50 real property located within the area described in the annexation ordinance, may be charged to
51 the municipality.

"§ 160A-58.61. Annexation recorded.

Whenever the limits of a municipality are enlarged in accordance with the provisions of this Part, it shall be the duty of the mayor of the municipality to cause an accurate map of such annexed territory, together with a copy of the ordinance duly certified, to be recorded in the office of the register of deeds of the county or counties in which such territory is situated and in the office of the Secretary of State. The documents required to be filed with the Secretary of State under this section shall be filed not later than 30 days following the effective date of the annexation ordinance. All documents shall have an identifying number affixed thereto and shall conform in size in accordance with rules prescribed by the Secretary. Failure to file within 30 days shall not affect the validity of the annexation. Any annexation shall be reported as part of the Boundary and Annexation Survey of the United States Bureau of the Census.

"§ 160A-58.62. Authorized expenditures.

Municipalities initiating annexations under the provisions of this Part are authorized to make expenditures for surveys required to describe the property under consideration or for any other purpose necessary to plan for the study and/or annexation of unincorporated territory adjacent to the municipality. In addition, following final passage of the annexation ordinance, the annexing municipality shall have authority to proceed with expenditures for construction of water and sewer lines and other capital facilities and for any other purpose calculated to bring services into the annexed area in a more effective and expeditious manner prior to the effective date of annexation.

"§ 160A-58.63. Population and land estimates.

In determining population and degree of land subdivision for purposes of meeting the requirements of G.S. 160A-58.54, the municipality shall use methods calculated to provide reasonably accurate results. In determining whether the standards set forth in G.S. 160A-58.54 have been met on appeal to the superior court under G.S. 160A-58.60, the reviewing court shall accept the estimates of the municipality unless the actual population, total area, or degree of land subdivision falls below the standards in G.S. 160A-58.54:

- (1) As to population, if the estimate is based on the number of dwelling units in the area multiplied by the average family size in such area, or in the township or townships of which such area is a part, as determined by the last preceding federal decennial census; or if it is based on a new enumeration carried out under reasonable rules and regulations by the annexing municipality; provided, that the court shall not accept such estimates if the petitioners demonstrate that such estimates are in error in the amount of ten percent (10%) or more.
- (2) As to total area, if the estimate is based on an actual survey, or on county tax maps or records, or on aerial photographs, or on some other reasonably reliable map used for official purposes by a governmental agency, unless the petitioners on appeal demonstrate that such estimates are in error in the amount of five percent (5%) or more.
- (3) As to degree of land subdivision, if the estimates are based on an actual survey, or on county tax maps or records, or on aerial photographs, or on some other reasonably reliable source, unless the petitioners on appeal show that such estimates are in error in the amount of five percent (5%) or more."

SECTION 10. G.S. 160A-31, as amended by Section 3 of S.L. 2011-57, reads as rewritten:

"§ 160A-31. Annexation by petition.

(a) The governing board of any municipality may annex by ordinance any area contiguous to its boundaries upon presentation to the governing board of a petition signed by the owners of all the real property located within such area. The petition shall be signed by each owner of real property in the area and shall contain the address of each such owner.

1 (b) The petition shall be prepared in substantially the following form:

2 DATE:

3 To the _____ (name of governing board) of the (City or Town) of

4
5 1. We the undersigned owners of real property respectfully request that the area described
6 in paragraph 2 below be annexed to the (City or Town) of _____

7 2. The area to be annexed is contiguous to the (City or Town) of _____ and the
8 boundaries of such territory are as follows:

9 (b1) Notwithstanding the provisions of subsections (a) and (b) of this section, if fifty-one
10 percent (51%) of the households in an area petitioning for annexation pursuant to this section
11 have incomes that are two hundred percent (200%) or less than the most recently published
12 United States Census Bureau poverty thresholds, the governing board of any municipality shall
13 annex by ordinance any area the population of which is no more than ten percent (10%) of that
14 of the municipality and one eighth of the aggregate external boundaries of which are
15 contiguous to its boundaries, upon presentation to the governing board of a petition signed by
16 the owners of at least seventy five percent (75%) of the parcels of real property in that area. A
17 municipality shall not be required to adopt more than one ordinance under this subsection
18 within a 36 month period.

19 (b2) The petition under subsection (b1) of this section shall be prepared in substantially
20 the following form:

21 DATE:

22 To the _____ (name of governing board) of the (City or Town) of

23
24 1. We the undersigned owners of real property believe that the area described in paragraph
25 2 below meets the requirements of G.S. 160A-31(b1) and respectfully request that the area
26 described in paragraph 2 below be annexed to the (City or Town) of _____.

27 2. The area to be annexed is contiguous to the (City or Town) of _____, and the
28 boundaries of such territory are as follows:

29 (c) Upon receipt of the petition, the municipal governing board shall cause the clerk of
30 the municipality to investigate the sufficiency thereof and to certify the result of his—the
31 investigation. For petitions received under subsection (b1) or (j) of this section, the clerk shall
32 receive the evidence provided under subsection (k) of this section before certifying the
33 sufficiency of the petition. Upon receipt of the certification, the municipal governing board
34 shall fix a date for a public hearing on the question of annexation, and shall cause notice of the
35 public hearing to be published once in a newspaper having general circulation in the
36 municipality at least 10 days prior to the date of the public hearing; provided, if there be no
37 such paper, the governing board shall have notices posted in three or more public places within
38 the area to be annexed and three or more public places within the municipality.

39 (d) At the public hearing ~~all persons resident or owning property in the area described~~
40 ~~in the petition to be annexed who allege an error in the petition and persons resident or owning~~
41 ~~property in the municipality shall be given an opportunity to be heard, as well as residents of~~
42 ~~the municipality who question the necessity for annexation heard.~~ The governing board shall
43 then determine whether the petition meets the requirements of this section. Upon a finding that
44 the petition that was not submitted under subsection (b1) or (j) meets the requirements of this
45 section, the governing board shall have authority to pass an ordinance annexing the territory
46 described in the petition. The governing board shall have authority to make the annexing
47 ordinance effective immediately or on any specified date within the June 30 after six months
48 from the date of the passage of the ordinance or the June 30 of the following year after the date
49 of passage of the ordinance.

1 (d1) Upon a finding that a petition submitted under subsection (j) meets the requirements
2 of this section, the governing body shall have the authority to adopt an annexation ordinance
3 for the area with an effective date no later than 24 months after the adoption of the ordinance.

4 (d2) Upon a finding that a petition submitted under subsection (b1) meets the
5 requirements of this section, the governing body shall, within 60 days of the finding, estimate
6 the capital cost to the municipality of extending water and sewer lines to all parcels within the
7 area covered by the petition and estimate the annual debt service payment that would be
8 required if those costs were financed by a 20 year revenue bond. If the estimated annual debt
9 service payment is less than five percent of the municipality's annual water and sewer systems
10 revenue for the most recent fiscal year, then the governing body shall within 30 days adopt an
11 annexation ordinance for the area with an effective date no later than 24 months after the
12 adoption of the ordinance. If the estimated annual debt service payment is greater than or equal
13 to five percent of the municipality's annual water and sewer systems revenue for the most
14 recent fiscal year, then the governing body may adopt a resolution declining to annex the area.
15 If such a resolution is adopted, the governing body shall immediately submit a request to the
16 Local Government Commission to certify that its estimate of the annual debt service payment is
17 reasonable based on established governmental accounting principles.

18 (1) If the Local Government Commission certifies the estimate, the municipality
19 is not required to annex the area and no petition to annex the area may be
20 submitted under subsection (b1) for 36 months following the certification.
21 During the 36 month period, the municipality shall make ongoing, annual
22 good faith efforts to secure Community Development Block Grants or other
23 grant funding for extending water and sewer service to all parcels in the
24 areas covered by the petition. If sufficient funding is secured so that the
25 estimated capital cost to the municipality for extending water and sewer
26 service, less the funds secured, would result in an annual debt service
27 payment cost to the municipality of less than five percent of the
28 municipality's annual water and sewer systems revenue for the most recent
29 fiscal year, then the governing body shall within 30 days adopt an
30 annexation ordinance for the area with an effective date no later than 24
31 months after the adoption of the ordinance.

32 (2) If the local Government Commission notifies the governing board that the
33 estimates are not reasonable based on established governmental accounting
34 principles and that a reasonable estimate of the annual debt service payment
35 is less than five percent of the municipality's annual water and sewer
36 systems revenue for the most recent fiscal year, then the governing body
37 shall within 30 days of the notification adopt an annexation ordinance for the
38 area with an effective date no later than 24 months after the adoption of the
39 ordinance.

40 (d3) Municipal services shall be provided to an area annexed under subsections (b1) and
41 (j) of this section in accordance with the requirements of Part 7 of this Article.

42 (e) From and after the effective date of the annexation ordinance, the territory and its
43 citizens and property shall be subject to all debts, laws, ordinances and regulations in force in
44 such municipality and shall be entitled to the same privileges and benefits as other parts of such
45 municipality. Real and personal property in the newly annexed territory on the January 1
46 immediately preceding the beginning of the fiscal year in which the annexation becomes
47 effective is subject to municipal taxes as provided in G.S. 160A-58.10. If the effective date of
48 annexation falls between June 1 and June 30, and the effective date of the privilege license tax
49 ordinance of the annexing municipality is June 1, then businesses in the area to be annexed
50 shall be liable for taxes imposed in such ordinance from and after the effective date of
51 annexation.

(f) For purposes of this section, an area shall be deemed "contiguous" if, at the time the petition is submitted, such area either abuts directly on the municipal boundary or is separated from the municipal boundary by the width of a street or street right-of-way, a creek or river, or the right-of-way of a railroad or other public service corporation, lands owned by the municipality or some other political subdivision, or lands owned by the State of North Carolina. A connecting corridor consisting solely of a street or street right-of-way may not be used to establish contiguity. In describing the area to be annexed in the annexation ordinance, the municipal governing board may include within the description any territory described in this subsection which separates the municipal boundary from the area petitioning for annexation.

(g) The governing board may initiate annexation of contiguous property owned by the municipality by adopting a resolution stating its intent to annex the property, in lieu of filing a petition. The resolution shall contain an adequate description of the property, state that the property is contiguous to the municipal boundaries and fix a date for a public hearing on the question of annexation. Notice of the public hearing shall be published as provided in subsection (c) of this section. The governing board may hold the public hearing and adopt the annexation ordinance as provided in subsection (d) of this section.

(h) A city council which receives a petition for annexation under this section may by ordinance require that the petitioners file a signed statement declaring whether or not vested rights with respect to the properties subject to the petition have been established under G.S. 160A-385.1 or G.S. 153A-344.1. If the statement declares that such rights have been established, the city may require petitioners to provide proof of such rights. A statement which declares that no vested rights have been established under G.S. 160A-385.1 or G.S. 153A-344.1 shall be binding on the landowner and any such vested right shall be terminated.

(i) A municipality has no authority to adopt a resolution or petition itself under this Part for annexation of property it does not own or have any legal interest in. For the purpose of this subsection, a municipality has no legal interest in a State-maintained street unless it owns the underlying fee and not just an easement.

(j) Using the procedures under this section, the governing board of any municipality may annex by ordinance any distressed area contiguous to its boundaries upon presentation to the governing board of a petition signed by at least one adult resident of at least two-thirds of the resident households located within such area. For purposes of this subsection, a "distressed area" is defined as an area in which at least fifty-one percent (51%) of the households in the area petitioning to be annexed have incomes that are two hundred percent (200%) or less than the most recently published United States Census Bureau poverty thresholds. The municipality may require reasonable proof that the petitioner in fact resides at the address indicated.

(k) The petition under subsection (j) of this section shall be prepared in substantially the following form:

DATE:

To the _____ (name of governing board) of the (City or Town) of _____

1. We the undersigned residents of real property believe that the area described in paragraph 2 below meets the requirements of G.S. 160A-31(j) and respectfully request that the area described in paragraph 2 below be annexed to the (City or Town) of _____.

2. The area to be annexed is contiguous to the (City or Town) of _____, and the boundaries of such territory are as follows:

(l) For purposes of determining whether the percentage of households in the area petitioning for annexation meets the poverty thresholds under subsections (b1) and (j) of this section, the petitioners shall submit to the municipal governing board any reasonable evidence that demonstrates the area in fact meets the income requirements of that subsection. The evidence presented may include data from the most recent federal decennial census, other official census documents, signed affidavits by at least one adult resident of the household

1 attesting to the household size and income level, or any other documentation verifying the
2 incomes for a majority of the households within the petitioning area. Petitioners may select to
3 submit name, address, and social security number to the clerk, who shall in turn submit the
4 information to the Department of Revenue. Such information shall be kept confidential and is
5 not a public record. The Department shall provide the municipality with a summary report of
6 income for households in the petitioning area. Information for the report shall be gleaned from
7 income tax returns, but the report submitted to the municipality shall not identify individuals or
8 households."

9 SECTION 11. Article 4A of Chapter 160A of the General Statutes is amended by
10 adding a new Part 8 to read:

11 **"Part 8.**

12 **"Recording and Reporting.**

13 **"§ 160A-58.90. Recording and Reporting.**

14 (a) Annexations made under this Article shall be recorded and reported in the same
15 manner as under G.S. 160A-29.

16 (b) To be enforceable, any written agreement with a person having a freehold interest in
17 real property regarding annexation shall be recorded in the county register of deeds office in
18 which the real property lies."

19 SECTION 11.1. G.S. 143B-437.04(a) is amended by adding a new subdivision to
20 read:

21 "(a) The Department of Commerce shall adopt guidelines for the awarding of
22 Community Development Block Grants to ensure that:

23 ...

24 (3) Priority consideration is given to projects located in areas annexed by a
25 municipality under Article 4A of Chapter 160A of the General Statutes in
26 order to provide water or sewer services to low-income residents. For
27 purposes of this section, low-income residents are those with a family
28 income that is eighty percent (80%) or less of median family income."

29 SECTION 11.2. G.S. 159G-23 is amended by adding a new subdivision to read:
30 **"§ 159G-23. Common criteria for loan or grant from Wastewater Reserve or Drinking**
31 **Water Reserve.**

32 The criteria in this section apply to a loan or grant from the Wastewater Reserve or the
33 Drinking Water Reserve. The Division of Water Quality and the Division of Environmental
34 Health must each establish a system of assigning points to applications based on the following
35 criteria:

36 ...

37 (9) Low-income residents. – A project that is located in an area annexed by a
38 municipality under Article 4A of Chapter 160A of the General Statutes in
39 order to provide water or sewer services to low-income residents has
40 priority. For purposes of this section, low-income residents are those with a
41 family income that is eighty percent (80%) or less of median family income.

42 ... "

43 SECTION 12. Except for Sections 10, 11.1 and 11.2, this act does not apply to any
44 municipality that in its charter requires that an annexation must be approved by (i) either the
45 voters in a referendum or the request of a majority of the property owners; (ii) the voters in a
46 referendum; or (iii) the request of a majority of the property owners.

47 SECTION 13. If any provision of this act or its application is held invalid, the
48 invalidity does not affect other provisions or applications of this act that can be given effect
49 without the invalid provisions or application, and to this end the provisions of this act are
50 severable.

1 **SECTION 14.** This act is effective when it becomes law and applies to annexations
2 initiated by municipalities on or after that date and to petitions for annexation under Part 1 and
3 Part 4 of Article 4A of Chapter 160A of the General Statutes presented on or after that date.
4 Annexations initiated prior to the effective date of this act by any action under Part 2 or Part 3
5 of Article 4A of Chapter 160A of the General Statutes, but for which an annexation ordinance
6 has not been adopted, shall terminate and may be reinitiated in compliance with Part 7 of
7 Article 4A of Chapter 160A of the General Statutes as enacted by this act.

HOUSE BILL 845: Annexation Reform Act of 2011

2011-2012 General Assembly

Committee: House Finance	Date: May 10, 2011
Introduced by: Reps. LaRoque, Dollar, Owens	Prepared by: Kory Goldsmith and Giles Perry
Analysis of: PCS to Second Edition H845-CSRCx-22	Staff Attorneys

SUMMARY: *The proposed committee substitute for House Bill 845 makes substantive changes to the involuntary annexation process for all municipalities.*

CURRENT LAW: North Carolina law sets forth four basic ways in which a town or city may annex an area into its corporate limits:

- **Legislative Act.** The General Assembly has the authority to extend the boundaries of any town or city through local acts.
- **Voluntary Contiguous Annexation.** The owners of all real property in the area desiring to be annexed sign a petition requesting annexation.
- **Voluntary Satellite Annexation.** This method allows a town or city to annex a non-contiguous area into the town or city limits, with the agreement of the property owner.
- **Involuntary Annexation.** The town or city brings into the corporate limits an area that has not voluntarily agreed to be annexed through a statutorily prescribed process. The statutorily prescribed process is different for cities of less than 5,000 people than it is for larger cities.

BILL ANALYSIS:

Amends *involuntary contiguous annexation* in the following ways:

Section 1. Repeals the Part 2 of Article 4A of Chapter 160A of the General Statutes, Annexation of Cities of Less than 5,000.

Sections 2 – 6 recodify selected provisions of Part 3 of Article 4A of Chapter 160A of the General Statutes (Annexation by Cities of 5,000 or more) and places those provisions in a new Part 7 created in Section 8 of the bill.

Section 7 repeals the remaining provisions of Part 3 of Article 4A of Chapter 160A of the General Statutes, Annexation by Cities of 5,000 or more.

Section 8 creates a new Part 7 of Article 4A of Chapter 160A of the General Statutes to govern involuntary annexation by all municipalities in North Carolina, regardless of size.

Section 9 sets forth the procedures for annexation under the new Part 7 as follows:

- Prerequisites for Annexation
 - The area to be annexed must comply with the criteria set forth in the statute for urban density, etc.
 - A plan must be in place to provide the following services, within the time frames stated, on substantially the same basis and in the same manner as each service is provided within the rest of the municipal limits:
 - At the time of annexation: Police, Fire, Solid waste collection, Street maintenance
 - Within 3 ½ years of annexation: Water and Sewer
- Character of the Area to be Annexed – the property to be annexed must meet all of the following:

House PCS 845

Page 2

- Must be adjacent or contiguous to the municipal boundaries, with at least 1/8 of the aggregate external boundaries of the area to be annexed coinciding with the municipal boundary.
- Cannot be part of another municipality.
- Is one of the following:
 - Completely surrounded by the municipal limits.
 - Is either:
 - between the municipal boundary and an area developed for urban purposes so that the area developed for urban purposes is either not adjacent to the municipal boundary or cannot be served by the municipality without extending major municipal services, OR
 - adjacent, on at least 60% of its external boundary, to any combination of the municipal boundary and the boundary of an area or areas developed for urban purposes.
 - Developed for urban purposes. Developed for urban purposes is any one of the following criteria:
 - Has a total resident population equal to at least 2.3 persons for each acre.
 - Has a total resident population equal to at least 1 person per acre, and is subdivided into lots and tracts such that at least 60% of the total acreage consists of lots and tracts 3 acres or less in size and such that at least 65% of the total number of lots and tracts are 1 acre or less in size.
 - Is so developed that at least 60% of the total number of lots and tracts in the area at the time of annexation are used for residential, commercial, industrial, institutional or governmental purposes, and is subdivided into lots and tracts such that at least 60% of the total acreage, not counting the acreage used at the time of annexation for commercial, industrial, governmental or institutional purposes, consists of lots and tracts three acres or less in size.
 - Is the entire area of any county water and sewer district, only if the municipality operates the sewer system and the entire territory is annexed in one annexation proceeding
 - All the tracts in the area to be annexed are used for commercial, industrial, governmental, or institutional purposes

In fixing municipal boundaries and determining whether an area is developed for urban purposes, the municipality shall do all of the following:

- Use recorded property lines and streets as boundaries.
- Use whole parcels of property in that if any portion of that parcel is included, the entire parcel of real property as recorded in the deed transferring title shall be included.
- Not use a connecting corridor consisting solely of a street or street right-of-way to establish contiguity.
- Not consider property in use for a commercial, industrial, institutional, or governmental purpose if the lot or tract is used only temporarily, occasionally, or on an incidental or insubstantial basis in relation to the size and character of the lot or tract.
- Include acreage actually occupied by buildings or other man-made structures together with all areas that are reasonably necessary and appurtenant to such

House PCS 845

facilities for purposes of parking, storage, ingress and egress, utilities, buffering, and other ancillary services and facilities when determining acreage in use for commercial, industrial, institutional, or governmental purposes.

- Consider the area of an abolished water and sewer district to be a water and sewer district for the purpose of this section even after its abolition under G.S. 162A-87.2(b).
- Procedure for Annexation
 - Resolution of Consideration. – Must be adopted at least one year, but not more than 2 years prior to the resolution of intent. Property owners must be mailed a copy of the resolution.
 - Resolution of Intent. – Adopted at least one year after the resolution of consideration, describing the area to be annexed, that complies with the criteria of area to be annexed.
 - Public Informational Meeting. – Held at least 45, but not more than 55, days after the adoption of the resolution of intent. An official from the municipality is to explain the annexation process and answer questions of property owners and residents of the area to be annexed and of the municipality.
 - Public Hearing. – To be held at least 130, but not more than 150, days after the public informational meeting, to accept comment from the property owners and residents of the area to be annexed and of the municipality. Prior to the public hearing, the property owners must be given an opportunity to opt into the water and sewer service at no cost.
 - Annexation Ordinance. – May be adopted at least 10, but not more than 90, days after the public hearing. Must set an effective date of June 30, either of that year or the following year.
 - Petition to Deny Annexation. – If the County Tax Assessor delivers to the municipal governing board petitions to deny annexation signed by eligible property owners of at least 60% of the parcels within the area to be annexed, then the annexation is terminated, and the municipality cannot begin the involuntary annexation process on that area again for 36 months.
 - Report to the Local Government Commission on provision of services to the area annexed. – 30 days after the effective date of the annexation, the municipality must report to the LGC as to whether the fire, police, solid waste collection, street maintenance and water/sewer services have been provided. If fire, police, solid waste collection and street maintenance services have not been provided within the 30 days, then the municipality may not include the population of the annexed area for purposes of monies distributed based on population by the State, federal or county government. If the water/sewer services have not been provided, then the municipality has to report again at the completion of the installation of the services or within 3 ½ years, whichever is earlier. If the municipality has not provided the water/sewer services within 3 ½ years, the municipality must stop, and may not begin, any other annexations until the installation is completed.
- Provision of Services – Generally, must be provided on substantially the same basis and in the same manner as within the corporate limits.
 - Fire, Police, Solid Waste Collection, Street Maintenance. – The municipality may provide the service directly, or contract for the provision of the services. Either way, each service must be in place on the date of annexation.
 - Water and Sewer – The water and sewer service to the annexed area shall be provided by the municipality within three and one half years of the effective date of the annexation ordinance. The municipality shall provide water and sewer lines and connections at no,

House PCS 845

Page 4

or reduced, costs other than periodic fees to all property owners requesting the service within the process set out below:

- After passage of the resolution of intent, the property owners of real property located within the area proposed to be annexed shall be notified in writing, within five business days of the passage of the resolution of intent, of the opportunity to have water and sewer or both installed at no cost to the property owner, if the property owners a majority of the parcels respond positively to the opportunity. If a property owner fails to respond or responds negatively within 65 days, the property owner will be sent a reminder notice and will have 30 additional days to request water and sewer or both at no charge. If the property is other than residential, that property will be given a credit in the amount of the average residential installation costs.
- If the property owners a majority of parcels do not respond positively to the opportunity the municipality may still go forward with the annexation. If it does, the municipality is not required to provide water or sewer to the annexed area, but if it does and if a property owner requests to be provided service, the municipality may be charged as described below.
- Any residential property owner who does not initially request water and sewer may do so later, but may be charged the following percentage of the average residential installation cost:
 - In the 1st year of the annexation – up to 50%.
 - In the 2nd year of the annexation – up to 60%
 - In the 3rd year of the annexation - up to 70%
 - In the 4th year of the annexation - up to 80%
 - In the 5th year of the annexation - up to 90%

The municipality may not charge, for any reason, any property owner within the area described in the annexation ordinance, for the installation or use of the water or sewer system unless that property owner is, or has requested to become, a customer of the water and sewer system.

- Appeal

- Transfers the current process for appeal from G.S. 160A-50, and makes conforming changes:
 - Within 60 days of the close of the time to sign a petition to deny, a property owner who believes they will suffer material injury by reason of the failure of the municipality to comply with the annexation procedure may file petition seeking review.
 - The court is to review and take evidence intended to show:
 - That the statutory procedure was not followed
 - That the prerequisites for annexation were not met
 - That the area annexed did not comply with the statutory requirements
 - That the provisions of the Declaration of Policy in G.S. 160A-58.50 have not been met
 - Remedies for the court:
 - Affirm the annexation without change.
 - Remand to the municipality for further proceedings.
 - Remand to the municipality for amendment to the boundaries.
 - Remand the report to the municipality for amendment on the plan for providing services or to correct errors in the city's estimates.
 - Declare the ordinance null and void.

Section 10 amends *voluntary contiguous annexation* in the following ways:

1. Requires the annexation of contiguous "distressed areas" if the following requirements are met:
 - a. 51% of the households have incomes that are 200% or less than the US Census poverty thresholds
 - b. The population of the area seeking to be petitioned is no more than 10% of the municipality and 1/8th of the aggregate external boundaries are contiguous to the municipality
 - c. The owners of at least 75% of the parcels submit a signed petition to the governing board.
 - d. If the capital costs to the municipality of extending water and sewer to all parcels does not exceed certain thresholds, as certified by the Local Government Commission.
2. Allows the annexation of contiguous "distressed areas" upon petition of two-thirds of the resident households located in the area.
3. Prohibits the use of a street as a connecting corridor to establish contiguity.

Section 11 adds a new Part 8 to Article 4A of Chapter 160A that requires all annexations to be recorded and reported in the same manner as under G.S. 160A-29. It also requires that in order for an agreement regarding annexation must be recorded in order to be enforceable.

Sections 11.1 requires the Department of Commerce and **Section 11.2** requires the Division of Water Quality to adopt guidelines for the awarding of Community Development Block Grants and other grants to cities that annex areas under Article 4A of Chapter 160A.

A BILL TO BE ENTITLED

AN ACT TO MODIFY THE RUTHERFORD COUNTY OCCUPANCY TAX.

The General Assembly of North Carolina enacts:

SECTION 1. Sections 5 and 6 of Chapter 577 of the 1991 Session Laws, as amended by S.L. 2007-527, are rewritten and recodified as Sections 2 and 3 of this act. This act does not affect the rights or liabilities of the county, a taxpayer, or another person arising under the law rewritten and recodified by this act before the effective date of this act, nor does it affect the right to any refund or credit of a tax that accrued under the law rewritten and recodified by this act before the effective date of this act.

SECTION 2. Occupancy tax. – (a) Authorization and Scope. – The Board of Commissioners of Rutherford County may levy a room occupancy tax of up to six percent (6%) of the gross receipts derived from the rental of any room, lodging, or accommodation furnished by a hotel, motel, inn, tourist camp, or similar place within the county that is subject to sales tax imposed by the State under G.S. 105-164.4(a)(3). This tax is in addition to any State or local sales tax. This tax does not apply to accommodations furnished by nonprofit charitable, educational, or religious organizations when furnished in furtherance of their nonprofit purpose.

SECTION 2.(b) Administration. – A tax levied under this section shall be levied, administered, collected, and repealed as provided in G.S. 153A-155. The penalties provided in G.S. 153A-155 apply to a tax levied under this section.

SECTION 2.(c) Definitions. – The following definitions apply in this act:

- (1) Net proceeds. – Gross proceeds less the cost to the county of administering and collecting the tax, as determined by the finance officer, not to exceed three percent (3%) of the first five hundred thousand dollars (\$500,000) of gross proceeds collected each year and one percent (1%) of the remaining gross proceeds collected each year.
- (2) Promote travel and tourism. – To advertise or market an area or activity, publish and distribute pamphlets and other materials, conduct market research, or engage in similar promotional activities that attract tourists or business travelers to the area. The term includes administrative expenses incurred in engaging in the listed activities.
- (3) Tourism-related expenditures. – Expenditures that, in the judgment of the Rutherford County Tourism Development Authority, are designed to increase the use of lodging facilities, meeting facilities, or convention

1 facilities in the county or to attract tourists or business travelers to the
2 county. The term includes tourism-related capital expenditures.

3 **SECTION 2.(d) Distribution and Use of Tax Revenue.** – Rutherford County shall,
4 on a quarterly basis, remit to the Rutherford County Tourism Development Authority the net
5 proceeds of the occupancy tax. Alternatively, Rutherford County may, at the request and on
6 behalf of the Authority, establish a separate fund to account for the management of all receipts
7 and disbursements of the Authority. In addition to the management of this separate fund, the
8 county may also provide services, including, but not limited to, finance, human resources,
9 legal, and information technology. Service fees will be assessed by the county for the indirect
10 costs related to these services. The Authority shall use at least two-thirds of the funds remitted
11 to it under this subsection to promote travel and tourism in Rutherford County and shall use the
12 remainder for tourism-related expenditures.

13 **SECTION 3. Tourism Development Authority.** – (a) Appointment and
14 Membership. – When the Board of Commissioners adopts a resolution levying a room
15 occupancy tax under this act, it shall also adopt a resolution creating the Rutherford County
16 Tourism Development Authority, which shall be a public authority under the Local
17 Government Budget and Fiscal Control Act. The resolution adopted by the Board of
18 Commissioners shall provide for the membership of the Authority, including the members'
19 terms of office, and for the filling of vacancies on the Authority. At least one-third of the
20 members shall be individuals who are affiliated with businesses that collect the tax in the
21 county, and at least one-half of the members shall be individuals who are currently active in the
22 promotion of travel and tourism in the county. The Board of Commissioners shall designate
23 one member of the Authority as chair and shall determine the compensation, if any, to be paid
24 to members of the Authority.

25 The Authority shall meet at the call of the chair and shall adopt rules of procedure to
26 govern its meetings. The Finance Officer for Rutherford County shall be the ex officio finance
27 officer of the Authority.

28 **SECTION 3.(b) Duties.** – The Authority shall expend the net proceeds of the tax
29 levied under this act for the purposes provided in Section 2 of this act. The Authority shall
30 promote travel, tourism, and conventions in the county, sponsor tourist-related events and
31 activities in the county, and finance tourist-related capital projects in the county.

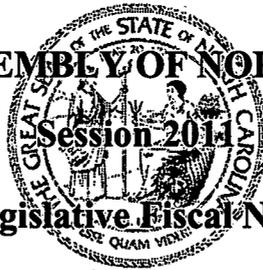

32 **SECTION 3.(c) Reports.** – The Authority shall report quarterly and at the close of
33 the fiscal year to the Rutherford County Board of Commissioners on its receipts and
34 expenditures for the preceding quarter and for the year in such detail as the Board of
35 Commissioners may require.

36 **SECTION 4. Administrative provisions.** – G.S. 153A-155(g) reads as rewritten:

37 "(g) Applicability. – Subsection (c) of this section applies to all counties and county

PRINCIPAL DEPARTMENT(S) & PROGRAM(S) AFFECTED: Rutherford County

EFFECTIVE DATE: This act is effective when it becomes law.

BILL SUMMARY:

House Bill 414 recodifies the existing law authorizing a room occupancy tax in Rutherford County to conform the content to the uniform format currently used for occupancy taxes. Consistent with uniform occupancy tax provisions, the bill contains definitions for the following terms: "net proceeds," "promote travel and tourism" and "tourism-related expenditures". The bill also makes the Rutherford County occupancy tax subject to the uniform provisions for room occupancy taxes in G.S. 153A-155.

By conforming to the House Finance occupancy tax guidelines, Rutherford County would be able to use up to one-third of the occupancy tax proceeds for tourism-related expenditures, which it cannot do under current law.

ASSUMPTIONS AND METHODOLOGY:

There is no fiscal impact due to these changes.

HOUSE BILL 414: Amend Rutherford County Occupancy Tax

2011-2012 General Assembly

Committee: House Finance
Introduced by: Rep. Hager
Analysis of: First Edition

Date: April 28, 2011
Prepared by: Trina Griffin
Committee Counsel

SUMMARY: *House Bill 414 recodifies the previously authorized Rutherford County occupancy tax to make it more uniform with current occupancy tax guidelines. By doing so, Rutherford County would be able to use up to one-third of the occupancy tax proceeds for tourism-related expenditures, which it cannot do under current law.*

The bill would also allow the county, upon request of the TDA, to manage the TDA's receipts and disbursements and provide services related to the operation of the TDA, such as finance, human resources, legal and information technology. The county could charge service fees for the indirect costs related to these services.

CURRENT LAW: In 1991, the General Assembly authorized Rutherford County to levy an occupancy tax of up to 6%. The county must remit the net proceeds to the Rutherford Tourism Development Authority, and the net proceeds must be used only to promote travel, tourism, retirement, and conventions in the county.

BILL ANALYSIS: House Bill 414 would recodify the existing law authorizing a room occupancy tax in Rutherford County to more closely conform to the uniform guidelines currently used for occupancy taxes. The tax rate would remain the same. By conforming to the guidelines, Rutherford County would be able to use up to one-third of the occupancy tax proceeds for tourism-related expenditures, which it cannot do under current law. The bill also makes the Rutherford County occupancy tax subject to the uniform provisions for room occupancy taxes in G.S. 153A-155.

The bill would also allow Rutherford County, at the request of the TDA, to establish a separate fund to account for the management of all receipts and disbursements of the TDA rather than remitting the proceeds to the TDA. In addition to management of the separate fund, the county may provide finance, human resources, legal, information technology and other services. The county would be authorized to assess service fees for the indirect costs related to these services.

EFFECTIVE DATE: This act is effective when it becomes law.

BACKGROUND: Since 1983, the General Assembly has authorized many units of local government to levy a room occupancy tax. Over the past several years, there has been a greater effort to make the occupancy taxes uniform. In 1997, the General Assembly enacted uniform municipal and county administrative provisions for occupancy tax,¹ which provide uniformity among counties and cities with respect to the levy, administration, collection, repeal, and imposition of penalties.

In 1993, the House Finance Committee established the Occupancy Tax Guidelines, which address the rate of tax, the use of the tax proceeds, the administration of the tax, and the body with authority to determine how the proceeds will be spent. A summary of these provisions is detailed in the chart below. Many of the principles contained in the Guidelines are similar to those contained in policy statements adopted by the North Carolina Travel and Tourism Coalition and the North Carolina Restaurant and Lodging Association. The House Finance Committee Chairs have traditionally appointed a Subcommittee on Occupancy Taxes to scrutinize occupancy tax legislation to determine whether the

House Bill 414

legislation adheres to the Guidelines. The House Finance Chairs appointed Representatives McGee, Cotham, Carney, Moffitt, and Warren to be members of the House Finance Subcommittee on Occupancy Taxes this biennium.

UNIFORM OCCUPANCY TAX PROVISIONS
Rate – The county tax rate cannot exceed 6% and the city tax rate, when combined with the county rate, cannot exceed 6%.
Use – Two-thirds of the proceeds must be used to promote travel and tourism and the remainder must be used for tourism related expenditures.
Definitions The term “net proceeds”, “promote travel and tourism”, and “tourism related expenditures” are defined terms.
Administration – The net revenues must be administered by a local tourism development authority that has the authority to determine how the tax proceeds will be used, is created by a local ordinance, and at least 1/2 of the members must be currently active in the promotion of travel and tourism in the county and 1/3 of the members must be affiliated with organizations that collect the tax.
Costs of Collection – The taxing authority may retain from the revenues its actual costs of collection, not to exceed 3% of the first \$500,000 collected each year plus 1% of the remainder collected each year.

HOUSE BILL 565: Morehead City/Beaufort Boundary

2011-2012 General Assembly

Committee: House Finance
Introduced by: Rep. McElraft
Analysis of: First Edition

Date: May 5, 2011
Prepared by: Greg Roney
Committee Counsel

SUMMARY: *House Bill 565 establishes a boundary between the Towns of Morehead City and Beaufort limiting their extension of extraterritorial jurisdiction and annexation.*

BILL ANALYSIS: House Bill 565 would make the following changes:

- Establishes a described boundary line between the Towns of Morehead City and Beaufort beyond which the Towns shall not exercise extraterritorial jurisdiction and the boundary beyond which the Towns may not annex.
- Does not annex property and does not establish extraterritorial jurisdiction for either town.
- Does not limit the authority of either Town to enter into mutual aid agreements or other interlocal agreements authorized by law.

BACKGROUND: G.S. 160A-360(a) authorizes cities to exercise extraterritorial planning jurisdiction over an area extending 1 mile beyond the city's corporate limits. With the approval of the county board of commissioners, a city with a population of 10,000 to 25,000 may exercise extraterritorial jurisdiction over an area extending 2 miles beyond the city's corporate limits, and a city with a population over 25,000 may exercise extraterritorial jurisdiction over an area extending 3 miles beyond the city's corporate limits. The Towns of Morehead City and Beaufort could have overlapping extraterritorial jurisdictions. A city may annex territory that is within another city's extraterritorial jurisdiction.

EFFECTIVE DATE: This act is effective when it becomes law.

SENATE BILL 288: Atlantic Beach/Beaufort/Parking

2011-2012 General Assembly

Committee: House Finance
Introduced by: Sen. Preston
Analysis of: PCS to First Edition
S288-CSTD-30

Date: May 11, 2011
Prepared by: Heather Fennell
Committee Counsel

SUMMARY: *Senate Bill 288 allows the Towns of Atlantic Beach and Beaufort to allow parking meters to be activated by commercially available prepayment credit and provides that the Towns may use the proceeds from parking meters for the same purposes that revenue from off street parking facilities are used. The PCS removes references to the retention of penalties from parking ordinance violations.*

CURRENT LAW: G.S. 160A-301 allows cities to regulate by ordinance on-street and off-street parking including installation of parking meters and operation of off-street parking facilities. Proceeds from parking meters are to be used only to defray the cost of enforcing and administering traffic and parking ordinances and regulations. Cities may charge fees for use of off-street parking facilities and may make it unlawful to park in these facilities without paying. Revenues from off-street facilities may be pledged to amortize bonds issued to finance such facilities or used for any public purpose.

BILL ANALYSIS: Senate Bill 288 amends G.S. 160A-301 to:

- Allow for the activation of parking meters by commercially available means of providing prepayment credit.
- Authorize the proceeds from the use of parking meters to be pledged to amortize bonds issued to finance parking facilities or any public purpose.

The act applies only to the Towns of Atlantic Beach and Beaufort.

EFFECTIVE DATE: The act is effective when it becomes law.

BACKGROUND: The following town and cities have local legislation that permits a variance from the General Statutes in the use of funds from parking:

- Wrightsville Beach, Carolina Beach, Kure Beach, and Wilmington are authorized to use proceeds from the use of parking meters to be pledged to amortize bonds issued to finance parking facilities or any public purpose.
- Raleigh and Chapel Hill are authorized to use proceeds from the use of parking meters to operate parking programs and provide parking facilities.

HOUSE BILL 573: Raleigh/Wake Forest Boundary

2011-2012 General Assembly

Committee:	House Finance	Date:	May 18, 2011
Introduced by:	Rep. Avila	Prepared by:	Greg Roney
Analysis of:	Second Edition		Committee Counsel

SUMMARY: *House Bill 573 removes 21 acres from the City of Raleigh and adds the area to the Town of Wake Forest.*

CURRENT LAW: Under Section 1 of Article VII of the N.C. Constitution, the General Assembly is empowered to "provide for the organization and government and the fixing of boundaries of counties, cities and towns, and other governmental subdivisions, and, except as otherwise prohibited by this Constitution, may give such powers and duties to counties, cities and towns, and other governmental subdivisions as it may deem advisable."

The General Assembly enacted Article 4A of Chapter 160A of the General Statutes, authorizing municipalities to enact ordinances to add territory to their municipal limits by annexation.

The General Assembly has not enacted any method for municipalities to remove an area from its limits - that power remains with the General Assembly.

BILL ANALYSIS: House Bill 573 would deannex a described 21-acre area from the City of Raleigh, and add the same area to the Town of Wake Forest.

BACKGROUND: House Bill 573 would place a 21-acre corridor of Highway 98 Bypass into Wake Forest, giving Wake Forest jurisdiction over the entire Highway 98 Bypass for police and rescue services.

EFFECTIVE DATE: This act is effective June 30, 2011.

Giles S. Perry, counsel to House Government, substantially contributed to this summary.

BILL SUMMARY:

House Bill 453 authorizes surplus lines insurers to offer "salary protection insurance" that insures against the loss of earned income because of disability from sickness, ailment, or bodily injury. The maximum benefit payable to an individual (or an individual's beneficiary) from salary

protection insurance and any in-force disability income insurance is 75% of the individual's annual earned income.

Source: Committee Counsel Summary

ASSUMPTIONS AND METHODOLOGY:

According to the NC Department of Insurance, salary protection insurance can already be purchased directly from a surplus lines insurer. A gross premiums tax of 5% applies to surplus lines insurance policies. H453 would allow an agent or broker and purchasing groups to sell salary protection insurance as surplus lines insurers. The same gross premiums tax rate of 5% would apply to policies sold under these methods; therefore, the bill is expected to result in no fiscal impact.

HOUSE BILL 453: Allow Salary Protection Insurance

2011-2012 General Assembly

Committee: House Finance	Date: May 12, 2011
Introduced by: Rep. Dockham	Prepared by: Greg Roney
Analysis of: First Edition	Committee Counsel

SUMMARY: *House Bill 453 authorizes surplus lines insurers to offer "salary protection insurance" that insures against the loss of earned income because of disability from sickness, ailment, or bodily injury. The maximum benefit payable to an individual (or an individual's beneficiary) from salary protection insurance and any in-force disability income insurance is 75% of the individual's annual earned income.*

CURRENT LAW: Surplus lines insurers are allowed to offer coverage that is not available from insurers licensed in the State, referred to as admitted insurers. G.S. 58-21-85 imposes a 5% tax on the gross premiums charged for surplus lines insurance. State law does not currently allow surplus lines insurers to offer salary protection insurance through normal channels such as agents for surplus lines insurers.

G.S. 58-28-5 allows individuals to independently procure (i.e., without the involvement of an agent, broker, or surplus lines licensee) salary protection insurance. Individuals who independently procure insurance must file a report and pay a 5% tax on the gross premiums.

G.S. 58-51-130 gives the standards for disability income insurance offered by admitted insurers.

BILL ANALYSIS: Section 1 of House Bill 453 would amend G.S. 58-21-10 to define "Salary protection insurance" as "insurance against financial loss caused by cessation of earned income because of disability from sickness, ailment, or bodily injury." The definition of "Surplus lines insurance" is expanded to specifically include salary protection insurance.

Section 2 of House Bill 453 would add a new section to Chapter 58 (G.S. 58-21-22) setting the maximum benefit payable to an individual (or an individual's beneficiary) from salary protection insurance and any in-force disability income insurance at 75% of the individual's annual earned income. For the 75% limit on annual earned income, disability income insurance from an admitted insurer is defined as "insurance against death or personal injury by accident or by any specified kinds of accident and insurance against sickness, ailment or bodily injury."

BACKGROUND: As an industry practice, admitted insurers offer disability insurance limited to 60% of an individual's earned income with a monthly maximum benefit of \$15,000. Extremely high earning individuals such as athletes and performers cannot purchase disability insurance sufficient to replace their monthly income due to the \$15,000 monthly maximum benefit. House Bill 453 would allow surplus lines insurers to offer salary protection insurance capped at a statutory maximum of 75% of the individual's annual earned income.

EFFECTIVE DATE: House Bill 453 would become effective October 1, 2011.

Kory Goldsmith, counsel to House Insurance, substantially contributed to this summary.

BILL SUMMARY:

The Proposed Committee Substitute to the Second Edition of House Bill 298 makes the following changes:

Section 1 authorizes the Commissioner of Insurance to contract with the National Association of Insurance Commissioners (NAIC) and other third parties to provide online license processing and support services to license applicants. The bill also authorizes the third party to charge a reasonable fee, as agreed to by the Commissioner, for these services.

Section 2 codifies the existing Senior Health Insurance Information Program (SHIIP) in Chapter 58 of the General Statutes governing insurance. Currently, this Program is referenced in the Administrative Code (11 NCAC 17).

Section 3 makes it unlawful to prepare or issue a certificate of insurance that: (1) is in a form not approved by the Commissioner; (2) contains any false or misleading information; or (3) purports to alter or amend the coverage provided by the policy. A certificate of insurance is a short summary of a policy provided by an insurer upon request to verify the existence of coverage.

Section 4 grants the Commissioner the authority to approve or disapprove rates filed by insurers for small group coverage prior to an insurer's use of the filed rates. This is known as "prior approval." Prior approval is needed to avoid possible federal intervention in the approval of rates if the State does not have this authority.

Section 5 creates a defined open enrollment period in the months of January and July of each year for nondependent child coverage, also known as "child only" coverage. An insurer is not required, however, to offer child only coverage, or maternity coverage as part of an offer of child only coverage.

Sections 6 and 7 adopt NAIC model language implementing a new "trend test" calculation. The trend test is currently used to allow the Department to identify a company with insufficient capital in light of the company's assumed risk. The Department can then require the development of a comprehensive financial plan by the company. Failure to adopt the new NAIC Model trend test language could result in loss of state accreditation by the NAIC.

Section 8 exempts from adjuster licensing requirements those individuals who, in connection solely with insurance covering only portable consumer electronic devices, collect claims information and conduct data entry, and exercise no discretion in the disposition of the portable electronic device claim. For the exemption to apply, the individual must be supervised by a licensed adjuster or licensed agent who supervises no more than 25 individuals adjusting claims.

Section 9 exempts crop loss adjusters from the examination requirements applicable to property and casualty adjusters if: (1) the crop adjuster adjusts only federal crop insurance claims; and (2) the adjuster passes a proficiency examination approved by the federal Risk Management Agency or the Commissioner.

Sections 10 and 11 make changes to ease Department regulation of the Association Aggregate Security System (System) of the North Carolina Self-Insurance Guaranty Association (Association). The Association provides for the payment of Workers' Compensation claims against member self-insurers in the case of insolvency of one of its members. The System was established by the Association to allow individual self-insurers to collectively secure workers' compensation liabilities through the Association. The Association submits its Plan of Operation to the Commissioner for approval and also must annually submit its plan for the System to the Commissioner for approval. The bill makes the following changes:

- Deletes language requiring the Commissioner's approval of the Association's Board of Directors (G.S. 97-132), the Association's Plan of Operation (G.S. 97-134), the System's plan (G.S. 97-133(a)(2a), and the Association's servicing facility (G.S. 97-133(a)(9)).
- Removes language allowing separation of the Association's Self-Insurance Security Fund into separate funds for group self-insurers and individual self-insurers (G.S. 97-133(a)(1a)).
- Requires each member of the Association to annually determine and report its total undiscounted workers compensation claims liability to the Association (G.S. 97-133(a)(13)).
- Allows the Board to set its own minimum debt rating for participation in the System.

Section 12 exempts multiline limited assessable mutual insurance companies from requirement that application and policy fees may not be charged by an insurer without the insured's prior written consent. Under current law, these mutual insurance companies are generally exempt from Department regulatory requirements.

Section 13 provides that a fee charged by a licensed continuing care facility in a facility's declaration of condominium which is also provided in a resident's contract for continuing care with the facility is not a transfer fee for the purposes of Chapter 39A of the General Statutes. Chapter 39A prohibits the enforcement of transfer fee covenants running with a title to real property.

ASSUMPTIONS AND METHODOLOGY:

Revenue

Section 8

This section of the bill exempts from adjuster licensing requirements those individuals who, in connection solely with insurance covering only portable consumer electronic devices, collect claims information and conduct data entry, and exercise no discretion in the disposition of the portable electronic device claim.

The Department of Insurance (DOI) reports that there could be a reduction in revenue as a result of this exemption, but DOI is not aware of any adjuster who is only adjusting portable electronic device claims. The Agent Services Division within DOI has no way of determining the population

or number of adjusters that would fall into this category. As a result, Fiscal Research is not able to estimate the potential reduction in revenue to the State.

Expenditures

DOI estimates that House Bill 298 would have no fiscal impact on its current operations. Any additional workload required by the bill would be absorbed by current DOI staff. DOI also anticipates that the bill would not result in any savings to the State.

Section 1

This section of the bill authorizes the Commissioner of Insurance to contract with the National Association of Insurance Commissioners (NAIC) and other third parties to provide online license processing and support services to license applicants. The bill also authorizes the third party to charge a reasonable fee, as agreed to by the Commissioner, for these services. This section of the bill will have no fiscal impact on DOI because the administrative fee would be charged to the licensee and does not have a fiscal impact on DOI.

Sections 4, 5, 6, 7, 10, and 11

DOI anticipates that it would absorb the additional workload required by these sections of the bill. With respect Sections 10 and 11, DOI does not expect any savings from the review of the Association Aggregate Security System.

Section 9 exempts crop loss adjusters from the examination requirements applicable to property and casualty adjusters under certain circumstances. The hail adjuster exam exemption does not have a fiscal impact on DOI because the adjusters would still be required to be licensed and would have to pay the annual license fees.

SUMMARY: *House Bill 298 makes various changes to the insurance laws including laws governing licensing requirements, the provision of services for license applicants, certificates of insurance, health insurance, risk-based capital requirements for insurers, and Department oversight of the Association Aggregate Security System for workers compensation self-insurers.*

The PCS makes only one technical change on page 3, line 22 by adding the phrase "in accordance."

BILL SUMMARY: House Bill 298 makes the following changes:

Section 1 authorizes the Commissioner of Insurance to contract with the National Association of Insurance Commissioners (NAIC) and other third parties to provide online license processing and support services to license applicants. The bill also authorizes the third party to charge a reasonable fee, as agreed to by the Commissioner, for these services.

Section 3 makes it unlawful to prepare or issue a certificate of insurance that: (1) is in a form not approved by the Commissioner; (2) contains any false or misleading information; or (3) purports to alter or amend the coverage provided by the policy. A certificate of insurance is a short summary of a policy provided by an insurer upon request to verify the existence of coverage.

Section 4 grants the Commissioner the authority to approve or disapprove rates filed by insurers for small group coverage prior to an insurer's use of the filed rates. This is known as "prior approval." Prior approval is needed to avoid possible federal intervention in the approval of rates if the State does not have this authority.

Section 5 creates a defined open enrollment period in the months of January and July of each year for nondependent child coverage, also known as "child only" coverage. Sections 10 and 11 make changes to ease Department regulation of the Association Aggregate Security System (System) of the North Carolina Self-Insurance Guaranty Association (Association). The Association provides for the payment of Workers' Compensation claims against member self-insurers in the case of insolvency of one of its members. The System was established by the Association to allow individual self-insurers to collectively secure workers' compensation liabilities through the Association. The Association submits its Plan of Operation to the Commissioner for approval and also must annually submit its plan for the System to the Commissioner for approval. - Removes language allowing separation of the Association's Self-Insurance Security Fund into separate funds for group self-insurers and individual self-insurers (G.S. 97-133(a)(1a)).
- Requires each member of the Association to annually determine and report its total undiscounted workers compensation claims liability to the Association (G.S. 97-133(a)(13)).
- Allows the Board to set its own minimum debt rating for participation in the System (Section 11).

Section 12 exempts multiline limited assessable mutual insurance companies from requirement that application and policy fees may not be charged by an insurer without the insured's prior written consent. Under current law, these mutual insurance companies are generally exempt from Department regulatory requirements.

Section 13 provides that a fee charged by a licensed continuing care facility in a facility's declaration of condominium which is also provided in a resident's contract for continuing care with the facility is not a transfer fee for the purposes of Chapter 39A of the General Statutes. A BILL TO BE ENTITLED
AN ACT TO REPEAL THE SUNSET ON FIRE PROTECTION FEES IN UNION COUNTY.
The General Assembly of North Carolina enacts:
SECTION 1. Section 2 of S.L. 2010-84 is repealed.
SECTION 2. This act is effective when it becomes law.

HOUSE BILL 97: Union Fire Fee Sunset Repealed

2011-2012 General Assembly

Committee: House Finance	Date: May 18, 2011
Introduced by: Reps. Horn, Burr	Prepared by: Trina Griffin
Analysis of: First Edition	Committee Counsel

SUMMARY: *House Bill 97 repeals the sunset on Union County's authorization to impose specified fees for fire protection services provided in fee-based fire protection districts.*

[As introduced, this bill was identical to S19, as introduced by Sen. Tucker, which is currently in House Government, if favorable, Finance.]

CURRENT LAW: S.L. 1991-883 authorized Union County to create fire protection districts funded by fees rather than by taxes. The act provides fees may not exceed the cost of providing fire protection services within the district and may be imposed on owners of all real property benefiting from the availability of fire protection. The Union County fire protection fees originally established in 1991 were:

- \$50 per year for a single family dwelling, manufactured home, or duplex.
- \$75 per year for a triplex.
- \$100 per year for any other multiple-family dwelling.
- \$10 per year for animal or horticultural operations.
- \$50 per year for other commercial facilities with structures encompassing less than 5,000 square feet.
- \$100 per year for other commercial facilities with structures exceeding 5,000 square feet.
- \$50 per year on any other class of property.

S.L. 2010-84 permitted Union County to increase its fire protection fees in excess of the limits set by 1991 local act, but the increase may not exceed twice the amount of the maximum fee amounts for each class of property. The board of county commissioners is authorized effectuate the increase by including the increased amounts in its budget ordinance adopted under Article 3 of Chapter 159 of the General Statutes. Under that Article, the board must hold a public hearing before adopting the budget ordinance.

S.L. 2010-84 also provided that Union County's fee-based fire protection district authority, not just the fee increases authorized by that act, would expire on July 1, 2012.

BILL ANALYSIS: House Bill 97 would repeal the sunset on S.L. 2010-84. By repealing the sunset, Union County would maintain its current authority to assess fees for fire protection up to twice the amount of the maximum fee amounts for each class of property set out in the 1991 legislation.

EFFECTIVE DATE: Effective when it becomes law.

BACKGROUND: This bill is a request of the Union County Board of Commissioners. According to the resolution they passed, the sunset provision limits the county's flexibility in funding fire protection services and cause additional strain on property taxpayers through the imposition of ad valorem taxes as the only alternative revenue source for funding fire protection services. There are 18 fire departments throughout the county, five of which impose a fire tax and the remainder of which charge the annual fire fee.

EFFECTIVE DATE: Effective when it becomes law					

BILL SUMMARY: Senate Bill 247 eliminates the income threshold for the tax deduction for contributions to an account in the Parental Savings Trust Fund of the State Educational Assistance Authority (NC-529 Plan.) The threshold was eliminated by SL 2007-323 but was scheduled to be reinstated for taxable years beginning on or after January 1, 2012.

ASSUMPTIONS AND METHODOLOGY: Fiscal Research reviewed 2008 tax return data on the NC-529 plan and identified the total amount of deduction by filing status and by federal adjusted gross income that would be impacted by the elimination of the threshold. These amounts were multiplied by the approximate effective tax rate by filing status to estimate the tax year impact. Adjustments were made to convert the estimated tax year impact to the State's fiscal year.

SENATE BILL 247: Eliminate Means Test From 529 Deduction

2011-2012 General Assembly

Committee:	House Finance	Date:	May 17, 2011
Introduced by:	Sen. Hartsell	Prepared by:	Cindy Avrette
Analysis of:	First Edition		Committee Counsel

SUMMARY: *Senate Bill 247 would permanently remove the income limitations from the income tax deduction for contributions made to the Parental Savings Trust Fund, North Carolina's National College Savings Program. Under current law, the deduction is not limited by an income threshold; however, applicable for taxable years beginning on and after January 1, 2012, there will be an income limitation on a taxpayer's ability to claim this deduction.*

CURRENT LAW: In 1996, the General Assembly established the Parental Savings Trust Fund. The Fund is maintained by the State Education Assistance Authority, a political subdivision of the State, and is administered by the College Foundation of North Carolina as agent of the Authority. The Fund was established to enable qualified parents to save funds to meet the costs of the postsecondary education expenses of eligible students. Anyone may contribute to the Fund. Because the Fund meets the qualifications of a qualified tuition program under Section 529 of the Internal Revenue Code, distributions from the Fund are excludable from taxable income to the extent the distributions are used to pay for qualified higher education expenses. Interest earned on the Fund is also tax-exempt.

Every state offers a state Section 529 plan, and at least twenty-five states allow for a full or partial income tax deduction for contributions to the state's own plan. Effective for the 2006 taxable year, North Carolina began allowing an individual income tax deduction for contributions by a taxpayer to an account in the State's plan: the Parental Savings Trust Fund. The maximum amounts that may be deducted are \$2,500 for an individual and \$5,000 for a married couple filing jointly.¹ The Parental Savings Trust Fund deduction must be added back to taxable income if the amount withdrawn from the Fund was not used to pay for qualified higher education expenses of the designated beneficiary. An exception is made if the withdrawal was made due to the death or permanent disability of the beneficiary.

BILL ANALYSIS: As enacted in 2006, the income tax deduction for contributions made to the Parental Savings Trust Fund was only allowed to taxpayers whose adjusted gross income did not exceed a stated statutory amount. The income limitations of the deduction were the same income limitations a taxpayer must meet to qualify for the higher personal exemption amount and the \$100 tax credit for each dependent child: \$100,000 for married filing jointly; \$80,000 for head of household; \$60,000 for single; and \$50,000 for married filing separately. The General Assembly removed the income limitations for taxable years 2007 through 2011. **Senate Bill 247** would remove the sunset on the removal of the limitations, meaning that the deduction would not have an income threshold.

Since the removal of the income limitations in 2007, the number of new accounts and the total number of contributions to the Parental Savings Trust Fund have increased considerably. Before the

¹ The maximum amounts have increased over time as follows: for the 2006 taxable year the maximum amounts were \$750 and \$1,500; for the 2007 taxable year the maximum amounts were \$2,000 and \$4,000; and for taxable years beginning on or after 2008, the maximum amounts are \$2,500 and \$5,000.

enactment of the deduction in 2006, the Program averaged 224 new accounts per month with an average contribution amount of \$160. After the enactment of the deduction with the income limitations, the Program averaged 748 new accounts per month with an average contribution amount of \$254. Since the sunset of the income limitations, the Program has averaged 1,327 new accounts per month with an average contribution amount of \$239. Eighty-three percent (83%) of the Program's participants voluntarily disclose their income level. Of those 83% account holders, 73% are below the \$100,000 means test for married filing jointly and 62% are below the means test for heads of household. The average account size for all 87,397 accounts in the Program as of March 31, 2011, is \$8,659.²

EFFECTIVE DATE: Senate Bill 247 would become effective when it becomes law.

A BILL TO BE ENTITLED

AN ACT REMOVING CERTAIN DESCRIBED PROPERTY FROM THE CORPORATE

The General Assembly of North Carolina enacts:

SECTION 1. The following described property is removed from the corporate
limits of the Town of Tryon:

Tracts 1, 2, 5, and 6 as shown and delineated upon a plat entitled "Subdivision of

is hereby had to said plat in aid of the foregoing description, said plat being a matter of public
record in the Office of the Register of Deeds for Polk County on Map Slide A-51, Page 191,

said tracts, pursuant to North Carolina General Statutes Section 47-30(g).

SECTION 3. This act is effective when it becomes law.

HOUSE BILL 486: Tryon Deannexation

2011-2012 General Assembly

Committee: House Finance
Introduced by: Rep. Guice
Analysis of: First Edition

Date: May 18, 2011
Prepared by: Trina Griffin
Committee Counsel

SUMMARY: *House Bill 486 deannexes a described area from the Town of Tryon.*

CURRENT LAW: Under Section 1 of Article VII of the N.C. Constitution, the General Assembly is empowered to "provide for the organization and government and the fixing of boundaries of counties, cities and towns, and other governmental subdivisions, and, except as otherwise prohibited by this Constitution, may give such powers and duties to counties, cities and towns, and other governmental subdivisions as it may deem advisable."

Pursuant to this Section, the General Assembly enacted Article 4A of Chapter 160A of the General Statutes, which authorize municipalities to enact ordinances to add territory to their municipal limits by annexation.

The General Assembly has not enacted any method for municipalities to *deannex* property -- that power remains with the General Assembly.

BILL ANALYSIS: House Bill 486 deannexes four described tracts, listed in the bill, from the Town of Tryon. The property is owned by a single owner who has requested the deannexation. This request has been approved by the Town in a resolution. The bill would also provide that the deannexation does not affect the duty to pay taxes for any prior year and does not eliminate any liens for taxes for any prior year.

EFFECTIVE DATE: This act is effective when it becomes law.

BACKGROUND: In 2006, the Town of Tryon explored the possibility of creating a tax incentive financing (TIF) district and encouraged certain property owners in the area to petition the Town for voluntary annexation of their properties to the Town so that they could benefit from the installation of sidewalks and street lighting within and funded by tax revenue from the TIF district. One property owner petitioned the Town for voluntary contiguous annexation of his property, which consists of the tracts described in this legislation.

After the property was annexed, the Town determined that it would not try to form the TIF district. Consequently, the property owner requested his property be deannexed because the TIF district was never formed and the improvements have never been made. The Town Board of Commissioners adopted a resolution on December 16, 2010 approving the request.

BILL ANALYSIS: House Bill 367 would deannex 21 parcels, listed in the bill, in the City of Roanoke Rapids. The bill provides that the City may exercise planning and zoning authority over the parcels deannexed.

BACKGROUND: The 21 parcels deannexed by House Bill 367 were annexed by S.L. 2005-9. The parcels were expected to become part of the Roanoke Rapids entertainment district.

RE: De-annexation of Brandy Creek/Wallace Fork Community

I. BACKGROUND INFORMATION

Brandy Creek/Wallace Fork Community

- Annexed into corporate limits of Roanoke Rapids in 2005 via legislative annexation (House Bill 446/SL 2005-9)
- Following annexation, Rock River Falls, LLC, purchased 32 parcels of land for development from Water Properties/Anne Marie Edwards; families living on those parcels were forced to move out of community.
- Approximately 21 families remain; it is a predominantly low-income, African American community.
- Property was re-valued in 2007.
 - Residents experienced a 695% - 1446% increase in property taxes during the 2007 revaluation (an average increase of 772%).
- Property revaluation in 2010 corrected the 2007 inflated valuation.

II. THE CASE FOR DEANNEXATION

Equity Considerations

- When seeking the support and vote of NC legislators, the legislative annexation of the Brandy Creek/Wallace Fork community was incorrectly characterized as a "voluntary annexation."
 - Characterization of annexation as voluntary gives the impression that property owners have requested the annexation and are willing participants in the process.
 - However, residents of the Brandy Creek/Wallace Fork community did not learn of the annexation until several days after passage of House Bill 446.
- Residents experienced an unjustified 695% - 1446% increase in property taxes during the 2007 revaluation (an average increase of 772%).

- **Average Percentage Increase in Property Values 2006-2007**
 - i. **Roanoke Rapids: 34%**
 - ii. **County: 19%**
 - iii. **Area adjacent to Brandy Creek but not annexed: 33%**
 - iv. **Brandy Creek: 772%**

- **Development plans and drawings of the future Roanoke Rapids entertainment district did not incorporate the homes of the Brandy Creek/Wallace Fork community, leading to the conclusion residents were to sell their homes and move elsewhere. Due to the financial troubles of the theater as well as the downturn in the economy, the larger entertainment district has remained mostly vacant leaving these families in an undesirable area of town and unable to sell their homes. De-annexation would provide residents with relief from property taxes while the city of Roanoke Rapids works to correct the situation and build momentum for the entertainment and shopping district. Once the area is primed for development, private developers may again become interested in purchasing property in the area.**

Economic Impact: Roanoke Rapids

- **FY 2010-2011 Budget: \$13,683,273.00 (general fund)**

- **Property Tax Revenue for 2010: \$6,570,985**

- **Property Tax Revenue from Brandy Creek community: \$6,990.92**
 - **Represents 0.05% of the general fund**
 - **Represents 0.11% of anticipated property tax revenue**

- **Additional savings to City from discontinuation of municipal services (solid waste, street maintenance, and street lighting)**

Economic Impact: Brandy Creek/Wallace Fork Community

- **Average property value: \$53,349.52**

- **Average savings of \$332.90/year/family with removal of Roanoke Rapids property tax**

City Council talks of de-annexation near Carolina Crossroads

Posted: Thursday, June 3, 2010 12:00 am

By Roger Bell

The Daily Herald Staff Writer

ROANOKE RAPIDS— On April 19, 2005, the City of Roanoke Rapids grew larger with the annexation of Brandy Creek and Wallace Forks near Carolina Crossroads. However, members of city council feel the annexation was done unfairly, and hope to one day downsize that area from city control.

"They didn't get to vote on it," stated Roanoke Rapids Mayor Emery Doughtie. "It was involuntary. Those people weren't treated right."

"I was told one morning and advised that the subdivision area along Wallace Forks had been annexed in an act of the General Assembly," recalled Councilman Greg Lawson, who was Roanoke Rapids Police Chief in 2005. "I was challenged to go out there and meet with those folks and tell them they were now in the city limits."

Lawson recalls most people in the area weren't too happy with being annexed. "The manner in which it was done, with no warning and no input from them; they were very upset that they hadn't known about it."

Of course, with the Carolina Crossroads entertainment district being in the same area, there was another impact felt by the new city residents.

"Through the development of Carolina Crossroads," Lawson said, "their property taxes went up tremendously."

Doughtie agrees with Lawson's assessment. While building values in the area didn't seem affected by the change, Doughtie produced numbers from three parcels in Brandy Creek which showed dramatic increases in land value between 2006 and 2007, increases which would lead to punishing changes in taxes.

One of the parcels showed the land valued at \$16,930 in 2006 and in 2007 the same parcel of land was valued at \$78,270. Another parcel had the land valued at \$11,710 in 2006, but in 2007 the same parcel of land had a \$93,090 value. The third parcel rose from \$8,120 in value in 2006, and jumped to \$41,870 in 2007.

"So those residents," Doughtie illustrated, "were paying, say, 62 cents per \$100 one day, then they're annexed and suddenly they're paying another 63 cents per \$100. Then in 2007, that same property owner is paying \$1.25 per \$100, but he's paying it on \$93,090."

While the three parcels have seen land values go down to 2006 levels, those previous increases, some officials feel, presented a bit too much for the residents.

"I wouldn't want my taxes to go up whatever percentage theirs went up," Councilwoman Suetta Scarbrough stated. "Nobody wants that."

Doughtie feels many at the time believed residents in the area would leave. "When all this happened everybody felt those few people would roll up their shades and move out of there," Doughtie, who was not mayor at the time, said. "But for people out there, that's home. For people that money isn't the most important thing, they didn't move."

"There were some (residents) who wanted to sell their properties to the developer," recalled Mayor Pro Tem Carl Ferebee, the most senior member of council and one of only two current council members serving at the time of the annexation — the other being Ernest Bobbitt. "At the time it was projected to be growing a little differently. Some people were okay with that and some were not," Ferebee shared.

Former Roanoke Rapids Mayor Drewery Beale remembers the annexation and feels the residents in the area benefitted from it. "It was a unanimous decision by the House and Senate," Beale said. "We approached them and told them what we thought was going to happen and how much the land was going to be worth."

While Beale admits citizen input was not sought for the annexation, he believes the benefits the area received, in the form of police protection, fire protection and other city services, helped the area tremendously.

"They had one fire hydrant out there and we took it over," Beale recalled. "We put fire hydrants in, we turned the street lights on; we reworked the roads — we didn't pave the roads, but we worked on them — and gave them garbage pickup right in front of their homes."

"Even if you involuntarily annex," Doughtie countered, "you still have to give them the chance to voice their opinion."

Members of council seem to agree with Doughtie. "The Carolina Crossroads concept, while a great idea, there it gets back to the public and these folks were never informed about 'Hey, we're going to annex you in,'" Lawson said. "The way it was done created negativity toward the city and its government and it created hard feelings. I don't know anybody who would think that was fair."

"Hindsight says it could have been done differently," Ferebee stated. "We probably could have done it differently."

"I think it was unfairly done," Scarbrough said.

"I believe the residents of that particular neighborhood feel as if they were caught up in the Randy Parton Theatre debacle," stated Councilman Ed Liverman. "Obviously if the theater concept would have had immediate success, things would probably appear quite differently."

Given the circumstances under which the area came into city control, and given the circumstances in which the entertainment district finds itself, many on Council feel the area would be better served if the city de-annexed it.

"Under the circumstances, I have to support their efforts to de-annex," Lawson said. "These people are having to pay taxes they can't afford. A lot of folks out there are elderly and on fixed incomes and a lot of them are just hard-working folks trying to make it."

"I know we'll lose tax money, but we also won't have to provide services out there," Doughtie stated. "It's the right thing to do."

"I am for de-annexing them," Scarbrough said. "Getting them back to where they were."

Because annexation was done by the General Assembly, it will take an act by the General Assembly to undo it.

Support of De-Annexation of the Brandy Creek/Wallace Fork Community

Councilman Lawson stated under the circumstances in which the people in this community were annexed, he feels it would be right for the City Council to support the House and Senate Bills that have been introduced to de-annex this community.

Motion was made by Councilman Lawson and seconded by Mayor Pro Tem Ferebee to support legislation to de-annex the Brandy Creek/Wallace Fork Community.

Upon being put to a vote, Councilman Lawson, Mayor Pro Tem Ferebee, Councilwoman Scarbrough and Councilman Bobbitt voted in favor of the motion. Councilman Liverman voted against the motion. Mayor Doughtie declared the motion carried by a 4 to 1 vote.

Committee:	House Finance	Date:	May 17, 2011
Introduced by:	Rep. Crawford	Prepared by:	Cindy Avrette
Analysis of:	PCS to Second Edition H72-CSR-38		Committee Counsel

SUMMARY: *The Proposed Committee Substitute for House Bill 72 would grant five community colleges greater investment flexibility with their institutional funds. The original bill applied to all community colleges.*

CURRENT LAW: A community college institution must deposit its institutional funds in a bank or other financial institution designated by its board of trustees. An example of funds held by a community college as institutional funds include grants, student fees, revenue generated from its student stores, and gifts and bequests made directly to the institution. The board of trustees may invest these funds in those securities allowable for county governments under G.S. 159-30(c), which is primarily limited to fixed income assets. The institution may also invest money in an endowment fund with the State Treasurer.

BILL ANALYSIS: Under the current law, a community college institution may not invest its idle institutional funds in investment assets such as mutual funds. The private, nonprofit foundations that support the institution may invest its funds in equity securities, as can the institutions of the University of North Carolina. The PCS for House Bill 72 would allow five community college institutions the flexibility to invest in assets other than fixed income assets. To avail itself of this investment flexibility, the community college institution must create an Investment Committee composed of at least three members who have sufficient financial background to review and evaluate investment options. The Investment Committee must recommend to the board of trustees the appropriate investment options and must monitor the performance of the investments made. The board of trustees may invest its institution's idle funds in any form of investment recommended the Investment Committee so long as the investment is established or monitored by an investment advisor who is a member of the Securities Investor Protection Corporation and who is registered and in good standing with either the Securities and Exchange Commission or the North Carolina Secretary of State, Securities Division.

The bill would only apply to the following community college institutions: Caldwell Community College and Technical Institute, Davidson County Community College, Isothermal Community College, Southeastern Community College, and Vance-Granville Community College.

EFFECTIVE DATE: The bill would become effective when it becomes law.

HOUSE BILL 292: Incorporate Rougemont

2011-2012 General Assembly

Committee: House Finance
Introduced by: Rep. Wilkins
Analysis of: First Edition

Date: May 18, 2011
Prepared by: Trina Griffin
Committee Counsel

SUMMARY: *House Bill 292 incorporates the Town of Rougemont in Durham County, subject to a referendum.*

CURRENT LAW: Municipalities may be created by the General Assembly, with powers and duties it deems advisable, pursuant to Article VII, Section 1 of the North Carolina Constitution. Rule 35.1(b) of the House Rules requires that a legislative proposal proposing incorporation must have attached to its bill jacket a report of the Joint Municipal Incorporations Commission prior to a favorable report by a committee of the House. Article 20 of Chapter 120 of the General Statutes creates the Joint Municipal Incorporation Commission and sets forth the criteria for review of a proposed incorporation.

BILL ANALYSIS: House Bill 292 would incorporate the Town of Rougemont in Durham County, subject to a referendum on November 8, 2011.

The proposed Charter of Rougemont includes standard incorporation provisions and provides:

- A Town Council of four members and a Mayor. The Council members shall be elected on a nonpartisan, at-large basis for staggered four-year terms. The mayor is to be elected for a two-year term.
- The Mayor and Town Council may receive a salary only if approved by a majority of the town voters in a special referendum.
- Ad valorem taxes are limited to \$0.05/\$100, except for fire protection, unless approved by a majority of the town voters.
- Annexation into an adjoining county is prohibited.
- The Town shall not adopt any ordinance creating a planning agency, regulating or restricting the subdivision, zoning, or use of any land, or providing for building inspections unless the County of Durham and the City of Durham, by amendment to their zoning ordinances, agree to allow the Town to adopt and enforce ordinances under Article 19 (Planning and Regulation of Development) of Chapter 160A of the General Statutes.
- The Town shall contract with the Bahama Volunteer Fire, Rescue, and EMS Company, Inc., to provide fire protection for the Town.
- The Town of Rougemont shall contract with the Durham County Sheriff's Department to provide safety protection for the Town.

EFFECTIVE DATE: This act is effective when it becomes law.

BACKGROUND: The proposed incorporation of the Town of Rougemont received a favorable recommendation from the Joint Legislative Commission on Municipal Incorporation in its report, dated July 13, 2005, revised as to development only, May 30, 2007.

Giles Perry, counsel to House Government, substantially contributed to this summary.

HOUSE BILL 605: Expand Setoff Debt Collection Act

2011-2012 General Assembly

Committee: House Finance
Introduced by: Rep. McElraft
Analysis of: First Edition

Date: May 18, 2011
Prepared by: Trina Griffin
Committee Counsel

SUMMARY: *House Bill 605 would add a regional solid waste management authority to the list of local agencies authorized under the Setoff Debt Collection Act to collect debts owed to them by obtaining a setoff against a debtor's North Carolina tax refund. The PCS corrects the effective date to reflect the fact that the Setoff Debt Collection Act was expanded in 2010 to apply to any type of tax refund.*

CURRENT LAW: The Setoff Debt Collection Act authorizes State and local agencies to collect debts by diverting part or all of a debtor's North Carolina tax refund to pay a debt that an individual or a business owes to a particular agency. Before January 1, 2001, the setoff program was open only to State agencies. Now, counties and municipalities participate through a clearinghouse. Because there are so many local agencies, funneling their claims through a clearinghouse avoids an undue administrative burden on the Department of Revenue. A \$15.00 collection assistance fee is added to each local agency debt submitted for setoff, which is remitted to the clearinghouse that submitted the debt. The fee does not, however, apply to child support debts. While the use of debt setoff for State agencies is mandatory, usage by local agencies is optional. The Act also only applies to debts that are at least \$50 and to a refund that is at least this same amount. Local agencies are required to give written notice to the debtor of the intent to submit the debt for setoff, explaining the basis for the agency's claim, that the agency intends to apply the debtor's refund against the debt, and that an administrative fee of \$15 will be charged.

Currently, local agencies include:

- A county
- A municipality
- A water and sewer authority
- A regional joint agency created by interlocal agreement under Article 20 of Chapter 160A of the General Statutes between two or more counties, cities, or both
- A public health authority
- A metropolitan sewerage district
- A sanitary district

BILL ANALYSIS: This bill would allow a regional solid waste management authority created under Article 22 of Chapter 153A of the General Statutes to participate under the Setoff Debt Collection Act in the same manner as counties and cities. Like counties and cities, these agencies would be authorized to submit their debts for collection by setoff through a local clearinghouse only after providing the debtor with notice, an opportunity to be heard before the authority, and an appeal process pursuant to the Administrative Procedure Act.

Under G.S. 153A-421, any two or more local government agencies can create a regional solid waste management authority by adopting substantially identical resolutions creating the authority, which is generally referred to as the authority's charter. According to G.S. 153A-422, the purpose of a regional solid waste management authority is to provide environmentally sound, cost effective management of

House Bill 605

Page 2

solid waste, including storage, collection, transporting, separation, processing, recycling, and disposal of solid waste in order to protect public safety, health and welfare.

G.S. 153A-427 enumerates the powers of a regional solid waste management authority, including the power to set and collect reasonable fees and charges to offset operating costs, debt service, and capital reserve requirements of the authority.

EFFECTIVE DATE: This act is effective January 1, 2011, and applies to tax refunds determined by the Department on or after that date.

8 The General Assembly of North Carolina enacts:

9 SECTION 1. G.S. 146-30(a) reads as rewritten:

10 "§ 146-30. Application of net proceeds.

11 (a) The net proceeds of any disposition made in accordance with this Subchapter shall

HOUSE BILL 596: Transfer Surplus Prop. to Retirement System

2011-2012 General Assembly

Committee:	House Finance	Date:	May 17, 2011
Introduced by:	Reps. Hastings, Stam, Crawford	Prepared by:	Greg Roney
Analysis of:	PCS to First Edition H596-CSTM-6		Committee Counsel

SUMMARY: *The Proposed Committee Substitute for House Bill 596 would modify the allocation of the proceeds from the disposition of surplus real property by dividing it as follows: 25% to the State agency allocated the property, 25% to the General Fund, and 50% to the Teachers' and State Employees' Retirement System.*

CURRENT LAW: G.S. 146-27 authorizes the Department of Administration to initiate proceedings to dispose of surplus land. G.S. 146-28 provides that State agencies may voluntarily file an application with the Department of Administration to initiate the disposition of surplus land. The Department of Administration completes the disposition with the approval the Governor and the Council of State. For proposed dispositions of surplus land with an appraised value of \$25,000 or more, consultation with the Joint Legislative Commission on Governmental Operations is required. The net proceeds from the disposition of surplus land is paid into the General Fund.

BILL ANALYSIS: The PCS for House Bill 596 would pay 25% of the net proceeds from the sale of surplus land to the General Fund and redirect the remaining 75% of the net proceeds to the State agency currently allocated the land (25%) and the Teachers' and State Employees' Retirement System (50%).

BACKGROUND: The PCS for House Bill 596 creates an incentive for State agencies to voluntarily identify surplus land. The benefit of any increase in the disposition of surplus land is paid to the Teachers' and State Employees' Retirement System which will receive 50% of the net proceeds.

EFFECTIVE DATE: House Bill 596 (proposed committee substitute) is effective July 1, 2011 and sunsets January 1, 2016.

GENERAL ASSEMBLY OF NORTH CAROLINA
SESSION 2011

SENATE BILL 200*

Short Title: Alamance/Orange 9% Boundary. (Local)

Sponsors: Senators Gunn and Kinnaird.

Referred to: State and Local Government.

March 7, 2011

1 A BILL TO BE ENTITLED
2 AN ACT TO AUTHORIZE ALAMANCE COUNTY AND ORANGE COUNTY TO
3 RECOMMEND THE LOCATION OF NINE PERCENT OF THE COMMON
4 BOUNDARY BETWEEN ALAMANCE COUNTY AND ORANGE COUNTY
5 SUBSEQUENT TO THE 2010/2011 RESURVEY OF THE HISTORIC ORANGE
6 COUNTY/ALAMANCE COUNTY BOUNDARY LINE AS DESCRIBED IN THE 1849
7 SURVEY ESTABLISHING ALAMANCE COUNTY.

8 The General Assembly of North Carolina enacts:

9 SECTION 1. The historic boundary line forming Alamance County from Orange
10 County was described and surveyed in 1849. In the subsequent 160 years, this line became
11 uncertain, resulting in unintentional modifications to the boundary line affecting taxation,
12 school attendance, zoning maps, and elections within and among Alamance County, Orange
13 County, and the Town of Mebane, North Carolina. Pursuant to G.S. 153A-18(a) entitled
14 "Uncertain or Disputed Boundary," both county boards of commissioners passed resolutions
15 (Alamance County, December 17, 2007, and Orange County, January 18, 2008) to request that
16 North Carolina Geodetic Survey (NCGS) perform a preliminary resurvey and present a
17 proposed map for consideration by both counties.

18 SECTION 2. The Alamance County Board of Commissioners agreed, by vote on
19 April 21, 2008, and the Orange County Board of Commissioners on May 20, 2008, to approve
20 authorizing NCGS to conduct the preliminary survey and the placing of monuments by NCGS
21 consistent with their research to form a boundary baseline. On July 8, 2010, the North Carolina
22 General Assembly enacted S.L. 2010-61, which enabled Alamance County and Orange County
23 to transition properties between the two counties for the purpose of recommending to the North
24 Carolina General Assembly a mutually agreed upon boundary line between the two counties.

25 SECTION 3. Following an extended process pursuant to the terms of S.L.
26 2010-61, Alamance County and Orange County have agreed upon and have recommended the
27 General Assembly, through a separate local act, establish and adopt ninety-one percent (91%)
28 of the boundary line separating Alamance County and Orange County.

29 SECTION 4. The Alamance County and Orange County Boards of Commissioners
30 require further time to determine the most appropriate location of the final nine percent (9%) of
31 the boundary line separating Alamance County and Orange County in order to make a final
32 recommendation to the General Assembly. The Alamance County Board of Commissioners at
33 its regular meeting December 6, 2010, and the Orange County Board of Commissioners at its
34 regular meeting December 14, 2010, mutually agreed upon ninety-one percent (91%) of the
35 boundary line. The remaining nine percent (9%) portion of the boundary line not described and

1 approved by the county commissioners at their respective meetings December 6, 2010, and
2 December 14, 2010, shall be resurveyed as set out in Section 5(b) of this act.

3 **SECTION 5.(a)** The Alamance County and Orange County Boards of
4 Commissioners may review the remaining nine percent (9%) of the boundary separating the
5 two counties and shall determine, in their discretion, the most appropriate location for a
6 boundary line separating the two counties along the remaining nine percent (9%) of the
7 boundary area. The Boards of Commissioners shall make the determination of the most
8 appropriate location for a boundary line on or before October 31, 2011.

9 **SECTION 5.(b)** Alamance County and Orange County shall cause areas within the
10 nine percent (9%) of the boundary area to be surveyed for purposes of locating a boundary line.
11 The counties shall not be responsible for the costs of such surveys where owners of property
12 located within the remaining nine percent (9%) of the boundary area request their property, or
13 any portion thereof, be located within a specific county. All such surveys shall be completed
14 by January 31, 2012. A lien in the form of a tax lien under Chapter 105 of the General Statutes
15 may be placed on an owner's property to recover the costs of any surveys for which the
16 counties have advanced funds, and said lien may be enforced under the laws available for the
17 collection of taxes. A lien for this purpose may also be placed on any property involved in a
18 transition in whole or in part from one county to the other pursuant to S.L. 2010-61 or any other
19 local act regarding the establishment of the Alamance County/Orange County boundary line.

20 **SECTION 5.(c)** The Alamance County and Orange County Boards of
21 Commissioners shall, prior to the reconvening of the 2011 Regular Session of the General
22 Assembly in 2012, submit a recommendation in the form of a local bill for the location of a
23 final boundary line along the remaining nine percent (9%) of the area separating the two
24 counties.

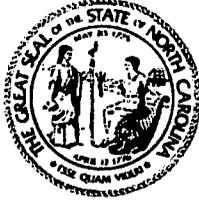

25 **SECTION 5.(d)** All owners of property within the remaining nine percent (9%) of
26 the boundary area shall be notified in writing via first class United States mail not less than 30
27 days prior to a public hearing being conducted

28 **SECTION 5.(e)** Any such owners of property shall have the right to address the
29 Alamance County and Orange County Boards of Commissioners regarding the status of their
30 property located within the nine percent (9%) area, as that status relates to the Alamance
31 County/Orange County boundary, at any public regularly scheduled meeting at which public
32 comment is traditionally accepted.

33 **SECTION 6.** The establishment of a county boundary line is, pursuant to Section 1
34 of Article VII of the North Carolina Constitution, the responsibility of the North Carolina
35 General Assembly. Further, it is vital to the State of North Carolina and all affected local
36 governments that county boundary lines be fixed and any uncertainty as to the location of
37 county boundary lines be resolved. For this reason and in the interest of justice, neither
38 Alamance County nor Orange County, nor any agent, employee, or appointed or elected
39 official, shall be liable to any individual, group, organization, for-profit or not-for-profit
40 business entity of any kind, of governmental entity or agency of any type or kind for any
41 damages, costs, fees, or fines, and no court action shall be maintained against said counties,
42 agents, employees, or officials for any recommendation, act, failure to act, or conduct related to
43 S.L. 2010-61, any pending local bill which subsequently becomes law related to the location of
44 the Alamance County/Orange County Boundary Line, this act, or the adoption of a fixed
45 boundary line separating the two counties. Effective upon this act becoming law, Alamance
46 County and Orange County, their officials, employees, and agents are released from all liability
47 for any claims made, and no court action shall be maintained against said counties, officials,
48 employees, and agents for any act or failure to act pursuant to the terms of this act or S.L.
49 2010-61, and no further relief shall be granted or cause of action sustained except as provided
50 herein.

1 **SECTION 7.** Pending the establishment of a final boundary line separating
2 Alamance County and Orange County, the two counties shall maintain, in the nine percent
3 (9%) boundary area, the currently recognized boundary line for all governmental purposes,
4 including, but not limited to, taxation, elections, emergency services, zoning, and education.

5 **SECTION 8.** This act is effective when it becomes law.

SENATE BILL 200: Alamance/Orange 9% Boundary

2011-2012 General Assembly

Committee: House Finance	Date: May 17, 2011
Introduced by: Sens. Gunn, Kinnaird	Prepared by: Cindy Avrette
Analysis of: First Edition	Committee Counsel

SUMMARY: *Senate Bill 200 would authorize Alamance County and Orange County to recommend the location of 9% of the common boundary between the two counties subsequent to the 2010/2011 resurvey of the historic common boundary line as described in the 1849 survey establishing Alamance County. This bill is identical to House Bill 213, sponsored by Representatives Ingle, Bordsen, Insko, and Faison. House Bill 213 received a favorable report from the House Committee on Government on May 5, 2011.*

BILL ANALYSIS:

Section 1 notes that the historic boundary line forming Alamance County from Orange County was described and surveyed in 1849. In the subsequent 160 years, this line became uncertain, resulting in unintentional modifications to the boundary line affecting taxation, school attendance, zoning maps, and elections.

Section 2 notes that both boards of commissioners authorized the North Carolina Geodetic Survey (NCGS) to conduct a preliminary resurvey. Through the passage of S.L. 2010-61, the General Assembly enabled Alamance County and Orange County to transition properties between the two counties and to recommend a mutually agreed upon boundary line between the two counties.

Section 3 explains that the counties have agreed upon and have recommended that the General Assembly, through a separate local act, establish and adopt 91% of the boundary line separating the counties. Senate Bill 201 addresses this issue.

Section 4 notes that the boards need more time to determine the most appropriate location of the final 9% of the boundary line. The boards mutually agreed on 91% of the boundary line. The remaining 9% of the boundary line not described and approved by the county commissioners at their respective meetings must be resurveyed as set out in Section 5(b) of this act.

Section 5.(a) provides that the boards may review the remaining 9% of the boundary separating the counties and shall determine, in their discretion, the most appropriate location for a boundary line separating the two counties along the remaining 9% of the boundary area. The boards must make the determination of the most appropriate location for a boundary line on or before October 31, 2011.

Section 5.(b) requires Alamance County and Orange County to have areas within the 9% of the boundary area to be surveyed. The counties are not responsible for the costs of the surveys where owners of property located within the remaining nine percent (9%) of the boundary area request that their property be located within a specific county. All surveys must be completed by January 31, 2012. A tax lien may be placed on an owner's property to recover the costs of any surveys for which the counties have advanced funds, and the lien may be enforced under the laws available for the collection of taxes.

Section 5.(c) provides that the boards must, prior to the reconvening of the 2011 Regular Session of the General Assembly in 2012, submit a recommendation in the form of a local bill for the location of a final boundary line along the 9% of the area separating the two counties.

Senate Bill 200

Page 2

Section 5.(d) provides that all owners of property within the remaining 9% of the boundary area must be notified in writing via first class United States mail not less than 30 days prior to a public hearing being conducted.

Section 5.(e) provides that the property owners will have the right to address the Alamance County and Orange County Boards of Commissioners regarding the status of their property located within the 9% area at any regularly scheduled meeting at which public comment is accepted.

Section 6 gives immunity to the counties, their agents, employees, and elected or appointed officials from suits in connection with local bills related to the location of the boundary line. It also releases the same individuals from all liability for any claims made against them for any act or failure to act pursuant to the terms of this act or S.L. 2010-61.

Section 7 provides that pending the establishment of a final boundary line, the two counties must maintain, in the 9% boundary area, the currently recognized boundary line for all governmental purposes, including taxation, elections, emergency services, zoning, and education.

EFFECTIVE DATE: This act is effective when it becomes law.

A BILL TO BE ENTITLED

1 AN ACT TO ESTABLISH THE COMMON BOUNDARY BETWEEN ALAMANCE
2 COUNTY AND ORANGE COUNTY SUBSEQUENT TO THE 2010/2011 RESURVEYS
3 OF THE TRANSITIONED PROPERTIES, AS AUTHORIZED BY THE NORTH
4 CAROLINA GENERAL ASSEMBLY BY SESSION LAW 2010-61 ENABLING THE
5 CHANGES IN THE HISTORIC ORANGE COUNTY/ALAMANCE COUNTY
6 BOUNDARY LINE AS DESCRIBED IN THE 1849 SURVEY ESTABLISHING
7 ALAMANCE COUNTY, AND TO AMEND SOME SECTIONS OF SESSION LAW
8 2010-61.
9

10 The General Assembly of North Carolina enacts:

11 SECTION 1. The historic boundary line forming Alamance County from Orange
12 County was described and surveyed in 1849. In the subsequent 160 years, this line became
13 uncertain, resulting in unintentional modifications to the boundary line affecting taxation,
14 school attendance, zoning maps, and elections within and among Alamance County, Orange
15 County, and the Town of Mebane, North Carolina. Pursuant to G.S. 153A-18, entitled
16 "Uncertain or Disputed Boundary," both county commissions passed resolutions (Alamance
17 County, December 17, 2007, and Orange County, January 18, 2008) to request that North
18 Carolina Geodetic Survey (NCGS) perform a preliminary resurvey and present a proposed map
19 for consideration by both counties.

20 SECTION 2. The Alamance County Board of Commissioners agreed by vote on
21 April 21, 2008, and Orange County on May 20, 2008, to approve authorizing NCGS to conduct
22 the preliminary survey and the placing of monuments by NCGS consistent with their research
23 to form a boundary baseline. On July 8, 2010, the North Carolina General Assembly enacted
24 S.L. 2010-61, which enabled Alamance County and Orange County to transition properties
25 between the two counties for the purpose of recommending to the North Carolina General
26 Assembly a mutually agreed upon boundary line between the two counties.

27 SECTION 3. Section 3 of S.L. 2010-61 reads as rewritten:

28 "SECTION 3. In the 160 years since the initial survey of the Alamance County/Orange
29 County boundary line, Alamance and Orange Counties have entered into multiple taxing
30 agreements that have resulted in properties being taxed in one county by the adjoining county.
31 Other situations have arisen in which children of one county attend school in the adjoining
32 county and voters in one county have voted in the adjoining county. The General Assembly
33 recognizes the difficulties in addressing these issues and authorizes Alamance County and
34 Orange County to maintain the current taxing, elections, education, and any other recognized
35 government functions in place until July 1, 2011, 2012."
36

SECTION 4. Section 4 of S.L. 2010-61 reads as rewritten:

1 ~~"SECTION 4.(a) On and after July 1, 2011, all papers, documents, and instruments~~
2 ~~required or permitted to be filed or registered that involve residents and property located in~~
3 ~~areas affected by the resurvey of the boundary line that previously may have been recorded in~~
4 ~~the adjoining counties shall be recorded in the county to which the property has been annexed.~~
5 Except as otherwise provided in this act, on and after January 1, 2012, all papers, documents,
6 and instruments required or permitted to be filed or registered, involving residents and property
7 in areas affected by the resurvey of the boundary line, that previously may have been recorded
8 in the adjoining counties shall be recorded in the county to which the property has been
9 reassigned by this act.

10 "SECTION 4.(b) All public records related to residents and property located in areas
11 affected by the resurvey of the boundary line that were filed or recorded prior to July 1, 2011,
12 in the adjoining counties shall remain in those respective adjoining counties where filed or
13 recorded, and such records shall be valid public records as to the property and persons
14 involved, even though they are recorded in an adjoining county which is a county where the
15 property is no longer located as evidenced by the 2008 North Carolina Geodetic Survey and the
16 subsequent partial resurvey pursuant to Section 7 of this act.

17 ~~"SECTION 4.(c) On and after July 1, 2011, all real and personal property located in areas~~
18 ~~affected by the resurvey of the boundary line that was subject to ad valorem taxation on~~
19 ~~January 1, 2011, shall be subject to ad valorem taxes in the county to which the property is~~
20 ~~annexed for the fiscal year beginning July 1, 2011, to the same extent as it would have been had~~
21 ~~it been correctly recognized by the tax departments of each county on January 1, 2011, except~~
22 ~~as hereinafter provided with respect to classified registered motor vehicles. On July 1, 2011, the~~
23 ~~tax administrators of the adjoining counties shall transfer to the respective county tax assessors~~
24 ~~the ad valorem tax listings and valuations for all real and personal property subject to ad~~
25 ~~valorem taxation in areas affected by the resurvey of the boundary line, except classified motor~~
26 ~~vehicles that were registered in the adjoining counties prior to July 1, 2011. For the fiscal year~~
27 ~~that begins July 1, 2011, all real and personal property located in areas affected by the resurvey~~
28 ~~of the boundary line that was subject to ad valorem taxation in that area on January 1, 2011,~~
29 ~~shall be assessed and taxed as follows:~~

30 (1) ~~The ad valorem property taxes assessed on all classified registered motor~~
31 ~~vehicles registered or listed in adjoining counties between January 1, 2011,~~
32 ~~and June 30, 2011, shall be collected by the appropriate adjoining county tax~~
33 ~~collector, and all such taxes shall be retained by that adjoining county. The~~
34 ~~taxes on all classified registered motor vehicles registered after June 30,~~
35 ~~2011, shall be assessed and collected by the county tax department in the~~
36 ~~county to which the real property wherein the classified registered motor~~
37 ~~vehicles are situated has been annexed.~~

38 (2) ~~The values established by the particular adjoining county tax administrator~~
39 ~~on all personal property other than classified registered motor vehicles shall~~
40 ~~be used by the county tax assessor without adjustment in computing taxes~~
41 ~~due for the fiscal year beginning July 1, 2011. All such taxes shall be~~
42 ~~assessed and collected by the appropriate county tax department.~~

43 (3) ~~For the interim time period between the annexation of properties into their~~
44 ~~respective counties and until such time as the next regularly scheduled~~
45 ~~revaluation period, Alamance County and Orange County may select either~~
46 ~~of two methods of valuating the property annexed into their respective~~
47 ~~county by this act. The selection of either method by a county shall not give~~
48 ~~any individual or entity grounds for challenging such temporary valuation.~~
49 ~~Such methods are delineated as follows:~~

50 a. ~~The values established by the adjoining counties' tax administrators~~
51 ~~on all real property formerly taxed in their respective county shall be~~

1 ~~adjusted by the appropriate county tax assessor by applying the~~
2 ~~difference between one hundred percent (100%) of such values and~~
3 ~~the appropriate county median ratio, as established by the Sales~~
4 ~~Assessment Ratio Study compiled by the North Carolina Department~~
5 ~~of Revenue as of January 1, 2012. The taxes determined by applying~~
6 ~~this method will be collected and retained by the appropriate county~~
7 ~~tax collector. The value of such property shall then be revalued~~
8 ~~according to the regularly scheduled revaluation period for each~~
9 ~~county.~~

10 ~~b. The values established by the adjoining counties' tax administrators~~
11 ~~on all real property formerly taxed in their respective county shall be~~
12 ~~adopted by the appropriate county tax assessor upon the transition of~~
13 ~~property to the adjoining county. The valuation of such property shall~~
14 ~~then be revalued according to the regularly scheduled revaluation~~
15 ~~period for each county.~~

16 ~~(4) Beginning January 1, 2012, all property in areas affected by the resurvey of~~
17 ~~the boundary line that is subject to ad valorem taxation shall be listed,~~
18 ~~assessed, and taxed by the appropriate county tax administrator in the same~~
19 ~~manner as is prescribed by law for all other property located within each~~
20 ~~county.~~

21 ~~(5) The final tax values of property subject to ad valorem taxation in areas~~
22 ~~affected by the resurvey of the boundary line as of January 1, 2011, shall be~~
23 ~~determined by the adjoining county tax administrator. Appeals to the North~~
24 ~~Carolina Property Tax Commission or to the courts by property owners of~~
25 ~~properties affected by the boundary line change shall be defended by both~~
26 ~~counties, and both counties shall be responsible for their costs and expenses,~~
27 ~~including attorneys' fees, incurred in connection with such appeals.~~

28 ~~(6) Any unpaid taxes or tax liens for the fiscal year ending June 30, 2011, or for~~
29 ~~prior years on property subject to taxation in areas affected by the resurvey~~
30 ~~of the boundary line shall continue to be valid and enforceable by the~~
31 ~~respective adjoining county, including (i) the foreclosure remedies provided~~
32 ~~for in G.S. 105-374 and G.S. 105-375 and (ii) the remedies of attachment~~
33 ~~and garnishment provided for in G.S. 105-366 through G.S. 105-368. The~~
34 ~~Alamance County and Orange County tax administrators shall supply one~~
35 ~~another with a list of unpaid taxes as of July 1, 2011. Any such taxes~~
36 ~~collected by either county shall be promptly paid to the appropriate~~
37 ~~adjoining county, including accrued interest. The provisions of~~
38 ~~G.S. 105-352(d) shall not apply to: those areas in an adjoining county~~
39 ~~previously taxed by either county outside the areas affected by the resurvey~~
40 ~~of the boundary line that shall forthwith be properly listed and taxed in the~~
41 ~~county to which they have been annexed; and those areas within each county~~
42 ~~that were in the past improperly listed and taxed by the adjoining county due~~
43 ~~to uncertainty as to the exact location of the true historic Alamance~~
44 ~~County/Orange County boundary line. Under the discovery process, each~~
45 ~~county may waive any interest and penalties accrued for tax years~~
46 ~~2006-2011 in its sole discretion.~~

47 "SECTION 4.(c) On and after January 1, 2012, all real and personal property in areas
48 affected by the resurvey of the boundary line which was subject to ad valorem taxation on
49 January 1, 2012, shall be subject to ad valorem taxes in the county to which the property is
50 reassigned for the fiscal year beginning July 1, 2012, to the same extent as it would have been
51 had it been correctly recognized by the tax departments of each county on March 1, 2012,

1 except as hereinafter provided with respect to classified registered motor vehicles. On July 1,
2 2011, the adjoining county tax administrators shall transfer to the respective county tax
3 assessors the ad valorem tax listings and valuations for all real and personal property subject to
4 ad valorem taxation in areas affected by the resurvey of the boundary line except classified
5 motor vehicles which were registered in the adjoining counties prior to July 1, 2011. For the
6 fiscal year which begins July 1, 2011, all real and personal property in areas affected by the
7 resurvey of the boundary line which was subject to ad valorem taxation in that area on January
8 1, 2012, shall be assessed and taxed as follows:

9 (1) The ad valorem property taxes assessed on all classified registered motor
10 vehicles registered or listed in adjoining counties between January 1, 2011,
11 and March 1, 2012, shall be collected by the appropriate adjoining county
12 tax collector, and all such taxes shall be retained by that adjoining county.
13 The taxes on all classified registered motor vehicles registered after March 1,
14 2012, shall be assessed and collected by the county tax department in the
15 county to which the real property wherein the classified registered motor
16 vehicles are situated has been reassigned.

17 (2) The values established by the particular adjoining county tax administrator
18 on all personal property other than classified registered motor vehicles shall
19 be used by each county tax assessor without adjustment in computing taxes
20 due for the fiscal year beginning July 1, 2012. All such taxes shall be
21 assessed and collected by the appropriate county tax department.

22 (3) For the interim time period between the reassignment of properties into their
23 respective counties and until such time as the next regularly scheduled
24 revaluation period, Alamance County and Orange County may select either
25 of two methods of valuating the property reassigned into their respective
26 counties by this act. The selection of either method by a county shall not
27 give any individual or entity grounds for challenging such temporary
28 valuation. Such methods are delineated as follows:

29 a. The values established by the adjoining county tax administrators on
30 all real property formerly taxed in their county shall be adjusted by
31 the appropriate county tax assessor by applying the difference
32 between one hundred percent (100%) of such values and the
33 appropriate county median ratio, as established by the Sales
34 Assessment Ratio Study compiled by the North Carolina Department
35 of Revenue as of January 1, 2009. The taxes determined by applying
36 this method will be collected and retained by the appropriate county
37 tax collector. The value of such property shall then be revalued
38 according to the regularly scheduled revaluation period for each
39 county.

40 b. The values established by the adjoining county tax administrators on
41 all real property formerly taxed in their county shall be adopted by
42 the appropriate county tax assessor upon the transition of property to
43 the adjoining county. The valuation of such property shall then be
44 revalued according to the regularly scheduled revaluation period for
45 each county.

46 (4) Beginning January 1, 2013, all property in areas affected by the resurvey of
47 the boundary line which is subject to ad valorem taxation, shall be listed,
48 assessed, and taxed by the appropriate county tax administrator in the same
49 manner as is prescribed by law for all other property located within each
50 county.

1 (5) The final tax values of property subject to ad valorem taxation in areas
2 affected by the resurvey of the boundary line as of January 1, 2013, shall be
3 determined by the adjoining county tax administrator. Appeals to the North
4 Carolina Property Tax Commission or to the courts by property owners of
5 properties affected by the boundary line change shall be defended by both
6 counties, and both counties shall be responsible for their costs and expenses,
7 including attorneys' fees, incurred in connection with such appeals.

8 (6) Any unpaid taxes or tax liens for the fiscal year ending June 30, 2012, or for
9 prior years on property subject to taxation in areas affected by the resurvey
10 of the boundary line shall continue to be valid and enforceable by the
11 respective adjoining county, including the foreclosure remedies provided for
12 in G.S. 105-374 and G.S. 105-375 and the remedies of attachment and
13 garnishment provided for in G.S. 105-366 through G.S. 105-368. The
14 Alamance County and Orange County Tax Administrators shall supply one
15 another with a list of unpaid taxes for properties in areas of the boundary line
16 affected by the resurveys for the tax year 2011 on or before July 1, 2012.
17 Any such taxes collected by either county shall be promptly paid to the
18 appropriate adjoining county, including accrued interest. The provisions of
19 G.S. 105-352(d) shall not apply to (i) those areas in the adjoining county
20 previously taxed by either county outside the areas affected by the resurvey
21 of the boundary line that shall forthwith be properly listed and taxed in the
22 county to which they have been reassigned by this act and (ii) those areas
23 within each county that were in the past improperly listed and taxed by the
24 adjoining counties due to uncertainty as to the exact location of the true
25 historic Alamance County/Orange County boundary line.

26 **"SECTION 4.(d)** No cause of action, including criminal actions, involving persons or
27 property located in areas affected by the resurvey of the boundary line that is pending on July 1,
28 ~~2011, 2012,~~ shall be abated, and such actions shall continue in the appropriate adjoining
29 county. In no event shall a defense to a criminal act be maintained where such defense alleges a
30 lack of jurisdiction due to any act or failure to act related to the adjustment of the boundary line
31 by this act, regardless of when such criminal act is alleged to have been committed.

32 **"SECTION 4.(e)** The board of elections of each adjoining county shall, effective July 1,
33 ~~2011, 2012,~~ transfer the voter registration records pertaining to persons residing in areas
34 affected by the resurvey of the boundary line and located in either county to the adjoining
35 county's board of elections, and thereafter the registered voters so transferred shall be validly
36 registered to vote in that adjoining county.

37 **"SECTION 4.(f)** The Jury Commission of each adjoining county shall revise its jury lists
38 to add to or eliminate therefrom those persons subject to jury duty who reside in areas affected
39 by the resurvey of the boundary line, said revised jury lists to be effective July 1, ~~2011-2012.~~

40 **"SECTION 4.(g)** The areas affected by the resurvey of the boundary line and located in
41 each county shall be transferred into the appropriate superior court district, district court
42 district, and prosecutorial district. The areas affected by the resurvey of the boundary line shall
43 remain in the same congressional district, the same State House of Representatives district, and
44 the same State Senate district.

45 **"SECTION 4.(h)** Any cause of action relating to taxation as it is currently exercised by the
46 counties along or near the Alamance County/Orange County boundary, or any other cause of
47 action related in any way to the Alamance County/Orange County boundary or properties
48 affected by changes in the boundary, is stayed, and no new cause of action relating to these
49 matters shall be commenced until ratification of the official line by the North Carolina General
50 Assembly. Thereafter, causes of action related to the taxation of property shall be defended as
51 described in subdivision (5) of Section 4(c) of this act."

1 **SECTION 5.(a)** Any properties affected by S.L. 2010-61 or this act and which are
2 subject to taxation under G.S. 105-274 and which were taxed by both the Alamance County
3 and Orange County taxing authorities on or after January 1, 2007, are hereby granted the
4 following relief:

5 (1) Property owners of any such dually taxed properties may, pursuant to the
6 terms of G.S. 105-381, demand refund and/or release of taxes paid to the
7 county from which their property, or portion thereof, was transitioned.

8 (2) Any claim for relief pursuant to this section and under the terms of
9 G.S. 105-381 may be made for taxes assessed January 1, 2007, through
10 December 31, 2011. All such claims for relief must be made in writing to the
11 county from which the affected property was transitioned on or before
12 February 28, 2012. Should a claim for relief pursuant to this section not be
13 made by February 28, 2012, such claim is waived, and no further relief shall
14 be granted pursuant to this or any other act. Alamance County and Orange
15 County shall not grant refunds or releases pursuant to this section for any
16 claims made after February 28, 2012, and are released from all liability, and
17 no court action shall be maintained for any such claims made for any act or
18 failure to act pursuant to this section.

19 **SECTION 5.(b)** The provisions of this section shall apply only to properties
20 transitioned or reassigned from one county to the other, in whole or in part, by the resurveys of
21 individual qualifying properties pursuant to S.L. 2010-61 and this act.

22 **SECTION 5.(c)** For purposes of this section only, the term "property owner" shall
23 include any builder or developer that paid property taxes on real property to both counties and
24 subsequently sold said property or that as part of an escrow agreement in which the buyer of
25 such property paid taxes to one county and the builder or developer who sold the property paid
26 taxes on the same piece of property to the adjoining county.

27 **SECTION 5.(d)** The taxing authorities of Alamance County and Orange County
28 shall notify property owners affected by this section of the terms of this section within 30 days
29 after this act becomes law. Such notice shall be by United States mail at the mailing address to
30 which any tax bills were previously submitted. No other notice is or shall be required.

31 **SECTION 6.** Section 6 of S.L. 2010-61 reads as rewritten:

32 "**SECTION 6.** Any child who was a resident of any area ~~annexed by this act on its date of~~

34 County or Alamance County school system during the ~~2009-2010 or 2010-2011 school year~~
35 2010-2011 or 2011-2012 school year, and the siblings of any such person, may attend school in
36 the same school system as their siblings without necessity of a release or payment of tuition. ~~in~~
37 ~~the same school system previously attended without necessity of a release or payment of~~
38 ~~tuition.~~ Any such student, while attending the Orange County school system, shall be

40 athletics, and funding formulas. Any such student, while attending the Alamance County
41 school system, shall be considered a resident of Alamance County for all public school
42 purposes, including transportation, athletics, and funding formulas. Notice must be given to all
43 affected school systems by the parent or guardian in order to exercise the privilege granted by
44 this section."

45 **SECTION 7.** The establishment of a county boundary line is, pursuant to Section 1
46 of Article VII of the North Carolina Constitution, the responsibility of the General Assembly.
47 Further, it is vital to the State of North Carolina and all affected local governments that county
48 boundary lines be fixed and any uncertainty as to the location of county boundary lines be
49 resolved. For this reason and in the interest of justice, neither Alamance County nor Orange
50 County, nor any agent, employee, or appointed or elected official thereof, shall be liable to any
51 individual, group, organization, for-profit or not-for-profit business entity of any kind, or

1 governmental entity or agency of any type or kind, for any damages, costs, fees, or fines, and
2 no court action shall be maintained against said counties, officials, employees, and agents for
3 any recommendation, act, failure to act, or conduct related to S.L. 2010-61 or this act and/or the
4 adoption of a fixed boundary line separating the two counties. Except as set out in Section 5 of
5 this act, and effective upon enactment of this act, Alamance County and Orange County and
6 their officials, employees, and agents are released from all liability for any claims made, and no
7 court action shall be maintained against said officials, employees, and agents for any act or
8 failure to act pursuant to the terms of this act or S.L. 2010-61, and no further relief shall be
9 granted or cause of action sustained except as provided herein.

10 **SECTION 8.** Section 8 of S.L. 2010-61 reads as rewritten:

11 **"SECTION 8.** Alamance County and Orange County shall cause areas of the boundary line
12 to be resurveyed in areas where property owners have met the established administrative
13 criteria to be assigned to a specific county ~~and in areas where for practical or other reasons the~~
14 ~~North Carolina Geodetic Survey line is not reasonable or is unduly burdensome. county but~~
15 shall not bear the cost of such resurveys. The costs of the resurveys shall be the responsibility
16 of the transitioned properties' owners."

17 **SECTION 9.** Except as amended by this act, S.L. 2010-61 continues in full force
18 and effect. In the case of any conflict between this act and S.L. 2010-61, this act controls to the
19 extent of the conflict.

20 **SECTION 10.** Pursuant to Section 1 of Article VII of the North Carolina
21 Constitution, any boundary line between Alamance County and Orange County previously
22 surveyed, recognized, adopted, described, utilized, or ratified is modified as set forth herein
23 upon ratification of this act.

24 **SECTION 11.** Pursuant to Section 1 of Article VII of the North Carolina
25 Constitution, the official boundary line between Alamance County and Orange County, as
26 described and approved by the Alamance County Board of Commissioners at its regular
27 meeting December 6, 2010, and the Orange County Board of Commissioners at its regular
28 meeting December 14, 2010, is hereby formally recognized and adopted by the North Carolina
29 General Assembly. The nine percent (9%) portion of the boundary line not described and
30 approved by the county commissioners shall be resurveyed pursuant to separate local
31 legislation.

32 **SECTION 12.** Upon completion of the resurveys in compliance with this act, a
33 complete description of the resurveyed line shall be filed in the office of the Register of Deeds
34 of Alamance County, the office of the Register of Deeds of Orange County, and the Secretary
35 of State, as provided in G.S. 153A-18(a).

36 **SECTION 13.** This act is effective when it becomes law.

SENATE BILL 201: Alamance/Orange Boundary

2011-2012 General Assembly

Committee:	House Finance	Date:	May 17, 2011
Introduced by:	Sens. Gunn, Kinnaird	Prepared by:	Cindy Avrette
Analysis of:	Second Edition		Committee Counsel

SUMMARY: *Senate Bill 201 would establish the common boundary between Alamance County and Orange County after the 2010/2011 resurveys of the transitioned properties and would amend S.L. 2010-61, which enabled changes in the historic boundary line. This bill is identical to House Bill 214, sponsored by Representatives Ingle, Bordsen, Insko, and Faison. House Bill 214 received a favorable report from the House Committee on Government on May 9, 2011.*

BILL ANALYSIS:

Section 1 notes that the historic boundary line forming Alamance County from Orange County was described and surveyed in 1849. In the subsequent 160 years, this line became uncertain, resulting in unintentional modifications to the boundary line affecting taxation, school attendance, zoning maps, and elections.

Section 2 notes that both boards of commissioners authorized the North Carolina Geodetic Survey (NCGS) to conduct a preliminary resurvey. Through the passage of S.L. 2010-61, the General Assembly enabled Alamance County and Orange County to transition properties between the two counties and to recommend a mutually agreed upon boundary line between the two counties.

Section 3 provides that Alamance County and Orange County may maintain their current taxing, elections, education, and other government functions until July 1, 2012.¹

Section 4 makes a number of changes to S.L. 2010-61. It extends the time by which papers and documents must be recorded in the county to which the property has been reassigned to January 1, 2012,² and extends a number of other dates. It also prohibits defenses to criminal acts alleging a lack of jurisdiction based on adjustment of the boundary line.

Section 5.(a) provides certain relief for property owners which were taxed by both Alamance and Orange County taxing authorities. The owners may demand refund and/or release of taxes paid from the county from which their property was transitioned. Claims for relief may be made for taxes assessed from January 1, 2007, through December 31, 2011 if certain procedures are followed.

Section 5.(b) specifies that this section applies only to properties transitioned from one county to the other by resurveys of properties.

Section 5.(c) provides an expanded definition of "property owner" for this section only.

Section 5.(d) provides that taxing authorities of Orange and Alamance Counties must notify property owners affected by this section within 30 days after the act becomes law. The notice is to be sent by United States mail to the mailing address to which previous tax bills were sent.

Section 6 provides that if a child was a resident of any area reassigned by this act and that child was a student in Orange County or Alamance County during the 2010-2011 or 2011-2012 school year, then the child may attend school in the same system as their siblings.

¹ The date was changed from July 1, 2011, to July 1, 2012, in the Local Government Committee.

² The date was changed from July 1, 2011, to January 1, 2012, in the Local Government Committee.

Senate Bill 201

Page 2

Section 7 gives immunity to the counties, their agents, and elected or appointed officials from suits in connection with local bills related to the location of the boundary line.

Section 8 provides that Alamance and Orange Counties will not bear the costs of resurveys in areas where property owners have met the criteria to be assigned to a specific county; the costs are the responsibility of the transitioned property owners.

Section 9 clarifies that S.L. 2010-61 remains in effect, but that the present bill controls if there is a conflict.

Section 10 provides that pursuant to the North Carolina Constitution, any boundary line previously utilized is modified as provided in this act.

Section 11 provides that the boundary line approved by the commissioners of Alamance County and Orange County are adopted by the General Assembly. It further provides that the 9% portion of the boundary line, which was not approved by the county commissioners, must be resurveyed pursuant to another local bill (Senate Bill 200).

Section 12 provides when the resurveys have been finished, a complete description of the resurveyed land must be filed with the Registers of Deeds in Alamance and Orange Counties and with the Secretary of State.

EFFECTIVE DATE: This act is effective when it becomes law.

Brad Krehely, counsel to the Senate Committee on State and Local Government, substantially contributed to this summary.

EFFECTIVE DATE: This act is effective for taxes imposed for taxable years beginning on or after July 1, 2011, and expires for taxes imposed for taxable years beginning on or after July 1, 2016.				

BILL SUMMARY:

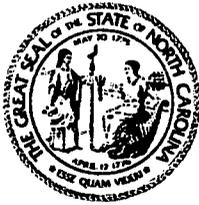

HB 206 would allow a property tax exclusion for a commercial property that is heavily damaged by fire or explosion and donated to a nonprofit corporation. The bill also requires that no portion of the property has been sold by the nonprofit.

ASSUMPTIONS AND METHODOLOGY:

The bill would allow a qualifying property to be removed from the property tax base, resulting in a property tax revenue loss for the taxing jurisdictions. Fiscal Research is aware of only one property that would satisfy the requirements for exclusion under the bill. Due to the narrow circumstances under which a property would qualify, the revenue impact is expected to be minimal.

HOUSE BILL 206: Modify Property Tax Base Exclusions

2011-2012 General Assembly

Committee: House Finance	Date: May 18, 2011
Introduced by: Reps. Ross, Jackson, Gill	Prepared by: Cindy Avrette
Analysis of: First Edition	Committee Counsel

SUMMARY: *House Bill 206¹ would exclude from property tax a contiguous tract of commercial property that is significantly damaged by fire or explosion and donated to a nonprofit corporation. The bill would be effective for taxes imposed for taxable years beginning on or after July 1, 2011, and expiring for taxable years beginning on or after July 1, 2016.*

CURRENT LAW: All real and personal property is subject to property tax unless it is excluded or exempted from the tax base. Article V, section 2(2) of the North Carolina Constitution provides that the power to classify property for taxation lies with the General Assembly and that the power of classifying property for taxation must be exercised on a State-wide basis and made by general law uniformly applicable in every county and city.

Article V, section 2(3) of the Constitution allows the General Assembly to exempt property from taxation if it is held for educational, scientific, literary, cultural, charitable, or religious purposes. The exemption must apply on a State-wide basis and be made by general law uniformly applicable in every county and city. G.S. 105-278.7 provides a property tax exemption for property used for educational, scientific, literary, or charitable purposes. Property exempt from taxation under this classification must meet certain ownership and use requirements. In 2002, the Attorney General's office issued an opinion that property owned by the Charlotte/Mecklenburg Development Corporation was not entitled to a charitable exemption where the corporation's goal was to undertake site development and sell the property to businesses. Although the property was owned by a nonprofit entity, it was not held for a charitable purpose.

BILL ANALYSIS: House bill 206 would designate property meeting the following requirements as a special class of property under Article V, section 2(2) of the North Carolina Constitution and exclude it from property taxation. The exclusion would apply for five years: 2011 through 2015. To be included within the classification, property must meet all of the following requirements:

- The property must be a contiguous tract of land previously used primarily for commercial or industrial purposes and damaged significantly as a result of a fire or explosion.
- The property must have been donated to a nonprofit corporation by an entity other than an affiliate.
- The property must not have been leased or sold by the nonprofit corporation.

EFFECTIVE DATE: The bill would become effective for taxes imposed for taxable years beginning on or after July 1, 2011, and expire for taxes imposed for taxable years beginning on or after July 1, 2016.

BACKGROUND: The Garner Economic Development Corporation was formed on November 22, 2010, as a nonprofit corporation. One of its stated purposes is to acquire funds and real property related to the ConAgra plant and to maintain, develop, and market the property for economic development. The ConAgra plant in Garner was damaged significantly as a result of a fire or explosion in June 2009.

A BILL TO BE ENTITLED
AN ACT TO AUTHORIZE THE GARNISHMENT OF WAGES AS AN ADDITIONAL
MEANS OF SATISFYING JUDGMENTS IN CIVIL ACTIONS INVOLVING UNFAIR
OR DECEPTIVE ACTS OR PRACTICES.

The General Assembly of North Carolina enacts:

SECTION 1. Article 1 of Chapter 75 of the General Statutes is amended by adding
a new section to read:

"§ 75-16.3. Procedure for garnishment.

(a) Definitions. – The following definitions apply in this section:

- (1) Judgment creditor. – A person awarded a judgment in which a determination has been made that a judgment debtor is found to have violated G.S. 75-1.1
- (2) Judgment debtor. – A person against whom a judgment has been rendered in which a determination has been made that the judgment debtor is found to have violated G.S. 75-1.1.
- (3) Earnings. – Compensation paid or payable for personal services, whether denominated as wages, salary, commission, bonus, or otherwise.
- (4) Disposable earnings. – The part of the earnings which remains after the deduction of any amounts required by law to be withheld or withheld to pay for reasonably necessary expenses of the judgment debtor or the judgment debtor's dependents, including health care and day care expenses.
- (5) Garnishee. – The person, firm, association, or corporation owing compensation for personal services, whether denominated as wages, salary, commission, bonus, or otherwise.

(b) Judgments May Be Enforced by Garnishment of Wages. – Any judgment creditor awarded a judgment in which a determination has been made that a judgment debtor is found to have violated G.S. 75-1.1 and in which the acts or practices that constituted the violation were knowingly and willfully committed may move the court in the county wherein the judgment debtor resides for an order of garnishment of the disposable earnings of the judgment debtor at any time after attempting execution of a judgment for unfair or deceptive acts or practices that has been returned wholly or partially unsatisfied after exhausting remedies available under Article 31 of Chapter 1 of the General Statutes, provided the following conditions have been met:

- 1 (1) The judgment creditor has sent a certified letter to the judgment debtor's last
2 known address that includes information that the judgment debtor's
3 disposable earnings may be subject to wage garnishment.
- 4 (2) The judgment debtor has neglected or refused to pay or make reasonable
5 arrangements to pay the judgment within 10 days of the mailing of the letter.
6 described in subdivision (1) of this subsection.
- 7 (c) Motion and Notice Procedures. – The motion shall be in writing and describe in
8 detail the grounds for requesting garnishment, the amount of judgment alleged to be unpaid,
9 and the source of earnings of the judgment debtor. A notice of hearing must be served on the
10 judgment debtor at least 10 days before the hearing, in a form prescribed by the Administrative
11 Office of the Courts, that notifies the judgment debtor of the following:
- 12 (1) If the judgment debtor fails to appear at the hearing, the court will enter an
13 order directing the judgment debtor's employer to withhold a portion of
14 wages to apply to the judgment.
- 15 (2) The amount withheld may be as much as fifteen percent (15%) of the
16 judgment debtor's disposable earnings.
- 17 (3) An order of garnishment shall not be entered if the judgment debtor is
18 making regular payments to the judgment creditor that are equal to ten
19 percent (10%) of the judgment debtor's monthly disposable earnings.
- 20 (4) An order of garnishment shall not be entered if the judgment debtor can
21 show at the hearing that economic hardship would result to the judgment
22 debtor or judgment debtor's dependents if garnishment is ordered.
- 23 (d) Filing Fee. – The filing fee for a motion requesting garnishment under this section is
24 the same as for other supplemental proceedings, as set forth in G.S. 7A-308(a)(2). This fee
25 may be recoverable by the judgment creditor as a taxable cost of the action.
- 26 (e) Hearing. – The court may enter an order of garnishment following notice
27 requirements set forth in this Article and a hearing held before a superior or district court judge
28 pursuant to the motion for garnishment. At the hearing on the motion, the court shall determine
29 whether an order of garnishment is appropriate on the basis of the motion, any affidavit of the
30 judgment creditor, the record in the civil action, and any testimony and other relevant evidence
31 offered by either party. The court shall not enter an order of garnishment if the judgment debtor
32 is making regular payments to the judgment creditor that are equal to ten percent (10%) of the
33 judgment debtor's monthly disposable earnings, or if economic hardship would result to the
34 judgment debtor or judgment debtor's dependents if garnishment is ordered.
- 35 (f) Amount Subject to Garnishment. – The court shall not enter an order of garnishment
36 that exceeds the lesser of fifteen percent (15%) of the judgment debtor's monthly disposable
37 earnings, or the amount by which the disposable earnings for that pay period exceed an amount
38 calculated by multiplying the federal minimum hourly wage by 50 times the number of weeks
39 in the pay period. For purposes of applying this provision, a bimonthly pay period shall
40 constitute 2.17 weeks and a monthly pay period shall constitute 4.33 weeks.
- 41 (g) Order of Garnishment; Contents. – If an order of garnishment is entered, the order
42 shall state (i) the names and last known addresses of the judgment creditor and judgment
43 debtor, (ii) the court in which and the date on which the money judgment was rendered, (iii) the
44 original amount of the money judgment and the amount due thereon, (iv) the portion of the
45 judgment debtor's earnings that are subject to garnishment thereunder, or the information
46 necessary to determine such portion, and (v) any information that the judgment creditor
47 provides to identify the judgment debtor's employer. The garnishment order shall notify any
48 garnishee of the manner prescribed by this section for complying with the order. A copy of the
49 order shall be personally served on the judgment debtor and the garnishee by any method
50 authorized under G.S. 1A-1, Rule 4(j). The garnishment order shall be subject to review for
51 modification or dissolution upon the filing of a motion in the cause.

1 (h) Payment to Creditor; Garnishee May Retain Fee. – Upon receipt of an order of
2 garnishment, and beginning with the judgment debtor's next succeeding pay period starting
3 after the receipt of the notice of garnishment, the garnishee shall withhold and transmit to the
4 judgment creditor, at the address specified in the order, the amount ordered by the court to be
5 garnished. The garnishee shall not be required to change normal pay cycles but shall make
6 every effort to ensure that payments are received as soon as practicable. The garnishment order
7 shall simplify the withholding process for garnishees to the extent possible. The amount
8 garnished shall be increased by an additional five dollar (\$5.00) processing fee to be assessed
9 and retained by the garnishee for each payment under the order. The judgment creditor shall,
10 within five business days following the satisfaction of the judgment, deliver to the garnishee a
11 written notification that the garnishment order is satisfied.

12 (i) Duration of Garnishment Order. – A garnishment order issued pursuant to this
13 section shall continue until whichever of the following events occurs first:

14 (1) The underlying judgment has been satisfied in full.

15 (2) The judgment debtor ceases to be employed by the employer, unless the
16 judgment debtor is thereafter reinstated or reemployed within 90 days from
17 the date employment was terminated.

18 (3) The limitations period prescribed by G.S. 1-47 has expired.

19 (j) Priority of Garnishment Orders. – Garnishment orders shall be satisfied by the
20 employer according to the following order of priority, from highest to lowest:

21 (1) Garnishment pursuant to some authority other than this Article, by a
22 governmental entity, by a public hospital, for child support, or by some other
23 entity or for some other purpose. Nothing in this Article alters the priority in
24 which such garnishments are to be satisfied.

25 (2) Garnishment pursuant to this Article. If an employer is served with more
26 than one garnishment order obtained pursuant to this Article against the
27 same judgment debtor, the garnishments shall be satisfied in the order in
28 which they were served on the employer. Each prior garnishment order shall
29 be satisfied before any effect is given to a subsequent garnishment order.

30 (k) Application of Payments Received. – All payments received by a judgment creditor
31 shall be credited or applied in the following mandatory order of priority:

32 (1) Against the record costs of the judgment and garnishment orders.

33 (2) Against the accrued interest on the unpaid balance of the judgment,
34 including postjudgment interest.

35 (3) Against the principal amount of the judgment.

36 (4) Against any attorneys' fees and costs awarded.

37 (l) Notice of Satisfaction. – Notwithstanding G.S. 1-239(c), a judgment creditor shall
38 not notify the clerk of superior court of the receipt of each individual payment under the
39 garnishment order, but upon receipt of payment in full of the total amount ordered, a judgment
40 creditor shall, within 60 days of the receipt of said payment, file with the clerk of superior court
41 in the county where the judgment and garnishment order were entered a notice of payment in
42 full and satisfaction of the judgment. If a judgment creditor fails to file the notice required by
43 this subsection within 30 days following written demand by the judgment debtor, the judgment
44 creditor may be required to pay a civil penalty of one hundred dollars (\$100.00) in addition to
45 attorney fees and any loss caused to the judgment debtor by such failure.

46 (m) Improper Garnishment. – In the event of an improper garnishment, the court may set
47 aside the garnishment order and make such further orders as are necessary to return to the
48 judgment debtor any funds improperly garnished, together with damages and reasonable costs
49 and attorneys' fees."

50 **SECTION 2.** This act becomes effective October 1, 2011, and applies to civil
51 actions filed on or after that date.

HOUSE BILL 30: Allow Wage Garnishment to Satisfy Judgments

2011-2012 General Assembly

Committee: House Finance
Introduced by: Rep. T. Moore
Analysis of: PCS to Second Edition
H30-CSSVf-20

Date: May 19, 2011
Prepared by: Trina Griffin
Committee Counsel

SUMMARY: *House Bill 30 would provide for the garnishment of an individual's disposable earnings to satisfy a judgment for unfair or deceptive trade practices.*

The PCS makes the following changes, which were requested by AOC:

- *It changes the fee for filing a motion for garnishment from \$20 to the same fee that applies in other supplemental proceedings, which is \$30.*
- *It expands the method of service of an order of garnishment by allowing any method authorized under Rule 4(j) of the Rules of Civil Procedure.*
- *It simplifies the process for handling garnishment payments by requiring that they be paid directly to the judgment creditor, rather than to the court, and by requiring the creditor to notify the court once the judgment has been satisfied in full.*

CURRENT LAW: In North Carolina, a judgment creditor may not obtain an order for garnishment of wages against a judgment debtor except where specifically authorized by statute.

Specific situations in which the General Assembly has provided for garnishment of wages include tax liens¹, child support², student loans³, recoupment of fraudulent public assistance program payments⁴, and services provided by public hospitals⁵. The amount that may be garnished from earnings varies among the statutes. For tax liens, the amount is limited to 10% of wages and other compensation for any one pay period. Garnishment for public hospital services may not exceed 10% of monthly disposable earnings; garnishment to recoup fraudulent public assistance payments is limited to 20% of monthly disposable income; and garnishment for the support of a minor child is 40% of monthly disposable earnings.

BILL ANALYSIS: House Bill 30 would authorize the garnishment of wages to satisfy judgments against judgment debtors found to have violated G.S. 75-1.1 (unfair or deceptive acts or practices in or affecting commerce), if the acts that constituted the violation were knowingly and willfully committed.

The bill includes the following provisions:

Enforcement. – A judgment creditor may move for garnishment of the judgment debtor's disposable earnings at any time after attempting to execute the judgment that has been returned wholly or partially unsatisfied after exhausting remedies available under Article 31 of Chapter 1 (Supplemental Proceedings), if:

- The judgment creditor has sent a certified letter to the judgment debtor's last known address with information that the judgment debtor's disposable earnings may be garnished; and

- The judgment debtor has not paid or made reasonable arrangements to pay within 10 days of the mailing.

Motion and notice. – The motion must be in writing and provide grounds for requesting garnishment, the amount alleged to be unpaid, and the judgment debtor's source of earnings. Notice of hearing must be served on the judgment debtor at least 10 days before the hearing and include all of the following:

- Failure to appear will result in an order of garnishment.
- Garnishment may be up to 15% of the judgment debtor's disposable earnings.
- The order shall not be entered if the judgment debtor makes regular payments to the judgment creditor of 10% of the judgment debtor's disposable earnings.
- The order shall not be entered if the judgment debtor can show that economic hardship would result to the judgment debtor or his or her dependents.

Filing fee. – A motion must include a fee of \$30, which is the same fee for other supplemental proceedings. The fee may be recoverable by the judgment creditor as a taxable cost of the action.

Hearing. – At a hearing on the motion, the court must determine whether garnishment is appropriate on the basis of the motion, any affidavit of the judgment creditor, the record in the civil action, and any testimony and other relevant evidence offered by either party.

Garnishment amount. – An order of garnishment may not exceed the lesser of 15% of the judgment debtor's monthly disposable earnings, or the amount by which the disposable earnings for that pay period exceed an amount calculated by multiplying the federal minimum hourly wage by 50 times the number of weeks in the pay period.

Garnishment order. – A copy of the order must be served on the judgment debtor and the garnishee, and it must notify the garnishee of the manner for complying with the order.

Payment to the creditor. – Upon receipt of an order, the garnishee must submit payment to the judgment creditor. For each payment, the amount garnished shall be increased by \$5 as a processing fee to be assessed and retained by the garnishee.

Duration of order. – The order continues until one of the following occurs:

- The judgment has been satisfied.
- The judgment debtor's employment is terminated, unless he or she is reemployed within 90 days of termination.
- The limitation period prescribed by G.S. 1-47 has expired.

Priority of garnishment orders. A garnishment under this article does not take priority over any other garnishment authorized by law. Garnishments under this article against the same judgment debtor are to be satisfied in the order in which they were served on the employer.

Application of payments. All payments are to be applied first against record costs of the judgment and garnishment orders, followed by interest, principal, and then attorneys' fees and costs awarded.

Notice of satisfaction. The judgment creditor must notify the garnishee within 5 business days following satisfaction of the judgment and the clerk within 60 days following satisfaction of the judgment. If a judgment creditor fails to file the notice within 30 days following written demand by the judgment debtor, the judgment creditor may be required to pay a \$100 civil penalty in addition to attorney's fees.

Improper garnishment. The court may set aside an order of garnishment if it is improper and may make any further orders that are necessary to return the judgment debtor's funds and any reasonable costs and damages.

BILL SUMMARY:

The Proposed Committee Substitute to the Second Edition of House Bill 298 makes the following changes:

Section 1 authorizes the Commissioner of Insurance to contract with the National Association of Insurance Commissioners (NAIC) and other third parties to provide online license processing and support services to license applicants. The bill also authorizes the third party to charge a reasonable fee, as agreed to by the Commissioner, for these services.

Section 2 codifies the existing Senior Health Insurance Information Program (SHIIP) in Chapter 58 of the General Statutes governing insurance. Currently, this Program is referenced in the Administrative Code (11 NCAC 17).

Section 3 makes it unlawful to prepare or issue a certificate of insurance that: (1) is in a form not approved by the Commissioner; (2) contains any false or misleading information; or (3) purports to alter or amend the coverage provided by the policy. A certificate of insurance is a short summary of a policy provided by an insurer upon request to verify the existence of coverage.

The PCS adds the following language to this section:

"Certificate" or "certificate of insurance" shall not include a document prepared or issued by an insurance company or producer that is used to verify or evidence the existence of property insurance provided to a lender covering real or personal property which serves as the lender's security for commercial mortgages. For purposes of this section, "commercial mortgages" shall mean mortgages or other instruments given for the purpose of creating a lien encumbering office, multi-unit residential, office, apartments, commercial or industrial properties.

Section 4 grants the Commissioner the authority to approve or disapprove rates filed by insurers for small group coverage prior to an insurer's use of the filed rates. This is known as "prior approval." Prior approval is needed to avoid possible federal intervention in the approval of rates if the State does not have this authority.

Section 5 creates a defined open enrollment period in the months of January and July of each year for nondependent child coverage, also known as "child only" coverage. An insurer is not required, however, to offer child only coverage, or maternity coverage as part of an offer of child only coverage.

Sections 6 and 7 adopt NAIC model language implementing a new "trend test" calculation. The trend test is currently used to allow the Department to identify a company with insufficient capital in light of the company's assumed risk. The Department can then require the development of a comprehensive financial plan by the company. Failure to adopt the new NAIC Model trend test language could result in loss of state accreditation by the NAIC.

Section 8 exempts from adjuster licensing requirements those individuals who, in connection solely with insurance covering only portable consumer electronic devices, collect claims information and conduct data entry, and exercise no discretion in the disposition of the portable

electronic device claim. For the exemption to apply, the individual must be supervised by a licensed adjuster or licensed agent who supervises no more than 25 individuals adjusting claims.

Section 9 exempts crop loss adjusters from the examination requirements applicable to property and casualty adjusters if: (1) the crop adjuster adjusts only federal crop insurance claims; and (2) the adjuster passes a proficiency examination approved by the federal Risk Management Agency or the Commissioner.

Sections 10 and 11 make changes to ease Department regulation of the Association Aggregate Security System (System) of the North Carolina Self-Insurance Guaranty Association (Association). The Association provides for the payment of Workers' Compensation claims against member self-insurers in the case of insolvency of one of its members. The System was established by the Association to allow individual self-insurers to collectively secure workers' compensation liabilities through the Association. The Association submits its Plan of Operation to the Commissioner for approval and also must annually submit its plan for the System to the Commissioner for approval. The bill makes the following changes:

- Deletes language requiring the Commissioner's approval of the Association's Board of Directors (G.S. 97-132), the Association's Plan of Operation (G.S. 97-134), the System's plan (G.S. 97-133(a)(2a), and the Association's servicing facility (G.S. 97-133(a)(9)).
- Removes language allowing separation of the Association's Self-Insurance Security Fund into separate funds for group self-insurers and individual self-insurers (G.S. 97-133(a)(1a)).
- Requires each member of the Association to annually determine and report its total undiscounted workers compensation claims liability to the Association (G.S. 97-133(a)(13)).
- Allows the Board to set its own minimum debt rating for participation in the System.

Section 12 exempts multiline limited assessable mutual insurance companies from requirement that application and policy fees may not be charged by an insurer without the insured's prior written consent. Under current law, these mutual insurance companies are generally exempt from Department regulatory requirements.

Section 13 provides that a fee charged by a licensed continuing care facility in a facility's declaration of condominium which is also provided in a resident's contract for continuing care with the facility is not a transfer fee for the purposes of Chapter 39A of the General Statutes. Chapter 39A prohibits the enforcement of transfer fee covenants running with a title to real property.

ASSUMPTIONS AND METHODOLOGY:

Revenue

Section 8

This section of the bill exempts from adjuster licensing requirements those individuals who, in connection solely with insurance covering only portable consumer electronic devices, collect

claims information and conduct data entry, and exercise no discretion in the disposition of the portable electronic device claim.

The Department of Insurance (DOI) reports that there could be a reduction in revenue as a result of this exemption, but DOI is not aware of any adjuster who is only adjusting portable electronic device claims. The Agent Services Division within DOI has no way of determining the population or number of adjusters that would fall into this category. As a result, Fiscal Research is not able to estimate the potential reduction in revenue to the State.

Expenditures

DOI estimates that House Bill 298 would have no fiscal impact on its current operations. Any additional workload required by the bill would be absorbed by current DOI staff. DOI also anticipates that the bill would not result in any savings to the State.

Section 1

This section of the bill authorizes the Commissioner of Insurance to contract with the National Association of Insurance Commissioners (NAIC) and other third parties to provide online license processing and support services to license applicants. The bill also authorizes the third party to charge a reasonable fee, as agreed to by the Commissioner, for these services. This section of the bill will have no fiscal impact on DOI because the administrative fee would be charged to the licensee and does not have a fiscal impact on DOI.

Sections 4, 5, 6, 7, 10, and 11

DOI anticipates that it would absorb the additional workload required by these sections of the bill. With respect Sections 10 and 11, DOI does not expect any savings from the review of the Association Aggregate Security System.

Section 9

This section exempts crop loss adjusters from the examination requirements applicable to property and casualty adjusters under certain circumstances. The hail adjuster exam exemption does not have a fiscal impact on DOI because the adjusters would still be required to be licensed and would have to pay the annual license fees.

BILL SUMMARY: House Bill 298 makes the following changes:

Section 1 authorizes the Commissioner of Insurance to contract with the National Association of Insurance Commissioners (NAIC) and other third parties to provide online license processing and support services to license applicants. The bill also authorizes the third party to charge a reasonable fee, as agreed to by the Commissioner, for these services.

Section 2 codifies the existing Senior Health Insurance Information Program (SHIIP) in Chapter 58 of the General Statutes governing insurance. Currently, this Program is referenced in the Administrative Code (11 NCAC 17).

Section 3 makes it unlawful to prepare or issue a certificate of insurance that: (1) is in a form not approved by the Commissioner; (2) contains any false or misleading information; or (3) purports to alter or amend the coverage provided by the policy. A certificate of insurance is a short summary of a policy provided by an insurer upon request to verify the existence of coverage.

The PCS adds the following language to this section:

"Certificate" or "certificate of insurance" shall not include a document prepared or issued by an insurance company or producer that is used to verify or evidence the existence of property insurance provided to a lender covering real or personal property which serves as the lender's security for commercial mortgages. For purposes of this section, "commercial mortgages" shall mean mortgages or other instruments given for the purpose of creating a lien encumbering office, multi-unit residential, office, apartments, commercial or industrial properties. Commercial mortgages shall not include a lien encumbering one-to-four family residential properties.

Section 4 grants the Commissioner the authority to approve or disapprove rates filed by insurers for small group coverage prior to an insurer's use of the filed rates. This is known as "prior approval." Prior approval is needed to avoid possible federal intervention in the approval of rates if the State does not have this authority.

Section 5 creates a defined open enrollment period in the months of January and July of each year for nondependent child coverage, also known as "child only" coverage. An insurer is not required, however, to offer child only coverage, or maternity coverage as part of an offer of child only coverage.

Sections 6 and 7 adopt NAIC model language implementing a new "trend test" calculation. The trend test is currently used to allow the Department to identify a company with insufficient capital in light of the company's assumed risk. The Department can then require the development of a comprehensive

House PCS 298

Page 2

financial plan by the company. Failure to adopt the new NAIC Model trend test language could result in loss of state accreditation by the NAIC.

Section 8 exempts from adjuster licensing requirements those individuals who, in connection solely with insurance covering only portable consumer electronic devices, collect claims information and conduct data entry, and exercise no discretion in the disposition of the portable electronic device claim. For the exemption to apply, the individual must be supervised by a licensed adjuster or licensed agent who supervises no more than 25 individuals adjusting claims.

Section 9 exempts crop loss adjusters from the examination requirements applicable to property and casualty adjusters if: (1) the crop adjuster adjusts only federal crop insurance claims; and (2) the adjuster passes a proficiency examination approved by the federal Risk Management Agency or the Commissioner.

Sections 10 and 11 make changes to ease Department regulation of the Association Aggregate Security System (System) of the North Carolina Self-Insurance Guaranty Association (Association). The Association provides for the payment of Workers' Compensation claims against member self-insurers in the case of insolvency of one of its members. The System was established by the Association to allow individual self-insurers to collectively secure workers' compensation liabilities through the Association. The Association submits its Plan of Operation to the Commissioner for approval and also must annually submit its plan for the System to the Commissioner for approval. The bill makes the following changes:

- Deletes language requiring the Commissioner's approval of the Association's Board of Directors (G.S. 97-132), the Association's Plan of Operation (G.S. 97-134), the System's plan (G.S. 97-133(a)(2a), and the Association's servicing facility (G.S. 97-133(a)(9)).
- Removes language allowing separation of the Association's Self-Insurance Security Fund into separate funds for group self-insurers and individual self-insurers (G.S. 97-133(a)(1a)).
- Requires each member of the Association to annually determine and report its total undiscounted workers compensation claims liability to the Association (G.S. 97-133(a)(13)).
- Allows the Board to set its own minimum debt rating for participation in the System (Section 11).

Section 12 exempts multiline limited assessable mutual insurance companies from requirement that application and policy fees may not be charged by an insurer without the insured's prior written consent. Under current law, these mutual insurance companies are generally exempt from Department regulatory requirements.

Section 13 provides that a fee charged by a licensed continuing care facility in a facility's declaration of condominium which is also provided in a resident's contract for continuing care with the facility is not a transfer fee for the purposes of Chapter 39A of the General Statutes. Chapter 39A prohibits the enforcement of transfer fee covenants running with a title to real property.

EFFECTIVE DATE: Sections 1, 4, 10 and 11 become effective July 1, 2011. Sections 3, 5, 6, and 7 become effective October 1, 2011. Section 8 becomes effective July 1, 2012 and applies to licenses issued on or after that date. The remainder of the act is effective when it becomes law.

Tim Hovis, counsel to House Insurance, substantially contributed to this summary.

The General Assembly of North Carolina enacts:

SECTION 1. G.S. 146-30(a) reads as rewritten:

"§ 146-30. Application of net proceeds.

(a) The net proceeds of any disposition made in accordance with this Subchapter shall be handled in accordance with the following priority: First, in accordance with the provisions of any trust or other instrument of title whereby title to such real property was heretofore acquired or is hereafter acquired; second, as provided by any other act of the General Assembly; third, ~~the net proceeds shall be deposited with the State Treasurer. Provided, however, nothing herein shall be construed as prohibiting the disposition of any State lands by exchange for other lands, but if the appraised value in fee simple of any property involved in the exchange is at least twenty five thousand dollars (\$25,000), then such exchange may not be made without consultation with the Joint Legislative Commission on Governmental Operations.~~ as follows:

HOUSE BILL 596: Transfer Surplus Prop. to Retirement System

2011-2012 General Assembly

Committee: House Finance	Date: May 19, 2011
Introduced by: Reps. Hastings, Stam, Crawford	Prepared by: Greg Roney
Analysis of: PCS to First Edition H596-CSTM-6	Committee Counsel

SUMMARY: *The Proposed Committee Substitute for House Bill 596 would modify the allocation of the proceeds from the disposition of surplus real property with an appraised value below \$10,000,000 as follows: 25% to the State agency allocated the property, 25% to the General Fund, and 50% to the Teachers' and State Employees' Retirement System.*

CURRENT LAW: G.S. 146-27 authorizes the Department of Administration to initiate proceedings to dispose of surplus land. G.S. 146-28 provides that State agencies may voluntarily file an application with the Department of Administration to initiate the disposition of surplus land. The Department of Administration completes the disposition with the approval the Governor and the Council of State. For proposed dispositions of surplus land with an appraised value of \$25,000 or more, consultation with the Joint Legislative Commission on Governmental Operations is required. The net proceeds from the disposition of surplus land is paid into the General Fund.

BILL ANALYSIS: The PCS for House Bill 596 would direct that 25% of the net proceeds from the sale of surplus land with an appraised value below \$10,000,000 be paid to the General Fund and would redirect the remaining 75% of the net proceeds to the State agency currently allocated the land (25%) and to the Teachers' and State Employees' Retirement System (50%). The PCS for House Bill 596 would provide that 100% of the net proceeds from the sale of surplus land with an appraised value exceeding \$10,000,000 be paid to the General Fund.

BACKGROUND: The PCS for House Bill 596 creates an incentive for State agencies to voluntarily identify surplus land. The benefit of any increase in the disposition of surplus land is paid to the Teachers' and State Employees' Retirement System which will receive 50% of the net proceeds.

EFFECTIVE DATE: The PCS for House Bill 596 is effective July 1, 2011 and sunsets January 1, 2016.

EXPENDITURES:					
POSITIONS (cumulative):					
PRINCIPAL DEPARTMENT(S) & PROGRAM(S) AFFECTED:	North Carolina Department of Revenue				
EFFECTIVE DATE:	When the bill becomes law.				

BILL SUMMARY: The proposed committee substitute for HB 867 modifies the definition of an eligible internet datacenter under G.S. 105-164.3(8e). The modification eliminates the sales and use tax incentives originally enacted for Google during the 2006 session. The modified definition for an eligible internet data center would remove sales tax exemptions for affected companies purchasing the following items:

- Electricity,
- Eligible business property that is capitalized, and used for one of the following:
 - Provision of Internet service or Web search portal services, including heating and cooling equipment for the property,
 - Generation, transformation, transmission, distribution, or management of electricity, or
 - Related computer engineering or computer science research.

ASSUMPTIONS AND METHODOLOGY:

Should the PCS for HB 867 become law, companies eligible for the sales and use tax incentives provided by G.S. 105-164.13(55) meeting the definition originally set forth in G.S. 105-164.3(8e) would no longer meet the incentive criteria. Modifying the definition of eligible internet data centers increases General Fund availability by roughly \$4.2 million per fiscal year.

When the sales and use tax economic development incentives for eligible internet datacenters were originally enacted, Fiscal Research and the North Carolina Department of Revenue estimated that the fiscal impact would equal \$1.8 million in FY 07-08. North Carolina Department of Revenue's most recent estimate for eligible internet datacenters is \$5.5 million for FY 2009-10.

The sales tax incentives for certain eligible internet datacenters can be broken into two parts: 1) the sales tax exemption for electricity, which would otherwise be taxed at a rate of 3% under current law, 2) the sales tax exemption for machinery and equipment purchased by most datacenters, which would otherwise be subject to the general sales tax rate of 4.75% effective July 1, 2011.

The increased General Fund availability of \$4.2 million is based on the assumption that roughly 35% of the forgone revenue, \$1.65 million (\$5.5 million * 35%), can be associated with electricity related expenses. The \$1.65 million in electricity sales tax exemptions for certain eligible datacenters represents the revenue associated with applying the general sales and use tax rate of 5.52% to electricity in FY 09-10. Electricity sales, under G.S. 105-164.4(4a), are subject to the lower sales and use tax rate of 3%. After adjusting the \$ 1.65 million estimate to reflect the lower sales and use tax rate for electricity, \$0.9 million can be associated with electricity related expenses and therefore attributed to an increase in the General Fund.

Machinery and equipment purchases by eligible internet datacenters represent the remaining 65% of the \$5.5 million in sales and use tax incentives. Should the PCS for HB 867 become law, companies eligible for the sales and use tax incentives provided by G.S. 105-164.13 (55) that meet the definition set forth in G.S. 105-164.3(8e) would no longer be exempt from sales tax for their machinery and equipment purchases. This change would generate an estimated \$3.76 million in sales and use tax revenue in FY 2009-10. At a sales and use tax rate of 4.75%, the exemption is valued at \$3.08 million.

HOUSE BILL 867: Google for Education

2011-2012 General Assembly

Committee: House Finance
Introduced by: Rep. Starnes
Analysis of: PCS to First Edition
H867-CSRBx-40

Date: May 18, 2011
Prepared by: Cindy Avrette
Committee Counsel

SUMMARY: *The proposed House committee substitute for House Bill 867 would remove the sales tax exemption for purchases of electricity and business property used by Goggle.*

CURRENT LAW: In 2006, the General Assembly granted a sales tax exemption to an Internet datacenter for the electricity and business property used at its facility. For purposes of the exemption, an "eligible Internet datacenter" is defined as a facility that meets the following requirements:

- Its primary business is in software publishing included in Industry 51210 of NAICS¹ or as an Internet activity included in Industry 519130 of NAICS.²
- It is comprised of a structure or series of structures located on contiguous parcels of land owned by the same operator.
- It is located in a development tier one or two county.
- The owner commits at least \$250 million of private funds in the facility over a five-year period.

The owner of an Internet datacenter must forfeit the sales tax exemptions it has been allowed if it fails to meet the investment threshold, fails to locate and use the property at the datacenter, or fails to use the electricity at the datacenter. A taxpayer that forfeits an exemption is liable for all past taxes avoided as a result of the exemption, computed from the date the taxes would have been due if the exemption had not been allowed, plus interest. The past taxes and interest are due 30 days after the date the exemption is forfeited.

BILL ANALYSIS: The PCS for House Bill 867 modifies the definition of an "eligible Internet datacenter" to remove its applicability to Google. Industry 519130 of NAICS includes Web search portals as well as social networking sites. The PCS narrows the definition of an "eligible Internet datacenter" so that a facility must not only be used by a business included in Industry 519130 of NAICS *but also* by a business that focuses on social networking.

EFFECTIVE DATE: The bill would become effective when it becomes law.

BACKGROUND: At the time the sales tax exemption for "eligible Internet datacenters" was enacted³, Goggle was considering a possible site in North Carolina for one of its server farms and this tax incentive was part of the recruitment package offered. The General Assembly expanded the definition of an "eligible Internet datacenter" in 2010 to include facilities engaged in software publishing.⁴

H867-SMRB-60(CSRBx-40) v1

¹ Microsoft is an example of an Internet datacenter engaged in software publishing. North Carolina was one of three sites Microsoft considered for the location of its datacenter to serve as the East Coast hub for its online services. Microsoft selected a site near Boydton, Virginia in August 2010.

² Google and Facebook are examples of an Internet datacenter included in industry 519130 of NAICS. Facebook announced in November 2010 that it would build a \$450 million datacenter in Forest City, North Carolina.

PCS for HOUSE BILL 491: Repeal State Capital Facilities Finance Act

2011-2012 General Assembly

Committee:	House Finance	Date:	May 26, 2011
Introduced by:	Reps. R. Brown, Cleveland	Prepared by:	Trina Griffin
Analysis of:	PCS to First Edition H491-CSMC-10		Committee Counsel

SUMMARY: *The Proposed Committee Substitute for House Bill 491 would repeal the State Capital Facilities Finance Act, which is a mechanism authorizing the State to incur nonvoted special indebtedness.*

BILL ANALYSIS: The Proposed Committee Substitute for House Bill 491 would repeal the State Capital Facilities Finance Act (Act), which is a mechanism by which the State may incur nonvoted special indebtedness for the purpose of financing capital facilities. The bill would not impact local government authority or outstanding debt authorized under the Act.

Sections 2 through 4 of the PCS are conforming changes. The three statutes being repealed provide for reimbursement to the General Fund from certain funds for debt service on special indebtedness issued under Article 9 of Chapter 142 (see p. 3 of this Analysis for text of statutes).

CURRENT LAW: Article V, Section 3 of the North Carolina Constitution and the North Carolina General Statutes restrict the General Assembly's authority to issue debt. Except in limited circumstances,¹ the General Assembly does not have the power to authorize the issuance of bonds secured by a pledge of the faith and credit of the State without a referendum approved by a majority of the voters voting in an election. These bonds are referred to as general obligation bonds because the general taxing power of the State secures the bonds. Article 5 of Chapter 159 of the General Statutes authorizes the State to use revenue bonds to finance a project without voter approval, but authorization by specific legislation is required under G.S. 159-88(c). Revenue bonds involve the pledge of non-tax revenues related to the project, such as parking fees for parking decks and water and sewer charges for water and sewer projects. A third type of bonded indebtedness used by the State to finance capital facilities is special indebtedness or security interest indebtedness, commonly referred to as 'certificates of participation'.

Until 2003, the State did not have general authority for security interest debt; only a handful of specific projects had been authorized.² In 2003, Article 9 of Chapter 142 of the General Statutes was enacted to provide the procedural and regulatory provisions governing the State's issuance of security interest indebtedness. Specific legislative approval is still required as to the projects or category of projects for which debt may be issued and the maximum amount.

Security interest indebtedness may take one of three forms: installment purchase (with or without certificates of participation), lease-purchase (with or without certificates of participation), and limited obligation bonds. The particular form to be used for a given project³ will depend on its size, the nature

¹ The North Carolina Constitution allows the General Assembly to issue non-voted general obligation bonds in an amount not to exceed 2/3 of the amount by which it reduced its outstanding general obligation debt in the preceding biennium. There are limited other Constitutional exceptions for non-voted general obligation debt.

² Before 2003, legislation had been enacted authorizing security interest debt for limited State purposes: two Wildlife Commission Projects in 2000, the lease-purchase of three prisons in 2001, and guaranteed energy savings contracts in 2002.

³ The Act specifically defines the capital expenditures that may be financed as any combination of buildings, utilities, structures, and other facilities and property developments, including streets, landscaping, equipment and furnishing in

of the property and the improvement, and other circumstances. Based on these circumstances, one form or another of security interest debt may be the least expensive and most practical for the State to utilize.

Under security interest indebtedness, the debt is secured by a lien on or security interest in all or any part of the capital facilities to be financed, including all or part of any land on which improvements are to be constructed. If the project is a renovation, the entire existing facility as well as the improvement could serve as security. The value of the property securing the debt may exceed the amount of the debt and the financing of several capital projects may be jointly secured by liens on some or all of the capital facilities being financed.

Because the property serves as the security for the indebtedness, there is no pledge of the State's faith and credit or taxing power. Thus, voter approval is not necessary for the borrowing. If the State defaulted on its repayments, no deficiency judgment could be rendered against the State, but the capital facilities that serve as security could be disposed of to generate funds to satisfy the debt. The State could choose not to appropriate funds to repay the debt, but such a decision would have negative consequences for the State's credit rating.

Before special indebtedness can be issued or incurred, specific authorization must be given by the General Assembly, and the State Treasurer must certify that debt financing may be desirable for a specific project presented to it by the Department of Administration. Next, the Council of State must give preliminary approval. If preliminary approval is obtained, the Council of State must give final approval, setting out details such as the maximum amount to be financed, the maximum maturity, and the maximum interest rates. The maximum maturity may not exceed 40 years. The State Treasurer must approve the financing, finding that the amount to be borrowed is adequate and not excessive and will not require an excessive increase in any State revenues to provide for repayment, and that the special indebtedness can be incurred or issued on terms favorable to the State. Finally, the State Treasurer must report to the Joint Legislative Commission on Governmental Operations at least five days before any special indebtedness is issued or incurred.

Once it is determined that special indebtedness can be issued or incurred, the funds can be borrowed from a single entity in an installment purchase or lease purchase contract, generated by the issuance of limited obligation bonds, or borrowed under an installment financing contract by the sale of certificates of participation. A certificate of participation represents the holder's undivided interest in the right to receive the installment payments to be made by the State. If certificates of participation are issued, a nonprofit corporation will act as a straw person to facilitate the financing.

EFFECTIVE DATE: This bill would become effective when it becomes law. It would not affect debt issued, incurred, or authorized to be issued prior to that date and does not affect any authority to reimburse the General Fund for debt service on general indebtedness issued or incurred under Article 9 of Chapter 142 of the General Statutes.

§ 113-44.15. Parks and Recreation Trust Fund.

...

(d) Debt. – The Authority may allocate up to fifty percent (50%) of the portion of the annual appropriation identified in subdivision (b)(1) of this section to reimburse the General Fund for debt service on special indebtedness to be issued or incurred under Article 9 of Chapter 142 of the General Statutes for the purposes provided in subdivision (b)(1) of this section and for waterfront access. In order to allocate funds for debt service reimbursement, the Authority must identify to the State Treasurer the specific parks projects for which it would like special indebtedness to be issued or incurred and the annual amount it intends to make available, and request the State Treasurer to issue or incur the indebtedness. After special indebtedness has been issued or incurred for a parks project requested by the Authority, the Authority must credit to the General Fund each year the actual aggregate principal and interest payments to be made in that year on the special indebtedness, as identified by the State Treasurer.

§ 113-77.9. Acquisition of lands with funds from the Natural Heritage Trust Fund.

...

(b3) Debt. – Of the funds credited annually to the Fund pursuant to G.S. 105-228.30, the Trustees may authorize expenditure of up to sixty percent (60%) to reimburse the General Fund for debt service on special indebtedness to be issued or incurred under Article 9 of Chapter 142 of the General Statutes for the purposes provided in subdivisions (b)(1) and (2) of this section. In order to authorize expenditure of funds for debt service reimbursement, the Trustees must identify to the State Treasurer and the Department of Administration the specific natural heritage projects for which they would like special indebtedness to be issued or incurred and the annual amount they intend to make available, and request the State Treasurer to issue or incur the indebtedness. After special indebtedness has been issued or incurred for a natural heritage project requested by the Trustees, the Trustees must direct the State Treasurer to credit to the General Fund each year the actual aggregate principal and interest payments to be made in that year on the special indebtedness, as identified by the State Treasurer.

§ 113A-256. Clean Water Management Trust Fund Board of Trustees: powers and duties.

(j) Debt. – Of the funds credited annually to the Fund, the Trustees may authorize expenditure of a portion to reimburse the General Fund for debt service on special indebtedness to be issued or incurred under Article 9 of Chapter 142 of the General Statutes for the purposes provided in G.S. 113A-253(c)(1) through (4). In order to authorize expenditure of funds for debt service reimbursement, the Trustees must identify to the State Treasurer and the Department of Administration the specific capital projects for which they would like special indebtedness to be issued or incurred and the annual amount they intend to make available, and request the State Treasurer to issue or incur the indebtedness. After special indebtedness has been issued or incurred for a capital project requested by the Trustees, the Trustees must direct the State Treasurer to credit to the General Fund each year the actual aggregate principal and interest payments to be made in that year on the special indebtedness, as identified by the State Treasurer.

Types of Indebtedness. – Article V, Section 3 of the North Carolina Constitution and the North Carolina General Statutes restrict the General Assembly's authority to issue debt. Special or Until 2003, the State did not have general authority for security interest debt; only a handful of specific projects had been authorized.⁵ In 2003, Article 9 of Chapter 142 of the General Statutes was enacted to provide the procedural and regulatory provisions governing the State's issuance of security interest indebtedness. Specific legislative approval is still required as to the projects or category of projects for which debt may be issued and the maximum amount. Security interest indebtedness may take one of three forms: installment purchase (with or without certificates of participation), lease-purchase (with or without certificates of participation), and limited obligation bonds. 18 "§ 113-378. Persons drilling for oil or gas to register and furnish bond.

19 Any person, firm or corporation before making any drilling exploration in this State for oil
20 or natural gas shall register with the Department of Environment and Natural Resources or such
21 other State agency as may hereafter be established to control the conservation of oil or gas in
22 this State. Resources. To provide for such registration, the drilling operator must furnish the
23 name and address of such person, firm or corporation, and the location of the proposed drilling
24 operations, and file with the aforesaid Department a bond in the an amount totaling the sum
25 of of (i) five thousand dollars (\$5,000) plus (ii) one dollar (\$1.00) per linear foot proposed to be
26 drilled for the well. (\$5,000) running to the State of North Carolina, conditioned that any Any
27 well opened by the drilling operator upon abandonment shall be plugged upon abandonment in
28 accordance with the rules of said the Department."

29 SECTION 2. G.S. 113-395 reads as rewritten:

30 "§ 113-395. Notice and payment of fee to Department before drilling or abandoning well;
31 plugging abandoned well.

1 Before any well, in search of oil or gas, shall be drilled, the person desiring to drill the same
2 shall notify the Department upon such form as it may prescribe and shall pay a fee of fifty-three
3 thousand dollars (~~\$50.00~~)(\$3,000) for each well. The drilling of any well is hereby prohibited
4 until such notice is given and such fee has been paid and permit granted.

5 Each abandoned well and each dry hole ~~promptly~~ shall be plugged promptly in the manner
6 and within the time required by rules ~~to be~~ prescribed by the Department, and the owner of

10 notice has been given and such fee has been paid."

11 **SECTION 3.** The Department of Environment and Natural Resources shall study
12 the issue of oil and gas exploration in the State and the use of directional and horizontal drilling
13 and hydraulic fracturing for that purpose. The Department shall report its findings and
14 recommendations, including specific legislative proposals, to the Environmental Review
15 Commission no later than February 1, 2012. At a minimum, the study shall include information
16 on the following:

- 17 (1) Oil and gas reserves present in the Triassic Basins and in any other areas of
18 the State.
- 19 (2) Methods of exploration and extraction of oil and gas, including directional
20 and horizontal drilling and hydraulic fracturing.
- 21 (3) Potential impacts on infrastructure, including roads, pipelines, and water and
22 wastewater services. In analyzing potential impacts, the Department shall
23 specifically examine the expected water usage from hydraulic fracturing,
24 water resources in the area in which drilling may occur, as well as existing
25 water users in the area that may be impacted by increased consumption of
26 water for use in hydraulic fracturing.
- 27 (4) Potential environmental impacts, including constituents or contaminants that
28 may be present in the fluid used in the hydraulic fracturing process; the
29 potential for the contamination of nearby wells and groundwater, as well as
30 the options for disposal and reuse of the wastewater produced; stormwater
31 management; the potential for emission of toxic air pollutants; impacts on
32 wildlife; management and reclamation of drilling sites, including orphaned
33 sites; management of naturally occurring radioactive materials (NORM)
34 generated by the drilling and production of natural gas; and the potential for
35 seismic activity in the area in which drilling may occur. In examining this
36 issue, the Department shall formulate regulatory requirements advisable to
37 address potential environmental impacts and in doing so shall gather
38 information on regulatory programs in other states where oil and gas
39 exploration or extraction is occurring, particularly with regard to the use of
40 hydraulic fracturing for that purpose.
- 41 (5) Potential economic impacts, including possible sources of revenue that could
42 accrue to the benefit of the State in the event that drilling for oil or natural
43 gas were to take place in the State. In examining this issue, the Department
44 shall gather information on (i) the number of jobs that may be expected as a
45 result from drilling activities in the State and (ii) what severance taxes, fees,
46 royalties, bonds, or assessments may be appropriate in connection with the
47 activity. For any sources of revenue that may be anticipated, the Department
48 shall evaluate use of the revenue for the following purposes: funds necessary
49 to implement an oil and gas regulatory program; funds dedicated to the
50 conservation and preservation of land and water resources; funds dedicated

1 to remediation of environmental contamination such as the Inactive
2 Hazardous Sites Cleanup Fund; and funds dedicated to improving water and
3 wastewater infrastructure across the State.

4 (6) Potential social impacts, including impacts of drilling operations on nearby
5 communities and quality of life within those communities, recreational
6 activities, and commercial and residential development.

7 (7) Potential oversight and administrative issues associated with an oil and gas
8 regulatory program, including: statutory authority necessary for
9 implementation of such a program; funding requirements necessary to
10 implement a stable and effective program; criteria for permit issuance or
11 denial; frequency and scope of inspections; compliance and enforcement
12 procedures; coordination of agency involvement to ensure efficient
13 permitting and clear delineation of compliance responsibilities; opportunities
14 for public participation; and data management.

15 (8) Consumer protection and legal issues relevant to oil and gas exploration in
16 the State, including matters of contract law, mineral leases, and landowner
17 rights.

18 (9) Any other pertinent issues that the Department deems relevant to oil and gas
19 exploration in the State and the use of hydraulic fracturing for that purpose.

20 **SECTION 4.** By February 1, 2012, the Department of Environment and Natural
21 Resources shall hold at least two public hearings at separate locations within the Triassic Basin
22 on the issue of drilling for natural gas by means of directional and horizontal drilling and
23 hydraulic fracturing. The public hearings shall be conducted in order to promote awareness of
24 the issue generally and inform and consult with the public and user groups on potential
25 environmental impacts, potential regulatory controls, potential economic impacts, and
26 consumer protection issues, including landowner rights and mineral leases. In developing the
27 consumer protection portion of the public hearings, the Department may consult with the
28 Consumer Protection Division of the North Carolina Department of Justice and the Rural
29 Advancement Foundation International (RAFI).

30 **SECTION 5.** There is appropriated from the General Fund to the Department of
31 Environment and Natural Resources the sum of one hundred thousand dollars (\$100,000) for
32 the 2011-2012 fiscal year to complete the study and conduct the public hearings required by
33 this act.

34 **SECTION 6.** This act is effective when it becomes law.

Introduced by:	Reps. Stone, Gillespie	Prepared by:	Jennifer McGinnis
Analysis of:	PCS to Second Edition H242-CSRI-26 [v.3]		Committee Counsel

SUMMARY: *The Proposed Committee Substitute (PCS) for House Bill 242 would: (1) increase the amount of the bond required upon registration in order to drill for oil or natural gas in the State; (2) increase the amount of fees applicable to drilling and abandoning oil or gas wells; (3) direct the Department of Environment and Natural Resources (DENR) to study the issue of oil and gas exploration in the State, and specifically the use of directional and horizontal drilling and hydraulic fracturing for that purpose; (4) direct DENR to conduct at least two public hearings on the issue in the area in which drilling for natural gas by means of directional and horizontal drilling and hydraulic fracturing may occur; and (5) appropriate \$100,000 to DENR in order to conduct the study and the public hearings.*

The PCS makes changes to the 2nd Edition of the bill as follows: (1) increases the amount of the fee applicable to drilling oil or gas wells from \$1,500 to \$3,000; (2) adds additional matters to be studied including consumer protection and legal issues and administration and oversight issues associated with an oil and gas regulatory program; (3) changes the date on which the study must be completed from September 1, 2011 to February 1, 2012; and (4) adds an appropriation for conduct of the required study and public hearings.

BACKGROUND: Several years ago the North Carolina Geological Survey recognized thick sections of organic shale located in the State (Triassic Strata of the Deep River Basin – Lee and Chatham, Counties) as a potential gas resource. Modern exploration and gas production technology, such as horizontal drilling and hydraulic-fracturing, has enabled the extraction of shale gas in similar formations in other states. The use of hydraulic fracturing involves drilling a well and injecting drilling fluids under pressure to fracture the shale rock and release the gas. Drilling fluids are mostly made up of water, but also include other chemicals; the exact makeup of the drilling fluids varies from company to company.

CURRENT LAW: Article 27 of Chapter 113 of the General Statutes governs drilling and exploration for oil and gas in the State. This Article, which was originally enacted in 1945, among other things, requires posting of a bond and payment of a permit fee prior to drilling.

The General Statutes currently prohibit horizontal drilling¹ and injection of any wastes to the subsurface or groundwaters of the State by means of wells². State rules also specifically prohibit use or operation of a storage related injection well and injection of fluids for oil and gas production. These restrictions have been in place for a number of years and were not developed with hydraulic fracturing in mind.

BILL ANALYSIS: The PCS would –

- Increase the amount of the bond required upon registration in order to drill for oil or natural gas in the State from a flat amount of \$5,000 to \$5,000 plus \$1.00 per linear foot proposed to be drilled for the well.
- Increase the amount of fees applicable to drilling (from \$50 to \$3,000) and abandoning (from \$15 to \$450) oil or gas wells.
- Direct DENR to study the issue of oil and gas exploration in the State, and specifically the use of directional and horizontal drilling and hydraulic fracturing for that purpose. DENR would be required to report its findings and recommendations, including specific legislative proposals, to the Environmental Review Commission no later than February 1, 2012. At a minimum, the study would include information on: oil and gas reserves present in the State; methods of exploration for oil and gas, including directional and horizontal drilling and hydraulic fracturing; consumer protection and legal issues; and potential environmental, economic, and social impacts, as well as impacts on infrastructure, which may arise from drilling by means of hydraulic fracturing.
- Direct DENR to conduct at least two public hearings by February 1, 2012, on the issue in the area in which drilling for natural gas by means of directional and horizontal drilling and hydraulic fracturing may occur in order to promote awareness of the issue generally and inform and consult with the public and user groups on: potential environmental impacts, potential regulatory controls, potential economic impacts, and consumer protection issues, including landowner rights and mineral leases.
- Appropriate \$100,000 to DENR in order to conduct the study and the public hearings.

EFFECTIVE DATE: The PCS would become effective when it becomes law.

HOUSE BILL 619

Short Title: Job Creation Act of 2011.

A BILL TO BE ENTITLED

AN ACT TO STIMULATE ECONOMIC ACTIVITY AND JOB GROWTH BY
TEMPORARILY REDUCING THE INCOME TAX BURDEN ON BUSINESS.

The General Assembly of North Carolina enacts:

SECTION 1. The General Assembly finds that:

- (1) It is the policy of the State of North Carolina to stimulate economic activity and to create new jobs for the citizens of the State by encouraging and promoting the expansion of existing business and industry within the State and by recruiting and attracting new business and industry to the State.
- (2) Both short-term and long-term economic trends at the State, national, and international levels have made the successful implementation of the State's economic development policy and programs both more critical and more challenging; and the decline in the State's traditional industries, and the resulting adverse impact upon the State and its citizens, have been exacerbated in recent years by adverse national and State economic trends that contribute to the reduction in the State's industrial base and that inhibit the State's ability to sustain or attract new and expanding businesses.
- (3) The economic condition of the State is not static and recent changes in the State's economic condition have created economic distress that requires the enactment of a new program as provided in this act that is designed to stimulate new economic activity and to create new jobs within the State.
- (4) The enactment of this act is necessary to stimulate the economy, facilitate economic recovery, and create new jobs in North Carolina, and this act will promote the general welfare and confer, as its primary purpose and effect, benefits on citizens throughout the State through the creation of new jobs, an enlargement of the overall tax base, an expansion and diversification of the State's industrial base, and an increase in revenue to the State and its political subdivisions.
- (5) The purpose of this act is to stimulate economic activity and to create new jobs within the State.

SECTION 2.(a) G.S. 105-134.1 reads as rewritten:

"§ 105-134.1. Definitions.

The following definitions apply in this Part:

1 (1) Adjusted gross income. – Defined in section 62 of the Code.

2 ~~(1a)~~ Code. – Defined in G.S. 105-228.90.

3 ...
4 ~~(16)~~ Taxable income. – Defined in section 63 of the Code.

5 ...
6 ~~(19)~~ This State. – The State of North Carolina."

7 SECTION 2.(b) G.S. 105-134.5 reads as rewritten:

8 "**§ 105-134.5. North Carolina taxable income defined.**

9 (a) Residents. – For ~~residents of this State,~~ an individual who is a resident of this State,
10 the term "North Carolina taxable income" means the taxpayer's ~~taxable income as determined~~
11 ~~under the Code, adjusted as provided in G.S. 105-134.6 and G.S. 105-134.7.~~ adjusted gross
12 income as modified in G.S. 105-134.6.

13 (b) Nonresidents. – For ~~a nonresident individuals, individual,~~ the term "North Carolina
14 taxable income" means the taxpayer's ~~taxable income as determined under the Code, adjusted~~
15 ~~as provided in G.S. 105-134.6 and G.S. 105-134.7, multiplied by a fraction the denominator of~~
16 ~~which is the taxpayer's gross income as determined under the Code, adjusted as provided in~~
17 ~~G.S. 105-134.6 and G.S. 105-134.7, and the numerator of which is the amount of that gross~~
18 ~~income, as adjusted,~~ adjusted gross income as modified in G.S. 105-134.6, multiplied by a
19 fraction the denominator of which is the taxpayer's adjusted gross income as modified in
20 G.S. 105-134.6, and the numerator of which is the amount of that adjusted gross income, as
21 modified, that is derived from North Carolina sources and is attributable to the ownership of
22 any interest in real or tangible personal property in this State, is derived from a business, trade,
23 profession, or occupation carried on in this State, or is derived from gambling activities in this
24 State.

25 (c) Part-year Residents. – If an individual was a resident of this State for only part of
26 the taxable year, having moved into or removed from the State during the year, the term "North
27 Carolina taxable income" has the same meaning as in subsection (b) of this section except that
28 the numerator ~~shall include gross income, adjusted as provided in G.S. 105-134.6 and~~

33 share of S Corporation income that is includable in the numerator ~~shall be~~ is the shareholder's
34 pro rata share of the S Corporation's income attributable to the State, as defined in
35 G.S. 105-131(b)(4). In order to calculate the numerator of the fraction provided in subsection
36 (b) of this section for a member of a partnership or other unincorporated business ~~with that has~~
37 ~~one or more nonresident members that and~~ operates in one or more other states, the amount of
38 the member's distributive share of income of the business that is includable in the numerator
39 ~~shall be~~ is determined by multiplying the total net income of the business by the ratio
40 ascertained under the provisions of G.S. 105-130.4. As used in this subsection, total net income
41 means the entire gross income of the business less all expenses, taxes, interest, and other
42 deductions allowable under the Code ~~which that~~ were incurred in the operation of the business.

43 (e) Tax Year. – A taxpayer must compute North Carolina taxable income on the basis
44 of the taxable year used in computing the taxpayer's income tax liability under the Code."

45 SECTION 2.(c) G.S. 105-134.6, as amended by S.L. 2011-5, reads as rewritten:

HOUSE BILL 619: Job Creation Act of 2011

2011-2012 General Assembly

Committee:	House Finance	Date:	May 25, 2011
Introduced by:	Reps. Howard, McLawhorn, Carney, Ingle	Prepared by:	Cindy Avrette
Analysis of:	PCS to First Edition H619-CSR-42		Committee Counsel

SUMMARY: *The House proposed committee substitute for House Bill 619 replaces the contents of the original bill, Update/Modernize Physical Therapy Act, with a \$50,000 tax deduction for business income realized by individual taxpayers for two years, 2012 and 2013. The House budget, H200 (V4), reserved \$635 million for the finance committee for the 2011-2013 biennium; this PCS uses part of that reserve. This tax relief is in addition to the \$1.3 billion in expiring tax revenue.¹*

CURRENT LAW: A business may be organized as a corporation, as a sole proprietorship, or as a pass-through entity such as a partnership or LLC. Business income derived from a corporate entity is taxed under the corporate income tax. In North Carolina, the corporate income tax rate is 6.9%. Business income derived from a sole proprietorship or a pass-through entity is taxed under the individual income tax. North Carolina has a graduated individual income tax rate structure of 6%, 7%, and 7.75%.

Revenue from North Carolina's personal income tax accounts for 52% to 55% of all General Fund revenues.² The non-withholding portion of this tax³ may fluctuate as much as 35% from year to year, which has contributed to the State's volatile revenue structure. Much of this volatility has occurred since the 1990s as more and more business entities have organized as limited liability entities whose income flows through the personal income tax rather than the corporate income tax.

BILL ANALYSIS: The proposed committee substitute for House Bill 619 would provide a personal income tax deduction for the first \$50,000 of net business income a taxpayer receives during a taxable year. The deduction is effective for the 2012 and 2013 taxable years only; it expires for taxable years beginning on or after January 1, 2014. This change in the law would affect at least 250,000 small businesses. Of these 250,000 small businesses, more than 50% of them are sole proprietorships.

The term 'business income' would not include income that is considered passive income under the Code. Section 469 of the Code, as well as various IRC tax regulations, define passive income. Form 1040, Schedule E, requires reporting of passive and non-passive income. Form 1040, Schedule C, requires the reporting of profit and loss from sole proprietorships. Form 1040, Schedule F, requires the reporting of farm income and loss.

The bill also changes the starting point for calculating North Carolina taxable income from federal taxable income to federal adjusted gross income. Of the 35 states that begin their calculation of state taxable income with federal law, 29 use federal adjusted gross income while only six use federal taxable income. Federal taxable income is income after all federally allowed deductions; it includes the deductions from gross income to determine adjusted gross income and the deductions from adjusted gross income to determine taxable income. The primary differences between federal taxable income and

¹ The 1% State sales tax rate expires July 1, 2011; the corporate and individual income surtaxes expire for taxable years beginning on or after January 1, 2011.

² In 1970, the PIT accounted for 32.7% of General Fund revenues.

³ The non-withholding portion of the tax consists of business income, capital gains, rental income, interest and dividends, pension income, etc.

House PCS 619

Page 2

adjusted gross income are the personal and dependency exemptions and the subtraction of either the standard deduction amount or the itemized deductions amount.

North Carolina began using federal taxable income as the starting point for this calculation in 1989. At the time, this change significantly simplified North Carolina's individual income tax; it eliminated 30 individual income tax exclusions and reduced 47 deductions and exemptions to seven. Since that time, however, the number of adjustments a taxpayer must make to federal taxable income to determine North Carolina taxable income has increased from 11 to more than 40.

The movement to AGI in the bill does not expand the tax base; it retains all of the current deductions and credits. Although it does not eliminate many of the 40 adjustments, it does eliminate the need for two of the most confusing and complex ones: the calculation of North Carolina's standard deduction amount and personal and dependency exemption amounts. Under current law, a taxpayer begins the calculation of State taxable income with the federal standard deduction and personal exemption amounts. Those amounts are indexed; North Carolina does not index its standard deduction and dependent exemption amounts. The difference means every taxpayer must adjust the personal and dependency exemption amounts and at least 70% of the individual taxpayers, representing more than 2 million returns, must adjust their standard deduction amount.

North Carolina's standard deduction amount varies depending upon the filing status of the taxpayer:

<u>Filing Status</u>	<u>Standard Deduction</u>
Married, filing jointly	\$6,000
Head of household	4,400
Single	3,000
Married, filing separately	3,000

North Carolina's personal and dependency exemption amount varies depending upon the taxpayer's filing status and adjusted gross income:

<u>Filing Status</u>	<u>AGI</u>	<u>Personal Exemption</u>
Married, filing jointly	Up to \$100,000	\$2,500
	Over \$100,000	2,000
Head of household	Up to \$80,000	\$2,500
	Over \$80,000	2,000
Single	Up to \$60,000	\$2,500
	Over \$60,000	2,000
Married, filing separately	Up to \$50,000	\$2,500
	Over \$50,000	2,000

EFFECTIVE DATE: The tax changes become effective for taxable years beginning on or after January 1, 2012, and expire for taxable years beginning on or after January 1, 2014.

SENATE BILL 19

Short Title: Union Fire Fee Sunset Repealed. (Local)

Sponsors: Senator Tucker.

Referred to: State and Local Government.

February 2, 2011

1 A BILL TO BE ENTITLED .
 2 AN ACT TO REPEAL THE SUNSET ON FIRE PROTECTION FEES IN UNION COUNTY.
 3 The General Assembly of North Carolina enacts:
 4 SECTION 1. Section 2 of S.L. 2010-84 is repealed.
 5 SECTION 2. This act is effective when it becomes law.

SENATE BILL 19: Union Fire Fee Sunset Repealed

2011-2012 General Assembly

Committee: House Finance
Introduced by: Sen. Tucker
Analysis of: First Edition

Date: May 25, 2011
Prepared by: Trina Griffin
Committee Counsel

SUMMARY: *Senate Bill 19¹ repeals the sunset on Union County's authorization to impose specified fees for fire protection services provided in fee-based fire protection districts.*

CURRENT LAW: S.L. 1991-883 authorized Union County to create fire protection districts funded by fees rather than by taxes. The act provides fees may not exceed the cost of providing fire protection services within the district and may be imposed on owners of all real property benefiting from the availability of fire protection. The Union County fire protection fees originally established in 1991 were:

- \$50 per year for a single family dwelling, manufactured home, or duplex.
- \$75 per year for a triplex.
- \$100 per year for any other multiple-family dwelling.
- \$10 per year for animal or horticultural operations.
- \$50 per year for other commercial facilities with structures encompassing less than 5,000 square feet.
- \$100 per year for other commercial facilities with structures exceeding 5,000 square feet.
- \$50 per year on any other class of property.

S.L. 2010-84 permitted Union County to increase its fire protection fees in excess of the limits set by 1991 local act, but the increase may not exceed twice the amount of the maximum fee amounts for each class of property. The board of county commissioners is authorized effectuate the increase by including the increased amounts in its budget ordinance adopted under Article 3 of Chapter 159 of the General Statutes. Under that Article, the board must hold a public hearing before adopting the budget ordinance.

S.L. 2010-84 also provided that Union County's fee-based fire protection district authority, not just the fee increases authorized by that act, would expire on July 1, 2012.

BILL ANALYSIS: Senate Bill 19 repeals the sunset on S.L. 2010-84. By repealing the sunset, Union County would maintain its current authority to assess fees for fire protection up to twice the amount of the maximum fee amounts for each class of property set out in the 1991 legislation.

EFFECTIVE DATE: Effective when it becomes law.

BACKGROUND: This bill is a request of the Union County Board of Commissioners. According to the resolution they passed, the sunset provision limits the county's flexibility in funding fire protection services and cause additional strain on property taxpayers through the imposition of ad valorem taxes as the only alternative revenue source for funding fire protection services. There are 18 fire departments throughout the county, five of which impose a fire tax and the remainder of which charge the annual fire fee.

Giles Perry, counsel to Senate State and Local Government, substantially contributed to this summary.

SENATE BILL 145: Southern Shores Canal Dredging/Maintenance

2011-2012 General Assembly

Committee: House Finance
Introduced by: Sen. White
Analysis of: First Edition

Date: May 26, 2011
Prepared by: Greg Roney
Committee Counsel

SUMMARY: *Senate Bill 145 is a local act that would allow the Town of Southern Shores to impose a canal dredging and maintenance fee and to assess for navigation projects.*

CURRENT LAW: The General Assembly authorized the Town of Ocean Isle Beach to create a fee-supported canal dredging district in 2004.¹ The General Assembly granted similar authority to the Towns of Emerald Isle and Holden Beach in 2005.²

G.S. 160A-238 allows a city to make special assessments for beach erosion control or flood and hurricane protection. In 1985, the General Assembly authorized the Town of Sunset Beach to impose an assessment for navigation projects.³

BILL ANALYSIS: Section 1 of Senate Bill 145 would add the Town of Southern Shores to the list of municipalities authorized to impose a canal dredging fee. Section 2 of Senate Bill 145 would expand the purpose of the fee to include maintenance of the canal.

Specifically, the bill would allow the Town of Southern Shores to do the following:

- Create a fee-supported canal dredging and maintenance district for all properties that are contiguous to a canal within its corporate limits.
- Impose annual fees for the dredging and maintenance of canals, both natural and concrete, on or before July 1 of each year. The fees may not exceed the cost of providing for the dredging and maintenance of the canals. The fees must be imposed on owners that could or do benefit from water access through the canal system within the municipality's corporate limits. The fees may be imposed on the property tax bill and collected in the same manner as ad valorem taxes.
- Abolish the district whenever there is no longer a need for it.
- Establish a capital reserve fund. If a capital reserve fund is established to build up funds to provide the service, the Town may delay providing the service until sufficient funds have accumulated (but not for longer than five years).

Section 3 of Senate Bill 145 would extend the authority to impose a special assessment for navigation projects to the Town of Southern Shores. To impose a special assessment, the Town would need to follow the procedures set forth in Article 10 of Chapter 160A: it must adopt a preliminary resolution, hold a public hearing, adopt an assessment resolution, determine the total costs of the project, prepare a preliminary assessment roll, hold a public hearing, and affirm the assessment roll.

EFFECTIVE DATE: This act is effective when it becomes law.

Brad Krehely, Cindy Avrette, and Giles Perry of the Research Division substantially contributed to this summary.

S145-SMTM-20(e1) v2

¹ S.L. 2004-104.

² S.L. 2005-47 and S.L. 2005-90.

³ The term would include dredging and bulkheading canals. S.L. 1985-725.

A BILL TO BE ENTITLED
AN ACT AUTHORIZING THE UTILITIES COMMISSION TO OBTAIN CRIMINAL
HISTORY RECORD CHECKS OF APPLICANTS FOR AND CURRENT HOLDERS OF
A CERTIFICATE TO TRANSPORT HOUSEHOLD GOODS.

The General Assembly of North Carolina enacts:

SECTION 1. Article 12 of Chapter 62 of the General Statutes is amended by
adding a new section to read as follows:

**§ 62-273.1. Criminal history record checks of applicants for and current holders of
certificate to transport household goods.**

(a) The following definitions apply in this section:

- (1) Applicant. – An individual, partnership, limited liability corporation, or corporation who applies for certification as a common carrier of household goods in the State of North Carolina.
- (2) Certificate. – A certificate of exemption or a certificate of public convenience and necessity issued by the Utilities Commission to authorize the holder to engage in the intrastate transportation of household goods for compensation in the State of North Carolina.
- (3) Criminal history. – A State or federal history of conviction of a crime, whether a misdemeanor or felony, that bears upon an applicant's or current holder's fitness to possess a certificate.
- (4) Current holder. – An individual, partnership, limited liability corporation, or corporation who has been certified as a common carrier of household goods in the State of North Carolina.

(b) The Commission shall conduct a criminal history record check of applicants and current holders of a certificate to transport household goods. An applicant for or current holder of a certificate to transport household goods must furnish the Commission with a complete set of the applicant's fingerprints in a manner prescribed by the Commission. In those instances where the quality characteristic of an applicant's or current holder's fingerprints is determined to be too low or otherwise inadequate for processing by the FBI, the applicant or current holder shall comply with the Commission's criminal history record check requirement pursuant to the Commission's alternate name-based records check procedure.

(c) If the applicant's or current holder's verified criminal history record check reveals one or more convictions, the convictions shall not automatically constitute cause for denying an application or revoking a certificate. However, all of the following factors shall be considered by the Commission in determining whether the application should be denied or the certificate revoked:

- 1 (1) The level and seriousness of the crime.
2 (2) The date of the crime.
3 (3) The age of the person at the time of the conviction.
4 (4) The nature of the crime as it relates to the duties and responsibilities of a
5 common carrier of household goods.
6 (5) The employment history of the person after the date the crime was
7 committed.
8 (6) Any evidence of rehabilitation of the person after the date the crime was
9 committed.
10 (d) The Commission may deny an application or revoke a certificate if the applicant or
11 current holder refuses to consent to a criminal history record check or use of fingerprints or
12 other identifying information required by the State or National Repositories of Criminal
13 Histories."

14 SECTION 2. Article 4 of Chapter 114 of the General Statutes is amended by
15 adding a new section to read:

16 "§ 114-19.31. Criminal history record checks of applicants for and current holders of
17 certificate to transport household goods.

18 The Department of Justice may provide to the Utilities Commission from the State and
19 National Repositories of Criminal Histories the criminal history of any applicant for or current
20 holder of a certificate to transport household goods. Along with the request, the Commission
21 shall provide to the Department of Justice the fingerprints of the applicant or current holder, a
22 form signed by the applicant or current holder consenting to the criminal history record check
23 and use of fingerprints and other identifying information required by the State and National
24 Repositories of Criminal Histories, and any additional information required by the Department
25 of Justice. The applicant's or current holder's fingerprints shall be forwarded to the State Bureau
26 of Investigation for a search of the State's criminal history record file, and the State Bureau of
27 Investigation shall forward a set of fingerprints to the Federal Bureau of Investigation for a
28 national criminal history record check. The Utilities Commission shall keep all information
29 obtained pursuant to this section confidential. The Department of Justice may charge a fee to
30 offset the cost incurred by it to conduct a criminal history record check under this section. The
31 fee shall not exceed the actual cost of locating, editing, researching, and retrieving the
32 information. The Department of Justice shall send a copy of the results of the criminal history
33 record checks directly to the Utilities Commission Chief Clerk."

34 SECTION 3. This act is effective when it becomes law and applies to all persons
35 holding a current certificate of exemption or a certificate of public convenience and necessity
36 on or after that date and to all applications for a certification of exemption or a certificate of
37 public convenience and necessity received by the Commission on or after that date.

BILL SUMMARY:

House Bill 340 provides definitions for the following terms as used in the proposed statute: (1) applicant, (2) certificate, (3) criminal history, and (4) current holder. The act also amends G.S. 62-273.1(b) to direct the Utilities Commission to conduct a criminal history record check of applicants and current holders of certificate to transport household goods. The act requires an applicant for or current holder of certificate to furnish the Commission with a complete set of the applicant's fingerprints. The proposed legislation recodifies the provision allowing the Department of Justice to provide the criminal history of any applicant for or current holder of a certificate to transport household goods to the Commission, with fingerprints forwarded to the State Bureau of Investigation (SBI) and the Federal Bureau of Investigation (FBI) in new G.S. 114-19.31.

The proposed legislation is effective when the act becomes law and applies to all current holders and applicants for a certificate to transport household goods on or after that date.

SOURCE: BILL DIGEST H.B. 340 (03/14/0201)

ASSUMPTIONS AND METHODOLOGY:

Department of Justice

Revenue

The Department of Justice (DOJ) reports that a fee of \$38 is charged to perform each criminal background check. Of this fee, \$22 is forward to the Federal Bureau of Investigation (FBI) for a check of federal databases, and the remaining \$16 is retained by DOJ. Of this \$16, \$14 goes to a check of North Carolina databases and \$2 is used for the processing cost associated with the request.

Expenditures

The proposed changes in the bill may increase the workload and number of background checks the SBI may have to review and process. However, the bill makes no changes to 114-19.2 (c) which allows DOJ to charge a reasonable fee to recover their costs. Because this fee mechanism remains intact, the Department does not project that the proposed legislation will have a material fiscal impact on the SBI or DOJ.

HOUSE BILL 340: Utilities Commission/Criminal Records Check

2011-2012 General Assembly

Committee: House Finance
Introduced by: Reps. Steen, Hager
Analysis of: Third Edition

Date: May 31, 2011
Prepared by: Heather Fennell
Committee Counsel

SUMMARY: *House Bill 340 would authorize the Utilities Commission to obtain a criminal history records checks of transporters of household goods.*

CURRENT LAW: Under Chapter 62, the transportation of household goods within the State is considered a public utility and subject to regulation by the Utilities Commission. The term "household goods" is defined by Commission Rule to be "personal effects and property used or to be used in a dwelling, when a part of the equipment or supply of such dwelling, and similar property if the transportation of such effects or property is arranged and paid by the householder or another party."

BILL ANALYSIS: House Bill 340 would authorize the Utilities Commission to obtain a criminal history record check of transporters of household goods. The Commission may deny a certificate to a new transporter, or may revoke a certificate of a current transporter, if the transporter refuse to consent to the criminal history record check, or refuses to provide fingerprints for the check. If the quality characteristic of the fingerprints isn't satisfactory for FBI processing, there is an alternate name-based records check procedure.

The records check will be conducted by the Department of Justice by submission of fingerprints to both the State Bureau of Investigation and the Federal Bureau of Investigation. The Department of Justice may charge a fee to offset the costs associated with the check. The current cost of a State wide check conducted by the SBI is \$14; the current cost of nation wide check is \$38.

Convictions revealed by a criminal history records check, do not constitute cause to deny an application or revoke a current certificate. The Commission must consider the following in its determination:

- The level and seriousness of the crime.
- The date of the crime.
- The age of the person at the time of conviction.
- The nature of the crime as it relates to the duties and responsibilities of a common carrier of household goods.
- The employment history of the person after the date the crime was committed.
- Any evidence of rehabilitation of the person after the crime.

EFFECTIVE DATE: This act is effective when it becomes law and applies to all persons holding a current certificate of exemption or a certificate of public convenience and necessity on or after that date and to all applications for a certification of exemption or a certificate of public convenience and necessity received by the Commission on or after that date.

1 A BILL TO BE ENTITLED
2 AN ACT TO MODIFY WHEN LAND USED FOR CONSERVATION PURPOSES IS TO BE
3 EXCLUDED FROM THE PROPERTY TAX BASE.

4 The General Assembly of North Carolina enacts:

5 SECTION 1. G.S. 105-275 reads as rewritten:

6 "§ 105-275. Property classified and excluded from the tax base.

7 The following classes of property are designated special classes under Article V, Sec. 2(2),
8 of the North Carolina Constitution and are excluded from tax:

- 9 ...
- 10 (12) Real property that (i) is owned by a nonprofit corporation or association
 11 organized to receive and administer lands for conservation purposes, (ii) is
 12 exclusively held and used by its owner for educational and scientific
 13 purposes as a protected natural area, for one or more of the purposes listed in
 14 this subdivision, and (iii) produces no income or produces income that is
 15 incidental to and not inconsistent with the purpose or purposes for which the
 16 land is held and used. (For purposes of this subdivision, the term "protected
 17 natural area" means a nature reserve or park in which all types of wild
 18 nature, flora and fauna, and biotic communities are preserved for observation
 19 and study.)The taxes that would otherwise be due on land classified under
 20 this subdivision shall be a lien on the real property of the taxpayer as
 21 provided in G.S. 105-355(a). The taxes shall be carried forward in the
 22 records of the taxing unit or units as deferred taxes. The deferred taxes for
 23 the preceding five fiscal years are due and payable in accordance with
 24 G.S. 105-277.1F when the property loses its eligibility for deferral as a result
 25 of a disqualifying event. A disqualifying event occurs when the property (i)
 26 is no longer exclusively held and used for one or more of the purposes listed
 27 in this subdivision, (ii) produces income that is not incidental to and
 28 consistent with the purpose or purposes for which the land is held and used,
 29 or (iii) is sold or transferred without an easement recorded at the time of sale
 30 that requires perpetual use of the land for one or more of the purposes listed
 31 in this subdivision and that prohibits any use of the land that would generate
 32 income that is not incidental to and consistent with the purpose or purposes
 33 for which the land is held and used. In addition to the provisions in
 34 G.S. 105-277.1F, all liens arising under this subdivision are extinguished

HOUSE BILL 350: Property Tax Uniformity For Conservation Land

2011-2012 General Assembly

Committee: House Finance	Date: May 17, 2011
Introduced by: Reps. McGrady, Starnes, Brubaker, Harrison	Prepared by: Dan Etefagh
Analysis of: First Edition	Committee Counsel

SUMMARY: HB 350 does the following:

- Replaces "exclusive" use for "primary" use for the exemption for real property owned by a nonprofit/association that is held and used for educational and scientific purposes as a nature reserve or park in which all types of wild nature, flora and fauna, and biotic communities are preserved for observation and study ("protected natural area").
- Enlarges the tax exemption to include land held and used for any of the conservation purposes required for donated real property to qualify for the income tax credit in G.S. 105-151.12.¹
- Places real property held for nonprofit land conservation purposes in the deferred tax program by requiring that deferred taxes are due if the land is not transferred subject to conservation agreements or for conservation purposes within five years.

The proposed committee substitute does the following:

- Reinstates the exclusive use requirement, as in current law.
- Clarifies and modifies the tax exemption by listing certain, enumerated conservation purposes.
- Creates a 5-year rollback for avoided taxes if conservation property is no longer used for conservation purposes, used to generate income inconsistent with conservation, or is sold or transferred without an easement requiring perpetual use of the listed conservation purposes and without a prohibition on income generation.
- Expressly aligns definitions for educational and scientific purposes with the property tax exemption for property used for educational and scientific purposes.
- Requires, as does the income tax credit for real property donations for conservation purposes, that the entity owning the property must be "organized to receive and administer lands for conservation purposes".
- Adds the requirement that property qualifying under this exemption either not earn income or only earn income that is merely incidental to and not inconsistent with conservation purposes.

[As introduced, this bill was identical to S579, as introduced by Sen. Hartsell, which is currently in Senate Finance.]

¹ Donations of real property qualify for an income tax credit under G.S. 105-151.12 if useful for the following conservation purposes: (i) public beach access or use, (ii) public access to public waters or trails, (iii) fish and wildlife conservation, (iv) forestland or farmland conservation, (v) watershed protection, (vi) conservation of natural areas, (vii) conservation of natural or scenic river areas, (viii) conservation of predominantly natural parkland, or (ix) historical landscape conservation.

House Bill 350

Page 2

CURRENT LAW: G.S. 105-275 lists classes of property that are authorized by the North Carolina Constitution to be excluded from the property tax base. One of those classes is real property that is (i) owned by a nonprofit corporation or association and (ii) exclusively held and used by its owner for educational and scientific purposes as a protected natural area.

BILL ANALYSIS: The proposed committee substitute makes the following changes to the exemption in G.S. 105-275 (12):

- Clarifies that the definitions for educational purpose and scientific purpose have the same meanings as defined in G.S. 105-278.7 (real and personal property used for, *inter alia*, educational or scientific purposes.)
- Adds to the previous qualifying use (that land be used as a protected natural area) the following conservation purposes:
 - Managed under a written wildlife habitat conservation agreement with the North Carolina Wildlife Resources Commission
 - Managed under a forest stewardship plan developed by the Forest Stewardship Program.²
 - Used for public access to public waters or trails.
 - Used for protection of water quality and subject to a conservation agreement.³
 - Held by a nonprofit land conservation organization for sale or transfer to a local, state, or federal government unit for conservation purposes.
- Property taxes avoided for up to the preceding 5 fiscal years are no longer eliminated but, instead, are carried forward as deferred taxes that become due and payable if a disqualifying event occurs. The following are disqualifying events:
 - The land is no longer used for one of the qualifying conservation purposes or is used to produce income inconsistent with the conservation use/s to which the land is applied.
 - The conservation organization transfers the land without an easement that requires the conservation use/s required for the land to qualify for the property tax benefit will continue to be applied and that prohibits income generation.
- It adds a requirement that property excluded from the tax base for conservation purposes not earn income or only earn income that is both incidental to and not inconsistent with the conservation purpose (e.g., a forest tract could not be managed for the commercial production of timber but some trees could be harvested if the harvesting is incidental and needed to accomplish the overall conservation purposes for which the tract is being managed).

EFFECTIVE DATE: This act is effective for taxes imposed for taxable years beginning on or after July 1, 2011.

² Authorized by the Cooperative Forestry Assistance Act of 1978, this Program provides technical assistance, through State forestry agency partners, to nonindustrial private forest owners to encourage and enable active long-term forest management.

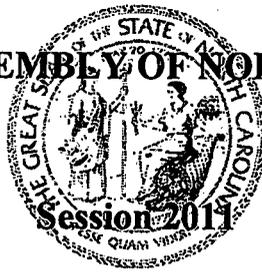

³ Conservation agreements are governed by the provisions of the Conservation and Historical Preservation Agreements Act, Article 4, Chapter 121 of the General Statutes

BILL SUMMARY:

The proposed committee substitute for HB 350 does the following:

- Clarifies and modifies the conservation property tax exemption by listing certain, enumerated conservation purposes.
- Creates a 5-year rollback for avoided taxes if conservation property is no longer used for conservation purposes, used to generate income inconsistent with conservation, or is sold

or transferred without an easement requiring perpetual use of the listed conservation purposes.

- Adds the requirement that property qualifying under this exemption not earn income or earn income that is merely incidental to and not inconsistent with conservation purposes.

ASSUMPTIONS AND METHODOLOGY:

The PCS to HB 350 would potentially reduce property tax revenues to local governments by increasing the uses for which conservation land qualifies for a property tax exclusion. Under current law, property owned by a nonprofit and used "exclusively for scientific or educational purposes as a protected natural area" qualifies for a property tax exclusion under 105-275. The PCS expands this exclusion by including five additional enumerated purposes in Section 1. Although the additional purposes may increase the property acreage that qualifies for the exclusion, the additional purposes are closely aligned with scientific and educational purposes and may be interpreted in some counties to qualify under current law.

The 5-year rollback included in the PCS would potentially increase property tax revenues in circumstances in which property that is exempt under current law is disqualified as a result of a disqualifying event. In the event of a disqualification, the deferred taxes for the preceding five years will become due. The rollback will also serve to mitigate the property tax loss resulting from the expansion of purposes for which property can be excluded.

Because the PCS includes provisions which will potentially reduce local revenues (the expansion of qualifying purposes) and increase local revenues (a 5-year roll-back for disqualifying events), it is not clear whether the PCS will result in an overall reduction or increase in local revenues. The overall change in revenue is expected to be minimal.

A BILL TO BE ENTITLED
AN ACT TO EXTEND THE TIME PERIOD FOR HOLDING REAL PROPERTY AS A

AND FAMILIES.

The General Assembly of North Carolina enacts:

SECTION 1. G.S. 105-278.6 reads as rewritten:

"§ 105-278.6. Real and personal property used for charitable purposes.

(a) Real and personal property owned by:

...

(8) A nonprofit organization providing housing for individuals or families with
low or moderate incomes

shall be exempted from taxation if: (i) As to real property, it is actually and exclusively
occupied and used, and as to personal property, it is entirely and completely used, by the owner
for charitable purposes; and (ii) the owner is not organized or operated for profit.

...

(e) Real property held by an organization described in subdivision (a)(8) for a

The taxes that would otherwise be due on real property exempt under this subsection shall be a
lien on the property as provided in G.S. 105-355(a). The taxes shall be carried forward in the
records of the taxing unit as deferred taxes. The deferred taxes are due and payable in
accordance with G.S. 105-277.1F when the property loses its eligibility for deferral as a result
of a disqualifying event. A disqualifying event occurs when the property was not used for low-
or moderate-income housing within ~~five~~ 10 years from the first day of the fiscal year the
property was classified under this subsection. In addition to the provisions in G.S. 105-277.1F,
all liens arising under this subdivision are extinguished when the property is used for low- or
moderate-income housing within the time period allowed under this subsection."

BILL SUMMARY:

House Bill 417 would extend from 5 years to 10 years the maximum time period that real property owned by a nonprofit organization as a future site for low or moderate income housing may be exempted from taxation.

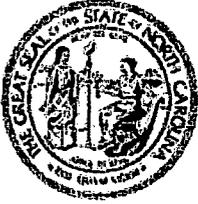

ASSUMPTIONS AND METHODOLOGY:

Property held by a non-profit for future use as low or moderate income housing is currently eligible for a property tax exemption for up to 5 years. The taxes that would be due are a lien on the property and become due if the property loses eligibility as a result of a disqualifying event. H 417 would extend the period that the property could be held as a future site from five to ten years.

Because current law already allows an exemption for property that is held as a future site for low or moderate income housing up to five years, this bill would only affect properties that are held as a future site between five and ten years. As a result, the number and value of properties affected is considered to be small and the property tax revenue loss is expected to be minimal.

HOUSE BILL 417: Extend Time For Site Of Low/Mod. Inc. Housing

2011-2012 General Assembly

SUMMARY: *House Bill 417 would extend from 5 years to 10 years the maximum time period that real property owned by a nonprofit organization as a future site for low or moderate income housing may be exempted from taxation.*

CURRENT LAW: Real and personal property owned by a nonprofit organization providing housing for individuals or families with low or moderate incomes is exempt from property taxation if the owner is not organized or operated for profit and (1) as to real property, it is actually and exclusively occupied and used and (2) as to personal property, it is entirely and completely used by the owner for charitable purposes.

Real property held by a nonprofit organization as a future site for housing for individuals or families with low or moderate incomes may be exempted from taxation for a maximum of 5 years. The taxes otherwise due are a lien on the property. The taxes are carried forward to the next year as deferred taxes and are due if the property loses eligibility because of a disqualifying event. A disqualifying event occurs when the property is not used for low or moderate income housing within 5 years from the first day of the fiscal year the property was classified as exempt.

BILL ANALYSIS: House Bill 417 would provide that real property held by a nonprofit organization as a future site for low or moderate income housing may be exempted from taxation for a maximum of 10 years.

EFFECTIVE DATE: This act is effective for taxes imposed for taxable years beginning on or after July 1, 2011.

The PCS on HB 476v2, Protect Galax and Venus Flytrap/ WRC Rule Fines, makes changes to the General Statutes for the Department of Agriculture & Consumer Services and the Wildlife Resources Commission. In Section 1, the bill amends G.S. 106-202.19(a) to add five instances of unlawful conduct

related to galax and venus flytrap under the Plant Protection and Conservation Act. HB 476 will make the following illegal:

- (1) To uproot, dig, take, or otherwise disturb or remove from another person's land galax or venus flytrap without a written permit from the owner that is dated and valid for no more than 180 days.
- (2) To buy galax outside of a buying season as provided by the Board without obtaining the required documents from the person selling the galax.
- (3) To buy Venus flytrap outside of a buying season as provided by the Board without obtaining the required documents from the person selling the Venus flytrap.
- (4) To buy more than five pounds of galax for the purpose of resale or trade without holding a currently valid permit as a galax dealer.
- (5) To buy more than Venus flytrap plants for the purpose of resale or trade without holding a currently valid permit as a Venus flytrap dealer.

Section 2 amends G.S. 113-135.1(a) to increase the fine from \$10 to \$25 for a violation of WRC rules. Section 3 makes this provision apply to violations and offenses committed on or after October 1, 2011, and clarifies that prosecutions for offenses committed before October 1, 2011 are not abated or affected, and statutes that would be applicable but for this act remain applicable.

ASSUMPTIONS AND METHODOLOGY:

Department of Agriculture & Consumer Services (NCDA&CS)

The requirements added by HB 476 will not change NCDA&CS expenditures. The additions to unlawful conduct in G.S. 106-202.19(a) do not require changes to NCDA&CS' current programs. In addition, the Department will derive no additional revenue from the changes made in HB 476.

Wildlife Resources Commission (WRC)

WRC is responsible for enforcing rules created by the Wildlife Resources Commission. HB 476 will not increase the operating costs of the agency since it is already enforcing these rules. However, HB 476 increases the penalty for an offense that is solely a violation of the rules of the WRC from \$10 to \$25. Over the last three years, WRC has issued less than 500 penalties per year (See Table 1).

Table 1. Violations Pursuant to G.S. 113-135.1(a)?

	Number of Offenses	Revenue
FY 2008-09	491	\$4,910
FY 2009-10	398	\$3,980
FY 2010-11 expected ¹	450	\$4,500

All revenue collected from these penalties is deposited into the Fines & Forfeiture Fund, which is distributed to local school districts; WRC does not receive a percentage of these funds for the collection of these revenues. WRC does not expect a significant change in the number of offenses due to the increase in the fine. Thus, assuming approximately 450 fines per year (the average over the last 3 years is expected to be 446 offenses) the new expected revenue is \$6,750, all of which would go to the Fines & Forfeiture Fund.

¹ There have been 201 offenses resolved through May 25, 2011 but there are many unresolved cases. WRC expects the total number of violations to be between 400 and 500.

Justice & Public Safety -- General

The Sentencing and Policy Advisory Commission prepares prison population projections for each bill containing a criminal penalty. The Commission assumes for such bills that expanding existing, or creating new criminal offenses produces no deterrent or incapacitative effect on crime. Therefore, the Fiscal Research Division does not assume deterrent effects for any criminal penalty bill.

Department of Correction -- Division of Prisons

The bill amends the Plant Protection and Conservation Act (G.S. Chapter 106, Article 19B) to regulate commerce in galax and Venus flytrap.

Section 1: Expands the list of unlawful activities in subsection (a) of G.S. 106-202.19, Unlawful acts; penalties; enforcement, to include the following:

- (6a) To uproot, dig, take, or otherwise disturb or remove for any purpose from another person's land, galax or Venus flytrap, without a written permit from the owner that is dated and valid for no more than 180 days.
- (6b) To buy galax outside of a buying season as provided by the Board without obtaining the required documents from the person selling the galax.
- (6c) To buy Venus flytrap outside of a buying season as provided by the Board without obtaining the required documents from the person selling the Venus flytrap.
- (6d) To buy more than five pounds of galax for the purpose of resale or trade without holding a currently valid permit as a galax dealer.
- (6e) To buy more than 50 Venus flytrap plants for the purpose of resale or trade without holding a currently valid permit as a Venus flytrap dealer.

Subsection G.S. 106-202.19(a1) makes any violation of Article 19B a Class 2 misdemeanor (absent a specific provision for greater punishment).

Because the proposed section creates new offenses, the Sentencing Commission does not have any historical data from which to estimate the impact of this section on the prison population. It is not known how many offenders might be convicted and sentenced under the proposed section.

The Administrative Office of the Courts (AOC) currently does not have a specific offense code for violations of G.S. 106-202.19(a1). The lack of an AOC offense code is some indication that this offense is infrequently charged and/or infrequently results in convictions. It is not known how many additional convictions may result from the proposed broadening of the current statute.

In FY 2009-10, 25 percent of Class 2 misdemeanor convictions resulted in active sentences. The average sentence imposed for Class 2 convictions was 21 days. Offenders who receive an active sentence of 90 days or less are housed in county jails. Therefore, convictions for the proposed broadening of the current statute would not be expected to have a significant impact on the prison population. The impact on local jail populations is not known.

Department of Correction -- Division of Community Corrections

For felony offense classes E through I and all misdemeanor classes, offenders may be given non-active (intermediate or community) sentences exclusively, or in conjunction with imprisonment (split-

sentence). Intermediate sanctions include intensive supervision probation, special probation, house arrest with electronic monitoring, day reporting center, residential treatment facility, and drug treatment court. Community sanctions include supervised probation, unsupervised probation, community service, fines, and restitution. Offenders given intermediate or community sanctions requiring supervision are supervised by the Division of Community Corrections (DCC); DCC also oversees community service.²

General supervision of intermediate and community offenders by a probation officer costs DCC \$2.49 per offender, per day; no cost is assumed for those receiving unsupervised probation, or who are ordered only to pay fines, fees, or restitution. The daily cost per offender on intermediate sanction ranges from \$8.93 to \$14.96, depending upon sanction type. Thus, assuming intensive supervision probation – the most frequently used intermediate sanction – the estimated daily cost per intermediate offender is \$14.96 for the initial six-month intensive duration, and \$2.49 for general supervision each day thereafter. Total costs to DCC are based on average supervision length and the percentage of offenders (per offense class) sentenced to intermediate sanctions and supervised probations.

Because there is no data available upon which to base an estimate of the number of convictions that will be sentenced to intermediate or community punishment, potential costs to DCC cannot be determined.

Judicial Branch

The Administrative Office of the Courts (AOC) provides Fiscal Research with a fiscal impact analysis for most criminal penalty bills. For such bills, fiscal impact is typically based on the assumption that court time will increase due to anticipated increases in trials and corresponding increases in workload for judges, clerks, and prosecutors. This increased court time is also expected to result in greater expenditures for jury fees and indigent defense.

Since the proposed legislation creates new offenses, AOC is not able to estimate the number of charges that may arise. New misdemeanor charges would impact district court judges, deputy clerks, assistant district attorneys, and other judge and district attorney support staff. In addition, superior court personnel could be impacted due to appeals. On average, the monetary value of court personnel time to process a misdemeanor is estimated at \$131. In addition, a 2005 Office of Indigent Defense study of fee applications found that the average indigent defense cost for a misdemeanor case was \$225 (three hours at \$75 per hour) per indigent defendant.

Overall, in FY 2009-10, a typical felony case took approximately 216 days to dispose in Superior Court. A typical misdemeanor case took approximately 91 days to dispose in District Court. Any increase in judicial caseload without accompanying resources could be expected to further delay the disposition of cases.

HOUSE BILL 476: Protect Galax & Venus Flytrap/WRC Rule Fines

2011-2012 General Assembly

Committee: House Finance	Date: May 26, 2011
Introduced by: Rep. Gillespie	Prepared by: Mariah Matheson
Analysis of: PCS to 2 nd edition (H476-CSTF-8 [v.3])	Research Assistant

SUMMARY: House Bill 476 would provide for certain protections for the galax and the venus flytrap under the Plant Protection and Conservation Act. House Bill 476 would also increase the civil penalties for violations of certain rules of the Wildlife Resources Commission.

CHANGES MADE BY PCS: The PCS would remove the requirement for galax or venus flytrap dealers to obtain a permit.

CURRENT LAW: In accordance with G.S. 106-202.19 (a1), any person convicted of violating the Plant Protection and Conservation Act would be subject to a Class 2 misdemeanor.¹ The North Carolina Plant Conservation Board may assess a civil penalty up to \$2,000 to any person guilty of violating the Act a second or subsequent time. Pursuant to G.S. 14-129, it is a Class 3 misdemeanor² to dig up, pull up, or take a venus flytrap without permission, from the land of another or public domain. However, this provision does not apply to the Counties of: Cabarrus, Carteret, Catawba, Cherokee, Chowan, Cumberland, Currituck, Dare, Duplin, Edgecombe, Franklin, Gaston, Granville, Hertford, McDowell, Pamlico, Pender, Person, Richmond, Rockingham, Rowan, and Swain.

BILL ANALYSIS: House Bill 476 would make it unlawful to engage in uprooting, digging, taking, disturbing, or removing, for any purpose, galax or venus flytrap from another person's land, without written permission, as provided under the Plant Protection and Conservation Act. The written permission must be dated and would be valid for no more than 180 days. House Bill 476 would also prohibit the following:

- The purchase of galax and venus flytrap outside of the buying season, as provided by the North Carolina Plant Conservation Board (Board).³
- The purchase of more than five pounds of galax for the purpose of resale or trade without a copy of the landowner's written permission and confirmation of the collection date.
- The purchase of more than 50 venus flytrap plants for the purpose of resale or trade, unless fully compliant with applicable regulations.

Section 2 would increase the civil penalty for offenses created by the rules of the Wildlife Resources Commission, in certain instances, from a maximum of ten dollars (\$10.00) to a maximum of twenty-five dollars (\$25.00).

EFFECTIVE DATE: This act would be effective October 1, 2011 and applies to violations and offenses committed on or after that date.

BACKGROUND: Galax (*Galax aphylla*) - Galax is an evergreen herbaceous perennial plant growing to 30 to 45 centimeters, native to the southeastern United States. However, most galax is harvested from

¹ Assuming no prior convictions, a Class II misdemeanor would be subject to 1 to 30 days community punishment.

² Only punishable by a fine of not less than ten dollars (\$10.00) nor more than fifty dollars (\$50.00) for each offense.

North Carolina.⁴ Galax is found throughout the State. Galax leaves are primarily harvested for the florist industry. Due to over-harvesting, collection of galax is illegal on the Blue Ridge Parkway and other national park lands, however, it is legal to harvest portions from national forest land with a permit.^{5 6} As of 2001, the USDA Forest Service implemented a seasonal harvest restriction. No galax harvest is permitted between April 15 and June 15 when new leaves are emerging and are susceptible to damage from trampling.⁷

Venus Flytrap (*Dionaea muscipula*) - The venus flytrap's native habitat is limited to a few parts of North and South Carolina, specifically within a 60-mile radius of Wilmington.⁸ Plants cultivated legally can be purchased in nurseries, garden sections of hardware stores, and supermarkets. The venus flytrap has been designated as a State species of special concern under the Plant Protection and Conservation Act.^{9 10} The venus flytrap is the State carnivorous plant (G.S. 145-22).

A BILL TO BE ENTITLED

AN ACT TO CONFORM PROVISIONS OF NORTH CAROLINA SURPLUS LINES INSURANCE LAWS TO THE FEDERAL NONADMITTED AND REINSURANCE REFORM ACT OF 2010, TO STREAMLINE APPLICATIONS FOR COMMERCIAL PURCHASERS, TO PREVENT ANY LOSS OF PREMIUM TAX REVENUE TO THE STATE, AND TO CONFORM THE DEFINITION OF RISK RETENTION GROUP TO FEDERAL LAW.

The General Assembly of North Carolina enacts:

SECTION 1.1. Article 21 of Chapter 58 of the General Statutes is amended by adding a new section to read:

"§ 58-21-4. Nonadmitted and Reinsurance Reform Act duties.

(a) For the purposes of carrying out the provisions of the Nonadmitted and Reinsurance Reform Act of 2010, the Commissioner is authorized to utilize the national insurance producer database of the NAIC, or any other equivalent uniform national database, for the licensure of an individual or an entity as a surplus lines producer and for renewal of such license.

(b) In order to assist in the performance of the Commissioner's duties, under the Nonadmitted and Reinsurance Reform Act of 2010, the Commissioner may contract with nongovernmental entities, including the NAIC or any affiliates or subsidiaries that the NAIC oversees, to perform any ministerial functions that the Commissioner and the nongovernmental entity may deem to be appropriate, including (i) the collection of fees related to producer licensing and (ii) the collection of the premium tax under G.S. 58-21-85. The NAIC or other entity with whom the Commissioner contracts may charge a reasonable fee to the insurer, insured, or other appropriate person for the functions performed."

SECTION 1.2. The Revenue Laws Study Committee shall, in cooperation with the Commissioner of Insurance, study the potential impact that would result from the State's entrance into a nonadmitted insurance multistate agreement or other compact or interstate agreement for the purpose of carrying out the Nonadmitted and Reinsurance Reform Act of 2010 in order to prevent the State from losing revenue after July 21, 2011, the effective date of the Nonadmitted and Reinsurance Reform Act. The Committee shall determine if entering into a compact or agreement would result in retention of surplus lines tax revenue for the State and, if so, which compact or agreement would result in the most retention of surplus lines tax revenue for the State and the most cost-efficient method of administering the collection and distribution of tax revenues. The Committee shall report its findings and recommendations, including any proposed legislation, to the 2012 Regular Session of the 2011 General Assembly.

24 The finding shall be based upon such factors as quality of
25 management, capital and surplus of any parent company, company
26 underwriting profit and investment income trends, market
27 availability, and company record and reputation within the industry.
28 In no event shall the Commissioner make an affirmative finding of
29 acceptability when the nonadmitted insurer's capital and surplus is
30 less than four million five hundred thousand dollars (\$4,500,000).

- 31 b. In the case of any Lloyd's plans or other similar group of insurers,

EFFECTIVE DATE: June 1, 2011					

BILL SUMMARY:

Section 1.1 adds a new section authorizing the Commissioner to participate in a national insurance producer database for the licensing of surplus lines insurers and to contract with nongovernmental entities to collect the appropriate licensing fees and surplus lines premium taxes.

Section 1.2 directs the Revenue Laws Study Committee, in cooperation with the Commissioner of Insurance, to study the potential impact that would result from the State's entrance into a nonadmitted insurance interstate agreement and to determine which compact or agreement would result in the most retention of surplus lines tax revenue for the State. The Committee will report its findings to the 2012 Session of the 2011 General Assembly.

Section 2 adds definitions to conform State law to the federal NRRA.

Section 3 adds a new section defining "home state" as the principal place of business or principal residence of the insured, as required by the NRRA.

Section 4 amends current law to provide that a surplus lines insurer only be required to obtain authorization to write insurance in its domiciliary state, as provided in the NRRA.

Section 5 provides a streamlined process by which a surplus lines licensee (i.e. a broker or agent) may place surplus lines coverage for certain exempt commercial purchasers without conducting a search to determine whether the insurance can be obtained from admitted insurers. To comply with the new procedure, the licensee must satisfy the following: (1) the licensee must disclose to the purchaser that the insurance may or may not be available from the admitted market; and (2) the exempt commercial purchaser must subsequently request in writing that the licensee place the insurance with a non-admitted insurer. This section also defines an "exempt commercial purchaser" for the purposes of the new statutory procedure. Section 5 also provides that nothing prohibits a licensee from procuring surplus lines insurance from a nonadmitted insurer outside of the United States, known as an "alien" insurer, listed on the NAIC Listing of Alien Insurers.

Section 6 conforms State eligibility criteria for surplus lines insurers to the NAIC Nonadmitted Insurance Model Act, as required by the federal NRRRA.

Section 7 makes conforming changes.

Section 8 provides that a NC surplus lines license is required only for those agents or brokers doing business with insureds whose home state is NC. (Under NRRRA, only an insured's home state may require a surplus lines broker to be licensed.)

Section 9 adds language to G.S. 58-21-85 governing the surplus lines premium tax providing that the tax is collected "on insureds for whom North Carolina is the home state" as required by the NRRRA. This section also provides that, to the extent portions of an insured risk are located in another state that has failed to enter into a compact with NC, any tax collected shall be retained by the State.

Section 10 revises the definition of risk retention group to conform to the definition in federal law.

BACKGROUND:

Surplus lines insurance coverage is coverage that is not available from insurers licensed in the State, referred to as admitted insurers. This coverage must instead be purchased from insurers who are not licensed in this State, referred to as nonadmitted insurers.

The NRRRA was enacted by Congress as part of the Dodd-Frank Wall Street Reform and Protection Act, signed into law in July of 2010. The federal NRRRA supersedes aspects of state law regulating surplus lines insurers, requiring the State to make changes to conform to the federal law.

Most notably, the NRRRA provides that only the home state of the insured (i.e. the insured's principal place of business) is authorized to tax surplus lines transactions. This change could result in the loss of significant revenue to many states. The NRRRA does allow states to enter into interstate compacts for the allocation of tax revenue to prevent this loss. The NC Department of Insurance (DOI) estimates that NC may lose \$10 to \$12 million unless authority is given to the Commissioner to enter into such an agreement. *Source: Research Division (May 25, 2011)*

Surplus lines brokers will only have to pay licensing fees in their home state once the NRRRA goes into effect. As a result, N.C. will also lose licensing fees from surplus lines brokers. DOI estimates that N.C. may lose up to \$65,000 because of this change. Regardless of SB 321's implementation, DOI reports that there is no way for N.C. to recover these licensing fees after the effective date of

the NRRA. Therefore, this expected \$65,000 loss does not appear in the fiscal impact box on page 1 of this memo.

ASSUMPTIONS AND METHODOLOGY:

Section 1.2 of SB 321 directs the Revenue Laws Study Committee to determine if entering into a compact or agreement would result in the most retention of surplus lines tax revenue for the State. Because this bill directs a review of an option that is available to the State, Fiscal Research estimates that SB 321 would not generate any savings to the State. Fiscal Research anticipates that the Revenue Laws Study Committee would be able to absorb the additional requirement under Section 1.2 so there would be no added cost to the State.

Department of Insurance

SB 321 makes changes to the law governing surplus lines insurers to conform to the NRRA. Section 1.2 of the bill also directs the Commissioner of Insurance to work alongside the Revenue Laws Study Committee to study the impact of the State entering a multistate agreement to retain the maximum amount of surplus lines tax revenue.

DOI estimates that there will be no fiscal impact on its current operations to administer Senate Bill 321. Fiscal Research concurs with the assessment.

SUMMARY: *Senate Bill 321 makes changes to the law governing surplus lines insurers to conform to the federal Nonadmitted and Reinsurance Reform Act of 2010 (NRRA effective July 21, 2011). Senate Bill 321 also directs the Revenue Laws Study Committee, in cooperation with the Commissioner of Insurance, to study the impact of the State entering a multistate agreement to retain the maximum amount of surplus lines tax revenue and to make a recommendation to the 2012 Regular Session of the 2011 General Assembly.*

[As introduced, this bill was identical to H299, as introduced by Rep. Dockham, which is currently in House Finance.]

BACKGROUND: Surplus lines insurance coverage is coverage that is not available from insurers licensed in the State, referred to as admitted insurers. This coverage must instead be purchased from insurers who are not licensed in this State, referred to as nonadmitted insurers.

The NRRA was enacted by Congress as part of the Dodd-Frank Wall Street Reform and Protection Act, signed into law in July of 2010. The federal NRRA supersedes aspects of state law regulating surplus lines insurers, requiring the State to make changes to conform to the federal law.

Most notably, the NRRA provides that only the home state of the insured (i.e. the insured's principal place of business) is authorized to tax surplus lines transactions. Section 5 also provides that nothing prohibits a licensee from procuring surplus lines insurance from a nonadmitted insurer outside of the United States, known as an "alien" insurer, listed on the NAIC Listing of Alien Insurers.

Section 6 conforms State eligibility criteria for surplus lines insurers to the NAIC Nonadmitted Insurance Model Act, as required by the federal NRRA.

Section 7 makes conforming changes.

Section 8 provides that a NC surplus lines license is required only for those agents or brokers doing business with insureds whose home state is NC. (Under NRRA, only an insured's home state may require a surplus lines broker to be licensed.)

Section 9 adds language to G.S. 58-21-85 governing the surplus lines premium tax providing that the tax is collected "on insureds for whom North Carolina is the home state" as required by the NRRA. This section also provides that, to the extent portions of an insured risk are located in another state that has failed to enter into a compact with NC, any tax collected shall be retained by the State.

Section 10 revises the definition of risk retention group to conform to the definition in federal law.

25 (c) Distribution and use of tax revenue. – Person County shall, on a quarterly basis,

BILL SUMMARY:

House Bill 518 amends Section 14 of SL 1997-364 to allow Person County to levy an additional room occupancy tax of up to (1%) one percent of the gross receipts derived from the rental of any room, lodging, or accommodation furnished by a hotel, motel, inn, tourist camp, or similar place within the county that is subject to the state's sales tax under GS 105-164.4(a)(3). It prohibits Person County from levying the additional tax unless it levies the (5%) five percent occupancy tax previously authorized. The bill specifies that proceeds from the additional (1%) one percent tax are earmarked for operating the Person County Museum of History.

ASSUMPTIONS AND METHODOLOGY:

Person County currently collects a (5%) five percent room occupancy tax. According to the North Carolina Department of State Treasurer, the county collected \$152,669 in occupancy tax revenue for Tax Year 2010. Assuming that an additional (1%) one percent would generate (1/5) one-fifth of current collections, and forecasting based on the leisure and hospitality portion of North Carolina Gross State Product, it's estimated that an additional (1%) one percent occupancy tax would yield Person County \$33,446 in FY11-12.

SUMMARY: *The Proposed Committee Substitute for House Bill 518 would authorize Person County to levy an additional 1% room occupancy tax, and it deletes unnecessary language relating to how the proceeds of the existing 5% tax were to be spent during the first four years of levy. This bill conforms to the guidelines supported by the North Carolina Travel and Tourism Coalition and adhered to by the House Finance Committee.*

CURRENT LAW: In 1997, the General Assembly authorized Person County to levy a room occupancy tax of up to 5%. The net proceeds are required to be distributed to the Person County Tourism Development Authority. The legislation provided that during the first four years of levy, the net proceeds were to be used as follows:

- Up to 2/3 may be used only for the following tourism-related expenditures:
 - Constructing or operating the Person County Museum of History.
 - Developing Lake Mayo for fishing tournaments, skiing tournaments, and other activities designed to attract tourists to the lake from outside the county.
 - Supporting the May Festival and other festivals designed to attract tourists from outside the county.
- The remainder must be used to promote travel and tourism in Person County.

After the first four years, at least two-thirds of the funds must be used for tourism promotion and the remainder for tourism-related expenditures.

BILL ANALYSIS: The PCS would authorize Person County to levy an additional 1% room occupancy tax. It also deletes language referring to the use of the proceeds during the first four years of the levy of the existing 5% tax since that time period has expired. The net proceeds of the additional 1% would be used in the same manner as the existing 5%, which is in accordance with the House Finance guidelines for occupancy tax: at least two-thirds for tourism promotion and the remainder for tourism-related expenditures.

EFFECTIVE DATE: This act is effective when it becomes law.

BACKGROUND: Since 1983, the General Assembly has authorized many units of local government to levy a room occupancy tax. Over the past several years, there has been a greater effort to make the occupancy taxes uniform. In 1997, the General Assembly enacted uniform municipal and county administrative provisions for occupancy tax,¹ which provide uniformity among counties and cities with respect to the levy, administration, collection, repeal, and imposition of penalties.

In 1993, the House Finance Committee established the Occupancy Tax Guidelines, which address the rate of tax, the use of the tax proceeds, the administration of the tax, and the body with authority to determine how the proceeds will be spent. A summary of these provisions is detailed in the chart below.

¹ G.S. 153A-155 and G.S. 160A-215.

House PCS 518

Page 2

Many of the principles contained in the Guidelines are similar to those contained in policy statements adopted by the North Carolina Travel and Tourism Coalition and the North Carolina Restaurant and Lodging Association. The House Finance Committee Chairs have traditionally appointed a Subcommittee on Occupancy Taxes to scrutinize occupancy tax legislation to determine whether the legislation adheres to the Guidelines. The House Finance Chairs appointed Representatives McGee, Cotham, Carney, Moffitt, and Warren to be members of the House Finance Subcommittee on Occupancy Taxes this biennium.

UNIFORM OCCUPANCY TAX PROVISIONS
Rate – The county tax rate cannot exceed 6% and the city tax rate, when combined with the county rate, cannot exceed 6%.
Use – Two-thirds of the proceeds must be used to promote travel and tourism and the remainder must be used for tourism related expenditures.
Definitions The term “net proceeds”, “promote travel and tourism”, and “tourism related expenditures” are defined terms.
Administration – The net revenues must be administered by a local tourism development authority that has the authority to determine how the tax proceeds will be used, is created by a local ordinance, and at least 1/2 of the members must be currently active in the promotion of travel and tourism in the county and 1/3 of the members must be affiliated with organizations that collect the tax.
Costs of Collection – The taxing authority may retain from the revenues its actual costs of collection, not to exceed 3% of the first \$500,000 collected each year plus 1% of the remainder collected each year.

AN ACT IMPOSING A SERVICE CHARGE ON EACH RETAIL TRANSACTION OF PREPAID WIRELESS TELECOMMUNICATIONS SERVICE FOR ANY PURPOSE OTHER THAN RESALE OCCURRING IN THIS STATE, REQUIRING THAT THE SERVICE CHARGE BE COLLECTED BY THE SELLER OF PREPAID WIRELESS TELECOMMUNICATION SERVICE AND REMITTED TO THE DEPARTMENT OF REVENUE, AND PROVIDING THAT THE DEPARTMENT OF REVENUE SHALL TRANSFER ALL SERVICE CHARGES COLLECTED, MINUS THE COSTS OF COLLECTION, TO THE 911 FUND TO SUPPORT 911 SERVICES IN THE STATE.

The General Assembly of North Carolina enacts:

SECTION 1.(a) G.S. 62A-43(b) reads as rewritten:

"(b) Prepaid Wireless. - ~~A voice communications service provider of prepaid wireless telephone service must collect and remit to the 911 Board the monthly service charge imposed upon prepaid wireless telephone subscribers in the State under one of the following methods:~~

- (2) ~~Dividing the provider's total earned prepaid wireless telephone service revenue received for the month from each active prepaid wireless telephone service subscriber by fifty dollars (\$50.00) and multiplying the quotient by the amount of the service charge. The monthly service charge for 911 service is not imposed on prepaid wireless telephone service."~~

SECTION 1.(b) This section is effective when it becomes law.

SECTION 2. G.S. 62A-40 reads as rewritten:

"§ 62A-40. Definitions.

The following definitions apply in this Article.

- ... (15) Prepaid wireless telecommunications service. - A wireless telecommunications service that allows a caller to dial 911 to access the 911 system, which service must be paid for in advance and is sold in predetermined units or dollars of which the number declines with use in a known amount.  5 ~~and is known on a continuous basis.~~

6 ...
 7 (18a) Retail transaction. – The sale of prepaid wireless telecommunications service
 8 for any purpose other than resale."

9 SECTION 3. G.S. 62A-43, as amended by Section 1 of this act, reads as rewritten:

10 "**§ 62A-43. Service charge for 911 service.**

11 (a) Charge Imposed. – A monthly 911 service charge is imposed on each active voice
 12 communications service connection that is capable of accessing the 911 system. The service
 13 charge for service other than prepaid wireless telecommunications service is seventy cents
 14 (70¢) or a lower amount set by the 911 Board under subsection (d) of this section. The service
 15 charge is payable by the subscriber to the voice communications service provider. The provider
 16 may list the service charge separately from other charges on the bill. Partial payments made by
 17 a subscriber are applied first to the amount the subscriber owes the provider for the voice
 18 communications service.

19 (b) Prepaid Wireless. ~~– The monthly service charge for 911 service is not imposed on~~
 20 ~~prepaid wireless service. A 911 service charge is imposed on each retail purchase of prepaid~~
 21 ~~wireless telecommunications service occurring in this State of seventy cents (70¢) for each~~
 22 ~~retail transaction of prepaid wireless telecommunications service or a lower amount set as~~
 23 ~~provided by subsection (d) of this section. The service charge is collected and remitted as~~
 24 ~~provided in G.S. 62A-54.~~

25 (c) Remittance to 911 Board. – A voice communications service provider must remit
 26 the service charges collected by it under subsection (a) of this section to the 911 Board. The
 27 provider must remit the collected service charges by the end of the calendar month following
 28 the month the provider received the charges from its subscribers. A provider may deduct and
 29 retain from the service charges it receives from its subscribers and remits to the 911 Board an
 30 administrative allowance equal to the greater of one percent (1%) of the amount of service
 31 charges remitted or fifty dollars (\$50.00) a month.

32 (d) Adjustment of Charge. – The 911 Board must monitor the revenues generated by the
 33 ~~service charge charges imposed by this section.~~ If the 911 Board determines that the ~~rate~~
 34 ~~produces rates produce~~ revenue that exceeds or is less than the amount needed, the 911 Board
 35 may adjust the ~~rate rates~~. The ~~rate rates~~ must ensure full cost recovery for voice
 36 communications service providers and for primary PSAPs over a reasonable period of time.
 37 The 911 Board must set the service charge for prepaid wireless telecommunications service at
 38 the same rate as the monthly service charge for non-prepaid service. A change in ~~the amount of~~
 39 the rate becomes effective only on July 1. The 911 Board must notify providers of a change in
 40 the ~~rate rates~~ at least 90 days before the change becomes effective. The 911 Board must notify
 41 the Department of Revenue of a change in the rate for prepaid wireless telecommunications
 42 service at least 90 days before the change becomes effective. The Department of Revenue must
 43 provide notice of a change in the rate for prepaid wireless telecommunications service at least
 44 45 days before the change becomes effective only on the Department's website.

45"

46 SECTION 4. G.S. 62A-44(b) reads as rewritten:

47 "(b) Allocation of Revenues. – The 911 Board may deduct and retain for its
 48 administrative expenses a percentage of the total service charges remitted to it under
 49 G.S. 62A-43 for deposit in the 911 Fund. The percentage may not exceed two percent (2%).
 50 The percentage is one percent (1%) unless the 911 Board sets the percentage at a different
 51 amount. The 911 Board must monitor the amount of funds required to meet its financial

1 commitment to provide technical assistance to primary PSAPs and set the rate at an amount
2 that enables the 911 Board to meet this commitment. The remaining revenues remitted to the
3 911 Board for deposit in the 911 Fund are allocated as follows:

- 4 (1) A percentage of the funds remitted by CMRS providers, other than
5 the funds remitted by the Department of Revenue from prepaid wireless
6 telecommunications service, to the 911 Fund are allocated for
7 reimbursements to CMRS providers pursuant to G.S. 62A-45.
- 8 (2) A percentage of the funds remitted by CMRS providers, all funds
9 remitted by the Department of Revenue from prepaid wireless
10 telecommunications service, and all funds remitted by all other voice
11 communications service providers are allocated for monthly distributions to
12 primary PSAPs pursuant to G.S. 62A-46 and grants to PSAPs pursuant to
13 G.S. 62A-47.
- 14 (3) The percentage of the funds remitted by CMRS providers allocated to
15 CMRS providers and PSAPs shall be set by the 911 Board and may be
16 adjusted by the 911 Board as necessary to ensure full cost recovery for
17 CMRS providers and, to the extent there are excess funds, for distributions
18 to primary PSAPs."

19 SECTION 5. Article 3 of Chapter 62A of the General Statutes is amended by
20 adding a new section to read:

21 "§ 62A-54. Service charge for prepaid wireless telecommunications service; seller collects
22 911 service charge on each retail transaction occurring in this State;
23 remittances to Department of Revenue and transfer to 911 Fund.

24 (a) Retail Collection. – A seller of prepaid wireless telecommunications service shall
25 collect the 911 service charge for prepaid wireless from the consumer on each retail transaction
26 occurring in this State. The 911 service charge for prepaid wireless telecommunications service
27 is in addition to the sales tax imposed on the sale or recharge of prepaid telephone calling
28 service under G.S. 105-164.4(4d). The amount of the 911 service charge for prepaid wireless
29 must be separately stated on an invoice, receipt, or other reasonable notification provided to the
30 consumer by the seller at the time of the retail transaction. For purposes of this Article, a retail
31 transaction is occurring in this State if the sale is sourced to this State under
32 G.S.105-164.4B(a).

33 (b) Administrative Allowance; Remittance to Department of Revenue. – A seller may
34 deduct and retain from the 911 service charges it collects from consumers and remits to the
35 Department of Revenue an administrative allowance of five percent (5%). A seller shall remit
36 the 911 service charge for prepaid wireless service collected by it under subsection (a) of this
37 section in either of the following ways:

- 38 (1) At the times and in the manner provided under Article 5 of Chapter 105 of
39 the General Statutes, provided no seller is required to prepay the 911 service
40 charge for prepaid wireless service.
- 41 (2) Semi-annually to the Department of Revenue. The service charges collected
42 in the first six months of the calendar year are due by July 20. The service
43 charges collected in the second six months of the calendar year are due by
44 January 20.

45 (c) Administration. – Administration, making returns, promulgation of rules and
46 regulations by the Secretary of Revenue, additional taxes and liens, assessments, refunds, and
47 penalty provisions of Article 9 of Chapter 105 of the General Statutes apply to the collection of
48 the 911 service charge for prepaid wireless service. Excessive and erroneous collections of the
49 service charge will be subject to G.S. 105-164.11. The Department of Revenue shall establish
50 procedures for a seller of prepaid wireless telecommunications service to document that a sale
51 is not a retail transaction, and the procedures established shall substantially coincide with the

1 procedures for documenting a sale for resale transaction under G.S. 105-164.28. The Secretary
2 of Revenue may retain the costs of collection from the remittances received under subsection
3 (b) of this section, not to exceed two percent (2%) of the total 911 service charges for prepaid
4 wireless telecommunications service remitted to the Department. The Secretary of Revenue
5 shall transfer all remaining remitted 911 service charges for prepaid wireless
6 telecommunications service to the 911 Fund established under G.S. 62A-44 within 45 days of
7 receipt of the funds.

8 (d) **Liability of Consumer.** – The 911 service charge for prepaid wireless
9 telecommunications service is the liability of the consumer and not of the seller or of any
10 provider, except that the seller shall be liable for remitting to the Department of Revenue all
11 911 service charges for prepaid wireless telecommunications service that the seller collects
12 from consumers as provided in subsection (b) of this section. The seller is not liable for service
13 charges billed to a consumer but not collected by the seller.

14 **"§ 62A-55. Limitation of liability, prepaid wireless.**

15 In addition to the limitation of liability provided in subsection G.S. 62A-53, each provider
16 and seller of prepaid wireless telecommunications service is entitled to the following
17 limitations of liability:

18 (1) No provider or seller of prepaid wireless telecommunications service shall
19 be liable for damages to any person resulting from or incurred in connection
20 with the provision of or the failure to provide 911 service, or for identifying
21 or failing to identify the telephone number, address, location, or name
22 associated with any person or device that is accessing or attempting to access
23 911 service.

24 (2) No provider or seller of prepaid wireless telecommunications service shall
25 be liable for damages to any person resulting from or incurred in connection
26 with the provision of any lawful assistance to any investigative or law
27 enforcement officer of the United States, this State or any other state, or any
28 political subdivision of this State or any other state, in connection with any
29 lawful investigation or other law enforcement activity by the law
30 enforcement officer.

31 **"§ 62A-56. Exclusivity of 911 service charge for prepaid wireless service.**

32 The 911 service charge for prepaid wireless imposed by this Article is the only 911 funding
33 obligation imposed with respect to prepaid wireless telecommunication service in this State,
34 and no tax, fee, surcharge, or other charge shall be imposed in this State, any subdivision of this
35 State, or any intergovernmental agency, for 911 funding purposes, upon any provider, seller, or
36 consumer with respect to the sale, purchase, use, or provision of prepaid wireless
37 telecommunications service."

38 **SECTION 6.** Chapter 105 of the General Statutes is amended by adding a new
39 Article to read as follows:

40 **"Article 5H.**

41 **"911 Service Charge for Prepaid Wireless.**

42 **"§ 105-187.70. Department comply with Article 4 of Chapter 62A of the General Statutes.**

43 The Department of Revenue shall comply with the provisions of Article 3 of Chapter 62A
44 of the General Statutes to receive and transfer to the 911 Fund the 911 service charge for
45 prepaid wireless collected on retail transactions occurring in this State."

46 **SECTION 7.** Notwithstanding G.S. 62A-60(b), as enacted by Section 5 of this act,
47 sellers that collect the 911 service charge for prepaid wireless telecommunications service may
48 retain all of the service charges collected in the first three calendar months beginning on or
49 after July 1, 2013.

50 **SECTION 8.** Notwithstanding G.S. 62A-60(c), as enacted by Section 5 of this act,
51 the Department of Revenue may retain up to 3% of the total 911 service charges for prepaid

1 wireless telecommunications service remitted to it in the first 12 calendar months beginning on
2 or after October 1, 2013.

3 **SECTION 9.** Unless otherwise provided, this act becomes effective July 1, 2013,
4 and applies to all retail transactions occurring in this State, as that term is defined in this act, on
5 or after that date.

HOUSE BILL 571: Prepaid Wireless/Point of Sale Collection

2011-2012 General Assembly

Committee:	House Finance	Date:	May 31, 2011
Introduced by:	Reps. Sager, Justice, Bryant, Brawley	Prepared by:	Heather Fennell Committee Counsel
Analysis of:	PCS to Second Edition H571-CSTD-39		

SUMMARY: *The proposed committee substitute for House Bill 571 would provide for the collection of the 911 service charge on prepaid wireless service at the point of retail sale.*

[As introduced, this bill was identical to S302, as introduced by Sens. Hartsell, McKissick, which is currently in Senate Finance.]

CURRENT LAW: Prior to 2007, North Carolina local government entities collected a 911 service charge from subscribers of local telephone providers, and the Wireless 911 Board collected a monthly service charge from subscribers of wireless providers. In 2007, the local 911 service charge was eliminated, and a new statewide administrative system was adopted for collection and distribution of the 911 service charge. Part of the 2007 changes addressed the collection of the 911 charge from prepaid wireless customers. G.S. 62A-40 authorizes the collection of the 911 fee from prepaid wireless providers in one of the following two ways:

- Decrement – collecting the service charge from each active prepaid wireless customer with an account balance equal to or greater than the amount of the service charge.
- Average Rate Per User - A monthly payment for 911 charges for each provider of prepaid wireless service is determined based on its sales of prepaid revenue in the State during the month. The provider's prepaid revenue in the state is divided by the "average revenue per user" and then multiplied by the amount of the fee. The average rate per user in the statute is currently \$50.

There has been a moratorium on the collection of the 911 charge from prepaid customers since the 2007 changes. The moratorium on collection of the 911 fee from prepaid wireless is in effect through calendar year 2011.¹

The current charge for 911 service is 60¢ per month. The charge is imposed on each subscriber of postpaid phone service, regardless of the technology used to offer the service. The statutes provide that the fee may not be greater than 70¢ per month, however, the 911 Board may set the fee at a lower amount if the revenues are sufficient to fund 911 service.

BILL ANALYSIS:

Section 1: Repeals the current method of collection of the 911 service charge for prepaid wireless service.

Sections 2 and 3: Provides the 911 service charge for prepaid wireless service is 70¢ on each retail transaction of prepaid wireless service, or a lower amount set by the Board. The 911 service charge for prepaid wireless would be the same as the monthly charge for 911 service imposed on all other phone subscribers. The current fee is 60¢ per month.

¹ Section 43 of S.L. 2010-95.
Research Division

House PCS 571

Page 2

Section 4: Currently a portion of the 911 service charges is allocated to reimburse wireless providers to pay for upgrades to their system necessary for the implementation for enhanced 911. The upgrades allow the wireless phone systems to provide address and location information to the 911 call centers. The remainder of the 911 service charges are distributed to public safety answering points (PSAPs) for 911 service. This section clarifies that the 911 service charge from prepaid wireless service will be allocated for reimbursements for wireless providers. The 911 service charge from prepaid wireless will be distributed to PSAPs.

Section 5: Provides for the collection of the 911 service charge for prepaid wireless at retail.

Retail collection: Each seller of prepaid wireless will collect the 911 service charge and remit the charge to the Department of Revenue. A seller must remit the charges either in the same manner as the sales tax, or semiannually. Each retailer is allowed to retain for administrative costs 5% of the 911 service charges for prepaid wireless that it collects. However, **Section 7** of the bill provides that each retailer is allowed to retain for administrative costs all of the fees collected in the first three months after the effective date of the act.

Administration by Department of Revenue: The Department of Revenue will collect the 911 service charge for prepaid wireless from the retailers and remit the fee to the 911 Board within 45 days of receipt of the funds. The Department of Revenue may retain for administrative costs 2% of the fees remitted to it. However, **Section 8** of the bill provides that the Department may retain 3% of the service charges remitted to it for 12 months beginning October 2013.

EFFECTIVE DATE: This act is effective July 1, 2013 and applies to retail transactions on or after that date.

BILL SUMMARY: The proposed committee substitute for House Bill 571, Prepaid Wireless/Point of Sale Collection, amends G.S. 62A-43(b) to provide that the monthly service charge for E911 services under G.S. 62A-43(b) is applied to prepaid wireless transactions. The E911 service charge is currently 60¢ on each retail transaction occurring in North Carolina.

Effective July 1, 2013, the bill allows sellers that collect prepaid wireless E911 service charges to retain all of the services charges collected in the first three calendar months after the effective date of the act, July 1, 2013 through October 1, 2013. After October 1, 2013, prepaid wireless retailers may retain up to five percent of all fees collected. The Department of Revenue, for administrative purposes, retains three percent of all collections October 1, 2013 through October 1, 2014. The bill ascribes a two percent administrative allowance to the Department of Revenue from October 1, 2014 onward.

ASSUMPTIONS AND METHODOLOGY:

REVENUE: Fiscal Research estimates that HB 571 will generate \$8.3 million to \$9.1 million in total revenue per fiscal year. After deducting the administrative allowances that HB 571 provides to retailers and the Department of Revenue, the bill is expected to generate roughly \$7.6 million in E911 fees when fully implemented. The revenue estimate is based on data from the Federal Communications Commission, the International Association for the Wireless Telecommunications Industry (CTIA), U.S. Census 2007 Economic Census, and the New Millennium Research Council. The paragraphs below provide more detail on methodology.

The CTIA, December 2010 *End of the Year Industry Report* estimated a total of 302.9 million active cell phone lines in the U.S. Fiscal Research adjusted the U.S. cellular phone estimates based on North Carolina's share of the U.S. cellular industry as provided by the 2007 Economic Census. North Carolina salaries, according to Census data, account for 2.48% of the U.S. cellular industry payroll. Utilizing this data, Fiscal Research developed an estimate of 7.5 million cellular phones in North Carolina.

According to New Millennium Research Council (NMRC) data, prepaid wireless customers account for 25% of the cellular phone industry (7.5 million North Carolina cellular phones *0.25= 1.89 million). NMRC divides prepaid wireless subscribers into two groups, 1) those with "pay as you go" services which account for 48% of all prepaid wireless users, and 2) those with unlimited services which account for 52% of all prepaid wireless users. The purchasing habits of the two groups differ significantly.

The Minnesota Department of Revenue, in estimating the fiscal impact of applying an E911 service charge to prepaid wireless services, assumed that the average prepaid customer has 11.6 transactions per year. Fiscal Research applied the 11.6 per year transaction estimate to 48% of all prepaid wireless customers, the pay as you go group. The second prepaid group, the group with unlimited services, was assumed to have one prepaid wireless purchase per fiscal year. The fiscal estimate assumes that a total of 11.4 million prepaid wireless transactions occur annually. Given the current E911 fee of \$0.60 per transaction, HB 571 if applied in FY 2010-11 would generate \$6.85 million in total revenue ($\$0.60 * 11.4$ million transactions).

Prepaid wireless services represent a growing portion of the wireless communications industry. Because the industry is dependent, not only on changes in the economy, but also demographic changes, adjusting the estimates by inflation alone would be inaccurate. Legislative researchers in New Mexico and Minnesota cite prepaid wireless annual industry growth rates between 6.3% and

19%. Fiscal Research utilized a conservative growth factor based on North Carolina's annual 18-30 year old population growth and inflation. These two factors combined equaled on average 4.72%. In sum, the \$6.85 million figure is adjusted upward by 4.72% to reflect the total revenue figures represented in the fiscal impact summary.

EXPENDITURES: The Department of Revenue estimates that it will take six additional personnel, an upgrade to the Tax Information Management System (TIMS), additional software licenses, and related supplies in order to implement, administer, and enforce the service charge on prepaid retail wireless accounts. Two auditors will be required to audit the various entities collecting the fee across the state and an additional auditor will be required to provide requested reviews of assessments and technical and administrative direction. One revenue tax technician and an information processing technician will be required to field any questions from those subject to the fee. One additional revenue collection officer will be required for forced collections. Under the Bill, the Department is allowed to retain 3% of collections for administration from October 2013 until October 2014 and 2% of collections thereafter. This administrative allowance is taken into account in the table below. Figures were inflated based on inflation guidelines in the 2011 Legislative Fiscal Note Manual.

HOUSE BILL 662

Short Title: Electronic Monitoring Fee. (Public)

Sponsors: Representatives Cook and Shepard (Primary Sponsors).
For a complete list of Sponsors, see Bill Information on the NCGA Web Site.

Referred to: Finance.

April 7, 2011

A BILL TO BE ENTITLED
AN ACT TO AUTHORIZE COUNTIES THAT PROVIDE ELECTRONIC MONITORING
FOR OFFENDERS TO COLLECT A FEE TO RECOVER THE ACTUAL COSTS OF
PROVIDING THAT MONITORING.

The General Assembly of North Carolina enacts:

SECTION 1. Article 28 of Chapter 7A of the General Statutes is amended by
adding a new section to read:

"§ 7A-313.1. Fee for costs of electronic monitoring.

A county that provides the personnel, equipment, and other costs of providing electronic
monitoring as a condition of an offender's bond or pretrial release may collect a fee from the
offender of no more than the actual costs of providing the electronic monitoring."

SECTION 2. This act becomes effective July 1, 2011.

HOUSE BILL 662: Electronic Monitoring Fee

2011-2012 General Assembly

Committee:	House Finance	Date:	May 26, 2011
Introduced by:	Reps. Cook, Shepard	Prepared by:	Trina Griffin
Analysis of:	First Edition		Committee Counsel

SUMMARY: *House Bill 662 would authorize counties that provide electronic monitoring imposed as a condition of a defendant's bond or pretrial release to collect a fee from the defendant for the actual costs of providing the monitoring. This bill would become effective July 1, 2011.*

CURRENT LAW: In 2009, the General Assembly made changes concerning the process for determining the conditions of pretrial release. House arrest with electronic monitoring ("Electronic house arrest" or "EHA") was established as a fifth type of pretrial release and, if imposed, requires the defendant to execute a secured bond. House arrest with electronic monitoring requires a defendant to remain at his or her residence unless the court has authorized the defendant to leave for the purpose of employment, counseling, a course of study, or vocational training. The defendant is also required to wear a device that permits the supervising agency to electronically monitor the defendant's compliance with the condition. The legislation did not provide any funds to implement EHA for pretrial release purposes. Upon conviction, a defendant who was placed on EHA within the scope of pretrial release services administered by a county agency is assessed a one-time \$15 fee,¹ which is remitted to the county providing the service.² However, there is no statutory authority to assess a fee for defendants who are not convicted or for an amount greater than \$15 for those who are convicted. Therefore, other than the \$15 fee as described, counties currently bear the cost of EHA.³

The cost of administering an EHA program varies. As a reference, it costs the Department of Correction \$11.07 per defendant per day for GPS monitoring; Pitt County indicates that it costs \$16.00 per defendant per day to implement its program. Also, a defendant who is subject to house arrest as a special condition of probation or who is subject to satellite-based monitoring due to conviction of certain sex offenses must pay a one-time \$90 electronic monitoring device fee, which is paid to the clerk of court. The fee may be waived for good cause and upon motion of the defendant.

BILL ANALYSIS: House Bill 662 would authorize counties that provide the personnel, equipment, and other costs of providing electronic monitoring as a condition of an offender's bond or pretrial release to collect a fee directly from the defendant representing the actual cost of providing the electronic monitoring. "Actual costs" could cover rental of the equipment as well as administrative costs for personnel and other aspects of the program. The fee may vary from county to county depending on how a county calculates its actual cost.

EFFECTIVE DATE: This act becomes effective July 1, 2011.

H662-SMSV-51(e1) v2

¹ G.S. 7A-304(a)(5).

² The cost may only be assessed if the defendant was accepted and released to the supervision of the agency providing the pretrial release service.

³ S.L. 2008-20, which is a local act that applies only to Randolph County, authorizes the clerk of superior court in that county to accept payment of the fee charged by the county sheriff for offenders ordered to participate in pretrial electronic monitoring.

AN ACT IMPOSING A SERVICE CHARGE ON EACH RETAIL TRANSACTION OF PREPAID WIRELESS TELECOMMUNICATIONS SERVICE FOR ANY PURPOSE OTHER THAN RESALE OCCURRING IN THIS STATE, REQUIRING THAT THE SERVICE CHARGE BE COLLECTED BY THE SELLER OF PREPAID WIRELESS TELECOMMUNICATION SERVICE AND REMITTED TO THE DEPARTMENT OF REVENUE, AND PROVIDING THAT THE DEPARTMENT OF REVENUE SHALL TRANSFER ALL SERVICE CHARGES COLLECTED, MINUS THE COSTS OF COLLECTION, TO THE 911 FUND TO SUPPORT 911 SERVICES IN THE STATE.

The General Assembly of North Carolina enacts:

SECTION 1.(a) G.S. 62A-43(b) reads as rewritten:

"(b) Prepaid Wireless. - ~~A voice communications service provider of prepaid wireless telephone service must collect and remit to the 911 Board the monthly service charge imposed upon prepaid wireless telephone subscribers in the State under one of the following methods:~~

- (2) ~~Dividing the provider's total earned prepaid wireless telephone service revenue received for the month from each active prepaid wireless telephone service subscriber by fifty dollars (\$50.00) and multiplying the quotient by the amount of the service charge. The monthly service charge for 911 service is not imposed on prepaid wireless telephone service."~~

SECTION 1.(b) This section is effective when it becomes law.

SECTION 2. G.S. 62A-40 reads as rewritten:

"§ 62A-40. Definitions.

The following definitions apply in this Article.

9 SECTION 3. G.S. 62A-43, as amended by Section 1 of this act, reads as rewritten:

10 "**§ 62A-43. Service charge for 911 service.**

11 (a) Charge Imposed. – A monthly 911 service charge is imposed on each active voice
 12 communications service connection that is capable of accessing the 911 system. The service
 13 charge for service other than prepaid wireless telecommunications service is seventy cents
 14 (70¢) or a lower amount set by the 911 Board under subsection (d) of this section. The service
 15 charge is payable by the subscriber to the voice communications service provider. The provider
 16 may list the service charge separately from other charges on the bill. Partial payments made by
 17 a subscriber are applied first to the amount the subscriber owes the provider for the voice
 18 communications service.

19 (b) Prepaid Wireless. ~~– The monthly service charge for 911 service is not imposed on~~
 20 ~~prepaid wireless service. A 911 service charge is imposed on each retail purchase of prepaid~~
 21 ~~wireless telecommunications service occurring in this State of seventy cents (70¢) for each~~
 22 ~~retail transaction of prepaid wireless telecommunications service or a lower amount set as~~
 23 ~~provided by subsection (d) of this section. The service charge is collected and remitted as~~
 24 ~~provided in G.S. 62A-54.~~

25 (c) Remittance to 911 Board. – A voice communications service provider must remit
 26 the service charges collected by it under subsection (a) of this section to the 911 Board. The
 27 provider must remit the collected service charges by the end of the calendar month following
 28 the month the provider received the charges from its subscribers. A provider may deduct and
 29 retain from the service charges it receives from its subscribers and remits to the 911 Board an
 30 administrative allowance equal to the greater of one percent (1%) of the amount of service
 31 charges remitted or fifty dollars (\$50.00) a month.

32 (d) Adjustment of Charge. – The 911 Board must monitor the revenues generated by the
 33 ~~service charge charges imposed by this section.~~ If the 911 Board determines that the ~~rate~~
 34 ~~produces rates produce~~ revenue that exceeds or is less than the amount needed, the 911 Board
 35 may adjust the ~~rate rates.~~ The ~~rate rates~~ must ensure full cost recovery for voice
 36 communications service providers and for primary PSAPs over a reasonable period of time.
 37 The 911 Board must set the service charge for prepaid wireless telecommunications service at
 38 the same rate as the monthly service charge for non-prepaid service. A change in the amount of
 39 the rate becomes effective only on July 1. The 911 Board must notify providers of a change in
 40 the rate rates at least 90 days before the change becomes effective. The 911 Board must notify
 41 the Department of Revenue of a change in the rate for prepaid wireless telecommunications
 42 service at least 90 days before the change becomes effective. The Department of Revenue must
 43 provide notice of a change in the rate for prepaid wireless telecommunications service at least
 44 45 days before the change becomes effective only on the Department's website.

45"

46 SECTION 4. G.S. 62A-44(b) reads as rewritten:

47 "(b) Allocation of Revenues. – The 911 Board may deduct and retain for its
 48 administrative expenses a percentage of the total service charges remitted to it under
 49 G.S. 62A-43 for deposit in the 911 Fund. The percentage may not exceed two percent (2%).
 50 The percentage is one percent (1%) unless the 911 Board sets the percentage at a different
 51 amount. The 911 Board must monitor the amount of funds required to meet its financial

1 commitment to provide technical assistance to primary PSAPs and set the rate at an amount
2 that enables the 911 Board to meet this commitment. The remaining revenues remitted to the
3 911 Board for deposit in the 911 Fund are allocated as follows:

- 4 (1) A percentage of the funds remitted by CMRS providers, other than
5 the funds remitted by the Department of Revenue from prepaid wireless
6 telecommunications service, to the 911 Fund are allocated for
7 reimbursements to CMRS providers pursuant to G.S. 62A-45.
- 8 (2) A percentage of the funds remitted by CMRS providers, all funds
9 remitted by the Department of Revenue from prepaid wireless
10 telecommunications service, and all funds remitted by all other voice
11 communications service providers are allocated for monthly distributions to
12 primary PSAPs pursuant to G.S. 62A-46 and grants to PSAPs pursuant to
13 G.S. 62A-47.
- 14 (3) The percentage of the funds remitted by CMRS providers allocated to
15 CMRS providers and PSAPs shall be set by the 911 Board and may be
16 adjusted by the 911 Board as necessary to ensure full cost recovery for
17 CMRS providers and, to the extent there are excess funds, for distributions
18 to primary PSAPs."

19 **SECTION 5.** Article 3 of Chapter 62A of the General Statutes is amended by
20 adding a new section to read:

21 **"§ 62A-54. Service charge for prepaid wireless telecommunications service; seller collects**
22 **911 service charge on each retail transaction occurring in this State;**
23 **remittances to Department of Revenue and transfer to 911 Fund.**

24 (a) Retail Collection. – A seller of prepaid wireless telecommunications service shall
25 collect the 911 service charge for prepaid wireless from the consumer on each retail transaction
26 occurring in this State. The 911 service charge for prepaid wireless telecommunications service
27 is in addition to the sales tax imposed on the sale or recharge of prepaid telephone calling
28 service under G.S. 105-164.4(4d). The amount of the 911 service charge for prepaid wireless
29 must be separately stated on an invoice, receipt, or other reasonable notification provided to the
30 consumer by the seller at the time of the retail transaction. For purposes of this Article, a retail
31 transaction is occurring in this State if the sale is sourced to this State under
32 G.S.105-164.4B(a).

33 (b) Administrative Allowance; Remittance to Department of Revenue. – A seller may
34 deduct and retain from the 911 service charges it collects from consumers and remits to the
35 Department of Revenue an administrative allowance of five percent (5%). A seller shall remit
36 the 911 service charge for prepaid wireless service collected by it under subsection (a) of this
37 section in either of the following ways:

38 (1) Monthly to the Department of Revenue. The service charges collected in a
39 month are due by the 20th day of the month following the calendar month
40 covered by the return.

41 (2) Semi-annually to the Department of Revenue. The service charges collected
42 in the first six months of the calendar year are due by July 20. The service
43 charges collected in the second six months of the calendar year are due by
44 January 20.

45 (c) Administration. – Administration, auditing, requests for review, making returns,
46 promulgation of rules and regulations by the Secretary of Revenue, additional taxes and liens,
47 assessments, refunds, and penalty provisions of Article 9 of Chapter 105 of the General Statutes
48 apply to the collection of the 911 service charge for prepaid wireless service. An audit of the
49 collection of the 911 service charge for prepaid telecommunications wireless service shall only
50 be conducted in connection with an audit of the taxes imposed by Article 5 of Chapter 105 of
51 the General Statutes. Underpayments shall be subject to the same interest rate as imposed for

1 taxes under G.S. 105-241.21. Overpayments shall be subject to the same interest rate as
2 imposed for taxes under G.S. 105-241.21(c)(2). Excessive and erroneous collections of the
3 service charge will be subject to G.S. 105-164.11. The Department of Revenue shall establish
4 procedures for a seller of prepaid wireless telecommunications service to document that a sale
5 is not a retail transaction, and the procedures established shall substantially coincide with the
6 procedures for documenting a sale for resale transaction under G.S. 105-164.28. The Secretary
7 of Revenue may retain the costs of collection from the remittances received under subsection
8 (b) of this section, not to exceed five hundred thousand dollars (\$500,000) a year of the total
9 911 service charges for prepaid wireless telecommunications service remitted to the
10 Department. Within 45 days of the end of each month in which 911 service charges for prepaid
11 wireless telecommunications service are remitted to the Department, the Secretary of Revenue
12 shall transfer the total 911 service charges remitted to the Department less the costs of
13 collection to the 911 Fund established under G.S. 62A-44.

14 (d) Liability of Consumer. – The 911 service charge for prepaid wireless
15 telecommunications service is the liability of the consumer and not of the seller or of any
16 provider, except that the seller shall be liable for remitting to the Department of Revenue all
17 911 service charges for prepaid wireless telecommunications service that the seller collects
18 from consumers as provided in subsection (b) of this section.

19 **"§ 62A-55. Limitation of liability, prepaid wireless.**

20 In addition to the limitation of liability provided in subsection G.S. 62A-53, each provider
21 and seller of prepaid wireless telecommunications service is entitled to the following
22 limitations of liability:

23 (1) No provider or seller of prepaid wireless telecommunications service shall
24 be liable for damages to any person resulting from or incurred in connection
25 with the provision of or the failure to provide 911 service, or for identifying
26 or failing to identify the telephone number, address, location, or name
27 associated with any person or device that is accessing or attempting to access
28 911 service.

29 (2) No provider or seller of prepaid wireless telecommunications service shall
30 be liable for damages to any person resulting from or incurred in connection
31 with the provision of any lawful assistance to any investigative or law
32 enforcement officer of the United States, this State or any other state, or any
33 political subdivision of this State or any other state, in connection with any
34 lawful investigation or other law enforcement activity by the law
35 enforcement officer.

36 **"§ 62A-56. Exclusivity of 911 service charge for prepaid wireless service.**

37 The 911 service charge for prepaid wireless imposed by this Article is the only 911 funding
38 obligation imposed with respect to prepaid wireless telecommunication service in this State,
39 and no tax, fee, surcharge, or other charge shall be imposed in this State, any subdivision of this
40 State, or any intergovernmental agency, for 911 funding purposes, upon any provider, seller, or
41 consumer with respect to the sale, purchase, use, or provision of prepaid wireless
42 telecommunications service."

43 **SECTION 6.** Chapter 105 of the General Statutes is amended by adding a new
44 Article to read as follows:

45 **"Article 5H.**

46 **"911 Service Charge for Prepaid Wireless.**

47 **"§ 105-187.70. Department comply with Article 4 of Chapter 62A of the General Statutes.**

48 The Department of Revenue shall comply with the provisions of Article 3 of Chapter 62A
49 of the General Statutes to receive and transfer to the 911 Fund the 911 service charge for
50 prepaid wireless collected on retail transactions occurring in this State."

1 **SECTION 7.** Notwithstanding G.S. 62A-60(b), as enacted by Section 5 of this act,
2 sellers that collect the 911 service charge for prepaid wireless telecommunications service may
3 retain all of the service charges collected in the first three calendar months beginning on or
4 after July 1, 2013.

5 **SECTION 8.** Notwithstanding G.S. 62A-60(c), as enacted by Section 5 of this act,
6 the Department of Revenue may retain the cost of collection not to exceed seven hundred
7 thousand dollars (\$700,000) of the 911 service charges for prepaid wireless
8 telecommunications service remitted to it from collections by sellers of the charge for the first
9 12 calendar months beginning on or after July 1, 2013.

10 **SECTION 9.** Unless otherwise provided, this act becomes effective July 1, 2013,
11 and applies to all retail transactions occurring in this State, as that term is defined in this act, on
12 or after that date.

HOUSE BILL 571: Prepaid Wireless/Point of Sale Collection

2011-2012 General Assembly

Committee: House Finance	Date: June 2, 2011
Introduced by: Reps. Sager, Justice, Bryant, Brawley	Prepared by: Heather Fennell
Analysis of: PCS to Second Edition H571-CSTD-46	Committee Counsel

SUMMARY: *The proposed committee substitute for House Bill 571 would provide for the collection of the 911 service charge on prepaid wireless service at the point of retail sale.*

This PCS makes the following changes from the PCS that was considered by the Committee yesterday:

- *Clarifies that retailers may remit the 911 service charges for prepaid wireless monthly or semiannually.*
- *Clarifies the enforcement authority of the Department of Revenue includes auditing, but auditing of the 911 fee may only be conducted in connection with a sales tax audit.*
- *Increases the amount the Department of Revenue may retain for the costs of administration. The Department may retain the costs of collection not to exceed \$700,000 in the first year and \$500,000 in the subsequent years.*

[As introduced, this bill was identical to S302, as introduced by Sens. Hartsell, McKissick, which is currently in Senate Finance.]

CURRENT LAW: Prior to 2007, North Carolina local government entities collected a 911 service charge from subscribers of local telephone providers, and the Wireless 911 Board collected a monthly service charge from subscribers of wireless providers. In 2007, the local 911 service charge was eliminated, and a new statewide administrative system was adopted for collection and distribution of the 911 service charge. Part of the 2007 changes addressed the collection of the 911 charge from prepaid wireless customers. G.S. 62A-40 authorizes the collection of the 911 fee from prepaid wireless providers in one of the following two ways:

- Decrement – collecting the service charge from each active prepaid wireless customer with an account balance equal to or greater than the amount of the service charge.
- Average Rate Per User - A monthly payment for 911 charges for each provider of prepaid wireless service is determined based on its sales of prepaid revenue in the State during the month. The provider's prepaid revenue in the state is divided by the "average revenue per user" and then multiplied by the amount of the fee. The average rate per user in the statute is currently \$50.

There has been a moratorium on the collection of the 911 charge from prepaid customers since the 2007 changes. The moratorium on collection of the 911 fee from prepaid wireless is in effect through calendar year 2011.¹

The current charge for 911 service is 60¢ per month. The charge is imposed on each subscriber of postpaid phone service, regardless of the technology used to offer the service. The statutes provide that

Research Division

House PCS 571

the fee may not be greater than 70¢ per month, however, the 911 Board may set the fee at a lower amount if the revenues are sufficient to fund 911 service.

BILL ANALYSIS:

Section 1: Repeals the current method of collection of the 911 service charge for prepaid wireless service.

Sections 2 and 3: Provides the 911 service charge for prepaid wireless service is 70¢ on each retail transaction of prepaid wireless service, or a lower amount set by the Board. The 911 service charge for prepaid wireless would be the same as the monthly charge for 911 service imposed on all other phone subscribers. The current fee is 60¢ per month.

Section 4: Currently a portion of the 911 service charges is allocated to reimburse wireless providers to pay for upgrades to their system necessary for the implementation for enhanced 911. The upgrades allow the wireless phone systems to provide address and location information to the 911 call centers. The remainder of the 911 service charges are distributed to public safety answering points (PSAPs) for 911 service. This section clarifies that the 911 service charge from prepaid wireless service will be allocated for reimbursements for wireless providers. The 911 service charge from prepaid wireless will be distributed to PSAPs.

Section 5: Provides for the collection of the 911 service charge for prepaid wireless at retail.

Retail collection: Each seller of prepaid wireless will collect the 911 service charge and remit the charge to the Department of Revenue. A seller must remit the charges either monthly, or semiannually. Each retailer is allowed to retain for administrative costs 5% of the 911 service charges for prepaid wireless that it collects. However, **Section 7** of the bill provides that each retailer is allowed to retain for administrative costs all of the fees collected in the first three months after the effective date of the act.

Administration by Department of Revenue: The Department of Revenue will collect the 911 service charge for prepaid wireless from the retailers and remit the fee to the 911 Board each month within 45 days of the end of the month the service charges were collected. The Department of Revenue may retain the costs of collection not to exceed \$500,000 a year. However, **Section 8** of the bill provides that the Department may retain the cost of collection not to exceed \$700,000 for the first year after the effective date of this act.

EFFECTIVE DATE: This act is effective July 1, 2013 and applies to retail transactions on or after that date.

BILL SUMMARY: The proposed committee substitute for House Bill 571, Prepaid Wireless/Point of Sale Collection, amends G.S. 62A-43(b) to provide that the monthly service

charge for E911 services under G.S. 62A-43(b) is applied to prepaid wireless transactions. The E911 service charge is currently 60¢ on each retail transaction occurring in North Carolina.

Effective July 1, 2013, the bill allows sellers that collect prepaid wireless E911 service charges to retain all of the services charges collected in the first three calendar months after the effective date of the act, July 1, 2013 through October 1, 2013. After October 1, 2013, prepaid wireless retailers may retain up to five percent of all fees collected. The Department of Revenue, for administrative purposes, retains \$700,000 of the tax collected in FY 2013-14 and \$500,000 in subsequent fiscal years.

ASSUMPTIONS AND METHODOLOGY:

REVENUE: Fiscal Research estimates that HB 571 will generate \$8.3 million to \$9.1 million in total revenue per fiscal year. After deducting the administrative allowances that HB 571 provides to retailers and the Department of Revenue, the bill is expected to generate roughly \$7.6 million in E911 fees when fully implemented. The revenue estimate is based on data from the Federal Communications Commission, the International Association for the Wireless Telecommunications Industry (CTIA), U.S. Census 2007 Economic Census, and the New Millennium Research Council. The paragraphs below provide more detail on methodology.

The CTIA, December 2010 *End of the Year Industry Report* estimated a total of 302.9 million active cell phone lines in the U.S. Fiscal Research adjusted the U.S. cellular phone estimates based on North Carolina's share of the U.S. cellular industry as provided by the 2007 Economic Census. North Carolina salaries, according to Census data, account for 2.48% of the U.S. cellular industry payroll. Utilizing this data, Fiscal Research developed an estimate of 7.5 million cellular phones in North Carolina.

According to New Millennium Research Council (NMRC) data, prepaid wireless customers account for 25% of the cellular phone industry (7.5 million North Carolina cellular phones *0.25= 1.89 million). NMRC divides prepaid wireless subscribers into two groups, 1) those with "pay as you go" services which account for 48% of all prepaid wireless users, and 2) those with unlimited services which account for 52% of all prepaid wireless users. The purchasing habits of the two groups differ significantly.

The Minnesota Department of Revenue, in estimating the fiscal impact of applying an E911 service charge to prepaid wireless services, assumed that the average prepaid customer has 11.6 transactions per year. Fiscal Research applied the 11.6 per year transaction estimate to 48% of all prepaid wireless customers, the pay as you go group. The second prepaid group, the group with unlimited services, was assumed to have one prepaid wireless purchase per fiscal year. The fiscal estimate assumes that a total of 11.4 million prepaid wireless transactions occur annually. Given the current E911 fee of \$0.60 per transaction, HB 571 if applied in FY 2010-11 would generate \$6.85 million in total revenue (\$0.60*11.4 million transactions).

Prepaid wireless services represent a growing portion of the wireless communications industry. Because the industry is dependent, not only on changes in the economy, but also demographic changes, adjusting the estimates by inflation alone would be inaccurate. Legislative researchers in

New Mexico and Minnesota cite prepaid wireless annual industry growth rates between 6.3% and 19%. Fiscal Research utilized a conservative growth factor based on North Carolina's annual 18-30 year old population growth and inflation. These two factors combined equaled on average 4.72%. In sum, the \$6.85 million figure is adjusted upward by 4.72% to reflect the total revenue figures represented in the fiscal impact summary.

EXPENDITURES: The Department of Revenue estimates that it will take six additional personnel, an upgrade to the Tax Information Management System (TIMS), additional software licenses, and related supplies in order to implement, administer, and enforce the service charge on prepaid retail wireless accounts. Two auditors will be required to audit the various entities collecting the fee across the state and an additional auditor will be required to provide requested reviews of assessments and technical and administrative direction. One revenue tax technician and an information processing technician will be required to field any questions from those subject to the fee. One additional revenue collection officer will be required for forced collections. Under the PCS, the Department is allowed to retain up to \$700,000 of collections for administration for FY 2014 and \$500,000 of collections thereafter. This administrative allowance is taken into account in the table below. The salary and cost figures were inflated based on inflation guidelines in the 2011 Legislative Fiscal Note Manual.

A BILL TO BE ENTITLED

AN ACT TO CLARIFY THAT TERMINAL RENTAL ADJUSTMENT CLAUSES DO NOT
CREATE A SALE OR SECURITY INTEREST IN THE LEASED VEHICLE.

The General Assembly of North Carolina enacts:

SECTION 1. Article 3 of Chapter 20 of the General Statutes is amended by adding
a new section to read:

**"§ 20-78.1. Terminal rental adjustment clauses; vehicle leases that are not sales or
security interests.**

**Notwithstanding any other provision of law, a lease transaction does not create a sale or
security interest in a motor vehicle or trailer merely because the lease contains a terminal rental
adjustment clause that provides that the rental price is permitted or required to be adjusted up or
down by reference to the amount of money realized upon the sale or other disposition of the
motor vehicle or trailer."**

SECTION 2. This act is effective when it becomes law.

SENATE BILL 590: Terminal Rental Adjustment Clauses

2011-2012 General Assembly

Committee: House Finance	Date: June 2, 2011
Introduced by: Sen. Vaughan	Prepared by: Greg Roney
Analysis of: First Edition	Committee Counsel

SUMMARY: *Senate Bill 590 would provide that a terminal rental adjustment clause (TRAC) does not create a sale or security interest in a leased vehicle or trailer.*

BACKGROUND: Terminal rental adjustment clauses (TRAC) are used in commercial leases for fleets of motor vehicles. Terminal rental adjustment clauses adjust the rental price based upon the actual sale price of the motor vehicle or trailer at the end of the lease.

BILL ANALYSIS: Senate Bill 590 would provide that lease transactions do not create a sale or security interest in a motor vehicle or trailer because the lease contains a terminal rental adjustment clause.

EFFECTIVE DATE: The bill would be effective when it becomes law.

Cameron Campus of GTCC and its companion facilities as an event venue.*

CURRENT LAW: G.S. 115D-15 governs the sale, lease, or exchange of real property owned by a community college. The Board of Trustees of a community college may sell, exchange, or lease real property owned or held by the Board with the prior approval of the NC Community Colleges System Office.

Article 12 of G.S. Chapter 160A of the General Statutes applies to the disposal or sale of any real or personal property owned or held by a community college. The proceeds of any sale or lease must be used for capital outlay purposes.

G.S. 66-58 provides that units, departments, and agencies of State government may not engage in the sale of merchandise or services in competition with private enterprise. The statute also provides a number of exceptions to the general rule.

BILL ANALYSIS: Section 1 of House Bill 409 authorizes the board of trustees of Guilford Technical Community College (GTCC) to lease at private sale a portion of its land and improvements located on the Donald W. Cameron Campus to the North Carolina Center for Global Logistics (NCCGL). The terms and conditions of the lease may include rental at less than fair market value.

Section 2 of the bill provides that the proceeds of the lease may be used by the Board for current operating expenses or for capital outlay purposes.

Section 3 of the bill exempts GTCC from the Umstead Act for purposes of allowing the use of its the personnel and facilities, with the consent of the Board, in support of economic development through the operation of the Donald W. Cameron Campus and its facilities as an event venue. Proceeds generated shall be used either to pay the operations cost of GTCC's facilities, to support the event venue, or to support the mission of the college.

EFFECTIVE DATE: The act is effective when it becomes law.

BACKGROUND: This bill would allow GTCC to partner with the NCCGL to further economic development efforts in the Piedmont Triad Region around the transportation, logistics, and supply chain industry cluster.

SENATE BILL 118: Downtown Service District Definition

2011-2012 General Assembly

Committee: House Finance	Date: June 1, 2011
Introduced by: Sen. Preston	Prepared by: Cindy Avrette
Analysis of: PCS to First Edition S118-CSRbx-47	Committee Counsel

SUMMARY: *Senate Bill 118 expands the list of examples of improvements authorized in a municipal service district for downtown revitalization to include public buildings, restrooms, docks, visitor centers, and tourism facilities. The bill received a favorable report from the House Government Committee. The Proposed House Committee Substitute rearranges the subsection to put the substantive provisions at the beginning of the subsection and the illustrative list of projects in a list. By putting the projects in a list, it clarifies that the new example included in the list, the construction of various types of facilities, must all be public facilities.*

CURRENT LAW: Article V, Sec. 2(4) of the North Carolina Constitution allows the General Assembly to enact *general* laws authorizing the governing board of a local governmental unit to define territorial areas and to levy additional taxes within those areas to finance a service that is provided to a greater extent in that area than is provided to the entire area of the governmental unit. Based on that provision, Article 23 of Chapter 160A authorizes a city to define a municipal service district and to levy a property tax in that district that is in addition to those levied through the city. A city may incur debt, as allowed under general law, to finance services within a service district. When there is no longer a need for the service district, the district may be abolished.

To create a district, a city must hold a public hearing on a proposed resolution. The resolution must define the service district and find that the area defined is in need of one or more of the services for which a district may be created to a demonstrably greater extent than the remainder of the city. The resolution may become effective at the beginning of a fiscal year. Once a district is created, the city must provide or let contracts for the service for which the residents of the district are being taxed within one year of the effective date of the district.

The purposes for which a service district may be created are many: Beach erosion control and flood and hurricane protection works; any service which the municipality may by law provide, such as placing utility wiring underground; downtown revitalization projects; transit-oriented development projects; drainage projects; sewage collection and disposal systems; lighting at interstate highway interchange ramps; off-street parking facilities; and watershed improvement projects.

BILL ANALYSIS: Senate Bill 118 expands the list of examples of improvements authorized in a municipal service district for downtown revitalization to include public buildings, restrooms, docks, visitor centers, and tourism facilities. The Proposed House Committee Substitute rearranges the subsection that defines "Downtown Revitalization" to separate the definition of the term from the illustrative list of projects that are given as examples of types of projects that may be financed in a service district created for downtown revitalization.

EFFECTIVE DATE: This act is effective when it becomes law.

2 construction, development, operation, and/or maintenance of any airport or facilities of same
3 located in the Counties of Buncombe or Henderson. If the airport ceases to operate or if the
4 Authority is dissolved, any applicable real property of the Counties of Buncombe or Henderson
5 or the City of Asheville conveyed or transferred to the Authority under this act shall revert to
6 the grantor.

7 **SECTION 7.(b)** The County of Buncombe, the County of Henderson, and the City
8 of Asheville shall transfer to the Authority within 90 days after enactment of this act all its
9 right, title, and interest to the property known as the Asheville Regional Airport, except if
10 approval of a federal agency is required, then within 90 days of that approval.

11 **SECTION 7.(c)** Private property needed by the Authority for any airport, landing
12 field, or facility may be acquired by the Authority by gift, devise, or private purchase. Aviation
13 easements needed by the Authority for any airport, landing field, or facility may likewise be
14 acquired by gift, devise, or private purchase. Unless the power of eminent domain is required
15 by federal law or federal regulation, Chapter 40A of the General Statutes does not apply to the
16 Authority, and it may not exercise the power of eminent domain. If a federal law or federal
17 regulation does require the Authority to have the power to exercise eminent domain, it may
18 only do so for public use for an airport purpose or purposes, and any eminent domain
19 proceeding must be authorized jointly by all of the three appointing authorities. In no case,
20 however, may the power of eminent domain be used for purposes not necessary for the
21 operation of the airport, and more specifically no property may be acquired by eminent domain
22 for such uses as hotels, motels, restaurants, or industrial parks.

23 **SECTION 7.(d)** Any lands acquired, owned, controlled, or occupied by the
24 Authority shall and/or are hereby declared to be acquired, owned, controlled, and occupied for
25 a public purpose.

26 **SECTION 7.(e)** The Authority is not authorized to levy any tax.

27 **SECTION 7.(f)** Any claim by Henderson County against the City of Asheville or
28 the current airport authority on account of acquisition of property by either or both of them in
29 Henderson County is extinguished.

30 **SECTION 8.** The Authority shall make annual reports to the Buncombe County
31 Board of Commissioners, the Asheville City Council, and the Henderson County Board of
32 Commissioners setting forth a summary of its general operations and transactions conducted by
33 it pursuant to this act. The Authority shall be regarded as the corporate instrumentality and
34 agent for Buncombe and Henderson Counties and the City of Asheville for the purpose of
35 developing aviation facilities in the Counties of Buncombe and Henderson, but it shall have no
36 power to pledge the credit of the Counties of Buncombe or Henderson or the City of Asheville,
37 or to impose any obligation upon those counties, or the City of Asheville, except and when
38 such power is expressly granted by statute.

39 **SECTION 9.** All rights, powers, and authority given to the counties and/or
40 municipalities by the statutes of North Carolina, which may now be in effect, or which may be
41 enacted in the future, relating to the development, operation, maintenance, regulation, and/or
42 control of municipal or other governmental airports and the regulations of aircraft are hereby
43 vested in the Authority.

44 **SECTION 10.** The Authority is hereby expressly authorized to make and enter into
45 contracts, leases, subleases, conveyances, and other agreements with any political subdivision,
46 agency, department, or instrumentality of this State, any agency, department, or subdivision of
47 the United States, or any other legal entity or person for the purpose of carrying out the
48 provisions of this act.

49 **SECTION 11.** The powers and authority of the Authority created by this act shall
50 be construed liberally in favor of the Authority. No listing of powers and/or authority included
51 in this act is intended to be exclusive or restrictive, and the specific mention of, or failure to

1 mention, any particular power or authority in this act shall not be construed as limiting in any
2 way the general powers and authority of the Authority as stated in Section 6 of this act or
3 elsewhere in this act. It is the intent of this act to grant the Authority full power, authority, and
4 right to exercise all powers and authority necessary, beneficial, helpful, incidental, or expedient
5 for the effective operation and conduct of the Authority. It is further intended that the Authority
6 should have all implied powers and authority necessary, beneficial, helpful, incidental, or
7 expedient to carrying out the express powers and authority and the express purposes for which
8 the Authority is created. The fact that this act specifically states that the Authority possesses a
9 certain power or authority does not mean or imply that the Authority must exercise such power
10 unless this act specifically so requires.

11 **SECTION 12.** G.S. 66-58(a) does not apply to the Greater Asheville Regional
12 Airport Authority or a lessee or sublessee of the Greater Asheville Regional Airport Authority.

13 **SECTION 13.** If any provision of this act or its application is held invalid, the
14 invalidity does not affect other provisions or applications of this act that can be given effect
15 without the invalid provisions or application, and to this end the provisions of this act are
16 severable.

17 **SECTION 14.** This act is effective when it becomes law.

HOUSE BILL 552: Greater Asheville Reg. Airport Authority

2011-2012 General Assembly

Committee: House Finance	Date: June 2, 2011
Introduced by: Reps. Moffitt, McGrady	Prepared by: Greg Roney
Analysis of: PCS to Second Edition H552-CSLB-61	Committee Counsel

SUMMARY: *The Proposed Committee Substitute for House Bill 552 would create the Greater Asheville Regional Airport Authority and require the Counties of Buncombe and Henderson and the City of Asheville to transfer to the Authority all property known as the Asheville Regional Airport.*

CURRENT LAW: The Asheville Regional Airport is governed by the Asheville Regional Airport Authority (ARAA), created by interlocal agreement, and governed by a Board from Asheville and Buncombe County.

BILL ANALYSIS: The PCS for House Bill 552 would create the Greater Asheville Regional Airport Authority (Authority) to succeed the current Asheville Regional Airport Authority (ARAA). The PCS:

- Provides for a seven member board including:
 - Two members appointed by the Asheville City Council from the registered voters of Asheville.
 - Two members appointed by the Board of Commissioners of Buncombe County from the registered voters of Buncombe County.
 - Two members appointed by the Board of Commissioners of Henderson County from the registered voters of Henderson County.
 - One member appointed by majority vote of the other six members.
 - Members may not hold elected office or conduct business with the Authority.
- Provides for current ARAA members to continue to serve until the completion of their terms.
- Provides that a majority of all members is a quorum, and action requires four votes in favor.
- Sets out the powers of the Authority including:
 - Authority to issue revenue bonds and/or refunding bonds pursuant to the Local Government Revenue Bond Act.
 - Exemption from G.S. 66 58(a) thereby allowing competition with private businesses.
- Denies the Authority the power to tax or exercise the power of eminent domain unless the power of eminent domain is required by federal law or federal regulation. If a federal law requires the Authority to have the power to exercise eminent domain, any eminent domain proceeding must be authorized jointly by all of the three appointing authorities. In no case may the power of eminent domain be used for purposes not necessary for the operation of the airport. No property may be acquired by eminent domain for such uses as hotels, motels, restaurants, or industrial parks.

EFFECTIVE DATE: The PCS is effective when it becomes law.

PCS for HOUSE BILL 896: Facilitate Electronic Listing

2011-2012 General Assembly

Committee:	House Finance	Date:	June 1, 2011
Introduced by:	Rep. Brubaker	Prepared by:	Trina Griffin
Analysis of:	PCS to First Edition H896-CSSV-24		Committee Counsel

SUMMARY: *The Proposed Committee Substitute for House Bill 896 would authorize the Department of Revenue, in consultation with the counties, to establish standards and requirements for the electronic listing of personal property allowed by counties.*

CURRENT LAW: All property, real and personal, within the jurisdiction of this State is subject to property tax unless it is excluded by statute or exempted by the Constitution. The property must be listed annually. A board of county commissioners may, by resolution, provide for electronic listing of personal property. If a county allows electronic listing of personal property, the assessor must publish this information, including the timetable and procedures for electronic listing.

BILL ANALYSIS:

Section 1 of the bill would repeal the current statutory authority that allows counties to provide for electronic listing of personal property. The bill creates a new statute in its place (see Section 4) that allows counties to provide for electronic listing of personal property only after the Department of Revenue has established standards and minimum requirements.

Section 2 of the bill would require that a county include in the published notice regarding the listing of personal property whether the county allows electronic listing and the timetable and procedures for doing so.

Section 3 of the bill provides that a resolution that includes a general extension of time for the electronic listing of personal property continues to be in effect until the resolution is revised or rescinded. It further provides that if a board grants an individual taxpayer an extension for good cause shown for the electronic listing of personal property, the extension may not extend beyond June 1. Under current law, the period for electronic listing may only be extended to June 1, both generally and in individual cases. Other individual extensions may not extend beyond April 15.

Section 4 of the bill creates a new statute that would authorize the Department of Revenue to establish, upon consultation with the counties, standards and requirements for the electronic listing of personal property. Once the standards have been established, a county may, by resolution, provide for electronic listing. A county may also delegate this authority to the county tax assessor.

Section 5 of the bill would eliminate the requirement that a person with a duty to list property to appear before the assessor and would substitute a requirement to file a completed abstract along with the required affirmation.

EFFECTIVE DATE: This act is effective when it becomes law.

34 SECTION 5. The Revenue Laws Study Committee must review the effect of the
 35 changes enacted by this act to determine whether they have simplified the collection and
 36 remittance of fees by the Register of Deeds for the filing of various instruments and to study
 37 the effect the fees changes have had on revenue collections in the 100 counties. The Committee

HOUSE BILL 384: Register of Deeds/Fees

2011-2012 General Assembly

Committee: House Finance	Date: June 1, 2011
Introduced by: Reps. Howard, West, Rapp, Wilkins	Prepared by: Cindy Avrette
Analysis of: PCS to First Edition H384-CSRBF-46	Committee Counsel

SUMMARY: *House Bill 384 seeks to simplify the collection and remittance of fees collected by the register of deeds for registering or filing certain instruments. The proposed committee substitute modifies the fee structure in the original bill to more nearly approximate revenue neutrality.*

CURRENT LAW: The filing fees for registering and filing documents with the county register of deeds have traditionally been a local source of revenue for the county's general fund. In recent years, the General Assembly has begun increasing the filing fees for various records and using the increased fee amount for dedicated purposes:

1983	Increased the fee for issuance of a marriage license by \$5 and required \$5 of the fee be credited to the Children's Trust Fund
1991	Increased the fee for issuance of a marriage license by \$20 and required \$30 of the \$40 fee to be credited to the Domestic Violence Center Fund
2001	Increased all of the filing fees and required 10% of the fees to be retained by the county and placed in a nonreverting Automation Enhancement and Preservation Fund, to be used by the county on computer or imaging technology and needs associated with the preservation and storage of public records in the office of the register of deeds
2008	Increased the fee for filing deeds of trust and mortgages by \$10 and required \$10 of the fee be credited to the Floodplain Mapping Fund, for the Department of Crime Control and Public Safety
2009	Increased the fee for filing deeds of trust and mortgages by \$6 and required \$5 of the fee be credited to the State General Fund as nontax revenue and a fixed amount of the fee, \$3.20, be credited to the Automation Enhancement and Preservation Fund (instead of 10% of the fee amount as initially enacted in 2001)
2009	Increased the fee for filing a deed by \$5 and required \$5 of the fee be credited to the Department of Cultural Resources to offset the costs of the Archives and Records Management Program

The result of these fee changes is varying fee amounts for different instruments and confusion and complexity for the registers of deeds who must account for the different State ear-markings each month.

BILL ANALYSIS: The PCS for House Bill 348 eliminates the different fee amount for deeds so that once again there are only two filing fees for instruments: one for deeds of trust and mortgages and one for all other instruments. The PCS also establishes a set amount of the fee revenue from those filings that must be remitted to the State Treasurer, \$6.20. It becomes the responsibility of the State to credit the appropriate percentage amount to the different accounts. The percentage distributions reflect the current fixed dollar amounts relationship to the total percent of collections distributed. The new fee range results in 1.46% increase in State collections. The bill also changes the fixed dollar amount of the fee collected to register deeds of trust and mortgages that is retained by the counties for the Automation Enhancement

House PCS 384

Page 2

and Preservation Fund to the amount necessary to hold the counties' Funds harmless: \$6.20. The new fee range results in a 4.25% increase in total collections for counties.

The new fee amounts are as follows:

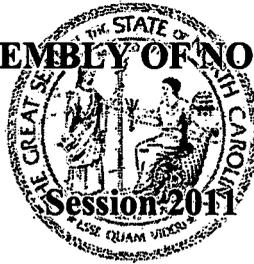

Instrument	Current Fee Amount	Proposed Fee Amount
<i>Instruments in General</i>	\$12 for the first page \$3 for each page thereafter	\$26 for the first 15 pages \$4 for each page thereafter

The intent of the bill is to simplify the collection and remittance of fees by the register of deeds, and to do so in a revenue neutral manner for both the State and the counties. For this reason, the bill includes a provision directing the Revenue Laws Study Committee to review the effect of these changes and to report its findings to the General Assembly. The bill also sunsets the changes; the Revenue Laws Study Committee may recommend that the sunset be lifted or retained, based upon its findings

EFFECTIVE DATE: The bill becomes effective October 1, 2011, and expires on July 1, 2013. It applies to instruments registered on and after that date.

BILL SUMMARY: House Bill 384 simplifies the fee schedule used when filing instruments with the county register of deeds offices. The register of deeds, as defined in Chapter 161 of the North Carolina General Statutes among other capacities serves as the county records keeper. When

documents, licenses and other instruments are filed with the county, the register of deeds utilizes the fee schedule established in G.S. 161-10. House Bill 384 modifies this schedule of fees, creating a uniform fee for all types of instruments contained within G.S. 161-10. The current fees set forth in statute include:

- Deeds of trust, mortgages, cancellation of deeds of trust, and cancellation of mortgages, (\$28.00 fee for the first page, and a \$3.00 fee for each additional page),
- Records of satisfaction (\$0.00 fee), and
- Other instruments (\$ 12.00 for the first page, plus \$3.00 for each additional page).

If enacted, the proposed committee substitute for HB 384 would create uniform fees for all of the aforementioned instruments.

- The fee for deeds of trust would be set at \$56.00 per document for the first 15 pages, and \$4.00 per page for subsequent pages.
- The fee for all other documents would be set at \$26.00 per document for the first 15 pages, and \$4.00 per page for subsequent pages.

The bill also modifies G.S. 161-11.5, the statute defining how the state portion of the fees are allocated, into three funds: 1) the Floodplain Mapping Fund, 2) the Department of Cultural Resources Archives Records Management, and 3) the North Carolina General Fund. Under HB 384, the state would receive \$6.20 from each instrument registered, with 55% of total collections allocated to floodplain mapping, 21% allocated to the Department of Cultural Resources, and 24% allocated to the General Fund.

Should the bill become law, the act would be effective October 1, 2011.

ASSUMPTIONS AND METHODOLOGY: The fees set forth in HB 384 generate an additional \$88,343 in state revenue and an additional \$1.3 million in revenue for county register of deeds offices. This estimate is based on information provided by the North Carolina Association Register of Deeds. The sections below describe: 1) allocation of the additional revenue, 2) the fiscal impact to various state funds, and 3) the methodology used to calculate the fiscal impact.

Allocation of the Additional Revenue

HB 384, if enacted, modifies the fee schedule for registering documents with county register of deeds offices. The proposal generates an additional \$0.08 million per fiscal year in revenue for the state and \$1.3 million for the counties. The additional \$1.3 million would remain within the 100 county offices across North Carolina. The \$0.08 million state surplus would be allocated across three funds: 1) the Floodplain Mapping Fund, 2) the Department of Cultural Resources Archives Records Management Fund, and 3) the North Carolina General Fund. The "Fiscal Impact to Various State Funds" section provides more detail.

Fiscal Impact to Various State Funds

Table 1 provides more detail on the state revenue affected by fee changes under HB 384. The bill modifies G.S. 161-11.5, the state revenue allocated to three funds. Under HB 384, the state receives \$6.20 from each instrument filed at the register of deeds office for a total of \$6.4 million dollars each year. HB 384 modifies the amount of revenue dedicated to the three funds: 1) 55% is allocated to the Floodplain Mapping Fund, 2) 21% is allocated to the Department of Cultural Resources (DCR) Archives Records Management Fund, and 3) 24% is allocated to the North Carolina General Fund. The PCS for HB 384 provides an annual amount of \$3.5 million to floodplain mapping, and \$1.3 million DCR Archives Records Management Fund, and \$1.5 million to the General Fund. Each of the funds, when FY 2009-10 data is adjusted for annual collections, remains whole under the PCS for HB 384.

Methodology used to Estimate the Fiscal Impact

NCARD representatives asked Fiscal Research staff to propose alternatives that address the shortcomings of the first version of HB 384. The original version of HB 384 proposed a \$30 flat fee per document with \$5 per page/15+ pages. The fee changes generated roughly \$447,462 in additional annual revenue for the state, and an additional \$5.6 million for county register of deeds offices.

NCARD, for the second review of HB 384, provided complete annual collections data from a subset of 17 Registers of Deeds offices, compared to the one month of collections used in the original analysis. The subset of 17 counties included a diverse group, with register of deeds offices varied by size, population, and geographic location.

After review and discussion between Fiscal and NCARD, the groups discounted the data from two counties (Chatham and Surry) as inaccurate or incomplete. The following 15 counties were included in the analysis: 1) Camden, 2) Davidson, 3) Dare, 4) Davie, 5) Forsyth, 6) Gaston, 7) Guilford, 8) Harnett, 9) Mecklenburg, 11) Nash, 12) New Hanover, 13) Perquimans, 14) Sampson and 15) Stokes. These 15 counties account for 32% of all excise stamp conveyances collected in the state.

In addition to seeking a flat fee structure, the new proposal included several goals:

- Revenue neutrality, in total, for both state and county portions.

- Revenue neutrality, by individual county as well.
- Eliminate satisfaction fees, but increase deeds of trust fees to compensate for that.
- Rounded dollar figures, with \$5 increments as the ideal.

Fiscal produced fee structures that approximate these goals. No such structure meets all of the goals perfectly. Each county experiences a different volume of document registrations, so shifting fee structures to a flat option affected each county differently. Also, \$5 increments limited the ability to reach a revenue neutral proposal. The group diverged from goal of developing \$5 increments as well.

The table below represents the Fiscal/NCARD proposal, \$26 for Deeds and General Documents and \$56 for Deeds of Trust, with an additional page charge of \$4 for each page over 15 pages in a particular document. The portion paid to the State from each instrument is \$6.20, with the respective remaining \$19.80 or \$49.80, plus additional page charges, remaining with the county. This results in bottom line increases of 1.46% or \$88,343 in State collections (\$11,718/32%), and a 4.25% increase or \$1,146,283 in total collections for the counties (\$489,081/32%). This also results in no decreases at the individual county level for any counties in our dataset.

Table 2. Comparison of Annual Fees for SELECT Register of Deeds Offices Under HB 384*					
	Current Fee	Proposed Fee	Totals Current	Totals Proposal	Difference
Per Document	\$25.86	\$26/\$56	\$11,287,027	\$11,181,686	(\$105,341)
State	\$4.42	\$6.20	\$1,930,965	\$1,942,683	\$11,718
Register of Deeds	\$21.43	\$23.80	\$9,356,062	\$9,239,003	(\$117,059)
Fee Change: \$4 per additional pages after 15 pages					\$606,140
Register of Deeds Final Difference					\$489,081
*The data represents annual collections for 15 counties. These 15 counties account for 32% of all excise stamp conveyances collected in the state.					

The absence of data from 85 of North Carolina's 100 counties also necessitated that Fiscal Research calculate the statewide impact of HB 384. Fiscal calculated the statewide impact using the revenue associated using the excise stamp on conveyances as a proxy for document filings. Each time property is transferred from one owner to another, the county register of deeds office collects an excise stamp tax for the property being transferred. The excise stamp revenue collected in the 15 counties represents 32% of total North Carolina collections. Since property transfers serve as a proxy for document filings, Fiscal Research assumed that the NCARD data represented 32% of total collections and adjusted the estimate accordingly.

HOUSE BILL 289: Authorize Various Special Plates

2011-2012 General Assembly

Committee:	House Finance	Date:	June 2, 2011
Introduced by:	Rep. Gillespie	Prepared by:	Trina Griffin
Analysis of:	PCS to Second Edition H289-CSSVf-26		Committee Counsel

SUMMARY: *House Bill 289 would authorize the issuance of a number of special license plates, and direct DMV to develop a standard format for special license plates. It would also provide for the expiration of a special plate authorization if DMV does not receive the required number of applications within two years of the time the plate is authorized.*

The PCS differs from the version that passed House Transportation as follows:

- *It incorporates HB 716 Native American License Plate Fee Increase (Rep. Graham).*
- *It incorporates HB 166 Purple Heart Motorcycle Special Plates (Rep. McGee).*
- *It authorizes a plate for the North Carolina Youth Soccer Association.*

CURRENT LAW: G.S. 29-79.4 provides that upon application and payment of the required registration fees, a person may obtain from the Department of Motor Vehicles (DMV) a special registration plate for a motor vehicle registered in that person's name if the person qualifies for the registration plate. Currently, more than 165 special plates have been authorized. The issuance of most authorized plates is contingent upon the receipt by DMV of at least 300 applications for the particular plate.

As a general rule, the fee for a special registration plate is the regular vehicle registration fee plus a \$10 special registration plate fee. The Division may issue one free registration plate to a recipient of the Legion of Valor¹ award, a 100% disabled veteran, or an ex-prisoner of war. All other special registration plates, including additional Legion of Valor, 100% Disabled Veteran, and Ex-Prisoner of War plates, are subject to the regular motor vehicle registration fee of \$28² and the additional special registration plate fee of \$10.

The \$10 special registration plate fee is credited to the Special Registration Plate Account. After deducting the cost of the plates from this account, \$1,000,000 is annually appropriated to provide operating assistance for ten Visitor Centers.³ The Centers are located in Brunswick, Camden, Carteret, Caswell, Columbus, Macon, McDowell, Transylvania, Tyrell, and Watauga Counties.⁴ The remaining revenue in the account is transferred quarterly to the Department of Commerce for advertising (33%), the Department of Transportation for highway beautification (50%), and the Department of Human Resources to promote travel accessibility for disabled persons (17%).

The cost of some special plates includes a fee in addition to the \$10 special registration plate fee. In those instances, the first \$10 goes to the special registration plate fund and the remainder is transferred quarterly to designated beneficiaries of the additional fee amount.

¹ The Legion of Valor plate is issuable to a recipient of one of the following: Congressional Medal of Honor, Distinguished Service Cross, Navy Cross, or Air Force Cross.

² G.S. 20-87.

³ There are 12 Visitors' Centers. The two centers that do not receive State funding are located in Dare County.

⁴ Each Visitor's Center receives \$100,000.

BILL ANALYSIS:

Section 1 of the bill expands the list of special license plates that are not required to be a "First in Flight" plate with the standard background.

Section 2 directs DMV to develop a standard format for special license plates that will allow for the plate to be easily read by the human eye and by traffic enforcement cameras.

Section 3 expands the list of special license plates that may be issued by DMV, adding more than 65 new plates as enumerated in the bill. The plates would generally be subject to the standard requirement of at least 300 applications, so that the cost of producing the plates could be recouped. The bill amends existing provisions involving the issuance of the following plates: Autism Society of North Carolina, Marine Corps League, Native American, North Carolina Wildlife Habitat Foundation, and Purple Heart.

Section 4 establishes the additional fee that will be charged for each of the plates authorized in Section 3 of the bill. The fee is over and above the regular motor vehicle registration fee, which is currently \$28 for private passenger vehicles of not more than 15 passengers.

Section 5 specifies the distribution of the fees imposed in Section 4 of the bill.

Section 6 expands the list of State Attraction Plates by adding the Aurora Fossil Museum and the Baldhead Island Lighthouse ("Old Baldy"), and designates the use of revenue derived from the sale of those plates.

Section 7 provides for the quarterly transfer of revenue in the Collegiate and Cultural Attraction Plate Account derived from the sale of specific plates; the funds are generally used to support programs and services offered by non-profit organizations that reflect the interests of persons purchasing the special plate.

Section 8 provides for the expiration of a special plate authorization if DMV does not receive the required number of applications within two years of the time the plate is authorized.

Section 9 provides that a plate issued before the July 1, 2011 effective date of the bill would expire on July 1, 2013 if the required number of applications has not been received by DMV on or before that date. To date, there are 69 authorized plates that have not met the 300 application requirement.

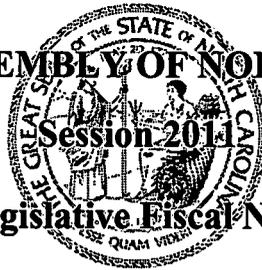

Section 10 authorizes the Revisor of Statutes to alphabetize, number, and renumber the listing of special registration plates in G.S. 20-79.4 to ensure that all the special plates are listed in alphabetical order and numbered accordingly.

EFFECTIVE DATE: Section 8 of the bill, providing for the expiration of a special plate authorization, would become effective July 1, 2011. The remainder of the bill would be effective when it becomes law.

Brenda Carter, counsel to House Transportation, substantially contributed to this summary.

In cases where the fee is in excess of ten dollars, the remainder will go to the Collegiate and Cultural Attraction Plate account to be transferred quarterly to the entity nominated within the bill.

ASSUMPTIONS AND METHODOLOGY:

House Bill 289 authorizes certain special plates provided the Division receives 300 or more applications for a particular plate. The additional fees for the following plates are not specified: Armed Forces Expeditionary Medal Recipient, Blue Knights, Childhood Cancer Awareness, City/County Clerk, High Point Furniture Market 100th Anniversary, Hollerin', Legion of Merit, Lifetime Sportsman, Mayor, Municipal Council, National Defense Service Medal, North Carolina State Flag, Relay for Life, School Board, Sigma Gamma Rho Sorority, Silver Star Recipient/Disabled Veteran, Town of Oak Island, United States Service Academy, Victory Junction Gang Camp, and Vietnam Veterans of America. According to G.S. 20-79.7, the additional fee for these plates would be \$10 per plate.

The Aurora Fossil Museum, "Old Baldy," Bald Head Island Lighthouse, and U.S.S. North Carolina Battleship Commission plates qualify as State Attraction plates. According to G.S. 20-79.7, the additional fee for these plates will be \$30 per plate. The remainder of the special plate fees is specified in the bill. The chart below summarizes these fees.

Special Registration Plates: Fees Specified in HB 289

American Red Cross	\$30	NC Civil War	\$30
Arthritis Foundation	\$30	NC Fisheries Association	\$20

Jaycees	\$20	Topsail Island Shoreline Protection	\$30
Mountains-to-Sea Trail	\$30	Travel and Tourism	\$30
NC Beekeepers	\$15		

Of the additional fees charged for each plate, the first ten dollars will go to the Special Registration Plate account. In cases where the fee is in excess of ten dollars, the remainder will go to the Collegiate and Cultural Attraction Plate account to be transferred quarterly to the entity nominated within the bill. Fiscal Research cannot estimate how many applications for each of the authorized plates will be received. Assuming there are at least 300 applications for each of these plates, they will each result in a \$3,000 revenue increase to the Special Registration Plate account for the period during which the applications are received. Each of these plates would also result in an increase in revenues to the Collegiate and Cultural Attraction Plate account for distribution to the respective entity equal to the fee in excess of ten dollars multiplied by the 300 applications. If the plates do not reach the 300 application threshold, the plates will not be created and there will be no fiscal impact.

SUMMARY: *Senate Bill 431 would incorporate the community around Fontana Dam in Graham County as a municipality. The bill is identical to House Bill 447, introduced by Rep. West. The House Bill received a favorable report from the House Committee on Government April 14, 2011; House Bill 447 is currently in House Finance.*

CURRENT LAW: Municipalities may be created by the General Assembly, with powers and duties it deems advisable, pursuant to Article VII, Section 1 of the North Carolina Constitution." Rule 42.3(b) of the Senate Rules requires that a legislative proposal proposing incorporation must have attached to its bill jacket a report of the Joint Municipal Incorporations Commission prior to a favorable report by a committee of the Senate. Article 20 of Chapter 120 of the General Statutes creates the Joint Municipal Incorporation Commission and sets forth the criteria for review of a proposed incorporation. Under Article 20, people seeking to incorporate an area may petition the General Assembly to do so by collecting the signatures of 15% of the registered voters in the area proposed to be incorporated, and submitting the petition to the Commission. The Commission is required to make a recommendation to the General Assembly concerning the proposed incorporation. The Commission is prohibited from making a favorable recommendation if the proposed municipality fails to meet certain criteria, including the following:

- **Distance from existing municipality.** This criterion elaborates on the constitutional distance provisions.
- **Population and population density.** The Commission may not recommend favorably if the proposed municipality has a permanent population below 100 and a population density below 250 per square mile.
- **Level of development.** The Commission may not recommend favorably unless 40% of the area is developed (residential, commercial, industrial, institutional, or governmental) or dedicated to open space.
- **Reasonable tax rate.** The Commission may not recommend favorably unless it finds the proposed municipality can provide services at a reasonable tax rate.

Failure to get a favorable recommendation from the Commission does not prevent the General Assembly from incorporating a municipality. In the past 10 years, six petitions have failed to get a favorable recommendation, and incorporation occurred anyway. In most of those cases, the Commission found that the area seeking to be incorporated did not meet the criterion of 40% development. In the same years, eight failed petitions resulted in no incorporation.

BILL ANALYSIS: Senate Bill 431 would incorporate roughly 288.5 acres near the Tennessee Valley Authority's Fontana Dam as the Town of Fontana Dam. The territory is described in the bill. The area is located more than 25 miles from the nearest incorporated town.

The town would follow the council-manager form of government. It would elect a mayor and four Town Council members every two years, beginning in 2011. It would use the nonpartisan plurality election

Senate Bill 431

Page 2

method. The charter enacted in the bill would give the town the usual taxing, budgetary, and ordinance-making powers municipalities usually have.

EFFECTIVE DATE: The bill would become effective when it becomes law.

BACKGROUND: The Joint Legislative Commission on Municipal Incorporations considered the petition for incorporation of Fontana Dam on March 16, 2009. The Commission's report noted that the petition failed to meet the standards required for a favorable recommendation, specifically the standards of population and population density. The petition said Fontana Dam has 25 to 30 people with 25 people per half square mile, and the standard is 100 people with 250 people per square mile. Based on this determination, the Commission voted not to recommend its incorporation.

As part of the petition process, the people seeking incorporation submitted a letter to the Commission stating the reasons supporting their request. The letter is contained in the Commission's report. The letter sets forth the following reasons for the request for incorporation:

- The area sought to be incorporated already has the basic infrastructure of a town. It is an organized and developed community comprised of businesses, residences, and recreational areas.
- The community has several miles of common roads and streets used by the residents and the community.
- The community maintains its own electrical system for the entire area.
- The community has constructed and maintains its own sewage plant and disposal system and waters system for the residents, visitors, businesses, and government controlled areas.
- The community provides solid waste pick-up, public boating access areas, and marina.
- The community provides these services to Fontana Dam and visitor center, which is located in close proximity to the community.
- The Fontana Village Resort, which is open to the general public and has over 100,000 visitors annually, is in the community and will provide a substantial tax base for the community.
- The community current finances these services. Incorporation would enable the community to institute a tax system to finance them and provide a means to more accurately disperse the costs on a pro rata basis to the residents and business located in the community. The community does not believe it will be able to continue to sustain the costs of these services without the ability to institute a tax system. Also, incorporation would enable the community to access federal and state grants and funding.

A BILL TO BE ENTITLED

AN ACT TO ALLOW THE TOWNS OF GARNER, KNIGHTDALE, MORRISVILLE,
WENDELL, AND ZEBULON AND THE CITIES OF DURHAM AND
WINSTON-SALEM TO COLLECT DELINQUENT STORMWATER UTILITY FEES IN
THE SAME MANNER AS THEY MAY COLLECT DELINQUENT PERSONAL AND
REAL PROPERTY TAXES.

The General Assembly of North Carolina enacts:

SECTION 1. Section 4 of S.L. 2005-441 reads as rewritten:

"SECTION 4. This act is effective when it becomes law and applies to stream-clearing
activities commenced on or after that date. Section 3 of this act applies only to the Cities of
Durham and Winston-Salem, the Towns of Garner, Kernersville—Kernersville,
Knightdale, Morrisville, Wendell, and Zebulon, and the Village of Clemmons."

SECTION 2. This act is effective when it becomes law.

SENATE BILL 155: Local Stormwater Utility Fees

2011-2012 General Assembly

Committee: House Finance
Introduced by: Sen. Stein
Analysis of: Second Edition

Date: June 2, 2011
Prepared by: Greg Roney
Committee Counsel

SUMMARY: *Senate Bill 155 would allow the Cities of Durham and Winston-Salem and the Towns of Garner, Knightdale, Morrisville, Wendell, and Zebulon to bill stormwater utility fees in the same manner as property taxes and to collect them in the same manner as property taxes.*

CURRENT LAW: Cities may operate a stormwater management program as a public enterprise¹ and may establish a schedule of fees for the services furnished by the program. A city may collect delinquent fees by any remedy provided by law for collecting and enforcing private debts. As a general rule, fees for enterprisory services cannot be a lien upon the property served by the enterprisory service. In 1991, the General Assembly provided an exception to this rule for fees imposed for solid waste collection and disposal services when it allowed cities and counties to collect the fees for this service in the same manner as property taxes. Delinquent property taxes may be collected using any one or more of the remedies provided in G.S. 105-366 through G.S. 105-375:

- Levy upon and sell or attach personal property.
- Attachment and garnishment of wages and other compensation, rents, bank deposits, the proceeds of property subject to levy, or any other intangible property.
- Foreclosure of real property.

By local acts, the General Assembly has authorized numerous cities and counties to collect delinquent water and sewer fees or sewer treatment fees in the same manner as property taxes.² In 2005, the General Assembly authorized the Town of Kernersville and the Village of Clemmons to collect delinquent stormwater management fees in the same manner as property taxes.

BILL ANALYSIS: Senate Bill 155 is a local act that would add the Cities of Durham and Winston-Salem and the Towns of Garner, Knightdale, Morrisville, Wendell, and Zebulon to the local legislation enacted for Kernersville and Clemmons in 2005. Senate Bill 155 would allow these towns to adopt an ordinance providing that stormwater utility fees may be billed with property taxes and may be collected in the same manner as delinquent property taxes. If an ordinance states that delinquent fees can be collected in the same manner as delinquent real property taxes, the fees are a lien on the real property described on the bill that includes the fee.

EFFECTIVE DATE: This act is effective when it becomes law.

HOUSE BILL 799: Licensure by Endorsement/Military/Spouses

2011-2012 General Assembly

Committee: House Finance
Introduced by: Reps. Martin, Killian
Analysis of: First Edition

Date: June 2, 2011
Prepared by: Greg Roney
Committee Counsel

SUMMARY: *House Bill 799 would allow military-trained applicants who have been awarded a military occupational specialty and military-spouse applicants who are licensed in another jurisdiction to receive occupational licenses in this State. The applicants must meet requirements, either in the military or in another jurisdiction, that are substantially equivalent to or exceed the State requirements for licensure. State occupational licensing boards may issue temporary practice permits to these applicants until a license is granted or a notice to deny a license is issued.*

CURRENT LAW: An "occupational licensing board" means any board established for the primary purpose of regulating the entry of persons into a particular profession and the conduct of persons within the profession that is authorized to issue licenses. Occupational licensing board does not include State agencies staffed by full-time State employees who issue licenses as part of their regular duties.

BILL ANALYSIS: House Bill 799 would require occupational licensing boards to issue occupational licenses to military-trained applicants and military-spouse applicants if the following requirements are met:

- A military-trained applicant must
 - Complete a military program of training.
 - Be awarded a military occupational specialty.
 - Perform in that specialty at a level that is substantially equivalent to or exceeds the requirements for licensure.
 - Engage in the active practice of the occupation in the discharge of official duties for at least two of the five years preceding the date of the application.
 - Not commit any act in any jurisdiction that would have constituted grounds for refusal, suspension, or revocation of a license.
 - Pay any fees required by the occupational licensing board.
- A military-spouse applicant must
 - Hold a current license from another jurisdiction that has requirements for licensure substantially equivalent to or exceed the requirements for licensure.
 - Demonstrate competency in the occupation through methods as determined by the occupational licensing board, such as having completed continuing education units or having had recent experience for at least two of the five years preceding the date of the application under this section.
 - Not commit any act in any jurisdiction that would have constituted grounds for refusal, suspension, or revocation of a license.
 - Be in good standing and not be disciplined by the agency that had jurisdiction to issue the license.
 - Pay any fees required by the occupational licensing board.

House Bill 799

Page 2

House Bill 799 would also require occupational licensing boards to credit in the calculation of years of practice all relevant experience of military-trained applicants in the discharge of official duties and all relevant experience of military-spouse applicants including full-time and part-time experience, regardless of whether in a paid or volunteer capacity.

House Bill 799 would authorize State occupational licensing boards to issue temporary practice permits to these applicants until a license is granted or a notice to deny a license is issued. House Bill 799 would also authorize State occupational licensing boards to issue regulations for military-trained applicants and military-spouse applicants.

House Bill 799 would not apply to the practice of law.

BACKGROUND: The following table lists occupational licensing boards which have issued regulations under Title 21 of the NC Administrative Code:

Acupuncture	Interpreter Transliterator Board	Physical Therapy Examiners
Architecture	Landscape Architects	Plumbing, Heating and Fire
Athletic Trainer Examiners	Landscape Contractors	Sprinkler Contractors

25 not included in the cost associated with the purchase or lease of portable electronics or related
26 services shall be separately itemized on the enrolled customer's bill. If the portable electronics
27 insurance coverage is included with the purchase or lease of portable electronics or related
28 services, the vendor shall clearly and conspicuously disclose to the enrolled customer that the
29 portable electronics insurance coverage is included with the portable electronics or related

33 days of receipt. All funds received by a vendor from an enrolled customer for the sale of
34 portable electronics insurance shall be considered funds held in trust by the vendor in a

37 "**§ 58-44A-20. Suspension or revocation of license.**

38 If a vendor of portable electronics or its employee or authorized representative violates any

41 accordance with the provisions of G.S. 58-33-46.

42 (2) After notice and hearing, impose other penalties, including suspending the

47 The prerequisites for issuance of a limited lines license under this Article are the filing with
48 the Commissioner of the following:

49 (1) A license application, signed by an officer of the applicant, for the limited
50 lines license in such form or forms, and supplements thereto, and containing
51 such information, as the Commissioner may prescribe.

1 (2) A certificate by the insurer that is to be named in such limited lines license,
2 stating that it has satisfied itself that the named applicant is trustworthy and
3 competent to act as its insurance agent for this limited purpose and that the
4 insurer will appoint such applicant to act as the agent in reference to the
5 kinds of insurance as are permitted by this section, if the limited lines license
6 applied for is issued by the Commissioner. Such certificate shall be
7 subscribed to by an officer or managing agent of such insurer and affirmed
8 as true under the penalties of perjury."

EFFECTIVE DATE: October 1, 2011.

BILL SUMMARY:

House Bill 617 would expressly authorize insurance for portable electronic devices under a limited lines license. The limited lines license allows any employee or agent of the license holder to sell insurance for portable electronic devices at all the license holder's locations. The Department of Insurance would have the same regulatory authority over portable electronics insurance as it has with all limited lines insurance.

House Bill 617 would impose consumer protection measures on limited lines insurance for portable electronic devices including:

- Written materials available to prospective customer must
 - Disclose that portable electronics insurance may provide a duplication of coverage already provided by a customer's homeowner's insurance policy, renter's insurance policy, or other source of coverage.
 - State that purchase of insurance is optional.

- Summarize the material terms of the insurance coverage, including the identity of the insurer, the identity of the supervising entity, the amount of any deductible and how it is to be paid, benefits of the coverage, and key terms and conditions of coverage (such as whether portable electronics may be repaired or replaced with similar make and model reconditioned or nonoriginal-manufacturer parts or equipment).
- Summarize the process for filing a claim, including the maximum fee if the customer fails to comply with any equipment return requirements.
- State that the customer may cancel coverage at any time and receive a refund of any applicable unearned premium.
- The insurance policy must contain the terms of the termination or modification of coverage.
- The insurer underwriting the portable electronics insurance must administer a training program for employees of the license holder. The training program must provide basic instruction about the portable electronics insurance offered to customers and the disclosures required in the written materials available to prospective customer.

BACKGROUND:

Retailers selling portable electronic devices in NC appear to offer portable electronics insurance through an exception to insurance license requirements for group property and casualty insurance found in G.S. 58-33-26(n)(2).

ASSUMPTIONS AND METHODOLOGY:

Revenue

House Bill 617 requires a vendor to hold a limited lines license to sell or offer coverage under a policy of portable electronics insurance. Under this requirement, the Department of Insurance (DOI) would collect a license application fee of \$100 and an annual renewal fee of \$100. DOI anticipates it would issue approximately 30 to 40 of these licenses. Fiscal Research estimates that \$3,000 to 4,000 (30 to 40 licenses multiplied by \$100 fee) of revenue would be generated per year as a result of this bill.

Expenditures

DOI anticipates that House Bill 617 would have no significant fiscal impact on its current operations or on the State. DOI currently issues business entity licenses, and DOI—namely the Agent Services Division—would be able to absorb the additional workload required to administer this bill. Fiscal Research concurs with DOI's assessment.

HOUSE BILL 617: Portable Electronics Insurance Coverage

2011-2012 General Assembly

Committee: House Finance
Introduced by: Rep. Dockham
Analysis of: Second Edition

Date: June 3, 2011
Prepared by: Greg Roney
Committee Counsel

SUMMARY: *House Bill 617 would require companies offering insurance against loss, theft, or mechanical failure for portable electronic devices and accessories hold a limited lines license issued by the NC Department of Insurance.*

CURRENT LAW: Retailers selling portable electronic devices in NC appear to offer portable electronics insurance through an exception to insurance license requirements for group property and casualty insurance found in G.S. 58-33-26(n)(2).

BILL ANALYSIS: House Bill 617 would expressly authorize insurance for portable electronic devices under a limited lines license. The limited lines license allows any employee or agent of the license holder to sell insurance for portable electronic devices at all the license holder's locations. The NC Department of Insurance would have the same regulatory authority over portable electronics insurance as it has with all limited lines insurance.

House Bill 617 would impose consumer protection measures on limited lines insurance for portable electronic devices including:

- Written materials available to prospective customer must
 - Disclose that portable electronics insurance may provide a duplication of coverage already provided by a customer's homeowner's insurance policy, renter's insurance policy, or other source of coverage.
 - State that purchase of insurance is optional.
 - Summarize the material terms of the insurance coverage, including the identity of the insurer, the identity of the supervising entity, the amount of any deductible and how it is to be paid, benefits of the coverage, and key terms and conditions of coverage (such as whether portable electronics may be repaired or replaced with similar make and model reconditioned or nonoriginal-manufacturer parts or equipment).
 - Summarize the process for filing a claim, including the maximum fee if the customer fails to comply with any equipment return requirements.
 - State that the customer may cancel coverage at any time and receive a refund of any applicable unearned premium.
- The insurance policy must contain the terms of the termination or modification of coverage.
- The insurer underwriting the portable electronics insurance must administer a training program for employees of the license holder. The training program must provide basic instruction about the portable electronics insurance offered to customers and the disclosures required in the written materials available to prospective customer.

EFFECTIVE DATE: House Bill 617 would be effective January 1, 2012.

Tim Hovis, counsel to House Insurance, substantially contributed to this summary.

HOUSE BILL 96: Additional Alleghany & Jackson Occupancy Tax

2011-2012 General Assembly

Committee: House Finance
Introduced by: Rep. Stevens
Analysis of: PCS to First Edition
H96-CSSVx-13

Date: June 3, 2011
Prepared by: Trina Griffin
Committee Counsel

SUMMARY: *House Bill 96 would authorize Alleghany County to levy an additional occupancy tax of up to 3%.*

The Proposed Committee Substitute does two things:

- **It would require Alleghany County to establish a Tourism Development Authority upon adopting a resolution levying the additional 3% occupancy tax. Under current law, Alleghany County is only required to establish a TDA once the annual net proceeds of the occupancy tax reach \$100,000. This modification was a recommendation of the Occupancy Tax Subcommittee.**
- **It adds a provision authorizing Jackson County to levy an additional 3% occupancy tax.**

CURRENT LAW & BILL ANALYSIS:

PART I: ALLEGHANY COUNTY

In 1991, the General Assembly authorized Alleghany County to levy an occupancy tax of 3%.¹ In 2004, the legislation was amended to more closely conform to the Occupancy Tax Guidelines adopted by the House Finance Committee. At least two-thirds of the proceeds must be used to promote travel and tourism in Alleghany County, and remainder must be used for tourism-related purposes. The proceeds are remitted quarterly to the Chamber of Commerce until the annual net proceeds exceed \$100,000, at which point, the county must establish a Tourism Development Authority for the purpose of administering the proceeds. The current 3% occupancy tax generates less than \$40,000 annually.

House Bill 96 would authorize the Alleghany County Board of Commissioners to levy an additional occupancy tax of up to 3%.

The PCS adds a provision requiring Alleghany County to establish a Tourism Development Authority upon adopting a resolution levying the additional 3% occupancy tax, as recommended by the Occupancy Tax Subcommittee. Once the additional tax is levied and the TDA is created, all net proceeds of the occupancy tax, including both the original 3% and the additional 3%, must be remitted to the TDA. The TDA must use at least two-thirds of the total funds remitted to it for tourism promotion and the remainder for tourism-related expenditures.

PART II: JACKSON COUNTY

In 1985, the General Assembly authorized several western counties, including Jackson, to levy an occupancy tax of 3%. The net proceeds of the tax are placed in a special Travel and Tourism Fund and be used only to promote travel and tourism in the county. The county has discretionary authority to establish a tourism development authority to administer the funds.

House PCS 96

Page 2

The PCS for HB House Bill 96 rewrites and recodifies the existing law authorizing the 3% room occupancy tax in Jackson County to conform the content to the uniform format currently used for occupancy taxes. Consistent with uniform occupancy tax provisions, the bill contains definitions for the following terms: "net proceeds," "promote travel and tourism" and "tourism-related expenditures." The bill also makes the Jackson County occupancy tax subject to the uniform provisions for room occupancy taxes in G.S. 153A-155. By conforming to the House Finance occupancy tax guidelines, Jackson County would be able to use up to one-third of the occupancy tax proceeds for tourism-related expenditures, which it cannot do under current law.

The PCS also authorizes Jackson County to levy an additional 3% occupancy tax with the same conditions and requirements that apply to the first 3%.

EFFECTIVE DATE: This act is effective when it becomes law.

BACKGROUND: Since 1983, the General Assembly has authorized many units of local government to levy a room occupancy tax. Over the past several years, there has been a greater effort to make the occupancy taxes uniform. In 1997, the General Assembly enacted uniform municipal and county administrative provisions for occupancy tax,² which provide uniformity among counties and cities with respect to the levy, administration, collection, repeal, and imposition of penalties.

In 1993, the House Finance Committee established the Occupancy Tax Guidelines, which address the rate of tax, the use of the tax proceeds, the administration of the tax, and the body with authority to determine how the proceeds will be spent. A summary of these provisions is detailed in the chart below. Many of the principles contained in the Guidelines are similar to those contained in policy statements adopted by the North Carolina Travel and Tourism Coalition and the North Carolina Restaurant and Lodging Association. The House Finance Committee Chairs have traditionally appointed a Subcommittee on Occupancy Taxes to scrutinize occupancy tax legislation to determine whether the legislation adheres to the Guidelines. The House Finance Chairs appointed Representatives McGee, Cotham, Carney, Moffitt, and Warren to be members of the House Finance Subcommittee on Occupancy Taxes this biennium.

UNIFORM OCCUPANCY TAX PROVISIONS
Rate – The county tax rate cannot exceed 6% and the city tax rate, when combined with the county rate, cannot exceed 6%.
Use – Two-thirds of the proceeds must be used to promote travel and tourism and the remainder must be used for tourism related expenditures.
Definitions The term "net proceeds", "promote travel and tourism", and "tourism related expenditures" are defined terms.
Administration – The net revenues must be administered by a local tourism development authority that has the authority to determine how the tax proceeds will be used, is created by a local ordinance, and at least 1/2 of the members must be currently active in the promotion of travel and tourism in the county and 1/3 of the members must be affiliated with organizations that collect the tax.
Costs of Collection – The taxing authority may retain from the revenues its actual costs of collection, not to exceed 3% of the first \$500,000 collected each year plus 1% of the remainder collected each year.

1 A BILL TO BE ENTITLED
2 AN ACT TO ALLOW AN INDIVIDUAL INCOME TAX CREDIT FOR CHILDREN WITH
3 DISABILITIES WHO REQUIRE SPECIAL EDUCATION AND TO CREATE A FUND
4 FOR SPECIAL EDUCATION AND RELATED SERVICES.

5 The General Assembly of North Carolina enacts:

6 SECTION 1. Part 2 of Article 4 of Chapter 105 of the General Statutes is amended
7 by adding a new section to read:

10 of the taxpayer's eligible dependent children who is a resident of this State and who for one or
11 two semesters during the taxable year, is enrolled in grades kindergarten through 12 in a
12 nonpublic school or in a public school at which tuition is charged in accordance with G.S.
13 115C-366.1. As used in this section, the term 'eligible dependent child' means a child who
14 meets all of the following criteria:

- 15 (1) Is a child with a disability as defined by G.S. 115C-106.3(1).

23 special education or related services through the public schools as a preschool child with a
24 disability as defined by G.S. 115C-106.3(17). An eligible dependent child shall be reevaluated
25 every three years by the local educational agency in order to verify that the child continues to
26 be a child with a disability as defined by G.S. 115C-106.3(1).

27 (b) Amount. – The credit is equal to the amount the taxpayer paid for tuition and special
28 education and related services expenses, not to exceed three thousand dollars (\$3,000) per
29 semester. For home schools, as defined in G.S. 115C-563(a), the credit is equal to the amount
30 the taxpayer paid for special education and related services expenses, not to exceed three
31 thousand dollars (\$3,000) per semester.

32 (c) Semesters. – For the purposes of this section, there are two semesters during each
33 taxable year. The spring semester is the first six months of the taxable year, and the fall
34 semester is the second six months of the taxable year. An eligible dependent child is enrolled in

1 a school for a semester if the eligible dependent child is enrolled in that school for more than 70
2 days during that semester.

3 (d) Disqualification. – A taxpayer may not qualify for a credit for any semester during
4 which the taxpayer's eligible dependent child for whom the credit would otherwise be claimed
5 met any of the following conditions:

6 (1) Was placed in a nonpublic school or facility by a public agency at public
7 expense.

8 (2) Spent any time enrolled as a full-time student taking at least 12 hours of
9 academic credit in a postsecondary educational institution.

11 (4) Graduated from high school prior to the end of the semester.

12 (e) Reduction of Credit. – The amount of the credit is reduced for any semester in
13 which the eligible dependent child spent any time enrolled in a public school. The amount of
14 the reduction is a percentage equal to the percentage of the semester that the eligible dependent
15 child spent enrolled in a public school.

16 (f) Information. – In order to claim the credit allowed by this section, the taxpayer shall
17 provide, when requested, the following to the Secretary:

18 (1) The name, address, and social security number of each eligible dependent
19 child for whom the credit is claimed and the name and address of the school
20 or schools in which the eligible dependent child was enrolled in for more
21 than 70 days each semester.

22 (2) The taxpayer's certification that the eligible dependent child did not meet
23 any of the disqualifying conditions set out in this section.

24 (3) The name of the local school administrative unit in which the eligible
25 dependent child resides.

26 (4) The amount of tuition paid to a public school at which tuition is charged in
27 accordance with G.S. 115C-366.1 for each semester the eligible dependent
28 child for whom the credit is claimed was enrolled in the school.

29 (5) The eligibility determination that the eligible dependent child is a child with
30 a disability who requires special education and related services.

31 (6) A listing of the tuition and special education and related services expenses
32 on which the amount of the credit is based.

33 (7) For home schools as defined in G.S. 115C-563(a), a listing of the special
34 education and related services expenses on which the amount of the credit is
35 based.

36 (g) Credit Refundable. – If the credit allowed by this section exceeds the amount of tax
37 imposed by this Part for the taxable year reduced by the sum of all credits allowable, the
38 Secretary must refund the excess to the taxpayer. The refundable excess is governed by the
39 provisions governing a refund of an overpayment by the taxpayer of the tax imposed in this
40 Part. In computing the amount of tax against which multiple credits are allowed, nonrefundable
41 credits are subtracted before refundable credits.

42 (h) Transfer. – At the end of each fiscal year, the Secretary shall transfer to the Fund for
43 Special Education and Related Services established under G.S. 115C-472.15 from the net
44 individual income tax collections under G.S. 105-134.2 an amount equal to two thousand
45 dollars (\$2,000) multiplied by the number of credits taken under this section during the fiscal
46 year.

47 (i) Definitions. – The following definitions apply in this section:

48 (1) "Special education" means specially designed instruction to meet the unique
49 needs of a child with a disability. The term includes instruction in physical
50 education and instruction conducted in a classroom, the home, a hospital, or

2 Education Improvement Act, 20 U.S.C. § 1400, et. seq., (2004), as amended
3 and federal regulations adopted under this act."

4 SECTION 2. G.S. 105-151.33(a), as enacted by Section 1 of this act, reads as
5 rewritten:

GENERAL ASSEMBLY OF NORTH CAROLINA

Legislative Fiscal Note

BILL SUMMARY: The legislation creates a new tax credit for parents of children with special needs who choose to educate those children in a nonpublic school or in a public school at which tuition is charged per G.S. 155C-366.1. The credit amount is set at \$3,000 per semester, up to two semesters a year (a maximum of \$6,000 for a full academic or taxable year). The credit is refundable, and is capped at the associated tuition cost.

To qualify for the tax credit, the taxpayer must be able to deduct a personal exemption for an "eligible dependent child." An "eligible dependent child" – as amended by this PCS – is one who:

1. Is a child with a disability as defined by G.S. 115C-06.3(1);
2. Was determined to require an individualized education program (IEP) as defined by G.S. 115C-06.3(8);
3. Receives special education or related services on a daily basis;
4. Is a child for whom the taxpayer is entitled to deduct a personal exemption under section 151(c) of the Code for the taxable year; and
5. Was enrolled in and attended a public school or receiving special education or related services through the public schools as a preschool child with a disability for at least the two preceding academic semesters prior to first receiving the tax credit.

In order to maintain eligibility, the PCS would require all eligible dependent children to be reevaluated every three years by the local education agency (LEA) in order to verify that the child continues to be a child with a disability as defined by G.S. 115C-106.3(1). LEAs would be reimbursed for these evaluations from the Fund for Special Education and Related Services.

A student would no longer be eligible if he or she:

1. Was placed in a nonpublic school or facility by a public agency at public expense;
2. Spent time enrolled as a full-time student in a postsecondary educational institution;
3. Was 19 years or older during the entire semester; or
4. Graduated from high school prior to the end of the semester.

It is important to note that the initial eligibility requirement ("was enrolled in and attended a public school for at least the two preceding academic semesters prior to first receiving the tax credit") is changed from two academic semesters to one academic semester beginning with semesters beginning on or after July 1, 2016.

The legislation also amends G.S. 115-C to create the Fund for Special Education and Related Services ("the Fund"). The Fund will be a special revenue fund under the control of the State Board of Education. Revenue of the Fund will be used only for special

educational and related services for children with disabilities. Revenue for the Fund will come from a transfer at the end of each fiscal year, beginning in fiscal year 2012-13, from income tax revenue, equal to the number of credits taken under this act multiplied by \$2,000.

ASSUMPTIONS AND METHODOLOGY:

Overview

The impact of the bill is dependent entirely on choices made by parents of children who have special educational needs meeting the criteria specified in the bill. As there is no data available regarding elasticity of demand for the specific educational circumstances for which the tax credit is granted, this analysis must make an effort to estimate, using available data, potential public behavior in the presence of the new law.

Eligible Students Transferring out of Public Schools

This analysis assumes that 1% to 5% of eligible children will take advantage of the tax credit proposed by this bill. The only data from which some inferences might be drawn comes from Florida's McKay Scholarship Program for Students with Disabilities. This program, begun in 2000, gives parents a scholarship for any special needs student in the Florida public schools to shift out of the public system to a private school, or to transfer to a different public school. The McKay Program is marketed to students and provides awards ranging from \$4,746 to \$19,133. During the 2009-10 school year scholarship amounts averaged \$7,144. Program data suggests that approximately 5% of eligible students participate in the program in 2009-10. Of course, there are differences between the Florida program and the program proposed by this bill (level of support, application process, marketing, etc.) that would lead one to anticipate a higher participation in the Florida program than in the program proposed by this bill. Therefore, this analysis presents a range for participation of eligible students of 1% to 5%.

DPI estimates that somewhere between 120,000 and 140,000 students could potentially meet the definition of "eligible dependent child" under this bill. DPI does not track which students receive special education or related services on a daily basis. Therefore, this analysis presents a range of possibly eligible students, rather than a point estimate.

While each transfer would decrease State revenue (in the form of the tax credit), it would also reduce State and local expenditures, as State and local school systems would no longer be financially responsible for educating the child for which the credit was granted.

The estimated reduction in State expenditure per child using the tax credit is \$8,160, and the estimated reduction in local expenditures per child using the tax credit is \$1,931. The

GENERAL ASSEMBLY OF NORTH CAROLINA

Session 2011

Legislative Fiscal Note

FY 2010-11 State average transfer of appropriation to charter schools of \$4,562 per child serves as a reasonable proxy for the total avoided annual State operational expenditure for a student who transfers out of a typical public school. The per child supplemental appropriation of \$3,599 for each child with special needs (for up to 12.5% of a school system's population) serves as a reasonable proxy for the additional State average expenditure for a child with special needs. A total of \$8,160 is therefore used as a proxy for the average operational savings to the State that results from a student with an IEP transferring (i.e., withdrawing) from the public schools to a nonpublic school. The average local expenditure per child for operational expenses is \$1,931.

Applying all of the above figures related to potential transfers from public schools produces the following estimate of potential annualized savings to State and local governments. Note that timing issues affect the first-year fiscal impact in two ways:

1. The maximum tax credit granted in April 2012 is \$3,000, reflecting those students moving out of public schools during the Fall 2011 semester.¹ In future years, the full tax credit of \$6,000 per year is used.
2. State and local governments do not realize savings from reduced expenditures until the 2012-13 fiscal year. This delay is because allotted average daily membership (ADM) is based off of the higher of projected ADM or prior year actual ADM. Therefore, the reduced enrollment experienced in the 2011-12 school year will impact allotted ADM – and therefore State and local budgeting decisions – in the 2012-13 school year.

Fund for Special Education and Related Services

There is no net fiscal impact associated with the *creation of* the Fund, as this bill simply transfers monies into the Fund that would have otherwise ended up in the General Fund.

However, monies from the Fund are used to reimburse LEAs for reevaluations. The reimbursement of LEAs for reevaluation services represents a fiscal cost to the State, as reevaluations deplete the Fund and reduce amounts that would have otherwise been made available for services for children with disabilities

This analysis assumes an annual turnover rate of “eligible dependent children” of 15%. That is, given an initial cohort of 1,200 “eligible dependent children,” one would anticipate needing 737 reevaluations three years later ($1,200 * 0.85^3$). Future cohorts of required evaluations are smaller than the initial cohort. New entrants in any given year are assumed to be the amount required to replace the 15% turnover, plus enough to account for overall program growth of 1.37% per year.

¹ For simplicity's sake, this analysis assumes that all taxes are filed, and credits granted, in April.

Legislative Fiscal Note

TECHNICAL CONSIDERATIONS:

There are many technical considerations that should be considered as this fiscal note is based on a number of assumptions. The fiscal impact presented here is an estimate, and any number of factors could move the fiscal impact up or down in a significant way.

Tuition Costs

Not all private school tuitions are greater than \$6,000 per year. It is possible that there would be a number of tax credit recipients for whom the tuition and other educational and therapeutic expenses would be less than \$6,000 per year. If a substantial number of children will not receive the full tax credit, then this analysis understates the net savings created by this bill.

Gaming the System

It is possible, but unlikely, that some parents of potentially eligible children who have never attended public schools would enroll their children in public schools for the required two semesters in order to then be able to avail themselves of the credit in a subsequent year. It seems unlikely, however, that a significant number of parents who have already made a decision not to send their children to public schools would make this choice, even in the face of potential financial gain. The analysis therefore assumes that any costs associated with this group of children will be negligible. To the extent that this assumption is incorrect, the analysis will understate total cost and overstate total savings created by the bill.

HOUSE BILL 344: Tax Credits for Children with Disabilities

2011-2012 General Assembly

Committee:	House Finance	Date:	May 26, 2011
Introduced by:	Reps. Stam, Randleman, Jordan, Jones	Prepared by:	Trina Griffin and Drupti Chauhan
Analysis of:	PCS to First Edition H344-CSRQ-17		

SUMMARY: *House Bill 344 would allow an individual income tax credit for up to \$3,000 per semester for tuition and special education and related services expenses for a taxpayer's eligible dependent child with a disability who is enrolled in a nonpublic school or a public school where tuition is charged for the eligible dependent child's enrollment. The bill would create a Fund for Special Education and Related Services with the monies to be used for special educational and related services for children with disabilities. The bill would also require the Department of Revenue to report to the Revenue Laws Study Committee and the Joint Legislative Education Oversight Committee on the administration of the education expenses credit and on the number and amount of education expenses credits taken.*

The Proposed Committee Substitute (PCS) makes the following changes:

- *Requires that the child with a disability receive special education or related services on a daily basis.*
- *Provides an additional option for initial eligibility for the tax credit if the child with a disability received special education or related services through the public schools for the preceding two semesters as a preschool child with a disability.*
- *Requires reevaluations every three years to verify that the child continues to have a disability.*
- *Clarifies that the taxpayer is disqualified from receiving the tax credit if the child with a disability was placed in a nonpublic school by a public agency, was 19 or older during the entire semester, or graduated from high school prior to the end of the semester.*
- *Provides that monies in the Fund for Special Education and Related Services also be used to reimburse local education agencies for reevaluations for continued eligibility and developing revised individualized education programs.*

BILL ANALYSIS:

Sections 1 and 2 would create the education expenses tax credit.

Qualifications for the Tax Credit

- A taxpayer would be entitled to an education expenses tax credit of up to \$3,000 per semester for tuition and special education and related services expenses for each "eligible dependent child" who is a resident of this State and who enrolled for one or two semesters during the taxable year in grades Kindergarten-12 at either:
 - A non-public school or
 - A public school where tuition is charged for the child's enrollment.
- For home schools, the credit is equal to the amount the taxpayer paid for special education and related services expenses not to exceed \$3,000.
- An eligible dependent child must meet all of the following criteria:
 - Is a child with a disability who requires an individualized education program (IEP) under Article 9 of Chapter 115C of the General Statutes (Education of Students with Disabilities and the federal Individuals with Disabilities Education Improvement Act (IDEA), 20 U.S.C. § 1400 et seq.(2004), as amended. The child must be reevaluated every 3 years by a local educational agency to verify that the child continues to be a child with a disability.

House PCS 344

Page 2

- Receives special education or related services on a daily basis.
- Is a child for whom the taxpayer is entitled to deduct a personal exemption under section 151(c) of the Code for the taxable year.

For the initial eligibility for the tax credit during the first five years that the credit is available, the eligible dependent child must have been enrolled for at least the preceding two semesters in a public school or receiving special education or related services through the public schools as a preschool child with a disability. This initial eligibility requirement is reduced to one semester beginning for taxable years on or after January 1, 2016.

The bill would provide that there are two semesters during each taxable year with the spring semester being the first 6 months of the taxable year and the fall semester being the second six months of the taxable year. An eligible dependent child is considered to have been enrolled in a school for a semester if the eligible dependent child is enrolled in that school for more than 70 days during that semester.

Disqualifications for the Tax Credit

A taxpayer would not qualify for the education expenses tax credit for any semester when the taxpayer's otherwise eligible dependent child was:

- Placed in a nonpublic school or facility by a public agency at public expense;
- Enrolled for any time as a full-time student taking at least 12 hours of academic credit at a postsecondary educational institution;
- 19 years of age or older during the entire semester; or
- Graduated from high school prior to the end of the semester.

Reduction of the Tax Credit

The amount of the education expenses tax credit would be reduced for any semester in which the eligible dependent child spent any time enrolled in a public school. The amount of the reduction would be equal to the percentage of the semester that the eligible dependent child was enrolled in a public school.

Information Required to be Submitted to the Department of Revenue to Claim Education Expenses Tax Credit

To substantiate the credit, a taxpayer would have to provide all of the following information, if requested by the Secretary of Revenue:

- The name, address and social security number of each eligible dependent child for whom the credit is claimed and the name and address of the school or schools in which the eligible dependent child was enrolled in and attended for more than 70 days of each semester.
- A certification that there were no disqualifying factors.
- The name of the local school administrative unit in which the eligible dependent child resides.
- The amount of the tuition paid to a public school for each semester the eligible dependent child was enrolled in and attended that public school.
- The eligibility determination that the eligible dependent child is a child with a disability who requires special education and related services.
- A listing of the tuition and special education and related services expenses on which the education expenses tax credit is based.
- For home schools, a listing of the special education and related services expenses on which the education expenses tax credit is based.

House PCS 344

Page 3

Credit Refundable

The amount of the credit may exceed the amount of tax owed by the taxpayer. If the credit allowed exceeds the amount of tax imposed, the excess is refundable to the taxpayer.

Transfer into Fund for Special Education and Related Services

At the end of each fiscal year, the Secretary of Revenue must transfer an amount equal to \$2,000 multiplied by the number of education expenses tax credits taken during the fiscal year to the Fund for Special Education and Related Services (created in Section 3 of the bill) from the net individual income tax collections under G.S. 105-134.2 (Individual Income Tax Imposed).

Section 3 of the bill would create the Fund for Special Education and Related Services (Fund) with the money credited to the Fund through the transfer required in Section 1 of the bill from the Secretary of Revenue. The Fund would be established as a special revenue fund under the control and direction of the State Board of Education. Interest and other investment income earned by the Fund accrue to it and monies in the Fund do not revert. The revenue in the Fund may only be used for special educational and related services for children with disabilities. In addition, the monies in the fund must be used to reimburse local educational agencies for conducting reevaluations for continued eligibility and developing revised individualized education programs for children with disabilities.

Section 4 of the bill would require that the Department of Revenue report to the Revenue Laws Study Committee and the Joint Legislative Education Oversight Committee on the administration of the education expenses tax credit provided by this bill by October 1, 2013. The report must include the following:

- The number and amount of education expenses tax credits taken;
- Concerns relating to the administration of the education expenses tax credits or taxpayer compliance; and
- Any other matter the Department wishes to address with respect to the education expenses tax credit.

EFFECTIVE DATE: Sections 1, 3, and 4 of the act would become effective for taxable years beginning on or after January 1, 2011, and would apply to semesters for which the credit is claimed beginning on or after July 1, 2011. Section 2 of this act would be effective for taxable years beginning on or after January 1, 2016, and would apply to semesters beginning on or after July 1, 2016. The initial eligibility requirement may be met during semesters prior to July 1, 2011 and July 1, 2016, respectively. Transfers to the Fund would not be made before the 2012-2013 fiscal year. The remainder of the act is effective when it becomes law.

BACKGROUND: Approximately five states provide programs for students with disabilities to attend private schools: Florida, Utah, Ohio, Oklahoma and Georgia.

The John M. McKay Scholarships Program for Students with Disabilities in Florida gives parents a voucher to send their child to a private school or another public school of their choice.

The Carson Smith Special Needs Scholarship Program in Utah awards scholarships to students with disabilities who attend a private school, both secular and non-secular.

The Special Education Pilot Project (also known as the Autism Scholarship Program) in Ohio is a scholarship awarded to parents of autistic children for services at a public or nonpublic special education program, which includes tuition at a private school.

Oklahoma enacted the Lindsey Nicole Henry Scholarship for Children with Disabilities in 2010. The amount of the scholarship would be either the private school's tuition or the amount of state and local money that would be given to the school system where the student is enrolled, whichever is less.

Georgia enacted the Special Needs Scholarship Act in 2007, creating a program which allows children with special needs to attend the public or private school that best meets their educational needs.

PCS FOR HOUSE BILL 469: Add'l. Lumberton & St. Pauls Occupancy Tax

2011-2012 General Assembly

Committee: House Finance	Date: April 28, 2011
Introduced by: Reps. Graham, Pierce, Pridgen	Prepared by: Trina Griffin
Analysis of: PCS to First Edition H469-CSSVx-9	Committee Counsel

SUMMARY: *House Bill 469 authorizes the City of Lumberton to levy an additional 3% occupancy tax. The Proposed Committee Substitute adds a provision that would authorize the Town of St. Pauls to levy an additional 3% occupancy tax. The provisions of both existing local acts conform to the guidelines adopted by the House Finance Committee.*

CURRENT LAW: The City of Lumberton, which is located in Robeson County, is currently authorized to levy a room occupancy tax of up to 3%. Robeson County does not have authority to levy a room occupancy tax. In 1997, the City obtained temporary authorization to levy an additional 3%, which expired on August 1, 2000. The proceeds of the existing tax must be remitted to a Tourism Development Authority, which must use at least two-thirds of the proceeds for tourism promotion and the remainder for tourism-related expenditures. The current local act conforms to the occupancy tax guidelines.

In 1998 and 2006, the General Assembly authorized the Town of St. Pauls to levy a 1% room occupancy tax and a 2% room occupancy tax, respectively. The town is located in Robeson County, which does not have authority to levy a room occupancy tax. Therefore, the current total occupancy tax rate in the town is 3%. The proceeds are remitted to the St. Pauls Tourism Development Authority, which is required to spend at least two-thirds of the proceeds on tourism promotion and the remainder on tourism-related expenditures.

BILL ANALYSIS: Section 1 of the PCS would authorize the City of Lumberton to levy an additional 3% occupancy tax to be used in the same manner as the existing 3% occupancy tax.

Section 2 of the PCS would authorize the Town of St. Pauls to levy an additional 3% occupancy tax to be used in the same manner as the existing 3% occupancy tax.

EFFECTIVE DATE: This act is effective when it becomes law.

BACKGROUND: Since 1983, the General Assembly has authorized many units of local government to levy a room occupancy tax. Over the past several years, there has been a greater effort to make the occupancy taxes uniform. In 1997, the General Assembly enacted uniform municipal and county administrative provisions for occupancy tax,¹ which provide uniformity among counties and cities with respect to the levy, administration, collection, repeal, and imposition of penalties.

In 1993, the House Finance Committee established the Occupancy Tax Guidelines, which address the rate of tax, the use of the tax proceeds, the administration of the tax, and the body with authority to determine how the proceeds will be spent. A summary of these provisions is detailed in the chart below. Many of the principles contained in the Guidelines are similar to those contained in policy statements adopted by the North Carolina Travel and Tourism Coalition and the North Carolina Restaurant and Lodging Association. The House Finance Committee Chairs have traditionally appointed a Subcommittee on Occupancy Taxes to scrutinize occupancy tax legislation to determine whether the

Research Division

House PCS 469

Page 2

legislation adheres to the Guidelines. The House Finance Chairs appointed Representatives McGee, Cotham, Carney, Moffitt, and Warren to be members of the House Finance Subcommittee on Occupancy Taxes this biennium.

UNIFORM OCCUPANCY TAX PROVISIONS
Rate – The county tax rate cannot exceed 6% and the city tax rate, when combined with the county rate, cannot exceed 6%.
Use – Two-thirds of the proceeds must be used to promote travel and tourism and the remainder must be used for tourism related expenditures.
Definitions The term “net proceeds”, “promote travel and tourism”, and “tourism related expenditures” are defined terms.
Administration – The net revenues must be administered by a local tourism development authority that has the authority to determine how the tax proceeds will be used, is created by a local ordinance, and at least 1/2 of the members must be currently active in the promotion of travel and tourism in the county and 1/3 of the members must be affiliated with organizations that collect the tax.
Costs of Collection – The taxing authority may retain from the revenues its actual costs of collection, not to exceed 3% of the first \$500,000 collected each year plus 1% of the remainder collected each year.

BILL SUMMARY:

House Bill 469 amends Section 2 of Part IX of SL 1983-908, as amended, to authorize the Lumberton City Council to levy an additional room occupancy tax of up to (3%) three percent, as specified. The city may not levy the tax under subsection (a1) unless it also levies the (3%) three percent occupancy tax authorized under subsection (a) of this section.

ASSUMPTIONS AND METHODOLOGY:

The City of Lumberton currently levies a (3%) three percent room occupancy tax. House Bill 469 would allow the city to levy an additional (3%) three percent room occupancy tax. According to the North Carolina Department of State Treasurer, the City of Lumberton collected \$441,368 in occupancy tax revenues for Tax Year 2010. Assuming that doubling the tax rate would double the amount of occupancy tax collected, and growing by the leisure and hospitality portion of North Carolina's Gross State Product, it's estimated that an additional (3%) three percent occupancy tax would yield \$479,896 for FY11-12.

A BILL TO BE ENTITLED
AN ACT TO REQUIRE DISCLOSURE ON THE BALLOT OF THE ESTIMATED
AMOUNT OF INTEREST THAT WOULD BE INCURRED ON INDEBTEDNESS.

The General Assembly of North Carolina enacts:

SECTION 1. G.S. 159-52(b) reads as rewritten:

"(b) The Commission shall approve the application if, upon the information and evidence it receives, it finds and determines:

- (1) That the proposed bond issue is necessary or expedient.
- (2) That the amount proposed is adequate and not excessive for the proposed purpose of the issue.
- (3) That the unit's debt management procedures and policies are good, or that reasonable assurances have been given that its debt will henceforth be managed in strict compliance with law.
- (4) That the increase in taxes, if any, necessary to service the proposed debt will not be excessive.
- (5) That the proposed bonds can be marketed at reasonable rates of interest.

If the Commission approves the application, the Commission shall use the current interest rates to estimate the total amount of interest resulting from the proposed bond and shall include that estimation in the order approving the application. If the Commission tentatively decides to deny the application because it is of the opinion that any one or more of these conclusions cannot be supported from the information presented to it, it shall so notify the unit filing the application. If the unit so requests, the Commission shall hold a public hearing on the application at which time any interested persons shall be heard. The Commission may appoint a hearing officer to conduct the hearing, and to present a summary of the testimony and his recommendations for the Commission's consideration."

SECTION 2. G.S. 159-61(d) reads as rewritten:

"(d) The form of the question as stated on the ballot shall be in substantially ~~the following words:~~ the words set forth in this subsection. The question shall include the estimated total amount of principal and interest resulting from the proposed bond, as calculated by the Commission and included in the order approving the application pursuant to G.S. 159-52.

"Shall the order ~~authorizing~~ authorizing, but not requiring, \$ _____ bonds and resulting in an estimated total amount of interest of \$ _____ and an estimated total cost of debt of \$ _____ for (briefly stating the purpose) be approved?"

- YES
- NO"

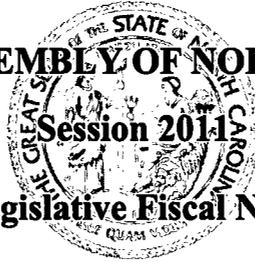

1 **SECTION 3.** Article 1 of Chapter 142 of the General Statutes is amended by
2 adding a new section to read:

3 **"§ 142-15.4. General obligation ballot question.**

4 In any general obligation bond issued by the General Assembly, the State Treasurer shall
5 use the current interest rates to estimate the total amount of interest resulting from the proposed
6 bond, and the form of the question as stated on the ballot shall include (i) the amount of
7 principal and the estimated total amount of interest and cost of debt resulting from the proposed
8 bond, as calculated by the State Treasurer, and (ii) a statement indicating that approval of the
9 general obligation bond does not require the issuance of the general obligation bond."

10 **SECTION 4.** This act is effective when it becomes law and applies to bonds
11 proposed on or after that date.

PROGRAM(S) AFFECTED: Department of the State Treasurer, Local Governments

EFFECTIVE DATE: Applies to bonds proposed on and after the date on which the act becomes law.

BILL SUMMARY:

H315 enacts GS 142-15.4 and requires the State Treasurer to use current interest rates to estimate the total amount of interest resulting from any proposed general obligation bond issued by the General Assembly. The ballot presented to the qualified voters is to include the following information in the form of a question: (1) the amount of principal and the estimated total amount of interest and cost of debt resulting from the proposed bond and (2) a statement that approval of the general obligation bond does not require issuance of the general obligation bond.

H315 further amends G.S 159-52(b) (concerning proposed bond application approval) to direct the Local Government Commission to use current interest rates to estimate the total amount of interest resulting from the proposed bond and include that estimation in the order approving the bond application. A conforming change to GS 159-61(d) (form of question on the ballot) to include the new language on the ballot is also made.

Applies to bonds proposed on and after the date on which the act becomes law.

ASSUMPTIONS AND METHODOLOGY:

There is no fiscal impact as the General Assembly currently has authorized no general obligation debt that would be required to meet the new requirement.

Local governments may have general obligation debt that would be subject to the new requirements. However, it is not believed that providing an estimation of interest would increase any costs related to the debt.

HOUSE BILL 315: Taxpayer Information Act

2011-2012 General Assembly

Committee:	House Finance	Date:	June 3, 2011
Introduced by:	Reps. Pridgen, Folwell, Collins, Stone	Prepared by:	Trina Griffin
Analysis of:	PCS to First Edition H315-CSSV-22		Committee Counsel

SUMMARY: *The Proposed Committee Substitute for House Bill 315 requires disclosure of the estimated interest rate and the estimated total amount of interest and costs associated with the issuance of general obligation debt on the following: for local bond issuance, the notice of intent to apply for the issuance of bonds, the application for approval of the issuance of bonds, the bond order, and the ballot; for State general obligation bonds, the ballot.*

CURRENT LAW: Article 4 of Chapter 159 of the General Statutes (Local Government Bond Act) governs the ability of units of local government to borrow money secured by a pledge of the taxing power. When a local government proposes to issue bonds that must be approved by a vote of the people,¹ it must publish a notice of intent to apply to the Local Government Commission (LGC) for approval. After considering an application, the Commission enters an order either approving or denying the application. The local government must hold a public hearing, followed by a bond referendum. Bonds may be issued under a bond order at any time within seven years after the order takes effect and up to 10 years with LGC approval. Any action contesting the validity of a bond referendum must be begun within 30 days after the publication of the results. After this time period, no right of action may be brought. Chapter 142 governs the issuance of State debt.

BILL ANALYSIS: Sections 1 through 5 of the bill apply to the issuance of voted debt by a local government. Section 6 of the bill applies to the issuance of State debt.

Notice of Intent. – Under current law, a local government seeking approval for voted bond issuance must publish a notice of its intent. The notice of intent must include the following information:

- A statement that the board intends to file an application with the Local Government Commission for approval of a bond issue.
- The purpose of the proposed issue.
- The maximum amount of bonds to be issued.
- A statement that any citizen or taxpayer of the issuing unit may, within 7 days after the publication, file a statement of any objections to the proposed issue.

Section 1 of the bill would require a local government to also include in the notice of intent, the estimated interest rate, the estimated total amount of interest that will be paid over the lifetime of the bonds, and an estimate of any other costs associated with the issuance of the bonds.

¹ Bonds issued for the following purposes do not require voter approval: (1) to suppress riots, insurrections, or any extraordinary breach of law and order; (2) to supply an unforeseen deficiency in the revenue when taxes actually received or collected during the fiscal year fall below collection estimates made in the annual budget ordinance; (3) to meet emergencies threatening the public health or safety, as conclusively determined in writing by the Governor; (4) to refund outstanding general obligation bonds or general obligation bond anticipation notes; (5) bonds as described in G.S. 159-49(2). There are also certain other purposes for which no vote is required to the extent of two-thirds of the amount by which the outstanding indebtedness of the issuing county, county water and sewer district, metro water district, or city was reduced in the preceding fiscal year.

House PCS 315

Page 2

Application. – Under current law, a local government must file an application for approval by the Local Government Commission for bond issuance. The application must state the relevant facts, including the financial condition of the issuing unit. **Section 2** of the bill would require that the application also include the estimated interest rate, the estimated amount of interest and other costs that will be paid over the lifetime of the bonds, and a summary of the assumptions upon which the estimates are based. This section further provides that the validity of bonds is not subject to challenge on the grounds that the actual interest rate at the time of issuance differs from the estimates.

Bond Order. – After or at the same time the application is filed, a bond order must be introduced before the governing board of the local government. Once introduced, the board must schedule a public hearing. **Section 3** of the bill would require that the bond order include the estimated interest rate and the total amount of interest and other costs associated with the issuance of the bonds.

Publication of Bond Order. – The bond order must be published and include a statement describing the amount of the proposed bonds, indicating that a tax may be levied to pay the principal and interest on the bonds, and announcing when the public hearing will be held. **Section 4** of the bill would require that the statement also include the estimated interest rate, the estimated total amount of interest and costs, and a summary of the assumptions upon which the estimates are based. The statement may also include a disclaimer that the estimates do not provide a basis for challenging the validity of the bonds if the actual interest or costs exceed the estimates.

Ballot Question. – Under current law, the form of the question on the ballot for a local bond order must be as follows:

"Shall the order authorizing \$ _____ bonds for (briefly stating the purpose) be approved?
[] YES
[] NO"

Section 5 of the bill would require that the ballot question also include the estimated interest rate, the estimated total amount of interest and costs, and the estimated total cost of debt along with a statement that the actual rate of interest may vary from the estimate based on the time of issuance.

State Debt. – **Section 6** of the bill enacts new G.S. 142-15.4, requiring the State Treasurer to use current interest rates to estimate the total amount of interest resulting from any proposed general obligation bond issued by the General Assembly. It would require the ballot to include the following information:

- Amount of principal.
- Estimated interest rate.
- Estimated total amount of interest and cost of debt.
- Statement that actual interest may vary based on time of issuance.
- Statement that approval of the general obligation bond does not require issuance of the bond.

EFFECTIVE DATE: This act is effective when it becomes law and applies to bonds proposed on or after that date.

Nebraska	Local/special	Irrigation district bond ballot for electric light and power system must show rate of interest.
Nevada	State	In state elections for issuance of bonds, "sample ballot" requires disclosure of maximum rate of interest. (Statutes are unclear whether this is exact replica of actual ballot on election day)
Tennessee	Local/special	Tennessee River Four-County Port Authority bond referendum - rate or maximum rate of interest must be printed on ballot.
Vermont	Local/special	Municipal indebtedness for improvement bonds. Ballot set out in statute does not require the disclosure of interest but statute provides "In the discretion of the legislative branch, the form of the ballot may also state the maximum rate of interest to be paid on the bonds."

- 21 (13) Submit at reasonable times to warrantless searches by a probation officer of
22 the probationer's person and of the probationer's vehicle and premises while
23 the probationer is present, for purposes directly related to the probation

25 search that would otherwise be unlawful.
- 26 (14) Submit to warrantless searches by a law enforcement officer of the

3 Regular conditions of probation apply to each defendant placed on supervised probation
4 unless the presiding judge specifically exempts the defendant from one or more of the
5 conditions in open court and in the judgment of the court. It is not necessary for the presiding

30 offender's compliance with the condition to be monitored
31 ~~electronically;~~electronically.
- 32 (3) Submit to substance abuse assessment, monitoring or ~~treatment;~~ treatment,

- 35 (4) Participate in an educational or vocational skills development program.
- 36 (5) Submit to satellite-based monitoring pursuant to Part 5 of Article 27A of
37 Chapter 14 of the General Statutes, if the defendant is described by
38 G.S. 14-208.40(a)(2).

39 If the Division imposes any of the above requirements, then it may subsequently reduce or
40 remove those same requirements.

41 If the probation officer exercises authority delegated to him or her by the court pursuant to
42 this subsection, the offender may file a motion with the court to review the action taken by the
43 probation officer. The offender shall be given notice of the right to seek such a court review.
44 The Division may exercise any authority delegated to it under this subsection only if it first
45 determines that the offender has failed to comply with one or more of the conditions of
46 probation imposed by the court."

47 **SECTION 7.** G.S. 15A-1343.3 reads as rewritten:

48 "**§ 15A-1343.3. Department of Corrections to establish regulations for continuous alcohol**
49 **monitoring systems; ~~systems;~~ payment of fees; authority to terminate**
50 **monitoring.**

1 (a) The Department of Correction shall establish regulations for continuous alcohol
2 monitoring systems that are authorized for use by the courts as evidence that an offender on
3 probation has abstained from the use of alcohol for a specified period of time. A "continuous
4 alcohol monitoring system" is a device that is worn by a person that can detect, monitor, record,
5 and report the amount of alcohol within the wearer's system over a continuous 24-hour daily
6 basis. The regulations shall include the procedures for supervision of the offender, collection
7 and monitoring of the results, and the transmission of the data to the court for consideration by
8 the court. All courts, including those using continuous alcohol monitoring systems prior to July
9 4, 2007, shall comply with the regulations established by the Department pursuant to this
10 section.

11 The Secretary, or the Secretary's designee, shall approve continuous alcohol monitoring
12 systems for use by the courts prior to their use by a court as evidence of alcohol abstinence, or
13 their use as a condition of probation. The Secretary shall not unreasonably withhold approval of
14 a continuous alcohol monitoring system and shall consult with the Division of Purchase and
15 Contract in the Department of Administration to ensure that potential vendors are not
16 discriminated against.

17 (b) Any fees or costs paid by an offender on probation in order to comply with continuous
18 alcohol monitoring shall be paid directly to the monitoring provider. A monitoring provider
19 shall not terminate the provision of continuous alcohol monitoring for non-payment of fees
20 unless authorized by the court."

21 SECTION 8. Article 82 of Chapter 15A of the General Statutes is amended by
22 adding a new section to read:

23 **"§ 15A-1343.4. Discretionary use of continuous alcohol monitoring systems in DWI and**
24 **drug courts.**

25 Discretionary use of continuous alcohol monitoring systems for offenders who are not
26 required by law as a condition of pretrial release or probation to abstain from the use of alcohol
27 for a specified period of time shall be permitted and may be imposed in a matter before a Drug
28 Treatment Program Court in the sole discretion of the judge presiding."

29 SECTION 9. G.S. 20-28(a) reads as rewritten:

30 "(a) Driving While License Revoked. – Except as provided in subsection (a1) of this
31 section, any person whose drivers license has been revoked who drives any motor vehicle upon
32 the highways of the State while the license is revoked is guilty of a Class 1 misdemeanor. Upon
33 conviction, the person's license shall be revoked for an additional period of one year for the
34 first offense, two years for the second offense, and permanently for a third or subsequent
35 offense.

36 If the person's license was originally revoked for an impaired driving revocation, the court
37 may order as a condition of probation that the offender to abstain from alcohol consumption
38 and verify compliance by use of a continuous alcohol monitoring for a minimum period of 90
39 days.

40 The restoree of a revoked drivers license who operates a motor vehicle upon the highways
41 of the State without maintaining financial responsibility as provided by law shall be punished
42 as for driving without a license."

43 SECTION 10. G.S. 20-179 reads as rewritten:

44 **"§ 20-179. Sentencing hearing after conviction for impaired driving; determination of**
45 **grossly aggravating and aggravating and mitigating factors; punishments.**

46 ...

47 (g) Level One Punishment. – A defendant subject to Level One punishment may be
48 fined up to four thousand dollars (\$4,000) and shall be sentenced to a term of imprisonment
49 that includes a minimum term of not less than 30 days and a maximum term of not more than
50 24 months. The term of imprisonment may be suspended only if a condition of special

1 probation is imposed to require the defendant to serve a term of imprisonment of at least 30
2 days. A judge may reduce the minimum term of imprisonment required to a term of not less
3 than 10 days if a condition of special probation is imposed to require that a defendant abstain
4 from alcohol consumption and be monitored by a continuous alcohol monitoring system
5 approved by the Department of Correction for a period of not less than 120 days. If the
6 defendant is monitored on an approved continuous alcohol monitoring system during the
7 pretrial period, up to 60 days of pretrial monitoring may be credited against the 120-day
8 monitoring requirement for probation. If the defendant is placed on probation, the judge shall
9 impose a requirement that the defendant obtain a substance abuse assessment and the education
10 or treatment required by G.S. 20-17.6 for the restoration of a drivers license and as a condition
11 of probation. The judge may impose any other lawful condition of probation.

12 (h) Level Two Punishment. – A defendant subject to Level Two punishment may be
13 fined up to two thousand dollars (\$2,000) and shall be sentenced to a term of imprisonment that
14 includes a minimum term of not less than seven days and a maximum term of not more than 12
15 months. The term of imprisonment may be suspended only if a condition of special probation is
16 imposed to require the defendant to serve a term of imprisonment of at least seven ~~days~~, days or
17 to abstain from consuming alcohol for at least 90 consecutive days, as verified by a continuous
18 alcohol monitoring system approved by the Department of Correction. If the defendant is
19 monitored on an approved continuous alcohol monitoring system during the pretrial period, up
20 to 60 days of pretrial monitoring may be credited against the 90-day monitoring requirement
21 for probation. If the defendant is placed on probation, the judge shall impose a requirement that
22 the defendant obtain a substance abuse assessment and the education or treatment required by
23 G.S. 20-17.6 for the restoration of a drivers license and as a condition of probation. The judge
24 may impose any other lawful condition of probation.

25 ~~(h1) The judge may impose, as a condition of probation for defendants subject to Level~~
26 ~~One or Level Two punishments, that the defendant abstain from alcohol consumption for a~~
27 ~~minimum of 30 days, to a maximum of 60 days, as verified by a continuous alcohol monitoring~~
28 ~~system. The total cost to the defendant for the continuous alcohol monitoring system may not~~
29 ~~exceed one thousand dollars (\$1,000). The defendant's abstinence from alcohol shall be verified~~
30 ~~by a continuous alcohol monitoring system of a type approved by the Department of~~
31 ~~Correction.~~

32 ~~(h2) Notwithstanding the provisions of subsection (h1), if the court finds, upon good~~
33 ~~cause shown, that the defendant should not be required to pay the costs of the continuous~~
34 ~~alcohol monitoring system, the court shall not impose the use of a continuous alcohol~~
35 ~~monitoring system unless the local governmental entity responsible for the incarceration of the~~
36 ~~defendant in the local confinement facility agrees to pay the costs of the system.~~

37 ~~(h3) Any fees or costs paid pursuant to subsections (h1) or (h2) of this section shall be~~
38 ~~paid to the clerk of court for the county in which the judgment was entered or the deferred~~
39 ~~prosecution agreement was filed. Fees or costs collected under this subsection shall be~~
40 ~~transmitted to the entity providing the continuous alcohol monitoring system.~~

41 ...

42 (k2) Probationary Requirement for Abstinence and Use of Continuous Alcohol
43 Monitoring. – The judge may order that as a condition of special probation for any level of
44 offense under G.S. 20-179 the defendant abstain from alcohol consumption, as verified by a
45 continuous alcohol monitoring system of a type approved by the Department of Correction.

46 (k3) The court, in the sentencing order, may authorize probation officers to require
47 defendants to submit to continuous alcohol monitoring for assessment purposes if the defendant
48 has been required to abstain from alcohol consumption during the term of probation, and the
49 probation officer believes the defendant is consuming alcohol. The defendant shall bear the

1 costs of the continuous alcohol monitoring system if the use of the system has been authorized
2 by a judge in accordance with this subsection.

3 (k4) Notwithstanding the provisions of subsections (g), (h), (k2), and (k3) of this section,
4 if the court finds, upon good cause shown, that the defendant should not be required to pay the
5 costs of the continuous alcohol monitoring system, the court shall not impose the use of a
6 continuous alcohol monitoring system unless the local governmental entity responsible for the
7 incarceration of the defendant in the local confinement facility agrees to pay the costs of the
8 system.

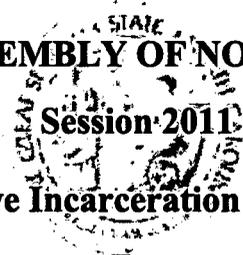

9"

10 SECTION 11. G.S. 50-13.2 is amended by adding a new subsection to read:

11 "(b2) Any order for custody, including visitation, may, as a condition of such custody or
12 visitation, require either or both parents, or any other person seeking custody or visitation, to
13 abstain from consuming alcohol and may require submission to an approved continuous alcohol
14 monitoring system to verify compliance with this condition of custody or visitation. Any order
15 pursuant to this subsection shall include an order to the monitoring provider to report any
16 violation of the order to the court and each party to the action. Failure to comply with this
17 condition shall be grounds for civil or criminal contempt."

18 SECTION 12. This act becomes effective December 1, 2011, and applies to
19 offenses committed or any custody and visitation orders issued on or after that date.

PRINCIPAL DEPARTMENT(S) & PROGRAM(S) AFFECTED: Department of Correction; Judicial Branch					
EFFECTIVE DATE: This act becomes effective December 1, 2011, and applies to offenses committed on or after that date.					
<i>*This fiscal analysis is independent of the impact of other criminal penalty bills being considered by the General Assembly, which could also increase the projected prison population and thus the availability of prison beds in future years. The Fiscal Research Division is tracking the cumulative effect of all criminal penalty bills on the prison system as well as the Judicial Department.</i>					

FISCAL SUMMARY:

According to the Sentencing and Policy Advisory Commission, the proposed legislation would have an impact on the prison population if revocation of probation is due to violation of the new condition only (abstinence from alcohol consumption and compliance with recommended treatment, as verified by a continuous alcohol monitoring (CAM) system). The impact of revocations on the prison population is likely to be minimal, because DWI is a misdemeanor. As such, revocation would not often lead to incarceration in prison. Revocations would primarily have an impact on the local jail population.

In addition, the Department of Correction Office of Research and Planning (DOC) reported that the Department does not anticipate a significant fiscal impact as a result of the proposed legislation, provided the offender pays the cost of CAM.

According to the Administrative Office of the Courts (AOC), the proposed legislation could result in the potential reduction in State and local government revenue. Also, the act would increase workload impact on court personnel. While many sections of the bill would impact court personnel, only the workload impact from Section 9 can be estimated. AOC stated Section 9 is anticipated to require ten positions and cost \$992,000 in the first full year of implementation (FY 2012-13).

BILL SUMMARY:

House Bill 494 would allow the use of continuous alcohol monitoring (CAM) systems as a condition of probation, to meet requirements for the restoration of a revoked drivers' license, to mitigate punishments for impaired driving offenses, and to ensure compliance with child custody and visitation orders.

The act becomes effective December 1, 2011, and applies to offenses committed or any custody or visitation orders issued on or after that date.

Adopted from Committee Counsel's bill summary dated May 24, 2011.

ASSUMPTIONS AND METHODOLOGY:

General

The Sentencing and Policy Advisory Commission prepares prison population projections for each bill containing a criminal penalty. The Commission assumes for such bills that expanding existing, or creating new criminal offenses produces no deterrent or incapacitative effect on crime. Therefore, the Fiscal Research Division does not assume deterrent effects for any criminal penalty bill.

However, the Sentencing and Policy Advisory Commission does not maintain statistical information on impaired driving offenses, as they are not punished under the Structured Sentencing Act. The Sentencing Commission did provide some general assessments about the proposed legislation. Additionally, the Department of Correction Office of Research and Planning (DOC) was asked to estimate the fiscal impact of the proposed legislation.

The Administrative Office of the Courts (AOC) provides Fiscal Research with a fiscal impact analysis for most criminal penalty bills. For such bills, fiscal impact is typically based on the assumption that court time will increase due to anticipated increases in trials and corresponding increases in workload for judges, clerks, and prosecutors. This increased court time is also expected to result in greater expenditures for jury fees and indigent defense.

Section 1:

This section amends G.S. 15A-534.1(a)(2), Crimes of domestic violence; bail and pretrial release. The act expands the judge's authority in all cases in which the defendant is charged with assault on a female, stalking, communicating threats, or committing a felony provided in Articles 7A, 8, 10 or 15 of Chapter 14 of the General Statutes or with violation of an order entered pursuant to Chapter 50B, Domestic Violence, to allow a judge to require a defendant to abstain from alcohol consumption and be subject to a continuous alcohol monitoring (CAM) system as a condition of pretrial release.

Judicial Branch Impact: Section 1 adds an additional condition for pretrial release, which increases the potential for violations of the conditions of pretrial release. Such violations would increase the number of bond hearings, which are estimated to take ten minutes of court time (excluding out of court preparation time). Each bond hearing for a case pending in superior court would impact the workload of a superior court judge, court reporter, deputy clerk, and assistant district attorney. Each bond hearing for a case pending in district court would impact the workload of a district court judge, deputy clerk, and assistant district attorney. The Office of Indigent Defense Services would be impacted as well for indigent defendants. The number of impacted cases and the number of violations cannot be projected. As an example of one part of the potential pool, in 2010 there were nearly 28,000 defendants charged with Assault on a female, an offense which is frequently charged in domestic violation cases. In addition, there is the potential for more contempt hearings in Chapter 50B cases for those who violate the abstinence condition of pretrial release.

Section 2:

Section 2 amends G.S. 15A-1340.11(6) to add to the list of conditions that constitute intermediate punishment. The act states that an offender in a criminal case must abstain from alcohol consumption and be subject to a CAM system as a regular condition of probation, if alcohol dependency or chronic abuse has been identified by a substance abuse assessment.

DOC Impact: According to the Sentencing Commission, the proposed amendment to G.S. 15A-1340.11(6) would not be expected to increase or decrease the number of convictions that receive an intermediate punishment. Rather, the proposed bill provides judges with an additional intermediate punishment option. Because the bill applies to intermediate punishments, it would have an impact on the prison population if revocation of probation is due to violation of this condition only (i.e., not in combination with violation of another condition that is currently allowed). The impact would also vary based on the offense class for which the offender received the suspended sentence.

For felony probationers, the proposed bill would primarily have an impact on the prison population. For misdemeanor probationers, the proposed bill would primarily have an impact on local jails. The Sentencing Commission has no data on which to base an estimate of the number of convictions in which judges may impose this proposed option, nor the number of revocations that may occur because of violation of this condition only.

Judicial Branch Impact: Since the alcohol recovery process may include relapse, it is likely that the use of CAM would lead to an increase in probation violations, and thus an increase in

probation violation hearings. Each probation violation hearing for a case in superior court would require, on average 45 minutes of time each for a superior court judge, court reporter, deputy clerk, and assistant district attorney. Each probation violation hearing for a case in district court would require, on average 45 minutes of time each for a district court judge, deputy clerk, and assistant district attorney.

Section 3:

This section deletes the provision in G.S. 15A-1343(b) that prohibits a defendant from paying the costs associated with a substance abuse monitoring program or any other special condition of probation in lieu of, or prior to, the payments required as regular conditions of probation.

Judicial Branch Impact: AOC states that removing the language in G.S. 15A-1343 has the potential to impact State and local government revenues. Under the proposed legislation, costs associated with substance abuse monitoring or other special conditions of probation could be made first. Therefore, payments for restitution, fines, facilities fees, jail fees, court costs, and other fees could be delayed or may be ultimately waived and remitted by a judge.

Level	Category	Examples	Authority for Priority Ranking
1 (paid first)	Victim restitution	VRA and non-VRA restitution for victims	G.S. 7A-304(d)(1)
2	Costs due a county	Process fee; facilities fee; pretrial release fee; local lab fee; jail fees	G.S. 7A-304(d)(1)
3	Costs due a municipality	Process fee; facilities fee; local lab fee; jail fees	G.S. 7A-304(d)(1)
4	Fines due a county	Fines	G.S. 7A-304(d)(1)
5	Non-victim restitution	Restitution to entities other than a victim	G.S. 7A-304(d)(1)
6	Costs due the State	Telephone fee; law enforcement retirement fees; law enforcement training fee; GCOJ fee; Chapter 20 offense processing fee; FTA fee; FTC fee; SBI lab fee; witness fees; installment fee; probation supervision fee	G.S. 7A-304(d)(1)
7	Attorney fees and the attorney appointment fee	Attorney fees (and other expenses of indigent representation) and the attorney appointment fee	G.S. 7A-304(d)(1)
8 (paid last)	Costs associated with a substance abuse monitoring program or any other special condition of probation	CAM fee; EHA fee; community service fee; SBM fee	G.S. 15A-1343(b)

In the table above, Section 3 would delete the priority order for items in Level 8. This would shift the EHA fee, community service fee, and SBM fee to Level 6 (costs due the State), and remove any reference to priority order for the CAM fee, which is paid to a private vendor.

Section 4:

This section amends G.S. 15A-1343(b1) to allow a court to require as a special condition of probation that a defendant abstain from alcohol consumption and submit to CAM when alcohol dependency or chronic abuse has been identified by a substance abuse assessment.

Judicial Branch Impact: Since the alcohol recovery process may include relapse, it is likely that the use of CAM would lead to an increase in probation violations, and thus an increase in probation violation hearings. Each probation violation hearing for a case in superior court would require, on average 45 minutes of time each for a superior court judge, court reporter, deputy clerk, and assistant district attorney. Each probation violation hearing for a case in district court would require, on average 45 minutes of time each for a district court judge, deputy clerk, and assistant district attorney.

Section 5:

This section amends G.S. 15A-1343.2(f) to allow the Division of Community Corrections in the Department of Correction to require an offender sentenced to intermediate punishment to submit to substance abuse treatment through a CAM program when abstinence from alcohol consumption has been specified as a term of probation.

Judicial Branch Impact: Since the alcohol recovery process may include relapse, it is likely that the use of CAM would lead to an increase in probation violations, and thus an increase in probation violation hearings. Each probation violation hearing for a case in superior court would require, on average 45 minutes of time each for a superior court judge, court reporter, deputy clerk, and assistant district attorney. Each probation violation hearing for a case in district court would require, on average 45 minutes of time each for a district court judge, deputy clerk, and assistant district attorney.

Section 6:

This section adds new G.S. 15A-1343.4 to allow judges, in their discretion, to require offenders to abstain from the use of alcohol and to submit to CAM systems as a condition of pretrial release or probation in a matter before a Drug Treatment Program Court.

Judicial Branch Impact: In the event that an order for the use of CAM leads to an increase in violations, there could be an increase in hearings and impact workload for court personnel.

Section 7:

This section amends G.S. 20-28(a) to allow a judge to order an offender who is subject to a license revocation due to an impaired driving offense to abstain from alcohol consumption and submit to CAM for a minimum period of 90 days instead of incarceration.

DOC Impact: DOC looked at the FY 2009-2010 revoked offenders whose most serious offense was DWLR to see the number revoked for criminal reasons who had a conviction for DWI recorded in OPUS with an offense date or conviction date within 60 days of their revocation date.

Most Serious DWI Offenses for DWLR Revocation in FY 2009-2010

NEW OFFENSE	OFFENDERS	PERCENT
DWI LEVEL 1	15	41.67
DWI LEVEL 2	5	13.89
DWI LEVEL 3	4	11.11
DWI LEVEL 4	2	5.56
DWI LEVEL 5	3	8.33
DWI DRIVING WHILE IMPAIRED	1	2.78
HABITUAL IMPAIRED DRIVING	6	16.67
TOTAL	36	100

Because the number of offenders who might be affected by Section 7 is estimated to be very low, the Department would not need additional resources to handle this provision.

Judicial Branch Impact: Since the alcohol recovery process may include relapse, it is likely that the use of CAM would lead to an increase in probation violations, and thus an increase in probation violation hearings. Each probation violation hearing for a case in superior court would require, on average 45 minutes of time each for a superior court judge, court reporter, deputy clerk, and assistant district attorney. Each probation violation hearing for a case in district court would require, on average 45 minutes of time each for a district court judge, deputy clerk, and assistant district attorney.

Section 8:

Level One sentencing – A judge could require as a condition of special probation after the 30-day term of imprisonment that the defendant use CAM for not less than 120 days, and can reduce the minimum term of imprisonment to ten days if this condition is imposed. Up to 60 days of pretrial continuous alcohol monitoring may be credited against the 120 days.

Level Two sentencing – A judge could suspend the active sentence, including the seven day minimum if the defendant has abstained from consuming alcohol for at least 90 days, as verified by a CAM system. Up to 60 days of pretrial CAM may be credited against the 90 days.

The act deletes provisions in the current DWI sentencing law that restrict the use of CAM to 60 days and limit the maximum amount a defendant can be required to pay for monitoring to \$1,000. Also, the act deletes provisions requiring fees for monitoring to be paid through the clerk of court.

The proposed legislation authorizes the judge to order abstinence from alcohol and the use of a CAM system for any level of DWI.

In addition, the act authorizes probation officers, with a judge's authorization, to require defendants to submit to CAM for assessment purposes if the defendant has been required to abstain from alcohol consumption and the probation officer believes the defendant is consuming alcohol.

DOC Impact: According to the Sentencing Commission, the impact of revocations on the prison population is likely to be minimal because DWI is a misdemeanor. As such, revocation would not often lead to incarceration in prison. Revocations would primarily have an impact on the local jail population.

Judicial Branch Impact: New subsection (k2) permits a judge to order as a condition of special probation for any Level of DWI offender to abstain from alcohol consumption, as verified by a continuous alcohol monitoring system. This would expand the pool of eligible DWI offenders from 10,154 offenders to 41,682 offenders. Since the alcohol recovery process may include relapse, it is likely that the use of continuous alcohol monitoring would lead to an increase in probation violations, and thus an increase in probation violation hearings. Each probation violation hearing for a case in district court would require, on average 45 minutes of time each for a district court judge, deputy clerk, and assistant district attorney.

Section 8 also removes the cap of \$1,000 as the maximum costs a DWI offender must pay for CAM. This change, in conjunction with the change in Section 3, has the potential to reduce State and local government revenue. In addition, there is the potential for increased probation violation hearings for failure to pay all monies owed. Each probation violation hearing for a case in district court would require, on average 45 minutes of time each for a district court judge, deputy clerk, and assistant district attorney.

This section also removes the requirement that payments by the defendant for CAM be paid to the Clerk of Court for transmission to the entity providing the CAM system. Thus, it appears that the defendant would pay the entity directly, and may pay the CAM entity prior to making payments on amounts due on the criminal judgment, such as restitution, fines, and court fees.

Section 9:

This section amends G.S. 50-13.2 to allow a court to impose as a condition of an order for custody, including visitation that either or both parents, or other persons seeking custody or visitation, abstain from consuming alcohol and submit to CAM. Failure to comply with this condition shall be grounds for civil or criminal contempt.

Judicial Branch Impact: Section 9 is anticipated to significantly impact the time required for child custody and visitation hearings. In 2010, AOC data show 18,003 civil cases with a custody issue and 4,834 cases with a visitation issue. Because there may be some overlap between the two groups, for the purposes of this analysis AOC has used only the 18,003 custody cases as a starting point. It is estimated that in approximately 60 percent of those cases, a request for CAM will be made during the hearing for permanent custody, adding an estimated 30 minutes to those hearings. In addition, it is estimated that roughly half of those cases, or 30 percent of the overall custody cases, will first have the issue raised at a temporary custody hearing, adding another 15 minutes to those hearings. With a December 1 effective date, costs would be as follows:

Position Type	Positions	Position Cost				FY2011-12 (Eff. Dec 1)			FY2012-13	FY2013-14	FY2014-15	FY2015-16

Under Section 9 there is also the potential for an increase in civil or criminal contempt proceedings, which would also require court personnel time.

HOUSE BILL 494: Continuous Alcohol Monitoring Law Changes

2011-2012 General Assembly

Committee:	House Finance	Date:	June 3, 2011
Introduced by:	Reps. M. Alexander, Guice, T. Moore, Stam	Prepared by:	Susan Sitze and Trina Griffin
Analysis of:	PCS to Second Edition H494-CSSA-55		Staff Attorneys

SUMMARY: *The Proposed Committee Substitute (PCS) for House Bill 494 would allow the use of continuous alcohol monitoring systems as a condition of pretrial release, as a condition of probation, to mitigate punishments for impaired driving offenses, and to ensure compliance with child custody and visitation orders.*

BILL ANALYSIS:

Sections 1 and 2 of the PCS would allow the judge to impose as a condition of pretrial release that the defendant abstains from alcohol consumption, as verified by a continuous alcohol monitoring system, and that any violation of this condition be reported by the provider to the district attorney.¹ Section 2 is specific to pretrial release for domestic violence offenders.

Section 3 of the PCS would add to the list of potential conditions for an intermediate punishment that the defendant abstain from alcohol consumption and comply with recommended treatment, as verified by a continuous alcohol monitoring system, when alcohol dependency or chronic abuse has been identified by a substance abuse assessment.

Under current law, a defendant is not permitted to pay costs associated with a substance abuse monitoring system or any other special condition of probation instead of or prior to making payments required as a regular condition of probation, such as child support, supervision fees, courts costs, fines, and court-appointed counsel costs. Section 4 of the PCS would delete this requirement.

Section 5 of the PCS would authorize as a special condition of probation that the defendant abstain from alcohol consumption and submit to continuous alcohol monitoring when alcohol dependency or chronic abuse has been identified by a substance abuse assessment.

Section 6 of the PCS would authorize a probation officer for someone sentenced to intermediate punishment to require continuous alcohol monitoring when abstinence from alcohol consumption has been specified as a term of probation.

Section 7 of the PCS provides that an offender on continuous alcohol monitoring as a condition of probation must pay fees for the monitoring directly to the provider. The provider must get authorization from the court before it may terminate the monitoring for nonpayment.

Section 8 of the PCS would grant the judge in a Drug Treatment Program Court the discretion to require a defendant to submit to continuous alcohol monitoring.

Section 9 of the PCS would authorize the judge to require as a condition of probation abstinence from alcohol and the use of continuous alcohol monitoring for a minimum of 90 days, for a defendant convicted of driving while license revoked where the revocation is for a DWI under G.S. 20-138.1.

Section 10 would make changes to DWI sentencing relating to the use of continuous alcohol monitoring as follows:

¹ In counties with pretrial release services, the district attorney can direct the provider to report to pretrial release services.

House PCS 494

Page 2

- Level One sentencing – A judge may reduce the minimum term of imprisonment to not less than 10 days if a condition of special probation is imposed to require abstinence from alcohol and continuous alcohol monitoring for a period of at least 120 days. Up to 60 days of pretrial continuous alcohol monitoring may be credited against the 120 days.
- Level Two sentencing – A judge could impose as a condition of special probation a 7-day sentence or at least 90 days of continuous alcohol monitoring. Up to 60 days of pretrial continuous alcohol monitoring may be credited against the 90 days.
- Deletes provisions in the current DWI sentencing law that restrict the use of continuous alcohol monitoring to 60 days and limit the maximum amount a defendant can be required to pay for monitoring to \$1000. Also deletes provisions requiring fees for monitoring to be paid through the clerk of court.
- Authorizes the judge to order abstinence from alcohol and the use of a continuous alcohol monitoring system for any level of DWI.
- Authorizes probation officers, with a judge's authorization in the sentencing order, to require defendants to submit to continuous alcohol monitoring for assessment purposes if the defendant has been required to abstain from alcohol consumption and the probation officer believes the defendant is consuming alcohol.

Section 11 of the PCS would authorize a court to include as a condition of a custody or visitation order that either or both parents, or any other person seeking custody or visitation, abstain from consuming alcohol and may require submission to continuous alcohol monitoring. Failure to comply with this condition shall be grounds for civil or criminal contempt. The provider would be required to notify the court and each party to the action of noncompliance.

EFFECTIVE DATE: This act becomes effective December 1, 2011, and applies to offenses committed or any custody or visitation orders issued on or after that date.

38 two years after the member's earliest eligibility for separation or release from military service,
39 then the member's employer must remit to the System all the employer contributions for the full
40 period of that member's military service."

41 **SECTION 6.** G.S. 135-106(b) reads as rewritten:

42 "(b) After the commencement of benefits under this section, the benefits payable under
43 the terms of this section during the first 36 months of the long-term disability period shall be
44 equal to sixty-five percent (65%) of 1/12th of the annual base rate of compensation last payable
45 to the participant or beneficiary prior to the beginning of the short-term disability period as may
46 be adjusted for percentage increases as provided under G.S. 135-108, plus sixty-five percent
47 (65%) of 1/12th of the annual longevity payment to which the participant or beneficiary would
48 be eligible, to a maximum of three thousand nine hundred dollars (\$3,900) per month reduced
49 by any primary Social Security disability benefits and by monthly payments for Workers'
50 Compensation to which the participant or beneficiary may be entitled. When primary Social
51 Security disability benefits are increased by cost-of-living adjustments, the increased reduction

1 shall be applied in the first month following the month in which the member becomes entitled
2 to the increased Social Security benefit. The monthly benefit shall be further reduced by the
3 amount of any monthly payments from the federal Department of Veterans Affairs, any other
4 federal agency or any payments made under the provisions of G.S. 127A-108, to which the
5 participant or beneficiary may be entitled on account of the same disability. Provided, in any
6 event, the benefit payable shall be no less than ten dollars (\$10.00) a month. However, a
7 disabled participant may elect to receive any salary continuation as provided in G.S. 135-104 in
8 lieu of long-term disability benefits; provided such election shall not extend the first 36
9 consecutive calendar months of the long-term disability period. An election to receive any
10 salary continuation for any part of any given day shall be in lieu of any long-term benefit
11 payable for that day, provided further, any lump-sum payout for vacation leave shall be treated
12 as if the beneficiary or participant had exhausted the leave and shall be in lieu of any long-term
13 benefit otherwise payable. Provided that, in any event, a beneficiary's benefit shall be reduced
14 during the first 36 months of the long-term disability period by an amount, as determined by
15 the Board of Trustees, equal to a primary Social Security retirement benefit to which the
16 beneficiary might be entitled.

17 After 36 months of long-term disability, no further benefits are payable under the terms of
18 this section unless the member has been approved and is in receipt of primary Social Security
19 disability benefits. In that case the benefits payable shall be equal to sixty-five percent (65%) of
20 1/12th of the annual base rate of compensation last payable to the participant or beneficiary
21 prior to the beginning of the short-term disability period as may be adjusted for percentage
22 increases as provided under G.S. 135-108, plus sixty-five percent (65%) of 1/12th of the annual
23 longevity payment to which the participant or beneficiary would be eligible, to a maximum of
24 three thousand nine hundred dollars (\$3,900) per month reduced by the primary Social Security
25 disability benefits and by monthly payments for Workers' Compensation to which the
26 participant or beneficiary may be entitled. When primary Social Security disability benefits are
27 increased by cost-of-living adjustments, the increased reduction shall be applied in the first
28 month following the month in which the member becomes entitled to the increased Social
29 Security benefit. The monthly benefit shall be further reduced by the amount of any monthly
30 payments from the federal Department of Veterans Affairs, for payments from any other
31 federal agency, or for any payments made under the provisions of G.S. 127A-108, to which the
32 participant or beneficiary may be entitled on account of the same disability. Provided, in any
33 event, the benefit payable shall be no less than ten dollars (\$10.00) a month.

34 Notwithstanding the foregoing, the long-term disability benefit is payable so long as the
35 beneficiary is disabled and is in receipt of a primary Social Security disability benefit until the
36 earliest date at which the beneficiary is eligible for an unreduced service retirement allowance
37 from the Retirement System, at which time the beneficiary would receive a retirement
38 allowance calculated on the basis of the beneficiary's average final compensation at the time of
39 disability as adjusted to reflect compensation increases subsequent to the time of disability and
40 the creditable service accumulated by the beneficiary, including creditable service while in
41 receipt of benefits under the Plan. In the event the beneficiary has not been approved and is not
42 in receipt of a primary Social Security disability benefit, the long-term disability benefit shall
43 cease after the first 36 months of the long-term disability period. When such a long-term
44 disability recipient begins receiving this unreduced service retirement allowance from the
45 System, that recipient shall not be subject to the six-month waiting period set forth in
46 G.S. 135-1(20). However, a beneficiary shall be entitled to a restoration of the long-term
47 disability benefit in the event the Social Security Administration grants a retroactive approval
48 for primary Social Security disability benefits with a benefit effective date within the first 36
49 months of the long-term disability period. In such event, the long-term disability benefit shall
50 be restored retroactively to the date of cessation."

A BILL TO BE ENTITLED

AN ACT TO ALLOW A SELLER TO APPLY OVERCOLLECTED SALES TAX TO
OFFSET A USE TAX LIABILITY ON A RELATED TRANSACTION.

The General Assembly of North Carolina enacts:

SECTION 1. G.S. 105-164.11(a) reads as rewritten:

"(a) Remittance of ~~Over Collections~~ Overcollections to Secretary. – When ~~the tax is~~ collected for any period is on a taxable sale in excess of the total amount that should have been
~~collected,~~ collected or is collected on an exempt or nontaxable sale, the total amount collected
must be ~~paid over~~ remitted to the Secretary. ~~When tax is collected for any period on exempt or~~
~~nontaxable sales the tax erroneously collected shall be remitted to the Secretary and no refund~~
~~shall be made to a taxpayer unless the purchaser has received credit for or has been refunded~~
~~the amount of tax erroneously charged.~~ If the Secretary determines that the seller overcollected
the sales tax on a transaction, the Secretary shall take only one of the actions listed in this
subsection. This ~~provision~~ subsection shall be construed with other provisions of this Article
and given effect so as to result in the payment to the Secretary of the total amount collected as
tax if it is in excess of the amount that should have been collected.

(1) If the Secretary determines that the seller overcollected tax on a transaction,
the Secretary may allow a refund of the tax. The Secretary may allow the
refund only if the seller gives the purchaser credit for or a refund of the
overcollected tax. The Secretary shall not refund the overcollected tax to the
seller if the seller has elected to offset a use tax liability on a related
transaction with the overcollected sales tax under subdivision (2) of this
subsection.

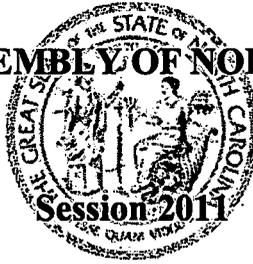

(2) If the Secretary determines that a seller who overcollected sales tax on a
transaction is instead liable for a use tax on a related transaction, the
Secretary may allow the seller to offset the use tax liability with the
over-collected sales tax. The Secretary shall not allow an offset if the seller
has elected to receive a refund of the overcollected tax under subdivision (1)
of this subsection. The decision by a seller to receive an offset of tax liability
rather than a refund of the overcollected tax does not affect the liability of
the seller to the purchaser for the overcollected tax.

(3) If neither subdivision (1) nor (2) of this subsection apply, the Secretary shall
retain the total amount collected on the transaction."

1 **SECTION 2.** This act becomes effective July 1, 2011, and applies to tax liabilities
2 that accrue on or after that date.

PRINCIPAL DEPARTMENT(S) & PROGRAM(S) AFFECTED: Department of Revenue					
EFFECTIVE DATE: July 1, 2011, and applies to tax liabilities that accrue on or after that date					

BILL SUMMARY: The proposed committee substitute establishes procedures concerning the Secretary of Revenue's actions when sales tax is collected in excess of the total amount that should have been collected or that is collected on an exempt or nontaxable sale. The proposal provides that the Secretary may allow a refund to the seller only if the seller gives the purchaser credit for or

a refund of the over-collected tax. If the Secretary of Revenue determines that a seller who over-collected sales tax on a transaction is liable for use tax on the transaction instead of sales tax, the Secretary may allow the seller to elect to apply the over-collected sales tax to the seller's liability for use tax on the transaction. This election does not affect the liability of the seller to the purchaser for the over-collected tax.

ASSUMPTIONS AND METHODOLOGY: There is no fiscal impact because the bill has no effect on the amount of sales and use tax due.

Analysis of:	PCS to First Edition H93-CSSV-28		Committee Counsel

SUMMARY: *The PCS for House Bill 93 would allow a seller to apply overcollected sales tax to offset a use tax liability on a related transaction.*

CURRENT LAW: The sales tax a retailer collects is considered a debt from the purchaser to the retailer until it is remitted by the retailer to the State. The retailer is considered to act as a trustee on behalf of the State when it collects tax from the purchaser of a taxable item. When a seller collects tax in excess of the amount that should have been collected or when a seller collects tax on an exempt or nontaxable sale, the total amount collected must be paid over to the Secretary of Revenue. A retailer is not entitled to a refund of any amount of overcollected sales tax unless the purchaser has received credit for or has been refunded the amount of tax overcollected. A cause of action against a seller for overcollected sales or use tax does not accrue until a purchaser has provided written notice to a seller and the seller has had 60 days to respond.

BILL ANALYSIS: The PCS for House Bill 93 would authorize the Secretary of Revenue to take one of the following three actions when the Secretary determines that a seller has overcollected sales tax on a transaction:

1. Allow a refund of the tax if the seller gives the purchaser credit for or a refund of the overcollected tax. However, no refund would be given if the seller has elected to offset a use tax liability on a related transaction with the overcollected sales tax.
2. If the seller is liable for use tax on a related transaction, allow the seller to offset the use tax liability with the overcollected sales tax. However, no offset would be permitted if the seller elected to receive a refund of the overcollected sales tax. The fact that a seller is allowed an offset does not affect the liability of the seller to the purchaser for the overcollected tax.
3. If neither (1) or (2) apply, retain the total amount collected on the transaction.

EFFECTIVE DATE: This act becomes effective July 1, 2011, and applies to tax liabilities that accrue on or after that date.

BACKGROUND: A situation occurred where a retailer collected and remitted sales tax on transactions that the Department later determined were not subject to sales tax because the property was *used* by the retailer. In that instance, the retailer owed use tax on the property. Specifically, this company is in the business of selling and servicing office equipment, primarily copiers. The company collected sales tax on the sale of its service agreements rather than collecting use tax on the parts and supplies used to fulfill the service agreements. The company sought a credit in the amount of sales taxes it paid against the use tax it owed. Because the retailer could not or chose not to refund the erroneously collected tax to the people who paid it, a refund of the erroneously collected sales tax was not allowed. In this situation, the State effectively collected both sales tax and use tax on the same transactions. The matter was heard by the Business Court, which issued an order in favor of the taxpayer on January 4, 2010. The State has appealed.

A BILL TO BE ENTITLED

AN ACT TO MODIFY CERTAIN MECKLENBURG COUNTY LOCAL TAXES.

The General Assembly of North Carolina enacts:

SECTION 1. Section 9(a) of Part IV of Chapter 908 of the 1983 Session Laws, as amended by Chapters 821 and 922 of the 1989 Session Laws and Section 2 of S.L. 2001-402, is amended by adding the following new sub-subdivision to read:

"Sec. 9. (a) Distribution and Use of Proceeds. – The local administrative authority, acting on its own behalf or as agent for each taxing entity, shall distribute the proceeds of the taxes levied in this Part as provided in this subsection. The distribution shall be made by the 20th day of each month following the month in which the tax is collected.

...
(4) Distribution to Charlotte for Convention and Visitor Promotion and Other Tourism-Related Purposes. –

...
d. The Towns of Cornelius, Davidson, and Huntersville shall distribute at least fifty-one percent (51%) of the portion of prepared food and beverage taxes received from the City of Charlotte to the Lake Norman Convention and Visitors Bureau for the purpose of tourism-marketing promotions.

SECTION 2. This act is effective when it becomes law.

HOUSE BILL 508: Modify Mecklenburg County Local Taxes

2011-2012 General Assembly

Committee: House Finance	Date: June 7, 2011
Introduced by: Reps. Earle, R. Moore, Samuelson	Prepared by: Dan Ettefagh
Analysis of: First Edition	Committee Counsel

SUMMARY: *House Bill 508, as originally introduced, would codify the interlocal agreement between the Lake Norman Convention and Visitors Bureau ("LNCVB") and the Towns of Cornelius, Davidson, and Huntersville ("the Towns"). The PCS for House Bill 508 provides substantially the same amount of revenue to the LNCVB by requiring the towns to distribute at least 51% of the prepared food and beverage taxes received from Charlotte to the LNCVB for tourism-marketing promotions.*

CURRENT LAW: Under current law, there has been authorized and put into place an occupancy tax (at a collective rate of 8%) and a prepared food and beverage tax (at a rate of 1%)¹ for Mecklenburg County, which collects and administers these taxes. By an enactment of the General Assembly, the county, the City of Charlotte, and the Towns of Cornelius, Davidson, Huntersville, Mint Hill, Pineville, and Matthews have provided for the distribution of the proceeds of these county taxes. With respect to the LNCVB, the interlocal agreement with the Towns requires the Towns to remit 28% of the occupancy taxes received from Mecklenburg County and 25% of the prepared food and beverage tax received from the City of Charlotte to the LNCVB.

BILL ANALYSIS: This bill would not affect the distributions between Mecklenburg County, Charlotte, and the Towns. In addition, the bill would require substantially the same amount of money to be distributed by the Towns to the LNCVB; however, it would modify the source of those funds by replacing the interlocal agreement requirement of 28% of the occupancy tax and 25% of the prepared food and beverage tax remitted by the Towns to the LNCVB with a requirement that the Towns distribute to the LNCVB at least 51% of the prepared food and beverage taxes for tourism-marketing promotions.

EFFECTIVE DATE: This act is effective when it becomes law.

BACKGROUND: The interlocal agreements distributing the county taxes have been modified multiple times as the proceeds have increased, new local taxes with dedicated revenue streams have been authorized, and as the towns located in Mecklenburg County have desired to work on projects and necessary promotions that were regionally or municipality-specific. The Towns entered into an interlocal agreement with the LNCVB, a State-chartered board with representatives appointed by and from the Towns.

H508-SMMC-3(e1) v1

¹ These taxes were authorized at three separate times: a 3% occupancy tax for Mecklenburg County was authorized in 1983 for promoting travel and tourism in Mecklenburg County; a 3% occupancy tax and a 1% prepared food and beverage tax was authorized in 1989 for the Charlotte Convention Center; and a 2% occupancy tax was authorized in 2005 for the NASCAR Hall of Fame.

BILL SUMMARY:

The PCS for House Bill 512 amends the laws governing the licensing and regulation of rendering plants. The PCS removes definitions, increased licensing fee, renewal requirements, and other provisions related to collectors of waste kitchen grease included in earlier versions of the bill.

The PCS for HB 512 does the following:

- Amends G.S. 106-168.5, changing the title of the group that furnishes a member of the rendering plant inspection committee from the NC Division of the Southeastern Renderers Association to the North Carolina Renderers Association.
- Alters G.S. 106-168.8 to add proof of general liability insurance in the amount of \$1 million dollars as a requirement for a rendering operation.
- Makes it a Class H felony to take or aid in the taking of a waste kitchen grease container or the waste kitchen grease contained therein, if the container bears a notice that unauthorized removal is prohibited without the written consent of the owner, and the value of the container or the container with the grease, is more than \$1,000. If the value is \$1000 or less, then the offense is a Class 1 misdemeanor.

HB 512 defines "Waste kitchen grease" as animal fats or vegetable oils that have been used and will not be reused for cooking in a food establishment. It does not include grease septage as defined in G.S. 130A-290.

The act becomes effective January 1, 2012, and applies to the collection of waste kitchen grease or the taking of waste kitchen grease containers and the waste contained on or after that date. The portion of the bill creating the larceny offense becomes effective January 1, 2012, and applies to offenses occurring on or after that date.

Adapted from Committee Counsel's Bill Summary for the PCS to the 2nd Edition Dated June 3, 2011.

ASSUMPTIONS AND METHODOLOGY:

Department of Agriculture and Consumer Services (DACS)

The PCS for HB 512 no longer impact DACS. The bill will not increase the responsibilities of the Department, its expenditures, or its revenues.

Impact of Criminal Penalties

The Sentencing and Policy Advisory Commission prepares prison population projections for each bill containing a criminal penalty. The Commission assumes for such bills that expanding existing, or creating new criminal offenses produces no deterrent or incapacitative effect on crime. Therefore, the Fiscal Research Division does not assume deterrent effects for any criminal penalty bill.

Department of Correction – Division of Prisons

Section 1

The bill amends G.S. Chapter 106, Article 14A, to establish a licensure requirement for (1) the storing or processing of waste kitchen grease at a waste kitchen grease operation, and (2) acting as a collector of waste kitchen grease. However, the criminal enforcement provision in Article 14A, found in G.S. 106-168.15, is not amended to apply to these new waste kitchen grease licensees. The bill would

maintain the statute in its current form, under which it is a Class 1 misdemeanor to conduct rendering operations or collect raw material (*i.e.*, inedible animal carcasses or portions thereof) in violation of the provisions of the Article. By amending Article 14A, the bill does increase the potential criminal exposure of persons engaged in rendering operations and collectors of raw material under G.S. 106-168.15, by further regulating their conduct.¹

The Administrative Office of the Courts (AOC) currently does not have a specific offense code for violations of G.S. 106-168.15. The lack of an AOC offense code indicates that this offense is infrequently charged and/or infrequently results in convictions. It is, therefore, unknown how many convictions occurred under G.S. 106-168.15 in FY 2009-10, or how many additional convictions may result from the proposed broadening of the statute. In FY 2009-10, 24 percent of Class 1 misdemeanor convictions resulted in active sentences. The average sentence imposed for Class 1 convictions was 41 days. Offenders who receive an active sentence of 90 days or less are housed in county jails. Therefore, convictions for this proposed offense would not be expected to have a significant impact on the prison population. The impact on local jail populations is not known.

Section 2

G.S. 14-79.2. Larceny of waste kitchen grease.

Subsection (1) makes it a Class 1 misdemeanor to take and carry away, or aid in taking and carrying away, any waste kitchen grease within a container bearing the name of the owner and a notice that unauthorized removal is prohibited without the owner's written consent, if the value of the container (or the container and the grease) is \$1,000 or less.

Larceny (and aiding in larceny) of any property valued at or below \$1,000 is already a Class 1 misdemeanor under G.S. 14-72(a) – the same classification as the proposed offense. Therefore, the new offense does not create any new criminal liability or impact.

There were 16,666 Class 1 misdemeanor convictions under G.S. 14-72(a) for larceny and 94 Class 1 misdemeanor convictions under G.S. 14-72(a) for aiding and abetting larceny during FY 2009-10.

Subsection (2) makes it a Class H felony to take and carry away, or aid in taking and carrying away, any waste kitchen grease within a container bearing the name of the owner and a notice that unauthorized removal is prohibited without the owner's written consent, if the value of the container (or the container and the grease) is more than \$1,000.

Larceny (and aiding in larceny) of any property with a value of more than \$1,000 is already a Class H felony under G.S. 14-72(a) – the same classification as the proposed offense. Therefore, the new offense does not create any new criminal liability or impact.

There were 985 Class H felony convictions under G.S. 14-72(a) for larceny and 15 Class H felony convictions under G.S. 14-72(a) for aiding and abetting larceny during FY 2009-10.

¹For example, the bill would prohibit a collector of raw material to do the following: (1) sell or offer for sale to any unlicensed person any waste kitchen grease, knowing such unlicensed person would transport or process the grease in violation of the Article; (2) steal, misappropriate, contaminate, or damage any waste kitchen grease container or grease therein; or (3) take or possess waste kitchen grease from a collector that is not licensed unless otherwise allowed under Article 14A, or knowingly take possession of stolen waste kitchen grease.

Department of Correction – Division of Community Corrections

For felony offense classes E through I and all misdemeanor classes, offenders may be given non-active (intermediate or community) sentences exclusively, or in conjunction with imprisonment (split-sentence). Intermediate sanctions include intensive supervision probation, special probation, house arrest with electronic monitoring, day reporting center, residential treatment facility, and drug treatment court. Community sanctions include supervised probation, unsupervised probation, community service, fines, and restitution. Offenders given intermediate or community sanctions requiring supervision are supervised by the Division of Community Corrections (DCC); DCC also oversees community service.²

General supervision of intermediate and community offenders by a probation officer costs DCC \$3.44 per offender, per day; no cost is assumed for those receiving unsupervised probation, or who are ordered only to pay fines, fees, or restitution. Total costs to DCC are based on average supervision length and the percentage of offenders (per offense class) sentenced to intermediate sanctions and supervised probations.

Because there is no data available upon which to base an estimate of the number of convictions that will be sentenced to intermediate or community punishment, potential costs to DCC cannot be determined.

Judicial Branch

AOC provides Fiscal Research with a fiscal impact analysis for most criminal penalty bills. For such bills, fiscal impact is typically based on the assumption that court time will increase due to anticipated increases in trials and corresponding increases in workload for judges, clerks, and prosecutors. This increased court time is also expected to result in greater expenditures for jury fees and indigent defense.

Section 1

The proposed legislation would expand the licensing requirements for rendering operations under Article 14A of Chapter 106, and thus expand the scope of the current Class 1 misdemeanor for licensing violations in that Article. AOC does not have an offense code for rendering license violations, and therefore cannot determine the number of charges under current law. The legislation has the potential to increase the number of Class 1 misdemeanor charges for licensing violations. New misdemeanor charges would impact district court judges, deputy clerks, assistant district attorneys, and other judge and district attorney support staff. Superior court personnel could be impacted due to appeals. On average, the monetary value of court personnel time to process a misdemeanor is estimated at \$131. In addition, a 2005 Office of Indigent Defense study of fee applications found that the average indigent defense cost for a misdemeanor case was \$225 (3 hours at \$75 per hour) per indigent defendant.

Section 2

This legislation would also create a new Class H felony for larceny of waste kitchen grease valued at \$1,000 or more and a new Class 1 misdemeanor for larceny of waste kitchen grease valued at less than \$1,000. Under current statutes, larceny of waste kitchen grease would be charged as larceny (or aiding

² DCC incurs costs of \$0.97 per day for each offender sentenced to the Community Service Work Program.

in larceny) under G.S. 14-72(a) – a Class 1 misdemeanor if the value of the property is \$1,000 or less or a Class H felony if the value of the property exceeds \$1,000. Therefore, no impact is anticipated due to this section.

Overall

In FY 2009-10, a typical felony case took approximately 216 days to dispose in Superior Court. A typical misdemeanor case took approximately 91 days to dispose in District Court. Any increase in judicial caseload without accompanying resources could be expected to further delay the disposition of cases.

HOUSE BILL 512: Rendering Act Amendments

2011-2012 General Assembly

Committee: House Finance
Introduced by: Rep. Torbett
Analysis of: PCS to Second Edition
H512-CSTM-13

Date: June 3, 2011
Prepared by: Greg Roney
Committee Counsel

SUMMARY: *The Proposed Committee Substitute for House Bill 512 would make a technical correction to the membership of the inspection committee for rendering plants; require rendering operations have general liability insurance in the amount of \$1 million; and make larceny of waste kitchen grease a Class H felony.*

BILL ANALYSIS: The PCS for House Bill 512 would amend the title of the group that furnishes a member of the rendering plant inspection committee from the NC Division of the Southeastern Renderers Association to the North Carolina Renderers Association.

The PCS would require general liability insurance in the amount of \$1 million for a rendering operation.

The PCS would add a new G.S. 14-79.2 creating a Class H felony to take or aid in the taking of a waste kitchen grease container or the waste kitchen grease contained therein, if the container bears a notice that unauthorized removal is prohibited without the written consent of the owner, and the value of the container or the container with the grease, is more than \$1,000. If the value is \$1,000 or less, then the offense is a Class 1 misdemeanor. "Waste kitchen grease" means animal fats or vegetable oils that have been used and will not be reused for cooking in a food establishment. It does not include grease septage.

EFFECTIVE DATE: The PCS would become effective January 1, 2012. The portion of the PCS creating the larceny offense becomes effective January 1, 2012, and applies to offenses occurring on or after that date.

BILL SUMMARY:

House Bill 887 (Second Edition) amends Part 3 of Article 18 of Chapter 153A of the General Statutes to include Temporary Family Health Care Structures. The bill identifies Temporary Family Health Care Structures as a permitted accessory for use in any single family residential zoning district on lots zoned for single-family detached dwellings. The proposed bill adds new provisions regarding accessory structures and adds definitions and limitations regarding Temporary Family Health Care Structures. The bill amends Section 4. G.S. 131D-2.1(10) by exempting Temporary Family Health Care structures from regulatory requirements for multiunit assisted housing with services programs.

ASSUMPTIONS AND METHODOLOGY:

This bill requires an individual to obtain a permit from a city government in order to erect a health care structure in certain areas and allows city governments to charge up to \$100 for the permit and \$50 for a renewal fee. The city governments will be issuing permits and collecting fees and none of these funds will go to the State. Additionally, this bill does not require any additional resources or expenses to be incurred by the Department of Health and Human Services. There is no additional cost to the State for enactment of this bill into law.

HOUSE BILL 887: Zoning/Temp. Family Health Care Structures

2011-2012 General Assembly

Committee: House Finance	Date: June 8, 2011
Introduced by: Reps. Moffitt, Howard, Setzer	Prepared by: Trina Griffin
Analysis of: Second Edition	Committee Counsel

SUMMARY: *House Bill 887 would exempt temporary family health care structures from zoning requirements applicable to single family residential zoning by counties and cities and would require issuance of a permit for installation.*

CURRENT LAW: Counties and cities have the authority to zone as part the jurisdiction's land use planning authority. Zoning ordinances often limit a property to residential, agricultural, industrial, or commercial uses, and places constraints on those uses. Application can be made to the county or city with jurisdiction for an exemption to the zoning ordinance for a specific use.

BILL ANALYSIS: House Bill 887 would exempt from the zoning authority of cities and counties "temporary family health care structures," when those structures are within an area zoned single-family residential.

A temporary family health care structure is a transportable residential structure, providing an environment facilitating a caregiver's provision of care that meets all of the following requirements:

1. Is primarily assembled at a location other than the site of installation.
2. Is limited to 1 occupant who is mentally or physically impaired (an individual who requires assistance with 2 of more personal functions essential for health and well-being).
3. Has no more than 300 gross square feet.
4. Complies with the State Building Code.

Limitations. –

- Only one temporary family health care structure could be placed on a property.
- No signage advertising or otherwise promoting the existence of the structure permitted.

Requirements. –

- A person must obtain a permit in order to install a structure on the person's property. A city or county could charge up to \$100 for the initial permit, and up to \$50 for an annual renewal.
- A county or city may require that the structure be connected to water, sewer or electric utilities serving the property.
- The structure must comply with building inspections and State Building Code.
- The structure must comply with all setback requirements of the primary residence.
- The structure must be removed within 60 days of it no longer being needed. It could be returned to the property for re-installation within 60 days of removal if it becomes needed for a subsequent mentally or physically impaired person.

Exemptions. – The structures are exempt from:

- The regulation of food and lodging provisions in Part 6 of Article 8 of Chapter 130A.
- Licensure of adult care homes.

EFFECTIVE DATE: The bill would become effective July 1, 2011 and apply to temporary family health care structures existing at that time, except that the permit fee may not be charged for existing structures.

Erika Churchill, counsel to House Government, substantially contributed to this summary.

10 **SECTION 16.** G.S. 105-164.4(a)(3) reads as rewritten:

11 "(3) A tax at the general rate applies to the gross receipts derived from the rental
12 of an accommodation. The tax does not apply to (i) a private residence or
13 cottage that is rented for fewer than 15 days in a calendar year ~~or to year~~; (ii)
14 an accommodation rented to the same person for a period of 90 or more
15 continuous ~~days~~; or (iii) an accommodation arranged or provided to a
16 person by a school, camp, or similar entity where a tuition or fee is charged
17 to the person for enrollment in the school, camp, or similar entity.

18 Gross receipts derived from the rental of an accommodation include the
19 sales price of the rental of the accommodation. The sales price of the rental
20 of an accommodation is determined as if the rental were a rental of tangible
21 personal property. The sales price of the rental of an accommodation
22 marketed by a facilitator includes charges designated as facilitation fees and
23 any other charges necessary to complete the rental.

24 A person who provides an accommodation that is offered for rent is
25 considered a retailer under this Article. A facilitator must report to the
26 retailer with whom it has a contract the sales price a consumer pays to the
27 facilitator for an accommodation rental marketed by the facilitator. A retailer
28 must notify a facilitator when an accommodation rental marketed by the
29 facilitator is completed and, within three business days of receiving the
30 notice, the facilitator must send the retailer the portion of the sales price the
31 facilitator owes the retailer and the tax due on the sales price. A facilitator
32 that does not send the retailer the tax due on the sales price is liable for the
33 amount of tax the facilitator fails to send. A facilitator is not liable for tax
34 sent to a retailer but not remitted by the retailer to the Secretary. Tax
35 payments received by a retailer from a facilitator are held in trust by the
36 retailer for remittance to the Secretary. A retailer that receives a tax payment

HOUSE BILL 122: Rev Laws Tech, Clarify., & Admin. Chngs

2011-2012 General Assembly

Committee: House Finance	Date: June 8, 2011
Introduced by: Reps. Howard, Luebke, Gibson	Prepared by: Cindy Avrette
Analysis of: PCS to First Edition H122-CSRbx-59	Committee Counsel

SUMMARY: *House Bill 122¹ includes several technical, administrative, and clarifying changes to the revenue laws and related statutes. The bill came as a recommendation of the Revenue Laws Study Committee. The proposed committee substitute includes the changes indicated by an asterisk.*

[As introduced, this bill was identical to S267, as introduced by Sens. Clodfelter, Hartsell, which is currently in Senate Finance.]

EFFECTIVE DATE: This act would become effective when it becomes law.

BILL ANALYSIS:

Section	Explanation
Business Tax Changes	
1	Changes the effective date for the exclusion of amenities from general admissions receipts. Prior to February 1, 2009, amenities were excluded from admissions receipts. Effective February 1, 2009, with one day's notice, the Department of Revenue issued a directive providing that amenities would be included in admissions receipts. The Revenue Laws Study Committee recommended, and the General Assembly enacted, a restoration of the prior understanding. The effective date of the legislation was August 1, 2010. Companies that paid the tax with amenities included in the admissions receipts sought a refund of the excess tax paid. The Department denied the refund request because the effective date of the legislative change was August 1, 2010, not February 1, 2009 (the day the directive took effect).
2*	Modifies the cigarette excise tax payment statute to accommodate operating procedural changes being implemented by certain cigarette manufacturers and their affiliates. It does not change the manufacturer that is responsible for paying the tax.
3	Repeals an obsolete provision. When the General Assembly enacted the qualified business venture tax credits in 1987, they applied to investments in North Carolina companies and to both corporations and individuals. In 1996, the General Assembly revised the tax credit to apply to all investments because the restriction to North Carolina companies was unconstitutional. In the same act, S.L. 1996-14, ES2, the General Assembly also restricted the tax credit to individuals and pass-through entities. The subsection being repealed is a carry-over from the original law as it applied to holding companies.
4	Provides a definition for development tier one area in the tax credit for research and

¹ The companion bill is Senate Bill 267.

House PCS 122

Page 2

	development. The tax credit amount for research performed in a development tier one area is 3.25%.
5	Repeals an obsolete provision. In S.L. 2010-89, the General Assembly provided an alternative apportionment formula for a corporation that signed a letter of commitment by September 15, 2010, certifying that it planned to invest at least \$500 million in private funds to construct a facility in a development tier one area. No company signed such a letter. The General Assembly enacted the provision at the request of Microsoft; Microsoft announced in August that it would be locating in Virginia.
6*	Repeals obsolete term. S.L. 2005-395 amended the real estate licensing laws to eliminate real estate salespersons licenses, making all licensed real estate agents real estate brokers as of April 1, 2006.
7*	Removes reference to repealed statute. The General Assembly repealed G.S. 105-113.81A in the budget bill in 2009, S.L. 2009-451, as part of the special provision on " <i>Commerce/Enterprise Funds and Special Funds</i> ".
8*	Clarifies the franchise tax base.
9*	Specifies the statutory reference.
10*	Removes reference to obsolete provision. S.L. 2006-196 combined the statewide and local rates for insurance policies providing fire and lightning coverage and established a new statewide rate of 0.85% for the supplemental tax, effective January 1, 2008. The changes effectively replaced the tax on fire and lightning coverage with an additional tax on property coverage contracts.
Personal Tax Changes	
11*	Clarifies that the IRC Update bill applies to the estates of decedents dying on or after January 1, 2011.
12*	Makes changes to the provisions in the budget bill regarding the move from federal taxable income to adjusted gross income to ensure the bill does not inadvertently change the existing tax base in ways that were not intended.
13*	Ensures that a taxpayer may not take a double deduction for a 2009 net operating loss claimed on a 2006 return.
14	Reserved.
Sales and Use Tax and Article 5F Tax Changes	
15*	Clarifies the original intent of the sales tax refund granted to professional motorsports teams for aviation fuel and tangible personal property that comprises part of the racing vehicle. In the last couple of years, the Department of Revenue has changed its interpretation of how the refund is applied. This section modifies the statutes to allow a related entity that pays the tax on behalf of the team to claim the refund and ensures that the refund only applies to professional motorsports

House PCS 122

Page 3

	<p>teams that compete in at least 66% of the races sponsored in a race series. There are three race series in a season. The narrowing of the refund's applicability becomes effective when it becomes law; the other changes apply retroactively to the date the General Assembly authorized the refunds. Subsection (a) of this section also corrects a reference in the definition of 'over-the-counter drug'.</p>
16*	<p>Clarifies that accommodations provided by schools, camps, and similar entities to a person who pays to attend the school or camp is not subject to sales tax. In the past, DOR did not consider summer camps, dorm rooms, or similar types of accommodations to be subject to sales tax. Recently, however, there appears to be some uncertainty. This section clarifies that there should not be a change in the application of the law in regards to these types of entities.</p>
17	<p>Removes the word "wireline" at the request of the Streamlined Sales Tax Compliance Review and Interpretations Committee. It makes no substantive change in the law.</p>
18*	<p>Clarifies that the sales tax exemption for prosthetic devices is for human use (12), corrects the name of the agency where the Child and Adult Care Food Program is located (26a), and corrects the name of the federal supplemental food program (38). This section also makes technical changes requested by the Department of Revenue in subdivisions (33a) and (49).</p>
19	<p>Removes geothermal heat pumps from the Energy Star sales tax holiday because consumers are not able to purchase them. Only contractors can purchase geothermal heat pumps and they are not entitled to the exemption. The presence of the item in the list raises many questions and frustrates consumers.</p>
20	<p>Corrects the sunset dates of the sales tax refunds for fuel sold to passenger air carriers and motorsports teams. The General Assembly extended these sunsets from January 1, 2011, to January 1, 2013, in S.L. 2010-31. In a subsequent piece of legislation recommended by the Revenue Laws Study Committee, S.L. 2010-166, these refund provisions were reenacted in a new statute dedicated to economic incentive refunds. The later legislation failed to conform to the extended sunset dates.</p>
21	<p>Clarifies that use tax is payable by an individual on an annual basis for purchases made outside the State for a nonbusiness purpose of digital property and certain services. In 2009, the General Assembly imposed the State and local general rate of sales tax on certain digital goods, such as downloaded music and books. The legislation also made several conforming changes by adding the term "digital property" to a number of other sales tax statutes. Among them, the term "digital property" was added to the statute that sets out when an individual is required to pay use tax on out-of-State purchases. Since digital property was being subjected to sales tax, a corresponding change was made to subject it to use tax if it is purchased out of State.</p> <p>The Department of Revenue is interpreting the statute to exclude digital property and services from the annual use tax reporting requirement. This section clarifies that the "other than" phrase applies only to boats and aircraft. All other tangible personal property, digital property, and taxable services purchased outside the State for a nonbusiness use are subject</p>

House PCS 122

	to the annual reporting requirement for use tax.
22	Removes unnecessary and confusing words. If a datacenter fails to maintain its required levels of investments, it forfeits its incentive and must pay sales tax on its purchases. The statute stated that the sales tax would be calculated " <i>at the combined general rate</i> ". The words are not necessary and may not correctly reference the right tax rate since the term "combined general rate" does not include the ¼ ¢ local sales tax applicable in some counties.
23	Provides that a facilitator would not be liable for an overcollection or an undercollection of sales tax or local occupancy tax during the period of January 1, 2011, through April 1, 2011, as the result of the new collection and remittance obligations imposed under Section 31.6 of S.L. 2010-31 as long as the facilitator made a good faith effort to comply with the law and collect the proper amount of tax. During the 2010 Session, the General Assembly established new sales and use tax reporting and remittance obligations on "facilitators," which are entities that enter into a contract with the providers of accommodations to market and collect payment for accommodation rentals. An example of a facilitator is an online travel company, such as Expedia or Travelocity.
24*	Gives effect to the changes the General Assembly made last session to the requirements for a datacenter to qualify for the 1% excise tax on the machinery and equipment it purchases. The modification allows a datacenter to meet its investment threshold through the construction of two facilities, rather than one facility. The language could be read to require a taxpayer to forfeit the reduced rate on all datacenter purchases made before July 1, 2010. This section clarifies that it applies to all investments made to date.
25*	Clarifying change.
26*	Clarifies that a refund of tax allowed under G.S. 105-164.14, 105-164.14A, and 105-164.14B are not an overpayment of tax entitled to interest.
27*	Clarifies the effective date of a tax change for services.
28*	Change the term 'certificate of resale' for 'certificate of exemption' to conform to the name on the certificate.
29*	Deletes a statute concerning the procedure for Department initiated refunds of sales and use tax because the procedure applicable for all Department initiated refunds is in G.S. 105-241.7.
Excise Tax on Conveyances	
30	Clarifies the refund process for the deed stamp tax.
General Administration Tax Changes	
31	Updates the reference to NAICS and places the definition in the statute applicable to most of Chapter 105. NAICS is the North American Industry Classification System adopted by the US Office of Management and Budget. It is updated every

House PCS 122

Page 5

	<p>five years.</p> <p>Makes a conforming change to the term "information technology and services" to reflect the changes from the 2002 NAICS to the 2007 NAICS.</p>
32	<p>Clarifies that the higher penalty for failure to obtain a license under the motor fuel statutes only applies after the taxpayer has received written notification from the Department of Revenue to obtain the requisite license.</p>
33	<p>Reconciles two current conflicting provisions concerning whether the identity of certain taxpayers is public information. This section also makes conforming changes.</p> <p>The taxpayers affected are those who bring a contested case action at the Office of Administrative Hearings to obtain a review of an assessment or a denial of a refund by the Department of Revenue. Currently, G.S. 150B-31.1(e) states that the record, proceedings, and decision in a contested case are confidential until the final decision is issued. The Secretary of Revenue makes the final decision and, once that decision is issued, the records with the taxpayer name is public.</p> <p>G.S. 105-256(a)(9) requires the Secretary of Revenue to publish the final decision in a contested case in a format that redacts identifying information. The requirement to redact the identifying information serves no purposes, however, because once the decision is published, the record in the contested case proceeding becomes public in an unredacted form under G.S. 150B-31.1.</p> <p>Subsection (a) reconciles these provisions by amending G.S. 105-269(a)(9) to delete the requirement that the Secretary redact identifying taxpayer information when publishing final decisions. Subsection (b) makes a conforming change to the secrecy statute, G.S. 105-259, to change the word "report" to "publication" to ensure that the final decisions are included within the current exception for reports.</p> <p>G.S. 150B-31.1 and G.S. 105-256(a)(9) were both enacted in 2007 in Senate Bill 242, S.L. 2007-491. Under prior law, the Tax Review Board reviewed administrative decisions of the Secretary and made a decision, called an order, after the review. Orders of the Tax Review Board were published in the North Carolina Register, as required by G.S. 150B-21.17(a)(5), and were not redacted. S.L. 2007-491 revised the procedure for the review of contested tax cases and, as part of the revisions, eliminated the Tax Review Board. Subsection (c) makes a conforming change and repeals the obsolete requirement in G.S. 150B-21.17(a)(5) to publish orders of the Tax Review Board in the North Carolina Register.</p>
34	<p>Clarifies that a waiver of a statute of limitations must be executed before the statute of limitations expires.</p>
35*	<p>Repeals an obsolete reporting provision. The reporting provisions were consolidated into a single statute in S.L. 2010-166.</p>
36	<p>Conforms the sunset provisions of miscellaneous provisions associated to the tax credit for recycling oyster shells. The General Assembly extended the sunset on this credit from January 1, 2011, to January 1, 2013, in S.L. 2010-147.</p>

37*	Ensures that the definition of 'person' for purposes of the Setoff Debt Collection Act of Chapter 105A is the same as the definition of 'person' for tax purposes under Chapter 105.
38-39	Reserved.
Property Tax Changes	
40*	Clarifies the postmark rule for property taxes on registered motor vehicles. The provision is the same as the rule for other property tax payments and is the same as current administrative practice.
41	Clarifies that the definition of "public service company" in the property tax statutes does not include mobile telecommunication service.
42*	Corrects errors in the effective date section of the legislation regarding the change in the collection of motor vehicle property taxes.
43-44	Reserved.
Local Government Sales and Use Tax Changes	
45	Modernizes the local sales tax base to conform to the State sales tax base for items taxed at the general rate of tax. This change will remove the need to amend the local sales tax statute whenever an item is added to the State sales tax base and taxed at the general rate of tax. It effectively includes digital products in the local sales tax base, as intended by the General Assembly.
Miscellaneous Changes	
46	Removes the sunset from the provision that allows the Codifier of Statutes to renumber the subdivisions in the special license plates statute in sequential and alphabetical order.
47*	Clarifies the fees that should be credited to the Insurance Regulatory Fund.
48-49	Reserved.

1 **SECTION 2.** This act is effective for taxable years beginning on or after January 1,

GENERAL ASSEMBLY OF NORTH CAROLINA

Legislative Fiscal Note

BILL NUMBER: House Bill 886 (First Edition)

SHORT TITLE: Increase Charitable Contribution Deduction.

SPONSOR(S): Representatives Setzer, Stam, Brawley, and Moffitt

FISCAL IMPACT					
	Yes (x)	No ()	No Estimate Available ()		
	<u>FY 2011-12</u>	<u>FY 2012-13</u>	<u>FY 2013-14</u>	<u>FY 2014-15</u>	<u>FY 2015-16</u>
REVENUES: (\$Millions)	0	-1.1	-2.5	-2.5	-2.5
PRINCIPAL DEPARTMENT(S) & PROGRAM(S) AFFECTED: Department of Revenue					
EFFECTIVE DATE: Taxable years beginning on or after January 1, 2013					

BILL SUMMARY: House Bill 886 increases the limit on corporate income tax deductions for charitable contributions made to qualified organizations other than to the State and its subdivisions from 5% to 10% of a corporation's net income (contributions made to the State and its subdivisions are fully deductible). The bill also establishes a 5-year carryforward provision for contributions in excess of the cap. Currently, carryforward of contributions in excess of the cap is not permitted.

ASSUMPTIONS AND METHODOLOGY: The estimated fiscal impact is based on a query of 2007 and 2008 corporate tax returns. The query identified all corporations taking the deduction for charitable contributions, and the corporations whose deduction equaled the 5% cap. Using this data, the estimated tax year impact of House Bill 886 was calculated by doubling the deduction for the corporations whose contributions equaled the 5% cap, and averaging the impact for the two years queried. The tax year impact was adjusted to align with the State's fiscal year. Since the bill is effective for taxable years beginning on or after January 1, 2013, there is no fiscal impact for FY 11-12, and a partial year impact for FY 12-13.

HOUSE BILL 886: Increase Charitable Contribution Deduction

2011-2012 General Assembly

Committee: House Finance	Date: June 14, 2011
Introduced by: Reps. Moffitt, Brawley, Stam, Setzer	Prepared by: Greg Roney
Analysis of: PCS to First Edition H886-CSSV-38	Committee Counsel

SUMMARY: *The Proposed Committee Substitute for House Bill 886 would increase the maximum amount of corporate taxable income offset by a charitable deduction from 5% to 10%. The PCS would also allow any unused deduction for corporations that do not have operations in other states to be carried forward for 5 years.*

The PCS makes one change to House Bill 886: the PCS is effective for taxable years beginning on or after January 1, 2014.

CURRENT LAW: For NC corporate income tax purposes, corporations are generally allowed to deduct a maximum of 5% of net income for charitable contributions.¹ Charitable contributions to the State, agencies, counties, cities, and certain educational institutions located within NC are 100% deductible.² No carry forward is allowed for unused charitable contributions.

BILL ANALYSIS: The PCS to House Bill 886 would increase the maximum deduction for charitable contributions to 10% of a corporation's net income. The 100% deduction for charitable contributions to the State, counties, cities, and certain educational institutions located within NC is unchanged.

For corporations that do not have operations in other states, the PCS would allow a five year carry forward of any unused charitable contributions.

BACKGROUND: For federal tax purposes, corporations are generally allowed to deduct a maximum of 10% of taxable income for charitable contributions³ and carry forward any unused amounts for the next 5 years.⁴

EFFECTIVE DATE: the PCS is effective for taxable years beginning on or after January 1, 2014.

BILL SUMMARY:

The proposed legislation amends G.S. 74F-3 by forbidding any person from possessing any locksmith tools, as defined by G.S. 74F-4(6), unless the person is licensed as a locksmith under G.S. Chapter 74F or exempted from the provisions of G.S. Chapter 74F. The act makes the first violation of the provision a Class 1 misdemeanor, and provides that any subsequent offense of the provision is a Class I felony (currently, all violations considered Class 3 misdemeanor).

The act also rewrites G.S. 74F-4 to include the term safes in the definition of Locksmith services, and further expands the definition of Locksmith services to include any method of bypassing a locking mechanism of any kind, whether in a commercial, residential, or automotive setting, for compensation.

In addition, the proposed legislation amends G.S. 74F-6 by allowing the NC Locksmith Licensing Board to obtain certain records of a person or company offering locksmith services, including employees, contractors, and subcontractors.

The bill also increases various fees under G.S. 74F-9. The act adds a provision to G.S. 74F-10(b) allowing the Board, in its discretion, to adjust renewal and reinstatement fees if an applicant whose license has expired can show good cause for such license expiration. The bill rewrites G.S. 74F-12(b) to require that all advertisements for locksmith services include a valid license number issued by the Board, and rewrites G.S. 74F-15 by adding a new subsection which grants the Board power to assess the costs of disciplinary action, including attorneys' fees, against an applicant or licensee found to be in violation of G.S. Chapter 74F or rules adopted by the Board. Amends G.S. 74F-16 by rewriting, adding, or clarifying various entities exempted from G.S. Chapter 74F.

SOURCE: BILL DIGEST H.B. 889 (05/04/201)

ASSUMPTIONS AND METHODOLOGY:

General

The Sentencing and Policy Advisory Commission prepares prison population projections for each bill containing a criminal penalty. The Commission assumes for such bills that expanding existing, or creating new criminal offenses produces no deterrent or incapacitative effect on crime. Therefore, the Fiscal Research Division does not assume deterrent effects for any criminal penalty bill.

Department of Correction – Division of Prisons

The bill amends G.S. 74F-3, Licenses required; use of locksmith tools, by reclassifying the existing offense contained therein and adding one new offense.

Currently, G.S. 74F-3 provides that it shall be a Class 3 misdemeanor for any person to perform or offer to perform locksmith services in this State without being licensed under Chapter 74F of the General Statutes, the Locksmith Licensing Act. The bill reclassifies the existing offense as a Class 1 misdemeanor for first violations of the section and as a Class I felony for any subsequent violations.

The Administrative Office of the Courts (AOC) currently does not have a specific offense code for violations of G.S. 74F-3. The lack of an AOC offense code is some indication that this offense is infrequently charged and/or infrequently results in convictions.

In FY 2009-10, 24 percent of Class 1 misdemeanor convictions resulted in active sentences. The average sentence imposed for Class 1 convictions was 41 days. Offenders who receive an active sentence of 90 days or less are housed in county jails. Therefore, convictions for this proposed offense would not be expected to have a significant impact on the prison population. The impact on local jail populations is not known.

In FY 2009-10, 17 percent of Class I convictions resulted in active sentences, with an average estimated time served of seven months. If, for example, there were ten Class I convictions for this proposed offense per year, the combination of active sentences and probation revocations would result in the need for one additional prison bed the first year and three additional prison beds the second year.

This bill also creates a new offense. G.S. 74F-3 is amended to provide that it shall be unlawful for any person to possess any locksmith tools unless the person is licensed as a locksmith under this Chapter or exempted from the provisions of this Chapter. Violation of this offense is a Class 1 misdemeanor for the first offense and a Class I felony for any subsequent violations. This provision reclassifies some conduct which may already be charged as a Class I felony under G.S. 14-55, Preparation to commit burglary or other housebreakings. G.S. 14-55 provides that it shall be a Class I felony for any person to be in possession, without lawful excuse, of any picklock, key, bit or other implement of housebreaking.

Since the proposed bill creates a new offense, the Sentencing Commission does not have any historical data from which to estimate the impact of this bill on the prison population. It is not known how many offenders might be convicted and sentenced under the proposed bill.

In FY 2009-10, 24 percent of Class 1 misdemeanor convictions resulted in active sentences. The average sentence imposed for Class 1 convictions was 41 days. Offenders who receive an active sentence of 90 days or less are housed in county jails. Therefore, convictions for this proposed offense would not be expected to have a significant impact on the prison population. The impact on local jail populations is not known.

In FY 2009/10, 17 percent of Class I felony convictions resulted in active sentences, with an average estimated time served of seven months. If, for example, there were ten Class I convictions for this proposed offense per year, the combination of active sentences and probation revocations would result in the need for one additional prison bed the first year and three additional prison beds the second year.

In FY 2009-10, there were 34 convictions for possession of burglary tools. It is not known how many current convictions for this offense would qualify for the new Class I felony in G.S. 74F-3. Given that possession of burglary tools is currently a Class I offense, however, convictions under the proposed G.S. 74F-3 would not be expected to affect the prison population because the two offenses are in the same felony offense class.

Department of Correction – Division of Community Corrections

For felony offense classes E through I and all misdemeanor classes, offenders may be given non-active (intermediate or community) sentences exclusively, or in conjunction with imprisonment (split-sentence). Intermediate sanctions include intensive supervision probation, special probation, house arrest with electronic monitoring, day reporting center, residential treatment facility, and drug treatment court. Community sanctions include supervised probation, unsupervised probation,

community service, fines, and restitution. Offenders given intermediate or community sanctions requiring supervision are supervised by the Division of Community Corrections (DCC); DCC also oversees community service.¹

General supervision of intermediate and community offenders by a probation officer costs DCC \$2.49 per offender, per day; no cost is assumed for those receiving unsupervised probation, or who are ordered only to pay fines, fees, or restitution. The daily cost per offender on intermediate sanction ranges from \$8.93 to \$14.96, depending upon sanction type. Thus, assuming intensive supervision probation – the most frequently used intermediate sanction – the estimated daily cost per intermediate offender is \$14.96 for the initial six-month intensive duration, and \$2.49 for general supervision each day thereafter. Total costs to DCC are based on average supervision length and the percentage of offenders (per offense class) sentenced to intermediate sanctions and supervised probations.

Because there is no data available upon which to base an estimate of the number of convictions that will be sentenced to intermediate or community punishment, potential costs to DCC cannot be determined.

Judicial Branch

The Administrative Office of the Courts (AOC) provides Fiscal Research with a fiscal impact analysis for most criminal penalty bills. For such bills, fiscal impact is typically based on the assumption that court time will increase due to anticipated increases in trials and corresponding increases in workload for judges, clerks, and prosecutors. This increased court time is also expected to result in greater expenditures for jury fees and indigent defense.

There is currently a Class 3 misdemeanor offense of performing or offering to perform locksmith services in the State unless the person has been properly licensed. AOC does not have a charge code for this offense, possibly indicating that it is not used on a regular basis. The bill increases the penalty of violating G.S. 74F-3 to a Class 1 misdemeanor for the first offense and a Class I felony for any subsequent offense(s). Because the bill (1) expands the definition of locksmith services (to include any method of bypassing a locking mechanism of any kind, whether in a commercial, residential, or automotive setting, for compensation), and (2) adds the offense of possession of any locksmith tools as defined under G.S. 74F-4(6) unless the person is licensed as a locksmith or is exempt from the regulations, AOC is unable to estimate how many new charges may arise from the passage of this legislation.

New misdemeanor charges would impact district court judges, deputy clerks, assistant district attorneys, and other judge and district attorney support staff; superior court personnel could be impacted due to appeals. On average, the monetary value of court personnel time to process a misdemeanor is estimated at \$131. In addition, a 2005 Office of Indigent Defense study of fee applications found that the average indigent defense cost for a misdemeanor case was \$225 (three hours at \$75 per hour) per indigent defendant.

¹ DCC incurs costs of \$0.69 per day for each offender sentenced to the Community Service Work Program; however, the total cost for this program cannot be determined.

While pleas to Class H and I felonies are sometimes handled in district court, many pleas and all trials for Class H and I felonies are handled in superior court. Overall, the monetary value of the average workload of a lower level (Class I through F) felony case for those positions typically involved in felony cases – Superior Court Judge, Assistant District Attorney, Deputy Clerk, Court Reporter, and Victim Witness Legal Assistant – is \$945. As the Class I felonies in the bill will represent new charges in superior court, and since district court backlogs and personnel shortages would prevent any offsetting reduction in district court resources for those offenses increased from Class 3 misdemeanors to Class I felonies, the average fiscal impact of each case would be the full \$945. In addition, a 2005 Office of Indigent Defense study of fee applications found that the average indigent defense cost for a Class H felony case was \$540 per indigent defendant.

NC Locksmith Licensing Board

House Bill 889 establishes fee increases in the following amounts:

Fee	Current Amount	Proposed Amount
Issuance of a license	\$100.00	\$300.00
Renewal of a license	\$100.00	\$300.00
Reinstatement	\$150.00	\$250.00
Late Fees	\$150.00	\$300.00
Apprentice License Fee	\$100.00	\$300.00

The NC Locksmith Licensing Board estimates that there are currently 725 licensed members. Based on historical data, we've assumed an average of 50 new locksmith and apprentice licenses issued per fiscal year. We've also assumed that all licensees submit payment on time; meaning late fees and reinstatement fees have not been included in this estimate. By increasing the license renewal fee by \$200.00 (from \$100.00 to \$300.00), the NC Locksmith Licensing Board would collect approximately \$145,000 in additional FY 2011-12 revenue.

HOUSE BILL 889: Amend Locksmith Licensing Act/Increase Fees

2011-2012 General Assembly

Committee: House Finance	Date: June 9, 2011
Introduced by: Reps. Collins, Burr, Lewis, Steen	Prepared by: Trina Griffin
Analysis of: PCS to First Edition H889-CSSVf-30	Committee Counsel

SUMMARY: *The PCS for House Bill 889 would do the following:*

- *Increase the penalty for performing locksmith services in this State without a license from a Class 3 to a Class 1 misdemeanor.*
- *Expand the definition of locksmith services to include any method of bypassing a locking mechanism, whether in a commercial, residential, or automotive setting, for compensation.*
- *Increase the fees for issuance, renewal, late renewal, and reinstatement of a license and the fee for an apprentice license.*
- *Modify the licensure exemption for employees of locksmiths.*

CURRENT LAW: Prior to 2002, locksmiths were not licensed or regulated in this State. In 2001, the General Assembly enacted the Locksmith Licensing Act (Act) establishing the North Carolina Locksmith Licensing Board and providing the qualifications for licensure.¹ There are approximately 1,400 licensees in North Carolina. To become licensed, an applicant must meet the following qualifications:

- (1) Be of good moral and ethical character, as evidenced in part by a criminal history record check.
- (2) Be at least 18 years of age.
- (3) Successfully complete an examination administered by the Board that measures the knowledge and skill of the applicant in locksmith services and the laws applicable to licensed locksmiths.
- (4) Pay the required fee.

Performing locksmith services without a license is punishable as a Class 3 misdemeanor unless the conduct is covered under some other provision of law providing for greater punishment.² "Locksmith services" is defined as repairing, rebuilding, rekeying, repinning, servicing, adjusting, or installing locks mechanical or electronic locking devices, access control devices, egress control devices, safes, vaults, and safe deposit boxes for compensation, including services performed by safe technicians.

There are 12 exemptions from licensure,³ including: an employee acting under the control and supervision of a licensed locksmith, an apprentice, an employee of a towing service, an automotive repair business, a reposessor, a taxicab service as long as the person does not represent himself to be a locksmith, a property owner providing locksmith services on the owner's property, a merchant that duplicates keys or maintains locks in the normal course of business, or a member of law enforcement who opens locked doors to vehicles, homes, or businesses when acting within the scope and course of the member's employment.

¹ Chapter 74F of the General Statutes.

² G.S. 14-55 is the Class I felony of possessing burglary tools with the intent to commit a felony or a larceny.

³ See Section 8 of bill for complete list of exemptions.

House PCS 889

Page 2

In North Carolina, the locksmith profession is represented by the North Carolina Locksmith Association (NCLA). There is also a national association – The Associated Locksmiths of America (ALOA). These organizations set ethical standards for their members; however, membership is voluntary. In addition, the ALOA offers a certification program to its members.

BILL ANALYSIS:

Section 1 would increase the penalty for performing locksmith services in this State without a license from a Class 3 misdemeanor to a Class 1 misdemeanor. The maximum punishment that may be imposed for a Class 1 misdemeanor is 1-120 days of community, intermediate, or active punishment and a fine in an amount set by the court.

Section 2 would expand the definition of locksmith services to include "any method of bypassing a locking mechanism of any kin, whether in a commercial, residential, or automotive setting, for compensation."

Sections 3 and 4 would increase the fees as follows:

	Current Fee	Proposed Fee
Issuance of license	\$100	\$300
Renewal of license	\$100	\$300
Examination	\$200	No change
Reinstatement	\$150	\$250
Late Fees	\$150	\$300
Apprentice fee	\$100	\$300
Apprentice transfer fee	\$25	No change

In addition, the Board would be able to charge a licensee whose license has expired for failure to renew a renewal fee in addition to a late fee and a reinstatement fee. The Board would have authority to adjust the renewal and reinstatement fees for good cause shown.

Section 5 would require that any advertisement for locksmith services include a valid license number. Current law already requires that advertising contain the "identification number printed on the license."

Section 6 would allow the Board to assess an applicant or licensee the costs of a disciplinary action, including attorney fees, if a violation has occurred.

Section 7 would modify the exemption for employees of locksmiths. For the exemption to apply, a licensed locksmith must physically accompany the employee to the premises or the employee must be one who performs administrative duties only.

EFFECTIVE DATE: This act is effective when it becomes law.

A BILL TO BE ENTITLED
AN ACT TO EXPAND THE APPLICATION OF THE 1%, \$80 EXCISE TAX ON MILL
MACHINERY TO CERTAIN EQUIPMENT IN LIEU OF THE STATE AND LOCAL
SALES AND USE TAX.

The General Assembly of North Carolina enacts:

SECTION 1. G.S. 105-187.51(a) reads as rewritten:

"(a) Scope. - A privilege tax is imposed on the following persons:

- (1) A manufacturing industry or plant that purchases mill machinery or mill machinery parts or accessories for storage, use, or consumption in this State. A manufacturing industry or plant does not include the following:
 - a. A delicatessen, cafe, cafeteria, restaurant, or another similar retailer that is principally engaged in the retail sale of foods prepared by it for consumption on or off its premises.
 - b. A production company.
- (2) A contractor or subcontractor that purchases mill machinery or mill machinery parts or accessories for use in the performance of a contract with a manufacturing industry or plant.
- (3) A subcontractor that purchases mill machinery or mill machinery parts or accessories for use in the performance of a contract with a general contractor that has a contract with a manufacturing industry or plant.
- (4) A manufacturing industry or plant located at a port facility for waterborne commerce that purchases specialized equipment to be used to unload or process bulk cargo to make it suitable for delivery to and use by manufacturing facilities.

SECTION 2. Article 5F of Chapter 105 of the General Statutes is amended by adding a new section to read:

"§ 105-187.51D. Tax imposed on machinery at large manufacturing and distribution facility.

(a) Definition. - For the purposes of this section, a 'large manufacturing and distribution facility' is a facility used primarily for manufacturing or assembling products and distributing finished products for which the Secretary of Commerce makes a certification that an investment of private funds of at least one hundred twenty five million dollars (\$125,000,000) million has been or will be made in real and tangible personal property for the facility within

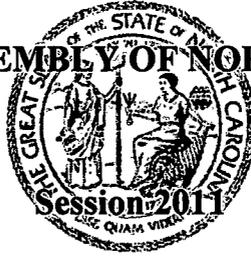

1 five years after the date on which the first property investment is made and that the facility will
2 achieve an employment level of at least 1,130 within two years after the date the facility is
3 placed into service and maintain that minimum level of employment throughout its operation.

4 (b) Tax. – A privilege tax is imposed on a large manufacturing and distribution facility
5 that purchases mill machinery, distribution machinery, or parts or accessories for mill
6 machinery or distribution machinery for storage, use or consumption in this State. The tax is
7 one percent (1%) of the sales price of the machinery, part, or accessory purchased. The
8 maximum tax is eighty dollars (\$80.00) per article. As used in this section, the term
9 'accessories' does not include electricity.

10 (c) Forfeiture. – If the required level of investment or employment to qualify as large
11 manufacturing and distribution facility is not timely made, achieved, or maintained, then the
12 rate provided under this section is forfeited. A taxpayer that forfeits a rate under this section is
13 liable for all past sales and use taxes avoided as a result of the forfeiture, computed at the
14 applicable State and local rates from the date the taxes would otherwise have been due, plus
15 interest at the rate established under G.S. 105-241.21. Interest is computed from the date the
16 sales or use tax would otherwise have been due. A credit is allowed against the State sales or
17 use tax owed as a result of the forfeiture provisions of this subsection for privilege taxes paid
18 pursuant to this section. For purposes of applying this credit, the fact that payment of the
19 privilege tax occurred in a period outside the statute of limitations provided under
20 G.S. 105-241.6 is not considered. The credit reduces the amount forfeited, and interest applies
21 only to the reduced amount. The past taxes and interest are due 30 days after the date of
22 forfeiture. A taxpayer that fails to pay the past taxes and interest by the due date is subject to
23 the provisions of G.S. 105-236."

24 **SECTION 3.** This act becomes effective July 1, 2013, and applies to purchases
25 made on or after that date.

BILL SUMMARY: The proposed committee substitute for HB 751 expands the definition of mill machinery. HB 751 would allow purchases of specialized machinery utilized in the business activities of port facilities, particularly machinery used in the unloading or processing of bulk cargo to be exempt from the sales tax and subject to the tax on mill machinery under Article 5F.

ASSUMPTIONS AND METHODOLOGY: There are six years of outstanding sales and use tax assessments from purchases made by businesses that would qualify for Article 5F under HB 751. These assessments represent \$460,000 in unremitted sales and use tax over a six year period. There is also \$91,000 of outstanding interest associated with these assessments. Should HB 751 become law, future machinery purchases by port facilities under HB 751 would be exempt from the sales and use tax and subject to the lower 1%/\$80 per item under Article 5F.

Fiscal Research estimates, based on information provided by the Department, that HB 751 will reduce General Fund availability by \$0.07 million annually beginning July 1, 2013.

HOUSE BILL 751: Expand Excise Tax on Mill Machinery

2011-2012 General Assembly

Committee: House Finance
Introduced by: Rep. McComas
Analysis of: PCS to First Edition
H751-CSR-70

Date: June 14, 2011
Prepared by: Cindy Avrette
Committee Counsel

SUMMARY: *House Bill 751 would substitute the 1%, \$80 cap excise tax for the State and local sales and use tax on the following:*

- *Specialized equipment purchased by a business for use at a port facility to unload or process bulk cargo to make it suitable for delivery to and use by manufacturing facilities.*
- *Mill machinery, distribution machinery, or parts or accessories for mill machinery purchased by a large manufacturing and distribution facility for storage, use, or consumption in this State.*

CURRENT LAW: The 2001 General Assembly enacted Article 5F in response to the requirement of the Streamlined Sales and Use Tax Agreement that states must simplify their sales tax rates. The 2001 legislation, which became effective January 1, 2006, repealed the 1% sales tax rate, with an \$80 cap, imposed on mill machinery purchased by a manufacturing industry or plant and replaced it with a privilege tax having the same rate. Items that are subject to the 1%, \$80 excise tax under Article 5F are exempt from sales and use tax. The current State sales tax rate is 5.75%; the local rates vary from 2% to 2.5% in Mecklenburg County.

Article 5F has been expanded since its enactment to apply to purchases of fuel and equipment and machinery by a number of different industries, including:

- Fuel, other than electricity or piped natural gas, purchased by a manufacturing industry or plant to operate the industry or plant.
- Certain personal property purchased by a major recycling facility.
- Equipment purchased by a research and development company in the physical, engineering, and life sciences and used by that company in the research and development of tangible personal property.
- Equipment purchased by a software publishing company that is used in the research and development of tangible personal property.
- Equipment purchased by an eligible datacenter.

BILL ANALYSIS: House Bill 751 would expand Article 5F to include specialized machinery used at a port facility to unload or process bulk cargo to make it suitable for delivery to and use by manufacturing facilities.

The House proposed committee substitute would also expand the 1%, \$80 tax to include mill machinery and distribution machinery purchased by a large manufacturing and distribution facility. A large manufacturing and distribution facility is defined as one that meets both investment and employment thresholds:

House PCS 751

Page 2

- Must invest at least \$125 million in real and tangible personal property at the facility within five years after the date on which the first property investment is made.
- Must employ at least 1,130 within two years after the date the facility is placed into service.

A facility that fails to meet or maintain its investment and employment levels, it must forfeit the preferential tax allowed under this section.

EFFECTIVE DATE: The bill would become effective July 1, 2013, and apply to purchases made on or after that date.

SENATE BILL 447: Rewrite Landscape Contractor Laws

2011-2012 General Assembly

Committee: House Finance
Introduced by: Sens. Apodaca, Brown
Analysis of: Third Edition

Date: June 14, 2011
Prepared by: Heather Fennell
Committee Counsel

SUMMARY: *Senate Bill 447 would rewrite Chapter 89D of the General Statutes, which regulates landscape contractors.*

CURRENT LAW: G.S. 89D-1 through 89D-10 in Chapter 89D provide for certification of landscape contractors in North Carolina. The statutes define 'landscape contractor', establish a Landscape Contractor's Registration Board, provide for examination and certification of contractors, set fees, and sets out powers and duties of the Board.

BILL ANALYSIS: Senate Bill 447 would rewrite the landscape contractor laws as follows:

Section 1 repeals G.S. 89D-1 through 89D-10, which are all of the existing statutes regulating landscape contractors in North Carolina.

Section 2 rewrites the statutes regulating landscape contractors as G.S. 89D-11 through 89D-24:

G.S. 89D-11 provides new definitions that apply in Chapter 89D, including a more detailed definition of what constitutes landscape contracting.

G.S. 89D-12 requires a license for any person engaging in the practice of landscape construction or contracting and using the designation 'landscape contractor'. The section specifies that landscape contractors are not authorized to engage in the following practices: landscape architecture; engineering; well contracting; architecture; plumbing and heating contracting; and electrical contracting.

A licensed landscape contractor is required to display the license conspicuously in the licensee's place of business and to display the license number on all business cards, contracts, and vehicles.

G.S. 89D-13 provides exemptions from licensing for government agencies landscaping public property; the Department of Transportation; property owners landscaping the owner's own property; persons owning or operating a golf course; landscaping work costing less than \$2,500 for a 12-month period; license general contractors possessing classification as building, residential, or public utilities contractor; licensed electrical contractors engaging in electric work, wiring, devices, appliances, or equipment; licensed plumbing contractors installing pipes, fixtures, apparatus, or appurtenances; licensed professional engineers; licensed professional landscape architects; individuals or businesses engaged in specified activities; and landscaping work on a farm for use in agriculture production, farming, or ranching.

G.S. 89D-14 creates a new North Carolina Contractors' Licensing Board with the following members: one member appointed by the Governor; one member appointed by the Commissioner of Agriculture; one practicing nurseryman appointed by the Board of Directors of the NC Nursery and Landscaping Association; four licensed landscape contractors, two appointed by the General Assembly and two by the Board of Directors of the NC Nursery and Landscaping Association; one registered landscape architect appointed by the Board of Directors of the NC Chapter of the American Society of Landscape Architects; and one member that is knowledgeable in landscaping methods and practices appointed by the President of the University of North Carolina.

Senate Bill 447

Page 2

G.S. 89D-15 specifies powers and duties of the Board, including administering and enforcing the Chapter; adopting rules; examining applicants; issuing, denying, and revoking licenses; disciplining licensees; conducting investigations of violations by licensees; conducting administrative hearings; seeking injunctive relief; collecting fees; requiring licensees to maintain surety bonds; requiring continuing education; and publishing a code of professional conduct and minimum practice standards for licensees.

G.S. 89D-16 requires an applicant for licensure to meet the following qualifications: is at least 18 years old; is of good moral character; provides evidence of business identification; has at least 3 years of experience or the educational equivalent; and files with the Board a surety bond or letter of credit in the amount of \$10,000. If the applicant meets all qualifications, then the applicant must pass an examination administered by the Board.

G.S. 89D-17 provides requirements for licensing of corporations, limited liability companies, partnerships, and persons doing business under a trade name.

G.S. 89D-18 provides for licensing of nonresident individuals and foreign entities. The Board is required, upon request, to provide the Secretary of Revenue information about nonresidents licensed by the Board. If the Secretary of Revenue determines that a nonresident owes a delinquent income tax debt, the Board may be required not to renew the license of the nonresident.

G.S. 89D-19 provides for reciprocity with other states and countries, allowing the Board to issue a license to any person who is licensed in another state or country if that state or country has licensing requirements that are substantially equivalent to North Carolina.

G.S. 89D-20 requires that licenses be renewed on or before August 1 each year. If they are not renewed, they are automatically revoked. A license may be renewed in the year following expiration if the applicant pays a late fee; the Board finds the licensee has not misused the license or engaged in landscape contracting after the license was revoked; and the applicant is otherwise eligible.

This section also requires licensees to complete seven units of continuing education per year.

G.S. 89D-21 sets fees to be collected by the Board. The act increases the application, examination, license, and renewal fees from \$75 to \$100, increases the late renewal fee from \$25 to \$50, and increases the fee for a duplicate license from \$5 to \$25. The act also provides for a reinstatement fee of \$500 and a fee of \$250 for license by reciprocity.

G.S. 89D-22 authorizes the Board to deny, restrict, suspend, or revoke a license; or refuse to issue or renew a license if the applicant uses fraud or misrepresentation to obtain a license; practices landscape contracting by misrepresentation; commits gross malpractice; has been convicted of a crime indicating the person is unfit to practice landscape contracting; has been declared incompetent by a court; has violated the provisions of the Chapter or rules adopted by the Board; uses the seal in an unauthorized manner; or fails to file the required surety bond.

G.S. 89D-23 authorizes the Board, after taking into consideration specific listed factors, to assess a civil penalty not in excess of \$2000 for each violation of the Chapter or the violation of any rule adopted by the Board.

G.S. 89D-24 authorizes the Board to seek injunctive relief in superior court to prevent any person from violating the provisions of the Chapter or rules adopted by the Board.

Section 3 provides for the phasing out of the current Landscape Contractors' Registration Board and the phasing in of the new Landscape Contractors' Licensing Board, which is established in this act.

Senate Bill 447

Page 3

Section 4 is a grandfather clause, providing that an applicant who applies and pays the required fee on or before August 12, 2012, shall be issued a license without examination, if he or she meets one of the following criteria: is registered as a landscape contractor; is licensed as an irrigation contractor; is certified as a turf grass professional; or has 10 years of experience, meets all other qualifications, and has required educational experience.

EFFECTIVE DATE: Section 1 of the bill would become effective August 1, 2012. The remainder of the bill would become effective when it becomes law.

HOUSE BILL 761: Ignition Interlock Systems/Record Checks

2011-2012 General Assembly

Committee: House Finance	Date: June 14, 2011
Introduced by: Reps. McComas, Carney	Prepared by: Trina Griffin
Analysis of: PCS to Second Edition H761-CSSV-40	Committee Counsel

SUMMARY: *The Proposed Committee Substitute (PCS) for House Bill 761 would make tampering with an ignition interlock system a Class 1 misdemeanor, would remove colored border requirements from certain licenses, would clarify that special identification cards are subject to violation provisions and would allow the Division of Motor Vehicles (DMV) to conduct background investigations on every person apply for a restoration of a revoked license, a dealer's license, mechanic's license or any other license issue by the Division except for a driver's license unless it is being restored after a revocation.*

BILL ANALYSIS:

Section 1 would create a Class 1 misdemeanor for tampering with, circumventing, or attempting to circumvent an ignition interlock device for the purpose of avoiding or altering testing on the device for operation of the vehicle, or testing results in the process of being received from the device.

Sections 2 & 3 would remove language requiring different color borders on certain driver's licenses. At the end of 2011, DMV will begin issuing a new design of driver's licenses, permits and ID cards intended to make them more secure and to meet federal standards. The new design does not have colored borders. Persons under 21 will still be distinguished by vertical cards.

Section 4 would add special identification cards to the statute prohibiting fraudulent use, possession, sale, etc. of a driver's license or permit. Violation of these offenses is a Class 2 misdemeanor, unless otherwise provided by a particular subdivision of the statute.

Section 5 would authorize DMV to do criminal history record checks on any applicant for licensure under Chapter 20, including, but not limited to, a restoration of a revoked driving privilege and a non-renewal of a dealer's license, mechanic's inspection license, or station inspection license. The provisions of this section would not apply to: (i) an applicant for a driver's license unless the application is for a restoration of a driver's license that has been revoked, or (ii) an applicant for renewal of a dealer's license, mechanic's inspection license, or station inspection license, (iii) a license application for an additional or new location made by an individual or entity owned or operated by an existing licensee, or (iv) a manufacturer's license.

EFFECTIVE DATE: Sections 1 and 4 of this act become effective December 1, 2011, and apply to offenses committed on or after that date. Sections 2, 3, and 5 of this act become effective December 1, 2011, and apply to licenses issued on or after that date. The remainder of this act becomes effective December 1, 2011. Prosecutions for offenses committed before the effective date of this act are not abated or affected by this act, and the statutes that would be applicable but for this act remain applicable to those prosecutions.

A BILL TO BE ENTITLED

AN ACT TO AUTHORIZE THE GOVERNING BOARD OF ANY SOIL AND WATER CONSERVATION DISTRICT TO ESTABLISH A SPECIAL RESERVE FUND TO BE USED FOR MAINTAINING CONSERVATION EASEMENTS.

Whereas, North Carolina is and always has been a leader in soil and water conservation, with the nation's first soil and water conservation district established in Brown Creek, Anson County, under the leadership of Dr. Hugh Hammond Bennett, the "father of soil conservation" in the United States; and

Whereas, soil and water conservation districts continue into the 21st century to provide a critical voluntary, nonregulatory means to enhance conservation values of private lands, including much of the State's agricultural and timber lands; and

Whereas, conservation easements provide an increasingly important way that soil and water conservation districts, along with other units of State and local government and private land trusts, help private landowners conserve important soil and water resources on their property; and

Whereas, to be effective in the long run, conservation easements require long-term or perpetual monitoring to assure that the intent of the easement donors and sellers is honored; and

Whereas, soil and water conservation districts receive funds from diverse sources for long-term easement stewardship, including private contributions and donations, portions of transaction fees, donations from private charitable foundations, and contributions from and appropriation of public funds; and

Whereas, the current local budgeting and finance laws do not adequately provide a means to ensure that these funds are dedicated to long-term or perpetual stewardship of conservation easements; Now, therefore,

The General Assembly of North Carolina enacts:

SECTION 1. G.S. 139-3 is amended by adding a new subdivision to read:

"(4a) 'Conservation easement' has the same meaning as provided in G.S. 40A-80."

SECTION 2. Article 1 of Chapter 139 of the General Statutes is amended by adding the following new section to read:

"§ 139-7.1. Special revenue funds for the maintenance of conservation easements.

(a) Establishing Fund. – The governing body of a soil and water conservation district may establish and maintain a special revenue fund for the purpose of maintaining conservation easements, including maintenance activities such as travel to and observation of easement property, remote monitoring of easement property, and education and ongoing communication

1 with landowners about their easement responsibilities. To establish a special revenue fund
2 under this section, the governing body of a soil and water conservation district shall adopt a
3 resolution or ordinance that includes all of the following provisions:

- 4 (1) The specific purposes of maintaining conservation easements for which the
5 special revenue fund is created.
6 (2) The approximate periods of time during which the moneys are to be
7 accumulated for each purpose specified under subdivision (1) of this
8 subsection.
9 (3) The approximate amounts to be accumulated for each purpose specified
10 under subdivision (1) of this subsection.
11 (4) The sources from which moneys will be derived for each purpose specified
12 under subdivision (1) of this subsection.

13 (b) Changes Authorized. – The resolution or ordinance that establishes a special
14 revenue fund under subsection (a) of this section may be amended from time to time in the
15 same manner in which it was adopted. Such amendments may authorize the use of moneys in
16 the special revenue fund for conservation easement maintenance purposes that are not
17 previously provided for by resolution or ordinance.

18 (c) Funding. – Any special revenue fund established under this section shall consist of
19 funds received by appropriation from any other fund consistent with the limitations under
20 G.S. 159-13(b); grant moneys; donations; direct appropriations from the State or any of its
21 agencies or political subdivisions; or any other unrestricted funds appropriated to a soil and
22 water conservation district from any source. When the conservation easement maintenance
23 fund receives moneys or investment securities, the use of which is restricted by law, the
24 identity of such moneys or investment securities shall be maintained by appropriate accounting
25 entries.

26 (d) Investment of Fund. – All or any part of the cash balances of a special revenue fund
27 established under this section may be deposited at interest or invested as provided by
28 G.S. 159-30.

29 (e) Fund Withdrawals When District Adopts Its Own Budget Ordinance. – Withdrawals
30 from a special revenue fund established under this section may be authorized by resolution or
31 ordinance of the governing body of the soil and water conservation district. No withdrawal may
32 be authorized unless it is for a purpose that is specified in the resolution or ordinance under
33 subsection (a) of this section or in a resolution or ordinance under subsection (b) of this section.
34 The resolution or ordinance to authorize a withdrawal under this subsection shall authorize an
35 appropriation from the special revenue fund to one of the funds maintained pursuant to
36 G.S. 159-13(a); however, no withdrawal may be authorized that would result in an
37 appropriation for conservation easement maintenance purposes for which an adequate balance
38 of eligible moneys or investment securities is not available in the special revenue fund at the
39 time the resolution or ordinance under this subsection is adopted.

40 (f) Fund Withdrawals When Other Body Adopts District's Budget Ordinance. – If a soil
41 and water conservation district's budget ordinance is subject to adoption by another governing
42 body, then the governing body that is responsible for adopting the soil and water district's
43 budget ordinance must approve the appropriation of moneys from the special revenue fund
44 established under this section to one of the funds maintained pursuant to G.S. 159-13(a),
45 subject to the other limitations provided in subsection (e) of this section."

46 **SECTION 3.** This act becomes effective July 1, 2011.

SENATE BILL 309: Conservation Easements Stewardship Funds

2011-2012 General Assembly

Committee: House Finance
Introduced by: Sen. Jackson
Analysis of: First Edition

Date: June 14, 2011
Prepared by: Trina Griffin
Committee Counsel

SUMMARY: *Senate Bill 309 would allow soil and water conservation districts to establish special revenue funds for the maintenance of conservation easements.*

CURRENT LAW AND BACKGROUND: A conservation easement is a voluntary legal agreement that limits the uses of the property to those consistent with the landowner's and the easement holder's conservation objectives. The conservation easement allows landowners to protect features of their property that they wish to preserve, receive tax deductions, and maintain private ownership of the land. The landowner retains the property's ownership and use, while giving up certain rights in part or in full, such as the right to subdivide and develop the land.

Soil and water conservation districts are responsible for stewardship of natural resources in the State, including; water, soil, trees, etc. Conservation easements provide a way that soil and water conservation districts help private landowners conserve important soil and water resources on their property. Once a conservation easement has been established, maintenance of the easement is needed.

BILL ANALYSIS: Senate Bill 309 would allow soil and water conservation districts to establish a special revenue fund for the maintenance of conservation easements. The governing body of a soil and water conservation district must adopt a resolution or ordinance that includes certain provisions, such as:

- Specific purposes of maintaining conservation easements.
- Time period during which the monies are accumulated and approximate amounts.
- The monetary sources for each purpose specified.

Soil and water conservation districts can only withdraw from the fund for the purposes of maintenance of conservation easements. The district may amend the resolution or ordinance to include maintenance purposes not previously included. The district cannot make a withdrawal that would result in inadequate funds at the time the resolution or ordinance is adopted. Funding sources can include grant money, donations, direct appropriations from the State or any of its agencies, or any other unrestricted funds appropriated to a soil and water conservation district from any source. If a soil and water conservation district's budget ordinance is adopted by another governing body, then the governing body must approve the appropriation of money from the fund.

SENATE BILL 537

Short Title: Increase In Rem Foreclosure Fee. (Public)

Sponsors: Senator Hartsell.

Referred to: Finance.

April 12, 2011

A BILL TO BE ENTITLED
AN ACT TO INCREASE THE IN REM FORECLOSURE FEE.
The General Assembly of North Carolina enacts:

SECTION 1. G.S. 105-375 reads as rewritten:
"§ 105-375. In rem method of foreclosure.

...
(c) Notice to Taxpayer and Others. -

(1) Notice required. - The tax collector filing the certificate provided for in subsection (b) of this section, shall, at least 30 days prior to docketing the judgment, send notice of the tax lien foreclosure to the taxpayer, as defined in G.S. 105-273(17), at the taxpayer's last known address, and to all lienholders of record who have a lien against the taxpayer (including any liens referred to in the conveyance of the property to the taxpayer).

(2) Contents of notice. - All notice required by this subsection shall state that a judgment will be docketed and the proposed date of the docketing, that execution will be issued as provided by law, a brief description of the real property affected, and that the lien may be satisfied prior to judgment being entered.

(3) Service of notice. - The notice required by this subsection shall be sent to the taxpayer by registered or certified mail, return receipt requested.

(4) Additional efforts may be required. - If within 10 days following the mailing of the notice, a return receipt has not been received by the tax collector indicating receipt of the notice, then the tax collector shall do both of the following:

a. Make reasonable efforts to locate and notify the taxpayer and all lienholders of record prior to the docketing of the judgment and the issuance of the execution. Reasonable efforts may include posting the notice in a conspicuous place on the property, or, if the property has an address to which mail may be delivered, mailing the notice by first-class mail to the attention of the occupant.

b. Have a notice published in a newspaper of general circulation in the county once a week for two consecutive weeks directed to, and naming, all unnotified lienholders and the taxpayer that a judgment will be docketed against the taxpayer.

(5) Costs of notice added to lien. - All costs of mailing and publication, plus a charge of two hundred fifty dollars ~~(\$50.00)~~ (\$250.00) to defray administrative costs, shall be added to the amount of taxes that are a lien on

1 the real property and shall be paid by the taxpayer to the taxing unit at the
2 time the taxes are collected or the property is sold.

3 "

4 **SECTION 2.** This act becomes effective July 1, 2011, and applies to in rem
5 foreclosure proceedings commenced on or after that date.

ASSUMPTIONS AND METHODOLOGY:

Although no data is available on the number of in rem foreclosure proceedings in the state, this method of foreclosure has become more common in recent years. The \$50 fee that is currently charged is not adequate to recover administrative costs to the taxing unit, particularly when a clear chain of title has to be established. The \$250 fee would more closely reflect the actual administrative costs associated with in rem foreclosures.

SENATE BILL 537: Increase In Rem Foreclosure Fee

2011-2012 General Assembly

Committee: House Finance
Introduced by: Sen. Hartsell
Analysis of: First Edition

Date: June 8, 2011
Prepared by: Greg Roney
Committee Counsel

SUMMARY: *Senate Bill 537¹ would increase the administrative cost a taxing unit may impose for the in rem procedure of tax foreclosure from \$50 to \$250.*

CURRENT LAW: There are two different tax foreclosure procedures a taxing unit may pursue to enforce a lien on real property for delinquent taxes²: the mortgage style procedure³ which involves a standard civil action filed in State court and the in rem procedure⁴ which is an expedited procedure that permits a taxing unit to docket a judgment against the property in state court and proceed with a foreclosure sale within three months to two years after the judgment is docketed. In a mortgage style procedure, the costs of the action may be added to the amount of the taxes due; these costs may include a reasonable attorney's fee. In an in rem procedure, the costs of mailing and publication plus a \$50 charge to defray administrative expenses may be added to the amount of taxes due; if an attorney is used, the attorney fee is paid by the taxing unit and may not be added to the judgment as part of the costs of the action.⁵

BILL ANALYSIS: Senate Bill 537 would increase the amount of the charge for administrative costs that may be added to the tax due as part of the costs of the action in an in rem foreclosure proceeding for delinquent tax due. The current administrative cost of \$50 has not been increased since it was first allowed in 1987. Senate Bill 537 would increase the amount of the charge to \$250. Much of the administrative time required for an in rem foreclosure is spent researching the property's chain of title.

EFFECTIVE DATE: The bill would become effective July 1, 2011, and apply to in rem foreclosure proceedings commenced on or after that date.

FINANCIAL STATEMENTS ARE NOT PUBLIC RECORDS AND TO ALLOW A

TREAT THE CREDIT CLAIMED AS A TAX PAYMENT MADE BY OR ON BEHALF
OF THE TAXPAYER.

The General Assembly of North Carolina enacts:

SECTION 1. G.S. 115D-78 reads as rewritten:

"§ 115D-78. Access to information and public records; small business counseling information.

(a) In accordance with Chapter 132 of the General Statutes, all rules, regulations and public records of the State Board of Community Colleges, the Community Colleges System Office, and local boards of trustees shall be available for examination and reproduction on payment of fees by any person.

(b) Notwithstanding subsection (a) of this section, documents submitted to the North Carolina Community College System's Small Business Center Network by an individual seeking business counseling or technical assistance and documents created by the Network to provide the individual with counseling and technical assistance are not public records as defined by G.S. 132-1."

SECTION 2. Chapter 116 of the General Statutes is amended by adding a new section to read:

"§ 116-43.16. Small business counseling information.

5 interest under G.S. 105-241.21 if the payment is determined to be an overpayment. A taxpayer
6 that elects to have a credit claimed under this Article treated as a tax payment must make this
7 election when the return is filed."

9 after January 1, 2011. The remainder of this act is effective when it becomes law.

SENATE BILL 385: Small Business Assistance Records

2011-2012 General Assembly

Committee:	House Finance	Date:	June 14, 2011
Introduced by:	Sen. Hartsell	Prepared by:	Cindy Avrette
Analysis of:	PCS to Second Edition S385-CSR-71		Committee Counsel

SUMMARY: *The House Proposed Committee Substitute for Senate Bill 385 would do the following:*

- **Exempt the following from the definition of a public record:**
 - *Documents submitted to either the North Carolina Community College System's Small Business Center Network or The University of North Carolina's Small Business and Technology Development Centers by an individual seeking business counseling or technical assistance; and*
 - *Documents created by either the Network or a center to provide the individual with business counseling or technical assistance.*
 - *Financial statements submitted to the Department of Commerce by a private company or an individual seeking assistance from the Department. (Added by the House PCS)*
- *Allow the owner of a pass-through entity that claims a credit under Article 3J to treat some or all of the credit as a tax payment made by or on behalf of the taxpayer. By treating the credit as a tax payment, the taxpayer would be able to deduct from another state's tax calculation the taxpayer's tax paid to North Carolina, including any amount for which it received a credit. (Added by the House PCS)*

PUBLIC RECORDS: G.S. 132-1(a) defines a public record as all documents, papers, letters, maps, books, photographs, films, sound recordings, magnetic or other tapes, electronic data-processing records, artifacts, or other documentary material, regardless of physical form or characteristics, made or received pursuant to law or ordinance in connection with the transaction of public business by any agency of North Carolina government or its subdivisions. G.S. 132-6 provides that every custodian of public records must permit any record in the custodian's custody to be inspected and examined by any person, and shall, as promptly as possible, furnish copies thereof upon payment of any fees as may be prescribed by law. Sections 1 through 3 of the bill would specifically exempt documents submitted by businesses to the Small Business Center, the Small Business and Technology Development Centers, or the Department of Commerce for business counseling or assistance.

CREDIT TREATED AS TAX PAYMENT: A taxpayer may typically receive a credit on a tax return for tax payments made another taxing unit. Section 4 of the bill would allow a pass-through entity to treat a tax credit received under Article 3J as a tax payment made by or on behalf of the taxpayer. As a tax payment, nonresident members of a pass-through entity may not only receive the benefit of the credit in North Carolina but also reduce their tax liability in their home state as well.

EFFECTIVE DATE: The provisions of the act related to the tax treatment of an Article 3J tax credit is effective for taxable years beginning on or after January 1, 2011. The remainder of the act is effective when it becomes law.

 38 presumed to include only those employments of greater than 30 consecutive calendar days
 39 duration (regardless of whether work is performed on all those days) provided: (a) the
 40 presumption that an employment lasting 30 days or less is not bona fide permanent
 41 employment may be rebutted by a finding by the ~~Commission~~ Division, either on its own

 43 the presumption would work a substantial injustice in view of the intent of this Chapter; (b)
 44 Any decision of the ~~Commission~~ Division on the question of bona fide employment may be
 45 disturbed on judicial review only upon a finding of plain error."

46 **SECTION 2.8. G.S. 96-9 reads as rewritten:**

 15 ~~Commission-Division~~ may, whether or not the time otherwise prescribed by
 16 law for making returns and paying such tax has expired, immediately assess
 17 such contributions (together with all interest and penalties, the assessment of
 18 which is provided for by law). Such contributions, penalties and interest
 19 shall thereupon become immediately due and payable, and immediate notice

 23 G.S. 96-10 and subsections thereunder and such collection shall be lawful
 24 without regard to the due date of contributions herein prescribed, provided,
 25 further, that nothing in this paragraph shall be construed as permitting any
 26 refund of contributions heretofore paid under the law and regulations in
 27 effect at the time such contributions were paid.

28 ...
 29 (3) Benefits paid employees of this State shall be financed and administered in
 30 accordance with the provisions and conditions of G.S. 96-9(d) required for

 37 than five dollars (\$5.00), no payment need be made. If an employer has paid
 38 contributions, penalties, and/or interest in excess of the amount due, this
 39 shall be considered an overpayment and refunded provided no other debts
 40 are owed to the ~~Commission-Division~~ by the employer. Overpayments of
 41 less than five dollars (\$5.00) shall be refunded only upon receipt by the
 42 Chairman of a written demand for such refund from the employer. Nothing
 43 herein shall be construed to change or extend the limitation set forth in
 44 G.S. 96-10(e), (f), and (i).

45 (7) Effective with the quarter ending September 30, 1999, every employer with
 46 100 or more employees, and every person or organization that, as agent,
 47 reports wages on a total of 100 or more employees on behalf of one or more
 48 subject employers, shall file that portion of the "Employer's Quarterly Tax
 49 and Wage Report" that contains the name, social security number, and gross

wages of each individual in employment on magnetic tapes or diskettes in a format prescribed by the ~~Commission~~ Division.

For failure of an employer to comply with this subdivision, there shall be added to the amount required to be shown as tax in the reports a penalty of twenty-five dollars (\$25.00). For failure of an agent to comply with this subdivision, the ~~Commission~~ Division may deny the agent the right to report wages and file reports for the employer for whom the agent filed an improper report for a period of one year following the calendar quarter in which that agent filed the improper report. The ~~Commission~~ Division may reduce or waive a penalty for good cause shown.

(8) An employer of domestic service employees as defined by the Internal Revenue Code may be given permission by the ~~Chair of the Commission~~ Secretary to file reports once a year on or before the last day of the month following the close of the calendar year in which the wages are paid.

Permission to file a report annually may be revoked if the employer is found liable to the ~~Commission~~ Division for quarterly contributions under subdivision (6) of this subsection.

(9) Employers who are granted permission under subdivision (8) of this subsection to file annual reports may be given permission to file reports by telephone. Employers who report by telephone must contact either the Field Tax Auditor who is assigned to the employer's account or the ~~Unemployment Insurance Division~~ Employment Insurance Section in Raleigh and report the required information to that Auditor or to the Division by the date the report is due under subdivision (8) of this subsection.

(10) Employers electing to do so may pay their quarterly tax contributions by electronic funds transfer. When an electronic funds transfer cannot be completed due to insufficient funds or the nonexistence of an account of the transferor, the ~~Commission~~ Division shall assess a penalty equal to ten percent (10%) of the amount of the transfer, subject to a minimum of one dollar (\$1.00) and a maximum of one thousand dollars (\$1,000). The ~~Commission~~ Division may waive this penalty for good cause shown. As used in this section, the term "electronic funds transfer" means a transfer of funds initiated by using an electronic terminal, a telephone, a computer, or magnetic tape to instruct or authorize a financial institution or its agent to credit or debit an account.

(11) The ~~Commission~~ Division may establish policies to allow taxes to be payable under certain conditions by credit card. A condition of payment by credit card is receipt by the ~~Commission~~ Division of the full amount of taxes, penalties, and interest due. The ~~Commission~~ Division shall require an employer who pays by credit card to include an amount equal to any fee charged the ~~Commission~~ Division for the use of the card. A payment of taxes that is made by credit card and is not honored by the card issuer does not relieve the employer of the obligation to pay the taxes.

(b) Rate of Contributions. -

...
(2) Experience Rating. -

b. Credit Ratio. - The ~~Commission~~ Division shall, for each year, compute a credit reserve ratio for each employer whose account has a credit balance. An employer's credit reserve ratio shall be the

1 quotient obtained by dividing the credit balance of the employer's
2 account as of July 31 of each year by the total taxable payroll of the
3 employer for the 36 calendar-month period ending June 30 preceding
4 the computation date. Credit balance as used in this section means
5 the total of all contributions paid and credited for all past periods in
6 accordance with the provisions of G.S. 96-9(c)(1) together with all
7 other lawful credits to the account of the employer less the total
8 benefits charged to the account of the employer for all past periods.

9 c. ~~Commission-Division~~ shall for each year compute
10 a debit ratio for each employer whose account shows that the total of
11 all its contributions paid and credited for all past periods in
12 accordance with G.S. 96-9(c)(1) together with all other lawful credits
13 is less than the total benefits charged to its account for all past
14 periods. An employer's debit ratio shall be the quotient obtained by
15 dividing the debit balance of the employer's account as of July 31 of
16 each year by the total taxable payroll of the employer for the 36
17 calendar-month period ending June 30 preceding the computation
18 date. The amount arrived at by subtracting the total amount of all
19 contributions paid and credited for all past periods in accordance
20 with the provisions of G.S. 96-9(c)(1) together with all other lawful
21 credits of the employer from the total amount of all benefits charged
22 to the account of the employer for such periods is the employer's
23 debit balance.

24 d. Other Provisions. – No employer's contribution rate shall be reduced
25 below the standard rate for any calendar year unless its liability
26 extends over a period of all or part of two consecutive calendar years
27 and, as of August 1 of the second year, its credit reserve ratio meets
28 the requirements of that schedule used in computing rates for the
29 following calendar year, unless the employer's liability was
30 established under G.S. 96-8(5)b and its predecessor's account was
31 transferred as provided by G.S. 96-9(c)(4)a.

32 Whenever contributions are erroneously paid into one account
33 which should have been paid into another account or which should
34 have been paid into a new account, that erroneous payment can be
35 adjusted only by refunding the erroneously paid amounts to the
36 paying entity. No pro rata adjustment to an existing account may be
37 made, nor can a new account be created by transferring any portion
38 of the erroneously paid amount, notwithstanding that the entities
39 involved may be owned, operated, or controlled by the same person
40 or organization. No adjustment of a contribution rate can be made
41 reducing the rate below the standard rate for any period in which the
42 account was not in actual existence and in which it was not actually
43 chargeable for benefits. Whenever payments are found to have been
44 made to the wrong account, refunds can be made to the entity making
45 the wrongful payment for a period not exceeding five years from the
46 last day of the calendar year in which it is determined that wrongful
47 payments were made. Notwithstanding payment into the wrong
48 account, if an entity is determined to have met the requirements to be
49 a covered employer, whether or not the entity has had paid on the
50 account of its employees any sum into another account, the

1 ~~Commission-Division~~ shall collect contributions at the standard rate
 2 or the assigned rate, whichever is higher, for the five years preceding
 3 the determination of erroneous payments, which five years shall run
 4 from the last day of the calendar year in which the determination of
 5 liability for contributions or additional contributions is made. This
 6 requirement applies regardless of whether the employer acted in
 7 good faith.

8 (3) ...
 9 d3.

The standard contribution rate set by subdivision (b)(1) of this
 section applies to an employer unless the employer's account has a
 credit balance. Beginning January 1, 1999, for any calendar year that
 the training and reemployment contribution in G.S. 96-6.1 does not
 apply, the contribution rate of an employer whose account has a
 credit balance is determined in accordance with the rate set in the
 following Experience Rating Formula table for the applicable rate
 schedule. The contribution rate of an employer whose contribution
 rate is determined by this Experience Rating Formula table shall be
 reduced by fifty percent (50%) for any year in which the balance in
 the Unemployment Insurance Fund on computation date equals or
 exceeds one and ninety-five hundredths percent (1.95%) of the gross
 taxable wages reported to the ~~Commission-Division~~ in the previous
 calendar year, and the fund ratio determined on that date is less than
 five percent (5%) and shall be reduced by sixty percent (60%) for
 any year in which the balance in the Unemployment Insurance Fund
 on computation date equals or exceeds one and ninety-five
 hundredths percent (1.95%) of the gross taxable wages as reported to
 the ~~Commission-Division~~ in the previous calendar year, and the fund
 ratio determined on that date is five percent (5%) or more.

- 15 g. Any employer may at any time make a voluntary contribution,
 16 additional to the contributions required under this Chapter, to the
 17 fund to be credited to its account, and such voluntary contributions
 18 when made shall for all intents and purposes be deemed
 19 "contributions required" as this term is used in G.S. 96-8(8). Any
 20 voluntary contributions so made by an employer within 30 days after
 21 the date of mailing by the ~~Commission~~-Division pursuant to
 22 G.S. 96-9(c)(3) of notification of contribution rate contained in
 23 cumulative account statement and computation of rate, shall be
 24 credited to its account as of the previous July 31. If, however, the
 25 voluntary contribution is made after July 31 of any year it shall not
 26 be considered a part of the balance of the unemployment insurance
 27 fund for the purposes of G.S. 96-9(b)(3) until the following July 31.
 28 The ~~Commission~~-Division in accepting a voluntary contribution shall
 29 not be bound by any condition stipulated in or made a part of the
 30 voluntary contribution by the employer.
- 31 h. If, within the calendar month in which the computation date occurs,
 32 the ~~Commission~~-Division finds that any employing unit has failed to
 33 file any report required in connection therewith or has filed a report
 34 which the ~~Commission~~-Division finds incorrect or insufficient, the
 35 ~~Commission~~-Division shall make an estimate of the information
 36 required from such employing unit on the basis of the best evidence
 37 reasonably available to it at the time and shall notify the employing
 38 unit thereof by registered mail addressed to its last known address.
 39 Unless such employing unit shall file the report or a corrected or
 40 sufficient report, as the case may be, within 15 days after the mailing
 41 of such notice, the ~~Commission~~-Division shall compute such
 42 employing unit's rate of contributions on the basis of such estimates,
 43 and the rate as so determined shall be subject to increases but not to
 44 reduction, on the basis of subsequently ascertained information.
- 45 i. Repealed by Session Laws 1987, c. 17, s. 5.
- 46 j. A tax is imposed upon contributions at the rate of twenty percent
 47 (20%) of the amount of contributions due. The tax is due and payable
 48 at the time and in the same manner as the contributions. The tax does
 49 not apply in a calendar year if, as of August 1 of the preceding year,
 50 either of the following conditions was met; (i) the amount in the

1 Reserve Fund equals or exceeds one hundred sixty-three million
 2 three hundred forty-nine thousand dollars (\$163,349,000), which is
 3 one percent (1%) of taxable wages for calendar year 1984; or (ii) the
 4 balance in the Unemployment Insurance Fund established by
 5 G.S. 96-6(a) is five hundred million (\$500,000,000) or less. The
 6 collection of this tax, the assessment of interest and penalties on
 7 unpaid taxes, the filing of judgment liens, and the enforcement of the
 8 liens for unpaid taxes is governed by the provisions of G.S. 96-10
 9 where applicable. Taxes collected under this subpart shall be credited
 10 to the Employment Security ~~Commission~~-Reserve Fund, and refunds
 11 of the taxes shall be paid from the same Fund. The clear proceeds of
 12 any civil penalties collected under this subpart shall be remitted to
 13 the Civil Penalty and Forfeiture Fund in accordance with
 14 G.S. 115C-457.2. Any interest collected on unpaid taxes shall be
 15 credited to the Special Employment Security Administration Fund,
 16 and any interest refunded on taxes imposed by this subpart shall be
 17 paid from the same Fund.

18 (c) (1) Except as provided in subsection (d) of this section, the ~~Commission~~
 19 Division shall maintain a separate account for each employer and
 20 shall credit his account with all voluntary contributions made by him
 21 and all other contributions which he has paid or is paid on his behalf,
 22 provided the ~~Commission~~-Division shall credit the account of each
 23 employer in an amount equal to eighty percent (80%) of all voluntary
 24 contributions paid with respect to periods prior to January 1, 1984,
 25 and of all other contributions paid with respect to periods between
 26 July 1, 1965, and December 31, 1983. On the computation date,
 27 beginning first with August 1, 1948, the ratio of the credit balance in
 28 each individual account to the total of all the credit balances in all
 29 employer accounts shall be computed as of such computation date,
 30 and an amount equal to the interest credited to this State's account in
 31 the unemployment trust fund in the treasury of the United States for
 32 the four most recently completed calendar quarters shall be credited
 33 prior to the next computation date on a pro rata basis to all
 34 employers' accounts having a credit balance on the computation date.
 35 Such amount shall be prorated to the individual accounts in the same
 36 ratio that the credit balance in each individual account bears to the
 37 total of the credit balances in all such accounts. In computing the
 38 amount to be credited to the account of an employer as a result of
 39 interest earned by funds on deposit in the unemployment trust fund in
 40 the treasury of the United States to the account of this State, any
 41 voluntary contributions made by an employer after July 31 of any
 42 year shall not be considered a part of the account balance of the
 43 employer until the next computation date occurring after such
 44 voluntary contribution was made. No provision in this section shall
 45 in any way be subject to or affected by any provisions of the
 46 Executive Budget Act, as amended. Nothing in this Act shall be
 47 construed to grant any employer or individual in his service prior
 48 claims or rights to the amount paid by him into the fund either on his
 49 own behalf or on behalf of such individuals.

b. Any benefits paid to any claimant under a claim filed for a period occurring after the date of such separations as are set forth in this paragraph and based on wages paid prior to the date of (i) the leaving of work by the claimant without good cause attributable to the employer; (ii) the discharge of claimant for misconduct in connection with his work; (iii) the discharge of the claimant for substantial fault as that term may be defined in G.S. 96-14; (iv) the discharge of the claimant solely for a bona fide inability to do the work for which he was hired but only where the claimant's period of employment was 100 days or less; (v) separations made disqualifying under G.S. 96-14(2b) and (6a); (vi) separation due to leaving for disability or health condition; or (vii) separation of claimant solely as the result of an undue family hardship shall not be charged to the account of an employer by whom the claimant was employed at the time of such separation; provided, however, said employer promptly furnishes the ~~Commission~~ Division with such notices regarding any separation of the individual from work as are or may be required by the regulations of the ~~Commission~~ Division.

No benefit charges shall be made to the account of any employer who has furnished work to an individual who, because of the loss of employment with one or more other employers, becomes eligible for partial benefits while still being furnished work by such employer on substantially the same basis and substantially the same amount as had been made available to such individual during his base period whether the employments were simultaneous or successive; provided, that such employer makes a written request for noncharging of benefits in accordance with ~~Commission~~ Division regulations and procedures.

No benefit charges shall be made to the account of any employer for benefit years ending on or before June 30, 1992, where benefits were paid as a result of a discharge due directly to the reemployment of a veteran mandated by the Veteran's Reemployment Rights Law, 38 USCA § 2021, et seq.

No benefit charges shall be made to the account of any employer where benefits are paid as a result of a decision by an ~~Adjudicator, Appeals Referee or the Commission~~ the Division if such decision to pay benefits is ultimately reversed; nor shall any such benefits paid be deemed to constitute an overpayment under G.S. 96-18(g)(2), the provisions thereof notwithstanding. Provided, an overpayment of benefits paid shall be established in order to provide for the waiting period required by G.S. 96-13(c).

(3) As of July 31 of each year, and prior to January 1 of the succeeding year, the ~~Commission~~ Division shall determine the balance of each employer's account and shall furnish him with a statement of all charges and credits thereto. At the same time the ~~Commission~~ Division shall notify each employer of his rate of contributions as determined for the succeeding calendar year pursuant to this section. Such determination shall become final unless the employer files an application for review or redetermination prior

1 to May 1 following the effective date of such rates. The ~~Commission~~
2 Division may redetermine on its own motion within the same period of time.

3 (4) Transfer of account. –

4 a. ...

5 2. Consent. – When an employer, as defined in G.S. 96-8(5)b.,
6 in any manner acquires a distinct and severable portion of the
7 organization, trade, or business of another employing unit, the
8 part of the account of the predecessor that relates to the
9 acquired portion of the business shall, upon the mutual
10 consent of the parties concerned and approval of the
11 ~~Commission~~-Division in conformity with the regulations as
12 prescribed therefor, be transferred as of the date of acquisition
13 to the successor employer for use in the determination of the
14 successor's rate of contributions, provided application for
15 transfer is made within 60 days after the ~~Commission~~
16 Division notifies the successor of the right to request such
17 transfer, otherwise the effective date of the transfer shall be
18 the first day of the calendar quarter in which such application
19 is filed, and that after the transfer the successor employing
20 unit continues to operate the transferred portion of such
21 organization, trade or business. On or after January 1, 2006,
22 whenever part of an organization, trade, or business is
23 transferred between entities subject to substantially common
24 ownership, management, or control, the tax account shall be
25 transferred in accordance with regulations. However,
26 employing units transferring entities with any common
27 ownership, management, or control are not entitled to
28 separate and distinct employer status under this Chapter.
29 Provided, however, that the transfer of an account for the
30 purpose of computation of rates shall be deemed to have been
31 made prior to the computation date falling within the calendar
32 year within which the effective date of such transfer occurs
33 and the account shall thereafter be used in the computation of
34 the rate of the successor employer for succeeding years,
35 subject, however, to the provisions of paragraph b of this
36 subdivision. No request for a transfer of the account will be
37 accepted and no transfer of the account will be made if the
38 request for the transfer of the account is not received within
39 two years of the date of acquisition or notification by the
40 ~~Commission~~-Division of the right to request such transfer,
41 whichever occurs later. However, in no event will a request
42 for a transfer be allowed if an account has been terminated
43 because an employer ceases to be an employer pursuant to
44 G.S. 96-9(c)(5) and G.S. 96-11(d) regardless of the date of
45 notification.

46 ...
47 b. Notwithstanding any other provisions of this section, if the successor
48 employer was an employer subject to this Chapter prior to the date of
49 acquisition of the business, the successor's rate of contribution for the
50 period from that date to the end of the then current contribution year

1 shall be the same as the successor's rate in effect on the date of the
 2 acquisition. If the successor was not an employer prior to the date of
 3 the acquisition of the business, the successor shall be assigned a
 4 standard beginning rate of contribution set forth in G.S. 96-9(b)(1)
 5 for the remainder of the year in which the successor acquired the
 6 business of the predecessor; however, if the successor makes
 7 application for the transfer of the account within 60 days after
 8 notification by the ~~Commission~~ Division of the right to do so and the
 9 account is transferred, or meets the requirements for mandatory
 10 transfer, the successor shall be assigned for the remainder of the year
 11 the rate applicable to the predecessor employer or employers on the
 12 date of acquisition of the business, as long as there was only one
 13 predecessor or, if more than one, the predecessors had identical rates.
 14 In the event the rates of the predecessor were not identical, the rate of
 15 the successor shall be the highest rate applicable to any of the
 16 predecessor employers on the date of acquisition of the business.

17 Irrespective of any other provisions of this Chapter, when an
 18 account is transferred in its entirety by an employer to a successor,
 19 the transferring employer shall thereafter pay the standard beginning
 20 rate of contributions set forth in G.S. 96-9(b)(1) and shall continue to
 21 pay at that rate until the transferring employer qualifies for a
 22 reduction, reacquires the account transferred or acquires the
 23 experience rating account of another employer, or is subject to an
 24 increase in rate under the conditions prescribed in G.S. 96-9(b)(2)
 25 and (3).

- 26 c. In those cases where the organization, trade, or business of a
 27 deceased person, or insolvent debtor is taken over and operated by an
 28 administrator, administratrix, executor, executrix, receiver, or trustee
 29 in bankruptcy, such employing units shall automatically succeed to
 30 the account and rate of contribution of such deceased person, or
 31 insolvent debtor without the necessity of the filing of a formal
 32 application for the transfer of such account.

- 33 ...
 34 (6) If the ~~Commission~~ Division finds that an employer's business is closed
 35 solely because of the entrance of one or more of the owners, officers,
 36 partners, or the majority stockholder into the Armed Forces of the United
 37 States, or of any of its allies, or of the United Nations, such employer's
 38 experience rating account shall not be terminated; and, if the business is
 39 resumed within two years after the discharge or release from active duty in
 40 the Armed Forces of such person or persons, the employer's account shall be
 41 deemed to have been chargeable with benefits throughout more than 13
 42 consecutive calendar months ending July 31 immediately preceding the
 43 computation date. This subdivision shall apply only to employers who are
 44 liable for contributions under the experience rating system of financing
 45 unemployment benefits. This subdivision shall not be construed to apply to
 46 employers who are liable for payments in lieu of contributions or to
 47 employers using the reimbursable method of financing benefit payments.

- 48 (d) Benefits paid to employees of nonprofit organizations shall be financed in
 49 accordance with the provisions of this paragraph. For the purposes of this paragraph, a
 50 nonprofit organization is an organization (or group of organizations) described in section

1 501(c)(3) of the Internal Revenue Code that is exempt from income tax under section 501(a) of
2 the Internal Revenue Code.

- 3 (1) a. Any nonprofit organization which becomes subject to this
4 Chapter on or after January 1, 1972, shall pay contributions under the
5 provisions of this Chapter, unless it elects in accordance with this
6 paragraph to pay the ~~Commission~~-Division for the Unemployment
7 Insurance Fund an amount equal to the amount of regular benefits
8 and of one half of the extended benefits paid, that is attributable to
9 service in the employ of such nonprofit organization, to individuals
10 for weeks of unemployment which begin within a benefit year
11 established during the effective period of such election.
- 12 b. Any nonprofit organization which is or becomes subject to this
13 Chapter on or after January 1, 1972, may elect to become liable for
14 payments in lieu of contributions for a period of not less than four
15 calendar years beginning with the date on which subjectivity begins
16 by filing a written notice of its election with the ~~Commission~~
17 Division not later than 30 days immediately following the date of
18 written notification of the determination of such subjectivity.
19 Provided if notification is not by registered mail, the election may be
20 made on or after January 1, 1972, within six months following the
21 date of the written notification of the determination of such
22 subjectivity. If such election is not made as set forth herein, no
23 election can be made until after four calendar years have elapsed
24 under the contributions method of payment.
- 25 c. Any nonprofit organization which makes an election in accordance
26 with subparagraph b of this paragraph will continue after such four
27 calendar years to be liable for payments in lieu of contributions until
28 it files with the ~~Commission~~-Division a written notice terminating its
29 election not later than 30 days prior to the next January 1, effective
30 on such January 1. Provided, however, no employer granted or in
31 reimbursement status will be allowed refund of any previous
32 balances used in a transfer to reimbursement status.
- 33 d. Any nonprofit organization which has been paying contributions
34 under this Chapter for a period of at least four consecutive calendar
35 years subsequent to January 1, 1972; may elect to change to a
36 reimbursement basis by filing with the ~~Commission~~-Division not
37 later than 30 days prior to the next January 1 a written notice of
38 election to become liable for payments in lieu of contributions,
39 effective on such January 1. Such election shall not be terminable for
40 a period of four calendar years. In the event of such an election, the
41 account of such employer shall be closed and shall not be used in any
42 future computation of such employer's contribution rate in any
43 manner whatsoever.
- 44 d1. Any nonprofit organization which makes an election in accordance
45 with subparagraph b. of this paragraph must secure such election by
46 making a payment in lieu of contributions as provided in subdivision
47 (2) of this subsection, posting a surety bond from an insurance
48 company duly licensed to conduct business in this State, or obtaining
49 an irrevocable letter of credit with the ~~Commission~~-Division to insure
50 the payments in lieu of contributions as provided in subdivision (2)

1 of this subsection. Any surety bond posted under this paragraph shall
2 be in force for a period of not less than two calendar years and shall
3 be renewed with the approval of the ~~Commission~~-Division. The
4 ~~Commission~~-Division may adopt rules to implement the provisions
5 of this subparagraph.

6 e. The ~~Commission~~-Division, in accordance with such regulations as it
7 may adopt, shall notify each nonprofit organization of any
8 determination which it may make of its status as an employer and of
9 the effective date of any election which it makes and of any
10 termination of such election. Such determinations shall be subject to
11 reconsideration, appeal and review.

12 (2) Payments in lieu of contributions shall be made in accordance with the
13 provisions of this subparagraph and shall be processed as provided herein.

14 a. Quarterly contributions and wage reports and advance payments shall
15 be submitted to the ~~Commission~~-Division quarterly under the same
16 conditions and requirements of G.S. 96-9 and 96-10, except that the
17 amount of advance payments shall be computed as one percent (1%)
18 of taxable wages and entered on such reports; provided that such
19 advance payments shall become effective only with respect to the
20 first four thousand two hundred dollars (\$4,200) in wages paid in a
21 calendar year until January 1, 1978. On and after that date advance
22 payments shall be effective with respect to the federally required
23 wage base provided that after December 31, 1983, the wage base
24 shall be the same as that provided for in G.S. 96-9(a)(5). Collection
25 of such advance payments shall be made as provided for the
26 collection of contributions in G.S. 96-10.

27 Beginning January 1, 1978, any employer making quarterly
28 reports of employment to the ~~Commission~~-Division and if such
29 employer is a newly electing reimbursement employer he shall pay
30 contributions of one percent (1%) of taxable wages entered on such
31 reports.

32 Any employer paying by reimbursement having been, prior to
33 July 1, under the reimbursement method of payment for the
34 preceding calendar year, shall continue to file quarterly reports but
35 shall make no payments with those reports.

36 b. The ~~Commission~~-Division shall establish a separate account for each
37 such employer and such account shall be credited, and maintained as
38 provided in G.S. 96-9(c)(1), except that advance payments shall be
39 credited in full and voluntary contributions are not applicable.

40 ...
41 d. As of July 31 of each year, and prior to January 1 of the succeeding
42 year, the ~~Commission~~-Division shall determine the balance of each
43 such employer's account and shall furnish him with a statement of all
44 charges and credits thereto.

45 Should the balance in such account not equal that requiring a
46 refund, the employer shall upon notice and demand for payment
47 mailed to his last known address pay into his account an amount that
48 will bring such balance to the minimum required for a refund. Such
49 amount shall become due on or before the tenth day following the
50 mailing of such notice and demand for payment. Any such amount

1 unpaid on the due date shall be collected in the same manner,
2 including interest, as prescribed in G.S. 96-10.

3 Should there be a debit balance in such account, the employer
4 shall, upon notice and demand for payment, mailed to his last-known
5 address, pay into his account an amount equal to such debit balance.
6 Such amount shall become due on or before the tenth day following
7 the mailing of such notice and demand for payment.

8 Any such amount unpaid on the date due shall be collected in the
9 same manner, including interest, as prescribed in G.S. 96-10.

10 Beginning January 1, 1978, each employer paying by
11 reimbursement shall have his account computed on computation date
12 (August 1) and if there is a deficit shall be billed for an amount
13 necessary to bring his account to one percent (1%) of his taxable
14 payroll. Any amount of his account in excess of that required to
15 equal one percent (1%) of his payroll shall be refunded. Amounts due
16 from any employer to bring his account to a one percent (1%)
17 balance shall be billed as soon as practical and payment will be due
18 within 25 days from the date of mailing of the statement of amount
19 due. Amounts due from any nonprofit organization to bring its
20 account to a one percent (1%) balance shall be billed as soon as
21 practical, and payment will be due within 60 days from the date of
22 mailing of the statement of the amount due.

- 23 e. The ~~Commission~~-Division may make necessary rules and regulations
24 with respect to coverage of a group of nonprofit organizations and
25 with respect to the reimbursement of benefits payments by such
26 group of nonprofit organizations.

27 ...

28 (e) In order that the ~~Commission~~-Division shall be kept informed at all times on the
29 circumstances and conditions of unemployment within the State and as to whether the stability
30 of the fund is being impaired under the operation and effect of the system provided in
31 subsection (c) of this section, the actuarial study now in progress shall be continued and such
32 other investigations and studies of a similar nature as the ~~Commission~~-Division may deem
33 necessary shall be made.

34 (f) (1) On and after January 1, 1978, all benefits charged to a State or local
35 governmental employing unit shall be paid to the ~~Commission~~-Division within 25 days from
36 the date a list of benefit charges is mailed to the State or local governmental employing agency
37 and the appropriate account(s) shall be credited with such payment(s).

38 (2) In lieu of paying for benefits by reimbursement as provided in subdivision
39 (1) hereof, any State or local governmental employing unit may elect
40 pursuant to rules and regulations established by the ~~Commission~~-Division:

41 a. To pay contributions on an experience rating basis as provided in
42 G.S. 96-9(a), (b), and (c); or,

43 b. To pay to the ~~Commission~~-Division within 25 days from the date a
44 list of benefit charges is mailed to such employing unit, a sum equal
45 to the amount which its account would be charged if it were a tax
46 paying employer under G.S. 96-9(c)(2).

47 (3) State or local governmental employing units paying for benefits as provided
48 in subdivision (1) herein may establish pool accounts; provided, that such
49 pool accounts are established and maintained according to ~~the rules and~~
50 regulations of the ~~Commission~~-Division adopted by the Division.

- 1 (4) Any governmental entity paying by reimbursement as provided in
2 subdivision (1) hereof shall not have any benefits paid against its account
3 noncharged or forgiven except as provided in G.S. 96-9(d)(2)c.

4 (g) Nothing contained in subsections (d), (f), and (i) of this section prevents the
5 ~~Commission~~ Division from providing any reimbursing employer with informational bills or
6 lists of charges on a basis more frequent than yearly, if in its sole discretion, the ~~Commission~~
7 Division considers such action to be in the best interest of the ~~Commission~~ Division and the
8 affected employer(s).

9 (h) (1) Any nonprofit organization which has been paying contributions on a
10 reimbursement basis for at least three consecutive calendar years during none of which years
11 the benefit charges exceeded four tenths of one percent (.4%) of its taxable payroll may, before
12 November 1 of the fourth or subsequent calendar year, elect to pay contributions by special
13 reimbursement on the basis provided for in subdivision (2) below but only upon the following
14 conditions:

15 ...
16 b. The election shall apply to no less than the four calendar years
17 following the year of election unless terminated by the ~~Commission~~
18 Division under subdivision (3) below.

19 ...
20 e. No later than January 1 of the first year to which its election applies,
21 the electing nonprofit organization shall furnish the ~~Commission~~
22 Division a letter of credit in an amount equal to one hundred fifty
23 percent (150%) of the account balance required under subdivision (2)
24 below.

25 f. The ~~Commission~~ Division shall by regulation prescribe the form of
26 the letter of credit and the criteria for the financial institution issuing
27 such letter of credit along with the form of election under this
28 section.

- 29 (2) Any qualified nonprofit organization that meets the conditions of
30 subdivision (1) above shall, upon the approval of its election by the
31 ~~Commission~~ Division, pay contributions by special reimbursement as
32 follows:

33 ...
34 b. On the first day of each quarter of any calendar year, the
35 ~~Commission~~ Division shall bill the employer for an amount
36 necessary to bring its account to the required minimum balance, and
37 the amount so billed is due no later than 25 days after the bill is
38 mailed.

- 39 (3) If any electing organization shall fail to make any quarterly payment when
40 due:

41 a. The ~~Commission~~ Division may draw the full amount of the letter of
42 credit for application to the employer's account;

43 ...
44 c. If, after demand, the organization shall fail to pay any sums required
45 under paragraph b. above, the ~~Commission~~ Division may revoke the
46 organization's election for special reimbursement and any difference
47 between the employer's account balance and one percent (1%) of its
48 total taxable payroll shall become immediately due and payable.

49 d. The ~~Commission~~ Division may, in addition, exercise any of the
50 powers granted to it in G.S. 96-10 to collect any amount due.

- 1 e. Pursuant to ~~such regulations as the Commission may adopt, rules~~
2 ~~adopted by the Division, the Commission~~ Division shall afford any
3 organization affected by this paragraph a hearing to determine if any
4 increase in the organization's minimum required balance should be
5 reduced, in whole or in part, or if any revocation of a special
6 reimbursement election should be rescinded. If the ~~Commission,~~
7 Division, in its sole discretion, is satisfied that the conditions giving
8 rise to the increase or revocation have been corrected, it may reduce
9 such increase or rescind such revocation provided that it may require
10 as a condition of such reduction or rescission a new letter of credit up
11 to three times the amount normally required.
12

13 (i) Indian Tribes. – Benefits paid to employees of Indian tribe employing units shall be
14 financed in accordance with the provisions of this subsection. For the purposes of this
15 subsection, an "Indian tribe employing unit" is an Indian tribe, a subdivision or subsidiary of an
16 Indian tribe, or a business enterprise wholly owned by an Indian tribe.

17 (1) Election. –

- 18 a. An Indian tribe employing unit shall pay contributions under the
19 provisions of this Chapter, unless it elects in accordance with this
20 subsection to pay the ~~Commission~~ Division for the Unemployment
21 Insurance Fund an amount equal to the amount of benefits paid that
22 is attributable to service in the employ of the unit, to individuals for
23 weeks of unemployment that begin within a benefit year established
24 during the effective period of the election.
25 b. An Indian tribe employing unit may elect to become liable for
26 payments in lieu of contributions for a period of not less than three
27 calendar years by filing a written notice of its election with the
28 ~~Commission~~ Division at least 30 days before the January 1 effective
29 date of the election.
30 c. An Indian tribe employing unit that makes an election in accordance
31 with this subsection will continue after the end of the three calendar
32 years to be liable for payments in lieu of contributions until it files
33 with the ~~Commission~~ Division a written notice terminating its
34 election at least 30 days before the January 1 effective date of the
35 termination.
36 d. The account of an Indian tribe employing unit that has been paying
37 contributions under this Chapter for a period of at least three
38 consecutive calendar years and that elects to change to a
39 reimbursement basis shall be closed and shall not be used in any
40 future computation of the unit's contribution rate in any manner.
41 e. The ~~Commission,~~ Division, in accordance with regulations it adopts,
42 shall notify each Indian tribe employing unit of any determination of
43 the effective date of any election it makes and of any termination of
44 the election. These determinations shall be subject to reconsideration,
45 appeal, and review.

46 (2) Procedure. – Indian tribe employing units' payments by reimbursement in
47 lieu of contributions shall be made and processed as provided in this
48 subdivision.

- 49 a. Quarterly contributions and wage reports and advance payments shall
50 be submitted to the ~~Commission~~ Division quarterly under the same

1 conditions and requirements of G.S. 96-9 and G.S. 96-10, except that
 2 the amount of advance payments shall be computed as one percent
 3 (1%) of taxable wages and entered on the reports, and except that the
 4 wage base shall be the same as that provided for in G.S. 96-9(a)(5).
 5 Collection of these advance payments shall be made as provided for
 6 the collection of contributions in G.S. 96-10.

7 Any Indian tribe employing unit paying by reimbursement having
 8 been, prior to July 1, under the reimbursement method of payment
 9 for the preceding calendar year, shall continue to file quarterly
 10 reports but shall make no payments with those reports.

11 b. The ~~Commission~~-Division shall establish a separate account for each
 12 Indian tribe employing unit paying by reimbursement. The account
 13 shall be credited and maintained as provided in G.S. 96-9(c)(1),
 14 except that advance payments shall be credited in full, and voluntary
 15 contributions are not applicable.

16 ...
 17 d. As of July 31 of each year, and prior to January 1 of the succeeding
 18 year, the ~~Commission~~-Division shall determine the balance of each
 19 Indian tribe employing unit's account and shall furnish the unit with a
 20 statement of all charges and credits to the account.

21 If the balance in the account does not equal one percent (1%) of
 22 taxable wages, the Indian tribe employing unit must, upon notice and
 23 demand for payment mailed to its last known address, pay into the
 24 account an amount that will bring the balance to one percent (1%) of
 25 taxable wages. This amount becomes due on or before the 25th day
 26 after the notice and demand for payment is mailed. Any amount
 27 unpaid on the due date shall be collected in the same manner,
 28 including interest, as prescribed in G.S. 96-10.

29 If there is a debit balance in the account, the Indian tribe
 30 employing unit must, upon notice and demand for payment mailed to
 31 its last known address, pay into the account an amount necessary to
 32 bring the account to one percent (1%) of taxable wages. This amount
 33 becomes due on or before the 25th day after the notice and demand
 34 for payment is mailed. Any amount unpaid on the due date shall be
 35 collected in the same manner, including interest, as prescribed in
 36 G.S. 96-10.

37 ...
 38 (4) Forfeiture of coverage. – If an Indian tribe employing unit fails to make
 39 payments, including interest and penalties, required under this subsection
 40 after all collection activities considered necessary by the ~~Commission~~
 41 Division have been exhausted, services performed for that employing unit
 42 are no longer treated as "employment" for the purpose of coverage under this
 43 Chapter. An Indian tribe employing unit that has lost coverage regains
 44 coverage under this Chapter for services performed for the employing unit if
 45 the ~~Commission~~-Division determines that all contributions, payments in lieu
 46 of contributions, penalties, and interest have been paid.

47 The ~~Commission~~-Division shall notify the Internal Revenue Service and
 48 the United States Department of Labor of any termination or reinstatement
 49 of coverage pursuant to this subdivision.

50"

1 SECTION 2.9. G.S. 96-10 reads as rewritten:

2 "§ 96-10. Collection of contributions.

3 (a) Interest on Past-Due Contributions. – Contributions unpaid on the date on which
4 they are due and payable, as prescribed by the ~~Commission, Division~~, shall bear interest at the
5 rate set under G.S. 105-241.21 per month from and after that date until payment plus accrued
6 interest is received by the ~~Commission, Division~~. An additional penalty in the amount of ten
7 percent (10%) of the taxes due shall be added. The clear proceeds of any civil penalties levied
8 pursuant to this section shall be remitted to the Civil Penalty and Forfeiture Fund in accordance
9 with G.S. 115C-457.2. Interest collected pursuant to this subsection shall be paid into the
10 Special Employment Security Administration Fund. If any employer, in good faith, pays
11 contributions to another state or to the United States under the Federal Unemployment Tax Act,
12 prior to a determination of liability by this ~~Commission, Division~~, and the contributions were
13 legally payable to this State, the contributions, when paid to this State, shall be deemed to have
14 been paid by the due date under the law of this State if they were paid by the due date of the
15 other state or the United States.

16 (b) Collection. –

17 (1) If, after due notice, any employer defaults in any payment of contributions or
18 interest thereon, the amount due shall be collected by civil action in the
19 name of the ~~Commission, Division~~, and the employer adjudged in default
20 shall pay the costs of such action. Civil actions brought under this section to
21 collect contributions or interest thereon from an employer shall be heard by
22 the court at the earliest possible date, and shall be entitled to preference upon
23 the calendar of the court over all other civil actions, except petitions for
24 judicial review under this Chapter and cases arising under the Workers'
25 Compensation Law of this State; or, if any contribution imposed by this
26 Chapter, or any portion thereof, and/or penalties duly provided for the
27 nonpayment thereof shall not be paid within 30 days after the same become
28 due and payable, and after due notice and reasonable opportunity for
29 hearing, the ~~Commission, Division~~, under the hand of its ~~chairman, the~~
30 Assistant Secretary, may certify the same to the clerk of the superior court of
31 the county in which the delinquent resides or has property, and additional
32 copies of said certificate for each county in which the ~~Commission, Division~~
33 has reason to believe the delinquent has property located. If the amount of a
34 delinquency is less than fifty dollars (\$50.00), the ~~Commission, Division~~
35 may not certify the amount to the clerk of court until a field tax auditor or
36 another representative of the ~~Commission, Division~~ personally contacts, or
37 unsuccessfully attempts to personally contact, the delinquent and collect the
38 amount due. A certificate or a copy of a certificate forwarded to the clerk of
39 the superior court shall immediately be docketed and indexed on the cross
40 index of judgments, and from the date of such docketing shall constitute a
41 preferred lien upon any property which said delinquent may own in said
42 county, with the same force and effect as a judgment rendered by the
43 superior court. The ~~Commission, Division~~ shall forward a copy of said
44 certificate to the sheriff or sheriffs of such county or counties, or to a duly
45 authorized agent of the ~~Commission, Division~~, and when so forwarded and in
46 the hands of such sheriff or agent of the ~~Commission, Division~~, shall have
47 all the force and effect of an execution issued to such sheriff or agent of the
48 ~~Commission, Division~~ by the clerk of the superior court upon a judgment of
49 the superior court duly docketed in said county. Provided, however, the
50 ~~Commission, Division~~ may in its discretion withhold the issuance of said

1 certificate or execution to the sheriff or agent of the ~~Commission-Division~~
2 for a period not exceeding 180 days from the date upon which the original
3 certificate is certified to the clerk of superior court. The ~~Commission~~
4 ~~Division~~ is further authorized and empowered to issue alias copies of said
5 certificate or execution to the sheriff or sheriffs of such county or counties,
6 or to a duly authorized agent of the ~~Commission-Division~~ in all cases in
7 which the sheriff or duly authorized agent has returned an execution or
8 certificate unsatisfied; when so issued and in the hands of the sheriff or duly
9 authorized agent of the ~~Commission, Division~~, such alias shall have all the
10 force and effect of an alias execution issued to such sheriff or duly
11 authorized agent of the ~~Commission- Division~~ by the clerk of the superior

18 or make any collections therein in such county. A return of such execution,

12 on the margin of the judgment docket showing the amount of such payment
13 so certified and to file said certificate. This paragraph shall apply to
14 judgments already docketed, as well as to the future judgments docketed by
15 the ~~Commission~~ Division. For the filing of said statement or certificate and

23 (\$250.00) to each claimant, earned within six months of the commencement of the proceeding.
24 In the event of an employer's adjudication in bankruptcy, judicially confirmed extension

44 successor of such employer shall fail to withhold purchase money or any money due to such
45 employer in consideration of a lease or other transfer and the contributions shall be due and
46 unpaid after the next reporting date, as above set forth, such successor shall be personally liable
47 to the extent of the assets of the business so acquired for the payment of the contributions
48 accrued and unpaid on account of the operation of the business by the former owner or
49 employer.

1 (e) Refunds. – If not later than five years from the last day of the calendar year with

6 and the ~~Commission-Division~~ shall determine that such contributions or any portion thereof
7 was erroneously collected, the ~~Commission-Division~~ shall allow such employer or employing

14 period, adjustment or refund may be so made on the ~~Commission's~~ Division's own initiative.
15 Provided further, that nothing in this section or in any other section of this Chapter shall be
16 construed as permitting the refund of moneys due and payable under the law and regulations in
17 effect at the time such moneys were paid. In any case, where the ~~Commission-Division~~ finds
18 that any employing unit has erroneously paid to this State contributions or interest upon wages
19 earned by individuals in employment in another state, refund or adjustment thereof shall be
20 made, without interest, irrespective of any other provisions of this subsection, upon satisfactory
21 proof to the ~~Commission~~Division that such other state has determined the employing unit liable
22 under its law for such contributions or interest.

23 (f) No injunction shall be granted by any court or judge to restrain the collection of any
24 tax or contribution or any part thereof levied under the provisions of this Chapter nor to restrain

33 demand the same in writing from the ~~Commission; Division;~~ and if the same shall not be
34 refunded within 90 days thereafter, he may sue the ~~Commission- Division~~ for the amount so
35 demanded; such suit against the ~~Employment Security Commission of North Carolina-Division~~
36 must be brought in the Superior Court of Wake County, or in the county in which the taxpayer
37 resides, or in the county where the taxpayer conducts his principal place of business; and if,
38 upon the trial it shall be determined that such tax or contribution or any part thereof was for any
39 reason invalid, excessive or contrary to the provisions of this Chapter, the amount paid shall be
40 refunded by the ~~Commission-Division~~ accordingly. The remedy provided by this subsection
41 shall be deemed to be cumulative and in addition to such other remedies as are provided by
42 other subsections of this Chapter. No suit, action or proceeding for refund or to recover
43 contributions or payroll taxes paid under protest according to the provisions of this subsection
44 shall be maintained unless such suit, action or proceeding is commenced within one year after
45 the expiration of the 90 days mentioned in this subsection, or within one year from the date of
46 the refusal of ~~said Commission-the Division~~ to make refund should such refusal be made before
47 the expiration of said 90 days above mentioned. The one-year limitation here imposed shall not

2 report required under this Chapter, after 10 days' written notice sent by the ~~Commission~~
3 ~~Division~~ by registered or certified mail to the employer's last known address, may be enjoined
4 by any court of competent jurisdiction from hiring and continuing in employment any
5 employees until such report is properly submitted. When an execution has been returned to the
6 ~~Commission-Division~~ unsatisfied, and the employer, after 10 days' written notice sent by the
7 ~~Commission-Division~~ by registered mail to the employer's last known address, refuses to pay
8 the contributions covered by the execution, such employer shall upon the motion of the
9 ~~Commission-Division~~ be enjoined by any court of competent jurisdiction from hiring and
10 continuing in employment any employees until such contributions have been paid.

11 An employer who fails to file a report within the required time shall be assessed a late filing
12 penalty of five percent (5%) of the amount of contributions due with the report for each month
13 or fraction of a month the failure continues. The penalty may not exceed twenty-five percent
14 (25%) of the amount of contributions due. An employer who fails to file a report within the
15 required time but owes no contributions shall not be assessed a penalty unless the employer's
16 failure to file continues for more than 30 days.

17 (h) When any uncertified check is tendered in payment of any contributions to the
18 ~~Commission-Division~~ and such check shall have been returned unpaid on account of

21 check, and in no case shall such penalty be less than one dollar (\$1.00) nor more than two
22 hundred dollars (\$200.00).

23 (i) Except as otherwise provided in this subsection, no suit or proceedings for the
24 collection of unpaid contributions may be begun under this Chapter after five years from the
25 date on which the contributions become due, and no suit or proceeding for the purpose of
26 establishing liability and/or status may be begun with respect to any period occurring more than
27 five years prior to the first day of January of the year within which the suit or proceeding is
28 instituted. This subsection shall not apply in any case of willful attempt in any manner to defeat
29 or evade the payment of any contributions becoming due under this Chapter. A proceeding
30 shall be deemed to have been instituted or begun upon the date of issuance of an order by the
31 ~~chairman- Assistant Secretary of the Commission-Division~~ directing a hearing to be held to
32 determine liability or nonliability, and/or status under this Chapter of an employing unit, or
33 upon the date notice and demand for payment is mailed by certified mail to the last known
34 address of the employing unit. The order shall be deemed to have been issued on the date the
35 order is mailed by certified mail to the last known address of the employing unit. The running
36 of the period of limitations provided in this subsection for the making of assessments or
37 collection shall, in a case under Title II of the United States Code, be suspended for the period
38 during which the ~~Commission-Division~~ is prohibited by reason of the case from making the
39 assessment or collection and for a period of one year after the prohibition is removed.

40 (j) Waiver of Interest and Penalties. – The ~~Commission-Division~~ may, for good cause
41 shown, reduce or waive any interest assessed on unpaid contributions under this section. The
42 ~~Commission-Division~~ may reduce or waive any penalty provided in G.S. 96-10(a) or
43 G.S. 96-10(g). The late filing penalty under G.S. 96-10(g) shall be waived when the mailed
44 report bears a postmark that discloses that it was mailed by midnight of the due date but was
45 addressed or delivered to the wrong State or federal agency. The late payment penalty and the
46 late filing penalty imposed by G.S. 96-10(a) and G.S. 96-10(g) shall be waived where the delay
47 was caused by any of the following:

- 48 (1) The death or serious illness of the employer or a member of his immediate
49 family, or by the death or serious illness of the person in the employer's
50 organization responsible for the preparation and filing of the report;

- 1 (2) Destruction of the employer's place of business or business records by fire or
2 other casualty;

- 6 (4) The inability of the employer or the person in the employer's organization
7 responsible for the preparation and filing of reports to obtain an interview
8 with a representative of the ~~Commission-Division~~ upon a personal visit to
9 the central office or any local office for the purpose of securing information
10 or aid in the proper preparation of the report, which personal interview was
11 attempted to be had within the time during which the report could have been
12 executed and filed as required by law had the information at the time been
13 obtained;
- 14 (5) The entrance of one or more of the owners, officers, partners, or the majority
15 stockholder into the Armed Forces of the United States, or any of its allies,

- 18 (6) Other circumstances where, in the opinion of the ~~Chairman, the Assistant~~
19 ~~Administrator, or their Secretary, Assistant Secretary, or their~~ designees, the

21 In the waiver of any penalty, the burden shall be upon the employer to establish to the
22 satisfaction of the ~~Chairman, the Assistant Administrator, or their Secretary, Assistant~~
23 ~~Secretary, or their~~ designees, that the delinquency for which the penalty was imposed was due
24 to any of the foregoing facts or circumstances.

25 The waiver or reduction of interest or a penalty under this subsection shall be valid and
26 binding upon the ~~Commission-Division~~. The reason for any reduction or waiver shall be made
27 a part of the permanent records of the employing unit to which it applies."

28 **SECTION 2.10.** G.S. 96-11 reads as rewritten:

29 **"§ 96-11. Period, election, and termination of employer's coverage.**

30 ...

31 (b) Prior to January 1, 1972, and except as otherwise provided in subsections (a), (c),
32 and (d) of this section, an employing unit shall cease to be an employer subject to this Chapter
33 only as of the first day of January of any calendar year, if it files with the ~~Commission-Division~~
34 prior to the first day of March of such calendar year a written application for termination of
35 coverage and the ~~Commission-Division~~ finds that there were no 20 different weeks in the
36 preceding calendar year (whether or not such weeks are or were consecutive) within which said
37 employing unit employed four or more individuals in employment (not necessarily
38 simultaneously and irrespective of whether the same individuals were employed in each such
39 week); provided that on and after January 1, 1972, except as otherwise provided in subsections
40 (a), (c), and (d) of this section, an employing unit shall cease to be an employer subject to this
41 Chapter only as of the first day of January in any calendar year, if it files with the ~~Commission~~
42 ~~Division~~ prior to the first day of March of such year a written application for termination of
43 coverage and the ~~Commission-Division~~ finds that there were no 20 different weeks within the
44 preceding calendar year (whether or not such weeks are or were consecutive) within which said
45 employing unit employed one or more individuals in employment (not necessarily
46 simultaneously and irrespective of whether the same individual was employed in each such
47 week), and the ~~Commission-Division~~ finds that there was no calendar quarter within the
48 preceding calendar year in which the total wages of its employees were one thousand five
49 hundred dollars (\$1,500) or more. Any employing unit, as defined in G.S. 96-8(5)n, shall cease
50 to be an employer only if it files with the ~~Commission-Division~~ by the first day of March of any

1 calendar year an application for termination of coverage, and the ~~Commission~~-Division finds

3 employing unit had at least 10 individuals in employment, and that there was no calendar
4 quarter within the preceding calendar year in which such employing unit paid twenty thousand
5 dollars (\$20,000) or more in wages for services in employment. Any employing unit, as defined

8 ~~Commission~~-Division finds that there was no calendar quarter within the preceding calendar
9 year in which such employing unit paid one thousand dollars (\$1,000) or more in wages for
10 services in employment. Provided further, except as otherwise provided in subsections (a), (c),
11 and (d) of this section on and after January 1, 1974, an "employer" as the term is used in
12 G.S. 96-8(5)k shall cease to be an employer subject to this Chapter only as of the first day of

16 (whether or not such weeks are or were consecutive) within which said employing unit
17 employed four or more individuals in employment (not necessarily simultaneously and
18 irrespective of whether the same individuals were employed in each such week). For the
19 purpose of this subsection, the two or more employing units mentioned in paragraphs b or c of
20 G.S. 96-8, subdivision (5) shall be treated as a single employing unit: Provided, however, that
21 any employer, as the term is used in G.S. 96-8(5)k, whose liability covers a period of more than
22 two years when first discovered by the ~~Commission~~,Division, upon filing a written application
23 for termination within 90 days after notification of his liability by the ~~Commission~~,Division,
24 may be terminated as an employer effective January 1; and for any subsequent year if the
25 ~~Commission~~-Division finds there were no 20 different weeks within the preceding calendar
26 year (whether or not such weeks are or were consecutive) within which said employing unit
27 employed four or more individuals in employment (not necessarily simultaneously and
28 irrespective of whether the same individuals were employed in each such week). Provided
29 further, any other employer whose liability covers a period of more than two years when first
30 discovered by the ~~Commission~~,Division, upon filing a written application for termination
31 within 90 days after notification of his liability by the ~~Commission~~,Division, may be terminated
32 as an employer effective January 1, and for any subsequent years if the ~~Commission~~Division
33 finds that prior to January 1, 1972, there were no 20 different weeks within the preceding
34 calendar year (whether or not such weeks are or were consecutive) within which said
35 employing unit employed four or more individuals in employment (not necessarily
36 simultaneously and irrespective of whether the same individuals were employed in each such
37 week); and with respect to 1972 and subsequent years, if the ~~Commission~~Division finds that
38 there were no 20 different weeks within the preceding calendar year (whether or not such
39 weeks are or were consecutive) within which said employing unit employed one or more
40 individuals in employment (not necessarily simultaneously and irrespective of whether the
41 same individual was employed in each such week), and the ~~Commission~~-Division finds that
42 there was no calendar quarter within the preceding calendar year in which the total wages of its
43 employees were one thousand five hundred dollars (\$1,500) or more. In such cases, a protest of
44 liability shall be considered as an application for termination within the meaning of this
45 provision where the decision with respect to such protest has not become final; provided
46 further, this provision shall not apply in any case of willful attempt in any manner to defeat or
47 evade the payment of contributions becoming due under this Chapter.

48 (c) (1) An employing unit, not otherwise subject to this Chapter, which files with
49 the ~~Commission~~-Division its written election to become an employer subject
50 hereto for not less than two calendar years shall, with the written approval of

1 such election by the ~~Commission~~, Division, become an employer subject
2 hereto to the same extent as all other employers, as of the date stated in such
3 approval, and shall cease to be subject hereto as of January 1 of any calendar
4 year subsequent to such two calendar years only if, prior to the first day of
5 March following such first day of January, it has filed with the ~~Commission~~
6 Division a written notice to that effect, provided such employing unit may be
7 terminated by the ~~Commission~~-Division as provided under the provisions of
8 subdivision (3)(4) of this subsection.

- 9 (2) Any employing unit for which services that do not constitute employment as
10 defined in this Chapter are performed may file with the ~~Commission~~
11 Division a written election that all such services performed by individuals in
12 its employ, in one or more distinct establishments or places of business, shall
13 be deemed to constitute employment for all the purposes of this Chapter for
14 not less than two calendar years. Upon the written approval of such election
15 by the ~~Commission~~-Division such services shall be deemed to constitute
16 employment subject to this Chapter from and after the date stated in such
17 approval. Such services shall cease to be deemed employment, subject
18 hereto as of January one of any calendar year subsequent to such two
19 calendar years only if, prior to the first day of March following such first day
20 of January, such employing unit has filed with the ~~Commission~~-Division a
21 written notice to that effect, provided such employing unit may be
22 terminated by the ~~Commission~~-Division as provided under the provisions of
23 subdivision (3)(4) of this subsection.

24 (3) ...

25 d. An election under this section may be terminated as of January 1 of
26 any calendar year subsequent to such two calendar years only if 30
27 days prior to such January 1, such employer has filed with the
28 ~~Commission~~-Division a written notice to that effect.

- 29 (4) On and after July 1, 1965, the ~~Commission~~-Division on its own motion and
30 in its discretion, upon 30 days' written notice mailed to the last known
31 address of such employer, may terminate coverage of any employer which
32 has become subject to this Chapter solely by electing coverage under the
33 provisions of this subsection.

34 (d) Except as provided in G.S. 96-9(c)(6), an employer who has not paid any covered
35 wages for a period of two consecutive calendar years shall cease to be an employer subject to
36 this Chapter. An employer who has not had individuals in employment and who has made due
37 application for exemption from filing contributions and wage reports required under this
38 Chapter and has been so exempted may be terminated from liability upon written application
39 within 120 days after notification of the reactivation of his account. Such termination shall be
40 effective January 1 of any calendar year only if the ~~Commission~~-Division finds there were no
41 20 different weeks within the preceding calendar year, whether or not such weeks are or were
42 consecutive, within which said employer employed one or more individuals in employment
43 (four or more prior to January 1, 1972), not necessarily simultaneously and irrespective of
44 whether the same individuals were employed in each such week, and the ~~Commission~~-Division
45 finds that there was no calendar quarter within the preceding calendar year in which the total
46 wages of its employees were one thousand five hundred dollars (\$1,500) or more, except as
47 otherwise provided. Provided further, an employer, as the term is used in G.S. 96-8(5)k, who
48 has not had individuals in employment and who has made due application for exemption from
49 filing contributions and wage reports required under this Chapter and has been so exempted
50 may be terminated from liability upon written application within 120 days after notification of

1 the reactivation of its account. Such termination shall be effective January 1 of any calendar
2 year only if the ~~Commission-Division~~ finds that there were no 20 different weeks within the
3 preceding calendar year, whether or not such weeks are or were consecutive, within which said
4 employer employed four or more individuals in employment, not necessarily simultaneously
5 and irrespective of whether the same individuals were employed in each such week. In such
6 cases a protest of liability shall be considered as an application for termination within the
7 meaning of this provision where the decision with respect to such protest has not become final."

8 **SECTION 2.11.** G.S. 96-12 reads as rewritten:

9 "**§ 96-12. Benefits.**

10 (a) Payment of Benefits. – Twenty-four months after the date when contributions first
11 accrue under this Chapter benefits shall become payable from the fund. All benefits shall be
12 paid through employment offices, in accordance with ~~such regulations as the Commission may~~
13 ~~prescribe.~~ rules adopted by the Division.

14 (b) (1) a. Repealed by Session Laws 1977, c. 727, s. 52.

15 b. An individual who is totally unemployed shall be paid the
16 individual's weekly benefit amount. The weekly benefit amount for
17 an individual is the amount of the high-quarter wages paid to the
18 individual in the individual's base period, divided by 26 and, if the
19 quotient is not a whole dollar, rounded to the next lower whole
20 dollar. If this amount is less than fifteen dollars (\$15.00), the
21 individual is not eligible for benefits.

22 c. Repealed by Session Laws 1981, c. 160, s. 17.

23 (2) Each August 1, the ~~Commission-Division~~ shall calculate the maximum
24 weekly benefit amount available to an individual. The maximum weekly
25 benefit amount is sixty-six and two-thirds percent (66 2/3%) of the average
26 weekly insured wage rounded, if the amount is not a whole dollar, to the
27 next lower whole dollar. The maximum weekly benefit amount set on
28 August 1 of a year applies to an individual whose benefit year begins on or
29 after that date and before August 1 of the following year.

30 ...

31 (d) Duration of Benefits. – The total benefits paid to an individual shall not be less than
32 the minimum total benefit and shall not exceed the lesser of the maximum total benefit or the
33 individual's total benefit amount. The total benefit amount for an individual is determined by
34 dividing the individual's base-period wages by the individual's high-quarter wages, multiplying
35 that quotient by eight and two thirds, rounding the result to the nearest whole number, and then
36 multiplying the resulting amount by the individual's weekly benefit amount. The minimum total
37 benefit for an individual is 13 times the individual's weekly benefit amount. The maximum
38 total benefit for an individual is 26 times the individual's weekly benefit amount, unless the
39 benefits are extended further in accordance with G.S. 96-12.01. The ~~Commission-Division~~ shall
40 establish and maintain individual wage record accounts for each individual who earns wages in
41 covered employment for as long as the wages would be included in a determination of benefits.

43 (g) Income Tax Withholding. – When an individual files a new claim for
44 unemployment compensation, the individual shall be advised in writing at the time of filing
45 that:

48 (2) Requirements exist pertaining to estimated tax payments.

1 provisions of this section and in matters of eligibility determination, as provided in the
2 ~~regulations of by rules adopted by the Commission, Division,~~ the provisions of this Chapter
3 which apply to claims for, or the payment of, regular benefits shall apply to claims for, and the
4 payment of, extended benefits.

5 (c) Eligibility Requirements for Extended Benefits. – An individual shall be eligible to
6 receive extended benefits with respect to any week of unemployment in his eligibility period
7 only if the ~~Commission~~ Division finds that with respect to such week:

9 (2) ~~He~~ The individual has satisfied the requirements of this Chapter for the
10 receipt of regular benefits that are applicable to individuals claiming
11 extended benefits, including not being subject to a disqualification for the
12 receipt of benefits. Provided, however, that for purposes of disqualification
13 for extended benefits for weeks of unemployment beginning after March 31,
14 1981, the term "suitable work" means any work which is within the
15 individual's capabilities to perform if: (i) The gross average weekly
16 remuneration payable for the work exceeds the sum of the individual's
17 weekly extended benefit amount plus the amount, if any, of supplemental
18 unemployment benefits (as defined in section 501(C)(17)(D) of the Internal
19 Revenue Code of 1954) payable to such individual for such week; and (ii)
20 the gross wages payable for the work equal the higher of the minimum
21 wages provided by section 6(a)(1) of the Fair Labor Standards Act of 1938
22 as amended (without regard to any exemption), or the State minimum wage;
23 and (iii) the work is offered to the individual in writing and is listed with the
24 State employment service; and (iv) the considerations contained in
25 G.S. 96-14(3) for determining whether or not work is suitable are applied to
26 the extent that they are not inconsistent with the specific requirements of this
27 subdivision; and (v) the individual cannot furnish evidence satisfactory to
28 the ~~Commission~~ Division that his prospects for obtaining work in his
29 customary occupation within a reasonably short period of time are good, but
30 if the individual submits evidence which the ~~Commission~~ Division deems
31 satisfactory for this purpose, the determination of whether or not work is
32 suitable with respect to such individual shall be made in accordance with
33 G.S. 96-14(3) without regard to the definition contained in this subdivision.
34 Provided, further, that no work shall be deemed to be suitable work for an
35 individual which does not accord with the labor standard provisions set forth
36 in this subdivision, but the employment service shall refer any individual
37 claiming extended benefits to any work which is deemed suitable hereunder.
38 Provided, further, that any individual who has been disqualified for
39 voluntarily leaving employment, being discharged for misconduct or
40 substantial fault, or refusing suitable work under G.S. 96-14 and who has
41 had the disqualification terminated, shall have such disqualification
42 reinstated when claiming extended benefits unless the termination of the
43 disqualification was based upon employment subsequent to the date of the
44 disqualification.

45 (3) After March 31, 1981, he has not failed either to apply for or to accept an
46 offer of suitable work, as defined in G.S. 96-12.01(c)(2), to which he was
47 referred by an employment office of the ~~Commission, Division,~~ and he has
48 furnished the ~~Commission~~ Division with tangible evidence that he has
49 actively engaged in a systematic and sustained effort to find work. If an
50 individual is found to be ineligible hereunder, he shall be ineligible

beginning with the week in which he either failed to apply for or to accept the offer of suitable work or failed to furnish the ~~Commission~~-Division with tangible evidence that he has actively engaged in a systematic and sustained effort to find work and such individual shall continue to be ineligible for extended benefits until he has been employed in each of four subsequent weeks (whether or not consecutive) and has earned remuneration equal to not less than four times his weekly benefit amount.

(f) **Beginning and Termination of Extended Benefit Period. –**

- (1) Whenever an extended benefit period is to become effective in this State as a result of an "on" indicator, or an extended benefit period is to be terminated in this State as a result of an "off" indicator, the ~~Commission~~-Division shall make an appropriate public announcement; and
- (2) Computations required by the provisions of subsection (a)(6) shall be made by the ~~Commission~~, Division, in accordance with regulations prescribed by the United States Secretary of Labor.

SECTION 2.13. G.S. 96-12.1 reads as rewritten:

"§ 96-12.1. Extended base period for certain job related injuries.

If an individual lacks sufficient base period wages because of a job related injury for which he received workers' compensation, upon written application by the claimant, an extended base period will be substituted for the current base period on a quarter-by-quarter basis as needed to establish a valid claim. "Extended base period" means the four quarters prior to the claimant's base period. These four quarters may be substituted for base period quarters on a quarter-by-quarter basis to establish a valid claim regardless of whether the wages have been used to establish a prior claim, except any wages earned that would render the ~~Employment Security Commission of North Carolina~~-Division of Employment Security out of compliance with applicable federal law will be excluded if used in a prior claim. Benefits paid on the basis of an extended base period, which would not otherwise be payable, shall be noncharged."

SECTION 2.14. G.S. 96-13 reads as rewritten:

"§ 96-13. Benefit eligibility conditions.

(a) An unemployed individual shall be eligible to receive benefits with respect to any week only if the ~~Commission~~-Division finds that -

- (1) The individual has registered for work at and thereafter has continued to report at an employment office as directed by the ~~Commission~~ in accordance with such regulations as the ~~Commission~~ may prescribe; Division pursuant to rules adopted by the Division.

- (3) The individual is able to work, and is available for work: Provided that, unless temporarily excused by ~~Commission regulations~~, Division rules, no individual shall be deemed available for work unless he establishes to the satisfaction of the ~~Commission~~-Division that ~~he~~-the individual is actively seeking work: Provided further, that an individual customarily employed in seasonal employment shall, during the period of nonseasonal operations, show to the satisfaction of the ~~Commission~~-Division that ~~such~~-the individual is actively seeking employment which ~~such~~-the individual is ~~qualified~~-able to perform by ~~past experience or training~~ during such nonseasonal period: Provided further, however, that no individual shall be considered available for work for any week not to exceed two in any calendar year in which the ~~Commission~~-Division finds that his unemployment is due to a vacation. In

1 administering this proviso, benefits shall be paid or denied on a payroll-week
 2 basis as established by the employing unit. A week of unemployment due to
 3 a vacation as provided herein means any payroll week within which the
 4 equivalent of three customary full-time working days consist of a vacation
 5 period. For the purpose of this subdivision, any unemployment which is
 6 caused by a vacation period and which occurs in the calendar year following
 7 that within which the vacation period begins shall be deemed to have
 8 occurred in the calendar year within which such vacation period begins. For
 9 purposes of this subdivision, no individual shall be deemed available for
 10 work during any week that the individual tests positive for a controlled
 11 substance if (i) the test is a controlled substance examination administered
 12 under Article 20 of Chapter 95 of the General Statutes, (ii) the test is
 13 required as a condition of hire for a job, and (iii) the job would be suitable
 14 work for the claimant. The employer shall report to the ~~Commission,~~
 15 Division, in accordance with ~~regulations adopted by the Commission, rules~~
 16 adopted by the Division, each claimant that tests positive for a controlled
 17 substance under this subdivision. An unemployed individual shall not be
 18 disqualified for eligibility for unemployment compensation solely on the
 19 basis that the individual is in school. For the purposes of this subdivision:

- 20 a. No individual shall be deemed to be available for work during any
 21 week that the person is incarcerated or has received notice to report
 22 or is otherwise detained in any state or federal jail or penal
 23 institution. This does not apply to any person incarcerated solely on a
 24 weekend in county jail and is otherwise available for work.
 25 b. An individual is exempted for any week that the individual
 26 participates in the Trade Jobs For Success initiative under
 27 G.S. 143B-438.16.

28 ...

29 (c) Beginning February 16, 1977, an unemployed individual shall be eligible to receive
 30 benefits with respect to any week only if the ~~Commission-Division~~ finds that he has been
 31 totally, partially, or part-totally unemployed for a waiting period of one week with respect to
 32 each benefit year. No week shall be counted as a week of unemployment for waiting-period
 33 credit under this provision unless the claimant except for the provisions of this subdivision was
 34 otherwise eligible for benefits. As to claims filed on or after September 5, 1999, the waiting
 35 period for a benefit year shall not be required of any claimant if all of the following conditions
 36 are met:

37 ...

- 38 (4) The claimant files for a waiver of the waiting period week within 30 days
 39 after the date of notification or mailing of the notice of the right to have the
 40 waiting period week waived. The ~~Employment Security Commission,~~
 41 Division, for good cause shown, may at any time in its discretion, with or
 42 without motion or notice, order the period enlarged if the request for an
 43 enlargement of time is made before the expiration of the period originally
 44 prescribed or as extended by a previous order. After expiration of the
 45 specified period, the ~~Employment Security Commission-Division~~ may
 46 permit the act to be done where the failure to act was a result of excusable
 47 neglect.

48 The benefits paid as a result of the waiver of the waiting period week
 49 shall not be charged to the account or accounts of the base period employer
 50 or employers in accordance with G.S. 96-9(c)(2)d. The ~~Employment~~

~~Security Commission Division~~ shall implement regulations prescribing the procedure for the waiver of the waiting period week in accordance with G.S. 96-4(b).

(c1) As to claims filed on or after January 29, 2003, the waiting period for a benefit year shall not be required of a claimant if all of the following conditions are met:

(3) The Governor has issued an Executive Order directing and authorizing the ~~Employment Security Commission Division~~ to waive the waiting week for employees of the manufacturer.

(4) The ~~Employment Security Commission Division~~ shall implement regulations prescribing the procedure for the waiver of the waiting period week in accordance with G.S. 96-4(b).

(d) Benefit entitlement based on services for governmental entities that become subject to ~~the Employment Security Commission law~~ Law effective January 1, 1978, will be administered in the same manner and under the same conditions of the laws of this Chapter as are applicable to individuals whose benefit rights are based on other service subject to this Chapter.

(g) (1) Except as herein provided, no individual shall be eligible for benefits for any week during any part of which the ~~Commission Division~~ finds that work was not available to the individual because he had been placed on a bona fide disciplinary suspension by his employer. To be bona fide, a disciplinary suspension must be based on acts or omissions which constitute fault on the part of the employee and are connected with the work but such acts or omissions need not alone be disqualifying under G.S. 96-14.

...."

SECTION 2.15. G.S. 96-14 reads as rewritten:

"§ 96-14. Disqualification for benefits.

An individual shall be disqualified for benefits:

(1) For the duration of his unemployment beginning with the first day of the first week after the disqualifying act occurs with respect to which week an individual files a claim for benefits if it is determined by the ~~Commission Division~~ that such individual is, at the time such claim is filed, unemployed because he left work without good cause attributable to the employer.

Where an individual is discharged or leaves work due solely to a disability incurred or other health condition, whether or not related to the work, he shall not be disqualified for benefits if the individual shows:

a. That, at the time of leaving, an adequate disability or health condition of the employee, of a minor child who is in the legally recognized custody of the individual, of an aged or disabled parent of the individual, or of a disabled member of the individual's immediate family, either medically diagnosed or otherwise shown by competent evidence, existed to justify the leaving; and

b. That, at a reasonable time prior to leaving, the individual gave the employer notice of the disability or health condition.

Where an employee is notified by the employer that such employee will be separated from employment on some future date and the employee leaves work prior to this date because of the impending separation, the employee shall be deemed to have left work voluntarily and the leaving shall be without good cause attributable to the employer. However, if the employee shows to the

1 satisfaction of the ~~Commission~~ Division that it was impracticable or
 2 unduly burdensome for the employee to work until the announced
 3 separation date, the permanent disqualification imposed for leaving
 4 work without good cause attributable to the employer may be
 5 reduced to the greater of four weeks or the period running from the
 6 beginning of the week during which the claim for benefits was made
 7 until the end of the week of the announced separation date.

8 An employer's placing an individual on a bona fide disciplinary
 9 suspension of 10 or fewer consecutive calendar days shall not
 10 constitute good cause for leaving work.

11 ...
 12 (1e) For the duration of an individual's unemployment, beginning with the first
 13 day of the first week after the disqualifying act occurs with respect to which
 14 week an individual files a claim for benefits, if it is determined by the
 15 ~~Commission~~ Division that such individual is, at the time such claim is filed,
 16 unemployed because the individual, without good cause attributable to the
 17 employer and after receiving notice from the employer, refused to return to
 18 work for a former employer when recalled within four weeks from a layoff,
 19 or when recalled in any week in which the work search requirements under
 20 G.S. 96-13 have been waived. As used in this subsection, the term "layoff"
 21 means a temporary separation from work due to no work available for the
 22 individual at the time of separation from work and the individual is retained
 23 on the employer's payroll and is a continuing employee subject to recall by
 24 the employer.

25 ...
 26 (2) For the duration of the individual's unemployment beginning with the first
 27 day of the first week after the disqualifying act occurs with respect to which
 28 week an individual files a claim for benefits if it is determined by the
 29 ~~Commission~~ Division that such individual is, at the time such claim is filed,
 30 unemployed because he or she was discharged for misconduct connected
 31 with the work. Misconduct connected with the work is defined as
 32 intentional acts or omissions evincing disregard of an employer's interest or
 33 standards of behavior which the employer has a right to expect or has
 34 explained orally or in writing to an employee or evincing carelessness or
 35 negligence of such degree as to manifest equal disregard. ~~conduct evincing~~
 36 ~~such willful or wanton disregard of an employer's interest as is found in~~
 37 ~~deliberate violations or disregard of standards of behavior which the~~
 38 ~~employer has the right to expect of an employee, or in carelessness or~~
 39 ~~negligence of such degree or recurrence as to manifest equal culpability,~~
 40 ~~wrongful intent or evil design, or to show an intentional and substantial~~
 41 ~~disregard of the employer's interests or of the employee's duties and~~
 42 ~~obligations to the employer.~~

43 "Discharge for misconduct with the work" as used in this section is
 44 defined to include but not be limited to separation initiated by an employer
 45 for violating the employer's written alcohol or illegal drug policy; reporting
 46 to work significantly impaired by alcohol or illegal drugs; consuming
 47 alcohol or illegal drugs on employer's premises; conviction by a court of
 48 competent jurisdiction for manufacturing, selling, or distribution of a
 49 controlled substance punishable under G.S. 90-95(a)(1) or G.S. 90-95(a)(2)
 50 while in the employ of said employer. ~~employer; being terminated or~~

1 suspended from employment after arrest or conviction for an offense
2 involving violence, sex crimes, illegal drugs, or other activities which could
3 negatively affect the employer's reputation in the community or business
4 dealings; any physical violence whatsoever related to an employee's work
5 for an employer, including, but not limited to, physical violence directed at
6 supervisors, subordinates, coworkers, vendors, customers, or the general
7 public; inappropriate comments or behavior towards supervisors,
8 subordinates, coworkers, vendors, customers, or to the general public
9 relating to any federally protected characteristic which creates a hostile work
10 environment; theft in connection with the employment; forging or falsifying
11 any document or data related to employment, including a previously
12 submitted application for employment; violation of an employer's written
13 absenteeism policy; refusing to perform reasonably assigned work tasks; and
14 the failure to adequately perform any other employment duties as evidenced
15 by no fewer than three written reprimands received in the 12 months
16 immediately preceding the employee's termination. This phrase does not
17 discharge or employer-initiated separation of a severely disabled veteran, as
18 defined in G.S. 96-8, for ~~acts or omissions~~ any act or omission of the veteran
19 that the ~~Commission~~ Division determines are attributed to a disability
20 incurred or aggravated in the line of duty during active military service, or to
21 the veteran's absence from work to obtain care and treatment of a disability
22 incurred or aggravated in the line of duty during active military service.

23 (2a) For a period of not less than four nor more than 13 weeks beginning with the
24 first day of the first week during which or after the disqualifying act occurs
25 with respect to which week an individual files a claim for benefits if it is
26 determined by the ~~Commission~~ Division that such individual is, at the time
27 the claim is filed, unemployed because he was discharged for substantial
28 fault on his part connected with his work not rising to the level of
29 misconduct. Substantial fault is defined to include those acts or omissions of
30 employees over which they exercised reasonable control and which violate
31 reasonable requirements of the job but shall not include (1) minor infractions
32 of rules unless such infractions are repeated after a warning was received by
33 the employee, (2) inadvertent mistakes made by the employee, nor (3)
34 failures to perform work because of insufficient skill, ability, or equipment.
35 Upon a finding of discharge under this subsection, the individual shall be
36 disqualified for a period of nine weeks unless, based on findings by the
37 ~~Commission~~ Division of aggravating or mitigating circumstances, the
38 period of disqualification is lengthened or shortened within the limits set out
39 above. The length of the disqualification so set by the ~~Commission~~ Division
40 shall not be disturbed by a reviewing court except upon a finding of plain
41 error.

42 (2b) For the duration of the individual's unemployment beginning with the first
43 day of the first week during which or after the disqualifying act occurs with
44 respect to which week an individual files a claim for benefits if it is
45 determined by the ~~Commission~~ Division that the individual is, at the time
46 such claim is filed, unemployed because the individual has been discharged
47 from employment because a license, certificate, permit, bond, or surety that
48 is necessary for the performance of the individual's employment and that the
49 individual is responsible to supply has been revoked, suspended, or
50 otherwise lost to the individual, or the individual's ability to successfully

1 apply or the individual's application therefor has been lost or denied for a
 2 cause that was within the individual's power to control, guard against, or
 3 prevent. No showing of misconduct connected with the work or substantial
 4 fault connected with the work not rising to the level of misconduct shall be
 5 required in order for an individual to be disqualified for benefits under this
 6 subdivision.

7 (2c) Discharge or employer-initiated separation of a severely disabled veteran, as
 8 defined in G.S. 96-8, for acts or omissions of the veteran that the
 9 ~~Commission~~ Division determines are attributed to a disability incurred or
 10 aggravated in the line of duty during active military service, or to the
 11 veteran's absence from work to obtain care and treatment of a disability
 12 incurred or aggravated in the line of duty during active military service, shall
 13 not disqualify the veteran from receiving benefits under the substantial fault
 14 provisions of subdivision (2a) of this section for any period of time.

15 (3) For the duration of his unemployment beginning with the first day of the
 16 first week in which the disqualifying act occurs if it is determined by the
 17 ~~Commission~~ Division that such individual has failed without good cause (i)
 18 to apply for available suitable work when so directed by the employment
 19 office of the ~~Commission~~; Division; or (ii) to accept suitable work when
 20 offered him; or (iii) to return to his customary self-employment (if any)
 21 when so directed by the ~~Commission~~ Division. Provided further, an
 22 otherwise eligible individual who is attending a vocational school or training
 23 program which has been approved by the ~~Commission~~ Division for such
 24 individual shall not be denied benefits because he refuses to apply for or
 25 accept suitable work during such period of training.

26 In determining whether or not any work is suitable for an individual, the
 27 ~~Commission~~ Division shall consider the degree of risk involved to his health,
 28 safety, and morals, his physical fitness and prior training, his experience and
 29 prior earnings, his length of unemployment and prospects for securing local
 30 work in his customary occupation, and the distance of the available work
 31 from his residence.

32 Notwithstanding any other provisions of this Chapter, no work shall be
 33 deemed suitable and benefits shall not be denied under this Chapter to any
 34 otherwise eligible individual for refusing to accept new work under any of
 35 the following conditions:

- 36 a. If the position offered is vacant due directly to a strike, lockout, or
 37 other labor dispute;
- 38 b. If the remuneration, hours, or other conditions of the work offered
 39 are substantially less favorable to the individual than those prevailing
 40 for similar work in the locality;
- 41 c. If as a condition of being employed the individual would be required
 42 to join a company union or to resign from or refrain from joining any
 43 bona fide labor organization;
- 44 d. If the position offered is full-time work and the individual meets the
 45 part-time worker requirements of G.S. 96-13(a)(6).

46 (4) For the duration of his unemployment beginning with the first day of the
 47 first week after the disqualifying act occurs with respect to which week an
 48 individual files a claim for benefits if it is determined by the ~~Commission~~
 49 Division that:

- 1 a. Such individual has failed without good cause to attend a vocational
2 school or training program when so directed by the ~~Commission;~~
3 Division;
- 4 b. Such individual has discontinued his training course without good
5 cause; or
- 6 c. If the individual is separated from his training course or vocational
7 school due to misconduct.
- 8 (5) For any week with respect to which the ~~Commission~~-Division finds that his
9 total or partial unemployment is caused by a labor dispute in active progress
10 on or after July 1, 1961, at the factory, establishment, or other premises at
11 which he is or was last employed or caused after such date by a labor dispute
12 at another place within this State which is owned or operated by the same
13 employing unit which owns or operates the factory, establishment, or other
14 premises at which he is or was last employed and which supplies materials
15 or services necessary to the continued and usual operation of the premises at
16 which he is or was last employed. Provided, that an individual disqualified
17 under the provisions of this subdivision shall continue to be disqualified
18 thereunder after the labor dispute has ceased to be in active progress for such
19 period of time as is reasonably necessary and required to physically resume
20 operations in the method of operating in use at the plant, factory, or
21 establishment of the employing unit.
- 22 (6) If the ~~Commission~~-Division finds he is customarily self-employed and can
23 reasonably return to self-employment.
- 24 (6a) For the duration of his unemployment beginning with the first day of the
25 first week during which or after the disqualifying act occurs with respect to
26 which week an individual files a claim for benefits if it is determined by the
27 ~~Commission~~-Division that the individual is, at the time the claim is filed,
28 unemployed because the individual's ownership share of the employing
29 entity was voluntarily sold and, at the time of the sale:
- 30 a. The employing entity was a corporation and the individual held five
31 percent (5%) or more of the outstanding shares of the voting stock of
32 the corporation;
- 33 b. The employing entity was a partnership, limited or general, and the
34 individual was a limited or general partner; or
- 35 c. The employing entity was a proprietorship, and the individual was a
36 proprietor.
- 37 ...
- 38 (8) For any week with respect to which he has received any sum from the
39 employer pursuant to an order of any court, the National Labor Relations
40 Board, any other lawfully constituted adjudicative agency, or by private
41 agreement, consent or arbitration for loss of pay by reason of discharge.
42 When the amount so paid by the employer is in a lump sum and covers a
43 period of more than one week, such amount shall be allocated to the weeks
44 in the period on such a pro rata basis as the ~~Commission~~-Division may adopt
45 and if the amount so prorated to a particular week would, if it had been
46 earned by the claimant during that week of unemployment, have resulted in
47 a reduced benefit payment as provided in G.S. 96-12, the claimant shall be
48 entitled to receive such reduced payment if the claimant was otherwise
49 eligible.

1 Further provided, any benefits previously paid for weeks of
 2 unemployment with respect to which back pay awards, or other such
 3 compensation, are made shall constitute an overpayment of benefits and
 4 such amounts shall be deducted from the award by the employer prior to
 5 payment to the employee, and shall be transmitted promptly (or within 5
 6 days) to the ~~Commission-Division~~ by the employer for application against
 7 the overpayment. Provided, however, the removal of any charges made
 8 against the employer as a result of such previously paid benefits shall be
 9 applied to the calendar year in which the overpayment is transmitted to the
 10 ~~Commission-Division~~, and no attempt shall be made to relate such a credit
 11 to the period to which the award applies. Any amount of overpayment so
 12 deducted by the employer and not transmitted to the ~~Commission-Division~~
 13 or the failure of an employer to deduct an overpayment shall be subject to
 14 the same procedures for collection as is provided for contributions by
 15 G.S. 96-10. It is the purpose of this paragraph to assure the prompt collection
 16 of overpayments of U. I. benefits, and it shall be construed accordingly.

- 17 ...
 18 (10) Any employee disqualified for the duration of his unemployment due to the
 19 provisions of (1), (2), (2B), (3), (4), or (6A) above may have that permanent
 20 disqualification removed if he meets the following three conditions:
 21 a. Returns to work for at least five weeks and is paid cumulative wages of
 22 at least 10 times his weekly benefit amount;
 23 b. Subsequently becomes unemployed through no fault of his own; and
 24 c. Meets the availability requirements of the law.

25 Any time certain disqualification imposed by the provisions of
 26 subsections (1), (1D), and (2A) shall be removed by serving the
 27 disqualification imposed as provided by this subsection.

28 Provided for good cause shown the ~~Commission-Division~~ in its
 29 discretion may as to any permanent disqualification provided in this Chapter
 30 reduce the disqualification period to a time certain but not less than five
 31 weeks. The maximum amount of benefits due any individual whose
 32 permanent disqualification is changed to a time certain shall be reduced by
 33 an amount determined by multiplying the number of weeks of
 34 disqualification by the weekly benefit amount.

35 Provided further, any permanent disqualification pursuant to the
 36 provisions of (1), (2), (3), (4), or (6A) shall terminate two years after the
 37 effective date of the beginning of said disqualification.

- 38 ...
 39 (12) Notwithstanding any other provision of this Chapter, no otherwise eligible
 40 individual shall be denied benefits for any weeks if it is determined by the
 41 ~~Commission-Division~~ that such individual is, at the time such claim is filed,
 42 unemployed because he left work solely as a result of a lack of work caused
 43 by the bankruptcy of his employer."

44 **SECTION 2.16.** G.S. 96-15 reads as rewritten:

45 "**§ 96-15. Claims for benefits.**

46 (a) Filing. – Claims for benefits shall be made in accordance with such regulations as
 47 the ~~Commission-Division~~ may prescribe. Employers may file claims for employees through the
 48 use of automation in the case of partial unemployment. Each employing unit shall post and
 49 maintain in places readily accessible to individuals performing services for it printed
 50 statements, concerning benefit rights, claims for benefits, and such other matters relating to the

1 administration of this Chapter as the ~~Commission~~ Division may direct. Each employing unit
2 shall supply to such individuals copies of such printed statements or other materials relating to
3 claims for benefits as the ~~Commission~~ Division may direct. Such printed statements and other
4 materials shall be supplied by the ~~Commission~~ Division to each employing unit without cost to
5 the employing unit.

6 (b) (1) Initial Determination. – A representative designated by the ~~Commission~~
7 Division shall promptly examine the claim and shall determine whether or
8 not the claim is valid. If the claim is determined to be not valid for any
9 reason other than lack of base period earnings, the claim shall be referred to
10 an Adjudicator for a decision as to the issues presented. If the claim is
11 determined to be valid, a monetary determination shall be issued showing
12 the week with respect to when benefits shall commence, the weekly benefit
13 amount payable, and the potential maximum duration thereof. The claimant
14 shall be furnished a copy of such monetary determination showing the
15 amount of wages paid him by each employer during his base period and the
16 employers by whom such wages were paid, his benefit year, weekly benefit
17 amount, and the maximum amount of benefits that may be paid to him for
18 unemployment during the benefit year. When a claim is not valid due to lack
19 of earnings in his base period, the determination shall so designate. The
20 claimant shall be allowed 10 days from the earlier of mailing or delivery of
21 his monetary determination to him within which to protest his monetary
22 determination and upon the filing of such protest, unless said protest be
23 satisfactorily resolved, the claim shall be referred to the ~~Chief Deputy~~
24 ~~Commissioner~~ Assistant Secretary or his designee for a decision as to the
25 issues presented. All base period employers, as well as the most recent
26 employer of a claimant on a temporary layoff, shall be notified upon the
27 filing of a claim which establishes a benefit year.

28 At any time within one year from the date of the making of an initial
29 determination, the ~~Commission~~ Division on its own initiative may reconsider
30 such determination if it finds that an error in computation or identity has
31 occurred in connection therewith or that additional wages pertinent to the
32 claimant's benefit status have become available, or if such determination of
33 benefit status was made as a result of a nondisclosure or misrepresentation of
34 a material fact.

35 (2) Adjudication. – When a protest is made by the claimant to the initial or
36 monetary determination, or a question or issue is raised or presented as to the
37 eligibility of a claimant under G.S. 96-13, or whether any disqualification
38 should be imposed under G.S. 96-14, or benefits denied or adjusted pursuant
39 to G.S. 96-18, the matter shall be referred to an adjudicator. The adjudicator
40 may consider any matter, document or statement deemed to be pertinent to
41 the issues, including telephone conversations, and after such consideration
42 shall render a conclusion as to the claimant's benefit entitlements. The
43 adjudicator shall notify the claimant and all other interested parties of the
44 conclusion reached. The conclusion of the adjudicator shall be deemed the
45 final decision of the ~~Commission~~ Division unless within ~~15~~ 30 days after the
46 date of notification or mailing of the conclusion, whichever is earlier, a
47 written appeal is filed pursuant to ~~such regulations as the Commission may~~
48 ~~adopt.~~ The Commission rules adopted by the Division. The Division shall be
49 deemed an interested party for such purposes and may remove to itself or

1 transfer to an appeals referee the proceedings involving any claim pending
2 before an adjudicator.

3 Provided, any interested employer shall be allowed ~~1030~~ days from the
4 earlier of mailing or delivery of the notice of the filing of a claim against the
5 employer's account to protest the claim and have the claim referred to an
6 adjudicator for a decision on the question or issue raised. A copy of the
7 notice of the filing shall be sent contemporaneously to the employer by
8 telefacsimile transmission if a fax number is on file. Provided further, no
9 question or issue may be raised or presented by the ~~Commission-Division~~ as
10 to the eligibility of a claimant under G.S. 96-13, or whether any
11 disqualification should be imposed under G.S. 96-14, after 45 days from the
12 first day of the first week after the question or issue occurs with respect to
13 which week an individual filed a claim for benefits. None of the provisions
14 of this subsection shall have the force and effect nor shall the same be
15 construed or interested as repealing any other provisions of G.S. 96-18.

16 An employer shall receive written notice of the employer's appeal rights
17 and any forms that are required to allow the employer to protest the claim.
18 The forms shall include a section referencing the appropriate rules pertaining
19 to appeals and the instructions on how to appeal.

20 (c) Appeals. – Unless an appeal from the adjudicator is withdrawn, an appeals referee
21 or hearing officer shall set a hearing in which the parties are given reasonable opportunity to be
22 heard. The conduct of hearings shall be governed by suitable ~~regulations-established-rules~~
23 adopted by the Commission-Division. The ~~regulations-rules~~ need not conform to common law
24 or statutory rules of evidence or technical or formal rules of procedure but shall provide for the
25 conduct of hearings in such manner as to ascertain the substantial rights of the parties. The
26 hearings may be conducted by conference telephone call or other similar means provided that if
27 any party files with the ~~Commission-Division~~ prior written objection to the telephone
28 procedure, that party will be afforded an opportunity for an in-person hearing at such place in
29 the State as the ~~Commission-Division~~ by ~~regulation- rule~~ shall provide. The hearing shall be
30 scheduled for a time that, as much as practicable, least intrudes on and reasonably
31 accommodates the ordinary business activities of an employer and the return to employment of
32 a claimant. The appeals referee or hearing officer may affirm or modify the conclusion of the
33 adjudicator or issue a new decision in which findings of fact and conclusions of law will be set
34 out or dismiss an appeal when the appellant fails to appear at the appeals hearing to prosecute
35 the appeal after having been duly notified of the appeals hearing. The evidence taken at the
36 hearings before the appeals referee shall be recorded and the decision of the appeals referee
37 shall be deemed to be the final decision of the ~~Commission-Division~~ unless within 10 days after
38 the date of notification or mailing of the decision, whichever is earlier a written appeal is filed
39 pursuant to such ~~regulations-rules~~ as the ~~Commission-Board of Review and the Division~~ may
40 adopt. No person may be appointed as an appeals referee or hearing officer unless he or she
41 possesses the minimum qualifications necessary to be a staff attorney eligible for designation
42 by the ~~Commission-Division~~ as a hearing officer under ~~G.S. 96-4(m)-G.S. 96-4(q)~~. No appeals
43 referee or hearing officer in full-time permanent status may engage in the private practice of
44 law as defined in G.S. 84-2.1 while serving in office as appeals referee; ~~referee or hearing~~
45 officer; violation of this prohibition shall be grounds for removal. Whenever an appeal is taken
46 from a decision of the appeals referee, ~~referee or hearing officer~~; the appealing party shall
47 submit a clear written statement containing the grounds for the appeal within the time allowed
48 by law for taking the appeal, and if such timely statement is not submitted, the ~~Commission~~
49 Board of Review may dismiss the appeal.

1 (c1) Unless required for disposition of an ex parte matter authorized by law, a
2 ~~Commissioner, the Division,~~ appeals referee, or employee assigned to make a decision or to
3 make findings of facts and conclusions of law in a case shall not communicate, directly or
4 indirectly, in connection with any issue of fact, or question of law, with any person or party or
5 his representative, except on notice and opportunity for parties to participate.

6 (c2) Whenever a party is notified of an ~~Adjudicator's, Appeals Referee's, or Deputy~~
7 ~~Commissioner's~~ the Board of Review's or a hearing officer's decision by mail, G.S. 1A-1, Rule
8 6(e) shall apply, and three days shall be added to the prescribed period to file a written appeal.

9 (d) Repealed by Session Laws 1977, c. 727, s. 54.

10 (d1) No continuance shall be granted except upon application to the ~~Commissioner,~~
11 Division, the appeals referee, or other authority assigned to make the decision in the matter to
12 be continued. A continuance may be granted only for good cause shown and upon such terms
13 and conditions as justice may require. Good cause for granting a continuance shall include, but
14 not be limited to, those instances when a party to the proceeding, a witness, or counsel of
15 record has an obligation of service to the State, such as service as a member of the North
16 Carolina General Assembly, or an obligation to participate in a proceeding in a court of greater
17 jurisdiction.

18 (e) Review by the ~~Commission-Board of Review.~~ – The Board of Review may on its
19 own motion affirm, modify, or set aside any decision of an appeals referee, hearing officer, or
20 other employee assigned to make a decision on the basis of the evidence previously submitted
21 in such case, or direct the taking of additional evidence, or may permit any of the parties to
22 such decision to initiate further appeals before it, or may provide for group hearings in such
23 cases as the Board of Review finds appropriate. The Board of Review may remove itself or
24 transfer to an appeals referee, hearing officer, or other employee assigned to make a decision
25 the proceedings on any claim pending before an appeals referee, hearing officer, or other
26 employee assigned to make a decision. Interested parties shall be promptly notified of the
27 findings and decision of the Board of Review. Commission or Deputy Commissioner may on
28 its own motion affirm, modify, or set aside any decision of an appeals referee on the basis of
29 the evidence previously submitted in such case, or direct the taking of additional evidence, or
30 may permit any of the parties to such decision to initiate further appeals before it, or may
31 provide for group hearings in such cases as the Commission or Deputy Commissioner may
32 deem proper. The Commission or Deputy Commissioner may remove to itself or transfer to
33 another appeals referee the proceedings on any claim pending before an appeals referee. The
34 Commission shall promptly notify the interested parties of its findings and the decision. In all
35 Commission matters heard by a Deputy Commissioner, the decision of the Deputy
36 Commissioner shall constitute the decision of the Commission; except, the Commission may
37 remove unto itself, upon its own motion, any claim pending for rehearing and redetermination,
38 provided such removal is done prior to the expiration of appeal period applicable to the
39 decision of the Deputy Commissioner.

40 (f) Procedure. – The manner in which disputed claims shall be presented, the reports
41 thereon required from the claimant and from employers, and the conduct of hearings and
42 appeals shall be in accordance with regulations prescribed by the Commission rules adopted by
43 the Division for determining the rights of the parties, whether or not such regulations conform
44 to common-law or statutory rules of evidence and other technical rules of procedure. All
45 testimony at any hearing before an appeals referee upon a disputed claim shall be recorded
46 unless the recording is waived by all interested parties, the parties have waived the evidentiary
47 hearing and entered into a stipulation resolving the issues pending before the appeals referee,
48 hearing officer, or other employee assigned to make the decision, but need not be transcribed
49 unless the disputed claim is further appealed and, one or more of the parties objects, under such
50 regulations as the Commission may prescribe, rules as the Division may adopt, to being

1 provided a copy of the tape recording of the hearing. Any other provisions of this Chapter
2 notwithstanding, any individual receiving the transcript shall pay to the ~~Commission-Division~~
3 such reasonable fee for the transcript as the ~~Commission-Division~~ may by regulation provide.
4 The fee so prescribed by the ~~Commission-Division~~ for a party shall not exceed the lesser of
5 sixty-five cents (65¢) per page or sixty-five dollars (\$65.00) per transcript. The ~~Commission~~
6 ~~Division~~ may by regulation provide for the fee to be waived in such circumstances as it in its
7 sole discretion deems appropriate but in the case of an appeal in forma pauperis supported by
8 such proofs as are required in G.S. 1-110, the ~~Commission-Division~~ shall waive the fee.

9 (g) Witness Fees. – Witnesses subpoenaed pursuant to this section shall be allowed fees
10 at a rate fixed by the ~~Commission-Division~~. Such fees and all expenses of proceedings
11 involving disputed claims shall be deemed a part of the expense of administering this Chapter.

12 (h) Judicial Review. – Any decision of the ~~Commission-Division~~, in the absence of
13 judicial review as herein provided, or in the absence of an interested party filing a request for
14 reconsideration, shall become final 30 days after the date of notification or mailing thereof,
15 whichever is earlier. Judicial review shall be permitted only after a party claiming to be
16 aggrieved by the decision has exhausted his remedies before the ~~Commission-Division~~ as
17 provided in this Chapter and has filed a petition for review in the superior court of the county in
18 which he resides or has his principal place of business. The petition for review shall explicitly
19 state what exceptions are taken to the decision or procedure of the ~~Commission-Division~~ and
20 what relief the petitioner seeks. Within 10 days after the petition is filed with the court, the
21 petitioner shall serve copies of the petition by personal service or by certified mail, return
22 receipt requested, upon the ~~Commission-Division~~ and upon all parties of record to the
23 ~~Commission-Division~~ proceedings. Names and addresses of the parties shall be furnished to the
24 petitioner by the ~~Commission-Division~~ upon request. The ~~Commission-Division~~ shall be
25 deemed to be a party to any judicial action involving any of its decisions and may be
26 represented in the judicial action by any qualified attorney who has been designated by it for
27 that purpose. ~~Upon motion of the Commission, the court shall dismiss any review for which the~~
28 ~~petition is untimely filed, untimely or improperly served, or for which it otherwise fails to~~
29 ~~comply with the requirements of this subsection. Any questions regarding the requirements of~~
30 this subsection concerning the service or filing of a petition shall be determined by the superior
31 court. Any party to the ~~Commission-Division~~ proceeding may become a party to the review
32 proceeding by notifying the court within 10 days after receipt of the copy of the petition. Any
33 person aggrieved may petition to become a party by filing a motion to intervene as provided in
34 G.S. 1A-1, Rule 24.

35 Within 45 days after receipt of the copy of the petition for review or within such additional
36 time as the court may allow, the ~~Commission-Division~~ shall transmit to the reviewing court the
37 original or a certified copy of the entire record of the proceedings under review. With the
38 permission of the court the record may be shortened by stipulation of all parties to the review
39 proceedings. Any party unreasonably refusing to stipulate to limit the record may be taxed by
40 the court for such additional cost as is occasioned by the refusal. The court may require or
41 permit subsequent corrections or additions to the record when deemed desirable.

42 (i) Review Proceedings. – If a timely petition for review has been filed and served as
43 provided in G.S. 96-15(h), the court may make party defendant any other party it deems
44 necessary or proper to a just and fair determination of the case. The ~~Commission-Division~~ may,
45 in its discretion, certify to the reviewing court questions of law involved in any decision by it.
46 In any judicial proceeding under this section, the findings of fact by the ~~Commission-Division~~,
47 if there is any competent evidence to support them and in the absence of fraud, shall be
48 conclusive, and the jurisdiction of the court shall be confined to questions of law. Such actions
49 and the questions so certified shall be heard in a summary manner and shall be given
50 precedence over all civil cases. An appeal may be taken from the judgment of the superior

1 court, as provided in civil cases. The ~~Commission~~-Division shall have the right to appeal to the
 2 appellate division from a decision or judgment of the superior court and for such purpose shall
 3 be deemed to be an aggrieved party. No bond shall be required of the ~~Commission~~-Division
 4 upon appeal. Upon the final determination of the case or proceeding, the ~~Commission~~-Division
 5 shall enter an order in accordance with the determination. When an appeal has been entered to
 6 any judgment, order, or decision of the court below, no benefits shall be paid pending a final
 7 determination of the cause, except in those cases in which the final decision of the ~~Commission~~
 8 Division allowed benefits.

9 (j) Repealed by Session Laws 1985, c. 197, s. 9.

10 (k) Irrespective of any other provision of this Chapter, the ~~Commission~~-Division may
 11 adopt minimum regulations necessary to provide for the payment of benefits to individuals
 12 promptly when due as required by section 303(a)(1) of the Social Security Act as amended (42
 13 U.S.C.A., section 503(a)(1))."

14 **SECTION 2.17.** G.S. 96-16 reads as rewritten:

15 **"§ 96-16. Seasonal pursuits.**

16 (a) A seasonal pursuit is one which, because of seasonal conditions making it
 17 impracticable or impossible to do otherwise, customarily carries on production operations only
 18 within a regularly recurring active period or periods of less than an aggregate of 36 weeks in a
 19 calendar year. No pursuit shall be deemed seasonal unless and until so found by the
 20 ~~Commission~~-Division; ~~Provided, however,~~ except that from March 27, 1953, any successor
 21 under G.S. 96-8(5)b to a seasonal pursuit shall be deemed seasonal unless such successor shall
 22 within 120 days after the acquisition request cancellation of the determination of status of such
 23 seasonal pursuit; provided further that this provision shall not be applicable to pending cases
 24 nor retroactive in effect.

25 (b) Upon application therefor by a pursuit, the ~~Commission~~-Division shall determine or
 26 redetermine whether such pursuit is seasonal and, if seasonal, the active period or periods
 27 thereof. The ~~Commission~~-Division may, on its own motion, redetermine the active period or
 28 periods of a seasonal pursuit. An application for a seasonal determination must be made on
 29 forms prescribed by the ~~Commission~~-Division and must be made at least 20 days prior to the
 30 beginning date of the period of production operations for which a determination is requested.

31 (c) Whenever the ~~Commission~~-Division has determined or redetermined a pursuit to be
 32 seasonal, such pursuit shall be notified immediately, and such notice shall contain the
 33 beginning and ending dates of the pursuit's active period or periods. Such pursuits shall display
 34 notices of its seasonal determination conspicuously on its premises in a sufficient number of
 35 places to be available for inspection by its workers. Such notices shall be furnished by the
 36 ~~Commission~~-Division.

37 ...
 38 (j) As used in this section:

39 ...
 40 (5) "Seasonal wages" mean the wages earned in a seasonal pursuit within its
 41 active period or periods. The ~~Commission~~-Division may prescribe by
 42 regulation the manner in which seasonal wages shall be reported.

43"

44 **SECTION 2.18.** G.S. 96-17 reads as rewritten:

45 **"§ 96-17. Protection of rights and benefits; attorney representation; prohibited fees;
 46 deductions for child support obligations.**

47 ...
 48 (b) Representation. – Any claimant or employer who is a party to any proceeding before
 49 the ~~Commission~~-Division may be represented by (i) an attorney; or (ii) any person who is

1 supervised by an attorney, however, the attorney need not be present at any proceeding before
2 the ~~Commission~~ Division.

3 (b1) Fees Prohibited. – Except as otherwise provided in this Chapter, no individual
4 claiming benefits in any administrative proceeding under this Chapter shall be charged fees of
5 any kind by the ~~Commission~~ Division or its representative, and in any court proceeding under
6 this Chapter each party shall bear its own costs and legal fees.

7 ...

8 (d) (1) Definitions. – For the purpose of this subsection and when used herein:

9 a. "Unemployment compensation" means any compensation found by
10 the ~~Commission~~ Division to be payable to an unemployed individual
11 under the Employment Security Law of North Carolina (including
12 amounts payable by the ~~Commission~~ Division pursuant to an
13 agreement under any federal law providing for compensation,
14 assistance or allowances with respect to unemployment) provided,
15 that nothing in this subsection shall be construed to limit the
16 ~~Commission's~~ Division's ability to reduce or withhold benefits,
17 otherwise payable, under authority granted elsewhere in this Chapter
18 including but not limited to reductions for wages or earnings while
19 unemployed and for the recovery of previous overpayments of
20 benefits.

21 ...
22 (2) a.

23 An individual filing a new claim for unemployment compensation
24 shall, at the time of filing such claim, disclose whether the individual
25 owes child support obligations, as defined under subparagraph (1)b.
26 of this subsection. If any such individual discloses that he or she
27 owes child support obligations and is determined by the ~~Commission~~
28 Division to be eligible for payment of unemployment compensation,
29 the ~~Commission~~ Division shall notify the State or local child support
30 enforcement agency enforcing such obligation that such individual
31 has been determined to be eligible for payment of unemployment
32 compensation.

33 b. Upon payment by the State or local child support enforcement
34 agency of the processing fee provided for in paragraph (4) of this
35 subsection and beginning with any payment of unemployment
36 compensation that, except for the provisions of this subsection,
37 would be made to the individual during the then current benefit year
38 and more than five working days after the receipt of the processing
39 fee by the ~~Commission~~ Division, the ~~Commission~~ Division shall
40 deduct and withhold from any unemployment compensation
41 otherwise payable to an individual who owes child support
42 obligations:

- 43 1. The amount specified by the individual to the ~~Commission~~
44 Division to be deducted and withheld under this paragraph if
45 neither subparagraph 2. nor subparagraph 3. of this paragraph
46 is applicable; or
- 47 2. The amount, if any, determined pursuant to an agreement
48 submitted to the ~~Commission~~ Division under section
49 454(20)(B)(i) of the Social Security Act by the State or local
50 child support enforcement agency, unless subparagraph 3. of
this paragraph is applicable; or

- 3. Any amount otherwise required to be so deducted and withheld from such unemployment compensation pursuant to properly served legal process, as that term is defined in section 462(e) of the Social Security Act.
 - c. Any amount deducted and withheld under paragraph b. of this subdivision shall be paid by the ~~Employment Security Commission~~ Division to the appropriate State or local child support enforcement agency.
 - d. The Department of Health and Human Services and the ~~Commission~~ Division are hereby authorized to enter into one or more agreements which may provide for the payment to the ~~Commission~~ Division of the processing fees referred to in subparagraph b. and the payment to the Department of Health and Human Services of unemployment compensation benefits withheld, referred to in subparagraph c., on an open account basis. Where such an agreement has been entered into, the processing fee shall be deemed to have been made and received (for the purposes of fixing the date on which the ~~Commission~~ Division will begin withholding unemployment compensation benefits) on the date a written authorization from the Department of Health and Human Services to charge its account is received by the ~~Commission~~ Division. Such an authorization shall apply to all processing fees then or thereafter (within the then current benefit year) chargeable with respect to any individual name in the authorization. Such an agreement may dispense with the notice requirements of subparagraph a. by providing for a suitable substitute procedure, reasonably calculated to discover those persons owing child support obligations who are eligible for unemployment compensation payments.
- ...
- (4) a. On or before April 1 of 1983 and each calendar year thereafter, the ~~Commission~~ Division shall set and forward to the Secretary of Health and Human Services for use in the next fiscal year, a schedule of processing fees for the withholding and payment of unemployment compensation as provided for in this subsection, which fees shall reflect its best estimate of the administrative cost to the ~~Commission~~ Division generated thereby.
 - b. At least 20 days prior to September 25, 1982, the ~~Commission~~ Division shall set and forward to the Secretary of Health and Human Services an interim schedule of fees which will be in effect until July 1, 1983.
 - c. The provisions of this subsection apply only if arrangements are made for reimbursement by the State or local child support agency for all administrative costs incurred by the ~~Commission~~ Division under this subsection attributable to child support obligations enforced by the agency."

SECTION 2.19. G.S. 96-18 reads as rewritten:

"§ 96-18. Penalties.

1 ...
2 (b1) Except as provided in this subsection, the penalties and other provisions in
3 subdivisions (6), (7), (9a), and (11) of G.S. 105-236 apply to unemployment insurance
4 contributions under this Chapter to the same extent that they apply to taxes as defined in
5 G.S. 105-228.90(b)(7). The ~~Commission~~-Division has the same powers under those
6 subdivisions with respect to unemployment insurance contributions as does the Secretary of
7 Revenue with respect to taxes as defined in G.S. 105-228.90(b)(7).

8 G.S. 105-236(9a) applies to a "contribution tax return preparer" to the same extent as it
9 applies to an income tax preparer. As used in this subsection, a "contribution tax return
10 preparer" is a person who prepares for compensation, or who employs one or more persons to
11 prepare for compensation, any return of tax imposed by this Chapter or any claim for refund of
12 tax imposed by this Chapter. For purposes of this definition, the completion of a substantial
13 portion of a return or claim for refund is treated as the preparation of the return or claim for
14 refund. The term does not include a person merely because the person (i) furnishes typing,
15 reproducing, or other mechanical assistance, (ii) prepares a return or claim for refund of the
16 employer, or an officer or employee of the employer, by whom the person is regularly and
17 continuously employed, (iii) prepares as a fiduciary a return or claim for refund for any person,
18 or (iv) represents a taxpayer in a hearing regarding a proposed assessment.

19 The penalty in G.S. 105-236(7) applies with respect to unemployment insurance
20 contributions under this Chapter only when one of the following circumstances exist in
21 connection with the violation:

- 22 (1) Any employing units employing more than 10 employees.
- 23 (2) A contribution of more than two thousand dollars (\$2,000) has not been
24 paid.
- 25 (3) An experience rating account balance is more than five thousand dollars
26 (\$5,000) overdrawn.

27 If none of the circumstances set forth in subdivision (1), (2), or (3) of this subsection exist
28 in connection with a violation of G.S. 105-236(7) applied under this Chapter, the offender is
29 guilty of a Class 1 misdemeanor and each day the violation continues constitutes a separate
30 offense.

31 If the ~~Commission~~-Division finds that any person violated G.S. 105-236(9a) and is not
32 subject to a fraud penalty, the person shall pay a civil penalty of five hundred dollars (\$500.00)
33 per violation for each day the violations continue, plus the reasonable costs of investigation and
34 enforcement.

35 ...

- 36 (g) (1) Any person who, under subsection (e) above, has been held ineligible for
37 benefits and who, because of those same acts or omissions has received any
38 sum as benefits under this Chapter to which ~~he~~-the person was not entitled,
39 shall be liable to repay any such sum to the ~~Commission~~-Division as
40 provided in subparagraph (3) below, provided no such recovery or
41 recoupment of such sum may be initiated after 10 years from the last day of
42 the year in which the overpayment occurred.
- 43 (2) Any person who has received any sum as benefits under this Chapter by
44 reason of the nondisclosure or misrepresentation by him or by another of a
45 material fact (irrespective of whether such nondisclosure or
46 misrepresentation was known or fraudulent) or has been paid benefits to
47 which he was not entitled for any reason (including errors on the part of any
48 representative of the ~~Commission~~-Division) other than subparagraph (1)
49 above shall be liable to repay such sum to the ~~Commission~~-Division as
50 provided in subparagraph (3) below, provided no such recovery or

1 recoupment of such sum may be initiated after three years from the last day
2 of the year in which the overpayment occurred.

3 (3) The ~~Commission~~Division may collect the overpayments provided for in this
4 subsection by one or more of the following procedures as the ~~Commission~~
5 Division may, except as provided herein, in its sole discretion choose:

6 a. If, after due notice, any overpaid claimant shall fail to repay the sums
7 to which he was not entitled, the amount due may be collected by
8 civil action in the name of the ~~Commission~~,Division, and the cost of
9 such action shall be taxed to the claimant. Civil actions brought
10 under this section to collect overpayments shall be heard by the court
11 at the earliest possible date and shall be entitled to preference upon

24 of the law would, if not enforced, so seriously hamper the operations of the
25 agency as to make it advisable that a special session of the legislature be
26 called;
- 27 (3) Take all reasonable steps available to obtain a reprieve from the
28 implementation of any federal conformity failure sanctions until the State
29 legislature has been afforded an opportunity to consider the existing

SENATE BILL 532: ESC/Jobs Reform

2011-2012 General Assembly

Committee:	House Finance	Date:	June 14, 2011
Introduced by:	Sens. Clary, Rucho	Prepared by:	Heather Fennell
Analysis of:	PCS to Third Edition S532-CSTD-55		Committee Counsel

SUMMARY: *House Bill 813 would transfer all of the statutory powers, duties, and functions of the Employment Security Commission to the Department of Commerce. The bill would establish a Division of Employment Security within the Department of Commerce and subject that Division to the rule-making requirements under the Administrative Procedure Act. The bill also makes other modifications and conforming changes to align the employment security functions under the Secretary of Commerce. The PCS makes a clarifying change to benefit eligibility and adds back changes to the definition of "discharge for misconduct with the work" that were removed from the Senate Bill on the Senate Floor, but were in the House companion bill as that bill passed the House.*

[As introduced, this bill was identical to H813, as introduced by Reps. Howard, Starnes, which is currently in Senate Program Evaluation.]

BILL ANALYSIS:

Part I. Transfer; General Provisions; Rulemaking

House Bill 813 would eliminate the current Employment Security Commission and transfer all of its statutory authority, powers, duties, functions, records, personnel, property, and unexpended balances of appropriations, allocations, or other funds to the Department of Commerce. The bill authorizes the establishment of the Division of Employment Security, under the direction of the Secretary of Commerce, to become the successor to the Commission for purposes of all the rights, powers, duties and obligations of the Employment Security Commission. The Secretary of Commerce is made the successor for purposes of any contract, or other document which refers to the Employment Security Commission. The bill also directs that the Secretary shall also be substituted as a party in any action or proceeding pending on January 1, 2012, brought by or against the Employment Security Commission.

Under current law, the Employment Security Commission is fully exempt from the Administrative Procedure Act. This bill repeals the full exemption and subjects the Division of Employment Security to the rulemaking requirements of Article 2A of Chapter 150B. The Division is directed to adopt all existing rules in accordance with the procedures set forth in Article 2A. Any existing rule that has not been readopted by December 31, 2012, will expire. The bill exempts the Department of Commerce for hearings and appeals conducted under the Employment Security Law from the contested case provisions of Chapter 150B.

Part II. Substantive Amendments and Conforming Changes to the Employment Security Laws

This part of the bill rewrites Chapter 96 of the General Statutes to delete all references to the Employment Security Commission and substitutes "Department of Commerce, Division of Employment Security" or "Division". The current seven member commission is abolished. The Secretary is directed to appoint an Assistant Secretary to oversee the Division. A three member Board of Review, appointed by the Governor, is authorized to hear appeals arising from the decisions of the Division and to determine the policies and procedures for conducting appeals. The Board is composed of one member

representing employers, one member representing employees, and one member representing the general public. The member representing the general public must be a licensed attorney and will serve as chair of the Board. The members will each serve four-year terms and will be subject to confirmation by the General Assembly. Two working sections are created within Division. The Employment Security Section will administer the employment services functions and the Employment Insurance Section will administer the unemployment taxation and assessment functions.

Section 2.14 makes significant clarifications regarding benefit eligibility:

- No individual is eligible for benefits if incarcerated. *The PCS clarifies that the individuals that are in a county jail for a weekend, but are otherwise available for work are eligible.*
- An individual is not penalized for in the Trade Jobs for Success participation.

Section 2.15 rewrites the definition of misconduct connected with work to include intentional acts or omissions evidencing disregard of an employer's interest or standards of behavior which the employer has a right to expect or which has been communicated to the employee.

The following changes were in H813 as it passed the House on June 2, 2011, and S352 as introduced. SB 532 was amended to remove the following changes on the Senate floor. This PCS adds these changes back to the bill. This section also amends the definition of "discharge for misconduct with the work" to include:

- Violating the employer's written alcohol or illegal drug policy.
- Arrest or conviction for an offense involving violence, sex crimes, illegal drugs, or other activities which could negatively affect the employer's reputation in the community or business dealings.
- Any physical violence related to an employee's work for an employer including, physical violence directed at supervisors, subordinates, coworkers, vendors, customers, or the general public.
- Inappropriate comments or behavior towards supervisors, subordinates, coworkers, vendors, customers, or to the general public relating to any federally protected characteristic which creates a hostile work environment.
- Theft in connection with employment.
- Forging or falsifying any document or data related to employment, including a previously submitted application for employment.
- Violation of an employer's written absenteeism policy.
- Refusing to perform reasonably assigned work tasks.
- The failure to adequately perform any other employment duties as evidenced by no fewer than three written reprimands received in the 12 months immediately preceding the employee's termination.

Part III Makes other conforming amendments to the General Statutes.

Part IV Reporting; other matters.

Section 4.1 directs that the Board of Review be appointed with staff assigned by the Department of Commerce by November 15, 2011.

Senate PCS 532

Page 3

Section 4.2 directs the Secretary of Commerce to make a detailed written report to the Joint Legislative Program Evaluation Oversight Committee, the Joint Legislative Commission on Governmental Operations, and the Fiscal Research Division on the consolidation by June 30, 2012.

EFFECTIVE DATE: Except as otherwise provided, this act becomes effective November 1, 2011.

SENATE BILL 237: Incorporate Castle Hayne

2011-2012 General Assembly

Committee: House Finance
Introduced by: Sen. Goolsby
Analysis of: Second Edition

Date: June 13, 2011
Prepared by: Cindy Avrette
Committee Counsel

SUMMARY: *Senate Bill 237 would incorporate the Town of Castle Hayne, subject to a referendum on November 8, 2011. In its Report to the General Assembly dated May 23, 2011, the Joint Legislative Commission on Municipal Corporations found that the proposed Town of Castle Hayne meets the standards required by Article 20 of Chapter 120 of the General Statutes and recommended incorporation of the area as the Town of Castle Hayne.*

CURRENT LAW: Article VII of the North Carolina Constitution provides that the General Assembly may create cities and towns. The General Assembly created the Joint Legislative Commission on Municipal Incorporations in 1986 to conduct an independent review and evaluation of proposed municipal incorporations. The evaluation is conducted in accordance with a statutory set of objective criteria found in Article 20 of Chapter 120 of the General Statutes. The statutory criteria include a review of community support, population, land development, nearness to other urban areas, and ability to provide municipal services at a reasonable rate. Chapter 160A of the General Statutes provides the general laws applicable to the administration, powers, and duties of municipalities. Municipalities may share in the following revenue sources: local sales tax distributions, Powell Bill allocations, franchise tax revenues on electricity, beer and wine excise taxes, piped natural gas excise tax revenues, and telecommunications and video programming sales tax revenues.¹

BILL ANALYSIS: Senate Bill 237 would incorporate the Town of Castle Hayne, subject to a referendum scheduled to be held on November 8, 2011. The Town would be governed by a four-member town council and a mayor. The Joint Legislative Commission on Municipal Incorporations found that the proposed incorporation met the standards required for incorporation under Article 20 of Chapter 120 of the General Statutes.

- The Town of Castle Hayne would be located in New Hanover County. The other cities and towns in New Hanover County include the City of Wilmington, the Town of Wrightsville Beach, the Town of Carolina Beach, and the Town of Kure Beach. None of these municipalities are located within five miles of the proposed town and no other municipality located outside New Hanover County is located within five miles of the proposed town.
- The estimated population of the Town would be 3,355. The estimated area to be incorporated is 12.85 square miles. The population density is 261 persons per square mile. The estimated assessed property tax valuation would be \$338,603,057.
- The Town plans to offer the following services: police protection provided by the New Hanover County Sheriff's Office, fire protection provided by New Hanover County; street lighting; and planning and zoning service provided by the New Hanover County Planning Office. However, Section 7.2 of the Charter, added in the Senate Finance Committee,

¹ A municipality must have a property tax rate greater than \$0.05/\$100 valuation and provide at least four services to receive the following shared revenues: local sales and use tax, beer and wine excise taxes, sales tax on telecommunications and video programming, and Powell Bill allocations.

Senate Bill 237

Page 2

restricts the ability of the Town to adopt an ordinance regulating or restricting the subdivision, zoning, or use of land for five years.

- The Town would be entitled to the following estimated amounts of revenue from shared tax revenue sources: \$80,000 of local sales tax; \$5,000 of franchise tax; \$3,000 of beer and wine excise taxes; \$45,000 of sales tax on telecommunications; \$50,000 of sales tax on video programming; \$160,000 of excise tax on piped natural gas; and \$70,000 of Powell Bill allocations. The Town is proposing a property tax rate of \$0.10/\$100 valuation for estimated property tax revenue of a little more than \$262,387.

EFFECTIVE DATE: SB 237 would become effective when it becomes law, and is subject to voter referendum.

A BILL TO BE ENTITLED

SENATE BILL 345: Encourage Invest to Retain Art 3A Installment

2011-2012 General Assembly

Committee: House Finance
Introduced by: Sens. Garrou, Allran
Analysis of: PCS to First Edition
S345-CSRbx-66

Date: June 14, 2011
Prepared by: Trina Griffin
Committee Counsel

SUMMARY: *The PCS for Senate Bill 345 would require a reduction of the tax credit for substantial investment in other property if the requisite number of people employed at the location falls below the statutory requirement of 200 employees.*

CURRENT LAW: In 2001, the General Assembly created a tax credit under the Bill Lee Act for substantial investment in other real property. To claim the credit for substantial investment in other property, the Secretary of Commerce must make a written determination that the taxpayer is expected to invest at least \$10 million in real property at a location within a three-year period and that the location will create at least 200 new jobs within two years of the time that the property is first used in an eligible business. The taxpayer may begin to claim the credit once the property is first used in an eligible business. A taxpayer may not claim both the credit for substantial investment in other property and the credit for investing in central office or aircraft facility property with respect to the same property.

The amount of the credit for substantial investment in other property is equal to 30% of the eligible investment amount and must be taken in installments over a seven-year period. There is no ceiling on the amount of the credit. Any unused credit may be carryforward for 20 years, as opposed to the more standard carryforward period of five years. The Bill Lee tax credits expired for business activities occurring on or after January 1, 2007.

The credit for substantial investment in other property expires if the number of people employed at the location falls below 200. In this case, the taxpayer may not take any remaining installments of the credit but the taxpayer may take the portion of an installment that accrued in a previous year and was carried forward.

BILL ANALYSIS: Senate Bill 345 would create an exception for which a taxpayer may continue to take the remaining installments of the credit for substantial investment in other property, but at a reduced amount, when the number of employees the taxpayer employs at the property falls below 200.

Under the bill, an installment of the credit would be reduced by 25% if the total number of employees the taxpayer employs at the property during the taxable year in which the installment accrues is at least 150. The credit would be reduced by 50% if the number of employees is below 150 and at least 100. If the number of employees falls below 100, the credit would expire and the taxpayer may not take any remaining installment of the credit.

EFFECTIVE DATE: The bill is effective retroactively for taxable years beginning on or after January 1, 2009.

EFFECTIVE DATE: Taxable years beginning on or after January 1, 2009					

BILL SUMMARY: The William Lee Act is a package of tax credits designed to benefit new and expanding businesses. It includes a tax credit for "substantial investment in other property" that is available to taxpayers that meet certain eligibility requirements. One of these requirements is that a taxpayer has to create 200 jobs within two years of the time the qualifying property is placed in service. Additionally, a taxpayer must invest at least \$10 million in real property within a three year period. The credit is equal to 30% of the real property investment. The credit is taken in seven equal installments beginning the year after the property is placed in service. If an installment cannot be used because it exceeds 50% of the taxpayer's tax liability for the year, each installment may be carried forward for 20 years.

The credit expires if during one of the seven years in which an installment accrues, the total number employed by the taxpayer falls below 200. Expiration means that the taxpayer cannot take any remaining installments of the credit. The taxpayer is not required to forfeit installments of credits that accrued in previous years. The proposal would modify the expiration provision. The taxpayer would not be required to maintain 200 employees to take remaining credit installments if the taxpayer makes an investment equal to or greater than twice the amount of the remaining installments at the facility within two years of the employment level falling below 200.

ASSUMPTIONS AND METHODOLOGY:

Fiscal Research is aware of one taxpayer that would be impacted by the legislation. The bill would allow the taxpayer to remain eligible to take five remaining credit installments of \$424,000 each. Without the bill, the taxpayer would become ineligible for the installments and their tax liability would increase. Although the amount of timing and amount of credits taken each year will vary depending on when returns are filed and tax liability, the fiscal impact is estimated to be approximately \$400,000 annually for five years beginning in FY 2010-11.

SENATE BILL 409: Global TransPark Gov. Reform & Loan Repayment

2011-2012 General Assembly

Committee:	House Finance	Date:	June 14, 2011
Introduced by:	Sens. Hartsell, Clary, Clodfelter	Prepared by:	Trina Griffin
Analysis of:	PCS to Third Edition S409-CSSV-39		Committee Counsel

SUMMARY: *The PCS for Senate Bill 409¹ (i) modifies the governance structure of the North Carolina Global TransPark Authority (GTP), placing the GTP under the supervision of the Secretary of Transportation and amending the appointments process for the GTP board, and (ii) provides for a one-time payment of \$17.5 M on the Escheats Fund loan to the GTP and provides that any grant money from the Golden LEAF to the Global TransPark shall first be applied to the Escheats Fund loan.*

CURRENT LAW: The North Carolina Global TransPark Authority (GTP) is administratively located within the Department of Transportation, but exercises most of its powers independently from the Secretary of Transportation. In making appointments to the GTP board, the Governor and General Assembly are directed to consider the geographical representation of the State. Four of the Governor's seven appointees are to be representative of certain industries and interests. Additionally, the GTP has an outstanding loan from the Escheat Fund in excess of \$40 million, which includes \$22.5 million in principal and which the GTP cannot repay based on current operations.

Section 1 of the bill deals with governance issues. **Section 1(a)** changes the relationship between the GTP and the Department of Transportation by deleting the GTP's authority to exercise its powers independently of the Secretary of Transportation, leaving the GTP "subject to the direction and supervision of the Secretary." **Section 1(b)** would require all of the GTP board appointments of the Governor and General Assembly to come from specific categories of representation. Categories include the economic development industry, the real estate development industry, environmental interests, the logistics industry, the aviation industry, defense and security industry, and others. **Section 1(c)** deletes the current appointment categories and guidelines, which are less prescriptive. **Section 1(d)** removes the current General Assembly appointees and establishes new staggered four year terms. **Section 1(e)** allows the Secretary of Transportation to designate GTP employees as subject to State Personnel Act.

Section 2 makes a one-time transfer on July 1, 2011, from the Statewide Reserves to the Escheats Fund in the amount of \$17.5 million as a payment on the loan to the GTP from the Escheats Fund. This payment is paid for by reducing funding from the General Fund to the UNC Need-Based Financial Aid Program for fiscal year 2011-2012 (as provided in H200, as ratified). To maintain the same level of funding for the UNC Need-Based Financial Aid Program, however, funding for that program is increased in that same year from the Escheats Fund.

Section 3 provides that any grants from the Golden L.E.A.F. to the Global TransPark shall be first applied to the payment of the outstanding Escheats Fund loan.

Section 4(a) repeals provisions of H200 that would require reporting by and study of the GTP on topics covered in this bill. **Section 4(b)** moves the maturity date of the loan back to October 1, 2012.

EFFECTIVE DATE: This act becomes effective July 1, 2011.

Ryan Blackledge, staff attorney, substantially contributed to this summary.

A BILL TO BE ENTITLED

AN ACT TO RETAIN AND ENCOURAGE INVESTMENT IN ECONOMICALLY
DISTRESSED TIMES TO REMAIN ELIGIBLE TO TAKE AN INSTALLMENT OF A
CREDIT EARNED UNDER THE BILL LEE ACT.

The General Assembly of North Carolina enacts:

In each of these cases, the taxpayer may nonetheless take the portion of an installment that accrued in a previous year and was carried forward to the extent permitted under G.S. 105-129.5.

(1) Use of property. - If, in one of the seven years in which the installment of a credit accrues, the property with respect to which the credit was claimed is no longer used in an eligible business, the credit expires and the taxpayer may not take any remaining installment of the credit. ~~If, in one of the seven years in which the installment of a credit accrues,~~ If part of the property with respect to which the credit was claimed is no longer used in an eligible business, the remaining installments of the credit shall be reduced by multiplying it by the fraction described in subsection (b) of this section. If,

(2) Employment. - If, in one of the years in which the installment of a credit accrues and by which the taxpayer is required to have created 200 new jobs at the property, the total number of employees the taxpayer employs at the property with respect to which the credit is claimed is less than 200, ~~the credit expires and the taxpayer may not take any remaining installment of the credit.~~ the installment of the credit is reduced for that year or expires in accordance with this subdivision.

PRINCIPAL DEPARTMENT(S) & PROGRAM(S) AFFECTED: NC Department of Revenue					
EFFECTIVE DATE: Taxable years beginning on or after January 1, 2009					

BILL SUMMARY: The William Lee Act is a package of tax credits designed to benefit new and expanding businesses. It includes a tax credit for "substantial investment in other property" that is available to taxpayers that meet certain eligibility requirements. One of these requirements is that a taxpayer has to create 200 jobs within two years of the time the qualifying property is placed in service. Additionally, a taxpayer must invest at least \$10 million in real property within a three year period. The credit is equal to 30% of the real property investment. The credit is taken in seven equal installments beginning the year after the property is placed in service. If an installment cannot be used because it exceeds 50% of the taxpayer's tax liability for the year, each installment may be carried forward for 20 years.

The credit expires if during one of the seven years in which an installment accrues, the total number employed by the taxpayer falls below 200. Expiration means that the taxpayer cannot take any remaining installments of the credit. The taxpayer is not required to forfeit installments of credits that accrued in previous years. The proposal would modify the expiration provision. The taxpayer would not be required to maintain 200 employees to take remaining credit installments if the taxpayer makes an investment equal to or greater than twice the amount of the remaining installments at the facility within two years of the employment level falling below 200.

ASSUMPTIONS AND METHODOLOGY:

Fiscal Research is aware of one taxpayer that would be impacted by the legislation. The bill would allow the taxpayer to remain eligible to take five remaining credit installments of \$424,000 each. Without the bill, the taxpayer would become ineligible for the installments and their tax liability would increase. Although the amount of timing and amount of credits taken each year will vary depending on when returns are filed and tax liability, the fiscal impact is estimated to be approximately \$400,000 annually for five years beginning in FY 2010-11.

SENATE BILL 345: Encourage Invest to Retain Art 3A Installment

2011-2012 General Assembly

Committee: House Finance	Date: June 14, 2011
Introduced by: Sens. Garrou, Allran	Prepared by: Trina Griffin
Analysis of: PCS to First Edition S345-CSRbx-66	Committee Counsel

SUMMARY: *The PCS for Senate Bill 345 would require a reduction of the tax credit for substantial investment in other property if the requisite number of people employed at the location falls below the statutory requirement of 200 employees.*

CURRENT LAW: In 2001, the General Assembly created a tax credit under the Bill Lee Act for substantial investment in other real property. To claim the credit for substantial investment in other property, the Secretary of Commerce must make a written determination that the taxpayer is expected to invest at least \$10 million in real property at a location within a three-year period and that the location will create at least 200 new jobs within two years of the time that the property is first used in an eligible business. The taxpayer may begin to claim the credit once the property is first used in an eligible business. A taxpayer may not claim both the credit for substantial investment in other property and the credit for investing in central office or aircraft facility property with respect to the same property.

The amount of the credit for substantial investment in other property is equal to 30% of the eligible investment amount and must be taken in installments over a seven-year period. There is no ceiling on the amount of the credit. Any unused credit may be carryforward for 20 years, as opposed to the more standard carryforward period of five years. The Bill Lee tax credits expired for business activities occurring on or after January 1, 2007.

The credit for substantial investment in other property expires if the number of people employed at the location falls below 200. In this case, the taxpayer may not take any remaining installments of the credit but the taxpayer may take the portion of an installment that accrued in a previous year and was carried forward.

BILL ANALYSIS: Senate Bill 345 would create an exception for which a taxpayer may continue to take the remaining installments of the credit for substantial investment in other property, but at a reduced amount, when the number of employees the taxpayer employs at the property falls below 200.

Under the bill, an installment of the credit would be reduced by 25% if the total number of employees the taxpayer employs at the property during the taxable year in which the installment accrues is at least 150. The credit would be reduced by 50% if the number of employees is below 150 and at least 100. If the number of employees falls below 100, the credit would expire and the taxpayer may not take any remaining installment of the credit.

EFFECTIVE DATE: The bill is effective retroactively for taxable years beginning on or after January 1, 2009.

Cindy Avrette, counsel to Senate Finance, substantially contributed to this summary.

SENATE BILL 415: Eliminate Cost/Reduced-Price Sch Breakfast

2011-2012 General Assembly

Committee: House Finance
Introduced by: Sen. Purcell
Analysis of: Second Edition

Date: June 14, 2011
Prepared by: Greg Roney
Committee Counsel

SUMMARY: *Senate Bill 415 would require that State funds appropriated for the school breakfast program be used to provide school breakfasts at no cost for children who qualify for reduced price meals at schools participating in the National School Breakfast Program. Senate Bill 415 would also require reports by the State Board of Education and the State Auditor of food service programs.*

CURRENT LAW: Section 8.26 of S.L. 1999-237 directed the State Board of Education (SBE) to expand the school breakfast program to all students in kindergarten prior to the beginning of the 2000-2001 school year. Any school that served kindergarten students was eligible to receive funds under the program for the 1999-2000 year for those students with the participating schools providing breakfast without charge to all kindergarten students. If the funds were not adequate to expand the program to all students in schools that elected to participate in the program, then priority was to be given schools with a high concentration of children who qualified for free or reduced price lunches. The North Carolina Kindergarten Breakfast Program continues to provide free breakfast to all kindergarten students in participating schools.

BILL ANALYSIS: Senate Bill 415 would require funds appropriated for the school breakfast program to be used to provide school breakfasts at no cost to students of all grade levels qualifying for reduced-price meals in all of the schools that participate in the National School Breakfast Program. If the appropriated funds are insufficient to provide school breakfasts at no cost to students qualifying for reduced-price meals, then the local child nutrition programs would be directed to charge students qualifying for reduced-price meals the allowable amount for a reduced-price breakfast under the guidelines of the National School Breakfast Program.

Senate Bill 415 also requires two reports be made to the Joint Legislative Education Oversight Committee and the Joint Legislative Commission on Governmental Operations: (1) the SBE must report, by November 15, 2011, an overview of the federally supported food service programs and (2) the State Auditor must report, by December 15, 2011, the results of an audit of the Division of School Support, Child Nutrition Services of the Department of Public Instruction.

EFFECTIVE DATE: The bill would become effective July 1, 2011.

BILL SUMMARY:

The proposed legislation amends G.S. 7A-304(a) by adding a new subdivision which will increase the court costs for district court, including cases before a magistrate, and superior court by ten dollars, which is to be credited to the Victims Compensation Fund established in G.S. 15B-23. The bill becomes effective July 1, 2011.

SOURCE: BILL DIGEST H.B. 911 (05/04/0201)

ASSUMPTIONS AND METHODOLOGY:

Judicial Branch

The Administrative Office of the Courts (AOC) estimates that, annually, fees will be collected in 2,697 superior court criminal cases and 985,999 district court criminal cases (including criminal cases heard by a magistrate). Thus, it is estimated that this bill may generate up to \$9,886,960 (2,697 cases times \$10 plus 985,999 cases times \$10) for the Victim's Compensation Fund. It is possible, however, that with any fee increase the percent of cases achieving full payment may subsequently decline. AOC has no data upon which to estimate the potential drop in payment compliance due to this fee increase.

HOUSE BILL 911: Increase Criminal Court Costs/Victims Comp

2011-2012 General Assembly

Committee: House Finance	Date: June 8, 2011
Introduced by: Rep. LaRoque	Prepared by: Trina Griffin
Analysis of: PCS to First Edition H911-CSSVf-29	Committee Counsel

SUMMARY: House Bill 911 would increase court costs by \$10 for all district and superior criminal cases that result in a conviction with the proceeds credited to the Crime Victims Compensation Fund. The PCS changes the effective date to allow AOC adequate time to change their system.

CURRENT LAW: The standard court costs are \$128 for criminal district court and \$148 for criminal superior court. There are additional fees that are offense-specific or relate to certain services that may not be provided in every case. The Appropriations Act of 2011 (HB 200), which has been ratified and presented to the Governor, would increase costs in criminal cases by \$52 in superior court and \$29 in district court. There would also be an additional \$18 facility fee if HB 642 (Justice Reinvestment Act) is enacted.

The Crime Victims Compensation Fund (Fund) reimburses citizens who suffer medical expenses and lost wages as a result of being a victim of a crime committed in North Carolina.¹ The Fund is funded by appropriations from the General Assembly, by federal reimbursement of 60% of State dollars paid out the prior year, and by a portion of funds earned by inmates while in the prison system. Specifically, once the operating budget for the Correction Inmate Welfare Fund has been met, an amount equal to the funds allocated to each prison unit on a per inmate, per year basis is credited to the Fund. Compensation is available only to the extent the General Assembly appropriates funds; if a claim cannot be paid due to insufficient funds, payment is delayed until sufficient funds are available.

BILL ANALYSIS: House Bill 911 would increase by \$10 the court costs imposed on defendants convicted in all cases in district and superior courts. The proceeds would be credited to the Crime Victims Compensation Fund, which is a nonreverting fund.

EFFECTIVE DATE: The PCS would become effective August 1, 2011, and applies to costs assessed or collected on or after this date. However, in misdemeanor cases or infractions disposed of on or after the effective date by written appearance, waiver of trial or hearing, and plea of guilt or admission of responsibility, and within the time limit imposed by G.S. 7A-304(a)(6), in which the citation or other criminal process was issued before the effective date, the costs or fees shall be the lesser of those specified in this section as amended, or those specified in the notice portion of the defendant's or respondent's copy of the citation or other criminal process, if any costs or fees are specified in that notice.

A BILL TO BE ENTITLED
AN ACT TO AMEND THE LAWS GOVERNING TRUSTS, ESTATE PLANNING, AND TRUST COMPANIES.

The General Assembly of North Carolina enacts:

SECTION 1. G.S. 32-55 reads as rewritten:

"§ 32-55. Notice.

(a) If the terms of the trust do not specify the trustee's compensation, the trustee may, in the trustee's discretion, give written notice to all qualified beneficiaries of each proposed payment of compensation if the annual amount of compensation exceeds four-tenths of one percent (4/10 of 1%) of the principal value of the assets of the trust on the last day of the trust accounting year. ~~The notice shall contain a statement that the qualified beneficiaries have 20 days from when notice is given to file a proceeding for review of the reasonableness of the compensation with the clerk of superior court in accordance with Article 2 of Chapter 36C of the General Statutes.~~

(b) In lieu of giving written notice of each proposed payment of compensation under subsection (a) of this section, the trustee may give written notice to all qualified beneficiaries of the amount of compensation to be paid to the trustee on a periodic basis or of the method of computation of the compensation. The trustee shall not be required to give additional notice to the qualified beneficiaries unless the amount to be paid to the trustee on a periodic basis or the method of computation of the compensation changes.

(c) If a qualified beneficiary is under a legal disability, notice shall be given to the representative of the beneficiary. If a representative of a qualified beneficiary is not available without court order, notice shall be deemed given under this section if there is at least (i) one qualified beneficiary described in G.S. 36C-1-103(15) a. or b. who is not under a legal disability or a representative of a qualified beneficiary so described; and (ii) one qualified beneficiary described in G.S. 36C-1-103(15)c. who is not under a legal disability or a representative of a qualified beneficiary so described.

(c1) The notice provided for in this section shall contain a statement that the qualified beneficiaries or their representatives to whom the notice is given have 20 days from when notice is given to file a proceeding for review of the reasonableness of the compensation with the clerk of superior court in accordance with Article 2 of Chapter 36C of the General Statutes.

(d) The provisions of G.S. 36C-1-109 regarding notices to persons under Chapter 36C of the General Statutes shall apply for purposes of notices under this Article."

SECTION 2. G.S. 36C-5-505 is amended by adding a new subsection to read:

"(c) Subject to Article 3A of Chapter 39 of the General Statutes, for purposes of this section, if the settlor is a beneficiary of the following trusts after the death of the settlor's

1 spouse, the property of the trusts shall, after the death of the settlor's spouse, be deemed to have
 2 been contributed by the settlor's spouse and not by the settlor:

- 3 (1) An irrevocable intervivos marital trust that is treated as a general power of
 4 appointment trust described in section 2523(e) of the Internal Revenue Code.
 5 (2) An irrevocable intervivos marital trust that is treated as qualified terminable
 6 interest property under section 2523(f) of the Internal Revenue Code.
 7 (3) An irrevocable intervivos trust of which the settlor's spouse is the sole
 8 beneficiary during the lifetime of the settlor's spouse but which does not
 9 qualify for the federal gift tax marital deduction.
 10 (4) Another trust, to the extent that the property of the other trust is attributable
 11 to property passing from a trust described in subdivision (1), (2), or (3) of
 12 this subsection.

13 For purposes of this subsection, the settlor is a beneficiary whether so named under the
 14 initial trust instrument or through the exercise of a limited or general power of appointment."

15 **SECTION 3. G.S. 36C-7-704 reads as rewritten:**

16 **"§ 36C-7-704. Vacancy in trusteeship; appointment of successor.**

SENATE BILL 407: Trusts and Estate Planning Changes

2011-2012 General Assembly

Committee: House Finance
Introduced by: Sen. Hartsell
Analysis of: Second Edition

Date: June 15, 2011
Prepared by: Greg Roney
Committee Counsel

SUMMARY: *Senate Bill 407 amends the laws governing trusts, estate planning, and trust companies. The bill provides that the annual license fee for trust licenses is set by statute and is \$500.00. Previously, the fee was set by rule of the State Banking Commission in an amount not to exceed \$500.00.*

CURRENT LAW AND BACKGROUND: Article 36C of the North Carolina General Statutes is the North Carolina Uniform Trust Code, and Article 6 of Chapter 32 deals with compensation of trustees and other fiduciaries. Article 14 of Chapter 53 governs banks acting in fiduciary capacity.

BILL ANALYSIS:

Sections 1-4 of the bill clarify North Carolina statutes governing trustees and other fiduciaries.

Section 1 amends G.S. 32-55 to clarify the application of the requirement that the notice to the qualified beneficiaries contain a statement that the qualified beneficiaries have 20 days from the date notice is given to file a proceeding for review of the reasonableness of the trustee's compensation with the clerk of superior court. The purpose of the changes is to clarify that the notice applies to any notice under G.S. 32-55 and not just the written notice in subsection (a). The change also clarifies that this requirement applies to notices given to representatives of qualified beneficiaries under a disability.

Section 2 provides that, after the death of the settlor's spouse, certain trust property will be deemed to have been contributed by the settlor's spouse and not the settlor if the settlor is the beneficiary of any of the following trusts:

- An irrevocable intervivos marital trust that is treated as a general power of appointment trust.
- An irrevocable intervivos marital trust that is treated as qualified terminable interest property.
- An irrevocable intervivos trust of which the settlor's spouse is the sole beneficiary during the lifetime of the settlor's spouse but which does not qualify for the federal gift tax marital deduction.
- Another trust, to the extent that the property of the other trust is attributable to property passing from a trust described above.

For purposes of these provisions, the settlor is a beneficiary whether named in the initial trust instrument or through the exercise of a limited or general power of appointment.

Section 3 clarifies that a successor trustee will be vested with the title to property of the former trustee.

Section 4 provides that one of the specific powers of the trustee is, upon termination of the trust, to exercise all of the powers otherwise exercisable by the trustee during the administration of the trust.

Sections 5 through 14 revise statutes governing corporate trustees.

Section 5 clarifies that a bond is not required for a personal representative that is a licensed trust institution.

Section 6 defines acceptable collateral for a bank to post when the trust department invests in deposits of its own bank.

Senate Bill 407

Page 2

Section 7 makes a number of changes to Article 14 of Chapter 53, the older statute dealing with trust departments, to conform with Article 24 of Chapter 53.

- Enacts a new section (G.S. 53-158.10) to include definitions for "Depository institution," "Hazardous condition," and "Trust institution".
- Replaces "bank" with "trust institution" throughout the Article.
- Deletes the term "clearing corporation" and substitutes the term "securities intermediary."
- Sets a statutory fee for trust licenses at \$500.00. (G.S. 53-160).
- Deletes references to "solvency" and allows the Commissioner of Banks (Commissioner) to examine any trust institution, other than a federally chartered trust institution, that applies for or is licensed by the Commissioner; allows the Commissioner to refuse to issue a license to a trust institution in a "hazardous condition." (G.S. 53-160, 161).
- Deletes G.S. 53-162 which required that the Commissioner issue a "certificate of solvency" in connection with giving a trust institution a license to serve without bond.
- Amends G.S. 53-163.5 to clarify the description of affiliated institutions.

The remaining sections conform the statutes to current practice, allow the Commissioner of Banks to permit trust companies to be organized as LLCs, and allow the Commissioner to permit private trust companies to conform with IRS regulations.

Section 8 adds definitions for "Board of directors" and "Director."

Sections 9 and 10 delete the term "incorporated" and substitute the term "established" to facilitate organization as LLCs. Section 10 also authorizes the Commissioner to allow a State trust company to be organized as a company other than a corporation (such as an LLC).

Section 11 deletes the term "incorporation" and substitutes the term "establishment."

Section 12 deletes language which previously allowed shareholders of a State trust company to authorize not more than two additional directorships which could have been left unfilled and could have been filled in the discretion of the directors during the interval between shareholders' meetings.

Section 13 allows private trust companies, which operate for the benefit of one family, to comport with IRS private rulings requiring these companies to delegate governing authority to avoid unfavorable tax treatment. Section 13 provides that the holders of the equity securities of a private trust company may, by unanimous agreement, do all of the following:

- Limit the authority of the board of directors.
- Restrict, enlarge, or modify the rights or duties of particular directors.
- Allocate to an individual or group, other than the board of directors, some or all of the duties of a board of directors.

A private trust company must notify the Commissioner of the adoption of any agreement affecting the board of directors within 48 hours and must provide information that the Commissioner requests about the agreement. If an individual or group other than the board of directors is vested with authority of the board of directors, then that individual or group is deemed to be acting as the board when exercising that authority.

Section 14 allows the Commissioner to permit a private trust company to be exempted from general laws relating to business corporations.

47 Statutes, either party may move for a transfer of the proceeding to the Superior Court Division
48 of the General Court of Justice as provided in Article 21 of Chapter 7A of the General Statutes.
49 In the absence of a removal to superior court, Article 26 of Chapter 1 of the General Statutes
50 shall apply to an estate proceeding to the extent consistent with this Article.

1 (c) Without otherwise limiting the jurisdiction of the Superior Court Division of the
2 General Court of Justice, the clerk of superior court shall not have jurisdiction under subsection
3 (a) or (c) of this section of the following:

- 4 (1) Actions by or against creditors or debtors of an estate, except as provided in
5 Article 19 of this Chapter.
6 (2) Actions involving claims for monetary damages, including claims for breach
7 of fiduciary duty, fraud, and negligence.
8 (3) Caveats, except as provided under G.S. 31-36.
9 (4) Proceeding to determine proper county of venue as provided in
10 G.S. 28A-3-2.
11 (5) Recovery of property transferred or conveyed by a decedent with intent to
12 hinder, delay, or defraud creditors, pursuant to G.S. 28A-15-10(b).

13 **"§ 28A-2-5. Subject matter jurisdiction of the clerk of superior court in special**
14 **proceedings.**

15 The clerk of superior court also shall have jurisdiction over special proceedings, including,
16 but not limited to, the following:

- 17 (1) Special proceedings to obtain possession, custody, or control of assets as
18 provided in G.S. 28A-13-3.
19 (2) Special proceedings relating to the sale, lease, or mortgage of real estate as
20 provided in G.S. 28A-15-1 and in G.S. 28A-17-1.
21 (3) Special proceedings against unknown heirs before distribution of estate as
22 provided in G.S. 28A-22-3.

23 Nothing in this section shall be deemed to limit the jurisdiction of the clerk of superior
24 court in special proceedings.

25 **"§ 28A-2-6. Commencement of estate proceedings, pleadings, consolidation, and joinder.**

26 (a) Contested Estate Proceedings. – Contested estate proceedings brought against
27 adverse parties shall be commenced by petition in the existing estate administration file. All
28 parties not joined as petitioners shall be joined as respondents. The clerk of superior court shall
29 issue the estate proceeding summons to the respondents. The clerk of superior court may order
30 that additional persons be joined as respondents and shall issue the estate proceeding summons
31 to the additional persons. The estate proceeding summons shall notify a respondent to appear
32 and answer the petition within 20 days after its service upon the respondents. The estate
33 proceeding summons shall comply with the requirements set forth in G.S. 1-394 for a special
34 proceeding summons except that the summons shall be titled "ESTATE PROCEEDING
35 SUMMONS" and shall be served upon a respondent in accordance with G.S. 1A-1, Rule 4.
36 After the time for responding to the petition or complaint has expired, any party or the clerk of
37 superior court may give notice to all parties of a hearing.

38 (b) Uncontested Estate Proceedings. – Estate proceedings before the clerk of superior
39 court that are uncontested may be decided without hearing according to practice and procedure
40 provided by law and shall be commenced by the filing of a petition, setting forth the facts
41 entitling the petitioners to relief and the nature of the relief demanded. In these proceedings, the
42 clerk of superior court may hear and decide the petition summarily.

43 (c) Pleadings. – Any petition, response, or request for hearing in a contested estate
44 proceeding before the clerk of superior court shall contain a short and plain statement of the
45 claim that is sufficiently particular to give the court and the parties notice of the transactions,
46 occurrences, or series of transactions intended to be proved showing that the pleaders are
47 entitled to relief, and a demand for judgment for the relief to which the pleader is entitled. Each
48 averment should be simple, concise, and direct. No technical forms of motions or responses are
49 required. A party may set forth two or more statements of a claim or defense alternatively or
50 hypothetically. The signature of an attorney or party constitutes a certificate by that attorney or
51 party that (i) the attorney or party has read the pleading, motion, or other paper; (ii) to the best

1 of the attorney's or party's knowledge, information, and belief formed after reasonable inquiry,
2 it is well grounded in fact and is warranted by existing law or a good faith argument for the
3 extension, modification, or reversal of existing law; and (iii) it is not interposed for any
4 improper purpose, such as to harass or to cause unnecessary delay or needless increase in the
5 cost of litigation. All motions, responses, and requests for hearing shall be so construed as to do
6 substantial justice.

7 (d) Extensions of Time. – The clerk of superior court, for cause shown at any time in
8 the clerk's discretion, with or without motion or notice, may enter an order enlarging the period
9 of time within which an act is required or permitted in an estate proceeding, by any applicable
10 rule of G.S. 1A-1, the Rules of Civil Procedure, or by order of the court, if the request is made
11 before the expiration of the period originally prescribed, but not to exceed 10 days, provided
12 that the court can enlarge the time for a period of more than 10 days for good cause shown, but
13 only to the extent that the court in its discretion determines that justice requires. Upon motion
14 made after the expiration of the specified period, the clerk of superior court may permit the act
15 where the failure to act was the result of excusable neglect. Notwithstanding any other
16 provision of this subsection, the parties to a proceeding may enter into binding stipulations,
17 without approval of the clerk of superior court, enlarging the time within which an act is
18 required or permitted by this Article, by any applicable Rules of Civil Procedure or by order of
19 the court, not to exceed 30 days.

20 (e) Rules of Civil Procedure. – Unless the clerk of superior court otherwise directs,
21 Rules 4.5, 6(a), 6(d), 6(e), 18, 19, 20, 21, 24, 45, 56, and 65 of G.S. 1A-1, the Rules of Civil
22 Procedure, shall apply to estate proceedings. Upon motion of a party or the clerk of superior
23 court, the clerk may further direct that any or all of the remaining Rules of Civil Procedure
24 shall apply, including, without limitation, discovery rules; however, nothing in Rule 17 requires
25 the appointment of a guardian ad litem for a party represented except as provided in
26 G.S. 28A-2-7. In applying these Rules to an estate proceeding pending before the clerk of
27 superior court, the term "judge" shall mean "clerk of superior court."

28 (f) Consolidation. – When an estate proceeding pending before the clerk of superior
29 court and a civil action pending before the Superior Court Division of the General Court of
30 Justice involve a common question of law or fact, upon the court's motion or motion of a party
31 to either the estate proceeding or the civil action, a superior court judge may order a
32 consolidation of the estate proceeding and civil action, and the judge may make orders
33 concerning proceedings therein as may tend to avoid unnecessary cost or delay. Upon the entry
34 of an order consolidating an estate proceeding and civil action, the jurisdiction for all matters
35 pending in both the estate proceeding and the civil action shall be vested in the superior court.

36 (g) Joinder. – In any civil action pending before the Superior Court Division of the
37 General Court of Justice, the party asserting a claim for relief as an original claim,
38 counterclaim, crossclaim, or third-party claim may join, either as independent or alternative
39 claims, as many claims, legal or equitable, as the party may have against the opposing party,
40 notwithstanding the fact that such claims may otherwise be within the exclusive jurisdiction of
41 the clerk of superior court.

42 (h) Notice of Transfer. – A notice to transfer an estate proceeding brought pursuant to
43 G.S. 28A-2-4(a)(4) must be served within 30 days after the moving party is served with a copy
44 of the pleading requesting relief pursuant to G.S. 28A-2-4(a)(4), or in the case of the clerk of
45 superior court, prior to or at the first hearing duly noticed in such estate proceeding and prior to
46 the presentation of evidence by the parties, including a hearing at which an order of
47 continuance is entered. Failure to timely serve a notice of transfer of a trust proceeding is a
48 waiver of any objection to the clerk of superior court's exercise of jurisdiction over the trust
49 proceeding then pending before the clerk. When a notice of transfer is duly served and filed, the
50 clerk shall transfer the proceeding to the appropriate court. The proceeding after the transfer is

1 subject to the provisions of the General Statutes and to the rules that apply to actions initially
2 filed in the court to which the proceeding was transferred.

3 (i) Orders Upon Consolidation/Joinder/Transfer. – Upon the consolidation of an estate
4 proceeding in a civil action, joinder of claims under subsection (f) or (g) of this section, or
5 transfer to the Superior Court Division of the General Court of Justice pursuant to subsection
6 (h) of this section, the clerk of superior court or judge may make appropriate orders to protect
7 the interest of the parties and avoid unnecessary cost or delay. Notwithstanding the
8 consolidation or joinder of claims under subsection (f) or (g) of this section, where the estate
9 proceeding is transferred to the Superior Court Division of the General Court of Justice under
10 subsection (h) of this section, the clerk of superior court's exclusive jurisdiction as set forth in
11 G.S. 28A-2-4(a)(1) through (3) shall not be stayed unless so ordered by the court.

12 **"§ 28A-2-7. Representation of parties.**

13 (a) Notwithstanding any other applicable rule of the Rules of Civil Procedure or
14 provision of Chapter 1 of the General Statutes, in any contested or uncontested estate
15 proceeding or special proceeding, whether brought before the clerk of superior court or in the
16 Superior Court Division of the General Court of Justice, the parties shall be represented as
17 provided in Article 3 of Chapter 36C of the General Statutes.

18 (b) In the case of any party represented by another as provided in subsection (a) of this
19 section, service of process shall be made by serving such representative.

20 **"§ 28A-2-8. Waiver of notice.**

21 A party, or a representative of a party as provided in G.S. 28A-2-7, may waive notice by a
22 writing signed by the party, the representative, or the attorney of the party or the representative
23 and filed in the proceeding.

24 **"§ 28A-2-9. Appeals of estate proceedings and special proceedings.**

25 (a) With the exception of appeals of special proceedings heard by the clerk of superior
26 court, appeals in estate matters shall be as provided in G.S. 1-301.3.

27 (b) Appeals in special proceedings shall be as provided in G.S. 1-301.2.

28 (c) Any party may appeal from a decision of the clerk of superior court in an estate
29 proceeding or special proceeding to a superior court judge as provided for in G.S. 1-301.3;
30 provided that the appeals from orders of the clerk of superior court in special proceedings shall
31 be as provided in G.S. 1-301.2.

32 **"§ 28A-2-10. Approval of settlement agreements by the clerk.**

33 The clerk shall have the authority, in the clerk's discretion, to consider and approve
34 settlement agreements where the following apply:

35 (1) The controversy arises with respect to a matter over which the clerk has
36 jurisdiction.

37 (2) The controversy arose in good faith.

38 Nothing herein shall be construed as giving a clerk the authority to approve a settlement
39 agreement modifying the terms of a last will and testament or resolving a caveat of a last will
40 and testament."

41 "Article 2A.

42 "Probate of Will.

43 **"§ 28A-2A-1. Executor may apply for probate.**

44 Any executor named in a will may, at any time after the death of the testator, apply to the
45 clerk of the superior court, having jurisdiction, to have the same admitted to probate. Such will
46 shall not be valid or effective to pass real estate or personal property as against innocent
47 purchasers for value and without notice, unless it is probated or offered for probate within two
48 years after the death of the testator or devisor or prior to the time of approval of the final
49 account of a duly appointed administrator of the estate of the deceased, whichever time is
50 earlier. If such will is fraudulently suppressed, stolen or destroyed, or has been lost, and an
51 action or proceeding shall be commenced within two years from the death of the testator or

1 devisor to obtain said will or establish the same as provided by law, then the limitation herein
2 set out shall only begin to run from the termination of said action or proceeding, but not
3 otherwise.

4 **"§ 28A-2A-2. Executor failing, beneficiary may apply.**

5 If no executor ~~apply~~ applies to have the will proved within 60 days after the death of the
6 testator, any devisee or legatee named in the will, or any other person interested in the estate,
7 may make such application, upon 10 days' notice thereof to the executor. For good cause
8 shown, the clerk of superior court may shorten the initial 60-day period during which the
9 executor may apply to have the will proved.

10 **"§ 28A-2A-3. Clerk to notify legatees and devisees of probate of wills.**

11 The clerks of the superior court of the State are hereby required and directed to notify by
12 mail, all legatees and devisees whose addresses are known, designated in wills filed for probate
13 in their respective counties. All expense incident to such notification shall be deemed a proper
14 charge in the administration of the respective estates.

15 **"§ 28A-2A-4. Clerk may shall compel production of will.**

16 Every clerk of the superior court having jurisdiction, on application by affidavit setting
17 forth the facts, shall, by summons, compel any person in the State, having in possession the last

20 parted with by him) refuses to inform the court on oath where such will is, or in what manner
21 he has disposed of it, shall, by order of the clerk of the superior court, be committed to the jail
22 of the county, there to remain without bail till such will be produced or accounted for, and due
23 submission made for the contempt.

34 Such affidavit shall be recorded with the will and the certificate of probate thereof, if the
35 same is admitted to probate.

37 Every clerk of the superior court shall take in writing the proofs and examinations of the
38 witnesses touching the execution of a will, and he shall embody the substance of such proofs
39 and examinations, in case the will is admitted to probate, in his certificate of the probate
40 thereof, which certificate must be recorded with the will. The proofs and examinations as taken
41 must be filed in the office.

42 **"§ 28A-2A-7. Probate in solemn form.**

44 G.S. 31-3.4.

45 **"§ 28A-2A-10. Manner of probate of nuncupative will.**

46 (a) No nuncupative will may be probated later than six months from the time it was
47 made unless it was reduced to writing within 10 days after it was made.

48 (b) Before a nuncupative will may be probated

49 (1) Written notice must be given to the surviving spouse, if any, and to the next

45 the clerk of the superior court of said county may be recorded in the book of wills and filed in
46 the office of the clerk of the superior court of any county in the State in which said land is
47 situated with the same effect as to passing the title to said real estate as if said will had
