherford County Board of Commissioners on its receipts and
34 expenditures for the preceding quarter and for the year in such detail as the Board of
35 Commissioners may require.

36 **SECTION 4.** Administrative provisions. – G.S. 153A-155(g) reads as rewritten:

37 "(g) Applicability. – Subsection (c) of this section applies to all counties and county
38 districts that levy an occupancy tax. To the extent subsection (c) conflicts with any provision of
39 a local act, subsection (c) supersedes that provision. The remainder of this section applies only
40 to Alleghany, Anson, Brunswick, Buncombe, Burke, Cabarrus, Camden, Carteret, Caswell,
41 Chatham, Cherokee, Chowan, Clay, Craven, Cumberland, Currituck, Dare, Davie, Duplin,
42 Durham, Forsyth, Franklin, Granville, Halifax, Haywood, Madison, Martin, McDowell,
43 Montgomery, Nash, New Hanover, New Hanover County District U, Northampton,
44 Pasquotank, Pender, Perquimans, Person, Randolph, Richmond, Rockingham, Rowan,
45 Rutherford, Sampson, Scotland, Stanly, Swain, Transylvania, Tyrrell, Vance, Washington, and
46 Wilson Counties, to Surry County District S, to Watauga County District U, to Wilkes County
47 District K, to Yadkin County District Y, and to the Township of Averagesboro in Harnett County
48 and the Ocracoke Township Taxing District."

49 **SECTION 5.** This act is effective when it becomes law.

REVENUES	**No Fiscal Impact**				
EXPENDITURES					
POSITIONS (cumulative):					
PRINCIPAL DEPARTMENT(S) & PROGRAM(S) AFFECTED:	Rutherford County				
EFFECTIVE DATE:	This act is effective when it becomes law.				

BILL SUMMARY:

House Bill 414 recodifies the existing law authorizing a room occupancy tax in Rutherford County to conform the content to the uniform format currently used for occupancy taxes. Consistent with uniform occupancy tax provisions, the bill contains definitions for the following terms: "net proceeds," promote travel and tourism" and "tourism-related expenditures". The bill also makes the Rutherford County occupancy tax subject to the uniform provisions for room occupancy taxes in G.S. 153A-155.

By conforming to the House Finance occupancy tax guidelines, Rutherford County would be able to use up to one-third of the occupancy tax proceeds for tourism-related expenditures, which it cannot do under current law.

ASSUMPTIONS AND METHODOLOGY:

There is no fiscal impact due to these changes.

HOUSE BILL 414: Amend Rutherford County Occupancy Tax

2011-2012 General Assembly

Committee:	House Finance Subcommittee on Occupancy Tax	Date:	April 27, 2011
Introduced by:	Rep. Hager	Prepared by:	Trina Griffin
Analysis of:	First Edition		Committee Counsel

SUMMARY: *House Bill 414 recodifies the previously authorized Rutherford County occupancy tax to make it more uniform with current occupancy tax guidelines. By doing so, Rutherford County would be able to use up to one-third of the occupancy tax proceeds for tourism-related expenditures, which it cannot do under current law.*

The bill would also allow the county, upon request of the TDA, to manage the TDA's receipts and disbursements and provide other related services. The county could charge service fees for the indirect costs related to these services.

CURRENT LAW: In 1991, the General Assembly authorized Rutherford County to levy an occupancy tax of up to 6%. The county must remit the net proceeds to the Rutherford Tourism Development Authority, and the net proceeds must be used only to promote travel, tourism, retirement, and conventions in the county.

BILL ANALYSIS: House Bill 414 would recodify the existing law authorizing a room occupancy tax in Rutherford County to more closely conform to the uniform guidelines currently used for occupancy taxes. The tax rate would remain the same. By conforming to the guidelines, Rutherford County would be able to use up to one-third of the occupancy tax proceeds for tourism-related expenditures, which it cannot do under current law. The bill also makes the Rutherford County occupancy tax subject to the uniform provisions for room occupancy taxes in G.S. 153A-155.

The bill would also allow Rutherford County, at the request of the TDA, to establish a separate fund to account for the management of all receipts and disbursements of the TDA rather than remitting the proceeds directly to the TDA. In addition to management of the separate fund, the county may provide finance, human resources, legal, information technology and other services. The county would be authorized to assess service fees for the indirect costs related to these services.

EFFECTIVE DATE: This act is effective when it becomes law.

BACKGROUND: Since 1983, the General Assembly has authorized many units of local government to levy a room occupancy tax. Over the past several years, there has been a greater effort to make the occupancy taxes uniform. In 1997, the General Assembly enacted uniform municipal and county administrative provisions for occupancy tax,¹ which provide uniformity among counties and cities with respect to the levy, administration, collection, repeal, and imposition of penalties.

In 1993, the House Finance Committee established the Occupancy Tax Guidelines, which address the rate of tax, the use of the tax proceeds, the administration of the tax, and the body with authority to determine how the proceeds will be spent. A summary of these provisions is detailed in the chart below. Many of the principles contained in the Guidelines are similar to those contained in policy statements adopted by the North Carolina Travel and Tourism Coalition and the North Carolina Restaurant and Lodging Association. The House Finance Committee Chairs have traditionally appointed a Subcommittee on Occupancy Taxes to scrutinize occupancy tax legislation to determine whether the

¹ G.S. 153A-155 and G.S. 160A-215.
Research Division

House Bill 414

Page 2

legislation adheres to the Guidelines. The House Finance Chairs appointed Representatives McGee, Cotham, Carney, Moffitt, and Warren to be members of the House Finance Subcommittee on Occupancy Taxes this biennium.

UNIFORM OCCUPANCY TAX PROVISIONS
Rate – The county tax rate cannot exceed 6% and the city tax rate, when combined with the county rate, cannot exceed 6%.
Use – Two-thirds of the proceeds must be used to promote travel and tourism and the remainder must be used for tourism related expenditures.
Definitions The term “net proceeds”, “promote travel and tourism”, and “tourism related expenditures” are defined terms.
Administration – The net revenues must be administered by a local tourism development authority that has the authority to determine how the tax proceeds will be used, is created by a local ordinance, and at least 1/2 of the members must be currently active in the promotion of travel and tourism in the county and 1/3 of the members must be affiliated with organizations that collect the tax.
Costs of Collection – The taxing authority may retain from the revenues its actual costs of collection, not to exceed 3% of the first \$500,000 collected each year plus 1% of the remainder collected each year.

2 AN ACT TO INCREASE THE AUTHORIZATION TO LEVY AN OCCUPANCY TAX IN
3 THE CITY OF LUMBERTON AND THE TOWN OF ST. PAULS.
4 The General Assembly of North Carolina enacts:
5 SECTION 1. Section 2 of S.L. 1997-361, as amended by S.L. 2007-332, is
6 amended by adding a new subsection to read:
7 "(a1) Authorization of Additional Tax. – In addition to the tax authorized by subsection
8 (a) of this section, the Lumberton City Council may levy an additional room occupancy tax of
9 up to three percent (3%) of the gross receipts derived from the rental of accommodations
10 taxable under subsection (a) of this section. The levy, collection, administration, and repeal of
11 the tax authorized by this subsection shall be in accordance with the provisions of this section.
12 The City of Lumberton may not levy a tax under this subsection unless it also levies the tax
13 authorized under subsection (a) of this section."
14 SECTION 2. Section 1 of S.L. 1998-112, as amended by S.L. 2006-34, is amended
15 by adding a new subsection to read:
16 "(a2) Authorization of Second Additional Tax. – In addition to the tax authorized by
17 subsections (a) and (a1) of this section, the board of commissioners of the Town of St. Pauls
18 may levy an additional room occupancy tax of up to three percent (3%) of the gross receipts
19 derived from the rental of accommodations taxable under this section. The levy, collection,
20 administration, use, and repeal of the tax authorized by this subsection shall be in accordance
21 with the provisions of this section. St. Pauls may not levy a tax under this subsection unless it
22 also levies the tax authorized under subsections (a) and (a1) of this section."
23 SECTION 3. This act is effective when it becomes law.

GENERAL ASSEMBLY OF NORTH CAROLINA

Legislative Fiscal Note

BILL NUMBER: House Bill 469 (First Edition)

SHORT TITLE: Additional Lumberton Occupancy Tax.

SPONSOR(S): Representatives Pierce, Graham, and Pridgen

	<u>FY 2011-12</u>	<u>FY 2012-13</u>	<u>FY 2013-14</u>	<u>FY 2014-15</u>	<u>FY 2015-16</u>
REVENUES	\$479,896	\$ 511,344	\$ 540,352	\$ 563,104	\$ 582,252
EXPENDITURES					
POSITIONS (cumulative):					
PRINCIPAL DEPARTMENT(S) & PROGRAM(S) AFFECTED: City of Lumberton					
EFFECTIVE DATE: This act is effective when it becomes law.					

BILL SUMMARY:

House Bill 469 amends Section 2 of Part IX of SL 1983-908, as amended, to authorize the Lumberton City Council to levy an additional room occupancy tax of up to (3%) three percent, as specified. The city may not levy the tax under subsection (a1) unless it also levies the (3%) three percent occupancy tax authorized under subsection (a) of this section.

ASSUMPTIONS AND METHODOLOGY:

The City of Lumberton currently levies a (3%) three percent room occupancy tax. House Bill 469 would allow the city to levy an additional (3%) three percent room occupancy tax. According to the North Carolina Department of State Treasurer, the City of Lumberton collected \$441,368 in occupancy tax revenues for Tax Year 2010. Assuming that doubling the tax rate would double the amount of occupancy tax collected, and growing by the leisure and hospitality portion of North Carolina's Gross State Product, it's estimated that an additional (3%) three percent occupancy tax would yield \$479,896 for FY11-12.

PCS FOR HOUSE BILL 469: Add'l. Lumberton & St. Pauls Occupancy Tax

2011-2012 General Assembly

Committee:	House Finance Subcommittee on Occupancy Tax	Date:	April 27, 2011
Introduced by:	Reps. Graham, Pierce, Pridgen	Prepared by:	Trina Griffin
Analysis of:	PCS to First Edition H469-CSSVx-9		Committee Counsel

SUMMARY: *House Bill 469 authorizes the City of Lumberton to levy an additional 3% occupancy tax. The Proposed Committee Substitute adds a provision that would authorize the Town of St. Pauls to levy an additional 3% occupancy tax. The provisions of both existing local acts conform to the guidelines adopted by the House Finance Committee.*

CURRENT LAW: The City of Lumberton, which is located in Robeson County, is currently authorized to levy a room occupancy tax of up to 3%. Robeson County does not have authority to levy a room occupancy tax. In 1997, the City obtained temporary authorization to levy an additional 3%, which expired on August 1, 2000. The proceeds of the existing tax must be remitted to a Tourism Development Authority, which must use at least two-thirds of the proceeds for tourism promotion and the remainder for tourism-related expenditures. The current local act conforms to the occupancy tax guidelines.

In 1998 and 2006, the General Assembly authorized the Town of St. Pauls to levy a 1% room occupancy tax and a 2% room occupancy tax, respectively. The town is located in Robeson County, which does not have authority to levy a room occupancy tax. Therefore, the current total occupancy tax rate in the town is 3%. The proceeds are remitted to the St. Pauls Tourism Development Authority, which is required to spend at least two-thirds of the proceeds on tourism promotion and the remainder on tourism-related expenditures.

BILL ANALYSIS: Section 1 of the PCS would authorize the City of Lumberton to levy an additional 3% occupancy tax to be used in the same manner as the existing 3% occupancy tax.

Section 2 of the PCS would authorize the Town of St. Pauls to levy an additional 3% occupancy tax to be used in the same manner as the existing 3% occupancy tax.

EFFECTIVE DATE: This act is effective when it becomes law.

BACKGROUND: Since 1983, the General Assembly has authorized many units of local government to levy a room occupancy tax. Over the past several years, there has been a greater effort to make the occupancy taxes uniform. In 1997, the General Assembly enacted uniform municipal and county administrative provisions for occupancy tax,¹ which provide uniformity among counties and cities with respect to the levy, administration, collection, repeal, and imposition of penalties.

In 1993, the House Finance Committee established the Occupancy Tax Guidelines, which address the rate of tax, the use of the tax proceeds, the administration of the tax, and the body with authority to determine how the proceeds will be spent. A summary of these provisions is detailed in the chart below. Many of the principles contained in the Guidelines are similar to those contained in policy statements adopted by the North Carolina Travel and Tourism Coalition and the North Carolina Restaurant and Lodging Association. The House Finance Committee Chairs have traditionally appointed a

¹ G.S. 153A-155 and G.S. 160A-215.

House PCS 469

Page 2

Subcommittee on Occupancy Taxes to scrutinize occupancy tax legislation to determine whether the legislation adheres to the Guidelines. The House Finance Chairs appointed Representatives McGee, Cotham, Carney, Moffitt, and Warren to be members of the House Finance Subcommittee on Occupancy Taxes this biennium.

UNIFORM OCCUPANCY TAX PROVISIONS
Rate – The county tax rate cannot exceed 6% and the city tax rate, when combined with the county rate, cannot exceed 6%.
Use – Two-thirds of the proceeds must be used to promote travel and tourism and the remainder must be used for tourism related expenditures.
Definitions The term “net proceeds”, “promote travel and tourism”, and “tourism related expenditures” are defined terms.
Administration – The net revenues must be administered by a local tourism development authority that has the authority to determine how the tax proceeds will be used, is created by a local ordinance, and at least 1/2 of the members must be currently active in the promotion of travel and tourism in the county and 1/3 of the members must be affiliated with organizations that collect the tax.
Costs of Collection – The taxing authority may retain from the revenues its actual costs of collection, not to exceed 3% of the first \$500,000 collected each year plus 1% of the remainder collected each year.

A BILL TO BE ENTITLED

AN ACT TO AUTHORIZE ALLEGHANY COUNTY TO LEVY AN ADDITIONAL THREE PERCENT ROOM OCCUPANCY AND TOURISM DEVELOPMENT TAX.

The General Assembly of North Carolina enacts:

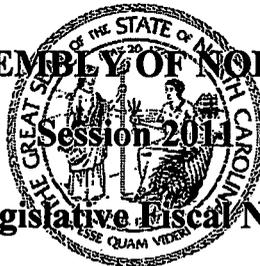

SECTION 1. Chapter 162 of the 1991 Session Laws, as amended by S.L. 2004-106, is amended by adding a new subsection to read:

"(a1) Authorization of Additional Tax. – In addition to the tax authorized by subsection (a) of this section, the Alleghany County Board of Commissioners may levy an additional room occupancy tax of up to three percent (3%) of the gross receipts derived from the rental of accommodations taxable under subsection (a) of this section. The levy, collection, administration, and repeal of the tax authorized by this subsection shall be in accordance with the provisions of this section. Alleghany County may not levy a tax under this subsection unless it also levies the tax authorized under subsection (a) of this section."

SECTION 2. This act is effective when it becomes law.

PRINCIPAL DEPARTMENT(S) & PROGRAM(S) AFFECTED: Alleghany County					
EFFECTIVE DATE: This act is effective when it becomes law.					

BILL SUMMARY:

House Bill 96 authorizes Alleghany County to levy an additional (3%) three percent room occupancy and tourism development tax. It amends SL 1991-162 (as amended).

ASSUMPTIONS AND METHODOLOGY:

Alleghany County currently levies a (3%) three percent room occupancy tax. According to the North Carolina Department of State Treasurer, the county collected \$37,509 in occupancy taxes for tax year 2010. Assuming the county continues to collect occupancy taxes at that level, and grown by the leisure and hospitality portion of Gross State Product, it's estimated that an additional (3%) three percent room occupancy tax would yield an additional \$42,669 in FY11-12 for the county.

HOUSE BILL 96: Additional Alleghany Occupancy Tax

2011-2012 General Assembly

Committee:	House Finance Subcommittee on Occupancy Tax	Date:	April 27, 2011
Introduced by:	Rep. Stevens	Prepared by:	Trina Griffin
Analysis of:	First Edition		Committee Counsel

SUMMARY: *House Bill 96 would authorize Alleghany County to levy an additional occupancy tax of up to 3%.*

CURRENT LAW: In 1991, the General Assembly authorized Alleghany County to levy an occupancy tax of 3%.¹ In 2004, the legislation was amended to more closely conform to the Occupancy Tax Guidelines adopted by the House Finance Committee. At least two-thirds of the proceeds must be used to promote travel and tourism in Alleghany County, and remainder must be used for tourism-related purposes. The proceeds are remitted quarterly to the Chamber of Commerce until the annual net proceeds exceed \$100,000, at which point, the county must establish a Tourism Development Authority for the purpose of administering the proceeds.

BILL ANALYSIS: House Bill 96 would authorize the Alleghany County Board of Commissioners to levy an additional occupancy tax of up to 3% to be administered in accordance with the procedures applicable to the original 3% occupancy tax.

EFFECTIVE DATE: This act is effective when it becomes law.

BACKGROUND: Since 1983, the General Assembly has authorized many units of local government to levy a room occupancy tax. Over the past several years, there has been a greater effort to make the occupancy taxes uniform. In 1997, the General Assembly enacted uniform municipal and county administrative provisions for occupancy tax,² which provide uniformity among counties and cities with respect to the levy, administration, collection, repeal, and imposition of penalties.

In 1993, the House Finance Committee established the Occupancy Tax Guidelines, which address the rate of tax, the use of the tax proceeds, the administration of the tax, and the body with authority to determine how the proceeds will be spent. H96-SMSV-28(e1) v3

North Carolina General Assembly
House Finance Subcommittee on Occupancy Tax

Minutes

~
June 2, 2011

The House Finance Subcommittee on Occupancy Tax met on Thursday, June 2, 2011 at 6:10 pm immediately following Session around the desk of Representative McGee on the House floor. The following members were present: Chairperson McGee; and Representatives Carney, Cotham, Moffitt, and Warren. Also present was staff member Trina Griffin. The Agenda is attached and incorporated into these minutes as **attachment 1**.

Chairperson McGee called the meeting to order at 6:10 pm.

The bill to be considered by the Committee was **HB 96 Additional Alleghany Occupancy Tax** (see **attachment 2**). The Chair recognized staff member Trina Griffin of the Research Division to explain the proposed committee substitute. Chairperson McGee then recognized Representative Moffitt who moved that HB 96 be given a favorable report to the proposed committee substitute, unfavorable report to the original bill and be re-referred to the Finance Committee. The motion carried.

There being no further business presently before the Committee, Chairperson McGee adjourned the meeting at 6:14 pm.

Respectfully submitted,

Representative William "Bill" McGee
Presiding Chair

Renee Weaver
Clerk, Finance Committee on
Occupancy Tax

1 A BILL TO BE ENTITLED
2 AN ACT TO AUTHORIZE ALLEGHANY AND JACKSON COUNTIES TO LEVY AN
3 ADDITIONAL THREE PERCENT ROOM OCCUPANCY AND TOURISM
4 DEVELOPMENT TAX AND TO MAKE OTHER ADMINISTRATIVE CHANGES.
5 The General Assembly of North Carolina enacts:
6 **PART I: ALLEGHANY COUNTY OCCUPANCY TAX**
7 **SECTION 1.** Chapter 162 of the 1991 Session Laws, as amended by S.L.
8 2004-106, reads as rewritten:
9 "Section 1. Occupancy tax. (a) Authorization and ~~scope~~-Scope. - The Alleghany
10 County Board of Commissioners may levy a room occupancy tax of three percent (3%) of the
11 gross receipts derived from the rental of any room, lodging, or accommodation furnished by a
12 hotel, motel, inn, tourist camp, or similar place within the county that is subject to sales tax
13 imposed by the State under G.S. 105-164.4(a)(3). This tax is in addition to any State or local
14 sales tax. This tax does not apply to accommodations furnished by a summer camp for minors,
15 or by a nonprofit charitable, educational, or religious organization.
16 (a) Authorization of Additional Tax. - In addition to the tax authorized by subsection
17 (a) of this section, the Alleghany County Board of Commissioners may levy an additional room
18 occupancy tax of up to three percent (3%) of the gross receipts derived from the rental of
19 accommodations taxable under subsection (a) of this section. The levy, collection,
20 administration, and repeal of the tax authorized by this subsection shall be in accordance with
21 the provisions of this section. Alleghany County may not levy a tax under this subsection
22 unless it also levies the tax authorized under subsection (a) of this section.
23 (b) Repealed.
24 (c) Administration. - A tax levied under this section shall be levied, administered,
25 collected, and repealed as provided in G.S. 153A-155. The penalties provided in
26 G.S. 153A-155 apply to a tax levied under this section.
27 (d) Repealed.
28 (e) Distribution and ~~use of tax revenue~~-Use of Tax Revenue. - Except as otherwise
29 provided in this act, Alleghany County shall, on a quarterly basis, remit one hundred percent
30 (100%) of the net proceeds of the occupancy tax to the Alleghany County Chamber of
31 Commerce. The chamber of commerce shall use at least two-thirds of the funds remitted to it
32 under this subsection to promote travel and tourism in Alleghany County and shall use the
33 remainder for tourism-related expenditures. The chamber of commerce shall report quarterly
34 and at the close of the fiscal year to the Alleghany County Board of Commissioners on its

1 receipts and expenditures for the preceding quarter and for the year in such detail as the board
2 may require.

3 When the Alleghany Board of Commissioners adopts a resolution levying a room
4 occupancy tax under subsection (a1) of this act, the resolution shall require that the county
5 remit, on a quarterly basis, one hundred percent (100%) of the net proceeds of the occupancy
6 tax levied under this act to the Alleghany Tourism Development Authority. The Authority shall
7 use at least two-thirds of the funds remitted to it under this subsection to promote travel and
8 tourism in Alleghany County and shall use the remainder for tourism-related expenditures.

9 The following definitions apply in this subsection:

- 10 (1) Net proceeds. – Gross proceeds less the cost to the county of administering
11 and collecting the tax, as determined by the finance officer, not to exceed
12 three percent (3%) of the first five hundred thousand dollars (\$500,000) of
13 gross proceeds collected each year and one percent (1%) of the remaining
14 gross receipts collected each year.
- 15 (2) Promote travel and tourism. – To advertise or market an area or activity,
16 publish and distribute pamphlets and other materials, conduct market
17 research, or engage in similar promotional activities that attract tourists or
18 business travelers to the area. The term includes administrative expenses
19 incurred in engaging in the listed activities.
- 20 (3) Tourism-related expenditures. – Expenditures that, in the judgment of the
21 entity responsible for expending the net proceeds of the tax, are designed to
22 increase the use of lodging facilities, meeting facilities, or convention
23 facilities in a county or to attract tourists or business travelers to the county.
24 The term includes tourism-related capital expenditures.

25 (f) Repealed.

26 (g) Repealed.

27 **Sec. 1.1. Alleghany Tourism Development Authority. – (a) Appointment and**
28 **Membership. – When the ~~annual net proceeds of the occupancy tax exceed one hundred~~**
29 **~~thousand dollars (\$100,000), the Alleghany Board of Commissioners adopts a resolution~~**
30 **levying a room occupancy tax under subsection (a1) of section 1 of this act, it shall adopt a**
31 **resolution creating a county Tourism Development Authority, which shall be a public authority**
32 **under the Local Government Budget and Fiscal Control Act. The resolution shall provide for**
33 **the membership of the Authority, including the members' terms of office, and for the filing of**
34 **vacancies on the Authority. At least ~~one-third~~ one-third of the members must be individuals**
35 **who are affiliated with businesses that collect the tax in the county, and at least ~~three-fourths~~**
36 **one-half of the members must be individuals who are currently active in the promotion of travel**
37 **and tourism in the county. The board of commissioners shall designate one member of the**
38 **Authority as chair and shall determine the compensation, if any, to be paid to the members of**
39 **the Authority.**

40 The Authority shall meet at the call of the chair and shall adopt rules of procedure to govern
41 its meetings. The Finance Officer for Alleghany County shall be the ex officio finance officer
42 of the Authority.

43 **Sec. 1.2. Duties. – If the board of commissioners establishes a Tourism Development**
44 **Authority as provided in Section 1.1 of this act, then the Authority shall expend the net**
45 **proceeds of the tax levied under this Act for the purposes provided in this Act. The Authority**
46 **shall promote travel, tourism, and conventions in the county, sponsor tourist-related events and**
47 **activities in the county, and finance tourist-related capital projects in the county.**

48 **Sec. 1.3. Reports. – If the board of commissioners establishes a Tourism Development**
49 **Authority as provided in Section 1.1 of this act, then the Authority shall report quarterly and at**
50 **the close of the fiscal year to the Alleghany County Board of Commissioners on its receipts and**
51 **expenditures for the preceding quarter and for the year in such detail as the board may require.**

1 **Sec. 2.** This act is effective upon ratification."

2 **PART II: JACKSON COUNTY OCCUPANCY TAX**

3 **SECTION 2.1.** Chapter 969 of the 1985 Session Laws, as amended by Chapters
4 118 and 195 of the 1987 Session Laws and Section 21(k) of S.L. 2007-527, and only as it
5 applies to Jackson County, is rewritten and recodified as Part II of this act. Part II of this act
6 does not affect the rights or liabilities of the county, a taxpayer, or another person arising under
7 the law rewritten and recodified by this Part before the effective date of this Part, nor does it
8 affect the right to any refund or credit of a tax that accrued under the law rewritten and
9 recodified by this Part before the effective date of this Part.

10 **SECTION 2.2** Occupancy tax. – (a) Authorization and Scope. – The Jackson
11 County Board of Commissioners may levy a room occupancy tax of three percent (3%) of the
12 gross receipts derived from the rental of any room, lodging, or accommodation furnished by a
13 hotel, motel, inn, tourist camp, or similar place within the county that is subject to sales tax
14 imposed by the State under G.S. 105-164.4(a)(3). This tax is in addition to any State or local
15 sales tax. This tax does not apply to accommodations furnished by nonprofit charitable,
16 educational, or religious organizations when furnished in furtherance of their nonprofit
17 purpose.

18 (a1) Authorization of Additional Tax. – In addition to the tax authorized by subsection
19 (a) of this section, the Jackson County Board of Commissioners may levy an additional room
20 occupancy tax of up to three percent (3%) of the gross receipts derived from the rental of
21 accommodations taxable under subsection (a) of this section. The levy, collection,
22 administration, and repeal of the tax authorized by this subsection shall be in accordance with
23 the provisions of this section. Jackson County may not levy a tax under this subsection unless it
24 also levies the tax authorized under subsection (a) of this section.

25 **SECTION 2.2(b)** Administration. – A tax levied under this Part shall be levied,
26 administered, collected, and repealed as provided in G.S. 153A-155. The penalties provided in
27 G.S. 153A-155 apply to a tax levied under this Part.

28 **SECTION 2.2(c)** Definitions. – The following definitions apply in this Part:

29 (1) Net proceeds. – Gross proceeds less the cost to the county of administering
30 and collecting the tax, as determined by the finance officer, not to exceed
31 three percent (3%) of the first five hundred thousand dollars (\$500,000) of
32 gross proceeds collected each year and one percent (1%) of the remaining
33 gross proceeds collected each year.

34 (2) Promote travel and tourism. – To advertise or market an area or activity,
35 publish and distribute pamphlets and other materials, conduct market
36 research, or engage in similar promotional activities that attract tourists or
37 business travelers to the area. The term includes administrative expenses
38 incurred in engaging in the listed activities.

39 (3) Tourism-related expenditures. – Expenditures that, in the judgment of the
40 Jackson County Tourism Development Authority, are designed to increase
41 the use of lodging facilities, meeting facilities, or convention facilities in the
42 county or to attract tourists or business travelers to the county. The term
43 includes tourism-related capital expenditures.

44 **SECTION 2.2(d)** Distribution and Use of Tax Revenue. – Jackson County shall,
45 on a quarterly basis, remit the net proceeds of the occupancy tax levied under this Part to the
46 Jackson County Tourism Development Authority. The Authority shall use at least two-thirds
47 of the funds remitted to it under this subsection to promote travel and tourism in Jackson
48 County and shall use the remainder for tourism-related expenditures.

49 **SECTION 2.3.** Tourism Development Authority. – (a) Appointment and
50 Membership. – When the Board of Commissioners adopts a resolution levying a room
51 occupancy tax under this Part, it shall also adopt a resolution creating the Jackson County

1 Tourism Development Authority, which shall be a public authority under the Local
2 Government Budget and Fiscal Control Act. The resolution adopted by the Board of
3 Commissioners shall provide for the membership of the Authority, including the members'
4 terms of office, and for the filling of vacancies on the Authority. At least one-third of the
5 members shall be individuals who are affiliated with businesses that collect the tax in the
6 county, and at least one-half of the members shall be individuals who are currently active in the
7 promotion of travel and tourism in the county. The Board of Commissioners shall designate
8 one member of the Authority as chair and shall determine the compensation, if any, to be paid
9 to members of the Authority.

10 The Authority shall meet at the call of the chair and shall adopt rules of procedure to
11 govern its meetings. The Finance Officer for Jackson County shall be the ex officio finance
12 officer of the Authority.

13 **SECTION 2.3.(b) Duties.** – The Authority shall expend the net proceeds of the tax
14 levied under this Part for the purposes provided in Section 2.2 of this Part. The Authority shall
15 promote travel, tourism, and conventions in the county, sponsor tourist-related events and
16 activities in the county, and finance tourist-related capital projects in the county.

17 **SECTION 2.3.(c) Reports.** – The Authority shall report quarterly and at the close
18 of the fiscal year to the Jackson County Board of Commissioners on its receipts and
19 expenditures for the preceding quarter and for the year in such detail as the Board of
20 Commissioners may require.

21 **SECTION 2.4.** Section 3 of Chapter 969 of the 1985 Session Laws reads as
22 rewritten:

23 "Sec. 3. This act applies only to the following counties: Graham, Clay, ~~Jackson,~~
24 Durham, Macon, Polk, and Transylvania."

25 **SECTION 2.5.** Section 3 of Chapter 118 of the 1987 Session Laws reads as
26 rewritten:

27 "Sec. 3. This act applies only to the following counties: Clay, Graham, ~~Jackson,~~ and
28 Macon."

29 **SECTION 2.6.** Section 2 of Chapter 195 of the 1987 Session Laws reads as
30 rewritten:

31 "Sec. 2. This act applies only to the following counties: Clay, Graham, ~~Jackson,~~ and
32 Macon."

33 **PART III: ADMINISTRATION AND EFFECTIVE DATE**

34 **SECTION 3.** G.S. 153A-155(g) reads as rewritten:

35 "(g) **Applicability.** – Subsection (c) of this section applies to all counties and county
36 districts that levy an occupancy tax. To the extent subsection (c) conflicts with any provision of
37 a local act, subsection (c) supersedes that provision. The remainder of this section applies only
38 to Alleghany, Anson, Brunswick, Buncombe, Burke, Cabarrus, Camden, Carteret, Caswell,
39 Chatham, Cherokee, Chowan, Clay, Craven, Cumberland, Currituck, Dare, Davie, Duplin,
40 Durham, Forsyth, Franklin, Granville, Halifax, Haywood, Jackson, Madison, Martin,

HOUSE BILL 96: Additional Alleghany & Jackson Occupancy Tax

2011-2012 General Assembly

Committee: House Finance	Date: June 3, 2011
Introduced by: Rep. Stevens	Prepared by: Trina Griffin
Analysis of: PCS to First Edition H96-CSSVx-13	Committee Counsel

SUMMARY: *House Bill 96 would authorize Alleghany County to levy an additional occupancy tax of up to 3%.*

The Proposed Committee Substitute does two things:

- **It would require Alleghany County to establish a Tourism Development Authority upon adopting a resolution levying the additional 3% occupancy tax. Under current law, Alleghany County is only required to establish a TDA once the annual net proceeds of the occupancy tax reach \$100,000. This modification was a recommendation of the Occupancy Tax Subcommittee.**
- **It adds a provision authorizing Jackson County to levy an additional 3% occupancy tax.**

CURRENT LAW & BILL ANALYSIS:

PART I: ALLEGHANY COUNTY

In 1991, the General Assembly authorized Alleghany County to levy an occupancy tax of 3%.¹ In 2004, the legislation was amended to more closely conform to the Occupancy Tax Guidelines adopted by the House Finance Committee. At least two-thirds of the proceeds must be used to promote travel and tourism in Alleghany County, and remainder must be used for tourism-related purposes. The proceeds are remitted quarterly to the Chamber of Commerce until the annual net proceeds exceed \$100,000, at which point, the county must establish a Tourism Development Authority for the purpose of administering the proceeds. The current 3% occupancy tax generates less than \$40,000 annually.

House Bill 96 would authorize the Alleghany County Board of Commissioners to levy an additional occupancy tax of up to 3%.

The PCS adds a provision requiring Alleghany County to establish a Tourism Development Authority upon adopting a resolution levying the additional 3% occupancy tax, as recommended by the Occupancy Tax Subcommittee. Once the additional tax is levied and the TDA is created, all net proceeds of the occupancy tax, including both the original 3% and the additional 3%, must be remitted to the TDA. The TDA must use at least two-thirds of the total funds remitted to it for tourism promotion and the remainder for tourism-related expenditures.

PART II: JACKSON COUNTY

In 1985, the General Assembly authorized several western counties, including Jackson, to levy an occupancy tax of 3%. The net proceeds of the tax are placed in a special Travel and Tourism Fund and be used only to promote travel and tourism in the county. The county has discretionary authority to establish a tourism development authority to administer the funds.

¹ S.L. 1991-162, as amended by S.L. 2004-106.
Research Division

House PCS 96

Page 2

The PCS for HB House Bill 96 rewrites and recodifies the existing law authorizing the 3% room occupancy tax in Jackson County to conform the content to the uniform format currently used for occupancy taxes. Consistent with uniform occupancy tax provisions, the bill contains definitions for the following terms: "net proceeds," "promote travel and tourism" and "tourism-related expenditures." The bill also makes the Jackson County occupancy tax subject to the uniform provisions for room occupancy taxes in G.S. 153A-155. By conforming to the House Finance occupancy tax guidelines, Jackson County would be able to use up to one-third of the occupancy tax proceeds for tourism-related expenditures, which it cannot do under current law.

The PCS also authorizes Jackson County to levy an additional 3% occupancy tax with the same conditions and requirements that apply to the first 3%.

EFFECTIVE DATE: This act is effective when it becomes law.

BACKGROUND: Since 1983, the General Assembly has authorized many units of local government to levy a room occupancy tax. Over the past several years, there has been a greater effort to make the occupancy taxes uniform. In 1997, the General Assembly enacted uniform municipal and county administrative provisions for occupancy tax,² which provide uniformity among counties and cities with respect to the levy, administration, collection, repeal, and imposition of penalties.

In 1993, the House Finance Committee established the Occupancy Tax Guidelines, which address the rate of tax, the use of the tax proceeds, the administration of the tax, and the body with authority to determine how the proceeds will be spent. A summary of these provisions is detailed in the chart below. Many of the principles contained in the Guidelines are similar to those contained in policy statements adopted by the North Carolina Travel and Tourism Coalition and the North Carolina Restaurant and Lodging Association. The House Finance Committee Chairs have traditionally appointed a Subcommittee on Occupancy Taxes to scrutinize occupancy tax legislation to determine whether the legislation adheres to the Guidelines. The House Finance Chairs appointed Representatives McGee, Cotham, Carney, Moffitt, and Warren to be members of the House Finance Subcommittee on Occupancy Taxes this biennium.

UNIFORM OCCUPANCY TAX PROVISIONS
Rate – The county tax rate cannot exceed 6% and the city tax rate, when combined with the county rate, cannot exceed 6%.
Use – Two-thirds of the proceeds must be used to promote travel and tourism and the remainder must be used for tourism related expenditures.
Definitions The term "net proceeds", "promote travel and tourism", and "tourism related expenditures" are defined terms.
Administration – The net revenues must be administered by a local tourism development authority that has the authority to determine how the tax proceeds will be used, is created by a local ordinance, and at least 1/2 of the members must be currently active in the promotion of travel and tourism in the county and 1/3 of the members must be affiliated with organizations that collect the tax.
Costs of Collection – The taxing authority may retain from the revenues its actual costs of collection, not to exceed 3% of the first \$500,000 collected each year plus 1% of the remainder collected each year.

North Carolina General Assembly
House Committee on Finance

Minutes

February 2, 2011

The House Committee on Finance met on Wednesday, February 2, 2011 at 8:30 am in Room 544 of the Legislative Office Building. The following members were present: Chairpersons Howard, Starnes and Folwell; Vice-Chair McComas; and Representatives Alexander, Brandon, Brawley, Carney, Collins, Cotham, Hackney, Hall, Hill, Jordan, Luebke, McCormick, McGee, Moffitt, Rhyne, Ross, Samuelson, Stone, Warren, Weiss and Womble. Also present were Sergeant-at-Arms Young Bae, John Brandon, Fred Hines, and Bob Rossi. Staff persons present included Cindy Avrette, Rodney Bizzell, Barry Boardman, Dan Ettefagh, Heather Fennell, Trina Griffin, Sandra Johnson, Greg Roney, Brian Silvka, Jonathan Tart, and Martha Walston. The Agenda and Visitor Registration Sheets are attached and incorporated into these minutes as **attachments 1 and 2**.

Chairwoman Howard called the meeting to order at 8:35 am and recognized the six (6) pages present: (1) Carolina Law of Gaston County, sponsored by Representative Torbett; (2) Octavia Tisdale of Wake County, sponsored by Representative Gill; (3) Jared Dembski of Burke County, sponsored by Representative Blackwell; (4) Harrison Jenkins of Iredell County, sponsored by Representative Setzer; (5) Erin Vasko of Gaston County, sponsored by Representative Torbett; and (6) Johanna Kern of Alamance County, sponsored by Representative Ingle.

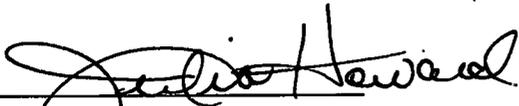

Chairwoman Howard recognized Cindy Avrette, of the Research Division, to proceed with her presentation entitled **Key Events in NC State and Local Tax History** (see **attachment 3**). Following presentation, Cindy answered questions from members.

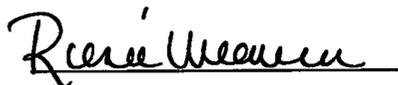

Chairwoman Howard then recognized Sandra Johnson, of the Fiscal Research Division, to proceed with her presentation entitled **General Fund Revenue Sources** (see **attachment 4**). Following presentation, Sandra answered questions from members.

Due to time, Chairwoman Howard announced that presentations would continue at a later date.

Chairwoman Howard adjourned the meeting at 9:50 am.

Respectfully submitted,

Representative Julia C. Howard
Presiding Senior Chair

Renee Weaver
Clerk, House Committee on

Total Revenue: \$18.7 Billion

Source: 2010 Statistical Abstract, North Carolina Department of Revenue

Major Revenue Sources

- Individual Income Tax
 - History
 - Rates
 - Current Issues
- Sales and Use Tax
 - History
 - Rates
 - Current Issues

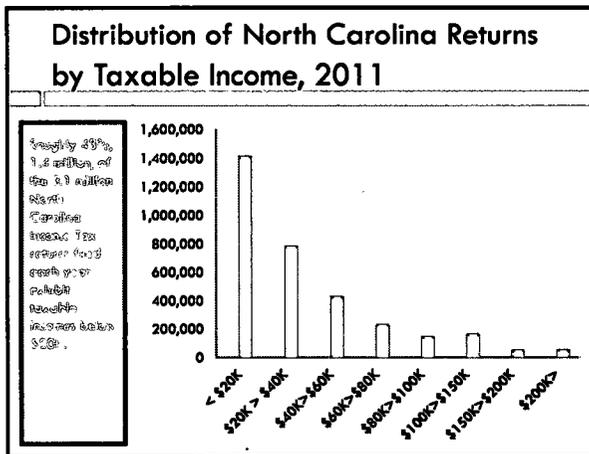

Individual Income Tax - History

- Imposed since 1849
- Applied broadly 1921-37
- Based on federal taxable income (1989)
- Top bracket, 7.75% (2008)
- \$9.0B, FY 09-10
- Temporary surtax (2009)
 - Expires July 1, 2011
 - \$170M

Individual Income Tax: Brackets

Tax Rates	Taxable Income		
	6%	7%	7.75%
Single	< \$12.8K	\$12.8K > \$60K	\$60K >
Head of Household	< \$17K	\$17K > \$80K	\$80K >
Married-Joint	< \$21.5K	\$21.5K > \$100K	\$100K >
Married-Separate	< \$10.6K	\$12.8K > \$50K	\$50K >

- ### Individual Income Tax – Points of Note
- Bracket Creep
 - Tax brackets not indexed for inflation
 - More tax payers are pushed into higher tax brackets annually
 - Volatility
 - Revenues move with the economy

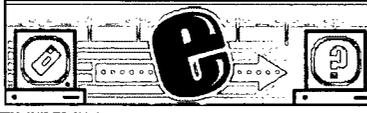

Sales Tax

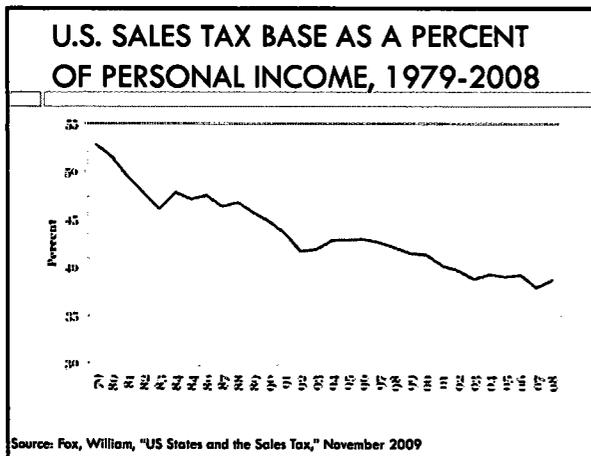

- Created in 1933
- Collected through local merchants
- Applied to purchase price
 - Combined 7.75% to 8.25%
 - State rate of 5.75%
 - Local rate varies 2% to 3.25%

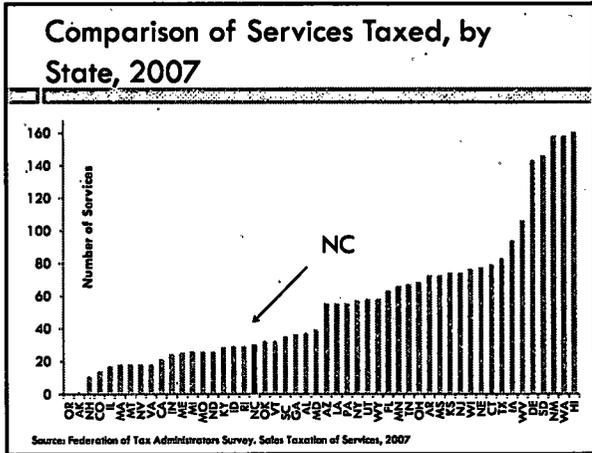

Sales Tax – Points of Note

- Temporary increase expires July 2011(\$1.0B)
- Participation in Streamlined Sales Tax Agreement
 - Simplifies tax collection for vendors
- Erosion of Sales Tax Base
 - Moving to a service based economy
 - Increasing sales tax exemptions and refunds (\$2.9B)
- Transition to e-commerce

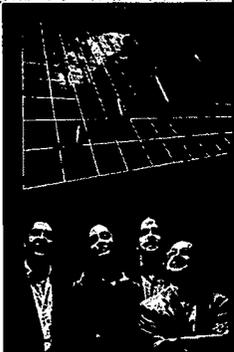

Secondary Revenue Sources

Secondary Revenue Sources
 Corporate Tax
 Other
 Franchise Tax, Insurance Premiums Tax, Estate Tax

Corporate Income Tax

- Imposed since 1921
- Applies to all companies conducting business in NC
- Represents \$1 Billion of GF tax revenue
- Rate of 6.9%
- Temporary 3% surtax (2009)
 - \$25M-\$30M

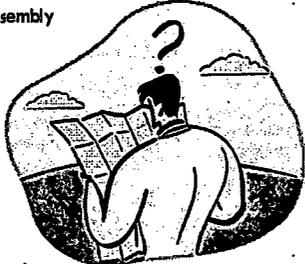

Other Taxes

- Franchise Tax
 - Precursor to the corporate income tax enacted in 1849
- Insurance Premium Tax
- Estate Tax
 - Less than 1% of General Fund tax revenue

North Carolina General Assembly House Committee on Finance

Minutes

February 3, 2011

The House Committee on Finance met on Thursday, February 3, 2011 at 8:30 am in Room 544 of the Legislative Office Building. The following members were present: Chairpersons Howard, Starnes and Folwell; Representatives Alexander, Brandon, Brawley, Carney, Collins, Cotham, Gibson, Hall, Hill, Jordan, Luebke, McCormick, McGee, Moffitt, Moore, Ross, Samuelson, Stone, Warren, and Weiss. Also present were Sergeant-at-Arms Young Bae, John Brandon, Fred Hines, and Bob Rossi. Staff persons present included Cindy Avrette, Rodney Bizzell, Barry Boardman, Dan Ettefagh, Heather Fennell, Trina Griffin, Sandra Johnson, Greg Roney, Brian Silvka, Jonathan Tart, and Martha Walston. The Agenda and Visitor Registration Sheets are attached and incorporated into these minutes as **attachments 1 and 2**.

Chairperson Starnes called the meeting to order at 8:35 am and recognized the five (5) pages present: (1) Octavia Tisdale of Wake County, sponsored by Representative Gill; (2) Harrison Jenkins of Iredell County, sponsored by Representative Setzer; (3) Johanna Kern of Alamance County, sponsored by Representative Ingle; (4) Jared Dembski of Burke County, sponsored by Representative Blackwell; and (5) Erin Vasko of Gaston County, sponsored by Representative Torbett.

Chairperson Starnes recognized Rodney Bizzell, of the Fiscal Research Division, to proceed with his presentation entitled **Overview of Local Revenue Sources** (see **attachment 3**). Following presentation, Rodney answered questions from members.

Chairperson Starnes then recognized Cindy Avrette, of the Research Division, to proceed with her presentation entitled **Personal Taxes (Income and Estate Taxes)** (see **attachment 4**). Following the presentation, Cindy answered questions from members.

Chairperson Starnes then recognized Jonathan Tart, of the Fiscal Research Division, to start his presentation entitled **Business Taxes (Income and Franchise Taxes)** (see **attachment 5**). Following his presentation, Jonathan answered questions from members.

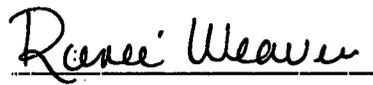

Chairperson Starnes then recognized Lennie Collins, Assistant Director of the Corporate, Excise and Insurance Tax Division of the Department of Revenue and also Donna Powell, Assistant Director of the Special Corporate Compliance Initiatives Division, also of the Department of Revenue.

There being no further business presently before the Committee, Chairperson Starnes adjourned the meeting at 9:50 am.

Source: Dept. of State Treasurer

- ### Local Taxes: Property Tax
- Authorized as local revenue source in 1921.
 - Most stable local revenue source.
 - Classes of property must be taxed uniformly.
 - Only the General Assembly has authority to exempt classes of property.
 - Real property must be revalued at least every 8 years.
 - Each county or municipality determines the property tax rate annually

- ### Local Taxes: Sales Tax
- Same Base as State Rate
 - Article 39 (1971) – one cent, point of collection
 - Article 40 (1983) – ½ cent, population
 - Article 42 (1985) – ½ cent, population
 - Article 44 (2002) – ½ cent, repealed
 - Article 46 (2007) – ¼ cent (county only)
 - Distribution to municipalities based on either ad valorem or population
 - Food Tax – 2%

Utility Fees

- Water and Sewer
- Electricity Charges
 - "Electricities" purchase power from utility companies and distribute and sell it to homes and businesses.
- Gas Charges
 - Gas cities purchase natural gas from private utilities for resale.
- Stormwater Fees
 - Larger cities have established stormwater programs in response to federal requirements.

Sales and Services

- Building Permits
- Inspection Fees
- Garbage/Recycling Fees
- Ambulance and Rescue Charges
- Animal Tags
- Parks and Recreation Fees

Local Debt

- General Obligation Bonds
- Revenue and Special Obligation Bonds
- Bond Anticipation Notes
- Installment Purchase Agreements
- Certificates of Participation (COPS)
- Local Government Commission approves local debt authorizations.
- Bond rating agencies evaluate capacity and willingness of issuer to repay debt.

Other Local Revenues

- Privilege License Taxes**
 - Imposed on the privilege of engaging in certain occupations
- Motor Vehicle License Tax**
 - All municipalities are authorized to levy a tax of \$5 per vehicle. The General Assembly has authorized amounts up to \$30.
- Special Assessments**
 - Levied against property to pay for public improvements that benefit that property (e.g., streets, sidewalks, water systems, storm sewer and beach-erosion control.)
- Profits from ABC Stores**
 - Approximately 80% of net profits are distributed to local units.
- Investment Earnings**
- Taxes Permitted by Local Act**
 - Occupancy Taxes
 - Meals Taxes

Intergovernmental Revenues

State and County Shared Revenues

- Beer and Wine Tax - Shared only for the types of beverages allowed in the county.**
 - Distribution is based on the type of beverage.
- Real Estate Transfer Tax**
 - \$1.00 tax for each \$500.00 in value transferred.
 - Also known as the Deed Tax. County Retains 50%+.
- Telecommunications and Video Programming**
 - Combined sales tax rate applies to telecommunications and video programming services; local distribution applies.

Intergovernmental Revenues

State and Municipal Shared Revenues

- Gasoline Tax - 1 3/4 cents per gallon distributed through Powell Bill Funds. Restricted Use.**
- Utility Franchise Tax - 3.22%**
- Excise Tax on Piped Natural Gas**
 - Municipalities receive half of tax collected within boundaries.
- Beer and Wine Tax - municipalities receive per capita share of taxes if sales are allowed within jurisdiction.**
- Telecommunications and Video Programming**

PERSONAL TAXES: INCOME AND ESTATE

2011 Rates and General Provisions February 1, 2011
 Cindy Axon, Research Director

NC's Personal Income Tax

- NC Constitutional Amendment of 1920
 - Permitted the taxation of incomes
 - Rate of tax on incomes could not exceed 6%
- Amendment of 1935
 - 6% limitation increased to 10%

NC PIT Prior to 1989

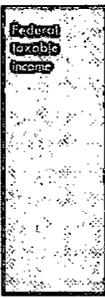

- NC did not employ a federal starting point for calculating State taxable income
- Numerous exemptions and deductions
- Five tax brackets
- Rates ranging from 3% to 7%

Tax Fairness Act of 1989 (SB 51)

- Simplified calculation of the tax
 - Federal taxable income
 - Eliminated many exclusions, deductions, exemptions
- Reduced taxes for approximately 65% of the taxpayers
 - Increased personal exemption and standard deduction, did not index
 - Two tax brackets with rates of 6% and 7%, did not index

Calculating NC Taxable Income

$$\begin{aligned}
 \text{State taxable income} = & \\
 & \text{Federal taxable income} \\
 & - \text{Amounts exempt from State income tax} \\
 & + \text{Amounts taxed by the State but not by the federal government}
 \end{aligned}$$

Taxable Income v. AGI

Taxable Income	Adjusted Gross Income
<ul style="list-style-type: none"> <input type="checkbox"/> 6 states use as a starting point <input type="checkbox"/> Represents income after all federally allowed deductions <ul style="list-style-type: none"> <input type="checkbox"/> Personal exemptions <input type="checkbox"/> Itemized deductions or standard deduction <ul style="list-style-type: none"> <input type="checkbox"/> 37% itemize <input type="checkbox"/> Mortgage interest and charitable contributions 	<ul style="list-style-type: none"> <input type="checkbox"/> 29 states use as a starting point <input type="checkbox"/> Represents income after 'above the line' deductions <ul style="list-style-type: none"> <input type="checkbox"/> Business related expenses <input type="checkbox"/> Few non-business related expenses <ul style="list-style-type: none"> <input type="checkbox"/> Alimony, qualified education expenses, IRA contributions

Federal Taxable Income

- Constitutional limitation on delegation of taxing authority
 - IRC Update
- Subjects NC tax revenues to greater number of federal tax policies
- Large number of adjustments
 - NC does not index personal exemptions or standard deduction
 - Confusing to taxpayers

Calculating NC Taxable Income

Adjustments to federal taxable income: Exemptions

State taxable income =

Federal taxable income

- Amounts exempt from State income tax

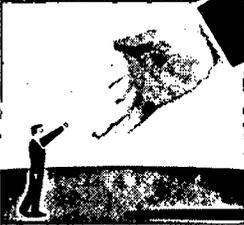

+ Amounts taxed by the State but not by the federal government

State Tax Exemptions: Federal Law

- Interest on US obligations
- Income from an Indian tribe
- Amounts paid under the Railroad Retirement Act of 1937

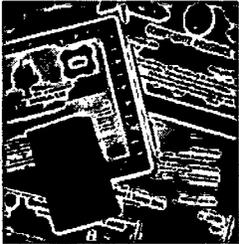

State Tax Exemptions: Contractual

- Gain from obligations issued before 1995 to the extent allowed by State law
- Bailey retirement income (\$401.7 m)

State Tax Exemptions: Practice

- Interest on NC and local government obligations and obligations of a nonprofit educational institution chartered in NC
- The deductible amount for interest on US, NC, and nonprofit educational institutions = \$20.9 m
 - Deductible amount for NC obligations > \$ 1 m

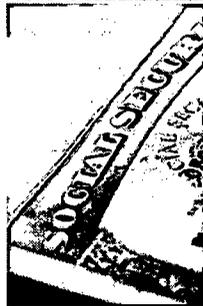

State Tax Exemptions: Accounting

- Refunds of state, local, and foreign taxes
- Amount by which basis of property under State law differs from the basis of the property under federal law

State Tax Exemptions: Social Security

- Full exemption
 - SSI benefits in excess of federal limit = \$375.4 m
- Other states
 - 15 states tax SSI to some extent
 - 5 follow federal practice
 - 26 states fully exempt
 - 9 states do not impose a PIT

Federal Taxation of SSI Benefits

Federal law regarding a portion of public security benefits in 1987

- Provisional income
 - < \$32K, no taxation
 - \$32K - \$44K, up to 50% taxable
 - > \$44K, up to 85% taxable
- Only 25% of SSI beneficiaries pay any tax liability on their benefits
- Over 80% of taxable SSI are reported by taxpayers with over \$50,000 of AGI

State Tax Exemption: Retirement

- Retirement income
 - \$4,000 for governmental retirement income
 - \$2,000 for private retirement income
 - \$80.9 million

Misc. State Tax Exemptions

- | | |
|--|---|
| <ul style="list-style-type: none"> <input type="checkbox"/> Severance Wages <ul style="list-style-type: none"> <input type="checkbox"/> Not to exceed \$35,000 <input type="checkbox"/> \$15.5 million <input type="checkbox"/> Erroneous Conviction <input type="checkbox"/> Disaster Relief Reserve Fund | <ul style="list-style-type: none"> <input type="checkbox"/> NC 529 Plan <ul style="list-style-type: none"> <input type="checkbox"/> AGI limits in 2012 <input type="checkbox"/> \$5 million <input type="checkbox"/> Volunteer Fire and Rescue <ul style="list-style-type: none"> <input type="checkbox"/> \$1 million <input type="checkbox"/> Sale of Mfg'd Home Community to Mfg'd Home Owners |
|--|---|

Calculating NC Taxable Income

State taxable income =
 Federal taxable income
 - Amounts exempt from State income tax
 + Amounts taxed by the State but not by the federal government

Add Backs: IRC Decoupling

- Standard deduction
 - Federal = \$5,700 (single; MFS) \$8,350 (H/H)
 - State = \$3,000 (single; MFS); \$4,400 (H/H)
 - Add back \$2,700
- Personal exemption
 - Federal = \$3,650
 - State = \$2,500 if AGI < \$100,000 (MFJ)
 - State = \$2,000 if AGI = or > \$100,000 (MFJ)
 - Add back at least \$1,150 for each PE claimed

Calculating NC State Tax Liability

Applicable
tax rates

State taxable income
x **Applicable Rate**
= **State tax liability**

Tax Brackets and Rates

<ul style="list-style-type: none"> <input type="checkbox"/> Prior to 1989 <ul style="list-style-type: none"> <input type="checkbox"/> 6 brackets <input type="checkbox"/> Rates ranging from 3% to 7% <input type="checkbox"/> 1989 <ul style="list-style-type: none"> <input type="checkbox"/> Two brackets <input type="checkbox"/> Rates of 6% and 7% <input type="checkbox"/> 1991 <ul style="list-style-type: none"> <input type="checkbox"/> Three brackets <input type="checkbox"/> 6%, 7%, and 7.75% <input type="checkbox"/> 2001-2006 <ul style="list-style-type: none"> <input type="checkbox"/> Temporary 4th bracket of 8.25% <input type="checkbox"/> Extended twice 	<ul style="list-style-type: none"> <input type="checkbox"/> 2007 <ul style="list-style-type: none"> <input type="checkbox"/> Temporary rate phased down to 8% <input type="checkbox"/> 2008 <ul style="list-style-type: none"> <input type="checkbox"/> 3 brackets <input type="checkbox"/> 6%, 7%, and 7.75% <input type="checkbox"/> 2009 and 2010 <ul style="list-style-type: none"> <input type="checkbox"/> Temporary surtax <input type="checkbox"/> 2% surtax, taxable income exceeds \$100K (MFJ) <input type="checkbox"/> 3% surtax, taxable income exceeds \$250K (MFJ)
---	---

Comparison to Other States

Rates

- 30 states have a lower rate than North Carolina
- 1 state has the same highest tax rate
- 1 states have a higher tax rate
- 7 states do not have an income tax

The rest of the story ...

- What is the tax base?
- What are the applicable deductions and exemptions?
- What are the tax brackets?
- What are the applicable credits?

Calculating NC State Tax Due

Credits

$$\begin{aligned}
 &\text{State taxable income} \\
 &\times \text{applicable tax rate} \\
 &= \text{Tax liability} \\
 &\quad - \text{Credits} \\
 &= \text{Tax Due}
 \end{aligned}$$

Tax Credits: Children

- Children < 17
 - AGI limitation
 - \$147.3 million
- Childcare
 - \$53.6 million
- Adoption
 - \$5.9 million
 - Sunsets 2013

Tax Credit: Earned Income

- Refundable tax credit
- 5% of the federal credit amount
- \$100 million
- Sunsets 2013

Tax Credits: Non-itemizers

- Charitable contributions by non-itemizers
- \$26.5 million

Tax Credits: Health

- Long-term care premiums
 - AGI limitation
 - \$4.7 million
 - Sunsets 2013
- Disabled persons
 - \$1.5 million
- Construction of dwellings for handicapped persons

<input type="checkbox"/> Poultry composting facility	

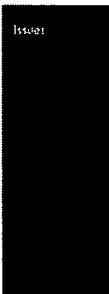

Tax Credits: Historic Rehabilitation

- Income producing historic structure
 - \$3.0 million
- Non-income producing historic structure
 - \$5 million
- Income producing mill property
 - \$1 million
 - Sunsets 2011
- Non-income producing mill property
 - \$5 million
 - Sunsets 2011

PIT Points to Remember

- Largest single source of GF revenues
- Non-withholding portion of the tax is highly volatile
- Reliance on federal tax code changes
- Many adjustments

Tax Reform Recommendations

- Broaden the base, lower the rates
 - Use AGI as the starting point
 - Eliminate exemptions, deductions, and credits
- Lessen the State's exposure to the volatility of the current PIT structure
- Ensure tax equity in tax structure as a whole

OVERVIEW OF
CORPORATE TAXES AND TAX
INCENTIVES

Joint House and Senate Finance, February 3, 2011
Jonathan Tarr, Fiscal Research Division

Income/Franchise Tax Revenue

- Corporation Taxes are the third largest category of revenues for the State
- Approximately 10% of State tax revenues were attributable to the Corporate Income and Franchise Tax for Fiscal Year 2009-2010

NC Corporate Income Tax Rates

- 1921: 3% of net income
- 1939: 6% of net income
- 1987: 7% of net income
- 1991: 7.75% of net income, plus surtax
- 1996: phased down rate to 6.9%, effective after 1999
- 2009: 3% surtax for 2009 and 2010

Some Statistics from 2008 Tax Year

- About 79,000 corporate taxpayers
- Less than 1/3 of these companies actually had a net tax liability
- Among those that had a tax liability, 78% had taxable income of \$100k or less, but they paid only 2.6% of the tax

More Statistics from 2008

- C-Corporations with NC taxable income of over \$1 million represented 88% of the total corporate income tax revenue, but they made up only 2% of the corporations filing returns
- 60% of total corporate income tax revenue attributable to 200 corporations with NC taxable income of over \$10 million

Computing NC Taxable Income

- NC taxable income = Federal taxable income, as adjusted
- Internal Revenue Code Update
- Key differences
 - NEL vs NOL
 - Bonus depreciation

NC taxable Income Apportioned

- Multistate corporations apply NC apportionment formula to determine NC taxable income
- Apportionment formulas
 - Three factors: Sales, Property, and Payroll
 - Double-weighted sales (1988)
 - Single sales (2009 for a 'qualified capital intensive corporation')

Separate Entity Reporting

- NC requires a separate return
- Must determine State net income as if a separate return had been filed for federal tax purposes
- Strategy: Create legal structures to shift income from one state to another, lower tax, state
 - Delhaize
 - WalMart
 - Limited

Presentation ended after this slide

Franchise Tax

- Privilege tax for:
 - Privilege of engaging in business
 - The "enjoyment, under the protection of the laws of this State, of the powers, rights, privileges and immunities derived from the State by the form of" the existence of the business structure
 - The benefit and protection received from the government and laws of NC in doing business

Who pays Franchise Tax?

- C corporation
- S corporation
- Limited liability company (LLC) that elects to be taxed as a corporation under the IRC

Businesses Not Subject to the Tax

- Limited liability company (other than ones electing to be taxed as a corporation)
- Partnership
- Sole proprietor
- Insurance companies

Calculation of Tax

- Tax rate applied to highest of three asset bases:
- Capital stock, surplus, and undivided profits apportioned to NC using the apportionment percentage determined for income tax
 - Book value of NC real and tangible personal property, less outstanding debt created to acquire or improve the real property
 - 55% of the appraised value of NC real and tangible personal property

Some Statistics from 2008 Tax Year

- Taxpayers with franchise taxable amount over \$40 million made up less than 1% of the returns, but paid 66% of the total tax
- Amounts due by companies is generally modest. 99% of taxpayers owe \$110,000 or less.

Rate of Tax

- \$1.50 per \$1,000 of taxable assets (.0015)
- \$35 minimum tax
- \$75,000 maximum tax for holding companies – those that receive at least 80% of income from subsidiaries

Utility Franchise Tax

- Applies instead of the general franchise tax
- Calculated on gross receipts
- Applies to:
 - Electric power company – 3.22% rate
 - Water utility company - 4% rate
 - Sewer utility company – 6%
- Tax on electric power companies is shared with cities

Tax Incentives

- Tax Credits
 - Article 3J Jobs and Investment Credits
 - Research and Development
 - Renewable energy
 - Film production
 - State ports
 - Real property donations

Article 3J Tax Credits

- Tax Credits for Growing Businesses
 - Replaced William S. Lee Act Incentives in 2007
 - Credit for Creating Jobs
 - Credit for Investing in Business Property
 - Credit for Investing in Real Property (Tier 1 counties only)

2008 Article 3J Jobs Credits Generated

	Number of New Jobs	Credits Generated
Tier One	2,284	28,590,000
Tier Two	839	4,253,000
Tier Three	3,249	2,637,875
Total	6,372	35,440,875

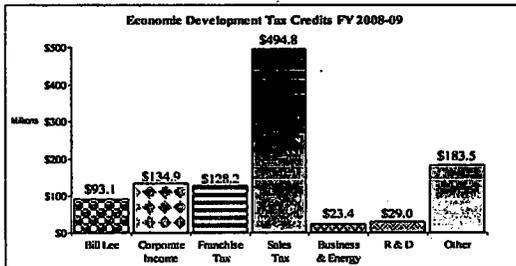

2008 Investment in Business Property Credits Generated

	Investment	Credits Generated
Tier One	402,168,157	28,095,346
Tier Two	235,859,128	11,843,752
Tier Three	703,924,546	36,273,286
Total	1,341,951,831	76,212,384

Other Tax Incentives

- Exemptions
- Deductions
- Refunds
- Caps
- Preferential rates

North Carolina General Assembly
House Committee on Finance

Minutes

February 9, 2011

The House Committee on Finance met on Wednesday, February 9, 2011 at 8:30 am in Room 544 of the Legislative Office Building. The following members were present: Chairpersons Howard, Setzer, Starnes and Folwell; Vice-Chair Wainwright; and Representatives Alexander, Brandon, Brawley, Carney, Collins, Faison, Hill, Jordan, Luebke, McCormick, McGee, Moffitt, Stone, Warren, Weiss and Womble. Also present were Sergeant-at-Arms John Brandon, Earl Coker, Fred Hines, and Ken Kirby. Staff persons present included Cindy Avrette, Rodney Bizzell, Barry Boardman, Dan Ettefagh, Heather Fennell, Trina Griffin, Sandra Johnson, Greg Roney, Brian Silvka, Jonathan Tart, and Martha Walston. The Agenda and Visitor Registration Sheets are attached and incorporated into these minutes as **attachments 1 and 2**.

Chairwoman Howard called the meeting to order at 8:35 am and recognized the four (4) pages present: (1) Nae-Nae Blount of Wake County sponsored by Representative Hall; (2) Tiffany Davis of Davie County sponsored by Representative Howard; (3) Hannah Andrews of Alamance County sponsored by Representative Ingle; and (4) Jordan Jackson of Surry County sponsored by Representative Stevens.

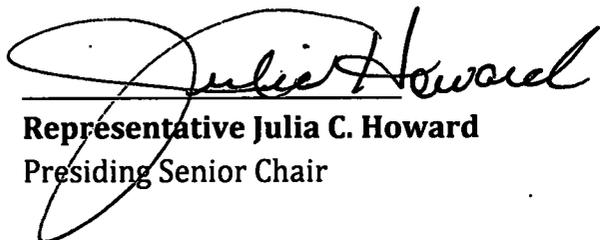

Chairwoman Howard recognized Jonathan Tart, of the Fiscal Research Division, to proceed with his presentation entitled **Business Taxes (Corporate Franchise Tax)** (see **attachment 3**). Following presentation, Jonathan answered questions from members.

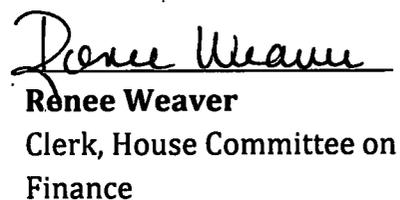

Chairwoman Howard then recognized Trina Griffin, of the Research Division, to proceed with her presentation entitled **Sales and Use Tax** (see **attachment 4**). Sandra Johnson, of the Fiscal Research Division completed this presentation and also provided a copy of a chart on **Sales Tax on Services** (see **attachment 5**). Following presentation, Trina and Sandra answered questions from members.

Chairwoman Howard recognized staff from the Department of Revenue. They are: Tom Dixon, Assistant Secretary Tax Administration; Eric Wayne, Director Sales and Use Tax Division; Ginny Upchurch, Assistant Director Sales and Use Tax Division; Ed Strickland, Administrative Officer Sales and Use Tax Division; Administrative Officer Sales and Use Tax Division; and Jeff Hendrickson, Administrative Officer Sales and Use Tax Division.

There being no further business presently before the Committee, Chairwoman Howard adjourned the meeting at 9:50 am.

Respectfully submitted,

Representative Julia C. Howard
Presiding Senior Chair

Renee Weaver
Clerk, House Committee on
Finance

AGENDA

**OVERVIEW OF
FRANCHISE TAX**

Joint House and Senate Finance, February 9, 2011
Jonathan Tarr, Fiscal Research Division

Franchise Tax

- Privilege tax for:
 - Privilege of engaging in business
 - The "enjoyment, under the protection of the laws of this State, of the powers, rights, privileges and immunities derived from the State by the form of" the existence of the business structure
 - The benefit and protection received from the government and laws of NC in doing business

Who pays Franchise Tax?

- C corporation
- S corporation
- Limited liability company (LLC) that elects to be taxed as a corporation under the IRC

Businesses Not Subject to the Tax

- Limited liability company (other than ones electing to be taxed as a corporation)
- Partnership
- Sole proprietor
- Insurance companies

Calculation of Tax

- Tax rate applied to highest of three asset bases:
- Capital stock, surplus, and undivided profits apportioned to NC using the apportionment percentage determined for income tax
 - Book value of NC real and tangible personal property, less outstanding debt created to acquire or improve the real property
 - 55% of the appraised value of NC real and tangible personal property

Some Statistics from 2008 Tax Year

- Taxpayers with franchise taxable amount over \$40 million made up less than 1% of the returns, but paid 66% of the total tax
- Amounts due by companies is generally modest. 99% of taxpayers owe \$110,000 or less.

Jonathan Tart Fiscal Research Division 733-4910 Jonathan.tart@ncleg.net	

AN OVERVIEW OF SALES AND USE TAX

Joint House and Senate Finance, February 9, 2011
Tina Griffin & Sandra Johnson

Outline

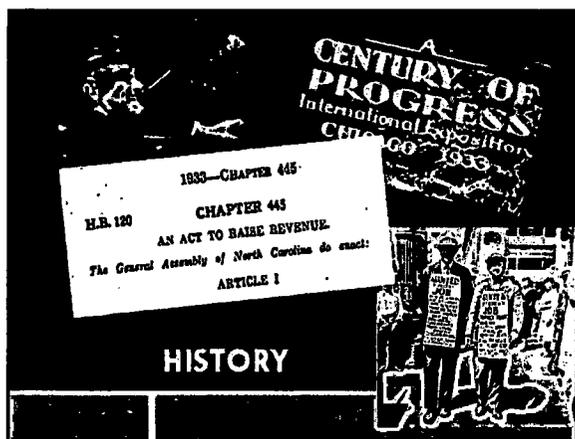

- History
- Sales Tax Basics: Use Tax, Nexus, Streamlined
- Rates: General, Combined General, Preferential
- Exemptions & Refunds
- Tax Reform Proposals

Sales and Use \$5.565 B

Total Tax Revenue \$17.7 B

Sales Tax

31.4% of General Fund Revenues

History

- ❑ Created in 1933 as temporary tax to meet a "supreme emergency"; made permanent in 1939.
- ❑ 3% on tangible personal property
- ❑ Exemptions:
 - ❑ Sales to Federal or State governments.
 - ❑ "Primary and essential articles of food"
 - ❑ Items taxed under another statute
 - ❑ Public school books
 - ❑ Certain sales of farm, mineral, and forest products.
- ❑ Gross receipts tax on amusements enacted in 1933 at same rate as retail sales of merchandise – 3%

That Was Then...

1940-1950	1951-1960	1961-1970	1971-1980
Exempt food Exempt prescription drugs Exempt fuel sold to farmers	Expanded tax to lodging Exemptions expanded 1%/\$80 cap on motor vehicles & airplanes	1%/\$80 cap on mill machinery Food exemption repealed	1¢ local sales tax authorization

That Was Then...

1981-1990	1991-2000	2001-Present
Merchants discount repealed	1 st rate increase since enactment - 4%	Streamlined
Highway use tax on vehicles	Exempt food	Third 1/2% local sales tax
Two 1/2% local sales tax authorizations	Use of exemptions & refunds as economic devpt.	Rate increases
Exempt food purchased with food stamps		Sales tax holidays
Sales tax on utilities		Video programming
		Medicaid swap
		Digital products

This Is Now

- 45 states and the District of Columbia have sales tax.
- 33 states allow localities to charge a local sales tax.
- Combined state and local rates range from 4.35% (Hawaii) to 9.44% (Tennessee).
- Consumption tax; shrinking base due to shift in consumer's spending patterns.
- Sales tax more stable than income tax but sale of durable goods more volatile than services.

Shift in Consumption

	1979 Percent	2007 Percent
Total Expenditures	100.0	100.0
Durable Goods	13.4	11.1
Nondurable Goods	39.1	29.2
Services	47.4	59.7

Sources: Dr. Roby Sawyers, NC State University, "Principles of Sound Tax Policy - How Does the NC Sales Tax Measure Up?" November 17, 2009.

Services Currently Taxed in NC

- Certain Utilities
 - Telecommunications
 - Electricity
 - Heating Oil
- Video Programming
 - Cable TV
 - Direct Satellite TV
- Personal Services
 - Laundry & dry cleaning
 - Diaper service
 - 900 numbers
 - Tuxedo rental
- Business Services
 - Graphic design
 - Photocopying & Printing
 - Photo finishing

Use Tax

- A tax on tangible personal property, digital property, and certain services purchased outside the State for use, storage, or consumption in the State.
- Paid by purchaser when sales tax has not been collected by the seller.
- Reported annually on income tax return.
- Undercollected because of lack of effective enforcement.

Nexus

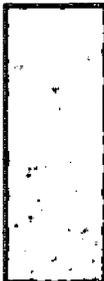

- Quill Corporation v. North Dakota* (1992)
- A retailer must have a physical presence in the State to be required to collect NC sales tax.
- Amazon "click-through" legislation
- Internet Transactions Resolution Program

E-Commerce in NC

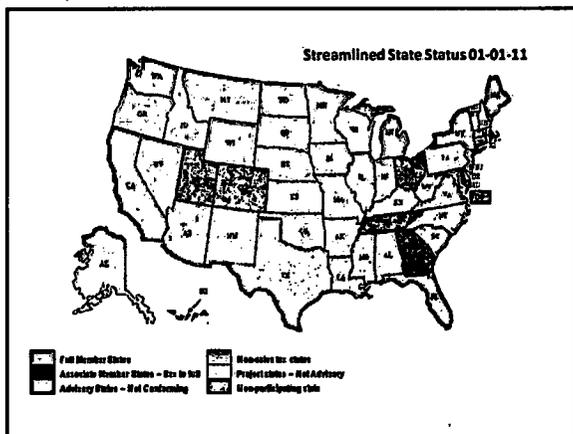

- How much is out there in uncollected sales tax from e-commerce?
 - Univ. of TN study estimates that \$138.6 million
 - Focuses on B2B transactions as well as B2C
 - Estimates assume that only large retailers currently comply.
 - Fiscal Research estimates that \$20.6 million in State
 - Focuses only on retail transactions.
 - Assumes current compliance by 65% of retailers.

STREAMLINED SALES TAX AGREEMENT

Streamlined Sales Tax Agreement

- Created in 1999.
- Voluntary, cooperative effort of states, the District of Columbia, local governments, and the business community to simplify and modernize sales and use tax collection and administration.
- 24 of 44 states with a sales tax have passed conforming legislation (20 full members, including North Carolina; 4 associate members).
- NC became a member of the Agreement October 1, 2005.
- Collection of over \$46.5 million through voluntary compliance since joining.

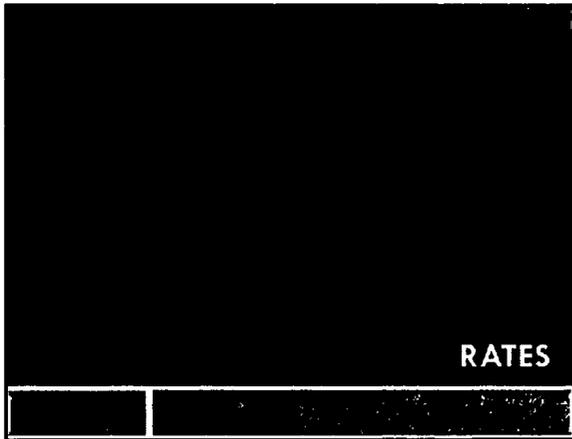

Simplification

Uniformity

- Uniform State and local base
- One State rate, with some exceptions
- One rate per local jurisdiction
- No caps or thresholds

Administration

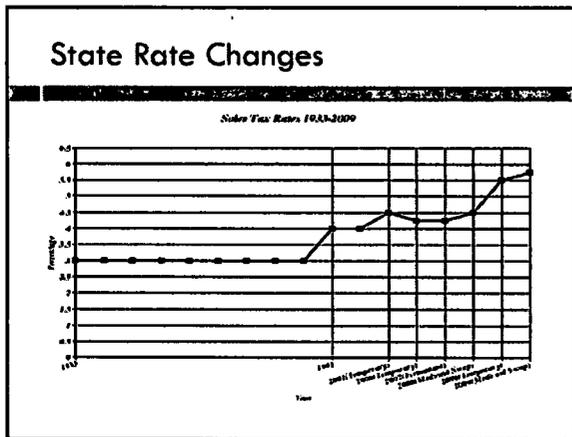

- State-level administration of tax
- State responsible for electronic, downloadable databases of jurisdiction boundaries and tax rates
- Central, electronic registration for all states
- Simple electronic return and electronic payment

General Rate

- The general State rate of tax is 5.75%. The temporary 1% Increase enacted last year is scheduled to expire July 1, 2011 (\$1.0 B).
- Items that are subject to State sales tax are also subject to the local sales and use tax. The local rate of tax varies:

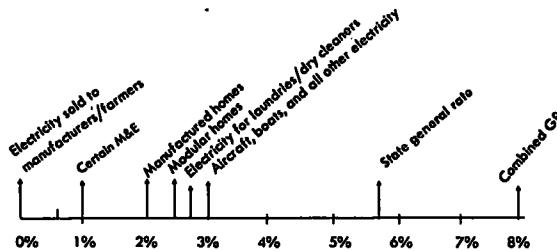

2% (82)	2.25% (18)	2.5% (1)	
All other 82 counties	Alexander Catawba Cumberland Duplin Halifax Haywood Hertford Lee Martin	New Hanover Onslow Pitt Randolph Robeson Rowan Sampson Surry Wilkes	Mecklenburg

Excise Tax on Machinery

- Prior to 2001 – 1% sales tax/\$80 cap on mill machinery
- In 2001, sales tax replaced with privilege tax at same rate to conform to Streamlined.
- Since then, eligible M&E expanded to include:
 - Major recycling facility
 - R&D company in physical, engineering, and life sciences
 - Software publishing
 - Industrial machinery refurbishing company
 - Datacenters

Range of Current State Rates

SELECT SALES TAX EXEMPTIONS AND REFUNDS

Sandra Johnson

History: Three Classes of Exemptions

- Subject to another tax or sound tax policy principle
 - Highway use tax, business inputs, etc.
- Serves as a governmental entity
 - Local government, Federal government
- Part of a public policy decision
 - Charitable organizations, food, chiropractor supplements

History

- 1933 – Exemptions included food, items sold to government, etc.
- 1941 – General Assembly added the first exemption relating to sales to religious or charitable institutions
- 1961 – Sales tax exemptions replaced with refunds
- 1995 – Refund expanded to "homes for the aged"
- 2005 – General Assembly repealed refunds for public schools, creating public school transfer

History

1951	2011
<ul style="list-style-type: none"> <input type="checkbox"/> 32 sales tax exemptions <input type="checkbox"/> Sales to non-profit, religious, and charitable organizations <input type="checkbox"/> Sales of gasoline or other motor fuels <input type="checkbox"/> Public school books <input type="checkbox"/> Sales of mill machinery 	<ul style="list-style-type: none"> <input type="checkbox"/> 59 sales tax exemptions <input type="checkbox"/> Supplements sold by chiropractors \$400K <input type="checkbox"/> Sales from vending machines \$11.4M <input type="checkbox"/> Newspapers sales made by street vendors \$7.5M <input type="checkbox"/> 26 types of organizations eligible for sales tax refunds

Organization Types Eligible for Sales Tax Refunds

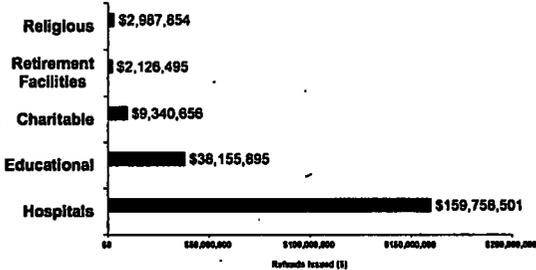

- Governmental agencies
- Religious and charitable
- Nonprofit hospitals
- Nonprofit educational institutions
- Qualifying continuing care and retirement communities

Government Refunds

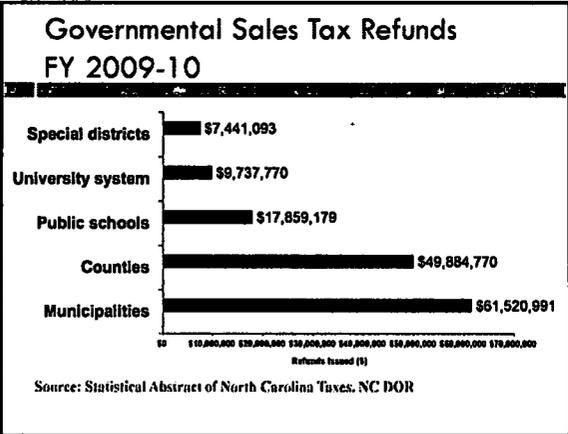

- Sub-state governments
 - Counties
 - Municipalities
 - Special districts
 - Public schools

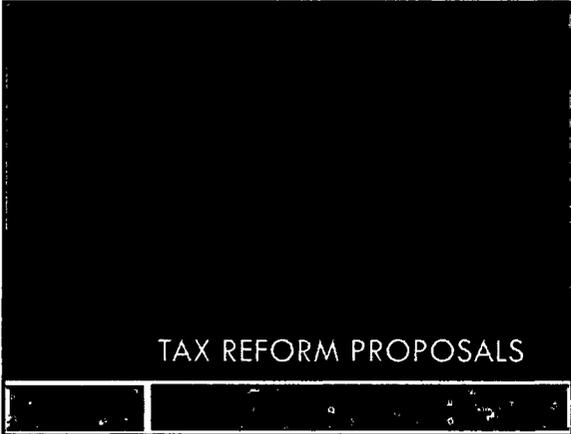

Nonprofit Sales Tax Refunds > \$100K, FY 2009-10

Source: Statistical Abstract of North Carolina Taxes, NC DOR

- ### Tax Reform Proposals
- Eliminate preferential rates.
 - Eliminate/modify exemptions and refunds.
 - Transition certain "privilege" taxes to sales tax base (e.g. admissions, movies).
 - Broaden base to include more personal services/lower the rate.

North Carolina General Assembly House Committee on Finance

Minutes

February 10, 2011

The House Committee on Finance met on Thursday, February 10, 2011 at 8:30 am in Room 544 of the Legislative Office Building. The following members were present: Chairpersons Howard, Starnes and Folwell; Vice-Chair McComas; and Representatives Alexander, Brandon, Brawley, Carney, Collins, Gibson, Hackney, Hall, Jordan, Luebke, McCormick, McGee, Moffitt, Moore, Ross, Samuelson, Warren, Weiss and Womble. Also present were Sergeant-at-Arms John Brandon, Earl Coker, Fred Hines, and Ken Kirby. Staff persons present included Cindy Avrette, Rodney Bizzell, Barry Boardman, Dan Ettefagh, Heather Fennell, Trina Griffin, Sandra Johnson, Greg Roney, Brian Silvka, Jonathan Tart, and Martha Walston. The Agenda and Visitor Registration Sheets are attached and incorporated into these minutes as **attachments 1 and 2**.

Chairperson Starnes called the meeting to order at 8:35 am and recognized the four (4) pages present: (1) Nae-Nae Blount of Wake County sponsored by Representative Hall; (2) Tiffany Davis of Davie County sponsored by Representative Howard; (3) Sam Potter of Cabarrus County sponsored by Representative Barnhart; and (4) Jordan Jackson of Surry County sponsored by Representative Stevens.

Chairperson Starnes recognized Jonathan Tart and Rodney Bizzell, of the Fiscal Research Division, to proceed with their presentation entitled **Economic Development Tax Incentives** (see **attachment 3**). Following presentation, Jonathan and Rodney answered questions from members.

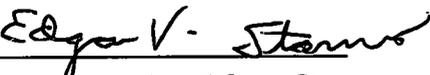

Chairperson Starnes then recognized Barry Boardman, of the Fiscal Research Division, to proceed with the **Consensus Forecast for the 2011-2011 Biennium** (see **attachment 4**). Following the presentation, Barry answered questions from members.

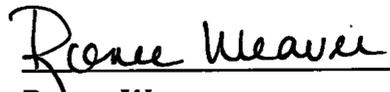

Chairperson Starnes recognized Heather Fennell, of the Research Division, to proceed with her presentation entitled **Miscellaneous Taxes: Gross Premiums Tax; Alcoholic**

Beverage Excise Tax; Tobacco Products Tax; Pied Natural Gas Tax (see attachment 5).
Following presentation, Heather answered questions from members.

There being no further business presently before the Committee, Chairperson Starnes adjourned the meeting at 9:50 am.

Respectfully submitted,

Representative Edgar Starnes
Presiding Chair

Renee Weaver
Clerk, House Committee on
Finance

#1

Overview

- Economic Development Incentives
 - Installments and Carryforwards
 - Tax Credits Generated vs. Taken
 - Savings from Repeal of Incentives
- Corporate and Franchise Tax Expenditures Related to Economic Development
- Sales Tax Expenditures Related to Economic Development

Economic Development Incentives

- Article 3A – William S. Lee Act
 - Repealed in 2007 and replaced with Article 3J
- Article 3B – Business and Energy Tax Credits
 - Tax credits for energy property and facilities
- Article 3F – Research and Development
 - Tax credits for eligible research expenses
- Article 3G – Major Computing Facilities
 - Dell Incentive
- Article 3J – Growing Businesses

Economic Development Incentives

In general, major incentive credits (Article 3A – J) share certain attributes

- Can be taken against the corporate income or franchise tax.
- Credits are limited to 50% of taxable income
- Most credits are taken in installments over 4 or 5 years
- Carryforwards extend the time over which credits can be taken (range from 5-25 years)

Economic Development Incentives

- Credits Generated vs. Credits Taken
- Between 1996 and 2006, the total Lee Act credits generated exceeded \$2 billion.
- The amount of credits used or "taken" during that time totaled \$632 million.
- An estimated 35% of the generated credits will never be used.

MEMORANDUM

TO: North Carolina General Assembly
FROM: Barry Boardman, Ph.D.
Fiscal Research Division
SUBJECT: General Fund Revenue Update

A consensus revenue forecast for the 2011-13 biennium has been reached between Fiscal Research and the Office of State Budget and Management. The notes below summarize the results of the consensus revenue estimating process.

Forecast Summary

The forecast expects FY 2010-11 collections to exceed the budgeted amount by \$156.4 million and for modest growth to occur during the next biennium off this slightly higher base:

	Revenues (millions)	Change (millions)
2010-11	\$19,134.2	
2011-12	\$18,822.6*	(\$311.6) ✓
2012-13	\$19,884.1*	\$1,061.5 ✓

*An additional \$80 million reduction is likely because of changes to the Federal Estate Tax in 2011 and 2012. The Federal changes will reduce the number of estates with a State Estate Tax liability. The decline in FY 2011-12 revenue is the direct result of expiring temporary tax increases.

Given the uncertainty surrounding the pace of growth in the economy, the consensus forecasters took a cautious approach. This approach seemed particularly prudent with the ongoing weaknesses and instability in the housing and employment markets. At no time during the biennium are revenues expected to grow faster than the long term average of 5.7 percent. Quite often in a full expansionary economy revenue growth can exceed 9 percent. The forecast ruled out the possibility of a full-blown economic expansion throughout the biennium.

Budget Gap

A recent publication by Fiscal Research estimated the potential size of the budget gap for FY 2011-12¹. The size of the budget gap was a function of expiring tax increases, the end of federal stimulus dollars, and both mandatory and discretionary spending pressures. One component of the budget gap was an assumption on General Fund revenue for FY 2011-12. The estimate assumed that revenue would grow by \$700 million off of a base of \$17.5 billion. Thus, General Fund revenue was estimated at \$18.2 billion. The new consensus forecast has increased both the revenue base and the rate of growth that was used in the estimate. The result is General Fund revenues will be approximately \$600 million higher than what was used to originally estimate the budget gap.

Current Year Revenues

- (1) The estimated revenue surplus for the current year is \$156.4 million above the \$18,977.8 billion budgeted amount. General Fund collections are forecast to increase 2.7 percent over the amount collected in FY 2009-10. The 2.7 percent growth rate is quite modest, and is reflective of the very sluggish economic recovery.
- (2) Key revenue sources have now strung together six months of positive collection growth and January saw a continuation of that trend. The result is net baseline tax collections are forecast to grow 3.1 percent. That compares to the original budget forecast that envisioned 2.8 percent growth in tax revenue.
- (3) Sales tax growth is now estimated at nearly six percent above the budgeted amount. There are two reasons for the higher than expected growth rate. First, collections at the end of FY 2009-10 were higher than anticipated when the budget numbers were being crafted. The second reason is the growth of this tax has picked up considerably beginning the second quarter of this fiscal year. Baseline sales tax collections for the year are expected to finish up 1.5 percent over last year. Larger than expected refunds from non-profits and local governments are keeping the overall growth rate below 2 percent.
- (4) The personal income tax is forecast to fall by 0.5 percent this year. Unlike the Sales Tax, personal income taxes were lower than expected in FY 2009-10, thus growth was off of a lower base than originally projected. Despite coming off a base nearly 1.5 percent lower, growth in withholding collections will make up most of the difference.
- (5) This forecast does recognize that the economy is at a turning point making the swings in volatile collections difficult to forecast. In many years a "ballooning" effect can occur during April as final payments from the previous tax year come due and estimated payments based on the experience of last year are made. Further complicating the forecast are expectations for refunds, which have been running much higher than in typical years. The consensus forecast expects refunds to remain elevated, but not by as high a margin as in the past two years.

¹ "North Carolina's FY 2011-12 Budget Gap", Fiscal Brief, Fiscal Research Division of the North Carolina General Assembly, December 7, 2010.

Outlook for the 2009-11 Biennium

- (1) The recession that began in December 2007, technically ended in June 2009. The recovery phase coming out of the recession has lasted 19 months and we are just now on the cusp of entering the expansionary phase of the business cycle. The housing market downturn, which spread throughout the economy during 2008, combined with the global financial market collapse in October 2008 sent the economy into a prolonged and severe recession. Thirty-eight months after the onset of the recession the housing market has yet to fully heal and the financial sector, while gaining solid footing, is still susceptible to weaknesses. Nonetheless, State and national forecasters have been upgrading their forecasts with more and more positive economic data being reported. These forecasts expect the economy to show ever increasing improvement throughout 2011. While robust expansionary growth may be 18 to 24 months away, solid, sustained growth is anticipated throughout the biennium. The revenue forecast was influenced by improving economic conditions, but forecasters chose to take a much more cautious approach than some recent forecasts might suggest is warranted.
- (2) Employment has always been a lagging economic indicator, not changing direction until well after the turn in the business cycle. The sluggish, lengthy recovery has exacerbated that tendency and significant gains in employment may not begin until the end of 2011. Thus, despite improvements along many economic fronts, the employment outlook for the state has not been upgraded. Employment is expected to experience gains close to two percent each year of the biennium, adding as many as 175,000 new jobs by the end of FY 2012-13. The majority of these gains will start to occur in the second half of 2011. Even with the two percent growth, the State is forecast to have 100,000 fewer jobs than at the onset of the Great Recession.
- (3) Employment is closely tied to personal income and extensive employment losses from layoffs and cutbacks by key businesses such as the financial sector have ended, thus improving the prospects for income growth over the biennium. The consensus forecast envisions 4.4 percent and 6.5 percent growth in personal income for the respective fiscal years. Those numbers are built primarily on the anticipation of modest employment and wage growth. Additionally, twenty percent of Personal Income Tax collections come from non-withholding such as investments and business income. The forecast expects non-withholding to rebound given the ongoing strength in equity markets and business profits. Part of the gain from these sources will be offset by the carry forward of losses experienced during the recession. By comparison, the two years following the last recession Personal Income Tax grew by 6.1 percent and 11.1 percent, respectively.
- (4) Sales Tax collections are forecast to increase by 5.3 percent and 4.5 percent, respectively this biennium. These are modest growth rates given the significant drop-off in collections over the last three years. During the last few years, retail sales in North Carolina plummeted by double-digits as employment losses mounted and consumer confidence sank. The housing market, which led us into the recession, has yet to fully heal and the result is many household balance sheets remain out of balance. The employment market has stabilized and there is some growing confidence by consumers, which is starting to show up in the consumer spending data. Nonetheless, the modest growth rates reflect that overall conditions will not have fully rebounded during the biennium, and therefore, we project lower growth

than what one might expect after the significant drop-off in collections that have occurred over the last 3 years. To put the forecasted growth in perspective, the increase in net collections will only be on par with the amount of revenue generated during the 2006-07 fiscal year, and yet there will be an estimated 600 thousand more people living in the State.

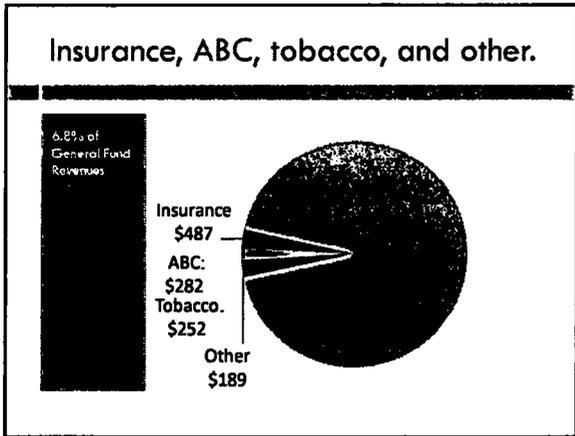

- (5) Net corporate profits are expected to grow by 11 percent over the next biennium. Corporate income is always very volatile with yearly swings by as much as 30 percent to 40 percent. For the upcoming biennium we think these receipts will be relatively flat in the first year. Growth is forecast at only 2.2 percent reflecting the mild economic recovery, plus the losses from the lengthy recession that will continue to be taken against the bottom line. The second year of the biennium corporate tax receipts are expected to grow by 8.6 percent, which is closer to the long run average growth. Another business tax, the Franchise Tax, declined significantly this fiscal year with a baseline drop estimated at 10.4 percent. The key reason is that an important basis for calculating the tax, capital stock, declined significantly during the recession, thus lowering the amount of Franchise Tax owed. We expect a rebound during the biennium, but only at rate of 6 to 7 percent.
- (6) **Putting all these assumptions together leads to a 4.6 percent higher baseline of General Fund revenues in 2011-12, and 5.5 percent growth in 2012-13.** The following table provides a comparison of baseline growths starting in FY 2000-01.

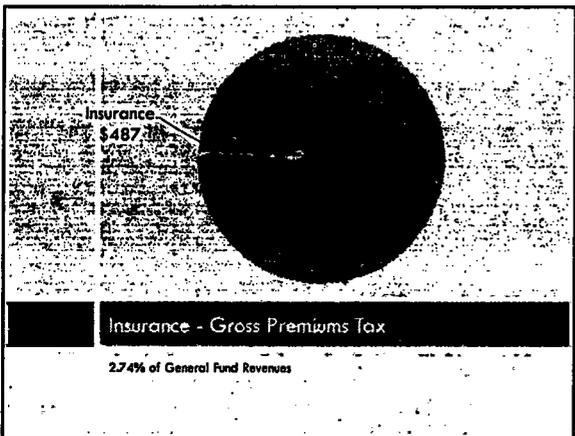

Fiscal Year	Baseline Growth Rate (Percent)
2000-01	4.5
2001-02	(6.1)
2002-03	(0.4)
2003-04	5.8
2004-05	9.3
2005-06	12.0
2006-07	7.2
2007-08	5.4
2008-09	(11.1)
2009-10	(3.5)
2010-11 (e)	2.8
2011-12 (e)	4.6
2012-13 (e)	5.5

- (7) The revenue outlook for the 2011-13 biennium reflects a continuation of the slowly developing economic recovery in 2011. Employment growth will lag behind the pace of the recovery, yet will show continued improvement throughout the biennium. Revenue collections will be bolstered by an improvement in consumer confidence, the gradual healing of the housing market, and continued wage and salary growth. Therefore, the prospects for revenue collections to return to long term average growth as we move into 2012 are quite good. Nonetheless, the toll taken on the State by the Great Recession will not be behind us for at least another two or three years.

OVERVIEW OF MISCELLANEOUS TAXES

Joint House and Senate Finance, February 10, 2011
Fiscal Council, Research Division

Gross Premiums Tax

Imposed on gross premiums covering all persons, property and risk.

Rates:

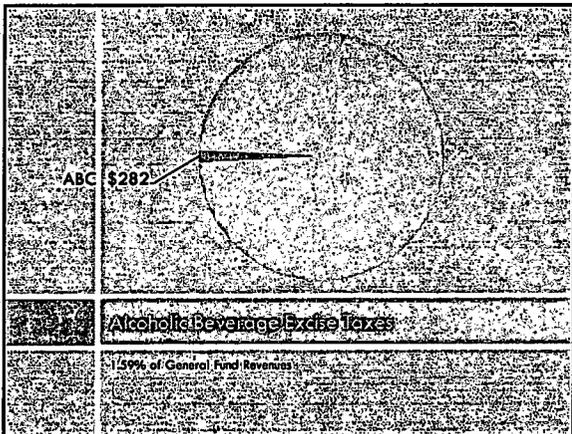

- 2.5% on gross premiums of workers' compensation policies.
- 1.9% on gross premiums of all other insurance policies – including health policies.

Gross Premiums Tax

Additional Rate

Distribution

- Property Coverage – 0.74%
- 10% of automobile physical damage coverage.
- 100% of all other property coverage.
- 30% to Volunteer Fire Department Fund for grants.
- 25% to Fire Districts.
- Remainder to General Fund.

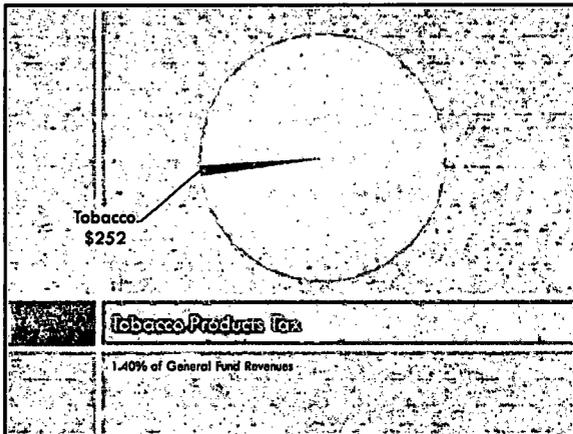

Alcoholic Beverage Taxes

- Rates:
 - Beer – 61.71¢ per gallon.
 - Unfortified wine – 26.34¢ per liter.
 - Fortified wine – 29.34¢ per liter.
 - Spirituous liquor – 30% of:
 - Distiller's price + ABC freight and bailment charges + local ABC markup.

Alcoholic Beverage Taxes - Distribution

- | By statute: | 2009 Budget: |
|------------------------------|---------------------------|
| □ Local Governments: | □ Local Governments: |
| □ Beer - 20.47%. | □ Beer – 7.24%. |
| □ Unfortified wine - 49.44%. | □ Unfortified wine – 18%. |
| □ Fortified wine – 18%. | □ Fortified wine – 6.49%. |

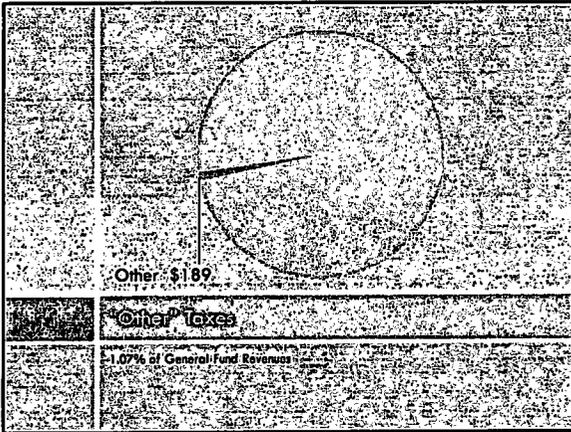

Tobacco – Cigarettes and OTP.

Cigarettes

- Rate - 2.25¢ per cigarette, 45¢ per pack.
- Discount – 2% for filing timely report.
- Proceeds – General Fund.

Other tobacco products (OTP)

- Rate - 12.8% of the cost of the product.
- Discount – 2% for filing timely report.
- Proceeds – 3% of cost of product – GF. Remainder - Cancer Fund.

Freight Car Tax

- 3% of gross earnings of freight line companies.
- In place of property tax.

Piped Natural Gas

- Excise tax in lieu of sales tax.
- Tax rate based on monthly therm volumes of piped natural gas received by the end-user.
- Exemptions – Gas cities, manufacturers for use in operation of manufacturing facility, farmer for farming purpose.
- Distribution to cities

Piped Natural Gas

Monthly Volume of Therms Received	Rate Per Therm
First 200	\$.047
201 to 15,000	.035
15,001 to 60,000	.024
60,001 to 500,000	.015
Over 500,000	.003

State Privilege Taxes

- Most of the State privilege license taxes were repealed, effective July 1, 1997.

Amusements	3%
Motion Picture Shows	1%
Professionals	\$50
Installment Paper Dealers	.277% of face value of obligations/quarter
Loan agencies, check cashers, pawnbrokers	\$250/location
Banks	\$30 for each \$1M in assets
Newspaper publishers	\$15 on each ton that fails to meet the applicable minimum recycled content percentage required by law

North Carolina General Assembly House Committee on Finance

Minutes

February 16, 2011

The House Committee on Finance met on Wednesday, February 16, 2011 at 8:30 am in Room 544 of the Legislative Office Building. The following members were present: Chairpersons Howard, Starnes, Setzer and Folwell; Vice-Chair McComas; and Representatives Alexander, Brawley, Carney, Collins, Gibson, Hall, Jordan, Luebke, McCormick, McGee, Moffitt, Moore, Rhyne, Samuelson, Stone, Warren, Weiss and Womble. Also present were Sergeant-at-Arms John Brandon, Earl Coker, and Fred Hines. Staff persons present included Cindy Avrette, Rodney Bizzell, Barry Boardman, Dan Etefagh, Heather Fennell, Trina Griffin, Sandra Johnson, Greg Roney, Brian Silvka, Jonathan Tart, and Martha Walston. The Agenda and Visitor Registration Sheets are attached and incorporated into these minutes as **attachments 1 and 2**.

Chairperson Setzer called the meeting to order at 8:35 am and recognized the three (3) pages present: (1) Morgan McRae of Mecklenburg County sponsored by Representative R. Moore; (2) Jessica Pope of Nash County sponsored by Representative Collins; and (3) Kelia Williams of Wake County sponsored by Representative Gill.

Chairperson Setzer recognized Secretary David Hoyle of the North Carolina Department of Revenue. Following Secretary Hoyle's presentation, he answered questions from members.

Chairperson Setzer recognized additional staff members from the Department of Revenue. They are: Tom Dixon, Assistant Secretary Tax Administration; Linda Millsaps, Chief Operating Officer, Eric Wayne, Director Sales and Use Tax Division; Michael Houser, Legislative Affairs, Canaan Huie, General Counsel; Bill Wilkes, Assistant Director Property Tax Division; David Baker, Director Property Tax Division; Julian Fitzgerald, Director Motor Fuels Tax Division; and Donna Alderman, Assistant Director Motor Fuels Tax Division.

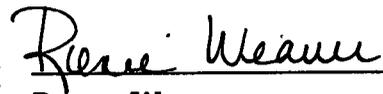

Chairperson Setzer recognized Greg Roney, of the Research Division, to proceed with his presentation entitled **Overview of Motor Fuel and Highway Use Taxes (see attachment 3)**. The presentation was cut short due to time.

Chairperson Setzer adjourned the meeting at 9:50 am.

Respectfully submitted,

A handwritten signature in cursive script that reads "Mitchell Setzer".

**MOTOR FUELS EXCISE TAX
AND HIGHWAY USE TAX**

Finance Committee, February 16, 2011
Greg Roney, Research Division

- Overview-Highway Fund**
- Highway Fund revenue used to maintain State's public roads and fund operations of Dept of Transportation
 - Road Maintenance
 - DMV and Highway Patrol
 - Powell Bill/Secondary Roads
 - Funding Sources
 - Motor Fuels Excise Tax (75% of Tax Collection)
 - Fees: Truck Plates, Vehicle Registration, Driver License

- ### Motor Fuels Excise Tax-Overview
- All states impose a tax on gasoline
 - Distribution
 - 75% to Highway Fund
 - 25% to Highway Trust Fund
 - Other distributions: Commercial and Non-Commercial Leaking Petroleum Underground Storage Tank Cleanup Funds; Water and Air Quality Account; Wildlife Resources Fund; Powell Bill

Motor Fuels Excise Tax-History

- Centralization of responsibility for roads with the State
- 1921: Motor Fuels tax imposed at \$0.01
- 1931
 - State assumes responsibility for all roads except city streets
 - Rate is \$0.05 (equivalent to \$0.63 per gallon today)

Motor Fuels Excise Tax-History-Continued

- 1951: Powell Bill (Aid to Municipalities)
 - States assumes responsibility for city streets which are part of the state highway system
 - \$0.05 per gallon to cities for their streets
- 1986
 - Rate increased from \$0.12 to \$0.155
 - Variable component was added to rate
 - \$0.14 per gallon fixed rate plus
 - 3% of the average wholesale price

Motor Fuels Excise Tax-History-Continued

- 1989
 - Highway Trust Fund created
 - Rate increased from \$0.157 to \$0.209
 - \$0.17 per gallon fixed rate plus
 - 7% of the average wholesale price
- 1991: Fixed component of rate changed to \$0.175
- 2011: No rate changes since 1991
 - \$0.17 per gallon fixed plus 7% of the weighted average wholesale price of motor fuels
 - Floor Rate is \$0.299 until July 1, 2011
 - Total Rate: \$0.325 per gallon (1st Quarter 2011)

Motor Fuels Excise Tax-Collection

Interstate Trucking Industry

- ❑ 48 contiguous states joined Int'l Fuel Tax Agreement (IFTA)
- ❑ Truckers file 1 report to base state reporting and paying fuel taxes for all 48 states
- ❑ IFTA clearinghouse handles payments among states
- ❑ Major tax reform which simplified tax reporting and unified tax reporting for all contiguous states

"Tax of the Rack"

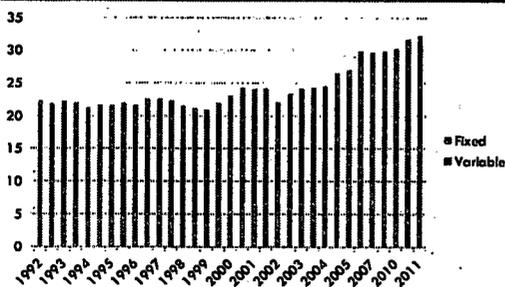

- ❑ Collected by wholesale distributors of motor fuels on purchases made from major oil companies
- ❑ Tax due when fuel pumped into tanker truck "at the rack"
- ❑ Major tax reform which eliminated taxpayers and improved compliance

Motor Fuels Excise Tax-Exemptions and Refunds

- ❑ Fuel not used on the highway (100% refund but subject to sales tax)
- ❑ Exemptions
 - ❑ US Government
 - ❑ State Agencies
 - ❑ Counties
 - ❑ Municipal Corporations
 - ❑ Community Colleges
 - ❑ Boards of Education
 - ❑ Fuel for Export
 - ❑ Fuel for Aircraft

- ❑ Volunteer fire dept and rescue squads; sheltered workshops; taxicabs; nonprofits operating for a local government (refund of tax paid less \$0.01)
- ❑ Concrete mixing vehicles; solid waste compacting vehicles; vehicles delivering and spreading mulch, soil, and similar materials; certain agricultural and tank delivery vehicles (33 1/3 % Refund)

Motor Fuels Excise Tax-Components

Comparison-State Roadways

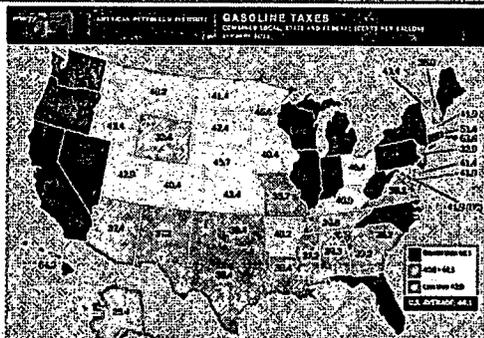

- NC and Texas have largest state-controlled highway systems, over 79,000 miles
- NC controls 76% of the road miles
- Comparison to Surrounding States

	Total Miles	State-Controlled	Percentage
□ Georgia	118,778	17,930	15%
□ South Carolina	66,249	41,437	63%
□ Tennessee	91,956	13,886	15%
□ Virginia	72,659	57,72	79%

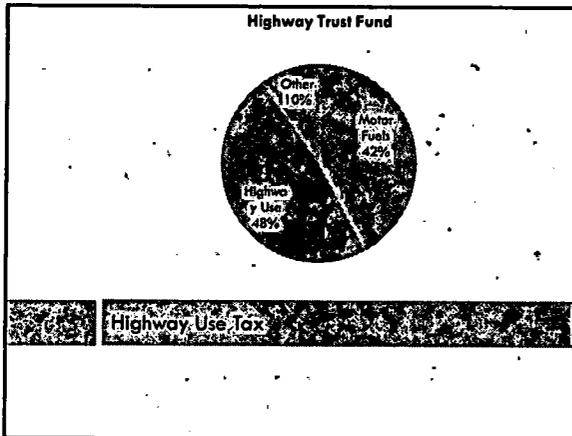

Comparison-State Taxation of Gasoline

- Comparison to Surrounding States
- Georgia \$0.1530
- South Carolina \$0.1600
- Tennessee \$0.2000 (Diesel \$.1700)
- Virginia \$0.1750 (Surcharge 0.0350)
- NC rate is higher than 34 states and lower than 15
- Only NC has a variable rate (some states have a local option that counties can vary)

Comparison-Tax on Gasoline

Presentation Ended

- ### Highway Use Tax-History
- 41 states impose tax on the sales of motor vehicles
 - 1989
 - Highway Trust Fund created
 - Highway Use Tax enacted (3% with \$1,000 cap)
 - Replaced sales tax on motor vehicles (2% with \$300 cap)
 - Sunset when the projects of the Trust Fund completed
 - 1993: Cap increased from \$1,000 to \$1,500
 - 2001: Cap repealed
 - 2007: Sunset repealed

- ### Highway Use Tax-Rates and Comparison
- Rates:
 - Non-Commercial Vehicles 3% with no cap
 - Commercial Vehicles 3% with \$1,000 cap
 - Recreational Vehicles 3% with \$1,500 cap
 - Base
 - Retail price = net purchase price after trade
 - Market value for casual sales = schedule set by Commissioner
 - Comparison to Surrounding States
 - Georgia 4%
 - South Carolina 5%
 - Tennessee 7%
 - Virginia 3%

Highway Use Tax-Exemptions

- Exemptions where new title issued but ownership has not changed
 - Change in owner's name
 - Transfer of salvaged vehicle to insurer
 - Divorce
 - Transfer by State of handicapped-equipped vehicles
- Sale to dealer for resale
- Gifts between spouses and parent/child
- Transfer of death of owner
- Transfer for driver's education
- Volunteer fire departments and rescue squads

Highway Use Tax-Companion Tax

- Rates:
 - Long-term Lease (1 year) 3%
 - Short-term Lease 8% (General Fund)
- Base:
 - Gross receipts from lease or rental

Renee Weaver (Rep. Howard)

To: Rep. Mitchell Setzer
Subject: Finance Committee Meeting

Hi Rep. Setzer,

As Chair of tomorrow's Finance meeting Rep. Howard wanted to share a couple of things with you. Tomorrow at the beginning of the meeting would be a great opportunity to have the Committee members and staff introduce themselves. Also a mention of the Occupancy Tax Subcommittee and the members that have been appointed would be in order.

Renee Weaver
House Finance Clerk
(919)715-1812

Subcommittee on Occupancy Tax

Rep. McGee, chair

Rep. Carney

Rep. Cotham

Rep. Moffitt

Rep. Warren

North Carolina General Assembly
House Committee on Finance

Minutes

February 23, 2011

The House Committee on Finance met on Wednesday, February 23, 2011 at 8:30 am in Room 544 of the Legislative Office Building. The following members were present: Chairpersons Howard, Starnes, Setzer and Folwell; Vice-Chairs McComas and Wainwright; and Representatives Alexander, Brandon, Brawley, Carney, Collins, Cotham, Faison, Hackney, Hall, Hill, Jordan, Luebke, McCormick, McGee, Moffitt, Ross, Samuelson, Stone, Warren, Weiss and Womble. Also present were Sergeant-at-Arms John Brandon, Earl Coker, Billy Jones and Bill MacRae. Staff persons present included Cindy Avrette, Rodney Bizzell, Barry Boardman, Dan Ettefagh, Heather Fennell, Trina Griffin, Sandra Johnson, Greg Roney, Brian Silvka, Jonathan Tart, and Martha Walston. The Agenda and Visitor Registration Sheets are attached and incorporated into these minutes as **attachments 1 and 2**.

Chairwoman Howard called the meeting to order at 8:30 am and recognized the four (4) pages present: (1) Elizabeth Rogers of Robeson County sponsored by Representative Pierce; (2) Sydney Elmore of Wake County sponsored by Representative Stam; (3) Jhamil King of Burke County sponsored by Representative Blackwell; and (4) Sam Shumate of Cumberland County sponsored by Representative Parfitt.

The first bill considered by the Committee was **HB 123 – Business Entity Changes** (see **attachment 3**). The Chair recognized Representative Brubaker to explain the bill. Following the explanation, Representative Starnes moved that HB 123 be given a favorable report; the motion carried.

The next bill considered by the Committee was **SB 55 – Increase Property Tax Appeals Efficiency** (see **attachment 4**). The Chair recognized Representative Carney to explain the bill. Following the explanation, Representative Cotham moved that SB 55 be given a favorable report; the motion carried.

Chairwoman Howard recognized Greg Roney, of the Research Division, to continue with his presentation entitled **Overview of Motor Fuel and Highway Use Taxes** (see attachment 5). The presentation was cut short due to time during the last Committee meeting. Following his presentation, Greg answered questions from the members.

Chairwoman Howard recognized Martha Walston, of the Fiscal Research Division, and Heather Fennell of the Research to begin their presentation entitled **Overview of Local Government Revenue Sources** (see attachments 6 and 7). Heather also provided a copy of the **Guidelines for Occupancy Tax Legislation** (see attachment 8). Following the presentation, Martha and Heather answered member's questions.

Chairwoman Howard recognized additional staff members from the Department of Revenue. They are: Bill Wilkes, Assistant Director Property Tax Division; David Baker, Director Property Tax Division; and Cindy Honeycutt, also with the Property Tax Division.

There being no further business presently before the Committee, Chairwoman Howard adjourned the meeting at 9:30 am.

Respectfully submitted,

Representative Julia C. Howard
Residing Senior Chair

Renee Weaver
Clerk, House Committee on

1 A BILL TO BE ENTITLED
2 AN ACT TO REVISE THE BUSINESS ENTITY OWNERSHIP REQUIREMENTS OF
3 LAND AT PRESENT-USE VALUE.

4 The General Assembly of North Carolina enacts:

5 SECTION 1. G.S. 105-277.3(b1) reads as rewritten:

6 "§ 105-277.3. Agricultural, horticultural, and forestland – Classifications.

7 ...

8 (b1) (Effective for taxes imposed for taxable years beginning on or after July 1,
9 2008) Entity Ownership Requirements. – In order to come within a classification described in
10 subsection (a) of this section, land owned by a business entity ~~or trust must have been owned~~
11 ~~by the business entity or trust or by one or more of its members or creators, respectively, must~~
12 meet the requirements of subdivision (1) of this subsection and land owned by a trust must
13 meet the requirements of subdivision (2) of this subsection.

14 (1) Land owned by a business entity must have been owned by one or more of
15 the following for the four years immediately preceding January 1 of the year
16 for which the benefit of this section is claimed:

17 a. The business entity.

18 b. A member of the business entity.

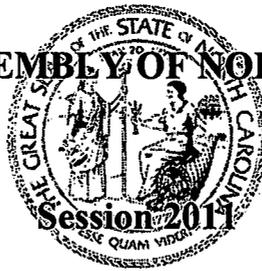

19 c. Another business entity whose members include a member of the
20 business entity that currently owns the land.

21 (2) Land owned by a trust must have been owned by the trust or by one or more
22 of its creators for the four years immediately preceding January 1 of the year
23 for which the benefit of this section is claimed."

24 SECTION 2. This act is effective for taxable years beginning on or after July 1,
25 2011. An application for property tax relief provided by this act may be filed and must be
26 accepted at any time up to and through September 1 for the July 1, 2011, taxable year.

	See Assumptions and Methodology				
PRINCIPAL DEPARTMENT(S) & PROGRAM(S) AFFECTED: NC Local Governments					
EFFECTIVE DATE: Taxable years beginning on or after July 1, 2011.					

BILL SUMMARY:

HB 123 would allow for Present-use Value (PUV) ownership requirements to be satisfied when PUV property ownership changes from one business entity to another, provided the business entities share a common member. This bill is a recommendation of the Revenue Laws Study Committee.

ASSUMPTIONS AND METHODOLOGY:

In 2008, the Revenue Laws Study Committee proposed legislation to broaden the ownership requirements so that farmland could be owned by a business entity whose membership includes modern estate planning vehicles such as a family limited partnership, a family limited liability company, or a trust. S.L. 2008-146 alleviated problems tax assessors were having with recognizing these types of ownership. Now, for example, if the farmland is owned by a business entity, the members of the business entity are no longer restricted to individuals but can include trusts and other business entities.

Recently, problems have arisen in instances where PUV ownership technically changes from one business entity to another, even though membership in the business entity may be identical. House Bill 123 would allow the business entity ownership requirements to be satisfied when the business entity that currently owns the farmland shares one or more members in common with the business entity that previously owned the farmland.

Although the change will allow for some property to remain in PUV status, which would have been denied under current law, the bill is not anticipated to have a significant fiscal impact on local property tax revenues.

HOUSE BILL 123: Business Entity Changes

2011-2012 General Assembly

Committee: House Finance	Date: February 22, 2011
Introduced by: Reps. Howard, Brubaker, Luebke, Hill	Prepared by: Martha Walston
Analysis of: First Edition	Committee Counsel

SUMMARY: *House Bill 123 is a recommendation of the Revenue Laws Study Committee. The bill makes changes to the business entity ownership requirements for qualification of land at its present-use value so that the requirements are met when the current owner of the land shares members in common with the prior owner of the land.*¹

SB 93, sponsored by Sen. Hartsell, Clodfelter, and Tillman, is a companion bill.

CURRENT LAW: Since 1973, farmland (agricultural land, horticultural land, and forestland) has been appraised and assessed at its present-use value as opposed to fair market value for property tax purposes if the farmland meets certain ownership, size, and use requirements. Farmland owned by a business entity meets the ownership requirements if the land was owned by the business entity or one of its members for the four years immediately preceding January 1 of the year for which the benefit is claimed. Prior to 2008, the members of the business entity had to be individuals. In 2008, the Revenue Laws Study Committee proposed legislation to broaden the ownership requirements so that farmland could be owned by a business entity whose membership includes modern estate planning vehicles such as a family limited partnership, a family limited liability company, or a trust.² S.L. 2008-146 alleviated problems tax assessors were having with recognizing these types of ownership. Now, for example, if the farmland is owned by a business entity, the members of the business entity are no longer restricted to individuals but can include trusts and other business entities.

BILL ANALYSIS: The 2008 changes to the present-use value (PUV) statutes focus on problems the tax assessors were having with recognizing types of ownership. Ownership is determined on the basis of the name on the deed but does not always consider real parties in interest.

Recently, counties have received applications where farmland has been owned as follows:

- Farmland owned by ABC Partnership for past four years applies for PUV status.
- The partners of ABC Partnership are Tom, Dick, and Harry.
- The previous owner of the farmland was XYZ Partnership.
- The partners of XYZ Partnership were also Tom, Dick, and Harry.
- Counties have denied PUV status to the farmland based upon the language in G.S. 105-277.3(b1): The farmland had not been owned by its current owner, ABC Partnership, for four years immediately preceding the application, nor was the land owned by a partner of ABC Partnership.

¹ A "business entity" is defined as a corporation, general partnership, limited partnership, or limited liability company. A "member" is defined as a shareholder of a corporation, a partner of a general or limited partnership, or a member of a limited liability company.

² When the membership of a business entity includes a business entity or trust, then the individual members of the business entity and the individual beneficiaries of the trust are deemed to be indirect members of the qualified business entity.

House Bill 123

Page 2

House Bill 123 would allow the business entity ownership requirements to be satisfied when the business entity that currently owns the farmland shares one or more members in common with the business entity that previously owned the farmland. For example, because one or more partners of the partnership that currently owns the farmland are the same partners of the partnership that previously owned the farmland, the ownership requirement would be met. In this example, the real parties in interest have not changed.

EFFECTIVE DATE: This act becomes effective for taxable years beginning on or after July 1, 2011. However, applications filed beyond the listing period (January 1-January 31) would be accepted up to and through September 1, 2011, so that an owner may benefit from the property tax relief during the July 1, 2011 tax year.

Referred to:

February 10, 2011

A BILL TO BE ENTITLED

AN ACT TO INCREASE THE EFFICIENCY OF PROPERTY TAX APPEALS IN MECKLENBURG COUNTY.

The General Assembly of North Carolina enacts:

SECTION 1. Chapter 509 of the 1981 Session Laws is repealed.

SECTION 2. Section 3 of this act applies only to Mecklenburg County.

SECTION 3. G.S. 105-322 reads as rewritten:

"§ 105-322. County board of equalization and review.

(a) Personnel. - Except as otherwise provided herein, the board of equalization and review of each county shall be composed of the members of the board of county commissioners.

Upon the adoption of a resolution so providing, the ~~board of commissioners~~ Mecklenburg County Board of Commissioners is authorized to appoint a special board of equalization and review to carry out the duties imposed under this section. The resolution shall provide for the membership, qualifications, terms of office and the filling of vacancies on the board. The membership of the special board provided for in the resolution must be at least five members. The resolution may authorize the special board to establish rules and procedures, including a separation into panels of three or more for deliberations. The board of commissioners shall also designate the clerk and chairman of the special board. The resolution may authorize the assessor to appoint deputy clerks, as needed. The resolution may also authorize a taxpayer to appeal a decision of the special board with respect to the listing or appraisal of his property or the property of others to the board of county commissioners. The resolution shall be adopted not later than the first Monday in March of the year for which it is to be effective and shall continue in effect until revised or rescinded. It shall be entered in the minutes of the meeting of the board of commissioners and a copy thereof shall be forwarded to the Department of Revenue within 15 days after its adoption.

~~Nothing in this subsection (a) shall be construed as repealing any law creating a special board of equalization and review or creating any board charged with the duties of a board of equalization and review in any county.~~

(b) Compensation. - The board of county commissioners shall fix the compensation and allowances to be paid members of the board of equalization and review for their services and expenses.

(c) Oath. - Each member of the board of equalization and review shall take the oath required by Article VI, § 7 of the North Carolina Constitution with the following phrase added to it: "that I will not allow my actions as a member of the board of equalization and review to be influenced by personal or political friendships or obligations,". The oath must be filed with the clerk of the board of county commissioners.

1 (d) Clerk and Minutes. – ~~The assessor shall serve as clerk, clerk, or deputy clerk, to the~~
2 board of equalization and ~~review, review~~ shall be present at all meetings, shall maintain
3 accurate minutes of the actions of the board, and shall give to the board such information as he
4 may have or can obtain with respect to the listing and valuation of taxable property in the
5 county.

6 (e) Time of Meeting. – Each year the board of equalization and review shall hold its
7 first meeting not earlier than the first Monday in April and not later than the first Monday in
8 May. In years in which a county does not conduct a real property revaluation, the board shall
9 complete its duties on or before the third Monday following its first meeting unless, in its
10 opinion, a longer period of time is necessary or expedient to a proper execution of its
11 responsibilities. Except as provided in subdivision (g)(5) of this section, the board may not sit
12 later than July 1 except to hear and determine requests made under the provisions of
13 subdivision (g)(2), below, when such requests are made within the time prescribed by law. ~~In~~
14 ~~the year in which a county conducts a real property revaluation, the board shall complete its~~
15 ~~duties on or before December 1, except that it may sit after that date to hear and determine~~
16 ~~requests made under the provisions of subdivision (g)(2), below, when such requests are made~~
17 ~~within the time prescribed by law. The resolution adopted under subsection (a) of this section~~
18 may authorize the special board to sit beyond the end of the current calendar year until the first
19 meeting of the special board in the next calendar year to hear and determine requests made
20 under the provisions of G.S. 105-322(g)(2) for appeals filed in the current calendar year. From
21 the time of its first meeting until its adjournment, the board shall meet at such times as it deems
22 reasonably necessary to perform its statutory duties and to receive requests and hear the appeals
23 of taxpayers under the provisions of subdivision (g)(2), below.

24 (f) Notice of Meetings and Adjournment. – A notice of the date, hours, place, and
25 purpose of the first meeting of the board of equalization and review shall be published at least
26 three times in some newspaper having general circulation in the county, the first publication to
27 be at least 10 days prior to the first meeting. The notice shall also state the dates and hours on
28 which the board ~~will meet following its first meeting and the date on which it expects to~~
29 adjourn; it shall also carry a statement that in the event of earlier or later adjournment, notice to
30 that effect will be published in the same newspaper. Should a notice be required on account of
31 earlier adjournment, it shall be published at least once in the newspaper in which the first notice
32 was published, such publication to be at least five days prior to the date fixed for adjournment.
33 Should a notice be required on account of later adjournment, it shall be published at least once
34 in the newspaper in which the first notice was published, such publication to be prior to the date
35 first announced for adjournment.

36 (g) Powers and Duties. – The board of equalization and review has the following
37 powers and duties:

- 38 (1) Duty to Review Tax Lists. – The board shall examine and review the tax
39 lists of the county for the current year to the end that all taxable property
40 shall be listed on the abstracts and tax records of the county and appraised
41 according to the standard required by G.S. 105-283, and the board shall
42 correct the abstracts and tax records to conform to the provisions of this
43 Subchapter. In carrying out its responsibilities under this subdivision (g)(1),
44 the board, on its own motion or on sufficient cause shown by any person,
45 shall:
- 46 a. List, appraise, and assess any taxable real or personal property that
47 has been omitted from the tax lists.
 - 48 b. Correct all errors in the names of persons and in the description of
49 properties subject to taxation.
 - 50 c. Increase or reduce the appraised value of any property that, in the
51 board's opinion, has been listed and appraised at a figure that is

- 1 below or above the appraisal required by G.S. 105-283; however, the
2 board shall not change the appraised value of any real property from
3 that at which it was appraised for the preceding year except in
4 accordance with the terms of G.S. 105-286 and 105-287.
- 5 d. Cause to be done whatever else is necessary to make the lists and tax
6 records comply with the provisions of this Subchapter.
- 7 e. Embody actions taken under the provisions of subdivisions (g)(1)a
8 through (g)(1)d, above, in appropriate orders and have the orders
9 entered in the minutes of the board.
- 10 f. Give written notice to the taxpayer at the taxpayer's last known
11 address in the event the board, by appropriate order, increases the
12 appraisal of any property or lists for taxation any property omitted
13 from the tax lists under the provisions of this subdivision (g)(1).
- 14 (2) Duty to Hear Taxpayer Appeals. – On request, the board of equalization and
15 review shall hear any taxpayer who owns or controls property taxable in the
16 county with respect to the listing or appraisal of the taxpayer's property or
17 the property of others.
- 18 a. A request for a hearing under this subdivision (g)(2) shall be made in
19 writing to or by personal appearance before the board prior to its
20 adjournment. However, if the taxpayer requests review of a decision
21 made by the board under the provisions of subdivision (g)(1), above,
22 notice of which was mailed fewer than 15 days prior to the board's
23 adjournment, the request for a hearing thereon may be made within
24 15 days after the notice of the board's decision was mailed.
- 25 b. Taxpayers may file separate or joint requests for hearings under the
26 provisions of this subdivision (g)(2) at their election.
- 27 c. At a hearing under provisions of this subdivision (g)(2), the board, in
28 addition to the powers it may exercise under the provisions of
29 subdivision (g)(3), below, shall hear any evidence offered by the
30 appellant, the assessor, and other county officials that is pertinent to
31 the decision of the appeal. Upon the request of an appellant, the
32 board shall subpoena witnesses or documents if there is a reasonable
33 basis for believing that the witnesses have or the documents contain
34 information pertinent to the decision of the appeal.
- 35 d. On the basis of its decision after any hearing conducted under this
36 subdivision (g)(2), the board shall adopt and have entered in its
37 minutes an order reducing, increasing, or confirming the appraisal
38 appealed or listing or removing from the tax lists the property whose
39 omission or listing has been appealed. The board shall notify the
40 appellant by mail as to the action taken on the taxpayer's appeal not
41 later than 30 days after the board's adjournment.
- 42 (3) Powers in Carrying Out Duties. – In the performance of its duties under
43 subdivisions (g)(1) and (g)(2), above, the board of equalization and review
44 may exercise the following powers:
- 45 a. It may appoint committees composed of its own members or other
46 persons to assist it in making investigations necessary to its work. It
47 may also employ expert appraisers in its discretion. The expense of
48 the employment of committees or appraisers shall be borne by the
49 county. The board may, in its discretion, require the taxpayer to
50 reimburse the county for the cost of any appraisal by experts
51 demanded by the taxpayer if the appraisal does not result in material

1 reduction of the valuation of the property appraised and if the
2 appraisal is not subsequently reduced materially by the board or by
3 the Department of Revenue.

- 4 b. The board, in its discretion, may examine any witnesses and
5 documents. It may place any witnesses under oath administered by
6 any member of the board. It may subpoena witnesses or documents
7 on its own motion, and it must do so when a request is made under
8 the provisions of subdivision (g)(2)c, above.

9 A subpoena issued by the board shall be signed by the chair of
10 the board, directed to the witness or to the person having custody of
11 the document, and served by an officer authorized to serve
12 subpoenas. Any person who willfully fails to appear or to produce
13 documents in response to a subpoena or to testify when appearing in
14 response to a subpoena shall be guilty of a Class 1 misdemeanor.

- 15 (4) Power to Submit Reports. – Upon the completion of its other duties, the
16 board may submit to the Department of Revenue a report outlining the
17 quality of the reappraisal, any problems it encountered in the reappraisal
18 process, the number of appeals submitted to the board and to the Property
19 Tax Commission, the success rate of the appeals submitted, and the name of
20 the firm that conducted the reappraisal. A copy of the report should be sent
21 by the board to the firm that conducted the reappraisal.

- 22 (5) ~~Duty to Change Abstracts and Records After Adjournment.~~ – Following
23 adjournment upon completion of its duties under subdivisions (g)(1) and
24 (g)(2) of this subsection, the board may continue to meet to carry out the
25 following duties:

- 26 a. To hear and decide all appeals relating to discovered property under
27 G.S. 105-312(d) and (k).
28 b. To hear and decide all appeals relating to the appraisal, situs, and
29 taxability of classified motor vehicles under G.S. 105-330.2(b).
30 c. To hear and decide all appeals relating to audits conducted under
31 G.S. 105-296(j) and relating to audits conducted under
32 G.S. 105-296(j) and (l) of property classified at present-use value and
33 property exempted or excluded from taxation.
34 d. To hear and decide all appeals relating to personal property under
35 G.S. 105-317.1(c).
36 e. To appraise and reappraise property under G.S. 105-325(a)(6)."

37 **SECTION 4.** Section 1 of this act becomes effective only upon the adoption of a
38 resolution by the Mecklenburg Board of County Commissioners under Section 3 of this act.
39 The remainder of this act becomes effective January 1, 2011.

SENATE BILL 55: Increase Property Tax Appeals Efficiency

2011-2012 General Assembly

Committee:	House Finance	Date:	February 23, 2011
Introduced by:	Sens. Clodfelter, Dannelly	Prepared by:	Heather Fennell
Analysis of:	Second Edition		Committee Counsel

SUMMARY: *Senate Bill 55 would amend the property tax appeals process in Mecklenburg County.*

[As introduced, this bill was identical to H43, as introduced by Reps. Carney, Samuelson, R. Moore, which is currently in House Finance.]

CURRENT LAW: Unless local legislation is enacted, a statutory process is provided for the appeal of property tax valuation.

Statutory Process: G.S. 105-322 provides the county commissioners review and decide property tax appeals, unless the commissioners adopt a resolution to appoint a county board of equalization. The board must hold its first meeting no earlier than the first Monday in April, and no later than the first Monday in May. The board may only meet past July 1 of each year to consider appeals filed before the statutory deadline of July 1. The Property Tax Commission hears appeals from the board.

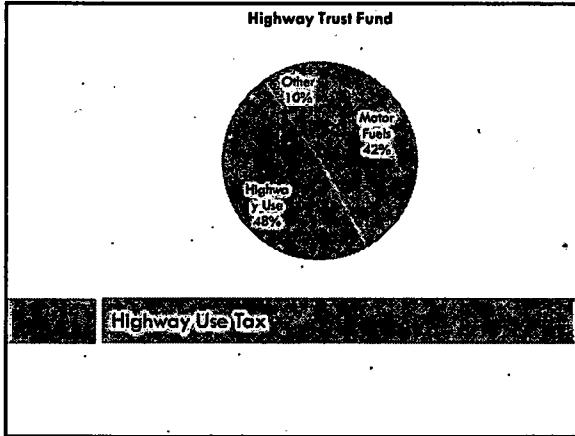

Mecklenburg Local Legislation: Chapter 509 of the 1981 Session Laws provides the property tax appeals process for Mecklenburg County. The Mecklenburg Board of County Commissioners is authorized to appoint a special board of equalization of 5-9 members. The local legislation provides the powers and procedures for the special board including duties of the board, time of meetings, and notice of meetings. For years in which the County has conducted a revaluation of real property, the Chairman of the special board may divide the board into 3 panels of at least 3 members.

BILL ANALYSIS: The proposed committee substitute to Senate Bill 55 would provide a new property tax appeals process for Mecklenburg County. The new process differs from the statutory process in the following ways:

- The special board of equalization and review must consist of at least 5 members.
- The resolution adopted by the County Commissioners may authorize the special board to adopt rules and procedures, including separation into three or more panels for deliberations.
- The special board is authorized to meet beyond the calendar year in which it was appointed to reconsider appraisals for which new facts relating to the value of the property have been discovered. Under the statutory process, these reconsiderations are heard by the Board of County Commissioners as the special board has usually adjourned by the end of the calendar year.
- Publications of notice for meetings for the board must follow the statutory process, except publication is not required for meetings after the initial meeting.

EFFECTIVE DATE: The repeal of the prior local act is effective when the Mecklenburg County Commissioners adopt a resolution under this act. This remainder of this act is effective January 1, 2011.

S55-SMTD-6(e2) v2

- Highway Use Tax-History**
- 41 states impose tax on the sales of motor vehicles
 - 1989
 - Highway Trust Fund created
 - Highway Use Tax enacted (3% with \$1,000 cap)
 - Replaced sales tax on motor vehicles (2% with \$300 cap)
 - Sunset when the projects of the Trust Fund completed
 - 1993: Cap increased from \$1,000 to \$1,500
 - 2001: Cap repealed
 - 2007: Sunset repealed

- Highway Use Tax-Rates and Comparison**
- Rates:
 - Non-Commercial Vehicles 3% with no cap
 - Commercial Vehicles 3% with \$1,000 cap
 - Recreational Vehicles 3% with \$1,500 cap
 - Base
 - Retail price = net purchase price after trade
 - Market value for casual sales = schedule set by Commissioner
 - Comparison to Surrounding States
 - Georgia 4%
 - South Carolina 5%
 - Tennessee 7%
 - Virginia 3%

Highway Use Tax-Exemptions

- Exemptions where new title issued but ownership has not changed
 - Change in owner's name
 - Transfer of salvaged vehicle to insurer
 - Divorce
 - Transfer by State of handicapped-equipped vehicles
- Sale to dealer for resale
- Gifts between spouses and parent/child
- Transfer at death of owner
- Transfer for driver's education
- Volunteer fire departments and rescue squads

Highway Use Tax-Companion Tax

- Rates:
 - Long-term Lease (1 year) 3%
 - Short-term Lease 8% (General Fund)
- Base:
 - Gross receipts from lease or rental

Property Tax
Constitutional authority

- N.C. Constitution gives General Assembly sole power to classify property for taxation
- Power must be exercised on State-wide basis
- Every class of property must be taxed by uniform rule, and every classification must be by general law uniformly applicable in every unit of local government

Property Tax
Constitutional Authority

- Exemptions: property belonging to the State, counties, and municipal corporations
- Authorizes General Assembly to exempt cemeteries and property held for educational, scientific, literary, cultural, charitable, or religious purposes; personal property to a value not exceeding \$300; and \$1,000 in property held and used as owner's residence
- Only General Assembly may grant exemptions and these exemptions must be on State-wide basis

Generalities

- Tax imposed on all real and tangible personal property unless specifically exempted
- Appraised at true value (market value or price at which the property would exchange hands between a willing and financially able buyer and willing seller, neither being under any compulsion to buy or to sell and both having reasonable knowledge of all the uses to which the property is adapted and for which it is capable of being used)

Generalities

- Property appraised and assessed by county tax assessor
- Property must be listed during listing period: month of January
- Real property taxes due and payable on September 1 and are delinquent if not paid before January 6

Generalities
Appraisal of real property

- Must be appraised at least once every 8 years, unless county is required to advance or chooses to advance reappraisal year
- 44 counties have adopted shorter reappraisal year
- County with a population of 75,000 or greater must advance its reappraisal if its sales assessment ratio fluctuates by more than 15%

Generalities
Appraisal of real property

- School of Government Bulletins:
 - "A Citizens' Guide to the Revaluation and Assessment of Property by North Carolina Counties" by Shea Riggsbee Denning, Property Tax Bulletin #144, March 2008
 - "The Revaluation Revolt of 2009" by Christopher B. McLaughlin, Local Government Law Bulletin #121, September 2009

Generalities

Appeal

- Taxpayers appeal to the county board of equalization and review (composed of members of board of county commissioners)
- Property Tax Commission hears appeals from county board of E & R (Commission composed of five members, three appointed by Governor and two appointed by General Assembly)
- North Carolina Court of Appeals hears appeals from the Property Tax Commission

Exemptions and Exclusions

- Must be authorized by Constitution and laws of State
- G.S. 105-275 lists 45 classes of property that are designated special classes of property under the Constitution and excluded from tax
- G.S. 105-278.1 - property owned by units of government
- G.S. 105-278.2 - burial property
- G.S. 105-278.3 - property used for religious purposes
- G.S. 105-278.4 - property used for educational purposes
- G.S. 105-278.5 - property of religious educational assemblies used for religious and educational purposes
- G.S. 105-278.6 - property used for charitable purposes
- G.S. 105-278.6A - qualified retirement facility
- G.S. 105-278.7 - property used for educational, scientific, literary, or charitable purposes
- G.S. 105-278.8 - property used for charitable hospital purposes

Property Tax Relief Programs

Exclusions and Deferrals

- Elderly or disabled property tax homestead exclusion
- Disabled veteran property tax homestead exclusion
- Property tax deferral programs:
 1. Property tax homestead circuit breaker (G.S. 105-277.18)
 2. Present-use value property (G.S. 105-277.3)
 3. Working waterfront property (G.S. 105-277.14)
 4. Wildlife conservation land (G.S. 105-277.15)
 5. Historic district property held as future site of historic structure (G.S. 105-275(29e))
 6. Historic property (G.S. 105-278)
 7. Inventory property tax deferral (G.S. 105-277.1D)
 8. Nonprofit property held as future site of low or moderate income housing (G.S. 105-278.6(e))

Elderly or disabled property tax homestead exclusion

- Excludes from property tax the greater of \$25,000 or 50% of appraised value of permanent residence of qualifying owner
- Qualifying owner must be at least 65 or totally and permanently disabled, and have an income for the previous year that does not exceed an income eligibility limit

Elderly or disabled property tax homestead exclusion

- For 2008, the income eligibility limit was \$25,000. In subsequent years, the limit has been indexed by cost-of-living adjustment. Income eligibility limit for 2011 is \$27,100
- Income is defined as all moneys received from every source other than gifts or inheritances received from a spouse, lineal ancestor, or lineal descendant

Disabled veteran property tax homestead exclusion

- Excludes first \$45,000 of appraised value of the permanent residence of disabled veteran or surviving spouse of disabled veteran if spouse has not remarried
- Disabled veteran's character of service must be honorable or under honorable conditions, and disabled veteran must either (1) have received federal benefits for specially adapted housing or (2) received certification from federal agency that the veteran has a service-connected, permanent, and total disability

**Property Tax Deferral
Generalities**

- Common traits of eight deferral programs
 - Owner must qualify for program
 - Deferred taxes are lien on property and become due and payable when disqualifying event occurs
 - Only deferred taxes for deferral period plus the taxes in the year that property is disqualified become due
 - Deferred taxes are difference in taxes that would be due without the deferral minus the taxes that are paid under the deferral program

**Property Tax Deferral
Homestead Circuit Breaker**

- Effective 2009, owner may defer portion of property tax on permanent residence if:
 - Owner is at least 65 OR totally and permanently disabled
 - Owner has owned home as permanent residence for five years
 - Owner's income does not exceed 150% of the income eligibility limit for the elderly and disabled homestead exclusion

**Property Tax Deferral
Homestead Circuit Breaker**

Tax limitation (2011)

Income= \$0 to \$27,100	Property Taxes limited to 4% of income
Income= \$27,101 to \$40,650	Property Taxes limited to 5% of income
Income= Over \$40,650	Does not qualify

**Property Tax Deferral
Homestead Circuit Breaker**

- Deferred taxes for last three years are due if:
 - Owner dies
 - Property is transferred
 - Property no longer used as owner's permanent residence

**Property Tax Deferral
Present-Use Value (PUV)**

- Since 1973, PUV program has allowed certain farmland to be assessed at PUV as opposed to market value
- PUV: value of land in its current use as farmland based solely on its ability to produce income and assuming an average level of management
- Applies to agricultural land, horticultural land, and forestland
- Purpose of program: to preserve the family farm

**Property Tax Deferral
Present-Use Value**

- Classifications
 - Agricultural land: actively engaged in commercial production or growing of crops, plants, or animals
 - Horticultural land: actively engaged in commercial production of growing of fruits, vegetables, nursery products, or flowers
 - Forestland: actively engaged in the commercial growing of trees

**Property Tax Deferral
Present-Use Value**

- Farmland ownership requirement:
 - individual, tenants in common, trusts, or business entity
 - If owned by individual, must be owner's home or owned by owner or relative for four years
 - If owned by business entity, must be owned by business entity or one or more of members of business entity for four years

**Property Tax Deferral
Present-use Value**

- Farmland size requirement:
 - Agricultural: at least 10 acres in actual production
 - Horticultural: at least 5 acres in actual production
 - Forestland: at least 10 acres in actual production

**Property Tax Deferral
Present-Use Value**

- Farmland income requirement:
 - Agricultural and horticultural: must have at least one tract that produced at least \$1,000 average gross income per year for the three years preceding the application for PUV
 - Forestland: no income requirement (not feasible since forestland generally produces income when timber is harvested)

**Property Tax Deferral
Present-Use Value**

- Farmland sound management requirement:
 - Land must be used for production of agricultural, horticultural, or forestry products in manner that maximizes the return from the land
 - Forestland must have written sound management plan
 - Agricultural or horticultural land must demonstrate one of the following: compliance with agency-administered and approved plan, compliance with set of best management practices for commercial production, compliance with income test, evidence of net income from farm operation, evidence that farming is principal source of income, certification by agency in county that land is operated under sound management plan

**Property Tax Deferral
Working Waterfront Property**

- Effective July 1, 2009, the following property is appraised and taxed at PUV if it has produced an average gross income of at least \$1,000 for the most recent three-year period:
 - Pier that extends into coastal fishing waters and requires access fee
 - Real property adjacent to coastal fishing waters and primarily used for commercial fishing operation or fish processing

**Property Tax Deferral
Wildlife Conservation Land**

- Effective July 1, 2010, following land is appraised and assessed as if it were agricultural land under the PUV program if it meets all of the following size, ownership, and use requirements:
 - Consists of at least 20 contiguous acres, but no more than 100 acres of an owner's land in the county may qualify
 - Owned by individual, family business entity, or family trust for the previous five years
 - Land managed under written wildlife habitat conservation agreement with NC Wildlife Resources Commission
 - Land was classified as farmland under PUV program when the conservation agreement was signed

**Property Tax Deferral
Historic Property**

- Real property designated as historic property or as historic landmark by local ordinance is taxed at 50% of market value
- Deferred taxes for the preceding three years become due when there is a change in the ordinance or a change in the property other than by fire or other natural disaster

**Property Tax Deferral
Historic District Property**

- The following historic district property is excluded from property tax:
 - must be held by nonprofit corporation organized for historic preservation and held for future site for historic structure
- Land may be excluded for five years
- Deferred taxes become due if historic structure not moved to property within five years

Property Tax Deferral - Nonprofit property held for future low or moderate income housing

- Real property held by nonprofit organization as future site for housing for individuals or families with low or moderate income is exempt from property taxes for five years
- Deferred taxes due if property not used for this purpose within five years

**Property Tax Deferral
Inventory Property**

- Effective July 1, 2010, an occupant-ready residence constructed on parcel of real property and owned by a general contractor for resale qualifies for a property tax deferral
- Amount deferred for the real property is the portion of tax that represents the increase in property value resulting from construction of residence on the property
- Deferred taxes become due when one of following occurs:
 - Builder transfers residence
 - Residence is occupied
 - Five years have passed from time property was first subject to listing for tax benefit
 - Three years have passed from date property first received the benefit

**Property Tax
Motor Vehicles**

- Local governments collect property tax on motor vehicles registered in State
- DMV sends monthly data to each county identifying vehicles that have been issued or renewed registrations
- Most vehicles registered on staggered basis throughout calendar year
- County then sends tax bill to vehicle owner
- Tax due first day of fourth month following (1) last day of month in which new registration applied for, or (2) date former registration expires

**House Bill 1779 - Combined MV Registration
Renewal and Property Tax Collection System**

- HB 1779 ratified during 2005 Session
- Current registration renewal and tax notices will be combined into single notice
- Taxes collected at registration or renewal
- Value of vehicle based on schedule for all 100 counties
- Vehicle owner can pay taxes and registration fees at any DMV or tag office in the State

Deed Stamp Tax

- State imposes a tax on most recorded deeds
- Tax measured by price paid for property
- Rate is \$1 for each \$500 of sales price
- Tax collected by county: 1/2 to county for any public purpose, and remaining 1/2 to Department of Revenue (75% to Parks and Recreation Trust Fund and 25% to Natural Heritage Trust Fund)

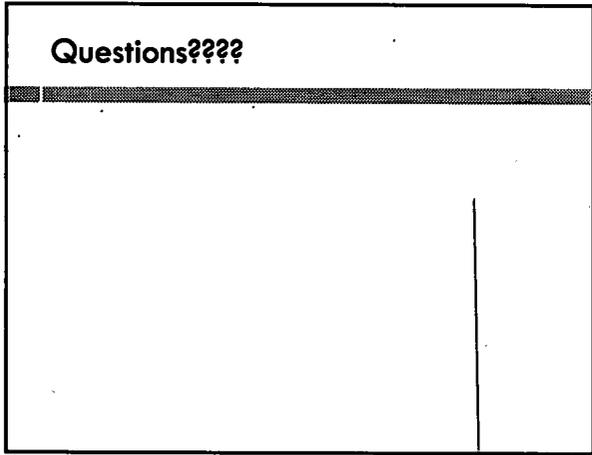

Deed Stamp Tax

- Following transfers are exempt:
 - By operation of law
 - By lease for a term of years
 - By will
 - By intestacy
 - By gift
 - No consideration paid
 - By merger, conversion, or consolidation
 - By instrument securing indebtedness

Local land transfer tax

- In 2007, counties authorized to levy either a land transfer tax (up to 0.4%) or local sales tax (.25%)
- Proceeds may be used for any lawful purpose
- 23 referendums have been held and all were unsuccessful
- Seven counties given authority to impose tax by local legislation: Dare, Currituck, Chowan, Camden, Pasquotank, Perquimans, and Washington (never enacted in Washington)

Questions???

OVERVIEW OF OTHER LOCAL REVENUE SOURCES

House and Senate Finance,
Heather Fennell, Research Division

General Rate and Local Rates

- The general **State rate** of tax is 5.75%. The temporary 1% increase enacted last year is scheduled to expire July 1, 2011.
- Items that are subject to State sales tax are also subject to the local sales and use tax. The **local rate** of tax varies:

2% (82)	2.25% (18)	2.5% (1)
All other 82 counties	Alexander Catawba Cumberland Duplin Halifax* Haywood Hertford Lee Martin	New Hanover Onslow Pitt Randolph Robeson Rowan Sampson Surry Wilkes
		Mecklenburg

Current Local Sales Taxes

1 st 1 cent Art. 39		Any lawful purpose	Point of collection
1 st ½ cent Art. 40		Counties - 30% school capital	Per capita
2 nd ½ cent Art. 41		Counties - 60% school capital	Per capita Point of collection
Third ½ cent Art.		Any lawful	½ Point of collection
		Repealed	
¼ cent Art. 46		Any lawful purpose	Point of collection – <i>distributed to County only.</i>

Local Privilege License Taxes

- **Counties (G.S. 153A-152)**
 - **No general taxing power.**
 - **Repealed Schedule B lists taxable activities.**
- **Cities (G.S. 160A-211)**
 - **General taxing power.**
 - **Repealed Scheduled B provides limits on activities cities may tax.**
- **Sometimes gross receipts, sometimes flat amount.**

Local Occupancy Taxes

- Levied on operators of transient accommodations.
- The first occupancy tax legislation in North Carolina was enacted in 1983.
- In addition to the sales tax.
- Generally speaking, proceeds are used for tourism purposes.
- 79 counties; 91 municipalities.

Occupancy Tax - Guidelines

- Rate – Not to exceed 6%, including city and county combined.
- Use – 2/3 to promote travel and tourism, remainder for tourism-related expenditures.
- Administration – local tourism promotion agency.
- Cost of Collection – Not to exceed 3% of first \$500,000, 1% of remainder.

Local Meals Tax

- A 1% tax on the sales price of prepared food and beverage sold at retail within corporate limits.
- Proceeds typically dedicated for constructing and/or improving/maintaining convention/civic centers.
- ³~~4~~ counties: Cumberland, Dare, Mecklenburg, Wake ~~Durham~~.
- 3 cities: Charlotte, Hillsborough, Monroe

Other taxes

- Motor vehicle and heavy equipment rental gross receipts. - In lieu of property tax, up to 1.5% of gross receipts of rentals.
- Animal taxes. – Pets, usually dogs and cats.
- Vehicle taxes. – *Cities only.** \$5 for any purpose, additional \$5 for public transportation.*

State and Local Shared Revenue

- Beer and wine excise tax.
- Scrap tire disposal tax.
- White goods disposal tax.
- Electric franchise tax.
- Piped natural gas excise tax.
- Telecommunications tax.
- Video programming tax.

GUIDELINES FOR OCCUPANCY TAX LEGISLATION

Since 1983, the General Assembly has authorized many units of local government to levy a room occupancy tax. In several instances, the General Assembly has authorized both a county and a city within that county to impose an occupancy tax. The rate of tax, the use of the tax proceeds, the administration of the tax, and the body with the authority to determine how the tax proceeds will be spent vary considerably.

Over the past several years, there has been a greater effort to make the occupancy taxes uniform. In 1997, the General Assembly enacted uniform municipal and county administrative provisions for occupancy tax legislation – G.S. 153A-155 and G.S. 160A-215. These provisions provide uniformity in the areas of levy, administration, collection, repeal, and penalties.

The North Carolina Travel and Tourism Coalition (NCTTC) has a policy statement for legislation authorizing local occupancy taxes. Many of the principles contained in its statement are similar to the ones established by the House Finance Committee in 1993. Subsequently, the House Finance Committee established the Occupancy Tax Subcommittee, which regularly reviews occupancy tax legislation and looks for the inclusion of the following uniform provisions in the bills it considers:

- ◆ **Rate** – The county tax rate cannot exceed 6% and the city tax rate, when combined with the county rate, cannot exceed 6%.
- ◆ **Use** – At least two-thirds of the proceeds must be used to promote travel and tourism and the remainder must be used for tourism-related expenditures, which may include beach nourishment.
- ◆ **Definitions** The terms "net proceeds", "promote travel and tourism", "tourism-related expenditures", and "beach nourishment" are defined terms:
 - **Net proceeds** – Gross proceeds less the costs to the city/county of administering and collecting the tax, as determined by the finance officer, not to exceed 3% of the first \$500,000 of gross proceeds collected each year and 1% of the remaining gross receipts collected each year.
 - **Promote travel and tourism** – To advertise or market an area or activity, publish and distribute pamphlets and other materials, conduct market research, or engage in similar promotional activities that attract tourists or business travelers to the area; the term includes administrative expenses incurred in engaging in these activities.
 - **Tourism-related expenditures** – Expenditures that, in the judgment of the Tourism Development Authority, are designed to increase the use of lodging facilities, meeting facilities, and convention facilities in a city/county by attracting tourists or business travelers to the city/county. The term includes tourism-related capital expenditures.
 - **Beach Nourishment**¹ – The placement of sand, from other sand sources, on a beach or dune by mechanical means and other associated activities that are in conformity with the North Carolina Coastal Management Program along the

¹During the 2001 Regular Session, the Occupancy Tax Subcommittee of the House Finance Committee considered several bills authorizing the use occupancy tax proceeds for beach nourishment. Although "beach nourishment" was not among the uses contained in the uniform guidelines, the subcommittee nevertheless concluded that beach nourishment was an acceptable expansion of the occupancy tax use provisions. In doing so, the subcommittee drafted this uniform definition of beach nourishment for use in occupancy tax legislation.

North Carolina shorelines and connecting inlets for the purpose of widening the beach to benefit public recreational use and mitigating damage and erosion from storms to inland property. The term includes expenditures for the following:

- a. Costs directly associated with qualifying for projects either contracted through the U.S. Army Corps of Engineers or otherwise permitted by all appropriate federal and State agencies;
 - b. The nonfederal share of the cost required to construct these projects;
 - c. The costs associated with providing enhanced public beach access; and
 - d. The costs of associated nonhardening activities such as the planting of vegetation, the building of dunes, and the placement of sand fences.
- ◆ **Administration** – The net revenues must be administered by a local tourism promotion agency, typically referred to as a “Tourism Development Authority,” that has the authority to determine how the tax proceeds will be used, is created by a local ordinance, and at least ½ of the members must be currently active in the promotion of travel and tourism in the taxing district and 1/3 of the members must be affiliated with organizations that collect the tax.²
 - ◆ **Costs of Collection** – The taxing authority may retain from the revenues its actual costs of collection, not to exceed 3% of the first \$500,000 collected each year plus 1% of the remainder collected each year.
 - ◆ **Conformity with Other Local Occupancy Taxes** – In 2008, the NCTTC formally revised its policy position with regard to occupancy taxes to include a statement that if a city seeks to impose a new occupancy tax or increase its existing tax on lodging facilities in a county that also has an existing occupancy tax, the county occupancy tax must conform to the guidelines in order for the Coalition to support the proposed municipal tax. During the 2009 Regular Session, the House Finance Chairs³ considered the revised policy statement of the NCTTC but declined to amend the House Finance Committee's Guidelines for Occupancy Tax accordingly.

Research Division
NC General Assembly
Revised 2/14/11

² In March 2005, the House Finance chairs decided to change the percentage of members that must be currently active in the promotion of travel and tourism from ¾ to ½. The House Finance chairs in 2005-06 were: Representatives Alexander, Gibson, Howard, Luebke, McComas, and Wainwright.

³ During the 2009-2010 Session, the House Finance chairs were: Representatives Luebke, Wainwright, Weiss, and Gibson.

North Carolina General Assembly
House Committee on Finance

Minutes

February 24, 2011

The House Committee on Finance met on Thursday, February 24, 2011 at 8:30 am in Room 544 of the Legislative Office Building. The following members were present: Chairpersons Howard, Starnes, Setzer and Folwell; Vice-Chairs McComas and Wainwright; and Representatives Alexander, Brandon, Brawley, Carney, Collins, Cotham, Faison, Gibson, Hackney, Hall, Hill, Jordan, Luebke, McCormick, McGee, Moffitt, Moore, Rhyne, Ross, Samuelson, Stam, Stone, Warren, Weiss and Womble. Also present were Sergeant-at-Arms John Brandon, Earl Coker, Billy Jones and Ken Kirby. Staff persons present included Cindy Avrette, Rodney Bizzell, Barry Boardman, Dan Ettefagh, Heather Fennell, Trina Griffin, Sandra Johnson, Greg Roney, Brian Silvka, Jonathan Tart, and Martha Walston. The Agenda and Visitor Registration Sheets are attached and incorporated into these minutes as **attachments 1 and 2**.

Chairperson Starnes called the meeting to order at 8:30 am and recognized the two (2) pages present: (1) Sydney Elmore of Wake County sponsored by Representative Stam; and (2) Sam Shumate of Cumberland County sponsored by Representative Parfitt.

The first bill considered by the Committee was **HB 5 – Kinston Annexation Repealed** (see **attachment 3**). The Chair recognized Representative LaRoque to explain the bill. Representative LaRoque provided a handout (see **attachment 4**). Following the explanation, Chairperson Starnes asked if anyone from the public would like to speak against the bill. There was no one present to do so. Chairperson Starnes then invited anyone from the public who would like to speak against the bill. Chairperson Starnes recognized Stewart Smith of Lenoir County. Chairperson Starnes recognized Representative McCormick who moved that HB 5 be given a favorable report. The motion was held for discussion on the bill. The Chair then recognized Representative McCormick who re-stated his motion; the motion carried. The Chair then recognized Representative Wainwright who requested a roll call vote (see **attachment 5**). The vote was 19 for and 11 against.

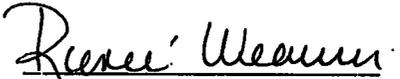

The next bill considered by the Committee was **HB 37 - Lexington Annexations Repealed** (see **attachment 6**). The Chair recognized Representative R. Brown to explain the bill. The Chair invited anyone from the public to speak for the bill. The Chair recognized John Frank of Lexington. Chairperson Starnes then invited anyone from the public to speak against the bill. The Chair recognized John Walser and John Gray representing the City of Lexington. They spoke against the bill. Following the discussion, Representative McCormick moved that HB 37 be given a favorable report; the motion carried.

The last bill considered by the Committee was **HB 124 - IRC Update** (see **attachment 7**). The Chair recognized Representative Stam who moved to introduce a proposed committee substitute (see **attachment 8**). The motion carried and Representative Howard explained the proposed committee substitute. The Chair then recognized Representative Faison who moved to have a roll call vote (see **attachment 9**). The vote was 21 for and 2 against. Representative McGee moved to a favorable report as to the committee substitute bill, unfavorable as to the original bill; the motion carried.

There being no further business presently before the Committee, Chairperson Starnes adjourned the meeting at 9:52 am.

Respectfully submitted,

Representative Edgar Starnes
Presiding Chair

Renee Weaver
Clerk, House Committee on
Finance

**2011 COMMITTEE REPORT
HOUSE OF REPRESENTATIVES**

The following report(s) from standing committee(s) is/are presented:

By Representative Howard, Starnes, Setzer, Folwell (Chairs) for the Committee on FINANCE.

Committee Substitute for

HB 5 A BILL TO BE ENTITLED AN ACT TO EXERCISE THE POWER OF THE GENERAL ASSEMBLY UNDER SECTION 1 OF ARTICLE VII OF THE NORTH CAROLINA CONSTITUTION TO FIX THE BOUNDARIES OF CITIES AND GIVE SUCH POWERS TO CITIES AS IT DEEMS ADVISABLE, BY WITHDRAWING THE DELEGATION OF AUTHORITY TO THE CITY OF KINSTON TO MAKE A CERTAIN ANNEXATION.

With a favorable report.

(FOR JOURNAL USE ONLY)

_____ Pursuant to Rule 32(a), the bill/resolution is re-referred to the Committee on _____.

_____ Pursuant to Rule 36(b), the bill/resolution is placed on the Calendar of _____.

**2011 COMMITTEE REPORT
HOUSE OF REPRESENTATIVES**

The following report(s) from standing committee(s) is/are presented:

Referred to:

January 27, 2011

A BILL TO BE ENTITLED

AN ACT TO EXERCISE THE POWER OF THE GENERAL ASSEMBLY UNDER SECTION 1 OF ARTICLE VII OF THE NORTH CAROLINA CONSTITUTION TO FIX THE BOUNDARIES OF CITIES AND GIVE SUCH POWERS TO CITIES AS IT DEEMS ADVISABLE, BY WITHDRAWING THE DELEGATION OF AUTHORITY TO THE CITY OF KINSTON TO MAKE A CERTAIN ANNEXATION.

The General Assembly of North Carolina enacts:

SECTION 1. The ordinance adopted by the City Council of the City of Kinston on June 1, 2009, entitled "AN ORDINANCE TO EXTEND THE CORPORATE LIMITS OF THE CITY OF KINSTON UNDER THE AUTHORITY GRANTED BY PART 3, ARTICLE 4A, CHAPTER 160A OF THE GENERAL STATUTES OF NORTH CAROLINA," described therein as containing approximately 501.45 acres, is repealed.

SECTION 2. This act is effective from and after June 1, 2009.

HOUSE BILL 5: Kinston Annexation Repealed

2011-2012 General Assembly

Committee: House Finance	Date: February 24, 2011
Introduced by: Rep. LaRoque	Prepared by: Trina Griffin
Analysis of: Second Edition	Committee Counsel

SUMMARY: *House Bill 5 repeals an involuntary annexation ordinance adopted by the City of Kinston on June 1, 2009, affecting approximately 501.45 acres.*

CURRENT LAW: Under Section 1 of Article VII of the N.C. Constitution, the General Assembly is empowered to "provide for the organization and government and the fixing of boundaries of counties, cities and towns, and other governmental subdivisions, and, except as otherwise prohibited by this Constitution, may give such powers and duties to counties, cities and towns, and other governmental subdivisions as it may deem advisable." Pursuant to this Section, the General Assembly enacted Parts 2 and 3 of Article 4A of Chapter 160A of the General Statutes, which authorize municipalities to enact ordinances to involuntarily add territory to their municipal limits, if the area meets the statutory requirements. Generally speaking, a municipality may involuntarily annex property if:

1. It is adjacent or contiguous to the city.
2. 1/8 of the external boundary area coincides with the city boundary.
3. It is not part of another city.
4. It is developed for urban purposes.

BILL ANALYSIS: House Bill 5 repeals an involuntary annexation ordinance enacted by the City of Kinston on June 1, 2009 affecting approximately 501.45 acres.

EFFECTIVE DATE: Effective from and after June 1, 2009.

BACKGROUND: This annexation is currently the subject of litigation brought by property owners in the annexation area. The Lenoir County Superior Court upheld the annexation in April of 2010. The case is pending before the North Carolina Court of Appeals.

Giles Perry, counsel to House Government, substantially contributed to this summary.

H5-SMSV-3(e2) v2

City of Kinston

Office of the Mayor

February 8, 2011

To Whom It May Concern,

Last night the Kinston City Council voted unanimously to oppose House Bill 5 entitled "Kinston Annexation Repealed". The current City Council makes a compelling argument that "House Bill 5 restricts the ability of locally elected officials to make the best decisions, based on current law, for the area they represent." However, as Mayor of the City of Kinston I disagree that House Bill 5 is intended to usurp the power of locally elected officials, but rather the bill is a means to end of an undemocratic, but legal process used by the City of Kinston.

Although the current City Council is unanimous in its opposition to House Bill 5, the previous City Council, which approved the forced annexation, was not. Needless to say the intent of this letter is to inform you that our community does not unanimously support forced annexation as a tool for Kinston to grow.

According to the North Carolina Supreme Court, in a 2006 case called *Nolan v. Village of Marvin*, "The primary purpose of involuntary annexation, as regulated by these statutes, is to promote "sound urban development" through the organized extension of municipal services to fringe geographical areas. These services must provide a meaningful benefit to newly annexed property owners and residents, who are now municipal taxpayers, and must also be extended in a nondiscriminatory fashion."

The current annexation by the City of Kinston does not promote "sound urban development" because the proposed annexation areas are primarily homes that were built 50 years ago.

I do agree with our City Council that annexation reforms are needed. Forced annexation for too long has been used as a bullying tool for municipalities to gobble up parcels without the consent of the taxpayers of those parcels. The State of North Carolina needs a process that is fair to the municipalities and to the taxpayers targeted by those annexations.

Respectfully,

A handwritten signature in black ink, appearing to read "BJ Murphy", is written over a horizontal line.

BJ Murphy, Mayor
City of Kinston

THE FREE PRESS

OUR OPINION

End justifies means with annexation bill

REPUBLICAN MAJORITY in both chambers of the General Assembly have shifted Raleigh's priorities in a number of areas, but perhaps none so dramatically as the area of municipal annexation. In the session's first month, legislators have introduced five bills that would curb the ability of cities and towns to expand through involuntary annexation. Anyone remotely familiar with local issues would not be surprised to learn that two of the bills affect Kinston.

One does so directly — a local bill (HB 5) filed by Rep. Stephen LaRoque, R-Lenoir, within hours of the session's opening, to block the city of Kinston's long-running effort to annex several neighborhoods along U.S. 258, on the city's western fringe. Companion bills (HB 9 and SB 27) filed in both chambers — and backed by all five Republican legislators from our area — would impose a statewide moratorium on involuntary, or forced, annexation until July 1, 2012. It would also delay annexation approved by municipalities but not yet in place.

How that bill affects Kinston's ongoing annexation isn't exactly clear. The annexation is still pending, but had an informal effective date of Nov. 30, 2009. It's been tied up in court since then and the city is no closer to taking those 500 acres and 1,200 people inside its limits than it was nearly two years ago. Still, anything can happen in the Legislature and Kinston — along with numerous other municipalities that have approved but not yet completed an annexation — could be given special consideration in any moratorium bill that wins approval.

There's no such confu-

Legislation that seems unfair and authoritarian is the best way to rectify an act by the city that is itself unfair and authoritarian.

sion with LaRoque's local bill. If it passes the House, then the Senate, Kinston's annexation plan is dead. It would be up to the city to take up the fight in court, not a likely prospect given the expense and the message emanating from Raleigh that the days are numbered for North Carolina's liberal involuntary annexation rules.

Still, HB 5, like similar bills that would block ongoing annexations in Lexington and Rocky Mount, can create heartburn even for foes of forced annexation. It's a matter of authority. The state set the rules for annexation, the city followed them and now the state, through this legislation, seeks to void that action. It seems unfair and perhaps even authoritarian.

But in the end, it yields the right result. Involuntary annexation is an affront to anyone's idea of personal freedom and it should be stopped. The moratorium legislation has enormous merit and should be passed, but its murky relationship to Kinston's pending annexation makes it the less desirable option.

Beside, the people of Crestview, Hickory Hills and Briarwood Terrace should not have to wait for statewide legislation to rescue them from an act of the city that is itself unfair and authoritarian. The problem is local and HB 5 is the fix.

Letters to the editor

Kinston shouldn't grow using force

On Monday night the Kinston City Council voted unanimously to oppose House Bill 5 entitled "Kinston Annexation Repealed." The current City Council makes a compelling argument that "House Bill 5 restricts the ability of locally elected officials to make the best decisions, based on current law, for the area they represent." However, as mayor of the City of Kinston, I disagree that House Bill 5 is intended to usurp the power of locally elected officials, but rather the bill is a means to end an undemocratic, but legal process used by the City of Kinston.

Although the current City Council is unanimous in its opposition to House Bill 5, the previous City Council, which approved the forced annexation, was not. Needless to say, our community does not unanimously support forced annexation as a tool for Kinston to grow.

According to the North Carolina Supreme Court, in a 2006 case called Nolan v. Village of Marvin, "The primary purpose of involuntary annexation, as regulated by these statutes, is to promote 'sound urban development' through the organized extension of municipal services to fringe geographical areas. These services must provide a meaningful benefit to newly annexed property owners and residents, who are now municipal taxpayers, and must also be extended in a nondiscriminatory fashion."

The current annexation by the City of Kinston does not promote "sound urban development" because the proposed annexation areas are primarily homes that were built 50 years ago. I do agree with our City Council that annexation reforms are needed. Forced annexation for too long has been used as a bullying tool for municipalities to gobble up parcels without the consent of the taxpayers of those parcels. The state of North Carolina needs a process that is fair to the municipalities and to the taxpayers targeted by those annexations.

BJ Murphy, Mayor
City of Kinston

Another sign of discord

City Council makes mayor's signature superfluous on 3-2 vote

By DAVID ANDERSON

Staff Writer

Kinston City Council members at odds with Mayor B.J. Murphy over involuntary annexation and other issues can't make him irrelevant, but they have taken a step to marginalize him.

Tyson

As of Monday, Murphy's signature on any council-approved document is unnecessary.

In a motion that passed 3-2, Councilman Joe Tyson proposed having City Manager Scott Stevens sign any document the council has approved by "a majority, plurality or unanimous vote."

City Attorney Jim Cauley advised there is no policy requiring the mayor to sign all council resolutions and ordinances, except in certain cases, such as cemetery documents.

Mayor B.J. Murphy irked the council twice in recent months by declining to sign council-approved measures that he did not support.

Coming from a constructive dialogue, the mayor is not elected by the council members but by the people," Murphy said Tuesday. "My positions on forced annexation

and many others have been widely known for many years. It is unfortunate that expressing a particular point of view has turned into not just political but personal attacks."

Last April, he disagreed with a measure to borrow more than \$1 million to purchase 21 new police, utility and construction vehicles, because

it did not seem prudent to him to take on more debt when the city's budget was so spare. The city manager signed in Murphy's place.

He also ran afoul of the council earlier this month when he refused to sign a resolution against a proposed N.C. House bill that would repeal the city's annexation. The council signed

instead.

"I'm not being vindictive," Tyson said Tuesday. "I need to know from now on things will be signed and there will be no more arguments."

Council members had also objected to Murphy writing a letter explaining his position on annexation and sending it to The Free Press and to local legislators, but not informing them. Tyson said members

who traveled to Raleigh to testify against the annexation bill were "ambushed" by the letter.

"He totally has the right to disagree in principle but when the majority of the council makes a decision then I feel that he is obligated to sign

the document," Tyson said. "Then he send a letter to The Free Press or the House."

They told Murphy of their objections during a recent council planning retreat and — while they insisted the two issues were not related — voted to remove the mayor from the U.S. 70 Corridor Commission, to which they appointed him just days earlier.

"It was fair to let them know (about the letter)," Murphy said. "But that would have just been a courtesy, but it wouldn't have changed my position or the action I took."

Murphy wrote a post about his removal from the commission on his Facebook page during the planning

retreat, to which Tyson also objected.

"This is the third mayor that I have had the opportunity to work with," said Tyson, who has been on the council since the late 1990s. "The first two and I, and the council, disagreed on a great many things. But they did the noble thing and signed the document, but our (current) mayor, it's as if he has decided to protest what we do by not signing and texting to his Facebook."

Council members Will Barker and Bobby Merritt voted against Tyson's motion. Merritt said during the meeting that it appeared that the city already had contingencies in place in case the mayor did

not want to sign a document, making the motion unnecessary.

"My thought process was, maybe if the mayor didn't want to sign it we had something in process for the city manager to sign right then," he explained Tuesday.

"What is interesting here," Murphy observed, "is that it has been long talked about how very little power the mayor has. For somebody who has very little power I have apparently upset the apple cart for stating an opinion in a public arena."

David Anderson can be reached at 252-559-1077 or danderson@freedomenc.com.

AN ACT TO EXERCISE THE POWER OF THE GENERAL ASSEMBLY UNDER SECTION 1 OF ARTICLE VII OF THE NORTH CAROLINA CONSTITUTION TO FIX THE BOUNDARIES OF CITIES AND GIVE SUCH POWERS TO CITIES AS IT DEEMS ADVISABLE BY WITHDRAWING THE DELEGATION OF AUTHORITY TO THE CITY OF LEXINGTON TO MAKE CERTAIN ANNEXATIONS.

The General Assembly of North Carolina enacts:

SECTION 1. Ordinances No. 09-02 (Biesecker Road Area), 09-03 (East Center Street Area), and 09-04 (Old Salisbury Road Area) adopted by the City Council of the City of Lexington on July 21, 2008, each entitled "AN ORDINANCE TO EXTEND THE CORPORATE LIMITS OF THE CITY OF LEXINGTON, NORTH CAROLINA, UNDER THE AUTHORITY GRANTED BY CHAPTER 160A, ARTICLE 4A, PART 3 OF THE GENERAL STATUTES OF NORTH CAROLINA," are repealed.

SECTION 2. This act is effective from and after July 21, 2008.

HOUSE BILL 37: Lexington Annexations Repealed

2011-2012 General Assembly

Committee: House Finance
Introduced by: Rep. R. Brown
Analysis of: Second Edition

Date: February 24, 2011
Prepared by: Trina Griffin
Committee Counsel

SUMMARY: *House Bill 37 repeals three involuntary annexation ordinances adopted by the City of Lexington on July 21, 2008.*

CURRENT LAW: Under Section 1 of Article VII of the N.C. Constitution, the General Assembly is empowered to "provide for the organization and government and the fixing of boundaries of counties, cities and towns, and other governmental subdivisions, and, except as otherwise prohibited by this Constitution, may give such powers and duties to counties, cities and towns, and other governmental subdivisions as it may deem advisable." Pursuant to this Section, the General Assembly enacted Parts 2 and 3 of Article 4A of Chapter 160A of the General Statutes, which authorize municipalities to enact ordinances to involuntarily add territory to their municipal limits, if the area meets the statutory requirements. Generally speaking, a municipality may involuntarily annex property if:

1. It is adjacent or contiguous to the city.
2. 1/8 of the external boundary area coincides with the city boundary.
3. It is not part of another city.
4. It is developed for urban purposes.

BILL ANALYSIS: House Bill 37 repeals the following three involuntary annexation ordinances adopted by the City of Lexington on July 21, 2008:

- Ordinance No. 09-02 (Biesecker Road Area)
- Ordinance 09-03 (East Center Street Area)
- Ordinance 09-04 (Old Salisbury Road Area)

EFFECTIVE DATE: Effective from and after July 21, 2008.

BACKGROUND: Property owners in the annexation area sought judicial review of the City's annexation ordinances. In January 2011, the North Carolina Court of Appeals upheld the annexation. The property owners are currently seeking discretionary review in the North Carolina Supreme Court.

Giles Perry, counsel to House Government, substantially contributed to this summary.

A BILL TO BE ENTITLED

AN ACT TO UPDATE THE REFERENCE TO THE INTERNAL REVENUE CODE.

The General Assembly of North Carolina enacts:

SECTION 1. G.S. 105-228.90(b)(1b) reads as rewritten:

"(1b) Code. – The Internal Revenue Code as enacted as of ~~May 1, 2010~~, January 1, 2011, including any provisions enacted as of that date that become effective either before or after that date."

SECTION 2.(a) G.S. 105-130.5(a) is amended by adding a new subdivision to

read:

"(15b) For taxable years 2010 through 2012, eighty-five percent (85%) of the amount allowed as a special accelerated depreciation deduction under section 168(k) or 168(n) of the Code for property placed in service during the taxable year. In addition, for taxable year 2010, a taxpayer who placed property in service during the 2009 taxable year and whose North Carolina taxable income for the 2009 taxable year reflected a special accelerated depreciation deduction allowed for the property under section 168(k) of the Code must add eighty-five percent (85%) of the amount of the special accelerated depreciation deduction. These adjustments do not result in a difference in basis of the affected assets for State and federal income tax purposes."

SECTION 2.(b) G.S. 105-130.5(b) is amended by adding a new subdivision to

read:

"(21b) An amount equal to twenty percent (20%) of the amount added to federal taxable income as accelerated depreciation under subdivision (a)(15b) of this section. For the amount added to taxable income in the 2010 taxable year, the deduction allowed by this subdivision applies to the first five taxable years beginning on or after January 1, 2011. For the amount added to taxable income in the 2011 taxable year, the deduction allowed by this subdivision applies to the first five taxable years beginning on or after January 1, 2012. For the amount added to taxable income in the 2012 taxable year, the deduction allowed by this subdivision applies to the first five taxable years beginning on or after January 1, 2013."

SECTION 2.(c) G.S. 105-134.6(c) is amended by adding a new subdivision to

read:

1 "(8b) For taxable years 2010 through 2012, eighty-five percent (85%) of the
2 amount allowed as a special accelerated depreciation deduction under
3 section 168(k) or 168(n) of the Code for property placed in service during
4 the taxable year. In addition, for taxable year 2010, a taxpayer who placed
5 property in service during the 2009 taxable year and whose North Carolina
6 taxable income for the 2009 taxable year reflected a special accelerated
7 depreciation deduction allowed for the property under section 168(k) of the
8 Code must add eighty-five percent (85%) of the amount of the special
9 accelerated depreciation deduction. These adjustments do not result in a
10 difference in basis of the affected assets for State and federal income tax
11 purposes."

12 **SECTION 2.(d)** G.S. 105-134.6(b) is amended by adding a new subdivision to

13 read:

14 "(17b) An amount equal to twenty percent (20%) of the amount added to federal
15 taxable income as accelerated depreciation under subdivision (c)(8b) of this
16 section. For the amount added to taxable income in the 2010 taxable year,
17 the deduction allowed by this subdivision applies to the first five taxable
18 years beginning on or after January 1, 2011. For the amount added to taxable
19 income in the 2011 taxable year, the deduction allowed by this subdivision
20 applies to the first five taxable years beginning on or after January 1, 2012.
21 For the amount added to taxable income in the 2012 taxable year, the
22 deduction allowed by this subdivision applies to the first five taxable years
23 beginning on or after January 1, 2013."

24 **SECTION 3.(a)** G.S. 105-130.5(a) is amended by adding a new subdivision to

25 read:

26 "(23) For taxable years 2010 and 2011, eighty-five percent (85%) of the amount
27 by which the taxpayer's expense deduction under section 179 of the Code for
28 property placed in service in taxable year 2010 or 2011 exceeds the amount
29 that would have been allowed for the respective taxable year under section
30 179 of the Code as of May 1, 2010. For purposes of this subdivision, the
31 definition of section 179 property has the same meaning as under section
32 179 of the Code as of January 1, 2011. These adjustments do not result in a
33 difference in basis of the affected assets for State and federal income tax
34 purposes."

35 **SECTION 3.(b)** G.S. 105-130.5(b) is amended by adding a new subdivision to

36 read:

37 "(26) An amount equal to twenty percent (20%) of the amount added to federal
38 taxable income under subdivision (a)(23) of this section. For the amount
39 added to taxable income in the 2010 taxable year, the deduction allowed by
40 this subdivision applies to the first five taxable years beginning on or after
41 January 1, 2011. For the amount added to taxable income in the 2011 taxable
42 year, the deduction allowed by this subdivision applies to the first five
43 taxable years beginning on or after January 1, 2012."

44 **SECTION 3.(c)** G.S. 105-134.6(c) is amended by adding a new subdivision to

45 read:

46 "(15) For taxable years 2010 and 2011, eighty-five percent (85%) of the amount
47 by which the taxpayer's expense deduction under section 179 of the Code for
48 property placed in service in taxable year 2010 or 2011 exceeds the amount
49 that would have been allowed for the respective taxable year under section
50 179 of the Code as of May 1, 2010. For purposes of this subdivision, the
51 definition of section 179 property has the same meaning as under section

1 179 of the Code as of January 1, 2011. These adjustments do not result in a
2 difference in basis of the affected assets for State and federal income tax
3 purposes."

4 **SECTION 3.(d)** G.S. 105-134.6(b) is amended by adding a new subdivision to
5 read:

6 "(21) An amount equal to twenty percent (20%) of the amount added to federal
7 taxable income under subdivision (c)(15) of this section. For the amount
8 added to taxable income in the 2010 taxable year, the deduction allowed by
9 this subdivision applies to the first five taxable years beginning on or after
10 January 1, 2011. For the amount added to taxable income in the 2011 taxable
11 year, the deduction allowed by this subdivision applies to the first five
12 taxable years beginning on or after January 1, 2012."

13 **SECTION 4.** This act is effective when it becomes law. Notwithstanding Section 1
14 of this act, any amendments to the Internal Revenue Code enacted after May 1, 2010, that
15 increase North Carolina taxable income for the 2010 taxable year become effective for taxable
16 years beginning on or after January 1, 2011.

HOUSE PCS 124: IRC Update

2011-2012 General Assembly

Committee:	House Finance	Date:	February 23, 2011
Introduced by:	Reps. Howard, Brubaker, Starnes, Setzer	Prepared by:	Cindy Avrette
Analysis of:	PCS to First Edition H124-CSRbx-7		Committee Counsel

SUMMARY: *House Bill 124¹ would update the reference to the Internal Revenue code used in defining and determining certain State tax provisions from May 1, 2010, to January 1, 2011. By doing so, North Carolina would conform to many of the changes made by the federal Small Business Jobs Act of 2010 and the Tax Relief, Unemployment Insurance Reauthorization, and Job Creation Act of 2010, including part of the estate tax changes, a modified version of the enhanced section 179 expense deduction changes, and all of the business and individual income tax extenders from the Bush-era tax legislation of 2001. House Bill 124 would not conform to the bonus depreciation provisions. This bill is a recommendation of the Revenue Laws Study Committee. With the exception of the estate tax, the bill's impact on General Fund availability is minimal.*

The proposed committee substitute clarifies the State's conformity on two issues identified by practitioners and the Department of Revenue: the definition of qualifying property for purposes of the section 179 expense deduction and the basis of property passing through an estate.

CURRENT LAW: North Carolina's tax law tracks many provisions of the federal Internal Revenue Code by reference to the Code.² The General Assembly determines each year whether to update its reference to the Code.³ Updating the reference makes recent amendments to the Code applicable to the State to the extent that State law previously tracked federal law. The General Assembly's decision whether to conform to federal changes is based on the fiscal, practical, and policy implications of the federal changes and is normally enacted in the following year, rather than in the same year the federal changes are made. Maintaining conformity with federal tax law simplifies tax reporting because a taxpayer will not need to account for differing federal and State treatment of the same asset.

BILL ANALYSIS: The current reference to the Code is May 1, 2010.⁴ Since that time, Congress has enacted two Acts that make substantial changes to the tax code: the Small Business Jobs Act of 2010,

¹ The PCS for HB 124 is identical to SB 94, 2nd edition, as passed by Senate Finance at its meeting on February 23, 2011.

² North Carolina first began referencing the Internal Revenue Code in 1967, the year it changed its taxation of corporate income to a percentage of federal taxable income.

³ The North Carolina Constitution imposes an obstacle to a statute that automatically adopts any changes in federal tax law. Article V, Section 2(1) of the Constitution provides in pertinent part that the "power of taxation ... shall never be surrendered, suspended, or contracted away." Relying on this provision, the North Carolina court decisions on delegation of legislative power to administrative agencies, and an analysis of the few federal cases on this issue, the Attorney General's Office concluded in a memorandum issued in 1977 to the Director of the Tax Research Division of the Department of Revenue that a "statute which adopts by reference future amendments to the Internal Revenue Code would ... be invalidated as an unconstitutional delegation of legislative power."

⁴ Part 31 of S.L. 2010 31 updated the reference to the Internal Revenue Code used in defining and determining certain State tax provisions from May 1, 2009, to May 1, 2010. However, S.L. 2010 31 did not conform to the five year carryback of net operating losses incurred by large businesses. S.L. 2010 31 incorporated tax changes made by five federal acts: the Worker, Homeownership, and Business Assistance Act (WHBA), P.L. 111-92; Acceleration of Income Tax Benefits for Haiti Relief, P.L. 111-126; the Patient Protection and Affordable Care Act, P.L. 111-148; the Health Care and Education Reconciliation Act, P.L. 111-152; and the Hiring Incentives to Restore Employment Act (HIRE), P.L. 111-147.

House PCS 124

Page 2

enacted September 27, 2010, as P. L. 111-240 (2010 Jobs Act), and the Tax Relief, Unemployment Insurance Reauthorization and Job Creation Act, enacted December 17, 2010, as P. L. 111-312 (2010 Tax Relief Act). Both Acts contain provisions that became effective retroactively on January 1, 2010. Since the General Assembly will not have had an opportunity to enact legislation prior to the end of the 2010 taxable year, taxpayers may have to make adjustments on their 2010 State tax return for items included in, or excluded from, federal taxable income as a result of one of these two Acts.

The 2010 Jobs Act enhances existing business tax incentives and partially offsets this revenue loss with changes which are expected to increase revenue. The incentives in the 2010 Jobs Act are not limited to small businesses, and the accelerated deduction for depreciation represents a major benefit to large businesses. The 2010 Tax Relief Act boosts some of the business tax incentives in the 2010 Jobs Act and extends the Bush-era individual and business tax incentives, included in the Economic Growth and Tax Relief Reconciliation Act of 2001 (EGTRRA)⁵, for two years.

Extension and Expansion of Bonus Depreciation for 2010, 2011, and 2012

Businesses may depreciate the cost of a new asset⁶ over a period of time, usually five to 15 years. Bonus depreciation allows a business to claim more of a deduction up front and spread the remainder out over the normal depreciation schedule. The federal Economic Stimulus Act of 2008⁷ provided a 50% first year bonus depreciation for qualified property acquired and placed in service in 2008. The federal American Recovery and Reinvestment Act of 2009 extended the 50% bonus depreciation provided to qualified property for an additional year through 2009.

The 2010 Jobs Act extends the bonus depreciation for 2010 and applies retroactively to property acquired and placed in service in 2010.⁸ The 2010 Tax Relief Act increases the 50% bonus depreciation extended under the 2010 Jobs Act to 100% for property acquired and placed in service after September 8, 2010, and before January 1, 2012. It also provides 50% bonus depreciation for qualified property placed in service after December 31, 2012, and before January 1, 2013. Under the 2010 Jobs Act, the bonus depreciation would have expired for the 2012 taxable year. Under the 2010 Tax Relief Act, the bonus depreciation expires for the 2013 taxable year.

The 2010 Jobs Act also allows taxpayers using the percentage of completion accounting method to benefit from bonus depreciation at the federal level for assets with a depreciable life of seven years or less. The percentage of completion accounting method might prevent taxpayers from receiving benefit from the bonus depreciation because the accounting method spreads expenses, including depreciation, throughout the life of a long-term contract. Under this accounting method, taxpayers could not deduct the bonus depreciation in the first year. Construction contractors use the percentage of completion accounting method. This provision is new.

North Carolina decoupled from the extension of the bonus depreciation provisions in 2008 and 2009. The State delayed the impact of the bonus depreciation deduction in a manner similar to what it has done in the past: State tax law provides that a taxpayer may deduct the same amount of an asset's basis under State law as under federal law, it is just that the timing of the deduction differs. Under State tax law, a

⁵ Most of the tax provisions in EGTRRA were scheduled to expire in 2010 or 2011 and revert to the provisions as they existed in 2001.

⁶ One important difference between bonus depreciation and section 179 expensing is that bonus depreciation applies only to new equipment, while section 179 expensing may apply to new and used equipment.

⁷ Congress has authorized bonus depreciation several times to encourage business investment, specifically after September 11, 2001. The Jobs Creation and Worker Assistance Act of 2002 provided a 30% bonus depreciation allowance. The Jobs and Growth Tax Relief Reconciliation Act of 2003 extended the sunset and increased the amount to 50%.

⁸ The property may be placed in service during 2011 for property with a recovery period of 10 years or longer and for transportation property (i.e., tangible personal property used to transport people or property).

House PCS 124

Page 3

taxpayer must add back 85% of the accelerated depreciation amount⁹ in the year that it is claimed for federal purposes. Then, in subsequent tax years, the taxpayer may deduct from federal taxable income the total amount of the add-back, divided into five equal installments. This adjustment means that for State tax purposes, a taxpayer may deduct a greater depreciation amount in the outlying tax years, which will be the normal depreciation amount plus 20% of the accelerated depreciation amount the taxpayer had to add back.

House Bill 124 would decouple from the bonus depreciation provisions for 2010, 2011, and 2012 in the same manner as it has decoupled from them in the past: A taxpayer would add-back 85% of the accelerated depreciation amount in the year that it is claimed for federal purposes. Then, in subsequent tax years, the taxpayer would deduct from federal taxable income the total amount of the add-back, divided into five equal installments. The cost to conform to the bonus depreciation provision would be approximately \$460 million.

Enhanced Section 179 Expensing for 2010, 2011, and 2012

Section 179 of the Code allows the expensing of the purchase price of some business assets¹⁰ in the year of purchase rather than taking depreciation¹¹ throughout the life of the asset. In other words, expensing trades a smaller yearly deduction over time for a larger deduction in year one.

Prior to the Emergency Economic Stabilization Act of 2008 (EESA), the deduction limit for section 179 expensing was \$128,000¹² of the cost of the property with a dollar for dollar phase-out of this amount whenever the total cost of qualifying property placed in service that year exceeded \$510,000.¹³ EESA increased the deduction limit from \$128,000 to \$250,000 with a phaseout at \$800,000 for the 2008 tax year. The American Recovery and Reinvestment Tax Act of 2009 (ARRTA) extended the temporary increase through 2009. The federal HIRE Act of 2010 extended the 2008 and 2009 increase through 2010. The limits were scheduled to revert to the prior levels of \$25,000 and \$200,000 in taxable year 2011. North Carolina conformed to those changes.

The 2010 Jobs Act not only delayed the reversion to the prior levels until the 2012 taxable year, it also increased the section 179 expensing deduction for tax years 2010 and 2011 from \$250,000 and \$500,000 to \$800,000 and \$2 million. In addition to the expansion of the limits, the Act broadened the definition of qualified property to include qualified leasehold improvement property, qualified restaurant property, qualified retail improvement property, and computer software.¹⁴ The enhancements made by the 2010 Jobs Act are set to expire for the 2012 taxable year. The 2010 Tax Relief Act does not continue the expansion of the types of property that may qualify for the deduction beyond the 2011 taxable year, but it does increase the limits for the 2012 taxable year from \$25,000 and \$200,000 to \$125,000 and \$500,000. Under the 2010 Tax Relief Act, the deduction limits are set to revert to their prior levels of \$25,000 and \$200,000 in 2013.

⁹ The accelerated depreciation amount for property placed in service in 2008 is 50%.

¹⁰ The business asset must be newly purchased tangible personal property that is used more than 50% for business purposes and is eligible to be depreciated under the Code. The newly purchased property may be new or used equipment.

¹¹ Generally, taxpayers take the Section 179 expensing deduction first and claim Section 168(k) depreciation on any remaining basis.

¹² Prior to the EESA, the dollar limits would have been \$125,000 with a phase-out beginning at \$500,000; both amounts would have been indexed for inflation resulting in the limits of \$128,000 and \$510,000.

¹³ For example, if the taxpayer placed in service during the taxable year one or more items of qualifying property totaling \$520,000, the amount that could be expensed under section 179 would be \$118,000 -- \$128,000 less \$10,000, which is the excess of \$520,000 over \$510,000.

¹⁴ Qualified real property is limited to a maximum deduction of \$250,000.

House PCS 124

Page 4

North Carolina has conformed to the enhanced section 179 expense deduction provisions in the past. However, the enhancements made by the 2010 Jobs Act are the most expansive ever enacted. House Bill 124 would conform to the expanded definition of qualified property; it would maintain the 2010 deduction limits of \$250,000 and \$800,000 for taxable years 2010 and 2011; and it would decouple from the enhanced limits of \$500,000 and \$2,000,000 for taxable years 2010 and 2011. House Bill 124 would provide that the property's basis would be the same for federal and State purposes and would treat the difference in the same manner as State tax law has historically treated the bonus depreciation: A taxpayer would add-back 85% of the additional expensing taken under federal law in 2010 and 2011 and would deduct 20% of this amount over the succeeding five years. House Bill 124 would conform to the expensing limits of \$125,000 and \$500,000 for the taxable year 2012 and, like federal law, would revert to the prior expense limits of \$25,000 and \$200,000 for the tax year 2013. Full conformity to the section 179 expense deduction would be approximately \$97 million.

Estate Tax for 2010 - 2012

EGTRRA gradually reduced the federal estate tax over a period of years and abolished it for decedents dying in 2010. During the year of its repeal, the basis of property passing through an estate was determined by the modified carryover basis rules under EGTRRA. EGTRRA also repealed the state estate tax credit for decedents dying on or after 2004 and replaced the credit with a deduction. The estate tax was scheduled to revert to the 2001 law in 2011: the 2001 maximum estate tax rate of 55% and a \$1 million applicable exclusion amount.

The 2010 Tax Relief Act revives the estate tax retroactively for decedents dying on or after January 1, 2010, and thereby allows property passing through the estate to acquire a stepped-up basis. The maximum federal estate tax rate is 35% with an applicable exclusion amount of \$5 million. The 2010 Tax Relief Act also provides for portability between spouses of the exclusion amount. This portability means that any unused exclusion amount by one spouse is available to the surviving spouse, effectively allowing a married couple to exclude up to \$10 million from estate tax.¹⁵ The new estate tax law is scheduled to sunset on December 31, 2012, to the pre-EGTRRA amounts. The 2010 Tax Relief Act gives the estates of decedents dying in 2010 the option to pay no estate tax and assume the modified carryover basis in the property.

North Carolina imposes an estate tax on the estate of a decedent when a federal estate tax is imposed on the estate.¹⁶ By virtue of this language, the federal and state exclusion amounts are the same. The amount of the State's estate tax is the amount of the credit allowed on the federal estate tax return for state estate tax paid, as the federal law provided in 2001.¹⁷

Since the federal estate tax did not exist in 2010, North Carolina's estate tax was repealed for 2010. With the revival of the federal estate tax in 2011, North Carolina's estate tax is revived for decedents dying in 2011.¹⁸ House Bill 124, by conforming to the definition of federal taxable income for income tax purposes, also adopts the federal basis of any property passing through an estate. Unlike Congress,

¹⁵ The portability election is set to sunset December 31, 2012. Therefore the utility of the portability election is limited to situations where both spouses die within the two-year term (2011 and 2012).

¹⁶ North Carolina repealed its inheritance tax in 1998 and replaced it with an estate tax that was equivalent to the federal state estate tax credit allowed on a federal estate tax return. This type of state estate tax was known as a "pick up" tax because it picked up for the state the amount of federal estate tax that would otherwise be paid to the federal government.

¹⁷ When Congress phased out the state estate tax credit, beginning in 2002, North Carolina enacted legislation not to conform to the phase out of the credit. In other words, North Carolina began tying the amount of the State estate tax owed to the federal credit as it existed in 2001 rather than as it currently exists. Georgia, South Carolina, and Tennessee have not had an estate tax since January 1, 2005, because their estate tax equals the amount of the state estate tax credit allowed on the federal estate tax return. Virginia repealed its estate tax, effective July 1, 2007.

¹⁸ North Carolina's estate tax would have been revised in 2011 based upon the Code as written on May 1, 2010.

House PCS 124

Page 5

North Carolina cannot the estate tax retroactively¹⁹ on the estates of decedents dying on or after January 1, 2010, and before January 1, 2011.

Business Tax Extenders for 2010 and 2011

The 2010 Tax Relief Act extended many of the tax incentives enacted in EGTRRA for two years. The business tax incentives included enhanced deduction and expensing items, charitable deductions, and tax credits. North Carolina conformed to these incentives in 2002²⁰; however, under existing North Carolina law, these incentives expired for the 2010 taxable year. House Bill 124 would conform to these extensions.

The 2010 Tax Relief Act extended the following business tax incentives that were set to expire for the 2010 taxable year for the 2010 and 2011 taxable years:

- 15-year recovery period for qualified leasehold improvements, restaurant building and improvements, and retail improvements
- Seven-year recovery period for motor sports entertainment costs recovery
- Expensing election for certain film and television production costs
- Brownfields remediation expensing.

The 2010 Tax Relief Act extends the Work Opportunity Tax Credit (WOTC) to include individuals who begin employment after August 31, 2011, and before January 1, 2012. The WOTC is equal to 40% of up to \$6,000 of the targeted employee's qualified first year wages. North Carolina's WOTC is equal to 6% of the federal WOTC for wages paid for positions located in this State. The federal WOTC was scheduled to expire September 1, 2011.

The 2010 Tax Relief Act extends the following charitable incentives for taxable years 2010 and 2011:

- Deduction for contributions of food inventory
- Deduction for contributions by C corporations of books to public schools
- Deduction for corporate contributions of computer equipment for educational purposes
- Basis adjustment to stock of S corporations making charitable contributions of property

Individual Income Tax Extenders for 2010, 2011, and 2012

The 2010 Tax Relief Act extends many of the Bush-era individual tax incentives included in the EGTRRA for two years. Some of the tax incentives expired in 2010 and others were scheduled to expire in 2011. North Carolina conformed to these incentives in 2002²¹; however, under existing North Carolina law, many of these incentives expired for the 2010 taxable year and others are scheduled to expire for the 2011 taxable year. House Bill 124 would conform to these extensions.

The following three individual income tax incentives were scheduled to expire in 2010, but the 2010 Tax Relief Act extends the incentives retroactively for the 2010 tax year and the 2011 tax year:

- Tax deduction for higher education tuition expenses
- Up to \$250 deduction for teacher's classroom expenses

¹⁹ Article I, Sec. 16 of the North Carolina Constitution.

²⁰ S.L. 2002-126.

²¹ S.L. 2002-126.

House PCS 124

Page 6

- Charitable contribution of IRA proceeds

The following individual income tax incentives were scheduled to expire in 2011, but 2010 Tax Relief Act extends the incentives for the 2011 and 2012 taxable years:

- *No limitation on itemized deductions.* Section 68 of the Code, first added in 1990, established an overall limitation on itemized deductions. This limitation was gradually repealed starting in 2006, with the phase-out complete in taxable year 2010. The limitation was scheduled to revert in full in 2011. The 2010 Tax Relief Act extends the complete repeal of the limitation for 2011 and 2012.
- *Enhancements to the earned income tax credit (EITC).* The EITC is a refundable tax credit that varies depending on the number of the taxpayer's qualifying children. North Carolina's EITC is equal to 5% of the federal credit amount. EGTRRA increased the EITC from 40% to 45% of a family's first \$12,570 of earned income for families with three or more children and an increase in the beginning point of the phase-out range for married couples filing a joint return by \$1,880. The enhancements were set to expire for the 2011 taxable year. The 2010 Tax Relief Act extends the enhancements through the 2011 and 2012 taxable years.
- *Enhancements to the adoption tax credit.* EGTRRA increased the dollar limitation for the credit and the income exclusion for employer paid expenses to \$10,000, indexed for inflation. The Patient Protection and Affordable Care Act increased the credit and exclusion by another \$1,000 for 2010 and 2011. The credit cap was scheduled to return to \$5,000²² for taxable years beginning on or after January 1, 2012. North Carolina's adoption tax credit is equal to 50% of the federal credit amount. The 2010 Tax Relief Act extends the enhancements made by EGTRRA for one year. Under the Act, the credit caps will revert to their prior levels in taxable year 2013.
- *Deductibility of mortgage insurance premiums.* Mortgage insurance premiums became deductible in 2007. The insurance must be in connection with home acquisition debt for a first or second home. The deduction is subject to phase-out based on a taxpayer's income. The deductibility of mortgage insurance premiums was set to expire for taxable year 2011. The 2010 Tax Relief Act extends the deduction for one more year, through taxable year 2011.
- *Educational assistance exclusion.* EGTRRA allowed employees to exclude up to \$5,250 in employer-provided education assistance from income and employment taxes. The exclusion was set to expire for taxable year 2011. The 2010 Tax Relief Act extends the exclusion for taxable years 2011 and 2012.
- *Student loan interest deduction.* The student loan interest deduction is a deduction from gross income used to determine a taxpayer's adjusted gross income (AGI). The deduction is subject to a phase-out based on the taxpayer's AGI. EGTRRA eliminated the rule that the deduction only applies to payments made during the first 60 months that interest payments were required and it increased significantly the phase-out amounts. These changes were set to expire in 2011, but the 2010 Tax Relief Act extends the changes for taxable years 2011 and 2012.
- *Coverdale education savings accounts.* Coverdale education savings accounts allow a taxpayer to make nondeductible contributions and to withdraw the proceeds tax free if they

²²The limit is \$6,000 for a special needs child.
Research Division

House PCS 124

Page 7

are used towards educational expenses. EGTRRA increased the amount that may be contributed to an account from \$500 to \$2,000 and it made elementary and secondary school expenses qualified expenses. The enhancements were set to expire for the 2011 taxable year. The 2010 Tax Relief Act extends the enhancements for taxable years 2011 and 2012.

- *Qualified scholarships.* Qualified scholarships may be excluded from taxable income. EGTRRA provided that the national Health Services Corps Scholarship Program and the Armed Forces Scholarship Program are qualified scholarships for exclusion for income purposes. These scholarships were scheduled to be included in a recipient's income in taxable year 2011. The 2010 Tax Relief Act extends the income exclusion for taxable years 2011 and 2012.

Miscellaneous Business Incentives

The 2010 Jobs Act provided several tax incentives for businesses. House Bill 124 would conform to these incentives.

- *Increase in amount allowed as a deduction for start-up expenditures.* The Code allows up to \$5,000 of start-up expenses to be deducted. The deduction is reduced by the amount of start-up costs that exceed \$50,000. The 2010 Jobs Act increased the deduction to \$10,000 for start-up and organization expenses of the taxpayer's trade or business in 2011 and increased the phase-out threshold to \$60,000.
- *Modification to exclusion for gain from certain small business stock.* Fifty percent of the gain realized on qualified small business stock may be excluded from income. To qualify, the stock must be purchased at its original issue and the aggregate gross assets of the issuing corporation may not exceed \$50 million and at least 80% of the value of its assets must be used in the active conduct of one or more trades or businesses. The exclusion is capped at the greater of 10 times the taxpayer's basis in the stock or \$10 million. ARRTA temporarily increased from 50% to 75% the exclusion for qualified small business stock sold by an individual. The increased exclusion percentage is applicable to stock acquired after February 17, 2009, and before January 1, 2011. North Carolina conformed to ARRTA's temporary increase of the exclusion. The 2010 Jobs Act increased the exclusion percentage to 100% for stock acquired after September 27, 2010, and before January 1, 2011.

Provisions in the 2010 Jobs Act Designed to Increase Revenue

The 2010 Jobs Act contained provisions to increase revenues. The provisions projected to raise the most revenue were related to higher federal tax penalty provisions. These provisions would not apply to North Carolina and would not increase any revenues payable to North Carolina. The Act also contained some retirement-friendly provisions that, if chosen by the taxpayer, would encourage up-front distributions that would be taxable. House Bill 124 would conform to these changes.

- *Deduction for health insurance costs in computing self-employment taxes.* The 2010 Jobs Act allows self-employed individuals to deduct the cost of health insurance for the individual and immediate family to determine income subject to federal self-employment taxes. Health insurance costs were already deductible for regular income tax purposes. The reduction in self-employment taxes affects North Carolina taxable income because self-employment taxes were deductible in determining State taxable income. Self-employed taxpayers with health insurance costs will have larger State taxable incomes because less self-employment taxes were imposed and deducted at the federal level.

House PCS 124

Page 8

- *Allow participants in governmental 457 plans to treat elective deferrals as Roth contributions.* The 2010 Jobs Act gives participants the option to move retirement savings from government 457(b) plans to Roth accounts starting in 2011. The conversion will be taxable while the earnings and distributions from Roth accounts are generally tax free.
- *Allow rollovers from elective deferral plans to Roth designated accounts.* The 2010 Jobs Act allows retirement plans to offer participants the option starting September 27, 2010 to rollover distributions into Roth accounts within the same retirement plan. The rollover will be taxable while the earnings and distributions from the Roth account are generally tax free.
- *Permit partial annuitization of a nonqualified annuity contract.* The 2010 Jobs Act allows the owner of an annuity contract to begin receiving benefits based on a portion of the value of the annuity and leaving the balance of the annuity to accumulate earnings tax free. This option starts in 2011.
- *Source rules for income on guarantees.* The 2010 Jobs Act clarifies the federal tax treatment of guarantee fees as income sourced to the United States if connected to the United States by a domestic payer or by the conduct of a trade or business in the United States.

EFFECTIVE DATE: House Bill 124 would become effective when it becomes law. However, any amendments to the Internal Revenue Code enacted after May 1, 2010, that increase North Carolina taxable income for the 2010 taxable year or impose an estate tax on the estate of a decedent dying in calendar year 2010 would become effective for taxable years beginning on or after January 1, 2011.

Referred to: Finance.

February 17, 2011

1 A BILL TO BE ENTITLED
2 AN ACT TO UPDATE THE REFERENCE TO THE INTERNAL REVENUE CODE.
3 The General Assembly of North Carolina enacts:

4 SECTION 1. G.S. 105-228.90(b)(1b) reads as rewritten:

5 "(1b) Code. – The Internal Revenue Code as enacted as of ~~May 1, 2010~~, January 1,
6 2011, including any provisions enacted as of that date that become effective
7 either before or after that date."

8 SECTION 2.(a) G.S. 105-130.5(a) is amended by adding a new subdivision to

9 read:

10 "(15b) For taxable years 2010 through 2012, eighty-five percent (85%) of the
11 amount allowed as a special accelerated depreciation deduction under
12 section 168(k) or 168(n) of the Code for property placed in service during
13 the taxable year. In addition, for taxable year 2010, a taxpayer who placed
14 property in service during the 2009 taxable year and whose North Carolina
15 taxable income for the 2009 taxable year reflected a special accelerated
16 depreciation deduction allowed for the property under section 168(k) of the
17 Code must add eighty-five percent (85%) of the amount of the special
18 accelerated depreciation deduction. These adjustments do not result in a
19 difference in basis of the affected assets for State and federal income tax
20 purposes."

21 SECTION 2.(b) G.S. 105-130.5(b) is amended by adding a new subdivision to

22 read:

23 "(21b) An amount equal to twenty percent (20%) of the amount added to federal
24 taxable income as accelerated depreciation under subdivision (a)(15b) of this
25 section. For the amount added to taxable income in the 2010 taxable year,
26 the deduction allowed by this subdivision applies to the first five taxable
27 years beginning on or after January 1, 2011. For the amount added to taxable
28 income in the 2011 taxable year, the deduction allowed by this subdivision
29 applies to the first five taxable years beginning on or after January 1, 2012.
30 For the amount added to taxable income in the 2012 taxable year, the
31 deduction allowed by this subdivision applies to the first five taxable years
32 beginning on or after January 1, 2013."

33 SECTION 2.(c) G.S. 105-134.6(c) is amended by adding a new subdivision to

34 read:

* H 1 2 4 - V - 1 *

1 "(8b) For taxable years 2010 through 2012, eighty-five percent (85%) of the
2 amount allowed as a special accelerated depreciation deduction under
3 section 168(k) or 168(n) of the Code for property placed in service during
4 the taxable year. In addition, for taxable year 2010, a taxpayer who placed
5 property in service during the 2009 taxable year and whose North Carolina
6 taxable income for the 2009 taxable year reflected a special accelerated
7 depreciation deduction allowed for the property under section 168(k) of the
8 Code must add eighty-five percent (85%) of the amount of the special
9 accelerated depreciation deduction. These adjustments do not result in a
10 difference in basis of the affected assets for State and federal income tax
11 purposes."

12 **SECTION 2.(d)** G.S. 105-134.6(b) is amended by adding a new subdivision to
13 read:

14 "(17b) An amount equal to twenty percent (20%) of the amount added to federal
15 taxable income as accelerated depreciation under subdivision (c)(8b) of this
16 section. For the amount added to taxable income in the 2010 taxable year,
17 the deduction allowed by this subdivision applies to the first five taxable
18 years beginning on or after January 1, 2011. For the amount added to taxable
19 income in the 2011 taxable year, the deduction allowed by this subdivision
20 applies to the first five taxable years beginning on or after January 1, 2012.
21 For the amount added to taxable income in the 2012 taxable year, the
22 deduction allowed by this subdivision applies to the first five taxable years
23 beginning on or after January 1, 2013."

24 **SECTION 3.(a)** G.S. 105-130.5(a) is amended by adding a new subdivision to
25 read:

26 "(23) For taxable years 2010 and 2011, eighty-five percent (85%) of the amount
27 by which the taxpayer's expense deduction under section 179 of the Code for
28 property placed in service in taxable year 2010 or 2011 exceeds the amount
29 that would have been allowed for the respective taxable year under section
30 179 of the Code as of May 1, 2010. These adjustments do not result in a
31 difference in basis of the affected assets for State and federal income tax
32 purposes."

33 **SECTION 3.(b)** G.S. 105-130.5(b) is amended by adding a new subdivision to
34 read:

35 "(26) An amount equal to twenty percent (20%) of the amount added to federal
36 taxable income under subdivision (a)(23) of this section. For the amount
37 added to taxable income in the 2010 taxable year, the deduction allowed by
38 this subdivision applies to the first five taxable years beginning on or after
39 January 1, 2011. For the amount added to taxable income in the 2011 taxable
40 year, the deduction allowed by this subdivision applies to the first five
41 taxable years beginning on or after January 1, 2012."

42 **SECTION 3.(c)** G.S. 105-134.6(c) is amended by adding a new subdivision to
43 read:

44 "(15) For taxable years 2010 and 2011, eighty-five percent (85%) of the amount
45 by which the taxpayer's expense deduction under section 179 of the Code for
46 property placed in service in taxable year 2010 or 2011 exceeds the amount
47 that would have been allowed for the respective taxable year under section
48 179 of the Code as of May 1, 2010. These adjustments do not result in a
49 difference in basis of the affected assets for State and federal income tax
50 purposes."

1 SECTION 3.(d) G.S. 105-134.6(b) is amended by adding a new subdivision to
2 read:

3 "(21) An amount equal to twenty percent (20%) of the amount added to federal
4 taxable income under subdivision (c)(15) of this section. For the amount
5 added to taxable income in the 2010 taxable year, the deduction allowed by
6 this subdivision applies to the first five taxable years beginning on or after
7 January 1, 2011. For the amount added to taxable income in the 2011 taxable
8 year, the deduction allowed by this subdivision applies to the first five
9 taxable years beginning on or after January 1, 2012."

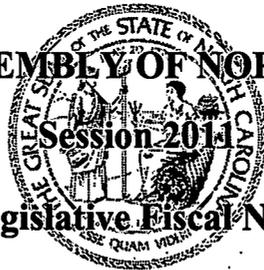

10 SECTION 4. Article 1A of Chapter 105 of the General Statutes is amended by
11 adding a new section to read:

12 **"§ 105-32.2A. Election to receive stepped-up basis for 2010.**

13 A personal representative of an estate of a decedent dying in calendar year 2010 for which
14 the federal estate tax is paid may elect to conform the North Carolina basis of the property in
15 the estate to that of the federal stepped-up basis obtained by payment of the federal estate tax
16 by filing an election with the Secretary and paying the amount of tax that would have been
17 payable under this Article had the federal estate tax that was paid been in effect when the
18 decedent died. In the absence of this election and payment, the North Carolina basis of the
19 property differs from the federal basis. To make the election, an executor must file a return with
20 the Secretary within the time allowed for filing the federal estate tax return."

21 SECTION 5. This act is effective when it becomes law. Notwithstanding Section 1
22 of this act, any amendments to the Internal Revenue Code enacted after May 1, 2010, that
23 increase North Carolina taxable income for the 2010 taxable year become effective for taxable
24 years beginning on or after January 1, 2011.

PRINCIPAL DEPARTMENT(S) & PROGRAM(S) AFFECTED: Department of Revenue					
EFFECTIVE DATE: Effective when it becomes law					

BILL SUMMARY: This proposal would update the reference to the Internal Revenue code used in defining and determining certain State tax provisions from May 1, 2010, to January 1, 2011. By doing so, North Carolina would conform to many of the changes made by the federal Small Business Jobs Act of 2010 (2010 Jobs Act) and the Tax Relief, Unemployment Insurance Reauthorization, and Job Creation Act of 2010 (2010 Tax Relief Act). The proposal would not conform to the following federal tax law provisions:

- **Bonus depreciation.** – Bonus depreciation allows a business to claim more of a deduction up front and spread the remainder out over the normal depreciation schedule. Over the life of the asset, the taxpayer receives the same benefit. The normal depreciation schedule is usually five to 15 years, depending upon the asset. In the past, Congress has provided 50% bonus depreciation for qualified property to spur economic investment. The bonus depreciation provision was scheduled to expire for property acquired and placed in service in 2010. The 2010 Jobs Act extended the 50% bonus depreciation provision to property placed in service in taxable years 2010 and 2011. The 2010 Tax Relief Act boosted the 50% bonus depreciation to 100% for property acquired and placed in service after September 8, 2010, and before January 1, 2012, and it provided 50% bonus depreciation for property placed in service after December 31, 2012, and before January 1, 2013. Although the proposal decouples from bonus depreciation, it provides that the property's basis is the same for federal and State purposes. The taxpayer must add-back 85% of the accelerated depreciation amount in the year that it is claimed for federal tax purposes, and then deduct 20% of this amount, plus the normal depreciation amount, over the next five years.
- **Section 179 expensing.** – Section 179 expensing allows the expensing of the purchase price of some business assets in the year of purchase rather than taking depreciation over the life of the asset. Section 179 has a deduction limit that begins to phase out on a dollar for dollar scale once an investment limit is reached. The deduction limit is \$25,000 and the investment limit is \$200,000. In the past, Congress has increased both the deduction limit and the investment limit to spur economic investment. For the 2010 taxable year, the deduction limit was \$250,000 and the investment limit was \$800,000. The expensing limits were scheduled to revert to their prior levels in 2011. The 2010 Jobs Act expanded the section 179 deduction limits from \$250,000 to \$500,000 for the 2010 taxable year and from \$25,000 to \$500,000 for the 2011 taxable year; it expanded the investment limits from \$800,000 to \$2,000,000 for the 2010 taxable year and from \$200,000 to \$2,000,000 for the 2011 taxable year; the expensing limits were scheduled to revert to their prior levels in 2012. It also broadened the definition of qualified property to include certain real property investments for the 2010 and 2011 taxable years. The 2010 Tax Relief Act expanded the section 179 deduction limits for the 2012 taxable year from \$25,000/\$200,000 to \$125,000/\$500,000; the expensing limits are scheduled to revert to their prior levels of \$25,000/\$200,000 in 2013. The proposal would maintain the 2010

deduction limits of \$250,000 and \$800,000 for taxable years 2010 and 2011. It would decouple from the enhanced limits of \$500,000 and \$2,000,000 for taxable years 2010 and 2011 but provide that the property's basis would be the same for federal and State purposes. The proposal provides that a taxpayer must add-back 85% of the additional expensing taken under federal law in 2010 and 2011 and may deduct 20% of this amount over the succeeding five years. The proposal would conform to the expensing limits of \$125,000/\$500,000 for the 2012 taxable year.

- Estate tax. – The federal estate tax expired for decedents dying in 2010. The estate tax had been scheduled to reemerge in 2011 at the 2001 exclusion amount of \$1 million and the maximum estate tax rate of 55%. The 2010 Tax Relief Act revived the federal estate tax retroactively to January 1, 2010, with an exclusion amount of \$5 million (the portability provision effectively provides an exclusion amount of \$10 million for married couples) and a maximum estate tax rate of 35%. The estate of a decedent dying in 2010 may elect not to pay estate tax, and receive a modified carryover basis in the property passing through the estate. The estate tax provisions are scheduled to return to the 2001 rates and exclusion amounts for decedents dying on or after January 1, 2013. The proposal would conform to the higher exclusion amounts and give estates that chose to pay federal estate tax and receive the stepped-up basis in the property passing through the estate to elect to receive the stepped-up basis for NC purposes by paying the State estate tax for 2010.

The proposal would conform to all other provisions in the 2010 Jobs Act and the 2010 Tax Relief Act. The other provisions in the 2010 Jobs Act include the following:

- An increased exclusion amount of the gain realized on qualified small business stock. The exclusion amount is increased from 50% to 75% for stock acquired after February 17, 2009, and before January 1, 2011, and held for more than five years.
- An increased deduction limit for start-up expenses. The deduction is reduced by the amount of start-up costs that exceed a certain amount. The deduction limit is increased from \$5,000 to \$10,000 and the phase-out threshold is increased from \$50,000 to \$60,000.
- Various other small provisions that are intended to generate revenue. – Deduction for health insurance costs, 457 plans, 401(k) rollovers to Roth accounts, annuitization of a nonqualified annuity contract, sources rules for income on guarantees.

The 2010 Tax Relief Act extended many of the tax incentives enacted in the Economic Growth and Tax Relief Reconciliation Act of 2001 for two years. North Carolina conformed to these incentives in 2002; however, under existing North Carolina law, several of these incentives expired for the 2010 taxable year and many others are scheduled to expire for the 2011 taxable year. The proposal would conform to the federal effective date extensions.

The 2010 Tax Relief Act extended the following business tax incentives that were set to expire for the 2010 taxable year for the 2010 and 2011 taxable years:

- 15-year recovery period for qualified leasehold improvements, restaurant building and improvements, and retail improvements
- Seven-year recovery period for motor sports entertainment costs recovery
- Expensing election for certain film and television production costs
- Brownfields remediation expensing

The 2010 Tax Relief Act extended the Work Opportunity Tax Credit (WOTC) to include individuals who begin employment after August 31, 2011, and before January 1, 2012. North Carolina's WOTC is equal to 6% of the federal WOTC for wages paid for positions located in this State. The federal WOTC was scheduled to expire September 1, 2011.

The 2010 Tax Relief Act extended the following charitable incentives for taxable years 2010 and 2011:

- Deduction for contributions of food inventory
- Deduction for contributions by C corporations of books to public schools
- Deduction for corporate contributions of computer equipment for educational purposes
- Basis adjustment to stock of S corporations making charitable contributions of property

The 2010 Tax Relief Act extended the following individual income tax incentives retroactively for the 2010 taxable year and the 2011 taxable year:

- Tax deduction for higher education tuition expenses
- Up to \$250 deduction for teacher's classroom expenses
- Charitable contribution of IRA proceeds

The following individual income tax incentives were scheduled to expire in 2011, but 2010 Tax Relief Act extends the incentives for the 2011 and 2012 taxable years:

- No limitation on itemized deductions.
- Enhancements to the earned income tax credit (EITC). North Carolina's EITC is equal to 5% of the federal credit amount.
- Enhancements to the adoption tax credit. North Carolina's adoption tax credit is equal to 50% of the federal credit amount.
- Deductibility of mortgage insurance premiums.
- Educational assistance exclusion.
- Student loan interest deduction.
- Increased amount that may be contributed to Coverdale education savings accounts and expansion of qualified expenses to include elementary and secondary school expenses.
- Exclusion of scholarships received from the national Health Services Corps Scholarship Program and the Armed Forces Scholarship Program from income.

Source: Committee Counsel Bill Summary

ASSUMPTIONS AND METHODOLOGY:

Except as outlined below, the fiscal impact to the General Fund from partial conformity with the IRC update is based on the US Joint Committee on Taxation (JCT) estimates on changes to federal taxes from the update. The methodology used begins with these JCT estimates, which are calculated by federal fiscal year. Fiscal Research adjusts these numbers back to an approximate calendar year tax impact. Then the next step was to prorate the national numbers to the state impact. This adjustment involved two steps: accounting for the relative size of the state based on federal tax collections and then adjusting for the difference in federal and state marginal tax rates. Once North Carolina's share of the JCT estimates were determined, state tax liability changes were estimated and allocated to the appropriate fiscal year.

The estimate of the bonus depreciation provision is based on data obtained from the Department of Revenue from the 2004 and 2008 tax returns. The estimate is derived from the tax that would not have been paid had North Carolina not required an add-back for bonus depreciation in computing State taxable income for both of those years. In order to assess the impact of the 85% add-back of the bonus depreciation and the Section 179 deduction, a depreciation schedule was developed. The depreciation simulation was used to determine the impact of the bonus depreciation and the Section 179 deduction with the adoption of an 85% add-back rule and a 5 year deduction for each fiscal year.

The estimate to conform to the estate tax provision of the Tax Relief Act was prepared based on tax return data obtained from the Department of Revenue for the 2007, 2008, and 2009 tax years. The impact is estimated from the tax that would not have been received as a result of the increase in the federal exclusion amount.

The Tax Relief Act of 2010 included multiple extensions of tax credits and deductions which were first enacted under the Economic Growth and Tax Relief Reconciliation Act of 2001. Because the changes were extensive and the Act was in place for ten years, the revenue base was adjusted to include the impacts from the Act. If the Tax Relief Act had not been enacted, then the result would have been an increase in General Fund revenue as result of the various federal tax law changes expiring for the 2011 tax year. Because they were extended for two years, there is no impact for FY 2011-12 and FY 2012-13. In the out years, after the latest extensions expire there will be a net gain to General Fund revenues. As with other calculations related to federal tax changes, analysis from the JCT was used to determine state tax liability. General Fund revenue changes would occur in FY 2013-14 and FY 2014-15.

North Carolina General Assembly
House Committee on Finance

Minutes

March 2, 2011

The House Committee on Finance met on Wednesday, March 2, 2011 at 8:30 am in Room 544 of the Legislative Office Building. The following members were present: Chairpersons Howard, Starnes, Setzer and Folwell; Vice-Chairs McComas and Wainwright; and Representatives Alexander, Brandon, Brawley, Carney, Collins, Cotham, Faison, Gibson, Hackney, Hall, Hill, Jordan, Luebke, McCormick, McGee, Moffitt, Moore, Rhyne, Ross, Samuelson, Stam, Stone, Warren, Weiss and Womble. Also present were Sergeant-at-Arms John Brandon, Earl Coker, Fred Hines and Ken Kirby. Staff persons present included Cindy Avrette, Rodney Bizzell, Barry Boardman, Dan Ettefagh, Heather Fennell, Trina Griffin, Sandra Johnson, Greg Roney, Brian Silvka, Jonathan Tart, and Martha Walston. The Agenda and Visitor Registration Sheets are attached and incorporated into these minutes as **attachments 1 and 2.**

Chairwoman Howard called the meeting to order at 8:30 am and recognized the four (4) pages present: (1) Kyle Brown of Wake County sponsored by Representative Stam; (2) Lauren Lynn of Columbus County sponsored by Representative Hill; (3) Emily Hackett of Columbus County sponsored by Representative Hill; and (4) Madison Bryant of Wayne County sponsored by Representative Bell.

Chairwoman Howard recognized Treasurer Janet Cowell of the North Carolina State Treasurer. Following Treasurer Cowell's presentation, she answered questions from members.

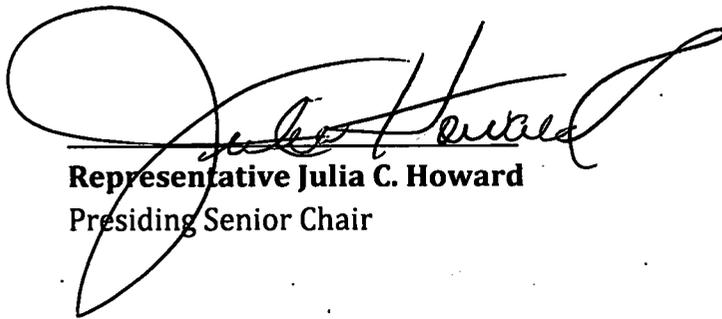

Chairwoman Howard recognized Shawn Wischmeier, Chief Investment Officer of the State Treasurer, to proceed with his presentation on the **State's Investments** (see **attachment 3**). Following Shawn's presentation, he answered questions from members.

Chairwoman Howard then recognized Vance Holloman, Deputy Treasurer of State and Local Finance of the State Treasurer, to proceed with his presentation on the **State's**

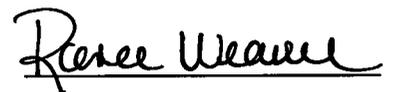

Affordability Study (see attachment 4). Due to time, Mr. Holloman was unable to completely finish his presentation.

Chairwoman Howard adjourned the meeting at 9:45 am.

Respectfully submitted,

Representative Julia C. Howard
Presiding Senior Chair

Renee Weaver
Clerk, House Committee on
Finance

Three Proposed Legislative Changes in 2011 Session

- Expand the benchmark indices that may be used for internally managed equity
- Increase “Alternatives” maximum from 5% of assets to 10% of assets
- Allow long/short equity hedge fund strategies within the public equity portfolio

The key principle underlying these changes is to achieve the same or slightly better returns at a meaningfully lower level of risk.

S&P 500 Only 32% of Global Equity Universe

S&P 500

- Covers approximately 75% of the U.S. equity market
- Focuses on large cap stocks

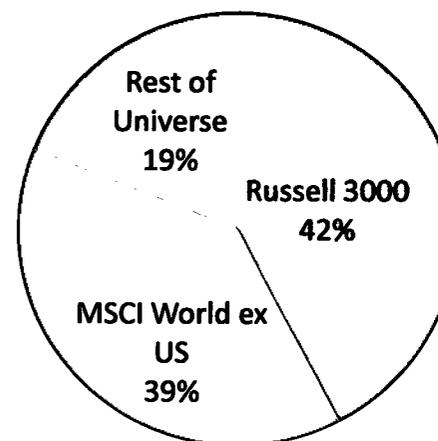

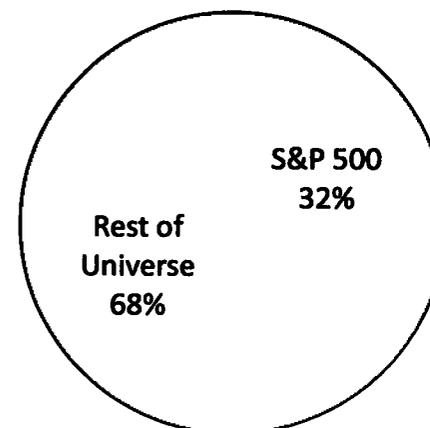

Russell 3000

- Covers approximately 98% of the U.S. equity market
- Coverage includes large cap, mid cap, and small cap stocks

State of North Carolina Debt Affordability
Presented by *T. Vance Holloman*

March 1, 2011

North Carolina Department of State Treasurer
State and Local Government

Learn. Invest. Grow. Prosper.

Debt Affordability Advisory Committee

About the Commission

The Committee is legislatively directed to:

- Annually advise the Governor and the General Assembly of the estimated debt capacity of the State (General Fund) for the upcoming ten years
- Annually advise the Governor and the General Assembly of the estimated debt capacity of the Transportation and Transportation Trust Funds for the upcoming ten years
- Recommend other debt management policies it considers desirable and consistent with the sound management of the State's debt

Study makes no recommendations regarding the use of available debt capacity.
Study is due February 1.

Debt Affordability Advisory Committee

Members of the Debt Affordability Committee

- Janet Cowell, State Treasurer
- Charles Perusse, State Budget Officer
- David Hoyle, Secretary of Revenue
- Beth Wood, State Auditor
- David McCoy, State Controller

Senate Appointees

- Stuart Bell
- J.W. Davis

House Appointees

- James V. Porto
- Jack Vogt

3

Review: What is Debt Affordability?

The amount of debt that may be prudently authorized and issued in a given period *without* negatively affecting the credit position or impairing the budget flexibility of the issuer.

- The amount of debt that is affordable ("capacity") is finite.
- Capacity can be measured and compared.
- Issuance beyond a prescribed level can erode credit ratings.
- The State measures its available capacity using tax-supported debt.

4

What is Tax-Supported Debt?

- The three bond rating agencies view all debt supported by state-wide taxes, fees, or levies as "tax-supported debt" and measure it on a combined basis. The measurement includes both General Fund and Transportation debt.
- For example, debt supported by both NC's Motor Fuels Tax and/or Vehicle registration and title fees would count as tax-supported debt.
- Debt supported by specifically pledged project revenues (e.g. tolls) would not count as tax-supported debt.

OPEB and ESC obligations are excluded.

"Triple-Triple A" States

"Triple-Triple A" States are those achieving the highest rating from each of the three major bond rating agencies.

Our peer group is comprised of these 8 states (including Iowa):

- Delaware
- Georgia
- Maryland
- Missouri
- North Carolina
- Utah
- Virginia
- Iowa*

North Carolina
 One of only 7 states in the U.S. to have GO debt rated "AAA" by all three agencies

* Iowa has non-GO debt rated "double A plus" and has been awarded an implied "AAA".

9

North Carolina Department of State Treasurer
 State and Local Government

"AAA" States Debt Comparisons

State	Debt/Personal Income	Debt per Capita	DS % Gov Expenditures
Delaware	6.2%	\$2,489	5.2%
Georgia	3.3%	1,120	5.3%
Iowa	.2%	73	0.7%
Maryland	3.4%	1,608	4.3%
Missouri	2.2%	780	3.0%
North Carolina	2.3%	765	2.0%
Utah	3.2%	957	3.9%
Virginia	2.1%	895	3.4%
Median	2.8%	\$926	3.7%

Source: Moody's 2010 State Debt Medians and S&P 2009 State Debt Review
 Note: Rating Agency comparisons are historic in nature and do not include authorized but unissued debt.

10

North Carolina Department of State Treasurer
 State and Local Government

Learn. Invest. Grow. Prosper.

Not "Apples to Apples"

- States develop debt affordability guidelines that are applicable to their individual situations and needs.
- Not all states utilize debt service as a percentage of revenues as the main metric, but a majority of the "AAA" rated states do.
- This calculation is most valuable because both numerator and denominator are directly controlled by policymakers.

11

GF Model Assumptions

- Tax-Supported Debt Service as a percentage of DAAC Revenues is the preferred calculation because both numerator and denominator directly controlled by policymakers.
 - 4% Guideline
 - 4.75% Ceiling
- Other Measures Evaluated:
 - Debt to Personal Income (2.5%/3.0%)
 - 10-year Payout Ratio (55%/50%)
 - Level of GF Unreserved Fund Balance and/or reserves
 - Debt per Capita

When NC adopted its limits (2003), policymakers were concerned that the State not become over-leveraged in a time of revenue uncertainty and negative fund balances.

In hindsight, that decision provided a measure of fiscal discipline that has served the State well in the current downturn and has helped it to regain its "AAA" rating from Moody's in 2007 and maintain its "AAA" rating from Fitch and S&P.

12

February 2011 DAAC Study

North Carolina General Fund Tax-Supported Debt Statistics

Projected as of	Debt to Personal Income	Debt per Capita	Debt Service as % DAAC Revenues	10-Year Payout Ratio
6/30/10 (actual)	1.8%	\$638	3.61%	59%
6/30/11	1.8%	\$663	3.62%	63%
6/30/12	1.8%	\$672	4.12%	66%

Transportation Debt Capacity

- Highway and Highway Trust Fund capacity combined
- All State-level transportation revenues used (DOT projection)
- Federal revenues and GARVEES excluded
- Guideline adopted: transportation-related debt service should not exceed 6% of the State's transportation revenues

15

Transportation Liabilities

- Outstanding Highway General Obligations
- "Gap Funding" support for NCTA (\$25 million - \$112 million/year)
- P3 and/or "design/build/finance" obligations count depending upon revenue source
- **Transportation debt service is projected to exceed its limits and capacity has been exhausted until FY 2014**

State and Local Government

Learn. Invest. Grow. Prosper.

2011 DAAC Other Recommendations

- Achieve structural budget balance and replenish reserves.
Tax reform may need to be considered.
- Establish a preference for General Obligation debt (versus special indebtedness).
- State should maintain its historically conservative debt management practices, including:
 - Centralized authorization, issuance and management of debt
 - Inclusion of all debt and debt-like obligations in calculations
 - GA clarification regarding individual agencies' ability to enter into alternative financings that may include debt and debt-like obligations
- Other Liabilities that do not impact debt capacity directly will need to be addressed:
 - OPEB
 - ESC Borrowings
 - Pension Funding

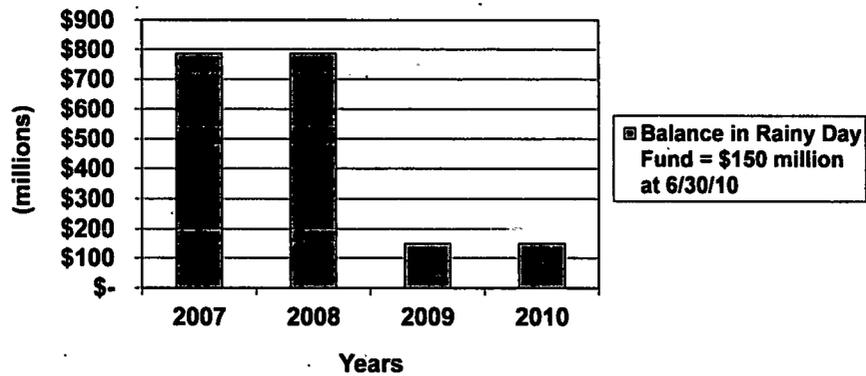

19

Structured Budget Balance and Replenish Reserves

20

Rainy Day Fund

21

North Carolina Department of State Treasurer
State and Local Government

Learn. Invest. Grow. Prosper.

General Obligation versus Special Indebtedness

- Since 2000, the State has relied extensively on the authorization of Special Indebtedness (Limited Obligation Bonds, COPs, other)
- Special Indebtedness as a percentage of all tax-supported debt will exceed 40% in FY 2014
- Peer group around 26%

22

North Carolina Department of State Treasurer
State and Local Government

Learn. Invest. Grow. Prosper.

Conservative Debt Management Practices

- Conservative Debt Management Practices include:
 - Centralized debt authorization
 - Centralized debt management and issuance
 - All debt and debt-like obligations counted in debt burden
- Recommendation is that General Assembly clarify its intent regarding individual agencies' ability to borrow by adopting limits, terms and taking into consideration the impact on debt burden.

23

Other Debt and Debt-Like Obligations

Debt Affordability Treatment

- Depends upon source of repayment
 - "General Governmental Funds" versus pledged revenue stream
- Public Private Partnerships
 - Financing costs higher
 - May count against debt affordability
 - Process to evaluate variables

Speed
Control

Quality
Public Access
Compensation

Priority of Project
Financing Costs

24

Other Liabilities

- The Committee recommended that the General Assembly determine the best course of action to address:
 - OPEB Liabilities
 - ESC Borrowings
 - Pension System Funding
- Although these liabilities do not impact debt capacity directly, they could have a negative impact upon the bond ratings of the State.

North Carolina General Assembly House Committee on Finance

Minutes

March 3, 2011

The House Committee on Finance met on Thursday, March 3, 2011 at 8:30 am in Room 544 of the Legislative Office Building. The following members were present: Chairpersons Howard, Starnes, Setzer and Folwell; Vice-Chairs Lewis, McComas and Wainwright; and Representatives Brandon, Brawley, Carney, Collins, Cotham, Faison, Gibson, Hackney, Hill, Jordan, Luebke, McCormick, McGee, Moffitt, Moore, Ross, Samuelson, Stam, Stone, Warren, Weiss and Womble. Also present were Sergeant-at-Arms John Brandon, Earl Coker, Jesse Hayes and Fred Hines. Staff persons present included Cindy Avrette, Rodney Bizzell, Barry Boardman, Dan Ettefagh, Heather Fennell, Trina Griffin, Sandra Johnson, Greg Roney, Brian Silvka, Jonathan Tart, and Martha Walston. The Agenda and Visitor Registration Sheets are attached and incorporated into these minutes as **attachments 1 and 2**.

Chairperson Starnes called the meeting to order at 8:30 am and recognized the three (3) pages present: (1) Julia Chavis of Wake County sponsored by Representative Ross; (2) Aqueelan Beyan of Wake County sponsored by Representative Hall; and (3) Chris Haskins of Cumberland County sponsored by Representative Floyd.

The first bill considered by the Committee was **HB 45 Accelerate Cleanup of Industrial Properties** (see **attachment 3**). The Chair recognized Representative Gillespie to explain the bill. Following the explanation, the Chair recognized Representative Warren who offered an amendment. Chairperson Starnes then invited Dexter Matthews of the Waste Management Division with the NC Department of Environmental and Natural Resources to speak. Chairperson Starnes requested a show of hands in support and against amendment. The vote came to 19 for and 10 against. The amendment was approved. Representative Moore moved that HB 45 be given a favorable report; the motion carried.

The next bill considered by the Committee was **SB 32 Hospital Medicaid Assessment/Payment Program** (see **attachment 4**). The Chair recognized Senator Brunstetter to explain the bill. Following the explanation, the Chair invited anyone

representing the Department of Health and Human Services to speak, none were present. The Chair then invited Hugh Tilson who represents the North Carolina Hospital Association who stated they were fully supportive of the bill. Representative Carney moved that SB 32 be given a favorable report; the motion carried. The bill was re-referred to the Committee on Appropriations.

HB 92 Repeal Land Transfer Tax (see attachment 5) was the next bill to be considered. Chairperson Starnes recognized Representative Howard to explain the bill. The Chair then recognized Rebecca Troutman of the North Carolina Association of County Commissioners to speak in opposition of the bill. Representative Faison moved that HB 92 be given a favorable report; the motion carried.

The next bill to be considered was **SB 97 Clarify Refunds of Tax Overpayments** (see attachment 6). The Chair recognized Senator Rucho to explain the bill. Following the explanation, Representative McCormick moved that SB 97 be given a favorable report; the motion carried.

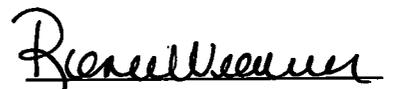

SB 76 TC: Eligibility: Indus Facil/Fix Uwharrie Com (see attachment 7) was the next bill to be heard. The Chair recognized Senator Hartsell to explain the bill. Following the explanation, Representative Moore moved that SB 76 be given a favorable report; the motion carried.

Due to time, **HB 93 Modify Refundability of EITC** was unable to be heard and is scheduled to be heard on Wednesday, March 9, 2011

There being no further business presently before the Committee, Chairperson Starnes adjourned the meeting at 9:39 am.

Respectfully submitted,

Representative Edgar Starnes
Presiding Chair

Renee Weaver
Clerk, House Committee on
Finance

**2011 COMMITTEE REPORT
HOUSE OF REPRESENTATIVES**

The following report(s) from standing committee(s) is/are presented:

By Representative Howard, Folwell, Setzer, Starnes (Chairs) for the Committee on FINANCE.

Committee Substitute for

HB 45 A BILL TO BE ENTITLED AN ACT TO ALLOW THE USE OF RISK-BASED REMEDIATION TO ACCELERATE THE CLEANUP OF CONTAMINATED INDUSTRIAL SITES FOR THE PURPOSE OF LIMITING HUMAN AND ENVIRONMENTAL EXPOSURE TO SAFE LEVELS, TO PROTECT CURRENT AND LIKELY FUTURE USES OF GROUNDWATER, AND TO ENSURE THE COST-EFFECTIVE APPLICATION OF LIMITED PUBLIC AND PRIVATE RESOURCES.

With a favorable report as to the committee substitute bill, unfavorable as to the original bill.

(FOR JOURNAL USE ONLY)

GENERAL ASSEMBLY OF NORTH CAROLINA
SESSION 2011

H

1

HOUSE BILL 45*

Short Title: Accelerate Cleanup of Industrial Properties. (Public)

Sponsors: Representatives Gillespie, Cook, and Gibson (Primary Sponsors).
For a complete list of Sponsors, see Bill Information on the NCGA Web Site.

Referred to: Environment.

February 8, 2011

A BILL TO BE ENTITLED

AN ACT TO ALLOW THE USE OF RISK-BASED REMEDIATION TO ACCELERATE THE CLEANUP OF CONTAMINATED INDUSTRIAL SITES FOR THE PURPOSE OF LIMITING HUMAN AND ENVIRONMENTAL EXPOSURE TO SAFE LEVELS, TO PROTECT CURRENT AND LIKELY FUTURE USES OF GROUNDWATER, AND TO ENSURE THE COST-EFFECTIVE APPLICATION OF LIMITED PUBLIC AND PRIVATE RESOURCES.

Whereas, the General Assembly finds that public health, safety, and welfare and the environment can be protected by implementing a remediation process that requires that contaminated industrial sites be cleaned up to a level that is sufficient to ensure protection of public health, safety, and welfare and the environment without excessive expenditure of public or private resources; and

Whereas, the General Assembly finds that there are contaminated industrial sites in North Carolina, including land and other property, surface water, and groundwater, that are adversely affected by environmental contamination due to the presence of drilling waste; hazardous and toxic materials, substances, and wastes; solid waste; oil; and other wastes, contaminants, and regulated substances; and

Whereas, the General Assembly finds that the presence of environmental contamination on industrial sites creates both potential and actual harm to public health, safety, and welfare and to the environment; and

Whereas, the General Assembly finds that this potential and actual harm results in substantial economic losses, including reduced property values and tax revenues, decreased ability to develop and expand the beneficial use of these sites, and other opportunity costs because of the uncertainties and concerns that result from the environmental contamination of these sites; and

Whereas, the General Assembly finds that it is in the public interest that contaminated industrial sites are cleaned up or managed in a manner that protects public health, safety, and welfare and the environment and protects groundwater that is a current or probable future water supply; and

Whereas, the General Assembly finds that North Carolina has numerous and varied State-managed remediation programs to address environmental contamination, including the Inactive Hazardous Sites Response Act of 1987; the hazardous waste management program administered by the State pursuant to the federal Resource Conservation and Recovery Act of 1976; the Leaking Petroleum Underground Storage Tank Cleanup Act of 1988; the Brownfields Property Reuse Act of 1997; the Dry-Cleaning Solvent Cleanup Act of 1997; the federal

1 Superfund program administered in part by the State pursuant to the Comprehensive
2 Environmental Response, Compensation, and Liability Act of 1980 and the Superfund
3 Amendments and Reauthorization Act of 1986; and the groundwater protection rules adopted
4 by the Environmental Management Commission; and

5 Whereas, the General Assembly finds that the expenditure of public and private
6 resources on unnecessary remediation could better be channeled to other purposes, including
7 new development, renovation and repair, research and development, training and education,
8 and other activities that maintain and enhance North Carolina's competitive position in the
9 world and the excellent quality of life enjoyed by the citizens of North Carolina; and

10 Whereas, the General Assembly finds that North Carolina's groundwater is a
11 valuable public and private resource, serving as the drinking water source for one-half of the
12 State's population and also as a water supply for industrial and commercial uses; and

13 Whereas, the General Assembly finds that maintenance of North Carolina's surface
14 water and groundwater resources will become increasingly important to the continued
15 economic vitality of the State in the future; and

16 Whereas, the General Assembly finds that use of site-specific remediation standards
17 based on an objective, scientific, and uniform approach to the evaluation of the risk posed by
18 each contaminated site can be protective of public health, safety, and welfare and the
19 environment; and

20 Whereas, the General Assembly finds that use of site-specific remediation standards
21 in appropriate circumstances may encourage accelerated cleanup of contaminated industrial
22 sites; and

23 Whereas, the General Assembly intends that the levels of remediation that are
24 established for each contaminated site are to be applicable or relevant under federal remediation
25 programs; and

26 Whereas, the General Assembly intends that the protections afforded to public
27 health, safety, and welfare and to the environment by existing environmental, health, and safety
28 standards that apply to ongoing activities not be diminished in any way, in order that those
29 standards will continue to protect against the discharge or release of contaminants to the
30 environment that would result in additional contaminated sites; Now, therefore,
31 The General Assembly of North Carolina enacts:

32 **SECTION 1.** G.S. 130A-310.62 through G.S. 130A-310.64 are reserved for future
33 codification purposes.

34 **SECTION 2.** Article 9 of Chapter 130A of the General Statutes is amended by
35 adding a new Part to read:

36 "Part 8. Risk-Based Environmental Remediation of Industrial Sites.

37 "§ 130A-310.65. Definitions.

38 As used in this Part:

- 39 (1) "Background standard" means the naturally occurring concentration of a
40 substance in the absence of the release of a contaminant.
41 (2) "Commission" means the Environmental Management Commission created
42 pursuant to G.S. 143B-282.
43 (3) "Contaminant" means any substance regulated under any program listed in
44 G.S. 130A-310.67(a).
45 (4) "Contaminated industrial site" or "site" means any real property that meets
46 all of the following criteria:
47 a. The property is contaminated and may be subject to remediation
48 under any of the programs or requirements set out in
49 G.S. 130A-310.67(a).
50 b. The property is or has been used primarily for manufacturing or other
51 industrial activities for the production of a commercial product. This

1 includes a property used primarily for the generation of electricity.
2 This does not include a property used primarily for service industry
3 activities.

4 c. No contaminant associated with activities at the property has
5 migrated or will migrate to any adjacent properties above
6 unrestricted use standards for the contaminant.

7 (5) "Contamination" means a contaminant released into an environmental
8 medium that has resulted in or has the potential to result in an increase in the
9 concentration of the contaminant in the environmental medium in excess of
10 unrestricted use standards.

11 (6) "Fund" means the Inactive Hazardous Sites Cleanup Fund established
12 pursuant to G.S. 130A-310.11.

13 (7) "Institutional controls" means nonengineered measures used to prevent
14 unsafe exposure to contamination, such as land-use restrictions.

15 (8) "Registered environmental consultant" means an environmental consulting
16 or engineering firm approved to implement and oversee voluntary remedial
17 actions pursuant to Part 3 of Article 9 of Chapter 130A of the General
18 Statutes and rules adopted to implement the Part.

19 (9) "Remedial action plan" means a plan for eliminating or reducing
20 contamination or exposure to contamination.

21 (10) "Remediation" means all actions that are necessary or appropriate to clean
22 up, mitigate, correct, abate, minimize, eliminate, control, or prevent the
23 spreading, migration, leaking, leaching, volatilization, spilling, transport, or
24 further release of a contaminant into the environment in order to protect
25 public health, safety, or welfare or the environment.

26 (11) "Systemic toxicant" means any substance that may enter the body and have a
27 harmful effect other than causing cancer.

28 (12) "Unrestricted use standards" means contaminant concentrations for each
29 environmental medium that are acceptable for all uses; that are protective of
30 public health, safety, and welfare and the environment; and that comply with
31 generally applicable standards, guidance, or methods established by statute
32 or adopted, published, or implemented by the Commission, the Commission
33 for Public Health, or the Department.

34 **"§ 130A-310.66. Purpose.**

35 It is the purpose of this Part to authorize the Department to approve the remediation of
36 contaminated industrial sites based on site-specific remediation standards in circumstances
37 where site-specific remediation standards are adequate to protect public health, safety, and
38 welfare and the environment and are consistent with protection of current and anticipated future
39 use of groundwater and surface water affected or potentially affected by the contamination.

40 **"§ 130A-310.67. Applicability.**

41 (a) This Part applies to contaminated industrial sites subject to remediation pursuant to
42 any of the following programs or requirements:

43 (1) The Inactive Hazardous Sites Response Act of 1987 under Part 3 of Article 9
44 of Chapter 130A of the General Statutes, including voluntary actions under
45 G.S. 130A-310.9 of that act, and rules promulgated pursuant to those
46 statutes.

47 (2) The hazardous waste management program administered by the State
48 pursuant to the federal Resource Conservation and Recovery Act of 1976,
49 Public Law 94-580, 90 Stat. 2795, 42 U.S.C. § 6901, et seq., as amended,
50 and Article 9 of Chapter 130A of the General Statutes.

- 1 (3) The solid waste management program administered pursuant to Article 9 of
2 Chapter 130A of the General Statutes.
- 3 (4) The federal Superfund program administered in part by the State pursuant to
4 the Comprehensive Environmental Response, Compensation, and Liability
5 Act of 1980, Public Law 96-510, 94 Stat. 2767, 42 U.S.C. § 9601, et seq., as
6 amended, the Superfund Amendments and Reauthorization Act of 1986,
7 Public Law 99-499, 100 Stat. 1613, as amended, and under Part 4 of Article
8 9 of Chapter 130A of the General Statutes.
- 9 (5) The groundwater protection corrective action requirements adopted by the
10 Commission pursuant to Article 21 of Chapter 143 of the General Statutes.
- 11 (6) Oil Pollution and Hazardous Substances Control Act of 1978, Parts 1 and 2
12 of Article 21A of Chapter 143 of the General Statutes.
- 13 (b) This Part shall not apply to contaminated industrial sites subject to remediation
14 pursuant to any of the following programs or requirements:

15 (1) The Leaking Petroleum Underground Storage Tank Cleanup program under
16 Part 2A of Article 21A of Chapter 143 of the General Statutes and rules
17 promulgated pursuant to that statute.

18 (2) The Dry-Cleaning Solvent Cleanup program under Part 6 of Article 21A of
19 Chapter 143 of the General Statutes and rules promulgated pursuant to that
20 statute.

21 (3) The pre-1983 landfill assessment and remediation program established under
22 G.S. 130A-310.6(c) through (g).

23 (c) This Part shall apply only to sites where a discharge, spill, or release of
24 contamination has been reported to the Department prior to March 1, 2011.

25 **§ 130A-310.68. Remediation standards.**

26 (a) When conducting remediation activities pursuant to this Part, a person who proposes
27 to or is required to respond to the release of a contaminant at a contaminated industrial site
28 shall comply with one of the following standards:

- 29 (1) The unrestricted use standards applicable to each affected medium.
- 30 (2) The background standard, if the background standard exceeds the
31 unrestricted use standards.
- 32 (3) A site-specific remediation standard developed in accordance with
33 subsection (b) of this section that is approved by the Department.
- 34 (4) Any combination of remediation standards described in this subsection that
35 is approved by the Department.

36 (b) Site-specific remediation standards shall be developed for each medium as provided
37 in this subsection to achieve remediation that eliminates or reduces to protective levels any
38 substantial present or probable future risk to human health, including sensitive subgroups, and
39 the environment based upon the present or currently planned future use of the property
40 comprising the site. Site-specific remediation standards shall be developed in accordance with
41 all of the following:

- 42 (1) Remediation methods and technologies that result in emissions of air
43 pollutants shall comply with applicable air quality standards adopted by the
44 Commission.
- 45 (2) The site-specific remediation standard for surface waters shall be the water
46 quality standards adopted by the Commission.
- 47 (3) The current and probable future use of groundwater shall be identified and
48 protected. Site-specific sources of contaminants and potential receptors shall
49 be identified. Potential receptors must be protected, controlled, or eliminated
50 whether the receptors are located on or off the site where the source of
51 contamination is located. Natural environmental conditions affecting the fate

1 and transport of contaminants, such as natural attenuation, shall be
2 determined by appropriate scientific methods.

3 (4) Permits for facilities located at sites covered by any of the programs or
4 requirements set out in G.S. 130A-310.67(a) shall contain conditions to
5 avoid exceedances of applicable groundwater standards adopted by the
6 Commission pursuant to Article 21 of Chapter 143 of the General Statutes
7 due to operation of the facility.

8 (5) Soil shall be remediated to levels that no longer constitute a continuing
9 source of groundwater contamination in excess of the site-specific
10 groundwater remediation standards approved under this Part.

11 (6) Soil shall be remediated to unrestricted use standards on residential property
12 with the following exceptions:

13 a. For mixed-use developments where the ground level uses are
14 nonresidential and where all potential exposure to contaminated soil
15 has been eliminated, the Department may allow soil to remain on the
16 site in excess of unrestricted use standards.

17 b. If soil remediation is impracticable because of the presence of
18 preexisting structures or impracticability of removal, all areas of the
19 real property at which a person may come into contact with soil shall
20 be remediated to unrestricted use standards, and, on all other areas of
21 the real property, engineering and institutional controls that are
22 sufficient to protect public health, safety, and welfare and the
23 environment shall be implemented and maintained.

24 (7) The potential for human inhalation of contaminants from the outdoor air and
25 other site-specific indoor air exposure pathways shall be considered, if
26 applicable.

27 (8) The site-specific remediation standard shall protect against human exposure
28 to contamination through the consumption of contaminated fish or wildlife
29 and through the ingestion of contaminants in surface water or groundwater
30 supplies.

31 (9) For known or suspected carcinogens, site-specific remediation standards
32 shall be established at exposures that represent an excess lifetime cancer risk
33 of one in 1,000,000. The site-specific remediation standard may depart from
34 the one-in-1,000,000 risk level based on the criteria set out in 40 Code of
35 Federal Regulations § 300.430(e)(9) (July 1, 2003 Edition). The cumulative
36 excess lifetime cancer risk to an exposed individual shall not be greater than
37 one in 10,000 based on the sum of carcinogenic risk posed by each
38 contaminant present.

39 (10) For systemic toxicants, site-specific remediation standards shall represent
40 levels to which the human population, including sensitive subgroups, may be
41 exposed without any adverse health effect during a lifetime or part of a
42 lifetime. Site-specific remediation standards for systemic toxicants shall
43 incorporate an adequate margin of safety and shall take into account cases
44 where two or more systemic toxicants affect the same organ or organ
45 system.

46 (11) The site-specific remediation standards for each medium shall be adequate to
47 avoid foreseeable adverse effects to other media or the environment that are
48 inconsistent with the risk-based approach under this Part.

49 **§ 130A-310.69. Remedial investigation report; remedial action plans.**

50 (a) A person who proposes to conduct remediation pursuant to this Part shall submit a
51 remedial investigation report to the Department prior to submitting a remedial action plan. The

1 remedial investigation report shall include, but is not limited to, a legal description of the
2 location of the site; a map showing the location of the site; a description of the contaminants
3 involved and their concentration in the media of the site; a narrative description of the
4 methodology used in the investigation; a description of all on-site releases of contamination; a
5 site map, drawn to scale, showing benchmarks, directional arrow, location of property
6 boundaries, buildings, structures, all perennial and nonperennial surface water features,
7 drainage ditches, dense vegetation, contaminant spill or disposal areas, underground utilities,
8 storage vessels, and existing on-site wells; identification of adjacent property owners and
9 adjacent land uses; description of local geologic and hydrologic conditions; an evaluation of the
10 site and adjacent properties for the existence of environmentally sensitive areas; a description
11 of groundwater monitoring well design and installation procedures; a map, drawn to scale, that
12 shows all groundwater sample locations; a description of field and laboratory quality control
13 and quality assurance procedures followed during the remedial investigation; a description of
14 methods used to manage investigation-derived wastes; tabulation of analytical results for all
15 sampling; copies of all laboratory reports; a description of procedures and the results of any
16 special assessments; and any other information required by the Department or considered
17 relevant by the investigator. The remedial investigation shall assess all contaminated areas of
18 the site, including types and levels of contamination, and the risk that the contamination poses
19 to public health, safety, and welfare and to the environment.

20 (b) A person who proposes to conduct remediation pursuant to this Part shall develop
21 and submit a proposed remedial action plan to the Department. A remedial action plan shall
22 provide for the protection of public health, safety, and welfare and the environment. A remedial
23 action plan shall do all of the following:

- 24 (1) Identify actions required to remove, treat, or otherwise appropriately
25 mitigate or isolate the source of contamination to ensure that the source will
26 not cause unrestricted use standards to be exceeded in any medium.
- 27 (2) Address contamination that moves from one medium to another in order to
28 prevent a violation of the remediation standards established under
29 G.S. 130A-310.68. A more stringent remediation standard may be required
30 for a particular medium to control impact on other media.
- 31 (3) Identify the current and anticipated future uses of property comprising the
32 contaminated site and address any concerns raised in public comment on the
33 proposed remedial action plan as to the proposed future uses of the property.
- 34 (4) Identify the current and anticipated future uses of groundwater in the
35 contaminated site and address any concerns raised in public comment on the
36 proposed remedial action plan as to the future uses of groundwater.
- 37 (5) Determine the appropriate method of remediation to achieve the site-specific
38 remediation standards.
- 39 (6) Specify any measures that may be necessary to prevent adverse effects to the
40 environment that may occur at levels of contamination that are lower than
41 the standard necessary to protect human health.
- 42 (7) Specify any measures that may be necessary to prevent any discharge into
43 surface waters during implementation of the remedial action plan that
44 violates applicable surface water quality standards adopted by the
45 Commission.
- 46 (8) Specify any measures that may be necessary to prevent any air emission
47 during implementation of the remedial action plan that violates applicable air
48 quality standards adopted by the Commission.
- 49 (9) Provide for attainment and maintenance of the remediation standards
50 established under G.S. 130A-310.68.

- 1 (10) Provide for methods and procedures to verify that the quantity,
2 concentration, range, or other measure of each contaminant remaining at the
3 contaminated site at the conclusion of the contaminant-reduction phase of
4 remediation meets the remediation standards established for the site, that an
5 acceptable level of risk has been achieved, and that no further remediation is
6 required.
- 7 (11) Provide for the imposition and recordation of land-use restrictions as
8 provided in G.S. 143B-279.9, 143B-279.10, 130A-310.3(f), 130A-310.8,
9 130A-310.35, 143-215.84(f), and 143-215.85A if the remedial action plan
10 allows contamination in excess of the greater of unrestricted use standards or
11 background standards to remain on any real property or in groundwater that
12 underlies any real property.
- 13 (12) Provide for submission of an annual certification to the Department by the
14 property owner that land use at the site is in compliance with land-use
15 restrictions recorded pursuant to this Part and that the land-use restrictions
16 are still properly recorded in the chain of title for the property.
- 17 (13) Provide a detailed description of the proposed remedial action to be taken;
18 the results of any treatability studies and additional site characterization
19 needed to support the proposed remedial action; plans for postremedial and
20 confirmatory sampling; a project schedule; a schedule for progress reports to
21 the Department; and any other information required by the Department or
22 considered relevant by the person who submits the proposed remedial action
23 plan.
- 24 (14) Provide a description of measures that will be employed to ensure that the
25 safety and health of persons on properties in the vicinity of the site and
26 persons visiting or doing business on the site will not be adversely affected
27 by any remediation activity.
- 28 (15) Provide a reasonable estimate of the probable cost of the remedial action
29 sufficient for the Department to determine an acceptable level of financial
30 assurance.
- 31 (16) Provide proof of financial assurance as required by G.S. 130A-310.72.
- 32 (c) A remedial action plan shall also include an analysis of each of the following
33 factors:
- 34 (1) Long-term risks and effectiveness of the proposed remediation, including an
35 evaluation of all of the following:
- 36 a. The magnitude of risks remaining after completion of the
37 remediation.
- 38 b. The type, degree, frequency, and duration of any postremediation
39 activity that may be required, including, but not limited to, operation
40 and maintenance, monitoring, inspection, reports, and other activities
41 necessary to protect public health, safety, and welfare and the
42 environment.
- 43 c. Potential for exposure of human and environmental receptors to
44 contaminants remaining at the site.
- 45 d. Long-term reliability of any engineering and voluntary institutional
46 controls, including repair, maintenance, or replacement of
47 components.
- 48 e. Time required to achieve remediation standards.
- 49 (2) Toxicity, mobility, and volume of contaminants, including the amount of
50 contaminants that will be removed, contained, treated, or destroyed; the
51 degree of expected reduction in toxicity, mobility, and volume; and the type,

1 quantity, toxicity, and mobility of contaminants that will remain after
2 implementation of the remedial action plan.

3 (3) Short-term risks and effectiveness of the remediation, including the
4 short-term risks that may be posed to the community, workers, or the
5 environment during implementation of the remedial action plan, and the
6 effectiveness and reliability of protective measures to address short-term
7 risks.

8 (4) The ease or difficulty of implementing the remedial action plan, including
9 commercially available remedial measures; expected operational reliability;
10 available capacity and location of needed treatment, storage, and disposal
11 services for wastes; time to initiate remediation; and approvals necessary to
12 implement the remediation.

13 (d) The development of a remedial action plan may require supplemental submissions
14 and revisions based on Department review, remedial action pilot studies, and public comment
15 from local government and citizens.

16 **"§ 130A-310.70. Notice of intent to remediate.**

17 In addition to the public participation requirements of the individual programs listed in
18 G.S. 130A-310.67(a), the person who proposes to remediate a site under this Part shall send a
19 notice of intent to remediate to all local governments having taxing or land-use jurisdiction
20 over the site, and to all adjoining landowners. The notice shall include all of the information
21 required in G.S. 130A-310.69(a) and include a statement of intent to clean up the site to
22 site-specific remediation standards. The person shall submit to the Department a copy of the
23 notice of intent provided to local governments and adjoining landowners, a certification that the
24 notice of intent to remediate was so provided to those parties, and all information and
25 comments that the person received in response to the notice. In addition, the person shall, when
26 appropriate, describe how the remediation plan was modified to address comments received in
27 response to the notice.

28 **"§ 130A-310.71. Review and approval of proposed remedial action plans.**

29 (a) The Department shall review and approve a proposed remedial action plan
30 consistent with the remediation standards set out in G.S. 130A-310.68 and the procedures set
31 out in this section. In its review of a proposed remedial action plan, the Department shall do all
32 of the following:

33 (1) Determine whether site-specific remediation standards are appropriate for a
34 particular contaminated site. In making this determination, the Department
35 shall consider proximity of the contamination to water supply wells or other
36 receptors; current and probable future reliance on the groundwater as a water
37 supply; current and anticipated future land use; environmental impacts; and
38 the feasibility of remediation to unrestricted use standards.

39 (2) Determine whether the party conducting the remediation has adequately
40 demonstrated through modeling or other scientific means acceptable to the
41 Department that no contamination will migrate to adjacent property at levels
42 above unrestricted use standards.

43 (3) Determine whether the proposed remedial action plan meets the
44 requirements of G.S. 130A-310.69.

45 (4) Determine whether the proposed remedial action plan meets the
46 requirements of any other applicable remediation program except those
47 pertaining to remediation standards.

48 (5) Establish the acceptable level or range of levels of risk to public health,
49 safety, and welfare and to the environment.

50 (6) Establish, for each contaminant, the maximum allowable quantity,
51 concentration, range, or other measures of contamination that will remain at

1 the contaminated site at the conclusion of the contaminant-reduction phase
2 of the remediation.

3 (7) Consider the technical performance, effectiveness, and reliability of the
4 proposed remedial action plan in attaining and maintaining compliance with
5 applicable remediation standards.

6 (8) Consider the ability of the person who proposes to remediate the site to
7 implement the proposed remedial action plan within a reasonable time and
8 without jeopardizing public health, safety, or welfare or the environment.

9 (9) Determine whether the proposed remedial action plan adequately provides
10 for the imposition and maintenance of engineering and institutional controls
11 and for sampling, monitoring, and reporting requirements necessary to
12 protect public health, safety, and welfare and the environment.

13 (10) Approve the circumstances under which no further remediation is required.

14 (b) The person who proposes a remedial action plan has the burden of demonstrating
15 that contamination from the site will not likely migrate in the reasonably foreseeable future to
16 adjacent property and that the remedial action plan is protective of public health, safety, and
17 welfare and the environment by virtue of its compliance with this Part.

18 (c) The Department may require a person who proposes a remedial action plan to
19 supply any additional information necessary for the Department to approve or disapprove the
20 plan.

21 (d) In making a determination on a proposed remedial action plan, the Department shall
22 consider the information provided by the person who proposes the remedial action plan as well
23 as information provided by local governments and adjoining landowners pursuant to
24 G.S. 130A-310.70. The Department shall disapprove a proposed remedial action plan unless the
25 Department finds that the plan is protective of public health, safety, and welfare and the
26 environment and complies with the requirements of this Part. If the Department disapproves a
27 proposed remedial action plan, the person who submitted the plan may seek review as provided
28 in Article 3 of Chapter 150B of the General Statutes. If the Department fails to approve or
29 disapprove a proposed remedial action plan within 120 days after a complete plan has been
30 submitted, the person who submitted the plan may treat the plan as having been disapproved at
31 the end of that time period.

32 **"§ 130A-310.72. Financial assurance requirement.**

33 The person conducting remediation of a contaminated industrial site pursuant to the
34 provisions of this Part shall establish financial assurance that will ensure that sufficient funds
35 are available to implement and maintain the actions or controls specified in the remedial action
36 plan for the site. The person conducting remediation of a site may establish financial assurance
37 through one of the following mechanisms, or any combination of the following mechanisms, in
38 a form specified or approved by the Department: insurance products issued from entities having
39 no corporate or ownership association with the person conducting the remediation; funded
40 trusts; surety bonds; certificates of deposit; letters of credit; corporate financial tests; local
41 government financial tests; corporate guarantees; local government guarantees; capital reserve
42 funds; or any other financial mechanism authorized for the demonstration of financial
43 assurance under (i) 40 Code of Federal Regulations Part 264, Subpart H (July 1, 2010 Edition)
44 and (ii) Section .1600 of Subchapter B of Chapter 13 of Title 15A of the North Carolina
45 Administrative Code.

46 **"§ 130A-310.73. Attainment of the remediation standard.**

47 (a) Compliance with the approved remediation standards is attained for a site or portion
48 of a site when a remedial action plan approved by the Department has been implemented and
49 applicable soil, groundwater, surface water, and air emission standards have been attained. The
50 remediation standards may be attained through a combination of remediation activities that can
51 include treatment, removal, engineering, or institutional controls, except that the person

1 conducting the remediation may not demonstrate attainment of an unrestricted use standard or a
2 background standard through the use of institutional controls alone. When the remedial action
3 plan has been fully implemented, the person conducting the remediation shall submit a final
4 report to the Department, with notice to all local governments with taxing and land-use
5 jurisdiction over the site, that demonstrates that the remedial action plan has been fully
6 implemented, that any land-use restrictions have been certified on an annual basis, and that the
7 remediation standards have been attained. The final report shall be accompanied by a request
8 that the Department issue a determination that no further remediation beyond that specified in
9 the approved remedial action plan is required.

10 (b) The person conducting the remediation has the burden of demonstrating that the
11 remedial action plan has been fully implemented and that the remediation standards have been
12 attained in compliance with the requirements of this Part. The Department may require a person
13 who implements the remedial action plan to supply any additional information necessary for
14 the Department to determine whether the remediation standards have been attained.

15 (c) The Department shall review the final report, and, upon determining that the person
16 conducting the remediation has completed remediation to the approved remediation standard
17 and met all the requirements of the approved remedial action plan, the Department shall issue a
18 determination that no further remediation beyond that specified in the approved remedial action
19 plan is required at the site. Once the Department has issued a no further action determination,
20 the Department may require additional remedial action by the responsible party only upon
21 finding any of the following:

- 22 (1) Monitoring, testing, or analysis of the site subsequent to the issuance of the
23 no further action determination indicates that the remediation standards and
24 objectives were not achieved or are not being maintained.
- 25 (2) One or more of the conditions, restrictions, or limitations imposed on the site
26 as part of the remediation have been violated.
- 27 (3) Site monitoring or operation and maintenance activities that are required as
28 part of the remedial action plan or no further action determination for the site
29 are not adequately funded or are not adequately implemented.
- 30 (4) A contaminant or hazardous substance release is discovered at the site that
31 was not the subject of the remedial investigation report or the remedial
32 action plan.
- 33 (5) A material change in the facts known to the Department at the time the
34 written no further action determination was issued, or new facts, cause the
35 Department to find that further assessment or remediation is necessary to
36 prevent a significant risk to human health and safety or to the environment.
- 37 (6) The no further action determination was based on fraud, misrepresentation,
38 or intentional nondisclosure of information by the person conducting the
39 remediation.
- 40 (7) Installation or use of wells would induce the flow of contaminated
41 groundwater off the site.

42 (d) The Department shall issue a final decision on a request for a determination that
43 remediation has been completed to approved standards and that no further remediation beyond
44 that specified in the approved remedial action plan is required within 180 days after receipt of a
45 complete final report. Failure of the Department to issue a final decision on a no further
46 remediation determination within 180 days after receipt of a complete final report and request
47 for a determination of no further remediation may be treated as a denial of the request for a no
48 further remediation determination. The responsible person may seek review of a denial of a
49 request for a release from further remediation as provided in Article 3 of Chapter 150B of the
50 General Statutes.

1 (e) Once the Department issues a determination that no further remediation is required
2 beyond that specified in the approved remedial action plan for the site, any person who changes
3 the use of the property causing the level of risk to increase beyond the acceptable risk range
4 shall be required by the Department to undertake additional remediation measures.

5 **"§ 130A-310.74. Compliance with other laws.**

6 Where a site is covered by an agreement under the Brownfields Property Reuse Act of
7 1997, as codified as Part 5 of Article 9 Chapter 130A of the General Statutes, any work
8 performed by the prospective developer pursuant to that agreement is not required to comply
9 with this Part, but any work not covered by such agreement and performed at the site by
10 another person not a party to that agreement may be performed pursuant to this Part.

11 **"§ 130A-310.75. Use of registered environmental consultants.**

12 The Department may approve the use of a registered environmental consultant to provide
13 oversight for the assessment and remediation of a site under this Part. If remediation under this
14 Part is not undertaken voluntarily, the Department may not require the use of a registered
15 environmental consultant to provide oversight for the assessment and remediation of a site
16 under this Part.

17 **"§ 130A-310.76. Fees; permissible uses of fees.**

18 (a) A person who undertakes remediation of environmental contamination under
19 site-specific remediation standards as provided in G.S. 130A-310.68 shall pay a fee to the Fund
20 in an amount equal to four thousand five hundred dollars (\$4,500) for each acre or portion of an
21 acre of contamination, including any area that will become contaminated as a result of the
22 release; however, no person shall be required to pay more than one hundred twenty-five
23 thousand dollars (\$125,000) to the Fund for any individual site, regardless of its size. This
24 one-time fee shall be payable at the time the person undertaking remediation submits the
25 remedial action plan to the Department.

26 (b) Funds collected pursuant to subsection (a) of this section may be used only for the
27 following purposes:

- 28 (1) To pay for administrative and operating expenses necessary to implement
29 this Part.
30 (2) To establish, administer, and maintain a system for the tracking of land-use
31 restrictions recorded at sites that are remediated pursuant to this Part.

32 **"§ 130A-310.77. Construction of Part.**

33 This Part shall not be construed or implemented in any of the following ways:

- 34 (1) In any manner that would jeopardize federal authorization under any of the
35 federal statutes, programs, or requirements set out in G.S. 130A-310.67(a) or
36 would otherwise conflict with federal authority under those statutes,
37 programs, and requirements. This Part is supplemental to the programs and
38 requirements set out in G.S. 130A-310.67(a) that would otherwise govern
39 the remediation of a contaminated industrial site. Where the definitions,
40 provisions, or requirements of this Part conflict with the definitions,
41 provisions, or requirements of an otherwise applicable remediation program,
42 this Part shall control, unless expressly stated to the contrary.
43 (2) To limit the authority of the Department to require investigation, initial
44 response, or remediation of environmental contamination under any other
45 provision of State or federal law necessary to address an imminent threat to
46 public health, safety, or welfare or the environment.
47 (3) To alter the requirements of programs to prevent or mitigate the release or
48 discharge of contaminants to the environment, including permitting
49 requirements that regulate the handling of hazardous substances or wastes.
50 (4) To supersede or otherwise affect or prevent the enforcement of any land-use
51 or development regulation or ordinance adopted by a municipality pursuant

1 to Article 19 of Chapter 160A of the General Statutes or adopted by a county
2 pursuant to Article 18 of Chapter 153A of the General Statutes. The use of a
3 site and any land-use restrictions imposed as part of a remedial action plan
4 shall comply with land-use and development controls adopted by a
5 municipality pursuant to Article 19 of Chapter 160A of the General Statutes
6 or adopted by a county pursuant to Article 18 of Chapter 153A of the
7 General Statutes."

8 **SECTION 3.** G.S. 130A-310.78 through G.S. 130A-310.80 are reserved for future
9 codification purposes.

10 **SECTION 4.** G.S. 130A-310.10(a) reads as rewritten:

11 "(a) The Secretary shall report on inactive hazardous sites to the Joint Legislative
12 Commission on Governmental Operations, the Environmental Review Commission, and the
13 Fiscal Research Division on or before 1 October of each year. The report shall include at
14 least the following:

- 15 (1) The Inactive Hazardous Waste Sites Priority ~~List~~; List.
16 (2) A list of remedial action plans requiring State funding through the Inactive
17 Hazardous Sites Cleanup ~~Fund~~; Fund.
18 (3) A comprehensive budget to implement these remedial action plans and the
19 adequacy of the Inactive Hazardous Sites Cleanup Fund to fund the cost of
20 said ~~plans~~; plans.
21 (4) A prioritized list of sites that are eligible for remedial action under
22 CERCLA/SARA together with recommended remedial action plans and a
23 comprehensive budget to implement such plans. The budget for
24 implementing a remedial action plan under CERCLA/SARA shall include a
25 statement as to any appropriation that may be necessary to pay the State's
26 share of such ~~plan~~; plan.
27 (5) A list of sites and remedial action plans undergoing voluntary cleanup with
28 Departmental ~~approval~~; approval.
29 (6) A list of sites and remedial action plans that may require State funding, a
30 comprehensive budget if implementation of these possible remedial action
31 plans is required, and the adequacy of the Inactive Hazardous Sites Cleanup
32 Fund to fund the possible costs of said ~~plans~~; plans.
33 (7) A list of sites that pose an imminent ~~hazard~~; hazard.
34 (8) A comprehensive budget to develop and implement remedial action plans for
35 sites that pose imminent hazards and that may require State funding, and the
36 adequacy of the Inactive Hazardous Sites Cleanup ~~Fund~~; and Fund.
37 (8a) The amounts and sources of funds collected by year received under
38 G.S. 130A-310.76, the amounts and sources of those funds paid into the
39 Inactive Hazardous Sites Cleanup Fund established pursuant to
40 G.S. 130A-310.11, the number of acres of contamination for which funds
41 have been received pursuant to G.S. 130A-310.76, and a detailed annual
42 accounting of how the funds collected pursuant to G.S. 130A-310.76 have
43 been utilized by the Department to advance the purposes of Part 8 of Article
44 9 of Chapter 130A of the General Statutes.
45 (9) Any other information requested by the General Assembly or the
46 Environmental Review Commission."

47 **SECTION 5.** The Secretary of Environment and Natural Resources shall make all
48 reasonable efforts to obtain a written agreement from the United States Environmental
49 Protection Agency that Part 8 of Article 9 of Chapter 130A of the General Statutes, as enacted
50 by Section 2 of this act, is consistent with the Comprehensive Environmental Response,
51 Compensation, and Liability Act of 1980, Public Law 96-510, 94 Stat. 2767, 42 U.S.C. § 9601,

1 et seq., as amended, and the Superfund Amendments and Reauthorization Act of 1986, Public
2 Law 99-499, 100 Stat. 1613, as amended.

3 **SECTION 6.** This act is effective when it becomes law.

GENERAL ASSEMBLY OF NORTH CAROLINA
SESSION 2011

H

D

HOUSE BILL 45*
PROPOSED COMMITTEE SUBSTITUTE H45-PCS30123-RIxf-3

Short Title: Accelerate Cleanup of Industrial Properties. (Public)

Sponsors:

Referred to:

February 8, 2011

A BILL TO BE ENTITLED

AN ACT TO ALLOW THE USE OF RISK-BASED REMEDIATION TO ACCELERATE THE CLEANUP OF CONTAMINATED INDUSTRIAL SITES FOR THE PURPOSE OF LIMITING HUMAN AND ENVIRONMENTAL EXPOSURE TO SAFE LEVELS, TO PROTECT CURRENT AND LIKELY FUTURE USES OF GROUNDWATER, AND TO ENSURE THE COST-EFFECTIVE APPLICATION OF LIMITED PUBLIC AND PRIVATE RESOURCES.

Whereas, the General Assembly finds that public health, safety, and welfare and the environment can be protected by implementing a remediation process that requires that contaminated industrial sites be cleaned up to a level that is sufficient to ensure protection of public health, safety, and welfare and the environment without excessive expenditure of public or private resources; and

Whereas, the General Assembly finds that there are contaminated industrial sites in North Carolina, including land and other property, surface water, and groundwater, that are adversely affected by environmental contamination due to the presence of drilling waste; hazardous and toxic materials, substances, and wastes; solid waste; oil; and other wastes, contaminants, and regulated substances; and

Whereas, the General Assembly finds that the presence of environmental contamination on industrial sites creates both potential and actual harm to public health, safety, and welfare and to the environment; and

Whereas, the General Assembly finds that this potential and actual harm results in substantial economic losses, including reduced property values and tax revenues, decreased ability to develop and expand the beneficial use of these sites, and other opportunity costs because of the uncertainties and concerns that result from the environmental contamination of these sites; and

Whereas, the General Assembly finds that it is in the public interest that contaminated industrial sites are cleaned up or managed in a manner that protects public health, safety, and welfare and the environment and protects groundwater that is a current or probable future water supply; and

Whereas, the General Assembly finds that North Carolina has numerous and varied State-managed remediation programs to address environmental contamination, including the Inactive Hazardous Sites Response Act of 1987; the hazardous waste management program administered by the State pursuant to the federal Resource Conservation and Recovery Act of 1976; the Leaking Petroleum Underground Storage Tank Cleanup Act of 1988; the Brownfields

1 Property Reuse Act of 1997; the Dry-Cleaning Solvent Cleanup Act of 1997; the federal
2 Superfund program administered in part by the State pursuant to the Comprehensive
3 Environmental Response, Compensation, and Liability Act of 1980 and the Superfund
4 Amendments and Reauthorization Act of 1986; and the groundwater protection rules adopted
5 by the Environmental Management Commission; and

6 Whereas, the General Assembly finds that the expenditure of public and private
7 resources on unnecessary remediation could better be channeled to other purposes, including
8 new development, renovation and repair, research and development, training and education,
9 and other activities that maintain and enhance North Carolina's competitive position in the
10 world and the excellent quality of life enjoyed by the citizens of North Carolina; and

11 Whereas, the General Assembly finds that North Carolina's groundwater is a
12 valuable public and private resource, serving as the drinking water source for one-half of the
13 State's population and also as a water supply for industrial and commercial uses; and

14 Whereas, the General Assembly finds that maintenance of North Carolina's surface
15 water and groundwater resources will become increasingly important to the continued
16 economic vitality of the State in the future; and

17 Whereas, the General Assembly finds that use of site-specific remediation standards
18 based on an objective, scientific, and uniform approach to the evaluation of the risk posed by
19 each contaminated site can be protective of public health, safety, and welfare and the
20 environment; and

21 Whereas, the General Assembly finds that use of site-specific remediation standards
22 in appropriate circumstances may encourage accelerated cleanup of contaminated industrial
23 sites; and

24 Whereas, the General Assembly intends that the levels of remediation that are
25 established for each contaminated site are to be applicable or relevant under federal remediation
26 programs; and

27 Whereas, the General Assembly intends that the protections afforded to public
28 health, safety, and welfare and to the environment by existing environmental, health, and safety
29 standards that apply to ongoing activities not be diminished in any way, in order that those
30 standards will continue to protect against the discharge or release of contaminants to the
31 environment that would result in additional contaminated sites; Now, therefore,

32 The General Assembly of North Carolina enacts:

33 **SECTION 1.** G.S. 130A-310.62 through G.S. 130A-310.64 are reserved for future
34 codification purposes.

35 **SECTION 2.** Article 9 of Chapter 130A of the General Statutes is amended by
36 adding a new Part to read:

37 "Part 8. Risk-Based Environmental Remediation of Industrial Sites.

38 "§ 130A-310.65. Definitions.

39 As used in this Part:

40 (1) "Background standard" means the naturally occurring concentration of a
41 substance in the absence of the release of a contaminant.

42 (2) "Commission" means the Environmental Management Commission created
43 pursuant to G.S. 143B-282.

44 (3) "Contaminant" means any substance regulated under any program listed in
45 G.S. 130A-310.67(a).

46 (4) "Contaminated industrial site" or "site" means any real property that meets
47 all of the following criteria:

48 a. The property is contaminated and may be subject to remediation
49 under any of the programs or requirements set out in
50 G.S. 130A-310.67(a).

1 b. The property is or has been used primarily for manufacturing or other
2 industrial activities for the production of a commercial product. This
3 includes a property used primarily for the generation of electricity.
4 This does not include a property used primarily for service industry
5 activities.

6 c. No contaminant associated with activities at the property has
7 migrated or will migrate to any adjacent properties above
8 unrestricted use standards for the contaminant.

9 (5) "Contamination" means a contaminant released into an environmental
10 medium that has resulted in or has the potential to result in an increase in the
11 concentration of the contaminant in the environmental medium in excess of
12 unrestricted use standards.

13 (6) "Fund" means the Inactive Hazardous Sites Cleanup Fund established
14 pursuant to G.S. 130A-310.11.

15 (7) "Institutional controls" means nonengineered measures used to prevent
16 unsafe exposure to contamination, such as land-use restrictions.

17 (8) "Registered environmental consultant" means an environmental consulting
18 or engineering firm approved to implement and oversee voluntary remedial
19 actions pursuant to Part 3 of Article 9 of Chapter 130A of the General
20 Statutes and rules adopted to implement the Part.

21 (9) "Remedial action plan" means a plan for eliminating or reducing
22 contamination or exposure to contamination.

23 (10) "Remediation" means all actions that are necessary or appropriate to clean
24 up, mitigate, correct, abate, minimize, eliminate, control, or prevent the
25 spreading, migration, leaking, leaching, volatilization, spilling, transport, or
26 further release of a contaminant into the environment in order to protect
27 public health, safety, or welfare or the environment.

28 (11) "Systemic toxicant" means any substance that may enter the body and have a
29 harmful effect other than causing cancer.

30 (12) "Unrestricted use standards" means contaminant concentrations for each
31 environmental medium that are acceptable for all uses; that are protective of
32 public health, safety, and welfare and the environment; and that comply with
33 generally applicable standards, guidance, or methods established by statute
34 or adopted, published, or implemented by the Commission, the Commission
35 for Public Health, or the Department.

36 **"§ 130A-310.66. Purpose.**

37 It is the purpose of this Part to authorize the Department to approve the remediation of
38 contaminated industrial sites based on site-specific remediation standards in circumstances
39 where site-specific remediation standards are adequate to protect public health, safety, and
40 welfare and the environment and are consistent with protection of current and anticipated future
41 use of groundwater and surface water affected or potentially affected by the contamination.

42 **"§ 130A-310.67. Applicability.**

43 (a) This Part applies to contaminated industrial sites subject to remediation pursuant to
44 any of the following programs or requirements:

45 (1) The Inactive Hazardous Sites Response Act of 1987 under Part 3 of Article 9
46 of Chapter 130A of the General Statutes, including voluntary actions under
47 G.S. 130A-310.9 of that act, and rules promulgated pursuant to those
48 statutes.

49 (2) The hazardous waste management program administered by the State
50 pursuant to the federal Resource Conservation and Recovery Act of 1976,

- 1 Public Law 94-580, 90 Stat. 2795, 42 U.S.C. § 6901, et seq., as amended,
2 and Article 9 of Chapter 130A of the General Statutes.
- 3 (3) The solid waste management program administered pursuant to Article 9 of
4 Chapter 130A of the General Statutes.
- 5 (4) The federal Superfund program administered in part by the State pursuant to
6 the Comprehensive Environmental Response, Compensation, and Liability
7 Act of 1980, Public Law 96-510, 94 Stat. 2767, 42 U.S.C. § 9601, et seq., as
8 amended, the Superfund Amendments and Reauthorization Act of 1986,
9 Public Law 99-499, 100 Stat. 1613, as amended, and under Part 4 of Article
10 9 of Chapter 130A of the General Statutes.
- 11 (5) The groundwater protection corrective action requirements adopted by the
12 Commission pursuant to Article 21 of Chapter 143 of the General Statutes.
- 13 (6) Oil Pollution and Hazardous Substances Control Act of 1978, Parts 1 and 2
14 of Article 21A of Chapter 143 of the General Statutes.
- 15 (b) This Part shall not apply to contaminated industrial sites subject to remediation
16 pursuant to any of the following programs or requirements:
- 17 (1) The Leaking Petroleum Underground Storage Tank Cleanup program under
18 Part 2A of Article 21A of Chapter 143 of the General Statutes and rules
19 promulgated pursuant to that statute.
- 20 (2) The Dry-Cleaning Solvent Cleanup program under Part 6 of Article 21A of
21 Chapter 143 of the General Statutes and rules promulgated pursuant to that
22 statute.
- 23 (3) The pre-1983 landfill assessment and remediation program established under
24 G.S. 130A-310.6(c) through (g).
- 25 (c) This Part shall apply only to sites where a discharge, spill, or release of
26 contamination has been reported to the Department prior to March 1, 2011.
- 27 **§ 130A-310.68. Remediation standards.**
- 28 (a) When conducting remediation activities pursuant to this Part, a person who proposes
29 to or is required to respond to the release of a contaminant at a contaminated industrial site
30 shall comply with one of the following standards:
- 31 (1) The unrestricted use standards applicable to each affected medium.
- 32 (2) The background standard, if the background standard exceeds the
33 unrestricted use standards.
- 34 (3) A site-specific remediation standard developed in accordance with
35 subsection (b) of this section that is approved by the Department.
- 36 (4) Any combination of remediation standards described in this subsection that
37 is approved by the Department.
- 38 (b) Site-specific remediation standards shall be developed for each medium as provided
39 in this subsection to achieve remediation that eliminates or reduces to protective levels any
40 substantial present or probable future risk to human health, including sensitive subgroups, and
41 the environment based upon the present or currently planned future use of the property
42 comprising the site. Site-specific remediation standards shall be developed in accordance with
43 all of the following:
- 44 (1) Remediation methods and technologies that result in emissions of air
45 pollutants shall comply with applicable air quality standards adopted by the
46 Commission.
- 47 (2) The site-specific remediation standard for surface waters shall be the water
48 quality standards adopted by the Commission.
- 49 (3) The current and probable future use of groundwater shall be identified and
50 protected. Site-specific sources of contaminants and potential receptors shall
51 be identified. Potential receptors must be protected, controlled, or eliminated

1 whether the receptors are located on or off the site where the source of
2 contamination is located. Natural environmental conditions affecting the fate
3 and transport of contaminants, such as natural attenuation, shall be
4 determined by appropriate scientific methods.

5 (4) Permits for facilities located at sites covered by any of the programs or
6 requirements set out in G.S. 130A-310.67(a) shall contain conditions to
7 avoid exceedances of applicable groundwater standards adopted by the
8 Commission pursuant to Article 21 of Chapter 143 of the General Statutes
9 due to operation of the facility.

10 (5) Soil shall be remediated to levels that no longer constitute a continuing
11 source of groundwater contamination in excess of the site-specific
12 groundwater remediation standards approved under this Part.

13 (6) Soil shall be remediated to unrestricted use standards on residential property
14 with the following exceptions:

15 a. For mixed-use developments where the ground level uses are
16 nonresidential and where all potential exposure to contaminated soil
17 has been eliminated, the Department may allow soil to remain on the
18 site in excess of unrestricted use standards.

19 b. If soil remediation is impracticable because of the presence of
20 preexisting structures or impracticability of removal, all areas of the
21 real property at which a person may come into contact with soil shall
22 be remediated to unrestricted use standards, and, on all other areas of
23 the real property, engineering and institutional controls that are
24 sufficient to protect public health, safety, and welfare and the
25 environment shall be implemented and maintained.

26 (7) The potential for human inhalation of contaminants from the outdoor air and
27 other site-specific indoor air exposure pathways shall be considered, if
28 applicable.

29 (8) The site-specific remediation standard shall protect against human exposure
30 to contamination through the consumption of contaminated fish or wildlife
31 and through the ingestion of contaminants in surface water or groundwater
32 supplies.

33 (9) For known or suspected carcinogens, site-specific remediation standards
34 shall be established at exposures that represent an excess lifetime cancer risk
35 of one in 1,000,000. The site-specific remediation standard may depart from
36 the one-in-1,000,000 risk level based on the criteria set out in 40 Code of
37 Federal Regulations § 300.430(e)(9) (July 1, 2003 Edition). The cumulative
38 excess lifetime cancer risk to an exposed individual shall not be greater than
39 one in 10,000 based on the sum of carcinogenic risk posed by each
40 contaminant present.

41 (10) For systemic toxicants, site-specific remediation standards shall represent
42 levels to which the human population, including sensitive subgroups, may be
43 exposed without any adverse health effect during a lifetime or part of a
44 lifetime. Site-specific remediation standards for systemic toxicants shall
45 incorporate an adequate margin of safety and shall take into account cases
46 where two or more systemic toxicants affect the same organ or organ
47 system.

48 (11) The site-specific remediation standards for each medium shall be adequate to
49 avoid foreseeable adverse effects to other media or the environment that are
50 inconsistent with the risk-based approach under this Part.

51 **§ 130A-310.69. Remedial investigation report; remedial action plans.**

1 (a) A person who proposes to conduct remediation pursuant to this Part shall submit a
2 remedial investigation report to the Department prior to submitting a remedial action plan. The
3 remedial investigation report shall include, but is not limited to, a legal description of the
4 location of the site; a map showing the location of the site; a description of the contaminants
5 involved and their concentration in the media of the site; a narrative description of the
6 methodology used in the investigation; a description of all on-site releases of contamination; a
7 site map, drawn to scale, showing benchmarks, directional arrow, location of property
8 boundaries, buildings, structures, all perennial and nonperennial surface water features,
9 drainage ditches, dense vegetation, contaminant spill or disposal areas, underground utilities,
10 storage vessels, and existing on-site wells; identification of adjacent property owners and
11 adjacent land uses; description of local geologic and hydrologic conditions; an evaluation of the
12 site and adjacent properties for the existence of environmentally sensitive areas; a description
13 of groundwater monitoring well design and installation procedures; a map, drawn to scale, that
14 shows all groundwater sample locations; a description of field and laboratory quality control
15 and quality assurance procedures followed during the remedial investigation; a description of
16 methods used to manage investigation-derived wastes; tabulation of analytical results for all
17 sampling; copies of all laboratory reports; a description of procedures and the results of any
18 special assessments; and any other information required by the Department or considered
19 relevant by the investigator. The remedial investigation shall assess all contaminated areas of
20 the site, including types and levels of contamination, and the risk that the contamination poses
21 to public health, safety, and welfare and to the environment.

22 (b) A person who proposes to conduct remediation pursuant to this Part shall develop
23 and submit a proposed remedial action plan to the Department. A remedial action plan shall
24 provide for the protection of public health, safety, and welfare and the environment. A remedial
25 action plan shall do all of the following:

- 26 (1) Identify actions required to remove, treat, or otherwise appropriately
27 mitigate or isolate the source of contamination to ensure that the source will
28 not cause unrestricted use standards to be exceeded in any medium.
- 29 (2) Address contamination that moves from one medium to another in order to
30 prevent a violation of the remediation standards established under
31 G.S. 130A-310.68. A more stringent remediation standard may be required
32 for a particular medium to control impact on other media.
- 33 (3) Identify the current and anticipated future uses of property comprising the
34 contaminated site and address any concerns raised in public comment on the
35 proposed remedial action plan as to the proposed future uses of the property.
- 36 (4) Identify the current and anticipated future uses of groundwater in the
37 contaminated site and address any concerns raised in public comment on the
38 proposed remedial action plan as to the future uses of groundwater.
- 39 (5) Determine the appropriate method of remediation to achieve the site-specific
40 remediation standards.
- 41 (6) Specify any measures that may be necessary to prevent adverse effects to the
42 environment that may occur at levels of contamination that are lower than
43 the standard necessary to protect human health.
- 44 (7) Specify any measures that may be necessary to prevent any discharge into
45 surface waters during implementation of the remedial action plan that
46 violates applicable surface water quality standards adopted by the
47 Commission.
- 48 (8) Specify any measures that may be necessary to prevent any air emission
49 during implementation of the remedial action plan that violates applicable air
50 quality standards adopted by the Commission.

- 1 (9) Provide for attainment and maintenance of the remediation standards
2 established under G.S. 130A-310.68.
- 3 (10) Provide for methods and procedures to verify that the quantity,
4 concentration, range, or other measure of each contaminant remaining at the
5 contaminated site at the conclusion of the contaminant-reduction phase of
6 remediation meets the remediation standards established for the site, that an
7 acceptable level of risk has been achieved, and that no further remediation is
8 required.
- 9 (11) Provide for the imposition and recordation of land-use restrictions as
10 provided in G.S. 143B-279.9, 143B-279.10, 130A-310.3(f), 130A-310.8,
11 130A-310.35, 143-215.84(f), and 143-215.85A if the remedial action plan
12 allows contamination in excess of the greater of unrestricted use standards or
13 background standards to remain on any real property or in groundwater that
14 underlies any real property.
- 15 (12) Provide for submission of an annual certification to the Department by the
16 property owner that land use at the site is in compliance with land-use
17 restrictions recorded pursuant to this Part and that the land-use restrictions
18 are still properly recorded in the chain of title for the property.
- 19 (13) Provide a detailed description of the proposed remedial action to be taken;
20 the results of any treatability studies and additional site characterization
21 needed to support the proposed remedial action; plans for postremedial and
22 confirmatory sampling; a project schedule; a schedule for progress reports to
23 the Department; and any other information required by the Department or
24 considered relevant by the person who submits the proposed remedial action
25 plan.
- 26 (14) Provide a description of measures that will be employed to ensure that the
27 safety and health of persons on properties in the vicinity of the site and
28 persons visiting or doing business on the site will not be adversely affected
29 by any remediation activity.
- 30 (15) Provide a reasonable estimate of the probable cost of the remedial action
31 sufficient for the Department to determine an acceptable level of financial
32 assurance.
- 33 (16) Provide proof of financial assurance as required by G.S. 130A-310.72.
- 34 (c) A remedial action plan shall also include an analysis of each of the following
35 factors:
- 36 (1) Long-term risks and effectiveness of the proposed remediation, including an
37 evaluation of all of the following:
- 38 a. The magnitude of risks remaining after completion of the
39 remediation.
- 40 b. The type, degree, frequency, and duration of any postremediation
41 activity that may be required, including, but not limited to, operation
42 and maintenance, monitoring, inspection, reports, and other activities
43 necessary to protect public health, safety, and welfare and the
44 environment.
- 45 c. Potential for exposure of human and environmental receptors to
46 contaminants remaining at the site.
- 47 d. Long-term reliability of any engineering and voluntary institutional
48 controls, including repair, maintenance, or replacement of
49 components.
- 50 e. Time required to achieve remediation standards.

- 1 (2) Toxicity, mobility, and volume of contaminants, including the amount of
2 contaminants that will be removed, contained, treated, or destroyed; the
3 degree of expected reduction in toxicity, mobility, and volume; and the type,
4 quantity, toxicity, and mobility of contaminants that will remain after
5 implementation of the remedial action plan.
- 6 (3) Short-term risks and effectiveness of the remediation, including the
7 short-term risks that may be posed to the community, workers, or the
8 environment during implementation of the remedial action plan, and the
9 effectiveness and reliability of protective measures to address short-term
10 risks.
- 11 (4) The ease or difficulty of implementing the remedial action plan, including
12 commercially available remedial measures; expected operational reliability;
13 available capacity and location of needed treatment, storage, and disposal
14 services for wastes; time to initiate remediation; and approvals necessary to
15 implement the remediation.

16 (d) The development of a remedial action plan may require supplemental submissions
17 and revisions based on Department review, remedial action pilot studies, and public comment
18 from local government and citizens.

19 **"§ 130A-310.70. Notice of intent to remediate.**

20 In addition to the public participation requirements of the individual programs listed in
21 G.S. 130A-310.67(a), the person who proposes to remediate a site under this Part shall send a
22 notice of intent to remediate to all local governments having taxing or land-use jurisdiction
23 over the site, and to all adjoining landowners. The notice shall include all of the information
24 required in G.S. 130A-310.69(a) and include a statement of intent to clean up the site to
25 site-specific remediation standards. The person shall submit to the Department a copy of the
26 notice of intent provided to local governments and adjoining landowners, a certification that the
27 notice of intent to remediate was so provided to those parties, and all information and
28 comments that the person received in response to the notice. In addition, the person shall, when
29 appropriate, describe how the remediation plan was modified to address comments received in
30 response to the notice.

31 **"§ 130A-310.71. Review and approval of proposed remedial action plans.**

32 (a) The Department shall review and approve a proposed remedial action plan
33 consistent with the remediation standards set out in G.S. 130A-310.68 and the procedures set
34 out in this section. In its review of a proposed remedial action plan, the Department shall do all
35 of the following:

- 36 (1) Determine whether site-specific remediation standards are appropriate for a
37 particular contaminated site. In making this determination, the Department
38 shall consider proximity of the contamination to water supply wells or other
39 receptors; current and probable future reliance on the groundwater as a water
40 supply; current and anticipated future land use; environmental impacts; and
41 the feasibility of remediation to unrestricted use standards.
- 42 (2) Determine whether the party conducting the remediation has adequately
43 demonstrated through modeling or other scientific means acceptable to the
44 Department that no contamination will migrate to adjacent property at levels
45 above unrestricted use standards.
- 46 (3) Determine whether the proposed remedial action plan meets the
47 requirements of G.S. 130A-310.69.
- 48 (4) Determine whether the proposed remedial action plan meets the
49 requirements of any other applicable remediation program except those
50 pertaining to remediation standards.

- 1 (5) Establish the acceptable level or range of levels of risk to public health,
2 safety, and welfare and to the environment.
- 3 (6) Establish, for each contaminant, the maximum allowable quantity,
4 concentration, range, or other measures of contamination that will remain at
5 the contaminated site at the conclusion of the contaminant-reduction phase
6 of the remediation.
- 7 (7) Consider the technical performance, effectiveness, and reliability of the
8 proposed remedial action plan in attaining and maintaining compliance with
9 applicable remediation standards.
- 10 (8) Consider the ability of the person who proposes to remediate the site to
11 implement the proposed remedial action plan within a reasonable time and
12 without jeopardizing public health, safety, or welfare or the environment.
- 13 (9) Determine whether the proposed remedial action plan adequately provides
14 for the imposition and maintenance of engineering and institutional controls
15 and for sampling, monitoring, and reporting requirements necessary to
16 protect public health, safety, and welfare and the environment.
- 17 (10) Approve the circumstances under which no further remediation is required.

18 (b) The person who proposes a remedial action plan has the burden of demonstrating
19 that contamination from the site will not likely migrate in the reasonably foreseeable future to
20 adjacent property and that the remedial action plan is protective of public health, safety, and
21 welfare and the environment by virtue of its compliance with this Part.

22 (c) The Department may require a person who proposes a remedial action plan to
23 supply any additional information necessary for the Department to approve or disapprove the
24 plan.

25 (d) In making a determination on a proposed remedial action plan, the Department shall
26 consider the information provided by the person who proposes the remedial action plan as well
27 as information provided by local governments and adjoining landowners pursuant to
28 G.S. 130A-310.70. The Department shall disapprove a proposed remedial action plan unless the
29 Department finds that the plan is protective of public health, safety, and welfare and the
30 environment and complies with the requirements of this Part. If the Department disapproves a
31 proposed remedial action plan, the person who submitted the plan may seek review as provided
32 in Article 3 of Chapter 150B of the General Statutes. If the Department fails to approve or
33 disapprove a proposed remedial action plan within 120 days after a complete plan has been
34 submitted, the person who submitted the plan may treat the plan as having been disapproved at
35 the end of that time period.

36 **"§ 130A-310.72. Financial assurance requirement.**

37 The person conducting remediation of a contaminated industrial site pursuant to the
38 provisions of this Part shall establish financial assurance that will ensure that sufficient funds
39 are available to implement and maintain the actions or controls specified in the remedial action
40 plan for the site. The person conducting remediation of a site may establish financial assurance
41 through one of the following mechanisms, or any combination of the following mechanisms, in
42 a form specified or approved by the Department: insurance products issued from entities having
43 no corporate or ownership association with the person conducting the remediation; funded
44 trusts; surety bonds; certificates of deposit; letters of credit; corporate financial tests; local
45 government financial tests; corporate guarantees; local government guarantees; capital reserve
46 funds; or any other financial mechanism authorized for the demonstration of financial
47 assurance under (i) 40 Code of Federal Regulations Part 264, Subpart H (July 1, 2010 Edition)
48 and (ii) Section .1600 of Subchapter B of Chapter 13 of Title 15A of the North Carolina
49 Administrative Code.

50 **"§ 130A-310.73. Attainment of the remediation standard.**

1 (a) Compliance with the approved remediation standards is attained for a site or portion
2 of a site when a remedial action plan approved by the Department has been implemented and
3 applicable soil, groundwater, surface water, and air emission standards have been attained. The
4 remediation standards may be attained through a combination of remediation activities that can
5 include treatment, removal, engineering, or institutional controls, except that the person
6 conducting the remediation may not demonstrate attainment of an unrestricted use standard or a
7 background standard through the use of institutional controls alone. When the remedial action
8 plan has been fully implemented, the person conducting the remediation shall submit a final
9 report to the Department, with notice to all local governments with taxing and land-use
10 jurisdiction over the site, that demonstrates that the remedial action plan has been fully
11 implemented, that any land-use restrictions have been certified on an annual basis, and that the
12 remediation standards have been attained. The final report shall be accompanied by a request
13 that the Department issue a determination that no further remediation beyond that specified in
14 the approved remedial action plan is required.

15 (b) The person conducting the remediation has the burden of demonstrating that the
16 remedial action plan has been fully implemented and that the remediation standards have been
17 attained in compliance with the requirements of this Part. The Department may require a person
18 who implements the remedial action plan to supply any additional information necessary for
19 the Department to determine whether the remediation standards have been attained.

20 (c) The Department shall review the final report, and, upon determining that the person
21 conducting the remediation has completed remediation to the approved remediation standard
22 and met all the requirements of the approved remedial action plan, the Department shall issue a
23 determination that no further remediation beyond that specified in the approved remedial action
24 plan is required at the site. Once the Department has issued a no further action determination,
25 the Department may require additional remedial action by the responsible party only upon
26 finding any of the following:

- 27 (1) Monitoring, testing, or analysis of the site subsequent to the issuance of the
28 no further action determination indicates that the remediation standards and
29 objectives were not achieved or are not being maintained.
- 30 (2) One or more of the conditions, restrictions, or limitations imposed on the site
31 as part of the remediation have been violated.
- 32 (3) Site monitoring or operation and maintenance activities that are required as
33 part of the remedial action plan or no further action determination for the site
34 are not adequately funded or are not adequately implemented.
- 35 (4) A contaminant or hazardous substance release is discovered at the site that
36 was not the subject of the remedial investigation report or the remedial
37 action plan.
- 38 (5) A material change in the facts known to the Department at the time the
39 written no further action determination was issued, or new facts, cause the
40 Department to find that further assessment or remediation is necessary to
41 prevent a significant risk to human health and safety or to the environment.
- 42 (6) The no further action determination was based on fraud, misrepresentation,
43 or intentional nondisclosure of information by the person conducting the
44 remediation.
- 45 (7) Installation or use of wells would induce the flow of contaminated
46 groundwater off the site.

47 (d) The Department shall issue a final decision on a request for a determination that
48 remediation has been completed to approved standards and that no further remediation beyond
49 that specified in the approved remedial action plan is required within 180 days after receipt of a
50 complete final report. Failure of the Department to issue a final decision on a no further
51 remediation determination within 180 days after receipt of a complete final report and request

1 for a determination of no further remediation may be treated as a denial of the request for a no
2 further remediation determination. The responsible person may seek review of a denial of a
3 request for a release from further remediation as provided in Article 3 of Chapter 150B of the
4 General Statutes.

5 (e) Once the Department issues a determination that no further remediation is required
6 beyond that specified in the approved remedial action plan for the site, any person who changes
7 the use of the property causing the level of risk to increase beyond the acceptable risk range
8 shall be required by the Department to undertake additional remediation measures.

9 **"§ 130A-310.74. Compliance with other laws.**

10 Where a site is covered by an agreement under the Brownfields Property Reuse Act of
11 1997, as codified as Part 5 of Article 9 Chapter 130A of the General Statutes, any work
12 performed by the prospective developer pursuant to that agreement is not required to comply
13 with this Part, but any work not covered by such agreement and performed at the site by
14 another person not a party to that agreement may be performed pursuant to this Part.

15 **"§ 130A-310.75. Use of registered environmental consultants.**

16 The Department may approve the use of a registered environmental consultant to provide
17 oversight for the assessment and remediation of a site under this Part. If remediation under this
18 Part is not undertaken voluntarily, the Department may not require the use of a registered
19 environmental consultant to provide oversight for the assessment and remediation of a site
20 under this Part.

21 **"§ 130A-310.76. Fees; permissible uses of fees.**

22 (a) A person who undertakes remediation of environmental contamination under
23 site-specific remediation standards as provided in G.S. 130A-310.68 shall pay a fee to the Fund
24 in an amount equal to three thousand five hundred dollars (\$3,500) for each acre or portion of
25 an acre of contamination, including any area that will become contaminated as a result of the
26 release; however, no person shall be required to pay more than one hundred twenty-five
27 thousand dollars (\$125,000) to the Fund for any individual site, regardless of its size. This
28 one-time fee shall be payable at the time the person undertaking remediation submits the
29 remedial action plan to the Department.

30 (b) Funds collected pursuant to subsection (a) of this section may be used only for the
31 following purposes:

32 (1) To pay for administrative and operating expenses necessary to implement
33 this Part.

34 (2) To establish, administer, and maintain a system for the tracking of land-use
35 restrictions recorded at sites that are remediated pursuant to this Part.

36 **"§ 130A-310.77. Construction of Part.**

37 This Part shall not be construed or implemented in any of the following ways:

38 (1) In any manner that would jeopardize federal authorization under any of the
39 federal statutes, programs, or requirements set out in G.S. 130A-310.67(a) or
40 would otherwise conflict with federal authority under those statutes,
41 programs, and requirements. This Part is supplemental to the programs and
42 requirements set out in G.S. 130A-310.67(a) that would otherwise govern
43 the remediation of a contaminated industrial site. Where the definitions,
44 provisions, or requirements of this Part conflict with the definitions,
45 provisions, or requirements of an otherwise applicable remediation program,
46 this Part shall control, unless expressly stated to the contrary.

47 (2) To limit the authority of the Department to require investigation, initial
48 response, or remediation of environmental contamination under any other
49 provision of State or federal law necessary to address an imminent threat to
50 public health, safety, or welfare or the environment.

- 1 (3) To alter the requirements of programs to prevent or mitigate the release or
 2 discharge of contaminants to the environment, including permitting
 3 requirements that regulate the handling of hazardous substances or wastes.
 4 (4) To supersede or otherwise affect or prevent the enforcement of any land-use
 5 or development regulation or ordinance adopted by a municipality pursuant
 6 to Article 19 of Chapter 160A of the General Statutes or adopted by a county
 7 pursuant to Article 18 of Chapter 153A of the General Statutes. The use of a
 8 site and any land-use restrictions imposed as part of a remedial action plan
 9 shall comply with land-use and development controls adopted by a
 10 municipality pursuant to Article 19 of Chapter 160A of the General Statutes
 11 or adopted by a county pursuant to Article 18 of Chapter 153A of the
 12 General Statutes."

13 **SECTION 3.** G.S. 130A-310.78 through G.S. 130A-310.80 are reserved for future
 14 codification purposes.

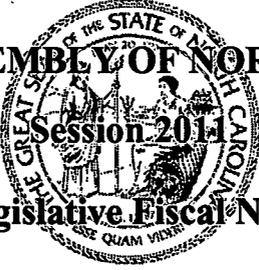

15 **SECTION 4.** G.S. 130A-310.10(a) reads as rewritten:

16 "(a) The Secretary shall report on inactive hazardous sites to the Joint Legislative
 17 Commission on Governmental Operations, the Environmental Review Commission, and the
 18 Fiscal Research Division on or before 1 October of each year. The report shall include at
 19 ~~least~~least the following:

- 20 (1) The Inactive Hazardous Waste Sites Priority ~~List~~List.
 21 (2) A list of remedial action plans requiring State funding through the Inactive
 22 Hazardous Sites Cleanup ~~Fund~~Fund.
 23 (3) A comprehensive budget to implement these remedial action plans and the
 24 adequacy of the Inactive Hazardous Sites Cleanup Fund to fund the cost of
 25 said ~~plans~~plans.
 26 (4) A prioritized list of sites that are eligible for remedial action under
 27 CERCLA/SARA together with recommended remedial action plans and a
 28 comprehensive budget to implement such plans. The budget for
 29 implementing a remedial action plan under CERCLA/SARA shall include a
 30 statement as to any appropriation that may be necessary to pay the State's
 31 share of such ~~plan~~plan.
 32 (5) A list of sites and remedial action plans undergoing voluntary cleanup with
 33 Departmental ~~approval~~approval.
 34 (6) A list of sites and remedial action plans that may require State funding, a
 35 comprehensive budget if implementation of these possible remedial action
 36 plans is required, and the adequacy of the Inactive Hazardous Sites Cleanup
 37 Fund to fund the possible costs of said ~~plans~~plans.
 38 (7) A list of sites that pose an imminent ~~hazard~~hazard.
 39 (8) A comprehensive budget to develop and implement remedial action plans for
 40 sites that pose imminent hazards and that may require State funding, and the
 41 adequacy of the Inactive Hazardous Sites Cleanup ~~Fund~~and Fund.
 42 (8a) The amounts and sources of funds collected by year received under
 43 G.S. 130A-310.76, the amounts and sources of those funds paid into the
 44 Inactive Hazardous Sites Cleanup Fund established pursuant to
 45 G.S. 130A-310.11, the number of acres of contamination for which funds
 46 have been received pursuant to G.S. 130A-310.76, and a detailed annual
 47 accounting of how the funds collected pursuant to G.S. 130A-310.76 have
 48 been utilized by the Department to advance the purposes of Part 8 of Article
 49 9 of Chapter 130A of the General Statutes.
 50 (9) Any other information requested by the General Assembly or the
 51 Environmental Review Commission."

1 **SECTION 5.** The Secretary of Environment and Natural Resources shall make all
2 reasonable efforts to obtain a written agreement from the United States Environmental
3 Protection Agency that Part 8 of Article 9 of Chapter 130A of the General Statutes, as enacted
4 by Section 2 of this act, is consistent with the Comprehensive Environmental Response,
5 Compensation, and Liability Act of 1980, Public Law 96-510, 94 Stat. 2767, 42 U.S.C. § 9601,
6 et seq., as amended, and the Superfund Amendments and Reauthorization Act of 1986, Public
7 Law 99-499, 100 Stat. 1613, as amended.

8 **SECTION 6.** This act is effective when it becomes law.

PRINCIPAL DEPARTMENT(S) &**PROGRAM(S) AFFECTED:** Department of Environment and Natural Resources**EFFECTIVE DATE:** This bill is effective when it becomes law.**BILL SUMMARY:**

House Bill 45 would authorize risk-based cleanup of contaminated industrial sites using site-specific cleanup standards designed to protect public health, safety, and welfare and the environment based on the current and anticipated future use of a site. The bill would require payment of a fee by a person undertaking a risk-based cleanup, the amount of which would be based on the size of the site to be remediated. The fee would be used by the Department of Environment and Natural Resources for expenses necessary to implement a risk-based cleanup program, and to establish and maintain a system for the tracking of land-use restrictions recorded at sites that are remediated under such a program

(Source: Committee Counsel, Research Division)

ASSUMPTIONS AND METHODOLOGY:

In conjunction with the federal government, DENR's Division of Waste Management has several programs that address remediation or cleanup of environmental contamination. Generally, cleanup of environmental contamination must be performed to meet unrestricted use standards, meaning

contaminant concentrations present at a location are acceptable for all uses, protect public health, safety, and welfare and the environment, and comply with applicable standards established by statute or rule adopted by the Environmental Management Commission, the Commission for Public Health, or DENR. Some State programs for cleanup of environmental contamination, however, allow cleanup based on site-specific risk factors, which are generally not as stringent as the applicable unrestricted use standards. These programs include the Petroleum Underground Storage Tank Cleanup Program, the Dry-Cleaning Solvent Cleanup Program, and the State's Brownfields Property Reuse Act.

House Bill 45 would authorize risk-based cleanup of contaminated industrial sites using site-specific cleanup standards designed to protect public health, safety, and welfare and the environment based on the current and anticipated future use of a site. Risk-based cleanup would be available for contaminated industrial sites that are governed by cleanup programs for hazardous and solid waste management, groundwater protection, and oil pollution control and where the release of contamination was reported to the Department of Environment and Natural Resources (DENR) prior to March 1, 2011. Risk-based cleanup would not be available for contaminated industrial sites that are governed by cleanup programs for leaking underground storage tanks, dry-cleaning facilities, and certain landfills.

Site-specific remediation or cleanup standards would be developed for contaminated industrial sites to eliminate or reduce any substantial or probable future risk to human health and the environment based on the present or anticipated future use of the site.

A person who proposes a risk-based cleanup must prepare and submit: a remedial investigation report and a remedial action plan to DENR; a notice of intent to conduct the risk-based cleanup to all local governments having jurisdiction over the site and to all adjoining landowners; and certification to DENR that the notice of intent was properly distributed and responses processed.

When DENR determines that an approved remedial action plan has been implemented and applicable cleanup standards have been attained, it will issue a determination that no further cleanup is required. Once a determination has been issued, DENR may only require additional cleanup under specific circumstances, such as a finding that subsequent monitoring indicates that cleanup standards were not achieved; an undocumented contaminant release is discovered; or one or more of the restrictions imposed on the site as part of the cleanup have been violated.

The fee for participation in a risk-based cleanup is \$4,500 for each acre or portion of an acre of contamination, with a cap of \$125,000. The fees may be used by DENR only to pay for administrative and operating expenses necessary to implement the risk-based cleanup program and to establish and maintain a system for the tracking of land use restrictions recorded at sites that are remediated under the program.

DENR expects that approximately 12 industrial sites per year would qualify for risk-based cleanup as defined in this legislation. This estimate is based on the assumption that current levels of voluntary cleanup participation would remain constant, and that approximately half of those sites would meet the legislation's criteria. DENR noted that participation in the first few years is expected to be much greater than subsequent years, as current remedial action projects would likely

petition to change their statuses to the risk-based remedial option as defined in this legislation.

Expenditures

According to DENR, there would be no increase in voluntary cleanup participation, and therefore existing project managers and the Registered Environmental Consultant Program(which provides oversight under the Inactive Hazardous Sites Program) would be sufficient to oversee the remediation projects affected by this legislation.

However, House Bill 45 also introduces new demands for special reviews from toxicologists, financial analysts, and hydrogeologists to examine the transportation of groundwater contamination as well as to oversee land use restriction compliance and tracking. DENR estimated that a total of five new positions would be needed in order to meet the demands of this bill: a Hydrogeologist, an Engineer, an Industrial Hygiene Consultant (Toxicologist), a Financial Analyst, and an Environmental Program Supervisor II. Fiscal Research concurs that there will be sufficient increased workload to require three of these five positions, as follows:

- A Hydrogeologist to perform fate and transport modeling of contaminant migration, which are special reviews beyond that which the Division currently conducts.
- An Environmental Engineer position to develop and maintain a Geographic Information System, to track recorded land use restrictions, and to inspect compliance with those restrictions.
- A Toxicologist to conduct site-specific risk assessments at much higher levels of toxicological review than are currently conducted by existing staff.

Industrial Hygiene Consultant (Toxicologist)	\$ 67,816	\$ 5,188	\$ 7,127	\$ 4,930	\$ 85,061
				Total	\$ 242,006

Although DENR estimated that an additional Financial Analyst and Environmental Program Supervisor II would also be needed to fulfill the requirements of House Bill 45, Fiscal Research estimates that DENR’s existing staff can absorb the remainder of the work required by this bill. At this time, 19 staff are working on the 290 sites addressed by the Inactive Hazardous Sites Program. Based on the Department’s estimate that only 12 sites would be affected by this legislation, Fiscal Research concludes that the additional supervisory and financial work required by this bill could be absorbed by existing staff.

The total salaries and benefits of positions required by this legislation are calculated to include inflationary increases for each year. Additional operating costs, including travel, supplies, maintenance agreements and communications, would be \$79,125 in FY 2011-12 and \$54,500 in subsequent years. The initial costs in FY 2011-12 are due to the contractual services, computer hardware and software costs related to establishing the GIS system required by the legislation; additionally, travel for the three new positions will be extensive due to required training and

multiple visits to projects statewide. The total amount required by DENR for FY 2011-12, including salaries, benefits, and operating costs, is estimated to be \$321,131.

	FY 2011-12	FY 2012-13	FY 2013-14	FY 2014-15	FY 2015-16
Salaries and Fringes	\$ 242,006	\$ 256,062	\$ 277,234	\$ 292,342	\$ 305,055
Operating Costs	\$ 79,125	\$ 54,500	\$ 54,500	\$ 54,500	\$ 54,500
Total	\$ 321,131	\$ 310,562	\$ 331,734	\$ 346,842	\$ 359,555

Revenues

The revenues gained by fees included in this legislation may be used by DENR only to pay for administrative and operating expenses necessary to implement the risk-based cleanup program and to establish and maintain a system for the tracking of land use restrictions. The fee for participation in a risk-based cleanup is \$4,500 for each acre or portion of an acre of contamination, with a cap of \$125,000 regardless of the size of the site.

Based on DENR's data on existing groundwater contaminant plume sites, the average site size is 10 acres. Twelve sites per year multiplied by 10 acres per site totals 120 acres that would be affected by this legislation. The average amount per site that could be realized as revenue from fees would be \$45,000 (10 acres * \$4,500 per acre). The total amount of annual revenue that could be realized from fees would be \$540,000 (12 sites * \$45,000 per site). The revenues realized from this fee would be deposited in the existing Inactive Hazardous Sites Cleanup Fund, within which an account specifically designated for tracking these funds would need to be established.

SOURCES OF DATA: Department of Environment and Natural Resources

TECHNICAL CONSIDERATIONS:

House Bill 45 provides that the fees may be used by DENR only to pay for administrative and operating expenses necessary to implement the risk-based cleanup program and to establish and maintain a system for the tracking of land use restrictions recorded at sites that are remediated under the program. Based on DENR's estimate of 12 sites per year at an average of 10 acres each, the \$4,500 fee in House Bill 45 would generate significantly more revenue than needed to support the staff and operating costs estimated to be required by the legislation.

HOUSE BILL 45: Accelerate Cleanup of Industrial Properties

2011-2012 General Assembly

Committee:	House Finance	Date:	March 3, 2011
Introduced by:	Reps. Gillespie, Cook, Gibson	Prepared by:	Jeff Hudson and Jennifer McGinnis Staff Attorneys
Analysis of:	First Edition		

SUMMARY: *House Bill 45 would authorize risk-based cleanup of contaminated industrial sites using site-specific cleanup standards designed to protect public health, safety, and welfare and the environment based on the current and anticipated future use of a site.*

The bill would require payment of a fee by a person undertaking a risk-based cleanup, the amount of which would be based on the size of the site to be remediated (p. 11). The fee would be used by the Department of Environment and Natural Resources for expenses necessary to implement a risk-based cleanup program, and to establish and maintain a system for the tracking of land-use restrictions recorded at sites that are remediated under such a program.

[As introduced, this bill was identical to S48, as introduced by Sen. Allran, which is currently in Senate Agriculture/Environment/Natural Resources.]

CURRENT LAW AND BACKGROUND:

North Carolina, in conjunction with the federal government, has implemented a number of programs to address remediation or cleanup of environmental contamination. Based on the source, location, and nature of the contaminants present, requirements for oversight and cleanup are established within an applicable program. Each program has its own standards, methods, and requirements. In some cases, a contaminated site may come under the authority of multiple programs.

Generally, cleanup of environmental contamination must be performed to meet unrestricted use standards, meaning contaminant concentrations present at a location are acceptable for all uses; are protective of public health, safety, and welfare and the environment; and comply with an applicable program's standards established by statute or rule adopted by the Environmental Management Commission, the Commission for Public Health, or the Department of Environment and Natural Resources (DENR). Some State programs for cleanup of environmental contamination, however, allow cleanup based on site-specific risk factors, which are generally not as stringent as the applicable unrestricted use standards. These programs include the Petroleum Underground Storage Tank Cleanup Program, the Dry-Cleaning Solvent Cleanup Program, and the State's Brownfields Property Reuse Act.

BILL ANALYSIS:

House Bill 45 would authorize risk-based cleanup of contaminated industrial sites using site-specific cleanup standards designed to protect public health, safety, and welfare and the environment based on the current and anticipated future use of a site.

Applicability:

Risk-based cleanup would be available for contaminated industrial sites that are governed by cleanup programs for hazardous and solid waste management, groundwater protection, and oil pollution control and where the release of contamination was reported to DENR prior to March 1, 2011. Risk-based cleanup would not be available for contaminated industrial sites that are governed by cleanup programs for leaking underground storage tanks, dry-cleaning facilities, and certain landfills.

House Bill 45

Page 2

Site-specific Remediation Standards:

Site-specific remediation or cleanup standards would be developed for contaminated industrial sites to eliminate or reduce to protective levels any substantial or probable future risk to human health and the environment based on the present or anticipated future use of the site. The standards would have to be developed in accordance with a number of specific requirements for the protection of air quality, surface water and groundwater quality, and human health.

Remedial Investigation Report and Remedial Action Plan:

A person who proposes a risk-based cleanup must prepare and submit to DENR a remedial investigation report that provides detailed information on the site, contamination at the site, risks posed by the contamination, adjacent properties, and any other information required by DENR. The person would then prepare and submit to DENR a proposed remedial action plan that provides for how the site would be cleaned up in order to protect public health, safety, and welfare and the environment and proof of financial assurance that sufficient funds are available to carry out the cleanup.

Notice of Intent to Remediate:

A person who proposes a risk-based cleanup must send a notice of intent to conduct the risk-based cleanup to all local governments having jurisdiction over the site and to all adjoining landowners. The notice must include all of the information contained in the remedial investigation report. The person must also submit to DENR a certification that the notice of intent was properly distributed, information and comments received in response to the notice, and a description of how the remedial action plan was modified in response to the comments.

Review and Approval of Proposed Remedial Action Plans:

DENR must review each proposed remedial action plan and make a number of determinations prior to approving a plan, including whether the site-specific cleanup standards are appropriate for the site, that no unauthorized levels of contaminants will migrate from the site to adjacent properties, and that the plan is protective of public health, safety, and welfare and the environment. In its review and consideration of the proposed plan, DENR must consider information provided by the person who proposes the plan as well as information provided by the local governments and adjoining landowners.

Attainment of the Remediation Standard:

When DENR determines that an approved remedial action plan has been implemented and applicable cleanup standards have been attained, it will issue a determination that no further cleanup is required. Once a determination has been issued, DENR may only require additional cleanup under specific circumstances, such as a finding that subsequent monitoring indicates that cleanup standards were not achieved; an undocumented contaminant release is discovered; or one or more of the restrictions imposed on the site as part of the cleanup have been violated.

Fees:

The fee for participation in a risk-based cleanup is \$4,500 for each acre or portion of an acre of contamination, with a cap of \$125,000 regardless of the size of the site. The fees may be used by DENR only to pay for administrative and operating expenses necessary to implement the risk-based cleanup program and to establish and maintain a system for the tracking of land use restrictions recorded at sites that are remediated under the program.

House Bill 45

Page 3

Construction of the Act:

The Act may not be construed or implemented to jeopardize federal authorization under any of the federal statutes, programs, or requirements for the cleanup of contamination; limit the authority of DENR to require investigation, response, or cleanup of environmental contamination necessary to address an imminent threat to public health, safety, or welfare or the environment; or to affect or prevent the enforcement of any local government land-use or development regulation or ordinance.

EFFECTIVE DATE: The act would become effective when it becomes law.

GENERAL ASSEMBLY OF NORTH CAROLINA
SESSION 2011

S

2

SENATE BILL 32
Finance Committee Substitute Adopted 2/22/11

Short Title: Hospital Medicaid Assessment/Payment Program. (Public)

Sponsors:

Referred to:

February 3, 2011

A BILL TO BE ENTITLED

AN ACT TO PROVIDE FOR HOSPITAL ASSESSMENTS TO BE USED TO OBTAIN MATCHING FEDERAL MEDICAID FUNDS TO REDUCE THE LOSSES HOSPITALS SUSTAIN WHEN TREATING MEDICAID AND UNINSURED PATIENTS, TO REDUCE THE INEQUITY IN MEDICAID PAYMENTS BETWEEN PUBLIC AND NONPUBLIC HOSPITALS, AND TO PROVIDE FORTY-THREE MILLION DOLLARS IN ADDITIONAL FUNDING FOR THE STATE OF NORTH CAROLINA.

The General Assembly of North Carolina enacts:

SECTION 1. Chapter 108A of the General Statutes is amended by adding a new Article to read:

"Article 7.

"Hospital Provider Assessment Act.

"§ 108A-120. Short title and purpose.

This Article shall be known as the 'Hospital Provider Assessment Act.' The assessments imposed by this Article are to provide revenue to improve funding for payments for hospital services provided to Medicaid and uninsured patients. All assessment proceeds and corresponding matching federal funds must be used to make the payments required under G.S. 108A-124. This Article does not authorize a political subdivision of the State to license a hospital for revenue or impose a tax or assessment on a hospital.

"§ 108A-121. Definitions.

The following definitions apply in this Article:

- (1) CMS. – Centers for Medicare and Medicaid Services.
- (2) Critical access hospital. – Defined in 42 C.F.R. § 400.202.
- (3) Department. – The Department of Health and Human Services.
- (4) Equity assessment. – The assessment payable under G.S. 108A-123.
- (5) Medicaid equity payment. – The amount required to be paid under G.S. 108A-124.
- (6) Public hospital. – A hospital that certifies its public expenditures to the Department pursuant to 42 C.F.R. § 433.51(b) during the fiscal year for which the assessment applies.
- (7) Secretary. – The Secretary of Health and Human Services.
- (8) State's annual Medicaid payment. – Forty-three million dollars (\$43,000,000).
- (9) Total hospital costs. – The costs as calculated using the most recent available Hospital Cost Report Information Systems cost report data, available through CMS, or other comparable data.

1 (10) Upper pay limit (UPL). – The maximum ceiling imposed by federal
2 regulation on hospital Medicaid payments under 42 C.F.R. § 447.272 for
3 inpatient services.

4 (11) UPL assessment. – The assessment payable under G.S. 108A-123.

5 (12) UPL gap. – The difference between the UPL attributable to hospital inpatient
6 services and the reasonable costs of inpatient hospital services as defined in
7 Section (f)(2)(A) on page 11 of Attachment 4.19-A of the State Medicaid
8 Plan as approved on December 15, 2005.

9 (13) UPL payment. – The amount required to be paid under G.S. 108A-124.

10 **"§ 108A-122. Assessment.**

11 (a) Assessment Imposed. – Except as provided in this section, the assessments
12 authorized under this Article are imposed as a percentage of total hospital costs on all licensed
13 North Carolina hospitals. The assessments are due quarterly in the time and manner prescribed
14 by the Secretary. Payment of an assessment is considered delinquent if not paid within seven
15 days of the due date. With respect to any past-due assessment, the Department may withhold
16 the unpaid amount from Medicaid payments otherwise due or impose a late-payment penalty.
17 The Secretary may waive a penalty for good cause shown.

18 (b) Allowable Cost. – An assessment paid under this Article may be included as
19 allowable costs of a hospital for purposes of any applicable Medicaid reimbursement formula.
20 An assessment imposed under this Article may not be added as a surtax or assessment on a
21 patient's bill.

22 (c) Full Exemption. – The following hospitals are exempt from both the equity
23 assessment and the UPL assessment:

24 (1) State-owned and State-operated hospitals.

25 (2) The primary affiliated teaching hospital for each University of North
26 Carolina medical school.

27 (3) Critical access hospitals.

28 (4) Long-term care hospitals.

29 (5) Freestanding psychiatric hospitals.

30 (6) Freestanding rehabilitation hospitals.

31 (d) Partial Exemption. – A public hospital is exempt from the equity assessment.

32 **"§ 108A-123. Assessment amount.**

33 (a) Annual Calculation. – The Secretary must annually calculate the equity assessment
34 amount and the UPL assessment amount for each hospital subject to the respective assessment.
35 Each assessment must comply with applicable federal regulations and may be prorated for any
36 partial year. The Secretary must notify each hospital that is assessed the amount of its UPL
37 assessment and, if applicable, its equity assessment. The notice must include all of the
38 following:

39 (1) The applicable assessment rates.

40 (2) The hospital costs on which the hospital's assessments are based.

41 (3) The elements of the calculation of the hospital's UPL.

42 (b) Equity Assessment. – The equity assessment consists of both inpatient and
43 outpatient components. The equity assessment percentage rate must be calculated to produce an
44 aggregate annual amount equal to the following:

45 (1) The amount needed to make the Medicaid equity payments under
46 G.S. 108-124.

47 (2) The applicable portion of the State's annual Medicaid payment, as provided
48 in subsection (d) of this section.

49 (c) UPL Assessment. – The UPL assessment consists of both inpatient and outpatient
50 components. The UPL assessment percentage rate must be calculated to produce an aggregate
51 annual amount equal to the following:

1 (1) The amount needed to make the UPL payments under G.S. 108A-124.

2 (2) The applicable portion of the State's annual Medicaid payment, as provided
3 in subsection (d) of this section.

4 (d) State's Annual Medicaid Payment. – The State's annual Medicaid payment must be
5 allocated between the equity assessment and the UPL assessment based on the amount of gross
6 payments received by hospitals under G.S. 108A-124.

7 (e) Appeal. – A hospital may appeal an assessment determination through a
8 reconsideration review. The pendency of an appeal does not relieve a hospital from its
9 obligation to pay an assessment amount when due.

10 "§ 108A-124. Use of assessment proceeds.

11 (a) Use. – The proceeds of the assessments imposed under this Article and all
12 corresponding matching federal funds must be used to make the State annual Medicaid
13 payment to the State and the Medicaid equity payments and UPL payments to hospitals.

14 (b) Quarterly Payments. – Within seven days of the due date for each quarterly
15 assessment imposed under G.S. 108A-123, the Secretary must do the following:

16 (1) Transfer to the State Controller twenty-five percent (25%) of the State's
17 annual Medicaid payment amount.

18 (2) Pay to each hospital that has paid its equity assessment for the respective
19 quarter twenty-five percent (25%) of its Medicaid equity payment amount. A
20 hospital's Medicaid equity payment amount is the sum of the hospital's
21 Medicaid inpatient and outpatient deficits after calculating all other
22 Medicaid payments, excluding disproportionate share hospital payments and
23 the UPL payment remitted to the hospital under subdivision (3) of this
24 subsection.

25 (3) Pay to the primary affiliated teaching hospital for the East Carolina
26 University Brody School of Medicine, to the critical access hospitals, and to
27 each hospital that has paid its UPL assessment for the respective quarter
28 twenty-five percent (25%) of its UPL payment amount, as determined under
29 subsection (c) of this section.

30 (c) UPL Payment Amount. – The aggregate UPL payments made to eligible hospitals
31 that are public hospitals is the sum of the UPL gaps for all public hospitals. The aggregate UPL
32 payments made to eligible hospitals that are not public hospitals is the sum of the UPL gaps for
33 these hospitals. UPL payments are payable to the individual hospitals in the ratio of each
34 hospital's Medicaid inpatient costs to the total Medicaid inpatient costs for the respective group.

35 (d) Refund of Assessment. – If all or any part of a payment required to be made under
36 this section is not made to one or more hospitals when due, the Secretary must promptly refund
37 to each such hospital the corresponding assessment proceeds collected in proportion to the
38 amount of assessment paid by that hospital.

39 "§ 108A-125. Deferral of assessment due date.

40 In the event the data necessary to calculate the assessments required under G.S. 108A-123
41 or the payments required under G.S. 108A-124 is not available to the Secretary in time to
42 impose the quarterly assessments for a payment year, the Secretary may defer the due date for
43 the assessments and payments to a subsequent quarter.

44 "§ 108A-126. Approval of assessment program.

45 The Department must file a State plan amendment with the CMS that incorporates the
46 assessment payments and distributions consistent with the provisions of this Article. Upon
47 CMS approval, the Secretary may impose the initial assessment retroactive to the first day of
48 the quarter in which the State Plan amended was filed, provided the Secretary remits the
49 corresponding payments to hospitals required under G.S. 108A-124 for that quarter. If CMS
50 approves only one component of the equity assessment, the Secretary may adjust the
51 percentage rate on the approved component to produce the required aggregate Medicaid equity

1 payment amounts under G.S. 108A-124. If CMS approves only one component of the UPL
2 assessment, the Secretary may adjust the percentage rate on the approved component to
3 produce the required aggregate UPL payment amounts under G.S. 108A-124. The Secretary
4 may adopt rules as necessary to implement the assessment program under this Article.

5 **"§ 108A-127. Repeal.**

6 . The authority to impose an assessment under this Article is repealed in the event that CMS
7 determines that the assessment or payment methodologies described in this Article are
8 impermissible or CMS revokes approval of any portion of the State Plan amendment
9 authorizing the payments required under G.S. 108A-124."

10 **SECTION 2.** The Department of Health and Human Services must file with the
11 Centers for Medicare and Medicaid Services a State Plan amendment as required under Article
12 7 of Chapter 108A of the General Statutes, as enacted by this act, by March 31, 2011.

13 **SECTION 3.** This act is effective when it becomes law.

BILL SUMMARY:

Senate Bill 32 proposes to establish assessments on hospitals and use the revenue derived from the assessments to obtain Federal Medicaid funds. The purpose of these funds would be to address the difference between hospitals' cost of treating Medicaid recipients and what hospitals are reimbursed.

ASSUMPTIONS AND METHODOLOGY:

Background

Healthcare Provider Assessments

Provider-specific assessments have been used by States since 1990 to help pay for the costs of States' Medicaid programs. The assessments, proposed by State policymakers and enacted by State legislatures, must meet the requirements of federal laws and regulations. In 2010 the number of states with some type of Medicaid-related provider assessment increased to 46 states.

States with Provider Assessments—2010	
Provider being Assessed	States with Assessment
Hospitals	34
ICF/MR-DD	34
Nursing Facility	38
Managed Care Facility	11
Other	15

Source: Kaiser Family Foundation, 2010

Currently, North Carolina utilizes provider assessments to enhance payment rates for 1) Intermediate Care Facilities for the Mentally Retarded and Developmentally Disabled and 2) Nursing Facilities by providing the state share of increases or offsets to recent year's rate decreases.

Example of a Provider Assessment Program

Federal regulations (42 CFR 433.56) allow for an assessment of up to 5.5% to be made against a healthcare provider's non-Medicare net revenue.

- *Initial assessment on health care services.* The first step in the process is to adopt an assessment on health care services.
- *Increased Medicaid payments.* The second step is to use the increased revenue to enhance the state's Medicaid program, e.g. through Medicaid reimbursements, generating additional Federal matching payments at the rate of nearly 2:1, in the case of North Carolina in SFY 2011-12.
- *Net impact on providers and the State.* The new Medicaid reimbursements can be split between providers who contributed to the assessment, other healthcare providers who were not assessed, and the state.
 - *Assessed providers.* Most providers end up net winners due to the increase in Medicaid reimbursement. The Federal government requires that the assessment result in some redistribution of funds on net, so that some providers will inevitably lose.

- *Non-assessed providers.* Non-assessed providers who benefit from the increase in Medicaid reimbursements are pure winners.

Hospital Medicaid Costs and Reimbursements

Medicaid's reimbursement of a hospital's inpatient treatment costs are based on Diagnostic Related Groups (DRGs). These DRG payment rates are based on the 1994 cost for each hospital, indexed forward based on General Assembly's approved changes in provider rates. Each year North Carolina's Medicaid program adjusts the Medicaid DRG reimbursement rate for any inflation or decrease approved by the General Assembly. However, during the past 15 years the North Carolina General Assembly has often foregone an inflationary increase in Medicaid provider rates.

According to the North Carolina Hospital Association (NCHA), which represents public and private hospitals in the state, the current North Carolina Medicaid DRG reimbursement rate for inpatient costs is 50% of the cost of delivering care to a Medicaid recipient. Medicaid's reimbursement of a hospital's outpatient and emergency treatment costs are at 80% of cost. In the aggregate, the NCHA asserts that its hospitals are reimbursed by Medicaid at 63% of their combined inpatient and outpatient costs. NCHA acknowledges that this percentage increases to 85% when the Disproportionate Share Hospital payment to North Carolina hospitals is factored in.

Analysis of Senate Bill 32

Under the applicable Federal regulations (42 CFR 433.56), SB 32 directs the Secretary of the Department of Health and Human Services (DHHS) to implement a hospital assessment program for eligible hospitals to improve funding for payments for hospital services provided to Medicaid and uninsured patients. The program proposed in SB 32 includes two different assessments on hospitals:

1. Equity Assessments
2. Upper Payment Limit Assessments

The assessments are to be levied as a percent of total hospital cost calculated using the most recent available Hospital Cost Report Information Systems cost report or comparable data. The receipts derived from these assessments would be used by the Department's Division of Medical Assistance to draw down Federal matching funds at an approximate rate of \$2 Federal for every \$1 State, beginning in July 2011. If the assessment is implemented prior to July 1, 2011, the federal match (FMAP) rate will be higher due to ARRA, requiring a lower assessment rate. The rate will have to be adjusted in July 2011 to compensate for the change in FMAP.

Equity Assessments/Medicaid Equity Payment

DHHS is to levy an Equity Assessment on the inpatient and outpatient Medicaid costs of each private hospital. The percentage of this assessment is to be calculated by DHHS so that the amount generated from assessment when matched with Federal funds in the Medicaid program is sufficient to reimburse the 67 private hospitals for their Medicaid costs consistent with the Medicaid reimbursements received by the 43 public hospitals and to fund an additional amount for the State's Medicaid program.

To fulfill the purpose of reimbursing the private hospitals, the rate must be set at 1.45% and would generate \$118,317,394 for the first year, according to data from NCHA and DHHS.

As noted above, in order to maintain the payments at this level, the percentage would have to increase effective July 1, 2011, when the enhanced ARRA FMAP ends. At the end of each year, DHHS will be required to evaluate the amount of the Equity Assessment on Medicaid costs, to ensure that it does not exceed the Federal provider assessment guidelines, which permit an assessment on non-Medicare inpatient and outpatient revenue of up to 5.5%.

Upper Payment Limit Assessment/Upper Limit Payment

The bill also provides that DHHS levy an Upper Payment Limit (UPL) Assessment on the inpatient Medicaid costs of public and private hospitals, excluding:

- State-operated hospitals,
- Teaching Hospitals of the University of North Carolina Medical School,
- Critical Access Hospitals,
- Long-term Care Hospitals, and
- Free-standing Psychiatric and Rehabilitation Hospitals.

The percentage of this assessment is to be calculated by DHHS so that the amount generated from the assessment when matched with Federal funds in the Medicaid program is sufficient to reduce the losses that both public and private hospitals sustain when treating Medicaid and uninsured patients and to fund an additional amount for the State's Medicaid program.

To fulfill the purpose of reimbursing the public and private hospitals, the rate must be set at 0.76% and generate \$ 97,298,136 for the first year, according to data from NCHA and DHHS.

Here again, in order to maintain the payments at this level, the percentage would have to increase effective July 1, 2011, due to the expiration of the enhanced FMAP. As with the Equity Assessment, DHHS will be required to evaluate the amount of the assessment on Medicaid costs, to ensure that it does not exceed the Federal provider assessment guidelines, which permit an assessment on non-Medicare inpatient and outpatient revenue.

Total Amount of Assessments

The combined Equity and UPL assessments in SB 32 will generate \$215,615,530 in receipts the first year. This amount should be sufficient to cover the nonfederal share of the Equity and Upper Limit payments, as well as the \$43 million payment for the State Medicaid program also provided for in the bill.

Payments to Hospitals

Of the nearly \$216 million in receipts collected from the combined assessment, DHHS would use \$173 million in the Medicaid program to draw down and an additional \$413 million, for a total of \$586 million Medicaid funds on an annual basis based on the current FMAP. DHHS would pay out this amount to the hospitals. The legislation calls for DHHS to disburse the Medicaid funds derived from these assessments on a quarterly basis.

In the aggregate, the public and private hospitals in North Carolina would net \$370 million in payments over the assessments they paid (\$586 million, less \$216 million) for the first year. The total amount of the assessments and payments will more than likely change each year as hospital cost changes each year. However, because of the uncertainty of the changes in these costs, reasonable estimates of the assessments and payments to hospitals in future years cannot be determined.

SB32—Hospital Assessment Plan					
Assessments to Hospitals	Amount to DHHS	State Share Medicaid	Federal Matching	Payments to Hospitals	Net Benefit to Hospitals
\$215,615,530	\$43,000,000	\$172,615,530	\$413,347,075	\$585,962,605	\$370,347,074

Source: Department of Health and Human Services

With the proposed assessments, receipts, and resultant Medicaid funds, all North Carolina acute care hospitals included in SB 32 would be paid at the Medicare UPL for inpatient services for Medicaid patients, using hospital assessments to generate the additional needed federal matching funds. As a result, hospitals will have 86% of Medicaid allowable costs covered on an actual, net cash received basis and 27% of uninsured costs covered on the same basis, according to NCHA.

Payment to DHHS

SB 32 calls for \$43 million of the amount collected from the Equity and UPL assessments each year to go to the State’s Medicaid program. DHHS can use these funds as it chooses. If it were to use them for the Medicaid program, the \$43 million would draw down an additional \$86 million, approximately, in Federal matching funds for a total of \$129 million in SFY 2011-12.

Each year the receipts derived from the two assessments in SB 32 will increase as hospital inpatient and outpatient costs increase. However, the amount DHHS is to receive will remain at \$43 million.

Summary

SB 32 provides for the following:

1. An Equity Assessment and Payment to compensate private hospitals for their Medicaid costs and a level comparable to public hospitals. This assessment and payment would be adjusted each year.
2. An Upper Payment Limit Assessment and Payment to compensate public and private hospitals for treatment of the uninsured. This assessment and payment would be adjusted each year.
3. DHHS to receive \$43 million from the Equity and Upper Payment Limit assessments. This amount would not be adjusted each year, but remain at \$43 million.

SENATE BILL 32: Hospital Medicaid Assessment/Payment Program

2011-2012 General Assembly

Committee: House Finance	Date: March 2, 2011
Introduced by: Sens. Brunstetter, Clodfelter	Prepared by: Cindy Avrette
Analysis of: Second Edition	Committee Counsel

SUMMARY: *Senate Bill 32¹ would impose an annual assessment on hospitals, payable quarterly, and use the revenue derived from the assessment to obtain additional federal Medicaid funds. The assessment proceeds and corresponding Medicaid funds would be used to address hospitals' cost of treating Medicaid recipients and uninsured patients and to generate an additional \$43,000,000 for the General Fund to be used for the State's Medicaid program.*

CURRENT LAW: Forty-six states and the District of Columbia have some type of Medicaid-related provider tax, assessment, or fee this year. States have used Medicaid-related provider assessments since 1990 to help pay for the costs of states' Medicaid programs. North Carolina began utilizing provider assessments in 2003 to enhance payment rates for nursing facilities and intermediate care facilities for the mentally retarded and developmentally disabled.²

A Medicaid-related provider assessment collects revenue from specific categories of providers to generate new in-state funds and match them with federal funds so that the state gets additional federal Medicaid dollars. Because Medicaid is an entitlement program, the amount of total federal matching funds for Medicaid has no statutory limit. Federal spending is only limited by states' ability to provide matching funds.

In most states that impose a provider assessment, the cost of the assessment is promised back to providers through an increase in the Medicaid reimbursement rate. Under federal law, a state's ability to use provider-specific assessments to fund their state share of Medicaid expenditures has limits. Generally, those assessments cannot exceed 25% of the state's share of Medicaid expenditures and the state cannot provide a guarantee to the providers that the assessments will be returned to them. However, federal law provides a 'safe harbor' that says if the assessments returned to a provider are less than 6% of the provider's revenues, the prohibition on guaranteeing the return of assessment funds is not violated. Therefore, a state may impose a provider assessment of 5.5% of revenues, return those revenues directly or indirectly back to those providers in the form of a Medicaid payment and receive a federal match for those amounts. Unless altered by Congress, this maximum amount will increase to 6% of revenues in October 2011.

BILL ANALYSIS: Senate Bill 32 would impose two different Medicaid-related assessments on hospitals: an equity assessment and an upper pay limit (UPL) assessment. The assessments would be imposed as a percentage of total hospital costs on all licensed North Carolina hospitals. The Secretary of Health and Human Services would annually calculate the assessment amount for each hospital. The assessment would be payable quarterly. The Secretary would use the proceeds of the assessments to make quarterly distributions to the hospitals as well as a quarterly transfer to the General Fund of \$10,750,000. The payments to the hospitals would be due within seven days after the assessment is paid. If an assessment payment is not made to a hospital when due, the Secretary must refund to the

¹ SB 32, as introduced, was identical to HB 53, introduced by Reps. Barnhart, Avila, Crawford, and Glazier. HB 53 is currently in House Finance.

² Section 10.28 of S.L. 2003-284, the Appropriations Act of 2003.

Senate Bill 32

Page 2

hospital the corresponding assessment proceeds collected in proportion to the amount of assessment paid by the hospital.

The equity assessment would be levied on the inpatient and outpatient Medicaid costs of each private hospital. Public hospitals are exempt from this assessment. The percentage of the assessment is to be calculated by DHHS so that the amount generated from the assessment, when matched with federal Medicaid funds, is sufficient to reimburse the 67 private hospitals for their Medicaid costs consistent with the Medicaid reimbursements received by the 43 public hospitals and to fund a pro-rata share of the State annual Medicaid amount. To fulfill this purpose, the rate would need to be set at 1.45% for the first year.

The UPL assessment would be levied on the inpatient and outpatient Medicaid costs of public and private hospitals, with the exception of the following:

- State-operated hospitals
- Teaching hospitals of the University of North Carolina Medical School.
- Critical access hospitals.
- Long-term care hospitals.
- Free-standing psychiatric and rehabilitation hospitals.

The percentage of the UPL assessment is to be calculated by DHHS so that the amount generated from the assessment, when matched with federal Medicaid funds, is sufficient to reduce the losses that both public and private hospitals sustain when treating Medicaid and uninsured patients and to fund a pro-rata share of the State annual Medicaid amount. To fulfill this purpose, the rate would need to be set at 0.76% for the first year.

The State's assessment program would need to be approved by the Centers for Medicare & Medicaid Services. DHHS would need to evaluate the assessment percentages and assessment payments each year to ensure that the assessments do not exceed the federal provider assessment guidelines. The bill directs DHHS to file a State plan amendment with the Centers for Medicare & Medicaid Services to implement the hospital assessments and payments by March 31, 2011.

EFFECTIVE DATE: The bill becomes effective when it becomes law.

	<u>FY 2011-12</u>	<u>FY 2012-13</u>	<u>FY 2013-14</u>	<u>FY 2014-15</u>	<u>FY 2015-16</u>
REVENUES	*No Fiscal Impact*				
EXPENDITURES					
POSITIONS (cumulative):					
PRINCIPAL DEPARTMENT(S) & PROGRAM(S) AFFECTED:	North Carolina Department of Revenue, County Register of Deeds				
EFFECTIVE DATE:	When the bill becomes law.				

BILL SUMMARY:
House Bill (HB) 92 repeals Article 60 of the General Statutes Chapter 105, the County Land Transfer Tax. The land transfer tax represents one of two local financing options enacted during

the 2007 legislative session (S.L. 2007-323 under Sec. 31.17). As an alternative to the land transfer tax, counties also received the option levy a one-quarter cent sales and use tax, Article 46.

Article 60 provides counties with the authority to levy a tax on conveyances if a majority of referendum voters support the tax. The land transfer tax operates alongside the excise stamp tax on conveyances of land and is administered in the same manner as the tax on conveyances. Land exempt from the tax on conveyances is also exempt from the land transfer tax. The maximum land transfer tax rate levied equals 0.4% of the greater: 1) the property value or 2) consideration paid for the property. Counties can enact or increase the land transfer tax in increments of 0.1%.

If HB 92 is enacted, the repeal of the County Land Transfer Tax will become effective when the bill becomes law.

ASSUMPTIONS AND METHODOLOGY: The repeal of Article 60, the Land Transfer Tax, has no fiscal impact because none of the counties implemented the levy. Since the enactment of Article 60 in 2007, 21 of the 100 counties have submitted the option to public vote, with two counties submitting the option twice. The decision to levy Article 60 failed public referendum in all instances.

Table 1 of the appendix covers the forgone revenue associated with the repeal of Article 60.

HOUSE BILL 92: Repeal Land Transfer Tax

2011-2012 General Assembly

Committee:	House Finance	Date:	March 3, 2011
Introduced by:	Reps. Howard, Starnes, Brawley, Jordan	Prepared by:	Martha Walston Committee Counsel
Analysis of:	First Edition		

SUMMARY: *HB 92 repeals the authority granted to counties in 2007 to levy, upon approval of voters in the county, a tax on the sale of real property at the rate of up to 0.4% of the value of the property.*

CURRENT LAW: In 2007, legislation was enacted authorizing a board of county commissioners, by resolution and after 10 days public notice, to levy a local land transfer tax on instruments conveying interests in real property located in the county, up to a rate of 0.4%, in increments of 0.1%. The imposition of the tax is subject to voter approval in a public referendum. The tax is payable by the transferor of the property. The legislation exempts the same transfers as the State excise tax on conveyances.

To date, no county has achieved voter approval to levy this local land transfer tax, although 21 counties have conducted public referendums. The 21 counties are Ashe, Avery, Brunswick, Chatham, Clay, Davie, Gates¹, Graham, Harnett, Henderson, Hoke, Johnston, Macon, Moore, Orange, Pender, Polk, Rutherford, Swain, Tyrrell², and Union.

BILL ANALYSIS: House Bill 92 would repeal the County Land Transfer Tax Act.

EFFECTIVE DATE: This act would become effective when it becomes law.

BACKGROUND: The following counties have been given the authority by the General Assembly to levy a land transfer tax on instruments conveying an interest in real property.

COUNTY	SESSION LAW	RATE	LEVY	REVENUE FY 08-09	APPEALS BOARD	USE OF FUNDS
Dare	1985-525	\$1/\$100	No Vote	\$4,037,302	Yes	Capital needs; shared with towns
Currituck	1985-670	\$1/\$100	No Vote	\$1,890,224	Yes	Capital needs
Chowan	1985-881	\$1/\$100	No Vote	\$277,266	No	Capital needs; shared with towns
Camden	1985-954	\$1/\$100	No Vote	\$261,656	No	Capital needs
Pasquotank	1989-393	\$1/\$100	Vote required	\$798,249	Yes	Capital needs
Perquimans	1989-393	\$1/\$100	Vote required	\$435,085	Yes	Capital needs
Washington ³	1989-393	\$1/\$100	Vote required	N/A	Yes	Capital needs

H92-SMSV-5(e1) v13

¹ Gates County conducted two public referendums, one on November 6, 2007 and one on May 4, 2008.

² Tyrrell County conducted two public referendums, one on May 4, 2008 and one on November 4, 2008.

³ Has been on ballot three times, but never passed.

House Bill 92

Page 2

The State excise tax on conveyances is imposed at the rate of \$1 for each \$500 of sales price. The proceeds from this tax are distributed as follows: ½ to the county for any public purpose, and the remaining ½ to the Department of Revenue (75% goes to Parks and Recreation Trust Fund and 25% goes to Natural Heritage Trust Fund). The following transfers are exempt from the State excise tax on conveyances:

- By operation of law
- By lease for a term of years
- By will
- By intestacy
- By gift
- No consideration paid
- By merger, conversion, or consolidation
- By instrument securing indebtedness

SENATE BILL 97*

Short Title: Clarify Refunds of Tax Overpayments. (Public)

Sponsors: Senators Rucho, Hartsell, Daniel; Apodaca, Blake, Brock, Davis, Harrington, Hise, Mansfield, Meredith, Newton, Pate, Rouzer, and Tucker.

Referred to: Finance.

February 22, 2011

A BILL TO BE ENTITLED

AN ACT TO CLARIFY WHEN THE DEPARTMENT OF REVENUE IS REQUIRED TO INITIATE A REFUND OF AN OVERPAYMENT OF TAX AND TO AUTHORIZE THE ISSUANCE OF REFUNDS OF OVERPAYMENTS THAT HAVE BEEN IDENTIFIED BY THE DEPARTMENT CONSISTENT WITH THIS CLARIFICATION.

The General Assembly of North Carolina enacts:

SECTION 1. G.S. 105-241.7(a) reads as rewritten:

"§ 105-241.7. Procedure for obtaining a refund.

(a) Initiated by Department. – The Department must refund an overpayment made by a taxpayer ~~when if the Department processes a return and finds all of the following:~~ discovers the overpayment before the expiration of the statute of limitations for obtaining a refund. Discovery occurs in any of the following circumstances:

- (1) ~~The statute of limitations for obtaining a refund has not expired.~~ The automated processing of a return indicates the return requires further review.
- (2) ~~The amount shown due on the return is not correct.~~ A review of a return by an employee of the Department indicates an overpayment.
- (3) ~~The correction of the amount due shows that the taxpayer has overpaid the tax.~~ An audit of a taxpayer by an employee of the Department indicates an overpayment."

SECTION 2.(a) The General Assembly makes the following findings concerning the application of the statute of limitations to a refund initiated by the Department of Revenue:

- (1) The statute of limitations is satisfied when the Department is on notice that a refund may be due.
- (2) The Department is on notice that a refund may be due when the Department's automated processing of a return indicates that the return requires further review, regardless of when an employee of the Department verifies whether a refund is in fact due.
- (3) Former G.S. 105-266 and G.S. 105-241.7 are consistent with the findings in this section and require the Department to refund an overpayment of tax if, before the statute of limitations expires, the Department discovers through its automated processing that a return requires further review.

SECTION 2.(b) The Department of Revenue is directed to issue refunds the Department discovered within the statute of limitations as applied in accordance with subsection (a) of this section.

SECTION 3. This act is effective when it becomes law.

SENATE BILL 97: Clarify Refunds of Tax Overpayments

2011-2012 General Assembly

Committee:	House Finance	Date:	March 3, 2011
Introduced by:	Sens. Rucho, Hartsell, Daniel	Prepared by:	Trina Griffin
Analysis of:	First Edition		Committee Counsel

SUMMARY: *Senate Bill 97¹ clarifies when the Department of Revenue is required to initiate a refund of an overpayment of tax and directs the Department to issue refunds for overpayments that have been discovered within the statute of limitations consistent with this clarification.*

CURRENT LAW: Generally speaking, there are two methods for obtaining a refund of tax from the Department of Revenue. If a taxpayer is aware that he or she has made an overpayment, then the taxpayer may request a refund by filing an amended return or by filing a claim for refund. If the taxpayer is not aware of the overpayment, the Department is required to initiate the refund process if, within the statute of limitations period, it becomes aware of or "finds" the overpayment.

Specifically, the Department is required to initiate a refund of an overpayment of tax when the Department processes a return and finds all of the following:

1. The statute of limitations for obtaining a refund has not expired.
2. The amount shown due on the return is not correct.
3. The correction of the amount due shows that the taxpayer has overpaid the tax.

The general statute of limitations for obtaining a refund is the later of three years after the due date of the return or two years after the payment of tax.

The current statute does not specify what constitutes "finding" or discovering an overpayment for purposes of satisfying the statute of limitations. In other words, it does not identify what action must take place by the Department before the statute of limitations expires.

BILL ANALYSIS: Section 1 of the bill clarifies when the discovery of an overpayment occurs, which triggers the Department of Revenue's obligation to issue a refund. Discovery occurs in any of the following circumstances:

1. When the automated processing of a return indicates the return requires further review.
2. When a review of a return by an employee indicates an overpayment.
3. When an audit of a taxpayer by an employee indicates an overpayment.

If the Department's computer system flags a return for further review, the Department must still verify that an overpayment exists before issuing a refund because the automated flagging does not always indicate the precise nature of an error on a return. However, this bill clarifies that the verification need not occur within the statute of limitations period. The flagging of the return is sufficient to put the Department on notice that a refund may be due for purposes of satisfying the statute of limitations.

¹As introduced, this bill is identical to H182, as introduced by Reps. Starnes, Howard, Jordan, Setzer, which is currently in House Finance.

Senate Bill 97

Page 2

Section 2 of the bill directs the Department to issue refunds of overpayments that have been discovered within the statute of limitations in a manner consistent with the clarification in Section 1 of the bill. Over the last year, the Department has been working through a backlog of returns that were flagged for review, some dating as far back as 1996. By December 2010, the vast majority of returns had been reviewed and many refunds were issued. However, there remain approximately 7,000 returns in which an overpayment has been made but a refund has not been issued because the Department wants clarification from the General Assembly about the application of the current law. These overpayments total a little over \$2 million plus interest.

EFFECTIVE DATE: This act is effective when it becomes law.

BACKGROUND: The Revenue Laws Study Committee looked at this issue during the recent interim. The Committee heard differing opinions about the interpretation of the law and its application to overpayments. One interpretation is that the Department is required to issue a refund of an overpayment only if the overpayment is verified by a Departmental employee within the statute of limitations period. Under this interpretation, a taxpayer's receipt of a refund is dependent on the Department's ability to timely review the return, which can vary depending on its workload and resources. The other interpretation is that the Department is required to issue a refund of an overpayment if the return is flagged by the Department's computer system within the statute of limitations. The Department may need to verify that an overpayment exists by manual review of a flagged return, but the manual review need not occur within the statute of limitations. Because returns are processed by the computer system almost immediately after they are filed, this interpretation assures that taxpayers will eventually get a refund.

The Committee concluded that when a return is flagged by the computer system, sufficient notice is provided to the Department that a refund may be due.

A BILL TO BE ENTITLED

AN ACT TO MAKE TECHNICAL AND CLARIFYING CHANGES TO THE INDUSTRIAL FACILITIES SALES TAX REFUND, A TECHNICAL CORRECTION TO THE MEMBERSHIP COUNT OF THE UWHARRIE COMMISSION, TO PROVIDE INTEREST ON OVERPAYMENT OF PROPERTY TAX, AND TO PROVIDE DELAY OF THE COLLECTION OF PROPERTY TAX PENDING APPEAL.

The General Assembly of North Carolina enacts:

SECTION 1.(a) G.S. 105-164.14B(a) reads as rewritten:

"(a) Definitions. – The following definitions apply in this section:

...

(12) Owner. – The term includes a lessee under a capital lease.

(13) Paper-from-pulp manufacturing. – An industry primarily engaged in manufacturing or converting paper, other than newsprint or uncoated groundwood paper, from pulp or pulp products, or in converting purchased sanitary paper stock or wadding into sanitary paper products.

...

~~(20) Strategic partner.~~ – A business that is engaged in activities at the facility that directly contribute to the manufacture and distribution of computers and computer peripherals and with whom the taxpayer has contracted to provide those activities at the facility in direct support of its manufacturing and distribution activities.

(21) Reserved.

(22) Turbine manufacturing. – An industry primarily engaged in manufacturing turbines or complete turbine generator set units, such as steam, hydraulic, gas, and wind. The term does not include the manufacturing of aircraft turbines."

SECTION 1.(b) G.S. 105-164.14B(b) reads as rewritten:

"(b) Refund. – An owner of an industrial facility that meets the business, minimum investment, and industry-specific requirements of this section is allowed an annual refund of sales and use tax paid by it under this Article on building materials, building supplies, fixtures, and equipment that are installed in the construction of the facility and that become a part of the real property of the facility. Liability incurred indirectly by the owner for sales and use taxes on those items is considered tax paid by the owner. The requirements are:

(1) Business requirement. – The facility is primarily engaged in one or more of the following:

a. Air courier services.

b. Aircraft manufacturing.

- 1 c. Bioprocessing.
- 2 d. Financial services, securities operations, and related systems
- 3 development.
- 4 e. Motor vehicle manufacturing.
- 5 f. Paper-from-pulp manufacturing.
- 6 g. Pharmaceutical and medicine manufacturing and distribution of
- 7 pharmaceuticals and medicines.
- 8 ~~g.h.~~ Semiconductor manufacturing.
- 9 ~~h.i.~~ Solar electricity generating materials manufacturing.
- 10 j. Turbine manufacturing.
- 11 (2) Minimum investment requirement. – The Secretary of Commerce has
- 12 certified that the owner of the facility will invest at least the required amount
- 13 of private funds to construct the facility in this State. For the purpose of this
- 14 subsection, costs of construction may include costs of acquiring and
- 15 improving land for the facility and costs of equipment for the facility. If the
- 16 facility is located in a development tier one area, the required amount is fifty
- 17 million dollars (\$50,000,000). For all other facilities, the required amount is
- 18 one hundred million dollars (\$100,000,000). ~~In the case of a computer~~
- 19 ~~manufacturing facility, the~~ The owner may invest these funds either directly
- 20 or indirectly through a related ~~entity or strategic partner entity.~~
- 21 (3) Industry-specific requirements:
- 22 a. If the facility is primarily engaged in financial services, securities
- 23 operations, and related systems development, it satisfies all of the
- 24 following conditions:
- 25 1. It is owned and operated by the business for which the
- 26 services are provided or by a related entity of that business as
- 27 defined in G.S. 105-130.7A.
- 28 2. No part of it is leased to a third-party tenant that is not a
- 29 related entity of the business.
- 30 b. If the facility is primarily engaged in solar electricity generating
- 31 materials manufacturing, the business satisfies a wage standard at the
- 32 facility. The wage standard is equal to one hundred five percent
- 33 (105%) of the lesser of the average weekly wage for all insured
- 34 private employers in the State and the average weekly wage for all
- 35 insured private employers in the county. A business satisfies the
- 36 wage standard if it pays an average weekly wage that is at least equal
- 37 to the amount required by this sub-subdivision. In making the wage
- 38 calculation, the business must include any jobs that were filled for at
- 39 least 1,600 hours during the calendar year."
- 40 **SECTION 2.** G.S. 153C-3(d) reads as rewritten:
- 41 "(d) Membership. – The Commission shall consist of ~~10~~12 members as follows:
- 42 (1) One representative from the public at large who is a resident of the Uwharrie
- 43 region of North Carolina appointed by the President Pro Tempore of the
- 44 Senate.
- 45 (2) One representative from the public at large who is a resident of the Uwharrie
- 46 region of North Carolina appointed by the Speaker of the House of
- 47 Representatives.
- 48 (3) Four representatives from the public at large who are residents of the
- 49 Uwharrie region of North Carolina to be appointed by the Governor,
- 50 including:

- 1 a. Two who shall at the time of appointment be actively connected with
2 or have experience in local government within the Uwharrie region
3 of North Carolina.
4 b. One who shall at the time of appointment have experience in tourism
5 or tourism development in the Uwharrie region of North Carolina.
6 c. One who shall have experience in economic development in the
7 Uwharrie region of North Carolina.

8 (4) Two members to represent each of the following regional councils of
9 government as appointed by those councils: the Centralina Council of
10 Governments and the Piedmont Triad Council of Governments.

11 (5) The Secretary of Commerce or the Secretary's designee.

12 (6) The Secretary of Environment and Natural Resources or the Secretary's
13 designee.

14 The members of the Commission shall elect a chair, vice-chair, and any other officers they
15 consider necessary and shall determine the length of the term of office, not to exceed two years,
16 of each officer. A majority of the Commission shall constitute a quorum. Each member
17 appointed to the Commission shall be appointed to serve a four-year term. Any vacancy on the
18 Commission shall be filled by the original appointing authority for the remainder of the
19 unexpired term. Initial terms commence September 1, 2010."

20 **SECTION 3.(a)** G.S. 105-360 is amended by adding a new subsection to read:

21 "(e) When an order of the county board of equalization and review reduces the valuation
22 of property or removes the property from the tax lists and, based on the order, the taxpayer has
23 paid more tax than is due on the property, the taxpayer is entitled to receive interest on the
24 overpayment in accordance with this subdivision. An overpayment of tax bears interest at the
25 rate set under subsection (a) of this section from the date the interest begins to accrue until a
26 refund is paid. Interest accrues from the later of the date the tax was paid and the date the tax
27 would have been considered delinquent under G.S. 105-360. A refund is considered paid on a
28 date determined by the governing body of the taxing unit that is no sooner than five days after a
29 refund check is mailed."

30 **SECTION 3.(b)** G.S. 105-378(d) reads as rewritten:

31 "(d) Enforcement and Collection Delayed Pending Appeal. – When the board of county
32 commissioners or municipal governing body delivers a tax receipt to a tax collector for any
33 assessment that has been or is subsequently appealed to the county board of equalization and
34 review or the Property Tax Commission, the tax collector may not seek collection of taxes or
35 enforcement of a tax lien resulting from the assessment until the appeal has been finally
36 adjudicated. The tax collector, however, may send an initial bill or notice to the taxpayer."

37 **SECTION 4.** Section 1 of this act becomes effective July 1, 2010, and applies to
38 sales made on or after that date. Section 3 of this act becomes effective for taxable years
39 beginning on or after January 1, 2011. The remainder of this act is effective when it becomes
40 law.

SENATE BILL 76: TC: Eligibility: Indus Facil/Fix Uwharrie Com

2011-2012 General Assembly

Committee: House Finance	Date: March 3, 2011
Introduced by: Sens. Hartsell, Rucho, Clary	Prepared by: Heather Fennell
Analysis of: Second Edition	Committee Counsel

SUMMARY: *Senate Bill 76 reenacts and amends the sales tax refunds for industrial facilities, corrects the stated number of members of the Uwharrie Commission, provides for interest on overpayments of property tax, and delays the collection of property tax pending appeal.*

CURRENT LAW:

Section 1: Section 4 of S.L. 2010-91 expanded the list of industries allowed an annual sales and use tax refund to include paper-from-pulp manufacturing and turbine manufacturing. The change was intended to become effective July 1, 2010, and applied to sales made on or after that date.

S.L. 2010-166 made technical changes to the sales and use tax refunds, but did not include the newly enacted refunds of S.L. 2010-91. Statutory construction provides that when the General Assembly enacts two bills that amend the same existing general statute, the bill enacted last will control. Therefore, the refunds enacted in S.L. 2010-91 were in effect removed by S.L. 2010-166.

Section 2: S.L. 2010-176 established the Uwharrie Regional Resources Commission to foster economic development, and to protect and enhance the natural resources of the Uwharrie Region, including Davidson, Davie, Montgomery, Rowan, Randolph, and Stanly counties. The total number of members authorized for appointment by statute is 12; however, the statute states the membership of the Commission is 10.

Section 3: Individuals may appeal property tax valuations to the county board of equalization and review. The State Property Tax Commission hears appeals from the local boards of equalization and review. If the Property Tax Commission reduces the value of the property, or removes the property from taxation, the taxpayer receives interest on any overpayment of taxes. The tax collector may not enforce collection of the tax while the appeal to the Property Tax Commission is pending, but interest will accrue if the taxes are not timely paid. There are not corresponding provisions for appeals pending at county boards of equalization and review.

BILL ANALYSIS:

Section 1: Reenacts the sales tax refunds for paper-from-pulp manufacturing and turbine manufacturing enacted in S.L. 2010-91. The following additional changes are made to the refunds for industrial facilities:

- Amends the definition of "owner" to include lessees under a capital lease.
- Deletes the defined term "strategic partner." This term was solely used in the refund for computer manufacturing facility which has been repealed.
- Remove additional reference to computer manufacturing facilities.
- Clarifies the minimum investment requirement for the refunds can be met by funds invested directly or indirectly through a related entity.

Section 2: Corrects the total number of members of the Uwharrie Commission.

Senate Bill 76

Page 2

Section 3: Provides interest on overpayments and suspension of the enforcement proceedings for property valuations that have been appealed to the county boards of equalization and review. If the county board of equalization and review reduces the value of the property, or removes the property from taxation, the taxpayer receives interest on any overpayment of taxes. The interest for overpayments is the same as the interest charged for delinquent taxes. The tax collector may not enforce collection of the taxes while the appeal to the board is pending, but interest will accrue if the tax is not timely paid.

EFFECTIVE DATE: Section 1 of this act is effective July 1, 2010 and applies to sales on or after that date. Section 3 becomes effective for taxable years beginning on or after January 1, 2011. The remainder of this act is effective when it becomes law.

S76-SMTD-7(e2) v3

North Carolina General Assembly
House Committee on Finance

Minutes

March 8, 2011

The House Committee on Finance met on Tuesday, March 8, 2011 at 8:30 am in Room 544 of the Legislative Office Building. The following members were present: Chairpersons Howard, Starnes, Setzer and Folwell; Vice-Chair McComas; and Representatives Brawley, Carney, Collins, Hackney, Hall, Hill, Jordan, Luebke, McCormick, McGee, McGuirt, Moffitt, Moore, Ross, Samuelson, Stone, Warren, Weiss and Womble. Also present were Sergeant-at-Arms Earl Coker, Fred Hines, Ken Kirby and Bill MacRae. Staff persons present included Cindy Avrette, Rodney Bizzell, Barry Boardman, Dan Ettefagh, Heather Fennell, Trina Griffin, Sandra Johnson, Greg Roney, Brian Silvka, Jonathan Tart, and Martha Walston. The Agenda and Visitor Registration Sheets are attached and incorporated into these minutes as **attachments 1 and 2**.

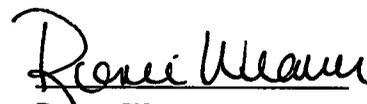

Chairperson Setzer called the meeting to order at 8:30 am and recognized the four (4) pages present: (1) McKenzie Blackwell of Wilson County sponsored by Representative Farmer-Butterfield; (2) Madison Blackwell of Wilson County sponsored by Representative Farmer-Butterfield; (3) Teannya Monroe of Cumberland County sponsored by Representative Lucas; and (4) Patrick Coats of Johnston County sponsored by Representative Daughtry.

Chairperson Setzer recognized David Clegg, Deputy Chairman & Chief Operating Officer with the Employment Security Commission, to proceed with his presentation on **The Recession and the UI Trust Fund** (see **attachment 3**). Following David's presentation, he answered questions from members.

Chairperson Setzer adjourned the meeting at 9:42 am.

Respectfully submitted,

Representative Mitchell Setzer
Presiding Chair

Renee Weaver
Clerk, House Committee on
Finance

UI Trends - Taxes and Benefits

UI Trends - Trust Fund Balance

Purpose of UI Trust Fund

- Provide temporary assistance to those who have lost their jobs through no fault of their own
- Help stabilize the economy in times of economic downturn.

Title XII of Social Security Act

- "...provides for state advances (loans) when a state determines their Unemployment Fund will not have adequate funding to allow for the payment of Unemployment Benefits."

- Current loan balance: \$2,631,866,556

Tax Changes

- **March 1994: (Senate Bill 151 – Extra Session 1994)**
 - 50% tax rate reduction when fund balance equals or exceeds \$800m
 - Employers with a credit ratio of 6.4% or more received a tax rate of .01%
 - Also reduced new employer tax rate from 2.25% to 1.8%
- **February 1995: (Senate Bill 13 – 1995 Session)**
 - Employers with a credit ratio of 5% or more received a tax rate of 0%
- **July 1995: (Senate Bill 180 – 1995 Session)**
 - Imposed a 60% overall tax rate reduction on employers with a credit ratio when the fund ratio was equal to 5.0% or greater

Tax Law Changes

- **February 1996: (Senate Bill 2 – Extra Session 1996)**
 - Provided a tax moratorium for all credit ratio employers for 1996
 - Also lowered new employer tax rate from 1.8% to 1.2%
- **July 1999: (House Bill 275 – 1999 Session)**
 - Training and Reemployment Contribution provided a 20% reduction in employer tax rates while imposing a corresponding 20% contribution for Department of Community College training programs and ESC reemployment services
 - Expanded 0% tax rate to employers with credit ratios of 4% or greater
 - Lowered new employer tax rate from 1.2% to 1.0%
 - Repealed 1-1-2011

Tax Law Changes

- **July 2003: (HB 1241 – 2003 Session) Imposed a delay in collection of 20% unemployment surtax for one year.**
- **2003 – NC issued \$172 million in Tax Anticipation Notes (TAN) to pay Federal Loans.**
- **2004 – NC issued \$269 million in TANs to pay additional borrowing. These bonds were repaid in 2005.**
- **August 2005: (SB 757 – 2005 Session) Raised trigger for 50% tax reduction from \$800 million to 1.95% of gross taxable wages reported to ESC.**

Benefits vs. Tax Collections

Experience Rated Accounts

- Annual Computation July 31
- Average Tax Rate 2011: 1.8%
- 2011 Tax Rates
 - 197,691 Experience Rated Employers
 - **59,972 Higher (30%)**
 - 13,000 came off New Employer Tax rate
 - **68,812 Lower (35%)**
 - **68,907 No Change (35%)**

Employer Accounts

- 197,691 Liable Employers
 - 8,774 Employers with the highest capped tax rate of 5.7%
 - 25,087 Employers with 0% tax rate
 - 0% Tax rate is available to employers who have a credit ratio of 4% or greater

Time Line

- February 2009 – First Advance by NC of Federal Loan
- January 2011 – Interest starts accruing on Federal Debt
- September 30, 2011 – Interest Payment Due
 - **Current Rate is 4.0869%**
 - **\$100 million in State Reserve to pay interest**
- November 10, 2011 – Principal Balance due to avoid FUTA credit reduction

Federal Loan Request and Repayment

- Governor or designee submits a request to the Secretary of Labor estimating amounts to be borrowed for each month of a consecutive three month period.
- Secretary of Labor certifies to Secretary of the Treasury the amounts that a State can borrow each month.
- State can access the amount of funds needed electronically.

Federal Loan Request and Repayment

- A State may elect to repay loans with any funds available at the end of each day over a specified period.
- North Carolina sweeps all revenue collected each day to pay benefits before borrowing.

Federal Loan Request and Repayment

- **Interest rate applicable to a calendar year is the rate of interest paid on balances in the Unemployment Trust Fund (UTF) for the fourth quarter of the prior calendar year.**
- **Interest rate on outstanding balances for 2011 is: 4.0869 percent.**
- **Interest cannot be paid directly or indirectly from funds in a State's account in the UTF.**
- **A State cannot use grant funds or Reed Act funds to pay interest.**

FUTA

- Federal payroll tax on employers at 6.2% on a taxable wage base of \$7,000
- Employers in States that are in compliance with Federal Regulations are given a 5.4% credit on their FUTA
- A tax credit reduction of .3% annually on States with Federal loan balance outstanding for 2 consecutive Januarys
 - If NC's debt is not paid by November 10, 2011, employers effective FUTA tax rate will increase from .08% to 1.1%. Currently, employers pay \$56 per employee. The increase would raise the FUTA tax to \$77 per employee.

FUTA Tax Issue

Wisconsin			0.3

* Assumes balance on January 1 every year and on November 10 of the indicated year and no application of the possible third year 2.7% add-on amount.

Current Proposals

- President Obama proposed in his budget to give State's a two year moratorium on the interest.
- Provides a delay in the FUTA tax penalty
- Also provides for a increase in the taxable wage base while lowering the FUTA tax rate

Senate Bill 386

- Senator Durbin proposed a bill similar to Obama's proposal except:
 - Would provide a partial forgiveness on the debt principle if States meet certain criteria

Congressional Action

- Extension of the Emergency Unemployment Compensation through December 2011
- Extension of the interest free borrowing?
- Eliminate the FUTA credit reduction?
- Loan forgiveness?

Policy Options

- Do Nothing
- Adjust Existing Statutes
- Trust Fund Solvency

Do Nothing

- Make interest payments at Federal Rate and continue to borrow from Federal Trust Fund
- Allow FUTA tax increases to apply to outstanding balance.
 - **.3% increase in FUTA rate annually until loan is settled**
 - **Cost to employers: \$56 to \$77 per employee; \$83 million first year**
 - **By 2015, the rate would be 2.3%, or \$161 per employee**

ESC Internal Committee Recommendations

- Incrementally increase Taxable Wage Base
 - **60% - 2012; 70% - 2013; 80% - 2014**
 - **Cost to employers:**
 - **\$10 - \$20 million - Year 1**
 - **\$30 - \$40 million - Year 2**
 - **\$30 - \$40 million - Year 3**
- Require approximately an additional \$700 million in collections to replenish the trust fund

Recommendations

- Adjust Standard Beginning Rate
 - Change the Standard Beginning Rate from 1.2% to 2.7%
- Eliminate 0% Tax Rate
- Adjust the tax rates for Debit Ratio Employers
 - Current Rates are 2.9% - 5.7%
 - **Approximately 17,000 employers have a deficit balance in their ERA**

Recommendations

- Adjust the standard beginning rate
 - Currently new employers rate is 1.2% for 2 years
 - **Oklahoma and South Dakota have rates this low**
 - USDOL recommended new employer rate of 2.7%
 - **Generate \$38 million a year**

Recommendations

- **Modify Existing Tax Schedules**
 - Have been at the highest tax schedule allowed by statute since tax year 2003
 - Current Highest rates:
 - **Credit Ratio Experience Rate – 2.7%**
 - **Debit Ratio Experience Rate – 5.7%**

Bond Issuance

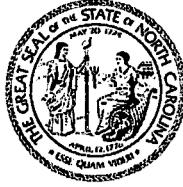

- Existing debt is not a general obligation of the State
- Bonds would be a general obligation
- Tax Anticipation Notes (TAN) are not a general obligation but are capped at 50% of the anticipated annual revenue

North Carolina General Assembly
House Committee on Finance

Minutes

March 9, 2011

The House Committee on Finance met on Wednesday, March 9, 2011 at 8:30 am in Room 544 of the Legislative Office Building. The following members were present: Chairpersons Howard, Starnes, Setzer and Folwell; Vice-Chairs Lewis, McComas and Wainwright; and Representatives Alexander, Brawley, Carney, Collins, Cotham, Faison, Hackney, Hall, Hill, Jordan, Luebke, McCormick, McGee, McGuirt, Moffitt, Moore, Rhyne, Ross, Samuelson, Stone, Warren, Weiss and Womble. Also present were Sergeant-at-Arms John Brandon, Earl Coker, Fred Hines, and Ken Kirby. Staff persons present included Cindy Avrette, Rodney Bizzell, Barry Boardman, Dan Etefagh, Heather Fennell, Trina Griffin, Sandra Johnson, Greg Roney, Brian Silvka, Jonathan Tart, and Martha Walston. The Agenda and Visitor Registration Sheets are attached and incorporated into these minutes as **attachments 1 and 2.**

Chairperson Setzer called the meeting to order at 8:30 am and recognized the four (4) pages present: (1) Paige Robinson of Wayne County sponsored by Representative Sager; (2) Emoni Tedder of Durham County sponsored by Representative Hall (3) Patrick Coats, II of Johnston County sponsored by Representative Daughtry; and (4) Teannya Monroe of Cumberland County sponsored by Representative Lucas.

The first bill considered by the Committee was **HB 68 Tax Certification – Add Brunswick County** (see **attachment 3**). The Chair recognized Representative Iler to explain the bill. Following the explanation, the Chair recognized Representative Hill who made a motion to adopt a proposed committee substitute. The motion carried. Representative Iler explained the proposed committee substitute. Representative Hill moved that HB 68 be given a favorable report to the proposed committee substitute which changed the title, unfavorable report to the original bill. The motion carried.

The next bill considered by the Committee was **HB 49 Laura's Law** (see **attachment 4**). Chairperson Setzer recognized Representative Moore to explain the bill. The Chair then recognized Representative McGee who moved that the proposed committee substitute be adopted. The motion carried. Representative Moore was recognized to explain the

proposed committee substitute. Following the explanation, The Chair recognized Representative Hackney who moved that HB 49 be given a favorable report to proposed committee substitute 2 and an unfavorable report to proposed committee substitute 1. The motion carried.

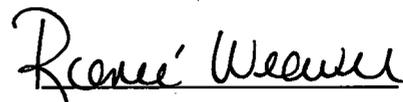

HB 93 Modify Refundability of EITC (see attachment 5) was heard next by the Committee. Chairperson Setzer recognized Representative Starnes to explain the bill. Due to the lengthy discussion that followed, no vote was taken on the bill. The Chair stated the bill would be re-calendared.

Chairperson Setzer adjourned the meeting at 9:50 am.

Respectfully submitted,

Representative Mitchell Setzer
Presiding Chair

Renee Weaver
Clerk, House Committee on
Finance

**2011 COMMITTEE REPORT
HOUSE OF REPRESENTATIVES**

The following report(s) from standing committee(s) is/are presented:

By Representative Howard, Folwell, Setzer, Starnes (Chairs) for the Committee on FINANCE.

Committee Substitute # 2 for

HB 49 A BILL TO BE ENTITLED AN ACT TO INCREASE THE PUNISHMENT FOR DWI OFFENDERS WITH THREE OR MORE GROSSLY AGGRAVATING FACTORS, TO AUTHORIZE THE COURT TO REQUIRE CONTINUOUS ALCOHOL MONITORING FOR CERTAIN OFFENDERS, AND TO INCREASE THE COURT COSTS FOR DWI OFFENDERS.

With a favorable report as to Committee Substitute Bill 2, unfavorable as to Committee Substitute Bill 1.

(FOR JOURNAL USE ONLY)

_____ Pursuant to Rule 32(a), the bill/resolution is re-referred to the Committee on _____.

_____ Pursuant to Rule 36(b), the (House/Senate) committee substitute bill/(joint) resolution (No. _____) is placed on the Calendar of _____. (The original bill resolution No. _____) is placed on the Unfavorable Calendar.

_____ The (House) committee substitute bill/(joint) resolution (No. _____) is re-referred to the Committee on _____. (The original bill/resolution) (House/Senate Committee Substitute Bill/(Joint) resolution No. _____) is placed on the Unfavorable Calendar.

**2011 COMMITTEE REPORT
HOUSE OF REPRESENTATIVES**

The following report(s) from standing committee(s) is/are presented:

A BILL TO BE ENTITLED
AN ACT TO AUTHORIZE ALAMANCE, BRUNSWICK, BUNCOMBE, AND YANCEY
COUNTIES TO REQUIRE THE PAYMENT OF DELINQUENT PROPERTY TAXES
BEFORE RECORDING DEEDS CONVEYING PROPERTY.

The General Assembly of North Carolina enacts:

SECTION 1. G.S. 161-31(b) reads as rewritten:

"§ 161-31. Tax certification.

(a) Tax Certification. – The board of commissioners of a county may, by resolution, require the register of deeds not to accept any deed transferring real property for registration unless the county tax collector has certified that no delinquent ad valorem county taxes, ad valorem municipal taxes, or other taxes with which the collector is charged are a lien on the property described in the deed. The county commissioners may describe the form the certification must take in its resolution.

(a1) Exception to Tax Certification. – If a board of county commissioners adopts a resolution pursuant to subsection (a) of this section, notwithstanding the resolution, the register of deeds shall accept without certification a deed submitted for registration under the supervision of a closing attorney and containing this statement on the deed: "This instrument prepared by: _____, a licensed North Carolina attorney. Delinquent taxes, if any, to be paid by the closing attorney to the county tax collector upon disbursement of closing proceeds."

(b) Applicability. – This section applies only to Alamance, Alexander, Anson, Beaufort, Bertie, Brunswick, Buncombe, Burke, Cabarrus, Camden, Carteret, Caswell, Catawba, Cherokee, Chowan, Clay, Cleveland, Currituck, Dare, Davidson, Davie, Duplin, Durham, Edgecombe, Forsyth, Gaston, Gates, Graham, Granville, Greene, Halifax, Harnett, Haywood, Henderson, Hertford, Hyde, Iredell, Jackson, Johnston, Jones, Lee, Lenoir, Lincoln, Macon, Madison, Martin, McDowell, Montgomery, Nash, Northampton, Onslow, Pasquotank, Pender, Perquimans, Person, Pitt, Polk, Robeson, Rockingham, Rowan, Rutherford, Stanly, Surry, Swain, Transylvania, Tyrrell, Vance, Warren, Washington, Wayne, Wilson, ~~and~~ Yadkin ~~Yadkin~~, and Yancey Counties."

SECTION 2. This act is effective when it becomes law.

28 SECTION 2. This act is effective when it becomes law.

HOUSE BILL 68: Tax Certification - Add Counties

2011-2012 General Assembly

Committee: House Finance	Date: March 8, 2011
Introduced by: Reps. Iler, Hill	Prepared by: Martha Walston
Analysis of: PCS to First Edition, H68-CSLA-1	Committee Counsel

SUMMARY: *HB 68, as introduced, authorizes Brunswick County to require payment of delinquent property taxes prior to recording deeds conveying property. HB 68 was given a favorable report in House Government. The PCS adds Alamance, Buncombe, and Yancey Counties.*

CURRENT LAW: *G.S. 161-31(a)* permits tax certification by allowing a county board of commissioners, by resolution, to require the register of deeds not to accept any deed transferring real property for registration unless the county tax collector has certified that no delinquent ad valorem county taxes, ad valorem municipal taxes, or other taxes with which the collector is charged are a lien on the property described in the deed. The county commissioners may describe the form the certification must take in its resolution.

G.S. 161-31(a1) provides an exception to the tax certification by requiring the register of deeds to accept, without certification, a deed containing the following statement: "This instrument prepared by: _____, a licensed North Carolina attorney. Delinquent taxes, if any, to be paid by the closing attorney to the county tax collector upon disbursement of closing proceeds."

G.S. 161-31(b) lists the 69 counties to which this provision currently applies.¹

The following four counties have a similar requirement but under different authorizing legislation:

Avery County	Chapter 305 of the 1963 Session Laws, as amended by S.L. 1997-410 and S.L. 1998-73 ²
Ashe County	S.L. 1993-657, as amended by S.L. 1997-410 and S.L. 2005-433 ³
Alleghany County	S.L. 1997-410
Mitchell County	S.L. 1987-537, as amended by S.L. 1997-410 and S.L. 1999-326 ⁴

These local acts provide that the Register of Deeds shall not record any deed unless it is accompanied by a certification that all delinquent taxes have been paid. These local acts are in contrast to *G.S. 161-31*, which gives certain counties the discretion to pass a resolution to that effect.

BILL ANALYSIS: The PCS to House Bill 68 amends *G.S. 161-31(b)* to add Alamance, Brunswick, Buncombe, and Yancey Counties to the list of counties in which the board of commissioners is permitted to pass a resolution requiring the register of deeds not to accept any deed transferring real property unless the county tax collector certifies that the taxes listed in the statute are not delinquent and are not a lien on the property. (The taxes listed in *G.S. 161-31(a)* are ad valorem county taxes, ad valorem municipal taxes, or other taxes with which the collector is charged.)

EFFECTIVE DATE: This bill would become effective when it becomes law.

Trina Griffin, counsel to House Finance, substantially contributed to this summary.

H68-SMLA-5(e1) v1

¹ The Register of Deeds in Duplin County must also receive a certification that no municipal taxes or any other taxes the collector is charged with collecting are a lien on the property before a deed transferring the property may be recorded.

² The Town of Newland was added in 1997; the Town of Banner Elk was added in 1998.

³ S.L. 2005-433 provides that in addition to receiving a certification from the county tax collector, the Register of Deeds must also receive a certification from any municipal tax collector, where applicable, verifying that all delinquent taxes on the property have been paid.

⁴ This local act also provides that if the property is located in the Town of Spruce Pine or the Town of Bakersville, the deed must also be accompanied by a certification from the town tax collector that all municipal taxes have been paid with respect to the property.

Referred to:

February 9, 2011

A BILL TO BE ENTITLED

AN ACT TO INCREASE THE PUNISHMENT FOR DWI OFFENDERS WITH THREE OR MORE GROSSLY AGGRAVATING FACTORS, TO AUTHORIZE THE COURT TO REQUIRE CONTINUOUS ALCOHOL MONITORING FOR CERTAIN OFFENDERS, AND TO INCREASE THE COURT COSTS FOR DWI OFFENDERS.

The General Assembly of North Carolina enacts:

SECTION 1. G.S. 20-179 reads as rewritten:

"§ 20-179. Sentencing hearing after conviction for impaired driving; determination of grossly aggravating and aggravating and mitigating factors; punishments.

(a) Sentencing Hearing Required. – After a conviction under G.S. 20-138.1, G.S. 20-138.2, a second or subsequent conviction under G.S. 20-138.2A, or a second or subsequent conviction under G.S. 20-138.2B, or when any of those offenses are remanded back to district court after an appeal to superior court, the judge shall hold a sentencing hearing to determine whether there are aggravating or mitigating factors that affect the sentence to be imposed.

(c) Determining Existence of Grossly Aggravating Factors. – At the sentencing hearing, based upon the evidence presented at trial and in the hearing, the judge, or the jury in superior court, must first determine whether there are any grossly aggravating factors in the case. Whether a prior conviction exists under subdivision (1) of this subsection, or whether a conviction exists under subdivision (d)(5) of this section, shall be matters to be determined by the judge, and not the jury, in district or superior court. If the sentencing hearing is for a case remanded back to district court from superior court, the judge shall determine whether the defendant has been convicted of any offense that was not considered at the initial sentencing hearing and impose the appropriate sentence under this section. The judge must impose the Aggravated Level One punishment under subsection (f3) of this section if it is determined that three or more grossly aggravating factors apply. The judge must impose the Level One punishment under subsection (g) of this section if it is determined that two or more grossly aggravating factors apply. The judge must impose the Level Two punishment under subsection (h) of this section if it is determined that only one of the grossly aggravating factors applies. The grossly aggravating factors are:

(1) A prior conviction for an offense involving impaired driving if:

- 1 a. The conviction occurred within seven years before the date of the
2 offense for which the defendant is being sentenced; or
3 b. The conviction occurs after the date of the offense for which the
4 defendant is presently being sentenced, but prior to or
5 contemporaneously with the present sentencing; or
6 c. The conviction occurred in district court; the case was appealed to
7 superior court; the appeal has been withdrawn, or the case has been
8 remanded back to district court; and a new sentencing hearing has
9 not been held pursuant to G.S. 20-38.7.

10 Each prior conviction is a separate grossly aggravating factor.

- 11 (2) Driving by the defendant at the time of the offense while his driver's license
12 was revoked under G.S. 20-28, and the revocation was an impaired driving
13 revocation under G.S. 20-28.2(a).
14 (3) Serious injury to another person caused by the defendant's impaired driving
15 at the time of the offense.
16 (4) Driving by the defendant while a child under the age of 16 years was in the
17 vehicle at the time of the offense.

18 In imposing an Aggravated Level One, a Level One, or a Level Two punishment, the
19 judge may consider the aggravating and mitigating factors in subsections (d) and (e) in
20 determining the appropriate sentence. If there are no grossly aggravating factors in the case, the
21 judge must weigh all aggravating and mitigating factors and impose punishment as required by
22 subsection (f).

23 ...

24 (f3) Aggravated Level One Punishment. – A defendant subject to Aggravated Level One
25 punishment may be fined up to ten thousand dollars (\$10,000) and shall be sentenced to a term
26 of imprisonment that includes a minimum term of not less than 12 months and a maximum
27 term of not more than 36 months. Notwithstanding G.S. 15A-1371, a defendant sentenced to a
28 term of imprisonment pursuant to this subsection shall not be eligible for parole. However, the
29 defendant shall be released from the Department of Correction on the date equivalent to the
30 defendant's maximum imposed term of imprisonment less four months, and shall be supervised
31 by the Division of Community Corrections under and subject to the provisions of Article 84A
32 of Chapter 15A of the General Statutes and shall also be required to abstain from alcohol
33 consumption for the four-month period of supervision as verified by a continuous alcohol
34 monitoring system. For purposes of revocation, violation of the requirement to abstain from
35 alcohol or comply with the use of a continuous alcohol monitoring system shall be deemed a
36 controlling condition under G.S. 15A-1368.4.

37 The term of imprisonment may be suspended only if a condition of special probation is
38 imposed to require the defendant to serve a term of imprisonment of at least 120 days.
39 Subsection (k1) of this section shall not apply to a defendant sentenced pursuant to this
40 subsection. If the defendant is placed on probation, the judge shall impose as requirements that
41 the defendant (i) abstain from alcohol consumption for a minimum of 120 days, to a maximum
42 of the term of probation, as verified by a continuous alcohol monitoring system pursuant to
43 subsections (h1) and (h3) of this section, and (ii) obtain a substance abuse assessment and the
44 education or treatment required by G.S. 20-17.6 for the restoration of a drivers license and as a
45 condition of probation. The judge may impose any other lawful condition of probation.

46 (g) Level One Punishment. – A defendant subject to Level One punishment may be
47 fined up to four thousand dollars (\$4,000) and shall be sentenced to a term of imprisonment
48 that includes a minimum term of not less than 30 days and a maximum term of not more than
49 24 months. The term of imprisonment may be suspended only if a condition of special
50 probation is imposed to require the defendant to serve a term of imprisonment of at least 30
51 days. If the defendant is placed on probation, the judge shall impose a requirement that the

1 defendant obtain a substance abuse assessment and the education or treatment required by
2 G.S. 20-17.6 for the restoration of a drivers license and as a condition of probation. The judge
3 may impose any other lawful condition of probation.
4

5 (h1) The judge may impose, as a condition of probation for defendants subject to Level
6 One or Level Two punishments, that the defendant abstain from alcohol consumption for a
7 minimum of 30 days, to a maximum of ~~60 days, the term of probation,~~ as verified by a
8 continuous alcohol monitoring system. ~~The total cost to the defendant for the continuous~~
9 ~~alcohol monitoring system may not exceed one thousand dollars (\$1,000).~~ The defendant's
10 abstinence from alcohol shall be verified by a continuous alcohol monitoring system of a type
11 approved by the Department of Correction.

12 (h2) ~~Notwithstanding the provisions of subsection (h1), if the court finds, upon good~~
13 ~~cause shown, that the defendant should not be required to pay the costs of the continuous~~
14 ~~alcohol monitoring system, the court shall not impose the use of a continuous alcohol~~
15 ~~monitoring system unless the local governmental entity responsible for the incarceration of the~~
16 ~~defendant in the local confinement facility agrees to pay the costs of the system.~~

17 (h3) Any fees or costs paid pursuant to ~~subsections (h1) or (h2)~~ subsection (h1) of this
18 section shall be paid to the clerk of court for the county in which the judgment was entered or
19 the deferred prosecution agreement was filed. Fees or costs collected under this subsection shall
20 be transmitted to the entity providing the continuous alcohol monitoring system.
21

22 (k1) Credit for Inpatient Treatment. – Pursuant to G.S. 15A-1351(a), the judge may order
23 that a term of imprisonment imposed as a condition of special probation under ~~any level of~~
24 ~~punishment~~ subsection (g), (h), (i), (j), or (k) of this section be served as an inpatient in a
25 facility operated or licensed by the State for the treatment of alcoholism or substance abuse
26 where the defendant has been accepted for admission or commitment as an inpatient. The
27 defendant shall bear the expense of any treatment unless the trial judge orders that the costs be
28 absorbed by the State. The judge may impose restrictions on the defendant's ability to leave the
29 premises of the treatment facility and require that the defendant follow the rules of the
30 treatment facility. The judge may credit against the active sentence imposed on a defendant the
31 time the defendant was an inpatient at the treatment facility, provided such treatment occurred
32 after the commission of the offense for which the defendant is being sentenced. This section
33 shall not be construed to limit the authority of the judge in sentencing under any other
34 provisions of law.
35

36"

37 SECTION 2. G.S. 20-19(e) reads as rewritten:

38 "(e) When a person's license is revoked under (i) G.S. 20-17(a)(2) and the person has
39 two or more previous offenses involving impaired driving for which the person has been
40 convicted, and the most recent offense occurred within the five years immediately preceding
41 the date of the offense for which the person's license is being ~~revoked, or (ii) revoked, (ii)~~
42 G.S. 20-17(a)(2) and the person was sentenced pursuant to G.S. 20-179(f3) for the offense
43 resulting in the revocation, or (iii) G.S. 20-17(a)(9) due to a violation of G.S. 20-141.4(a4), the
44 revocation is permanent."

45 SECTION 3. G.S. 20-17.8 reads as rewritten:

46 "§ 20-17.8. Restoration of a license after certain driving while impaired convictions;
47 ignition interlock.

48 (a) Scope. – This section applies to a person whose license was revoked as a result of a
49 conviction of driving while impaired, G.S. 20-138.1, and:

50 (1) The person had an alcohol concentration of 0.15 or ~~more; or more;~~

51 (2) The person has been convicted of another offense involving impaired
driving, which offense occurred within seven years immediately preceding

1 the date of the offense for which the person's license has been
2 ~~revoked~~revoked; or

3 (3) The person was sentenced pursuant to G.S. 20-179(f3).

4 For purposes of subdivision (1) of this subsection, the results of a chemical analysis, as
5 shown by an affidavit or affidavits executed pursuant to G.S. 20-16.2(c1), shall be used by the
6 Division to determine that person's alcohol concentration.

7 ...

8 (b) **(Effective until December 1, 2014)** Ignition Interlock Required. – Except as
9 provided in subsection (l) of this section, when the Division restores the license of a person
10 who is subject to this section, in addition to any other restriction or condition, it shall require
11 the person to agree to and shall indicate on the person's drivers license the following
12 restrictions for the period designated in subsection (c):

13 (1) A restriction that the person may operate only a vehicle that is equipped with
14 a functioning ignition interlock system of a type approved by the
15 Commissioner. The Commissioner shall not unreasonably withhold approval
16 of an ignition interlock system and shall consult with the Division of
17 Purchase and Contract in the Department of Administration to ensure that
18 potential vendors are not discriminated against.

19 (2) A requirement that the person personally activate the ignition interlock
20 system before driving the motor vehicle.

21 (3) An alcohol concentration restriction as follows:

22 a. If the ignition interlock system is required pursuant only to
23 subdivision (a)(1) of this section, a requirement that the person not
24 drive with an alcohol concentration of 0.04 or greater;

25 b. If the ignition interlock system is required pursuant to subdivision
26 (a)(2) or (a)(3) of this section, or subsection (a1) of this section, a
27 requirement that the person not drive with an alcohol concentration
28 of greater than 0.00; or

29 c. If the ignition interlock system is required pursuant to subdivision
30 (a)(1) of this section, and the person has also been convicted, based
31 on the same set of circumstances, of: (i) driving while impaired in a
32 commercial vehicle, G.S. 20-138.2, (ii) driving while less than 21
33 years old after consuming alcohol or drugs, G.S. 20-138.3, (iii) a
34 violation of G.S. 20-141.4, or (iv) manslaughter or negligent
35 homicide resulting from the operation of a motor vehicle when the
36 offense involved impaired driving, a requirement that the person not
37 drive with an alcohol concentration of greater than 0.00.

38 (b) **(Effective December 1, 2014)** Ignition Interlock Required. – Except as provided in
39 subsection (l) of this section, when the Division restores the license of a person who is subject
40 to this section, in addition to any other restriction or condition, it shall require the person to
41 agree to and shall indicate on the person's drivers license the following restrictions for the
42 period designated in subsection (c):

43 (1) A restriction that the person may operate only a vehicle that is equipped with
44 a functioning ignition interlock system of a type approved by the
45 Commissioner. The Commissioner shall not unreasonably withhold approval
46 of an ignition interlock system and shall consult with the Division of
47 Purchase and Contract in the Department of Administration to ensure that
48 potential vendors are not discriminated against.

49 (2) A requirement that the person personally activate the ignition interlock
50 system before driving the motor vehicle.

51 (3) An alcohol concentration restriction as follows:

- 1 a. If the ignition interlock system is required pursuant only to
- 2 subdivision (a)(1) of this section, a requirement that the person not
- 3 drive with an alcohol concentration of 0.04 or greater;
- 4 b. If the ignition interlock system is required pursuant to subdivision
- 5 (a)(2) or (a)(3) of this section, a requirement that the person not drive
- 6 with an alcohol concentration of greater than 0.00; or
- 7 c. If the ignition interlock system is required pursuant to subdivision
- 8 (a)(1) of this section, and the person has also been convicted, based
- 9 on the same set of circumstances, of: (i) driving while impaired in a
- 10 commercial vehicle, G.S. 20-138.2, (ii) driving while less than 21
- 11 years old after consuming alcohol or drugs, G.S. 20-138.3, (iii) a
- 12 violation of G.S. 20-141.4, or (iv) manslaughter or negligent
- 13 homicide resulting from the operation of a motor vehicle when the
- 14 offense involved impaired driving, a requirement that the person not
- 15 drive with an alcohol concentration of greater than 0.00.

16"

17 **SECTION 4.** G.S. 7A-304(a) reads as rewritten:

18 "(a) In every criminal case in the superior or district court, wherein the defendant is
 19 convicted, or enters a plea of guilty or nolo contendere, or when costs are assessed against the
 20 prosecuting witness, the following costs shall be assessed and collected, except that when the
 21 judgment imposes an active prison sentence, costs shall be assessed and collected only when
 22 the judgment specifically so provides, and that no costs may be assessed when a case is
 23 dismissed.

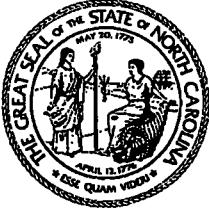

24 ...

25 (10) For support of the General Court of Justice, the sum of one hundred dollars
 26 (\$100.00) is payable by a defendant convicted under G.S. 20-138.1 or
 27 G.S. 20-138.2, for a second or subsequent conviction under G.S. 20-138.2A,
 28 or for a second or subsequent conviction under G.S. 20-138.2B, to be
 29 remitted to the State Treasurer. This fee shall be in addition to the fee
 30 required by subsection (4a) of this section."

31 **SECTION 5.** G.S. 15A-534 is amended by adding a new subsection to read:

32 "(i) In addition to any other condition of pretrial release, the judicial official authorizing
 33 pretrial release may order any defendant (i) charged with an offense involving impaired
 34 driving, as defined by G.S. 20-4.01(24a), and (ii) having a prior conviction for an offense
 35 involving impaired driving that occurred within seven years before the date of the offense for
 36 which the defendant is being placed on pretrial release, to abstain from alcohol consumption as
 37 verified by an approved continuous alcohol monitoring system for the period of pretrial release
 38 or until this condition is removed by entry of order of a court of competent jurisdiction."

39 **SECTION 6.** This act becomes effective December 1, 2011, and applies to
 40 offenses committed on or after that date.

HOUSE PCS 49: Laura's Law

2011-2012 General Assembly

Committee:	House Finance	Date:	March 9, 2011
Introduced by:	Reps. T. Moore, Hastings, Torbett, H. Warren	Prepared by:	Susan Sitze
Analysis of:	PCS to Second Edition H49-CSSVx-1		Staff Attorney

SUMMARY: *House Bill 49¹ would increase the punishment for DWI offenders with three or more grossly aggravating factors, would authorize the court to require continuous alcohol monitoring for certain offenders, and would impose an additional \$100 in court costs for DWI offenders.*

BILL ANALYSIS:

Section 1 would amend subsections (c), (g), and (k1) of G.S. 20-179 to create a new, higher, Aggravated Level One punishment for DWI offenders with 3 or more grossly aggravating factors. The punishment would allow a fine up to \$10,000 and a term of imprisonment of 12 months to 36 months. A defendant would not be eligible for parole on any term of imprisonment under this level of sentencing. However, the defendant would be released 4 months prior to the maximum prison term for a period of supervision including continuous alcohol monitoring.

The term of imprisonment could be suspended if a special condition of probation is imposed to require the defendant to serve a term of imprisonment of at least 120 days. The defendant would not be able to receive credit for inpatient treatment towards the term of imprisonment. The defendant would be required to comply with continuous alcohol monitoring for a minimum of 120 days to a maximum of the term of probation.

This section would also amend subsections (h1), (h2), and (h3) of G.S. 20-179 to make the following changes to the current provisions relating to the use of continuous alcohol monitoring:

- Would remove the current limitation of 60 days on the use of continuous alcohol monitoring, and allow the court to require the use for the full term of probation
- Would remove the current restriction that the total cost to the defendant for continuous alcohol monitoring not be more than \$1,000
- Would remove the provision in current law that allows the court to find that the defendant should not be required to pay the costs of continuous alcohol monitoring, and in that case to not impose the requirement unless the local government entity responsible for the incarceration of the defendant in the local confinement facility agrees to pay the cost of the system

Section 2 would provide for a permanent revocation for persons sentenced as an Aggravated Level One offender. This particular "permanent" revocation authorizes a person to apply for conditional license restoration after 3 years.

¹As introduced, this bill was identical to S86, as introduced by Sens. Harrington, Clary, Forrester, which is currently in Senate Judiciary I.

House PCS 49

Page 2

Section 3 would require a person sentenced as an Aggravated Level One offender to have an ignition interlock system installed on their vehicle for a period of 7 years after license restoration, and that they not drive with an alcohol concentration (BAC) of greater than 0.00.

Section 4 would impose an additional court cost of \$100 on all persons convicted of a driving while impaired offense. This fee would be in addition to the current fees, which total approximately \$141, plus any fines, restitution, attorneys' fees, or other fees, such as probation supervision or lab fees, that may be imposed.

Section 5 would authorize that a person charged with an offense involving impaired driving be required to comply with continuous alcohol monitoring as a condition of pre-trial release if they have a prior conviction of an offense involving impaired driving that occurred within 7 years.

EFFECTIVE DATE: This act becomes effective December 1, 2011, and applies to offenses committed on or after that date.

BACKGROUND:

There are currently 5 levels of DWI sentencing described briefly as follows:

Level One – 2 or more grossly aggravating factors, fine up to \$4,000, imprisonment of 30 days to 24 months, with mandatory 30 days active

Level Two – 1 grossly aggravating factor, fine up to \$2,000, imprisonment of 7 days to 12 months, with mandatory 7 days active

Level Three – no grossly aggravating factors, but the aggravating factors outweigh the mitigating factors, fine up to \$1,000, imprisonment of 72 hours to 6 months, with mandatory 72 hours active or 72 hours community service or both

Level Four – no aggravating and mitigating factors, or aggravating factors are substantially counterbalanced by mitigating factors, fine up to \$500, imprisonment of 48 hours to 120 days, with mandatory 48 hours active or 48 hours community service or both

Level Five – mitigating factors substantially outweigh any aggravating factors, fine up to \$200, imprisonment of 24 hours to 60 days, with mandatory 24 hours active or 24 hours community service or both

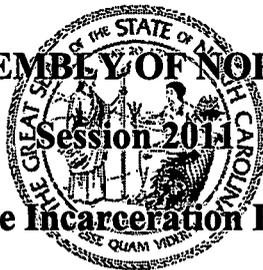

Grossly aggravating factors are:

- Prior DWI conviction within 7 years
- Driving while license revoked for an impaired driving conviction
- Serious injury to another person caused by the impaired driving
- Driving while impaired with a child under 16 in the vehicle

Aggravating factors include factors such as: a BAC level of 0.15 or more, reckless driving, driving while license revoked, an accident resulting from the impaired driving, and some previous motor vehicle convictions.

Mitigating factors include factors such as: a BAC level of less than 0.09, safe driving except for the impairment, a safe driving record, impairment caused by lawfully prescribed drug for an existing medical condition, and voluntary submission to substance abuse assessment.

GENERAL ASSEMBLY OF NORTH CAROLINA

Legislative Incarceration Fiscal Note

(G.S. 120-36.7)

BILL NUMBER: House Bill 49 (First Edition)
SHORT TITLE: Laura's Law.
SPONSOR(S): Representatives T. Moore, Torbett, Hastings, and H. Warren

FISCAL IMPACT table with columns for Yes (X), No (), and No Estimate Available () across fiscal years FY 2011-12 to FY 2015-16. Rows include REVENUE, EXPENDITURES (Correction, Probation, Judicial), and PRINCIPAL DEPARTMENT(S) & PROGRAM(S) AFFECTED.

BILL SUMMARY:

The proposed legislation provides that a defendant subject to Aggravated Level One punishment may be fined up to \$10,000 and will be sentenced to imprisonment, including a term of not less than 120 days and not more than 36 months. The act also makes a defendant sentenced under Aggravated Level One punishment ineligible for parole. The act allows suspension of the imprisonment term only if a special probation condition is imposed, requiring the defendant to serve a term of imprisonment of at least 120 days. The act prohibits crediting the time a defendant spent at an inpatient treatment facility toward the defendant's Aggravated Level One sentence.

Additionally, the act amends G.S. 20-179 (pertaining to sentencing hearings for impaired driving convictions; determination of grossly aggravating, aggravating, and mitigating factors; and punishments) to require a judge, in a sentencing hearing, to impose the Aggravated Level One punishment under proposed G.S. 20-179(g), if the judge determines that three or more grossly aggravating factors apply. The act also amends G.S. 20-179(h1) to allow a judge to impose, as a condition of probation for defendants subject to Aggravated Level One, Level One, or Level Two punishments, that the defendant abstain from alcohol consumption for at least 30 days through the term of probation (was, to a maximum of 60 days). The proposed legislation removes the provision limiting the total cost to the defendant for the continuous alcohol monitoring system to \$1,000. The act also removes the provision allowing the court to waive application of the continuous alcohol monitoring system when the court determines that the defendant should not pay for the system, and the responsible local government does not pay.

The proposed legislation amends G.S. 20-19(e) (concerning circumstances of license revocation) to add the following circumstance to those resulting in permanent license revocation: when a person's license is revoked under G.S. 20-17(a)(2) (concerning impaired driving offenses) and the person was sentenced under the Aggravated Level One punishment (proposed G.S. 20-179(g)) for the offense resulting in the license revocation.

The act also amends G.S. 20-17.8 to restrict a person sentenced under the Aggravated Level One punishment to operating vehicles equipped with functioning ignition interlock systems, and to require that the person not drive with an alcohol concentration greater than 0.0.

Furthermore, the act amends G.S. 7A-304(a) (regarding costs in criminal actions) to impose a cost of \$100 on a defendant convicted under G.S. 20-138.1 or G.S. 20-138.2 (for impaired driving), or a second or subsequent conviction under G.S. 20-138.2A or G.S. 20-138.2B (operating a commercial vehicle, school bus, or child care vehicle after consuming alcohol), in every criminal case in the superior or district court, as indicated.

The proposed legislation becomes effective December 1, 2011, and applies to offenses committed on or after that date.

ASSUMPTIONS AND METHODOLOGY:

General

The Sentencing and Policy Advisory Commission prepares prison population projections for each bill containing a criminal penalty. The Commission assumes for such bills that expanding existing, or creating new criminal offenses produces no deterrent or incapacitative effect on crime. Therefore, the Fiscal Research Division does not assume deterrent effects for any criminal penalty bill.

However, the Sentencing and Policy Advisory Commission was unable to prepare prison population projections for the proposed legislation. DWI's are not punished under Structured Sentencing, so the Sentencing Commission does not have any DWI offender data. As a result, the

Department of Correction Office of Research and Planning was asked to estimate the fiscal impact of the proposed legislation.

Department of Correction

Methodology:

To estimate eligibility for Aggravated Level One punishment, the Department of Correction Office of Research and Planning (DOC) examined 519 entries to prison with DWI Level One as their most serious offense in FY 2009-10. DOC reviewed the offender's commitments and arrest record to determine the following:

1. Whether the offender had any prior DWI offenses and instances of concurrent driving while license revoked charges;
2. Whether, at the time of the offense, the defendant's impaired driving caused serious injury to another person; and
3. Whether, at the time of the offense, the defendant was driving while a child under the age of 16 years was in the vehicle.

Inmates were assigned one factor for each prior offense, and one factor for each aggravating condition, then the factors were summed for each inmate. Inmates with a total of three or more factors were placed in Aggravated Level One for the purposes of this analysis. Inmates with only two factors remained in Level One in order to compare the impact of the act. In total, DOC estimated that 275 would be re-assigned to Aggravated Level One punishment.

For inmates who remained in Level One, the estimated new sentence remained the same as the current sentence. The bill increases the maximum sentence for DWI Level One crimes from 730 days to 1,095 days. Under the old law, Level One inmates served approximately 33% of the 730 day maximum sentence; non-paroled Level One inmates served approximately 41% of the 730 day maximum sentence. To estimate the amount of time that may be served by Aggravated Level One inmates, the new sentence was multiplied by the expected percent of sentence served by non-paroled Level One inmates (41%) and by the expected percent of sentences served by all Level One inmates (33%) for inmates who remained in the Level One category. For inmates who would be re-assigned to Aggravated Level One punishment, DOC estimated that offenders would serve an additional 171 days. The cost of the additional days for offenders in the Aggravated Level One punishment was estimated by multiplying the number of potential days served by \$14 per day per inmate.

Findings:

Using the methodology above, 275 of the 519 offenders (53%) would be re-assigned to Aggravated Level One punishment. The estimated total cost of 171 additional days is \$658,350 per year (171 days x \$14 per day x 275 offenders).

Other Issues/Concerns:

Inmates convicted of DWI Level One may enter prison with some other crime as the most serious offense. During FY 2009-2010, there were 118 inmates who entered prison with a Level One conviction to be served concurrently or consecutively to a more serious crime. Of these inmates,

DOC estimates that 61 (51.7%) would be eligible for Aggravated Level One. The changes in sentence range for inmates convicted of Aggravated Level One may extend these inmates stay in prison, depending upon the sentence received for other crimes. DOC was unable to estimate the impact for these inmates at this time.

Judicial Branch

The Administrative Office of the Courts (AOC) provides Fiscal Research with a fiscal impact analysis for most criminal penalty bills. For such bills, fiscal impact is typically based on the assumption that court time will increase due to anticipated increases in trials and corresponding increases in workload for judges, clerks, and prosecutors. This increased court time is also expected to result in greater expenditures for jury fees and indigent defense.

Aggravated Level One Case Estimates:

Under current law, a judge must impose the Level One punishment under subsection (g) of this section, if it is determined that two or more grossly aggravating factors apply. The judge must impose the Level Two punishment under subsection (h) of this section if it is determined that only one of the grossly aggravating factors applies.

For Calendar Year 2010, AOC data shows the following:

DWI Level	Grossly Aggravating Factors*	Defendants Convicted**	Percent of Total
Level 1	2 or more	3,939	9.5%
Level 2	1	6,215	14.9%
Levels 3 - 5	none	31,528	75.6%
Total		41,682	100.0%
Level 1 as % of Levels 1 & 2			38.8%

*AOC data does not contain details on the number of grossly aggravating factors found or alleged. However, G.S. 20-179 requires a Level One conviction if two or more grossly aggravating factors are found and a Level Two conviction if one grossly aggravating factor is found.

**Note: Typically, Judicial cost estimates are based on charges, rather than convictions. However, since a Level One or Level Two DWI conviction is determined at sentencing based on findings of grossly aggravating factors, in this instance convictions are a more appropriate measure of workload.

Overall, in 2010 DWI convictions with any grossly aggravating factors accounted for 28% of all DWI convictions; and DWI convictions with more than one grossly aggravating factor accounted for 39% of all DWI convictions with grossly aggravating factors (or 10% of all DWI convictions). AOC cannot determine the number of Level One convictions that had at least three grossly aggravating factors.

Elevation from Level One to Aggravated Level One carries the potential for a substantial increase in punishment. In general, AOC expects that an increase in punishment will lead to a more vigorous defense, thus requiring more time on the part of court personnel. However, the district attorney is already obligated to introduce all aggravating and grossly aggravating factors of which he is aware, and anecdotal evidence suggests that DWI charges are already defended vigorously.

Therefore, AOC does not anticipate that this portion of the bill will significantly impact court workload at the time of conviction.

However, because this legislation increases the maximum fine amount and increases court costs, it is likely that the violation rate for some DWI probationers would increase, resulting in more court hearings on those violations. The number or impact of such hearings cannot be projected. There will be some one-time programming and form changes to include the new offense in the necessary reports to DMV. These costs are not anticipated to be substantial.

Elimination of Duration and Cost Caps for Continuous Alcohol Monitoring (CAM):

G.S. 20-179(h1) – (h3) currently provide that, when imposing a Level One or Level Two punishment for conviction of DWI, the court may impose a condition of probation that the defendant abstain from the consumption of alcohol for up to 60 days. The defendant's compliance with this condition is to be monitored by the use of a continuous alcohol monitoring system (CAM) approved by the Department of Correction. The costs (up to \$1,000) are borne by the defendant or, if the court finds for good cause that the defendant should not bear the costs of CAM, by the local government entity responsible for his incarceration. If neither the defendant nor the local government can bear the costs, the judge may not require CAM. The costs of CAM are paid to the Clerk of Court for distribution to the vendor providing the monitoring system.

Section 1 would amend the current CAM provisions in G.S. 20-179 to eliminate:

- The cap of 60 days (proposed: CAM could be imposed for the duration of probation);
- The \$1,000 cap on CAM costs (proposed: no limitation); and,
- The provision that CAM may not be imposed if there is no party available to pay for it (proposed: unknown; there is no clear authority to assess costs or their allocation).

By repealing G.S. 20-179(h2) and the assessment of costs in subsection (h1), it is unclear how costs for CAM would be assessed or allocated to a responsible party. Subsection (h3) would continue to provide that "any fees or costs paid under subsection[s] (h1)" would be collected by the clerk and paid to the CAM vendor. If the intention of the bill is that the costs of CAM would be assessed against the defendant, it is possible that judges would be less likely to impose as a condition of probation that offenders abstain from alcohol consumption under 20-179(h1). AOC cannot project the impact of this potential change in terms of other conditions that might be imposed instead, or on any resulting impact on probationer compliance and behavior. Any increase in probation revocation hearings would impact court workload.

New Court Fee for Impaired Driving Convictions:

DWI offenders are subject to multiple court costs in addition to any amounts imposed for fines, restitution, or attorneys' fees. With a new fee, revenue projections must take into account those offenders who currently pay in full, but would not ultimately pay the full additional \$100. In addition, it is important to note that costs due the State are toward the end of the priority order, and DWI probation terms are more than one year. Therefore, AOC would expect to see a gradual increase in revenue over the first three fiscal years. For this estimate, AOC has focused on defendants convicted in FY2008-09 and their payments through FY2009-10.

Due to data limitations, AOC is unable to determine the exact number of DWI offenders convicted in FY2008-09 who paid in full by FY2009-10. This is due to the court's focus on offender compliance with all terms of probation, rather than solely on money collected. Offenders may have received some reduction or waiver of fees and complied in full with the judgments rendered, and some defendants may still be on probation and making payments.

At this time, AOC estimates that 23,200 defendants convicted in FY2008-09 of the applicable offenses paid the full General Court of Justice fees owed. If all 23,200 paid the additional \$100 fee, total revenue from defendants sentenced in the first 12 months of implementation would be \$2.32 million, collected over 24 months. (Note: effective date is December 1, 2011, so collections would be spread over three fiscal years.)

However, it is likely that some of the offenders would pay only part of the new fee, or that collections would be diminished in other accounts with lower priorities. If the equivalent of 50% paid the full fee, collections from that group would be \$1.16 million, collected over 24 months. If the equivalent of 10% paid the full fee, collections from that group would be \$232,000, collected over 24 months.

Additionally, there will be a one-time impact on workload for information technology and legal staff, and ongoing impact on clerk workload, for any new fee that is imposed only on conviction of specific cases.

HOUSE BILL 49
Committee Substitute Favorable 2/24/11

Short Title: Laura's Law.

(Public)

Sponsors:

Referred to:

February 9, 2011

1 A BILL TO BE ENTITLED
2 AN ACT TO INCREASE THE PUNISHMENT FOR DWI OFFENDERS WITH THREE OR
3 MORE GROSSLY AGGRAVATING FACTORS, TO AUTHORIZE THE COURT TO
4 REQUIRE CONTINUOUS ALCOHOL MONITORING FOR CERTAIN OFFENDERS,
5 AND TO INCREASE THE COURT COSTS FOR DWI OFFENDERS.

6 The General Assembly of North Carolina enacts:

7 SECTION 1. G.S. 20-179 reads as rewritten:

8 "§ 20-179. Sentencing hearing after conviction for impaired driving; determination of
9 grossly aggravating and aggravating and mitigating factors; punishments.

10 (a) Sentencing Hearing Required. – After a conviction under G.S. 20-138.1,
11 G.S. 20-138.2, a second or subsequent conviction under G.S. 20-138.2A, or a second or
12 subsequent conviction under G.S. 20-138.2B, or when any of those offenses are remanded back
13 to district court after an appeal to superior court, the judge shall hold a sentencing hearing to
14 determine whether there are aggravating or mitigating factors that affect the sentence to be
15 imposed.

16 ...

17 (c) Determining Existence of Grossly Aggravating Factors. – At the sentencing hearing,
18 based upon the evidence presented at trial and in the hearing, the judge, or the jury in superior
19 court, must first determine whether there are any grossly aggravating factors in the case.
20 Whether a prior conviction exists under subdivision (1) of this subsection, or whether a
21 conviction exists under subdivision (d)(5) of this section, shall be matters to be determined by
22 the judge, and not the jury, in district or superior court. If the sentencing hearing is for a case
23 remanded back to district court from superior court, the judge shall determine whether the
24 defendant has been convicted of any offense that was not considered at the initial sentencing
25 hearing and impose the appropriate sentence under this section. The judge must impose the
26 Aggravated Level One punishment under subsection (g) of this section if it is determined that
27 three or more grossly aggravating factors apply. The judge must impose the Level One
28 punishment under subsection ~~(g)~~(g1) of this section if it is determined that two or more grossly
29 aggravating factors apply. The judge must impose the Level Two punishment under subsection
30 (h) of this section if it is determined that only one of the grossly aggravating factors applies.
31 The grossly aggravating factors are:

32 (1) A prior conviction for an offense involving impaired driving if:

- 33 a. The conviction occurred within seven years before the date of the
34 offense for which the defendant is being sentenced; or
35 b. The conviction occurs after the date of the offense for which the
36 defendant is presently being sentenced, but prior to or
37 contemporaneously with the present sentencing; or

1 c. The conviction occurred in district court; the case was appealed to
2 superior court; the appeal has been withdrawn, or the case has been
3 remanded back to district court; and a new sentencing hearing has
4 not been held pursuant to G.S. 20-38.7.

5 Each prior conviction is a separate grossly aggravating factor.

6 (2) Driving by the defendant at the time of the offense while his driver's license
7 was revoked under G.S. 20-28, and the revocation was an impaired driving
8 revocation under G.S. 20-28.2(a).

9 (3) Serious injury to another person caused by the defendant's impaired driving
10 at the time of the offense.

11 (4) Driving by the defendant while a child under the age of 16 years was in the
12 vehicle at the time of the offense.

13 In imposing an Aggravated Level One, a Level One, or a Level Two punishment, the
14 judge may consider the aggravating and mitigating factors in subsections (d) and (e) in
15 determining the appropriate sentence. If there are no grossly aggravating factors in the case, the
16 judge must weigh all aggravating and mitigating factors and impose punishment as required by
17 subsection (f).

18 ...

19 (g) Aggravated Level One Punishment. – A defendant subject to Aggravated Level One
20 punishment may be fined up to ten thousand dollars (\$10,000) and shall be sentenced to a term
21 of imprisonment that includes a minimum term of not less than 12 months and a maximum
22 term of not more than 36 months. Notwithstanding G.S. 15A-1371, a defendant sentenced to a
23 term of imprisonment pursuant to this subsection shall not be eligible for parole. However, the
24 defendant shall be released from the Department of Correction on the date equivalent to the
25 defendant's maximum imposed term of imprisonment less four months, and shall be supervised
26 by the Division of Community Corrections under and subject to the provisions of Article 84A
27 of Chapter 15A of the General Statutes and shall also be required to abstain from alcohol
28 consumption for the four-month period of supervision as verified by a continuous alcohol
29 monitoring system. For purposes of revocation, violation of the requirement to abstain from
30 alcohol or comply with the use of a continuous alcohol monitoring system shall be deemed a
31 controlling condition under G.S. 15A-1368.4.

32 The term of imprisonment may be suspended only if a condition of special probation is
33 imposed to require the defendant to serve a term of imprisonment of at least 120 days.
34 Subsection (k1) of this section shall not apply to a defendant sentenced pursuant to this
35 subsection. If the defendant is placed on probation, the judge shall impose as requirements that
36 the defendant (i) abstain from alcohol consumption for a minimum of 120 days, to a maximum
37 of the term of probation, as verified by a continuous alcohol monitoring system pursuant to
38 subsections (h1) and (h3) of this section, and (ii) obtain a substance abuse assessment and the
39 education or treatment required by G.S. 20-17.6 for the restoration of a drivers license and as a
40 condition of probation. The judge may impose any other lawful condition of probation.

41 (g1) Level One Punishment. – A defendant subject to Level One punishment may be
42 fined up to four thousand dollars (\$4,000) and shall be sentenced to a term of imprisonment
43 that includes a minimum term of not less than 30 days and a maximum term of not more than
44 24 months. The term of imprisonment may be suspended only if a condition of special
45 probation is imposed to require the defendant to serve a term of imprisonment of at least 30
46 days. If the defendant is placed on probation, the judge shall impose a requirement that the
47 defendant obtain a substance abuse assessment and the education or treatment required by
48 G.S. 20-17.6 for the restoration of a drivers license and as a condition of probation. The judge
49 may impose any other lawful condition of probation.

50 ...

1 (h1) The judge may impose, as a condition of probation for defendants subject to Level
2 One or Level Two punishments, that the defendant abstain from alcohol consumption for a
3 minimum of 30 days, to a maximum of ~~60 days, the term of probation,~~ as verified by a
4 continuous alcohol monitoring system. ~~The total cost to the defendant for the continuous~~
5 ~~alcohol monitoring system may not exceed one thousand dollars (\$1,000).~~ The defendant's
6 abstinence from alcohol shall be verified by a continuous alcohol monitoring system of a type
7 approved by the Department of Correction.

8 (h2) ~~Notwithstanding the provisions of subsection (h1), if the court finds, upon good~~
9 ~~cause shown, that the defendant should not be required to pay the costs of the continuous~~
10 ~~alcohol monitoring system, the court shall not impose the use of a continuous alcohol~~
11 ~~monitoring system unless the local governmental entity responsible for the incarceration of the~~
12 ~~defendant in the local confinement facility agrees to pay the costs of the system.~~

13 (h3) Any fees or costs paid pursuant to ~~subsections (h1) or (h2)~~ subsection (h1) of this
14 section shall be paid to the clerk of court for the county in which the judgment was entered or
15 the deferred prosecution agreement was filed. Fees or costs collected under this subsection shall
16 be transmitted to the entity providing the continuous alcohol monitoring system.

17 ...

18 (k1) Credit for Inpatient Treatment. – Pursuant to G.S. 15A-1351(a), the judge may order
19 that a term of imprisonment imposed as a condition of special probation under ~~any level of~~
20 ~~punishment subsection (g1), (h), (i), (j), or (k) of this section~~ be served as an inpatient in a
21 facility operated or licensed by the State for the treatment of alcoholism or substance abuse
22 where the defendant has been accepted for admission or commitment as an inpatient. The
23 defendant shall bear the expense of any treatment unless the trial judge orders that the costs be
24 absorbed by the State. The judge may impose restrictions on the defendant's ability to leave the
25 premises of the treatment facility and require that the defendant follow the rules of the
26 treatment facility. The judge may credit against the active sentence imposed on a defendant the
27 time the defendant was an inpatient at the treatment facility, provided such treatment occurred
28 after the commission of the offense for which the defendant is being sentenced. This section
29 shall not be construed to limit the authority of the judge in sentencing under any other
30 provisions of law.

31"

32 SECTION 2. G.S. 20-19(e) reads as rewritten:

33 "(e) When a person's license is revoked under (i) G.S. 20-17(a)(2) and the person has
34 two or more previous offenses involving impaired driving for which the person has been
35 convicted, and the most recent offense occurred within the five years immediately preceding
36 the date of the offense for which the person's license is being ~~revoked, or (ii) revoked, (ii)~~
37 G.S. 20-17(a)(2) and the person was sentenced pursuant to G.S. 20-179(g) for the offense
38 resulting in the revocation, or (iii) G.S. 20-17(a)(9) due to a violation of G.S. 20-141.4(a4), the
39 revocation is permanent."

40 SECTION 3. G.S. 20-17.8 reads as rewritten:

41 "§ 20-17.8. Restoration of a license after certain driving while impaired convictions;
42 ignition interlock.

43 (a) Scope. – This section applies to a person whose license was revoked as a result of a
44 conviction of driving while impaired, G.S. 20-138.1, and:

45 (1) The person had an alcohol concentration of 0.15 or ~~more; or more;~~

46 (2) The person has been convicted of another offense involving impaired
47 driving, which offense occurred within seven years immediately preceding
48 the date of the offense for which the person's license has been
49 ~~revoked; or~~

50 (3) The person was sentenced pursuant to G.S. 20-179(g).

1 For purposes of subdivision (1) of this subsection, the results of a chemical analysis, as
2 shown by an affidavit or affidavits executed pursuant to G.S. 20-16.2(c1), shall be used by the
3 Division to determine that person's alcohol concentration.

4 ...

5 **(b) (Effective until December 1, 2014) Ignition Interlock Required.** – Except as
6 provided in subsection (l) of this section, when the Division restores the license of a person
7 who is subject to this section, in addition to any other restriction or condition, it shall require
8 the person to agree to and shall indicate on the person's drivers license the following
9 restrictions for the period designated in subsection (c):

10 (1) A restriction that the person may operate only a vehicle that is equipped with
11 a functioning ignition interlock system of a type approved by the
12 Commissioner. The Commissioner shall not unreasonably withhold approval
13 of an ignition interlock system and shall consult with the Division of
14 Purchase and Contract in the Department of Administration to ensure that
15 potential vendors are not discriminated against.

16 (2) A requirement that the person personally activate the ignition interlock
17 system before driving the motor vehicle.

18 (3) An alcohol concentration restriction as follows:

19 a. If the ignition interlock system is required pursuant only to
20 subdivision (a)(1) of this section, a requirement that the person not
21 drive with an alcohol concentration of 0.04 or greater;

22 b. If the ignition interlock system is required pursuant to subdivision
23 (a)(2) or (a)(3) of this section, or subsection (a1) of this section, a
24 requirement that the person not drive with an alcohol concentration
25 of greater than 0.00; or

26 c. If the ignition interlock system is required pursuant to subdivision
27 (a)(1) of this section, and the person has also been convicted, based
28 on the same set of circumstances, of: (i) driving while impaired in a
29 commercial vehicle, G.S. 20-138.2, (ii) driving while less than 21
30 years old after consuming alcohol or drugs, G.S. 20-138.3, (iii) a
31 violation of G.S. 20-141.4, or (iv) manslaughter or negligent
32 homicide resulting from the operation of a motor vehicle when the
33 offense involved impaired driving, a requirement that the person not
34 drive with an alcohol concentration of greater than 0.00.

35 **(b) (Effective December 1, 2014) Ignition Interlock Required.** – Except as provided in
36 subsection (l) of this section, when the Division restores the license of a person who is subject
37 to this section, in addition to any other restriction or condition, it shall require the person to
38 agree to and shall indicate on the person's drivers license the following restrictions for the
39 period designated in subsection (c):

40 (1) A restriction that the person may operate only a vehicle that is equipped with
41 a functioning ignition interlock system of a type approved by the
42 Commissioner. The Commissioner shall not unreasonably withhold approval
43 of an ignition interlock system and shall consult with the Division of
44 Purchase and Contract in the Department of Administration to ensure that
45 potential vendors are not discriminated against.

46 (2) A requirement that the person personally activate the ignition interlock
47 system before driving the motor vehicle.

48 (3) An alcohol concentration restriction as follows:

49 a. If the ignition interlock system is required pursuant only to
50 subdivision (a)(1) of this section, a requirement that the person not
51 drive with an alcohol concentration of 0.04 or greater;

- 1 b. If the ignition interlock system is required pursuant to subdivision
2 (a)(2) or (a)(3) of this section, a requirement that the person not drive
3 with an alcohol concentration of greater than 0.00; or
4 c. If the ignition interlock system is required pursuant to subdivision
5 (a)(1) of this section, and the person has also been convicted, based
6 on the same set of circumstances, of: (i) driving while impaired in a
7 commercial vehicle, G.S. 20-138.2, (ii) driving while less than 21
8 years old after consuming alcohol or drugs, G.S. 20-138.3, (iii) a
9 violation of G.S. 20-141.4, or (iv) manslaughter or negligent
10 homicide resulting from the operation of a motor vehicle when the
11 offense involved impaired driving, a requirement that the person not
12 drive with an alcohol concentration of greater than 0.00.

13 "

14 **SECTION 4.** G.S. 7A-304(a) reads as rewritten:

15 "(a) In every criminal case in the superior or district court, wherein the defendant is
16 convicted, or enters a plea of guilty or nolo contendere, or when costs are assessed against the
17 prosecuting witness, the following costs shall be assessed and collected, except that when the
18 judgment imposes an active prison sentence, costs shall be assessed and collected only when
19 the judgment specifically so provides, and that no costs may be assessed when a case is
20 dismissed.

21
22 (10) For support of the General Court of Justice, the sum of one hundred dollars
23 (\$100.00) is payable by a defendant convicted under G.S. 20-138.1 or
24 G.S. 20-138.2, for a second or subsequent conviction under G.S. 20-138.2A,
25 or for a second or subsequent conviction under G.S. 20-138.2B, to be
26 remitted to the State Treasurer. This fee shall be in addition to the fee
27 required by subsection (4a) of this section."

28 **SECTION 5.** G.S. 15A-534 is amended by adding a new subsection to read:

29 "(i) In addition to any other condition of pretrial release, the judicial official authorizing
30 pretrial release may order any defendant (i) charged with an offense involving impaired
31 driving, as defined by G.S. 20-4.01(24a), and (ii) having a prior conviction for an offense
32 involving impaired driving that occurred within seven years before the date of the offense for
33 which the defendant is being placed on pretrial release, to abstain from alcohol consumption as
34 verified by an approved continuous alcohol monitoring system for the period of pretrial release
35 or until this condition is removed by entry of order of a court of competent jurisdiction."

36 **SECTION 6.** This act becomes effective December 1, 2011, and applies to
37 offenses committed on or after that date.

North Carolina General Assembly
House Committee on Finance

Minutes

March 10, 2011

The House Committee on Finance met on Thursday, March 10, 2011 at 8:30 am in Room 544 of the Legislative Office Building. The following members were present: Chairpersons Howard, Starnes, and Folwell; Vice-Chair Wainwright; and Representatives Alexander, Brawley, Carney, Collins, Faison, Hackney, Hall, Luebke, McCormick, McGee, McGuirt, Moffitt, Samuelson, Stam, Warren, and Weiss. Also present were Sergeant-at-Arms John Brandon, Earl Coker, Fred Hines, and Ken Kirby. Staff persons present included Cindy Avrette, Rodney Bizzell, Barry Boardman, Dan Ettefagh, Heather Fennell, Trina Griffin, Sandra Johnson, Greg Roney, Brian Silvka, Jonathan Tart, and Martha Walston. The Agenda and Visitor Registration Sheets are attached and incorporated into these minutes as **attachments 1 and 2**.

Chairwoman Howard called the meeting to order at 8:30 am and recognized the four (4) pages present: (1) Kayla Dunston of Warren County sponsored by Representative Bryant; (2) Brandon Paul of Davidson County sponsored by Representative R. Brown (3) Patrick Coats, II of Johnston County sponsored by Representative Daughtry; and (4) Zac Wilson of Wake County sponsored by Representative Martin.

Chairwoman Howard announced that **HB 93 Modify Refundability of EITC** would not be heard today. Information requested by committee members during the March 9th meeting is still being researched and gathered. Once all the information is available, the bill will be re-calendared.

The first bill considered by the Committee was **HB 45 Accelerate Cleanup of Industrial Properties** (see **attachment 3**). The Chair recognized Representative Gillespie to explain the bill. Following the explanation, the Chair recognized Representative Carney who made a motion to hear the proposed committee substitute. The motion carried. Representative Gillespie explained the proposed committee substitute. Chairwoman Howard recognized Dexter Matthews, Director of Waste Management at the North Carolina Department of Environment and Natural Resources. Mr. Matthews stated that the department was in support of the bill. Representative Starnes moved that HB 45 be given a favorable report to

proposed committee substitute 2, unfavorable report to proposed committee substitute 1.
The motion carried.

Chairwoman Howard stated the remaining two bills on the agenda would be re-calendared at a later date.

The Chair recognized and welcomed Representative Frank McGuirt. Representative McGuirt was appointed to the seat vacated by Representative Gibson.

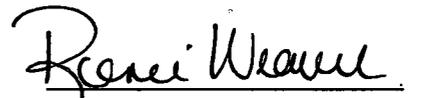

Chairwoman Howard re-referred **HB 134 Modify Carteret County Occupancy Tax** to the subcommittee on Occupancy Tax.

Chairwoman Howard adjourned the meeting at 8:38 am.

Respectfully submitted,

Representative Julia Howard
Presiding Senior Chair

Renee Weaver
Clerk, House Committee on
Finance

**2011 COMMITTEE REPORT
HOUSE OF REPRESENTATIVES**

The following report(s) from standing committee(s) is/are presented:

By Representative Howard, Folwell, Setzer, Starnes (Chairs) for the Committee on FINANCE.

Committee Substitute # 1 for

HB 45 A BILL TO BE ENTITLED AN ACT TO ALLOW THE USE OF RISK-BASED REMEDIATION TO ACCELERATE THE CLEANUP OF CONTAMINATED INDUSTRIAL SITES FOR THE PURPOSE OF LIMITING HUMAN AND ENVIRONMENTAL EXPOSURE TO SAFE LEVELS, TO PROTECT CURRENT AND LIKELY FUTURE USES OF GROUNDWATER, AND TO ENSURE THE COST-EFFECTIVE APPLICATION OF LIMITED PUBLIC AND PRIVATE RESOURCES.

With a favorable report as to Committee Substitute Bill 2, unfavorable as to Committee Substitute Bill 1.

(FOR JOURNAL USE ONLY)

_____ Pursuant to Rule 32(a), the bill/resolution is re-referred to the Committee on _____.

_____ Pursuant to Rule 36(b), the (House/Senate) committee substitute bill/(joint) resolution (No. _____) is placed on the Calendar of _____. (The original bill resolution No. _____) is placed on the Unfavorable Calendar.

_____ The (House) committee substitute bill/(joint) resolution (No. _____) is re-referred to the Committee on _____. (The original bill/resolution) (House/Senate Committee Substitute Bill/(Joint) resolution No. _____) is placed on the Unfavorable Calendar.

GENERAL ASSEMBLY OF NORTH CAROLINA
SESSION 2011

H

D

HOUSE BILL 45*
Committee Substitute Favorable 3/3/11
PROPOSED COMMITTEE SUBSTITUTE H45-PCS30138-LDF-1

Short Title: Accelerate Cleanup of Industrial Properties. (Public)

Sponsors:

Referred to:

February 8, 2011

A BILL TO BE ENTITLED

AN ACT TO ALLOW THE USE OF RISK-BASED REMEDIATION TO ACCELERATE THE CLEANUP OF CONTAMINATED INDUSTRIAL SITES FOR THE PURPOSE OF LIMITING HUMAN AND ENVIRONMENTAL EXPOSURE TO SAFE LEVELS, TO PROTECT CURRENT AND LIKELY FUTURE USES OF GROUNDWATER, AND TO ENSURE THE COST-EFFECTIVE APPLICATION OF LIMITED PUBLIC AND PRIVATE RESOURCES.

Whereas, the General Assembly finds that public health, safety, and welfare and the environment can be protected by implementing a remediation process that requires that contaminated industrial sites be cleaned up to a level that is sufficient to ensure protection of public health, safety, and welfare and the environment without excessive expenditure of public or private resources; and

Whereas, the General Assembly finds that there are contaminated industrial sites in North Carolina, including land and other property, surface water, and groundwater, that are adversely affected by environmental contamination due to the presence of drilling waste; hazardous and toxic materials, substances, and wastes; solid waste; oil; and other wastes, contaminants, and regulated substances; and

Whereas, the General Assembly finds that the presence of environmental contamination on industrial sites creates both potential and actual harm to public health, safety, and welfare and to the environment; and

Whereas, the General Assembly finds that this potential and actual harm results in substantial economic losses, including reduced property values and tax revenues, decreased ability to develop and expand the beneficial use of these sites, and other opportunity costs because of the uncertainties and concerns that result from the environmental contamination of these sites; and

Whereas, the General Assembly finds that it is in the public interest that contaminated industrial sites are cleaned up or managed in a manner that protects public health, safety, and welfare and the environment and protects groundwater that is a current or probable future water supply; and

Whereas, the General Assembly finds that North Carolina has numerous and varied State-managed remediation programs to address environmental contamination, including the Inactive Hazardous Sites Response Act of 1987; the hazardous waste management program administered by the State pursuant to the federal Resource Conservation and Recovery Act of

1 1976; the Leaking Petroleum Underground Storage Tank Cleanup Act of 1988; the Brownfields
2 Property Reuse Act of 1997; the Dry-Cleaning Solvent Cleanup Act of 1997; the federal
3 Superfund program administered in part by the State pursuant to the Comprehensive
4 Environmental Response, Compensation, and Liability Act of 1980 and the Superfund
5 Amendments and Reauthorization Act of 1986; and the groundwater protection rules adopted
6 by the Environmental Management Commission; and

7 Whereas, the General Assembly finds that the expenditure of public and private
8 resources on unnecessary remediation could better be channeled to other purposes, including
9 new development, renovation and repair, research and development, training and education,
10 and other activities that maintain and enhance North Carolina's competitive position in the
11 world and the excellent quality of life enjoyed by the citizens of North Carolina; and

12 Whereas, the General Assembly finds that North Carolina's groundwater is a
13 valuable public and private resource, serving as the drinking water source for one-half of the
14 State's population and also as a water supply for industrial and commercial uses; and

15 Whereas, the General Assembly finds that maintenance of North Carolina's surface
16 water and groundwater resources will become increasingly important to the continued
17 economic vitality of the State in the future; and

18 Whereas, the General Assembly finds that use of site-specific remediation standards
19 based on an objective, scientific, and uniform approach to the evaluation of the risk posed by
20 each contaminated site can be protective of public health, safety, and welfare and the
21 environment; and

22 Whereas, the General Assembly finds that use of site-specific remediation standards
23 in appropriate circumstances may encourage accelerated cleanup of contaminated industrial
24 sites; and

25 Whereas, the General Assembly intends that the levels of remediation that are
26 established for each contaminated site are to be applicable or relevant under federal remediation
27 programs; and

28 Whereas, the General Assembly intends that the protections afforded to public
29 health, safety, and welfare and to the environment by existing environmental, health, and safety
30 standards that apply to ongoing activities not be diminished in any way, in order that those
31 standards will continue to protect against the discharge or release of contaminants to the
32 environment that would result in additional contaminated sites; Now, therefore,
33 The General Assembly of North Carolina enacts:

34 **SECTION 1.** G.S. 130A-310.62 through G.S. 130A-310.64 are reserved for future
35 codification purposes.

36 **SECTION 2.** Article 9 of Chapter 130A of the General Statutes is amended by
37 adding a new Part to read:

38 "Part 8. Risk-Based Environmental Remediation of Industrial Sites.

39 "§ 130A-310.65. Definitions.

40 As used in this Part:

- 41 (1) "Background standard" means the naturally occurring concentration of a
42 substance in the absence of the release of a contaminant.
43 (2) "Commission" means the Environmental Management Commission created
44 pursuant to G.S. 143B-282.
45 (3) "Contaminant" means any substance regulated under any program listed in
46 G.S. 130A-310.67(a).
47 (4) "Contaminated industrial site" or "site" means any real property that meets
48 all of the following criteria:
49 a. The property is contaminated and may be subject to remediation
50 under any of the programs or requirements set out in
51 G.S. 130A-310.67(a).

1 **b.** The property is or has been used primarily for manufacturing or other
2 industrial activities for the production of a commercial product. This
3 includes a property used primarily for the generation of electricity.
4 This does not include a property used primarily for service industry
5 activities.

6 **c.** No contaminant associated with activities at the property has
7 migrated or will migrate to any adjacent properties above
8 unrestricted use standards for the contaminant.

9 (5) "Contamination" means a contaminant released into an environmental
10 medium that has resulted in or has the potential to result in an increase in the
11 concentration of the contaminant in the environmental medium in excess of
12 unrestricted use standards.

13 (6) "Fund" means the Inactive Hazardous Sites Cleanup Fund established
14 pursuant to G.S. 130A-310.11.

15 (7) "Institutional controls" means nonengineered measures used to prevent
16 unsafe exposure to contamination, such as land-use restrictions.

17 (8) "Registered environmental consultant" means an environmental consulting
18 or engineering firm approved to implement and oversee voluntary remedial
19 actions pursuant to Part 3 of Article 9 of Chapter 130A of the General
20 Statutes and rules adopted to implement the Part.

21 (9) "Remedial action plan" means a plan for eliminating or reducing
22 contamination or exposure to contamination.

23 (10) "Remediation" means all actions that are necessary or appropriate to clean
24 up, mitigate, correct, abate, minimize, eliminate, control, or prevent the
25 spreading, migration, leaking, leaching, volatilization, spilling, transport, or
26 further release of a contaminant into the environment in order to protect
27 public health, safety, or welfare or the environment.

28 (11) "Systemic toxicant" means any substance that may enter the body and have a
29 harmful effect other than causing cancer.

30 (12) "Unrestricted use standards" means contaminant concentrations for each
31 environmental medium that are acceptable for all uses; that are protective of
32 public health, safety, and welfare and the environment; and that comply with
33 generally applicable standards, guidance, or methods established by statute
34 or adopted, published, or implemented by the Commission, the Commission
35 for Public Health, or the Department.

36 "§ 130A-310.66. Purpose.

37 It is the purpose of this Part to authorize the Department to approve the remediation of
38 contaminated industrial sites based on site-specific remediation standards in circumstances
39 where site-specific remediation standards are adequate to protect public health, safety, and
40 welfare and the environment and are consistent with protection of current and anticipated future
41 use of groundwater and surface water affected or potentially affected by the contamination.

42 "§ 130A-310.67. Applicability.

43 (a) This Part applies to contaminated industrial sites subject to remediation pursuant to
44 any of the following programs or requirements:

45 (1) The Inactive Hazardous Sites Response Act of 1987 under Part 3 of Article 9
46 of Chapter 130A of the General Statutes, including voluntary actions under
47 G.S. 130A-310.9 of that act, and rules promulgated pursuant to those
48 statutes.

49 (2) The hazardous waste management program administered by the State
50 pursuant to the federal Resource Conservation and Recovery Act of 1976,

1 Public Law 94-580, 90 Stat. 2795, 42 U.S.C. § 6901, et seq., as amended,
2 and Article 9 of Chapter 130A of the General Statutes.

3 (3) The solid waste management program administered pursuant to Article 9 of
4 Chapter 130A of the General Statutes.

5 (4) The federal Superfund program administered in part by the State pursuant to
6 the Comprehensive Environmental Response, Compensation, and Liability
7 Act of 1980, Public Law 96-510, 94 Stat. 2767, 42 U.S.C. § 9601, et seq., as
8 amended, the Superfund Amendments and Reauthorization Act of 1986,
9 Public Law 99-499, 100 Stat. 1613, as amended, and under Part 4 of Article
10 9 of Chapter 130A of the General Statutes.

11 (5) The groundwater protection corrective action requirements adopted by the
12 Commission pursuant to Article 21 of Chapter 143 of the General Statutes.

13 (6) Oil Pollution and Hazardous Substances Control Act of 1978, Parts 1 and 2
14 of Article 21A of Chapter 143 of the General Statutes.

15 (b) This Part shall not apply to contaminated industrial sites subject to remediation
16 pursuant to any of the following programs or requirements:

17 (1) The Leaking Petroleum Underground Storage Tank Cleanup program under
18 Part 2A of Article 21A of Chapter 143 of the General Statutes and rules
19 promulgated pursuant to that statute.

20 (2) The Dry-Cleaning Solvent Cleanup program under Part 6 of Article 21A of
21 Chapter 143 of the General Statutes and rules promulgated pursuant to that
22 statute.

23 (3) The pre-1983 landfill assessment and remediation program established under
24 G.S. 130A-310.6(c) through (g).

25 (c) This Part shall apply only to sites where a discharge, spill, or release of
26 contamination has been reported to the Department prior to March 1, 2011.

27 **§ 130A-310.68. Remediation standards.**

28 (a) When conducting remediation activities pursuant to this Part, a person who proposes
29 to or is required to respond to the release of a contaminant at a contaminated industrial site
30 shall comply with one of the following standards:

31 (1) The unrestricted use standards applicable to each affected medium.

32 (2) The background standard, if the background standard exceeds the
33 unrestricted use standards.

34 (3) A site-specific remediation standard developed in accordance with
35 subsection (b) of this section that is approved by the Department.

36 (4) Any combination of remediation standards described in this subsection that
37 is approved by the Department.

38 (b) Site-specific remediation standards shall be developed for each medium as provided
39 in this subsection to achieve remediation that eliminates or reduces to protective levels any
40 substantial present or probable future risk to human health, including sensitive subgroups, and
41 the environment based upon the present or currently planned future use of the property
42 comprising the site. Site-specific remediation standards shall be developed in accordance with
43 all of the following:

44 (1) Remediation methods and technologies that result in emissions of air
45 pollutants shall comply with applicable air quality standards adopted by the
46 Commission.

47 (2) The site-specific remediation standard for surface waters shall be the water
48 quality standards adopted by the Commission.

49 (3) The current and probable future use of groundwater shall be identified and
50 protected. Site-specific sources of contaminants and potential receptors shall
51 be identified. Potential receptors must be protected, controlled, or eliminated

1 whether the receptors are located on or off the site where the source of
2 contamination is located. Natural environmental conditions affecting the fate
3 and transport of contaminants, such as natural attenuation, shall be
4 determined by appropriate scientific methods.

5 (4) Permits for facilities located at sites covered by any of the programs or
6 requirements set out in G.S. 130A-310.67(a) shall contain conditions to
7 avoid exceedances of applicable groundwater standards adopted by the
8 Commission pursuant to Article 21 of Chapter 143 of the General Statutes
9 due to operation of the facility.

10 (5) Soil shall be remediated to levels that no longer constitute a continuing
11 source of groundwater contamination in excess of the site-specific
12 groundwater remediation standards approved under this Part.

13 (6) Soil shall be remediated to unrestricted use standards on residential property
14 with the following exceptions:

15 a. For mixed-use developments where the ground level uses are
16 nonresidential and where all potential exposure to contaminated soil
17 has been eliminated, the Department may allow soil to remain on the
18 site in excess of unrestricted use standards.

19 b. If soil remediation is impracticable because of the presence of
20 preexisting structures or impracticability of removal, all areas of the
21 real property at which a person may come into contact with soil shall
22 be remediated to unrestricted use standards, and, on all other areas of
23 the real property, engineering and institutional controls that are
24 sufficient to protect public health, safety, and welfare and the
25 environment shall be implemented and maintained.

26 (7) The potential for human inhalation of contaminants from the outdoor air and
27 other site-specific indoor air exposure pathways shall be considered, if
28 applicable.

29 (8) The site-specific remediation standard shall protect against human exposure
30 to contamination through the consumption of contaminated fish or wildlife
31 and through the ingestion of contaminants in surface water or groundwater
32 supplies.

33 (9) For known or suspected carcinogens, site-specific remediation standards
34 shall be established at exposures that represent an excess lifetime cancer risk
35 of one in 1,000,000. The site-specific remediation standard may depart from
36 the one-in-1,000,000 risk level based on the criteria set out in 40 Code of
37 Federal Regulations § 300.430(e)(9) (July 1, 2003 Edition). The cumulative
38 excess lifetime cancer risk to an exposed individual shall not be greater than
39 one in 10,000 based on the sum of carcinogenic risk posed by each
40 contaminant present.

41 (10) For systemic toxicants, site-specific remediation standards shall represent
42 levels to which the human population, including sensitive subgroups, may be
43 exposed without any adverse health effect during a lifetime or part of a
44 lifetime. Site-specific remediation standards for systemic toxicants shall
45 incorporate an adequate margin of safety and shall take into account cases
46 where two or more systemic toxicants affect the same organ or organ
47 system.

48 (11) The site-specific remediation standards for each medium shall be adequate to
49 avoid foreseeable adverse effects to other media or the environment that are
50 inconsistent with the risk-based approach under this Part.

51 **§ 130A-310.69. Remedial investigation report; remedial action plans.**

1 (a) A person who proposes to conduct remediation pursuant to this Part shall submit a
2 remedial investigation report to the Department prior to submitting a remedial action plan. The
3 remedial investigation report shall include, but is not limited to, a legal description of the
4 location of the site; a map showing the location of the site; a description of the contaminants
5 involved and their concentration in the media of the site; a narrative description of the
6 methodology used in the investigation; a description of all on-site releases of contamination; a
7 site map, drawn to scale, showing benchmarks, directional arrow, location of property
8 boundaries, buildings, structures, all perennial and nonperennial surface water features,
9 drainage ditches, dense vegetation, contaminant spill or disposal areas, underground utilities,
10 storage vessels, and existing on-site wells; identification of adjacent property owners and
11 adjacent land uses; description of local geologic and hydrologic conditions; an evaluation of the
12 site and adjacent properties for the existence of environmentally sensitive areas; a description
13 of groundwater monitoring well design and installation procedures; a map, drawn to scale, that
14 shows all groundwater sample locations; a description of field and laboratory quality control
15 and quality assurance procedures followed during the remedial investigation; a description of
16 methods used to manage investigation-derived wastes; tabulation of analytical results for all
17 sampling; copies of all laboratory reports; a description of procedures and the results of any
18 special assessments; and any other information required by the Department or considered
19 relevant by the investigator. The remedial investigation shall assess all contaminated areas of
20 the site, including types and levels of contamination, and the risk that the contamination poses
21 to public health, safety, and welfare and to the environment.

22 (b) A person who proposes to conduct remediation pursuant to this Part shall develop
23 and submit a proposed remedial action plan to the Department. A remedial action plan shall
24 provide for the protection of public health, safety, and welfare and the environment. A remedial
25 action plan shall do all of the following:

- 26 (1) Identify actions required to remove, treat, or otherwise appropriately
27 mitigate or isolate the source of contamination to ensure that the source will
28 not cause unrestricted use standards to be exceeded in any medium.
- 29 (2) Address contamination that moves from one medium to another in order to
30 prevent a violation of the remediation standards established under
31 G.S. 130A-310.68. A more stringent remediation standard may be required
32 for a particular medium to control impact on other media.
- 33 (3) Identify the current and anticipated future uses of property comprising the
34 contaminated site and address any concerns raised in public comment on the
35 proposed remedial action plan as to the proposed future uses of the property.
- 36 (4) Identify the current and anticipated future uses of groundwater in the
37 contaminated site and address any concerns raised in public comment on the
38 proposed remedial action plan as to the future uses of groundwater.
- 39 (5) Determine the appropriate method of remediation to achieve the site-specific
40 remediation standards.
- 41 (6) Specify any measures that may be necessary to prevent adverse effects to the
42 environment that may occur at levels of contamination that are lower than
43 the standard necessary to protect human health.
- 44 (7) Specify any measures that may be necessary to prevent any discharge into
45 surface waters during implementation of the remedial action plan that
46 violates applicable surface water quality standards adopted by the
47 Commission.
- 48 (8) Specify any measures that may be necessary to prevent any air emission
49 during implementation of the remedial action plan that violates applicable air
50 quality standards adopted by the Commission.

- 1 (9) Provide for attainment and maintenance of the remediation standards
2 established under G.S. 130A-310.68.
- 3 (10) Provide for methods and procedures to verify that the quantity,
4 concentration, range, or other measure of each contaminant remaining at the
5 contaminated site at the conclusion of the contaminant-reduction phase of
6 remediation meets the remediation standards established for the site, that an
7 acceptable level of risk has been achieved, and that no further remediation is
8 required.
- 9 (11) Provide for the imposition and recordation of land-use restrictions as
10 provided in G.S. 143B-279.9, 143B-279.10, 130A-310.3(f), 130A-310.8,
11 130A-310.35, 143-215.84(f), and 143-215.85A if the remedial action plan
12 allows contamination in excess of the greater of unrestricted use standards or
13 background standards to remain on any real property or in groundwater that
14 underlies any real property.
- 15 (12) Provide for submission of an annual certification to the Department by the
16 property owner that land use at the site is in compliance with land-use
17 restrictions recorded pursuant to this Part and that the land-use restrictions
18 are still properly recorded in the chain of title for the property.
- 19 (13) Provide a detailed description of the proposed remedial action to be taken;
20 the results of any treatability studies and additional site characterization
21 needed to support the proposed remedial action; plans for postremedial and
22 confirmatory sampling; a project schedule; a schedule for progress reports to
23 the Department; and any other information required by the Department or
24 considered relevant by the person who submits the proposed remedial action
25 plan.
- 26 (14) Provide a description of measures that will be employed to ensure that the
27 safety and health of persons on properties in the vicinity of the site and
28 persons visiting or doing business on the site will not be adversely affected
29 by any remediation activity.
- 30 (15) Provide a reasonable estimate of the probable cost of the remedial action
31 sufficient for the Department to determine an acceptable level of financial
32 assurance.
- 33 (16) Provide proof of financial assurance as required by G.S. 130A-310.72.
- 34 (c) A remedial action plan shall also include an analysis of each of the following
35 factors:
- 36 (1) Long-term risks and effectiveness of the proposed remediation, including an
37 evaluation of all of the following:
- 38 a. The magnitude of risks remaining after completion of the
39 remediation.
- 40 b. The type, degree, frequency, and duration of any postremediation
41 activity that may be required, including, but not limited to, operation
42 and maintenance, monitoring, inspection, reports, and other activities
43 necessary to protect public health, safety, and welfare and the
44 environment.
- 45 c. Potential for exposure of human and environmental receptors to
46 contaminants remaining at the site.
- 47 d. Long-term reliability of any engineering and voluntary institutional
48 controls, including repair, maintenance, or replacement of
49 components.
- 50 e. Time required to achieve remediation standards.

1 (2) Toxicity, mobility, and volume of contaminants, including the amount of
2 contaminants that will be removed, contained, treated, or destroyed; the
3 degree of expected reduction in toxicity, mobility, and volume; and the type,
4 quantity, toxicity, and mobility of contaminants that will remain after
5 implementation of the remedial action plan.

6 (3) Short-term risks and effectiveness of the remediation, including the
7 short-term risks that may be posed to the community, workers, or the
8 environment during implementation of the remedial action plan, and the
9 effectiveness and reliability of protective measures to address short-term
10 risks.

11 (4) The ease or difficulty of implementing the remedial action plan, including
12 commercially available remedial measures; expected operational reliability;
13 available capacity and location of needed treatment, storage, and disposal
14 services for wastes; time to initiate remediation; and approvals necessary to
15 implement the remediation.

16 (d) The development of a remedial action plan may require supplemental submissions
17 and revisions based on Department review, remedial action pilot studies, and public comment
18 from local government and citizens.

19 **"§ 130A-310.70. Notice of intent to remediate.**

20 In addition to the public participation requirements of the individual programs listed in
21 G.S. 130A-310.67(a), the person who proposes to remediate a site under this Part shall send a
22 notice of intent to remediate to all local governments having taxing or land-use jurisdiction
23 over the site, and to all adjoining landowners. The notice shall include all of the information
24 required in G.S. 130A-310.69(a) and include a statement of intent to clean up the site to
25 site-specific remediation standards. The person shall submit to the Department a copy of the
26 notice of intent provided to local governments and adjoining landowners, a certification that the
27 notice of intent to remediate was so provided to those parties, and all information and
28 comments that the person received in response to the notice. In addition, the person shall, when
29 appropriate, describe how the remediation plan was modified to address comments received in
30 response to the notice.

31 **"§ 130A-310.71. Review and approval of proposed remedial action plans.**

32 (a) The Department shall review and approve a proposed remedial action plan
33 consistent with the remediation standards set out in G.S. 130A-310.68 and the procedures set
34 out in this section. In its review of a proposed remedial action plan, the Department shall do all
35 of the following:

36 (1) Determine whether site-specific remediation standards are appropriate for a
37 particular contaminated site. In making this determination, the Department
38 shall consider proximity of the contamination to water supply wells or other
39 receptors; current and probable future reliance on the groundwater as a water
40 supply; current and anticipated future land use; environmental impacts; and
41 the feasibility of remediation to unrestricted use standards.

42 (2) Determine whether the party conducting the remediation has adequately
43 demonstrated through modeling or other scientific means acceptable to the
44 Department that no contamination will migrate to adjacent property at levels
45 above unrestricted use standards.

46 (3) Determine whether the proposed remedial action plan meets the
47 requirements of G.S. 130A-310.69.

48 (4) Determine whether the proposed remedial action plan meets the
49 requirements of any other applicable remediation program except those
50 pertaining to remediation standards.

- 1 (5) Establish the acceptable level or range of levels of risk to public health,
2 safety, and welfare and to the environment.
- 3 (6) Establish, for each contaminant, the maximum allowable quantity,
4 concentration, range, or other measures of contamination that will remain at
5 the contaminated site at the conclusion of the contaminant-reduction phase
6 of the remediation.
- 7 (7) Consider the technical performance, effectiveness, and reliability of the
8 proposed remedial action plan in attaining and maintaining compliance with
9 applicable remediation standards.
- 10 (8) Consider the ability of the person who proposes to remediate the site to
11 implement the proposed remedial action plan within a reasonable time and
12 without jeopardizing public health, safety, or welfare or the environment.
- 13 (9) Determine whether the proposed remedial action plan adequately provides
14 for the imposition and maintenance of engineering and institutional controls
15 and for sampling, monitoring, and reporting requirements necessary to
16 protect public health, safety, and welfare and the environment.
- 17 (10) Approve the circumstances under which no further remediation is required.

18 (b) The person who proposes a remedial action plan has the burden of demonstrating
19 that contamination from the site will not likely migrate in the reasonably foreseeable future to
20 adjacent property and that the remedial action plan is protective of public health, safety, and
21 welfare and the environment by virtue of its compliance with this Part.

22 (c) The Department may require a person who proposes a remedial action plan to
23 supply any additional information necessary for the Department to approve or disapprove the
24 plan.

25 (d) In making a determination on a proposed remedial action plan, the Department shall
26 consider the information provided by the person who proposes the remedial action plan as well
27 as information provided by local governments and adjoining landowners pursuant to
28 G.S. 130A-310.70. The Department shall disapprove a proposed remedial action plan unless the
29 Department finds that the plan is protective of public health, safety, and welfare and the
30 environment and complies with the requirements of this Part. If the Department disapproves a
31 proposed remedial action plan, the person who submitted the plan may seek review as provided
32 in Article 3 of Chapter 150B of the General Statutes. If the Department fails to approve or
33 disapprove a proposed remedial action plan within 120 days after a complete plan has been
34 submitted, the person who submitted the plan may treat the plan as having been disapproved at
35 the end of that time period.

36 **"§ 130A-310.72. Financial assurance requirement.**

37 The person conducting remediation of a contaminated industrial site pursuant to the
38 provisions of this Part shall establish financial assurance that will ensure that sufficient funds
39 are available to implement and maintain the actions or controls specified in the remedial action
40 plan for the site. The person conducting remediation of a site may establish financial assurance
41 through one of the following mechanisms, or any combination of the following mechanisms, in
42 a form specified or approved by the Department: insurance products issued from entities having
43 no corporate or ownership association with the person conducting the remediation; funded
44 trusts; surety bonds; certificates of deposit; letters of credit; corporate financial tests; local
45 government financial tests; corporate guarantees; local government guarantees; capital reserve
46 funds; or any other financial mechanism authorized for the demonstration of financial
47 assurance under (i) 40 Code of Federal Regulations Part 264, Subpart H (July 1, 2010 Edition)
48 and (ii) Section .1600 of Subchapter B of Chapter 13 of Title 15A of the North Carolina
49 Administrative Code.

50 **"§ 130A-310.73. Attainment of the remediation standard.**

1 (a) Compliance with the approved remediation standards is attained for a site or portion
2 of a site when a remedial action plan approved by the Department has been implemented and
3 applicable soil, groundwater, surface water, and air emission standards have been attained. The
4 remediation standards may be attained through a combination of remediation activities that can
5 include treatment, removal, engineering, or institutional controls, except that the person
6 conducting the remediation may not demonstrate attainment of an unrestricted use standard or a
7 background standard through the use of institutional controls alone. When the remedial action
8 plan has been fully implemented, the person conducting the remediation shall submit a final
9 report to the Department, with notice to all local governments with taxing and land-use
10 jurisdiction over the site, that demonstrates that the remedial action plan has been fully
11 implemented, that any land-use restrictions have been certified on an annual basis, and that the
12 remediation standards have been attained. The final report shall be accompanied by a request
13 that the Department issue a determination that no further remediation beyond that specified in
14 the approved remedial action plan is required.

15 (b) The person conducting the remediation has the burden of demonstrating that the
16 remedial action plan has been fully implemented and that the remediation standards have been
17 attained in compliance with the requirements of this Part. The Department may require a person
18 who implements the remedial action plan to supply any additional information necessary for
19 the Department to determine whether the remediation standards have been attained.

20 (c) The Department shall review the final report, and, upon determining that the person
21 conducting the remediation has completed remediation to the approved remediation standard
22 and met all the requirements of the approved remedial action plan, the Department shall issue a
23 determination that no further remediation beyond that specified in the approved remedial action
24 plan is required at the site. Once the Department has issued a no further action determination,
25 the Department may require additional remedial action by the responsible party only upon
26 finding any of the following:

- 27 (1) Monitoring, testing, or analysis of the site subsequent to the issuance of the
28 no further action determination indicates that the remediation standards and
29 objectives were not achieved or are not being maintained.
- 30 (2) One or more of the conditions, restrictions, or limitations imposed on the site
31 as part of the remediation have been violated.
- 32 (3) Site monitoring or operation and maintenance activities that are required as
33 part of the remedial action plan or no further action determination for the site
34 are not adequately funded or are not adequately implemented.
- 35 (4) A contaminant or hazardous substance release is discovered at the site that
36 was not the subject of the remedial investigation report or the remedial
37 action plan.
- 38 (5) A material change in the facts known to the Department at the time the
39 written no further action determination was issued, or new facts, cause the
40 Department to find that further assessment or remediation is necessary to
41 prevent a significant risk to human health and safety or to the environment.
- 42 (6) The no further action determination was based on fraud, misrepresentation,
43 or intentional nondisclosure of information by the person conducting the
44 remediation.
- 45 (7) Installation or use of wells would induce the flow of contaminated
46 groundwater off the site.

47 (d) The Department shall issue a final decision on a request for a determination that
48 remediation has been completed to approved standards and that no further remediation beyond
49 that specified in the approved remedial action plan is required within 180 days after receipt of a
50 complete final report. Failure of the Department to issue a final decision on a no further
51 remediation determination within 180 days after receipt of a complete final report and request

1 for a determination of no further remediation may be treated as a denial of the request for a no
2 further remediation determination. The responsible person may seek review of a denial of a
3 request for a release from further remediation as provided in Article 3 of Chapter 150B of the
4 General Statutes.

5 (e) Once the Department issues a determination that no further remediation is required
6 beyond that specified in the approved remedial action plan for the site, any person who changes
7 the use of the property causing the level of risk to increase beyond the acceptable risk range
8 shall be required by the Department to undertake additional remediation measures.

9 **"§ 130A-310.74. Compliance with other laws.**

10 Where a site is covered by an agreement under the Brownfields Property Reuse Act of
11 1997, as codified as Part 5 of Article 9 Chapter 130A of the General Statutes, any work
12 performed by the prospective developer pursuant to that agreement is not required to comply
13 with this Part, but any work not covered by such agreement and performed at the site by
14 another person not a party to that agreement may be performed pursuant to this Part.

15 **"§ 130A-310.75. Use of registered environmental consultants.**

16 The Department may approve the use of a registered environmental consultant to provide
17 oversight for the assessment and remediation of a site under this Part. If remediation under this
18 Part is not undertaken voluntarily, the Department may not require the use of a registered
19 environmental consultant to provide oversight for the assessment and remediation of a site
20 under this Part.

21 **"§ 130A-310.76. Fees; permissible uses of fees.**

22 (a) A person who undertakes remediation of environmental contamination under
23 site-specific remediation standards as provided in G.S. 130A-310.68 shall pay a fee to the Fund
24 in an amount equal to four thousand five hundred dollars (\$4,500) for each acre or portion of an
25 acre of contamination, including any area that will become contaminated as a result of the
26 release; however, no person shall be required to pay more than one hundred twenty-five
27 thousand dollars (\$125,000) to the Fund for any individual site, regardless of its size. This
28 one-time fee shall be payable at the time the person undertaking remediation submits the
29 remedial action plan to the Department.

30 (b) Funds collected pursuant to subsection (a) of this section may be used only for the
31 following purposes:

32 (1) To pay for administrative and operating expenses necessary to implement
33 this Part.

34 (2) To establish, administer, and maintain a system for the tracking of land-use
35 restrictions recorded at sites that are remediated pursuant to this Part.

36 **"§ 130A-310.77. Construction of Part.**

37 This Part shall not be construed or implemented in any of the following ways:

38 (1) In any manner that would jeopardize federal authorization under any of the
39 federal statutes, programs, or requirements set out in G.S. 130A-310.67(a) or
40 would otherwise conflict with federal authority under those statutes,
41 programs, and requirements. This Part is supplemental to the programs and
42 requirements set out in G.S. 130A-310.67(a) that would otherwise govern
43 the remediation of a contaminated industrial site. Where the definitions,
44 provisions, or requirements of this Part conflict with the definitions,
45 provisions, or requirements of an otherwise applicable remediation program,
46 this Part shall control, unless expressly stated to the contrary.

47 (2) To limit the authority of the Department to require investigation, initial
48 response, or remediation of environmental contamination under any other
49 provision of State or federal law necessary to address an imminent threat to
50 public health, safety, or welfare or the environment.

- 1 (3) To alter the requirements of programs to prevent or mitigate the release or
 2 discharge of contaminants to the environment, including permitting
 3 requirements that regulate the handling of hazardous substances or wastes.
 4 (4) To supersede or otherwise affect or prevent the enforcement of any land-use
 5 or development regulation or ordinance adopted by a municipality pursuant
 6 to Article 19 of Chapter 160A of the General Statutes or adopted by a county
 7 pursuant to Article 18 of Chapter 153A of the General Statutes. The use of a
 8 site and any land-use restrictions imposed as part of a remedial action plan
 9 shall comply with land-use and development controls adopted by a
 10 municipality pursuant to Article 19 of Chapter 160A of the General Statutes
 11 or adopted by a county pursuant to Article 18 of Chapter 153A of the
 12 General Statutes."

13 **SECTION 3.** G.S. 130A-310.78 through G.S. 130A-310.80 are reserved for future
 14 codification purposes.

15 **SECTION 4.** G.S. 130A-310.10(a) reads as rewritten:

16 "(a) The Secretary shall report on inactive hazardous sites to the Joint Legislative
 17 Commission on Governmental Operations, the Environmental Review Commission, and the
 18 Fiscal Research Division on or before 1 October of each year. The report shall include at
 19 ~~least~~least the following:

- 20 (1) The Inactive Hazardous Waste Sites Priority ~~List~~List.
 21 (2) A list of remedial action plans requiring State funding through the Inactive
 22 Hazardous Sites Cleanup ~~Fund~~Fund.
 23 (3) A comprehensive budget to implement these remedial action plans and the
 24 adequacy of the Inactive Hazardous Sites Cleanup Fund to fund the cost of
 25 said ~~plans~~plans.
 26 (4) A prioritized list of sites that are eligible for remedial action under
 27 CERCLA/SARA together with recommended remedial action plans and a
 28 comprehensive budget to implement such plans. The budget for
 29 implementing a remedial action plan under CERCLA/SARA shall include a
 30 statement as to any appropriation that may be necessary to pay the State's
 31 share of such ~~plan~~plan.
 32 (5) A list of sites and remedial action plans undergoing voluntary cleanup with
 33 Departmental ~~approval~~approval.
 34 (6) A list of sites and remedial action plans that may require State funding, a
 35 comprehensive budget if implementation of these possible remedial action
 36 plans is required, and the adequacy of the Inactive Hazardous Sites Cleanup
 37 Fund to fund the possible costs of said ~~plans~~plans.
 38 (7) A list of sites that pose an imminent ~~hazard~~hazard.
 39 (8) A comprehensive budget to develop and implement remedial action plans for
 40 sites that pose imminent hazards and that may require State funding, and the
 41 adequacy of the Inactive Hazardous Sites Cleanup ~~Fund~~and Fund.
 42 (8a) The amounts and sources of funds collected by year received under
 43 G.S. 130A-310.76, the amounts and sources of those funds paid into the
 44 Inactive Hazardous Sites Cleanup Fund established pursuant to
 45 G.S. 130A-310.11, the number of acres of contamination for which funds
 46 have been received pursuant to G.S. 130A-310.76, and a detailed annual
 47 accounting of how the funds collected pursuant to G.S. 130A-310.76 have
 48 been utilized by the Department to advance the purposes of Part 8 of Article
 49 9 of Chapter 130A of the General Statutes.
 50 (9) Any other information requested by the General Assembly or the
 51 Environmental Review Commission."

1 **SECTION 5.** The Secretary of Environment and Natural Resources shall make all
2 reasonable efforts to obtain a written agreement from the United States Environmental
3 Protection Agency that Part 8 of Article 9 of Chapter 130A of the General Statutes, as enacted
4 by Section 2 of this act, is consistent with the Comprehensive Environmental Response,
5 Compensation, and Liability Act of 1980, Public Law 96-510, 94 Stat. 2767, 42 U.S.C. § 9601,
6 et seq., as amended, and the Superfund Amendments and Reauthorization Act of 1986, Public
7 Law 99-499, 100 Stat. 1613, as amended.

8 **SECTION 6.** This act is effective when it becomes law.

GENERAL ASSEMBLY OF NORTH CAROLINA
SESSION 2011

H

2

HOUSE BILL 45*
Committee Substitute Favorable 3/3/11

Short Title: Accelerate Cleanup of Industrial Properties.

(Public)

Sponsors:

Referred to:

February 8, 2011

A BILL TO BE ENTITLED

1 AN ACT TO ALLOW THE USE OF RISK-BASED REMEDIATION TO ACCELERATE
2 THE CLEANUP OF CONTAMINATED INDUSTRIAL SITES FOR THE PURPOSE OF
3 LIMITING HUMAN AND ENVIRONMENTAL EXPOSURE TO SAFE LEVELS, TO
4 PROTECT CURRENT AND LIKELY FUTURE USES OF GROUNDWATER, AND TO
5 ENSURE THE COST-EFFECTIVE APPLICATION OF LIMITED PUBLIC AND
6 PRIVATE RESOURCES.
7

8 Whereas, the General Assembly finds that public health, safety, and welfare and the
9 environment can be protected by implementing a remediation process that requires that
10 contaminated industrial sites be cleaned up to a level that is sufficient to ensure protection of
11 public health, safety, and welfare and the environment without excessive expenditure of public
12 or private resources; and

13 Whereas, the General Assembly finds that there are contaminated industrial sites in
14 North Carolina, including land and other property, surface water, and groundwater, that are
15 adversely affected by environmental contamination due to the presence of drilling waste;
16 hazardous and toxic materials, substances, and wastes; solid waste; oil; and other wastes,
17 contaminants, and regulated substances; and

18 Whereas, the General Assembly finds that the presence of environmental
19 contamination on industrial sites creates both potential and actual harm to public health, safety,
20 and welfare and to the environment; and

21 Whereas, the General Assembly finds that this potential and actual harm results in
22 substantial economic losses, including reduced property values and tax revenues, decreased
23 ability to develop and expand the beneficial use of these sites, and other opportunity costs
24 because of the uncertainties and concerns that result from the environmental contamination of
25 these sites; and

26 Whereas, the General Assembly finds that it is in the public interest that
27 contaminated industrial sites are cleaned up or managed in a manner that protects public health,
28 safety, and welfare and the environment and protects groundwater that is a current or probable
29 future water supply; and

30 Whereas, the General Assembly finds that North Carolina has numerous and varied
31 State-managed remediation programs to address environmental contamination, including the
32 Inactive Hazardous Sites Response Act of 1987; the hazardous waste management program
33 administered by the State pursuant to the federal Resource Conservation and Recovery Act of
34 1976; the Leaking Petroleum Underground Storage Tank Cleanup Act of 1988; the Brownfields
35 Property Reuse Act of 1997; the Dry-Cleaning Solvent Cleanup Act of 1997; the federal
36 Superfund program administered in part by the State pursuant to the Comprehensive
37 Environmental Response, Compensation, and Liability Act of 1980 and the Superfund

* H 4 5 - V - 2 *

1 Amendments and Reauthorization Act of 1986; and the groundwater protection rules adopted
2 by the Environmental Management Commission; and

3 Whereas, the General Assembly finds that the expenditure of public and private
4 resources on unnecessary remediation could better be channeled to other purposes, including
5 new development, renovation and repair, research and development, training and education,
6 and other activities that maintain and enhance North Carolina's competitive position in the
7 world and the excellent quality of life enjoyed by the citizens of North Carolina; and

8 Whereas, the General Assembly finds that North Carolina's groundwater is a
9 valuable public and private resource, serving as the drinking water source for one-half of the
10 State's population and also as a water supply for industrial and commercial uses; and

11 Whereas, the General Assembly finds that maintenance of North Carolina's surface
12 water and groundwater resources will become increasingly important to the continued
13 economic vitality of the State in the future; and

14 Whereas, the General Assembly finds that use of site-specific remediation standards
15 based on an objective, scientific, and uniform approach to the evaluation of the risk posed by
16 each contaminated site can be protective of public health, safety, and welfare and the
17 environment; and

18 Whereas, the General Assembly finds that use of site-specific remediation standards
19 in appropriate circumstances may encourage accelerated cleanup of contaminated industrial
20 sites; and

21 Whereas, the General Assembly intends that the levels of remediation that are
22 established for each contaminated site are to be applicable or relevant under federal remediation
23 programs; and

24 Whereas, the General Assembly intends that the protections afforded to public
25 health, safety, and welfare and to the environment by existing environmental, health, and safety
26 standards that apply to ongoing activities not be diminished in any way, in order that those
27 standards will continue to protect against the discharge or release of contaminants to the
28 environment that would result in additional contaminated sites; Now, therefore,
29 The General Assembly of North Carolina enacts:

30 **SECTION 1.** G.S. 130A-310.62 through G.S. 130A-310.64 are reserved for future
31 codification purposes.

32 **SECTION 2.** Article 9 of Chapter 130A of the General Statutes is amended by
33 adding a new Part to read:

34 "Part 8. Risk-Based Environmental Remediation of Industrial Sites.

35 "§ 130A-310.65. Definitions.

36 As used in this Part:

- 37 (1) "Background standard" means the naturally occurring concentration of a
38 substance in the absence of the release of a contaminant.
39 (2) "Commission" means the Environmental Management Commission created
40 pursuant to G.S. 143B-282.
41 (3) "Contaminant" means any substance regulated under any program listed in
42 G.S. 130A-310.67(a).
43 (4) "Contaminated industrial site" or "site" means any real property that meets
44 all of the following criteria:
45 a. The property is contaminated and may be subject to remediation
46 under any of the programs or requirements set out in
47 G.S. 130A-310.67(a).
48 b. The property is or has been used primarily for manufacturing or other
49 industrial activities for the production of a commercial product. This
50 includes a property used primarily for the generation of electricity.

- 1 This does not include a property used primarily for service industry
2 activities.
- 3 c. No contaminant associated with activities at the property has
4 migrated or will migrate to any adjacent properties above
5 unrestricted use standards for the contaminant.
- 6 (5) "Contamination" means a contaminant released into an environmental
7 medium that has resulted in or has the potential to result in an increase in the
8 concentration of the contaminant in the environmental medium in excess of
9 unrestricted use standards.
- 10 (6) "Fund" means the Inactive Hazardous Sites Cleanup Fund established
11 pursuant to G.S. 130A-310.11.
- 12 (7) "Institutional controls" means nonengineered measures used to prevent
13 unsafe exposure to contamination, such as land-use restrictions.
- 14 (8) "Registered environmental consultant" means an environmental consulting
15 or engineering firm approved to implement and oversee voluntary remedial
16 actions pursuant to Part 3 of Article 9 of Chapter 130A of the General
17 Statutes and rules adopted to implement the Part.
- 18 (9) "Remedial action plan" means a plan for eliminating or reducing
19 contamination or exposure to contamination.
- 20 (10) "Remediation" means all actions that are necessary or appropriate to clean
21 up, mitigate, correct, abate, minimize, eliminate, control, or prevent the
22 spreading, migration, leaking, leaching, volatilization, spilling, transport, or
23 further release of a contaminant into the environment in order to protect
24 public health, safety, or welfare or the environment.
- 25 (11) "Systemic toxicant" means any substance that may enter the body and have a
26 harmful effect other than causing cancer.
- 27 (12) "Unrestricted use standards" means contaminant concentrations for each
28 environmental medium that are acceptable for all uses; that are protective of
29 public health, safety, and welfare and the environment; and that comply with
30 generally applicable standards, guidance, or methods established by statute
31 or adopted, published, or implemented by the Commission, the Commission
32 for Public Health, or the Department.

33 **§ 130A-310.66. Purpose.**

34 It is the purpose of this Part to authorize the Department to approve the remediation of
35 contaminated industrial sites based on site-specific remediation standards in circumstances
36 where site-specific remediation standards are adequate to protect public health, safety, and
37 welfare and the environment and are consistent with protection of current and anticipated future
38 use of groundwater and surface water affected or potentially affected by the contamination.

39 **§ 130A-310.67. Applicability.**

40 (a) This Part applies to contaminated industrial sites subject to remediation pursuant to
41 any of the following programs or requirements:

- 42 (1) The Inactive Hazardous Sites Response Act of 1987 under Part 3 of Article 9
43 of Chapter 130A of the General Statutes, including voluntary actions under
44 G.S. 130A-310.9 of that act, and rules promulgated pursuant to those
45 statutes.
- 46 (2) The hazardous waste management program administered by the State
47 pursuant to the federal Resource Conservation and Recovery Act of 1976,
48 Public Law 94-580, 90 Stat. 2795, 42 U.S.C. § 6901, et seq., as amended,
49 and Article 9 of Chapter 130A of the General Statutes.
- 50 (3) The solid waste management program administered pursuant to Article 9 of
51 Chapter 130A of the General Statutes.

- 1 (4) The federal Superfund program administered in part by the State pursuant to
2 the Comprehensive Environmental Response, Compensation, and Liability
3 Act of 1980, Public Law 96-510, 94 Stat. 2767, 42 U.S.C. § 9601, et seq., as
4 amended, the Superfund Amendments and Reauthorization Act of 1986,
5 Public Law 99-499, 100 Stat. 1613, as amended, and under Part 4 of Article
6 9 of Chapter 130A of the General Statutes.
- 7 (5) The groundwater protection corrective action requirements adopted by the
8 Commission pursuant to Article 21 of Chapter 143 of the General Statutes.
- 9 (6) Oil Pollution and Hazardous Substances Control Act of 1978, Parts 1 and 2
10 of Article 21A of Chapter 143 of the General Statutes.
- 11 (b) This Part shall not apply to contaminated industrial sites subject to remediation
12 pursuant to any of the following programs or requirements:
- 13 (1) The Leaking Petroleum Underground Storage Tank Cleanup program under
14 Part 2A of Article 21A of Chapter 143 of the General Statutes and rules
15 promulgated pursuant to that statute.
- 16 (2) The Dry-Cleaning Solvent Cleanup program under Part 6 of Article 21A of
17 Chapter 143 of the General Statutes and rules promulgated pursuant to that
18 statute.
- 19 (3) The pre-1983 landfill assessment and remediation program established under
20 G.S. 130A-310.6(c) through (g).
- 21 (c) This Part shall apply only to sites where a discharge, spill, or release of
22 contamination has been reported to the Department prior to March 1, 2011.
- 23 **§ 130A-310.68. Remediation standards.**
- 24 (a) When conducting remediation activities pursuant to this Part, a person who proposes
25 to or is required to respond to the release of a contaminant at a contaminated industrial site
26 shall comply with one of the following standards:
- 27 (1) The unrestricted use standards applicable to each affected medium.
- 28 (2) The background standard, if the background standard exceeds the
29 unrestricted use standards.
- 30 (3) A site-specific remediation standard developed in accordance with
31 subsection (b) of this section that is approved by the Department.
- 32 (4) Any combination of remediation standards described in this subsection that
33 is approved by the Department.
- 34 (b) Site-specific remediation standards shall be developed for each medium as provided
35 in this subsection to achieve remediation that eliminates or reduces to protective levels any
36 substantial present or probable future risk to human health, including sensitive subgroups, and
37 the environment based upon the present or currently planned future use of the property
38 comprising the site. Site-specific remediation standards shall be developed in accordance with
39 all of the following:
- 40 (1) Remediation methods and technologies that result in emissions of air
41 pollutants shall comply with applicable air quality standards adopted by the
42 Commission.
- 43 (2) The site-specific remediation standard for surface waters shall be the water
44 quality standards adopted by the Commission.
- 45 (3) The current and probable future use of groundwater shall be identified and
46 protected. Site-specific sources of contaminants and potential receptors shall
47 be identified. Potential receptors must be protected, controlled, or eliminated
48 whether the receptors are located on or off the site where the source of
49 contamination is located. Natural environmental conditions affecting the fate
50 and transport of contaminants, such as natural attenuation, shall be
51 determined by appropriate scientific methods.

- 1 (4) Permits for facilities located at sites covered by any of the programs or
2 requirements set out in G.S. 130A-310.67(a) shall contain conditions to
3 avoid exceedances of applicable groundwater standards adopted by the
4 Commission pursuant to Article 21 of Chapter 143 of the General Statutes
5 due to operation of the facility.
- 6 (5) Soil shall be remediated to levels that no longer constitute a continuing
7 source of groundwater contamination in excess of the site-specific
8 groundwater remediation standards approved under this Part.
- 9 (6) Soil shall be remediated to unrestricted use standards on residential property
10 with the following exceptions:
- 11 a. For mixed-use developments where the ground level uses are
12 nonresidential and where all potential exposure to contaminated soil
13 has been eliminated, the Department may allow soil to remain on the
14 site in excess of unrestricted use standards.
- 15 b. If soil remediation is impracticable because of the presence of
16 preexisting structures or impracticability of removal, all areas of the
17 real property at which a person may come into contact with soil shall
18 be remediated to unrestricted use standards, and, on all other areas of
19 the real property, engineering and institutional controls that are
20 sufficient to protect public health, safety, and welfare and the
21 environment shall be implemented and maintained.
- 22 (7) The potential for human inhalation of contaminants from the outdoor air and
23 other site-specific indoor air exposure pathways shall be considered, if
24 applicable.
- 25 (8) The site-specific remediation standard shall protect against human exposure
26 to contamination through the consumption of contaminated fish or wildlife
27 and through the ingestion of contaminants in surface water or groundwater
28 supplies.
- 29 (9) For known or suspected carcinogens, site-specific remediation standards
30 shall be established at exposures that represent an excess lifetime cancer risk
31 of one in 1,000,000. The site-specific remediation standard may depart from
32 the one-in-1,000,000 risk level based on the criteria set out in 40 Code of
33 Federal Regulations § 300.430(e)(9) (July 1, 2003 Edition). The cumulative
34 excess lifetime cancer risk to an exposed individual shall not be greater than
35 one in 10,000 based on the sum of carcinogenic risk posed by each
36 contaminant present.
- 37 (10) For systemic toxicants, site-specific remediation standards shall represent
38 levels to which the human population, including sensitive subgroups, may be
39 exposed without any adverse health effect during a lifetime or part of a
40 lifetime. Site-specific remediation standards for systemic toxicants shall
41 incorporate an adequate margin of safety and shall take into account cases
42 where two or more systemic toxicants affect the same organ or organ
43 system.
- 44 (11) The site-specific remediation standards for each medium shall be adequate to
45 avoid foreseeable adverse effects to other media or the environment that are
46 inconsistent with the risk-based approach under this Part.

47 **§ 130A-310.69. Remedial investigation report; remedial action plans.**

48 (a) A person who proposes to conduct remediation pursuant to this Part shall submit a
49 remedial investigation report to the Department prior to submitting a remedial action plan. The
50 remedial investigation report shall include, but is not limited to, a legal description of the
51 location of the site; a map showing the location of the site; a description of the contaminants

1 involved and their concentration in the media of the site; a narrative description of the
2 methodology used in the investigation; a description of all on-site releases of contamination; a
3 site map, drawn to scale, showing benchmarks, directional arrow, location of property
4 boundaries, buildings, structures, all perennial and nonperennial surface water features,
5 drainage ditches, dense vegetation, contaminant spill or disposal areas, underground utilities,
6 storage vessels, and existing on-site wells; identification of adjacent property owners and
7 adjacent land uses; description of local geologic and hydrologic conditions; an evaluation of the
8 site and adjacent properties for the existence of environmentally sensitive areas; a description
9 of groundwater monitoring well design and installation procedures; a map, drawn to scale, that
10 shows all groundwater sample locations; a description of field and laboratory quality control
11 and quality assurance procedures followed during the remedial investigation; a description of
12 methods used to manage investigation-derived wastes; tabulation of analytical results for all
13 sampling; copies of all laboratory reports; a description of procedures and the results of any
14 special assessments; and any other information required by the Department or considered
15 relevant by the investigator. The remedial investigation shall assess all contaminated areas of
16 the site, including types and levels of contamination, and the risk that the contamination poses
17 to public health, safety, and welfare and to the environment.

18 (b) A person who proposes to conduct remediation pursuant to this Part shall develop
19 and submit a proposed remedial action plan to the Department. A remedial action plan shall
20 provide for the protection of public health, safety, and welfare and the environment. A remedial
21 action plan shall do all of the following:

- 22 (1) Identify actions required to remove, treat, or otherwise appropriately
23 mitigate or isolate the source of contamination to ensure that the source will
24 not cause unrestricted use standards to be exceeded in any medium.
- 25 (2) Address contamination that moves from one medium to another in order to
26 prevent a violation of the remediation standards established under
27 G.S. 130A-310.68. A more stringent remediation standard may be required
28 for a particular medium to control impact on other media.
- 29 (3) Identify the current and anticipated future uses of property comprising the
30 contaminated site and address any concerns raised in public comment on the
31 proposed remedial action plan as to the proposed future uses of the property.
- 32 (4) Identify the current and anticipated future uses of groundwater in the
33 contaminated site and address any concerns raised in public comment on the
34 proposed remedial action plan as to the future uses of groundwater.
- 35 (5) Determine the appropriate method of remediation to achieve the site-specific
36 remediation standards.
- 37 (6) Specify any measures that may be necessary to prevent adverse effects to the
38 environment that may occur at levels of contamination that are lower than
39 the standard necessary to protect human health.
- 40 (7) Specify any measures that may be necessary to prevent any discharge into
41 surface waters during implementation of the remedial action plan that
42 violates applicable surface water quality standards adopted by the
43 Commission.
- 44 (8) Specify any measures that may be necessary to prevent any air emission
45 during implementation of the remedial action plan that violates applicable air
46 quality standards adopted by the Commission.
- 47 (9) Provide for attainment and maintenance of the remediation standards
48 established under G.S. 130A-310.68.
- 49 (10) Provide for methods and procedures to verify that the quantity,
50 concentration, range, or other measure of each contaminant remaining at the
51 contaminated site at the conclusion of the contaminant-reduction phase of

- 1 remediation meets the remediation standards established for the site, that an
2 acceptable level of risk has been achieved, and that no further remediation is
3 required.
- 4 (11) Provide for the imposition and recordation of land-use restrictions as
5 provided in G.S. 143B-279.9, 143B-279.10, 130A-310.3(f), 130A-310.8,
6 130A-310.35, 143-215.84(f), and 143-215.85A if the remedial action plan
7 allows contamination in excess of the greater of unrestricted use standards or
8 background standards to remain on any real property or in groundwater that
9 underlies any real property.
- 10 (12) Provide for submission of an annual certification to the Department by the
11 property owner that land use at the site is in compliance with land-use
12 restrictions recorded pursuant to this Part and that the land-use restrictions
13 are still properly recorded in the chain of title for the property.
- 14 (13) Provide a detailed description of the proposed remedial action to be taken;
15 the results of any treatability studies and additional site characterization
16 needed to support the proposed remedial action; plans for postremedial and
17 confirmatory sampling; a project schedule; a schedule for progress reports to
18 the Department; and any other information required by the Department or
19 considered relevant by the person who submits the proposed remedial action
20 plan.
- 21 (14) Provide a description of measures that will be employed to ensure that the
22 safety and health of persons on properties in the vicinity of the site and
23 persons visiting or doing business on the site will not be adversely affected
24 by any remediation activity.
- 25 (15) Provide a reasonable estimate of the probable cost of the remedial action
26 sufficient for the Department to determine an acceptable level of financial
27 assurance.
- 28 (16) Provide proof of financial assurance as required by G.S. 130A-310.72.
- 29 (c) A remedial action plan shall also include an analysis of each of the following
30 factors:
- 31 (1) Long-term risks and effectiveness of the proposed remediation, including an
32 evaluation of all of the following:
- 33 a. The magnitude of risks remaining after completion of the
34 remediation.
- 35 b. The type, degree, frequency, and duration of any postremediation
36 activity that may be required, including, but not limited to, operation
37 and maintenance, monitoring, inspection, reports, and other activities
38 necessary to protect public health, safety, and welfare and the
39 environment.
- 40 c. Potential for exposure of human and environmental receptors to
41 contaminants remaining at the site.
- 42 d. Long-term reliability of any engineering and voluntary institutional
43 controls, including repair, maintenance, or replacement of
44 components.
- 45 e. Time required to achieve remediation standards.
- 46 (2) Toxicity, mobility, and volume of contaminants, including the amount of
47 contaminants that will be removed, contained, treated, or destroyed; the
48 degree of expected reduction in toxicity, mobility, and volume; and the type,
49 quantity, toxicity, and mobility of contaminants that will remain after
50 implementation of the remedial action plan.

1 (3) Short-term risks and effectiveness of the remediation, including the
2 short-term risks that may be posed to the community, workers, or the
3 environment during implementation of the remedial action plan, and the
4 effectiveness and reliability of protective measures to address short-term
5 risks.

6 (4) The ease or difficulty of implementing the remedial action plan, including
7 commercially available remedial measures; expected operational reliability;
8 available capacity and location of needed treatment, storage, and disposal
9 services for wastes; time to initiate remediation; and approvals necessary to
10 implement the remediation.

11 (d) The development of a remedial action plan may require supplemental submissions
12 and revisions based on Department review, remedial action pilot studies, and public comment
13 from local government and citizens.

14 **"§ 130A-310.70. Notice of intent to remediate.**

15 In addition to the public participation requirements of the individual programs listed in
16 G.S. 130A-310.67(a), the person who proposes to remediate a site under this Part shall send a
17 notice of intent to remediate to all local governments having taxing or land-use jurisdiction
18 over the site, and to all adjoining landowners. The notice shall include all of the information
19 required in G.S. 130A-310.69(a) and include a statement of intent to clean up the site to
20 site-specific remediation standards. The person shall submit to the Department a copy of the
21 notice of intent provided to local governments and adjoining landowners, a certification that the
22 notice of intent to remediate was so provided to those parties, and all information and
23 comments that the person received in response to the notice. In addition, the person shall, when
24 appropriate, describe how the remediation plan was modified to address comments received in
25 response to the notice.

26 **"§ 130A-310.71. Review and approval of proposed remedial action plans.**

27 (a) The Department shall review and approve a proposed remedial action plan
28 consistent with the remediation standards set out in G.S. 130A-310.68 and the procedures set
29 out in this section. In its review of a proposed remedial action plan, the Department shall do all
30 of the following:

31 (1) Determine whether site-specific remediation standards are appropriate for a
32 particular contaminated site. In making this determination, the Department
33 shall consider proximity of the contamination to water supply wells or other
34 receptors; current and probable future reliance on the groundwater as a water
35 supply; current and anticipated future land use; environmental impacts; and
36 the feasibility of remediation to unrestricted use standards.

37 (2) Determine whether the party conducting the remediation has adequately
38 demonstrated through modeling or other scientific means acceptable to the
39 Department that no contamination will migrate to adjacent property at levels
40 above unrestricted use standards.

41 (3) Determine whether the proposed remedial action plan meets the
42 requirements of G.S. 130A-310.69.

43 (4) Determine whether the proposed remedial action plan meets the
44 requirements of any other applicable remediation program except those
45 pertaining to remediation standards.

46 (5) Establish the acceptable level or range of levels of risk to public health,
47 safety, and welfare and to the environment.

48 (6) Establish, for each contaminant, the maximum allowable quantity,
49 concentration, range, or other measures of contamination that will remain at
50 the contaminated site at the conclusion of the contaminant-reduction phase
51 of the remediation.

1 (7) Consider the technical performance, effectiveness, and reliability of the
2 proposed remedial action plan in attaining and maintaining compliance with
3 applicable remediation standards.

4 (8) Consider the ability of the person who proposes to remediate the site to
5 implement the proposed remedial action plan within a reasonable time and
6 without jeopardizing public health, safety, or welfare or the environment.

7 (9) Determine whether the proposed remedial action plan adequately provides
8 for the imposition and maintenance of engineering and institutional controls
9 and for sampling, monitoring, and reporting requirements necessary to
10 protect public health, safety, and welfare and the environment.

11 (10) Approve the circumstances under which no further remediation is required.

12 (b) The person who proposes a remedial action plan has the burden of demonstrating
13 that contamination from the site will not likely migrate in the reasonably foreseeable future to
14 adjacent property and that the remedial action plan is protective of public health, safety, and
15 welfare and the environment by virtue of its compliance with this Part.

16 (c) The Department may require a person who proposes a remedial action plan to
17 supply any additional information necessary for the Department to approve or disapprove the
18 plan.

19 (d) In making a determination on a proposed remedial action plan, the Department shall
20 consider the information provided by the person who proposes the remedial action plan as well
21 as information provided by local governments and adjoining landowners pursuant to
22 G.S. 130A-310.70. The Department shall disapprove a proposed remedial action plan unless the
23 Department finds that the plan is protective of public health, safety, and welfare and the
24 environment and complies with the requirements of this Part. If the Department disapproves a
25 proposed remedial action plan, the person who submitted the plan may seek review as provided
26 in Article 3 of Chapter 150B of the General Statutes. If the Department fails to approve or
27 disapprove a proposed remedial action plan within 120 days after a complete plan has been
28 submitted, the person who submitted the plan may treat the plan as having been disapproved at
29 the end of that time period.

30 **"§ 130A-310.72. Financial assurance requirement.**

31 The person conducting remediation of a contaminated industrial site pursuant to the
32 provisions of this Part shall establish financial assurance that will ensure that sufficient funds
33 are available to implement and maintain the actions or controls specified in the remedial action
34 plan for the site. The person conducting remediation of a site may establish financial assurance
35 through one of the following mechanisms, or any combination of the following mechanisms, in
36 a form specified or approved by the Department: insurance products issued from entities having
37 no corporate or ownership association with the person conducting the remediation; funded
38 trusts; surety bonds; certificates of deposit; letters of credit; corporate financial tests; local
39 government financial tests; corporate guarantees; local government guarantees; capital reserve
40 funds; or any other financial mechanism authorized for the demonstration of financial
41 assurance under (i) 40 Code of Federal Regulations Part 264, Subpart H (July 1, 2010 Edition)
42 and (ii) Section .1600 of Subchapter B of Chapter 13 of Title 15A of the North Carolina
43 Administrative Code.

44 **"§ 130A-310.73. Attainment of the remediation standard.**

45 (a) Compliance with the approved remediation standards is attained for a site or portion
46 of a site when a remedial action plan approved by the Department has been implemented and
47 applicable soil, groundwater, surface water, and air emission standards have been attained. The
48 remediation standards may be attained through a combination of remediation activities that can
49 include treatment, removal, engineering, or institutional controls, except that the person
50 conducting the remediation may not demonstrate attainment of an unrestricted use standard or a
51 background standard through the use of institutional controls alone. When the remedial action

1 plan has been fully implemented, the person conducting the remediation shall submit a final
2 report to the Department, with notice to all local governments with taxing and land-use
3 jurisdiction over the site, that demonstrates that the remedial action plan has been fully
4 implemented, that any land-use restrictions have been certified on an annual basis, and that the
5 remediation standards have been attained. The final report shall be accompanied by a request
6 that the Department issue a determination that no further remediation beyond that specified in
7 the approved remedial action plan is required.

8 (b) The person conducting the remediation has the burden of demonstrating that the
9 remedial action plan has been fully implemented and that the remediation standards have been
10 attained in compliance with the requirements of this Part. The Department may require a person
11 who implements the remedial action plan to supply any additional information necessary for
12 the Department to determine whether the remediation standards have been attained.

13 (c) The Department shall review the final report, and, upon determining that the person
14 conducting the remediation has completed remediation to the approved remediation standard
15 and met all the requirements of the approved remedial action plan, the Department shall issue a
16 determination that no further remediation beyond that specified in the approved remedial action
17 plan is required at the site. Once the Department has issued a no further action determination,
18 the Department may require additional remedial action by the responsible party only upon
19 finding any of the following:

20 (1) Monitoring, testing, or analysis of the site subsequent to the issuance of the
21 no further action determination indicates that the remediation standards and
22 objectives were not achieved or are not being maintained.

23 (2) One or more of the conditions, restrictions, or limitations imposed on the site
24 as part of the remediation have been violated.

25 (3) Site monitoring or operation and maintenance activities that are required as
26 part of the remedial action plan or no further action determination for the site
27 are not adequately funded or are not adequately implemented.

28 (4) A contaminant or hazardous substance release is discovered at the site that
29 was not the subject of the remedial investigation report or the remedial
30 action plan.

31 (5) A material change in the facts known to the Department at the time the
32 written no further action determination was issued, or new facts, cause the
33 Department to find that further assessment or remediation is necessary to
34 prevent a significant risk to human health and safety or to the environment.

35 (6) The no further action determination was based on fraud, misrepresentation,
36 or intentional nondisclosure of information by the person conducting the
37 remediation.

38 (7) Installation or use of wells would induce the flow of contaminated
39 groundwater off the site.

40 (d) The Department shall issue a final decision on a request for a determination that
41 remediation has been completed to approved standards and that no further remediation beyond
42 that specified in the approved remedial action plan is required within 180 days after receipt of a
43 complete final report. Failure of the Department to issue a final decision on a no further
44 remediation determination within 180 days after receipt of a complete final report and request
45 for a determination of no further remediation may be treated as a denial of the request for a no
46 further remediation determination. The responsible person may seek review of a denial of a
47 request for a release from further remediation as provided in Article 3 of Chapter 150B of the
48 General Statutes.

49 (e) Once the Department issues a determination that no further remediation is required
50 beyond that specified in the approved remedial action plan for the site, any person who changes

1 the use of the property causing the level of risk to increase beyond the acceptable risk range
2 shall be required by the Department to undertake additional remediation measures.

3 **"§ 130A-310.74. Compliance with other laws.**

4 Where a site is covered by an agreement under the Brownfields Property Reuse Act of
5 1997, as codified as Part 5 of Article 9 Chapter 130A of the General Statutes, any work
6 performed by the prospective developer pursuant to that agreement is not required to comply
7 with this Part, but any work not covered by such agreement and performed at the site by
8 another person not a party to that agreement may be performed pursuant to this Part.

9 **"§ 130A-310.75. Use of registered environmental consultants.**

10 The Department may approve the use of a registered environmental consultant to provide
11 oversight for the assessment and remediation of a site under this Part. If remediation under this
12 Part is not undertaken voluntarily, the Department may not require the use of a registered
13 environmental consultant to provide oversight for the assessment and remediation of a site
14 under this Part.

15 **"§ 130A-310.76. Fees; permissible uses of fees.**

16 (a) A person who undertakes remediation of environmental contamination under
17 site-specific remediation standards as provided in G.S. 130A-310.68 shall pay a fee to the Fund
18 in an amount equal to three thousand five hundred dollars (\$3,500) for each acre or portion of
19 an acre of contamination, including any area that will become contaminated as a result of the
20 release; however, no person shall be required to pay more than one hundred twenty-five
21 thousand dollars (\$125,000) to the Fund for any individual site, regardless of its size. This
22 one-time fee shall be payable at the time the person undertaking remediation submits the
23 remedial action plan to the Department.

24 (b) Funds collected pursuant to subsection (a) of this section may be used only for the
25 following purposes:

- 26 (1) To pay for administrative and operating expenses necessary to implement
27 this Part.
28 (2) To establish, administer, and maintain a system for the tracking of land-use
29 restrictions recorded at sites that are remediated pursuant to this Part.

30 **"§ 130A-310.77. Construction of Part.**

31 This Part shall not be construed or implemented in any of the following ways:

- 32 (1) In any manner that would jeopardize federal authorization under any of the
33 federal statutes, programs, or requirements set out in G.S. 130A-310.67(a) or
34 would otherwise conflict with federal authority under those statutes,
35 programs, and requirements. This Part is supplemental to the programs and
36 requirements set out in G.S. 130A-310.67(a) that would otherwise govern
37 the remediation of a contaminated industrial site. Where the definitions,
38 provisions, or requirements of this Part conflict with the definitions,
39 provisions, or requirements of an otherwise applicable remediation program,
40 this Part shall control, unless expressly stated to the contrary.
41 (2) To limit the authority of the Department to require investigation, initial
42 response, or remediation of environmental contamination under any other
43 provision of State or federal law necessary to address an imminent threat to
44 public health, safety, or welfare or the environment.
45 (3) To alter the requirements of programs to prevent or mitigate the release or
46 discharge of contaminants to the environment, including permitting
47 requirements that regulate the handling of hazardous substances or wastes.
48 (4) To supersede or otherwise affect or prevent the enforcement of any land-use
49 or development regulation or ordinance adopted by a municipality pursuant
50 to Article 19 of Chapter 160A of the General Statutes or adopted by a county
51 pursuant to Article 18 of Chapter 153A of the General Statutes. The use of a

1 site and any land-use restrictions imposed as part of a remedial action plan
2 shall comply with land-use and development controls adopted by a
3 municipality pursuant to Article 19 of Chapter 160A of the General Statutes
4 or adopted by a county pursuant to Article 18 of Chapter 153A of the
5 General Statutes."

6 SECTION 3. G.S. 130A-310.78 through G.S. 130A-310.80 are reserved for future
7 codification purposes.

8 SECTION 4. G.S. 130A-310.10(a) reads as rewritten:

9 "(a) The Secretary shall report on inactive hazardous sites to the Joint Legislative
10 Commission on Governmental Operations, the Environmental Review Commission, and the
11 Fiscal Research Division on or before 1 October of each year. The report shall include at
12 ~~least:~~least the following:

- 13 (1) The Inactive Hazardous Waste Sites Priority ~~List;~~List.
- 14 (2) A list of remedial action plans requiring State funding through the Inactive
15 Hazardous Sites Cleanup ~~Fund;~~Fund.
- 16 (3) A comprehensive budget to implement these remedial action plans and the
17 adequacy of the Inactive Hazardous Sites Cleanup Fund to fund the cost of
18 said ~~plans;~~plans.
- 19 (4) A prioritized list of sites that are eligible for remedial action under
20 CERCLA/SARA together with recommended remedial action plans and a
21 comprehensive budget to implement such plans. The budget for
22 implementing a remedial action plan under CERCLA/SARA shall include a
23 statement as to any appropriation that may be necessary to pay the State's
24 share of such ~~plan;~~plan.
- 25 (5) A list of sites and remedial action plans undergoing voluntary cleanup with
26 Departmental ~~approval;~~approval.
- 27 (6) A list of sites and remedial action plans that may require State funding, a
28 comprehensive budget if implementation of these possible remedial action
29 plans is required, and the adequacy of the Inactive Hazardous Sites Cleanup
30 Fund to fund the possible costs of said ~~plans;~~plans.
- 31 (7) A list of sites that pose an imminent ~~hazard;~~hazard.
- 32 (8) A comprehensive budget to develop and implement remedial action plans for
33 sites that pose imminent hazards and that may require State funding, and the
34 adequacy of the Inactive Hazardous Sites Cleanup ~~Fund;~~ and Fund.
- 35 (8a) The amounts and sources of funds collected by year received under
36 G.S. 130A-310.76, the amounts and sources of those funds paid into the
37 Inactive Hazardous Sites Cleanup Fund established pursuant to
38 G.S. 130A-310.11, the number of acres of contamination for which funds
39 have been received pursuant to G.S. 130A-310.76, and a detailed annual
40 accounting of how the funds collected pursuant to G.S. 130A-310.76 have
41 been utilized by the Department to advance the purposes of Part 8 of Article
42 9 of Chapter 130A of the General Statutes.
- 43 (9) Any other information requested by the General Assembly or the
44 Environmental Review Commission."

45 SECTION 5. The Secretary of Environment and Natural Resources shall make all
46 reasonable efforts to obtain a written agreement from the United States Environmental
47 Protection Agency that Part 8 of Article 9 of Chapter 130A of the General Statutes, as enacted
48 by Section 2 of this act, is consistent with the Comprehensive Environmental Response,
49 Compensation, and Liability Act of 1980, Public Law 96-510, 94 Stat. 2767, 42 U.S.C. § 9601,
50 et seq., as amended, and the Superfund Amendments and Reauthorization Act of 1986, Public
51 Law 99-499, 100 Stat. 1613, as amended.

1

SECTION 6. This act is effective when it becomes law.

GENERAL ASSEMBLY OF NORTH CAROLINA

Legislative Fiscal Note

BILL NUMBER: House Bill 45 (Second Edition)

SHORT TITLE: Accelerate Cleanup of Industrial Properties.

SPONSOR(S): Representatives Gillespie, Cook, and Gibson

FISCAL IMPACT					
	Yes (X)	No ()	No Estimate Available ()		
	<u>FY 2011-12</u>	<u>FY 2012-13</u>	<u>FY 2013-14</u>	<u>FY 2014-15</u>	<u>FY 2015-16</u>
REVENUES	\$420,000	\$420,000	\$420,000	\$420,000	\$420,000
EXPENDITURES	\$321,131	\$310,562	\$331,734	\$346,842	\$359,555
POSITIONS (cumulative):	3	3	3	3	3
PRINCIPAL DEPARTMENT(S) & PROGRAM(S) AFFECTED: Department of Environment and Natural Resources					
EFFECTIVE DATE: This bill is effective when it becomes law.					

BILL SUMMARY:

House Bill 45 would authorize risk-based cleanup of contaminated industrial sites using site-specific cleanup standards designed to protect public health, safety, and welfare and the environment based on the current and anticipated future use of a site. The bill would require payment of a fee by a person undertaking a risk-based cleanup, the amount of which would be based on the size of the site to be remediated. The fee would be used by the Department of Environment and Natural Resources for expenses necessary to implement a risk-based cleanup program, and to establish and maintain a system for the tracking of land-use restrictions recorded at sites that are remediated under such a program

(Source: Committee Counsel, Research Division)

ASSUMPTIONS AND METHODOLOGY:

In conjunction with the federal government, DENR's Division of Waste Management has several programs that address remediation or cleanup of environmental contamination. Generally, cleanup of environmental contamination must be performed to meet unrestricted use standards, meaning contaminant concentrations present at a location are acceptable for all uses, protect public health, safety, and welfare and the environment, and comply with applicable standards established by statute or rule adopted by the Environmental Management Commission, the Commission for Public Health, or DENR. Some State programs for cleanup of environmental contamination,

however, allow cleanup based on site-specific risk factors, which are generally not as stringent as the applicable unrestricted use standards. These programs include the Petroleum Underground Storage Tank Cleanup Program, the Dry-Cleaning Solvent Cleanup Program, and the State's Brownfields Property Reuse Act.

House Bill 45 would authorize risk-based cleanup of contaminated industrial sites using site-specific cleanup standards designed to protect public health, safety, and welfare and the environment based on the current and anticipated future use of a site. Risk-based cleanup would be available for contaminated industrial sites that are governed by cleanup programs for hazardous and solid waste management, groundwater protection, and oil pollution control and where the release of contamination was reported to the Department of Environment and Natural Resources (DENR) prior to March 1, 2011. Risk-based cleanup would not be available for contaminated industrial sites that are governed by cleanup programs for leaking underground storage tanks, dry-cleaning facilities, and certain landfills.

Site-specific remediation or cleanup standards would be developed for contaminated industrial sites to eliminate or reduce any substantial or probable future risk to human health and the environment based on the present or anticipated future use of the site.

A person who proposes a risk-based cleanup must prepare and submit: a remedial investigation report and a remedial action plan to DENR; a notice of intent to conduct the risk-based cleanup to all local governments having jurisdiction over the site and to all adjoining landowners; and certification to DENR that the notice of intent was properly distributed and responses processed.

When DENR determines that an approved remedial action plan has been implemented and applicable cleanup standards have been attained, it will issue a determination that no further cleanup is required. Once a determination has been issued, DENR may only require additional cleanup under specific circumstances, such as a finding that subsequent monitoring indicates that cleanup standards were not achieved; an undocumented contaminant release is discovered; or one or more of the restrictions imposed on the site as part of the cleanup have been violated.

The fee for participation in a risk-based cleanup is \$3,500 for each acre or portion of an acre of contamination, with a cap of \$125,000. The fees may be used by DENR only to pay for administrative and operating expenses necessary to implement the risk-based cleanup program and to establish and maintain a system for the tracking of land use restrictions recorded at sites that are remediated under the program.

DENR expects that approximately 12 industrial sites per year would qualify for risk-based cleanup as defined in this legislation. This estimate is based on the assumption that current levels of voluntary cleanup participation would remain constant, and that approximately half of those sites would meet the legislation's criteria. DENR noted that participation in the first few years is expected to be much greater than subsequent years, as current remedial action projects would likely petition to change their statuses to the risk-based remedial option as defined in this legislation.

Expenditures

According to DENR, there would be no increase in voluntary cleanup participation, and therefore existing project managers and the Registered Environmental Consultant Program (which provides oversight under the Inactive Hazardous Sites Program) would be sufficient to oversee the remediation projects affected by this legislation.

However, House Bill 45 also introduces new demands for special reviews from toxicologists, financial analysts, and hydrogeologists to examine the transportation of groundwater contamination as well as to oversee land use restriction compliance and tracking. DENR estimated that a total of five new positions would be needed in order to meet the demands of this bill: a Hydrogeologist, an Engineer, an Industrial Hygiene Consultant (Toxicologist), a Financial Analyst, and an Environmental Program Supervisor II. Fiscal Research concurs that there will be sufficient increased workload to require three of these five positions, as follows:

- A Hydrogeologist to perform fate and transport modeling of contaminant migration, which are special reviews beyond that which the Division currently conducts.
- An Environmental Engineer position to develop and maintain a Geographic Information System, to track recorded land use restrictions, and to inspect compliance with those restrictions.
- A Toxicologist to conduct site-specific risk assessments at much higher levels of toxicological review than are currently conducted by existing staff.

Position Title	Annual Salary	Soc Sec	Ret	Health	Total Salary & Benefits FY 2011-12
Hydrogeologist-J	\$ 61,956	\$ 4,740	\$ 6,512	\$ 4,930	\$ 78,137
Engineer-J	\$ 62,523	\$ 4,783	\$ 6,571	\$ 4,930	\$ 78,807
Industrial Hygiene Consultant (Toxicologist)	\$ 67,816	\$ 5,188	\$ 7,127	\$ 4,930	\$ 85,061
				Total	\$ 242,006

Although DENR estimated that an additional Financial Analyst and Environmental Program Supervisor II would also be needed to fulfill the requirements of House Bill 45, Fiscal Research estimates that DENR's existing staff can absorb the remainder of the work required by this bill. At this time, 19 staff are working on the 290 sites addressed by the Inactive Hazardous Sites Program. Based on the Department's estimate that only 12 sites would be affected by this legislation, Fiscal Research concludes that the additional supervisory and financial work required by this bill could be absorbed by existing staff.

The total salaries and benefits of positions required by this legislation are calculated to include inflationary increases for each year. Additional operating costs, including travel, supplies, maintenance agreements and communications, would be \$79,125 in FY 2011-12 and \$54,500 in subsequent years. The initial costs in FY 2011-12 are due to the contractual services, computer hardware and software costs related to establishing the GIS system required by the legislation;

additionally, travel for the three new positions will be extensive due to required training and multiple visits to projects statewide. The total amount required by DENR for FY 2011-12, including salaries, benefits, and operating costs, is estimated to be \$321,131.

	FY 2011-12	FY 2012-13	FY 2013-14	FY 2014-15	FY 2015-16
Salaries and Fringes	\$ 242,006	\$ 256,062	\$ 277,234	\$ 292,342	\$ 305,055
Operating Costs	\$ 79,125	\$ 54,500	\$ 54,500	\$ 54,500	\$ 54,500
Total	\$ 321,131	\$ 310,562	\$ 331,734	\$ 346,842	\$ 359,555

Revenues

The revenues gained by fees included in this legislation may be used by DENR only to pay for administrative and operating expenses necessary to implement the risk-based cleanup program and to establish and maintain a system for the tracking of land use restrictions. The fee for participation in a risk-based cleanup is \$3,500 for each acre or portion of an acre of contamination, with a cap of \$125,000 regardless of the size of the site.

Based on DENR's data on existing groundwater contaminant plume sites, the average site size is 10 acres. Twelve sites per year multiplied by 10 acres per site totals 120 acres that would be affected by this legislation. The average amount per site that could be realized as revenue from fees would be \$35,000 (10 acres * \$3,500 per acre). The total amount of annual revenue that could be realized from fees would be \$420,000 (12 sites * \$35,000 per site). The revenues realized from this fee would be deposited in the existing Inactive Hazardous Sites Cleanup Fund, within which an account specifically designated for tracking these funds would need to be established.

SOURCES OF DATA: Department of Environment and Natural Resources

TECHNICAL CONSIDERATIONS:

House Bill 45 provides that the fees may be used by DENR only to pay for administrative and operating expenses necessary to implement the risk-based cleanup program and to establish and maintain a system for the tracking of land use restrictions recorded at sites that are remediated under the program. Based on DENR's estimate of 12 sites per year at an average of 10 acres each, the \$3,500 fee in House Bill 45 would generate more revenue than needed to support the staff and operating costs estimated to be required by the legislation.

House Committee on Finance

Minutes

~
March 16, 2011

The House Committee on Finance met on Wednesday, March 16, 2011 at 8:30 am in Room 544 of the Legislative Office Building. The following members were present: Chairpersons Howard, Starnes, and Folwell; Vice-Chairs Lewis, McComas and Wainwright; and Representatives Alexander, Brandon, Brawley, Carney, Faison, Hackney, Luebke, McCormick, McGee, McGuirt, Moffitt, Moore, Rhyne, Ross, Samuelson, Stone, Warren, Weiss and Womble. Also present were Sergeant-at-Arms John Brandon, Earl Coker, Fred Hines, and Ken Kirby. Staff persons present included Cindy Avrette, Rodney Bizzell, Barry Boardman, Dan Ettefagh, Heather Fennell, Trina Griffin, Sandra Johnson, Greg Roney, Brian Silvka, Jonathan Tart, and Martha Walston. The Agenda and Visitor Registration Sheets are attached and incorporated into these minutes as **attachments 1 and 2**.

Chairperson Starnes called the meeting to order at 8:30 am and recognized the four (4) pages present: (1) Alan Bridges of Cleveland County sponsored by Representative Moore; (2) Kris Faheem of Wake County sponsored by Representative Gill; (3) Shanell Jones of Cumberland County sponsored by Representative Floyd; and (4) Will Brooks of Cumberland County sponsored by Representative Parfitt.

The first bill considered by the Committee was **SB 99 Reform UI Tax Structure/Expedite Analysis** (see **attachment 3**). The Chair recognized Senator Rucho to explain the bill. Following the explanation, the Chair recognized Representative Warren who made a motion to hear the proposed committee substitute. The motion carried. Senator Rucho explained the proposed committee substitute. Chairperson Starnes recognized Lockhart Taylor, Director of Government Relations with the Employment Security Commission to answer questions from members. The Chair also recognized Secretary Keith Criscoe with the Department of Commerce who spoke in favor of the bill and also answered questions from members. Representative Howard moved that SB 99 be given a favorable report to the proposed House committee substitute, unfavorable report to the original bill. The motion carried.

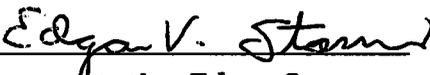

HB 26 Henderson County Fire Districts (see **attachment 4**) was the next bill heard by the Committee. Chairperson Starnes recognized Representative McGrady to explain the bill. Following Representative McGrady's explanation, Representative McGee moved that HB 26 be given a favorable report. The motion carried.

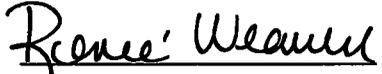

The next bill up for discussion was **HB 167 Extend Assessment Refund Period** (see **attachment 5**). The Chair recognized Representative Warren who moved that the proposed committee substitute be before the committee. The motion carried. The Chair then recognized Representative Iler who explained the bill. Chairperson Starnes recognized Representative Hill who moved that HB 167 be given a favorable report to the committee substitute, unfavorable report to the original bill. The motion was held for discussion on the bill. The Chair questioned whether anyone from the Town of Boiling Spring Lakes was present. No one was present. Chairperson Starnes pulled the bill from the calendar until such a time that a representative from the Town of Boiling Spring Lakes can be present to discuss the issue.

The last bill heard was **HB 171 Municipal Self-Annexations** (see **attachment 6**). The Chair recognized Representative Warren who moved that the proposed committee substitute be before the committee. The motion carried. Representative Brown was recognized to explain the bill. Chairperson Starnes recognized Representative Folwell who moved that HB 171 be given a favorable report to the committee substitute, unfavorable report to the original bill. The motion carried.

Chairperson Starnes adjourned the meeting at 9:34 am.

Respectfully submitted,

Representative Edgar Starnes
Presiding Chair

Renee Weaver
Clerk, House Committee on
Finance

**2011 COMMITTEE REPORT
HOUSE OF REPRESENTATIVES**

The following report(s) from standing committee(s) is/are presented:

By Representative Howard, Folwell, Setzer, Starnes (Chairs) for the Committee on FINANCE.

Committee Substitute for

HB 26 A BILL TO BE ENTITLED AN ACT TO ALLOW HENDERSON COUNTY TO
INCLUDE ALL UNINCORPORATED AREAS IN A FIRE PROTECTION DISTRICT.

With a favorable report.

(FOR JOURNAL USE ONLY)

_____ Pursuant to Rule 32(a), the bill/resolution is re-referred to the Committee on _____.

_____ Pursuant to Rule 36(b), the bill/resolution is placed on the Calendar of _____.

**2011 COMMITTEE REPORT
HOUSE OF REPRESENTATIVES**

The following report(s) from standing committee(s) is/are presented:

By Representative Howard, Folwell, Setzer, Starnes (Chairs) for the Committee on FINANCE.

Committee Substitute for

HB 171 A BILL TO BE ENTITLED AN ACT TO RESTATE THAT A MUNICIPALITY HAS NO AUTHORITY TO PETITION ITSELF FOR SELF-ANNEXATION OF PROPERTY IT DOES NOT OWN OR HAVE ANY LEGAL INTEREST IN, SUCH AS STATE-MAINTAINED STREETS.

With a favorable report as to the committee substitute bill, which changes the title, unfavorable as to the original bill.

(FOR JOURNAL USE ONLY)

_____ Pursuant to Rule 32(a), the bill/resolution is re-referred to the Committee on _____.

_____ Pursuant to Rule 36(b), the (House/Senate) committee substitute bill/(joint) resolution (No. _____) is placed on the Calendar of _____. (The original bill resolution No. _____) is placed on the Unfavorable Calendar.

_____ The (House) committee substitute bill/(joint) resolution (No. _____) is re-referred to the Committee on _____. (The original bill/resolution) (House/Senate Committee Substitute Bill/(Joint) resolution No. _____) is placed on the Unfavorable Calendar..

**2011 COMMITTEE REPORT
HOUSE OF REPRESENTATIVES**

The following report(s) from standing committee(s) is/are presented:

By Representative Howard, Folwell, Setzer, Starnes (Chairs) for the Committee on FINANCE.

Committee Substitute for

SB 99 A BILL TO BE ENTITLED AN ACT TO EXPEDITE THE ANALYSIS OF THE TAX STRUCTURE FOR UNEMPLOYMENT INSURANCE IN NORTH CAROLINA GIVEN THE SUBSTANTIAL NEGATIVE BALANCE IN THE STATE'S UNEMPLOYMENT INSURANCE TRUST FUND AND THE SUBSTANTIAL FEDERAL LOAN BALANCE OWED BY THE STATE FOR PAYMENT OF UNEMPLOYMENT INSURANCE BENEFITS.

With a favorable report as to the House committee substitute bill, unfavorable as to the original bill.

(FOR JOURNAL USE ONLY)

_____ Pursuant to Rule 32(a), the bill/resolution is re-referred to the Committee on _____.

_____ Pursuant to Rule 36(b), the (House/Senate) committee substitute bill/(joint) resolution (No. _____) is placed on the Calendar of _____. (The original bill resolution No. _____) is placed on the Unfavorable Calendar.

_____ The (House) committee substitute bill/(joint) resolution (No. _____) is re-referred to the Committee on _____. (The original bill/resolution) (House/Senate Committee Substitute Bill/(Joint) resolution No. _____) is placed on the Unfavorable Calendar.

A BILL TO BE ENTITLED

AN ACT TO EXPEDITE THE ANALYSIS OF THE TAX STRUCTURE FOR UNEMPLOYMENT INSURANCE IN NORTH CAROLINA GIVEN THE SUBSTANTIAL NEGATIVE BALANCE IN THE STATE'S UNEMPLOYMENT INSURANCE TRUST FUND AND THE SUBSTANTIAL FEDERAL LOAN BALANCE OWED BY THE STATE FOR PAYMENT OF UNEMPLOYMENT INSURANCE BENEFITS.

Whereas, North Carolina's Unemployment Insurance Trust Fund balance had a deficit of \$2,500,000,000, as of December 31, 2010, according to the Employment Security Commission; and

Whereas, the State owes the federal government \$2,500,000,000 for loan liabilities incurred by the Employment Security Commission to continue unemployment insurance benefits payments to jobless North Carolinians during the current economic crisis; and

Whereas, the total collected by the State in unemployment insurance taxes in the 12-month period ending December 2010 amounted to \$955,200,000, while the sum paid in unemployment insurance benefits for the same period totaled \$1,900,000,000; and

Whereas, businesses large and small pay into the unemployment insurance system with the expectation that their contributions will be sufficient to provide assistance to their qualified former jobless employees; and

Whereas, it is in the best interest of the employers and employees of this State to have the most efficient and cost effective unemployment insurance tax structure; and

Whereas, the current unemployment insurance tax structure no longer serves the businesses and citizens of this State in the manner required by these and future economic times; and

Whereas, major reforms regarding the unemployment insurance tax structure must be developed and implemented as soon as practicable; Now, therefore, The General Assembly of North Carolina enacts:

SECTION 1. The General Assembly finds that the State must take swift and prudent action to address the two billion five hundred million dollars (\$2,500,000,000) in debt liability for unemployment insurance benefits currently owed to the federal government and the substantial deficit in the North Carolina Unemployment Insurance Trust Fund. To that end, the Department of Commerce shall contract with an independent consulting firm specializing in unemployment insurance and employment security reform to obtain recommendations on what tax structure changes would be fair to the employers of North Carolina and how these revenues,

1 and other financial options, might be used in servicing and liquidating the State's debt and
2 deficits incurred to pay unemployment insurance benefits.

3 **SECTION 2.** A contract to obtain services of a consultant pursuant to this act is not
4 subject to Article 3C of Chapter 143 of the General Statutes. The consultation contract may be
5 funded from (i) funds available within the Employment Security Commission, including State
6 funds and any federal funds that may be used for the purposes of this act and (ii) non-State or
7 nongovernmental funds, grants, and in-kind contributions specifically designated for the
8 purpose of carrying out the analysis required by this act.

9 **SECTION 3.** The Department of Commerce shall provide the Fiscal Research
10 Division and the Program Evaluation Division with periodic updates on the progress of the
11 analysis. Within 45 days from the completion of the independent consultant's analysis, the
12 Department of Commerce shall report to the Governor and to the General Assembly on the
13 independent consultant's recommendations for reform of the State's unemployment insurance
14 tax structure.

15 **SECTION 4.** The Employment Security Commission and the Department of
16 Revenue shall cooperate fully with the Department of Commerce, the Fiscal Research Division,
17 and the Program Evaluation Division by giving all information and all data within their
18 possession or ascertainable from their records necessary to carry out the purposes of this act.

19 **SECTION 5.** This act is effective when it becomes law.

SENATE PCS 99: Reform UI Tax Structure/Expedite Analysis

2011-2012 General Assembly

Committee:	House Finance	Date:	March 15, 2011
Introduced by:	Sens. Clary, Rucho, Hartsell	Prepared by:	Cindy Avrette
Analysis of:	PCS to First Edition S99-CSR-11		Committee Counsel

SUMMARY: *Senate Bill 99 would authorize the Department of Commerce to hire a consultant to analyze the State's unemployment insurance (UI) tax structure. Although the bill instructs the Department to begin work immediately to identify a qualified consultant and to expedite a contract with a consultant, the bill does not exempt the agency from the purchase and contract provisions of Article 3C of Chapter 143. The proposed House committee substitute addresses this issue by explicitly exempting Commerce from Article 3C. The bill does not appropriate funds for the contract. The consultant's services may be funded with departmental funds available as well as non-State funds, grants, and in-kind contributions. The proposed House committee substitute provides that "funds available within the Employment Security Commission" may be used.*

CURRENT LAW: Article 3C of Chapter 143 directs the Department of Administration to ensure that consultant contracts be let to other agencies of the State if there is an agency that can reasonably perform the service, and if there is not an agency that can reasonably perform the consulting service, that a sufficient number of sources for the contract be solicited through competitive proposals. In furtherance of this policy, G.S. 143-64.21 prohibits a State agency from contracting for the services of a consultant unless the Governor approves the request in writing after making the following findings:

- The contract is reasonably necessary to the proper function of the agency.
- The services cannot be performed within the resources of the agency.
- The estimated cost of the service is reasonable compared to the likely benefits or results of the service.
- The General Assembly has appropriated funds for the contract or funds are otherwise available.

G.S. 143-64.23 states that a contract that is let without following these requirements is not binding on the State and that the State employee who violates these statutory provisions is liable to repay any amount expended.

BILL ANALYSIS: The proposed House committee substitute for Senate Bill 99 directs the Department of Commerce to contract with a consultant to conduct a thorough analysis of the State's UI tax structure and it exempts the Department from purchase and contract requirements of Article 3C as they relate to this contract. The PCS does not appropriate any funds to the Department for the contract. The bill states that the Department may seek and accept non-State funds, grants, and in-kind contributions to pay for the analysis as well as use funds available within the Employment Security Commission, including State and federal funds that may be used for this purpose. The Department must provide periodic updates on the progress of the analysis and it must report the findings and recommendations of the analysis to the General Assembly within 45 days after the analysis is complete.

EFFECTIVE DATE: The bill becomes effective when it becomes law.

HOUSE BILL 26*

Short Title: Henderson County Fire Districts. (Local)

Sponsors: Representatives McGrady and Guice (Primary Sponsors).
For a complete list of Sponsors, see Bill Information on the NCGA Web Site.

Referred to: Government.

February 2, 2011.

A BILL TO BE ENTITLED

AN ACT TO ALLOW HENDERSON COUNTY TO INCLUDE ALL UNINCORPORATED AREAS IN A FIRE PROTECTION DISTRICT.

The General Assembly of North Carolina enacts:

SECTION 1. Section 1 of S.L. 2000-4 reads as rewritten:

"Section 1. (a) Notwithstanding G.S. 69-25.11, the boundaries of any fire protection district in Henderson County established under Article 3A of Chapter 69 of the General Statutes may be changed by resolution of the Board of Commissioners of Henderson County to follow the boundaries shown on the map in Attachment A to a resolution adopted by that board on March 17, 1999.

(b) Notwithstanding G.S. 69-25.11, the boundaries of any fire protection district in Henderson County established under Article 3A of Chapter 69 of the General Statutes may be changed by resolution of the Board of Commissioners of Henderson County to include any unincorporated area of the county not already in such a fire protection district if (i) in that resolution all of such unincorporated areas, other than those owned by the United States, are placed in some fire protection district and (ii) no fire district contains any new noncontiguous territory other than a noncontiguity caused by exclusion of property owned by the United States. Any resolution adopted under this subsection becomes effective the first day of the next fiscal year."

SECTION 2. This act is effective when it becomes law.

HOUSE BILL 26: Henderson County Fire Districts

2011-2012 General Assembly

Committee: House Finance	Date: March 15, 2011
Introduced by: Reps. McGrady, Guice	Prepared by: Martha Walston
Analysis of: First Edition	Committee Counsel

SUMMARY: *HB 26 is a local bill that would allow Henderson County to include all unincorporated areas in a fire protection district. The bill was given a favorable report in House Government.*

[As introduced, this bill was identical to S44, as introduced by Sen. Apodaca, which is currently in Senate State and Local Government.]

CURRENT LAW: Fire protection in areas outside cities is provided through the establishment of fire protection districts. The statutes provide for the creation of three types of rural fire districts described in the Background section of this summary. During the 2000 Session, local legislation was enacted to allow the Henderson County Commissioners to change the boundaries of certain fire districts in the County without having to meet the requirements in G.S. 69-25.11. The changes made to the boundaries were pursuant to a resolution adopted by the County Commissioners on March 17, 1999. (S.L. 2000-4). The legislation applied to fire districts established under Article 3A of Chapter 69 of the General Statutes. Such fire districts are created by petition and an election, and the fire protection is paid from a special tax levied and collected on all taxable property in the fire district at a rate not exceeding 15 cents per \$100 assessed valuation of property.

BILL ANALYSIS: House Bill 26 would amend the 2000 legislation to also allow the Henderson County Commissioners, by resolution, to change the boundaries of any fire protection district in the County to include any unincorporated area of the County not already in a fire protection district if the following requirements are met:

- The resolution places all such unincorporated areas, other than those areas owned by the U.S., in the same fire protection district.
- No fire district contains any new noncontiguous territory other than a noncontiguity caused by exclusion of property owned by the U.S.

Any resolution adopted becomes effective the first day of the next fiscal year.

EFFECTIVE DATE: This act is effective when it becomes law.

BACKGROUND: The General Statutes provide for the creation of three types of rural fire districts:

- Insurance districts. G.S. 153A-233 authorizes counties to designate fire districts and prescribes their boundaries for insurance-grading purposes. To pay for this protection, the county is authorized to appropriate funds "not otherwise limited as to use by law."
- Tax-supported fire districts. Article 3A of Chapter 69 authorizes tax-supported fire districts. They are created by a petition signed by at least 35% of the owners of real property who reside in the area, which must be situated outside the corporate limits. The question of levying a special tax to pay for the fire protection is then submitted to the voters who own real property in the area. If approved, the tax is collected on all taxable property in the district, but may not exceed 15 cents per \$100 assessed valuation.

House Bill 26

Page 2

- County service districts for fire protection. Article 16 of Chapter 153A authorizes the county commissioners to define service districts for fire protection after a public hearing and adoption of a resolution. To pay for this protection, a county may levy an additional property tax within the district for the purposes of financing fire protection services.

"§ 69-25.11. Changes in area of district.

After a fire protection district has been established under the provisions of this Article and fire protection commissioners have been appointed, changes in the area may be made as follows:

- (1) The area of any fire protection district may be increased by including within the boundaries of the district any adjoining territory upon the application of the owner, or a two-thirds majority of the owners, of the territory to be included, the unanimous recommendation in writing of the fire protection commissioners of said district, the approval of a majority of the members of the board of directors of the corporation furnishing fire protection to the district, and the approval of the board or boards of county commissioners in the county or counties in which said fire protection district is located. However, before said fire protection district change is approved by the county commissioners, notice shall be given once a week for two successive calendar weeks in a newspaper having general circulation in said district, and notice shall be posted at the courthouse door in each county affected, and at three public places in the area to be included, said notices inviting interested citizens to appear at a designated meeting of said county commissioners, said notice to be published the first time and posted not less than fifteen days prior to the date fixed for hearing before the county commissioners.

A BILL TO BE ENTITLED
AN ACT TO EXTEND THE PERIOD FOR LOCAL GOVERNMENTS TO REFUND
SPECIFIED UNUSED ASSESSMENTS.
The General Assembly of North Carolina enacts:
SECTION 1. Section 7 of S.L. 2010-129 reads as rewritten:
"SECTION 7. A local government that imposed an assessment prior to ~~2007-2012~~ to
finance a capital project that has been assumed by another unit of local government may return
unused assessments to the person that paid the assessment."
SECTION 2. This act is effective when it becomes law.

HOUSE PCS 167: Extend Assessment Refund Period

2011-2012 General Assembly

Committee:	House Finance	Date:	March 10, 2011
Introduced by:	Reps. Iler, Hill	Prepared by:	Greg Roney
Analysis of:	PCS to Second Edition H167-CSTM-1		Committee Counsel

SUMMARY: *House Bill 167 authorizes local governments to refund assessments imposed before 2012 where the assessment financed a capital project that was assumed by another local government.*

CURRENT LAW: Counties are authorized to impose assessments for certain capital improvements under Article 9 of Chapter 153A. Cities are authorized to impose assessments for certain capital improvements under Article 10 of Chapter 160A. These statutes do not provide a mechanism for refunds of unused assessments because assessments are imposed to reimburse local governments for the cost of completed projects.

S.L. 2010-129 authorized local governments to refund assessments imposed before 2007 where the assessment financed a capital project that was assumed by another local government.

BILL ANALYSIS: House Bill 167 would extend by five years the authority granted to local governments under S.L. 2010-129 to refund unused assessments. The bill does not change the other requirements of S.L. 2010-129 that the assessment finance a capital project and that the capital project be assumed by another local government.

BACKGROUND: House Bill 167 would allow Boiling Spring Lakes to refund unused assessments made to finance a capital project that was assumed by the county. Boiling Spring Lakes obtained a federal loan to pay for a water project, transferred its water project to the county, and now seeks to refund the unused assessments.

EFFECTIVE DATE: Effective when it becomes law.

R. Erika Churchill, counsel to House Government, substantially contributed to this summary.

A BILL TO BE ENTITLED

AN ACT TO CLARIFY THAT A MUNICIPALITY HAS NO AUTHORITY TO PETITION ITSELF FOR SELF-ANNEXATION OF PROPERTY IT DOES NOT OWN OR HAVE ANY LEGAL INTEREST IN, SUCH AS STATE-MAINTAINED STREETS, AND TO CLARIFY THAT A PETITION FOR VOLUNTARY SATELLITE ANNEXATION MUST BE SIGNED AND, IF NO SIGNATURE IS REQUIRED FOR CERTAIN PROPERTY, THE PROPERTY MAY NOT BE INCLUDED IN THE PETITION OVER THE OWNER'S OBJECTION.

The General Assembly of North Carolina enacts:

SECTION 1. G.S. 160A-58.1(a) reads as rewritten:

"(a) Upon receipt of a valid petition signed by all of the owners of real property in the area described therein, a city may annex an area not contiguous to its primary corporate limits when the area meets the standards set out in subsection (b) of this section. The petition need not be signed by the owners of real property that is wholly exempt from property taxation under the Constitution and laws of North Carolina, nor by railroad companies, public utilities as defined in G.S. 62-3(23), or electric or telephone membership corporations. A petition is not valid in any of the following circumstances:

- (1) It is unsigned.
- (2) It is signed by the city for the annexation of property the city does not own or have a legal interest in. For the purpose of this subdivision, a city has no legal interest in a State-maintained street unless it owns the underlying fee and not just an easement."
- (3) It is for the annexation of property for which a signature is not required and the property owner objects to the annexation."

SECTION 2. G.S. 160A-58.7 reads as rewritten:

"§ 160A-58.7. Annexation of municipal property.

(a) The city council may initiate annexation of property not contiguous to the primary corporate limits and owned by the city by adopting a resolution stating its intent to annex the property, in lieu of filing a petition. The property must satisfy the requirements of G.S. 160A-58.1. The resolution shall contain an adequate description of the property and fix a date for a public hearing on the question of annexation. Notice of the public hearing shall be published once at least 10 days before the date of the hearing. At the hearing, any resident of the city may appear and be heard on the question of the desirability of the annexation. If the council finds that annexation is in the public interest, it may adopt an ordinance annexing the

1 property. The ordinance may be made effective immediately or on any specified date within six
2 months from the date of passage.

3 (b) A city has no authority to adopt a resolution or petition itself under this Part for
4 annexation of property it does not own or have any legal interest in. For the purpose of this
5 subsection, a city has no legal interest in a State-maintained street unless it owns the underlying
6 fee and not just an easement."

7 SECTION 3. G.S. 160A-31 reads as rewritten:

8 "§ 160A-31. Annexation by petition.

9 (a) The governing board of any municipality may annex by ordinance any area
10 contiguous to its boundaries upon presentation to the governing board of a petition signed by
11 the owners of all the real property located within such area. The petition shall be signed by each
12 owner of real property in the area and shall contain the address of each such owner.

13 (b) The petition shall be prepared in substantially the following form:

14 DATE:

15 To the _____ (name of governing board) of the (City or Town) of
16 _____

17 1. We the undersigned owners of real property respectfully request that the area described
18 in paragraph 2 below be annexed to the (City or Town) of _____

19 2. The area to be annexed is contiguous to the (City or Town) of _____ and the
20 boundaries of such territory are as follows: _____

21 (c) Upon receipt of the petition, the municipal governing board shall cause the clerk of
22 the municipality to investigate the sufficiency thereof and to certify the result of his
23 investigation. Upon receipt of the certification, the municipal governing board shall fix a date
24 for a public hearing on the question of annexation, and shall cause notice of the public hearing
25 to be published once in a newspaper having general circulation in the municipality at least 10
26 days prior to the date of the public hearing; provided, if there be no such paper, the governing
27 board shall have notices posted in three or more public places within the area to be annexed and
28 three or more public places within the municipality.

29 (d) At the public hearing all persons owning property in the area to be annexed who
30 allege an error in the petition shall be given an opportunity to be heard, as well as residents of
31 the municipality who question the necessity for annexation. The governing board shall then
32 determine whether the petition meets the requirements of this section. Upon a finding that the
33 petition meets the requirements of this section, the governing board shall have authority to pass
34 an ordinance annexing the territory described in the petition. The governing board shall have
35 authority to make the annexing ordinance effective immediately or on any specified date within
36 six months from the date of passage of the ordinance.

37 (e) From and after the effective date of the annexation ordinance, the territory and its
38 citizens and property shall be subject to all debts, laws, ordinances and regulations in force in
39 such municipality and shall be entitled to the same privileges and benefits as other parts of such
40 municipality. Real and personal property in the newly annexed territory on the January 1
41 immediately preceding the beginning of the fiscal year in which the annexation becomes
42 effective is subject to municipal taxes as provided in G.S. 160A-58.10. If the effective date of
43 annexation falls between June 1 and June 30, and the effective date of the privilege license tax
44 ordinance of the annexing municipality is June 1, then businesses in the area to be annexed
45 shall be liable for taxes imposed in such ordinance from and after the effective date of
46 annexation.

47 (f) For purposes of this section, an area shall be deemed "contiguous" if, at the time the
48 petition is submitted, such area either abuts directly on the municipal boundary or is separated
49 from the municipal boundary by a street or street right-of-way, a creek or river, or the
50 right-of-way of a railroad or other public service corporation, lands owned by the municipality
51 or some other political subdivision, or lands owned by the State of North Carolina. In

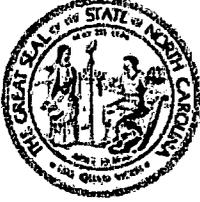

1 describing the area to be annexed in the annexation ordinance, the municipal governing board
2 may include within the description any territory described in this subsection which separates
3 the municipal boundary from the area petitioning for annexation.

4 (g) The governing board may initiate annexation of contiguous property owned by the
5 municipality by adopting a resolution stating its intent to annex the property, in lieu of filing a
6 petition. The resolution shall contain an adequate description of the property, state that the
7 property is contiguous to the municipal boundaries and fix a date for a public hearing on the
8 question of annexation. Notice of the public hearing shall be published as provided in
9 subsection (c) of this section. The governing board may hold the public hearing and adopt the
10 annexation ordinance as provided in subsection (d) of this section.

11 (h) A city council which receives a petition for annexation under this section may by
12 ordinance require that the petitioners file a signed statement declaring whether or not vested
13 rights with respect to the properties subject to the petition have been established under
14 G.S. 160A-385.1 or G.S. 153A-344.1. If the statement declares that such rights have been
15 established, the city may require petitioners to provide proof of such rights. A statement which
16 declares that no vested rights have been established under G.S. 160A-385.1 or G.S. 153A-344.1
17 shall be binding on the landowner and any such vested right shall be terminated.

18 (i) A municipality has no authority to adopt a resolution or petition itself under this Part
19 for annexation of property it does not own or have any legal interest in. For the purpose of this
20 subsection, a municipality has no legal interest in a State-maintained street unless it owns the
21 underlying fee and not just an easement."

22 SECTION 4. This act is effective when it becomes law.

HOUSE PCS 171: Municipal Self-Annexations

2011-2012 General Assembly

Committee: House Finance
Introduced by: Rep. L. Brown
Analysis of: PCS to First Edition
H171-CSSV-5

Date: March 16, 2011
Prepared by: Trina Griffin
Committee Counsel

SUMMARY: *House Bill 171 clarifies that a municipality does not have the authority to petition itself for annexation of property that it does not own or in which it does not have a legal interest.*

The PCS further clarifies that a petition for voluntary satellite annexation must be signed and may not include property for which no signature is required if the owner objects to the annexation. This clarification codifies principles established by North Carolina case law.

CURRENT LAW: North Carolina law sets forth four basic ways in which a town or city may annex an area:

- **Legislative Act.** The General Assembly has the authority to extend the boundaries of any town or city through local acts.
- **Voluntary Contiguous Annexation.** The owners of all real property in the area desiring to be annexed sign a petition requesting annexation. The municipality then determines whether or not to annex. If the the property is owned by the municipality itself, then, under the current general law, the municipality may initiate annexation of property owned by the municipality by adopting a resolution stating its intent to annex. A public hearing is required prior to the adoption of the ordinance to annex. [G.S. 160A-31(g)].
- **Voluntary Satellite Annexation.** This method allows a town or city to annex a noncontiguous area into the town or city limits upon receipt of a petition signed by all of the owners of real property in the area to be annexed. [G.S. 160A-58.1] If the property is owned by the municipality itself, then, under the current general law, the municipality may adopt a resolution stating its intent to annex, in lieu of filing a petition, provided the property meets all other prerequisites for satellite annexation. A public hearing is required prior to the adoption of the ordinance to annex. [G.S. 160A-58.7].
- **Involuntary Annexation.** The town or city brings into the corporate limits an area that has not voluntarily agreed to be annexed through a statutorily prescribed process.

BILL ANALYSIS: The bill clarifies that, with respect to voluntary contiguous and satellite annexation, a municipality does not have the authority to petition itself for annexation of property it does not own or otherwise have a legal interest in. The bill would also clarify that a municipality has no legal interest in a State-maintained street unless it owns the underlying fee.

The PCS adds a new Section 1 to the bill. This section further clarifies that a petition for voluntary satellite annexation is not valid if any of the following circumstances exist:

1. The petition is unsigned.
2. The petition is signed by the city, but the city does not own the property it seeks to annex. This is the same language being added to G.S. 160A-58.7 and G.S. 160A-31 in Sections 2 and 3 of this bill.

House PCS 171

Page 2

3. The petition is for the annexation of property for which a signature is not required and the property owner objects to the annexation.

EFFECTIVE DATE: Effective when it becomes law.

BACKGROUND: This is a public bill with general applicability. However, the genesis of this bill relates to the Town of Lewisville's attempt to annex approximately three miles of eight State-maintained roads near the town limits using the voluntary satellite annexation process. The Town received a petition under G.S. 160A-58.1, signed by the City Manager, to annex this property. Under G.S. 160A-58.1, a petition must be signed by all of the owners of real property in the area to be annexed. The statute further provides that certain categories of owners need not sign the petition.¹ The North Carolina Court of Appeals case of *County of Brunswick v. Town of Bolivia*² suggests that even though G.S. 160A-58.1 does not require the signature of certain property owners, the petition must be signed by at least one property owner to be a valid petition.³ The case also sets forth the principle that an owner who is not required to sign a satellite annexation petition may object to annexation of its property and force the town to remove it from the annexation area. Otherwise, the signature provision would convert this voluntary annexation procedure into an involuntary one for any owner not required to sign the petition.

In this situation, the Town initiated the annexation process through the use of a petition under G.S. 160A-58.1 rather than by adopting a resolution of intent under G.S. 160A-58.7. Under either method, the Town could not proceed. Since the Town does not own the property it sought to annex, it could not proceed under G.S. 160A-58.7, and since the petition did not contain the signatures of all the real property owners,⁴ it could not proceed under G.S. 160A-58.1. On March 11, 2011, the Lewisville Town Council voted unanimously to withdraw its annexation petition. The bill clarifies the current law, which supports the fact that the Town's petition was not valid, and is consistent with North Carolina case law.

Erika Churchill, counsel to House Government Committee, substantially contributed to this summary.

H171-SMSV-12(CSSV-5) v2

¹ Owners of property "wholly exempt from property taxation," railroad companies, public utilities, and electric or telephone membership companies.

² 56 N.C. App. 732 (1982).

³ In that case, the Town of Bolivia attempted to satellite-annex certain county property. The petition was signed by a number of residents of the Town and surrounding areas. The county did not sign the petition because the property was exempt from taxation. The Court of Appeals found the petition invalid because G.S. 160A-58.1 does not require, or even authorize, the signature of non-property owners. Therefore, the signatures of all those who did not own property in the annexation area should have been excluded from consideration. Doing that left the petition with no signatures since the county was not required to sign the petition. Therefore, there was nothing for the town to consider. This reasoning suggests that a petition without any valid signatures is not a valid petition.

⁴ For purposes of state roads or highways, only the fee simple owners of the land beneath the right-of-way are owners with the power to sign the petition; the holder of an easement is not considered the owner of the property.

North Carolina General Assembly
House Committee on Finance

Minutes

March 17, 2011

The House Committee on Finance met on Thursday, March 17, 2011 at 8:30 am in Room 544 of the Legislative Office Building. The following members were present: Chairpersons Howard, Starnes, Setzer and Folwell; Vice-Chairs McComas and Wainwright; and Representatives Alexander, Brandon, Brawley, Carney, Collins, Cotham, Faison, Hackney, Hall, Hill, Jordan, Luebke, McCormick, McGee, McGuirt, Moffitt, Moore, Rhyne, Ross, Samuelson, Stam, Stone, Warren, Weiss and Womble. Also present were Sergeant-at-Arms John Brandon, Earl Coker, Fred Hines, and Ken Kirby. Staff persons present included Cindy Avrette, Rodney Bizzell, Barry Boardman, Dan Ettefagh, Heather Fennell, Trina Griffin, Sandra Johnson, Greg Roney, Brian Silvka, Jonathan Tart, and Martha Walston. The Agenda and Visitor Registration Sheets are attached and incorporated into these minutes as **attachments 1 and 2**.

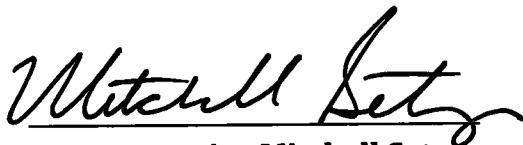

Chairperson Setzer called the meeting to order at 8:35 am and recognized the four (4) pages present: (1) Tiara Jones of Forsyth County sponsored by Representative Womble; (2) Kris Faheem of Wake County sponsored by Representative Gill; (3) Tah-leel Minnigan of Robeson County sponsored by Representative Tillis; and (4) Zinaha Minnigan of Robeson County sponsored by Representative Pierce.

The first bill considered by the Committee was **HB 129 Level Playing Field/Local Gov't Competition** (see **attachment 3**). The Chair recognized Representative Starnes who moved to adopt the proposed committee substitute for discussion. The motion carried. Chairperson Setzer recognized Representative Avila to explain the bill. The Chair then recognized Representative Faison who sent forth amendment 1 that moved to amend the bill on page 2, lines 6 through 8 by rewriting those lines and also on page 4, line 25, by deleting the term "ninety percent (90%)" and substituting the term "fifty percent (50%)" (see **attachment 4**). While the amendment was being distributed, Heather Fennell of Research explained the changes in the proposed committee substitute. Representative Faison was then recognized to explain his amendment. Representative Faison answered questions from members. Being no further discussion or debate, the Chair called for a show of hands for the amendment (14) and against (12), the amendment passed. The Chair

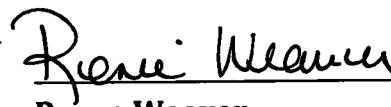

then recognized Representative Alexander who sent forth amendment 2 that moved to amend the bill on page 3, lines 18 through 29 (see **attachment 5**). Representative Alexander explained the amendment and answered questions from members. Being no further discussion or debate, the Chair called for a show of hands for the amendment (10) and against (16), the amendment failed. Chairperson Setzer recognized Representative Starnes who moved for a favorable report to the proposed committee substitute, unfavorable report to the original bill. The motion was held for further discussion on the bill. The Chair recognized Representative Warren who sent forth amendment 3 that moved to amend the bill on page 4, lines 27 through 30 and on page 8, lines 1 through 3 (see **attachment 6**). Representative Warren explained the amendment and answered questions from members. Being no further discussion or debate, the Chair called for a show of hands for the amendment (15) and against (13), the amendment passed. The Chair then recognized Representative Ross who sent forth amendment 4 that moved to amend the bill on page 3, lines 18 through 29 and on page 3, line 41 (see **attachment 7**). Representative Ross then explained her amendment and answered questions from members. Being no further discussion or debate, the Chair called for a show of hands for the amendment (12) and against (16), the amendment failed. Chairperson Setzer then brought the discussion to an end with the announcement that the bill will be brought back to committee next Wednesday, March 23, 2011 and comments from the public, as well as any additional amendments will be heard.

Chairperson Setzer adjourned the meeting at 9:45 am.

Respectfully submitted,

Representative Mitchell Setzer
Presiding Chair

Renee Weaver
Clerk, House Committee on
Finance

HOUSE BILL 129*
PROPOSED COMMITTEE SUBSTITUTE H129-CSTDx-8 [v.17]

3/16/2011 9:21:39 PM

Short Title: Level Playing Field/Local Gov't Competition.

(Public)

Sponsors:

Referred to:

February 21, 2011

1 A BILL TO BE ENTITLED
2 AN ACT TO PROTECT JOBS AND INVESTMENT BY REGULATING LOCAL
3 GOVERNMENT COMPETITION WITH PRIVATE BUSINESS.

4 Whereas, certain cities in the State have chosen to compete with private providers of
5 communications services; and

6 Whereas, these cities have been permitted to enter into competition with private
7 providers as a result of a decision of the North Carolina Court of Appeals rather than legislation
8 enacted by the General Assembly; and

9 Whereas, the communications industry is an industry of economic growth and job
10 creation; and

11 Whereas, as expressed in G.S. 66-58, known as the Umstead Act, it is against the
12 public policy of this State for any unit, department, or agency of the State, or any division or
13 subdivision of a unit, department, or agency of the State to engage directly or indirectly in the
14 sale of goods, wares, or merchandise in competition with citizens of the State; and

15 Whereas, to protect jobs and to promote investment, it is necessary to ensure that the
16 State does not indirectly subsidize competition with private industry through actions by cities
17 and to ensure that where there is competition between the private sector and the State, directly
18 or through its subdivisions, it exists under a framework that does not discourage private
19 investment and job creation; Now, therefore,

20 The General Assembly of North Carolina enacts:

21 SECTION 1.(a) Chapter 160A of the General Statutes is amended by adding a new
22 Article to read as follows:

23 "Article 16A. Provision of Communications Service by Cities.

24 "§ 160A-340. Definitions.

25 The following definitions apply in this Article:

- 26 (1) City-owned communications service provider. – A city that provides
27 communications service using a communications network, whether directly,
28 indirectly, or through an interlocal agreement or a joint agency.
- 29 (2) Communications network. – A wired or wireless network for the provision
30 of communications service.
- 31 (3) Communications service. – The provision of cable, video programming,
32 telecommunications, broadband, or high-speed Internet access service to the
33 public, or any sector of the public, for a fee, regardless of the technology
34 used to deliver the service. The terms "cable service," "telecommunications

1 service," and "video programming service" have the same meanings as in
2 G.S. 105-164.3. Neither the sharing of data between the governmental
3 entities for governmental purposes nor the provision of free services to the
4 public or a subset thereof shall be considered the provision of
5 communication service.

6 (4) High-speed Internet access service. – Internet access service with
7 transmission speeds that are consistent with requirements for basic
8 broadband service as defined by the Federal Communications Commission.

9 (5) Interlocal agreement. – An agreement between units of local government as
10 authorized by Part 1 of Article 20 of Chapter 160A of the General Statutes.

11 (6) Joint agency. – A joint agency created under Part 1 of Article 20 of Chapter
12 160A of the General Statutes.

13 **"§ 160A-340.1. City-owned communications service provider requirements.**

14 (a) A city-owned communications service provider shall meet all of the following
15 requirements:

16 (1) Comply in its provision of communications service with all local, State, and
17 federal laws, regulations, or other requirements applicable to the provision of
18 the communications service if provided by a private communications service
19 provider.

20 (2) In accordance with the provisions of Chapter 159 of the General Statutes, the
21 Local Government Finance Act, establish one or more separate enterprise
22 funds for the provision of communications service, use the enterprise funds
23 to separately account for revenues, expenses, property, and source of
24 investment dollars associated with the provision of communications service,
25 and prepare and publish an independent annual report and audit in
26 accordance with generally accepted accounting principles that reflect the
27 fully allocated cost of providing the communications service, including all
28 direct and indirect costs. An annual independent audit conducted under
29 G.S. 159-34 and submitted to the Local Government Commission satisfies
30 the audit requirement of this subdivision.

31 (3) Limit the provision of communications service to the following:

32 a. Persons within the corporate limits of the city providing the
33 communications service.

34 b. For a city or joint agency providing communications service as of
35 January 1, 2011, persons within the service area boundaries as
36 described in subsection (d) of this section of the city or joint agency
37 providing the communications service.

38 c. Existing customers of the communications service as of April 1,
39 2011. Service to customers outside the service area of the city or
40 joint agency shall comply with the open bidding procedures of
41 Article 8 of Chapter 143 upon the expiration or termination of the
42 existing service contract.

43 (4) Shall not, directly or indirectly, under the powers of a city, exercise power or
44 authority in any area, including zoning or land-use regulation, or exercise
45 power to withhold or delay the provision of monopoly utility service, to
46 require any person, including residents of a particular development, to use or
47 subscribe to any communications service provided by the city-owned
48 communications service provider.

49 (5) Shall provide nondiscriminatory access to private communications service
50 providers on a first-come, first-served basis to rights-of-way, poles, or
51 conduits owned, leased, or operated by the city unless the facilities have

1 insufficient capacity for the access and additional capacity cannot reasonably
2 be added to the facilities. For purposes of this subdivision, the term
3 "nondiscriminatory access" means that, at a minimum, access shall be
4 granted on the same terms and conditions as that given to a city-owned
5 communications service provider.

6 (6) Shall not air advertisements or other promotions for the city-owned
7 communications service on a public, educational, or governmental access
8 channel if the city requires another communications service provider to carry
9 the channel. The city shall not use city resources that are not allocated for
10 cost accounting purposes to the city-owned communications service to
11 promote city-owned communication service in comparison to private
12 services or, directly or indirectly, require city employees, officers, or
13 contractors to purchase city services.

14 (7) Shall not subsidize the provision of communications service with funds from
15 any other noncommunications service, operation, or other revenue source,
16 including any funds or revenue generated from electric, gas, water, sewer, or
17 garbage services.

18 (8) Shall not price any communications service below the cost of providing the
19 service, including any direct or indirect subsidies received by the city-owned
20 communications service provider and allocation of costs associated with any
21 shared use of buildings, equipment, vehicles, and personnel with other city
22 departments. The city shall, in calculating the costs of providing the
23 communications service, impute (i) the cost of the capital component that is
24 equivalent to the cost of capital available to private communications service
25 providers in the same locality and (ii) an amount equal to all taxes, including
26 property taxes, licenses, fees, and other assessments that would apply to a
27 private communications service provider including federal, State, and local
28 taxes; rights-of-way, franchise, consent, or administrative fees; and pole
29 attachment fees.

30 (9) The city shall annually remit to the general fund of the city an amount
31 equivalent to all taxes or fees a private communications service provider
32 would be required to pay the city or county in which the city is located,
33 including any applicable tax refunds received by the city-owned
34 communications service provider because of its government status and a sum
35 equal to the amount of property tax that would have been due if the
36 city-owned communications service provider were a private communications
37 service provider.

38 (b) A city-owned communications service provider shall not be required to obtain voter
39 approval under G.S. 160A-321 prior to the sale or discontinuance of the city's communications
40 network.

41 (c) Subdivisions (7), (8), and (9) of subsection (a) of this section, shall not apply to a
42 city or joint agency providing communications service as of January 1, 2011.

43 (d) The service area boundaries are the following:

44 (1) For the joint agency operated by the cities of Davidson and Mooresville, the
45 service area is the service area designated in the initial notice of franchise
46 filed with the Secretary of State, and the contiguous area where the agency is
47 offering service as of the effective date of this act connecting the cities of
48 Davidson and Mooresville with areas set forth in the initial areas of
49 franchise.

- 1 (2) For the city of Salisbury, the service area is the cities of Salisbury, Spencer,
2 East Spencer, Rockwell, Granite Quarry, and the corridors between
3 Salisbury and those cities.
- 4 (3) For all other cities or joint agency offering communications service, the
5 service area is the area designated in the map filed as part of the initial notice
6 of franchise with the Secretary of State as of January 1, 2011.

7 **"§ 160A-340.2. Exemptions.**

8 (a) The provisions of G.S. 160A-340.1, 160A-340.4, G.S. 160A-340.5, and 160A-340.6
9 do not apply to the purchase, lease, construction, or operation of facilities by a city to provide
10 communications service within the city's corporate limits for the city's internal governmental
11 purposes, including the sharing of data between governmental entities for governmental
12 purposes, or within the corporate limits of another unit of local government that is a party with
13 the city to an interlocal agreement under Part 1 of Article 20 of Chapter 160A of the General
14 Statutes for the provision of internal government services.

15 (b) The provisions of G.S. 160A-340.1, 160A-340.4, and G.S. 160A-340.5 do not apply
16 to the provision of communications service in an unserved area. A city seeking to provide
17 communications service in an unserved area shall petition the North Carolina Utilities
18 Commission for a determination that an area is unserved. The petition shall identify with
19 specificity the geographic area for which the designation is sought. Any private
20 communications service provider, or any other interested party, may, within a time established
21 by order of the Commission, which time shall be no fewer than 30 days, file with the
22 Commission an objection to the designation on the grounds that one or more areas designated
23 in the petition is not an unserved area or that the city is not otherwise eligible to provide the
24 service. For purposes of this subsection, the term "unserved area" means a geographical area in
25 which at least ninety percent (90%) of households either have no access to high-speed Internet
26 service or have access to high-speed Internet service only from a satellite provider.

27 (c) The provisions of G.S. 160A-340.3, G.S. 160A-340.4, G.S. 160A-340.5, and
28 G.S. 160A-340.6 do not apply to a city or joint agency providing communications service as of
29 January 1, 2011 provided the city or joint agency limits the provision of communications
30 service to the area provided in G.S. 160A-340.1(a)(3).

31 **"§ 160A-340.3. Notice; public hearing.**

32 A city or joint agency that proposes to provide communications service shall hold not less
33 than two public hearings, which shall be held not fewer than 30 days apart, for the purpose of
34 gathering information and comment. Notice of the hearings shall be published at least once a
35 week for four consecutive weeks in the predominant newspaper of general circulation in the
36 area in which the city is located. The notice shall also be provided to the North Carolina
37 Utilities Commission, which shall post the notice on its Web site, and to all companies that
38 have requested service of the notices from the city clerk. The city shall deposit the notice in the
39 U.S. mail to companies that have requested notice at least 45 days prior to the hearing subject
40 to the notice. Private communications service providers shall be permitted to participate fully in
41 the public hearings by presenting testimony and documentation relevant to their service
42 offerings and the city's plans. Any feasibility study, business plan, or public survey conducted
43 or prepared by the city in connection with the proposed communications service project is a
44 public record as defined by G.S. 132-1 and shall be made available to the public prior to the
45 public hearings required by this section. This section does not apply to the repair, rebuilding,
46 replacement or improvement of an existing communications network, or equipment relating
47 thereto.

48 **"§ 160A-340.4. Financing.**

49 (a) A city or joint agency subject to the provisions of G.S. 160A-340.1 shall not enter into
50 a contract under G.S. 160A-19 or G.S. 160A-20 to purchase or to finance the purchase of
51 property for use in a communications network or to finance the construction of fixtures or

1 improvements for use in a communications network unless it complies with subsection (b) of
2 this section. The provisions of this section shall not apply to the repair, rebuilding, replacement,
3 or improvement of an existing communications network, or equipment relating thereto.

4 (b) A city shall not incur debt for the purpose of constructing a communications system
5 without first holding a special election under G.S. 163-287 on the question of whether the city
6 should incur debt for the proposed purposes. If a majority of the votes cast in the special
7 election are for the city incurring the debt, the city may provide the communication service. If a
8 majority of the votes cast in the special election are against the city incurring the debt, the city
9 shall not provide the communications service. However, nothing in this section shall prohibit a
10 city from revising its plan to offer communications service and calling another special election
11 on the question prior to providing or offering to provide the service. A special election required
12 under Chapter 159 of the General Statutes as a condition to the issuance of bonds shall satisfy
13 the requirements of this section.

14 **"§ 160A-340.5. Taxes; payments in lieu of taxes.**

15 (a) A communications network owned or operated by a city or joint agency shall be
16 exempt from property taxes. However, each city possessing an ownership share of a
17 communications network and a joint agency owning a communications network shall, in lieu of
18 property taxes, pay to any county authorized to levy property taxes the amount which would be
19 assessed as taxes on real and personal property if the communications network were otherwise
20 subject to valuation and assessment. Any payments in lieu of taxes shall be due and shall bear
21 interest, if unpaid, as in the case of taxes on other property.

22 (b) A city-owned communications service provider shall pay to the State, on an annual
23 basis, an amount in lieu of taxes that would otherwise be due the State if the communications
24 service was provided by a private communications service provider, including State income,
25 franchise, vehicle, motor fuel, and other similar taxes. The amount of the payment in lieu of
26 taxes shall be set annually by the Department of Revenue and shall approximate the taxes that
27 would be due if the communications service was undertaken by a private communications
28 service provider. A city-owned communications provider must provide information requested
29 by the Secretary of Revenue necessary for calculation of the assessment. The Department must
30 inform each city-owned communications provider of the amount of the assessment by January
31 1 of each year. The assessment is due by March 15 of each year. If the assessment is unpaid,
32 the State may withhold the amount due, including interest on late payments, from distributions
33 otherwise due the city under G.S. 105-164.44I.

34 (c) A city-owned communications service provider or a joint agency that provides
35 communications service shall not be eligible for a refund under G.S. 105-164.14(c) for sales
36 and use taxes paid on purchases of tangible personal property and services related to the
37 provision of communications service, except to the extent a private communications service
38 provider would be exempt from taxation.

39 **"§ 160A-340.6. Public-private partnerships for communications service.**

40 (a) Prior to undertaking to construct a communications network for the provision of
41 communications service, a city shall first solicit proposals from private business in accordance
42 with the procedures of this section.

43 (b) The city shall issue request for proposals that specifies the nature and scope of the
44 requested communications service, the area in which it is to be provided, any specifications and
45 performance standards, and information as to the city's proposed participation in providing
46 equipment, infrastructure, or other aspects of the service. The city may prescribe the form and
47 content of proposals, and may require that proposals contain sufficiently detailed information to
48 allow for an objective evaluation of proposals using the factors stated in subsection (c) of this
49 section. Each proposal shall at minimum contain:

- 50 (1) Information regarding the proposer's experience and qualifications to
51 perform the requirements of the proposal.

- 1 (2) Information demonstrating the proposer's ability to secure financing needed
2 to perform the requirements of the proposal.
- 3 (3) Information demonstrating the proposer's ability to provide staffing,
4 implement work tasks and carry out all other responsibilities necessary to
5 perform the requirements of the proposal.
- 6 (4) Information clearly identifying and specifying all elements of cost of the
7 proposal for the term of the proposed contract, including the cost of the
8 purchase or lease of equipment and supplies, design, installation, operation,
9 management, and maintenance of any system, and any proposed services.
- 10 (5) Any other information the city determines has a material bearing on its
11 ability to evaluate the proposal.

12 (c) The city shall provide notice that it is requesting proposals in accordance with this
13 subsection. The notice shall state the time and place where plans and specifications for the
14 proposed service may be obtained and the time and place for opening proposals. Any notice
15 given under this subsection shall reserve to the city the right to reject any or all proposals.
16 Notice of request for proposals shall be given by all of the following methods:

- 17 (1) By mailing a notice of request for proposals to each firm that has obtained a
18 license or permit to use the public rights-of-way in the city to provide a
19 communications service within the city by depositing such notices in the
20 U.S. mail at least 30 days prior to the date specified for the opening of
21 proposals. In identifying firms, the city may rely upon lists provided by the
22 Office of the Secretary of State and the North Carolina Utilities
23 Commission.
- 24 (2) By posting a notice of request for proposals on the city's website at least 30
25 days before the time specified for the opening of proposals.
- 26 (3) By publishing a notice of request for proposals in a newspaper of general
27 circulation in the county in which the city is predominantly located at least
28 30 days before the time specified for the opening of proposals.

29 (d) In evaluating proposals, the city may consider any relevant factors, including system
30 design, system reliability, operational experience, operational costs, compatibility with existing
31 systems and equipment, and emerging technology. The city may negotiate aspects of any
32 proposal with any responsible proposer with regard to these factors to determine which
33 proposal is the most responsive. A determination of most responsive proposer by the city shall
34 be final.

35 (e) The city may negotiate a contract with the most responsive proposer for the
36 performance of communications services specified in the request for proposals. All contracts
37 entered into pursuant to this section shall be approved and awarded by the governing body of
38 the city.

39 (f) If the city is unable to successfully negotiate the terms of a contract with the most
40 responsive proposer with 60 days of the opening of the proposals, the city may proceed to
41 negotiate with the firm determined to be the next most responsive proposer if such a proposer
42 exists. If the city is unable to successfully negotiate the terms of a contract with the next most
43 responsive proposer within 60 days, it may proceed under this Article to provide
44 communications services.

45 (g) All proposals shall be sealed and shall be opened in public."

46 **SECTION 1.(b)** G.S. 105-164.14 is amended by adding a new subsection to read:

47 "(d2) A city subject to the provisions of G.S. 160A-340.5 is not allowed a refund of sales
48 and use taxes paid by it under this Article for purchases related to the provision of
49 communications services as defined in Article 16A of Chapter 160A."

50 **SECTION 1.(c)** Subsection (b) of this section is effective when it becomes law and
51 applies to sales made on or after that date.

1 SECTION 2.(a) G.S. 62-3(23) is amended by adding the following new
2 sub-subdivision to read:

3 "l. The term "public utility" shall include a city or a joint agency under
4 Part 1 of Article 20 of Chapter 160A of the General Statutes that
5 provides service as defined in G.S. 62-3(23)a.6. and is subject to the
6 provisions of G.S. 160A-340.1."

7 SECTION 2.(b) This section shall not be construed to change the regulatory nature
8 of or requirements applicable to any particular service currently regulated by the Commission
9 under Chapter 62.

10 SECTION 3. Subchapter IV of Chapter 159 of the General Statutes is amended by
11 adding a new Article to read as follows:

12 "Article 9A. Borrowing by Cities for Competitive Purposes.

13 "§ 159-175.10. Additional requirements for review of city financing application;
14 communications service.

15 The Commission shall apply additional requirements to an application for financing by a
16 city or a joint agency under Part 1 of Article 20 of Chapter 160A of the General Statutes for the
17 construction, operation, expansion, or repair of a communications system or other infrastructure
18 for the purpose of offering communications service, as that term is defined in
19 G.S. 160A-340(2), that is or will be competitive with communications service offered by a
20 private communications service provider. This section does not apply to the repair, rebuilding,
21 replacement or improvement of an existing communications network, or equipment relating
22 thereto, but does apply to the expansion of such existing network. The additional requirements
23 are the following:

- 24 (1) Prior to submitting an application to the Commission, a city or joint agency
25 shall comply with the provisions of G.S. 160A-340.3 requiring at least two
26 public hearings on the proposed communications service project and notice
27 of the hearings to private communications service providers who have
28 requested notice.
- 29 (2) At the same time the application is submitted to the Commission, the city or
30 joint agency shall serve a copy of the application on each person that
31 provides competitive communications service within the city's jurisdictional
32 boundaries or in areas adjacent to the city. No hearing on the application
33 shall be heard by the Commission until at least 60 days after the application
34 is submitted to the Commission.
- 35 (3) Upon the request of a communications service provider, the Commission
36 shall accept written and oral comments from competitive private
37 communications service providers in connection with any hearing or other
38 review of the application.
- 39 (4) In considering the probable net revenues of the proposed communications
40 service project, the Commission shall consider and make written findings on
41 the reasonableness of the city or joint agency's revenue projections in light of
42 the current and projected competitive environment for the services to be
43 provided, taking into consideration the potential impact of technological
44 innovation and change on the proposed service offerings and the level of
45 demonstrated community support for the project.
- 46 (5) The city or joint agency making the application to the Commission shall bear
47 the burden of persuasion with respect to subdivisions (1) through (4) of this
48 section."

49 SECTION 4. G.S. 159-81(3) is amended by adding a new sub-subdivision to read:
50 "q. Cable television systems."

1 **SECTION 5.** Sections 2, 3, and 4 of this act do not apply to a city or joint agency
2 providing communications service as of January 1, 2011 provided the city or joint agency
3 limits the provision of communications service to the area provided in G.S. 160A-340.1(a)(3).

4 **SECTION 6.** Any city that is designated as a public utility under Chapter 62 of the
5 General Statutes when this act becomes law shall not be subject to the provisions of this act
6 with respect to any of its operations that are authorized by that Chapter.

7 **SECTION 7.** If any provision of this act or the application thereof to any person or
8 circumstance is held invalid, the invalidity shall not affect other provisions or applications of
9 this act which can be given effect without the invalid provision or application, and to that end
10 the provisions of this act are declared to be severable.

11 **SECTION 8.** Except as otherwise provided, this act is effective when it becomes
12 law and applies to the provision of communications service by a city or joint agency under Part
13 1 of Article 20 of Chapter 160A of the General Statutes on and after that date.

HOUSE PCS 129: Level Playing Field/Local Gov't Competition

2011-2012 General Assembly

Committee:	House Finance	Date:	March 17, 2011
Introduced by:	Reps. Avila, Howard, Carney, Wainwright	Prepared by:	Heather Fennell
Analysis of:	PCS to First Edition H129-CSTDx-8		Committee Counsel

SUMMARY: *House Bill 129 would create new requirements for cities and joint agencies that operate a communications service that is offered to the public for a fee. All of the changes made in the PCS are provided in the bill analysis section below. In summary, the PCS makes the following changes:*

- Clarifies those cities currently providing communications service are only subject to the first 6 requirements of G.S. 160A-340.1. The cities that currently offer communications service are exempt from the remaining provisions of the bill.
- Provides a mechanism for cities to seek public-private partnerships to provide communications service.
- Provides that cities that begin offering service after January 1, 2011, and therefore, are subject to all of the provisions of this bill, may issue revenue bonds for cable television systems.

CURRENT LAW: Under G.S. 160A-311, cities are authorized to operate and finance a number of public enterprises, including cable television systems. A North Carolina Court of Appeals case, *BellSouth Telecommunications, Inc. v. City of Laurinburg*, 168 N.C. App. 75, 606 S.E. 2d 721 (2005), interprets the statutory authority to operate a cable television system to include operation of a fiber optic network. Morganton (CoMPAS Cable TV), Salisbury (Fibrant), Wilson (Greenlight), and Mooresville and Davidson (MiConnection) currently offer cable and internet service as a public enterprise.

The cities that currently operate cable and internet systems financed their systems through the installment purchase contract method authorized by G.S. 160A-20. This financing mechanism is commonly known as certificates of participation. Under this financing method, a city enters into an installment contract secured by a security interest in the system that is constructed. Unlike the issuance of general obligation bonds, installment purchase financing is not subject to a vote of the people. The Local Government Commission must approve a local unit's use of certificates of participation and the unit must give notice and hold a public hearing before it can enter into certificates of participation involving real property.

BILL ANALYSIS: House Bill 129 would create a new Article 16A in Chapter 160A of the General Statutes. The new Article would provide the following:

Communications Service Definition: The bill defines "communications service" as the provision of cable, video programming, telecommunications, broadband, or high-speed Internet access service to the public for a fee. "City-owned communications service provider" includes cities that offer the service through an interlocal agreement or joint agency. The PCS clarifies that data sharing between governmental entities and service offered to the public for free are not included in the definition of "communications service" and therefore, not subject to the limitations in the bill.

Requirements for City-owned Communications Providers: The bill would require city-owned communications service providers to comply with all of the following:

House PCS 129

Page 2

- All State, local, and federal laws and regulations that a private company providing the same service would be subject to. The PCS clarifies that city-owned communication providers must comply with the laws and regulations applicable to the provision of communication service.
- Establish separate enterprise funds for the communications service. Conduct annual audits of the communications service. The PCS clarifies that the annual audit conducted under G.S. 159-34 satisfies this requirement.
- Limit the provision of service to the jurisdictional boundaries of the city. The PCS adds that service can be provided to individuals within the "service area boundary" of the cities, and existing customers of the service as of April 1, 2011 provided that contracts outside the service area is subject to public bidding upon expiration. The "service area boundary" is the following:
 - For MI-Connection – the area designated in the initial notice of franchise, and the contiguous area where the agency is offering service as of the effective date of this act connecting the cities of Davidson and Mooresville with areas set forth in the initial areas of franchise.
 - For the city of Salisbury – the cities of Salisbury, Spencer, East Spencer, Rockwell, Granite Quarry, and the corridors between those cities.
 - For all other cities and joint agencies – the area designated in the map filed with the notice of franchise.
- Prohibit the use of the city's authority to require individuals or developments to subscribe to the communications service.
- Provide nondiscriminatory access to other service providers to the city's rights-of-way, poles, or conduits. The PCS removes the term "other distribution facilities."
- Prohibit advertisements of the city-owned communications service on PEG channels of competing providers. The PCS clarifies that advertisements on PEG channels are prohibited if the channel is required to be carried by another service provider. Prohibit the use of funds not allocated to the communications service for advertisement.
- Prohibit the subsidization of the communications service with other revenue. **This provision does not apply to a city-owned communications service that was provided as of January 1, 2011.**
- The service must not be priced below the cost of providing the service. The cost of providing the service must include the cost of capital components that would be equal to the cost of capital components a private provider would incur and an amount equal to all taxes a private provider would pay. **This provision does not apply to a city-owned communications service that was provided as of January 1, 2011.**
- Remit to its General Fund an amount equal to all the taxes and fees a private provider would pay if the private provider supplied the service. **This provision does not apply to a city-owned communications service that was provided as of January 1, 2011.**

Cities that choose to sell or discontinue a city-owned communications service would not be required to hold a referendum prior to sale or discontinuous of the service.

House PCS 129

Page 3

Exemptions: The bill provides the following exemptions:

- A city that provides communications services within its jurisdictional boundaries for the city's governmental purposes is exempt from the provider requirements, limitations on installment purchase contract financing, and requirements of payments in lieu of taxes. The PCS clarifies that this exemption also applies to intergovernmental data sharing.
- The provision of communications services in an area that has been established by order of the Utilities Commission to be an "unserved area" are exempt from the provider requirements, public hearing requirements, limitations on installment purchase contract financing, and requirements of payments in lieu of taxes. For the purposes of this determination, unserved area is an area in which 90% of the households have no access to high-speed internet, or only access to high-speed internet from a satellite provider.

The PCS exempts city-owned communications service provided as of January 1, 2011 from all of the remaining provisions of the bill.

Public Hearings: Prior to offering communications services, cities will be required to hold at least 2 public hearings for comment on the service. The cities are required to provide notice for the hearings in the local newspaper and with the Utilities Commission. Private communications providers must be allowed to participate in the hearings. Feasibility studies, business plans, and public surveys for the communications service are deemed public records and must be available to the public prior to the hearings. The PCS provides that the public hearing requirement does not apply to the repair or upgrade of an existing service.

Financing: Cities and joint agencies would be prohibited from using installment purchase contracts and certificates of participation to finance a communications network. This prohibition would not apply to repairs or improvements of an existing system. A new provider can finance a communications system with certificates of participation if it holds a special election.

Taxes, Payments in Lieu of Taxes: Cities and joint agencies operating a communications service would be required to make the following payments in lieu of taxes:

- To the applicable county, a payment of the amount of property taxes that would be due if the communications system was subject to the property tax.
- To the State, an amount set by the Department of Revenue that approximates the amount of income, franchise, vehicle, motor fuel and other taxes that would be due if the communications system was subject to these taxes. The PCS provides that cities subject to this provision must provide information to the Department of Revenue necessary for the calculation of the payment. The PCS also provides that the amount of the assessment is set by January 1 of each year, and due by March 15 of each year.
- Cities and joint agencies would not receive a sales tax refund for purchases related to the provision of the communications service. The PCS makes a conforming change to Chapter 105 regarding the sales tax refund.

Added in the PCS – Public-Private Partnerships for Communications Service: The PCS provides that cities must solicit proposals from private providers before constructing a communications network.

House PCS 129

Page 4

Designation as Public Utility: Cities and joint agencies that provide telephone service would be included in the term "public utility" as defined by Chapter 62 of the General Statutes. Telephone service provided by these entities would be subject to oversight by the Utilities Commission. The PCS clarifies that this section does not expand the regulatory authority of the Utilities Commission in regards to telephone service.

Additional Financing Requirements: For review by the Local Government Commission (LGC) of an application for financing the construction, operation, expansion, or repair of a communications system by a city or joint agency, the following apply:

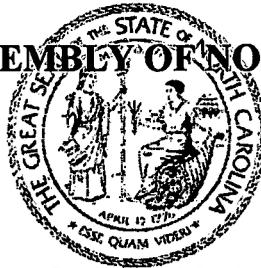

- The public hearings required by the bill must be held before an application for financing may be submitted.
- A copy of the application must be given to private communications providers that serve the city and areas adjacent to the city. The LGC must accept written and oral comments from private providers as a part of the application review.
- The LGC must consider and make written findings regarding the reasonableness of the revenue projections of the service in light of the current and projected competitive environment, the impact of innovation, and the level of community support for the project.

Added in the PCS – Revenue Bonds: The PCS provides that cities may issue revenue bonds to provide a cable television system.

EFFECTIVE DATE: This act is effective when it becomes law and applies to the provision of communications services by cities or joint agencies on or after that date.

GENERAL ASSEMBLY OF NORTH CAROLINA

Session 2011

FISCAL ANALYSIS MEMORANDUM

[This confidential fiscal memorandum is a fiscal analysis of a draft bill, amendment, committee substitute, or conference committee report that has not been formally introduced or adopted on the chamber floor or in committee. This is not an official fiscal note. If upon introduction of the bill you determine that a formal fiscal note is needed, please make a fiscal note request to the Fiscal Research Division, and one will be provided under the rules of the House and the Senate.]

DATE: March 16, 2011
TO: House Finance Committee
FROM: Sandra Johnson
Fiscal Research Division
RE: House Bill 129 (Unknown Edition)

FISCAL IMPACT

Yes (X) No () No Estimate Available ()

FY 2011-12 FY 2012-13 FY 2013-14 FY 2014-15 FY 2015-16

REVENUES *No Fiscal Impact on Current Municipal Broadband Systems*
 Payment in Lieu of Taxes Estimated at \$18.98 per Subscriber for Future Systems

EXPENDITURES

POSITIONS (cumulative):

PRINCIPAL DEPARTMENT(S) &

PROGRAM(S) AFFECTED: North Carolina Department of Revenue; North Carolina Department of State Treasurer, Local Government Commission

EFFECTIVE DATE: When the bill becomes law.

BILL SUMMARY: House Bill (HB) 129 implements new regulatory, public information, and financial requirements for cities and joint agencies providing communication services to the public for a fee. Four cities/joint agencies, Morganton (CoMPAS Cable TV), Salisbury (Fibrant), Wilson

(Greenlight), Mooresville-Davidson (MI Connection), currently offer municipal broadband services that could fall within the purview of HB 129. The bill, however, specifically exempts these groups by exempting entities providing telecom services prior to January 1, 2011.

The new regulations set forth in HB 129 require that future municipal broadband companies:

- Comply with all State, local and federal laws and regulations adhered to by private communication companies.
- Establish separate enterprise funds for the communications service, and conduct annual audits.
- Limit the communication services to the jurisdictional boundaries of the city.
- Eliminate the practice of requiring individuals or developments subscribe to municipal broadband services.
- Provide other service providers with access to the city's rights-of-way, conduits, and other distribution facilities.
- Prohibit advertisements for municipal broadband on the public, education, and government (PEG) channels of competing providers.
- Limit the revenue used to finance communication services to the income generated from the service.
- Price municipal communication services a rate equal to the cost of providing the service. The price should include adjustments for capital costs and taxes incurred in the private sector.

The new public information standards set forth in HB 129 require that municipal broadband companies:

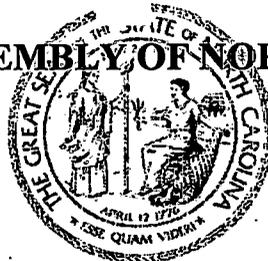

- Hold two public hearings prior to offering services.
- Provide notice for the public hearings in local newspaper and with the Utilities Commission.
- Provide the public with all feasibility studies, business plans, and surveys prior to the hearings.
- Allow private communications providers to participate in the hearing.

The new financial standards set forth in HB 129 require that municipal broadband companies:

- Eliminate the practice of using certificates of participation to finance the construction of a system.
- Make payments in lieu of property taxes to the county/counties in which the services are contained.
- Remit to the State payments in lieu of taxes (PiLoTs), an amount set by the Department of Revenue equivalent to the income, franchise, vehicle, motor fuel, and other taxes due if operating as a private enterprise.

ASSUMPTIONS AND METHODOLOGY: Should HB 129 be enacted, newly operational municipal broadband companies will be required to make payments in lieu of taxes (PiLoTs) of roughly \$202,000 annually. PiLoTs will serve as a significant barrier to entry for municipal broadband companies. The PiLoT estimates are based on information provided by the North Carolina Cable Telecommunications Association. According to the association, private telecommunication providers pay roughly, \$19 per subscriber in State and local taxes. Table 1 provides a breakdown of the estimated state and local taxes paid by revenue type.

GENERAL ASSEMBLY OF NORTH CAROLINA

Session 2011

Table 1: Payment in Lieu of Taxes for Public Entities Providing Communication Services

Tax	Description	Estimated Tax Revenue per Subscriber
Sales and Use Tax	Governmental entities would no longer be eligible to receive sales and use tax refunds under G.S. 105-164.14(c) for tangible personal property utilized in providing communication services.	\$2.07
Corporate Income Tax	Income generated from providing communication services would no longer be eligible for the income tax exemption for governmental units provided under G.S. 105-103.11, but subject to the 6.9% corporate income tax as described in G.S. 105-103.3.	\$2.91
Franchise Tax	G.S. 105-122 levies a franchise/privilege tax on corporations at a rate of \$1.50 per \$1,000 on one of three bases: 1) the profits apportioned to the State, 2) 55% of the value of real property owned in the state and subject to local property tax, 3) the book value of real and tangible personal property less any debt used to acquire real property in the state.	\$2.21
Property Tax	Government entities would be required to remit taxes on real property (buildings, land, etc.) used in conjunction with providing communication services.	\$11.79
Total Tax Due Per Subscriber		\$18.98
Source: North Carolina Cable Telecommunications Association; Time Warner Cable		

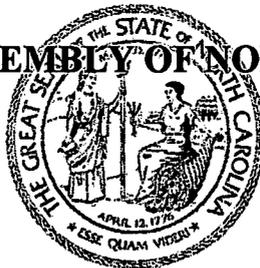

The four public broadband enterprises operating as of January 2011, Morganton (CoMPAS Cable TV), Salisbury (Fibrant), Wilson (Greenlight), Mooresville-Davidson (MI Connection), jointly serve a region covering 42,761 households. Table 2, provides a snapshot of the regions in which these systems operate, years of operation, number of households served, as well as income and assets for the 2010, fiscal year. As illustrated, only one system, CoMPAS, in Morganton, operated at a net profit during the 2010 fiscal year. CoMPAS began providing telecommunication services in 1992, financing the system's construction through debt and revenue from other utility services. The city upgraded the system in 2004 using funding provided through low interest debt called certificates of

participation (COPs). Morganton made its final COPs payment in December 2010 and expects to generate roughly one million dollars in net income annually in future years.

Table 2. Financial and Customer Data on Existing Municipal Broadband Providers, 2010

Provider	City Detail	Length of Operation	Certificates of Participation (\$ In Millions)	Number of Households in Service Area, 2010	2010 Net Income/(Loss) (\$ In Millions)	Assets (\$ In Millions)	
						Real Property (Buildings, Land)	Tangible Personal Property
Greenlight	Wilson, Wilson County, NC	2.8 years	31.80	19,799	(1.37)	0.93	8.47
Fibrant (2)	Salisbury, Rowan County, NC	3 months	29.10	7,562	(0.45)	4.59	
MI Connection (3)	Mooresville-Davidson	3.1 years	79.65	9,000 (actual); 13,489 (projected)	(5.60)	0.65	0.701

North Carolina General Assembly
House Committee on Finance

Minutes

March 23, 2011

The House Committee on Finance met on Wednesday, March 23, 2011 at 8:30 am in Room 544 of the Legislative Office Building. The following members were present: Chairpersons Howard, Starnes, Setzer and Folwell; Vice-Chairs Lewis, McComas and Wainwright; and Representatives Alexander, Brawley, Carney, Collins, Cotham, Faison, Hackney, Hall, Hill, Jordan, Luebke, McCormick, McGee, McGuirt, Moffitt, Moore, Rhyne, Ross, Samuelson, Stam, Stone, Warren, and Weiss. Also present were Sergeant-at-Arms John Brandon, Earl Coker, Fred Hines, and Ken Kirby. Staff persons present included Cindy Avrette, Rodney Bizzell, Barry Boardman, Dan Ettefagh, Heather Fennell, Trina Griffin, Sandra Johnson, Greg Roney, Brian Silvka, Jonathan Tart, and Martha Walston. The Agenda and Visitor Registration Sheets are attached and incorporated into these minutes as **attachments 1 and 2**.

Chairwoman Howard called the meeting to order at 8:30 am and recognized the three (3) pages present: (1) Sidney Parham of Swain County sponsored by Representative Haire; (2) Elise Karsten of Wake County sponsored by Representative Martin and; (3) Samantha Enochs of Iredell County sponsored by Representative Mills.

The bill considered by the Committee was **HB 129 Level Playing Field/Local Gov't Competition** (see **attachment 3**) and the hearing of this bill was continued from the March 17, 2011 meeting. The Chair indicated that members of the audience would be allowed to give public comments prior to discussions on the bill. While the speeches are taking place, all amendments are to be brought forth. Chairperson Howard invited people who signed up to speak to proceed to the podium when their name was called. Each speaker was given two minutes to speak. The following people spoke: Mayor Pro-Tem Becky Blackwell, City of Salisbury; Bob Murphy, County Manager, Nash County; Vance Holliman, Deputy Treasurer for Local and State Government, Treasurer's Office; Mayor Pro-Tem Chris Carney, Town of Mooresville (see **attachment 4**); Steve Brewer, CenturyLink; Michelle Frazier, City of Morganton; Robert Van Goens, Director, Rowan Works EDC; Arek Kempinski, Orange County (see **attachment 5**); Tom Vanderbeck (see **attachment 6**), Chatham County; Catharine Rice, Triangle J Council of Government Broadband Consortium; Mark Turner, Concerned Citizen (see **attachment 7**); Timothy Lee, VP of Legal Affairs, Center for Individual Freedom (see **attachment 8**); Dallas Woodhouse, Americans for Prosperity (see **attachment 9**); and Jack

Cozort, City of Wilson. In addition to speakers, Matt Price, George and Shirley Campbell, Dr. Susan Murphey of Foscoe Medical Clinic, PLLC and Michael Solo and Keith Johnson with Poyner Spruill provided written comments via email that was distributed to members (see **attachment 10**).

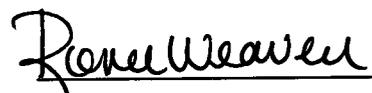

Chairwoman Howard recognized Representative Avila to make any comments. The Chair then recognized Representative Collins who made the motion to reconsider the vote for which amendment 1 passed. (Amendment 1 was presented by Representative Faison at the March 17th meeting.) Representative Faison was recognized to debate the motion. Being no further discussion or debate, the Chair called for a show of hands on Representative Collins' motion to reconsider amendment 1. The vote being 17 affirmative and 10 against. The motion carried. Amendment 1, being back before the Committee as amendment 5, moved to amend the bill on page 2, lines 6 through 8 by rewriting those lines and also on page 4, line 25, by deleting the term "ninety percent (90%)" and substituting the term "fifty percent (50%)" (see **attachment 11**). The Chair called for a show of hands for amendment 5. The vote being 10 affirmative and 16 against. The amendment failed. The Chair reminded the Committee that Representative Starnes had moved for a favorable report as to the proposed Committee substitute, unfavorable report to the original bill. That motion being on the floor from the March 17th meeting. The Chair recognized Representative Luebke who sent forth amendment 6 that moved to amend the bill on page 1, line 2, through page 8, line 13, by rewriting those lines (see **attachment 12**). Representative Luebke was recognized to explain his amendment and moved for a favorable vote on amendment 6. The Chair called for a show of hands for amendment 6. The vote being 9 affirmative and 18 against, the amendment failed. Chairwoman Howard recognized Representative Moore for a motion to reconsider the vote for which amendment 3 passed at the March 17th meeting. (Amendment 3 was presented by Representative Warren at the March 17th meeting). Representative Warren was recognized for comments and stated he was opposed to reconsidering amendment 3. Being no further discussion or debate, the Chair called for a show of hands on Representative Moore's motion to reconsider amendment 3. The vote being 17 affirmative and 11 against, the motion carried. Amendment 3, being back before the Committee as amendment 7, amended the bill on page 4, lines 27 through 30 by rewriting those lines (see **attachment 13**) and was now back before the Committee. Heather Fennell of the Research Department explained the amendment. The vote now being before the Committee is amendment 7. The Chair called for a show of hands for amendment 7. The vote being 11 affirmative and 17 against, the amendment failed. Chairwoman Howard recognized Representative Warren who sent forth amendment 8 that moved to amend the bill, on page 2, lines 31 through 42, by rewriting the lines; and also on page 3, line 41, through page 4, line 6 by deleting those lines; and on page 4, lines 27 through 30 by rewriting those lines; and on page 8, lines 1 through 3, by rewriting those lines (see **attachment 14**). Representative Warren explained his amendment. Being no further discussion or debate, the Chair called for a show of hands for amendment 8. The vote being 26 affirmative and 1 against, the amendment passed. Chairwoman Howard recognized Representative Faison who sent forth amendment 9 that moved to amend the bill on page 4, line 25 deleting the term "ninety percent (90%)" and substituting the term "fifty percent (50%)" (see **attachment 15**). Representative Faison explained the amendment. Being no further debate or discussion, the Chair called for a show of hands for amendment 9. The vote being 21 affirmative and 6 against, the amendment passed. The Chair then recognized Representative Faison who sent forth amendment 10 that moved to amend the bill on page 4, lines 30 and 31, by inserting between the lines (see **attachment 16**).

Representative Faison explained the amendment and answered questions from members. Being no further debate or discussion, the Chair called for the ayes and noes on amendment 10. The motion to adopt amendment 10 failed the voice vote. Chairwoman Howard recognized Representative Faison who sent forth amendment 11 that moved to amend the bill on page 3, lines 9 through 13, by rewriting those lines; and on page 3, lines 14 through 29, by deleting those lines and renumbering the remaining subdivision; and on page 3, line 41, by rewriting the line (see **attachment 17**). Representative Faison explained the amendment. Being no further discussion or debate, the Chair called for a show of hands for amendment 11. The vote being 10 affirmative and 18 against, the amendment failed. The Chair recognized Representative Faison who sent forth amendment 12 that moved to amend the bill on page 3, lines 30 through 37, by deleting those lines; and on page 3, lines 41 through 42, by rewriting those lines; and on page 4, line 8, by rewriting the line; and on page 4, line 15, by rewriting the line; and on page 4, lines 27 through 28, by rewriting those lines; and on page 5, lines 14 through 38, by deleting those lines; and on page 5, line 39, by deleting the term "G.S. 160A-340.6" and substituting "G.S. 160A-340.5"; and on page 6, lines 46 through 51, by deleting those lines (see **attachment 18**). Representative Faison explained his amendment. Being no further discussion or debate, the Chair called for a show of hands for amendment 12. The vote being 10 affirmative and 18 against, the amendment failed. The Chair stated again there was a motion on the floor from Representative Starnes. Representative Starnes was recognized to repeat the motion and moved that HB129 be given a favorable report to the proposed committee substitute as amended, unfavorable report to the original bill. The Chair called for a show of hands for the motion. The vote being 20 affirmative and 9 against, the motion carried.

There being no further business presently before the Committee, Chairwoman Howard adjourned the meeting at 9:47 am.

Respectfully submitted,

Representative Julia Howard
Presiding Senior Chair

Renee Weaver
Clerk, House Committee on
Finance

**2011 COMMITTEE REPORT
HOUSE OF REPRESENTATIVES**

The following report(s) from standing committee(s) is/are presented:

By Representative Howard, Folwell, Setzer, Starnes (Chairs) for the Committee on FINANCE.

Committee Substitute for

HB 129 A BILL TO BE ENTITLED AN ACT TO PROTECT JOBS AND INVESTMENT BY REGULATING LOCAL GOVERNMENT COMPETITION WITH PRIVATE BUSINESS.

With a favorable report as to the committee substitute bill, unfavorable as to the original bill.

(FOR JOURNAL USE ONLY)

_____ Pursuant to Rule 32(a), the bill/resolution is re-referred to the Committee on _____.

_____ Pursuant to Rule 36(b), the (House/Senate) committee substitute bill/(joint) resolution (No. _____) is placed on the Calendar of _____. (The original bill resolution No. _____) is placed on the Unfavorable Calendar.

_____ The (House) committee substitute bill/(joint) resolution (No. _____) is re-referred to the Committee on _____. (The original bill/resolution) (House/Senate Committee Substitute Bill/(Joint) resolution No. _____) is placed on the Unfavorable Calendar.

A BILL TO BE ENTITLED

AN ACT TO PROTECT JOBS AND INVESTMENT BY REGULATING LOCAL GOVERNMENT COMPETITION WITH PRIVATE BUSINESS.

Whereas, certain cities in the State have chosen to compete with private providers of communications services; and

Whereas, these cities have been permitted to enter into competition with private providers as a result of a decision of the North Carolina Court of Appeals rather than legislation enacted by the General Assembly; and

Whereas, the communications industry is an industry of economic growth and job creation; and

Whereas, as expressed in G.S. 66-58, known as the Umstead Act, it is against the public policy of this State for any unit, department, or agency of the State, or any division or subdivision of a unit, department, or agency of the State to engage directly or indirectly in the sale of goods, wares, or merchandise in competition with citizens of the State; and

Whereas, to protect jobs and to promote investment, it is necessary to ensure that the State does not indirectly subsidize competition with private industry through actions by cities and to ensure that where there is competition between the private sector and the State, directly or through its subdivisions, it exists under a framework that does not discourage private investment and job creation; Now, therefore,

The General Assembly of North Carolina enacts:

SECTION 1.(a) Chapter 160A of the General Statutes is amended by adding a new Article to read as follows:

"Article 16A. Provision of Communications Service by Cities.

"§ 160A-340. Definitions.

The following definitions apply in this Article:

- (1) City-owned communications service provider. – A city that provides communications service using a communications network, whether directly, indirectly, or through an interlocal agreement or a joint agency.
- (2) Communications network. – A wired or wireless network for the provision of communications service.
- (3) Communications service. – The provision of cable, video programming, telecommunications, broadband, or high-speed Internet access service to the public, or any sector of the public, for a fee, regardless of the technology used to deliver the service. The terms "cable service," "telecommunications

1 service," and "video programming service" have the same meanings as in
2 G.S. 105-164.3. Neither the sharing of data between the governmental
3 entities for governmental purposes nor the provision of free services to the
4 public or a subset thereof shall be considered the provision of
5 communication service.

6 (4) High-speed Internet access service. – Internet access service with
7 transmission speeds that are consistent with requirements for basic
8 broadband service as defined by the Federal Communications Commission.

9 (5) Interlocal agreement. – An agreement between units of local government as
10 authorized by Part 1 of Article 20 of Chapter 160A of the General Statutes.

11 (6) Joint agency. – A joint agency created under Part 1 of Article 20 of Chapter
12 160A of the General Statutes.

13 **"§ 160A-340.1. City-owned communications service provider requirements.**

14 (a) A city-owned communications service provider shall meet all of the following
15 requirements:

16 (1) Comply in its provision of communications service with all local, State, and
17 federal laws, regulations, or other requirements applicable to the provision of
18 the communications service if provided by a private communications service
19 provider.

20 (2) In accordance with the provisions of Chapter 159 of the General Statutes, the
21 Local Government Finance Act, establish one or more separate enterprise
22 funds for the provision of communications service, use the enterprise funds
23 to separately account for revenues, expenses, property, and source of
24 investment dollars associated with the provision of communications service,
25 and prepare and publish an independent annual report and audit in
26 accordance with generally accepted accounting principles that reflect the
27 fully allocated cost of providing the communications service, including all
28 direct and indirect costs. An annual independent audit conducted under
29 G.S. 159-34 and submitted to the Local Government Commission satisfies
30 the audit requirement of this subdivision.

31 (3) Limit the provision of communications service to the following:

32 a. Persons within the corporate limits of the city providing the
33 communications service.

34 b. For a city or joint agency providing communications service as of
35 January 1, 2011, persons within the service area boundaries as
36 described in subsection (d) of this section of the city or joint agency
37 providing the communications service.

38 c. Existing customers of the communications service as of April 1,
39 2011. Service to customers outside the service area of the city or
40 joint agency shall comply with the open bidding procedures of
41 Article 8 of Chapter 143 upon the expiration or termination of the
42 existing service contract.

43 (4) Shall not, directly or indirectly, under the powers of a city, exercise power or
44 authority in any area, including zoning or land-use regulation, or exercise
45 power to withhold or delay the provision of monopoly utility service, to
46 require any person, including residents of a particular development, to use or
47 subscribe to any communications service provided by the city-owned
48 communications service provider.

49 (5) Shall provide nondiscriminatory access to private communications service
50 providers on a first-come, first-served basis to rights-of-way, poles, or
51 conduits owned, leased, or operated by the city unless the facilities have

1 insufficient capacity for the access and additional capacity cannot reasonably
2 be added to the facilities. For purposes of this subdivision, the term
3 "nondiscriminatory access" means that, at a minimum, access shall be
4 granted on the same terms and conditions as that given to a city-owned
5 communications service provider.

6 (6) Shall not air advertisements or other promotions for the city-owned
7 communications service on a public, educational, or governmental access
8 channel if the city requires another communications service provider to carry
9 the channel. The city shall not use city resources that are not allocated for
10 cost accounting purposes to the city-owned communications service to
11 promote city-owned communication service in comparison to private
12 services or, directly or indirectly, require city employees, officers, or
13 contractors to purchase city services.

14 (7) Shall not subsidize the provision of communications service with funds from
15 any other noncommunications service, operation, or other revenue source,
16 including any funds or revenue generated from electric, gas, water, sewer, or
17 garbage services.

18 (8) Shall not price any communications service below the cost of providing the
19 service, including any direct or indirect subsidies received by the city-owned
20 communications service provider and allocation of costs associated with any
21 shared use of buildings, equipment, vehicles, and personnel with other city
22 departments. The city shall, in calculating the costs of providing the
23 communications service, impute (i) the cost of the capital component that is
24 equivalent to the cost of capital available to private communications service
25 providers in the same locality and (ii) an amount equal to all taxes, including
26 property taxes, licenses, fees, and other assessments that would apply to a
27 private communications service provider including federal, State, and local
28 taxes; rights-of-way, franchise, consent, or administrative fees; and pole
29 attachment fees.

30 (9) The city shall annually remit to the general fund of the city an amount
31 equivalent to all taxes or fees a private communications service provider
32 would be required to pay the city or county in which the city is located,
33 including any applicable tax refunds received by the city-owned
34 communications service provider because of its government status and a sum
35 equal to the amount of property tax that would have been due if the
36 city-owned communications service provider were a private communications
37 service provider.

38 (b) A city-owned communications service provider shall not be required to obtain voter
39 approval under G.S. 160A-321 prior to the sale or discontinuance of the city's communications
40 network.

41 (c) Subdivisions (7), (8), and (9) of subsection (a) of this section, shall not apply to a
42 city or joint agency providing communications service as of January 1, 2011.

43 (d) The service area boundaries are the following:

44 (1) For the joint agency operated by the cities of Davidson and Mooresville, the
45 service area is the service area designated in the initial notice of franchise
46 filed with the Secretary of State, and the contiguous area where the agency is
47 offering service as of the effective date of this act connecting the cities of
48 Davidson and Mooresville with areas set forth in the initial areas of
49 franchise.

1 (2) For the city of Salisbury, the service area is the cities of Salisbury, Spencer,
2 East Spencer, Rockwell, Granite Quarry, and the corridors between
3 Salisbury and those cities.

4 (3) For all other cities or joint agency offering communications service, the
5 service area is the area designated in the map filed as part of the initial notice
6 of franchise with the Secretary of State as of January 1, 2011.

7 **"§ 160A-340.2. Exemptions.**

8 (a) The provisions of G.S. 160A-340.1, 160A-340.4, G.S. 160A-340.5, and 160A-340.6
9 do not apply to the purchase, lease, construction, or operation of facilities by a city to provide
10 communications service within the city's corporate limits for the city's internal governmental
11 purposes, including the sharing of data between governmental entities for governmental
12 purposes, or within the corporate limits of another unit of local government that is a party with
13 the city to an interlocal agreement under Part 1 of Article 20 of Chapter 160A of the General
14 Statutes for the provision of internal government services.

15 (b) The provisions of G.S. 160A-340.1, 160A-340.4, and G.S. 160A-340.5 do not apply
16 to the provision of communications service in an unserved area. A city seeking to provide
17 communications service in an unserved area shall petition the North Carolina Utilities
18 Commission for a determination that an area is unserved. The petition shall identify with
19 specificity the geographic area for which the designation is sought. Any private
20 communications service provider, or any other interested party, may, within a time established
21 by order of the Commission, which time shall be no fewer than 30 days, file with the
22 Commission an objection to the designation on the grounds that one or more areas designated
23 in the petition is not an unserved area or that the city is not otherwise eligible to provide the
24 service. For purposes of this subsection, the term "unserved area" means a geographical area in
25 which at least ninety percent (90%) of households either have no access to high-speed Internet
26 service or have access to high-speed Internet service only from a satellite provider.

27 (c) The provisions of G.S. 160A-340.3, G.S. 160A-340.4, G.S. 160A-340.5, and
28 G.S. 160A-340.6 do not apply to a city or joint agency providing communications service as of
29 January 1, 2011 provided the city or joint agency limits the provision of communications
30 service to the area provided in G.S. 160A-340.1(a)(3).

31 **"§ 160A-340.3. Notice; public hearing.**

32 A city or joint agency that proposes to provide communications service shall hold not less
33 than two public hearings, which shall be held not fewer than 30 days apart, for the purpose of
34 gathering information and comment. Notice of the hearings shall be published at least once a
35 week for four consecutive weeks in the predominant newspaper of general circulation in the
36 area in which the city is located. The notice shall also be provided to the North Carolina
37 Utilities Commission, which shall post the notice on its Web site, and to all companies that
38 have requested service of the notices from the city clerk. The city shall deposit the notice in the
39 U.S. mail to companies that have requested notice at least 45 days prior to the hearing subject
40 to the notice. Private communications service providers shall be permitted to participate fully in
41 the public hearings by presenting testimony and documentation relevant to their service
42 offerings and the city's plans. Any feasibility study, business plan, or public survey conducted
43 or prepared by the city in connection with the proposed communications service project is a
44 public record as defined by G.S. 132-1 and shall be made available to the public prior to the
45 public hearings required by this section. This section does not apply to the repair, rebuilding,
46 replacement or improvement of an existing communications network, or equipment relating
47 thereto.

48 **"§ 160A-340.4. Financing.**

49 (a) A city or joint agency subject to the provisions of G.S. 160A-340.1 shall not enter into
50 a contract under G.S. 160A-19 or G.S. 160A-20 to purchase or to finance the purchase of
51 property for use in a communications network or to finance the construction of fixtures or

1 improvements for use in a communications network unless it complies with subsection (b) of
2 this section. The provisions of this section shall not apply to the repair, rebuilding, replacement,
3 or improvement of an existing communications network, or equipment relating thereto.

4 (b) A city shall not incur debt for the purpose of constructing a communications system
5 without first holding a special election under G.S. 163-287 on the question of whether the city
6 should incur debt for the proposed purposes. If a majority of the votes cast in the special
7 election are for the city incurring the debt, the city may provide the communication service. If a
8 majority of the votes cast in the special election are against the city incurring the debt, the city
9 shall not provide the communications service. However, nothing in this section shall prohibit a
10 city from revising its plan to offer communications service and calling another special election
11 on the question prior to providing or offering to provide the service. A special election required
12 under Chapter 159 of the General Statutes as a condition to the issuance of bonds shall satisfy
13 the requirements of this section.

14 **"§ 160A-340.5. Taxes; payments in lieu of taxes.**

15 (a) A communications network owned or operated by a city or joint agency shall be
16 exempt from property taxes. However, each city possessing an ownership share of a
17 communications network and a joint agency owning a communications network shall, in lieu of
18 property taxes, pay to any county authorized to levy property taxes the amount which would be
19 assessed as taxes on real and personal property if the communications network were otherwise
20 subject to valuation and assessment. Any payments in lieu of taxes shall be due and shall bear
21 interest, if unpaid, as in the case of taxes on other property.

22 (b) A city-owned communications service provider shall pay to the State, on an annual
23 basis, an amount in lieu of taxes that would otherwise be due the State if the communications
24 service was provided by a private communications service provider, including State income,
25 franchise, vehicle, motor fuel, and other similar taxes. The amount of the payment in lieu of
26 taxes shall be set annually by the Department of Revenue and shall approximate the taxes that
27 would be due if the communications service was undertaken by a private communications
28 service provider. A city-owned communications provider must provide information requested
29 by the Secretary of Revenue necessary for calculation of the assessment. The Department must
30 inform each city-owned communications provider of the amount of the assessment by January
31 1 of each year. The assessment is due by March 15 of each year. If the assessment is unpaid,
32 the State may withhold the amount due, including interest on late payments, from distributions
33 otherwise due the city under G.S. 105-164.44I.

34 (c) A city-owned communications service provider or a joint agency that provides
35 communications service shall not be eligible for a refund under G.S. 105-164.14(c) for sales
36 and use taxes paid on purchases of tangible personal property and services related to the
37 provision of communications service, except to the extent a private communications service
38 provider would be exempt from taxation.

39 **"§ 160A-340.6. Public-private partnerships for communications service.**

40 (a) Prior to undertaking to construct a communications network for the provision of
41 communications service, a city shall first solicit proposals from private business in accordance
42 with the procedures of this section.

43 (b) The city shall issue request for proposals that specifies the nature and scope of the
44 requested communications service, the area in which it is to be provided, any specifications and
45 performance standards, and information as to the city's proposed participation in providing
46 equipment, infrastructure, or other aspects of the service. The city may prescribe the form and
47 content of proposals, and may require that proposals contain sufficiently detailed information to
48 allow for an objective evaluation of proposals using the factors stated in subsection (c) of this
49 section. Each proposal shall at minimum contain:

- 50 (1) Information regarding the proposer's experience and qualifications to
51 perform the requirements of the proposal.

- 1 (2) Information demonstrating the proposer's ability to secure financing needed
2 to perform the requirements of the proposal.
- 3 (3) Information demonstrating the proposer's ability to provide staffing,
4 implement work tasks and carry out all other responsibilities necessary to
5 perform the requirements of the proposal.
- 6 (4) Information clearly identifying and specifying all elements of cost of the
7 proposal for the term of the proposed contract, including the cost of the
8 purchase or lease of equipment and supplies, design, installation, operation,
9 management, and maintenance of any system, and any proposed services.
- 10 (5) Any other information the city determines has a material bearing on its
11 ability to evaluate the proposal.

12 (c) The city shall provide notice that it is requesting proposals in accordance with this
13 subsection. The notice shall state the time and place where plans and specifications for the
14 proposed service may be obtained and the time and place for opening proposals. Any notice
15 given under this subsection shall reserve to the city the right to reject any or all proposals.
16 Notice of request for proposals shall be given by all of the following methods:

- 17 (1) By mailing a notice of request for proposals to each firm that has obtained a
18 license or permit to use the public rights-of-way in the city to provide a
19 communications service within the city by depositing such notices in the
20 U.S. mail at least 30 days prior to the date specified for the opening of
21 proposals. In identifying firms, the city may rely upon lists provided by the
22 Office of the Secretary of State and the North Carolina Utilities
23 Commission.
- 24 (2) By posting a notice of request for proposals on the city's website at least 30
25 days before the time specified for the opening of proposals.
- 26 (3) By publishing a notice of request for proposals in a newspaper of general
27 circulation in the county in which the city is predominantly located at least
28 30 days before the time specified for the opening of proposals.

29 (d) In evaluating proposals, the city may consider any relevant factors, including system
30 design, system reliability, operational experience, operational costs, compatibility with existing
31 systems and equipment, and emerging technology. The city may negotiate aspects of any
32 proposal with any responsible proposer with regard to these factors to determine which
33 proposal is the most responsive. A determination of most responsive proposer by the city shall
34 be final.

35 (e) The city may negotiate a contract with the most responsive proposer for the
36 performance of communications services specified in the request for proposals. All contracts
37 entered into pursuant to this section shall be approved and awarded by the governing body of
38 the city.

39 (f) If the city is unable to successfully negotiate the terms of a contract with the most
40 responsive proposer with 60 days of the opening of the proposals, the city may proceed to
41 negotiate with the firm determined to be the next most responsive proposer if such a proposer
42 exists. If the city is unable to successfully negotiate the terms of a contract with the next most
43 responsive proposer within 60 days, it may proceed under this Article to provide
44 communications services.

45 (g) All proposals shall be sealed and shall be opened in public."

46 SECTION 1.(b) G.S. 105-164.14 is amended by adding a new subsection to read:

47 "(d2) A city subject to the provisions of G.S. 160A-340.5 is not allowed a refund of sales
48 and use taxes paid by it under this Article for purchases related to the provision of
49 communications services as defined in Article 16A of Chapter 160A."

50 SECTION 1.(c) Subsection (b) of this section is effective when it becomes law and
51 applies to sales made on or after that date.

1 **SECTION 2.(a)** G.S. 62-3(23) is amended by adding the following new
2 sub-subdivision to read:

3 "l. The term "public utility" shall include a city or a joint agency under
4 Part 1 of Article 20 of Chapter 160A of the General Statutes that
5 provides service as defined in G.S. 62-3(23)a.6. and is subject to the
6 provisions of G.S. 160A-340.1."

7 **SECTION 2.(b)** This section shall not be construed to change the regulatory nature
8 of or requirements applicable to any particular service currently regulated by the Commission
9 under Chapter 62.

10 **SECTION 3.** Subchapter IV of Chapter 159 of the General Statutes is amended by
11 adding a new Article to read as follows:

12 "Article 9A. Borrowing by Cities for Competitive Purposes.

13 **"§ 159-175.10. Additional requirements for review of city financing application;**
14 **communications service.**

15 The Commission shall apply additional requirements to an application for financing by a
16 city or a joint agency under Part 1 of Article 20 of Chapter 160A of the General Statutes for the
17 construction, operation, expansion, or repair of a communications system or other infrastructure
18 for the purpose of offering communications service, as that term is defined in
19 G.S. 160A-340(2), that is or will be competitive with communications service offered by a
20 private communications service provider. This section does not apply to the repair, rebuilding,
21 replacement or improvement of an existing communications network, or equipment relating
22 thereto, but does apply to the expansion of such existing network. The additional requirements
23 are the following:

- 24 (1) Prior to submitting an application to the Commission, a city or joint agency
25 shall comply with the provisions of G.S. 160A-340.3 requiring at least two
26 public hearings on the proposed communications service project and notice
27 of the hearings to private communications service providers who have
28 requested notice.
- 29 (2) At the same time the application is submitted to the Commission, the city or
30 joint agency shall serve a copy of the application on each person that
31 provides competitive communications service within the city's jurisdictional
32 boundaries or in areas adjacent to the city. No hearing on the application
33 shall be heard by the Commission until at least 60 days after the application
34 is submitted to the Commission.
- 35 (3) Upon the request of a communications service provider, the Commission
36 shall accept written and oral comments from competitive private
37 communications service providers in connection with any hearing or other
38 review of the application.
- 39 (4) In considering the probable net revenues of the proposed communications
40 service project, the Commission shall consider and make written findings on
41 the reasonableness of the city or joint agency's revenue projections in light of
42 the current and projected competitive environment for the services to be
43 provided, taking into consideration the potential impact of technological
44 innovation and change on the proposed service offerings and the level of
45 demonstrated community support for the project.
- 46 (5) The city or joint agency making the application to the Commission shall bear
47 the burden of persuasion with respect to subdivisions (1) through (4) of this
48 section."

49 **SECTION 4.** G.S. 159-81(3) is amended by adding a new sub-subdivision to read:
50 "q. Cable television systems."

1 **SECTION 5.** Sections 2, 3, and 4 of this act do not apply to a city or joint agency
2 providing communications service as of January 1, 2011 provided the city or joint agency
3 limits the provision of communications service to the area provided in G.S. 160A-340.1(a)(3).

4 **SECTION 6.** Any city that is designated as a public utility under Chapter 62 of the
5 General Statutes when this act becomes law shall not be subject to the provisions of this act
6 with respect to any of its operations that are authorized by that Chapter.

7 **SECTION 7.** If any provision of this act or the application thereof to any person or
8 circumstance is held invalid, the invalidity shall not affect other provisions or applications of
9 this act which can be given effect without the invalid provision or application, and to that end
10 the provisions of this act are declared to be severable.

11 **SECTION 8.** Except as otherwise provided, this act is effective when it becomes
12 law and applies to the provision of communications service by a city or joint agency under Part
13 1 of Article 20 of Chapter 160A of the General Statutes on and after that date.

HOUSE PCS 129: Level Playing Field/Local Gov't Competition

2011-2012 General Assembly

Committee:	House Finance	Date:	March 17, 2011
Introduced by:	Reps. Avila, Howard, Carney, Wainwright	Prepared by:	Heather Fennell
Analysis of:	PCS to First Edition H129-CSTDx-8		Committee Counsel

SUMMARY: *House Bill 129 would create new requirements for cities and joint agencies that operate a communications service that is offered to the public for a fee. All of the changes made in the PCS are provided in the bill analysis section below. In summary, the PCS makes the following changes:*

- Clarifies those cities currently providing communications service are only subject to the first 6 requirements of G.S. 160A-340.1. The cities that currently offer communications service are exempt from the remaining provisions of the bill.
- Provides a mechanism for cities to seek public-private partnerships to provide communications service.
- Provides that cities that begin offering service after January 1, 2011, and therefore, are subject to all of the provisions of this bill, may issue revenue bonds for cable television systems.

CURRENT LAW: Under G.S. 160A-311, cities are authorized to operate and finance a number of public enterprises, including cable television systems. A North Carolina Court of Appeals case, *BellSouth Telecommunications, Inc. v. City of Laurinburg*, 168 N.C. App. 75, 606 S.E. 2d 721 (2005), interprets the statutory authority to operate a cable television system to include operation of a fiber optic network. Morganton (CoMPAS Cable TV), Salisbury (Fibrant), Wilson (Greenlight), and Mooresville and Davidson (MiConnection) currently offer cable and internet service as a public enterprise.

The cities that currently operate cable and internet systems financed their systems through the installment purchase contract method authorized by G.S. 160A-20. This financing mechanism is commonly known as certificates of participation. Under this financing method, a city enters into an installment contract secured by a security interest in the system that is constructed. Unlike the issuance of general obligation bonds, installment purchase financing is not subject to a vote of the people. The Local Government Commission must approve a local unit's use of certificates of participation and the unit must give notice and hold a public hearing before it can enter into certificates of participation involving real property.

BILL ANALYSIS: House Bill 129 would create a new Article 16A in Chapter 160A of the General Statutes. The new Article would provide the following:

Communications Service Definition: The bill defines "communications service" as the provision of cable, video programming, telecommunications, broadband, or high-speed Internet access service to the public for a fee. "City-owned communications service provider" includes cities that offer the service through an interlocal agreement or joint agency. The PCS clarifies that data sharing between governmental entities and service offered to the public for free are not included in the definition of "communications service" and therefore, not subject to the limitations in the bill.

Requirements for City-owned Communications Providers: The bill would require city-owned communications service providers to comply with all of the following:

House PCS 129

Page 2

- All State, local, and federal laws and regulations that a private company providing the same service would be subject to. The PCS clarifies that city-owned communication providers must comply with the laws and regulations applicable to the provision of communication service.
- Establish separate enterprise funds for the communications service. Conduct annual audits of the communications service. The PCS clarifies that the annual audit conducted under G.S. 159-34 satisfies this requirement.
- Limit the provision of service to the jurisdictional boundaries of the city. The PCS adds that service can be provided to individuals within the "service area boundary" of the cities, and existing customers of the service as of April 1, 2011 provided that contracts outside the service area is subject to public bidding upon expiration. The "service area boundary" is the following:
 - For MI-Connection – the area designated in the initial notice of franchise, and the contiguous area where the agency is offering service as of the effective date of this act connecting the cities of Davidson and Mooresville with areas set forth in the initial areas of franchise.
 - For the city of Salisbury – the cities of Salisbury, Spencer, East Spencer, Rockwell, Granite Quarry, and the corridors between those cities.
 - For all other cities and joint agencies – the area designated in the map filed with the notice of franchise.
- Prohibit the use of the city's authority to require individuals or developments to subscribe to the communications service.
- Provide nondiscriminatory access to other service providers to the city's rights-of-way, poles, or conduits. The PCS removes the term "other distribution facilities."
- Prohibit advertisements of the city-owned communications service on PEG channels of competing providers. The PCS clarifies that advertisements on PEG channels are prohibited if the channel is required to be carried by another service provider. Prohibit the use of funds not allocated to the communications service for advertisement.
- Prohibit the subsidization of the communications service with other revenue. **This provision does not apply to a city-owned communications service that was provided as of January 1, 2011.**
- The service must not be priced below the cost of providing the service. The cost of providing the service must include the cost of capital components that would be equal to the cost of capital components a private provider would incur and an amount equal to all taxes a private provider would pay. **This provision does not apply to a city-owned communications service that was provided as of January 1, 2011.**
- Remit to its General Fund an amount equal to all the taxes and fees a private provider would pay if the private provider supplied the service. **This provision does not apply to a city-owned communications service that was provided as of January 1, 2011.**

Cities that choose to sell or discontinue a city-owned communications service would not be required to hold a referendum prior to sale or discontinuance of the service.

House PCS 129

Page 3

Exemptions: The bill provides the following exemptions:

- A city that provides communications services within its jurisdictional boundaries for the city's governmental purposes is exempt from the provider requirements, limitations on installment purchase contract financing, and requirements of payments in lieu of taxes. The PCS clarifies that this exemption also applies to intergovernmental data sharing.
- The provision of communications services in an area that has been established by order of the Utilities Commission to be an "unserved area" are exempt from the provider requirements, public hearing requirements, limitations on installment purchase contract financing, and requirements of payments in lieu of taxes. For the purposes of this determination, unserved area is an area in which 90% of the households have no access to high-speed internet, or only access to high-speed internet from a satellite provider.

The PCS exempts city-owned communications service provided as of January 1, 2011 from all of the remaining provisions of the bill.

Public Hearings: Prior to offering communications services, cities will be required to hold at least 2 public hearings for comment on the service. The cities are required to provide notice for the hearings in the local newspaper and with the Utilities Commission. Private communications providers must be allowed to participate in the hearings. Feasibility studies, business plans, and public surveys for the communications service are deemed public records and must be available to the public prior to the hearings. The PCS provides that the public hearing requirement does not apply to the repair or upgrade of an existing service.

Financing: Cities and joint agencies would be prohibited from using installment purchase contracts and certificates of participation to finance a communications network. This prohibition would not apply to repairs or improvements of an existing system. A new provider can finance a communications system with certificates of participation if it holds a special election.

Taxes, Payments in Lieu of Taxes: Cities and joint agencies operating a communications service would be required to make the following payments in lieu of taxes:

- To the applicable county, a payment of the amount of property taxes that would be due if the communications system was subject to the property tax.
- To the State, an amount set by the Department of Revenue that approximates the amount of income, franchise, vehicle, motor fuel and other taxes that would be due if the communications system was subject to these taxes. The PCS provides that cities subject to this provision must provide information to the Department of Revenue necessary for the calculation of the payment. The PCS also provides that the amount of the assessment is set by January 1 of each year, and due by March 15 of each year.
- Cities and joint agencies would not receive a sales tax refund for purchases related to the provision of the communications service. The PCS makes a conforming change to Chapter 105 regarding the sales tax refund.

Added in the PCS – Public-Private Partnerships for Communications Service: The PCS provides that cities must solicit proposals from private providers before constructing a communications network.

House PCS 129

Page 4

Designation as Public Utility: Cities and joint agencies that provide telephone service would be included in the term "public utility" as defined by Chapter 62 of the General Statutes. Telephone service provided by these entities would be subject to oversight by the Utilities Commission. The PCS clarifies that this section does not expand the regulatory authority of the Utilities Commission in regards to telephone service.

Additional Financing Requirements: For review by the Local Government Commission (LGC) of an application for financing the construction, operation, expansion, or repair of a communications system by a city or joint agency, the following apply:

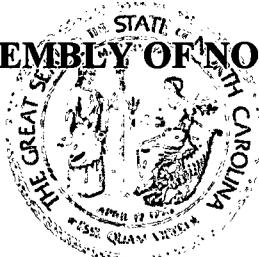

- The public hearings required by the bill must be held before an application for financing may be submitted.
- A copy of the application must be given to private communications providers that serve the city and areas adjacent to the city. The LGC must accept written and oral comments from private providers as a part of the application review.
- The LGC must consider and make written findings regarding the reasonableness of the revenue projections of the service in light of the current and projected competitive environment, the impact of innovation, and the level of community support for the project.

Added in the PCS – Revenue Bonds: The PCS provides that cities may issue revenue bonds to provide a cable television system.

EFFECTIVE DATE: This act is effective when it becomes law and applies to the provision of communications services by cities or joint agencies on or after that date.

RE: House Bill 129 (Unknown Edition)

FISCAL IMPACT

Yes (X) No () No Estimate Available ()

FY 2011-12 FY 2012-13 FY 2013-14 FY 2014-15 FY 2015-16

REVENUES *No Fiscal Impact on Current Municipal Broadband Systems*
 Payment in Lieu of Taxes Estimated at \$18.98 per Subscriber for Future Systems

EXPENDITURES

POSITIONS (cumulative):

**PRINCIPAL DEPARTMENT(S) &
PROGRAM(S) AFFECTED:** North Carolina Department of Revenue; North Carolina Department of State Treasurer, Local Government Commission

EFFECTIVE DATE: When the bill becomes law.

BILL SUMMARY: House Bill (HB) 129 implements new regulatory, public information, and financial requirements for cities and joint agencies providing communication services to the public for a fee. Four cities/joint agencies, Morganton (CoMPAS Cable TV), Salisbury (Fibrant), Wilson

(Greenlight), Mooresville-Davidson (MI Connection), currently offer municipal broadband services that could fall within the purview of HB 129. The bill, however, specifically exempts these groups by exempting entities providing telecom services prior to January 1, 2011.

The new regulations set forth in HB 129 require that future municipal broadband companies:

- Comply with all State, local and federal laws and regulations adhered to by private communication companies.
- Establish separate enterprise funds for the communications service, and conduct annual audits.
- Limit the communication services to the jurisdictional boundaries of the city.
- Eliminate the practice of requiring individuals or developments subscribe to municipal broadband services.
- Provide other service providers with access to the city's rights-of-way, conduits, and other distribution facilities.
- Prohibit advertisements for municipal broadband on the public, education, and government (PEG) channels of competing providers.
- Limit the revenue used to finance communication services to the income generated from the service.
- Price municipal communication services a rate equal to the cost of providing the service. The price should include adjustments for capital costs and taxes incurred in the private sector.

The new public information standards set forth in HB 129 require that municipal broadband companies:

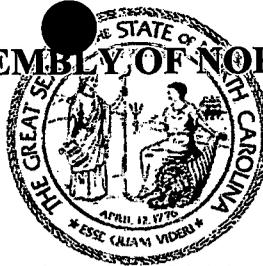

- Hold two public hearings prior to offering services.
- Provide notice for the public hearings in local newspaper and with the Utilities Commission.
- Provide the public with all feasibility studies, business plans, and surveys prior to the hearings.
- Allow private communications providers to participate in the hearing.

The new financial standards set forth in HB 129 require that municipal broadband companies:

- Eliminate the practice of using certificates of participation to finance the construction of a system.
- Make payments in lieu of property taxes to the county/counties in which the services are contained.
- Remit to the State payments in lieu of taxes (PiLoTs), an amount set by the Department of Revenue equivalent to the income, franchise, vehicle, motor fuel, and other taxes due if operating as a private enterprise.

ASSUMPTIONS AND METHODOLOGY: Should HB 129 be enacted, newly operational municipal broadband companies will be required to make payments in lieu of taxes (PiLoTs) of roughly \$202,000 annually. PiLoTs will serve as a significant barrier to entry for municipal broadband companies. The PiLoT estimates are based on information provided by the North Carolina Cable Telecommunications Association. According to the association, private telecommunication providers pay roughly, \$19 per subscriber in State and local taxes. Table 1 provides a breakdown of the estimated state and local taxes paid by revenue type.

GENERAL ASSEMBLY OF NORTH CAROLINA

Session 2011

Table 1: Payment in Lieu of Taxes for Public Entities Providing Communication Services

Tax	Description	Estimated Tax Revenue per Subscriber
Sales and Use Tax	Governmental entities would no longer be eligible to receive sales and use tax refunds under G.S. 105-164.14(c) for tangible personal property utilized in providing communication services.	\$2.07
Corporate Income Tax	Income generated from providing communication services would no longer be eligible for the income tax exemption for governmental units provided under G.S. 105-103.11, but subject to the 6.9% corporate income tax as described in G.S. 105-103.3.	\$2.91
Franchise Tax	G.S. 105-122 levies a franchise/privilege tax on corporations at a rate of \$1.50 per \$1,000 on one of three bases: 1) the profits apportioned to the State, 2) 55% of the value of real property owned in the state and subject to local property tax, 3) the book value of real and tangible personal property less any debt used to acquire real property in the state.	\$2.21
Property Tax	Government entities would be required to remit taxes on real property (buildings, land, etc.) used in conjunction with providing communication services.	\$11.79
Total Tax Due Per Subscriber		\$18.98
Source: North Carolina Cable Telecommunications Association; Time Warner Cable		

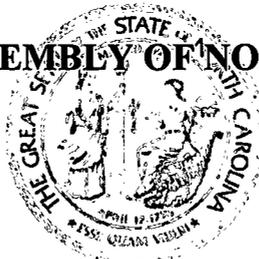

The four public broadband enterprises operating as of January 2011, Morganton (CoMPAS Cable TV), Salisbury (Fibrant), Wilson (Greenlight), Mooresville-Davidson (MI Connection), jointly serve a region covering 42,761 households. Table 2, provides a snapshot of the regions in which these systems operate, years of operation, number of households served, as well as income and assets for the 2010, fiscal year. As illustrated, only one system, CoMPAS, in Morganton, operated at a net profit during the 2010 fiscal year. CoMPAS began providing telecommunication services in 1992, financing the system's construction through debt and revenue from other utility services. The city upgraded the system in 2004 using funding provided through low interest debt called certificates of

participation (COPs). Morganton made its final COPs payment in December 2010 and expects to generate roughly one million dollars in net income annually in future years.

Table 2. Financial and Customer Data on Existing Municipal Broadband Providers, 2010

Provider	City Detail	Length of Operation	Certificates of Participation (\$ In Millions)	Number of Households in Service Area, 2010	2010 Net Income/(Loss) (\$ In Millions)	Assets (\$ In Millions)	
						Real Property (Buildings, Land)	Tangible Personal Property
Greenlight	Wilson, Wilson County, NC	2.8 years	31.80	19,799	(1.37)	0.93	8.47
Fibrant (2)	Salisbury, Rowan County, NC	3 months	29.10	7,562	(0.45)	4.59	
MI Connection (3)	Mooresville-Davidson	3.1 years	79.65	9,000 (actual); 13,489 (projected)	(5.60)	0.65	0.701
CoMPAS (4)	Morganton, Burke County, NC	Began in 1992 (infrastructure financed through utility system revenue), system upgrade occurred in 2004	7.32	6,400	0.2	Owned by Burke County	
Total			\$147.87	42,761	\$ (7.22)

March 22, 2011

The Honorable Tim Moffitt
NC House of Representatives
16 West Jones Street, Room 1025
Raleigh, NC 27601-1096

Dear Representative Moffitt,

I want to share with you information about a topic discussed in the Finance committee last week that will be on the agenda again this week – municipal broadband.

In Mooresville, we made the decision to offer broadband to our citizens and serve them only after the private sector was unwilling – we met with them and asked them to do so – that would have been our preference. In fact, we are still open to partnering with the private sector on our system and our goal is to one day return our broadband system to the private sector, which can only be done once the debt is paid off. Today, the result is that everyone in our town has equal access to high speed broadband. All of our citizens are served.

While I was not able to attend the Finance committee last week, I was very pleased to see the committee pass Representative Warren’s amendment to fully and completely exempt us from the bill, which we believe is the right thing to do. I ask for your continued support of Representative Warren’s amendment. We are very appreciative of the time spent by many other members on this issue.

While it may make sense to apply the new regulations and provisions in the bill (H 129) to new systems moving forward as they can include the provisions in their business plan and models and then determine if they should move forward with the investment, applying them after the fact to community systems that have already issued debt is not only unfair, but is also dangerous as it jeopardizes the ability of these entities to repay their debt and be successful. This has been confirmed to us by the Local Government Commission and our own legal and financial staff.

Thank you for your continued support of Rep. Warren and a full and complete exemption from the bill for existing systems.

Sincerely,

A handwritten signature in black ink, appearing to read "C. Montgomery". The signature is written in a cursive, slightly stylized font.

Chris Montgomery, Mayor

Chair, members of the committee; I'm Arek Kempinski, Orange County, Cedar Grove.

I ask that you vote NO to House Bill 129.

Our State's official broadband map advertises that our community should have access to Time-Warner, CenturyLink, and Verizon.

In error <?>, these companies told you, the e-NC authority, and the FCC that they provide broadband service to our community.

Time-Warner and CenturyLink told us <!>, that they **do not**, and **have no plans to** <!>, serve our community.

Verizon provides wireless service, but the access speeds are less than **10% of what e-NC advertises**.

We pay full price for this "broadband" service, but get dialup speeds, or NO service at all!

With all the **flawed** information, we understand your confusion, but this is reality for us <!> and the half of the communities in the State.

Without broadband;

We **cannot access** government services, development permits, job applications, or education programs,

We **cannot compete** in an online marketplace, since we **cannot access** that marketplace,

We **cannot even rely** on contemporary phone service to make emergency calls for police, fire, or ambulance!

According to one ex-CenturyLink official, the company could provide internet service in Northern Orange County, if they only purchased a **17-hundred dollar** piece of equipment and upgrade what they installed ¾-mile from my house in late 1990s - but they won't do it<!> – they rather spend it on these lawyers here<!>, and fight the interests of the very constituents you are here to represent.

Broadband is the infrastructure we need <!> to access basic: health, safety, economic, and social services;

So, **why are you still debating** <?> whether we have the right <?> to access these basic services?

Please, **just stand aside**, and let our communities deliver the services that You, Time-Warner and CenturyLink will not provide. Please **don't worry** about the profits of multi-billion-dollar out-of-state companies; But,

Do <!>, be concerned <!>, that we might not be able to make an emergency call when we need to.

Do <!>, **be concerned** <!>, that my wife's business struggles to get adequate internet service, on top of dealing with the real economic challenges.

Do <!>, **send a message** <!>, that you support efforts of communities and business actually located in this State.

Vote NO to HB129!

REMARKS OF TOM VANDERBECK**TO FINANCE COMMITTEE****MARCH 23, 2011 – 8:30 – ROOM 544 - H129 ANTI-LOCAL BROADBAND BILL**

GOOD MORNING. MY NAME IS TOM VANDERBECK. I AM A FORMER COUNTY COMMISSIONER, CURRENT MEMBER ON e-NC'S GOVERNING COMMISSION AND I SPEAK TODAY AS A CHATHAM COUNTY RESIDENT.

I AM HERE TO TELL THE BROADBAND STORY OF OUR RURAL RESIDENTS AND BUSINESSES -- WHICH IS A VERY DIFFERENT STORY FROM OUR URBAN AREAS.

CHATHAM COUNTY SITS DIRECTLY WEST OF THE RESEARCH TRIANGLE PARK AND SOUTHWEST OF CHAPEL HILL. WHILE WE REMAIN A FARMING COMMUNITY, WE HAVE WATCHED THE SIGNIFICANT DECLINE OF OUR POULTRY INDUSTRY. OUR 20,000 HOMES ARE SPREAD OVER A 700 SQUARE MILE DISTANCE.

BECAUSE OF OUR LOW HOUSEHOLD DENSITY, AND LOWER INCOMES, ESPECIALLY IN THE WESTERN PORTION OF THE COUNTY, SIGNIFICANT PORTIONS OF THE COUNTY ARE UNSERVED OR UNDERSERVED BY PRIVATE SECTOR BROADBAND PROVIDERS: TIME WARNER CABLE, CENTURYLINK AND CHARTER.

AS A RESULT, OUR PUBLIC SCHOOLS ARE REPORTING THAT PARENTS ARE SITTING IN THE SCHOOL PARKING LOTS SO THEIR KIDS CAN GET ACCESS TO BROADBAND TO DO THEIR HOMEWORK.

ANOTHER PITTSBORO RESIDENT REPORTED THAT HE HAS TO DRIVE HIS CHILD 10 MILES TO A FIND A BROADBAND CONNECTION TO DO HIS HOMEWORK. [CENTURYLINK TOLD HIM THEY HOPE TO GET HIM DSL BY 2012.]

ANOTHER RESIDENT WAS TOLD BY TIME WARNER CABLE THAT HE AND HIS 12 NEIGHBORS WOULD HAVE TO PAY THEM \$50,000 TO HAVE CABLE MODEM SERVICE INSTALLED. THIS WAS ESPECIALLY DISCOURAGING BECAUSE THESE RESIDENTS KNOW THERE IS A HIGH-END GOLF COMMUNITY ONE MILE AWAY THAT HAS THE FULL TRIPLE PLAY OF SERVICES

CELL SERVICE IS EQUALLY NON EXISTENT OR SPOTTY. THE LOCAL LIBRARIAN SAID SHE HAS TO CALL HER HUSBAND BEFORE SHE GETS TO A CERTAIN POINT ON 87 NORTH ON HER WAY HOME TO ALAMANCE, BECAUSE CELL SERVICE CUTS OUT ON HER WAY HOME. I'D SAY THAT IS A PUBLIC SAFETY ISSUE. SIMILARLY, EMPLOYEES FROM A NEW CANADIAN-BASED WOOD PRODUCT PLANT NOW LOCATED IN OUR MONCURE AREA HAVE TO WALK OUTSIDE TO A

FAR CORNER OF THEIR OF CAMPUS TO USE THEIR CELL PHONES. THAT'S NOT GOOD FOR BUSINESS.

ESPECIALLY BECAUSE OF OUR LARGE DISTANCES, ACCESS TO BROADBAND SERVICES IS ESSENTIAL FOR CHATHAM TO ACCESS MODERN EDUCATION, HEALTHCARE AND ECONOMIC OPPORTUNITIES.

H129, AS ORIGINALLY WRITTEN WITH ITS 7 PAGES OF REGULATIONS, MAKES THE PRIVATE COMPANIES THE ONLY OPTION WHEN YOU WANT TO BUY BROADBAND SERVICE -- SERVICE THOSE PRIVATE COMPANIES HAVE ALREADY TOLD MUCH OF OUR COUNTY WE CAN'T HAVE. WITHOUT AN EXEMPTION FOR UNDERSERVED AREAS, CHATHAM WILL EFFECTIVELY BE PREVENTED FROM PARTNERING WITH THE PRIVATE SECTOR, WHICH IS OUR FIRST PREFERENCE, OR PARTNERING WITH OUR TOWNS, TO BRING OUR BUSINESSES AND RESIDENTS THE ESSENTIAL INFRASTRUCTURE THEY NEED TO LIVE AND FUNCTION IN OUR COUNTY. OUR RESIDENTS ONLY OTHER CHOICE IS TO MOVE OUT OF THE COUNTY.

WE DON'T WANT TO COMPETE WITH TWC OR CENTURYLINK WHO ARE MULTI-BILLION DOLLAR COMPANIES BY THE WAY, -- WE JUST WANT OUR BUSINESSES AND STUDENTS TO BE ABLE TO COMPETE IN THIS GLOBAL ECONOMY.

H129 HURTS OUR RURAL ECONOMIES AND WILL MAKE OUR CHILDREN DIGITAL-HAVE NOTS. PLEASE VOTE NO ON THIS BILL.

THANK YOU FOR LISTENING.

My name is Mark Turner and I'm a technology advocate from East
Raleigh. I

want to share a true story that will show you what I think House Bill
129 is about and why you should oppose it.

On a recent Sunday I took my family to the local library. While my kids
browsed for books, I overheard a mother and her son, about 10 years
old,
pleading with the librarian. The boy had a school project to do but all
of
the library's computers were full, and the librarian had to turn him
away.

I really felt for this mother. All she wanted, was for her son to get
some time

on the Internet, so he could get his homework done. It was clear by
the looks on their faces that they had just missed their last chance. I
will never forget how defeated that young man looked.

I knew right then how fortunate, I am to have broadband available and
to be

able to afford it. Many folks in our state, especially folks in rural areas,
either can't get broadband or can't afford it. These are honest, hard-
working folks like you and me, and these are the folks who will be hurt
most by this bill.

Now, as political leaders y'all are great role models and I'm sure you get invited all the time to speak to school kids. The next time you're out talking with our leaders of tomorrow, ask to see their encyclopedias. Chances are they won't have any. The Internet is such a part of today's education that kids do almost all of their research using Internet sources. But, there are almost never enough computers in the classroom to go around, so any kid without broadband connection at home is falling behind.

So I ask you today to think, about the many families in our state, like that family in the library, who can't get Internet time at their library, or

at their school, and for whatever reason, can't even get it home! This bill will take away our cities' ability to serve these folks, and if the cities can't serve them then no one else will.

Please don't shut the door on these folks and turn them into second-class citizens. Please vote no on this bill. Thank you.

Testimony of Timothy Lee, Center for Individual Freedom Vice President of Legal and Public Affairs

Before The North Carolina House Finance Committee

H.B. 129 – Level Playing Field/Local Government Competition

March 23, 2011

Chairwoman Howard and Members of the Committee: My name is Timothy Lee, and I am the Vice President of Legal and Public Affairs for the Center for Individual Freedom (“CFIF”), a constitutional and free-market organization with more than 300,000 activists and supporters nationwide, including more than 4,200 activists here in North Carolina. It is a pleasure to testify before you today in support of HB 129, and I thank you very much for the opportunity.

The issue presented by HB 129 is not whether broadband expansion is a good thing. On that we all agree. The issue is instead whether, given today’s realities, government should be in the business of operating communications networks, competing with private investment and creating even more debt for which struggling taxpayers will ultimately be liable.

By any meaningful measure, the history of public broadband is a history of failure.

From Taipei, Taiwanⁱ to Sydney, Australiaⁱⁱ; from Chicago, Illinoisⁱⁱⁱ, to Houston, Texas^{iv}; from Burlington, Vermont^v to Marietta, Georgia^{vi}; and even here in North Carolina^{vii}, we are unaware of a single instance in which a public broadband project has even managed to break even financially.

Regardless of one’s position on this bill, the facts speak for themselves.

While every public network begins with the sincere belief that “this time is different” and “we can make it work here,” public broadband projects ultimately end in financial failure, eradicate good-paying private-sector jobs, deter private investment and delay or outright stifle innovation.

North Carolina localities such as Salisbury (Fibrant) or Davidson and Mooresville (MI-Connection) are currently providing Internet service to their citizens, but at what cost? Mooresville and Davidson face millions of dollars in debt due to their purchase of MI-Connection Communications System in 2007. According to a Davidsonnews.Net report, “this year’s system budget calls for Davidson and Mooresville to kick in a total of \$6.46 million to help pay this year’s costs -- \$4.44 million from Mooresville and \$2.02 million from Davidson.”^{viii} And, according to MI-Connection’s own debt payment schedule contained in a fiscal year 2009-2010 audit, it will require over \$7 million in debt payments for each of the next five fiscal years, starting in 2011.

Furthermore, the private investment in private high-speed networks is enormous -- in the tens of billions of dollars annually.^{ix} When government moves into a competitive stance or subsidizes private competitors, it's not only unfair, in the end it's highly destructive.

It is unfair because private networks are extremely expensive, and even though all public networks eventually fail, they temporarily compete with existing networks, which stand to lose business, shed employees and send the signal to the market that investments in other such networks is a bad bet, since government may move in to compete.

Those who conveniently vilify existing network providers often fail to consider that the shareholders who own these companies include retirees and even public pension funds, not some select few highly paid CEOs. Additionally, private networks employ North Carolinian workers, who stand to lose their jobs due to temporary market disruptions and displacements -- this, at a time when unemployment remains unacceptably high.

Government "competition" is especially damaging to private investment in rural networks. After all, what investor in his or her right mind would risk capital in a rural network -- where profit margins are already very thin -- if a government backstopped by taxpayers suddenly moves in on that business, or subsidizes a competitor? The likely result is that the flow of private investment in rural networks will dry up quickly.

So, in an effort to "improve" rural North Carolinians' broadband access, the government may in fact damage rural broadband badly, leaving fewer people served.

Finally, private broadband providers are continually upgrading their networks to meet consumer demands and support rapid innovation over their networks. One need only turn on his or her television -- regardless of the time of day -- to see ads for 3G and 4G wireless -- "G" standing for "Generation." Advertisements for faster and faster service abound. The market does not stand still.

To illustrate, consider where we were just 5 years ago. Systems just five years old are already largely obsolete. Do municipalities wishing to erect public networks have a plan to stay on the cutting edge? Or are planned public networks based on a snapshot of the current market that is certain to be outdated in a few short years? Again, in every case across the country that my organization has studied and reviewed, the latter is true. Making matters worse, taxpayers invariably get left holding the bag, ultimately bailing out a public network that quickly became obsolete.

Accordingly, what may currently seem like high-speed broadband will seem slow in the near future. Not only must any government system struggle to break even, it must somehow generate sufficient revenue to maintain, upgrade and improve those networks.

This is something that government-operated networks have failed every time to achieve.

For these and other reasons, H.B. 129 is a commonsense bill that will help preserve jobs, protect taxpayers and ultimately result in private network expansion and improvement. Federal, state and local governments already have enough responsibilities, and face enough budgetary difficulties, without exacerbating them through counterproductive endeavors better addressed via private investment and innovation.

Thank you again for this opportunity to testify today.

POLICY PAPER

March 2009
No. 0309

Published by AMERICANS FOR PROSPERITY

Municipal Broadband's Record of Failure *A Profile in Market Intrusion*

James Valvo
Assistant for Policy and Public Affairs

The recently passed American Recovery and Reinvestment Act included over \$7 billion to stimulate broadband infrastructure development and Internet demand. The legislation intends for the funds to help both unserved and underserved areas. Unserved areas include rural communities with no existing service provider, while underserved indicates areas with low capacity or exceedingly low enrollment rates. This bill must not be hijacked to redirect funds into markets that already contain multiple private Internet service providers.

Before billions of taxpayer dollars are spent on municipal broadband projects under the guise of economic stimulus, we should consider the results of recent projects that have already been undertaken. The results, almost without exception, have been overwhelmingly negative.

The complexity of public-private structures that are employed in municipal broadband projects introduces a bureaucracy and an inertia that makes these systems poor competitors with commercial services, leading to taxpayer dollars being squandered on subsidized systems. On the whole, such hybrid relationships have not

performed as advertised.

Conversely, the private sector continues to rapidly develop new broadband services that offer higher quality and innovative services at competitive prices. Since 1996, more than \$146 billion has been reinvested by the cable industry to expand broadband services. Rapid technological advances by wireless providers has improved the speed and coverage of wireless data services, reducing the demand for WiFi services overall and even further with municipal providers in particular.

The stated goal of "free" or low-cost municipal service is to bridge the digital divide and provide poor citizens with access to the online world. However, the private sector, including charity and non-profit organizations, has proven far more adept at solving these types of issues in other areas and Internet service will certainly be no exception; see the Philadelphia example below.

Easily the biggest problem with municipal projects is that they commit taxpayer money to projects that nearly always run over budget for construction, are not financially sustainable once they are built and rely on future subsidies to provide so-called "free

Private "investors will finish building the network ... and plan to work with nonprofit organizations ... to offer services to people who don't have Internet access."

IDG News Service, 06/17/2008

service." As is always the case when governments enter the free market, distortions in price, customer service and availability hinder competition and ruin what could otherwise be a profitable venture.

This paper will examine the recent history of local governments attempting to subsidize broadband access in the face of private sector competition. This document is a compilation of available public information regarding the most significant municipal broadband projects. We examine large and small markets domestically as well as international examples in Asia and Australia.

The result of our investigation is that taxpayer-subsidized municipal broadband projects are nothing more than a record of failure.

Domestic Case Studies

Philadelphia, Pennsylvania

The Wireless Philadelphia project is a good example of how technological innovation outstrips the languid pace of bureaucracy. In 2005, the project was initially hailed as the nation's most ambitious municipal effort to provide free citywide coverage. Philadelphia planned to use "refurbished gear [that] could build the entire project with 'non-city' resources."¹ While the city struggled to get the system in place, the private sector forged ahead with innovation; in three short years the entire project was out of date and the private partner EarthLink withdrew saying, "making significant further investments in this business could be inconsistent with our objective of maximizing shareholder value."² Additional complications with the project include:

- By 2007, the project had already run 30% over budget, while corporate partner EarthLink massively scaled back its scope.³

- As many critics had warned, EarthLink had to deploy 42 Wi-Fi access points per square mile, twice what city planners had predicted.⁴
- The New York Times reported on the unrealistic ambitions and technological glitches that are endemic when inexperienced bureaucrats venture into the technological marketplace.⁵
- In June 2008, Philadelphia Mayor Michael Nutter announced that a group of private investors were saving the project, and would complete the city network in coordination with non-profit organizations to deliver free services to those who cannot afford them, focusing on fostering adoption and getting hardware, support and training to people who need it.⁶

The Philadelphia experience should provide a clarion example to those who insist on putting government planning ahead of private sector development. In this case, the citizens of Philadelphia were lucky because the private sector ultimately rode to the rescue and saved the project.

Chicago, Illinois

In contrast to the Philadelphia project, Chicago's foray into the municipal broadband arena was not plagued by technological inefficacy but instead fell prey to market cost structures. The city government launched an initiative to bring in private companies to compete for the citywide project. However, by the time the bidding process had ended the private Internet service providers in the area were already effectively serving the demand. The Chicago Tribune profiled the collapse of the project this way, "technology is advancing and the cost of online access for consumers is declining so dramatically that Chicago has other avenues to promote more use of the Internet."⁷

With EarthLink rethinking their

Houston provides "another case where the resulting municipal system turns out to be nothing like what was promised." - Reason Foundation, 11/12/2008

"... 24 new customers per month, far short of the number that the city needs to make the wireless Internet utility service financially viable." - Lompoc Record, 4/9/2007

municipal broadband activity and other bids evaporating due to price point constraints, AT&T and Sprint Nextel are both developing private projects to serve the Chicago market now that it is free of government distortion.

Houston, Texas

As EarthLink's business model fell apart due to untenable municipal cost structures, the company was forced to pay penalties for the contracts it was unable to service, once such community was Houston. An August 2007 article in the Houston Chronicle profiled the delays that the city was experiencing due to lack of interested customers. The piece quoted Craig Settles, a municipal Wi-Fi consultant, who said, "All of the numbers are pointing toward the consumer being a weak part of the financial foundation." Even with a \$2.5 million commitment from the city to serve as an anchor tenant to offset the expected low customer demand, the project was deemed unviable.

The company instead decided it was better fiscally to pay a multi-million dollar fine to walk away from the unsound investment. The city is now using the \$3.5 million received from EarthLink upon cancellation of the project to fund hotspots in low-income areas, which will be used exclusively for publicly-funded computers in classrooms, community centers, and other public programs.⁸ These city networks will be password protected and will not be available to the general public. This is clearly not in line with the original intent.

Lompoc, California

Large cities are not the only ones who have tried unsuccessfully to manage municipal broadband as though it were a utility. Even on a small scale, like the one implemented in Lompoc, California, cities are running into

service issues. The private sector thrives because it has a vested interest in providing a high-quality, customer driven product. Municipalities fail to this effect because they are exercising a near-monopoly funded through taxes that are wrested from its citizens.

Lompoc ran into this harsh reality when it spent nearly \$3 million on a citywide municipal wireless network and only signed up 281 customers in the network's first seven months of operation.⁹ The city has reported that it needs more than 4,000 paying customers to break even, with Lompoc Utilities Director Ron Stassi admitting that that figure may be too low because the city slashed rates trying to attract more customers. It is unknown if they will ever reach the needed penetration, in the mean time taxpayers are subsidizing the venture. Stassi continued by saying "With WiFi we're in a competitive environment ... it forces us to have a high concentration on customer satisfaction to keep customers from going to a competitor." A fight the city is currently losing.

Lompoc has also been plagued by poor reception on the wireless network—a problem that is indicative of the inexperience that municipalities are grappling with when trying to enter the market. The city's Wireless Services Administrator Richard Gracyk said "he hadn't realized how important the back-end elements were to the whole picture."¹⁰ The city has spent \$10,676 per subscriber to provide service, using currently available connection figures to get the poor performance that is making attracting and retaining customer difficult. In July 2008, Lompoc switched to a new gateway server built by Aptilo Networks. The new server provides back-end upgrades that improve customer service and network troubleshooting.¹¹ This transition has added cost to the project and further pushed back the breakeven point.

The odds of Portland meeting its targeted 90% coverage are "one in a billion." – Willamette Week Online, 3/29/2007

Portland, Oregon

Lompoc is not the only city to have poor quality connections doom their municipal Wi-Fi dreams. According to a report by Portland's Personal Telco Project, a nonprofit committed to building a community-supported wireless network, the city's system has failed to meet the benchmark of 90% coverage within 500 feet of a Wi-Fi access point. Instead the plan reaches just 50%.¹² The study's authors estimated the odds of meeting the 90% threshold at "one in a billion." The spotty coverage has put service out of reach for many would be users, dampening advertising revenue on the ad-supported free-of-charge system, forcing Portland's corporate partner to shut down the service.

The Willamette Week Online reported that "Metro-Fi began establishing the network in December of [2006] and is responsible for its complete roll-out. The network is an ad-supported, free-of-charge system and is not subsidized by tax or levy." However, this light-duty network, which is that only type that can be supported without tax dollars, is the cause of the problems with establishing service.

In April 2008, MetroFi, contracted to develop the network, stated that only fifteen to twenty percent of the system was operational, and that it did not have the necessary funds to complete the project.¹³ The company returned to the city seeking more funds but was turned away, marking an end to the saga. Officials have given the company that developed the city's failed municipal WiFi until the end of the year to remove the equipment it installed on city utility poles.¹⁴

MetroFi was also forced to discontinue service in Foster City, California effective June 20, 2008 for similar reasons.¹⁵

Ashland, Oregon

When private companies have business models that do not perform, they go out of business as we have seen in the aforementioned examples. However, when cities engage in incursions into the marketplace that go sour, they turn to taxpayers to bail them out. Ashland, Oregon is once such example. In early 2007, when the city folded its cable TV business, which was financed by taxpayer bonds, it incurred a \$15.5 million deficit. With interest on the debt mounting, the city plans to subsidize the payments using revenues from other city departments. Some city officials are worried that these cross subsidies will result in electric and other utility rate hikes, while others are considering property tax hikes to make up the difference.¹⁶

St. Cloud, Florida

Even when municipalities do get networks up and running, the service they provide is often so far below the industry standard that citizens would rather pay the higher price than suffer through government mismanagement. In St. Cloud, Florida, many educators and residents in the 28,000-person Orlando suburb are still paying to use their own internet service providers, as dead spots and weak signals keep them offline and force engineers to retool the free system.¹⁷

An Associated Press story profiled a disappointed St. Cloud resident Joe Lusardi who is frustrated with the city's administration of the system. Lusardi said he was told that he had to pay \$170 for a special wireless bridge to access the "free" network.

From the AP article:

At first, a desktop computer in Lusardi's house could use the Wi-Fi network with no problem, but his laptop would only work outdoors.

"It'll probably be a major challenge for some time until the technology is such that it works properly."
- St. Cloud Mayor Donna Hart, eSchool News 6/15/2006

"The experience is that large-scale Wi-Fi projects have proved ineffective at meeting the needs of local businesses and the community. Most schemes sponsored by overseas governments have collapsed and require further funding to the tune of tens of millions of dollars ... I cannot expose taxpayers to that sort of risk."
- Eric Roozendaal, Member New South Wales Legislative Council, The Sydney Morning Herald, 5/1/2008

Even then it was too slow and unreliable, so he kept his \$20 per month Sprint DSL service. Now the desktop doesn't even work, and he's completely abandoned the idea of dropping his pay service and using the network. "

It's just total frustration," Lussardi said. "I'm going to stay with the DSL and just forget it, because I don't think it's going to work. Very few people are going to use it, and they're going to say it's underutilized and they're going to shut it down.

Additionally, after spending \$2.6 million to establish its poorly functioning public WiFi network, \$236,920 more taxpayer dollars were requested from the city in order to bring service to 14 neighborhoods that "slipped through a hole in the project."¹⁸

International Trends

Sydney, Australia

Despite a concerted effort by the local government to blanket Sydney, Australia and the surrounding areas in high-speed Internet coverage, the plan never got off the ground. In May of 2008, the Minister of Commerce announced that plans for free wireless broadband for Sydney and other major population centers had been canceled, based upon the impracticatilty of fifteen proposals to build the network.¹⁹

Taipei, Taiwan

The East Asian powerhouse has fallen victim to the same forces that have plagued American projects. Un-dependable coverage, poor customer service and inability to compete on price have all put Taipei in the same untenable position as the American cities profiled above. Competition from private companies has put the government-sponsored enterprise in jeopardy.²⁰

A 2007 report from the Taiwan Review said, about 60,000 people signed up for free subscriptions to the Wi-Fi service during the beta testing phase. But in 2006, when people started to be charged for the service, \$12 per month or \$127 per year, only a few thousand subscribers remained. Interest has grown to over 200,000, but it is still far from a break-even point in the business model, which is estimated at 500,000.²¹

Conclusion

This list of examples should serve as a cautionary tale for those designing the implementation of the broadband section of the stimulus program. Ideally, broadband services would be provided by the free market without government interference or subsidy. However, given that massive subsidies are now a reality, they should be primarily structured to encourage private Internet service in unserved rural communities. These areas are in need of service but do not have a private sector provider who will suffer from taxpayer subsidized municipal service.

A secondary priority should be underserved areas. Grants should be awarded to companies to encourage increased viability on the demand side of the equation, which has the potential to make these projects financially sustainable. However, this should not occur through the same style of so-called public-private partnerships that has produced disastrous results over the past decade.

An active government role in the broadband marketplace has produced nothing but wasted tax dollars and a record of failure.

To: Renee Weaver (Rep. Howard)
Subject: HB 129 Comments

Good morning Renee,

I have just completed reading through the bill, and I noticed that the cities will be required to pay the state taxes on the product.

The Cities will then tax the public for a service that is generally used for those who have technology. I want to add to this that the cities, if they decide to accept this as a method of providing services, should not be permitted to use property taxes as a method of paying for this service, however, it should be permitted that any fees (on building permits, land transfers or sales) should be used to absorb the costs.

Additionally, since information technology in respect to the costs are low compared to other aspects of the function of cities and towns, that any revenue plans going forward should be capped in a manner in which over a 5 year period, the persons who are paying for such service should pay no more than the cheapest internet access available through a provider.

Importance: High

Hello,

My wife and I live in Roanoke Rapids. She is a teacher for Halifax Community College and I volunteer for several local community improvement groups. At A meeting last night the topic of broadband internet and it's value to rural communities was discussed. One member brought up the fact that a bill was being considered that would not allow local municipalities to own and operate a locally controlled internet service. We all agreed this would be a very bad idea and would allow large corporations to make decisions about the quality and price of internet provided to rural areas. I urge you to oppose this nonopolistic move. It is the idea that "Big is Better" that has helped get our nation in the mess it is in.

Thank you

Subject: H129

Please vote NO on H129 --

Municipalities with their own broadband brings visitors and money for the city's economy and education and opportunity for residents that is FAR too precious to constrain.

I visit Lenoir twice a week, tagging along with my husband for his extra-time job at a church, and I use Lenoir's free wifi downtown while he is occupied.

I've spent countless hours over the last year learning my new computer record system for my medical office (the help documentation is only visible if I'm on-line), keeping in touch with family and friends and patients (my work voicemail gives notification by email to my smartphone), and preparing for Boy Scout trainings and events. I could not afford the time travelling and sitting idle, but I can get alot done on a secure system. Available free and accountable/safe wifi is the biggest reason I accompany him to Lenoir. We spend money at restaurants every time we are there, often other businesses also.

There are too many free wifi signals that are hackers waiting to steal identities and information, particularly in downtown areas, shopping areas and airports. If an official municipal network provides reassurance (as much as can be reasonably offered) that using the network is safe, many more visitors will come and stay. It is like marketing that goes viral. I fly through certain airports just to have WiFi.

Municipal broadband more generally (not just wireless) makes sense for the citizens, too. Competition would not be unfair, since municipalities have more constraints and financial stressors in many ways that industry; I would thing the competition would make services more available to the very financially stressed citizens for whom internet access can mean training and job skills and economic productivity and advancement.

I hope you will vote against constraints on municipal broadband.

MEMORANDUM

Poyner Spruill[™]

TO: James Rose

FROM: Michael S. Colo and Keith H. Johnson

DATE: March 14, 2011

RE: Comments on House Bill 129, Short Title: Level Playing Field/Local Gov't Competition

Per your request, we are providing our comments about the above-referenced Bill. In sum, the Bill would:

- severely restrict a city's options in financing construction of a communications network to be used for providing services to the public;
- otherwise create new barriers to entry for cities (e.g., Local Government Commission ["LGC"] issuance of written findings on the reasonableness of a city's revenue projections, after private service providers have opportunity to comment);
- require a city, in setting prices for services, to include the costs for: (i) not its own costs of capital but that of a private company, and (ii) all taxes and fees the city would have to pay to any federal, State or local agency on the communications enterprise if the city were a private company, a provision ripe for litigation given the uncertainty of determining those costs;
- apply in any area in the State where at least 10% of households have access to high-speed internet access, which is a very low bar, and puts the burden on the city to prove an area is "unserved" before the NC Utilities Commission, a new task for that commission; and
- place new regulatory burdens on three different State commissions or departments (the LCG, the Utilities Commission and Dept. of Revenue).

I. The Bill Eliminates a Finance Option Private Companies Have to Use the Assets Constructed as Collateral.

The Bill significantly restricts a city's options in financing the considerable investment required to build a communications network, eliminating an option available to private companies.

First, under the Bill, a city must set up one or more separate enterprise funds for the provision of communication services, and may not subsidize "the provision of communications services" with funds from other noncommunications services or any other revenue source, including other enterprise funds. *See* proposed 160A-340.1(a)(2), and (a)(7). Presumably, this prohibition applies to costs of construction. This eliminates the ability of a city that has any surplus from any other source to use those funds to help finance the initial communications infrastructure; or any expansion of it. This arguably is unfair since, unlike private companies, cities cannot issue stock to raise capital for a new enterprise, and diversified private companies have no such restrictions on them.

Under current law, a local government unit can finance the purchase of real or personal property by installment contracts that involve pledging a security interest on the property as collateral. G.S. 160A-20. You indicated that the City of Wilson used bank-financing to construct its network. If so, Wilson almost certainly gave the bank a security interest in the network assets as collateral. The Bill would take away this option. *See* proposed 160A-340.4.

This prohibition tilts "the playing field" against cities, since private companies can certainly pledge their assets as collateral for financing of construction costs.

Under the Bill, the only remaining, practical option we can identify that a city would have for financing the construction of a communications network would be through issuance of revenue bonds, by which the financing is secured by the anticipated revenue the enterprise will generate. Revenue bond financing is more expensive compared to the option of installment contract financing that the Bill would eliminate.¹

II. New Barriers to Entry for Cities.

Under the Bill, private service providers would have two opportunities to comment on and potentially kill new competition from a city.²

¹ A city could also issue General Obligations bonds for such financing, if approved by the voters, which would be secured by the full faith and credit of the city. However, we do not view this as a practical alternative for financing the construction of a communications network.

² As discussed in Section IV below, they actually have a third venue to argue against a city if the city is attempting to offer service in an "unserved area."

A. New Local Public Hearings.

The first opportunity would be in the court of public opinion. The Bill requires a city contemplating entry into the market to hold at least two public hearings, not less than 30 days apart. *See* proposed 160A-340.3. We do not have any problem with the concept of requiring a public hearing, but requiring two is excessive. Any feasibility or similar study that has been done must be made public in advance, which is fine.

The Bill refers to the private service providers' rights to present "testimony and documentation," which is language typically used to describe a quasi-judicial hearing. Requiring such formality at the hearing(s) would be unnecessary, and that should be clarified.

B. Approval of Finance Plan by LGC.

The Bill adds additional requirements to any application from a city to the LGC for approval to finance the construction, operation, expansion or repair of a communication system for purpose of providing communications services to the public in competition with a private service provider. *See* Section 3 of Bill, proposed G.S. 159-175.10.

The city must serve a copy of the application to the LGC upon each person who provides a communication service in the city. (The scope of such parties could be very confusing.)

No earlier than 60 days later (an excessive amount of time), the LGC must hold a hearing. Again, the type of hearing is not well-defined, and it is not clear if it must be quasi-judicial in nature. Anyone providing competitive service can submit written or oral comments.

The LGC then must make written findings on the reasonableness of the city's revenue projections in light of the current and future market conditions, which again makes it sound like a quasi-judicial hearing. This is unusual. We are not aware of any comparable, existing requirement that the LGC make written findings upon review of any submission from a local government.

Also, these new requirements for LGC approval are overly broad, applying to any expansion or repair of the system once it is built, regardless of the costs involved in an expansion or repair.

III. The Pricing Provision is Likely to Lead to Litigation.

The Bill would prohibit a city from pricing services below the costs of providing it, which may not be objectionable in principle, though private service providers certainly

do not face such a limitation. *See* proposed 160A-340.1(a)(8). Regardless, a lot of issues arise from how the costs are to be calculated, which is likely to spur significant litigation.

First, it is not entirely clear how the costs-based floor would apply in cases where multiple services are provided to a customer. Must the costs of the services be separately considered in that instance? The private companies often provide discounts to customers who order multiple services.

The costs considered for pricing must include any direct or indirect subsidies received by the city-owned provider. Since the enterprise cannot be funded from any other source, it is not clear how there could be any such "subsidy." One of the Bill's obvious objectives is to eliminate any such "subsidy."

The costs considered for pricing must also include an allocation of costs associated with any shared buildings or personnel with other city departments. While it is good that the Bill recognizes the enterprise may utilize the services of other city departments, any such allocation will inherently be subjective and subject to challenge.

Then comes the most troubling aspect of this pricing provision. It states that, in calculating the costs of providing the service, the city must "impute":

- (a) not its own costs of capital, but the costs of capital available to private companies in the same locale; and
- (b) an amount equal to all taxes, including property taxes, licenses, fees and other assessments that would apply to a private communications service provider, including federal, State and local taxes; rights-of-way, franchise, and other fees; and pole attachments.

These are also ripe subjects for disputes. How is a city supposed to determine the costs of capital for private companies to apply? Would that not depend upon the size and credit-worthiness of the company?

Further, cities do not pay federal income taxes. How is a computation of such taxes it would pay if it was a private company supposed to be done? Would a "shadow" federal tax return have to be prepared, and could it?

The Bill allows a city to use a network for its own communications needs. Is a city allowed to attribute some amount of the costs of the network to itself? If so, how much?

Also, any advantage to owning telephone poles is eliminated by including the costs of pole attachments in the costs calculation.

These requirements that a city treat itself like a private company for purposes of computing the costs of any communications service it provides the public illustrate the bias against cities inherent in this Bill. Not only does that pose an accounting nightmare, it eliminates any advantage a city has in providing services to the public. If the Bills' authors' objective is to essentially prohibit cities from entering the communications market as providers, which appears to be the case, it would be a lot simpler for all concerned if they just introduced a bill that would impose an outright ban against cities doing so.

IV. The Bill's Restrictions Apply in Any Area Where at Least 10% of the Population Has Access to High-Speed Internet Access.

The definition of what constitutes an "unserved area," in which the Bill's restrictions on municipal entry into the market do not apply, is simply anti-competitive and inconsistent with the goal of the federal Telecommunications Act to promote consumer choice. The exemption to the Bill's application should apply to "*underserved* areas," not "*unserved* areas."

An "unserved area" is defined as any area in which at least 90% of households do not access to high-speed Internet access service, or only have such access via a satellite provider. *See* proposed 160A340.2(b). Thus, as long as there is access to high-speed Internet access via any non-satellite source for at least 10% of households, the Bill applies in the area. This is regardless of the costs of such access charged by what may be a single, incumbent service provider. That is not a very high bar for a private service provider, who may be the sole provider, to benefit from the Bill's restrictions on municipal entry into the marketplace.

By comparison, the federal Cable Act immunizes a cable provider from local rate regulation if they face "effective competition." Effective competition exists if less than 30% of households in the area actually subscribe to cable service, or the area is served by two different cable providers, each of which offers comparable service to 50% of the households in the area, and the market share of the smaller provider is at least 15%. This type of gauge would be much more appropriate for defining an "unserved" or "underserved" area.

The Bill would also require a city to prove before the NC Utilities Commission that an area is "unserved." This is particularly interesting since that commission has no jurisdiction over cities (except for renewable energy matters), and substantively does not regulate internet access or cable tv service no matter who is the service provider. Any private provider could object to the designation of an area as "unserved," *or argue that the city is otherwise not eligible to provide the service.* Here is yet another commission the private service providers can ask to prevent a city from entering into the marketplace. It is not clear what standards the Utilities Commission is supposed to use in evaluating a city's "eligibility" to provide service in an "unserved" area.

V. Issues Regarding the Payments in Lieu of Taxes Provisions.

The Bill would require a city to make a payment to the county equivalent to what it would owe for ad valorem taxes if the communications enterprise assets were privately owned. *See* proposed 160A-340.5(a). It is not clear the city would be entitled to get back its portion of such payment in lieu of taxes, but it should get that.

The Bill would also require a city to make a payment in lieu of taxes to the State, the amount of which would be set each year by the Dept. of Revenue, and should “approximate” the State income taxes a private company would pay. *See* proposed 160A-340.5(b). This may essentially require that some type of State tax return be completed for the operation, if that is possible.

There is no reference to any payment to the U.S. in lieu of taxes. However, elsewhere the Bill broadly requires a city providing a communication service to comply with all local, State and federal laws that would apply to the provider if they were a private entity. *See* proposed 160A-340.1(a)(1). Is that meant to include payment of federal income taxes?³

VI. The Territorial Restriction in the Bill is Confusing and Should be Amended.

The Bill’s provision limiting the area a city could serve is incomprehensible, and needs to be revised. *See* proposed 160A-340.1(a)(3). It needs to be clear that a city can add customers in a permissible service area after the Bill becomes law.

The following requirement likewise is incomprehensible:

Service to customers outside the service area of the city shall comply with the open bidding procedures of Article 8 of Chapter 143 upon the expiration or termination of the existing service contract

Article 8 of Chapter 143 regards public contracts. It is not apparent how that would be, or could be made applicable.

VII. The Accounting Aspects of the Bill.

As noted, the Bill would require a city to establish one or more enterprise funds for the provision of communications service. *See* proposed 160A-340.1(a)(2). Presumably, one enterprise fund could be used, even if multiple services are provided over a network. Assuming that is the case, we do not have any trouble with this requirement.

Since the communication service cannot be subsidized with funds from any other source, transfers into the enterprise fund would be prohibited. *See* proposed 160A-340.1(a)(2).

³ As previously noted, the Bill requires a city to, in pricing its services, include as a cost all taxes it would pay if it were a private company, including federal taxes. *See* proposed 160A-340.1(a)(8).

The Bill says the enterprise fund(s) must be audited according to GAAP (generally accepted accounting procedures). That too does not make sense. It may require a financial statement or similar document prepared in accordance with GAAP, but the audit would be done pursuant to "generally accepted audit procedures." In any event, it should be made clear that a separate audit of this enterprise fund is not required, provided it is included in the annual audit of the city's financial records that is already required by law.

Date 3.23, 2011

Representative Luebke

1 moves to amend the bill on page 1, line, 2 through page 8, line 13, by rewriting those lines to
2 read:

3 "AN ACT TO DIRECT THE REVENUE LAWS STUDY COMMITTEE TO CONTINUE ITS
4 REVIEW OF LOCAL GOVERNMENT OWNED AND OPERATED
5 COMMUNICATION SYSTEMS AND TO TEMPORARILY LIMIT THE FINANCING
6 OPTIONS FOR THESE SYSTEMS.

7 The General Assembly of North Carolina enacts:

8 **SECTION 1. Communication system.** – As used in this act, the term
9 "communication system" means a system that provides high-speed broadband Internet access
10 service or other Internet access service, cable service, telecommunications service, video
11 programming service, or a combination of these services at retail. The terms "cable service,"
12 "telecommunications service," and "video programming service" have the same meanings as in
13 G.S. 105-164.3.

14 **SECTION 2.(a) Study.** – The Revenue Laws Study Committee is directed to
15 continue its study begun in 2009 of local government owned and operated communication
16 systems and to report its findings and any recommended legislation on this subject to the 2012
17 General Assembly by May 1, 2012. As part of its study, the Committee shall determine the
18 following:

- 19 (1) The extent to which current law authorizes units of local government to offer
20 communication services not traditionally thought of as cable television
21 services.
- 22 (2) The requirements and standards that should apply to a unit of local
23 government and to a private provider when the local unit offers a
24 communication service that is offered by a private provider.
- 25 (3) Whether varying or different provisions are needed to accommodate
26 communication systems placed in service or financed under G.S. 160A-20
27 by cities before the effective date of this act.
- 28 (4) Policies and incentives that can be established to facilitate the offering and
29 expansion of communication service by both public and private service
30 providers, including public-private ventures and other opportunities.

31 **SECTION 2.(b) Membership.** – In conducting the study described in subsection
32 (a) of this section, the Revenue Laws Study Committee cochairs are authorized to appoint an
33 advisory subcommittee and to ask the Local Government Commission to designate an

1 individual to participate in the subcommittee's deliberations in an ex officio, nonvoting capacity.
2 The subcommittee may consist of no more than 12 members and may include individuals who
3 are not members of the Committee or of the General Assembly, eight of whom represent the
4 following interests:

- 5 (1) A cable service provider.
- 6 (2) A wireless telecommunications service provider.
- 7 (3) A local exchange provider that is not a wireless telecommunications service
8 provider.
- 9 (4) A local exchange provider that is a wireless telecommunications service
10 provider.
- 11 (5) A city that operates a cable system and an electric power system as a public
12 enterprise.
- 13 (6) A city that operates a cable system as a public enterprise and does not
14 operate an electric power system as a public enterprise.
- 15 (7) A city that is a member of a joint agency established under G.S. 160A-462
16 for the operation of a cable system as a public enterprise.
- 17 (8) The North Carolina League of Municipalities.

18 **SECTION 3.(a) Interim Financing Provisions.** – The Local Government
19 Commission may not approve an application for financing under G.S. 160A-19, G.S. 160A-20,
20 or G.S. 160A-466 by a unit of local government or a joint agency for a communication system
21 until the date a bill recommended to the 2012 Session of the 2011 General Assembly by the
22 Revenue Laws Study Committee as a result of the study directed by Section 2 of this act
23 becomes law or, if a bill is not recommended by that Committee or is not enacted, until the
24 2012 Session of the General Assembly adjourns sine die. A communication system does not
25 include systems and services provided by a unit of local government only for its own use or,
26 pursuant to an interlocal or service agreement, for use by other units or agencies of
27 government.

28 The prohibition in this section does not apply to an application submitted by any of
29 the following:

- 30 (1) A unit of local government or a joint agency that, as of June 1, 2011, had
31 previously entered into a contract under G.S. 160A-20 or G.S. 160A-466 to
32 finance a communication system.
- 33 (2) A unit of local government that meets all of the following requirements:
 - 34 a. As of June 1, 2011, has contracted with an outside party for a high-speed
35 broadband Internet feasibility study. A high-speed broadband Internet
36 feasibility study is a study that addresses the potential market for a
37 publicly owned communication system, explores a system design and
38 deployment strategy for various models and levels of service, or
39 identifies the investments in property and equipment necessary to
40 develop a system under various models and levels of service.
 - 41 b. On or before December 1, 2011, has taken formal action, as reflected in
42 the minutes of the city council's meetings, to instruct city staff to file an

1 application with the Local Government Commission to approve a
2 contract by the city to finance a communication system.

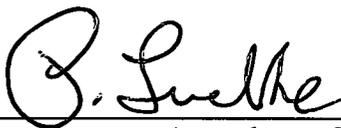

3 (3) The recipient of a federal broadband stimulus grant, if the financing is
4 needed to provide any matching funds required as a condition of receiving
5 the grant.

6 (4) A unit of local government chosen by Google for its Fiber Project, if the
7 financing is needed to qualify as the Fiber Project.

8 **SECTION 3.(b) Interim Notice Requirements.** – A unit of local government that
9 plans to submit an application to the Local Government Commission during the period the
10 prohibition in subsection (a) of this section is in effect and whose application is eligible for
11 approval during this period because of the exclusion in subdivision (2) of that subsection must
12 hold a public hearing on the proposed application and must send written notice to each person
13 that provides communication service within the unit of its intent to submit an application. The
14 notice must be sent at least 15 days before the date of a public hearing held on the proposal. If
15 the unit submits an application to the Local Government Commission after the public hearing,
16 the Local Government Commission must accept written and oral comments from the providers
17 the unit is required to notify under this subsection.

18 **SECTION 3.(c) New Requirements Apply.** – A unit of local government whose
19 application to the Local Government Commission is approved under subdivision (a)(2) of this
20 section will be fully subject to the requirements of any bill enacted by the 2012 Session of the
21 2011 General Assembly upon the recommendation of the Revenue Laws Study Committee as a
22 result of the study directed by Section 2 of this act.

23 **SECTION 4.** This act is effective when it becomes law."

North Carolina General Assembly
House Committee on Finance

Minutes

March 24, 2011

The House Committee on Finance met on Thursday, March 24, 2011 at 8:30 am in Room 544 of the Legislative Office Building. The following members were present: Chairpersons Howard, Starnes, Setzer and Folwell; Vice-Chairs Lewis, McComas and Wainwright; and Representatives Alexander, Brawley, Carney, Collins, Cotham, Faison, Hackney, Hall, Hill, Jordan, Luebke, McCormick, McGee, McGuirt, Moffitt, Moore, Ross, Samuelson, Stam, Stone, Warren, and Weiss . Also present were Sergeant-at-Arms John Brandon, Earl Coker, Fred Hines, and Ken Kirby. Staff persons present included Cindy Avrette, Rodney Bizzell, Barry Boardman, Dan Ettefagh, Heather Fennell, Trina Griffin, Sandra Johnson, Greg Roney, Brian Silvka, Jonathan Tart, and Martha Walston. The Agenda and Visitor Registration Sheets are attached and incorporated into these minutes as **attachments 1 and 2**.

Chairperson Starnes called the meeting to order at 8:30 am and recognized the four (4) pages present: (1) Samantha Enochs of Iredell County sponsored by Representative Mills; (2) Greg Reaves of Moore County sponsored by Representative Tillis; (3) Carter Phillips of Wake County sponsored by Representative Stam; and (4) Elise Karsten of Wake County sponsored by Representative Martin.

The first bill considered by the Committee was **SB 51 Charitable Solicitations/Clarify Exemption** (see **attachment 3**). Chairperson Starnes recognized Senator Bingham to explain the bill. The Chair then recognized Representative Howard who moved that SB 51 be given a favorable report. The motion carried.

The next bill considered by the Committee was **HB 56 Rocky Mount Annexations Repealed** (see **attachment 4**). The Chair recognized Representative Collins to explain the bill. Representative Collins explained bill and provided copies of a map of the area concerned (see **attachment 5**). Chairperson Starnes recognized Representative Setzer who moved that HB 56 be given a favorable report. Chairperson Starnes asked if there was anyone wishing to speak in opposition to the bill. There was none. Chairperson Starnes then asked if there was anyone wishing to speak in support of the bill. The Chair recognized Tony Tetterton of the Fair Annexation Coalition who expressed his support of

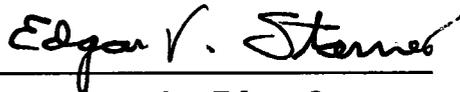

the bill. There being no further discussion, Chairperson Starnes again recognized Representative Setzer who restated his motion; the motion carried.

The next bill considered before the Committee was **HB 180 Wilmington Annexation Suspension** (see **attachment 6**). The Chair recognized Representative McComas to explain the bill. After the bill explanation and questions from the members, the Chair asked if there was anyone wishing to speak in opposition of the bill. The Chair recognized Council Members Laura Padgett and Kevin O'Grady with the City of Wilmington. They both spoke against the bill. There was no one present wishing to speak in favor of bill. Chairperson Starnes recognized Representative Howard who moved that HB 180 be given a favorable report. The motion was held for further discussion. Being no further discussion, the Chair recognized Representative Howard who restated her motion; the motion carried.

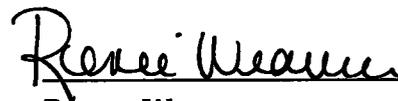

The final bill before the Committee was **HB 236 Biltmore Lake Annexation Repealed** (see **attachment 7**). The Chair recognized Representative Moffitt who explained the bill. Representative Moffitt answered questions from the members and then the Chair recognized Representative Setzer who moved that HB 236 be given a favorable report, the motion carried.

Chairperson Starnes adjourned the meeting at 9:13 am.

Respectfully submitted,

Representative Edgar Starnes
Presiding Chair

Renee Weaver
Clerk, House Committee on
Finance

**2011 COMMITTEE REPORT
HOUSE OF REPRESENTATIVES**

The following report(s) from standing committee(s) is/are presented:

By Representative Howard, Folwell, Setzer, Starnes (Chairs) for the Committee on FINANCE.

SENATE BILL 51

Short Title: Charitable Solicitations/Clarify Exemption. (Public)

Sponsors: Senator Bingham.

Referred to: Finance.

February 10, 2011

A BILL TO BE ENTITLED

AN ACT TO CLARIFY THAT CERTAIN ORGANIZATIONS OF EDUCATIONAL INSTITUTIONS ARE COVERED BY THE EDUCATIONAL INSTITUTION EXEMPTION FROM CHARITABLE SOLICITATION LICENSING REQUIREMENTS.

The General Assembly of North Carolina enacts:

SECTION 1. G.S. 131F-3 reads as rewritten:

"§ 131F-3. Exemptions.

The following are exempt from the provisions of this Chapter:

- (1) Any person who solicits charitable contributions for a religious institution.
- (2) Solicitation of charitable contributions by the federal, State, or local government, or any of their agencies.
- (3) Any person who receives less than twenty-five thousand dollars (\$25,000) in contributions in any calendar year and does not provide compensation to any officer, trustee, organizer, incorporator, fund-raiser, or solicitor.
- (4) Any educational institution, the curriculum of which, in whole or in part, is registered, approved, or accredited by the Southern Association of Colleges and Schools or an equivalent regional accrediting body, ~~and any educational institution in compliance with Article 39 of Chapter 115C of the General Statutes, and any foundation or department having an established identity with any of these educational institutions.~~ and any organization with a membership that is composed solely of 20 or more educational institutions as defined under this Chapter.
- (5) Any hospital licensed pursuant to Article 5 of Chapter 131E or Article 2 of Chapter 122C of the General Statutes and any foundation or department having an established identity with that hospital if the governing board of the hospital, authorizes the solicitation and receives an accounting of the funds collected and expended.
- (6) Any noncommercial radio or television station.
- (7) A qualified community trust as provided in 26 C.F.R. § 1.170A-9(e)(10) through (e)(14).
- (8) A bona fide volunteer or bona fide employee or salaried officer of a charitable organization or sponsor.
- (9) An attorney, investment counselor, or banker who advises a person to make a charitable contribution.
- (10) A volunteer fire department, REACT (Radio Emergency Associated Communications Teams), rescue squad, or emergency medical service.

- 1 (11) A Young Men's Christian Association or a Young Women's Christian
- 2 Association.
- 3 (12) A nonprofit continuing care facility licensed under Article 64 of Chapter 58
- 4 of the General Statutes.
- 5 (13) Any tax exempt nonprofit fire or emergency medical service organization
- 6 involved in the sale of goods or services that does not ask for a donation."
- 7 **SECTION 2.** This act becomes effective July 1, 2011.

SENATE BILL 51: Charitable Solicitations/Clarify Exemption

2011-2012 General Assembly

Committee: House Finance
Introduced by: Sen. Bingham
Analysis of: First Edition

Date: March 23, 2011
Prepared by: Cindy Avrette
Committee Counsel

SUMMARY: *Senate Bill 51 would exempt from the charitable solicitation licensure requirements any organization with a membership that is composed solely of 20 or more educational institutions.*

CURRENT LAW AND BILL ANALYSIS: A charitable organization that solicits contributions in this State must be licensed to do so by the Secretary of State. The license must be renewed annually. The cost of the license varies depending upon the amount of contributions received in the last fiscal year. For an organization that receives contributions of \$200,000 or more, the license fee is \$200. The organization must also file an annual report.

Among the list of nonprofits¹ exempt from the licensure and reporting requirements are educational institutions accredited by the Southern Association of Colleges and Schools and any foundation having an established identity with any of these schools. The North Carolina Independent Colleges and Universities is an organization comprised of 36 North Carolina private, non-profit colleges and universities accredited by the Southern Association of Colleges and Schools. In addition to services the organization provides to its member schools, it solicits contributions for its Independent College Fund of NC. The money in the Fund is used to provide student scholarship aid. In the past, this organization has been considered a foundation having an established identity with an educational institution. Recently, a question has arisen about the clarity of the law on this issue.² This bill would provide that clarity by specifying that an organization with a membership composed solely of 20 or more educational institutions is exempt.

EFFECTIVE DATE: The bill would become effective July 1, 2011.

S51-SMRB-25(e1) v1

¹ Other nonprofit entities exempt from the licensure requirements include religious institutions, volunteer fire departments, and nonprofit continuing care retirement homes.

² Last year the organization received a certified letter from the Office of the Secretary of State noting the organization was not licensed by the Office and had not filed an annual report. The organization complied with the request and sought clarity on the issue.

Referred to: Rules, Calendar, and Operations of the House.

February 9, 2011

A BILL TO BE ENTITLED

AN ACT TO EXERCISE THE POWER OF THE GENERAL ASSEMBLY UNDER SECTION 1 OF ARTICLE VII OF THE NORTH CAROLINA CONSTITUTION TO FIX THE BOUNDARIES OF CITIES AND GIVE SUCH POWERS TO CITIES AS IT DEEMS ADVISABLE BY WITHDRAWING THE DELEGATION OF AUTHORITY TO THE CITY OF ROCKY MOUNT TO MAKE CERTAIN ANNEXATIONS.

The General Assembly of North Carolina enacts:

SECTION 1. Ordinance No. O-2010-1 adopted by the City Council of the City of Rocky Mount on January 11, 2010, entitled "ORDINANCE AMENDING ORDINANCE ADOPTED DECEMBER 18, 2008 EXTENDING THE CORPORATE LIMITS OF THE CITY OF ROCKY MOUNT UNDER THE AUTHORITY GRANTED BY PART 3, ARTICLE 4A, CHAPTER 160A OF THE GENERAL STATUTES OF NORTH CAROLINA - ANNEXATION NO. 287-AREA 1," and Ordinance No. O-2008-136 adopted by the City Council of the City of Rocky Mount on December 18, 2008, entitled "AN ORDINANCE EXTENDING THE CORPORATE LIMITS OF THE CITY OF ROCKY MOUNT UNDER THE AUTHORITY GRANTED BY PART 3, ARTICLE 4A, CHAPTER 160A OF THE GENERAL STATUTES OF NORTH CAROLINA - ANNEXATION NO. 287 - AREA 1," are repealed.

SECTION 2. This act is effective from and after June 30, 2009.

HOUSE BILL 56: Rocky Mount Annexations Repealed

2011-2012 General Assembly

Committee: House Finance
Introduced by: Rep. Collins
Analysis of: First Edition

Date: March 24, 2011
Prepared by: Trina Griffin
Committee Counsel

SUMMARY: *House Bill 56 would repeal two involuntary annexation ordinances adopted by the City of Rocky Mount.*

CURRENT LAW: Under Section 1 of Article VII of the N.C. Constitution, the General Assembly is empowered to "provide for the organization and government and the fixing of boundaries of counties, cities and towns, and other governmental subdivisions, and, except as otherwise prohibited by this Constitution, may give such powers and duties to counties, cities and towns, and other governmental subdivisions as it may deem advisable." Pursuant to this Section, the General Assembly enacted Parts 2 and 3 of Article 4A of Chapter 160A of the General Statutes, which authorize municipalities to enact ordinances to involuntarily add territory to their municipal limits, if the area meets the statutory requirements for involuntary annexation. Generally speaking, a municipality may involuntarily annex property if:

1. It is adjacent or contiguous to the city.
2. 1/8 of the external boundary area coincides with the city boundary.
3. It is not part of another city.
4. It is developed for urban purposes.

BILL ANALYSIS: House Bill 56 repeals the following involuntary annexation ordinances enacted by the City of Rocky Mount:

- Ordinance No. O-2008-136 adopted by the City Council of the City of Rocky Mount on December 18, 2008, annexing approximately 1343.26 acres in the Oak Level area; and
- Ordinance No. O-2010-1 adopted by the City Council of the City of Rocky Mount on January 11, 2010, annexing approximately 1343.26 acres in the Oak Level area.

EFFECTIVE DATE: House Bill 56 is effective from and after June 30, 2009.

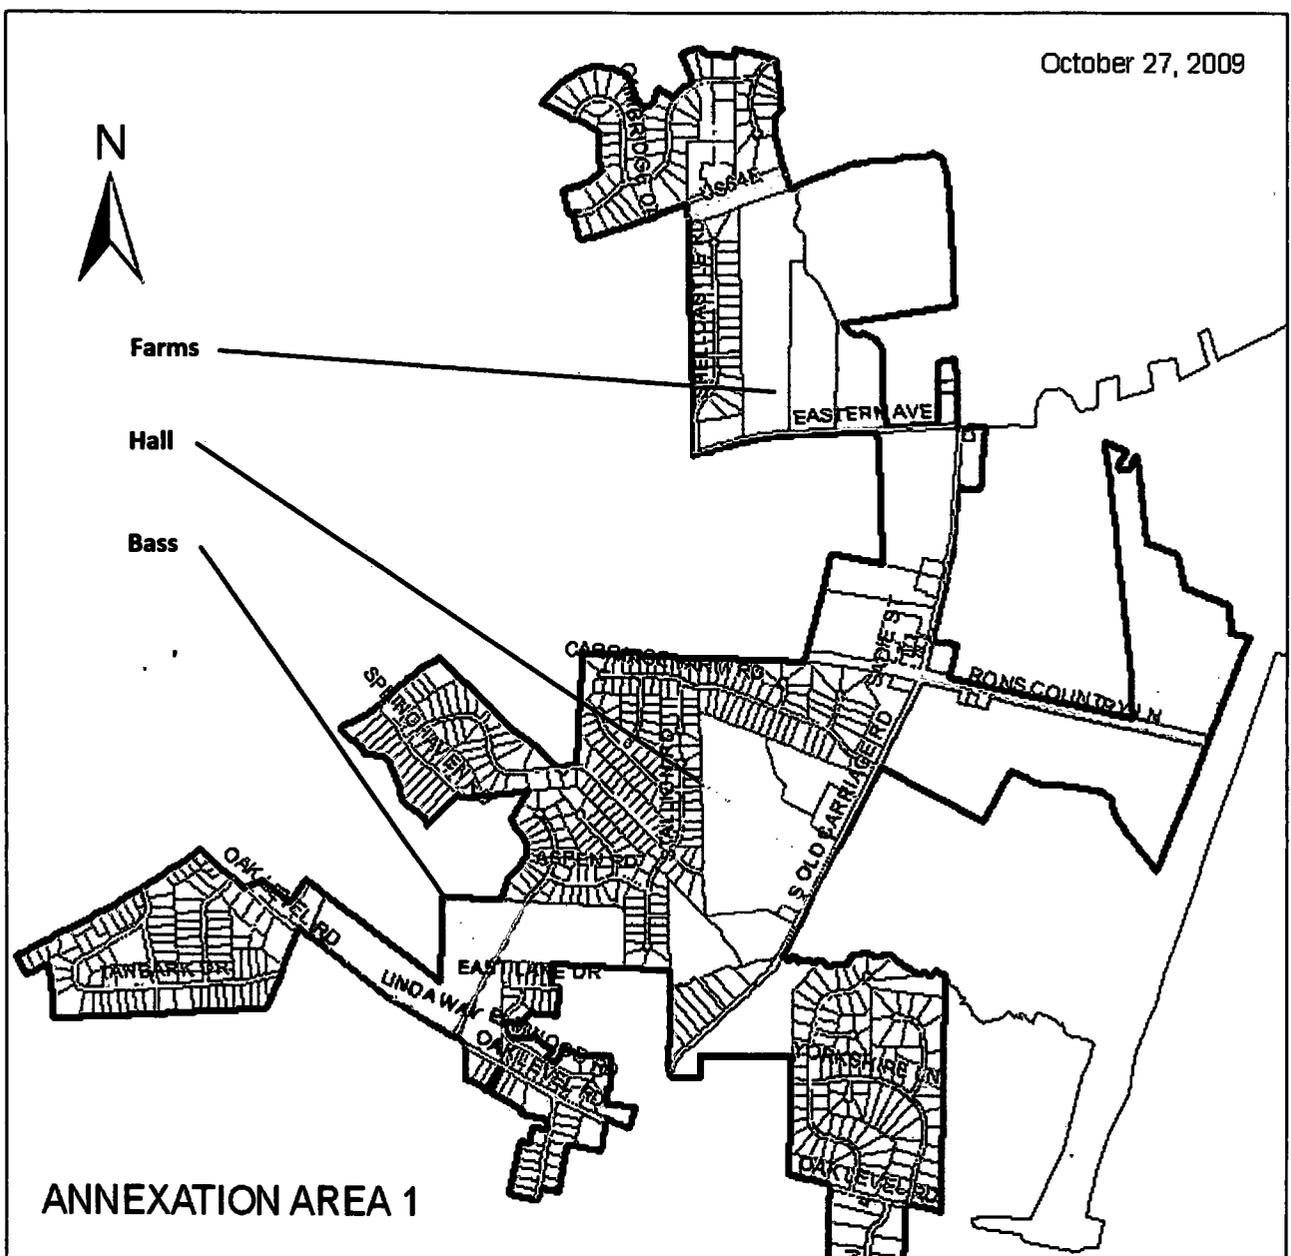

BACKGROUND: The bill repeals two ordinances affecting the same area. Ordinance O-2008-136 was adopted on Dec. 18, 2008, but was remanded by the Superior Court for changes and a public hearing. The City of Rocky Mount undertook to comply with the court order, and adopted Ordinance No. O-2010-1, affecting the same area, on January 11, 2010. The ordinance is subject to litigation, which has been appealed to and heard by the Court of Appeals. A final decision has not yet been rendered.

Giles Perry, counsel to House Government, substantially contributed to this summary.

Referred to: Government, if favorable, Finance.

February 28, 2011

A BILL TO BE ENTITLED

1 AN ACT TO EXERCISE THE POWER OF THE GENERAL ASSEMBLY UNDER
2 SECTION 1 OF ARTICLE VII OF THE NORTH CAROLINA CONSTITUTION TO FIX
3 THE BOUNDARIES OF CITIES AND GIVE SUCH POWERS TO CITIES AS IT
4 DEEMS ADVISABLE, BY SUSPENDING THE DELEGATION OF AUTHORITY TO
5 THE CITY OF WILMINGTON TO MAKE A CERTAIN ANNEXATION.
6

7 Whereas, there is concern about the current annexation policy of North Carolina;
8 and

9 Whereas, the 2011 General Assembly will be considering comprehensive
10 annexation reform; and

11 Whereas, it is good policy to preserve the status quo in pending annexations under
12 appeal until the General Assembly has the opportunity to address this issue and decide the
13 extent to which reform should apply to current annexation ordinances; Now, therefore,
14 The General Assembly of North Carolina enacts:

15 SECTION 1. The operation of Ordinance O-2009-29, adopted by the City Council
16 of the City of Wilmington on May 5, 2009, entitled "ORDINANCE TO EXTEND THE
17 CORPORATE LIMITS OF THE CITY OF WILMINGTON UNDER THE AUTHORITY
18 GRANTED BY CHAPTER 160A, ARTICLE 4A, PART 3 OF THE GENERAL STATUTES
19 OF NORTH CAROLINA," is suspended until December 31, 2012. Nothing in this section
20 validates any action of the City of Wilmington in adopting the ordinance.

21 SECTION 2. This act is effective from and after May 5, 2009.

HOUSE BILL 180: Wilmington Annexation Suspension

2011-2012 General Assembly

Committee: House Finance	Date: March 24, 2011
Introduced by: Reps. McComas, Justice	Prepared by: Trina Griffin
Analysis of: First Edition	Committee Counsel

SUMMARY: *House Bill 180 would suspend until December 31, 2012 an involuntary annexation ordinance adopted by the City of Wilmington.*

CURRENT LAW: Under Section 1 of Article VII of the N.C. Constitution, the General Assembly is empowered to "provide for the organization and government and the fixing of boundaries of counties, cities and towns, and other governmental subdivisions, and, except as otherwise prohibited by this Constitution, may give such powers and duties to counties, cities and towns, and other governmental subdivisions as it may deem advisable." Pursuant to this Section, the General Assembly enacted Parts 2 and 3 of Article 4A of Chapter 160A of the General Statutes, which authorize municipalities to enact ordinances to involuntarily add territory to their municipal limits, if the area meets the statutory requirements for involuntary annexation. Generally speaking, a municipality may involuntarily annex property if:

1. It is adjacent or contiguous to the city.
2. 1/8 of the external boundary area coincides with the city boundary.
3. It is not part of another city.
4. It is developed for urban purposes.

BILL ANALYSIS: House Bill 180 would suspend until December 31, 2012 Ordinance O-2009-29, adopted by the City Council of the City of Wilmington on May 5, 2009, involuntarily annexing approximately 950 acres in the Monkey Junction area.

The bill also provides that nothing in this section validates any action of the City of Wilmington in adopting the ordinance.

EFFECTIVE DATE: House Bill 180 is effective from and after May 5, 2009.

BACKGROUND: This annexation ordinance has been challenged and is pending before the Court of Appeals.

Giles Perry, counsel to House Government, substantially contributed to this summary.

13 LAKE AREA," is repealed.
14 SECTION 2. This act is effective from and after August 21, 2007.

HOUSE BILL 236: Biltmore Lake Annexation Repealed

2011-2012 General Assembly

Committee: House Finance
Introduced by: Rep. Moffitt
Analysis of: First Edition

Date: March 24, 2011
Prepared by: Trina Griffin
Committee Counsel

SUMMARY: *House Bill 236 repeals an involuntary annexation ordinance adopted by the City of Asheville on August 21, 2007, affecting the area known as "Biltmore Lake."*

CURRENT LAW: Under Section 1 of Article VII of the N.C. Constitution, the General Assembly is empowered to "provide for the organization and government and the fixing of boundaries of counties, cities and towns, and other governmental subdivisions, and, except as otherwise prohibited by this Constitution, may give such powers and duties to counties, cities and towns, and other governmental subdivisions as it may deem advisable." Pursuant to this Section, the General Assembly enacted Parts 2 and 3 of Article 4A of Chapter 160A of the General Statutes, which authorize municipalities to enact ordinances to involuntarily add territory to their municipal limits, if the area meets the statutory requirements. Generally speaking, a municipality may involuntarily annex property if:

1. It is adjacent or contiguous to the city.
2. 1/8 of the external boundary area coincides with the city boundary.
3. It is not part of another city.
4. It is developed for urban purposes.

BILL ANALYSIS: The bill repeals involuntary annexation Ordinance No. 3524, adopted by the City Council of the City of Asheville on August 21, 2007, with an effective date of December 31, 2007, affecting approximately 440 acres in the Biltmore Lake area.

BACKGROUND: This annexation ordinance is subject to litigation pending before the North Carolina Court of Appeals.

Erika Churchill, counsel to House Government, substantially contributed to this summary.

House Committee on Finance

Minutes

March 31, 2011

The House Committee on Finance met on Thursday, March 31, 2011 at 8:30 am in Room 544 of the Legislative Office Building. The following members were present: Chairpersons Howard, Starnes, Setzer and Folwell; Vice-Chairs Lewis and Wainwright; and Representatives Alexander, Brandon, Brawley, Carney, Collins, Cotham, Faison, Hackney, Hall, Hill, Jordan, Luebke, McCormick, McGee, McGuirt, Moffitt, Moore, Rhyne, Ross, Samuelson, Stam, Stone, Warren, Weiss and Womble . Also present were Sergeant-at-Arms John Brandon, Earl Coker, Fred Hines, and Ken Kirby. Staff persons present included Cindy Avrette, Rodney Bizzell, Barry Boardman, Dan Ettefagh, Heather Fennell, Trina Griffin, Sandra Johnson, Greg Roney, Brian Silvka, Jonathan Tart, and Martha Walston. The Agenda and Visitor Registration Sheets are attached and incorporated into these minutes as **attachments 1 and 2.**

Chairperson Starnes called the meeting to order at 8:30 am and recognized the four (4) pages present: (1) Joanne-Margaret Kelly of Moore County sponsored by Representative Hamilton; (2) John Bellon of Surry County sponsored by Representative Stevens; (3) Benjamin Fersgren of Pender County sponsored by Representative Justice; and (4) Kimberly Bryan of Wake County sponsored by Representative Howard.

The first bill considered by the Committee was **SB 107 Tax of Improved Prop. In Roadway Corridors** (see **attachment 3**). Chairperson Starnes recognized Representative Folwell to explain the bill. The Chair then recognized Representative Womble who moved that SB 107 be given a favorable report. The motion carried.

The next bill considered by the Committee was **HB 358 Apex/Cary Annexation Into Chatham Restricted** (see **attachment 4**). The Chair recognized Representative Hackney to explain the bill. Chairperson Starnes recognized Representative Weiss who moved that HB 358 be given a favorable report. The motion carried.

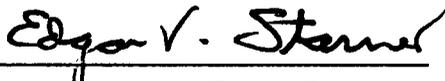

Chairperson Starnes then stated that the next bill, **HB 248 Establish Tax Modernization Commission** (see **attachment 5**) was before the committee only for discussion purposes

only and that there would be no vote on the bill. Representative Rhyne was called upon to explain the bill. Representative Rhyne answered questions from members. Chairperson Starnes brought the discussion to an end with the reminder that no vote was to be taken on the bill.

Chairperson Starnes re-referred **HB 204 Edgecombe County Tourism Development Authority** to the subcommittee on Occupancy Tax.

Chairperson Starnes adjourned the meeting at 9:24 am.

Respectfully submitted,

Representative Edgar Starnes
Presiding Chair

Renee Weaver
Clerk, House Committee on
Finance

Referred to:

February 23, 2011

A BILL TO BE ENTITLED

AN ACT TO REDUCE THE PROPERTY TAX OWED FOR IMPROVED PROPERTY
INSIDE CERTAIN ROADWAY CORRIDORS.

The General Assembly of North Carolina enacts:

SECTION 1. G.S. 105-277.9 reads as rewritten:

"§ 105-277.9. Taxation of property inside certain roadway corridors.

Real property that lies within a transportation corridor marked on an official map filed under Article 2E of Chapter 136 of the General Statutes is designated a special class of property under Article V, Sec. 2(2) of the North Carolina Constitution and is taxable at twenty percent (20%) of the ~~general tax rate levied on real property by the taxing unit in which~~ appraised value of the property ~~is situated if~~ if each of the following requirements is met:

- (1) As of January 1, no building or other structure is located on the ~~property;~~ ~~and~~ property.
- (2) The property has not been subdivided, as defined in G.S. 153A-335 or G.S. 160A-376, since it was included in the corridor."

SECTION 2. Article 12 of Chapter 105 of the General Statutes is amended by adding a new section to read:

"§ 105-277.9A. Taxation of improved property inside certain roadway corridors.

(a) Reduced Assessment. – Real property on which a building or other structure is located and that lies within a transportation corridor marked on an official map filed under Article 2E of Chapter 136 of the General Statutes is designated a special class of property under Section 2(2) of Article V of the North Carolina Constitution and is taxable at fifty percent (50%) of the appraised value of the property if the property has not been subdivided, as defined in G.S. 153A-335 or G.S. 160A-376, since it was included in the corridor.

(b) Sunset. – This section is repealed effective for taxes imposed for taxable years beginning on or after July 1, 2021."

SECTION 3. This act is effective for taxes imposed for taxable years beginning on or after July 1, 2011.

GENERAL ASSEMBLY OF NORTH CAROLINA

Legislative Fiscal Note

BILL NUMBER: Senate Bill 107 (Second Edition)

SHORT TITLE: Tax of Improved Prop. in Roadway Corridors.

SPONSOR(S): Senators Brunstetter and Garrou

FISCAL IMPACT					
	Yes (X)	No ()	No Estimate Available ()		
	<u>FY 2011-12</u>	<u>FY 2012-13</u>	<u>FY 2013-14</u>	<u>FY 2014-15</u>	<u>FY 2015-16</u>
REVENUES:					
General Fund	*No General Fund Impact*				
Local Governments	*Approximate Annual Revenue Loss of \$550,000*				
PRINCIPAL DEPARTMENT(S) & PROGRAM(S) AFFECTED: NC Department of Revenue; NC Local Governments					
EFFECTIVE DATE: Taxable Years on or after July 1, 2011.					

BILL SUMMARY:

Under current law, vacant property within a roadway corridor is taxable at 20 percent of its appraised value. Improved property is taxable at the appraised value. SB 107 would provide a 50 percent reduction in the taxable value of improved property in a transportation corridor.

ASSUMPTIONS AND METHODOLOGY:

The NC Department of Transportation identified the roadway corridors that are not scheduled for near-term right-of-way acquisition. The corridors included six projects located in five counties. Fiscal Research contacted the tax assessors for those counties to determine the potential revenue loss associated with SB 107. The table below provides the revenue loss by county.

SB 107 Revenue Loss by County	
Currituck	\$0 (no improved property in corridor)
Wake	\$44,588
Johnston	\$18,581
Pitt	\$99,826
Forsyth	\$385,714
Total	\$548,709

SENATE BILL 107: Tax of Improved Prop. in Roadway Corridors

2011-2012 General Assembly

Committee: House Finance	Date: March 29, 2011
Introduced by: Sens. Brunstetter, Garrou	Prepared by: Cindy Avrette
Analysis of: Second Edition	Committee Counsel

SUMMARY: *Senate Bill 107 would reduce the property tax owed on improved property inside a roadway corridor by providing that it is taxable at 50% of its appraised value. The provision would sunset for taxes imposed for taxable years beginning on or after July 1, 2021.*

CURRENT LAW: Article V, Sec. 2(2) of the North Carolina Constitution grants the General Assembly the power to classify property for taxation. That power must be exercised on a State-wide basis, by uniform rule, in a general law uniformly applicable in every unit of local government. In 1987, the General Assembly classified *unimproved* property in a transportation corridor marked on an official map as a special class of property and provided that it would be taxable at 20% of its appraised value.

A transportation corridor map may be adopted by the governing body of a local government as part of a comprehensive plan for streets and highways or by the Department of Transportation for part of the State highway system. Once a transportation corridor official map is filed with the register of deed, no building permit may be issued for any building or structure on the property for up to three years.¹ If a building or structure exists on the property at the time the map is recorded, a permit may be issued provided the size of the building or structure is not increased.

There is no limit on how long the filer of a transportation corridor map may keep a proposed route on a map without purchasing the property. Although a proposed route does not prevent the sale of the property, it does affect its salability because lenders and purchasers may not want to purchase property that may eventually be part of a highway corridor. A property owner may petition the filer of the map for acquisition of the property due to an undue hardship on the affected property owner.²

BILL ANALYSIS: Senate Bill 107 would classify improved property within a transportation corridor marked on an official map as a special class of property and provide that it would be taxable at 50% of its appraised value.

The Department of Transportation's ability to purchase property in recent years has been hampered by fiscal constraints. This constraint has placed a hardship on some property owners located in a transportation corridor. The reduction in the property tax assessment is one way to ease the financial burden on the property owners. However, the reduction in the property's tax value reduces the property tax revenue available to the counties in which these corridors lie. The counties most affected are the larger ones and some of the smaller counties adjacent to them.

The 10-year sunset provided in the bill recognizes that the bill addresses a State issue with a property tax expenditure that reduces local tax revenues. The sunset would give the General Assembly an opportunity to review the policy in the future.

EFFECTIVE DATE: The bill would become effective for taxes imposed for taxable years beginning on or after July 1, 2011.

¹ G.S. 136-44.51.

² G.S. 136-44.53. In the last nine years, 684 hardship advance acquisition requests in protected corridors have been received with approximately 500 receiving approval. Most hardship requests are related to financial or medical difficulties.

Senate Bill 107

Page 2

BACKGROUND: The Department of Transportation has used the corridor protection review program since 1989. The purpose of the program is to promote greater public knowledge of a project, to help prevent uninformed buying of property within the corridor, and to prevent development in a corridor thus reducing the cost of purchasing possible rights-of-ways. Twenty-four corridors are currently recorded. Acquisitions are complete in five corridors and the process has begun in 12 others. Seven corridors have map protection only. Of those seven, it is my understanding that two are under consideration for the acquisition process to begin.³

In the fall of 2010, the Department implemented some changes to its current corridor protection review program:

- Proposed evaluation of each protected corridor every 10 years to ensure the protected corridor remains valid.
- Established criteria to be used in determining whether a corridor official map should be filed.
- Established a Department Roadway Corridor Official Map Committee to oversee the corridor official map process.
- Made corridor protection less restrictive for property owners by setting a timeline to respond to requests for hardship acquisitions and by allowing more flexibility with permits for variance.

Giles Perry, counsel to the Transportation Committee, contributed to this summary. Information also obtained from the Department of Transportation.

Referred to:

March 16, 2011

1 A BILL TO BE ENTITLED
2 AN ACT TO REQUIRE THE APPROVAL OF THE BOARD OF COMMISSIONERS OF
3 CHATHAM COUNTY BEFORE THE TOWNS OF APEX OR CARY MAY MAKE AN
4 INVOLUNTARY ANNEXATION INTO CHATHAM COUNTY.

5 The General Assembly of North Carolina enacts:

6 SECTION 1. Neither the Towns of Apex nor Cary may adopt an annexation
7 ordinance under Part 3 of Article 4A of Chapter 160A of the General Statutes that applies to
8 any territory located within Chatham County unless the Board of Commissioners of Chatham
9 County has, prior to the adoption of the annexation ordinance, approved a resolution or
10 ordinance consenting to that annexation.

11 SECTION 2. This act is effective when it becomes law and applies with respect to
12 any annexation ordinance adopted after the date this act becomes law.

HOUSE BILL 358: Apex/Cary Annexation Into Chatham Restricted

2011-2012 General Assembly

Committee: House Finance	Date: March 31, 2011
Introduced by: Reps. Hackney, Stam	Prepared by: Greg Roney
Analysis of: Second Edition	Committee Counsel

SUMMARY: *House Bill 358 requires the Towns of Apex and Cary to obtain approval from the Chatham County Board of Commissioners before any involuntary annexation into Chatham County.*

CURRENT LAW: Under Section 1 of Article VII of the N.C. Constitution, the General Assembly is empowered to "provide for the organization and government and the fixing of boundaries of counties, cities and towns, and other governmental subdivisions, and, except as otherwise prohibited by this Constitution, may give such powers and duties to counties, cities and towns, and other governmental subdivisions as it may deem advisable."

Pursuant to this Section, the General Assembly enacted Parts 2 and 3 of Article 4A of Chapter 160A of the General Statutes, which authorize municipalities to enact ordinances to involuntarily add territory to their municipal limits, if the area meets the statutory requirements for involuntary annexation. Generally, a municipality may involuntarily annex property if: (1) it is adjacent or contiguous to the city; (2) 1/8 of the external boundary area coincides with the city boundary; (3) it is not part of another city; and (4) it is developed for urban purposes.

BILL ANALYSIS: House Bill 358 would require the Towns of Apex and Cary to obtain approval from the Chatham County Board of Commissioners before adoption of any annexation ordinance under Part 3 of Article 4A of the Chapter 160A of the General Statutes, which governs involuntary annexation by cities of 5,000 or more, that applies to any territory in Chatham County.

EFFECTIVE DATE: This act is effective when it becomes law and applies to any annexation ordinance adopted after the date this act becomes law.

Giles S. Perry, counsel to House Government, substantially contributed to this summary.

HOUSE BILL 248

Short Title: Establish Tax Modernization Commission. (Public)

Sponsors: Representative Rhyne (Primary Sponsor).
For a complete list of Sponsors, see Bill Information on the NCGA Web Site.

Referred to: Finance.

March 9, 2011

A BILL TO BE ENTITLED

AN ACT TO ESTABLISH THE TAX MODERNIZATION COMMISSION AND TO ENSURE THAT RECOMMENDATIONS ADOPTED BY THE COMMISSION ARE INTRODUCED AND PLACED ON THE CALENDAR TO BE HEARD IN AN EXPEDITIOUS AND TIMELY MANNER.

Whereas, the General Assembly has established a number of commissions to examine the tax structure of the State of North Carolina; and

Whereas, these previous committees have made recommendations to simplify the tax code, to make the revenues resulting from the tax code less volatile, and to reduce tax rates to attract businesses to our State; and

Whereas, the recommendations by these previous committees submitted over time increasingly indicate a developing consensus as to the need for change in the State's tax code; and

Whereas, these previous recommendations reflect that the world's economy is evolving such that the State's tax structure increasingly fails to capture revenue streams that are becoming more common in today's economy in order to support the services that are required to be provided by the government; and

Whereas, these previous recommendations have allowed for a more stable, less volatile, fairer system of generating taxes in a way that is revenue neutral; and

Whereas, despite the developing consensus reflected in the numerous previous committees, no modernizing change to the State's tax structure has yet occurred; Now, therefore,

The General Assembly of North Carolina enacts:

SECTION 1. Establishment. – The Tax Modernization Study Commission is established.

SECTION 2. Membership. – The Commission shall be composed of 30 members, as follows:

- (1) Ten members appointed by the Governor as follows:
 - a. Four persons with substantial business experience.
 - b. Two persons who hold county or municipal elected office or are county or city managers.
 - c. One person with experience in economic analysis.
 - d. Three members of the public at large.
- (2) Ten members appointed by the Speaker of the House of Representatives as follows:

- 1 a. Three persons with substantial business experience.
- 2 b. Four persons who are members of the House of Representatives at
- 3 the time of appointment.
- 4 c. One person who holds county or municipal elected office or is a
- 5 county or city manager.
- 6 d. One person with experience in economic analysis.
- 7 e. One member of the public at large.
- 8 (3) Ten members appointed by the President Pro Tempore of the Senate as
- 9 follows:
- 10 a. Three persons with substantial business experience.
- 11 b. Four persons who are members of the Senate at the time of
- 12 appointment.
- 13 c. One person who holds county or municipal elected office or is a
- 14 county or city manager.
- 15 d. One person with experience in economic analysis.
- 16 e. One member of the public at large.

17 The Commission shall have three cochairs, one designated by the Governor, one
18 designated by the President Pro Tempore of the Senate, and one designated by the Speaker of
19 the House of Representatives from among their appointees. The Commission shall meet upon
20 the call of the cochairs. Vacancies shall be filled by the appointing authority. Public members
21 shall be residents of the State. A quorum of the Commission shall be a majority of the
22 members.

23 **SECTION 3. Duties.** – The Commission shall do the following:

- 24 (1) Review the existing State tax code to determine whether the existing tax
- 25 system will be sufficient to keep pace with the operating and infrastructure
- 26 needs of an effective and efficient public sector.
- 27 (2) Examine current income tax rates to determine whether the rate is negatively
- 28 impacting our competitive position.
- 29 (3) Examine the tax bases to determine whether these bases should be
- 30 broadened, allowing for a revenue-neutral modernization that produces more
- 31 stable revenues during times of economic hardship.
- 32 (4) Evaluate the State's current system of economic incentives to ensure that
- 33 each economic incentive in the State's current portfolio is providing a good
- 34 return on investment and is effectively recruiting high-value jobs to the
- 35 State.
- 36 (5) Study and recommend a permanent financing strategy considering the
- 37 foregoing goals and the realities of the present-day economy.

38 **SECTION 4. Compensation; Administration.** – Members of the Commission shall
39 receive subsistence and travel allowances at the rates set forth in G.S. 120-3.1, 138-5, or 138-6,
40 as appropriate. With the prior approval of the Legislative Services Commission, the Legislative
41 Services Officer shall assign professional and clerical staff to assist in the work of the
42 Commission. The University of North Carolina shall provide advice and staffing to the
43 Commission. Provision of such advice and staffing shall be coordinated through the President
44 of The University of North Carolina, utilizing appropriate resources of the various constituent
45 institutions. With the prior approval of the Legislative Services Commission, the Commission
46 may hold its meetings in the State Legislative Building or the Legislative Office Building. The
47 Commission may also meet at various locations around the State in order to promote greater
48 public participation in its deliberations. The Commission, while in the discharge of its official
49 duties, may exercise all the powers provided under the provisions of G.S. 120-19 and
50 G.S. 120-19.1 through G.S. 120-19.4, including the power to request that all officers, agents,
51 agencies, and departments of the State provide any information, data, or documents within their

1 possession, ascertainable from their records, or otherwise available to them and the power to
2 subpoena witnesses. The Commission may meet during a regular or extra session of the
3 General Assembly.

4 **SECTION 5. Limitations.** – Taken collectively, the recommendations adopted by
5 the Commission shall be revenue neutral when compared to the revenue projections for the
6 taxes used in the appropriations bill passed by the General Assembly for the 2011-2012 fiscal
7 year.

8 If recommendations are adopted by the Commission by a vote of at least two-thirds
9 of the members, the following shall apply:

- 10 (1) A bill containing the recommendations shall be introduced and placed on the
11 calendar for second reading in the house in which it is introduced on the
12 third legislative day after it is introduced.
- 13 (2) If the bill passes second reading, that house shall vote on third reading of the
14 bill on the following legislative day.
- 15 (3) If the bill passes third reading, then the bill shall be placed on the calendar in
16 the other house for second reading no later than the third legislative day after
17 it is received and shall be voted on that day.
- 18 (4) If the bill passes second reading, that house shall vote on third reading of the
19 bill on the next legislative day.
- 20 (5) No amendments to the bill or proposed committee substitutes for the bill
21 shall be in order.

22 **SECTION 6. Report.** – The Commission shall report its findings and
23 recommendations to the 2012 Regular Session of the 2011 General Assembly no later than May
24 1, 2012. The Commission shall terminate upon the filing of its final report.

25 **SECTION 7.** Of the funds appropriated to the General Assembly, the Legislative
26 Services Commission shall allocate funds for the expenses of the Commission established by
27 this act. Such allocation may be accomplished by transfer of funds to The University of North
28 Carolina. Funds appropriated to The University of North Carolina may also be used to provide
29 professional and clerical assistance as provided by this act.

30 **SECTION 8.** This act is effective when it becomes law.

HOUSE BILL 248: Establish Tax Modernization Commission

2011-2012 General Assembly

Committee: House Finance
Introduced by: Rep. Rhyne
Analysis of: First Edition

Date: March 31, 2011
Prepared by: Trina Griffin
Committee Counsel

SUMMARY: *House Bill 248 would establish the Tax Modernization Study Commission to study and evaluate the existing tax structure and make recommendations to the 2012 Regular Session of the 2011 General Assembly. The bill would require that the recommendations be revenue neutral and, if they are adopted by a vote of at least two-thirds of the Commission members, that a bill containing the recommendations be calendared within a certain time frame and that no amendments or proposed committee substitutes would be in order.*

BACKGROUND: North Carolina has spent a considerable amount of time over the last four years studying comprehensive tax reform.¹ Several recurring themes have emerged from these studies, such as broadening the base and lowering rates, having less dependency on volatile revenue sources, promoting economic competitiveness, and modernizing the tax structure to reflect the 21st century economy.

Almost every other state has engaged in similar efforts over the last decade with similar results. The recommendations are typically consistent, but few states have adopted the proposals as they continue to grapple with the best way to implement them. Consequently, some states are starting to shift their focus away from the substantive proposals and toward the political process by creating special procedural rules for tax reform.

One state that has recently taken this approach is Georgia. Last year, Georgia created the *Special Council on Tax Reform and Fairness for Georgians*, composed almost entirely of business representatives, economists, and academicians. The authorizing legislation also created a standing legislative committee charged with introducing one or more bills during the 2011 Session that would incorporate without significant changes the recommendations of the Council. Under the 2010 law, the tax reform legislation may only be referred to this Special Joint Committee. If the Committee gives a favorable report to the legislation, or to a committee substitute for the legislation, then the legislation goes before the House of Representatives for an up or down vote as reported from the Committee without amendments. If the legislation passes the House, it moves to the Senate for a similar up or down vote, without any amendments. On March 29, 2011, a scaled-down version of Georgia's tax reform proposal passed the Special Joint Committee and was scheduled to be considered by the full House on March 30 for an up or down vote.

BILL ANALYSIS: House Bill 248 would establish the Tax Modernization Study Commission with special procedural rules for the consideration of its recommendations by the 2012 Regular Session of the General Assembly.

Membership. – The Commission would be composed of 30 members according to the chart below. The Commission would have three cochairs, one designated by the Governor, one by the House, and one by the Senate. A quorum would be a majority of the members.

¹ A comprehensive list of North Carolina's tax-related study committees is included at the end of this summary.

House Bill 248

Page 2

By Governor (10)	By Speaker of the House (10)	By President Pro Tempore (10)
4 persons with substantial business experience	3 persons with substantial business experience	3 persons with substantial business experience
2 persons who hold county or municipal elected office or are county or city managers	4 persons who are members of the House of Representatives at the time of appointment	4 persons who are members of the Senate at the time of appointment
1 person with experience in economic analysis	1 person who holds county or municipal elected office or is a county or city manager	1 person who holds county or municipal elected office or is a county or city manager
3 members of the public at large	1 person with experience in economic analysis	1 person with experience in economic analysis
	1 member of the public at large	1 member of the public at large

Duties. – The Commission would be charged with evaluating the existing tax code, including economic incentives, with regard to revenue sufficiency, competitiveness, stability, and "return on investment" in light of the present-day economy.

Administration. – In addition to legislative staff, The University of North Carolina would provide advice and staffing to the Commission. In addition to meeting in the legislative complex, the Commission would be authorized to meet in various locations around the State to promote greater public participation. It could also meet during a regular or extra session of the General Assembly.

Limitations. – The recommendations adopted by the Commission would be subject to the following limitations:

- They must be revenue neutral when compared to the revenue projections for the taxes used in the appropriations bill passed by the General Assembly for the 2011-2012 fiscal year.
- If they are adopted by a vote of at least two-thirds of the members, then:
 - A bill containing the recommendations shall be introduced and placed on the calendar for second reading in the house in which it is introduced on the third legislative day after it is introduced.
 - If the bill passes second reading, that house shall vote on third reading of the bill on the following legislative day.
 - If the bill passes third reading, then the bill shall be placed on the calendar in the other house for second reading no later than the third legislative day after it is received and shall be voted on that day.
 - If the bill passes second reading, that house shall vote on third reading of the bill on the next legislative day.
 - No amendments to the bill or proposed committee substitutes for the bill shall be in order.

Report. – The Commission must report its findings and recommendations to the 2012 Regular Session of the 2011 General Assembly no later than May 1, 2012. The Commission would terminate upon the filing of its final report.

EFFECTIVE DATE: This act is effective when it becomes law.

House Bill 248

FORMER NC TAX-RELATED STUDY COMMITTEES: The following is a list of North Carolina study committees that have considered tax reform in some manner over the last 60 years:

1. *Report from the Commissioner of Revenue to the Governor, the Advisory Budget Commission, and the Budget Bureau (1951)*
2. *Tax Study Commission (1967-68)*
3. *Select Legislative Committee on Tax Fairness (1987)*
4. *Economic Future Study Commission (1991)*
5. *Tax Policy Study Commission (1999)*
6. *Governor's Commission on Tax Loopholes and Government Efficiencies (2001)*
7. *Governor's Commission to Modernize State Finances (2002)*
8. *State and Local Fiscal Modernization Study Commission (2008)*
9. *Institute of Emerging Issues (IEI) Business Committee on Financing the Future (2009)*
10. *Joint House and Senate Finance Committees (2009-2010)*

H248-SMSV-20(e1) v1

North Carolina General Assembly
House Committee on Finance

Minutes

April 6, 2011

The House Committee on Finance met on Wednesday, April 6, 2011 at 8:30 am in Room 544 of the Legislative Office Building. The following members were present: Chairpersons Howard, Starnes, Setzer and Folwell; Vice-Chairs Lewis, McComas and Wainwright; and Representatives Alexander, Brandon, Brawley, Carney, Collins, Cotham, Faison, Hackney, Hall, Hill, Jordan, Luebke, McCormick, McGee, McGuirt, Moffitt, Moore, Rhyne, Ross, Samuelson, Stam, Stone, Warren, Weiss and Womble. Also present were Sergeant-at-Arms John Brandon, Earl Coker, Fred Hines, and Ken Kirby. Staff persons present included Cindy Avrette, Rodney Bizzell, Barry Boardman, Dan Ettefagh, Heather Fennell, Trina Griffin, Sandra Johnson, Greg Roney, Brian Silvka, Jonathan Tart, and Martha Walston. The Agenda and Visitor Registration Sheets are attached and incorporated into these minutes as **attachments 1 and 2**.

Chairwoman Howard called the meeting to order at 8:31 am and recognized the six (6) pages present: (1) Maggie Lee of Wake County sponsored by Representative Stam; (2) Sarah Cook of Johnston County sponsored by Representative Daughtry; (3) Erin Armstead of Gaston County sponsored by Representative Current; (4) Sydney Swain of Mecklenburg County sponsored by Representative Samuelson; (5) Sonia Gantt of Gaston County sponsored by Representative Hastings; and (6) Alex Moffitt of Buncombe County sponsored by Representative Hager.

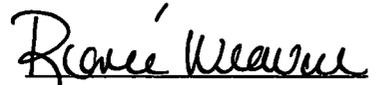

The first bill considered by the Committee was **SB 8 No Cap on Number of Charter Schools** (see **attachment 3**). The Chair recognized Representative Stam who moved to adopt the proposed committee substitute for purpose of discussion. Representative Stam explained the proposed committee substitute. Following Representative Stam's explanation, he provided a handout entitled "**Charter Schools/Diversification of Resources from Public Schools??**" to members (see **attachment 4**). Representative Stam also provided a copy of an amendment that was presented during a House Committee on Education meeting (see **attachment 5**). Following a lengthy discussion, Representative Stam moved that SB 8 be given a favorable report to the House committee substitute, unfavorable report to the original bill. The motion was held for discussion on the bill. The Chair recognized Representative Moore who sent forth amendment 1 that moved to amend the bill on page 13, lines 33-34, by rewriting those lines to read (see **attachment 6**). Representative Moore explained his amendment and answered questions from members. Representative Moore withdrew his amendment. The Chair then

recognized Representative Moore who sent forth amendment 2 that moved to amend the bill on page 15, lines 36-39, by rewriting those lines (see **attachment 7**). Representative Moore explained the amendment. Being no further discussion or debate, the Chair called for a show of hands for amendment 2. The vote being 18 affirmative and 9 against, the amendment passed. The Chair then recognized Representative Starnes who sent forth amendment 3 that moved to amend the bill on page 21, line 35, by deleting "July 1, 2011," and substituting "January 1, 2010." (see **attachment 8**). Representative Starnes explained the amendment. The Chair recognized Representative Starnes who moved to adopt amendment 3. Being no further discussion or debate, the Chair called for a show of hands for amendment 3. The vote being 16 affirmative and 13 against. The amendment passed. The Chair then recognized Representative Moore who sent forth amendment 4 that moved to amend the bill on page 13, lines 30-34, by rewriting those lines to read (see **attachment 9**). Representative Moore explained the amendment. Being no further discussion or debate, the Chair called for a show of hands for amendment 4. The vote being 27 affirmative and 2 against, the amendment passed. The Chair recognized Representative Starnes who moved that SB 8 be given a favorable report to the House committee substitute, unfavorable report to the original bill. The motion was held for further discussion. Chairwoman Howard brought the discussion to an end with the announcement that SB 8 along with the remaining bills on the calendar be rescheduled to be heard on Thursday, April 7, 2011.

Chairwoman Howard adjourned the meeting at 9:51 am.

Respectfully submitted,

Representative Julia Howard
Presiding Senior Chair

Renee Weaver
Clerk, House Committee on
Finance

Referred to:

January 31, 2011

A BILL TO BE ENTITLED

AN ACT TO INCREASE EDUCATIONAL OPPORTUNITIES FOR THE CHILDREN OF NORTH CAROLINA BY REMOVING THE CAP ON CHARTER SCHOOLS, BY CREATING A NEW PUBLIC CHARTER SCHOOLS COMMISSION TO OVERSEE CHARTER SCHOOLS, BY STRENGTHENING THE STANDARDS FOR GRANTING AND RETAINING A CHARTER FOR A CHARTER SCHOOL, BY AUTHORIZING LOCAL BOARDS OF EDUCATION TO CONVERT SCHOOLS TO CHARTER SCHOOLS WITHOUT FORMING A NONPROFIT CORPORATION, BY CLARIFYING THE FUNDING FORMULA FOR CHARTER SCHOOLS, AND BY PROVIDING THAT COUNTIES MAY PROVIDE FUNDING FOR CHARTER SCHOOLS IN THEIR JURISDICTIONS; AND TO MAKE OTHER CHANGES TO THE GENERAL STATUTES GOVERNING CHARTER SCHOOLS.

The General Assembly of North Carolina enacts:

SECTION 1. This act shall be known and may be cited as the "Charter Schools Act of 2011."

SECTION 2. Part 6A of Article 16 of Chapter 115C of the General Statutes reads as rewritten:

"Part 6A. Charter Schools.

"§ 115C-238.29A. Purpose.

The purpose of this Part is to authorize a system of charter schools to provide opportunities for teachers, parents, pupils, and community members to establish and maintain schools that operate independently of existing schools, as a method to ~~accomplish all of~~ accomplish, in the aggregate, the following:

- (1) Improve student ~~learning;~~ learning.
- (2) Increase learning opportunities for all students, with special emphasis on expanded learning experiences for students who are identified as at risk of academic failure or academically ~~gifted;~~ gifted.
- (3) Encourage the use of different and innovative teaching ~~methods;~~ methods.

- 1 (4) Create new professional opportunities for ~~teachers,~~ teachers and
2 administrators, including the opportunities to be responsible for the learning
3 program at the school ~~site;~~ site.
- 4 (5) Provide parents and students with expanded choices in the types of
5 educational opportunities that are available within the public school
6 ~~system;~~ system.
- 7 (6) Hold the schools established under this Part accountable for meeting
8 measurable student achievement results, and provide the schools with a
9 method to change from rule-based to performance-based accountability
10 systems.
- 11 (7) Encourage the replication of successful charter schools.

12 **"§ 115C-238.29A1. North Carolina Public Charter Schools Commission established.**

13 (a) Creation. – There is created the North Carolina Public Charter Schools Commission,
14 hereinafter referred to as the Commission. The Commission shall be located administratively
15 under the State Board of Education and shall exercise its powers and functions as provided in
16 this section.

17 (b) Purpose. – The purpose of the Commission is to oversee high-quality public charter
18 schools throughout the State, consistent with the purposes of this Part, and to recommend
19 approval of charter applicants to the State Board of Education.

20 (c) Membership. – The Commission shall consist of the following 13 members:

21 (1) Four members appointed by the Governor.

22 (2) Four members, one of whom shall be a teacher, administrator, or board
23 member of a charter school or a parent of a child attending a charter school,
24 appointed by the General Assembly upon the recommendation of the
25 President Pro Tempore of the Senate in accordance with G.S. 120-121.

26 (3) Four members, one of whom shall be a teacher, administrator, or board
27 member of a charter school or a parent of a child attending a charter school,
28 appointed by the General Assembly upon the recommendation of the
29 Speaker of the House of Representatives in accordance with G.S. 120-121.

30 (4) The Superintendent of Public Instruction or the Superintendent's designee.

31 (d) Qualifications of Members. – Members appointed to the Commission shall
32 collectively possess strong experience and expertise in public and nonprofit governance,
33 management and finance, public school leadership, assessment, curriculum and instruction,
34 public charter schools, and public education law. All appointed members of the Commission
35 shall have demonstrated an understanding of and a commitment to charter schools as a strategy
36 for strengthening public education.

37 (e) Terms of Office. – No appointed member shall serve more than seven consecutive
38 years. The terms of office are as follows:

39 (1) The initial term of office for members appointed by the Governor shall be
40 two years until June 30, 2013, and thereafter shall be three years.

41 (2) The initial term of office for the members appointed by the General
42 Assembly upon the recommendation of the Speaker of the House of
43 Representatives shall be three years until June 30, 2014, and thereafter shall
44 be three years.

45 (3) The initial term of office for the members appointed by the General
46 Assembly upon the recommendation of the President Pro Tempore of the
47 Senate shall be four years until June 30, 2015, and thereafter shall be three
48 years.

49 (f) Officers. – The Commission shall elect a chair and a vice-chair from among its
50 membership. In the absence of the chair, the vice-chair shall preside over the Commission's

1 meetings. All members are voting members, and a majority of the Commission constitutes a
2 quorum. The Commission shall adopt rules to govern its proceedings.

3 (g) Meetings. – Meetings of the Commission shall be held upon the call of the chair or
4 the vice-chair with the approval of the chair.

5 (h) Expenses. – Members of the Commission shall be reimbursed for travel and
6 subsistence expenses at the rates allowed to State officers and employees by G.S. 138-6(a).

7 (i) The Commission is subject to the provisions of Chapter 132 ("Public Records") and
8 Article 33C of Chapter 143 ("Meetings of Public Bodies") of the General Statutes.

9 (j) Removal. – Any member of the Commission, other than the Superintendent of
10 Public Instruction, may be removed by a vote of at least two-thirds of members at any duly held
11 meeting for any cause that renders the member incapable or unfit to discharge the duties of the
12 office. Whenever a vacancy on the Commission exists, the original appointing authority shall
13 appoint or elect a member for the remaining portion of the term.

14 (k) Staff. – The State Board of Education shall assign the Office of Charter Schools as
15 staff to the Commission.

16 (l) Powers and Duties. – The Commission shall have the following duties:

17 (1) To provide technical assistance, through the Office of Charter Schools and
18 the Department of Public Instruction, to charter school applicants and to
19 charter schools that are approved under this Part.

20 (2) To recommend policies to the State Board regarding all aspects of charter
21 school operation, including time lines, standards, and criteria for acceptance
22 and approval of applications, monitoring of charter schools, and grounds for
23 revocation of charters.

24 (3) To oversee the process for accepting and approving applications for charters
25 and to make recommendations to the State Board for final approval of
26 charter applications.

27 (4) To oversee the process for monitoring the operation of charter schools, with
28 the assistance and counsel of staff from the Department of Public
29 Instruction.

30 (5) To make recommendations to the State Board regarding any actions
31 involving a charter school, including renewals of charters, nonrenewals of
32 charters, and revocation of charters.

33 (6) To undertake any duties and responsibilities consistent with the above
34 powers and duties and incident thereto.

35 (m) The Commission shall submit recommendations as designated proposals to the State
36 Board. The State Board shall adopt or reject a designated proposal within 95 days. If the State
37 Board takes no action on a designated proposal within 95 days, the proposal shall be deemed
38 adopted. The State Board shall not make any substantive changes to any designated proposal of
39 the Commission that the State Board adopts. If the State Board rejects a designated proposal, it
40 shall state with specificity its reasons for rejection; the Commission then may amend that
41 designated proposal and resubmit it to the State Board. The State Board shall not act in an
42 arbitrary and capricious manner in withholding approval of a designated proposal resubmitted
43 by the Commission. The State Board's rejection of a resubmitted designated proposal is subject
44 to judicial review.

45 **"§ 115C-238.29B. Eligible applicants; contents of applications; submission of applications**
46 **for approval.**

47 (a) Any person, group of persons, or nonprofit corporation seeking to establish a charter
48 school may apply to establish a charter school. If ~~the~~ any applicant other than a local board of
49 education seeks to convert a public school to a charter school, the application shall include a
50 statement signed by a majority of the teachers and instructional support personnel currently

1 employed at the school indicating that they favor the conversion and evidence that a significant
2 number of parents of children enrolled in the school favor conversion.

3 (b) The application shall include an executive summary and shall contain at least the
4 following information:

5 (1) A description of a program that aligns with State standards and implements
6 one or more of the purposes in G.S. 115C-238.29A.

7 (1a) The targeted student population and the community the school intends to
8 serve, as well as evidence of need and community support for the proposed
9 charter school.

10 (2) A description of student achievement goals for the school's educational
11 program and the method of demonstrating that students have attained the
12 skills and knowledge specified for those student achievement goals.

13 (2a) A description of the school's instructional design, including the type of
14 learning environment, such as classroom-based or independent study, class
15 size and structure, curriculum overview, and teaching methods.

16 (2b) The school's plans for identifying and successfully serving students with
17 disabilities, students who are English language learners, academically at-risk
18 students, and academically gifted students, including, but not limited to,
19 compliance with applicable laws and regulations.

20 (3) The governance structure of the school—school, including proposed
21 governing bylaws and the names and biographical information of the
22 proposed initial members of the board of directors of the nonprofit,
23 tax-exempt corporation—corporation, and the process to be followed by the
24 school to ensure parental involvement. A local board of education seeking to
25 convert a school to a charter school shall not be required to form a nonprofit,
26 tax-exempt corporation if the local board of education serves as the board of
27 directors of the charter school.

28 (3a) The local school administrative unit in which the school will be located.

29 (4) Admission policies and procedures.

30 (5) A proposed budget for the school for at least the first five years of operation
31 and evidence that the financial plan for the school is economically sound.

32 (6) Requirements and procedures for program and financial audits.

33 (7) A description of how the school will comply with G.S. 115C-238.29F.

34 (8) Types and amounts of insurance coverage, including bonding insurance for
35 the principal officers of the school, to be obtained by the charter school.

36 (9) The term of the charter.

37 (10) The qualifications required for individuals employed by the school.

38 (11) The procedures by which students can be excluded from the charter school
39 and returned to a public school. Notwithstanding any law to the contrary,
40 any local board may refuse to admit any student who is suspended or
41 expelled from a charter school due to actions that would lead to suspension
42 or expulsion from a public school under G.S. 115C-391 until the period of
43 suspension or expulsion has expired.

44 (12) The number of students to be served, which number shall be at least 65, The
45 number of students to be served, including the grades to be served each year
46 for the full term of the charter, and the minimum, planned, and maximum
47 enrollment per grade per year for the term of the charter. The number of
48 students to be served shall be at least 50, however, the charter school may
49 serve fewer than 50 students if the application contains a compelling reason,
50 such as the school would serve a geographically remote and small student
51 population and the minimum number of teachers to be employed at the

1 ~~school, which number shall be at least three. However, the charter school~~
 2 ~~may serve fewer than 65 students or employ fewer than three teachers if the~~
 3 ~~application contains a compelling reason, such as the school would serve a~~
 4 ~~geographically remote and small student population.~~

5 (12a) The minimum number of teachers to be employed at the school.

6 (12b) An organization chart that clearly presents the school's organizational
 7 structure, including lines of authority and reporting between the governing
 8 board, staff, any related bodies, such as advisory bodies or parent and
 9 teacher councils, and any external organizations that will play a role in
 10 managing the school.

11 (13) Information regarding the facilities to be used by the school and the manner
 12 in which administrative services of the school are to be provided.

13 (14) Repealed by Session Laws 1997-430, s. 1.

14 (15) The process to be followed by the school to ensure parental involvement.

15 (16) The school's plans for providing transportation. The school shall develop a
 16 plan for transportation for any student enrolled in the charter school who
 17 resides within three miles of the charter school in a household with an
 18 income below one hundred eighty-five percent (185%) of the poverty level
 19 as defined by the federal government.

20 (17) The school's plans for providing food services. The school shall develop a
 21 plan for food services for any student enrolled in the charter school who
 22 resides in a household with an income below one hundred eighty-five
 23 percent (185%) of the poverty level as defined by the federal government.

24 (18) Explanations of any partnerships or contractual relationships central to the
 25 school's operations or mission.

26 (19) A detailed school start-up plan, identifying tasks, time lines, and responsible
 27 individuals.

28 (20) For an applicant seeking a charter to operate a virtual charter school,
 29 information showing that the school has a physical facility in the State, that
 30 the chief administrator of the school is located in the State, and that the
 31 teachers serving the virtual charter school are responsible for improving
 32 learning by planned instruction, diagnosing learning needs, prescribing
 33 content delivery through instructional activities, assessing learning, reporting
 34 outcomes to administrators and parents and guardians, and evaluating the
 35 effects of instruction.

36 (c) An applicant shall submit the application to the Commission, which shall have the
 37 authority to recommend the approval of a charter school to the State Board in accordance with
 38 the standards and criteria set forth in this Part. ~~a chartering entity for preliminary approval. A~~
 39 chartering entity may be:

40 (1) ~~The local board of education of the local school administrative unit in which~~
 41 ~~the charter school will be located;~~

42 (2) ~~The board of trustees of a constituent institution of The University of North~~
 43 ~~Carolina, so long as the constituent institution is involved in the planning,~~
 44 ~~operation, or evaluation of the charter school; or~~

45 (3) ~~The State Board of Education.~~

46 ~~Regardless of which chartering entity receives the application for preliminary approval, the~~
 47 ~~State Board of Education shall have final approval of the charter school.~~

48 ~~Notwithstanding the provisions of this subsection, if the State Board of Education finds that~~
 49 ~~an applicant (i) submitted an application to a local board of education and received final~~
 50 ~~approval from the State Board of Education, but (ii) is unable to find a suitable location within~~
 51 ~~that local school administrative unit to operate, the State Board of Education may authorize the~~

1 charter school to operate within an adjacent local school administrative unit for one year only.
2 The charter school cannot operate for more than one year unless it reapplies, in accordance with
3 subdivision (1), (2), or (3) of this subsection, and receives final approval from the State Board
4 of Education.

5 (d) ~~Unless an applicant submits its application under subsection (c) of this section to the~~
6 ~~local board of education of the local school administrative unit in which the charter school will~~
7 ~~be located, the~~The applicant shall submit a copy of its application to that local boardthe local
8 board of education of the local school administrative unit in which the charter school will be
9 located within seven days of its submission under subsection (c) of this section. The local board
10 may offer any information or comment concerning the application it considers appropriate to
11 the ~~chartering entity~~Commission within a time period imposed uniformly for all applications.
12 ~~The local board shall deliver this information to the chartering entity no later than January 1 of~~
13 ~~the next calendar year.~~The applicant shall not be required to obtain or deliver this information
14 to the ~~chartering entity~~Commission on behalf of the local board. The ~~State Board~~Commission
15 shall consider any information or comment it receives from a local board and shall consider the
16 impact on the local school administrative unit's ability to provide a sound basic education to its
17 students when determining whether to recommend grant preliminary and final approval of the
18 charter school.

19 "**§ 115C-238.29C. Preliminary approval of Completeness determination for applications**
20 **for charter schools.**

21 (a) ~~The chartering entity that receives a request for preliminary approval of a charter~~
22 ~~school shall act on each request received prior to November 1 of a calendar year by February 1~~
23 ~~of the next calendar year.~~Commission, subject to the approval of the State Board, shall
24 determine the schedule and deadlines for the submission of charter school applications.

25 (b) ~~The chartering entity~~Commission shall ~~give preliminary approval to the application~~
26 issue a determination that the application is complete if the ~~chartering entity~~Commission
27 determines that ~~(i) the information contained in the application meets the requirements set out in~~
28 ~~this Part or adopted by the State Board of Education,~~Education. ~~(ii) the applicant has the ability~~
29 ~~to operate the school and would be likely to operate the school in an educationally and~~
30 ~~economically sound manner, and (iii) granting the application would improve student learning~~
31 ~~and would achieve one of the other purposes set out in G.S. 115C-238.29A. In reviewing~~
32 ~~applications for the establishment of charter schools within a local school administrative unit,~~
33 ~~the chartering entity is encouraged to give preference to applications that demonstrate the~~
34 ~~capability to provide comprehensive learning experiences to students identified by the~~
35 ~~applicants as at risk of academic failure. If the chartering entity approves more than one~~
36 ~~application for charter schools located in a local school administrative unit, the chartering entity~~
37 ~~may state its order of preference among the applications that it approves.~~

38 (c) ~~If a chartering entity other than the State Board disapproves an application, the~~
39 ~~applicant may appeal to the State Board of Education prior to February 15. The State Board~~
40 ~~shall consider the appeal at the same time it is considering final approval in accordance with~~
41 ~~G.S. 115C-238.29D. The State Board shall give preliminary approval of the application if it~~
42 ~~finds that the chartering entity acted in an arbitrary or capricious manner in disapproving the~~
43 ~~application, failed to consider appropriately the application, or failed to act within the time set~~
44 ~~out in G.S. 115C-238.29C.~~

45 ~~If the chartering entity, the State Board of Education, or both, disapprove an application, the~~
46 ~~applicant may modify the application and reapply subject to the application deadline contained~~
47 ~~in subsection (a) of this section.~~

48 "**§ 115C-238.29D. Final approval of applications for charter schools.**

49 (a) ~~The~~Upon recommendation of the Commission, the State Board shall ~~may~~ grant
50 final approval of an application if it ~~finds that~~ determines that the application meets the

1 requirements set out in this Part or adopted by the State Board of Education and that granting
2 the application would achieve one or more of the purposes set out in G.S. 115C-238.29A.

3 ~~The Commission State Board shall act by March 15 of a calendar year on all applications~~
4 ~~and appeals it receives prior to February 15 of that calendar year.~~ establish a time line approved
5 by the State Board to take final action on applications declared complete under
6 G.S. 115C-238.29C and shall make this information available to applicants. The decision shall
7 be based on the evidence contained in the application or collected following a procedure for
8 application review that is uniform across all applicants and provides opportunities for
9 applicants to respond to questions and requests for further information.

10 (b) ~~The State Board shall authorize no more than five charter schools per year in one~~
11 ~~local school administrative unit.~~ The State Board shall authorize no more than 100-50
12 additional charter schools statewide in each calendar year, not including renewals of existing
13 charters. If more than five charter schools in one local school administrative unit or more than
14 100 schools statewide meet the standards for final approval, the State Board shall give priority
15 to applications that are most likely to further State education policies and to strengthen the
16 educational program offered in the local school administrative units in which they are located.

17 (b1) If the State Board or Commission disapproves an application, it shall provide the
18 applicant with the opportunity to request reconsideration of the decision. However, neither the
19 State Board nor the Commission shall be required to consider any request for reconsideration
20 from an applicant that fails to include additional information not previously presented by the
21 applicant.

22 (b2) A decision to disapprove an application is exempt from review pursuant to Chapter
23 150B of the General Statutes.

24 (c) The State Board of Education may authorize a school before the applicant has
25 secured its space, equipment, facilities, and personnel if the applicant indicates the authority is
26 necessary for it to raise working capital. The State Board shall not allocate any funds to the
27 school until the school has obtained space.

28 (d) The State Board of Education may grant the initial charter for a period not to exceed
29 10 years and may renew the charter upon the request of the chartering entity for subsequent
30 periods not to exceed 10 years each. The State Board, upon recommendation of the
31 Commission, may include in the charter any standards or requirements it determines are
32 necessary to fulfill the purposes of this Part as well as any other objectives set forth by the
33 charter school applicant. The charter shall set forth clear, measurable, and attainable academic
34 and operational performance standards the chartering entity must meet to earn charter renewal
35 and the type of objective and verifiable data which will be reviewed to evaluate performance.
36 Those standards shall include:

- 37 (1) Measures of student academic achievement status or proficiency.
- 38 (2) Student academic growth, including adequacy of growth toward State
39 standards.
- 40 (3) Achievement gaps among student subgroups identified by the Department of
41 Public Instruction for all public schools.
- 42 (4) Postsecondary readiness and success for high schools.
- 43 (5) Attendance and recurrent enrollment from year to year.
- 44 (6) Financial performance and sustainability.
- 45 (7) Compliance with all applicable laws, regulations, and terms of the charter
46 contract.

47 ~~The State Board of Education-Commission~~ shall review the operations of each charter
48 school at least once every five years to ensure that the school is meeting the expected academic,
49 financial, and governance standards.

50 A material revision of the provisions of a charter application shall be made only upon the
51 approval of the State Board of ~~Education-Commission~~ Education upon recommendation of the Commission.

1 It shall not be considered a material revision of a charter application and shall not require
2 the prior approval of the State Board for a charter school to increase its enrollment during the
3 charter school's second year of operation and annually thereafter (i) by up to ~~ten~~twenty percent
4 ~~(10%)~~(20%) of the school's previous year's enrollment or (ii) in accordance with planned
5 growth as authorized in the charter. Other enrollment growth shall be considered a material
6 revision of the charter application, and upon recommendation of the Commission, the State
7 Board may approve such additional enrollment growth of greater than ~~ten~~twenty percent ~~(10%)~~
8 (20%) only if the ~~State Board~~Commission finds that:

- 9 (1) The actual enrollment of the charter school is within ten percent (10%) of its
10 maximum authorized enrollment;
- 11 (2) The charter school has commitments for ninety percent (90%) of the
12 requested maximum growth;
- 13 (3) The board of education of the local school administrative unit in which the
14 charter school is located has had an opportunity to be heard by the ~~State~~
15 ~~Board of Education~~Commission on any adverse impact the proposed growth
16 would have on the unit's ability to provide a sound basic education to its
17 students;
- 18 (4) The charter school is not currently identified as low-performing;
- 19 (5) The charter school meets generally accepted standards of fiscal
20 management; and
- 21 (6) It is otherwise appropriate to approve the enrollment growth.

22 **"§ 115C-238.29E. Charter school operation.**

23 (a) A charter school that is approved by the State shall be a public school within the
24 local school administrative unit in which it is located. ~~It shall be accountable to the local board~~
25 ~~of education if it applied for and received preliminary approval from that local board for~~
26 ~~purposes of ensuring compliance with applicable laws and the provisions of its charter. All~~
27 ~~other charter schools located, and~~ shall be accountable to the State Board for ensuring
28 compliance with applicable laws and the provisions of their charters, ~~except that any of these~~
29 ~~charter schools may agree to be accountable to the local board of the school administrative unit~~
30 ~~in which the charter school is located rather than to the State Board charters.~~

31 (b) A charter school shall be operated by a private nonprofit corporation that shall have
32 received federal tax-exempt status no later than 24 months following final approval of the
33 application. A local board of education approved to convert a school to a charter school shall
34 not be required to form a nonprofit, tax-exempt corporation if the local board of education
35 serves as the board of directors of the charter school.

36 (c) A charter school shall operate under the written charter signed by the State Board
37 ~~entity to which it is accountable under subsection (a) of this section~~ and the applicant. A charter
38 school is not required to enter into any other contract. The charter shall incorporate the
39 information provided in the application, as modified during the charter approval process, and
40 any terms and conditions imposed on the charter school by the State Board of ~~Education.~~
41 Education, as recommended by the Commission. No other terms may be imposed on the charter
42 school as a condition for receipt of local funds.

43 (d) The board of directors of the charter school shall decide matters related to the
44 operation of the school, including budgeting, curriculum, and operating procedures.

45 (e) A charter school's specific location shall not be prescribed or limited by a local
46 board or other authority except a zoning authority. The school may lease space from a local
47 board of education or as is otherwise lawful in the local school administrative unit in which the
48 charter school is located. If a charter school leases space from a sectarian organization, the
49 charter school classes and students shall be physically separated from any parochial students,
50 and there shall be no religious artifacts, symbols, iconography, or materials on display in the
51 charter school's entrance, classrooms, or hallways. Furthermore, if a charter school leases space

1 from a sectarian organization, the charter school shall not use the name of that organization in
2 the name of the charter school.

3 At the request of the charter school, the local board of education of the local school
4 administrative unit in which the charter school will be located shall lease any available building
5 or land to the charter school unless the board demonstrates that the lease is not economically or
6 practically feasible or that the local board does not have adequate classroom space to meet its
7 enrollment needs. Notwithstanding any other law, a local board of education may provide a
8 school facility to a charter school free of charge; however, the charter school is responsible for
9 the maintenance of and insurance for the school facility.

10 (f) Except as provided in this Part and pursuant to the provisions of its charter, a charter
11 school is exempt from statutes and rules applicable to a local board of education or local school
12 administrative unit.

13 **"§ 115C-238.29F. General requirements.**

14 (a) Health and Safety Standards. – A charter school shall meet the same health and
15 safety requirements required of a local school administrative unit. The Department of Public
16 Instruction shall ensure that charter schools provide parents and guardians with information
17 about meningococcal meningitis and influenza and their vaccines at the beginning of every
18 school year. This information shall include the causes, symptoms, and how meningococcal
19 meningitis and influenza are spread and the places where parents and guardians may obtain
20 additional information and vaccinations for their children.

21 The Department of Public Instruction shall also ensure that charter schools provide parents
22 and guardians with information about cervical cancer, cervical dysplasia, human
23 papillomavirus, and the vaccines available to prevent these diseases. This information shall be
24 provided at the beginning of the school year to parents of children entering grades five ~~though~~
25 through 12. This information shall include the causes and symptoms of these diseases, how
26 they are transmitted, how they may be prevented by vaccination, including the benefits and
27 possible side effects of vaccination, and the places where parents and guardians may obtain
28 additional information and vaccinations for their children.

29 The Department of Public Instruction shall also ensure that charter schools provide students
30 in grades nine through 12 with information annually on the manner in which a parent may
31 lawfully abandon a newborn baby with a responsible person, in accordance with G.S. 7B-500.

32 The Department of Public Instruction shall also ensure that the guidelines for individual
33 diabetes care plans adopted by the State Board of Education under G.S. 115C-12(31) are
34 implemented in charter schools in which students with diabetes are enrolled and that charter
35 schools otherwise comply with the provisions of G.S. 115C-375.3.

36 (b) School Nonsectarian. – A charter school shall be nonsectarian in its programs,
37 admission policies, employment practices, and all other operations and shall not charge tuition
38 or fees. ~~fees, except that a charter school may charge any fees that are charged by the local~~
39 school administrative unit in which the charter school is located. A charter school shall not be
40 affiliated with a nonpublic sectarian school or a religious institution.

41 (c) Civil Liability and Insurance. –

42 (1) The board of directors of a charter school may sue and be sued. The State
43 Board of Education shall adopt rules as recommended by the Commission to
44 establish reasonable amounts and types of liability insurance that the board
45 of directors shall be required by the charter to obtain. The board of directors
46 shall obtain at least the amount of and types of insurance required by these
47 rules to be included in the charter. Any sovereign immunity of the charter
48 school, of the organization that operates the charter school, or its members,
49 officers, or directors, or of the employees of the charter school or the
50 organization that operates the charter school, is waived to the extent of
51 indemnification by insurance.

- 1 (2) No civil liability shall attach to any chartering entity, to the State Board of
2 Education, the Commission, or to any of their members or employees,
3 individually or collectively, for any acts or omissions of the charter school.
- 4 (d) Instructional Program. –
- 5 (1) The school shall provide instruction each year for at least 180 days.
- 6 (2) The school shall design its programs to at least meet the student performance
7 standards adopted by the State Board of Education and the student
8 performance standards contained in the charter.
- 9 (3) A charter school shall conduct the student assessments required for charter
10 schools by the State Board of Education.
- 11 (4) The school shall comply with policies adopted by the State Board of
12 Education for charter schools relating to the education of children with
13 disabilities.
- 14 (5) The school is subject to and shall comply with Article 27 of Chapter 115C of
15 the General Statutes, except that a charter school may also exclude a student
16 from the charter school and return that student to another school in the local
17 school administrative unit in accordance with the terms of its charter.
- 18 (e) Employees. –
- 19 (1) An employee of a charter school is not an employee of the local school
20 administrative unit in which the charter school is ~~located~~ located, except for
21 employees of charter schools converted by a local board of education where
22 a nonprofit, tax-exempt corporation was not required to be formed because
23 the local board of education serves as the board of directors of the charter
24 school. The charter school's board of directors shall employ and contract
25 with necessary teachers to perform the particular service for which they are
26 employed in the school; at least seventy-five percent (75%) of these teachers
27 in grades kindergarten through five, at least fifty percent (50%) of these
28 teachers in grades six through eight, and at least fifty percent (50%) of these
29 teachers in grades nine through 12 shall hold teacher certificates. All
30 teachers in grades six through 12 who are teaching in the core subject areas
31 of mathematics, science, social studies, and language arts shall be college
32 graduates. No charter school shall employ as a teacher any person whose
33 certification has been revoked by the State Board of Education.
- 34 The board also may employ necessary employees who are not required to
35 hold teacher certificates to perform duties other than teaching and may
36 contract for other services. The board may discharge teachers and
37 noncertificated employees.
- 38 (2) No local board of education shall require any employee of the local school
39 administrative unit to be employed in a charter school.
- 40 (3) If a teacher employed by a local school administrative unit makes a written
41 request for a leave of absence to teach at a charter school, the local school
42 administrative unit shall grant the leave for one year. For the initial year of a
43 charter school's operation, the local school administrative unit may require
44 that the request for a leave of absence be made up to 45 days before the
45 teacher would otherwise have to report for duty. After the initial year of a
46 charter school's operation, the local school administrative unit may require
47 that the request for a leave of absence be made up to 90 days before the
48 teacher would otherwise have to report for duty. A local board of education
49 is not required to grant a request for a leave of absence or a request to extend
50 or renew a leave of absence for a teacher who previously has received a
51 leave of absence from that school board under this subdivision. A teacher

1 who has career status under G.S. 115C-325 prior to receiving a leave of
 2 absence to teach at a charter school may return to a public school in the local
 3 school administrative unit with career status at the end of the leave of
 4 absence or upon the end of employment at the charter school if an
 5 appropriate position is available. If an appropriate position is unavailable,
 6 the teacher's name shall be placed on a list of available teachers and that
 7 teacher shall have priority on all positions for which that teacher is qualified
 8 in accordance with G.S. 115C-325(e)(2).

9 (3a) A teacher employed by a charter school who returns to employment with a
 10 local school administrative unit without a break in service shall have unused
 11 sick leave from previous employment with a local school administrative unit
 12 reinstated. A teacher employed by a charter school who returns to
 13 employment with a local school administrative unit without a break in
 14 service shall be credited for the years of service at the charter school for the
 15 purposes of the salary schedule, longevity pay, and rate of earned leave.

16 (4) The employees of the charter school shall be deemed employees of the local
 17 school administrative unit for purposes of providing certain State-funded
 18 employee benefits, including membership in the Teachers' and State
 19 Employees' Retirement System and the State Health Plan for Teachers and
 20 State Employees. The State Board of Education provides funds to charter
 21 schools, approves the original members of the boards of directors of the
 22 charter schools, has the authority to grant, supervise, and revoke charters,
 23 and demands full accountability from charter schools for school finances and
 24 student performance. Accordingly, it is the determination of the General
 25 Assembly that charter schools are public schools and that the employees of
 26 charter schools are public school employees. Employees of a charter school
 27 whose board of directors elects to become a participating employer under
 28 G.S. 135-5.3 are "teachers" for the purpose of membership in the North
 29 Carolina Teachers' and State Employees' Retirement System. In no event
 30 shall anything contained in this Part require the North Carolina Teachers'
 31 and State Employees' Retirement System to accept employees of a private
 32 employer as members or participants of the System.

33 (f) Accountability. –

34 (1) The school is subject to the financial audits, the audit procedures, and the
 35 audit requirements adopted by the State Board of Education for charter
 36 schools. These audit requirements may include the requirements of the
 37 School Budget and Fiscal Control Act.

38 (2) The school shall comply with the reporting requirements established by the
 39 State Board of Education in the Uniform Education Reporting System.

40 (3) The school shall report at least annually to the ~~chartering entity~~ and the
 41 Commission and the State Board of Education the information required by
 42 ~~the chartering entity~~ Commission or the State Board.

43 (g) Admission Requirements. –

44 (1) Any child who is qualified under the laws of this State for admission to a
 45 public school is qualified for admission to a charter school. Any charter
 46 school that is unable to fill its current enrollment with students qualified
 47 under the laws of this State for admission to a public school may enroll
 48 persons of school age who are not domiciliaries of the State and charge those
 49 students a tuition amount equal to the per pupil allocation of the local
 50 appropriation for the county in which the charter school is located and the
 51 per pupil State appropriation for that school year. The number of persons of

1 school age who are not domiciliaries of the State who are enrolled in a
2 charter school may not exceed ten percent (10%) of the total number of
3 students enrolled in the charter school.

4 (2) No local board of education shall require any student enrolled in the local
5 school administrative unit to attend a charter school.

6 (3) Admission to a charter school shall not be determined according to the
7 school attendance area in which a student resides, except that any ~~local~~
8 ~~school administrative unit in which a public school converts to a charter~~
9 ~~school shall give admission preference to students who reside within the~~
10 ~~former attendance area of that school.~~ public school converting to a charter
11 school shall adopt a policy giving enrollment preference to students who
12 reside within the former attendance area of that public school for at least the
13 first two years of operation of the charter school.

14 (4) Admission to a charter school shall not be determined according to the local
15 school administrative unit in which a student resides.

16 (5) A charter school shall not discriminate against any student on the basis of
17 ethnicity, national origin, gender, or disability. Except as otherwise provided
18 by law or the mission of the school as set out in the charter, the school shall
19 not limit admission to students on the basis of intellectual ability, measures
20 of achievement or aptitude, athletic ability, disability, race, creed, gender,
21 national origin, religion, or ancestry. The charter school may give enrollment
22 priority to siblings of currently enrolled students who were admitted to the
23 charter school in a previous year and to children of the school's principal,
24 teachers, ~~and teacher assistants.~~ teacher assistants, and other full-time
25 employees of the charter school. In addition, and only for its first year of
26 operation, the charter school may give enrollment priority to children of the
27 initial members of the charter school's board of directors, so long as (i) these
28 children are limited to no more than ten percent (10%) of the school's total
29 enrollment or to 20 students, whichever is less, and (ii) the charter school is
30 not a former public or private school. If multiple birth siblings apply for
31 admission to a charter school and a lottery is needed under
32 G.S. 115C-238.29F(g)(6), the charter school shall enter one surname into the
33 lottery to represent all of the multiple birth siblings. If that surname of the
34 multiple birth siblings is selected, then all of the multiple birth siblings shall
35 be admitted. Within one year after the charter school begins operation, the
36 population of the school shall reasonably reflect the racial and ethnic
37 composition of the general population residing within the local school
38 administrative unit in which the school is located or the racial and ethnic
39 composition of the special population that the school seeks to serve residing
40 within the local school administrative unit in which the school is located.
41 The school shall be subject to any court-ordered desegregation plan in effect
42 for the local school administrative unit.

43 (6) During each period of enrollment, the charter school shall enroll an eligible
44 student who submits a timely application, unless the number of applications
45 exceeds the capacity of a program, class, grade level, or building. In this
46 case, students shall be accepted by lot. Once enrolled, students are not
47 required to reapply in subsequent enrollment periods.

48 (7) Notwithstanding any law to the contrary, a charter school may refuse
49 admission to any student who has been expelled or suspended from a public
50 school under G.S. 115C-391 until the period of suspension or expulsion has
51 expired.

1 (8) Nothing in this subsection shall be interpreted to preclude the formation of a
2 charter school whose mission is focused on serving students with
3 disabilities, students of the same gender, students who pose such severe
4 disciplinary problems that they warrant a specific educational program,
5 academically at-risk students, or academically gifted students.

6 (h) Transportation. – The charter school may provide transportation for students
7 enrolled at the school. ~~The For charter schools approved after July 1, 2011, the charter school~~
8 ~~shall develop a transportation plan so that transportation is not a barrier to provide~~
9 ~~transportation for any student enrolled in the charter school who resides in the local school~~
10 ~~administrative unit in which the school is located within three miles of the charter school in a~~
11 ~~household with an income below one hundred eighty-five percent (185%) of the poverty level~~
12 ~~as defined by the federal government. The charter school is not required to provide~~
13 ~~transportation to any student who lives within one and one-half miles of the school. At the~~
14 request of the charter school and if the local board of the local school administrative unit in
15 which the charter school is located operates a school bus system, then that local board may
16 contract with the charter school to provide transportation in accordance with the charter
17 school's transportation plan to students who reside in the local school administrative unit and
18 who reside at least one and one-half miles ~~of from~~ the charter school. A local board may charge
19 the charter school a reasonable charge that is sufficient to cover the cost of providing this
20 transportation. Furthermore, a local board may refuse to provide transportation under this
21 subsection if it demonstrates there is no available space on buses it intends to operate during the
22 term of the contract or it would not be practically feasible to provide this transportation.

23 (h1) Food Services. – For charter schools approved after July 1, 2011, the charter school
24 shall provide food services for any student enrolled in the charter school who resides in a
25 household with an income below one hundred eighty-five percent (185%) of the poverty level
26 as defined by the federal government.

27 (i) Assets. – Upon dissolution of the charter school or upon the nonrenewal of the
28 charter, all net assets of the charter ~~school~~school, other than real property, purchased with
29 public funds shall be deemed the property of the local school administrative unit in which the
30 charter school is located. Upon dissolution of the charter school or upon the nonrenewal of the
31 charter, State funds used to purchase real property shall be remitted back to the State after all
32 liens on the property are satisfied. Upon dissolution of the charter school or upon the
33 nonrenewal of the charter, county funds used to purchase real property shall be remitted back to
34 the county after all liens on the property are satisfied.

35 (j) Driving Eligibility Certificates. – In accordance with rules adopted by the State
36 Board of Education, the designee of the school's board of directors shall do all of the following:

- 37 (1) Sign driving eligibility certificates that meet the conditions established in
38 G.S. 20-11.
- 39 (2) Obtain the necessary written, irrevocable consent from parents, guardians, or
40 emancipated juveniles, as appropriate, in order to disclose information to the
41 Division of Motor Vehicles.
- 42 (3) Notify the Division of Motor Vehicles when a student who holds a driving
43 eligibility certificate no longer meets its conditions.

44 (k) The Display of the United States and North Carolina Flags and the Recitation of the
45 Pledge of Allegiance. – A charter school shall (i) display the United States and North Carolina
46 flags in each classroom when available, (ii) require the recitation of the Pledge of Allegiance on
47 a daily basis, and (iii) provide age-appropriate instruction on the meaning and historical origins
48 of the flag and the Pledge of Allegiance. A charter school shall not compel any person to stand,
49 salute the flag, or recite the Pledge of Allegiance. If flags are donated or are otherwise
50 available, flags shall be displayed in each classroom.

51 **"§ 115C-238.29G. Causes for nonrenewal or termination; disputes.**

1 (a) ~~The~~ Upon recommendation of the Commission, the State Board of Education
2 ~~Education, or a chartering entity subject to the approval of the State Board of Education,~~ may
3 terminate or not renew a charter upon any of the following grounds:

- 4 (1) Failure to meet the requirements for student performance contained in the
5 charter;
- 6 (2) Failure to meet generally accepted standards of fiscal management;
- 7 (3) Violations of law;
- 8 (4) Material violation of any of the conditions, standards, or procedures set forth
9 in the charter;
- 10 (5) Two-thirds of the faculty and instructional support personnel at the school
11 request that the charter be terminated or not renewed; or
- 12 (6) Other good cause identified.

13 (a1) Upon recommendation of the Commission, the State Board shall adopt criteria for
14 adequate performance by a charter school and shall identify charter schools with inadequate
15 performance. The criteria shall include a requirement that a charter school which demonstrates
16 no growth in student performance and has annual performance composites below sixty percent
17 (60%) in any three-year period shall be deemed inadequate. A charter school identified as
18 inadequate shall develop a school improvement plan to meet specific goals for student
19 performance that are consistent with State Board criteria and the mission approved in the
20 charter of the school. The school improvement plan shall be reviewed and approved by the
21 State Board upon recommendation by the Commission. Failure to demonstrate improvement
22 under the school improvement plan shall be cause for termination or nonrenewal of the charter.

23 (b) The State Board of Education shall develop and implement a process to address
24 contractual and other grievances between a charter school and ~~its chartering entity~~the
25 Commission, State Board, or the local board of education during the time of its charter.

26 (c) The State Board and the charter school are encouraged to make a good-faith attempt
27 to resolve the differences that may arise between them. They may agree to jointly select a
28 mediator. The mediator shall act as a neutral facilitator of disclosures of factual information,
29 statements of positions and contentions, and efforts to negotiate an agreement settling the
30 differences. The mediator shall, at the request of either the State Board or a charter school,
31 commence a mediation immediately or within a reasonable period of time. The mediation shall
32 be held in accordance with rules and standards of conduct adopted under Chapter 7A of the
33 General Statutes governing mediated settlement conferences but modified as appropriate and
34 suitable to the resolution of the particular issues in disagreement.

35 Notwithstanding Article 33C of Chapter 143 of the General Statutes, the mediation
36 proceedings shall be conducted in private. Evidence of statements made and conduct occurring
37 in a mediation are not subject to discovery and are inadmissible in any court action. However,
38 no evidence otherwise discoverable is inadmissible merely because it is presented or discussed
39 in a mediation. The mediator shall not be compelled to testify or produce evidence concerning
40 statements made and conduct occurring in a mediation in any civil proceeding for any purpose,
41 except disciplinary hearings before the State Bar or any agency established to enforce standards
42 of conduct for mediators. The mediator may determine that an impasse exists and discontinue
43 the mediation at any time. The mediator shall not make any recommendations or public
44 statement of findings or conclusions. The State Board and the charter school shall share equally
45 the mediator's compensation and expenses. The mediator's compensation shall be determined
46 according to rules adopted under Chapter 7A of the General Statutes.

47 (d) A decision to terminate or not renew a charter is exempt from review pursuant to
48 Chapter 150B of the General Statutes.

49 **"§ 115C-238.29H. State and local funds for a charter school.**

50 (a) The State Board of Education shall allocate to each charter school:

- 1 (1) An amount equal to the average per pupil allocation for average daily
2 membership from the local school administrative unit allotments in which
3 the charter school is located for each child attending the charter school
4 except for the allocation for children with disabilities and for the allocation
5 for children with limited English proficiency;
- 6 (2) An additional amount for each child attending the charter school who is a
7 child with disabilities; and
- 8 (3) An additional amount for children with limited English proficiency attending
9 the charter school, based on a formula adopted by the State Board.

10 In accordance with G.S. 115C-238.29D(d), the State Board shall allow for annual
11 adjustments to the amount allocated to a charter school based on its enrollment growth in
12 school years subsequent to the initial year of operation.

13 In the event a child with disabilities leaves the charter school and enrolls in a public school
14 during the first 60 school days in the school year, the charter school shall return a pro rata
15 amount of funds allocated for that child to the State Board, and the State Board shall reallocate
16 those funds to the local school administrative unit in which the public school is located. In the
17 event a child with disabilities enrolls in a charter school during the first 60 school days in the
18 school year, the State Board shall allocate to the charter school the pro rata amount of
19 additional funds for children with disabilities.

20 (a) Funds allocated by the State Board of Education may be used to enter into
21 operational and financing leases for real property or mobile classroom units for use as school
22 facilities for charter schools and may be used for payments on loans made to charter schools for
23 facilities or equipment. Funds allocated by the State Board of Education may also be used to
24 acquire equipment, real property, buildings, and mobile classroom units for use as school
25 facilities for charter schools, to enter into operational and financing leases for equipment, and
26 for any other purpose identified in G.S. 115C-426(f). However, State funds shall not be used to
27 obtain any other interest in real property or mobile classroom units. No indebtedness of any
28 kind incurred or created by the charter school shall constitute an indebtedness of the State or its
29 political subdivisions, and no indebtedness of the charter school shall involve or be secured by
30 the faith, credit, or taxing power of the State or its political subdivisions. Every contract or
31 lease into which a charter school enters shall include the previous sentence. The school also
32 may own land and buildings it obtains through non-State sources.

33 (b) If a student attends a charter school, the local school administrative unit in which
34 the child resides shall transfer to the charter school an amount equal to the per pupil share of
35 the local current expense fund, as defined by G.S. 115C-426, of local current expense
36 appropriation to the local school administrative unit for the fiscal year. The amount transferred
37 under this subsection that consists of revenue derived from supplemental taxes shall be
38 transferred only to a charter school for students residing within located in the tax district for
39 which these taxes are levied and in which the student resides, levied. The amount transferred
40 under this subsection shall not include special funds of individual schools established pursuant
41 to G.S. 115C-448. The local school administrative unit shall provide a detailed accounting of
42 the funds to be transferred and transfer these funds based on a preliminary projection of charter
43 school enrollment provided to the local school administrative unit by the charter school no later
44 than 15 days after the local school administrative unit receives its local current expense
45 appropriation. Adjustments to this amount shall be made within 30 days of the State Board of
46 Education determining and certifying to the charter school its average daily membership for the
47 school year. If the local school administrative unit fails to comply with the deadlines set forth
48 in this subsection, it shall pay a penalty of one percent (1%) of the amount transferred to the
49 charter school.

50 (c) Counties may provide funds to the nonprofit tax-exempt corporation that holds the
51 charter of a charter school by direct appropriation as set forth in G.S. 153A-457. These funds

1 shall be used only for purposes identified in G.S. 115C-426(f). If a county decides to provide
2 funds, the funds shall be distributed equitably and apportioned according to the average daily
3 membership of each charter school that has requested funds. These funds shall be used only for
4 purposes identified in G.S. 115C-426(f).

5 ~~"§ 115C-238.29I. Notice of the charter school process; review of charter schools; Charter~~
6 ~~School Advisory Committee.~~

7 (a) ~~The State Board of Education shall distribute information announcing the~~
8 ~~availability of the charter school process described in this Part to each local school~~
9 ~~administrative unit and public postsecondary educational institution and, through press releases,~~
10 ~~to each major newspaper in the State.~~

11 (b) ~~Repealed by Session Laws 1997-18, s. 15(i).~~

12 (e) ~~The State Board of Education shall review and evaluate the educational~~
13 ~~effectiveness of the charter school approach authorized under this Part and the effect of charter~~
14 ~~schools on the public schools in the local school administrative unit in which the charter~~
15 ~~schools are located. The Board shall report no later than January 1, 2002, to the Joint~~
16 ~~Legislative Education Oversight Committee with recommendations to modify, expand, or~~
17 ~~terminate that approach. The Board shall base its recommendations predominantly on the~~
18 ~~following information:~~

19 (1) ~~The current and projected impact of charter schools on the delivery of~~
20 ~~services by the public schools.~~

21 (2) ~~Student academic progress in the charter schools as measured, where~~
22 ~~available, against the academic year immediately preceding the first~~
23 ~~academic year of the charter schools' operation.~~

24 (3) ~~Best practices resulting from charter school operations.~~

25 (4) ~~Other information the State Board considers appropriate.~~

26 (d) ~~The State Board of Education may establish a Charter School Advisory Committee~~
27 ~~to assist with the implementation of this Part. The Charter School Advisory Committee may (i)~~
28 ~~provide technical assistance to chartering entities or to potential applicants, (ii) review~~
29 ~~applications for preliminary approval, (iii) make recommendations as to whether the State~~
30 ~~Board should approve applications for charter schools, (iv) make recommendations as to~~
31 ~~whether the State Board should terminate or not renew a charter, (v) make recommendations~~
32 ~~concerning grievances between a charter school and its chartering entity, the State Board, or a~~
33 ~~local board, (vi) assist with the review under subsection (e) of this section, and (vii) provide~~
34 ~~any other assistance as may be required by the State Board.~~

35 (e) ~~Notwithstanding the dates set forth in this Part, the State Board of Education may~~
36 ~~establish an alternative time line for the submission of applications, preliminary approvals,~~
37 ~~criminal record checks, appeals, and final approvals so long as the Board grants final approval~~
38 ~~by March 15 of each calendar year.~~

39 **"§ 115C-238.29J. Public and private assistance to charter schools.**

40 (a) Local boards of education are authorized and encouraged to provide administrative
41 and evaluative support to charter schools located within their local school administrative units.

42 (b) Private persons and organizations are encouraged to provide funding and other
43 assistance to the establishment or operation of charter schools.

44 (c) The State Board of Education shall direct the Department of Public Instruction to
45 provide guidance and technical assistance, upon request, to existing charter schools as well as
46 applicants and or potential applicants for charters.

47 (d) The State Board of Education shall direct the Department of Public Instruction to
48 notify the Department of Revenue when the State Board of Education terminates, fails to
49 renew, or grants a charter for a charter school.

50 **"§ 115C-238.29K. Criminal history checks.**

51 (a) As used in this section:

1 (1) "Criminal history" means a county, state, or federal criminal history of
2 conviction of a crime, whether a misdemeanor or a felony, that indicates an
3 individual (i) poses a threat to the physical safety of students or personnel, or
4 (ii) has demonstrated that he or she does not have the integrity or honesty to
5 fulfill his or her duties as school personnel. These crimes include the
6 following North Carolina crimes contained in any of the following Articles
7 of Chapter 14 of the General Statutes: Article 5A, Endangering Executive
8 and Legislative Officers; Article 6, Homicide; Article 7A, Rape and Kindred
9 Offenses; Article 8, Assaults; Article 10, Kidnapping and Abduction; Article
10 13, Malicious Injury or Damage by Use of Explosive or Incendiary Device
11 or Material; Article 14, Burglary and Other Housebreakings; Article 15,
12 Arson and Other Burnings; Article 16, Larceny; Article 17, Robbery; Article
13 18, Embezzlement; Article 19, False Pretense and Cheats; Article 19A,
14 Obtaining Property or Services by False or Fraudulent Use of Credit Device
15 or Other Means; Article 20, Frauds; Article 21, Forgery; Article 26, Offenses
16 Against Public Morality and Decency; Article 26A, Adult Establishments;
17 Article 27, Prostitution; Article 28, Perjury; Article 29, Bribery; Article 31,
18 Misconduct in Public Office; Article 35, Offenses Against the Public Peace;
19 Article 36A, Riots and Civil Disorders; Article 39, Protection of Minors; and
20 Article 60, Computer-Related Crime. These crimes also include possession
21 or sale of drugs in violation of the North Carolina Controlled Substances
22 Act, Article 5 of Chapter 90 of the General Statutes, and alcohol-related
23 offenses such as sale to underage persons in violation of G.S. 18B-302 or
24 driving while impaired in violation of G.S. 20-138.1 through G.S. 20-138.5.
25 In addition to the North Carolina crimes listed in this subdivision, such
26 crimes also include similar crimes under federal law or under the laws of
27 other states.

28 (2) "School personnel" means any:
29 a. Member of the board of directors of a charter school,
30 b. Employee of a charter school, or
31 c. Independent contractor or employee of an independent contractor of
32 a charter school if the independent contractor carries out duties
33 customarily performed by school personnel,
34 whether paid with federal, State, local, or other funds, who has significant
35 access to students or who has responsibility for the fiscal management of a
36 charter school.

37 (b) ~~The State Board of Education~~ Education, upon recommendation of the Commission,
38 shall adopt a policy on whether and under what circumstances school personnel shall be
39 required to be checked for a criminal history. ~~The policy shall not require school personnel to~~
40 ~~be checked for a criminal history check before preliminary approval is granted under~~
41 ~~G.S. 115C-238.29B.~~ The Board shall apply its policy shall be applied uniformly in requiring
42 school personnel to be checked for a criminal history. ~~The Board~~ Commission may ~~grant~~
43 recommend conditional approval of an application while the ~~Board~~ Commission is checking a
44 person's criminal history and making a decision based on the results of the check.

45 ~~The State Board shall not require members~~ Members of boards of directors of charter
46 schools or employees of charter schools shall not be required to pay for the criminal history
47 check authorized under this section.

48 (c) ~~The Board of Education~~ Commission shall require the person to be checked by the
49 Department of Justice to (i) be fingerprinted and to provide any additional information required
50 by the Department of Justice to a person designated by the ~~State Board~~ Commission, or to the
51 local sheriff or the municipal police, whichever is more convenient for the person, and (ii) sign

1 a form consenting to the check of the criminal record and to the use of fingerprints and other
2 identifying information required by the repositories. The ~~State Board Commission~~ shall
3 consider refusal to consent when deciding whether to ~~grant recommend~~ final approval of an
4 application under G.S. 115C-238.29D and when making an employment recommendation. The
5 fingerprints of the individual shall be forwarded to the State Bureau of Investigation for a
6 search of the State criminal history record file, and the State Bureau of Investigation shall
7 forward a set of fingerprints to the Federal Bureau of Investigation for a national criminal
8 history record check. The Department of Justice shall provide to the ~~State Board of~~
9 ~~Education Commission~~ the criminal history from the State and National Repositories of
10 Criminal Histories of any school personnel for which the ~~Board Commission~~ requires a
11 criminal history check.

12 ~~The State Board shall not require members~~ Members of boards of directors of charter
13 schools or employees of charter schools shall not be required to pay for the fingerprints
14 authorized under this section.

15 (d) The ~~State Board Commission~~ shall review the criminal history it receives on an
16 individual. The ~~State Board Commission~~ shall determine whether the results of the review
17 indicate that the individual (i) poses a threat to the physical safety of students or personnel, or
18 (ii) has demonstrated that he or she does not have the integrity or honesty to fulfill his or her
19 duties as school personnel and shall use the information when deciding whether to ~~grant~~
20 ~~recommend~~ final approval of an application for a charter school under G.S. 115C-238.29D and
21 for making an employment recommendation to the board of directors of a charter school. The
22 ~~State Board Commission~~ shall make written findings to the State Board of Education with
23 regard to how it used the information when deciding whether to ~~grant recommend~~ final
24 approval under G.S. 115C-238.29D and when making an employment recommendation.

25 (e) The ~~State Board Commission~~ shall notify in writing the board of directors of the
26 charter school of the determination by the ~~State Board Commission~~ as to whether the school
27 personnel is qualified to operate or be employed by a charter school based on the school
28 personnel's criminal history. At the same time, the ~~State Board Commission~~ shall provide to the
29 charter school's board of directors the written findings the ~~Board Commission~~ makes in
30 subsection (d) of this section and its employment recommendation. If the ~~State~~
31 ~~Board Commission~~ recommends dismissal or nonemployment of any person, the board of
32 directors of the charter school shall dismiss or refuse to employ that person. In accordance with
33 the law regulating the dissemination of the contents of the criminal history file furnished by the
34 Federal Bureau of Investigation, the ~~State Board Commission~~ shall not release nor disclose any
35 portion of the school personnel's criminal history to the charter school's board of directors or
36 employees. The ~~State Board Commission~~ also shall notify the school personnel of the procedure
37 for completing or challenging the accuracy of the criminal history and the personnel's right to
38 contest the ~~State Board's Commission's~~ determination in court.

39 (f) All the information received by the State Board of ~~Education~~ Education, the
40 Commission, or the charter school in accordance with subsection (e) of this section through the
41 checking of the criminal history is privileged information and is not a public record but is for
42 the exclusive use of the State Board of ~~Education~~ Education, the Commission, or the board of
43 directors of the charter school. The State Board of ~~Education~~ Education, the Commission, or
44 the board of directors of the charter school may destroy the information after it is used for the
45 purposes authorized by this section after one calendar year.

46 (g) There shall be no liability for negligence on the part of the State Board of ~~Education~~
47 Education, the Commission, or the board of directors of the charter school, or their employees,
48 arising from any act taken or omission by any of them in carrying out the provisions of this
49 section. The immunity established by this subsection shall not extend to gross negligence,
50 wanton conduct, or intentional wrongdoing that would otherwise be actionable. The immunity
51 established by this subsection shall be deemed to have been waived to the extent of

1 indemnification by insurance, indemnification under Articles 31A and 31B of Chapter 143 of
2 the General Statutes, and to the extent sovereign immunity is waived under the Tort Claims
3 Act, as set forth in Article 31 of Chapter 143 of the General Statutes."

4 **SECTION 3.** G.S. 114-19.2 reads as rewritten:

5 "**§ 114-19.2. Criminal record checks of school personnel.**

6 (a) The Department of Justice may provide a criminal record check to the local board of
7 education of a person who is employed in a public school in that local school district or of a
8 person who has applied for employment in a public school in that local school district, if the
9 employee or applicant consents to the record check. The Department may also provide a
10 criminal record check of school personnel as defined in G.S. 115C-332 by fingerprint card to
11 the local board of education from National Repositories of Criminal Histories, in accordance
12 with G.S. 115C-332. The information shall be kept confidential by the local board of education
13 as provided in Article 21A of Chapter 115C of the General Statutes.

14 (a1) The Department of Justice may provide a criminal history record check to the North
15 Carolina Public Charter Schools Commission of a person who is employed at a charter school
16 or of a person who has applied for employment at a charter school, if the employee or applicant
17 consents to the record check. The Department may also provide a criminal history record check
18 of school personnel as defined in G.S. 115C-238.29K by fingerprint card to the North Carolina
19 Public Charter Schools Commission from National Repositories of Criminal Histories, in
20 accordance with G.S. 115C-238.29K. The information shall be kept confidential by the North
21 Carolina Public Charter Schools Commission as provided in G.S. 115C-238.29K.

22 (b) The Department of Justice may provide a criminal record check to the employer of a
23 person who is employed in a nonpublic school or of a person who has applied for employment
24 in a nonpublic school, if the employee or applicant consents to the record check. For purposes
25 of this subsection, the term nonpublic school is one that is subject to the provisions of Article
26 39 of Chapter 115C of the General Statutes, but does not include a home school as defined in
27 that Article.

28 (c) The Department of Justice shall charge a reasonable fee for conducting a criminal
29 record check under this section. The fee shall not exceed the actual cost of locating, editing,
30 researching, and retrieving the information.

31 (c1) The Department of Justice may provide a criminal record check to the schools
32 within the Department of Health and Human Services of a person who is employed, applies for
33 employment, or applies to be selected as a volunteer, if the employee or applicant consents to
34 the record check. The Department of Health and Human Services shall keep all information
35 pursuant to this subsection confidential, as provided in Article 7 of Chapter 126 of the General
36 Statutes.

37 (d) The Department of Justice shall adopt rules to implement this section."

38 **SECTION 4.** G.S. 115C-105.37B(a)(2) reads as rewritten:

39 "(a) Notwithstanding any other provision of this Article, the State Board of Education is
40 authorized to approve a local board of education's request to reform any school in its
41 administrative unit which the State Board of Education has identified as one of the continually
42 low-performing schools in North Carolina.

43 If the State Board of Education approves a local board of education's request to reform a
44 school, the State Board of Education may authorize the local board of education to adopt one of
45 the following models in accordance with State Board of Education requirements:

46 ...

47 (2) Restart model, in which the State Board of Education would authorize the
48 local board of education to operate the school with the same exemptions
49 from statutes and rules as a charter school authorized under Part 6A of
50 Article 16 of this Chapter, or under the management of an educational
51 management organization that has been selected through a rigorous review

1 process. A school operated under this subdivision remains under the control
 2 of the local board of education, and employees assigned to the school are
 3 employees of the local school administrative unit with the protections
 4 provided by G.S. 115C-325. ~~This subdivision shall not be interpreted to~~
 5 ~~increase the maximum number of charter schools provided in~~
 6 ~~G.S. 115C-238.29D(b). No school authorized under this subsection shall~~
 7 ~~count against the limit provided for charter schools in~~
 8 ~~G.S. 115C-238.29D(b)."~~

9 SECTION 5. G.S. 115C-426 reads as rewritten:

10 "**§ 115C-426. Uniform budget format.**

11 ...

12 (c) The uniform budget format shall require the following funds:

13 (1) The State Public School Fund.

14 (2) The local current expense fund.

15 (3) The capital outlay fund.

16 In addition, other funds may be used to account for reimbursements, including indirect costs,
 17 fees for actual costs, tuition, ~~sales tax revenues distributed using the ad valorem method~~
 18 ~~pursuant to G.S. 105-472(b)(2), sales tax refunds,~~ gifts and grants restricted as to use, trust
 19 funds, federal appropriations made directly to local school administrative units, funds received
 20 for prekindergarten programs, and special programs. In addition, the appropriation or use of
 21 fund balance ~~or interest income~~ by a local school administrative unit shall not be construed as a
 22 local current expense appropriation.

23 Each local school administrative unit shall maintain those funds shown in the uniform
 24 budget format that are applicable to its operations."

25 SECTION 6. G.S. 115C-448 reads as rewritten:

26 "**§ 115C-448. Special funds of individual schools.**

27 (a) The board of education shall appoint a treasurer for each school within the local
 28 school administrative unit that handles special funds. The treasurer shall keep a complete
 29 record of all moneys in his charge in such form and detail as may be prescribed by the finance
 30 officer of the local school administrative unit, and shall make such reports to the superintendent
 31 and finance officer of the local school administrative unit as they or the board of education may
 32 prescribe. Special funds of individual schools shall be deposited in an official depository of the
 33 local school administrative unit in special accounts to the credit of the individual school, and
 34 shall be paid only on checks or drafts signed by the principal of the school and the treasurer.
 35 The board of education may, in its discretion, waive the requirements of this section for any
 36 school which handles less than three hundred dollars (\$300.00) in any school year.

37 (b) Nothing in this section shall prevent the board of education from requiring that all
 38 funds of individual schools be deposited with and accounted for by the school finance officer.
 39 If this is done, these moneys shall be disbursed and accounted for in the same manner as other
 40 school funds except that the check or draft shall not bear the certificate of preaudit.

41 (c) For the purposes of this section, "special funds of individual schools" includes by
 42 way of illustration and not limitation funds realized from gate receipts of interscholastic athletic
 43 competition, sale of school annuals and newspapers, and dues of student organizations.

44 (d) Special funds of individual schools shall not be included as part of the local current
 45 expense fund of a local school administrative unit for the purposes of determining the per pupil
 46 share of the local current expense fund transferred to a charter school pursuant to
 47 G.S. 115C-238.29H(b). "

48 SECTION 7. G.S. 115C-546.2 reads as rewritten:

49 "**§ 115C-546.2. Allocations from the Fund; uses; expenditures; reversion to General**
 50 **Fund; matching requirements.**

51 ...

1 (d) Monies transferred into the Fund in accordance with Chapter 18C of the General
2 Statutes shall be allocated for capital projects for school construction projects as follows:

- 3 (1) A sum equal to sixty-five percent (65%) of those monies transferred in
4 accordance with G.S. 18C-164 shall be allocated on a per average daily
5 membership basis according to the average daily membership for the budget
6 year as determined and certified by the State Board of Education.
- 7 (2) A sum equal to thirty-five percent (35%) of those monies transferred in
8 accordance with G.S. 18C-164 shall be allocated to those local school
9 administrative units located in whole or part in counties in which the
10 effective county tax rate as a percentage of the State average effective tax
11 rate is greater than one hundred percent (100%), with the following
12 definitions applying to this subdivision:
- 13 a. "Effective county tax rate" means the actual county rate for the
14 previous fiscal year, including any countywide supplemental taxes
15 levied for the benefit of public schools, multiplied by a three-year
16 weighted average of the most recent annual sales assessment ratio
17 studies.
- 18 b. "State average effective tax rate" means the average effective county
19 tax rates for all counties.
- 20 c. "Sales assessment ratio studies" means sales assessment ratio studies
21 performed by the Department of Revenue under G.S. 105-289(h).
- 22 (3) No county shall have to provide matching funds required under subsection
23 (c) of this section.
- 24 (4) A county may use monies in this Fund to pay for school construction
25 projects in local school administrative units and to retire indebtedness
26 incurred for school construction projects incurred on or after January 1,
27 2003.
- 28 (5) A county may not use monies in this Fund to pay for school technology
29 needs.
- 30 (6) Counties receiving funds under this subsection may allocate a portion of
31 funds received each budget year under this subsection to charter schools on a
32 per average daily membership basis according to each such school's share of
33 the average daily membership of the unit. Charter schools may use the
34 monies to pay for school construction projects or to retire indebtedness
35 incurred for school construction projects incurred on or after July 1, 2011,
36 and shall not be subject to the matching fund requirement set forth in
37 subsection (c) of this section."

38 SECTION 8. G.S. 150B-1(e) is amended by adding a new subdivision to read:

39 "(18) The State Board of Education with respect to the disapproval, termination, or
40 nonrenewal of charters under Part 6A of Article 16 of Chapter 115C of the
41 General Statutes."

42 SECTION 9.(a) Article 23 of Chapter 153A of the General Statutes is amended by
43 adding a new section to read:

44 "§ 153A-457. Charter schools.

45 Each county is authorized to appropriate funds and lease real property to schools chartered
46 under Part 6A of Article 16 of Chapter 115C of the General Statutes. Counties may provide
47 funds only for the purposes set forth in G.S. 115C-238.29H(c)."

48 SECTION 9.(b) G.S. 153A-149(c) reads as rewritten:

49 "(c) Each county may levy property taxes for one or more of the purposes listed in this
50 subsection up to a combined rate of one dollar and fifty cents (\$1.50) on the one hundred

1 dollars (\$100.00) appraised value of property subject to taxation. Authorized purposes subject
2 to the rate limitation are:

3 ...
4 (8a) Charter Schools. – To provide capital funding for charter schools as
5 authorized by G.S. 153A-457.

6"

7 **SECTION 10.** If in any fiscal year a local board of education approves a budget
8 resolution that, as amended, fails to comply with G.S. 115C-426 and therefore fails to include
9 in the local current expense fund all those moneys required under G.S. 115C-426(e), that
10 budget resolution shall be deemed to have been amended to include all such moneys in the
11 local current expense fund for the purposes of compliance with G.S. 115C-238.29H(b).

12 **SECTION 11.** Section 3.2 of S.L. 2010-123 and Section 7.17(b) of S.L. 2010-31
13 are repealed.

14 **SECTION 12.** The State Board of Education shall repeal all adopted policies
15 inconsistent with this act.

16 **SECTION 13.** Beginning in 2012, the State Board of Education in conjunction
17 with the North Carolina Public Charter Schools Commission shall prepare an annual report to
18 the Joint Legislative Education Oversight Committee of the General Assembly no later than
19 October 15 of each year. The report shall include, at a minimum, the following information:

- 20 (1) The strategic vision and plan for charter schools and progress toward
21 achieving the vision and carrying out the plan.
- 22 (2) The academic and financial performance of all operating charter schools
23 according to the performance expectations for charter schools set forth in
24 this act.
- 25 (3) The status of the charter school portfolio, identifying all charter schools in
26 each of the following categories: approved to open, in operation, renewed,
27 transferred, revoked, not renewed, voluntarily closed, or never opened.
- 28 (4) Composite annual data disaggregated by charter school on the gender, race
29 and ethnicity, and disability status of students enrolled in charter schools;
30 testing data disaggregated by the purpose of the charter school, and by
31 gender, race, ethnicity, and disability; the number of students long-term
32 suspended and expelled; the number of students receiving a free or reduced
33 meal plan through a federal subsidy program; the number of students
34 receiving a free or reduced meal plan through means other than a federal
35 subsidy program; and the number of students receiving special education
36 services.

37 **SECTION 14.** Beginning in 2012, the Department of Public Instruction shall
38 prepare an annual report to the Joint Legislative Education Oversight Committee of the General
39 Assembly no later than October 15 of each year. This report shall also be distributed
40 electronically to each local board of education in the State. The report shall be based on a
41 review of charter school programs throughout North Carolina and shall identify operational,
42 educational, and administrative programs and policies implemented by charter schools that the
43 Department finds could improve the State's public schools, or some subset, based on
44 demographics, academic performance, or other criteria, of the State's public schools. The
45 North Carolina Public Charter Schools Commission shall provide the Department any
46 information needed by the Department to meet the reporting requirement set forth in this
47 section.

48 **SECTION 15.** Appointments required in Section 2 of this act shall be made no
49 later than August 1, 2011. Sections 5, 10, and 11 of this act are effective when they become
50 law. The remainder of this act becomes effective July 1, 2011.

SENATE BILL 8: No Cap on Number of Charter Schools

2011-2012 General Assembly

Committee: House Finance
Introduced by: Sen. Stevens
Analysis of: PCS to Fifth Edition
S8-PCS55209-RQ-8

Date: April 6, 2011
Prepared by: Drupti Chauhan and
Kara McCraw

SUMMARY: *Senate Bill 8 would make the following changes to laws related to charter schools, including:*

- *Remove the cap on charter schools and allow up to 50 new charters annually.*
- *Create a new Public Charter Schools Commission (Commission) to oversee charter schools..*
- *Add additional requirements for charter school applications.*
- *Allow State funds to be used to acquire real property for charter schools, allow counties to provide funds to the nonprofit, tax-exempt corporation that holds the charter of a charter school for specific purposes, and allow counties to allocate lottery monies to charter schools for capital needs.*

The Proposed Committee Substitute would make the following changes:

- *Change the governance of the Commission by requiring it to operate under the SBE and submit its recommendations as proposals to the SBE. If the SBE rejects a proposal, it must specify the reasons for the rejection. The SBE may not act in an arbitrary and capricious manner in withholding approval of proposals resubmitted by the Commission. The SBE's rejection of resubmitted proposals is subject to judicial review.*
- *Require, for charters granted after July 1, 2011, that those schools must provide transportation for enrolled students residing in a household within 3 miles of the school which has an income below 185% of the poverty level.*
- *Require charters to include the additional standard of post-secondary readiness and success for high schools.*
- *Delete the reinstatement of annual leave for teachers employed by a charter school who return to employment with a local school administrative unit without a break in service.*
- *Require counties that provide funds to charter schools to distribute those funds equitably and apportion according to the average daily membership of each charter school that requested funds.*
- *Delete the provision that required local boards of education to amend their 2010-2011 budget resolutions to comply with the Uniform Budget Format statute as amended by this bill.*

BILL ANALYSIS:

Section 2

Current Law: Part 6A of Article 16 of Chapter 115C establishes charter schools and provides that the SBE is the entity that oversees charter schools in the State by granting, monitoring, and revoking charters. A maximum of 100 charter schools may be authorized in the State at any given time. Charter schools are prohibited from receiving State monies for obtaining any interest in real property or mobile classroom units other than leases.

115C-238.29A – Adds language to encourage replication of successful charter schools.

115C-238.29A1 – Creates the Commission.

- Commission would operate under the SBE. It would have 13 members including the Superintendent of Public Instruction, and 4 members appointed by the Governor, 4 by the Speaker of the House, and 4 by the President Pro Tempore of the Senate.
- The Commission would have the following powers and duties: provide technical assistance, recommend policies to the SBE for charter school operations, oversee and make recommendations to the SBE regarding final approval of charter applications, oversee monitoring of charter schools, and make recommendations to the SBE on actions on charter renewals, nonrenewals, and revocations.
- The SBE would assign the Office of Charter Schools as staff to the Commission.

Senate PCS 8

Page 2

- The Commission would submit recommendations to the SBE as proposals which the SBE must adopt or reject within 95 days of the submission or a proposal would be deemed as adopted. The SBE could not make any substantive changes to any proposal that it adopts. If the SBE rejects a proposal, it must state with specificity the reasons for rejection and allow the Commission to amend and resubmit that proposal. The SBE would not be able to act in an arbitrary and capricious manner in withholding approval of a proposal resubmitted by the Commission. Any such rejection of a resubmitted proposal is subject to judicial review.

115C-238.29B – Charter school applications

- Applications would be required to include new information including the following: an executive summary; targeted school population and community; instructional design; plans for identifying and serving special populations; proposed governing by-laws; proposed budget for first 5 years of operation; numbers of students to be served, with a minimum of 50 students, minimum number of teachers to be employed; organizational chart; plans for transportation and food services for certain low-income students; explanations of partnerships central to school mission; and a detailed start-up plan.
- For applicants seeking a charter for a virtual charter school, the application must include information showing that the school has a physical facility in the state, that the chief administrator of the school is located in the State, and that the teachers serving the virtual charter school are responsible for improving learning by planned instruction, diagnosing learning needs, prescribing content delivery through instructional activities, assessing learning, reporting outcomes to administrators and parents and guardians, and evaluating the effects of instruction.
- Local boards of education would be exempted from the requirement of having to form a nonprofit, tax-exempt corporation for converting a traditional school to a charter school if the local board of education serves as the board of directors of the charter school.
- The Commission would have the authority to recommend approval of a charter school to the SBE in accordance with the standards and criteria set forth in the charter schools statutes.
- Other entities such as local boards of education, and constituent institutions of The University of North Carolina would no longer be authorized to grant preliminary charters.

115C-238.29C – Application assessment

- The Commission, subject to the approval of the SBE, would be authorized to establish deadlines for applications and make determinations when applications were complete.
- The requirements governing preliminary approval of charters by other chartering entities would be eliminated.

115C-238.29D – Final approval of applications

- Upon recommendation of the Commission, the SBE would be authorized to grant approval of applications that met requirements.
- Eliminates State-wide charter school cap of 100 schools and provides that no more than 50 additional charter schools could be authorized in each calendar year, not including charter renewals.
- The Commission would be required to establish a timeline approved by the SBE to take final action on applications declared complete and make this information available to applicants. The decision on the application must be based on the evidence contained in the application or collected through an application review uniform across all applicants.
- Applicants would have the opportunity to request reconsideration of a denial of an application.
- Decisions to disapprove applications would be exempt from review under Chapter 150B.
- Standards must be included in the school's charter to measure academic proficiency and growth, achievement gaps between student subgroups, post-secondary readiness and success for high schools, attendance and recurrent enrollment, financial performance and stability, and compliance with laws, regulations and charter terms,
- Enrollment growth cap of 10% per year would be raised to 20%

115C-238.29E – Charter School Operation

Senate PCS 8

Page 3

- The bill makes conforming changes.

115C-238.29F – General Requirements

- Charter schools would be allowed to charge any fees charged by the local LEA in which the charter school is located.
- The SBE would adopt rules as recommended by the Commission regarding liability insurance and set forth the student assessments required of charter schools.
- Charter schools would be prohibited from hiring teachers whose certification has been revoked by the State Board of Education.
- Teachers employed by charter schools who return to employment with a local school administrative unit without a break in service would be able to have unused sick leave from previous employment with a local school administrative unit reinstated and be given credit for the years of service for purposes of the salary schedule, longevity pay and rate of earned leave.
- Charter schools that have capacity would be able to enroll non-domiciled students and charge those students tuition that is equal at least to the per pupil allocation of the local appropriation for the county in which the charter school is located and the per pupil State appropriation for that school year. Non-domiciliaries of the State would be limited to 10% of the total number of students enrolled in the charter school.
- Public schools converted to charter schools would be required to give enrollment preference to students in the former attendance area for at least 2 years.
- Charter schools could give enrollment priority to the children of full-time employees of the charter school.
- The bill would clarify that the statutory admissions requirements would not preclude the formation of a charter school to serve special populations.
- Charters granted after July 1, 2011 must provide transportation for enrolled students residing in a household within 3 miles of the school which has an income below 185% of the poverty level.
- Charters granted after July 1, 2011 must provide food services for enrolled students residing in a household which has an income below 185% of the poverty level.
- Upon dissolution of a charter school, State or county funds used to purchase real property must be remitted back to the funding source after all liens on the property are satisfied.

115C-238.29G -- Causes for nonrenewal and termination

- Upon recommendation of the Commission, the SBE would have to adopt criteria for adequate performance by a charter school and identify charters with inadequate performance, including those with no growth in student performance and annual performance composites below 60% within a 3 year period. Identified charter schools must develop school improvement plans approved by the SBE upon recommendation by the Commission, and failure to demonstrate improvement under the plan is cause for termination or nonrenewal.
- Any decision to terminate or not renew a charter would be exempted from review under Chapter 150B of the General Statutes.

115C-238.29H – State and local funds for charters schools

- State funds would be allowed to be used to acquire equipment, real property, buildings, and mobile classrooms for school facilities, to enter into operational and financing leases for equipment, and for other purposes permitted for capital outlay fund appropriations, such as the acquisition of school buses.
- The funding to be transferred by an LEA for a student attending a charter school is clarified to mean the per pupil share of the local current expense fund established under the uniform budget format for LEAs.
- Per pupil share of the local current expense fund that consists of revenue derived from supplemental taxes would be transferred to a charter school for students residing within the tax district for which the taxes are levied.
- LEAs would be required to provide an accounting of the local current expense fund to be transferred to charter schools within 15 days of receipt of that appropriation. LEAs would be assessed a penalty for failure to comply with the deadlines.

Senate PCS 8

Page 4

- Counties would be permitted to provide funds to charter schools by direct appropriations for any of the purposes for appropriations included in the capital outlay fund, such as acquisition of real property, building construction, furnishings and equipment, and school buses.
- Counties that provide funds to charter schools would be required to distribute those funds equitably and apportion according to the average daily membership of each charter school that requested funds.

115C-238.29I – Notice of charter school process and Charter School Advisory Committee

- The bill would repeal this section in order to make conforming changes.

115C-238.29J – Public and private assistance to charter schools

- The bill makes only conforming changes

115C-238.29K – Criminal History Checks

- The bill makes conforming changes

Section 3

Current Law: The Department of Justice is authorized to conduct criminal history checks of school personnel.

Analysis: The bill makes conforming changes to allow the Department of Justice to conduct criminal history checks of charter school employees.

Section 4

Current Law: G.S. 115C-105.37B authorizes the State Board of Education to approve LEA requests to reform low-performing schools.

Analysis: The bill makes conforming changes eliminating references to the charter schools cap.

Section 5

Current Law: G.S. 115C-426 established the uniform budget format for LEAs. LEAs are required to have the State Public School Fund, the local current expense fund, and the capital outlay fund. They are also authorized to have other funds for items such as indirect costs, fees, tuition costs restricted as to use, trust funds, federal appropriations made directly to LEAs, fund for prekindergarten programs, and special programs.

Analysis: The bill would eliminate the use of other funds to account for sales tax revenues distributed using the ad valorem method and sales tax refunds and would eliminate the exclusion of interest income from the local current expense appropriation.

Section 6

Current Law: G.S. 115C-448 allows the creation of special funds of individual schools to account for funds received from activities such as interscholastic athletic competition, school annual sales, and student organization dues.

Analysis: The bill would prohibit special funds of individual schools from being included in the local current expense fund amount transferred to charter schools.

Section 7

Current Law: Funds from the State lottery for school construction are not allocated to charter schools.

Analysis: The bill would permit counties to allocate a portion of the lottery funds for school construction to charter schools. Charter schools would be able to use the monies to pay for school construction projects or retire debt from school construction projects incurred after July 1, 2011.

Section 8

Analysis: The bill makes conforming changes in Chapter 150B allowing for the exemption from review for disapproval of applications and terminations and non-renewals of charters.

Section 9

Analysis: The bill would authorize counties to appropriate funds for capital needs for charter schools, lease real property to charter schools, and levy property taxes for these purposes.

Sections 10-11

Current Law: Section 7.17 of the 2010 Appropriations Act provided that LEAs that had not fully complied with local requirements for funding charter schools and who are subject to a judgment, court order, or settlement agreement may make payments over three years.

Senate PCS 8

Page 5

Analysis: These sections of the bill would repeal the 2010 Budget provisions and would provide that if an LEA approves a budget resolution that fails to comply with the Uniform Budget Format and fails to include all monies required to be in the local current expense fund, it will have been deemed to do so by this bill.

Section 12

Analysis: The State Board of Education would be required to repeal all policies inconsistent with this Act.

Section 13

Analysis: The SBE in conjunction with the Commission must report annually to the Joint Legislative Education Oversight Committee on the strategic vision and plan for the charter schools, the status of the charter schools as well as composite annual data on the gender, race, ethnicity, and disability of students enrolled in charter schools. The report must also include suspension and expulsion data, the number of students receiving free or reduced meals, and the number of students receiving special education services.

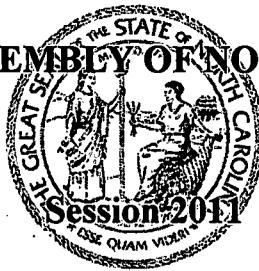

Section 14

Analysis: The Department of Public Instruction must annually report to the Joint Legislative Education Oversight Committee on charter school programs and policies that could improve the public schools, and send a copy of that report to local boards of education.

EFFECTIVE DATE: Appointments required in in the Act must be made by August 1, 2011. Sections 5, 10, and 11 are effective when they become law. The remainder of this Act becomes effective July 1, 2011.

S8-SMRQ-17(CSRQ-8) v4

GENERAL ASSEMBLY OF NORTH CAROLINA

FISCAL ANALYSIS MEMORANDUM

[This confidential fiscal memorandum is a fiscal analysis of a draft bill, amendment, committee substitute, or conference committee report that has not been formally introduced or adopted on the chamber floor or in committee. This is not an official fiscal note. If upon introduction of the bill you determine that a formal fiscal note is needed, please make a fiscal note request to the Fiscal Research Division, and one will be provided under the rules of the House and the Senate.]

PRINCIPAL DEPARTMENT(S) &

PROGRAM(S) AFFECTED: Department of Public Instruction, State Board of Education, Local School Administrative Units, County Governments, North Carolina Charter Schools

EFFECTIVE DATE: July 1, 2011, except for sections 5, 10, and 11 of the act which will be effective immediately

BILL SUMMARY:

The bill makes several changes to the management, approval, and fiduciary treatment of North Carolina charter schools. It removes a 100 school limit on charter schools and makes other significant changes:

Public Charter Schools Commission—The bill creates a new Public Charter Schools Commission (Commission). The Commission will have within its duties and powers: (1) to oversee the application process for charter schools and to make recommendations to the State Board of Education (State Board) for approval of new charter applications; (2) to recommend policies to the State Board regarding all aspects of charter school operation; (3) to oversee the process of monitoring the operation of charter schools with assistance from the Department of Public Instruction (DPI); (4) to make recommendations to the State Board regarding charter renewals, nonrenewals and revocations; and (5) to provide technical assistance to charter schools and charter school applicants. The State Board of Education is required to assign the Department of Public Instruction's Office of Charter Schools as staff to the Commission.

Modification of Certain Charter School Policies—The bill removes the overall cap on charter schools, allowing for authorization of up to 50 new charter schools each calendar year. The bill also modifies the cap on enrollment growth for charter schools from its prior limit of 10 percent growth to 20 percent growth. Charter schools will be permitted to have a minimum student enrollment of 50 students, 15 less than the current minimum of 65. Charters granted after July 1, 2011 must provide transportation for enrolled students residing in a household within 3 miles of the school which has an income below 185% of the poverty level and provide food services for all enrolled students residing in a household which has an income below 185% of the poverty level.

Changes to the Uses and Allocation of State and Local Funding to Charter Schools— The bill allows State and local funds to be used to acquire real property for charter schools. It also will permit counties to provide funds for specific purposes to the nonprofit, tax-exempt corporation that holds the charter of a charter school. Allocation of these funds must be apportioned based on the average daily membership of each charter school requesting funds should a county opt to provide funding. These funds may now include State lottery proceeds allocated to the counties for school capital needs and property tax revenues.

With respect to local funding, the bill clarifies the composition of the Uniform Budget Format for the purposes of determining the required per-pupil local current expense appropriation that must be transferred to a charter school from a local school administrative unit (LEA). Additionally, LEAs will be required to provide an accounting of the local current expense fund to be transferred to

charter schools within 15 days of receipt of that appropriation. LEAs will be assessed a penalty for failure to comply with the deadlines.

ASSUMPTIONS AND METHODOLOGY:

There are several components of the bill which will impact the distribution of funds to charter schools, traditional public schools, the Public School Charter Commission, the North Carolina Department of Public Instruction and county governments. A more detailed analysis of each of these items follows:

Elimination of the 100 School Cap on Charter Schools

North Carolina charter schools receive State and local funding support as guaranteed by G.S. 115C-238.29H. State funding for an existing charter school is based on the dollars per student [as measured by Average Daily Membership (ADM)] of the Local Education Agency (LEA) in which the school is located, and is unchanged by this legislation. Funding for new charter schools is based on the dollars per ADM of the LEA in which the student is, or would be, currently enrolled. The total number of public school students attending a new charter school will reduce a LEA's initial allotment. However, the redirection of funds from a LEA to a charter school has a net neutral impact on total State funding.

State Board of Education policy holds LEAs harmless for potential reductions in the Central Office Administration, School Building Administration and Staff Development allotments if there is a reduction in an LEA's ADM for students attending charter schools. The impact of the hold harmless for these three allotments is to maintain overall funding to the LEAs for these allotments. For the purposes of this memo, these potential costs are not currently identifiable given the uncertainty of the total number of charter schools that would be created in response to this bill. The estimated cost of the hold harmless in FY 2010-11 is \$465,910 based on additional charter school ADM growth of 1,553 students.

Establishment of the Public School Charter Commission

The Commission will be composed of 13 members, which must be appointed by August 1, 2011. It will be located administratively under the State Board of Education but operate independently of the Board.

Section 2 of the bill rewrites 115C-238.29A1 to direct the State Board of Education to assign personnel of the Department of Public Instruction's Office of Charter Schools (OCS) as staff to the Commission. There are currently eight staff at DPI directly working on charter schools issues, with six staff in OCS and two in the Financial and Business Services section that work exclusively on accounting and financial support matters. The impact of eliminating the cap on charter schools may increase the workload for existing OCS staff, but information from DPI on its initial staffing history indicates that the current staffing levels were sufficient to handle the workload associated with years in which more than fifteen new charter schools were approved and opened. Clearly, if the growth in newly approved charter schools is significant, then additional staffing in OCS may

be justified. However, this analysis is unable to reliably estimate potential growth in charter schools, so justification for additional staffing is unknown.

Lastly, the Commission may hold meetings as it deems necessary, and its members shall be reimbursed for travel and subsistence expenses related to meeting participation. Assuming monthly meetings, the estimated annual cost of these expenses is \$39,635. Due to the August 1, 2011 deadline for the appointment of Commission members, this analysis assumes that only ten meetings will occur in fiscal year 2011-12. As such, first year Commission costs are estimated to be \$33,029. Attachment A of this Fiscal Memo contains detailed information about those estimates.

Local Per-Pupil Transfer

G.S. 115C-238.29H requires LEAs (in which a charter school student resides) to, “transfer to the charter school an amount equal to the per pupil local current expense appropriation to the local school administrative unit for the fiscal year.” The definition of what sources comprise the local current expense appropriation is defined in G.S. 115C-426. This section requires LEAs to establish a State Public School Fund, local current expense fund, and a capital outlay fund in its standard budget format.

LEAs are also currently allowed, under G.S. 115C-426(c), to account for fund sources outside of these three categories. Prior to 2010, the explicit definition of those sources had been subject to dispute. The definition of those sources that may have been considered as “other funds” had been less explicitly defined by statute. However, three legal decisions (Delaney, Sugar Creek I and Sugar Creek II) had served to clarify those funds that should be budgeted in the local current expense appropriation.

Specifically, Sugar Creek I found that certain funds budgeted in the local current expense fund by Charlotte-Mecklenburg Public Schools were erroneously excluded from transfer to affected charter schools. These funds included monies for prekindergarten programs and high school reform efforts. Additionally, the ruling held that an LEA must transfer per-pupil funding to the charter school using the same methodology for determining student attendance at the district’s traditional public schools.

In 2009, the Sugar Creek II judgments essentially upheld all of the findings in Sugar Creek I except to omit Textbook funds from those funds included in the local current expense funds for per-capita transfer to charter schools. In total, the plaintiff schools in this case were found to be entitled to compensation based on the improper distribution of local current expense funding.

The Legislature took action in S.L. 2010-31 to further enumerate fund sources that may be budgeted in “other funds”. These sources are defined as: “reimbursements, including indirect costs, fees for actual costs, tuition, sales tax revenues distributed using the ad valorem method pursuant to G.S. 105-472(b)(2), sales tax refunds, gifts and grants restricted as to use, trust funds, federal appropriations made directly to local school administrative units, funds received for prekindergarten programs, and special programs.”

Clearly the language in S.L. 2010-31 has the effect of broadening the latitude over which LEAs could budget certain funds outside of the local current expense fund. This bill does not allow two of those sources to be budgeted as "other funds":

1. "...sales tax revenues distributed using the ad valorem method pursuant to G.S. 105-472(b)(2)..."
and
2. "...sales tax refunds..."

In addition, Section 6 permits special funds of individual schools, such as school newspapers and student fees, to be excluded from the local current expense fund. The impact of Section 5 and 6 would cause some shift in local funds distribution from the LEA to existing charter schools in each instance that the LEA was including certain funds as "other funds" that would now be properly considered "local current expense" by this bill. There is no data available on the extent of this shift. All LEAs with students in charter schools have the latitude to include certain local, Federal and State funds in its local current expense fund.

The changes made in Sections 5 and 6 of the bill will have no material impact on State funding.

North Carolina Education Lottery Funds

Section 7 of the bill will allow counties to share a pro-rata amount of its Lottery school capital funding with charter schools. Currently, these funds are allocated to the counties on the basis of student headcount in the traditional public schools, as charter schools have been prohibited from receiving any State capital funding. To properly implement this section of the bill, DPI will have to distribute funding based on the total public school ADM in all counties and not just the traditional public school ADM. While this provision will not adjust the amount of State capital funding available to the counties, it will have the impact of sending slightly more Lottery capital funding to those counties with charter schools and slightly less funding to those counties without charter schools. Currently charter school students comprise about 3.3% of all North Carolina public school students.

Property Tax Revenues

Section 9 expands the purposes listed in G.S. 153A-149(c) for which counties may use property tax revenues to include capital funding for charter schools. Counties are not required to appropriate property tax revenues for this purpose, and the bill does not change the limitation of \$1.50 per \$100 valuation for the purposes included in the subsection.

Re: Charter Schools/Diversion of Resources from Public Schools??

Some opponents of Senate Bill 8 claim that charter schools divert resources from traditional public schools. To the contrary. Let me illustrate my point mathematically. The exact figures may be uncertain but the point is the same regardless. This example uses figures from the 2009-2010 fiscal year.

A County "LEA" has 20,000 students in K-12 for which it spends an average of \$8,451.00 in state, federal and county funds for a total of \$169,020,000.

A charter school is authorized and is operated for 1,000 students. While the funding for charter schools is more like 70% of the funding for traditional public schools, let's say, for purpose of the argument, that it is 80%. The charter school would therefore receive $1,000 \times \$8,451 \times .80 = \$6,760,800$.

The remaining resources for the traditional public school of the LEA are therefore \$162,259,200.

Since there are 19,000 students remaining in the traditional public schools the amount available per child is now \$8,539 instead of \$8,451. Some say that in some places it is 90%. In that case the amount available per child would be \$8,495 instead of \$8,451.00.

Some school systems say "yes" but the total amount is still less. Not really. Because the growth in enrollment in charter schools is less than the total growth in enrollment of the entire traditional public school system, total resources (as well as per capita resources) have actually grown as well.

Long story short: charters do not divert resources from the public schools despite slogans to the contrary because (1) they are public schools and (2) the funding mechanism established for them ensures that traditional public schools get more resources per student as and when more charters are established.

I hope this is helpful.

North Carolina General Assembly
House Committee on Finance

Minutes

April 7, 2011

The House Committee on Finance met on Thursday, April 7, 2011 at 8:30 am in Room 544 of the Legislative Office Building. The following members were present: Chairpersons Howard, Starnes, Setzer and Folwell; Vice-Chairs Lewis, McComas and Wainwright; and Representatives Alexander, Brandon, Brawley, Carney, Collins, Cotham, Faison, Hackney, Hall, Hill, Jordan, Luebke, McCormick, McGee, McGuirt, Moffitt, Moore, Rhyne, Ross, Samuelson, Stam, Stone, Warren, Weiss and Womble. Also present were Sergeant-at-Arms John Brandon, Earl Coker, Fred Hines, and Ken Kirby. Staff persons present included Cindy Avrette, Rodney Bizzell, Barry Boardman, Dan Ettefagh, Heather Fennell, Trina Griffin, Sandra Johnson, Greg Roney, Brian Silvka, Jonathan Tart, and Martha Walston. The Agenda and Visitor Registration Sheets are attached and incorporated into these minutes as **attachments 1 and 2**.

Chairwoman Howard called the meeting to order at 8:31 am and recognized the six (6) pages present: (1) Maggie Lee of Wake County sponsored by Representative Stam; (2) Jessica Williams of Robeson County sponsored by Representative Graham; (3) Caroline Ricciarelli of Pitt County sponsored by Representative McLawhorn; (4) Sydney Swain of Mecklenburg County sponsored by Representative Samuelson; (5) Davis McKinney of Mitchell County sponsored by Representative Frye; and (6) Alex Moffitt of Buncombe County sponsored by Representative Hager.

The first bill considered by the Committee was **SB 8 No Cap on Number of Charter Schools** (see **attachment 3**). The Chair recognized Representative Carney who moved to adopt the new proposed committee substitute for purpose of discussion. Chairwoman Howard reminded the Committee that Representative Starnes had moved that SB 8 be given a favorable report as to the proposed committee substitute, unfavorable to the original bill. That motion being on the floor from the April 6th meeting. The motion was held for further statements from members. Representative Stam was recognized for comments. Being no further discussion or debate, the Chair recognized Representative Starnes who repeated his motion that SB 8 be given a favorable report as to the proposed committee substitute, unfavorable to the original bill. The Chair recognized Representative Luebke who requested the ayes and noes. The Chair requested the clerk to call the roll (see **attachment 4**). The vote being 19 affirmative and 13 against, the bill passed.

The next bill considered by the Committee was **SB 29 Tax Certification – Alamance County** (see **attachment 5**). Chairwoman Howard recognized Senator Gunn to explain the bill. The Chair recognized Representative Faison who moved that SB 29 be given a favorable report. The motion carried.

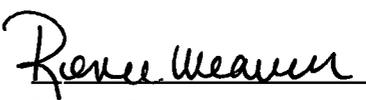

The next bill before the Committee was **HB 313 Repeal Savings Bond Payroll Savings Program – AB** (see **attachment 6**). The Chair recognized Representative Moore to explain the bill. The Chair recognized Representative Ross who moved that HB 313 be given a favorable report. The motion carried.

The final bill heard by the Committee was **HB 168 Farms exempt from City Annexation/ETJ/Zoning** (see **attachment 7**). The Chair recognized Representatives Sanderson and Cleveland to explain the bill. The Chair recognized Representative Weiss who moved that HB 168 be given a favorable report. The motion was held for further discussion. Chairwoman Howard invited people who signed up to speak on HB 168 to proceed to the podium when their name was called. Each speaker was given three minutes to speak. The following people spoke: Marilyn Kille, Peppermint Spring Farm, Chapel Hill; Kathy Hartkopf, North Carolina FreedomWorks; and Glenn Jernigan, North Carolina Grange (see **attachment 8**). Chairwoman Howard recognized Representative Weiss who withdrew her motion that HB 168 be given a favorable report. After much discussion and debate, the Chair recognized Representative Starnes who moved HB 169 be given a favorable report. The Chair called for a show of hands for the motion. The vote being 17 affirmative and 8 against, the motion carried.

There being no further business presently before the Committee, Chairwoman Howard adjourned the meeting at 9:44 am.

Respectfully submitted,

Representative Julia Howard
Presiding Senior Chair

Renee Weaver
Clerk, House Committee on
Finance

SENATE BILL 8
Education/Higher Education Committee Substitute Adopted 2/16/11
Third Edition Engrossed 2/22/11
Fourth Edition Engrossed 2/24/11
House Committee Substitute Favorable 3/16/11
PROPOSED HOUSE COMMITTEE SUBSTITUTE S8-PCS55220-RQ-10

Short Title: No Cap on Number of Charter Schools. (Public)

Sponsors:

Referred to:

January 31, 2011

1 A BILL TO BE ENTITLED
2 AN ACT TO INCREASE EDUCATIONAL OPPORTUNITIES FOR THE CHILDREN OF
3 NORTH CAROLINA BY REMOVING THE CAP ON CHARTER SCHOOLS, BY
4 CREATING A NEW PUBLIC CHARTER SCHOOLS COMMISSION TO OVERSEE
5 CHARTER SCHOOLS, BY STRENGTHENING THE STANDARDS FOR GRANTING
6 AND RETAINING A CHARTER FOR A CHARTER SCHOOL, BY AUTHORIZING
7 LOCAL BOARDS OF EDUCATION TO CONVERT SCHOOLS TO CHARTER
8 SCHOOLS WITHOUT FORMING A NONPROFIT CORPORATION, BY CLARIFYING
9 THE FUNDING FORMULA FOR CHARTER SCHOOLS, AND BY PROVIDING THAT
10 COUNTIES MAY PROVIDE FUNDING FOR CHARTER SCHOOLS IN THEIR
11 JURISDICTIONS; AND TO MAKE OTHER CHANGES TO THE GENERAL
12 STATUTES GOVERNING CHARTER SCHOOLS.

13 The General Assembly of North Carolina enacts:

14 SECTION 1. This act shall be known and may be cited as the "Charter Schools Act
15 of 2011."

16 SECTION 2. Part 6A of Article 16 of Chapter 115C of the General Statutes reads
17 as rewritten:

18 "Part 6A. Charter Schools.

19 "§ 115C-238.29A. Purpose.

20 The purpose of this Part is to authorize a system of charter schools to provide opportunities
21 for teachers, parents, pupils, and community members to establish and maintain schools that
22 operate independently of existing schools, as a method to ~~accomplish all of~~ accomplish, in the
23 aggregate, the following:

- 24 (1) Improve student ~~learning;~~ learning.
- 25 (2) Increase learning opportunities for all students, with special emphasis on
26 expanded learning experiences for students who are identified as at risk of
27 academic failure or academically ~~gifted;~~ gifted.
- 28 (3) Encourage the use of different and innovative teaching ~~methods;~~ methods.

- 1 (4) Create new professional opportunities for ~~teachers,~~ teachers and
2 administrators, including the opportunities to be responsible for the learning
3 program at the school ~~site;~~ site.
- 4 (5) Provide parents and students with expanded choices in the types of
5 educational opportunities that are available within the public school
6 ~~system;~~ system.
- 7 (6) Hold the schools established under this Part accountable for meeting
8 measurable student achievement results, and provide the schools with a
9 method to change from rule-based to performance-based accountability
10 systems.
- 11 (7) Encourage the replication of successful charter schools.

12 **"§ 115C-238.29A1. North Carolina Public Charter Schools Commission established.**

13 (a) Creation. – There is created the North Carolina Public Charter Schools Commission,
14 hereinafter referred to as the Commission. The Commission shall be located administratively
15 under the State Board of Education and shall exercise its powers and functions as provided in
16 this section.

17 (b) Purpose. – The purpose of the Commission is to oversee high-quality public charter
18 schools throughout the State, consistent with the purposes of this Part, and to recommend
19 approval of charter applicants to the State Board of Education.

20 (c) Membership. – The Commission shall consist of the following 13 members:

21 (1) Four members appointed by the Governor.

22 (2) Four members, one of whom shall be a teacher, administrator, or board
23 member of a charter school or a parent of a child attending a charter school,
24 appointed by the General Assembly upon the recommendation of the
25 President Pro Tempore of the Senate in accordance with G.S. 120-121.

26 (3) Four members, one of whom shall be a teacher, administrator, or board
27 member of a charter school or a parent of a child attending a charter school,
28 appointed by the General Assembly upon the recommendation of the
29 Speaker of the House of Representatives in accordance with G.S. 120-121.

30 (4) The Superintendent of Public Instruction or the Superintendent's designee.

31 (d) Qualifications of Members. – Members appointed to the Commission shall
32 collectively possess strong experience and expertise in public and nonprofit governance,
33 management and finance, public school leadership, assessment, curriculum and instruction,
34 public charter schools, and public education law. All appointed members of the Commission
35 shall have demonstrated an understanding of and a commitment to charter schools as a strategy
36 for strengthening public education.

37 (e) Terms of Office. – No appointed member shall serve more than seven consecutive
38 years. The terms of office are as follows:

39 (1) The initial term of office for members appointed by the Governor shall be
40 two years until June 30, 2013, and thereafter shall be three years.

41 (2) The initial term of office for the members appointed by the General
42 Assembly upon the recommendation of the Speaker of the House of
43 Representatives shall be three years until June 30, 2014, and thereafter shall
44 be three years.

45 (3) The initial term of office for the members appointed by the General
46 Assembly upon the recommendation of the President Pro Tempore of the
47 Senate shall be four years until June 30, 2015, and thereafter shall be three
48 years.

49 (f) Officers. – The Commission shall elect a chair and a vice-chair from among its
50 membership. In the absence of the chair, the vice-chair shall preside over the Commission's

1 meetings. All members are voting members, and a majority of the Commission constitutes a
2 quorum. The Commission shall adopt rules to govern its proceedings.

3 (g) Meetings. – Meetings of the Commission shall be held upon the call of the chair or
4 the vice-chair with the approval of the chair.

5 (h) Expenses. – Members of the Commission shall be reimbursed for travel and
6 subsistence expenses at the rates allowed to State officers and employees by G.S. 138-6(a).

7 (i) The Commission is subject to the provisions of Chapter 132 ("Public Records") and
8 Article 33C of Chapter 143 ("Meetings of Public Bodies") of the General Statutes.

9 (j) Removal. – Any member of the Commission, other than the Superintendent of
10 Public Instruction, may be removed by a vote of at least two-thirds of members at any duly held
11 meeting for any cause that renders the member incapable or unfit to discharge the duties of the
12 office. Whenever a vacancy on the Commission exists, the original appointing authority shall
13 appoint or elect a member for the remaining portion of the term.

14 (k) Staff. – The State Board of Education shall assign the Office of Charter Schools as
15 staff to the Commission.

16 (l) Powers and Duties. – The Commission shall have the following duties:

17 (1) To provide technical assistance, through the Office of Charter Schools and
18 the Department of Public Instruction, to charter school applicants and to
19 charter schools that are approved under this Part.

20 (2) To recommend policies to the State Board regarding all aspects of charter
21 school operation, including time lines, standards, and criteria for acceptance
22 and approval of applications, monitoring of charter schools, and grounds for
23 revocation of charters.

24 (3) To oversee the process for accepting and approving applications for charters
25 and to make recommendations to the State Board for final approval of
26 charter applications.

27 (4) To oversee the process for monitoring the operation of charter schools, with
28 the assistance and counsel of staff from the Department of Public
29 Instruction.

30 (5) To make recommendations to the State Board regarding any actions
31 involving a charter school, including renewals of charters, nonrenewals of
32 charters, and revocation of charters.

33 (6) To undertake any duties and responsibilities consistent with the above
34 powers and duties and incident thereto.

35 (m) The Commission shall submit recommendations as designated proposals to the State
36 Board. The State Board shall adopt or reject a designated proposal within 95 days. If the State
37 Board takes no action on a designated proposal within 95 days, the proposal shall be deemed
38 adopted. The State Board shall not make any substantive changes to any designated proposal of
39 the Commission that the State Board adopts. If the State Board rejects a designated proposal, it
40 shall state with specificity its reasons for rejection; the Commission then may amend that
41 designated proposal and resubmit it to the State Board. The State Board shall not act in an
42 arbitrary and capricious manner in withholding approval of a designated proposal resubmitted
43 by the Commission. The State Board's rejection of a resubmitted designated proposal is subject
44 to judicial review.

45 **"§ 115C-238.29B. Eligible applicants; contents of applications; submission of applications**
46 **for approval.**

47 (a) Any person, group of persons, or nonprofit corporation seeking to establish a charter
48 school may apply to establish a charter school. If ~~the~~any applicant other than a local board of
49 education seeks to convert a public school to a charter school, the application shall include a
50 statement signed by a majority of the teachers and instructional support personnel currently

1 employed at the school indicating that they favor the conversion and evidence that a significant
2 number of parents of children enrolled in the school favor conversion.

3 (b) The application shall include an executive summary and shall contain at least the
4 following information:

5 (1) A description of a program that aligns with State standards and implements
6 one or more of the purposes in G.S. 115C-238.29A.

7 (1a) The targeted student population and the community the school intends to
8 serve, as well as evidence of need and community support for the proposed
9 charter school.

10 (2) A description of student achievement goals for the school's educational
11 program and the method of demonstrating that students have attained the
12 skills and knowledge specified for those student achievement goals.

13 (2a) A description of the school's instructional design, including the type of
14 learning environment, such as classroom-based or independent study, class
15 size and structure, curriculum overview, and teaching methods.

16 (2b) The school's plans for identifying and successfully serving students with
17 disabilities, students who are English language learners, academically at-risk
18 students, and academically gifted students, including, but not limited to,
19 compliance with applicable laws and regulations.

20 (3) The governance structure of the school—school, including proposed
21 governing bylaws and the names and biographical information of the
22 proposed initial members of the board of directors of the nonprofit,
23 tax-exempt corporation—corporation. and the process to be followed by the
24 school to ensure parental involvement. A local board of education seeking to
25 convert a school to a charter school shall not be required to form a nonprofit,
26 tax-exempt corporation if the local board of education serves as the board of
27 directors of the charter school.

28 (3a) The local school administrative unit in which the school will be located.

29 (4) Admission policies and procedures.

30 (5) A proposed budget for the school for at least the first five years of operation
31 and evidence that the financial plan for the school is economically sound.

32 (6) Requirements and procedures for program and financial audits.

33 (7) A description of how the school will comply with G.S. 115C-238.29F.

34 (8) Types and amounts of insurance coverage, including bonding insurance for
35 the principal officers of the school, to be obtained by the charter school.

36 (9) The term of the charter.

37 (10) The qualifications required for individuals employed by the school.

38 (11) The procedures by which students can be excluded from the charter school
39 and returned to a public school. Notwithstanding any law to the contrary,
40 any local board may refuse to admit any student who is suspended or
41 expelled from a charter school due to actions that would lead to suspension
42 or expulsion from a public school under G.S. 115C-391 until the period of
43 suspension or expulsion has expired.

44 (12) The number of students to be served, which number shall be at least 65, The
45 number of students to be served, including the grades to be served each year
46 for the full term of the charter, and the minimum, planned, and maximum
47 enrollment per grade per year for the term of the charter. The number of
48 students to be served shall be at least 50, however, the charter school may
49 serve fewer than 50 students if the application contains a compelling reason,
50 such as the school would serve a geographically remote and small student
51 population and the minimum number of teachers to be employed at the

1 ~~school, which number shall be at least three. However, the charter school~~
2 ~~may serve fewer than 65 students or employ fewer than three teachers if the~~
3 ~~application contains a compelling reason, such as the school would serve a~~
4 ~~geographically remote and small student population.~~

5 (12a) The minimum number of teachers to be employed at the school.

6 (12b) An organization chart that clearly presents the school's organizational
7 structure, including lines of authority and reporting between the governing
8 board, staff, any related bodies, such as advisory bodies or parent and
9 teacher councils, and any external organizations that will play a role in
10 managing the school.

11 (13) Information regarding the facilities to be used by the school and the manner
12 in which administrative services of the school are to be provided.

13 (14) Repealed by Session Laws 1997-430, s. 1.

14 (15) The process to be followed by the school to ensure parental involvement.

15 (16) The school's plans for providing transportation. The school shall develop a
16 plan for transportation for any student enrolled in the charter school who
17 resides within three miles of the charter school in a household with an
18 income below one hundred eighty-five percent (185%) of the poverty level
19 as defined by the federal government.

20 (17) The school's plans for providing food services. The school shall develop a
21 plan for food services for any student enrolled in the charter school who
22 resides in a household with an income below one hundred eighty-five
23 percent (185%) of the poverty level as defined by the federal government.

24 (18) Explanations of any partnerships or contractual relationships central to the
25 school's operations or mission.

26 (19) A detailed school start-up plan, identifying tasks, time lines, and responsible
27 individuals.

28 (20) For an applicant seeking a charter to operate a virtual charter school,
29 information showing that the school has a physical facility in the State, that
30 the chief administrator of the school is located in the State, and that the
31 teachers serving the virtual charter school are responsible for improving
32 learning by planned instruction, diagnosing learning needs, prescribing
33 content delivery through instructional activities, assessing learning, reporting
34 outcomes to administrators and parents and guardians, and evaluating the
35 effects of instruction.

36 (c) An applicant shall submit the application to the Commission, which shall have the
37 authority to recommend the approval of a charter school to the State Board in accordance with
38 the standards and criteria set forth in this Part. ~~a chartering entity for preliminary approval. A~~
39 ~~chartering entity may be:~~

40 ~~(1) The local board of education of the local school administrative unit in which~~
41 ~~the charter school will be located;~~

42 ~~(2) The board of trustees of a constituent institution of The University of North~~
43 ~~Carolina, so long as the constituent institution is involved in the planning,~~
44 ~~operation, or evaluation of the charter school; or~~

45 ~~(3) The State Board of Education.~~

46 ~~Regardless of which chartering entity receives the application for preliminary approval, the~~
47 ~~State Board of Education shall have final approval of the charter school.~~

48 ~~Notwithstanding the provisions of this subsection, if the State Board of Education finds that~~
49 ~~an applicant (i) submitted an application to a local board of education and received final~~
50 ~~approval from the State Board of Education, but (ii) is unable to find a suitable location within~~
51 ~~that local school administrative unit to operate, the State Board of Education may authorize the~~

1 charter school to operate within an adjacent local school administrative unit for one year only.
2 The charter school cannot operate for more than one year unless it reappplies, in accordance with
3 subdivision (1), (2), or (3) of this subsection, and receives final approval from the State Board
4 of Education.

5 (d) ~~Unless an applicant submits its application under subsection (c) of this section to the~~
6 ~~local board of education of the local school administrative unit in which the charter school will~~
7 ~~be located, the~~ applicant shall submit a copy of its application to ~~that local board~~ the local
8 board of education of the local school administrative unit in which the charter school will be
9 located within seven days of its submission under subsection (c) of this section. The local board
10 may offer any information or comment concerning the application it considers appropriate to
11 the ~~chartering entity~~ Commission within a time period imposed uniformly for all applications.
12 ~~The local board shall deliver this information to the chartering entity no later than January 1 of~~
13 ~~the next calendar year.~~ The applicant shall not be required to obtain or deliver this information
14 to the ~~chartering entity~~ Commission on behalf of the local board. The ~~State Board~~ Commission
15 shall consider any information or comment it receives from a local board and shall consider the
16 impact on the local school administrative unit's ability to provide a sound basic education to its
17 students when determining whether to recommend grant preliminary and final approval of the
18 charter school.

19 **"§ 115C-238.29C. Preliminary approval of Completeness determination for applications**
20 **for charter schools.**

21 (a) ~~The chartering entity that receives a request for preliminary approval of a charter~~
22 ~~school shall act on each request received prior to November 1 of a calendar year by February 1~~
23 ~~of the next calendar year~~ Commission, subject to the approval of the State Board, shall
24 determine the schedule and deadlines for the submission of charter school applications.

25 (b) ~~The chartering entity~~ Commission shall ~~give preliminary approval to the application~~
26 issue a determination that the application is complete if the ~~chartering entity~~ Commission
27 determines that ~~(i) the information contained in the application meets the requirements set out in~~
28 ~~this Part or adopted by the State Board of Education,~~ Education. ~~(ii) the applicant has the ability~~
29 ~~to operate the school and would be likely to operate the school in an educationally and~~
30 ~~economically sound manner, and (iii) granting the application would improve student learning~~
31 ~~and would achieve one of the other purposes set out in G.S. 115C 238.29A. In reviewing~~
32 ~~applications for the establishment of charter schools within a local school administrative unit,~~
33 ~~the chartering entity is encouraged to give preference to applications that demonstrate the~~
34 ~~capability to provide comprehensive learning experiences to students identified by the~~
35 ~~applicants as at risk of academic failure. If the chartering entity approves more than one~~
36 ~~application for charter schools located in a local school administrative unit, the chartering entity~~
37 ~~may state its order of preference among the applications that it approves.~~

38 (c) ~~If a chartering entity other than the State Board disapproves an application, the~~
39 ~~applicant may appeal to the State Board of Education prior to February 15. The State Board~~
40 ~~shall consider the appeal at the same time it is considering final approval in accordance with~~
41 ~~G.S. 115C 238.29D. The State Board shall give preliminary approval of the application if it~~
42 ~~finds that the chartering entity acted in an arbitrary or capricious manner in disapproving the~~
43 ~~application, failed to consider appropriately the application, or failed to act within the time set~~
44 ~~out in G.S. 115C 238.29C.~~

45 ~~If the chartering entity, the State Board of Education, or both, disapprove an application, the~~
46 ~~applicant may modify the application and reapply subject to the application deadline contained~~
47 ~~in subsection (a) of this section.~~

48 **"§ 115C-238.29D. Final approval of applications for charter schools.**

49 (a) ~~Upon recommendation of the Commission, the State Board shall~~ may grant
50 final approval of an application if it finds that determines that the application meets the

1 requirements set out in this Part or adopted by the State Board of Education and that granting
2 the application would achieve one or more of the purposes set out in G.S. 115C-238.29A.

3 ~~The Commission State Board shall act by March 15 of a calendar year on all applications~~
4 ~~and appeals it receives prior to February 15 of that calendar year.~~ establish a time line approved
5 by the State Board to take final action on applications declared complete under
6 G.S. 115C-238.29C and shall make this information available to applicants. The decision shall
7 be based on the evidence contained in the application or collected following a procedure for
8 application review that is uniform across all applicants and provides opportunities for
9 applicants to respond to questions and requests for further information.

10 (b) ~~The State Board shall authorize no more than five charter schools per year in one~~
11 ~~local school administrative unit.~~ The State Board shall authorize no more than 100-50
12 additional charter schools statewide in each calendar year, not including renewals of existing
13 charters. If more than five charter schools in one local school administrative unit or more than
14 100 schools statewide meet the standards for final approval, the State Board shall give priority
15 to applications that are most likely to further State education policies and to strengthen the
16 educational program offered in the local school administrative units in which they are located.

17 (b1) If the State Board or Commission disapproves an application, it shall provide the
18 applicant with the opportunity to request reconsideration of the decision. However, neither the
19 State Board nor the Commission shall be required to consider any request for reconsideration
20 from an applicant that fails to include additional information not previously presented by the
21 applicant.

22 (b2) A decision to disapprove an application is exempt from review pursuant to Chapter
23 150B of the General Statutes.

24 (c) The State Board of Education may authorize a school before the applicant has
25 secured its space, equipment, facilities, and personnel if the applicant indicates the authority is
26 necessary for it to raise working capital. The State Board shall not allocate any funds to the
27 school until the school has obtained space.

28 (d) The State Board of Education may grant the initial charter for a period not to exceed
29 10 years and may renew the charter upon the request of the chartering entity for subsequent
30 periods not to exceed 10 years each. The State Board, upon recommendation of the
31 Commission, may include in the charter any standards or requirements it determines are
32 necessary to fulfill the purposes of this Part as well as any other objectives set forth by the
33 charter school applicant. The charter shall set forth clear, measurable, and attainable academic
34 and operational performance standards the chartering entity must meet to earn charter renewal
35 and the type of objective and verifiable data which will be reviewed to evaluate performance.
36 Those standards shall include:

- 37 (1) Measures of student academic achievement status or proficiency.
- 38 (2) Student academic growth, including adequacy of growth toward State
39 standards.
- 40 (3) Achievement gaps among student subgroups identified by the Department of
41 Public Instruction for all public schools.
- 42 (4) Postsecondary readiness and success for high schools.
- 43 (5) Attendance and recurrent enrollment from year to year.
- 44 (6) Financial performance and sustainability.
- 45 (7) Compliance with all applicable laws, regulations, and terms of the charter
46 contract.

47 ~~The State Board of Education-Commission~~ shall review the operations of each charter
48 school at least once every five years to ensure that the school is meeting the expected academic,
49 financial, and governance standards.

50 A material revision of the provisions of a charter application shall be made only upon the
51 approval of the State Board of ~~Education.~~ Education upon recommendation of the Commission.

1 It shall not be considered a material revision of a charter application and shall not require
2 the prior approval of the State Board for a charter school to increase its enrollment during the
3 charter school's second year of operation and annually thereafter (i) by up to ~~ten~~twenty percent
4 ~~(10%)~~(20%) of the school's previous year's enrollment or (ii) in accordance with planned
5 growth as authorized in the charter. Other enrollment growth shall be considered a material
6 revision of the charter application, and upon recommendation of the Commission, the State
7 Board may approve such additional enrollment growth of greater than ~~ten~~twenty percent ~~(10%)~~
8 (20%) only if the ~~State Board~~Commission finds that:

- 9 (1) The actual enrollment of the charter school is within ten percent (10%) of its
10 maximum authorized enrollment;
- 11 (2) The charter school has commitments for ninety percent (90%) of the
12 requested maximum growth;
- 13 (3) The board of education of the local school administrative unit in which the
14 charter school is located has had an opportunity to be heard by the ~~State~~
15 ~~Board of Education~~Commission on any adverse impact the proposed growth
16 would have on the unit's ability to provide a sound basic education to its
17 students;
- 18 (4) The charter school is not currently identified as low-performing;
- 19 (5) The charter school meets generally accepted standards of fiscal
20 management; and
- 21 (6) It is otherwise appropriate to approve the enrollment growth.

22 **"§ 115C-238.29E. Charter school operation.**

23 (a) A charter school that is approved by the State shall be a public school within the
24 local school administrative unit in which it is located. ~~It shall be accountable to the local board~~
25 ~~of education if it applied for and received preliminary approval from that local board for~~
26 ~~purposes of ensuring compliance with applicable laws and the provisions of its charter. All~~
27 ~~other charter schools located, and shall be accountable to the State Board for ensuring~~
28 compliance with applicable laws and the provisions of their charters, ~~except that any of these~~
29 ~~charter schools may agree to be accountable to the local board of the school administrative unit~~
30 ~~in which the charter school is located rather than to the State Board charters.~~

31 (b) A charter school shall be operated by a private nonprofit corporation that shall have
32 received federal tax-exempt status no later than 24 months following final approval of the
33 application. A local board of education approved to convert a school to a charter school shall
34 not be required to form a nonprofit, tax-exempt corporation if the local board of education
35 serves as the board of directors of the charter school.

36 (c) A charter school shall operate under the written charter signed by the State Board
37 ~~entity to which it is accountable under subsection (a) of this section~~ and the applicant. A charter
38 school is not required to enter into any other contract. The charter shall incorporate the
39 information provided in the application, as modified during the charter approval process, and
40 any terms and conditions imposed on the charter school by the State Board of ~~Education~~
41 Education, as recommended by the Commission. No other terms may be imposed on the charter
42 school as a condition for receipt of local funds.

43 (d) The board of directors of the charter school shall decide matters related to the
44 operation of the school, including budgeting, curriculum, and operating procedures.

45 (e) A charter school's specific location shall not be prescribed or limited by a local
46 board or other authority except a zoning authority. The school may lease space from a local
47 board of education or as is otherwise lawful in the local school administrative unit in which the
48 charter school is located. If a charter school leases space from a sectarian organization, the
49 charter school classes and students shall be physically separated from any parochial students,
50 and there shall be no religious artifacts, symbols, iconography, or materials on display in the
51 charter school's entrance, classrooms, or hallways. Furthermore, if a charter school leases space

1 from a sectarian organization, the charter school shall not use the name of that organization in
2 the name of the charter school.

3 At the request of the charter school, the local board of education of the local school
4 administrative unit in which the charter school will be located shall lease any available building
5 or land to the charter school unless the board demonstrates that the lease is not economically or
6 practically feasible or that the local board does not have adequate classroom space to meet its
7 enrollment needs. Notwithstanding any other law, a local board of education may provide a
8 school facility to a charter school free of charge; however, the charter school is responsible for
9 the maintenance of and insurance for the school facility.

10 (f) Except as provided in this Part and pursuant to the provisions of its charter, a charter
11 school is exempt from statutes and rules applicable to a local board of education or local school
12 administrative unit.

13 **"§ 115C-238.29F. General requirements.**

14 (a) Health and Safety Standards. – A charter school shall meet the same health and
15 safety requirements required of a local school administrative unit. The Department of Public
16 Instruction shall ensure that charter schools provide parents and guardians with information
17 about meningococcal meningitis and influenza and their vaccines at the beginning of every
18 school year. This information shall include the causes, symptoms, and how meningococcal
19 meningitis and influenza are spread and the places where parents and guardians may obtain
20 additional information and vaccinations for their children.

21 The Department of Public Instruction shall also ensure that charter schools provide parents
22 and guardians with information about cervical cancer, cervical dysplasia, human
23 papillomavirus, and the vaccines available to prevent these diseases. This information shall be
24 provided at the beginning of the school year to parents of children entering grades five ~~though~~
25 through 12. This information shall include the causes and symptoms of these diseases, how
26 they are transmitted, how they may be prevented by vaccination, including the benefits and
27 possible side effects of vaccination, and the places where parents and guardians may obtain
28 additional information and vaccinations for their children.

29 The Department of Public Instruction shall also ensure that charter schools provide students
30 in grades nine through 12 with information annually on the manner in which a parent may
31 lawfully abandon a newborn baby with a responsible person, in accordance with G.S. 7B-500.

32 The Department of Public Instruction shall also ensure that the guidelines for individual
33 diabetes care plans adopted by the State Board of Education under G.S. 115C-12(31) are
34 implemented in charter schools in which students with diabetes are enrolled and that charter
35 schools otherwise comply with the provisions of G.S. 115C-375.3.

36 (b) School Nonsectarian. – A charter school shall be nonsectarian in its programs,
37 admission policies, employment practices, and all other operations and shall not charge tuition
38 or ~~fees.~~ fees, except that a charter school may charge any fees that are charged by the local
39 school administrative unit in which the charter school is located. A charter school shall not be
40 affiliated with a nonpublic sectarian school or a religious institution.

41 (c) Civil Liability and Insurance. –

42 (1) The board of directors of a charter school may sue and be sued. The State
43 Board of Education shall adopt rules as recommended by the Commission to
44 establish reasonable amounts and types of liability insurance that the board
45 of directors shall be required by the charter to obtain. The board of directors
46 shall obtain at least the amount of and types of insurance required by these
47 rules to be included in the charter. Any sovereign immunity of the charter
48 school, of the organization that operates the charter school, or its members,
49 officers, or directors, or of the employees of the charter school or the
50 organization that operates the charter school, is waived to the extent of
51 indemnification by insurance.

- 1 (2) No civil liability shall attach to any chartering entity, to the State Board of
2 Education, the Commission, or to any of their members or employees,
3 individually or collectively, for any acts or omissions of the charter school.
- 4 (d) Instructional Program. –
- 5 (1) The school shall provide instruction each year for at least 180 days.
- 6 (2) The school shall design its programs to at least meet the student performance
7 standards adopted by the State Board of Education and the student
8 performance standards contained in the charter.
- 9 (3) A charter school shall conduct the student assessments required for charter
10 schools by the State Board of Education.
- 11 (4) The school shall comply with policies adopted by the State Board of
12 Education for charter schools relating to the education of children with
13 disabilities.
- 14 (5) The school is subject to and shall comply with Article 27 of Chapter 115C of
15 the General Statutes, except that a charter school may also exclude a student
16 from the charter school and return that student to another school in the local
17 school administrative unit in accordance with the terms of its charter.
- 18 (e) Employees. –
- 19 (1) An employee of a charter school is not an employee of the local school
20 administrative unit in which the charter school is ~~located~~. located, except for
21 employees of charter schools converted by a local board of education where
22 a nonprofit, tax-exempt corporation was not required to be formed because
23 the local board of education serves as the board of directors of the charter
24 school. The charter school's board of directors shall employ and contract
25 with necessary teachers to perform the particular service for which they are
26 employed in the school; at least seventy-five percent (75%) of these teachers
27 in grades kindergarten through five, at least fifty percent (50%) of these
28 teachers in grades six through eight, and at least fifty percent (50%) of these
29 teachers in grades nine through 12 shall hold teacher certificates. All
30 teachers in grades six through 12 who are teaching in the core subject areas
31 of mathematics, science, social studies, and language arts shall be college
32 graduates. No charter school shall employ as a teacher any person whose
33 certification has been revoked by the State Board of Education.
- 34 The board also may employ necessary employees who are not required to
35 hold teacher certificates to perform duties other than teaching and may
36 contract for other services. The board may discharge teachers and
37 noncertificated employees.
- 38 (2) No local board of education shall require any employee of the local school
39 administrative unit to be employed in a charter school.
- 40 (3) If a teacher employed by a local school administrative unit makes a written
41 request for a leave of absence to teach at a charter school, the local school
42 administrative unit shall grant the leave for one year. For the initial year of a
43 charter school's operation, the local school administrative unit may require
44 that the request for a leave of absence be made up to 45 days before the
45 teacher would otherwise have to report for duty. After the initial year of a
46 charter school's operation, the local school administrative unit may require
47 that the request for a leave of absence be made up to 90 days before the
48 teacher would otherwise have to report for duty. A local board of education
49 is not required to grant a request for a leave of absence or a request to extend
50 or renew a leave of absence for a teacher who previously has received a
51 leave of absence from that school board under this subdivision. A teacher

1 who has career status under G.S. 115C-325 prior to receiving a leave of
 2 absence to teach at a charter school may return to a public school in the local
 3 school administrative unit with career status at the end of the leave of
 4 absence or upon the end of employment at the charter school if an
 5 appropriate position is available. If an appropriate position is unavailable,
 6 the teacher's name shall be placed on a list of available teachers and that
 7 teacher shall have priority on all positions for which that teacher is qualified
 8 in accordance with G.S. 115C-325(e)(2).

9 (3a) A teacher employed by a charter school who returns to employment with a
 10 local school administrative unit without a break in service shall have unused
 11 sick leave from previous employment with a local school administrative unit
 12 reinstated. A teacher employed by a charter school who returns to
 13 employment with a local school administrative unit without a break in
 14 service shall be credited for the years of service at the charter school for the
 15 purposes of the salary schedule, longevity pay, and rate of earned leave.

16 (4) The employees of the charter school shall be deemed employees of the local
 17 school administrative unit for purposes of providing certain State-funded
 18 employee benefits, including membership in the Teachers' and State
 19 Employees' Retirement System and the State Health Plan for Teachers and
 20 State Employees. The State Board of Education provides funds to charter
 21 schools, approves the original members of the boards of directors of the
 22 charter schools, has the authority to grant, supervise, and revoke charters,
 23 and demands full accountability from charter schools for school finances and
 24 student performance. Accordingly, it is the determination of the General
 25 Assembly that charter schools are public schools and that the employees of
 26 charter schools are public school employees. Employees of a charter school
 27 whose board of directors elects to become a participating employer under
 28 G.S. 135-5.3 are "teachers" for the purpose of membership in the North
 29 Carolina Teachers' and State Employees' Retirement System. In no event
 30 shall anything contained in this Part require the North Carolina Teachers'
 31 and State Employees' Retirement System to accept employees of a private
 32 employer as members or participants of the System.

33 (f) Accountability. –

- 34 (1) The school is subject to the financial audits, the audit procedures, and the
 35 audit requirements adopted by the State Board of Education for charter
 36 schools. These audit requirements may include the requirements of the
 37 School Budget and Fiscal Control Act.
- 38 (2) The school shall comply with the reporting requirements established by the
 39 State Board of Education in the Uniform Education Reporting System.
- 40 (3) The school shall report at least annually to the ~~chartering entity and the~~
 41 Commission and the State Board of Education the information required by
 42 the ~~chartering entity~~ Commission or the State Board.

43 (g) Admission Requirements. –

- 44 (1) Any child who is qualified under the laws of this State for admission to a
 45 public school is qualified for admission to a charter school. Any charter
 46 school that is unable to fill its current enrollment with students qualified
 47 under the laws of this State for admission to a public school may enroll
 48 persons of school age who are not domiciliaries of the State and charge those
 49 students a tuition amount equal to the per pupil allocation of the local
 50 appropriation for the county in which the charter school is located and the
 51 per pupil State appropriation for that school year. The number of persons of

- 1 school age who are not domiciliaries of the State who are enrolled in a
2 charter school may not exceed ten percent (10%) of the total number of
3 students enrolled in the charter school.
- 4 (2) No local board of education shall require any student enrolled in the local
5 school administrative unit to attend a charter school.
- 6 (3) Admission to a charter school shall not be determined according to the
7 school attendance area in which a student resides, except that any ~~local~~
8 ~~school administrative unit in which a public school converts to a charter~~
9 ~~school shall give admission preference to students who reside within the~~
10 ~~former attendance area of that school.~~ public school converting to a charter
11 school shall adopt a policy giving enrollment preference to students who
12 reside within the former attendance area of that public school for at least the
13 first two years of operation of the charter school.
- 14 (4) Admission to a charter school shall not be determined according to the local
15 school administrative unit in which a student resides.
- 16 (5) A charter school shall not discriminate against any student on the basis of
17 ethnicity, national origin, gender, or disability. Except as otherwise provided
18 by law or the mission of the school as set out in the charter, the school shall
19 not limit admission to students on the basis of intellectual ability, measures
20 of achievement or aptitude, athletic ability, disability, race, creed, gender,
21 national origin, religion, or ancestry. The charter school may give enrollment
22 priority to siblings of currently enrolled students who were admitted to the
23 charter school in a previous year and to children of the school's principal,
24 teachers, ~~and teacher assistants.~~ teacher assistants, and other full-time
25 employees of the charter school. In addition, and only for its first year of
26 operation, the charter school may give enrollment priority to children of the
27 initial members of the charter school's board of directors, so long as (i) these
28 children are limited to no more than ten percent (10%) of the school's total
29 enrollment or to 20 students, whichever is less, and (ii) the charter school is
30 not a former public or private school. If multiple birth siblings apply for
31 admission to a charter school and a lottery is needed under
32 G.S. 115C-238.29F(g)(6), the charter school shall enter one surname into the
33 lottery to represent all of the multiple birth siblings. If that surname of the
34 multiple birth siblings is selected, then all of the multiple birth siblings shall
35 be admitted. Within one year after the charter school begins operation, the
36 population of the school shall reasonably reflect the racial and ethnic
37 composition of the general population residing within the local school
38 administrative unit in which the school is located or the racial and ethnic
39 composition of the special population that the school seeks to serve residing
40 within the local school administrative unit in which the school is located.
41 The school shall be subject to any court-ordered desegregation plan in effect
42 for the local school administrative unit.
- 43 (6) During each period of enrollment, the charter school shall enroll an eligible
44 student who submits a timely application, unless the number of applications
45 exceeds the capacity of a program, class, grade level, or building. In this
46 case, students shall be accepted by lot. Once enrolled, students are not
47 required to reapply in subsequent enrollment periods.
- 48 (7) Notwithstanding any law to the contrary, a charter school may refuse
49 admission to any student who has been expelled or suspended from a public
50 school under G.S. 115C-391 until the period of suspension or expulsion has
51 expired.

1 (8) Nothing in this subsection shall be interpreted to preclude the formation of a
2 charter school whose mission is focused on serving students with
3 disabilities, students of the same gender, students who pose such severe
4 disciplinary problems that they warrant a specific educational program,
5 academically at-risk students, or academically gifted students.

6 (h) Transportation. – The charter school may provide transportation for students
7 enrolled at the school. ~~The For charter schools approved after July 1, 2011, the charter school~~
8 ~~shall develop a transportation plan so that transportation is not a barrier to provide~~
9 ~~transportation for any student enrolled in the charter school who resides in the local school~~
10 ~~administrative unit in which the school is located within three miles of the charter school in a~~
11 ~~household with an income below one hundred eighty-five percent (185%) of the poverty level~~
12 ~~as defined by the federal government. The charter school is not required to provide~~
13 ~~transportation to any student who lives within one and one-half miles of the school. At the~~
14 request of the charter school and if the local board of the local school administrative unit in
15 which the charter school is located operates a school bus system, then that local board may
16 contract with the charter school to provide transportation in accordance with the charter
17 school's transportation plan to students who reside in the local school administrative unit and
18 who reside at least one and one-half miles ~~of~~ from the charter school. A local board may charge
19 the charter school a reasonable charge that is sufficient to cover the cost of providing this
20 transportation. Furthermore, a local board may refuse to provide transportation under this
21 subsection if it demonstrates there is no available space on buses it intends to operate during the
22 term of the contract or it would not be practically feasible to provide this transportation.

23 (h1) Food Services. – For charter schools approved after July 1, 2011, the charter school
24 shall provide food services for any student enrolled in the charter school who resides in a
25 household with an income below one hundred eighty-five percent (185%) of the poverty level
26 as defined by the federal government.

27 (i) Assets. – Upon dissolution of the charter school or upon the nonrenewal of the
28 charter, all net assets of the charter ~~school~~ school, other than real property, purchased with
29 public funds shall be deemed the property of the local school administrative unit in which the
30 charter school is located. Upon dissolution of the charter school or upon the nonrenewal of the
31 charter, State funds used to purchase or improve real property shall be remitted back to the
32 State after all liens on the property are satisfied. Upon dissolution of the charter school or upon
33 the nonrenewal of the charter, a pro rata share of the county funds used to purchase or improve
34 real property shall be remitted back to the county from which the funds originated after all liens
35 on the property are satisfied.

36 (j) Driving Eligibility Certificates. – In accordance with rules adopted by the State
37 Board of Education, the designee of the school's board of directors shall do all of the following:

- 38 (1) Sign driving eligibility certificates that meet the conditions established in
39 G.S. 20-11.
- 40 (2) Obtain the necessary written, irrevocable consent from parents, guardians, or
41 emancipated juveniles, as appropriate, in order to disclose information to the
42 Division of Motor Vehicles.
- 43 (3) Notify the Division of Motor Vehicles when a student who holds a driving
44 eligibility certificate no longer meets its conditions.

45 (k) The Display of the United States and North Carolina Flags and the Recitation of the
46 Pledge of Allegiance. – A charter school shall (i) display the United States and North Carolina
47 flags in each classroom when available, (ii) require the recitation of the Pledge of Allegiance on
48 a daily basis, and (iii) provide age-appropriate instruction on the meaning and historical origins
49 of the flag and the Pledge of Allegiance. A charter school shall not compel any person to stand,
50 salute the flag, or recite the Pledge of Allegiance. If flags are donated or are otherwise
51 available, flags shall be displayed in each classroom.

1 **"§ 115C-238.29G. Causes for nonrenewal or termination; disputes.**

2 (a) ~~The Upon recommendation of the Commission, the State Board of Education~~
3 ~~Education, or a chartering entity subject to the approval of the State Board of Education,~~ may
4 terminate or not renew a charter upon any of the following grounds:

- 5 (1) Failure to meet the requirements for student performance contained in the
6 charter;
7 (2) Failure to meet generally accepted standards of fiscal management;
8 (3) Violations of law;
9 (4) Material violation of any of the conditions, standards, or procedures set forth
10 in the charter;
11 (5) Two-thirds of the faculty and instructional support personnel at the school
12 request that the charter be terminated or not renewed; or
13 (6) Other good cause identified.

14 (a) Upon recommendation of the Commission, the State Board shall adopt criteria for
15 adequate performance by a charter school and shall identify charter schools with inadequate
16 performance. The criteria shall include a requirement that a charter school which demonstrates
17 no growth in student performance and has annual performance composites below sixty percent
18 (60%) in any three-year period shall be deemed inadequate. A charter school identified as
19 inadequate shall develop a school improvement plan to meet specific goals for student
20 performance that are consistent with State Board criteria and the mission approved in the
21 charter of the school. The school improvement plan shall be reviewed and approved by the
22 State Board upon recommendation by the Commission. Failure to demonstrate improvement
23 under the school improvement plan shall be cause for termination or nonrenewal of the charter.

24 (b) The State Board of Education shall develop and implement a process to address
25 contractual and other grievances between a charter school and ~~its chartering entity~~the
26 Commission, State Board, or the local board of education during the time of its charter.

27 (c) The State Board and the charter school are encouraged to make a good-faith attempt
28 to resolve the differences that may arise between them. They may agree to jointly select a
29 mediator. The mediator shall act as a neutral facilitator of disclosures of factual information,
30 statements of positions and contentions, and efforts to negotiate an agreement settling the
31 differences. The mediator shall, at the request of either the State Board or a charter school,
32 commence a mediation immediately or within a reasonable period of time. The mediation shall
33 be held in accordance with rules and standards of conduct adopted under Chapter 7A of the
34 General Statutes governing mediated settlement conferences but modified as appropriate and
35 suitable to the resolution of the particular issues in disagreement.

36 Notwithstanding Article 33C of Chapter 143 of the General Statutes, the mediation
37 proceedings shall be conducted in private. Evidence of statements made and conduct occurring
38 in a mediation are not subject to discovery and are inadmissible in any court action. However,
39 no evidence otherwise discoverable is inadmissible merely because it is presented or discussed
40 in a mediation. The mediator shall not be compelled to testify or produce evidence concerning
41 statements made and conduct occurring in a mediation in any civil proceeding for any purpose,
42 except disciplinary hearings before the State Bar or any agency established to enforce standards
43 of conduct for mediators. The mediator may determine that an impasse exists and discontinue
44 the mediation at any time. The mediator shall not make any recommendations or public
45 statement of findings or conclusions. The State Board and the charter school shall share equally
46 the mediator's compensation and expenses. The mediator's compensation shall be determined
47 according to rules adopted under Chapter 7A of the General Statutes.

48 (d) A decision to terminate or not renew a charter is exempt from review pursuant to
49 Chapter 150B of the General Statutes.

50 **"§ 115C-238.29H. State and local funds for a charter school.**

51 (a) The State Board of Education shall allocate to each charter school:

- 1 (1) An amount equal to the average per pupil allocation for average daily
2 membership from the local school administrative unit allotments in which
3 the charter school is located for each child attending the charter school
4 except for the allocation for children with disabilities and for the allocation
5 for children with limited English proficiency;
- 6 (2) An additional amount for each child attending the charter school who is a
7 child with disabilities; and
- 8 (3) An additional amount for children with limited English proficiency attending
9 the charter school, based on a formula adopted by the State Board.

10 In accordance with G.S. 115C-238.29D(d), the State Board shall allow for annual
11 adjustments to the amount allocated to a charter school based on its enrollment growth in
12 school years subsequent to the initial year of operation.

13 In the event a child with disabilities leaves the charter school and enrolls in a public school
14 during the first 60 school days in the school year, the charter school shall return a pro rata
15 amount of funds allocated for that child to the State Board, and the State Board shall reallocate
16 those funds to the local school administrative unit in which the public school is located. In the
17 event a child with disabilities enrolls in a charter school during the first 60 school days in the
18 school year, the State Board shall allocate to the charter school the pro rata amount of
19 additional funds for children with disabilities.

20 (a1) Funds allocated by the State Board of Education may be used to enter into
21 operational and financing leases for real property or mobile classroom units for use as school
22 facilities for charter schools and may be used for payments on loans made to charter schools for
23 facilities or equipment. Funds allocated by the State Board of Education may also be used to
24 acquire equipment, real property, buildings, and mobile classroom units for use as school
25 facilities for charter schools, to enter into operational and financing leases for equipment, and
26 for any other purpose identified in G.S. 115C-426(f). However, State funds shall not be used to
27 obtain any other interest in real property or mobile classroom units. No indebtedness of any
28 kind incurred or created by the charter school shall constitute an indebtedness of the State or its
29 political subdivisions, and no indebtedness of the charter school shall involve or be secured by
30 the faith, credit, or taxing power of the State or its political subdivisions. Every contract or
31 lease into which a charter school enters shall include the previous sentence. The school also
32 may own land and buildings it obtains through non-State sources.

33 (b) If a student attends a charter school, the local school administrative unit in which
34 the child resides shall transfer to the charter school an amount equal to the per pupil share of
35 the local current expense fund, as defined by G.S. 115C-426, of local current expense
36 appropriation to the local school administrative unit for the fiscal year. The amount transferred
37 under this subsection that consists of revenue derived from supplemental taxes shall be
38 transferred to a charter school only if the student resides in the tax district for which these taxes
39 are levied and the charter school is located in the same county as the supplemental tax district.
40 only to a charter school located in the tax district for which these taxes are levied and in which
41 the student resides. The amount transferred under this subsection shall not include special funds
42 of individual schools established pursuant to G.S. 115C-448. The local school administrative
43 unit shall provide a detailed accounting of the funds to be transferred and transfer these funds
44 based on a preliminary projection of charter school enrollment provided to the local school
45 administrative unit by the charter school no later than 15 days after the local school
46 administrative unit receives its local current expense appropriation. Adjustments to this amount
47 shall be made within 30 days of the State Board of Education determining and certifying to the
48 charter school its average daily membership for the school year. If the local school
49 administrative unit fails to comply with the deadlines set forth in this subsection, it shall pay a
50 penalty of one percent (1%) of the amount transferred to the charter school.

1 (c) Counties may provide funds to the nonprofit tax-exempt corporation that holds the
2 charter of a charter school by direct appropriation as set forth in G.S. 153A-457. These funds
3 shall be used only for purposes identified in G.S. 115C-426(f). If a county decides to provide
4 funds, the funds shall be distributed equitably and apportioned according to the average daily
5 membership of each charter school that has requested funds. These funds shall be used only for
6 purposes identified in G.S. 115C-426(f).

7 ~~"§ 115C-238.29I. Notice of the charter school process; review of charter schools; Charter~~
8 ~~School Advisory Committee.~~

9 ~~(a) The State Board of Education shall distribute information announcing the~~
10 ~~availability of the charter school process described in this Part to each local school~~
11 ~~administrative unit and public postsecondary educational institution and, through press releases,~~
12 ~~to each major newspaper in the State.~~

13 ~~(b) Repealed by Session Laws 1997-18, s. 15(i).~~

14 ~~(c) The State Board of Education shall review and evaluate the educational~~
15 ~~effectiveness of the charter school approach authorized under this Part and the effect of charter~~
16 ~~schools on the public schools in the local school administrative unit in which the charter~~
17 ~~schools are located. The Board shall report no later than January 1, 2002, to the Joint~~
18 ~~Legislative Education Oversight Committee with recommendations to modify, expand, or~~
19 ~~terminate that approach. The Board shall base its recommendations predominantly on the~~
20 ~~following information:~~

21 ~~(1) The current and projected impact of charter schools on the delivery of~~
22 ~~services by the public schools.~~

23 ~~(2) Student academic progress in the charter schools as measured, where~~
24 ~~available, against the academic year immediately preceding the first~~
25 ~~academic year of the charter schools' operation.~~

26 ~~(3) Best practices resulting from charter school operations.~~

27 ~~(4) Other information the State Board considers appropriate.~~

28 ~~(d) The State Board of Education may establish a Charter School Advisory Committee~~
29 ~~to assist with the implementation of this Part. The Charter School Advisory Committee may (i)~~
30 ~~provide technical assistance to chartering entities or to potential applicants, (ii) review~~
31 ~~applications for preliminary approval, (iii) make recommendations as to whether the State~~
32 ~~Board should approve applications for charter schools, (iv) make recommendations as to~~
33 ~~whether the State Board should terminate or not renew a charter, (v) make recommendations~~
34 ~~concerning grievances between a charter school and its chartering entity, the State Board, or a~~
35 ~~local board, (vi) assist with the review under subsection (c) of this section, and (vii) provide~~
36 ~~any other assistance as may be required by the State Board.~~

37 ~~(e) Notwithstanding the dates set forth in this Part, the State Board of Education may~~
38 ~~establish an alternative time line for the submission of applications, preliminary approvals,~~
39 ~~criminal record checks, appeals, and final approvals so long as the Board grants final approval~~
40 ~~by March 15 of each calendar year.~~

41 **"§ 115C-238.29J. Public and private assistance to charter schools.**

42 (a) Local boards of education are authorized and encouraged to provide administrative
43 and evaluative support to charter schools located within their local school administrative units.

44 (b) Private persons and organizations are encouraged to provide funding and other
45 assistance to the establishment or operation of charter schools.

46 (c) The State Board of Education shall direct the Department of Public Instruction to
47 provide guidance and technical assistance, upon request, to existing charter schools as well as
48 applicants and/or potential applicants for charters.

49 (d) The State Board of Education shall direct the Department of Public Instruction to
50 notify the Department of Revenue when the State Board of Education terminates, fails to
51 renew, or grants a charter for a charter school.

"§ 115C-238.29K. Criminal history checks.

(a) As used in this section:

(1) "Criminal history" means a county, state, or federal criminal history of conviction of a crime, whether a misdemeanor or a felony, that indicates an individual (i) poses a threat to the physical safety of students or personnel, or (ii) has demonstrated that he or she does not have the integrity or honesty to fulfill his or her duties as school personnel. These crimes include the following North Carolina crimes contained in any of the following Articles of Chapter 14 of the General Statutes: Article 5A, Endangering Executive and Legislative Officers; Article 6, Homicide; Article 7A, Rape and Kindred Offenses; Article 8, Assaults; Article 10, Kidnapping and Abduction; Article 13, Malicious Injury or Damage by Use of Explosive or Incendiary Device or Material; Article 14, Burglary and Other Housebreakings; Article 15, Arson and Other Burnings; Article 16, Larceny; Article 17, Robbery; Article 18, Embezzlement; Article 19, False Pretense and Cheats; Article 19A, Obtaining Property or Services by False or Fraudulent Use of Credit Device or Other Means; Article 20, Frauds; Article 21, Forgery; Article 26, Offenses Against Public Morality and Decency; Article 26A, Adult Establishments; Article 27, Prostitution; Article 28, Perjury; Article 29, Bribery; Article 31, Misconduct in Public Office; Article 35, Offenses Against the Public Peace; Article 36A, Riots and Civil Disorders; Article 39, Protection of Minors; and Article 60, Computer-Related Crime. These crimes also include possession or sale of drugs in violation of the North Carolina Controlled Substances Act, Article 5 of Chapter 90 of the General Statutes, and alcohol-related offenses such as sale to underage persons in violation of G.S. 18B-302 or driving while impaired in violation of G.S. 20-138.1 through G.S. 20-138.5. In addition to the North Carolina crimes listed in this subdivision, such crimes also include similar crimes under federal law or under the laws of other states.

(2) "School personnel" means any:

- a. Member of the board of directors of a charter school,
- b. Employee of a charter school, or
- c. Independent contractor or employee of an independent contractor of a charter school if the independent contractor carries out duties customarily performed by school personnel, whether paid with federal, State, local, or other funds, who has significant access to students or who has responsibility for the fiscal management of a charter school.

(b) The State Board of ~~Education~~ Education, upon recommendation of the Commission, shall adopt a policy on whether and under what circumstances school personnel shall be required to be checked for a criminal history. ~~The policy shall not require school personnel to be checked for a criminal history check before preliminary approval is granted under G.S. 115C-238.29B. The Board shall apply its policy shall be applied~~ uniformly in requiring school personnel to be checked for a criminal history. ~~The Board~~ Commission may ~~grant~~ recommend conditional approval of an application while the ~~Board~~ Commission is checking a person's criminal history and making a decision based on the results of the check.

~~The State Board shall not require members~~ Members of boards of directors of charter schools or employees of charter schools shall not be required to pay for the criminal history check authorized under this section.

(c) The ~~Board of Education~~ Commission shall require the person to be checked by the Department of Justice to (i) be fingerprinted and to provide any additional information required

1 by the Department of Justice to a person designated by the ~~State Board, Commission~~, or to the
2 local sheriff or the municipal police, whichever is more convenient for the person, and (ii) sign
3 a form consenting to the check of the criminal record and to the use of fingerprints and other
4 identifying information required by the repositories. The ~~State Board Commission~~ shall
5 consider refusal to consent when deciding whether to ~~grant-recommend~~ final approval of an
6 application under G.S. 115C-238.29D and when making an employment recommendation. The
7 fingerprints of the individual shall be forwarded to the State Bureau of Investigation for a
8 search of the State criminal history record file, and the State Bureau of Investigation shall
9 forward a set of fingerprints to the Federal Bureau of Investigation for a national criminal
10 history record check. The Department of Justice shall provide to the ~~State Board of~~
11 ~~Education Commission~~ the criminal history from the State and National Repositories of
12 Criminal Histories of any school personnel for which the ~~Board Commission~~ requires a
13 criminal history check.

14 ~~The State Board shall not require members~~ Members of boards of directors of charter
15 schools or employees of charter schools shall not be required to pay for the fingerprints
16 authorized under this section.

17 (d) The ~~State Board Commission~~ shall review the criminal history it receives on an
18 individual. The ~~State Board Commission~~ shall determine whether the results of the review
19 indicate that the individual (i) poses a threat to the physical safety of students or personnel, or
20 (ii) has demonstrated that he or she does not have the integrity or honesty to fulfill his or her
21 duties as school personnel and shall use the information when deciding whether to ~~grant~~
22 recommend final approval of an application for a charter school under G.S. 115C-238.29D and
23 for making an employment recommendation to the board of directors of a charter school. The
24 ~~State Board Commission~~ shall make written findings to the State Board of Education with
25 regard to how it used the information when deciding whether to ~~grant-recommend~~ final
26 approval under G.S. 115C-238.29D and when making an employment recommendation.

27 (e) The ~~State Board Commission~~ shall notify in writing the board of directors of the
28 charter school of the determination by the ~~State Board Commission~~ as to whether the school
29 personnel is qualified to operate or be employed by a charter school based on the school
30 personnel's criminal history. At the same time, the ~~State Board Commission~~ shall provide to the
31 charter school's board of directors the written findings the ~~Board Commission~~ makes in
32 subsection (d) of this section and its employment recommendation. If the ~~State~~
33 ~~Board Commission~~ recommends dismissal or nonemployment of any person, the board of
34 directors of the charter school shall dismiss or refuse to employ that person. In accordance with
35 the law regulating the dissemination of the contents of the criminal history file furnished by the
36 Federal Bureau of Investigation, the ~~State Board Commission~~ shall not release nor disclose any
37 portion of the school personnel's criminal history to the charter school's board of directors or
38 employees. The ~~State Board Commission~~ also shall notify the school personnel of the procedure
39 for completing or challenging the accuracy of the criminal history and the personnel's right to
40 contest the ~~State Board's Commission's~~ determination in court.

41 (f) All the information received by the State Board of ~~Education~~ Education, the
42 Commission, or the charter school in accordance with subsection (e) of this section through the
43 checking of the criminal history is privileged information and is not a public record but is for
44 the exclusive use of the State Board of ~~Education~~ Education, the Commission, or the board of
45 directors of the charter school. The State Board of ~~Education~~ Education, the Commission, or
46 the board of directors of the charter school may destroy the information after it is used for the
47 purposes authorized by this section after one calendar year.

48 (g) There shall be no liability for negligence on the part of the State Board of ~~Education~~
49 Education, the Commission, or the board of directors of the charter school, or their employees,
50 arising from any act taken or omission by any of them in carrying out the provisions of this
51 section. The immunity established by this subsection shall not extend to gross negligence,

1 wanton conduct, or intentional wrongdoing that would otherwise be actionable. The immunity
2 established by this subsection shall be deemed to have been waived to the extent of
3 indemnification by insurance, indemnification under Articles 31A and 31B of Chapter 143 of
4 the General Statutes, and to the extent sovereign immunity is waived under the Tort Claims
5 Act, as set forth in Article 31 of Chapter 143 of the General Statutes."

6 **SECTION 3.** G.S. 114-19.2 reads as rewritten:

7 "**§ 114-19.2. Criminal record checks of school personnel.**

8 (a) The Department of Justice may provide a criminal record check to the local board of
9 education of a person who is employed in a public school in that local school district or of a
10 person who has applied for employment in a public school in that local school district, if the
11 employee or applicant consents to the record check. The Department may also provide a
12 criminal record check of school personnel as defined in G.S. 115C-332 by fingerprint card to
13 the local board of education from National Repositories of Criminal Histories, in accordance
14 with G.S. 115C-332. The information shall be kept confidential by the local board of education
15 as provided in Article 21A of Chapter 115C of the General Statutes.

16 (a1) The Department of Justice may provide a criminal history record check to the North
17 Carolina Public Charter Schools Commission of a person who is employed at a charter school
18 or of a person who has applied for employment at a charter school, if the employee or applicant
19 consents to the record check. The Department may also provide a criminal history record check
20 of school personnel as defined in G.S. 115C-238.29K by fingerprint card to the North Carolina
21 Public Charter Schools Commission from National Repositories of Criminal Histories, in
22 accordance with G.S. 115C-238.29K. The information shall be kept confidential by the North
23 Carolina Public Charter Schools Commission as provided in G.S. 115C-238.29K.

24 (b) The Department of Justice may provide a criminal record check to the employer of a
25 person who is employed in a nonpublic school or of a person who has applied for employment
26 in a nonpublic school, if the employee or applicant consents to the record check. For purposes
27 of this subsection, the term nonpublic school is one that is subject to the provisions of Article
28 39 of Chapter 115C of the General Statutes, but does not include a home school as defined in
29 that Article.

30 (c) The Department of Justice shall charge a reasonable fee for conducting a criminal
31 record check under this section. The fee shall not exceed the actual cost of locating, editing,
32 researching, and retrieving the information.

33 (c1) The Department of Justice may provide a criminal record check to the schools
34 within the Department of Health and Human Services of a person who is employed, applies for
35 employment, or applies to be selected as a volunteer, if the employee or applicant consents to
36 the record check. The Department of Health and Human Services shall keep all information
37 pursuant to this subsection confidential, as provided in Article 7 of Chapter 126 of the General
38 Statutes.

39 (d) The Department of Justice shall adopt rules to implement this section."

40 **SECTION 4.** G.S. 115C-105.37B(a)(2) reads as rewritten:

41 "(a) Notwithstanding any other provision of this Article, the State Board of Education is
42 authorized to approve a local board of education's request to reform any school in its
43 administrative unit which the State Board of Education has identified as one of the continually
44 low-performing schools in North Carolina.

45 If the State Board of Education approves a local board of education's request to reform a
46 school, the State Board of Education may authorize the local board of education to adopt one of
47 the following models in accordance with State Board of Education requirements:

48 ...
49 (2) Restart model, in which the State Board of Education would authorize the
50 local board of education to operate the school with the same exemptions
51 from statutes and rules as a charter school authorized under Part 6A of

1 Article 16 of this Chapter, or under the management of an educational
2 management organization that has been selected through a rigorous review
3 process. A school operated under this subdivision remains under the control
4 of the local board of education, and employees assigned to the school are
5 employees of the local school administrative unit with the protections
6 provided by G.S. 115C-325. ~~This subdivision shall not be interpreted to~~
7 ~~increase the maximum number of charter schools provided in~~
8 ~~G.S. 115C-238.29D(b). No school authorized under this subsection shall~~
9 ~~count against the limit provided for charter schools in~~
10 ~~G.S. 115C-238.29D(b)."~~

11 SECTION 5. G.S. 115C-426 reads as rewritten:

12 "§ 115C-426. Uniform budget format.

13 ...

14 (c) The uniform budget format shall require the following funds:

- 15 (1) The State Public School Fund.
16 (2) The local current expense fund.
17 (3) The capital outlay fund.

18 In addition, other funds may be used to account for reimbursements, including indirect costs,
19 fees for actual costs, tuition, ~~sales tax revenues distributed using the ad valorem method~~
20 ~~pursuant to G.S. 105-472(b)(2), sales tax refunds,~~ gifts and grants restricted as to use, trust
21 funds, federal appropriations made directly to local school administrative units, funds received
22 for prekindergarten programs, and special programs. In addition, the appropriation or use of
23 fund balance ~~or interest income~~ by a local school administrative unit shall not be construed as a
24 local current expense appropriation.

25 Each local school administrative unit shall maintain those funds shown in the uniform
26 budget format that are applicable to its operations."

27 SECTION 6. G.S. 115C-448 reads as rewritten:

28 "§ 115C-448. Special funds of individual schools.

29 (a) The board of education shall appoint a treasurer for each school within the local
30 school administrative unit that handles special funds. The treasurer shall keep a complete
31 record of all moneys in his charge in such form and detail as may be prescribed by the finance
32 officer of the local school administrative unit, and shall make such reports to the superintendent
33 and finance officer of the local school administrative unit as they or the board of education may
34 prescribe. Special funds of individual schools shall be deposited in an official depository of the
35 local school administrative unit in special accounts to the credit of the individual school, and
36 shall be paid only on checks or drafts signed by the principal of the school and the treasurer.
37 The board of education may, in its discretion, waive the requirements of this section for any
38 school which handles less than three hundred dollars (\$300.00) in any school year.

39 (b) Nothing in this section shall prevent the board of education from requiring that all
40 funds of individual schools be deposited with and accounted for by the school finance officer.
41 If this is done, these moneys shall be disbursed and accounted for in the same manner as other
42 school funds except that the check or draft shall not bear the certificate of preaudit.

43 (c) For the purposes of this section, "special funds of individual schools" includes by
44 way of illustration and not limitation funds realized from gate receipts of interscholastic athletic
45 competition, sale of school annuals and newspapers, and dues of student organizations.

46 (d) Special funds of individual schools shall not be included as part of the local current
47 expense fund of a local school administrative unit for the purposes of determining the per pupil
48 share of the local current expense fund transferred to a charter school pursuant to
49 G.S. 115C-238.29H(b)."

50 SECTION 7. G.S. 115C-546.2 reads as rewritten:

1 **"§ 115C-546.2. Allocations from the Fund; uses; expenditures; reversion to General**
2 **Fund; matching requirements.**

3 ...
4 (d) Monies transferred into the Fund in accordance with Chapter 18C of the General
5 Statutes shall be allocated for capital projects for school construction projects as follows:

6 (1) A sum equal to sixty-five percent (65%) of those monies transferred in
7 accordance with G.S. 18C-164 shall be allocated on a per average daily
8 membership basis according to the average daily membership for the budget
9 year as determined and certified by the State Board of Education.

10 (2) A sum equal to thirty-five percent (35%) of those monies transferred in
11 accordance with G.S. 18C-164 shall be allocated to those local school
12 administrative units located in whole or part in counties in which the
13 effective county tax rate as a percentage of the State average effective tax
14 rate is greater than one hundred percent (100%), with the following
15 definitions applying to this subdivision:

16 a. "Effective county tax rate" means the actual county rate for the
17 previous fiscal year, including any countywide supplemental taxes
18 levied for the benefit of public schools, multiplied by a three-year
19 weighted average of the most recent annual sales assessment ratio
20 studies.

21 b. "State average effective tax rate" means the average effective county
22 tax rates for all counties.

23 c. "Sales assessment ratio studies" means sales assessment ratio studies
24 performed by the Department of Revenue under G.S. 105-289(h).

25 (3) No county shall have to provide matching funds required under subsection
26 (c) of this section.

27 (4) A county may use monies in this Fund to pay for school construction
28 projects in local school administrative units and to retire indebtedness
29 incurred for school construction projects incurred on or after January 1,
30 2003.

31 (5) A county may not use monies in this Fund to pay for school technology
32 needs.

33 (6) Counties receiving funds under this subsection may allocate a portion of
34 funds received each budget year under this subsection to charter schools on a
35 per average daily membership basis according to each such school's share of
36 the average daily membership of the unit. Charter schools may use the
37 monies to pay for school construction projects or to retire indebtedness
38 incurred for school construction projects incurred on or after January 1,
39 2010, and shall not be subject to the matching fund requirement set forth in
40 subsection (c) of this section."

41 **SECTION 8.** G.S. 150B-1(e) is amended by adding a new subdivision to read:

42 **"(18) The State Board of Education with respect to the disapproval, termination, or**
43 **nonrenewal of charters under Part 6A of Article 16 of Chapter 115C of the**
44 **General Statutes."**

45 **SECTION 9.(a)** Article 23 of Chapter 153A of the General Statutes is amended by
46 adding a new section to read:

47 **"§ 153A-457. Charter schools.**

48 **Each county is authorized to appropriate funds and lease real property to schools chartered**
49 **under Part 6A of Article 16 of Chapter 115C of the General Statutes. Counties may provide**
50 **funds only for the purposes set forth in G.S. 115C-238.29H(c)."**

51 **SECTION 9.(b)** G.S. 153A-149(c) reads as rewritten:

1 "(c) Each county may levy property taxes for one or more of the purposes listed in this
2 subsection up to a combined rate of one dollar and fifty cents (\$1.50) on the one hundred
3 dollars (\$100.00) appraised value of property subject to taxation. Authorized purposes subject
4 to the rate limitation are:

5 ...

6 (8a) Charter Schools. – To provide capital funding for charter schools as
7 authorized by G.S. 153A-457.

8 "

9 **SECTION 10.** If in any fiscal year a local board of education approves a budget
10 resolution that, as amended, fails to comply with G.S. 115C-426 and therefore fails to include
11 in the local current expense fund all those moneys required under G.S. 115C-426(e), that
12 budget resolution shall be deemed to have been amended to include all such moneys in the
13 local current expense fund for the purposes of compliance with G.S. 115C-238.29H(b).

14 **SECTION 11.** Section 3.2 of S.L. 2010-123 and Section 7.17(b) of S.L. 2010-31
15 are repealed.

16 **SECTION 12.** The State Board of Education shall repeal all adopted policies
17 inconsistent with this act.

18 **SECTION 13.** Beginning in 2012, the State Board of Education in conjunction
19 with the North Carolina Public Charter Schools Commission shall prepare an annual report to
20 the Joint Legislative Education Oversight Committee of the General Assembly no later than
21 October 15 of each year. The report shall include, at a minimum, the following information:

- 22 (1) The strategic vision and plan for charter schools and progress toward
23 achieving the vision and carrying out the plan.
- 24 (2) The academic and financial performance of all operating charter schools
25 according to the performance expectations for charter schools set forth in
26 this act.
- 27 (3) The status of the charter school portfolio, identifying all charter schools in
28 each of the following categories: approved to open, in operation, renewed,
29 transferred, revoked, not renewed, voluntarily closed, or never opened.
- 30 (4) Composite annual data disaggregated by charter school on the gender, race
31 and ethnicity, and disability status of students enrolled in charter schools;
32 testing data disaggregated by the purpose of the charter school, and by
33 gender, race, ethnicity, and disability; the number of students long-term
34 suspended and expelled; the number of students receiving a free or reduced
35 meal plan through a federal subsidy program; the number of students
36 receiving a free or reduced meal plan through means other than a federal
37 subsidy program; and the number of students receiving special education
38 services.

39 **SECTION 14.** Beginning in 2012, the Department of Public Instruction shall
40 prepare an annual report to the Joint Legislative Education Oversight Committee of the General
41 Assembly no later than October 15 of each year. This report shall also be distributed
42 electronically to each local board of education in the State. The report shall be based on a
43 review of charter school programs throughout North Carolina and shall identify operational,
44 educational, and administrative programs and policies implemented by charter schools that the
45 Department finds could improve the State's public schools, or some subset, based on
46 demographics, academic performance, or other criteria, of the State's public schools. The
47 North Carolina Public Charter Schools Commission shall provide the Department any
48 information needed by the Department to meet the reporting requirement set forth in this
49 section.

1 **SECTION 15.** Appointments required in Section 2 of this act shall be made no
2 later than August 1, 2011. Sections 5, 10, and 11 of this act are effective when they become
3 law. The remainder of this act becomes effective July 1, 2011.

SENATE BILL 8: No Cap on Number of Charter Schools

2011-2012 General Assembly

Committee: House Finance
Introduced by: Sen. Stevens
Analysis of: PCS to Fifth Edition
S8-PCS55220-RQ-10

Date: April 7, 2011
Prepared by: Drupti Chauhan and
Kara McCraw

SUMMARY: *Senate Bill 8 would make the following changes to laws related to charter schools, including:*

- *Remove the cap on charter schools and allow up to 50 new charters annually.*
- *Create a new Public Charter Schools Commission (Commission) to oversee charter schools..*
- *Add additional requirements for charter school applications.*
- *Allow State funds to be used to acquire real property for charter schools, allow counties to provide funds to the nonprofit, tax-exempt corporation that holds the charter of a charter school for specific purposes, and allow counties to allocate lottery monies to charter schools for capital needs.*

The Proposed Committee Substitute would make the following changes:

- *Change the governance of the Commission by requiring it to operate under the SBE and submit its recommendations as proposals to the SBE. If the SBE rejects a proposal, it must specify the reasons for the rejection. The SBE may not act in an arbitrary and capricious manner in withholding approval of proposals resubmitted by the Commission. The SBE's rejection of resubmitted proposals is subject to judicial review.*
- *Require, for charters granted after July 1, 2011, that those schools must provide transportation for enrolled students residing in a household within 3 miles of the school which has an income below 185% of the poverty level.*
- *Require charters to include the additional standard of post-secondary readiness and success for high schools.*
- *Delete the reinstatement of annual leave for teachers employed by a charter school who return to employment with a local school administrative unit without a break in service.*
- *Clarify that on dissolution of the charter school or a nonrenewal of the charter, State funds used to purchase or improve real property must be remitted back to the State after liens are satisfied and a pro rata share of the county funds used to purchase or improve real property must be remitted back to the county from which the funds originated after liens are satisfied.*
- *Allow supplemental taxes to be transferred to a charter school only if the student resides in supplemental tax district and the charter school is located in the same county as the supplemental tax district.*
- *Require counties that provide funds to charter schools to distribute those funds equitably and apportion according to the average daily membership of each charter school that requested funds.*
- *Delete the provision that required local boards of education to amend their 2010-2011 budget resolutions to comply with the Uniform Budget Format statute as amended by this bill.*

BILL ANALYSIS:

Section 2

Current Law: Part 6A of Article 16 of Chapter 115C establishes charter schools and provides that the SBE is the entity that oversees charter schools in the State by granting, monitoring, and revoking charters. A maximum of 100 charter schools may be authorized in the State at any given time. Charter schools are prohibited from receiving State monies for obtaining any interest in real property or mobile classroom units other than leases.

115C-238.29A – Adds language to encourage replication of successful charter schools.

115C-238.29A1 – Creates the Commission.

- Commission would operate under the SBE. It would have 13 members including the Superintendent of Public Instruction, and 4 members appointed by the Governor, 4 by the Speaker of the House, and 4 by the President Pro Tempore of the Senate.

Senate PCS 8

Page 2

- The Commission would have the following powers and duties: provide technical assistance, recommend policies to the SBE for charter school operations, oversee and make recommendations to the SBE regarding final approval of charter applications, oversee monitoring of charter schools, and make recommendations to the SBE on actions on charter renewals, nonrenewals, and revocations.
- The SBE would assign the Office of Charter Schools as staff to the Commission.
- The Commission would submit recommendations to the SBE as proposals which the SBE must adopt or reject within 95 days of the submission or a proposal would be deemed as adopted. The SBE could not make any substantive changes to any proposal that it adopts. If the SBE rejects a proposal, it must state with specificity the reasons for rejection and allow the Commission to amend and resubmit that proposal. The SBE would not be able to act in an arbitrary and capricious manner in withholding approval of a proposal resubmitted by the Commission. Any such rejection of a resubmitted proposal is subject to judicial review.

115C-238.29B – Charter school applications

- Applications would be required to include new information including the following: an executive summary; targeted school population and community; instructional design; plans for identifying and serving special populations; proposed governing by-laws; proposed budget for first 5 years of operation; numbers of students to be served, with a minimum of 50 students, minimum number of teachers to be employed; organizational chart; plans for transportation and food services for certain low-income students; explanations of partnerships central to school mission; and a detailed start-up plan.
- For applicants seeking a charter for a virtual charter school, the application must include information showing that the school has a physical facility in the state, that the chief administrator of the school is located in the State, and that the teachers serving the virtual charter school are responsible for improving learning by planned instruction, diagnosing learning needs, prescribing content delivery through instructional activities, assessing learning, reporting outcomes to administrators and parents and guardians, and evaluating the effects of instruction.
- Local boards of education would be exempted from the requirement of having to form a nonprofit, tax-exempt corporation for converting a traditional school to a charter school if the local board of education serves as the board of directors of the charter school.
- The Commission would have the authority to recommend approval of a charter school to the SBE in accordance with the standards and criteria set forth in the charter schools statutes.
- Other entities such as local boards of education, and constituent institutions of The University of North Carolina would no longer be authorized to grant preliminary charters.

115C-238.29C – Application assessment

- The Commission, subject to the approval of the SBE, would be authorized to establish deadlines for applications and make determinations when applications were complete.
- The requirements governing preliminary approval of charters by other chartering entities would be eliminated.

115C-238.29D – Final approval of applications

- Upon recommendation of the Commission, the SBE would be authorized to grant approval of applications that met requirements.
- Eliminates State-wide charter school cap of 100 schools and provides that no more than 50 additional charter schools could be authorized in each calendar year, not including charter renewals.
- The Commission would be required to establish a timeline approved by the SBE to take final action on applications declared complete and make this information available to applicants. The decision on the application must be based on the evidence contained in the application or collected through an application review uniform across all applicants.
- Applicants would have the opportunity to request reconsideration of a denial of an application.
- Decisions to disapprove applications would be exempt from review under Chapter 150B.
- Standards must be included in the school's charter to measure academic proficiency and growth, achievement gaps between student subgroups, post-secondary readiness and success for high schools, attendance and

Senate PCS 8

Page 3

recurrent enrollment, financial performance and stability, and compliance with laws, regulations and charter terms,

- Enrollment growth cap of 10% per year would be raised to 20%

115C-238.29E – Charter School Operation

- The bill makes conforming changes.

115C-238.29F – General Requirements

- Charter schools would be allowed to charge any fees charged by the local LEA in which the charter school is located.
- The SBE would adopt rules as recommended by the Commission regarding liability insurance and set forth the student assessments required of charter schools.
- Charter schools would be prohibited from hiring teachers whose certification has been revoked by the State Board of Education.
- Teachers employed by charter schools who return to employment with a local school administrative unit without a break in service would be able to have unused sick leave from previous employment with a local school administrative unit reinstated and be given credit for the years of service for purposes of the salary schedule, longevity pay and rate of earned leave.
- Charter schools that have capacity would be able to enroll non-domiciled students and charge those students tuition that is equal at least to the per pupil allocation of the local appropriation for the county in which the charter school is located and the per pupil State appropriation for that school year. Non-domiciliaries of the State would be limited to 10% of the total number of students enrolled in the charter school.
- Public schools converted to charter schools would be required to give enrollment preference to students in the former attendance area for at least 2 years.
- Charter schools could give enrollment priority to the children of full-time employees of the charter school.
- The bill would clarify that the statutory admissions requirements would not preclude the formation of a charter school to serve special populations.
- Charters granted after July 1, 2011 must provide transportation for enrolled students residing in a household within 3 miles of the school which has an income below 185% of the poverty level.
- Charters granted after July 1, 2011 must provide food services for enrolled students residing in a household which has an income below 185% of the poverty level.
- Upon dissolution of a charter school or the nonrenewal of a charter, State funds used to purchase or improve real property must be remitted back to the State after all liens on the property are satisfied; a pro rata share of the county funds used to purchase or improve real property must be remitted back to the county from which the funds originated after all liens on the property are satisfied.

115C-238.29G -- Causes for nonrenewal and termination

- Upon recommendation of the Commission, the SBE would have to adopt criteria for adequate performance by a charter school and identify charters with inadequate performance, including those with no growth in student performance and annual performance composites below 60% within a 3 year period. Identified charter schools must develop school improvement plans approved by the SBE upon recommendation by the Commission, and failure to demonstrate improvement under the plan is cause for termination or nonrenewal.
- Any decision to terminate or not renew a charter would be exempted from review under Chapter 150B of the General Statutes.

115C-238.29H – State and local funds for charters schools

- State funds would be allowed to be used to acquire equipment, real property, buildings, and mobile classrooms for school facilities, to enter into operational and financing leases for equipment, and for other purposes permitted for capital outlay fund appropriations, such as the acquisition of school buses.
- The funding to be transferred by an LEA for a student attending a charter school is clarified to mean the per pupil share of the local current expense fund established under the uniform budget format for LEAs.

Senate PCS 8

Page 4

- Per pupil share of the local current expense fund that consists of revenue derived from supplemental taxes would be transferred to a charter school only if the student resides in the tax district for which the supplemental taxes are levied and the charter school is located in the same county as the supplemental tax district.
- LEAs would be required to provide an accounting of the local current expense fund to be transferred to charter schools within 15 days of receipt of that appropriation. LEAs would be assessed a penalty for failure to comply with the deadlines.
- Counties would be permitted to provide funds to charter schools by direct appropriations for any of the purposes for appropriations included in the capital outlay fund, such as acquisition of real property, building construction, furnishings and equipment, and school buses.
- Counties that provide funds to charter schools would be required to distribute those funds equitably and apportion according to the average daily membership of each charter school that requested funds.

115C-238.29I – Notice of charter school process and Charter School Advisory Committee

- The bill would repeal this section in order to make conforming changes.

115C-238.29J – Public and private assistance to charter schools

- The bill makes only conforming changes

115C-238.29K – Criminal History Checks

- The bill makes conforming changes

Section 3

Current Law: The Department of Justice is authorized to conduct criminal history checks of school personnel.

Analysis: The bill makes conforming changes to allow the Department of Justice to conduct criminal history checks of charter school employees.

Section 4

Current Law: G.S. 115C-105.37B authorizes the State Board of Education to approve LEA requests to reform low-performing schools.

Analysis: The bill makes conforming changes eliminating references to the charter schools cap.

Section 5

Current Law: G.S. 115C-426 established the uniform budget format for LEAs. LEAs are required to have the State Public School Fund, the local current expense fund, and the capital outlay fund. They are also authorized to have other funds for items such as indirect costs, fees, tuition costs restricted as to use, trust funds, federal appropriations made directly to LEAs, fund for prekindergarten programs, and special programs.

Analysis: The bill would eliminate the use of other funds to account for sales tax revenues distributed using the ad valorem method and sales tax refunds and would eliminate the exclusion of interest income from the local current expense appropriation.

Section 6

Current Law: G.S. 115C-448 allows the creation of special funds of individual schools to account for funds received from activities such as interscholastic athletic competition, school annual sales, and student organization dues.

Analysis: The bill would prohibit special funds of individual schools from being included in the local current expense fund amount transferred to charter schools.

Section 7

Current Law: Funds from the State lottery for school construction are not allocated to charter schools.

Analysis: The bill would permit counties to allocate a portion of the lottery funds for school construction to charter schools. Charter schools would be able to use the monies to pay for school construction projects or retire debt from school construction projects incurred after January 1, 2010.

Section 8

Analysis: The bill makes conforming changes in Chapter 150B allowing for the exemption from review for disapproval of applications and terminations and non-renewals of charters.

Section 9

Senate PCS 8

Page 5

Analysis: The bill would authorize counties to appropriate funds for capital needs for charter schools, lease real property to charter schools, and levy property taxes for these purposes.

Sections 10-11

Current Law: Section 7.17 of the 2010 Appropriations Act provided that LEAs that had not fully complied with local requirements for funding charter schools and who are subject to a judgment, court order, or settlement agreement may make payments over three years.

Analysis: These sections of the bill would repeal the 2010 Budget provisions and would provide that if an LEA approves a budget resolution that fails to comply with the Uniform Budget Format and fails to include all monies required to be in the local current expense fund, it will have been deemed to do so by this bill.

Section 12

Analysis: The State Board of Education would be required to repeal all policies inconsistent with this Act.

Section 13

Analysis: The SBE in conjunction with the Commission must report annually to the Joint Legislative Education Oversight Committee on the strategic vision and plan for the charter schools, the status of the charter schools as well as composite annual data on the gender, race, ethnicity, and disability of students enrolled in charter schools. The report must also include suspension and expulsion data, the number of students receiving free or reduced meals, and the number of students receiving special education services.

Section 14

Analysis: The Department of Public Instruction must annually report to the Joint Legislative Education Oversight Committee on charter school programs and policies that could improve the public schools, and send a copy of that report to local boards of education.

EFFECTIVE DATE: Appointments required in in the Act must be made by August 1, 2011. Sections 5, 10, and 11 are effective when they become law. The remainder of this Act becomes effective July 1, 2011.

PRINCIPAL DEPARTMENT(S) &

PROGRAM(S) AFFECTED: Department of Public Instruction, State Board of Education, Local School Administrative Units, County Governments, North Carolina Charter Schools

EFFECTIVE DATE: July 1, 2011, except for sections 5, 10, and 11 of the act which will be effective immediately

BILL SUMMARY:

The bill makes several changes to the management, approval, and fiduciary treatment of North Carolina charter schools. It removes a 100 school limit on charter schools and makes other significant changes:

Public Charter Schools Commission—The bill creates a new Public Charter Schools Commission (Commission). The Commission will have within its duties and powers: (1) to oversee the application process for charter schools and to make recommendations to the State Board of Education (State Board) for approval of new charter applications; (2) to recommend policies to the State Board regarding all aspects of charter school operation; (3) to oversee the process of monitoring the operation of charter schools with assistance from the Department of Public Instruction (DPI); (4) to make recommendations to the State Board regarding charter renewals, nonrenewals and revocations; and (5) to provide technical assistance to charter schools and charter school applicants. The State Board of Education is required to assign the Department of Public Instruction's Office of Charter Schools as staff to the Commission.

Modification of Certain Charter School Policies—The bill removes the overall cap on charter schools, allowing for authorization of up to 50 new charter schools each calendar year. The bill also modifies the cap on enrollment growth for charter schools from its prior limit of 10 percent growth to 20 percent growth. Charter schools will be permitted to have a minimum student enrollment of 50 students, 15 less than the current minimum of 65. Charters granted after July 1, 2011 must provide transportation for enrolled students residing in a household within 3 miles of the school which has an income below 185% of the poverty level and provide food services for all enrolled students residing in a household which has an income below 185% of the poverty level.

Changes to the Uses and Allocation of State and Local Funding to Charter Schools— The bill allows State and local funds to be used to acquire real property for charter schools. It also will permit counties to provide funds for specific purposes to the nonprofit, tax-exempt corporation that holds the charter of a charter school. Allocation of these funds must be apportioned based on the average daily membership of each charter school requesting funds should a county opt to provide funding. These funds may now include State lottery proceeds allocated to the counties for school capital needs and property tax revenues.

With respect to local funding, the bill clarifies the composition of the Uniform Budget Format for the purposes of determining the required per-pupil local current expense appropriation that must be transferred to a charter school from a local school administrative unit (LEA). Additionally, LEAs will be required to provide an accounting of the local current expense fund to be transferred to

charter schools within 15 days of receipt of that appropriation. LEAs will be assessed a penalty for failure to comply with the deadlines.

ASSUMPTIONS AND METHODOLOGY:

There are several components of the bill which will impact the distribution of funds to charter schools, traditional public schools, the Public School Charter Commission, the North Carolina Department of Public Instruction and county governments. A more detailed analysis of each of these items follows:

Elimination of the 100 School Cap on Charter Schools

North Carolina charter schools receive State and local funding support as guaranteed by G.S. 115C-238.29H. State funding for an existing charter school is based on the dollars per student [as measured by Average Daily Membership (ADM)] of the Local Education Agency (LEA) in which the school is located, and is unchanged by this legislation. Funding for new charter schools is based on the dollars per ADM of the LEA in which the student is, or would be, currently enrolled. The total number of public school students attending a new charter school will reduce a LEA's initial allotment. However, the redirection of funds from a LEA to a charter school has a net neutral impact on total State funding.

State Board of Education policy holds LEAs harmless for potential reductions in the Central Office Administration, School Building Administration and Staff Development allotments if there is a reduction in an LEA's ADM for students attending charter schools. The impact of the hold harmless for these three allotments is to maintain overall funding to the LEAs for these allotments. For the purposes of this memo, these potential costs are not currently identifiable given the uncertainty of the total number of charter schools that would be created in response to this bill. The estimated cost of the hold harmless in FY 2010-11 is \$465,910 based on additional charter school ADM growth of 1,553 students.

Establishment of the Public School Charter Commission

The Commission will be composed of 13 members, which must be appointed by August 1, 2011. It will be located administratively under the State Board of Education but operate independently of the Board.

Section 2 of the bill rewrites 115C-238.29A1 to direct the State Board of Education to assign personnel of the Department of Public Instruction's Office of Charter Schools (OCS) as staff to the Commission. There are currently eight staff at DPI directly working on charter schools issues, with six staff in OCS and two in the Financial and Business Services section that work exclusively on accounting and financial support matters. The impact of eliminating the cap on charter schools may increase the workload for existing OCS staff, but information from DPI on its initial staffing history indicates that the current staffing levels were sufficient to handle the workload associated with years in which more than fifteen new charter schools were approved and opened. Clearly, if the growth in newly approved charter schools is significant, then additional staffing in OCS may

be justified. However, this analysis is unable to reliably estimate potential growth in charter schools, so justification for additional staffing is unknown.

Lastly, the Commission may hold meetings as it deems necessary, and its members shall be reimbursed for travel and subsistence expenses related to meeting participation. Assuming monthly meetings, the estimated annual cost of these expenses is \$39,635. Due to the August 1, 2011 deadline for the appointment of Commission members, this analysis assumes that only ten meetings will occur in fiscal year 2011-12. As such, first year Commission costs are estimated to be \$33,029. Attachment A of this Fiscal Memo contains detailed information about those estimates.

Local Per-Pupil Transfer

G.S. 115C-238.29H requires LEAs (in which a charter school student resides) to, “transfer to the charter school an amount equal to the per pupil local current expense appropriation to the local school administrative unit for the fiscal year.” The definition of what sources comprise the local current expense appropriation is defined in G.S. 115C-426. This section requires LEAs to establish a State Public School Fund, local current expense fund, and a capital outlay fund in its standard budget format.

LEAs are also currently allowed, under G.S. 115C-426(c), to account for fund sources outside of these three categories. Prior to 2010, the explicit definition of those sources had been subject to dispute. The definition of those sources that may have been considered as “other funds” had been less explicitly defined by statute. However, three legal decisions (Delaney, Sugar Creek I and Sugar Creek II) had served to clarify those funds that should be budgeted in the local current expense appropriation.

Specifically, Sugar Creek I found that certain funds budgeted in the local current expense fund by Charlotte-Mecklenburg Public Schools were erroneously excluded from transfer to affected charter schools. These funds included monies for prekindergarten programs and high school reform efforts. Additionally, the ruling held that an LEA must transfer per-pupil funding to the charter school using the same methodology for determining student attendance at the district’s traditional public schools.

In 2009, the Sugar Creek II judgments essentially upheld all of the findings in Sugar Creek I except to omit Textbook funds from those funds included in the local current expense funds for per-capita transfer to charter schools. In total, the plaintiff schools in this case were found to be entitled to compensation based on the improper distribution of local current expense funding.

The Legislature took action in S.L. 2010-31 to further enumerate fund sources that may be budgeted in “other funds”. These sources are defined as: “reimbursements, including indirect costs, fees for actual costs, tuition, sales tax revenues distributed using the ad valorem method pursuant to G.S. 105-472(b)(2), sales tax refunds, gifts and grants restricted as to use, trust funds, federal appropriations made directly to local school administrative units, funds received for prekindergarten programs, and special programs.”

Clearly the language in S.L. 2010-31 has the effect of broadening the latitude over which LEAs could budget certain funds outside of the local current expense fund. This bill does not allow two of those sources to be budgeted as "other funds":

1. "...sales tax revenues distributed using the ad valorem method pursuant to G.S. 105-472(b)(2)..."
and
2. "...sales tax refunds..."

In addition, Section 6 permits special funds of individual schools, such as school newspapers and student fees, to be excluded from the local current expense fund. The impact of Section 5 and 6 would cause some shift in local funds distribution from the LEA to existing charter schools in each instance that the LEA was including certain funds as "other funds" that would now be properly considered "local current expense" by this bill. There is no data available on the extent of this shift. All LEAs with students in charter schools have the latitude to include certain local, Federal and State funds in its local current expense fund.

The changes made in Sections 5 and 6 of the bill will have no material impact on State funding.

North Carolina Education Lottery Funds

Section 7 of the bill will allow counties to share a pro-rata amount of its Lottery school capital funding with charter schools. Currently, these funds are allocated to the counties on the basis of student headcount in the traditional public schools, as charter schools have been prohibited from receiving any State capital funding. To properly implement this section of the bill, DPI will have to distribute funding based on the total public school ADM in all counties and not just the traditional public school ADM. While this provision will not adjust the amount of State capital funding available to the counties, it will have the impact of sending slightly more Lottery capital funding to those counties with charter schools and slightly less funding to those counties without charter schools. Currently charter school students comprise about 3.3% of all North Carolina public school students.

Property Tax Revenues

Section 9 expands the purposes listed in G.S. 153A-149(c) for which counties may use property tax revenues to include capital funding for charter schools. Counties are not required to appropriate property tax revenues for this purpose, and the bill does not change the limitation of \$1.50 per \$100 valuation for the purposes included in the subsection.

GENERAL ASSEMBLY OF NORTH CAROLINA
SESSION 2011

S

1

SENATE BILL 29*

Short Title: Tax Certification - Alamance County. (Local)

Sponsors: Senator Gunn.

Referred to: Finance.

February 3, 2011

A BILL TO BE ENTITLED

AN ACT TO AUTHORIZE ALAMANCE COUNTY TO REQUIRE THE PAYMENT OF
DELINQUENT PROPERTY TAXES BEFORE RECORDING DEEDS CONVEYING
PROPERTY.

The General Assembly of North Carolina enacts:

SECTION 1. G.S. 161-31(b) reads as rewritten:

"(b) Applicability. – This section applies only to Alamance, Alexander, Anson, Beaufort, Bertie, Burke, Cabarrus, Camden, Carteret, Caswell, Catawba, Cherokee, Chowan, Clay, Cleveland, Currituck, Dare, Davidson, Davie, Duplin, Durham, Edgecombe, Forsyth, Gaston, Gates, Graham, Granville, Greene, Halifax, Harnett, Haywood, Henderson, Hertford, Hyde, Iredell, Jackson, Johnston, Jones, Lee, Lenoir, Lincoln, Macon, Madison, Martin, McDowell, Montgomery, Nash, Northampton, Onslow, Pasquotank, Pender, Perquimans, Person, Pitt, Polk, Robeson, Rockingham, Rowan, Rutherford, Stanly, Surry, Swain, Transylvania, Tyrrell, Vance, Warren, Washington, Wayne, Wilson, and Yadkin Counties."

SECTION 2. This act is effective when it becomes law.

SENATE BILL 29: Tax Certification - Alamance County

2011-2012 General Assembly

Committee: House Finance
Introduced by: Sen. Gunn
Analysis of: First Edition

Date: March 30, 2011
Prepared by: Trina Griffin
Committee Counsel

SUMMARY: *Senate Bill 29¹ authorizes Alamance County to require payment of delinquent property taxes prior to recording deeds conveying property.*

CURRENT LAW:

G.S. 161-31(a) permits tax certification by allowing a county board of commissioners, by resolution, to require the register of deeds not to accept any deed transferring real property for registration unless the county tax collector has certified that no delinquent ad valorem county taxes, ad valorem municipal taxes, or other taxes with which the collector is charged are a lien on the property described in the deed. The county commissioners may describe the form the certification must take in its resolution.

G.S. 161-31(a1) provides an exception to the tax certification by requiring the register of deeds to accept, without certification, a deed containing the following statement: "This instrument prepared by: _____, a licensed North Carolina attorney. Delinquent taxes, if any, to be paid by the closing attorney to the county tax collector upon disbursement of closing proceeds."

G.S. 161-31(b) lists the 69 counties to which this provision currently applies.²

The following four counties have a similar requirement but under different authorizing legislation:

Avery County	Chapter 305 of the 1963 Session Laws, as amended by S.L. 1997-410 and S.L. 1998-73 ³
Ashe County	S.L. 1993-657, as amended by S.L. 1997-410 and S.L. 2005-433 ⁴
Alleghany County	S.L. 1997-410
Mitchell County	S.L. 1987-537, as amended by S.L. 1997-410 and S.L. 1999-326 ⁵

These local acts provide that the Register of Deeds shall not record any deed unless it is accompanied by a certification that all delinquent taxes have been paid. These local acts are in contrast to G.S. 161-31, which gives certain counties the discretion to pass a resolution to that effect.

BILL ANALYSIS: Senate Bill 29 would amend G.S. 161-31(b) to add Alamance County to the list of counties in which the board of commissioners is permitted to pass a resolution requiring the register of deeds not to accept any deed transferring real property unless the county tax collector certifies that the taxes listed in the statute are not delinquent and are not a lien on the property. (The taxes listed in G.S. 161-31(a) are ad valorem county taxes, ad valorem municipal taxes, or other taxes with which the collector is charged.)

EFFECTIVE DATE: This bill would become effective when it becomes law.

S29-SMSV-17(e1) v1

¹On March 9, 2011, the House Finance Committee reported favorably on a proposed committee substitute for HB 68 that included authorization for Alamance County to require payment of delinquent taxes prior to recording deeds conveying property. That bill is currently in Senate State and Local Government.

²The Register of Deeds in Duplin County must also receive a certification that no municipal taxes or any other taxes the collector is charged with collecting are a lien on the property before a deed transferring the property may be recorded.

³The Town of Newland was added in 1997; the Town of Banner Elk was added in 1998.

⁴S.L. 2005-433 provides that in addition to receiving a certification from the county tax collector, the Register of Deeds must also receive a certification from any municipal tax collector, where applicable, verifying that all delinquent taxes on the property have been paid.

⁵This local act also provides that if the property is located in the Town of Spruce Pine or the Town of Bakersville, the deed must also be accompanied by a certification from the town tax collector that all municipal taxes have been paid with respect to the property.

A BILL TO BE ENTITLED
AN ACT TO REPEAL THE PAYROLL SAVINGS PROGRAM FOR SAVINGS BONDS
DUE TO RECENT CHANGES MADE BY THE UNITED STATES TREASURY
DEPARTMENT.
The General Assembly of North Carolina enacts:
SECTION 1. Article 32 of Chapter 143 of the General Statutes is repealed.
SECTION 2. G.S. 115C-343 is repealed.
SECTION 3. This act is effective when it becomes law.

HOUSE BILL 313: Repeal Savings Bond Payroll Savings Program.-

2011-2012 General Assembly **AB**

Committee: House Finance	Date: April 6, 2011
Introduced by: Reps. Hastings, T. Moore	Prepared by: Trina Griffin
Analysis of: First Edition	Committee Counsel

SUMMARY: *House Bill 313 would repeal the statutory provisions that authorize the payroll deduction plan for the purchase of United States Savings Bonds by State employees and school employees.*

CURRENT LAW: Article 32 of Chapter 143 authorizes the Payroll Savings Plan for State Employees and contains the following sections:

- § 143-301 pertains to the authority of the Governor to establish a voluntary payroll deduction plan for the purchase of United States savings bonds by State employees.
- § 143-302 describes how funds may be allotted to defray expenses.
- § 143-303 authorizes employees of the State to enter into written agreements to authorize deductions from their salary to be invested in US savings bonds.
- § 143-304 authorizes State departments, institutions, or agencies to deduct the sum specified by the employee from the weekly or monthly salary, to show the deduction, and to hold the sums until sufficient amounts have accumulated to purchase a bond.
- § 143-305 pertains to the cancellation of agreements.

G.S. 115C-343 permits the State Board of Education to authorize any local school administrative unit to establish a voluntary payroll deduction plan for the purchase of United States Savings Bonds by employees.

BILL ANALYSIS: House Bill 313 would repeal Article 32 of Chapter 143 and G.S. 115C-343.

EFFECTIVE DATE: House Bill 313 would become effective when it becomes law.

BACKGROUND: This bill was requested by the Office of the State Controller.

The information below is from the TreasuryDirect website¹ and pertains to the phasing out of paper savings bonds through employer-sponsored payroll savings plans as of January 1, 2011.

"The U.S. Department of Treasury phased out the issuance of paper savings bonds through traditional employer-sponsored payroll savings plans. As of September 30, 2010, federal employees are no longer able to purchase paper savings bonds through payroll deduction. The end date for all other (non-federal) employees is January 1, 2011. With TreasuryDirect, Treasury can continue to offer employees the convenience of payroll savings while reducing the cost of the savings bond program. Savings bonds in TreasuryDirect are electronic securities in an account; they have all of the benefits of paper bonds but can't be misplaced or destroyed. Printing fewer paper bonds reduces the cost of the savings bond program and fits with our long-term goal of one day issuing all of our securities electronically. To continue your payroll savings, you'll need to open a TreasuryDirect account. You can continue purchasing savings bonds (or other Treasury securities) and hold them electronically in TreasuryDirect."

Theresa Matula, analyst for the House State Personnel Committee, substantially contributed to this summary.

A BILL TO BE ENTITLED

AN ACT TO CLARIFY THE DEFINITION OF "BONA FIDE FARM PURPOSES," TO PROHIBIT THE INVOLUNTARY MUNICIPAL ANNEXATION OF PROPERTY USED FOR BONA FIDE FARM PURPOSES, TO EXEMPT PROPERTY USED FOR BONA FIDE FARM PURPOSES FROM THE EXTRATERRITORIAL PLANNING AND ZONING JURISDICTION OF MUNICIPALITIES, AND TO EXEMPT PROPERTY USED FOR BONA FIDE FARMING PURPOSES FROM MUNICIPAL ZONING.

The General Assembly of North Carolina enacts:

SECTION 1. G.S. 153A-340(b)(2) reads as rewritten:

"(b) (2) Except as provided in G.S. 106-743.4 for farms that are subject to a conservation agreement under G.S. 106-743.2, bona fide farm purposes include the production and activities relating or incidental to the production of crops, fruits, vegetables, ornamental and flowering plants, dairy, livestock, poultry, and all other forms of ~~agricultural products~~ agriculture as defined in ~~G.S. 106-581.1~~ G.S. 106-581.1 having a domestic or foreign market. For purposes of this subdivision, the production of a nonfarm product that the Department of Agriculture and Consumer Services recognizes as a 'Goodness Grows in North Carolina' product that is produced on a farm subject to a conservation agreement under G.S. 106-743.2 is a bona fide farm purpose."

SECTION 2. G.S. 160A-36 is amended by adding a new subsection to read:

"(f) No land being used for 'bona fide farm purposes,' as defined in G.S. 153A-340, on the date of the resolution of intent to consider annexation, shall be annexed without the written consent of the owner or owners of the property."

SECTION 3. G.S. 160A-48 is amended by adding a new subsection to read:

"(g) No land being used for 'bona fide farm purposes,' as defined in G.S. 153A-340, on the date of the resolution of intent to consider annexation, shall be annexed without the written consent of the owner or owners of the property."

SECTION 4. G.S. 160A-360 is amended by adding a new subsection to read:

"(k) Property used for 'bona fide farm purposes,' as defined in G.S. 153A-340, is exempt from a municipality's extraterritorial jurisdiction under this Article."

SECTION 5. Article 19 of Chapter 160A of the General Statutes is amended by adding a new section to read:

"§ 160A-393.1. Part not applicable to property used for bona fide farm purposes.
The provisions of this Part are not applicable to property used for 'bona fide farm purposes,' as defined in G.S. 153A-340."

SECTION 6. This act is effective when it becomes law.

HOUSE BILL 168: Farms Exempt From City Annexation/ETJ/Zoning

2011-2012 General Assembly

Committee: House Finance	Date: April 6, 2011
Introduced by: Reps. Sanderson, Cleveland, Hill	Prepared by: Trina Griffin
Analysis of: Second Edition	Committee Counsel

SUMMARY: *House Bill 168 clarifies the definition of "bona fide farm purposes", prohibits the involuntary municipal annexation of property used for bona fide farm purposes, exempts property used for bona fide farm purposes from municipal ETJ regulations, and exempts property used for bona fide farming purposes from municipal zoning.*

CURRENT LAW: There are special provisions that apply to the involuntary annexation of agricultural land, horticultural land, or forestland. For the provisions to apply, the property must meet one of the following conditions:

- (1) The land is being taxed at present-use value pursuant to G.S. 105-277.4.
- (2) The land meets both of the following conditions:
 - a. On the date of the resolution of intent for annexation, it was being used for actual production and is eligible for present-use value taxation, but the land had not been in use for actual production for the required time under G.S. 105-277.3.
 - b. The assessor for the county where the land subject to annexation is located has certified to the city that the land meets the requirements of this subdivision.

If the property meets (1) or (2) above, then it is considered part of the city only (i) for the purpose of establishing city boundaries for additional annexations pursuant to this Article and (ii) for the exercise of city planning and regulation of development.¹

If the property becomes ineligible for present-use value classification or otherwise doesn't meet the conditions above, then the property would become subject to property taxation by the city, and the city would be required to provide services to the property.

BILL ANALYSIS:

Section 1 clarifies the definition of "bona fide farm purposes" by deleting the phrase "agricultural products" and substituting the term "agriculture" as it is defined in G.S. 106-581.1 (*statute attached below*); and by deleting the phrase "having a domestic or foreign market." Property used for bona fide farm purposes is broader than and would include property that is eligible for present-use value.

Sections 2 and 3 prohibit the involuntary municipal annexation of property used for bona fide farm purposes by both large (5,000 or more) and small (less than 5,000) municipalities.

Section 4 exempts property used for bona fide farm purposes from municipal extraterritorial planning and zoning jurisdiction.

Section 5 exempts property used for bona fide farm purposes from municipal zoning.

EFFECTIVE DATE: This act is effective when it becomes law.

¹ G.S. 160A-37, -49.
Research Division

House Bill 168

Page 2

CROSS-REFERENCES:

§ 106-581.1. Agriculture defined.

For purposes of this Article, the terms "agriculture", "agricultural", and "farming" refer to all of the following:

- (1) The cultivation of soil for production and harvesting of crops, including but not limited to fruits, vegetables, sod, flowers and ornamental plants.
 - (2) The planting and production of trees and timber.
 - (3) Dairying and the raising, management, care, and training of livestock, including horses, bees, poultry, and other animals for individual and public use, consumption, and marketing.
 - (4) Aquaculture as defined in G.S. 106-758.
 - (5) The operation, management, conservation, improvement, and maintenance of a farm and the structures and buildings on the farm, including building and structure repair, replacement, expansion, and construction incident to the farming operation.
- (6) When performed on the farm, "agriculture", "agricultural", and "farming" also include the marketing and selling of agricultural products, agritourism, the storage and use of materials for agricultural purposes, packing, treating, processing, sorting, storage, and other activities performed to add value to crops, livestock, and agricultural items produced on the farm, and similar activities incident to the operation of a farm.

§ 99E-30. Definitions.

As used in this Article, the following terms mean:

- (1) Agritourism activity. – Any activity carried out on a farm or ranch that allows members of the general public, for recreational, entertainment, or educational purposes, to view or enjoy rural activities, including farming, ranching, historic, cultural, harvest-your-own activities, or natural activities and attractions. An activity is an agritourism activity whether or not the participant paid to participate in the activity. "Agritourism activity" includes an activity involving any animal exhibition at an agricultural fair licensed by the Commissioner of Agriculture pursuant to G.S. 106-520.3.

Giles Perry, counsel to House Government, substantially contributed to this summary.

Subject: Fwd: Permission to address House Finance Comm. re HB168, Thurs., 4/7 @ 8:30AM

Dear Representative Howard and Ms. Weaver,

Thank you for providing the necessary information.

Hereby I am asking Representative Howard, in her capacity as senior chairman of the House Finance Committee, for the opportunity to speak during tomorrow's review of HB 168 as a representative of independent farm groups.

The objective of my presentation is twofold:

- (a) To demonstrate support by the independent farmers of the Piedmont for HB168; and
- (b) To summarize why, though highly desirable, HB168 represents only a partial solution for the issues that currently are threatening the viability of NC farmers, and in particular, those within the 17 Piedmont counties.

I shall look forward to receiving confirmation later today.

Respectfully,

Marilyn M. Kille

Dear Representative Howard,

Thank you so much for joining us yesterday. I am so sorry that you needed to leave before you could speak. Senator Berger spoke until after noon.

I did want you to know that I explained to the crowd that you had joined us but had to leave to chair a committee meeting and were sorry to not have the opportunity to address them. I explained the issue. Most of those gathered had spent HOURS working in their counties against the land transfer tax. The bill's success and you personally as the primary received thunderous applause and cheers!

I thank you so much again for running such a fantastic and needed bill! We truly appreciate it.

Thanks Again,

Subject: Add'l speaker reqes for HB168 hearing, Apr. 7 at 8:30AM

Dear Representative Howard and Ms. Weaver,

I apologize for this last minute request, however, Brian Voyce, who has been an avid supporter of the reforms reflected in HB168, only returned from a business trip at about midnight to learn about today's Finance Committee hearing to consider HB168.

He has expressed an interest in speaking to the Committee this morning if at all possible; and I've agreed to attempt to make arrangements for this whereas I'm familiar with the process.

Otherwise Mr. Voyce brings a thorough and unique perspective to understanding the issues related to HB168.

He is an exceedingly capable attorney and businessman who, over the past two years, has represented agriculture and ETJ concerns as an ambassador for the farm groups to Governor Perdue, to the NCDA (Comm. Troxler, General Counsel Ray Starling), to legislators, and to the community at large. His views regarding ETJ and farmland abuses have been published widely in the regional press. He also is a former municipal mayoral candidate who has experienced first-hand the abuses associated with annexation of ETJ farmland. And lastly his has been victimized by forced annexation of his former ETJ home.

I have informed him that, if approved, he would be allowed a maximum of three minutes to speak. However, he would prefer to speak after any representative of the NC League of Municipalities whereas his expertise might be best suited to clarify ramifications of any proposed changes to the current bill's language.

I believe that he plans to depart for Raleigh a about 7:30 AM today, hoping for this opportunity. I will apprise him of this email.

Kindly confirm or decline this request by calling me at 919-621-1234 whereas I must also depart by 7:30AM in order to arrive on time for this hearing.

Respectfully,

Marilyn M. Kille

North Carolina General Assembly
House Committee on Finance

Minutes

~
April 13, 2011

The House Committee on Finance met on Wednesday, April 13, 2011 at 8:30 am in Room 544 of the Legislative Office Building. The following members were present: Chairpersons Howard, Starnes, and Setzer; Vice-Chair Wainwright; and Representatives Alexander, Brawley, Carney, Collins, Cotham, Faison, Hackney, Hall, Hill, Luebke, McCormick, McGee, McGuirt, Moffitt, Ross, Samuelson; Warren, Weiss and Womble. Also present were Sergeant-at-Arms John Brandon, Earl Coker, Fred Hines, and Ken Kirby. Staff persons present included Cindy Avrette, Rodney Bizzell, Barry Boardman, Dan Ettefagh, Heather Fennell, Trina Griffin, Sandra Johnson, Greg Roney, Brian Silvka, Jonathan Tart, and Martha Walston. The Agenda and Visitor Registration Sheets are attached and incorporated into these minutes as **attachments 1 and 2**.

Chairman Starnes called the meeting to order at 8:31 am and recognized the four (4) pages present: (1) Tiara Smalls of Cumberland County sponsored by Representative Parmon; (2) Alec Viscount of Mecklenburg County sponsored by Representative Tillis; (3) Rose Goyette of Clay County sponsored by Representative West; and (4) Jesse Moffitt of Buncombe County sponsored by Representative Moffitt.

The first bill considered by the Committee was **HB 243 Certificates Under Seal in Indigent Cases/Fee** (see **attachment 3**). The Chair recognized Representative Jackson to explain the bill. The Chair recognized Representative Womble who moved that HB 243 be given a favorable report. The motion carried.

The next bill considered by the Committee was **HB 167 Extend Assessment Refund Period** (see **attachment 4**). The Chair recognized Representative Samuelson who moved to adopt the proposed committee substitute for purpose of discussion. Chairman Starnes recognized Representative Iler to explain the bill. The Chair then recognized Representative Hill who moved that HB 167 be given a favorable report as to committee substitute 2, unfavorable report to committee substitute 1. The motion carried.

The next bill before the Committee was **HB 296 Sampson-Delinquent Taxpayers** (see **attachment 5**). The Chair recognized Representative Bell to explain the bill. Chairman Starnes

recognized Representative Womble who moved that HB 296 be given a favorable report. The motion carried.

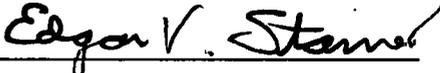

Next before the Committee was **HB 796 Study Property Tax Valuation Process** (see **attachment 6**). The Chair recognized Representative Moffitt to explain the bill. Representative Setzer was recognized to move that HB 796 be given a favorable report. The motion carried. The Chair re-referred HB 796 to Committee on Rules, Calendar and Operations of the House.

The last bill to be heard by Committee was **SB 288 Atlantic Beach/Beaufort/Parking** (see **attachment 7**). Senator Preston was recognized to explain the bill. Chairman Starnes recognized Representative Carney who moved that SB 288 be given a favorable report. The Chair called for the ayes and noes on SB 288. The motion failed the voice vote. Division having been called, the Chair then asked the bill Sponsor if the bill could be re-referred to a subcommittee for further discussion. The Sponsor agreed.

Chairperson Starnes re-referred **HB 545 Amend Moore County Occupancy Tax** to the subcommittee on Occupancy Tax.

There being no further business presently before the Committee, Chairman Starnes adjourned the meeting at 8:57 am.

Respectfully submitted,

Representative Edgar Starnes
Presiding Chair

Renee Weaver
Clerk, House Committee on
Finance

HOUSE BILL 243

Short Title: Certificates Under Seal in Indigent Cases/Fee. (Public)

Sponsors: Representative Jackson (Primary Sponsor).
For a complete list of Sponsors, see Bill Information on the NCGA Web Site.

Referred to: Judiciary Subcommittee B, if favorable, Finance.

March 8, 2011

1 A BILL TO BE ENTITLED
2 AN ACT TO CLARIFY THAT THE FEE CHARGED BY THE CLERK OF SUPERIOR
3 COURT FOR CERTIFICATES UNDER SEAL IS WAIVED FOR APPOINTED
4 ATTORNEYS REPRESENTING INDIGENT CLIENTS.

5 The General Assembly of North Carolina enacts:

6 SECTION 1. G.S. 7A-308(b1) reads as rewritten:

7 "(b1) The fees set forth in ~~subdivisions~~ subdivisions (9) and (12) of subsection (a) of this
8 section are not chargeable when copies or certificates under seal are requested by an attorney
9 who has been appointed or who is under contract with the Office of Indigent Defense Services
10 to represent an indigent person at State expense, if the request is made in connection with the
11 appointed case or the contract and during the duration of the appointment or the contract."

12 SECTION 2. This act becomes effective July 1, 2011, and applies to fees assessed
13 or collected on or after that date.

GENERAL ASSEMBLY OF NORTH CAROLINA

Session 2011

Legislative Fiscal Note

BILL NUMBER: House Bill 243 (First Edition)

SHORT TITLE: Certificates Under Seal in Indigent Cases/Fee.

SPONSOR(S): Representative Jackson

FISCAL IMPACT					
	Yes ()	No ()	No Estimate Available (X)		
	<u>FY 2011-12</u>	<u>FY 2012-13</u>	<u>FY 2013-14</u>	<u>FY 2014-15</u>	<u>FY 2015-16</u>
REVENUE					
EXPENDITURES					
PRINCIPAL DEPARTMENT(S) & PROGRAM(S) AFFECTED: Judicial Branch					
EFFECTIVE DATE: July 1, 2011					

BILL SUMMARY:

The proposed legislation amends G.S. 7A-308(b1) to add certificates under seal as a category of service for which a clerk of superior court cannot charge a fee when the certificate is requested by an attorney representing an indigent client. The act applies to fees assessed or collected on or after July 1, 2011.

ASSUMPTIONS AND METHODOLOGY:

Office of Indigent Defense Services

The Office of Indigent Defense Services (IDS) does not track actual expenses associated with certificates under seal, so they are unable to estimate the fiscal impact of the proposed legislation.

Administrative Office of the Courts

The Administrative Office of the Courts (AOC) does not have an account for certificates under seal fees separate from other copying or miscellaneous fees. Thus, AOC cannot determine the amount of General Fund revenue that is currently received for certificates under seal, or the amount of the reduction due to the proposed legislation.

HOUSE BILL 243: Certificates Under Seal in Indigent Cases/Fee

2011-2012 General Assembly

Committee: House Finance	Date: March 29, 2011
Introduced by: Rep. Jackson	Prepared by: Trina Griffin
Analysis of: First Edition	Committee Counsel

SUMMARY: *House Bill 243 would waive the \$3.00 fee charged by the Clerk of Superior Court for certificates under seal for appointed attorneys representing indigent clients.*

CURRENT LAW: G.S. 7A-308(b1) waives the cost of copies for attorneys who are appointed or under contract with the Office of Indigent Defense Services (IDS) to represent an indigent person at State expense, if the request is made in connection with the appointed case or the contract and during the duration of the appointment or contract.

G.S. 7A-308(a)(9) directs clerks to charge a \$3.00 fee for certifying that a document is a true and accurate copy of the original document on file in the case. Unlike the copying fees, there is no exemption from the fee for *certifying* copies for attorneys who are appointed or under contract with IDS. Some examples of when appointed attorneys need certified copies of documents include expert witness fee orders, orders to strike a call and failed, and judgments as evidence in superior court and in abuse/neglect/dependency cases.

Currently, some clerks' offices charge this fee to appointed attorneys representing indigent clients and others waive it in those cases. In the counties where fees are being collected from appointed counsel, attorneys have to advance the costs and then bill IDS for reimbursement from State funds. The clerks collect the money from the appointed attorneys and enter the payments into the Financial Management System for remittance to the General Fund.

BILL ANALYSIS: House Bill 243 would waive the \$3.00 fee for certifying that a document is a true and accurate copy of the original document on file for attorneys representing indigent defendants as part of an appointed case.

BACKGROUND: This bill has been requested by IDS because it believes the current process of reimbursement is cumbersome and causes an unnecessary transfer of State funds. It also generates transaction costs that increase the overall cost to the State for providing indigent representation. IDS believes this bill would simplify the process and eliminate unnecessary transaction costs.

EFFECTIVE DATE: This act would become effective July 1, 2011, and apply to fees assessed or collected on or after that date.

Susan Sitze, counsel to House Judiciary Subcommittee B, substantially contributed to this summary.

A BILL TO BE ENTITLED
AN ACT TO EXTEND THE PERIOD FOR LOCAL GOVERNMENTS TO REFUND
SPECIFIED UNUSED ASSESSMENTS.
The General Assembly of North Carolina enacts:
SECTION 1. Section 7 of S.L. 2010-129 reads as rewritten:
"SECTION 7. A local government that imposed an assessment prior to 2007-2012 to
finance a capital project that has been assumed by another unit of local government may return
unused assessments to the person that paid the assessment."
SECTION 2. This act is effective when it becomes law.

HOUSE PCS 167: Extend Assessment Refund Period

2011-2012 General Assembly

Committee: House Finance	Date: April 13, 2011
Introduced by: Reps. Iler, Hill	Prepared by: Greg Roney
Analysis of: PCS to Second Edition H167-CSTM-1	Committee Counsel

SUMMARY: *House Bill 167 authorizes local governments to refund assessments imposed before 2012 where the assessment financed a capital project that was assumed by another local government.*

CURRENT LAW: Counties are authorized to impose assessments for certain capital improvements under Article 9 of Chapter 153A. Cities are authorized to impose assessments for certain capital improvements under Article 10 of Chapter 160A. These statutes do not provide a mechanism for refunds of unused assessments because assessments are imposed to reimburse local governments for the cost of completed projects.

S.L. 2010-129 authorized local governments to refund assessments imposed before 2007 where the assessment financed a capital project that was assumed by another local government.

BILL ANALYSIS: House Bill 167 would extend by five years the authority granted to local governments under S.L. 2010-129 to refund unused assessments. The bill does not change the other requirements of S.L. 2010-129 that the assessment finance a capital project and that the capital project be assumed by another local government.

BACKGROUND: House Bill 167 would allow Boiling Spring Lakes to refund unused assessments made to finance a capital project that was assumed by the county. Boiling Spring Lakes obtained a federal loan to pay for a water project, transferred its water project to the county, and now seeks to refund the unused assessments.

House Bill 167 was first heard in the Finance Committee on Wednesday, March 16, 2011. On April 5, 2011, the Board of Commissioners of the City of Boiling Spring Lakes approved a resolution that the refunds would be issued by June 30, 2012.

EFFECTIVE DATE: Effective when it becomes law.

R. Erika Churchill, counsel to House Government, substantially contributed to this summary.

HOUSE BILL 296
Committee Substitute Favorable 3/31/11

Short Title: Sampson-Delinquent Taxpayers. (Local)

Sponsors:

Referred to:

March 10, 2011

A BILL TO BE ENTITLED

AN ACT TO AUTHORIZE SAMPSON COUNTY TO PROHIBIT THE ISSUANCE OF A SPECIAL USE OR CONDITIONAL USE PERMIT, OR A BUILDING PERMIT, TO A DELINQUENT TAXPAYER, AND TO AUTHORIZE SAMPSON COUNTY TO REQUIRE THE PAYMENT OF DELINQUENT PROPERTY TAXES BEFORE RECORDING DEEDS CONVEYING PROPERTY.

The General Assembly of North Carolina enacts:

SECTION 1.(a) G.S. 153A-340 is amended by adding a new subsection to read:

"§ 153A-340. Grant of power.

...

(c2) A county may by ordinance provide that a special use permit or conditional use permit may not be issued under subsection (c1) of this section to a person who owes delinquent property taxes, determined under G.S. 105-360, on property owned by the person. Such ordinance may provide that a special use permit or conditional use permit may be issued to a person protesting the assessment or collection of property taxes.

...."

SECTION 1.(b) This section applies to Sampson County only.

SECTION 2. G.S. 153A-357(c) reads as rewritten:

"§ 153A-357. Permits.

...

(c) (1) A county may by ordinance provide that a permit may not be issued under subsection (a) of this section to a person who owes delinquent property taxes, determined under G.S. 105-360, on property owned by the person. Such ordinance may provide that a building permit may be issued to a person protesting the assessment or collection of property taxes.

(2) This subsection applies to Alexander, Alleghany, Anson, Bertie, Catawba, Chowan, Currituck, Davie, Gates, Greene, Lenoir, Lincoln, Iredell, Sampson, Stokes, Surry, Tyrrell, Wayne, and Yadkin Counties only.

...."

SECTION 3. G.S. 161-31(b) reads as rewritten:

"§ 161-31. Tax certification.

...

(b) Applicability. – This section applies only to Alexander, Anson, Beaufort, Bertie, Burke, Cabarrus, Camden, Carteret, Caswell, Catawba, Cherokee, Chowan, Clay, Cleveland, Currituck, Dare, Davidson, Davie, Duplin, Durham, Edgecombe, Forsyth, Gaston, Gates, Graham, Granville, Greene, Halifax, Harnett, Haywood, Henderson, Hertford, Hyde, Iredell, Jackson, Johnston, Jones, Lee, Lenoir, Lincoln, Macon, Madison, Martin, McDowell,

1 Montgomery, Nash, Northampton, Onslow, Pasquotank, Pender, Perquimans, Person, Pitt,
2 Polk, Robeson, Rockingham, Rowan, Rutherford, Sampson, Stanly, Surry, Swain,
3 Transylvania, Tyrrell, Vance, Warren, Washington, Wayne, Wilson, and Yadkin Counties."

4 **SECTION 4.** This act is effective when it becomes law.

HOUSE BILL 296: Sampson-Delinquent Taxpayers

2011-2012 General Assembly

Committee: House Finance	Date: April 13, 2011
Introduced by: Reps. Bell, Langdon	Prepared by: Greg Roney
Analysis of: Second Edition	Committee Counsel

SUMMARY: *House Bill 296 authorizes Sampson County to: (1) prohibit the issuance of a special use or conditional use permit to a person who owes delinquent property taxes; (2) prohibit the issuance of a building permit to a person who owes delinquent property taxes; and (3) to require payment of delinquent property taxes prior to recording deeds conveying property.*

CURRENT LAW:

County Authority to Deny Special Use Permit for Delinquent Property Taxes: G.S. 153A-340 grants counties authority to adopt zoning and development regulation ordinances to promote health, safety, morals, or the general welfare. G.S. 153A-340(c1) authorizes a county to issue special use permits or conditional use permits pursuant to zoning and development regulation ordinances enacted by the county. G.S. 153A-340(c2) has been enacted to allow certain counties to prohibit the issuance of a special use permit or conditional use permit when a person owes delinquent property taxes.¹

County Authority to Deny Building Permit for Delinquent Property Taxes: In 2005, the General Assembly authorized Greene, Lenoir, Iredell, Wayne, and Yadkin Counties to deny issuance of a building permit to a person who owes delinquent property taxes on property owned by the person.² This authority was granted to Davie and Lincoln Counties in 2006,³ to Gates County in 2007,⁴ and to Alexander, Alleghany, Anson, Bertie, Catawba, Chowan, Stokes, Surry and Tyrell Counties in 2009.⁵ In 2010, Currituck County was added to the list of counties previously authorized to deny issuance of a building permit to a person who owes delinquent property taxes.⁶

County Authority to Deny Registration of Deed for Delinquent Property Taxes: G.S. 161-31(a) permits tax certification by allowing a county board of commissioners, by resolution, to require the register of deeds not to accept any deed transferring real property for registration unless the county tax collector has certified that no delinquent ad valorem county taxes, ad valorem municipal taxes, or other taxes with which the collector is charged are a lien on the property described in the deed. The county commissioners may describe the form the certification must take in its resolution.

G.S. 161-31(a1) provides an exception to the tax certification by requiring the register of deeds to accept, without certification, a deed containing the following statement: "This instrument prepared by: _____, a licensed North Carolina attorney. Delinquent taxes, if any, to be paid by the closing attorney to the county tax collector upon disbursement of closing proceeds."

G.S. 161-31(b) lists the 69 counties to which this provision currently applies.⁷

¹ S.L. 2010-30, s. 1 &2 applied to Currituck County.

² S.L. 2005-433, s. 3(b).

³ S.L. 2006-150, s. 2.

⁴ S.L. 2007-58, s. 1.

⁵ S.L. 2009-117, s. 1.

⁶ S.L. 2010-30, s. 3.

⁷ The Register of Deeds in Duplin County must also receive a certification that no municipal taxes or any other taxes the collector is charged with collecting are a lien on the property before a deed transferring the property may be recorded.

House Bill 296

Page 2

The following four counties have a similar requirement but under different authorizing legislation:

Avery County	Chapter 305 of the 1963 Session Laws, as amended by S.L. 1997-410 and S.L. 1998-73 ⁸
Ashe County	S.L. 1993-657, as amended by S.L. 1997-410 and S.L. 2005-433 ⁹
Alleghany County	S.L. 1997-410
Mitchell County	S.L. 1987-537, as amended by S.L. 1997-410 and S.L. 1999-326 ¹⁰

These local acts provide that the Register of Deeds shall not record any deed unless it is accompanied by a certification that all delinquent taxes have been paid. These local acts are in contrast to G.S. 161-31, which gives certain counties the discretion to pass a resolution to that effect.

BILL ANALYSIS:

Sections 1(a) and (b) of House Bill 296 authorize Sampson County to enact an ordinance prohibiting issuance of a special use permit or conditional use permit to a person who owes delinquent property taxes.

Section 2 of House Bill 296 amends G.S. 153A-357 to authorize Sampson County to enact an ordinance to prohibit the issuance of a building permit to a delinquent taxpayer.

Section 3 of House Bill 296 amends G.S. 161-31(b) to add Sampson County to the list of counties in which the board of commissioners is permitted to pass a resolution requiring the register of deeds not to accept any deed transferring real property unless the county tax collector certifies that the taxes listed in the statute are not delinquent and are not a lien on the property. (The taxes listed in G.S. 161-31(a) are ad valorem county taxes, ad valorem municipal taxes, or other taxes with which the collector is charged.)

EFFECTIVE DATE: House Bill 296 would become effective when it becomes law.

Theresa Matula, counsel to Government; Cindy Avrette and Trina Griffin, counsel to Finance; substantially contributed to this summary.

H296-SMTM-4(e2) v2

⁸ The Town of Newland was added in 1997; the Town of Banner Elk was added in 1998.

⁹ S.L. 2005-433 provides that in addition to receiving a certification from the county tax collector, the Register of Deeds must also receive a certification from any municipal tax collector, where applicable, verifying that all delinquent taxes on the property have been paid.

¹⁰ This local act also provides that if the property is located in the Town of Spruce Pine or the Town of Bakersville, the deed must also be accompanied by a certification from the town tax collector that all municipal taxes have been paid with respect to the property.

HOUSE BILL 796

Short Title: Study Property Tax Valuation Process. (Public)

Sponsors: Representative Moffitt (Primary Sponsor).
For a complete list of Sponsors, see Bill Information on the NCGA Web Site.

Referred to: Finance.

April 7, 2011

A BILL TO BE ENTITLED

AN ACT TO DIRECT THE REVENUE LAWS STUDY COMMITTEE TO STUDY THE
METHODOLOGY OF VALUATION OF PROPERTY FOR PROPERTY TAX
PURPOSES TO ENSURE THE PROCESS IS BOTH UNIFORM AND FAIR.

The General Assembly of North Carolina enacts:

SECTION 1. Study. – The Revenue Laws Study Committee shall study the process of property valuation for the property tax purposes. The study shall include the current exemptions and deferral programs that affect property tax liability, the use of true value as a standard for valuation, current bases for altering a determined property tax value, and differences that exist or are permitted to exist between county procedures that affect property taxation. The Committee shall make a report on this issue, including any recommendations or legislative proposals, to the 2012 Regular Session of the 2011 General Assembly upon its convening.

SECTION 2. In conducting the study described in Section 1 of this act, the Revenue Laws Study Committee cochairs are authorized to appoint an advisory subcommittee and to ask the Local Government Commission to designate an individual to participate in the subcommittee's deliberations in an ex officio, nonvoting capacity. The subcommittee may consist of no more than 10 members and may include no more than four individuals who are not members of the Committee or of the General Assembly.

SECTION 3. This act is effective when it becomes law.

HOUSE BILL 796: Study Property Tax Valuation Process

2011-2012 General Assembly

Committee: House Finance
Introduced by: Rep. Moffitt
Analysis of: First Edition

Date: April 13, 2011
Prepared by: Greg Roney
Committee Counsel

SUMMARY: *House Bill 796 directs the Revenue Laws Study Committee to study the process that values property for the property tax and report its findings and recommendations to the 2012 Regular Session of the 2011 General Assembly.*

CURRENT LAW: G.S. § 120-70.105 creates the Revenue Laws Study Committee. G.S. § 120-70.108 requires the Revenue Laws Study Committee to establish a Property Tax Subcommittee. The Subcommittee studies and recommends changes to the property tax system. The Subcommittee meets upon the call of the Subcommittee chairs.

BILL ANALYSIS: Section 1 of House Bill 796 would direct the Revenue Laws Study Committee to review the valuation process for county assessments of property tax. The review must consider current exemptions and deferral programs. The findings and any recommendations are reported to the 2012 Regular Session of the 2011 General Assembly.

Section 2 of House Bill 796 authorizes the chairs of the Revenue Laws Study Committee to appoint an advisory subcommittee. The subcommittee may include an ex officio, nonvoting participant designated by the Local Government Commission. The subcommittee is limited to a maximum of 10 members including a maximum of four individuals who are not members of the Revenue Laws Study Committee or the General Assembly.

EFFECTIVE DATE: House Bill 796 is effective when it becomes law.

GENERAL ASSEMBLY OF NORTH CAROLINA
SESSION 2011

S

1

SENATE BILL 288

Short Title: Atlantic Beach/Beaufort/Parking. (Local)

Sponsors: Senator Preston.

Referred to: State and Local Government.

March 10, 2011

A BILL TO BE ENTITLED

AN ACT EXPANDING THE PURPOSES FOR WHICH THE TOWNS OF ATLANTIC BEACH AND BEAUFORT MAY USE THE PROCEEDS FROM ON-STREET PARKING METERS, PROVIDING THAT PARKING METERS IN THE TOWNS MAY BE ACTIVATED BY COMMERCIALY AVAILABLE MEANS OF PREPAYMENT CREDIT, AND AUTHORIZING THE TOWNS TO USE CERTAIN CIVIL PENALTIES COLLECTED FOR VIOLATING PARKING ORDINANCES IN THE SAME MANNER IN WHICH PROCEEDS FROM ON-STREET AND OFF-STREET PARKING FACILITIES ARE USED.

The General Assembly of North Carolina enacts:

SECTION 1. G.S. 160A-301 reads as rewritten:

"§ 160A-301. Parking.

(a) On-Street Parking. – A city may by ordinance regulate, restrict, and prohibit the parking of vehicles on the public streets, alleys, and bridges within the city. When parking is permitted for a specified period of time at a particular location, a city may install a parking meter at that location and require any person parking a vehicle therein to place the meter in operation for the entire time that the vehicle remains in that location, up to the maximum time allowed for parking there. Parking meters may be activated by ~~coins or tokens~~ coins, tokens, or any other commercially available means of providing prepayment credit. Proceeds from the use of parking meters on public streets ~~must~~ may be used to defray the cost of enforcing and administering traffic and parking ordinances and ~~regulations~~ regulations and may be used in the same manner in which proceeds from off-street parking facilities are permitted under subsection (b) of this section.

...

(b1) If a city ordinance for on-street or off-street parking provides that a violation of the ordinance shall subject the offender only to a civil penalty to be recovered by the city in a civil action in the nature of a debt, the city may retain the civil penalties collected in the civil action and use the funds in the same manner in which proceeds from on-street and off-street parking facilities are permitted under subsections (a) and (b) of this section.

...."

SECTION 2. This act applies to the Towns of Atlantic Beach and Beaufort only.

SECTION 3. This act is effective when it becomes law.

SENATE BILL 288: Atlantic Beach/Beaufort/Parking

2011-2012 General Assembly

Committee: House Finance
Introduced by: Sen. Preston
Analysis of: First Edition

Date: April 12, 2011
Prepared by: Cindy Avrette
Committee Counsel

SUMMARY: *Senate Bill 288 allows the Towns of Atlantic Beach and Beaufort to allow parking meters to be activated by commercially available prepayment credit and provides that the Towns may use the proceeds from parking meters for the same purposes that revenue from off street parking facilities are used. The bill also provides that the towns may keep the proceeds of penalties from parking ordinance violations if the town ordinances provide that a violation will subject the offender only to a civil penalty to be recovered by the towns in a civil action in the nature of debt.*

The bill received a favorable report from the House Committee on Government on April 7, 2011.

CURRENT LAW: G.S. 160A-301 allows cities to regulate by ordinance on-street and off-street parking including installation of parking meters and operation of off-street parking facilities. Proceeds from parking meters are to be used only to defray the cost of enforcing and administering traffic and parking ordinances and regulations. Cities may charge fees for use of off-street parking facilities and may make it unlawful to park in these facilities without paying. Revenues from off-street facilities may be pledged to amortize bonds issued to finance such facilities or used for any public purpose.

G.S. 160A-175 provides for the enforcement of municipal ordinances. Unless a city provides otherwise, violation of an ordinance is a misdemeanor or infraction. G.S. 160A-175(b). As an alternative, a city may provide in an ordinance that a violation shall subject the offender to a civil penalty to be recovered by the city in a civil action in the nature of debt if not paid within a certain time period. G.S. 160A-175(c).

Section 7 of Article IX of the North Carolina Constitution provides in part that "*the clear proceeds of all penalties and forfeitures and of all fines collected in the several counties for any breach of the penal laws of the State, shall belong to and remain in the several counties, and shall be faithfully appropriated and used exclusively for maintaining free public schools.*" Penalties for violations of city ordinances that are misdemeanors or infractions are considered penalties that must go to the county public school system. However, when a city provides otherwise under G.S. 160A-175(c) and the violation subjects the offender to a civil penalty, the city may keep the proceeds recovered for its own purposes.¹

BILL ANALYSIS: Senate Bill 288 amends G.S. 160A-301 to:

- Allow for the activation of parking meters by commercially available means of providing prepayment credit.
- Authorize the proceeds from the use of parking meters to be pledged to amortize bonds issued to finance parking facilities or any public purpose.
- Authorize the towns to retain the civil penalties from violations of the parking ordinances and use them for the purposes allowed in G.S. 160A-301, if the ordinance subjects the violator only to a civil penalty that may be recovered in a civil action in the nature of debt.

The act applies only to the Towns of Atlantic Beach and Beaufort and is effective when it becomes law.

Giles Perry, counsel to the House Government Committee, substantially contributed to this summary.

Minutes

~
April 20, 2011

The House Committee on Finance met on Wednesday, April 20, 2011 at 8:30 am in Room 544 of the Legislative Office Building. The following members were present: Chairpersons Howard, Starnes, and Setzer; Vice-Chair Wainwright; and Representatives Alexander, Brawley, Carney, Collins, Cotham, Faison, Hackney, Hall, Hill, Jordan, Luebke, McCormick, McGee, McGuirt, Moffitt, Ross, Warren, Weiss and Womble. Also present were Sergeant-at-Arms John Brandon, Earl Coker, Fred Hines, and Billy MacRae. Staff persons present included Cindy Avrette, Rodney Bizzell, Barry Boardman, Dan Ettefagh, Heather Fennell, Trina Griffin, Sandra Johnson, Greg Roney, Brian Silvka, Jonathan Tart, and Martha Walston. The Agenda and Visitor Registration Sheets are attached and incorporated into these minutes as **attachments 1 and 2**.

Chairman Starnes called the meeting to order at 8:32 am and recognized the five (5) pages present: (1) Clay Heath of Mecklenburg County sponsored by Representative Killian; (2) Carolina Morelock of Mecklenburg County sponsored by Representative Brown; (3) Mark Parent of Guilford County sponsored by Representative Faircloth; (4) Micaiah Rawlings of Wake County sponsored by Representative Hall; and (5) Ashley Saltzman of Wake County sponsored by Representative Murry.

Chairman Starnes stated that **HB 204 Egecombe Co. Tourism Development Authority** and **HB 545 Amend Moore County Occupancy Tax** were both reported favorable by the Subcommittee on Occupancy Tax and was referred to the Committee on Finance.

The first bill considered by the Committee was **HB 204 Edgecombe Co. Tourism Development Authority** (see **attachment 3**). The Chair recognized Representative Tolson to explain the bill. The Chair recognized Representative Carney who moved that HB 204 be given a favorable report. The motion carried.

The next bill considered by the Committee was **HB 537 Wilkes Fire Tax Dist. Boundaries** (see **attachment 4**). Chairman Starnes recognized Representative Randleman to explain the bill. The Chair then recognized Representative Brawley who moved that HB 537 be given a favorable report. The motion carried.

The next bill before the Committee was **HB 224 Foxfire Village Assessment Validated** (see **attachment 5**). The Chair recognized Representative Boles to explain the bill. Representative Boles requested that Michael Brough, Town Attorney be able to speak. The Chair recognized Mr.

Brought to speak on behalf of the bill. Chairman Starnes recognized Representative McCormick who moved that HB 224 be given a favorable report. The motion carried.

Next before the Committee was **HB 545 Amend Moore County Occupancy Tax** (see attachment 6). The Chair again recognized Representative Boles to explain the bill. Representative Collins was recognized and moved to adopt the proposed committee substitute for discussion purposes. The Chair then recognized Representative McCormick who moved that HB 545 be given a favorable report to the proposed committee substitute, unfavorable report to the original bill. The motion carried.

The next bill to be heard by the Committee was **HB 266 Wake Local Energy Efficiency** (see attachment 7). Representative Weiss was recognized to explain the bill. Chairman Starnes recognized Representative Womble who moved that HB 266 be given a favorable report. The motion was set aside for further discussion. The Chair recognized Jack Cozort, who represents the Town of Cary, to speak on behalf of the bill. Being no further discussion or debate, the Chair recognized Representative Womble who restated his motion that HB 266 be given a favorable report. The motion carried.

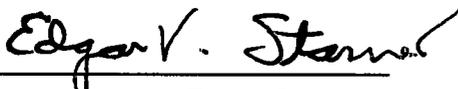

The last bill on the agenda was **SB 281 Municipal Service/Districts Streets** (see attachment 8). Chairman Starnes recognized Senator Stein to explain the bill. Representative Ross was then recognized and she moved that SB 281 be given a favorable report. The motion carried.

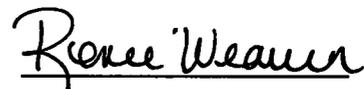

Chairman Starnes re-referred **HB 469 Additional Lumberton Occupancy Tax** and **HB 518 Authorize Add'l Person County Occupancy Tax** to the subcommittee on Occupancy Tax.

Chairman Starnes announced the members of the new subcommittee to consider **SB 288 Atlantic Beach/Beaufort Parking**. The new members named were: Representative Samuelson, Chair and Representatives Weiss and Rhyne.

There being no further business presently before the Committee, Chairman Starnes adjourned the meeting at 9:06 am.

Respectfully submitted,

Representative Edgar Starnes
Presiding Chair

Renee Weaver

HOUSE BILL 204

Short Title: Edgemcombe Co. Tourism Development Authority. (Local)

Sponsors: Representative Tolson (Primary Sponsor).
For a complete list of Sponsors, see Bill Information on the NCGA Web Site.

Referred to: Government, if favorable, Finance.

March 2, 2011

**A BILL TO BE ENTITLED
AN ACT TO ESTABLISH THE EDGECOMBE COUNTY TOURISM DEVELOPMENT
AUTHORITY.**

The General Assembly of North Carolina enacts:

SECTION 1. Tourism Development Authority. – (a) The Board of Commissioners of Edgemcombe County may by resolution create the Edgemcombe County Tourism Development Authority, which shall be a public authority under the Local Government Budget and Fiscal Control Act. The resolution shall provide for the membership of the Authority, including the members' terms of office, and for the filling of vacancies on the Authority. At least one-third of the members shall be individuals who are affiliated with businesses in the county, and at least one-half of the members shall be individuals who are currently active in the promotion of travel and tourism in the county. The resolution shall provide that the Authority shall be composed of the following nine members:

- (1) An Edgemcombe County Commissioner appointed by the board of commissioners.
- (2) A member of the Tarboro Town Council appointed by the town council.
- (3) Three owners or operators of motels, hotels, or other taxable accommodations in Edgemcombe County, one of whom shall be appointed by the Tarboro Town Council, one by the Edgemcombe County Board of Commissioners, and one by the Edgemcombe County Chamber of Commerce.
- (4) Two individuals involved in the tourist business who have demonstrated an interest in tourist development and do not own or operate hotels, motels, or other taxable tourist accommodations, appointed as follows: one by the Tarboro Town Council and one by the Edgemcombe County Board of Commissioners.
- (5) An individual who is interested in the tourism business, has demonstrated an interest in tourism development, and is appointed by the Edgemcombe County Board of Commissioners.
- (6) An individual who is interested in the tourism business, has demonstrated an interest in tourism development, and is appointed by the Tarboro Town Council.

The Edgemcombe County Board of Commissioners shall designate one member of the Authority as chair and shall determine the compensation, if any, to be paid to members of the Authority.

1 The Authority shall meet at the call of the chair and shall adopt rules of procedure to
2 govern its meetings. The Finance Officer for Edgecombe County shall be the ex officio finance
3 officer of the Authority.

4 **SECTION 1.(b) Duties.** – The Authority shall promote travel, tourism, and
5 conventions in the county, sponsor tourist-related events and activities in the county, and
6 finance tourist-related capital projects in the county.

7 **SECTION 1.(c) Reports.** – The Authority shall report quarterly and at the close of
8 the fiscal year to the board of county commissioners on its receipts and expenditures for the
9 preceding quarter and for the year in such detail as the board may require.

10 **SECTION 2.** This act is effective when it becomes law.

HOUSE BILL 204: Edgecombe Co. Tourism Development Authority

2011-2012 General Assembly

Committee: House Finance
Introduced by: Rep. Tolson
Analysis of: First Edition

Date: April 20, 2011
Prepared by: Trina Griffin
Committee Counsel

SUMMARY: *House Bill 204 authorizes the creation of the Edgecombe County Tourism Development Authority (TDA) to promote travel, tourism, and conventions, sponsor tourist-related events and activities, and finance tourist-related capital projects within the county. The composition of the TDA as set out in the bill conforms to the Occupancy Tax Guidelines established by the House Finance Committee. The Subcommittee on Occupancy Tax gave the bill a favorable recommendation on April 19, 2011.*

BILL ANALYSIS: House Bill 204 would authorize the Edgecombe County Board of Commissioners to create the Edgecombe County Tourism Development Authority for the purposes outlined above. The resolution creating the Authority must designate one member as chair and determine the compensation, if any, to be paid to Authority members. The Authority will meet at the call of the chair, adopt rules to govern meetings, will be a public authority under the Local Government Budget and Fiscal Control Act (Article 3, Chapter 159), and the Edgecombe County Finance Officer will serve as the ex officio finance officer of the Authority. The resolution creating the Edgecombe County Tourism Development Authority must specify terms of office, filling of vacancies, and the following nine member composition:

- One member that is an Edgecombe County Commissioner (appointed by the board of commissioners).
- One member of the Tarboro Town Council (appointed by the town council).
- Three members that are owners or operators of motels, hotels, or other taxable accommodations in Edgecombe County (one appointed by the Tarboro Town Council, one by the Edgecombe County Board of Commissioners, and one by the Edgecombe County Chamber of Commerce).
- Two members that are involved in the tourist business, have demonstrated an interest in tourist development and do not own or operate hotels, motels, or other taxable tourist accommodations (one appointed by the Tarboro Town Council and one by the Edgecombe County Board of Commissioners).
- One member interested in the tourism business that has demonstrated an interest in tourism development (appointed by the Edgecombe County Board of Commissioners).
- One member interested in the tourism business that has demonstrated an interest in tourism development (appointed by the Tarboro Town Council).

At least one-third of the members must be individuals affiliated with businesses in the county and at least one-half of the members must be currently active in the promotion of travel and tourism in the county.

The Authority must report to the board of county commissioners on a quarterly basis and at the close of the fiscal year. The reports must include receipts and expenditures for the preceding quarter and the year in the detail prescribed by the board.

EFFECTIVE DATE: This bill would become effective when it becomes law

BACKGROUND: Approximately $\frac{3}{4}$ of the counties in NC have Tourism Development Authorities or a tourism initiative run by a government entity or by some other entity. Approximately $\frac{1}{4}$ of the counties, including Edgecombe, do not have an officially designated tourism development entity.

The Edgecombe County Sustainable Tourism Plan (2008) recommended creation of a Tourism Development Authority. Edgecombe County is not currently authorized to levy an occupancy tax.

Theresa Matula, analyst for House Government, substantially contributed to this summary.

HOUSE BILL 537
Committee Substitute Favorable 4/14/11

Short Title: Wilkes Fire Tax Dist. Boundaries.

(Local)

Sponsors:

Referred to:

March 31, 2011

A BILL TO BE ENTITLED.

AN ACT TO ESTABLISH THE BOUNDARY BETWEEN THE BROADWAY AND MORAVIAN FALLS FIRE TAX DISTRICTS IN WILKES COUNTY.

The General Assembly of North Carolina enacts:

SECTION 1. Broadway. – The newly agreed boundary line for the Broadway Fire Tax District in the area from Jessie Reins Road and Brushy Mountain Road to Fox Run Subdivision and Country Club Road Extension shall be as follows:

BEGINNING at the dead end of S. R. 2463 (Sleepy Avenue West), including property on S. R. 1001 (Brushy Mountain Road) between this and the preceding point; thence in a southeasterly direction to a point on S. R. 1001 (Brushy Mountain Road) 0.1 miles south of its intersection with S. R. 2515 (Jessie Reins Road), including the following parcels on either side of said line which were formerly in the Moravian Falls Fire Tax District as described in the records of the Wilkes County Tax Mapping Office: Parcel I.D. Nos. 2200328, 2200332, 2200553, 2200568, 2200665, 2200671, 2200673, 2200722, 2200778, 2200941, 2201407, 2201463, 2201550, 2201551, 2201622, 2201623, 2201737, 2201805, 2201807, 2202370, 2202425, 2202426, 2202430, 2202432, 2202706, 2202839, 2202897, 2202935, 2203079, 2203233, 2203788, 2204661, 2204883, 2205049, 2205052, 2205053, 2205205, 2205783, 2205784, 2206101, 2206180, 2206181, 2206601, 2206618, 2206758, 2207121, 2207151, 2207152, and 2207254; thence in a southeasterly direction to a point on S. R. 2462 (Country Club Road Extension) 0.6 miles northeast of its intersection with S. R. 1001 (Brushy Mountain Road), excluding all property on the approved plat for Fox Run Subdivision as recorded at Map Book 7, Page 58, Wilkes County Register of Deeds Office, and further excluding the following parcels on either side of said line as described in the records of the Wilkes County Tax Mapping Office: Parcel I.D. Nos. 2203599, 2206845, 2205441, 2206443, and 2205612; thence in a southeasterly direction to a point on S. R. 2473 (Quarry Road) 0.2 miles southwest of its intersection with NC Highway 115, including the following parcels on either side of said line which were formerly in the Moravian Falls Fire Tax District as described on the records of the Wilkes County Tax Mapping Office: Parcel I.D. Nos. 2204828 and 2207214. The following description for said boundary shall not be affected or altered in any way by the subsequent division of any of the parcels or property described therein nor by a change in or reassignment of any of said Parcel I.D. Nos. on the records of the Wilkes County Tax Mapping Office.

SECTION 2. Moravian Falls. – The newly agreed boundary line for the Moravian Falls Fire Tax District in the area from Jessie Reins Road and Brushy Mountain Road to Fox Run Subdivision and Country Club Road Extension shall be as follows:

BEGINNING at a point on S. R. 1001 (Brushy Mountain Road) 0.4 miles northeast of its intersection with S. R. 2472 (Dixie Rock Road); thence in a northerly direction to a point on S. R. 2462 (Country Club Road Extension) 0.6 miles northeast of its intersection with S. R. 1001

1 (Brushy Mountain Road), excluding the following parcels on either side of said line which
2 were formerly in the Moravian Falls Fire Tax District as described on the records of the Wilkes
3 County Tax Mapping Office: Parcel I.D. Nos. 2204828 and 2207214; thence in a
4 northwesterly direction to a point on S. R. 1001 (Brushy Mountain Road) 0.1 miles south of its
5 intersection with S. R. 2515 (Jessie Reins Road), including all property on the approved plat for
6 Fox Run Subdivision as recorded at Map Book 7, Page 58, Wilkes County Register of Deeds
7 Office, and further including the following parcels on either side of said line as described in the
8 records of the Wilkes County Tax Mapping Office: Parcel I.D. Nos. 2203599, 2206845,
9 2205441, 2206443, and 2205612; thence in a westerly direction to a point on NC Highways 16
10 and 18 at the Wilkesboro city limits, excluding the following parcels on either side of said line
11 which were formerly in the Moravian Falls Fire Tax Districts as described in the records of the
12 Wilkes County Tax Mapping Office: Parcel I.D. Nos. 2200328, 2200332, 2200553, 2200568,
13 2200665, 2200671, 2200673, 2200722, 2200778, 2200941, 2201407, 2201463, 2201550,
14 2201551, 2201622, 2201623, 2201737, 2201805, 2201807, 2202370, 2202425, 2202426,
15 2202430, 2202432, 2202706, 2202839, 2202897, 2202935, 2203079, 2203233, 2203788,
16 2204661, 2204883, 2205049, 2205052, 2205053, 2205205, 2205783, 2205784, 2206101,
17 2206180, 2206181, 2206601, 2206618, 2206758, 2207121, 2207151, 2207152, and 2207254;
18 and further excluding the following parcels not within any fire tax district, as described in the
19 records of the Wilkes County Tax Mapping Office: Parcel I.D. Nos. 2204131, 2204132, and
20 2202434. The foregoing description for said boundary shall not be affected or altered in any
21 way by the subsequent division of any of the parcels or property described therein nor by a
22 change in or reassignment of any of said Parcel I.D. Nos. on the records of the Wilkes County
23 Tax Mapping Office.

24 **SECTION 3.** Subject to the new boundary line as provided in this act, the 1975
25 extension of the Broadway Fire Tax District and the 2002 extension of the Moravian Falls Fire
26 Tax District are valid and lawful. All prior collections of fire tax revenues by Wilkes County in
27 the areas subject to the extensions are valid and lawful, without regard to which fire tax district
28 (and corresponding fire tax rate) those revenues were collected from, and without regard to
29 which volunteer fire department those revenues were allocated to.

30 **SECTION 4.** No provision of this act shall be construed to prohibit a subsequent
31 change in the Broadway Fire Tax District or the Moravian Falls Fire Tax District, including any
32 portion of the boundary established hereunder, pursuant to Chapter 69 of the North Carolina
33 General Statutes or other applicable law.

34 **SECTION 5.** This act is effective when it becomes law.

HOUSE BILL 537: Wilkes Fire Tax Dist. Boundaries

2011-2012 General Assembly

Committee: House Finance
Introduced by: Rep. Randleman
Analysis of: Second Edition

Date: April 20, 2011
Prepared by: Greg Roney
Committee Counsel

SUMMARY: *House Bill 537 establishes an agreed upon boundary line between the Broadway Fire District and the Moravian Falls Fire District, both in Wilkes County, and provides that the extensions of those districts in 1975 and 2002 are valid. All prior fire tax collections by the County in the areas subject to the extensions are also valid.*

CURRENT LAW: G.S. 69-25.11 governs the changes in the area of a fire protection district. Where there are adjoining districts having the same fire tax rate, the County Commissioners, on petition of the fire protection commissioners and the boards of directors of the fire departments, may relocate the boundary between the districts in accordance with the petition. Before adjusting the boundary, the county commissioners must hold a public hearing. The new boundaries take effect at the beginning of the next fiscal year. G.S. 69-25.11(3).

If the tax rates between the two districts are different, the County Commissioners may relocate the boundaries upon petition of 2/3 of the owners of the territory involved and after receiving a favorable recommendation from the fire protection commissioners and the board of directors of the fire departments. A public hearing must be held, and any relocation of boundaries takes effect at the beginning of the next fiscal year. G.S. 69-25.11(4).

BILL ANALYSIS: House Bill 537 would set the newly agreed upon boundary for the Broadway Fire District and the Moravian Falls Fire District in Wilkes County. The extensions of the fire districts in 1975 and 2002 are valid. All prior collections of fire tax revenues by the County are also valid without regard to the district where the revenue was collected or the fire department allocated the revenue.

The act shall not be construed to prohibit subsequent changes in either fire tax district.

EFFECTIVE DATE: The act is effective when it becomes law.

Barbara Riley, counsel to House Government, substantially contributed to this summary.

HOUSE BILL 224

Short Title: Foxfire Village Assessment Validated. (Local)

Sponsors: Representative Boles (Primary Sponsor).
For a complete list of Sponsors, see Bill Information on the NCGA Web Site.

Referred to: Government, if favorable, Finance.

March 3, 2011

A BILL TO BE ENTITLED

AN ACT TO VALIDATE A SPECIAL ASSESSMENT LEVIED BY FOXFIRE VILLAGE.

The General Assembly of North Carolina enacts:

SECTION 1. Any and all acts and proceedings heretofore done, and any and all procedures heretofore followed by Foxfire Village in assessing the cost of the Woodland Circle Extension project (involving the construction of a two-lane, paved road and the installation of electric power and water utility lines to serve properties that previously had no road access or utility service) pursuant to Article 10 of Chapter 160A of the General Statutes, are hereby in all respects validated, legalized, and confirmed. Any and all special assessments relating to this project levied by Foxfire Village at a rate of \$0.20782 per square foot of the area of the lots or tracts abutting the project are hereby in all respects validated, legalized, and confirmed.

SECTION 2. This act is effective when it becomes law.

HOUSE BILL 224: Foxfire Village Assessment Validated

2011-2012 General Assembly

Committee: House Finance
Introduced by: Rep. Boles
Analysis of: First Edition

Date: April 20, 2011
Prepared by: Trina Griffin
Committee Counsel

SUMMARY: *House Bill 224 is a local bill that would validate the assessment actions taken by Foxfire Village for the Woodland Circle Extension project.*

BILL ANALYSIS: House Bill 224 would cure any procedural defects that occurred as part of Foxfire Village's special assessment for the Woodland Circle Extension project by validating all acts and procedures followed by the town. The project involved the construction of a two-lane paved road and the installation of electric power and water utility lines. The bill would also validate any and all special assessments relating to the project and levied by the Village.

EFFECTIVE DATE: This bill would become effective when it becomes law.

CURRENT LAW: Under G.S. 160A-216, cities may levy special assessments to finance the following public improvements: streets, sidewalks, water systems, sewer systems, storm sewer and drainage systems, and beach erosion control and hurricane flood-protection works. The amount of each assessment must bear some relationship to the amount of benefit that accrues to the assessed property. The most common basis of assessment is front footage: each property is assessed on a uniform rate per foot of property that abuts on the project. Other bases include the size of the area benefited or the value added to the property because of the improvement. For street and sidewalk improvements, the city must receive a petition requesting the assessment from a majority of the property owners to be assessed who represent over half of the front footage of the property to be improved.

BACKGROUND¹: When the town initially undertook the improvement project in 2006, it failed to follow all of the statutory procedural requirements for making an assessment. Among the defects, the original petition did not contain the signatures of the majority of property owners to be assessed² and although the town informed all of the affected property owners by letter and held a meeting, it did not hold a public hearing. After the town opened the project to bids, the town obtained a proper petition and held a public hearing. However, the public hearing was not held until after the contract was awarded.

In addition to these procedural issues, one of the property owners contested the method used to determine the amount of the assessment for the project. The owner's share of the assessment was 76% of the total cost, which he believed did not accurately represent the extent to which his property would benefit from the improvement.³ Since the town did not change its methodology, the owner decided to donate the property to the town rather than pay the \$1.4 assessment. The town approved the donation at its last meeting. The change in ownership of the tract does not change the amount of the assessments imposed on the remaining property owners. At some point, the town plans to sell the property.

Theresa Matula, counsel to House Government, substantially contributed to this summary.

H224-SMSV-19(e1) v2

¹ This information was obtained from the minutes of the Foxfire Village Council meetings, the Mayor, and the town attorney.

² The original petition did, however, contain signatures of property owners representing a majority of the lineal feet of frontage to be improved.

³ The contesting owner's property represented about 156 acres or 75% of the total acreage; however, he only owned 30% of the platted lots, and according to a wetlands survey, approximately 20% of the property is unusable.

Referred to:

March 31, 2011

A BILL TO BE ENTITLED

AN ACT TO MODIFY THE MOORE COUNTY OCCUPANCY TAX.

The General Assembly of North Carolina enacts:

SECTION 1. Chapter 188 of the 1987 Session Laws, as amended by S.L. 2007-527, is rewritten and recodified as Sections 2 and 3 of this act. This act does not affect the rights or liabilities of the county, a taxpayer, or another person arising under the law rewritten and recodified by this act before the effective date of this act, nor does it affect the right to any refund or credit of a tax that accrued under the law rewritten and recodified by this act before the effective date of this act.

SECTION 2. Occupancy tax. – (a) Authorization and Scope. – The Board of Commissioners of Moore County may levy a room occupancy tax of up to three percent (3%) of the gross receipts derived from the rental of any room, lodging, or accommodation furnished by a hotel, motel, inn, tourist camp, or similar place within the county that is subject to sales tax imposed by the State under G.S. 105-164.4(a)(3). This tax is in addition to any State or local sales tax. This tax does not apply to accommodations furnished by nonprofit charitable, educational, or religious organizations when furnished in furtherance of their nonprofit purpose.

SECTION 2.(b) Administration. – A tax levied under this section shall be levied, administered, collected, and repealed as provided in G.S. 153A-155. The penalties provided in G.S. 153A-155 apply to a tax levied under this section.

SECTION 2.(c) Definitions. – The following definitions apply in this act:

- (1) Net proceeds. – Gross proceeds less the cost to the county of administering and collecting the tax, as determined by the finance officer, not to exceed three percent (3%) of the first five hundred thousand dollars (\$500,000) of gross proceeds collected each year and one percent (1%) of the remaining gross proceeds collected each year.
- (2) Promote travel and tourism. – To advertise or market an area or activity, publish and distribute pamphlets and other materials, conduct market research, or engage in similar promotional activities that attract tourists or business travelers to the area. The term includes administrative expenses incurred in engaging in the listed activities.
- (3) Tourism-related expenditures. – Expenditures that, in the judgment of the Moore County Tourism Development Authority, are designed to increase the use of lodging facilities, meeting facilities, or convention facilities in the

1 county or to attract tourists or business travelers to the county. The term
2 includes tourism-related capital expenditures.

3 **SECTION 2.(d) Distribution and Use of Tax Revenue.** – Moore County shall, on a
4 quarterly basis, remit to the Moore County Tourism Development Authority the net proceeds of
5 the occupancy tax. The Authority shall use at least two-thirds of the funds remitted to it under
6 this subsection to promote travel and tourism in Moore County and shall use the remainder for
7 tourism-related expenditures.

8 **SECTION 3. Tourism Development Authority.** – (a) Appointment and
9 Membership. – When the Board of Commissioners adopts a resolution levying a room
10 occupancy tax under this act, it shall also adopt a resolution creating the Moore County
11 Tourism Development Authority, which shall be a public authority under the Local
12 Government Budget and Fiscal Control Act and shall be composed of the following members:

- 13 (1) A county commissioner appointed by the Board of County Commissioners.
- 14 (2) Five owners or operators of hotels, motels, or other taxable tourist
15 accommodations, two of which own or operate the largest hotels, motels, or
16 other accommodations in the county by rental unit count and three of which
17 own or operate other hotels, motels, or other accommodations by rental unit
18 count, who shall be appointed by the Board of County Commissioners,
- 19 (3) The President and CEO of the Moore County Chamber of Commerce.
- 20 (4) Two individuals interested in the tourist business who have demonstrated an
21 interest in tourist development but do not own or operate a hotel, motel, or
22 other taxable tourist accommodation, who shall be appointed by the Board of
23 County Commissioners.

24 All members of the Authority shall serve without compensation. Vacancies in the
25 Authority shall be filled in the same manner as the initial appointments. Members appointed to
26 fill vacancies shall serve for the remainder of the unexpired term for which they are appointed
27 to fill. Members shall serve terms as provided in the rules of procedure and bylaws of the
28 Authority.

29 The Board of Commissioners shall designate one member of the Authority as chair.
30 The Authority shall meet at the call of the chair and shall adopt rules of procedure and bylaws
31 to govern its meetings. The Finance Officer for Moore County shall be the ex officio finance
32 officer of the Authority.

33 **SECTION 3.(b) Duties.** – The Authority shall expend the net proceeds of the tax
34 levied under this act for the purposes provided in Section 2 of this act. The Authority shall
35 promote travel, tourism, and conventions in the county, sponsor tourist-related events and
36 activities in the county, and finance tourist-related capital projects in the county.

37 **SECTION 3.(c) Reports.** – The Authority shall report quarterly and at the close of
38 the fiscal year to the Moore County Board of Commissioners on its receipts and expenditures
39 for the preceding quarter and for the year in such detail as the Board of Commissioners may
40 require.

41 **SECTION 4. Administrative provisions.** – G.S. 153A-155(g) reads as rewritten:

42 "(g) Applicability. – Subsection (c) of this section applies to all counties and county
43 districts that levy an occupancy tax. To the extent subsection (c) conflicts with any provision of
44 a local act, subsection (c) supersedes that provision. The remainder of this section applies only
45 to Alleghany, Anson, Brunswick, Buncombe, Burke, Cabarrus, Camden, Carteret, Caswell,
46 Chatham, Cherokee, Chowan, Clay, Craven, Cumberland, Currituck, Dare, Davie, Duplin,
47 Durham, Forsyth, Franklin, Granville, Halifax, Haywood, Madison, Martin, McDowell,
48 Montgomery, Moore, Nash, New Hanover, New Hanover County District U, Northampton,
49 Pasquotank, Pender, Perquimans, Person, Randolph, Richmond, Rockingham, Rowan,
50 Sampson, Scotland, Stanly, Swain, Transylvania, Tyrrell, Vance, Washington, and Wilson
51 Counties, to Surry County District S, to Watauga County District U, to Wilkes County District

1 K, to Yadkin County District Y, and to the Township of Averagesboro in Harnett County and the
2 Ocracoke Township Taxing District."

3 **SECTION 5.** This act is effective when it becomes law.

GENERAL ASSEMBLY OF NORTH CAROLINA

Legislative Fiscal Note

BILL NUMBER: House Bill 545 (First Edition)

SHORT TITLE: Amend Moore County Occupancy Tax.

SPONSOR(S): Representative Boles

FISCAL IMPACT

	<u>FY 2011-12</u>	<u>FY 2012-13</u>	<u>FY 2013-14</u>	<u>FY 2014-15</u>	<u>FY 2015-16</u>
REVENUES	**No Fiscal Impact**				
EXPENDITURES					
POSITIONS (cumulative):					
PRINCIPAL DEPARTMENT(S) & PROGRAM(S) AFFECTED:	Moore County				
EFFECTIVE DATE:	This act is effective when it becomes law				

BILL SUMMARY:

House Bill 545 recodifies the existing law authorizing a room occupancy tax in Moore County to conform the content to the uniform format currently used for occupancy taxes. Consistent with uniform occupancy tax provisions, the bill contains definitions for the following terms: "net proceeds," promote travel and tourism" and tourism-related expenditures". The bill also makes the Moore County occupancy tax subject to the uniform provisions for room occupancy taxes in G.S. 153A-155.

By conforming to the House Finance occupancy tax guidelines, Moore County would be able to use up to one-third of the occupancy tax proceeds for tourism-related expenditures, which it cannot do under current law.

ASSUMPTIONS AND METHODOLOGY:

There is no fiscal impact due to these changes.

HOUSE BILL 545: Amend Moore County Occupancy Tax

2011-2012 General Assembly

Committee: House Finance
Introduced by: Rep. Boles
Analysis of: First Edition

Date: April 20, 2011
Prepared by: Judy Collier
Research Assistant

SUMMARY: *House Bill 545¹ recodifies the previously authorized Moore County Occupancy Tax to make it consistent with the current House Finance Occupancy Tax Guidelines. This change would allow the county to use up to one-third of the net proceeds for tourism-related expenditures.*

The Proposed Committee Substitute makes a technical change in Section 3 to the title of the member representing the Chamber of Commerce and to the name of the Chamber of Commerce.

CURRENT LAW: In 1987, the General Assembly authorized Moore County to levy a room occupancy tax of 3% of the gross receipts derived from the rental of any room, lodging, or similar accommodation furnished by any hotel, motel, inn, tourist camp or other similar place within the county that is subject to the sales tax imposed under G.S. 105-164. The net proceeds must be remitted to the county Tourism Development Authority and must be used to further the development of travel and tourism through advertising and promotion.

The Moore County Tourism Development Authority is made up of 9 members:

- A county commissioner.
- 5 hotel operators, 2 of which operate the largest hotels by rental unit count.
- The Executive Vice President of the Sandhills Area Chamber of Commerce.
- 2 individuals interested in the tourist business but who do not operate a hotel.

BILL ANALYSIS: House Bill 545 recodifies the existing law authorizing a room occupancy tax in Moore County to conform the content to the uniform format currently used for occupancy taxes. Consistent with uniform occupancy tax provisions, the bill contains definitions for the following terms: "net proceeds," "promote travel and tourism" and "tourism-related expenditures". The bill also makes the Moore County occupancy tax subject to the uniform provisions for room occupancy taxes in G.S. 153A-155.

By conforming to the House Finance occupancy tax guidelines, Moore County would be able to use up to one-third of the occupancy tax proceeds for tourism-related expenditures, which it cannot do under current law.

The PCS makes a technical correction regarding the TDA membership by changing the "Executive Vice President of the Sandhills Area Chamber of Commerce" to the "President & CEO of the Moore County Chamber of Commerce," which is the accurate title.

EFFECTIVE DATE: House Bill 545 would become effective when it becomes law.

BACKGROUND: Since 1983, the General Assembly has authorized many units of local government to levy a room occupancy tax. In several instances, the General Assembly has authorized both a county and a city within that county to impose an occupancy tax. The rate of tax, the use of the tax proceeds, the administration of the tax, and the body with the authority to determine how the tax proceeds will be spent vary considerably. Over the past several years, there has been a greater effort to make the occupancy taxes uniform. In 1997, the General Assembly enacted uniform municipal and county administrative provisions for occupancy tax legislation – G.S. 153A-155 and G.S. 160A-215. These provisions provide uniformity in the areas of levy, administration, collection, repeal, and penalties.

HOUSE BILL 266*
Committee Substitute Favorable 4/7/11

Short Title: Wake Local Energy Efficiency. (Local)

Sponsors:

Referred to:

March 9, 2011

A BILL TO BE ENTITLED

AN ACT TO ALLOW WAKE COUNTY AND THE TOWNS OF APEX, CARY, FUQUAY-VARINA, GARNER, HOLLY SPRINGS, KNIGHTDALE, MORRISVILLE, ROLESVILLE, WAKE FOREST, WENDELL, AND ZEBULON TO ENTER INTO LEASES FOR THE SITING AND OPERATION OF A RENEWABLE ENERGY FACILITY FOR UP TO TWENTY YEARS WITHOUT TREATING IT AS A SALE AND WITHOUT GIVING NOTICE BY PUBLICATION, AND EXEMPTING THOSE LOCAL GOVERNMENTS UNTIL JUNE 30, 2015, FROM COMPETITIVE BIDDING REQUIREMENTS WHEN LETTING CONTRACTS FOR USE AS PART OF LOCAL PILOT PROGRAMS AIMED AT INCREASING ENERGY EFFICIENCY.

The General Assembly of North Carolina enacts:

SECTION 1. Section 3 of S.L. 2009-149, as rewritten by S.L. 2010-57 and S.L. 2010-63, reads as rewritten:

"SECTION 3. Section 2 of this act applies to the Cities of Asheville, Raleigh and Winston-Salem and the Towns of Chapel Hill and Carrboro only. This act also applies to Catawba and Wake County. Counties and the Towns of Apex, Cary, Fuquay-Varina, Garner, Holly Springs, Knightdale, Morrisville, Rolesville, Wake Forest, Wendell, and Zebulon only."

SECTION 2. Section 1 of S.L. 2007-333, as rewritten by Section 1 of S.L. 2009-149, and by S.L. 2010-57, reads as rewritten:

"SECTION 1.(a) A municipality or county may contract for apparatus, supplies, materials, or equipment that will be used as part of any pilot program authorized by its governing board aimed at increasing energy efficiency without being subject to the requirements of G.S. 143-129, 143-131, and 143-132. Notwithstanding any provision of law, a municipality or county may award a contract under this section in its sole discretion.

"SECTION 1.(b) This section applies to the Cities of Asheville and Raleigh and the Towns of Apex, Chapel Hill and Carrboro Carrboro, Cary, Chapel Hill, Fuquay-Varina, Garner, Holly Springs, Knightdale, Morrisville, Rolesville, Wake Forest, Wendell, and Zebulon only. This section also applies to Wake County."

SECTION 3. This act is effective when it becomes law, but Section 2 of this act expires at the same time that Section 1 of S.L. 2010-57 expires.

HOUSE BILL 266: Wake Local Energy Efficiency

2011-2012 General Assembly

Committee:	House Finance	Date:	April 20, 2011
Introduced by:	Reps. Weiss, Dollar, Jackson, Martin	Prepared by:	Greg Roney
Analysis of:	Second Edition		Committee Counsel

SUMMARY: *House Bill 266 exempts Wake County and eleven towns from competitive bidding requirements for materials used in pilot programs aimed at increasing energy efficiency and from certain requirements for long-term leases for renewable energy facilities.*

CURRENT LAW:

Exemption from Competitive Bidding for Local Energy Efficiency Pilot Programs: G.S. 143-129, 143-131, and 143-132 set out the competitive bidding requirements for construction contracts and contracts for the purchase of apparatus, supplies, equipment, and materials. Various Session Laws¹ exempted certain municipalities or counties from the requirements of G.S. 143-129, 143-131, and 143-132 when contracting for materials used as part of any pilot program authorized by the governing board aimed at increasing energy efficiency. This authority currently applies to the Cities of Asheville and Raleigh, and the Towns of Chapel Hill and Carrboro and expires June 30, 2015. Catawba County received a broader exemption for the purchase of materials for any program aimed at increasing energy efficiency.²

Exemption for Long-Term Lease for the Siting and Operation of a Renewable Energy Facility: G.S. 160A-272 requires a lease in excess of ten years to be treated as a sale of real property. Various Session Laws³ have amended G.S. 160A-272 to allow local governments to approve a lease for the siting and operation of a renewable energy facility, for a term up to 20 years without treating the lease as a sale of property and without giving notice by publication of the intended lease. This authorization currently applies to Catawba County, the Cities of Asheville, Raleigh, and Winston-Salem and the Towns of Chapel Hill and Carrboro.

Renewable energy facility is defined by G.S. 62-133.8(a)(7) as a facility, other than a hydroelectric power facility with a generation capacity of more than 10 megawatts, that either: (1) generates electric power by the use of a renewable energy resource; (2) generates useful, measurable combined heat and power derived from a renewable energy resource; or (3) is a solar thermal energy facility.

BILL ANALYSIS: House Bill 266 would add Wake County and the Towns of Apex, Cary, Fuquay-Varina, Garner, Holly Springs, Knightdale, Morrisville, Rolesville, Wake Forest, Wendell, and Zebulon to the list of units of local governments exempt from competitive bidding requirements for local pilot programs aimed at increasing energy efficiency and also exempt from the requirements of G.S. 160A-272 (treating a long-term lease as a sale) for the siting and operation of a renewable energy facility.

BACKGROUND: The Town of Cary plans to use this authority to participate in a pilot project to use underutilized land at a water plant to install solar panels to generate renewable energy. The Town intends to use a public private partnership using the flexibility in contracting to work with the private partner to negotiate bids on materials.

¹ Section 1 of S.L. 2007-333, as rewritten by S.L. 2009-149, and S.L. 2010-57.

² Section 1 of S.L. 2010-63.

³ Section 3 of S.L. 2009-149, as rewritten by S.L. 2010-57, and S.L. 2010-63.

House Bill 266

Page 2

EFFECTIVE DATE: House Bill 266 would become effective when it becomes law, and the exemption to competitive bidding requirements for local pilot programs aimed at increasing energy efficiency sunsets June 30, 2015.

Theresa Matula, counsel to House Government, substantially contributed to this summary.

GENERAL ASSEMBLY OF NORTH CAROLINA
SESSION 2011

S

2

SENATE BILL 281
Finance Committee Substitute Adopted 3/29/11

Short Title: Municipal Service District/Streets.

(Public)

Sponsors:

Referred to:

March 10, 2011

A BILL TO BE ENTITLED

AN ACT TO AUTHORIZE CITIES TO ESTABLISH A MUNICIPAL SERVICE DISTRICT FOR THE PURPOSE OF CONVERTING PRIVATE RESIDENTIAL STREETS TO PUBLIC STREETS AND TO AUTHORIZE RELATED COMMUNITY ASSOCIATIONS TO TRANSFER PLANNED COMMUNITY PROPERTY TO CITIES.

The General Assembly of North Carolina enacts:

SECTION 1. G.S. 160A-536(a) is amended by adding a new subdivision to read:

"(a) Purposes. – The city council of any city may define any number of service districts in order to finance, provide, or maintain for the districts one or more of the following services, facilities, or functions in addition to or to a greater extent than those financed, provided or maintained for the entire city:

...
(6) Conversion of private residential streets to public streets as provided in subsection (e) of this section."

SECTION 2. G.S. 160A-536 is amended by adding a new subsection to read:

"(e) Converting Private Residential Streets to Public Streets. – A city may establish a municipal service district for the purpose of converting private residential streets to public streets if the conditions of this subsection are met. The property tax levied in a municipal service district created for this purpose may be used only to pay the costs related to the transfer of ownership of the streets, evaluation of the condition of the private streets, and the design and construction costs related to improving the private streets to meet public street standards as approved by the governing board. Notwithstanding G.S. 160A-542, the property tax rate in a district created for this purpose may not be in excess of thirty percent (30%) of the ad valorem tax rate in effect in the city in the fiscal year prior to the establishment of the district. After the private streets have been upgraded to meet public street standards and all costs have been recovered from the tax in the district, no further tax may be levied in the district, and the city council must abolish the municipal service district as provided by G.S. 160A-541.

Notwithstanding G.S. 160A-299, if a city abandons the streets and associated rights-of-way acquired pursuant to this subsection, the street-related common elements must be returned to the owners' association from which the city acquired them in a manner that makes the owners' association's holdings in common elements as they were prior to the establishment of the municipal service district.

For a city to create a municipal service district for the purpose of converting private residential streets to public streets, all of the following conditions must be met:

- (1) The private residential road must be nongated.
- (2) The city must receive a petition signed by at least sixty percent (60%) of the lot owners of the owners' association requesting the city to establish a

1 municipal service district for the purpose of paying the costs related to
2 converting private residential streets to public streets. The executive board of
3 an owners' association for which the city has received a petition under this
4 subsection may transfer street-related common elements to the city,
5 notwithstanding the provisions of the North Carolina Planned Community
6 Act in Chapter 47F of the General Statutes, related articles of declaration,
7 deed covenants, or any other similar document recorded with the Register of
8 Deeds.

9 (3) The city must agree to accept the converted streets for perpetual public
10 maintenance.

11 (4) The city must meet one of the following requirements:

12 a. Located primarily in a county that has a population of 750,000 or
13 more according to the most recent decennial federal census, and also
14 located in an adjacent county with a population of 250,000 or more
15 according to the most recent decennial federal census.

16 b. Located primarily in a county with a population of 250,000 or more
17 according to the most recent decennial federal census, and also
18 located in an adjacent county with a population of 750,000 or more
19 according to the most recent decennial federal census."

20 **SECTION 3.** This act is effective when it becomes law.

SENATE BILL 281: Municipal Service District/Streets

2011-2012 General Assembly

Committee: House Finance
Introduced by: Sen. Stein
Analysis of: Second Edition

Date: April 20, 2011
Prepared by: Trina Griffin
Committee Counsel

SUMMARY: *Senate Bill 281 would expand the purposes for which a city could create a municipal service district, subject to certain limitations, to include the conversion of private streets to public streets. The city may impose a higher property tax rate on the taxpayers within a defined service district to pay for the additional services received in that district.*

CURRENT LAW: Article V, Sec. 2(4) of the North Carolina Constitution allows the General Assembly to enact *general* laws authorizing the governing board of a local governmental unit to define territorial areas and to levy additional taxes within those areas to finance a service that is provided to a greater extent in that area than is provided to the entire area of the governmental unit.

Article 23 of Chapter 160A authorizes a city to establish a municipal service district for the following purposes: beach erosion control and flood and hurricane protection works; any service which the municipality may by law provide, such as placing utility wiring underground; downtown revitalization projects; transit-oriented development projects; drainage projects; sewage collection and disposal systems; lighting at interstate highway interchange ramps; off-street parking facilities; and watershed improvement projects. A city may levy a property tax in that district that is in addition to those levied through the city. A city may incur debt, as allowed under general law, to finance services within a service district. When there is no longer a need for the service district, the district may be abolished.

To create a district, a city must hold a public hearing on a proposed resolution. The resolution must define the service district and find that the area defined is in need of one or more of the services for which a district may be created to a demonstrably greater extent than the remainder of the city. The resolution may become effective at the beginning of a fiscal year. Once a district is created, the city must provide or let contracts for the service for which the residents of the district are being taxed within one year of the effective date of the district.

BILL ANALYSIS: Senate Bill 281 would expand the purposes for which a city may create a municipal service district to include the conversion of private streets to public streets. However, by limiting the reach of the bill to cities within counties of a certain size, the bill is effectively limited to the following municipalities: Durham, Morrisville, and Raleigh.¹

The bill also creates the following limitations upon the creation of a district for this purpose:

- The private road must be non-gated.
- A city must receive a petition signed by 60% of the lot owners of the area to be included within the special district requesting the city to establish the district.
- A city must be willing to accept the converted streets for perpetual public maintenance.

¹ Although both Wake and Mecklenburg Counties have populations that exceed 750,000, the only county that is 250,000 and over that abuts either of these two counties is Durham County.

Senate Bill 281

Page 2

- The additional tax rate levied in the special district may not exceed 30% of the property tax rate currently imposed in that district in the fiscal year prior to the establishment of the district.
- After the private streets have been upgraded to meet public street standards and all of the costs have been recovered, the district must be abolished.

EFFECTIVE DATE: The bill would become effective when it becomes law.

BACKGROUND: There are 14 residential developments in the Town of Morrisville that were constructed with private streets. These 14 developments comprise about one-third of Morrisville's homes. The private streets were constructed to a lesser standard than public streets. The Town no longer approves residential developments with private streets.

Of these 14 neighborhoods, five have submitted petitions to the Town Council signed by more than 60% of the residents requesting the town to upgrade and convert the streets to publicly maintained streets. Three neighborhoods are continuing to collect petitions; the remaining seven have indicated no interest in pursuing the issue. The Town's website offers additional information on the issue and the number of petitions received for and against the creation of a municipal service district for this purpose.²

The Town does not have the authority to expend public funds for private streets.³ To address the issue brought to the Town by the residents, the Town is seeking the authority to create a municipal service district for the purpose of converting the private streets to public streets. The conversion would include the transfer of ownership of the streets, an evaluation of the condition of the streets, and the design and construction costs related to improving the private streets to meet public streets standards. The maximum tax rate proposed to accomplish this purpose is 10¢ per \$100 valuation. The Town estimates that it would take 15.2 years to recover the conversion costs for the 1.88 miles of roadway for the five neighborhoods requesting the service. If the remaining three neighborhoods are included, the Town estimates that it would take 14.3 years to recover the conversion costs for the 3.87 miles of roadway. The municipal service district would be abolished once all streets were brought up to standard and all associated costs recovered.

Cindy Avrette, counsel to Senate Finance, substantially contributed to this summary.

S281-SMSV-26(e2) v1

² <https://nc-morrisville.civicplus.com/index.aspx?NID=542>

³ G.S. 153A-205 gives counties the authority to expend funds for the cost of improvements needed to bring residential streets up to State standards so they may become part of the State-maintained system. An argument may be made that cities have authority under Article 10A of Chapter 160A of the General Statutes to impose a special assessment for this purpose, but it is not clear.

North Carolina General Assembly
House Committee on Finance

Minutes

April 21, 2011

The House Committee on Finance met on Thursday, April 21, 2011 at 8:30 am in Room 544 of the Legislative Office Building. The following members were present: Chairpersons Howard, Starnes, and Setzer; Vice-Chair Wainwright; and Representatives Alexander, Brawley, Carney, Collins, Faison, Hackney, Hill, Jordan, Luebke, McCormick, McGee, McGuirt, Moffitt, Moore, Ross, Stone, Warren, Weiss and Womble. Also present were Sergeant-at-Arms John Brandon, Earl Coker, Fred Hines, and Ken Kirby. Staff persons present included Cindy Avrette, Rodney Bizzell, Barry Boardman, Dan Ettefagh, Heather Fennell, Trina Griffin, Sandra Johnson, Greg Roney, Brian Silvka, Jonathan Tart, and Martha Walston. The Agenda and Visitor Registration Sheets are attached and incorporated into these minutes as **attachments 1 and 2**.

Chairman Starnes called the meeting to order at 8:33 am and recognized the five (5) pages present: (1) Callie Pruett of Haywood County sponsored by Representative Rapp; (2) Caroline Morelock of Mecklenburg County sponsored by Representative Brown; (3) Ashley Saltzman of Wake County sponsored by Representative Murry; (4) Maleah Murray of Columbus County sponsored by Representative Hill; and (5) Ian Ratcliff of Wake County sponsored by Representative Dollar.

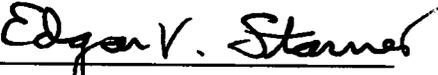

The first bill considered by the Committee was **SB 137 Establish Forgivable Loan Fund** (see **attachment 3**). The Chair recognized Senator Stevens to explain the bill. The Chair recognized Representative Moffitt who sent forth amendment 1 that moved to amend the bill on page 1, line 20 by rewriting that line and on page 5, line 7 by deleting the word "Education." and substituting the word "Education." (see **attachment 4**). Being no further discussion or debate, the Chair called for the ayes and noes on amendment 1. The motion to adopt amendment 1 passed. The motion carried. Chairman Starnes recognized Representative Ross who moved that SB 137, as amended and rolled into a proposed committee substitute, be given a favorable report, unfavorable report to the original bill. The motion carried.

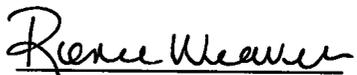

The next bill to be heard by the Committee was **HB 160 Check-Off Donation: Breast Cancer Screening** (see **attachment 5**). The Chair recognized Representatives Dollar and Stevens to explain the bill. Chairman Starnes then recognized Canaan Huie, General Counsel for the North Carolina Department of Revenue who spoke in opposition of the bill. Representative Howard was recognized and she moved that HB 160 be given a favorable report and requested a show of hands. The motion was set aside for further discussion. The Chair then recognized Linda Rascoe, Program Director of the North Carolina Cancer and Prevention Control program with the Department of

Health and Human Services, who spoke in favor of the bill. Being no further debate or discussion, Chairman Starnes recognized Representative Howard to restate her motion that HB 160 be given a favorable report. The Chair called for a show of hands for the motion. The vote being 17 affirmative and 1 against, the motion carried.

There being no further business presently before the Committee, Chairman Starnes adjourned the meeting at 9:46 am.

Respectfully submitted,

Representative Edgar Starnes
Presiding Chair

Renee Weaver
Clerk, House Committee on
Finance

**2011 COMMITTEE REPORT
HOUSE OF REPRESENTATIVES**

The following report(s) from standing committee(s) is/are presented:

SENATE BILL 137*
Second Edition Engrossed 3/22/11
House Committee Substitute Favorable 4/6/11

Short Title: Establish Forgivable Loan Fund.

(Public)

Sponsors:

Referred to:

February 28, 2011

1 A BILL TO BE ENTITLED
2 AN ACT TO ESTABLISH THE FORGIVABLE EDUCATION LOANS FOR SERVICE
3 PROGRAM AND THE FORGIVABLE EDUCATION LOANS FOR SERVICE FUND
4 AS RECOMMENDED BY THE JOINT SELECT COMMITTEE ON STATE-FUNDED
5 STUDENT FINANCIAL AID.

6 The General Assembly of North Carolina enacts:

7 SECTION 1. Effective July 1, 2011, Part 1 of Article 23 of Chapter 116 of the
8 General Statutes is amended by adding a new section to read:

9 **"§ 116-209.45. Forgivable Education Loans for Service Program and Fund.**

10 (a) Policy. – The General Assembly finds that it is in the public interest to provide
11 financial assistance in the form of forgivable loans for service to qualified students who are
12 committed to working in the State in order to respond to critical employment shortages.

13 (b) Definitions. – The following definitions apply in this section:

14 (1) Eligible Institution. – Notwithstanding G.S. 116-201(b)(5) and
15 G.S. 116-201(b)(6) and for purposes of this section only, an institution of
16 higher education that is any of the following:

17 a. A postsecondary constituent institution of The University of North
18 Carolina as defined in G.S. 116-2(4).

19 b. A community college as defined in G.S. 115D-2(2).

20 c. A nonprofit postsecondary institution as defined in G.S. 116-22(1).

21 d. A postsecondary institution owned or operated by a hospital
22 authority as defined in G.S. 131E-16(14).

23 e. A school of nursing affiliated with a nonprofit postsecondary
24 institution as defined in G.S. 116-22(1).

25 f. Another public or nonprofit postsecondary institution offering a
26 program of study not otherwise available in North Carolina that is
27 deemed to be eligible under rules promulgated by the Authority.

28 (2) Fund. – The Forgivable Education Loans for Service Fund.

29 (3) Loan. – A forgivable loan made under the Program.

30 (4) Program. – The Forgivable Education Loans for Service Program.

31 (c) Establish Forgivable Education Loans for Service Program. – There is established
32 the Forgivable Education Loans for Service Program to be administered by the Authority. The
33 purpose of the Program is to facilitate and promote the making, insuring, and collection of
34 loans from the Forgivable Education Loans for Service Fund. The Program shall initially target
35 future teachers, nurses, and allied health professionals.

1 (d) Establish Forgivable Loans for Service Fund. – There is established the Forgivable
2 Education Loans for Service Fund to be administered by the Authority. The purpose of the
3 Fund is to provide financial assistance to qualified students to enable them to obtain the
4 requisite education beyond the high school level to work in North Carolina in certain high-need
5 professions as identified by the General Assembly and to respond to current as well as future
6 employment shortages in North Carolina.

7 (e) Eligibility for Loans. – The Authority shall establish the criteria for initial and
8 continuing eligibility to participate in the Program. All loan recipients shall be residents of
9 North Carolina and shall attend an eligible institution.

10 The Authority shall adopt standards deemed appropriate by the Authority to ensure that
11 only qualified, potential recipients receive a loan under the Program. The standards may
12 include minimum grade point average and satisfactory academic progress.

13 (f) Loan Terms and Conditions. – The following terms and conditions shall apply to
14 each loan made pursuant to this section:

15 (1) Promissory note. – All loans shall be evidenced by promissory notes made
16 payable to the Authority.

17 (2) Interest. – All promissory notes shall bear an interest rate established by the
18 Authority that does not exceed ten percent (10%) and is in relation to the
19 current interest rate for nonneed-based federal loans made pursuant to Title
20 IV of the Higher Education Act of 1965, as amended. Interest shall accrue
21 from the date of disbursement of the loan funds.

22 (3) Loan amount. – The Authority shall establish the amount of the loan based
23 on funds available and factors such as the recipient's educational program,
24 enrollment status, and field of study.

25 (4) Repayment. – The Authority shall establish the criteria for loan forgiveness
26 for employment in a designated field in North Carolina. These criteria may
27 provide for accelerated repayment and less than full-time employment
28 options. The Authority shall collect cash repayments when service
29 repayment is not completed. The Authority shall establish the terms for cash
30 repayment, including a minimum monthly repayment amount and maximum
31 period of time to complete repayment.

32 (5) Death and disability. – The Authority may forgive all or part of a loan if it
33 determines that it is impossible for the recipient to repay the loan in cash or
34 service because of the death or disability of the recipient.

35 (6) Hardship. – The Authority may grant a forbearance, a deferment, or both in
36 hardship circumstances when a good faith effort has been made to repay the
37 loan in a timely manner.

38 (7) Other. – The Authority may establish other terms and conditions that are
39 necessary or convenient to effectuate the Program.

40 (g) Advisory Group. – The Authority shall appoint an advisory group composed of, at
41 minimum, appropriate representatives from higher education institutions and health and labor
42 departments, agencies, or commissions to make recommendations to the Authority regarding
43 the Authority's future apportionment and distribution of Program loans based on projected labor
44 market shortages, higher education enrollment projections, and other relevant information.

45 (h) Use of Fund Monies. – All funds appropriated to or otherwise received by the
46 Authority to provide loans through the Program, all funds received as repayment of loans, and
47 all interest earned on these funds shall be placed in the Fund. The Fund shall be used only for
48 loans made pursuant to this section and for administrative costs of the Authority.

49 (i) Rule-making Authority. – The Authority may adopt rules necessary to implement,
50 administer, and enforce the provisions of this section.

1 (j) Report to the General Assembly. – The Authority shall report no later than
2 December 1, 2013, and annually thereafter to the Joint Legislative Education Oversight
3 Committee regarding the Fund and loans awarded from the Fund."

4 **SECTION 2.(a)** G.S. 90-171.100 and G.S. 90-171.101 are repealed.

5 **SECTION 2.(b)** All financial obligations to any student awarded a scholarship
6 loan from the Graduate Nurse Scholarship Program for Faculty Production Fund before July 1,
7 2012, shall be fulfilled with funds from the Forgivable Education Loans for Service Fund
8 established under G.S. 116-209.45 provided the student remains eligible under the provisions
9 of the Graduate Nurse Scholarship Program for Faculty Production Fund. All contractual
10 agreements between a student awarded a scholarship loan from the Graduate Nurse Scholarship
11 Program for Faculty Production Fund before July 1, 2012, and the State Education Assistance
12 Authority remain enforceable and the provisions of G.S. 90-171.100 and G.S. 90-171.101 that
13 would be applicable but for this section shall remain applicable with regard to any scholarship
14 loan awarded before July 1, 2012.

15 **SECTION 2.(c)** All assets and liabilities in the Graduate Nurse Scholarship
16 Program for Faculty Production Fund shall be transferred to the Forgivable Education Loans
17 for Service Fund established under G.S. 116-209.45.

18 **SECTION 3.(a)** G.S. 90-171.60, 90-171.61, and 90-171.62 are repealed.

19 **SECTION 3.(b)** All financial obligations to any student awarded a scholarship
20 loan from the Nursing Scholars Program Fund and the Masters Nursing Scholars Program Fund
21 before July 1, 2012, shall be fulfilled with funds from the Forgivable Education Loans for
22 Service Fund established under G.S. 116-209.45 provided the student remains eligible under
23 the provisions of the Nursing Scholars Program Fund and the Masters Nursing Scholars
24 Program Fund. All contractual agreements between a student awarded a scholarship loan from
25 the Nursing Scholars Program Fund and the Masters Nursing Scholars Program Fund before
26 July 1, 2012, and the State Education Assistance Authority remain enforceable and the
27 provisions of G.S. 90-171.60, 90-171.61, and 90-171.62 that would be applicable but for this
28 section shall remain applicable with regard to any scholarship loan awarded before July 1,
29 2012.

30 **SECTION 3.(c)** All assets and liabilities in the Nursing Scholars Program Fund
31 and the Masters Nursing Scholars Program Fund shall be transferred to the Forgivable
32 Education Loans for Service Fund established under G.S. 116-209.45.

33 **SECTION 4.(a)** G.S. 90-171.65 is repealed.

34 **SECTION 4.(b)** All financial obligations to any student awarded a scholarship
35 loan from the Nurse Education Scholarship Loan Fund before July 1, 2012, shall be fulfilled
36 with funds from the Forgivable Education Loans for Service Fund established under
37 G.S. 116-209.45 provided the student remains eligible under the provisions of the Nurse
38 Education Scholarship Loan Fund. All contractual agreements between a student awarded a
39 scholarship loan from the Nurse Education Scholarship Loan Fund before July 1, 2012, and
40 the State Education Assistance Authority remain enforceable and the provisions of
41 G.S. 90-171.65 that would be applicable but for this section shall remain applicable with regard
42 to any scholarship loan awarded before July 1, 2012.

43 **SECTION 4.(c)** All assets and liabilities in the Nurse Education Scholarship Loan
44 Fund shall be transferred to the Forgivable Education Loans for Service Fund established under
45 G.S. 116-209.45.

46 **SECTION 5.(a)** G.S. 116-40.10 is repealed.

47 **SECTION 5.(b)** All financial obligations to any student awarded a scholarship
48 loan from the Board of Governors' Dental Scholarship Loan Fund before July 1, 2012, shall be
49 fulfilled with funds from the Forgivable Education Loans for Service Fund established under
50 G.S. 116-209.45 provided the student remains eligible under the provisions of the Board of
51 Governors' Dental Scholarship Loan Fund. All contractual agreements between a student

1 awarded a scholarship loan from the Board of Governors' Dental Scholarship Loan Fund before
2 July 1, 2012, and the State Education Assistance Authority remain enforceable and the
3 provisions of G.S. 116-40.10 that would be applicable but for this section shall remain
4 applicable with regard to any scholarship loan awarded before July 1, 2012.

5 **SECTION 5.(c)** All assets and liabilities in the Board of Governors' Dental
6 Scholarship Loan Fund shall be transferred to the Forgivable Education Loans for Service Fund
7 established under G.S. 116-209.45.

8 **SECTION 6.(a)** G.S. 116-40.9 is repealed.

9 **SECTION 6.(b)** All financial obligations to any student awarded a scholarship
10 loan from the Board of Governors' Medical Scholarship Loan Fund before July 1, 2012, shall
11 be fulfilled with funds from the Forgivable Education Loans for Service Fund established under
12 G.S. 116-209.45 provided the student remains eligible under the provisions of the Board of
13 Governors' Medical Scholarship Loan Fund. All contractual agreements between a student
14 awarded a scholarship loan from the Board of Governors' Medical Scholarship Loan Fund
15 before July 1, 2012, and the State Education Assistance Authority remain enforceable and the
16 provisions of G.S. 116-40.9 that would be applicable but for this section shall remain
17 applicable with regard to any scholarship loan awarded before July 1, 2012.

18 **SECTION 6.(c)** All assets and liabilities in the Board of Governors' Medical
19 Scholarship Loan Fund shall be transferred to the Forgivable Education Loans for Service Fund
20 established under G.S. 116-209.45.

21 **SECTION 7.(a)** G.S. 116-209.33 and G.S. 116-209.34 are repealed.

22 **SECTION 7.(b)** All financial obligations to any student awarded a scholarship
23 loan from the Prospective Teachers Scholarship Loan Fund before July 1, 2012, shall be
24 fulfilled with funds from the Forgivable Education Loans for Service Fund established under
25 G.S. 116-209.45 provided the student remains eligible under the provisions of the Prospective
26 Teachers Scholarship Loan Fund. All contractual agreements between a student awarded a
27 scholarship loan from the Prospective Teachers Scholarship Loan Fund before July 1, 2012,
28 and the State Education Assistance Authority remain enforceable and the provisions of
29 G.S. 116-209.33 and G.S. 116-209.34 that would be applicable but for this section shall remain
30 applicable with regard to any scholarship loan awarded before July 1, 2012.

31 **SECTION 7.(c)** All assets and liabilities in the Prospective Teachers Scholarship
32 Loan Fund shall be transferred to the Forgivable Education Loans for Service Fund established
33 under G.S. 116-209.45.

34 **SECTION 8.** G.S. 116-209.35 is repealed.

35 **SECTION 9.(a)** G.S. 116-209.30 is repealed.

36 **SECTION 9.(b)** All contractual agreements between a student awarded a
37 scholarship loan from the Social Workers' Education Loan Fund before July 1, 2012, and the
38 State Education Assistance Authority remain enforceable and the provisions of
39 G.S. 116-209.30 that would be applicable but for this section shall remain applicable with
40 regard to any scholarship loan awarded before July 1, 2012.

41 **SECTION 9.(c)** All assets and liabilities in the Social Workers' Education Loan
42 Fund shall be transferred to the Forgivable Education Loans for Service Fund established under
43 G.S. 116-209.45.

44 **SECTION 10.(a)** All financial obligations to any student awarded a scholarship
45 loan from the Student Loan Program for Health, Science and Mathematics Fund before July 1,
46 2012, shall be fulfilled with funds from the Forgivable Education Loans for Service Fund
47 established under G.S. 116-209.45 provided the student remains eligible under the provisions
48 of the Student Loan Program for Health, Science and Mathematics Fund. All contractual
49 agreements between a student awarded a scholarship loan from the Student Loan Program for
50 Health, Science and Mathematics Fund before July 1, 2012, and the State Education Assistance
51 Authority regarding the loan remain enforceable.

1 **SECTION 10.(b)** All assets and liabilities in the Student Loan Program for Health,
2 Science and Mathematics Fund shall be transferred to the Forgivable Education Loans for
3 Service Fund established under G.S. 116-209.45.

4 **SECTION 11.** All assets and liabilities in the Future Teachers of North Carolina
5 Fund shall be transferred to the Forgivable Education Loans for Service Fund established under
6 G.S. 116-209.45.

7 **SECTION 12.** All assets and liabilities in the Physical Education. – Coaching
8 Scholarship Loan Fund shall be transferred to the Forgivable Education Loans for Service Fund
9 established under G.S. 116-209.45.

10 **SECTION 13.** All assets and liabilities in the Optometry Scholarship Loan Fund
11 shall be transferred to the Forgivable Education Loans for Service Fund established under
12 G.S. 116-209.45.

13 **SECTION 14.** Except as otherwise provided herein, this act becomes effective July
14 1, 2012.

REVENUES:

EXPENDITURES:

POSITIONS
(cumulative):

PRINCIPAL DEPARTMENT(S) & PROGRAM(S) AFFECTED:

EFFECTIVE DATE: See bill summary.

BILL SUMMARY:

Senate Bill 137 consolidates twelve scholarship-loan and scholarship programs to establish the new Forgivable Education Loans for Service Program (FELS) and Fund. Of the twelve funds consolidated, eight are currently operating programs and the remaining four are for programs no longer in operation, but still receiving repayments from past recipients. The existing programs are funded from both General Fund and Escheat Fund money, and target students in health, science, mathematics, and teaching careers. The State Education Assistance Authority (SEAA) administers the twelve funds.

The new FELS would provide financial assistance in the form of forgivable loans to qualified students for certain high-need professions. Loans could be forgiven through employment in a designated field in North Carolina. The program would be able to respond to current and future employment needs in the State, and would initially target future teachers, nurses, and allied health professionals. The State Education Assistance Authority (SEAA) would administer the Program and Fund. The bill requires SEAA to make a report on loans from the Fund no later than December 1, 2013 and annually thereafter to the Joint Legislative Education Oversight Committee.

The new program is established as of July 1, 2011. The twelve existing programs are consolidated into the new FELS program as of July 1, 2012.

ASSUMPTIONS AND METHODOLOGY:

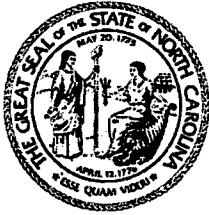

The bill transfers all assets and liabilities of the twelve funds into the Forgivable Education Loans for Service Fund, but does not change the total amount of funding available for the programs. Therefore, there is no fiscal impact.

It is important to note, however, that SEAA's administrative expenses for these programs have historically been paid from federal receipts generated from new loan originations under the Federal Family Education Loan program. This federal program has ended, and those receipts will no longer be available for purposes of administration of State programs, including those that Senate Bill 137 would combine into FELS. The bill does permit the SEAA to use the Fund for administrative costs as well as for loans, as is done for other SEAA-administered State programs. If SEAA does use a portion of the funds for administration, it would reduce the amount available for scholarship-loans, but would not change the total program funding.

SENATE BILL 137: Establish Forgivable Loan Fund

2011-2012 General Assembly

Committee: House Finance

Introduced by: Sens. Stevens, Vaughan

Analysis of: Third Edition

Date: April 12, 2011

Prepared by: Cindy Avrette

Committee Counsel

SUMMARY: *Senate Bill 137¹ would consolidate specific existing financial aid programs to establish the new Forgivable Education Loans for Service Program and Fund. The State Education Assistance Authority (SEAA) would administer the Program and Fund. The SEAA would make a report on loans from the Fund no later than December 1, 2013 and annually thereafter to the Joint Legislative Education Oversight Committee. The purpose of the Fund would be twofold:*

- *To provide financial assistance to qualified students for certain high-need professions*
- *To respond to current and future employment needs in the State.*

The bill received a favorable report from the House Committee on Education on April 6, 2011.

BILL ANALYSIS: Senate Bill 137 is a recommendation of the Joint Select Committee on State Funded Student Financial Aid that consolidates the following funds into the newly created Forgivable Education Loans for Service Fund:

- | | |
|--|--|
| * Graduate Nurse Scholarship Program for Faculty Production Fund | *Teacher Assistant Scholarship Fund |
| *Nurse Education Scholarship Loan Fund | *Social Workers' Education Loan Fund |
| *Nursing Scholars Program Fund | *Student Loan Program for Health, Science and Mathematics Fund |
| *Board of Governors' Dental Scholarship Loan Fund | *Future Teachers of North Carolina Fund |
| *Board of Governors' Medical Scholarship Loan Fund | *Physical Education-Coaching Scholarship Loan Fund |
| *Prospective Teachers Scholarship Loan Fund | *Optometry Scholarship Loan Fund |

Section 1 would create the Forgivable Education Loan for Service Program and Fund to provide financial assistance to qualified students to prepare them for certain high-need professions, initially targeting future teachers, nurses and other allied health professionals. The State Education Assistance Authority would be responsible for: 1) administering the program, 2) adopting the eligibility criteria to participate in the Program, 3) establishing the interest rate, loan amount and repayment terms for the loans, 4) appointing an advisory group to make recommendations on the future distribution of loans, 5) making an annual report to the Joint Legislative Education Oversight Committee beginning December 1, 2013, and 6) adopting the rules necessary to implement and administer the Program.

Sections 2 through 7 and Section 9 would terminate the existing funds, repeal the statutes that created the existing funds, transfer the assets and liabilities to the Forgivable Education Loans for Service Fund, provide that financial obligations to students who received loans from the terminated funds will be honored under the new Program, and that all contractual agreements between a student with an award from a terminated program and the Authority would remain enforceable. The affected existing programs are: Graduate Nurse Scholarship Program for Faculty Production Fund, Nursing Scholars Program Fund and Masters Nursing Scholars Program Fund, Nurse Education Scholarship Loan Fund,

¹ As introduced, this bill is identical to House Bill 120, introduced by Representatives Rapp, Bell, and Glazier.

Senate Bill 137

Page 2

Board of Governors' Dental Scholarship Loan Fund, Board of Governors' Medical Scholarship Loan Fund, the Prospective Teachers Scholarship Loan Fund, and the Social Workers' Education Loan Fund.

Section 8 would repeal the Teacher Assistant Scholarship Fund.

Section 10 would transfer the assets and liabilities in the Student Loan Program for Health, Science and Mathematics to the Forgivable Education Loans for Service Fund, and provide that financial obligations to students who received loans from the terminated fund will be honored under the new Program.

Sections 11 through 13 would transfer the assets and liabilities in the Future Teachers of North Carolina Fund, Physical Education-Coaching Scholarship Loan, and the Optometry Scholarship Loan Fund to the Forgivable Education Loans for Service Fund.

EFFECTIVE DATE: Section 1 of the bill would become effective July 1, 2011 and the remaining sections of the bill would become effective July 1, 2012.

BACKGROUND: In October 2009, the Joint Select Committee on State Funded Student Financial Aid was created, in part, to study the feasibility of consolidating existing scholarship, loan, and grant programs, especially those programs available for teacher education students. In April 2010, the Committee heard a presentation to consolidate eight existing career-based financial aid programs into one program of "forgivable loans for service" that was supported by UNC President Erskine Bowles and Community Colleges President Scott Ralls.

The Committee's interim report to the 2010 Session of the General Assembly included recommended legislation to create a Work Group to design the forgivable loans for service program. The Work Group included representatives of the State Education Assistance Authority, The University of North Carolina System, the North Carolina Community College System, the NC Independent Colleges and Universities and the NC General Assembly Fiscal Research Division. The Work Group was directed to design a "forgivable loans for service" program that combined at least the following existing programs: the Nurse Educators of Tomorrow; Nurse Scholars Program; Nurse Education Scholarship Loan Program; Board of Governors Medical Scholarship Loans; Board of Governors Dental Scholarship Loans; Health, Science, and Mathematics Student Loan Program; Prospective Teacher Scholarship Loan Program; and the Teacher Assistant Scholarship Loan Program. The consolidated program is to initially focus on the high needs areas of teaching and health professions (including nursing, allied health, and medical, dental and pharmacy careers. The Work Group recommends that loan offers to students would begin in Spring 2012 for academic terms beginning after July 1, 2012 and full implementation would begin in the 2012-13 academic year.

Dr. Steve Brooks, Executive Director, State Education Assistance Authority, presented the Work Group's recommended legislative proposal to the Committee on October 19, 2010. The Committee adopted the Work Group's legislative proposal which became Senate Bill 137.

Sara Kamprath, counsel to the Senate Education/Higher Education Committee, substantially contributed to this summary.

PROGRAM.

The General Assembly of North Carolina enacts:

SECTION 1. Article 9 of Chapter 105 of the General Statutes is amended by
adding a new section to read:

"§ 105-269.7. Contribution by individual for early detection of breast and cervical cancer.

An individual entitled to a refund of income taxes under Part 2 of Article 4 of this Chapter may elect to contribute all or part of the refund to be used for early detection of breast and cervical cancer at the Cancer Prevention and Control Branch of the Division of Public Health of the Department of Health and Human Services. The Secretary shall provide appropriate language and space on the individual income tax form in which to make the election. The Secretary shall include in the income tax instructions an explanation that the contributions will be used for early detection of breast and cervical cancer only. The election becomes irrevocable upon filing the individual's income tax return for the taxable year.

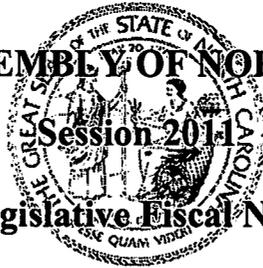

The Secretary shall transmit the contributions made pursuant to this section to the State Treasurer to be distributed for early detection of breast and cervical cancer. The State Treasurer shall distribute the contributions to the Cancer Prevention and Control Branch of the Division of Public Health of the Department of Health and Human Services. Funds distributed pursuant to this section shall be used only for early detection of breast and cervical cancer and shall be used in accordance with North Carolina's Breast and Cervical Cancer Control Program's policies and procedures."

SECTION 2. The General Assembly finds that the funds generated by this act are intended to be additional funding for early detection of breast and cervical cancer and are not intended to replace current appropriations for early detection of breast and cervical cancer.

SECTION 3. This act is effective for taxable years beginning on or after January 1, 2011.

PROGRAM(S) AFFECTED: Department of Revenue

EFFECTIVE DATE: Effective for taxable years beginning on or after January 1, 2011

BILL SUMMARY:

SOURCE: BILL DIGEST H.B. 160 (02/22/0201)

Section 1: Enacts new GS 105-269.7 to allow an individual entitled to an income tax refund to elect to contribute all or part of the refund to the Cancer Prevention and Control Branch of the Division of Public Health of the Department of Health and Human Services (Branch) to support early detection of breast and cervical cancer. Requires that an explanation stating that the contributions will be used for early detection of breast and cervical cancer only be included in the income tax instructions. Directs the Secretary of Revenue to transmit all contributions to the State Treasurer, who will then distribute the funds to the Branch.

Section 2: Clarifies that the funds generated by the income tax return election will supplement, and not replace, current appropriations for early detection of breast and cervical cancer.

Section 3: Effective for taxable years beginning on or after January 1, 2011.

ASSUMPTIONS AND METHODOLOGY:

Revenues

The bill would allow taxpayers the option to donate all or a portion of their income tax refund to the Division of Public Health to support the early detection of breast and cervical cancer. Because it is not known how many taxpayers would elect to donate, or what amounts would be donated, it is not possible to determine a reliable estimate of additional revenue. There is currently a check-off for the Nongame and Endangered Wildlife Fund. In 2008, 22,595 taxpayers contributed a total of \$485,117 to the Fund.

Expenditures

The Department of Revenue (the Department) estimates that any additional processing necessary to implement the draft bill can be absorbed into current operations. Additional processing would include revising the existing Individual Income Tax Return form (D-400) as follows:

- Business Systems Analyst - 20 hours for analysis
- Business and Technology Applications Analyst - 80 hours for design, development and testing
- Revenue Tax Auditor - 80 hours for acceptance testing (business)

Currently taxpayers can elect to apply all or part of their refund to the NC Nongame and Endangered Wildlife Fund on the form D-400. In addition, each taxpayer can elect to apply \$3 of their tax liability to the NC Public Campaign Fund and/or the NC Political Parties Financing Fund on the form D-400. According to the Department, there will be two lines available on the current form D-400 if the income tax surcharge expires for taxable years beginning on or after January 1, 2011 as currently set forth in G.S. 105-130.3B. There would be no additional cost to revise the form D-400.

This analysis only takes into consideration taxpayer designations as they are allowed by current State statute. If the income tax surcharge does not sunset or if additional taxpayer designations are authorized by the General Assembly, the D-400 may need to increase from two to three pages. If this occurs, based on the 265,000 Form D-400's printed for the tax year 2010, the Department will incur additional printing costs of \$4,526. This estimate does not assume that a new tax form for tax check-offs would be required. This analysis also does not include costs associated with a larger number of check-offs.

HOUSE BILL 160: Check-Off Donation: Breast Cancer Screening

2011-2012 General Assembly

Committee:	House Finance	Date:	April 21, 2011
Introduced by:	Reps. Dollar, Justice, Howard, Stevens	Prepared by:	Greg Roney
Analysis of:	First Edition		Committee Counsel

SUMMARY: *House Bill 160 directs the Secretary of Revenue to allow individuals due a State income tax refund to contribute all or part of their tax refund to the North Carolina Breast and Cervical Cancer Control Program (NC BCCCP) within the Division of Public Health of the Department of Health and Human Services.*

CURRENT LAW: G.S. 105-269.5 directs the Secretary of Revenue to allow individuals due a State income tax refund to contribute all or part of their tax refund to the Wildlife Conservation Account established under G.S. 143-247.2 to be used for the management, protection, and preservation of wildlife.

North Carolinians calculate State income tax on a two-page form¹ where one line allows taxpayers to specify an amount donated to the Wildlife Fund. Each additional program eligible for voluntary contributions requires one additional line on the tax form. Future tax law changes may also require additional lines on the tax form. If the capacity of the two-page form is exceeded, then the tax calculation may expand to three pages or require an additional form.

BILL ANALYSIS: House Bill 160 would create a second State program eligible to receive elective contributions from individual taxpayers. Individual taxpayers due a State tax refund would be able to make a donation of some or all of their refund to the NC BCCCP, to the Wildlife Fund, or both. Contributions to the NC BCCCP may only be used for the early detection of breast and cervical cancer.

Section 1 adds a new section to Article 9 of Chapter 105 directing the Secretary of Revenue to provide appropriate language and space on the individual income tax form to make an elective contribution to the NC BCCCP. The instructions to the individual income tax form must explain that the contribution will only be used for early detection of breast and cervical cancer. The election is irrevocable.

The section further directs the Secretary to transmit the contributions to the State Treasurer to be distributed to the Cancer Prevention and Control Branch of the Division of Public Health of the Department of Health and Human Services.

The section provides these funds shall be used only for early detection of breast and cervical cancer.

Section 2 states the intent of the General Assembly that voluntary contributions are additional funding for NC BCCCP and are not to be substituted for current appropriations to NC BCCCP.

BACKGROUND: Every state with a broad-based income tax has at least one program eligible for voluntary contributions from taxpayers. For all states, the voluntary contributions are donations from a taxpayer's refund (except checkoffs for political campaigns which are often made from a taxpayer's liability). The number of programs eligible for voluntary contribution has increased rapidly among

¹ Pages 1 and 2 of the North Carolina Income Tax Return calculate State income tax. A copy of the Return is attached to this summary. Pages 3 and 4 of the tax form are adjustments to State taxable income that are totaled and entered on pages 1 and 2. Page 4 also contains the signature block.

House Bill 160

Page 2

states with 103 programs in 1989, 179 programs in 2000, and 220 programs in 2003. Currently, Virginia has the most voluntary contribution programs with 154 programs.

Twelve states have procedures to remove programs from the list of entities eligible for voluntary contributions. The most popular method is requiring a minimum amount of total contributions to remain on the income tax form. At least two states set a maximum number of programs that can be listed on the tax return which conserves the lines available on the tax form. Finally, three states sunset the legislation that added the program to the list of eligible programs.

EFFECTIVE DATE: This act becomes effective for taxable years beginning on or after January 1, 2011.

Shawn Parker, counsel to House Health and Human Services, substantially contributed to this summary.

Please Vote YES on H160 – Breast & Cervical Cancer Check-off Donation

March 23, 2011

Members of the House Committee on Finance
North Carolina General Assembly
State of North Carolina
16 West Jones Street
Raleigh, NC 27601

Re: Please Support H160 Breast & Cervical Cancer Check-off Donation

Dear Honorable Representatives:

The American Cancer Society and Cervical Cancer-Free North Carolina respectfully request your support for H160, Breast & Cervical Cancer Check-off Donation. Our organizations are dedicated to fighting cancer and ensuring vital preventive cancer screening is available to all North Carolinians. H160 would allow taxpayers the opportunity to donate all or part of their tax refund to the NC Breast and Cervical Cancer Early Detection Program (BCCCP).

We commend your insight and courage in hearing H160 and for looking for innovative approaches to continuing to provide vital breast and cervical cancer screening services to uninsured and underinsured residents of North Carolina. Since this body established BCCCP in our state nearly twenty years ago, it has served a valuable role in detecting breast and cervical cancers in women who could otherwise not afford these cancer screening services. When women who have been screened through this program are diagnosed with breast or cervical cancer they are enrolled in the federal Medicaid Breast and Cervical Treatment Program. Together, these programs allow physicians to detect cancer early and treat it, which results in lower medical costs for all involved. This federal Medicaid treatment program is not available to uninsured or underinsured women who receive a diagnosis of breast or cervical cancer outside of the BCCCP program.

In 2010, about 1,340 women in NC lost their battle with breast cancer and 120 women lost their fight with cervical cancer - H160 will save lives. Currently, due to insufficient funding, only 1 of every 7 eligible NC women receives screening through BCCCP. H160 would provide supplemental funding to ensure that more of these eligible women get preventive cancer screening services.

March 21, 2011

Honorable Nelson Dollar
North Carolina House of Representatives
300 N. Salisbury Street, Room 307B1
Raleigh, North Carolina 27603-5925

Dear Representative Dollar,

Thank you for your leadership in proposing HB 160 – Check-Off Donation: Breast Cancer Screening. I am pleased to see a piece of legislation that allows an individual to allocate a portion of his/her income tax refund to the state's Breast and Cervical Cancer Control Program (BCCCP) to support early detection of breast and cervical cancer.

As the Chief Medical Officer for Blue Cross and Blue Shield of North Carolina, I know the importance of early detection and treatment of breast cancer and cervical cancer. BCBSNC covers screenings and treatments for our members and provides funding to many organizations to promote health and wellness, including cancer detection. I am encouraged that people may soon have another avenue for supporting early detection.

According to the American Cancer Society's (ACS) *Cancer Facts and Figures-2010*, 6,500 new cases of breast cancer and 360 new cases of cervical cancer occurred in North Carolina. The BCCCP provides an important service to low-income woman by offering free or low-cost breast and cervical cancer screenings and follow-up. According to the BCCCP, 116,523 women qualified for its program, but funding allowed only 17,626 women to be screened. Of those screened, 18% were found to have abnormal results with 241 cases of cancer diagnosed.

I am hopeful that additional funding provided by HB 160 will help more North Carolina women receive life-saving screenings for breast and cervical cancers. Thank you for your work and dedication on this critical health need.

Sincerely,

**Don W. Bradley, M.D., MHS-CL
SVP Healthcare & CMO**

April 8, 2011

The Honorable Governor Beverly Perdue
Office of the Governor
20301 Mail Service Center
Raleigh, NC 27601

Dear Governor Perdue:

The American Cancer Society respectfully requests your **SUPPORT FOR H160, Breast & Cervical Cancer Check-off Donation**. On behalf of our 240,000 volunteers in North Carolina, we are dedicated to fighting cancer and ensuring vital preventive cancer screening is available to all North Carolinians. H160 allows taxpayers the opportunity to donate all or part of their tax refund to the NC Breast and Cervical Cancer Control Program (BCCCP). Eleven other states have implemented this check-off donation and we ask that you help spearhead this legislation to move North Carolina forward to supplement the funding for this life-saving program.

We commend your support for the NC BCCCP and we encourage you to collaborate with your Administration and the sponsors of this legislation in devising innovative approaches to continuing these vital breast and cervical cancer screening services to uninsured and underinsured residents of North Carolina. BCCCP has operated in our state for nearly twenty years. It has saved thousands of lives by its early detection of breast and cervical cancers in women who could otherwise not afford these cancer screening services. Women must be diagnosed through the BCCCP screening program to qualify for the federally funded Medicaid Breast and Cervical Treatment Program. Together, these programs allow physicians to detect and treat cancer early while lowering overall medical costs.

In 2010, approximately 1,340 women in North Carolina died from breast cancer and 120 women died from cervical cancer. Due to insufficient funding, **only 1 of every 7 eligible NC women received screening through BCCCP**. H160 provides supplemental funding to ensure that more of these eligible women get preventive cancer screening services. In fact, just an additional \$500,000 in funding could provide 2000 more screenings for individuals. Two thousand lives could be saved through this new donation option.

Your Administration's support and collaboration with the sponsors of H160, will help ensure that we provide essential breast and cervical cancer screening to more women. We will detect more early stage cancers, which will spare North Carolina high medical costs of advanced stage cancer treatment and ultimately save more lives.

Sincerely,

A handwritten signature in black ink that reads "Nadine Malpass".

Support House Bill 160: Breast and Cervical Cancer Check Off Donation

- This bill allows individuals who are entitled to a state income tax refund to donate all or part of their refund to the North Carolina Breast and Cervical Cancer Control Program (BCCCP)
- This program was established nearly 20 years ago and supports screening and diagnostic testing for early detection of breast and cervical cancer
- Current funding for BCCCP is insufficient to screen all eligible participants. House Bill 160 ensures that more eligible women will receive breast and cervical cancer preventive screenings
- This bill will generate additional funds for the program and it specifies that these donations will supplement, not replace, current appropriations for early detection of breast and cervical cancer

North Carolina Needs Cancer Screenings Provided by the BCCCP Program

- Women who receive a cancer diagnosis through BCCCP are automatically enrolled in the federal Medicaid program to access treatment
- If an uninsured or underinsured woman is screened for cancer outside BCCCP, she is **NOT** eligible for the federally funded treatment program
- The additional cost of late stage cancer treatment for uninsured and/or underinsured individuals is ultimately passed on to the taxpayer and paid for by higher priced insurance premiums.

Breast and Cervical Cancer Control Program Saves Lives and Reduces State Healthcare Costs

- Early diagnosis and treatment of breast and cervical cancer is more cost effective than late stage cancer treatment
- The Breast and Cervical Cancer Control Program provides free pap tests to women aged 18-64 and mammograms to women aged 40-64 who are uninsured and underinsured
- From 2004-09, over 28,000 women in North Carolina were screened by this program, which detected 552 breast cancers and 714 cervical cancers or cancer precursor lesions
- Over 420,000 uninsured women aged 18-64 with a Federal Poverty Level (FPL) less than 250%, and 177,700 women aged 40-64 with a FPL less than 250% resided in North Carolina.
- Over 45% of the women served were racial/ethnic minorities

For more information contact: Christine Weason, Government Relations Director/Lobbyist for the American Cancer Society, (919) 270-4428 or
Jon Carr, Contract Lobbyist for the American Cancer Society, 919.831.4473

- Due to insufficient funding, only 1 out of every 7 eligible NC women is actually screened for breast and cervical cancer through NC Breast and Cervical Cancer Control Program.
- The nominal cost for BCCCP breast and cervical screening and diagnostic tests is \$255 per individual

Cancer is Deadly and Costly to North Carolina

- Breast cancer is the most frequently diagnosed cancer in women and the second leading cause of death among women in the United States
- Last year in North Carolina 6,500 women were diagnosed with breast cancer and 360 women were diagnosed with cervical cancer
- Last year in North Carolina 1,340 women lost their battle with breast cancer and 120 women lost their fight with cervical cancer
- In 2010, breast and cervical cancer accounted for 15% of new cancer cases in North Carolina
- Death rates for breast cancer have steadily decreased in women since 1990. The decrease in breast cancer death rates represents progress due to earlier detection and improved treatment.

Early Detection is Critical

- When breast cancer is detected early the survival rate is 98% - when diagnosed at a late state only 27% of women survive
- Mammography is a very accurate screening tool which can detect breast cancer at an early stage, when treatment is more effective and a cure is more likely
- Mammography will detect about 80-90% of breast cancers in women without symptoms
- Numerous studies have shown that early detection saves lives, increases treatment options, and decreases treatment costs

North Carolina General Assembly
House Committee on Finance

Minutes

~
April 26, 2011

The House Committee on Finance met on Tuesday, April 26, 2011 at 8:00 am in Room 544 of the Legislative Office Building. The following members were present: Chairpersons Howard, Starnes, and Setzer; Vice-Chairs Lewis, McComas and Wainwright; and Representatives Brawley, Carney, Collins, Cotham, Faison, Hackney, Hall, Hill, Jordan, Luebke, McCormick, McGee, McGuirt, Moffitt, Moore, Rhyne, Ross, Samuelson, Stam, Stone, Warren, Weiss and Womble. Also present were Sergeant-at-Arms John Brandon, Earl Coker, Fred Hines, Ken Kirby Larry Elliott, and Young Bae. Staff persons present included Cindy Avrette, Bryce Ball, Rodney Bizzell, Ryan Blackledge, Mark Bondo, Dan Ettefagh, Heather Fennell, Trina Griffin, Claire Hester, Doug Holbrook, Sandra Johnson, Lanier McRee, Michelle Nelson, Karlynn O'Shaughnessy, Greg Roney, Brian Silvka, Jonathan Tart, and Kristin Walker. The Agenda and Visitor Registration Sheets are attached and incorporated into these minutes as **attachments 1 and 2**.

Chairwoman Howard called the meeting to order at 8:00 am and recognized the six (6) pages present: (1) Kirk O'Steen of Wake County sponsored by Representative Jackson; (2) Ethan Dancy of Alexander County sponsored by Representative Hollo; (3) Garrett Stanley of Chowan County sponsored by Representative Spear; (4) Nell Herring of Iredell County sponsored by Representative Mills; (5) Adrian Thompson of Wayne County sponsored by Representative Sager; and (6) Carly Smith of Stanly County sponsored by Representative Tillis.

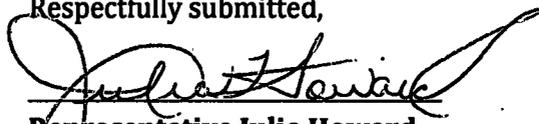

Chairwoman Howard re-referred the following bills to the Subcommittee on Occupancy Tax: HB 96 Additional Alleghany Occupancy Tax; HB 414 Amend Rutherford County Occupancy Tax; and SB 269 Hillsborough Occupancy Tax.

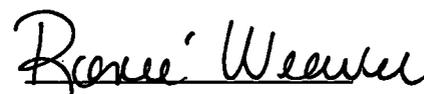

The first bill considered by the Committee was **HB 200 Appropriations Act of 2011** (see **attachment 3**). The Chair recognized Representative Brubaker to explain the bill. Representative Hackney moved to hear the proposed committee substitute for discussion purposes, the motion carried. Representative Brubaker made opening remarks and reminded the Committee the bill before them was not the complete Appropriation Budget but only the fees that are in the Appropriation Budget. Representative Brubaker referred the members to the Fee Adjustments Chart in their folder (see **attachment 4**). Representative Brubaker requested that the Appropriation Subcommittee Chair(s) of Education, Natural & Economic Resources, Justice and Public Safety, General Government and Transportation present and explain their sections of the bill. The Chair acknowledged Representative Blackwell to explain the Education portion of the bill.

Representative West was then recognized to explain the Natural Economic Resources section of the bill with the assistance of staff members Claire Hester and Lanier McRee of Fiscal Research. Chairwoman Howard then recognized Representatives Daughtry, Guice and Randleman to review the Justice and Public Safety section of the bill. Staff member Doug Holbrook of Fiscal Research assisted in answering questions from members. The Chair then recognized staff member Michele Nelson who explained the General Government section on behalf of Representatives Cleveland and Folwell. Staff member Karlynn O'Shaughnessy of Fiscal Research assisted in answering questions from members. The Chair then recognized Representative Killian who reviewed the Transportation piece of the bill. Staff member Bryce Ball of Fiscal Research assisted in answering questions. The Chair recognized Representative Luebke who sent forth amendment 1 that moved to amend the bill on page 19, line 40 (see **attachment 5**). Representative Luebke was recognized to explain his amendment and moved for a favorable vote on amendment 1. Staff member, Brian Slivka of Fiscal Research assisted in answering questions from members. Being no further discussion or debate, the Chair called for ayes and noes on amendment 1. The motion to adopt amendment 1 failed the voice vote. Chairwoman Howard recognized Representative Weiss who sent forth amendment 2 that moved to amend the bill on page 5, line 13 (see **attachment 6**). Representative Weiss explained the amendment. Being no further discussion or debate, the Chair called for a show of hands for amendment 2. The vote being 13 affirmative and 16 against, the amendment failed. The Chair recognized Representative Weiss who sent forth amendment 3 that moved to amend the bill on page 19, line 40 (see **attachment 7**). Representative Weiss explained the amendment. Being no further discussion or debate, the Chair called for ayes and noes on amendment 3. The motion to adopt amendment 3 failed the voice vote. The Chair recognized Representative McComas who sent for amendment 4 that moved to amend the bill on page 9, line 46 and on page 10, line 25 (see **attachment 8**). Representative McComas explained the amendment. Being no further discussion or debate, the Chair called for ayes and noes on amendment 4. The motion to adopt amendment 4 passed the voice vote. The Chair recognized Representative McComas who sent forth amendment 5 that moved to amend the bill on page 15, lines 13 through 15 (see **attachment 9**). Representative McComas explained the amendment. Representative Randleman and staff member Doug Holbrook answered questions from members. Being no further discussion, the Chair called for ayes and noes on amendment 5. The motion to adopt amendment 5 passed the voice vote. Chairwoman Howard recognized Representative Stam who moved that HB 200, as amended and rolled into a proposed committee substitute, be given a favorable report, unfavorable report to the original bill. Representative Luebke requested roll call vote. The clerk called the roll. The vote being 17 affirmative and 14 against, the motion carried (see **attachment 10**).

There being no further business presently before the Committee, Chairwoman Howard adjourned the meeting at 9:54 am.

Respectfully submitted,

Representative Julia Howard
Presiding Senior Chair

Renee Weaver
Clerk, House Committee on
Finance

**2011 COMMITTEE REPORT
HOUSE OF REPRESENTATIVES**

The following report(s) from standing committee(s) is/are presented:

By Representative Howard, Folwell, Setzer, Starnes (Chairs) for the Committee on FINANCE.

Committee Substitute for

HOUSE BILL 200
PROPOSED COMMITTEE SUBSTITUTE H200-CSMCx-5 [v.9]

4/25/2011 1:50:04 PM

Short Title: Appropriations Act of 2011.

(Public)

Sponsors:

Referred to:

March 2, 2011

A BILL TO BE ENTITLED

AN ACT TO MAKE REVENUE MODIFICATIONS TO SUPPORT BASE BUDGET
APPROPRIATIONS FOR CURRENT OPERATIONS OF STATE DEPARTMENTS,
INSTITUTIONS, AND AGENCIES.

The General Assembly of North Carolina enacts:

PARTS I-XXIX: RESERVED

PART XXX: CAPITAL PROJECTS

UNC NON-GENERAL FUND CAPITAL PROJECTS

SECTION 30.7.(a) The purpose of this section is (i) to authorize the planning or construction by certain constituent institutions of The University of North Carolina of the capital improvements projects listed in this section for the respective institutions and (ii) to authorize the financing of these projects with funds available to the institutions from gifts, grants, receipts, self-liquidating indebtedness, Medicare reimbursements for education costs, hospital receipts from patient care, or other funds, or any combination of these funds, but not including funds received for tuition or appropriated from the General Fund of the State.

SECTION 30.7.(b) The capital improvements projects, and their respective costs, authorized by this section to be constructed and financed as provided in subsection (a) of this section, including by revenue bonds, by special obligation bonds as authorized in subsection (e) of this section, or by both, are as follows:

Appalachian State University	
Winkler Residence Hall Renovation	\$ 11,805,000
East Carolina University	
Athletic Facilities Expansion and Improvement – Phase 4	
Auxiliary Practice Gymnasium	15,000,000
Fayetteville State University	
Rudolph Jones Student Center Expansion and Renovation	23,289,021
North Carolina A&T State University	

1	New Health Center	10,000,000
2		
3	North Carolina Central University	
4	Chidley Residence Hall Expansion and Renovation	41,193,000
5		
6	North Carolina State University	
7	Centennial Campus Housing Complex	129,000,000
8	Lee Residence Hall and Sullivan Residence Hall	6,000,000
9		
10	The University of North Carolina at Chapel Hill	
11	Carolina Inn Renovation – Phase 2	9,000,000
12	Woollen Gymnasium Renovation – Phase 2	2,650,000
13		
14	The University of North Carolina at Charlotte	
15	New Residence Hall – Phase X	31,045,802
16	New Residence Hall – Phase XI	40,837,005
17	Residence Dining Hall Replacement	29,176,738
18	Parking Deck J	27,418,000
19		
20	The University of North Carolina at Greensboro	
21	Student Recreation Center	91,000,000
22	Tower Village II Residence Hall Acquisition	34,500,000
23	Campus Police Building	10,030,000
24	Village Parking Deck	10,877,000
25		
26	The University of North Carolina at Pembroke	
27	Student Health Services Comprehensive Renovation and Addition	3,950,000
28		
29	Western Carolina University	
30	Walker Residence Hall Expansion and Renovation	17,289,000
31		

32 **SECTION 30.7.(c)** The capital improvements projects, and their respective costs,
33 authorized by this section to be planned and financed as provided in subsection (a) of this
34 section, including by revenue bonds, by special obligation bonds as authorized in subsection (e)
35 of this section, or by both, are as follows:

36		
37	The University of North Carolina at Chapel Hill	
38	Mary Ellen Jones Renovation – Phase 1	\$ 4,000,000
39	Research Building at Carolina North	6,000,000
40		
41	The University of North Carolina at Charlotte	
42	New Residence Hall – Phase XII	3,840,741
43	Cedar, Hickory, and Sycamore Residence Halls Renovation	750,000
44		

45 **SECTION 30.7.(d)** At the request of the Board of Governors of The University of
46 North Carolina and upon determining that it is in the best interest of the State to do so, the
47 Director of the Budget may authorize an increase or decrease in the cost of, or a change in the
48 method of, funding the projects authorized by this section. In determining whether to authorize
49 a change in cost or funding, the Director of the Budget may consult with the Joint Legislative
50 Commission on Governmental Operations.

1 **SECTION 30.7.(e)** Pursuant to G.S. 116D-26, the Board of Governors may issue,
2 subject to the approval of the Director of the Budget, at one time or from time to time, special
3 obligation bonds of the Board of Governors for the purpose of paying all or any part of the cost
4 of acquiring, constructing, or providing for the projects authorized by subsections (b) and (c) of
5 this section. The maximum principal amount of bonds to be issued shall not exceed the
6 specified project costs in subsections (b) and (c) of this section plus five percent (5%) of such
7 amount to pay issuance expenses, fund reserve funds, pay capitalized interest, and pay other
8 related additional costs, plus any increase in the specific project costs authorized by the
9 Director of the Budget pursuant to subsection (d) of this section.

10 **SECTION 30.7.(f)** This section is effective when it becomes law.

11
12 **PART XXXI: FEES**

13
14 **EDUCATION/DRIVER EDUCATION REFORM**

15 **SECTION 31.1.(a)** Subsections (a), (b), and (b1) of G.S. 20-88.1 are recodified as
16 subsections (a), (d), and (e), respectively, of a new section G.S. 115C-215.1, in Article 14 of
17 Chapter 115C of the General Statutes to be entitled "Administration of driver education
18 program by the Department of Public Instruction."

19 **SECTION 31.1.(b)** G.S. 20-11(b) reads as rewritten:

20 "(b) Level 1. – A person who is at least 15 years old but younger than 18 years old may
21 obtain a limited learner's permit if the person meets all of the following requirements:

- 22 (1) Passes a course of driver education prescribed in ~~G.S. 20-88.1~~
23 G.S. 115C-215.1 or a course of driver instruction at a licensed commercial
24 driver training school.
25 (2) Passes a written test administered by the Division.
26 (3) Has a driving eligibility certificate or a high school diploma or its
27 equivalent."

28 **SECTION 31.1.(c)** G.S. 20-88.1, as amended by subsection (a) of this section,
29 reads as rewritten:

30 **"§ 20-88.1. Driver education.**

31 (a) through (b1) Recodified.

32 (c) ~~All expenses~~ Expenses incurred by the State in carrying out the provisions of ~~this~~
33 ~~section~~ the driver education program administered by the Department of Public Instruction in
34 accordance with G.S. 115C-215.1 shall be paid out of the Highway ~~Fund.~~ Fund based on an
35 annual appropriation by the General Assembly.

36 (d) The Division shall prepare a driver license handbook that explains the traffic laws of
37 the State and shall periodically revise the handbook to reflect changes in these laws. At the
38 request of the Department of ~~Education,~~ Public Instruction, the Division shall provide free
39 copies of the handbook to that Department for use in the program of driver education offered at
40 public high schools."

41 **SECTION 31.1.(d)** G.S. 20-322(b) reads as rewritten:

42 "(b) Regulations adopted by the Commissioner shall state the requirements for a school
43 license, including requirements concerning location, equipment, courses of instruction,
44 instructors, financial statements, schedule of fees and charges, character and reputation of the
45 operators, insurance, bond or other security in such sum and with such provisions as the
46 Commissioner deems necessary to protect adequately the interests of the public, and such other
47 matters as the Commissioner may prescribe. A driver education course offered to prepare an
48 individual for a limited learner's permit or another provisional license must meet the
49 requirements set in ~~G.S. 20-88.1~~ G.S. 115C-215.1 for the program of driver education offered
50 in the public schools."

51 **SECTION 31.1.(e)** G.S. 115C-215 is repealed.

1 SECTION 31.1.(f) G.S. 115C-215.1, as enacted by subsection (a) of this section,
2 reads as rewritten:

3 **"§ 115C-215.1. Administration of driver education program by the Department of Public
4 Instruction.**

5 (a) In accordance with criteria and standards approved by the State Board of Education,
6 the State Superintendent of Public Instruction shall organize and administer a standardized
7 program of driver education to be offered at the public high schools of this State for all
8 physically and mentally qualified persons who (i) are older than 14 years and six months, (ii)
9 are approved by the principal of the school, pursuant to rules adopted by the State Board of
10 Education, (iii) are enrolled in a public or private high school within the State, State or are
11 receiving instruction through a home school as provided in Part 3 of Article 39 of Chapter
12 115C of the General Statutes, and (iv) have not previously enrolled in the program. The State
13 Board of Education shall use for such purpose all funds appropriated to it for said purpose, and
14 may use all other funds that become available for its use for said purpose.

15 (b) The driver education program established pursuant to this section must include the
16 following:

- 17 (1) Instruction on the rights and privileges of the handicapped and the signs and
18 symbols used to assist the handicapped relative to motor vehicles, including
19 the "international symbol of accessibility" and other symbols and devices as
20 provided in Article 2A of ~~this Chapter~~. Chapter 20 of the General Statutes.
- 21 (2) At least six hours of instruction on the offense of driving while impaired and
22 related subjects.
- 23 (3) At least six hours of actual driving experience. To the extent practicable, this
24 experience may include at least one hour of instruction on the techniques of
25 defensive driving.
- 26 (4) At least one hour of motorcycle safety awareness training.

27 (c) The State Board of Education shall establish and implement a strategic plan for the
28 driver education program. At a minimum, the strategic plan shall consist of goals and
29 performance indicators, including the number of program participants as compared to the
30 number of persons projected to be eligible to participate in the program, the implementation of
31 a standard curriculum for the program, expenditures for the program, and the success rate of
32 program participants in receiving a drivers license as reported by the Division of Motor
33 Vehicles. The strategic plan shall also outline specific roles and duties of an advisory
34 committee consisting of employees of the Division of Motor Vehicles and the Department of
35 Public Instruction and other stakeholders in driver education.

36 (d) The State Board of Education shall adopt a salary range for driver education
37 instructors who are public school employees and who do not hold teacher certificates.

38 Driver education instructors who are public school employees and who hold teacher
39 certificates shall be paid on the teacher salary schedule. A day of employment for driver
40 education instructors who hold teacher certificates shall be the same number of hours required
41 of all regular classroom teachers as established by the local board of education.

42 (e) The State Board of Education shall adopt rules to permit local boards of education
43 to enter contracts with public or private entities to provide a program of driver education at
44 public high schools. All driver education instructors shall meet the requirements established by
45 the State Board of Education; provided, however, driver education instructors shall not be
46 required to hold teacher certificates."

47 SECTION 31.1.(g) G.S. 115C-216 reads as rewritten:

48 **"§ 115C-216. Boards of education required to provide courses in operation of motor
49 vehicles.**

50 (a) Course of Training and Instruction Required in Public High Schools. – ~~The State~~
51 ~~Board of Education and local~~ Local boards of education ~~are required to provide as a part of the~~

1 ~~program of the public high schools in this State a course of training and instruction in the~~
2 ~~operation of motor vehicles, in accordance with G.S. 20-88.1. shall offer noncredit driver~~
3 ~~education courses in high schools using the standardized curriculum provided by the~~
4 ~~Department of Public Instruction.~~

5 (b) Inclusion of Expense in Budget. – The local boards of education ~~of every local~~
6 ~~school administrative unit are hereby authorized to shall~~ include as an item of instructional
7 service and as a part of the current expense fund of the budget of the ~~several~~ high schools under
8 their supervision, the expense necessary ~~to install and maintain such a course of training and~~
9 ~~instructing eligible persons in such schools in the operation of motor vehicles. to offer the~~
10 ~~driver education course.~~

11 (c) to (f) Repealed by Session Laws 1991, c. 689, s. 32(c).

12 (g) Fee for Instruction. – The local boards of education may charge each student
13 participating in driver education a fee of up to seventy-five dollars (\$75.00) to offset the costs
14 of providing the training and instruction."

15 EDUCATION/STATE BOARD AUTHORITY TO ESTABLISH GED TESTING FEES

16 SECTION 31.2. G.S. 115D-5(s) reads as rewritten:

17 "(s) The State Board of Community Colleges may establish, retain and budget fees
18 charged to students taking the General Education Development (GED) ~~test. test, including fees~~
19 for retesting. Fees collected for this purpose shall be used only to (i) offset the costs of the GED
20 test, including the cost of scoring the test, (ii) offset the costs of printing GED certificates, and
21 (iii) meet federal and State reporting requirements related to the test."
22

23 EDUCATION/NORTH CAROLINA VIRTUAL PUBLIC SCHOOLS ALLOTMENT 24 FORMULA

25 SECTION 31.3.(a) The State Board of Education shall implement an allotment
26 formula for the North Carolina Virtual Public Schools (NCVPS) beginning with the 2011-2012
27 school year. In accordance with Section 7.16 of S.L. 2006-66, the allotment formula shall
28 create a sustainable source of funding that increases commensurate with student enrollment and
29 recognizes "the extent to which projected enrollment in e-learning courses affects funding
30 required for other allotments that are based on average daily membership."
31

32 SECTION 31.3.(b) The State Board shall use only funds provided through the
33 North Carolina Virtual Public Schools Allotment Formula to fund NCVPS.

34 SECTION 31.3.(c) The Department of Public Instruction shall take the following
35 steps to implement the North Carolina Virtual Public Schools Allotment Formula:

- 36 (1) Project NCVPS student enrollment by semester and year-long course types
37 for each local school administrative unit and charter school.
- 38 (2) Establish a per course fee for each course type.
- 39 (3) Multiply the projected NCVPS student enrollment by semester and
40 year-long course for each local school administrative unit and charter school
41 type by the per course fees to determine the total NCVPS cost for each local
42 school administrative unit and charter school.
- 43 (4) Transfer a dollar amount equal to the local school administrative unit's or
44 charter school's total NCVPS cost to NCVPS. For local school
45 administrative units, funds shall be transferred from the classroom teacher
46 allotment to NCVPS. For charter schools, the allotment of State funds will
47 be reduced and transferred to NCVPS.

48 SECTION 31.3.(d) NCVPS shall use the funds transferred to it to provide the
49 NCVPS program at no cost to all students in North Carolina who are enrolled in North
50 Carolina's public schools, Department of Defense schools, and schools operated by the Bureau
51 of Indian Affairs.

1 **SECTION 31.3.(e)** NCVPS shall provide only high school courses and shall not
2 provide any courses in physical education.

3 **SECTION 31.3.(f)** The State Board shall establish a separate per student fee
4 structure for out-of-state students, private school students, and home-schooled students. For the
5 2011-2012 school year, NCVPS shall provide specific instructions on its Web site, describing
6 the steps required for such students to enroll in NCVPS courses and all applicable fees.

7 Beginning with the 2012-2013 school year, NCVPS shall provide an online process
8 by which such students can enroll in NCVPS courses online.

9 **SECTION 31.3.(g)** The Board shall direct NCVPS to develop a plan to generate
10 revenue from the sale of courses to out-of-state educational entities. NCVPS shall submit its
11 plan to the Board by September 15, 2011.

12 **SECTION 31.3.(h)** The Director of NCVPS shall continue to ensure that:

13 (1) Course quality standards are established and met.

14 (2) All e-learning opportunities offered by State-funded entities, other than
15 charter schools, to public school students are consolidated under the North
16 Carolina Virtual Public School program, eliminating course duplication.

17 (3) All courses offered through NCVPS are aligned to the North Carolina
18 Standard Course of Study.

19 **SECTION 31.3.(i)** Funds for the administration of NCVPS shall be capped at a
20 maximum of fifteen percent (15%) per year of the funds transferred to NCVPS.

21 **NER/COMMERCE/SET REGULATORY FEE FOR UTILITIES COMMISSION**

22 **SECTION 31.4.(a)** The percentage rate to be used in calculating the public utility
23 regulatory fee under G.S. 62-302(b)(2) is twelve-hundredths of one percent (0.12%) for each
24 public utility's North Carolina jurisdictional revenues earned during each quarter that begins on
25 or after July 1, 2011.

26 **SECTION 31.4.(b)** The electric membership corporation regulatory fee imposed
27 under G.S. 62-302(b1) for the 2011-2012 fiscal year is two hundred thousand dollars
28 (\$200,000).

29 **SECTION 31.4.(c)** This section becomes effective July 1, 2011.

30 **NER/AGRICULTURE/INCREASE FEES FOR PET SHOPS, AUCTIONS, KENNELS,** 31 **AND DEALERS**

32 **SECTION 31.5.(a)** G.S. 19A-27 reads as rewritten:

33 "**§ 19A-27. License required for operation of pet shop.**

34 No person shall operate a pet shop unless a license to operate such establishment shall have
35 been granted by the Director. Application for such license shall be made in the manner
36 provided by the Director. The license shall be for the fiscal year and the license fee shall be
37 ~~fifty dollars (\$50.00)~~ seventy-five dollars (\$75.00) for each license period or part thereof
38 beginning with the first day of the fiscal year."

39 **SECTION 31.5.(b)** G.S. 19A-28 reads as rewritten:

40 "**§ 19A-28. License required for public auction or boarding kennel.**

41 No person shall operate a public auction or a boarding kennel unless a license to operate
42 such establishment shall have been granted by the Director. Application for such license shall
43 be made in the manner provided by the Director. The license period shall be the fiscal year and
44 the license fee shall be ~~fifty dollars (\$50.00)~~ seventy-five dollars (\$75.00) for each license
45 period or part thereof beginning with the first day of the fiscal year."

46 **SECTION 31.5.(c)** G.S. 19A-29 reads as rewritten:

47 "**§ 19A-29. License required for dealer.**

48 No person shall be a dealer unless a license to deal shall have been granted by the Director
49 to such person. Application for such license shall be in the manner provided by the Director.
50
51

1 The license period shall be the fiscal year and the license fee shall be ~~fifty dollars~~
2 ~~(\$50.00)~~ seventy-five dollars (\$75.00) for each license period or part thereof, beginning with the
3 first day of the fiscal year."
4

5 **NER/AGRICULTURE/REPEAL BOARD OF AGRICULTURE REVIEW OF FEE**
6 **SCHEDULES**

7 **SECTION 31.6.** G.S. 106-6.1(b) is repealed.
8

9 **NER/AGRICULTURE/FEEES FOR OUT-OF-STATE SOIL TESTS AND EXPEDITED**
10 **SOIL TESTS**

11 **SECTION 31.7.** G.S. 106-22 reads as rewritten:

12 **"§ 106-22. Joint duties of Commissioner and Board.**

13 The Commissioner of Agriculture, by and with the consent and advice of the Board of
14 Agriculture shall:

15 ...

16 (17) Agronomic Testing. – Provide agronomic testing services and charge
17 reasonable fees for plant ~~analysis and analysis,~~ nematode ~~testing-testing,~~
18 out-of-state soil testing, and expedited soil testing. The Board shall charge at
19 least four dollars (\$4.00) for plant ~~analysis and analysis,~~ at least two dollars
20 (\$2.00) for nematode ~~testing-testing,~~ at least five dollars (\$5.00) for
21 out-of-state soil testing, and at least one hundred dollars (\$100.00) for
22 expedited soil testing."
23

24 **NER/AGRICULTURE/TECHNICAL CORRECTIONS REGARDING COMMERCIAL**
25 **FERTILIZER INSPECTION FEE AND PESTICIDE TECHNICIAN**
26 **IDENTIFICATION CARD RENEWAL FEE**

27 **SECTION 31.8.(a)** G.S. 106-671(b) reads as rewritten:

28 "(b) Reporting System. – Each manufacturer, importer, jobber, firm, corporation or
29 person who distributes commercial fertilizers in this State shall make application to the
30 Commissioner for a permit to report the tonnage of commercial fertilizer sold and shall pay to
31 the North Carolina Department of Agriculture and Consumer Services an inspection fee of
32 ~~twenty-five cents (25¢)~~ fifty cents (50¢) per ton. The Commissioner is authorized to require
33 each such distributor to keep such records as may be necessary to indicate accurately the
34 tonnage of commercial fertilizers sold in the State, and as are satisfactory to the Commissioner.
35 Such records shall be available to the Commissioner, or his duly authorized representative, at
36 any and all reasonable hours for the purpose of making such examination as is necessary to
37 verify the tonnage statement and the inspection fees paid. Each registrant shall report monthly
38 the tonnage sold to non-registrants on forms furnished by the Commissioner. Such reports shall
39 be made and inspection fees shall be due and payable monthly on the fifteenth of each month
40 covering the tonnage and kind of commercial fertilizers sold during the past month. If the
41 report is not filed and the inspection fee paid by the last day of the month it is due, the amount
42 due shall bear a penalty of ten percent (10%), which shall be added to the inspection fee due. If
43 the report is not filed and the inspection fee paid within 60 days of the date due, or if the report
44 or tonnage be false, the Commissioner may revoke the permit."

45 **SECTION 31.8.(b)** G.S. 106-65.31(b1) reads as rewritten:

46 "(b1) Registration. – Within 75 days after the hiring of an employee who is either an
47 estimator, salesman, serviceman, or solicitor, the licensee shall apply to the Division for the
48 issuance of an identification card for such employee. The application must be accompanied by
49 a fee of forty dollars (\$40.00) for each card. The card shall be issued in the name of the
50 employee and shall bear the name of the employing licensee, the employer's license number
51 and phases, the name and address of the employer's business, and such other information as the

1 Committee may specify. The identification card shall be carried by the employee on his person
2 at all times while performing any phase of structural pest control work. The card must be
3 displayed upon demand by the Commissioner, the Committee, the Division, or any
4 representative thereof, or the person for whom any phase of structural pest control work is
5 being performed. A registered technician's identification card must be renewed annually on or
6 before June 30 by payment of a renewal fee of ~~twenty-five dollars (\$25.00)~~ forty dollars
7 (\$40.00). If a card is lost or destroyed the licensee may secure a duplicate for a fee of five
8 dollars (\$5.00). The licensee shall notify the Division of the termination or change in status of
9 any registered technician. All identification cards expire when a license expires."

10
11 **NER/AGRICULTURE/INCREASE AGRICULTURAL LIMING MATERIALS**
12 **TONNAGE FEES**

13 **SECTION 31.9.** G.S. 106-92.8 reads as rewritten:

14 **"§ 106-92.8. Tonnage fees: reporting system.**

15 For the purpose of defraying expenses connected with the registration, inspection and
16 analysis of the materials coming under this Article, each manufacturer or registrant shall pay to
17 the Department of Agriculture and Consumer Services tonnage fees in addition to registration
18 fees as follows: for agricultural liming material, ~~ten cents (10¢)~~ fifty cents (50¢) per ton; for
19 landplaster, ~~ten cents (10¢)~~ fifty cents (50¢) per ton; excepting that these fees shall not apply to
20 materials which are sold to fertilizer manufacturers for the sole purpose for use in the
21 manufacture of fertilizer or to materials when sold in packages of 10 pounds or less.

22 Any manufacturer, importer, jobber, firm, corporation or person who distributes materials
23 coming under this Article in this State shall make application for a permit to report the
24 materials sold and pay the tonnage fees as set forth in this section.

25 The Commissioner of Agriculture shall grant such permits on the following conditions: The
26 applicant's agreement that he will keep such records as may be necessary to indicate accurately
27 the tonnage of liming materials, etc., sold in the State and his agreement for the Commissioner
28 or this authorized representative to examine such records to verify the tonnage statement. The
29 registrant shall report quarterly and pay the applicable tonnage fees quarterly, on or before the
30 tenth day of October, January, April, and July of each year. The report and payment shall cover
31 the tonnage of liming materials, etc., sold during the preceding quarter. The report shall be on
32 forms furnished by the Commissioner. If the report is not filed and the tonnage fees paid by the
33 last day of the month in which it is due, or if the report be false, the amount due shall bear a
34 penalty of ten percent (10%) which shall be added to the tonnage fees due. If the report is not
35 filed and the tonnage fees paid within 60 days of the date due, or if the report or tonnage be
36 false, the Commissioner may revoke the permit and cancel the registration."

37
38 **NER/AGRICULTURE/INCREASE ANTIFREEZE DISTRIBUTION REGISTRATION**
39 **FEE**

40 **SECTION 31.10.** G.S. 106-579.4 reads as rewritten:

41 **"§ 106-579.4. Registrations.**

42 On or before the first day of July of each year, and before any antifreeze may be distributed
43 for the permit year beginning July 1, the manufacturer, packager, or person whose name
44 appears on the label shall make application to the Commissioner on forms provided by the
45 latter for registration for each brand of antifreeze which he desires to distribute. The application
46 shall be accompanied by specimens or facsimiles of labeling for all container sizes to be
47 distributed, when requested by the Commissioner; a license and inspection fee of ~~two hundred~~
48 ~~fifty dollars (\$250.00)~~ five hundred dollars (\$500.00) for each brand of antifreeze and a
49 properly labeled sample of the antifreeze shall also be submitted at this time. The
50 Commissioner may inspect, test, or analyze the antifreeze and review the labeling. If the
51 antifreeze is not adulterated or misbranded, if it meets the standards established and

1 promulgated by the Board, and if the said antifreeze is not such a type or kind that is in
2 violation of this Article, the Commissioner shall thereafter issue a written license or permit
3 authorizing the sale of such antifreeze in this State for the fiscal year in which the license or
4 inspection fee is paid. If the antifreeze is adulterated or misbranded, if it fails to meet standards
5 promulgated by the Board, or is in violation of this Article or regulations thereunder, the
6 Commissioner shall refuse to register the antifreeze, and he shall return the application to the
7 applicant, stating how the antifreeze or labeling is not in conformity. If the Commissioner shall,
8 at a later date, find that a properly registered antifreeze product has been materially altered or
9 adulterated, or a change has been made in the name, brand or trademark under which the
10 antifreeze is sold, or that it violates the provisions of this Article, or that it violates regulations,
11 definitions or standards duly promulgated by the Board, he shall notify the applicant that the
12 license authorizing sale of the antifreeze is canceled. No antifreeze license shall be canceled
13 unless the registrant shall have been given an opportunity to be heard before the Commissioner
14 or his duly designated agent and to modify his application in order to comply with the
15 requirements of this Article and regulations, definitions, and standards promulgated by the
16 Board. All fees received by the Commissioner shall be placed in the Department of Agriculture
17 and Consumer Services fund for the purpose of supporting the antifreeze enforcement and
18 testing program."

19
20 **NER/ENVIRONMENT/REDUCE PORTION OF CERTIFICATE OF TITLE FEES**
21 **CREDITED TO MERCURY SWITCH REMOVAL ACCOUNT**

22 **SECTION 31.11.** G.S. 20-85(a1) reads as rewritten:

23 "(a1) One dollar (\$1.00) of the fee imposed for any transaction assessed a fee under
24 subdivision (a)(1), (a)(2), (a)(3), (a)(7), (a)(8), or (a)(9) of this section shall be credited to the
25 North Carolina Highway Fund. The Division shall use the fees derived from transactions with
26 the Division for technology improvements. The Division shall use the fees derived from
27 transactions with commission contract agents for the payment of compensation to commission
28 contract agents. An additional ~~one dollar (\$1.00)~~ fifty cents (50¢) of the fee imposed for any
29 transaction assessed a fee under subdivision (a)(1) of this section shall be credited to the
30 Mercury Switch Removal Account in the Department of Environment and Natural Resources."

31
32 **NER/ENVIRONMENT/DIVERT SCRAP TIRE TAX PROCEEDS TO GENERAL**
33 **FUND**

34 **SECTION 31.12.** Notwithstanding the provisions of G.S. 105-187.19(b), effective
35 for taxes levied during the 2011-2012 fiscal year, the Secretary of Revenue shall credit to the
36 General Fund the net tax proceeds that G.S. 105-187.19(b) directs the Secretary to credit to the
37 Scrap Tire Disposal Account.

38
39 **NER/ENVIRONMENT/DIVERT WHITE GOODS TAX PROCEEDS TO GENERAL**
40 **FUND**

41 **SECTION 31.13.** Notwithstanding the provisions of G.S. 105-187.24, effective for
42 taxes levied during the 2011-2012 fiscal year, the Secretary of Revenue shall credit to the
43 General Fund the net tax proceeds that G.S. 105-187.24 directs the Secretary to credit to the
44 White Goods Management Account.

45
46 **NER/ENVIRONMENT/LOCALS TO SET AND COLLECT FOOD AND LODGING**
47 **FEES AND RETAIN LARGER LOCAL PORTION OF THESE FEES**

48 **SECTION 31.14.(a)** G.S. 130A-248(d) reads as rewritten:

49 "(d) ~~The Department shall charge each~~ Each establishment subject to this section, except
50 nutrition programs for the elderly administered by the Division of Aging and Adult Services of
51 the Department of Health and Human Services, establishments that prepare and sell meat food

1 products or poultry products, and public school cafeterias, shall be required to pay a fee of
2 seventy-five dollars (\$75.00) not to exceed two hundred fifty dollars (\$250.00) for each permit
3 issued. This fee shall be reassessed annually for permits that do not expire. A grocery store that
4 elects to have separate inspections of its meat and seafood, delicatessen, produce, and bakery
5 operations shall not be assessed a total fee of more than five hundred dollars (\$500.00) for a
6 permit issued under this subsection. The Commission shall adopt rules to implement this
7 subsection. Fees collected under this subsection shall be used for State and local food, lodging,
8 and institution sanitation programs and activities. No more than ~~thirty-three and one-third~~
9 ~~percent (33-1/3%)~~ ten percent (10%) of the fees collected under this subsection may be used to
10 support State health programs and activities. The fees under this subsection shall be set and
11 collected by the local health department or the consolidated human services board, whichever
12 applies, and the local health department or the consolidated human services board, whichever
13 applies, shall send that portion of the fees to support State health programs and activities to the
14 Department of Health and Human Services."

15 **SECTION 31.14.(b)** G.S. 153A-77 is amended by adding a new subsection to
16 read:

17 "(d1) The consolidated human services board shall set fees for local food and lodging
18 permits consistent with the provisions of G.S. 130A-248(d)."

19 **SECTION 31.14.(c)** G.S. 130A-39 is amended by adding a new subsection to read:

20 "(h) A local board of health shall impose a fee for local food and lodging permits
21 consistent with the provisions of G.S. 130A-248(d). When the local health department is a
22 county health department, the county board of commissioners must approve any fee imposed
23 under this subsection. When the local health department is a district health department, the
24 county board of commissioners of each county within the district must approve any fee
25 imposed under this subsection."

26 27 **NER/ENVIRONMENT/ADDITIONAL USES OF HAZARDOUS WASTE FEES**

28 **SECTION 31.15.** G.S. 130A-294.1(b) reads as rewritten:

29 "(b) Funds collected pursuant to this section shall be used for personnel and other
30 resources necessary to:

- 31 (1) Provide a high level of technical assistance and waste minimization effort
32 for the hazardous waste management program;
- 33 (2) Provide timely review of permit applications;
- 34 (3) Insure that permit decisions are made on a sound technical basis and that
35 permit decisions incorporate all conditions necessary to accomplish the
36 purposes of this Part;
- 37 (4) Improve monitoring and compliance of the hazardous waste management
38 program;
- 39 (5) Increase the frequency of inspections;
- 40 (6) Provide chemical, biological, toxicological, and analytical support for the
41 hazardous waste management program; and
- 42 (7) Provide resources for emergency response to imminent hazards associated
43 with the hazardous waste management program.
- 44 (8) Implement and provide oversight of necessary response activities involving
45 inactive hazardous substance or waste disposal sites.
- 46 (9) Provide compliance and prevention activities within the solid waste program
47 to ensure that hazardous waste is not disposed in solid waste management
48 facilities.

49 50 **NER/LABOR/REPEAL STATUTE REQUIRING BIENNIAL REVIEW OF FEES BY** 51 **DEPARTMENT**

1 **SECTION 31.16.** G.S. 95-14.1 is repealed.

2
3 **NER/NATURAL RESOURCES/DIVERT PORTION OF DEED STAMP TAX**
4 **REVENUE SOURCE FOR NATURAL HERITAGE TRUST FUND**

5 **SECTION 31.17.** Notwithstanding the provisions of G.S. 105-228.30(b) and
6 G.S. 113-77.9, effective for taxes levied during the 2011-2012 fiscal year, the Secretary of
7 Revenue shall credit the sum of eight million dollars (\$8,000,000) to the General Fund of the
8 net tax proceeds that G.S. 105-228.30(b) directs the Secretary to credit to the Natural Heritage
9 Trust Fund.

10
11 **NER/NATURAL RESOURCES/PARKS AND RECREATION TRUST FUND;**
12 **ALLOCATION OF DEED STAMP TAX PROCEEDS CREDITED TO FUND**

13 **SECTION 31.18.(a)** Notwithstanding the provisions of G.S. 113-44.15(b),
14 effective for taxes levied during the 2011-2012 fiscal year, the net tax proceeds that are credited
15 to the Parks and Recreation Trust Fund by the Secretary of Revenue pursuant to
16 G.S. 105-228.30(b) shall be allocated as follows:

- 17 (1) Six million dollars (\$6,000,000) shall be used for the operating expenses of
18 the Division of Parks and Recreation of the Department of Environment and
19 Natural Resources;
- 20 (2) Up to eight million dollars (\$8,000,000) shall be used for the State Parks
21 System for capital projects, repairs and renovations of park facilities, land
22 acquisition, and to retire debt incurred for these purposes under Article 9 of
23 Chapter 142 of the General Statutes;
- 24 (3) Up to four million two hundred thirty thousand dollars (\$4,230,000) shall be
25 used for grants to local government units consistent with the match and other
26 requirements set forth in G.S. 113-44.14(b)(2); and
- 27 (4) Up to seven hundred five thousand dollars (\$705,000) shall be used for the
28 Coastal and Estuarine Water Beach Access Program.

29 **SECTION 31.18.(b)** Any funds that become available to the Parks and Recreation
30 Trust Fund during the 2011-2012 fiscal year that are in excess of the funds allocated under
31 subsection (a) of this section shall be used as provided in G.S. 113-44.15(b).

32
33 **NER/NATURAL RESOURCES/DIVERT PORTION OF DEED STAMP TAX**
34 **REVENUE SOURCE FOR PARKS AND RECREATION TRUST FUND**

35 **SECTION 31.19.** Notwithstanding the provisions of G.S. 105-228.30(b) and
36 G.S. 113-44.15, effective for taxes levied during the 2011-2012 fiscal year, the Secretary of
37 Revenue shall credit the sum of eight million four hundred thirty-five thousand dollars
38 (\$8,435,000) to the General Fund of the net tax proceeds that G.S. 105-228.30(b) directs the
39 Secretary to credit to the Parks and Recreation Trust Fund.

40
41 **NER/NATURAL RESOURCES/NEW FUNDING SOURCE FOR WILDLIFE**
42 **RESOURCE COMMISSION OPERATING BUDGET**

43 **SECTION 31.20.(a)** G.S. 105-164.44B is repealed.

44 **SECTION 31.20.(b)** The Office of State Budget and Management, the State
45 Controller, and the Wildlife Resources Commission shall jointly effectuate, beginning with the
46 Wildlife Resources Commission's operating budget for the 2011-2012 fiscal year, the transition
47 from the Wildlife Resources Commission receiving sales tax proceeds to fund its operating
48 budget to the Wildlife Resources Commission receiving an appropriation of eighteen million
49 five hundred thousand dollars (\$18,500,000) from the General Fund to fund its operating
50 budget.

NER/NATURAL RESOURCES/REPEAL DENR REVIEW OF FEE SCHEDULES

SECTION 31.21. G.S. 143B-279.2(4) is repealed.

NER/NATURAL RESOURCES/NO NEW FEES FOR PARKING IN STATE PARKS

SECTION 31.22. Notwithstanding any provision to the contrary, the funds appropriated to the Department of Environment and Natural Resources for State Parks for the 2011-2012 fiscal year and for the 2012-2013 fiscal year shall not be reduced or replaced with fees for parking at State Parks, unless these fees were charged prior to the 2011-2012 fiscal year. No fees shall be charged and no fees shall be collected for parking in a State Park during the 2011-2012 fiscal year and for the 2012-2013 fiscal year, unless these fees were charged prior to the 2011-2012 fiscal year.

JPS/AOC/INCREASE CERTAIN COURT COSTS

SECTION 31.23.(a) G.S. 7A-304(a)(4) reads as rewritten:

"(a) In every criminal case in the superior or district court, wherein the defendant is convicted, or enters a plea of guilty or nolo contendere, or when costs are assessed against the prosecuting witness, the following costs shall be assessed and collected, except that when the judgment imposes an active prison sentence, costs shall be assessed and collected only when the judgment specifically so provides, and that no costs may be assessed when a case is dismissed.

...

(4) For support of the General Court of Justice, the sum of one hundred twenty-four dollars and fifty cents (~~\$100.50~~)(\$124.50) in the district court, including cases before a magistrate, and the sum of one hundred ~~two~~ fifty-four dollars and fifty cents (~~\$102.50~~)(\$154.50) in the superior court, to be remitted to the State Treasurer. For a person convicted of a felony in superior court who has made a first appearance in district court, both the district court and superior court fees shall be assessed. The State Treasurer shall remit the sum of ~~two dollars and five cents (\$2.05)~~one dollar (\$1.00) of each fee collected under this subdivision to the North Carolina State Bar for the provision of services described in G.S. 7A-474.4, and ninety-five cents (\$.95) of each fee collected under this subdivision to the North Carolina State Bar for the provision of services described in G.S. 7A-474.19."

SECTION 31.23.(b) G.S. 7A-305 reads as rewritten:

"§ 7A-305. Costs in civil actions.

(a) In every civil action in the superior or district court, except for actions brought under Chapter 50B of the General Statutes, shall be assessed:

...

(2) For support of the General Court of Justice, the sum of one hundred ~~twenty-five~~eighty dollars (~~\$125.00~~)(\$180.00) in the superior court, except that if a case is assigned to a special superior court judge as a complex business case under G.S. 7A-45.3, an additional one thousand dollars (\$1,000) shall be paid upon its assignment, and the sum of ~~eighty-one~~ hundred thirty dollars (~~\$80.00~~)(\$130.00) in the district court except that if the case is assigned to a magistrate the sum shall be ~~fifty-five~~eighty dollars (~~\$55.00~~)(\$80.00). Sums collected under this subdivision shall be remitted to the State Treasurer. The State Treasurer shall remit the sum of ~~two dollars and five cents (\$2.05)~~one dollar (\$1.00) of each fee collected under this subdivision to the North Carolina State Bar for the provision of services described in G.S. 7A-474.4, and ninety-five cents (\$.95) of each fee

collected under this subdivision to the North Carolina State Bar for the provision of services described in G.S. 7A-474.19.

...

(a5) In every civil action in the superior or district court wherein a party files a pleading containing a counterclaim or cross-claim, except for counterclaim and cross-claim actions brought under Chapter 50B of the General Statutes for which costs are assessed pursuant to subsection (a1) of this section, the following shall be assessed:

- (1) For the use of the courtroom and related judicial facilities, the sum of twelve dollars (\$12.00) in cases heard before a magistrate, and the sum of sixteen dollars (\$16.00) in district and superior court, to be remitted to the municipality providing the facilities in which the judgment is rendered. If a municipality does not provide the facilities in which the judgment is rendered, the sum is to be remitted to the county in which the judgment is rendered. Funds derived from the facilities' fees shall be used in the same manner, for the same purposes, and subject to the same restrictions as facilities' fees assessed in criminal actions.
- (2) For the upgrade, maintenance, and operation of the judicial and county courthouse phone systems, the sum of four dollars (\$4.00), to be credited to the Court Information Technology Fund.
- (3) For support of the General Court of Justice, the sum of one hundred eighty dollars (\$180.00) in the superior court, except that if a case is assigned to a special superior court judge as a complex business case under G.S. 7A-45.3, an additional one thousand dollars (\$1,000) shall be paid upon its assignment, and the sum of one hundred thirty dollars (\$130.00) in the district court, except that if the case is assigned to a magistrate, the sum shall be eighty dollars (\$80.00). Sums collected under this subdivision shall be remitted to the State Treasurer. The State Treasurer shall remit the sum of one dollar (\$1.00) of each fee collected under this subdivision to the North Carolina State Bar for the provision of services described in G.S. 7A-474.4, and ninety-five cents (\$.95) of each fee collected under this subdivision to the North Carolina State Bar for the provision of services described in G.S. 7A-474.19.

...

(f) For the support of the General Court of Justice, the sum of twenty dollars (\$20.00) shall accompany any motion not listed in G.S. 7A-308 that is filed with the clerk."

SECTION 31.23.(c) G.S. 7A-306 reads as rewritten:

"§ 7A-306. Costs in special proceedings.

(a) In every special proceeding in the superior court, the following costs shall be assessed:

...

- (2) For support of the General Court of Justice the sum of ~~seventy-five~~one hundred six dollars ~~(\$75.00)-(\$106.00)~~. In addition, in proceedings involving land, except boundary disputes, if the fair market value of the land involved is over one hundred dollars (\$100.00), there shall be an additional sum of thirty cents (30¢) per one hundred dollars (\$100.00) of value, or major fraction thereof, not to exceed a maximum additional sum of two hundred dollars (\$200.00). Fair market value is determined by the sale price if there is a sale, the appraiser's valuation if there is no sale, or the appraised value from the property tax records if there is neither a sale nor an appraiser's valuation. Sums collected under this subdivision shall be remitted to the State Treasurer. The State Treasurer shall remit the sum of ~~two dollars and~~

1 ~~five cents (\$2.05)~~one dollar (\$1.00) of each ~~seventy-five dollar (\$75.00)~~one
2 hundred six-dollar (\$106.00) General Court of Justice fee collected under
3 this subdivision to the North Carolina State Bar for the provision of services
4 described in G.S. 7A-474.4.

5 ...
6 (g) For the support of the General Court of Justice, the sum of twenty dollars (\$20.00)
7 shall accompany any motion not listed in G.S. 7A-308 that is filed with the clerk."

8 SECTION 31.23.(d) G.S. 7A-307(a) reads as rewritten:

9 "(a) In the administration of the estates of decedents, minors, incompetents, of missing
10 persons, and of trusts under wills and under powers of attorney, in trust proceedings under
11 G.S. 36C-2-203, and in collections of personal property by affidavit, the following costs shall
12 be assessed:

13 ...
14 (2) For support of the General Court of Justice, the sum of ~~seventy-five~~one
15 hundred six dollars ~~(\$75.00)~~(\$106.00), plus an additional forty cents (40¢)
16 per one hundred dollars (\$100.00), or major fraction thereof, of the gross
17 estate, not to exceed six thousand dollars (\$6,000). Gross estate shall include
18 the fair market value of all personalty when received, and all proceeds from
19 the sale of realty coming into the hands of the fiduciary, but shall not include
20 the value of realty. In collections of personal property by affidavit, the fee
21 based on the gross estate shall be computed from the information in the final
22 affidavit of collection made pursuant to G.S. 28A-25-3 and shall be paid
23 when that affidavit is filed. In all other cases, this fee shall be computed
24 from the information reported in the inventory and shall be paid when the
25 inventory is filed with the clerk. If additional gross estate, including income,
26 comes into the hands of the fiduciary after the filing of the inventory, the fee
27 for such additional value shall be assessed and paid upon the filing of any
28 account or report disclosing such additional value. For each filing the
29 minimum fee shall be fifteen dollars (\$15.00). Sums collected under this
30 subdivision shall be remitted to the State Treasurer. The State Treasurer shall
31 remit the sum of ~~two dollars and five cents (\$2.05)~~one dollar (\$1.00) of each
32 ~~seventy-five dollar (\$75.00)~~one hundred six-dollar (\$106.00) General Court
33 of Justice fee collected under this subdivision to the North Carolina State
34 Bar for the provision of services described in G.S. 7A-474.4.

35 ...
36 (4) For the support of the General Court of Justice, the sum of twenty dollars
37 (\$20.00) shall accompany any motion not listed in G.S. 7A-308 that is filed
38 with the clerk."

39 SECTION 31.23.(e) G.S. 7A-308(a) reads as rewritten:

40 "(a) The following miscellaneous fees and commissions shall be collected by the clerk of
41 superior court and remitted to the State for the support of the General Court of Justice:

42 (1) Foreclosure under power of sale in deed of trust or
43 mortgage.....~~\$150.00~~\$300.00
44 If the property is sold under the power of sale, an additional amount will be
45 charged, determined by the following formula: forty-five cents (.45) per one
46 hundred dollars (\$100.00), or major fraction thereof, of the final sale price. If
47 the amount determined by the formula is less than ten dollars (\$10.00), a
48 minimum ten dollar (\$10.00) fee will be collected. If the amount determined
49 by the formula is more than five hundred dollars (\$500.00), a maximum five
50 hundred-dollar (\$500.00) fee will be collected.

51 ...

(21) In civil matters, all alias and pluries summons issued and all endorsements issued on an original summons \$15.00."

SECTION 31.23.(f) G.S. 7A-34.1 is repealed.

JPS/AOC/COMMUNITY MEDIATION CENTERS/WORTHLESS CHECK PROGRAMS

SECTION 31.24.(a) G.S. 14-107.2 is amended by adding a new subsection to read:

"(b1) A community mediation center may establish and charge fees for its services in the collection of worthless checks as part of a program established under this section and may assist the Administrative Office of the Courts and district attorneys in the establishment of worthless check programs in any districts in which worthless check programs have not been established."

SECTION 31.24.(b) G.S. 7A-38.7 is amended by adding a new subsection to read:

"(a1) A community mediation center operating pursuant to this Article may establish and charge fees for its services."

JPS/AOC/INCREASE INTERSTATE COMPACT FEE

SECTION 31.25. G.S. 148-65.7(a) reads as rewritten:

"(a) Persons convicted in this State who make a request for transfer to another state pursuant to the compact shall pay a transfer application of ~~one~~two hundred fifty dollars (~~\$150.00~~)(\$250.00) for each transfer application submitted. The transfer application fee shall be paid to the Compact Commissioner upon submission of the transfer application. The Commissioner or the Commissioner's designee may waive the application fee if either the Commissioner or the Commissioner's designee finds that payment of the fee will constitute an undue economic burden on the offender.

All fees collected pursuant to this section shall be deposited in the Interstate Compact Fund and shall be used only to support administration of the Interstate Compact.

The Interstate Compact Fund is established within the Department of Correction as a nonreverting, interest-bearing special revenue account. Accordingly, revenue in the Fund at the end of a fiscal year does not revert, and interest and other investment income earned by the Fund shall be credited to it. All moneys collected by the Department of Correction pursuant to this subsection shall be remitted to the State Treasurer to be deposited and held in this Fund. Moneys in the Fund shall be used to supplement funds otherwise available to the Department of Correction for the administration of the Interstate Compact."

JPS/AOC/CONTINGENT COURT COST INCREASES FOR COUNTIES

SECTION 31.26.(a) If House Bill 642 or other substantially similar legislation that requires a misdemeanor with a period of confinement of six months or less to serve the period in a local confinement facility becomes law, then G.S. 7A-304(a)(2) reads as rewritten:

"(a) In every criminal case in the superior or district court, wherein the defendant is convicted, or enters a plea of guilty or nolo contendere, or when costs are assessed against the prosecuting witness, the following costs shall be assessed and collected, except that when the judgment imposes an active prison sentence, costs shall be assessed and collected only when the judgment specifically so provides, and that no costs may be assessed when a case is dismissed.

...

(2) For the use of the courtroom and related judicial facilities, the sum of ~~twelve~~thirty dollars (~~\$12.00~~)(\$30.00) in the district court, including cases before a magistrate, and the sum of thirty dollars (\$30.00) in superior court, to be remitted to the county in which the judgment is rendered. In all cases where the judgment is rendered in facilities provided by a municipality, the

1 facilities fee shall be paid to the municipality. Funds derived from the
 2 facilities fees shall be used exclusively by the county or municipality for
 3 providing, maintaining, and constructing adequate courtroom and related
 4 judicial facilities, including: adequate space and furniture for judges, district
 5 attorneys, public defenders and other personnel of the Office of Indigent
 6 Defense Services, magistrates, juries, and other court related personnel;
 7 office space, furniture and vaults for the clerk; jail and juvenile detention
 8 facilities; free parking for jurors; and a law library (including books) if one
 9 has heretofore been established or if the governing body hereafter decides to
 10 establish one. In the event the funds derived from the facilities fees exceed
 11 what is needed for these purposes, the county or municipality may use any or
 12 all of the excess to retire outstanding indebtedness incurred in the
 13 construction of the facilities, or to reimburse the county or municipality for
 14 funds expended in constructing or renovating the facilities (without incurring
 15 any indebtedness) within a period of two years before or after the date a
 16 district court is established in such county, or to supplement the operations
 17 of the General Court of Justice in the county.

18"

19 **SECTION 31.26.(b)** If House Bill 642 or other substantially similar legislation that
 20 requires a misdemeanor with a period of confinement of six months or less to serve the period
 21 in a local confinement facility becomes law, then G.S. 7A-304(a) is amended by adding a new
 22 subdivision to read:

23 "(a) In every criminal case in the superior or district court, wherein the defendant is
 24 convicted, or enters a plea of guilty or nolo contendere, or when costs are assessed against the
 25 prosecuting witness, the following costs shall be assessed and collected, except that when the
 26 judgment imposes an active prison sentence, costs shall be assessed and collected only when
 27 the judgment specifically so provides, and that no costs may be assessed when a case is
 28 dismissed.

29 ...

30 **(4b)** To provide for contractual services to reduce county jail populations, the
 31 sum of fifty dollars (\$50.00) for all offenses arising under Chapter 20 of the
 32 General Statutes and resulting in a conviction of an improper equipment
 33 offense, to be remitted to the Department of Correction."

34 **SECTION 31.26.(c)** If House Bill 642 or other substantially similar legislation that
 35 requires a misdemeanor with a period of confinement of six months or less to serve the period
 36 in a local confinement facility becomes law, then G.S. 7A-311(a) reads as rewritten:

37 "(a) In a civil action or special proceeding, except for actions brought under Chapter 50B
 38 of the General Statutes, the following fees and commissions shall be assessed, collected, and
 39 remitted to the county:

- 40 (1) a. For each item of civil process served, including summons,
 41 subpoenas, notices, motions, orders, writs and pleadings, the sum of
 42 ~~fifteen-thirty~~ dollars ~~(\$15.00)-(\$30.00)~~. When two or more items of
 43 civil process are served simultaneously on one party, only one
 44 ~~fifteen-dollar (\$15.00)thirty-dollar (\$30.00)~~ fee shall be charged.

45"

46 **SECTION 31.26.(d)** If House Bill 642 or other substantially similar legislation that
 47 requires a misdemeanor with a period of confinement of six months or less to serve the period
 48 in a local confinement facility becomes law, then G.S. 7A-313 reads as rewritten:

49 "§ 7A-313. Uniform jail fees.

50 Persons who are lawfully confined in jail awaiting trial shall be liable to the county or
 51 municipality maintaining the jail in the sum of ~~five-ten~~ dollars ~~(\$5.00)(\$10.00)~~ for each 24

1 hours' confinement, or fraction thereof, except that a person so confined shall not be liable for
 2 this fee if the case or proceeding against him is dismissed, or if acquitted, or if judgment is
 3 arrested, or if probable cause is not found, or if the grand jury fails to return a true bill.

4 Persons who are ordered to pay jail fees pursuant to a probationary sentence shall be liable
 5 to the county or municipality maintaining the jail at the same per diem rate paid by the
 6 Department of Correction to local jails for maintaining a prisoner, as set by the General
 7 Assembly in its appropriations acts."

8 **SECTION 31.26.(e)** If House Bill 642 or other substantially similar legislation that
 9 requires a misdemeanor with a period of confinement of six months or less to serve the period
 10 in a local confinement facility becomes law, then G.S. 153A-225(a) reads as rewritten:

11 "(a) Each unit that operates a local confinement facility shall develop a plan for
 12 providing medical care for prisoners in the facility. The plan

- 13 (1) Shall be designed to protect the health and welfare of the prisoners and to
 14 avoid the spread of contagious disease;
- 15 (2) Shall provide for medical supervision of prisoners and emergency medical
 16 care for prisoners to the extent necessary for their health and welfare;
- 17 (3) Shall provide for the detection, examination and treatment of prisoners who
 18 are infected with tuberculosis or venereal diseases.

19 The unit shall develop the plan in consultation with appropriate local officials and
 20 organizations, including the sheriff, the county physician, the local or district health director,
 21 and the local medical society. The plan must be approved by the local or district health director
 22 after consultation with the area mental health, developmental disabilities, and substance abuse
 23 authority, if it is adequate to protect the health and welfare of the prisoners. Upon a
 24 determination that the plan is adequate to protect the health and welfare of the prisoners, the
 25 plan must be adopted by the governing body.

26 As a part of its plan, each unit may establish fees of not more than ~~ten dollars (\$10.00)~~
 27 twenty dollars (\$20.00) per incident for the provision of nonemergency medical care to
 28 prisoners. In establishing fees pursuant to this section, each unit shall establish a procedure for
 29 waiving fees for indigent prisoners."
 30

31 **GENGOV/INS/SET INSURANCE REGULATORY CHARGE**

32 **SECTION 31.27.(a)** The percentage rate to be used in calculating the insurance
 33 regulatory charge under G.S. 58-6-25 is six percent (6%) for the 2011 calendar year.

34 **SECTION 31.27.(b)** This section is effective when it becomes law.
 35

36 **IT/INFORMATION TECHNOLOGY FUND/AVAILABILITY**

37 **SECTION 31.28.(a)** The availability used to support appropriations made in this
 38 act from the Information Technology Fund established in G.S. 147-33.72H is as follows:

	FY 2011-2012	FY 2012-2013
39		
40		
41	\$4,458,142	\$6,158,142
42	\$ 100,000	\$ 100,000
43	\$2,454,934	\$1,227,467
44		
45	\$7,013,076	\$7,485,609
46		

47 Appropriations are made from the Information Technology Fund for the 2011-2013 fiscal
 48 biennium as follows:

49 **FY 2011-2012** **FY 2012-2013**

50
 51 Information Technology Operations

1	Center for Geographic Information and Analysis	\$ 599,347	\$ 599,347
2	Enterprise Security Risk Management	\$1,064,148	\$1,064,148
3	Enterprise Project Management Office	\$1,673,285	\$1,673,285
4	Architecture and Engineering	\$ 648,000	\$ 648,000
5	Criminal Justice Information Network	\$ 166,422	\$ 166,422
6	Statewide IT Procurement	\$0	\$0
7	ITS Overhead Reduction	(\$91,486)	(\$91,486)
8	Subtotal Information Technology Operations	\$4,059,716	\$4,059,716
9	Information Technology Projects		
10	State Portal	\$0	\$0
11	IT Consolidation	\$1,320,893	\$ 820,893
12	Transfer to OSC for Data Integration	\$ 100,000	\$ 100,000
13	Subtotal Information Technology Projects	\$1,420,893	\$ 920,893
14	Data Integration License Funding Transfer to State Agencies	\$ 200,000	\$2,400,000
15	Position Transfer to Office of State Budget and Management	\$ 105,000	\$ 105,000
16	Total	\$5,785,609	\$7,485,609

17
18 **SECTION 31.28.(b)** Statewide information technology procurement shall be
19 funded through a fee charged to agencies using their services. The Office of the State Chief
20 Information Officer shall provide a fee schedule to allow cost recovery to the Office of State
21 Budget and Management.

22 **SECTION 31.28.(c)** By September 1 of each year, data integration funding in the
23 Information Technology Fund for that State fiscal year shall be transferred to State agencies in
24 proportion to their use of data integration licenses at that point in time. The State Chief
25 Information Officer shall report to the Joint Legislative Oversight Committee on Information
26 Technology Operations and the Fiscal Research Division by September 2 of each year on the
27 status of the transfer.

28 Any licensing requirements after the 2011-2013 fiscal biennium shall be the responsibility
29 of the participating agency. The State Chief Information Officer shall notify affected agencies
30 of this requirement by September 1, 2011. The State Chief Information Officer shall ensure that
31 agencies choosing to participate after that date are notified prior to agreeing to participate in the
32 data integration license agreement. The State Chief Information Officer shall report to the Joint
33 Legislative Oversight Committee on Information Technology Operations and the Fiscal
34 Research Division by September 2, 2011, on agency notification of their responsibility to fund
35 any data integration license requirements after the 2011-2013 fiscal biennium.

36 **SECTION 31.28.(d)** This section is effective when it becomes law.
37

38 **TRANSPORTATION/DIVISION OF MOTOR VEHICLES BULK DATA**

39 **SECTION 31.29.(a)** G.S. 20-43.1 is amended by adding a new subsection to read:
40 "**§ 20-43.1. Disclosure of personal information in motor vehicle records.**

41 (a) The Division shall disclose personal information contained in motor vehicle records
42 in accordance with the federal Driver's Privacy Protection Act of 1994, as amended, 18 U.S.C.
43 §§ 2721, et seq.

44 (b) As authorized in 18 U.S.C. § 2721, the Division shall not disclose personal
45 information for the purposes specified in 18 U.S.C. § 2721(b)(11).

46 (c) The Division shall not disclose personal information for the purposes specified in 18
47 U.S.C. § 2721(b)(12) unless the Division receives prior written permission from the person
48 about whom the information is requested.

49 (d) As authorized in 18 U.S.C. § 2721, the Division may disclose personal information
50 to federally designated organ procurement organizations and eye banks operating in this State
51 for the purpose of identifying individuals who have indicated an intent to be an organ donor.

1 Personal information authorized under this subsection is limited to the individual's first, middle,
2 and last name, date of birth, address, sex, county of residence, and drivers license number.
3 Employees of the Division who provide access to or disclosure of information in good-faith
4 compliance with this subsection are not liable in damages for access to or disclosure of the
5 information.

6 (e) As authorized in 18 U.S.C. § 2721, the Division may also provide copies of partial
7 crash report data collected pursuant to G.S. 20-166.1, partial driver license data kept pursuant
8 to G.S. 20-26(a), and partial vehicle registration application data collected pursuant to
9 G.S. 20-52 in bulk form to persons, private companies, or other entities, for uses other than
10 official, upon payment of a fee of three cents (3¢) per individual record. The Division shall not
11 furnish such data except upon execution by the recipient of a written agreement to comply with
12 the Driver's Privacy Protection Act of 1994, as amended, 18 U.S.C. §§ 2721, et seq. The
13 information released to persons, private companies, or other entities, for uses other than
14 official, pursuant to this subsection, shall not be a public record pursuant to Chapter 132 of the
15 General Statutes."

18 TRANSPORTATION/FERRY DIVISION TOLLING ON ALL ROUTES

19 SECTION 31.30.(a) Effective April 1, 2012, G.S. 136-82 reads as rewritten:

20 "§ 136-82. Department of Transportation to establish and maintain ferries.

21 The Department of Transportation is vested with authority to provide for the establishment
22 and maintenance of ferries connecting the parts of the State highway system, whenever in its
23 discretion the public good may so require, and to prescribe and collect such tolls therefor as
24 may, in the discretion of the Department of Transportation, be expedient. All ferry routes shall
25 be tolled in an amount established by the Board of Transportation.

26 To accomplish the purpose of this section said Department of Transportation is authorized
27 to acquire, own, lease, charter or otherwise control all necessary vessels, boats, terminals or
28 other facilities required for the proper operation of such ferries or to enter into contracts with
29 persons, firms or corporations for the operation thereof and to pay therefor such reasonable
30 sums as may in the opinion of said Department of Transportation represent the fair value of the
31 public service rendered.

32 The Department of Transportation, notwithstanding any other provision of law, may
33 operate, or contract for the operation of, concessions on the ferries and at ferry facilities to
34 provide to passengers on the ferries food, drink, and other refreshments, personal comfort
35 items, and souvenirs publicizing the ferry system."

36 SECTION 31.30.(b) The Board of Transportation shall toll all ferry routes no later
37 than the effective date of subsection (a) of this section, but is encouraged to begin tolling on all
38 routes before that date. In establishing tolls for ferry routes under G.S. 136-82, as amended by
39 this section, the Board of Transportation shall consider the needs of commuters and other
40 frequent passengers.

42 PART XXXI-A: EFFECTIVE DATE

43
44 SECTION 31A.1. Unless otherwise provided herein, this act becomes effective
45 July 1, 2011.

PCS for HB 200: Fee Adjustments in the Appropriations Act of 2011

EDUCATION

Bill Section	Name	Current Fee	Proposed Fee	Use/Description	Last Change	FY 11-12	FY 12-13	Eff. Date
Capital Projects								
Sec. 30.7 (CAP-H8)	UNC Nonappropriated Capital Projects	N/A	N/A	Provides for capital projects for The University of North Carolina System. This provision is the same as Senate Bill 444, UNC Nonappropriated Capital Projects. (There is no House companion bill to SB 444.) The projects authorized by the section would not be financed with funds appropriated from the State's General Fund; but may be financed with gifts, grants, receipts, self-liquidating indebtedness, Medicare reimbursements for education costs, other funds available to the constituent institutions, or a combination of any of those financing methods.		N/A	N/A	7/1/11
Education								
Sec. 31.1 (TRANS-H28)	Drivers Education Fee	New	Up to \$75	Local boards of education authorized to charge up to \$75 for participants of drivers education.	N/A	Unknown	Unknown	7/1/11
Sec. 31.2 (DOCC-H13)	GED Fee Increase	\$7.50 (with no fee for re-testing)	See Description	Allows State Board of Community College to set GED testing (and retesting) fee. The fee would likely be \$25 per test.	1987	At least sufficient to replace \$208,533 in GF, but total revenue projected at \$397,000	At least sufficient to replace \$208,533 in GF, but total revenue projected at \$397,000	7/1/11
Sec. 31.3 (DPI-H26)	North Carolina Virtual Public Schools Allotment Formula	N/A	See Description	Directs State Board of Education to establish a per student fee structure for out-of-state, private, and home schooled students enrolled in NC Virtual Public Schools. The State Board's policy has been to create a recommended fee schedule, so this provision clarifies that policy directive and places it into session law.	N/A	Unknown	Unknown	7/1/11

NATURAL AND ECONOMIC RESOURCES

Bill Section	Name	Current Fee	Proposed Fee	Use/Description	Last Change	FY 11-12	FY 12-13	Eff. Date
Department of Commerce/Economic Development								
Sec. 31.4 (COMM-H2)	Set Regulatory Fee for Utilities Commission	0.12%	Same	The utility regulatory fee is a tax that was first imposed in 1989. The proceeds of the fee are credited to the Utilities Commission and Public Staff Fund and used to defray the State's cost in regulating public utilities. The regulatory fee is imposed on all utilities that are subject to regulation by the North Carolina Utilities Commission. The fee is a percentage of the utility's North Carolina jurisdictional revenues. The rate has remained the same since 2003. This rate applies to each public utility's jurisdictional revenues earned during each quarter that begins on or after July 1, 2011.				7/1/11
Sec. 31.4 (COMM-H2)	Set Regulatory Fee for Electric Membership Corporation	\$200,000	Same	The proceeds of the fee are credited to the Utilities Commission and Public Staff Fund and used to defray the State's cost in regulating electric membership corporations. This fee has remained the same since it was first imposed in 1999.				7/1/11
Department of Agriculture & Consumer Services								
Sec. 31.5 (AGRIC-H7)	License Fees for kennels, pet stores, etc.	\$50	\$75	Increases the license fee for operators of pet shops, public auctions, or boarding kennels and for dealers.	1989	\$10,000	\$10,000	7/1/11
Sec. 31.6 (AGRIC-H4)	Repeal Board of Agriculture Review of Fee Schedules	N/A	N/A	Repeals statutory requirement that Department of Agriculture biennially review all fees under its authority. This requirement was added during the last biennium and has been found to be unnecessary.				7/1/11
Sec. 31.7 (AGRIC-H3)	Fee For Expedited Soil Test	New	\$100	New \$100 fee for expedited soil test.	N/A	\$50,000	\$50,000	7/1/11
Sec. 31.7 (AGRIC-H3)	Fee for Out-of-State Soil Tests	New	\$5.00	New \$5 fee for out-of-state soil test.	N/A	Minimal	Minimal	7/1/11
Sec. 31.8 (AGRIC-H1A)	Technical Corrections regarding Commercial Fertilizer Inspection Fee and Pesticide Technician ID Card Renewal Fee	\$0.25	\$.50	Technical correction for two fees. The General Assembly increased these fees in 2009. The legislation failed to make the conforming changes in these statutes.				7/1/11
Sec. 31.9 (AGRIC-H6)	Increase Agricultural Liming Materials Tonnage Fees	\$.10	\$.50	Increases the tonnage fee paid by manufacturers or registrants to Dept. of Agriculture and Consumer Services for agricultural liming material from \$.10 to \$.50.	1979	\$250,000	\$250,000	7/1/11
Sec. 31.10 (AGRIC-H5)	Increase Antifreeze Distribution Registration Fee	\$250	\$500	Increases license and inspection fee for manufacturers, packagers, or persons named on the label of antifreeze from \$250 to \$500.		\$75,000	\$75,000	7/1/11

Bill Section	Name	Current Fee	Proposed Fee	Use/Description	Last Change	FY 11-12	FY 12-13
Environment							
Sec. 31.11 (ENV-H3)	Reduce Portion of Certificate of Title Fees Credited to Mercury Switch Removal Account	Varies	Varies	Reduces the portion of the fee assessed that is credited to the Mercury Switch Removal Account in DENR from \$1 to \$.50. The General Assembly enacted this fee for this purpose in 2005.		N/A	N/A 7/1/11
Sec. 31.12 (ENV-H11)	Divert Scrap Tire Tax Proceeds to General Fund	1% - 2% of sales price of each new tire	Same	Redirects proceeds of scrap tire disposal tax from various funds to the General Fund for fiscal year 2011-12. The proceeds would be distributed as follows: 8% to the Solid Waste Management Trust Fund, 17% to the Scrap Tire Disposal Account, 2.5% to the Inactive Hazardous Sites Cleanup Fund, 2.5% to the Bernard Allen Memorial Emergency Drinking Water Fund, and 70% to the counties.		N/A	N/A 7/1/11
Sec. 31.13 (ENV-H12)	Divert White Goods Tax Proceeds to General Fund	\$3 for each new white good purchased	Same	Redirects proceeds of white goods disposal tax from various funds to the General Fund for fiscal year 2011-12. The proceeds would be distributed as follows: 8% to the Solid Waste Management Trust Fund, 20% to the White Goods Management Account, and 72% to the counties.		N/A	N/A 7/1/11
Sec. 31.14 (ENV-H2F)	Locals to Set and Collect Food and Lodging Fees and Retain Larger Local Portion of These Fees	\$75	Up to \$250	Under current law, the fee amount is set at the State level and applies equally across the State. The fee may not exceed \$75. This provision would allow the fee amounts to be set at the local level; thus the fee amount could vary from one jurisdiction to another. The maximum fee amount would be increased from \$75 to \$250 and the amount of the fee that would be used to support the programs funded by the State would decrease from 33.3% to 10%.		Unknown	Unknown 7/1/11
Sec. 31.15 (ENV-H7)	Additional Uses of Hazardous Waste Fees	Varies	Same	Adds to the uses permitted for hazardous waste fees (i) to implement/provide oversight of necessary response activities involving inactive hazardous substances or waste disposal sites and (ii) to provide compliance/prevention activities within the solid waste program to ensure hazardous waste is not disposed in solid waste management facilities		N/A	N/A 7/1/11
Department of Labor							
Sec. 31.16 (LAB-H1)	Repeal Statute Requiring Biennial Review of Fees by Department	N/A	N/A	Repeals statutory requirement that Department of Labor biennially review all fees under its authority. This requirement was added during the last biennium and has been found to be unnecessary.		N/A	N/A 7/1/11

Bill Section	Name	Current Fee	Proposed Fee	Use/Description	Last Change	FY 11-12	FY 12-13
Environment & Natural Resources							
Sec. 31.17 (NATRES-H24A)	Divert Portion of Deed Stamp Tax Revenue Source for Natural Heritage Trust Fund	\$1 per \$500 of value conveyed	Same	Under current law, 25% of the revenue remitted to the State from the deed stamp tax is credited to the Natural Heritage Trust Fund and used for various land purchases. This provision would redirect \$8 million of this amount to the General Fund for fiscal year 2011-12.		N/A	N/A 7/1/11
Sec. 31.18 (NATRES-H6D)	Parks & Recreation Trust Fund; Allocation of Deed Stamp Tax Proceeds Credited to Fund	\$1 per \$500 of value conveyed	Same	Under current law, 75% of the revenue remitted to the State from the deed stamp tax is credited to the Parks and Recreation Trust Fund and used for various capital projects. This provision would redirect this revenue as follows for fiscal year 2011-12: for operating expenses of Division of Parks & Recreation of DENR \$6M; for capital projects, repairs, renovations, debt service, and land acquisition by the State Parks System \$8M; for grants to local governments for matching requirements \$4,230,000; and for Coastal and Estuarine Water Beach Access Program \$705,000.		N/A	N/A 7/1/11
Sec. 31.19 (NATRES-H23)	Divert Portion of Deed Stamp Tax Revenue Source for Parks & Recreation Trust Fund	\$1 per \$500 of value conveyed	Same	Under current law, 75% of the revenue remitted to the State from the deed stamp tax is credited to the Parks and Recreation Trust Fund and used for various capital projects. This provision would redirect \$8,435,000 of this amount to the General Fund for fiscal year 2011-12.		N/A	N/A 7/1/11
Sec. 31.20 (NATRES-H12E)	New Funding Source for Wildlife Resource Commission Operating Budget	N/A	N/A	In 1983, the General Assembly transferred a portion of the State sales and use tax revenue derived from hunting and fishing supplies and equipment to the Wildlife Resources Fund. This provision would repeal this transfer and replace it with an appropriation of \$18.5M from the General Fund.		N/A	N/A 7/1/11
Sec. 31.21 (NATRES-H19)	Repeal DENR Review of Fee Schedules	N/A	N/A	Repeals statutory requirement that DENR biennially review all fees under its authority. This requirement was added during the last biennium and has been found to be unnecessary.		N/A	N/A 7/1/11
Sec. 31.22 (NATRES-H1)	No New Fees for Parking in State Parks	N/A	N/A	Prohibits State Parks from charging not-previously-charged parking fees.		N/A	N/A 7/1/11

EFFECTIVE DATE: January 1, 2011					

*500
1/8 of 1 percent*

BILL SUMMARY:

The proposed amendment would add a new top tax bracket beginning at the following levels of North Carolina Taxable Income: \$1,000,000 for married individuals who file joint returns and surviving spouses; \$800,000 for heads of households; \$600,000 for unmarried individuals other than surviving spouses and heads of households; \$500,000 for married individuals who do not file a joint return. Any North Carolina Taxable Income above these levels would be taxed at an 8.5% rate. The change would be effective for taxable years beginning on or after January 1, 2011.

ASSUMPTIONS AND METHODOLOGY:

This analysis assumes that the following tax brackets and rates have been established for the 2011 tax year.

For married individuals who file a joint return under G.S. 105-152 and for surviving spouses, as defined in section 2(a) of the Code:

Over	Up To	Rate
0	\$21,250	6%
\$21,250	\$100,000	7%
\$100,000	\$1,000,000	7.75%
\$1,000,000	NA	8.5%

For heads of households, as defined in section 2(b) of the Code:

Over	Up To	Rate
0	\$17,000	6%
\$17,000	\$80,000	7%
\$80,000	\$800,000	7.75%
\$800,000	NA	8.5%

For unmarried individuals other than surviving spouses and heads of households:

Over	Up To	Rate
0	\$12,750	6%
\$12,750	\$60,000	7%
\$60,000	\$600,000	7.75%
\$600,000	NA	8.5%

For married individuals who do not file a joint return under G.S. 105-152: 2:

Over	Up To	Rate
0	\$10,650	6%
\$10,650	\$50,000	7%
\$50,000	\$500,000	7.75%
\$500,000	NA	8.5%

Assuming a January 1, 2011 effective date for the implementation of the 8.5% rate, the addition of the proposed 8.5% bracket would yield approximately \$90.6 Million in FY 2011-12 and \$73.3 Million in FY 2012-13. The 2011-12 fiscal year includes 2011 tax collections, as well as a partial year of estimated payments for 2012. The change would impact approximately 5,000 returns, or 0.1% of all North Carolina tax returns filed. It should be noted that this tax base often has volatile sources of income that could be greatly impacted by changes in the economy.

2 to read:

3 **"PART XXXA: TAX CHANGES**

4
5 **INCREASE TAX ON TOBACCO PRODUCTS**

6 **SECTION 30A.(a)** G.S. 105-113.5 reads as rewritten:

7 **'§ 105-113.5. Tax on cigarettes.**

8 A tax is levied on the sale or possession for sale in this State, by a distributor, of all
9 cigarettes at the rate of ~~two seven and one-fourth cents (2.25¢)~~ (7.25¢) per individual cigarette.'

10 **SECTION 30A.(b)** G.S. 105-113.35 reads as rewritten:

11 **'§ 105-113.35. Tax on tobacco products other than cigarettes.**

12 (a) Tax. – An excise tax is levied on tobacco products other than cigarettes at the rate of
13 ~~twelve and eight tenths percent (12.8%)~~ forty-one and one-quarter percent (41.25%) of the cost
14 price of the products. This tax does not apply to the following:

- 15 (1) A tobacco product sold outside the State.
- 16 (2) A tobacco product sold to the federal government.
- 17 (3) A sample tobacco product distributed without charge.'

18 **SECTION 30A.(c)** G.S. 105-113.40A reads as rewritten:

19 **'§ 105-113.40A. Use of tax proceeds.**

20 The Secretary must credit the net proceeds of the tax collected under this Part as follows:

- 21 (1) ~~An amount equal to three percent (3%) of the cost price of the products to~~
22 ~~the General Fund.~~ Seventy-six and one-quarter percent (76.25%) to the
23 General Fund.
- 24 (2) The remainder to the ~~University Cancer Research Fund established under~~
25 ~~G.S. 116-29.1.~~ Twenty-three and three-quarters percent (23.75%) to the
26 University Cancer Research Fund established under G.S. 116-29.1.'

27 **SECTION 30A.(d)** This section becomes effective January 1, 2012."

Date 4.26, 2011

Representative McComas

1 moves to amend the bill on page 15, lines 13 through 15, by rewriting the lines to read:

2 "SECTION 31.24.(b) G.S. 71-38.5(a) reads as rewritten:

3 '(a) The General Assembly finds that it is in the public interest to encourage the
4 establishment of community mediation centers, also known as dispute settlement centers or
5 dispute resolution centers, to support the work of these centers in facilitating communication,
6 understanding, reconciliation, and settlement of conflicts in communities, courts, and schools,
7 and to promote the widest possible use of these centers by the courts and law enforcement
8 officials across the State. A center may establish and charge fees for its services.'

9 SECTION 31.24.(c) G.S. 7A-38.6(a) reads as rewritten:

10 '(a) All community mediation centers ~~currently receiving State funds~~ shall report
11 annually to the Mediation Network of North Carolina on the program's funding and activities,
12 including:

- 13 (1) Types of dispute settlement services provided;
- 14 (2) Clients receiving each type of dispute settlement service;
- 15 (3) Number and type of referrals received, cases actually mediated (identified by
16 docket number), cases resolved in mediation, and total clients served in the
17 cases mediated;
- 18 (4) Total program funding and funding sources;
- 19 (5) Itemization of the use of funds, including operating expenses and personnel;
- 20 (6) Itemization of the use of State funds appropriated to the center;
- 21 (7) Level of volunteer activity; and
- 22 (8) Identification of future service demands and budget requirements.

23 (a1) The Mediation Network of North Carolina shall compile and summarize the
24 information provided pursuant to ~~this subsection~~ subsection (a) of this section and shall provide
25 the information to the Chairs of the House of Representatives and Senate Appropriations
26 Committees and the Chairs of the House of Representatives and Senate Appropriations
27 Subcommittees on Justice and Public Safety by February 1 of each year.

28 The Mediation Network of North Carolina shall also submit a copy of its report to the
29 Administrative Office of the Courts. The receipt and review of this report by the Administrative
30 Office of the Courts shall satisfy any program monitoring, evaluation, and contracting
31 requirements imposed on the Administrative Office of the Courts by Part 3 of Article 6 of
32 Chapter 143C of the General Statutes and any rules adopted under that Part.'

33 SECTION 31.24.(d) G.S. 7A-38.7 reads as rewritten:

NORTH CAROLINA GENERAL ASSEMBLY
AMENDMENT
House Bill 200

AMENDMENT NO. _____
(to be filled in by
Principal Clerk)

H200-ARB-21 [v.2]

Page 2 of 2

§ 7A-38.7. Dispute resolution fee for cases resolved in mediation.

(a) In each criminal case filed in the General Court of Justice that is resolved through referral to a community mediation center, a dispute resolution fee shall be assessed in the sum of sixty dollars (\$60.00) per mediation ~~for the support of the General Court of Justice to support the services provided by the community mediation centers and the Mediation Network of North Carolina.~~ Fees assessed under this section shall be paid to the clerk of superior court in the county where the case was filed and remitted by the clerk to the ~~State Treasurer.~~ Mediation Network of North Carolina. The Mediation Network may retain up to three dollars (\$3.00) of this amount as an allowance for its administrative expenses. The Mediation Network must remit the remainder of this amount to the community mediation center that mediated the case.

(b) Before providing the district attorney with a dismissal form, the community mediation center shall require proof that the defendant has paid the dispute resolution fee as required by subsection (a) of this section and shall attach the receipt to the dismissal form."

North Carolina General Assembly
House Committee on Finance

Minutes

~
May 4, 2011

The House Committee on Finance met on Wednesday, May 4, 2011 at 8:00 am in Room 544 of the Legislative Office Building. The following members were present: Chairpersons Howard, Starnes, Setzer and Folwell; Vice-Chair Wainwright; and Representatives Alexander, Brandon, Brawley, Carney, Collins, Faison, Hackney, Hall, Jordan, Luebke, McCormick, McGee, McGuirt, Moffitt, Moore, Rhyne, Ross, Samuelson, Stam, Stone, Warren, Weiss and Womble. Also present were Sergeant-at-Arms John Brandon, Earl Coker, Fred Hines, and Ken Kirby. Staff persons present included Cindy Avrette, Rodney Bizzell, Ryan Blackledge, Greg Roney, Brian Slivka, and Jonathan Tart. The Agenda and Visitor Registration Sheets are attached and incorporated into these minutes as **attachments 1 and 2**.

Chairman Setzer called the meeting to order at 8:30 am and recognized the six (6) pages present: (1) William Mobley of Wayne County sponsored by Representative Bell; (2) Alexander Umstead of Forsyth County sponsored by Representative Womble; (3) Joseph Vuke of Wake County sponsored by Representative Stam; (4) Khari Bailey of Wake County sponsored by Representative Gill; (5) Alexis McDonald of Wake County sponsored by Representative Wainwright; and (6) Brandon Edds of Rowan County sponsored by Representative Harry Warren.

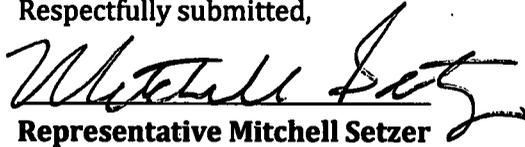

The first bill considered by the Committee was **HB 318 State Treasurer's Investments** (see **attachment 3**). The Chair recognized Representative Moffitt who made a motion to adopt the proposed committee substitute for purposes of discussion. Chairman Setzer then recognized Representative McGee to explain the proposed committee substitute. Representative McGee recognized Shawn Wischmeier, Chief Investment Officer with the State Treasurer's office, to give remarks and answer questions from the members. The Chair recognized Representative Moffitt who moved that HB 318 be given a favorable report as to the proposed committee substitute, unfavorable report to the original bill. The motion carried.

The next bill heard by the Committee was **HB 418 Winston Salem Deannexation** (see **attachment 4**). The Chair recognized Representative Larry Brown to explain the bill. Chairman Setzer then recognized Angela Carmon, City Attorney for the City of Winston Salem, for her remarks in opposition of the bill. Ms. Carmon answered questions from members. Representative Folwell was recognized and he moved that HB 418 Winston Salem Deannexation be given a favorable report. The Chair called for a show of hands for HB 418. The vote being 14 affirmative and 14 against, the motion failed.

Due to time, **HB 352 Delay Kannapolis Annexation** was unable to be heard and is scheduled to be heard on Thursday, May 5, 2011.

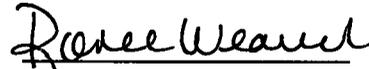

There being no further business presently before the Committee, Chairman Setzer adjourned the meeting at 9:48 am.

Respectfully submitted,

Representative Mitchell Setzer

Presiding Chair

Renee Weaver

Clerk, House Committee on
Finance

**2011 COMMITTEE REPORT
HOUSE OF REPRESENTATIVES**

The following report(s) from standing committee(s) is/are presented:

By Representative Howard, Folwell, Setzer, Starnes (Chairs) for the Committee on FINANCE.

Committee Substitute for

HB 318 A BILL TO BE ENTITLED AN ACT TO MODIFY THE STATE TREASURER INVESTMENT STATUTE.

With a favorable report as to the committee substitute bill, unfavorable as to the original bill.

(FOR JOURNAL USE ONLY)

_____ Pursuant to Rule 32(a), the bill/resolution is re-referred to the Committee on _____.

_____ Pursuant to Rule 36(b), the (House/Senate) committee substitute bill/(joint) resolution (No. _____) is placed on the Calendar of _____. (The original bill resolution No. _____) is placed on the Unfavorable Calendar.

_____ The (House) committee substitute bill/(joint) resolution (No. _____) is re-referred to the Committee on _____. (The original bill/resolution) (House/Senate Committee Substitute Bill/(Joint) resolution No. _____) is placed on the Unfavorable Calendar.

GENERAL ASSEMBLY OF NORTH CAROLINA
SESSION 2011

H

D

HOUSE BILL 318
PROPOSED COMMITTEE SUBSTITUTE H318-PCS80212-RB-27

Short Title: State Treasurer's Investments.-AB (Public)

Sponsors:

Referred to:

March 14, 2011

A BILL TO BE ENTITLED

AN ACT TO MODIFY THE STATE TREASURER INVESTMENT STATUTE.

The General Assembly of North Carolina enacts:

SECTION 1. G.S. 147-69.2(b) reads as rewritten:

"(b) It shall be the duty of the State Treasurer to invest the cash of the funds enumerated in subsection (a) of this section in excess of the amount required to meet the current needs and demands on such funds, ~~selecting from among the following funds.~~ The State Treasurer may invest the funds as provided in this subsection. If an investment was authorized by this subsection at the time the investment was made or contractually committed to be made, then none of the percentage or other limitation on investments set forth in this subsection shall be construed to require the State Treasurer to subsequently dispose of the investment or fail to honor any contractual commitments as a result of changes in market values, ratings, or other investment qualifications.

- (1) ~~Any of the investments~~ Investments authorized by G.S. 147-69.1(c)(1)-(7).
- (2) General obligations of other states of the United States.
- (3) General obligations of cities, counties and special districts in North Carolina.
- (4) Obligations of any company, other organization or legal entity incorporated or otherwise created or located within or outside the United States, including obligations that are convertible into equity securities, if the obligations bear one of the four highest ratings of at least one nationally recognized rating service when acquired.
- (5) Repealed by Session Laws 2001-444, s. 2, effective October 1, 2001.
- (6) Asset-backed securities (whether considered debt or equity) provided they bear ratings by nationally recognized rating services as provided in G.S. 147-69.2(b)(4).
- (6a) In addition to the limitations and requirements with respect to the investments of the Retirement Systems set forth in this subsection, the State Treasurer shall select investments of the assets of the Retirement Systems such that investments made pursuant to subdivisions (b)(1) through (6) of this section shall at all times equal or exceed twenty percent (20%) of the market value of all invested assets of the Retirement Systems.
- (6b) Investments pursuant to subdivisions (b)(1) through (6) of this section may be made directly by the State Treasurer or through contractual arrangements in which the investment manager has full and complete discretion and

1 authority to invest assets specified in such arrangements in investments
2 authorized by subdivisions (b)(1) through (6) of this section, provided for
3 each indirect investment, the investment manager has assets under
4 management of at least one hundred million dollars (\$100,000,000).

5 (6c) With respect to Retirement Systems' assets referred to in subdivision (b)(8),
6 they may be invested in obligations and other debt securities, including debt
7 securities convertible into other securities, that do not meet the requirements
8 of any of subdivisions (b)(1) through (6) of this section nor subdivision
9 (b)(7) of this section, provided such investments are made through
10 investment companies registered under the Investment Company Act of
11 1940, individual, ~~common~~ common, or collective trust funds of banks and
12 trust companies, group trusts and limited partnerships, limited liability
13 companies or other limited liability investment vehicles that invest primarily
14 in investments authorized by this subdivision and through contractual
15 arrangements in which the investment manager has full and complete
16 discretion and authority to invest assets specified in such arrangements in
17 investments authorized by this subdivision, provided the investment
18 manager for each investment pursuant to this subdivision has assets under
19 management of at least one hundred million dollars (\$100,000,000) and
20 provided that the investments authorized under this subdivision shall not
21 exceed five percent (5%) of the market value of all invested assets of the
22 Retirement Systems.

23 (7) With respect to Retirement Systems' assets referred to in subdivision (8) of
24 this subsection, (i) insurance contracts that provide for participation in
25 individual or pooled separate accounts of insurance companies, (ii) group
26 trusts, (iii) individual, common, or collective trust funds of banks and trust
27 companies, (iv) real estate investment trusts, (v) investment companies
28 registered under the Investment Company Act of 1940, and (vi) limited
29 partnerships, limited liability companies, or other limited liability investment
30 vehicles; provided the investment manager has assets under management of
31 at least one hundred million dollars (\$100,000,000); provided such
32 investment assets are managed primarily for the purpose of investing in or
33 owning real estate or related debt financing located within or outside the
34 United States; and provided that the investments authorized by this
35 subdivision shall not exceed ten percent (10%) of the market value of all
36 invested assets of the Retirement Systems.

37 (8) With respect to assets of the Teachers' and State Employees' Retirement
38 System, the Consolidated Judicial Retirement System, the Firemen's and
39 Rescue Workers' Pension Fund, the Local Governmental Employees'
40 Retirement System, the Legislative Retirement System, the North Carolina
41 National Guard Pension Fund (hereinafter referred to collectively as the
42 Retirement Systems), and assets invested pursuant to subdivision (b2) of this
43 section, they may be invested in equity securities traded on a public
44 securities exchange or market organized and regulated pursuant to the laws
45 of the jurisdiction of such exchange or market and issued by any company
46 incorporated or otherwise created or located within or outside the United
47 States; provided the investments meet the conditions of this subdivision. The

48 ~~The~~ investments authorized for the Retirement Systems under this
49 subdivision cannot exceed sixty-five percent (65%) of the market value of
50 all invested assets of the Retirement Systems.

1 The assets authorized under this subdivision may be invested directly by
 2 the State Treasurer in any equity securities authorized by this subdivision for
 3 the primary purpose of approximating the movements of a nationally
 4 recognized and published market benchmark index. No more than one and
 5 one-half percent (1 1/2%) of the market value of the Retirement Systems'
 6 assets that may be invested directly under this subdivision can be invested in
 7 the stock of a single corporation, and the total number of shares in that single
 8 corporation cannot exceed eight percent (8%) of the issued and outstanding
 9 stock of that corporation.

10 So long as each investment manager has assets under management of at
 11 least one hundred million dollars (\$100,000,000), the assets authorized under
 12 this subdivision ~~can~~may also be invested through any of the following:

13 ~~(i)a.~~ Investment companies registered under the Investment
 14 Company Act of 1940;~~(ii)~~individual, common, or collective trust
 15 funds of banks and trust companies;~~(iii)~~ companies; and group
 16 trusts, and trusts that invest primarily in investments authorized by
 17 this subdivision.

18 **b.** Limited partnerships, limited liability companies, or other limited
 19 liability investment vehicles that are not publicly traded and invest
 20 primarily in investments authorized by this subdivision. Investments
 21 under this sub-subdivision shall not exceed six and one-half percent
 22 (6.5%) of the market value of all invested assets of the Retirement
 23 Systems.

24 ~~(iv)c.~~ Contractual arrangements in which investment managers
 25 have full and complete discretion and authority to invest assets
 26 specified in such contractual ~~arrangements;~~ arrangements in
 27 investments authorized by this subdivision.

28 ~~The assets authorized under this subdivision can also be invested directly~~
 29 ~~by the State Treasurer in any equity securities represented in the S&P 500~~
 30 ~~Index or that have been publicly announced to be included in the S&P 500~~
 31 ~~Index. No more than one and one-half percent (1 1/2%) of the market value~~
 32 ~~of the Retirement Systems' assets that may be invested directly under this~~
 33 ~~subdivision can be invested in the stock of a single corporation, and the total~~
 34 ~~number of shares in that single corporation cannot exceed eight percent (8%)~~
 35 ~~of the issued and outstanding stock of that corporation.~~

36 (9) With respect to Retirement Systems' assets, as defined in subdivision (b)(8)
 37 of this subsection, they may be invested in interests in limited partnerships,
 38 limited liability companies, or other limited liability investment vehicles that
 39 are not publicly traded if the primary purpose of the limited partnership,
 40 limited liability company, or other limited liability investment vehicle is (i)
 41 to invest in public or private equity, or corporate buyout transactions, within
 42 or outside the United States; States or (ii) to engage in other strategies not
 43 expressly authorized by any other subdivision of this subsection. The
 44 amount invested under this subdivision shall not exceed ~~five percent (5%)~~
 45 seven and one-half percent (7.5%) of the market value of all invested assets
 46 of the Retirement Systems.

47 (9a) With respect to Retirement Systems' assets, as defined in subdivision (b)(8)
 48 of this subsection, they may be invested in inflation-linked bonds,
 49 timberlands, commodities, and other assets that are acquired for the primary
 50 purpose of providing protection against risks associated with inflation,
 51 provided such investments are made through investment companies

registered under the Investment Company Act of 1940, individual, common or collective trust funds of banks and trust companies, group trusts and limited partnerships, limited liability companies or other limited liability investment vehicles that invest primarily in investments authorized by this subdivision and through contractual arrangements in which the investment manager has full and complete discretion and authority to invest assets specified in such arrangements in investments authorized by this subdivision, provided the investment manager for each investment pursuant to this subdivision has assets under management of at least one hundred million dollars (\$100,000,000) and provided that the investments authorized under this subdivision shall not exceed five percent (5%) of the market value of all invested assets of the Retirement Systems. Notwithstanding anything in this subsection to the contrary, the investments authorized by this subdivision shall not be included in any subdivision other than this subdivision for purposes of the percentage investment limitations therein or otherwise.

(10) Recodified as part of subdivision (b)(9) by Session Laws 2000-160, s. 2.

(11) With respect to assets of the Escheat Fund, obligations of the North Carolina Global TransPark Authority authorized by G.S. 63A-4(a)(22), not to exceed twenty-five million dollars (\$25,000,000), that have a final maturity not later than October 1, 2011. The obligations shall bear interest at the rate set by the State Treasurer. No commitment to purchase obligations may be made pursuant to this subdivision after September 1, 1993, and no obligations may be purchased after September 1, 1994. In the event of a loss to the Escheat Fund by reason of an investment made pursuant to this subdivision, it is the intention of the General Assembly to hold the Escheat Fund harmless from the loss by appropriating to the Escheat Fund funds equivalent to the loss.

If any part of the property owned by the North Carolina Global TransPark Authority now or in the future is divested, proceeds of the divestment shall be used to fulfill any unmet obligations on an investment made pursuant to this subdivision.

(12) With respect to assets of the Escheat Fund, in addition to those investments authorized by subdivisions (1) through (6) of this subsection, up to twenty percent (20%) of such assets may be invested in the investments authorized under subdivisions (7) through (9) of this subsection, notwithstanding the percentage limitations imposed on the Retirement Systems' investments under those subdivisions."

SECTION 2. This act is effective when it becomes law.

HOUSE BILL 318: State Treasurer's Investments.-AB

2011-2012 General Assembly

Committee: House Finance	Date: May 3, 2011
Introduced by: Reps. McGee, Folwell	Prepared by: Cindy Avrette
Analysis of: PCS to First Edition H318-CSR-27	Committee Counsel

SUMMARY: *House Bill 318¹ makes changes to the State Treasurer's investment authority. The PCS makes technical changes suggested by the State Treasurer and stylistic changes.*

CURRENT LAW: The State Treasurer has the statutory responsibility of managing the State's investments. The types of investments the Treasurer may use are limited by statute. In regards to the investment of assets held by the North Carolina Retirement System², there are additional statutory directions and limitations:

- At least 20% of the market value of all invested assets of the Retirement System must be invested in fixed income assets.
- No more than 65% of the market value of all invested assets of the Retirement System may be invested in public equities.
- Up to 10% of the market value of all invested assets of the Retirement System may be invested in real estate.
- Up to 5% of the market value of all invested assets of the Retirement System may be invested in alternative investments. These investments are primarily private equities. This statutory limit was exceeded in September 2008 when the stock market plummeted, resulting in significantly reduced market value of all investment assets. The limit is currently exceeded by .13%.
- In partial response to the exceeding of the statutory limit for alternative investments in 2008, the General Assembly approved two new asset allocations in S.L. 2009-283, the credit and inflation allocations. Up to 5% of the market value of all invested assets of the Retirement System may be invested in each of these two allocations. Subsequent to the creation of these two allocations, certain investment vehicles were reclassified from the alternatives allocation into the credit and inflation allocations, thus reducing the holdings percentage in alternative investments below the statutory limit.

The State Treasurer may manage the investments of the assets internally or externally through outside managers. Currently, the State Treasurer manages approximately 40% of the assets of the Retirement System internally. Although the State Treasurer may make equity investments internally³, all of those investments are currently managed externally, partially due to the investment limitations imposed on the internal management of this asset allocation. Under current law, the State Treasurer may only invest in equity securities represented in the S&P 500 benchmark.

BILL ANALYSIS: House Bill 318 is an agency bill requested by the State Treasurer. The bill would give the Treasurer greater flexibility in implementing its investment strategy of the assets in the Retirement System. The Treasurer's stated intent of the requested statutory changes is to achieve the same or slightly

¹ House Bill 318, as introduced, was identical to Senate Bill 215, introduced by Sen. Apodaca. Senate Bill 215 is on the Senate calendar for 2nd reading Wednesday, May 4th.

² The North Carolina Retirement System consists of the following retirement plans: Teachers' and State Employees', Consolidated Judicial, Firemen's and Rescue Workers, Local Governmental Employees, Legislative, and North Carolina National Guard.

³ NCRS only manages investment grade fixed income internally.

House PCS 318

Page 2

better returns at a meaningfully lower level of risk. The bill would make three primary changes allowing greater investment management flexibility:

Expand the Benchmark for Internal Management of Public Equities:

The State Treasurer's internal management of public equity securities is limited to those securities represented in the S&P 500 benchmark. The State Treasurer may manage these same public equity securities using broader indexes through external managers. The bill would amend G.S. 147-69.2(b)(8) to allow other, broader indexes to be utilized to manage equities internally. The bill would also limit the Treasurer's ability to invest internally to index funds. Currently, this limitation does not exist.

Securities represented in the S&P 500 comprise only 32% of the global equity universe. The S&P 500 covers approximately 75% of the US equity market and focuses on large cap stocks. There exist other, broader indexes, such as the Russell 3000 index and the MSCI World ex US index. The Russell 3000 index covers approximately 42% of the global equity universe; it covers 98% of the US equity market and includes large cap, mid cap, and small cap stocks. The MSCI World ex US index covers approximately 39% of the global equity universe and consists of 23 developed market countries outside of the United States.

"Alternatives" Cap:

The current statutory cap on the alternative investment allocation is 5% of the total investment assets. Investments in this allocation exceeded the cap in September 2008 when the stock market plummeted and significantly reduced the market value of all investments. With the creation of the credit and inflation asset allocations in 2009, the State Treasurer reclassified certain investment instruments from the alternatives allocation into the credit and inflation allocations, thus reducing the holdings percentage in alternative investments below the statutory limit. However, the allocation subsequently exceeded the cap by .13% as of December 31, 2010, because the Treasurer had to invest additional cash in certain alternative investments in order to meet contractual obligations. The Treasurer has taken steps since that time to reduce the level of investments in this allocation. Currently, investments in the alternatives allocation represent 4.96% of the total investment assets.

The bill would amend G.S. 147-69.2(b)(9) to increase the cap from 5% of plan assets to 7.5%.⁴ The bill would also stipulate that if an investment is within the cap at the time it is made or contractually committed to be made, the Treasurer would not be required to dispose of the investment or fail to honor the contractual commitment as a result of changes in market values, ratings, or other investment qualifications.

Use of Hedge Funds in Public Equity Portfolio

The public equity portfolio represents 40% to 50% of the Retirement System's assets. The State Treasurer may utilize hedge funds for risk reduction in all parts of the portfolio that it makes sense to do so except for the public equity portfolio. The public equity asset allocation is the riskiest asset class in the plan due to its large allocations and high volatility of risks. The bill would amend G.S. 147-69.2(b)(8)d. to allow the State Treasurer to use hedge funds in the public equity portfolio, so long as its investment in them does not exceed 6.5% of the market value of all invested assets in the Retirement System.⁵

EFFECTIVE DATE: House Bill 318 would become effective when it becomes law.

A BILL TO BE ENTITLED

AN ACT TO REMOVE CERTAIN DESCRIBED PROPERTY FROM THE CORPORATE
LIMITS OF THE CITY OF WINSTON-SALEM.

The General Assembly of North Carolina enacts:

SECTION 1. The corporate limits of the City of Winston Salem are reduced by removing the following described property:

BEGINNING at an iron, said iron being located in the Southeast corner of Judy B. Lloyd, Deed Book 1148, Page 788, Forsyth County Registry, and also being in the Northern edge of the pavement of Union Cross Road (S.R. 2643); thence from said point of Beginning North 01° 30' 07" East 676.63 feet to an iron in the Northeast corner of Lloyd; thence North 85° 01' 55" West 1,028.47 feet to a stone; thence North 5° 15' 12" East 1,123.47 feet to an iron; thence South 86° 32' 33" East 182.75 feet to an iron; thence South 00° 19' 53" West 666.48 feet to an iron; thence South 81° 02' 18" East 783.00 feet to an iron; thence South 14° 23' 08" East 164.16 feet to an iron; thence South 83° 44' 5" East 44.51 feet to an iron; thence along a new line 01° 30' 51" West 929.24 feet to an iron in the Northern edge of the pavement of Union Cross Road; thence with the Northern edge of the pavement of Union Cross Road North 85° 46' 24" West 108.78 feet to an iron, the point and place of Beginning, containing 16.015 acres, more or less, and being in accordance with a survey prepared by C. Ray Cates, R.L.S., dated February 5, 1989 and being all of Tax Lots 101A, 101B, and 101C of Block 2634 of the Forsyth County 2011 tax maps.

SECTION 2. This act is effective when it becomes law.

HOUSE BILL 418: Winston-Salem Deannexation

2011-2012 General Assembly

Committee: House Finance
Introduced by: Rep. L. Brown
Analysis of: First Edition

Date: May 4, 2011
Prepared by: Trina Griffin
Committee Counsel

SUMMARY: *House Bill 418 removes an area described in the bill from the corporate limits of the City of Winston-Salem.*

CURRENT LAW:

Section 1 of Article VII of the North Carolina Constitution, empowers the General Assembly to "provide for the organization and government and the fixing of boundaries of counties, cities and towns, and other governmental subdivisions, and, except as otherwise prohibited by this Constitution, may give such powers and duties to counties, cities and towns, and other governmental subdivisions as it may deem advisable." Pursuant to this Section, the General Assembly enacted Article 4A of Chapter 160A of the General Statutes, which authorizes municipalities to enact ordinances to add territory to their municipal limits by annexation.

The General Assembly has not enacted any method for municipalities to *deannex* property. The power to deannex remains with the General Assembly.

BILL ANALYSIS:

House Bill 418 would remove a property area described in the bill from the corporate limits of the City of Winston Salem.

EFFECTIVE DATE:

House Bill 418 would become effective when it becomes law.

Giles Perry, staff to House Government, substantially contributed to the content in this summary.

North Carolina General Assembly
House Committee on Finance

Minutes

~
May 5, 2011

The House Committee on Finance met on Thursday, May 5, 2011 at 8:30 am in Room 544 of the Legislative Office Building. The following members were present: Chairpersons Howard, Starnes, Setzer and Folwell; Vice-Chairs Lewis, McComas and Wainwright; and Representatives Alexander, Brandon, Brawley, Carney, Collins, Cotham, Faison, Hackney, Hall, Hill, Jordan, Luebke, McCormick, McGee, McGuirt, Moffitt, Moore, Rhyne, Ross, Samuelson, Stam, Stone, Warren, Weiss and Womble. Also present were Sergeant-at-Arms John Brandon, Fred Hines, Ken Kirby and Carlton Adams. Staff persons present included Cindy Avrette, Rodney Bizzell, Barry Boardman, Judy Collier, Heather Fennell, Kory Goldsmith, Trina Griffin, Sandra Johnson, Giles Perry, Greg Roney, and Brian Slivka. The Agenda and Visitor Registration Sheets are attached and incorporated into these minutes as **attachments 1 and 2.**

Chairman Starnes called the meeting to order at 8:30 am and recognized the five (5) pages present: (1) Alexander Umstead of Forsyth County sponsored by Representative Womble; (2) Alexis McDonald of Wake County sponsored by Representative Wainwright; (3) Khari Bailey of Wake County sponsored by Representative Gill; (4) Joseph Vuke of Wake County sponsored by Representative Stam; and (5) Brandon Edds of Rowan County sponsored by Representative Harry Warren.

Chairman Starnes stated that **SB 269 Hillsborough Occupancy Tax** conformed to the guidelines and was reported favorable by the Subcommittee on Occupancy Tax and referred to the Committee on Finance.

The first bill considered by the Committee was **SB 269 Hillsborough Occupancy Tax** (see **attachment 3**). The Chair recognized Senator Kinnaird to explain the bill. The Chair recognized Representative Carney who moved that SB 269 be given a favorable report. The motion carried.

The next bill considered by the Committee was **HB 352 Delay Kannapolis Annexation** (see **attachment 4**). Chairman Starnes recognized Representative Steen to explain the bill. The Chair then recognized Representative Setzer who moved that HB 352 be given a favorable report. The motion carried.

The next bill before the Committee was **HB 532 Graham County/Cemetery Tax By General Law** (see **attachment 5**). The Chair recognized Representative West to explain the bill. Chairman

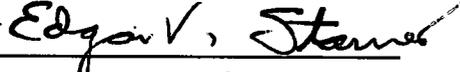

Starnes recognized Representative Womble who moved that HB 532 be given a favorable report. The motion carried.

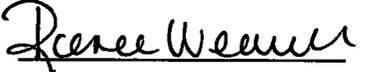

Next before the Committee was **SB 295 Marshville Charter Consolidation** (see **attachment 6**). The Chair recognized Representative McGuirt to explain the bill. The Chair then recognized Representative Ross who moved that SB 295 be given a favorable report. The motion carried.

The next bill to be heard by the Committee was **HB 845 Reform Annexation Laws** (see **attachment 7**). Chairman Starnes recognized Representative Moffitt who moved to adopt the proposed committee substitute for the purpose of discussion. The motion carried. Representatives LaRoque and Dollar were recognized to explain the bill. The following people spoke in the support of the bill: Catherine Heath, Stop Annexation; Kelli Kukura, NC League of Municipalities; Doug Aitken, Fair Annexation Coalition; Kathy Hartkopf, Freedom Works; Mark Dorosin and Peter Gilbert, UNC Center for Civil Rights. No one from the audience spoke in opposition of the bill. The Chair then recognized Representative Warren who moved that HB 845 be given a favorable report as to the proposed committee substitute, unfavorable report to the original bill. The motion was set aside for further discussion. Chairman Starnes recognized Representative McGee who sent forth amendment 1 that moved to amend the bill on page 10, lines 11-12 and on page 9, line 44 (see **attachment 8**). Representative McGee explained his amendment. Being no further discussion or debate, the Chair called for the ayes and noes on amendment 1. The motion to adopt amendment 1 passed. The Chair then recognized Representative Stam who sent forth amendment 2 that moved to amend the bill on page 3, line 19 (see **attachment 9**). Representative Stam explained the amendment. Being no further discussion or debate, the Chair called for the ayes and noes on amendment 2. The motion to adopt amendment 2 passed. Chairman Starnes recognized Representative Hall who sent forth amendment 3 which moved to amend the bill on page 12, lines 13-19 by rewriting those lines; and on page 20, line 41, by rewriting those lines; and on page 20, line 9 by deleting the word; and on page 20, lines 13-14, by rewriting those lines; and on page 22, line 3, by deleting the word; and on page 5, lines 43-44, by adding between those lines; and on page 22, lines 21-22, by adding between those lines two new bill sections; and on page 5, lines 20-21, by adding between those lines (see **attachment 10**). Staff person, Giles Perry of the Research Division was recognized to explain the amendment. The Chair recognized Representative Hall who stated he would like to submit a perfecting amendment. Amendment 3 was temporarily set aside. Chairman Starnes then recognized Representative Womble who sent forth amendment 4 that moved to amend amendment 1 on page 1, line 5 by adding the word (see **attachment 11**). Representative Womble explained his amendment. Being no further discussion or debate, the Chair called for the ayes and noes on amendment 4. The motion to adopt amendment 4 passed. The Chair recognized Representative Hall who sent forth amendment 5 that moved to amend amendment 4 on page 1, lines 1-6; and on page 1 of the amendment by deleting lines 22-23; and on page 3 of the amendment by deleting lines 40-43; and on page 4 of the amendment by deleting lines 1-22 (see **attachment 12**). Staff person Giles Perry explained the perfecting amendment. Due to time, Chairman Starnes brought the discussion to an end with the announcement that the bill will be rescheduled along with **HB 565 Morehead City/Beaufort Boundary**.

There being no further business presently before the Committee, Chairman Starnes adjourned the meeting at 9:52 am.

Respectfully submitted,

Representative Edgar Starnes
Presiding Chair

Renee Weaver
Clerk, House Committee on
Finance

GENERAL ASSEMBLY OF NORTH CAROLINA
SESSION 2011

S

1

SENATE BILL 269

Short Title: Hillsborough Occupancy Tax. (Local)

Sponsors: Senator Kinnaird.

Referred to: Finance.

March 9, 2011

A BILL TO BE ENTITLED

AN ACT TO AUTHORIZE THE TOWN OF HILLSBOROUGH TO LEVY A ROOM OCCUPANCY TAX.

The General Assembly of North Carolina enacts:

SECTION 1.1. Occupancy tax. – (a) Authorization and Scope. – The Town Board of the Town of Hillsborough may levy a room occupancy tax of up to three percent (3%) of the gross receipts derived from the rental of any room, lodging, or accommodation furnished by a hotel, motel, inn, tourist camp, or similar place within the town that is subject to sales tax imposed by the State under G.S. 105-164.4(a)(3). This tax is in addition to any State or local sales tax. This tax does not apply to accommodations furnished by nonprofit charitable, educational, or religious organizations when furnished in furtherance of their nonprofit purpose.

SECTION 1.1.(b) Administration. – A tax levied under this section shall be levied, administered, collected, and repealed as provided in G.S. 160A-215. The penalties provided in G.S. 160A-215 apply to a tax levied under this section.

SECTION 1.1.(c) Distribution and Use of Tax Revenue. – The Town of Hillsborough shall, on a quarterly basis, remit the net proceeds of the occupancy tax to the Hillsborough Tourism Development Authority. The Authority shall use at least two-thirds of the funds remitted to it under this subsection to promote travel and tourism in the Town of Hillsborough and shall use the remainder for tourism-related expenditures.

The following definitions apply in this subsection:

- (1) Net proceeds. – Gross proceeds less the cost to the town of administering and collecting the tax, as determined by the finance officer, not to exceed three percent (3%) of the first five hundred thousand dollars (\$500,000) of gross proceeds collected each year and one percent (1%) of the remaining gross proceeds collected each year.
- (2) Promote travel and tourism. – To advertise or market an area or activity, publish and distribute pamphlets and other materials, conduct market research, or engage in similar promotional activities that attract tourists or business travelers to the area; the term includes administrative expenses incurred in engaging in the listed activities.
- (3) Tourism-related expenditures. – Expenditures that, in the judgment of the Hillsborough Tourism Development Authority, are designed to increase the use of lodging facilities, meeting facilities, or convention facilities in the town or to attract tourists or business travelers to the town. The term includes tourism-related capital expenditures.

1 **SECTION 1.2.** Tourism Development Authority. – (a) Appointment and
2 Membership. – When the Town Board adopts a resolution levying a room occupancy tax under
3 this act, it shall also adopt a resolution creating the Hillsborough Tourism Development
4 Authority, which shall be a public authority under the Local Government Budget and Fiscal
5 Control Act. The resolution shall provide for the membership of the Authority, including the
6 members' terms of office, and for the filling of vacancies on the Authority. At least one-third
7 of the members shall be individuals who are affiliated with businesses that collect the tax in the
8 town, and at least one-half of the members shall be individuals who are currently active in the
9 promotion of the travel and tourism in the town. The Town Board shall designate one member
10 of the Authority as chair and shall determine the compensation, if any, to be paid to members
11 of the Authority. The Authority shall meet at the call of the chair and shall adopt rules of
12 procedure to govern its meetings. The finance officer for the Town of Hillsborough shall be the
13 ex officio finance officer of the Authority.

14 **SECTION 1.2.(b)** Duties. – The Tourism Development Authority shall expend the
15 net proceeds of the tax levied under this act for the purposes provided in Section 1 of this act.
16 The Authority shall promote travel, tourism, and conventions in the town, sponsor
17 tourist-related events and activities in the town, and finance tourist-related capital projects in
18 the town.

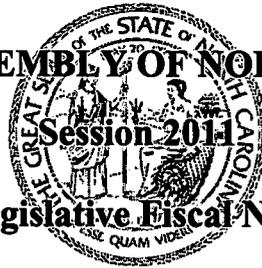

19 **SECTION 1.2.(c)** Reports. – The Tourism Development Authority shall report
20 quarterly and at the close of each fiscal year to the Hillsborough Town Board on its receipts
21 and expenditures for the preceding quarter and for the year in such detail as the Town Board
22 may require.

23 **SECTION 2.** G.S. 160A-215(g) reads as rewritten:

24 "(g) Applicability. – Subsection (c) of this section applies to all cities that levy an
25 occupancy tax. To the extent subsection (c) conflicts with any provision of a local act,
26 subsection (c) supersedes that provision. The remainder of this section applies only to Beech
27 Mountain District W, to the Cities of Belmont, Conover, Eden, Elizabeth City, Gastonia,
28 Goldsboro, Greensboro, Hickory, High Point, Jacksonville, Kings Mountain, Lenoir,
29 Lexington, Lincolnton, Lowell, Lumberton, Monroe, Mount Airy, Mount Holly, Reidsville,
30 Roanoke Rapids, Salisbury, Shelby, Statesville, Washington, and Wilmington, to the Towns of
31 Ahoskie, Beech Mountain, Benson, Bermuda Run, Blowing Rock, Boiling Springs, Boone,
32 Burgaw, Carolina Beach, Carrboro, Cooleemee, Cramerton, Dallas, Dobson, Elkin, Franklin,
33 Hillsborough, Jonesville, Kenly, Kure Beach, Leland, McAdenville, Mocksville, Mooresville,
34 Murfreesboro, North Topsail Beach, Pembroke, Pilot Mountain, Ranlo, Selma, Smithfield, St.
35 Pauls, Troutman, Tryon, West Jefferson, Wilkesboro, Wrightsville Beach, Yadkinville, and
36 Yanceyville, and to the municipalities in Avery and Brunswick Counties."

37 **SECTION 3.** This act is effective when it becomes law.

EXPENDITURES

POSITIONS (cumulative):

PRINCIPAL DEPARTMENT(S) & PROGRAM(S) AFFECTED: Town of Hillsborough

EFFECTIVE DATE: This act is effective when it becomes law.

BILL SUMMARY:

Senate Bill 269 authorizes the Town Board of the Town of Hillsborough to levy a room occupancy tax of up to 3%. It provides that the tax must be levied, administered, collected, and repealed as provided in GS 160A-215 (uniform provisions for room occupancy taxes). The bill requires the Hillsborough Tourism Development Authority (TDA) to use at least two-thirds of the occupancy tax proceeds to promote travel and tourism in the town and the remainder for tourism-related expenditures. It mandates that at least one-third of the members of the TDA be affiliated with businesses that collect the tax in the town, and at least one-half of the members be currently active in the town's travel and tourism promotion. Senate Bill 269 makes conforming change to GS 160A-215(g).

ASSUMPTIONS AND METHODOLOGY:

The Town of Hillsborough currently has 208 rooms that would be subject to the proposed 3% local room occupancy tax. According to the town, Orange County estimates that approximately \$50,000 from the current 3% county occupancy tax is derived from hotel rooms in Hillsborough.

Orange County reported \$935,220 in occupancy tax collections for taxable year 2009. Chapel Hill, the only municipality in Orange County that currently levies a room occupancy tax, reported \$891,857 for collections during that same year. Both Orange County and Chapel Hill levy a 3% occupancy tax. It's assumed that the \$43,363 difference was collected from hotels in the town of Hillsborough. This amount was then grown using the leisure and hospitality portion of North Carolina's gross state product as projected by Moody's Economy.com.

SENATE BILL 269: Hillsborough Occupancy Tax

2011-2012 General Assembly

Committee: House Finance
Introduced by: Sen. Kinnaird
Analysis of: First Edition

Date: April 28, 2011
Prepared by: Trina Griffin
Committee Counsel

SUMMARY: Senate Bill 269 authorizes the Town of Hillsborough, located in Orange County, to levy a 3% room occupancy tax. At least two-thirds of the proceeds would be used to promote travel and tourism and the remainder would be used for tourism-related expenditures. This bill conforms to the guidelines supported by the North Carolina Travel and Tourism Coalition and adhered to by the House Finance Committee.

CURRENT LAW: Currently, the Town of Hillsborough does not have authority to levy a room occupancy tax. Orange County has had authority to levy a room occupancy tax of up to 3% since 1991.¹ The other municipalities in Orange County, Carrboro and Chapel Hill, have had authority to levy a room occupancy tax of up to 3% since 2001 and 1987 respectively.²

BILL ANALYSIS: Senate Bill 269 authorizes the Town of Hillsborough to levy a room occupancy tax of up to three percent (3%). Once levied, the total occupancy tax rate for the town would be up to six percent (6%) when the county tax is included. The proceeds of the tax levied by the town must be remitted to a Tourism Development Authority (TDA), to be created by the town's governing body when the tax is first levied. The TDA must use at least two-thirds of the proceeds to promote travel and tourism and the remainder for tourism-related expenditures. These administrative and use provisions conform to the uniform guidelines recognized by the House Finance Committee and set out in the chart below.

UNIFORM OCCUPANCY TAX PROVISIONS
Rate – The county tax rate cannot exceed 6% and the city tax rate, when combined with the county rate, cannot exceed 6%.
Use – Two-thirds of the proceeds must be used to promote travel and tourism and the remainder must be used for tourism related expenditures.
Definitions The term “net proceeds”, “promote travel and tourism”, and “tourism related expenditures” are defined terms.
Administration – The net revenues must be administered by a local tourism development authority that has the authority to determine how the tax proceeds will be used, is created by a local ordinance, and at least ½ of the members must be currently active in the promotion of travel and tourism in the county and 1/3 of the members must be affiliated with organizations that collect the tax.
Costs of Collection – The taxing authority may retain from the revenues its actual costs of collection, not to exceed 3% of the first \$500,000 collected each year plus 1% of the remainder collected each year.

EFFECTIVE DATE: Senate Bill 269 is effective when it becomes law.

¹ S.L. 1991-392. Orange County's occupancy tax does not conform to the occupancy tax guidelines.

² S.L. 2001-439 and S.L. 1987-460. Chapel Hill's occupancy tax does not conform to the occupancy tax guidelines; Carrboro's occupancy tax does conform to the guidelines.

Senate Bill 269

Page 2

BACKGROUND: Since 1983, the General Assembly has authorized many units of local government to levy a room occupancy tax. Over the past several years, there has been a greater effort to make the occupancy taxes uniform. In 1997, the General Assembly enacted uniform municipal and county administrative provisions for occupancy tax,³ which provide uniformity among counties and cities with respect to the levy, administration, collection, repeal, and imposition of penalties.

In 1993, the House Finance Committee established the Occupancy Tax Guidelines, which address the rate of tax, the use of the tax proceeds, the administration of the tax, and the body with authority to determine how the proceeds will be spent. Many of the principles contained in the Guidelines are similar to those contained in policy statements adopted by the North Carolina Travel and Tourism Coalition and the North Carolina Restaurant and Lodging Association. The House Finance Committee Chairs have traditionally appointed a Subcommittee on Occupancy Taxes that scrutinizes occupancy tax legislation to determine whether the legislation adheres to the Guidelines. The House Finance Chairs appointed Representatives McGee, Cotham, Carney, Moffitt, and Warren to be members of the House Finance Subcommittee on Occupancy Taxes this biennium.

Cindy Avrette, counsel to Senate Finance, substantially contributed to this summary.

A BILL TO BE ENTITLED
AN ACT AT THE REQUEST OF THE CITY OF KANNAPOLIS TO DELAY FOR TWO
YEARS THE LEGISLATIVE ANNEXATION OF THE SOUTHLAND DEVELOPMENT
TRACTS IN SOUTHERN ROWAN COUNTY.
The General Assembly of North Carolina enacts:
SECTION 1. Section 2 of S.L. 2009-113 reads as rewritten:
"SECTION 2. This act becomes effective September 30, ~~2011-2013~~."
SECTION 2. This act is effective when it becomes law.

HOUSE BILL 352: Delay Kannapolis Annexation

2011-2012 General Assembly

Committee: House Finance
Introduced by: Rep. Steen
Analysis of: First Edition

Date: May 4, 2011
Prepared by: Greg Roney
Committee Counsel

SUMMARY: *House Bill 352 delays for two years the annexation by Kannapolis of three tracts known as the Southland Development property.*

CURRENT LAW: S.L. 2009-113 provided for the annexation, effective September 30, 2011, of approximately 327 acres adjacent to I-85 in southern Rowan County into the City of Kannapolis, described as:

- First Tract East side Interstate 85, containing 296.86 acres more or less.
- Second Tract West side Interstate 85, containing 30.10 acres more or less.
- That section of Interstate 85 right-of-way located between the Third Tract and Sixth Tract as shown on the map entitled "Composite Map of GDRM Gateway, LLC."

Collectively, these tracts are known as the Southland Development property.

BILL ANALYSIS: House Bill 352 would delay the annexation of the Southland Development property for two years, to September 30, 2013.

BACKGROUND: In 2009, the property owner planned to develop a corporate business park, Southland Development. The owner formally requested that Southland Development be voluntarily annexed into Kannapolis. Kannapolis could not annex Southland Development because the property is closer to other cities and the annexation statute prohibited Kannapolis' satellite corporate limits being closer to the primary corporate limits of another municipality. G.S. 160A-58.1(b)(2). The General Assembly enacted S.L. 2009-113 to annex Southland Development into Kannapolis effective September 30, 2011. Now, Southland Development has not developed at the anticipated rate, and the property owner seeks to delay the start of Kannapolis' property taxes for two years.

EFFECTIVE DATE: This act is effective when it becomes law.

Giles S. Perry, counsel to House Government, substantially contributed to this summary.

A BILL TO BE ENTITLED
AN ACT PROVIDING FOR THE MAINTENANCE OF CEMETERIES IN GRAHAM
COUNTY FROM AD VALOREM TAXES UNDER GENERAL LAW.
The General Assembly of North Carolina enacts:
SECTION 1. Section 9 of Chapter 797 of the 1957 Session Laws is repealed so
that the general law applies.
SECTION 2. This act is effective when it becomes law.

HOUSE BILL 532: Graham County/Cemetery Tax By General Law

2011-2012 General Assembly

Committee: House Finance
Introduced by: Rep. West
Analysis of: First Edition

Date: May 5, 2011
Prepared by: Trina Griffin
Committee Counsel

SUMMARY: *House Bill 532 repeals a section of a 1957 Session Law authorizing Graham County to call for a special election for the purpose of submitting to the voters the question of levying a special ad valorem tax for the maintenance of cemeteries in Graham County. Upon repeal, the general law would apply.*

CURRENT LAW: Chapter 797 of the 1957 Session Laws created the Graham County Cemetery Commission giving it full charge of all public cemeteries within the county, including supervision and maintenance. Section 9 of that act authorized the Graham County Board of Elections, upon request from the Cemetery Commission, to call a special election for the purpose of submitting the question of a levy of an ad valorem tax for the maintenance of the county cemeteries. The rate provided was \$0.06 on the \$100 of real and personal property. If a majority of voters approve a tax for cemetery maintenance, the tax is to be levied yearly and turned over the Cemetery Commission.

G.S. 153A-149(c) allows counties to levy property taxes, subject to a rate limitation, for specific purposes including the provision of cemeteries. For the purposes listed in G.S. 153A-149(c), the county may levy property taxes up to a combined rate of \$1.50 on the \$100.00 appraised value of property subject to taxation.

BILL ANALYSIS: House Bill 532 would repeal Section 9 of Chapter 797 of the 1957 Session Laws so that the general law would apply.

EFFECTIVE DATE: House Bill 532 would become effective when it becomes law.

BACKGROUND: After the passage of the 1957 local act, the Graham County Board of Commissioners held a referendum in which the ad valorem tax was approved. At some point in time, however, the county stopped collecting the special ad valorem tax specifically for cemetery maintenance and starting funding it as a county department through the appropriations process and based on its needs for the fiscal year. According to the county, the 6¢ on the \$100 rate is far more than is necessary for cemetery maintenance. The Cemetery Commission continues to function and currently has 9 members. The Board has indicated that, if this bill passes, the Commission will continue to exist and act in an advisory capacity to assist the Board with regard to cemetery maintenance.

SENATE BILL 295*

Short Title: Marshville Charter Consolidation. (Local)

Sponsors: Senator Tucker.

Referred to: State and Local Government.

March 10, 2011

A BILL TO BE ENTITLED

AN ACT TO REVISE AND CONSOLIDATE THE CHARTER OF THE TOWN OF MARSHVILLE.

The General Assembly of North Carolina enacts:

SECTION 1. The Charter of the Town of Marshville is revised and consolidated to read as follows:

"THE CHARTER OF THE TOWN OF MARSHVILLE.

"ARTICLE I. INCORPORATION AND CORPORATE POWERS.

"Section 1.1. **Incorporation.** The Town of Marshville shall continue to be a body politic and corporate under the name of "Town of Marshville." The term 'general law' is employed herein as defined in G.S. 160A-1.

"ARTICLE II. CORPORATE BOUNDARIES.

"Section 2.1. **Corporate Powers.** The Town shall have and continue to have all of the powers, duties, rights, privileges, and immunities conferred and imposed on towns and cities by the general law of North Carolina.

"Section 2.2. **Corporate Boundaries.** The corporate limits of the Town of Marshville shall be and continue to be those existing at the time of the ratification of this revised Charter, and as the same may be altered from time to time in accordance with general law.

"ARTICLE III. GOVERNING BODY.

"Section 3.1. **Structuring of Governing Body.** The Town Council, hereinafter referred to as the "Council," and the Mayor shall be the governing body of the town.

"Section 3.2. **Town Council; Composition; Terms of Office.** The qualified voters of the entire town shall elect the Council. The Council shall be composed of five members to serve staggered terms of four years and until their successors are elected and qualified. Three members shall be elected in 2011 and quadrennially thereafter for four-year terms and two members shall be elected in 2013 and quadrennially thereafter for four-year terms.

"Section 3.3. **Mayor; Term of Office; Duties.** The Mayor shall be elected by the qualified voters of the town in 2011 and biennially thereafter for a term of two years and shall serve until a successor is elected and qualified. The Mayor shall be the official head of the Town government and shall preside at meetings of the Council. The Mayor shall have the right to vote only when there is an equal division on any question or matter before the Council and shall exercise the powers and duties conferred by law and as directed by the Council.

"Section 3.4. **Mayor Pro Tempore.** In accordance with general law, the Council shall elect one of its members to act as Mayor Pro Tempore to perform the duties of the Mayor during the Mayor's absence or disability.

1 "Section 3.5. **Meetings.** In accordance with general law, the Council shall establish a
2 suitable time and place for its regular meetings. Special and emergency meetings may be held
3 as provided by general law.

4 "Section 3.6. **Quorum; Voting.** Official actions of the Council and all votes shall be taken
5 in accordance with the applicable provisions of general law, particularly G.S. 160A-75. The
6 quorum provisions of G.S. 160A-74 shall apply.

7 "Section 3.7. **Compensation; Qualifications for Office; Vacancies.** The compensation,
8 qualifications, and filing of vacancies of the Mayor and members of the Council shall be in
9 accordance with general law.

10 "ARTICLE IV. ELECTIONS.

11 "Section 4.1. **Regular Municipal Elections.** Regular municipal elections shall be held in
12 each odd-numbered year in accordance with the uniform municipal election laws of North
13 Carolina. Elections shall be conducted on a nonpartisan basis and the results determined by a
14 plurality as provided in G.S. 163-292.

15 "Section 4.2. **Special Elections and Referenda.** Special elections and referenda may be
16 held only as provided by general law.

17 "ARTICLE V. ADMINISTRATION.

18 "Section 5.1. **Council-Manager Form.** The Town of Marshville shall operate under a
19 council-manager form of government as provided in Part 2 of Article 7 of Chapter 160A of the
20 General Statutes.

21 "Section 5.2. **Town Attorney.** The Town Council shall appoint a Town Attorney licensed
22 to practice law in North Carolina. It shall be the duty of the Town Attorney to represent the
23 Town, advise Town officials, and perform other duties required by law or as the Council may
24 direct.

25 "Section 5.3. **Town Clerk.** The Town Manager shall appoint a Town Clerk to keep a
26 journal of the proceedings of the Council, to maintain official records and documents, to give
27 notice of meetings, and to perform such other duties required by law or as the Council may
28 direct.

29 "Section 5.4. **Tax Collector.** The Town Manager shall appoint a Tax Collector to collect all
30 taxes owed to the Town and perform those duties specified in G.S. 105-350 and such other
31 duties as prescribed by law or assigned by the Council.

32 "Section 5.5. **Police Chief.** The Town Manager shall appoint a police chief to perform the
33 duties of Chief of Police for the Town.

34 "Section 5.6. **Administrative Head Appointment.** The Town Manager may appoint other
35 administration and department heads as permitted by Part 2 of Article 7 of Chapter 160A of the
36 General Statutes.

37 "Section 5.7. **Other Appointments.** The Town may authorize other positions to be filled by
38 appointment and organize the Town governance as deemed appropriate subject to requirements
39 of general law.

40 "ARTICLE VI. MISCELLANEOUS.

41 "Section 6.1. **Utility Billing and Termination.** The Town may provide that any fee
42 imposed pursuant to G.S. 160A-314 for the purpose of G.S. 160A-311(2), 160A-311(3), and
43 160A-311(6) may be billed together in one itemized statement. The Town Council may provide
44 by ordinance the order in which partial payments are to be applied among services. In the case
45 of nonpayment within a period of not less than 30 days, the town may terminate any or all such
46 service for which full payment has not been made."

47 **SECTION 2.** This act does not affect the terms of office of the current Mayor and
48 Town Council of the Town of Marshville.

49 **SECTION 3.** No action of proceeding by any nature (whether civil or criminal,
50 judicial or administrative, or otherwise) pending at the effective date of this act by or against

1 the Town of Marshville or any of its departments or agencies shall be abated or otherwise
2 affected by adoption of this act.

3 **SECTION 4.** The purpose of this act is to revise the Charter of the Town of
4 Marshville and to consolidate herein certain acts concerning the property affairs and
5 government of the Town.

6 **SECTION 5.** The following acts or portion of acts, having served the purposes for
7 which they were enacted or having been consolidated into this act, are hereby repealed:

8 (1) Chapter 313 of the Private Laws of 1913.

9 (2) Chapter 243 of the Private Laws of 1933.

10 (3) Chapter 195 of the Private Laws of 1935.

11 (4) Chapter 124 of the Public-Local Laws of 1941.

12 (5) Chapter 652 of the 1973 Session Laws.

13 (6) Chapter 842 of the 1973 Session Laws.

14 (7) Chapter 978 of the 1987 Session Laws.

15 (8) S.L. 2000-62.

16 **SECTION 6.** This act does not affect the following:

17 (1) Chapter 854 of the Session Laws of 1951, relating to bird sanctuaries.

18 (2) S.L. 2006-171, relating to zoning.

19 (3) S.L. 2008-25, relating to violators of the Town's overgrown vegetation
20 ordinance.

21 **SECTION 7.** All existing ordinances and resolutions of the Town of Marshville
22 and all existing rules and regulations of departments or agencies of the Town of Marshville not
23 inconsistent with the provisions of this act shall continue in full force and effect until repealed,
24 modified, or amended.

25 **SECTION 8.** If any provision of this act or the application thereof to any person or
26 circumstances is held invalid, such invalidity shall not affect other provisions or application of
27 this act which can be given effect without the invalid provision or application, and to this end
28 the provisions of this act are declared to be severable.

29 **SECTION 9.** This act is effective when it becomes law.

SENATE BILL 295: Marshville Charter Consolidation

2011-2012 General Assembly

Committee:	House Finance	Date:	May 5, 2011
Introduced by:	Sen. Tucker	Prepared by:	Greg Roney
Analysis of:	First Edition		Committee Counsel

SUMMARY: *Senate Bill 295 revises and consolidates the Charter of the Town of Marshville.*

[As introduced, this bill was identical to H290, as introduced by Rep. McGuirt, which is currently in House Government.]

CURRENT LAW: The Marshville Charter was last consolidated in 1913.

BILL ANALYSIS: Senate Bill 295 rewrites the Charter of the Town of Marshville. Under the charter the Town Council is to be composed of 5 members serving 4 year terms. The charter provides for a staggering of those terms. The mayor is to be elected every 2 years. Both the mayor and the council members are to be elected by the qualified voters of the entire Town.

The Town will operate under the Council-Manager form of government. The Town Council will appoint the Town Attorney. The Town Manager shall appoint the Town Clerk, Tax Collector, Police Chief, and other administration and department heads.

The act does not affect the terms of office of the current mayor and town council.

A number of local laws for the Town are repealed. Specifically retained are local laws making Marshville a bird sanctuary (S.L. 1951-854), permitting the Town to exercise extraterritorial jurisdiction within one mile of the Town limits without consent of the Union County commissioners (S.L. 2006-171), and providing for annual notice to chronic violators of the Town's overgrown vegetation ordinance (S.L. 2008-25).

EFFECTIVE DATE: This act is effective when it becomes law.

S295-SMTM-12(e1) v3

HOUSE BILL 845
Committee Substitute Favorable 5/3/11
PROPOSED COMMITTEE SUBSTITUTE H845-PCS80219-RCx-21

Short Title: Annexation Reform Act of 2011. (Public)

Sponsors:

Referred to:

April 7, 2011

A BILL TO BE ENTITLED

AN ACT TO REFORM THE INVOLUNTARY ANNEXATION LAWS OF NORTH CAROLINA.

The General Assembly of North Carolina enacts:

SECTION 1. Part 2 of Article 4A of Chapter 160A of the General Statutes is repealed.

SECTION 2. G.S. 160A-49.1 is recodified as G.S. 160A-58.57 under Part 7 of Article 4A of Chapter 160A of the General Statutes, as created by Section 8 of this act.

SECTION 3. G.S. 160A-49.2 is recodified as G.S. 160A-58.58 under Part 7 of Article 4A of Chapter 160A of the General Statutes, as created by Section 8 of this act.

SECTION 4. G.S. 160A-49.3 is recodified as G.S. 160A-58.59 under Part 7 of Article 4A of Chapter 160A of the General Statutes, as created by Section 8 of this act.

SECTION 5. G.S. 160A-51 is recodified as G.S. 160A-58.61 under Part 7 of Article 4A of Chapter 160A of the General Statutes, as created by Section 8 of this act.

SECTION 6. G.S. 160A-52 is recodified as G.S. 160A-58.62 under Part 7 of Article 4A of Chapter 160A of the General Statutes, as created by Section 8 of this act.

SECTION 7. Part 3 of Article 4A of Chapter 160A of the General Statutes is repealed.

SECTION 8. Article 4A of Chapter 160A of the General Statutes is amended by adding a new Part 7 to be entitled "Annexations Initiated by Municipalities."

SECTION 9. Part 7 of Article 4A of Chapter 160A of the General Statutes, as created by Section 8 of this act and as amended by Sections 2, 3, 4, 5, and 6 of this act, reads as rewritten:

"Part 7.

"Annexations Initiated by Municipalities.

"§ 160A-58.50. Declaration of policy.

It is hereby declared as a matter of State policy:

(1) That sound urban development is essential to the continued economic development of North Carolina.

(2) That municipalities are created to provide the governmental services essential for sound urban development and for the protection of health, safety, and welfare in areas being intensively used for residential,

1 commercial, industrial, institutional, and governmental purposes or in areas
2 undergoing such development.

3 (3) That municipal boundaries should be extended in accordance with legislative
4 standards applicable throughout the State to include such areas and to
5 provide the high quality of governmental services needed therein for the
6 public health, safety, and welfare.

7 (4) That areas annexed to municipalities in accordance with such uniform
8 legislative standards should receive the services provided by the annexing
9 municipality.

10 (5) That the provision of services to protect the health, safety, and welfare is a
11 public purpose.

12 (6) That it is essential for citizens to have an effective voice in annexations
13 initiated by municipalities.

14 **"§ 160A-58.51. Definitions.**

15 As used in this Part, the following definitions apply:

16 (1) Contiguous area. – Any area which, at the time annexation procedures are
17 initiated, either abuts directly on the municipal boundary or is separated
18 from the municipal boundary by a street or street right-of-way, a creek or
19 river, the right-of-way of a railroad or other public service corporation, lands
20 owned by the municipality or some other political subdivision, or lands
21 owned by the State of North Carolina. A connecting corridor consisting
22 solely of the length of a street or street right-of-way may not be used to
23 establish contiguity.

24 (1a) Eligible property owner. – A property owner who is eligible to sign a
25 petition to deny an annexation ordinance or a property owner who is eligible
26 to be notified of the opportunity to have water lines and sewer lines and
27 connections installed at no cost to the property owner. A property owner is
28 eligible to sign a petition to deny an annexation ordinance if the property
29 owner held a fee interest in the property, determined as of the date of the
30 resolution of consideration. A property owner is eligible to be notified of the
31 opportunity to have water lines and sewer lines and connections installed at
32 no cost to the property owner if that property owner held a freehold interest
33 in the real property to be annexed as of the date of the combined notice of
34 public informational meeting and public hearing.

35 (2) Necessary land connection. – An area that does not exceed twenty-five
36 percent (25%) of the total area to be annexed.

37 (3) Property owner. – Any person having a freehold interest in real property.

38 (4) Used for residential purposes. – Any lot or tract five acres or less in size on
39 which is constructed a habitable dwelling unit.

40 **"§ 160A-58.52. Authority to annex.**

41 The governing board of any municipality may extend the corporate limits of such
42 municipality under the procedure set forth in this Part.

43 **"§ 160A-58.53. Prerequisites to annexation.**

44 A municipality exercising authority under this Part shall make plans for the extension of
45 services to the area proposed to be annexed and shall, prior to the public hearing provided for in
46 G.S. 160A-58.55, prepare a report setting forth such plans to provide services to the area
47 proposed to be annexed. The report shall include the following:

48 (1) A map or maps of the municipality and adjacent territory to show the
49 following information:

50 a. The present and proposed boundaries of the municipality.

- 1 b. The present major trunk water mains and sewer interceptors and
2 outfalls, and the proposed extensions of such mains, outfalls, and
3 lines as required in subdivision (3) of this section. The water and
4 sewer map shall bear the seal of a registered professional engineer.
5 c. The general land use pattern in the area proposed to be annexed.
6 (2) A statement showing that the area proposed to be annexed meets the
7 requirements of G.S. 160A-58.54.
8 (3) A statement setting forth the plans for extending to the area proposed to be
9 annexed each major municipal service on substantially the same basis and in
10 the same manner as such services are provided within the rest of the
11 municipality prior to annexation and the method to finance the extension of
12 major municipal services into the area proposed to be annexed as follows:
13 a. Provision of police protection, fire protection, solid waste collection,
14 and street maintenance services on the effective date of annexation.
15 A contract with a rural fire department to provide fire protection shall
16 be an acceptable method of providing fire protection. A contract with
17 a private firm to provide solid waste collection services shall be an
18 acceptable method of providing solid waste collection services.
19 b. Extension of water and sewer services to each lot or parcel, with a
20 proposed timetable for construction of such mains, outfalls, and lines
21 within three and one-half years of the effective date of annexation, in
22 accordance with G.S. 160A-58.56.
23 (4) A statement of the impact of the annexation on any rural fire department
24 providing service in the area proposed to be annexed and a statement of the
25 impact of the annexation on fire protection and fire insurance rates in the
26 area proposed to be annexed, if the area where service is provided is in an
27 insurance district designated under G.S. 153A-233, a rural fire protection
28 district under Article 3A of Chapter 69 of the General Statutes, or a fire
29 service district under Article 16 of Chapter 153A of the General Statutes.
30 The rural fire department shall make available to the municipality not later
31 than 30 days following a written request from the municipality all
32 information in its possession or control, including operational, financial, and
33 budgetary information, necessary for preparation of a statement of impact.
34 The municipality shall, in a timely fashion, supply the rural fire department
35 with information requested by the rural fire department to respond to the
36 written request. The rural fire department forfeits its rights under
37 G.S. 160A-58.57 if it fails to make a good faith response within 45 days
38 following receipt of the written request for information from the
39 municipality, provided that the municipality's written request so states by
40 specific reference to this subdivision.
41 (5) A statement showing how the proposed annexation will affect the
42 municipality's finances and services, including municipal revenue change
43 estimates. This statement shall be delivered to the clerk of the board of
44 county commissioners at least 30 days before the date of the public
45 informational meeting on any annexation under this Part.

46 "**§ 160A-58.54. Character of area to be annexed.**

- 47 (a) A municipal governing board may extend the municipal corporate limits to include
48 any area that meets all of the following criteria:
49 (1) It shall be adjacent or contiguous to the municipality's boundaries at the time
50 the annexation proceeding is begun, except if the entire territory of a county
51 water and sewer district created under G.S. 162A-86(b1) is being annexed.

1 the annexation shall also include any noncontiguous pieces of the district as
2 long as the part of the district with the greatest land area is adjacent or
3 contiguous to the municipality's boundaries at the time the annexation
4 proceeding is begun.

5 (2) At least one-eighth of the aggregate external boundaries of the area shall
6 coincide with the municipal boundary.

7 (3) No part of the area shall be included within the boundary of another
8 incorporated municipality.

9 (4) The total area to be annexed shall meet the requirements of any of the
10 following:

11 a. Part or all of the area to be annexed must be developed for urban
12 purposes at the time of approval of the report provided for in
13 G.S. 160A-58.53. The area of streets and street rights-of-way shall
14 not be used to determine total acreage under this subdivision. An area
15 developed for urban purposes is defined as any area which meets any
16 one of the following standards:

17 1. Has a total resident population equal to at least two and
18 three-tenths persons for each acre of land included within its
19 boundaries.

20 2. Has a total resident population equal to at least one person for
21 each acre of land included within its boundaries, and is
22 subdivided into lots and tracts such that at least sixty percent
23 (60%) of the total acreage consists of lots and tracts three
24 acres or less in size and such that at least sixty-five percent
25 (65%) of the total number of lots and tracts are one acre or
26 less in size.

27 3. Is so developed that at least sixty percent (60%) of the total
28 number of lots and tracts in the area at the time of annexation
29 are used for residential, commercial, industrial, institutional,
30 or governmental purposes, and is subdivided into lots and
31 tracts such that at least sixty percent (60%) of the total
32 acreage, not counting the acreage used at the time of
33 annexation for commercial, industrial, governmental, or
34 institutional purposes, consists of lots and tracts three acres or
35 less in size.

36 4. Is the entire area of any county water and sewer district
37 created under G.S. 162A-86(b1), if all of the following apply:

38 I. The municipality has provided in a contract with that
39 district that the area is developed for urban purposes.

40 II. The contract provides for the municipality to operate
41 the sewer system of that county water and sewer
42 district.

43 III. The municipality is annexing in one ordinance the
44 entire territory of the district not already within the
45 corporate limits of a municipality.

46 5. Is so developed that, at the time of the approval of the
47 annexation report, all tracts in the area to be annexed are used
48 for commercial, industrial, governmental, or institutional
49 purposes.

50 b. Part or all of the area to be annexed meets either of the following:

- 1 1. Lies between the municipal boundary and an area developed
2 for urban purposes so that the area developed for urban
3 purposes is either not adjacent to the municipal boundary or
4 cannot be served by the municipality without extending major
5 municipal services, including water or sewer lines, through
6 such sparsely developed area.
- 7 2. Is adjacent, on at least sixty percent (60%) of its external
8 boundary, to any combination of the municipal boundary and
9 the boundary of an area or areas developed for urban
10 purposes as defined in sub-subdivision a. of this subsection.
11 The purpose of this sub-subdivision is to permit municipal
12 governing boards to extend corporate limits to include all
13 nearby areas developed for urban purposes and where
14 necessary to include areas which at the time of annexation are
15 not yet developed for urban purposes but which constitute
16 necessary land connections between the municipality and
17 areas developed for urban purposes or between two or more
18 areas developed for urban purposes.
- 19 c. The total area to be annexed is completely surrounded by the
20 municipality's primary corporate limits.
- 21 (b) In fixing new municipal boundaries, a municipal governing board shall comply with
22 all the following:
- 23 (1) Use recorded property lines and streets as boundaries. Some or all of the
24 boundaries of a county water and sewer district may also be used when the
25 entire district is not already within the corporate limits of the municipality.
- 26 (2) Use whole parcels of property in that if any portion of that parcel is
27 included, the entire parcel of real property as recorded in the deed
28 transferring title shall be included.
- 29 (3) Not use a connecting corridor consisting solely of the length of a street or
30 street right-of-way to establish contiguity.
- 31 (4) Not consider property in use for a commercial, industrial, institutional, or
32 governmental purpose if the lot or tract is used only temporarily,
33 occasionally, or on an incidental or insubstantial basis in relation to the size
34 and character of the lot or tract.
- 35 (5) Include acreage actually occupied by buildings or other man-made structures
36 together with all areas that are reasonably necessary and appurtenant to such
37 facilities for purposes of parking, storage, ingress and egress, utilities,
38 buffering, and other ancillary services and facilities when determining
39 acreage in use for commercial, industrial, institutional, or governmental
40 purposes.
- 41 (6) Consider the area of an abolished water and sewer district to be a water and
42 sewer district for the purpose of this section even after its abolition under
43 G.S. 162A-87.2(b).

44 **"§ 160A-58.55. Procedure for annexation.**

45 (a) Resolution of Consideration. – Any municipal governing board desiring to annex
46 territory under the provisions of this Part shall first pass a resolution of consideration
47 identifying the area under consideration for annexation by either a metes and bounds
48 description or a map. The resolution of consideration shall remain effective for two years after
49 adoption and be filed with the municipal clerk. A new resolution of consideration adopted
50 before expiration of the two-year period for a previously adopted resolution covering the same

1 area shall relate back to the date of the previous resolution. Adoption of a resolution of
2 consideration shall not confer prior jurisdiction over the area as to any other municipality.

3 (b) Notice of Resolution of Consideration. – A notice of the adoption of the resolution
4 of consideration shall be published once a week for two successive weeks, with each
5 publication being on the same day of the week, in a newspaper having general circulation in the
6 municipality. The second publication shall be no more than 30 days following adoption of the
7 resolution of consideration. The resolution of consideration shall contain a map or description
8 of the area under consideration and a summary of the annexation process and time lines. A
9 copy of the resolution of consideration shall be mailed within 30 days after the adoption of the
10 resolution of consideration by first class mail to the property owners of real property located
11 within the area under consideration for annexation as shown by the tax records of the county.

12 (c) Resolution of Intent. – At least one year after adoption of the resolution of
13 consideration, the municipal governing body may adopt a resolution of intent of the
14 municipality to proceed with the annexation of some or all of the area described in the
15 resolution of consideration. The resolution of intent shall describe the boundaries of the area
16 proposed for annexation, fix a date for a public informational meeting, and fix a date for a
17 public hearing on the question of annexation. The date for the public informational meeting
18 shall be not less than 45 days and not more than 55 days following passage of the resolution of
19 intent. The date for the public hearing shall be not less than 130 days and not more than 150
20 days following passage of the resolution of intent.

21 (d) Notice of Public Informational Meeting, Public Hearing, and Opportunity for Water
22 and Sewer. – A combined notice of public informational meeting and public hearing shall be
23 issued as provided for in this subsection as follows:

24 (1) The notice shall be a combined notice that includes at least all of the
25 following:

- 26 a. The date, hour, and place of the public informational meeting.
- 27 b. The date, hour, and place of the public hearing.
- 28 c. A clear description of the boundaries of the area under consideration,
29 including a legible map of the area.
- 30 d. A statement that the report required by G.S. 160A-58.53 will be
31 available at the office of the municipal clerk.
- 32 e. An explanation of a property owner's rights under this section.
- 33 f. A summary of the annexation process with time lines.
- 34 g. A summary of available statutory remedies for denying and
35 appealing the annexation and the failure to provide services.
- 36 h. Information on how to request to become a customer of the water and
37 sewer service, all forms to request that service, and the consequences
38 of opting in or opting out, as provided in G.S. 160A-58.56.
- 39 i. A clear description of the distinction between the public
40 informational meeting and the public hearing.

41 (2) The combined notice shall be given by publication of the information
42 required by sub-subdivisions (1)a., b., and c. of this subsection and a
43 statement regarding the availability of the information required by the
44 remaining sub-subdivisions of subdivision (1) of this subsection in a
45 newspaper having general circulation in the municipality once a week for at
46 least two successive weeks prior to the date of the public informational
47 meeting, with each publication being on the same day of the week. The date
48 of the last publication shall be not more than 10 days preceding the date of
49 the public informational meeting. In addition thereto, if the area proposed to
50 be annexed lies in a county containing less than fifty percent (50%) of the
51 land area of the municipality, the same publication shall be given in a

1 newspaper having general circulation in the area of proposed annexation. If
2 there is no such newspaper, the municipality shall post the notice in at least
3 five public places within the municipality and at least five public places in
4 the area to be annexed for 30 days prior to the date of public informational
5 meeting.

6 (3) The combined notice, together with the information about requesting water
7 and sewer service, shall be mailed within five business days of the passage
8 of the resolution of intent by first class mail to the property owners of real
9 property located within the area to be annexed as shown by the tax records
10 of the county. The person or persons mailing such notices shall certify to the
11 governing board that fact, and such certificate shall become a part of the
12 public record of the annexation proceeding and shall be deemed conclusive
13 in the absence of fraud. If a notice is returned to the municipality by the
14 postal service by the tenth day before the informational meeting, a copy of
15 the notice shall be sent by certified mail, return receipt requested, at least
16 seven days before the informational meeting. Failure to comply with the
17 mailing requirement of this subsection shall not invalidate the annexation
18 unless it is shown that the requirements were not substantially complied
19 with.

20 (4) If the governing board by resolution finds that the tax records are not
21 adequate to identify the property owners within the area to be annexed after
22 exercising reasonable efforts to locate the property owners, it may, in lieu of
23 the mail procedure required by subdivision (3) of this subsection, post the
24 notice at least 30 days prior to the date of the public informational meeting
25 on all buildings, on such parcels, and in at least five other places within the
26 area to be annexed as to those parcels where the property owner could not be
27 so identified. In any case where notices are placed on property, the person
28 placing the notice shall certify that fact to the governing board.

29 (e) Action Prior to Informational Meeting. – At least 30 days before the date of the
30 public informational meeting, the municipal governing board shall do all of the following:

- 31 (1) Approve the report provided for in G.S. 160A-58.53.
32 (2) Prepare a summary of the approved report for public distribution.
33 (3) Post in the office of the clerk all of the following:
34 a. The approved report provided for in G.S. 160A-58.53.
35 b. The summary of the approved report.
36 c. A legible map of the area to be annexed.
37 d. The list of the property owners, and associated mailing addresses, in
38 the area to be annexed that the municipality has identified and mailed
39 notice.
40 e. Information for property owners on how to request to become a
41 customer of the water service or sewer service and all forms to
42 request that service.
43 (4) If the municipality has a Web site, post on that Web site all of the
44 information under this section together with any forms to apply for water
45 and sewer service.
46 (5) Prepare a summary of the substantive remedies for denying and appealing
47 the annexation for public distribution.

48 (f) Public Informational Meeting. – At the public informational meeting, a
49 representative of the municipality shall first make an explanation of the report required in
50 G.S. 160A-58.53 and an explanation of the provision of major municipal services. The
51 explanation of the provision of services shall include how to request water service or sewer

1 service to individual lots, the average cost of a residential connection to the water and sewer
2 system, and the opportunity for a credit in the amount of that average cost of a residential
3 connection under G.S. 160A-58.56. A summary of the annexation process with time lines, a
4 summary of available statutory remedies for denying and appealing the annexation, an
5 explanation of the provision of services, and information for requesting water service or sewer
6 service to individual lots and any forms to so request shall also be distributed at the public
7 informational meeting. Following such explanation, all property owners and residents of the
8 area proposed to be annexed as described in the notice of public informational meeting and
9 hearing, and all residents of the municipality shall be given the opportunity to ask questions and
10 receive answers regarding the proposed annexation.

11 (g) Public Hearing. – At the public hearing, a representative of the municipality shall
12 first make an explanation of the report required in G.S. 160A-58.53. Following such
13 explanation, all property owners and residents of the area proposed to be annexed as described
14 in the notice of public informational meeting and hearing, and all residents of the municipality,
15 shall be given an opportunity to be heard.

16 (h) Passage of the Annexation Ordinance. – The municipal governing board shall take
17 into consideration facts presented at the public hearing and shall have authority to amend the
18 report required by G.S. 160A-58.53 to make changes in the plans for serving the area proposed
19 to be annexed so long as such changes meet the requirements of G.S. 160A-58.53. At any
20 regular or special meeting held no sooner than the tenth day following the public hearing and
21 not later than 90 days following the public hearing, the governing board shall have authority to
22 adopt an ordinance extending the corporate limits of the municipality to include all, or part, of
23 the area described in the notice of public hearing which the governing board has concluded
24 should be annexed. The annexation ordinance shall:

- 25 (1) Contain specific findings showing that the area to be annexed meets the
26 requirements of G.S. 160A-58.54.
- 27 (2) Describe the external boundaries of the area to be annexed by metes and
28 bounds.
- 29 (3) Include a statement of the intent of the municipality to provide services to
30 the area being annexed as set forth in the report required by G.S. 160A-58.53
31 and a time line for the provision of those services.
- 32 (4) Contain a specific finding that on the effective date of annexation, the
33 municipality will have funds appropriated in sufficient amount to finance
34 construction of any water and sewer lines stated in the report required by
35 G.S. 160A-58.53 to extend the water and sewer services into the area to be
36 annexed, or that on the effective date of annexation the municipality will
37 have authority to issue bonds in an amount sufficient to finance such
38 construction. If authority to issue such bonds shall be secured from the
39 electorate of the municipality prior to the effective date of annexation, then
40 the effective date of annexation shall be no earlier than the day following the
41 statement of the successful result of the bond election.
- 42 (5) Fix the effective date for annexation as June 30 next following the adoption
43 of the ordinance or the second June 30 following adoption of the ordinance,
44 but not before the completion of the water and sewer request and petition to
45 deny and appeal periods are complete.
- 46 (6) Together, with the list of the property owners within the area described in
47 the annexation ordinance to which a notice was mailed under subsection (d)
48 of this section, be delivered within five business days to the county tax
49 assessor of the county in which a majority of the municipality lies.
- 50 (7) Be summarized, and sent in accordance with subsection (i) of this section, to
51 the list of the property owners within the area described in the annexation

1 ordinance to which a notice was mailed under subsection (d) of this section
2 together with a blank petition form, preprinted with name and address of the
3 property owner.

4 (8) If a public body has a Web site, conspicuously post a copy of the petition to
5 deny annexation ordinance that a property owner in the real property located
6 within the area described in the annexation ordinance may download,
7 complete, and return to the county tax assessor in accordance with
8 subsection (i) of this section.

9 (i) Petition to Deny Annexation Ordinance. – The following procedures shall apply to
10 this subsection:

11 (1) Upon receipt of the resolution of intent and a list of property owners of the
12 real property located within the area, the county tax assessor shall prepare
13 petitions for property owners of the real property located within the area
14 described in the resolution of intent to sign opposing the annexation
15 ordinance.

16 (2) A petition shall include the names of the property owners of the parcel of
17 real property listed individually, a signature line for each owner, and a
18 statement that the person signing is petitioning to deny the annexation.

19 (3) The tax assessor shall mail a petition to the address of record for those real
20 property owners within five business days of receipt from the municipality
21 of the list.

22 (4) The tax assessor shall provide two methods by which property owners of the
23 real property located within the area described in the annexation ordinance
24 may sign a petition form prepared by the tax assessor: (i) in person or (ii) by
25 submitting the signed petition form by mail. The tax assessor shall also
26 accept signatures signed on a petition form prepared by the tax assessor, but
27 collected by another, if that petition form is returned to the tax assessor in a
28 sealed container.

29 (5) If the signed petition is one that was mailed under subdivision (h)(7) of this
30 section and the signer is not the same as the preprinted name on the form, the
31 signed petition shall be notarized and accompanied by a copy of the legal
32 authority for the signature of the person signing a petition.

33 (6) If a petition is returned as undeliverable to the tax assessor, the assessor shall
34 send the petition return receipt requested. If the petition is returned again, the
35 tax assessor shall not include that property owner in the total number of
36 eligible property owners.

37 (7) If there is a change in ownership of real property after the date of the
38 resolution of consideration until 30 days after the date of the adoption of the
39 annexation ordinance, the new owner of the real property shall be considered
40 an eligible owner of real property.

41 (8) The tax assessor shall accept signatures on the petition until 130 days after
42 the adoption of the annexation ordinance.

43 (9) The determination of the results by the tax assessor of the petition period
44 shall be observed by three persons from the area proposed for annexation
45 and three persons designated by the municipality. A majority of the property
46 owners of a single parcel of real property must respond favorably before the
47 tax assessor may count that parcel as having submitted a petition to deny
48 annexation.

49 (10) Within 10 business days after the close of the signature period, the tax
50 assessor shall certify to the municipal governing body the number of

1 signatures of property owners of the real property located within the area
2 described in the annexation ordinance.

3 (11) If the tax assessor delivers to the municipal governing board petitions signed
4 by at least sixty percent (60%) of the eligible property owners of the real
5 property located within the area described in the annexation ordinance as
6 provided in this subsection, the annexation shall be terminated and the
7 municipality may not adopt a resolution of consideration for the area
8 described in the annexation ordinance for at least 36 months.

9 (12) This subsection shall not apply to any property owner of real property
10 located within the area described in the annexation ordinance that is
11 completely surrounded by the municipality's primary corporate limits.

12 (j) Effect of Annexation Ordinance. – Except as provided in subsection (k) of this
13 section, from and after the effective date of the annexation ordinance, the territory and its
14 citizens and property shall be subject to all debts, laws, ordinances, and regulations in force in
15 such municipality and shall be entitled to the same privileges and benefits as other parts of such
16 municipality.

17 (k) Property Subject to Present-Use Value Appraisal. – If an area described in an
18 annexation ordinance includes agricultural land, horticultural land, or forestland that meets
19 either of the conditions listed below on the effective date of annexation, then the annexation
20 becomes effective as to that property pursuant to subsection (l) of this section:

21 (1) The land is being taxed at present-use value pursuant to G.S. 105-277.4.

22 (2) The land meets both of the following conditions:

23 a. On the date of the resolution of intent for annexation it was being
24 used for actual production and is eligible for present-use value
25 taxation under G.S. 105-277.4, but the land had not been in use for
26 actual production for the required time under G.S. 105-277.3.

27 b. The assessor for the county where the land subject to annexation is
28 located has certified to the municipality that the land meets the
29 requirements of this subdivision.

30 (l) Effective Date of Annexation for Certain Property. – Annexation of property subject
31 to annexation under subsection (j) of this section becomes effective as provided in this
32 subsection:

33 (1) Upon the effective date of the annexation ordinance, the property shall be
34 considered part of the municipality only (i) for the purpose of establishing
35 municipal boundaries for additional annexations pursuant to this Article and
36 (ii) for the exercise of municipal authority pursuant to Article 19 of this
37 Chapter.

38 (2) For all other purposes, the annexation becomes effective as to each tract of
39 the property or part thereof on the last day of the month in which that tract or
40 part thereof becomes ineligible for classification pursuant to G.S. 105-277.4
41 or no longer meets the requirements of subdivision (k)(2) of this section.
42 Until annexation of a tract or a part of a tract becomes effective pursuant to
43 this subsection, the tract or part of a tract is not subject to taxation by the
44 municipality under Article 12 of Chapter 105 of the General Statutes nor is
45 the tract or part of a tract entitled to services provided by the municipality.
46 Upon the effective date of annexation, taxation of real and personal property
47 is subject to the provisions of G.S. 160A-58.10.

48 (m) Simultaneous Annexation Proceedings. – If a municipality is considering the
49 annexation of two or more areas which are all adjacent to the municipal boundary but are not
50 adjacent to one another, it may undertake simultaneous proceedings under authority of this Part
51 for the annexation of such areas.

1 (n) Remedies for Failure to Provide Services. – If, not earlier than 30 days after the
2 effective date of annexation and not later than 15 months from the effective date of annexation,
3 any property owner in the annexed territory shall believe that the municipality has not followed
4 through providing services as set forth in the report adopted under G.S. 160A-58.53 and
5 subsection (e) of this section, the property owner may apply for a writ of mandamus under the
6 provisions of Article 40 of Chapter 1 of the General Statutes. Relief may be granted by the
7 judge of superior court if the municipality has not provided the services set forth in its plan
8 submitted under the provisions of G.S. 160A-58.53(3)a. on substantially the same basis and in
9 the same manner as such services were provided within the rest of the municipality prior to the
10 effective date of annexation and those services are still being provided on substantially the
11 same basis and in the same manner within the original corporate limits of the municipality. If a
12 writ is issued, costs in the action, including reasonable attorneys' fees for such aggrieved
13 property owner, shall be charged to the municipality.

14 (o) Reports to the Local Government Commission. – The municipality shall report to
15 the Local Government Commission as follows:

16 (1) As to whether police protection, fire protection, solid waste services, and
17 street maintenance services were provided in accordance with
18 G.S. 160A-58.53(3)a., within 30 days after the effective date of the
19 annexation. Such report shall be filed no more than 30 days following the
20 expiration of the 30-day period. If the Local Government Commission
21 determines that the municipality failed to deliver police protection, fire
22 protection, solid waste services, or street maintenance services as provided
23 for in G.S. 160A-58.53(3)a. within 30 days after the effective date of the
24 annexation, the Local Government Commission shall notify the municipality
25 that the municipality may not count any of the residents as part of the
26 population of the municipality for the purpose of receiving any State,
27 federal, or county dollars distributed based on population until all of the
28 services are provided.

29 (2) As to whether the extension of water and sewer lines was completed within
30 the time period specified in G.S. 160A-58.53(3), within six months after the
31 effective date of the annexation ordinance, and again within three and
32 one-half years of the effective date of the annexation ordinance or upon the
33 completion of the installation, whichever occurs first. If the municipality
34 failed to deliver either water or sewer services, or both, as provided for in
35 G.S. 160A-58.53(3)b. within three and one-half years after the effective date
36 of the annexation, the municipality shall stop any other annexations in
37 progress and may not begin any other annexation until the water and sewer
38 services are provided. The municipality shall adopt a resolution of
39 consideration to begin again any annexation that is stopped due to this
40 subdivision.

41 **"§ 160A-58.56. Provision of water and sewer service.**

42 (a) The municipality shall provide water and sewer service to the annexed area as
43 required by plans for extension under G.S. 160A-58.53(3) within three and one-half years of
44 the effective date of the annexation ordinance except as provided in subdivision (b)(4) of this
45 section.

46 (b) Prior to the adoption of the annexation ordinance, the municipality shall offer to
47 each eligible property owner of real property located within the area proposed to be annexed an
48 opportunity to obtain water or sewer service, or both, at no cost other than periodic user fees
49 based upon usage as follows:

50 (1) After passage of the resolution of intent, the property owner of real property
51 located within the area proposed to be annexed shall be notified in writing,

1 as provided in G.S. 160A-58.55(d), within five business days of the passage
2 of the resolution of intent, of the opportunity to have water and sewer lines
3 and connections installed at no cost to the property owner. The notice shall
4 state that a request for extending water and sewer lines does not waive the
5 right to contest the annexation. The property owners of real property located
6 within the area proposed to be annexed shall be allowed 65 days from the
7 date of the passage of the resolution of intent to respond yes or no to the
8 opportunity. Any property owner of a parcel that is an existing customer of
9 the municipality's water or sewer, whether provided by the municipality or
10 by a third party under contract with the municipality, shall be deemed to
11 respond yes to the opportunity, whether or not the property owner returns the
12 notification.

13 (2) At the close of the 65-day period, the municipality shall determine if a
14 majority of the property owners of real property located within the area
15 proposed to be annexed have responded favorably. A majority of the
16 property owners in a single parcel of real property must respond favorably
17 before the municipality may count that parcel of real property as responding
18 favorably.

19 (3) If a majority of the property owners of the real property located within the
20 area proposed to be annexed respond favorably, the municipality shall do all
21 of the following:

22 a. Provide water and sewer lines, service lines, and connections at no
23 cost other than periodic user fees to all real property for which an
24 owner responded favorably if the annexation ordinance is adopted.
25 The right to receive water and sewer lines shall run with the land.

26 b. Notify, within five days of the close of the 65-day period under
27 subdivision (2) of this subsection, those property owners of real
28 property located within the area proposed to be annexed who failed
29 to respond or responded negatively that a majority of the property
30 owners of the real property located within the area proposed to be
31 annexed responded favorably and offer a second opportunity for that
32 property owner to respond favorably within 30 days.

33 (4) If a majority of the property owners of the real property located within the
34 area proposed to be annexed fail to respond favorably to the offer to obtain
35 water and sewer services made under this section, the municipality may
36 nevertheless proceed with the annexation. If the municipality proceeds with
37 the annexation when a majority of the property owners of the real property
38 located within the area proposed to be annexed fail to respond favorably to
39 the offer to obtain water and sewer services, the municipality is not required
40 to provide water and sewer services to any property owners in the area that is
41 annexed. If the municipality does provide water and sewer services, and if a
42 property owner requests those services, the municipality may charge the
43 property owner for the connection to a residential lot as provided in
44 subsection (d) of this section during the first five years following the
45 effective date of the annexation. After five years, and only if connection is
46 requested by a property owner in accordance with subsection (e) of this
47 section, the municipality may charge for the connection according to the
48 municipality's policy.

49 (c) The process required by subsection (b) of this section shall be completed by the
50 municipality at least 30 days prior to the public hearing. The report required by

1 G.S. 160A-58.53 shall include the results of the process required by subsection (b) of this
2 section.

3 (d) Any property owner of the real property located within the area described in the
4 annexation ordinance may apply to participate in the water and sewer system after the
5 completion of the process required by subsection (b) of this section. For a property owner of
6 real property located within the area described in the annexation ordinance applying within the
7 first year, that property owner may be charged an amount not to exceed fifty percent (50%) of
8 average cost of the installation of the water and sewer for a residential lot. For a property owner
9 of real property located within the area described in the annexation ordinance applying within
10 the second year, that property owner may be charged an amount not to exceed sixty percent
11 (60%) of average cost of the installation of the water and sewer for a residential lot. For a
12 property owner of real property located within the area described in the annexation ordinance
13 applying within the third year, that property owner may be charged an amount not to exceed
14 seventy percent (70%) of average cost of the installation of the water and sewer for a residential
15 lot. For a property owner of real property located within the area described in the annexation
16 ordinance applying within the fourth year, that property owner may be charged an amount not
17 to exceed eighty percent (80%) of average cost of the installation of the water and sewer for a
18 residential lot. For a property owner of real property located within the area described in the
19 annexation ordinance applying within the fifth year, that property owner may be charged an
20 amount not to exceed ninety percent (90%) of average cost of the installation of the water and
21 sewer for a residential lot. Charges pursuant to this section shall be made when the water and
22 sewer connection is operable.

23 (e) Notwithstanding Article 16 of this Chapter, the municipality may not charge, for
24 any reason, any property owner within the area described in the annexation ordinance, for the
25 installation or use of the water or sewer system unless that property owner is, or has requested
26 to become, a customer of the water or sewer system.

27 (f) For purposes of this section, the following definitions apply:

28 (1) "At no cost other than periodic user fees." – The municipality may not
29 charge the property owner who responded favorably under subdivision
30 (b)(3) of this section for any costs associated with the installation of the
31 water or sewer system. The municipality may not charge a property owner
32 who applies to participate in the water and sewer system under subsection
33 (d) of this section prior to the first periodic user fee charge, and on that bill
34 the owner may be charged no more then as provided in subsection (d) of this
35 section.

36 (2) "Average installation of a connection for a residential lot." – The average of
37 the cost for residential installations from curb to residence, including
38 connection and tap fees, in the area described in the annexation ordinance.

39 **"§ 160A-58.57. Contract with rural fire department.**

40 (a) If the area to be annexed described in a resolution of intent passed under
41 ~~G.S. 160A-49(a)~~ G.S. 160A-58.55(c) includes an area in an insurance district defined under
42 G.S. 153A-233, a rural fire protection district under Article 3A of Chapter 69 of the General
43 Statutes, or a fire service district under Article 16 of Chapter 153A of the General Statutes, and
44 a rural fire department was on the date of adoption of the resolution of intent providing fire
45 protection in the area to be annexed, then the city (if the rural fire department makes a written
46 request for a good faith offer, and the request is signed by the chief officer of the fire
47 department and delivered to the city clerk no later than 15 days before the public hearing) is
48 required to make a good faith effort to negotiate a five-year contract with the rural fire
49 department to provide fire protection in the area to be annexed.

50 (b) If the area is a rural fire protection district or a fire service district, then an offer to
51 pay annually for the term of the contract the amount of money that the tax rate in the district in

1 effect on the date of adoption of the resolution of intent would generate based on property
2 values on January 1 of each year in the area to be annexed which is in such a district is deemed
3 to be a good faith offer of consideration for the contract.

4 (c) If the area is an insurance district but not a rural fire protection district or fire
5 service district, then an offer to pay annually over the term of the contract the amount of money
6 which is determined to be the equivalent of the amount which would be generated by
7 multiplying the fraction of the city's general fund budget in that current fiscal year which is
8 proposed to be expended for fire protection times the tax rate for the city in the current year,
9 and multiplying that result by the property valuation in the area to be annexed which is served
10 by the rural fire department is deemed to be a good faith offer of consideration for the contract;
11 Provided that the payment shall not exceed the equivalent of fifteen cents (15¢) on one hundred
12 dollars (\$100.00) valuation of annexed property in the district according to county valuations
13 for the current fiscal year.

14 (d) Any offer by a city to a rural fire department which would compensate the rural fire
15 department for revenue loss directly attributable to the annexation by paying such amount
16 annually for five years, is deemed to be a good faith offer of consideration for the contract.

17 (e) Under subsections (b), (c), or (d) of this section, if the good faith offer is for first
18 responder service, an offer of one-half the calculated amount under those subsections is deemed
19 to be a good faith offer.

20 (f) This section does not obligate the city or rural fire department to enter into any
21 contract.

22 (g) The rural fire department may, if it feels that no good faith offer has been made,
23 appeal to the Local Government Commission within 30 days following the passage of an
24 annexation ordinance. The rural fire department may apply to the Local Government
25 Commission for an order staying the operation of the annexation ordinance pending the
26 outcome of the review. The Commission may grant or deny the stay in its discretion upon such
27 terms as it deems proper, and it may permit annexation of any part of the area described in the
28 ordinance concerning which no question for review has been raised, provided that no other
29 appeal under ~~G.S. 160A-50~~ G.S. 160A-58.60 is pending.

30 (h) The Local Government Commission may affirm the ordinance, or if the Local
31 Government Commission finds that no good faith offer has been made, it shall remand the
32 ordinance to the municipal governing board for further proceedings, and the ordinance shall
33 then not become effective unless the Local Government Commission finds that a good faith
34 offer has been made.

35 (i) Any party to the review under subsection (h) may obtain judicial review in
36 accordance with Chapter 150B of the General Statutes.

37 **"§ 160A-58.58. Assumption of debt.**

38 (a) If the city has annexed any area which is served by a rural fire department and
39 which is in an insurance district defined under G.S. 153A-233, a rural fire protection district
40 under Article 3A of Chapter 69 of the General Statutes or a fire service district under Article 16
41 of Chapter 153A of the General Statutes, then upon the effective date of annexation if the city
42 has not contracted with the rural fire department for fire protection, or when the rural fire
43 department ceases to provide fire protection under contract, then the city shall pay annually a
44 proportionate share of any payments due on any debt (including principal and interest) relating
45 to facilities or equipment of the rural fire department, if the debt was existing at the time of
46 adoption of the resolution of intent, with the payments in the same proportion that the assessed
47 valuation of the area of the district annexed bears to the assessed valuation of the entire district
48 on the date the annexation ordinance becomes effective or another date for valuation mutually
49 agreed upon by the city and the fire department.

1 (b) The city and rural fire department shall jointly present a payment schedule to the
2 Local Government Commission for approval and no payment may be made until such schedule
3 is approved.

4 **"§ 160A-58.59. Contract with private solid waste collection firms.**

5 (a) If the area to be annexed described in a resolution of intent passed under
6 ~~G.S. 160A-49(a)~~ G.S. 160A-58.55(c) includes an area where a firm (i) meets the requirements
7 of subsection (a1) of this section, (ii) on the ninetieth day preceding the date of adoption of the
8 resolution of intent or resolution of consideration was providing solid waste collection services
9 in the area to be annexed, (iii) on the date of adoption of the resolution of intent is still
10 providing such services, and (iv) by reason of the annexation the firm's franchise with a county
11 or arrangements with third parties for solid waste collection will be terminated, the city shall do
12 one of the following:

- 13 (1) Contract with the firm for a period of two years after the effective date of the
14 annexation ordinance to allow the firm to provide collection services to the
15 city in the area to be annexed for sums determined under subsection (d) of
16 this section.
- 17 (2) Pay the firm for the firm's economic loss, with one-third of the economic
18 loss to be paid within 30 days of the termination and the balance paid in 12
19 equal monthly installments during the next succeeding 12 months. Any
20 remaining economic loss payment is forfeited if the firm terminates service
21 to customers in the annexation area prior to the effective date of the
22 annexation.
- 23 (3) Make other arrangements satisfactory to the parties.

24 (a1) To qualify for the options set forth in subsection (a) of this section, a firm must have
25 done one of the following:

- 26 (1) Subsequent to receiving notice of the annexation in accordance with
27 subsection (b) of this section, filed with the city clerk at least 10 days prior
28 to the public hearing a written request to contract with the city to provide
29 solid waste collection services containing a certification, signed by an officer
30 or owner of the firm, that the firm serves at least 50 customers within the
31 county at that time.
- 32 (2) Contacted the city clerk pursuant to public notice published by the city,
33 pursuant to ~~G.S. 160A-49(b)~~, G.S. 160A-58.55(d) at least 10 days before the
34 hearing and provided to the city clerk a written request to contract with the
35 city to provide solid waste collection services. The request must contain a
36 certification signed by an officer or owner of the firm that the firm serves at
37 least 50 customers within the county at that time.

38 (a2) Firms shall file notice of provision of solid waste collection service with the city
39 clerk of all cities located in the firm's collection area or within five miles thereof.

40 (b) At least four weeks prior to the date of the informational meeting, the city shall
41 provide written notice of the resolution of intent to all firms serving the area to be annexed. The
42 notice shall be sent to all firms that filed notice in accordance with subsection (a2) of this
43 section by certified mail, return receipt requested, to the address provided by the firm under
44 subsection (a2) of this section.

45 (c) The city may require that the contract contain:

- 46 (1) A requirement that the firm post a performance bond and maintain public
47 liability insurance coverage;
- 48 (2) A requirement that the firm agree to service customers in the annexed area
49 that were not served by that firm on the effective date of annexation;

- 1 (3) A provision that divides the annexed area into service areas if there were
- 2 more than one firm being contracted within the area, such that the entire area
- 3 is served by the firms, or by the city as to customers not served by the firms;
- 4 (4) A provision that the city may serve customers not served by the firm on the
- 5 effective date of annexation;
- 6 (5) A provision that the contract can be cancelled in writing, delivered by
- 7 certified mail to the firm in question with 30 days to cure substantial
- 8 violations of the contract, but no contract may be cancelled on these grounds
- 9 unless the Local Government Commission finds that substantial violations
- 10 have occurred, except that the city may suspend the contract for up to 30
- 11 days if it finds substantial violation of health laws;
- 12 (6) Performance standards, not exceeding city standards existing at the time of
- 13 notice published pursuant to G.S. 160A-49(b) with provision that the
- 14 contract may be cancelled for substantial violations of those standards, but
- 15 no contract may be cancelled on those grounds unless the Local Government
- 16 Commission finds that substantial violations have occurred;
- 17 (7) A provision for monetary damages if there are violations of the contract or
- 18 of performance standards.

19 (d) If the services to be provided to the city by reason of the annexation are
 20 substantially the same as rendered under the franchise with the county or arrangements with the
 21 parties, the amount paid by the city shall be at least ninety percent (90%) of the amount paid or
 22 required under the existing franchise or arrangements. If such services are required to be
 23 adjusted to conform to city standards or as a result of changes in the number of customers and
 24 as a result there are changes in disposal costs (including mileage and landfill charges),
 25 requirements for storage capacity (dumpsters and/or residential carts), and/or frequency of
 26 collection, the amount paid by the city for the service shall be increased or decreased to reflect
 27 the value of such adjusted services as if computed under the existing franchise or arrangements.
 28 In the event agreement cannot be reached between the city and the firm under this subsection,
 29 the matters shall be determined by the Local Government Commission.

30 (e), (f) Repealed by Session Laws 2006-193, s. 1, applicable to annexations for which a
 31 resolution of intent is adopted on or after January 1, 2007.

32 (g) The firm may, if it contends that no contract has been offered, appeal to the Local
 33 Government Commission within 30 days following passage of an annexation ordinance. The
 34 firm may appeal to the Local Government Commission for an order staying the operation of the
 35 annexation ordinance pending the outcome of the review. The Commission may grant or deny
 36 the stay upon such terms as it deems proper. If the Local Government Commission finds that
 37 the city has not made an offer which complies with this section, it shall remand the ordinance to
 38 the municipal governing board for further proceedings, and the ordinance shall not become
 39 effective until the Local Government Commission finds that such an offer has been made.
 40 Either the firm or the city may obtain judicial review in accordance with Chapter 150B of the
 41 General Statutes.

42 (h) A firm which has given notice under subsection (a) of this section that it desires to
 43 contract, and any firm that the city believes is eligible to give such notice, shall make available
 44 to the city not later than 30 days following a written request of the city, sent by certified mail
 45 return receipt requested, all information in its possession or control, including but not limited to
 46 operational, financial and budgetary information, necessary for the city to determine if the firm
 47 qualifies for the benefits of this section and to determine the nature and scope of the potential
 48 contract and/or economic loss. The firm forfeits its rights under this section if it fails to make a
 49 good faith response within 30 days following receipt of the written request for information
 50 from the city, provided that the city's written request so states by specific reference to this
 51 section.

1 (i) As used in this section, the following terms mean:

2 (1) Economic loss. – A sum equal to 15 times the average gross monthly
3 revenue for the three months prior to the passage of the resolution of intent
4 or resolution of consideration, as applicable under subsection (a) of this
5 section, collected or due the firm for residential, commercial, and industrial
6 collection service in the area annexed or to be annexed; provided that
7 revenues shall be included in calculations under this subdivision only if
8 policies of the city will provide solid waste collection to those customers
9 such that arrangements between the firm and the customers will be
10 terminated.

11 (2) Firm. – A private solid waste collection firm.

12 **"§ 160A-58.60. Appeal.**

13 (a) Within 60 days following the close of the signature period under
14 G.S. 160A-58.55(i), any property owner of real property located within the area described in
15 the annexation ordinance who believes that property owner will suffer material injury by reason
16 of the failure of the municipal governing board to comply with the procedure or to meet the
17 requirements set forth in this Part as they apply to the annexation may file a petition in the
18 superior court of the county in which the municipality is located seeking review of the action of
19 the governing board.

20 (b) Such petition shall explicitly state what exceptions are taken to the action of the
21 governing board and what relief the petitioner seeks. Within 10 days after the petition is filed
22 with the court, the person seeking review shall serve copies of the petition by registered mail,
23 return receipt requested, upon the municipality.

24 (c) Within 15 days after receipt of the copy of the petition for review or within such
25 additional time as the court may allow, the municipality shall transmit to the reviewing court
26 both of the following:

27 (1) A transcript of the portions of the municipal journal or minute book in which
28 the procedure for annexation has been set forth.

29 (2) A copy of the report setting forth the plans for extending services to the
30 annexed area as required in G.S. 160A-58.53.

31 (d) If two or more petitions for review are submitted to the court, the court may
32 consolidate all such petitions for review at a single hearing, and the municipality shall be
33 required to submit only one set of minutes and one report as required in subsection (c) of this
34 section.

35 (e) At any time before or during the review proceeding, any petitioner or petitioners
36 may apply to the reviewing court for an order staying the operation of the annexation ordinance
37 pending the outcome of the review. The court may grant or deny the stay in its discretion upon
38 such terms as it deems proper, and it may permit annexation of any part of the area described in
39 the ordinance concerning which no question for review has been raised.

40 (f) The court shall fix the date for review of annexation proceedings under this Part,
41 which review date shall be expeditious and without unnecessary delays. The review shall be
42 conducted by the court without a jury. The court may hear oral arguments and receive written
43 briefs and may take evidence intended to show one or more of the following:

44 (1) That the statutory procedure was not followed.

45 (2) That the provisions of G.S. 160A-58.53 were not met.

46 (3) That the provisions of G.S. 160A-58.54 have not been met.

47 (4) That the provisions of G.S. 160A-58.50 have not been met.

48 (g) The court may affirm the action of the governing board without change, or it may
49 order any of the following:

- 1 (1) Remand the ordinance to the municipal governing board for further
2 proceedings if procedural irregularities are found to have materially
3 prejudiced the substantive rights of any of the petitioners.
4 (2) Remand the ordinance to the municipal governing board for amendment of
5 the boundaries to conform to the provisions of G.S. 160A-58.54 if it finds
6 that the provisions of G.S. 160A-58.54 have not been met; provided, that the
7 court cannot remand the ordinance to the municipal governing board with
8 directions to add area to the municipality which was not included in the
9 notice of public hearing and not provided for in plans for service.
10 (3) Remand the report to the municipal governing board for amendment of the
11 plans for providing services to the end that the provisions of
12 G.S. 160A-58.53 are satisfied.
13 (4) Declare the ordinance null and void, if the court finds that the ordinance
14 cannot be corrected by remand as provided in subdivisions (1), (2), or (3) of
15 this subsection.

16 If any municipality shall fail to take action in accordance with the court's instructions upon
17 remand within 90 days following entry of the order embodying the court's instructions, the
18 annexation proceeding shall be deemed null and void.

19 (h) Any party to the review proceedings, including the municipality, may appeal to the
20 Court of Appeals from the final judgment of the superior court under rules of procedure
21 applicable in other civil cases. The superior court may, with the agreement of the municipality,
22 permit annexation to be effective with respect to any part of the area concerning which no
23 appeal is being made and which can be incorporated into the municipality without regard to any
24 part of the area concerning which an appeal is being made.

25 (i) If part or all of the area annexed under the terms of an annexation ordinance is the
26 subject of an appeal to the superior court, Court of Appeals, or Supreme Court on the effective
27 date of the ordinance, then the ordinance shall be deemed amended to make the effective date
28 with respect to such area the first June 30th at least six months following the date of the final
29 judgment of the superior court or appellate division, or the first June 30th at least six months
30 from the date the municipal governing board completes action to make the ordinance conform
31 to the court's instructions in the event of remand. For the purposes of this subsection, a denial
32 of a petition for rehearing or for discretionary review shall be treated as a final judgment.

33 (j) If a petition for review is filed under subsection (a) of this section or an appeal is
34 filed under G.S. 160A-58.57(g) or G.S. 160A-58.59(g) and a stay is granted, then the time
35 periods of three and one-half years or G.S. 160A-58.55(n) are each extended by the lesser of
36 the length of the stay or one year for that annexation.

37 (k) The provisions of subsection (i) of this section shall apply to any judicial review
38 authorized in whole or in part by G.S. 160A-58.57(i) or G.S. 160A-58.57(g).

39 (l) In any proceeding related to an annexation ordinance appeal under this section, a
40 municipality shall not state a claim for lost property tax revenue caused by the appeal. Nothing
41 in this Article shall be construed to mean that as a result of an appeal a municipality may assert
42 a claim for property tax revenue lost during the pendency of the appeal.

43 (m) Any settlement reached by all parties in an appeal under this section may be
44 presented to the superior court in the county in which the municipality is located. If the superior
45 court, in its discretion, approves the settlement, it shall be binding on all parties without the
46 need for approval by the General Assembly.

47 (n) If a final court order is issued against the annexing municipality, costs in the action,
48 including reasonable attorneys' fees for such aggrieved person having a freehold interest in the
49 real property located within the area described in the annexation ordinance, may be charged to
50 the municipality.

51 **"§ 160A-58.61. Annexation recorded.**

1 Whenever the limits of a municipality are enlarged in accordance with the provisions of this
2 Part, it shall be the duty of the mayor of the municipality to cause an accurate map of such
3 annexed territory, together with a copy of the ordinance duly certified, to be recorded in the
4 office of the register of deeds of the county or counties in which such territory is situated and in
5 the office of the Secretary of State. The documents required to be filed with the Secretary of
6 State under this section shall be filed not later than 30 days following the effective date of the
7 annexation ordinance. All documents shall have an identifying number affixed thereto and shall
8 conform in size in accordance with rules prescribed by the Secretary. Failure to file within 30
9 days shall not affect the validity of the annexation. Any annexation shall be reported as part of
10 the Boundary and Annexation Survey of the United States Bureau of the Census.

11 **"§ 160A-58.62. Authorized expenditures.**

12 Municipalities initiating annexations under the provisions of this Part are authorized to
13 make expenditures for surveys required to describe the property under consideration or for any
14 other purpose necessary to plan for the study and/or annexation of unincorporated territory
15 adjacent to the municipality. In addition, following final passage of the annexation ordinance,
16 the annexing municipality shall have authority to proceed with expenditures for construction of
17 water and sewer lines and other capital facilities and for any other purpose calculated to bring
18 services into the annexed area in a more effective and expeditious manner prior to the effective
19 date of annexation.

20 **"§ 160A-58.63. Population and land estimates.**

21 In determining population and degree of land subdivision for purposes of meeting the
22 requirements of G.S. 160A-58.54, the municipality shall use methods calculated to provide
23 reasonably accurate results. In determining whether the standards set forth in G.S. 160A-58.54
24 have been met on appeal to the superior court under G.S. 160A-58.60, the reviewing court shall
25 accept the estimates of the municipality unless the actual population, total area, or degree of
26 land subdivision falls below the standards in G.S. 160A-58.54:

27 (1) As to population, if the estimate is based on the number of dwelling units in
28 the area multiplied by the average family size in such area, or in the
29 township or townships of which such area is a part, as determined by the last
30 preceding federal decennial census; or if it is based on a new enumeration
31 carried out under reasonable rules and regulations by the annexing
32 municipality; provided, that the court shall not accept such estimates if the
33 petitioners demonstrate that such estimates are in error in the amount of ten
34 percent (10%) or more.

35 (2) As to total area, if the estimate is based on an actual survey, or on county tax
36 maps or records, or on aerial photographs, or on some other reasonably
37 reliable map used for official purposes by a governmental agency, unless the
38 petitioners on appeal demonstrate that such estimates are in error in the
39 amount of five percent (5%) or more.

40 (3) As to degree of land subdivision, if the estimates are based on an actual
41 survey, or on county tax maps or records, or on aerial photographs, or on
42 some other reasonably reliable source, unless the petitioners on appeal show
43 that such estimates are in error in the amount of five percent (5%) or more."

44 **SECTION 10.** G.S. 160A-31, as amended by Section 3 of S.L. 2011-57, reads as
45 rewritten:

46 **"§ 160A-31. Annexation by petition.**

47 (a) The governing board of any municipality may annex by ordinance any area
48 contiguous to its boundaries upon presentation to the governing board of a petition signed by
49 the owners of all the real property located within such area. The petition shall be signed by each
50 owner of real property in the area and shall contain the address of each such owner.'

51 (b) The petition shall be prepared in substantially the following form:

DATE:

To the _____ (name of governing board) of the (City or Town) of _____

1. We the undersigned owners of real property respectfully request that the area described in paragraph 2 below be annexed to the (City or Town) of _____

2. The area to be annexed is contiguous to the (City or Town) of _____ and the boundaries of such territory are as follows:

(b1) Notwithstanding the provisions of subsections (a) and (b) of this section, if two-thirds of the households in an area petitioning for annexation pursuant to this section have incomes that are two hundred percent (200%) or less than the most recently published United States Census Bureau poverty thresholds, the governing board of any municipality shall annex by ordinance any area one-eighth of the aggregate external boundaries of which are contiguous to its boundaries upon presentation to the governing board of a petition signed by the owners of at least seventy-five percent (75%) of the parcels of real property in that area.

(b2) The petition under subsection (b1) of this section shall be prepared in substantially the following form:

DATE:

To the _____ (name of governing board) of the (City or Town) of _____

1. We the undersigned owners of real property believe that the area described in paragraph 2 below meets the requirements of G.S. 160A-31(b1) and respectfully request that the area described in paragraph 2 below be annexed to the (City or Town) of _____.

2. The area to be annexed is contiguous to the (City or Town) of _____, and the boundaries of such territory are as follows:

(c) Upon receipt of the petition, the municipal governing board shall cause the clerk of the municipality to investigate the sufficiency thereof and to certify the result of his—the investigation. For petitions received under subsection (b1) or (i) of this section, the clerk shall receive the report from the Department of Revenue as provided in subsection (k) of this section before certifying the sufficiency of the petition. Upon receipt of the certification, the municipal governing board shall fix a date for a public hearing on the question of annexation, and shall cause notice of the public hearing to be published once in a newspaper having general circulation in the municipality at least 10 days prior to the date of the public hearing; provided, if there be no such paper, the governing board shall have notices posted in three or more public places within the area to be annexed and three or more public places within the municipality.

(d) At the public hearing ~~all persons resident or owning property in the area described in the petition to be annexed who allege an error in the petition and persons resident or owning property in the municipality~~ shall be given an opportunity to be heard, as well as residents of the municipality who question the necessity for annexation. The governing board shall then determine whether the petition meets the requirements of this section. Upon a finding that the petition meets the requirements of this section, the governing board shall have authority to pass an ordinance annexing the territory described in the petition. The governing board shall have authority to make the annexing ordinance effective immediately or on ~~any specified date within the June 30 after six months from the date of the passage of the ordinance or the June 30 of the following year~~ after the date of passage of the ordinance.

(e) From and after the effective date of the annexation ordinance, the territory and its citizens and property shall be subject to all debts, laws, ordinances and regulations in force in such municipality and shall be entitled to the same privileges and benefits as other parts of such municipality. Real and personal property in the newly annexed territory on the January 1 immediately preceding the beginning of the fiscal year in which the annexation becomes effective is subject to municipal taxes as provided in G.S. 160A-58.10. If the effective date of annexation falls between June 1 and June 30, and the effective date of the privilege license tax

1 ordinance of the annexing municipality is June 1, then businesses in the area to be annexed
2 shall be liable for taxes imposed in such ordinance from and after the effective date of
3 annexation.

4 (f) For purposes of this section, an area shall be deemed "contiguous" if, at the time the
5 petition is submitted, such area either abuts directly on the municipal boundary or is separated
6 from the municipal boundary by the width of a street or street right-of-way, a creek or river, or
7 the right-of-way of a railroad or other public service corporation, lands owned by the
8 municipality or some other political subdivision, or lands owned by the State of North Carolina.
9 A connecting corridor consisting solely of a street or street right-of-way may not be used to
10 establish contiguity. In describing the area to be annexed in the annexation ordinance, the
11 municipal governing board may include within the description any territory described in this
12 subsection which separates the municipal boundary from the area petitioning for annexation.

13 (g) The governing board may initiate annexation of contiguous property owned by the
14 municipality by adopting a resolution stating its intent to annex the property, in lieu of filing a
15 petition. The resolution shall contain an adequate description of the property, state that the
16 property is contiguous to the municipal boundaries and fix a date for a public hearing on the
17 question of annexation. Notice of the public hearing shall be published as provided in
18 subsection (c) of this section. The governing board may hold the public hearing and adopt the
19 annexation ordinance as provided in subsection (d) of this section.

20 (h) A city council which receives a petition for annexation under this section may by
21 ordinance require that the petitioners file a signed statement declaring whether or not vested
22 rights with respect to the properties subject to the petition have been established under
23 G.S. 160A-385.1 or G.S. 153A-344.1. If the statement declares that such rights have been
24 established, the city may require petitioners to provide proof of such rights. A statement which
25 declares that no vested rights have been established under G.S. 160A-385.1 or G.S. 153A-344.1
26 shall be binding on the landowner and any such vested right shall be terminated.

27 (i) A municipality has no authority to adopt a resolution or petition itself under this Part
28 for annexation of property it does not own or have any legal interest in. For the purpose of this
29 subsection, a municipality has no legal interest in a State-maintained street unless it owns the
30 underlying fee and not just an easement.

31 (j) Using the procedures under this section, the governing board of any municipality
32 may annex by ordinance any distressed area contiguous to its boundaries upon presentation to
33 the governing board of a petition signed by at least one adult resident of at least two-thirds of
34 the resident households located within such area. For purposes of this subsection, a "distressed
35 area" is defined as an area in which at least fifty-one percent (51%) of the households in the
36 area petitioning to be annexed have incomes that are two hundred percent (200%) or less than
37 the most recently published United States Census Bureau poverty thresholds. The municipality
38 may require reasonable proof that the petitioner in fact resides at the address indicated.

39 (k) The petition under subsection (j) of this section shall be prepared in substantially the
40 following form:

41 DATE:

42 To the _____ (name of governing board) of the (City or Town) of
43 _____

44 1. We the undersigned residents of real property believe that the area described in
45 paragraph 2 below meets the requirements of G.S. 160A-31(i) and respectfully request that the
46 area described in paragraph 2 below be annexed to the (City or Town) of _____.

47 2. The area to be annexed is contiguous to the (City or Town) of _____, and the
48 boundaries of such territory are as follows:

49 (l) For purposes of determining whether the percentage of households in the area
50 petitioning for annexation meets the poverty thresholds under subsections (b1) and (j) of this
51 section, the petitioners shall submit to the municipal governing board any reasonable evidence

1 that demonstrates the area in fact meets the income requirements of that subsection. The
2 evidence presented may include data from the most recent federal decennial census, other
3 official census documents, signed affidavits by at least one adult resident of the household
4 attesting to the household size and income level, or any other documentation verifying the
5 incomes for a majority of the households within the petitioning area. Petitioners may select to
6 submit name, address, and social security number to the clerk, who shall in turn submit the
7 information to the Department of Revenue. Such information shall be kept confidential and is
8 not a public record. The Department shall provide the municipality with a summary report of
9 income for households in the petitioning area. Information for the report shall be gleaned from
10 income tax returns, but the report submitted to the municipality shall not identify individuals or
11 households."

12 SECTION 11. Article 4A of Chapter 160A of the General Statutes is amended by
13 adding a new Part 8 to read:

14 **"Part 8.**

15 **"Recording and Reporting.**

16 **"§ 160A-58.90. Recording and Reporting.**

17 (a) Annexations made under this Article shall be recorded and reported in the same
18 manner as under G.S. 160A-29.

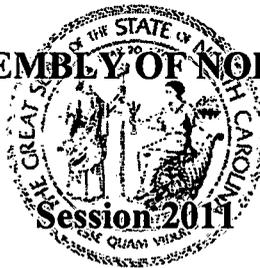

19 (b) To be enforceable, any written agreement with a person having a freehold interest in
20 real property regarding annexation shall be recorded in the county register of deeds office in
21 which the real property lies."

22 SECTION 12. This act does not apply to any municipality that in its charter
23 requires that an annexation must be approved by (i) either the voters in a referendum or the
24 request of a majority of the property owners; (ii) the voters in a referendum; or (iii) the request
25 of a majority of the property owners.

26 SECTION 13. If any provision of this act or its application is held invalid, the
27 invalidity does not affect other provisions or applications of this act that can be given effect
28 without the invalid provisions or application, and to this end the provisions of this act are
29 severable.

30 SECTION 14. This act is effective when it becomes law and applies to annexations
31 initiated by municipalities on or after that date and to petitions for annexation under Part 1 and
32 Part 4 of Article 4A of Chapter 160A of the General Statutes presented on or after that date.
33 Annexations initiated prior to the effective date of this act by any action under Part 2 or Part 3
34 of Article 4A of Chapter 160A of the General Statutes, but for which an annexation ordinance
35 has not been adopted, shall terminate and may be reinitiated in compliance with Part 7 of
36 Article 4A of Chapter 160A of the General Statutes as enacted by this act.

Municipalities					
PRINCIPAL DEPARTMENT(S) & PROGRAM(S) AFFECTED: NC Municipalities					
EFFECTIVE DATE: This act is effective when it becomes law.					

BILL SUMMARY:

H 845. ANNEXATION REFORM ACT OF 2011.

The proposed committed substitute for House Bill 845 makes substantive changes to the involuntary annexation process for all municipalities.

Section 1 of the bill repeals Part 2 of Article 4A of Chapter 160A of the General Statutes, Annexation of Cities of Less than 5,000.

The bill creates a new Part 7, Involuntary Annexation by Municipalities, within Article 4A of GS Chapter 160A, authorizing the governing board of any municipality to extend the municipality's corporate limits under proposed Part 7. This includes definitions applicable to Part 7, and Section 2 through 6 of this bill present recodifications of existing statutory language.

Section 7 of the bill repeals Part 3 of Article 4A of Chapter 160A of the General Statutes, Annexation by Cities of 5,000 or More.

This proposed legislation would require the municipality to offer to each eligible property owner in proposed annexation areas water or sewer service, or both, at no cost other than usage-based fees. A majority of residents in the affected area must opt in to receive this benefit.

This bill allows for property owners to petition to deny annexations. If at least 60% of eligible property owners in a proposed annexation area sign such a petition, the annexation will be terminated, and the municipality may not adopt a resolution of consideration for the same area for at least 36 months.

ASSUMPTIONS AND METHODOLOGY:

Expenditures

This proposed legislation would require the municipality to offer to each eligible property owner in proposed annexation areas water or sewer service, or both, at no cost other than usage-based fees. A majority of residents in the affected area must opt in to receive this benefit. Municipalities will face the increased expenses of water and sewer hookups to every residence in annexed areas, if 50% or more of the property owners choose this option. Because the incidence of these proposals and intentions of residents cannot be known at this point, it is not possible to estimate the expenses required to meet this need.

Revenues

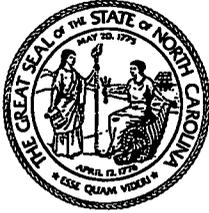

This bill allows for property owners to petition to deny annexations. If at least 60% of eligible property owners in a proposed annexation area sign such a petition, the annexation will be terminated, and the municipality may not adopt a resolution of consideration for the same area for at least 36 months. By indefinitely delaying the effective date of potential annexations, the bill would postpone the collection of property taxes from annexed areas. G.S. 160A-58.10 allows for collection of property taxes from property owners in annexed areas on a prorated basis.

Therefore, the bill will result in reduced property tax revenues for any municipalities that are forced to stop annexations under the new petition method. Several other revenue sources would potentially be impacted by the delay of annexations because they are distributed based on

population, sales or operation of businesses within municipal boundaries. These sources include local option sales and use taxes, privilege license taxes, videoprogramming taxes, gasoline taxes (Powell Bill funds), utility franchise taxes, excise tax on piped natural gas and beer and wine taxes.

Because the property values, population, sales and other data upon which the revenue attributable to annexed areas is not known, it is not possible to estimate the amount of tax revenue that would be lost due to the delay of annexations.

TECHNICAL CONSIDERATIONS: None

HOUSE BILL 845: Annexation Reform Act of 2011

2011-2012 General Assembly

Committee: House Finance	Date: May 4, 2011
Introduced by: Reps. LaRoque, Dollar, Owens	Prepared by: Kory Goldsmith and Giles Perry, Staff Attorneys
Analysis of: PCS to Second Edition H845-CSRCx-21	

SUMMARY: *The proposed committee substitute for House Bill 845 makes substantive changes to the involuntary annexation process for all municipalities.*

CURRENT LAW: North Carolina law sets forth four basic ways in which a town or city may annex an area into its corporate limits:

- **Legislative Act.** The General Assembly has the authority to extend the boundaries of any town or city through local acts.
- **Voluntary Contiguous Annexation.** The owners of all real property in the area desiring to be annexed sign a petition requesting annexation.
- **Voluntary Satellite Annexation.** This method allows a town or city to annex a non-contiguous area into the town or city limits, with the agreement of the property owner.
- **Involuntary Annexation.** The town or city brings into the corporate limits an area that has not voluntarily agreed to be annexed through a statutorily prescribed process. The statutorily prescribed process is different for cities of less than 5,000 people than it is for larger cities.

BILL ANALYSIS:

Amends *involuntary contiguous annexation* in the following ways:

Section 1. Repeals the Part 2 of Article 4A of Chapter 160A of the General Statutes, Annexation of Cities of Less than 5,000.

Sections 2 – 6 recodify selected provisions of Part 3 of Article 4A of Chapter 160A of the General Statutes (Annexation by Cities of 5,000 or more) and places those provisions in a new Part 7 created in Section 8 of the bill.

Section 7 repeals the remaining provisions of Part 3 of Article 4A of Chapter 160A of the General Statutes, Annexation by Cities of 5,000 or more.

Section 8 creates a new Part 7 of Article 4A of Chapter 160A of the General Statutes to govern involuntary annexation by all municipalities in North Carolina, regardless of size.

Section 9 sets forth the procedures for annexation under the new Part 7 as follows:

- Prerequisites for Annexation
 - The area to be annexed must comply with the criteria set forth in the statute for urban density, etc.
 - A plan must be in place to provide the following services, within the time frames stated, on substantially the same basis and in the same manner as each service is provided within the rest of the municipal limits:
 - At the time of annexation: Police, Fire, Solid waste collection, Street maintenance
 - Within 3 ½ years of annexation: Water and Sewer
- Character of the Area to be Annexed – the property to be annexed must meet all of the following:

House PCS 845

Page 2

- Must be adjacent or contiguous to the municipal boundaries, with at least 1/8 of the aggregate external boundaries of the area to be annexed coinciding with the municipal boundary.
- Cannot be part of another municipality.
- Is one of the following:
 - Completely surrounded by the municipal limits.
 - Is either:
 - between the municipal boundary and an area developed for urban purposes so that the area developed for urban purposes is either not adjacent to the municipal boundary or cannot be served by the municipality without extending major municipal services, OR
 - adjacent, on at least 60% of its external boundary, to any combination of the municipal boundary and the boundary of an area or areas developed for urban purposes.
 - Developed for urban purposes. Developed for urban purposes is any one of the following criteria:
 - Has a total resident population equal to at least 2.3 persons for each acre.
 - Has a total resident population equal to at least 1 person per acre, and is subdivided into lots and tracts such that at least 60% of the total acreage consists of lots and tracts 3 acres or less in size and such that at least 65% of the total number of lots and tracts are 1 acre or less in size.
 - Is so developed that at least 60% of the total number of lots and tracts in the area at the time of annexation are used for residential, commercial, industrial, institutional or governmental purposes, and is subdivided into lots and tracts such that at least 60% of the total acreage, not counting the acreage used at the time of annexation for commercial, industrial, governmental or institutional purposes, consists of lots and tracts three acres or less in size.
 - Is the entire area of any county water and sewer district, only if the municipality operates the sewer system and the entire territory is annexed in one annexation proceeding
 - All the tracts in the area to be annexed are used for commercial, industrial, governmental, or institutional purposes

In fixing municipal boundaries, the municipality shall do all of the following:

- Use recorded property lines and streets as boundaries.
- Use whole parcels of property in that if any portion of that parcel is included, the entire parcel of real property as recorded in the deed transferring title shall be included.
- Not use a connecting corridor consisting solely of a street or street right-of-way to establish contiguity.
- Not consider property in use for a commercial, industrial, institutional, or governmental purpose if the lot or tract is used only temporarily, occasionally, or on an incidental or insubstantial basis in relation to the size and character of the lot or tract.
- Include acreage actually occupied by buildings or other man-made structures together with all areas that are reasonably necessary and appurtenant to such facilities for purposes of parking, storage, ingress and egress, utilities,

House PCS 845

Page 3

buffering, and other ancillary services and facilities when determining acreage in use for commercial, industrial, institutional, or governmental purposes.

- Consider the area of an abolished water and sewer district to be a water and sewer district for the purpose of this section even after its abolition under G.S. 162A-87.2(b).
- Procedure for Annexation
 - Resolution of Consideration. – Must be adopted at least one year, but not more than 2 years prior to the resolution of intent. Property owners must be mailed a copy of the resolution.
 - Resolution of Intent. – Adopted at least one year after the resolution of consideration, describing the area to be annexed, that complies with the criteria of area to be annexed.
 - Public Informational Meeting. – Held at least 45, but not more than 55, days after the adoption of the resolution of intent. An official from the municipality is to explain the annexation process and answer questions of property owners and residents of the area to be annexed and of the municipality.
 - Public Hearing. – To be held at least 130, but not more than 150, days after the public informational meeting, to accept comment from the property owners and residents of the area to be annexed and of the municipality. Prior to the public hearing, the property owners must be given an opportunity to opt into the water and sewer service at no cost.
 - Annexation Ordinance. – May be adopted at least 10, but not more than 90, days after the public hearing. Must set an effective date of June 30, either of that year or the following year.
 - Petition to Deny Annexation. – If the County Tax Assessor certifies that at least 60% of the property owners have signed petitions to deny the annexation, then the annexation is terminated, and the municipality cannot begin the involuntary annexation process on that area again for 36 months.
 - Report to the Local Government Commission on provision of services to the area annexed. – 30 days after the effective date of the annexation, the municipality must report to the LGC as to whether the fire, police, solid waste collection, street maintenance and water/sewer services have been provided. If fire, police, solid waste collection and street maintenance services have not been provided within the 30 days, then the municipality may not include the population of the annexed area for purposes of monies distributed based on population by the State, federal or county government. If the water/sewer services have not been provided, then the municipality has to report again at the completion of the installation of the services or within 3 ½ years, whichever is later. If the municipality has not provided the water/sewer services within 3 ½ years, the municipality must stop, and may not begin, any other annexations until the installation is completed.
- Provision of Services – Generally, must be provided on substantially the same basis and in the same manner as within the corporate limits.
 - Fire, Police, Solid Waste Collection, Street Maintenance. – The municipality may provide the service directly, or contract for the provision of the services. Either way, each service must be in place on the date of annexation.
 - Water and Sewer –The water and sewer service to the annexed area shall be provided by the municipality within three and one half years of the effective date of the annexation ordinance. The municipality shall provide water and sewer lines and connections at no, or reduced, costs other than periodic fees to all property owners requesting the service within the process set out below:

House PCS 845

Page 4

- After passage of the resolution of intent, the property owner of real property located within the area proposed to be annexed shall be notified in writing, within five business days of the passage of the resolution of intent, of the opportunity to have water and sewer or both installed at no cost to the property owner, if a majority of the property owners respond positively to the opportunity. If a property owner fails to respond or responds negatively within 65 days, the property owner will be sent a reminder notice and will have 30 additional days to request water and sewer or both at no charge. If the property is other than residential, that property will be given a credit in the amount of the average residential installation costs.
- If a majority of property owners do not respond positively to the opportunity the municipality may still go forward with the annexation. If it does, the municipality is not required to provide water or sewer to the annexed area, but if it does and if a property owner requests to be provided service, the municipality may be charged as described below.
- Any residential property owner who do not initially request water and sewer may do so later, but may be charged the following percentage of the average residential installation cost:
 - In the 1st year of the annexation – up to 50%.
 - In the 2nd year of the annexation – up to 60%
 - In the 3rd year of the annexation - up to 70%
 - In the 4th year of the annexation - up to 80%
 - In the 5th year of the annexation - up to 90%

The municipality may not charge, for any reason, any property owner within the area described in the annexation ordinance, for the installation or use of the water or sewer system unless that property owner is, or has requested to become, a customer of the water and sewer system.

- Appeal

- Transfers the current process for appeal from G.S. 160A-50, and makes conforming changes:
 - Within 60 days of the close of the time to sign a petition to deny, a property owner who believes they will suffer material injury by reason of the failure of the municipality to comply with the annexation procedure may file petition seeking review.
 - The court is to review and take evidence intended to show:
 - That the statutory procedure was not followed
 - That the prerequisites for annexation were not met
 - That the area annexed did not comply with the statutory requirements
 - That the provisions of the Declaration of Policy in G.S. 160A-58.50 have not been met
 - Remedies for the court:
 - Affirm the annexation without change
 - Remand to the municipality for further proceedings
 - Remand to the municipality for amendment to the boundaries
 - Remand the report to the municipality for amendment on the plan for providing services
 - Declare the ordinance null and void

House PCS 845

Page 5

Section 10 amends voluntary contiguous annexation in the following ways:

1. Clarifies that petitions for voluntary contiguous annexation do not need to be signed by owners of real property that is any of the following:
 1. Exempt from property taxation.
 2. Owned by a railroad, public utility or electric or telephone membership corporation.
2. Prohibits the use of a street as a "shoestring connection" to establish contiguity to an outlying, noncontiguous area.
3. Requires the annexation of contiguous "distressed areas" upon petition of 75% of the property owners in the area, and sets forth an example of the petition.
4. Allows the annexation of contiguous "distressed areas" upon petition of two-thirds the resident households located in the area, and sets forth an example of the petition.

Section 11 adds a new Part 8 to Article 4A of Chapter 160A that requires all annexations to be recorded and reported in the same manner as under G.S. 160A-29. It also requires that in order for an agreement regarding annexation must be recorded in order to be enforceable.

Section 12 provides that the act does not apply to any municipality that in its charter requires that an annexation must be approved by (i) either the voters in a referendum or the request of a majority of the property owners; (ii) the voters in a referendum; or (iii) the request of a majority of the property owners.

EFFECTIVE DATE: When the act becomes law, and applies to annexations initiated by municipalities on or after that date and to voluntary petitions for annexation presented on or after that date. Involuntary Annexations initiated prior to the effective date of this act by any action but for which an annexation ordinance has not been adopted, shall terminate and may be reinitiated in compliance with Part 7 of Article 4A of Chapter 160A of the General Statutes as enacted by this act

1 moves to amend the bill on page 12, lines 13-18, by rewriting those lines to read:

2 "(2) At the close of the 65-day period, the municipality shall determine if at least
3 one owner from each parcel of a majority of the parcels of real property
4 located within the area proposed to be annexed has responded favorably. For
5 the purpose of this subsection, if a parcel has more than one owner, the
6 signature of one owner is sufficient."; and

8 on page 20, line 41, by rewriting that line to read:

9 " an ordinance annexing the territory described in the petition. The petition, except if the
10 governing body receives a petition under subsection (b1), or accepts a petition under subsection
11 (j) of this section and finds that the petition meets the requirements of the relevant subsection,
12 the governing body shall within 60 days of such finding annex the territory described in the
13 petition, with an effective date no later than 24 months after adoption of the annexation
14 ordinance. Municipal services shall be rendered to territory annexed under subsections (b1) or
15 (j) of this section in accordance with the requirements of Part 7 of this Article. Except as
16 provided in this subsection with respect to petitions under subsection (b1) or (j) of this section,
17 the governing board shall have"; and

19 on page 20, line 9, by deleting the word "two-thirds" and substituting "fifty-one percent
20 (51%)"; and

22 on page 20, lines 13-14, by rewriting those lines to read:

23 "to its boundaries upon presentation to the governing board of a petition signed by at least one
24 adult resident of at least two-thirds of the resident households located within such area."; and

26 on page 22, line 3, by deleting the word "affidavits", and substituting the word "statements";
27 and

29 on page 5, lines 43-44, by adding between those lines the following:

30 "(c) A municipal governing board shall extend its municipal corporate limits to include a
31 distressed area as defined by subsection (a)(4)(d) of this section that is either (i) completely
32 surrounded by the municipality's primary corporate limits, or (ii) completely surrounded by that
33 municipality's corporate limits and those of one or more other municipalities. In the case of this

1 subsection (ii), the area eligible for annexation is only that which is in the extraterritorial
2 jurisdiction of the annexing municipality either under G.S. 160A-360 or under a local act. This
3 subdivision applies only if a petition requesting annexation is signed by at least one owner of
4 real property within the distressed area and filed with the city clerk. Upon receipt of such
5 petition, the city shall proceed to determine whether the area requested for annexation qualifies
6 as a distressed area, and if it so determines it shall adopt a resolution of intent no later than 60
7 days after such finding and adopt an annexation ordinance as to such area within one year of
8 such finding, with an effective date no later than one year after adoption of the ordinance.
9 Municipal services shall be rendered to such territory in accordance with the requirements of
10 Part 7 of this Article."; and

11
12 on page 22, lines 21-22, by adding between those lines two new bill sections, as follows:

13 "SECTION 11.1. G.S. 143B-437.04(a) is amended by adding a new subdivision to
14 read:

15 "(a) The Department of Commerce shall adopt guidelines for the awarding of
16 Community Development Block Grants to ensure that:

17 ...

18 (3) Priority consideration is given to projects located in areas annexed by a
19 municipality under Article 4A of Chapter 160A of the General Statutes in
20 order to provide water or sewer services to low-income residents. For
21 purposes of this section, low-income residents are those with a family
22 income that is eighty percent (80%) or less of median family income."

23 SECTION 11.2. G.S. 159G-23 is amended by adding a new subdivision to read:
24 "§ 159G-23. **Common criteria for loan or grant from Wastewater Reserve or Drinking**
25 **Water Reserve.**

26 The criteria in this section apply to a loan or grant from the Wastewater Reserve or the
27 Drinking Water Reserve. The Division of Water Quality and the Division of Environmental
28 Health must each establish a system of assigning points to applications based on the following
29 criteria:

30 ...

31 (9) Low-income residents. – A project that is located in an area annexed by a
32 municipality under Article 4A of Chapter 160A of the General Statutes in
33 order to provide water or sewer services to low-income residents has
34 priority. For purposes of this section, low-income residents are those with a
35 family income that is eighty percent (80%) or less of median family income.
36 ...""; and

37
38 on page 5, lines 20-21, by adding between those lines the following:

39
40 "d. Any distressed area that is so developed that at least fifty percent
41 (50%) of the total number of lots and tracts in the area at the time of
42 annexation are used for residential, commercial, industrial,
43 institutional, or governmental purposes, and is subdivided into lots

and tracts such that at least fifty percent (50%) of the total acreage, not counting the acreage used at the time of annexation for commercial, industrial, governmental, or institutional purposes, consists of lots and tracts three acres or less in size. For purposes of this subdivision, a "distressed area" is defined as an area in which at least fifty-one percent (51%) of the households in the area to be annexed have incomes that are two hundred percent (200%) or less than the most recently published United States Census Bureau poverty thresholds. For purposes of determining whether the percentage of households in the area to be annexed meets the poverty thresholds under this subdivision, the municipal governing board may use any reasonable evidence that demonstrates the area in fact meets the income requirements of that subdivision. The evidence may include data from the most recent federal decennial census, other official census documents, signed affidavits by at least one adult resident of a household attesting to the household size and income level, or any other documentation verifying the incomes for a majority of the households within the area. The Department of Revenue shall provide the municipality with a summary report of income for households in the area. Information for the report shall be gleaned from income tax returns, but the report submitted to the municipality shall not identify individuals or households."

North Carolina General Assembly
House Committee on Finance

Minutes

~
May 11, 2011

The House Committee on Finance met on Wednesday, May 11, 2011 at 8:30 am in Room 544 of the Legislative Office Building. The following members were present: Chairpersons Howard, Starnes, and Setzer; Vice-Chairs McComas and Wainwright; and Representatives Alexander, Brawley, Carney, Collins, Cotham, Faison, Hackney, Hall, Hill, Jordan, Luebke, McCormick, McGee, McGuirt, Moffitt, Moore, Rhyne, Ross, Samuelson, Stam, Stone, Warren, Weiss and Womble. Also present were Sergeant-at-Arms John Brandon, Fred Hines, Ken Kirby and Earl Coker. Staff persons present included Cindy Avrette, Rodney Bizzell, Barry Boardman, Judy Collier, Heather Fennell, Kory Goldsmith, Trina Griffin, Sandra Johnson, Giles Perry, Greg Roney, and Brian Slivka. The Agenda and Visitor Registration Sheets are attached and incorporated into these minutes as **attachments 1 and 2**.

Chairman Starnes called the meeting to order at 8:30 am and recognized the five (5) pages present from the Tarheel Challenge Academy, sponsored by Speaker Tillis: (1) Darris Hopkins; (2) Ali Smith; (3) Angel Thavone; (4) Daniel Hood; and (5) Ryan Marsh.

The first bill to be heard by the Committee was **HB 845 Reform Annexation Laws** (see **attachment 3**). Chairman Starnes recognized Representative Collins who moved to adopt the proposed committee substitute with adopted amendments for the purpose of discussion. The motion carried. Representatives LaRoque and Dollar were recognized to explain the bill. The Chair recognized Representative Warren who re-stated his motion from the Thursday, May 5, 2011 meeting. Representative Warren moved that HB 845 be given a favorable report to committee substitute #2, unfavorable report to committee substitute #1. The motion carried.

Chairman Starnes recognized Representative McGee, Chair of the Subcommittee on Occupancy Tax, who stated that **HB 414 Amend Rutherford County Occupancy Tax** conformed to the guidelines and was reported favorable by the Subcommittee on Occupancy Tax and re-referred to the Committee on Finance.

The next bill considered by the Committee was **HB 414 Amend Rutherford County Occupancy Tax** (see **attachment 4**). Chairman Starnes recognized Representative Hager to explain the bill. The Chair then recognized Representative Cotham who moved that HB 414 be given a favorable report. The motion carried.

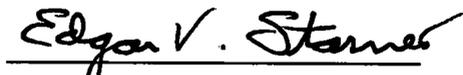

The next bill before the Committee was **HB 565 Morehead City/Beaufort Boundary** (see **attachment 5**). The Chair recognized Representative McElraft to explain the bill. Chairman Starnes recognized Representative Setzer who moved that HB 565 be given a favorable report. The motion carried.

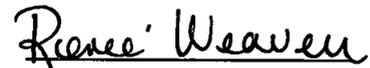

The Chair recognized Representative Samuelson, Chair of the subcommittee for **SB 288 Atlantic Beach/Beaufort/Parking**. Representative Samuelson reported that SB 288 was given a favorable report and was re-referred to the Committee on Finance.

Next before the Committee was **SB 288 Atlantic Beach/Beaufort/Parking** (see **attachment 6**). Chairman Starnes recognized Representative Stone who moved to adopt the proposed committee substitute for the purpose of discussion. The Chair recognized Senator Preston to explain the proposed committee substitute. The Chair then recognized Representative Weiss who moved that SB 288 be given a favorable report. The motion carried.

There being no further business presently before the Committee, Chairman Starnes adjourned the meeting at 8:54 am.

Respectfully submitted,

Edgar V. Starnes
Representative Edgar Starnes
Presiding Chair

**2011 COMMITTEE REPORT
HOUSE OF REPRESENTATIVES**

The following report(s) from standing committee(s) is/are presented:

By Representative Howard, Folwell, Setzer, Starnes (Chairs) for the Committee on FINANCE.

Committee Substitute for

HB 414 A BILL TO BE ENTITLED AN ACT TO MODIFY THE RUTHERFORD COUNTY
OCCUPANCY TAX.

With a favorable report.

(FOR JOURNAL USE ONLY)

_____ Pursuant to Rule 32(a), the bill/resolution is re-referred to the Committee on _____.

_____ Pursuant to Rule 36(b), the bill/resolution is placed on the Calendar of _____.

**2011 COMMITTEE REPORT
HOUSE OF REPRESENTATIVES**

The following report(s) from standing committee(s) is/are presented:

By Representative Howard, Folwell, Setzer, Starnes (Chairs) for the Committee on FINANCE.

Committee Substitute for

HB 565 A BILL TO BE ENTITLED AN ACT TO ESTABLISH A BOUNDARY LINE AGREEMENT AND LIMIT THE EXTRATERRITORIAL JURISDICTION AND ANNEXATION AUTHORITY WHICH MAY BE EXERCISED BY THE TOWNS OF MOREHEAD CITY AND BEAUFORT.

With a favorable report.

(FOR JOURNAL USE ONLY)

_____ Pursuant to Rule 32(a), the bill/resolution is re-referred to the Committee on _____.

_____ Pursuant to Rule 36(b), the bill/resolution is placed on the Calendar of _____.

**2011 COMMITTEE REPORT
HOUSE OF REPRESENTATIVES**

The following report(s) from standing committee(s) is/are presented:

By Representative Howard, Folwell, Setzer, Starnes (Chairs) for the Committee on FINANCE.

Committee Substitute # 1 for

HB 845 A BILL TO BE ENTITLED AN ACT TO REFORM THE INVOLUNTARY
ANNEXATION LAWS OF NORTH CAROLINA.

With a favorable report as to Committee Substitute Bill 2, unfavorable as to Committee Substitute Bill 1.

(FOR JOURNAL USE ONLY)

_____ Pursuant to Rule 32(a), the bill/resolution is re-referred to the Committee on _____.

_____ Pursuant to Rule 36(b), the (House/Senate) committee substitute bill/(joint) resolution (No. _____) is placed on the Calendar of _____. (The original bill resolution No. _____) is placed on the Unfavorable Calendar.

_____ The (House) committee substitute bill/(joint) resolution (No. _____) is re-referred to the Committee on _____. (The original bill/resolution) (House/Senate Committee Substitute Bill/(Joint) resolution No. _____) is placed on the Unfavorable Calendar.

**2011 COMMITTEE REPORT
HOUSE OF REPRESENTATIVES**

The following report(s) from standing committee(s) is/are presented:

By Representative Howard, Folwell, Setzer, Starnes (Chairs) for the Committee on FINANCE.

Committee Substitute for

SB 288 A BILL TO BE ENTITLED AN ACT EXPANDING THE PURPOSES FOR WHICH THE TOWNS OF ATLANTIC BEACH AND BEAUFORT MAY USE THE PROCEEDS FROM ON-STREET PARKING METERS, PROVIDING THAT PARKING METERS IN THE TOWNS MAY BE ACTIVATED BY COMMERCIALY AVAILABLE MEANS OF PREPAYMENT CREDIT, AND AUTHORIZING THE TOWNS TO USE CERTAIN CIVIL PENALTIES COLLECTED FOR VIOLATING PARKING ORDINANCES IN THE SAME MANNER IN WHICH PROCEEDS FROM ON-STREET AND OFF-STREET PARKING FACILITIES ARE USED.

With a favorable report as to the House committee substitute bill, which changes the title, unfavorable as to the original bill.

(FOR JOURNAL USE ONLY)

_____ Pursuant to Rule 32(a), the bill/resolution is re-referred to the Committee on _____.

_____ Pursuant to Rule 36(b), the (House/Senate) committee substitute bill/(joint) resolution (No. _____) is placed on the Calendar of _____. (The original bill resolution No. _____) is placed on the Unfavorable Calendar.

_____ The (House) committee substitute bill/(joint) resolution (No. _____) is re-referred to the Committee on _____. (The original bill/resolution) (House/Senate Committee Substitute Bill/(Joint) resolution No. _____) is placed on the Unfavorable Calendar.

HOUSE BILL 845
Committee Substitute Favorable 5/3/11
PROPOSED COMMITTEE SUBSTITUTE H845-CSRCx-22 [v.6]

Short Title: Annexation Reform Act of 2011.

(Public)

Sponsors:

Referred to:

April 7, 2011

A BILL TO BE ENTITLED

AN ACT TO REFORM THE INVOLUNTARY ANNEXATION LAWS OF NORTH CAROLINA.

The General Assembly of North Carolina enacts:

SECTION 1. Part 2 of Article 4A of Chapter 160A of the General Statutes is repealed.

SECTION 2. G.S. 160A-49.1 is recodified as G.S. 160A-58.57 under Part 7 of Article 4A of Chapter 160A of the General Statutes, as created by Section 8 of this act.

SECTION 3. G.S. 160A-49.2 is recodified as G.S. 160A-58.58 under Part 7 of Article 4A of Chapter 160A of the General Statutes, as created by Section 8 of this act.

SECTION 4. G.S. 160A-49.3 is recodified as G.S. 160A-58.59 under Part 7 of Article 4A of Chapter 160A of the General Statutes, as created by Section 8 of this act.

SECTION 5. G.S. 160A-51 is recodified as G.S. 160A-58.61 under Part 7 of Article 4A of Chapter 160A of the General Statutes, as created by Section 8 of this act.

SECTION 6. G.S. 160A-52 is recodified as G.S. 160A-58.62 under Part 7 of Article 4A of Chapter 160A of the General Statutes, as created by Section 8 of this act.

SECTION 7. Part 3 of Article 4A of Chapter 160A of the General Statutes is repealed.

SECTION 8. Article 4A of Chapter 160A of the General Statutes is amended by adding a new Part 7 to be entitled "Annexations Initiated by Municipalities."

SECTION 9. Part 7 of Article 4A of Chapter 160A of the General Statutes, as created by Section 8 of this act and as amended by Sections 2, 3, 4, 5, and 6 of this act, reads as rewritten:

"Part 7.

"Annexations Initiated by Municipalities.

§ 160A-58.50. Declaration of policy.

It is hereby declared as a matter of State policy:

- (1) That sound urban development is essential to the continued economic development of North Carolina.
- (2) That municipalities are created to provide the governmental services essential for sound urban development and for the protection of health, safety, and welfare in areas being intensively used for residential,

commercial, industrial, institutional, and governmental purposes or in areas undergoing such development.

(3) That municipal boundaries should be extended in accordance with legislative standards applicable throughout the State to include such areas and to provide the high quality of governmental services needed therein for the public health, safety, and welfare.

(4) That areas annexed to municipalities in accordance with such uniform legislative standards should receive the services provided by the annexing municipality.

(5) That the provision of services to protect the health, safety, and welfare is a public purpose.

(6) That it is essential for citizens to have an effective voice in annexations initiated by municipalities.

"§ 160A-58.51. Definitions.

As used in this Part, the following definitions apply:

(1) Contiguous area. – Any area which, at the time annexation procedures are initiated, either abuts directly on the municipal boundary or is separated from the municipal boundary by a street or street right-of-way, a creek or river, the right-of-way of a railroad or other public service corporation, lands owned by the municipality or some other political subdivision, or lands owned by the State of North Carolina. A connecting corridor consisting solely of the length of a street or street right-of-way may not be used to establish contiguity.

(1a) Eligible property owner. – A property owner who is eligible to sign a petition to deny an annexation ordinance or a property owner who is eligible to be notified of the opportunity to have water lines and sewer lines and connections installed at no cost to the property owner. A property owner is eligible to sign a petition to deny an annexation ordinance if the property owner held a freehold interest in the property, determined as of the date of the resolution of consideration. A property owner is eligible to be notified of the opportunity to have water lines and sewer lines and connections installed at no cost to the property owner if that property owner held a freehold interest in the real property to be annexed as of the date of the combined notice of public informational meeting and public hearing.

(2) Necessary land connection. – An area that does not exceed twenty-five percent (25%) of the total area to be annexed.

(3) Property owner. – Any person having a freehold interest in real property.

(4) Used for residential purposes. – Any lot or tract five acres or less in size on which is constructed a habitable dwelling unit. The term also includes any lot or tract that is used in common for social or recreational purposes by either owners of lots with habitable dwelling units or owners of lots intended for occupation by dwelling units and the lot owners have a real property interest in the commonly used property that attaches to or is appurtenant to the owners' lots.

"§ 160A-58.52. Authority to annex.

The governing board of any municipality may extend the corporate limits of such municipality under the procedure set forth in this Part.

"§ 160A-58.53. Prerequisites to annexation.

A municipality exercising authority under this Part shall make plans for the extension of services to the area proposed to be annexed and shall, prior to the public hearing provided for in

1 G.S. 160A-58.55, prepare a report setting forth such plans to provide services to the area
2 proposed to be annexed. The report shall include the following:

3 (1) Δ map or maps of the municipality and adjacent territory to show the
4 following information:

5 a. The present and proposed boundaries of the municipality.

6 b. The present major trunk water mains and sewer interceptors and
7 outfalls, and the proposed extensions of such mains, outfalls, and
8 lines as required in subdivision (3) of this section. The water and
9 sewer map shall bear the seal of a registered professional engineer.

10 c. The general land use pattern in the area proposed to be annexed.

11 (2) A statement showing that the area proposed to be annexed meets the
12 requirements of G.S. 160A-58.54.

13 (3) A statement setting forth the plans for extending to the area proposed to be
14 annexed each major municipal service on substantially the same basis and in
15 the same manner as such services are provided within the rest of the
16 municipality prior to annexation and the method to finance the extension of
17 major municipal services into the area proposed to be annexed as follows:

18 a. Provision of police protection, fire protection, solid waste collection,
19 and street maintenance services on the effective date of annexation.

20 A contract with a rural fire department to provide fire protection shall
21 be an acceptable method of providing fire protection. A contract with
22 a private firm to provide solid waste collection services shall be an
23 acceptable method of providing solid waste collection services.

24 b. Extension of water and sewer services to each lot or parcel, if an
25 easement is provided by the affected property owner, with a
26 proposed timetable for construction of such mains, outfalls, and lines
27 within three and one-half years of the effective date of annexation, in
28 accordance with G.S. 160A-58.56.

29 (4) A statement of the impact of the annexation on any rural fire department
30 providing service in the area proposed to be annexed and a statement of the
31 impact of the annexation on fire protection and fire insurance rates in the
32 area proposed to be annexed, if the area where service is provided is in an
33 insurance district designated under G.S. 153A-233, a rural fire protection
34 district under Article 3A of Chapter 69 of the General Statutes, or a fire
35 service district under Article 16 of Chapter 153A of the General Statutes.
36 The rural fire department shall make available to the municipality not later
37 than 30 days following a written request from the municipality all
38 information in its possession or control, including operational, financial, and
39 budgetary information, necessary for preparation of a statement of impact.
40 The municipality shall, in a timely fashion, supply the rural fire department
41 with information requested by the rural fire department to respond to the
42 written request. The rural fire department forfeits its rights under
43 G.S. 160A-58.57 if it fails to make a good faith response within 45 days
44 following receipt of the written request for information from the
45 municipality, provided that the municipality's written request so states by
46 specific reference to this subdivision.

47 (5) A statement showing how the proposed annexation will affect the
48 municipality's finances and services, including municipal revenue change
49 estimates. This statement shall be delivered to the clerk of the board of
50 county commissioners at least 30 days before the date of the public
51 informational meeting on any annexation under this Part.

"§ 160A-58.54. Character of area to be annexed.

(a) A municipal governing board may extend the municipal corporate limits to include any area that meets all of the following criteria:

(1) It shall be adjacent or contiguous to the municipality's boundaries at the time the annexation proceeding is begun, except if the entire territory of a county water and sewer district created under G.S. 162A-86(b1) is being annexed, the annexation shall also include any noncontiguous pieces of the district as long as the part of the district with the greatest land area is adjacent or contiguous to the municipality's boundaries at the time the annexation proceeding is begun.

(2) At least one-eighth of the aggregate external boundaries of the area shall coincide with the municipal boundary.

(3) No part of the area shall be included within the boundary of another incorporated municipality.

(4) The total area to be annexed shall meet the requirements of any of the following:

a. Part or all of the area to be annexed must be developed for urban purposes at the time of approval of the report provided for in G.S. 160A-58.53. The area of streets and street rights-of-way shall not be used to determine total acreage under this subdivision. An area developed for urban purposes is defined as any area which meets any one of the following standards:

1. Has a total resident population equal to at least two and three-tenths persons for each acre of land included within its boundaries.

2. Has a total resident population equal to at least one person for each acre of land included within its boundaries, and is subdivided into lots and tracts such that at least sixty percent (60%) of the total acreage consists of lots and tracts three acres or less in size and such that at least sixty-five percent (65%) of the total number of lots and tracts are one acre or less in size.

3. Is so developed that at least sixty percent (60%) of the total number of lots and tracts in the area at the time of annexation are used for residential, commercial, industrial, institutional, or governmental purposes, and is subdivided into lots and tracts such that at least sixty percent (60%) of the total acreage, not counting the acreage used at the time of annexation for commercial, industrial, governmental, or institutional purposes, consists of lots and tracts three acres or less in size.

4. Is the entire area of any county water and sewer district created under G.S. 162A-86(b1), if all of the following apply:

I. The municipality has provided in a contract with that district that the area is developed for urban purposes.

II. The contract provides for the municipality to operate the sewer system of that county water and sewer district.

III. The municipality is annexing in one ordinance the entire territory of the district not already within the corporate limits of a municipality.

5. Is so developed that, at the time of the approval of the annexation report, all tracts in the area to be annexed are used for commercial, industrial, governmental, or institutional purposes.

b. Part or all of the area to be annexed meets either of the following:

1. Lies between the municipal boundary and an area developed for urban purposes so that the area developed for urban purposes is either not adjacent to the municipal boundary or cannot be served by the municipality without extending major municipal services, including water or sewer lines, through such sparsely developed area.

2. Is adjacent, on at least sixty percent (60%) of its external boundary, to any combination of the municipal boundary and the boundary of an area or areas developed for urban purposes as defined in sub-subdivision a. of this subsection.

The purpose of paragraphs 1. and 2. of this sub-subdivision is to permit municipal governing boards to extend corporate limits to include all nearby areas developed for urban purposes and where necessary to include areas which at the time of annexation are not yet developed for urban purposes but which constitute necessary land connections between the municipality and areas developed for urban purposes or between two or more areas developed for urban purposes.

c. The total area to be annexed is completely surrounded by the municipality's primary corporate limits.

(b) In fixing new municipal boundaries and determining whether an area is developed for urban purposes, a municipal governing board shall comply with all the following:

(1) Use recorded property lines and streets as boundaries. Some or all of the boundaries of a county water and sewer district may also be used when the entire district is not already within the corporate limits of the municipality.

(2) Use whole parcels of property in that if any portion of that parcel is included, the entire parcel of real property as recorded in the deed transferring title shall be included.

(3) Not use a connecting corridor consisting solely of the length of a street or street right-of-way to establish contiguity.

(4) Not consider property in use for a commercial, industrial, institutional, or governmental purpose if the lot or tract is used only temporarily, occasionally, or on an incidental or insubstantial basis in relation to the size and character of the lot or tract.

(5) Include acreage actually occupied by buildings or other man-made structures together with all areas that are reasonably necessary and appurtenant to such facilities for purposes of parking, storage, ingress and egress, utilities, buffering, and other ancillary services and facilities when determining acreage in use for commercial, industrial, institutional, or governmental purposes.

(6) Consider the area of an abolished water and sewer district to be a water and sewer district for the purpose of this section even after its abolition under G.S. 162A-87.2(b).

§ 160A-58.55. Procedure for annexation.

(a) Resolution of Consideration. – Any municipal governing board desiring to annex territory under the provisions of this Part shall first pass a resolution of consideration identifying the area under consideration for annexation by either a metes and bounds

1 description or a map. The resolution of consideration shall remain effective for two years after
2 adoption and be filed with the municipal clerk. A new resolution of consideration adopted
3 before expiration of the two-year period for a previously adopted resolution covering the same
4 area shall relate back to the date of the previous resolution. Adoption of a resolution of
5 consideration shall not confer prior jurisdiction over the area as to any other municipality.

6 (b) Notice of Resolution of Consideration. – A notice of the adoption of the resolution
7 of consideration shall be published once a week for two successive weeks, with each
8 publication being on the same day of the week, in a newspaper having general circulation in the
9 municipality. The second publication shall be no more than 30 days following adoption of the
10 resolution of consideration. The resolution of consideration shall contain a map or description
11 of the area under consideration and a summary of the annexation process and time lines. A
12 copy of the resolution of consideration shall be mailed within 30 days after the adoption of the
13 resolution of consideration by first class mail to the property owners of real property located
14 within the area under consideration for annexation as shown by the tax records of the county.

15 (c) Resolution of Intent. – At least one year after adoption of the resolution of
16 consideration, the municipal governing body may adopt a resolution of intent of the
17 municipality to proceed with the annexation of some or all of the area described in the
18 resolution of consideration. The resolution of intent shall describe the boundaries of the area
19 proposed for annexation, fix a date for a public informational meeting, and fix a date for a
20 public hearing on the question of annexation. The date for the public informational meeting
21 shall be not less than 45 days and not more than 55 days following passage of the resolution of
22 intent. The date for the public hearing shall be not less than 130 days and not more than 150
23 days following passage of the resolution of intent.

24 (d) Notice of Public Informational Meeting, Public Hearing, and Opportunity for Water
25 and Sewer. – A combined notice of public informational meeting and public hearing shall be
26 issued as provided for in this subsection as follows:

27 (1) The notice shall be a combined notice that includes at least all of the
28 following:

- 29 a. The date, hour, and place of the public informational meeting.
30 b. The date, hour, and place of the public hearing.
31 c. A clear description of the boundaries of the area under consideration,
32 including a legible map of the area.
33 d. A statement that the report required by G.S. 160A-58.53 will be
34 available at the office of the municipal clerk.
35 e. An explanation of a property owner's rights under this section.
36 f. A summary of the annexation process with time lines.
37 g. A summary of available statutory remedies for denying and
38 appealing the annexation and the failure to provide services.
39 h. Information on how to request to become a customer of the water and
40 sewer service, all forms to request that service, and the consequences
41 of opting in or opting out, as provided in G.S. 160A-58.56.
42 i. A clear description of the distinction between the public
43 informational meeting and the public hearing.

44 (2) The combined notice shall be given by publication of the information
45 required by sub-subdivisions (1)a., b., and c. of this subsection and a
46 statement regarding the availability of the information required by the
47 remaining sub-subdivisions of subdivision (1) of this subsection in a
48 newspaper having general circulation in the municipality once a week for at
49 least two successive weeks prior to the date of the public informational
50 meeting, with each publication being on the same day of the week. The date
51 of the last publication shall be not more than 10 days preceding the date of

1 the public informational meeting. In addition thereto, if the area proposed to
2 be annexed lies in a county containing less than fifty percent (50%) of the
3 land area of the municipality, the same publication shall be given in a
4 newspaper having general circulation in the area of proposed annexation. If
5 there is no such newspaper, the municipality shall post the notice in at least
6 five public places within the municipality and at least five public places in
7 the area to be annexed for 30 days prior to the date of public informational
8 meeting.

9 (3) The combined notice, together with the information about requesting water
10 and sewer service, shall be mailed within five business days of the passage
11 of the resolution of intent by first class mail to the property owners of real
12 property located within the area to be annexed as shown by the tax records
13 of the county. The person or persons mailing such notices shall certify to the
14 governing board that fact, and such certificate shall become a part of the
15 public record of the annexation proceeding and shall be deemed conclusive
16 in the absence of fraud. If a notice is returned to the municipality by the
17 postal service by the tenth day before the informational meeting, a copy of
18 the notice shall be sent by certified mail, return receipt requested, at least
19 seven days before the informational meeting. Failure to comply with the
20 mailing requirement of this subsection shall not invalidate the annexation
21 unless it is shown that the requirements were not substantially complied
22 with.

23 (4) If the governing board by resolution finds that the tax records are not
24 adequate to identify the property owners within the area to be annexed after
25 exercising reasonable efforts to locate the property owners, it may, in lieu of
26 the mail procedure required by subdivision (3) of this subsection, post the
27 notice at least 30 days prior to the date of the public informational meeting
28 on all buildings, on such parcels, and in at least five other places within the
29 area to be annexed as to those parcels where the property owner could not be
30 so identified. In any case where notices are placed on property, the person
31 placing the notice shall certify that fact to the governing board.

32 (e) Action Prior to Informational Meeting. – At least 30 days before the date of the
33 public informational meeting, the municipal governing board shall do all of the following:

34 (1) Approve the report provided for in G.S. 160A-58.53.

35 (2) Prepare a summary of the approved report for public distribution.

36 (3) Post in the office of the clerk all of the following:

37 a. The approved report provided for in G.S. 160A-58.53.

38 b. The summary of the approved report.

39 c. A legible map of the area to be annexed.

40 d. The list of the property owners, and associated mailing addresses, in
41 the area to be annexed that the municipality has identified and mailed
42 notice.

43 e. Information for property owners on how to request to become a
44 customer of the water service or sewer service and all forms to
45 request that service.

46 (4) If the municipality has a Web site, post on that Web site all of the
47 information under this section together with any forms to apply for water
48 and sewer service.

49 (5) Prepare a summary of the substantive remedies for denying and appealing
50 the annexation for public distribution.

1 (f) Public Informational Meeting. – At the public informational meeting, a
2 representative of the municipality shall first make an explanation of the report required in
3 G.S. 160A-58.53 and an explanation of the provision of major municipal services. The
4 explanation of the provision of services shall include how to request water service or sewer
5 service to individual lots, the average cost of a residential connection to the water and sewer
6 system, and the opportunity for a credit in the amount of that average cost of a residential
7 connection under G.S. 160A-58.56. A summary of the annexation process with time lines, a
8 summary of available statutory remedies for denying and appealing the annexation, an
9 explanation of the provision of services, and information for requesting water service or sewer
10 service to individual lots and any forms to so request shall also be distributed at the public
11 informational meeting. Following such explanation, all property owners and residents of the
12 area proposed to be annexed as described in the notice of public informational meeting and
13 hearing, and all residents of the municipality shall be given the opportunity to ask questions and
14 receive answers regarding the proposed annexation.

15 (g) Public Hearing. – At the public hearing, a representative of the municipality shall
16 first make an explanation of the report required in G.S. 160A-58.53. Following such
17 explanation, all property owners and residents of the area proposed to be annexed as described
18 in the notice of public informational meeting and hearing, and all residents of the municipality,
19 shall be given an opportunity to be heard.

20 (h) Passage of the Annexation Ordinance. – The municipal governing board shall take
21 into consideration facts presented at the public hearing and shall have authority to amend the
22 report required by G.S. 160A-58.53 to make changes in the plans for serving the area proposed
23 to be annexed so long as such changes meet the requirements of G.S. 160A-58.53. At any
24 regular or special meeting held no sooner than the tenth day following the public hearing and
25 not later than 90 days following the public hearing, the governing board shall have authority to
26 adopt an ordinance, subject to subsection (i) of this section, extending the corporate limits of
27 the municipality to include all, or part, of the area described in the notice of public hearing
28 which the governing board has concluded should be annexed. The annexation ordinance shall:

- 29 (1) Contain specific findings showing that the area to be annexed meets the
30 requirements of G.S. 160A-58.54.
- 31 (2) Describe the external boundaries of the area to be annexed by metes and
32 bounds.
- 33 (3) Include a statement of the intent of the municipality to provide services to
34 the area being annexed as set forth in the report required by G.S. 160A-58.53
35 and a time line for the provision of those services.
- 36 (4) Contain a specific finding that on the effective date of annexation, the
37 municipality will have funds appropriated in sufficient amount to finance
38 construction of any water and sewer lines stated in the report required by
39 G.S. 160A-58.53 to extend the water and sewer services into the area to be
40 annexed, or that on the effective date of annexation the municipality will
41 have authority to issue bonds in an amount sufficient to finance such
42 construction. If authority to issue such bonds shall be secured from the
43 electorate of the municipality prior to the effective date of annexation, then
44 the effective date of annexation shall be no earlier than the day following the
45 statement of the successful result of the bond election.
- 46 (5) Fix the effective date for annexation as June 30 next following the adoption
47 of the ordinance or the second June 30 following adoption of the ordinance,
48 but not before the completion of the water and sewer request and petition to
49 deny and appeal periods are complete.
- 50 (6) Together, with the list of the property owners within the area described in
51 the annexation ordinance to which a notice was mailed under subsection (d)

1 of this section, be delivered within five business days to the county tax
2 assessor of the county in which a majority of the municipality lies.

3 (7) Be summarized, and sent in accordance with subsection (i) of this section, to
4 the list of the property owners within the area described in the annexation
5 ordinance to which a notice was mailed under subsection (d) of this section
6 together with a blank petition form, preprinted with name and address of the
7 property owner.

8 (8) If a public body has a Web site, conspicuously post a copy of the petition to
9 deny annexation ordinance that a property owner in the real property located
10 within the area described in the annexation ordinance may download,
11 complete, and return to the county tax assessor in accordance with
12 subsection (i) of this section.

13 (i) Petition to Deny Annexation Ordinance. – The following procedures shall apply to
14 this subsection:

15 (1) Upon receipt of the resolution of intent and a list of property owners of the
16 real property located within the area, the county tax assessor in the county
17 where a majority of the parcels proposed for annexation are located shall
18 prepare petitions for property owners of the real property located within the
19 area described in the resolution of intent to sign opposing the annexation
20 ordinance.

21 (2) A petition shall include the names of the property owners of the parcel of
22 real property listed individually, a signature line for each owner, and a
23 statement that the person signing is petitioning to deny the annexation.

24 (3) The tax assessor shall mail a petition to the address of record for those real
25 property owners within five business days of receipt from the municipality
26 of the list.

27 (4) The tax assessor shall provide two methods by which property owners of the
28 real property located within the area described in the annexation ordinance
29 may sign a petition form prepared by the tax assessor: (i) in person or (ii) by
30 submitting the signed petition form by mail. The tax assessor shall also
31 accept signatures signed on a petition form prepared by the tax assessor, but
32 collected by another, if that petition form is returned to the tax assessor in a
33 sealed container.

34 (5) If the signed petition is one that was mailed under subdivision (h)(7) of this
35 section and the signer is not the same as the preprinted name on the form, the
36 signed petition shall be notarized and accompanied by a copy of the legal
37 authority for the signature of the person signing a petition.

38 (6) If a petition is returned as undeliverable to the tax assessor, the assessor shall
39 send the petition return receipt requested. If the petition is returned again, the
40 tax assessor shall not include that property owner in the total number of
41 eligible property owners.

42 (7) If there is a change in ownership of real property after the date of the
43 resolution of consideration until 30 days after the date of the adoption of the
44 annexation ordinance, the new owner of the real property shall be considered
45 the eligible owner of real property.

46 (8) The tax assessor shall accept signatures on the petition until 130 days after
47 the adoption of the annexation ordinance.

48 (9) The determination of the results by the tax assessor of the petition period
49 shall be observed by three property owners from the area proposed for
50 annexation, chosen by lot by the county tax assessor from among those who
51 request to serve in this role, and three persons designated by the

1 municipality. A majority of the property owners of a single parcel of real
2 property must sign the petition before the tax assessor may count that parcel
3 as having submitted a petition to deny annexation.

4 (10) Within 10 business days after the close of the signature period, the tax
5 assessor shall certify to the municipal governing body the number of
6 petitions signed by eligible property owners of the real property located
7 within the area described in the annexation ordinance.

8 (11) If the tax assessor delivers to the municipal governing board petitions signed
9 by eligible property owners of at least sixty percent (60%) of the parcels
10 located within the area described in the annexation ordinance as provided in
11 this subsection, the annexation shall be terminated and the municipality may
12 not adopt a resolution of consideration for the area described in the
13 annexation ordinance for at least 36 months.

14 (12) This subsection shall not apply to any property owner of real property
15 located within the area described in the annexation ordinance that is
16 completely surrounded by the municipality's primary corporate limits.

17 (13) The municipality shall reimburse the tax assessor the costs of the petition
18 process required under this subsection of this section.

19 (j) Effect of Annexation Ordinance. – Except as provided in subsection (k) of this
20 section, from and after the effective date of the annexation ordinance, the territory and its
21 citizens and property shall be subject to all debts, laws, ordinances, and regulations in force in
22 such municipality and shall be entitled to the same privileges and benefits as other parts of such
23 municipality.

24 (k) Property Subject to Present-Use Value Appraisal. – If an area described in an
25 annexation ordinance includes agricultural land, horticultural land, or forestland that meets
26 either of the conditions listed below on the effective date of annexation, then the annexation
27 becomes effective as to that property pursuant to subsection (l) of this section:

28 (1) The land is being taxed at present-use value pursuant to G.S. 105-277.4.

29 (2) The land meets both of the following conditions:

30 a. On the date of the resolution of intent for annexation it was being
31 used for actual production and is eligible for present-use value
32 taxation under G.S. 105-277.4, but the land had not been in use for
33 actual production for the required time under G.S. 105-277.3.

34 b. The assessor for the county where the land subject to annexation is
35 located has certified to the municipality that the land meets the
36 requirements of this subdivision.

37 (l) Effective Date of Annexation for Certain Property. – Annexation of property subject
38 to annexation under subsection (j) of this section becomes effective as provided in this
39 subsection:

40 (1) Upon the effective date of the annexation ordinance, the property shall be
41 considered part of the municipality only (i) for the purpose of establishing
42 municipal boundaries for additional annexations pursuant to this Article and
43 (ii) for the exercise of municipal authority pursuant to Article 19 of this
44 Chapter.

45 (2) For all other purposes, the annexation becomes effective as to each tract of
46 the property or part thereof on the last day of the month in which that tract or
47 part thereof becomes ineligible for classification pursuant to G.S. 105-277.4
48 or no longer meets the requirements of subdivision (k)(2) of this section.
49 Until annexation of a tract or a part of a tract becomes effective pursuant to
50 this subsection, the tract or part of a tract is not subject to taxation by the
51 municipality under Article 12 of Chapter 105 of the General Statutes nor is

1 the tract or part of a tract entitled to services provided by the municipality.
2 Upon the effective date of annexation, taxation of real and personal property
3 is subject to the provisions of G.S. 160A-58.10.

4 (m) Simultaneous Annexation Proceedings. – If a municipality is considering the
5 annexation of two or more areas which are all adjacent to the municipal boundary but are not
6 adjacent to one another, it may undertake simultaneous proceedings under authority of this Part
7 for the annexation of such areas.

8 (n) Remedies for Failure to Provide Services. – If, not earlier than 30 days after the
9 effective date of annexation and not later than 15 months from the effective date of annexation,
10 any property owner in the annexed territory shall believe that the municipality has not followed
11 through providing services as set forth in the report adopted under G.S. 160A-58.53 and
12 subsection (e) of this section, the property owner may apply for a writ of mandamus under the
13 provisions of Article 40 of Chapter 1 of the General Statutes. Relief may be granted by the
14 judge of superior court if the municipality has not provided the services set forth in its plan
15 submitted under the provisions of G.S. 160A-58.53(3)a. on substantially the same basis and in
16 the same manner as such services were provided within the rest of the municipality prior to the
17 effective date of annexation and those services are still being provided on substantially the
18 same basis and in the same manner within the original corporate limits of the municipality. If a
19 writ is issued, costs in the action, including reasonable attorneys' fees for such aggrieved
20 property owner, shall be charged to the municipality.

21 (o) Reports to the Local Government Commission. – The municipality shall report to
22 the Local Government Commission as follows:

23 (1) As to whether police protection, fire protection, solid waste services, and
24 street maintenance services were provided in accordance with
25 G.S. 160A-58.53(3)a., within 30 days after the effective date of the
26 annexation. Such report shall be filed no more than 30 days following the
27 expiration of the 30-day period. If the Local Government Commission
28 determines that the municipality failed to deliver police protection, fire
29 protection, solid waste services, or street maintenance services as provided
30 for in G.S. 160A-58.53(3)a. within 30 days after the effective date of the
31 annexation, the Local Government Commission shall notify the municipality
32 that the municipality may not count any of the residents as part of the
33 population of the municipality for the purpose of receiving any State,
34 federal, or county dollars distributed based on population until all of the
35 services are provided.

36 (2) As to whether the extension of water and sewer lines was completed within
37 the time period specified in G.S. 160A-58.53(3), within six months after the
38 effective date of the annexation ordinance, and again within three and
39 one-half years of the effective date of the annexation ordinance or upon the
40 completion of the installation, whichever occurs first. If the municipality
41 failed to deliver either water or sewer services, or both, as provided for in
42 G.S. 160A-58.53(3)b. within three and one-half years after the effective date
43 of the annexation, the municipality shall stop any other annexations in
44 progress and may not begin any other annexation until the water and sewer
45 services are provided. The municipality shall adopt a resolution of
46 consideration to begin again any annexation that is stopped due to this
47 subdivision.

18 **"§ 160A-58.56. Provision of water and sewer service.**

49 (a) The municipality shall provide water and sewer service to the annexed area as
50 required by plans for extension under G.S. 160A-58.53(3) within three and one-half years of

1 the effective date of the annexation ordinance except as provided in subdivision (b)(4) of this
2 section.

3 (b) Prior to the adoption of the annexation ordinance, the municipality shall offer to
4 each eligible property owner of real property located within the area proposed to be annexed an
5 opportunity to obtain water or sewer service, or both, at no cost other than periodic user fees
6 based upon usage as follows:

7 (1) After passage of the resolution of intent, the property owner of real property
8 located within the area proposed to be annexed shall be notified in writing,
9 as provided in G.S. 160A-58.55(d), within five business days of the passage
10 of the resolution of intent, of the opportunity to have water and sewer lines
11 and connections installed at no cost to the property owner. The notice shall
12 state that a request for extending water and sewer lines does not waive the
13 right to contest the annexation. The property owners of real property located
14 within the area proposed to be annexed shall be allowed 65 days from the
15 date of the passage of the resolution of intent to respond yes or no to the
16 opportunity. Any property owner of a parcel that is an existing customer of
17 the municipality's water or sewer, whether provided by the municipality or
18 by a third party under contract with the municipality, shall be deemed to
19 respond yes to the opportunity, whether or not the property owner returns the
20 notification.

21 (2) At the close of the 65-day period, the municipality shall determine if the
22 eligible property owners of a majority of the parcels to be annexed have
23 responded favorably. A majority of the property owners of a single parcel of
24 real property must respond favorably before the municipality may count that
25 parcel of real property as responding favorably.

26 (3) If the property owners of a majority of the parcels located within the area
27 proposed to be annexed respond favorably, the municipality shall do all of
28 the following:

29 a. Provide water and sewer lines, service lines, and connections at no
30 cost other than periodic user fees to all real property for which an
31 owner responded favorably if the annexation ordinance is adopted.
32 The right to receive water and sewer lines shall run with the land.

33 b. Notify, within five days of the close of the 65-day period under
34 subdivision (2) of this subsection, those property owners of real
35 property located within the area proposed to be annexed who failed
36 to respond or responded negatively that the property owners of a
37 majority of the parcels located within the area proposed to be
38 annexed responded favorably and offer a second opportunity for that
39 property owner to respond favorably within 30 days.

40 (4) If the property owners of a majority of the parcels located within the area
41 proposed to be annexed fail to respond favorably to the offer to obtain water
42 and sewer services made under this section, the municipality may
43 nevertheless proceed with the annexation. If the municipality proceeds with
44 the annexation when the property owners of a majority of the parcels located
45 within the area proposed to be annexed fail to respond favorably to the offer
46 to obtain water and sewer services, the municipality is not required to
47 provide water and sewer services to any property owners in the area that is
48 annexed. If the municipality does provide water and sewer services, and if a
49 property owner requests those services, the municipality may charge the
50 property owner for the connection to a residential lot as provided in
51 subsection (d) of this section during the first five years following the

1 effective date of the annexation. After five years, and only if connection is
2 requested by a property owner in accordance with subsection (e) of this
3 section, the municipality may charge for the connection according to the
4 municipality's policy.

5 (c) The process required by subsection (b) of this section shall be completed by the
6 municipality at least 30 days prior to the public hearing. The report required by
7 G.S. 160A-58.53 shall include the results of the process required by subsection (b) of this
8 section.

9 (d) Any property owner of the real property located within the area described in the
10 annexation ordinance may apply to participate in the water and sewer system after the
11 completion of the process required by subsection (b) of this section. For a property owner of
12 real property located within the area described in the annexation ordinance applying within the
13 first year, that property owner may be charged an amount not to exceed fifty percent (50%) of
14 average cost of the installation of the water and sewer for a residential lot. For a property owner
15 of real property located within the area described in the annexation ordinance applying within
16 the second year, that property owner may be charged an amount not to exceed sixty percent
17 (60%) of average cost of the installation of the water and sewer for a residential lot. For a
18 property owner of real property located within the area described in the annexation ordinance
19 applying within the third year, that property owner may be charged an amount not to exceed
20 seventy percent (70%) of average cost of the installation of the water and sewer for a residential
21 lot. For a property owner of real property located within the area described in the annexation
22 ordinance applying within the fourth year, that property owner may be charged an amount not
23 to exceed eighty percent (80%) of average cost of the installation of the water and sewer for a
24 residential lot. For a property owner of real property located within the area described in the
25 annexation ordinance applying within the fifth year, that property owner may be charged an
26 amount not to exceed ninety percent (90%) of average cost of the installation of the water and
27 sewer for a residential lot. Charges pursuant to this section shall be made when the water and
28 sewer connection is operable.

29 (e) Notwithstanding Article 16 of this Chapter, the municipality may not charge, for
30 any reason, any property owner within the area described in the annexation ordinance, for the
31 installation or use of the water or sewer system unless that property owner is, or has requested
32 to become, a customer of the water or sewer system.

33 (f) For purposes of this section, the following definitions apply:

34 (1) "At no cost other than periodic user fees." – The municipality may not
35 charge the property owner who responded favorably under subdivision
36 (b)(3) of this section for any costs associated with the installation of the
37 water or sewer system. The municipality may not charge a property owner
38 who applies to participate in the water and sewer system under subsection
39 (d) of this section prior to the first periodic user fee charge, and on that bill
40 the owner may be charged no more than as provided in subsection (d) of this
41 section.

42 (2) "Average installation of a connection for a residential lot." – The average of
43 the cost for residential installations from curb to residence, including
44 connection and tap fees, in the area described in the annexation ordinance.

45 **"§ 160A-58.57. Contract with rural fire department.**

46 (a) If the area to be annexed described in a resolution of intent passed under
47 G.S. 160A-49(a)-G.S. 160A-58.55(c) includes an area in an insurance district defined under
48 G.S. 153A-233, a rural fire protection district under Article 3A of Chapter 69 of the General
49 Statutes, or a fire service district under Article 16 of Chapter 153A of the General Statutes, and
50 a rural fire department was on the date of adoption of the resolution of intent providing fire
51 protection in the area to be annexed, then the city (if the rural fire department makes a written

1 request for a good faith offer, and the request is signed by the chief officer of the fire
2 department and delivered to the city clerk no later than 15 days before the public hearing) is
3 required to make a good faith effort to negotiate a five-year contract with the rural fire
4 department to provide fire protection in the area to be annexed.

5 (b) If the area is a rural fire protection district or a fire service district, then an offer to
6 pay annually for the term of the contract the amount of money that the tax rate in the district in
7 effect on the date of adoption of the resolution of intent would generate based on property
8 values on January 1 of each year in the area to be annexed which is in such a district is deemed
9 to be a good faith offer of consideration for the contract.

10 (c) If the area is an insurance district but not a rural fire protection district or fire
11 service district, then an offer to pay annually over the term of the contract the amount of money
12 which is determined to be the equivalent of the amount which would be generated by
13 multiplying the fraction of the city's general fund budget in that current fiscal year which is
14 proposed to be expended for fire protection times the tax rate for the city in the current year,
15 and multiplying that result by the property valuation in the area to be annexed which is served
16 by the rural fire department is deemed to be a good faith offer of consideration for the contract;
17 Provided that the payment shall not exceed the equivalent of fifteen cents (15¢) on one hundred
18 dollars (\$100.00) valuation of annexed property in the district according to county valuations
19 for the current fiscal year.

20 (d) Any offer by a city to a rural fire department which would compensate the rural fire
21 department for revenue loss directly attributable to the annexation by paying such amount
22 annually for five years, is deemed to be a good faith offer of consideration for the contract.

23 (e) Under subsections (b), (c), or (d) of this section, if the good faith offer is for first
24 responder service, an offer of one-half the calculated amount under those subsections is deemed
25 to be a good faith offer.

26 (f) This section does not obligate the city or rural fire department to enter into any
27 contract.

28 (g) The rural fire department may, if it feels that no good faith offer has been made,
29 appeal to the Local Government Commission within 30 days following the passage of an
30 annexation ordinance. The rural fire department may apply to the Local Government
31 Commission for an order staying the operation of the annexation ordinance pending the
32 outcome of the review. The Commission may grant or deny the stay in its discretion upon such
33 terms as it deems proper, and it may permit annexation of any part of the area described in the
34 ordinance concerning which no question for review has been raised, provided that no other
35 appeal under ~~G.S. 160A-50~~ G.S. 160A-58.60 is pending.

36 (h) The Local Government Commission may affirm the ordinance, or if the Local
37 Government Commission finds that no good faith offer has been made, it shall remand the
38 ordinance to the municipal governing board for further proceedings, and the ordinance shall
39 then not become effective unless the Local Government Commission finds that a good faith
40 offer has been made.

41 (i) Any party to the review under subsection (h) may obtain judicial review in
42 accordance with Chapter 150B of the General Statutes.

43 **"§ 160A-58.58. Assumption of debt.**

44 (a) If the city has annexed any area which is served by a rural fire department and
45 which is in an insurance district defined under G.S. 153A-233, a rural fire protection district
46 under Article 3A of Chapter 69 of the General Statutes or a fire service district under Article 16
47 of Chapter 153A of the General Statutes, then upon the effective date of annexation if the city
48 has not contracted with the rural fire department for fire protection, or when the rural fire
49 department ceases to provide fire protection under contract, then the city shall pay annually a
50 proportionate share of any payments due on any debt (including principal and interest) relating
51 to facilities or equipment of the rural fire department, if the debt was existing at the time of

1 adoption of the resolution of intent, with the payments in the same proportion that the assessed
2 valuation of the area of the district annexed bears to the assessed valuation of the entire district
3 on the date the annexation ordinance becomes effective or another date for valuation mutually
4 agreed upon by the city and the fire department.

5 (b) The city and rural fire department shall jointly present a payment schedule to the
6 Local Government Commission for approval and no payment may be made until such schedule
7 is approved.

8 **"§ 160A-58.59. Contract with private solid waste collection firms.**

9 (a) If the area to be annexed described in a resolution of intent passed under
10 ~~G.S. 160A-49(a)~~ G.S. 160A-58.55(c) includes an area where a firm (i) meets the requirements
11 of subsection (a1) of this section, (ii) on the ninetieth day preceding the date of adoption of the
12 resolution of intent or resolution of consideration was providing solid waste collection services
13 in the area to be annexed, (iii) on the date of adoption of the resolution of intent is still
14 providing such services, and (iv) by reason of the annexation the firm's franchise with a county
15 or arrangements with third parties for solid waste collection will be terminated, the city shall do
16 one of the following:

17 (1) Contract with the firm for a period of two years after the effective date of the
18 annexation ordinance to allow the firm to provide collection services to the
19 city in the area to be annexed for sums determined under subsection (d) of
20 this section.

21 (2) Pay the firm for the firm's economic loss, with one-third of the economic
22 loss to be paid within 30 days of the termination and the balance paid in 12
23 equal monthly installments during the next succeeding 12 months. Any
24 remaining economic loss payment is forfeited if the firm terminates service
25 to customers in the annexation area prior to the effective date of the
26 annexation.

27 (3) Make other arrangements satisfactory to the parties.

28 (a1) To qualify for the options set forth in subsection (a) of this section, a firm must have
29 done one of the following:

30 (1) Subsequent to receiving notice of the annexation in accordance with
31 subsection (b) of this section, filed with the city clerk at least 10 days prior
32 to the public hearing a written request to contract with the city to provide
33 solid waste collection services containing a certification, signed by an officer
34 or owner of the firm, that the firm serves at least 50 customers within the
35 county at that time.

36 (2) Contacted the city clerk pursuant to public notice published by the city,
37 pursuant to ~~G.S. 160A-49(b)~~, G.S. 160A-58.55(d) at least 10 days before the
38 hearing and provided to the city clerk a written request to contract with the
39 city to provide solid waste collection services. The request must contain a
40 certification signed by an officer or owner of the firm that the firm serves at
41 least 50 customers within the county at that time.

42 (a2) Firms shall file notice of provision of solid waste collection service with the city
43 clerk of all cities located in the firm's collection area or within five miles thereof.

44 (b) At least four weeks prior to the date of the informational meeting, the city shall
45 provide written notice of the resolution of intent to all firms serving the area to be annexed. The
46 notice shall be sent to all firms that filed notice in accordance with subsection (a2) of this
47 section by certified mail, return receipt requested, to the address provided by the firm under
48 subsection (a2) of this section.

49 (c) The city may require that the contract contain:

50 (1) A requirement that the firm post a performance bond and maintain public
51 liability insurance coverage;

- 1 (2) A requirement that the firm agree to service customers in the annexed area
2 that were not served by that firm on the effective date of annexation;
- 3 (3) A provision that divides the annexed area into service areas if there were
4 more than one firm being contracted within the area, such that the entire area
5 is served by the firms, or by the city as to customers not served by the firms;
- 6 (4) A provision that the city may serve customers not served by the firm on the
7 effective date of annexation;
- 8 (5) A provision that the contract can be cancelled in writing, delivered by
9 certified mail to the firm in question with 30 days to cure substantial
10 violations of the contract, but no contract may be cancelled on these grounds
11 unless the Local Government Commission finds that substantial violations
12 have occurred, except that the city may suspend the contract for up to 30
13 days if it finds substantial violation of health laws;
- 14 (6) Performance standards, not exceeding city standards existing at the time of
15 notice published pursuant to G.S. 160A-49(b) with provision that the
16 contract may be cancelled for substantial violations of those standards, but
17 no contract may be cancelled on those grounds unless the Local Government
18 Commission finds that substantial violations have occurred;
- 19 (7) A provision for monetary damages if there are violations of the contract or
20 of performance standards.

21 (d) If the services to be provided to the city by reason of the annexation are
22 substantially the same as rendered under the franchise with the county or arrangements with the
23 parties, the amount paid by the city shall be at least ninety percent (90%) of the amount paid or
24 required under the existing franchise or arrangements. If such services are required to be
25 adjusted to conform to city standards or as a result of changes in the number of customers and
26 as a result there are changes in disposal costs (including mileage and landfill charges),
27 requirements for storage capacity (dumpsters and/or residential carts), and/or frequency of
28 collection, the amount paid by the city for the service shall be increased or decreased to reflect
29 the value of such adjusted services as if computed under the existing franchise or arrangements.
30 In the event agreement cannot be reached between the city and the firm under this subsection,
31 the matters shall be determined by the Local Government Commission.

32 (e), (f) Repealed by Session Laws 2006-193, s. 1, applicable to annexations for which a
33 resolution of intent is adopted on or after January 1, 2007.

34 (g) The firm may, if it contends that no contract has been offered, appeal to the Local
35 Government Commission within 30 days following passage of an annexation ordinance. The
36 firm may appeal to the Local Government Commission for an order staying the operation of the
37 annexation ordinance pending the outcome of the review. The Commission may grant or deny
38 the stay upon such terms as it deems proper. If the Local Government Commission finds that
39 the city has not made an offer which complies with this section, it shall remand the ordinance to
40 the municipal governing board for further proceedings, and the ordinance shall not become
41 effective until the Local Government Commission finds that such an offer has been made.
42 Either the firm or the city may obtain judicial review in accordance with Chapter 150B of the
43 General Statutes.

44 (h) A firm which has given notice under subsection (a) of this section that it desires to
45 contract, and any firm that the city believes is eligible to give such notice, shall make available
46 to the city not later than 30 days following a written request of the city, sent by certified mail
47 return receipt requested, all information in its possession or control, including but not limited to
48 operational, financial and budgetary information, necessary for the city to determine if the firm
49 qualifies for the benefits of this section and to determine the nature and scope of the potential
50 contract and/or economic loss. The firm forfeits its rights under this section if it fails to make a
51 good faith response within 30 days following receipt of the written request for information

1 from the city, provided that the city's written request so states by specific reference to this
2 section.

3 (i) As used in this section, the following terms mean:

4 (1) Economic loss. – A sum equal to 15 times the average gross monthly
5 revenue for the three months prior to the passage of the resolution of intent
6 or resolution of consideration, as applicable under subsection (a) of this
7 section, collected or due the firm for residential, commercial, and industrial
8 collection service in the area annexed or to be annexed; provided that
9 revenues shall be included in calculations under this subdivision only if
10 policies of the city will provide solid waste collection to those customers
11 such that arrangements between the firm and the customers will be
12 terminated.

13 (2) Firm. – A private solid waste collection firm.

14 **"§ 160A-58.60. Appeal.**

15 (a) Within 60 days following the close of the signature period under
16 G.S. 160A-58.55(i), any property owner of real property located within the area described in
17 the annexation ordinance who believes that property owner will suffer material injury by reason
18 of the failure of the municipal governing board to comply with the procedure or to meet the
19 requirements set forth in this Part as they apply to the annexation may file a petition in the
20 superior court of the county in which the municipality is located seeking review of the action of
21 the governing board.

22 (b) Such petition shall explicitly state what exceptions are taken to the action of the
23 governing board and what relief the petitioner seeks. Within 10 days after the petition is filed
24 with the court, the person seeking review shall serve copies of the petition by registered mail,
25 return receipt requested, upon the municipality.

26 (c) Within 15 days after receipt of the copy of the petition for review or within such
27 additional time as the court may allow, the municipality shall transmit to the reviewing court
28 both of the following:

29 (1) A transcript of the portions of the municipal journal or minute book in which
30 the procedure for annexation has been set forth.

31 (2) A copy of the report setting forth the plans for extending services to the
32 annexed area as required in G.S. 160A-58.53.

33 (d) If two or more petitions for review are submitted to the court, the court may
34 consolidate all such petitions for review at a single hearing, and the municipality shall be
35 required to submit only one set of minutes and one report as required in subsection (c) of this
36 section.

37 (e) At any time before or during the review proceeding, any petitioner or petitioners
38 may apply to the reviewing court for an order staying the operation of the annexation ordinance
39 pending the outcome of the review. The court may grant or deny the stay in its discretion upon
40 such terms as it deems proper, and it may permit annexation of any part of the area described in
41 the ordinance concerning which no question for review has been raised.

42 (f) The court shall fix the date for review of annexation proceedings under this Part,
43 which review date shall be expeditious and without unnecessary delays. The review shall be
44 conducted by the court without a jury. The court may hear oral arguments and receive written
45 briefs and may take evidence intended to show one or more of the following:

46 (1) That the statutory procedure was not followed.

47 (2) That the provisions of G.S. 160A-58.53 were not met.

48 (3) That the provisions of G.S. 160A-58.54 have not been met.

49 (4) That the provisions of G.S. 160A-58.50 have not been met.

50 (g) The court may affirm the action of the governing board without change, or it may
51 order any of the following:

- 1 (1) Remand the ordinance to the municipal governing board for further
2 proceedings if procedural irregularities are found to have materially
3 prejudiced the substantive rights of any of the petitioners.
- 4 (2) Remand the ordinance to the municipal governing board for amendment of
5 the boundaries to conform to the provisions of G.S. 160A-58.54 if it finds
6 that the provisions of G.S. 160A-58.54 have not been met; provided, that the
7 court cannot remand the ordinance to the municipal governing board with
8 directions to add area to the municipality which was not included in the
9 notice of public hearing and not provided for in plans for service.
- 10 (3) Remand the report to the municipal governing board for amendment of the
11 plans for providing services to the end that the provisions of
12 G.S. 160A-58.53 are satisfied or to correct errors in municipal governing
13 board's estimates that fall below the standards in G.S. 160A-58.63.
- 14 (4) Declare the ordinance null and void, if the court finds that the ordinance
15 cannot be corrected by remand as provided in subdivisions (1), (2), or (3) of
16 this subsection.

17 If any municipality shall fail to take action in accordance with the court's instructions upon
18 remand within 90 days following entry of the order embodying the court's instructions, the
19 annexation proceeding shall be deemed null and void.

20 (h) Any party to the review proceedings, including the municipality, may appeal to the
21 Court of Appeals from the final judgment of the superior court under rules of procedure
22 applicable in other civil cases. The superior court may, with the agreement of the municipality,
23 permit annexation to be effective with respect to any part of the area concerning which no
24 appeal is being made and which can be incorporated into the municipality without regard to any
25 part of the area concerning which an appeal is being made.

26 (i) If part or all of the area annexed under the terms of an annexation ordinance is the
27 subject of an appeal to the superior court, Court of Appeals, or Supreme Court on the effective
28 date of the ordinance, then the ordinance shall be deemed amended to make the effective date
29 with respect to such area the first June 30th at least six months following the date of the final
30 judgment of the superior court or appellate division, or the first June 30th at least six months
31 from the date the municipal governing board completes action to make the ordinance conform
32 to the court's instructions in the event of remand. For the purposes of this subsection, a denial
33 of a petition for rehearing or for discretionary review shall be treated as a final judgment.

34 (j) If a petition for review is filed under subsection (a) of this section or an appeal is
35 filed under G.S. 160A-58.57(g) or G.S. 160A-58.59(g) and a stay is granted, then the time
36 periods of three and one-half years or G.S. 160A-58.55(n) are each extended by the lesser of
37 the length of the stay or one year for that annexation.

38 (k) The provisions of subsection (i) of this section shall apply to any judicial review
39 authorized in whole or in part by G.S. 160A-58.57(i) or G.S. 160A-58.57(g).

40 (l) In any proceeding related to an annexation ordinance appeal under this section, a
41 municipality shall not state a claim for lost property tax revenue caused by the appeal. Nothing
42 in this Article shall be construed to mean that as a result of an appeal a municipality may assert
43 a claim for property tax revenue lost during the pendency of the appeal.

44 (m) Any settlement reached by all parties in an appeal under this section may be
45 presented to the superior court in the county in which the municipality is located. If the superior
46 court, in its discretion, approves the settlement, it shall be binding on all parties without the
47 need for approval by the General Assembly.

48 (n) If a final court order is issued against the annexing municipality, costs in the action,
49 including reasonable attorneys' fees for such aggrieved person having a freehold interest in the
