Authority granted to any person holding a valid rendering license under the provisions of this Article shall extend also to the agents and employees of such person while acting within the scope of their authority. All such agents and employees shall comply with the provisions of this Article and rules and regulations not inconsistent therewith, and shall display evidence of such employment or agency upon proper request at any time while so acting.

"§ 106-168.12. Commissioner authorized to adopt rules and regulations.

...

"§ 106-168.13. Effect of failure to comply.

...

"§ 106-168.14. Collectors of raw material subject to certain provisions.

Any ~~collector,~~ collector of raw material, as defined in ~~this Article,~~G.S. 106-168.1, shall be subject to the provisions of subdivision (5) and subdivision (6) of G.S. ~~106-168.8~~106-168.8 and the provisions of G.S. 106-168.9, and any rules and regulations adopted by the Commissioner pursuant thereto.

"§ 106-168.14A. Collectors of waste kitchen grease subject to certain provisions.

(a) Any collector of waste kitchen grease shall submit an application for licensure to the Commissioner not less than 30 days before conducting any such collection or transportation. Licensure shall be for one year. The application shall be submitted in accordance with a procedure established by the Commissioner for this purpose. The application shall include all of the following:

(1) The applicant's name and address.

(2) A description of the operations to be performed by the applicant.

(3) The make, model, license number, and vehicle identification number of any vehicle to be used for the transportation of waste kitchen grease.

(4) A nonrefundable application fee of one hundred dollars ($100.00).

(b) The Commissioner shall issue each licensee a unique license number and a certificate. The license shall be renewable annually January 1, when accompanied by a one hundred dollar ($100.00) licensing renewal fee and certification of compliance with the provisions of this Article.

(c) Every licensee shall record, maintain for two years, and make available for inspection by the Department all of the following information:

(1) The name and address of each location or person from which the registrant obtained the waste kitchen grease for transportation.

(2) The quantity of material received from each location or person.

(3) The date on which the waste kitchen grease was obtained from each location or person.

(4) The waste kitchen grease operation or other processor to whom the waste kitchen grease was delivered.

(d) No person required to be licensed under this Article shall collect or transport waste kitchen grease without all of the following:

(1) Having in his or her possession a copy of the license required by this Article or other proof that the person is in compliance with the licensure requirement of this Article.

(2) Conspicuously displaying the licensee's name and the license number in letters not less than three inches high on any vehicle used for the transportation of waste kitchen grease.

(e) It shall be a violation of this Article for a collector to do any of the following:

SENATE BILL 599:
Rendering Act Amendments

2011-2012 General Assembly

Committee:	Senate Finance	**Date:**	June 7, 2011
Introduced by:	Sens. Bingham, Brock, Rouzer	**Prepared by:**	Mariah Matheson Research Assistant to the Senate Ag Comm.
Analysis of:	Second Edition		

SUMMARY: Senate Bill 599[1] would add a licensing requirement for collectors of waste kitchen grease to the statutes governing the licensing and regulation of rendering plants.

CURRENT LAW: The collection of waste kitchen grease currently is not regulated. Persons engaged in rendering operations are required to obtain a rendering license for $50. The license is valid until revoked for cause. Rendering operations is defined as the processing of inedible whole or portion of animal or poultry carcasses and includes collection of such raw material for the purpose of processing.

BILL ANALYSIS: Senate Bill 599 would amend the laws governing the licensing and regulation of rendering plants to include the collection of waste kitchen grease. The bill would add a definition of "waste kitchen grease" to mean animal fats or vegetable oils that have been used and will not be reused for cooking in a food establishment. It does not include grease septage.

Section 1 would do the following:

- Require persons engaged in collecting waste kitchen grease to obtain an annual license for $100, similar to a rendering operations license. Collectors of waste kitchen grease would be required to apply for a license not less than 30 days before beginning collection or transportation of the waste. Applications are to include (1) name and address, (2) description of operations, (3) make, model, license number and vehicle id number of vehicles used to transport waste kitchen grease, and (4) $100 application fee.
- Require waste kitchen grease licensees to have a copy of their license in their possession at all times or other proof of compliance when collecting or transporting waste, waste kitchen grease. The licensee's name and license number must be conspicuously displayed (3" or greater letters) on any vehicle used to transport waste kitchen grease.
- Require waste kitchen grease licensees to keep records for two years and these records must be made open to the Department for inspection. Records must contain (1) name and address of each location or person from whom waste kitchen grease was obtained, (2) quantity of material from each location, (3) date on which material was obtained, and (4) the waste kitchen grease operation or other processor to whom the waste was delivered.
- Make it unlawful for collectors to (1) sell or offer to sell waste kitchen grease to a person not licensed to transport the waste, (2) steal, contaminate, or damage any waste kitchen grease container or grease, (3) take grease from an unlicensed collector or knowingly take possession of grease that has been stolen, or (4) place a label on a waste kitchen grease container owned by another in order to assert ownership of the container.
- Increase the application fee for a rendering license from $50 to $100 and add an annual renewal fee of $100.

[1] As introduced, the bill was identical to House Bill 512, introduced by Rep. Torbett. House Bill 512 is in the House Finance Committee.

- Add a requirement for proof of general liability insurance in the amount of $1 million dollars for a rendering operation.
- Clarify that a person holding a rendering license or acting as a collector may haul and transport raw materials or waste kitchen grease.
- Clarify that a person holding a rendering license (and not a collector of waste kitchen grease) may kill diseased, old, or crippled animals on the premises of the owner if asked.

Any person collecting waste kitchen grease in violation of these provisions would be subject to a Class 1 misdemeanor[2] and up to a $5,000 civil penalty assessed by the Commissioner of Agriculture. (Under current law, violations of rendering operations are already subject to a Class 1 misdemeanor and up to $5,000 in civil penalties assessed by the Commissioner.)

These provisions do not apply to a farmer who collects waste kitchen grease for use related to his or her farm. There is a presumption that a waste kitchen grease container belongs to the person whose name is on the container.

Section 2 would make it a Class H felony[3] to take or aid in the taking of a waste kitchen grease container or the waste kitchen grease contained therein, if the container bears a notice that unauthorized removal is prohibited without the written consent of the owner, and the value of the container or the container with the grease, is more than $1,000. If the value is $1,000 or less, then the offense is a Class 1 misdemeanor.

EFFECTIVE DATE: The act would become effective January 1, 2012 and apply to offenses occurring on or after that date.

Barbara Riley, committee counsel to House Agriculture, substantially contributed to this summary.

S599-SMRB-85(e2) v1

[2] Assuming no prior convictions, a Class 1 misdemeanor would be subject to 1 to 45 days community punishment.
[3] Assuming no prior points, a Class H felony would be subject to 3 to 8 months of community punishment, intermediate punishment, or active punishment.

SENATE FINANCE COMMITTEE
Monday, June 13, 2011 at 3:30 PM
Room 545, Legislative Office Building

MINUTES

The Senate Finance Committee convened at 3:30 PM on June 13, 2011 in room 544 of the Legislative Office Building. Twenty-six members of the committee were present. Senator Hartsell presided as chair.

H.B. 469 – Addl. Lumberton & St. Pauls Occup. Tax

Senator Walters was recognized to explain the bill which authorizes the City of Lumberton and the Town of St. Pauls to each levy an additional 3% occupancy tax. Senator Apodaca moved for a favorable report and the motion carried. A copy of the bill and the summary is attached.

H.B. 164 – Release of Upset Bid Deposit

Representative Randleman was recognized to explain the bill. It authorizes the release of funds deposited by the high bidder or upset bidder in a Power of Sale Foreclosure when a bankruptcy petition is filed during the 10 day upset bid process. Senator Meredith moved for a favorable report and the motion carried. A copy of the bill and the summary is attached.

H.B. 350 – Property Tax Uniformity for Conservation Land

Representative McGrady was recognized to explain the bill. The bill clarifies and modifies the tax exemption for real property for education and scientific purposes as a protected natural area, creates a five-year rollback for avoided taxes if conservation property is no longer used for conservation purposes or is sold without an easement requiring perpetual use of the listed conservation purposes; and expressly aligns divination for education and scientific purposes with the property tax exemption for education property. It also requires that the entity owning the property must be organized to receive and administer lands for conservation purposes and adds the requirement that property qualifying under this exemption either not earn income or only earn income that is merely incidental to and not inconsistent with conservation purposes. Senator Apodaca moved for a favorable report and the motion carried. A copy of the bill, the summary and the fiscal note is attached.

H.B. 642 – Justice Reinvestment Act

Representative Guice was recognized to explain the bill which revises criminal laws, criminal procedure laws, and probation statutes based upon the recommendations of the Justice Reinvestment Project. Doug Holbrook, a fiscal analyst with the Fiscal Research Division, was recognized to answer questions. Senator Tillman moved for a favorable report and the motion carried. A copy of the bill and the summary is attached.

H.B. 160 – Tax Check-off

Representative Dollar was recognized to explain the bill which provides a check-off box on the income tax return for individuals to make donations for early detection of breast and cervical cancer. The State Treasurer shall distribute the contributions to the Cancer Prevention and Control Branch of the Department of Health and Human Services. The funds shall be used only for early detection of breast and cervical cancer. Senator Hunt moved for a favorable report and the motion carried. A copy of the bill is attached.

H.B. 49 – Laura's Law

Senator Harrington was recognized to explain the bill. It increases the punishment for DWI offenders with three or more grossly aggravating factors, authorizes the court to require continuous alcohol monitoring for certain offenders, and imposes $100 in court costs for DWI offenders. Susan Sitze, an attorney with the Research Division, was recognized to answer questions. Senator Goolsby was recognized to offer an amendment. The amendment removes credit for time in an inpatient treatment program in lieu of imprisonment. Senator Goolsby moved for its adoption and Senator Harrington was recognized to oppose the amendment. The motion carried. Senator Rabon made a motion for unfavorable as to bill, but favorable to committee substitute and the motion carried. A copy of the bill, the summary and the amendment is attached.

S.B. 572 – Omnibus County Bill

Senator Apodaca was recognized to explain the bill. It creates the Record Preservation Modernization Commission to study issues related to the preservation of records. It also amends the property tax laws to extend the time for filing an application for a property tax exemption and requires a zip + 4 as part of the address for a determination of where to source the sale of a product delivered to a purchaser who is required to make monthly prepayments of sales and use taxes. Senator Stevens moved for a favorable report and the motion carried. A copy of the bill and the summary is attached.

H.B. 617 – Portable Electronic Insurance Coverage

Senator Apodaca explained the bill which requires companies offering insurance against loss, theft, or mechanical failure for portable electronic devices and accessories hold a limited lines license issued by the NC Department of Insurance. Senator Tillman moved for a favorable report and the motion carried. A copy of the bill and the summary is attached.

H.B. 896 – Facilitate Electronic Listing

Senator Tillman was recognized to explain the bill. He requested that Trina Griffin, a staff attorney with the Research Division, explain the bill and answer any questions. The bill authorizes the Department of Revenue, in consultation with the counties, to

establish standards and requirements for the electronic listing of personal property allowed by counties. Senator Hunt moved for a favorable report and the motion carried. A copy of the bill and the summary is attached.

H.B. 397 – DHHS Penalties

Senator Apodaca was recognized to explain the bill. It amends the penalty provisions for nursing home facilities, adult care facilities, and facilities providing services to the mentally ill, developmentally disabled, and substance abusers. The penalty provisions for each type of facility are substantially similar. Heather Fennell, a staff attorney with the Research Division, and Jesse Goodman, Division of Health Regulations – NC Department of Health and Human Services, were recognized to answer questions. Senator Apodaca offered a technical amendment and moved for its adoption. The motion carried. Senator Apodaca made a motion for unfavorable as to bill, but favorable as to committee substitute and the motion carried. A copy of the bill, the summary and the amendment is attached.

At this point in the meeting, Senator Apodaca took over as the presiding chair.

S.B. 436 – QBV Tax Credit

Senator Hartsell was recognized to explain the bill and Senator Stevens moved to adopt the proposed committee substitute (PCS) for discussion. The motion carried. The bill extends the sunset on the tax credit for qualified business ventures from January 1, 2013, to January 1, 2016. The PCS extends for one year the sales tax refund allowed to a joint governmental agency created to operate a cable television system. Senator Stein moved for a favorable report and the motion carried. A copy of the PCS, the summary, and the fiscal note is attached.

S.B. 249 – Restore Cigarette Tax Stamps and **S.B. 306 – Eliminate Tobacco Discount**

The bills were jointly heard, for discussion only. Senator Hartsell was recognized to explain them. Senator Stevens moved to adopt the PCSs for discussion and the motion carried. The PCS to Senate Bill 249 requires a tax stamp be attached to packages of cigarettes sold in North Carolina as evidence of payment of the tax on cigarettes and creates a criminal penalty for counterfeiting stamps or stamp impression devices. The PCS to Senate Bill 306 reduces the discount granted for distributors that make timely tax payments on the cigarette excise tax. At this point a WRAL and CNBC news reports on Hezbollah cigarette smuggling in NC were shown. Thomas Caves, liaison for NC Crime Control and Public Safety, was recognized to speak in favor of SB 249. Pete Bosley, NC Wholesalers Association representative, and Andy Ellen, a lobbyist with the NC Retail Merchants Association, were recognized to speak in opposition to the bills. Sandy Sands, representing Altria and Phillip Morris, spoke in favor of the bill. A copy of the PCSs, the summaries, the fiscal notes, and the WRAL and CNBC DVDs is attached.

The meeting adjourned at 4:40 PM.

Short Title: Addl. Lumberton & St. Pauls Occup. Tax. (Local)

Sponsors:

Referred to:

March 28, 2011

A BILL TO BE ENTITLED

AN ACT TO INCREASE THE AUTHORIZATION TO LEVY AN OCCUPANCY TAX IN THE CITY OF LUMBERTON AND THE TOWN OF ST. PAULS.

The General Assembly of North Carolina enacts:

SECTION 1. Section 2 of S.L. 1997-361, as amended by S.L. 2007-332, is amended by adding a new subsection to read:

"(a1) Authorization of Additional Tax. – In addition to the tax authorized by subsection (a) of this section, the Lumberton City Council may levy an additional room occupancy tax of up to three percent (3%) of the gross receipts derived from the rental of accommodations taxable under subsection (a) of this section. The levy, collection, administration, and repeal of the tax authorized by this subsection shall be in accordance with the provisions of this section. The City of Lumberton may not levy a tax under this subsection unless it also levies the tax authorized under subsection (a) of this section."

SECTION 2. Section 1 of S.L. 1998-112, as amended by S.L. 2006-34, is amended by adding a new subsection to read:

"(a2) Authorization of Second Additional Tax. – In addition to the tax authorized by subsections (a) and (a1) of this section, the board of commissioners of the Town of St. Pauls may levy an additional room occupancy tax of up to three percent (3%) of the gross receipts derived from the rental of accommodations taxable under this section. The levy, collection, administration, use, and repeal of the tax authorized by this subsection shall be in accordance with the provisions of this section. St. Pauls may not levy a tax under this subsection unless it also levies the tax authorized under subsections (a) and (a1) of this section."

SECTION 3. This act is effective when it becomes law.

HOUSE BILL 469:
Addl. Lumberton & St. Pauls Occup. Tax

2011-2012 General Assembly

Committee:	Senate Finance	**Date:**	June 13, 2011
Introduced by:	Reps. Graham, Pierce, Pridgen	**Prepared by:**	Trina Griffin Committee Counsel
Analysis of:	Second Edition		

SUMMARY: ***House Bill 469 authorizes the City of Lumberton and the Town of St. Pauls to each levy an additional 3% occupancy tax. The provisions of both existing local acts conform to the occupancy tax guidelines adopted by the House Finance Committee.***

CURRENT LAW & BILL ANALYSIS:

LUMBERTON

The City of Lumberton, which is located in Robeson County, is currently authorized to levy a room occupancy tax of up to 3%. Robeson County does not have authority to levy a room occupancy tax. In 1997, the City obtained temporary authorization to levy an additional 3%, which expired on August 1, 2000. The proceeds of the existing tax must be remitted to a Tourism Development Authority, which must use at least two-thirds of the proceeds for tourism promotion and the remainder for tourism-related expenditures. The current local act conforms to the occupancy tax guidelines.

Section 1 of the bill would authorize the City of Lumberton to levy an additional 3% occupancy tax to be used in the same manner as the existing 3% occupancy tax.

ST. PAULS

In 1998 and 2006, the General Assembly authorized the Town of St. Pauls to levy a 1% room occupancy tax and a 2% room occupancy tax, respectively. The town is located in Robeson County, which does not have authority to levy a room occupancy tax. Therefore, the current total occupancy tax rate in the town is 3%. The proceeds are remitted to the St. Pauls Tourism Development Authority, which is required to spend at least two-thirds of the proceeds on tourism promotion and the remainder on tourism-related expenditures.

Section 2 of the bill would authorize the Town of St. Pauls to levy an additional 3% occupancy tax to be used in the same manner as the existing 3% occupancy tax.

EFFECTIVE DATE: This act is effective when it becomes law.

BACKGROUND: Since 1983, the General Assembly has authorized many units of local government to levy a room occupancy tax. Over the past several years, there has been a greater effort to make the occupancy taxes uniform. In 1997, the General Assembly enacted uniform municipal and county administrative provisions for occupancy tax,[1] which provide uniformity among counties and cities with respect to the levy, administration, collection, repeal, and imposition of penalties.

In 1993, the House Finance Committee established the Occupancy Tax Guidelines, which address the rate of tax, the use of the tax proceeds, the administration of the tax, and the body with authority to determine how the proceeds will be spent. A summary of these provisions is detailed in the chart below. Many of the principles contained in the Guidelines are similar to those contained in policy statements adopted by the North Carolina Travel and Tourism Coalition and the North Carolina Restaurant and Lodging Association. The House Finance Committee Chairs have traditionally appointed a

[1] G.S. 153A-155 and G.S. 160A-215.

Subcommittee on Occupancy Taxes to scrutinize occupancy tax legislation to determine whether the legislation adheres to the Guidelines. The House Finance Chairs appointed Representatives McGee, Cotham, Carney, Moffitt, and Warren to be members of the House Finance Subcommittee on Occupancy Taxes this biennium.

UNIFORM OCCUPANCY TAX PROVISIONS
Rate – The county tax rate cannot exceed 6% and the city tax rate, when combined with the county rate, cannot exceed 6%.
Use – Two-thirds of the proceeds must be used to promote travel and tourism and the remainder must be used for tourism related expenditures.
Definitions The term "net proceeds", "promote travel and tourism", and "tourism related expenditures" are defined terms.
Administration – The net revenues must be administered by a local tourism development authority that has the authority to determine how the tax proceeds will be used, is created by a local ordinance, and at least 1/2 of the members must be currently active in the promotion of travel and tourism in the county and 1/3 of the members must be affiliated with organizations that collect the tax.
Costs of Collection – The taxing authority may retain from the revenues its actual costs of collection, not to exceed 3% of the first $500,000 collected each year plus 1% of the remainder collected each year.

Referred to:

February 24, 2011

A BILL TO BE ENTITLED

AN ACT TO AUTHORIZE THE RELEASE OF FUNDS DEPOSITED BY AN UPSET BIDDER OR A HIGH BIDDER IN A FORECLOSURE PROCEEDING WHEN A BANKRUPTCY PETITION IS FILED.

The General Assembly of North Carolina enacts:

SECTION 1. G.S. 45-21.22 reads as rewritten:

"**§ 45-21.22. Procedure upon dissolution of order restraining or enjoining sale, or upon ~~lifting of automatic~~ debtor's bankruptcy ~~stay.~~ before completion of sale.**

(a) When, before the date fixed for a sale, a judge dissolves an order restraining or enjoining the sale, he may, if the required notice of sale has been given, provide by order that the sale shall be held without additional notice at the time and place originally fixed therefor, or he may, in his discretion, make an order with respect thereto as provided in subsection (b).

(b) When, after the date fixed for a sale, a judge dissolves an order restraining or enjoining the sale, he shall by order fix the time and place for the sale to be held upon notice to be given in such manner and for such length of time as he deems advisable.

(c) When, after the entry of any authorization or order by the clerk of superior court pursuant to G.S. 45-21.16 and before the expiration of the 10-day upset bid period, the foreclosure sale is stayed ~~by the debtor filing a bankruptcy petition~~ pursuant to 11 U.S.C. § 105 or 362, and thereafter the stay is lifted, terminated, or dissolved, the trustee or mortgagee shall not be required to comply with the provisions of G.S. 45-21.16, but shall advertise and hold the sale in accordance with the provisions of G.S. 45-21.16A, 45-21.17, and 45-21.17A.

(d) In the event that completion of the foreclosure sale is stayed pursuant to 11 U.S.C. § 105 or 362, before the expiration of the 10-day upset bid period:

(1) The clerk of superior court who received a deposit from an upset bidder shall release any deposits held on behalf of the upset bidder to the upset bidder upon receipt of a certified copy of an order or notice from the bankruptcy court indicating that the debtor has filed a bankruptcy petition; or

(2) The trustee or mortgagee who received a cash deposit from the high bidder at the foreclosure sale, upon notification of the bankruptcy stay, shall release any deposits held on behalf of the high bidder to the high bidder."

SECTION 2. This act becomes effective October 1, 2011.

HOUSE BILL 164:
Release of Upset Bid Deposit

2011-2012 General Assembly

Committee:	Senate Finance	**Date:**	June 13, 2011
Introduced by:	Reps. Randleman, Hurley, Spear; Jordan	**Prepared by:**	Heather Fennell Committee Counsel
Analysis of:	Second Edition		

SUMMARY: ***House Bill 164 authorizes the release of funds deposited by the high bidder or upset bidder in a Power of Sale foreclosure when a bankruptcy petition is filed during the 10 day upset bid process.***

CURRENT LAW: Foreclosure sales under a Power of Sale are governed by Article 2A of Chapter 45 of the General Statues.

G.S. 45-21.22 provides the procedure for a foreclosure sale when:

- before or after the date fixed for a sale, a judge lifts an order enjoining the sale; or
- after the entry of any authorization or order by the clerk of superior court and before the expiration of the 10-day upset bid period, the foreclosure is stayed by the debtor filing a bankruptcy petition and thereafter the stay is lifted.

State statutes do not specifically address what happens to the deposit of a high bidder held by a trustee or mortgagee, or of an upset bidder held by the clerk of superior court, if a sale is enjoined by the filing of a bankruptcy action after the authorization or order of sale, and prior to the expiration of the 10-day upset bid period.

BILL ANALYSIS: House Bill 164 (PCS) provides that if the completion of a foreclosure sale is stayed pursuant to federal bankruptcy law before the expiration of the 10-day upset bid period:

- the clerk of superior court may release any deposits held on behalf of an upset bidder, upon receipt of a certified copy of an order or notice from the Bankruptcy Court indicating that the debtor has filed a bankruptcy petitioner; or
- the trustee or mortgagee who received cash deposit from the high bidder shall release any deposits held on behalf of the high bidder, upon notification of the bankruptcy stay.

EFFECTIVE DATE: This act becomes effective October 1, 2011.

Giles Perry, counsel to House Judiciary, substantially contributed to this summary.

March 15, 2011

A BILL TO BE ENTITLED

AN ACT TO MODIFY WHEN LAND USED FOR CONSERVATION PURPOSES IS TO BE EXCLUDED FROM THE PROPERTY TAX BASE.

The General Assembly of North Carolina enacts:

SECTION 1. G.S. 105-275 reads as rewritten:

"**§ 105-275. Property classified and excluded from the tax base.**

The following classes of property are designated special classes under Article V, Sec. 2(2), of the North Carolina Constitution and are excluded from tax:

....

(12) Real property that (i) is owned by a nonprofit corporation or association organized to receive and administer lands for conservation purposes, (ii) is exclusively held and used ~~by its owner for educational and scientific purposes as a protected natural area.~~ for one or more of the purposes listed in this subdivision, and (iii) produces no income or produces income that is incidental to and not inconsistent with the purpose or purposes for which the land is held and used. ~~(For purposes of this subdivision, the term "protected natural area" means a nature reserve or park in which all types of wild nature, flora and fauna, and biotic communities are preserved for observation and study.)~~The taxes that would otherwise be due on land classified under this subdivision shall be a lien on the real property of the taxpayer as provided in G.S. 105-355(a). The taxes shall be carried forward in the records of the taxing unit or units as deferred taxes. The deferred taxes for the preceding five fiscal years are due and payable in accordance with G.S. 105-277.1F when the property loses its eligibility for deferral as a result of a disqualifying event. A disqualifying event occurs when the property (i) is no longer exclusively held and used for one or more of the purposes listed in this subdivision, (ii) produces income that is not incidental to and consistent with the purpose or purposes for which the land is held and used, or (iii) is sold or transferred without an easement recorded at the time of sale that requires perpetual use of the land for one or more of the purposes listed in this subdivision and that prohibits any use of the land that would generate income that is not incidental to and consistent with the purpose or purposes for which the land is held and used. In addition to the provisions in G.S. 105-277.1F, all liens arising under this subdivision are extinguished upon the real property being sold or transferred to a local, state, or federal government unit for conservation purposes or subject to an easement recorded at the time of sale that requires perpetual use of the land for one or

more of the purposes listed in this subdivision. The purposes allowed under this subdivision are any of the following:

a. Used for an educational or scientific purpose as a nature reserve or park in which wild nature, flora and fauna, and biotic communities are preserved for observation and study. For purposes of this sub-subdivision, the terms "educational purpose" and "scientific purpose" are defined in G.S. 105-278.7(f).

b. Managed under a written wildlife habitat conservation agreement with the North Carolina Wildlife Resources Commission.

c. Managed under a forest stewardship plan developed by the Forest Stewardship Program.

d. Used for public access to public waters or trails.

e. Used for protection of water quality and subject to a conservation agreement under the provision of the Conservation and Historic Preservation Agreements Act, Article 4, Chapter 121 of the General Statutes.

f. Held by a nonprofit land conservation organization for sale or transfer to a local, state, or federal government unit for conservation purposes.

...."

SECTION 2. G.S. 105-277.1F(a) is amended by adding a new subdivision to read:

"(a) Scope. – This section applies to the following deferred tax programs:

(1) G.S. 105-275(12)f., real property held for future transfer to government unit for conservation purposes.

(1a) G.S. 105-275(29a), historic district property held as future site of historic structure.

(2) G.S. 105-277.1B, the property tax homestead circuit breaker.

(2a) G.S. 105-277.1D, the inventory property tax deferral.

(3) G.S. 105-277.4(c), present-use value property.

(4) G.S. 105-277.14, working waterfront property.

(4a) G.S. 105-277.15, wildlife conservation land.

(5) G.S. 105-278(b), historic property.

(6) G.S. 105-278.6(e), nonprofit property held as future site of low- or moderate-income housing."

SECTION 3. This act is effective for taxes imposed for taxable years beginning on or after July 1, 2011.

HOUSE BILL 350:
Property Tax Uniformity for Conservation Land

2011-2012 General Assembly

Committee:	Senate Finance	**Date:**	June 13, 2011
Introduced by:	Reps. McGrady, Starnes, Brubaker, Harrison	**Prepared by:**	Dan Ettefagh Committee Counsel
Analysis of:	Second Edition		

SUMMARY: HB 350 does the following:

- Clarifies and modifies the tax exemption for real property for educational and scientific purposes as a protected natural area[1] by listing certain, enumerated conservation purposes.
- Creates a 5-year rollback for avoided taxes if conservation property is no longer used for conservation purposes, is used to generate income inconsistent with conservation, or is sold or transferred without an easement requiring perpetual use of the listed conservation purposes and without a prohibition on income generation.
- Expressly aligns definitions for educational and scientific purposes with the property tax exemption for property used for educational and scientific purposes.
- Requires, as does the income tax credit for real property donations for conservation purposes, that the entity owning the property must be "organized to receive and administer lands for conservation purposes".
- Adds the requirement that property qualifying under this exemption either not earn income or only earn income that is merely incidental to and not inconsistent with conservation purposes.

[As introduced, this bill was identical to S579, as introduced by Sen. Hartsell, which is currently in Senate Finance.]

CURRENT LAW: G.S. 105-275 lists classes of property that are authorized by the North Carolina Constitution to be excluded from the property tax base. One of those classes is real property that is (i) owned by a nonprofit corporation or association and (ii) exclusively held and used by its owner for educational and scientific purposes as a protected natural area.

BILL ANALYSIS: The proposed committee substitute makes the following changes to the exemption in G.S. 105-275 (12):

- Clarifies that the definitions for educational purpose and scientific purpose have the same meanings as defined in G.S. 105-278.7 (real and personal property used for, *inter alia*, educational or scientific purposes.)
- Adds to the previous qualifying use (that land be used as a protected natural area) the following conservation purposes:
    - Managed under a written wildlife habitat conservation agreement with the North Carolina Wildlife Resources Commission
    - Managed under a forest stewardship plan developed by the Forest Stewardship Program.[2]

[1] A protected natural area is a nature reserve or park in which all types of wild nature, flora and fauna, and biotic communities are preserved for observation and study

- Used for public access to public waters or trails.
- Used for protection of water quality and subject to a conservation agreement.[3]
- Held by a nonprofit land conservation organization for sale or transfer to a local, state, or federal government unit for conservation purposes.

- Property taxes avoided for up to the preceding 5 fiscal years are no longer eliminated but, instead, are carried forward as deferred taxes that become due and payable if a disqualifying event occurs. The following are disqualifying events:
  - The land is no longer used for one of the qualifying conservation purposes or is used to produce income inconsistent with the conservation use/s to which the land is applied.
  - The conservation organization transfers the land without an easement that requires the conservation use/s required for the land to qualify for the property tax benefit will continue to be applied and that prohibits income generation.
- It adds a requirement that property excluded from the tax base for conservation purposes not earn income or only earn income that is both incidental to and not inconsistent with the conservation purpose (e.g., a forest tract could not be managed for the commercial production of timber but some trees could be harvested if the harvesting is incidental and needed to accomplish the overall conservation purposes for which the tract is being managed).

EFFECTIVE DATE: This act is effective for taxes imposed for taxable years beginning on or after July 1, 2011.

H350-SMMC-4(e2) v1

[2] Authorized by the Cooperative Forestry Assistance Act of 1978, this Program provides technical assistance, through State forestry agency partners, to nonindustrial private forest owners to encourage and enable active long-term forest management.
[3] Conservation agreements are governed by the provisions of the Conservation and Historical Preservation Agreements Act, Article 4, Chapter 121 of the General Statutes

BILL NUMBER: House Bill 350 (Second Edition)

SHORT TITLE: Property Tax Uniformity for Conservation Land.

SPONSOR(S): Representatives McGrady, Starnes, Brubaker, and Harrison

FISCAL IMPACT

Yes (X) **No ( )** **No Estimate Available ( )**

	FY 2011-12	FY 2012-13	FY 2013-14	FY 2014-15	FY 2015-16
REVENUES:					

Local Governments: *Insignificant Property Tax Revenue Change to Local Governments*

PRINCIPAL DEPARTMENT(S) & PROGRAM(S) AFFECTED: NC Local Governments; NC Department of Revenue

EFFECTIVE DATE: Effective for taxable years beginning on or after July 1, 2011.

BILL SUMMARY:

HB 350 does the following:

- Clarifies and modifies the conservation property tax exemption by listing certain, enumerated conservation purposes.
- Creates a 5-year rollback for avoided taxes if conservation property is no longer used for conservation purposes, used to generate income inconsistent with conservation, or is sold or transferred without an easement requiring perpetual use of the listed conservation purposes.
- Expressly aligns definitions for educational and scientific purposes with the property tax exemption for property used for educational and scientific purposes.
- Requires, as does the income tax credit for real property donations for conservation purposes, that the entity owning the property must be "organized to receive and administer lands for conservation purposes".
- Adds the requirement that property qualifying under this exemption not earn income or earn income that is merely incidental to and not inconsistent with conservation purposes.

Source: Dan Ettefagh, Committee Counsel

ASSUMPTIONS AND METHODOLOGY:

HB 350 would potentially reduce property tax revenues to local governments by increasing the uses for which conservation land qualifies for a property tax exclusion. Under current law, property owned by a nonprofit and used "exclusively for scientific or educational purposes as a protected natural area" qualifies for a property tax exclusion under 105-275. HB 350 expands this exclusion by including five additional enumerated purposes in Section 1. Although the additional purposes may increase the property acreage that qualifies for the exclusion, the additional purposes are closely aligned with scientific and educational purposes and may be interpreted in some counties to qualify under current law.

The 5-year rollback included in the bill would potentially increase property tax revenues in circumstances in which property that is exempt under current law is disqualified as a result of a disqualifying event. In the event of a disqualification, the deferred taxes for the preceding five years will become due. The rollback will also serve to mitigate the property tax loss resulting from the expansion of purposes for which property can be excluded.

Because the bill includes provisions which will potentially reduce local revenues (the expansion of qualifying purposes) and increase local revenues (a 5-year roll-back for disqualifying events), it is not clear whether the bill will result in an overall reduction or increase in local revenues. The overall change in revenue is expected to be minimal.

A BILL TO BE ENTITLED

AN ACT TO IMPLEMENT CERTAIN RECOMMENDATIONS OF THE JUSTICE REINVESTMENT PROJECT AND TO PROVIDE THAT THE ACT SHALL BE ENTITLED "THE JUSTICE REINVESTMENT ACT OF 2011."

The General Assembly of North Carolina enacts:

PART I. STRENGTHEN PROBATION SUPERVISION

SECTION 1.(a) G.S. 15A-1340.11(2) reads as rewritten:

"(2) Community punishment. – A sentence in a criminal case that does not include an active punishment or assignment to a drug treatment court. ~~punishment, an intermediate punishment, or any of the conditions of probation listed in subdivision (6) of this section.~~It may include any one or more of the conditions set forth in G.S. 15A-1343(a1)."

SECTION 1.(b) G.S. 15A-1340.11(6) reads as rewritten:

"(6) Intermediate punishment. – A sentence in a criminal case that places an offender on supervised probation. ~~probation and includes at least one~~ It may include drug treatment court, in addition to one or more of the ~~following conditions:~~conditions set forth in G.S. 15A-1343(a1).

~~a. Special probation as defined in G.S. 15A-1351(a).~~
~~b. Assignment to a residential program.~~
~~c. House arrest with electronic monitoring.~~
~~d. Intensive supervision.~~
~~e. Assignment to a day reporting center.~~
~~f. Assignment to a drug treatment court program.~~"

SECTION 1.(c) G.S. 15A-1343 is amended by adding a new subsection to read:

"(a1) Community and Intermediate Probation Conditions. – In addition to any conditions a court may be authorized to impose pursuant to G.S. 15A-1343(b1), the court may include any one or more of the following conditions as part of a community or intermediate punishment:

(1) House arrest with electronic monitoring.
(2) Special probation as defined in G.S. 15A-1351(a).
(3) Perform community service.
(4) Submission to a period or periods of confinement in a local confinement facility for a total of no more than six days per month during any three separate months during the period of probation. The six days per month

confinement provided for in this subdivision may only be imposed as two-day or three-day consecutive periods.

(5) Substance abuse assessment, monitoring, or treatment.

(6) Participation in an educational or vocational skills development program, including an evidence-based program.

(7) Submission to satellite-based monitoring, pursuant to Part 5 of Article 27A of Chapter 14 of the General Statutes, if the defendant is described by G.S. 14-208.40(a)(2)."

SECTION 1.(d) G.S. 15A-1343.2(e) reads as rewritten:

"(e) Delegation to Probation Officer in Community Punishment. – Unless the presiding judge specifically finds in the judgment of the court that delegation is not appropriate, the Division of Community Corrections in the Department of Correction may require an offender sentenced to community punishment ~~to:~~to do any of the following:

(1) Perform up to 20 hours of community service, and pay the fee prescribed by law for this ~~supervision;~~supervision.

(2) Report to the offender's probation officer on a frequency to be determined by the ~~officer; or~~officer.

(3) Submit to substance abuse assessment, monitoring or treatment.

(4) Submit to house arrest with electronic monitoring.

(5) Submit to a period or periods of confinement in a local confinement facility for a total of no more than six days per month during any three separate months during the period of probation. The six days per month confinement provided for in this subdivision may only be imposed as two-day or three-day consecutive periods.

(6) Submit to a curfew which requires the offender to remain in a specified place for a specified period each day and wear a device that permits the offender's compliance with the condition to be monitored electronically.

(7) Participate in an educational or vocational skills development program, including an evidence-based program.

If the Division imposes any of the above requirements, then it may subsequently reduce or remove those same requirements.

The probation officer may exercise authority delegated to him or her by the court pursuant to subsection (e) of this section after administrative review and approval by a Chief Probation Officer. The offender may file a motion with the court to review the action taken by the probation officer. The offender shall be given notice of the right to seek such a court review. However, the offender shall have no right of review if he or she has signed a written waiver of rights as required by this subsection. The Division may exercise any authority delegated to it under this subsection only if it first determines that the offender has failed to comply with one or more of the conditions of probation imposed by the court or the offender is determined to be high risk based on the results of the risk assessment in G.S. 15A-1343.2, except that the condition at subdivision (5) of this subsection may not be imposed unless the Division determines that the offender failed to comply with one or more of the conditions imposed by the court. Nothing in this section shall be construed to limit the availability of the procedures authorized under G.S. 15A-1345.

~~If the probation officer exercises authority delegated to him or her by the court pursuant to this subsection, the offender may file a motion with the court to review the action taken by the probation officer. The offender shall be given notice of the right to seek such a court review. The Division may exercise any authority delegated to it under this subsection only if it first determines that the offender has failed to comply with one or more of the conditions of probation imposed by the court.~~

The Department shall adopt guidelines and procedures to implement the requirements of this section, which shall include a supervisor's approval prior to exercise of the delegation of authority authorized by this section. Prior to imposing confinement pursuant to subdivision (5) of this subsection, the probationer must first be presented with a violation report, with the alleged violations noted and advised of the right (i) to a hearing before the court on the alleged violation, with the right to present relevant oral and written evidence; (ii) to have counsel at the hearing, and that one will be appointed if the probationer is indigent; (iii) to request witnesses who have relevant information concerning the alleged violations; and (iv) to examine any witnesses or evidence. Upon the signing of a waiver of rights by the probationer, with both the probation officer and a supervisor signing as witnesses, the probationer may be confined for the period designated on the violation report."

SECTION 1.(e) G.S. 15A-1343.2(f) reads as rewritten:

"(f) Delegation to Probation Officer in Intermediate Punishments. – Unless the presiding judge specifically finds in the judgment of the court that delegation is not appropriate, the Division of Community Corrections in the Department of Correction may require an offender sentenced to intermediate punishment ~~to:~~to do any of the following:

(1) Perform up to 50 hours of community service, and pay the fee prescribed by law for this ~~supervision;~~supervision.

(2) Submit to a curfew which requires the offender to remain in a specified place for a specified period each day and wear a device that permits the offender's compliance with the condition to be monitored ~~electronically;~~ electronically.

(3) Submit to substance abuse assessment, monitoring or ~~treatment;~~ treatment.

(4) Participate in an educational or vocational skills development ~~program.~~program, including an evidence-based program.

(5) Submit to satellite-based monitoring pursuant to Part 5 of Article 27A of Chapter 14 of the General Statutes, if the defendant is described by G.S. 14-208.40(a)(2).

(6) Submit to a period or periods of confinement in a local confinement facility for a total of no more than six days per month during any three separate months during the period of probation. The six days per month confinement provided for in this subdivision may only be imposed as two-day or three-day consecutive periods.

(7) Submit to house arrest with electronic monitoring.

(8) Report to the offender's probation officer on a frequency to be determined by the officer.

If the Division imposes any of the above requirements, then it may subsequently reduce or remove those same requirements.

The probation officer may exercise authority delegated to him or her by the court pursuant to subsection (f) of this section after administrative review and approval by a Chief Probation Officer. The offender may file a motion with the court to review the action taken by the probation officer. The offender shall be given notice of the right to seek such a court review. However, the offender shall have no right of review if he or she has signed a written waiver of rights as required by this subsection. The Division may exercise any authority delegated to it under this subsection only if it first determines that the offender has failed to comply with one or more of the conditions of probation imposed by the court or the offender is determined to be high risk based on the results of the risk assessment in G.S. 15A-1343.2, except that the condition at subdivision (6) of this subsection may not be imposed unless the Division determines that the offender failed to comply with one or more of the conditions imposed by the court. Nothing in this section shall be construed to limit the availability of the procedures authorized under G.S. 15A-1345.

~~If the probation officer exercises authority delegated to him or her by the court pursuant to this subsection, the offender may file a motion with the court to review the action taken by the probation officer. The offender shall be given notice of the right to seek such a court review. The Division may exercise any authority delegated to it under this subsection only if it first determines that the offender has failed to comply with one or more of the conditions of probation imposed by the court.~~

The Department shall adopt guidelines and procedures to implement the requirements of this section, which shall include a supervisor's approval prior to exercise of the delegation of authority authorized by this section. Prior to imposing confinement pursuant to subdivision (6) of this subsection, the probationer must first be presented with a violation report, with the alleged violations noted and advised of the right (i) to a hearing before the court on the alleged violation, with the right to present relevant oral and written evidence; (ii) to have counsel at the hearing, and that one will be appointed if the probationer is indigent; (iii) to request witnesses who have relevant information concerning the alleged violations; and (iv) to examine any witnesses or evidence. Upon the signing of a waiver of rights by the probationer, with both the probation officer and a supervisor signing as witnesses, the probationer may be confined for the period designated on the violation report."

SECTION 1.(f) G.S. 15A-1343.2 is amended by adding a new subsection to read:

"(b1) Departmental Risk Assessment by Validated Instrument Required. – As part of the probation program developed by the Department of Correction pursuant to subsection (b) of this section, the Department of Correction shall use a validated instrument to assess each probationer for risk of reoffending and shall place a probationer in a supervision level based on the probationer's risk of reoffending and criminogenic needs."

SECTION 1.(g) G.S. 15A-1343(b1)(3b) is repealed.

SECTION 1.(h) G.S. 15A-1340.11(3) is repealed.

SECTION 1.(i) G.S. 15A-1340.11(5) is repealed.

SECTION 1.(j) G.S. 15A-1340.11(8) is repealed.

SECTION 1.(k) G.S. 15A-1343.2(c) reads as rewritten:

"(c) Probation Caseload Goals. – It is the goal of the General Assembly that, subject to the availability of funds, caseloads for probation officers supervising persons who are determined to be high or moderate risk of rearrest as determined by the Department's validated risk assessment should not exceed an average of 60 offenders per officer.~~sentenced to community punishment should not exceed an average of 90 offenders per officer, and caseloads for offenders sentenced to intermediate punishments should not exceed an average of 60 offenders per officer by July 1, 1998.~~"

SECTION 1.(l) This section becomes effective December 1, 2011, and applies to persons placed on probation based on offenses which occur on or after December 1, 2011; however, this section and the provisions of this act requiring the Department of Correction to adopt guidelines and procedures are effective when this act becomes law.

PART II. POST-RELEASE SUPERVISION CHANGES

SECTION 2.(a) G.S. 15A-1368.1 reads as rewritten:

"**§ 15A-1368.1. Applicability of Article 84A.**

This Article applies to all felons ~~in Class B1 through Class E~~ sentenced to an active punishment under Article 81B of this Chapter, but does not apply to felons in Class A and Class B1 sentenced to life imprisonment without parole. Prisoners subject to Articles 85 and 85A of this Chapter are excluded from this Article's coverage."

SECTION 2.(b) G.S. 15A-1368.2 reads as rewritten:

"**§ 15A-1368.2. Post-release supervision eligibility and procedure.**

(a) A prisoner to whom this Article applies shall be released from prison for post-release supervision on the date equivalent to his maximum imposed prison term less ~~nine~~

~~months,~~ 12 months in the case of Class B1 through E felons and less nine months in the case of Class F through I felons, less any earned time awarded by the Department of Correction or the custodian of a local confinement facility under G.S. 15A-1340.13(d). If a prisoner has not been awarded any earned time, the prisoner shall be released for post-release supervision on the date equivalent to his maximum prison term less nine months.

(b) A prisoner shall not refuse post-release supervision.

(c) A supervisee's period of post-release supervision shall be for a period of ~~nine months,~~ 12 months in the case of Class B1 through E felons and nine months in the case of Class F through I felons, unless the offense is an offense for which registration is required pursuant to Article 27A of Chapter 14 of the General Statutes. For offenses subject to the registration requirement of Article 27A of Chapter 14 of the General Statutes, the period of post-release supervision is five years. The conditions of post-release supervision are as authorized in G.S. 15A-1368.5.

...."

SECTION 2.(c) G.S. 15A-1368.4(e) is amended by adding a new subdivision to read:

"(7a) Not to abscond, by willfully avoiding supervision or by willfully making the supervisee's whereabouts unknown to the supervising probation officer."

SECTION 2.(d) G.S. 15A-1368.3(c) reads as rewritten:

"(c) Effect of Violation. – If the supervisee violates a condition, described in G.S. 15A-1368.4, at any time before the termination of the supervision period, the Commission may continue the supervisee on the existing supervision, with or without modifying the conditions, or if continuation or modification is not appropriate, may revoke post-release supervision as provided in G.S. 15A-1368.6 and reimprison the supervisee for a term consistent with the following requirements:

(1) ~~The supervisee~~Supervisees who were convicted of an offense for which registration is required under Article 27A of Chapter 14 of the General Statutes and supervisees whose supervision is revoked for a violation of the required controlling condition under G.S. 15A-1368.4(b) or for absconding in violation of G.S. 15A-1368.4(e)(7a) will be returned to prison up to the time remaining on ~~his~~their maximum imposed ~~term.~~terms. All other supervisees will be returned to prison for three months and may be returned for three months on each of two subsequent violations, after which supervisees who were Class B1 through E felons may be returned to prison up to the time remaining on their maximum imposed terms.

(2) The supervisee shall not receive any credit for days on post-release supervision against the maximum term of imprisonment imposed by the court under G.S. 15A-1340.13.

(3) Pursuant to Article 19A of Chapter 15, the Department of Correction shall award a prisoner credit against any term of reimprisonment for all time spent in custody as a result of revocation proceedings under G.S. 15A-1368.6.

(4) The prisoner is eligible to receive earned time credit against the maximum prison term as provided in G.S. 15A-1340.13(d) for time served in prison after the revocation."

SECTION 2.(e) G.S. 15A-1340.17(d) reads as rewritten:

"(d) Maximum Sentences Specified for Class F through Class I Felonies. – Unless provided otherwise in a statute establishing a punishment for a specific crime, for each minimum term of imprisonment in the chart in subsection (c) of this section, expressed in months, the corresponding maximum term of imprisonment, also expressed in months, is as specified in the table below for Class F through Class I felonies. The first figure in each cell in the table is the minimum term and the second is the maximum term.

SECTION 2.(g) G.S. 15A-1340.17(e1) reads as rewritten:

"(e1) Maximum Sentences Specified for Class B1 through Class E Felonies for Minimum Terms of 340 Months or More. – Unless provided otherwise in a statute establishing a punishment for a specific crime, when the minimum sentence is 340 months or more, the corresponding maximum term of imprisonment shall be equal to the sum of the minimum term of imprisonment and twenty percent (20%) of the minimum term of imprisonment, rounded to the next highest month, plus ~~nine~~ 12 additional months."

SECTION 2.(h) This section becomes effective December 1, 2011, and applies to offenses committed on or after that date.

PART III. STATUS OFFENSE OF HABITUAL BREAKING AND ENTERING

SECTION 3.(a) Chapter 14 of the General Statutes is amended by adding a new Article to read:

"Article 2D.

"Habitual Breaking and Entering Status Offense.

"**§ 14-7.25. Definitions.**

The following definitions apply in this Article:

(1) "Breaking and entering." – The term means any of the following felony offenses:

a. First degree burglary (G.S. 14-51).

b. Second degree burglary (G.S. 14-51).

c. Breaking out of dwelling house burglary (G.S. 14-53).

d. Breaking or entering buildings generally (G.S. 14-54(a)).

e. Breaking or entering a building that is a place of religious worship (G.S. 14-54.1).

f. Any repealed or superseded offense substantially equivalent to any of the offenses in sub-subdivision a., b., c., d., or e. of this subdivision.

g. Any offense committed in another jurisdiction substantially similar to any of the offenses in sub-subdivision a., b., c., d., or e. of this subdivision.

(2) "Convicted." – The person has been adjudged guilty of or has entered a plea of guilty or no contest to the offense of breaking and entering.

(3) "Status offender." – A person who is a habitual breaking and entering status offender as described in G.S. 14-7.26.

"**§ 14-7.26. Habitual breaking and entering status offender.**

Any person who has been convicted of or pled guilty to one or more prior felony offenses of breaking and entering in any federal court or state court in the United States, or combination thereof, is guilty of the status offense of habitual breaking and entering and may be charged with that status offense pursuant to this Article.

This Article does not apply to a second felony offense of breaking and entering unless it is committed after the conviction of the first felony offense of breaking and entering. For purposes of this Article, felony offenses of breaking and entering committed before the person is 18 years of age shall not constitute more than one felony of breaking and entering. Any felony to which a pardon has been extended shall not, for the purposes of this Article, constitute a felony offense of breaking and entering.

"**§ 14-7.27. Punishment.**

When any person is charged with a felony offense of breaking and entering and is also charged with being a status offender as defined in G.S. 14-7.26, the person must, upon conviction, be sentenced and punished as a status offender as provided by this Article.

"**§ 14-7.28. Charge of habitual breaking and entering status offender.**

(a) The district attorney, in his or her discretion, may charge a person with the status offense of habitual breaking and entering pursuant to this Article. To sustain a conviction of a person as a status offender, the person must be charged separately for the felony offense of breaking and entering and for the habitual breaking and entering status offense. The indictment charging the defendant as a status offender shall be separate from the indictment charging the person with the principal felony offense of breaking and entering.

(b) An indictment that charges a person with being a status offender must set forth the date that the prior felony offense of breaking and entering was committed, the name of the state or other sovereign against whom the felony offense of breaking and entering was committed, the dates that the plea of guilty was entered into or conviction returned in the felony offense of breaking and entering, and the identity of the court in which the plea or conviction took place. No defendant charged with being a status offender in a bill of indictment shall be required to go to trial on the charge within 20 days of the finding of a true bill by the grand jury; provided, the defendant may waive this 20-day period.

"**§ 14-7.29. Evidence of prior convictions of breaking and entering.**

In all cases in which a person is charged under the provisions of this Article with being a status offender, the record of prior conviction of the felony offense of breaking and entering shall be admissible in evidence, but only for the purpose of proving that the person has been convicted of a former felony offense of breaking and entering. A prior conviction may be proved by stipulation of the parties or by the original or a certified copy of the court record of the prior conviction. The original or certified copy of the court record, bearing the same name as that by which the defendant is charged, shall be prima facie evidence that the defendant named therein is the same as the defendant before the court and shall be prima facie evidence of the facts set out therein.

"**§ 14-7.30. Verdict and judgment.**

(a) When an indictment charges a person with a felony offense of breaking and entering as provided by this Article and an indictment also charges that the person is a status offender, the defendant shall be tried for the principal offense of breaking and entering as provided by law. The indictment that the person is a status offender shall not be revealed to the jury unless the jury shall find that the defendant is guilty of the principal felony offense of breaking and entering with which the defendant is charged.

(b) If the jury finds the defendant guilty of the felony offense of breaking and entering, the bill of indictment charging the defendant as a status offender may be presented to the same jury. Except that the same jury may be used, the proceedings shall be as if the issue of status offender were a principal charge.

(c) If the jury finds that the defendant is a status offender, the trial judge shall enter judgment according to the provisions of this Article. If the jury finds that the defendant is not a status offender, the trial judge shall pronounce judgment on the principal felony offense of breaking and entering as provided by law.

"**§ 14-7.31. Sentencing of status offenders.**

(a) When a status offender as defined in this Article commits a felony offense of breaking and entering under the laws of the State of North Carolina, the status offender must, upon conviction or plea of guilty under indictment as provided in this Article, be sentenced as a Class E felon.

(b) In determining the prior record level, any conviction used to establish a person's status as a status offender shall not be used. Sentences imposed under this Article shall run consecutively with and shall commence at the expiration of any sentence being served by the person sentenced under this section.

(c) A conviction as a status offender under this Article shall not constitute commission of a felony for the purpose of either Article 2A or Article 2B of Chapter 14 of the General Statutes."

SECTION 3.(b) G.S. 14-7.1 reads as rewritten:

"**§ 14-7.1. Persons defined as habitual felons.**

Any person who has been convicted of or pled guilty to three felony offenses in any federal court or state court in the United States or combination thereof is declared to be an habitual ~~felon.~~ felon and may be charged as a status offender pursuant to this Article. For the purpose of this Article, a felony offense is defined as an offense which is a felony under the laws of the State or other sovereign wherein a plea of guilty was entered or a conviction was returned regardless of the sentence actually imposed. Provided, however, that federal offenses relating to the manufacture, possession, sale and kindred offenses involving intoxicating liquors shall not be considered felonies for the purposes of this Article. For the purposes of this Article, felonies committed before a person attains the age of 18 years shall not constitute more than one felony. The commission of a second felony shall not fall within the purview of this Article unless it is committed after the conviction of or plea of guilty to the first felony. The commission of a third felony shall not fall within the purview of this Article unless it is committed after the conviction of or plea of guilty to the second felony. Pleas of guilty to or convictions of felony offenses prior to July 6, 1967, shall not be felony offenses within the meaning of this Article. Any felony offense to which a pardon has been extended shall not for the purpose of this Article constitute a felony. The burden of proving such pardon shall rest with the defendant and the State shall not be required to disprove a pardon."

SECTION 3.(c) G.S. 14-7.3 reads as rewritten:

"**§ 14-7.3. Charge of habitual felon.**

The district attorney, in his or her discretion, may charge a person as an habitual felon pursuant to this Article. An indictment which charges a person who is an habitual felon within the meaning of G.S. 14-7.1 with the commission of any felony under the laws of the State of North Carolina must, in order to sustain a conviction of habitual felon, also charge that said person is an habitual felon. The indictment charging the defendant as an habitual felon shall be separate from the indictment charging him with the principal felony. An indictment which charges a person with being an habitual felon must set forth the date that prior felony offenses were committed, the name of the state or other sovereign against whom said felony offenses were committed, the dates that pleas of guilty were entered to or convictions returned in said felony offenses, and the identity of the court wherein said pleas or convictions took place. No defendant charged with being an habitual felon in a bill of indictment shall be required to go to trial on said charge within 20 days of the finding of a true bill by the grand jury; provided, the defendant may waive this 20-day period."

SECTION 3.(d) G.S. 14-7.6 reads as rewritten:

"**§ 14-7.6. Sentencing of habitual felons.**

When an habitual felon as defined in this Article commits any felony under the laws of the State of North Carolina, the felon must, upon conviction or plea of guilty under indictment as provided in this Article (except where the felon has been sentenced as a Class A, B1, or B2 felon) be sentenced ~~as a Class C felon.~~ at a felony class level that is four classes higher than the principal felony for which the person was convicted; but under no circumstances shall an habitual felon be sentenced at a level higher than a Class C felony. In determining the prior record level, convictions used to establish a person's status as an habitual felon shall not be used. Sentences imposed under this Article shall run consecutively with and shall commence at the expiration of any sentence being served by the person sentenced under this section."

SECTION 3.(e) This section becomes effective December 1, 2011, and applies to any offense that occurs on or after that date and that is the principal felony offense for a charge of either the status offenses of habitual breaking and entering or habitual felon. Prosecutions for offenses committed before the effective date of this act are not abated or affected by this act, and the statutes that would be applicable but for this act remain applicable to those prosecutions.

PART IV. LIMIT TIME/CERTAIN VIOLATIONS OF PROBATION

SECTION 4.(a) G.S. 15A-1343(b) is amended by adding a new subdivision to read:

"(3a) Not to abscond, by willfully avoiding supervision or by willfully making the defendant's whereabouts unknown to the supervising probation officer."

SECTION 4.(b) G.S. 15A-1344(a) reads as rewritten:

"(a) Authority to Alter or Revoke. – Except as provided in subsection (a1) or (b), probation may be reduced, terminated, continued, extended, modified, or revoked by any judge entitled to sit in the court which imposed probation and who is resident or presiding in the district court district as defined in G.S. 7A-133 or superior court district or set of districts as defined in G.S. 7A-41.1, as the case may be, where the sentence of probation was imposed, where the probationer violates probation, or where the probationer resides. Upon a finding that an offender sentenced to community punishment under Article 81B has violated one or more conditions of probation, the court's authority to modify the probation judgment includes the authority to require the offender to comply with conditions of probation that would otherwise make the sentence an intermediate punishment. The court may only revoke probation for a violation of a condition of probation under G.S. 15A-1343(b)(1) or G.S. 15A-1343(b)(3a), except as provided in G.S. 15A-1344(d2). Imprisonment may be imposed pursuant to G.S. 15A-1344(d2) for a violation of a requirement other than G.S. 15A-1343(b)(1) or G.S. 15A-1343(b)(3a). The district attorney of the prosecutorial district as defined in G.S. 7A-60 in which probation was imposed must be given reasonable notice of any hearing to affect probation substantially."

SECTION 4.(c) G.S. 15A-1344 is amended by adding a new subsection to read:

"(d2) Confinement in Response to Violation. – When a defendant has violated a condition of probation other than G.S. 15A-1343(b)(1) or G.S. 15A-1343(b)(3a), the court may impose a 90-day period of confinement, but may not revoke probation unless the defendant has previously received a total of two 90-day periods of confinement under this subsection. A defendant may receive only two 90-day periods of confinement under this subsection. If the time remaining on the defendant's maximum imposed sentence is less than 90 days, then the term of confinement is for the remaining period of the sentence. Confinement under this section shall be credited pursuant to G.S. 15-196.1."

SECTION 4.(d) This section is effective December 1, 2011, and applies to probation violations occurring on or after that date.

PART V. DIVERSION PROGRAM/FELONY DRUG POSSESSION

SECTION 5.(a) G.S. 90-96 reads as rewritten:

"§ 90-96. Conditional discharge for first offense.

(a) Whenever any person who has not previously been convicted of (i) any felony offense under any state or federal laws; (ii) any offense under this ~~Article~~ Article; or (iii) an offense under any statute of the United States or any state relating to those substances included in Article 5 or 5A of Chapter 90 or to that paraphernalia included in Article 5B of Chapter ~~90~~90 of the General Statutes pleads guilty to or is found guilty of (i) a misdemeanor under this Article by possessing a controlled substance included within Schedules ~~II~~ I through VI of this Article or by possessing drug paraphernalia as prohibited by G.S. 90 113.22, or (ii) a felony under G.S. 90-95(a)(3), ~~G.S. 90-95(a)(3) by possessing less than one gram of cocaine,~~ the court ~~may,~~ shall, without entering a judgment of guilt and with the consent of such person, defer further proceedings and place him on probation upon such reasonable terms and conditions as it may require. Notwithstanding the provisions of G.S. 15A 1342(c) or any other statute or law, probation may be imposed under this section for an offense under this Article for which the prescribed punishment includes only a fine. To fulfill the terms and conditions of probation the

court may allow the defendant to participate in a drug education program approved for this purpose by the Department of Health and Human ~~Services.~~ Services or in the Treatment for Effective Community Supervision Program under Article 6B of Chapter 143B of the General Statutes. Upon violation of a term or condition, the court may enter an adjudication of guilt and proceed as otherwise provided. Upon fulfillment of the terms and conditions, the court shall discharge such person and dismiss the proceedings against him. Discharge and dismissal under this section shall be without court adjudication of guilt and shall not be deemed a conviction for purposes of this section or for purposes of disqualifications or disabilities imposed by law upon conviction of a crime including the additional penalties imposed for second or subsequent convictions under this Article. Discharge and dismissal under this section or G.S. 90 113.14 may occur only once with respect to any person. Disposition of a case to determine discharge and dismissal under this section at the district court division of the General Court of Justice shall be final for the purpose of appeal. Prior to taking any action to discharge and dismiss under this section the court shall make a finding that the defendant has no record of previous convictions ~~under the "North Carolina Controlled Substances Act", Article 5, Chapter 90, the "North Carolina Toxic Vapors Act", Article 5A, Chapter 90, or the "Drug Paraphernalia Act", Article 5B, Chapter 90.~~as provided in this subsection.

(a1) Upon the first conviction only of any offense ~~included in G.S. 90-95(a)(3) or G.S. 90-113.22 and subject to the provisions of this subsection (a1),~~ which qualifies under the provisions of subsection (a) of this section, and the provisions of this subsection, the court may place defendant on probation under this section for an offense under this Article including an offense for which the prescribed punishment includes only a fine. The probation, if imposed, shall be for not less than one year and shall contain a minimum condition that the defendant who was found guilty or pleads guilty enroll in and successfully complete, within 150 days of the date of the imposition of said probation, the program of instruction at the drug education school approved by the Department of Health and Human Services pursuant to G.S. 90 96.01. The court may impose probation that does not contain a condition that defendant successfully complete the program of instruction at a drug education school if:

(1) There is no drug education school within a reasonable distance of the defendant's residence; or

(2) There are specific, extenuating circumstances which make it likely that defendant will not benefit from the program of instruction.

The court shall enter such specific findings in the record; provided that in the case of subdivision (2) above, such findings shall include the specific, extenuating circumstances which make it likely that the defendant will not benefit from the program of instruction.

Upon fulfillment of the terms and conditions of the probation, the court shall discharge such person and dismiss the proceedings against the person.

For the purposes of determining whether the conviction is a first conviction or whether a person has already had discharge and dismissal, no prior offense occurring more than seven years before the date of the current offense shall be considered. In addition, convictions for violations of a provision of G.S. 90-95(a)(1) or 90-95(a)(2) or 90-95(a)(3), or 90-113.10, or 90-113.11, or 90-113.12, or 90-113.22 shall be considered previous convictions.

Failure to complete successfully an approved program of instruction at a drug education school shall constitute grounds to revoke probation pursuant to this subsection and deny application for expunction of all recordation of defendant's arrest, indictment, or information, trial, finding of guilty, and dismissal and discharge pursuant to G.S. 15A-145.2. For purposes of this subsection, the phrase "failure to complete successfully the prescribed program of instruction at a drug education school" includes failure to attend scheduled classes without a valid excuse, failure to complete the course within 150 days of imposition of probation, willful failure to pay the required fee for the course as provided in G.S. 90-96.01(b), or any other manner in which the person fails to complete the course successfully. The instructor of the

course to which a person is assigned shall report any failure of a person to complete successfully the program of instruction to the court which imposed probation. Upon receipt of the instructor's report that the person failed to complete the program successfully, the court shall revoke probation, shall not discharge such person, shall not dismiss the proceedings against the person, and shall deny application for expunction of all recordation of defendant's arrest, indictment, or information, trial, finding of guilty, and dismissal and discharge pursuant to G.S. 15A-145.2. A person may obtain a hearing before the court of original jurisdiction prior to revocation of probation or denial of application for expunction.

This subsection is supplemental and in addition to existing law and shall not be construed so as to repeal any existing provision contained in the General Statutes of North Carolina.

(b) Upon the discharge of such person, and dismissal of the proceedings against the person under subsection (a) or (a1) of this section, such person, if he or she was not over 21 years of age at the time of the offense, may be eligible to apply for expunction of certain records relating to the offense pursuant to G.S. 15A-145.2(a).

(c) Repealed by Session Laws 2009-510, s. 8(b), effective October 1, 2010.

(d) Whenever any person is charged with a misdemeanor under this Article by possessing a controlled substance included within Schedules ~~II~~ I through VI of this Article or a felony under ~~G.S. 90-95(a)(3) by possessing less than one gram of cocaine,~~ G.S. 90-95(a)(3), upon dismissal by the State of the charges against such person, upon entry of a nolle prosequi, or upon a finding of not guilty or other adjudication of innocence, the person may be eligible to apply for expunction of certain records relating to the offense pursuant to G.S. 15A-145.2(b).

(e) Whenever any person who has not previously been convicted of (i) any felony offense under any state or federal laws; (ii) any offense under this Article; or (iii) an offense under any statute of the United States or any state relating to ~~Whenever any person who has not previously been convicted of an offense under this Article or under any statute of the United States or any state relating to~~ controlled substances included in any schedule of this Article or to that paraphernalia included in Article 5B of Chapter 90 of the General Statutes pleads guilty to or has been found guilty of (i) a misdemeanor under this Article by possessing a controlled substance included within Schedules ~~II~~ I through VI of this Article, or by possessing drug paraphernalia as prohibited by G.S. 90-113.22 or (ii) a felony under ~~G.S. 90-95(a)(3) by possessing less than one gram of cocaine,~~G.S. 90-95(a)(3), the person may be eligible to apply for cancellation of the judgment and expunction of certain records related to the offense pursuant to G.S. 15A-145.2(c).

...."

SECTION 5.(b) G.S. 15A-145.2 reads as rewritten:

"**§ 15A-145.2. Expunction of records for first offenders not over 21 years of age at the time of the offense of certain drug offenses.**

...

(b) Whenever any person is charged with a misdemeanor under Article 5 of Chapter 90 of the General Statutes by possessing a controlled substance included within Schedules ~~II~~ I through VI of Article 5 of Chapter 90 of the General Statutes or a felony under ~~G.S. 90-95(a)(3) by possessing less than one gram of cocaine,~~ G.S. 90-95(a)(3), upon dismissal by the State of the charges against the person, upon entry of a nolle prosequi, or upon a finding of not guilty or other adjudication of innocence, such person may apply to the court for an order to expunge from all official records all recordation relating to his or her arrest, indictment or information, or trial. If the court determines, after hearing, that such person was not over 21 years of age at the time the offense for which the person was charged occurred, it shall enter such order. The clerk shall notify State and local agencies of the court's order as provided in G.S. 15A-150. No person as to whom such order has been entered shall be held thereafter under any provision of any law to be guilty of perjury or otherwise giving a false statement by reason

of the person's failures to recite or acknowledge such arrest, or indictment or information, or trial in response to any inquiry made of him or her for any purpose.

(c) Whenever any person who has not previously been convicted of (i) any felony offense under any state or federal laws; (ii) any offense under Chapter 90 of the General Statutes; or (iii) an offense under any statute of the United States or any state relating to controlled substances included in any schedule of Chapter 90 of the General Statutes or to that paraphernalia included in Article 5B of Chapter 90 of the General Statutes, pleads guilty to or has been found guilty of (i) a misdemeanor under this Article by possessing a controlled substance included within Schedules I through VI of Chapter 90, or by possessing drug paraphernalia as prohibited by G.S. 90-113.22 or (ii) a felony under G.S. 90-95(a)(3), ~~Whenever any person who has not previously been convicted of an offense under Article 5 of Chapter 90 of the General Statutes or under any statute of the United States or any state relating to controlled substances included in any schedule of Article 5 of Chapter 90 of the General Statutes or to that paraphernalia included in Article 5B of Chapter 90 of the General Statutes pleads guilty to or has been found guilty of (i) a misdemeanor under Article 5 of Chapter 90 of the General Statutes by possessing a controlled substance included within Schedules through VI of Article 5 of Chapter 90 of the General Statutes or by possessing drug paraphernalia as prohibited by G.S. 90-113.22 or (ii) a felony under~~ the court may, upon application of the person not sooner than 12 months after conviction, order cancellation of the judgment of conviction and expunction of the records of the person's arrest, indictment or information, trial, and conviction. A conviction in which the judgment of conviction has been canceled and the records expunged pursuant to this subsection shall not be thereafter deemed a conviction for purposes of this subsection or for purposes of disqualifications or liabilities imposed by law upon conviction of a crime, including the additional penalties imposed for second or subsequent convictions of Article 5 of Chapter 90 of the General Statutes. Cancellation and expunction under this subsection may occur only once with respect to any person. Disposition of a case under this subsection at the district court division of the General Court of Justice shall be final for the purpose of appeal.

The granting of an application filed under this subsection shall cause the issue of an order to expunge from all official records, other than the confidential files retained under G.S. 15A-151, all recordation relating to the petitioner's arrest, indictment or information, trial, finding of guilty, judgment of conviction, cancellation of the judgment, and expunction of records pursuant to this subsection.

The judge to whom the petition is presented is authorized to call upon a probation officer for additional investigation or verification of the petitioner's conduct since conviction. If the court determines that the petitioner was convicted of (i) a misdemeanor under Article 5 of Chapter 90 of the General Statutes for possessing a controlled substance included within Schedules ~~II~~ I through VI of Article 5 of Chapter 90 of the General Statutes or for possessing drug paraphernalia as prohibited in G.S. 90-113.22 or (ii) a felony under ~~G.S. 90-95(a)(3) for possession of less than one gram of cocaine,~~ G.S. 90-95(a)(3), that the petitioner has no disqualifying previous convictions as set forth in this subsection, that the petitioner was not over 21 years of age at the time of the offense, that the petitioner has been of good behavior since his or her conviction, that the petitioner has successfully completed a drug education program approved for this purpose by the Department of Health and Human Services, and that the petitioner has not been convicted of a felony or misdemeanor other than a traffic violation under the laws of this State at any time prior to or since the conviction for the offense in question, it shall enter an order of expunction of the petitioner's court record. The effect of such order shall be to restore the petitioner in the contemplation of the law to the status the petitioner occupied before arrest or indictment or information or conviction. No person as to whom such order was entered shall be held thereafter under any provision of any law to be guilty of perjury or otherwise giving a false statement by reason of the person's failures to recite or acknowledge

such arrest, or indictment or information, or conviction, or trial in response to any inquiry made of him or her for any purpose. The judge may waive the condition that the petitioner attend the drug education school if the judge makes a specific finding that there was no drug education school within a reasonable distance of the defendant's residence or that there were specific extenuating circumstances which made it likely that the petitioner would not benefit from the program of instruction.

The court shall also order all law enforcement agencies, the Department of Correction, the Division of Motor Vehicles, and any other State or local agencies identified by the petitioner as bearing records of the conviction and records relating thereto to expunge their records of the conviction. The clerk shall notify State and local agencies of the court's order as provided in G.S. 15A-150."

SECTION 5.(c) Article 81B of Chapter 15A of the General Statutes is amended by adding a new section to read:

"**§ 15A-1340.18. Advanced supervised release.**

(a) Definitions. – For the purposes of this section, the following definitions apply:

(1) "Advanced supervised release" or "ASR" means release from prison and placement on post-release supervision under this section if an eligible defendant is sentenced to active time.

(2) "Eligible defendant" means a defendant convicted and sentenced based upon any of the following felony classes and prior record levels:

a. Class D, Prior Record Level I-III.

b. Class E, Prior Record Level I-IV.

c. Class F, Prior Record Level I-V.

d. Class G, Prior Record Level I-VI.

e. Class H, Prior Record Level I-VI.

(3) "Risk reduction incentive" is a sentencing condition which, upon successful completion during incarceration, results in a prisoner being placed on ASR.

(b) The Department of Correction is authorized to create risk reduction incentives consisting of treatment, education, and rehabilitative programs. The incentives shall be designed to reduce the likelihood that the prisoner who receives the incentive will reoffend.

(c) The court, in its discretion and without objection from the prosecutor, may include a risk reduction incentive or incentives in sentencing an eligible defendant to an active sentence.

(d) The court shall impose a sentence calculated pursuant to Article 81B of the General Statutes. The ASR date shall be the shortest mitigated sentence for the offense at the offender's prior record level. If the court utilizes the mitigated range in sentencing the defendant, then the ASR date shall be eighty percent (80%) of the minimum sentence imposed.

(e) The defendant shall be notified at sentencing that if the defendant completes the risk reduction incentives as identified by the Department, then he or she will be released on the ASR date. If the Department determines that the defendant is unable to complete the incentives by the ASR date, through no fault of the defendant, then the defendant shall be released at the ASR date.

(f) Termination from the risk reduction incentive program shall result in the nullification of the ASR date, and the defendant's release date shall be calculated based upon the adjudged sentence. A prisoner who has completed the risk reduction incentives prior to the ASR date may have the ASR date nullified due to noncompliance with Department rules or regulations.

(g) A defendant released on the ASR date is subject to post-release supervision under this Article. Notwithstanding the provisions in G.S. 15A-1368.3(c), if the defendant has been returned to prison for three, three-month periods of confinement, a subsequent violation shall result in the defendant returning to prison to serve the time remaining on the maximum

imposed term, and is ineligible for further post-release supervision regardless of the amount of time remaining to be served.

(h) The Department shall adopt policies and procedures for the assessment to occur at diagnostic processing, for documentation of the inmate's progress, and for termination from the incentive program due to a lack of progress or a pattern of noncompliance in the program or with other Department rules or regulations."

SECTION 5.(d) G.S. 15A-1340.13(d) reads as rewritten:

"(d) Service of Minimum Required; Earned Time Authorization. – An offender sentenced to an active punishment shall serve the minimum term ~~imposed.~~ imposed, except as provided in G.S. 15A-1340.18. The maximum term may be reduced to, but not below, the minimum term by earned time credits awarded to an offender by the Department of Correction or the custodian of the local confinement facility, pursuant to rules adopted in accordance with law."

SECTION 5.(e) This section becomes effective January 1, 2012, and applies to persons entering a plea or who are found guilty of an offense on or after that date.

PART VI. REFOCUS CRIMINAL JUSTICE PARTNERSHIP PROGRAM

SECTION 6.(a) Article 6A of Chapter 143B of the General Statutes is repealed.

SECTION 6.(b) Chapter 143B of the General Statutes is amended by adding a new Article to read:

"Article 6B.

"Treatment for Effective Community Supervision Program.

"**§ 143B-274.1. Short title.**

This Article is the "Treatment for Effective Community Supervision Act of 2011" and may be cited by that name.

"**§ 143B-274.2. Legislative policy.**

The policy of the General Assembly with respect to the Treatment for Effective Community Supervision Program is to support the use of evidence-based practices to reduce recidivism and to promote coordination between State and community-based corrections programs.

"**§ 143B-274.3. Definitions.**

The following definitions apply in this Article:

(1) Certified and licensed. – North Carolina Substance Abuse Professional Practice Board certified or licensed substance abuse professionals or Department of Health and Human Services licensed agencies.

(2) Department. – The Department of Correction.

(3) Division. – The Department of Correction, Division of Community Corrections.

(4) Eligible entity. – A local or regional government, a nongovernmental entity, or collaborative partnership that demonstrates capacity to provide services that address the criminogenic needs of offenders.

(5) Program. – A community-based corrections program.

(6) Secretary. – The Secretary of the Department of Correction.

(7) State Board. – The State Community Corrections Advisory Board.

"**§ 143B-274.4. Goals of community-based corrections programs funded under this Article.**

The goals of community-based programs funded under this Article are to reduce recidivism and to reduce the rate of probation and post-release supervision revocations from the rate in the 2009-2010 fiscal year.

"**§ 143B-274.5. Eligible population.**

(a) An eligible offender is an adult offender who was convicted of a misdemeanor or a felony offense or is sentenced under the conditional discharge program as defined in G.S. 90-96 and meets any one of the following criteria:

(1) Received a nonincarcerative sentence of a community punishment.

(2) Received a nonincarcerative sentence of an intermediate punishment.

(3) Is serving a term of parole or post-release supervision after serving an active sentence of imprisonment.

(b) The priority populations for programs funded under this Article shall be as follows:

(1) Offenders convicted of a felony or offenders sentenced under G.S. 90-96 conditional discharge for a felony offense.

(2) Offenders identified by the Department of Correction using a validated risk assessment instrument to have a high likelihood of reoffending and a moderate to high need for substance abuse treatment.

"**§ 143B-274.6. Duties of Department of Correction.**

(a) In addition to those otherwise provided by law, the Department of Correction shall have the following duties:

(1) To enter into contractual agreements with eligible entities for the operation of community-based corrections programs and monitor compliance with those agreements.

(2) To develop the minimum program standards, policies, and rules for community-based corrections programs and to consult with the Department of Health and Human Services on those standards, policies, and rules that are applicable to licensed and credentialed substance abuse services.

(3) To monitor, oversee, and evaluate contracted service providers.

(4) To act as an information clearinghouse regarding community-based corrections programs.

(5) To collaborate with the Department of Health and Human Services on focusing treatment resources on high-risk and moderate to high need offenders on probation, parole, and post-release supervision.

(b) The Department of Correction, Division of Community Corrections, shall develop and publish a recidivism reduction plan for the State that accomplishes the following:

(1) Articulates a goal of reducing revocations among people on probation and post-release supervision by twenty percent (20%) from the rate in the 2009-2010 fiscal year.

(2) Identifies the number of people on probation and post-release supervision in each county that are in the priority population and have a likely need for substance abuse and/or mental health treatment, employment, education, and/or housing.

(3) Identifies the program models that research has shown to be effective at reducing recidivism for the target population and ranks those programs based on their cost-effectiveness.

(4) Propose a plan to fund the provision of the most cost-effective programs and services across the State. The plan shall describe the number and types of programs and/or services to be funded in each region of the State and how that program capacity compares with the needs of the target population in that region.

(c) The Department of Correction shall report by March 1 of each year to the Chairs of the Senate and House of Representatives Appropriations Committees, the Senate and House of Representatives Appropriations Subcommittees on Justice and Public Safety, and the Joint Legislative Corrections, Crime Control, and Juvenile Justice Oversight Committee on the status

of the Treatment for Effective Community Supervision Program. The report shall include the following information:

(1) The dollar amount and purpose of funds provided on a contractual basis to service providers for the previous fiscal year.

(2) An analysis of offender participation data received, including the following:

a. The number of people on probation and post-release supervision that are in the priority population that received services.

b. The number of people on probation and post-release supervision that are in the priority population that did not receive services.

c. The number of people on probation and post-release supervision outside of the priority population that received services.

d. The type of services provided to these populations.

e. The rate of revocations and successful completions for people who received services.

f. Other measures as determined appropriate.

(3) The dollar amount needed to provide additional services to meet the needs of the priority population in the upcoming budget year.

(4) Details of personnel, travel, contractual, operating, and equipment expenditures for each program type.

"**§ 143B-274.7. Contract for services.**

(a) The Department of Correction shall contract with service providers through a competitive procurement process to provide community-based services to offenders on probation, parole, or post-release supervision.

(b) Contracts for substance abuse treatment services shall be awarded to certified or licensed substance abuse professionals and appropriately licensed agencies to provide services and use practices that have a demonstrated evidence base.

(c) The Department of Correction, in partnership with the Department of Health and Human Services, shall develop standard service definitions and performance measures for substance abuse and aftercare support services for inclusion in the contracts.

(d) The percentage of funds received by a service provider that may be used for administrative purposes is up to fifteen percent (15%).

"**§ 143B-274.8. State Community Corrections Advisory Board.**

(a) The State Board shall act as an advisory body to the Secretary with regard to this Article. The State Board shall consist of 23 members as follows, to be appointed as provided in subsection (b) of this section:

(1) A member of the Senate.

(2) A member of the House of Representatives.

(3) A judge of the superior court.

(4) A judge of the district court.

(5) A district attorney.

(6) A criminal defense attorney.

(7) A county sheriff.

(8) A chief of a city police department.

(9) Two county commissioners, one from a predominantly urban county and one from a predominantly rural county.

(10) A representative of an existing community-based corrections program.

(11) A member of the public who has been the victim of a crime.

(12) Two rehabilitated ex-offenders.

(13) A member of the business community.

(14) Three members of the general public, one of whom is a person recovering from chemical dependency or who is a previous consumer of substance abuse treatment services.

(15) A victim service provider.

(16) A member selected from each of the following service areas: mental health, substance abuse, and employment and training.

(17) A clerk of superior court.

(b) The membership of the State Board shall be selected as follows:

(1) The Governor shall appoint the following members: the county sheriff, the chief of a city police department, the member of the public who has been the victim of a crime, a rehabilitated ex-offender, and the members selected from each of the service areas.

(2) The Lieutenant Governor shall appoint the following members: the member of the business community, one member of the general public who is a person recovering from chemical dependency or who is a previous consumer of substance abuse treatment services, and the victim service provider.

(3) The Chief Justice of the North Carolina Supreme Court shall appoint the following members: the superior court judge, the district court judge, the district attorney, the clerk of superior court, the criminal defense attorney, and the representative of an existing community-based corrections program.

(4) The President Pro Tempore of the Senate shall appoint the following members: the member of the Senate, the county commissioner from a predominantly urban county, and one member of the general public.

(5) The Speaker of the House of Representatives shall appoint the following members: the member of the House of Representatives, the county commissioner from a predominantly rural county, and one member of the general public.

In appointing the members of the State Board, the appointing authorities shall make every effort to ensure fair geographic representation of the State Board membership and to ensure that minority persons and women are fairly represented.

(c) The initial members shall serve staggered terms; one-third shall be appointed for a term of one year, one-third shall be appointed for a term of two years, and one-third shall be appointed for a term of three years. The members identified in subdivisions (1) through (7) of subsection (a) of this section shall be appointed initially for a term of one year. The members identified in subdivisions (8) through (13) in subsection (a) of this section shall be appointed initially for a term of two years. The members identified in subdivisions (14) through (16) of subsection (a) of this section shall each be appointed for a term of three years. The additional member identified in subdivision (17) in subsection (a) of this section shall be appointed initially for a term of three years.

At the end of their respective terms of office their successors shall be appointed for terms of three years. A vacancy occurring before the expiration of the term of office shall be filled in the same manner as original appointments for the remainder of the term. Members may be reappointed without limitation.

(d) Each appointing authority shall have the power to remove a member it appointed from the State Board for misfeasance, malfeasance, or nonfeasance.

(e) The members of the State Board shall, within 30 days after the last initial appointment is made, meet and elect one member as Chair and one member as Vice-Chair.

(f) The State Board shall meet at least quarterly and may also hold special meetings at the call of the Chair. For purposes of transacting business, a majority of the membership shall constitute a quorum.

(g) Any member who has an interest in a governmental agency or unit or private nonprofit agency which is applying for a Treatment for Effective Community Supervision Program contract or which has received a contract and which is the subject of an inquiry or vote by a contract oversight committee, shall publicly disclose that interest on the record and shall take no part in discussion or have any vote in regard to any matter directly affecting that particular grant applicant or grantee. "Interest" in a grant applicant or grantee means a formal and direct connection to the entity, including, but not limited to, employment, partnership, serving as an elected official, board member, director, officer, or trustee, or being an immediate family member of someone who has such a connection to the grant applicant or grantee.

(h) The members of the State Board shall serve without compensation but shall be reimbursed for necessary travel and subsistence expenses.

"**§ 143B-274.9. State Community Corrections Advisory Board; powers and duties.**

(a) The State Community Corrections Advisory Board, as defined under this Article, has the following duties and responsibilities:

(1) To review the criteria for monitoring and evaluating community-based corrections programs.

(2) To recommend community-based corrections program priorities.

(3) To review the minimum program standards, policies, and rules for community-based corrections programs.

(4) To review the evaluation of programs funded by this Article.

"**§ 143B-274.10. North Carolina Sentencing and Policy Advisory Commission report.**

The North Carolina Sentencing and Policy Advisory Commission shall report by April 30 of each even-numbered year to the General Assembly and the Governor on recidivism rates for offenders on probation, parole, and post-release supervision participating in programming funded through this Article according to risk level.

"**§ 143B-274.11. Program types eligible for funding; community-based corrections programs.**

Based on the prioritized populations in G.S. 143B-274.5(b), program types eligible for funding may include, but are not limited to, the following:

(1) Substance abuse treatment services, to include co-occurring substance abuse and mental health disorder services, residential, intensive outpatient, outpatient, peer support, and relapse prevention.

(2) Cognitive behavioral programming and other evidence-based programming deemed to be the most cost-effective method to reduce criminogenic needs identified by the risk/needs assessment."

SECTION 6.(c) This section becomes effective July 1, 2011. The Department of Correction may enter into contracts under this section with current program providers in the Criminal Justice Partnership Program on a sole-source basis during the 2011-2012 fiscal year.

PART VII. MOST MISDEMEANANTS TO SERVE SENTENCES IN JAIL

SECTION 7.(a) G.S. 148-32.1 is amended by adding a new subsection to read:

"(b1) It is the intent of the General Assembly to authorize the Department of Correction to enter into voluntary agreements with counties to provide housing for misdemeanants serving periods of confinement of more than 90 days and up to 180 days, except for those serving a sentence for an impaired driving offense. It is further the intent of the General Assembly that the Department of Correction, in conjunction with the North Carolina Sheriffs' Association, Inc., establish a program for housing misdemeanants serving periods of confinement of more than 90 days and up to 180 days, except for those serving sentences for an impaired driving offense. It is also the intent of the General Assembly that the Department of Correction contract with the North Carolina Sheriffs' Association, Inc., to provide a service that identifies space in local confinement facilities that is available for housing these misdemeanants.

The General Assembly intends that the cost of housing and caring for these misdemeanants, including, but not limited to, care, supervision, transportation, medical, and any other related costs, be covered by State funds and not be imposed as a local cost. Therefore, the General Assembly intends that the funds in the Statewide Misdemeanor Confinement Fund be used to provide funding to cover the costs of managing a system for providing that housing of misdemeanants in local confinement facilities as well as reimbursing the counties for housing and related expenses for those misdemeanants."

SECTION 7.(b) G.S. 15A-1352(b) reads as rewritten:

"(b) A person sentenced to imprisonment for a felony under this Article shall be committed for the term designated by the court to the custody of the Department of ~~Correction; except that, upon request of the sheriff or the board of commissioners of a county, the presiding judge may, in his discretion, sentence the person to a local confinement facility in that county.~~Correction."

SECTION 7.(c) G.S. 15A-1352 is amended by adding a new subsection to read:

"(e) A person sentenced for a misdemeanor who has a sentence imposed that requires confinement for a period of more than 90 days and up to 180 days, except for those serving sentences for an impaired driving offense under G.S. 20-138.1 under this Article or for nonpayment of a fine under Article 84 of this Chapter, shall be committed for the term designated by the court to confinement pursuant to the Statewide Misdemeanant Confinement Program established by G.S. 148-32.1."

SECTION 7.(d) G.S. 148-32.1(b) reads as rewritten:

"(b) In the event that the custodian of the local confinement facility certifies in writing to the clerk of the superior court in the county in which ~~said~~ the local confinement facility is located that the local confinement facility is filled to capacity, or that the facility cannot reasonably accommodate any more prisoners due to segregation requirements for particular prisoners, or that the custodian anticipates, in light of local experiences, an influx of temporary prisoners at that time, or if the local confinement facility does not meet the minimum standards published pursuant to G.S. 153A-221, any judge of the district court in the district court district as defined in G.S. 7A-133 where the facility is located, or any superior court judge who has jurisdiction pursuant to G.S. 7A-47.1 or G.S. 7A-48 in a district or set of districts as defined in G.S. 7A-41.1 where the facility is located may order that ~~the~~ a prisoner not housed pursuant to the Statewide Misdemeanor Confinement Program established in subsection (b2) of this section be transferred to any other qualified local confinement facility within that district or within another such district where space is available, including a satellite jail unit operated pursuant to G.S. 153A-230.3 if the prisoner is a non-violent misdemeanant, which local facility shall accept the transferred ~~prisoner, if the prison population has exceeded a manageable level as provided for in G.S. 148-4.1(a). If no such local confinement facility is available, then any such judge may order the prisoner transferred to such camp or facility as the proper authorities of the Department of Correction shall designate, notwithstanding that the term of imprisonment of the prisoner is 90 days or less. In no event, however, shall a prisoner whose term of imprisonment is less than 30 days be assigned or ordered transferred to any such camp or facility.~~prisoner.

If no other local confinement facility is available and the reason for the requested transfer is that the local confinement facility that would be required to house the prisoner cannot reasonably accommodate any more prisoners due to segregation requirements for particular prisoners or the local facility does not meet the minimum standards published pursuant to G.S. 153A-221, then the judge may order that a prisoner not housed pursuant to the Statewide Misdemeanor Confinement Program established in subsection (b2) of this section be transferred to a facility operated by the Department of Correction as designated by the Department of Correction. In no event, however, shall a prisoner whose term of imprisonment is less than 30 days be assigned or ordered transferred to a facility operated by the Department of Correction."

SECTION 7.(e) G.S. 148-32.1 is amended by adding a new subsection to read:

"(b2) The Statewide Misdemeanor Confinement Program is established. The Program shall provide for the housing of misdemeanants from all counties serving sentences imposed for a period of more than 90 days and up to 180 days, except for those serving sentences for an impaired driving offense under G.S. 20-138.1. Those misdemeanants shall be confined in local confinement facilities except as provided in subsections (b3) and (b4) of this section. The Program shall address methods for the placement and transportation of inmates and reimbursement to counties for the housing of those inmates. Any county that voluntarily agrees to house misdemeanants from that county or from other counties pursuant to the Program may enter into a written agreement with the Department of Correction to do so.

This Program shall only operate as long as sufficient State funds are available through the Statewide Misdemeanor Confinement Fund established in G.S. 148-10.4(c). "

SECTION 7.(f) The North Carolina Sheriffs' Association in consultation with the Department of Correction shall develop the Statewide Misdemeanor Confinement Program established in G.S. 148-32.1, as enacted in subsection (e) of this section, by September 1, 2011.

Notwithstanding any other provision of law, no later than November 1, 2011, the Secretary of Correction shall contract with the North Carolina Sheriffs' Association to implement the Program. The contract terms shall include all of the following:

(1) A provision that the Program shall be operated on a statewide basis no later than January 1, 2012, but may be phased in beginning at an earlier date.

(2) A provision addressing the method of payment to the North Carolina Sheriffs' Association for the costs of administering the Program.

(3) A provision authorizing reimbursement by the North Carolina Sheriffs' Association to counties or to the Department of Correction, as appropriate, for all expenses incurred on behalf of those misdemeanants.

SECTION 7.(g) G.S. 148-32.1 is amended by adding new subsections to read:

"(b3) The custodian of a local confinement facility may request a judicial order to transfer a misdemeanant housed pursuant to the Statewide Misdemeanor Confinement Program to a facility operated by the Department of Correction by certifying in writing to the clerk of the superior court in the county in which the local confinement facility is located that:

(1) The misdemeanant poses a security risk because the misdemeanant:

a. Poses a serious escape risk;

b. Exhibits violently aggressive behavior that cannot be contained and warrants a higher level of supervision;

c. Needs to be protected from other inmates, and the county jail facility cannot provide such protection;

d. Is a female or a person 18 years of age or younger, and the county jail facility does not have adequate housing for such prisoners;

e. Is in custody at a time when a fire or other catastrophic event has caused the county jail facility to cease or curtail operations; or

f. Otherwise poses an imminent danger to the staff of the county jail facility or to other prisoners in the facility.

(2) The misdemeanant requires medical or mental health treatment that the county decides can best be provided by the Department of Correction.

(3) The local confinement facility that would be required to house the prisoner (i) cannot reasonably accommodate any more prisoners due to segregation requirements for particular prisoners, or the local facility does not meet the minimum standards published pursuant to G.S. 153A-221; and (ii) no other local confinement facility is available.

Upon receiving such request and certification in writing, any superior or district court judge for the district in which the local confinement facility is located may, after ascertaining that the

request meets the criteria set forth in subdivision (1), (2), or (3) of this subsection, order the misdemeanant transferred to a unit of the State prison system designated by the Secretary of Correction or the Secretary's authorized representative. The Department of Correction shall be reimbursed from the Statewide Misdemeanor Confinement Fund for the costs of housing the misdemeanant, including the care, supervision, and transportation of the misdemeanant.

(b4) A misdemeanant housed under the Statewide Misdemeanor Confinement Program established pursuant to subsection (b2) of this section may be transferred to a facility operated by the Department of Correction if the North Carolina Sheriffs' Association determines that the local confinement facilities available for housing misdemeanants under the Program are filled to capacity. The Department of Correction shall be reimbursed from the Statewide Misdemeanor Confinement Fund for the costs of housing the misdemeanant, including the care, supervision, and transportation of the misdemeanant."

SECTION 7.(h) Article 1 of Chapter 148 of the General Statutes is amended by adding a new section to read:

"**§ 148-10.4. Statewide Misdemeanor Confinement Fund.**

(a) Definitions. – The following definitions apply in this section:

(1) Department. – Department of Correction.

(2) Fund. – The Statewide Misdemeanor Confinement Fund established by this section.

(3) Program. – Statewide Misdemeanor Confinement Program established under G.S. 148-32.1(b3).

(4) Sheriffs' Association. – North Carolina Sheriffs' Association, Inc.

(b) Intent and Purpose. – It is the intent of the General Assembly that the funds in the Fund established by this section be used to reimburse local governments for expenses incurred for housing misdemeanants under the Program, and other related expenses; and to cover administrative costs incurred by the North Carolina Sheriffs' Association for services provided by it regarding the housing of these misdemeanants.

(c) Statewide Misdemeanor Confinement Fund established. – There is created within the Department of Correction a special nonreverting fund called the Statewide Misdemeanor Confinement Fund.

(d) Fund Uses. – Moneys in the Fund may be used for the following:

(1) Reimbursements by the Sheriffs' Association to counties for the costs of housing misdemeanants under the Program, including the care, supervision, and transportation of those misdemeanants.

(2) Reimbursements to the Department of Correction for the cost of housing misdemeanants transferred to the Department pursuant to G.S. 148-32.1(b3), including the care, supervision, and transportation of those misdemeanants.

(3) To pay the Sheriffs' Association for administrative and operating expenses pursuant to subsection (e) of this section.

(4) To pay the Department of Correction for administrative and operating expenses pursuant to subsection (e) of this section.

(e) Operating and Administrative Expenses. – Ten percent (10%) of the monthly receipts collected and credited to the Statewide Misdemeanor Confinement Fund shall be transferred on a monthly basis to the Sheriffs' Association to be used to support the Program and for administrative and operating expenses of the Association and its staff. One percent (1%) of the monthly receipts collected and credited to the Statewide Misdemeanor Confinement Fund shall be transferred on a monthly basis to the General Fund to be allocated to the Department of Correction for its administrative and operating expenses for the Program."

SECTION 7.(i) The North Carolina Sheriffs' Association shall report to the Joint Legislative Corrections, Crime Control, and Juvenile Justice Oversight Committee by October 1, 2011, on the implementation of this Part, and shall report thereafter as requested by the

Committee. The report shall include relevant information collected monthly by the Sheriffs' Association regarding the jail capacity and population in each county.

SECTION 7.(j) The General Assembly finds that while the Program developed pursuant to G.S. 148-32.1(b2), as enacted by subsection (e) of this section shall be available statewide on January 1, 2012, it may be available to some counties at an earlier date. Therefore, notwithstanding any other provision of law, a misdemeanant, who has a sentence imposed of more than 90 days and up to 180 days prior to January 1, 2012, excluding those serving sentences for an impaired driving offense under G.S. 20-138.1, may be transferred or reassigned to a local confinement facility designated by the Sheriffs' Association as provided by the Program developed pursuant to G.S. 148-32.1(b2).

SECTION 7.(k) Of the funds appropriated to the Department of Correction for the 2011-2012 fiscal year, the Department shall transfer the sum of three hundred thousand dollars ($300,000) to the North Carolina Sheriffs' Association for expenses related to initiating the provisions of this Part.

SECTION 7.(l) If there is not adequate capacity in the Statewide Misdemeanor Confinement program, such that the Department of Correction must continue to house prisoners serving more than 90 and up to 180 days pursuant to G.S. 148-32.1(b4), then the Department of Correction is authorized to use funds received from the Statewide Misdemeanor Confinement Fund to operate facilities previously identified for closure and for diagnostic staff positions.

SECTION 7.(m) G.S. 148-32.1(b2), as enacted by subsection (e) of this section, and subsections (a), (h), (i), (j), (k), (l), and (m) of this section become effective July 1, 2011. The remainder of this section becomes effective January 1, 2012, and applies to sentences imposed on or after that date.

PART VIII. ANNUAL REPORT AND SENTENCING COMMISSION DUTIES

SECTION 8.(a) Article 4 of Chapter 164 of the General Statutes is amended by adding a new section to read:

"**§ 164-50. Annual report on implementation of Justice Reinvestment Project.**

The Judicial Department, through the North Carolina Sentencing and Policy Advisory Commission, and the Department of Correction shall jointly conduct ongoing evaluations regarding the implementation of the Justice Reinvestment Act of 2011. The Commission shall present the first evaluation report to the Joint Legislative Correction, Crime Control, and Juvenile Justice Oversight Committee and to the Chairs of the Senate and House of Representatives Appropriations Subcommittees on Justice and Public Safety by April 15, 2012, and future reports shall be made annually by April 15 of each year."

SECTION 8.(b) G.S. 164-44(a) reads as rewritten:

"(a) The Commission shall have the secondary duty of collecting, developing, and maintaining statistical data relating to sentencing, corrections, and juvenile justice so that the primary duties of the Commission will be formulated using data that is valid, accurate, and relevant to this State. All State agencies shall provide data as it is requested by the Commission. For the purposes of G.S. 114-19.1, the Commission shall be considered to be engaged in the administration of criminal justice. All meetings of the Commission shall be open to the public and the information presented to the Commission shall be available to any State agency or member of the General Assembly."

PART IX. TITLE

SECTION 9. This act shall be known as "The Justice Reinvestment Act of 2011."

PART X. EFFECTIVE DATE

SECTION 10. Except as otherwise provided in this act, this act is effective when it becomes law. Prosecutions for offenses committed before the effective date of this act are not abated or affected by this act, and the statutes that would be applicable but for this act remain applicable to those prosecutions.

HOUSE BILL 642:
Justice Reinvestment Act

2011-2012 General Assembly

Committee:	Senate Re-ref to Finance. If fav, re-ref to Appropriations/Base Budget	**Date:**	June 13, 2011
Introduced by:	Reps. Guice, Faircloth, Bordsen, Parmon	**Prepared by:**	Hal Pell
Analysis of:	Fifth Edition		Staff Attorney

SUMMARY: ***This act revises State criminal laws, criminal procedure laws, and probation statutes based upon the recommendations of the Justice Reinvestment Project. Unless otherwise provided in the act, it is effective when it becomes law.***

BACKGROUND: Since 2009, the Council of State Governments (CSG) Justice Center has been developing a statewide policy framework [Justice Reinvestment Project] to reduce spending on corrections and reinvest in strategies to increase public safety. The Justice Reinvestment Project was the result of a request for technical assistance by the Governor and other State officials. The CSG has been collecting data from multiple sources including FBI Uniform Crime Reports, the North Carolina Department of Correction (DOC), the North Carolina Sentencing and Policy Advisory Commission, the North Carolina Administrative Office of the Courts, and the North Carolina Department of Health and Human Services, along with other state agencies, county agencies and organizations.

In addition to these quantitative analyses, the CSG Justice Center staff conducted meetings and interviews with criminal justice practitioners and stakeholders from around the state, including superior and district court judges, district attorneys, defense attorneys, behavioral health treatment providers, family members, consumers, law enforcement officials, victim advocates, and probation officers.

BILL ANALYSIS:

PART I. STRENGTHEN PROBATION SUPERVISION

Section 1.(a) – Redefines Community Punishment in the Structured Sentencing Act. The amendment will authorize a sentencing court to impose drug treatment court or any one or more of the conditions listed in the G.S. 15A-1343(a1) [see the description of G.S. 15A-1343(a1) at **Section 1.(c),** below]. The change broadens the court's discretion by enlarging the scope of sentences which may be ordered by the court. In order to allow for these conditions to be "delegated" to the Department of Correction [see **Section 1.(d)** below], they must initially be available to the sentencing court.

Section 1(b) – Redefines Intermediate Punishment in the Structured Sentencing Act. In addition to the current requirement of placement on supervised probation, the amendment will authorize a sentencing court to impose drug treatment court or any one or more of the conditions listed in the G.S. 15A-1343(a1) [see the description of G.S. 15A-1343(a1) at **Section 1.(c),** below]. The change broadens the court's discretion by enlarging the scope of sentences which may be ordered by the court. In order to allow for these conditions to be "delegated" to the Department of Correction [see **Section 1.(e)** below], they must initially be available to the sentencing court.

Section 1.(c) – Enacts a new subsection that lists the probation conditions for either community or intermediate punishments. In addition to any special conditions of probation that may be ordered, the court may impose any one or more of the following:

- House arrest with electronic monitoring.
- Special probation (probation with confinement portion)
- Community service.
- Periods of confinement in a local confinement facility (up to six days per month, limited to consecutive 2 or 3 day periods, in any three months of the period of probation).
- Substance abuse assessment, monitoring, or treatment.
- Participation in an educational or vocational skills development program, including an evidence-based program.
- Satellite-monitoring based on sex offender statutes [if authorized by statute].

Section 1.(d) – Amends the current statute which delegates authority to the Department to require offenders sentenced to community punishment to comply with certain conditions, unless the court decides that delegation is not appropriate. Currently, the Department can require: up to 20 hours of community service; a frequency for reporting; and that the probationer submit to substance abuse assessment, monitoring or treatment. The act would add the following: house arrest with electronic monitoring; confinement for up to six days per month in 2 or 3 day consecutive periods (in any of 3 months of the probation); curfew with electronic monitoring; and participation in an educational or vocational skills program, including an evidence-based program.

- The conditions may be imposed if the Department determines that either: (1) the probationer has failed to comply with one or more court-ordered conditions, or (2) the offender is determined to be a "high risk" offender based upon a departmental assessment. The periods of confinement may only be used upon the failure to comply with one or more court-ordered conditions.
- The offender has the right to judicial review of any imposed condition.
- Probation officers must obtain administrative review and approval before exercising any delegated authority.
- The Department of Correction must establish guidelines and procedures for the imposition of the requirements, including a waiver of rights form if the Department wants to impose a period of confinement. The form must include waiver of a hearing before the court, assistance of counsel, and other procedural rights.
- The use of any of the requirements does not prevent the Department from utilizing the statutes which provide for probation revocation.

Section 1.(e) – Amends the current statute which delegates authority to the Department to require offenders sentenced to intermediate punishment to comply with certain conditions, unless the court decides that delegation is not appropriate. Currently, the Department can require: up to 50 hours of

community service; curfew with electronic monitoring; substance abuse assessment, monitoring or treatment; participation in an educational or vocational skills program (act adds "including evidence-based programs"); and satellite monitoring for sex offenders (if authorized by statute). The act would add the following: house arrest with electronic monitoring; confinement for up to six days per month in 2 or 3 day consecutive periods (in any of 3 months during the probation); and reporting on a frequency determined by the officer.

- The conditions may be imposed if the Department determines that either: (1) the probationer has failed to comply with one or more court-ordered conditions, or (2) the offender is determined to be a "high risk" offender based upon a departmental assessment. The periods of confinement may only be used upon the failure to comply with one or more court-ordered conditions.
- The offender has the right to judicial review of any imposed condition.
- Probation officers must obtain administrative review and approval before exercising any delegated authority.
- The Department of Correction must establish guidelines and procedures for the imposition of the requirements, including a waiver of rights form if the Department wants to impose a period of confinement. The form must include waiver of a hearing before the court, assistance of counsel, and other procedural rights.
- The use of any of the requirements does not prevent the Department from utilizing the statutes which provide for revocation of probation.

Section 1.(f) – Requires the Department to use a validated risk assessment instrument in assessing each probationer for determining (i) the offender's risk of reoffending, and (ii) an appropriate supervision level based upon the risk of reoffending and the offender's criminogenic needs.

Section 1.(g) – Repeals intensive supervision as a special condition of probation.

Section 1.(h) – Repeals the definition of "day-reporting center" as a conforming change.

Section 1.(i) – Repeals the definition of "intensive probation" as a conforming change.

Section 1.(j) – Repeals the definition of "residential program" as a conforming change.

Section 1.(k) – Amends the statute setting forth the Department's caseload goals. The amendment uses the characterization of "high or moderate risk of rearrest" offenders in lieu of offenders sentenced to community or intermediate punishments. The goal states that a probation officer should have an average of no more than 60 "high or moderate risk of rearrest" offenders.

Section 1.(l) – This section becomes effective December 1, 2011, and applies to persons placed on probation based on offenses which occur on or after December 1, 2011; however, this section and the provisions of this act requiring the Department of Correction to adopt a risk assessment instrument are effective when the act becomes law.

PART II. POST RELEASE SUPERVISION CHANGES

Section 2.(a) – Amends the post-release supervision statutes to include all felons, except Class A and Class B1 prisoners sentenced to life imprisonment without parole. Currently, only Class B1 (non-life without parole) through Class E felons are included.

Section 2.(b) – Amends the post-release supervision release date to 12 months (from 9 months) before the maximum imposed prison term for Class B1 through Class E felons, and sets the post-supervision release date for Class F through Class I felons at 9 months before the maximum imposed prison term.

The period of post-release supervision is set at 12 months for Class B1 through Class E felons, and 9 months for Class F through Class I felons. Sex offenders have a 5 year period of post-release supervision. [Note: It would be possible for a sex offender to serve the maximum imposable term of confinement prior to the end of the 5 year period; consequently, further confinement would not be possible for violations of post-release supervision].

Secton 2.(c) – Amends the conditions of probation that can result in a revocation of post-release supervision to add a "non-absconding" condition. A probationer who willfully avoids supervision, or willfully makes his or her whereabouts unknown to the probation officer, is subject to revocation of post-release supervision.

Section 2.(d) – Amends the statute providing for imprisonment for violation of post-release supervision conditions. A person required to register on the sex offender registry who commits a new offense or absconds is returned to prison to complete the maximum imposed term. Other felons are returned for 3 months, and may be returned for 3 months on 2 subsequent occasions. If the supervisee is a Class B1 through Class E felon, and has completed 3 periods of confinement of 3 months each, then a fourth violation can result in the completion of the maximum imposed prison term.

Section 2.(e) – Adds 9 months to the maximum term for Class F through Class I felonies, to provide for a post-release supervision release date that is equivalent to the current maximum imposed term.

Section 2.(f) – Adds 3 months to the maximum term for Class B1 through Class E felonies. Nine months have already been included in the maximum in the table to account for the current release date, which is 9 months prior to the maximum term. The addition of 3 months adjusts the time to take into account the increase of post-release supervision from 9 months to 12 months for these offenders.

Section 2.(g) – Amends the statute which provides for the period of post-release supervision for offenders with a minimum sentence of 340 months or more (adds 3 months, to bring the total period to 12 months—equal to that of Class B1 through E offenders).

Section 2.(h) – This section becomes effective December 1, 2011, and applies to offenses committed on or after that date.

PART III. STATUS OFFENSE OF HABITUAL BREAKING AND ENTERING

Section 3.(a) – Creates a new status offense for habitual breaking and entering. If a defendant has one or more prior convictions for any of the listed offenses, then he or she is subject to separate indictments for the offense upon which he or she was arrested, and for the habitual breaking and entering felony charge. A person with more than one felony conviction prior to the age of 18 will only considered to have one prior felony conviction for the purposes of determining the number of prior convictions.

Section 3.(b) – Changes the law to allow discretion in charging the offense.

Section 3.(c) – Conforming change authorizing the district attorney to charge the offense in his or her discretion.

Section 3.(d) – Changes the penalty for a conviction under the habitual felon statute. The felon must be sentenced at a level that is four levels higher than the underlying felony for which the person was convicted, with a maximum sentence at the Class C felony level.

Section 3.(e) – The section becomes effective December 1, 2011, and applies to any offense that occurs on or after that date, and that is the principal offense for a charge of either the status offenses of habitual breaking and entering or habitual felon. Prosecutions for offenses committed before the effective date of this act are not abated or affected by this act, and the statutes that would be applicable but for this act remain applicable to those prosecutions.

PART IV. LIMIT TIME/CERTAIN VIOLATIONS OF PROBATION

Section 4.(a) -- The act adds a duty not to abscond to the regular conditions of probation, which are applicable to all offenders placed on probation.

Section 4.(b) – The section provides that the court may not revoke probation for violations of conditions of probation other than for a new criminal offense or for absconding (except as provided in Section 4.(c) below), but that the court may impose imprisonment for the other types of violations. **[See Section 4.(c), below].**

Section 4.(c) – Provides that if a probation commits a violation of a condition of probation (other than a new crime or absconding, which can result in probation revocation), then the court may impose a 90-day period of confinement on two occasions. The court may not revoke the probation for a violation unless the two 90-day periods have previously been imposed. If there are less than 90 days left on the maximum imposed term, then the term of confinement is for the remaining part of the sentence. If the probationer serves confinement under the section, then that period counts toward service of the maximum imposed term.

Section 4.(d) – This section is effective December 1, 2011, and applies to probation violations occurring on or after that date.

PART V. DIVERSION PROGRAM/FELONY DRUG POSSESSION/ADVANCED SUPERVISED RELEASE PROGRAM

Section 5.(a) and 5.(b) -- Amends the controlled substance diversion program, which provides for dismissal of charges upon successful completion of probation.

The act adds all first-time felony drug possession offenders eligible for the program. If the defendant has had no prior felony convictions, and no prior misdemeanor convictions under the Controlled Substances Act, then the court "shall" enter the defendant into the program. Currently, the program is discretionary and only allows drug offense misdemeanants, and persons convicted of felony possession of less than one gram of cocaine. The sections also amend the expunction statutes that provide for expunction of all first-time drug possession offenses.

Section 5.(c) – The act creates a procedure for a defendant, through completion of designated "risk reduction incentives" to be released on post-release supervision in advance of the minimum imposed term. The section:

- Designates who is an eligible defendant.

- Authorizes the Department to create incentives consisting of treatment, education, and rehabilitative programs. The programs must be designed to reduce the likelihood that the offender will reoffend.
- Authorizes the court, in its discretion (and without objection of the prosecutor) to include a risk reduction incentive or incentives in a sentence which includes an active term. The court would first adjudge and impose an authorized sentence for the offense class pursuant to the Structured Sentencing Act, which will have a minimum and maximum imposed term.
- The Advanced Supervised Release (ASR) date would be the shortest mitigated sentence for the offense at the offender's prior record level. If the court utilized the mitigated range in determining the sentence, then the ASR date would be 80% of the minimum term imposed by the court.
- The defendant would be notified at sentencing that if the defendant completes the risk reduction incentive or incentives, then he or she will be released on the ASR date. If the prisoner cannot complete the incentives through no fault of the defendant, then the prisoner would still be released on the ASR date.
- If the prisoner is terminated from the program due to a lack of progress or a rules violation, then the ASR date is nullified. The prisoner's release date would then revert back to the original imposed sentence. A prisoner who completes the incentives prior to the ASR date, and then violates rules, may have the ASR date nullified.
- A prisoner released on the ASR date will be placed on post-release supervision. If the prisoner is returned to prison three times (a total of nine months), a subsequent violation shall result in revocation of post-release status and the prisoner must serve the remainder of the maximum imposed sentence.
- The Department is required to adopt policies and procedures for assessment of the prisoner; documentation of the prisoner's progress; and for termination from the program.

Section 5.(d) – Adds a conforming change to include the ASR program in the statute which designates the minimum time which must be served by a prisoner.

Section 5.(e) -- The section becomes effective January, 2012, and applies to persons entering a plea or who are found guilty of an offense on or after that date.

PART VI. REFOCUS CRIMINAL JUSTICE PARTNERSHIP PROGRAM

Section 6.(a) and 6.(b) – Repeals the current Criminal Justice Partnership Program (CJPP), eliminates the local CJPP boards, and creates a new Article entitled the "Treatment for Effective Community Supervision Act of 2011." The Article provides for a program called Treatment for Effective Community Supervision. The act does the following:

- Establishes the eligibility criteria for offenders. Persons who were (i) convicted of drug offenses, (ii) have a high likelihood of reoffending, and (iii) have a high to moderate need for substance abuse treatment are designated as priority participants.
- Provides for duties of the Department, including the formulation of a recidivism reduction plan.
- Requires the Department to report annually on funds expended by contract, and to provide an analysis of the participants and services.

- Establishes a State Community Corrections Advisory Board, with the following duities and responsibilities: review the criteria for monitoring and evaluating community-based corrections programs; recommend community-based corrections program priorities; review minimum program standards, policies, and rules for community-based corrections programs; and review the evaluation of programs.
- Requires the North Carolina Sentencing Policy and Advisory Commission to report by April 30 on each even-numbered year to the General Assembly and the Governor on recidivism rates for offenders on probation, parole, and post-release supervision who are Program participants.
- Establishes types of programs which are eligible for funding, to include: substance abuse treatment services and cognitive behavioral programming.

Section 6.(c) -- This section becomes effective July 1, 2011. Authorizes the Department of Correction to enter into contracts with current program providers in the Criminal Justice Partnership Program on a sole-source basis during the 2011-2012 fiscal year.

PART VII. MISDEMEANANTS TO SERVE SENTENCES IN JAIL

Sections 7.(a) through 7.(k) –

- States the intent of the General Assembly to authorize the Department of Correction to enter into voluntary agreements with counties to provide housing for misdemeanants serving periods of confinement of more than 90 days and up to 180 days. The costs of housing these prisoners, including, but not limited to, care, supervision, transportation, medical, and any other related costs, are to be covered by State funds and not be imposed as local costs. The agreements would not apply to misdemeanants sentenced for violations of the impaired driving laws. Also states the intent of the General Assembly that the Department of Correction contract with the North Carolina Sheriffs' Association to provide a service that identifies space in local confinement facilities that is available for housing these misdemeanants.
- Provides that persons convicted of a felony must be committed to the custody of the Department of Correction.
- States that a person sentenced for a misdemeanor who must serve more than 90 days and up to 180 days are committed for the term designated by the court pursuant to the Statewide Misdemeanant Confinement program. Excepted from the program are persons serving sentences for an impaired driving offense, or for the nonpayment of a fine.
- Provides that the North Carolina Sheriffs' Association, in consultation with the Department of Correction, shall develop a plan for the Statewide Misdemeanant Confinement Program by September 1, 2011. By November 1, 2011, the Secretary shall contract with the North Carolina Sheriffs' Association to implement the Program. The contract terms shall include:
    - A provision that the Program shall be operated on a statewide basis by January 1, 2012, but may be phased in beginning at an earlier date.
    - A provision addressing the method of payment to the North Carolina Sheriffs' Association for the costs of administering the Program.

- A provision authorizing reimbursement by the Sheriffs' Association to counties or to the Department of Correction, as appropriate, for all expenses incurred on behalf of those misdemeanants.

- Allows, by judicial order, the transfer of a program prisoner into the custody of the Department of Correction if the inmate is a security risk, or needs medical or mental health treatment. The prisoner may also be transferred for segregation requirements or if the local facility does not meet minimum standards, if no other local facility is available.
- States that the Program shall only operate as long as sufficient State funds are available through the Statewide Misdemeanant Confinement Fund established in G.S. 148-10.4(c).
- Creates the Statewide Misdemeanant Confinement Fund, a non-reverting fund established within the Department of Correction. Moneys in the Fund may be used for the following:
  - Reimbursements by the Sheriffs' Association to counties for the costs of housing misdemeanants under the Program, including the care, supervision, and transportation of those misdemeanants.
  - Reimbursements to the Department of Correction for the cost of housing misdemeanants transferred to the Department pursuant to G.S. 148-32.1(b2), including the care, supervision, and transportation of those misdemeanants.
  - To pay the Sheriffs' Association for administrative and operating expenses.
  - To pay the Department of Correction for administrative and operating expenses.
- Ten percent (10%) of the monthly receipts collected and credited to the Statewide Misdemeanant Confinement Fund will be transferred on a monthly basis to the Sheriffs' Association to be used to support the Program and for administrative and operating expenses of the Association and its staff.
- One percent (1%) of the monthly receipts collected and credited to the Statewide Misdemeanant Confinement Fund will be transferred on a monthly basis to the General Fund to be allocated to the Department of Correction for its administrative and operating expenses for the Program.
- Allows for implementation of the program to some counties at a date earlier than the planned statewide implementation date of January 1, 2012. Authorizes the transfer of prisoners serving more than 90 and up to 180 days to be transferred or reassigned to a local confinement facility designated by the Sheriffs' Association as provided by the program.
- Of the funds appropriated to the Department of Correction for the 2011-2012 fiscal year, the Department is to transfer the sum of three hundred thousand dollars ($300,000) to the North Carolina Sheriffs' Association for expenses related to initiating the program.
- Provides that the Judicial Department, through the North Carolina Sentencing and Policy Advisory Commission, and the Department of Correction shall jointly conduct ongoing evaluations regarding the implementation of the Justice Reinvestment Act of 2011.
- Provides that the North Carolina Sheriffs' Association shall report to the Joint Legislative Corrections, Crime Control, and Juvenile Justice Oversight Committee by October 1, 2011, on the implementation of the program, and shall report thereafter as requested by the Committee. The report shall include relevant information collected monthly by the Sheriffs' Association regarding the jail capacity and population in each county.

- The sections relating to the fund, and for planning and contracting for the program, are effective July 1, 2011; the remaining sections are effective January 1, 2012.

PART VIII. ANNUAL REPORT

Section 8.(a) – Requires the North Carolina Sentencing and Policy Advisory Commission, and the Department of Correction, to report on the implementation and results of the implementation of the act to the Joint Legislative Correction, Crime Control, and Juvenile Justice Oversight Committee and to the Chairs of the Senate and House of Representatives Appropriations Subcommittees on Justice and Public Safety, by April 15, 2012. Reports are to be made annually by April 15 of each year.

Section 8.(b) – Amends the statutes so that the Sentencing Commission will not be required to pay fees to the Department of Justice for information necessary to fulfilling its statutory obligations.

PART IX. TITLE

Section 9. – Provides for the title of the act: The Justice Reinvestment Act of 2011.

EFFECTIVE DATE: Unless otherwise provided in the act, it is effective when it becomes law.

A BILL TO BE ENTITLED

AN ACT TO PROVIDE SPACE ON THE INCOME TAX RETURN FOR INDIVIDUALS TO MAKE DONATIONS FOR EARLY DETECTION OF BREAST AND CERVICAL CANCER AS PROVIDED BY THE BREAST AND CERVICAL CANCER CONTROL PROGRAM.

The General Assembly of North Carolina enacts:

SECTION 1. Article 9 of Chapter 105 of the General Statutes is amended by adding a new section to read:

"**§ 105-269.7. Contribution by individual for early detection of breast and cervical cancer.**

An individual entitled to a refund of income taxes under Part 2 of Article 4 of this Chapter may elect to contribute all or part of the refund to be used for early detection of breast and cervical cancer at the Cancer Prevention and Control Branch of the Division of Public Health of the Department of Health and Human Services. The Secretary shall provide appropriate language and space on the individual income tax form in which to make the election. The Secretary shall include in the income tax instructions an explanation that the contributions will be used for early detection of breast and cervical cancer only. The election becomes irrevocable upon filing the individual's income tax return for the taxable year.

The Secretary shall transmit the contributions made pursuant to this section to the State Treasurer to be distributed for early detection of breast and cervical cancer. The State Treasurer shall distribute the contributions to the Cancer Prevention and Control Branch of the Division of Public Health of the Department of Health and Human Services. Funds distributed pursuant to this section shall be used only for early detection of breast and cervical cancer and shall be used in accordance with North Carolina's Breast and Cervical Cancer Control Program's policies and procedures."

SECTION 2. The General Assembly finds that the funds generated by this act are intended to be additional funding for early detection of breast and cervical cancer and are not intended to replace current appropriations for early detection of breast and cervical cancer.

SECTION 3. This act is effective for taxable years beginning on or after January 1, 2011 and expires for tax years beginning on or after January 1, 2015.

A BILL TO BE ENTITLED

AN ACT TO INCREASE THE PUNISHMENT FOR DWI OFFENDERS WITH THREE OR MORE GROSSLY AGGRAVATING FACTORS, TO AUTHORIZE THE COURT TO REQUIRE CONTINUOUS ALCOHOL MONITORING FOR CERTAIN OFFENDERS, AND TO INCREASE THE COURT COSTS FOR DWI OFFENDERS.

The General Assembly of North Carolina enacts:

SECTION 1. G.S. 20-179 reads as rewritten:

"**§ 20-179. Sentencing hearing after conviction for impaired driving; determination of grossly aggravating and aggravating and mitigating factors; punishments.**

(a) Sentencing Hearing Required. – After a conviction under G.S. 20-138.1, G.S. 20-138.2, a second or subsequent conviction under G.S. 20-138.2A, or a second or subsequent conviction under G.S. 20-138.2B, or when any of those offenses are remanded back to district court after an appeal to superior court, the judge shall hold a sentencing hearing to determine whether there are aggravating or mitigating factors that affect the sentence to be imposed.

...

(c) Determining Existence of Grossly Aggravating Factors. – At the sentencing hearing, based upon the evidence presented at trial and in the hearing, the judge, or the jury in superior court, must first determine whether there are any grossly aggravating factors in the case. Whether a prior conviction exists under subdivision (1) of this subsection, or whether a conviction exists under subdivision (d)(5) of this section, shall be matters to be determined by the judge, and not the jury, in district or superior court. If the sentencing hearing is for a case remanded back to district court from superior court, the judge shall determine whether the defendant has been convicted of any offense that was not considered at the initial sentencing hearing and impose the appropriate sentence under this section. The judge must impose the Aggravated Level One punishment under subsection (f3) of this section if it is determined that three or more grossly aggravating factors apply. The judge must impose the Level One punishment under subsection (g) of this section if it is determined that two ~~or more~~ grossly aggravating factors apply. The judge must impose the Level Two punishment under subsection (h) of this section if it is determined that only one of the grossly aggravating factors applies. The grossly aggravating factors are:

(1) A prior conviction for an offense involving impaired driving if:

a. The conviction occurred within seven years before the date of the offense for which the defendant is being sentenced; or

b. The conviction occurs after the date of the offense for which the defendant is presently being sentenced, but prior to or contemporaneously with the present sentencing; or

c. The conviction occurred in district court; the case was appealed to superior court; the appeal has been withdrawn, or the case has been remanded back to district court; and a new sentencing hearing has not been held pursuant to G.S. 20-38.7.

Each prior conviction is a separate grossly aggravating factor.

(2) Driving by the defendant at the time of the offense while his driver's license was revoked under G.S. 20-28, and the revocation was an impaired driving revocation under G.S. 20-28.2(a).

(3) Serious injury to another person caused by the defendant's impaired driving at the time of the offense.

(4) Driving by the defendant while a child under the age of 16 years was in the vehicle at the time of the offense.

In imposing an Aggravated Level One, a Level ~~One~~ One, or a Level Two punishment, the judge may consider the aggravating and mitigating factors in subsections (d) and (e) in determining the appropriate sentence. If there are no grossly aggravating factors in the case, the judge must weigh all aggravating and mitigating factors and impose punishment as required by subsection (f).

...

(f3) Aggravated Level One Punishment. – A defendant subject to Aggravated Level One punishment may be fined up to ten thousand dollars ($10,000) and shall be sentenced to a term of imprisonment that includes a minimum term of not less than 12 months and a maximum term of not more than 36 months. Notwithstanding G.S. 15A-1371, a defendant sentenced to a term of imprisonment pursuant to this subsection shall not be eligible for parole. However, the defendant shall be released from the Department of Correction on the date equivalent to the defendant's maximum imposed term of imprisonment less four months and shall be supervised by the Division of Community Corrections under and subject to the provisions of Article 84A of Chapter 15A of the General Statutes and shall also be required to abstain from alcohol consumption for the four-month period of supervision as verified by a continuous alcohol monitoring system. For purposes of revocation, violation of the requirement to abstain from alcohol or comply with the use of a continuous alcohol monitoring system shall be deemed a controlling condition under G.S. 15A-1368.4.

The term of imprisonment may be suspended only if a condition of special probation is imposed to require the defendant to serve a term of imprisonment of at least 120 days. Subsection (k1) of this section shall not apply to a defendant sentenced pursuant to this subsection. If the defendant is placed on probation, the judge shall impose as requirements that the defendant (i) abstain from alcohol consumption for a minimum of 120 days to a maximum of the term of probation, as verified by a continuous alcohol monitoring system pursuant to subsections (h1) and (h3) of this section and (ii) obtain a substance abuse assessment and the education or treatment required by G.S. 20-17.6 for the restoration of a drivers license and as a condition of probation. The judge may impose any other lawful condition of probation.

(g) Level One Punishment. – A defendant subject to Level One punishment may be fined up to four thousand dollars ($4,000) and shall be sentenced to a term of imprisonment that includes a minimum term of not less than 30 days and a maximum term of not more than 24 months. The term of imprisonment may be suspended only if a condition of special probation is imposed to require the defendant to serve a term of imprisonment of at least 30 days. If the defendant is placed on probation, the judge shall impose a requirement that the defendant obtain a substance abuse assessment and the education or treatment required by

G.S. 20-17.6 for the restoration of a drivers license and as a condition of probation. The judge may impose any other lawful condition of probation.

...

(h1) The judge may impose, as a condition of probation for defendants subject to Level One or Level Two punishments, that the defendant abstain from alcohol consumption for a minimum of 30 days, to a maximum of ~~60 days,~~ the term of probation, as verified by a continuous alcohol monitoring system. ~~The total cost to the defendant for the continuous alcohol monitoring system may not exceed one thousand dollars ($1,000).~~ The defendant's abstinence from alcohol shall be verified by a continuous alcohol monitoring system of a type approved by the Department of Correction.

~~(h2) Notwithstanding the provisions of subsection (h1), if the court finds, upon good cause shown, that the defendant should not be required to pay the costs of the continuous alcohol monitoring system, the court shall not impose the use of a continuous alcohol monitoring system unless the local governmental entity responsible for the incarceration of the defendant in the local confinement facility agrees to pay the costs of the system.~~

(h3) Any fees or costs paid pursuant to ~~subsections (h1) or (h2)~~ subsection (h1) of this section shall be paid to the clerk of court for the county in which the judgment was entered or the deferred prosecution agreement was filed. Fees or costs collected under this subsection shall be transmitted to the entity providing the continuous alcohol monitoring system.

...

(k1) Credit for Inpatient Treatment. – Pursuant to G.S. 15A-1351(a), the judge may order that a term of imprisonment imposed as a condition of special probation under ~~any level of punishment~~ subsection (g), (h), (i), (j), or (k) of this section be served as an inpatient in a facility operated or licensed by the State for the treatment of alcoholism or substance abuse where the defendant has been accepted for admission or commitment as an inpatient. The defendant shall bear the expense of any treatment unless the trial judge orders that the costs be absorbed by the State. The judge may impose restrictions on the defendant's ability to leave the premises of the treatment facility and require that the defendant follow the rules of the treatment facility. The judge may credit against the active sentence imposed on a defendant the time the defendant was an inpatient at the treatment facility, provided such treatment occurred after the commission of the offense for which the defendant is being sentenced. This section shall not be construed to limit the authority of the judge in sentencing under any other provisions of law.

...."

SECTION 2. G.S. 20-19(e) reads as rewritten:

"(e) When a person's license is revoked under (i) G.S. 20-17(a)(2) and the person has two or more previous offenses involving impaired driving for which the person has been convicted, and the most recent offense occurred within the five years immediately preceding the date of the offense for which the person's license is being ~~revoked, or (ii)~~revoked, (ii) G.S. 20-17(a)(2) and the person was sentenced pursuant to G.S. 20-179(f3) for the offense resulting in the revocation, or (iii) G.S. 20-17(a)(9) due to a violation of G.S. 20-141.4(a4), the revocation is permanent."

SECTION 3. G.S. 20-17.8 reads as rewritten:

"**§ 20-17.8. Restoration of a license after certain driving while impaired convictions; ignition interlock.**

(a) Scope. – This section applies to a person whose license was revoked as a result of a conviction of driving while impaired, G.S. 20-138.1, and:

(1) The person had an alcohol concentration of 0.15 or ~~more; or~~more;

(2) The person has been convicted of another offense involving impaired driving, which offense occurred within seven years immediately preceding

the date of the offense for which the person's license has been ~~revoked.~~revoked; or

(3) The person was sentenced pursuant to G.S. 20-179(f3).

For purposes of subdivision (1) of this subsection, the results of a chemical analysis, as shown by an affidavit or affidavits executed pursuant to G.S. 20-16.2(c1), shall be used by the Division to determine that person's alcohol concentration.

...

(b) **(Effective until December 1, 2014)** Ignition Interlock Required. – Except as provided in subsection (l) of this section, when the Division restores the license of a person who is subject to this section, in addition to any other restriction or condition, it shall require the person to agree to and shall indicate on the person's drivers license the following restrictions for the period designated in subsection (c):

(1) A restriction that the person may operate only a vehicle that is equipped with a functioning ignition interlock system of a type approved by the Commissioner. The Commissioner shall not unreasonably withhold approval of an ignition interlock system and shall consult with the Division of Purchase and Contract in the Department of Administration to ensure that potential vendors are not discriminated against.

(2) A requirement that the person personally activate the ignition interlock system before driving the motor vehicle.

(3) An alcohol concentration restriction as follows:

a. If the ignition interlock system is required pursuant only to subdivision (a)(1) of this section, a requirement that the person not drive with an alcohol concentration of 0.04 or greater;

b. If the ignition interlock system is required pursuant to subdivision (a)(2) or (a)(3) of this section, or subsection (a1) of this section, a requirement that the person not drive with an alcohol concentration of greater than 0.00; or

c. If the ignition interlock system is required pursuant to subdivision (a)(1) of this section, and the person has also been convicted, based on the same set of circumstances, of: (i) driving while impaired in a commercial vehicle, G.S. 20-138.2, (ii) driving while less than 21 years old after consuming alcohol or drugs, G.S. 20-138.3, (iii) a violation of G.S. 20-141.4, or (iv) manslaughter or negligent homicide resulting from the operation of a motor vehicle when the offense involved impaired driving, a requirement that the person not drive with an alcohol concentration of greater than 0.00.

(b) **(Effective December 1, 2014)** Ignition Interlock Required. – Except as provided in subsection (l) of this section, when the Division restores the license of a person who is subject to this section, in addition to any other restriction or condition, it shall require the person to agree to and shall indicate on the person's drivers license the following restrictions for the period designated in subsection (c):

(1) A restriction that the person may operate only a vehicle that is equipped with a functioning ignition interlock system of a type approved by the Commissioner. The Commissioner shall not unreasonably withhold approval of an ignition interlock system and shall consult with the Division of Purchase and Contract in the Department of Administration to ensure that potential vendors are not discriminated against.

(2) A requirement that the person personally activate the ignition interlock system before driving the motor vehicle.

(3) An alcohol concentration restriction as follows:

a. If the ignition interlock system is required pursuant only to subdivision (a)(1) of this section, a requirement that the person not drive with an alcohol concentration of 0.04 or greater;

b. If the ignition interlock system is required pursuant to subdivision (a)(2) or (a)(3) of this section, a requirement that the person not drive with an alcohol concentration of greater than 0.00; or

c. If the ignition interlock system is required pursuant to subdivision (a)(1) of this section, and the person has also been convicted, based on the same set of circumstances, of: (i) driving while impaired in a commercial vehicle, G.S. 20-138.2, (ii) driving while less than 21 years old after consuming alcohol or drugs, G.S. 20-138.3, (iii) a violation of G.S. 20-141.4, or (iv) manslaughter or negligent homicide resulting from the operation of a motor vehicle when the offense involved impaired driving, a requirement that the person not drive with an alcohol concentration of greater than 0.00.

...."

SECTION 4. G.S. 7A-304(a) reads as rewritten:

"(a) In every criminal case in the superior or district court, wherein the defendant is convicted, or enters a plea of guilty or nolo contendere, or when costs are assessed against the prosecuting witness, the following costs shall be assessed and collected, except that when the judgment imposes an active prison sentence, costs shall be assessed and collected only when the judgment specifically so provides, and that no costs may be assessed when a case is dismissed.

...

(10) For support of the General Court of Justice, the sum of one hundred dollars ($100.00) is payable by a defendant convicted under G.S. 20-138.1 or G.S. 20-138.2, for a second or subsequent conviction under G.S. 20-138.2A, or for a second or subsequent conviction under G.S. 20-138.2B, to be remitted to the State Treasurer. This fee shall be in addition to the fee required by subdivision (4a) of this subsection."

SECTION 5. G.S. 15A-534 is amended by adding a new subsection to read:

"(i) In addition to any other condition of pretrial release, the judicial official authorizing pretrial release may order any defendant (i) charged with an offense involving impaired driving, as defined by G.S. 20-4.01(24a), and (ii) having a prior conviction for an offense involving impaired driving that occurred within seven years before the date of the offense for which the defendant is being placed on pretrial release to abstain from alcohol consumption as verified by an approved continuous alcohol monitoring system for the period of pretrial release or until this condition is removed by entry of order of a court of competent jurisdiction."

SECTION 6. This act becomes effective December 1, 2011, and applies to offenses committed on or after that date.

HOUSE BILL 49: Laura's Law

2011-2012 General Assembly

Committee:	Senate Finance	**Date:**	June 13, 2011
Introduced by:	Reps. T. Moore, Hastings, Torbett, H. Warren	**Prepared by:**	Susan Sitze
Analysis of:	Third Edition		Staff Attorney

SUMMARY: House Bill 49 would increase the punishment for DWI offenders with three or more grossly aggravating factors, would authorize the court to require continuous alcohol monitoring for certain offenders, and would impose an additional $100 in court costs for DWI offenders.

[As introduced, this bill was identical to S86, as introduced by Sens. Harrington, Clary, Forrester, which is currently in Senate Judiciary I.]

BILL ANALYSIS:

Section 1 would amend subsections (c) and (k1) of G.S. 20-179 and would create a new subsection (f3) to create a new, higher, Aggravated Level One punishment for DWI offenders with 3 or more grossly aggravating factors. The punishment would allow a fine up to $10,000 and a term of imprisonment of 12 months to 36 months. A defendant would not be eligible for parole on any term of imprisonment under this level of sentencing. However, the defendant would be released 4 months prior to the maximum imposed prison term for a period of supervision including continuous alcohol monitoring.

The term of imprisonment could be suspended if a special condition of probation is imposed to require the defendant to serve a term of imprisonment of at least 120 days. The defendant would not be able to receive credit for inpatient treatment towards the term of imprisonment. The defendant would also be required to comply with continuous alcohol monitoring for a minimum of 120 days to a maximum of the term of probation.

This section would also amend subsections (h1), (h2), and (h3) of G.S. 20-179 to make the following changes to the current provisions relating to the use of continuous alcohol monitoring:

- Would remove the current limitation of 60 days on the use of continuous alcohol monitoring, and allow the court to require the use for the full term of probation.
- Would remove the current restriction that the total cost to the defendant for continuous alcohol monitoring not be more than $1,000.
- Would remove the provision in current law that allows the court to find that the defendant should not be required to pay the costs of continuous alcohol monitoring, and in that case to not impose the requirement unless the local government entity responsible for the incarceration of the defendant in the local confinement facility agrees to pay the cost of the system.

Section 2 would provide for a permanent revocation for persons sentenced as an Aggravated Level One offender. This particular "permanent" revocation authorizes a person to apply for conditional license restoration after 3 years.

Section 3 would require a person sentenced as an Aggravated Level One offender to have an ignition interlock system installed on their vehicle for a period of 7 years after license restoration, and that they not drive with an alcohol concentration (BAC) of greater than 0.00.

Section 4 would impose an additional court cost of $100 on all persons convicted of a driving while impaired offense. This fee would be in addition to the current fees, which total approximately $141, plus any fines, restitution, attorneys' fees, or other fees, such as probation supervision or lab fees, that may be imposed.

Section 5 would authorize, but not require, that a person charged with an offense involving impaired driving be required to comply with continuous alcohol monitoring as a condition of pre-trial release if they have a prior conviction of an offense involving impaired driving that occurred within 7 years.

EFFECTIVE DATE: This act becomes effective December 1, 2011, and applies to offenses committed on or after that date.

BACKGROUND:

There are currently 5 levels of DWI sentencing described briefly as follows:

Level One – 2 or more grossly aggravating factors, fine up to $4,000, imprisonment of 30 days to 24 months, with mandatory 30 days active

Level Two – 1 grossly aggravating factor, fine up to $2,000, imprisonment of 7 days to 12 months, with mandatory 7 days active

Level Three – no grossly aggravating factors, but the aggravating factors outweigh the mitigating factors, fine up to $1,000, imprisonment of 72 hours to 6 months, with mandatory 72 hours active or 72 hours community service or both

Level Four – no aggravating and mitigating factors, or aggravating factors are substantially counterbalanced by mitigating factors, fine up to $500, imprisonment of 48 hours to 120 days, with mandatory 48 hours active or 48 hours community service or both

Level Five – mitigating factors substantially outweigh any aggravating factors, fine up to $200, imprisonment of 24 hours to 60 days, with mandatory 24 hours active or 24 hours community service or both

Grossly aggravating factors are:

- Prior DWI conviction within 7 years
- Driving while license revoked for an impaired driving conviction
- Serious injury to another person caused by the impaired driving
- Driving while impaired with a child under 16 in the vehicle

Aggravating factors include factors such as: a BAC level of 0.15 or more, reckless driving, driving while license revoked, an accident resulting from the impaired driving, and some previous motor vehicle convictions.

Mitigating factors include factors such as: a BAC level of less than 0.09, safe driving except for the impairment, a safe driving record, impairment caused by lawfully prescribed drug for an existing medical condition, and voluntary submission to substance abuse assessment..

GENERAL ASSEMBLY OF NORTH CAROLINA
SESSION 2011

SENATE BILL 572

Short Title:	Omnibus County Bill.	(Public)
Sponsors:	Senator Davis.	
Referred to:	State and Local Government.	

April 14, 2011

A BILL TO BE ENTITLED

AN ACT TO ENACT THE OMNIBUS COUNTY BILL OF 2011.

The General Assembly of North Carolina enacts:

SECTION 1.1. Commission Established. – There is created the Records Preservation Modernization Commission. The Commission shall consist of 13 members to be appointed as follows:

(1) Three members of the House of Representatives appointed by the Speaker of the House of Representatives.

(2) Three members of the Senate appointed by the President Pro Tempore of the Senate.

(3) The Secretary of Cultural Resources, or the Secretary's designee.

(4) Three members of the public appointed by the Speaker of the House of Representatives with two of the appointments based on the recommendation of the North Carolina Association of County Commissioners and one of the appointments based on the recommendation of the North Carolina League of Municipalities.

(5) Three members of the public appointed by the President Pro Tempore of the Senate with two of the appointments based on the recommendation of the North Carolina Association of County Commissioners and one of the appointments based on the recommendation of the North Carolina League of Municipalities.

SECTION 1.2. Administration. – The Speaker of the House of Representatives shall designate one representative as cochair, and the President Pro Tempore of the Senate shall designate one senator as cochair. Vacancies on the Commission shall be filled by the same appointing authority making the initial appointment.

The Commission, while in the discharge of its official duties, may exercise all powers provided for under G.S. 120-19 and G.S. 120-19.1 through G.S. 120-19.4. The Commission may meet at any time upon the joint call of the cochairs. The Commission may meet in the Legislative Building or the Legislative Office Building. The Commission may contract for professional, clerical, or consultant services as provided by G.S. 120-32.02.

The Legislative Services Commission, through the Legislative Services Officer, shall assign professional staff to assist the Commission in its work. The House of Representatives and the Senate's Directors of Legislative Assistants shall assign clerical staff to the Commission, and the expenses relating to the clerical employees shall be borne by the Commission. Members of the Commission shall receive subsistence and travel expenses at the rates set forth in G.S. 120-3.1, 138-5, or 138-6, as appropriate.

SECTION 1.3. Duties. – The Commission shall study issues relating to records preservation standards, procedures, and techniques and consider any other issues the Commission deems relevant.

SECTION 1.4. Report. – The Commission may make a report, including any proposed legislation, to each regular session of the General Assembly upon its convening.

SECTION 2. G.S. 105-282.1(a1) reads as rewritten:

"(a1) Late Application. – ~~Upon a showing of good cause by the applicant for failure to make a timely application, an application for exemption or exclusion filed after the close of the listing period may be approved by the Department of Revenue, the board of equalization and review, the board of county commissioners, or the governing body of a municipality, as appropriate. An untimely application for exemption or exclusion approved under this subsection applies only to property taxes levied by the county or municipality in the calendar year in which the untimely application is filed.~~An application for a property tax exemption or exclusion provided by this section should be filed during the regular listing period but may be filed and must be accepted through June 1 preceding the tax year for which the exemption or exclusion is claimed."

SECTION 3. G.S. 105-164.4B(a) reads as rewritten:

"(a) General Principles. – The following principles apply in determining where to source the sale of a product. These principles apply regardless of the nature of the product.

(1) Over-the-counter. – When a purchaser receives a product at a business location of the seller, the sale is sourced to that business location.

(2) Delivery to specified address. – When a purchaser receives a product at a location specified by the purchaser and the location is not a business location of the seller, the sale is sourced to the location where the purchaser receives the product. For taxpayers required to make monthly prepayments of sales and use taxes pursuant to G.S. 105-164.16(b2), the appropriate expanded zip code of the United States Postal Service Zip + 4 system shall be used for the location where the purchaser receives the product.

(3) Delivery address unknown. – When a seller of a product does not know the address where a product is received, the sale is sourced to the first address or location listed in this subdivision that is known to the seller:

a. The business or home address of the purchaser.

b. The billing address of the purchaser or, if the product is prepaid wireless calling service, the location associated with the mobile telephone number.

c. The address from which tangible personal property was shipped or from which a service was provided."

SECTION 4. Section 3 of this act becomes effective July 1, 2011. The remainder of this act is effective when it becomes law.

SENATE BILL 572:
Omnibus County Bill

2011-2012 General Assembly

Committee:	Senate Finance	**Date:**	June 13, 2011
Introduced by:	Sen. Davis	**Prepared by:**	Heather Fennell
Analysis of:	First Edition		Committee Counsel

SUMMARY: ***Senate Bill 572 creates the Record Preservation Modernization Commission to study issues related to the preservation of records. The bill also amends the property tax laws to extend the time for filing an application for a property tax exemption and requires a zip + 4 as part of the address for a determination of where to source the sale of a product delivered to a purchaser who is required to make monthly prepayments of sales and use taxes.***

BILL ANALYSIS: Section 1 of Senate Bill 572 creates the Record Preservation Modernization Commission to study issues related to the preservation of records. The Commission is established as a permanent commission under Chapter 120 of the General Statutes. The Commission shall consist of 13 members: three House members appointed by the Speaker, three Senate members appointed by the President Pro Tem, the Secretary of Cultural Resources or the Secretary's designee, three members of the public appointed by the Speaker with 2 of those appointments based on recommendation of the County Commissioners Association and 1 based on recommendation by the League of Municipalities, and 3 members of the public appointed by the President Pro Tem, with 2 of those appointments based on recommendation of the County Commissioners Association and 1 based on recommendation by the League of Municipalities.

Section 2 of the bill amends the property tax laws to extend the time for filing an application for a property tax exemption to June 1 preceding the tax year for which the exemption is filed.

Section 3 amends the sales and use tax law to require a zip + 4 as part of the address for a determination of where to source the sale of a product delivered to a purchaser who is required to make monthly prepayments of sales and use taxes.

EFFECTIVE DATE: Section 3 of the act becomes effective July 1, 2011. The remainder of the act is effective when it becomes law.

Barbara Riley, counsel to Senate State and Local Government, substantially contributed to this summary.

HOUSE BILL 617
Committee Substitute Favorable 5/18/11

Short Title: Portable Electronics Insurance Coverage. (Public)

Sponsors:

Referred to:

April 6, 2011

A BILL TO BE ENTITLED

AN ACT TO PROVIDE FOR THE REGULATION OF PORTABLE ELECTRONICS INSURANCE.

The General Assembly of North Carolina enacts:

SECTION 1. Chapter 58 of the General Statutes is amended by adding a new Article to read:

"Article 44A.

"Portable Electronics Insurance.

"**§ 58-44A-1. Definitions.**

As used in this Article, the following definitions apply:

(1) Customer. – A person who purchases portable electronics or services.

(2) Enrolled customer. – A customer who elects coverage under a portable electronics insurance policy issued to a vendor of portable electronics.

(3) Location. – Any physical location in the State of North Carolina or any Web site, call center site, or similar location directed to residents of the State of North Carolina.

(4) Portable electronics. – Electronic devices that are portable in nature, their accessories, and services related to the use of the device.

(5) Portable electronics insurance. – Insurance providing coverage for the repair or replacement of portable electronics which may provide coverage for portable electronics against any one or more of the following causes of loss: (i) loss, (ii) theft, and (iii) inoperability due to mechanical failure, malfunction, damage, or other similar causes of loss. The term does not include the following:

a. A service contract or extended warranty providing coverage limited to the repair, replacement, or maintenance of property for the operational or structural failure of the property due to a defect in materials, workmanship, accidental damage from handling, power surges, or normal wear and tear.

b. A policy of insurance covering a seller's or a manufacturer's obligations under a warranty.

c. A homeowner's, renter's, private passenger automobile, commercial multiperil, or similar policy.

(6) Portable electronics transaction. – Either of the following:

a. The sale or lease of portable electronics by a vendor to a customer.

b. The sale of a service related to the use of portable electronics by a vendor to a customer.

(7) Supervising entity. – A business entity that is a licensed insurer or insurance producer.

(8) Vendor. – A person in the business of engaging in portable electronics transactions directly or indirectly.

"**§ 58-44A-5. Licensure of vendors.**

(a) A vendor is required to hold a limited lines license to sell or offer coverage under a policy of portable electronics insurance.

(b) A limited lines license issued under this section shall authorize any employee or authorized representative of the vendor to sell or offer coverage under a policy of portable electronics insurance to a customer at each location at which the vendor engages in portable electronics transactions.

(c) Notwithstanding any other provision of law, a license issued pursuant to this section shall authorize the licensee and its employees or authorized representatives to engage in those activities that are permitted in this section.

"**§ 58-44A-10. Requirements for sale of portable electronics insurance.**

(a) At every location where portable electronics insurance is offered to customers, brochures or other written materials shall be made available to a prospective customer. Those materials shall do the following:

(1) Disclose that portable electronics insurance may provide a duplication of coverage already provided by a customer's homeowner's insurance policy, renter's insurance policy, or other source of coverage.

(2) State that the enrollment by the customer in a portable electronics insurance program is not required in order to purchase or lease portable electronics or services.

(3) Summarize the material terms of the insurance coverage, including:

a. The identity of the insurer.

b. The identity of the supervising entity.

c. The amount of any applicable deductible and how it is to be paid.

d. Benefits of the coverage.

e. Key terms and conditions of coverage, such as whether portable electronics may be repaired or replaced with similar make and model reconditioned or nonoriginal manufacturer parts or equipment.

(4) Summarize the process for filing a claim, including a description of how to return portable electronics and the maximum fee applicable in the event the enrolled customer fails to comply with any equipment return requirements.

(5) State that the enrolled customer may cancel enrollment for coverage under a portable electronics insurance policy at any time and the person paying the premium shall receive a refund of any applicable unearned premium.

(b) Portable electronics insurance may be offered on a month-to-month or other periodic basis as a group or master commercial inland marine policy issued to a vendor of portable electronics for its enrolled customers.

(c) Eligibility and underwriting standards for customers electing to enroll in coverage shall be established for each portable electronics insurance program.

(d) The terms of the termination or modification of coverage under a policy of portable electronic insurance offered in compliance with this section shall be as set forth in the policy.

"**§ 58-44A-15. Authority of vendors of portable electronics.**

(a) The employees and authorized representatives of vendors may sell or offer portable electronics insurance to customers and shall not be subject to licensure as an insurance producer under this Chapter provided that the following are true:

(1) The vendor obtains a limited lines license to authorize its employees or authorized representatives to sell or offer portable electronics insurance pursuant to this section.

(2) The insurer issuing the portable electronics insurance either directly supervises or appoints a supervising entity to supervise the administration of the program, including development of a training program for employees and authorized representatives of the vendors. The training required by this subdivision shall comply with the following:

a. The training shall be delivered to employees and authorized representatives of a vendor who are directly engaged in the activity of selling or offering portable electronics insurance.

b. The training may be provided in electronic form. If conducted in an electronic form, the supervising entity shall implement a supplemental education program regarding portable electronics insurance that is conducted and overseen by licensed employees of the supervising entity.

c. Each employee and authorized representative shall receive basic instruction about the portable electronics insurance offered to customers and the disclosures required under G.S. 58-44A-10.

(3) No employee or authorized representative of a vendor of portable electronics shall advertise, represent, or otherwise hold himself or herself out as a non-limited lines licensed insurance producer.

(b) The charges for portable electronics insurance coverage may be billed and collected by the vendor of portable electronics. Any charge to the enrolled customer for coverage that is not included in the cost associated with the purchase or lease of portable electronics or related services shall be separately itemized on the enrolled customer's bill. If the portable electronics insurance coverage is included with the purchase or lease of portable electronics or related services, the vendor shall clearly and conspicuously disclose to the enrolled customer that the portable electronics insurance coverage is included with the portable electronics or related services. Vendors billing and collecting such charges shall not be required to maintain such funds in a segregated account, provided that the vendor is authorized by the insurer to hold such funds in an alternative manner and remits such amounts to the supervising entity within 60 days of receipt. All funds received by a vendor from an enrolled customer for the sale of portable electronics insurance shall be considered funds held in trust by the vendor in a fiduciary capacity for the benefit of the insurer. Vendors may receive compensation for billing and collection services in accordance with G.S. 58-33-85.

"**§ 58-44A-20. Suspension or revocation of license.**

If a vendor of portable electronics or its employee or authorized representative violates any provision of this section, the Commissioner may do any of the following:

(1) Revoke or suspend a limited lines license issued under this Part in accordance with the provisions of G.S. 58-33-46.

(2) After notice and hearing, impose other penalties, including suspending the transaction of insurance at specific locations where violations of this Article have occurred, as the Commissioner deems necessary and reasonable to carry out the purpose of this Article.

"**§ 58-44A-25. Application for license.**

The prerequisites for issuance of a limited lines license under this Article are the filing with the Commissioner of the following:

(1) A license application, signed by an officer of the applicant, for the limited lines license in such form or forms, and supplements thereto, and containing such information, as the Commissioner may prescribe.

(2) A certificate by the insurer that is to be named in such limited lines license, stating that it has satisfied itself that the named applicant is trustworthy and competent to act as its insurance agent for this limited purpose and that the insurer will appoint such applicant to act as the agent in reference to the kinds of insurance as are permitted by this section, if the limited lines license applied for is issued by the Commissioner. Such certificate shall be subscribed to by an officer or managing agent of such insurer and affirmed as true under the penalties of perjury."

SECTION 2. This act becomes effective January 1, 2012.

HOUSE BILL 617:
Portable Electronics Insurance Coverage

2011-2012 General Assembly

Committee:	Senate Finance	**Date:**	June 13, 2011
Introduced by:	Rep. Dockham	**Prepared by:**	Greg Roney Committee Counsel
Analysis of:	Second Edition		

SUMMARY: ***House Bill 617 would require companies offering insurance against loss, theft, or mechanical failure for portable electronic devices and accessories hold a limited lines license issued by the NC Department of Insurance.***

CURRENT LAW: Retailers selling portable electronic devices in NC appear to offer portable electronics insurance through an exception to insurance license requirements for group property and casualty insurance found in G.S. 58-33-26(n)(2).

BILL ANALYSIS: House Bill 617 would expressly authorize insurance for portable electronic devices under a limited lines license. The limited lines license allows any employee or agent of the license holder to sell insurance for portable electronic devices at all the license holder's locations. The NC Department of Insurance would have the same regulatory authority over portable electronics insurance as it has with all limited lines insurance.

House Bill 617 would impose consumer protection measures on limited lines insurance for portable electronic devices including:

- Written materials available to prospective customer must
  - Disclose that portable electronics insurance may provide a duplication of coverage already provided by a customer's homeowner's insurance policy, renter's insurance policy, or other source of coverage.
  - State that purchase of insurance is optional.
  - Summarize the material terms of the insurance coverage, including the identity of the insurer, the identity of the supervising entity, the amount of any deductible and how it is to be paid, benefits of the coverage, and key terms and conditions of coverage (such as whether portable electronics may be repaired or replaced with similar make and model reconditioned or nonoriginal-manufacturer parts or equipment).
  - Summarize the process for filing a claim, including the maximum fee if the customer fails to comply with any equipment return requirements.
  - State that the customer may cancel coverage at any time and receive a refund of any applicable unearned premium.
- The insurance policy must contain the terms of the termination or modification of coverage.
- The insurer underwriting the portable electronics insurance must administer a training program for employees of the license holder. The training program must provide basic instruction about the portable electronics insurance offered to customers and the disclosures required in the written materials available to prospective customer.

EFFECTIVE DATE: House Bill 617 would be effective January 1, 2012.

Tim Hovis, counsel to House Insurance, substantially contributed to this summary.

HOUSE BILL 896
Committee Substitute Favorable 6/2/11

Short Title: Facilitate Electronic Listing. (Public)

Sponsors:

Referred to:

May 5, 2011

A BILL TO BE ENTITLED

AN ACT TO FACILITATE ELECTRONIC LISTING OF PERSONAL PROPERTY FOR PROPERTY TAX PURPOSES.

The General Assembly of North Carolina enacts:

SECTION 1. G.S. 105-304(a1) and (b)(3) are repealed.

SECTION 2. G.S. 105-296(c) reads as rewritten:

"(c) At least 10 days before the date as of which property is to be listed, ~~he~~ the assessor shall advertise in a newspaper having general circulation in the county and post in at least five public places in each township in the county a notice containing ~~at least the following:~~ all of the items listed in this subsection. If the listing period is extended in any county by the board of county commissioners, the assessor shall advertise in the newspaper in which the original notice was published and post in the same places a notice of the extension and of the times during which and the place or places at which lists will be accepted during the extended period. The items that must be included in the notice are:

(1) The date as of which property is to be listed.
(2) The date on which listing will begin.
(3) The date on which listing will end.
(4) The times between the date mentioned in subdivision (c)(2), above, and the date mentioned in subdivision (c)(3), above, during which lists will be accepted.
(5) The place or places at which lists will be accepted at the times established under subdivision (c)(4), above.
(6) A statement that all persons who, on the date as of which property is to be listed, own property subject to taxation must list such property within the period set forth in the notice and that any person who fails to do so will be subject to the penalties prescribed by law.
(7) If the county has provided for electronic listing of personal property under G.S. 105-310.1, a statement that the county allows electronic listing of personal property and the timetable and procedures for electronic listing.

~~If the listing period is extended in any county by the board of county commissioners, the assessor shall advertise in the newspaper in which the original notice was published and post in the same places a notice of the extension and of the times during which and the place or places at which lists will be accepted during the extended period.~~"

SECTION 3. G.S. 105-307 reads as rewritten:

"**§ 105-307. Length of listing period; extension; preliminary work.**

(a) Listing Period. – Unless extended as provided in this section, the period during which property is to be listed for taxation each year begins on the first business day of January and ends on January 31.

(b) General Extensions. – The board of county commissioners may, by resolution, extend the time during which property is to be listed for taxation as provided in this subsection. Any action by the board of county commissioners extending the listing period must be recorded in the minutes of the board, and notice of the extensions must be published as required by G.S. 105-296(c). The entire period for listing, including any extension of time granted, is considered the regular listing period for the particular year within the meaning of this Subchapter.

(1) In nonrevaluation years, the listing period may be extended for up to 30 additional days.

(2) In years of octennial appraisal of real property, the listing period may be extended for up to 60 additional days.

(3) If the county has provided for electronic listing of personal property under G.S. ~~105-304,~~ 105-310.1, the period for electronic listing of ~~business~~ personal property may be extended up to June 1. A resolution that provides a general extension of time for the electronic listing of personal property shall continue in effect until revised or rescinded unless otherwise stated in the resolution.

(c) Individual Extensions. – The board of county commissioners shall grant individual extensions of time for the listing of real and personal property upon written request and for good cause shown. The request must be filed with the assessor no later than the ending date of the regular listing period. The board may delegate the authority to grant extensions to the assessor. Extensions granted under this subsection shall not extend beyond April 15. Notwithstanding the individual extension time limitation in this subsection, ~~If~~ if the county has provided for electronic listing of personal property under G.S. ~~105-304, the period for electronic listing of business personal property is as provided in subsection (b) of this section.~~ 105-310.1, extensions granted for electronic listing of personal property shall not extend beyond June 1.

(d) Preliminary Work. – The assessor may conduct preparatory work before the listing period begins, but may not make a final appraisal of property before the day as of which the value of the property is to be determined under G.S. 105-285."

SECTION 4. Article 17 of Chapter 105 of the General Statutes is amended by adding a new section to read:

"**§ 105-310.1. Electronic listing of personal property.**

(a) Personal property may be listed by electronic listing as provided in this section.

(b) The Department of Revenue may establish, after consultation with the counties, the standards and requirements for electronic listing of personal property, including the minimum requirements that must exist before electronic listing will be allowed in a county.

(c) The board of county commissioners may, by resolution, provide for electronic listing of personal property in accordance with the standards and requirements prescribed by the Department of Revenue. The board of county commissioners may, by resolution, delegate its authority to provide for electronic listing of personal property to the county assessor.

(d) Definitions. – The following definitions apply in this section:

(1) Electronic listing. – The filing by electronic means of the abstract required by G.S. 105-309 and the affirmation required by G.S. 105-310.

(2) Electronic. – Defined in G.S. 66-312."

SECTION 5. G.S. 105-311 reads as rewritten:

"**§ 105-311. ~~Duty to appear for purposes of listing~~Listing and signing affirmation; use of ~~agents and mail.~~agents, mail, and electronic listing.**

(a) Except as otherwise provided in this section, the person whose duty it is to list property for taxation shall ~~appear before~~ file the completed abstract with the assessor for purposes of listing and shall sign the affirmation required by G.S. 105-310 to be annexed to the completed abstract on which the property is listed. The abstract must be filed with the assessor on a form approved by the Department of Revenue.

(1) In the case of an individual taxpayer who is unable to list his property, a guardian, authorized agent, or other person having knowledge of and charged with the care of the person and property of the taxpayer shall ~~appear for purposes of listing~~ file the completed abstract and shall sign the required affirmation in the name of the taxpayer, noting thereon the capacity in which he signs.

(2) In the case of a corporation, partnership, limited liability company, or unincorporated association, a person specified in ~~subdivision a. or subdivision b.~~sub-subdivision a., b., or c. below, shall ~~appear for purposes of listing the taxpayer's property~~ file the completed abstract and shall sign the required affirmation in the name of the taxpayer, noting thereon the capacity in which he signs, and no other agent shall be permitted to sign the affirmation required on such a taxpayer's abstract:

a. A principal officer of the ~~taxpayer or~~taxpayer.

b. A full-time employee of the taxpayer who has been officially empowered by a principal officer of the taxpayer in his behalf to list the taxpayer's property for taxation in the county and to sign the affirmation annexed to the abstract or abstracts on which its property is listed.

c. An agent of the taxpayer authorized by a principal officer of the taxpayer in a manner prescribed by the Department of Revenue.

~~(3) In the case of an individual who is not a resident of the county in which his property is to be listed, the taxpayer shall sign the affirmation required on the abstract on which his property is listed, but he may submit the completed abstract by mail or by an authorized agent.~~

(b) ~~Any abstract submitted by mail may be accepted or rejected by the assessor in the assessor's discretion. However, the board of county commissioners, with the approval of the Department of Revenue, may by resolution provide for the general acceptance of completed abstracts submitted by mail or submitted electronically.~~Abstracts may be submitted in person or by mail. Additionally, if the county has provided for electronic listing of personal property under G.S. 105-310.1, personal property abstracts may be submitted by electronic listing.

(1) Submission by mail. – In no event shall an abstract submitted by mail be accepted unless the affirmation on the abstract is signed by the individual prescribed in subsection (a) of this section. ~~An electronic listing may be signed electronically in accordance with the Electronic Commerce Act, Article 11A of Chapter 66 of the General Statutes.~~ For the purpose of this Subchapter, abstracts submitted by mail are considered filed as of the date shown on the postmark affixed by the United States Postal Service. If no date is shown on the postmark, or if the postmark is not affixed by the United States Postal Service, the abstract is considered filed when received in the office of the assessor.

(2) Submission by electronic listing. – In no event shall an abstract submitted by electronic listing be accepted unless the affirmation on the abstract is signed by the individual prescribed in subsection (a) of this section. The affirmation may be signed using an electronic signature method approved by the Department of Revenue. For the purpose of this Subchapter, ~~Abstracts~~

abstracts submitted by electronic listing are considered filed when received in the office of the ~~assessor.~~assessor as denoted by timestamps applied by the receiving equipment or programs.

(c) In any dispute arising under this Subchapter, the burden of proof is on the taxpayer to show that the abstract was timely filed."

SECTION 6. This act is effective when it becomes law.

HOUSE BILL 896:
Facilitate Electronic Listing

2011-2012 General Assembly

Committee:	Senate Finance	**Date:**	June 13, 2011
Introduced by:	Rep. Brubaker	**Prepared by:**	Trina Griffin Committee Counsel
Analysis of:	Second Edition		

SUMMARY: ***House Bill 896 would authorize the Department of Revenue, in consultation with the counties, to establish standards and requirements for the electronic listing of personal property allowed by counties.***

CURRENT LAW: All property, real and personal, within the jurisdiction of this State is subject to property tax unless it is excluded by statute or exempted by the Constitution. The property must be listed annually. A board of county commissioners may, by resolution, provide for electronic listing of personal property. If a county allows electronic listing of personal property, the assessor must publish this information, including the timetable and procedures for electronic listing.

BILL ANALYSIS:

Section 1 of the bill would repeal the current statutory authority that allows counties to provide for electronic listing of personal property. The bill creates a new statute in its place (see Section 4) that allows counties to provide for electronic listing of personal property only after the Department of Revenue has established standards and minimum requirements.

Section 2 of the bill would require that a county include in the published notice regarding the listing of personal property whether the county allows electronic listing and the timetable and procedures for doing so.

Section 3 of the bill provides that a resolution that includes a general extension of time for the electronic listing of personal property continues to be in effect until the resolution is revised or rescinded. It further provides that if a board grants an individual taxpayer an extension for good cause shown for the electronic listing of personal property, the extension may not extend beyond June 1. Under current law, the period for electronic listing may only be extended to June 1, both generally and in individual cases. Other individual extensions may not extend beyond April 15.

Section 4 of the bill creates a new statute that would authorize the Department of Revenue to establish, upon consultation with the counties, standards and requirements for the electronic listing of personal property. Once the standards have been established, a county may, by resolution, provide for electronic listing. A county may also delegate this authority to the county tax assessor.

Section 5 of the bill would eliminate the requirement that a person with a duty to list property to appear before the assessor and would substitute a requirement to file a completed abstract along with the required affirmation.

EFFECTIVE DATE: This act is effective when it becomes law.

H896-SMSV-78(e2) v1

HOUSE BILL 397
Committee Substitute Favorable 4/20/11

Short Title: DHHS Penalties and Remedies Revision.-AB (Public)

March 17, 2011

A BILL TO BE ENTITLED

AN ACT REVISING PENALTIES AND REMEDIES CONCERNING HEALTH FACILITIES.

The General Assembly of North Carolina enacts:

SECTION 1. G.S. 122C-24.1 reads as rewritten:

"**§ 122C-24.1. Penalties; remedies.**

(a) ~~Violations Classified.~~ Violation Classification and Penalties. – The Department of Health and Human Services shall impose an administrative penalty in accordance with provisions of this Article on any facility licensed under this Article which is found to be in violation of Article 2 or 3 of this Chapter or applicable State and federal laws and regulations. Citations ~~issued~~ for violations shall be classified and penalties assessed according to the nature of the violation as follows:

(1) "Type ~~A~~ A1 Violation" means a violation by a facility of the regulations, standards, and requirements set forth in Article 2 or 3 of this Chapter or applicable State or federal laws and regulations governing the licensure or certification of a facility which results in death or serious physical harm, abuse, neglect, or exploitation. ~~harm, or results in substantial risk that death or serious physical harm will occur. Type A Violations shall be abated or eliminated immediately. The Department shall require an immediate plan of correction for each Type A Violation.~~ The person making the findings shall do the following:

a. Orally and immediately inform the ~~administrator of the~~ facility of the Type A1 Violation and the specific ~~findings and what must be done to correct them, and set a date by which the violation must be corrected;~~ findings.

a1. Require a written plan of protection regarding how the facility will immediately abate the Type A1 Violation in order to protect clients from further risk or additional harm.

b. Within ~~10~~ 15 working days of the investigation, ~~confirm in writing to the administrator the information provided orally under sub-subdivision a. of this subdivision; and~~ send a report of the findings to the facility.

c. ~~Provide a copy of the written confirmation required under sub-subdivision b. of this subdivision to the Department.~~ Require a plan of correction to be submitted to the Department, based on a written report of the findings, that describes steps the facility will take to achieve and maintain compliance.

The Department shall impose a civil penalty in an amount not less than five hundred dollars ($500.00) nor more than ten thousand dollars ($10,000) for each Type ~~A~~ A1 Violation in facilities or programs that serve six or fewer persons. The Department shall impose a civil penalty in an amount not less than one thousand dollars ($1,000) nor more than twenty thousand dollars ($20,000) for each Type ~~A~~ A1 Violation in facilities or programs that serve seven or more persons.

Where a facility has failed to correct a Type A1 Violation, the Department shall access the facility a civil penalty in the amount of up to one thousand dollars ($1,000) for each day that the violation continues beyond the time specified for correction. The Department or its authorized representative shall determine whether the violation has been corrected.

(1a) "Type A2 Violation" means a violation by a facility of the regulations, standards, and requirements set forth in Article 2 or 3 of this Chapter or applicable State or federal laws and regulations governing the licensure or certification of a facility which results in substantial risk that death or serious physical harm, abuse, neglect, or exploitation will occur. The person making the findings shall do the following:

a. Orally and immediately inform the facility of the Type A2 Violation and the specific findings.

b. Require a written plan of protection regarding how the facility will immediately abate the Type A2 Violation in order to protect clients or residents from further risk or additional harm.

c. Within 15 working days of the investigation, send a report of the findings to the facility.

d. Require a plan of correction to be submitted to the Department, based on the written report of the findings, that describes steps the facility will take to achieve and maintain compliance.

The violation or violations shall be corrected within the time specified for correction by the Department or its authorized representative. The Department may or may not assess a penalty taking into consideration the compliance history, preventative measures, and response to previous violations by the facility. Where a facility has failed to correct a Type A2 Violation, the Department shall assess the facility a civil penalty in the amount of up to one thousand dollars ($1,000) for each day that the deficiency continues beyond the time specified for correction by the Department or its authorized representative. The Department or its authorized representative shall determine whether the violation has been corrected.

(1b) "Past Corrected Type A1 or Type A2 Violation" means either (i) the violation was not previously identified by the Department or its authorized representative or (ii) the violation was discovered by the facility as was self-reported, but in either case the violation has been corrected. In determining whether a penalty should be assessed under this section, the Department shall consider the following factors:

a. Preventative measures in place prior to the violation.

b. Whether the violation or violations were abated immediately.

c. Whether the facility implemented corrective measures to achieve and maintain compliance.

d. Whether the facility's system to ensure compliance is maintained and continues to be implemented.

e. Whether the regulatory area remains in compliance.

(2) "Type B Violation" means a violation by a facility of the regulations, standards, and requirements set forth in Article 2 or 3 of this Chapter or applicable State or federal laws and regulations governing the licensure or certification of a facility which ~~present a direct relationship~~ is detrimental to the health, safety, or welfare of any client or patient, but which does not result in substantial risk that death or serious physical ~~harm~~ harm, abuse, neglect, or exploitation will occur. ~~The Department shall require a plan of correction for each Type B Violation and may require the facility to establish a specific plan of correction within a specific time period to address the violation.~~ The person making the findings shall do the following:

a. Orally and immediately inform the facility of the Type B Violation and the specific findings.

b. Require a written plan of protection regarding how the facility will immediately abate the Type B Violation in order to protect clients or residents from further risk or additional harm.

c. Within 15 working days of the investigation, send a report of the findings to the facility.

d. Require a plan of correction to be submitted to the Department, based on the written report of the findings, that describes steps the facility will take to achieve and maintain compliance.

~~(b) Penalties for Failure to Correct Violations Within Time Specified.~~

~~(1) Where a facility has failed to correct a Type A Violation, the Department shall assess the facility a civil penalty in the amount of up to one thousand dollars ($1,000) for each day that the deficiency continues beyond the time specified in the plan of correction approved by the Department or its authorized representative. The Department or its authorized representative shall ensure that the violation has been corrected.~~

~~(2)~~ Where a facility has failed to correct a Type B Violation within the time specified for correction by the Department or its authorized representative, the Department shall assess the facility a civil penalty in the amount of up to four hundred dollars ($400.00) for each day that the ~~deficiency~~ violation continues beyond the date specified for correction without just reason for the failure. The Department or its authorized representative shall ensure that the violation has been corrected.

(3) Repeat Violations. – The Department shall impose a civil penalty which is treble the amount assessed under ~~subdivision (1) of~~ this subsection ~~(a) of this section~~ when a facility under the same ~~management, ownership, or control~~ management or ownership has received a citation during the previous 12 months for which the appeal rights are exhausted and penalty payment is expected or has occurred, and ~~has received a citation and paid a penalty for~~ the current violation is for ~~violating~~ the same specific provision of a statute or regulation for which it received a ~~citation~~ violation during the previous 12 months.

(c) Factors to Be Considered in Determining Amount of Initial Penalty. – In determining the amount of the initial penalty to be imposed under this section, the Department shall consider the following factors:

(1) There is substantial risk that serious physical harm, abuse, neglect, or exploitation will occur, and this has not been corrected within the time specified by the Department or its authorized representative; ~~The gravity of the violation, including the fact that death or serious physical harm to a~~

~~client or patient has resulted; the severity of the actual or potential harm, and the extent to which the provisions of the applicable statutes or regulations were violated;~~

(2) Serious physical harm, abuse, neglect, or exploitation, without substantial risk for client death, did occur;~~The gravity of the violation, including the probability that death or serious physical harm to a client or patient will result; the severity of the potential harm, and the extent to which the provisions of the applicable statutes or regulations were violated;~~

(3) Serious physical harm, abuse, neglect, or exploitation, with substantial risk for client death, did occur;~~The gravity of the violation, including the probability that death or serious physical harm to a client or patient may result; the severity of the potential harm, and the extent to which the provisions of the applicable statutes or regulations were violated;~~

(3a) A client died;

(3b) A client died and there is substantial risk to others for serious physical harm, abuse, neglect, or exploitation;

(3c) A client died and there is substantial risk for further client death;

(4) The reasonable diligence exercised by the licensee to comply with G.S. 131E-256 and other applicable State and federal laws and regulations;

(5) Efforts by the licensee to correct violations;

(6) The number and type of previous violations committed by the licensee within the past 36 months; and

~~(7) The amount of assessment necessary to ensure immediate and continued compliance; and~~

(8) The number of clients or patients put at risk by the violation.

(d) The facts found to support the factors in subsection (c) of this section shall be the basis in determining the amount of the penalty. The Department shall document the findings in written record and shall make the written record available to all affected parties including:

(1) The licensee involved;

(2) The clients or patients affected; and

(3) The family members or guardians of the clients or patients affected.

(e) The Department shall impose a civil penalty of fifty dollars ($50.00) per day on any facility which refuses to allow an authorized representative of the Department to inspect the premises and records of the facility.

(f) Any facility wishing to contest a penalty shall be entitled to an administrative hearing as provided in Chapter 150B of the General Statutes. A petition for a contested case shall be filed within 30 days after the Department mails a notice of penalty to a licensee. At least the following specific issues shall be addressed at the administrative hearing:

(1) The reasonableness of the amount of any civil penalty assessed, and

(2) The degree to which each factor has been evaluated pursuant to subsection (c) of this section to be considered in determining the amount of an initial penalty.

If a civil penalty is found to be unreasonable or if the evaluation of each factor is found to be incomplete, the hearing officer may recommend that the penalty be adjusted accordingly.

(g) Any penalty imposed by the Department of Health and Human Services under this section shall commence on the ~~day the violation began.~~ date of the letter of notification of the penalty amount.

(h) The Secretary may bring a civil action in the superior court of the county wherein the violation occurred to recover the amount of the administrative penalty whenever a facility:

(1) Which has not requested an administrative hearing fails to pay the penalty within 60 days after being notified of the penalty, or

(2) Which has requested an administrative hearing fails to pay the penalty within 60 days after receipt of a written copy of the decision as provided in G.S. 150B-36.

(i) In lieu of assessing ~~an~~ all or some of the administrative penalty, the Secretary may order a facility to provide staff training ~~if:~~ if the training is:

(1) Specific to the violation;

(2) Approved by the Department of Health and Human Services; and

(3) Taught by someone approved by the Department.

~~(1) The penalty would be for the facility's only violation within a 12-month period preceding the current violation and while the facility is under the same management; and~~

~~(2) The training is:~~

~~a. Specific to the violation;~~

~~b. Approved by the Department of Health and Human Services; and~~

~~c. Taught by someone approved by the Department and other than the provider.~~

(j) The clear proceeds of civil penalties provided for in this section shall be remitted to the State Treasurer for deposit in accordance with State law.

(k) In considering renewal of a license, the Department shall not renew a license if outstanding fines and penalties imposed by the Department against the facility or program have not been paid. Fines and penalties for which an appeal is pending are exempt from consideration for nonrenewal under this subsection."

SECTION 2. G.S. 131D-34 reads as rewritten:

"**§ 131D-34. Penalties; remedies.**

(a) ~~Violations Classified.~~ Violation Classification and Penalties. – The Department of Health and Human Services shall impose an administrative penalty in accordance with provisions of this Article on any facility which is found to be in violation of requirements of G.S. 131D-21 or applicable State and federal laws and regulations. Citations ~~issued~~ for violations shall be classified and penalties assessed according to the nature of the violation as follows:

(1) "Type ~~A~~ A1 Violation" means a violation by a facility of the regulations, standards, and requirements set forth in G.S. 131D-21 or applicable State or federal laws and regulations governing the licensure or certification of a facility which results in death or serious physical harm, abuse, neglect, or exploitation. ~~or results in substantial risk that death or serious physical harm will occur. Type A Violations shall be abated or eliminated immediately. The Department shall require an immediate plan of correction for each Type A Violation.~~ The person making the findings shall do the following:

a. Orally and immediately inform the ~~administrator of the~~ facility of the Type A1 Violation and the specific ~~findings~~ findings.~~and what must be done to correct them, and set a date by which the violation must be corrected;~~

a1. Require a written plan of protection regarding how the facility will immediately abate the Type A1 Violation in order to protect residents from further risk or additional harm.

b. Within ~~10~~ 15 working days of the investigation, ~~confirm in writing to the administrator the information provided orally under sub-subdivision a. of this subdivision; and~~send a report of the findings to the facility.

c. ~~Provide a copy of the written confirmation required under sub-subdivision b. of this subdivision to the Department.~~ Require a

plan of correction to be submitted to the Department, based on the written report of the findings, that describes steps the facility will take to achieve and maintain compliance.

The Department shall impose a civil penalty in an amount not less than five hundred dollars ($500.00) nor more than ten thousand dollars ($10,000) for each Type ~~A~~ A1 Violation in ~~homes~~ facilities licensed for six or fewer beds. The Department shall impose a civil penalty in an amount not less than one thousand dollars ($1,000) nor more than twenty thousand dollars ($20,000) for each Type ~~A~~ A1 Violation in facilities licensed for seven or more beds. Where a facility has failed to correct a Type A1 Violation, the Department shall assess the facility a civil penalty in the amount of up to one thousand dollars ($1,000) for each day that the violation continues beyond the time specified for correction by the Department or its authorized representative. The Department or its authorized representative shall determine whether the violation has been corrected.

(1a) "Type A2 Violation" means a violation by a facility of the regulations, standards, and requirements set forth in G.S. 131D-21 or applicable State or federal laws and regulations governing the licensure or certification of a facility which results in substantial risk that death or serious physical harm, abuse, neglect, or exploitation will occur. The person making the findings shall do the following:

a. Orally and immediately inform the facility of the Type A2 Violation and the specific findings.

b. Require a written plan of protection regarding how the facility will immediately abate the Type A2 Violation in order to protect clients or residents from further risk or additional harm.

c. Within 15 working days of the investigation, send a report of the findings to the facility.

d. Require a plan of correction to be submitted to the Department, based on the written report of the findings, that describes steps the facility will take to achieve and maintain compliance.

The violation or violations shall be corrected within the time specified for correction by the Department or its authorized representative. The Department may or may not assess a penalty taking into consideration the compliance history, preventative measures, and response to previous violations by the facility. Where a facility has failed to correct a Type A2 Violation, the Department shall assess the facility a civil penalty in the amount of up to one thousand dollars ($1,000) for each day that the deficiency continues beyond the time specified for correction by the Department or its authorized representative. The Department or its authorized representative shall determine whether the violation has been corrected.

(1b) "Past Corrected Type A1 or Type A2 Violation" means either (i) the violation was not previously identified by the Department or its authorized representative or (ii) the violation was discovered by the facility and was self-reported, but in either case the violation has been corrected. In determining whether a penalty should be assessed under this section, the Department shall consider the following factors:

a. Preventive systems in place prior to the violation.

b. Whether the violation or violations were abated immediately.

c. Whether the facility implemented corrective measures to achieve maintain compliance.

d. Whether the facility's system to ensure compliance is maintained and continues to be implemented.

e. Whether the regulatory area remains in compliance.

(2) "Type B Violation" means a violation by a facility of the regulations, standards and requirements set forth in G.S. 131D-21 or applicable State or federal laws and regulations governing the licensure or certification of a facility which is detrimental ~~present a direct relationship~~ to the health, safety, or welfare of any resident, but which does not result in substantial risk that death or serious physical ~~harm~~ harm, abuse, neglect, or exploitation will occur. ~~The Department shall require a plan of correction for each Type B Violation and may require the facility to establish a specific plan of correction within a reasonable time period to address the violation. The required plan cannot exceed requirements imposed by existing rule or law.~~The person making the findings shall do the following:

a. Orally and immediately inform the facility of the Type B Violation and the specific findings.

b. Require a written plan of protection regarding how the facility will immediately abate the Type B Violation in order to protect residents from further risk or additional harm.

c. Within 15 working days of the investigation, send a report of the findings to the facility.

d. Require a plan of correction to be submitted to the Department, based on the written report of the findings, that describes steps the facility will take to achieve and maintain compliance.

~~(b) Penalties for failure to correct violations within time specified.~~

~~(1) Where a facility has failed to correct a Type A Violation, the Department shall assess the facility a civil penalty in the amount of up to one thousand dollars ($1,000) for each day that the deficiency continues beyond the time specified in the plan of correction approved by the Department or its authorized representative. The Department or its authorized representative shall ensure that the violation has been corrected.~~

~~(2)~~ Where a facility has failed to correct a Type B Violation within the time specified for correction by the Department or its authorized representative, the Department shall assess the facility a civil penalty in the amount of up to four hundred dollars ($400.00) for each day that the ~~deficiency~~ violation continues beyond the date specified for correction without just reason for such failure. The Department or its authorized representative shall ensure that the violation has been corrected.

(3) Repeat Violations. – The Department shall impose a civil penalty which is treble the amount assessed under ~~subdivision (1) of~~ subsection (a) of this section when a facility under the same ~~management, ownership, or control has received a citation~~ management or ownership has received a citation during the previous 12 months for which the appeal rights are exhausted and penalty payment is expected or has occurred, and the current violation is ~~and paid a penalty~~ for ~~violating~~ the same specific provision of a statute or regulation for which it received a ~~citation~~ violation during the previous 12 months. The counting of the 12-month period shall be tolled during any time when the facility is being operated by a court-appointed temporary manager pursuant to Article 4 of this Chapter.

(c) ~~Factors to be considered in determining amount of initial penalty.~~ Factors to Be Considered in Determining Amount of Initial Penalty. – In determining the amount of the initial penalty to be imposed under this section, the Department shall consider the following factors:

(1) ~~The gravity of the violation, including the fact that death or serious physical harm to a resident has resulted; the severity of the actual or potential harm, and the extent to which the provisions of the applicable statutes or regulations were violated;~~There is substantial risk that serious physical harm, abuse, neglect, or exploitation will occur;

(1a) ~~The gravity of the violation, including the probability that death or serious physical harm to a resident will result; the severity of the potential harm, and the extent to which the provisions of the applicable statutes or regulations were violated;~~ Serious physical harm, abuse, neglect, or exploitation, without substantial risk for resident death, did occur;

(1b) ~~The gravity of the violation, including the probability that death or serious physical harm to a resident may result; the severity of the potential harm, and the extent to which the provisions of the applicable statutes or regulations were violated;~~ Serious physical harm, abuse, neglect, or exploitation, with substantial risk for resident death, did occur;

(1c) A resident died;

(1d) A resident died and there is substantial risk to others for serious physical harm, abuse, neglect, or exploitation;

(1e) A resident died and there is substantial risk for further resident death;

(2) The reasonable diligence exercised by the licensee to comply with G.S. 131E-256 and ~~G.S. 131E-265~~ G.S. 131D-21 and other applicable State and federal laws and regulations;

(2a) Efforts by the licensee to correct violations;

(3) The number and type of previous violations committed by the licensee within the past 36 months; and

~~(4) The amount of assessment necessary to insure immediate and continued compliance; and~~

~~(5)~~ (4) The number of ~~patients~~ residents put at risk by the violation.

(c1) The facts found to support the factors in subsection (c) of this section shall be the basis in determining the amount of the penalty. The ~~Secretary~~ Department shall document the findings in written record and shall make the written record available to all affected parties including:

(1) The penalty review committee;

(2) The local department of social services who is responsible for oversight of the facility involved;

(3) The licensee involved;

(4) The residents affected; and

(5) ~~The family members or guardians of the residents affected.~~ The family member who serves as a responsible party or those who have legal authority on behalf of the affected resident.

(c2) Local county departments of social services and Division of Health Service Regulation personnel shall submit proposed penalty recommendations to the Department within 45 days of the citation of a violation.

(d) The Department shall impose a civil penalty of fifty dollars ($50.00) per day on any facility which refuses to allow an authorized representative of the Department to inspect the premises and records of the facility.

(d1) The Department shall impose a civil penalty on any applicant for licensure who provides false information or omits information on the portion of the licensure application requesting information on owners, administrators, principals, or affiliates of the facility. The amount of the penalty shall be as is prescribed for a Type ~~A~~ A1 Violation.

(e) Any facility wishing to contest a penalty shall be entitled to an administrative hearing as provided in ~~the Administrative Procedure Act,~~ Chapter 150B of the General Statutes. A petition for a contested case shall be filed within 30 days after the Department mails a notice of penalty to a licensee. At least the following specific issues shall be addressed at the administrative hearing:

(1) The reasonableness of the amount of any civil penalty assessed, and

(2) The degree to which each factor has been evaluated pursuant to subsection (c) of this section to be considered in determining the amount of an initial penalty.

If a civil penalty is found to be unreasonable or if the evaluation of each factor is found to be incomplete, the hearing officer may recommend that the penalty be adjusted accordingly.

(f) ~~Notwithstanding the notice requirements of G.S. 131D-26(b), any~~ Any penalty imposed by the Department of Health and Human Services under this section shall commence on the ~~day the violation began.~~ date the violation was identified.

(g) The Secretary may bring a civil action in the superior court of the county wherein the violation occurred to recover the amount of the administrative penalty whenever a facility:

(1) Which has not requested an administrative hearing fails to pay the penalty within 60 days after being notified of the penalty, or

(2) Which has requested an administrative hearing fails to pay the penalty within 60 days after receipt of a written copy of the decision as provided in G.S. 150B-36.

(g1) In lieu of assessing ~~an~~ all or some of the administrative penalty, the Secretary may order a facility to provide staff training ~~if:~~ if the training is:

(1) Specific to the violation;

(2) Approved by the Department of Health and Human Services; and

(3) Taught by someone approved by the Department.

~~(1) The cost of training does not exceed one thousand dollars ($1,000);~~

~~(2) The penalty would be for the facility's only violation within a 12-month period preceding the current violation and while the facility is under the same management; and~~

~~(3) The training is:~~

~~a. Specific to the violation;~~

~~b. Approved by the Department of Health and Human Services; and~~

~~c. Taught by someone approved by the Department and other than the provider.~~

(h) The Secretary shall establish a penalty review committee within the Department, which shall meet as often as needed, but no less frequently than once each quarter of the year, to review administrative penalties assessed pursuant to this section and pursuant to G.S. 131E-129 as follows:

(1) The Secretary shall administer the work of the Committee and provide public notice of its meetings via Web site, and provide direct notice to the following parties involved in the penalties the Committee will be reviewing:

a. The licensed provider, who upon receipt of the notice, shall post the notice of the scheduled Penalty Review Committee meeting in a conspicuous place available to residents, family members, and the public;

b. The local department of social services that is responsible for oversight of the facility involved;
c. The residents affected; and
d. Those individuals lawfully designated by the affected resident to make health care decisions for the resident.

(2) The Secretary shall ensure that the Nursing Home/Adult Care Home Penalty Review Committee established by this subsection is comprised of nine members. At least one member shall be appointed from each of the following categories:
a. A licensed pharmacist;
b. A registered nurse experienced in long term care;
c. A representative of a nursing home;
d. A representative of an adult care home; and
e. Two public members. One shall be a "near" relative of a nursing home patient, chosen from a list prepared by the Office of State Long Term Care Ombudsman, Division of Aging, Department of Health and Human Services. One shall be a "near" relative of a rest home patient, chosen from a list prepared by the Office of State Long Term Care Ombudsman, Division of Aging, Department of Health and Human Services. For purposes of this subdivision, a "near" relative is a spouse, sibling, parent, child, grandparent, or grandchild.

(3) Neither the pharmacist, nurse, nor public members appointed under this subsection nor any member of their immediate families shall be employed by or own any interest in a nursing home or adult care home.

(4) Repealed by Session Laws 2005-276, s. 10.40A(l), effective July 1, 2005.

(4a) Repealed by Session Laws 2007-544, s. 1, effective October 1, 2007.

(4b) Prior to serving on the Committee, each member shall complete a training program provided by the Department of Health and Human Services that covers standards of care and applicable State and federal laws and regulations governing facilities licensed under Chapter 131D and Chapter 131E of the General Statutes.

(5) Each member of the Committee shall serve a term of two years. The initial terms of the members shall commence on August 3, 1989. The Secretary shall fill all vacancies. Unexcused absences from three consecutive meetings constitute resignation from the Committee.

(6) The Committee shall be cochaired by:
a. One member of the Department outside of the Division of Health Service Regulation; and
b. One member who is not affiliated with the Department.

(i) The clear proceeds of civil penalties provided for in this section shall be remitted to the ~~Civil Penalty and Forfeiture Fund~~ State Treasurer for deposit in accordance with ~~G.S. 115C-457.2.~~State law."

SECTION 3. G.S. 131E-129 reads as rewritten:

"**§ 131E-129. ~~Penalties.~~Penalties; remedies.**

(a) ~~Violations classified.~~ Violation Classification and Penalties. – The Department of Health and Human Services shall impose an administrative penalty in accordance with provisions of this ~~Part~~ Article on any ~~facility's licensee~~ facility which is found to be in violation of the requirements of G.S. 131E-117 or applicable State and federal laws and regulations. Citations ~~issued~~ for violations shall be classified and penalties assessed according to the nature of the violation as follows:

(1) "Type ~~A~~ AI Violation" means a violation by a ~~facility's licensee~~ facility of the ~~regulations, standards,~~ regulations and requirements set forth in G.S. 131E-117, or applicable State or federal laws and regulations governing the licensure or certification of a facility which results in death or serious physical ~~harm, or results in substantial risk that death or serious physical harm will occur. Type A Violations shall be abated or eliminated immediately. The Department shall require an immediate plan of correction for each Type A Violation.~~ harm. The person making the findings shall do the following:

a. Orally and immediately inform the ~~administrator of the~~ facility of the Type A1 Violation and the specific ~~findings and what must be done to correct them and set a date by which the violation must be corrected;~~ findings.

~~b. Within 10 working days of the investigation, confirm in writing to the administrator the information provided orally under sub-subdivision a. of this subdivision; and~~

~~c. Provide a copy of the written confirmation required under sub-subdivision b. of this subdivision to the Department.~~

d. Require a written, credible allegation regarding how the facility will immediately remove the Type A1 Violation in order to protect residents from further risk or additional harm.

e. Within 15 working days of the investigation, send a report of the findings to the facility.

f. Require a plan of correction to be submitted to the Department, based on the written report of the findings, that describes steps the facility will take to achieve and maintain compliance by the date specified by the Department.

The Department shall impose a civil penalty in an amount not less than ~~five hundred dollars ($500.00)~~ one thousand dollars ($1,000) nor more than ~~ten thousand dollars ($10,000)~~ twenty thousand dollars ($20,000) for each Type ~~A~~ AI Violation. Where a facility has failed to correct a Type A1 Violation, the Department shall assess the facility a civil penalty in the amount of up to one thousand dollars ($1,000) for each day that the violation continues beyond the date specified for correction by the Department or its authorized representative. The Department or its authorized representative shall determine whether the violation has been corrected.

(1a) "Type A2 Violation" means a violation by a facility of the regulations, standards, and requirements set forth in G.S. 131E-117 or applicable State or federal laws and regulations governing the licensure or certification of a facility which results in substantial risk that death or serious physical harm will occur. The person making the findings shall do the following:

a. Orally and immediately inform the facility of the Type A2 Violation and the specific findings.

b. Require a credible allegation regarding how the facility will immediately remove the Type A2 Violation in order to protect residents from further risk or additional harm.

c. Within 10 working days of the investigation, send a report of the findings to the facility.

d. Require a plan of correction to be submitted to the Department, based on the written report of the findings, that describes steps the facility

will take to achieve and maintain compliance by the date specified by the Department.

The violation or violations shall be corrected within the time specified for correction by the Department or its authorized representative. The Department may or may not assess a penalty taking into consideration the compliance history, preventative measures, and response to previous violations by the facility. Where a facility has failed to correct a Type A2 Violation, the Department shall assess the facility a civil penalty in the amount of up to one thousand dollars ($1,000) for each day that the deficiency continues beyond the time specified for correction by the Department or its authorized representative. The Department or its authorized representative shall determine whether the violation has been corrected.

(1b) "Past Corrected Type A1 or Type A2 Violation" means either (i) the violation was not previously identified by the Department or its authorized representative or (ii) the violation was discovered by the facility and was self-reported, but in either case the violation has been corrected. In determining whether a penalty should be assessed under this section, the Department shall consider the following factors:

a. Preventive systems in place prior to the violation.
b. Whether the violation or violations were abated immediately. and
c. Whether the facility implemented corrective measures to achieve and maintain compliance.
d. Whether the facility's system to ensure compliance is maintained and continues to be implemented.
e. Whether the regulatory area remains in compliance.

(2) "Type B Violation" means a violation by a facility's licensee of the regulations, standards and requirements set forth in G.S. 131E-117 or applicable State or federal laws and regulations governing the licensure or certification of a facility which ~~presents a direct relationship~~ is detrimental to the health, safety, or welfare of any resident, but which does not result in substantial risk that death or serious physical harm will occur. ~~The Department shall require a plan of correction for each Type B Violation and may require the facility to establish a specific plan of correction within a specific time period to address the violation.~~The person making the findings shall do the following:

a. Orally and immediately inform the facility of the Type B Violation and the specific findings.
b. Require a written plan regarding how the facility will immediately remove the Type B Violation in order to protect residents from further risk or additional harm.
c. Within 10 working days of the investigation, send a report of the findings to the facility.
d. Require a plan of correction to be submitted to the Department, based on the written report of the findings, that describes steps the facility will take to achieve and maintain compliance by the date specified by the Department.

Where a facility has failed to correct a Type B Violation within the time specified for correction by the Department or its authorized representative, the Department shall assess the facility a civil penalty in the amount of up to four hundred dollars ($400.00) for each day that the violation continues

beyond the date specified for correction without just reason for such failure. The Department or its authorized representative shall ensure that the violation has been corrected.

(3) Repeat Violations. – The Department shall impose a civil penalty which is treble the amount assessed under subsection (a) of this section when a facility under the same management or ownership has received a citation during the previous 12 months for which the appeal rights are exhausted and penalty payment is expected or has occurred, and the current violation is for the same specific provision of a statute or regulation for which it received a violation during the previous 12 months. The counting of the 12-month period shall be tolled during any time when the facility is being operated by a court-appointed temporary manager pursuant to law.

~~(b) Penalties for failure to correct violations within time specified.~~

~~(1) Where a facility's licensee has failed to correct a Type A Violation, the Department shall assess the facility's licensee a civil penalty in the amount of up to five hundred dollars ($500.00) for each day that the deficiency continues beyond the time specified in the plan of correction approved by the Department or its authorized representative. The Department or its authorized representative shall ensure that the violation has been corrected.~~

~~(2) Where a facility's licensee has failed to correct a Type B Violation within the time specified for correction by the Department or its authorized representative, the Department shall assess the facility's licensee a civil penalty in the amount of up to two hundred dollars ($200.00) for each day that the deficiency continues beyond the time specified in the plan of correction approved by the Department or its authorized representative without just reason for such failure. The Department or its authorized representative shall ensure that the violation has been corrected.~~

~~(3) The Department shall impose a civil penalty on a facility's licensee which is treble the amount assessed under subdivision (1) of subsection (a) when a facility under the management, ownership, or control of that same licensee has received a citation and paid a penalty for violating the same specific provision of a statute or regulation for which the facility's licensee has received a citation during the previous 12 months. The counting of the 12-month period shall be tolled during any time when the facility is being operated by a court-appointed temporary manager pursuant to Article 13 of this Chapter.~~

(c) Factors to be considered in determining amount of initial penalty. In determining the amount of the initial penalty to be imposed under this section, the Department shall consider the following factors:

~~(1) The gravity of the violation, including the fact that death or serious physical harm to a resident has resulted; the severity of the actual or potential harm, and the extent to which the provisions of the applicable statutes or regulations were violated;~~

~~(1a) The gravity of the violation, including the probability that death or serious physical harm to a resident will result; the severity of the potential harm, and the extent to which the provisions of the applicable statutes or regulations were violated;~~

~~(1b) The gravity of the violation, including the probability that death or serious physical harm to a resident may result; the severity of the potential harm, and the extent to which the provisions of the applicable statutes or regulations were violated;~~

~~(2) The reasonable diligence exercised by the licensee to comply with G.S. 131E-256 and G.S. 131E-265 and other applicable State and federal laws and regulations;~~

~~(2a) Efforts by the licensee to correct violations;~~

~~(3) The number and type of previous violations committed by the licensee within the past 36 months;~~

~~(4) The amount of assessment necessary to insure immediate and continued compliance; and~~

~~(5) The number of patients put at risk by the violation.~~

(1) There is substantial risk that serious physical harm, abuse, neglect, or exploitation will occur.

(2) Serious physical harm, abuse, neglect, or exploitation, without substantial risk for resident death, did occur.

(3) Serious physical harm, abuse, neglect, or exploitation, with substantial risk for resident death, did occur.

(4) A resident died.

(5) A resident died and there is substantial risk to others for serious physical harm, abuse, neglect, or exploitation.

(6) A resident died and there is substantial risk for further resident death.

(7) Reasonable diligence exercised by the licensee to comply with G.S. 131E-256 and G.S. 131E-265 did occur.

(8) Efforts by the licensee to correct violations.

(9) The number and type of previous violations committed by the licensee within the past 36 months.

(10) The number of residents put at risk by the violations.

(c1) The facts found to support the factors in subsection (c) of this section shall be the basis in determining the amount of the penalty. The Secretary shall document the findings in written record and shall make the written record available to all affected parties including:

(1) The penalty review committee;

(2) The local department of social services who is responsible for oversight of the facility involved;

(3) The licensee involved;

(4) The residents affected; and

(5) ~~The family members or guardians of the residents affected.~~The family member who serves as a responsible party or those who have legal authority on behalf of the affected resident.

(c2) Local county departments of social services and Division of Health Service Regulation personnel shall submit proposed penalty recommendations to the Department within 45 days of the citation of a violation.

(d) The Department shall impose a civil penalty of fifty dollars ($50.00) per day on any ~~facility's licensee~~ facility which refuses to allow an authorized representative of the Department to inspect the premises and records of the facility.

(e) Any ~~facility's licensee~~ facility wishing to contest a penalty shall be entitled to an administrative hearing as provided in the Administrative Procedure Act, Chapter 150B of the General Statutes. A petition for a contested case shall be filed within 30 days after the Department mails a notice of penalty to a licensee. At least the following specific issues shall be addressed at the administrative hearing:

(1) The reasonableness of the amount of any civil penalty assessed, and

(2) The degree to which each factor has been evaluated pursuant to subsection (c) of this section to be considered in determining the amount of an initial penalty.

If a civil penalty is found to be unreasonable or if the evaluation of each factor is found to be incomplete, the hearing officer may recommend that the penalty be adjusted accordingly.

(e1) Notwithstanding the notice requirements of G.S. 131E-24, any penalty imposed by the Department of Health and Human Services under this section shall commence on the day the penalty is imposed.

(f) The Secretary may bring a civil action in the superior court of the county wherein the violation occurred to recover the amount of the administrative penalty whenever a ~~facility's licensee:~~ facility:

(1) Which has not requested an administrative hearing fails to pay the penalty within 60 days after being notified of the penalty; or

(2) Which has requested an administrative hearing fails to pay the penalty within 60 days after receipt of a written copy of the decision as provided in G.S. 150B-36.

(g) The penalty review committee established pursuant to G.S. 131D-34(h) shall review administrative penalties assessed pursuant to this section.

(g1) In lieu of assessing ~~an~~ all or some of the administrative penalty, the Secretary may order a facility to provide staff training ~~if:~~ if the training is:

~~(1) The cost of training does not exceed one thousand dollars ($1,000);~~

~~(2) The penalty would be for the facility's only violation within a 12-month period preceding the current violation and while the facility is under the same management; and~~

~~(3) The training is:~~

~~a.~~ (1) Specific to the violation;

~~b.~~ (2) Approved by the Department of Health and Human Services; and

~~c.~~ (3) Taught by ~~someone~~ an individual approved by the ~~Department and other than the provider.~~ Department.

(h) The Department shall not assess an administrative penalty against a facility under this section if a civil monetary penalty has been assessed for the same violation under federal enforcement laws and regulations.

(i) The clear proceeds of civil penalties provided for in this section shall be remitted to the Civil Penalty and Forfeiture Fund in accordance with G.S. 115C-457.2."

SECTION 4. This act is effective when it becomes law.

HOUSE BILL 397:
DHHS Penalties and Remedies Revision.-AB

2011-2012 General Assembly

Committee:	Senate Finance	**Date:**	June 13, 2011
Introduced by:	Rep. Lewis	**Prepared by:**	Heather Fennell
Analysis of:	Second Edition		Committee Counsel

SUMMARY: HB 397 amends the penalty provisions for nursing home facilities, adult care facilities, and facilities providing services to the mentally ill, developmentally disabled, and substance abusers. The penalty provisions for each type of facility are substantially similar.

CURRENT LAW: G.S. 122C-24.1 provides for the imposition of administrative penalties on licensed facilities providing services to the mentally ill, developmentally disabled, and substance abusers.

G.S. 131D-34 provides for the imposition of administrative penalties on licensed adult care facilities that are in violation of residents' rights set forth in G.S. 131D-21, or other State or federal law or regulation.

G.S. 131E-129 provides for the imposition of administrative penalties for nursing homes which are in violation of residents' rights as set forth in G.S. 131E-117 or applicable State and federal laws and regulations.

BILL ANALYSIS: House Bill 357 amends the provisions for the imposition of administrative penalties on nursing care facilities, G.S. 131E-129, adult care facilities, G.S. 131D-34, and facilities providing services to the mentally ill, developmentally disabled and substance abusers, G.S. 122C-24.1. Violations at these facilities will be classified and processed as follows:

1. Type A1 violations. Violations by a facility of State or federal laws or regulations that result in death or serious physical harm, abuse, neglect or exploitation.

The person making the finding of violation must:

- Orally and immediately inform the facility of the Type A1 violation and the specific findings.
- Require a written plan of protection for the abatement of the violation in order to protect clients from further risk of harm.
- Within 15 working days of the investigation, send a report of the findings to the facility.
- Require a plan of correction from the facility describing the steps the facility will take to achieve and maintain compliance.

For a Type A1 violation the Department of Health and Human Services (DHHS) must impose a civil penalty. For facilities serving 6 or fewer persons, the fines shall be not less than $500 nor more than $10,000. Facilities serving 7 or more may be assessed not less than $1,000 nor more than $20,000 *(These penalty amounts are in the current statute.)*

Failure to correct a Type A1 shall result in the assessment of a penalty of $1000 for each day the violation continues beyond the time specified for correction.

2. Type A2 violations. Violations by a facility of the laws and regulations that results in a substantial risk of death, serious physical harm, abuse, neglect, or exploitation.

The person making the finding of Type A2 violation must follow the same procedure as for a Type A1 violation.

DHHS may or may not assess a penalty taking into consideration the compliance history, preventative measures, and response to previous violations by the facility. Failure to correct a Type A2 violation shall result the assessment of a civil penalty of up to $1,000 for each day the deficiency continues beyond the time specified for correction.

3. Past Corrected Type A1 or A2 Violation. A violation that either (1) was not previously identified by DHHS or (2) was discovered by the facility and self reported, but in either case the violation was corrected. In determining whether a penalty should be assessed, DHHS shall consider:

- Preventative measures in place prior to the violation.
- Whether the violation was abated immediately.
- Whether corrective measures were implemented.
- Whether the facility's system to ensure compliance is maintained and implemented.
- Whether the regulatory area remains in compliance.

4. Type B Violation. A Type B violation is one that is detrimental to the health, safety, or wellbeing of a resident, but which does not result in substantial risk that death or serious physical harm, abuse, neglect, or exploitation will occur.

The person making the finding of a violation shall follow the same procedure as for a Type A1 or A2 violation.

5. Repeat Violations. DHHS shall impose a civil penalty 3x the amount earlier assessed when a facility under the same management or ownership has received a citation for violating the same specific provisions of the law or regulations during the previous 12 months for which the appeal rights are exhausted and penalty payment is expected or has occurred. *(The trebling of the penalty is in the current statute. Current law also provides for the penalty to be assessed if a facility has received a citation for the same specific violation).*

6. Factors to be considered in determining amount of initial penalty.

- Substantial risk that serious physical harm, abuse, neglect, or exploitation will occur.
- Serious physical harm, abuse, neglect, or exploitation, without substantial risk of death did occur.
- Serious physical harm, abuse, neglect, or exploitation, with substantial risk of death did occur.
- A client died.
- A client died and there is substantial risk to others of serious physical harm, abuse, neglect, or exploitation.
- A client died, and there is substantial risk for further client death.
- The reasonable diligence of the facility to comply with State and federal law and regulations.
- Efforts to correct violations.
- Number and type of violations within the previous 36 months.
- Number of clients put at risk by the violation.

7. Staff Training in Lieu of Penalty. In lieu of assessing all or part of a penalty, the Secretary may order a facility to provide staff training that is specific to the violation, approved by DHHS and taught by someone approved by DHHS.

8. Miscellaneous. In addition to the above provisions, the bill provides that DHHS shall impose a $50/day penalty for failure to allow an authorized DHHS representative to inspect the premises and records of the facility.

For facilities serving the mentally ill, developmentally disabled, or substance abusers, any penalty imposed shall commence on the date of the letter of notification of the penalty amount. For adult care facilities and nursing homes, any penalty imposed shall commence the date the violation was identified.

In addition to the above:

Section 2 amends G.S. 131D-34(c1), which provides for the findings in support of an administrative penalty to be made available to all affected parties, to add the family member who serves as a responsible party or those who have legal authority on behalf of the affected resident, to the list of those who are entitled to receive the written record.

Section 2 also amends G.S. 131D-34(d1) to provide that the penalty for the provision of false information or omission of information on a licensure application requesting information on owners, administrators, principals, or affiliates of the facility is the same as for a Class A1 violation.

Section 3 amends G.S. 131E-129(c1), which provides for the findings in support of an administrative penalty to be made available to all affected parties, to add the family member who serves as a responsible party or those who have legal authority on behalf of the affected resident, to the list of those who are entitled to receive the written record.

Section 3 also amends G.S. 131E-129(e) to provide that a petition for a contested case shall be filed within 30 days after DHHS mails a notice of penalty to a licensee.

EFFECTIVE DATE: The act is effective when it becomes law.

Barbara Riley, counsel to House Judiciary A, substantially contributed to this summary.

A BILL TO BE ENTITLED

AN ACT TO EXTEND THE QUALIFIED BUSINESS VENTURE TAX CREDIT SUNSET AND TO EXTEND THE SALES TAX REFUND ALLOWED TO A JOINT GOVERNMENTAL AGENCY CREATED TO OPERATE A CABLE TELEVISION SYSTEM FOR ONE YEAR.

The General Assembly of North Carolina enacts:

SECTION 1. G.S. 105-163.015 reads as rewritten:

"**§ 105-163.015. Sunset.**

This Part is repealed effective for investments made on or after January 1, ~~2013.~~2016."

SECTION 2. Section 1 of S.L. 2010-153 reads as rewritten:

"**SECTION 1.** A joint agency created by an interlocal agreement pursuant to G.S. 160A-462 to operate a cable system that provides video programming services is allowed a refund of sales and use tax paid by it on purchases made on or after July 1, 2007, and before ~~June 30, 2010,~~ June 30, 2011, to the same extent allowed to a city under G.S. 105-164.14(c). Notwithstanding G.S. 105-164.14, the joint agency must make a request for a refund in writing before January 1, 2011."

SECTION 3. This act is effective when it becomes law.

SENATE BILL 436: Extend Sunsets

2011-2012 General Assembly

Committee:	Senate Finance	**Date:**	June 13, 2011
Introduced by:	Sen. Hartsell	**Prepared by:**	Cindy Avrette Committee Counsel
Analysis of:	PCS to First Edition S436-CSRB-67		

SUMMARY: ***Senate Bill 436 would extend the sunset on the tax credit for qualified business ventures from January 1, 2013, to January 1, 2016. The proposed committee substitute would also extend for one year the sales tax refund allowed to a joint governmental agency created to operate a cable television system. The bill would become effective when it becomes law.***

QUALIFIED BUSINESS VENTURE TAX CREDIT: The General Assembly enacted the tax credit for investments in qualified business ventures in August 1987 to promote economic development for North Carolina businesses. The purpose of the credit is to stimulate early stage investments that help move new technologies from universities and other research laboratories to commercialization. The qualified business investment tax credit is allowed for an individual taxpayer who invests in a qualifying small business. Qualifying small businesses include a business that engages primarily in manufacturing, processing, warehousing, wholesaling, research and development, or a service-related industry, a business that has received within the preceding three years funding from a federal agency under the Small Business Innovation Research Programs, or a business that has been certified by a research university as currently performing under a licensing agreement with the institution for commercializing technology developed at the institution.

The credit is equal to 25% of the amount invested and may not exceed $50,000 per individual in a single taxable year. The total amount of tax credits allowed to taxpayers for investments made in a calendar year may not exceed $7.5 million. If the total amount of tax credits claimed exceeds this maximum amount, the credit is allocated proportionately among the taxpayers.

Section 1 of the bill would extend the sunset on the credit from January 1, 2013, to January 1, 2016. The General Assembly last extended the credit in S.L. 2010-31 from January 1, 2011, to January 1, 2013.

SALES TAX REFUND FOR MI CONNECTION: Last session, the General Assembly allowed cities that jointly operate a cable television system to obtain a refund of State and local sales and use tax paid by the entity on purchases made between July 1, 2007, and June 30, 2010. Section 2 of the bill would extend the refund for one year, for purchases made through June 30, 2011.

The only entity that fits this description is MI Connection. MI Connection is a locally owned and operated cable and Internet system serving the towns of Mooresville, Davidson and Cornelius in the counties of Mecklenburg and Iredell. The municipalities have created a joint agency through an interlocal agreement pursuant to G.S. 160A-462 to operate a cable television system. A cable television system is one of the listed systems that a municipality has the authority to operate as a public enterprise under Article 16 of Chapter 160A of the General Statutes.

Under G.S. 105-164.14(c) a city may obtain a sales tax refund of the purchases it makes. Under that authority, a city that operates a cable television system may obtain a sales tax refund; MI Connection was not allowed a refund under that subsection because it was operated as a joint venture, rather than by the cities themselves.

RE: Senate Bill 436 (Unknown Edition)

FISCAL IMPACT ($ In millions)

Yes (X) **No ( )** **No Estimate Available ( )**

	FY 2011-12	FY 2012-13	FY 2013-14	FY 2014-15	FY 2015-16
REVENUES:					
QBV Tax Credit	**$0.0**	**$0.0**	**$(7.5)**	**$(7.5)**	**$(7.5)**
Sales Tax Refund	**(0.03)**				

PRINCIPAL DEPARTMENT(S) & PROGRAM(S) AFFECTED: Department of Revenue

EFFECTIVE DATE: Effective when the bill becomes law.

BILL SUMMARY: The proposed committee substitute for Senate Bill 436 extends the sunset for the qualified business venture tax credit from January 1, 2013 to January 1, 2016. The qualified business venture tax credit is allowed for an individual taxpayer who invests in a qualifying small business. The PCS also extends the sunset for the sales tax refund for MI Connection for one year for purchases made through June 30, 2011.

The 2010 session of the General Assembly enacted HB 455 authorizing MI Connection as an institution eligible for a sales and use tax refund under G.S. 105-164.14. The legislation redefined

the types of joint governmental agencies eligible for a sales tax refund under G.S.105-164.14(c). Under the bill, an agency created by an interlocal agreement pursuant to G.S. 160A-462 became eligible for a sales and use tax refund. The agency must also operate a public broadcast station or "communication system that provides high-speed broadband Internet access service or other Internet access service" or provide other video programming services.

Qualifying small businesses include a business that engages primarily in manufacturing, processing, warehousing, wholesaling, research and development, or a service-related industry, a business that has received within the preceding three years funding from a federal agency under the Small Business Innovation Research Programs, or a business that has been certified by a research university as currently performing under a licensing agreement with the institution for commercializing technology developed at the institution. The credit is equal to 25% of the amount invested and may not exceed $50,000 per individual in a single taxable year. The total amount of tax credits allowed to taxpayers for investments made in a calendar year may not exceed $7.5 million.

ASSUMPTIONS AND METHODOLOGY: Credit utilization is expected to equal the cap. Therefore, the impact for each year the credit is extended equals the $7.5 million cap.

SB 436 extends the annual sales and use tax refund allowed to MI Connection for an additional fiscal year. This change reduces General Fund availability by $25,000 for the 2011-12 fiscal year and local revenues by $5,000 per fiscal year.

Short Title: Restore Cigarette Tax Stamps. (Public)

Sponsors:

Referred to:

March 8, 2011

A BILL TO BE ENTITLED

AN ACT TO IMPROVE THE ENFORCEMENT OF THE CIGARETTE EXCISE TAX AND TO DETER THE UNLAWFUL SALE OF NON-TAX-PAID CIGARETTES BY REINSTATING THE REQUIREMENT THAT CIGARETTES BEAR A STAMP INDICATING PAYMENT OF THE TAX, AND TO MODIFY THE DISCOUNT DISTRIBUTORS RECEIVE FOR PAYMENT OF THE TAX.

The General Assembly of North Carolina enacts:

SECTION 1. Part 2 of Article 2A of Chapter 105 of the General Statutes is amended by adding a new section to read:

"**§ 105-113.8A. Stamps required on packages of cigarettes.**

(a) Requirement. – A package of cigarettes subject to tax in this State must be marked by a heat transfer stamp indicating that the package of cigarettes is taxable under this Article.

(b) Responsibility of Distributor. – It is unlawful for a person that is not a licensed distributor to receive or possess a package of unstamped cigarettes or to place a stamp on a package of cigarettes. A licensed distributor that receives a package of unstamped cigarettes must place a stamp on the package prior to shipping to retail outlets. A licensed distributor may obtain a cigarette stamp from the Secretary or, with the approval of the Secretary, from the producer of the stamps. A licensed distributor must place a stamp on a package of cigarettes in a manner that ensures the stamp will be torn or mutilated if a person tries to remove the stamp from the package.

(c) Responsibility of Secretary. – The Secretary must prescribe the design, denominations, and other details of a cigarette stamp and must provide for the production of the stamp. A stamp must display a unique serial number that is visible at the point of sale or use. The Secretary must collect the amount due for a stamp when the Secretary transfers, or authorizes the transfer of, the stamp to a licensed distributor. The charge for a tax-paid stamp is the amount of tax payable under this Article on the package of cigarettes on which the stamp will be placed. The Secretary must keep a record of the stamps transferred to a licensed distributor. "

SECTION 2. G.S. 105-113.9 reads as rewritten:

"**§ 105-113.9. Out-of-state shipments.**

~~Any~~ A licensed distributor engaged in interstate business ~~shall be permitted to~~ may, with the approval of the Secretary, set aside ~~part of the stock as necessary~~ packages of cigarettes needed to conduct interstate business without ~~paying the tax~~ stamping the packages as otherwise required by this ~~Part, but only if the distributor complies with the requirements~~

~~prescribed by the Secretary concerning keeping of records, making of reports, posting of bond, and other matters for administration of this~~ Part.

"Interstate business" as used in this section ~~means:~~means any of the following:

(1) The sale to a nonresident of packages of cigarettes ~~to a nonresident where the cigarettes are delivered by~~ the distributor delivers to the business location of the nonresident purchaser in another ~~state; and~~state.

(2) The sale of cigarettes for resale outside the State to a nonresident wholesaler or retailer registered through the Secretary ~~who has~~ with no place of business in North ~~Carolina and who purchases the cigarettes for the purposes of resale not within this State~~Carolina. The ~~and where the~~ cigarettes ~~are~~ must be delivered to the purchaser at the business location in North Carolina of the distributor who is also licensed as a distributor under the laws of the state of the nonresident purchaser."

SECTION 3. G.S. 105-113.10 reads as rewritten:

"**§ 105-113.10. ~~Manufacturers shipping to distributors exempt.~~In-State shipments of manufacturers and other distributors.**

~~Any manufacturer shipping cigarettes to other distributors who are licensed under G.S. 105-113.12 may, upon application to the Secretary and upon compliance with requirements prescribed by the Secretary, be relieved of paying the taxes levied in this Part. No manufacturer may be relieved of the requirement to be licensed as a distributor in order to make shipments, including drop shipments, to a retail dealer or ultimate user.~~

(a) It is unlawful for a person that is not a licensed distributor to ship an unstamped package of cigarettes into this State or between locations in this State.

(b) A licensed distributor may ship a package of unstamped cigarettes in the following circumstances:

(1) To a facility the distributor owns.

(2) To a person in a transaction that is not subject to the federal excise tax on cigarettes.

(3) To an agency or an instrumentality of the United States.

(c) A manufacturer delivering cigarettes to a licensed distributor may, upon application to the Secretary and upon compliance with requirements prescribed by the Secretary, be relieved of paying the taxes levied in this Part. In addition to shipments authorized by subsection (b) of this section, a manufacturer may ship unstamped packages of cigarettes directly to a licensed distributor.

SECTION 4. G.S. 105-113.18 reads as rewritten:

"**§ 105-113.18. Payment of tax; reports.**

(a) Payment. – ~~The taxes levied in this Part are payable when a report is required to be filed. The~~ Payment in full must accompany an application for purchase of stamps unless the Secretary authorizes a licensed distributor to purchase stamps on credit. A licensed distributor may purchase stamps on credit if the distributor has filed a bond satisfactory to the Secretary. The Secretary may set the maximum number of stamps that may be purchased by a licensed distributor on credit. A bond required by the Secretary for the credit purchase of stamps may not be more than three times the average tax liability of a licensed distributor in a reporting period. A licensed distributor must pay for the stamps purchased on credit when a report is required to be filed. The tax levied in this Part on the sale or possession of a package of cigarettes by a person that is not a distributor is payable when the person is required to file a report.

(b) Reports. – The following reports are required to be filed with the ~~Secretary:~~Secretary. A report must be in the form required by the Secretary and contain the information required by the Secretary.

(1) Distributor's Report. – A distributor ~~shall~~ must file a monthly report ~~in the form prescribed by the Secretary. The report~~ that covers sales and other activities occurring in a calendar ~~month and~~ month. The report is due within 20 days after the end of the month covered by the report. The report ~~shall state the amount of tax due and shall identify any transactions to which the tax does not apply.~~must include the following information:

a. The number of unstamped cigarette packages on hand on the first and last days of the month.

b. The number of unstamped cigarette packages received during the month.

c. The number of unstamped cigarette packages sold during the month.

d. The number of unstamped cigarettes returned to the manufacturer during the month.

e. The number of stamps on hand on the first and last days of the month.

f. The number of cigarette stamps obtained during the month.

g. All authorized stamp adjustments authorized by the Secretary to be made during the month.

h. The number of cigarette stamps placed on packages of cigarettes during the month.

(1a) Report of Free Cigarettes. – A manufacturer ~~who~~ that distributes cigarettes without charge shall file a monthly report in the form prescribed by the Secretary. The report covers cigarettes distributed without charge in a calendar month and is due within 20 days after the end of the month covered by the report. The report shall state the number of cigarettes distributed without charge and the amount of tax due.

(2) Use Tax Report. – ~~Every other person who has acquired non tax paid~~ A person that is not a distributor and that acquires a package of unstamped cigarettes for sale, use, or consumption subject to the tax imposed by this Part ~~shall,~~ must file a report within 96 hours after ~~receipt of the cigarettes, file a report in the form prescribed by the Secretary showing the amount of cigarettes so received and any other information required by the Secretary. The report shall be accompanied by payment of the full amount of the tax.~~receiving the package of cigarettes. The report must state the number of cigarettes acquired and the amount of tax due.

(3) Shipping Report. – ~~Any person, except a licensed distributor, who~~ A person that is not a licensed distributor and that transports cigarettes upon the public highways, roads, or streets of this ~~State,~~ State must, upon notice from the Secretary, ~~shall~~ file a report ~~in the form prescribed by the Secretary and~~ containing the information required by the Secretary.

(4) Repealed by Session Laws 1981 (Regular Session, 1982), c. 1209, s. 1."

SECTION 5.(a) G.S. 105-113.21 reads as rewritten:

"**§ 105-113.21. Discount; refund.**

(a) Repealed by Session Laws 2003-284, s. 45A.1(a), effective for reporting periods beginning on or after August 1, 2003.

(a1) Discount. – A distributor who files a timely report under G.S. 105-113.18 and who sends a timely payment may deduct from the amount due with the report a discount of ~~two percent (2%).~~ 0.015¢ per cigarette. This discount covers expenses incurred in preparing the records and reports required by this Part, and the expense of furnishing a bond.

(b) Refund. – A distributor in possession of packages of stale or otherwise unsalable cigarettes upon which the tax has been paid may return the cigarettes to the manufacturer and

apply to the Secretary for refund of the tax. The application shall be in the form prescribed by the Secretary and shall be accompanied by an affidavit from the manufacturer stating the number of cigarettes returned to the manufacturer by the applicant. The Secretary shall refund the tax paid, less the discount allowed, on the unsalable cigarettes."

SECTION 5.(b) G.S. 105-113.21, as amended by section 5.(a) of this act, reads as rewritten:

"**§ 105-113.21. Discount; refund.**

(a) Repealed by Session Laws 2003-284, s. 45A.1(a), effective for reporting periods beginning on or after August 1, 2003.

(a1) Discount. – A distributor is eligible for ~~who files a timely report under G.S. 105-113.18 and who sends a timely payment may deduct from the amount due with the report~~ a discount of ~~0.015¢ per cigarette.~~ one and eight-tenths of a cent (1.8¢) for every stamp the distributor purchases, not to exceed two hundred thousand dollars ($200,000) a year. This discount covers the distributor's expenses ~~incurred~~ in placing stamps on packages of cigarettes, preparing the ~~records and~~ reports required by this Part, maintaining the records required by this Part, and ~~the expense of~~ furnishing a bond.

(b) ~~Refund.~~ Refund for Stale Product. – A distributor in possession of packages of stale or otherwise unsalable cigarettes upon which ~~the tax has been paid~~ a stamp has been placed may return the cigarettes to the manufacturer to dispose of the unsalable cigarettes and apply to the Secretary for a refund of the tax. The application ~~shall~~ must be in the form prescribed by the Secretary and ~~shall~~ be accompanied by an affidavit from the manufacturer stating the number of cigarettes returned to the manufacturer by the applicant. The Secretary ~~shall~~ must refund the tax paid, less the discount allowed, on the unsalable cigarettes.

(c) Refund for Stamps. – A distributor that purchases a stamp is allowed a refund of the amount paid for the stamp, less the discount allowed, in the circumstances listed in this subsection. To obtain a refund, a distributor must apply to the Secretary for the refund. The circumstances are:

(1) When the distributor purchases a stamp that it does not place on a package of cigarettes.

(2) When the distributor purchases a stamp that is torn or otherwise unusable and cannot be placed on a package of cigarettes."

SECTION 5.(c) G.S. 105-113.21(a1), as amended by Sections 5.(a) and 5.(b) of this act, reads as rewritten:

"(a1) Discount. – A distributor is eligible for a discount of ~~one and eight tenths of a cent (1.8¢)~~ one and thirty five hundredths of a cent (1.35¢) for every stamp the distributor purchases, not to exceed two hundred thousand dollars ($200,000) a year. This discount covers the distributor's expenses in placing stamps on packages of cigarettes, preparing the reports required by this Part, maintaining the records required by this Part, and furnishing a bond."

SECTION 5.(d) Section 5.(a) is effective July 1, 2011. Section 5.(b) is effective July 1, 2012. Section 5.(c) is effective July 1, 2013.

SECTION 6. Part 2 of Article 2A of Chapter 105 of the General Statutes is amended by adding a new section to read:

"**§ 105-113.21A. Bad debt deduction.**

(a) Bad debt. – As used in this section, "bad debt" means the taxes under this Part attributable to any portion of a debt that is related to a sale of cigarettes subject to tax under this Part that is not otherwise deductible or excludable, that has become worthless or uncollectible after the tax has been paid and that is eligible to be claimed, or could be claimed if the distributor kept accounts on an accrual basis, as a deduction under Section 166 of the Code. A bad debt does not include any of the following:

(1) Any interest on the wholesale price of cigarettes.

(2) Uncollectible amounts on property that remains in the possession of the distributor until the full purchase price is paid.
(3) Expenses incurred in attempting to collect any account receivable or any portion of the debt recovered.
(4) Any accounts receivable that have been sold to a third party for collection.
(5) Repossessed property.

(b) Deduction. – A distributor may deduct the amount of bad debts from the tax imposed by this Part. The amount deducted must be charged off as uncollectible on the books of the distributor. If a person pays all or part of a bad debt that a distributor claimed as a deduction under this section, the stamping agent is liable for the amount of taxes deducted in connection with that portion of the debt for which payment is received and must remit the taxes with the next report filed with the Secretary as required under G.S. 105-113.18.

(b) Supporting documentation. – A claim for a bad debt deduction must be supported by all of the following:

(1) A copy of the original invoice.
(2) Evidence the cigarettes described in the invoice were delivered to the person who ordered the cigarettes.
(3) Evidence the person who ordered and received the cigarettes did not pay the distributor for the cigarettes and the distributor used reasonable collection practices in attempting to collect the debt.

SECTION 7. G.S. 105-113.27 reads as rewritten:

"**§ 105-113.27. ~~Non-tax-paid~~ Restrictions and presumption concerning cigarettes.**

(a) Restrictions. – Except as otherwise provided in this Article, licensed distributors shall not sell, borrow, loan, or exchange ~~non-tax-paid~~ unstamped cigarettes to, from, or with other licensed distributors.

(b) ~~No~~ Except as otherwise provided in this Article, no person shall sell or offer for sale ~~non-tax-paid~~unstamped cigarettes.

(c) Presumption. – The possession of more than six hundred cigarettes on which tax has been paid to another state or country, by any person other than a licensed distributor, is prima facie evidence that the cigarettes are possessed in violation of this Part."

SECTION 8. G.S. 105-113.33 reads as rewritten:

"**§ 105-113.33. Criminal penalties.**

Any person who violates ~~any of the provisions~~ a provision of this Article for which no other punishment is specifically prescribed ~~shall be~~ is guilty of a Class 1 misdemeanor. A person who forges a stamp required under this Article or who knowingly places a forged stamp on a package of cigarettes is guilty of a Class H felony."

SECTION 9. Notwithstanding, G.S. 105-113.27 as amended by this act, cigarettes purchased by a retailer before July 1, 2012 may be possessed and sold prior to January 1, 2013. Any unstamped cigarettes possessed by a retailer January 1, 2013 must be destroyed or returned to the manufacturer.

SECTION 10. Unless otherwise noted, this act becomes effective July 1, 2012 and applies to cigarettes sold by distributors on after that date.

SENATE BILL 249:
Restore Cigarette Tax Stamps

2011-2012 General Assembly

Committee:	Senate Finance	**Date:**	June 13, 2011
Introduced by:	Sen. Hartsell	**Prepared by:**	Heather Fennell Committee Counsel
Analysis of:	PCS to First Edition S249-CSTD-15		

SUMMARY: ***The proposed committee substitute to Senate Bill 249 would require a tax stamp be attached to packages of cigarettes sold in North Carolina as evidence of payment of the tax on cigarettes and would create a criminal penalty for counterfeiting stamps or stamp impression devices, effective July 1, 2012.***

[As introduced, this bill was identical to H319, as introduced by Rep. McGee, which is currently in House Commerce and Job Development, if favorable, Finance.]

CURRENT LAW: North Carolina first began taxing cigarettes in 1969. Tax stamps were required to be attached to packages of cigarettes as evidence of payment of the tax. In 1993, the tax stamp requirement was repealed and the payment of the cigarette tax was recorded by reports submitted by cigarette distributors. Currently, every state but North Carolina, North Dakota, and South Carolina requires cigarette tax stamps.[1] At the time North Carolina repealed its tax stamp requirement in 1993 four other states did not require tax stamps. Of those four states, three of those states have begun to require cigarette tax stamps: Alaska, Hawaii, and Michigan.

At the time of the original enactment, a discount of 7/24¢ per stamp was given for the expenses associated with the stamps. This discount amount equated to approximately 2.9¢ per carton. When the tax stamp was eliminated, the General Assembly changed the discount amount to 4% of the tax due and provided that the purpose of the discount is to cover a distributor's expenses associated with preparing the required tax reports. The General Assembly repealed the discount in 2003; then reinstated it in 2004 at its current rate of 2% of the tax due. With the 2009 increases in the cigarette tax rate, the 2% discount equals approximately 9¢ per carton.

BILL ANALYSIS: The PCS to Senate Bill 249 would reinstate cigarette tax stamps by requiring that a package of cigarettes for sale or use in this State must be marked by a tax-paid stamp. A person who forges a stamp or who knowingly places a forged stamp on a package of cigarettes is guilty of a Class H felony.

Administration: The Department of Revenue is required to arrange for the manufacture and sale of the stamps. Each stamp has a unique serial number. The Department may sell stamps directly to licensed distributors, or it may allow the manufacturer of the stamps to sell stamps directly to distributors. A distributor must affix the stamp to the package of cigarettes prior to shipping to retail outlets. The stamps must be affixed to the package of cigarettes in a manner that ensures the stamp cannot be removed without being mutilated or destroyed.

Payment: Payment for the stamps must accompany an application for purchase of stamps, unless the distributor is authorized by the Secretary to purchase stamps on credit. A licensed distributor may purchase stamps on credit after filing a bond with the Secretary. A distributor must pay for stamps purchased on credit when filing the next required report.

[1] South Carolina repealed its tax stamp requirement in 1997.

Reports: The monthly report distributors must file with the Department is amended to require the following additional information:

- The quantity of cigarettes on hand on the first and last days of the preceding calendar month.
- The amount of stamps purchased, used, and on hand during the reporting period.
- The amount of tax due.

Discount: Effective July 1, 2011, the discount for distributors is decreased to the amount of the discount the last year stamps were required as an indicia of payment for the tax. The discount for distributors is increased once stamping is required and the bill specifies that the discount covers the distributor's expenses in placing the stamps on the packages of cigarettes and maintaining the records required by the Department. The discount is as follows:

Effective Date	Tax Per pack	Discount Rate	Discount Amount	
			Pack	Carton
Current law	45¢	2%	0.9¢	9¢
July 1, 2011	45¢	0.015¢ per cig	0.3¢	3¢
July 1, 2012	45¢	0.09¢ per cig, $200,000 cap	1.8¢, $200,000 cap	18¢, $200,000 cap
July 1, 2013	45¢	0.0675¢ per cig, $200,000 cap	1.35¢, $200,000 cap	13.5¢, $200,000 cap

Once the discount is increased due to stamping, the discount for each distributor is subject to a $200,000 cap per year.

Bad Debt: Section 6 of the bill provides a deduction from the amount of taxes owed for uncollectible bad debt of a distributor that is attributable to taxes paid by the distributor. To qualify for the deduction, a distributor must provide supporting documentation.

EFFECTIVE DATE: Unless otherwise notice, this bill would be effective July 1, 2012.

S249-SMTD-73(CSTD-15) v7

GENERAL ASSEMBLY OF NORTH CAROLINA

Session 2011

FISCAL ANALYSIS MEMORANDUM

[This confidential fiscal memorandum is a fiscal analysis of a draft bill, amendment, committee substitute, or conference committee report that has not been formally introduced or adopted on the chamber floor or in committee. This is not an official fiscal note. If upon introduction of the bill you determine that a formal fiscal note is needed, please make a fiscal note request to the Fiscal Research Division, and one will be provided under the rules of the House and the Senate.]

PRINCIPAL DEPARTMENT(S) & PROGRAM(S) AFFECTED: Department of Revenue

EFFECTIVE DATE: July 1, 2011

BILL SUMMARY: Senate Bill 249 enacts a three step phase in of reinstating cigarette tax stamps. Under SB 249, the tax required in G.S. 105-113.5, the cigarette tax, must be evidenced by a heat transfer stamp placed on the package of cigarettes. The Department of Revenue (Department) must make arrangements for the manufacture and sale of the stamps. The Department may sell stamps directly to distributors, or may allow the manufacturer of the stamps to ship stamps directly to distributors.

Phase one of SB 249 occurs in fiscal year 2011-12. SB 249 reduces the wholesaler's discount to an amount equivalent to the inflation adjusted amount in place when the General Assembly initially repealed stamping in 1993. Phase two of the tax stamping phase in occurs in fiscal year 2012-13. SB 249 reinstates the requirement that a cigarette tax stamp be affixed and increases the wholesaler's discount as compensation for affixing the stamp. The wholesaler's discount in fiscal year 2012-13 increases from 0.3-cents per pack of the tax collected to 4% (1.8-cents per pack) of the collected taxes. The wholesaler's discount, however, is capped at $200,000 per distributor. Phase three of SB 249 begins in fiscal year 2013-14. The third phase reduces the wholesaler's discount to 3% or 1.35-cents per pack keeping in place the $200,000 per distributor cap.

Effective January 1, 1994, the North Carolina General Assembly discontinued the cigarette stamp program by enacting SB 1025 during the 1993-94 session. Prior to 1994, North Carolina law required all manufacturers to affix stamps to each package of cigarettes sold indicating that the state cigarette excise tax had been paid. North Carolina switched from the stamping program to a monthly reporting mechanism, eliminating the stamps and requiring manufacturers to report monthly sales. Coinciding with the elimination of the cigarette stamp program, the legislature also increased cigarette taxes by three-cents per pack, raising the total tax to five-cents per pack. Despite a three-cent per pack tax increase in 1994, removing the stamps resulted in an increase in cigarette sales. Cigarette sales increased by 18% between the 1993-94 and 1994-95 fiscal years from 722 million packs to 851 million packs generating an additional $6.4 million in tax revenue.

The national cigarette tax landscape in 1994 looked much like the scene North Carolina faces today. In 1994, the average cigarette per pack state excise tax for all 50 states equaled 30.5-cents, five times greater than North Carolina's cigarette tax of five cents per pack.[1] One of North Carolina's three neighboring states exhibited a lower per pack cigarette tax, South Carolina at seven cents per pack, Virginia at 2.5-cents per pack, and Tennessee at 13-cents per pack. The revenue increase that coincided with the stamp removal suggests that out-of state purchases played a significant role in North Carolina cigarette sales. Historical tax rate information suggests that the revenue increase between the 1994 and 1995 fiscal years was influenced more by long distance smuggling than cross-border sales.

Today, five states in the U.S., two of which are in the Southeast (Georgia and Virginia), exhibit lower state cigarette taxes than North Carolina's 45-cents per pack rate. Furthermore, North Carolina is one of three states (North Carolina, South Carolina, and Nebraska) that do not require cigarette stamps.

[1]The Tax Burden on Tobacco. Historical Compilation, Volume 37, 2002. Table 13B-1994 Cigarette Taxes as a Percentage of Retail Price Generic Brands Included in Average Calculation. Page 130.

ASSUMPTIONS AND METHODOLOGY:

Revenue

Changes in SB 249 reduce General Fund availability by $5.0 million to $6.0 million per fiscal year. The reduction in availability represents the combined fiscal impact of the revenue reduction resulting from a decline in cigarette sales and the expenditures associated with Department of Revenue personnel needs.

The enactment of SB 249 is associated with a $5.1 million reduction in tax revenue due to a decline in long distance smuggling (out-of-state residents purchasing cigarettes from in-state vendors). This estimate assumes a moderate fiscal scenario—that smuggling will decrease fifty percent if stamping were implemented. The estimate utilizes research from a 2003 RTI study, *The Impact of Cigarette Excise Tax Increases in Low-Tax Southern States on Cigarette Sales, Cigarette Excise Tax Revenue, Tax Evasion, and Economic Activity.* North Carolina gains excise tax revenue from the cigarette sales associated with smuggling. RTI researchers estimated that in 2003 with a 5-cent per pack cigarette tax North Carolina derived roughly 7% of its sales or 105 million cigarette packs from long distance smuggling. Researchers assumed that the amount of revenue associated with smuggled cigarettes declined as the North Carolina cigarette tax rate approached the national average.

Fiscal Research also leaned heavily on the Mackinac Center's 2010 study, "Cigarette Taxes and Smuggling," which estimates cigarette smuggling in the contiguous United States. Mackinac Center researchers in both 2008 and 2010 were unable to generate a smuggling figure in North Carolina because "the state plays a central role in the model as a major source of illicitly trafficked cigarettes."[2] Mackinac researchers estimate that 55.44% of Virginia's and 8.20% of South Carolina's annual cigarette sales can be attributed to smuggling.[3] The study categorizes smuggling into two types of activities, casual smuggling and commercial/illegal smuggling. Illegal smuggling, according to researchers, accounts for 3.54% of South Carolina's and 1.28% of Virginia's annual cigarette sales.

Given recent cigarette tax increases across the nation, most notably South Carolina's tax increase to 57-cents per pack, Fiscal Research estimates that roughly 3.54% of North Carolina's annual cigarette sales, 15.5 million packs can be attributed to commercial smuggling.[4] North Carolina gains from long distance smuggling $6.8 million in cigarette tax revenue (15.5 million packs*$0.45 per pack tax* 98% adjusted collections after wholesaler's discount) and $3.5 million in sales tax revenue (15.5 million* average price of a pack of cigarettes $4.79*4.75%). If stamping were implemented, 50% of the revenue gains from smuggling would be lost, reducing North Carolina's General Fund Availability by approximately $5.1 million annually.

[3] Lafaive, M., Fleenor, P., and Nesbitt, T. "Cigarette Taxes and Smuggling 2010." Published December 2010. Available at: http://www.mackinac.org/archives/2011/2010-09TobaccoSmugglingFINALweb.pdf. (Graphic 8: Estimated Smuggling Volumes and Smuggling Rates, 2009.)

[4] This figure assumes that smuggled cigarettes = current cigarette sales*7%-current cigarette sales*(2010 tax rate/2010 U.S. average cigarette tax rate)*7%. From a numerical perspective, the number of smuggled cigarettes equals 544.4mill packs*7%-544.4 million packs*($0.45/$1.35)*7%.

SB 249 reduces the wholesaler's discount from 2% (0.9-cents per pack) of the cigarette tax revenue remitted to the Department to an inflation adjusted amount equivalent to the discount in place in 1994 when stamping was initially repealed, 0.3-cents per pack. This change increases General Fund Availability by $3.2 million in FY 2011-12. In FY 2012-13, SB 249 also doubles the wholesaler's discount from 2% (0.9-cents per pack) of the cigarette tax revenue remitted to the Department to 4% (1.8-cents per pack), but caps the discount at $200,000 per wholesale distributor. For subsequent fiscal years beginning July 1, 2013, the bill adopts 3% (1.35-cents per pack) as the permanent wholesaler's discount rate and puts in place a $200,000 per distributor cap. Table 1 provides details on the various wholesaler discount options available.

In 2010, North Carolina's cigarette wholesalers received $5.1 million in discounts under G.S. 105-113.21. Given the reduced cigarette sales when stamping is instituted, doubling the wholesaler's discount to 1.8-cents per pack with no cap would reduce General Fund availability by $4.5 million in FY 2012-13 and FY 2013-14. The PCS to SB 249 puts in place a $200,000 cap, which would only affect 10 of North Carolina's 121 wholesale distributors. It is important to note that all distributors affected by the $200,000 discount cap currently stamp cigarettes for sale in other states. The remaining 111 distributors would see their discount amounts double under SB 249.

Table 1. Cigarette Stamping: The Fiscal Impact of Various Wholesaler Discount Rates, FY 2012-13

Current		**Discount Amount**	**Number of Distributors**
Calendar Year 2010		$5,112,324	121
Proposal		**General Fund Impact**	**Number of Distributors Affected by Cap**
Wholesaler's Discount: Year 1	1.8-cents per Pack Discount, $200 K cap	($8,907)	10
	1.8-cents per Pack Discount, No cap	($4,500,000)	0
Wholesaler's Discount: Subsequent Years	1.35-cents per Pack Discount, $200 K cap	$777,829	9
	1.35-cents per Pack Discount, $275 K cap	$115,110	8
	1.35-cents per Pack Discount, No cap	($2,200,000)	0

SB 249 allows for a permanent wholesaler's discount of 3% (1.35-cents per pack) in FY 2013-14 reducing General Fund availability by $2.2 million in subsequent years with no cap in place. When a $200,000 per distributor discount cap is in place, only nine of North Carolina's distributors are affected, and there is a slight net-gain to the General Fund.

The $400,000 accrued in wholesaler discounts during the first two years of SB 249 represents the resources needed to purchase a heat-transfer stamping machine ($63,800), a cigarette case cutter unit ($74,900), a cigarette case packing unit ($33,900) and hire two full-time employees ($70,000), leaving $157,400 in discretionary funds to purchase additional machinery, non-warrantied repair (2,000 hours of service), or cover other expenses.

Table 2 provides more information on tobacco wholesaler discounts across the U.S.

Personnel and Administrative Costs

The Department of Revenue (DOR) estimates that reinstatement of the cigarette tax stamp program would require the addition of 17 new positions in DOR. According to DOR, a Revenue Administrative Officer II would handle administration of the program. Ten Revenue Officer I positions would perform retail inspections, and four Revenue Tax Auditors would be needed to conduct due diligence audits for enforcement purposes. It is expected that the distributors would incur the cost of the stamps. The estimated cost of the stamps from DOR is $754,750.

Based on the number of inspections, audits, and enforcement that would be required by implementation of this program, as well as comparable staffing levels of tobacco tax programs in other states, Fiscal Research generally concurs with DOR's estimate. However, the current supervisor and assistant supervisor of the Cigarette Excise Tax Unit should be able to absorb any additional supervisory duties and thus an additional Revenue Administrative Officer II position would not be required. Fiscal Research estimates that implementation of this program would require 14 additional positions, rather than 17. The estimated recurring costs of the salaries and benefits of these 14 positions are shown below:

Table 3. North Carolina Department of Revenue Personnel Costs under SB 249, FY 2011-12 thru FY 2015-16

	2011-12	2012-13	2013-14	2014-15	2015-16
Salary and Benefits	-	$1,044,721	$1,135,403	$1,210,794	$1,274,239
Position Total	-	14	14	14	14

Additionally, the following recurring and non-recurring administrative expenses would be needed to support the 14 positions listed above during the next biennium. DOR is in the preliminary stages of developing and implementing the State's new Tax Information Management System (TIMS). Over the next 36 months, TIMS will replace the State's integrated tax system as well as a host of other miscellaneous tax systems. In order to process the activities of a cigarette tax stamp program, DOR would need to initiate a change order with the TIMS project's contractor. Based on the contractor's estimated hours needed to make these changes to the TIMS application, the additional nonrecurring costs for FY 2011-12 would be $340,000.

Table 4. North Carolina Department of Revenue Infrastructure Costs under SB 249, FY 2011-12 thru FY 2015-16

	2011-12	2012-13	2013-14	2014-15	2015-16
TIMS - CGI implementation Cost	-	$340,000			
Data and Communications	-	$40,363	$41,569	$42,596	$43,657
Travel	-	$19,476	$20,059	$20,554	$21,066
Supplies	-	$89,344	$92,016	$94,289	$96,636
Total	-	**$489,183**	**$153,644**	**$157,439**	**$161,359**

Figures were inflated based on inflation guidelines in the 2011 Legislative Fiscal Note Manual.

SENATE BILL 306
PROPOSED COMMITTEE SUBSTITUTE S306-CSTD-52 [v.3]

6/13/2011 11:52:07 AM

Short Title: Reduce Cigarette Discount. (Public)

Sponsors:

Referred to:

March 10, 2011

A BILL TO BE ENTITLED

AN ACT TO REDUCE THE DISCOUNT TO TOBACCO VENDORS WHO FILE A TIMELY REPORT.

The General Assembly of North Carolina enacts:

SECTION 1. G.S. 105-113.21 reads as rewritten:

"**§ 105-113.21. Discount; refund.**

(a) Repealed by Session Laws 2003-284, s. 45A.1(a), effective for reporting periods beginning on or after August 1, 2003.

(a1) Discount. – A distributor who files a timely report under G.S. 105-113.18 and who sends a timely payment may deduct from the amount due with the report a discount of ~~two percent (2%).~~ 0.015¢ per cigarette. This discount covers expenses incurred in preparing the records and reports required by this Part, and the expense of furnishing a bond.

(b) Refund. – A distributor in possession of packages of stale or otherwise unsalable cigarettes upon which the tax has been paid may return the cigarettes to the manufacturer and apply to the Secretary for refund of the tax. The application shall be in the form prescribed by the Secretary and shall be accompanied by an affidavit from the manufacturer stating the number of cigarettes returned to the manufacturer by the applicant. The Secretary shall refund the tax paid, less the discount allowed, on the unsalable cigarettes."

SECTION 2. This act becomes effective July 1, 2011.

SENATE BILL 306:
Reduce Cigarette Discount

2011-2012 General Assembly

Committee:	Senate Finance	**Date:**	June 10, 2011
Introduced by:	Sen. Hartsell	**Prepared by:**	Heather Fennell
Analysis of:	First Edition		Committee Counsel

SUMMARY: The PCS to Senate Bill 306 would reduce the discount granted for distributors that make timely tax payments on the cigarette excise tax.

CURRENT LAW: North Carolina first began taxing cigarettes in 1969. Tax stamps were required to be attached to packages of cigarettes as evidence of payment of the tax. In 1993, the tax stamp requirement was repealed and the payment of the cigarette tax was recorded by reports submitted by cigarette distributors. Currently, every state but North Carolina, North Dakota, and South Carolina requires cigarette tax stamps.[1] At the time North Carolina repealed its tax stamp requirement in 1993 four other states did not require tax stamps. Of those four states, three of those states have begun to require cigarette tax stamps: Alaska, Hawaii, and Michigan.

At the time of the original enactment, a discount of 7/24¢ per stamp was given for the expenses associated with the stamps. This discount amount equated to approximately 2.9¢ per carton. When the tax stamp was eliminated, the General Assembly changed the discount amount to 4% of the tax due and provided that the purpose of the discount is to cover a distributor's expenses associated with preparing the required tax reports. The General Assembly repealed the discount in 2003; then reinstated it in 2004 at its current rate of 2% of the tax due. With the 2009 increases in the cigarette tax rate, the 2% discount equals approximately 9¢ per carton. Below is a history of the discount:

Year	Tax Rate Per pack	Discount Rate	Discount Amount	
			Pack	Carton
1969	2¢	7/24¢ per stamp	7/24¢	2.9¢
1991	5¢	7/24¢ per stamp	7/24¢	2.9¢
1993	5¢	4%	0.2¢	2¢
2003	5¢	Repealed	0	0
2004	5¢	2%	0.1¢	1¢
2005	30¢	2%	0.6¢	6¢
2006	35¢	2%	0.7¢	7¢
2009	45¢	2%	0.9¢	9¢

BILL ANALYSIS: The PCS to Senate Bill 306 would repeal the discount granted for distributors that make timely tax payments on the cigarette excise tax.

Effective Date	Tax Per pack	Discount Rate	Discount Amount	
			Pack	Carton
Current law	45¢	2%	0.9¢	9¢
July 1, 2011	45¢	0.015¢ per cig	0.3¢	3¢

EFFECTIVE DATE: This act is effective July 1, 2011.

S306-SMTD-86(e1) v4

[1] South Carolina repealed its tax stamp requirement in 1997.

PRINCIPAL DEPARTMENT(S) & PROGRAM(S) AFFECTED:
NC Department of Revenue

EFFECTIVE DATE: July 1, 2011

BILL SUMMARY: The PCS to Senate Bill 306 decreases the discount cigarette distributors are allowed, from 2% to 0.7% of the total amount due. The discount of 9¢ per carton would be reduced to 3¢ per carton.

Under current law, North Carolina first began taxing cigarettes in 1969. Tax stamps were required to be attached to packages of cigarettes as evidence of payment of the tax. In 1993, the tax stamp requirement was repealed and the payment of the cigarette tax was recorded by reports submitted by cigarette distributors.

At the time of the original enactment, a discount of 7/24¢ per stamp was given for the expenses associated with the stamps. This discount amount equaled 2.9¢ per carton. When the tax stamp was eliminated, the General Assembly changed the discount amount to 4% of the tax due, an amount equivalent to 2.0¢ per carton. The 1993 legislation provided that the purpose of the discount was to cover a distributor's expenses associated with preparing the required tax reports. The General Assembly repealed the discount in 2003; then reinstated it in 2004 at its current rate of 2% of the tax due. With the recent increases in the cigarette tax rate, the 2% discount now equals 9¢ per carton.

SB 306 reduces the cigarette tax stamp to an amount equivalent to the inflation adjusted discount in place in 1994 (2.0¢ per carton adjusted by three percent annual inflation) to 3.0¢ per carton.

This act is effective July 1, 2011.

ASSUMPTIONS AND METHODOLOGY: SB 306 will generate roughly $3.0 million dollars per fiscal year. According to the North Carolina Department of Revenue, the distributor's discount equaled roughly $4.8 million in FY 09-10.

In FY 2011-12, the cigarette excise tax is expected to generate $239.2 million in tax revenue less the $4.8 million in wholesaler's discounts allowed ($239.2 million*2%). Reducing the wholesaler's discount from 0.9-cents per pack to 0.3-cents per pack, the SB 306 proposal, increases General Fund availability by roughly $ 3.0 million dollars each full fiscal year ($4.8 million*(1-0.3/0.9).

SENATE FINANCE COMMITTEE
Tuesday, June 14, 2011 at 1:00 PM
Room 545, Legislative Office Building

MINUTES

The Senate Finance Committee met at 1:00 PM on June 14, 2011 in room 544 of the Legislative Office Building. Twenty-three members of the committee were present. Molly Boutwell of Louisburg, Judson MacDonald of Cary, Brantley Craft of Greensboro, Ashley Sizemore of King and Preston Pugh of Clayton served as pages. Senator Rucho presided as chair.

H.B. 845 – Annexation Reform

Representative Dollar and Representative LaRoque were recognized to explain the bill. Senator Newton moved to adopt the proposed committee substitute (PCS) for discussion and the motion carried. The PCS makes substantive changes to the involuntary annexation process for all municipalities: one annexation process for all size municipalities, water and sewer required, petition to deny annexation, additional notice to property owners, appeals modified, annexation of distressed areas, and applicability. Giles Perry, a staff attorney with the Research Division, was recognized to answer questions. Maurice B. Holland, Sr., former President of Midway, was recognized to speak in favor of the bill. Kelly Kukura, NC League of Municipalities' Director of Government Affairs, was recognized to speak in opposition. Michael Rice of Southport Township, Tony Gall of the Wilmington area, Catherine Heath of STOP NC Annexation, Tony Tetherton and Charlene Moore were all recognized to speak in favor of the bill. Senator Brock moved for a favorable report and the motion carried. A copy of the PCS and the summary is attached.

H.B. 168 – Farm Annexation

Representative Cleveland was recognized to explain the bill and Senator Rabon moved to adopt the PS for discussion. The motion carried. The bill clarifies the definition of "bona fide farm purposes", prohibits the involuntary municipal annexation of property used for bona fide farm purposes, exempts property used for bona fide farm purposes from municipal ETJ regulations, and exempts property used for bona fide farming purposes from municipal zoning. The PCS changes the effective date so that Sections 2 and 3 of the bill apply to annexations of property used for bona fide farm purposes that were initiated by municipalities on or after that date, or are pending on that date. Kelly Kukura was recognized to answer questions. At this time the meeting was recessed. A copy of the PCS and the summary is attached.

The meeting recessed at 1:58 PM to reconvene later in the day.

A BILL TO BE ENTITLED

AN ACT TO REFORM THE INVOLUNTARY ANNEXATION LAWS OF NORTH CAROLINA.

The General Assembly of North Carolina enacts:

SECTION 1. Part 2 of Article 4A of Chapter 160A of the General Statutes is repealed.

SECTION 2. G.S. 160A-49.1 is recodified as G.S. 160A-58.57 under Part 7 of Article 4A of Chapter 160A of the General Statutes, as created by Section 8 of this act.

SECTION 3. G.S. 160A-49.2 is recodified as G.S. 160A-58.58 under Part 7 of Article 4A of Chapter 160A of the General Statutes, as created by Section 8 of this act.

SECTION 4. G.S. 160A-49.3 is recodified as G.S. 160A-58.59 under Part 7 of Article 4A of Chapter 160A of the General Statutes, as created by Section 8 of this act.

SECTION 5. G.S. 160A-51 is recodified as G.S. 160A-58.61 under Part 7 of Article 4A of Chapter 160A of the General Statutes, as created by Section 8 of this act.

SECTION 6. G.S. 160A-52 is recodified as G.S. 160A-58.62 under Part 7 of Article 4A of Chapter 160A of the General Statutes, as created by Section 8 of this act.

SECTION 7. Part 3 of Article 4A of Chapter 160A of the General Statutes is repealed.

SECTION 8. Article 4A of Chapter 160A of the General Statutes is amended by adding a new Part 7 to be entitled "Annexations Initiated by Municipalities."

SECTION 9. Part 7 of Article 4A of Chapter 160A of the General Statutes, as created by Section 8 of this act and as amended by Sections 2, 3, 4, 5, and 6 of this act, reads as rewritten:

"Part 7.

"Annexations Initiated by Municipalities.

"**§ 160A-58.50. Declaration of policy.**

It is hereby declared as a matter of State policy:

(1) That sound urban development is essential to the continued economic development of North Carolina.

(2) That municipalities are created to provide the governmental services essential for sound urban development and for the protection of health,

safety, and welfare in areas being intensively used for residential, commercial, industrial, institutional, and governmental purposes or in areas undergoing such development.

(3) That municipal boundaries should be extended in accordance with legislative standards applicable throughout the State to include such areas and to provide the high quality of governmental services needed therein for the public health, safety, and welfare.

(4) That areas annexed to municipalities in accordance with such uniform legislative standards should receive the services provided by the annexing municipality.

(5) That the provision of services to protect the health, safety, and welfare is a public purpose.

(6) That it is essential for citizens to have an effective voice in annexations initiated by municipalities.

"**§ 160A-58.51. Definitions.**

As used in this Part, the following definitions apply:

(1) Contiguous area. – Any area which, at the time annexation procedures are initiated, either abuts directly on the municipal boundary or is separated from the municipal boundary by a street or street right-of-way, a creek or river, the right-of-way of a railroad or other public service corporation, lands owned by the municipality or some other political subdivision, or lands owned by the State of North Carolina. A connecting corridor consisting solely of the length of a street or street right-of-way may not be used to establish contiguity.

(1a) Eligible property owner. – A property owner who is eligible to sign a petition to deny an annexation ordinance or a property owner who is eligible to be notified of the opportunity to have water lines and sewer lines and connections installed at no cost to the property owner. A property owner is eligible to sign a petition to deny an annexation ordinance if the property owner held a freehold interest in the property, determined as of the date of the resolution of consideration. A property owner is eligible to be notified of the opportunity to have water lines and sewer lines and connections installed at no cost to the property owner if that property owner held a freehold interest in the real property to be annexed as of the date of the combined notice of public informational meeting and public hearing.

(2) Necessary land connection. – An area that does not exceed twenty-five percent (25%) of the total area to be annexed.

(3) Property owner. – Any person having a freehold interest in real property.

(4) Used for residential purposes. – Any lot or tract five acres or less in size on which is constructed a habitable dwelling unit. The term also includes any lot or tract that is used in common for social or recreational purposes by either owners of lots with habitable dwelling units or owners of lots intended for occupation by dwelling units and the lot owners have a real property interest in the commonly used property that attaches to or is appurtenant to the owners' lots.

"**§ 160A-58.52. Authority to annex.**

The governing board of any municipality may extend the corporate limits of such municipality under the procedure set forth in this Part.

"**§ 160A-58.53. Prerequisites to annexation.**

A municipality exercising authority under this Part shall make plans for the extension of services to the area proposed to be annexed and shall, prior to the public hearing provided for in

G.S. 160A-58.55, prepare a report setting forth such plans to provide services to the area proposed to be annexed. The report shall include the following:

(1) A map or maps of the municipality and adjacent territory to show the following information:
  a. The present and proposed boundaries of the municipality.
  b. The present major trunk water mains and sewer interceptors and outfalls, and the proposed extensions of such mains, outfalls, and lines as required in subdivision (3) of this section. The water and sewer map shall bear the seal of a registered professional engineer.
  c. The general land use pattern in the area proposed to be annexed.

(2) A statement showing that the area proposed to be annexed meets the requirements of G.S. 160A-58.54.

(3) A statement setting forth the plans for extending to the area proposed to be annexed each major municipal service on substantially the same basis and in the same manner as such services are provided within the rest of the municipality prior to annexation and the method to finance the extension of major municipal services into the area proposed to be annexed as follows:
  a. Provision of police protection, fire protection, solid waste collection, and street maintenance services on the effective date of annexation. A contract with a rural fire department to provide fire protection shall be an acceptable method of providing fire protection. A contract with a private firm to provide solid waste collection services shall be an acceptable method of providing solid waste collection services.
  b. Extension of water and sewer services to each lot or parcel, if an installation easement is provided by the affected property owner, with a proposed timetable for construction of such mains, outfalls, and lines within three and one-half years of the effective date of annexation, in accordance with G.S. 160A-58.56.

(4) A statement of the impact of the annexation on any rural fire department providing service in the area proposed to be annexed and a statement of the impact of the annexation on fire protection and fire insurance rates in the area proposed to be annexed, if the area where service is provided is in an insurance district designated under G.S. 153A-233, a rural fire protection district under Article 3A of Chapter 69 of the General Statutes, or a fire service district under Article 16 of Chapter 153A of the General Statutes. The rural fire department shall make available to the municipality not later than 30 days following a written request from the municipality all information in its possession or control, including operational, financial, and budgetary information, necessary for preparation of a statement of impact. The municipality shall, in a timely fashion, supply the rural fire department with information requested by the rural fire department to respond to the written request. The rural fire department forfeits its rights under G.S. 160A-58.57 if it fails to make a good faith response within 45 days following receipt of the written request for information from the municipality, provided that the municipality's written request so states by specific reference to this subdivision.

(5) A statement showing how the proposed annexation will affect the municipality's finances and services, including municipal revenue change estimates. This statement shall be delivered to the clerk of the board of county commissioners at least 30 days before the date of the public informational meeting on any annexation under this Part.

"**§ 160A-58.54. Character of area to be annexed.**

(a) A municipal governing board may extend the municipal corporate limits to include any area that meets all of the following criteria:

(1) It shall be adjacent or contiguous to the municipality's boundaries at the time the annexation proceeding is begun, except if the entire territory of a county water and sewer district created under G.S. 162A-86(b1) is being annexed, the annexation shall also include any noncontiguous pieces of the district as long as the part of the district with the greatest land area is adjacent or contiguous to the municipality's boundaries at the time the annexation proceeding is begun.

(2) At least one-eighth of the aggregate external boundaries of the area shall coincide with the municipal boundary.

(3) No part of the area shall be included within the boundary of another incorporated municipality.

(4) The total area to be annexed shall meet the requirements of any of the following:

a. Part or all of the area to be annexed must be developed for urban purposes at the time of approval of the report provided for in G.S. 160A-58.53. The area of streets and street rights-of-way shall not be used to determine total acreage under this subdivision. An area developed for urban purposes is defined as any area which meets any one of the following standards:

1. Has a total resident population equal to at least two and three-tenths persons for each acre of land included within its boundaries.

2. Has a total resident population equal to at least one person for each acre of land included within its boundaries, and is subdivided into lots and tracts such that at least sixty percent (60%) of the total acreage consists of lots and tracts three acres or less in size and such that at least sixty-five percent (65%) of the total number of lots and tracts are one acre or less in size.

3. Is so developed that at least sixty percent (60%) of the total number of lots and tracts in the area at the time of annexation are used for residential, commercial, industrial, institutional, or governmental purposes, and is subdivided into lots and tracts such that at least sixty percent (60%) of the total acreage, not counting the acreage used at the time of annexation for commercial, industrial, governmental, or institutional purposes, consists of lots and tracts three acres or less in size.

4. Is the entire area of any county water and sewer district created under G.S. 162A-86(b1), if all of the following apply:

I. The municipality has provided in a contract with that district that the area is developed for urban purposes.

II. The contract provides for the municipality to operate the sewer system of that county water and sewer district.

III. The municipality is annexing in one ordinance the entire territory of the district not already within the corporate limits of a municipality.

5. Is so developed that, at the time of the approval of the annexation report, all tracts in the area to be annexed are used for commercial, industrial, governmental, or institutional purposes.

b. Part or all of the area to be annexed meets either of the following:

1. Lies between the municipal boundary and an area developed for urban purposes so that the area developed for urban purposes is either not adjacent to the municipal boundary or cannot be served by the municipality without extending major municipal services, including water or sewer lines, through such sparsely developed area.

2. Is adjacent, on at least sixty percent (60%) of its external boundary, to any combination of the municipal boundary and the boundary of an area or areas developed for urban purposes as defined in sub-subdivision a. of this subsection.

The purpose of paragraphs 1. and 2. of this sub-subdivision is to permit municipal governing boards to extend corporate limits to include all nearby areas developed for urban purposes and where necessary to include areas which at the time of annexation are not yet developed for urban purposes but which constitute necessary land connections between the municipality and areas developed for urban purposes or between two or more areas developed for urban purposes.

c. The total area to be annexed is completely surrounded by the municipality's primary corporate limits.

(b) In fixing new municipal boundaries and determining whether an area is developed for urban purposes, a municipal governing board shall comply with all the following:

(1) Use recorded property lines and streets as boundaries. Some or all of the boundaries of a county water and sewer district may also be used when the entire district is not already within the corporate limits of the municipality.

(2) Use whole parcels of property in that if any portion of that parcel is included, the entire parcel of real property as recorded in the deed transferring title shall be included.

(3) Not use a connecting corridor consisting solely of the length of a street or street right-of-way to establish contiguity.

(4) Not consider property in use for a commercial, industrial, institutional, or governmental purpose if the lot or tract is used only temporarily, occasionally, or on an incidental or insubstantial basis in relation to the size and character of the lot or tract.

(5) Include acreage actually occupied by buildings or other man-made structures together with all areas that are reasonably necessary and appurtenant to such facilities for purposes of parking, storage, ingress and egress, utilities, buffering, and other ancillary services and facilities when determining acreage in use for commercial, industrial, institutional, or governmental purposes.

(6) Consider the area of an abolished water and sewer district to be a water and sewer district for the purpose of this section even after its abolition under G.S. 162A-87.2(b).

"**§ 160A-58.55. Procedure for annexation.**

(a) Resolution of Consideration. – Any municipal governing board desiring to annex territory under the provisions of this Part shall first pass a resolution of consideration

identifying the area under consideration for annexation by either a metes and bounds description or a map. The resolution of consideration shall remain effective for two years after adoption and be filed with the municipal clerk. A new resolution of consideration adopted before expiration of the two-year period for a previously adopted resolution covering the same area shall relate back to the date of the previous resolution. Adoption of a resolution of consideration shall not confer prior jurisdiction over the area as to any other municipality.

(b) Notice of Resolution of Consideration. – A notice of the adoption of the resolution of consideration shall be published once a week for two successive weeks, with each publication being on the same day of the week, in a newspaper having general circulation in the municipality. The second publication shall be no more than 30 days following adoption of the resolution of consideration. The resolution of consideration shall contain a map or description of the area under consideration and a summary of the annexation process and time lines. A copy of the resolution of consideration shall be mailed within 30 days after the adoption of the resolution of consideration by first class mail to the property owners of real property located within the area under consideration for annexation as shown by the tax records of the county. If a proposed annexation extends across a county border into a county other that the county where the majority of the area of the existing municipality is located, a copy of the resolution of consideration shall be mailed within 30 days after the adoption of the resolution of consideration by first class mail to the clerk of the board of county commissioners of that county.

(c) Resolution of Intent. – At least one year after adoption of the resolution of consideration, the municipal governing body may adopt a resolution of intent of the municipality to proceed with the annexation of some or all of the area described in the resolution of consideration. The resolution of intent shall describe the boundaries of the area proposed for annexation, fix a date for a public informational meeting, and fix a date for a public hearing on the question of annexation. The date for the public informational meeting shall be not less than 45 days and not more than 55 days following passage of the resolution of intent. The date for the public hearing shall be not less than 130 days and not more than 150 days following passage of the resolution of intent.

(d) Notice of Public Informational Meeting, Public Hearing, and Opportunity for Water and Sewer. – A combined notice of public informational meeting and public hearing shall be issued as provided for in this subsection as follows:

(1) The notice shall be a combined notice that includes at least all of the following:
   a. The date, hour, and place of the public informational meeting.
   b. The date, hour, and place of the public hearing.
   c. A clear description of the boundaries of the area under consideration, including a legible map of the area.
   d. A statement that the report required by G.S. 160A-58.53 will be available at the office of the municipal clerk.
   e. An explanation of a property owner's rights under this section.
   f. A summary of the annexation process with time lines.
   g. A summary of available statutory remedies for denying and appealing the annexation and the failure to provide services.
   h. Information on how to request to become a customer of the water and sewer service, all forms to request that service, and the consequences of opting in or opting out, as provided in G.S. 160A-58.56.
   i. A clear description of the distinction between the public informational meeting and the public hearing.

(2) The combined notice shall be given by publication of the information required by sub-subdivisions (1)a., b., and c. of this subsection and a

statement regarding the availability of the information required by the remaining sub-subdivisions of subdivision (1) of this subsection in a newspaper having general circulation in the municipality once a week for at least two successive weeks prior to the date of the public informational meeting, with each publication being on the same day of the week. The date of the last publication shall be not more than 10 days preceding the date of the public informational meeting. In addition thereto, if the area proposed to be annexed lies in a county containing less than fifty percent (50%) of the land area of the municipality, the same publication shall be given in a newspaper having general circulation in the area of proposed annexation. If there is no such newspaper, the municipality shall post the notice in at least five public places within the municipality and at least five public places in the area to be annexed for 30 days prior to the date of public informational meeting.

(3) The combined notice, together with the information about requesting water and sewer service, shall be mailed within five business days of the passage of the resolution of intent by first class mail to the property owners of real property located within the area to be annexed as shown by the tax records of the county. The person or persons mailing such notices shall certify to the governing board that fact, and such certificate shall become a part of the public record of the annexation proceeding and shall be deemed conclusive in the absence of fraud. If a notice is returned to the municipality by the postal service by the tenth day before the informational meeting, a copy of the notice shall be sent by certified mail, return receipt requested, at least seven days before the informational meeting. Failure to comply with the mailing requirement of this subsection shall not invalidate the annexation unless it is shown that the requirements were not substantially complied with.

(4) If the governing board by resolution finds that the tax records are not adequate to identify the property owners within the area to be annexed after exercising reasonable efforts to locate the property owners, it may, in lieu of the mail procedure required by subdivision (3) of this subsection, post the notice at least 30 days prior to the date of the public informational meeting on all buildings, on such parcels, and in at least five other places within the area to be annexed as to those parcels where the property owner could not be so identified. In any case where notices are placed on property, the person placing the notice shall certify that fact to the governing board.

(e) Action Prior to Informational Meeting. – At least 30 days before the date of the public informational meeting, the municipal governing board shall do all of the following:

(1) Approve the report provided for in G.S. 160A-58.53.

(2) Prepare a summary of the approved report for public distribution.

(3) Post in the office of the clerk all of the following:

a. The approved report provided for in G.S. 160A-58.53.

b. The summary of the approved report.

c. A legible map of the area to be annexed.

d. The list of the property owners, and associated mailing addresses, in the area to be annexed that the municipality has identified and mailed notice.

e. Information for property owners on how to request to become a customer of the water service or sewer service and all forms to request that service.

(4) If the municipality has a Web site, post on that Web site all of the information under this section together with any forms to apply for water and sewer service.

(5) Prepare a summary of the substantive remedies for denying and appealing the annexation for public distribution.

(f) Public Informational Meeting. – At the public informational meeting, a representative of the municipality shall first make an explanation of the report required in G.S. 160A-58.53 and an explanation of the provision of major municipal services. The explanation of the provision of services shall include how to request water service or sewer service to individual lots, the average cost of a residential connection to the water and sewer system, and the opportunity for installation of a residential connection under G.S. 160A-58.56. A summary of the annexation process with time lines, a summary of available statutory remedies for denying and appealing the annexation, an explanation of the provision of services, and information for requesting water service or sewer service to individual lots and any forms to so request shall also be distributed at the public informational meeting. Following such explanation, all property owners and residents of the area proposed to be annexed as described in the notice of public informational meeting and hearing, and all residents of the municipality shall be given the opportunity to ask questions and receive answers regarding the proposed annexation.

(g) Public Hearing. – At the public hearing, a representative of the municipality shall first make an explanation of the report required in G.S. 160A-58.53. Following such explanation, all property owners and residents of the area proposed to be annexed as described in the notice of public informational meeting and hearing, and all residents of the municipality, shall be given an opportunity to be heard.

(h) Passage of the Annexation Ordinance. – The municipal governing board shall take into consideration facts presented at the public hearing and shall have authority to amend the report required by G.S. 160A-58.53 to make changes in the plans for serving the area proposed to be annexed so long as such changes meet the requirements of G.S. 160A-58.53. At any regular or special meeting held no sooner than the tenth day following the public hearing and not later than 90 days following the public hearing, the governing board shall have authority to adopt an ordinance, subject to subsection (i) of this section, extending the corporate limits of the municipality to include all, or part, of the area described in the notice of public hearing which the governing board has concluded should be annexed. The annexation ordinance shall:

(1) Contain specific findings showing that the area to be annexed meets the requirements of G.S. 160A-58.54.

(2) Describe the external boundaries of the area to be annexed by metes and bounds.

(3) Include a statement of the intent of the municipality to provide services to the area being annexed as set forth in the report required by G.S. 160A-58.53 and a time line for the provision of those services.

(4) Contain a specific finding that on the effective date of annexation, the municipality will have funds appropriated in sufficient amount to finance construction of any water and sewer lines stated in the report required by G.S. 160A-58.53 to extend the water and sewer services into the area to be annexed, or that on the effective date of annexation the municipality will have authority to issue bonds in an amount sufficient to finance such construction. If authority to issue such bonds shall be secured from the electorate of the municipality prior to the effective date of annexation, then the effective date of annexation shall be no earlier than the day following the statement of the successful result of the bond election.

(5) Fix the effective date for annexation as June 30 next following the adoption of the ordinance or the second June 30 following adoption of the ordinance, but not before the completion of the water and sewer request and petition to deny and appeal periods are complete.

(6) Together, with the list of the property owners of parcels within the area described in the annexation ordinance to which a notice was mailed under subsection (d) of this section, be delivered within five business days to the tax assessor and the board of elections of the county in which a majority of the municipality lies.

(7) Be summarized, and sent in accordance with subsection (i) of this section, to the list of the property owners within the area described in the annexation ordinance to which a notice was mailed under subsection (d) of this section together with a blank petition form, preprinted with name and address of the property owner.

(8) If a public body has a Web site, conspicuously post a copy of the petition to deny annexation ordinance that a property owner in the real property located within the area described in the annexation ordinance may download, complete, and return to the county board of elections in accordance with subsection (i) of this section.

(i) Petition to Deny Annexation Ordinance. – The following procedures shall apply to this subsection:

(1) Upon receipt of the resolution of intent and a list of property owners of the real property located within the area, the county tax assessor shall prepare a list of the real property parcels within the area, and forward it to the board of elections in the county where a majority of the parcels proposed for annexation are located. The board of elections shall prepare petitions for property owners of the real property located within the area described in the resolution of intent to sign opposing the annexation ordinance.

(2) A petition shall include the names of the property owners of the parcel of real property listed individually, a signature line for each owner, and a statement that the person signing is petitioning to deny the annexation.

(3) The board of elections shall mail a petition to the address of record for those real property owners within five business days of receipt from the county tax assessor of the list.

(4) The board of elections shall provide two methods by which property owners of the real property located within the area described in the annexation ordinance may sign a petition form prepared by the board of elections: (i) in person or (ii) by submitting the signed petition form by mail. The board of elections shall also accept signatures signed on a petition form prepared by the board of elections, but collected by another, if that petition form is returned to the board of elections in a sealed container.

(5) If the signed petition is one that was mailed under subdivision (h)(7) of this section and the signer is not the same as the preprinted name on the form, the signed petition shall be notarized and accompanied by a copy of the legal authority for the signature of the person signing a petition.

(6) If a petition is returned as undeliverable to the board of elections, the board of elections shall send the petition return receipt requested. If the petition is returned again, the board of elections shall not include that property owner in the total number of eligible property owners.

(7) If there is a change in ownership of real property after the date of the resolution of consideration until 30 days after the date of the adoption of the

annexation ordinance, the new owner of the real property shall be considered the eligible owner of real property.

(8) The board of elections shall accept signatures on the petition until 130 days after the adoption of the annexation ordinance.

(9) The determination of the results by the board of elections of the petition period shall be observed by three property owners from the area proposed for annexation, chosen by lot by the board of elections from among those who request to serve in this role, and three persons designated by the municipality. A majority of the property owners of a single parcel of real property must sign the petition before the board of elections may count that parcel as having submitted a petition to deny annexation.

(10) Within 10 business days after the close of the signature period, the board of elections shall certify to the municipal governing body the number of petitions signed by eligible property owners of the real property located within the area described in the annexation ordinance.

(11) If the board of elections delivers to the municipal governing board petitions signed by eligible property owners of at least sixty percent (60%) of the parcels located within the area described in the annexation ordinance as provided in this subsection, the annexation shall be terminated and the municipality may not adopt a resolution of consideration for the area described in the annexation ordinance for at least 36 months.

(12) This subsection shall not apply to any property owner of real property located within the area described in the annexation ordinance that is completely surrounded by the municipality's primary corporate limits.

(13) The municipality shall reimburse the board of elections the costs of the petition process required under this subsection.

(j) Effect of Annexation Ordinance. –From and after the effective date of the annexation ordinance, the territory and its citizens and property shall be subject to all debts, laws, ordinances, and regulations in force in such municipality and shall be entitled to the same privileges and benefits as other parts of such municipality.

(k) (reserved)

(l) (reserved)

(m) Simultaneous Annexation Proceedings. – If a municipality is considering the annexation of two or more areas which are all adjacent to the municipal boundary but are not adjacent to one another, it may undertake simultaneous proceedings under authority of this Part for the annexation of such areas.

(n) Remedies for Failure to Provide Services. – If, not earlier than 30 days after the effective date of annexation and not later than 15 months from the effective date of annexation, any property owner in the annexed territory shall believe that the municipality has not followed through providing services as set forth in the report adopted under G.S. 160A-58.53 and subsection (e) of this section, the property owner may apply for a writ of mandamus. Relief may be granted by the judge of superior court if the municipality has not provided the services set forth in its plan submitted under the provisions of G.S. 160A-58.53(3)a. on substantially the same basis and in the same manner as such services were provided within the rest of the municipality prior to the effective date of annexation and those services are still being provided on substantially the same basis and in the same manner within the original corporate limits of the municipality. If a writ is issued, costs in the action, including reasonable attorneys' fees for such aggrieved property owner, shall be charged to the municipality.

(o) Reports to the Local Government Commission. – The municipality shall report to the Local Government Commission as follows:

(1) As to whether police protection, fire protection, solid waste services, and street maintenance services were provided in accordance with G.S. 160A-58.53(3)a., within 30 days after the effective date of the annexation. Such report shall be filed no more than 30 days following the expiration of the 30-day period. If the Local Government Commission determines that the municipality failed to deliver police protection, fire protection, solid waste services, or street maintenance services as provided for in G.S. 160A-58.53(3)a. within 30 days after the effective date of the annexation, the Local Government Commission shall notify the municipality that the municipality may not count any of the residents as part of the population of the municipality for the purpose of receiving any State, federal, or county dollars distributed based on population until all of the services are provided.

(2) As to whether the extension of water and sewer lines was completed within the time period specified in G.S. 160A-58.53(3), within six months after the effective date of the annexation ordinance, and again within three and one-half years of the effective date of the annexation ordinance or upon the completion of the installation, whichever occurs first. If the municipality failed to deliver either water or sewer services, or both, as provided for in G.S. 160A-58.53(3)b. within three and one-half years after the effective date of the annexation, the municipality shall stop any other annexations in progress and may not begin any other annexation until the water and sewer services are provided. The municipality shall adopt a resolution of consideration to begin again any annexation that is stopped due to this subdivision.

"**§ 160A-58.56. Provision of water and sewer service.**

(a) The municipality shall provide water and sewer service to the annexed area as required by plans for extension under G.S. 160A-58.53(3) within three and one-half years of the effective date of the annexation ordinance except as provided in subdivision (b)(4) of this section. If (i) the residents in the existing city boundaries are served by a public water or sewer system, or by a combination of a public water or sewer system and one or more nonprofit entities providing service by contract with the public system, (ii) the annexing municipality does not provide that service within the existing city boundaries, (iii) the area to be annexed is in an area served by the public water or sewer system, and (iv) the municipality has no responsibility through an agreement with the public water or sewer system to pay for the extension of lines to areas annexed to the city, the city shall have no financial responsibility for the extension of water and sewer lines under this section. For purposes of this provision, "public water or sewer system" means a water or sewer authority formed under G.S. Chapter 162A, Article 1; a metropolitan water or sewerage district formed under G.S. Chapter 162A, Article 4 or Article 5; a county water or sewer district formed under G.S. Chapter 162A, Article 6; a sanitary district formed under G.S. Chapter 130A, Article 2; a county-owned water or sewer system; a municipal-owned water or sewer system; a water or sewer utility created by an act of the General Assembly; or a joint agency providing a water or sewer system by interlocal agreement under G.S. Chapter 160A, Article 20.

(b) Prior to the adoption of the annexation ordinance, the municipality shall offer to each eligible property owner of real property located within the area proposed to be annexed an opportunity to obtain water or sewer service, or both, at no cost other than periodic user fees based upon usage as follows:

(1) After passage of the resolution of intent, the property owner of real property located within the area proposed to be annexed shall be notified in writing, as provided in G.S. 160A-58.55(d), within five business days of the passage

of the resolution of intent, of the opportunity to have water and sewer lines and connections installed at no cost to the property owner. The notice shall state that a request for extending water and sewer lines does not waive the right to contest the annexation. The property owners of real property located within the area proposed to be annexed shall be allowed 65 days from the date of the passage of the resolution of intent to respond yes or no to the opportunity. Any property owner of a parcel that is an existing customer of the municipality's water or sewer, whether provided by the municipality or by a third party under contract with the municipality, shall be deemed to respond yes to the opportunity, whether or not the property owner returns the notification.

(2) At the close of the 65-day period, the municipality shall determine if the eligible property owners of a majority of the parcels to be annexed have responded favorably. A majority of the property owners of a single parcel of real property must respond favorably before the municipality may count that parcel of real property as responding favorably.

(3) If the property owners of a majority of the parcels located within the area proposed to be annexed respond favorably, the municipality shall do all of the following:

a. Provide water and sewer lines, service lines, and connections at no cost other than periodic user fees to all real property for which an owner responded favorably if the annexation ordinance is adopted. The right to receive water and sewer lines shall run with the land.

b. Notify, within five days of the close of the 65-day period under subdivision (2) of this subsection, those property owners of real property located within the area proposed to be annexed who failed to respond or responded negatively that the property owners of a majority of the parcels located within the area proposed to be annexed responded favorably and offer a second opportunity for that property owner to respond favorably within 30 days.

(4) If the property owners of a majority of the parcels located within the area proposed to be annexed fail to respond favorably to the offer to obtain water and sewer services made under this section, the municipality may nevertheless proceed with the annexation. If the municipality proceeds with the annexation when the property owners of a majority of the parcels located within the area proposed to be annexed fail to respond favorably to the offer to obtain water and sewer services, the municipality is not required to provide water and sewer services to any property owners in the area that is annexed. If the municipality does provide water and sewer services, and if a property owner requests those services, the municipality may charge the property owner for the connection to a residential lot as provided in subsection (d) of this section during the first five years following the effective date of the annexation. After five years, and only if connection is requested by a property owner in accordance with subsection (e) of this section, the municipality may charge for the connection according to the municipality's policy.

(c) The process required by subsection (b) of this section shall be completed by the municipality at least 30 days prior to the public hearing. The report required by G.S. 160A-58.53 shall include the results of the process required by subsection (b) of this section.

(d) Any property owner of the real property located within the area described in the annexation ordinance may apply to participate in the water and sewer system after the completion of the process required by subsection (b) of this section. For a property owner of real property located within the area described in the annexation ordinance applying within the first year, that property owner may be charged an amount not to exceed fifty percent (50%) of average cost of the installation of the water and sewer for a residential lot. For a property owner of real property located within the area described in the annexation ordinance applying within the second year, that property owner may be charged an amount not to exceed sixty percent (60%) of average cost of the installation of the water and sewer for a residential lot. For a property owner of real property located within the area described in the annexation ordinance applying within the third year, that property owner may be charged an amount not to exceed seventy percent (70%) of average cost of the installation of the water and sewer for a residential lot. For a property owner of real property located within the area described in the annexation ordinance applying within the fourth year, that property owner may be charged an amount not to exceed eighty percent (80%) of average cost of the installation of the water and sewer for a residential lot. For a property owner of real property located within the area described in the annexation ordinance applying within the fifth year, that property owner may be charged an amount not to exceed ninety percent (90%) of average cost of the installation of the water and sewer for a residential lot. Charges pursuant to this section shall be made when the water and sewer connection is operable.

(e) Notwithstanding Article 16 of this Chapter, the municipality may not charge, for any reason, any property owner within the area described in the annexation ordinance, for the installation or use of the water or sewer system unless that property owner is, or has requested to become, a customer of the water or sewer system.

(e1) The initial installation of water or sewer connections lines to property shall be completed without charge to the property owner. Title to water or sewer connection lines shall vest in the property owner following completion of the initial installation. The property owner shall be responsible for maintenance and repair of water and sewer connection lines on the owner's property following the initial installation.

(e2) If the municipality is unable to provide water or sewer service within three and one-half years, as required by this section, due to permitting delays that are caused through no fault of the municipality, the municipality may petition the Local Government Commission for a reasonable time extension.

(f) For purposes of this section, the following definitions apply:

(1) "At no cost other than periodic user fees." – The municipality may not charge the property owner who responded favorably under subdivision (b)(3) of this section for any costs associated with the installation of the water or sewer system. The municipality may not charge a property owner who applies to participate in the water and sewer system under subsection (d) of this section prior to the first periodic user fee charge, and on that bill the owner may be charged no more then as provided in subsection (d) of this section.

(2) "Average installation of a connection for a residential lot." – The average of the cost for residential installations from curb to residence, including connection and tap fees, in the area described in the annexation ordinance.

"§ 160A-58.57. Contract with rural fire department.

(a) If the area to be annexed described in a resolution of intent passed under ~~G.S. 160A-49(a)~~ G.S. 160A-58.55(c) includes an area in an insurance district defined under G.S. 153A-233, a rural fire protection district under Article 3A of Chapter 69 of the General Statutes, or a fire service district under Article 16 of Chapter 153A of the General Statutes, and a rural fire department was on the date of adoption of the resolution of intent providing fire

protection in the area to be annexed, then the city (if the rural fire department makes a written request for a good faith offer, and the request is signed by the chief officer of the fire department and delivered to the city clerk no later than 15 days before the public hearing) is required to make a good faith effort to negotiate a five-year contract with the rural fire department to provide fire protection in the area to be annexed.

(b) If the area is a rural fire protection district or a fire service district, then an offer to pay annually for the term of the contract the amount of money that the tax rate in the district in effect on the date of adoption of the resolution of intent would generate based on property values on January 1 of each year in the area to be annexed which is in such a district is deemed to be a good faith offer of consideration for the contract.

(c) If the area is an insurance district but not a rural fire protection district or fire service district, then an offer to pay annually over the term of the contract the amount of money which is determined to be the equivalent of the amount which would be generated by multiplying the fraction of the city's general fund budget in that current fiscal year which is proposed to be expended for fire protection times the tax rate for the city in the current year, and multiplying that result by the property valuation in the area to be annexed which is served by the rural fire department is deemed to be a good faith offer of consideration for the contract; Provided that the payment shall not exceed the equivalent of fifteen cents (15¢) on one hundred dollars ($100.00) valuation of annexed property in the district according to county valuations for the current fiscal year.

(d) Any offer by a city to a rural fire department which would compensate the rural fire department for revenue loss directly attributable to the annexation by paying such amount annually for five years, is deemed to be a good faith offer of consideration for the contract.

(e) Under subsections (b), (c), or (d) of this section, if the good faith offer is for first responder service, an offer of one-half the calculated amount under those subsections is deemed to be a good faith offer.

(f) This section does not obligate the city or rural fire department to enter into any contract.

(g) The rural fire department may, if it feels that no good faith offer has been made, appeal to the Local Government Commission within 30 days following the passage of an annexation ordinance. The rural fire department may apply to the Local Government Commission for an order staying the operation of the annexation ordinance pending the outcome of the review. The Commission may grant or deny the stay in its discretion upon such terms as it deems proper, and it may permit annexation of any part of the area described in the ordinance concerning which no question for review has been raised, provided that no other appeal under ~~G.S. 160A-50~~ G.S. 160A-58.60 is pending.

(h) The Local Government Commission may affirm the ordinance, or if the Local Government Commission finds that no good faith offer has been made, it shall remand the ordinance to the municipal governing board for further proceedings, and the ordinance shall then not become effective unless the Local Government Commission finds that a good faith offer has been made.

(i) Any party to the review under subsection (h) may obtain judicial review in accordance with Chapter 150B of the General Statutes.

"§ 160A-58.58. Assumption of debt.

(a) If the city has annexed any area which is served by a rural fire department and which is in an insurance district defined under G.S. 153A-233, a rural fire protection district under Article 3A of Chapter 69 of the General Statutes or a fire service district under Article 16 of Chapter 153A of the General Statutes, then upon the effective date of annexation if the city has not contracted with the rural fire department for fire protection, or when the rural fire department ceases to provide fire protection under contract, then the city shall pay annually a proportionate share of any payments due on any debt (including principal and interest) relating

to facilities or equipment of the rural fire department, if the debt was existing at the time of adoption of the resolution of intent, with the payments in the same proportion that the assessed valuation of the area of the district annexed bears to the assessed valuation of the entire district on the date the annexation ordinance becomes effective or another date for valuation mutually agreed upon by the city and the fire department.

(b) The city and rural fire department shall jointly present a payment schedule to the Local Government Commission for approval and no payment may be made until such schedule is approved.

"**§ 160A-58.59. Contract with private solid waste collection firms.**

(a) If the area to be annexed described in a resolution of intent passed under ~~G.S. 160A-49(a)~~ G.S. 160A-58.55(c) includes an area where a firm (i) meets the requirements of subsection (a1) of this section, (ii) on the ninetieth day preceding the date of adoption of the resolution of intent or resolution of consideration was providing solid waste collection services in the area to be annexed, (iii) on the date of adoption of the resolution of intent is still providing such services, and (iv) by reason of the annexation the firm's franchise with a county or arrangements with third parties for solid waste collection will be terminated, the city shall do one of the following:

(1) Contract with the firm for a period of two years after the effective date of the annexation ordinance to allow the firm to provide collection services to the city in the area to be annexed for sums determined under subsection (d) of this section.

(2) Pay the firm for the firm's economic loss, with one-third of the economic loss to be paid within 30 days of the termination and the balance paid in 12 equal monthly installments during the next succeeding 12 months. Any remaining economic loss payment is forfeited if the firm terminates service to customers in the annexation area prior to the effective date of the annexation.

(3) Make other arrangements satisfactory to the parties.

(a1) To qualify for the options set forth in subsection (a) of this section, a firm must have done one of the following:

(1) Subsequent to receiving notice of the annexation in accordance with subsection (b) of this section, filed with the city clerk at least 10 days prior to the public hearing a written request to contract with the city to provide solid waste collection services containing a certification, signed by an officer or owner of the firm, that the firm serves at least 50 customers within the county at that time.

(2) Contacted the city clerk pursuant to public notice published by the city, pursuant to ~~G.S. 160A-49(b),~~ G.S. 160A- 58.55(d) at least 10 days before the hearing and provided to the city clerk a written request to contract with the city to provide solid waste collection services. The request must contain a certification signed by an officer or owner of the firm that the firm serves at least 50 customers within the county at that time.

(a2) Firms shall file notice of provision of solid waste collection service with the city clerk of all cities located in the firm's collection area or within five miles thereof.

(b) At least four weeks prior to the date of the informational meeting, the city shall provide written notice of the resolution of intent to all firms serving the area to be annexed. The notice shall be sent to all firms that filed notice in accordance with subsection (a2) of this section by certified mail, return receipt requested, to the address provided by the firm under subsection (a2) of this section.

(c) The city may require that the contract contain:

(1) A requirement that the firm post a performance bond and maintain public liability insurance coverage;
(2) A requirement that the firm agree to service customers in the annexed area that were not served by that firm on the effective date of annexation;
(3) A provision that divides the annexed area into service areas if there were more than one firm being contracted within the area, such that the entire area is served by the firms, or by the city as to customers not served by the firms;
(4) A provision that the city may serve customers not served by the firm on the effective date of annexation;
(5) A provision that the contract can be cancelled in writing, delivered by certified mail to the firm in question with 30 days to cure substantial violations of the contract, but no contract may be cancelled on these grounds unless the Local Government Commission finds that substantial violations have occurred, except that the city may suspend the contract for up to 30 days if it finds substantial violation of health laws;
(6) Performance standards, not exceeding city standards existing at the time of notice published pursuant to G.S. 160A-49(b) with provision that the contract may be cancelled for substantial violations of those standards, but no contract may be cancelled on those grounds unless the Local Government Commission finds that substantial violations have occurred;
(7) A provision for monetary damages if there are violations of the contract or of performance standards.

(d) If the services to be provided to the city by reason of the annexation are substantially the same as rendered under the franchise with the county or arrangements with the parties, the amount paid by the city shall be at least ninety percent (90%) of the amount paid or required under the existing franchise or arrangements. If such services are required to be adjusted to conform to city standards or as a result of changes in the number of customers and as a result there are changes in disposal costs (including mileage and landfill charges), requirements for storage capacity (dumpsters and/or residential carts), and/or frequency of collection, the amount paid by the city for the service shall be increased or decreased to reflect the value of such adjusted services as if computed under the existing franchise or arrangements. In the event agreement cannot be reached between the city and the firm under this subsection, the matters shall be determined by the Local Government Commission.

(e), (f) Repealed by Session Laws 2006-193, s. 1, applicable to annexations for which a resolution of intent is adopted on or after January 1, 2007.

(g) The firm may, if it contends that no contract has been offered, appeal to the Local Government Commission within 30 days following passage of an annexation ordinance. The firm may appeal to the Local Government Commission for an order staying the operation of the annexation ordinance pending the outcome of the review. The Commission may grant or deny the stay upon such terms as it deems proper. If the Local Government Commission finds that the city has not made an offer which complies with this section, it shall remand the ordinance to the municipal governing board for further proceedings, and the ordinance shall not become effective until the Local Government Commission finds that such an offer has been made. Either the firm or the city may obtain judicial review in accordance with Chapter 150B of the General Statutes.

(h) A firm which has given notice under subsection (a) of this section that it desires to contract, and any firm that the city believes is eligible to give such notice, shall make available to the city not later than 30 days following a written request of the city, sent by certified mail return receipt requested, all information in its possession or control, including but not limited to operational, financial and budgetary information, necessary for the city to determine if the firm qualifies for the benefits of this section and to determine the nature and scope of the potential

contract and/or economic loss. The firm forfeits its rights under this section if it fails to make a good faith response within 30 days following receipt of the written request for information from the city, provided that the city's written request so states by specific reference to this section.

(i) As used in this section, the following terms mean:

(1) Economic loss. – A sum equal to 15 times the average gross monthly revenue for the three months prior to the passage of the resolution of intent or resolution of consideration, as applicable under subsection (a) of this section, collected or due the firm for residential, commercial, and industrial collection service in the area annexed or to be annexed; provided that revenues shall be included in calculations under this subdivision only if policies of the city will provide solid waste collection to those customers such that arrangements between the firm and the customers will be terminated.

(2) Firm. – A private solid waste collection firm.

"**§ 160A-58.60. Appeal.**

(a) Within 60 days following the close of the signature period under G.S. 160A-58.55(i), any property owner of real property located within the area described in the annexation ordinance who believes that property owner will suffer material injury by reason of the failure of the municipal governing board to comply with the procedure or to meet the requirements set forth in this Part as they apply to the annexation may file a petition in the superior court of the county in which the municipality is located seeking review of the action of the governing board.

(b) Such petition shall explicitly state what exceptions are taken to the action of the governing board and what relief the petitioner seeks. Within 10 days after the petition is filed with the court, the person seeking review shall serve copies of the petition by registered mail, return receipt requested, upon the municipality.

(c) Within 15 days after receipt of the copy of the petition for review or within such additional time as the court may allow, the municipality shall transmit to the reviewing court both of the following:

(1) A transcript of the portions of the municipal journal or minute book in which the procedure for annexation has been set forth.

(2) A copy of the report setting forth the plans for extending services to the annexed area as required in G.S. 160A-58.53.

(d) If two or more petitions for review are submitted to the court, the court may consolidate all such petitions for review at a single hearing, and the municipality shall be required to submit only one set of minutes and one report as required in subsection (c) of this section.

(e) At any time before or during the review proceeding, any petitioner or petitioners may apply to the reviewing court for an order staying the operation of the annexation ordinance pending the outcome of the review. The court may grant or deny the stay in its discretion upon such terms as it deems proper, and it may permit annexation of any part of the area described in the ordinance concerning which no question for review has been raised.

(f) The court shall fix the date for review of annexation proceedings under this Part, which review date shall be expeditious and without unnecessary delays. The review shall be conducted by the court without a jury. The court may hear oral arguments and receive written briefs and may take evidence intended to show one or more of the following:

(1) That the statutory procedure was not followed.

(2) That the provisions of G.S. 160A-58.53 were not met.

(3) That the provisions of G.S. 160A-58.54 have not been met.

(4) That the provisions of G.S. 160A-58.50 have not been met.

(g) The court may affirm the action of the governing board without change, or it may order any of the following:

(1) Remand the ordinance to the municipal governing board for further proceedings if procedural irregularities are found to have materially prejudiced the substantive rights of any of the petitioners.

(2) Remand the ordinance to the municipal governing board for amendment of the boundaries to conform to the provisions of G.S. 160A-58.54 if it finds that the provisions of G.S. 160A-58.54 have not been met; provided, that the court cannot remand the ordinance to the municipal governing board with directions to add area to the municipality which was not included in the notice of public hearing and not provided for in plans for service.

(3) Remand the report to the municipal governing board for amendment of the plans for providing services to the end that the provisions of G.S. 160A-58.53 are satisfied or to correct errors in municipal governing board's estimates that fall below the standards in G.S. 160A-58.63.

(4) Declare the ordinance null and void, if the court finds that the ordinance cannot be corrected by remand as provided in subdivisions (1), (2), or (3) of this subsection.

If any municipality shall fail to take action in accordance with the court's instructions upon remand within 90 days following entry of the order embodying the court's instructions, the annexation proceeding shall be deemed null and void.

(h) Any party to the review proceedings, including the municipality, may appeal to the Court of Appeals from the final judgment of the superior court under rules of procedure applicable in other civil cases. The superior court may, with the agreement of the municipality, permit annexation to be effective with respect to any part of the area concerning which no appeal is being made and which can be incorporated into the municipality without regard to any part of the area concerning which an appeal is being made.

(i) If part or all of the area annexed under the terms of an annexation ordinance is the subject of an appeal to the superior court, Court of Appeals, or Supreme Court on the effective date of the ordinance, then the ordinance shall be deemed amended to make the effective date with respect to such area the first June 30th at least six months following the date of the final judgment of the superior court or appellate division, or the first June 30th at least six months from the date the municipal governing board completes action to make the ordinance conform to the court's instructions in the event of remand. For the purposes of this subsection, a denial of a petition for rehearing or for discretionary review shall be treated as a final judgment.

(j) If a petition for review is filed under subsection (a) of this section or an appeal is filed under G.S. 160A-58.57(g) or G.S. 160A-58.59(g) and a stay is granted, then the time periods of three and one-half years or G.S. 160A-58.55(n) are each extended by the lesser of the length of the stay or one year for that annexation.

(k) The provisions of subsection (i) of this section shall apply to any judicial review authorized in whole or in part by G.S. 160A-58.57(i) or G.S. 160A-58.57(g).

(l) In any proceeding related to an annexation ordinance appeal under this section, a municipality shall not state a claim for lost property tax revenue caused by the appeal. Nothing in this Article shall be construed to mean that as a result of an appeal a municipality may assert a claim for property tax revenue lost during the pendency of the appeal.

(m) Any settlement reached by all parties in an appeal under this section may be presented to the superior court in the county in which the municipality is located. If the superior court, in its discretion, approves the settlement, it shall be binding on all parties without the need for approval by the General Assembly.

(n) If a final court order is issued against the annexing municipality, costs in the action, including reasonable attorneys' fees for such aggrieved person having a freehold interest in the

real property located within the area described in the annexation ordinance, may be charged to the municipality.

"**§ 160A-58.61. Annexation recorded.**

Whenever the limits of a municipality are enlarged in accordance with the provisions of this Part, it shall be the duty of the mayor of the municipality to cause an accurate map of such annexed territory, together with a copy of the ordinance duly certified, to be recorded in the office of the register of deeds of the county or counties in which such territory is situated and in the office of the Secretary of State. The documents required to be filed with the Secretary of State under this section shall be filed not later than 30 days following the effective date of the annexation ordinance. All documents shall have an identifying number affixed thereto and shall conform in size in accordance with rules prescribed by the Secretary. Failure to file within 30 days shall not affect the validity of the annexation. Any annexation shall be reported as part of the Boundary and Annexation Survey of the United States Bureau of the Census.

"**§ 160A-58.62. Authorized expenditures.**

Municipalities initiating annexations under the provisions of this Part are authorized to make expenditures for surveys required to describe the property under consideration or for any other purpose necessary to plan for the study and/or annexation of unincorporated territory adjacent to the municipality. In addition, following final passage of the annexation ordinance, the annexing municipality shall have authority to proceed with expenditures for construction of water and sewer lines and other capital facilities and for any other purpose calculated to bring services into the annexed area in a more effective and expeditious manner prior to the effective date of annexation.

"**§ 160A-58.63. Population and land estimates.**

In determining population and degree of land subdivision for purposes of meeting the requirements of G.S. 160A-58.54, the municipality shall use methods calculated to provide reasonably accurate results. In determining whether the standards set forth in G.S. 160A-58.54 have been met on appeal to the superior court under G.S. 160A-58.60, the reviewing court shall accept the estimates of the municipality unless the actual population, total area, or degree of land subdivision falls below the standards in G.S. 160A-58.54:

(1) As to population, if the estimate is based on the number of dwelling units in the area multiplied by the average family size in such area, or in the township or townships of which such area is a part, as determined by the last preceding federal decennial census; or if it is based on a new enumeration carried out under reasonable rules and regulations by the annexing municipality; provided, that the court shall not accept such estimates if the petitioners demonstrate that such estimates are in error in the amount of ten percent (10%) or more.

(2) As to total area, if the estimate is based on an actual survey, or on county tax maps or records, or on aerial photographs, or on some other reasonably reliable map used for official purposes by a governmental agency, unless the petitioners on appeal demonstrate that such estimates are in error in the amount of five percent (5%) or more.

(3) As to degree of land subdivision, if the estimates are based on an actual survey, or on county tax maps or records, or on aerial photographs, or on some other reasonably reliable source, unless the petitioners on appeal show that such estimates are in error in the amount of five percent (5%) or more."

SECTION 10. G.S. 160A-31, as amended by Section 3 of S.L. 2011-57, reads as rewritten:

"**§ 160A-31. Annexation by petition.**

(a) The governing board of any municipality may annex by ordinance any area contiguous to its boundaries upon presentation to the governing board of a petition signed by

the owners of all the real property located within such area. The petition shall be signed by each owner of real property in the area and shall contain the address of each such owner.'

(b) The petition shall be prepared in substantially the following form:

DATE:

To the _____ (name of governing board) of the (City or Town) of _____

1. We the undersigned owners of real property respectfully request that the area described in paragraph 2 below be annexed to the (City or Town) of_____

2. The area to be annexed is contiguous to the (City or Town) of _____ and the boundaries of such territory are as follows:

(b1) Notwithstanding the provisions of subsections (a) and (b) of this section, if fifty-one percent (51%) of the households in an area petitioning for annexation pursuant to this section have incomes that are two hundred percent (200%) or less than the most recently published United States Census Bureau poverty thresholds, the governing board of any municipality shall annex by ordinance any area the population of which is no more than ten percent (10%) of that of the municipality and one-eighth of the aggregate external boundaries of which are contiguous to its boundaries, upon presentation to the governing board of a petition signed by the owners of at least seventy-five percent (75%) of the parcels of real property in that area. A municipality shall not be required to adopt more than one ordinance under this subsection within a 36-month period.

(b2) The petition under subsection (b1) of this section shall be prepared in substantially the following form:

DATE:

To the _____ (name of governing board) of the (City or Town) of _____

1. We the undersigned owners of real property believe that the area described in paragraph 2 below meets the requirements of G.S. 160A-31(b1) and respectfully request that the area described in paragraph 2 below be annexed to the (City or Town) of _____.

2. The area to be annexed is contiguous to the (City or Town) of _____, and the boundaries of such territory are as follows:

(c) Upon receipt of the petition, the municipal governing board shall cause the clerk of the municipality to investigate the sufficiency thereof and to certify the result of ~~his~~ the investigation. For petitions received under subsection (b1) or (j) of this section, the clerk shall receive the evidence provided under subsection (k) of this section before certifying the sufficiency of the petition. Upon receipt of the certification, the municipal governing board shall fix a date for a public hearing on the question of annexation, and shall cause notice of the public hearing to be published once in a newspaper having general circulation in the municipality at least 10 days prior to the date of the public hearing; provided, if there be no such paper, the governing board shall have notices posted in three or more public places within the area to be annexed and three or more public places within the municipality.

(d) At the public hearing ~~all~~ persons resident or owning property in the area described in the petition ~~to be annexed who allege an error in the petition~~ and persons resident or owning property in the municipality shall be given an opportunity to be ~~heard, as well as residents of the municipality who question the necessity for annexation.~~ heard. The governing board shall then determine whether the petition meets the requirements of this section. Upon a finding that the petition that was not submitted under subsection (b1) or (j) of this section meets the requirements of this section, the governing board shall have authority to pass an ordinance annexing the territory described in the petition. The governing board shall have authority to make the annexing ordinance effective immediately or on ~~any specified date within~~ the June 30 after ~~six months from~~ the date of the passage of the ordinance or the June 30 of the following year after the date of passage of the ordinance.

(d1) Upon a finding that a petition submitted under subsection (j) of this section meets the requirements of this section, the governing body shall have the authority to adopt an annexation ordinance for the area with an effective date no later than 24 months after the adoption of the ordinance.

(d2) Upon a finding that a petition submitted under subsection (b1) of this section meets the requirements of this section, the governing body shall, within 60 days of the finding, estimate the capital cost to the municipality of extending water and sewer lines to all parcels within the area covered by the petition and estimate the annual debt service payment that would be required if those costs were financed by a 20-year revenue bond. If the estimated annual debt service payment is less than five percent (5%) of the municipality's annual water and sewer systems revenue for the most recent fiscal year, then the governing body shall within 30 days adopt an annexation ordinance for the area with an effective date no later than 24 months after the adoption of the ordinance. If the estimated annual debt service payment is greater than or equal to five percent (5%) of the municipality's annual water and sewer systems revenue for the most recent fiscal year, then the governing body may adopt a resolution declining to annex the area. If such a resolution is adopted, the governing body shall immediately submit a request to the Local Government Commission to certify that its estimate of the annual debt service payment is reasonable based on established governmental accounting principles.

(1) If the Local Government Commission certifies the estimate, the municipality is not required to annex the area and no petition to annex the area may be submitted under subsection (b1) of this section for 36 months following the certification. During the 36-month period, the municipality shall make ongoing, annual good faith efforts to secure Community Development Block Grants or other grant funding for extending water and sewer service to all parcels in the areas covered by the petition. If sufficient funding is secured so that the estimated capital cost to the municipality for extending water and sewer service, less the funds secured, would result in an annual debt service payment cost to the municipality of less than five percent (5%) of the municipality's annual water and sewer systems revenue for the most recent fiscal year, then the governing body shall within 30 days adopt an annexation ordinance for the area with an effective date no later than 24 months after the adoption of the ordinance.

(2) If the Local Government Commission notifies the governing board that the estimates are not reasonable based on established governmental accounting principles and that a reasonable estimate of the annual debt service payment is less than five percent (5%) of the municipality's annual water and sewer systems revenue for the most recent fiscal year, then the governing body shall within 30 days of the notification adopt an annexation ordinance for the area with an effective date no later than 24 months after the adoption of the ordinance.

(d3) Municipal services shall be provided to an area annexed under subsections (b1) and (j) of this section in accordance with the requirements of Part 7 of this Article.

(e) From and after the effective date of the annexation ordinance, the territory and its citizens and property shall be subject to all debts, laws, ordinances and regulations in force in such municipality and shall be entitled to the same privileges and benefits as other parts of such municipality. Real and personal property in the newly annexed territory on the January 1 immediately preceding the beginning of the fiscal year in which the annexation becomes effective is subject to municipal taxes as provided in G.S. 160A-58.10. If the effective date of annexation falls between June 1 and June 30, and the effective date of the privilege license tax ordinance of the annexing municipality is June 1, then businesses in the area to be annexed

shall be liable for taxes imposed in such ordinance from and after the effective date of annexation.

(f) For purposes of this section, an area shall be deemed "contiguous" if, at the time the petition is submitted, such area either abuts directly on the municipal boundary or is separated from the municipal boundary by the width of a street or street right-of-way, a creek or river, or the right-of-way of a railroad or other public service corporation, lands owned by the municipality or some other political subdivision, or lands owned by the State of North Carolina. A connecting corridor consisting solely of a street or street right-of-way may not be used to establish contiguity. In describing the area to be annexed in the annexation ordinance, the municipal governing board may include within the description any territory described in this subsection which separates the municipal boundary from the area petitioning for annexation.

(g) The governing board may initiate annexation of contiguous property owned by the municipality by adopting a resolution stating its intent to annex the property, in lieu of filing a petition. The resolution shall contain an adequate description of the property, state that the property is contiguous to the municipal boundaries and fix a date for a public hearing on the question of annexation. Notice of the public hearing shall be published as provided in subsection (c) of this section. The governing board may hold the public hearing and adopt the annexation ordinance as provided in subsection (d) of this section.

(h) A city council which receives a petition for annexation under this section may by ordinance require that the petitioners file a signed statement declaring whether or not vested rights with respect to the properties subject to the petition have been established under G.S. 160A-385.1 or G.S. 153A-344.1. If the statement declares that such rights have been established, the city may require petitioners to provide proof of such rights. A statement which declares that no vested rights have been established under G.S. 160A-385.1 or G.S. 153A-344.1 shall be binding on the landowner and any such vested right shall be terminated.

(i) A municipality has no authority to adopt a resolution or petition itself under this Part for annexation of property it does not own or have any legal interest in. For the purpose of this subsection, a municipality has no legal interest in a State-maintained street unless it owns the underlying fee and not just an easement.

(j) Using the procedures under this section, the governing board of any municipality may annex by ordinance any distressed area contiguous to its boundaries upon presentation to the governing board of a petition signed by at least one adult resident of at least two-thirds of the resident households located within such area. For purposes of this subsection, a "distressed area" is defined as an area in which at least fifty-one percent (51%) of the households in the area petitioning to be annexed have incomes that are two hundred percent (200%) or less than the most recently published United States Census Bureau poverty thresholds. The municipality may require reasonable proof that the petitioner in fact resides at the address indicated.

(k) The petition under subsection (j) of this section shall be prepared in substantially the following form:

DATE:

To the _____ (name of governing board) of the (City or Town) of _____

1. We the undersigned residents of real property believe that the area described in paragraph 2 below meets the requirements of G.S. 160A-31(j) and respectfully request that the area described in paragraph 2 below be annexed to the (City or Town) of _____.

2. The area to be annexed is contiguous to the (City or Town) of _____, and the boundaries of such territory are as follows:

(l) For purposes of determining whether the percentage of households in the area petitioning for annexation meets the poverty thresholds under subsections (b1) and (j) of this section, the petitioners shall submit to the municipal governing board any reasonable evidence that demonstrates the area in fact meets the income requirements of that subsection. The

evidence presented may include data from the most recent federal decennial census, other official census documents, signed affidavits by at least one adult resident of the household attesting to the household size and income level, or any other documentation verifying the incomes for a majority of the households within the petitioning area. Petitioners may select to submit name, address, and social security number to the clerk, who shall in turn submit the information to the Department of Revenue. Such information shall be kept confidential and is not a public record. The Department shall provide the municipality with a summary report of income for households in the petitioning area. Information for the report shall be gleaned from income tax returns, but the report submitted to the municipality shall not identify individuals or households."

SECTION 11. Article 4A of Chapter 160A of the General Statutes is amended by adding a new Part 8 to read:

"**Part 8.**

"**Recording and Reporting.**

"**§ 160A-58.90. Recording and Reporting.**

(a) Annexations made under this Article shall be recorded and reported in the same manner as under G.S. 160A-29.

(b) To be enforceable, any written agreement with a person having a freehold interest in real property regarding annexation shall be recorded in the county register of deeds office in which the real property lies."

SECTION 11.1. G.S. 143B-437.04(a) is amended by adding a new subdivision to read:

"(a) The Department of Commerce shall adopt guidelines for the awarding of Community Development Block Grants to ensure that:

...

(3) Priority consideration is given to projects located in areas annexed by a municipality under Article 4A of Chapter 160A of the General Statutes in order to provide water or sewer services to low-income residents. For purposes of this section, low-income residents are those with a family income that is eighty percent (80%) or less of median family income."

SECTION 11.2. G.S. 159G-23 is amended by adding a new subdivision to read:

"**§ 159G-23. Common criteria for loan or grant from Wastewater Reserve or Drinking Water Reserve.**

The criteria in this section apply to a loan or grant from the Wastewater Reserve or the Drinking Water Reserve. The Division of Water Quality and the Division of Environmental Health must each establish a system of assigning points to applications based on the following criteria:

...

(9) Low-income residents. – A project that is located in an area annexed by a municipality under Article 4A of Chapter 160A of the General Statutes in order to provide water or sewer services to low-income residents has priority. For purposes of this section, low-income residents are those with a family income that is eighty percent (80%) or less of median family income.

...."

SECTION 12. Except for Sections 10, 11.1, and 11.2, this act does not apply to any municipality that in its charter requires that an annexation must be approved by (i) either the voters in a referendum or at the request of a majority of the property owners; (ii) the voters in a referendum; or (iii) the request of a majority of the property owners.

SECTION 13. If any provision of this act or its application is held invalid, the invalidity does not affect other provisions or applications of this act that can be given effect

without the invalid provisions or application, and to this end the provisions of this act are severable.

SECTION 14. This act is effective when it becomes law and applies to annexations initiated by municipalities on or after that date and to petitions for annexation under Part 1 and Part 4 of Article 4A of Chapter 160A of the General Statutes presented on or after that date. Annexations initiated prior to the effective date of this act by any action under Part 2 or Part 3 of Article 4A of Chapter 160A of the General Statutes, but for which an annexation ordinance has not been adopted, shall terminate and may be reinitiated in compliance with Part 7 of Article 4A of Chapter 160A of the General Statutes as enacted by this act.

HOUSE BILL 845:
Annexation Reform Act of 2011

2011-2012 General Assembly

Committee:	Senate Finance	**Date:**	June 13, 2011
Introduced by:	Reps. LaRoque, Dollar, Owens	**Prepared by:**	Giles S. Perry Staff Attorney
Analysis of:	PCS to Third Edition H845-CSRWx-55		

SUMMARY: ***House Bill 845 (proposed committee substitute) makes substantive changes to the involuntary annexation process for all municipalities.***

BILL ANALYSIS:

Key changes made by the bill:

- **One annexation process for all size municipalities.** The bill repeals the current involuntary annexation statutes for cities less than 5,00 in population, and for cities of 5,000 or more in population, and enacts one new process (new Part 7 of Chapter 160A, Sections 1-9).
- **Water and sewer required.** The bill provides that if a property owner requests it, extension of water and sewer service to each lot or parcel is required. There is no charge to the property owner, if requested during the specified time periods. (page 3, line 26, page 11, line 37 to page 13, line 45).
- **Petition to deny annexation.** The bill includes a new process to allow property owners to petition to deny the annexation. If the property owners of 60% of the parcels submit petition to deny annexation, the annexation is stopped and can be taken up again for 36 months. (page 9, line 30, to page 10, line 38)
- **Additional notice to property owners.** Several provisions of the bill increase notice to property owners of the pending annexation process, opportunities for water and sewer, and the opportunity to petition to deny the annexation. (examples: page 6, line 7, required resolution of consideration; page 6, line 38, required combined notice of informational meeting and public hearing; page 9, line 20, notice of passage of ordinance; page 9, line 42, mailed petition to deny form),
- **Appeals modified.** The grounds for appeal of the annexation are expanded. Attorneys' fees for petitioners are authorized. (page 19, line 20).
- **Annexation of distressed areas.** The bill modifies the current annexation by petition statutes to require annexation of contiguous distressed (high poverty) areas, if 75% of the parcel owners petition, and to permit annexation if 2/3 of resident households petition. (pages 20-23).
- **Applicability.** The bill is effective when it becomes law. It applies to pending annexations for which an annexation ordinance has not been adopted as of the effective date, and to any new annexations initiated after the effective date. (page 24)

Below is a section-by-section summary of the bill:

Involuntary Contiguous Annexation Changes

Section 1. Repeals the Part 2 of Article 4A of Chapter 160A of the General Statutes, Annexation of Cities of Less than 5,000.

Sections 2 – 6 recodify selected provisions of Part 3 of Article 4A of Chapter 160A of the General Statutes (Annexation by Cities of 5,000 or more) and places those provisions in a new Part 7 created in Section 8 of the bill.

Section 7 repeals the remaining provisions of Part 3 of Article 4A of Chapter 160A of the General Statutes , Annexation by Cities of 5,000 or more.

Section 8 creates a new Part 7 of Article 4A of Chapter 160A of the General Statutes to govern involuntary annexation by all municipalities in North Carolina, regardless of size.

Section 9 sets forth the procedures for annexation under the new Part 7 as follows:

- Prerequisites for Annexation
  - The area to be annexed must comply with the criteria set forth in the statute for urban density, etc.
  - A plan must be in place to provide the following services, within the time frames stated, on substantially the same basis and in the same manner as each service is provided within the rest of the municipal limits:
    - At the time of annexation: Police, Fire, Solid waste collection, Street maintenance
    - Within three and one-half years of annexation: Water and Sewer, with installation easement
- Character of the Area to be Annexed – the property to be annexed must meet all of the following:
  - Must be adjacent or contiguous to the municipal boundaries, with at least 1/8 of the aggregate external boundaries of the area to be annexed coinciding with the municipal boundary.
  - Cannot be part of another municipality.
  - Is one of the following:
    - Completely surrounded by the municipal limits.
    - Is either:
      - between the municipal boundary and an area developed for urban purposes so that the area developed for urban purposes is either not adjacent to the municipal boundary or cannot be served by the municipality without extending major municipal services, OR
      - adjacent, on at least 60% of its external boundary, to any combination of the municipal boundary and the boundary of an area or areas developed for urban purposes.
    - Developed for urban purposes. Developed for urban purposes is any one of the following criteria:
      - Has a total resident population equal to at least 2.3 persons for each acre.
      - Has a total resident population equal to at least 1 person per acre, and is subdivided into lots and tracts such that at least 60% of the total acreage consists of lots and tracts 3 acres or less in size and such that at least 65% of the total number of lots and tracts are 1 acre or less in size.
      - Is so developed that at least 60% of the total number of lots and tracts in the area at the time of annexation are used for residential, commercial,

industrial, institutional or governmental purposes, and is subdivided into lots and tracts such that at least 60% of the total acreage, not counting the acreage used at the time of annexation for commercial, industrial, governmental or institutional purposes, consists of lots and tracts three acres or less in size.

- Is the entire area of any county water and sewer district, only if the municipality operates the sewer system and the entire territory is annexed in one annexation proceeding
- All the tracts in the area to be annexed are used for commercial, industrial, governmental, or institutional purposes

In fixing municipal boundaries and determining whether an area is developed for urban purposes, the municipality shall do all of the following:

- Use recorded property lines and streets as boundaries.
- Use whole parcels of property in that if any portion of that parcel is included, the entire parcel of real property as recorded in the deed transferring title shall be included.
- Not use a connecting corridor consisting solely of a street or street right-of-way to establish contiguity.
- Not consider property in use for a commercial, industrial, institutional, or governmental purpose if the lot or tract is used only temporarily, occasionally, or on an incidental or insubstantial basis in relation to the size and character of the lot or tract.
- Include acreage actually occupied by buildings or other man-made structures together with all areas that are reasonably necessary and appurtenant to such facilities for purposes of parking, storage, ingress and egress, utilities, buffering, and other ancillary services and facilities when determining acreage in use for commercial, industrial, institutional, or governmental purposes.
- Consider the area of an abolished water and sewer district to be a water and sewer district for the purpose of this section even after its abolition under G.S. 162A-87.2(b).

- Procedure for Annexation
  - Resolution of Consideration. – Must be adopted at least one year, but not more than 2 years prior to the resolution of intent. Property owners must be mailed a copy of the resolution. If crossing county lines, county commissioner must be notified.
  - Resolution of Intent. – Adopted at least one year after the resolution of consideration, describing the area to be annexed, that complies with the criteria of area to be annexed.
  - Public Informational Meeting. – Held at least 45, but not more than 55, days after the adoption of the resolution of intent. An official from the municipality is to explain the annexation process and answer questions of property owners and residents of the area to be annexed and of the municipality.
  - Public Hearing. – To be held at least 130, but not more than 150, days after the public informational meeting, to accept comment from the property owners and residents of the area to be annexed and of the municipality. Prior to the public hearing, the property owners must be given an opportunity to opt into the water and sewer service at no cost.
  - Annexation Ordinance. – May be adopted at least 10, but not more than 90, days after the public hearing. Must set an effective date of June 30, either of that year or the following year.

- Petition to Deny Annexation. – If the Board of Elections delivers to the municipal governing board petitions to deny annexation signed by eligible property owners of at least 60% of the parcels within the area to be annexed, then the annexation is terminated, and the municipality cannot begin the involuntary annexation process on that area again for 36 months.
- Remedy for failure to provide services- existing Writ of Mandamus time period expanded.
- Report to the Local Government Commission on provision of services to the area annexed. – 30 days after the effective date of the annexation, the municipality must report to the LGC as to whether the fire, police, solid waste collection, street maintenance and water/sewer services have been provided. If fire, police, solid waste collection and street maintenance services have not been provided within the 30 days, then the municipality may not include the population of the annexed area for purposes of monies distributed based on population by the State, federal or county government. If the water/sewer services have not been provided, then the municipality has to report again at the completion of the installation of the services or three and one-half years, whichever is earlier. If the municipality has not provided the water/sewer services within three and one-half years, the municipality must stop, and may not begin, any other annexations until the installation is completed.

- Provision of Services – Generally, must be provided on substantially the same basis and in the same manner as within the corporate limits.
  - Fire, Police, Solid Waste Collection, Street Maintenance. – The municipality may provide the service directly, or contract for the provision of the services. Either way, each service must be in place on the date of annexation.
  - Water and Sewer –The water and sewer service to the annexed area shall be provided by the municipality within three and one-half years of the effective date of the annexation ordinance.

    If the residents in the existing city are served by a public water or sewer system or a combination of a public and a nonprofit entity, the city does not provide service within the existing boundaries, the area to be annexed is served by the public water or serwer system, and the city has no responsibility with the public water or sewer system to pay for the extension of lines to the annexed areas, then the city will have no financial responsibility for the extension of water and sewer lines.

    The municipality shall provide water and sewer lines and connections at no, or reduced, costs other than periodic fees to all property owners requesting the service within the process set out below:
    - After passage of the resolution of intent, the property owners of real property located within the area proposed to be annexed shall be notified in writing, within five business days of the passage of the resolution of intent, of the opportunity to have water and sewer or both installed at no cost to the property owner, if the property owners a majority of the parcels respond positively to the opportunity. If a property owner fails to respond or responds negatively within 65 days, the property owner will be sent a reminder notice and will have 30 additional days to request water and sewer or both at no charge,. If the property is other than residential, that property will be given a credit in the amount of the average residential installation costs.
    - If the property owners a majority of parcels do not respond positively to the opportunity the municipality may still go forward with the annexation. If it does,

the municipality is not required to provide water or sewer to the annexed area, but if it does and if a property owner requests to be provided service, the municipality may be charged as described below.

- Any residential property owner who does not initially request water and sewer may do so later, but may be charged the following percentage of the average residential installation cost:
  - In the 1st year of the annexation – up to 50%.
  - In the 2nd year of the annexation – up to 60%
  - In the 3rd year of the annexation - up to 70%
  - In the 4th year of the annexation - up to 80%
  - In the 5th year of the annexation - up to 90%

- The municipality may not charge, for any reason, any property owner within the area described in the annexation ordinance, for the installation or use of the water or sewer system unless that property owner is, or has requested to become, a customer of the water and sewer system.
- Title to water or sewer connection lines shall vest in the property owner following completion of the initial installation. The property owner shall be responsible for maintenance and repair of water and sewer connection lines on the owner's property following the initial installation.
- If the municipality is unable to provide water or sewer service within three and one-half years due to permitting delays that are caused through no fault of the municipality, the municipality may petition the Local Government Commission for a reasonable time extension.

- Appeal
  - Transfers the current process for appeal from G.S. 160A-50, and makes conforming changes:
    - Within 60 days of the close of the time to sign a petition to deny, a property owner who believes they will suffer material injury by reason of the failure of the municipality to comply with the annexation procedure may file petition seeking review.
    - The court is to review and take evidence intended to show:
      - That the statutory procedure was not followed
      - That the prerequisites for annexation were not met
      - That the area annexed did not comply with the statutory requirements
      - That the provisions of the Declaration of Policy in G.S. 160A-58.50 have not been met
    - Remedies for the court:
      - Affirm the annexation without change.
      - Remand to the municipality for further proceedings.
      - Remand to the municipality for amendment to the boundaries.
      - Remand the report to the municipality for amendment on the plan for providing services or to correct errors in the city's estimates.
      - Declare the ordinance null and void.

Voluntary Contiguous Annexation Changes

Section 10 amends ***voluntary contiguous annexation*** in the following ways:

1. Requires the annexation of contiguous "distressed areas" if the following requirements are met:
   a. 51% of the households have incomes that are 200% or less than the US Census poverty thresholds
   b. The population of the area seeking to be petitioned is no more than 10% of the municipality and 1/8th of the aggregate external boundaries are contiguous to the municipality
   c. The owners of at least 75% of the parcels submit a signed petition to the governing board.
   d. If the capital costs to the municipality of extending water and sewer to all parcels does not exceed certain thresholds, as certified by the Local Government Commission.
2. Allows the annexation of contiguous "distressed areas" upon petition of two-thirds of the resident households located in the area.
3. Prohibits the use of a street as a connecting corridor to establish contiguity.

Section 11 adds a new Part 8 to Article 4A of Chapter 160A that requires all annexations to be recorded and reported in the same manner as under G.S. 160A-29. It also requires that in order for an agreement regarding annexation must be recorded in order to be enforceable.

Sections 11.1 requires the Department of Commerce and **Section 11.2** requires the Division of Water Quality to adopt guidelines for the awarding of Community Development Block Grants and other grants to cities that annex areas under Article 4A of Chapter 160A.

Section 12 provides that the act (except Sections 10, 11.1 and 11.2) does not apply to any municipality that in its charter requires that an annexation must be approved by (i) either the voters in a referendum or the request of a majority of the property owners; (ii) the voters in a referendum; or (iii) the request of a majority of the property owners.

EFFECTIVE DATE: When the act becomes law, and applies to annexations initiated by municipalities on or after that date and to voluntary petitions for annexation presented on or after that date. Involuntary Annexations initiated prior to the effective date of this act by any action but for which an annexation ordinance has not been adopted, shall terminate and may be reinitiated in compliance with Part 7 of Article 4A of Chapter 160A of the General Statutes as enacted by this act.

CURRENT LAW: North Carolina law sets forth four basic ways in which a town or city may annex an area into its corporate limits:

- **Legislative Act.** The General Assembly has the authority to extend the boundaries of any town or city through local acts.
- **Voluntary Contiguous Annexation.** The owners of all real property in the area desiring to be annexed sign a petition requesting annexation.
- **Voluntary Satellite Annexation.** This method allows a town or city to annex a non-contiguous area into the town or city limits, with the agreement of the property owner.
- **Involuntary Annexation.** The town or city brings into the corporate limits an area that has not voluntarily agreed to be annexed through a statutorily prescribed process. The statutorily prescribed process is different for cities of less than 5,000 people than it is for larger cities. The primary differences between the current involuntary annexation law for smaller and larger cities involve: standards for urban development, inclusion of nonurban areas in some cases, report maps, major water and sewer line extensions, lines to individual property, if requested in time, time of effective date.

A BILL TO BE ENTITLED

AN ACT TO CLARIFY THE DEFINITION OF "BONA FIDE FARM PURPOSES," TO PROHIBIT THE INVOLUNTARY MUNICIPAL ANNEXATION OF PROPERTY USED FOR BONA FIDE FARM PURPOSES, TO EXEMPT PROPERTY USED FOR BONA FIDE FARM PURPOSES FROM THE EXTRATERRITORIAL PLANNING AND ZONING JURISDICTION OF MUNICIPALITIES, AND TO EXEMPT PROPERTY USED FOR BONA FIDE FARMING PURPOSES FROM MUNICIPAL ZONING.

The General Assembly of North Carolina enacts:

SECTION 1. G.S. 153A-340(b)(2) reads as rewritten:

"(b) (2) Except as provided in G.S. 106-743.4 for farms that are subject to a conservation agreement under G.S. 106-743.2, bona fide farm purposes include the production and activities relating or incidental to the production of crops, fruits, vegetables, ornamental and flowering plants, dairy, livestock, poultry, and all other forms of ~~agricultural products~~ agriculture as defined in ~~G.S. 106-581.1 having a domestic or foreign market.~~ G.S. 106-581.1. For purposes of this subdivision, the production of a nonfarm product that the Department of Agriculture and Consumer Services recognizes as a 'Goodness Grows in North Carolina' product that is produced on a farm subject to a conservation agreement under G.S. 106-743.2 is a bona fide farm purpose."

SECTION 2. G.S. 160A-36 is amended by adding a new subsection to read:

"(f) No land being used for 'bona fide farm purposes,' as defined in G.S. 153A-340, on the date of the resolution of intent to consider annexation, shall be annexed without the written consent of the owner or owners of the property."

SECTION 3. G.S. 160A-48 is amended by adding a new subsection to read:

"(g) No land being used for 'bona fide farm purposes,' as defined in G.S. 153A-340, on the date of the resolution of intent to consider annexation, shall be annexed without the written consent of the owner or owners of the property."

SECTION 4. G.S. 160A-360 is amended by adding a new subsection to read:

"(k) Property used for 'bona fide farm purposes,' as defined in G.S. 153A-340, is exempt from a municipality's extraterritorial jurisdiction under this Article."

SECTION 5. Article 19 of Chapter 160A of the General Statutes is amended by adding a new section to read:

"**§ 160A-393.1. Part not applicable to property used for bona fide farm purposes.**

The provisions of this Part are not applicable to property used for 'bona fide farm purposes,' as defined in G.S. 153A-340."

SECTION 6. This act is effective when it becomes law. Sections 2 and 3 of this act apply to annexations of property used for bona fide farm purposes that were initiated by municipalities on or after that date, or are pending on that date.

HOUSE BILL 168: Farms Exempt From City Annexation/ETJ/Zoning

2011-2012 General Assembly

Committee:	Senate Finance	**Date:**	June 14, 2011
Introduced by:	Reps. Sanderson, Cleveland, Hill	**Prepared by:**	Cindy Avrette Committee Counsel
Analysis of:	PCS to Second Edition H168-CSSB-41		

SUMMARY: ***House Bill 168 clarifies the definition of "bona fide farm purposes", prohibits the involuntary municipal annexation of property used for bona fide farm purposes, exempts property used for bona fide farm purposes from municipal ETJ regulations, and exempts property used for bona fide farming purposes from municipal zoning. The Proposed Senate Committee Substitute changes the effective date so that Sections 2 and 3 of the bill apply to annexations of property used for bona fide farm purposes that were initiated by municipalities on or after that date, or are pending on that date.***

CURRENT LAW: There are special provisions that apply to the involuntary annexation of agricultural land, horticultural land, or forestland. For the provisions to apply, the property must meet one of the following conditions:

(1) The land is being taxed at present-use value pursuant to G.S. 105-277.4.
(2) The land meets both of the following conditions:
   a. On the date of the resolution of intent for annexation, it was being used for actual production and is eligible for present-use value taxation, but the land had not been in use for actual production for the required time under G.S. 105-277.3.
   b. The assessor for the county where the land subject to annexation is located has certified to the city that the land meets the requirements of this subdivision.

If the property meets (1) or (2) above, then it is considered part of the city only (i) for the purpose of establishing city boundaries for additional annexations pursuant to this Article and (ii) for the exercise of city planning and regulation of development.[1]

If the property becomes ineligible for present-use value classification or otherwise doesn't meet the conditions above, then the property would become subject to property taxation by the city, and the city would be required to provide services to the property.

BILL ANALYSIS:

Section 1 clarifies the definition of "bona fide farm purposes" by deleting the phrase "agricultural products" and substituting the term "agriculture" as it is defined in G.S. 106-581.1 (*statute attached below*); and by deleting the phrase "having a domestic or foreign market." Property used for bona fide farm purposes is broader than and would include property that is eligible for present-use value.

Sections 2 and 3 prohibit the involuntary municipal annexation of property used for bona fide farm purposes by both large (5,000 or more) and small (less than 5,000) municipalities. These sections would apply not only to annexations occurring on or after the date the bill becomes law, but also to annexations *pending* on the date the bill becomes law.

Section 4 exempts property used for bona fide farm purposes from municipal extraterritorial planning and zoning jurisdiction.

[1] G.S. 160A-37, -49.

Section 5 exempts property used for bona fide farm purposes from municipal zoning.

EFFECTIVE DATE: This act is effective when it becomes law. Sections 2 and 3 of the act would apply to annexations of property used for bona fide farm purposes that were initiated by municipalities on or after that date, or are pending on that date.

CROSS-REFERENCES:

§ 106-581.1. Agriculture defined.

For purposes of this Article, the terms "agriculture", "agricultural", and "farming" refer to all of the following:

(1) The cultivation of soil for production and harvesting of crops, including but not limited to fruits, vegetables, sod, flowers and ornamental plants.

(2) The planting and production of trees and timber.

(3) Dairying and the raising, management, care, and training of livestock, including horses, bees, poultry, and other animals for individual and public use, consumption, and marketing.

(4) Aquaculture as defined in G.S. 106-758.

(5) The operation, management, conservation, improvement, and maintenance of a farm and the structures and buildings on the farm, including building and structure repair, replacement, expansion, and construction incident to the farming operation.

(6) When performed on the farm, "agriculture", "agricultural", and "farming" also include the marketing and selling of agricultural products, agritourism, the storage and use of materials for agricultural purposes, packing, treating, processing, sorting, storage, and other activities performed to add value to crops, livestock, and agricultural items produced on the farm, and similar activities incident to the operation of a farm.

§ 99E-30. Definitions.

As used in this Article, the following terms mean:

(1) Agritourism activity. – Any activity carried out on a farm or ranch that allows members of the general public, for recreational, entertainment, or educational purposes, to view or enjoy rural activities, including farming, ranching, historic, cultural, harvest-your-own activities, or natural activities and attractions. An activity is an agritourism activity whether or not the participant paid to participate in the activity. "Agritourism activity" includes an activity involving any animal exhibition at an agricultural fair licensed by the Commissioner of Agriculture pursuant to G.S. 106-520.3.

SENATE FINANCE COMMITTEE
Tuesday, June 14, 2011 at 7:15 PM
Room 545, Legislative Office Building

MINUTES

The Senate Finance Committee reconvened at 7:45 PM on June 14, 2011 in room 544 of the Legislative Office Building. Twenty-one members of the committee were present. Senator Apodaca presided as chair.

H.B. 168 – Farm Annexation

Senator Rucho moved to bring the bill back before the committee and the motion carried. Senator Newton moved to adopt the proposed committee substitute (PCS) for discussion and the motion carried. Representative Cleveland was recognized to explain the bill. The bill clarifies the definition of "bona fide farm purposes", prohibits the involuntary municipal annexation of property used for bona fide farm purposes, exempts property used for bona fide farm purposes from municipal ETJ regulations, and exempts property used for bona fide farming purposes from municipal zoning. The PCS changes the effective date so that Sections 2 and 3 of the bill apply to annexations of property used for bona fide farm purposes that were initiated by municipalities on or after that date, or are pending on that date. Senator Newton moved for a favorable report and the motion carried. A copy of the PCS is attached.

H.B. 56 – Local Annexations Subject to 60% Petition

Senator Newton and Representative Collins were recognized to explain the bill. Senator Dannelly moved to adopt the PCS for discussion. The motion carried. The PCS is a local act that suspends various pending annexations and provides a process for real property owners to submit petitions to deny the annexation. If the owners of 60% of the parcels contained in the area to be annexed submit petitions, the annexation is terminated and may not be reinstituted for 36 months. Vance Holloman, Deputy State Treasurer, was recognized to explain Goldsboro's debt burden and answer questions. Bob Pleasant, President of the Good Neighbors of Wayne County, spoke in favor of the bill. Senator Brock moved for a favorable report and the motion carried. A copy of the PCS and the summary is attached.

The meeting adjourned at 7:42 PM.

Senator Tom Apodaca, Presiding Chair

DeAnne Mangum, Committee Clerk

NORTH CAROLINA GENERAL ASSEMBLY
SENATE

FINANCE COMMITTEE REPORT
Senator Fletcher L. Hartsell, Jr., Co-Chair
Senator Bob Rucho, Co-Chair

Tuesday, June 14, 2011

Senator RUCHO,
submits the following with recommendations as to passage:

UNFAVORABLE AS TO BILL, BUT FAVORABLE AS TO SENATE COMMITTEE SUBSTITUTE BILL

H.B. **56** Rocky Mount Annexations Repealed.

Draft Number:	30391
Sequential Referral:	None
Recommended Referral:	None
Long Title Amended:	Yes

TOTAL REPORTED: 1

Committee Clerk Comments:
H56 – Sen. Newton

e. A Farm Identification Number issued by the United States Department of Agriculture Farm Service Agency."

SECTION 2. G.S. 160A-36 is amended by adding a new subsection to read:

"(f) As used in this subsection, "bona fide farm purposes" is as described in G.S. 153A-340. As used in this subsection, "property" means a single tract of property or an identifiable portion of a single tract. Property that is being used for bona fide farm purposes on the date of the resolution of intent to consider annexation, may not be annexed without the written consent of the owner or owners of the property."

SECTION 3. G.S. 160A-48 is amended by adding a new subsection to read:

"(g) As used in this subsection, "bona fide farm purposes" is as described in G.S. 153A-340. As used in this subsection, "property" means a single tract of property or an identifiable portion of a single tract. Property that is being used for bona fide farm purposes on the date of the resolution of intent to consider annexation, may not be annexed without the written consent of the owner or owners of the property."

SECTION 3.1. If House Bill 845, 2011 General Assembly, is enacted, G.S. 160A-58.54, as enacted by that act, is amended by adding a new subsection to read:

"(c) As used in this subsection, "bona fide farm purposes" is as described in G.S. 153A-340. As used in this subsection, "property" means a single tract of property or an identifiable portion of a single tract. Property that is being used for bona fide farm purposes on the date of the resolution of intent to consider annexation, may not be annexed without the written consent of the owner or owners of the property."

SECTION 4. G.S. 160A-360 is amended by adding a new subsection to read:

"(k) As used in this subsection, "bona fide farm purposes" is as described in G.S. 153A-340. As used in this subsection, "property" means a single tract of property or an identifiable portion of a single tract. Property that is located in the geographic area of a municipality's extraterritorial jurisdiction and that is used for bona fide farm purposes is exempt from exercise of the municipality's extraterritorial jurisdiction under this Article. Property that is located in the geographic area of a municipality's extraterritorial jurisdiction and that ceases to be used for bona fide farm purposes shall become subject to exercise of the municipality's extraterritorial jurisdiction under this Article."

SECTION 5. Article 19 of Chapter 160A of the General Statutes is amended by adding a new section to read:

"**§ 160A-393.1. Part not applicable to property used for bona fide farm purposes.**

The provisions of this Part are not applicable to property used for 'bona fide farm purposes,' as defined in G.S. 153A-340."

SECTION 6. This act is effective when it becomes law. Sections 2, 3, and 3.1 of this act apply to annexations of property used for bona fide farm purposes that were initiated by municipalities on or after that date, or are pending on that date.

A BILL TO BE ENTITLED

AN ACT TO CLARIFY THE DEFINITION OF "BONA FIDE FARM PURPOSES," TO PROHIBIT THE INVOLUNTARY MUNICIPAL ANNEXATION OF PROPERTY USED FOR BONA FIDE FARM PURPOSES, TO PROVIDE THAT PROPERTY USED FOR BONA FIDE FARM PURPOSES IS EXEMPT FROM THE EXERCISE OF MUNICIPAL EXTRATERRITORIAL JURISDICTION, AND TO EXEMPT PROPERTY USED FOR BONA FIDE FARMING PURPOSES FROM MUNICIPAL ZONING.

The General Assembly of North Carolina enacts:

SECTION 1. G.S. 153A-340(b)(2) reads as rewritten:

"(b) (2) Except as provided in G.S. 106-743.4 for farms that are subject to a conservation agreement under G.S. 106-743.2, bona fide farm purposes include the production and activities relating or incidental to the production of crops, fruits, vegetables, ornamental and flowering plants, dairy, livestock, poultry, and all other forms of ~~agricultural products~~ agriculture as defined in ~~G.S. 106-581.1 having a domestic or foreign market.~~ G.S. 106-581.1. For purposes of this subdivision, the production of a nonfarm product that the Department of Agriculture and Consumer Services recognizes as a 'Goodness Grows in North Carolina' product that is produced on a farm subject to a conservation agreement under G.S. 106-743.2 is a bona fide farm purpose. For purposes of determining whether a property is being used for bona fide farm purposes, any of the following shall constitute sufficient evidence that the property is being used for bona fide farm purposes:

a. A farm sales tax exemption certificate issued by the Department of Revenue.

b. A copy of the property tax listing showing that the property is eligible for participation in the present use value program pursuant to G.S. 105-277.3.

c. A copy of the farm owner or operator's Schedule F from the owner or operator's most recent federal income tax return.

d. A forest management plan.

e. A Farm Identification Number issued by the United States Department of Agriculture Farm Service Agency."

SECTION 2. G.S. 160A-36 is amended by adding a new subsection to read:

"(f) As used in this subsection, "bona fide farm purposes" is as described in G.S. 153A-340. As used in this subsection, "property" means a single tract of property or an identifiable portion of a single tract. Property that is being used for bona fide farm purposes on the date of the resolution of intent to consider annexation, may not be annexed without the written consent of the owner or owners of the property."

SECTION 3. G.S. 160A-48 is amended by adding a new subsection to read:

"(g) As used in this subsection, "bona fide farm purposes" is as described in G.S. 153A-340. As used in this subsection, "property" means a single tract of property or an identifiable portion of a single tract. Property that is being used for bona fide farm purposes on the date of the resolution of intent to consider annexation, may not be annexed without the written consent of the owner or owners of the property."

SECTION 3.1. If House Bill 845, 2011 General Assembly, is enacted, G.S. 160A-58.54, as enacted by that act, is amended by adding a new subsection to read:

"(c) As used in this subsection, "bona fide farm purposes" is as described in G.S. 153A-340. As used in this subsection, "property" means a single tract of property or an identifiable portion of a single tract. Property that is being used for bona fide farm purposes on the date of the resolution of intent to consider annexation, may not be annexed without the written consent of the owner or owners of the property."

SECTION 4. G.S. 160A-360 is amended by adding a new subsection to read:

"(k) As used in this subsection, "bona fide farm purposes" is as described in G.S. 153A-340. As used in this subsection, "property" means a single tract of property or an identifiable portion of a single tract. Property that is located in the geographic area of a municipality's extraterritorial jurisdiction and that is used for bona fide farm purposes is exempt from exercise of the municipality's extraterritorial jurisdiction under this Article. Property that is located in the geographic area of a municipality's extraterritorial jurisdiction and that ceases to be used for bona fide farm purposes shall become subject to exercise of the municipality's extraterritorial jurisdiction under this Article."

SECTION 5. Article 19 of Chapter 160A of the General Statutes is amended by adding a new section to read:

"**§ 160A-393.1. Part not applicable to property used for bona fide farm purposes.**

The provisions of this Part are not applicable to property used for 'bona fide farm purposes,' as defined in G.S. 153A-340."

SECTION 6. This act is effective when it becomes law. Sections 2, 3, and 3.1 of this act apply to annexations of property used for bona fide farm purposes that were initiated by municipalities on or after that date, or are pending on that date.

GENERAL ASSEMBLY OF NORTH CAROLINA
SESSION 2011

H D

HOUSE BILL 56
PROPOSED SENATE COMMITTEE SUBSTITUTE H56-CSRWx-28 [v.13]

6/13/2011 9:31:02 PM

Short Title: Local Annexations Subject to 60% Petition. (Local)

Sponsors:

Referred to:

February 9, 2011

A BILL TO BE ENTITLED

AN ACT TO REQUIRE SPECIFIED LOCAL PENDING OR COMPLETED INVOLUNTARY ANNEXATIONS BE SUBJECT TO A PETITION TO DENY THE ANNEXATION BY PROPERTY OWNERS OF AT LEAST SIXTY PERCENT OF THE PARCELS LOCATED IN THE AREA.

The General Assembly of North Carolina enacts:

SECTION 1. The following involuntary annexations are suspended effective June 1, 2011, and shall not become effective, until completion of a petition to disallow the annexation process, described in Section 3 of this Act.

(a) Kinston annexation area, as described in House Bill 5, First Edition, 2011 Regular Session.

(b) Lexington annexation area, as described in House Bill 37, First Edition, 2011 Regular Session.

(c) Rocky Mount annexation area, as described in House Bill 56, First Edition, 2011 Regular Session.

(d) Wilmington annexation area, as described in House Bill 180, First Edition, 2011 Regular Session.

(e) Asheville/Biltmore Lake annexation area, as described in House Bill 236, First Edition, 2011 Regular Session.

(f) Marvin annexation area, as described in RS-2008-02-02, a resolution of the Village of Marvin Council.

(g) Southport annexation area, known as "Area A" and "Area B", as described in City of Southport Annexation ordinance, adopted June 9, 2011.

(h) Ayden annexation area, as described in Ayden Ordinance No. 08-09-07 as modified by any applicable Consent Order and Memoranda of Understanding.

SECTION 2. The following involuntary annexation, already enacted and effective, shall be subject to a petition by residents to disallow and repeal the annexation, in accordance with Section 4 of this act.

(a) Goldsboro annexation, described in Senate Bill 314, First Edition, 2011 regular Session.

SECTION 3. Pending Annexation/Petition to Deny Annexation Ordinance. – The annexations described in Section 1 of this act shall be subject to the following petition to deny annexation process.

(1) Within 30 days of the effective date of this act, the county tax assessor shall prepare a list of the real property parcels within the area to be annexed and a list of the owners of the parcel, and forward the list to the board of elections in the county where a majority of the parcels proposed for annexation are located. The board of elections shall prepare petitions for property owners of the real property located within the area to sign opposing the annexation ordinance.

(2) A petition shall include the names of the property owners of the parcel of real property listed individually, a signature line for each owner, and a statement that the person signing is petitioning to deny the annexation.

(3) The board of elections shall mail a petition to the address of record for those real property owners within five business days of receipt from the county tax assessor of the list.

(4) The board of elections shall provide two methods by which property owners of the real property located within the area described in the annexation ordinance may sign a petition form prepared by the board of elections: (i) in person or (ii) by submitting the signed petition form by mail. The board of elections shall also accept signatures signed on a petition form prepared by the board of elections, but collected by another, if that petition form is returned to the board of elections in a sealed container.

(5) If the signed petition is one that was mailed and the signer is not the same as the preprinted name on the form, the signed petition shall be notarized and accompanied by a copy of the legal authority for the signature of the person signing a petition.

(6) If a petition is returned as undeliverable to the board of elections, the board of elections shall send the petition return receipt requested. If the petition is returned again, the board of elections shall not include that property owner in the total number of eligible property owners.

(7) The board of elections shall accept signatures on the petition until 130 days after mailing the petitions under subdivision (3) of this section.

(8) The determination of the results by the board of elections of the petition period shall be observed by three property owners from the area proposed for annexation, chosen by lot by the board of elections from among those who request to serve in this role, and three persons designated by the municipality. A majority of the property owners of a single parcel of real property must sign the petition before the board of elections may count that parcel as having submitted a petition to deny annexation.

(9) Within 10 business days after the close of the signature period, the board of elections shall certify to the municipal governing body the number of petitions signed by property owners of the real property located within the area to be annexed.

(10) If the board of elections delivers to the municipal governing board petitions signed by property owners of at least sixty percent (60%) of the parcels located within the area to be annexed as provided in this section, the annexation shall be terminated and the municipality may not adopt a resolution of consideration for the area described in the annexation ordinance for at least 36 months.

(11) The municipality shall reimburse the board of elections the costs of the petition process required under this section.

SECTION 4. Completed and Effective Annexation/Petition to Deny. – The annexations described in Section 2 of this act shall be subject to the following petition to deny annexation process:

(1) The same process as described in Section 3 of this act, except that if the board of elections delivers to the municipal governing board petitions signed by eligible property owners of at least sixty percent (60%) of the parcels located within the area described in the annexation ordinance, the annexation shall be repealed effective immediately, and the municipality may not adopt a resolution of consideration for the area described in the repealed annexation ordinance for at least 36 months following repeal.

SECTION 5. This act is effective when it becomes law.

HOUSE BILL 56:
Local Annexations subject to 60% petition.

2011-2012 General Assembly

Committee:	Senate Finance	**Date:**	June 13, 2011
Introduced by:	Rep. Collins	**Prepared by:**	Kory Goldsmith Staff Attorney
Analysis of:	PCS to First Edition H56-CSRWx-28		

SUMMARY: ***The PCS for House Bill 56 is a local act that suspends various pending annexations and provides a process for real property owners to submit petitions to deny the annexation. If the owners of 60% of the parcels contained in the area to be annexed submit petitions, the annexation is terminated and may not be reinstituted for 36 months.***

CURRENT LAW: Under Section 1 of Article VII of the N.C. Constitution, the General Assembly is empowered to "*provide for the organization and government and the fixing of boundaries of counties, cities and towns, and other governmental subdivisions, and, except as otherwise prohibited by this Constitution, may give such powers and duties to counties, cities and towns, and other governmental subdivisions as it may deem advisable.*" Pursuant to this Section, the General Assembly enacted Parts 2 and 3 of Article 4A of Chapter 160A of the General Statutes, which authorize municipalities to enact ordinances to involuntarily add territory to their municipal limits, if the area meets the statutory requirements.

The General Assembly may enact legislation to "deannex" an area that has been annexed. A number of bills have been filed this session that would deannex pending annexations and some would repeal annexations that have become effective.

BILL ANALYSIS: The PCS for House Bill 56 would suspend 8 pending involuntary annexations and make one annexation that is already effective all subject to a petition to deny annexation process. The process would be as follows:

- Within 30 days of the effective date of the act, the county tax assessor would prepare a list of all the property owners of the parcels contained in the area to be annexed and send the list to the county board of elections.
- The board of elections would have 5 days to send petitions to deny to each property owner.
- Property owners would have 130 days to return a signed petition.
- Once the period for submission of signed petitions closes, the board of elections shall determine the results and report the same to the municipal governing body.
- If the owners of 60% of the parcels in the area of the proposed annexation submit petitions denying annexation, the annexation is terminated (or repealed in the case of the annexation that is already effective) and the municipality may not commence another annexation of the area for 36 months.

EFFECTIVE DATE: The act is effective when it becomes law.

H56-SMRC-57(CSRWx-28) v3

SENATE FINANCE COMMITTEE
Wednesday, June 15, 2011 at 1:00 PM
Room 545, Legislative Office Building

MINUTES

The Senate Finance Committee met at 1:00 PM on June 15, 2011 in room 544 of the Legislative Office Building. Twenty-seven members of the committee were present. Senator Hartsell presided as chair.

H.B. 409 – Guilford Tech. May Lease Property

Representative Jeffus was recognized to explain the bill. It allows Guilford Technical Community College (GTCC) to lease a portion of its property to the NC Center for Global Logistics at less than market value, use the proceeds of the lease for current operating expenses or for capital outlay purposes, and, with the consent of GTCC trustees, use the personnel and facilities at GTCC in support of economic development through the operation of the Donald W. Cameron Campus of GTCC and its companion facilities as an event venue. Senator Tillman moved for a favorable report as amended and the motion carried. A copy of the bill and the summary is attached.

H.B. 411 – Iredell Correctional Facility/DOT Storage

Representative Howard was recognized to explain the bill which enacts an agreement between the Department of Transportation and the Iredell County Sheriff to lease the former Iredell County Correctional Facility. Senator Brock moved for a favorable report and the motion carried. A copy of the bill and the summary is attached.

H.B. 93 – Sales & Use Taxes

Representative Howard explained the bill which allows a seller to apply overcollected sales tax to offset a use tax liability on a related transaction. Senator Brock moved for a favorable report and the motion carried. A copy of the bill, the summary and the fiscal note is attached.

H.B. 384 – Register of Deeds Fees

Representative Howard explained the bill which seeks to simplify the collection and remittance of fees collected by the register of deeds for registering or filing certain instruments. Senator Rabon was recognized to offer an amendment and Cindy Avrette, a staff attorney with the Research Division, was recognized to explain it. The amendment is technical in nature. Senator Rabon moved to adopt the amendment and the motion carried. Davis Brinson, Duplin County Register of Deeds, was recognized to answer questions. Senator Purcell moved for a favorable report and the motion carried. A copy of the bill, the summary and the amendment is attached.

H.B. 367 – Roanoke Rapids Deannexation

Senator Jones was recognized to explain the bill which deannexes 21 parcels from the City of Roanoke Rapids. Senator Meredith moved for a favorable report and the motion carried. A copy of the bill and the summary is attached.

H.B. 486 – Tryon Deannexation

Representative Guice was recognized to explain the bill which deannexes a described area from the Town of Tryon. Senator Clodfelter moved for a favorable report and the motion carried. A copy of the bill and the summary is attached.

H.B. 508 – Modify Mecklenburg County Local Taxes

Representative Samuelson was recognized to explain the bill. Senator Clodfelter moved to adopt the proposed committee substitute (PCS) for discussion and the motion carried. The bill codifies the interlocal agreement between the Lake Norman Convention and Visitors Bureau (LNCVB) and the Towns of Cornelius, Davidson, and Huntersville. The PCS provides substantially the same amount of revenue to the LNCVB by requiring the towns to distribute to the LNCVB for tourism-marketing promotions from the prepared food and beverage taxes received from Charlotte an amount not less than 28% of the occupancy taxes received from Mecklenburg County plus 25% of the prepared food and beverage taxes received from Charlotte. Senator Dannelly moved for a favorable report and the motion carried. A copy of the PCS and the summary is attached.

H.B. 573 – Raleigh/Wake Forest Boundary

Senator Hunt was recognized to explain the bill which removes 21 acres from the City of Raleigh and adds the area to the Town of Wake Forest. Senator Stevens moved for a favorable report and the motion carried. A copy of the bill and the summary is attached.

H.B. 518 – Authorize Add'l Person County Occupancy Tax

Representative Wilkins was recognized to explain the bill. It authorizes Person County to levy an additional 1% room occupancy tax, and it deletes unnecessary language relating to how the proceeds of the existing 5% tax were to be spent during the first four years of levy. Senator Kinnaird moved for a favorable report and the motion carried. A copy of the bill and the summary is attached.

H.B. 24 – Expand Duties of Economic Dev. Oversight Comm.

Senator Stein was recognized to explain the bill which changes the name of the commission to the "Joint Legislative Economic Development and Global Engagement Oversight Commission" and expands the duties to include international business

activity. Senator Meredith moved for a favorable report and the motion carried. A copy of the bill is attached.

H.B. 242 – Nat. Gas/Bond/Fee/Landowner Protect'n/Study

Representative Gillespie was recognized to explain the bill. It would 1) increase the amount of the bond required upon registration in order to drill for oil or natural gas in the State; 2) increase the amount of fees applicable to drilling and abandoning oil or gas wells; 3) direct the Department of Environment and Natural Resources (DENR) and other entities to study the issue of oil and gas exploration in the State; 4) direct DENR to conduct at least two public hearings on the issue in the area in which drilling for natural gas by means of directional and horizontal drilling and hydraulic fracturing may occur; 5) establish certain protections for owners of land on which drilling or exploration for oil or gas may occur, 6) appropriate $100,000 to DENR in order to conduct the study and the public hearings, 7) directs the Department of Commerce to study issues related to potential economic impacts if drilling for oil or natural gas were to take place in the State, including possible sources of revenue that could accrue to the benefit of the State; 8) directs the Consumer Protection Division of the Department of Justice to study consumer protection and legal issues associated with drilling for oil or natural gas; and 9) adds provisions related to landowner protection and leases for the drilling of oil or gas. Senate Jenkins moved for a favor report and the motion carried. A copy of the bill and the summary is attached.

H.B. 289 – Special License Plates

Senator Gillespie was recognized to explain the bill. Senator Tillman moved to adopt the PCS for discussion and the motion carried. The bill authorizes the issuance of a number of special license plates, and directs DMV to develop a standard format for special License plates. It also provides for the expiration of a special plate authorization if DMV does not receive the required number of applications within two ears of the time the plate is authorized. The PCS incorporates additional plates that were not included in the version that passed the House. It also changes to background on the Core Sound Waterfowl Museum plate and authorizes motorcycle plates for Civic Clubs. Senator Tillman was recognized to offer an amendment to create a sustainable fisheries plate. Senator Tillman moved for its adoption and the motion carried. Senator Rucho was recognized to offer an amendment which regulates the background and language of special license plates to include "First in Flight" and a picture of the Wright Brothers biplane. It does not recall existing specialty plates. Johanna Reese, DMV, was recognized to explain the amendment and answer questions. Trina Griffin, a staff attorney with the Research Division, was recognized to answer questions. Bob Kepner, NC Adult Soccer Association representative, was recognized to speak in favor of the bill. Thomas Caves, Crime Control and Public Safety liaison, was recognized to answer questions. Senator Rucho moved to favorably adopt the amendment and the motion carried. Senator Garrou was recognized to offer an amendment which creates the "Respect Choice" plate. The bill sponsor, Representative Gillespie, opposed the amendment. Senator Garrou to adopt the amendment and the motion failed. Senator

Daniel was recognized to offer an amendment which creates the "County Commissioner" plate. He moved for its adoption and the motion carried. Senator Daniel was recognized to offer the "NC Horse Council" plate and moved for its adoption. The motion carried. Senator Daniel moved for a favorable report for the PCS with the amendments incorporated into a new PCS. The motion carried. A copy of the PCS, the summary, the fiscal note and the amendments is attached.

H.B. 344 – Tax Credits for Children with Disabilities

Representative Stam was recognized to explain the bill. It allows an individual income tax credit for up to $3,000 per semester for tuition and special education and related services expenses for a taxpayer's eligible dependent child with a disability who is enrolled in a nonpublic school or a public school where tuition is charged for the eligible dependent child's enrollment. The bill creates a Fund for Special Education and Related Services with the monies to be used for special education and related services for children with disabilities. It also requires the Department of Revenue to report to the Revenue Laws Study Committee and the Joint Legislative Education Oversight Committee on the administration of the education expenses credit and on the number and amount of education expense credits taken. Senator Stevens moved for a favorable report and the motion carried. A copy of the bill, the summary and the fiscal note is attached.

H.B. 358 – Apex/Cary Annexation Into Chatham Restricted

Senator Atwater was recognized to explain the bill. It would require the Towns of Apex and Cary to obtain approval from the Chatham County Board of Commissioners before any involuntary annexation into Chatham County. Senator Atwater moved for a favorable report and the motion carried. A copy of the bill and the summary is attached.

The meeting recessed at 2:02 PM to reconvene later in the day.

A BILL TO BE ENTITLED

AN ACT TO ALLOW GUILFORD TECHNICAL COMMUNITY COLLEGE TO LEASE A PORTION OF ITS PROPERTY TO THE NORTH CAROLINA CENTER FOR GLOBAL LOGISTICS.

The General Assembly of North Carolina enacts:

SECTION 1. Notwithstanding G.S. 115D-15, Article 12 of Chapter 160A of the General Statutes, Chapter 66 of the General Statutes, or any other provision of law, the board of trustees of Guilford Technical Community College may lease at private sale to The North Carolina Center for Global Logistics, LLC, a portion of its land and improvements now or hereafter located on the Donald W. Cameron Campus of Guilford Technical Community College. The terms and conditions of the lease shall be set by the board of trustees of Guilford Technical Community College and may include rental at less than fair market value. The lease shall not be subject to the prior approval of the State Board of Community Colleges.

SECTION 2. Notwithstanding G.S. 115D-15 or any other provision of law, the board of trustees of Guilford Technical Community College may use the proceeds of the lease for current operating expenses or for capital outlay purposes.

SECTION 3. Notwithstanding G.S. 66-58(a), the personnel and facilities of Guilford Technical Community College may, with the consent of the trustees of the college, be used in support of economic development through the operation of the Donald W. Cameron Campus of Guilford Technical Community College and its companion facilities as an event venue. Proceeds generated shall be used either to pay the operational costs of the college's facilities, to support the event venue, or to support the mission of the college.

SECTION 4. This act is effective when it becomes law.

HOUSE BILL 409:
Guilford Tech. May Lease Property

2011-2012 General Assembly

Committee:	Senate Finance	**Date:**	June 14, 2011
Introduced by:	Reps. Jeffus, Harrison, Adams, Faircloth	**Prepared by:**	Greg Roney Committee Counsel
Analysis of:	Second Edition		

SUMMARY: ***House Bill 409 allows Guilford Technical Community College (GTCC) to lease a portion of its property to the NC Center for Global Logistics at less than market value, use the proceeds of the lease for current operating expenses or for capital outlay purposes, and, with the consent of the GTCC trustees, use the personnel and facilities at GTCC in support of economic development through the operation of the Donald W. Cameron Campus of GTCC and its companion facilities as an event venue.***

CURRENT LAW: G.S. 115D-15 governs the sale, lease, or exchange of real property owned by a community college. The Board of Trustees of a community college may sell, exchange, or lease real property owned or held by the Board with the prior approval of the NC Community Colleges System Office.

Article 12 of G.S. Chapter 160A of the General Statutes applies to the disposal or sale of any real or personal property owned or held by a community college. The proceeds of any sale or lease must be used for capital outlay purposes.

G.S. 66-58 provides that units, departments, and agencies of State government may not engage in the sale of merchandise or services in competition with private enterprise. The statute also provides a number of exceptions to the general rule.

BILL ANALYSIS: Section 1 of House Bill 409 authorizes the board of trustees of Guilford Technical Community College (GTCC) to lease at private sale a portion of its land and improvements located on the Donald W. Cameron Campus to the North Carolina Center for Global Logistics (NCCGL). The terms and conditions of the lease may include rental at less than fair market value.

The NCCGL is a nonprofit economic development organization representing a collaboration between 20 colleges, universities, and community colleges, 14 local and regional economic development agencies, and a multitude of local, regional, national, and international transportation and logistics businesses located in the Piedmont Triad Region.

Section 2 of the bill provides that the proceeds of the lease may be used by the Board for current operating expenses or for capital outlay purposes.

Section 3 of the bill exempts GTCC from the Umstead Act for purposes of allowing the use of its personnel and facilities, with the consent of the Board, in support of economic development through the operation of the Donald W. Cameron Campus and its facilities as an event venue. Proceeds generated shall be used either to pay the operations cost of GTCC's facilities, to support the event venue, or to support the mission of the college.

EFFECTIVE DATE: The act is effective when it becomes law.

BACKGROUND: This bill would allow GTCC to partner with the NCCGL to further economic development efforts in the Piedmont Triad Region around the transportation, logistics, and supply chain industry cluster.

Trina Griffin, counsel to House Finance, substantially contributed to this summary.

H409-SMTM-43(e2) v1

GENERAL ASSEMBLY OF NORTH CAROLINA
SESSION 2011

H 2

HOUSE BILL 411
Committee Substitute Favorable 5/9/11

Short Title: Iredell Correctional Facility/DOT Storage. (Public)

Sponsors:

Referred to:

March 22, 2011

A BILL TO BE ENTITLED

AN ACT TO PROVIDE THAT THE IREDELL COUNTY SHERIFF MAY LEASE THE FORMER IREDELL CORRECTIONAL FACILITY FROM THE DEPARTMENT OF TRANSPORTATION FOR ONE DOLLAR A YEAR FOR THIRTY YEARS UPON THE PAYMENT OF SEVENTY-FIVE THOUSAND DOLLARS BY THE IREDELL COUNTY SHERIFF TO THE DEPARTMENT OF TRANSPORTATION FOR THE RENOVATION OF THE NEWTON STORAGE FACILITY FOR THE DEPARTMENT OF TRANSPORTATION.

The General Assembly of North Carolina enacts:

SECTION 1. The Iredell County Sheriff's Department shall pay to the Department of Transportation the sum of seventy-five thousand dollars ($75,000) to be used by the Department to renovate the Department's facility in Newton.

SECTION 2. The Department of Transportation shall lease to the Iredell County Sheriff the buildings requested by the Sheriff of Iredell County at the former Iredell Correctional Facility located on NC Highway 21 for the sum of one dollar ($1.00) a year for 30 years.

SECTION 3. The Sheriff of Iredell County shall use the facilities for housing inmates and shall be responsible for all upgrades and services at the buildings leased by the Sheriff of Iredell County at the former Iredell Correctional Facility to ensure compliance with the State and federal laws regarding inmate care and custody.

SECTION 4. This act is effective when it becomes law.

HOUSE BILL 411:
Iredell Correctional Facility/DOT Storage

2011-2012 General Assembly

Committee:	Senate Finance	**Date:**	June 15, 2011
Introduced by:	Rep. Howard	**Prepared by:**	Greg Roney Committee Counsel
Analysis of:	Second Edition		

SUMMARY: ***House Bill 411 would enact an agreement between the Department of Transportation and the Iredell County Sheriff to lease the former Iredell County Correctional Facility.***

BILL ANALYSIS: House Bill 411 would:

- Require the Iredell County Sheriff's Department to pay the Department of Transportation $75,000 to renovate the Department's facility in Newton.
- Require the Department of Transportation to lease to the Iredell County Sheriff the buildings requested by the Sheriff at the former Iredell Correctional Facility located on NC Highway 21 for $1 per year for 30 years.
- Require the Sheriff of Iredell County to use the facilities for housing inmates and makes the Sheriff responsible for upgrades and services at the buildings to ensure compliance with the State and federal laws regarding inmate care and custody.

EFFECTIVE DATE: The act is effective when it becomes law.

Brad Krehely with the Research Division substantially contributed to this summary.

HOUSE BILL 93
Committee Substitute Favorable 6/9/11

Short Title: Sales & Use Tax Overcollection. (Public)

Sponsors:

Referred to:

February 16, 2011

A BILL TO BE ENTITLED

AN ACT TO ALLOW A SELLER TO APPLY OVERCOLLECTED SALES TAX TO OFFSET A USE TAX LIABILITY ON A RELATED TRANSACTION.

The General Assembly of North Carolina enacts:

SECTION 1. G.S. 105-164.11(a) reads as rewritten:

"(a) Remittance of ~~Over-Collections~~ Overcollections to Secretary. – When ~~the~~ tax is collected for any period ~~is~~on a taxable sale in excess of the total amount that should have been ~~collected,~~ collected or is collected on an exempt or nontaxable sale, the total amount collected must be ~~paid over~~ remitted to the Secretary. ~~When tax is collected for any period on exempt or nontaxable sales the tax erroneously collected shall be remitted to the Secretary and no refund shall be made to a taxpayer unless the purchaser has received credit for or has been refunded the amount of tax erroneously charged.~~ If the Secretary determines that the seller overcollected the sales tax on a transaction, the Secretary shall take only one of the actions listed in this subsection. This ~~provision~~ subsection shall be construed with other provisions of this Article and given effect so as to result in the payment to the Secretary of the total amount collected as tax if it is in excess of the amount that should have been collected.

(1) If the Secretary determines that the seller overcollected tax on a transaction, the Secretary may allow a refund of the tax. The Secretary may allow the refund only if the seller gives the purchaser credit for or a refund of the overcollected tax. The Secretary shall not refund the overcollected tax to the seller if the seller has elected to offset a use tax liability on a related transaction with the overcollected sales tax under subdivision (2) of this subsection.

(2) If the Secretary determines that a seller who overcollected sales tax on a transaction is instead liable for a use tax on a related transaction, the Secretary may allow the seller to offset the use tax liability with the overcollected sales tax. The Secretary shall not allow an offset if the seller has elected to receive a refund of the overcollected tax under subdivision (1) of this subsection. The decision by a seller to receive an offset of tax liability rather than a refund of the overcollected tax does not affect the liability of the seller to the purchaser for the overcollected tax.

(3) If neither subdivision (1) nor (2) of this subsection applies, the Secretary shall retain the total amount collected on the transaction."

SECTION 2. This act becomes effective July 1, 2011, and applies to tax liabilities that accrue on or after that date.

GENERAL ASSEMBLY OF NORTH CAROLINA

Session 2011

Legislative Fiscal Note

REVISED

BILL NUMBER: House Bill 93 (Proposed Committee Substitute to Version One)

SHORT TITLE: Sales & Use Tax Over-collection

SPONSOR(S): Representative Howard

FISCAL IMPACT

Yes ( ) **No (x)** **No Estimate Available ( )**

	FY 2011-12	FY 2012-13	FY 2013-14	FY 2014-15	FY 2015-16
REVENUES:					
EXPENDITURES:					
POSITIONS (cumulative):					

PRINCIPAL DEPARTMENT(S) & PROGRAM(S) AFFECTED: Department of Revenue

EFFECTIVE DATE: July 1, 2011, and applies to tax liabilities that accrue on or after that date

BILL SUMMARY: The proposed committee substitute establishes procedures concerning the Secretary of Revenue's actions when sales tax is collected in excess of the total amount that should have been collected or that is collected on an exempt or nontaxable sale. The proposal provides that the Secretary may allow a refund to the seller only if the seller gives the purchaser credit for or a refund of the over-collected tax. If the Secretary of Revenue determines that a seller who over-collected sales tax on a transaction is liable for use tax on the transaction instead of sales tax, the Secretary may allow the seller to elect to apply the over-collected sales tax to the seller's liability for use tax on the transaction. This election does not affect the liability of the seller to the purchaser for the over-collected tax.

ASSUMPTIONS AND METHODOLOGY: There is no fiscal impact because the bill has no effect on the amount of sales and use tax due.

HOUSE BILL 93:
Sales & Use Tax Overcollection

2011-2012 General Assembly

Committee:	Senate Finance	**Date:**	June 15, 2011
Introduced by:	Reps. Howard, Brubaker, Starnes	**Prepared by:**	Trina Griffin Committee Counsel
Analysis of:	Second Edition		

SUMMARY: House Bill 93 would allow a seller to apply overcollected sales tax to offset a use tax liability on a related transaction.

CURRENT LAW: The sales tax a retailer collects is considered a debt from the purchaser to the retailer until it is remitted by the retailer to the State. The retailer is considered to act as a trustee on behalf of the State when it collects tax from the purchaser of a taxable item. When a seller collects tax in excess of the amount that should have been collected or when a seller collects tax on an exempt or nontaxable sale, the total amount collected must be paid over to the Secretary of Revenue. A retailer is not entitled to a refund of any amount of overcollected sales tax unless the purchaser has received credit for or has been refunded the amount of tax overcollected. A cause of action against a seller for overcollected sales or use tax does not accrue until a purchaser has provided written notice to a seller and the seller has had 60 days to respond.

BILL ANALYSIS: House Bill 93 would authorize the Secretary of Revenue to take one of the following three actions when the Secretary determines that a seller has overcollected sales tax on a transaction:

1. Allow a refund of the tax if the seller gives the purchaser credit for or a refund of the overcollected tax. However, no refund would be given if the seller has elected to offset a use tax liability on a related transaction with the overcollected sales tax.
2. If the seller is liable for use tax on a related transaction, allow the seller to offset the use tax liability with the overcollected sales tax. However, no offset would be permitted if the seller elected to receive a refund of the overcollected sales tax. The fact that a seller is allowed an offset does not affect the liability of the seller to the purchaser for the overcollected tax.
3. If neither (1) or (2) apply, retain the total amount collected on the transaction.

EFFECTIVE DATE: This act becomes effective July 1, 2011, and applies to tax liabilities that accrue on or after that date.

BACKGROUND: A situation occurred where a retailer collected and remitted sales tax on transactions that the Department later determined were not subject to sales tax because the property was *used* by the retailer. In that instance, the retailer owed use tax on the property. Specifically, this company is in the business of selling and servicing office equipment, primarily copiers. The company collected sales tax on the sale of its service agreements rather than collecting use tax on the parts and supplies used to fulfill the service agreements. The company sought a credit in the amount of sales taxes it paid against the use tax it owed. Because the retailer could not or chose not to refund the erroneously collected tax to the people who paid it, a refund of the erroneously collected sales tax was not allowed. In this situation, the State effectively collected both sales tax and use tax on the same transactions. The matter was heard by the Business Court, which issued an order in favor of the taxpayer on January 4, 2010. The State has appealed.

HOUSE BILL 384
Committee Substitute Favorable 6/2/11
Third Edition Engrossed 6/3/11

Short Title: Register of Deeds/Fees. (Public)

Sponsors:

Referred to:

March 17, 2011

A BILL TO BE ENTITLED

AN ACT TO SIMPLIFY THE FEES CHARGED FOR REGISTERING INSTRUMENTS WITH A REGISTER OF DEEDS IN THIS STATE AND TO MODIFY THE INSTRUMENT PAGE REQUIREMENTS.

The General Assembly of North Carolina enacts:

SECTION 1. G.S. 161-10 reads as rewritten:

"**§ 161-10. Uniform fees of registers of deeds.**

(a) Except as otherwise provided in this Article, all fees collected under this section shall be deposited into the county general fund. While performing the duties of the office, the register of deeds shall collect the following fees which shall be uniform throughout the State:

(1) Instruments in General. – For registering or filing any instrument for which no other provision is made by this section, ~~whether written, printed, or typewritten,~~ the fee shall be ~~twelve dollars ($12.00)~~ twenty-six dollars ($26.00) for the first ~~page~~ 15 pages plus ~~three dollars ($3.00)~~four dollars ($4.00) for each additional page or fraction thereof.

When a subsequent instrument, as defined in G.S. 161-14.1(a)(3), is presented for registration with reference to more than one original instrument for which recording data are required to be indexed pursuant to G.S. 161-14.1(b), the fee shall be an additional twenty-five dollars ($25.00) for each additional reference.

When a document is presented for registration that consists of multiple instruments, the fee shall be an additional ten dollars ($10.00) for each additional instrument. A document consists of multiple instruments when it contains two or more instruments with different legal consequences or intent, each of which is separately executed and acknowledged and could be recorded alone.

(1a) Deeds of Trust, Mortgages, and Cancellation of Deeds of Trust and Mortgages. – For registering or filing any deed of trust or mortgage, whether written, printed, or typewritten, the fee shall be ~~twenty-eight dollars ($28.00)~~ fifty-six dollars ($56.00) for the first ~~page~~ 15 pages plus ~~three dollars ($3.00)~~four dollars ($4.00) for each additional page or fraction thereof.

When a deed of trust or mortgage is presented for registration that contains one or more additional instruments, the fee shall be ten dollars ($10.00) for each additional instrument. A deed of trust or mortgage contains one or more additional instruments if such additional instrument or

instruments has or have different legal consequences or intent, each of which is separately executed and acknowledged and could be recorded alone.

For recording records of satisfaction, or the cancellation of record by any other means, of deeds of trust or mortgages, there shall be no fee.

...

~~(16) Probate. For verification of proofs and acknowledgements as provided in G.S. 47-14 two dollars ($2.00).~~

...."

SECTION 2. G.S. 161-11.3 reads as rewritten:

"**§ 161-11.3. Automation Enhancement and Preservation Fund.**

Ten percent (10%) of the fees collected pursuant to G.S. 161-10 and retained by the county, or ~~three dollars and twenty cents ($3.20)~~ six dollars and twenty cents ($6.20) in the case of a fee collected pursuant to G.S. 161-10(a)(1a) for the first page of a deed of trust or mortgage, shall be set aside annually and placed in a nonreverting Automation Enhancement and Preservation Fund, the proceeds of which shall be expended on computer or imaging technology and needs associated with the preservation and storage of public records in the office of the register of deeds. Nothing in this section shall be construed to affect the duty of the board of county commissioners to furnish supplies and equipment to the office of the register of deeds."

SECTION 3. G.S. 161-11.5 reads as rewritten:

"**§ 161-11.5. Fees ~~for General Fund support.~~to be remitted to State Treasurer.**

~~Five dollars ($5.00)~~Six dollars and twenty cents ($6.20) of each fee collected by the register of deeds ~~for registering or filing a deed of trust or mortgage pursuant to G.S. 161-10(a)(1a)~~ under G.S. 161-10(a)(1) and (a)(1a) shall be remitted by the register of deeds to the county finance officer, who shall remit the funds to the State Treasurer ~~to be credited to the General Fund as nontax revenue. The county finance officer shall remit the funds to the State Treasurer on a monthly basis.~~on a monthly basis to be credited as follows:

(1) Fifty-five percent (55%) to the Floodplain Mapping Fund established under G.S. 143-215.56A.

(2) Twenty percent (20%) to the General Fund as nontax revenue.

(3) Twenty-five percent (25%) to the Department of Cultural Resources to be used as provided in G.S. 121-5(e)."

SECTION 4. G.S. 161-11.4 and G.S. 161-11.6 are repealed.

SECTION 5. The Revenue Laws Study Committee must review the effect of the changes enacted by this act to determine whether they have simplified the collection and remittance of fees by the Register of Deeds for the filing of various instruments and to study the effect the fees changes have had on revenue collections in the 100 counties. The Committee must report its findings to the North Carolina General Assembly and recommend whether the provisions of this act should sunset as provided in Section 6 of this act.

SECTION 6. G.S. 161-14(b) reads as rewritten:

"(b) All instruments, except instruments conforming to the provisions of G.S. 25-9-521, presented for registration on paper shall meet all of the following requirements:

(1) Be eight and one-half inches by eleven inches or eight and one-half inches by fourteen inches.

(2) Have a blank margin of three inches at the top of the first page and blank margins of ~~one-half~~ at least one-quarter inches on the remaining sides of the first page and on all sides of subsequent pages.

(3) Be typed or printed in black on white paper in a legible font. A font size no smaller than ~~10~~9 points shall be considered legible. Blanks in an instrument may be completed in pen and corrections to an instrument may be made in pen.

(4) Have text typed or printed on one side of a page only.

(5) State the type of instrument at the top of the first page.

If an instrument does not meet these requirements, the register of deeds shall register the instrument after collecting the fee for nonstandard documents as required by G.S. 161-10(a)(19) in addition to all other applicable recording fees. However, if an instrument fails to meet the requirements because it contains print in a font size smaller than ~~10~~ 9 points, the register of deeds may register the instrument without collecting the fee for nonstandard documents if, in the discretion of the register of deeds, the instrument is legible."

SECTION 7. This act becomes effective October 1, 2011, and applies to instruments registered on or after that date. Sections 1 through 5 of this act expire July 1, 2013.

HOUSE BILL 384:
Register of Deeds/Fees

2011-2012 General Assembly

Committee:	Senate Finance	**Date:**	June 14, 2011
Introduced by:	Reps. Howard, West, Rapp, Wilkins	**Prepared by:**	Cindy Avrette
Analysis of:	Third Edition		Committee Counsel

SUMMARY: House Bill 384 seeks to simplify the collection and remittance of fees collected by the register of deeds for registering or filing certain instruments.

CURRENT LAW: The filing fees for registering and filing documents with the county register of deeds have traditionally been a local source of revenue for the county's general fund. In recent years, the General Assembly has begun increasing the filing fees for various records and using the increased fee amount for dedicated purposes:

1983	Increased the fee for issuance of a marriage license by $5 and required $5 of the fee be credited to the Children's Trust Fund
1991	Increased the fee for issuance of a marriage license by $20 and required $30 of the $40 fee to be credited to the Domestic Violence Center Fund
2001	Increased all of the filing fees and required 10% of the fees to be retained by the county and placed in a nonreverting Automation Enhancement and Preservation Fund, to be used by the county on computer or imaging technology and needs associated with the preservation and storage of public records in the office of the register of deeds
2008	Increased the fee for filing deeds of trust and mortgages by $10 and required $10 of the fee be credited to the Floodplain Mapping Fund, for the Department of Crime Control and Public Safety
2009	Increased the fee for filing deeds of trust and mortgages by $6 and required $5 of the fee be credited to the State General Fund as nontax revenue and a fixed amount of the fee, $3.20, be credited to the Automation Enhancement and Preservation Fund (instead of 10% of the fee amount as initially enacted in 2001)
2009	Increased the fee for filing a deed by $5 and required $5 of the fee be credited to the Department of Cultural Resources to offset the costs of the Archives and Records Management Program

The result of these fee changes is varying fee amounts for different instruments and confusion and complexity for the registers of deeds who must account for the different State ear-markings each month.

BILL ANALYSIS: House Bill 348 eliminates the different fee amount for deeds so that once again there are only two filing fees for instruments: one for deeds of trust and mortgages and one for all other instruments. The bill also establishes a set amount of the fee revenue from those filings that must be remitted to the State Treasurer, $6.20. It becomes the responsibility of the State to credit the appropriate percentage amount to the different accounts. The percentage distributions reflect the current fixed dollar amounts relationship to the total percent of collections distributed. The new fee range results in 1.46% increase in State collections. The bill also changes the fixed dollar amount of the fee collected to register deeds of trust and mortgages that is retained by the counties for the Automation Enhancement and Preservation Fund to the amount necessary to hold the counties' Funds harmless: $6.20. The new fee range results in a 4.25% increase in total collections for counties.

The new fee amounts are as follows:

Instrument	Current Fee Amount	Proposed Fee Amount
Instruments in General	$12 for the first page $3 for each page thereafter	$26 for the first 15 pages $4 for each page thereafter
Deeds	$17 for the first page $3 for each page thereafter	Same as Instruments in General
Indexing and filing of Subsequent Instruments	No fee	$25 for each additional reference
Deeds of Trust and Mortgages	$28 for the first page $3 for each page thereafter	$56 for the first 15 pages $4 for each page thereafter
Satisfaction of Deeds of Trusts and Mortgages	No fee	No fee; the cost of the satisfaction is included in the original filing
Probate	$2	No fee

The intent of the bill is to simplify the collection and remittance of fees by the register of deeds, and to do so in a revenue neutral manner for both the State and the counties. For this reason, the bill includes a provision directing the Revenue Laws Study Committee to review the effect of these changes and to report its findings to the General Assembly. The bill also sunsets the changes; the Revenue Laws Study Committee may recommend that the sunset be lifted or retained, based upon its findings

EFFECTIVE DATE: The bill becomes effective October 1, 2011, and expires on July 1, 2013. It applies to instruments registered on and after that date.

AMENDMENT: The Senate amendment makes technical changes to the bill: corrects a section reference and clarifies that the repealed statutes are suspended until the sunset date. If the General Assembly subsequently lifts the sunset, meaning the proposed fee structure will remain in effect, then the suspended statutes will need to be repealed.

SUMMARY: ***House Bill 367 deannexes 21 parcels from the City of Roanoke Rapids.***

CURRENT LAW: Under Section 1 of Article VII of the N.C. Constitution, the General Assembly is empowered to "provide for the organization and government and the fixing of boundaries of counties, cities and towns, and other governmental subdivisions, and, except as otherwise prohibited by this Constitution, may give such powers and duties to counties, cities and towns, and other governmental subdivisions as it may deem advisable."

The General Assembly enacted Article 4A of Chapter 160A of the General Statutes, authorizing municipalities to enact ordinances to add territory to their municipal limits by annexation.

The General Assembly has not enacted any method for municipalities to remove an area from its limits – – that power remains with the General Assembly.

BILL ANALYSIS: House Bill 367 would deannex 21 parcels, listed in the bill, in the City of Roanoke Rapids. The bill provides that the City may exercise planning and zoning authority over the parcels deannexed.

BACKGROUND: The 21 parcels deannexed by House Bill 367 were annexed by S.L. 2005-9. The parcels were expected to become part of the Roanoke Rapids entertainment district.

EFFECTIVE DATE: This act is effective June 30, 2011.

Giles S. Perry, counsel to House Government, substantially contributed to this summary.

March 29, 2011

A BILL TO BE ENTITLED

AN ACT REMOVING CERTAIN DESCRIBED PROPERTY FROM THE CORPORATE LIMITS OF THE TOWN OF TRYON.

The General Assembly of North Carolina enacts:

SECTION 1. The following described property is removed from the corporate limits of the Town of Tryon:

Tracts 1, 2, 5, and 6 as shown and delineated upon a plat entitled "Subdivision of Property of Blandina A. Shields, Tryon Township, Polk County, North Carolina," made by H.B. Frankenfield, Jr., Forest Engineer and Surveyor, dated November 19, 1963, and reference is hereby had to said plat in aid of the foregoing description, said plat being a matter of public record in the Office of the Register of Deeds for Polk County on Map Slide A-51, Page 191, referenced in Book 235, Page 1453, for full and complete metes and bounds descriptions of said tracts, pursuant to North Carolina General Statutes Section 47-30(g).

SECTION 2. This act shall not affect the duty to pay taxes for any prior year and shall not eliminate any liens for taxes for prior years.

SECTION 3. This act is effective when it becomes law.

HOUSE BILL 486:
Tryon Deannexation

2011-2012 General Assembly

Committee:	Senate Finance	**Date:**	June 15, 2011
Introduced by:	Rep. Guice	**Prepared by:**	Greg Roney
Analysis of:	First Edition		Committee Counsel

SUMMARY: House Bill 486 deannexes a described area from the Town of Tryon.

CURRENT LAW: Under Section 1 of Article VII of the N.C. Constitution, the General Assembly is empowered to "provide for the organization and government and the fixing of boundaries of counties, cities and towns, and other governmental subdivisions, and, except as otherwise prohibited by this Constitution, may give such powers and duties to counties, cities and towns, and other governmental subdivisions as it may deem advisable."

Pursuant to this Section, the General Assembly enacted Article 4A of Chapter 160A of the General Statutes, which authorize municipalities to enact ordinances to add territory to their municipal limits by annexation.

The General Assembly has not enacted any method for municipalities to *deannex* property – that power remains with the General Assembly.

BILL ANALYSIS: House Bill 486 deannexes four described tracts, listed in the bill, from the Town of Tryon. The property is owned by a single owner who has requested the deannexation. This request has been approved by the Town in a resolution. The bill would also provide that the deannexation does not affect the duty to pay taxes for any prior year and does not eliminate any liens for taxes for any prior year.

EFFECTIVE DATE: This act is effective when it becomes law.

BACKGROUND: In 2006, the Town of Tryon explored the possibility of creating a tax incentive financing (TIF) district and encouraged certain property owners in the area to petition the Town for voluntary annexation of their properties to the Town so that they could benefit from the installation of sidewalks and street lighting within and funded by tax revenue from the TIF district. One property owner petitioned the Town for voluntary contiguous annexation of his property, which consists of the tracts described in this legislation.

After the property was annexed, the Town determined that it would not try to form the TIF district. Consequently, the property owner requested his property be deannexed because the TIF district was never formed and the improvements have never been made. The Town Board of Commissioners adopted a resolution on December 16, 2010 approving the request.

Giles S. Perry and Trina Griffin, both with the Research Division, substantially contributed to this summary.

PROPOSED SENATE COMMITTEE SUBSTITUTE H508-CSMC-17 [v.1]

6/13/2011 6:04:08 PM

Short Title: Modify Mecklenburg County Local Taxes. (Local)

Sponsors:

Referred to:

March 30, 2011

A BILL TO BE ENTITLED

AN ACT TO MODIFY CERTAIN MECKLENBURG COUNTY LOCAL TAXES.

The General Assembly of North Carolina enacts:

SECTION 1. Section 9(a) of Part IV of Chapter 908 of the 1983 Session Laws, as amended by Chapters 821 and 922 of the 1989 Session Laws and Section 2 of S.L. 2001-402, is amended by adding the following new sub-subdivision to read:

"Sec. 9. (a) Distribution and Use of Proceeds. – The local administrative authority, acting on its own behalf or as agent for each taxing entity, shall distribute the proceeds of the taxes levied in this Part as provided in this subsection. The distribution shall be made by the 20th day of each month following the month in which the tax is collected.

...

(4) Distribution to Charlotte for Convention and Visitor Promotion and Other Tourism-Related Purposes. –

...

d. The Towns of Cornelius, Davidson, and Huntersville shall distribute to the Lake Norman Convention and Visitors Bureau from the portion of prepared food and beverage taxes received from the City of Charlotte for the purpose of tourism-marketing promotions an amount not less than the sum of the following:

1. Twenty-eight percent (28%) of the portion of occupancy tax net proceeds received from the local administrative authority.

2. Twenty-five percent (25%) of the portion of prepared food and beverage taxes received from the City of Charlotte."

SECTION 2. This act is effective when it becomes law.

HOUSE BILL 508:
Modify Mecklenburg County Local Taxes

2011-2012 General Assembly

Committee:	Senate Finance	**Date:**	June 15, 2011
Introduced by:	Reps. Earle, R. Moore, Samuelson	**Prepared by:**	Dan Ettefagh
Analysis of:	PCS (H508-CSMC-17)		Committee Counsel

SUMMARY: House Bill 508, as originally introduced, would codify the interlocal agreement between the Lake Norman Convention and Visitors Bureau ("LNCVB") and the Towns of Cornelius, Davidson, and Huntersville ("the Towns"). The PCS for House Bill 508 provides substantially the same amount of revenue to the LNCVB by requiring the towns to distribute to the LNCVB for tourism-marketing promotions from the prepared food and beverage taxes (PFT) received from Charlotte an amount not less than 28% of the occupancy taxes received from Mecklenburg County plus 25% of the PFT received from Charlotte.

CURRENT LAW: Under current law, there has been authorized and put into place an occupancy tax (at a collective rate of 8%) and a prepared food and beverage tax (at a rate of 1%)[1] for Mecklenburg County, which collects and administers these taxes. By an enactment of the General Assembly, the county, the City of Charlotte, and the Towns of Cornelius, Davidson, Huntersville, Mint Hill, Pineville, and Matthews have provided for the distribution of the proceeds of these county taxes. With respect to the LNCVB, the interlocal agreement with the Towns requires the Towns to remit 28% of the occupancy taxes received from Mecklenburg County and 25% of the prepared food and beverage tax received from the City of Charlotte to the LNCVB.

BILL ANALYSIS: This bill would not affect the distributions between Mecklenburg County, Charlotte, and the Towns. In addition, the bill would require substantially the same amount of money to be distributed by the Towns to the LNCVB; however, it would modify the source of those funds by replacing the interlocal agreement requirement of 28% of the occupancy tax and 25% of the prepared food and beverage tax remitted by the Towns to the LNCVB with a requirement that the Towns distribute to the LNCVB at least that same amount from the PFT for tourism-marketing promotions.

EFFECTIVE DATE: This act is effective when it becomes law.

BACKGROUND: The interlocal agreements distributing the county taxes have been modified multiple times as the proceeds have increased, new local taxes with dedicated revenue streams have been authorized, and as the towns located in Mecklenburg County have desired to work on projects and necessary promotions that were regionally or municipality-specific. The Towns entered into an interlocal agreement with the LNCVB, a State-chartered board with representatives appointed by and from the Towns.

H508-SMMC-7(e2) v1

[1] These taxes were authorized at three separate times: a 3% occupancy tax for Mecklenburg County was authorized in 1983 for promoting travel and tourism in Mecklenburg County; a 3% occupancy tax and a 1% prepared food and beverage tax was authorized in 1989 for the Charlotte Convention Center; and a 2% occupancy tax was authorized in 2005 for the NASCAR Hall of Fame.

HOUSE BILL 573

A BILL TO BE ENTITLED

AN ACT TO REMOVE FROM THE CORPORATE LIMITS OF THE CITY OF RALEIGH AND ANNEX TO THE CORPORATE LIMITS OF THE TOWN OF WAKE FOREST PART OF THE RIGHT-OF-WAY OF THE HIGHWAY 98 BYPASS IN WAKE FOREST TOWNSHIP, AS REQUESTED BY THOSE MUNICIPALITIES.

The General Assembly of North Carolina enacts:

SECTION 1. The corporate limits of the City of Raleigh are reduced by removing the following described area:

BEGINNING at a corner in the southeastern right-of-way of Old NC 98 (State Road (SR) 1967), said point identified on Sheet 8 of NCDOT Project R-2809A as -Y2- 21+20/20 (65.62') (Right) and common with the northern corner of the "50' Average Width Natural Protective Yard" of Cedar Grove Phase 2 at Wakefield Plantation as described in Book of Maps 2005 Page 858, Wake County Registry (WCR), thence at a right angle from said corner N 33° 58' 18" W 100.62 Feet to a point in the old southeastern right-of-way of the Old NC 98 Highway, said point being on the Annexation Ordinance (1995)-700 line, thence following said right-of-way along said line, N 68° 47' 19" E 110.08 Feet more or less, thence leaving said right-of-way and following a line common with Book of Maps 1997 Page 124 WCR; S 61° 36' 37" E 1384.65 Feet to a point, thence following a line common with the Town of Wake Forest Line (Annexation Ordinance # 88-32) and Book of Maps 1989 Page 1633 WCR and Book of Maps 1990 Page 1192 WCR; S 61° 38' 39" E 481.00 Feet, thence S 54° 25' 06" E 420.20 Feet, thence S 54° 24' 58" E 1554.66 Feet to a point inside the right-of-way of NC 98 (Dr. Calvin Jones Highway), thence leaving the aforementioned ordinance lines and following Sheet 11 of NCDOT project R-2809A; West by North 85 Feet more or less to a point identified as -L-(R-2809B) 31+80/23.000 (75.46') (Right), said point being in the southwestern right-of-way of NC 98 (Dr. Calvin Jones Highway) thence following Book of Maps 2000 Page 2220 along said right-of-way N 81° 16' 23" W 131.18 Feet, thence along a curve to the right with a Radius of 1369.98 Feet, a Length of 486.87 Feet, and a chord of N 72° 05' 08" W 484.32 Feet, thence N 58° 50'33" W 129.00 Feet to a corner with the southeastern right-of-way of Wakefield Plantation Drive, thence crossing said drive and following Book of Maps 2000 Page 871-872; N 58° 50' 33" W 87.03 Feet, thence N 57° 16' 24" W 1.12 Feet to a corner with the northwestern right-of-way of Wakefield Plantation Drive, said corner being a "Control Corner" in the northeastern corner of Cedar Grove Phase 1 Wakefield Plantation as described in Book of Maps 2004 Page 1249, thence following said reference, N 57° 14' 57" W 1639.82 Feet, thence following Book of Maps 2005 Page 858; N 57 ° 14' 57" W 596.53 Feet, thence N 54° 53' 45" W 323.91 Feet, thence along a curve the right with a Radius of 1371.39 Feet, a Length of 276.32 Feet and a Chord of N 44° 30' 52" W 275.85 Feet, thence N 72° 21' 29" W 90.25 Feet to

the Point of BEGINNING, containing 21 Acres more or less and located in Wake Forest Township, Wake County.

SECTION 2. The corporate limits of the Town of Wake Forest are increased by adding the territory described in Section 1 of this act.

SECTION 3. This act becomes effective June 30, 2011.

HOUSE BILL 573:
Raleigh/Wake Forest Boundary

2011-2012 General Assembly

Committee:	Senate Finance	**Date:**	June 14, 2011
Introduced by:	Rep. Avila	**Prepared by:**	Greg Roney Committee Counsel
Analysis of:	Second Edition		

SUMMARY: ***House Bill 573 removes 21 acres from the City of Raleigh and adds the area to the Town of Wake Forest.***

CURRENT LAW: Under Section 1 of Article VII of the N.C. Constitution, the General Assembly is empowered to "provide for the organization and government and the fixing of boundaries of counties, cities and towns, and other governmental subdivisions, and, except as otherwise prohibited by this Constitution, may give such powers and duties to counties, cities and towns, and other governmental subdivisions as it may deem advisable."

The General Assembly enacted Article 4A of Chapter 160A of the General Statutes, authorizing municipalities to enact ordinances to add territory to their municipal limits by annexation.

The General Assembly has not enacted any method for municipalities to remove an area from its limits – that power remains with the General Assembly.

BILL ANALYSIS: House Bill 573 would deannex a described 21-acre area from the City of Raleigh, and add the same area to the Town of Wake Forest.

BACKGROUND: House Bill 573 would place a 21-acre corridor of Highway 98 Bypass into Wake Forest, giving Wake Forest jurisdiction over the entire Highway 98 Bypass for police and rescue services.

EFFECTIVE DATE: This act is effective June 30, 2011.

Giles S. Perry, counsel to House Government, substantially contributed to this summary.

HOUSE BILL 518
Committee Substitute Favorable 6/1/11

Short Title: Authorize Add'l Person County Occupancy Tax. (Local)

Sponsors:

Referred to:

March 30, 2011

A BILL TO BE ENTITLED

AN ACT TO AUTHORIZE AN ADDITIONAL ONE PERCENT OCCUPANCY TAX FOR PERSON COUNTY.

The General Assembly of North Carolina enacts:

SECTION 1. Section 14 of S.L. 1997-364 reads as rewritten:

"Section 14. Person County occupancy tax. (a) Authorization and scope. – The Person County Board of Commissioners may levy a room occupancy tax of up to five percent (5%) of the gross receipts derived from the rental of any room, lodging, or accommodation furnished by a hotel, motel, inn, tourist camp, or similar place within the county that is subject to sales tax imposed by the State under G.S. 105-164.4(a)(3).

This tax is in addition to any State or local sales tax. This tax does not apply to accommodations furnished by nonprofit charitable, educational, or religious organizations when furnished in furtherance of their nonprofit purpose.

(a1) Authorization of Additional Tax. – In addition to the tax authorized by subsection (a) of this section, the Person County Board of Commissioners may levy an additional room occupancy tax of up to one percent (1%) of the gross receipts derived from the rental of accommodations taxable under subsection (a) of this section. The levy, collection, administration, and repeal of the tax authorized by this subsection shall be in accordance with the provisions of this section. Person County may not levy a tax under this subsection unless it also levies the tax authorized under subsection (a) of this section.

(b) Administration. – Except as otherwise provided in this section, a tax levied under this section shall be levied, administered, collected, and repealed as provided in G.S. 153A-155. The penalties provided in G.S. 153A-155 apply to a tax levied under this section.

(c) Distribution and use of tax revenue. – Person County shall, on a quarterly basis, remit the net proceeds of the occupancy tax to the Person Tourism Development Authority. ~~Of the net proceeds that accrue during the first four years that a tax is levied under this section, the Authority may use up to two-thirds only for the following tourism-related expenditures: (i) constructing or operating the Person County Historical Museum, (ii) developing Lake Mayo for fishing tournaments, skiing tournaments, and other activities designed to attract tourists to the lake from outside the county, and (iii) supporting the May Festival and other festivals designed to attract tourists from outside the county. The Authority shall use the remaining net proceeds that accrue during the first four years that a tax is levied under this section only to promote travel and tourism in Person County.~~

~~Of the net proceeds that accrue after this four year period, the~~ The Authority shall use at least two-thirds of the funds remitted to it under this subsection to promote travel and tourism in Person County and shall use the remainder for tourism-related expenditures.

The following definitions apply in this subsection:

(1) Net proceeds. – Gross proceeds less the cost to the county of administering and collecting the tax, as determined by the finance officer, not to exceed three percent (3%) of the gross proceeds.

(2) Promote travel and tourism. – To advertise or market an area or activity, publish and distribute pamphlets and other materials, conduct market research, or engage in similar promotional activities that attract tourists or business travelers to the area; the term includes administrative expenses incurred by the Authority in engaging in the listed activities.

(3) Tourism-related expenditures. – Expenditures that, in the judgment of the Authority, are designed to increase the use of lodging facilities, meeting facilities, and convention facilities in a county or to attract tourists or business travelers to the county. The term includes tourism-related capital expenditures."

SECTION 2. This act is effective when it becomes law.

HOUSE BILL 518:
Authorize Add'l Person County Occupancy Tax

2011-2012 General Assembly

Committee:	Senate Finance	**Date:**	June 14, 2011
Introduced by:	Rep. Wilkins	**Prepared by:**	Trina Griffin
Analysis of:	Second Edition		Committee Counsel

SUMMARY: ***House Bill 518 would authorize Person County to levy an additional 1% room occupancy tax, and it deletes unnecessary language relating to how the proceeds of the existing 5% tax were to be spent during the first four years of levy. This bill conforms to the guidelines supported by the North Carolina Travel and Tourism Coalition and adhered to by the House Finance Committee.***

CURRENT LAW: In 1997, the General Assembly authorized Person County to levy a room occupancy tax of up to 5%. The net proceeds are required to be distributed to the Person County Tourism Development Authority. The legislation provided that during the first four years of levy, the net proceeds were to be used as follows:

- Up to 2/3 may be used only for the following tourism-related expenditures:
  - Constructing or operating the Person County Museum of History.
  - Developing Lake Mayo for fishing tournaments, skiing tournaments, and other activities designed to attract tourists to the lake from outside the county.
  - Supporting the May Festival and other festivals designed to attract tourists from outside the county.
- The remainder must be used to promote travel and tourism in Person County.

After the first four years, at least two-thirds of the funds must be used for tourism promotion and the remainder for tourism-related expenditures.

BILL ANALYSIS: The PCS would authorize Person County to levy an additional 1% room occupancy tax. It also deletes language referring to the use of the proceeds during the first four years of the levy of the existing 5% tax since that time period has expired. The net proceeds of the additional 1% would be used in the same manner as the existing 5%, which is in accordance with the House Finance guidelines for occupancy tax: at least two-thirds for tourism promotion and the remainder for tourism-related expenditures.

EFFECTIVE DATE: This act is effective when it becomes law.

BACKGROUND: Since 1983, the General Assembly has authorized many units of local government to levy a room occupancy tax. Over the past several years, there has been a greater effort to make the occupancy taxes uniform. In 1997, the General Assembly enacted uniform municipal and county administrative provisions for occupancy tax,[1] which provide uniformity among counties and cities with respect to the levy, administration, collection, repeal, and imposition of penalties.

In 1993, the House Finance Committee established the Occupancy Tax Guidelines, which address the rate of tax, the use of the tax proceeds, the administration of the tax, and the body with authority to determine how the proceeds will be spent. A summary of these provisions is detailed in the chart below. Many of the principles contained in the Guidelines are similar to those contained in policy statements

[1] G.S. 153A-155 and G.S. 160A-215.

adopted by the North Carolina Travel and Tourism Coalition and the North Carolina Restaurant and Lodging Association. The House Finance Committee Chairs have traditionally appointed a Subcommittee on Occupancy Taxes to scrutinize occupancy tax legislation to determine whether the legislation adheres to the Guidelines. The House Finance Chairs appointed Representatives McGee, Cotham, Carney, Moffitt, and Warren to be members of the House Finance Subcommittee on Occupancy Taxes this biennium.

UNIFORM OCCUPANCY TAX PROVISIONS
Rate – The county tax rate cannot exceed 6% and the city tax rate, when combined with the county rate, cannot exceed 6%.
Use – Two-thirds of the proceeds must be used to promote travel and tourism and the remainder must be used for tourism related expenditures.
Definitions The term "net proceeds", "promote travel and tourism", and "tourism related expenditures" are defined terms.
Administration – The net revenues must be administered by a local tourism development authority that has the authority to determine how the tax proceeds will be used, is created by a local ordinance, and at least 1/2 of the members must be currently active in the promotion of travel and tourism in the county and 1/3 of the members must be affiliated with organizations that collect the tax.
Costs of Collection – The taxing authority may retain from the revenues its actual costs of collection, not to exceed 3% of the first $500,000 collected each year plus 1% of the remainder collected each year.

A BILL TO BE ENTITLED

AN ACT TO MODIFY AND EXPAND THE DUTIES OF THE JOINT LEGISLATIVE ECONOMIC DEVELOPMENT OVERSIGHT COMMITTEE.

The General Assembly of North Carolina enacts:

SECTION 1. Article 12O of Chapter 120 of the General Statutes reads as rewritten:

"Article 12O.

"Joint Legislative Economic Development and Global Engagement Oversight Committee.

"**§ 120-70.130. Creation and membership of Joint Legislative Economic Development and Global Engagement Oversight Committee.**

The Joint Legislative Economic Development and Global Engagement Oversight Committee is established. The Committee consists of 12 members as follows:

(1) Six members of the Senate appointed by the President Pro Tempore of the Senate; and

(2) Six members of the House of Representatives appointed by the Speaker of the House of Representatives.

Terms on the Committee are for two years and begin on the convening of the General Assembly in each odd-numbered year, except the terms of the initial members, which begin on appointment and end on the day of the convening of the 2007 General Assembly. Members may complete a term of service on the Committee even if they do not seek reelection or are not reelected to the General Assembly, but resignation or removal from service in the General Assembly constitutes resignation or removal from service on the Committee.

A member continues to serve until a successor is appointed. A vacancy shall be filled by the officer who made the original appointment.

"**§ 120-70.131. Purpose and powers of Committee.**

(a) The Joint Legislative Economic Development and Global Engagement Oversight Committee shall examine, on a continuing basis, economic ~~growth and~~ development and global engagement issues and strategies in North Carolina in order to make ongoing recommendations to the General Assembly on ways to promote cost-effective economic development ~~initiatives.~~initiatives, economic growth, and stimulating job creation in the global economy. In this examination, the Committee may:

(1) Study the budgets, programs, and policies of the Department of Commerce, the North Carolina Partnership for Economic Development, and other State, regional, and local entities involved in economic development.

(2) Analyze legislation from other states regarding economic development.

(3) Analyze proposals produced by the Economic Development Board.
(4) Analyze North Carolina's current international activity in the business, State government, and education sectors.
(5) Analyze barriers to international trade that may be addressed by legislation.
(6) Explore ways to increase coordination, synchronization, and intercommunication between State and local governmental entities.
(7) Collect and analyze data on global business trends.
(8) Study foreign representation opportunities for North Carolina that could solicit, target, educate, and recruit international businesses to North Carolina.
(9) Analyze incentives designed to encourage small businesses to export goods and service solutions.
(10) Study methods for positioning North Carolina as a portal to North America for international trade.
(11) Explore opportunities to increase foreign direct investment in North Carolina.
(12) Study any other matters that the Committee considers necessary to fulfill its mandate.

(b) The Committee may make interim reports to the General Assembly on matters for which it may report to a regular session of the General Assembly. A report to the General Assembly may contain any legislation needed to implement a recommendation of the Committee.

"**§ 120-70.132. Organization of Committee.**

(a) The President Pro Tempore of the Senate and the Speaker of the House of Representatives shall each designate a cochair of the Joint Legislative Economic Development and Global Engagement Oversight Committee. The Committee shall meet upon the joint call of the cochairs.

(b) A quorum of the Committee is seven members. Only recommendations, including proposed legislation, receiving at least six affirmative votes may be included in a Committee report to the General Assembly. While in the discharge of its official duties, the Committee has the powers of a joint committee under G.S. 120-19 and G.S. 120-19.1 through G.S. 120-19.4.

(c) The cochairs of the Committee may call upon other knowledgeable persons or experts to assist the Committee in its work.

(d) Members of the Committee shall receive subsistence and travel expenses as provided in G.S. 120-3.1, 138-5, or 138-6, as appropriate. The Committee may contract for consultants or hire employees in accordance with G.S. 120-32.02. The Legislative Services Commission, through the Legislative Services Officer, shall assign professional staff to assist the Committee in its work. Upon the direction of the Legislative Services Commission, the Supervisors of Clerks of the Senate and of the House of Representatives shall assign clerical staff to the Committee. The expenses for clerical employees shall be borne by the Committee."

SECTION 2. This act is effective when it becomes law.

A BILL TO BE ENTITLED

AN ACT TO (1) INCREASE THE AMOUNT OF THE BOND REQUIRED UPON REGISTRATION IN ORDER TO DRILL FOR OIL OR NATURAL GAS IN THE STATE; (2) INCREASE THE AMOUNT OF FEES APPLICABLE TO DRILLING AND ABANDONING OIL OR GAS WELLS; (3) ESTABLISH PROVISIONS FOR THE PROTECTION OF LANDOWNERS RELATIVE TO LEASES FOR OIL AND GAS EXPLORATION; (4) DIRECT THE DEPARTMENT OF ENVIRONMENT AND NATURAL RESOURCES TO STUDY THE ISSUE OF OIL AND GAS EXPLORATION IN THE STATE, AND SPECIFICALLY THE USE OF DIRECTIONAL AND HORIZONTAL DRILLING AND HYDRAULIC FRACTURING FOR THAT PURPOSE; (5) DIRECT THE DEPARTMENT OF ENVIRONMENT AND NATURAL RESOURCES TO CONDUCT AT LEAST TWO PUBLIC HEARINGS ON THE ISSUE IN THE AREA IN WHICH EXPLORATION FOR NATURAL GAS BY MEANS OF DIRECTIONAL AND HORIZONTAL DRILLING AND HYDRAULIC FRACTURING MAY OCCUR; AND (6) APPROPRIATE THE SUM OF ONE HUNDRED THOUSAND DOLLARS TO THE DEPARTMENT FOR THE CONDUCT OF THE STUDY AND THE HEARINGS.

The General Assembly of North Carolina enacts:

SECTION 1. G.S. 113-378 reads as rewritten:

"**§ 113-378. Persons drilling for oil or gas to register and furnish bond.**

Any person, firm or corporation before making any drilling exploration in this State for oil or natural gas shall register with the Department of Environment and Natural ~~Resources or such other State agency as may hereafter be established to control the conservation of oil or gas in this State.~~Resources. To provide for such registration, the drilling operator must furnish the name and address of such person, firm or corporation, and the location of the proposed drilling operations, and file with the ~~aforesaid~~ Department a bond in ~~the~~ an amount totaling the sum of~~f~~ (i) five thousand dollars ($5,000) plus (ii) one dollar ($1.00) per linear foot proposed to be drilled for the well. ~~($5,000) running to the State of North Carolina, conditioned that any~~ Any well opened by the drilling operator ~~upon abandonment~~ shall be plugged upon abandonment in accordance with the rules of ~~said~~ the Department."

SECTION 2. G.S. 113-395 reads as rewritten:

"**§ 113-395. Notice and payment of fee to Department before drilling or abandoning well; plugging abandoned well.**

Before any well, in search of oil or gas, shall be drilled, the person desiring to drill the same shall notify the Department upon such form as it may prescribe and shall pay a fee of ~~fifty~~ three thousand dollars ~~($50.00)~~($3,000) for each well. The drilling of any well is hereby prohibited until such notice is given and such fee has been paid and permit granted.

Each abandoned well and each dry hole ~~promptly~~ shall be plugged promptly in the manner and within the time required by rules ~~to be~~ prescribed by the Department, and the owner of such well shall give notice, upon such form as the Department may prescribe, of the abandonment of each dry hole and of the owner's intention to abandon, and shall pay a fee of ~~fifteen~~ four hundred fifty dollars ~~($15.00)~~($450.00). No well shall be abandoned until such notice has been given and such fee has been paid."

SECTION 3.(a) G.S. 113-389 reads as rewritten:

"**§ 113-389. Definitions.**

Unless the context otherwise requires, the words defined in this section shall have the following meaning when found in this law:

...

(7a) "Oil and gas developer or operator" or "developer or operator" shall mean a person who acquires a lease for the purpose of conducting exploration for or extracting oil or gas.

(7b) "Oil and gas operations" or "activities" shall mean the exploration for or drilling of an oil and gas well that requires entry upon surface estate and the production operations directly related to the exploration or drilling.

...

(15) "Surface owner" means the person who holds record title to or has a purchaser's interest in the surface of real property.

...."

SECTION 3.(b) Article 27 of Chapter 113 of the General Statutes is amended by adding a new Part to read:

"Part 3. Landowner Protection.

"**§ 113-420. Notice and entry to property.**

(a) If an oil and gas developer or operator is not the surface owner of the property on which oil and gas operations are to occur, before entering the property for oil and gas operations that do not disturb the surface, including inspections, staking, surveys, measurements, and general evaluation of proposed routes and sites for oil and gas drilling operations, the developer or operator shall give written notice to the surface owner at least seven days before the desired date of entry to the property. Notice shall be given by certified mail, return receipt requested. The requirements of this subsection may not be waived by agreement of the parties. The notice, at a minimum, shall include all of the following:

(1) The identity of person(s) requesting entry upon the property.

(2) The purpose for entry on the property.

(3) The dates, times, and location on which entry to the property will occur, including the estimated number of entries.

(b) If an oil and gas developer or operator is not the surface owner of the property on which oil and gas operations are to occur, before entering the property for oil and gas operations that disturb the surface, the developer or operator shall give written notice to the surface owner at least 14 days before the desired date of entry to the property. Notice shall be given by certified mail, return receipt requested. The notice, at a minimum, shall include all of the following:

(1) A description of the exploration or development plan, including, but not limited to (i) the proposed locations of any roads, drill pads, pipeline routes, and other alterations to the surface estate and (ii) the proposed date on or after which the proposed alterations will begin.

(2) An offer of the oil and gas developer or operator to consult with the surface owner to review and discuss the location of the proposed alterations.

(3) The name, address, telephone number, and title of a contact person employed by or representing the oil or gas developer or operator who the surface owner may contact following the receipt of notice concerning the location of the proposed alterations.

(c) If the oil and gas developer or operator fails to give notice as provided in this section, the surface owner may seek appropriate relief in the superior court for the county in which the oil or gas well is located and may receive actual damages.

"**§ 113-421. Compensation for damages.**

(a) The oil and gas developer or operator shall be obligated to pay the surface owner compensation for all of the following:

(1) Any damage to a water supply in use prior to the commencement of the activities of the developer or operator which is due to those activities.

(2) The cost of repair of personal property of the surface owner, which personal property is damaged due to activities of the developer or operator, up to the value of replacement by personal property of like age, wear, and quality.

(b) When compensation is required, the surface owner shall have the option of accepting a one-time payment or annual payments for a period of time not less than 10 years.

(c) The surface owner has the right to seek damages pursuant to this section in the superior court for the county in which the oil or gas well is located. The superior court for the county in which the oil or gas well is located has jurisdiction over all proceedings brought pursuant to this section. If the surface owner or the surface owner's assignee is the prevailing party in an action to recover unpaid royalties, the court shall award any court costs and reasonable attorneys' fees to the surface owner or the surface owner's assignee.

(d) Conditions precedent, notice provisions, or arbitration clauses included in lease documents that have the effect of limiting access to the superior court in the county in which the oil or gas well is located are void and unenforceable.

"**§ 113-422. Indemnification.**

An oil or gas developer or operator shall indemnify a surface owner for damage to property that is adjacent to property on which drilling occurs, as well as adjacent infrastructure, and wells.

"**§ 113-423. Maximum lease terms.**

Any lease of oil or gas rights or any other conveyance of any kind separating rights to oil or gas from the freehold estate of surface property shall expire at the end of 10 years from the date the lease is executed, unless, at the end of the 10-year period, oil or gas is being produced for commercial purposes from the land to which the lease applies. If, at any time after the 10-year period, commercial production of oil or gas is terminated for a period of six months or more, all rights to the oil or gas shall revert to the surface owner of the property to which the lease pertains. No assignment or agreement to waive the provisions of this subsection shall be valid or enforceable. As used in this subsection, the term "production" includes the actual production of oil or gas by a lessee, or when activities are being conducted by the lessee for injection, withdrawal, storage, or disposal of water, gas, or other fluids, or when rentals or royalties are being paid by the lessee.

"**§ 113-424. Applicability; effect.**

This Part applies to leases or contracts, and amendments to leases or contracts, entered into on or after June 15, 2011."

SECTION 4. The Department of Environment and Natural Resources, the Department of Commerce as specifically directed by subdivision (5) of this section, and the Consumer Protection Division of the Department of Justice as specifically directed by subdivision (8) of this section shall study the issue of oil and gas exploration in the State and

the use of directional and horizontal drilling and hydraulic fracturing for that purpose. The Department of Environment and Natural Resources, in conjunction with the Department of Commerce and the Consumer Protection Division of the Department of Justice, shall report their findings and recommendations, including specific legislative proposals, to the Environmental Review Commission no later than May 1, 2012. At a minimum, the study shall include information on the following:

(1) Oil and gas resources present in the Triassic Basins and in any other areas of the State.

(2) Methods of exploration and extraction of oil and gas, including directional and horizontal drilling and hydraulic fracturing.

(3) Potential impacts on infrastructure, including roads, pipelines, and water and wastewater services. In analyzing potential impacts, the Department shall specifically examine the expected water usage from hydraulic fracturing, water resources in the area in which drilling may occur, as well as existing water users in the area that may be impacted by increased consumption of water for use in hydraulic fracturing.

(4) Potential environmental impacts, including constituents or contaminants that may be present in the fluid used in the hydraulic fracturing process; the potential for the contamination of nearby wells and groundwater, as well as the options for disposal and reuse of the wastewater produced; stormwater management; the potential for emission of toxic air pollutants; impacts on wildlife; management and reclamation of drilling sites, including orphaned sites; management of naturally occurring radioactive materials (NORM) generated by the drilling and production of natural gas; and the potential for seismic activity in the area in which drilling may occur. In examining this issue, the Department shall formulate regulatory requirements advisable to address potential environmental impacts and in doing so shall gather information on regulatory programs in other states where oil and gas exploration or extraction is occurring, particularly with regard to the use of hydraulic fracturing for that purpose.

(5) Potential economic impacts, including possible sources of revenue that could accrue to the benefit of the State in the event that drilling for oil or natural gas were to take place in the State. In examining this issue, the Department of Commerce, in consultation with the Department of Environment and Natural Resources, shall gather information on (i) the number of jobs that may be expected as a result from drilling activities in the State and (ii) what severance taxes, fees, royalties, bonds, or assessments may be appropriate in connection with the activity. For any sources of revenue that may be anticipated, the Department of Commerce, in consultation with the Department of Environment and Natural Resources, shall evaluate use of the revenue for the following purposes: funds necessary to implement an oil and gas regulatory program; funds dedicated to the conservation and preservation of land and water resources; funds dedicated to remediation of environmental contamination such as the Inactive Hazardous Sites Cleanup Fund; and funds dedicated to improving water and wastewater infrastructure across the State.

(6) Potential social impacts, including impacts of drilling operations on nearby communities and quality of life within those communities, recreational activities, and commercial and residential development.

(7) Potential oversight and administrative issues associated with an oil and gas regulatory program, including statutory authority necessary for

implementation of such a program; funding requirements necessary to implement a stable and effective program; criteria for permit issuance or denial; frequency and scope of inspections; compliance and enforcement procedures; coordination of agency involvement to ensure efficient permitting and clear delineation of compliance responsibilities; opportunities for public participation; and data management.

(8) Consumer protection and legal issues relevant to oil and gas exploration in the State, including matters of contract and property law, mineral leases, and landowner rights. In examining these issues, the Consumer Protection Division of the Department of Justice, in consultation with the Department of Environment and Natural Resources, shall specifically examine appropriate provisions on recommended disclosures to landowners, compensation for damages, payment of royalties, and remedies for breach, and any other matters the Division deems relevant. The Division shall also study such issues in consultation with the Rural Advancement Foundation International (RAFI).

(9) Any other pertinent issues that the Department deems relevant to oil and gas exploration in the State and the use of hydraulic fracturing for that purpose.

SECTION 5. By February 1, 2012, the Department of Environment and Natural Resources shall hold at least two public hearings at separate locations within the Triassic Basin on the issue of drilling for natural gas by means of directional and horizontal drilling and hydraulic fracturing. The public hearings shall be conducted in order to promote awareness of the issue generally and inform and consult with the public and user groups on potential environmental impacts, potential regulatory controls, potential economic impacts, and consumer protection issues, including landowner rights and mineral leases. In developing the consumer protection portion of the public hearings, the Department shall consult with the Consumer Protection Division of the North Carolina Department of Justice and the Rural Advancement Foundation International (RAFI).

SECTION 6. There is appropriated from the General Fund to the Department of Environment and Natural Resources the sum of one hundred thousand dollars ($100,000) for the 2011-2012 fiscal year to complete the study and conduct the public hearings required by this act.

SECTION 7. This act is effective when it becomes law.

HOUSE BILL 242:
Nat. Gas/Bond/Fee/Landowner Protect'n/Study

2011-2012 General Assembly

Committee:	Senate Finance	**Date:**	June 15, 2011
Introduced by:	Reps. Stone, Gillespie	**Prepared by:**	Jennifer McGinnis
Analysis of:	Fifth Edition		Committee Counsel

SUMMARY: ***House Bill 242 would: (1) increase the amount of the bond required upon registration in order to drill for oil or natural gas in the State; (2) increase the amount of fees applicable to drilling and abandoning oil or gas wells; (3) direct the Department of Environment and Natural Resources (DENR) and other entities to study the issue of oil and gas exploration in the State; (4) direct DENR to conduct at least two public hearings on the issue in the area in which drilling for natural gas by means of directional and horizontal drilling and hydraulic fracturing may occur; (5) establish certain protections for owners of land on which drilling or exploration for oil or gas may occur, (6) appropriate $100,000 to DENR in order to conduct the study and the public hearings, (7) directs the Department of Commerce to study issues related to potential economic impacts if drilling for oil or natural gas were to take place in the State, including possible sources of revenue that could accrue to the benefit of the State; (8) Directs the Consumer Protection Division of the Department of Justice to study consumer protection and legal issues associated with drilling for oil or natural gas; and (9) adds provisions related to landowner protection and leases for the drilling of oil or gas.***

BACKGROUND: Several years ago the North Carolina Geological Survey recognized thick sections of organic shale located in the State (Triassic Strata of the Deep River Basin – Lee and Chatham, Counties) as a potential gas resource. Modern exploration and gas production technology, such as horizontal drilling and hydraulic-fracturing, has enabled the extraction of shale gas in similar formations in other states. The use of hydraulic fracturing involves drilling a well and injecting drilling fluids under pressure to fracture the shale rock and release the gas. Drilling fluids are mostly made up of water, but also include other chemicals; the exact makeup of the drilling fluids varies from company to company.

CURRENT LAW: Article 27 of Chapter 113 of the General Statutes governs drilling and exploration for oil and gas in the State. This Article, which was originally enacted in 1945, among other things, requires posting of a bond and payment of a permit fee prior to drilling.

The General Statutes currently prohibit horizontal drilling[1] and injection of any wastes to the subsurface or groundwaters of the State by means of wells[2]. State rules also specifically prohibit use or operation of a storage related injection well and injection of fluids for oil and gas production. These restrictions have been in place for a number of years and were not developed with hydraulic fracturing in mind.

BILL ANALYSIS: The bill would –

- Increase the amount of the bond required upon registration in order to drill for oil or natural gas in the State from a flat amount of $5,000 to $5,000 **plus** $1.00 per linear foot proposed to be drilled for the well.
- Increase the amount of fees applicable to drilling (from $50 to $3,000) and abandoning (from $15 to $450) oil or gas wells.

[1] G.S. 113-393
[2] G.S. 143-214.2(b)

- Direct DENR to study a number of issues pertaining to oil and gas exploration in the State, and specifically the use of directional and horizontal drilling and hydraulic fracturing for that purpose. At a minimum, the issues would include: oil and gas reserves present in the State; methods of exploration for oil and gas, including directional and horizontal drilling and hydraulic fracturing; and potential environmental and social impacts, as well as impacts on infrastructure, which may arise from drilling by means of hydraulic fracturing. The Consumer Protection Division of the Department of Justice would be tasked with studying relevant consumer protection and legal issues. The Department of Commerce would be directed to study potential economic impacts that may arise from drilling by means of hydraulic fracturing. These entities would be required to report their findings and recommendations, including specific legislative proposals, to the Environmental Review Commission no later than May 1, 2012.
- Direct DENR to conduct at least two public hearings by February 1, 2012, on the issue in the area in which drilling for natural gas by means of directional and horizontal drilling and hydraulic fracturing may occur in order to promote awareness of the issue generally and inform and consult with the public and user groups on: potential environmental impacts, potential regulatory controls, potential economic impacts, and consumer protection issues, including landowner rights and mineral leases.
- Appropriate $100,000 to DENR in order to conduct the study and the public hearings.
- Creates a new Part in the Article governing drilling and exploration for oil and gas that would establish certain protections for owners of land on which drilling or exploration for oil or gas may occur (surface owners), including: notice requirements for entry to such property; required compensation that an oil and gas developer must pay a surface owner for damages resulting from drilling activities on the property; indemnification of the surface owner for damages caused by drilling activities to adjacent properties; and establishment of maximum lease terms. These provisions would apply to leases or contracts, and amendments to leases or contracts, entered into on or after June 15, 2011.

EFFECTIVE DATE: The bill would become effective when it becomes law.

H242-SMRI-47(e5) v1

GENERAL ASSEMBLY OF NORTH CAROLINA
SESSION 2011

H D

HOUSE BILL 289
Committee Substitute Favorable 5/18/11
Committee Substitute #2 Favorable 6/7/11
PROPOSED SENATE COMMITTEE SUBSTITUTE H289-CSSVf-37 [v.3]

6/14/2011 11:46:01 AM

Short Title: Authorize Various Special Plates. (Public)

Sponsors:

Referred to:

March 10, 2011

A BILL TO BE ENTITLED

AN ACT TO AUTHORIZE THE DIVISION OF MOTOR VEHICLES TO ISSUE VARIOUS SPECIAL REGISTRATION PLATES.

The General Assembly of North Carolina enacts:

SECTION 1. G.S. 20-63(b) reads as rewritten:

"(b) Every license plate must display the registration number assigned to the vehicle for which it is issued, the name of the State of North Carolina, which may be abbreviated, and the year number for which it is issued or the date of expiration. A plate issued for a commercial vehicle, as defined in G.S. 20-4.2(1), and weighing 26,001 pounds or more, must bear the word "commercial," unless the plate is a special registration plate authorized in G.S. 20-79.4 or the commercial vehicle is a trailer or is licensed for 6,000 pounds or less. The plate issued for vehicles licensed for 7,000 pounds through 26,000 pounds must bear the word "weighted," unless the plate is a special registration plate authorized in G.S. 20-79.4.

Except as otherwise provided in this subsection, a registration plate issued by the Division for a private passenger vehicle or for a private hauler vehicle licensed for 6,000 pounds or less shall be a "First in Flight" plate. A "First in Flight" plate shall have the words "First in Flight" printed at the top of the plate above all other letters and numerals. The background of the plate shall depict the Wright Brothers biplane flying over Kitty Hawk Beach, with the plane flying slightly upward and to the right. The following special registration plates do not have to be a "First in Flight" plate. The design of the plates that are not "First in Flight" plates must be approved by the Division and the State Highway Patrol for clarity and ease of identification.

(1) Friends of the Great Smoky Mountains National Park.
(2) Rocky Mountain Elk Foundation.
(3) Blue Ridge Parkway Foundation.
(4) Friends of the Appalachian Trail.
(5) NC Coastal Federation.
(6) In God We Trust.
(7) Stock Car Racing Theme.
(8) Buddy Pelletier Surfing Foundation.
(9) Guilford Battleground Company.
(10) National Wild Turkey Federation.

(11) North Carolina Aquarium Society.
(12) First in Forestry.
(13) North Carolina Wildlife Habitat Foundation.
(14) NC Trout Unlimited.
(15) Ducks Unlimited.
(16) Lung Cancer Research.
(17) NC State Parks.
(18) Support Our Troops.
(19) US Equine Rescue League.
(20) Fox Hunting.
(21) Back Country Horsemen of North Carolina.
(22) Hospice Care.
(23) Home Care and Hospice.
(24) NC Tennis Foundation.
(25) AIDS Awareness.
(26) Donate Life.
(27) Farmland Preservation.
(28) Travel and Tourism.
(29) Battle of Kings Mountain.
(30) NC Civil War.
(31) North Carolina Zoological Society.
(32) United States Service Academy.
(33) Carolina Raptor Center.
(34) Carolinas Credit Union Foundation.
(35) North Carolina State Flag.
(36) NC Mining.
(37) Coastal Land Trust.
(38) ARTS NC.
(39) Choose Life.
(40) Green Industry Council.
(41) Core Sound Waterfowl Museum and Heritage Center."

SECTION 2. G.S. 20-79.4 is amended by adding a new subsection to read:

"(a3) The Division shall develop, in consultation with the State Highway Patrol and the Department of Correction, a standardized format for special license plates. The format shall allow for the license plate number to be easily read by the human eye and by cameras installed along roadways as part of tolling and speed enforcement. A designated segment of the plate shall be set aside for unique design representing various groups and interests. Nothing in this subsection shall be construed to require the recall of existing special license plates."

SECTION 3. G.S. 20-79.4(b) reads as rewritten:

"(b) Types. – The Division shall issue the following types of special registration plates:

...

() American Red Cross. – Issuable to the registered owner of a motor vehicle in accordance with G.S. 20-81.12. The plate shall bear the phrase "American Red Cross Saving Lives" and a red cross.

...

() Arthritis Foundation. – Issuable to the registered owner of a motor vehicle in accordance with G.S. 20-81.12. The plate shall bear the phrase "Let's Move Together" and a logo selected by The Arthritis Foundation, Inc.

...

() ARTS NC. – Issuable to the registered owner of a motor vehicle in accordance with G.S. 20-81.12. The plate shall bear the phrase "The Creative State" with a logo designed by ARTS North Carolina, Inc.

...

() Armed Forces Expeditionary Medal Recipient. – Issuable to a recipient of the Armed Forces Expeditionary Medal. The plate shall bear the phrase "Armed Forces Expeditionary Medal" and a representation of the Armed Forces Expeditionary Medal. The Division may not issue the plate authorized by this subdivision unless it receives at least 300 applications for the plate.

...

(14) Autism Society of North Carolina. – Issuable to the registered owner of a motor vehicle in accordance with G.S. 20-81.12. The plate shall bear the phrase "Autism Society of North Carolina", ~~the phrase "Providing Support, Promoting Opportunities",~~ and the logo of the Autism Society.

...

() Battle of Kings Mountain. – Issuable to the registered owner of a motor vehicle in accordance with G.S. 20-81.12. The plate shall bear the phrase "Battle of Kings Mountain" with a representation of Kings Mountain on it.

...

() Blue Knights. – Issuable to a member of the Blue Knights International Law Enforcement Officers Motorcycle Club, Inc. The plate shall bear the emblem of the Blue Knights International Law Enforcement Officers Motorcycle Club, Inc. The Division must receive 300 or more applications for the plate before this plate may be developed. A person may obtain a special registration plate under this subdivision for a motor vehicle or motorcycle registered in that person's name. The registration fees and the restrictions on the issuance of a specialized registration plate for a motorcycle are the same as for any motor vehicle.

...

() Boy Scouts of America. – Issuable to the registered owner of a motor vehicle in accordance with G.S. 20-81.12. The plate shall bear the phrase "Boy Scouts of America" and an emblem representing the Boy Scouts of America.

...

() Brenner Children's Hospital. – Issuable to the registered owner of a motor vehicle in accordance with G.S. 20-81.12. The plate shall bear the emblem of Wake Forest University Baptist Medical Center's Brenner Children's Hospital.

...

(24) Buffalo Soldiers. – Issuable to the registered owner of a motor vehicle in accordance with G.S. 20-81.12. The plate shall bear the words "The Buffalo Soldiers" and the logo of the 9th & 10th (Horse) Cavalry Association of the Buffalo Soldiers ~~Greater~~ North Carolina Chapter ~~(BSGNCC).~~(BSNCC).

...

() Carolina Raptor Center. – Issuable to the registered owner of a motor vehicle in accordance with G.S. 20-81.12. The plate shall bear the words "Imagination in Flight" and the emblem of the Carolina Raptor Center.

...

() Carolina Regional Volleyball Association. – Issuable to the registered owner of a motor vehicle in accordance with G.S. 20-81.12. The plate shall bear a phrase and logo selected by the Association.

...

() Carolinas Credit Union Foundation. – Issuable to the registered owner of a motor vehicle in accordance with G.S. 20-81.12. The plate shall bear the phrase "Carolinas Credit Union Foundation" with an emblem of the Carolinas Credit Union Foundation, Inc.

...

() Carolinas Golf Association. – Issuable to the registered owner of a motor vehicle in accordance with G.S. 20-81.12. The plate shall bear the phrase "Carolinas Golf Association" and an emblem of the Carolinas Golf Association.

...

() Childhood Cancer Awareness. – Issuable to the registered owner of a motor vehicle. The plate shall bear the phrase "Childhood Cancer Hurts" beside the logo of a gold ribbon on the left side of the plate. The Division may not issue the plate authorized by this subdivision unless it receives at least 300 applications for the plate.

...

() Choose Life. – Issuable to a registered owner of a motor vehicle in accordance with G.S. 20-81.12. The plate shall bear the phrase "Choose Life."

...

() City/County Clerk. – Issuable to a clerk of a city or town governing board or a clerk of a county board of commissioners of a city or county in this State. For a city clerk, the plate shall bear the words "City Clerk" followed by a number representing the city clerk's city or town. The number of a city shall be the order of the city in an alphabetical list of cities that assigns number one to the first city in the list. For a county clerk, the plate shall bear the words "County Clerk" followed by a number representing the county clerk's county. The number of a county shall be the order of the county in an alphabetical list of counties that assigns number one to the first county in the list. The Division may not issue the plate authorized by this subdivision unless it receives at least 300 applications for the plate.

...

(27) Civic Club. – Issuable to a member of a nationally recognized civic organization whose member clubs in the State are exempt from State corporate income tax under G.S. 105-130.11(a)(5). Examples of these clubs include Jaycees, Kiwanis, Optimist, Rotary, Ruritan, and Shrine. The plate shall bear a word or phrase identifying the civic club and the emblem of the civic club. A person may obtain from the Division a special registration plate under this subdivision for the registered owner of a motor vehicle or a motorcycle. The registration fees and the restrictions on the issuance of a specialized registration plate for a motorcycle are the same as for any motor vehicle. The Division may not issue a civic club plate authorized by this subdivision unless it receives at least 300 applications for that civic club plate.

...

() Coastal Land Trust. – Issuable to the registered owner of a motor vehicle in accordance with G.S. 20-81.12. The plate shall bear the phrase "Coastal Land Trust" with a logo designed by the North Carolina Coastal Land Trust.

...

() Concerned Bikers Association/ABATE of North Carolina. – Issuable to the registered owner of a motor vehicle or a motorcycle in accordance with G.S. 20-81.12. The plate shall bear the Concerned Bikers Association logo with the phrase "Concerned Bikers Association." The Division must receive 300 or more applications for the plate before this plate may be developed. A person may obtain a special registration plate under this subdivision for a motor vehicle or motorcycle registered in that person's name. The registration fees and the restrictions on the issuance of a specialized registration plate for a motorcycle are the same as for any motor vehicle.

...

() Daniel Stowe Botanical Garden. – Issuable to the registered owner of a motor vehicle in accordance with G.S. 20-81.12. The plate shall bear the phrase "Daniel Stowe Botanical Garden" with a logo designed by the Daniel Stowe Botanical Garden Foundation, Inc.

...

() Donate Life. – Issuable to the registered owner of a motor vehicle in accordance with G.S. 20-81.12. The plate shall bear the phrase "Donate Life" with a logo designed by Donate Life North Carolina.

...

() Don't Tread on Me. – Issuable to a registered owner of a motor vehicle. The plate shall bear the phrase "Don't Tread on Me" under the representation of the Gadsden Flag. The Division may not issue the plate authorized by this subdivision unless it receives at least 300 applications for the plate.

...

() Farmland Preservation. – Issuable to the registered owner of a motor vehicle in accordance with G.S. 20-81.12. The plate shall bear a phrase and picture provided by the Department of Agriculture and Consumer Services appropriate to the subject of farmland preservation.

...

() First in Turf. – Issuable to the registered owner of a motor vehicle in accordance with G.S. 20-81.12. The plate shall bear the words "First in Turf."

...

() Girl Scouts. – Issuable to the owner of a registered vehicle in accordance with G.S. 20-81.12. The plate shall bear the phrase "Girl Scouts" with an emblem representing the Girl Scouts of the U.S.A.

...

() Green Industry Council. – Issuable to the registered owner of a motor vehicle in accordance with G.S. 20-81.12. The plate shall bear the letters "GIC" with a logo designed by the Green Industry Council.

...

() Greensboro Symphony Guild. – Issuable to the registered owner of a motor vehicle in accordance with G.S. 20-81.12. The plate shall bear the logo of the Greensboro Symphony Guild and the phrase "Music Matters".

...

() High Point Furniture Market 100th Anniversary. – Issuable to the registered owner of a motor vehicle. The plate shall bear the phrase "High Point Furniture Market 100th Anniversary" and the emblem of the High Point Market. The Division may not issue the plate authorized by this subdivision unless it receives at least 300 applications for the plate.

...

() Hollerin'. – Issuable to the registered owner of a motor vehicle. The plate shall bear the phrase "Hollerin'" under a representation of a person hollering on the left side of the plate. The Division may not issue the plate authorized by this subdivision unless it receives at least 300 applications for the plate.

...

() Home of American Golf. – Issuable to the registered owner of a motor vehicle in accordance with G.S. 20-81.12. The plate shall bear the phrase "Home of American Golf" and include the Pinehurst logo and a representation relating to golf.

...

() Jaycees. – Issuable to the registered owner of a motor vehicle in accordance with G.S. 20-81.12. The plate shall bear the phrase "Jaycees" and a logo designed by the North Carolina Jaycees.

...

() Kappa Alpha Order. – Issuable to the registered owner of a motor vehicle. The plate shall bear the fraternity's symbol and name. The Division may not issue the plate authorized by this subdivision unless it receives at least 300 applications for the plate.

...

() Legion of Merit. – Issuable to a recipient of the Legion of Merit award. The plate shall bear the emblem and name of the Legion of Merit decoration.

...

() Lifetime Sportsman. – Issuable to the registered owner of a motor vehicle. The plate shall bear a picture representing North Carolina Wildlife Resources Commission emblem for a "Lifetime Sportsman." The Division must receive 300 or more applications for a Lifetime Sportsman plate before the plate may be developed.

...

(83) Marine Corps League. – Issuable to a member of the Marine Corps League. The plate shall bear the words "Marine Corps League" or the letters "MCL" and the emblem of the Marine Corps League. The Division may not issue the plate authorized by this subdivision unless it receives at least ~~300~~ 150 applications for the plate.

...

() Mayor. – Issuable to the mayor of a municipality in this State. The plate shall bear the phrase "Mayor" and the letter "M" followed by a number that indicates the municipality the mayor serves. The number of a municipality shall be the order of the municipality in an alphabetical list of municipalities that assigns number one to the first municipality in the list, except that municipalities incorporated with an effective date after July 1, 2009, shall be placed at the end of the list in order of date of incorporation. The Division may not issue the plate authorized by this subdivision unless it receives at least 300 applications for the plate.

...

() Morgan Horse Club. – Issuable to the registered owner of a motor vehicle in accordance with G.S. 20-81.12. The plate shall bear a picture of a Morgan horse and bear the phrase "Morgan Horse".

...

() Mountains-to-Sea Trail. – Issuable to the registered owner of a motor vehicle in accordance with G.S. 20-81.12. The plate shall bear the phrase "Mountains-to-Sea Trail" with a background designed by the Friends of the Mountains-to-Sea Trail, Inc.

...

() Municipal Council. – Issuable to a municipal council member, commissioner, or alderman of a municipality in this State. The plate shall bear the words "Council Member," "Commissioner," or "Alderman," followed first by a number representing the council member's municipality and then by a letter or number that distinguishes plates issued to council members of the same municipality. The number of a municipality shall be the order of the municipality in an alphabetical list of municipalities that assigns number one to the first municipality in the list, except that municipalities incorporated with an effective date after July 1, 2009, shall be placed at the end of the list in order of date of incorporation. The Division may not issue the plate authorized by this subdivision unless it receives at least 300 applications for the plate.

...

() National Defense Service Medal. – Issuable to a recipient of the National Defense Service Medal. SECTION 6. G.S. 20-81.12(b2) reads as rewritten:

"(b2) State Attraction Plates. – The Division must receive 300 or more applications for a State attraction plate before the plate may be developed. The Division must transfer quarterly the money in the Collegiate and Cultural Attraction Plate Account derived from the sale of State attraction plates to the organizations named below in proportion to the number of State attraction plates sold representing that organization:

(1) Aurora Fossil Museum. – The revenue derived from the special plate shall be transferred quarterly to the Aurora Fossil Museum Foundation, Inc., to be

used for educational programs, for enhancing collections, and for operating expenses of the Aurora Fossil Museum.

~~(1)~~(2) Blue Ridge Parkway Foundation. – The revenue derived from the special plate shall be transferred quarterly to Blue Ridge Parkway Foundation for use in promoting and preserving the Blue Ridge Parkway as a scenic attraction in North Carolina. A person may obtain from the Division a special registration plate under this subdivision for the registered owner of a motor vehicle or a motorcycle. The registration fees and the restrictions on the issuance of a specialized registration plate for a motorcycle are the same as for any motor vehicle. The Division must receive a minimum of 300 applications to develop a special registration plate for a motorcycle.

~~(1e)~~(3) Friends of the Great Smoky Mountains National Park. – The revenue derived from the special plate shall be transferred quarterly to the Friends of the Great Smoky Mountains National Park, Inc., to be used for educational materials, preservation programs, capital improvements for the portion of the Great Smoky Mountains National Park that is located in North Carolina, and operating expenses of the Great Smoky Mountains National Park.

~~(1g)~~(4) Friends of the Appalachian Trail. – The revenue derived from the special plate shall be transferred quarterly to The Appalachian Trail Conference to be used for educational materials, preservation programs, trail maintenance, trailway and viewshed acquisitions, trailway and viewshed easement acquisitions, capital improvements for the portions of the Appalachian Trail and connecting trails that are located in North Carolina, and related administrative and operating expenses.

~~(1i)~~(5) North Carolina State Parks. – One-half of the revenue derived from the special plate shall be transferred quarterly to Natural Heritage Trust Fund established under G.S. 113-77.7, and the remaining revenue shall be transferred quarterly to the Parks and Recreation Trust Fund established under G.S. 113-44.15.

(6) "Old Baldy," Bald Head Island Lighthouse. – The revenue derived from the special plate shall be transferred quarterly to the Old Baldy Foundation, Inc., for its programs in support of the Bald Head Island Lighthouse.

~~(1j)~~(7) The North Carolina Aquariums. – The revenue derived from the special plate shall be transferred quarterly to the North Carolina Aquarium Society, Inc., for its programs in support of the North Carolina Aquariums.

~~(1m)~~(8) The North Carolina Arboretum. – The revenue derived from the special plate shall be transferred quarterly to The North Carolina Arboretum Society and used to help the Society obtain grants for the North Carolina Arboretum and for capital improvements to the North Carolina Arboretum.

~~(1p)~~(9) The North Carolina Maritime Museum. – The revenue derived from the special plate shall be transferred quarterly to Friends of the Museum, North Carolina Maritime Museum, Inc., to be used for educational programs and conservation programs and for operating expenses of the North Carolina Maritime Museum.

~~(1t)~~(10) The North Carolina Museum of Natural Sciences. – The revenue derived from the special plate shall be transferred quarterly to the Friends of the North Carolina State Museum of Natural Sciences for its programs in support of the museum.

~~(2)~~(11) The North Carolina Zoological Society. – The revenue derived from the special plate shall be transferred quarterly to The North Carolina Zoological

Society, Incorporated, to be used for educational programs and conservation programs at the North Carolina Zoo at Asheboro and for operating expenses of the North Carolina Zoo at Asheboro.

(12) U.S.S. North Carolina Battleship Commission. – The revenue derived from the special plate shall be transferred quarterly to the U.S.S. North Carolina Battleship Commission to be used for educational programs and preservation programs on the U.S.S. North Carolina (BB-55) and for operating expenses of the U.S.S. North Carolina Battleship Commission."

SECTION 7. G.S. 20-81.12 is amended by adding the following new subsections to read:

"(b73) American Red Cross. – The Division must receive 300 or more applications for an "American Red Cross" plate before the plate may be developed. The Division must transfer quarterly the money in the Collegiate and Cultural Attraction Plate Account derived from the sale of "American Red Cross" plates to the Triangle Area Chapter of the American Red Cross to be used to fund disaster relief, health and safety services, blood services, services to military families, capital improvements on facilities located within the State, and related administrative and operating costs.

(b74) ARTS NC. – The Division must receive 300 or more applications for the ARTS NC plate before the plate may be developed. The Division must transfer quarterly the money in the Collegiate and Cultural Attraction Plate Account derived from the sale of ARTS NC plates to ARTS North Carolina, Inc., to provide funding to promote the arts in North Carolina.

(b75) Arthritis Foundation. – The Division must receive 300 or more applications for an Arthritis Foundation plate before the plate may be developed. The Division shall transfer quarterly the money in the Collegiate and Cultural Attraction Plate Account derived from the sale of Arthritis Foundation plates to The Arthritis Foundation, Inc., to fund arthritis research grants.

(b76) Battle of Kings Mountain. – The Division must receive 300 or more applications for the "Battle of Kings Mountain" plate before the plate may be developed. The Division shall transfer quarterly the money in the Collegiate and Cultural Attraction Plate Account derived from the sale of "Battle of Kings Mountain" plates by transferring fifty percent (50%) to the Kings Mountain Tourism Development Authority and fifty percent (50%) to Kings Mountain Gateway Trails, Inc., to be used to develop tourism to the area and provide safe and adequate trails for visitors to the park.

(b77) Battleship North Carolina. – The Division must receive 300 or more applications for the "Battleship North Carolina" plate before the plate may be developed. The Division must transfer quarterly the money in the Collegiate and Cultural Attraction Plate Account derived from the sale of "Battleship North Carolina" plates to the U.S.S. North Carolina Battleship Commission to provide funding for information and education about the role of the Battleship U.S.S. North Carolina in history and for administrative and operating costs of the U.S.S. North Carolina Battleship Commission.

(b78) Boy Scouts of America. – The Division must receive 300 or more applications for the "Boy Scouts of America" plate before the plate may be developed. The Division shall transfer quarterly the money in the Collegiate and Cultural Attraction Plate Account derived from the sale of "Boy Scouts of America" plates to the Old Hickory Council of the Boy Scouts of America, where the proceeds will be divided equally among the Boy Scouts of America Councils in this State to be used for educational programs, preservation programs, capital improvements on facilities located in this State, and related administrative and operating expenses.

(b79) Brenner Children's Hospital. – The Division must receive 300 or more applications for the "Brenner Children's Hospital" plate before the plate may be developed. The Division

shall transfer quarterly the money in the Collegiate and Cultural Attraction Plate Account derived from the sale of "Brenner Children's Hospital" plates to the NCBH Special Purpose-Pediatric Unit Fund to provide funding for Brenner Children's Hospital.

(b80) Carolina Raptor Center. – The Division must receive 300 or more applications for a "Carolina Raptor Center" plate before the plate may be developed. The Division must transfer quarterly the money in the Collegiate and Cultural Attraction Plate Account derived from the sale of "Carolina Raptor Center" plates to the Carolina Raptor Center to be used for educational materials, preservation programs, capital improvements for the Carolina Raptor Center, and operating expenses of the Carolina Raptor Center.

(b81) Carolina Regional Volleyball Association. – The Division must receive 300 or more applications for the "Carolina Regional Volleyball Association" plate before the plate may be developed. The Division must transfer quarterly the money in the Collegiate and Cultural Attraction Plate Account derived from the sale of the "Carolina Regional Volleyball Association" plates to the Carolina Regional Volleyball Association to promote and develop the sport of volleyball throughout North Carolina.

(b82) Carolinas Credit Union Foundation. – The Division must receive 300 or more applications for the "Carolinas Credit Union Foundation" plate before the plate may be developed. The Division shall transfer quarterly the money in the Collegiate and Cultural Attraction Plate Account derived from the sale of "Carolinas Credit Union Foundation" plates to the Carolinas Credit Union Foundation, Inc., for youth-focused programs.

(b83) Carolinas Golf Association. – The Division must receive 300 or more applications for the "Carolinas Golf Association" plate before the plate may be developed. The Division shall transfer quarterly the money in the Collegiate and Cultural Attraction Plate Account derived from the sale of "Carolinas Golf Association" plates to the Carolinas Golf Association to be used to promote amateur golf in North Carolina.

(b84) Choose Life. – The Division must receive 300 or more applications for a "Choose Life" plate before the plate may be developed. The Division shall transfer quarterly the money in the Collegiate and Cultural Attraction Plate Account derived from the sale of "Choose Life" plates to the Carolina Pregnancy Care Fellowship, which shall distribute the money annually to nongovernmental, not-for-profit agencies that provide pregnancy services that are limited to counseling and/or meeting the physical needs of pregnant women. Funds received pursuant to this section shall not be distributed to any agency, organization, business, or other entity that provides, promotes, counsels, or refers for abortion and shall not be distributed to any entity that charges women for services received.

(b85) Coastal Land Trust. – The Division must receive 300 or more applications for the "Coastal Land Trust" plate before the plate may be developed. The Division shall transfer quarterly the money in the Collegiate and Cultural Attraction Plate Account derived from the sale of the "Coastal Land Trust" plates to the North Carolina Coastal Land Trust to be used to acquire open space and natural areas, to ensure conservation education, to promote good land stewardship, to set aside lands for conservation, and for other administrative and operating costs.

(b86) Concerned Bikers Association/ABATE of North Carolina. – The Division must receive 300 or more applications for the "Concerned Bikers Association/ABATE of North Carolina" plate before the plate may be developed. The Division shall transfer quarterly the money in the Collegiate and Cultural Attraction Plate Account derived from the sale of the "Concerned Bikers Association/ABATE of North Carolina" plates to the Department of Public Instruction to support the driver training and safety education program established pursuant to G.S. 115C-215 and to support motorcycle safety and awareness training as part of the driver training program.

(b87) Daniel Stowe Botanical Garden. – The Division must receive 300 or more applications for the "Daniel Stowe Botanical Garden" plate before the plate may be developed. The Division must transfer quarterly the money in the Collegiate and Cultural Attraction Plate Account derived from the sale of "Daniel Stowe Botanical Garden" plates to the Daniel Stowe Botanical Garden Foundation, Inc., to provide funding for the Daniel Stowe Botanical Garden outreach program.

(b88) Donate Life. – The Division must receive 300 or more applications for the "Donate Life" plate before the plate may be developed. The Division must transfer quarterly the money in the Collegiate and Cultural Attraction Plate Account derived from the sale of "Donate Life" plates to Donate Life North Carolina to be divided equally among Donate Life North Carolina and each of the transplant centers in North Carolina to include Bowman Gray Medical Center, Carolinas Medical Center, Duke University, East Carolina University, and the University of North Carolina at Chapel Hill. The transplant centers shall use all of the proceeds received from this plate to provide funding for expenses incurred by needy families, recipients, and expenses related to organ donation.

(b89) Farmland Preservation. – The Division must receive 300 or more applications for the "Farmland Preservation" plate before the plate may be developed. The Division must transfer quarterly the money in the Collegiate and Cultural Attraction Plate Account derived from the sale of "Farmland Preservation" plates to the North Carolina Agricultural Development and Farmland Preservation Trust Fund established pursuant to G.S. 106-744.

(b90) First in Turf. – The Division must receive 300 or more applications for the "First in Turf" plate before the plate may be developed. The Division shall transfer quarterly the money in the Collegiate and Cultural Attraction Plate Account derived from the sale of "First in Turf" plates to the Center for Environmental Turfgrass Research at North Carolina State University for its programs.

(b91) Girl Scouts. – The Division must receive 300 or more applications for the "Girl Scouts" plate before the plate may be developed. The Division shall transfer quarterly the money in the Collegiate and Cultural Attraction Plate Account derived from the sale of "Girl Scouts" plates to the Girl Scouts North Carolina Coastal Pines, where the proceeds will be divided equally among the officially chartered Girl Scout Councils in this State to be used for educational programs, preservation programs, capital improvements on facilities located in this State, and related administrative and operating expenses.

(b92) Green Industry Council. – The Division must receive 300 or more applications for the Green Industry Council plate before the plate may be developed. The Division shall transfer quarterly the money in the Collegiate and Cultural Attraction Plate Account derived from the sale of Green Industry Council plates to the Green Industry Council to be used to provide an umbrella of advocacy for green industry issues, the promotion of the green industry, and educational activities.

(b93) Greensboro Symphony Guild. – The Division must receive 300 or more applications for the Greensboro Symphony Guild plate before the plate may be developed. The Division shall transfer quarterly the money in the Collegiate and Cultural Attraction Plate Account derived from the sale of Greensboro Symphony Guild plates to the Greensboro Symphony Guild, Inc., to be used to support educational programs offered by the Greensboro Symphony Orchestra.

(b94) Home of American Golf. – The Division must receive 300 or more applications for the "Home of American Golf" plate before the plate may be developed. The Division must transfer quarterly the money in the Collegiate and Cultural Attraction Plate Account derived from the sale of "Home of American Golf" plates to the Given Memorial Library, Inc., to provide funding for the Given Memorial Library – The Tufts Archives.

(b95) Jaycees. – The Division must receive 300 or more applications for the "Jaycees" plate before the plate may be developed. The Division shall transfer quarterly the money in the Collegiate and Cultural Attraction Plate Account derived from the sale of "Jaycees" plates to the North Carolina JCI Senate, Inc., to be used to support and underwrite Jaycee activities in North Carolina.

(b96) Kappa Alpha Order. – The Division shall transfer quarterly the money in the Collegiate and Cultural Attraction Plate Account derived from the sale of Kappa Alpha Order plates to the Kappa Alpha Order Educational Foundation to provide educational and leadership opportunities for students attending North Carolina colleges and universities.

(b97) Morgan Horse Club. – The Division must receive 300 or more applications for a Morgan Horse Club plate before the plate may be developed. The Division must transfer quarterly the money in the Collegiate and Cultural Attraction Plate Account derived from the sale of Morgan Horse Club plates to the Morgan Horse Club to support the mission of the Virginia-Carolinas Morgan Horse Club, Inc., to promote Morgan horses in North Carolina.

(b98) Mountains-to-Sea Trail. – The Division must receive 300 or more applications for the "Mountains-to-Sea Trail" plate before the plate may be developed. The Division shall transfer quarterly the money in the Collegiate and Cultural Attraction Plate Account derived from the sale of "Mountains-to-Sea Trail" plates to the Friends of the Mountains-to-Sea Trail, Inc., to be used to fund trail projects and related administrative and operating expenses.

(b99) Native American. – The Division must receive 300 or more applications for the "Native American" plate before the plate may be developed. The Division shall transfer quarterly the money in the Collegiate and Cultural Attraction Plate Account derived from the sale of "Native American" plates to the Native American College Fund for scholarships to be awarded to Native American students from North Carolina.

(b100) NC Beekeepers. – The Division must receive 300 or more applications for the "NC Beekeepers" plate before the plate may be developed. The Division shall transfer quarterly the money in the Collegiate and Cultural Attraction Plate Account derived from the sale of "NC Beekeepers" plates to North Carolina State University for research on the importance of bees to agriculture and the State's agricultural economy.

(b101) NC Civil War. – The Division must receive 300 or more applications for the "NC Civil War" plate before the plate may be developed. The Division must transfer quarterly the money in the Collegiate and Cultural Attraction Plate Account derived from the sale of "NC Civil War" plates to the North Carolina Department of Cultural Resources, Division of Archives and History, to provide funding to acquire, interpret, and preserve North Carolina's Civil War history.

(b102) NC Fisheries Association. – The Division must receive 300 or more applications for a "NC Fisheries Association" plate before the plate may be developed. The Division must transfer quarterly the money in the Collegiate and Cultural Attraction Plate Account derived from the sale of "NC Fisheries Association" plates to the NC Fisheries Association to facilitate the promotion of North Carolina families, heritage, and seafood through accessible data about the ever-changing commercial fishing industry.

(b103) NC Horse Council. – The Division must receive 300 or more applications for the "NC Horse Council" plate before the plate may be developed. The Division shall transfer quarterly the money in the Collegiate and Cultural Attraction Plate Account derived from the sale of "NC Horse Council" plates to the North Carolina Horse Council, Inc., to promote and enhance the equine industry in North Carolina.

(b104) NC Mining. – The Division must receive 300 or more applications for the "NC Mining" plate before the plate may be developed. The Division must transfer quarterly the money in the Collegiate and Cultural Attraction Plate Account derived from the sale of "NC

Mining" plates to the North Carolina Gold Foundation, Inc., to provide funding for information and education about mining in North Carolina.

(b105) NC Veterinary Medical Association. – The Division must receive 300 or more applications for the "NC Veterinary Medical Association" plate before the plate may be developed. The Division shall transfer quarterly the money in the Collegiate and Cultural Attraction Plate Account derived from the sale of "NC Veterinary Medical Association" plates to the Friends of NCVMA Foundation, Inc., to be used to provide compassionate, quality health care for all animals, to protect the health of the public, to strengthen the human-animal bond, and to provide advanced continuing education for the public.

(b106) NC Victim Assistance Network. – The Division must receive 300 or more applications for a "NC Victim Assistance Network" plate before the plate may be developed. The Division must transfer quarterly the money in the Collegiate and Cultural Attraction Plate Account derived from the sale of "NC Victim Assistance Network" plates to the NC Victim Assistance Network to support the mission of the NC Victim Assistance Network to provide support and information for crime victims across the State and to advocate for their fair treatment.

(b107) NC Wildlife Federation. – The Division must receive 300 or more applications for the "NC Wildlife Federation" plate before the plate may be developed. The Division shall transfer quarterly the money in the Collegiate and Cultural Attraction Plate Account derived from the sale of "NC Wildlife Federation" plates to the North Carolina Wildlife Federation, Inc., to provide funding for a grassroots program to involve anglers, hunters, and wildlife enthusiasts in conservation issues affecting North Carolina.

(b108) NC Youth Soccer Association. – The Division must receive 300 or more applications for the "NC Youth Soccer Association" plate before the plate may be developed. The Division shall transfer quarterly the money in the Collegiate and Cultural Attraction Plate Account derived from the sale of "NC Youth Soccer Association" plates to the North Carolina Youth Soccer Association to be used to promote the sport of soccer in North Carolina.

(b109) North Carolina Emergency Management Association. – The Division must receive 300 or more applications for the "North Carolina Emergency Management Association" plate before the plate may be developed. The Division shall transfer quarterly the money in the Collegiate and Cultural Attraction Plate Account derived from the sale of "North Carolina Emergency Management Association" plates to the North Carolina Emergency Management Association to be used for training and education purposes.

(b110) North Carolina Master Gardener. – The Division must receive 300 or more applications for the "North Carolina Master Gardener" plate before the plate may be developed. The Division shall transfer quarterly the money in the Collegiate and Cultural Attraction Plate Account derived from the sale of "North Carolina Master Gardener" plates to the Master Gardener's Endowment Fund maintained by the Agricultural Foundation of North Carolina State University to be used for educational programs by trained volunteers who work in partnership with their county Cooperative Extension offices to extend information in consumer horticulture.

(b111) Outer Banks Preservation Association. – The Division must receive 300 or more applications for an "Outer Banks Preservation Association" plate before the plate may be developed. The Division must transfer quarterly the money in the Collegiate and Cultural Attraction Plate Account derived from the sale of "Outer Banks Preservation Association" plates to the Outer Banks Preservation Association to facilitate the protection of the public's right to access beaches in North Carolina.

(b112) Pamlico-Tar River Foundation. – The Division must receive 300 or more applications for the "Pamlico-Tar River Foundation" plate before the plate may be developed. The Division shall transfer quarterly the money in the Collegiate and Cultural Attraction Plate

Account derived from the sale of "Pamlico-Tar River Foundation" plates to the Pamlico-Tar River Foundation, Inc., to provide funding for the cleanup, preservation, and oversight of the Pamlico and Tar Rivers, and their watersheds and basins.

(b113) P.E.O. Sisterhood. – The Division must receive 300 or more applications for the "P.E.O. Sisterhood" plate before the plate may be developed. The Division shall transfer quarterly the money in the Collegiate and Cultural Attraction Plate Account derived from the sale of "P.E.O. Sisterhood" plates to P.E.O. International to be used for scholarships for young women.

(b114) Phi Beta Sigma Fraternity. – The Division must receive 300 or more applications for the "Phi Beta Sigma Fraternity" plate before the plate may be developed. The Division shall transfer quarterly the money in the Collegiate and Cultural Attraction Plate Account derived from the sale of "Phi Beta Sigma Fraternity" plates to the Phi Beta Sigma Fraternity, Inc., to provide funding for scholarships, education and professional development, or similar programs. None of the proceeds from this special plate may be distributed to any board member as compensation or as an honorarium.

(b115) Piedmont Airlines. – The Division must receive 300 or more applications for a "Piedmont Airlines" plate before the plate may be developed. The Division must transfer quarterly the money in the Collegiate and Cultural Attraction Plate Account derived from the sale of "Piedmont Airlines" plates to Piedmont Silver Eagles Charitable Funds, Inc., to be used for scholarships and family assistance for Piedmont Airlines employees and their families, including surviving spouses and dependents, suffering economic hardship.

(b116) Retired Legislator. – The Division must receive 300 or more applications for a Retired Legislator plate before the plate may be developed. The Division shall transfer quarterly the money in the Collegiate and Cultural Attraction Plate Account derived from the sale of Retired Legislator plates to the State Capitol Foundation, Inc., to be used to provide support for the mission and goals of the foundation.

(b117) Ronald McDonald House. – The Division must receive 300 or more applications for the "Ronald McDonald House" plate before the plate may be developed. The Division shall transfer quarterly the money in the Collegiate and Cultural Attraction Plate Account derived from the sale of "Ronald McDonald House" plates to Ronald McDonald House Charities of North Carolina, Inc., to be used for Ronald McDonald Houses located within North Carolina and related administrative and operating expenses.

(b118) S.T.A.R. – The Division must receive 300 or more applications for the "S.T.A.R." plate before the plate may be developed. The Division shall transfer quarterly the money in the Collegiate and Cultural Attraction Plate Account derived from the sale of "S.T.A.R." plates to Save the Animals Rescue, Inc., to provide funding to rescue distressed horses.

(b119) Support NC Education. – The Division must receive 300 or more applications for the "Support NC Education" plate before the plate may be developed. The Division shall transfer quarterly the money in the Collegiate and Cultural Attraction Plate Account derived from the sale of "Support NC Education" plates to the Board of Governors of The University of North Carolina to be used to provide scholarship funding at the 16 constituent universities of The University of North Carolina.

(b120) Support Soccer. – The Division must receive 300 or more applications for the "Support Soccer" plate before the plate may be developed. The Division shall transfer quarterly the money in the Collegiate and Cultural Attraction Plate Account derived from the sale of "Support Soccer" plates to the North Carolina Soccer Hall of Fame, Inc., to provide funding to promote the sport of soccer in North Carolina.

(b121) Toastmasters Club. – The Division must receive 300 or more applications for the "Toastmasters Club" plate before the plate may be developed. The Division shall transfer quarterly the money in the Collegiate and Cultural Attraction Plate Account derived from the

sale of the "Toastmasters Club" plates to Toastmasters International to be used to help North Carolinians communicate more effectively, improve presentation skills, and develop leadership potential.

(b122) Topsail Island Shoreline Protection. – The Division must receive 300 or more applications for the "Topsail Island Shoreline Protection" plate before the plate may be developed. The Division shall transfer quarterly the money in the Collegiate and Cultural Attraction Plate Account derived from the sale of "Topsail Island Shoreline Protection" plates proportionately to the Town of North Topsail Beach, the Town of Surf City, and the Town of Topsail Beach to be used for support of the Topsail Island Shoreline Protection Committee and beach nourishment programs or projects for the three towns on Topsail Island.

(b123) Travel and Tourism. – The Division must receive 300 or more applications for the "Travel and Tourism" plate before the plate may be developed. The Division shall transfer quarterly the money in the Collegiate and Cultural Attraction Plate Account derived from the sale of "Travel and Tourism" plates to the Division of Tourism, Film, and Sports Development to be used for programs in support of travel and tourism in North Carolina.

(b124) USO of NC. – The Division must receive 300 or more applications for a USO of NC plate before the plate may be developed. The Division must transfer quarterly the money in the Collegiate and Cultural Attraction Plate Account derived from the sale of USO of NC plates to the United Services Organization of North Carolina to support the mission of the United Services Organization in North Carolina to lead the way to enriching the lives of America's military in North Carolina."

SECTION 8. Chapter 20 of the General Statutes is amended by adding a new section to read:

"**§ 20-79.8. Expiration of special registration plate authorization.**

(a) Expiration. – A special registration plate authorized pursuant to G.S. 20-79.4 shall expire, as a matter of law, on July 1 of the second calendar year following the year in which the special plate was authorized if the number of required applications for the authorized special plate has not been received by the Division. The Division shall not accept applications for nor advertise any special registration plate that has expired pursuant to this section.

(b) Notification. – The Division shall notify the Revisor of Statutes in writing, not later than July 15 of each year, which special registration plate authorizations have expired as a matter of law pursuant to subsection (a) of this section. The Division shall publish a copy of the written notification sent to the Revisor of Statutes pursuant to this subsection on a Web site maintained by the Division or the Department of Transportation.

(c) Revisor of Statutes Responsibilities. – Upon notification of expiration of the authorization for any special registration plate by the Division pursuant to this section, the Revisor of Statutes shall verify that the authorization for each special registration plate listed has expired and shall notate such expiration in the applicable statutes. If an authorization for a special registration plate listed in G.S. 20-79.4 expires, the Revisor of Statutes shall revise the subdivision referring to the special registration plate to leave the name of the special registration plate authorized and the date the special registration plate's authorization expired. If an authorization for a special registration plate listed in G.S. 20-79.4 expires, the Revisor of Statutes shall also make corresponding changes to reflect the expiration of the special registration plate's authorization, if applicable, in G.S. 20-63(b), 20-79.7, and 20-81.12."

SECTION 9. Notwithstanding Section 8 of this act, any special registration plate authorized in G.S. 20-79.7, prior to July 1, 2011, shall expire, as a matter of law, on July 1, 2013, if the number of applications required for the production of the special registration plate has not been received by the Division of Motor Vehicles on or before that date. Upon notification of expiration of the authorization for any special plate by the Division pursuant to this section, the Revisor of Statutes shall verify that the authorization for each special

registration plate listed has expired and shall notate such expiration in the applicable statutes. If an authorization for a special registration plate listed in G.S. 20-79.4 expires, the Revisor of Statutes shall revise the subdivision referring to the special registration plate to leave the name of the special plate authorized and the date the special registration plate's authorization expired. If an authorization for a special registration plate listed in G.S. 20-79.4 expires, the Revisor of Statutes shall also make corresponding changes to reflect the expiration of the special registration plate's authorization, if applicable, in G.S. 20-63(b), 20-79.7, and 20-81.12.

SECTION 10. The Revisor of Statutes is authorized to alphabetize, number, and renumber the special registration plates listed in G.S. 20-79.4 to ensure that all the special registration plates are listed in alphabetical order and numbered accordingly.

SECTION 11. Section 8 of this act becomes effective July 1, 2011. The remainder of this act is effective when it becomes law. Any special plate issued by the Division of Motor Vehicles prior to the effective date of this act shall not be required to be replaced but may be replaced by the Division for an applicant upon the payment of the appropriate fees.

HOUSE BILL 289:
Authorize Various Special Plates

2011-2012 General Assembly

Committee:	Senate Finance	**Date:**	June 14, 2011
Introduced by:	Rep. Gillespie	**Prepared by:**	Trina Griffin
Analysis of:	PCS to Third Edition H289-CSSVf-37		Committee Counsel

SUMMARY: ***House Bill 289 would authorize the issuance of a number of special license plates, and direct DMV to develop a standard format for special license plates. It would also provide for the expiration of a special plate authorization if DMV does not receive the required number of applications within two years of the time the plate is authorized.***

The PCS incorporates the following additional plates that were not included in the version that passed the House:

- ***Kappa Alpha Order (SB 54; Sen. Stein)***
- ***Sustainable Fisheries Plate (SB 89; Sen. Preston)***
- ***NC Morgan Horse Club (SB 122; Sen. Atwater)***
- ***USO of North Carolina (SB 136; Sen. Hunt)***
- ***Greensboro Symphony (SB 138; Sen. Vaughan)***
- ***Green Industry Council (SB 372; Sen. Apodaca)***
- ***Retired Legislators (SB 392; Sen. Jenkins)***
- ***Don't Tread on Me (SB 605; Sen. Rucho)***
- ***USA Triathlon (Sen. Stevens)***

The PCS also makes the following changes to existing plates:

- ***Would allow the Core Sound Waterfowl Museum plate to be on different background (SB 649; Sen. Preston).***
- ***Would authorize motorcycle plates for Civic Clubs (SB 355; Sen. East).***

CURRENT LAW: G.S. 29-79.4 provides that upon application and payment of the required registration fees, a person may obtain from the Department of Motor Vehicles (DMV) a special registration plate for a motor vehicle registered in that person's name if the person qualifies for the registration plate. Currently, more than 165 special plates have been authorized. The issuance of most authorized plates is contingent upon the receipt by DMV of at least 300 applications for the particular plate.

As a general rule, the fee for a special registration plate is the regular vehicle registration fee plus a $10 special registration plate fee. The Division may issue one free registration plate to a recipient of the Legion of Valor[1] award, a 100% disabled veteran, or an ex-prisoner of war. All other special registration plates, including additional Legion of Valor, 100% Disabled Veteran, and Ex-Prisoner of War plates, are

[1] The Legion of Valor plate is issuable to a recipient of one of the following: Congressional Medal of Honor, Distinguished Service Cross, Navy Cross, or Air Force Cross.

subject to the regular motor vehicle registration fee of $28[2] and the additional special registration plate fee of $10.

The $10 special registration plate fee is credited to the Special Registration Plate Account. After deducting the cost of the plates from this account, $1,000,000 is annually appropriated to provide operating assistance for ten Visitor Centers.[3] The Centers are located in Brunswick, Camden, Carteret, Caswell, Columbus, Macon, McDowell, Transylvania, Tyrell, and Watauga Counties.[4] The remaining revenue in the account is transferred quarterly to the Department of Commerce for advertising (33%), the Department of Transportation for highway beautification (50%), and the Department of Human Resources to promote travel accessibility for disabled persons (17%).

The cost of some special plates includes a fee in addition to the $10 special registration plate fee. In those instances, the first $10 goes to the special registration plate fund and the remainder is transferred quarterly to designated beneficiaries of the additional fee amount.

BILL ANALYSIS:

Section 1 of the bill expands by 16 the number of special license plates that are not required to be a "First in Flight" plate with the standard background.

Section 2 directs DMV to develop a standard format for special license plates that will allow for the plate to be easily read by the human eye and by traffic enforcement cameras.

Section 3 expands the list of special license plates that may be issued by DMV, adding more than 70 new plates as enumerated in the bill. The plates would generally be subject to the standard requirement of at least 300 applications, so that the cost of producing the plates could be recouped.

The bill amends existing provisions involving the issuance of the following plates: Autism Society of North Carolina, Buffalo Soldiers, Marine Corps League, Native American, and North Carolina Wildlife Habitat Foundation.

The bill would authorize motorcycle plates for the following organizations that already have authorization for special plates: Civic Clubs and Purple Heart.

The bill would also lower from 300 to 150 the number of minimum applications required for the U.S. Navy Submarine Veteran plate.

Section 4 establishes the additional fee that will be charged for each of the plates authorized in Section 3 of the bill. The fee is over and above the regular motor vehicle registration fee, which is currently $28 for private passenger vehicles of not more than 15 passengers.

Section 5 specifies the distribution of the fees imposed in Section 4 of the bill.

Section 6 expands the list of State Attraction Plates by adding the Aurora Fossil Museum and the Baldhead Island Lighthouse ("Old Baldy"), and designates the use of revenue derived from the sale of those plates.

Section 7 provides for the quarterly transfer of revenue in the Collegiate and Cultural Attraction Plate Account derived from the sale of specific plates; the funds are generally used to support programs and services offered by non-profit organizations that reflect the interests of persons purchasing the special plate.

---

[2] G.S. 20-87.
[3] There are 12 Visitors' Centers. The two centers that do not receive State funding are located in Dare County.
[4] Each Visitor's Center receives $100,000.

Section 8 provides for the expiration of a special plate authorization if DMV does not receive the required number of applications within two years of the time the plate is authorized.

Section 9 provides that a plate issued before the July 1, 2011 effective date of the bill would expire on July 1, 2013 if the required number of applications has not been received by DMV on or before that date. To date, there are 69 authorized plates that have not met the 300 application requirement.

Section 10 authorizes the Revisor of Statutes to alphabetize, number, and renumber the listing of special registration plates in G.S. 20-79.4 to ensure that all the special plates are listed in alphabetical order and numbered accordingly.

EFFECTIVE DATE: Section 8 of the bill, providing for the expiration of a special plate authorization, would become effective July 1, 2011. The remainder of the bill would be effective when it becomes law.

Brenda Carter, counsel to House Transportation, substantially contributed to this summary.

EFFECTIVE DATE: July 1, 2011

BILL SUMMARY:

House Bill 289 amends GS 20-79.4(b) to direct the Division of Motor Vehicles to issue various special registration license plates, contingent on receiving at least 300 applications per plate, categorized as follows:

- American Red Cross
- Armed Forces Expeditionary Medal Recipient
- Arthritis Foundation
- ARTS NC
- Battle of Kings Mountain
- Blue Knights
- Boy Scouts of America
- Brenner Children's Hospital
- Carolina Raptor Center
- Carolina Regional Volleyball Association
- Carolinas Credit Union Foundation
- Carolinas Golf Association
- Childhood Cancer Awareness
- Choose Life
- City/County Clerk
- Coastal Land Trust

- Concerned Bikers Association/ABATE of North Carolina
- Daniel Stowe Botanical Garden
- Donate Life
- First in Turf
- Farmland Preservation
- Girl Scouts
- High Point Furniture Market 100th Anniversary
- Hollerin'
- Home of American Golf
- Jaycees
- Legion of Merit
- Lifetime Sportsman
- Mayor
- Mountains-to-Sea Trail
- Municipal Council
- National Defense Service Medal
- NC Beekeepers
- NC Civil War
- NC Fisheries Association
- NC Horse Council
- NC Mining
- NC Wildlife Federation
- NC Veterinary Medical Association
- NC Victim Assistance Network
- North Carolina Emergency Management Association
- North Carolina Master Gardener
- North Carolina State Flag
- Outer Banks Preservation Association
- P.E.O. Sisterhood
- Pamlico-Tar River Foundation
- Phi Beta Sigma Fraternity
- Piedmont Airlines
- Relay for Life
- Ronald McDonald House
- School Board
- Sigma Gamma Rho Sorority
- Silver Star Recipient/ Disabled Veteran
- S.T.A.R.
- Support NC Education
- Support Soccer
- Toastmasters Club
- Topsail Island Shoreline Protection
- Town of Oak Island
- Travel and Tourism

- United States Service Academy
- Victory Junction Gang Camp
- Vietnam Veterans of America

Adds the following State Attraction Plates contingent on receiving at least 300 applications per plate:

- Aurora Fossil Museum
- "Old Baldy," Bald Head Island Lighthouse
- U.S.S. North Carolina Battleship Commission

Adds special registration license plates to the list of those identified in GS 20-63(b) that do not have to bear the phrase "First in Flight":

- ARTS NC
- Battle of Kings Mountain
- Carolina Raptor Center
- Carolinas Credit Union Foundation
- Choose Life
- Coastal Land Trust
- Donate Life
- Farmland Preservation
- NC Civil War
- NC Mining
- North Carolina State Flag
- North Carolina Zoological Society
- Travel and Tourism
- United States Service Academy.

Deletes the following special registration plate:

- Olympic Games

House Bill 289 changes the name of the US Navy Specialty plate to the US Navy Submarine Veteran plate.

The bill directs that the Division shall develop, in consultation with the State Highway Patrol and the Department of Correction, a standardized format for special license plates. Effective July 1, 2011, the bill enacts new GS 20-79.8 providing for the expiration of special registration plates authorized under GS 20-79.4 on July 1 of the second calendar year in which the plate was authorized if the required number of applications for the special plate has not been received by the DMV. The bill provides that a special plate authorization under GS 20-79.7 prior to July 1, 2011, expires as a matter of law on July 1, 2013, if the required number of applications has not been received.

Of the additional fees charged for each plate, the first ten dollars will go to the Special Registration Plate account. In cases where the fee is in excess of ten dollars, the remainder will go to the Collegiate and Cultural Attraction Plate account to be transferred quarterly to the entity nominated within the bill.

ASSUMPTIONS AND METHODOLOGY:

House Bill 289 authorizes certain special plates provided the Division receives 300 or more applications for a particular plate. The additional fees for the following plates are not specified: Armed Forces Expeditionary Medal Recipient, Blue Knights, Childhood Cancer Awareness, City/County Clerk, High Point Furniture Market 100th Anniversary, Hollerin', Legion of Merit, Lifetime Sportsman, Mayor, Municipal Council, National Defense Service Medal, North Carolina State Flag, Relay for Life, School Board, Sigma Gamma Rho Sorority, Silver Star Recipient/ Disabled Veteran, Town of Oak Island, United States Service Academy, Victory Junction Gang Camp, and Vietnam Veterans of America. According to G.S. 20-79.7, the additional fee for these plates would be $10 per plate.

The Aurora Fossil Museum, "Old Baldy," Bald Head Island Lighthouse, and U.S.S. North Carolina Battleship Commission plates qualify as State Attraction plates. According to G.S. 20-79.7, the additional fee for these plates will be $30 per plate. The remainder of the special plate fees is specified in the bill. The chart below summarizes these fees.

Special Registration Plates: Fees Specified in HB 289

American Red Cross	$30	NC Civil War	$30
Arthritis Foundation	$30	NC Fisheries Association	$20
ARTS NC	$30	NC Horse Council	$20
Battle of Kings Mountain	$20	NC Mining	$20
Boy Scouts of America	$30	NC Veterinary Medical Association	$30
Brenner Children's Hospital	$30	NC Victim Assistance Network	$20
Carolina Raptor Center	$30	NC Wildlife Federation	$20
Carolina Regional Volleyball Association	$15	North Carolina Emergency Management Association	$30
Carolinas Credit Union Foundation	$30	North Carolina Master Gardener	$20
Carolinas Golf Association	$30	Outer Banks Preservation Association	$30
Choose Life	$25	P.E.O. Sisterhood	$30
Coastal Land Trust	$30	Pamlico-Tar River Foundation	$30
Concerned Bikers Association/ABATE of North Carolina	$20	Phi Beta Sigma Fraternity	$20
Daniel Stowe Botanical Garden	$30	Piedmont Airlines	$20
Donate Life	$20	Ronald McDonald House	$30
Farmland Preservation	$30	S.T.A.R.	$30
First in Turf	$25	Support NC Education	$30
Girl Scouts	$30	Support Soccer	$25
Home of American Golf	$30	Toastmasters Club	$30
Jaycees	$20	Topsail Island Shoreline Protection	$30
Mountains-to-Sea Trail	$30	Travel and Tourism	$30
NC Beekeepers	$15		

Of the additional fees charged for each plate, the first ten dollars will go to the Special Registration Plate account. In cases where the fee is in excess of ten dollars, the remainder will go to the Collegiate and Cultural Attraction Plate account to be transferred quarterly to the entity nominated within the bill. Fiscal Research cannot estimate how many applications for each of the authorized plates will be received. Assuming there are at least 300 applications for each of these plates, they will each result in a $3,000 revenue increase to the Special Registration Plate account for the period during which the applications are received. Each of these plates would also result in an increase in revenues to the Collegiate and Cultural Attraction Plate account for distribution to the respective entity equal to the fee in excess of ten dollars multiplied by the 300 applications. If the plates do not reach the 300 application threshold, the plates will not be created and there will be no fiscal impact.

March 15, 2011

A BILL TO BE ENTITLED

AN ACT TO ALLOW AN INDIVIDUAL INCOME TAX CREDIT FOR CHILDREN WITH DISABILITIES WHO REQUIRE SPECIAL EDUCATION AND TO CREATE A FUND FOR SPECIAL EDUCATION AND RELATED SERVICES.

The General Assembly of North Carolina enacts:

SECTION 1. Part 2 of Article 4 of Chapter 105 of the General Statutes is amended by adding a new section to read:

"**§ 105-151.33. Education expenses credit.**

(a) Credit. – A taxpayer is allowed a credit against the tax imposed by this Part for each of the taxpayer's eligible dependent children who is a resident of this State and who for one or two semesters during the taxable year is enrolled in grades kindergarten through 12 in a nonpublic school or in a public school at which tuition is charged in accordance with G.S. 115C-366.1. As used in this section, the term 'eligible dependent child' means a child who meets all of the following criteria:

(1) Is a child with a disability as defined by G.S. 115C-106.3(1).

(2) Was determined to require an individualized education program as defined by G.S. 115C-106.3(8).

(3) Receives special education or related services on a daily basis.

(4) Is a child for whom the taxpayer is entitled to deduct a personal exemption under section 151(c) of the Code for the taxable year.

For the initial eligibility for the tax credit, for at least the preceding two semesters, the eligible dependent child shall have been either (i) enrolled in a public school or (ii) receiving special education or related services through the public schools as a preschool child with a disability as defined by G.S. 115C-106.3(17). An eligible dependent child shall be reevaluated every three years by the local educational agency in order to verify that the child continues to be a child with a disability as defined by G.S. 115C-106.3(1).

(b) Amount. – The credit is equal to the amount the taxpayer paid for tuition and special education and related services expenses, not to exceed three thousand dollars ($3,000) per semester. For home schools, as defined in G.S. 115C-563(a), the credit is equal to the amount the taxpayer paid for special education and related services expenses, not to exceed three thousand dollars ($3,000) per semester.

(c) Semesters. – For the purposes of this section, there are two semesters during each taxable year. The spring semester is the first six months of the taxable year, and the fall semester is the second six months of the taxable year. An eligible dependent child is enrolled in

a school for a semester if the eligible dependent child is enrolled in that school for more than 70 days during that semester.

(d) Disqualification. – A taxpayer may not qualify for a credit for any semester during which the taxpayer's eligible dependent child for whom the credit would otherwise be claimed met any of the following conditions:

(1) Was placed in a nonpublic school or facility by a public agency at public expense.

(2) Spent any time enrolled as a full-time student taking at least 12 hours of academic credit in a postsecondary educational institution.

(3) Was 22 years or older during the entire semester.

(4) Graduated from high school prior to the end of the semester.

(e) Reduction of Credit. – The amount of the credit is reduced for any semester in which the eligible dependent child spent any time enrolled in a public school. The amount of the reduction is a percentage equal to the percentage of the semester that the eligible dependent child spent enrolled in a public school.

(f) Information. – In order to claim the credit allowed by this section, the taxpayer shall provide, when requested, the following to the Secretary:

(1) The name, address, and social security number of each eligible dependent child for whom the credit is claimed and the name and address of the school or schools in which the eligible dependent child was enrolled for more than 70 days each semester.

(2) The taxpayer's certification that the eligible dependent child did not meet any of the disqualifying conditions set out in this section.

(3) The name of the local school administrative unit in which the eligible dependent child resides.

(4) The amount of tuition paid to a public school at which tuition is charged in accordance with G.S. 115C-366.1 for each semester the eligible dependent child for whom the credit is claimed was enrolled in the school.

(5) The eligibility determination that the eligible dependent child is a child with a disability who requires special education and related services.

(6) A listing of the tuition and special education and related services expenses on which the amount of the credit is based.

(7) For home schools as defined in G.S. 115C-563(a), a listing of the special education and related services expenses on which the amount of the credit is based.

(g) Carryforward. – The credit allowed under this section may not exceed the amount of tax imposed by this Part reduced by the sum of all credits allowed against the tax, except payments of tax made by or on behalf of the taxpayer. Any unused portion of the credit may be carried forward for the succeeding three years.

(h) Transfer. – At the end of each fiscal year, the Secretary shall transfer to the Fund for Special Education and Related Services established under G.S. 115C-472.15 from the net individual income tax collections under G.S. 105-134.2 .an amount equal to two thousand dollars ($2,000) multiplied by the number of credits taken under this section during the fiscal year.

(i) Definitions. – The following definitions apply in this section:

(1) "Special education" means specially designed instruction to meet the unique needs of a child with a disability. The term includes instruction in physical education and instruction conducted in a classroom, the home, a hospital, or institution, and other settings.

(2) "Related services" is as defined in The Individuals with Disabilities Education Improvement Act, 20 U.S.C. § 1400, et seq., (2004), as amended, and federal regulations adopted under this act."

SECTION 2. G.S. 105-151.33(a), as enacted by Section 1 of this act, reads as rewritten:

"(a) Credit. – A taxpayer is allowed a credit against the tax imposed by this Part for each of the taxpayer's eligible dependent children who is a resident of this State and who for one or two semesters during the taxable year, is enrolled in grades kindergarten through 12 in a nonpublic school or in a public school at which tuition is charged in accordance with G.S. 115C-366.1. As used in this section, the term 'eligible dependent child' means a child who meets all of the following criteria:

(1) Is a child with a disability as defined by G.S. 115C-106.3(1).
(2) Was determined to require an individualized education program as defined by G.S. 115C-106.3(8).
(3) Receives special education or related services on a daily basis.
(4) Is a child for whom the taxpayer is entitled to deduct a personal exemption under section 151(c) of the Code for the taxable year.

For the initial eligibility for the tax credit, for at least the preceding ~~two semesters,~~ semester, the eligible dependent child shall have been either: (i) enrolled in a public school, or (ii) receiving special education or related services through the public schools as a preschool child with a disability as defined by G.S. 115C-106.3(17). An eligible dependent child shall be reevaluated every three years by the local educational agency in order to verify that the child continues to be a child with a disability as defined by G.S. 115C-106.3(1)."

SECTION 3. Chapter 115C of the General Statutes is amended by adding a new Article to read:

"Article 32D.
"Fund for Special Education and Related Services.

"**§ 115C-472.15. Fund for Special Education and Related Services.**

(a) The Fund for Special Education and Related Services is established as a special revenue fund under the control and direction of the State Board of Education. Interest and other investment income earned by the Fund accrue to it, and revenue in the Fund does not revert. The Fund consists of money credited to it under G.S. 105-151.33.

(b) The State Board of Education shall use the revenue in the Fund only for special educational and related services for children with disabilities. In addition, the State Board of Education shall use revenues in the Fund to reimburse local educational agencies for conducting reevaluations for continued eligibility and developing revised individualized education programs pursuant to G.S. 105-151.33(a)(1)."

SECTION 4. The Department of Revenue shall report to the Revenue Laws Study Committee and the Joint Legislative Education Oversight Committee on the administration of G.S. 105-151.33, as enacted by Section 1 of this act. The report is due by October 1, 2013, and shall include the following:

(1) The number and amount of credits taken under G.S. 105-151.33.
(2) Any concerns relating to the administration of G.S. 105-151.33 or taxpayer compliance with the requirements of that section.
(3) Any other matter with respect to G.S. 105-151.33 the Department wishes to address.

SECTION 4A. If House Bill 200, 2011 Regular Session, becomes law, then Section 2.1 of that act reads as rewritten:

"**SECTION 2.1.** Appropriations from the General Fund of the State for the maintenance of the State departments, institutions, and agencies, and for other purposes as enumerated, are made for the fiscal biennium ending June 30, 2013, according to the following schedule:

SECTION 5.(b) If House Bill 200, 2011 Regular Session, becomes law, then Section 2.2(m) of that act reads as rewritten:

"**SECTION 2.2.(m)** Notwithstanding G.S. 143C-4-2, the State Controller shall transfer only one hundred ~~eighty-five million dollars ($185,000,000)~~ seventy-two million seven hundred thousand dollars ($172,700,000) from the unreserved fund balance to the Savings Reserve Account on June 30, 2011. This is not an 'appropriation made by law,' as that phrase is used in Section 7(1) of Article V of the North Carolina Constitution. This subsection becomes effective June 30, 2011."

SECTION 5A. If House Bill 200, 2011 Regular Session, becomes law, then that act is amended by adding the following new section to read:

"**ADM ADJUSTMENT**

SECTION 7.31. Notwithstanding any other provision of this act, the funds appropriated for the average daily membership (ADM) adjustment for public schools shall be adjusted to provide fifty-five million eight hundred eighty-two thousand six hundred fifty-one dollars ($55,882,651) in the 2011-2012 fiscal year and one hundred eighteen million one hundred fifty-one thousand four hundred fourteen dollars ($118,151,414) in the 2012-2013 fiscal year. The funds appropriated for the ADM adjustment shall be distributed to modify allotments to charter schools and local school administrative units, reflecting changes in ADM due to population growth and other changes in State law."

SECTION 6. Sections 1, 3, 4, and 4A of this act are effective for taxable years beginning on or after January 1, 2011, and apply to semesters for which the credit is claimed beginning on or after July 1, 2011, except that transfers under G.S. 105-151.33(h) shall not be made before the 2012-2013 fiscal year. Section 2 of this act is effective for taxable years beginning on or after January 1, 2016, and applies to semesters for which the credit is claimed beginning on or after July 1, 2016. The remainder of this act is effective when it becomes law.

HOUSE BILL 344:
Tax Credits for Children with Disabilities

2011-2012 General Assembly

Committee:	Senate Ref to Education/Higher Education. If fav, re-ref to Appropriations/Base Budget	**Date:**	June 13, 2011
Introduced by:	Reps. Stam, Randleman, Jordan, Jones	**Prepared by:**	Drupti Chauhan Committee Counsel
Analysis of:	Fourth Edition		

SUMMARY: ***House Bill 344 would allow an individual income tax credit for up to $3,000 per semester for tuition and special education and related services expenses for a taxpayer's eligible dependent child with a disability who is enrolled in a nonpublic school or a public school where tuition is charged for the eligible dependent child's enrollment. The bill would create a Fund for Special Education and Related Services with the monies to be used for special education and related services for children with disabilities. The bill would also require the Department of Revenue to report to the Revenue Laws Study Committee and the Joint Legislative Education Oversight Committee on the administration of the education expenses credit and on the number and amount of education expenses credits taken.***

BILL ANALYSIS:

Sections 1 and 2 would create the education expenses tax credit.

Qualifications for the Tax Credit

- A taxpayer would be entitled to an education expenses tax credit of up to $3,000 per semester for tuition and special education and related services expenses for each "eligible dependent child" who is a resident of this State and who enrolled for one or two semesters during the taxable year in grades Kindergarten-12 at either:
  - A non-public school or
  - A public school where tuition is charged for the child's enrollment.
- For home schools, the credit is equal to the amount the taxpayer paid for special education and related services expenses not to exceed $3,000.
- An eligible dependent child must meet all of the following criteria:
  - Is a child with a disability who requires an individualized education program (IEP) under Article 9 of Chapter 115C of the General Statutes (Education of Students with Disabilities and the federal Individuals with Disabilities Education Improvement Act (IDEA), 20 U.S.C. § 1400 et seq.(2004), as amended. The child must be reevaluated every 3 years by a local educational agency to verify that the child continues to be a child with a disability.
  - Receives special education or related services on a daily basis.
  - Is a child for whom the taxpayer is entitled to deduct a personal exemption under section 151(c) of the Code for the taxable year.

For the initial eligibility for the tax credit during the first five years that the credit is available, the eligible dependent child must have been enrolled for at least the preceding **two** semesters in a public school or receiving special education or related services through the public schools as a preschool child with a disability. This initial eligibility requirement is reduced to one semester beginning for taxable years on or after January 1, 2016.

The bill would provide that there are two semesters during each taxable year with the spring semester being the first 6 months of the taxable year and the fall semester being the second six months of the taxable year. An eligible dependent child is considered to have been enrolled in a school for a semester if the eligible dependent child is enrolled in that school for more than 70 days during that semester.

Disqualifications for the Tax Credit

A taxpayer would not qualify for the education expenses tax credit for any semester when the taxpayer's otherwise eligible dependent child was:

- Placed in a nonpublic school or facility by a public agency at public expense;
- Enrolled for any time as a full-time student taking at least 12 hours of academic credit at a postsecondary educational institution;
- 22 years of age or older during the entire semester; or
- Graduated from high school prior to the end of the semester.

Reduction of the Tax Credit

The amount of the education expenses tax credit would be reduced for any semester in which the eligible dependent child spent any time enrolled in a public school. The amount of the reduction would be equal to the percentage of the semester that the eligible dependent child was enrolled in a public school.

Information Required to be Submitted to the Department of Revenue to Claim Education Expenses Tax Credit

To substantiate the credit, a taxpayer would have to provide all of the following information, if requested by the Secretary of Revenue:

- The name, address and social security number of each eligible dependent child for whom the credit is claimed and the name and address of the school or schools in which the eligible dependent child was enrolled in and attended for more than 70 days of each semester.
- A certification that there were no disqualifying factors.
- The name of the local school administrative unit in which the eligible dependent child resides.
- The amount of the tuition paid to a public school for each semester the eligible dependent child was enrolled in and attended that public school.
- The eligibility determination that the eligible dependent child is a child with a disability who requires special education and related services.
- A listing of the tuition and special education and related services expenses on which the education expenses tax credit is based.
- For home schools, a listing of the special education and related services expenses on which the education expenses tax credit is based.

Carryforward

The tax credit allowed could not exceed the amount of tax imposed reduced by the sum of all credits allowed against the tax except for payments of tax made by or on behalf of the taxpayer. Any unused portion of the credit could be carried forward for 3 succeeding years.

Transfer into Fund for Special Education and Related Services

At the end of each fiscal year, the Secretary of Revenue must transfer an amount equal to $2,000 multiplied by the number of education expenses tax credits taken during the fiscal year to the Fund for Special Education and Related Services (created in Section 3 of the bill) from the net individual income tax collections under G.S. 105-134.2 (Individual Income Tax Imposed).

Section 3 of the bill would create the Fund for Special Education and Related Services (Fund) with the money credited to the Fund through the transfer required in Section 1 of the bill from the Secretary of Revenue. The Fund would be established as a special revenue fund under the control and direction of the State Board of Education. Interest and other investment income earned by the Fund accrue to it and monies in the Fund do not

revert. The revenue in the Fund may only be used for special education and related services for children with disabilities. In addition, the monies in the fund must be used to reimburse local educational agencies for conducting reevaluations for continued eligibility and developing revised individualized education programs for children with disabilities.

Section 4 of the bill would require that the Department of Revenue report to the Revenue Laws Study Committee and the Joint Legislative Education Oversight Committee on the administration of the education expenses tax credit provided by this bill by October 1, 2013. The report must include the following:

- The number and amount of education expenses tax credits taken;
- Concerns relating to the administration of the education expenses tax credits or taxpayer compliance; and
- Any other matter the Department wishes to address with respect to the education expenses tax credit.

Sections 4A, 5, and 5A of the bill would provide that if the 2011 Appropriations Act (House Bill 200) becomes law, then certain provisions of that act (House Bill 200) would be amended to allow for necessary budget adjustments needed for the implementation of this bill.

EFFECTIVE DATE: Sections 1, 3, 4 and 4A of the act would become effective for taxable years beginning on or after January 1, 2011, and would apply to semesters for which the credit is claimed beginning on or after July 1, 2011. Section 2 of this act would be effective for taxable years beginning on or after January 1, 2016, and would apply to semesters beginning on or after July 1, 2016. The initial eligibility requirement may be met during semesters prior to July 1, 2011 and July 1, 2016, respectively. Transfers to the Fund would not be made before the 2012-2013 fiscal year. The remainder of the act is effective when it becomes law.

BACKGROUND: Approximately five states provide programs for students with disabilities to attend private schools: Florida, Utah, Ohio, Oklahoma and Georgia.

The John M. McKay Scholarships Program for Students with Disabilities in Florida gives parents a voucher to send their child to a private school or another public school of their choice.

The Carson Smith Special Needs Scholarship Program in Utah awards scholarships to students with disabilities who attend a private school, both secular and non-secular.

The Special Education Pilot Project (also known as the Autism Scholarship Program) in Ohio is a scholarship awarded to parents of autistic children for services at a public or nonpublic special education program, which includes tuition at a private school.

Oklahoma enacted the Lindsey Nicole Henry Scholarship for Children with Disabilities in 2010. The amount of the scholarship would be either the private school's tuition or the amount of state and local money that would be given to the school system where the student is enrolled, whichever is less.

Georgia enacted the Special Needs Scholarship Act in 2007, creating a program which allows children with special needs to attend the public or private school that best meets their educational needs.

H344-SMRQ-46(e4) v1

GENERAL ASSEMBLY OF NORTH CAROLINA

Session 2011

Legislative Fiscal Note

BILL NUMBER: House Bill 344 (Fourth Edition)

SHORT TITLE: Tax Credits for Children with Disabilities.

SPONSOR(S): Representatives Stam, Randleman, Jordan, and Jones

FISCAL IMPACT ($ in millions)

PRINCIPAL DEPARTMENT(S) & PROGRAM(S) AFFECTED: North Carolina Department of Revenue, North Carolina Department of Public Instruction (DPI), Local Public Schools

EFFECTIVE DATE: This bill is effective for taxable years beginning January 1, 2011, and applies to semesters beginning on or after July 1, 2011. Certain changes to tax credit eligibility become effective January 1, 2016, and apply to semesters beginning on or after July 1, 2016.

BILL SUMMARY: The legislation creates a new tax credit for parents of children with special needs who choose to educate those children in a nonpublic school or in a public school at which tuition is charged per G.S. 155C-366.1. The credit amount is set at $3,000 per semester, up to two semesters a year (a maximum of $6,000 for a full academic or taxable year). The credit is non-refundable, but any unused portion of the credit may be carried forward for the succeeding three years.

To qualify for the tax credit, the taxpayer must be able to deduct a personal exemption for an "eligible dependent child." An "eligible dependent child" is one who:

1. Is a child with a disability as defined by G.S. 115C-06.3(1);
2. Was determined to require an individualized education program (IEP) as defined by G.S. 115C-06.3(8);
3. Receives special education or related services on a daily basis;
4. Is a child for whom the taxpayer is entitled to deduct a personal exemption under section 151(c) of the Code for the taxable year; and
5. Was enrolled in and attended a public school or receiving special education or related services through the public schools as a preschool child with a disability for at least the two preceding academic semesters prior to first receiving the tax credit.

In order to maintain eligibility, the bill would require all eligible dependent children to be reevaluated every three years by the local education agency (LEA) in order to verify that the child continues to be a child with a disability as defined by G.S. 115C-106.3(1). LEAs would be reimbursed for these evaluations from the Fund for Special Education and Related Services.

A student would no longer be eligible if he or she:

1. Was placed in a nonpublic school or facility by a public agency at public expense;
2. Spent time enrolled as a full-time student in a postsecondary educational institution;
3. Was 22 years or older during the entire semester; or
4. Graduated from high school prior to the end of the semester.

It is important to note that the initial eligibility requirement ("was enrolled in and attended a public school for at least the two preceding academic semesters prior to first receiving the tax credit") is changed from two academic semesters to one academic semester beginning with semesters beginning on or after July 1, 2016.

The legislation also amends G.S. 115-C to create the Fund for Special Education and Related Services ("the Fund"). The Fund will be a special revenue fund under the control of the State Board of Education. Revenue of the Fund will be used only for special educational and related services for children with disabilities. Revenue for the Fund will come from a transfer at the end of each fiscal year, beginning in fiscal year 2012-13, from income tax revenue, equal to the number of credits taken under this act multiplied by $2,000.

ASSUMPTIONS AND METHODOLOGY:

Overview

The impact of the bill is dependent entirely on choices made by parents of children who have special educational needs meeting the criteria specified in the bill. As there is no data available regarding elasticity of demand for the specific educational circumstances for which the tax credit is granted, this analysis must make an effort to estimate, using available data, potential public behavior in the presence of the new law.

Data and Assumptions

Size of the Tax Credit

This analysis assumes an average tax credit of $2,700 per year. Because the tax credit proposed by H344 is not refundable, most tax filers will not receive the full $6,000 tax credit. On tax returns with at least one dependent child and with adjusted gross income between $30,000 and $500,000, the median State tax liability was $2,700.[1] That means approximately half of the people qualifying for the tax credit proposed by this bill would receive a credit of $2,700 or less instead of $6,000. The allowance for carry-forward of the tax credit means that the median filer would receive tax credits of $2,700 and $600 in the two years after the eligible child is no longer receiving the credit.

Percent of Eligible Students Moving Out of Public School

This analysis assumes that 1% to 2% of eligible children will take advantage of the tax credit proposed by this bill. A program similar in design to the program proposed by this bill, Florida's McKay Scholarship Program for Students with Disabilities, has a participation rate of approximately 5%. There are several reasons why one would anticipate a significantly lower participation in the tax credits proposed by H344:

1. The McKay Program is marketed to students and their families. There are no funds available to market the tax credit proposed by this bill.
2. The McKay Program provides scholarships to any special needs student ranging from $4,746 to $19,133. The tax credits proposed by this bill are capped based on the parent or guardian's tax liability.
3. The McKay Program provides families with an up-front scholarship, while the tax credit proposed by H344 only reduces a parent or guardian's taxes after the parent or guardian has already paid the student's tuition.
4. Approximately half of the students receiving the McKay Scholarship are eligible for free or reduced-price lunch (family income of 185% of the poverty level, or less). Families qualifying for free or reduced-price lunch are unlikely to utilize a non-refundable tax credit to offset the costs of private school tuition.

Eligible Population of Students

DPI estimates that somewhere between 120,000 and 140,000 students could potentially meet the definition of "eligible dependent child" under this bill. DPI does not track which students receive special education or related services on a daily basis. Therefore, this analysis presents a range of possibly eligible students, rather than a point estimate. For future years, the number of eligible students is anticipated to grow by 1.37% per year, reflecting the 10-year average growth in average daily membership (ADM).

[1] Derived using the Fiscal Research Division's North Carolina Individual Income Tax Model.

Turnover Rate

This analysis assumes an annual turnover rate of eligible dependent children of 15%. That is, from one year to the next 15% of the children generating a tax credit in year 1 will not be generating a tax credit in year 2. There are many reasons for turnover, including loss of eligibility, moving out of State, or decision to place student back in a public school.

State and Local Expenditures per Student

The estimated reduction in State expenditure per child using the tax credit is $8,160, and the estimated reduction in local expenditures per child using the tax credit is $1,931. The FY 2010-11 State average transfer of appropriation to charter schools of $4,562 per child serves as a reasonable proxy for the total avoided annual State operational expenditure for a student who transfers out of a typical public school. The per child supplemental appropriation of $3,599 for each child with special needs (for up to 12.5% of a school system's population) serves as a reasonable proxy for the additional State average expenditure for a child with special needs. A total of $8,160 is therefore used as a proxy for the average operational savings to the State that results from a student with an IEP transferring (i.e., withdrawing) from the public schools to a nonpublic school. The average local expenditure per child for operational expenses is $1,931.

Estimated Fiscal Impact of Tax Credits

The fiscal impact of H344 primarily stems from two factors: number of tax credits issued, and students who transfer from public schools to nonpublic schools. The tax credits decrease State revenue. But each transferring student also reduces State and local expenditures on public schools, as State and local school systems would no longer be financially responsible for educating the child for which the credit was granted. The net impact is essentially the difference between the tax credit, and the expenditures per child.

Note that timing issues affect the first-year fiscal impact in three ways:

1. The analysis assumes the average tax credit granted in April 2012 is $1,350, reflecting those students moving out of public schools during the Fall 2011 semester.[2] In future years, a tax credit of $2,700 per year is assumed.
2. The percent of eligible students transferring out of public schools is discounted by 50% in the first year to account for limited public awareness of a new program. It is assumed that the program will not reach its full capacity of 1% to 2% of eligible students until the 2012-13 school year.
3. State and local governments do not realize savings from reduced expenditures until the 2012-13 fiscal year. This delay is because allotted ADM is based off of the higher of projected ADM or prior year actual ADM. Therefore, the reduced enrollment experienced in the 2011-12 school year will impact allotted ADM – and therefore State and local budgeting decisions – in the 2012-13 school year.

[2] For simplicity's sake, this analysis assumes that all taxes are filed, and credits granted, in April.

Fund for Special Education and Related Services
There is no net fiscal impact associated with the *creation of* the Fund, as this bill simply transfers monies into the Fund that would have otherwise ended up in the General Fund.

However, monies from the Fund are used to reimburse LEAs for reevaluations. The reimbursement of LEAs for reevaluation services represents a fiscal cost to the State, as reevaluations deplete the Fund and reduce amounts that would have otherwise been made available for services for children with disabilities

This analysis assumes an annual turnover rate of eligible dependent children of 15%. That is, given an initial cohort of 1,000 "eligible dependent children," one would anticipate needing 614 reevaluations three years later (1,000*0.85^3). Future cohorts of required evaluations are smaller than the initial cohort. New entrants in any given year are assumed to be the amount required to replace the 15% turnover, plus enough to account for overall program growth of 1.37% per year.

*****Assumes average tax credit in FY11-12 is $1,350. Assumes tax credit in all future years of $2,700.

TECHNICAL CONSIDERATIONS:
There are many technical considerations that should be considered as this fiscal note is based on a number of assumptions. The fiscal impact presented here is an estimate, and any number of factors could move the fiscal impact up or down in a significant way.

Gaming the System
It is possible, but unlikely, that some parents of potentially eligible children who have never attended public schools would enroll their children in public schools for the required two semesters in order to then be able to avail themselves of the credit in a subsequent year. It seems unlikely, however, that a significant number of parents who have already made a decision not to send their children to public schools would make this choice, even in the face of potential financial gain. The analysis therefore assumes that any costs associated with this group of children will be negligible. To the extent that this assumption is incorrect, the analysis will understate total cost and overstate total savings created by the bill.

HOUSE BILL 358
Committee Substitute Favorable 3/24/11

Short Title: Apex/Cary Annexation Into Chatham Restricted. (Local)

Sponsors:

Referred to:

March 16, 2011

A BILL TO BE ENTITLED

AN ACT TO REQUIRE THE APPROVAL OF THE BOARD OF COMMISSIONERS OF CHATHAM COUNTY BEFORE THE TOWNS OF APEX OR CARY MAY MAKE AN INVOLUNTARY ANNEXATION INTO CHATHAM COUNTY.

The General Assembly of North Carolina enacts:

SECTION 1. Neither the Towns of Apex nor Cary may adopt an annexation ordinance under Part 3 of Article 4A of Chapter 160A of the General Statutes that applies to any territory located within Chatham County unless the Board of Commissioners of Chatham County has, prior to the adoption of the annexation ordinance, approved a resolution or ordinance consenting to that annexation.

SECTION 2. This act is effective when it becomes law and applies with respect to any annexation ordinance adopted after the date this act becomes law.

HOUSE BILL 358:
Apex/Cary Annexation Into Chatham Restricted

2011-2012 General Assembly

Committee:	Senate Finance	**Date:**	June 15, 2011
Introduced by:	Reps. Hackney, Stam	**Prepared by:**	Greg Roney Committee Counsel
Analysis of:	Second Edition		

SUMMARY: House Bill 358 would require the Towns of Apex and Cary to obtain approval from the Chatham County Board of Commissioners before any involuntary annexation into Chatham County.

CURRENT LAW: Under Section 1 of Article VII of the N.C. Constitution, the General Assembly is empowered to "provide for the organization and government and the fixing of boundaries of counties, cities and towns, and other governmental subdivisions, and, except as otherwise prohibited by this Constitution, may give such powers and duties to counties, cities and towns, and other governmental subdivisions as it may deem advisable."

Pursuant to this Section, the General Assembly enacted Parts 2 and 3 of Article 4A of Chapter 160A of the General Statutes, which authorize municipalities to enact ordinances to involuntarily add territory to their municipal limits, if the area meets the statutory requirements for involuntary annexation. Generally, a municipality may involuntarily annex property if: (1) it is adjacent or contiguous to the city; (2) 1/8 of the external boundary area coincides with the city boundary; (3) it is not part of another city; and (4) it is developed for urban purposes.

BILL ANALYSIS: House Bill 358 would require the Towns of Apex and Cary to obtain approval from the Chatham County Board of Commissioners before adoption of any annexation ordinance under Part 3 of Article 4A of the Chapter 160A of the General Statutes, which governs involuntary annexation by cities of 5,000 or more, that applies to any territory in Chatham County.

EFFECTIVE DATE: This act is effective when it becomes law and applies to any annexation ordinance adopted after the date this act becomes law.

Giles S. Perry with the Research Division substantially contributed to this summary.

H358-SMTM-53(e2) v1

SENATE FINANCE COMMITTEE
Wednesday, June 15, 2011 at 6:10 PM
Room 643, Legislative Office Building

MINUTES

The Senate Finance Committee reconvened at 6:10 PM on June 15, 2011 in room 643 of the Legislative Office Building. Twenty-seven members of the committee attended the meeting. Senator Hartsell and Senator Rucho presided as chairs.

H.B. 339 – Housing Authority/Collect Unpaid Rent

Senator Rabon was recognized to explain the bill which would add a housing authority created by a city under Chapter 157 of the General Statutes to the list of local agencies authorized under the Setoff Debt Collection Act to collect unpaid rent from a tenant by obtaining a setup against a debtor's North Carolina tax refund. Senator Meredith moved for a favorable report and the motion carried. A copy of the bill and the summary is attached.

H.B. 453 – Allow Salary Protection Insurance

Representative Dockham was recognized to explain the bill. It authorizes surplus lines insurers to offer "salary protection insurance" that insures against the loss of earned income because of disability from sickness, ailment, or bodily injury. The maximum benefit payable to an individual (or an individual's beneficiary) from salary protection insurance and any in-force disability income insurance is 75% of the individual's annual earned income. Senator Brock moved for a favorable report and the motion carried. A copy of the bill and the summary is attached.

H.B. 417- Extend Time for Site of Low/Mod. Inc. Housing

Representative McGrady was recognized to explain the bill. It extends from 5 years to 10 years the maximum time period that real property owned by a nonprofit organization as a future site for low or moderate income housing may be exempted from taxation. Senator Kinnaird moved for a favorable report and the motion carried. A copy of the bill and the summary is attached.

H.B. 512 – Rendering Act Amendments

Senator Brock was recognized to explain the bill and moved to adopt the proposed committee substitute (PCS) for discussion. The motion carried. The PCS adds a licensing requirement for collectors of waste kitchen grease to the statutes governing the licensing and regulation of rendering plants. It also changes the House Bill to be identical to the Senate companion. Senator Kinnaird moved for a favorable report and the motion carried. A copy of the PCS and the summary is attached.

H.B. 662 – Electronic Monitoring Fee

Senator Rabon was recognized to explain the bill. It authorizes counties that provide electronic monitoring imposed as a condition of a defendant's bond or pretrial release to collect a fee from the defendant for the actual costs of providing the monitoring or the jail fee authorized in G.S. 7A-313, whichever is less. The fee may not be collected from a defendant who is determined to be indigent and entitled to court-appointed counsel. Senator Atwater moved for a favorable report and the motion carried. A copy of the bill and the summary is attached.

S.B. 467 – Naturopathic Licensing Act

Senator Hartsell was recognized to explain the bill. It would establish the North Carolina Naturopathic Doctors Licensure Act and adds performing acts of prenatal, intrapartum, postpartum, newborn, and interconceptual care to the list of acts prohibited by naturopathic doctors. It also changes the penalty for practicing without licensure from a Class I misdemeanor to a Class I felony. Dr. Susan Delay was recognized to answer questions. Sandy Sands, representing the NC Chiropractic Association was recognized to say that the chiropractors had no opposition to this version of the bill. Chip Baggett, NC Medical Society's lobbyist, was recognized to object to the bill. Senator Hartsell requested that the bill be displaced so that differences could be mediated. A copy of the bill, the summary and the fiscal memo is attached.

S.B. 682 – Tax Deduction for Sharing Health Care Costs

Senator Hunt was recognized to explain the bill which would grant an income tax deduction to individual who pay the medical expenses of other individuals through a health care sharing organization. Senator Atwater moved for a favorable report and the motion carried. A copy of the bill and the fiscal memo is attached.

H.B. 113 – Motorcycle Safety Act

Senator Soucek was recognized to explain the bill. It creates an enhanced penalty for violation of an existing motor vehicle law, which requires drivers to check for safety and then signal before making certain movements, if the violation causes a motorcycle to leave its travel lane or results in a crash causing property damage or injury to a motorcycle operator. Senator Meredith moved for a favorable report and the motion carried. A copy of the bill and the summary is attached.

H.B. 596 – Transfer Surplus Prop. To Retirement System

Representative Stam was recognized to explain the bill. It modifies the allocation of the proceeds from the disposition of surplus real property with an appraised value below $6,000,000 as follows: 25% to the State agency allocated the property, 25% to the General Fund, and 50% to the Teachers' and State Employees' Retirement System.

Senator Stevens moved for a favorable report and the motion carried. A copy of the bill and the summary is attached.

H.B. 751 – Clarify Mill Machinery Privilege Tax

Senator Brock was recognized to explain the bill. Senator Newton moved to adopt the PCS for discussion and the motion carried. The bill substitutes the 1%, $80 cap excise tax for the State and local sales and use tax on the following: 1) specialized equipment purchased by a business for use at a port facility to unload or process bulk cargo to make it suitable for delivery to and use by manufacturing facilities, and 2) mill machinery, distribution machinery, or parts or accessories for mill machinery purchased by a large manufacturing and distribution facility for storage, use or consumption in this State. The PCS adjusts the investment and employment levels, and provides a sales tax refund for purchases made on or after July 1, 2012, and before July 1, 2013; the refund is payable on or after July 1, 2013, so that the bill does not impact budget availability for this biennium. Senator Goolsby was recognized to offer an amendment which would add two provisions to the bill. The first authorizes the Secretary of Commerce to designate certain areas as Port Enhancement Zones and makes certain businesses located within these zones eligible to tier one tax treatment. The second part requires a reduction of the tax credit for substantial investment in other property if the requisite number of people employed at the location falls below the statutory requirement of 200 employees. Senator Goolsby moved for the adoption of the amendment and the motion carried. Senator Daniel was recognized to offer an amendment which amends the authorization to issue special indebtedness for an educational building at Appalachian State University. He moved for the adoption of the amendment and the motion carried. Canaan Huie, Department of Revenue counsel, was recognized to further explain the bill and answer questions. Senator Brock moved for a favorable report and the motion carried. A copy of the PCS, the summary, and the amendments is attached.

The meeting adjourned at 7:58 PM.

HOUSE BILL 339
Committee Substitute Favorable 4/13/11

Short Title: Housing Authority/Collect Unpaid Rent. (Public)

Sponsors:

Referred to:

March 15, 2011

A BILL TO BE ENTITLED

AN ACT AUTHORIZING A HOUSING AUTHORITY TO COLLECT UNPAID DELINQUENT DEBT BY SETTING OFF THE DEBT AGAINST A STATE INCOME TAX REFUND DUE A TENANT OR FORMER TENANT OF THE HOUSING AUTHORITY.

The General Assembly of North Carolina enacts:

SECTION 1. G.S. 105A-2(6) reads as rewritten:

"(6) Local agency. – Any of the following:

a. A county, to the extent it is not considered a State agency.

b. A municipality.

c. A water and sewer authority created under Article 1 of Chapter 162A of the General Statutes.

d. A regional joint agency created by interlocal agreement under Article 20 of Chapter 160A of the General Statutes between two or more counties, cities, or both.

e. A public health authority created under Part 1B of Article 2 of Chapter 130A of the General Statutes or other authorizing legislation.

f. A metropolitan sewerage district created under Article 5 of Chapter 162A of the General Statutes.

g. A sanitary district created under Part 2 of Article 2 of Chapter 130A of the General Statutes.

h. A housing authority created under Chapter 157 of the General Statutes, provided that the debt owed to a housing authority has been reduced to a final judgment in favor of the housing authority."

SECTION 2. This act becomes effective October 1, 2011.

HOUSE BILL 339:
Housing Authority/Collect Unpaid Rent

2011-2012 General Assembly

Committee:	Senate Finance	**Date:**	June 14, 2011
Introduced by:	Rep. Cook	**Prepared by:**	Cindy Avrette Committee Counsel
Analysis of:	Second Edition		

SUMMARY: ***House Bill 339 would add a housing authority created by a city under Chapter 157 of the General Statutes to the list of local agencies authorized under the Setoff Debt Collection Act to collect unpaid rent from a tenant by obtaining a setoff against a debtor's North Carolina tax refund.***

CURRENT LAW: The Setoff Debt Collection Act authorizes State and local agencies to collect debts by diverting part or all of a debtor's North Carolina tax refund to pay a debt that an individual or a business owes to a particular agency.[1] Before January 1, 2001, the setoff program was open only to State agencies. Now, counties and municipalities participate through a clearinghouse. Because there are so many local agencies, funneling their claims through a clearinghouse avoids an undue administrative burden on the Department of Revenue. A $15.00 collection assistance fee is added to each local agency debt submitted for setoff, which is remitted to the clearinghouse that submitted the debt. The fee does not, however, apply to child support debts. While the use of debt setoff for State agencies is mandatory, usage by local agencies is optional. The Act also only applies to debts that are at least $50 and to a refund that is at least this same amount. Local agencies are required to give written notice to the debtor of the intent to submit the debt for setoff, explaining the basis for the agency's claim, that the agency intends to apply the debtor's refund against the debt, and that an administrative fee of $15 will be charged.

Currently, local agencies include:

- A county
- A municipality
- A water and sewer authority
- A regional joint agency created by interlocal agreement under Article 20 of Chapter 160A of the General Statutes between two or more counties, cities, or both
- A public health authority
- A metropolitan sewerage district
- A sanitary district

BILL ANALYSIS: This bill would allow a housing authority created under Chapter 157 of the General Statutes to participate under the Setoff Debt Collection Act in the same manner as counties and cities. Like counties and cities, these agencies would be authorized to submit their debts for collection by setoff through a local clearinghouse only after providing the debtor with notice, an opportunity to be heard before the authority, and an appeal process pursuant to the Administrative Procedure Act.

EFFECTIVE DATE: This act is effective October 1, 2011.

H339-SMRB-102(e2) v1

[1] Prior to 2010, the Setoff Debt Collection Act applied only to income tax refunds. S.L. 2010-31, Section 31.8, expanded the Act to apply to any type of tax refund.

HOUSE BILL 453

Short Title:	Allow Salary Protection Insurance.	(Public)
Sponsors:	Representative Dockham (Primary Sponsor). For a complete list of Sponsors, see Bill Information on the NCGA Web Site.	
Referred to:	Insurance.	

March 24, 2011

A BILL TO BE ENTITLED

AN ACT TO AUTHORIZE THE PLACEMENT AND ISSUANCE OF SALARY PROTECTION INSURANCE UNDER THE SURPLUS LINES ACT.

The General Assembly of North Carolina enacts:

SECTION 1. G.S. 58-21-10 reads as rewritten:

"**§ 58-21-10. Definitions.**

As used in this Article:

(1) "Admitted insurer" means an insurer licensed to do an insurance business in this State.

(2) "Capital", as used in the financial requirements of G.S. 58-21-20, means funds paid in for stock or other evidence of ownership.

(3) "Eligible surplus lines insurer" means a nonadmitted insurer with which a surplus lines licensee may place surplus lines insurance under G.S. 58-21-20.

(4) "Export" means to place surplus lines insurance with a nonadmitted insurer.

(5) "Nonadmitted insurer" means an insurer not licensed to do an insurance business in this State. This definition includes insurance exchanges authorized under the laws of various states.

(6) "Producing broker" means an agent or broker licensed under Article 33 of this Chapter who deals directly with the party seeking insurance and who may also be a surplus lines licensee.

(6a) "Salary protection insurance" means insurance against financial loss caused by the cessation of earned income because of disability from sickness, ailment, or bodily injury.

(7) "Surplus", as used in the financial requirements of G.S. 58-21-20, means funds over and above liabilities and capital of the company for the protection of policyholders.

(8) "Surplus lines insurance" means any insurance in this State of risks resident, located, or to be performed in this State, permitted to be placed through a surplus lines licensee with a nonadmitted insurer eligible to accept such insurance, ~~other than~~ including salary protection insurance. The term does not include reinsurance, commercial aircraft insurance, wet marine and transportation insurance, insurance independently procured pursuant to G.S. 58-28-5, life and accident or health insurance, and annuities.

(9) "Surplus lines licensee" means a person licensed under G.S. 58-21-65 to place insurance on risks resident, located, or to be performed in this State with nonadmitted insurers eligible to accept such insurance.

(10) "Wet marine and transportation insurance" means:

a. Insurance upon vessels, crafts, hulls and of interests therein or with relation thereto;

b. Insurance of marine builder's risks, marine war risks and contracts of marine protection and indemnity insurance;

c. Insurance of freights and disbursements pertaining to a subject of insurance coming within this subsection; and

d. Insurance of personal property and interests therein, in the course of exportation from or importation into any country, or in the course of transportation coastwise or on inland waters including transportation by land, water, or air from point of origin to final destination, in connection with any and all risks or perils of navigation, transit or transportation, and while being prepared for and while awaiting shipment, and during any delays, transshipment, or reshipment incident thereto."

SECTION 2. Article 21 of Chapter 58 is amended by adding a new section to read:

"**§ 58-21-22. Limitation on amount of salary protection insurance.**

When salary protection insurance benefits are payable to an individual or an individual's beneficiary, the amount of salary protection insurance plus the amount of any in-force disability income insurance, if the individual can obtain disability insurance from an admitted insurer, shall not exceed seventy-five percent (75%) of the individual's annual earned income. As used in this section, "disability income insurance" has the same meaning as "accident and health insurance" in G.S. 58-7-15(3)."

SECTION 3. This act becomes effective October 1, 2011.

HOUSE BILL 453:
Allow Salary Protection Insurance

2011-2012 General Assembly

Committee:	Senate Finance	**Date:**	June 14, 2011
Introduced by:	Rep. Dockham	**Prepared by:**	Greg Roney Committee Counsel
Analysis of:	First Edition		

SUMMARY: ***House Bill 453 authorizes surplus lines insurers to offer "salary protection insurance" that insures against the loss of earned income because of disability from sickness, ailment, or bodily injury. The maximum benefit payable to an individual (or an individual's beneficiary) from salary protection insurance and any in-force disability income insurance is 75% of the individual's annual earned income.***

Because the bill would create a new type of insurance subject to the premium receipts tax (G.S. 58-21-85), the bill must be re-referred to Senate Finance.

CURRENT LAW: Surplus lines insurers are allowed to offer coverage that is not available from insurers licensed in the State, referred to as admitted insurers. G.S. 58-21-85 imposes a 5% tax on the gross premiums charged for surplus lines insurance. State law does not currently allow surplus lines insurers to offer salary protection insurance through normal channels such as agents for surplus lines insurers.

G.S. 58-28-5 allows individuals to independently procure (i.e., without the involvement of an agent, broker, or surplus lines licensee) salary protection insurance. Individuals who independently procure insurance must file a report and pay a 5% tax on the gross premiums.

G.S. 58-51-130 gives the standards for disability income insurance offered by admitted insurers.

BILL ANALYSIS: Section 1 of House Bill 453 would amend G.S. 58-21-10 to define "Salary protection insurance" as "insurance against financial loss caused by cessation of earned income because of disability from sickness, ailment, or bodily injury." The definition of "Surplus lines insurance" is expanded to specifically include salary protection insurance.

Section 2 of House Bill 453 would add a new section to Chapter 58 (G.S. 58-21-22) setting the maximum benefit payable to an individual (or an individual's beneficiary) from salary protection insurance and any in-force disability income insurance at 75% of the individual's annual earned income. For the 75% limit on annual earned income, disability income insurance from an admitted insurer is defined as "insurance against death or personal injury by accident or by any specified kinds of accident and insurance against sickness, ailment or bodily injury."

BACKGROUND: As an industry practice, admitted insurers offer disability insurance limited to 60% of an individual's earned income with a monthly maximum benefit of $15,000. Extremely high earning individuals such as athletes and performers cannot purchase disability insurance sufficient to replace their monthly income due to the $15,000 monthly maximum benefit. House Bill 453 would allow surplus lines insurers to offer salary protection insurance capped at a statutory maximum of 75% of the individual's annual earned income.

EFFECTIVE DATE: House Bill 453 would become effective October 1, 2011.

HOUSE BILL 417

Short Title:	Extend Time For Site Of Low/Mod. Inc. Housing.	(Public)

March 22, 2011

A BILL TO BE ENTITLED

AN ACT TO EXTEND THE TIME PERIOD FOR HOLDING REAL PROPERTY AS A FUTURE SITE FOR HOUSING FOR LOW- OR MODERATE-INCOME INDIVIDUALS AND FAMILIES.

The General Assembly of North Carolina enacts:

SECTION 1. G.S. 105-278.6 reads as rewritten:

"**§ 105-278.6. Real and personal property used for charitable purposes.**

(a) Real and personal property owned by:

...

(8) A nonprofit organization providing housing for individuals or families with low or moderate incomes

shall be exempted from taxation if: (i) As to real property, it is actually and exclusively occupied and used, and as to personal property, it is entirely and completely used, by the owner for charitable purposes; and (ii) the owner is not organized or operated for profit.

...

(e) Real property held by an organization described in subdivision (a)(8) for a charitable purpose under this section as a future site for housing for individuals or families with low or moderate incomes may be classified under this section for no more than ~~five~~ 10 years. The taxes that would otherwise be due on real property exempt under this subsection shall be a lien on the property as provided in G.S. 105-355(a). The taxes shall be carried forward in the records of the taxing unit as deferred taxes. The deferred taxes are due and payable in accordance with G.S. 105-277.1F when the property loses its eligibility for deferral as a result of a disqualifying event. A disqualifying event occurs when the property was not used for low- or moderate-income housing within ~~five~~ 10 years from the first day of the fiscal year the property was classified under this subsection. In addition to the provisions in G.S. 105-277.1F, all liens arising under this subdivision are extinguished when the property is used for low- or moderate-income housing within the time period allowed under this subsection."

SECTION 2. This act is effective for taxes imposed for taxable years beginning on or after July 1, 2011.

HOUSE BILL 417:
Extend Time For Site Of Low/Mod. Inc. Housing

2011-2012 General Assembly

Committee:	Senate Finance	**Date:**	June 14, 2011
Introduced by:	Rep. McGrady	**Prepared by:**	Greg Roney
Analysis of:	First Edition		Committee Counsel

SUMMARY: ***House Bill 417 would extend from 5 years to 10 years the maximum time period that real property owned by a nonprofit organization as a future site for low or moderate income housing may be exempted from taxation.***

CURRENT LAW: Real and personal property owned by a nonprofit organization providing housing for individuals or families with low or moderate incomes is exempt from property taxation if the owner is not organized or operated for profit and (1) as to real property, it is actually and exclusively occupied and used and (2) as to personal property, it is entirely and completely used by the owner for charitable purposes.

Real property held by a nonprofit organization as a future site for housing for individuals or families with low or moderate incomes may be exempted from taxation for a maximum of 5 years. The taxes otherwise due are a lien on the property. The taxes are carried forward to the next year as deferred taxes and are due if the property loses eligibility because of a disqualifying event. A disqualifying event occurs when the property is not used for low or moderate income housing within 5 years from the first day of the fiscal year the property was classified as exempt.

BILL ANALYSIS: House Bill 417 would provide that real property held by a nonprofit organization as a future site for low or moderate income housing may be exempted from taxation for a maximum of 10 years.

EFFECTIVE DATE: This act is effective for taxes imposed for taxable years beginning on or after July 1, 2011.

Brad Krehely, counsel to House Commerce, substantially contributed to this summary.

March 30, 2011

A BILL TO BE ENTITLED

AN ACT TO AMEND THE LAWS GOVERNING RENDERING PLANTS AND OPERATIONS AND TO BRING THE COLLECTION OF WASTE KITCHEN GREASE WITHIN THE PURVIEW OF THE ACT.

The General Assembly of North Carolina enacts:

SECTION 1. Article 14A of Chapter 106 of the General Statutes reads as rewritten:

"Article 14A.

"Licensing and Regulation of Rendering ~~Plants and~~ Plants, Rendering ~~Operations.~~Operations, and Waste Kitchen Grease Collection.

"§ 106-168.1. Definitions.

For the purposes of this Article, unless the context or subject matter otherwise clearly ~~requires,~~ requires:

(1) "Collector" means any person, as defined in this section, who collects raw material or waste kitchen grease for the purpose of selling the same to any renderer or other person for further processing. "Collector" does not include restaurants or other food establishments that generate kitchen grease.

(1a) "Farmer" means any person actively engaged in agriculture as defined in G.S. 106-581.1. "Farmer" does not include a person who cultivates a garden solely for personal use.

...

(6) "Waste kitchen grease" means animal fats or vegetable oils that have been used, and will not be reused, for cooking in a food establishment. "Waste kitchen grease" does not include grease septage as defined in G.S. 130A-290.

"§ 106-168.2. License required.

No person shall engage in rendering operations or act as a collector of waste kitchen grease unless such person shall hold a valid license to do so issued as hereinafter provided.

"§ 106-168.3. Exemptions.

Nothing in this Article shall apply to the premises or the rendering operations on the premises of any establishment operating under a numbered permit from the North Carolina

Department of Agriculture and Consumer Services as provided by the North Carolina Meat Inspection Act, or under United States government ~~inspection.~~inspection; provided, however, no person shall be exempt from the requirements of this Article when acting as a collector of waste kitchen grease.

"§ 106-168.4. Application for rendering license.

Application for license shall be made to the Commissioner of Agriculture, hereinafter called the "Commissioner," on forms provided by ~~him.~~the Commissioner. The application shall set forth the name and residence of the applicant, ~~his~~ the applicant's present or proposed place of business, the particular method which ~~he~~ the applicant intends to employ or employs in the processing of raw material, and such other information as the Commissioner may ~~require, except that the Commissioner shall not require the submission of blueprints, plans, or specifications of the existing plant or equipment of any person owning and operating a rendering plant in North Carolina on January 1, 1953.~~ require. The applicant shall pay a fee of ~~fifty dollars ($50.00)~~ one hundred dollars ($100.00) with each ~~application, which said fee shall be the only charge made in connection with licensure.~~application and a renewal fee of one hundred dollars ($100.00) annually after meeting the renewal requirements of this Article.

"§ 106-168.5. Duties of Commissioner upon receipt of ~~application;~~ the application for a rendering license; inspection committee.

Upon receipt of the ~~application,~~ application for a rendering license, the Commissioner shall promptly cause the rendering plant and equipment, or the plans, specifications, and selected site, of the applicant to be inspected by an inspection committee hereinafter called the "committee," which shall be composed of three members: One member who shall be designated by the Commissioner of Agriculture and who shall be an employee of the Department of Agriculture and Consumer Services, one member who shall be designated by the Secretary of Health and Human Services and who shall be an employee of the Department of Health and Human Services, and one member who shall be designated by the ~~director~~ board of directors of the North Carolina ~~Division of the Southeastern~~ Renderers Association, and who shall be a person having practical knowledge of rendering operations. Each member may be designated and relieved from time to time at the discretion of the designating authority. No State employee designated as a member of the committee shall receive any additional compensation therefor and no compensation shall be paid by the State to any other member.

"§ 106-168.6. Inspection by committee; certificate of specific findings.

...

"§ 106-168.7. Issuance of rendering license.

Upon receipt of the certificate of compliance from the committee, the Commissioner shall issue a rendering license to the applicant to conduct rendering operations as specified in the application. A license shall be valid ~~until revoked for cause as hereinafter provided.~~for one year and shall be renewed upon submission of a certification under oath of compliance with the requirements of this Article for licensure and payment of the annual renewal fee.

"§ 106-168.8. Minimum standards for conducting rendering operations.

The following minimum standards shall be required for all rendering operations subject to the provisions of this Article:

...

(8) Proof of general liability insurance of one million dollars ($1,000,000) shall be made in a manner satisfactory to the Commissioner.

"§ 106-168.9. Transportation by licensee.

Any person holding a rendering license under the provisions of this Article, or acting as a collector as herein defined, may haul and transport raw ~~material,~~ material or waste kitchen grease, except such material or waste kitchen grease as may be specifically prohibited by law or

by the rules and regulations promulgated by the Commissioner, when such transporting and hauling is done in accordance with the provisions of this Article.

"§ 106-168.10. Disposal of diseased animals.

Any person holding a rendering license under the provisions of this Article is authorized to kill diseased, sick, old or crippled animals on the premises of the owner upon his request; provided that no animal known to have tuberculosis, Bang's disease, anthrax, or any other disease for which quarantine may be imposed, shall be removed from any premises placed under quarantine without permission of the State Veterinarian, or his authorized agent. The licensee shall keep and make available to the Commissioner, upon request, such records as the Commissioner may require with respect to the collection and disposal of dead animals.

"§ 106-168.11. Authority of agents of rendering licensee.

Authority granted to any person holding a valid rendering license under the provisions of this Article shall extend also to the agents and employees of such person while acting within the scope of their authority. All such agents and employees shall comply with the provisions of this Article and rules and regulations not inconsistent therewith, and shall display evidence of such employment or agency upon proper request at any time while so acting.

"§ 106-168.12. Commissioner authorized to adopt rules and regulations.

...

"§ 106-168.13. Effect of failure to comply.

...

"§ 106-168.14. Collectors of raw material subject to certain provisions.

Any ~~collector,~~ collector of raw material, as defined in ~~this Article,~~G.S. 106-168.1, shall be subject to the provisions of subdivision (5) and subdivision (6) of G.S. ~~106-168.8~~106-168.8 and the provisions of G.S. 106-168.9, and any rules and regulations adopted by the Commissioner pursuant thereto.

"§ 106-168.14A. Collectors of waste kitchen grease subject to certain provisions.

(a) Any collector of waste kitchen grease shall submit an application for licensure to the Commissioner not less than 30 days before conducting any such collection or transportation. Licensure shall be for one year. The application shall be submitted in accordance with a procedure established by the Commissioner for this purpose. The application shall include all of the following:

(1) The applicant's name and address.

(2) A description of the operations to be performed by the applicant.

(3) The make, model, license number, and vehicle identification number of any vehicle to be used for the transportation of waste kitchen grease.

(4) A nonrefundable application fee of one hundred dollars ($100.00).

(b) The Commissioner shall issue each licensee a unique license number and a certificate. The license shall be renewable annually January 1, when accompanied by a one hundred dollar ($100.00) licensing renewal fee and certification of compliance with the provisions of this Article.

(c) Every licensee shall record, maintain for two years, and make available for inspection by the Department all of the following information:

(1) The name and address of each location or person from which the registrant obtained the waste kitchen grease for transportation.

(2) The quantity of material received from each location or person.

(3) The date on which the waste kitchen grease was obtained from each location or person.

(4) The waste kitchen grease operation or other processor to whom the waste kitchen grease was delivered.

(d) No person required to be licensed under this Article shall collect or transport waste kitchen grease without all of the following:

(1) Having in his or her possession a copy of the license required by this Article or other proof that the person is in compliance with the licensure requirement of this Article.

(2) Conspicuously displaying the licensee's name and the license number in letters not less than three inches high on any vehicle used for the transportation of waste kitchen grease.

(e) It shall be a violation of this Article for a collector to do any of the following:

(1) Sell or offer for sale to any person unlicensed under this Article any waste kitchen grease, knowing such unlicensed person would transport such waste kitchen grease in violation of this Article.

(2) Steal, misappropriate, contaminate, or damage any waste kitchen grease container or grease therein.

(3) Take or possess waste kitchen grease from a collector that is not licensed under this section unless otherwise allowed under this Article, or knowingly take possession of waste kitchen grease that has been stolen.

(4) Place a label on a waste kitchen grease container owned by another person in order to assert ownership over the container.

(f) This section does not apply to a farmer who collects waste kitchen grease for a use that is related to his or her farm.

"**§ 106-168.14B. Presumption of ownership.**

A container in which waste kitchen grease is deposited that bears a name on the container shall be presumed to be owned by that person named on the container.

"**§ 106-168.15. Violation a misdemeanor.**

Any person conducting rendering operations or collecting raw material or waste kitchen grease in violation of the provisions of this Article shall be guilty of a Class 1 misdemeanor.

"**§ 106-168.16. Civil penalties.**

The Commissioner may assess a civil penalty of not more than five thousand dollars ($5,000) against any person who violates a provision of this Article or any rule promulgated thereunder. In determining the amount of the penalty, the Commissioner shall consider the degree and extent of harm caused by the violation.

The clear proceeds of civil penalties assessed pursuant to this section shall be remitted to the Civil Penalty and Forfeiture Fund in accordance with G.S. 115C-457.2."

SECTION 2. Article 16 of Chapter 14 of the General Statutes is amended by adding a new section to read:

"**§ 14-79.2. Larceny of waste kitchen grease.**

If any person shall take and carry away, or shall aid in taking or carrying away, any waste kitchen grease container or the waste kitchen grease contained therein, which container bears a notice that unauthorized removal is prohibited without written consent of the owner of the container, that person shall be guilty of:

(1) A Class 1 misdemeanor if the value of the waste kitchen grease container, or the container and the waste kitchen grease contained therein, is one thousand dollars ($1,000) or less.

(2) A Class H felony if the value of the waste kitchen grease container, or the container and the waste kitchen grease contained therein, is more than one thousand dollars ($1,000)."

SECTION 3. This act becomes effective January 1, 2012, and applies to offenses committed on or after that date.

HOUSE BILL 512:
Rendering Act Amendments

2011-2012 General Assembly

Committee:	Senate Finance	**Date:**	June 14, 2011
Introduced by:	Rep. Torbett	**Prepared by:**	Heather Fennell Committee Counsel
Analysis of:	PCS to Third Edition H512-CSTD-56		

SUMMARY: The PCS to House Bill 512 would add a licensing requirement for collectors of waste kitchen grease to the statutes governing the licensing and regulation of rendering plants.

The PCS changes the House Bill to be identical to the Senate companion, which was given a favorable report by Senate Finance on June 9, 2011.

[As introduced, this bill was identical to S599, as introduced by Sens. Bingham, Brock, Rouzer, which is currently in House Finance.]

CURRENT LAW: The collection of waste kitchen grease currently is not regulated. Persons engaged in rendering operations are required to obtain a rendering license for $50. The license is valid until revoked for cause. Rendering operations is defined as the processing of inedible whole or portion of animal or poultry carcasses and includes collection of such raw material for the purpose of processing.

BILL ANALYSIS: The PCS to House Bill 512 would amend the laws governing the licensing and regulation of rendering plants to include the collection of waste kitchen grease. The bill would add a definition of "waste kitchen grease" to mean animal fats or vegetable oils that have been used and will not be reused for cooking in a food establishment. It does not include grease septage.

Section 1 would do the following:

- Require persons engaged in collecting waste kitchen grease to obtain an annual license for $100, similar to a rendering operations license. Collectors of waste kitchen grease would be required to apply for a license not less than 30 days before beginning collection or transportation of the waste. Applications are to include (1) name and address, (2) description of operations, (3) make, model, license number and vehicle id number of vehicles used to transport waste kitchen grease, and (4) $100 application fee.
- Require waste kitchen grease licensees to have a copy of their license in their possession at all times or other proof of compliance when collecting or transporting waste, waste kitchen grease. The licensee's name and license number must be conspicuously displayed (3" or greater letters) on any vehicle used to transport waste kitchen grease.
- Require waste kitchen grease licensees to keep records for two years and these records must be made open to the Department for inspection. Records must contain (1) name and address of each location or person from whom waste kitchen grease was obtained, (2) quantity of material from each location, (3) date on which material was obtained, and (4) the waste kitchen grease operation or other processor to whom the waste was delivered.
- Make it unlawful for collectors to (1) sell or offer to sell waste kitchen grease to a person not licensed to transport the waste, (2) steal, contaminate, or damage any waste kitchen grease container or grease, (3) take grease from an unlicensed collector or knowingly take possession of grease that has been stolen, or (4) place a label on a waste kitchen grease container owned by another in order to assert ownership of the container.

- Increase the application fee for a rendering license from $50 to $100 and add an annual renewal fee of $100.
- Add a requirement for proof of general liability insurance in the amount of $1 million dollars for a rendering operation.
- Clarify that a person holding a rendering license or acting as a collector may haul and transport raw materials or waste kitchen grease.
- Clarify that a person holding a rendering license (and not a collector of waste kitchen grease) may kill diseased, old, or crippled animals on the premises of the owner if asked.

Any person collecting waste kitchen grease in violation of these provisions would be subject to a Class 1 misdemeanor[1] and up to a $5,000 civil penalty assessed by the Commissioner of Agriculture. (Under current law, violations of rendering operations are already subject to a Class 1 misdemeanor and up to $5,000 in civil penalties assessed by the Commissioner.)

These provisions do not apply to a farmer who collects waste kitchen grease for use related to his or her farm. There is a presumption that a waste kitchen grease container belongs to the person whose name is on the container.

Section 2 would make it a Class H felony[2] to take or aid in the taking of a waste kitchen grease container or the waste kitchen grease contained therein, if the container bears a notice that unauthorized removal is prohibited without the written consent of the owner, and the value of the container or the container with the grease, is more than $1,000. If the value is $1,000 or less, then the offense is a Class 1 misdemeanor.

EFFECTIVE DATE: The act would become effective January 1, 2012 and apply to offenses occurring on or after that date.

Barbara Riley, committee counsel to House Agriculture, substantially contributed to this summary.

H512-SMTD-103(CSTD-56) v1

[1] Assuming no prior convictions, a Class 1 misdemeanor would be subject to 1 to 45 days community punishment.
[2] Assuming no prior points, a Class H felony would be subject to 3 to 8 months of community punishment, intermediate punishment, or active punishment.

GENERAL ASSEMBLY OF NORTH CAROLINA
SESSION 2011

H 3

HOUSE BILL 662
Committee Substitute Favorable 6/1/11
Third Edition Engrossed 6/2/11

Short Title: Electronic Monitoring Fee. (Public)

Sponsors:

Referred to:

April 7, 2011

A BILL TO BE ENTITLED

AN ACT TO AUTHORIZE COUNTIES THAT PROVIDE ELECTRONIC MONITORING FOR OFFENDERS TO COLLECT A FEE TO RECOVER THE ACTUAL COSTS OF PROVIDING THAT MONITORING.

The General Assembly of North Carolina enacts:

SECTION 1. Article 28 of Chapter 7A of the General Statutes is amended by adding a new section to read:

"**§ 7A-313.1. Fee for costs of electronic monitoring.**

A county that provides the personnel, equipment, and other costs of providing electronic monitoring as a condition of an offender's bond or pretrial release may collect a fee from the offender that is the lesser of the amount of the jail fee authorized in G.S. 7A-313 or the actual cost of providing the electronic monitoring. A county may not collect a fee from an offender who is determined to be indigent and entitled to court-appointed counsel."

SECTION 2. This act becomes effective July 1, 2011.

HOUSE BILL 662:
Electronic Monitoring Fee

2011-2012 General Assembly

Committee:	Senate Finance	**Date:**	June 14, 2011
Introduced by:	Reps. Cook, Shepard	**Prepared by:**	Trina Griffin
Analysis of:	Third Edition		Committee Counsel

SUMMARY: ***House Bill 662 would authorize counties that provide electronic monitoring imposed as a condition of a defendant's bond or pretrial release to collect a fee from the defendant for the actual costs of providing the monitoring or the jail fee authorized in G.S. 7A-313, whichever is less. The fee may not be collected from a defendant who is determined to be indigent and entitled to court-appointed counsel. This bill would become effective July 1, 2011.***

CURRENT LAW: In 2009, the General Assembly made changes concerning the process for determining the conditions of pretrial release. House arrest with electronic monitoring ("Electronic house arrest" or "EHA") was established as a fifth type of pretrial release and, if imposed, requires the defendant to execute a secured bond. House arrest with electronic monitoring requires a defendant to remain at his or her residence unless the court has authorized the defendant to leave for the purpose of employment, counseling, a course of study, or vocational training. The defendant is also required to wear a device that permits the supervising agency to electronically monitor the defendant's compliance with the condition. The legislation did not provide any funds to implement EHA for pretrial release purposes. Upon conviction, a defendant who was placed on EHA within the scope of pretrial release services administered by a county agency is assessed a one-time $15 fee,[1] which is remitted to the county providing the service.[2] However, there is no statutory authority to assess a fee for defendants who are not convicted or for an amount greater than $15 for those who are convicted. Therefore, other than the $15 fee as described, counties currently bear the cost of EHA.[3]

The cost of administering an EHA progam varies. As a reference, it costs the Department of Correction $11.07 per defendant per day for GPS monitoring; Pitt County indicates that it costs $16.00 per defendant per day to implement its program. Also, a defendant who is subject to house arrest as a special condition of probation or who is subject to satellite-based monitoring due to conviction of certain sex offenses must pay a one-time $90 electronic monitoring device fee, which is paid to the clerk of court. The fee may be waived for good cause and upon motion of the defendant.

BILL ANALYSIS: House Bill 662 would authorize counties that provide the personnel, equipment, and other costs of providing electronic monitoring as a condition of an offender's bond or pretrial release to collect a fee directly from the defendant representing the lesser of the following:

- The actual cost of providing the electronic monitoring. "Actual costs" could cover rental of the equipment as well as administrative costs for personnel and other aspects of the program. The fee may vary from county to county depending on how a county calculates its actual cost.

[1] G.S. 7A-304(a)(5).

[2] The cost may only be assessed if the defendant was accepted and released to the supervision of the agency providing the pretrial release service.

[3] S.L. 2008-20, which is a local act that applies only to Randolph County, authorizes the clerk of superior court in that county to accept payment of the fee charged by the county sheriff for offenders ordered to participate in pretrial electronic monitoring.

- The jail fee authorized in G.S. 7A-313. That statute authorizes a fee in the amount of five dollars ($5.00) for each 24 hours' confinement, or fraction thereof.

The bill provides that the fee may not be collected from a defendant who is determined to be indigent and entitled to court-appointed counsel.

EFFECTIVE DATE: This act becomes effective July 1, 2011.

H662-SMRB-103(e3) v1

SENATE BILL 467
Health Care Committee Substitute Adopted 6/14/11

Short Title: Naturopathic Licensing Act. (Public)

Sponsors:

Referred to:

March 31, 2011

A BILL TO BE ENTITLED

AN ACT TO ESTABLISH THE NORTH CAROLINA NATUROPATHIC DOCTORS LICENSURE ACT.

The General Assembly of North Carolina enacts:

SECTION 1. Chapter 90 of the General Statutes is amended by adding a new Article to read:

"Article 43.

"Naturopathic Doctors.

"**§ 90-730. Short title.**

This Article may be cited as the 'North Carolina Naturopathic Doctors Licensure Act.'

"**§ 90-731. Intent; purpose.**

(a) Intent. – The General Assembly finds that a significant number of residents of the State of North Carolina choose complementary and alternative health care and declares that naturopathic treatment is a distinct health care profession that affects the public health, safety, and welfare and provides for choices in health care. The General Assembly concludes that licensure is in the current interest of North Carolina citizens to aid in protecting citizens from deception, fraud, and damage to their health status. Licensure can provide a process in which citizens may more confidently rely on the level of skill, education, and competency possessed by licensed persons.

(b) Purpose. – The purpose of this Article is to provide standards for the licensure of naturopathic doctors desiring to practice naturopathic medicine in this State and to ensure the maintenance of professional competence and acceptable standards of practice.

"**§ 90-732. Definitions.**

The following definitions apply in this Article:

(1) Approved program of naturopathic medicine. – A program that meets all of the following conditions:

a. A program that provides graduate level full-time didactic and supervised clinical training that is accredited, or has achieved candidacy status for accreditation, by the Council on Naturopathic Medical Education Program or its federally recognized successor agency.

b. A program that is offered by an institution of higher education that is accredited by a regional or national institutional accrediting agency recognized by the United States Secretary of Education.

c. If the program is offered in the United States, a program that awards the degree of Doctor of Naturopathy or Doctor of Naturopathic

Medicine. If the program is offered in Canada, a program that awards the degree or diploma of Doctor of Naturopathy or Doctor of Naturopathic Medicine, and is offered by an institution of higher education that has provincial approval for participation in government-funded student aid programs.

(2) Board. – The North Carolina Naturopathic Doctors Licensing Board.

(3) Criminal history. – A history of conviction of a State or federal crime, whether a misdemeanor or felony.

(4) Integrative medicine. – As defined in G.S. 90-1.1(3).

(5) Natural medicines. – Any herbal, nutritional, supplemental, homeopathic, or other nonprescription remedies.

(6) Naturopathic medicine. – A system of natural health care that employs diagnosis and treatment using natural therapies and diagnostic techniques for the promotion, maintenance, and restoration of health and the prevention of disease, including the following:

a. Administering or providing any of the following for preventive and therapeutic purposes: natural medicines, natural therapies, natural topical medicines, hydrotherapy, dietary therapy, and naturopathic physical medicine.

b. Using diagnostic procedures, including physical and orificial examination, but excluding endoscopy, sigmoidoscopy, and colonoscopy.

c. Ordering and interpreting laboratory tests and diagnostic imaging, but excluding electrocardiograms, echocardiograms, electroencephalograms, nuclear imagings, MRIs, CT scans, and other tests that should be conducted and interpreted by a physician licensed under Article 1 of this Chapter.

(7) Naturopathic physical medicine. – The manual use of massage, stretching, or resistance.

(8) Naturopathic doctor. – A person licensed to practice naturopathic medicine under this Article.

"**§ 90-733. Practice of naturopathic medicine; scope of practice.**

(a) Practice of Naturopathic Medicine. – A naturopathic doctor is a licensed health care provider having the same responsibilities as other licensed doctors regarding public health laws, reportable diseases and conditions, communicable disease control and prevention, and the recording of vital statistics. In diagnosing and treating an individual, a naturopathic doctor may employ the following therapies, modalities, procedures, or remedies consistent with naturopathic education and training:

(1) Dispense, administer, and advise the use of natural remedies derived from or substantially similar in molecular structure or function to natural sources for preventive and therapeutic purposes, including food, extracts of food, nutraceuticals, vitamins, minerals, enzymes, botanicals and their extracts, homeopathic remedies prepared according to the Homeopathic Pharmacopoeia of the United States, and all dietary supplements and nonprescription drugs as defined by the Federal Food, Drug, and Cosmetic Act, 21 U.S.C.A. § 301, et seq.

(2) Order and perform physical examinations.

(3) Order, perform, and interpret laboratory examinations and diagnostic imaging studies.

(4) Perform hot or cold hydrotherapy, naturopathic physical treatment, electromagnetic energy, and therapeutic exercise.

(5) Perform health education and health counseling.
(6) Perform utilization routes of administration, including oral, nasal, auricular, ocular, rectal, vaginal, and transdermal.
(7) Perform, repair, and care incidental to superficial lacerations and abrasions and apply topical and local anesthetics and antimicrobials.
(8) Remove foreign bodies located in the superficial tissues.

(b) Prohibitions. – A naturopathic doctor may not perform any of the following functions unless otherwise licensed by this State to do so:
(1) Prescribe, dispense, or administer any legend drug, except as authorized by this Article.
(2) Practice or attempt to practice as a medical physician, osteopath, acupuncturist, dentist, podiatrist, optometrist, chiropractor, dietitian or nutritionist, psychologist, advanced practice registered nurse, physician assistant, physical therapist, or any other health care professional not authorized by this Article.
(3) Use general or spinal anesthetics.
(4) Perform procedures using a laser device.
(5) Perform surgical procedures.
(6) Administer ionizing radioactive substances for therapeutic purposes.
(7) Perform chiropractic adjustments.
(8) Perform acupuncture.

"**§ 90-734. License required; exemptions.**

(a) License Required. – On or after January 1, 2012, no person shall practice or offer to practice as a naturopathic doctor, perform naturopathic medicine, or use any card, title, or abbreviation to indicate that the person is a naturopathic doctor unless the person has been licensed under the provisions of this Article. Persons licensed under this Article have the exclusive right to use the titles 'Naturopathic Doctor,' 'Doctor of Naturopathic Medicine,' 'Doctor of Naturopathy,' 'Naturopathic Medicine,' 'Naturopath,' or the abbreviations 'D.N.,' 'N.D.,' 'ND,' and 'D.N.M.'.

(b) Exemptions. – Nothing in this Article shall be construed to prohibit or affect any of the following:
(1) The practice of a profession by an individual who is licensed, certified, or registered under other laws of this State and is performing services within the authorized scope of practice.
(2) The practice of naturopathic medicine by a person employed by the federal government while the person is engaged in the performance of duties prescribed by laws and regulations of the United States.
(3) A person rendering aid in an emergency situation when no fee or other compensation for the service is received.
(4) The practice of naturopathic medicine by a naturopathic doctor duly licensed in another state, territory, or the District of Columbia when called into this State to consult with a licensed physician for a period not to exceed six months.
(5) The practice of naturopathic medicine by students completing a clinical requirement for graduation from a naturopathic training program approved by the Board, so long as the practice is performed under the supervision of a physician licensed under Article 1 of this Chapter and the clinical requirement does not exceed one year.
(6) A person who does not hold himself or herself out to be a naturopathic doctor when that person furnishes information to customers or sells, administers, or utilizes nutritional supplements, herbs, food, homeopathic

preparations, and such physical forces as heat, cold, water, touch, and light at the person's retail, health spa, or health consulting establishment.

(c) Unlawful Act. – A person who violates this section is guilty of a Class 1 misdemeanor. The Board may make application to superior court for an order enjoining a violation of this section. Upon a showing by the Board that a person has violated or is about to violate this section, the court may grant an injunction, restraining order, or take other appropriate action.

"**§ 90-735. North Carolina Naturopathic Doctors Licensing Board.**

(a) Board. – The North Carolina Naturopathic Doctors Licensing Board is created. The Board consists of seven members serving for staggered terms. The initial Board members shall be appointed on or before January 1, 2012, as follows:

(1) The General Assembly, upon the recommendation of the President Pro Tempore of the Senate, shall appoint two naturopathic doctors who are licensed under this Article. One member shall serve a term of one year, and one member shall serve a term of three years.

(2) The General Assembly, upon the recommendation of the Speaker of the House of Representatives, shall appoint two naturopathic doctors who are licensed under this Article. One member shall serve a term of one year, and one member shall serve a term of two years.

(3) The Governor shall appoint two physicians licensed under Article 1 of Chapter 90 of the General Statutes, at least one of whom shall be involved in the practice of integrative medicine or who teaches integrative medicine at a medical school. Both of these members shall serve a term of three years.

(4) The Governor shall appoint for a two-year term a public member who is not a licensed health care professional and is not employed in a health care profession.

Upon the expiration of the terms of the initial Board members, each member is appointed for a term of three years, beginning on January 1 of each year. A member serves until the member's successor is appointed. No member shall serve on the Board for more than two consecutive terms.

(b) Vacancies. – A member of the Board serves at the pleasure of the authority that appointed the member. A vacancy shall be filled in the same manner as the original appointment. An appointee to fill a vacancy shall serve the remainder of the unexpired term and until the appointee's successor has been duly appointed.

(c) Removal. – The Board may remove any of its members for neglect of duty, incompetence, or unprofessional conduct. A member subject to disciplinary proceedings as a licensee shall be disqualified from participating in the official business of the Board until the charges have been resolved.

(d) General Administration. – A Board member may not receive compensation but may receive reimbursement as provided in G.S. 93B-5. The officers of the Board include a chair, a secretary, and any other officer deemed necessary by the Board to carry out the purposes of this Article. All officers shall be elected annually by the Board at its first meeting held after appointments to the Board are made. The Board shall hold a meeting within 45 days of the appointment of new Board members. All officers shall serve one-year terms and shall serve until their successors are elected and qualified. No person shall chair the Board for more than five consecutive years. The Board may adopt rules governing the calling, holding, and conducting of regular and special meetings. A majority of Board members constitutes a quorum.

"**§ 90-736. Powers of the Board.**

The Board shall have the following powers and duties:

(1) Administer and enforce the provisions of this Article.

(2) Adopt rules as may be necessary to carry out the provisions of this Article.
(3) Establish, examine, and determine the qualifications and fitness of applicants for licensure and renewal of licensure.
(4) Issue, renew, deny, suspend, or revoke licenses and conduct any disciplinary actions authorized by this Article.
(5) Collect fees for licensure, licensure renewal, and other services deemed necessary to carry out the provisions of this Article.
(6) Establish and approve continuing education requirements for persons licensed under this Article.
(7) Employ and fix the compensation of personnel that the Board determines is necessary to carry out the provisions of this Article and incur other expenses necessary to perform the duties of the Board.
(8) Adopt a seal containing the name of the Board for use on all licenses and official reports issued by the Board.
(9) Institute corrective measures, as necessary, to rehabilitate naturopathic doctors or limit their practice.
(10) Investigate persons engaging in practices which violate the provisions of this Article.

"**§ 90-737. Qualifications for licensure; renewal; reinstatement.**

(a) Licensure. – Upon application to the Board and payment of the required fees, an applicant may be licensed under this Article as a naturopathic doctor if the applicant meets all of the following qualifications and conditions:

(1) Is of good moral and ethical character.
(2) Is a graduate of an approved program of naturopathic medicine.
(3) Meets one of the following two conditions:
a. Has successfully passed a competency-based national naturopathic licensing examination administered by the North American Board of Naturopathic Examiners, or equivalent agency as recognized by the Board.
b. Has successfully passed a competency-based examination approved by the Board and by the North American Board of Naturopathic Medical Education or its successor agency.
(4) Provides the Board with a list of physicians licensed to practice medicine in this State who have agreed to work with the applicant and accept referrals from the applicant. The applicant shall also provide the Board with letters of verification from the listed physicians. The list shall include physicians with specialties in at least four of the following areas: allergy and immunology, cancer and oncology, cardiology, endocrinology and metabolism, family medicine, gastroenterology, internal medicine, obstetrics and gynecology, pediatrics, psychiatry, and urology.
(5) Submits any other documentation the Board deems necessary to determine the applicant's fitness for licensure under this Article. This documentation may include successful completion of a Board-approved examination on State laws and rules related to naturopathic medicine.

(b) Renewal. – A license expires two years after the date it is issued unless it is renewed. Failure to renew a license within six months of the date the license expires shall result in automatic forfeiture of the right to practice naturopathic medicine in this State until such time that the license has been reinstated. To renew a license, a licensee shall meet all of the following conditions:

(1) Submit an application for license renewal.
(2) Pay the required fees.

(3) Complete at least 40 hours of continuing education approved by the Board within a two-year period.

(c) Reinstatement. – A licensed naturopathic doctor who has allowed the license to lapse by failure to renew within the time allowed under subsection (b) of this section may apply for reinstatement. The Board may reinstate the applicant's license if the applicant pays the required fees, furnishes a statement of the reason for failure to apply for renewal before the deadline, and complies with any other requirements established in rules adopted by the Board. If the license has lapsed for five years or longer, the Board may require the applicant to satisfactorily complete a refresher course approved by the Board or to provide proof of active licensure within the past five years in another jurisdiction.

"**§ 90-738. Reciprocity.**

The Board may grant, upon application and payment of fees, a license to a person who resides in this State and has been licensed to practice as a naturopathic doctor in another state or a Canadian province if both of the following conditions are met:

(1) The standards for licensure in the state or province in which the naturopathic doctor is licensed are substantially equivalent to those provided in this Article.

(2) The applicant provides proof of licensure in good standing in all states and provinces in which the applicant has been licensed.

"**§ 90-739. Fees.**

The Board may impose the following fees:

(1)	Application and examination	$200.00
(2)	License	$600.00
(3)	License renewal	$400.00
(4)	Late renewal	$200.00
(5)	Reinstatement	$1,000.00
(6)	Reasonable charges for duplication services and material.	
(7)	Criminal history record check fee equal to the amount imposed by the Department of Justice to conduct the criminal history record check requested by the Board.	

"**§ 90-740. Disciplinary authority.**

(a) Authority. – The Board may impose probationary conditions upon a licensee, or it may deny, suspend, revoke, or refuse to issue or renew a license, if the licensee or applicant does any of the following:

(1) Engages in any act or practice in violation of any of the provisions of this Article or of any of the rules adopted by the Board or aids, abets, or assists any other person in the violation of the provisions of this Article or rules adopted by the Board.

(2) Gives false information to or withholds information from the Board in procuring or attempting to procure a license.

(3) Has been convicted of or pled guilty or no contest to a crime that indicates that the person is unfit or incompetent to practice as a naturopathic doctor or that indicates the person has deceived or defrauded the public. A felony conviction shall result in the automatic revocation of a license issued by the Board unless the Board determines otherwise pursuant to rules adopted by the Board.

(4) Has been declared mentally incompetent by a court of competent jurisdiction.

(5) Habitually uses or is addicted to drugs or intoxicating liquors to the extent that it affects the licensee's professional competency. If a licensee violates

this subdivision, the Board may require the licensee to undergo a mental or physical examination by physicians designated by the Board before or after the licensee has been charged. The results of the examination shall be admissible as evidence in a hearing before the Board.

(6) Has demonstrated gross negligence, incompetency, or misconduct in the performance of naturopathic medical treatment.

(7) Has had a health care provider license denied, restricted, revoked, or suspended by another state or jurisdiction.

(8) Fails to consent to a criminal history record check.

(9) Fails to respond, within a reasonable time, to inquiries from the Board concerning any matter affecting the individual's license to practice naturopathic medicine.

(10) Fails to complete continuing education requirements within the time prescribed.

(b) Hearing. – Denial, refusal to renew, suspension, or revocation of a license or imposition of probationary conditions upon a licensee may be ordered by the Board after a hearing held in accordance with Article 3A of Chapter 150B of the General Statutes and rules adopted pursuant to this Article. An application may be made to the Board for reinstatement of a revoked license if the revocation has been in effect for not less than two years.

(c) Records. – The Board shall keep a record of its proceedings. The Board may, in a closed session, receive evidence regarding the treatment of a patient who has not expressly or impliedly consented to the public disclosure of the treatment when necessary for the protection of the rights of the patient or of the accused naturopathic doctor and the full presentation of relevant evidence. All records, papers, investigative files, investigative reports, and other documents containing information gathered or received by the Board as a result of investigations, inquiries, or interviews conducted in connection with an application for licensure, a complaint, or a disciplinary matter are not considered public documents within the meaning of Chapter 132 of the General Statutes. If a record, paper, or other document containing information collected and compiled by the Board is admitted into evidence in a hearing held by the Board, it shall then be a public record within the meaning of Chapter 132 of the General Statutes.

(d) Confidential Information. – The Board may release confidential or nonpublic information about a licensee to any health care licensure board in this State or another state relating to the issuance, denial, suspension, revocation, or voluntary surrender of the license, including the reasons for the action or any investigative report prepared by the Board. The Board shall notify the naturopathic doctor within 60 days after the information is released. The Board shall furnish to the naturopathic doctor a summary of the information being released. However, if the naturopathic doctor requests, in writing, within 30 days from the date of notice, a copy of the information being released, the Board shall give to the naturopathic doctor a copy of all the information being released. Notice or copies shall not be provided by the Board if the information relates to an ongoing criminal investigation by a law enforcement agency or any Department of Health and Human Services personnel with enforcement or investigative responsibilities.

"**§ 90-741. Criminal history record check of applicants and licensees.**

(a) Criminal History Record Check. – The Board shall require a criminal history record check for a person who is either licensed under this Article or applying for licensure under this Article. The Board is responsible for providing to the North Carolina Department of Justice the fingerprints of the person to be checked, a form signed by the person consenting to the criminal record check and the use of fingerprints and other identifying information required by the State or National Repositories, and any additional information required by the Department of Justice. The Board shall keep all information obtained pursuant to this section confidential.

(b) Conviction. – If a criminal history record check reveals one or more convictions, the conviction does not automatically bar licensure. The Board shall consider all of the following factors regarding the conviction:

(1) The level of seriousness of the crime.
(2) The date of the crime.
(3) The age of the person at the time of the conviction.
(4) The circumstances surrounding the commission of the crime, if known.
(5) The nexus between the criminal conduct of the person and the job duties of the position to be filled.
(6) The person's prison, jail, probation, parole, rehabilitation, and employment records since the date the crime was committed.
(7) The subsequent commission of a crime by the person.

(c) Denial of Licensure. – If the Board denies, revokes, or suspends a license based on information obtained in a criminal history record check, the Board shall disclose to the person the information contained in the criminal history record check that is relevant to the Board's actions. The Board may not provide a copy of the criminal history record check to the person. A person has the right to appear before the Board to appeal the Board's decision. An appearance before the Board shall constitute an exhaustion of administrative remedies in accordance with Chapter 150B of the General Statutes.

(d) Limited Immunity. – The Board, its officers and employees, acting in good faith and in compliance with this section, shall be immune from civil liability for its actions based on information provided in a person's criminal history record check.

"**§ 90-742. Reports; immunity from suit.**

(a) Report. – A person who has reasonable cause to suspect misconduct or incapacity of a licensee, or who has reasonable cause to suspect that a person is in violation of this Article, may report the relevant facts to the Board. Upon receipt of a charge, or upon its own initiative, the Board may give notice of an administrative hearing or may, after diligent investigation, dismiss unfounded charges. A person who, in good faith, makes a report pursuant to this section is immune from any criminal prosecution or civil liability resulting from making the report.

(b) Immunity. – The Board and its staff are immune from any criminal prosecution or civil liability for exercising, in good faith, the powers and duties given to the Board under this Article.

"**§ 90-743. Third-party reimbursement.**

Nothing in this Article shall be construed to require direct third-party reimbursement to persons licensed under this Article.

"**§ 90-744. Advisory Council.**

(a) Created. – An Advisory Council is created to advise the Board and to develop recommendations to foster coordination and collaboration between naturopathic doctors, medical doctors, and other health professionals for the purpose of providing appropriate care for patients. The Council shall meet periodically and report its recommendations to the Board and to the boards of directors for the North Carolina Medical Society and the North Carolina Association of Naturopathic Physicians.

(b) Membership. – The Advisory Council shall consist of the following six members:

(1) Two licensed physicians appointed by the North Carolina Medical Society.
(2) Two licensed naturopathic doctors appointed by the North Carolina Association of Naturopathic Physicians.
(3) One licensed pharmacist or pharmacologist appointed by the North Carolina Association of Pharmacists.
(4) One licensed advanced practice registered nurse appointed by the North Carolina Nursing Association.

(c) General Administration. – Each member is appointed for a term of two years beginning July 1, 2012. A member serves until a successor is appointed. The members of the Advisory Council may elect a chairperson by a majority vote. Advisory Council members may not receive compensation for their services but may receive reimbursement as provided in G.S. 93B-5."

SECTION 2. G.S. 90-18(c) is amended by adding a new subdivision to read:

"(c) The following shall not constitute practicing medicine or surgery as defined in this Article:

...

(21) The practice of naturopathic medicine by a licensed naturopathic doctor under the provisions of Article 43 of this Chapter."

SECTION 3. Part 2 of Article 4 of Chapter 114 of the General Statutes is amended by adding a new section to read:

"**§ 114-19.31. Criminal history record checks for naturopathic doctors.**

(a) The Department of Justice shall provide to the North Carolina Naturopathic Doctors Licensing Board from the State and National Repositories of Criminal Histories the criminal history of an applicant for licensure by the Board or a licensee of the Board. The Judicial Department shall provide to the Department of Justice, along with the request, the fingerprints of the applicant or licensee, a form signed by the applicant or licensee consenting to the criminal history record check and use of fingerprints and other identifying information required by the State and National Repositories, and any additional information required by the Department of Justice. The fingerprints of the applicant or licensee shall be forwarded to the State Bureau of Investigation for a search of the State's criminal history record file, and the State Bureau of Investigation shall forward a set of fingerprints to the Federal Bureau of Investigation for a national criminal history record check. The Judicial Department shall keep all information obtained pursuant to this section confidential.

(b) The Department of Justice may charge a fee to offset the cost incurred by it to conduct a criminal history record check under this section. The fee shall not exceed the actual cost of locating, editing, researching, and retrieving the information."

SECTION 4. Notwithstanding the provisions of G.S. 90-735, as enacted by Section 1 of this act, the initial naturopathic doctors appointed to the North Carolina Naturopathic Doctors Licensing Board must be North Carolina residents, must be licensed as a naturopathic doctor in a state that licenses this profession, and must be eligible for licensure under G.S. 90-737, as enacted by Section 1 of this act. Upon appointment, the appointee must immediately seek to become licensed under this act.

SECTION 5. This act is effective when it becomes law.

SENATE BILL 467:
Naturopathic Licensing Act

2011-2012 General Assembly

Committee:	Senate Finance	**Date:**	June 15, 2011
Introduced by:	Sens. Hartsell, Apodaca	**Prepared by:**	Amy Jo Johnson
Analysis of:	PCS to Second Edition S467-CSSQ-62		Staff Attorney

SUMMARY: ***The PCS to Senate Bill 467 would establish the North Carolina Naturopathic Doctors Licensure Act.***

The PCS adds performing acts of prenatal, intrapartum, postpartum, newborn, and interconceptual care to the list of acts prohibited by naturopathic doctors. It also changes the penalty for practicing without licensure from a Class I misdemeanor to a Class I felony. The PCS removes the provision establishing an Advisory Council to the licensing board.

BILL ANALYSIS:

Senate Bill 467 defines "naturopathic medicine" as a system of natural health care that employs diagnosis and treatment using natural therapies and diagnostic techniques for the promotion, maintenance, and restoration of health and the prevention of disease, including the following:

- Administering or providing any of the following or preventative and therapeutic purposes: natural medicines, natural therapies, natural topical medicines, hydrotherapy, dietary therapy, and naturopathic physical medicine.
- Using diagnostic procedures, including physical and orificial examination, but excluding endoscopy, sigmoidoscopy, and colonoscopy.
- Ordering and interpreting laboratory tests and diagnostic imaging, but excluding electrocardiograms, echocardiograms, electroencephalograms, nuclear imaging, MRIs, CT scans, and other tests that should be conducted and interpreted by a licensed physician.

Senate Bill 467 defines the scope of practice of naturopathic medicine and creates a licensure requirement for anyone practicing naturopathic medicine on or after January 1, 2012. Licenses will be granted by the North Carolina Naturopathic Doctors Licensing Board (Board) as established in the bill. The Board is authorized to impose the following fees:

- Application and examination $200.00
- License $600.00
- License renewal $400.00
- Late renewal $200.00
- Reinstatement $1,000.00
- Reasonable charges for duplication services and material.
- Criminal history record check fee equal to the amount imposed by the Department of Justice to conduct the criminal history record check requested by the Board.

Licenses will expire every year on the date issued unless it is renewed. Any person practicing as a naturopathic doctor, performing naturopathic medicine, or using any card, title, or abbreviation to indicate that the person is a naturopathic doctor without a license is guilty of a Class 1 Felony.

BACKGROUND: Sixteen states, the District of Columbia, and 4 Canadian provinces have enacted a licensure law for naturopathic doctors.

EFFECTIVE DATE: This act is effective when it becomes law.

SENATE BILL 467
Health Care Committee Substitute Adopted 6/14/11

Short Title: Naturopathic Licensing Act. (Public)

Sponsors:

Referred to:

March 31, 2011

A BILL TO BE ENTITLED

AN ACT TO ESTABLISH THE NORTH CAROLINA NATUROPATHIC DOCTORS LICENSURE ACT.

The General Assembly of North Carolina enacts:

SECTION 1. Chapter 90 of the General Statutes is amended by adding a new Article to read:

"Article 43.

"Naturopathic Doctors.

"**§ 90-730. Short title.**

This Article may be cited as the 'North Carolina Naturopathic Doctors Licensure Act.'

"**§ 90-731. Intent; purpose.**

(a) Intent. – The General Assembly finds that a significant number of residents of the State of North Carolina choose complementary and alternative health care and declares that naturopathic treatment is a distinct health care profession that affects the public health, safety, and welfare and provides for choices in health care. The General Assembly concludes that licensure is in the current interest of North Carolina citizens to aid in protecting citizens from deception, fraud, and damage to their health status. Licensure can provide a process in which citizens may more confidently rely on the level of skill, education, and competency possessed by licensed persons.

(b) Purpose. – The purpose of this Article is to provide standards for the licensure of naturopathic doctors desiring to practice naturopathic medicine in this State and to ensure the maintenance of professional competence and acceptable standards of practice.

"**§ 90-732. Definitions.**

The following definitions apply in this Article:

(1) Approved program of naturopathic medicine. – A program that meets all of the following conditions:

a. A program that provides graduate level full-time didactic and supervised clinical training that is accredited, or has achieved candidacy status for accreditation, by the Council on Naturopathic Medical Education Program or its federally recognized successor agency.

b. A program that is offered by an institution of higher education that is accredited by a regional or national institutional accrediting agency recognized by the United States Secretary of Education.

c. If the program is offered in the United States, a program that awards the degree of Doctor of Naturopathy or Doctor of Naturopathic

Medicine. If the program is offered in Canada, a program that awards the degree or diploma of Doctor of Naturopathy or Doctor of Naturopathic Medicine, and is offered by an institution of higher education that has provincial approval for participation in government-funded student aid programs.

(2) Board. – The North Carolina Naturopathic Doctors Licensing Board.

(3) Criminal history. – A history of conviction of a State or federal crime, whether a misdemeanor or felony.

(4) Integrative medicine. – As defined in G.S. 90-1.1(3).

(5) Natural medicines. – Any herbal, nutritional, supplemental, homeopathic, or other nonprescription remedies.

(6) Naturopathic medicine. – A system of natural health care that employs diagnosis and treatment using natural therapies and diagnostic techniques for the promotion, maintenance, and restoration of health and the prevention of disease, including the following:

a. Administering or providing any of the following for preventive and therapeutic purposes: natural medicines, natural therapies, natural topical medicines, hydrotherapy, dietary therapy, and naturopathic physical medicine.

b. Using diagnostic procedures, including physical and orificial examination, but excluding endoscopy, sigmoidoscopy, and colonoscopy.

c. Ordering and interpreting laboratory tests and diagnostic imaging, but excluding electrocardiograms, echocardiograms, electroencephalograms, nuclear imagings, MRIs, CT scans, and other tests that should be conducted and interpreted by a physician licensed under Article 1 of this Chapter.

(7) Naturopathic physical medicine. – The manual use of massage, stretching, or resistance.

(8) Naturopathic doctor. – A person licensed to practice naturopathic medicine under this Article.

"**§ 90-733. Practice of naturopathic medicine; scope of practice.**

(a) Practice of Naturopathic Medicine. – A naturopathic doctor is a licensed health care provider having the same responsibilities as other licensed doctors regarding public health laws, reportable diseases and conditions, communicable disease control and prevention, and the recording of vital statistics. In diagnosing and treating an individual, a naturopathic doctor may employ the following therapies, modalities, procedures, or remedies consistent with naturopathic education and training:

(1) Dispense, administer, and advise the use of natural remedies derived from or substantially similar in molecular structure or function to natural sources for preventive and therapeutic purposes, including food, extracts of food, nutraceuticals, vitamins, minerals, enzymes, botanicals and their extracts, homeopathic remedies prepared according to the Homeopathic Pharmacopoeia of the United States, and all dietary supplements and nonprescription drugs as defined by the Federal Food, Drug, and Cosmetic Act, 21 U.S.C.A. § 301, et seq.

(2) Order and perform physical examinations.

(3) Order, perform, and interpret laboratory examinations and diagnostic imaging studies.

(4) Perform hot or cold hydrotherapy, naturopathic physical treatment, electromagnetic energy, and therapeutic exercise.

(5) Perform health education and health counseling.
(6) Perform utilization routes of administration, including oral, nasal, auricular, ocular, rectal, vaginal, and transdermal.
(7) Perform, repair, and care incidental to superficial lacerations and abrasions and apply topical and local anesthetics and antimicrobials.
(8) Remove foreign bodies located in the superficial tissues.

(b) Prohibitions. – A naturopathic doctor may not perform any of the following functions unless otherwise licensed by this State to do so:

(1) Prescribe, dispense, or administer any legend drug, except as authorized by this Article.
(2) Practice or attempt to practice as a medical physician, osteopath, acupuncturist, dentist, podiatrist, optometrist, chiropractor, dietitian or nutritionist, psychologist, advanced practice registered nurse, physician assistant, physical therapist, or any other health care professional not authorized by this Article.
(3) Use general or spinal anesthetics.
(4) Perform procedures using a laser device.
(5) Perform surgical procedures.
(6) Administer ionizing radioactive substances for therapeutic purposes.
(7) Perform chiropractic adjustments.
(8) Perform acupuncture.

"**§ 90-734. License required; exemptions.**

(a) License Required. – On or after January 1, 2012, no person shall practice or offer to practice as a naturopathic doctor, perform naturopathic medicine, or use any card, title, or abbreviation to indicate that the person is a naturopathic doctor unless the person has been licensed under the provisions of this Article. Persons licensed under this Article have the exclusive right to use the titles 'Naturopathic Doctor,' 'Doctor of Naturopathic Medicine,' 'Doctor of Naturopathy,' 'Naturopathic Medicine,' 'Naturopath,' or the abbreviations 'D.N.,' 'N.D.,' 'ND,' and 'D.N.M.'.

(b) Exemptions. – Nothing in this Article shall be construed to prohibit or affect any of the following:

(1) The practice of a profession by an individual who is licensed, certified, or registered under other laws of this State and is performing services within the authorized scope of practice.
(2) The practice of naturopathic medicine by a person employed by the federal government while the person is engaged in the performance of duties prescribed by laws and regulations of the United States.
(3) A person rendering aid in an emergency situation when no fee or other compensation for the service is received.
(4) The practice of naturopathic medicine by a naturopathic doctor duly licensed in another state, territory, or the District of Columbia when called into this State to consult with a licensed physician for a period not to exceed six months.
(5) The practice of naturopathic medicine by students completing a clinical requirement for graduation from a naturopathic training program approved by the Board, so long as the practice is performed under the supervision of a physician licensed under Article 1 of this Chapter and the clinical requirement does not exceed one year.
(6) A person who does not hold himself or herself out to be a naturopathic doctor when that person furnishes information to customers or sells, administers, or utilizes nutritional supplements, herbs, food, homeopathic

preparations, and such physical forces as heat, cold, water, touch, and light at the person's retail, health spa, or health consulting establishment.

(c) Unlawful Act. – A person who violates this section is guilty of a Class 1 misdemeanor. The Board may make application to superior court for an order enjoining a violation of this section. Upon a showing by the Board that a person has violated or is about to violate this section, the court may grant an injunction, restraining order, or take other appropriate action.

"**§ 90-735. North Carolina Naturopathic Doctors Licensing Board.**

(a) Board. – The North Carolina Naturopathic Doctors Licensing Board is created. The Board consists of seven members serving for staggered terms. The initial Board members shall be appointed on or before January 1, 2012, as follows:

(1) The General Assembly, upon the recommendation of the President Pro Tempore of the Senate, shall appoint two naturopathic doctors who are licensed under this Article. One member shall serve a term of one year, and one member shall serve a term of three years.

(2) The General Assembly, upon the recommendation of the Speaker of the House of Representatives, shall appoint two naturopathic doctors who are licensed under this Article. One member shall serve a term of one year, and one member shall serve a term of two years.

(3) The Governor shall appoint two physicians licensed under Article 1 of Chapter 90 of the General Statutes, at least one of whom shall be involved in the practice of integrative medicine or who teaches integrative medicine at a medical school. Both of these members shall serve a term of three years.

(4) The Governor shall appoint for a two-year term a public member who is not a licensed health care professional and is not employed in a health care profession.

Upon the expiration of the terms of the initial Board members, each member is appointed for a term of three years, beginning on January 1 of each year. A member serves until the member's successor is appointed. No member shall serve on the Board for more than two consecutive terms.

(b) Vacancies. – A member of the Board serves at the pleasure of the authority that appointed the member. A vacancy shall be filled in the same manner as the original appointment. An appointee to fill a vacancy shall serve the remainder of the unexpired term and until the appointee's successor has been duly appointed.

(c) Removal. – The Board may remove any of its members for neglect of duty, incompetence, or unprofessional conduct. A member subject to disciplinary proceedings as a licensee shall be disqualified from participating in the official business of the Board until the charges have been resolved.

(d) General Administration. – A Board member may not receive compensation but may receive reimbursement as provided in G.S. 93B-5. The officers of the Board include a chair, a secretary, and any other officer deemed necessary by the Board to carry out the purposes of this Article. All officers shall be elected annually by the Board at its first meeting held after appointments to the Board are made. The Board shall hold a meeting within 45 days of the appointment of new Board members. All officers shall serve one-year terms and shall serve until their successors are elected and qualified. No person shall chair the Board for more than five consecutive years. The Board may adopt rules governing the calling, holding, and conducting of regular and special meetings. A majority of Board members constitutes a quorum.

"**§ 90-736. Powers of the Board.**

The Board shall have the following powers and duties:

(1) Administer and enforce the provisions of this Article.

(2) Adopt rules as may be necessary to carry out the provisions of this Article.
(3) Establish, examine, and determine the qualifications and fitness of applicants for licensure and renewal of licensure.
(4) Issue, renew, deny, suspend, or revoke licenses and conduct any disciplinary actions authorized by this Article.
(5) Collect fees for licensure, licensure renewal, and other services deemed necessary to carry out the provisions of this Article.
(6) Establish and approve continuing education requirements for persons licensed under this Article.
(7) Employ and fix the compensation of personnel that the Board determines is necessary to carry out the provisions of this Article and incur other expenses necessary to perform the duties of the Board.
(8) Adopt a seal containing the name of the Board for use on all licenses and official reports issued by the Board.
(9) Institute corrective measures, as necessary, to rehabilitate naturopathic doctors or limit their practice.
(10) Investigate persons engaging in practices which violate the provisions of this Article.

"**§ 90-737. Qualifications for licensure; renewal; reinstatement.**

(a) Licensure. – Upon application to the Board and payment of the required fees, an applicant may be licensed under this Article as a naturopathic doctor if the applicant meets all of the following qualifications and conditions:

(1) Is of good moral and ethical character.
(2) Is a graduate of an approved program of naturopathic medicine.
(3) Meets one of the following two conditions:
a. Has successfully passed a competency-based national naturopathic licensing examination administered by the North American Board of Naturopathic Examiners, or equivalent agency as recognized by the Board.
b. Has successfully passed a competency-based examination approved by the Board and by the North American Board of Naturopathic Medical Education or its successor agency.
(4) Provides the Board with a list of physicians licensed to practice medicine in this State who have agreed to work with the applicant and accept referrals from the applicant. The applicant shall also provide the Board with letters of verification from the listed physicians. The list shall include physicians with specialties in at least four of the following areas: allergy and immunology, cancer and oncology, cardiology, endocrinology and metabolism, family medicine, gastroenterology, internal medicine, obstetrics and gynecology, pediatrics, psychiatry, and urology.
(5) Submits any other documentation the Board deems necessary to determine the applicant's fitness for licensure under this Article. This documentation may include successful completion of a Board-approved examination on State laws and rules related to naturopathic medicine.

(b) Renewal. – A license expires two years after the date it is issued unless it is renewed. Failure to renew a license within six months of the date the license expires shall result in automatic forfeiture of the right to practice naturopathic medicine in this State until such time that the license has been reinstated. To renew a license, a licensee shall meet all of the following conditions:

(1) Submit an application for license renewal.
(2) Pay the required fees.

(3) Complete at least 40 hours of continuing education approved by the Board within a two-year period.

(c) Reinstatement. – A licensed naturopathic doctor who has allowed the license to lapse by failure to renew within the time allowed under subsection (b) of this section may apply for reinstatement. The Board may reinstate the applicant's license if the applicant pays the required fees, furnishes a statement of the reason for failure to apply for renewal before the deadline, and complies with any other requirements established in rules adopted by the Board. If the license has lapsed for five years or longer, the Board may require the applicant to satisfactorily complete a refresher course approved by the Board or to provide proof of active licensure within the past five years in another jurisdiction.

"**§ 90-738. Reciprocity.**

The Board may grant, upon application and payment of fees, a license to a person who resides in this State and has been licensed to practice as a naturopathic doctor in another state or a Canadian province if both of the following conditions are met:

(1) The standards for licensure in the state or province in which the naturopathic doctor is licensed are substantially equivalent to those provided in this Article.

(2) The applicant provides proof of licensure in good standing in all states and provinces in which the applicant has been licensed.

"**§ 90-739. Fees.**

The Board may impose the following fees:

(1)	Application and examination	$200.00
(2)	License	$600.00
(3)	License renewal	$400.00
(4)	Late renewal	$200.00
(5)	Reinstatement	$1,000.00
(6)	Reasonable charges for duplication services and material.	
(7)	Criminal history record check fee equal to the amount imposed by the Department of Justice to conduct the criminal history record check requested by the Board.	

"**§ 90-740. Disciplinary authority.**

(a) Authority. – The Board may impose probationary conditions upon a licensee, or it may deny, suspend, revoke, or refuse to issue or renew a license, if the licensee or applicant does any of the following:

(1) Engages in any act or practice in violation of any of the provisions of this Article or of any of the rules adopted by the Board or aids, abets, or assists any other person in the violation of the provisions of this Article or rules adopted by the Board.

(2) Gives false information to or withholds information from the Board in procuring or attempting to procure a license.

(3) Has been convicted of or pled guilty or no contest to a crime that indicates that the person is unfit or incompetent to practice as a naturopathic doctor or that indicates the person has deceived or defrauded the public. A felony conviction shall result in the automatic revocation of a license issued by the Board unless the Board determines otherwise pursuant to rules adopted by the Board.

(4) Has been declared mentally incompetent by a court of competent jurisdiction.

(5) Habitually uses or is addicted to drugs or intoxicating liquors to the extent that it affects the licensee's professional competency. If a licensee violates

this subdivision, the Board may require the licensee to undergo a mental or physical examination by physicians designated by the Board before or after the licensee has been charged. The results of the examination shall be admissible as evidence in a hearing before the Board.

(6) Has demonstrated gross negligence, incompetency, or misconduct in the performance of naturopathic medical treatment.

(7) Has had a health care provider license denied, restricted, revoked, or suspended by another state or jurisdiction.

(8) Fails to consent to a criminal history record check.

(9) Fails to respond, within a reasonable time, to inquiries from the Board concerning any matter affecting the individual's license to practice naturopathic medicine.

(10) Fails to complete continuing education requirements within the time prescribed.

(b) Hearing. – Denial, refusal to renew, suspension, or revocation of a license or imposition of probationary conditions upon a licensee may be ordered by the Board after a hearing held in accordance with Article 3A of Chapter 150B of the General Statutes and rules adopted pursuant to this Article. An application may be made to the Board for reinstatement of a revoked license if the revocation has been in effect for not less than two years.

(c) Records. – The Board shall keep a record of its proceedings. The Board may, in a closed session, receive evidence regarding the treatment of a patient who has not expressly or impliedly consented to the public disclosure of the treatment when necessary for the protection of the rights of the patient or of the accused naturopathic doctor and the full presentation of relevant evidence. All records, papers, investigative files, investigative reports, and other documents containing information gathered or received by the Board as a result of investigations, inquiries, or interviews conducted in connection with an application for licensure, a complaint, or a disciplinary matter are not considered public documents within the meaning of Chapter 132 of the General Statutes. If a record, paper, or other document containing information collected and compiled by the Board is admitted into evidence in a hearing held by the Board, it shall then be a public record within the meaning of Chapter 132 of the General Statutes.

(d) Confidential Information. – The Board may release confidential or nonpublic information about a licensee to any health care licensure board in this State or another state relating to the issuance, denial, suspension, revocation, or voluntary surrender of the license, including the reasons for the action or any investigative report prepared by the Board. The Board shall notify the naturopathic doctor within 60 days after the information is released. The Board shall furnish to the naturopathic doctor a summary of the information being released. However, if the naturopathic doctor requests, in writing, within 30 days from the date of notice, a copy of the information being released, the Board shall give to the naturopathic doctor a copy of all the information being released. Notice or copies shall not be provided by the Board if the information relates to an ongoing criminal investigation by a law enforcement agency or any Department of Health and Human Services personnel with enforcement or investigative responsibilities.

"**§ 90-741. Criminal history record check of applicants and licensees.**

(a) Criminal History Record Check. – The Board shall require a criminal history record check for a person who is either licensed under this Article or applying for licensure under this Article. The Board is responsible for providing to the North Carolina Department of Justice the fingerprints of the person to be checked, a form signed by the person consenting to the criminal record check and the use of fingerprints and other identifying information required by the State or National Repositories, and any additional information required by the Department of Justice. The Board shall keep all information obtained pursuant to this section confidential.

(b) Conviction. – If a criminal history record check reveals one or more convictions, the conviction does not automatically bar licensure. The Board shall consider all of the following factors regarding the conviction:

(1) The level of seriousness of the crime.
(2) The date of the crime.
(3) The age of the person at the time of the conviction.
(4) The circumstances surrounding the commission of the crime, if known.
(5) The nexus between the criminal conduct of the person and the job duties of the position to be filled.
(6) The person's prison, jail, probation, parole, rehabilitation, and employment records since the date the crime was committed.
(7) The subsequent commission of a crime by the person.

(c) Denial of Licensure. – If the Board denies, revokes, or suspends a license based on information obtained in a criminal history record check, the Board shall disclose to the person the information contained in the criminal history record check that is relevant to the Board's actions. The Board may not provide a copy of the criminal history record check to the person. A person has the right to appear before the Board to appeal the Board's decision. An appearance before the Board shall constitute an exhaustion of administrative remedies in accordance with Chapter 150B of the General Statutes.

(d) Limited Immunity. – The Board, its officers and employees, acting in good faith and in compliance with this section, shall be immune from civil liability for its actions based on information provided in a person's criminal history record check.

"**§ 90-742. Reports; immunity from suit.**

(a) Report. – A person who has reasonable cause to suspect misconduct or incapacity of a licensee, or who has reasonable cause to suspect that a person is in violation of this Article, may report the relevant facts to the Board. Upon receipt of a charge, or upon its own initiative, the Board may give notice of an administrative hearing or may, after diligent investigation, dismiss unfounded charges. A person who, in good faith, makes a report pursuant to this section is immune from any criminal prosecution or civil liability resulting from making the report.

(b) Immunity. – The Board and its staff are immune from any criminal prosecution or civil liability for exercising, in good faith, the powers and duties given to the Board under this Article.

"**§ 90-743. Third-party reimbursement.**

Nothing in this Article shall be construed to require direct third-party reimbursement to persons licensed under this Article.

"**§ 90-744. Advisory Council.**

(a) Created. – An Advisory Council is created to advise the Board and to develop recommendations to foster coordination and collaboration between naturopathic doctors, medical doctors, and other health professionals for the purpose of providing appropriate care for patients. The Council shall meet periodically and report its recommendations to the Board and to the boards of directors for the North Carolina Medical Society and the North Carolina Association of Naturopathic Physicians.

(b) Membership. – The Advisory Council shall consist of the following six members:

(1) Two licensed physicians appointed by the North Carolina Medical Society.
(2) Two licensed naturopathic doctors appointed by the North Carolina Association of Naturopathic Physicians.
(3) One licensed pharmacist or pharmacologist appointed by the North Carolina Association of Pharmacists.
(4) One licensed advanced practice registered nurse appointed by the North Carolina Nursing Association.

(c) General Administration. – Each member is appointed for a term of two years beginning July 1, 2012. A member serves until a successor is appointed. The members of the Advisory Council may elect a chairperson by a majority vote. Advisory Council members may not receive compensation for their services but may receive reimbursement as provided in G.S. 93B-5."

SECTION 2. G.S. 90-18(c) is amended by adding a new subdivision to read:

"(c) The following shall not constitute practicing medicine or surgery as defined in this Article:

...

(21) The practice of naturopathic medicine by a licensed naturopathic doctor under the provisions of Article 43 of this Chapter."

SECTION 3. Part 2 of Article 4 of Chapter 114 of the General Statutes is amended by adding a new section to read:

"**§ 114-19.31. Criminal history record checks for naturopathic doctors.**

(a) The Department of Justice shall provide to the North Carolina Naturopathic Doctors Licensing Board from the State and National Repositories of Criminal Histories the criminal history of an applicant for licensure by the Board or a licensee of the Board. The Judicial Department shall provide to the Department of Justice, along with the request, the fingerprints of the applicant or licensee, a form signed by the applicant or licensee consenting to the criminal history record check and use of fingerprints and other identifying information required by the State and National Repositories, and any additional information required by the Department of Justice. The fingerprints of the applicant or licensee shall be forwarded to the State Bureau of Investigation for a search of the State's criminal history record file, and the State Bureau of Investigation shall forward a set of fingerprints to the Federal Bureau of Investigation for a national criminal history record check. The Judicial Department shall keep all information obtained pursuant to this section confidential.

(b) The Department of Justice may charge a fee to offset the cost incurred by it to conduct a criminal history record check under this section. The fee shall not exceed the actual cost of locating, editing, researching, and retrieving the information."

SECTION 4. Notwithstanding the provisions of G.S. 90-735, as enacted by Section 1 of this act, the initial naturopathic doctors appointed to the North Carolina Naturopathic Doctors Licensing Board must be North Carolina residents, must be licensed as a naturopathic doctor in a state that licenses this profession, and must be eligible for licensure under G.S. 90-737, as enacted by Section 1 of this act. Upon appointment, the appointee must immediately seek to become licensed under this act.

SECTION 5. This act is effective when it becomes law.

SENATE BILL 467:
Naturopathic Licensing Act

2011-2012 General Assembly

Committee:	Senate Finance	**Date:**	June 15, 2011
Introduced by:	Sens. Hartsell, Apodaca	**Prepared by:**	Amy Jo Johnson Staff Attorney
Analysis of:	PCS to Second Edition S467-CSSQ-62		

SUMMARY: ***The PCS to Senate Bill 467 would establish the North Carolina Naturopathic Doctors Licensure Act.***

The PCS adds performing acts of prenatal, intrapartum, postpartum, newborn, and interconceptual care to the list of acts prohibited by naturopathic doctors. It also changes the penalty for practicing without licensure from a Class I misdemeanor to a Class I felony. The PCS removes the provision establishing an Advisory Council to the licensing board.

BILL ANALYSIS:

Senate Bill 467 defines "naturopathic medicine" as a system of natural health care that employs diagnosis and treatment using natural therapies and diagnostic techniques for the promotion, maintenance, and restoration of health and the prevention of disease, including the following:

- Administering or providing any of the following or preventative and therapeutic purposes: natural medicines, natural therapies, natural topical medicines, hydrotherapy, dietary therapy, and naturopathic physical medicine.
- Using diagnostic procedures, including physical and orificial examination, but excluding endoscopy, sigmoidoscopy, and colonoscopy.
- Ordering and interpreting laboratory tests and diagnostic imaging, but excluding electrocardiograms, echocardiograms, electroencephalograms, nuclear imaging, MRIs, CT scans, and other tests that should be conducted and interpreted by a licensed physician.

Senate Bill 467 defines the scope of practice of naturopathic medicine and creates a licensure requirement for anyone practicing naturopathic medicine on or after January 1, 2012. Licenses will be granted by the North Carolina Naturopathic Doctors Licensing Board (Board) as established in the bill. The Board is authorized to impose the following fees:

- Application and examination $200.00
- License $600.00
- License renewal $400.00
- Late renewal $200.00
- Reinstatement $1,000.00
- Reasonable charges for duplication services and material.
- Criminal history record check fee equal to the amount imposed by the Department of Justice to conduct the criminal history record check requested by the Board.

Licenses will expire every year on the date issued unless it is renewed. Any person practicing as a naturopathic doctor, performing naturopathic medicine, or using any card, title, or abbreviation to indicate that the person is a naturopathic doctor without a license is guilty of a Class 1 Felony.

BACKGROUND: Sixteen states, the District of Columbia, and 4 Canadian provinces have enacted a licensure law for naturopathic doctors.

EFFECTIVE DATE: This act is effective when it becomes law.

ASSUMPTIONS AND METHODOLOGY:

North Carolina Naturopathic Doctors Licensure Board

Revenue
Materials presented to the Legislative Committee on New Licensing Boards indicate that the North Carolina Association of Naturopathic Physicians (NCANP) currently has 30 members who are naturopathic physicians who meet national licensure standards. It is anticipated that all 30 members will apply for licensure in North Carolina under this Act. In addition, data used in preparation of a 2005 fiscal note on this same subject estimated that five to seven additional applicants would apply each year. Using an estimate of 30 applicants in the first year and 5 applicants in each of the next four years, revenue would be as follows:

	Fee	FY2012	FY2013	FY2014	FY2015	FY2016
Application & Examination	$200	$6,000	$1,000	$1,000	$1,000	$1,000
License	$600	$18,000	$3,000	$3,000	$3,000	$3,000
License Renewal	$400		$12,000	$14,000	$16,000	$18,000
Total		**$24,000**	**$16,000**	**$18,000**	**$20,000**	**$22,000**

The above analysis assumes that all applicants are issued licenses and renew those licenses annually in a timely manner. Potential fees due to late renewals ore reinstatements are unknown.

Expenditures
Although the legislation permits the Board to hire personnel and incur operating expenses, no funds are appropriated to the Board. Therefore, it is assumed that the Board's operating expenses will be constrained by the revenue generated from the aforementioned fees.

Department of Justice

Revenue

The Department of Justice (DOJ) reports that a fee of $38 is charged to perform each criminal background check. Of this fee, $22 is forward to the Federal Bureau of Investigation (FBI) for a check of federal databases, and the remaining $16 is retained by DOJ. Of this $16, $14 goes to a check of North Carolina databases and $2 is used for the processing cost associated with the request.

Expenditures

The proposed changes in the bill may increase the workload and number of background checks the SBI may have to review and process. However, the bill makes no changes to 114-19.2 (c) which allows DOJ to charge a reasonable fee to recover their costs. Because this fee mechanism remains intact, the Department does not project that the proposed legislation will have a material fiscal impact on the SBI or DOJ.

Judicial Branch & Department of Correction

The proposed legislation would create a new Class I felony offense. New charges would impact court resources, and new convictions would impact the Department of Correction, Division of Prisons or Division of Community Corrections. At this time, the projected impact has not been determined.

SENATE BILL 682

Short Title:	Tax Deduction for Sharing Health Care Costs.	(Public)
Sponsors:	Senators Hunt; Blake, Brock, Forrester, Hise, and Tillman.	
Referred to:	Finance.	

April 20, 2011

A BILL TO BE ENTITLED

AN ACT TO GRANT AN INCOME TAX DEDUCTION TO INDIVIDUALS WHO PAY THE MEDICAL EXPENSES OF OTHER INDIVIDUALS THROUGH A HEALTH CARE SHARING ORGANIZATION.

The General Assembly of North Carolina enacts:

SECTION 1. G.S. 105-134.6 reads as rewritten:

"**§ 105-134.6. Adjustments to taxable income.**

...

(b) Deductions. – The following deductions from taxable income shall be made in calculating North Carolina taxable income, to the extent each item is included in taxable income:

...

(21) Twenty percent (20%) of the amount paid by the taxpayer to another individual for the other individual's medical expenses, provided that the taxpayer made the payments as part of the taxpayer's and recipient's participation in a health care sharing organization. For purposes of this subdivision, a "health care sharing organization" means a nonprofit organization exempt from taxation under section 501(c) of the Code that acts as a clearinghouse by providing a health care cost-sharing arrangement for those members who have medical expenses and those members who share the burden of such expenses through their monetary contributions.

...."

SECTION 2. This act is effective for taxable years beginning on or after January 1, 2012.

GENERAL ASSEMBLY OF NORTH CAROLINA

Session 2011

Legislative Fiscal Note

BILL NUMBER: Senate Bill 682 (First Edition)

SHORT TITLE: Tax Deduction for Sharing Health Care Costs.

SPONSOR(S): Senator Hunt

FISCAL IMPACT

Yes (x) **No ( )** **No Estimate Available ( )**

	FY 2011-12	FY 2012-13	FY 2013-14	FY 2014-15	FY 2015-16
Revenues ($Millions)	Cost estimated to be less than $50,000 per year				

PRINCIPAL DEPARTMENT AFFECTED: NC Department of Revenue

EFFECTIVE DATE: Taxable years beginning on or after January 1, 2012

BILL SUMMARY: Senate Bill 682 creates a tax deduction from individual income tax for 20% of the amount paid by a taxpayer to another individual for the other individual's medical expenses, provided that the taxpayer made the payments as part of the taxpayer's and recipient's participation in a health care sharing organization. A "health care sharing organization" means a nonprofit organization exempt from taxation under section 501(c) of the Internal Revenue Code that acts as a clearinghouse by providing a health care cost-sharing arrangement for those members who have medical expenses and those members who share the burden of such expenses through their monetary contributions.

ASSUMPTIONS AND METHODOLOGY: The estimated cost for the tax deduction taken for payments for another individual's medical expenses through a health care sharing organization is estimated to be less than $50,000 per fiscal year. To calculate this amount, Fiscal Research reviewed data provided by the Alliance of Health Care Sharing Ministries regarding the three health care share organizations with members in North Carolina. This data included identifying the total number of members, and an estimate of the total payments made by the members in 2009 and 2010. From this data, Fiscal Research was able to estimate the fiscal impact by multiplying the average total payment amounts for 2009 and 2010 by the 20% deduction rate, and then applying the applicable tax rate. It is unknown what impact the tax deduction might have on the future growth of health care sharing organizations. Increases in membership would increase the amount of tax deductions taken, which would increase the cost of the tax expenditure.

February 17, 2011

A BILL TO BE ENTITLED

AN ACT TO CREATE ADDITIONAL PROTECTIONS FOR MOTORCYCLISTS FROM UNSAFE MOVEMENTS BY OTHER VEHICLES.

The General Assembly of North Carolina enacts:

SECTION 1. G.S. 20-154 is amended by adding a new subsection to read:

"(a1) A violation of subsection (a) of this section that causes a motorcycle operator to change travel lanes or leave that portion of any public street or highway designated as travel lanes shall be a Class 2 misdemeanor and shall require payment of a fine of not less than two hundred dollars ($200.00). A violation of subsection (a) of this section that results in a crash causing property damage or personal injury to a motorcycle operator or passenger shall be a Class 1 misdemeanor and shall require payment of a fine of not less than five hundred dollars ($500.00)."

SECTION 2. This act becomes effective December 1, 2011, and applies to offenses committed on or after that date.

HOUSE BILL 113:
Motorcycle Safety Act

2011-2012 General Assembly

Committee:	Senate Finance	**Date:**	June 15, 2011
Introduced by:	Rep. Killian	**Prepared by:**	Brenda Carter Wendy Graf Ray Committee Counsel
Analysis of:	First Edition		

SUMMARY: ***House Bill 113 would create an enhanced penalty for violation of an existing motor vehicle law, which requires drivers to check for safety and then signal before making certain movements, if the violation causes a motorcycle to leave its travel lane or results in a crash causing property damage or injury to a motorcycle operator.***

CURRENT LAW: G.S. 20-154(a) (see complete text of statute below) requires the driver of a vehicle to do the following before starting, stopping, or turning, from a direct line, which includes changing lanes:

- First see that the movement can be made in safety; and
- If a pedestrian or another vehicle may be affected by the movement, give an appropriate signal

Violation is an infraction, punishable by a fine of not more than $100.

BILL ANALYSIS: House Bill 113 would add a new subsection (a1) to G.S. 20-154, which would provide for an enhanced penalty when a driver violates G.S. 20-154(a), and the violation causes a motorcycle operator to change lanes or leave a travel lane, or if the violation results in a crash that causes property damage or personal injury to a motorcycle operator or passenger.

A violation that causes a motorcycle operator to change or leave a travel lane would be a Class 2 misdemeanor and would require payment of a fine not less than $200. Assuming no prior convictions, the maximum penalty would be 30 days of community punishment and a fine up to $1,000 but not less than $200.

A violation that results in a crash that causes property damage or personal injury to a motorcycle operator or passenger would be a Class 1 misdemeanor and would require payment of a fine not less than $500. Assuming no prior convictions, the maximum penalty would be 45 days of community punishment and a fine in the discretion of the court but not less than $500.

EFFECTIVE DATE: The bill would become effective December 1, 2011, and would apply to offenses committed on or after that date.

A BILL TO BE ENTITLED

AN ACT TO REQUIRE THAT THE PROCEEDS OF CERTAIN DISPOSITIONS OF STATE-OWNED REAL PROPERTY BE USED IN PART TO SUPPORT THE GENERAL FUND, IN PART TO SUPPORT THE TEACHERS' AND STATE EMPLOYEES' RETIREMENT SYSTEM OF NORTH CAROLINA, AND IN PART TO SUPPORT THE AGENCIES TO WHICH THE PROPERTY WAS ALLOCATED; AND TO APPROPRIATE FUNDS FOR THESE PURPOSES.

The General Assembly of North Carolina enacts:

SECTION 1. G.S. 146-30(a) reads as rewritten:

"**§ 146-30. Application of net proceeds.**

(a) The net proceeds of any disposition made in accordance with this Subchapter shall be handled in accordance with the following priority: First, in accordance with the provisions of any trust or other instrument of title whereby title to such real property was heretofore acquired or is hereafter acquired; second, as provided by any other act of the General Assembly; third, ~~the net proceeds shall be deposited with the State Treasurer. Provided, however, nothing herein shall be construed as prohibiting the disposition of any State lands by exchange for other lands, but if the appraised value in fee simple of any property involved in the exchange is at least twenty-five thousand dollars ($25,000), then such exchange may not be made without consultation with the Joint Legislative Commission on Governmental Operations.~~as follows:

(1) If the appraised value of the land exceeds six million dollars ($6,000,000), the net proceeds shall be deposited with the State Treasurer to support the General Fund.

(2) If the appraised value of the land does not exceed six million dollars ($6,000,000), the net proceeds shall be deposited as follows:

a. Twenty-five percent (25%) to the State agency to which the property was allocated. These funds may be used for any purpose authorized by law and are hereby appropriated.

b. Twenty-five percent (25%) to the State Treasurer to support the General Fund.

c. Fifty (50%) to the State Treasurer to be deposited in the Teachers' and State Employees' Retirement System of North Carolina. These funds are hereby appropriated.

However, no State lands or contract shall be divided for the purpose of evading the appraised value of the provisions of this Subchapter."

SECTION 2. G.S. 146-30 is amended by adding a new subsection to read:

"(a1) Nothing in this section shall be construed to prohibit the disposition of any State lands by exchange for other lands, but if the appraised value in fee simple of any property involved in the exchange is at least twenty-five thousand dollars ($25,000), then such exchange may not be made without consultation with the Joint Legislative Commission on Governmental Operations."

SECTION 3. This act becomes effective July 1, 2011, and expires January 1, 2016.

HOUSE BILL 596:
Transfer Surplus Prop. to Retirement System

2011-2012 General Assembly

Committee:	Senate Finance	**Date:**	June 15, 2011
Introduced by:	Reps. Hastings, Stam, Crawford	**Prepared by:**	Greg Roney
Analysis of:	Third Edition		Committee Counsel

SUMMARY: ***House Bill 596 would modify the allocation of the proceeds from the disposition of surplus real property with an appraised value below $6,000,000 as follows: 25% to the State agency allocated the property, 25% to the General Fund, and 50% to the Teachers' and State Employees' Retirement System.***

CURRENT LAW: G.S. 146-27 authorizes the Department of Administration to initiate proceedings to dispose of surplus land. G.S. 146-28 provides that State agencies may voluntarily file an application with the Department of Administration to initiate the disposition of surplus land. The Department of Administration completes the disposition with the approval the Governor and the Council of State. For proposed dispositions of surplus land with an appraised value of $25,000 or more, consultation with the Joint Legislative Commission on Governmental Operations is required. The net proceeds from the disposition of surplus land is paid into the General Fund.

BILL ANALYSIS: House Bill 596 would direct that 25% of the net proceeds from the sale of surplus land with an appraised value below $6,000,000 be paid to the General Fund and would redirect the remaining 75% of the net proceeds to the State agency currently allocated the land (25%) and to the Teachers' and State Employees' Retirement System (50%). House Bill 596 would provide that 100% of the net proceeds from the sale of surplus land with an appraised value exceeding $6,000,000 be paid to the General Fund.

BACKGROUND: House Bill 596 creates an incentive for State agencies to voluntarily identify surplus land. The benefit of any increase in the disposition of surplus land is paid to the Teachers' and State Employees' Retirement System which will receive 50% of the net proceeds.

EFFECTIVE DATE: House Bill 596 is effective July 1, 2011 and sunsets January 1, 2016.

Short Title: Expand Excise Tax on Mill Machinery. (Public)

Sponsors:

Referred to:

April 7, 2011

A BILL TO BE ENTITLED

AN ACT TO EXPAND THE APPLICATION OF THE ONE PERCENT, EIGHTY DOLLAR EXCISE TAX ON CERTAIN MACHINERY AND EQUIPMENT TO SPECIALIZED EQUIPMENT USED AT A PORT FACILITY AND TO MACHINERY USED AT A LARGE MANUFACTURING AND DISTRIBUTION FACILITY.

The General Assembly of North Carolina enacts:

SECTION 1. G.S. 105-187.51B reads as rewritten:

"**§ 105-187.51B. Tax imposed on certain recyclers, research and development companies, ~~and~~ industrial machinery refurbishing ~~companies.~~companies, and companies located at ports facilities.**

(a) Tax. – A privilege tax is imposed on the following:

(1) A major recycling facility that purchases any of the following tangible personal property for use in connection with the facility:

a. Cranes, structural steel crane support systems, and foundations related to the cranes and support systems.

b. Port and dock facilities.

c. Rail equipment.

d. Material handling equipment.

(2) A research and development company in the physical, engineering, and life sciences that is included in industry 54171 of NAICS and that purchases equipment or an attachment or repair part for equipment that meets all of the following requirements:

a. Is capitalized by the company for tax purposes under the Code.

b. Is used by the company in the research and development of tangible personal property.

c. Would be considered mill machinery or mill machinery parts or accessories under G.S. 105-187.51 if it were purchased by a manufacturing industry or plant and used in the research and development of tangible personal property manufactured by the industry or plant.

(3) A software publishing company that is included in the industry group 5112 of NAICS and that purchases equipment or an attachment or repair part for equipment that meets all of the following requirements:
a. Is capitalized by the company for tax purposes under the Code.
b. Is used by the company in the research and development of tangible personal property.
c. Would be considered mill machinery under G.S. 105-187.51 if it were purchased by a manufacturing industry or plant and used in the research and development of tangible personal property manufactured by the industry or plant.

(4) An industrial machinery refurbishing company that is included in industry group 811310 of NAICS and that purchases equipment or an attachment or repair part for equipment that meets all of the following requirements:
a. Is capitalized by the company for tax purposes under the Code.
b. Is used by the company in repairing or refurbishing tangible personal property.
c. Would be considered mill machinery under G.S. 105-187.51 if it were purchased by a manufacturing industry or plant and used by the industry or plant to manufacture tangible personal property.

(5) A company located at a ports facility for waterborne commerce that purchases specialized equipment to be used at the facility to unload or process bulk cargo to make it suitable for delivery to and use by manufacturing facilities.

(b) Rate. – The tax is one percent (1%) of the sales price of the equipment or other tangible personal property. The maximum tax is eighty dollars ($80.00) per article."

SECTION 2. Article 5F of Chapter 105 of the General Statutes is amended by adding a new section to read:

"**§ 105-187.51D. Tax imposed on machinery at large manufacturing and distribution facility.**

(a) Definition. – For the purposes of this section, a 'large manufacturing and distribution facility' is a facility used primarily for manufacturing or assembling products and distributing finished products for which the Secretary of Commerce makes a certification that an investment of private funds of at least one hundred million dollars ($100,000,000) has been or will be made in real and tangible personal property for the facility within five years after the date on which the first property investment is made and that the facility will achieve an employment level of at least 1,000 within five years after the date the facility is placed into service and maintain that minimum level of employment throughout its operation.

(b) Tax. – A privilege tax is imposed on a large manufacturing and distribution facility that purchases mill machinery, distribution machinery, or parts or accessories for mill machinery or distribution machinery for storage, use, or consumption in this State. The tax is one percent (1%) of the sales price of the machinery, part, or accessory purchased. The maximum tax is eighty dollars ($80.00) per article. As used in this section, the term 'accessories' does not include electricity.

(c) Forfeiture. – If the required level of investment or employment to qualify as large manufacturing and distribution facility is not timely made, achieved, or maintained, then the rate provided under this section is forfeited. If the rate is forfeited due to a failure to timely make the required investment or to timely achieve the minimum required employment level, then the rate provided under this section is forfeited on all purchases. If the rate is forfeited due to a failure to maintain the minimum required employment level once that level has been

achieved, then the rate provided under this section is forfeited for those purchases occurring on or after the date the taxpayer fails to maintain the minimum required employment level.

A taxpayer that forfeits a rate under this section is liable for all past sales and use taxes avoided as a result of the forfeiture, computed at the applicable State and local rates from the date the taxes would otherwise have been due, plus interest at the rate established under G.S. 105-241.21. Interest is computed from the date the sales or use tax would otherwise have been due. A credit is allowed against the State sales or use tax owed as a result of the forfeiture provisions of this subsection for privilege taxes paid pursuant to this section. For purposes of applying this credit, the fact that payment of the privilege tax occurred in a period outside the statute of limitations provided under G.S. 105-241.6 is not considered. The credit reduces the amount forfeited, and interest applies only to the reduced amount. The past taxes and interest are due 30 days after the date of forfeiture. A taxpayer that fails to pay the past taxes and interest by the due date is subject to the provisions of G.S. 105-236.

(d) Sunset. – This section expires for sales occurring on or after July 1, 2018."

SECTION 3.(a) Definitions. – The following definitions apply in this section:

(1) Eligible property. – Distribution machinery, or parts or accessories for distribution machinery, for storage, use, or consumption in this State.

(2) Large manufacturing and distribution facility. – A facility used primarily for manufacturing or assembling products and distributing finished products for which the Secretary of Commerce makes a certification that an investment of private funds of at least one hundred million dollars ($100,000,000) has been or will be made in real and tangible personal property for the facility within five years after the date on which the first property investment is made and that the facility will achieve an employment level of at least 1,000 within five years after the date the facility is placed into service and maintain that minimum level of employment throughout its operation.

SECTION 3.(b) Refund. – For purchases of eligible property made on or after July 1, 2012, but before July 1, 2013, a large manufacturing and distribution facility is allowed a refund of all local sales and use taxes paid and a portion of State sales and use taxes paid on the purchases as provided in this section. The portion of the State sales and use taxes that may be refunded is equal to the excess of the State sales and use taxes paid over the amount that would have been due had the taxpayer been subject to tax on the eligible property if it were mill machinery under Article 5F of Chapter 105 of the General Statutes. A request for a refund under this section must be in writing and must include any information and documentation required by the Secretary. A request for a refund under this section must be made on or after July 1, 2013, and is due before January 1, 2014. Refunds applied for after the due date are barred Taxes for which a refund is allowed under this section are not an overpayment of tax and do not accrue interest as provided in G.S. 105-241.21.

SECTION 3.(c) Forfeiture. – If the required investment or minimum employment level to qualify as a large manufacturing and distribution facility is not timely made or achieved, then the refund provided under this section is forfeited. A taxpayer that forfeits a refund under this section is liable for all sales and use taxes refunded under this section, plus interest at the rate established under G.S. 105-241.21. Interest is computed from the date the refund was made. The forfeited refund and interest are due 30 days after the date of forfeiture. A taxpayer that fails to pay the forfeited refund and interest by the due date is subject to the provisions of G.S. 105-236.

SECTION 4. Sections 1 and 2 of this act become effective July 1, 2013, and apply to purchases made on or after that date. The remainder of this act is effective when it becomes law.

HOUSE BILL 751:
Expand Excise Tax on Mill Machinery

2011-2012 General Assembly

Committee:	Senate Finance	**Date:**	June 15, 2011
Introduced by:	Rep. McComas	**Prepared by:**	Cindy Avrette
Analysis of:	PCS to Second Edition H751-CSRB-75		Committee Counsel

SUMMARY: House Bill 751 would substitute the 1%, $80 cap excise tax for the State and local sales and use tax on the following:

- ***Specialized equipment purchased by a business for use at a port facility to unload or process bulk cargo to make it suitable for deliver to and use by manufacturing facilities.***
- ***Mill machinery, distribution machinery, or parts or accessories for mill machinery purchased by a large manufacturing and distribution facility for storage, use, or consumption in this State.***

The bill DOES NOT HAVE A FISCAL IMPACT IN THIS BIENNIUM. The Senate PCS adjusts the investment and employment levels and it provides a sales tax refund for purchases made on or after July 1, 2012, and before July 1, 2013; the refund is payable on or after July 1, 2013, so that the bill does not impact budget availability for this biennium.

CURRENT LAW: The 2001 General Assembly enacted Article 5F in response to the requirement of the Streamlined Sales and Use Tax Agreement that states must simplify their sales tax rates. The 2001 legislation, which became effective January 1, 2006, repealed the 1% sales tax rate, with an $80 cap, imposed on mill machinery purchased by a manufacturing industry or plant and replaced it with a privilege tax having the same rate. Items that are subject to the 1%, $80 excise tax under Article 5F are exempt from sales and use tax. The current State sales tax rate is 5.75%; the local rates vary from 2% to 2.5% in Mecklenburg County.

Article 5F has been expanded since its enactment to apply to purchases of fuel and equipment and machinery by a number of different industries, including:

- Fuel, other than electricity or piped natural gas, purchased by a manufacturing industry or plant to operate the industry or plant.
- Certain personal property purchased by a major recycling facility.
- Equipment purchased by a research and development company in the physical, engineering, and life sciences and used by that company in the research and development of tangible personal property.
- Equipment purchased by a software publishing company that is used in the research and development of tangible personal property.
- Equipment purchased by an eligible datacenter.

BILL ANALYSIS: House Bill 751 would expand Article 5F to include specialized machinery used at a port facility to unload or process bulk cargo to make it suitable for delivery to and use by manufacturing facilities.

The bill would also expand the 1%, $80 tax to include mill machinery and distribution machinery purchased by a large manufacturing and distribution facility. A large manufacturing and distribution facility is defined as one that meets both investment and employment thresholds:

- Must invest at least $100 million in real and tangible personal property at the facility within five years after the date on which the first property investment is made.
- Must employ at least 1,000 within five years after the date the facility is placed into service.

A facility that fails to meet or maintain its investment and employment levels, it must forfeit the preferential tax allowed under this section.

The PCS provides a sales tax refund to a large manufacturing and distribution facility that purchases distribution equipment on or after July 1, 2012, and before July 1, 2013. The facility would receive a full refund of local taxes and a portion of State taxes. The portion of State taxes refunded is equal to the amount of tax paid less the amount of tax the facility would have paid had it been subject to tax under Article 5F.

EFFECTIVE DATE: The bill would become effective July 1, 2013, and apply to purchases made on or after that date.

H751-SMRB-108(CSRB-75).v1

NORTH CAROLINA GENERAL ASSEMBLY
AMENDMENT
House Bill 751

AMENDMENT NO. 1
(to be filled in by Principal Clerk)

H751-ATD-131 [v.1]

Comm. Sub. [YES]
Amends Title [YES]
Second Edition

Date June 15 ,2011

Senator Goolsby

moves to amend the bill on page 1, line 5, by rewriting the line to read:
"LARGE MANUFACTURING AND DISTRIBUTING FACILITY; TO PROVIDE TIER ONE TREATMENT FOR PORT ENHANCEMENT ZONES; AND TO RETAIN AND ENCOURAGE INVESTMENT IN ECONOMICALLY DISTRESSED TIMES TO REMAIN ELIGIBLE TO TAKE AN INSTALLMENT OF A CREDIT EARNED UNDER THE BILL LEE ACT.";

and on page 1, lines 6 and 7, by inserting between the lines:
"**PART 1. EXPAND EXCISE TAX ON MILL MACHINERY.**";

and on page 3, lines 48 through 49, by rewriting the lines to read:
"to purchases made on or after that date. Sections 2 and 4 of this act become effective when it becomes law.

PART 2. PORT ENHANCEMENT ZONES.

SECTION 5. Part 2 of Article 10 of Chapter 143B of the General Statutes is amended by adding a new section to read:
"**§ 143B-437.012. Port enhancement zone designation.**

(a) Port Enhancement Zone Defined. – A port enhancement zone is an area that meets all of the following conditions:

(1) It is comprised of one or more contiguous census tracts, census block groups, or both, in the most recent federal decennial census.

(2) All of the area is located within 25 miles of a State port and is capable of being used to enhance port operations.

(3) Every census tract and census block group that comprises the area has at least eleven percent (11%) of households with incomes of fifteen thousand dollars ($15,000) or less.

(b) Limitations and Designation. – The area of a county that is included in one or more port enhancement zones shall not exceed five percent (5%) of the total area of the county. Upon application of a county, the Secretary of Commerce shall make a written determination whether an area is a port enhancement zone that satisfies the conditions of subsection (a) of this section. The application shall include all of the information listed in this subsection. A determination

under this section is effective until December 31 of the year following the year in which the determination is made. The Department of Commerce shall publish annually a list of all port enhancement zones with a description of their boundaries.

(1) A map showing the census tracts and block groups that would comprise the zone.

(2) A detailed description of the boundaries of the area that would comprise the zone.

(3) A certification regarding the size of the proposed zone.

(4) Detailed census information on the county and the proposed zone.

(5) A resolution of the board of county commissioners requesting the designation of the area as a port enhancement zone.

(6) Any other material required by the Secretary of Commerce."

SECTION 6. G.S. 105-129.81 is amended by adding a new subdivision to read:

"**§ 105-129.81. (See notes) Definitions.**

The following definitions apply in this Article:

...

(20a) Port enhancement zone. – Defined in G.S. 143B-437.012.

...."

SECTION 7. G.S. 105-129.83 reads as rewritten:

"**§ 105-129.83. Eligibility; forfeiture.**

...

(c) Wage Standard. – A taxpayer is eligible for a credit under this Article in a development tier two or three area only if the taxpayer satisfies a wage standard. The taxpayer is not required to satisfy a wage standard if the activity occurs in a development tier one area. Jobs that are located within an urban progress ~~zone~~zone, a port enhancement zone, or an agrarian growth zone but not in a development tier one area satisfy the wage standard if they pay an average weekly wage that is at least equal to ninety percent (90%) of the lesser of the average wage for all insured private employers in the State and the average wage for all insured private employers in the county. All other jobs satisfy the wage standard if they pay an average weekly wage that is at least equal to the lesser of one hundred ten percent (110%) of the average wage for all insured private employers in the State and ninety percent (90%) of the average wage for all insured private employers in the county. The Department of Commerce shall annually publish the wage standard for each county.

In making the wage calculation, the taxpayer shall include any jobs that were filled for at least 1,600 hours during the calendar year the taxpayer engages in the activity that qualifies for the credit even if those jobs are not filled at the time the taxpayer claims the credit. For a taxpayer with a taxable year other than a calendar year, the taxpayer shall use the wage standard for the calendar year in which the taxable year begins. Only full-time jobs are included when making the wage calculation.

...

(l) Planned Expansion. – A taxpayer that signs a letter of commitment with the Department of Commerce, after the Department has calculated the development tier designations for the next year but before the beginning of that year, to undertake specific

activities at a specific site within the next two years may calculate the credit for which it qualifies based on the establishment's development tier designation and urban progress ~~zone~~ zone, port enhancement zone, or agrarian growth zone designation in the year in which the letter of commitment was signed by the taxpayer. If the taxpayer does not engage in the activities within the two-year period, the taxpayer does not qualify for the credit; however, if the taxpayer later engages in the activities, the taxpayer qualifies for the credit based on the development tier and urban progress ~~zone~~ zone, port enhancement zone, or agrarian growth zone designations in effect at that time.

...."

SECTION 8. G.S. 105-129.87 reads as rewritten:

"**§ 105-129.87. Credit for creating jobs.**

(a) Credit. – A taxpayer that meets the eligibility requirements set out in G.S. 105-129.83 and satisfies the threshold requirement for new job creation in this State under subsection (b) of this section during the taxable year is allowed a credit for creating jobs. The amount of the credit for each new job created is set out in the table below and is based on the development tier designation of the county in which the job is located. If the job is located in an urban progress ~~zone~~ zone, a port enhancement zone, or an agrarian growth zone, the amount of the credit is increased by one thousand dollars ($1,000) per job. In addition, if a job located in an urban progress ~~zone~~ zone, a port enhancement zone, or an agrarian growth zone is filled by a resident of that zone or by a long-term unemployed worker, the amount of the credit is increased by an additional two thousand dollars ($2,000) per job.

Area Development Tier	Amount of Credit
Tier One	$12,500
Tier Two	5,000
Tier Three	750

(b) Threshold. – The applicable threshold is the appropriate amount set out in the following table based on the development tier designation of the county where the new jobs are created during the taxable year. If the taxpayer creates new jobs at more than one eligible establishment in a county during the taxable year, the threshold applies to the aggregate number of new jobs created at all eligible establishments within the county during that year. If the taxpayer creates new jobs at eligible establishments in different counties during the taxable year, the threshold applies separately to the aggregate number of new jobs created at eligible establishments in each county. If the taxpayer creates new jobs in an urban progress ~~zone~~ zone, a port enhancement zone, or an agrarian growth zone, the applicable threshold is the one for a development tier one area. New jobs created in an urban progress ~~zone~~ zone, a port enhancement zone, or an agrarian growth zone are not aggregated with jobs created at any other eligible establishments regardless of county.

Area Development Tier	Threshold
Tier One	5
Tier Two	10
Tier Three	15

(c) Calculation. – A job is located in a county, an urban progress zone, a port enhancement zone, or an agrarian growth zone if more than fifty percent (50%) of the

employee's duties are performed in the county or the zone. The number of new jobs a taxpayer creates during the taxable year is determined by subtracting the average number of full-time employees the taxpayer had in this State during the 12-month period preceding the beginning of the taxable year from the average number of full-time employees the taxpayer has in this State during the taxable year.

...

(e) Transferred Jobs. – Jobs transferred from one area in the State to another area in the State are not considered new jobs for purposes of this section. Jobs that were located in this State and that are transferred to the taxpayer from a related member of the taxpayer are not considered new jobs for purposes of this section. If, in one of the four years in which the installment of a credit accrues, the job with respect to which the credit was claimed is moved to an area in a higher-numbered development tier or out of an urban progress ~~zone~~ zone, a port enhancement zone, or an agrarian growth zone, the remaining installments of the credit are allowed only to the extent they would have been allowed if the job was initially created in the area to which it was moved. If, in one of the years in which the installment of a credit accrues, the job with respect to which the credit was claimed is moved to an area in a lower-numbered development tier or an urban progress ~~zone~~ zone, a port enhancement zone, or an agrarian growth zone, the remaining installments of the credit shall be calculated as if the job had been created initially in the area to which it was moved.

...."

SECTION 9. G.S. 105-129.88 reads as rewritten:

"**§ 105-129.88. (See notes) Credit for investing in business property.**

(a) General Credit. – A taxpayer that meets the eligibility requirements set out in G.S. 105-129.83 and that has purchased or leased business property and placed it in service in this State during the taxable year and that has satisfied the threshold requirements of subsection (c) of this section is allowed a credit equal to the applicable percentage of the excess of the eligible investment amount over the applicable threshold. If the taxpayer places business property in service in an urban progress ~~zone~~ zone, a port enhancement zone, or an agrarian growth zone, the applicable percentage is the one for a development tier one area. Business property is eligible if it is not leased to another party. The credit may not be taken for the taxable year in which the business property is placed in service but shall be taken in equal installments over the four years following the taxable year in which it is placed in service. The applicable percentage is as follows:

Area Development Tier	Applicable Percentage
Tier One	7%
Tier Two	5%
Tier Three	3.5%

...

(c) Threshold. – The applicable threshold is the appropriate amount set out in the following table based on the development tier where the eligible business property is placed in service during the taxable year. If the taxpayer places business property in service in an urban progress ~~zone~~ zone, a port enhancement zone, or an agrarian growth zone, the applicable threshold is the one for a development tier one area. Business property placed in service in an

urban progress ~~zone~~ zone, a port enhancement zone, or an agrarian growth zone is not aggregated with business property placed in service at any other eligible establishments regardless of county. If the taxpayer places eligible business property in service at more than one establishment in a county during the taxable year, the threshold applies to the aggregate amount of eligible business property placed in service during the taxable year at all establishments in the county. If the taxpayer places eligible business property in service at establishments in different counties, the threshold applies separately to the aggregate amount of eligible business property placed in service in each county. If the taxpayer places eligible business property in service at an establishment over the course of a two-year period, the applicable threshold for the second taxable year is reduced by the eligible investment amount for the previous taxable year.

Area Development Tier	Threshold
Tier One	$ -0-
Tier Two	1,000,000
Tier Three	2,000,000

...

(e) Transferred Property. – If, in one of the four years in which the installment of a credit accrues, the business property with respect to which the credit was claimed is moved to a county in a higher-numbered development tier or out of an urban progress ~~zone~~ zone, a port enhancement zone, or an agrarian growth zone, the remaining installments of the credit are allowed only to the extent they would have been allowed if the business property had been placed in service initially in the area to which it was moved. If, in one of the four years in which the installment of a credit accrues, the business property with respect to which a credit was claimed is moved to a county in a lower-numbered development tier or an urban progress ~~zone~~ zone, a port enhancement zone, or an agrarian growth zone, the remaining installments of the credit shall be calculated as if the business property had been placed in service initially in the area to which it was moved.

...."

SECTION 10. Sections 5 through 10 of this act are effective for taxes imposed for taxable years beginning on or after July 1, 2013.

PART 3. ENCOURAGE INVESTMENT TO RETAIN ARTICLE 3A INSTALLMENT.

SECTION 11. G.S. 105-129.12A(c) reads as rewritten:

"(c) Expiration. – If, in one of the seven years in which the installment of a credit accrues, the property with respect to which the credit was claimed is no longer used in an eligible business, the credit expires and the taxpayer may not take any remaining installment of the credit. If, in one of the seven years in which the installment of a credit accrues, part of the property with respect to which the credit was claimed is no longer used in an eligible business, the remaining installments of the credit shall be reduced by multiplying it by the fraction described in subsection (b) of this section. ~~If, in~~In one of the years in which the installment of a credit accrues and by which the taxpayer is required to have created 200 new jobs at the property, if (i) the total number of employees the taxpayer employs at the property with respect

to which the credit is claimed is less than ~~200,~~200 and (ii) the taxpayer has failed, within two years of the date the employment fell below 200, to invest at the property at least twice the value of the remaining installments of the credit, the credit expires and the taxpayer may not take any remaining installment of the credit.

In each of these cases, the taxpayer may nonetheless take the portion of an installment that accrued in a previous year and was carried forward to the extent permitted under G.S. 105-129.5."

SECTION 12. Section 11 of this act is effective for taxable years beginning on or after January 1, 2009.".

NORTH CAROLINA GENERAL ASSEMBLY
AMENDMENT
House Bill 596

AMENDMENT NO. 2
(to be filled in by Principal Clerk)

751
H~~596~~-AMD-71 [v.2]

Comm. Sub. [YES]
Amends Title [YES]
Third Edition

Date June 15 ,2011

Senator Daniel

moves to amend the bill on Page 1, Lines ~~6 and 7~~ 5, by ~~deleting those lines and substituting the following:~~ adding the following at the end of that line to read: "~~SUPPORT THE AGENCIES TO WHICH THE PROPERTY WAS ALLOCATED; TO APPROPRIATE FUNDS FOR THESE PURPOSES,~~ AND TO AMEND THE AUTHORIZATION TO ISSUE SPECIAL INDEBTEDNESS FOR AN EDUCATIONAL BUILDING AT APPALACHIAN STATE UNIVERSITY."; and

and by adding the following new section at the end of the bill to read:

~~on Page 2, Line 6, by inserting immediately after that line a new section to read:~~

"**SECTION ~~X~~.** Subdivision (a)(1) of Section 29.13 of S.L. 2007-323, as amended by Section 27.12A of S.L. 2009-451, reads as rewritten:

'**SECTION 29.13.(a)** The State, with the prior approval of the State Treasurer and the Council of State, as provided in Article 9 of Chapter 142 of the General Statutes, is authorized to issue or incur special indebtedness in order to provide funds to the State to be used, together with other available funds, to pay the capital facility costs of the projects described in this subsection. In accordance with G.S. 142-83, this subsection authorizes the issuance or incurrence of special indebtedness:

(1) In the maximum aggregate principal amount of thirty-four million dollars ($34,000,000) to finance the capital facility costs of completing a new educational building at Appalachian State University and acquiring and improving adjacent real property related to the project. No more than a maximum aggregate amount of three million dollars ($3,000,000) of special indebtedness may be issued or incurred under this subdivision prior to July 1, 2008.'"; and

and by amending the effective date to provide that this section

on Page 2, Line 7, by deleting that line and substituting the following: becomes effective

"~~**SECTION 4.** Section ~~X~~ of this act is effective when it becomes law. The remainder of this act becomes effective July 1, 2011, and expires January 1, 2016.~~" when it becomes law.

A BILL TO BE ENTITLED

AN ACT TO MAKE TECHNICAL, CLARIFYING, AND ADMINISTRATIVE CHANGES TO THE REVENUE LAWS AND RELATED STATUTES.

The General Assembly of North Carolina enacts:

BUSINESS AND EXCISE TAXES

SECTION 1. Section 31.7(e) of S.L. 2010-31 reads as rewritten:

"**SECTION 31.7.(e)** G.S. 105-37.1(a)(1), as amended by subsection (a) of this section, becomes effective ~~August 1, 2010,~~February 1, 2009, and applies retroactively to charges for admission received before that date or on or after that date. G.S. 105-37.1(a)(2), as amended by subsection (a) of this section, becomes effective January 1, 2011, and applies to admission tickets sold on or after that date. The remainder of this section is effective when it becomes law."

SECTION 2.(a) G.S. 105-113.4 reads as rewritten:

"**§ 105-113.4. Definitions.**

The following definitions apply in this Article:

(1) Affiliate. – A person who directly or indirectly controls, is controlled by, or is under common control with another person.

(1a) Affiliated manufacturer. – A manufacturer licensed under G.S. 105-113.12 who is an affiliate of a manufacturer licensed under G.S. 105-113.12.

~~(1)~~(1b) Cigar. – A roll of tobacco wrapped in a substance that contains tobacco, other than a cigarette.

~~(1a)~~(1c) Cigarette. – Any of the following:

a. A roll of tobacco wrapped in paper or in a substance that does not contain tobacco.

b. A roll of tobacco wrapped in a substance that contains tobacco and that, because of its appearance, the type of tobacco used in the filler, or its packaging and labeling, is likely to be offered to or purchased by a consumer as a cigarette described in subpart a. of this subdivision.

...

(4a) Integrated wholesale dealer. – A wholesale dealer who is an affiliate of a manufacturer of tobacco products, other than cigarettes, and is not a retail dealer. ~~An "affiliate" is a person who directly or indirectly controls, is controlled by, or is under common control with another person.~~

...."

SECTION 2.(b) G.S. 105-113.10 reads as rewritten:

"**§ 105-113.10. Manufacturers ~~shipping to distributors exempt.~~exempt from paying tax.**

(a) Shipping to Other Distributors. – Any manufacturer shipping cigarettes to other distributors who are licensed under G.S. 105-113.12 may, upon application to the Secretary and upon compliance with requirements prescribed by the Secretary, be relieved of paying the taxes levied in this Part. No manufacturer may be relieved of the requirement to be licensed as a distributor in order to make shipments, including drop shipments, to a retail dealer or ultimate user.

(b) Shipping for Affiliated Manufacturer. – A manufacturer may, upon application to the Secretary and upon compliance with requirements prescribed by the Secretary, be relieved of paying the taxes levied in this Part on cigarettes that are manufactured by an affiliated manufacturer and temporarily stored at and shipped from its facilities."

SECTION 2.(c) G.S. 105-113.21(b) reads as rewritten:

"(b) Refund. – A distributor in possession of packages of stale or otherwise unsalable cigarettes upon which the tax has been paid may return the cigarettes to the manufacturer as provided in this subsection and apply to the Secretary for refund of the tax. The application shall be in the form prescribed by the Secretary and shall be accompanied by an affidavit from the manufacturer stating the number of cigarettes returned to the manufacturer by the applicant. The Secretary shall refund the tax paid, less the discount allowed, on the unsalable cigarettes. The distributor must return the cigarettes to the manufacturer of the cigarettes or to the affiliated manufacturer who is contracted by the manufacturer of the cigarettes to serve as the manufacturer's agent for the purposes of validating quantities and disposing of unsalable cigarettes."

SECTION 3. G.S. 105-120.2(f) is repealed.

SECTION 4. G.S. 105-129.50 is amended by adding a new subdivision to read:

"**§ 105-129.50. Definitions.**

The definitions in section 41 of the Code apply in this Article. In addition, the following definitions apply in this Article:

(1) Development tier one area. – Defined in G.S. 143B-437.08.

...."

SECTION 5. G.S. 105-130.4(t2) and G.S. 105-122(c1)(3) are repealed.

SECTION 6. G.S. 105-41(a)(8) and (a)(9) read as rewritten:

"(a) Every individual in this State who practices a profession or engages in a business and is included in the list below must obtain from the Secretary a statewide license for the privilege of practicing the profession or engaging in the business. A license required by this section is not transferable to another person. The tax for each license is fifty dollars ($50.00).

...

(8) A real estate ~~broker or a real estate salesman,~~broker as defined in G.S. 93A-2. A real estate broker ~~or a real estate salesman~~ who is also a real estate appraiser is required to obtain only one license under this section to cover both activities.

(9) A real estate appraiser, as defined in G.S. 93E-1-4. A real estate appraiser who is also a real estate broker ~~or a real estate salesman~~ is required to obtain only one license under this section to cover both activities."

SECTION 7. G.S. 105-113.82(a) reads as rewritten:

"(a) Amount. – The Secretary must distribute annually a percentage of the net amount of excise taxes collected on the sale of malt beverages and wine during the preceding 12-month period ending March 31 to the counties or cities in which the retail sale of these beverages is authorized in the entire county or city. ~~For purposes of this subsection, the term "net amount"~~

~~means gross collections less refunds and amounts credited to the Department of Commerce under G.S. 105-113.81A.~~ The percentages to be distributed are as follows:

(1) Of the tax on malt beverages levied under G.S. 105-113.80(a), twenty and forty-seven hundredths percent (20.47%).

(2) Of the tax on unfortified wine levied under G.S. 105-113.80(b), forty-nine and forty-four hundredths percent (49.44%).

(3) Of the tax on fortified wine levied under G.S. 105-113.80(b), eighteen percent (18%)."

SECTION 8. G.S. 105-125(b) reads as rewritten:

"(b) Certain Investment Companies. – A corporation doing business in North Carolina that meets one or more of the following conditions may, in determining its ~~basis~~ capital stock, surplus, and undivided profits base for franchise tax, deduct the aggregate market value of its investments in the stocks, bonds, debentures, or other securities or evidences of debt of other corporations, partnerships, individuals, municipalities, governmental agencies, or governments:

(1) A regulated investment company. – A regulated investment company is an entity that qualifies as a regulated investment company under section 851 of the Code.

(2) A REIT, unless the REIT is a captive REIT. – The terms "REIT" and "captive REIT" have the same meanings as defined in G.S. 105-130.12."

SECTION 9. G.S. 105-127(f) reads as rewritten:

"(f) After the end of the income year in which a domestic corporation is dissolved pursuant to Part 1 of Article 14 of Chapter 55 of the General Statutes, the corporation is no longer subject to the tax levied in this Article unless the Secretary of Revenue finds that the corporation has engaged in business activities in this State not appropriate to winding up and liquidating its business and affairs."

SECTION 10. G.S. 105-228.8(e) reads as rewritten:

"(e) This section shall not apply to special purpose obligations or assessments based on premiums imposed in connection with particular kinds of insurance, to the special purpose regulatory charge imposed under G.S. 58-6-25, or to dedicated special purpose taxes based on premiums. ~~For purposes of this section, seventy-five percent (75%) of the one and thirty-three hundredths percent (1.33%) tax on amounts collected on contracts of insurance applicable to fire and lightning coverage shall not be a special purpose obligation or assessment or a dedicated special purpose tax within the meaning of this subsection.~~"

PERSONAL TAXES

SECTION 11. Section 4 of S.L. 2011-5 reads as rewritten:

"**SECTION 4.** This act is effective when it becomes ~~law.~~ law and applies to the estates of decedents dying on or after January 1, 2011. Notwithstanding Section 1 of this act, any amendments to the Internal Revenue Code enacted after May 1, 2010, that increase North Carolina taxable income for the 2010 taxable year become effective for taxable years beginning on or after January 1, 2011."

SECTION 12.(a) If House Bill 200, 2011 Regular Session, becomes law, then G.S. 105-134.1(19), as repealed in that act, is reenacted.

SECTION 12.(b) If House Bill 200, 2011 Regular Session, becomes law, then G.S. 105-134.6(a1) and (a2), as enacted in that act, read as rewritten:

"(a1) Personal Exemption. – In calculating North Carolina taxable income, a taxpayer may deduct an exemption amount equal to the amount listed in the table below based on the taxpayer's filing status and adjusted gross income. The taxpayer is allowed the same ~~number of~~personal exemptions ~~claimed~~ allowed under section 151 of the Code for the taxable year.

Filing Status	Adjusted Gross Income	Personal Exemption

Married, filing jointly	Up to $100,000	$2,500
	Over $100,000	$2,000
Head of Household	Up to $80,000	$2,500
	Over $80,000	$2,000
Single	Up to $60,000	$2,500
	Over $60,000	$2,000
Married, filing separately	Up to $50,000	$2,500
	Over $50,000	$2,000

(a2) Deduction Amount. – In calculating North Carolina taxable income, a taxpayer may deduct either the standard deduction amount listed in the table below for that taxpayer's filing status or the itemized deductions amount ~~elected~~ claimed under ~~section 63 of~~ the Code. ~~A taxpayer may not deduct both the standard deduction amount and the itemized deductions amount.~~ In the case of a married couple filing separate returns, a taxpayer may not deduct the standard deduction amount if the taxpayer's spouse claims itemized deductions for State purposes.

A taxpayer that deducts the standard deduction amount under this subsection and is entitled to an additional deduction amount under section 63(f) of the Code for the aged or blind may deduct an additional amount under this subsection. The additional amount the taxpayer may deduct is six hundred dollars ($600.00) in the case of an individual who is married and seven hundred fifty dollars ($750.00) in the case of an individual who is not married and is not a surviving spouse. The taxpayer is allowed the same number of additional amounts that the taxpayer claimed under the Code for the taxable year.

Filing Status	**Standard Deduction**
Married, filing jointly	$6,000
Head of Household	4,400
Single	3,000
Married, filing separately	3,000."

SECTION 12.(c) If House Bill 200, 2011 Regular Session, becomes law, then G.S. 105-134.6(b)(22), as enacted in that act, reads as rewritten:

"(22) ~~The first~~An amount not to exceed fifty thousand dollars ($50,000) of net business income the taxpayer receives during the taxable year. In the case of a married couple filing a joint return where both spouses receive or incur net business income, the maximum dollar amounts apply separately to each spouse's net business income, not to exceed a total of one hundred thousand dollars ($100,000). For purposes of this subdivision, the term "business income" does not include income that is considered passive income under the Code."

SECTION 12.(d) If House Bill 200, 2011 Regular Session, becomes law, then G.S. 105-134.6(c)(3) reads as rewritten:

"(3) Any amount deducted from gross income under section 164 of the Code as state, local, or foreign income ~~tax or~~ tax, as state or local general sales ~~tax~~ tax, or as qualified motor vehicle tax to the extent that the taxpayer's total itemized deductions deducted under the Code for the taxable year exceed the standard deduction allowable to the taxpayer under ~~the Code reduced by the amount the taxpayer is required to add to taxable income under subdivision (4) of this subsection.~~subsection (a2) of this section."

SECTION 12.(e) If House Bill 200, 2011 Regular Session, becomes law, then G.S. 105-134.6(c)(12) is repealed.

SECTION 12.(f) This section is effective for taxable years beginning on or after January 1, 2012.

SECTIONS 13-14. Reserved.

SECTION 14. Reserved.

SALES AND USE TAX AND ARTICLE 5F TAXES

SECTION 15.(a) G.S. 105-164.3(25), (27), (27b), and (30a) reads as rewritten:

"**§ 105-164.3. Definitions.**

The following definitions apply in this Article:

...

(25a) Over-the-counter drug. – A drug that can be dispensed under federal law without a prescription and is required by 21 C.F.R. § ~~210.66~~ 201.66 to have a label containing a "Drug Facts" panel and a statement of its active ingredients.

...

(27) Prepaid telephone calling service. – Prepaid ~~wireline~~ calling service or prepaid wireless calling service.

...

(27b) Prepaid ~~wireline~~ calling service. – A right that meets all of the following requirements:

a. Authorizes the exclusive purchase of ~~wireline~~ telecommunications service.

b. Must be paid for in advance.

c. Enables the origination of calls by means of an access number, authorization code, or another similar means, regardless of whether the access number or authorization code is manually or electronically dialed.

d. Is sold in units or dollars whose number or dollar value declines with use and is known on a continuous basis.

...

(30a) Professional motorsports racing team. – A racing team that satisfies all of the following conditions:

a. The team is operated for profit.

b. ~~A majority of the revenues of the team is derived from sponsorship of the racing team and prize money.~~The team does not claim a deduction under section 183 of the Code.

c. The team competes in at least sixty-six percent (66%) of the races sponsored in a race series in a single season by a motorsports sanctioning body."

SECTION 15.(b) G.S. 105-164.3 is amended by adding a new subdivision to read:

"(33b) Related member. – Defined in G.S. 105-130.7A."

SECTION 15.(c) G.S. 105-164.14A(a)(4) and (a)(5) read as rewritten:

"**§ 105-164.14A. Economic incentive refunds.**

(a) Refund. – The following taxpayers are allowed an annual refund of sales and use taxes paid under this Article:

...

(4) Motorsports team or sanctioning body. – A professional motorsports racing ~~team or a~~team, a motorsports sanctioning ~~body~~ body, or a related member of such a team or body is allowed a refund of the sales and use tax paid by it in this State on aviation fuel that is used to travel to or from a motorsports event in this State, to travel to a motorsports event in another state from a location in this State, or to travel to this State from a motorsports event in another state. For purposes of this subdivision, a "motorsports event"

includes a motorsports race, a motorsports sponsor event, and motorsports testing. This subdivision is repealed for purchases made on or after January 1, 2011.

(5) Professional motorsports team. – A professional motorsports racing team or a related member of a team is allowed a refund of fifty percent (50%) of the sales and use tax paid by it in this State on tangible personal property, other than tires or accessories, that comprises any part of a professional motorsports vehicle. For purposes of this subdivision, "motorsports accessories" includes instrumentation, telemetry, consumables, and paint. This subdivision is repealed for purchases made on or after January 1, 2014."

SECTION 15.(d) Subsection (b) this section and G.S. 105-164.14A(a)(4), as amended by subsection (c) of this section, apply retroactively to purchases made on or after January 1, 2005. G.S. 105-164.14A(a)(5), as amended by subsection (c) of this section, applies retroactively to purchases made on or after July 1, 2007.

SECTION 16. G.S. 105-164.4(a)(3) reads as rewritten:

"(3) A tax at the general rate applies to the gross receipts derived from the rental of an accommodation. The tax does not apply to (i) a private residence or cottage that is rented for fewer than 15 days in a calendar ~~year or to~~ year; (ii) an accommodation rented to the same person for a period of 90 or more continuous ~~days.~~days; or (iii) an accommodation arranged or provided to a person by a school, camp, or similar entity where a tuition or fee is charged to the person for enrollment in the school, camp, or similar entity.

Gross receipts derived from the rental of an accommodation include the sales price of the rental of the accommodation. The sales price of the rental of an accommodation is determined as if the rental were a rental of tangible personal property. The sales price of the rental of an accommodation marketed by a facilitator includes charges designated as facilitation fees and any other charges necessary to complete the rental.

A person who provides an accommodation that is offered for rent is considered a retailer under this Article. A facilitator must report to the retailer with whom it has a contract the sales price a consumer pays to the facilitator for an accommodation rental marketed by the facilitator. A retailer must notify a facilitator when an accommodation rental marketed by the facilitator is completed and, within three business days of receiving the notice, the facilitator must send the retailer the portion of the sales price the facilitator owes the retailer and the tax due on the sales price. A facilitator that does not send the retailer the tax due on the sales price is liable for the amount of tax the facilitator fails to send. A facilitator is not liable for tax sent to a retailer but not remitted by the retailer to the Secretary. Tax payments received by a retailer from a facilitator are held in trust by the retailer for remittance to the Secretary. A retailer that receives a tax payment from a facilitator must remit the amount received to the Secretary. A retailer is not liable for tax due but not received from a facilitator. The requirements imposed by this subdivision on a retailer and a facilitator are considered terms of the contract between the retailer and the facilitator.

A person who, by written contract, agrees to be the rental agent for the provider of an accommodation is considered a retailer under this Article and is liable for the tax imposed by this subdivision. The liability of a rental agent for the tax imposed by this subdivision relieves the provider of the accommodation from liability. A rental agent includes a real estate broker, as defined in G.S. 93A-2.

The following definitions apply in this subdivision:

a. Accommodation. – A hotel room, a motel room, a residence, a cottage, or a similar lodging facility for occupancy by an individual.

b. Facilitator. – A person who is not a rental agent and who contracts with a provider of an accommodation to market the accommodation and to accept payment from the consumer for the accommodation."

SECTION 17. G.S. 105-164.4C(h)(5) reads as rewritten:

"(h) Definitions. – The following definitions apply in this section:

...

(5) Postpaid calling service. – A telecommunications service that is charged on a call-by-call basis and is obtained by making payment at the time of the call either through the use of a credit or payment mechanism, such as a bank card, travel card, credit card, or debit card, or by charging the call to a telephone number that is not associated with the origination or termination of the telecommunications service. A postpaid calling service includes a service that meets all the requirements of a prepaid ~~wireline~~ telephone calling service, except the exclusive use requirement.

...."

SECTION 18. G.S. 105-164.13(12), (26a), (33), (38), and (49) read as rewritten:

"**§ 105-164.13. Retail sales and use tax.**

The sale at retail and the use, storage, or consumption in this State of the following tangible personal property, digital property, and services are specifically exempted from the tax imposed by this Article:

...

(12) Sales of any of the following items:

a. Prosthetic ~~devices.~~devices for human use.

b. Mobility enhancing equipment sold on a prescription.

c. Durable medical equipment sold on prescription.

d. Durable medical supplies sold on prescription.

...

(26a) Food sold not for profit by a public school cafeteria to a child care center that participates in the Child and Adult Care Food Program of the Department of ~~Public Instruction.~~Health and Human Services.

...

(33a) Tangible personal property sold by a retailer to a purchaser within or without this State, when the property is delivered by the retailer in this State to a common carrier or to the United States Postal Service for delivery to the purchaser or the purchaser's designees outside this State and the purchaser does not subsequently use the property in this State.

...

(38) Food and other items lawfully purchased under the Food Stamp Program, 7 U.S.C. § 2011, and supplemental foods lawfully purchased with a food instrument issued under the Special Supplemental ~~Food~~ Nutrition Program, 42 U.S.C. § 1786, and supplemental foods purchased for direct distribution by the Special Supplemental ~~Food~~ Nutrition Program.

...

(49) Installation charges when the charges are separately ~~stated.~~stated on the invoice at the time of sale."

SECTION 19. G.S. 105-164.13D(a) reads as rewritten:

"(a) The taxes imposed by this Article do not apply to the Energy Star qualified products listed in this section if sold between 12:01 A.M. on the first Friday of November and 11:59 P.M. the following Sunday. The qualified products are:

(1) Clothes washers.
(2) Freezers and refrigerators.
(3) Central air conditioners and room air conditioners.
(4) Air-source heat ~~pumps and geothermal heat~~ pumps.
(5) Ceiling fans.
(6) Dehumidifiers.
(7) Programmable thermostats."

SECTION 20.(a) G.S. 105-164.14A(a)(1) and (a)(4), as amended by this act, read as rewritten:

"**§ 105-164.14A. Economic incentive refunds.**

(a) Refund. – The following taxpayers are allowed an annual refund of sales and use taxes paid under this Article:

(1) Passenger air carrier. – An interstate passenger air carrier is allowed a refund of the sales and use tax paid by it on fuel in excess of two million five hundred thousand dollars ($2,500,000). The amount of sales and use tax paid does not include a refund allowed to the interstate passenger air carrier under G.S. 105-164.14(a). This subdivision is repealed for purchases made on or after ~~January 1, 2011.~~January 1, 2013.

...

(4) Motorsports team or sanctioning body. – A professional motorsports racing team, a motorsports sanctioning body, or a related member of such a team or body is allowed a refund of the sales and use tax paid by it in this State on aviation fuel that is used to travel to or from a motorsports event in this State, to travel to a motorsports event in another state from a location in this State, or to travel to this State from a motorsports event in another state. For purposes of this subdivision, a "motorsports event" includes a motorsports race, a motorsports sponsor event, and motorsports testing. This subdivision is repealed for purchases made on or after ~~January 1, 2011.~~January 1, 2013.

...."

SECTION 20.(b) This section applies retroactively to purchases made on or after January 1, 2011.

SECTION 21. G.S. 105-164.16(d) reads as rewritten:

"(d) Use Tax on Out-of-State Purchases. – Use tax payable by an individual who purchases the items listed in this subsection ~~tangible personal property other than a boat or an aircraft, digital property, or a service~~ outside the State for a nonbusiness purpose is due on an annual basis. For an individual who is not required to file an individual income tax return under Part 2 of Article 4 of this Chapter, the annual reporting period ends on the last day of the calendar year and a use tax return is due by the following April 15. For an individual who is required to file an individual income tax return, the annual reporting period ends on the last day of the individual's income tax year, and the use tax must be paid on the income tax return as provided in G.S. 105-269.14. The items are:

(1) Tangible personal property other than a boat or an aircraft.
(2) Digital property.
(3) A service."

SECTION 22. G.S. 105-187.51C(c) reads as rewritten:

"(c) Forfeiture. – If the required level of investment to qualify as an eligible datacenter is not timely made, then the rate provided under this section is forfeited. If the required level of investment is timely made but any eligible machinery and equipment is not located and used at

an eligible datacenter, then the rate provided for that machinery and equipment under this section is forfeited. A taxpayer that forfeits a rate under this section is liable for all past sales and use taxes avoided as a result of the forfeiture, computed at the ~~combined general rate~~ applicable State and local rates from the date the taxes would otherwise have been due, plus interest at the rate established under G.S. 105-241.21. If the forfeiture is triggered due to the lack of a timely investment required by this section, then interest is computed from the date the sales or use tax would otherwise have been due. For all other forfeitures, interest is computed ~~at the combined general rate~~ from the time as of which the machinery or equipment was put to a disqualifying use. A credit is allowed against the State sales or use tax owed as a result of the forfeiture provisions of this subsection for privilege taxes paid pursuant to this section. For purposes of applying this credit, the fact that payment of the privilege tax occurred in a period outside the statute of limitations provided under G.S. 105-241.6 is not considered. The credit reduces the amount forfeited, and interest applies only to the reduced amount. The past taxes and interest are due 30 days after the date of forfeiture. A taxpayer that fails to pay the past taxes and interest by the due date is subject to the provisions of G.S. 105-236."

SECTION 23. A facilitator is not liable for an overcollection or undercollection of sales tax or local occupancy tax if the facilitator has made a good faith effort to comply with the law and collect the proper amount of tax as the result of the change under Section 31.6 of S.L. 2010-31 regarding a facilitator's collection and remittance obligations imposed under G.S. 105-164.4(a)(3), 153A-155(c), and 160A-215(c). This applies only to the period beginning January 1, 2011, and ending April 1, 2011.

SECTION 24. Section 9 of S.L. 2010-91 reads as rewritten:

"**SECTION 9.** Section 6 of this act becomes effective January 1, 2010. Section 7 of this act is effective when it becomes law and applies retroactively to sales made on or after October 1, 2007. Section 8 of this act is effective when it becomes law, applies to all agreements in effect on or entered into after that date, and expires January 1, 2013. The remainder of this act becomes effective July 1, 2010, and applies to sales made on or after that date."

SECTION 25.(a) G.S. 105-164.6(c) reads as rewritten:

"(c) Credit. – A credit is allowed against the tax imposed by this section for the following:

(1) The amount of sales or use tax paid on the item to this State. Payment of sales or use tax to this State on an item by a retailer extinguishes the liability of a purchaser for the tax imposed under this section.

(2) The amount of sales or use tax due and paid on the item to another state. If the amount of tax paid to the other state is less than the amount of tax imposed by this section, the difference is payable to this State. The credit allowed by this subdivision does not apply to tax paid to a state that does not grant a similar credit for sales or use taxes paid in North Carolina."

SECTION 25.(b) G.S. 105-187.52 reads as rewritten:

"**§ 105-187.52. Administration.**

(a) Administration. – The privilege taxes imposed by this Article are in ~~addition to~~ lieu of the State use tax. Except as otherwise provided in this Article, the collection and administration of these taxes is the same as the State use tax imposed by Article 5 of this Chapter.

(b) Credit. – A credit is allowed against the tax imposed by this Article for the amount of a sales or use tax, privilege or excise tax, or substantially equivalent tax due and paid to another state. The credit allowed by this subsection does not apply to tax paid to another state that does not grant a similar credit for the privilege tax paid in North Carolina.

(c) Exemption. – State agencies are exempted from the privilege taxes imposed by this Article."

SECTION 26.(a) G.S. 105-164.14 is amended by adding a new subsection to read:

"(p) Not an Overpayment. – Taxes for which a refund is allowed under this section are not an overpayment of tax and do not accrue interest as provided in G.S. 105-241.21."

SECTION 26.(b) G.S. 105-164.14A is amended by adding a new subsection to read:

"(d) Not an Overpayment. – Taxes for which a refund is allowed under this section are not an overpayment of tax and do not accrue interest as provided in G.S. 105-241.21."

SECTION 26.(c) G.S. 105-164.14B is amended by adding a new subsection to read:

"(g) Not an Overpayment. – Taxes for which a refund is allowed under this section are not an overpayment of tax and do not accrue interest as provided in G.S. 105-241.21."

SECTION 27. G.S. 105-164.15A(a)(1) reads as rewritten:

"(a) Services. – The effective date of a tax change for a service taxable under this Article is administered as follows:

(1) For a service that is provided and billed on a monthly or other periodic basis:

a. A new tax or a tax rate increase applies to the first billing period that is at least 30 days after enactment and that starts on or after the effective date. ~~For a service billed after it is provided, the first billing period starts on the effective date. For a service billed before it is provided, the first billing period starts on the first day of the month after the effective date.~~

b. A tax repeal or a tax rate decrease applies to bills rendered on or after the effective date."

SECTION 28. G.S. 105-164.28 reads as rewritten:

"**§ 105-164.28. Certificate of ~~resale.~~exemption.**

(a) Seller's Responsibility. – A seller who accepts a certificate of ~~resale~~ exemption from a purchaser has the burden of proving that the sale was not a retail sale unless all of the following conditions are met:

(1) For a sale made in person, the certificate is signed by the purchaser and states the purchaser's name, address, registration number, and type of business.

(2) For a sale made in person, the item sold is the type of item typically sold by the type of business stated on the certificate.

(3) For a sale made over the Internet or by other remote means, the seller obtains the purchaser's name, address, registration number, and type of business and maintains this information in a retrievable format in its records.

(b) Purchaser's Liability. – A purchaser who does not resell an item purchased under a certificate of ~~resale~~ exemption is liable for any tax subsequently determined to be due on the sale."

SECTION 29. G.S. 105-164.4B is amended by adding a new subsection to read:

"(f) Digital Property. – A purchaser receives digital property when the purchaser takes possession of the property or makes first use of the property, whenever comes first."

EXCISE TAX ON CONVEYANCES

SECTION 30.(a) G.S. 105-228.37 reads as rewritten:

"**§ 105-228.37. Refund of overpayment of tax.**

(a) Refund Request. – A taxpayer who pays more tax than is due under this Article may request a refund of the overpayment by filing a written request for a refund with the board of county commissioners of the county where the tax was paid. The request must be filed within six months after the date the tax was paid and must explain why the taxpayer believes a refund is due.

(b) Hearing by County. – A board of county commissioners must conduct a hearing on a request for ~~refund in accordance with the procedures that apply to a hearing held by a board of equalization and review on an appeal concerning the listing or appraisal of property. If~~ refund. Within 60 days after a timely request for a refund has been filed and at least 10 days before the date set for the hearing, the board must notify the taxpayer in writing of the time and place at which the hearing will be conducted. The date set for the hearing must be within 90 days after the timely request for a hearing was filed or at a later date mutually agreed upon by the taxpayer and the board. The board must make a decision on the requested refund within 90 days after conducting a hearing under this subsection. ~~the board decides that a refund is due, it must refund the county's portion of the overpayment, together with any applicable interest, to the taxpayer. If the board finds that no refund is due, the written decision of the board must inform the taxpayer that the taxpayer may appeal the decision to the Property Tax Commission.~~

(c) ~~Review by Commission.~~ Process if Refund Granted. – If the board of commissioners decides that a refund is due, it must refund the overpayment, together with any applicable interest, to the taxpayer and inform the Department of the refund. The Department may assess the taxpayer for the amount of the refund in accordance with G.S. 105-241.9 if the Department disagrees with the board's decision. ~~The procedure in G.S. 105-290 for the appeal to the Property Tax Commission of a decision of a board of equalization and review concerning the listing or appraisal of property applies to the appeal of a denial by a board of county commissioners of a request for a refund of tax paid under this Article. If the Commission determines that a refund is due, the board of county commissioners must refund the county's portion of the overpayment, together with any applicable interest, to the taxpayer. A decision of the Commission is binding on the Secretary and on a board of county commissioners.~~

(d) ~~Judicial Review.~~ Process if Refund Denied. – ~~A decision of the Property Tax Commission is subject to judicial review in accordance with G.S. 7A-29.~~ If the board of commissioners finds that no refund is due, the written decision of the board must inform the taxpayer that the taxpayer may request a departmental review of the denial of the refund in accordance with the procedures set out in G.S. 105-241.11.

(e) Recording Correct Deed. – Before a tax is refunded, the taxpayer must record a new instrument reflecting the correct amount of tax due. If no tax is due because an instrument was recorded in the wrong county, then the taxpayer must record a document stating that no tax was owed because the instrument being corrected was recorded in the wrong county. The taxpayer must include in the document the names of the grantors and grantees and the deed book and page number of the instrument being corrected.

When a taxpayer records a corrected instrument, the taxpayer must inform the register of deeds that the instrument being recorded is a correcting instrument. The taxpayer must give the register of deeds a copy of the decision granting the refund that shows the correct amount of tax due. The correcting instrument must include the deed book and page number of the instrument being corrected. The register of deeds must notify the county finance officer and the Secretary when the correcting instrument has been recorded.

(f) Interest. – An overpayment of tax bears interest at the rate established in G.S. 105-241.21 from the date that interest begins to accrue. Interest begins to accrue on an overpayment 30 days after the request for a refund is filed by the taxpayer with the board of county commissioners."

SECTION 30.(b) G.S. 105-228.30(b) reads as rewritten:

"(b) The register of deeds of each county must remit the proceeds of the tax levied by this section to the county finance officer. The finance officer of each county must credit one-half of the proceeds to the county's general fund and remit the remaining one-half of the proceeds, less taxes refunded and the county's allowance for administrative expenses, to the Department of Revenue on a monthly basis. A county may retain two percent (2%) of the amount of tax proceeds allocated for remittance to the Department of Revenue as compensation

for the county's cost in collecting and remitting the State's share of the tax. Of the funds remitted to it pursuant to this section, the Department of Revenue must credit seventy-five percent (75%) to the Parks and Recreation Trust Fund established under G.S. 113-44.15 and twenty-five percent (25%) to the Natural Heritage Trust Fund established under G.S. 113-77.7."

GENERAL ADMINISTRATION

SECTION 31.(a) G.S. 105-228.90(b) is amended by adding a new subdivision to read:

"(b) Definitions. – The following definitions apply in this Article:

...

(4b) NAICS. – The North American Industry Classification System adopted by the United States Office of Management and Budget as of December 31, 2007.

...."

SECTION 31.(b) G.S. 105-129.81(13) and (18) read as rewritten:

"**§ 105-129.81. Definitions.**

The following definitions apply in this Article:

...

(13) Information technology and services. – An industry in one of the ~~following:~~following, as defined by NAICS:

a. ~~Internet service providers, Web search portals, and data processing subsector 518 as defined by NAICS.~~Data processing industry group 518.

b. Software publishers industry group ~~5112 as defined by NAICS.~~5112.

c. Computer systems design and related services industry group ~~5415 as defined by NAICS.~~5415.

d. An Internet activity included in industry group 519130.

...

(18) NAICS. – ~~The North American Industry Classification System adopted by the United States Office of Management and Budget as of December 31, 2002.~~Defined in G.S. 105-228.90.

...."

SECTION 31.(c) G.S. 105-164.3(23a) reads as rewritten:

"(23a) NAICS. – ~~The North American Industry Classification System adopted by the United States Office of Management and Budget as of December 31, 2007.~~Defined in G.S. 105-228.90."

SECTION 32. G.S. 105-236(a)(2) reads as rewritten:

"(a) Penalties. – The following civil penalties and criminal offenses apply:

...

(2) Failure to Obtain a License. – For failure to obtain a license before engaging in a business, trade or profession for which a license is required, the Secretary shall assess a penalty equal to five percent (5%) of the amount prescribed for the license per month or fraction thereof until paid, not to exceed twenty-five percent (25%) of the amount so prescribed, but in any event shall not be less than five dollars ($5.00). In cases in which the ~~taxpayer~~ taxpayer, after written notification by the Department, fails to obtain a license as required under G.S. 105-449.65 or G.S. 105-449.131, the Secretary may assess a penalty of one thousand dollars ($1,000).

...."

SECTION 33.(a) G.S. 105-256(a)(9) reads as rewritten:

"(a) Publications. – The Secretary shall prepare and publish the following:

...

(9) A final decision of the Secretary in a contested tax case. ~~The Secretary must redact identifying taxpayer information from a final decision prior to publication.~~"

SECTION 33.(b) G.S. 105-259(b)(27) reads as rewritten:

"(b) Disclosure Prohibited. – An officer, an employee, or an agent of the State who has access to tax information in the course of service to or employment by the State may not disclose the information to any other person except as provided in this subsection. Standards used or to be used for the selection of returns for examination and data used or to be used for determining the standards may not be disclosed for any purpose. All other tax information may be disclosed only if the disclosure is made for one of the following purposes:

...

(27) To provide a ~~report~~ publication required under this Chapter."

SECTION 33.(c) G.S. 150B-21.17(a)(5) is repealed.

SECTION 34. G.S. 105-241.9(b) reads as rewritten:

"(b) Time Limit. – The Secretary must propose an assessment within the statute of limitations for proposed assessments unless the taxpayer waives the limitations period ~~in writing.~~ before it expires by agreeing in writing to extend the period. A taxpayer may waive the limitations period for either a definite or an indefinite time. If the taxpayer waives the limitations period, the Secretary may propose an assessment at any time within the time extended by the waiver."

SECTION 35. G.S. 105-256(a)(7) is repealed.

SECTION 36. Section 24.18(g) of S.L. 2006-66 reads as rewritten:

"**SECTION 24.18.(g)** This section is effective for taxable years beginning on or after January 1, 2006, and expires for taxable years beginning on or after ~~January 1, 2011.~~ January 1, 2013."

SECTION 37. G.S. 105-228.90(a) reads as rewritten:

"(a) Scope. – This Article applies to all of the following:

(1) Subchapters I, V, and VIII of this ~~Chapter, to the~~ Chapter.

(2) The annual report filing requirements of ~~G.S. 55-16-22, to the~~ G.S. 55-16-22.

(3) The primary forest product assessment levied under Article 12 of Chapter 113A of the General ~~Statutes, and to~~ Statutes.

(4) The inspection taxes levied under Article 3 of Chapter 119 of the General Statutes.

(5) Chapter 105A of the General Statutes."

SECTION 38. G.S. 105-164.41 is repealed.

SECTION 39. Reserved.

PROPERTY TAX

SECTION 40. G.S. 105-330.4 is amended by adding a new subsection to read:

"(d) Tax payments submitted by mail are deemed to be received as of the date shown on the postmark affixed by the United States Postal Service. If no date is shown on the postmark or if the postmark is not affixed by the United States Postal Service, the tax payment is deemed to be received when the payment is received in the office of the tax collector. In any dispute arising under this subsection, the burden of proof is on the taxpayer to show that the payment was timely made."

SECTION 41. G.S. 105-333(14) reads as rewritten:

"**§ 105-333. Definitions.**

The following definitions apply in this Article unless the context requires a different meaning:

...

(14) Public service company. – A railroad company, a pipeline company, a gas company, an electric power company, an electric membership corporation, a telephone company, a telegraph company, a bus line company, an airline company, or a motor freight carrier company. The term also includes any company performing a public service that is regulated by the United States Department of Energy, the United States Department of Transportation, the Federal Communications Commission, the Federal Aviation Agency, or the North Carolina Utilities Commission, except that the term does not include a water company, providers of mobile telecommunications service as defined in G.S. 105-164.3, a cable television company, or a radio or television broadcasting company."

SECTION 42.(a) The prefatory language for Section 65 of S.L. 2008-134 reads as rewritten:

"Section 13 of S.L. 2005-294, as amended by Section 31.5 of S.L. 2006-259 and ~~Section 22(c)~~Section 22(b) of S.L. 2007-527, reads as rewritten:"

SECTION 42.(b) Section 22(a) of S.L. 2010-95 is repealed.

SECTION 42.(c) Section 22(e) of S.L. 2010-95 reads as rewritten:

"**SECTION 22.(e)** Section 79 of S.L. 2008-134, as amended by Section 25(b) of S.L. 2009-445, reads as rewritten:

"**SECTION 79.** Sections 16 through 60 of this act become effective January 1, 2009. Except as otherwise provided, the remainder of this act is effective when it becomes law. ~~Section 63 of this act is repealed July 1, 2011.~~ Section 63 of this act is repealed July 1, 2013."

SECTIONS 43-44. Reserved.

LOCAL GOVERNMENT SALES AND USE TAX

SECTION 45. G.S. 105-467(a) reads as rewritten:

"(a) Sales Tax. – The sales tax that may be imposed under this Article is limited to a tax at the rate of one percent (1%) of the ~~transactions listed in this subsection. The sales tax authorized by this Article does not apply to sales that are taxable by the State under G.S. 105-164.4 but are not specifically included in this subsection.~~following:

(1) A retailer's net taxable sales and gross receipts that are ~~The sales price of tangible personal property~~ subject to the general rate of sales tax imposed by the State under ~~G.S. 105-164.4(a)(1) and (a)(4b).~~G.S. 105-164.4.

~~(2) The gross receipts derived from the lease or rental of tangible personal property when the lease or rental of the property is subject to the general rate of sales tax imposed by the State under G.S. 105-164.4(a)(2).~~

~~(3) The gross receipts derived from the rental of any room or other accommodations subject to the general rate of sales tax imposed by the State under G.S. 105-164.4(a)(3).~~

~~(4) The gross receipts derived from services rendered by laundries, dry cleaners, and other businesses subject to the general rate of sales tax imposed by the State under G.S. 105-164.4(a)(4).~~

(5) The sales price of food that is not otherwise exempt from tax pursuant to G.S. 105-164.13 but is exempt from the State sales and use tax pursuant to G.S. 105-164.13B.

(5a) The sales price of a bundled transaction that includes food subject to tax under subdivision (5) of this subsection, if the price of the food exceeds ten percent (10%) of the price of the bundle. A retailer must determine the price of food in a bundled transaction in accordance with G.S. 105-164.4D.

(5b) The sales price of bread, rolls, and buns that are sold at a bakery thrift store and are exempt from State tax under G.S.105-164.13(27a).

~~(6) The sales price of prepaid telephone calling service taxed as tangible personal property under G.S. 105-164.4(a)(4d).~~

~~(7) The gross receipts derived from providing satellite digital audio radio service subject to the general rate of tax under G.S. 105-164.4(a)(6a).~~"

MISCELLANEOUS

SECTION 46. Section 8 of S.L. 2006-209 reads as rewritten:

"**SECTION 8.** As applied to G.S. 20-79.4, the authority in G.S. 164-10 for the ~~Division of Legislative Drafting and Codification~~ Legislative Services Office to reletter or renumber section subdivisions includes the authority to renumber all the subdivisions in G.S. 20-79.4(b) in sequential and alphabetical order and to eliminate mixed number-letter subdivision designations. ~~This section expires July 1, 2011.~~"

SECTION 47.(a) G.S. 58-70-35(a) reads as rewritten:

"(a) Upon the filing of the application and information required by this Article, the applicant shall pay a nonrefundable fee of one thousand dollars ($1,000), and no permit may be issued until this fee is paid. Fees collected under this subsection shall be ~~used in paying the expenses incurred in connection with the consideration of such applications and the issuance of such permits.~~credited to the Insurance Regulatory Fund created under G.S. 58-6-25."

SECTION 47.(b) G.S. 143-143.10(a) reads as rewritten:

"(a) There is created the North Carolina Manufactured Housing Board within the Department. The Board shall be composed of 11 members as follows:

(1) The Commissioner of Insurance or the Commissioner's designee.
(2) A manufactured home manufacturer.
(3) A manufactured home dealer.
(4) A representative of the banking and finance industry.
(5) A representative of the insurance industry.
(6) A manufactured home supplier.
(7) A set-up contractor.
(8) Two representatives of the general public.
(9) A person who is employed with a HUD-approved housing counseling agency in the State.
(10) An accountant.

The Commissioner or the Commissioner's designee shall chair the Board. The Governor shall appoint to the Board the manufactured home manufacturer and the manufactured home dealer. The General Assembly upon the recommendation of the Speaker of the House of Representatives in accordance with G.S. 120-121 shall appoint to the Board the representative of the banking and finance industry, the employee of a HUD-approved housing counseling agency, and the representative of the insurance industry. The General Assembly upon the recommendation of the President Pro Tempore of the Senate in accordance with G.S. 120-121 shall appoint to the Board the manufactured home supplier, the accountant, and the set-up contractor. The Commissioner shall appoint two representatives of the general public. Except for the representatives from the general public and the persons appointed by the General Assembly, each member of the Board shall be appointed by the appropriate appointing authority from a list of nominees submitted to the appropriate appointing authority by the Board of Directors of the North Carolina Manufactured Housing Institute. At least three nominations shall be submitted for each position on the Board. The members of the Board shall be residents of the State.

The members of the Board shall serve for terms of three years. In the event of any vacancy of a position appointed by the Governor or Commissioner, the appropriate appointing authority

shall appoint a replacement in the same manner as provided for the original appointment to serve the remainder of the unexpired term. Vacancies in appointments made by the General Assembly shall be filled in accordance with G.S. 120-122. In the event of any vacancy, the appropriate appointing authority shall appoint a replacement to serve the remainder of the unexpired term. Such appointment shall be made in the same manner as provided for the original appointment. No member of the Board shall serve more than two consecutive, three-year terms.

The members of the Board designated in subdivisions (8), (9), and (10) of this subsection shall have no current or previous financial interest connected with the manufactured housing industry. No member of the Board shall participate in any proceeding before the Board involving that member's own business.

Each member of the Board, except the Commissioner and any other State employee, shall receive per diem and allowances as provided with respect to occupational licensing boards by G.S. 93B-5. ~~All per diem and travel expenses shall be paid exclusively out of the fees received by the Board as authorized by this Part. In no case shall any salary, expense, or other obligation of the Board be charged against the General Fund of the State of North Carolina. All moneys and receipts shall be kept in a special fund by and for the use of the Board for the exclusive purpose of carrying out the provisions of this Part. At the end of the fiscal year, the Board shall retain fifteen percent (15%) of the unexpended funds collected and received during that year. The remaining eighty-five percent (85%) of these funds shall be credited to the General Fund.~~Fees collected by the Board under this Article shall be credited to the Insurance Regulatory Fund created under G.S. 58-6-25."

SENATE FINANCE COMMITTEE
Wednesday, May 16, 2012 at 3:30 PM
Room 544, Legislative Office Building

MINUTES

The Senate Finance Committee met at 3:30 PM on May 16, 2012 in room 544 of the Legislative Office Building. Twenty-six members of the committee were present. Senator Hartsell presided as chair.

H.B. 5 – Kinston Annexation Repealed

Senator Newton was recognized to explain the bill. The bill deannexes specified local involuntary annexations, suspends enforcement of specified pending local involuntary annexations, repeals the local ordinances that made those involuntary annexations, and prohibits involuntary annexation of those areas for twelve years. Kelli Kukura, representing the League of Municipalities, was recognized to speak in opposition to the bill. She stated that it was punitive and costly to municipalities. Tony Solari, representing the State's Treasurer's office, was recognized to answer questions, but questioned who will be on the hook for repaying towns' bonds that had been issued based on annexations? Dallas Woodhouse, representing Americans for Prosperity, and Doug Akins, representing the Fair Annexation Coalition, were recognized to speak in favor of both bills on the agenda. Senator Tillman moved for a favorable report and the motion carried. A copy of the bill and the summary is attached.

H.B. 925 – LRC Study Metropolitan Sewerage/Water System

Senator Gunn explained the bill and moved to adopt the proposed committee substitute (PCS) for discussion. The motion carried. The PCS would require a vote of the residents of the area to be involuntary annexed prior to the adoption of an annexation ordinance. If less than a majority of the voters vote for the annexation, the municipality may not proceed with annexing that area for 36 months. Senator Newton then offered a clarifying amendment and moved for its adoption. The motion carried. Gerry Cohen, the Bill Drafting Division director, was recognized to answer questions. Kelli Kukura was recognized to speak in opposition to the bill, stating that a small population will be allowed to kill growth which is "patently" unfair. She stated that the bill kills balanced growth and will have long term consequences. Tony Tetterton, Vice Preside of the Fair Annexation Coalition, was recognized. He commented that the PCS will not prevent growth or voluntary annexations. Senator Tillman moved for a favorable report of the PCS as amended and the motion carried. A copy of the PCS, the summary and the amendment is attached.

The meeting adjourned at 4:21 PM.

A BILL TO BE ENTITLED

AN ACT TO EXERCISE THE POWER OF THE GENERAL ASSEMBLY UNDER SECTION 1 OF ARTICLE VII OF THE NORTH CAROLINA CONSTITUTION TO FIX THE BOUNDARIES OF CITIES AND GIVE SUCH POWERS TO CITIES AS IT DEEMS ADVISABLE BY DEANNEXING SPECIFIED LOCAL INVOLUNTARY ANNEXATION AREAS, BY REPEALING SPECIFIED INVOLUNTARY ANNEXATION ORDINANCES, AND BY PROHIBITING MUNICIPAL INITIATION OF ANY PROCEDURE TO INVOLUNTARILY ANNEX THOSE AREAS FOR TWELVE YEARS.

The General Assembly of North Carolina enacts:

SECTION 1. Deannexation. – Any area affected by an annexation ordinance described in Section 4 of this act that is part of the corporate limits of a municipality on the effective date of this act is hereby removed from that municipality's corporate limits on the effective date of this act. The operation and enforcement of any annexation ordinance described in Section 4 of this act that is pending on the effective date of this act is suspended on and after the effective date of this act.

SECTION 2. Repeal Annexation Ordinances. – All annexation ordinances described in Section 4 of this act are repealed as of the effective date of this act.

SECTION 3. Twelve-Year Prohibition on Involuntary Annexation. – All areas affected by the annexation ordinances described in Section 4 of this act shall not be subject to any annexation proceeding, other than a voluntary annexation under Part 1 or Part 4 of Article 4A of Chapter 160A of the General Statutes, or local act of the General Assembly, for a period of 12 years from and after the effective date of this act. After the 12-year period, the area may be subject to annexation in accordance with State law effective at that time.

SECTION 4. Repealed Involuntary Annexation Ordinances:

(1) Kinston annexation ordinance, as described in House Bill 5, First Edition, 2011 Regular Session.

(2) Lexington annexation ordinance, as described in House Bill 37, First Edition, 2011 Regular Session.

(3) Rocky Mount annexation ordinance, as described in House Bill 56, First Edition, 2011 Regular Session.

(4) Wilmington annexation ordinance, described in House Bill 180, First Edition, 2011 Regular Session.

(5) Asheville/Biltmore Lake annexation ordinance, as described in House Bill 236, First Edition, 2011 Regular Session.

(6) Marvin annexation ordinance, affecting the area described in RS 2008-02-02, a resolution of the Village of Marvin Council.

(7) Southport annexation ordinance, affecting "Area A" and "Area B," as described in City of Southport annexation ordinance, adopted June 9, 2011.

(8) Goldsboro annexation ordinance, affecting the area described in Senate Bill 314, First Edition, 2011 Regular Session.

(9) Fayetteville Gates Four annexation ordinance, as described in House Bill 231, First Edition, 2011 Regular Session.

SECTION 5. Repeal of 2011 Session Laws. – S.L. 2011-173 and S.L. 2011-177 are repealed.

SECTION 6. Severability. – If any provision of this act or its application is held invalid, the invalidity does not affect other provisions or applications of this act that can be given effect without the invalid provisions or application, and to this end the provisions of this act are severable.

SECTION 7. This act is effective from and after July 1, 2012.

HOUSE BILL 5:
Local Deannexations

2011-2012 General Assembly

Committee:	Rules and Operations of the Senate	**Date:**	May 15, 2012
Introduced by:	Rep. LaRoque	**Prepared by:**	Giles S. Perry
Analysis of:	PCS to Second Edition H5-CSRWx-73		Committee Counsel

SUMMARY: ***House Bill 5 (Proposed Committee Substitute) deannexes specified local involuntary annexations, suspends enforcement of specified pending local involuntary annexations, repeals the local ordinances that made those involuntary annexations, and prohibits involuntary annexation of those areas for twelve years.***

CURRENT LAW: Under Section 1 of Article VII of the N.C. Constitution, the General Assembly is empowered to "provide for the organization and government and the fixing of boundaries of counties, cities and towns, and other governmental subdivisions, and, except as otherwise prohibited by this Constitution, may give such powers and duties to counties, cities and towns, and other governmental subdivisions as it may deem advisable."

BILL ANALYSIS:

Section 1 of the bill deannexes any areas affected by any annexation ordinance listed in Section 4 of the bill that is part of a municipality on the effective date of the bill, and suspends operation and enforcement of any annexation ordinance listed in Section 4 of the bill that is pending on the effective date of the bill.

Section 2 repeals the local involuntary annexation ordinances listed in Section 4 of the bill.

Section 3 provides that the nine local annexation areas covered by the bill shall not be subject to any involuntary annexation proceeding for a period of 12 years from and after the effective date.

Section 4 lists the nine local involuntary annexation ordinances covered by the bill.

Section 5 repeals S.L. 2011-173 and S.L. 2011-17, the local involuntary annexations bills enacted during the 2011 Session, which subjected nine local pending or completed involuntary annexations to a petition to deny annexation process.

Section 6 is a severability clause, providing that if any provision of the bill is held invalid, that provision is severable, and the remainder of the bill can be enforced.

EFFECTIVE DATE: This act is effective from and after July 1, 2012.

BACKGROUND: The 2011 General Assembly enacted the Statewide Annexation Reform Act of 2011 (S.L. 2011-396) and two local acts, S.L. 2011-173 and S.L. 2011-177, affecting nine local annexations, subject to a petition to deny annexation process by affected property owners.

The Statewide Annexation Reform Act of 2011 and the local acts were subject to a lawsuit filed in late 2011. On March 27, 2012, a Wake County Superior Court Judge ruled in favor of the plaintiffs, finding the Statewide and local acts violated Art I, Secs. 11, 19, and 32; and Art. VII, Sec. 1 of the Constitution of North Carolina. The Judge's ruling is under appeal.

A BILL TO BE ENTITLED

AN ACT TO REQUIRE A VOTE OF THE RESIDENTS PRIOR TO THE ADOPTION OF AN ANNEXATION ORDINANCE INITIATED BY A MUNICIPALITY.

The General Assembly of North Carolina enacts:

SECTION 1. Part 7 of Article 4A of Chapter 160A of the General Statutes is amended by adding a new section to read:

"**§ 160A-58.64. Referendum prior to involuntary annexation ordinance.**

(a) After the adoption of the resolution of intent under this Part, the municipality shall place the question of annexation on the ballot. The municipal governing board shall notify the appropriate county board or boards of elections of the adoption of the resolution of intent and provide a legible map and clear written description of the proposed annexation area.

(b) In accordance with G.S. 163-58.55, the municipal governing board shall adopt a resolution setting the date for the referendum and so notify the appropriate county board or boards of elections.

(c) The county board or boards of elections shall cause legal notice of the election to be published. That notice shall include the general statement of the referendum. The referendum shall be conducted, returned, and the results declared as in other municipal elections in the municipality. Registered voters of the proposed annexation area shall be allowed to vote on the referendum.

(d) The referendum of any number of proposed involuntary annexations may be submitted at the same election; but as to each proposed involuntary annexation, there shall be an entirely separate ballot question.

(e) The ballots used in a referendum shall submit the following proposition:

"[ ] FOR [ ] AGAINST

The annexation of (clear description of the proposed annexation area)."

(f) If less than a majority of the votes cast on the referendum are for annexation, the municipal governing body may not proceed with the adoption of the annexation ordinance or begin a separate involuntary annexation process with respect to that proposed annexation area for at least 36 months from the date of the referendum. If a majority of the votes cast on the referendum are for annexation, the municipal governing body may proceed with the adoption of the annexation ordinance under G.S. 160A-58.55."

SECTION 2. G.S. 160A-58.55 reads as rewritten:

"**§ 160A-58.55. Procedure for annexation.**

(a) Resolution of Consideration. – Any municipal governing board desiring to annex territory under the provisions of this Part shall first pass a resolution of consideration identifying the area under consideration for annexation by either a metes and bounds description or a map. The resolution of consideration shall remain effective for two years after adoption and be filed with the municipal clerk. A new resolution of consideration adopted before expiration of the two-year period for a previously adopted resolution covering the same area shall relate back to the date of the previous resolution. Adoption of a resolution of consideration shall not confer prior jurisdiction over the area as to any other municipality.

(b) Notice of Resolution of Consideration. – A notice of the adoption of the resolution of consideration shall be published once a week for two successive weeks, with each publication being on the same day of the week, in a newspaper having general circulation in the municipality. The second publication shall be no more than 30 days following adoption of the resolution of consideration. The resolution of consideration shall contain a map or description of the area under consideration and a summary of the annexation process and time lines. A copy of the resolution of consideration shall be mailed within 30 days after the adoption of the resolution of consideration by first class mail to the property owners of real property located within the area under consideration for annexation as shown by the tax records of the county. If a proposed annexation extends across a county border into a county other that the county where the majority of the area of the existing municipality is located, a copy of the resolution of consideration shall be mailed within 30 days after the adoption of the resolution of consideration by first class mail to the clerk of the board of county commissioners of that county.

(c) Resolution of Intent. – At least one year after adoption of the resolution of consideration, the municipal governing body may adopt a resolution of intent of the municipality to proceed with the annexation of some or all of the area described in the resolution of consideration. The resolution of intent shall describe the boundaries of the area proposed for annexation, fix a date for a public informational meeting, ~~and~~ fix a date for a public hearing on the question of annexation, and fix a date for the referendum on annexation. The date for the public informational meeting shall be not less than 45 days and not more than 55 days following passage of the resolution of intent. The date for the public hearing shall be not less than 130 days and not more than 150 days following passage of the resolution of intent. The date of the referendum on annexation shall be set for the next municipal general election that is more than 45 days from the date of the resolution of intent.

(d) Notice of Public Informational Meeting, Public Hearing, and Opportunity for Water and Sewer. – A combined notice of public informational meeting and public hearing shall be issued as provided for in this subsection as follows:

(1) The notice shall be a combined notice that includes at least all of the following:
   a. The date, hour, and place of the public informational meeting.
   b. The date, hour, and place of the public hearing.
   c. A clear description of the boundaries of the area under consideration, including a legible map of the area.
   d. A statement that the report required by G.S. 160A-58.53 will be available at the office of the municipal clerk.
   e. An explanation of a property owner's rights under this section.
   f. A summary of the annexation process with time lines.
   g. A summary of the opportunity to vote in the referendum and available statutory remedies ~~for denying and~~ appealing the annexation and the failure to provide services.

h. Information on how to request to become a customer of the water and sewer service, all forms to request that service, and the consequences of opting in or opting out, as provided in G.S. 160A-58.56.

i. A clear description of the distinction between the public informational meeting and the public hearing.

(2) The combined notice shall be given by publication of the information required by sub-subdivisions (1)a., b., and c. of this subsection and a statement regarding the availability of the information required by the remaining sub-subdivisions of subdivision (1) of this subsection in a newspaper having general circulation in the municipality once a week for at least two successive weeks prior to the date of the public informational meeting, with each publication being on the same day of the week. The date of the last publication shall be not more than 10 days preceding the date of the public informational meeting. In addition thereto, if the area proposed to be annexed lies in a county containing less than fifty percent (50%) of the land area of the municipality, the same publication shall be given in a newspaper having general circulation in the area of proposed annexation. If there is no such newspaper, the municipality shall post the notice in at least five public places within the municipality and at least five public places in the area to be annexed for 30 days prior to the date of public informational meeting.

(3) The combined notice, together with the information about requesting water and sewer service, shall be mailed within five business days of the passage of the resolution of intent by first class mail to the property owners of real property located within the area to be annexed as shown by the tax records of the county. The person or persons mailing such notices shall certify to the governing board that fact, and such certificate shall become a part of the public record of the annexation proceeding and shall be deemed conclusive in the absence of fraud. If a notice is returned to the municipality by the postal service by the tenth day before the informational meeting, a copy of the notice shall be sent by certified mail, return receipt requested, at least seven days before the informational meeting. Failure to comply with the mailing requirement of this subsection shall not invalidate the annexation unless it is shown that the requirements were not substantially complied with.

(4) If the governing board by resolution finds that the tax records are not adequate to identify the property owners within the area to be annexed after exercising reasonable efforts to locate the property owners, it may, in lieu of the mail procedure required by subdivision (3) of this subsection, post the notice at least 30 days prior to the date of the public informational meeting on all buildings, on such parcels, and in at least five other places within the area to be annexed as to those parcels where the property owner could not be so identified. In any case where notices are placed on property, the person placing the notice shall certify that fact to the governing board.

(e) Action Prior to Informational Meeting. – At least 30 days before the date of the public informational meeting, the municipal governing board shall do all of the following:

(1) Approve the report provided for in G.S. 160A-58.53.

(2) Prepare a summary of the approved report for public distribution.

(3) Post in the office of the clerk all of the following:

a. The approved report provided for in G.S. 160A-58.53.

b. The summary of the approved report.

c. A legible map of the area to be annexed.
d. The list of the property owners, and associated mailing addresses, in the area to be annexed that the municipality has identified and mailed notice.
e. Information for property owners on how to request to become a customer of the water service or sewer service and all forms to request that service.

(4) If the municipality has a Web site, post on that Web site all of the information under this section together with any forms to apply for water and sewer service.

(5) Prepare a summary of the opportunity to vote in the referendum and available ~~substantive~~statutory remedies for ~~denying and~~ appealing the annexation for public distribution.

(f) Public Informational Meeting. – At the public informational meeting, a representative of the municipality shall first make an explanation of the report required in G.S. 160A-58.53 and an explanation of the provision of major municipal services. The explanation of the provision of services shall include how to request water service or sewer service to individual lots, the average cost of a residential connection to the water and sewer system, and the opportunity for installation of a residential connection under G.S. 160A-58.56. A summary of the annexation process with time lines, a summary of opportunity to vote in the referendum and available statutory remedies for ~~denying and~~ appealing the annexation, an explanation of the provision of services, and information for requesting water service or sewer service to individual lots and any forms to so request shall also be distributed at the public informational meeting. Following such explanation, all property owners and residents of the area proposed to be annexed as described in the notice of public informational meeting and hearing, and all residents of the municipality shall be given the opportunity to ask questions and receive answers regarding the proposed annexation.

(g) Public Hearing. – At the public hearing, a representative of the municipality shall first make an explanation of the report required in G.S. 160A-58.53. Following such explanation, all property owners and residents of the area proposed to be annexed as described in the notice of public informational meeting and hearing, and all residents of the municipality, shall be given an opportunity to be heard.

(h) The municipal governing board shall take into consideration facts presented at the public hearing and shall have authority to amend the report required by G.S. 160A-58.53 to make changes in the plans for serving the area proposed to be annexed so long as such changes meet the requirements of G.S. 160A-58.53. At any regular or special meeting held no sooner than the tenth day following the ~~public hearing and not later than 90 days following the public hearing,~~certification of the election held under G.S. 160A-58.64, the governing board shall have authority to adopt an ordinance, subject to subsection (i) of this section, extending the corporate limits of the municipality to include all, or part, of the area described in the notice of public hearing which the governing board has concluded should be annexed. The annexation ordinance shall:

(1) Contain specific findings showing that the area to be annexed meets the requirements of G.S. 160A-58.54.

(2) Describe the external boundaries of the area to be annexed by metes and bounds.

(3) Include a statement of the intent of the municipality to provide services to the area being annexed as set forth in the report required by G.S. 160A-58.53 and a time line for the provision of those services.

(4) Contain a specific finding that on the effective date of annexation, the municipality will have funds appropriated in sufficient amount to finance

construction of any water and sewer lines stated in the report required by G.S. 160A-58.53 to extend the water and sewer services into the area to be annexed, or that on the effective date of annexation the municipality will have authority to issue bonds in an amount sufficient to finance such construction. If authority to issue such bonds shall be secured from the electorate of the municipality prior to the effective date of annexation, then the effective date of annexation shall be no earlier than the day following the statement of the successful result of the bond election.

(5) Fix the effective date for annexation as June 30 next following the adoption of the ordinance or the second June 30 following adoption of the ordinance, but not before the completion of the water and sewer request ~~and petition to deny and~~ appeal periods are complete.

(6) Together, with the list of the property owners of parcels within the area described in the annexation ordinance to which a notice was mailed under subsection (d) of this section, be delivered within five business days to the tax assessor and the board of elections of the county in which a majority of the municipality lies.

~~(7) Be summarized, and sent in accordance with subsection (i) of this section, to the list of the property owners within the area described in the annexation ordinance to which a notice was mailed under subsection (d) of this section together with a blank petition form, preprinted with name and address of the property owner.~~

(8) If a public body has a Web site, conspicuously post ~~a copy of the petition to deny annexation ordinance that a property owner in the real property located within the area described in the annexation ordinance may download, complete, and return to the county board of elections in accordance with subsection (i) of this section.~~notice of the referendum until after the certification of the election.

(i) ~~Petition~~ Referendum Vote ~~to Deny~~on Annexation Ordinance. – The ~~following~~ procedures in G.S. 160A-58.64 shall apply to ~~this subsection:~~

~~(1) Upon receipt of the resolution of intent and a list of property owners of the real property located within the area, the county tax assessor shall prepare a list of the real property parcels within the area, and forward it to the board of elections in the county where a majority of the parcels proposed for annexation are located. The board of elections shall prepare petitions for property owners of the real property located within the area described in the resolution of intent to sign opposing the annexation ordinance.~~

~~(2) A petition shall include the names of the property owners of the parcel of real property listed individually, a signature line for each owner, and a statement that the person signing is petitioning to deny the annexation.~~

~~(3) The board of elections shall mail a petition to the address of record for those real property owners within five business days of receipt from the county tax assessor of the list.~~

~~(4) The board of elections shall provide two methods by which property owners of the real property located within the area described in the annexation ordinance may sign a petition form prepared by the board of elections: (i) in person or (ii) by submitting the signed petition form by mail. The board of elections shall also accept signatures signed on a petition form prepared by the board of elections, but collected by another, if that petition form is returned to the board of elections in a sealed container.~~

~~(5) If the signed petition is one that was mailed under subdivision (h)(7) of this section and the signer is not the same as the preprinted name on the form, the signed petition shall be notarized and accompanied by a copy of the legal authority for the signature of the person signing a petition.~~

~~(6) If a petition is returned as undeliverable to the board of elections, the board of elections shall send the petition return receipt requested. If the petition is returned again, the board of elections shall not include that property owner in the total number of eligible property owners.~~

~~(7) If there is a change in ownership of real property after the date of the resolution of consideration until 30 days after the date of the adoption of the annexation ordinance, the new owner of the real property shall be considered the eligible owner of real property.~~

~~(8) The board of elections shall accept signatures on the petition until 130 days after the adoption of the annexation ordinance.~~

~~(9) The determination of the results by the board of elections of the petition period shall be observed by three property owners from the area proposed for annexation, chosen by lot by the board of elections from among those who request to serve in this role, and three persons designated by the municipality. A majority of the property owners of a single parcel of real property must sign the petition before the board of elections may count that parcel as having submitted a petition to deny annexation.~~

~~(10) Within 10 business days after the close of the signature period, the board of elections shall certify to the municipal governing body the number of petitions signed by eligible property owners of the real property located within the area described in the annexation ordinance.~~

~~(11) If the board of elections delivers to the municipal governing board petitions signed by eligible property owners of at least sixty percent (60%) of the parcels located within the area described in the annexation ordinance as provided in this subsection, the annexation shall be terminated and the municipality may not adopt a resolution of consideration for the area described in the annexation ordinance for at least 36 months.~~

~~(12) This subsection shall not apply to any property owner of real property located within the area described in the annexation ordinance that is completely surrounded by the municipality's primary corporate limits.~~

~~(13)~~ any annexation under this Part. The municipality shall reimburse the board or boards of elections the costs of the ~~petition process~~ referendum required under ~~this subsection.~~G.S. 160A-58.64.

(j) Effect of Annexation Ordinance. – From and after the effective date of the annexation ordinance, the territory and its citizens and property shall be subject to all debts, laws, ordinances, and regulations in force in such municipality and shall be entitled to the same privileges and benefits as other parts of such municipality.

(k) Reserved.

(l) Reserved.

(m) Simultaneous Annexation Proceedings. – If a municipality is considering the annexation of two or more areas which are all adjacent to the municipal boundary but are not adjacent to one another, it may undertake simultaneous proceedings under authority of this Part for the annexation of such areas.

(n) Remedies for Failure to Provide Services. – If, not earlier than 30 days after the effective date of annexation and not later than 15 months from the effective date of annexation, any property owner in the annexed territory shall believe that the municipality has not followed through providing services as set forth in the report adopted under G.S. 160A-58.53 and

subsection (e) of this section, the property owner may apply for a writ of mandamus. Relief may be granted by the judge of superior court if the municipality has not provided the services set forth in its plan submitted under the provisions of G.S. 160A-58.53(3)a. on substantially the same basis and in the same manner as such services were provided within the rest of the municipality prior to the effective date of annexation and those services are still being provided on substantially the same basis and in the same manner within the original corporate limits of the municipality. If a writ is issued, costs in the action, including reasonable attorneys' fees for such aggrieved property owner, shall be charged to the municipality.

(o) Reports to the Local Government Commission. – The municipality shall report to the Local Government Commission as follows:

(1) As to whether police protection, fire protection, solid waste services, and street maintenance services were provided in accordance with G.S. 160A-58.53(3)a., within 30 days after the effective date of the annexation. Such report shall be filed no more than 30 days following the expiration of the 30-day period. If the Local Government Commission determines that the municipality failed to deliver police protection, fire protection, solid waste services, or street maintenance services as provided for in G.S. 160A-58.53(3)a. within 30 days after the effective date of the annexation, the Local Government Commission shall notify the municipality that the municipality may not count any of the residents as part of the population of the municipality for the purpose of receiving any State, federal, or county dollars distributed based on population until all of the services are provided.

(2) As to whether the extension of water and sewer lines was completed within the time period specified in G.S. 160A-58.53(3), within six months after the effective date of the annexation ordinance, and again within three and one-half years of the effective date of the annexation ordinance or upon the completion of the installation, whichever occurs first. If the municipality failed to deliver either water or sewer services, or both, as provided for in G.S. 160A-58.53(3)b. within three and one-half years after the effective date of the annexation, the municipality shall stop any other annexations in progress and may not begin any other annexation until the water and sewer services are provided. The municipality shall adopt a resolution of consideration to begin again any annexation that is stopped due to this subdivision."

SECTION 4. G.S. 160A-58.51(2) reads as rewritten:

"(2) Eligible property owner. – A property owner who is eligible ~~to sign a petition to deny an annexation ordinance or a property owner who is eligible~~ to be notified of the opportunity to have water lines and sewer lines and connections installed at no cost to the property owner. ~~A property owner is eligible to sign a petition to deny an annexation ordinance if the property owner held a freehold interest in the property, determined as of the date of the resolution of consideration.~~ A property owner is eligible to be notified of the opportunity to have water lines and sewer lines and connections installed at no cost to the property owner if that property owner held a freehold interest in the real property to be annexed as of the date of the combined notice of public informational meeting and public hearing."

SECTION 5. G.S. 160A-60(a) reads as rewritten:

"(a) Within 60 days following the ~~close of the signature period under G.S. 160A-58.55(i),~~adoption of the annexation ordinance, any property owner of real property located within the area described in the annexation ordinance who believes that property owner

will suffer material injury by reason of the failure of the municipal governing board to comply with the procedure or to meet the requirements set forth in this Part as they apply to the annexation may file a petition in the superior court of the county in which the municipality is located seeking review of the action of the governing board."

SECTION 6. This act becomes effective July 1, 2012, and applies to any annexation ordinance adopted under Part 7 of Article 4A of Chapter 160A of the General Statutes on or after that date.

HOUSE BILL 925:
Annexation Reform 2

2011-2012 General Assembly

Committee:	Rules and Operations of the Senate	**Date:**	May 16, 2012
Introduced by:	Rep. Moffitt	**Prepared by:**	R. Erika Churchill
Analysis of:	PCS to Second Edition H925-CSSTx-90		Staff Attorney

SUMMARY: ***The proposed committee substitute for House Bill 925 would require a vote of the residents of the area to be involuntarily annexed prior to the adoption of an annexation ordinance. If less than a majority of the voters vote for the annexation, the municipality may not proceed with annexing that area for 36 months.***

CURRENT LAW: As enacted in 2011, G.S. 160A-58.55 sets forth the procedure for annexations initiated by municipalities. The basics of the process timeline of an involuntary annexation are as follows:

- First – adoption of a resolution of consideration.
- Second – adoption of a resolution of intent, which must be done no earlier than one year, or more than two years, after the resolution of consideration.
- Third – Public Informational Meeting.
- Fourth – Public Hearing.
- Fifth – Adoption of the annexation ordinance.
- Sixth – Petition to deny annexation.

The petition to deny annexation is initiated by the municipality, and only the real property owners may participate in the process. A petition is mailed to each property owner in the area described in the annexation ordinance, and that owner is given the opportunity to sign and return it, if the owner wants to deny the annexation of the area described in the annexation ordinance. If at least 60% of the property owners deny the annexation, the municipality's annexation ordinance is terminated.

BILL ANALYSIS: The proposed committee substitute would amend G.S. 160A-55.58 to eliminate the petition to deny annexation and substitute a requirement of a referendum. The referendum would be a vote of the residents of the area to be annexed prior to the adoption of the annexation ordinance by the annexing municipality. If less than a majority of the voters approve the annexation, the municipality is prohibited from proceeding with the annexation and from initiating another annexation of that area for 36 months.

The referendum vote would occur between the public hearing and the adoption of the annexation ordinance, and would coincide with the next municipal general election.

EFFECTIVE DATE: July 1, 2012 and applies to all ordinances of annexations initiated by municipalities adopted on or after that date.

BACKGROUND: The 2011 General Assembly enacted the Statewide Annexation Reform Act of 2011 (S.L. 2011-396) and two local acts, S.L. 2011 173 and S.L. 2011-177, affecting nine local annexations, subject to a petition to deny annexation process by affected property owners.

The Statewide Annexation Reform Act of 2011 and the local acts were subject to a lawsuit filed in late 2011. On March 27, 2012, a Wake County Superior Court Judge ruled in favor of the plaintiffs, finding the Statewide and local acts violated Art I, Secs. 11, 19, and 32; and Art. VII, Sec. 1 of the Constitution of North Carolina. The State has entered notice of appeal of the trial court's order.

SENATE FINANCE COMMITTEE
Wednesday, May 30, 2012 at 1:00 PM
Room 544, Legislative Office Building

MINUTES

The Senate Finance Committee met at 1:00 PM on May 30, 2012 in room 544 of the Legislative Office Building. Thirty-two members of the committee were present. Lauren Strickland of Ellenboro, Elaine Kennedy of Pinehurst, Tyler Coe of Denton, Jonathan and Jeremy Glover of Bailey, Travis Gillespie of Aberdeen, Autumn Fulton of Pleasant Garden, Mallory Lowe of Trinity and Jaclyn Harvey of Fayetteville served as pages. Senator Rucho presided as chair.

Senator Rucho introduced Doreen Tan to the Committee. Ms. Tan has an economics degree and was the Director of Tax Policy for Singapore's Finance Ministry. She is currently an intern with the Department of Revenue while seeking her Master's degree in International Taxation at Duke University. She will assist the Tax Modernization Working Group with reviewing and analyzing the tax structures in various other states with a view toward selecting the best ideas from those states for the working group to consider in seeking tax modernization and fiscal stability for North Carolina.

H.B. 391 – RTP District Amends

Senator Stevens was recognized to explain the bill. Senator Hartsell moved to adopt the proposed committee substitute (PCS) for discussion. The motion carried. The PCS would amend the authorizing statutes for county research and production districts to allow for additional permitted uses in the districts, including mixed-use development that combines residential, retail, and business use. Senator Jenkins moved for a favorable report of the PCS and the motion carried. A copy of the PCS and the summary is attached.

S.B. 444 – UNC Nonappropriated Capital Projects

Senator Hartsell was recognized to explain the bill and moved to adopt the PCS for discussion. The motion carried. The PCS would authorize the construction of numerous projects by The University of North Carolina. The projects will be financed through revenue bonds and special obligation bonds, not appropriations from the General Fund. Senator Apodaca asked the bill be temporarily displaced on the agenda to give staff time to prepare his requested amendment. The Chair displaced the bill.

S.B. 806 – Modify Mortgage Regulation Funding

Senator Brown was recognized to explain the bill. It would amend the law relating to regulation of the mortgage industry to change the way regulation is funded from a fee based to an assessment based system. The bill was recommended by the Joint Legislative Study Commission on the Modernization of North Carolina Banking Laws. Senator Garrou moved for a favorable report and the motion carried. A copy of the bill and the summary is attached.

S.B. 826 – Revenue Laws Tech, Clarifying and Admin Chngs

Senator Hartsell was recognized to explain the bill and moved to adopt the PCS for discussion. The motion carried. The PCS, which is a recommendation of the Revenue Laws Study Commission, makes a number of technical, administrative, and clarifying changes to the revenue laws and related statutes, many of which were requested by the Department of Revenue. The technical changes appear in Part I of the attached summary, the clarifying and administrative changes appear in Part II, and changes related to the combined motor vehicle registration and property tax collection system appear in Part III. Senator Apodaca moved for a favorable report and the motion carried. A copy of the PCS and the summary is attached.

Senator Hartsell chaired the meeting at this point to allow Senator Rucho to explain Senate Bill 824.

S.B. 824 – Expedited Rule Making for Forced Combinations

Senator Rucho was recognized and asked that Cindy Avrette, a staff attorney with the Research Division, be permitted to explain the bill. It would require the Department of Revenue to adopt rules regarding this interpretation of G.S. 105-130.5A, the Secretary's authority to redetermine the State net income of a corporation properly attributable to its business carried on in the State by adjusting its new income or requiring it to file a combined return. The bill provides an expedited rule-making process for these rules. Senator Stevens moved for a favorable report and the motion carried. A copy of the bill and the summary is attached.

S.B. 444 – UNC Nonappropriated Capital Projects

Discussion on the bill resumed with Charlie Perusse, UNC System, being recognized to answer questions. Senator Apodaca was recognized to explain his amendment which would change the bill's title, eliminate capital funds for improvements to UNC's phase 2 of infrastructure improvements and improvements to the chilled water infrastructure; and not permit reimbursement to out-of-state members of the UNC Board of Governors for out-of-state travel expenses. It would preserve the Horace Williams airport. Erin Schuettpelz, representing UNC Chapel Hill Finance, was recognized to speak in opposition to the amendment and answer questions. The bill was tabled. A copy of the PCS, the summary, the fiscal memo and the amendment is attached.

S.B. 795 – Excellent Public Schools Act

Senator Apodaca was recognized to explain the finance portion of the bill – Section 13. Section 13 would ensure that the $250 deduction for educator expenses would continue for State individual income tax purposes, regardless of whether or not the federal deduction is reinstated for taxable years beginning on or after January 1, 2012. Senator Apodaca moved for a favorable report and the motion carried. A copy of the bill, the summary and the fiscal memo is attached.

S.B. 467 – Naturopathic Licensing Act

Senator Hartsell was recognized to explain the bill and moved to adopt the PCS for discussion. The motion carried. The PCS would establish the North Carolina Naturopathic Doctors Licensure Act. It adds performing acts of prenatal, intrapartum, postpartum, newborn, and interconceptual care to the list of acts prohibited by naturopathic doctors. It also staggers the initial Board appointments and changes the penalty for practicing without licensure from a Class I misdemeanor to a Class I felony and moves the effective date of licensure from January 1, 2012 to January 1, 2013. Dr. Michael Smith, a naturopathic physician at the Carolinas Natural Health Center, was recognized to speak in favor of the bill and answer questions. Dr. Remy Coeytaux, an associate professor at Duke University's School of Medicine, was recognized. He pointed out that the State did not have enough primary care physicians. Dr. Charlie Mantero, president of the NC Medical Society, was recognized to express concerns about the bill. The bill was not put to a vote. A copy of the bill, the summary and the fiscal note is attached.

The meeting adjourned at 2:00 PM.

Bob Rucho

Senator Bob Rucho, Presiding Chair

DeAnne Mangum

DeAnne Mangum, Committee Clerk

Doreen Tan

1. It is my pleasure to introduce Ms. Doreen Tan, from Singapore to the Senate Finance Committee.

2. Doreen has a degree in economics and has worked for the Finance Ministry of the government of Singapore as Director of Tax Policy.

3. She is currently serving as an intern with the North Carolina Department of Revenue while seeking her Master's Degree in International Taxation at Duke University.

4. She has significant experience with public sector reform and the formulation of policies for public finance and taxation.

5. She is applying that knowledge and experience by ~~also~~ assisting the Tax Modernization Working Group with reviewing and analyzing the tax structures in various other states with a view toward selecting the best ideas from those states for the ~~Working group~~ to consider in seeking tax modernization and fiscal stability for North Carolina.

A BILL TO BE ENTITLED

AN ACT TO REVISE THE LAWS RELATING TO COUNTY RESEARCH AND PRODUCTION SERVICE DISTRICTS TO REFLECT CHANGED CIRCUMSTANCES AND TO ALLOW FLEXIBILITY IN PROVISION OF SERVICES IN URBAN AREAS OF SUCH DISTRICTS.

The General Assembly of North Carolina enacts:

SECTION 1. Part 2 of Article 16 of Chapter 153A of the General Statutes reads as rewritten:

"Part 2. County Research and Production Service ~~Districts.~~Districts and Urban Research Service Districts.

"§ 153A-311. Purposes for which districts may be established.

The board of commissioners of any county may define a county research and production service district in order to finance, provide, and maintain for the district any service, facility, or function that a county or a city is authorized by general law to provide, finance, or maintain. Such a service, facility, or function shall be financed, provided, or maintained in the district either in addition to or to a greater extent than services, facilities, or functions are financed, provided, or maintained for the entire county.

"§ 153A-312. Definition of research and production service district.

(a) Standards. – The board of commissioners may by resolution establish a research and production service district for any area of the county that, at the time the resolution is adopted, meets the following standards:

(1) All (i) real property in the district is being used for or is subject to covenants that limit its use to ~~research~~ research; or scientifically-oriented ~~production or for~~ production, technology, education; or associated ~~commercial~~ commercial, residential, or institutional ~~purposes~~ purposes; or for other purposes specifically authorized pursuant to the terms and conditions of the covenants, or (ii) if all the real property in the district is part of a multijurisdictional industrial park that satisfies the criteria of G.S. 143B-437.08(h), all such real property in the district is subject to covenants that limit its use to research or scientifically oriented production, associated commercial or institutional purposes, or other industrial and associated commercial and institutional uses.

(2) The district (i) contains at least 4,000 acres or (ii) satisfies the criteria of G.S. 143B-437.08(h).

(3) The district (i) includes research and production facilities that in combination employ at least 5,000 persons or (ii) satisfies the criteria of G.S. 143B-437.08(h).

~~(4) All real property located in the district was at one time or is currently owned by a nonprofit corporation, which developed or is developing the property as a research and production park.~~

(5) A petition requesting creation of the district signed by at least fifty percent (50%) of the owners of real property in the district who own at least fifty percent (50%) of total area of the real property in the district has been presented to the board of commissioners. In determining the total area of real property in the district and the number of owners of real property, there shall be excluded (1) real property exempted from taxation and real property classified and excluded from taxation and (2) the owners of such exempted or classified and excluded property.

~~(6) The district has no more than 25 permanent residents.~~

(7) There exists in the district an association of owners and tenants, to which at least seventy-five percent (75%) of the owners of nonresidential real property belong, which association can make the recommendations provided for in G.S. 153A-313. This subdivision shall not apply to a research and production service district that satisfies the criteria of G.S. 143B-437.08(h).

(8) There ~~exists, or will exist when conveyed by the nonprofit corporation described in subdivision (4) of this subsection,~~ exist deed-imposed conditions, covenants, restrictions, and reservations that apply to all real property in the ~~district other than property owned by the federal government.~~district, provided that the covenants, restrictions, and reservations shall not be effective against the United States as long as it owns or leases property in the district, but shall apply to any subsequent owner or lessee of such property.

(9) No part of the district lies within the boundaries of any incorporated city or town.

The Board of Commissioners may establish a research and production service district if, upon the information and evidence it receives, the Board finds that:

(1) The proposed district meets the standards set forth in this subsection; and

(2) It is impossible or impracticable to provide on a countywide basis the additional or higher levels of services, facilities, or functions proposed for the district; and

(3) It is economically feasible to provide the proposed services, facilities, or functions to the district without unreasonable or burdensome tax levies.

(a1) Additional Uses. – A developer of a research and production service district established prior to June 1, 2012, may amend the covenants that limit the use of real property in the district to include any of the following uses: research, or scientifically-oriented production, technology, education; or associated commercial, residential, or institutional purposes; or for other purposes specifically authorized pursuant to the terms and conditions of the covenants. A research and production service district is presumed to be in compliance with the standards in subsection (a) of this section if the district met the standards in subsection (a) of this section, as that subsection was enacted at the time of the establishment of the district.

(b) Multi-County Districts. – If an area that meets the standards for creation of a research and production service district lies in more than one county, the boards of commissioners of those counties may adopt concurrent resolutions establishing a ~~service~~ district, even if that portion of the district lying in any one of the counties does not by itself

meet the standards. Each of the county boards of commissioners shall follow the procedure set out in this section for creation of a ~~service~~ district.

If a multi-county ~~service~~ district is established, as provided in this subsection, the boards of commissioners of the counties involved shall jointly determine whether the same appraisal and assessment standards apply uniformly throughout the district. This determination shall be set out in concurrent resolutions of the boards. If the same appraisal and assessment standards apply uniformly throughout the district, the boards of commissioners of all the counties shall levy the same rate of tax for the district, so that a uniform rate of tax is levied for district purposes throughout the district. If the boards determine that the same standards do not apply uniformly throughout the district, the boards shall agree on the extent of divergence between the counties and on the resulting adjustments of tax rates that will be necessary in order that an effectively uniform rate of tax is levied for district purposes throughout the district.

The boards of commissioners of the counties establishing a multi-county ~~service~~ district pursuant to this subsection may, by concurrent resolution, provide for the administration of services within the district by one or more counties on behalf of all the establishing counties.

(c) Report. – Before the public hearing required by subsection (d), the board of commissioners shall cause to be prepared a report containing:

(1) A map of the proposed district, showing its proposed boundaries;

(2) A statement showing that the proposed district meets the standards set out in subsection (a); and

(3) A plan for providing one or more services, facilities, or functions to the district.

The report shall be available for public inspection in the office of the clerk to the board for at least four weeks before the date of the public hearing.

(d) Hearing and Notice. – The board of commissioners shall hold a public hearing before adopting any resolution defining a ~~service~~ district under this section. Notice of the hearing shall state the date, hour, and place of the hearing and its subject, and shall include a map of the proposed district and a statement that the report required by subsection (c) is available for public inspection in the office of the clerk to the board. The notice shall be published at least once not less than one week before the date of the hearing. In addition, it shall be mailed at least four weeks before the date of the hearing by any class of U.S. mail which is fully prepaid to the owners as shown by the county tax records as of the preceding January 1 (and at the address shown thereon) of all property located within the proposed district. The person designated by the board to mail the notice shall certify to the board that the mailing has been completed and his certificate is conclusive in the absence of fraud.

(e) Effective Date. – The resolution defining a ~~service~~ district shall take effect at the beginning of a fiscal year commencing after its passage, as determined by the board of commissioners.

"**§ 153A-313. ~~Advisory~~ Research and production service district advisory committee.**

(a) The board or boards of commissioners, in the resolution establishing a research and production service district, shall also provide for an advisory committee for the district. Such a committee shall have at least 10 members, serving terms as set forth in the resolution; one member shall be the representative of the developer of the research and production ~~park.~~park established as a research and production service district. The resolution shall provide for the appointment or designation of a ~~chairman.~~ chair. The board of commissioners or, in the case of a multi-county ~~service~~ district, the boards of commissioners shall appoint the members of the advisory committee. If a multi-county ~~service~~ district is established, the concurrent resolutions establishing the district shall provide how many members of the advisory committee are to be appointed by each board of commissioners. Before making the appointments, the appropriate board shall request the association of owners and tenants, required by G.S. 153A-312(a), to submit a list of persons to be considered for appointment to the committee; the association shall

submit at least two names for each appointment to be made. Except as provided in the next two sentences, the board of commissioners shall make the appointments to the committee from the list of persons submitted. In addition, the developer of the research and production park shall appoint one person to the advisory committee as the developer's representative on the committee. In addition, in a single county ~~service~~ district, the board of commissioners may make two additional appointments of such other persons as the board of commissioners deems appropriate, and in a multi-county ~~service~~ district, each board of county commissioners may make one additional appointment of such other person as that board of commissioners deems appropriate. Whenever a vacancy occurs on the committee in a position filled by appointment by ~~a~~ the board of commissioners, the appropriate board, before filling the vacancy, shall request the association to submit the names of at least two persons to be considered for the vacancy; and the board shall fill the vacancy by appointing one of the persons so submitted, except that if the vacancy is in a position appointed by the board of commissioners under the preceding sentence of this section, the board of commissioners making that appointment shall fill the vacancy with such person as that board of commissioners deems appropriate.

Each year, before adopting the budget for the ~~service~~ district and levying the tax for the district, the board or boards of commissioners shall request recommendations from the advisory committee as to the level of services, facilities, or functions to be provided for the district for the ensuing year. The board or boards of commissioners shall, to the extent permitted by law, expend the proceeds of any tax levied for the district in the manner recommended by the advisory ~~board.~~committee.

(b) In the event that the research and production service district satisfies the criteria of G.S. 143B-437.08(h), the board of directors for the nonprofit corporation which owns the industrial park shall serve as the advisory committee described in subsection (a) of this section.

"**§ 153A-314. Extension of service districts.**

(a) Standards. – A board of commissioners may by resolution annex territory to a research and production service district upon finding that:

(1) The conditions, covenants, restrictions, and reservations required by G.S. 153A-312(a)(8) that apply to all real property in the ~~research district, other than property owned by the federal government,~~ district also apply or will apply to the ~~property, other than property owned by the federal government, to be annexed.~~property to be annexed, provided that the covenants, restrictions, and reservations shall not be effective against the United States as long as it owns or leases property in the district, but shall apply to any subsequent owner or lessee of such property.

(2) One hundred percent (100%) of the owners of real property in the area to be annexed have petitioned for annexation.

(3) The district, following the annexation, will continue to meet the standards set out in G.S. 153A-312(a).

(4) The area to be annexed requires the services, facilities, or functions financed, provided, or maintained for the district.

(5) The area to be annexed is contiguous to the district.

(b) Report. – Before the public hearing required by subsection (c), the board shall cause to be prepared a report containing:

(1) A map of the district and the adjacent territory proposed to be annexed, showing the present and proposed boundaries of the district; and

(2) A statement showing that the area to be annexed meets the standards and requirements of subsection (a) of this section.

The report shall be available for public inspection in the office of the clerk to the board for at least four weeks before the date of the public hearing.

(c) Hearing and Notice. – The board shall hold a public hearing before adopting any resolution extending the boundaries of a ~~service~~ district. Notice of the hearing shall state the date, hour and place of the hearing and its subject, and shall include a statement that the report required by subsection (b) of this section is available for inspection in the office of the clerk to the board. The notice shall be published at least once not less than four weeks before the hearing. In addition, the notice shall be mailed at least four weeks before the date of the hearing by any class of U.S. mail which is fully prepaid to the owners as shown by the county tax records as of the preceding January 1 (and at the address shown thereon) of all property located within the area to be annexed. The person designated by the board to mail the notice shall certify to the board that the mailing has been completed, and the certificate shall be conclusive in the absence of fraud.

(d) Effective Date. – The resolution extending the boundaries of the district shall take effect at the beginning of a fiscal year commencing after its passage, as determined by the board.

"§ 153A-314.1. Removal of territory from ~~service~~ districts.

(a) Standards. – A board of commissioners may by resolution remove territory from a research and production service district upon finding that:

(1) The ~~owners of the territory to be removed contemplate placing residential uses on some of the territory to be removed.~~ removal has been recommended by a vote of two-thirds of the eligible votes of the owners and tenants association.

(2) One hundred percent (100%) of the owners of real property in the territory to be removed have petitioned for removal.

(3) The territory to be removed no longer requires the services, facilities, or functions financed, provided, or maintained for the district.

(b) Report. – Before the public hearing required by subsection (c) of this section, the board shall cause to be prepared a report containing:

(1) A map of the district highlighting the territory proposed to be removed, showing the present and proposed boundaries of the district; and

(2) A statement showing that the territory to be removed meets the standards and requirements of subsection (a) of this section.

The report shall be available for public inspection in the office of the clerk to the board for at least 10 days before the date of the public hearing.

(c) Hearing and Notice. – The board shall hold a public hearing before adopting any resolution reducing the boundaries of a ~~service~~ district. Notice of the hearing shall state the date, hour, and place of the hearing and its subject and shall include a statement that the report required by subsection (b) of this section is available for inspection in the office of the clerk to the board. The notice shall be published at least once not less than seven days before the hearing. In addition, the notice shall be mailed at least two weeks before the date of the hearing by any class of U.S. mail which is fully prepaid to the owners as shown by the county tax records as of the preceding January 1 (and at the address shown thereon) of all property located within the territory to be removed. The person designated by the board to mail the notice shall certify to the board that the mailing has been completed, and the certificate shall be conclusive in the absence of fraud.

(d) Municipal Annexation Allowed Under General Law. – The general law concerning annexation, Article 4A of Chapter 160A of the General Statutes, shall apply to any territory removed from the district under this section, notwithstanding any local act to the contrary.

(e) Effective Date. – The resolution reducing the boundaries of the district shall take effect at the beginning of a fiscal year commencing after its passage, as determined by the board.

"§ 153A-315. Required provision or maintenance of services.

(a) New District. – When a county or counties define a research and production service district, it or they shall provide, maintain, or let contracts for the services for which the district is being taxed within a reasonable time, not to exceed one year, after the effective date of the definition of the district.

(b) Extended District. – When a territory is annexed to a research and production service district, the county or counties shall provide, maintain, or let contracts for the services provided or maintained throughout the district to property in the area annexed to the district within a reasonable time, not to exceed one year, after the effective date of the annexation.

"**§ 153A-316. Abolition of ~~service~~ districts.**

A board or boards of county commissioners may by resolution abolish a research and production service district upon finding that (i) a petition requesting abolition, signed by at least fifty percent (50%) of the owners of nonresidential real property in the district who own at least fifty percent (50%) of the total area of nonresidential real property in the district, has been submitted to the board or boards; and (ii) there is no longer a need for such ~~service~~ district. In determining the total area of nonresidential real property in the district and the number of owners of nonresidential real property, there shall be excluded (1) real property exempted from taxation and real property classified and excluded from taxation and (2) the owners of such exempted or classified and excluded property. The board or boards shall hold a public hearing before adopting a resolution abolishing a district. Notice of the hearing shall state the date, hour, and place of the hearing, and its subject, and shall be published at least once not less than one week before the date of the hearing. The abolition of any ~~service~~ district shall take effect at the end of a fiscal year following passage of the resolution, as determined by the board or boards. If a multi-county ~~service~~ district is established, it may be abolished only by concurrent resolution of the board of commissioners of each county in which the district is located.

"**§ 153A-316.1. Urban research service district (URSD).**

(a) Standards. – The board of commissioners of a county may establish one or more urban research service districts ("URSD" as used in this Part) that meets the following standards:

(1) The URSD is within a county research and production service district located partly within that county.

(2) The URSD is located wholly within that county.

(3) The URSD is not contained within another URSD.

(b) Report. – Before the public hearing required by subsection (c) of this section, the board of commissioners shall cause to be prepared and adopted by it a report. The report shall be available for public inspection in the office of the clerk to the board for at least four weeks before the date of the public hearing. The report shall contain the following:

(1) A map of the proposed URSD, showing its proposed boundaries.

(2) A statement showing that the proposed URSD is for the purpose of providing urban services, facilities, or functions to a greater extent than (i) in the entire county and (ii) in the county research and production service district.

(3) A plan for providing one or more services, facilities, or functions to the URSD.

(c) Hearing and Notice. – The board of commissioners shall hold a public hearing before adopting any resolution defining a URSD under this section. Notice of the hearing shall state the date, hour, and place of the hearing and its subject, and shall include a map of the proposed URSD and a statement that the report required by subsection (b) of this section is available for public inspection in the office of the clerk to the board. The notice shall be published at least once not less than one week before the date of the hearing. In addition, it shall be mailed at least four weeks before the date of the hearing by any class of U.S. mail that is fully prepaid to the owners, as shown by the county tax records as of the preceding January 1

of all property located within the proposed URSD. The person designated by the board to mail the notice shall certify to the board that the mailing has been completed, and the designated person's certificate is conclusive in the absence of fraud.

(d) Effective Date. – The resolution defining a URSD shall take effect at the beginning of a fiscal year commencing after its passage, as determined by the board of commissioners.

"**§ 153A-316.2. URSD advisory committee.**

(a) Members. – The board of commissioners, in the resolution establishing a URSD, shall also provide for an advisory committee for the URSD. The committee shall have at least 10 members, serving terms as set forth in the resolution. The resolution shall provide for the appointment or designation of a chairperson. The board of commissioners shall appoint the members of the USRD advisory committee. Before making the appointments, the board shall request the association of owners and tenants, required by G.S. 153A-312(a), to submit a list of persons to be considered for appointment to the committee. The association shall submit at least two names for each appointment to be made. Except as provided in subsection (b) of this section, the board of commissioners shall make the appointments to the committee from the list of persons submitted.

(b) Additional Members. – In addition to the members provided in subsection (a) of this section, the developer of the research and production park pestablished as a research and production service district. shall appoint one person to the URSD advisory committee as the developer's representative on the committee. The board of commissioners may make two additional appointments of such other persons as the board of commissioners deems appropriate.

(c) Vacancy. – Whenever a vacancy occurs on the committee in a position filled by appointment by the board of commissioners, the board, before filling the vacancy, shall request the association to submit the names of at least two persons to be considered for the vacancy, and the board shall fill the vacancy by appointing one of the persons so submitted, except that if the vacancy is in a position appointed by the board of commissioners under subsection (b) of this section, the board of commissioners making that appointment shall fill the vacancy with such person as the board of commissioners deems appropriate.

(d) Advisory Role. – Each year, before adopting the budget for the URSD and levying the tax for the URSD, the board of commissioners shall request recommendations from the URSD advisory committee as to the level of services, facilities, or functions to be provided for the URSD for the ensuing year. The board of commissioners shall, to the extent permitted by law, expend the proceeds of any tax levied for the URSD in the manner recommended by the URSD advisory committee.

"**§ 153A-316.3. Extension of URSD.**

(a) Standards. – A board of commissioners may by resolution annex territory to a URSD upon finding that:

(1) The conditions, covenants, restrictions, and reservations required by G.S. 153A-312(a)(8) that apply to all real property in the URSD also apply or will apply to the property to be annexed, provided that such covenants, restrictions, and reservations shall not be effective against the United States, as long as it owns or leases property in the URSD but shall apply to any subsequent owner or lessee of such property.

(2) One hundred percent (100%) of the owners of real property in the area to be annexed have petitioned for annexation.

(3) The URSD, following the annexation, will continue to meet the standards set out in G.S. 153A-316.1(a).

(4) The area to be annexed requires the services, facilities, or functions financed, provided, or maintained for the URSD.

(5) The area to be annexed is contiguous to the URSD.

(b) Report. – Before the public hearing required by subsection (c) of this section, the board shall cause to be prepared a report. The report shall be available for public inspection in the office of the clerk to the board for at least four weeks before the date of the public hearing. The report shall contain the following:

(1) A map of the URSD and the adjacent territory proposed to be annexed, showing the present and proposed boundaries of the URSD.

(2) A statement showing that the area to be annexed meets the standards and requirements of subsection (a) of this section.

(c) Hearing and Notice. – The board shall hold a public hearing before adopting any resolution extending the boundaries of a URSD. Notice of the hearing shall state the date, hour, and place of the hearing and its subject, and shall include a statement that the report required by subsection (b) of this section is available for inspection in the office of the clerk to the board. The notice shall be published at least once not less than four weeks before the hearing. In addition, the notice shall be mailed at least four weeks before the date of the hearing by any class of U.S. mail that is fully prepaid to the owners, as shown by the county tax records as of the preceding January 1 of all property located within the area to be annexed. The person designated by the board to mail the notice shall certify to the board that the mailing has been completed, and the certificate shall be conclusive in the absence of fraud.

(d) Effective Date. – The resolution extending the boundaries of the URSD shall take effect at the beginning of a fiscal year commencing after its passage, as determined by the board.

"**§ 153A-316.4. Removal of territory from URSD.**

(a) Standards. – A board of commissioners may by resolution remove territory from a URSD upon finding that:

(1) The removal has been recommended by a vote of two-thirds of the eligible voters of the owners and tenants association.

(2) One hundred percent (100%) of the owners of real property in the territory to be removed have petitioned for removal.

(3) The territory to be removed no longer requires the services, facilities, or functions financed, provided, or maintained for the URSD.

(4) The county has not financed any project for which taxes levied on the URSD provide debt service pursuant to G.S. 153A-317.1(c).

(b) Report. – Before the public hearing required by subsection (c) of this section, the board shall cause to be prepared a report, The report shall be available for public inspection in the office of the clerk to the board for at least 10 days before the date of the public hearing. The report shall contain the following:

(1) A map of the URSD highlighting the territory proposed to be removed, showing the present and proposed boundaries of the URSD.

(2) A statement showing that the territory to be removed meets the standards and requirements of subsection (a) of this section.

(c) Hearing and Notice. – The board shall hold a public hearing before adopting any resolution reducing the boundaries of URSD. Notice of the hearing shall state the date, hour, and place of the hearing and its subject, and shall include a statement that the report required by subsection (b) of this section is available for inspection in the office of the clerk to the board. The notice shall be published at least once not less than seven days before the hearing. In addition, the notice shall be mailed at least two weeks before the date of the hearing by any class of U.S. mail that is fully prepaid to the owners, as shown by the county tax records as of the preceding January 1, of all property located within the territory to be removed. The person designated by the board to mail the notice shall certify to the board that the mailing has been completed, and the certificate shall be conclusive in the absence of fraud.

(d) Effective Date. – The resolution reducing the boundaries of the URSD shall take effect at the beginning of a fiscal year commencing after its passage, as determined by the board.

"**§ 153A-316.5. Required provision or maintenance of services in URSD.**

(a) New URSD. – When a county defines a URSD, it shall provide, maintain, or let contracts for the services for which the URSD is being taxed within a reasonable time, not to exceed one year, after the effective date of the definition of the URSD. When a county defines a URSD, it may designate the developer of the research and development park established as a research and production service district in which the URSD is located as an agent that may contract with any local government for the provision of services within the URSD.

(b) Extended URSD. – When a territory is annexed to a URSD, the county shall provide, maintain, or let contracts for the services provided or maintained throughout the URSD to property in the area annexed to the URSD within a reasonable time, not to exceed one year, after the effective date of the annexation.

"**§ 153A-316.6. Abolition of URSD.**

A county board of commissioners may by resolution abolish a URSD upon finding that (i) a petition requesting abolition, signed by at least fifty percent (50%) of the owners of nonresidential real property in the URSD who own at least fifty percent (50%) of the total area of nonresidential real property in the URSD, has been submitted to the board or boards; (ii) there is no longer a need for such URSD; and (iii) the county has not financed any project for which there is outstanding debt serviced by tax revenues levied within the URSD. In determining the total area of nonresidential real property in the URSD and the number of owners of nonresidential real property, there shall be excluded (i) real property exempted from taxation and real property classified and excluded from taxation and (ii) the owners of such exempted or classified and excluded property. The board or boards shall hold a public hearing before adopting a resolution abolishing a URSD. Notice of the hearing shall state the date, hour, and place of the hearing and its subject, and shall be published at least once not less than one week before the date of the hearing. The abolition of any URSD shall take effect at the end of a fiscal year following passage of the resolution, as determined by the board.

"**§ 153A-317. Research and production service district taxes~~Taxes~~ authorized; rate limitation.**

(a) Tax authorized. – A county, upon recommendation of the advisory committee established pursuant to G.S. 153A-313, may levy property taxes within a research and production service district in addition to those levied throughout the county, in order to finance, provide, or maintain for the district services provided therein in addition to or to a greater extent than those financed, provided, or maintained for the entire county. In addition, a county may allocate to a ~~service~~ district any other revenues whose use is not otherwise restricted by law. The proceeds of taxes only within a ~~service~~ district may be expended only for services provided for the district.

Property subject to taxation in a newly established district or in an area annexed to an existing district is that subject to taxation by the county as of the preceding January 1.

(b) Limit. – Such additional property taxes may not be levied within any district established pursuant to this Article in excess of a rate of ten cents (10¢) on each one hundred dollars ($100.00) value of property subject to taxation or, in the event that the research and production service district satisfies the criteria of G.S. 143B-437.08(h), such additional property taxes may not be levied within said district in excess of a rate of fifteen cents (15¢) on each one hundred dollars ($100.00) value of property subject to taxation.

(c) Public transportation. – For the purpose of constructing, maintaining, or operating public transportation as defined by G.S. 153A-149(c)(27), in addition to the additional property taxes levied under subsections (a) and (b) of this section, a county, upon recommendation of the advisory committee established pursuant to G.S. 153A-313, may levy additional property

taxes within any ~~service~~ district established pursuant to this Article not in excess of a rate of ten cents (10¢) on each one hundred dollars ($100.00) value of property subject to taxation. Such property taxes for public transportation may only be used within the ~~service~~ district, or to provide for public transportation from the ~~service~~ district to other public transportation systems or to other places outside the ~~service~~ district including airports."

"**§ 153A-317.1 Urban research service district taxes authorized; rate.**

(a) Tax authorized. – A county, upon recommendation of the advisory committee established pursuant to G.S. 153A-316.2, may levy property taxes within a URSD in addition to those levied throughout the county, and in addition to those levied throughout the county research and production service district, in order to finance, provide, or maintain for the URSD services provided therein in addition to or to a greater extent than those financed, provided, or maintained both for the entire county and for the county research and production service district. Only those services that cities are authorized by law to provide may be provided. In addition, a county may allocate to a URSD any other revenue not otherwise restricted by law.

(b) Rate. – Property subject to taxation in a newly established URSD or in an area annexed to an existing URSD is that subject to taxation by the county as of the preceding January. The maximum tax rate set forth in G.S. 153A-317 shall not apply to the URSD. The additional property taxes within any URSD may not be levied in excess of the rate levied in the prior year by a city that:

(1) Is the largest city in population that is contiguous to the county research and production service district where the URSD is located.

(2) Is located primarily within the same county the URSD is located in.

(c) Use. – The proceeds of taxes levied within a URSD may be expended only for the benefit of the URSD. The taxes levied for the URSD may be used for debt service on any debt issued by the county that is used wholly or partly for capital projects located within the URSD, but not in greater proportion than expense of projects located within the URSD bear to the entire expense of capital projects financed by that borrowing of the county. For the purpose of this subsection, "debt" includes (i) general obligation bonds and notes issued under Chapter 159 of the General Statutes, (ii) revenue bonds issued under Chapter 159 of the General Statutes, (iii) financing agreements under Article 8 of Chapter 159 of the General Statutes, and (iv) special obligation bonds issued by the county.

SECTION 2. This act is effective when it becomes law.

HOUSE BILL 391:
RTP District Amendments

2011-2012 General Assembly

Committee:	Senate Finance	**Date:**	May 30, 2012
Introduced by:	Reps. Avila, Torbett	**Prepared by:**	Heather Fennell
Analysis of:	PCS to First Edition H391-CSTDx-60		Committee Counsel

SUMMARY: The PCS to House Bill 391 would amend the authorizing statutes for county research and production districts to allow for additional permitted uses in the districts, including mixed-use development that combines residential, retail, and business use.

CURRENT LAW: In 1985, the General Assembly authorized counties to establish research and production districts. A board of commissioners may, by resolution, establish a research and production district for any area of the county if it meets the statutory standards. A county may levy property taxes within the district in addition to those levied throughout the county with a cap of 10¢ on each $100 value of taxable property.

The original standards for a research and production service district limited real property in the district to use for research or scientifically oriented production or for associated commercial or institutional purposes. The original standards also included acreage requirements, employment requirements, and a restriction on the number of permanent residents in the district. The standards also provided that no part of a district could be within the boundaries of any incorporated city or town.

A board of county commissioners may create a district by resolution after publication of a report outlining the district, and holding a public hearing on the formation of the district. Multi-county districts are also authorized. For multi-county districts, the boards of county commissioners may pass concurrent resolutions.

At the time the county research and production service district legislation was enacted it was assumed that the Research Triangle Park would be the only district created under the act due to the acreage and employment level standards need to qualify for the creation of a district. In 2009, the General Assembly amended these standards to allow for the creation of a district when all of the real property in the district is part of a multijurisdictional industrial park. The maximum property tax rate for a district in a multijurisdictional industrial park is 15¢ on each $100 value of taxable property.

BILL ANALYSIS: The PCS to House Bill 391 amends the authorizing statutes for county research and production districts to allow for additional permitted uses in the districts, including mixed-use development that combines residential, retail, and business use, and authorizes the creation of new sub-districts, urban service research districts.

County Research and Production Service Districts:

New districts: The standards for a creation of a county research and production service district are amended to provide that real property in a district may be used for the following additional purposes:

- Scientifically-oriented technology and education.
- Residential purposes associated with scientifically-oriented production, technology, or education.
- Any other purpose specifically authorized in the covenants adopted to restrict the use of the real property.

Existing districts: Districts established prior to June 1, 2012 may amend the covenants that restrict the use of real property in those districts to include the additional purposes listed above.

Conforming changes: The statutes governing county research and production service districts are amended to reflect the expansion in the permitted uses of real property in the districts.

Urban Research Service Districts

The board of commissioners of a county (Board) may establish urban research districts (URSD) within existing county research and production districts.

Standards for USRD: The URSD must be located wholly within the county and may not be contained in any other URSD. The method of formation and governance of URSDs are substantially similar to provisions for county research and production service districts.

URSD Advisory Committee: The Board must provide an advisory committee for the URSD. The advisory committee will consist of owners and tenants of the URSD, an appointee of the developer of the district in which the URSD is located, and appointees of the Board. The committee will advise the Board on the services, facilities, and functions of the URSD.

Hearing and notice: Prior to establishing, extending, removing territory from, or abolishing a URSD, the Board must hold a public hearing regarding the action.

Standards for extension of USRD: To extend an URSD, the Board must find that the covenants restricting the use of real property will apply, 100% of the owners of real property in the area to be added petition to be added, the area to be added is contiguous, and the area requires the additional services, facilities, or functions served by the USRD.

Standards for removing area from USRD: To remove area from an USRD, the Board must find the removal is recommended by a vote of 2/3rds of the owners and tenants association and 100% of the owners of property in the area to be removed request removal, the area to be removed no longer requires the additional services, facilities, or functions served by the USRD, and the county has not financed any project for which taxes are levied on the area.

Services in the URSD: The Board must provide services for which the URSD is being taxed in a reasonable time. The Board may also designate the developer of the county research and production service district in which the URSD is located to contract with any local government for services within the URSD.

Taxes: The Board may levy taxes in the URSD that are in addition to the county taxes, and the taxes in the research and development district in order to finance and maintain services within the URSD.

The rate of the tax may not exceed the rate levied in the city with the largest population that is 1) contiguous to the county research and production service district in which the URSD is located, and 2) located primarily with in the same county as the URSD.[1]

The taxes levied may be used for services in the URSD, and debt service for debt incurred by the county for capital projects in the URSD.

EFFECTIVE DATE: This act is effective when it becomes law.

H391-SMTD-113(CSTDx-60) v5

[1] There are three cities contiguous to RTP that could potentially meet this definition. Cary (tax rate of 33¢ per $100 value of taxable property), Durham (tax rate 55¢ per $100 value of taxable property), and Morrisville (tax rate 36¢ per $100 value of taxable property).

S 1

SENATE BILL 806*

Short Title:	Modify Mortgage Regulation Funding.	(Public)
Sponsors:	Senator Brown.	
Referred to:	Commerce.	

May 21, 2012

A BILL TO BE ENTITLED

AN ACT TO MAKE CHANGES TO THE LAW DEALING WITH THE ANNUAL ASSESSMENTS OF MORTGAGE BANKERS, MORTGAGE BROKERS, AND MORTGAGE SERVICERS, AS RECOMMENDED BY THE JOINT LEGISLATIVE COMMISSION ON THE MODERNIZATION OF NORTH CAROLINA BANKING LAWS.

The General Assembly of North Carolina enacts:

SECTION 1. Article 19B of Chapter 53 of the General Statutes is amended by adding a new section to read:

"**§ 53-244.100A. Assessments.**

(a) For the purpose of meeting the cost of regulation under this Article, each mortgage lender, mortgage broker, and mortgage servicer licensed under this Article shall pay into the OCOB an assessment as provided in this subsection. The annual assessment shall consist of a base amount of two thousand dollars ($2,000) for volumes of no more than one million five hundred thousand dollars ($1,500,000) plus an additional sum, calculated on the loan and servicing dollar volume reported by the licensee to the OCOB for the previous calendar year. If a licensee has both loan and servicing volume, those amounts shall be added together and the assessment shall be calculated from the table below as follows:

Loan and/or Servicing Dollar Volume		Per Thousand
$1,500,001 to	$2,500,000	$0.07

More Than $1,300,000,001		$0.01

(b) The Commissioner may collect the assessment provided for in subsection (a) of this section annually or in periodic installments as approved by the Commission."

SECTION 2. G.S. 53-244.101 reads as rewritten:

"**§ 53-244.101. License renewal.**

(a) All licenses issued by the Commissioner under the provisions of this Article shall expire annually on the 31st day of December following issuance or on any other date that the Commissioner may determine. The license is invalid after that date and shall remain invalid unless renewed under subsection (b) of this section.

(b) A license may be renewed on or after November 1 of each year by complying with the requirements of subsection (c) of this ~~section~~ section. A mortgage loan originator shall pay a nonrefundable renewal fee of one hundred twenty-five dollars ($125.00) ~~and by paying to the Commissioner, in addition to~~plus the actual cost of obtaining credit reports and State and national criminal history record checks and ~~of~~ processing fees ~~of~~ for the ~~nationwide system~~ Nationwide Mortgage Licensing System and Registry as the Commissioner shall ~~require, nonrefundable renewal fees as follows:~~ require.

~~(1) Licensed mortgage lenders, licensed mortgage brokers, and licensed mortgage servicers shall pay an annual renewal fee of six hundred twenty-five dollars ($625.00), licensed exclusive mortgage brokers shall pay an annual renewal fee of three hundred dollars ($300.00), and licensed mortgage lenders and mortgage brokers shall pay three hundred dollars ($300.00) for each licensed branch office.~~

~~(2) Licensed mortgage loan originators shall pay an annual renewal fee of one hundred twenty-five dollars ($125.00).~~

(c) Licensees may apply to renew a mortgage loan originator, mortgage lender, mortgage broker, and mortgage servicer license. The application for renewal shall demonstrate that:

(1) The licensee continues to meet the initial minimum standards for licensure under G.S. 53-244.060;

(2) The mortgage loan originator has satisfied the annual continuing education requirements described in G.S. 53-244.102; and

(3) The licensee has paid all required fees ~~for renewal of the license.~~and assessments.

(d) If a mortgage lender, mortgage broker, or mortgage servicer's license is not renewed prior to the expiration date, then the licensee shall pay two hundred fifty dollars ($250.00) as a nonrefundable late ~~fee in addition to the renewal fee set forth in subsection (b) of this section.~~ fee. If a mortgage loan originator's license is not renewed prior to the expiration date, then the licensee shall pay a nonrefundable late fee of one hundred dollars ($100.00) in addition to the renewal fee set forth in subsection (b) of this section. In the event a licensee fails to obtain a reinstatement of the license prior to March 1, the Commissioner shall require the licensee to comply with the requirements for the initial issuance of a license under the provisions of this Article.

(e) When required by the Commissioner, each person shall furnish to the Commissioner the person's consent to a criminal history record check and a set of the person's fingerprints in a form acceptable to the Commissioner or to the Nationwide Mortgage Licensing System and Registry. Refusal to consent to a criminal history record check shall constitute grounds for the Commissioner to deny renewal of the license of the person as well as the license of any other person by whom the person is employed, over which the person has control, or as to which the person is the current or proposed qualifying individual or current or proposed branch manager."

SECTION 3. G.S. 53-244.115 reads as rewritten:

"**§ 53-244.115. Investigation and examination authority.**

(a) For purposes of initial licensing, license renewal, suspension, conditioning, revocation, or termination, or general or specific inquiry, investigation, or examination to determine compliance with this Article, the Commissioner ~~may, at the expense of the applicant or licensee,~~may access, receive, and use any books, accounts, records, files, documents, information, or evidence, including:

(1) Criminal, civil, and administrative history information, including nonconviction data;

(2) Personal history and experience information, including independent credit reports obtained from a consumer reporting agency described in section 603(p) of the Fair Credit Reporting Act; and

(3) Any other documents, information, or evidence the Commissioner deems relevant to the inquiry, investigation, or examination regardless of the location, possession, control, or custody of the documents, information, or evidence.

(b) For purposes of investigating violations or complaints arising under this Article, or for the purposes of examination, the Commissioner may review, investigate, or examine any licensee, individual, or person subject to this Article as often as necessary in order to carry out the purposes of this Article. The Commissioner may interview the officer, principals, person with control, qualified individual, mortgage loan originators, employees, independent contractors, agents, and customers of the licensee, individual, or person concerning their business. The Commissioner may direct, subpoena, or order the attendance of and examine under oath all persons whose testimony may be required about the loans or the business or subject matter of any examination or investigation and may direct, subpoena, or order the person to produce books, accounts, records, files, and any other documents the Commissioner deems relevant to the inquiry. ~~The reasonable cost of the investigation or examination shall be charged against the licensee, individual, or person subject to this Article.~~ The assessment set forth in G.S. 53-244.100A is for the purpose of meeting the cost of regulation under this Article. Any investigation or examination that, in the opinion of the Commissioner of Banks, requires extraordinary review, investigation, or special examination shall be subject to the actual costs of additional expenses and the hourly rate for the staff's time, to be determined annually by the Banking Commission.

(c) Each licensee, individual, or person subject to this Article shall make available to the Commissioner upon request the books and records relating to the operations of the licensee, individual, or person. No licensee, individual, or person subject to investigation or examination under this section may knowingly withhold, abstract, remove, mutilate, destroy, or secrete any books, records, computer records, or other information. Each licensee, individual, or person subject to this Article shall also make available for interview by the Commissioner the officers, principals, persons with control, qualified individuals, mortgage loan originators, employees, independent contractors, agents, and customers of the licensee, individual, or person concerning their business.

(d) Each licensee, individual, or person subject to this Article shall make or compile such reports or prepare other information as may be directed or requested by the Commissioner in order to carry out the purposes of this section, including:

(1) Accounting compilations;

(2) Information lists and data concerning loan transactions in a format prescribed by the Commissioner;

(3) Periodic reports, including:

a. Annual Report Questionnaire,

b. Servicer Activity Report,

c. Servicer Schedule of the Ranges of Costs and Fees,

d. Lender/Servicer Audited Statements of Financial Condition,

e. Broker Certified Statements of Financial Condition, and

f. Quarterly Loan Origination Reports.

(4) Any other information deemed necessary to carry out the purposes of this section.

(e) In making any examination or investigation authorized by this Article, the Commissioner may control access to any documents and records of the licensee or person under examination or investigation. The Commissioner may take possession of the documents

and records or place a person in exclusive charge of the documents and records in the place where they are usually kept. During the period of control, no individual or person shall remove or attempt to remove any of the documents and records except pursuant to a court order or with the consent of the Commissioner. Unless the Commissioner has reasonable grounds to believe the documents or records of the licensee have been or are at risk of being altered or destroyed for purposes of concealing a violation of this Article, the licensee or owner of the documents and records shall have access to the documents or records as necessary to conduct its ordinary business.

(f) In order to carry out the purposes of this section, the Commissioner may:

(1) Retain attorneys, accountants, or other professionals and specialists as examiners, auditors, or investigators to conduct or assist in the conduct of examinations or investigations;

(2) Enter into agreements or relationships with other government officials or regulatory associations in order to improve efficiencies and reduce regulatory burden by sharing resources, standardized or uniform methods or procedures, documents, records, information, or evidence obtained under this section;

(3) Use, hire, contract, or employ public or privately available analytical systems, methods, or software to examine or investigate the licensee, individual, or person subject to this Article;

(4) Accept and rely on examination or investigation reports made by other government officials, within or without this State; or

(5) Accept audit reports made by an independent certified public accountant for the licensee, individual, or person in the course of that part of the examination covering the same general subject matter as the audit and may incorporate the audit report in the report of the examination, report of investigation, or other writing of the Commissioner.

(g) In addition to the authority granted by G.S. 53-244.113 and G.S. 53-244.115, the Commissioner is authorized to take action, including summary suspension of the license, if the licensee fails, within 20 days or a lesser time if specifically requested for good cause, to:

(1) Respond to inquiries from the Commissioner or the Commissioner's designee regarding any complaints filed against the licensee that allege or appear to involve violation of this Article or any law or rule affecting the mortgage lending business;

(2) Respond to and cooperate fully with notices from the Commissioner or the Commissioner's designee relating to the scheduling and conducting of an examination or investigation under this Article; or

(3) Consent to a criminal history record check. The refusal shall constitute grounds for the Commissioner to deny licensure to the applicant as well as to any entity:

a. By whom or by which the applicant is employed,

b. Over which the applicant has control, or

c. As to which the applicant is the current or proposed qualifying individual or a current or proposed branch manager.

(h) The authority of this section shall remain in effect, whether a licensee, individual, or person subject to this Article acts or claims to act under any licensing law of the State, or claims to act without such authority."

SECTION 4. G.S. 53-244.119(e) is repealed.

SECTION 5. This act becomes effective October 1, 2012.

SENATE BILL 806:
Modify Mortgage Regulation Funding

2011-2012 General Assembly

Committee:	Senate Finance	**Date:**	May 29, 2012
Introduced by:	Sen. Brown	**Prepared by:**	Cindy Avrette
Analysis of:	First Edition		Committee Counsel

SUMMARY: Senate Bill 806 would amend the law relating to regulation of the mortgage industry to change the way regulation is funded from a fee based to an assessment based system. This bill was recommended by the Joint Legislative Study Commission on the Modernization of North Carolina Banking Laws.[1]

CURRENT LAW: Under the S.A.F.E Mortgage Licensing Act, mortgage lenders, mortgage brokers, mortgage servicers, and loan originators are required to be licensed by the Commissioner of Banks before engaging in the businesses of mortgage lending, mortgage brokering, or mortgage servicing, unless exempt.

Mortgage brokers, mortgage lenders, and mortgage servicers, must pay a license application fee of $1,250.00. Mortgage loan originators must pay a fee of $125.00. The licensee must also pay a filing fee for each additional branch office of $300.00. In addition, applicants must pay any processing fees required by the Nationwide Mortgage Licensing System and Registry.

Licenses must be renewed annually. The renewal fee for licensed mortgage brokers, mortgage lenders, and mortgage servicers is $625.00, together with a $300.00 fee for each branch office. The renewal fee for mortgage loan originators is $125.00. The late fee for mortgage brokers, mortgage lenders, and mortgage servicers is $250.00 and for mortgage loan originators is $100.00.

BILL ANALYSIS: *Senate Bill 806* would create a new funding mechanism for mortgage regulation by replacing the licensing fees for mortgage companies with an assessment. The assessment would include a minimum level of $2,000 plus an additional amount based on loan and servicing volume. The bill includes a table setting out the amount per thousand dollars to be applied to various brackets of loan and servicing volume. The bill also repeals the renewal fees currently paid by lenders, brokers, and servicers.

EFFECTIVE DATE: This act would become effective October 1, 2012.

BACKGROUND: The Joint Legislative Study Commission on the Modernization of North Carolina Banking Laws made the following finding: "The fees generated by the S.A.F.E. Mortgage Licensing Act are insufficient to support the cost of regulating the mortgage lending industry. Since 2002, bank assessments have subsidized mortgage regulation. The funding mechanism for mortgage regulation should be changed to replace the current licensing renewal fees with an assessment structure similar to that currently applicable to banks."

Karen Cochrane-Brown, counsel to the Senate Commerce Committee, substantially contributed to this summary.

S806-SMRB-123(e1) v1

[1] Rep. Brubaker introduced an identical bill, House Bill 949; the bill is in the House Banking Committee.

GENERAL ASSEMBLY OF NORTH CAROLINA
SESSION 2011

S D

SENATE BILL 826*
PROPOSED COMMITTEE SUBSTITUTE S826-CSSVx-45 [v.3]

5/29/2012 9:35:14 PM

Short Title: Revenue Laws Tech., Clarifying, & Admin Chngs. (Public)

Sponsors:

Referred to:

May 21, 2012

A BILL TO BE ENTITLED

AN ACT TO MAKE TECHNICAL, CLARIFYING, AND ADMINISTRATIVE CHANGES TO THE TAX AND RELATED LAWS.

The General Assembly of North Carolina enacts:

PART I. TECHNICAL CHANGES

SECTION 1.1. G.S. 105-130.5(b) reads as rewritten:

"(b) The following deductions from federal taxable income shall be made in determining State net income:

...

(14) The amount by which the basis of a depreciable asset is required to be reduced under the Code for federal tax purposes because of a tax credit allowed against the corporation's federal income tax ~~liability.~~ liability or because of a grant allowed under section 1603 of the American Recovery and Reinvestment Tax Act of 2009, P.L. 111-3. This deduction may be claimed only in the year in which the Code requires that the asset's basis be reduced. In computing gain or loss on the asset's disposition, this deduction shall be considered as depreciation.

...."

SECTION 1.2. G.S. 105-134.5 reads as rewritten:

"**§ 105-134.5. (Effective for taxable years beginning on or after January 1, 2012) North Carolina taxable income defined.**

...

(b) Nonresidents. – For a nonresident individual, the term "North Carolina taxable income" means the taxpayer's adjusted gross income as modified in G.S. 105-134.6, multiplied by a fraction the denominator of which is the taxpayer's ~~adjusted~~ gross income as modified in G.S. 105-134.6, and the numerator of which is the amount of that ~~adjusted~~ gross income, as modified, that is derived from North Carolina sources and is attributable to the ownership of any interest in real or tangible personal property in this State, is derived from a business, trade, profession, or occupation carried on in this State, or is derived from gambling activities in this State.

(c) Part-year Residents. – If an individual was a resident of this State for only part of the taxable year, having moved into or removed from the State during the year, the term "North Carolina taxable income" has the same meaning as in subsection (b) of this section except that

the numerator includes ~~adjusted~~ gross income, as modified under G.S. 105-134.6, derived from all sources during the period the individual was a resident.

..."

SECTION 1.3. G.S. 105-134.6 reads as rewritten:

"**§ 105-134.6. (Effective for taxable years beginning on or after January 1, 2012) Modifications to adjusted gross income.**

...

(a2) Deduction Amount. – In calculating North Carolina taxable income, a taxpayer may deduct either the North Carolina standard deduction amount ~~listed in the table below~~ for that taxpayer's filing status or the itemized deductions amount claimed under the Code. The North Carolina standard deduction amount is the lesser of the amount shown in the table below or the amount allowed under the Code. In the case of a married couple filing separate returns, a taxpayer may not deduct the standard deduction amount if the taxpayer or the taxpayer's spouse claims itemized deductions for State purposes.

A taxpayer that deducts the standard deduction amount under this subsection and is entitled to an additional deduction amount under section 63(f) of the Code for the aged or blind may deduct an additional amount under this subsection. The additional amount the taxpayer may deduct is six hundred dollars ($600.00) in the case of an individual who is married and seven hundred fifty dollars ($750.00) in the case of an individual who is not married and is not a surviving spouse. The taxpayer is allowed the same number of additional amounts that the taxpayer claimed under the Code for the taxable year.

Filing Status	Standard Deduction
Married, filing jointly	$6,000
Head of Household	4,400
Single	3,000
Married, filing separately	3,000.

..."

SECTION 1.4. G.S. 105-164.13 reads as rewritten:

"**§ 105-164.13. Retail sales and use tax.**

The sale at retail and the use, storage, or consumption in this State of the following tangible personal property, digital property, and services are specifically exempted from the tax imposed by this Article:

...

(11) Any of the following fuel:

a. Motor fuel, as ~~defined in G.S. 105-449.60,~~ taxed in Article 36C of this Chapter, except motor fuel for which a refund of the per gallon excise tax is allowed under G.S. 105 449.105A or G.S. 105 449.107.

b. Alternative fuel taxed under Article 36D of this Chapter, unless a refund of that tax is allowed under G.S. 105 449.107.

...

(49) Installation charges when the charges are separately stated on ~~the~~ an invoice or similar billing document given to the purchaser at the time of sale.

(49a) Delivery charges for delivery of direct mail if the charges are separately stated on an invoice or similar billing document given to the ~~purchaser.~~purchaser at the time of sale.

...."

SECTION 1.5. The title of Article 5F of Chapter 105 of the General Statutes reads as rewritten:

"Article 5F.

~~Manufacturing Fuel and~~ Certain Machinery and Equipment."

SECTION 1.6. The catchline of G.S. 105-187.70, as enacted by Section 6 of S.L. 2011-122, reads as rewritten:

"**§ 105-187.70. Department comply with Article 43 of Chapter 62A of the General Statutes.**

SECTION 1.7.(a) G.S. 105-228.90(b)(1b) reads as rewritten:

"(1b) Code. – The Internal Revenue Code as enacted as of ~~January 1, 2011,~~ January 1, 2012, including any provisions enacted as of that date that become effective either before or after that date."

SECTION 1.7.(b) This section is effective when it becomes law. Notwithstanding subsection (a) of this section, any amendments to the Internal Revenue Code enacted after January 1, 2011, that increase North Carolina taxable income for the 2011 taxable year become effective for taxable years beginning on or after January 1, 2012.

SECTION 1.8. G.S. 105-263(a) reads as rewritten:

"(a) Mailed Document. ~~Section~~ Sections 7502 and 7503 of the Code ~~governs~~ govern when a return, report, payment, or any other document that is mailed to the Department is timely filed."

SECTION 1.9. G.S. 105-277.1F(a)(1) reads as rewritten:

"(a) Scope. – This section applies to the following deferred tax programs:

(1) ~~G.S. 105-275(12)f., real property held for future transfer to government unit for conservation purposes.~~G.S. 105-275(12), real property owned by a nonprofit corporation held as a protected natural area."

SECTION 1.10. G.S. 105-468 reads as rewritten:

"**§ 105-468. Scope of use tax.**

The use tax authorized by this Article is a tax at the rate of one percent (1%) of the cost price of each item or article of tangible personal property that is not sold in the taxing county but is used, consumed, or stored for use or consumption in the taxing county. The tax applies to the same items that are subject to tax under G.S. 105-467.

Every retailer who is engaged in business in this State and in the taxing county and is required to collect the use tax levied by G.S. 105-164.6 shall collect the one percent (1%) use tax when the property is to be used, consumed, or stored in the taxing county. The use tax contemplated by this section shall be levied against the purchaser, and the purchaser's liability for the use tax shall be extinguished only upon payment of the use tax to the retailer, where the retailer is required to collect the tax, or to the Secretary, where the retailer is not required to collect the tax.

Where a local sales or use tax was due and has been paid with respect to tangible personal property by the ~~purchaser, either~~ purchaser in another taxing county within the State, or where a local sales or use tax was due and has been paid in a taxing jurisdiction outside the State where the purpose of the tax is similar in purpose and intent to the tax which may be imposed pursuant to this Article, the tax paid may be credited against the tax imposed under this section by a taxing county upon the same property. If the amount of sales or use tax so paid is less than the amount of the use tax due the taxing county under this section, the purchaser shall pay to the Secretary an amount equal to the difference between the amount so paid in the other taxing county or jurisdiction and the amount due in the taxing county. The Secretary may require such proof of payment in another taxing county or jurisdiction as is deemed to be necessary. The use tax levied under this Article is not subject to credit for payment of any State sales or use tax not imposed for the benefit and use of counties and municipalities. No credit shall be given under this section for sales or use taxes paid in a taxing jurisdiction outside this State if that taxing jurisdiction does not grant similar credit for sales taxes paid under this Article."

SECTION 1.11. G.S. 160A-536(e)(2) reads as rewritten:

"(2) The city must receive a petition signed by at least sixty percent (60%) of the lot owners of the owners' association requesting the city to establish a

municipal service district for the purpose of paying the costs related to converting private residential streets to public streets. The executive board of an owners' association for which the city has received a petition under this subsection may transfer street-related common elements to the city, notwithstanding the provisions of either the North Carolina Planned Community Act in Chapter 47F of the General ~~Statutes,~~ Statutes or the North Carolina Condominium Act in Chapter 47C of the General Statutes, or related articles of declaration, deed covenants, or any other similar document recorded with the Register of Deeds."

SECTION 1.12.(a) G.S. 20-63 reads as rewritten:

"(b1) **(Effective until July 1, 2016)** The following special registration plates do not have to be a "First in Flight" plate as provided in subsection (b) of this section. The design of the plates that are not "First in Flight" plates must be approved by the Division and the State Highway Patrol for clarity and ease of identification. When the Division registers a vehicle or renews the registration of a vehicle on or after July 1, 2015, the Division must send the owner a replacement special license plate in a standardized format in accordance with subsection (b) of this section and G.S. 20-79.4(a3).

SECTION 1.12.(b) G.S. 20-79.7(a) reads as rewritten:

"**§ 20-79.7. Fees for special registration plates and distribution of the fees.**

(a) Fees. – Upon request, the Division shall provide and issue free of charge a single Legion of Valor, 100% Disabled Veteran, and Ex-Prisoner of War registration plate to a recipient of a Legion of Valor award, a 100% disabled veteran, and an ex-prisoner of war each year. The preceding special registration plates are subject to the regular motor vehicle registration fees in G.S. 20-88, if the registered weight of the vehicle is greater than 6,000 pounds. All other special registration plates are subject to the regular motor vehicle registration fee in G.S. 20-87 or G.S. 20-88 plus an additional fee in the following amount:

Special Plate	Additional Fee Amount
American Red Cross	$30.00

SECTION 1.13.(a) The General Assembly makes the following findings:

(1) Section 1.3 of S.L. 2010-147 was intended to address concerns about the stringency of the environmental impact test used in determining eligibility for credits under Article 3J of Chapter 105 of the General Statutes.

(2) The General Assembly purposefully decided to adjust that standard retroactively to January 1, 2007, the effective date of Article 3J of Chapter 105 of the General Statutes.

(3) By retroactively changing this standard, the General Assembly intended to address instances where the application of this standard had resulted in a finding that a taxpayer was ineligible for credits contrary to the intent of the General Assembly in enacting the original legislation.

(4) The General Assembly intended for taxpayers to receive the benefits of this retroactive change.

(5) The provisions of G.S. 105-129.84(d) that require a taxpayer to claim a credit under Article 3J of Chapter 105 of the General Statutes within six months after the date set by statutes for the filing of return had the effect of limiting the benefits of this retroactive change.

SECTION 1.13.(b) Notwithstanding the provisions of G.S. 105-129.84(d), for the 2007 through 2010 taxable years, a taxpayer that satisfies all of the following conditions may claim a credit under Article 3J of Chapter 105 of the General Statutes on an amended return that is filed before January 1, 2013.

(1) The taxpayer did not timely claim a credit under Article 3J of Chapter 105 of the General Statutes.

(2) The taxpayer would have been ineligible to claim a credit under Article 3J of Chapter 105 of the General Statutes because it failed to meet the environmental impact standard under G.S. 105-129.83(e) prior to the enactment of S.L. 2010-147.

(3) The taxpayer satisfies the environmental impact standard under G.S. 105-129.83(e) after the enactment of S.L. 2010-147.

SECTION 1.13.(c) This section is effective when it becomes law.

PART II. CLARIFYING AND ADMINISTRATIVE CHANGES

SECTION 2.1. G.S. 105-113.38 reads as rewritten:

"**§ 105-113.38. ~~Bond.~~Bond or irrevocable letter of credit.**

The Secretary may require a wholesale dealer or a retail dealer to furnish a bond in an amount that adequately protects the State from loss if the dealer fails to pay taxes due under this Part. A bond shall be conditioned on compliance with this Part, shall be payable to the State, and shall be in the form required by the Secretary. The Secretary shall proportion a bond amount to the anticipated tax liability of the wholesale dealer or retail dealer. The Secretary shall periodically review the sufficiency of bonds required of dealers, and shall increase the amount of a required bond when the amount of the bond furnished no longer covers the anticipated tax liability of the wholesale dealer or retail dealer. The Secretary shall decrease the amount of a required bond when the Secretary determines that a smaller bond amount will adequately protect the State from loss. For purposes of this section, a bond may also include an irrevocable letter of credit."

SECTION 2.2.(a) G.S. 105-113.107(1a) reads as rewritten:

"(1a) At the rate of three dollars and fifty cents ($3.50) for each gram, or fraction thereof, of marijuana, other than separated stems and stalks taxed under subdivision (1) of this ~~section.~~section, or synthetic cannabinoids."

SECTION 2.2.(b) This section becomes effective June 1, 2011.

SECTION 2.3. G.S. 105-120.2(c) reads as rewritten:

"(c) For purposes of this section, a "holding company" is a corporation that ~~receives~~ satisfies at least one of the following conditions:

(1) It has no assets other than ownership interests in corporations in which it owns, directly or indirectly, more than fifty percent (50%) of the outstanding voting stock or voting capital interests.

(2) It receives during its taxable year more than eighty percent (80%) of its gross income from corporations in which it owns directly or indirectly more than fifty percent (50%) of the outstanding voting stock or voting capital interests."

SECTION 2.4. G.S. 105-129.81(4) reads as rewritten:

"(4) Business property. – Tangible personal property that is used in a business and capitalized by the taxpayer for tax purposes under the Code."

SECTION 2.5. G.S. 105-152(e) reads as rewritten:

"(e) Joint Returns. – A husband and wife whose federal taxable income is determined on a joint federal return shall file a single income tax return jointly if each spouse either is a resident of this State or has North Carolina taxable income and may file a single income tax return jointly if one spouse is not a resident and has no North Carolina taxable income. Except as otherwise provided in this Part, a wife and husband filing jointly are treated as one taxpayer for the purpose of determining the tax imposed by this Part. A husband and wife filing jointly are jointly and severally liable for the tax imposed by this Part reduced by the sum of all credits allowable including tax payments made by or on behalf of the husband and wife. However, if a spouse ~~has been relieved of~~ qualifies for relief of liability for federal tax attributable to a substantial understatement by the other spouse pursuant to section 6015 of the Code, that spouse is not liable for the corresponding tax imposed by this Part attributable to the same substantial understatement by the other spouse. A wife and husband filing jointly have expressly agreed that if the amount of the payments made by them with respect to the taxes for which they are liable, including withheld and estimated taxes, exceeds the total of the taxes due, refund of the excess may be made payable to both spouses jointly or, if either is deceased, to the survivor alone."

SECTION 2.6. G.S. 105-160.3(b) reads as rewritten:

"(b) The following credits are not allowed to an estate or trust:

(1) G.S. 105-151. Tax credits for income taxes paid to other states by individuals.

(2) G.S. 105-151.11. Credit for child care and certain employment-related expenses.

(3) G.S. 105-151.18. Credit for the disabled.

(4) G.S. 105-151.24. Credit for children.

(5) G.S. 105-151.26. Credit for charitable contributions by nonitemizers.

(6) Repealed by Session Laws 2004-170, s. 17, effective August 2, 2004.

(7) G.S. 105-151.28. Credit for long-term care insurance.

(8) (Expires for taxable years beginning on or after January 1, 2013) G.S. 105-151.30. Credit for recycling oyster shells.

(9) G.S. 105-151.31. Earned income tax credit.

(10) G.S. 105-151.32. Credit for adoption expenses.

(11) G.S. 105-151.33. Education expenses credit."

SECTION 2.7. G.S. 105-164.3 reads as rewritten:

"**§ 105-164.3. Definitions.**

The following definitions apply in this Article:

...

(25a) Over-the-counter drug. – A drug that ~~can be dispensed under federal law without a prescription and is~~ contains a label that identifies the product as a drug as required by 21 C.F.R. ~~§ 201.66~~ § 201.66. The label includes either of the following:

a. ~~to have a label containing a~~ A "Drug Facts" ~~panel~~ panel.

b. ~~and a~~ A statement of its active ~~ingredients.~~ingredients with a list of those ingredients contained in the compound, substance, or preparation.

...

(36) Sale or selling. – The transfer for consideration of ~~title~~ title, license to use or consume, or possession of tangible personal property or digital property or the performance for consideration of a service. The transfer or performance may be conditional or in any manner or by any means. The term includes the following:

a. Fabrication of tangible personal property for consumers by persons engaged in business who furnish either directly or indirectly the materials used in the fabrication work.

b. Furnishing or preparing tangible personal property consumed on the premises of the person furnishing or preparing the property or consumed at the place at which the property is furnished or prepared.

c. A transaction in which the possession of the property is transferred but the seller retains title or security for the payment of the consideration.

d. A lease or rental.

e. Transfer of a digital code.

...

(45a) Streamlined Agreement. – The Streamlined Sales and Use Tax Agreement as amended as of ~~May 12, 2009.~~December 19, 2011.

...."

SECTION 2.8. G.S. 105-164.4B(a) reads as rewritten:

"(a) General Principles. – The following principles apply in determining where to source the sale of a product. These principles apply regardless of the nature of the ~~product.~~product, except as otherwise noted in this section:

(1) Over-the-counter. – When a purchaser receives a product at a business location of the seller, the sale is sourced to that business location.

(2) Delivery to specified address. – When a purchaser or purchaser's donee receives a product at a location specified by the purchaser and the location is not a business location of the seller, the sale is sourced to the location where the purchaser or the purchaser's donee receives the product.

~~(3) Delivery address unknown. When a seller of a product does not know the address where a product is received, the sale is sourced to the first address or location listed in this subdivision that is known to the seller:~~

~~a. The business or home address of the purchaser.~~

~~b. The billing address of the purchaser or, if the product is prepaid wireless calling service, the location associated with the mobile telephone number.~~

~~c. The address from which tangible personal property was shipped or from which a service was provided.~~

(3) When subdivisions (1) and (2) of this subsection do not apply, the sale is sourced to the location indicated by an address for the purchaser that is available from the business records of the seller that are maintained in the

ordinary course of the seller's business when use of this address does not constitute bad faith.

(4) When subdivisions (1), (2), and (3) of this subsection do not apply, the sale is sourced to the location indicated by an address for the purchaser obtained during the consummation of the sale, including the address of a purchaser's payment instrument, if no other address is available, when use of this address does not constitute bad faith.

(5) When subdivisions (1), (2), (3), and (4) of this subsection do not apply, including the circumstance in which the seller is without sufficient information to apply the rules, the location will be determined based on the following:

a. Address from which tangible personal property was shipped,

b. Address from which the digital good or the computer software delivered electronically was first available for transmission by the seller, or

c. Address from which the service was provided."

SECTION 2.9. G.S. 105-164.7 reads as rewritten:

"**§ 105-164.7. Retailer to collect sales tax from purchaser as trustee for State.**

The sales tax imposed by this Article is intended to be passed on to the purchaser of a taxable item and borne by the purchaser instead of by the retailer. A retailer must collect the tax due on an item when the item is sold at retail. The tax is a debt from the purchaser to the retailer until paid and is recoverable at law by the retailer in the same manner as other debts. A retailer is considered to act as a trustee on behalf of the State when it collects tax from the purchaser of a taxable item. The tax must be stated and charged separately on the invoices or other documents of the retailer given to the purchaser at the time of the sale except for either of the following:

(1) Vending machine sales.

(2) Where a retailer displays a statement indicating the sales price includes the tax."

SECTION 2.10.(a) Part 2 of Article 5 of Chapter 105 of the General Statutes is amended by adding the following new section:

"**§ 105-164.12C. Items given away by merchants.**

If a retailer engaged in the business of selling prepared food and drink for immediate or on-premises consumption also gives prepared food or drink to its patrons or employees free of charge, for the purpose of this Article, the property given away is considered sold along with the property sold. If a retailer gives an item of inventory to a customer free of charge on the condition that the customer purchase similar or related property, the item given away is considered sold along with the item sold. In all other cases, property given away or used by any retailer or wholesale merchant is not considered sold, whether or not the retailer or wholesale merchant recovers its cost of the property from sales of other property."

SECTION 2.10.(b) This section becomes effective August 7, 2009.

SECTION 2.11. G.S. 105-164.14(a) reads as rewritten:

"(a) Interstate Carriers. – An interstate carrier is allowed a refund, in accordance with this section, of part of the sales and use taxes paid by it on the purchase in this State of railway cars and locomotives, and fuel, lubricants, repair parts, and accessories for a motor vehicle, railroad car, locomotive, or airplane the carrier operates. An "interstate carrier" is a person who is engaged in transporting persons or property in interstate commerce for compensation. The Secretary shall prescribe the periods of time, whether monthly, quarterly, semiannually, or otherwise, with respect to which refunds may be claimed, and shall prescribe the time within which, following these periods, an application for refund may be made.

An applicant for refund shall furnish the following information and any proof of the information required by the Secretary:

(1) A list identifying the railway cars, locomotives, fuel, lubricants, repair parts, and accessories purchased by the applicant inside or outside this State during the refund period.

(2) The purchase price of the items listed in subdivision (1) of this subsection.

(3) The sales and use taxes paid in this State on the listed items.

(4) The number of miles the applicant's motor vehicles, railroad cars, locomotives, and airplanes were operated both inside and outside this State during the refund period. Airplane miles are not in this State if the airplane does not depart or land in this State.

(5) Any other information required by the Secretary.

For each applicant, the Secretary shall compute the amount to be refunded as follows. First, the Secretary shall determine the ~~ratio of~~ mileage ratio. The numerator of the mileage ratio is the number of miles the applicant operated ~~its~~ all motor vehicles, railroad cars, locomotives, and airplanes in this State during the refund ~~period to~~ period. The denominator of the mileage ratio is the number of miles ~~it~~ the applicant operated ~~them~~ all motor vehicles, railroad cars, locomotives, and airplanes both inside and outside this State during the refund period. Second, the Secretary shall determine the applicant's proportional liability for the refund period by multiplying this mileage ratio by the purchase price of the items identified in subdivision (1) of this subsection and then multiplying the resulting product by the tax rate that would have applied to the items if they had all been purchased in this State. Third, the Secretary shall refund to each applicant the excess of the amount of sales and use taxes the applicant paid in this State during the refund period on these items over the applicant's proportional liability for the refund period."

SECTION 2.12. G.S. 105-164.27A reads as rewritten:

"**§ 105-164.27A. Direct pay permit.**

(a) General. – A general direct pay permit authorizes its holder to purchase any tangible personal property, digital property, or service without paying tax to the seller and authorizes the seller to not collect any tax on a sale to the permit holder. A person who purchases an item under a direct pay permit issued under this subsection is liable for use tax due on the purchase. The tax is payable when the property is placed in use or the service is received. A direct pay permit issued under this subsection does not apply to taxes imposed under G.S. 105-164.4 on electricity.

A person who purchases an item for storage, use, or consumption in this State whose tax status cannot be determined at the time of the purchase because of one of the reasons listed below may apply to the Secretary for a general direct pay permit:

(1) The place of business where the item will be ~~used~~ stored, used, or consumed is not known at the time of the purchase and a different tax consequence applies depending on where the item is used.

(2) The manner in which the item will be ~~used~~ stored, used, or consumed is not known at the time of the purchase and one or more of the potential uses is taxable but others are not taxable.

...

(b) Telecommunications Service. – A direct pay permit for telecommunications service authorizes its holder to purchase telecommunications service and ancillary service without paying tax to the seller and authorizes the seller to not collect any tax on a sale to the permit holder. A person who purchases these services under a direct pay permit must file a return and pay the tax due monthly or quarterly to the Secretary. A direct pay permit issued under this subsection does not apply to any tax other than the tax on telecommunications service and ancillary service.

A call center that purchases telecommunications service that originates outside this State and terminates in this State may apply to the Secretary for a direct pay permit for telecommunications service and ancillary service. A call center is a business that is primarily engaged in providing support services to customers by telephone to support products or services of the business. A business is primarily engaged in providing support services by telephone if at least sixty percent (60%) of its calls are incoming.

...."

SECTION 2.13. G.S. 105-187.43(b) reads a rewritten:

"(b) Prepayment. – A taxpayer who is consistently liable for at least ~~ten~~ twenty thousand dollars ~~($10,000)~~($20,000) of tax a month must make a monthly prepayment of the next month's tax liability. This requirement applies when the taxpayer meets the threshold and the Secretary notifies the taxpayer to make prepayments. A prepayment is due on the date a monthly payment is due. The prepayment must equal at least sixty five percent (65%) of any of the following:

(1) The amount of tax due for the current month.

(2) The amount of tax due for the same month in the preceding year.

(3) The average monthly amount of tax due in the preceding calendar year."

SECTION 2.14. G.S. 143-59.1(a) reads as rewritten:

"(a) Ineligible Vendors. – The Secretary of Administration and other entities to which this Article applies shall not contract for goods or services with either of the following:

(1) A vendor if the vendor or an affiliate of the vendor if the Secretary of Revenue has determined that the vendor or affiliate of the vendor meets one or more of the conditions of G.S. 105-164.8(b) but refuses to collect the use tax levied under Article 5 of Chapter 105 of the General Statutes on its sales delivered to North Carolina. The Secretary of Revenue shall provide the Secretary of Administration periodically with a list of vendors to which this section applies.

(2) A vendor if the vendor or an affiliate of the vendor incorporates or reincorporates in a tax haven country after December 31, 2001, but the United States is the principal market for the public trading of the stock of the corporation incorporated in the tax haven country."

SECTION 2.15. G.S. 105-241(b)(2a) reads as rewritten:

"(2a) Motor fuel taxes. – A taxpayer that ~~is required to file~~ files an electronic return under Subchapter V of this Chapter or Article 3 of Chapter 119 of the General Statutes must pay the tax by electronic funds transfer."

SECTION 2.16. Effective when it becomes law, but expiring at the same time as Section 1 of S.L. 2011-296 expires (currently July 1, 2013), G.S. 161-10(a), as rewritten by S.L. 2011-296, reads as rewritten:

"**§ 161-10. Uniform fees of registers of deeds.**

(a) Except as otherwise provided in this Article, all fees collected under this section shall be deposited into the county general fund. While performing the duties of the office, the register of deeds shall collect the following fees which shall be uniform throughout the State:

(1) Instruments in General. – For registering or filing any instrument for which no other provision is made by this section, the fee shall be twenty-six dollars ($26.00) for the first 15 pages plus four dollars ($4.00) for each additional page or fraction thereof.

~~When a subsequent instrument, as defined in G.S. 161-14.1(a)(3), is presented for registration with reference to more than one original instrument for which recording data are required to be indexed pursuant to G.S. 161-14.1(b), the fee shall be an additional twenty-five dollars ($25.00) for each additional reference.~~ For any instrument that assigns more than one

security instrument as defined in G.S. 45-36.4(18) by reference to previously recorded instrument recording data that are required to be indexed pursuant to G.S. 161-14.1(b), the fee shall be an additional ten dollars ($10.00) for each additional reference.

When a document is presented for registration that consists of multiple instruments, the fee shall be an additional ten dollars ($10.00) for each additional instrument. A document consists of multiple instruments when it contains two or more instruments with different legal consequences or intent, each of which is separately executed and acknowledged and could be recorded alone.

...."

SECTION 2.17.(a) G.S. 45-102(6) reads as rewritten:

"(6) The address, telephone number, and other contact information for the ~~consumer complaint section~~ State Home Foreclosure Prevention Project of the Housing Finance Agency. ~~Office of Commissioner of Banks, or, alternatively, if the loan is serviced by a credit union, the address, telephone number, and other contact information for the consumer complaint section of the Credit Union Division.~~"

SECTION 2.17.(b) G.S. 45-103(a) reads as rewritten:

"(a) Within three business days of mailing the notice required by G.S. 45-102, the mortgage servicer shall file certain information with the Administrative Office of the Courts. The filing shall be in an electronic format, as designated by the Administrative Office of the Courts, and shall contain the name and address of the borrower, the due date of the last scheduled payment made by the borrower, and the date the notice was mailed to the borrower. The Administrative Office of the Courts shall establish an internal database to track information required by this section. The ~~Commissioner of Banks~~ Housing Finance Agency shall design and develop the State Home Foreclosure Prevention Project database, in consultation with the Administrative Office of the Courts. Only the Administrative Office of the Courts, ~~the Office of Commissioner of Banks,~~ the Housing Finance Agency, and the clerk of court as provided by G.S. 45-107 shall have access to the database."

SECTION 2.17.(c) G.S. 45-104 reads as rewritten:

"**§ 45-104. State Home Foreclosure Prevention Project and Fund.**

(a) ~~The Commissioner of Banks is authorized to establish the State Home Foreclosure Prevention Project.~~ The purpose of the State Home Foreclosure Prevention Project is to seek solutions to avoid foreclosures for home loans. ~~In developing the Project, the Commissioner~~ The Project may include input from HUD-approved housing counselors, community organizations, the Credit Union Division and other State agencies, mortgage lenders, mortgage servicers, and other partners. The Housing Finance Agency shall administer the Project.

(b) There is established a State Home Foreclosure Prevention Trust Fund to be managed and maintained by the Housing Finance Agency. The funds shall be held separate from any other funds received by ~~either the Office of the Commissioner of Banks or~~ the Housing Finance Agency in trust for the operation of the State Home Foreclosure Prevention Project.

(c) Upon the filing of the information required under G.S. 45-103, the mortgage servicer shall pay a fee of seventy-five dollars ($75.00) to the State Home Foreclosure Prevention Trust Fund. The fee shall not be charged more than once for a home loan covered by this act. The ~~Office of the Commissioner of Banks~~ Housing Finance Agency shall collect the fee. Upon receipt of the fee the Housing Finance Agency~~Commissioner~~ shall deposit the funds ~~into a separate account. The funds shall be transferred no less than monthly~~ into the State Home Foreclosure Prevention Trust Fund. The Housing Finance Agency shall manage the State Home Foreclosure Prevention Trust Fund.

(d) The Housing Finance Agency shall use funds from the State Home Foreclosure Prevention Trust Fund to compensate performance-based service contracts or other contracts and grants necessary to implement the purposes of this act in the following manner:

(1) An amount, not to exceed the greater of two million two hundred thousand dollars ($2,200,000) or thirty percent (30%) of the funds per year, to cover the administrative costs of the operation of the program by ~~the Office of the Commissioner of Banks and~~ the Housing Finance Agency, including managing on behalf of the Administrative Office of the Courts the database identified in G.S. 45-103, expenses associated with informing homeowners of State resources available for foreclosure prevention, expenses associated with connecting homeowners to available resources, and assistance to homeowners and counselors in communicating with mortgage servicers.

(2) An amount, not to exceed the greater of three million four hundred thousand dollars ($3,400,000) or forty percent (40%) per year, to make grants to or reimburse nonprofit housing counseling agencies for providing foreclosure prevention counseling services to homeowners involved in the State Home Foreclosure Prevention Project.

(3) An amount, not to exceed thirty percent (30%) of the total funds collected per year, to make grants to or reimburse nonprofit legal service providers for services rendered on behalf of homeowners in danger of defaulting on a home loan to avoid foreclosure, limited to legal representation such as negotiation of loan modifications or other loan work-out solutions, defending homeowners in foreclosure or representing homeowners in bankruptcy proceedings, and research and counsel to homeowners regarding the status of their home loans.

(4) Any funds remaining in the State Home Foreclosure Prevention Trust Fund as of June 30, 2011, and any funds remaining in the State Home Foreclosure Prevention Trust Fund upon the expiration of each subsequent fiscal year shall be directed to the North Carolina Housing Trust Fund.

(e) The Housing Finance Agency shall have the discretion to enter into an agreement to administer funds under subdivisions (2) and (3) of subsection (d) of this section in a manner that complements or supplements other State and federal programs directed to prevent foreclosures for homeowners participating in the State Home Foreclosure Prevention Project."

SECTION 2.17.(d) G.S. 45-105 reads as rewritten:

"**§ 45-105. Extension of foreclosure process.**

The ~~Commissioner of Banks upon referral from the~~ Housing Finance Agency shall review information provided in the database created by G.S. 45-103 to determine which home loans are appropriate for efforts to avoid foreclosure. If the ~~Commissioner~~ Housing Finance Agency reasonably believes, based on a full review of the loan information, the mortgage servicer's loss mitigation efforts, the borrower's capacity and interest in staying in the home, and other appropriate factors, that further efforts by the State Home Foreclosure Prevention Project offer a reasonable prospect to avoid foreclosure on primary residences, the ~~Commissioner~~ Executive Director of the Housing Finance Agency shall have the authority to extend one time under this Article the allowable filing date for any foreclosure proceeding on a primary residence by up to 30 days beyond the earliest filing date established by the pre-foreclosure notice. If the ~~Commissioner~~ Executive Director of the Housing Finance Agency makes the determination that a loan is subject to this section, the ~~Commissioner~~ Housing Finance Agency shall notify the borrower, mortgage servicer, and the Administrative Office of the Courts. ~~If the mortgage servicer is a state or federally chartered credit union, the Commissioner shall also notify the Administrator of the Credit Union Division of the determination.~~"

SECTION 2.17.(e) G.S. 45-106 reads as rewritten:

"**§ 45-106. Use and privacy of records.**

The data provided to the Administrative Office of the Courts pursuant to G.S. 45-103 shall be exclusively for the use and purposes of the State Home Foreclosure Prevention Project developed by the Commissioner of Banks and administered by the Housing Finance Agency in accordance with G.S. 45-104. The information provided to the database is not a public record, except that a mortgage lender and a mortgage servicer shall have access to the information submitted only with regard to its own loans. ~~Any notice provided by the Commissioner to the Administrator of the Credit Union Division under G.S. 45-105 is not a public record.~~ Provision of information to the Administrative Office of the Courts for use by the State Home Foreclosure Prevention Project shall not be considered a violation of G.S. 53B-8. A mortgage servicer shall be held harmless for any alleged breach of privacy rights of the borrower with respect to the information the mortgage servicer provides in accordance with this Article."

SECTION 2.17.(f) Section 5 of S.L. 2008-226 reads as rewritten:

"**SECTION 5.** The ~~Office of the Commissioner of Banks~~ Housing Finance Agency shall report to the General Assembly describing the operation of the program established by this act not later than May 1 of each year until the funds are completely disbursed from the ~~reserve.~~ State Home Foreclosure Prevention Trust Fund. Information in the report shall be presented in aggregate form and may include the number of clients helped, the effectiveness of the funds in preventing home foreclosure, recommendations for further efforts needed to reduce foreclosures, and provide any other aggregated information the ~~Commissioner~~ Housing Finance Agency determines is pertinent or that the General Assembly requests."

SECTION 2.17.(g) Section 6 of S.L. 2008-226, as amended by Section 9 of S.L. 2010-168, reads as rewritten:

"**SECTION 6.** Section 4 of this act becomes effective July 1, 2008. Sections 1, 2, 3, and 5 become effective November 1, ~~2008, and expire May 31, 2013.~~ 2008. The remainder of this act is effective when it becomes law."

SECTION 2.17.(h) This section becomes effective December 1, 2012. The North Carolina Housing Finance Agency shall assume the responsibilities designated in this section for operation of the State Home Foreclosure Prevention Project no later than December 31, 2012.

PART III. MOTOR VEHICLE/PROPERTY TAX CHANGES

SECTION 3.1. G.S. 105-321(f) reads as rewritten:

"(f) Minimal Taxes. – Notwithstanding the provisions of G.S. 105-380, the governing body of a taxing unit that collects its own taxes may, by resolution, direct its assessor and tax collector not to collect minimal taxes charged on the tax records and receipts. Minimal taxes are the combined taxes and fees of the taxing unit and any other units for which it collects taxes, due on a tax receipt prepared pursuant to G.S. 105-320 ~~or on a tax notice prepared pursuant to G.S. 105-330.5,~~ in a total original principal amount that does not exceed an amount, up to five dollars ($5.00), set by the governing body. The amount set by the governing body should be the estimated cost to the taxing unit of billing the taxpayer for the amounts due on a tax receipt or tax notice. Upon adoption of a resolution pursuant to this subsection, the tax collector shall not bill the taxpayer for, or otherwise collect, minimal taxes but shall keep a record of all minimal taxes by receipt number and amount and shall make a report of the amount of these taxes to the governing body at the time of the settlement. These minimal taxes shall not be a lien on the taxpayer's real property and shall not be collectible under Article 26 of this Subchapter. A resolution adopted pursuant to this subsection must be adopted on or before June 15 preceding the first taxable year to which it applies and remains in effect until amended or repealed by resolution of the taxing unit. A resolution adopted pursuant to this subsection shall not apply to taxes on registered motor vehicles."

SECTION 3.2. G.S. 105-330.2 reads as rewritten:

"§ 105-330.2. (Effective July 1, 2013 – See Editor's note) Appraisal, ownership, and situs.

...

(b1) Valuation Appeal. – The owner of a classified motor vehicle may appeal the appraised value ~~or taxability~~ of the vehicle by filing a request for appeal with the assessor within 30 days of the date taxes are due on the vehicle under G.S. 105-330.4. An owner who appeals the appraised value ~~or taxability~~ of a classified motor vehicle must pay the tax on the vehicle when due, subject to a full or partial refund if the appeal is decided in the owner's favor.

The combined tax and registration notice or tax receipt for a classified motor vehicle must explain the right to appeal the appraised value ~~and taxability~~ of the vehicle. A lessee of a vehicle that is required by the terms of the lease to pay the tax on the vehicle is considered the owner of the vehicle for purposes of filing an appeal under this subsection. Appeals filed under this subsection shall proceed in the manner provided by G.S. 105-312(d).

(b2) Exemption or Exclusion Appeal. – The owner of a classified motor vehicle may appeal the vehicle's eligibility for an exemption or exclusion by filing a request for appeal with the assessor within 30 days of the assessor's initial decision on the exemption or exclusion application filed by the owner pursuant to G.S. 105-330.3(b). Appeals filed under this subsection shall proceed in the manner provided by G.S. 105-312(d).

...."

SECTION 3.3. G.S. 105-330.3 reads as rewritten:

"§ 105-330.3. (Effective July 1, 2013 – See Editor's note) Listing requirements for classified motor vehicles; application for exempt status.

...

(a1) Unregistered Vehicles. – The owner of an unregistered classified motor vehicle must list the vehicle for taxes by filing an abstract with the assessor of the county in which the vehicle is located on or before January 31 following the date the owner acquired the unregistered vehicle or, in the case of a registration that is not renewed, January 31 following the date the registration expires, and on or before January 31 of each succeeding year that the vehicle is unregistered. If a classified motor vehicle required to be listed pursuant to this subsection is registered ~~during the calendar~~ before the end of the fiscal year ~~in~~ for which it was ~~listed, the vehicle is taxed for the fiscal year that opens in the calendar year of listing as an unregistered vehicle.~~ required to be listed, the following applies:

(1) The vehicle is taxed as a registered vehicle, and the tax assessed pursuant to this subsection for the fiscal year in which the vehicle was required to be listed shall be released and/or refunded.

(2) For any months for which the vehicle was not taxed between the date the registration expired and the start of the current registered vehicle tax year, the vehicle is taxed as an unregistered vehicle as follows:

a. The value of the motor vehicle is determined as of January 1 of the year in which the registration of the motor vehicle expires.

b. In computing the taxes, the assessor must use the tax rates and any additional motor vehicle taxes of the various taxing units in effect on the date the taxes are computed.

c. The tax on the motor vehicle is the product of a fraction and the number of months for which the vehicle was not taxed between the date the registration expires and the start of the current registered vehicle tax year. The numerator of the fraction is the product of the appraised value of the motor vehicle and the tax rate of the various taxing units. The denominator of the fraction is 12.

d. The taxes are due on the first day of the second month following the month the notice was prepared.

(3) A vehicle required to be listed pursuant to this subsection that is not listed by January 31 and is not registered before the end of the fiscal year for which it was required to be listed is subject to discovery pursuant to G.S. 105-312.~~G.S. 105-312, unless the vehicle has been taxed as a registered vehicle for the current year.~~

(b) Exemption or Exclusion. – The owner of a classified motor vehicle who claims an exemption or exclusion from tax under this Subchapter has the burden of establishing that the vehicle is entitled to the exemption or exclusion. The owner may establish prima facie entitlement to exemption or exclusion of the classified motor vehicle by filing an application for exempt status with the ~~assessor.~~assessor within 30 days of the date taxes on the vehicle are due. When an approved application is on file, the assessor must omit from the tax records the classified motor vehicles described in the application. An application is not required for vehicles qualifying for the exemptions or exclusions listed in G.S. 105 282.1(a)(1). The remaining provisions of G.S. 105 282.1 do not apply to classified motor vehicles.

...."

SECTION 3.4. G.S. 105-330.4 reads as rewritten:

"**§ 105-330.4. (Effective July 1, 2013 – See Editor's note) Due date, interest, and enforcement remedies.**

...

(c) Remedies. – The enforcement remedies in this Subchapter apply to unpaid taxes on an unregistered classified motor vehicle. The enforcement remedies in this Subchapter do not apply to unpaid taxes on a registered classified motor ~~vehicle.~~vehicle for which the tax year begins on or after August 1, 2013.

(d) Tax payments submitted by mail are deemed to be received as of the date shown on the postmark affixed by the United States Postal Service. If no date is shown on the postmark or if the postmark is not affixed by the United States Postal Service, the tax payment is deemed to be received when the payment is received ~~in the office of the tax collector.~~ by the collecting authority. In any dispute arising under this subsection, the burden of proof is on the taxpayer to show that the payment was timely made."

SECTION 3.5. G.S. 105-330.5(e) is repealed.

SECTION 3.6. Effective July 1, 2011, Section 13 of S.L. 2005-294, as amended by Section 31.5 of S.L. 2006-259, Section 22(b) of S.L. 2007-527, and Section 65 of S.L. 2008-134, reads as rewritten:

"**SECTION 13.** Sections 4 and 8 of this act become effective January 1, 2006. Sections 1, 2, 3, 5, 6, 7, 10 and 11 of this act become effective July 1, ~~2011,~~2013, or when the Division of Motor Vehicles of the Department of Transportation and the Department of Revenue certify that the integrated computer system for registration renewal and property tax collection for motor vehicles is in operation, whichever occurs first. Sections 12 and 13 of this act are effective when they become law. Nothing in this act shall require the General Assembly to appropriate funds to implement it for the biennium ending June 30, 2007."

PART IV. EFFECTIVE DATE

SECTION 4.1. Except as otherwise provided, this act is effective when it becomes law.

SENATE BILL 826: Revenue Laws Tech., Clarifying, & Admin Chngs

2011-2012 General Assembly

Committee:	Senate Finance	**Date:**	May 30, 2012
Introduced by:	Sens. Rucho, Hartsell	**Prepared by:**	Trina Griffin Committee Counsel
Analysis of:	PCS to First Edition S826-CSSVx-45		

SUMMARY: ***Senate Bill 826, which is a recommendation of the Revenue Laws Study Committee, makes a number of technical, administrative, and clarifying changes to the revenue laws and related statutes, many of which were requested by the Department of Revenue. The technical changes appear in Part I, the clarifying and administrative changes appear in Part II, and changes related to the combined motor vehicle registration and property tax collection system appear in Part III.***

The PCS makes additional changes, which are shaded in gray, that were requested by the Department of Revenue after the last Revenue Laws Study Committee meeting.

[As introduced, this bill was identical to H1026, as introduced by Reps. Howard, Starnes, which is currently in House Finance.]

EFFECTIVE DATE: Except as otherwise provided, this bill would become effective when it becomes law.

CURRENT LAW & BILL ANALYSIS:

Section	Explanation
	PART I: TECHNICAL CHANGES
1.1	A taxpayer is allowed a deduction for the amount by which the basis of a depreciable asset is required to be reduced under the Code for federal tax purposes because of a *tax credit* allowed against the corporation's federal taxable income. Section 1603 of ARRTA directs the Treasury to provide cash payments, or grants, to eligible persons who place in service specified energy property and apply for the payments. The purpose of section 1603 is to reimburse eligible applicants for a portion of the expense of such property. A section 1603 grant recipient is required to reduce the basis of the asset. This change would allow a taxpayer to reduce his or her State taxable income if the taxpayer receives a section 1603 *grant payment* rather than a credit under sections 45 or 48 of the Code.

1.2	Deletes the word "adjusted" as used in the definition of North Carolina taxable income for nonresidents and part-year residents. In 2011, the General Assembly changed the starting point for calculating NC taxable income from federal taxable income to federal adjusted gross income (Section 31A.1 of S.L. 2011-145). This change simplified the calculation of NC taxable income because taxpayers no longer have to make adjustments to reduce the federal standard deduction and exemption amounts to determine the State deduction and exemption amounts. However, for purposes of prorating NC taxable income for nonresidents and part-year residents, the relevant fraction should only refer to "gross income." By including the word "adjusted" as part of the fraction, a taxpayer could be taxed on more than 100% of their income.
1.3	Clarifies that the standard deduction amount for individual income tax purposes is the *lesser* of the amount set out in the statute or the amount allowed under the Code. The current law refers only to the "standard deduction amount listed in the table below." However, there are instances where the North Carolina standard deduction is zero[1] or less than is shown in the table. This is another technical change identified by the Department as the result of the passage of Section 31A.1 of S.L. 2011-145.
1.4	This section makes changes to the sales and use tax exemption statute with regard to motor fuels and installation and delivery charges. Motor fuels are subject either to the motor fuels tax or to the sales tax, but not both. Dyed diesel and dyed kerosene are examples of motor fuels that are subject to the sales tax, but are nevertheless defined as motor fuels. This change in the sales tax exemption statute makes it clear that, to the extent a motor fuel is taxed under Article 36C (Gasoline, Diesel, and Blends), it is exempt from sales and use tax. This section also amends the sales tax exemptions for delivery and installation charges so that the language is parallel. It adds the phrase "similar billing document," which currently appears in the exemption for delivery charges, to the exemption for installation charges. It adds the phrase "at the time of sale," which currently appears in the exemption for installation charges, to the exemption for delivery charges.
1.5	This is a technical change because the tax on manufacturing fuel was repealed, effective July 1, 2010.
1.6	This is a technical change because the existing statutory catchline refers to an Article that does not exist.

[1] If a taxpayer is (1) married filing a separate return for federal income tax purposes and the taxpayer's spouse itemizes deductions; (2) a nonresident alien; or (3) filing a short-year return because of a change in the taxpayer's accounting period, the taxpayer is not entitled to the standard deduction.

1.7	This section updates from January 1, 2011, to January 1, 2012 the reference to the Internal Revenue Code. This change keeps the statute up to date, but does not result in any substantive changes because there have not been any federal tax law changes since January 1, 2011 that impact the calculation of North Carolina taxable income.
1.8	This section adds an additional Code reference to the statute that governs when a return, report, payment, or any other document that is mailed to the Department is timely filed. Code section 7503 addresses when the due date falls on a Saturday, Sunday, or a holiday.
1.9	This is a technical change to correct a statutory reference.
1.10	This section conforms the statute on the scope of the local use tax so that it is consistent with the parallel statute for the State use tax, which was amended during the 2011 session. The 2011 change[2] was a clarifying change.
1.11	S.L. 2011-72 authorized certain cities to establish a municipal service district for the purpose of converting private residential streets to public streets. The act was designed to address 14 residential developments in the Town of Morrisville that were seeking to convert private streets to public streets. After the bill passed, it was discovered that some of the developments were created under the Condominium Act rather than the Planned Development Act, which the bill amended. This section makes the necessary conforming changes.
1.12	This section corrects several errors in the 2011 special license plate act.[3] It adds the "Mountains-to-Sea Trail" plate to the list of plates that may be on a background other than the First in Flight background, which was the original intent. Under current law, the authorization for the plate states that it "shall bear the phrase 'Mountains-to-Sea Trail' with a background designed by the Friends of the Mountains-to-Sea Trail," suggesting that the organization may design its own background. However, in order for an organization to have a background other than First in Flight, it must be authorized in G.S. 20-63. This section also corrects errors with regard to the fees for the Sustainable Fisheries and the Morgan Horse Club plates.

[2] S.L. 2011-330, s. 25(a).
[3] S.L. 2011-392.

1.13	This section would allow a taxpayer to claim an Article 3J credit that the taxpayer would have been ineligible for prior to 2010 because it failed to meet the environmental impact standard, which was loosened retroactively that year. In 2010, the General Assembly changed the environmental standard for Article 3J retroactively to 2007.[4] By loosening the standard and making the change retroactive to 2007, the General Assembly intended to allow certain taxpayers to file for an Article 3J credit. However, the 2010 change failed to make a corresponding change to the statute of limitations, which requires claims to be filed within six months of the due date of the return. Therefore, a taxpayer who did not claim the credit when the original standard was in effect would be unable to take advantage of the retroactive change which loosened the standard. This change does not have a fiscal impact.
PART II: CLARIFYING AND ADMINISTRATIVE CHANGES	
2.1	This change would allow a wholesale or retail dealer of other tobacco products to provide security to the Secretary in the form of an irrevocable letter of credit as an alternative to a bond. An irrevocable letter of credit would typically be used by a foreign company that would be unable to obtain a bond because it does not have assets in this country. This form of security is consistent with what is currently allowed under the motor fuels tax statutes.
2.2	S.L. 2011-12 added synthetic cannabinoids to the list of controlled substances. No corresponding changes were made to the unauthorized substance tax laws. Therefore, under current law, they would be grouped with "other controlled substances" and subject to tax at a rate of $200 per gram. Marijuana is taxed at

[4] Sec. 1.3 of S.L. 2010-147 (*Various Economic Incentives).* Prior to the 2010 change, a taxpayer was eligible for certain economic incentives if the taxpayer had no pending administrative, civil, or criminal enforcement actions based on alleged *significant* violations of any DENR-implemented programs and had no final determination of responsibility for any *significant* administrative, civil, or criminal violation of any DENR-implemented program within the prior five years. Article 3J had a definition of what constituted a "significant violation" but there was some confusion as to whether certain violations met the definition. At the time, the Department made no distinction between civil and criminal violations or on the basis of whether the violation was knowing and willful. The 2010 clarification was designed to ensure that minor violations do not disqualify a taxpayer that would otherwise be eligible for a tax incentive. The current definition of an "environmental disqualifying event," as enacted by S.L. 2010-147, is as follows:

(9a) Environmental disqualifying event. – Any of the following occurrences:

a. During the tax year in which the activity occurred for which a credit is being claimed, a civil penalty was assessed against the taxpayer by the Department of Environment and Natural Resources for failure to comply with an order issued by an agency of the Department to abate or remediate a violation of any program administered by the agency.

b. During the tax year in which the activity occurred for which a credit is being claimed or in the prior two tax years, any of the following:

1. A finding was made by the Department of Environment and Natural Resources that the taxpayer knowingly and willfully, as defined in G.S. 143-215.6B, including all limitations thereto, committed a violation of any program implemented by an agency of the Department.

2. An assessment for damages to fish or wildlife pursuant to G.S. 143-215.3(a)(7) was made against the taxpayer.

3. A judicial order for injunctive relief was issued against the taxpayer in connection with a violation of any program implemented by an agency of the Department of Environment and Natural Resources.

c. During the tax year in which the activity occurred for which the credit is being claimed or in the prior four tax years, a criminal penalty was imposed on the taxpayer in connection with a violation of any program implemented by an agency of the Department of Environment and Natural Resources.

	$3.50 per gram. This section would tax synthetic cannabinoids at the same rate as marijuana, effective when the S.L. 2011-12 became law.
2.3	Holding companies are subject to an annual franchise tax, which is capped at $75,000. A holding company is currently defined as one that receives more than 80% of its gross income from corporations in which it owns, directly or indirectly, more than 50% of the outstanding voting stock or capital interests. However, a corporation whose only asset is an investment in subsidiaries and has no income cannot meet the 80% test because the denominator would be zero. This section expands the definition of a holding company to address this situation. The Department has indicated that this is a clarifying change, not a substantive one. A question has arisen about this specific fact pattern where a taxpayer is clearly a holding company in that all of its assets are investments in subsidiaries. For the year in question, the holding company had no income. Therefore, there would be $0 in income from subsidiaries and $0 in total income. Under a strict application of G.S. 105-120.2, $0 divided by $0 would result in an undefined mathematical value. Because it is undefined, it cannot be determined if it exceeds 80%. Alternatively, if one of the subsidiaries of the holding company had issued a dividend of as little as one cent, then 100% of the income would be coming from investments in subsidiaries. The Department believes that this interpretation is not what the General Assembly intended. The Department's interpretation is that it was a holding company and subject to the cap of $75,000 on franchise tax.
2.4	Makes the definition in Article 3J consistent with the definition of business property in Article 3B[5] and the old provisions for eligible machinery and equipment in Article 3A.[6]
2.5	Provides that a taxpayer may qualify for innocent spouse relief at the State level if the taxpayer would have qualified for relief at the federal level even if the taxpayer does not have a federal tax liability. North Carolina follows federal law with regard to a taxpayer's eligibility for innocent spouse relief. The way the statute currently reads, a taxpayer would have to have had a federal tax liability that he or she was relieved of in order to qualify for relief at the State level. With this change, if the taxpayer would have qualified for innocent spouse relief had the taxpayer had a federal tax liability, then the taxpayer is eligible for relief at the State level.
2.6	Adds the Education expenses credit to the list of credits that are not allowed to be claimed by an estate or trust. In 2011, the General Assembly enacted the Tax Credit for Children with Disabilities.[7] This is a conforming change that should have been made at the time and is consistent with the other credits that are not eligible to be claimed by an estate.

[5] G.S. 105-129.15(1).
[6] G.S. 105-129.9(a).
[7] S.L. 2011-395. The credit allows an individual income tax credit for up to $3,000 per semester for tuition and special education and related services expenses for a taxpayer's eligible dependent child with a disability who is enrolled in a nonpublic school or a public school where tuition is charged for the eligible dependent child's enrollment.

2.7	This section makes two changes to sales tax definitions in order to conform to the Streamlined definitions, and it updates the reference to the most current version of the Streamlined Agreement dated December 19, 2011.
2.8	This section clarifies the general sourcing provisions to conform to the Streamlined requirements. It was noted during the 2011 Annual Compliance Review that the existing statute was not consistent with the Streamlined requirements.
2.9	Restores language stating that sales tax must be stated and charged separately that was inadvertently stricken from the statute.
2.10	This section restores language relating to the application of use tax to items given away by merchants, which was inadvertently deleted in a 2009 budget provision. The language was originally added to the definition of "sale or selling" in 1996 as the result of a court case.[8] The language was intended to restrict the application of that case, a broad application of which could be interpreted in such a way so as to eliminate the use tax. In 1996, the Revenue Laws Study Committee recommended limiting the application of the decision to the facts of that case, which involved food given away by restaurants. In 2009, a number of sales tax statutes were amended to address digital property. While amending those statutes, a number of stylistic and technical changes were also made. The language dealing with items given away by merchants was removed with the intent that it be located elsewhere in the sales and use tax statutes as a technical change. However, it was never relocated. This section restores the language by placing it in a new statutory section, effective the date that the 2009 deletion became effective since there was no intent to remove it.

[8]The use tax, first enacted in 1939, is the complement to the sales tax and applies to the storage, use, or consumption in this State of tangible personal property. Use tax accounts for approximately 5% of total sales and use tax collections. A merchant is liable for use tax on property it ***uses*** in its business, such as furniture, equipment, décor, or promotional giveaways. Items ***sold*** by the merchant, however, are not subject to use tax because sales tax will apply when the items are sold at retail. With regard to items given away free of charge, the general rule in this State, and virtually all states, is that a retailer is liable for sales and use tax on those items. Until 1993, the following items were considered used, not sold, and thus subject to use tax: meals provided free to a merchant's employees, food given away to the merchant's patrons, and matches given away to patrons, other than matches given away along with the sale of cigarettes. A group of restaurants appealed the assessment of the tax, claiming that the items should be considered sold. In *Matter of Rock-Ola Café*, 111 N.C.App. 683 (1993), the North Carolina Court of Appeals agreed with the restaurants that these items should be considered sold along with the food the restaurant sold as part of its business. However, the Revenue Laws Study Committee, in its report to the 1996 Regular Session, concluded that the Court's opinion was overly broad in its rationale. The rationale, that the cost of these items is recovered by the sales of other items, taken literally and if applied broadly, could be interpreted to eliminate the use tax altogether in that the cost of all of a merchant's purchases are ultimately covered by the price of sold items. The Committee recommended, and the General Assembly enacted, the language in this section to limit the application of the court's opinion to the facts of that case, which dealt specifically with restaurants. Under this language, property given away by a merchant is exempt from use tax only in the case of restaurants that provide free meals to employees or free bar food to patrons. The bill that was ultimately enacted added language to exempt items of inventory given away to a customer free of charge on the condition that the customer buy similar property ("buy one, get one free").

2.11	This section makes two changes related to sales tax refunds for interstate carriers. First, it modifies the reference to "them" to make it clear that, for purposes of calculating a refund on certain cars, parts, fuel, and repair parts, an interstate carrier must include all motor vehicles, railroad cars, locomotives, and airplanes that the applicant owns or leases and that are operated both inside and outside the State in the denominator. Second, it clarifies that airplane miles are not in this State if the airplane only flies over North Carolina but does not take off or land in the State.
2.12	A direct pay permit authorizes the holder to purchase property that is subject to sales and use tax without paying the tax to the seller. A person who purchases an item under a direct pay permit is liable for use tax, which is payable when the property is placed in use or the service is received. A person can apply for a direct pay permit if the person purchases an item whose tax status cannot be determined at the time of purchase, and either: • The place of business where the item will be used is not known at the time of purchase and a different tax consequence applies depending on where the item is used, or • The manner in which the item will be used is not known at the time of purchase and one or more of the potential uses is taxable but others are not taxable. Generally speaking, a direct pay permit is not intended to allow purchasers to "shop" for a lower tax rate. It was originally designed to address situations where a purchaser of machinery, for example, did not know at the time of purchase how the machinery was going to be used and, therefore, whether it would be subject to sales tax at the general rate, exempt from tax, or subject to the 1%/$80 rate. In those cases, however, the property was always going to be used in North Carolina. The Department is aware of a situation where a retailer that has purchased items from NC vendors and has taken delivery of those items in NC wants to use a direct pay permit arguing that the items may be shipped out of state at some later date for use in another state. This section adds the words "for storage, use, or consumption in this State" to make it clear that a direct pay permit may not be used to avoid paying NC sales tax in this way. A person who purchases telecommunications service under a direct pay permit must file a return and pay the tax due monthly to the Secretary. This section adds the word "quarterly" so that the filing frequency is consistent with the filing frequency for general State and local sales tax remitters.[9] By providing for quarterly filing, this change would conform the statute to current practice at the Department.

[9]A taxpayer who is consistently liable for less than $100 a month in State and local sales and use taxes must file a return and pay the taxes due on a quarterly basis. A taxpayer who is consistently liable for at least $100 a month but less than $20,000 a month in State and local sales and use taxes must file a return and pay the taxes due on a monthly basis. (G.S. 105-164.16.)

2.13	There is an excise tax imposed on piped natural gas received for consumption in this State, which is in lieu of the sales and use tax. The tax is payable on a monthly basis. Under current law, a taxpayer who is consistently liable for at least $10,000 of tax a month must make a monthly prepayment of the next month's liability. This section would change from $10,000 to $20,000 the prepayment threshold for the tax on piped natural gas, the purpose of which is to be consistent with the prepayment threshold for retailers required to remit sales and use tax.[10] This change does not change the amount of excise tax revenue remitted to the General Fund, but it does change by one month the timing of the payment for the year of the transition to the higher threshold. The Department indicates that it knows of only one company that would be affected by increasing the threshold to $20,000.
2.14	Generally speaking, the State may not contract with foreign vendors that refuse to collect use tax, where applicable, on sales delivered to North Carolina. G.S. 143-59.1 requires the Department to periodically provide to the Secretary of Administration a list of ineligible vendors based on this requirement. This section provides that the Department of Administration may not enter into a contract with a vendor if the Department of Revenue has determined that the vendor or an affiliate of the vendor refuses to collect use tax. This language has been agreed to by both the Department of Revenue and the Department of Administration.
2.15	This section conforms the statute to current practice at the Department. If a taxpayer files a return electronically, then the taxpayer must pay the tax due before the taxpayer may submit the return.
2.16	This section removes the confusion caused by the new fee applicable to the recording of subsequent instruments by eliminating the fee and imposing a $10 fee for an instrument that assigns more than one security instrument by reference to a previously recorded instrument. S.L. 2011-296 changed the fees collected by register of deeds for the purpose of simplifying their collection and remittance. As part of the legislation, a new fee became applicable to the indexing and filing of "subsequent instruments." Several registers of deeds have questioned how to apply the new fee applicable to subsequent instruments that contain references to multiple recorded documents, such as cancellations of multiple deeds of trust or substitution of trustee in multiple documents.

[10]For sales and use tax, the threshold limit of $10,000 was enacted in 2001 as a means to accelerate the payment of sales and use tax dollars into the General Fund for fiscal year 2001-02. Prior to this change, the threshold amount for making bimonthly payments was $20,000. In the years following 2001, the sales and use tax rate, at its highest, reached 7.75%. The lowering of the threshold amount along with the increase in the tax rate subjected more retailers to the most extensive sales tax remittance requirements. Consequently, many small retailers expressed a cash flow hardship with the pre-payment requirement. In 2010, the General Assembly phased in a restoration of the $20,000 prepayment threshold. The change decreased the number of retailers required to submit a prepayment of 65% of the amount of sales tax revenue to be remitted for the following month.

2.17	This section makes conforming changes to the statutes dealing with the State Home Foreclosure Prevention Project (SHFPP). The SHFPP was created by the General Assembly in 2008[11] as an emergency program and was expanded and extended in 2010[12] to cover all homeowners. The program is an effort to reduce unnecessary foreclosures providing homeowners with free resources, such as counseling, as they work with servicers to create alternatives to foreclosure. In 2011, the administration and staffing of SHFPP homeowner and counseling activities was transferred to the NC Housing Finance Agency, effective July 1, 2011.[13] Under that legislation, the Office of the Commissioner of Banks retained administration of the pre-foreclosure filings database, servicing invoicing, and the granting of 30-day extensions. This section would complete the transfer of all program activities to the NC Housing Finance Agency and would remove the program sunset.

PART III: COMBINED MOTOR VEHICLE REGISTRATION/PROPERTY TAX CHANGES

In 2005, the General Assembly created a framework establishing a combined system for motor vehicle registration renewal and property tax collection. Originally, the act was to become effective the earlier of January 1, 2009, or the date that the Department of Revenue and the Division of Motor Vehicles certified that an integrated computer system is in operation. The effective date has since been extended and is currently set to go into effect July 1, 2013. Under the new system, the taxpayer/motor vehicle owner will receive one bill for property taxes and the DMV license renewal, and DMV will be the collecting authority. Counties will still determine the value and the taxability situs of motor vehicles. A number of conforming changes are needed to fully implement the combined system, which goes into effect July 1, 2013. Part III of this bill consists of those changes.

3.1	Current law permits the governing body of a taxing unit to pass a resolution directing its tax collector not to collect minimal taxes, defined as up to $5.00, charged on tax records and receipts. This section would exempt taxes on registered motor vehicles for two reasons: (1) a minimum of $28 is collected for motor vehicle registration; and (2) DMV, not the counties, will be the collecting authority. Therefore, the minimal tax provision is not applicable with regard to combined motor vehicle and property tax collection.

[11] S.L. 2008-226.
[12] S.L. 2010-168.
[13] S.L. 2011-288.

3.2	A taxpayer may appeal motor vehicle taxes on a number of grounds: the valuation by the county, the denial of an application for exemption or exclusion, and on the grounds that the county does not have authority to tax the vehicle because the situs of the vehicle is in another taxing district. The term "taxability" in the appeal statutes has been used to refer to both exemption status and situs, but because there are different time periods that apply depending on the basis of a taxpayer's appeal, the Department recommends separating the statutory provisions.[14] Therefore, this section strikes the term "taxability" from G.S. 105-330.2(b1) so that, as amended, this subsection would apply only to appeals based on valuation. It also creates a new subsection (b2) to address appeals based on an application for exemption or exclusion. Appeals based on a county's authority to tax are covered under current law in G.S. 105-381.
3.3	This section establishes a process for the collection of property tax on an unregistered vehicle. The objective of the process is to ensure that the taxpayer is not double-taxed and that property taxes are paid on motor vehicles that a person owns even if it is not registered. If a person does not register or renew registration, then the person would be required to list the vehicle with the county assessor. The listing will generate a tax bill. However, if the person subsequently registers or renews the tag for the vehicle, then DMV will charge the person for the registration plus the property tax. This provision allows a county to ignore the listing to the extent the person registered or renewed within the same year.
3.4	This section clarifies that counties would have authority to use collection remedies for unpaid motor vehicle taxes that were billed prior to the effective date of the combined motor vehicle/property tax system. The August 1 date is used because the tax year for July renewals begins August 1. This section also changes the term "tax collector" to "collecting authority" because under the new system, DMV and not the county tax assessor or tax collector will be the collecting authority.
3.5	This section repeals an unnecessary statute that relates to small underpayments and overpayments of motor vehicle taxes. Specifically, if a taxpayer fails to remit the additional $1.00 charged for payments that are mailed rather than paid in-person, the collecting authority is not permitted to bill or attempt to collect the additional $1.00. However, there is no longer a $1.00 charge for mailed in payments so the provision is unnecessary.
3.6	This section is a conforming change to the effective date. When the effective date for the implementation of the combined system was changed, this particular session law was missed.

[14] A taxpayer has 30 days to appeal a determination of value or eligibility for an exemption or exclusion. However, there is a five-year period to appeal an "illegal" tax under G.S. 105-381.

A BILL TO BE ENTITLED

AN ACT TO REQUIRE THE SECRETARY OF REVENUE'S INTERPRETATION OF THE LAW CONCERNING THE SECRETARY'S AUTHORITY TO ADJUST NET INCOME OR REQUIRE A COMBINED RETURN BE MADE THROUGH RULE MAKING AND TO PROVIDE AN EXPEDITED PROCESS FOR RULE MAKING ON THIS ISSUE.

The General Assembly of North Carolina enacts:

SECTION 1. G.S. 105-262(b) is repealed.

SECTION 2. Article 9 of Chapter 105 of the General Statutes is amended by adding a new section to read:

"**§ 105-262A. Rules to exercise authority under G.S. 105-130.5A.**

(a) Purpose and Scope. – It is the policy of the State to provide necessary guidance on a timely basis to corporate taxpayers subject under G.S. 105-130.5A to have their net income adjusted or to be required to file a combined return. Except for a voluntary redetermination as allowed under G.S. 105-130.5A(c), the Secretary may not redetermine the State net income of a corporation properly attributable to its business carried on in the State under G.S. 105-130.5A until a rule adopted by the Secretary in accordance with this section becomes effective. This section provides an expedited procedure for the adoption of rules needed to administer G.S. 105-130.5A. The Secretary may not interpret G.S. 105-130.5A in the form of a bulletin or directive under G.S. 105-264.

The Secretary is exempt from G.S. 150B-21.1 through G.S. 150B-21.4 of Part 2 of Article 2A of Chapter 150B of the General Statutes but is subject to the expedited procedure for the adoption of rules as established by this section. The Secretary is exempt from Part 3 of Article 2A of Chapter 150B of the General Statutes but is subject to the expedited review procedure as established by this section.

(b) Definition. – The definitions in G.S. 150B-2 apply in this section.

(c) Fiscal Note. – The Secretary must prepare a fiscal note for a proposed new rule or a proposed change to a rule that has a substantial economic impact. The fiscal note must be submitted with the proposed rule when the rule is submitted to the Codifier of Rules, and the Codifier of Rules must publish the fiscal note with the proposed rule on the Internet. The Secretary must accept a written comment on the fiscal note in the same manner the Secretary accepts written comments on the proposed rule. The Secretary is not subject to the fiscal note requirement under G.S. 105-262(c). For purposes of this section, a "substantial economic impact" has the same meaning as defined in G.S. 150B-21.4(b1).

(d) Adoption. – The Secretary may adopt a rule under this section by using the procedure for adoption of a temporary rule set forth in G.S. 150B-21.1(a3). The Secretary must

provide electronic notification of the adoption of a rule to persons on the mailing list maintained in accordance with G.S. 150B-21.2(d) and any other interested parties, including those originally given notice of the rule making and those who provided comment on the rule. If the Secretary receives written comment objecting to the rule and requesting review by the Commission, the rule must be reviewed in accordance with subsections (e) through (i) of this section. A person may object to the rule and request review by the Commission at any point prior to the adoption of the rule and by 5:00 P.M. on the third business day following electronic notification from the Secretary of the adoption of a rule. If the Secretary receives no written comment objecting to the rule and requesting review by the Commission, the Secretary must deliver the rule to the Codifier of Rules. The Codifier of Rules must enter the rule into the North Carolina Administrative Code upon receipt of the rule.

(e) Review. – If the Secretary receives written comment objecting to the rule and requesting review by the Commission, the Secretary must submit the rule to the Commission for review. The Commission may not consider questions relating to the quality or efficacy of the rule but must restrict its review to a determination of whether the rule meets all of the following criteria:

(1) It is within the authority delegated to the agency by the General Assembly.

(2) It is clear and unambiguous.

(3) It is reasonably necessary to implement or interpret an enactment of the General Assembly, or of Congress, or a regulation of a federal agency. The Commission must consider the cumulative effect of all rules adopted by the agency related to the specific purpose for which the rule is proposed.

(4) It was adopted in accordance with this section.

(f) Manner of Review. – When the Commission reviews a rule under this section, the time limits in subsections (b) and (b1) of G.S. 150B-21.1 apply. The Commission must review the rule to determine whether the rule meets the standards in subsection (e) of this section. The Commission must direct a member of its staff who is an attorney licensed to practice law in North Carolina to review the rule. The staff member must make a recommendation to the Commission or its designee. The Commission's designee must be a panel of at least three members of the Commission. The staff member, Commission's designee, or the Commission may also request technical changes as allowed in G.S. 150B-21.10. In reviewing the rule, the Commission may consider any information submitted by the Secretary or another person.

(g) Objection. – If the Commission or its designee finds that the rule does not meet the standards in subsection (e) of this section and objects to the rule, the Commission or its designee must send the Secretary a written statement of the objection and the reason for the objection within one business day. The Secretary must take one of the following actions:

(1) Change the rule to satisfy the Commission's objection and submit the revised rule to the Commission.

(2) Submit a written response to the Commission indicating that the Secretary has decided not to change the rule.

(h) Changes. – When the Secretary changes a rule in response to an objection by the Commission, the Commission must determine whether the change satisfies the Commission's objection. If it does, the Commission must approve the rule. If it does not, the Commission must send the Secretary a written statement of the Commission's continued objection and the reason for the continued objection.

(i) Approval. – If the Commission or its designee finds that the rule meets the standards in subsection (e) of this section, the Commission or its designee must approve the rule and deliver the rule to the Codifier of Rules. The Codifier of Rules must enter the rule into the North Carolina Administrative Code upon receipt from the Commission or its designee.

(j) Return of Rule. – A rule to which the Commission has objected remains under review by the Commission until the Secretary decides not to satisfy the Commission's objection

and makes a written request to the Commission to return the rule to the Secretary. When the Commission returns a rule to the Secretary in accordance with this section, the Secretary may file an action for declaratory judgment in Wake County Superior Court pursuant to Article 26 of Chapter 1 of the General Statutes.

(k) Effective Date. – G.S. 150B-21.3 does not apply to a rule adopted under this section. A rule adopted under this section becomes effective on the last day of the month the Codifier of Rules enters the rule in the North Carolina Administrative Code."

SECTION 3. G.S. 150B-1(d)(4) reads as rewritten:

"(d) Exemptions from Rule Making. – Article 2A of this Chapter does not apply to the following:

...

(4) The Department of Revenue, with respect to the notice and hearing requirements contained in Part 2 of Article 2A. With respect to the Secretary of Revenue's authority to redetermine the State net taxable income of a corporation under G.S. 105-130.5A, the Department is subject to the rule-making requirements of G.S. 105-262A.

...."

SECTION 4. On June 30, 2011, the Governor signed into law S.L. 2011-390, House Bill 619, as passed by the General Assembly. The law repealed the Secretary of Revenue's authority to adjust a corporation's net income or require a combined return under G.S. 105-130.6, 105-130.15, and 105-130.16 and replaced it with a new authority under G.S. 105-130.5A. The Fiscal Research Division of the North Carolina General Assembly prepared a fiscal memo on House Bill 619. Therefore, notwithstanding G.S. 105-262A(c), as enacted by Section 2 of this act, G.S. 105-262(c), and Section 7 of the Budget Manual prepared by the Office of State Budget and Management, the Secretary of Revenue shall not be required to prepare a fiscal note for a proposed new rule submitted to the Codifier of Rules under G.S. 105-262A, as enacted by this act, prior to December 31, 2012.

SECTION 5. On April 17, 2012, the Department of Revenue published a directive pursuant to G.S. 105-264, CD-12-02, that explains the Secretary's authority under G.S. 105-130.5A to redetermine a corporation's net income by adjusting the corporation's intercompany transactions or requiring a corporation to file a combined income tax return for tax years beginning on or after January 1, 2012. This act supersedes the Directive; however, a taxpayer who relied upon the interpretation in the Directive and whose North Carolina taxable income for the 2012 taxable year is less under the Directive's interpretation than under an interpretation of G.S. 105-130.5A by a rule adopted pursuant to G.S. 105-262A, as enacted by this act, is entitled to rely on the interpretation under the Directive for the 2012 taxable year.

SECTION 6. S.L. 2011-390, as amended by S.L. 2011-411, enacted G.S. 105-130.5A, effective for taxable years beginning on or after January 1, 2012. The Secretary of Revenue's authority under G.S. 105-130.5A exists continuously for taxable years beginning on or after January 1, 2012. G.S. 105-262A, as enacted by Section 2 of this act, prevents the Secretary from exercising the authority granted under G.S. 105-130.5A until a rule adopted in accordance with G.S. 105-262A becomes effective. After the rule becomes effective, the Secretary may issue a proposed denial of a refund or a proposed assessment under the authority of G.S. 105-130.5A for any taxable year beginning on or after January 1, 2012, subject to the applicable statute of limitations.

SECTION 7. This act is effective when it becomes law.

SENATE BILL 824:
Expedited Rule Making for Forced Combination

2011-2012 General Assembly

Committee:	Senate Finance	**Date:**	May 29, 2012
Introduced by:	Sens. Rucho, Hartsell	**Prepared by:**	Cindy Avrette
Analysis of:	First Edition		Committee Counsel

SUMMARY: ***Senate Bill 824 would require the Department of Revenue to adopt rules regarding its interpretation of G.S. 105-130.5A, the Secretary's authority to redetermine the State net income of a corporation properly attributable to its business carried on in the State by adjusting its net income or requiring it to file a combined return. The bill provides an expedited rule-making process for these rules. The proposed legislation is a recommendation of the Revenue Laws Study Committee.***[1]

CURRENT LAW: The tax laws in Chapter 105 of the General Statutes contain two statutes that appear to give the Department of Revenue two different pathways of interpreting the law:

- G.S. 105-264 – It provides the Secretary may interpret a law by adopting a rule *or by publishing a bulletin or directive* on the law. The Department has interpreted tax law through the issuance of bulletins[2] or directives[3] since at least 1955. This process does not involve public notice and comment or approval by any outside authority. Bulletins and directives may be issued immediately. A directive or bulletin is not considered a binding interpretation on the courts.
- G.S. 105-262 – It provides the Secretary may adopt rules under Chapter 150B. The Department is exempt from the notice and hearing provisions of Part 2 of Article 2A of Chapter 150B. Although the rule-making process does not provide an opportunity for public notice and hearing for rules adopted by the Department, it does provide a review of the rules by the Rules Review Commission (RCC). The RCC reviews rules to ensure they do not exceed an agency's statutory authority. A rule is considered a binding interpretation on the courts. The definition of a rule in G.S. 150B-1 specifically states that a rule does not include nonbinding interpretative statements that merely define, interpret, or explain the meaning of a statute or rule and that a rule does not include statements that set forth criteria or guidelines to be used by the staff of an agency in performing audits, investigations, or inspections.

BILL ANALYSIS: *Senate Bill 824* would require the Department of Revenue to adopt rules before it could exercise the authority under G.S. 105-130.5A[4] to redetermine the State net income of a

---

[1] Rep. Howard and Starnes introduced an identical bill, House Bill 1027. The house bill is in House Finance.

[2] Bulletins present the Department of Revenue's administrative interpretation and application of tax laws. The Department has 'Corporate, Excise, and Insurance Tax Bulletins', 'Individual Income Tax Bulletins', and 'Sales and Use Tax Bulletins'. The Department typically updates the bulletins annually to reflect changes in the law or administrative interpretation. However, the Department has not updated the bulletins in the last three or four years.

[3] Directives are issued by the Department of Revenue on an as-needed basis to interpret a tax law, explain the application of law to stated facts, or to clarify an issue on which the Department has received numerous questions. Directives are not updated to reflect changes in the law or administrative interpretation. The contents of a directive may be included in an updated bulletin.

[4] S.L. 2011-390, as amended by S.L. 2011-411, repealed the statutes that allowed the Secretary to redetermine the net income of a corporation if the Secretary found that a report by the corporation did not reflect its true earnings from its business carried on in this State. In their place, the General Assembly enacted a more restrictive interpretation in G.S. 105-130.5A. Effective for taxable years beginning on or after January 1, 2012, the Secretary must find that the corporation fails to accurately report its State net income through the use of transactions that lack economic substance or are not at fair market value.

orporation properly attributable to its business carried on in the State by adjusting its net income or equiring it to file a combined return.[5] The bill seeks to balance the following three goals:

- The need for taxpayer certainty about the tax laws.
- The need for an outside determination as to whether the Department of Revenue has exceeded its statutory authority in its interpretation of the law.
- The opportunity for public notice and comment on the Department's interpretation of the law.

The bill provides the rulemaking procedure will be the quicker timetable allowed for temporary rulemaking. This process may be completed in less than two months. This process allows 15 days for notice and comment from outside parties. Anyone may object to a proposed rule during the notice and comment period or within three business days of the adoption of the rule by requesting review by the RRC. To ensure that all parties have knowledge of the adoption of a rule, the bill requires the Department to provide electronic notification of its adoption of a rule to persons on the mailing list, those originally given notice of the rulemaking, and those who provided comment on the rule. If no one requests review by the RRC, the adopted rule may be delivered to the Codifier of Rules and entered into the Code. If the Department receives written objections to the rule and requests that the rule be reviewed, then the RRC must review the rule within 15 days. The RRC may not extend the period of time for review. As provided in G.S. 150B-21.9, the RRC does not consider questions relating to the quality or efficacy of the rule, but limits its review to the following:

- Is the rule within the authority delegated to the agency?
- Is it clear and unambiguous?
- Is it reasonably necessary to implement or interpret an act of the General Assembly or of Congress or of a regulation of a federal agency?
- Was it adopted in accordance with G.S. 105-262A?

The bill changes the fiscal note requirement to allow Revenue to prepare its own fiscal note.[6] It will not need to submit the fiscal note to the Office of State Budget and Management. The fiscal note must be submitted with the proposed rule to the Codifier of Rules and posted on the Internet. A person may comment on the fiscal note in the same manner a person may comment on a proposed rule. Section 4 of the bill provides that the Department does not need to prepare a fiscal note for a proposed rule submitted to the Codifier of Rules prior to December 31, 2012. The reason for this waiver is that any rules submitted before the end of this calendar year under the statute created by this act is limited to the Department's application of G.S. 105-130.5A. The subject of the rule has been debated in the General Assembly during the 2011 session, where the Fiscal Research Division prepared a fiscal memo, and it has been the subject of four Revenue Laws Study Committee meetings in 2011 and 2012. The fiscal issues surrounding this particular rule appear to be well known and understood by all the parties.

The bill exempts the Department from the delayed effective date provisions that apply whenever the Commission receives 10 or more objections to a rule requesting review by the legislature.

A rule becomes effective on the last day of the month the Codifier of Rules enters the rule in the Code. This effective date provision differs from the general effective date provision in Chapter 150B[7] and enables the rule to become effective a month earlier. Section 6 of the draft clarifies that the Secretary's

---

[5] The bill does not extend the rulemaking requirement to all interpretations of the tax laws by the Department of Revenue because the Revenue Laws Study Committee did not have time to resolve the issues a larger proposal would entail.

[6] A fiscal note must be prepared if the rule has a substantial economic impact. Prior to 2011, the term 'substantial economic impact' meant a cumulative impact of $3,000,000. In 2011, this amount was reduced to $500,000.

[7] G.S. 150B-21.3 provides that a rule becomes effective on the first day of the month following the month the rule is approved.

authority under G.S. 105-130.5A exists continuously for taxable years beginning on or after January 1, 2012. After a rule becomes effective, the Secretary may issue a proposed denial of a refund or a proposed assessment under the authority of G.S. 105-130.5A for any taxable year that beginning on or after January 1, 2012.

The bill only applies to G.S. 105-130.5A. It does not apply to the Secretary's interpretations of the repealed statutes that continue to be applicable for taxable years beginning before January 1, 2012: G.S. 105-130.6, 105-130.15, and 105-130.16. The Department has issued a directive offering guidance on its interpretation of those laws, CD-12-01, and the directive appears to set forth the Department's application of the law as upheld by the North Carolina Courts.[8] The Department has also issued a directive offering guidance on its interpretation of the newly enacted law, G.S. 105-130.5A, in CD-12-02. Section 5 of the bill provides that a taxpayer who relied upon the interpretation in that Directive and whose North Carolina taxable income for the 2012 taxable year is less under the Directive's interpretation than under an interpretation adopted through the rulemaking process may rely on the interpretation under the Directive for the 2012 taxable year.

EFFECTIVE DATE: The bill would become effective when it becomes law.

SENATE BILL 444
PROPOSED COMMITTEE SUBSTITUTE S444-CSMC-19 [v.1]

5/25/2012 11:44:19 AM

Short Title: UNC Nonappropriated Capital Projects. (Public)

Sponsors:

Referred to:

March 29, 2011

A BILL TO BE ENTITLED

AN ACT TO AUTHORIZE THE CONSTRUCTION AND THE FINANCING, WITHOUT APPROPRIATIONS FROM THE GENERAL FUND, OF CERTAIN CAPITAL IMPROVEMENTS PROJECTS OF THE CONSTITUENT INSTITUTIONS OF THE UNIVERSITY OF NORTH CAROLINA.

The General Assembly of North Carolina enacts:

STATEMENT OF PURPOSE

SECTION 1. The purpose of this act is to authorize (i) the planning or construction by certain constituent institutions of The University of North Carolina of the capital improvements projects listed in the act for the respective institutions and (ii) the financing of these projects with funds available to the institutions from gifts, grants, receipts, self-liquidating indebtedness, Medicare reimbursements for education costs, hospital receipts from patient care, or other funds, or any combination of these funds, but not including funds received for tuition or appropriated from the General Fund of the State unless previously authorized by General Statute.

UNC CAPITAL IMPROVEMENT PROJECTS

SECTION 2. The capital improvements projects, and their respective costs, authorized by this act to be constructed and financed as provided in Section 1 of this act, including by revenue bonds, by special obligation bonds as authorized in Section 5 of this act, or by both, are as follows:

Appalachian State University	
Winkler Residence Hall – Supplement	$ 3,000,000
Belk Residence Hall	9,765,000
East Carolina University	
Belk Residence Hall Demolition and Reconstruction	40,000,000
North Carolina State University	
Phytotron Energy Savings Performance Contract	6,200,000
The University of North Carolina at Asheville	

Mountain Area Health Education Center (MAHEC) Facility Acquisition	4,750,000
The University of North Carolina at Chapel Hill	
Collaborative Science Building	95,680,000
Infrastructure Improvements – Phase 2	12,450,000
Chilled Water Infrastructure Improvements	11,700,000
Steam and Hot Water Infrastructure Improvements	12,000,000
Craige Parking Deck – Supplement	8,000,000
The University of North Carolina at Charlotte	
Campus Infrastructure Development	49,500,000
Residence Hall Phase XII	38,407,410
Cedar/Hickory/Sycamore (Phase IV-A) Renovation	10,000,000
The University of North Carolina at Greensboro	
1600 W. Lee Street Parking Lot Improvements	3,432,000
Reynolds and Grogan Residence Hall Renovation	16,640,000
Winston-Salem State University	
Restore the Core – Phase I (Hill Hall)	13,500,000
New Student Housing Building 1 Acquisition	14,500,000
South Campus Acquisitions and Improvements	7,500,000
North Campus Acquisitions and Improvements	7,000,000

SECTION 3. The capital improvements projects, and their respective costs, authorized by this act to be planned and financed as provided in Section 1 of this act, including by revenue bonds, by special obligation bonds as authorized in Section 5 of this act, or by both, are as follows:

North Carolina A&T State University	
New Student Center	$ 5,000,000
Williams Dining Hall Kitchen Replacement	500,000
North Carolina Central University	
New – Student Health Services Center – Phase 1	700,000
The University of North Carolina at Chapel Hill	
Athletic Facilities Master Plan and Phase 1 Improvements	5,000,000
Odum Village Replacement	5,000,000
Winston-Salem State University	
Restore the Core – Phase II (Hauser, Pegram, Physical Plant)	1,500,000

SECTION 4. At the request of the Board of Governors of The University of North Carolina and upon determining that it is in the best interest of the State to do so, the Director of the Budget may authorize an increase or decrease in the cost of, or a change in the method of, funding the projects authorized by this act. In determining whether to authorize a change in cost or funding, the Director of the Budget may consult with the Joint Legislative Commission on Governmental Operations.

SECTION 5. Pursuant to G.S. 116D-26, the Board of Governors may issue, subject to the approval of the Director of the Budget, at one time or from time to time, special

obligation bonds of the Board of Governors for the purpose of paying all or any part of the cost of acquiring, constructing, or providing for the projects authorized by Section 2 and Section 3 of this act. The maximum principal amount of bonds to be issued shall not exceed the specified project costs in Section 2 and Section 3 of this act plus five percent (5%) of such amount to pay issuance expenses, fund reserve funds, pay capitalized interest and pay other related additional costs, plus any increase in the specific project costs authorized by the Director of the Budget pursuant to Section 4 of this act.

SECTION 6. With respect to UNC- Chapel Hill's Chilled Water Infrastructure Improvements capital project, the institution may accomplish construction and financing notwithstanding the requirement in G.S. 116D-22(5) as to location at the institution and may accomplish the project either through (i) direct ownership of the project or (ii) an arrangement with Orange Water and Sewer Authority.

SECTION 7. With respect to Winston-Salem State University's New Student Housing Building 1 Acquisition project, the institution may accomplish construction, acquisition, and financing through arrangements to, from, and with Winston-Salem State University Foundation, Inc. and Winston-Salem State University Housing Foundation, LLC.

SECTION 8. With respect to Winston-Salem State University's South Campus Acquisitions and Improvements project, the institution may accomplish construction, acquisition, and financing notwithstanding the requirement in G.S. 116D-22(5) as to location at the institution and either through (i) direct ownership of the project, or (ii) by participation in a long-term agreement with the City of Winston-Salem.

SECTION 9. G.S. 18B-1006(a) reads as rewritten:

"(a) School and College Campuses. – No permit for the sale of malt beverages, unfortified wine, or fortified wine shall be issued to a business on the campus or property of a public school or college, other than at a regional facility as defined by G.S. 160A-480.2 operated by a facility authority under Part 4 of Article 20 of Chapter 160A of the General Statutes except for a public school or college function, unless that business is a hotel or a nonprofit alumni organization with a mixed beverages permit or a special occasion permit. This subsection shall not apply on property owned by a local board of education which was leased for 99 years or more to a nonprofit auditorium authority created prior to 1991 whose governing board is appointed by a city board of aldermen, a county board of commissioners, or a local school board. This subsection shall also not apply to the constituent institutions of The University of North Carolina with respect to the sale of beer and wine at (i) performing arts centers located on property owned or leased by the institutions if the seating capacity does not exceed 2,000 ~~seats, or to~~seats; (ii) any golf courses owned or leased by the institutions and open to the public for ~~use.~~use; or (iii) any stadiums that support a NASCAR-sanctioned one-fourth-mile asphalt flat oval short track, are owned or leased by the institutions, and limit the sale of malt beverages, unfortified wine, or fortified wine to events that are not sponsored or funded by the institutions."

SECTION 10. This act is effective when it becomes law.

SENATE BILL 444:
UNC Nonappropriated Capital Projects

2011-2012 General Assembly

Committee:	Senate Finance	**Date:**	May 29, 2012
Introduced by:	Sen. Hartsell	**Prepared by:**	Cindy Avrette
Analysis of:	PCS to First Edition S444-CSMC-19		Committee Counsel

SUMMARY: ***The proposed committee substitute for Senate Bill 444 would authorize the construction of numerous projects by The University of North Carolina. The projects will be financed through revenue bonds and special obligation bonds, not appropriations from the General Fund.***

CURRENT LAW: There are two types of self-liquidating bonds that may be issued by the Board of Governors of the University of North Carolina. Article 21 of Chapter 116 of the General Statutes authorizes the Board of Governors to issue revenue bonds for the types of projects enumerated in the article. The types of projects for which revenue bonds may be issued include educational buildings, dormitories, recreational facilities, dining facilities, student centers, health care buildings, parking decks, etc. for the educational institutions, the University of North Carolina Health Care System, the University of North Carolina General Administration, and the University of North Carolina Hospitals at Chapel Hill. The revenue bonds are payable from rentals, charges, fees, and other revenues generated by the facility. The bonds are not payable from tax revenues.

Article 3 of Chapter 116D of the General Statutes authorizes the Board of Governors to issue special obligation bonds payable with any sources of income or receipts of the Board of Governors or a constituent or affiliated institution, but not including tuition payments or appropriations from the General Fund from State revenues. The bond proceeds could be used for construction, improvement, and acquisition of any capital facilities located at UNC constituent and affiliated institutions. The bonds are not payable from tax revenues.

BILL ANALYSIS: The *proposed committee substitute for Senate Bill 444* would authorize the construction and financing of the capital improvements projects at various constituent institutions of The University of North Carolina. The projects authorized by the bill would not be financed with funds appropriated from the State's General Fund; but may be financed with gifts, grants, receipts, self-liquidating indebtedness, Medicare reimbursements for education costs, other funds available to the constituent institutions, or a combination of any of those financing methods. The projects include academic, research, clinical and administrative space and improvements to student services, residential living, dining, recreation, and athletics facilities. Once approved, a detailed financial plan will be developed in consultation with financial advisors and bond counsel for each project. The plans must be approved by the Chancellor, the Boards of Trustees, the President, and the Board of Governors before construction contracts may be awarded and bonds issued.

The self-liquidating projects the Board of Governors plans to finance with revenue and/or special obligation bonds are listed in Sections 2 and 3 of the bill. The UNC revenue bond act in Article 21 of Chapter 116 of the General Statutes authorizes the Board of Governors to issue revenue bonds to finance the cost of a variety of capital projects. The UNC special obligation bond act in Article 3 of Chapter 116D of the General Statutes requires that the specific projects and their costs be set forth in legislation approved by the General Assembly and that the maximum amount of special obligation bonds to be issued to finance the specific projects listed be stated. Section 5 of the bill expressly states that the maximum principal amount of special obligation bonds to be issued shall not exceed the amounts listed in Sections 2 and 3 of the act plus 5%. The additional 5% may be used for related additional costs for which bond proceeds are routinely used, such as issuance expenses, funding of reserve funds, and capitalized interest.

This year's bill includes 19 capital projects on eight campuses in Section 2 of the bill. The Chancellors and Boards of Trustees for the listed campuses, as well as the President and the Board, have approved these projects. Support from General Fund sources for operating costs will be required only for facilities used for academic programs.

Sections 6 through 8 authorize three institutions to construct and finance projects through lease arrangements to, from, and with named entities. Once constructed and approved by state reviewing agencies, the improvements would transfer to the respective institutions. The three projects are:

- Chilled Water Infrastructure Improvements capital project at UNC-Chapel Hill. The school will partner with the Orange Water and Sewer Authority.
- New Student Housing Building capital project at Winston-Salem State University. The school will partner with Winston-Salem State University Foundation, Inc. and Winston-Salem State University Housing Foundation, LLC.
- Bowman Gray Stadium, Fieldhouse, parking lots, and recreation area capital project at Winston-Salem State University. The school will partner with the City of Winston-Salem.

Section 3 authorizes the Board of Governors to expend non-General Fund money to plan six capital projects on four campuses.

Section 9 provides that the prohibition in the ABC laws for the sale of beer and wine on the property of a public school or college would not apply to the Bowman Gray Stadium. This exception would be limited to events that are not sponsored or funded by the institution, Winston-Salem State. NASCAR is a sponsored event at this stadium.

S444-SMRB-124(CSMC-19) v2

GENERAL ASSEMBLY OF NORTH CAROLINA

Session 2011

FISCAL ANALYSIS MEMORANDUM

[This confidential fiscal memorandum is a fiscal analysis of a draft bill, amendment, committee substitute, or conference committee report that has not been formally introduced or adopted on the chamber floor or in committee. This is not an official fiscal note. If upon introduction of the bill you determine that a formal fiscal note is needed, please make a fiscal note request to the Fiscal Research Division, and one will be provided under the rules of the House and the Senate.]

DATE: May 29, 2012

TO: Senators Rucho and Hartsell

FROM: Mark Bondo
Fiscal Research Division

* This reflects the Phytotron Energy Savings Performance Project at North Carolina State University (Guaranteed Energy Savings Contract). The associated utility savings are supported entirely by the General Fund. Under State Law, these are allowed to be considered "obligated resources" by the campuses.

BILL SUMMARY: **Section 1:** Authorizes the construction or acquisition of capital improvement projects defined in subsequent sections by certain constituent institutions of the University of North Carolina (UNC) System and authorizes their financing with funds available to the institutions from gifts, grants, receipts, self-liquidating indebtedness, or other funds or a combination of these funds, but not including funds received from tuition or appropriations from the General Fund, unless previously authorized by General Statute.

Section 2: New Projects:

Projects By Campus	Amount
1. Appalachian State University	
Winkler Residence Hall – Supplement	$3,000,000
Belk Residence Hall	$9,765,000
2. East Carolina University	
Belk Residence Hall Demolition and Reconstruction	$40,000,000
3. North Carolina State University	
Phytotron Energy Savings Performance Contract[1]	$6,200,000
4. University of North Carolina – Asheville	
Mountain Area Health Education Center (MAHEC) Facility Acquisition	$4,750,000
5. University of North Carolina-Chapel Hill	
Collaborative Science Building[2]	$95,680,000
Infrastructure Improvements – Phase 2	$12,450,000
Chilled Water Infrastructure Improvements	$11,700,000
Steam and Hot Water Infrastructure Improvements	$12,000,000
Craige Parking Deck – Supplement	$8,000,000
6. University of North Carolina – Charlotte	
Campus Infrastructure Development	$49,500,000
Residence Hall Phase XII	$38,407,410
Cedar/Hickory/Sycamore (Phase IV-A) Renovation[3]	$10,000,000
7. University of North Carolina – Greensboro	
1600 W. Lee Street Parking Lot Improvements	$3,432,000
Reynolds and Grogan Residence Hall Renovation	$16,640,000

[1] Implements energy conservation measures in the Phytron Building.
[2] New building to increase space and allow for consolidation of various research and learning labs and centers.
[3] The facility is a residence hall

Projects By Campus	Amount
8. Winston Salem State University	
Restore the Core – Phase I (Hill Hall)[4]	$13,500,000
New Student Housing Building 1 Acquisition	$14,500,000
South Campus Acquisitions and Improvements[5]	$7,500,000
North Campus Acquisitions and Improvements[6]	$7,000,000
Total	**$364,024,410**

Section 3: Authorizes projects for planning pursuant to Section 1 of this bill. The projects are as follows:

Planning Projects By Campus	Amount
1. North Carolina A&T University	
New Student Center	$5,000,000
Williams Dining Hall Kitchen Replacement	$500,000
2. North Carolina Central University	
New Student Health Services Center – Phase 1	$700,000
3. University of North Carolina – Chapel Hill	
Athletic Facilities Master Plan and Phase 1 Improvements	$5,000,000
Odum Village Replacement	$5,000,000
4. Winston Salem State University	
Restore the Core – Phase II (Hauser, Pegram, Physical Plant)	$1,500,000
Total	**$17,700,000**

Section 4: At the request of the Board of Governors of the University of North Carolina, the Director of the Budget may authorize changes in project cost and financing. The Director is allowed to consult with the Joint Commission on Government Operations as necessary.

Section 5: Pursuant to G.S. 116D-26, the Board of Governors may, subject to the approval of the Director of the Budget, issue special obligation bonds of the Board of Governors specified in the previous sections. The total amount to be issued cannot exceed five percent of the costs specified in the previous sections, or altered subject to Section 4.

Section 6: Notwithstands G.S. 116D-22(5) to allow UNC-Chapel Hill to locate the project outside of UNC-Chapel Hill's property boundaries and allows the University to accomplish this project

[4] Renovates and expands Hill Hall. The new building will provide student service (advisors, retention specialists, etc).
[5] Acquires and renovates Bowman-Gray Stadium, Fieldhouse, surrounding parking lots, Civitan Park, and construct a pedestrian bridge.
[6] Constructs a parking deck

through either a direct ownership of the project or an arrangement with the Orange County Water and Sewer Authority.

Section 7: Allows Winston-Salem State University to enter into an arrangement with the Winston-Salem State University Foundation, Inc. and Winston Salem State University Housing Foundation, LLC to undertake the New Student Housing Building 1 Acquisition Project.

Section 8: Notwithstands G.S. 116D-22(5) and allows Winston Salem State University (WSSU) to locate the South Campus Acquisitions and Improvements Project outside of campus boundaries. This provision also allows the University to construct, acquire, and finance the project through direct ownership or through a long-term agreement with the City of Winston Salem.

Section 9: Amends G.S. 18B-1006(a) (Regulation of Alcoholic Beverages at Schools and College Campuses) to allow for the sale of alcohol at the Bowman Gray Stadium in association with a NASCAR sanctioned ¼ mile flat oval short track. Bowman Gray Stadium is currently owned by the City of Winston-Salem which leases the facility, in part, to Winston Salem Speedway Inc. for NASCAR related events.

ASSUMPTIONS AND METHODOLOGY: The following table uses information supplied by the University of North Carolina to estimate various impacts of the University of North Carolina Capital Projects. When a campus seeks to issue Special Indebtedness, they are required under G.S. 116D-26(b) to submit information to the General Assembly regarding these projects. The following table consolidates this information.

Table 1: Projects by Source of Funds and Operating Costs

Campus	Project	Amount	Source of Capital Funds	Effect of Debt on Students	Increase in Annual Operating Costs (1st Year)	General Fund Support of Operating Costs (1st Year)
ASU	Winkler Residence Hall – Suppliment	$3,000,000	Housing Receipts		$152,368	$0
ASU	Belk Residence Hall	$9,765,000	Housing Receipts		$26,000	$0
ECU	Belk Residence Hall Demolition and Reconstruction	$40,000,000	Housing Receipts		$662,540	$0
NCSU	Phytotron Energy Savings Performance Contract	$6,200,000	Energy Savings*		$93,389	$0*
UNCA	MAHEC Facility Acquisition	$4,750,000	Debt service fee and other obligated resources	$90	$289,043	$0

Campus	Project	Amount	Source of Capital Funds	Effect of Debt on Students	Increase in Annual Operating Costs (1st Year)	General Fund Support of Operating Costs (1st Year)
UNCCH	Infrastructure Improvements-Phase 2	$12,450,000	Utility Receipts		$0	$0
UNCCH	Chilled Water Infrastructure Improvements	$11,700,000	Utility Receipts		$0	$0
UNCCH	Steam and Hot Water Infrastructure Improvements	$12,000,000	Utility Receipts		$0	$0
UNCCH	Craige Parking Deck	$8,000,000	Parking Receipts		$0	$0
UNCC	Campus Infrastructure Development	$49,500,000	Debt Service Fee	$100	$0	$0
UNCC	Residence Hall Phase XII	$38,407,410	Housing Receipts		$1,863,457	$0
UNCC	Cedar/Hickory/Sycamore (Phase IV-A) Renovation	$10,000,000	Housing Receipts		$98,031	$0
NCG	Reynolds and Grogan Residence Hall Renovation	$16,640,000	Housing Receipts		$0	$0
WSSU**	Restore the Core Phase 1	$13,500,000	Debt service fee, grants, gifts	$115	$179,664	$179,664
WSSU	New Student Building Acquisition	$14,500,000	Housing Receipts		$654,365	$0
WSSU**	South Campus Acquisitions and Improvements	$7,500,000	Debt Service Fee	$110	$181,523	$181,523
WSSU**	North Campus Acquisitions	$7,000,000	Debt Service Fee	$115	$168,844	$0
WSSU**	Restore the Core Phase 1	$13,500,000	Debt service fee, grants, gifts	$115	$179,664	$179,664
WSSU	New Student Building Acquisition	$14,500,000	Housing Receipts		$654,365	$0
WSSU**	South Campus Acquisitions and Improvements	$7,500,000	Debt Service Fee	$110	$181,523	$181,523
WSSU**	North Campus Acquisitions	$7,000,000	Debt Service Fee	$115	$168,844	$0

* S.L. 2011-145, Sec 9.6D(h) allowed UNC to utilize General Fund appropriated utility savings as an obligated resource.
** There will be a reduction of $115 per student debt service fee at WSSU due to the retirement of debt. There is an additional $55 per student debt service fee to support the Student Union. The total debt service fee for FY 2012-13 is $270.

Several of the projects listed above have existing cash on hand from the various sources provided above that will be used to support the specific projects. The table below presents how this will impact new debt issuances. In total, this will Bill will authorize $323,324,410 in new debt at the campuses.

Table 2: Projects with Partial Cash Financing

Campus	Project	Total Project	Cash on Hand	New Debt
UNCCH	Infrastructure Improvements-Phase 2	$12,450,000	$10,000,000	$2,450,000
UNCCH	Chilled Water Infrastructure Improvements	$11,700,000	$4,700,000	$7,000,000
UNCCH	Steam and Hot Water Infrastructure Improvements	$12,000,000	$3,500,000	$8,500,000
UNCC	Campus Infrastructure Development	$49,500,000	$14,500,000	$35,000,000
UNCC	Cedar/Hickory/Sycamore (Phase IV-A) Renovation	$10,000,000	$2,500,000	$7,500,000
WSSU	Restore the Core Phase 1	$13,500,000	$5,500,000	$8,000,000
Total			**$40,700,000**	**$68,450,000**

Operating Expenditures: At each of the following campuses with projects authorized by this Bill, it is expected that there will be an increase in operating requirements and associated positions. These operating impacts are commonly referred to as building reserves. The University of North Carolina estimates that a number of projects will require General Fund support, as they are academic in nature. The table below reflects the estimated General Fund operating impact by campus where a request for General Fund support will be made, new positions are also included:

Table 4: General Fund Supported Building Reserves

Campus	2012-13	2013-14	2014-15	2015-16	2016-17
UNCCH	$0	$0	$954,222	$3,149,362	$3,218,963
WSSU	$367,742	$334,911	$344,791	$353,480	$361,292
Total	**$367,742**	**$334,911**	**$1,299,013**	**$3,502,842**	**$3,580,254**
FTE	0	0	35	35	35

The following table reflects building reserves which will be paid from receipts at the campus:

Table 5: Receipt Supported Building Reserves

Campus	2012-13	2013-14	2014-15	2015-16	2016-17
ASU	$0	$49,079	$177,139	$182,208	$186,234
ECU	$0	$0	$345,527	$662,540	$677,182
UNCA	$248,367	$273,806	$281,883	$288,987	$295,373
UNCC	$0	$0	$2,047,153	$1,907,316	$1,949,468
UNCG	$0	$1,688	$43,114	$44,510	$45,958
WSSU	$728,859	$686,130	$706,371	$724,171	$740,176
Total	**$977,226**	**$1,010,703**	**$3,601,187**	**$3,809,732**	**$3,894,391**
FTE	14	40	49	49	49

Debt Service Expenditures: In addition to operating expenditures, the campuses will also be required to pay debt service on the various debt financed projects. The table below reflects the estimated amount of additional debt service by campus:

Table 6: Estimated New Debt Service By Project

Campus	2012-13	2013-14	2014-15	2015-16	2016-17
ASU	$0	$1,276,500	$1,276,500	$1,276,500	$1,276,500
ECU	$4,000,000	$4,000,000	$4,000,000	$4,000,000	$4,000,000
UNCA	$475,000	$475,000	$475,000	$475,000	$475,000
UNCCH	$0	$12,163,000	$12,163,000	$12,163,000	$12,163,000
UNCC	$0	$8,090,741	$8,090,741	$8,090,741	$8,090,741
UNCG	$0	$2,007,200	$2,007,200	$2,007,200	$2,007,200
WSSU	$1,500,000	$3,700,000	$3,700,000	$3,700,000	$3,700,000
Total	**$5,975,000**	**$31,712,441**	**$31,712,441**	**$31,712,441**	**$31,712,441**

One project is listed separately: the Phytotron Energy Savings Performance Contract at North Carolina State University (NCSU). S.L. 2011-145, Sec 9.6D(h) allowed UNC to utilize General Fund appropriated utility savings as an obligated resource for the purposes of Special Indebtedness. According to NCSU, the project will be financed solely from the General Fund appropriated utility account, which is $28,691,627 for the current Fiscal Year. The project will be financed by savings associated with replacement and upgrade of systems at the Phytotron Building. Per the existing Statute, NCSU is responsible for any unrealized savings associated with this project. The table below presents the estimated energy savings, maintenance and verification costs (M&V Costs), debt service payments, and net savings. At the front of the Memo, M&V Costs and debt service are combined into the GESC line item.

Table 7: Phytotron Energy Savings Performance Contract

Costs	2012-13	2013-14	2014-15	2015-16	2016-17
Utility Savings	$0	$450,000	$463,500	$477,405	$491,727
Debt Service	$0	($418,000)	($430,825)	($444,035)	($457,641)
M&V Costs	$0	($10,000)	($10,000)	($10,000)	($10,000)
Net Savings	**$0**	**$22,000**	**$22,675**	**$23,370**	**$24,086**

Revenues: Three Campuses have elected to institute a new debt service fee in order to finance the various projects. Utilizing historic enrollment data from UNC for 2001-2010, Fiscal Research staff has projected the average annual revenue increase at the Campuses.

Table 8: Estimated Debt Service Fee Revenue

Campus	Average Growth	2012-13	2013-14	2014-15	2015-16	2016-17
UNCA	2.52%	$345,417	$354,122	$363,046	$372,195	$381,574
UNCC	4.22%	$2,522,801	$2,629,258	$2,740,208	$2,855,840	$2,976,351
WSSU*	9.41%	$2,566,318	$2,807,934	$3,072,298	$3,361,552	$3,678,039
Total		**$5,434,536**	**$5,791,315**	**$6,175,553**	**$6,589,587**	**$7,035,964**

* Assumes the $270 net fee increase at WSSU.

Other projects will be supported by other obligated resources at the campuses, such as housing receipts. As these reflect existing sources of revenue, an incremental increase in fees was not available. UNC currently does not anticipate increasing receipts specifically for these projects. However, should the existing revenue stream not be sufficient to cover related debt service, some increase may be necessary.

SOURCES OF DATA: The financial data for these charts was provided by the Division of Finance at the University of North Carolina System and North Carolina State University.

TECHNICAL CONSIDERATIONS: None

NORTH CAROLINA GENERAL ASSEMBLY
AMENDMENT
Senate Bill 444

AMENDMENT NO. 1
(to be filled in by Principal Clerk)

S444-AMC-38 [v.5]

Comm. Sub. [YES]
Amends Title [YES]
S444-PCS65122-MC-19

Date 5/30 ,2012

Senator Apodaca

moves to amend the bill on page 1, line 5, by deleting that line and substituting the following:

"UNIVERSITY OF NORTH CAROLINA AND TO PROHIBIT CERTAIN REIMBURSEMENT FOR OUT-OF-STATE TRAVEL EXPENSES.";

and on page 2, line 4-5, by deleting those lines;

and on page 3, line 40, by rewriting that line to read:

"**SECTION 10.** No State funds shall be used to reimburse out-of-state members of the Board of Governors of The University of North Carolina for out-of-state travel expenses. For travel expenses covering both in-state and out-of-state travel, the Board of Governors shall apportion the reimbursement so it covers only in-state travel expenses.

SECTION 11. This act is effective when it becomes law.";

SENATE BILL 795
Education/Higher Education Committee Substitute Adopted 5/29/12
PROPOSED COMMITTEE SUBSTITUTE S795-PCS35358-TC-39

Short Title: Excellent Public Schools Act. (Public)

Sponsors:

Referred to:

April 25, 2012

A BILL TO BE ENTITLED

AN ACT TO MAKE CHANGES TO IMPROVE K-3 LITERACY; PROVIDE LITERACY VOLUNTEER LEAVE TIME; ASSIGN SCHOOL PERFORMANCE GRADES; MAXIMIZE INSTRUCTIONAL TIME; ADJUST SCHOOL CALENDAR; FUND FIVE ADDITIONAL INSTRUCTIONAL DAYS WITHIN THE EXISTING SCHOOL CALENDAR; ESTABLISH AN NC TEACHER CORPS; STRENGTHEN TEACHER LICENSURE REQUIREMENTS; PROVIDE PROOF OF STATE-FUNDED LIABILITY INSURANCE; ESTABLISH PLANS FOR PAY FOR EXCELLENCE; CLARIFY NC PRE-K PROGRAM ELIGIBILITY AND ADD SLOTS; REPEAL PROHIBITION ON TEACHER PREPAYMENT; PROVIDE A TAX DEDUCTION FOR EDUCATIONAL SUPPLIES; ESTABLISH TEACHER CONTRACTS; AND ELIMINATE PUBLIC FINANCING FOR THE OFFICE OF SUPERINTENDENT OF PUBLIC INSTRUCTION.

The General Assembly of North Carolina enacts:

PART I. IMPROVE K-3 LITERACY

SECTION 1.(a) G.S. 115C-81.2 is repealed.

SECTION 1.(b) Article 8 of Chapter 115C of the General Statutes is amended by adding a new Part to read:

"Part 1A. North Carolina Read to Achieve Program.

"**§ 115C-83.1A. State goal.**

The goal of the State is to ensure that every student read at or above grade level by the end of third grade and continue to progress in reading proficiency so that he or she can read, comprehend, integrate, and apply complex texts needed for secondary education and career success.

"**§ 115C-83.1B. Purposes.**

(a) The purposes of this Part are to ensure that (i) difficulty with reading development is identified as early as possible; (ii) students receive appropriate instructional and support services to address difficulty with reading development and to remediate reading deficiencies; and (iii) each student and his or her parent or guardian be continuously informed of the student's academic needs and progress.

(b) In addition to the purposes listed in subsection (a) of this section, the purpose of this Part is to determine that progression from one grade to another be based, in part, upon proficiency in reading.

"**§ 115C-83.1C. Definitions.**

The following definitions apply in this Part:

(1) "Accelerated reading class" means a class where focused instructional supports and services are provided to increase a student's reading level at least two grades in one school year.

(2) "Alternative assessment" means a valid and reliable standardized assessment of reading comprehension, approved by the State Board of Education, that is not the same test as the State approved standardized test of reading comprehension administered to third grade students.

(3) "Instructional supports and services" mean intentional strategies used with a majority of students to facilitate reading development and remediate emerging difficulty with reading development. Instructional supports and services include, but are not limited to, small group instruction, reduced teacher-student ratios, frequent progress monitoring, and extended learning time.

(4) "Difficulty with reading development" means not demonstrating appropriate developmental abilities in any of the major reading areas, including, but not limited to, oral language, phonological or phonemic awareness, vocabulary, fluency, or comprehension, according to observation-based, diagnostic, or formative assessments.

(5) "Reading interventions" mean evidence-based strategies frequently used to remediate reading deficiencies and include, but are not limited to, individual instruction, tutoring, or mentoring that target specific reading skills and abilities.

(6) "Reading proficiency" means reading at or above the third grade level by the end of a student's third grade year, demonstrated by the results of the State-approved standardized test of reading comprehension administered to third grade students.

(7) "Reading deficiency" means not reading at the third grade level by the end of the student's third grade year, demonstrated by the results of the State-approved standardized test of reading comprehension administered to third grade students.

(8) "Student reading portfolio" means a compilation of independently produced student work selected by the student's teacher, and signed by the teacher and principal, as an accurate picture of the student's reading ability. The student reading portfolio shall include an organized collection of evidence of the student's mastery of the State's reading standards that are assessed by the State-approved standardized test of reading comprehension administered to third grade students. For each benchmark, there shall be three examples of student work demonstrating mastery by a grade of seventy percent (70%) or above.

(9) "Summer reading camp" means an additional educational program outside of the instructional calendar provided by the local school administrative unit to any student who does not demonstrate reading proficiency. Parents or guardians of the student not demonstrating reading proficiency shall make the final decision regarding the student's summer camp attendance. Summer camps shall (i) be six to eight weeks long, four or five days per week; (ii) include at least three hours of instructional time per day; (iii) be taught by

compensated, licensed teachers selected based on demonstrated student outcomes in reading proficiency; and (iv) allow volunteer mentors to read with students.

(10) "Transitional third and fourth class combination" means a classroom specifically designed to produce learning gains sufficient to meet fourth grade performance standards while continuing to remediate areas of reading deficiency.

"**§ 115C-83.1D. Comprehensive plan for reading achievement.**

(a) The State Board of Education shall develop, implement, and continuously evaluate a comprehensive plan to improve reading achievement in the public schools. The plan shall be based on reading instructional practices with strong evidence of effectiveness in current empirical research in reading development. The plan shall be developed with the active involvement of teachers, college and university educators, parents and guardians of students, and other interested parties. The plan shall, when appropriate to reflect research, include revision of the standard course of study or other curricular standards, revision of teacher licensure and renewal standards, and revision of teacher education program standards.

(b) The State Board of Education shall report biennially to the Joint Legislative Education Oversight Committee by October 1 of each even-numbered year on the implementation, evaluation, and revisions to the comprehensive plan for reading achievement and shall include recommendations for legislative changes to enable implementation of current empirical research in reading development.

"**§ 115C-83.1E. Developmental screening and kindergarten entry assessment.**

(a) The State Board of Education shall ensure that every student entering kindergarten shall be administered a developmental screening of early language, literacy, and math skills within 30 days of enrollment.

(b) The State Board of Education shall ensure that every student entering kindergarten shall complete a kindergarten entry assessment within 60 days of enrollment.

(c) The developmental screening instrument may be composed of subsections of the kindergarten entry assessment.

(d) The kindergarten entry assessment shall address the five essential domains of school readiness: language and literacy development, cognition and general knowledge, approaches toward learning, physical well-being and motor development, and social and emotional development.

(e) The kindergarten entry assessment shall be (i) administered at the classroom level in all local school administrative units; (ii) aligned to North Carolina's early learning and development standards and to the standard course of study; and (iii) reliable, valid, and appropriate for use with all children, including those with disabilities and those who are English language learners.

(f) The results of the developmental screening and the kindergarten entry assessment shall be used to inform the following:

(1) The status of children's learning at kindergarten entry.

(2) Instruction of each child.

(3) Efforts to reduce the achievement gap at kindergarten entry.

(4) Continuous improvement of the early childhood system.

"**§ 115C-83.1F. Facilitating early grade reading proficiency.**

(a) Kindergarten, first, second, and third grade students shall be assessed with valid, reliable, formative, and diagnostic reading assessments made available to local school administrative units by the State Board of Education pursuant to G.S. 115C-174.11(a). Difficulty with reading development identified through administration of formative and diagnostic assessments shall be addressed with instructional supports and services. To the greatest extent possible, kindergarten through third grade reading assessments shall yield data

that can be used with the Education Value Added Assessment System (EVAAS), or a compatible and comparable system approved by the State Board of Education, to analyze student data to identify root causes for difficulty with reading development and to determine actions to address them.

(b) Formative and diagnostic assessments and resultant instructional supports and services shall address oral language, phonological and phonemic awareness, phonics, vocabulary, fluency, and comprehension using developmentally appropriate practices.

(c) Local school administrative units are encouraged to partner with community organizations, businesses, and other groups to provide volunteers, mentors, or tutors to assist with the provision of instructional supports and services that enhance reading development and proficiency.

"**§ 115C-83.1G. Elimination of social promotion.**

(a) The State Board of Education shall require that a student be retained in the third grade if the student fails to demonstrate reading proficiency appropriate for a third grade student, as demonstrated on a State-approved standardized test of reading comprehension administered to third grade students. The test may be re-administered once prior to the end of the school year.

(b) Students may be exempt from mandatory retention in third grade for good cause but shall continue to receive instructional supports and services and reading interventions appropriate for their age and reading level. Good cause exemptions shall be limited to the following:

(1) Limited English Proficient students with less than two years of instruction in an English as a Second Language program.

(2) Students with disabilities, as defined in G.S. 115C-106.3(1), whose individualized education program indicates the use of alternative assessments and reading interventions.

(3) Students who demonstrate reading proficiency appropriate for third grade students on an alternative assessment approved by the State Board of Education. Teachers may administer the alternative assessment following the administration of the State-approved standardized test of reading comprehension typically given to third grade students at the end of the school year, or after a student's participation in the local school administrative unit's summer reading camp.

(4) Students who demonstrate, through a student reading portfolio, reading proficiency appropriate for third grade students. Teachers may submit the student reading portfolio at the end of the school year, or after a student's participation in the local school administrative unit's summer reading camp. The student reading portfolio and review process shall be established by the State Board of Education.

(5) Students who have (i) received reading intervention and (ii) previously been retained more than once in kindergarten, first, second, or third grades.

(c) The superintendent shall determine whether a student may be exempt from mandatory retention on the basis of a good cause exemption. The following steps shall be taken in making the determination:

(1) The teacher of a student eligible for a good cause exemption shall submit documentation of the relevant exemption and evidence that promotion of the student is appropriate based on the student's academic record to the principal. Such evidence shall be limited to the student's personal education plan, individual education program, if applicable, alternative assessment, or student reading portfolio.

(2) The principal shall review the documentation and make an initial determination whether the student should be promoted. If the principal determines the student should be promoted, the principal shall make a written recommendation of promotion to the superintendent for final determination. The superintendent's acceptance or rejection of the recommendation shall be in writing.

"**§ 115C-83.1H. Successful reading development for retained students.**

(a) Students not demonstrating reading proficiency shall be enrolled in a summer reading camp provided by the local school administrative unit prior to being retained. Students who demonstrate reading proficiency on an alternative assessment of reading comprehension or student reading portfolio after completing a summer reading camp shall be promoted to the fourth grade. Students who do not demonstrate reading proficiency on these measures after completing a summer reading camp shall be retained under G.S. 115C-83.1G(a) and provided with the instruction listed in subsection (b) of this section during the retained year.

(b) Students retained under G.S. 115C-83.1G(a) shall be provided with a teacher selected based on demonstrated student outcomes in reading proficiency and placed in an accelerated reading class or a transitional third and fourth grade class combination, as appropriate. Classroom instruction shall include at least 90 minutes of daily, uninterrupted, evidence-based reading instruction, not to include independent reading time, and other appropriate instructional supports and services and reading interventions.

(c) The State Board of Education shall establish a midyear promotion policy for any student retained under G.S. 115C-83.1G(a) who, by November 1, demonstrates reading proficiency through administration of the alternative assessment of reading comprehension, or student reading portfolio review.

(d) Parents or guardians of students who have been retained once under the provisions of G.S. 115C-83.1G(a) shall be provided with a plan for reading at home, including participation in shared and guided reading workshops for the parent or guardian, and outlined in a parental or guardian contract.

(e) Parents or guardians of students who have been retained twice under the provisions of G.S. 115C-83.1G(a) shall be offered supplemental tutoring for the retained student in evidence-based reading services outside the instructional day.

"**§ 115C-83.1I. Notification requirements to parents and guardians.**

(a) Parents or guardians shall be notified in writing, and in a timely manner, that the student shall be retained, unless he or she is exempt from mandatory retention for good cause, if the student is not demonstrating reading proficiency by the end of third grade. Parents or guardians shall receive this notice when a kindergarten, first, second or third grade student (i) is demonstrating difficulty with reading development; (ii) is not reading at grade level; or (iii) has a personal education plan under G.S. 115C-105.41.

(b) Parents or guardians of any student who is to be retained under the provisions of G.S. 115C-83.1G(a) shall be notified in writing of the reason the student is not eligible for a good cause exemption as provided in G.S. 115C-83.1G(b). Written notification shall also include a description of proposed reading interventions that will be provided to the student to remediate identified areas of reading deficiency.

(c) Parents or guardians of students retained under G.S. 115C-83.1G(a) shall receive at least monthly written reports on student progress towards reading proficiency. The evaluation of the student's progress shall be based upon the student's classroom work, observations, tests, assessments, and other relevant information.

(d) Teachers and principals shall provide opportunities to discuss with parents and guardians the notifications listed in this section.

"**§ 115C-83.1J. Accountability measures.**

(a) Each local board of education shall publish annually on a Web site maintained by that local school administrative unit and report in writing to the State Board of Education by September 1 of each year the following information on the prior school year:

(1) The number and percentage of third grade students demonstrating and not demonstrating reading proficiency on the State-approved standardized test of reading comprehension administered to third grade students.

(2) The number and percentage of third grade students who take and pass the alternative assessment of reading comprehension.

(3) The number and percentage of third grade students retained for not demonstrating reading proficiency.

(4) The number and percentage of third grade students exempt from mandatory third grade retention by category of exemption as listed in G.S. 115C-83.1G(b).

(b) Each local board of education shall report annually in writing to the State Board of Education by September 1 of each year a description of all reading interventions provided to students who have been retained under G.S. 115C-83.1G(a).

(c) The State Board of Education shall establish a uniform format for local boards of education to report the required information listed in subsections (a) and (b) of this section and shall provide the format to local boards of education no later than 90 days prior to the annual due date. The State Board of Education shall compile annually this information and submit a State-level summary to the Governor, the President Pro Tempore of the Senate, the Speaker of the House of Representatives, and the Joint Legislative Education Oversight Committee by October 1 of each year, beginning with the 2014-2015 school year.

(d) The State Board of Education and the Department of Public Instruction shall provide technical assistance as needed to aid local school administrative units to implement all provisions of this Part."

SECTION 1.(c) G.S. 115C-105.27(b)(1a) is repealed.

SECTION 1.(d) G.S. 115C-105.41 reads as rewritten:

"**§ 115C-105.41. Students who have been placed at risk of academic failure; personal education plans.**

In order to implement Part 1A of Article 8 of this Chapter, ~~Local~~ local school administrative units shall identify students who are at risk for academic failure and who are not successfully progressing toward grade promotion and graduation, beginning ~~no later than the fourth grade~~ in kindergarten. Identification shall occur as early as can reasonably be done and can be based on grades, observations, diagnostic and formative assessments, State assessments, and other factors, including reading on grade level, that impact student performance that teachers and administrators consider appropriate, without having to await the results of end-of-grade or end-of-course tests. No later than the end of the first quarter, or after a teacher has had up to nine weeks of instructional time with a student, a personal education plan for academic improvement with focused intervention and performance benchmarks shall be developed or updated for any student at risk of academic failure who is not performing at least at grade level, as identified by the State end-of-grade test and other factors noted above. Focused instructional supports and services, reading ~~intervention~~ interventions and accelerated activities should include ~~research-based best~~ evidence-based practices that meet the needs of students and may include coaching, mentoring, tutoring, summer school, Saturday school, and extended days. Local school administrative units shall provide these activities free of charge to students. Local school administrative units shall also provide transportation free of charge to all students for whom transportation is necessary for participation in these activities.

Local school administrative units shall give notice of the personal education plan and a copy of the personal education plan to the student's parent or guardian. Parents should be included in the implementation and ongoing review of personal education plans.

Local school administrative units shall certify that they have complied with this section annually to the State Board of Education. The State Board of Education shall periodically review data on the progress of identified students and report to the Joint Legislative Education Oversight Committee.

No cause of action for monetary damages shall arise from the failure to provide or implement a personal education plan under this section."

SECTION 1.(e) G.S. 115C-174.11(a) reads as rewritten:

"(a) Assessment Instruments for ~~First and Second Grades.~~Kindergarten, First, Second, and Third Grades. – The State Board of Education shall ~~adopt~~develop, adopt, and provide to the local school administrative units developmentally appropriate individualized assessment instruments consistent with the Basic Education Program and Part 1A of Article 8 of this Chapter for the ~~first and second grades, rather than standardized tests.~~ kindergarten, first, second, and third grades. Local school administrative units ~~may~~ shall use these assessment instruments provided to them by the State Board for ~~first and second grade students,~~ kindergarten, first, second, and third grade students to assess progress, diagnose difficulties, and to inform instruction and remediation needs. ~~and~~ Local school administrative units shall not use standardized tests for summative assessment of kindergarten, first, and second grade students except as required as a condition of receiving federal grants."

SECTION 1.(f) G.S. 115C-238.29F is amended by adding a new subsection to read:

"(d1) Reading Proficiency and Student Promotion. –

(1) Students in the third grade shall be retained if the student fails to demonstrate reading proficiency by reading at or above the third grade level as demonstrated by the results of the State-approved standardized test of reading comprehension administered to third grade students. The charter school shall provide reading interventions to retained students to remediate reading deficiency, which may include 90 minutes of daily, uninterrupted, evidence-based reading instruction, accelerated reading classes, transition classes containing third and fourth grade students, and summer reading camps.

(2) Students may be exempt from mandatory retention in third grade for good cause but shall continue to receive instructional supports and services and reading interventions appropriate for their age and reading level. Good cause exemptions shall be limited to the following:

a. Limited English Proficient students with less than two years of instruction in an English as a Second Language program.

b. Students with disabilities, as defined in G.S. 115C-106.3(1), whose individualized education program indicates the use of alternative assessments and reading interventions.

c. Students who demonstrate reading proficiency appropriate for third grade students on an alternative assessment of reading comprehension. The charter school shall notify the State Board of Education of the alternative assessment used to demonstrate reading proficiency.

d. Students who demonstrate, through a student reading portfolio, reading proficiency appropriate for third grade students.

e. Students who have (i) received reading intervention and (ii) previously been retained more than once in kindergarten, first, second, or third grades.

(3) The charter school shall provide notice to parents and guardians when a student is not reading at grade level. The notice shall state that if the

student's reading deficiency is not remediated by the end of third grade, the student shall be retained unless he or she is exempt from mandatory retention for good cause. Notice shall also be provided to parents and guardians of any student who is to be retained under this subsection of the reason the student is not eligible for a good cause exemption, as well as a description of proposed reading interventions that will be provided to the student to remediate identified areas of reading deficiency.

(4) The charter school shall annually publish on the charter school's Web site and report in writing to the State Board of Education by September 1 of each year the following information on the prior school year:

a. The number and percentage of third grade students demonstrating and not demonstrating reading proficiency on the State-approved standardized test of reading comprehension administered to third grade students.

b. The number and percentage of third grade students not demonstrating reading proficiency and who do not return to the charter school for the following school year.

c. The number and percentage of third grade students who take and pass the alternative assessment of reading comprehension.

d. The number and percentage of third grade students retained for not demonstrating reading proficiency.

e. The number and percentage of third grade students exempt from mandatory third grade retention by category of exemption as listed in subdivision (2) of this subsection."

SECTION 1.(g) G.S. 115C-288(a) reads as rewritten:

"(a) To Grade and Classify Pupils. – The principal shall have authority to grade and classify ~~pupils~~pupils, except as provided in G.S. 115C-83.1G(a). In determining the appropriate grade for a pupil who is already attending a public school, the principal shall consider the pupil's classroom work and grades, the pupil's scores on standardized tests, and the best educational interests of the pupil. The principal shall not make the decision solely on the basis of standardized test scores. If a principal's decision to retain a child in the same grade is partially based on the pupil's scores on standardized tests, those test scores shall be verified as accurate.

A principal shall not require additional testing of a student entering a public school from a school governed under Article 39 of this Chapter if test scores from a nationally standardized test or nationally standardized equivalent measure that are adequate to determine the appropriate placement of the child are available."

SECTION 1.(h) G.S. 130A-440(b) reads as rewritten:

"(b) A health assessment shall include a medical history and physical examination with screening for vision and hearing and, if appropriate, testing for anemia and tuberculosis. Vision screening shall be conducted in accordance with G.S. 130A-440.1. The health assessment may also include dental screening and developmental screening for cognition, language, and motor function. The developmental screening of cognition and language abilities may be conducted in accordance with G.S. 115C-83.1E(a)."

SECTION 1.(i) There is appropriated from the General Fund to the Department of Public Instruction the sum of thirty-three million nine hundred fourteen thousand five hundred three dollars ($33,914,503) for the 2012-2013 fiscal year to implement the requirements of this section. It is the intent of the General Assembly to increase this appropriation for the 2013-2014 fiscal year to implement additional requirements in that fiscal year.

SECTION 1.(j) This section is effective when it becomes law and applies beginning with the 2013-2014 school year. The developmental screening and kindergarten

entry assessment required by this section shall be administered beginning with the 2014-2015 school year

PART II. STATE EMPLOYEE LITERACY VOLUNTEER LEAVE TIME

SECTION 2.(a) G.S. 126-4 reads as rewritten:

"**§ 126-4. Powers and duties of State Personnel Commission.**

Subject to the approval of the Governor, the State Personnel Commission shall establish policies and rules governing each of the following:

...

(5b) A leave program that allows employees to volunteer in a literacy program in a public school for up to five hours each month.

...."

SECTION 2.(b) This section is effective when it becomes law.

PART III. SCHOOL PERFORMANCE GRADES

SECTION 3.(a) G.S. 115C-12(9)c1. reads as rewritten:

"c1. To issue an annual "report card" for the State and for each local school administrative unit, assessing each unit's efforts to improve student performance based on the growth in performance of the students in each school and taking into account progress over the previous years' level of performance and the State's performance in comparison with other states. This assessment shall take into account factors that have been shown to affect student performance and that the State Board considers relevant to assess the State's efforts to improve student performance. As a part of the annual "report card" for each local school administrative unit, the State Board shall award an overall numerical school performance score on a scale of zero to 100 and a corresponding letter grade of A, B, C, D, or F earned by each school within the local school administrative unit. The school performance score and grade shall reflect student performance on annual subject-specific assessments, college and workplace readiness measures, and graduation rates. For schools serving students in any grade from kindergarten to eighth grade, separate performance scores and grades shall also be awarded based on the school performance in reading and mathematics respectively. The annual "report card" for schools serving students in third grade also shall include the number and percentage of third grade students who (i) take and pass the alternative assessment of reading comprehension; (ii) were retained in third grade for not demonstrating reading proficiency as indicated in G.S. 115C-83.1G(a); and (iii) were exempt from mandatory third grade retention by category of exemption as listed in G.S. 115C-83.1G(b)."

SECTION 3.(b) G.S. 115C-47(58) reads as rewritten:

"(58) To Inform the Public About the North Carolina School Report Cards Issued by the State Board of Education. – Each local board of education shall ensure that the report card issued for it by the State Board of Education receives wide distribution to the local press or ~~otherwise.~~is otherwise provided to the public. Each local board of education shall ensure that the overall school performance score and grade earned by each school in the local school administrative unit for the current and previous four school years is prominently displayed on the Web site of the local school

administrative unit. If any school in the local school administrative unit is awarded a grade of D or F, the local board of education shall provide notice of the grade in writing to the parent or guardian of all students enrolled in that school."

SECTION 3.(c) G.S. 115C-238.29F is amended by adding a new subsection to read:

"(l) North Carolina School Report Cards. – A charter school shall ensure that the report card issued for it by the State Board of Education receives wide distribution to the local press or is otherwise provided to the public. A charter school shall ensure that the overall school performance score and grade earned by the charter school for the current and previous four school years is prominently displayed on the school Web site. If a charter school is awarded a grade of D or F, the charter school shall provide notice of the grade in writing to the parent or guardian of all students enrolled in that school."

SECTION 3.(d) G.S. 115C-238.66 is amended by adding a new subdivision to read:

"(11) North Carolina School Report Cards. – A regional school shall ensure that the report card issued for it by the State Board of Education receives wide distribution to the local press or is otherwise provided to the public. A regional school shall ensure that the overall school performance score and grade earned by the regional school for the current and previous four school years is prominently displayed on the school Web site. If a regional school is awarded a grade of D or F, the regional school shall provide notice of the grade in writing to the parent or guardian of all students enrolled in that school."

SECTION 3.(e) The State Board of Education shall award school performance scores and grades as required by G.S. 115C-12(9)c1. as follows:

(1) The State Board of Education shall calculate school performance scores by totaling the sum of points earned by the school and converting the sum of points to a 100-point scale. Subsections (2) and (3) of this section provide the school performance elements for schools serving students in kindergarten through eighth grade. Subsection (4) of this section provides the school performance elements for schools serving grades nine through twelve. The school performance score shall be used to determine the school performance grade based on the following scale:
   a. At least 90 performance grade points for an overall school performance grade of A.
   b. At least 80 performance grade points for an overall school performance grade of B.
   c. At least 70 performance grade points for an overall school performance grade of C.
   d. At least 60 performance grade points for an overall school performance grade of D.
   e. A school that accumulates less than 60 points shall be assigned an overall school performance grade of F.

(2) For schools serving students in kindergarten through eighth grade the overall school performance score shall be calculated based on the sum of three school performance elements.
   a. The score shall be calculated as follows:
      1. One point for each percent of students who score at or above proficient on annual assessments for mathematics in grades three through eight.

2. One point for each percent of students who score at or above proficient on annual assessments for reading in grades three through eight.
3. One point for each percent of students who score at or above proficient on annual assessments for science in grades five and eight.

(3) For schools serving students in kindergarten through eighth grade, the school performance scores in reading and mathematics, respectively, shall be earned as follows:
a. The literacy school performance score shall be based on the percent of students who score at or above proficient on annual assessments for reading assessments in grades three through eight.
b. The mathematics school performance score shall be based on the percent of students who score at or above proficient on annual assessments for mathematics in grades three through eight.

(4) The school performance score earned by schools serving students in ninth through twelfth grades shall be calculated based on the sum of seven school performance elements.
a. The score shall be calculated as follows:
1. One point for each percent of students who score at or above proficient on annual assessments for mathematics.
2. One point for each percent of students who score at or above proficient on annual assessments for English.
3. One point for each percent of students who score at or above proficient on annual assessments for biology.
4. One point for each percent of students who complete a higher-level mathematics class with a passing grade.
5. One point for each percent of students who score at or above a level demonstrating college readiness on a nationally normed test of college readiness.
6. One point for each percent of students who graduate within four years of entering high school.
7. One point for each percent of students who demonstrate workplace readiness on a nationally normed test of workplace readiness.

(5) In calculating the overall school performance score earned by schools, the State Board of Education shall proportionally adjust the scale to account for the absence of a school performance element for award of scores to a school that does not have a measure of one of the school performance elements annually assessed for the grades taught at that school.

(6) The State Board of Education shall report to the Joint Legislative Education Oversight Committee annually by January 15 on recommended adjustments to the school performance grade elements and scales for award of scores and grades.

SECTION 3.(f) This section is effective when it becomes law and applies beginning with the 2012-2013 school year.

PART IV. MAXIMIZE INSTRUCTIONAL TIME

SECTION 4.(a) G.S. 115C-174.12(a) reads as rewritten:

"(a) The State Board of Education shall establish policies and guidelines necessary for minimizing the time students spend taking tests administered through State and local testing

programs, for minimizing the frequency of field testing at any one school, and for otherwise carrying out the provisions of this Article. These policies and guidelines shall include the following:

(1) Schools shall devote no more than two days of instructional time per year to the taking of practice tests that do not have the primary purpose of assessing current student learning;

(2) Students in a school shall not be subject to field tests or national tests during the two-week period preceding the administration of end-of-grade tests, end-of-course tests, or the school's regularly scheduled final exams; and

(3) No school shall participate in more than two field tests at any one grade level during a school ~~year unless that school volunteers, through a vote of its school improvement team, to participate in an expanded number of field tests.~~year.

(4) All annual assessments of student achievement adopted by the State Board of Education pursuant to G.S. 115C-174.11(c)(1) and (3) and all final exams for courses shall be administered within the final 10 instructional days of the school year for year-long courses and within the final five instructional days of the semester for semester courses. Exceptions shall be permitted to accommodate a student's individualized education program and section 504 (29 U.S.C. § 794) plans, and for the administration of final exams for courses with national or international curriculums required to be held at designated times.

These policies shall reflect standard testing practices to insure reliability and validity of the sample testing. The results of the field tests shall be used in the final design of each test. The State Board of Education's policies regarding the testing of ~~children~~ students with disabilities shall (i) provide broad accommodations and alternate methods of assessment that are consistent with a ~~child's~~ student's individualized education program and section 504 (29 U.S.C. § 794) plans, (ii) prohibit the use of statewide tests as the sole determinant of decisions about a ~~child's~~student's graduation or promotion, and (iii) provide parents with information about the Statewide Testing Program and options for students with disabilities. The State Board shall report its proposed policies and proposed changes in policies to the Joint Legislative Education Oversight Committee prior to adoption.

The State Board of Education may appoint an Advisory Council on Testing to assist in carrying out its responsibilities under this Article."

SECTION 4.(b) This section is effective when it becomes law and applies beginning with the 2012-2013 school year.

PART V. ADJUSTMENTS TO SCHOOL CALENDAR

SECTION 5.(a) G.S. 115C-84.2 reads as rewritten:

"**§ 115C-84.2. School calendar.**

(a) School Calendar. – Each local board of education shall adopt a school calendar consisting of 215 days all of which shall fall within the fiscal year. A school calendar shall include the following:

(1) A minimum of 185 days ~~and~~ or 1,025 hours of instruction covering at least nine calendar months. The local board shall designate when the ~~185~~ instructional days shall occur. The number of instructional hours in an instructional day may vary according to local board policy and does not have to be uniform among the schools in the administrative unit. Local boards may approve school improvement plans that include days with varying amounts of instructional time. If school is closed early due to inclement weather, the day and the scheduled amount of instructional hours may count

towards the required minimum to the extent allowed by State Board policy. The school calendar shall include a plan for making up days and instructional hours missed when schools are not opened due to inclement weather.

...

(4a) Three days, as designated by the local board, for use as teacher workdays. These days shall be protected to allow teachers to complete instructional and classroom administrative duties. The local school administrative unit shall not impose any additional tasks on these days. The local board shall schedule at least one of these days at the beginning of the school year and at least one at the end of the school year.

(5) The remaining days scheduled by the local board in consultation with each school's principal for use as teacher workdays, additional instructional days, or other lawful purposes. Before consulting with the local board, each principal shall work with the school improvement team to determine the days to be scheduled and the purposes for which they should be scheduled. Days may be scheduled and planned for different purposes for different personnel and there is no requirement to schedule the same dates for all personnel. In order to make up days for school closing because of inclement weather, the local board may designate any of the days in this subdivision as additional make-up days to be scheduled after the last day of student attendance.

~~If the State Board of Education finds that it will enhance student performance to do so, the State Board may grant a local board of education a waiver to use up to five of the instructional days required by subdivision (1) of this subsection as teacher workdays. For each instructional day waived, the State Board shall waive an equivalent number of instructional hours.~~

Local boards and individual schools are encouraged to use the calendar flexibility in order to meet the annual performance standards set by the State Board. Local boards of education shall consult with parents and the employed public school personnel in the development of the school calendar.

Local boards shall designate at least two days scheduled under subdivision (5) of this subsection as days on which teachers may take accumulated vacation leave. Local boards may designate the remaining days scheduled in subdivision (5) of this subsection as days on which teachers may take accumulated vacation leave, but local boards shall give teachers at least 14 calendar days' notice before requiring a teacher to work instead of taking vacation leave on any of these days. A teacher may elect to waive this notice requirement for one or more of these days.

...

(d) Opening and Closing Dates. – Local boards of education shall determine the dates of opening and closing the public schools under subdivision (a)(1) of this section. Except for year-round schools, the opening date for students shall ~~not be before August 25,~~be no earlier than the Monday closest to August 26, and the closing date for students shall ~~not be after June 10.~~be no later than the Friday closest to June 11. On a showing of good cause, the State Board of Education may waive ~~this requirement~~ the requirement that the opening date for students be no earlier than the Monday closest to August 26 and may allow the local board of education to set an opening date no earlier than the Monday closest to August 19, to the extent that school calendars are able to provide sufficient days to accommodate anticipated makeup days due to school closings. A local board may revise the scheduled closing date if necessary in order to comply with the minimum requirements for instructional days or instructional time. For purposes of this subsection, the term "good cause" means ~~either that:~~that schools in any local school administrative unit in a county have been closed eight days per year during any four of

the last 10 years because of severe weather conditions, energy shortages, power failures, or other emergency situations.

~~(1) Schools in any local school administrative unit in a county have been closed eight days per year during any four of the last 10 years because of severe weather conditions, energy shortages, power failures, or other emergency situations; or~~

~~(2) Schools in any local school administrative unit in a county have been closed for all or part of eight days per year during any four of the last 10 years because of severe weather conditions. For purposes of this subdivision, a school shall be deemed to be closed for part of a day if it is closed for two or more hours.~~

~~The State Board also may waive this requirement for an educational purpose. The term "educational purpose" means a local school administrative unit establishes a need to adopt a different calendar for (i) a specific school to accommodate a special program offered generally to the student body of that school, (ii) a school that primarily serves a special population of students, or (iii) a defined program within a school. The State Board may grant the waiver for an educational purpose for that specific school or defined program to the extent that the State Board finds that the educational purpose is reasonable, the accommodation is necessary to accomplish the educational purpose, and the request is not an attempt to circumvent the opening and closing dates set forth in this subsection. The waiver requests for educational purposes shall not be used to accommodate system-wide class scheduling preferences.~~

The required opening and closing dates under this subsection shall not apply to any school that a local board designated as having a modified calendar for the 2003-2004 school year or to any school that was part of a planned program in the 2003-2004 school year for a system of modified calendar schools, so long as the school operates under a modified calendar.

...."

SECTION 5.(b) G.S. 115C-238.29F(d)(1) reads as rewritten:

"(1) The school shall provide instruction each year for at least 185 ~~days.~~days or 1,025 hours over nine calendar months. ~~If the State Board of Education finds that it will enhance student performance to do so, the State Board may grant a charter school a waiver to use up to five of these instructional days as teacher workdays.~~"

SECTION 5.(c) G.S. 115C-238.53 is amended by adding a new subsection to read:

"(g) The requirements of G.S. 115C-84.2 shall not apply to a program approved under this Part, however, the program shall provide instruction each year for at least 185 days or 1,025 hours over nine calendar months."

SECTION 5.(d) G.S. 115C-238.66(1)d. reads as rewritten:

"d. The board of directors shall adopt a school calendar consisting of a minimum of 185 days or 1,025 hours of instruction covering at least nine calendar months."

SECTION 5.(e) This section is effective when it becomes law and applies beginning with the 2013-2014 school year.

PART VI. FUNDING FOR THE ADDITION OF FIVE INSTRUCTIONAL DAYS WITHIN THE EXISTING SCHOOL CALENDAR

SECTION 6.(a) To fully provide for the expansion of five additional instructional days in accordance with S.L. 2011-145, Section 7.29 for those days for which a local school administrative unit has not requested and received a waiver from the State Board of Education for the 2012-2013 school year:

(1) There is appropriated from the General Fund to the Department of Public Instruction the sum of forty thousand one hundred sixty-eight dollars ($40,168) for the 2012-2013 fiscal year to increase the amount appropriated for the noninstructional support personnel allotment.

(2) There is appropriated from the General Fund to the Department of Public Instruction the sum of three hundred fifty-one thousand four hundred sixty-nine dollars ($351,469) for the 2012-2013 fiscal year to increase the amount appropriated for the transportation allotment.

SECTION 6.(b) This section becomes effective July 1, 2012.

PART VII. ESTABLISH NC TEACHER CORPS

SECTION 7.(a) Article 20 of Chapter 115C of the General Statutes is amended by adding a new section to read:

"**§ 115C-296.7. North Carolina Teacher Corps.**

(a) There is established the North Carolina Teacher Corps (NC Teacher Corps) to recruit and place recent graduates of colleges and universities and mid-career professionals as teachers in high needs public schools.

(b) The State Board of Education, in consultation with the Board of Governors of The University of North Carolina and the North Carolina Independent Colleges and Universities, shall develop and administer the NC Teacher Corps. In the development of the NC Teacher Corps, the State Board of Education shall consider examples of other successful teacher recruitment models used nationally and in other states.

(c) Applications shall be received annually for admission to the NC Teacher Corps. The State Board of Education shall establish application criteria, including, at a minimum, an award of a bachelor's degree from an accredited college or university. The State Board of Education may establish a committee to annually evaluate and select candidates for admission to the NC Teacher Corps.

(d) The State Board of Education shall identify local school administrative units with unmet recruitment needs and high needs schools and shall coordinate placement of NC Teacher Corps members in those schools.

(e) The State Board of Education, in coordination with the Board of Governors, shall develop an intensive summer training institute for NC Teacher Corps members to provide coursework and training on essential teaching frameworks, curricula, and lesson planning skills, as well as identification and education of students with disabilities, positive management of student behavior, effective communication for defusing and deescalating disruptive and dangerous behavior, and safe and appropriate use of seclusion and restraint. The intensive summer training institute also shall address identification of difficulty with reading development and of reading deficiencies, and the provision of reading instruction, intervention, and remediation strategies.

(f) The State Board of Education, in coordination with the Board of Governors, shall provide ongoing support to NC Teaching Corps members through coaching, mentoring, and continued professional development.

(g) NC Teaching Corps members shall be granted lateral entry teaching licenses pursuant to G.S. 115C-296(c)."

SECTION 7.(b) This section is effective when it becomes law. The State Board of Education shall recruit and place an initial cohort of NC Teacher Corps members no later than the 2012-2013 school year.

PART VIII. STRENGTHEN TEACHER LICENSURE

SECTION 8.(a) G.S. 115C-296 reads as rewritten:

"§ 115C-296. Board sets licensure requirements; reports; lateral entry and mentor programs.

(a) The State Board of Education shall have entire control of licensing all applicants for teaching positions in all public elementary and high schools of North Carolina; and it shall prescribe the rules and regulations for the renewal and extension of all licenses and shall determine and fix the salary for each grade and type of license which it authorizes.

The State Board of Education may require an applicant for an initial bachelors degree certificate or graduate degree certificate to demonstrate the applicant's academic and professional preparation by achieving a prescribed minimum score on a standard examination appropriate and adequate for that purpose. Elementary Education (K-6) teachers shall also achieve a prescribed minimum score on subtests or standard examinations specific to teaching reading and mathematics. The State Board of Education shall permit an applicant to fulfill any such testing requirement before or during the applicant's second year of teaching provided the applicant took the examination at least once during the first year of teaching. The State Board of Education shall make any required standard initial licensure exam ~~sufficiently~~ rigorous and raise the prescribed minimum score as necessary to ensure that each applicant has ~~adequate~~ received high quality academic and professional preparation to ~~teach.~~teach effectively.

...

(b) It is the policy of the State of North Carolina to maintain the highest quality teacher education programs and school administrator programs in order to enhance the competence of professional personnel licensed in North Carolina. To the end that teacher preparation programs are upgraded to reflect a more rigorous course of study, the State Board of Education, as lead agency in coordination and cooperation with the University Board of Governors, the Board of Community Colleges and such other public and private agencies as are necessary, shall continue to refine the several licensure requirements, standards for approval of institutions of teacher education, standards for institution-based innovative and experimental programs, standards for implementing consortium-based teacher education, and standards for improved efficiencies in the administration of the approved programs. The licensure program shall provide for initial licensure after completion of preservice training, continuing licensure after three years of teaching experience, and license renewal every five years thereafter, until the retirement of the teacher. The last license renewal received prior to retirement shall remain in effect for five years after retirement. The licensure program shall also provide for lifetime licensure after 50 years of teaching.

The State Board of Education, as lead agency in coordination with the Board of Governors of The University of North Carolina and any other public and private agencies as necessary, shall continue to raise standards for entry into teacher education programs.

The State Board of Education, in consultation with local boards of education and the Board of Governors of The University of North Carolina, shall evaluate and modify, as necessary, the academic requirements for students preparing to teach science in middle and high schools to ensure that there is adequate preparation in issues related to science laboratory safety.

The State Board of Education, in consultation with the Board of Governors of The University of North Carolina, shall evaluate and develop enhanced requirements for continuing licensure. The new requirements shall reflect more rigorous standards for continuing licensure and to the extent possible shall be aligned with quality professional development programs that reflect State priorities for improving student achievement. Standards for continuing licensure shall include at least three continuing education credits related to literacy for elementary and middle school teachers. Literacy renewal credits shall include assessment, diagnosis, and intervention strategies for students not demonstrating reading proficiency. Oral language, phonemic and phonological awareness, phonics, vocabulary, fluency, and comprehension shall be addressed in literacy-related activities leading to certification renewal for elementary school teachers.

The State Board of Education, in consultation with local boards of education and the Board of Governors of The University of North Carolina, shall reevaluate and enhance the requirements for renewal of teacher licenses. The State Board shall consider modifications in the license renewal achievement and to make it a mechanism for teachers to renew continually their knowledge and professional skills. ~~The State Board shall adopt new standards for the renewal of teacher licenses by May 15, 1998.~~

The standards for approval of institutions of teacher education shall require that teacher education programs for all students include demonstrated competencies in (i) the identification and education of children with disabilities and (ii) positive management of student behavior and effective communication techniques for defusing and deescalating disruptive or dangerous behavior. The standards for approval of institutions of teacher education shall require that elementary teacher education programs include demonstrated competencies in (i) teaching of reading, including a substantive understanding of reading as a process involving oral language, phonological and phonemic awareness, phonics, fluency, vocabulary, and comprehension; (ii) evidence-based assessment and diagnosis of specific areas of difficulty with reading development and of reading deficiencies; and (iii) appropriate application of instructional supports and services and reading interventions to ensure reading proficiency for all students. The State Board of Education shall incorporate the criteria developed in accordance with G.S. 116-74.21 for assessing proposals under the School Administrator Training Program into its school administrator program approval standards.

All North Carolina institutions of higher education that offer teacher education programs, masters degree programs in education, or masters degree programs in school administration shall provide performance reports to the State Board of Education. The performance reports shall follow a common format, shall be submitted according to a plan developed by the State Board, and shall include the information required under the plan developed by the State Board.

...

(c) It is the policy of the State of North Carolina to encourage lateral entry into the profession of teaching by skilled individuals from the private sector. To this end, before the 1985-86 school year begins, the State Board of Education shall develop criteria and procedures to accomplish the employment of such individuals as classroom teachers. Beginning with the 2006-2007 school year, the criteria and procedures shall include preservice training in (i) the identification and education of children with disabilities and (ii) positive management of student behavior, effective communication for defusing and deescalating disruptive or dangerous behavior, and safe and appropriate use of seclusion and restraint. Skilled individuals who choose to enter the profession of teaching laterally may be granted a ~~provisional~~lateral entry teaching license for no more than three years and shall be required to obtain licensure before contracting for a fourth year of service with any local administrative unit in this State.

...."

SECTION 8.(b) This section is effective when it becomes law and applies beginning with the 2013-2014 school year.

PART IX. PROOF OF STATE-FUNDED LIABILITY INSURANCE

SECTION 9.(a) G.S. 115C-12 reads as rewritten:

"**§ 115C-12. Powers and duties of the Board generally.**

The general supervision and administration of the free public school system shall be vested in the State Board of Education. The State Board of Education shall establish policy for the system of free public schools, subject to laws enacted by the General Assembly. The powers and duties of the State Board of Education are defined as follows:

...

(9) Miscellaneous Powers and Duties. – All the powers and duties exercised by the State Board of Education shall be in conformity with the Constitution

and subject to such laws as may be enacted from time to time by the General Assembly. Among such duties are:

...

f. To annually notify public school employees of the availability and coverage of professional liability insurance.

...."

SECTION 9.(b) This section is effective when it becomes law and applies beginning with the 2012-2013 school year.

PART X. PAY FOR EXCELLENCE

SECTION 10.(a) Each local board of education shall develop a plan of performance pay for all licensed personnel employed by the local board. Under the performance pay plan, licensed employees should be eligible to receive bonuses or adjustments to base salary for meeting certain performance criteria. Criteria for award of bonuses or adjustments to base salary should include, but are not limited to, the following factors:

(1) Annual growth in student achievement of students assigned to a teacher's classroom, when applicable.

(2) Annual growth in student achievement of students assigned to a specific school.

(3) Assignment of additional academic responsibilities.

(4) Assignment to a hard-to-staff school.

(5) Assignment to a hard-to-staff subject area.

Local boards of education shall submit plans to the State Board of Education no later than March 1, 2013. The State Board of Education shall report on these plans and the achievement-based compensation models developed as part of the federal Race to the Top grant and shall submit the report and all plans to the Fiscal Research Division, the Joint Legislative Commission on Governmental Operations, and the respective Subcommittees on Education Appropriations of the Senate and House of Representatives no later than April 15, 2013. Members of the public may also submit plans for performance pay no later than April 15, 2013, to the Fiscal Research Division, the Joint Legislative Commission on Governmental Operations, and the respective Subcommittees on Education Appropriations of the Senate and House of Representatives.

SECTION 10.(b) This section is effective when it becomes law.

PART XI. CLARIFY NC PRE-K PROGRAM ELIGIBILITY

SECTION 11.(a) Section 10.7(f) of S.L. 2011-145 reads as rewritten:

"**SECTION 10.7.(f)** ~~The prekindergarten program may continue to serve at-risk children identified through the existing "child find" methods in which at-risk children are currently served within the Division of Child Development. The Division of Child Development shall serve at-risk children regardless of income. However, the total number of at-risk children served shall constitute no more than twenty percent (20%) of the four-year-olds served within the prekindergarten program. Any~~ The Division of Child Development and Early Education shall establish income eligibility requirements for the program not to exceed seventy-five percent (75%) of the State median income. Up to twenty percent (20%) of children enrolled may have family incomes in excess of seventy-five percent (75%) of median income if they have other designated risk factors. Furthermore, any age-eligible child who is a child of either of the following shall be eligible for the program: (i) an active duty member of the Armed Forces of the United States, including the North Carolina National Guard, State military forces, or a reserve component of the Armed Forces, who was ordered to active duty by the proper authority within the last 18 months or is expected to be ordered within the next 18 months or (ii) a member of the Armed Forces of the United States, including the North Carolina National

Guard, State military forces, or a reserve component of the Armed Forces, who was injured or killed while serving on active duty. Eligibility determinations for prekindergarten participants may continue through local education agencies and local North Carolina Partnership for Children, Inc., partnerships."

SECTION 11.(b) Section 10.7(h) of S.L. 2011-145 is repealed.

SECTION 11.(c) There is appropriated from the General Fund to the Department of Health and Human Services, Division of Child Development and Early Education, the sum of eleven million three hundred eight thousand three hundred sixty-three dollars ($11,308,363) for the 2012-2013 fiscal year to add 2,261 slots to be used in the NC Pre-K program.

SECTION 11.(d) This section is effective when it becomes law.

PART XII. REPEAL PROHIBITION ON TEACHER PREPAYMENT

SECTION 12.(a) Section 5 of S.L. 2011-379 is repealed.

SECTION 12.(b) This section becomes effective July 1, 2012.

PART XIII. TAX DEDUCTION FOR EDUCATIONAL SUPPLIES

SECTION 13.(a) G.S. 105-134.6(d) is amended by adding a new subdivision to read:

"(d) Other Adjustments. – The following adjustments to taxable income shall be made in calculating North Carolina taxable income:

...

(9) To the extent a deduction has not been claimed for educator expenses in determining federal adjusted gross income, an eligible educator may deduct an amount not to exceed two hundred fifty dollars ($250.00) paid or incurred in connection with items listed in this subdivision. For purposes of this subdivision, the term "eligible educator" has the same meaning as defined in section 62 of the Code, as it existed on December 31, 2011. In the case of a married couple filing a joint return where both spouses are eligible educators, the maximum dollar amount is five hundred dollars ($500.00).

a. Books.

b. Supplies, other than nonathletic supplies for courses of instruction in health or physical education.

c. Computer equipment, including related software and services.

d. Supplementary materials used by the eligible educator in the classroom."

SECTION 13.(b) This section becomes effective for taxable years beginning on or after January 1, 2012.

PART XIV. TEACHER CONTRACTS

SECTION 14.(a) G.S. 115C-325 is repealed.

SECTION 14.(b) Part 3 of Article 22 of Chapter 115C of the General Statutes is amended by adding new sections to read:

"**§ 115C-325.1. Definitions.**

As used in this Part, the following definitions apply:

(1) "Day" means calendar day. In computing any period of time, Rule 6 of the North Carolina Rules of Civil Procedure shall apply.

(2) "Demote" means to reduce the salary of a person who is classified or paid by the State Board of Education as a classroom teacher or as a school administrator. The word "demote" does not include (i) a suspension without pay pursuant to G.S. 115C-325.5(a); (ii) the elimination or reduction of bonus payments, including merit-based supplements, or a systemwide

modification in the amount of any applicable local supplement; or (iii) any reduction in salary that results from the elimination of a special duty, such as the duty of an athletic coach or a choral director.

(3) "Disciplinary suspension" means a final decision to suspend a teacher or school administrator without pay for no more than 60 days under G.S. 115C-325.5(b).

(4) "School administrator" means a principal, assistant principal, supervisor, or director whose major function includes the direct or indirect supervision of teaching or any other part of the instructional program as provided in G.S. 115C-287.1(a)(3).

(5) "Teacher" means a person meeting each of the following requirements:

a. Who holds at least one of the following licenses issued by the State Board of Education:

1. A current standard professional educator's license.

2. A current lateral entry teaching license.

3. A regular, not expired, vocational license.

b. Whose major responsibility is to teach or directly supervise teaching or who is classified by the State Board of Education or is paid either as a classroom teacher or instructional support personnel.

c. Who is employed to fill a full-time, permanent position.

"**§ 115C-325.2. Personnel files.**

(a) Maintenance of Personnel File. – The superintendent shall maintain in his or her office a personnel file for each teacher that contains any complaint, commendation, or suggestion for correction or improvement about the teacher's professional conduct, except that the superintendent may elect not to place in a teacher's file (i) a letter of complaint that contains invalid, irrelevant, outdated, or false information or (ii) a letter of complaint when there is no documentation of an attempt to resolve the issue. The complaint, commendation, or suggestion shall be signed by the person who makes it and shall be placed in the teacher's file only after five days' notice to the teacher. Any denial or explanation relating to such complaint, commendation, or suggestion that the teacher desires to make shall be placed in the file. Any teacher may petition the local board of education to remove any information from the teacher's personnel file that the teacher deems invalid, irrelevant, or outdated. The board may order the superintendent to remove said information if it finds the information is invalid, irrelevant, or outdated.

(b) Inspection of Personnel Files. – The personnel file shall be open for the teacher's inspection at all reasonable times but shall be open to other persons only in accordance with such rules and regulations as the board adopts. Any preemployment data or other information obtained about a teacher before the teacher's employment by the board may be kept in a file separate from the teacher's personnel file and need not be made available to the teacher. No data placed in the preemployment file may be introduced as evidence at a hearing on the dismissal or demotion of a teacher, except the data may be used to substantiate G.S. 115C-325.4(a)(7) or G.S. 115C-325.4(a)(14) as grounds for dismissal or demotion.

"**§ 115C-325.3. Teacher contracts.**

(a) Length of Contract. – A contract between the local board of education and a teacher who has been employed by the local board of education for less than three years shall be for a term of one school year. A contract or renewal of contract between the local board of education and a teacher who has been employed by the local board of education for three years or more shall be for a term of one, two, three, or four school years.

(b) Superintendent Recommendation to Local Board. – Local boards of education shall employ teachers upon the recommendation of the superintendent. If a superintendent intends to recommend to the local board of education that a teacher be offered a new or renewed contract,

the superintendent shall submit the recommendation to the local board for action and shall include in the recommendation the length of the term of contract. A superintendent shall only recommend a teacher for a contract of a term longer than one school year if the teacher has shown effectiveness as demonstrated on the teacher evaluation instrument. The local board may approve the superintendent's recommendation, may decide not to offer the teacher a new or renewed contract, or may decide to offer the teacher a renewed contract for a different term than recommended by the superintendent.

(c) Dismissal During Term of Contract. – A teacher shall not be dismissed or demoted during the term of the contract except for the grounds and by the procedure set forth in G.S. 115C-325.4.

(d) Recommendation on Nonrenewal. – If a superintendent decides not to recommend that the local board of education offer a renewed contract to a teacher, the superintendent shall give the teacher written notice of the decision no later than May 15.

(e) Right to Petition for Hearing. – A teacher shall have the right to petition the local board of education for a hearing no later than June 1. The local board may, in its discretion, grant a hearing regarding the superintendent's recommendation for nonrenewal. The local board of education shall notify the teacher making the petition of its decision whether to grant a hearing. If the request for a hearing is granted, the local board shall conduct a hearing pursuant to the provisions of G.S. 115C-45(c) and make a final decision on whether to offer the teacher a renewed contract. The board shall notify a teacher whose contract will not be renewed for the next school year of its decision by June 15; provided, however, if a teacher submits a request for a hearing, the board shall provide the nonrenewal notification by July 1 or such later date upon the written consent of the superintendent and teacher. A decision not to offer a teacher a renewed contract shall not be on any basis prohibited by State or federal law.

(f) Local boards of education and teachers employed by the local board may mutually modify the terms of the contract to permit part-time employment.

"**§ 115C-325.4. Dismissal or demotion for cause.**

(a) Grounds. – No teacher shall be dismissed or demoted or reduced to employment on a part-time basis for disciplinary reasons during the term of the contract except for one or more of the following:

(1) Inadequate performance. In determining whether the professional performance of a teacher is adequate, consideration shall be given to regular and special evaluation reports prepared in accordance with the published policy of the employing local school administrative unit and to any published standards of performance which shall have been adopted by the board. Inadequate performance for a teacher shall mean (i) the failure to perform at a proficient level on any standard of the evaluation instrument or (ii) otherwise performing in a manner that is below standard.

(2) Immorality.

(3) Insubordination.

(4) Neglect of duty.

(5) Physical or mental incapacity.

(6) Habitual or excessive use of alcohol or nonmedical use of a controlled substance as defined in Article 5 of Chapter 90 of the General Statutes.

(7) Conviction of a felony or a crime involving moral turpitude.

(8) Advocating the overthrow of the government of the United States or of the State of North Carolina by force, violence, or other unlawful means.

(9) Failure to fulfill the duties and responsibilities imposed upon teachers or school administrators by the General Statutes of this State.

(10) Failure to comply with such reasonable requirements as the board may prescribe.

(11) Any cause which constitutes grounds for the revocation of the teacher's teaching license or the school administrator's administrator license.

(12) Failure to maintain his or her license in a current status.

(13) Failure to repay money owed to the State in accordance with the provisions of Article 60 of Chapter 143 of the General Statutes.

(14) Providing false information or knowingly omitting a material fact on an application for employment or in response to a preemployment inquiry.

(b) Dismissal Procedure. – The procedures provided in G.S. 115C-325.6 shall be followed for dismissals, demotions, or reductions to part-time employment for disciplinary reasons for any reason specified in subsection (a) of this section.

"**§ 115C-325.5. Teacher suspension.**

(a) Immediate Suspension Without Pay. – If a superintendent believes that cause exists for dismissing a teacher for any reason specified in G.S. 115C-325.4 and that immediate suspension of the teacher is necessary, the superintendent may suspend the teacher without pay. Before suspending a teacher without pay, the superintendent shall meet with the teacher and give him or her written notice of the charges against the teacher, an explanation of the basis for the charges, and an opportunity to respond. Within five days after a suspension under this paragraph, the superintendent shall initiate a dismissal, demotion, or disciplinary suspension without pay as provided in this section. If it is finally determined that no grounds for dismissal, demotion, or disciplinary suspension without pay exist, the teacher shall be reinstated immediately, shall be paid for the period of suspension, and all records of the suspension shall be removed from the teacher's personnel file.

(b) Disciplinary Suspension Without Pay. – A teacher recommended for disciplinary suspension without pay may request a hearing before the board. If no request is made within 15 days, the superintendent may file his or her recommendation with the board. If, after considering the recommendation of the superintendent and the evidence adduced at the hearing if one is held, the board concludes that the grounds for the recommendation are true and substantiated by a preponderance of the evidence, the board, if it sees fit, may by resolution order such suspension.

(1) Board hearing for disciplinary suspensions for more than 10 days or for certain types of intentional misconduct. – The procedures for a board hearing under G.S. 115C-325.8 shall apply if any of the following circumstances exist:

a. The recommended disciplinary suspension without pay is for more than 10 days; or

b. The disciplinary suspension is for intentional misconduct, such as inappropriate sexual or physical conduct, immorality, insubordination, habitual or excessive alcohol or nonmedical use of a controlled substance as defined in Article 5 of Chapter 90 of the General Statutes, any cause that constitutes grounds for the revocation of the teacher's or school administrator's license, or providing false information.

(2) Board hearing for disciplinary suspensions of no more than 10 days. – The procedures for a board hearing under G.S. 115C-325.7 shall apply to all disciplinary suspensions of no more than 10 days that are not for intentional misconduct as specified in G.S. 115C-325.5(b)(1).

(c) Suspension with Pay. – If a superintendent believes that cause may exist for dismissing or demoting a teacher for any reasons specified in G.S. 115C-325.4 but that additional investigation of the facts is necessary and circumstances are such that the teacher should be removed immediately from the teacher's duties, the superintendent may suspend the teacher with pay for a reasonable period of time, not to exceed 90 days. The superintendent

shall notify the board of education within two days of the superintendent's action and shall notify the teacher within two days of the action and the reasons for it. If the superintendent has not initiated dismissal or demotion proceedings against the teacher within the 90-day period, the teacher shall be reinstated to the teacher's duties immediately and all records of the suspension with pay shall be removed from the teacher's personnel file at the teacher's request. However, if the superintendent and the teacher agree to extend the 90-day period, the superintendent may initiate dismissal or demotion proceedings against the teacher at any time during the period of the extension.

"**§ 115C-325.6. Procedure for dismissal or demotion of a teacher for cause.**

(a) Recommendation of Dismissal or Demotion. – A teacher may not be dismissed, demoted, or reduced to part-time employment for disciplinary reasons during the term of the contract except upon the superintendent's recommendation based on one or more of the grounds in G.S. 115C-325.4.

(b) Notice of Recommendation. – Before recommending to a board the dismissal or demotion of a teacher, the superintendent shall give written notice to the teacher by certified mail or personal delivery of the superintendent's intention to make such recommendation and shall set forth as part of the superintendent's recommendation the grounds upon which he or she believes such dismissal or demotion is justified. The superintendent also shall meet with the teacher and provide written notice of the charges against the teacher, an explanation of the basis for the charges, and an opportunity to respond if the teacher has not done so under G.S. 115C-325.5(a). The notice shall include a statement to the effect that the teacher, within 14 days after the date of receipt of the notice, may request a hearing before the board on the superintendent's recommendation. A copy of Part 3 of Article 22 of Chapter 115C shall also be sent to the teacher.

(c) Request for Hearing. – Within 14 days after receipt of the notice of recommendation, the teacher may file with the superintendent a written request for a hearing before the board on the superintendent's recommendation. The superintendent shall submit his or her recommendation to the board. Within five days after receiving the superintendent's recommendation and before taking any formal action, the board shall set a time and place for the hearing and shall notify the teacher by certified mail or personal delivery of the date, time, and place of the hearing. The time specified shall not be less than 10 nor more than 30 days after the board has notified the teacher, unless both parties agree to an extension. The hearing shall be conducted as provided in G.S. 115C-325.7.

(d) No Request for Hearing. – If the teacher does not request a hearing before the board within the 14 days provided, the superintendent may submit his or her recommendation to the board. The board, if it sees fit, may by resolution (i) reject the superintendent's recommendation or (ii) accept or modify the superintendent's recommendation and dismiss, demote, reinstate, or suspend the teacher without pay.

"**§ 115C-325.7. Hearing before board.**

(a) Board Hearing. – The following procedures shall apply to a hearing conducted by the board:

(1) The hearing shall be private.

(2) The board shall receive the following:

a. Any documentary evidence the superintendent intends to use to support the recommendation. The superintendent shall provide the documentary evidence to the teacher seven days before the hearing.

b. Any documentary evidence the teacher intends to use to rebut the superintendent's recommendation. The teacher shall provide the superintendent with the documentary evidence three days before the hearing.

c. The superintendent's recommendation and the grounds for the recommendation.

(3) The superintendent and teacher may submit a written statement not less than three days before the hearing.

(4) The superintendent and teacher shall be permitted to make oral arguments to the board based on the record before the board.

(5) The board shall make findings of fact based upon a preponderance of the evidence.

(6) Within two days following the hearing, the board shall send a written copy of its findings and determination to the teacher and the superintendent.

(7) If the board elects to make a transcript, the teacher may request and shall receive at no charge a transcript of the proceedings. A teacher may have the hearing transcribed by a court reporter at the teacher's expense.

(b) The procedures of this section shall not apply to board hearings for disciplinary suspensions without pay. Board hearings for G.S. 115C-325.5(b), disciplinary suspensions without pay, shall be conducted as provided in G.S. 115C-325.8.

"**§ 115C-325.8. Board hearing for certain disciplinary suspensions.**

(a) The following procedures shall apply for a board hearing under G.S. 115C-325.5(b), disciplinary suspensions without pay:

(1) The hearing shall be private.

(2) The hearing shall be conducted in accordance with reasonable rules adopted by the State Board of Education to govern such hearings.

(3) At the hearing, the teacher and the superintendent shall have the right to be present and to be heard, to be represented by counsel, and to present through witnesses any competent testimony relevant to the issue of whether grounds exist for a disciplinary suspension without pay.

(4) Rules of evidence shall not apply to a hearing under this subsection and the board may give probative effect to evidence that is of a kind commonly relied on by reasonably prudent persons in the conduct of serious affairs.

(5) At least eight days before the hearing, the superintendent shall provide to the teacher a list of witnesses the superintendent intends to present, a brief statement of the nature of the testimony of each witness, and a copy of any documentary evidence the superintendent intends to present.

(6) At least six days before the hearing, the teacher shall provide the superintendent a list of witnesses the teacher intends to present, a brief statement of the nature of the testimony of each witness, and a copy of any documentary evidence the teacher intends to present.

(7) No new evidence may be presented at the hearing except upon a finding by the board that the new evidence is critical to the matter at issue and the party making the request could not, with reasonable diligence, have discovered and produced the evidence according to the schedule provided in this section.

(8) The board may subpoena and swear witnesses and may require them to give testimony and to produce records and documents relevant to the grounds for suspension without pay.

(9) The board shall decide all procedural issues, including limiting cumulative evidence, necessary for a fair and efficient hearing.

(10) The superintendent shall provide for making a transcript of the hearing. The teacher may request and shall receive at no charge a transcript of the proceedings.

"**§ 115C-325.9. Teacher resignation.**

(a) Teacher Resignation Following Recommendation for Dismissal. – If a teacher has been recommended for dismissal under G.S. 115C-325.4 and the teacher chooses to resign without the written agreement of the superintendent, then:

(1) The superintendent shall report the matter to the State Board of Education.

(2) The teacher shall be deemed to have consented to (i) the placement in the teacher's personnel file of the written notice of the superintendent's intention to recommend dismissal and (ii) the release of the fact that the superintendent has reported this teacher to the State Board of Education to prospective employers, upon request. The provisions of G.S. 115C-321 shall not apply to the release of this particular information.

(3) The teacher shall be deemed to have voluntarily surrendered his or her license pending an investigation by the State Board of Education in a determination whether or not to seek action against the teacher's license. This license surrender shall not exceed 45 days from the date of resignation. Provided further that the cessation of the license surrender shall not prevent the State Board of Education from taking any further action it deems appropriate. The State Board of Education shall initiate investigation within five working days of the written notice from the superintendent and shall make a final decision as to whether to revoke or suspend the teacher's license within 45 days from the date of resignation.

(b) 30 Days' Notice Resignation Requirement. – A teacher who is not recommended for dismissal should not resign during the term of the contract without the consent of the superintendent unless he or she has given at least 30 days' notice. If a teacher who is not recommended for dismissal does resign during the term of the contract without giving at least 30 days' notice, the board may request that the State Board of Education revoke the teacher's license for the remainder of that school year. A copy of the request shall be placed in the teacher's personnel file.

"**§ 115C-325.10. Application to certain institutions.**

Notwithstanding any law or regulation to the contrary, this Part shall apply to all persons employed in teaching and related educational classes in the schools and institutions of the Departments of Health and Human Services, Public Instruction, Correction, or the Division of Juvenile Justice of the Department of Public Safety, regardless of the age of the students.

"**§ 115C-325.11. Dismissal of school administrators and teachers employed in low-performing residential schools.**

(a) Notwithstanding any other provision of this section or any other law, this section shall govern the dismissal by the State Board of Education of teachers, principals, assistant principals, directors, supervisors, and other licensed personnel assigned to a residential school that the State Board has identified as low-performing and to which the State Board has assigned an assistance team. The State Board shall dismiss a teacher, principal, assistant principal, director, supervisor, or other licensed personnel when the State Board receives two consecutive evaluations that include written findings and recommendations regarding that person's inadequate performance from the assistance team. These findings and recommendations shall be substantial evidence of the inadequate performance of the teacher or school administrator.

(b) The State Board may dismiss a teacher, principal, assistant principal, director, supervisor, or other licensed personnel when:

(1) The State Board determines that the school has failed to make satisfactory improvement after the State Board assigned an assistance team to that school.

(2) That assistance team makes the recommendation to dismiss the teacher, principal, assistant principal, director, supervisor, or other licensed personnel

for one or more grounds established in G.S. 115C-325.4 for dismissal or demotion of a teacher.

Within 30 days of any dismissal under this subsection, a teacher, principal, assistant principal, director, supervisor, or other licensed personnel may request a hearing before a panel of three members designated by the State Board. The State Board shall adopt procedures to ensure that due process rights are afforded to persons recommended for dismissal under this subsection. Decisions of the panel may be appealed on the record to the State Board.

(c) Notwithstanding any other provision of this section or any other law, this subsection shall govern the dismissal by the State Board of licensed staff members who have engaged in a remediation plan under G.S. 115C-105.38A(c) but who, after one retest, fail to meet the general knowledge standard set by the State Board. The failure to meet the general knowledge standard after one retest shall be substantial evidence of the inadequate performance of the licensed staff member.

Within 30 days of any dismissal under this subsection, a licensed staff member may request a hearing before a panel of three members designated by the State Board. The State Board shall adopt procedures to ensure that due process rights are afforded to licensed staff members recommended for dismissal under this subsection. Decisions of the panel may be appealed on the record to the State Board.

(d) The State Board or the superintendent of a residential school may terminate the contract of a school administrator dismissed under this section. Nothing in this section shall prevent the State Board from refusing to renew the contract of any person employed in a school identified as low-performing.

(e) Neither party to a school administrator or teacher contract is entitled to damages under this section.

(f) The State Board shall have the right to subpoena witnesses and documents on behalf of any party to the proceedings under this section.

"**§ 115C-325.12. Procedure for dismissal of Principals employed in low-performing schools.**

(a) Dismissal of Principals Assigned to Low-Performing Schools With Assistance Teams. – Notwithstanding any other provision of this Part or any other law, this section governs the State Board's dismissal of principals assigned to low-performing schools to which the State Board has assigned an assistance team.

(b) Authority of State Board to Dismiss Principal. – The State Board through its designee may, at any time, recommend the dismissal of any principal who is assigned to a low-performing school to which an assistance team has been assigned. The State Board through its designee shall recommend the dismissal of any principal when the State Board receives from the assistance team assigned to that principal's school two consecutive evaluations that include written findings and recommendations regarding the principal's inadequate performance.

(c) Procedures for Dismissal of Principal. –

(1) If the State Board through its designee recommends the dismissal of a principal under this section, the principal shall be suspended with pay pending a hearing before a panel of three members of the State Board. The purpose of this hearing, which shall be held within 60 days after the principal is suspended, is to determine whether the principal shall be dismissed.

(2) The panel shall order the dismissal of the principal if it determines from available information, including the findings of the assistance team, that the low performance of the school is due to the principal's inadequate performance.

(3) The panel may order the dismissal of the principal if (i) it determines that the school has not made satisfactory improvement after the State Board assigned

an assistance team to that school; and (ii) the assistance team makes the recommendation to dismiss the principal for one or more grounds established in G.S. 115C-325.4 for dismissal or demotion of a teacher.

(4) If the State Board or its designee recommends the dismissal of a principal before the assistance team assigned to the principal's school has evaluated that principal, the panel may order the dismissal of the principal if the panel determines from other available information that the low performance of the school is due to the principal's inadequate performance.

(5) In all hearings under this section, the burden of proof is on the principal to establish that the factors leading to the school's low performance were not due to the principal's inadequate performance. In all hearings under this section, the burden of proof is on the State Board to establish that the school failed to make satisfactory improvement after an assistance team was assigned to the school and to establish one or more of the grounds established for dismissal or demotion of a teacher under G.S. 115C-325.4.

(6) In all hearings under this section, two consecutive evaluations that include written findings and recommendations regarding that principal's inadequate performance from the assistance team are substantial evidence of the inadequate performance of the principal.

(7) The State Board shall adopt procedures to ensure that due process rights are afforded to principals under this section. Decisions of the panel may be appealed on the record to the State Board.

(d) The State Board of Education or a local board may terminate the contract of a principal dismissed under this section.

(e) Neither party to a school administrator contract is entitled to damages under this section.

(f) The State Board shall have the right to subpoena witnesses and documents on behalf of any party to the proceedings under this section.

"**§ 115C-325.13. Procedure for dismissal of teachers employed in low-performing schools.**

(a) Notwithstanding any other provision of this Part or any other law, this section shall govern the State Board's dismissal of teachers, assistant principals, directors, and supervisors assigned to schools that the State Board has identified as low-performing and to which the State Board has assigned an assistance team under Article 8B of this Chapter. The State Board shall dismiss a teacher, assistant principal, director, or supervisor when the State Board receives two consecutive evaluations that include written findings and recommendations regarding that person's inadequate performance from the assistance team. These findings and recommendations shall be substantial evidence of the inadequate performance of the teacher, assistant principal, director, or supervisor.

(b) The State Board may dismiss a teacher, assistant principal, director, or supervisor when:

(1) The State Board determines that the school has failed to make satisfactory improvement after the State Board assigned an assistance team to that school under G.S. 115C-105.38; and

(2) That assistance team makes the recommendation to dismiss the teacher, assistant principal, director, or supervisor for one or more grounds established in G.S. 115C-325.4 for dismissal or demotion for cause.

A teacher, assistant principal, director, or supervisor may request a hearing before a panel of three members of the State Board within 30 days of any dismissal under this section. The State Board shall adopt procedures to ensure that due process rights are afforded to persons recommended for dismissal under this section. Decisions of the panel may be appealed on the record to the State Board.

(c) Notwithstanding any other provision of this Part or any other law, this section shall govern the State Board's dismissal of licensed staff members who have engaged in a remediation plan under G.S. 115C-105.38A(c) but who, after one retest, fail to meet the general knowledge standard set by the State Board. The failure to meet the general knowledge standard after one retest shall be substantial evidence of the inadequate performance of the licensed staff member.

(d) A licensed staff member may request a hearing before a panel of three members of the State Board within 30 days of any dismissal under this section. The State Board shall adopt procedures to ensure that due process rights are afforded to licensed staff members recommended for dismissal under this section. Decisions of the panel may be appealed on the record to the State Board.

(e) The State Board of Education or a local board may terminate the contract of a teacher, assistant principal, director, or supervisor dismissed under this section.

(f) Neither party to a school administrator or teacher contract is entitled to damages under this section.

(g) The State Board shall have the right to subpoena witnesses and documents on behalf of any party to the proceedings under this section."

SECTION 14.(c) G.S. 115C-45(c) reads as rewritten:

"(c) Appeals to Board of Education and to Superior Court. – An appeal shall lie to the local board of education from any final administrative decision in the following matters:

(1) The discipline of a student under G.S. 115C-390.7, 115C-390.10, or 115C-390.11;

(2) An alleged violation of a specified federal law, State law, State Board of Education policy, State rule, or local board policy, including policies regarding grade retention of students;

(3) The terms or conditions of employment or employment status of a school employee; and

(4) Any other decision that by statute specifically provides for a right of appeal to the local board of education and for which there is no other statutory appeal procedure.

As used in this subsection, the term "final administrative decision" means a decision of a school employee from which no further appeal to a school administrator is available.

Any person aggrieved by a decision not covered under subdivisions (1) through (4) of this subsection shall have the right to appeal to the superintendent and thereafter shall have the right to petition the local board of education for a hearing, and the local board may grant a hearing regarding any final decision of school personnel within the local school administrative unit. The local board of education shall notify the person making the petition of its decision whether to grant a hearing.

In all appeals to the board it is the duty of the board of education to see that a proper notice is given to all parties concerned and that a record of the hearing is properly entered in the records of the board conducting the hearing.

The board of education may designate hearing panels composed of not less than two members of the board to hear and act upon such appeals in the name and on behalf of the board of education.

An appeal of right brought before a local board of education under subdivision (1), (2), ~~(3),~~ or (4) of this subsection may be further appealed to the superior court of the State on the grounds that the local board's decision is in violation of constitutional provisions, is in excess of the statutory authority or jurisdiction of the board, is made upon unlawful procedure, is affected by other error of law, is unsupported by substantial evidence in view of the entire record as submitted, or is arbitrary or capricious. ~~However, the right of a noncertified employee to appeal decisions of a local board under subdivision (3) of this subsection shall only apply to decisions~~

~~concerning the dismissal, demotion, or suspension without pay of the noncertified employee. A noncertified employee may request and shall be entitled to receive written notice as to the reasons for the employee's dismissal, demotion, or suspension without pay. The notice shall be provided to the employee prior to any local board of education hearing on the issue. This subsection shall not alter the employment status of a noncertified employee.~~"

SECTION 14.(d) G.S. 115C-105.26(b)(2) reads as rewritten:

"(2) State rules and policies, except those pertaining to public school State salary schedules and employee benefits for school employees, the instructional program that must be offered under the Basic Education Program, the system of employment for public school teachers and administrators set out in G.S. 115C-287.1 and ~~G.S. 115C-325,~~in Part 3 of Article 22 of this Chapter, health and safety codes, compulsory attendance, the minimum lengths of the school day and year, and the Uniform Education Reporting System."

SECTION 14.(e) G.S. 115C-105.37B(a)(2) reads as rewritten:

"(2) Restart model, in which the State Board of Education would authorize the local board of education to operate the school with the same exemptions from statutes and rules as a charter school authorized under Part 6A of Article 16 of this Chapter, or under the management of an educational management organization that has been selected through a rigorous review process. A school operated under this subdivision remains under the control of the local board of education, and employees assigned to the school are employees of the local school administrative unit with the protections provided by ~~G.S. 115C-325.~~Part 3 of Article 22 of this Chapter."

SECTION 14.(f) G.S. 115C-105.38A(d) reads as rewritten:

"(d) Retesting; Dismissal. – Upon completion of the remediation plan required under subsection (c) of this section, the certified staff member shall take the general knowledge test a second time. If the certified staff member fails to acquire a passing score on the second test, the State Board shall begin a dismissal proceeding under ~~G.S. 115C-325(q)(2a).~~G.S. 115C-325.13."

SECTION 14.(g) G.S. 115C-105.38A(f) reads as rewritten:

"(f) Other Actions Not Precluded. – Nothing in this section shall be construed to restrict or postpone the following actions:

(1) The dismissal of a principal under ~~G.S. 115C-325(q)(1);~~G.S. 115C-325.12.

(2) The dismissal of a teacher, assistant principal, director, or supervisor under ~~G.S. 115C-325(q)(2);~~G.S. 115C-325.13.

(3) The dismissal or demotion of ~~a career~~ an employee for any of the grounds listed under ~~G.S. 115C-325(e);~~G.S. 115C-325.4.

(4) The nonrenewal of a school administrator's or ~~probationary~~ teacher's contract of ~~employment; or~~employment.

~~(5) The decision to grant career status.~~"

SECTION 14.(h) G.S. 115C-105.39 reads as rewritten:

"**§ 115C-105.39. Dismissal or removal of personnel; appointment of interim superintendent.**

(a) Within 30 days of the initial identification of a school as low-performing, whether by the local school administrative unit under G.S. 115C-105.37(a1) or by the State Board under G.S. 115C-105.37(a), the superintendent shall take one of the following actions concerning the school's principal: (i) recommend to the local board that the principal be retained in the same position, (ii) recommend to the local board that the principal be retained in the same position and a plan of remediation should be developed, (iii) recommend to the local board that the principal be transferred, or (iv) proceed under ~~G.S. 115C-325~~G.S. 115C-325.4 to dismiss or demote the principal. The principal may be retained in the same position without a plan for

remediation only if the principal was in that position for no more than two years before the school is identified as low-performing. The principal shall not be transferred to another principal position unless (i) it is in a school classification in which the principal previously demonstrated at least 2 years of success, (ii) there is a plan to evaluate and provide remediation to the principal for at least one year following the transfer to assure the principal does not impede student performance at the school to which the principal is being transferred; and (iii) the parents of the students at the school to which the principal is being transferred are notified. The principal shall not be transferred to another low-performing school in the local school administrative unit. If the superintendent intends to recommend demotion or dismissal, the superintendent shall notify the local board. Within 15 days of (i) receiving notification that the superintendent intends to proceed under ~~G.S. 115C-325~~,G.S. 115C-325.4 or (ii) its decision concerning the superintendent's recommendation, but no later than September 30, the local board shall submit to the State Board a written notice of the action taken and the basis for that action. If the State Board does not assign an assistance team to that school or if the State Board assigns an assistance team to that school and the superintendent proceeds under ~~G.S. 115C-325~~G.S. 115C-325.4 to dismiss or demote the principal, then the State Board shall take no further action. If the State Board assigns an assistance team to the school and the superintendent is not proceeding under ~~G.S. 115C-325~~G.S. 115C-325.4 to dismiss or demote the principal, then the State Board shall vote to accept, reject, or modify the local board's recommendations. The State Board shall notify the local board of its action within five days. If the State Board rejects or modifies the local board's recommendations and does not recommend dismissal of the principal, the State Board's notification shall include recommended action concerning the principal's assignment or terms of employment. Upon receipt of the State Board's notification, the local board shall implement the State Board's recommended action concerning the principal's assignment or terms of employment unless the local board asks the State Board to reconsider that recommendation. The State Board shall provide an opportunity for the local board to be heard before the State Board acts on the local board's request for a reconsideration. The State Board shall vote to affirm or modify its original recommended action and shall notify the local board of its action within five days. Upon receipt of the State Board's notification, the local board shall implement the State Board's final recommended action concerning the principal's assignment or terms of employment. If the State Board rejects or modifies the local board's action and recommends dismissal of the principal, the State Board shall proceed under ~~G.S. 115C-325(q)(1).~~G.S. 115C-325.12.

(b) The State Board shall proceed under ~~G.S. 115C-325(q)(2)~~G.S. 115C-325.13 for the dismissal of teachers, assistant principals, directors, and supervisors assigned to a school identified as low-performing in accordance with ~~G.S. 115C-325(q)(2).~~G.S. 115C-325.13.

...."

SECTION 14.(i) G.S. 115C-238.29F(e)(3) reads as rewritten:

"(3) If a teacher employed by a local school administrative unit makes a written request for a leave of absence to teach at a charter school, the local school administrative unit shall grant the leave for one year. For the initial year of a charter school's operation, the local school administrative unit may require that the request for a leave of absence be made up to 45 days before the teacher would otherwise have to report for duty. After the initial year of a charter school's operation, the local school administrative unit may require that the request for a leave of absence be made up to 90 days before the teacher would otherwise have to report for duty. A local board of education is not required to grant a request for a leave of absence or a request to extend or renew a leave of absence for a teacher who previously has received a leave of absence from that school board under this subdivision. A teacher who has ~~career status under G.S. 115C-325 prior to receiving~~received a

leave of absence to teach at a charter school may return to a public school in the local school administrative unit ~~with career status~~ at the end of the leave of absence or upon the end of employment at the charter school if an appropriate position is available. ~~If an appropriate position is unavailable, the teacher's name shall be placed on a list of available teachers and that teacher shall have priority on all positions for which that teacher is qualified in accordance with G.S. 115C-325(e)(2).~~"

SECTION 14.(j) G.S. 115C-238.68(3) reads as rewritten:

"(3) ~~Career status.~~Leave of absence from local school administrative unit. – ~~Employees of the board of directors shall not be eligible for career status.~~ If a teacher employed by a local school administrative unit makes a written request for a leave of absence to teach at the regional school, the local school administrative unit shall grant the leave for one year. For the initial year of the regional school's operation, the local school administrative unit may require that the request for a leave of absence be made up to 45 days before the teacher would otherwise have to report for duty. After the initial year of the regional school's operation, the local school administrative unit may require that the request for a leave of absence be made up to 90 days before the teacher would otherwise have to report for duty. A local board of education is not required to grant a request for a leave of absence or a request to extend or renew a leave of absence for a teacher who previously has received a leave of absence from that school board under this subdivision. A teacher who has ~~career status under G.S. 115C-325 prior to receiving~~received a leave of absence to teach at the regional school may return to a public school in the local school administrative unit ~~with career status~~ at the end of the leave of absence or upon the end of employment at the regional school if an appropriate position is available. ~~If an appropriate position is unavailable, the teacher's name shall be placed on a list of available teachers in accordance with G.S. 115C-325(e)(2).~~"

SECTION 14.(k) G.S. 115C-276(l) reads as rewritten:

"(l) To Maintain Personnel Files and to Participate in Firing and Demoting of Staff. – The superintendent shall maintain in his or her office a personnel file for each teacher that contains complaints, commendations, or suggestions for correction or improvement about the teacher and shall participate in the firing and demoting of staff, as provided in ~~G.S. 115C-325.~~Part 3 of Article 22 of this Chapter."

SECTION 14.(l) G.S. 115C-285(7) reads as rewritten:

"(7) All persons employed as principals in the schools and institutions listed in ~~subsection (p) of G.S. 115C-325~~ G.S. 115C-325.10 shall be compensated at the same rate as are teachers in the public schools in accordance with the salary schedule adopted by the State Board of Education."

SECTION 14.(m) G.S. 115C-287.1 reads as rewritten:

"**§ 115C-287.1. Method of employment of principals, assistant principals, supervisors, and directors.**

(a) (1) ~~Beginning July 1, 1995, all~~All persons employed as school administrators shall be employed pursuant to this section.

~~(2) Notwithstanding G.S. 115C-287.1(a)(1), the following school administrators shall be employed pursuant to G.S. 115C-325:~~

~~a. School administrators who, as of July 1, 1995, are serving in a principal or supervisor position with career status in that position; and~~

~~b. School administrators who, as of July 1, 1995, are serving in a principal or supervisor position and who are eligible to achieve career status on or before June 30, 1997.~~

~~A school administrator shall cease to be employed pursuant to G.S. 115C-325 if the school administrator: (i) voluntarily relinquishes career status or the opportunity to achieve career status through promotion, resignation, or otherwise; or (ii) is dismissed or demoted or whose contract is not renewed pursuant to G.S. 115C-325.~~

(3) For purposes of this section, school administrator means a:

a. Principal;

b. Assistant principal;

c. Supervisor; or

d. Director,

whose major function includes the direct or indirect supervision of teaching or of any other part of the instructional program.

~~(4) Nothing in this section shall be construed to confer career status on any assistant principal or director, or to make an assistant principal eligible for career status as an assistant principal or a director eligible for career status as a director.~~

(b) Local boards of education shall employ school administrators ~~who are ineligible for career status as provided in G.S. 115C-325(c)(3),~~ upon the recommendation of the superintendent. The initial contract between a school administrator and a local board of education shall be for two to four years, ending on June 30 of the final 12 months of the contract. In the case of a subsequent contract between a principal or assistant principal and a local board of education, the contract shall be for a term of four years. In the case of an initial contract between a school administrator and a local board of education, the first year of the contract may be for a period of less than 12 months provided the contract becomes effective on or before September 1. A local board of education may, with the written consent of the school administrator, extend, renew, or offer a new school administrator's contract at any time after the first 12 months of the contract so long as the term of the new, renewed, or extended contract does not exceed four years. Rolling annual contract renewals are not allowed. Nothing in this section shall be construed to prohibit the filling of an administrative position on an interim or temporary basis.

(c) The term of employment shall be stated in a written contract that shall be entered into between the local board of education and the school administrator. The school administrator shall not be dismissed or demoted during the term of the contract except for the grounds and by the procedure by which a ~~career~~ teacher may be dismissed or demoted for cause as set forth in ~~G.S. 115C-325.~~G.S. 115C-325.4.

(d) If a superintendent intends to recommend to the local board of education that the school administrator be offered a new, renewed, or extended contract, the superintendent shall submit the recommendation to the local board for action. The local board may approve the superintendent's recommendation or decide not to offer the school administrator a new, renewed, or extended school administrator's contract.

If a superintendent decides not to recommend that the local board of education offer a new, renewed, or extended school administrator's contract to the school administrator, the superintendent shall give the school administrator written notice of his or her decision ~~and the reasons for his or her decision~~ no later than May 1 of the final year of the contract. ~~The superintendent's reasons may not be arbitrary, capricious, discriminatory, personal, or political.~~ No action by the local board or further notice to the school administrator shall be necessary unless the school administrator files with the superintendent a written request, within 10 days of receipt of the superintendent's decision, for a hearing before the local board. ~~Failure to file a~~

~~timely request for a hearing shall result in a waiver of the right to appeal the superintendent's decision.~~ If a school administrator files a timely request for a hearing, the local board shall conduct a hearing pursuant to the provisions of G.S. 115C-45(c) and make a final decision on whether to offer the school administrator a new, renewed, or extended school administrator's contract.

If the local board decides not to offer the school administrator a new, renewed, or extended school administrator's contract, the local board shall notify the school administrator of its decision by June 1 of the final year of the contract. A decision not to offer the school administrator a new, renewed, or extended contract may not be for any cause ~~that is not arbitrary, capricious, discriminatory, personal, or political.~~ prohibited by State or federal law. ~~The local board's decision not to offer the school administrator a new, renewed, or extended school administrator's contract is subject to judicial review in accordance with Article 4 of Chapter 150B of the General Statutes.~~

(e) Repealed by Session Laws 1995, c. 369, s. 1.

(f) If the superintendent or the local board of education fails to notify a school administrator by June 1 of the final year of the contract that the school administrator will not be offered a new school administrator's contract, the school administrator shall be entitled to 30 days of additional employment or severance pay beyond the date the school administrator receives written notice that a new contract will not be offered.

~~(g) If, prior to appointment as a school administrator, the school administrator held career status as a teacher in the local school administrative unit in which he or she is employed as a school administrator, a school administrator shall retain career status as a teacher if the school administrator is not offered a new, renewed, or extended contract by the local board of education, unless the school administrator voluntarily relinquished that right or is dismissed or demoted pursuant to G.S. 115C-325.~~

(h) An individual who holds a provisional assistant principal's certificate and who is employed as an assistant principal under G.S. 115C-284(c) shall be considered a school administrator for purposes of this section. Notwithstanding subsection (b) of this section, a local board may enter into one-year contracts with a school administrator who holds a provisional assistant principal's certificate. ~~If the school administrator held career status as a teacher in the local school administrative unit prior to being employed as an assistant principal and the State Board for any reason does not extend the school administrator's provisional assistant principal's certificate, the school administrator shall retain career status as a teacher unless the school administrator voluntarily relinquished that right or is dismissed or demoted under G.S. 115C-325.~~ Nothing in this subsection or G.S. 115C-284(c) shall be construed to require a local board to extend or renew the contract of a school administrator who holds a provisional assistant principal's certificate."

SECTION 14.(n) G.S. 115C-288(g) reads as rewritten:

"(g) To Report Certain Acts to Law Enforcement and the Superintendent. – When the principal has personal knowledge, a reasonable belief, or actual notice from school personnel that an act has occurred on school property involving assault resulting in serious personal injury, sexual assault, sexual offense, rape, kidnapping, indecent liberties with a minor, assault involving the use of a weapon, possession of a firearm in violation of the law, possession of a weapon in violation of the law, or possession of a controlled substance in violation of the law, the principal shall immediately report the act to the appropriate local law enforcement agency.

A principal who willfully fails to make a report to law enforcement required by this subsection may be subject to demotion or dismissal pursuant to ~~G.S. 115C-325.~~G.S. 115C-325.4.

Notwithstanding any other provision of law, the State Board of Education shall not require the principal to report to law enforcement acts in addition to those required to be reported by this subsection.

For purposes of this subsection, "school property" shall include any public school building, bus, public school campus, grounds, recreational area, or athletic field, in the charge of the principal.

The principal or the principal's designee shall notify the superintendent or the superintendent's designee in writing or by electronic mail regarding any report made to law enforcement under this subsection. This notification shall occur by the end of the workday in which the incident occurred when reasonably possible but not later than the end of the following workday. The superintendent shall provide the information to the local board of education.

Nothing in this subsection shall be interpreted to interfere with the due process rights of school employees or the privacy rights of students."

SECTION 14.(o) G.S. 115C-304 is repealed.

SECTION 14.(p) G.S. 115C-333 reads as rewritten:

"**§ 115C-333. Evaluation of licensed employees including certain superintendents; mandatory improvement plans; State board notification upon dismissal of employees.**

(a) Annual Evaluations; Low-Performing Schools. – Local school administrative units shall evaluate at least once each year all licensed employees assigned to a school that has been identified as low-performing. The evaluation shall occur early enough during the school year to provide adequate time for the development and implementation of a mandatory improvement plan if one is recommended under subsection (b) of this section. If the employee is a teacher as defined under ~~G.S. 115C-325(a)(6),~~G.S. 115C-325.1(5), either the principal, the assistant principal who supervises the teacher, or an assistance team assigned under G.S. 115C-105.38 shall conduct the evaluation. If the employee is a school administrator as defined under G.S. 115C-287.1(a)(3), either the superintendent or the superintendent's designee shall conduct the evaluation.

All teachers in low-performing schools who have ~~not attained career status~~been employed for less than three consecutive years shall be observed at least three times annually by the principal or the principal's designee and at least once annually by a teacher and shall be evaluated at least once annually by a principal. This section shall not be construed to limit the duties and authority of an assistance team assigned to a low-performing school under G.S. 115C-105.38.

A local board shall use the performance standards and criteria adopted by the State Board and may adopt additional evaluation criteria and standards. All other provisions of this section shall apply if a local board uses an evaluation other than one adopted by the State Board.

(b) Mandatory Improvement Plans. –

(1) Repealed by Session Laws 2011-348, s. 2, effective July 1, 2011, and applicable to persons recommended for dismissal or demotion on or after that date.

(1a) A mandatory improvement plan is an instrument designed to improve a teacher's performance or the performance of any licensed employee in a low-performing school by providing the individual with notice of specific performance areas that have substantial deficiencies and a set of strategies, including the specific support to be provided to the individual, so that the individual, within a reasonable period of time, should satisfactorily resolve such deficiencies.

(2) Repealed by Session Laws 2011-348, s. 2, effective July 1, 2011, and applicable to persons recommended for dismissal or demotion on or after that date.

(2a) If a licensed employee in a low-performing school receives a rating on any standard on an evaluation that is below proficient or otherwise represents

unsatisfactory or below standard performance in an area that the licensed employee was expected to demonstrate, the individual or team that conducted the evaluation shall recommend to the superintendent that (i) the employee receive a mandatory improvement plan designed to improve the employee's ~~performance or~~ performance, (ii) the superintendent recommend to the local board that the ~~employee be dismissed or demoted.~~employee's contract not be recommended for renewal, or (iii) if the employee engaged in inappropriate conduct or performed inadequately to such a degree that such conduct or performance causes substantial harm to the educational environment that a proceeding for immediate dismissal or demotion be instituted. If the individual or team that conducted the evaluation elects not to make ~~either~~ any of the above recommendations, the said individual or team shall notify the superintendent of this decision. The superintendent shall determine whether to develop a mandatory improvement ~~plan~~plan, to not recommend renewal of the employee's contract, or to recommend a dismissal proceeding.

(3) If at any time a licensed employee engages in inappropriate conduct or performs inadequately to such a degree that such conduct or performance causes substantial harm to the educational environment, and immediate dismissal or demotion is not appropriate, then the principal may immediately institute a mandatory improvement plan regardless of any ratings on previous evaluations. The principal shall document the exigent reason for immediately instituting such a plan.

(4) Mandatory improvement plans shall be developed by the person who evaluated the licensed employee or the employee's supervisor unless the evaluation was conducted by an assistance team. If the evaluation was conducted by an assistance team, that team shall develop the mandatory improvement plan in collaboration with the employee's supervisor. Mandatory improvement plans shall be designed to be completed within 90 instructional days or before the beginning of the next school year. The State Board shall develop guidelines that include strategies to assist local boards in evaluating licensed employees and developing effective mandatory improvement plans within the time allotted under this section. Local boards may adopt policies for the development and implementation of mandatory improvement plans and policies for the implementation of monitored and directed growth plans.

(c) Reassessment of Employee in a Low-Performing School. – After the expiration of the time period for the mandatory improvement plan under subdivision (2a) of subsection (b) of this section, the superintendent, the superintendent's designee, or the assistance team shall assess the performance of the employee of the low-performing school a second time. If the superintendent, superintendent's designee, or assistance team determines that the employee has failed to become proficient in any of the performance standards articulated in the mandatory improvement plan or demonstrate sufficient improvement toward such standards, the superintendent shall recommend that the ~~employee~~ employee's contract not be renewed, or that the employee be immediately dismissed or demoted under ~~G.S. 115C-325.~~G.S. 115C-325.4. The results of the second assessment shall constitute substantial evidence of the employee's inadequate performance.

(d) State Board Notification. – If a local board dismisses an employee of a low-performing school ~~for any reason~~for cause or elects to not renew an employee's contract as a result of a superintendent's recommendation under subsection (b) or (c) of this section, ~~except a reduction in force under G.S. 115C-325(e)(1)l.,~~ it shall notify the State Board of the action,

and the State Board annually shall provide to all local boards the names of those individuals. If a local board hires one of these individuals, within 60 days the superintendent or the superintendent's designee shall observe the employee, develop a mandatory improvement plan to assist the employee, and submit the plan to the State Board. The State Board shall review the mandatory improvement plan and may provide comments and suggestions to the superintendent. If on the next evaluation the employee receives a rating on any standard that was identified as an area of concern on the mandatory improvement plan that is again below proficient or otherwise represents unsatisfactory or below standard performance, the local board shall notify the State Board and the State Board shall initiate a proceeding to revoke the employee's license under G.S. 115C-296(d). If on this next evaluation the employee receives at least a proficient rating on all of the performance standards that were identified as areas of concern on the mandatory improvement plan, the local board shall notify the State Board that the employee is in good standing and the State Board shall not continue to provide the individual's name to local boards under this subsection unless the employee is subsequently dismissed under ~~G.S. 115C-325 except for a reduction in force.~~ G.S. 115C-325.4.

...."

SECTION 14.(q) G.S. 115C-333.1 reads as rewritten:

"**§ 115C-333.1. Evaluation of teachers in schools not identified as low-performing; mandatory improvement plans; State Board notification upon dismissal of teachers.**

(a) Annual Evaluations. – All teachers who are assigned to schools that are not designated as low-performing and who have not ~~attained career status~~been employed for at least three consecutive years shall be observed at least three times annually by the principal or the principal's designee and at least once annually by a teacher and shall be evaluated at least once annually by a principal. All teachers ~~with career status~~who have been employed for three or more years who are assigned to schools that are not designated as low-performing shall be evaluated annually unless a local board adopts rules that allow teachers ~~with career status~~employed for three or more years to be evaluated more or less frequently, provided that such rules are not inconsistent with State or federal requirements. Local boards also may adopt rules requiring the annual evaluation of nonlicensed employees. A local board shall use the performance standards and criteria adopted by the State Board and may adopt additional evaluation criteria and standards. All other provisions of this section shall apply if a local board uses an evaluation other than one adopted by the State Board.

(b) Mandatory Improvement Plans for Teachers. – If, in an observation report or year-end evaluation, a teacher receives a rating that is below proficient or otherwise represents unsatisfactory or below standard performance on any standard that the teacher was expected to demonstrate, the principal may place the teacher on a mandatory improvement plan as defined in G.S. 115C-333(b)(1a). The mandatory improvement plan shall be utilized only if the superintendent or superintendent's designee determines that an individual, monitored, or directed growth plan will not satisfactorily address the deficiencies.

If at any time a teacher engages in inappropriate conduct or performs inadequately to such a degree that such conduct or performance causes substantial harm to the educational environment, and immediate dismissal or demotion is not appropriate, then the principal may immediately institute a mandatory improvement plan regardless of any ratings on previous evaluations. The principal shall document the exigent reason for immediately instituting such a plan. The mandatory improvement plan shall be developed by the principal in consultation with the teacher. The teacher shall have five instructional days from receipt of the proposed mandatory improvement plan to request a modification of such plan before it is implemented, and the principal shall consider such suggested modifications before finalizing the plan. The teacher shall have at least 60 instructional days to complete the mandatory improvement plan. The State Board shall develop guidelines that include strategies to assist local boards in

evaluating teachers and developing effective mandatory improvement plans. Local boards may adopt policies for the implementation of mandatory improvement plans under this section.

(c) Observation by a Qualified Observer. –

(1) The term "qualified observer" as used in this section is any administrator or teacher who is licensed by the State Board of Education and working in North Carolina; any employee of the North Carolina Department of Public Instruction who is trained in evaluating licensed employees; or any instructor or professor who teaches in an accredited North Carolina school of education and holds an educator's license.

(2) The local board of education shall create a list of qualified observers who are employed by that board and available to do observations of employees on mandatory improvement plans. This list shall be limited to names of administrators and teachers selected by the local board of education. The local board of education shall strive to select administrators and teachers with excellent reputations for competence and fairness.

(3) Any teacher, other than a teacher assigned to a school designated as low-performing, who has been placed on a mandatory improvement plan shall have a right to be observed by a qualified observer in the area or areas of concern identified in the mandatory improvement plan. The affected teacher and the principal shall jointly choose the qualified observer within 20 instructional days after the commencement of the mandatory improvement plan. If the teacher and the principal cannot agree on a qualified observer within this time period, they each shall designate a person from the list of qualified observers created pursuant to subdivision (2) of this subsection, and these two designated persons shall choose a qualified observer within five instructional days of their designation. The qualified observer shall draft a written report assessing the teacher in the areas of concern identified in the mandatory improvement plan. The report shall be submitted to the principal before the end of the mandatory improvement plan period. If a teacher or administrator from the same local school administrative unit is selected to serve as the qualified observer, the administration of the local school administrative unit shall provide such qualified observer with the time necessary to conduct the observation and prepare a report. If someone who is not employed by the same local school administrative unit is selected to serve as the qualified observer, the teacher who is the subject of the mandatory improvement plan will be responsible for any expenses related to the observations and reports prepared by the qualified observer. The qualified observer shall not unduly disrupt the classroom when conducting an observation.

(4) No local board of education or employee of a local board of education shall discharge, threaten, or otherwise retaliate against another employee of the board regarding that employee's compensation, terms, conditions, location, or privileges of employment because of the employee's service or completion of a report as an objective observer pursuant to this subsection, unless the employee's report contained material information that the employee knew was false.

(d) Reassessment of the Teacher. – Upon completion of a mandatory improvement plan under subsection (b) of this section, the principal shall assess the performance of the teacher a second time. The principal shall also review and consider any report provided by the qualified observer under subsection (c) of this section if one has been submitted before the end of the mandatory improvement plan period. If, after the second assessment of the teacher and

consideration of any report from the qualified observer, the superintendent or superintendent's designee determines that the teacher has failed to become proficient in any of the performance standards identified as deficient in the mandatory improvement plan or demonstrate sufficient improvement toward such standards, the superintendent may recommend that the teacher's contract not be renewed, or if the teacher has engaged in inappropriate conduct or performed inadequately to such a degree that such conduct or performance causes substantial harm to the educational environment, that the teacher be immediately dismissed or demoted under ~~G.S. 115C-325.~~G.S. 115C-325.4. The results of the second assessment produced pursuant to the terms of this subsection shall constitute substantial evidence of the teacher's inadequate performance.

(e) Dismissal Proceedings Without a Mandatory Improvement Plan. – The absence of a mandatory improvement plan as described in this section shall not prohibit a superintendent from initiating a dismissal proceeding against a teacher under the provisions of ~~G.S. 115C-325.~~G.S. 115C-325.4. However, the superintendent shall not be entitled to the substantial evidence provision in subsection (d) of this section if such mandatory improvement plan is not utilized.

(f) State Board Notification. – If a local board dismisses a teacher for cause or elects to not renew an employee's contract as a result of a superintendent's recommendation under subsection (d) of this section, ~~for any reason except a reduction in force under G.S. 115C-325(e)(1)l.,~~ it shall notify the State Board of the action, and the State Board annually shall provide to all local boards the names of those teachers. If a local board hires one of these teachers, within 60 days the superintendent or the superintendent's designee shall observe the teacher, develop a mandatory improvement plan to assist the teacher, and submit the plan to the State Board. The State Board shall review the mandatory improvement plan and may provide comments and suggestions to the superintendent. If on the next evaluation the teacher receives a rating on any standard that was an area of concern on the mandatory improvement plan that is again below proficient or a rating that otherwise represents unsatisfactory or below standard performance, the local board shall notify the State Board, and the State Board shall initiate a proceeding to revoke the teacher's license under G.S. 115C-296(d). If on the next evaluation the teacher receives at least a proficient rating on all of the overall performance standards that were areas of concern on the mandatory improvement plan, the local board shall notify the State Board that the teacher is in good standing, and the State Board shall not continue to provide the teacher's name to local boards under this subsection unless the teacher is subsequently dismissed under ~~G.S. 115C-325~~G.S. 115C-325.4. ~~except for a reduction in force.~~ If, however, on this next evaluation the teacher receives a developing rating on any standards that were areas of concern on the mandatory improvement plan, if the local board elects to renew the teacher's contract and ~~the teacher shall have one more year to bring the rating to proficient. If,~~ by the end of this second year, the teacher is not proficient in all standards that were areas of concern on the mandatory improvement plan, the local board shall notify the State Board, and the State Board shall initiate a proceeding to revoke the teacher's license under G.S. 115C-296(d).

...."

SECTION 14.(r) G.S. 115C-335(b) reads as rewritten:

"(b) Training. – The State Board, in collaboration with the Board of Governors of The University of North Carolina, shall develop programs designed to train principals and superintendents in the proper administration of the employee evaluations developed by the State Board. The Board of Governors shall use the professional development programs for public school employees that are under its authority to make this training available to all principals and superintendents at locations that are geographically convenient to local school administrative units. The programs shall include methods to determine whether an employee's performance has improved student learning, the development and implementation of

appropriate professional growth and mandatory improvement plans, the process for contract nonrenewal, and the dismissal process under ~~G.S. 115C-325.~~Part 3 of Article 22 of this Chapter. The Board of Governors shall ensure that the subject matter of the training programs is incorporated into the masters in school administration programs offered by the constituent institutions. The State Board, in collaboration with the Board of Governors, also shall develop in-service programs for licensed public school employees that may be included in a mandatory improvement plan created under G.S. 115C-333(b) or G.S. 115C-333.1(b). The Board of Governors shall use the professional development programs for public school employees that are under its authority to make this training available at locations that are geographically convenient to local school administrative units."

SECTION 14.(s) Article 23 of Chapter 115C of the General Statutes is amended by adding a new section to read:

"**§ 115C-344. Employment benefits for exchange teachers.**

An exchange teacher is a nonimmigrant alien teacher participating in an exchange visitor program designated by the United States Department of State pursuant to 22 C.F.R. Part 62 or by the United States Department of Homeland Security pursuant to 8 C.F.R. Part 214.2(q). For purposes of determining eligibility to receive employment benefits under this Chapter, including personal leave, annual vacation leave, and sick leave, an exchange teacher shall be considered a permanent teacher if employed with the expectation of at least six full consecutive monthly pay periods of employment and if employed at least 20 hours per week. An exchange teacher is not a teacher for purposes of the Teachers' and State Employees' Retirement System of North Carolina as provided in G.S. 135-1(25)."

SECTION 14.(t) G.S. 115C-404(b) reads as rewritten:

"(b) Documents received under this section shall be used only to protect the safety of or to improve the education opportunities for the student or others. Information gained in accordance with G.S. 7B-3100 shall not be the sole basis for a decision to suspend or expel a student. Upon receipt of each document, the principal shall share the document with those individuals who have (i) direct guidance, teaching, or supervisory responsibility for the student, and (ii) a specific need to know in order to protect the safety of the student or others. Those individuals shall indicate in writing that they have read the document and that they agree to maintain its confidentiality. Failure to maintain the confidentiality of these documents as required by this section is grounds for the dismissal ~~of an employee who is not a career employee and is grounds for dismissal of an employee who is a career employee,~~ in accordance with ~~G.S. 115C-325(e)(1)i.~~G.S. 115C-325.4(a)(9)."

SECTION 14.(u) G.S. 143B-146.7(b) reads as rewritten:

"(b) At any time after the State Board identifies a school as low-performing under this Part, the ~~Secretary~~ State Board shall proceed under ~~G.S. 115C-325(p1)~~G.S. 115C-325.11 for the dismissal of certificated instructional personnel assigned to that school."

SECTION 14.(v) G.S. 143B-146.8 reads as rewritten:

"**§ 143B-146.8. Evaluation of ~~certificated~~ licensed personnel and principals; action plans; State Board notification.**

(a) Annual Evaluations; Low-Performing Schools. – The principal shall evaluate at least once each year all ~~certificated~~ licensed personnel assigned to a participating school that has been identified as low-performing but has not received an assistance team. The evaluation shall occur early enough during the school year to provide adequate time for the development and implementation of an action plan if one is recommended under subsection (b) of this section. If the employee is a teacher as defined under ~~G.S. 115C-325(a)(6),~~G.S. 115C-325.1(5), either the principal or an assessment team assigned under G.S. 143B-146.9 shall conduct the evaluation. If the employee is a school administrator as defined under G.S. 115C-287.1(a)(3), the Superintendent shall conduct the evaluation.

Notwithstanding this subsection or any other law, the principal shall observe at least three times annually, a teacher shall observe at least once annually, and the principal shall evaluate at least once annually, all teachers who have ~~not attained career status.~~been employed for less than three consecutive years. All other employees who have been employed for three or more years and are defined as teachers under ~~G.S. 115C-325(a)(6)~~G.S. 115C-325.1(5) who are assigned to participating schools that are not designated as low-performing shall be evaluated annually unless the Secretary adopts rules that allow specified categories of teachers with ~~career status~~three or more years of employment to be evaluated more or less frequently. The Secretary also may adopt rules requiring the annual evaluation of ~~noncertificated~~ nonlicensed personnel. This section shall not be construed to limit the duties and authority of an assistance team assigned to a low-performing school.

The Secretary shall use the State Board's performance standards and criteria unless the Secretary develops an alternative evaluation that is properly validated and that includes standards and criteria similar to those adopted by the State Board. All other provisions of this section shall apply if an evaluation is used other than one adopted by the State Board.

(b) Action Plans. – If a ~~certificated~~ licensed employee in a participating school that has been identified as low-performing receives an unsatisfactory or below standard rating on any function of the evaluation that is related to the employee's instructional duties, the individual or team that conducted the evaluation shall recommend to the principal that: (i) the employee receive an action plan designed to improve the employee's performance; (ii) the employee's contract not be recommended for renewal, or (iii) if the employee engages in inappropriate conduct or performs inadequately to such a degree that such conduct or performance causes substantial harm to the educational environment that a proceeding for immediate dismissal or demotion be instituted. ~~or (ii) the principal recommend to the Secretary that the employee be dismissed or demoted.~~ The principal shall determine whether to develop an action ~~plan~~plan, to not recommend renewal of the employee's contract, or to recommend a dismissal proceeding. The person who evaluated the employee or the employee's supervisor shall develop the action plan unless an assistance team or assessment team conducted the evaluation. If an assistance team or assessment team conducted the evaluation, that team shall develop the action plan in collaboration with the employee's supervisor. Action plans shall be designed to be completed within 90 instructional days or before the beginning of the next school year. The State Board, in consultation with the Secretary, shall develop guidelines that include strategies to assist in evaluating ~~certificated~~ licensed personnel and developing effective action plans within the time allotted under this section. The Secretary may adopt policies for the development and implementation of action plans or professional development plans for personnel who do not require action plans under this section.

(c) Reevaluation. – Upon completion of an action plan under subsection (b) of this section, the principal or the assessment team shall evaluate the employee a second time. If on the second evaluation the employee receives one unsatisfactory or more than one below standard rating on any function that is related to the employee's instructional duties, the principal shall recommend that the employee's contract not be renewed, or if the employee engages in inappropriate conduct or performs inadequately to such a degree that such conduct or performance causes substantial harm to the educational environment, that the employee be dismissed or demoted under ~~G.S. 115C-325.~~G.S. 115C-325.4. The results of the second evaluation shall constitute substantial evidence of the employee's inadequate performance.

(d) State Board Notification. – If the Secretary dismisses an employee for cause or elects to not renew an employee's contract as a result of a superintendent's recommendation under subsection (b) or (c) of this section, ~~any reason except a reduction in force under G.S. 115C-325(e)(1)l.,~~ the Secretary shall notify the State Board of the action, and the State Board annually shall provide to all local boards of education the names of those individuals. If

a local board hires one of these individuals, that local board shall proceed under G.S. 115C-333(d).

...."

SECTION 14.(w) Notwithstanding the requirements for terms of contracts in G.S. 115C-325.3, for the 2012-2013 school year all teachers shall be employed on a contract for a term of one year. This section becomes effective July 1, 2012, and applies to all school employees employed on or after that date.

PART XV. ELIMINATION OF PUBLIC FINANCING FOR SUPERINTENDENT OF PUBLIC INSTRUCTION

SECTION 15.(a) G.S. 163-278.95 reads as rewritten:

"**§ 163-278.95. Purpose and establishment of Voter-Owned Elections Act.**

The purpose of this Article is to ensure the vitality and fairness of democratic elections in North Carolina to the end that any eligible citizen of this State can realistically choose to seek and run for public office. It is also the purpose of this Article to protect the constitutional rights of voters and candidates from the detrimental effects of increasingly large amounts of money being raised and spent in North Carolina to influence the outcome of elections. It is essential to the public interest that the potential for corruption or the appearance of corruption is minimized and that the equal and meaningful participation of all citizens in the democratic process is ensured. Accordingly, this Article establishes the North Carolina Voter-Owned Elections Fund as an alternative source of campaign financing for candidates who obtain a sufficient number of qualifying contributions from registered voters and who voluntarily accept strict fund-raising and spending limits. This Article is available to candidates for the Council of State offices of ~~Auditor, Superintendent of Public Instruction,~~Auditor and Commissioner of Insurance in elections to be held in 2008 and thereafter."

SECTION 15.(b) G.S. 163-278.96(12) reads as rewritten:

"(12) Office. – The Council of State offices of ~~Auditor, Superintendent of Public Instruction,~~ Auditor and Commissioner of Insurance."

SECTION 15.(c) Within five business days of the effective day of this act, the State Board of Elections shall notify any individual who is a candidate for Superintendent of Public Instruction and who has filed a declaration of intent to participate in the program for public financing through the North Carolina Voter-Owned Elections Fund that the candidate is no longer eligible to participate in the program.

SECTION 15.(d) This section is effective when it becomes law and applies to elections held on or after that date.

PART XVI. EFFECTIVE DATE

SECTION 16. Except as otherwise provided, this act is effective when it becomes law.

GENERAL ASSEMBLY OF NORTH CAROLINA

Session 2011

FISCAL ANALYSIS MEMORANDUM

[This confidential fiscal memorandum is a fiscal analysis of a draft bill, amendment, committee substitute, or conference committee report that has not been formally introduced or adopted on the chamber floor or in committee. This is not an official fiscal note. If upon introduction of the bill you determine that a formal fiscal note is needed, please make a fiscal note request to the Fiscal Research Division, and one will be provided under the rules of the House and the Senate.]

DATE: May 30, 2012

TO: Sens. Apodaca, P. Berger, and Tillman

FROM: Kristopher Nordstrom

EFFECTIVE DATE: See Bill Summary section

BILL SUMMARY:

This bill would enact many changes related to the operation of North Carolina's public schools. The bill has fifteen substantive Parts, including:

- **Part I:** Enacts the "North Carolina Read to Achieve Program," which makes numerous changes regarding K-3 literacy policy.
- **Part II:** Provides volunteer leave time for State employees to help with literacy programs in public schools.
- **Part III:** Assigns "A-F" grades to schools based on performance.
- **Part IV:** Requires annual assessments and final exams to be given within a certain time frame at the end of the course or school year.
- **Part V:** Provides flexibility with regards to required school instructional time, reinstates three required teacher workdays, and adjusts the school calendar start and end and dates.
- **Part VI:** Provides funding for additional instructional days which have not been waived by the State Board of Education.
- **Part VII:** Establishes the NC Teacher Corps.
- **Part VIII:** Sets additional standards for teacher licensure.
- **Part IX:** Requires notice of the availability and coverage of State-funded liability insurance.
- **Part X:** Requires local boards of education to develop a plan for a system of performance pay.
- **Part XI:** Clarifies NC Pre-K program eligibility criteria, and expands funded slots in FY 2012-13.
- **Part XII:** Repeals prohibition on teacher prepayment.
- **Part XIII:** Creates a tax deduction for teachers for expenses incurred for educational supplies.
- **Part XIV:** Makes several changes the allowable terms for teacher contracts.
- **Part XV:** Eliminates public financing for elections of the Office of Superintendent of Public Instruction.

Part I: Improve K-3 Literacy

Section 1.(a): Under current law, the State Board of Education (SBE) is charged with developing a comprehensive plan to improve reading achievement in the public schools. The plan must be based on research-based practices and the reading programs that are developed must include systematic phonics instruction. As part of the comprehensive plan, the SBE can require modifications to the standard course of study, teacher licensure standards, and teacher education program standards. Section1.(a) repeals this existing language.

Section 1.(b): Establishes the North Carolina Read to Achieve Program ("the Program"). The Program is established by adding nine sections to the General Statutes:

- **G.S. 115C-83.1A** states the Program's goal of ensuring that every student read at or above grade level by the end of third grade, with continued improvement necessary for secondary education and career success.
- **G.S. 115C-83.1B** states the Program's purposes, ensuring that (i) difficulty with reading development is identified early; (ii) students receive instructional and support services to address difficulty with reading development and remediation

for reading deficiencies; (iii) students and parents are continuously informed of the students' academic needs and progress; and (iv) progression from one grade to another be based in part upon proficiency in reading.

- **G.S. 115C-83.1C** defines numerous terms in the Program including "difficulty with reading development", "reading proficiency", and "reading deficiency".
- **G.S. 115C-83.1D** requires the SBE to develop, implement, and continuously evaluate a comprehensive plan to improve reading based on practices that have strong evidence of effectiveness in current empirical research in reading development. When appropriate, the plan should modify the standard course of study, teacher licensure standards, and teacher education program standards. The SBE must report biennially to the Joint Legislative Education Oversight Committee on the implementation, evaluation, and revisions to the plan including recommendations for legislative changes.
- **G.S. 115C-83.1E** requires the SBE to ensure that each kindergarten student be given a developmental screening of early language, literacy, and math skills within 30 days of enrollment and given a kindergarten entry assessment within 60 days of enrollment. The results of both must be used to inform: (i) the status of children's learning at kindergarten entry; (ii) instruction for each child; (iii) efforts to reduce the achievement gap at kindergarten entry; and (iv) continuous improvement of the early childhood system.
- **G.S. 115C-83.1F** mandates that K-3 students must be given diagnostic assessments and difficulty with reading development must be addressed with instructional supports and services. Local school administrative units (LEAs) are encouraged to partner with community organizations and businesses for volunteers, mentors, and tutors to help enhance reading development and proficiency.
- **G.S. 115C-83.1G** requires that the SBE mandate that a student be retained in grade 3 if the student fails to demonstrate 3rd grade reading proficiency on a State-approved standardized test of reading comprehension. The test can be re-administered once prior to the school year. A student can be exempt from mandatory retention for good cause but must receive instructional supports and services and reading interventions. Good cause exemptions are limited to the following:
    - Limited English proficient students with less than two years of instruction in an English as a Second Language Program.
    - Students with disabilities whose individualized education program indicates the use of alternative assessments and reading interventions.
    - Students who demonstrate 3rd grade reading proficiency on an alternative test provided by the SBE.
    - Students who demonstrate 3rd grade reading proficiency through a student reading portfolio.
    - Students who have received reading intervention and previously have been retained more than once in grades K-3.

  The superintendent of the LEA must determine whether a student may be exempt from mandatory retention on the basis of a good cause exemption. The teacher must submit documentation to the principal of the relevant exemption as

well as evidence that promotion is appropriate based on the student's academic record. The principal must review the documentation and make an initial determination on promotion. If the principal determines the student should be promoted, the principal then must make a written recommendation of promotion to the superintendent for a final determination which must be in writing.

- **G.S. 115C-83.1H** requires enrollment in a summer camp and allowing promotion to 4th grade if the student shows reading proficiency on an alternative test of reading comprehension or reading portfolio after completion of the camp. If the student does not show proficiency then the student must be retained and:
    - Provided with a teacher with demonstrated student outcomes in reading proficiency;
    - Placed in an accelerated reading class or transitional 3rd and 4th grade class combination;
    - Provided at least 90 minutes of daily, uninterrupted, evidence based reading instruction; and
    - Given other appropriate instructional supports and services and reading interventions.

  The SBE must establish a mid-year promotion policy for retained students who demonstrate reading proficiency by November 1 of the school year. Parents of students retained once must be provided with a home reading plan and participation in shared and guided reading workshops. Parents of students retained twice must be offered supplemental tutoring for the retained student outside of the instructional day.
- **G.S. 115C-83.1I** requires that parents be notified in writing that a student will be retained if the student is not demonstrating reading proficiency by the end of the 3rd grade unless there is a good cause exemption. The notice must be given when a kindergarten, 1st, 2nd, or 3rd grade student is demonstrating difficulty with reading development, is not reading at grade level, or has a personal education plan. Parents must also be given notice in writing if the student is not eligible for a good cause exemption as well as proposed reading interventions. For retained students, the parents must be given monthly written reports on the student's progress toward reading proficiency.
- **G.S. 115C-83.1J** directs local boards of education to annually publish on its LEA's website and submit in writing to the SBE each year the following information:
    - The number and percentage of 3rd graders showing and not showing reading proficiency on the State-approved test of 3rd grade reading comprehension;
    - The number and percentage of 3rd graders who take and pass the alternative test of reading comprehension;
    - The number and percentage of 3rd graders retained for not demonstrating reading proficiency; and
    - The number and percentage of 3rd graders exempt from mandatory retention due to a good cause exemption.

  LEAs must also report annually to the SBE describing all reading interventions provided to the 3rd grade students retained for lack of reading proficiency. The

SBE must annually compile the information provided by the LEAs and provide a State-level summary to the Governor, the President Pro Tempore of the Senate, the Speaker of the House of Representatives, and the Joint Legislative Education Oversight Committee beginning with the 2014-2015 school year. The SBE and the Department of Public Instruction (DPI) must provide technical assistance as needed to assist LEAs to implement the Program.

Section 1.(c): Repeals existing language requiring school improvement plans for schools that serve kindergarten and 1st grade students to include a reading plan to prepare the students to read at grade level by 2nd grade.

Section 1.(d): Amends G.S. 115C-105.41, requiring LEAs to identify students at risk of academic failure and who are not progressing toward grade promotion and graduation beginning no later than kindergarten, as opposed to by 4th grade under existing law. Identification could be based on diagnostic and formative assessments required under Section 1.(b).

Section 1.(e): Under current law, the SBE has to provide developmentally appropriate assessments to LEAs for 1st and 2nd grades consistent with the Basic Education Program instead of standardized tests. LEAs have the option of using these assessments for 1st and 2nd grades but cannot use standardized tests except as required as a condition of receiving a federal grant. This Act would expand the requirements to grades K-3, and would require LEAs to use the assessments for K-3 students to assess progress, diagnose difficulties, and inform instruction and remediation needs.

Section 1.(f): Adds a new section to G.S. 115C-238.29F that would create the following additional requirements for charter schools:

- Requires charter schools to retain a student in the 3rd grade if the student fails to demonstrate 3rd grade reading proficiency on a State-approved standardized test of reading comprehension, consistent with traditional public school requirements in Section 1.(b).
- Requires charter schools to provide reading interventions to retained students which may include 90 minutes of daily evidence based reading instruction, accelerated reading classes, transition classes with 3rd and 4th grade students and summer reading camps, consistent with traditional public school requirements in Section 1.(b).
- Allows charter school to exempt students from mandatory 3rd grade retention for good cause, but they must continue to provide instructional supports and services, consistent with traditional public school requirements in Section 1.(b).
- Requires charter schools to provide notice to parents when a student is not reading at grade level and that if the deficiency is not remediated by the end of the 3rd grade, the student will be retained unless a good cause exemption applies. If the student is not eligible for an exemption, then the parents must be given information on the reading interventions that will be provided.
- Requires charter schools to publish annually on their websites and report to the SBE the following information on the prior school year:
    - The number and percentage of 3rd graders showing and not showing reading proficiency on the State-approved test of 3rd grade reading comprehension;

- The number and percentage of 3rd grade students not demonstrating reading proficiency who do not return to the charter school for the following school year;
- The number and percentage of 3rd graders who take and pass the alternative test of reading comprehension;
- The number and percentage of 3rd graders retained for not demonstrating reading proficiency; and
- The number and percentage of 3rd graders exempt from mandatory retention due to a good cause exemption.

Section 1.(g): Under current law, principals have the authority to grade and classify students. Under this Act, principals would maintain that authority, except when a student must be mandatorily retained in the 3rd grade for failing to demonstrate 3rd grade reading proficiency.

Section 1.(h): Makes conforming changes to G.S. 130A-440(b) regarding kindergarten developmental screenings.

Section 1.(i): Appropriates $33,914,503 for FY 2012-13, and states the General Assembly's intent to increase this appropriation for FY 2013-14 to implement requirements that go into effect that year.

Section 1.(j): This Part is effective when it becomes law and applies beginning with the 2013-14 school year. The developmental screening and kindergarten entry assessments shall be administered beginning with the 2014-15 school year.

Part II: State Employee Literacy Volunteer Leave Time

Amends G.S. 126-4 to create an additional leave program allowing State employees to volunteer in literacy programs in public schools for up to five hours each month. This section is effective when it becomes law.

Part III: School Performance Grades

Under current law, the SBE must issue an annual report card for the State and each LEA assessing efforts to improve student performance.

Under this Act, the SBE would be required to award an overall school performance numerical score on a scale of 0 to 100, and a corresponding letter grade of A, B, C, D, or F to each school as a part of the annual report card process. The school performance grade must reflect student performance on annual subject-specific assessments, college and workplace readiness measures, and graduation rates. For schools serving K-8 students, separate performance grades must be awarded on the performance on literacy and mathematics. The report card for schools with 3rd grade students must include the number of students who take and pass the alternative reading assessment; were retained in 3rd grade for lack of reading proficiency, and were exempt from mandatory retention in 3rd grade because of a good cause exemption.

Under this Act, local boards of education or the charter school would be required to place the overall school performance grades for each school in its LEA on the website for the LEA or charter school for the current and previous four years. Notice would be provided in writing to parents of students enrolled in schools that obtain a grade of D or F.

This section would become effective when it becomes law and applies beginning with the 2012-13 school year.

Part IV: Maximize Instructional Time

Under current law, there are limitations on how much time that schools can devote to practice tests as well as limitations on when field tests and national tests can be administered.

Under this Act, annual tests adopted by the SBE and all final exams for courses would have to be administered within the final ten instructional days of the school year for year-long courses and within the final five instructional days of the semester for semester courses. Exceptions would be allowed for individualized education plans, Section 504 plans, and courses with national or international curriculums required to be held at designated times.

This section would become effective when it becomes law and applies beginning with the 2012-13 school year.

Part V: Adjustments to School Calendar Start and End Dates

Under current law, schools are required to provide a minimum of 185 days and 1,025 hours of instruction. The SBE has the authority to waive up to five instructional days if the SBE finds that it will enhance student performance to do so.

Under this Act, LEAs and charter schools would have the option of providing a minimum of 185 days or 1,025 hours of instruction. Additionally, school calendars would be required to include three protected teacher workdays. Given the flexibility provided, the SBE would no longer have the authority to waive instructional days.

Under current law, the opening date for students cannot be before August 25 and the closing date cannot be after June 10, except for certain limited exceptions.

Under this Act, schools could not open for students before the Monday closest to August 26 and the closing date could not be after the Friday closest to June 11.

Additionally, this Part limits the ability of LEAs to receive waivers to the required closing date for "good cause" and eliminates the SBE's authority to provide closing date waivers for "educational purposes".

This section would become effective when it becomes law and applies beginning with the 2013-14 school year.

Part VI: Funding for the Addition of Five Instructional Days Within the Existing School Calendar

This Part appropriates $40,168 for FY 2012-13 for costs related to additional substitute teachers, and $351,469 for FY 2012-13 for additional student transportation requirements on a nonrecurring basis to account for the higher cost of additional instructional days which have not been waived by the SBE. This section would become effective July 1, 2012.

Part VII: Establish NC Teacher Corps

Establishes the NC Teacher Corps (Corps) in General Statute to recruit and place recent college graduates and mid-career professionals as teachers in high-needs public schools. Collaboration would be required between the SBE, the Board of Governors of The University of North Carolina and the North Carolina Independent Colleges and Universities. The SBE would be directed to develop and administer the Corps including establishing the application criteria and identifying the LEAs with unmet recruitment needs and high-needs schools as well as coordinating placement of Corp members in those schools. An intensive summer training institution must be developed and ongoing support through coaching, mentoring, and professional development must be provided. Corps members would be given lateral entry teaching licenses.

This section would become effective when it becomes law and the SBE must recruit and place an initial cohort of Corps members no later than the 2012-13 school year.

Part VIII: Strengthen Teacher Licensure

Under current law, the SBE sets the licensure requirements for applicants for teaching positions and may require a minimum score on a standard exam. The SBE, in consultation with the Board of Governors of The University of North Carolina, must develop requirements for continuing licensure and align them with quality professional development programs. For teacher preparation programs, the SBE, in coordination with the Board of Governors of The University of North Carolina and the State Board of Community Colleges, sets the standards for approval and must include competencies in the education of children with disabilities and positive behavior management.

Under this Act, elementary education (K-6) teachers would be required to achieve a prescribed minimum score on subtests or standard exams specific to reading and language arts and mathematics. For continuing licensure, at least three continuing education credits related to literacy must be taken by elementary and middle school teachers. The standards for approval of teacher preparation programs must also require elementary education programs to show competencies in the teaching of reading, assessment and diagnosis of areas of difficulty, and appropriate application of instructional supports and services.

This section would become effective when it becomes law and applies beginning with the 2013-14 school year.

Part IX: Proof of State-Funded Liability Insurance

Amends G.S. 115C-12 to require that the SBE annually notify public school employees of the availability and coverage of professional liability insurance.

This section would become effective when it becomes law and applies beginning with the 2012-13 school year.

Part X: Pay for Excellence

Directs local boards of education to develop plans for systems of performance pay for all licensed personnel. Under the plans, the licensed employees would be eligible to receive bonuses or

adjustments to base salary for meeting certain performance criteria. These criteria must include, but are not limited to, the following:

- annual growth in student achievement assigned to a teacher's classroom, when applicable;
- annual growth in student achievement of students assigned to a specific school;
- assignment of additional academic responsibilities;
- assignment to a hard-to-staff school; and
- assignment to a hard-to-staff subject area.

The plans must be submitted to the SBE no later than March 1, 2013. The SBE must report on these plans by April 15, 2013.

This section would become effective when it becomes law.

Part XI: Clarify NC Pre-K eligibility

Section 11.(a) clarifies that the NC Pre-K program eligibility is for those children of families with incomes at or below 75% of the State Median Income. In addition, 20% of those served may have higher incomes as long as they have another demonstrated risk factor. This is current practice by the Department of Health and Human Services, Division of Child Development and Early Education.

Section 11.(b) repeals the requirement of a co-payment by families for individuals served within the NC Pre-K program. The Department of Health and Human Services, Division of Child Development and Early Education did not implement a co-payment for NC Pre-K in FY 2011-12.

Section 11.(c) appropriates funding to the NC Pre-K program of $11,308,363 for FY 2012-13 to serve an additional 2,261 children within the program.

Part XII: Repeal Prohibition on Teacher Prepayment

During the 2011 Session, the General Assembly enacted S.L. 2011-379, The School and Teacher Paperwork Reduction Act, which, effective FY 2012-13, prohibited local school administrative units from prepaying teachers on the monthly pay date for days not yet worked. This Part would repeal of the prohibition on prepayment before it goes into effect.

Part XIII: Tax Deduction for Educational Supplies

The Act provides an income tax deduction for K-12 teachers of up to $250 in expenses incurred for classroom supplies. The provision mirrors the federal deduction for teachers. In previous years, teachers received the benefit of the federal deduction in calculating state tax liability because the starting point for calculating state taxable income was federal taxable income. However, the federal deduction expired at the end of the 2011 tax year and it is uncertain whether it will be extended by federal legislation. This proposal allows teachers in North Carolina to take advantage of this deduction in calculating state tax liability even if the federal deduction is not reinstated.

Part XIV: Teacher Contracts

Teachers

Under current law, teachers in North Carolina are eligible for career status when they have been employed by a local board of education for four consecutive years. Obtaining career status provides that the career employee may not be dismissed or demoted except if one or more statutory grounds are found. Certain procedures must be followed to dismiss or demote a career status teacher, including a right to a hearing in front of the local board of education with a further right of appeal to superior court. The procedure for the dismissal of career status teachers in schools that have been identified as low-performing by the SBE and that have been assigned assistance teams varies in that the SBE has the authority to dismiss career status teachers due to inadequate performance. Hearings must still be granted by the SBE in these cases and there are further rights to judicial review under Chapter 150B of the General Statutes.

This Part eliminates career status in North Carolina. Teachers employed by a local board of education for less than three years would be employed by one-year contracts. Contracts or renewal of contracts between a local board of education and teachers who have been employed by that board for three years or more would be terms of one, two, three, or four school years. For the 2012-2013 school year, all teachers would be employed on a one-year contract. All teachers would be employed by their local boards of education upon recommendation of the superintendent. Superintendents must also recommend contract length (for those with three or more years of employment) but can only recommend contracts of more than one year for teachers who have shown effectiveness as documented by the teacher evaluation instrument. Local boards of education would be able to approve the recommendation, not approve it or decide on a different term of length for the contract. Teachers could not be dismissed or demoted during the term of the contract except for one of the statutorily listed grounds. If the superintendent decides against recommending a renewal of a contract, the teacher would have the right to petition the local board of education for a hearing but whether to grant the hearing would be in the local board's discretion.

This Part would establish the following procedure for dismissal or demotion for cause during the contract term:

- Notice: The superintendent must give written notice to the teacher of his or her intention to recommend to the local board of education that teacher be dismissed or demoted and provide the grounds upon which the recommendation is being made. The superintendent must also meet with the teacher and (i) give written notice of the charges against the teacher; (ii) an explanation of the basis for the charges; and (iii) an opportunity to respond. The notice must also inform the teacher that he or she may request a hearing before the local board of education within 14 days of the receipt of the notice.
- Request for a Hearing: The teacher may file a written request for a hearing before the local board of education within 14 days after receipt of the notice of recommendation of the superintendent. The board shall set a time and place for the hearing which is not less than 10 days nor more than 30 days after notification is given to the teacher unless the parties agree to an extension.
- No Request for Hearing: If the teacher does not request a hearing before the board within 14 days of receipt of the recommendation, the superintendent may submit his or her

recommendation to the board. The board may (i) reject the recommendation or (ii) accept or modify the recommendation.

Hearings before the local board of education must be private and the board must receive documentary evidence that will be used to support the recommendation from both the superintendent and teacher, who must provide the evidence to each other within certain time frames. Written statements may be provided to the board and both the superintendent and the teacher may make oral arguments before the board based on the record before the board. The board must make findings of fact based upon the preponderance of the evidence and must send a written copy of its findings and determinations within two days of the hearing to the teacher and the superintendent.

Hearings for disciplinary suspension without pay must be private and conducted according to reasonable rules adopted by the SBE governing such a hearing. Both the teacher and superintendent have the right to be present and represented by counsel and to present witnesses. The rules of evidence to not apply. The superintendent must give the teacher 8 days before the hearing, a list of witnesses who will be presented and a statement of the nature of each witness' testimony and copy of any documentary evidence that will be presented. The teacher must provide this same information to the superintendent 6 days before the hearing. New evidence may not be presented at the hearing unless the board finds that it is critical and could not have been found earlier.

This Part would eliminate the right to appeal to superior court decisions of a local board of education regarding the terms or conditions of employment or employment status of a school employee.

If a teacher has been recommended for dismissal and chooses to resign without the written consent of the superintendent: (i) the superintendent must report the matter to the SBE; (ii) the teacher is deemed to have consented to the placement in his or her personnel file of the written notice of the superintendent's intention to recommend dismissal and the release of this fact that the teacher has been reported to the SBE to prospective employers upon request; and (iii) the teacher is deemed to have voluntarily surrendered his or her license pending an investigation by the SBE in determination of whether to seek action against the teacher's license.

If a teacher who has not been recommended for dismissal decides to resign during the term of the contract without the consent of the superintendent, then he or she should give at least 30 days' notice. If the teacher does resign without giving this notice, then the board may request that the SBE revoke the teacher's license for the remainder of the school year.

The procedure for dismissal of school administrators and teachers employed in low-performing residential schools would remain substantially the same as it is under current law.

Dismissal of School Administrators and Teachers Employed in Low-Performing Schools: The procedure for dismissal of school administrators and teachers employed in low-performing schools would remain substantially the same as it is under current law but would eliminate the provision

that allowed the teacher or school administrator to seek judicial review under Chapter 150B of the General Statutes of a final decision of the SBE.

School Administrators

Under current law, most school administrators are employed through contracts with their local boards of education. Some school administrators who had or were eligible to receive career status in 1995 are employed pursuant to the teacher career status law. For those employed by contract, school administrators cannot be dismissed or demoted during the term of the contract except for cause for one of the statutorily listed grounds. Superintendents recommend new, renewed, or extended contracts for school administrators to their local boards of education which may approve the recommendations or not. If a superintendent decides against recommending that the local board of education offer a new, renewed, or extended contract to a school administrator, then written notice of this decision and the reasons for it must be given to the school administrator. The reasons may not be arbitrary, capricious, discriminatory, personal, or political. The school administrator may file a written request for a hearing before the local board and failure to file a timely request results in a waiver of the right of appeal of the superintendent's decision. If a timely request is filed, the local board of education must conduct a hearing on the matter and its decision is subject to judicial review under Chapter 150B of the General Statutes.

This Part eliminates career status for all school administrators, and eliminates the current requirement that the superintendent's and local board of education's decisions to not offer a new, renewed, or extended contract to a school administrator may not be arbitrary, capricious, discriminatory, personal or political. This Part also eliminates the right to judicial review under Chapter 150B of the General Statutes of the decision of the local board of education.

Non-Licensed Employees

Under current law, non-licensed employees may appeal a decision of the local board of education to superior court regarding decisions concerning dismissal, demotion or suspension without pay. The non-licensed employee may request and be entitled to receive written notice as to the reasons for the employee's dismissal, demotion or suspension without pay, and it must be provided to the employee prior to any local board of education hearing on the issue.

This Part eliminates this right of appeal to superior court and would eliminate the right to written notice for the reasons for the non-licensed employee's dismissal, demotion or suspension without pay.

Part XV: Eliminate Public Financing for Superintendent of Public Instruction

Under current law, the North Carolina Voter-Owned Elections Fund is authorized to provide a source of campaign financing for candidates for Council of State offices of Auditor, Superintendent of Public Instruction, and Commissioner of Insurance. This Part would remove the Superintendent of Public Instruction from the list of offices eligible to receive campaign financing from the North Carolina Voter-Owned Elections Fund.

ASSUMPTIONS AND METHODOLOGY:

Part I: Improve K-3 Literacy

Part I of this Act creates 15 new requirements which might potentially have a fiscal impact. Each of these new requirements will be addressed individually below, with a summary table to follow.

Each requirement in this Part is assumed to be a State responsibility. Section 1.(i) appropriates $34,087,650 to implement the requirements of this Part in FY 2012-13, and states the General Assembly's intent to increase the appropriation in future fiscal years to implement the additional requirements of this Part.

Requirement 1: Continuously Evaluate the Comprehensive Plan to Improve Reading Achievement

A high-quality evaluation of a program of this size would likely require a contract with an independent research organization of at least $500,000 per year, beginning with the 2013-14 fiscal year. This would be a conservative estimate compared with similarly-sized program evaluation contracts for the Connectivity Initiative (initially $650,000 per year), DSSF ($500,000), and More at Four (over $1 million per year).

Requirement 2: Solicit Impact from Stakeholders in Developing Statewide Plan

This analysis assumes a nonrecurring cost of $80,000 in FY 2012-13 in order to facilitate regional meetings to solicit impact from the public regarding the State's literacy plan. In particular, this analysis assumes a cost of $10,000 per meeting to cover rental space, as well as travel expenses for DPI staff, and that there would be at least one meeting in each of the State's eight educational regions.

Requirement 3: Formative Diagnostic Reading Assessments for All Students in Grades K-3

Annual costs for formative and diagnostic reading assessments for all students in grades K-3 will vary throughout the five-year time horizon of this analysis. Data from North Carolina's Student Diagnostic and Intervention Initiative indicate the following cost requirements:

- Software subscriptions: $20.50 per student. Over the next five years, average daily membership (ADM) in grades K-3 is anticipated to grow from 469,000 students to approximately 503,000 students.
- Student materials ("kits") for each teacher: $400 per teacher. 6,360 kits have already been purchased in prior years. Assuming a total of 21,485 teachers in grades K-3, North Carolina would still need to purchase 15,125 kits.
- Handheld devices (hardware): $400 per teacher. According to DPI's analysis, 18,501 teachers in grades K-3 do not currently have devices. This analysis assumes that devices would need to be refreshed after four years.
- Substitute teachers to cover required training: This one-time cost would cover the cost of substitutes while teachers attend training sessions. This analysis assumes two teachers per school at 870 schools would receive the training over a three-day period.

Requirement 4: Retain Students Who Score at Level I or Level II on Third Grade Reading EOG

Additional retention of students in grade 3 is anticipated to cost approximately $20.5 million in FY 2014-15, decreasing to $14.2 million by FY 2016-17.

Students in grade 3 have a greater fiscal cost than students in grade 4 due to:

1. Classroom teachers: classroom teachers are allotted on the basis of one teacher for every 17 students in grade 3; one for every 22 students in grade 4; and
2. Teacher assistants: allotment of teacher assistants based on K-3 ADM. Fourth graders do not generate teacher assistant allotments.

The cost differential is that, on average, a grade 3 student costs $1,152 more than a grade 4 student, on a per student basis. This analysis assumes there would be 17,824 additional students in grade 3 in FY 2014-15 as a result of this bill, decreasing to 14,906 by FY 2016-17.

An additional fiscal impact will be experienced outside of the scope of this fiscal analysis. Under this bill, the majority of retained students will require an additional year of public schooling that they otherwise would not have had. However, the fiscal impact would not affect the State until FY 2023-24, when the first cohort of third graders would have been expected to have graduated from high school.

Requirement 5: Develop Uniform Reporting Requirement for LEA Reports on Programmatic Information, Compile Information, and Report to the General Assembly
There would be no additional cost to implement this requirement, as data collection and reporting costs would be included as part of the program evaluation costs discussed in Requirement 1 of this section.

Requirement 6: Provide Technical Assistance to LEAs to Implement the Program Locally
Total costs for providing technical assistance to LEAs ranges from $1.0 million in FY 2012-13 to $1.3 million in FY 2016-17.

This analysis assumes that providing technical assistance to LEAs will require approximately 11 additional positions at DPI:

- Nine field-based consultants: $70,000 base salary, $3,600 for "medium" level of travel[1], plus benefits
- One section chief: $90,000 base salary, $3,600 for "medium" level of travel, plus benefits
- One administrative assistant: $30,000 base salary, plus benefits

The Department indicates that the most appropriate comparison is the federal Reading First program, which had 14 consultants, 1 section chief, and 2 administrative assistance. However, implementation of Reading First required additional budgeting and program auditing responsibilities that would be above and beyond the staff responsibilities that would be required under this bill.

Requirement 7: Kindergarten Entry Assessment for all Entering Kindergarten Students Beginning FY 2014-15
This analysis assumes it will take a total of approximately $18.5 million to ensure statewide implementation of a new kindergarten entry assessment by 2014-15. Costs include professional

[1] This travel number was developed during DPI's budgeting process for Race to the Top, and assumes 10 overnights per month, subsistence for those 10 days, and approximately 600 average miles per month.

development, and substitute teacher costs. This analysis assumes that professional development would occur over two years, or $9.25 million per year in FY 12-13 and 13-14, followed by a recurring $750k to ensure continuing capacity (i.e., training of new teachers). Professional development services would be contracted.

North Carolina's Race to the Top Early Learning Challenge grant budgets $8.8 million to develop a new kindergarten entry assessment. This new assessment will be implemented in 65 North Carolina elementary schools defined as "lowest-performing" schools under the federal Race to the Top program. As there are approximately 1,300 elementary schools, the Early Learning Challenge funding only provides the kindergarten entry assessment and appropriate professional development to a small portion of the State's elementary schools.

Requirement 8: Kindergarten Developmental Screening of Early Language, Literacy, and Math Skills

Providing developmental screening of all kindergarten students for early language, literacy, and math skills would cost $754,588 in FY 2014-15, and approximately $210,000 per year in subsequent years.

This pricing estimate is based off of the cost of the DIAL-3 (Developmental Indicators for the Assessment of Learning) screening tool from Pearson.[2] The DIAL-3 costs $295.90 for every 50 students in FY 2014-15 (includes cost of all administration forms, instruction manuals and DVDs), and $80.00 for every 50 students in subsequent fiscal years (administration forms, record forms, cutting cards, and parent questionnaires).

Requirement 9: Summer Reading Camp for Students not Demonstrating Reading Proficiency

Summer reading camps administered by LEAs for all students not demonstrating reading proficiency are estimated to cost approximately $15.5 million per year beginning in FY 2013-14.

The best available data for estimating the cost of summer academic programs is the Wallace Foundation's Out of School Time Cost Calculator.[3] This database aggregates data from 111 programs in six cities (Boston, Charlotte, Chicago, Denver, New York and Seattle) to provide estimates of programs with given characteristics, adjusted for local cost-of-living.

For the purposes of this estimate, the assumption is that one camp would need to be funded for every two elementary schools, or approximately 650 camps.[4] This works out to an estimated 50 reading-deficient students per camp (assuming a 90% uptake rate of students not demonstrating reading proficiency). The following assumptions are used in generating an estimate:

- Program focus: academic
- Nearest metro area: Burlington, NC

[2] Additional information about the DIAL-3 can be found here: http://www.pearsonassessments.com/HAIWEB/Cultures/en-us/Productdetail.htm?Pid=PAa13700.

[3] The Wallace Foundation Out of School Time Cost Calculator can be found here: http://www.wallacefoundation.org/cost-of-quality/cost-calculator/Pages/cost-calculator.aspx.

[4] In practice, the number of "feeder schools" for each summer camp would vary across the State, with low-performing rural districts likely to have fewer feeder schools for each summer camp, while higher-performing urban districts might be able to operate a single summer camp serving multiple elementary schools.

- Program location: in a school
- Slots: 50
- Hours per week: 14
- Weeks: 7

Based on these assumptions, the Wallace instrument provides a median cost estimate of approximately $22,660 per site. Because the Wallace instrument focused on large, urban programs, it likely underestimates the transportation costs that would be faced by the average program in North Carolina. As a result, the estimate provided by the Wallace instrument is increased by 5% to account for the additional transportation costs faced by North Carolina's less-urban districts.

Requirement 10: LEAs Provide Alternative Reading Assessment for Third Graders Who Have a Reading Deficiency

Provision of alternative reading assessments for third graders who have a reading deficiency is estimated to cost approximately $250,000 per year over the five-year horizon of this analysis, beginning in FY 2013-14

The bill defines "reading deficiency" as not reading at the third grade level by the end of the student's third grade year. Approximately 36,000 third grade students fail to achieve grade-level proficiency on State-administered end-of-grade tests (EOGs).

The Pearson TORC-4 alternative reading assessment provides the best estimate of potential costs.[5] The TORC-4 costs $347 for every 50 students. Based on the number of students anticipated to have reading deficiencies, this equates to a total cost of approximately $250,000 per year.

Requirement 11: Parents of Retained Students Shall be Provided with a Plan for Reading at Home, Including Participation in Reading Workshops for the Parent

Providing reading workshops for parents of retained students is estimated to cost approximately $23.0 million in FY 2013-14, decreasing to $16.3 million in FY 2016-17.

The existing State program that provides the best comparison is the Motheread program provided through Smart Start. Motheread offers classes to teach parents how to be reading role models for their children. Classes are held in many different community settings, including community colleges, schools, community centers, and churches. Classes are appropriate for all adults, but are specifically designed for low-literacy, low-income parents. According to data provided by the North Carolina Partnership for Children, Inc., this program is estimated to cost approximately $1,080 per parent.

The number of retained students (and, therefore, the number of parents that would need to be targeted for workshops) is anticipated to be approximately 21,304 in FY 2013-14, decreasing to approximately 15,130 by FY 2016-17. Multiplying the number of retained students by the per-parent program cost of $1,080 provides an estimated total cost of $23.0 million in FY 2013-14, decreasing to $16.3 million in FY 2016-17.

[5] Additional information about the TORC-4 can be found here: http://www.pearsonassessments.com/HAIWEB/Cultures/en-us/Productdetail.htm?Pid=PAtorc4&Mode=summary.

Requirement 12: Supplemental Tutoring for Students Who Have Been Retained Twice
Provision of tutoring services to students who have been retained twice is estimated to cost approximately $9 million per year, beginning in FY 2014-15.

According to data from Florida,[6] approximately 0.7% of students are retained twice under their similar third grade literacy program. In North Carolina, that would equate to approximately 850 students being retained twice, beginning in FY 2014-15. This analysis assumes that each student would receive 2 hours of tutoring services per day, with the tutor being paid $30 per hour, consistent with certified teacher salaries in North Carolina.

Requirement 13: Providing Parental Notification That a K-3 Student Is Not Reading at Grade Level, or That a Third Grade Student is Being Retained
This analysis assumes these requirements for written notification can be handled within existing funds at the LEA level. LEAs routinely provide students with report cards. Indication that a student is not reading at grade level, or that a student is being retained could be included with existing report cards at no additional fiscal cost.

Requirement 14: Providing Monthly Progress Reports to Parents of Retained Students
This analysis estimates that provision of monthly progress reports to parents of retained students would cost approximately $160,000 in FY 2014-15, decreasing to approximately $133,000 in FY 2016-17.

As explained above (Requirement 12), the number of retained students is anticipated to be approximately 21,304 in FY 2013-14, decreasing to approximately 15,130 by FY 2016-17. Printing and postage are estimated to be $0.75 per report, per student, times 10 times per year.

It is important to note that, depending on the thoroughness of the monthly progress report, this requirement could create a significant new paperwork burden on third grade teachers, particularly those teaching low-performing students.

Requirement 15: Annually Collect and Publish Read to Achieve Data on LEA Website
The bill requires certain data related to the Read to Achieve program to be published annually on LEA websites. As each LEA in North Carolina has a functioning website, this additional data should be able to be added to LEA websites at no cost.

Part I: Summary Tables
The tables below summarize the cost elements related to Part I of this bill, the Read to Achieve Program.

Estimates of the various requirements of this Part rely largely on estimated student data over the next five fiscal years. In particular, the analysis requires estimating the total number of students in grades K-3, the number of third graders below grade level, the number of students expected to be retained (both under current and proposed policies), and the number of third graders anticipated to be retained twice as a result of this bill.

[6] All Florida data provided by the Foundation for Excellence in Education: http://www.excelined.org/.

Estimated Student Data

	2012-13	2013-14	2014-15	2015-16	2016-17
K-3 ADM	468,502	476,935	485,520	494,259	503,156
Grade K ADM	123,038	125,253	127,507	129,802	132,139
Grade 3 ADM	110,446	116,000	118,088	120,214	122,377
Students Scoring at Level I or Level II	33.00%	32.00%	31.00%	30.00%	29.00%
K-3 Reading Deficiency	154,606	152,619	150,511	148,278	145,915
Grade 3 Reading Deficiency	36,447	37,120	36,607	36,064	35,489
Actual % of Reading Deficient Students Retained in Florida*	N/A	57.39%	46.36%	49.00%	42.63%
% of all 3rd Graders Retained	3.00%	18.37%	14.37%	14.70%	12.36%
Number of 3rd Graders Retained	3,313	21,304	16,972	17,671	15,130
Number of *Additional* 3rd Graders Retained Because of S795	N/A	17,824	13,430	14,065	11,458
# of 3rd Graders Retained Twice Under Read to Achieve	N/A	N/A	827	841	857
Additional third graders			17,824	14,256	14,906

*These are the actual percentages of reading deficient students from Florida who were retained in the first four years of the Florida program.

The estimated student data informed the fiscal estimates for the various new State or LEA responsibilities found within this Part. The fiscal impact of the additional responsibilities is summarized in the following table:

Estimated Program Costs - Read to Achieve
(Part I of the Excellent Public Schools Act)

Requirement Number	Requirement Description	2012-13	2013-14	2014-15	2015-16	2016-17
1	Continously evaluate the comprehensive plan to improve reading achievement	$0	$500,000	$500,000	$500,000	$500,000
2	Solicit input from stakeholders in developing statewide plan	$80,000	$0	$0	$0	$0
3	Formative diagnostic reading assessments for all students in grades k-3	$23,576,691	$9,777,168	$11,146,757	$10,132,314	$18,954,696
4	Retain students who score at Level I or Level II on third grade Reading EOG	$0	$0	$20,536,590	$16,426,415	$17,175,400
5	Develop uniform reporting requirement for LEA reports on programmatic information, compile information, and report to the General Assembly	$0	$0	$0	$0	$0
6	Provide technical assistance to LEAs to implement the program locally	$1,007,812	$1,078,610	$1,143,456	$1,206,266	$1,261,399
7	Kindergarten Entry Assessment for all entering kindergarten students beginning FY 14-15	$9,250,000	$9,250,000	$750,000	$750,000	$750,000
8	Kindergarten developmental screening of early language, literacy, and math skills	$0	$0	$754,588	$207,684	$211,422
9	Summer reading camp for students not demonstrating reading proficiency	$0	$15,465,450	$15,465,450	$15,465,450	$15,465,450
10	LEAs provide alternative reading assessment for third graders who have a reading deficiency	$0	$257,613	$254,055	$250,285	$246,297
11	Parents of retained students shall be provided with a plan for reading at home, including participation in reading workshops for the parent	$0	$23,007,944	$18,330,263	$19,085,109	$16,340,092
12	Supplemental tutoring for students who have been retained twice	$0	$0	$8,927,453	$9,088,147	$9,251,734
13	Providing parental notification that a K-3 student is not reading at grade level or that a third grade student is being retained	$0	$0	$0	$0	$0
14	Providing monthly progress reports to parents of retained students	$0	$0	$159,777	$127,293	$132,535
15	Annually collect and publish Read to Achieve data on LEA website	$0	$0	$0	$0	$0
TOTAL COSTS		**$33,914,503**	**$59,336,785**	**$77,968,389**	**$73,238,963**	**$80,289,025**

Part II: State Employee Literacy Volunteer Leave Time

There is no estimate for the fiscal impact of creating an additional leave program allowing State employees to volunteer in literacy programs in public schools for up to five hours each month. The fiscal impact would be the foregone work product of employees utilizing the additional availability of leave time. Unfortunately, no data exists regarding potential usage rates that would provide a useful indication of the fiscal impact of this requirement.

Part III: School Performance Grades

There is no fiscal impact related to this Part of the Act. The SBE is already required under G.S. 115C-12(9)c1 to issue an annual "report card" for the State and for each LEA. In addition to issuing annual State- and LEA-level report cards, the SBE issues school-level report cards.[7]

This Part changes how school performance will be designated. Currently, schools receive designations such as School of Excellence, School of Distinction, School of Progress, or Priority School. This Part requires instead that each school receive a numerical score and a corresponding letter grade of A, B, C, D, or F.

This Part also changes how school performance is measured, defining which school-level data elements contribute to a school's letter grade. These data points are already collected by DPI, and can be compiled to calculate school grades within existing funds.

Part IV: Maximize Instructional Time

There is no fiscal impact related to this Part of the Act. This Part requires that annual tests adopted by the SBE and all final exams for courses would have to be administered within the final ten instructional days of the school year for year-long courses and within the final five instructional days of the semester for semester courses. This Part does not create any additional requirements for LEAs, and there is no fiscal impact related to which day of the school year a test is administered.

Part V: Adjustments to School Calendar Start and End Dates

This fiscal impact of this part is indeterminate, but likely to reduce required General Fund expenditures and local expenditures in future years.

Changing the requirement to 185 days or 1,025 hours is likely to result in LEAs operating a calendar with 180 instructional days, or less. Each additional instructional day requires additional transportation, additional opportunity for substitute teacher costs, and additional utility costs.[8] LEAs might also reduce the pay of teacher assistants, and child nutrition employees as instructional days decrease. As a result, LEAs are likely to provide the minimum number of instructional days required to meet the requirement of 1,025 instructional hours. For example, an LEA could meet the 1,025-hour requirement by operating 185 instructional days averaging five hours and 32 minutes per day, or the LEA could meet the 1,025-hour requirement by operating 170 instructional days averaging six hours and two minutes per day. Wilkes County Schools increased instructional days by 45 minutes per day to operate a 162-instructional day calendar as part of the school calendar pilot program initiated in the 2009 Appropriations Bill (S.L. 2009-451).

---

[7] North Carolina school report cards can be found at: http://www.ncreportcards.org/src/.

[8] The State is responsible for transportation and utility costs. LEAs are responsible for the cost of utilities.

On the other hand, additional instructional time might be viewed as a means of increasing student achievement. LEAs or charters accepting this view might choose to provide at least 180 instructional days.

Without additional data, it is difficult to determine the likely fiscal impact of this Part.

The sections of this Part providing LEAs with additional flexibility with regards to school calendar start and end dates would not have a fiscal impact. LEAs complying with the existing law could leave their school calendar start and end dates unchanged if this Act were to become law. It does not create any additional requirements for LEAs.

Part VI: Funding for the Addition of Five Instructional Days Within the Existing School Calendar

The fiscal impact of this Part is equal to the amounts appropriated in this Part.

Had all LEAs and charters increased their calendars by five instructional days, costs related to transportation would have likely increased by approximately $10,150,000, and costs related to increased usage of substitute teachers would likely have increased by approximately $1,200,000 for FY 2012-13.[9] However, most LEAs and charters have received waivers for the upcoming 2012-13 school year. The appropriations in this part equate to the estimated increased costs for transportation and substitute teachers, taking into account the waivers which have been granted.

Because of the waivers, LEAs and charters are, on average, expected to add 0.17 instructional days (out of a maximum of five instructional days) to their school calendar in FY 2012-13. In other words, 96.7% of the possible additional instructional days in FY 2012-13 were waived.

To determine the additional cost of instructional days in FY 2012-13, the original five-day estimated costs are multiplied by 3.3% (1 minus 96.7%). The additional appropriated amounts of $351,469 for transportation and $40,168 for substitute teachers would be nonrecurring, as Part V would likely decrease the number of instructional days going forward.

Part VII: Establish NC Teacher Corps

The establishment of the NC Teacher Corps is anticipated to cost the State approximately $1.9 million in FY 2014-15, increasing to approximately $2.1 million in FY 2016-17.

Funding for the NC Teacher Corps is currently provided through the federal Race to the Top grant. This funding expires at the end of FY 2013-14. The establishment of this program in General Statute indicates that the State intends to continue the program after the expiration of the federal Race to the Top funding. As such, there will be a fiscal impact to the State beginning in FY 2014-15.

Based on current implementation, the NC Teacher Corps requires program staff, recruitment activities, reimbursement payments for licensure and certain coursework, summer enrichment programs, and professional development for Corps members. The analysis below assumes that

[9] These figures represent the average daily expenditure for substitute teachers and transportation in FY 2011-12, multiplied by five days.

100 Corps members will be first-year teachers in FY 2013-14. Subsequent cohorts are expected to have 150 Corps members.

The table below summarizes expected program costs:

North Carolina Teacher Corps - Estimated Fiscal Impact

	Race to the Top		State General Fund		
	2012-13	2013-14	2014-15	2015-16	2016-17
Program Staff: 1 Director, 1 Consultant, 1 Admin (salary, benefits, travel, supplies)	$261,700	$279,635	$296,063	$311,975	$325,716
Recruitment: Costs related to visits to job fairs and colleges and printing of materials	$20,000	$20,000	$20,000	$20,000	$20,000
Tuition and Licensure Reimbursement: Corps members reimbursed for PRAXIS fees and courses for full licensure	$570,000	$896,250	$939,563	$985,041	$1,032,793
Summer Enrichment Programs: Corps members will be matched with a highly-qualified teacher (who will receive a stipend), as well as attend a 19-day summer program	$128,895	$203,010	$213,160	$223,818	$235,009
Professional Development: Funding for PD activities and participation stipend for 1st and 2nd year Corps members	$80,000	$215,000	$349,500	$395,100	$403,605
TOTAL	**$1,060,595**	**$1,613,895**	**$1,818,286**	**$1,935,934**	**$2,017,123**

Part VIII: Strengthen Teacher Licensure

There is no fiscal impact related to this Part of the Act. The SBE already requires that teachers achieve a prescribed minimum score on a standard examination in order to receive a license. This Part simply requires the SBE to establish minimum subset scores for reading and language arts and mathematics for teachers in grades K-6.

This Part does not require any additional teachers to take any additional continuing education credits, it only mandates that at least three of the credits are related to literacy for elementary and middle school teachers. Continuing education credits related to literacy do not have a materially differing cost from other types of continuing education credits.

Finally, this Part requires that the standards for approval of teacher preparation programs must also require elementary education programs to show competencies in the teaching of reading, assessment and diagnosis of areas of difficulty, and appropriate application of instructional supports and services. The SBE already has authority to establish standards for approval of

institutions of teacher education. The institutions of higher education providing these teacher education programs have the option of whether or not to meet such standards.

Part IX: Proof of State-Funded Liability Insurance

There is no fiscal impact related to this Part of the Act. The SBE has already notified public school employees of the availability and coverage of professional liability insurance in FY 2011-12 via employee email lists, and the establishment of a website at: http://www.professionalliabilitync.com/. The SBE can continue to notify public school employees via similar means in future fiscal years within existing funds.

Part X: Pay for Excellence

There is no State fiscal impact related to this Part of the Act. This Part of the Act does not obligate the State to change the system of pay for licensed school personnel.

There is an indeterminate local fiscal impact for LEAs in developing performance pay plans. The time and resources spent in developing performance pay plans could vary significantly between LEAs. While the requirements of this Part could certainly be met within existing resources in all LEAs, certain LEAs might re-deploy existing resources in order to develop more extensive plans, or to seek stakeholder participation.

Part XI: Clarify NC Pre-K Program Eligibility

The fiscal impact related to this Part is simply the $11.3 million appropriated in Section 11.(c) to provide 2,261 additional slots in the NC Pre-K program in FY 2012-13. The other sections of this Part do not have a fiscal impact.

Section 11.(a) clarifies the current eligibility requirements that are already in place within the Department of Health and Human Services, Division of Child Development; therefore, there is no fiscal impact to this change.

Section 11.(b) repeals the requirement for a co-payment by families. The current law was not followed by the Division; therefore, there is no fiscal impact to this change. Had the co-payments been collected that would have resulted in an approximately $15 million that would be available within the program (based upon 24,000 co-payments for 10 months of $64).

Part XII: Repeal Prohibition on Teacher Prepayment

There is no State fiscal impact with regards to repealing the prohibition on teacher prepayment. A potential impact could occur if a teacher who has been paid for days not yet worked were to leave his or her position. However, S.L. 2003-263 requires that overpayments of State funds to any person must be recouped by the entity that made the overpayment – in this case, the LEA.

LEAs will likely experience increased expenditures of approximately $1.1 million as a result of this Part. In an April 2012 survey of North Carolina LEA finance officers, 40 of 106 responding LEAs[10] indicated that their LEA had been negatively impacted financially by prepaying. Respondents reported a total statewide impact of $1,471,298 for FY 2010-11.

[10] Alamance, Bertie, Thomasville City, Duplin, Edgecombe, Gaston, Guilford, Roanoke Rapids City, and Nash failed to respond to this survey.

While LEAs would be expected to continue to incur such costs if this Part becomes law, expenditures would be offset by reduced administrative costs. Todd Lowe, Finance Officer, Randolph County Schools, indicated that implementing the prohibition on teacher payment would require significant additional work, including the payment of overtime to certain staff, and reprogramming of local payroll software. As a result, this analysis assumes that the additional local costs created by this Part would be offset 25% by foregone administrative costs.

Part XIII: Tax Deduction for Educational Supplies

Based on data provided by the Department of Public Instruction and the Division of Non-Public Education, approximately 102,000 teachers will be able to take advantage of the deduction. This is multiplied by $250 because it is assumed that each teacher taking the deduction will take the maximum amount allowed. This number is then multiplied by an average tax rate of 7% to arrive at the fiscal impact of $1.8 million in reduced revenue collections per fiscal year.

Part XIV: Teacher Contracts

There is an indeterminate fiscal impact related to this Part of the Act. From the State perspective, it is unclear what impact, if any, the changes in this Part will have on the composition of North Carolina's population of teachers (or other certified personnel). It is possible that this Part will – on average – result in dismissal of more experienced (higher-paid) teachers who would then be replaced with less experienced (lower-paid) teachers. It is also possible that this Part will result in teachers with lower experience or credentials suffering a higher rate of dismissal (due to lower average performance compared to more experienced teachers), shifting North Carolina's teacher population towards teachers with greater experience and credentials.

From a local perspective, the changes in this Part could increase or decrease LEA costs related to hearings. While certified personnel might have additional rights to hearings upon dismissal under existing law, it is possible that the changes proposed in this Part could result in additional dismissals compared to current practice.

Part XV: Eliminate Public Financing for Superintendent of Public Instruction

G.S. 163-278.99(b)(4) establishes that the minimum amount of funds to be distributed from the North Carolina Voter-Owned Elections (VOE) Fund to a candidate in a general election is $300,000. Currently, the balance of the VOE Fund is approximately $428,000, which is insufficient to meet this requirement if more than one candidate qualifies for funding. Thus, per G.S. 163-278.99(c), the available balance would be apportioned among all eligible candidates.

For the 2012 General Election, two candidates have qualified for funding from the Voter-Owned Elections (VOE) Fund: one candidate for State Auditor and one candidate for Superintendent of Public Instruction. Removing the Superintendent of Public Instruction from the list of candidates eligible to receive funding from the VOE Fund would result in only one candidate (for State Auditor) eligible for VOE funding in 2012. With one eligible candidate, the current balance of approximately $428,000 would be sufficient to provide the statutory minimum of at least $300,000 to the candidate for State Auditor.

State General Fund Fiscal Impact Summary - Excellent Public Schools Act

	Type	2012-13	2013-14	2014-15	2015-16	2016-17
Part I: Improve K-3 Literacy	Expenditures	$33,914,503	$59,336,785	$77,968,389	$73,238,963	$80,289,025
Part II: State Employee Literacy Volunteer Leave Time	Expenditures	No Estimate Available				
Part V: Adjustments to School Calendar Start and End Dates	Expenditures	No Estimate Available				
Part VI: Funding for the Addition of Five Instructional Days	Expenditures	$391,637	$0	$0	$0	$0
Part VII: Establish NC Teacher Corps	Expenditures	$0	$0	$1,818,286	$1,935,934	$2,017,123
Part XI: Clarify NC Pre-K Program Eligibility	Expenditures	$11,308,363	$0	$0	$0	$0
Part XIII: Tax Deduction for Educational Supplies	**Revenues**	($1,800,000)	($1,800,000)	($1,800,000)	($1,800,000)	($1,800,000)
Part XIV: Teacher Contracts	Expenditures	No Estimate Available				
Part XV: Eliminate Public Financing for Superintendent of Public Instruction	Expenditures	See Assumptions & Methodology				
TOTAL COST		**$47,414,503**	**$61,136,785**	**$81,586,675**	**$76,974,897**	**$84,106,147**

Note: Parts not displayed have no State fiscal impact.

Local Fiscal Impact Summary - Excellent Public Schools Act

	Type	2012-13	2013-14	2014-15	2015-16	2016-17
Part V: Adjustments to School Calendar Start and End Dates	Expenditures	No Estimate Available

SOURCES OF DATA:

DPI, the Foundation for Excellence, the North Carolina Partnership for Children, Inc., the Wallace Foundation, Department of Revenue, Division of Non-Public Education

TECHNICAL CONSIDERATIONS:

Part I: Sponsors might clarify which portion of the FY 2012-13 appropriation in Section 1.(i) of this Act is going to DPI to expand department capacity, and which funds are to be distributed by DPI to the LEAs.

Part X: This Part does not state the General Assembly's intent with regards to providing additional funding, or with regards to changing the method for funding classroom positions. LEAs might have better clarity in developing systems of performance pay if the language is amended to clarify General Assembly intent on these issues.

SENATE BILL 795:
Excellent Public Schools Act

2011-2012 General Assembly

Committee:	Senate Re-ref to Appropriations/Base Budget. If fav, re-ref to Finance	**Date:**	May 30, 2012
Introduced by:	Sens. Apodaca, P. Berger, Tillman	**Prepared by:**	Drupti Chauhan, Kara McCraw, Patsy Pierce, Research Division
Analysis of:	PCS-35358-TC39		

SUMMARY: ***Senate Bill 795 includes one finance related provision in Section 13. Section 13 would ensure that the $250 deduction for educator expenses would continue for State individual income tax purposes, regardless of whether or not the federal deduction is reinstated for taxable years beginning on or after January 1, 2012.***

SB 795 would: (i) enact the "North Carolina Read to Achieve Program" which makes numerous changes regarding K-3 literacy; (ii) provide volunteer leave time for State employees to help with literacy; (iii) assign "A-F" grades to schools based on performance; (iv) require annual assessments and final exams to be given within a certain time frame at the end of the course or school year; (v) change the school calendar to be a minimum of 185 days or 1025 hours; provide for 3 days to be designated as protected teacher workdays; eliminate the waiver option to use 5 instructional days for teacher workdays; change the school start and stop dates; modify "good cause" weather waivers; and eliminate educational purpose waivers; (vi) provide funding for five additional instructional days within the existing school calendar; (vii) establish the NC Teacher Corps; (viii) set additional standards for teacher licensure; (ix) require notice of proof of State funded liability insurance; (x) require local boards of education to develop a plan for performance pay; (xi) clarify eligibility for NC Pre-K program and add slots to NC Pre-K; (xii) repeal prohibition on teacher prepayment; (xiii) provide a tax deduction for educators for the purchase of educational supplies; (xiv) eliminate career status and establish teacher contracts that may be for up to 4 years; and (xv) eliminate public financing for candidates for the Office of Superintendent of Public Instruction.

BILL ANALYSIS FOR SB 795:

Part I: K-3 Literacy

Section 1.(a)

Current Law: The State Board of Education (SBE) is charged with developing a comprehensive reading achievement plan. The SBE can require modifications to the standard course of study, teacher licensure and teacher education program standards.

Analysis: Repeals the current statute requiring the SBE to develop a comprehensive reading achievement plan.

Section 1.(b) North Carolina Read to Achieve Program

Analysis:

- Goal, Purposes, and Definitions: Creates "NC Read to Achieve Program" to ensure every child reads at or above grade level by 3rd grade through early identification and services for reading difficulties, increased parental notification of academic need and progress, and grade promotion based partly on reading proficiency.
- Comprehensive Plan for Reading Achievement: Requires the SBE to develop, implement and evaluate a comprehensive reading achievement plan including research-based practices, appropriate modification of the standard course of study, and teacher licensure and education program standards. Requires SBE to report biennially on plan and recommended legislative changes to the Joint Legislative Education Oversight Committee (JLEOC) by October 1.
- Developmental Screening and Kindergarten Entry Assessment: Requires the SBE to ensure that each kindergarten student's language, literacy, and math skills be screened within 30 days of enrollment and

kindergarten entry assessment be completed within 60 days of enrollment. Results must be used to inform children's instruction, reduction of the achievement gap, and improvement of the early childhood system.

- Facilitating Early Grade Reading Proficiency: Mandates that K-3 students be assessed to determine difficulty with reading development, and requires difficulties be addressed with instructional supports and services. Local school administrative units (LEAs) are encouraged to partner with community organizations and businesses for volunteers to help enhance reading development and proficiency.
- Elimination of Social Promotion: Requires the SBE to mandate students be retained in 3rd grade if the student fails to demonstrate 3rd grade reading proficiency on a State-approved standardized test of reading comprehension. The local superintendent may determine that a student meets one of the good cause exemptions to the retention requirement (limited English proficiency, disability, demonstrated proficiency on alternative measures, or multiple retentions).
- Successful Reading Development For Retained Students: Requires enrollment of retained students in summer reading camps. Students showing reading proficiency on an alternative assessment after completing the camp would be promoted to 4th grade. Students not demonstrating proficiency must be retained and provided with a successful reading teacher in an accelerated or transitional classroom where specific reading instruction takes place. The SBE must establish a mid-year promotion policy for students demonstrating reading proficiency by November 1. Parents of retained students will be provided with reading training and supplemental tutoring for the student.
- Notification Requirements To Parents: Requires that K-3 parents receive written notification that a student will be retained if the student is not demonstrating reading proficiency by the end of the 3rd grade, absent a good cause exemption. For retained students, parents must be given monthly written reports regarding student progress.
- Accountability Measures: Directs local boards of education to annually report to the SBE and publish on their websites information about numbers and percentages of 3rd graders demonstrating reading proficiency, retained, or exempt from retention for good cause.

  The SBE shall submit a summary of this information to the Governor, the President Pro Tempore of the Senate, the Speaker of the House of Representatives, and the JLEOC by October 1, beginning with the 2014-2015 school year. The SBE and the Department of Public Instruction must provide technical assistance as needed to assist LEAs to implement the provisions of this Part.

Section 1.(c): School Improvement Plans

Current Law and Analysis: Repeals current requirement that school improvement plans for schools serving kindergarten and 1st grade must include a reading plan to prepare students to read at grade level by 2nd grade.

Section 1.(d): Risk of Academic Failure

Current Law and Analysis: Requires identification of students who are at risk of academic failure and not progressing toward grade promotion beginning in kindergarten. Current law requires identification by 4th grade.

Section 1.(e): K-3 Assessments

Current Law: Optional developmentally appropriate assessments must be provided to LEAs for 1st and 2nd grades. Standardized tests cannot be used except as required as a condition of a federal grant.

Analysis: Requires LEAs to use SBE provided reading assessments for K-3 students to assess progress, diagnose difficulties, and inform instruction and remediation needs. LEAs would be prohibited from using standardized tests for summative assessments in grades K-3, except as required as a condition of a federal grant.

Section 1.(f): New K-3 Literacy Requirements for Charter Schools

Analysis:

- Requires charter schools to retain students in 3rd grade if the student fails to demonstrate 3rd grade reading proficiency on a State approved test of reading comprehension unless the student meets a good cause exemption.

- Requires charter schools to provide notice to parents that a student will be retained if not demonstrating reading proficiency by the end of 3rd grade, unless there is a good cause exemption. Parents must be given information on reading interventions to be provided.
- Requires charter schools to publish annually on their websites and report to the SBE the number and percentage of 3rd graders who are reading proficiently, who are not reading proficiently who do not return during the following year, and who were exempt from retention for good cause.

Section 1.(g): Principal's Authority to Grade and Classify Students

Current Law: Principals have the authority to grade and classify students.

Analysis: Limits principals' authority to grade and classify students when a student must be mandatorily retained in the 3rd grade for failing to demonstrate 3rd grade reading proficiency.

Sections 1.(h) and 1.(i): Conforming Changes and Appropriations

Analysis: Makes conforming changes regarding the kindergarten developmental screenings. Appropriates $34,087,650 to the Department of Public Instruction for 2012-2013 to implement the new requirements and states that it is the intent of the General Assembly to increase the appropriation in 2013-2014.

Effective Date: Section 1 would be effective when it becomes law and would apply beginning with the 2013-2014 school year. The developmental screening and kindergarten entry assessment would be administered beginning with the 2014-2015 school year.

Part II: State Employee Literacy Volunteer Leave Time

Current Law: Under the Community Service Leave Policy, employees may use one hour of leave each week for helping in a school, up to 36 hours for the weeks that schools are in session.

Analysis: Directs the State Personnel Commission to establish a leave program that allows employees to volunteer in a literacy program in a public school for up to 5 hours each month.

Effective Date: This section would become effective when it becomes law.

Part III: School Performance Grades

Sections 3.(a) and 3.(b): Annual Report Cards

Current Law: The SBE must issue an annual "report card" for the State and each LEA. Local boards of education must ensure that their report cards are distributed widely to the local press and public.

Analysis: Directs the SBE to award to each school an overall numerical school performance grade (on a scale of zero to 100) and corresponding letter grade of A, B, C, D, or F as a part of the LEA's annual report card. These performance grades must be placed on the LEA's website for the current year and the previous 4 years. The grades must reflect student performance on annual subject-specific assessments, college and workplace readiness measures, and graduation rates. The annual report card for schools with 3rd grade students must include information about reading proficiency and retention. Written notice must be provided to parents of students enrolled in schools that obtain a D or F grade.

Sections 3.(c) and 3.(d): Charter Schools and Regional Schools

Analysis: Requires charter schools and regional schools to ensure that the report cards issued to them by the SBE are publicized widely. The performance scores and grades for the current year and previous 4 years must be placed prominently on each school's website and if a school receives a D or F, written notice must be provided to parents of all enrolled students.

Section 3.(e): Calculation of School Performance Grades

Analysis:

- For schools serving grades K-8, the ***overall*** school performance grade would be calculated based on the sum of the percentage of students scoring at or above proficient on annual assessments in math, reading, and science. Reading and math grades would be separately reported.

- For schools serving grades 9-12, the ***overall*** school performance grade would be calculated based on a number of measures including measures of math, English, biology, college/workplace readiness, higher level math completers, and graduation rates.

A scale of points yielding letter grades is provided. The SBE would be required to make proportional adjustments to account for the absence of a school performance grade element if the school does not have a measure for that element. The SBE must annually report to the JLEOC by January 15 on recommended adjustments to the school performance grade elements and scale.

Effective Date: This section would become effective when it becomes law and applies beginning with the 2012-2013 school year.

Part IV: Instructional Time and Testing

Current Law: The SBE must establish a policy to minimize time spent taking tests through State and local testing programs, including limits on practice and field tests. Schools can participate in no more than 2 field tests in any one grade level in a school year unless the school improvement teams vote to participate in an expanded number of field tests.

Analysis: Prohibits schools from participating in more than 2 field tests. Annual tests adopted by the SBE and all final exams for courses must be administered within the final 10 instructional days of the school year for year-long courses and within the final 5 instructional days of the semester for semester courses. Exceptions would be allowed for individualized education plans and Section 504 plans and final exams for courses with national or international curriculums given on a schedule set by a national organization.

Effective Date: This section would become effective when it becomes law and applies beginning with the 2012-2013 school year.

Part V: Adjustments to School Calendar Start and End Dates

Current Law: School calendars must include 185 instructional days and 1,025 instructional hours. The SBE may grant waivers to allow an LEA to use up to 5 instructional days and corresponding instructional hours as teacher workdays upon a finding that the waiver will enhance student performance. Current law does not require the inclusion of protected teacher workdays in the school calendar.

Except for certain limited exceptions, the opening date for students cannot be before August 25 and the closing date cannot be after June 10. The SBE may grant 2 types of waivers to the opening and closing date requirements. A "good cause" waiver may be granted to schools if the school either:

- Has been closed 8 days per year in 4 of the last 10 years due to severe weather, energy shortages, power failures, or other emergency situations, or
- Has been closed for all or part of 8 days per year in 4 of the last 10 years due to severe weather conditions. Schools are deemed closed part of a day if closed for 2 or more hours.

The SBE may also grant an educational purpose waiver to the start and close dates. An educational purpose is the need to adopt a different calendar for:

- A specific school to accommodate a special program for the student body of that school.
- A school primarily serving a special population of students.
- A defined program within a school.

The SBE may grant the waiver if it finds the educational purpose is reasonable, the accommodation is necessary for the educational purpose, and the request is not to circumvent the opening and close date requirements.

Analysis:

- Provides that a school calendar shall include a minimum of 185 days or 1025 hours of instruction.

- Designates 3 teacher workdays as "protected" for instructional and classroom administrative duties with at least 1 of the days at the beginning of the school year and at least 1 at the end.
- Eliminates the authority of the SBE to grant a waiver for up to 5 instructional days to be used as teacher workdays.
- Provides that opening dates for students cannot be earlier than the Monday closest to August 26 and the closing dates cannot be later than the Friday closest to June 11. On a showing of good cause, the SBE may allow a local board of education to set an opening date no earlier than the Monday closest to August 19.
- Allows the SBE to grant "good cause" waivers from the opening and closing dates for weather only when schools were closed for 8 days per year during any 4 of the last 10 years. Part day closures could not count in the calculation.
- Eliminates the SBE's authority to grant calendar waivers for educational purposes and clarifies that cooperative innovative high schools are not subject to the general calendar law.

Effective Date: This section would become effective when it becomes law and applies beginning with the 2013-2014 school year.

Part VI: Funding for Addition of 5 Instructional Days Within the Existing School Calendar

Current Law: S.L. 2011-145 added five additional instructional days to the school calendar, resulting in a requirement for 185 days and 1025 hours of instruction.

Analysis: Revises funding for the additional instructional days to provide funding only for days for which chools have not received waivers from the SBE for the 2012-2013 school year. Appropriates $40,168 for the 012-2013 fiscal year to increase the non-instructional support personnel allotment and $351,469 for the 2012-013 fiscal year to increase the transportation allotment.

Effective Date: This section would become effective July 1, 2012.

Part VII: NC Teacher Corps

Analysis: Establishes the NC Teacher Corps (Corps) to recruit and place recent college graduates and mid-career professionals as teachers in high-needs public schools. The SBE would be directed to develop and administer the Corps including provision of an intensive summer training institution, ongoing support and professional development. Corps members would be given lateral entry teaching licenses.

Effective Date: This section would become effective when it becomes law and the SBE must recruit and place an initial cohort of Corps members no later than the 2012-2013 school year.

Part VIII: Teacher Licensure

Current Law: The SBE sets the licensure requirements for teaching position applicants and may require a minimum score on a standard exam. The SBE, collaborating with the Board of Governors of The University of North Carolina, must develop requirements for continuing licensure, align them with quality professional development programs, and sets the standards for approval for teacher education programs.

Analysis: Provides that elementary education (K-6) teachers be required to achieve a prescribed minimum score on subtests or standard exams specific to reading and language arts and mathematics. For continuing licensure, at least 3 continuing education credits related to literacy must be taken by elementary and middle school teachers. Teacher education program approval standards would require elementary education program completers to demonstrate competencies in assessment and intervention strategies to teach all children to read.

Effective Date: This section would become effective when it becomes law and applies beginning with the 2013-014 school year.

Part IX: Proof of State-Funded Liability Insurance

Current Law: Professional liability insurance coverage is provided to all public school employees.

Analysis: Directs the SBE to annually notify public school employees of the availability and coverage of the professional liability insurance.

Effective Date: This section would become effective when it becomes law and applies beginning with the 2012-2013 school year.

Part X: Performance Pay

Analysis: Directs local boards of education to develop a plan of performance pay for all licensed personnel. The licensed employees would be eligible to receive bonuses or adjustments to base salary for meeting certain performance criteria. The plans must be submitted to the SBE no later than March 1, 2013. The SBE must report on these plans and the achievement-based compensation models developed as a part of RttT to the Fiscal Research Division, the Joint Legislative Commission on Governmental Operations, and the House and Senate Subcommittees on Education Appropriations by April 15, 2013. Members of the public may also submit plans to these entities by April 15, 2013.

Effective Date: This section would become effective when it becomes law.

Part XI: Clarify NC Pre-K Program Eligibility

Current Law: Section 10.7(f) of S.L. 2011-145 (Budget) states that the NC prekindergarten program (NC Pre-K) may continue to serve at-risk children identified through existing "child find" methods in which at-risk children are currently served within the Division of Child Development. The Division of Child Development is directed to serve at-risk children regardless of income. However, the total number of at-risk children can constitute no more than twenty percent (20%) of the four-year olds served within the NC Pre-K program. Section 10.7(h) requires parent co-payments for the NC Pre-K program which are the same as those required of parents receiving regular child care subsidy.

Analysis: Clarifies the relevant section of S.L. 2011-145 (Budget) regarding NC Pre-K eligibility standards and removes the parent co-pay requirement for the NC Pre-K program. Appropriates $11,308,363 to the Department of Health and Human Services, Division of Child Development and Early Education, to add 2,261 slots to the NC Pre-K program for the 2012-2013 fiscal year.

Effective Date: This section would become effective when it becomes law.

Part XII: Repeal Prohibition on Teacher Prepayment

Current Law: G.S.115C-302.1(b) details how teachers are paid. Teachers may be prepaid on the monthly pay date for days not yet worked. However, if they fail to attend scheduled workdays, do not work the number of days for which they have been paid and resign, are dismissed, or do not receive a renewed contract, they must repay the local board any salary received for days not yet worked. Teachers who have been prepaid and continue to work for a local board but fail to attend scheduled work days are subject to dismissal or other disciplinary actions.

Section 5 of S.L. 2011-379 (HB 720) removed the ability for local boards of education to pre-pay for days not yet worked and provided that teachers may only be paid for days employed as of the set pay date. Payment for a full month when days employed are less than a full month would be prohibited. This prohibition on prepayment will become effective July 1, 2012.

Analysis: Repeals the prohibition on teacher prepayment which was enacted by Section 5 of S.L. 2011-379 (HB 720). Under Section 5 of S.L. 2011-379, the prohibition on prepayment does not become effective until July 1, 2012. This section would allow prepayment as is currently allowed under G.S. 115C-302.1(b) to continue as it is currently being implemented by local boards of education without any changes.

Effective date: This section would become effective July 1, 2012.

Part XIII: Tax Deduction for Educational Supplies

Analysis: Allows an individual income tax deduction for teachers in elementary or secondary education of up to $250 for unreimbursed expenses paid or incurred for school supplies. Congress enacted a tax benefit to help K-12

:aches defray some of the expenditures they voluntarily make to enhance the quality of their students' education. ,he deduction has been available for tax years 2002-2011. Since North Carolina begins its calculation of taxable income with federal AGI, teachers in North Carolina have been allowed the deduction at the State level as well.

Congress has not extended the tax deduction beyond the 2011 taxable year. This section allows North Carolina teachers to continue deducting up to $250 for unreimbursed expenses paid or incurred for school supplies for taxable years beginning on or after January 1, 2012. If a taxpayer files a joint return and both spouses are eligible educators, then they both may claim up to $250 of expenses for a $500 total on a joint return. If Congress extends the federal tax deduction beyond taxable year 2011, then this provision will not be needed. However, if it does not, this provision ensures that North Carolina educators will continue to receive the same tax benefit they have received since 2002.

Effective Date: This section becomes effective for taxable years beginning on or after January 1, 2012.

Part XIV: Teacher Contracts

Current Law: In North Carolina, teachers are eligible for career status when they have been employed by a local board of education for four consecutive years. Obtaining career status provides that the career employee may not be dismissed or demoted except if one or more statutory grounds are found. Certain procedures must be followed to dismiss or demote a career status teacher, including a right to a hearing in front of the local board of education with a further right of appeal to superior court. The procedure for the dismissal of career status teachers in schools that have been identified as low-performing by the SBE and that have been assigned assistance teams varies in that the SBE has the authority to dismiss career status teachers due to inadequate performance. Hearings must still be granted by the SBE in these cases and there are further rights to judicial review under Chapter 150B of the General Statutes.

Analysis: Eliminates career status in North Carolina. Teachers employed by a local board of education for less than 3 years would be employed by 1 year contracts. Contracts or renewal of contracts between a local board of education and teachers who have been employed by that board for 3 years or more would be terms of 1, 2, 3, or 4 school years. For the 2012-2013 school year, all teachers would be employed on a 1 year contract. All teachers would be employed by their local boards of education upon recommendation of the superintendent. Superintendents must also recommend contract length (for those with 3 or more years of employment) but can only recommend contracts of more than 1 year for teachers who have shown effectiveness as documented by the teacher evaluation instrument. Local boards of education would be able to approve the recommendation, not approve it or decide on a different term of length for the contract. Teachers could not be dismissed or demoted during the term of the contract except for one of the statutorily listed grounds. If the superintendent decides against recommending a renewal of a contract, the teacher would have the right to petition the local board of education for a hearing but whether to grant the hearing would be in the local board's discretion.

- Procedure for Dismissal or Demotion for Cause During the Contract Term:
  - Notice: The superintendent must give written notice to the teacher of his or her intention to recommend to the local board of education that teacher be dismissed or demoted and provide the grounds upon which the recommendation is being made. The superintendent must also meet with the teacher and (i) give written notice of the charges against the teacher; (ii) an explanation of the basis for the charges; and (iii) an opportunity to respond. The notice must also inform the teacher that he or she may request a hearing before the local board of education within 14 days of the receipt of the notice.
  - Request for a Hearing: The teacher may file a written request for a hearing before the local board of education within 14 days after receipt of the notice of recommendation of the superintendent. The board shall set a time and place for the hearing which is not less than 10 days nor more than 30 days after notification is given to the teacher unless the parties agree to an extension.
  - No Request for Hearing: If the teacher does not request a hearing before the board within 14 days of receipt of the recommendation, the superintendent may submit his or her recommendation to the board. The board may (i) reject the recommendation or (ii) accept or modify the recommendation.

- Hearing Before the Local Board of Education: The hearing must be private and the board must receive documentary evidence that will be used to support the recommendation from both the superintendent and teacher, who must provide the evidence to each other within certain time frames. Written statements may be provided to the board and both the superintendent and the teacher may make oral arguments before the board based on the record before the board. The board must make findings of fact based upon the preponderance of the evidence and must send a written copy of its findings and determinations within 2 days of the hearing to the teacher and the superintendent.
- Hearing for Disciplinary Suspension Without Pay: The hearing must be private and conducted according to reasonable rules adopted by the SBE governing such a hearing. Both the teacher and superintendent have the right to be present and represented by counsel and to present witnesses. The rules of evidence to not apply. The superintendent must give the teacher 8 days before the hearing, a list of witnesses who will be presented and a statement of the nature of each witness' testimony and copy of any documentary evidence that will be presented. The teacher must provide this same information to the superintendent 6 days before the hearing. New evidence may not be presented at the hearing unless the board finds that it is critical and could not have been found earlier.
- No Appeal of Local Board of Education's Decision: The bill would eliminate the right to appeal to superior court decisions of a local board of education regarding the terms or conditions of employment or employment status of a school employee.
- Teacher Resignation Following Recommendation for Dismissal: If a teacher has been recommended for dismissal and chooses to resign without the written consent of the superintendent: (i) the superintendent must report the matter to the SBE; (ii) the teacher is deemed to have consented to the placement in his or her personnel file of the written notice of the superintendent's intention to recommend dismissal and the release of this fact that the teacher has been reported to the SBE to prospective employers upon request; and (iii) the teacher is deemed to have voluntarily surrendered his or her license pending an investigation by the SBE in determination of whether to seek action against the teacher's license.
- 30 Days' Notice Required for Resignation: If a teacher who has not been recommended for dismissal decides to resign during the term of the contract without the consent of the superintendent, then he or she should give at least 30 days' notice. If the teacher does resign without giving this notice, then the board may request that the SBE revoke the teacher's license for the remainder of the school year.
- Dismissal of School Administrators and Teachers Employed in Low-Performing Residential Schools: The procedure would remain substantially the same as it is under current law but would make the following changes:
  - Clarify that it is the SBE (rather than the Secretary of Health and Human Services) that has the authority to dismiss school administrators and teachers in residential schools that have been identified as low-performing by the SBE and have been assigned assistance teams by the SBE.
  - Eliminate the provision that allowed the teacher or school administrator to seek judicial review under Chapter 150B of the General Statutes of a final decision of the SBE.
- Dismissal of School Administrators and Teachers Employed in Low-Performing Schools: The procedure would remain substantially the same as it is under current law but the bill would eliminate the provision that allowed the teacher or school administrator to seek judicial review under Chapter 150B of the General Statutes of a final decision of the SBE.

School Administrators.

Current Law: Most school administrators are employed through contracts with their local boards of education. Some school administrators who had or were eligible to receive career status in 1995 are employed pursuant to the teacher career status law. For those employed by contract, school administrators cannot be dismissed or demoted during the term of the contract except for cause for one of the statutorily listed grounds. Superintendents recommend new, renewed, or extended contracts for school administrators to their local boards of education

/hich may approve the recommendations or not. If a superintendent decides against recommending that the local oard of education offer a new, renewed, or extended contract to a school administrator, then written notice of this decision and the reasons for it must be given to the school administrator. The reasons may not be arbitrary, capricious, discriminatory, personal, or political. The school administrator may file a written request for a hearing before the local board and failure to file a timely request results in a waiver of the right of appeal of the superintendent's decision. If a timely request is filed, the local board of education must conduct a hearing on the matter and its decision is subject to judicial review under Chapter 150B of the General Statutes.

Analysis: Eliminates career status for all school administrators. Eliminates the current requirement that the superintendent's and local board of education's decisions to not offer a new, renewed, or extended contract to a school administrator may not be arbitrary, capricious, discriminatory, personal or political. Also eliminates the right to judicial review under Chapter 150B of the General Statutes of the decision of the local board of education.

Non-Licensed Employees

Current Law: Non-licensed employees may appeal a decision of the local board of education to superior court regarding decisions concerning dismissal, demotion or suspension without pay. The non-licensed employee may request and be entitled to receive written notice as to the reasons for the employee's dismissal, demotion or suspension without pay and it must be provided to the employee prior to any local board of education hearing on the issue.

Analysis: Eliminates this right of appeal to superior court and would eliminate the right to written notice for the reasons for the non-licensed employee's dismissal, demotion or suspension without pay.

Section 11.(d) through Section 11.(l) and Section 11.(n) through Section 11.(w): Conforming statutory changes regarding the elimination of career status. Creates cross-reference to existing law to clarify that exchange eachers are not eligible to participate in the State retirement system.

Effective Date: For the 2012-2013 school year, all teachers would be employed on a 1 year contract. These sections would become effective July 1, 2012 and would apply to all school employees employed on or after that date.

Part XV: Eliminate Public Financing for Superintendent of Public Instruction

Current Law: North Carolina currently provides a program called the North Carolina Voter Owned Election Fund for public financing of elections for 3 of the 10 Council of State races (Auditor, Superintendent of Public Instruction and Commissioner of Insurance).

Candidates must file declaration of intent to participate before collecting qualifying contributions, and must then collect qualifying contributions from a certain number of registered voters during the qualifying period. The State Board of Elections "certifies" that the candidate has filed a declaration of intent, collected the appropriate contributions, and filed a notice of candidacy. Once certified, the candidate is entitled to receive distributions from the public financing fund. Distributions are as follows: none for an uncontested primary or general election; an initial distribution within 5 business days of certification by the State Board for a candidate in a contested general election; and matching funds upon trigger.

The money for the distributions to the candidates is taken from the North Carolina Voter Owned Election Fund. The program is funded by voluntary check-off donations on personal income tax and appropriations.

Analysis: Eliminates the Superintendent of Public Instruction as one of the three Council of State offices that may participate in public financing through the North Carolina Voter Owned Election Fund.

Effective Date: This section would become effective when it becomes law and applies to elections held on or after that date. This section may not become effective until preclearance under Section 5 of the Voting Rights Act s received.

GENERAL ASSEMBLY OF NORTH CAROLINA
SESSION 2011

S D

SENATE BILL 467
Health Care Committee Substitute Adopted 6/14/11
PROPOSED COMMITTEE SUBSTITUTE S467-CSRBf-78 [v.1]

Short Title: Naturopathic Licensing Act. (Public)

Sponsors:

Referred to:

March 31, 2011

A BILL TO BE ENTITLED

AN ACT TO ESTABLISH THE NORTH CAROLINA NATUROPATHIC DOCTORS LICENSURE ACT.

The General Assembly of North Carolina enacts:

SECTION 1. Chapter 90 of the General Statutes is amended by adding a new Article to read:

"Article 43.
"Naturopathic Doctors.

"**§ 90-730. Short title.**

This Article may be cited as the 'North Carolina Naturopathic Doctors Licensure Act.'

"**§ 90-731. Intent; purpose.**

(a) Intent. – The General Assembly finds that a significant number of residents of the State of North Carolina choose complementary and alternative health care and declares that naturopathic treatment is a distinct health care profession that affects the public health, safety, and welfare and provides for choices in health care. The General Assembly concludes that licensure is in the current interest of North Carolina citizens to aid in protecting citizens from deception, fraud, and damage to their health status. Licensure can provide a process in which citizens may more confidently rely on the level of skill, education, and competency possessed by licensed persons.

(b) Purpose. – The purpose of this Article is to provide standards for the licensure of naturopathic doctors desiring to practice naturopathic medicine in this State and to ensure the maintenance of professional competence and acceptable standards of practice.

"**§ 90-732. Definitions.**

The following definitions apply in this Article:

(1) Approved program of naturopathic medicine. – A program that meets all of the following conditions:

a. A program that provides graduate level full-time didactic and supervised clinical training that is accredited, or has achieved candidacy status for accreditation, by the Council on Naturopathic Medical Education Program.

b. A program that is offered by an institution of higher education that is accredited by a regional or national institutional accrediting agency recognized by the United States Department of Education.

c. If the program is offered in the United States, a program that awards the degree of Doctor of Naturopathy or Doctor of Naturopathic Medicine. If the program is offered in Canada, a program that awards the degree or diploma of Doctor of Naturopathy or Doctor of Naturopathic Medicine, and is offered by an institution of higher education that has provincial approval for participation in government-funded student aid programs.

(2) Board. – The North Carolina Naturopathic Doctors Licensing Board.

(3) Criminal history. – A history of conviction of a State or federal crime, whether a misdemeanor or felony.

(4) Integrative medicine. – As defined in G.S. 90-1.1(3).

(5) Natural medicines. – Any herbal, nutritional, supplemental, homeopathic, or other nonprescription remedies.

(6) Naturopathic medicine. – A system of natural health care that employs diagnosis and treatment using natural therapies and diagnostic techniques for the promotion, maintenance, and restoration of health and the prevention of disease, including the following:

a. Administering or providing any of the following for preventive and therapeutic purposes: natural medicines, natural therapies, natural topical medicines, hydrotherapy, dietary therapy, and naturopathic physical medicine.

b. Using diagnostic procedures, including physical and orificial examination, but excluding endoscopy, sigmoidoscopy, colonoscopy, and any other diagnostic or therapeutic endoscopy.

c. Ordering and interpreting laboratory tests and diagnostic imaging, but excluding electrocardiograms, echocardiograms, electroencephalograms, nuclear imagings, MRIs, CT scans, and other tests that should be conducted and interpreted by a physician licensed under Article 1 of this Chapter.

(7) Naturopathic physical medicine. – The manual use of massage, stretching, or resistance.

(8) Naturopathic doctor. – A person licensed to practice naturopathic medicine under this Article.

"**§ 90-733. Practice of naturopathic medicine; scope of practice.**

(a) Practice of Naturopathic Medicine. – A naturopathic doctor is a licensed health care provider having the same responsibilities as other licensed doctors regarding public health laws, reportable diseases and conditions, communicable disease control and prevention, and the recording of vital statistics. In diagnosing and treating an individual, a naturopathic doctor may employ the following therapies, modalities, procedures, or remedies consistent with naturopathic education and training:

(1) Dispense, administer, and advise the use of natural remedies derived from or substantially similar in molecular structure or function to natural sources for preventive and therapeutic purposes, including food, extracts of food, nutraceuticals, vitamins, minerals, enzymes, botanicals and their extracts, homeopathic remedies prepared according to the Homeopathic Pharmacopoeia of the United States, and all dietary supplements and nonprescription drugs as defined by the Federal Food, Drug, and Cosmetic Act, 21 U.S.C.A. § 301, et seq.

(2) Order and perform physical examinations.
(3) Order, perform, and interpret laboratory examinations and diagnostic imaging studies, except as prohibited in G.S. 90-732(6).
(4) Perform hot or cold hydrotherapy, naturopathic physical treatment, electromagnetic energy, and therapeutic exercise.
(5) Perform health education and health counseling.
(6) Utilize routes of administration, including oral, nasal, auricular, ocular, rectal, vaginal, and transdermal.
(7) Perform, repair, and care incidental to superficial lacerations and abrasions and apply topical and local anesthetics and antimicrobials.
(8) Remove foreign bodies located in the superficial tissues.

(b) Prohibitions. – A naturopathic doctor may not perform any of the following functions unless otherwise licensed by this State to do so:
(1) Prescribe, dispense, or administer any legend drug, except as authorized by this Article.
(2) Practice or attempt to practice as a medical physician, osteopath, acupuncturist, dentist, podiatrist, optometrist, chiropractor, dietitian or nutritionist, psychologist, advanced practice registered nurse, physician assistant, physical therapist, or any other health care professional not authorized by this Article.
(3) Use general or spinal anesthetics.
(4) Perform procedures using a laser device.
(5) Perform surgical procedures.
(6) Administer ionizing radioactive substances for therapeutic purposes.
(7) Perform chiropractic adjustments.
(8) Perform acupuncture.
(9) Performing any acts of prenatal, intrapartum, postpartum, newborn, and interconceptional care as defined under G.S. 90-178.2.

"**§ 90-734. License required; exemptions.**

(a) License Required. – On or after January 1, 2013, no person shall practice or offer to practice as a naturopathic doctor, perform naturopathic medicine, or use any card, title, or abbreviation to indicate that the person is a naturopathic doctor unless the person has been licensed under the provisions of this Article. Persons licensed under this Article have the exclusive right to use the titles 'Naturopathic Doctor,' 'Doctor of Naturopathic Medicine,' 'Doctor of Naturopathy,' 'Naturopathic Medicine,' 'Naturopath,' or the abbreviations 'D.N.,' 'N.D.,' 'ND,' and 'D.N.M.'

(b) Exemptions. – Nothing in this Article shall be construed to prohibit or affect any of the following:
(1) The practice of a profession by an individual who is licensed, certified, or registered under other laws of this State and is performing services within the authorized scope of practice.
(2) The practice of naturopathic medicine by a person employed by the federal government while the person is engaged in the performance of duties prescribed by laws and regulations of the United States.
(3) The practice of naturopathic medicine by a student or a resident completing a clinical requirement for graduation from a naturopathic training program approved by the Board, so long as the practice is performed under the supervision of a physician licensed under Article 1 of this Chapter and the clinical requirement does not exceed one year.

(c) Unlawful Act. – A person who violates this section is guilty of a Class I felony. The Board may make application to superior court for an order enjoining a violation of this section.

Upon a showing by the Board that a person has violated or is about to violate this section, the court may grant an injunction, restraining order, or take other appropriate action.

"**§ 90-735. North Carolina Naturopathic Doctors Licensing Board.**

(a) Board. – The North Carolina Naturopathic Doctors Licensing Board is created. The Board consists of seven members serving for staggered terms. The initial Board members shall be appointed on or before January 1, 2013, as follows:

(1) The General Assembly, upon the recommendation of the President Pro Tempore of the Senate, shall appoint two naturopathic doctors who are licensed under this Article. One member shall serve a term of one year, and one member shall serve a term of three years.

(2) The General Assembly, upon the recommendation of the Speaker of the House of Representatives, shall appoint two naturopathic doctors who are licensed under this Article. One member shall serve a term of one year, and one member shall serve a term of two years.

(3) The Governor shall appoint two physicians licensed under Article 1 of Chapter 90 of the General Statutes, at least one of whom shall be involved in the practice of integrative medicine or who teaches integrative medicine at a medical school. Both of these members shall serve a term of three years.

(4) The Governor shall appoint for a two-year term a public member who is not a licensed health care professional and is not employed in a health care profession.

Upon the expiration of the terms of the initial Board members, each member is appointed for a term of three years, beginning on January 1 of each year. A member serves until the member's successor is appointed. No member shall serve on the Board for more than two consecutive terms.

(b) Vacancies. – A member of the Board serves at the pleasure of the authority that appointed the member. A vacancy shall be filled in the same manner as the original appointment. An appointee to fill a vacancy shall serve the remainder of the unexpired term and until the appointee's successor has been duly appointed.

(c) Removal. – The Board may remove any of its members for neglect of duty, incompetence, or unprofessional conduct. A member subject to disciplinary proceedings as a licensee shall be disqualified from participating in the official business of the Board until the charges have been resolved.

(d) General Administration. – A Board member may not receive compensation but may receive reimbursement as provided in G.S. 93B-5. The officers of the Board include a chair, a secretary, and any other officer deemed necessary by the Board to carry out the purposes of this Article. All officers shall be elected annually by the Board at its first meeting held after appointments to the Board are made. The Board shall hold a meeting within 45 days of the appointment of new Board members. All officers shall serve one-year terms and shall serve until their successors are elected and qualified. No person shall chair the Board for more than one year. The Board may adopt rules governing the calling, holding, and conducting of regular and special meetings. A majority of Board members constitutes a quorum.

"**§ 90-736. Powers of the Board.**

The Board shall have the following powers and duties:

(1) Administer and enforce the provisions of this Article.

(2) Adopt rules as may be necessary to carry out the provisions of this Article.

(3) Establish, examine, and determine the qualifications and fitness of applicants for licensure and renewal of licensure.

(4) Issue, renew, deny, suspend, or revoke licenses and conduct any disciplinary actions authorized by this Article.

(5) Collect fees for licensure, licensure renewal, and other services deemed necessary to carry out the provisions of this Article.
(6) Establish and approve continuing education requirements for persons licensed under this Article.
(7) Employ and fix the compensation of personnel that the Board determines is necessary to carry out the provisions of this Article and incur other expenses necessary to perform the duties of the Board.
(8) Adopt a seal containing the name of the Board for use on all licenses and official reports issued by the Board.
(9) Institute corrective measures, as necessary, to rehabilitate naturopathic doctors or limit their practice.
(10) Investigate persons engaging in practices which violate the provisions of this Article.

"**§ 90-737. Qualifications for licensure; renewal; reinstatement.**

(a) Licensure. – Upon application to the Board and payment of the required fees, an applicant may be licensed under this Article as a naturopathic doctor if the applicant meets all of the following qualifications and conditions:
(1) Is of good moral and ethical character.
(2) Is a graduate of an approved program of naturopathic medicine as defined in G.S. 90-732(1).
(3) Meets one of the following two conditions:
a. Has successfully passed a competency-based national naturopathic licensing examination administered by the North American Board of Naturopathic Examiners as recognized by the Board.
b. Has successfully passed a competency-based examination approved by the Board and by the North American Board of Naturopathic Medical Education.
(4) Provides the Board with a list of at least four physicians licensed under Article 1 of this Chapter to practice medicine in this State who have agreed to work with the applicant and accept referrals from the applicant. The applicant shall also provide the Board with letters of verification from the listed physicians.
(5) Submits any other documentation the Board deems necessary to determine the applicant's fitness for licensure under this Article. This documentation may include successful completion of a Board-approved examination on State laws and rules related to naturopathic medicine.

(b) Renewal. – A license expires every year on the date it is issued unless it is renewed. Failure to renew a license within 30 days of the date the license expires shall result in automatic forfeiture of the right to practice naturopathic medicine in this State until such time that the license has been reinstated. To renew a license, a licensee shall meet all of the following conditions:
(1) Submit an application for license renewal.
(2) Pay the required fees.
(3) Complete at least 30 hours of continuing education approved by the Board per year.

(c) Reinstatement. – A licensed naturopathic doctor who has allowed the license to lapse by failure to renew within the time allowed under subsection (b) of this section may apply for reinstatement. The Board may reinstate the applicant's license if the applicant pays the required fees, furnishes a statement of the reason for failure to apply for renewal before the deadline, and complies with any other requirements established in rules adopted by the Board. If the license has lapsed for two years or longer, the Board may require the applicant to

satisfactorily complete a refresher course approved by the Board or to provide proof of active licensure within the past two years in another jurisdiction.

"**§ 90-738. Reciprocity.**

The Board may grant, upon application and payment of fees, a license to a person who resides in this State and has been licensed to practice as a naturopathic doctor in another state or a Canadian province if both of the following conditions are met:

(1) The standards for licensure in the state or province in which the naturopathic doctor is licensed are substantially equivalent to those provided in this Article.

(2) The applicant provides proof of licensure in good standing in all states and provinces in which the applicant has been licensed.

"**§ 90-739. Fees.**

The Board may impose the following fees:

(1)	Application and examination	$200.00
(2)	License	$600.00
(3)	License renewal	$400.00
(4)	Late renewal	$200.00
(5)	Reinstatement	$1,000.00
(6)	Reasonable charges for duplication services and material.	
(7)	Criminal history record check fee equal to the amount imposed by the Department of Justice to conduct the criminal history record check requested by the Board.	

"**§ 90-740. Disciplinary authority.**

(a) Authority. – The Board may impose probationary conditions upon a licensee, or it may deny, suspend, revoke, or refuse to issue or renew a license, if the licensee or applicant does any of the following:

(1) Engages in any act or practice in violation of any of the provisions of this Article or of any of the rules adopted by the Board or aids, abets, or assists any other person in the violation of the provisions of this Article or rules adopted by the Board.

(2) Gives false information to or withholds information from the Board in procuring or attempting to procure a license.

(3) Has been convicted of or pled guilty or no contest to a crime that indicates that the person is unfit or incompetent to practice as a naturopathic doctor or that indicates the person has deceived or defrauded the public. A felony conviction shall result in the automatic revocation of a license issued by the Board unless the Board determines otherwise pursuant to rules adopted by the Board.

(4) Has been declared mentally incompetent by a court of competent jurisdiction.

(5) Habitually uses or is addicted to drugs or intoxicating liquors to the extent that it affects the licensee's professional competency. If a licensee violates this subdivision, the Board may require the licensee to undergo a mental or physical examination by physicians designated by the Board before or after the licensee has been charged. The results of the examination shall be admissible as evidence in a hearing before the Board.

(6) Has demonstrated gross negligence, incompetency, or misconduct in the performance of naturopathic medical treatment.

(7) Has had a health care provider license denied, restricted, revoked, or suspended by another state or jurisdiction.

(8) Fails to consent to a criminal history record check.
(9) Fails to respond, within a reasonable time, to inquiries from the Board concerning any matter affecting the individual's license to practice naturopathic medicine.
(10) Fails to complete continuing education requirements within the time prescribed.

(b) Hearing. – Denial, refusal to renew, suspension, or revocation of a license or imposition of probationary conditions upon a licensee may be ordered by the Board after a hearing held in accordance with Article 3A of Chapter 150B of the General Statutes and rules adopted pursuant to this Article. An application may be made to the Board for reinstatement of a revoked license if the revocation has been in effect for not less than two years.

(c) Records. – The Board shall keep a record of its proceedings. The Board may, in a closed session, receive evidence regarding the treatment of a patient who has not expressly or impliedly consented to the public disclosure of the treatment when necessary for the protection of the rights of the patient or of the accused naturopathic doctor and the full presentation of relevant evidence. All records, papers, investigative files, investigative reports, and other documents containing information gathered or received by the Board as a result of investigations, inquiries, or interviews conducted in connection with an application for licensure, a complaint, or a disciplinary matter are not considered public documents within the meaning of Chapter 132 of the General Statutes. If a record, paper, or other document containing information collected and compiled by the Board is admitted into evidence in a hearing held by the Board, it shall then be a public record within the meaning of Chapter 132 of the General Statutes.

(d) Confidential Information. – The Board shall release confidential or nonpublic information about a licensee to any health care licensure board in this State or another state relating to the issuance, denial, suspension, revocation, or voluntary surrender of the license, including the reasons for the action or any investigative report prepared by the Board. The Board shall notify the naturopathic doctor within 30 days after the information is released. The Board shall furnish to the naturopathic doctor a summary of the information being released. However, if the naturopathic doctor requests, in writing, within 30 days from the date of notice, a copy of the information being released, the Board shall give to the naturopathic doctor a copy of all the information being released. Notice or copies shall not be provided by the Board if the information relates to an ongoing criminal investigation by a law enforcement agency or any Department of Health and Human Services personnel with enforcement or investigative responsibilities.

"**§ 90-741. Criminal history record check of applicants and licensees.**

(a) Criminal History Record Check. – The Board shall require a criminal history record check for a person who is either licensed under this Article or applying for licensure under this Article. The Board is responsible for providing to the North Carolina Department of Justice the fingerprints of the person to be checked, a form signed by the person consenting to the criminal record check and the use of fingerprints and other identifying information required by the State or National Repositories, and any additional information required by the Department of Justice. The Board shall keep all information obtained pursuant to this section confidential.

(b) Conviction. – If a criminal history record check reveals one or more felony convictions, the Board shall deny licensure, however if a criminal history record check reveals one or more misdemeanor convictions, the convictions do not automatically bar licensure. The Board shall consider all of the following factors regarding the misdemeanor conviction:

(1) The level of seriousness of the crime.
(2) The date of the crime.
(3) The age of the person at the time of the conviction.
(4) The circumstances surrounding the commission of the crime, if known.

(5) The nexus between the criminal conduct of the person and the job duties of the position to be filled.

(6) The person's prison, jail, probation, parole, rehabilitation, and employment records since the date the crime was committed.

(7) The subsequent commission of a crime by the person.

(c) Denial of Licensure. – If the Board denies, revokes, or suspends a license based on information obtained in a criminal history record check, the Board shall disclose to the person the information contained in the criminal history record check that is relevant to the Board's actions. The Board may not provide a copy of the criminal history record check to the person. A person has the right to appear before the Board to appeal the Board's decision. An appearance before the Board shall constitute an exhaustion of administrative remedies in accordance with Chapter 150B of the General Statutes.

(d) Limited Immunity. – The Board, its officers and employees, acting in good faith and in compliance with this section, shall be immune from civil liability for its actions based on information provided in a person's criminal history record check.

"**§ 90-742. Reports; immunity from suit.**

(a) Report. – A person who has reasonable cause to suspect misconduct or incapacity of a licensee, or who has reasonable cause to suspect that a person is in violation of this Article, may report the relevant facts to the Board. Upon receipt of a charge, or upon its own initiative, the Board may give notice of an administrative hearing or may, after diligent investigation, dismiss unfounded charges. A person who, in good faith, makes a report pursuant to this section is immune from any criminal prosecution or civil liability resulting from making the report.

(b) Immunity. – The Board and its staff are immune from any criminal prosecution or civil liability for exercising, in good faith, the powers and duties given to the Board under this Article.

"**§ 90-743. Third-party reimbursement.**

Nothing in this Article shall be construed to require direct third-party reimbursement to persons licensed under this Article."

SECTION 2. G.S. 90-18(c) is amended by adding a new subdivision to read:

"(c) The following shall not constitute practicing medicine or surgery as defined in this Article:

...

(21) The practice of naturopathic medicine by a licensed naturopathic doctor under the provisions of Article 43 of this Chapter."

SECTION 3. Part 2 of Article 4 of Chapter 114 of the General Statutes is amended by adding a new section to read:

"**§ 114-19.31. Criminal history record checks for naturopathic doctors.**

(a) The Department of Justice shall provide to the North Carolina Naturopathic Doctors Licensing Board from the State and National Repositories of Criminal Histories the criminal history of an applicant for licensure by the Board or a licensee of the Board. The Judicial Department shall provide to the Department of Justice, along with the request, the fingerprints of the applicant or licensee, a form signed by the applicant or licensee consenting to the criminal history record check and use of fingerprints and other identifying information required by the State and National Repositories, and any additional information required by the Department of Justice. The fingerprints of the applicant or licensee shall be forwarded to the State Bureau of Investigation for a search of the State's criminal history record file, and the State Bureau of Investigation shall forward a set of fingerprints to the Federal Bureau of Investigation for a national criminal history record check. The Judicial Department shall keep all information obtained pursuant to this section confidential.

(b) The Department of Justice may charge a fee to offset the cost incurred by it to conduct a criminal history record check under this section. The fee shall not exceed the actual cost of locating, editing, researching, and retrieving the information."

SECTION 4. Notwithstanding the provisions of G.S. 90-735, as enacted by Section 1 of this act, the initial naturopathic doctors appointed to the North Carolina Naturopathic Doctors Licensing Board must be North Carolina residents, must be licensed as naturopathic doctors in a state that licenses this profession, and must be eligible for licensure under G.S. 90-737, as enacted by Section 1 of this act. Upon appointment, the appointee must immediately seek to become licensed under this act.

SECTION 5. This act is effective when it becomes law.

SENATE BILL 467:
Naturopathic Licensing Act

2011-2012 General Assembly

Committee:	Senate Finance	**Date:**	May 30, 2012
Introduced by:	Sens. Hartsell, Apodaca	**Prepared by:**	Amy Jo Johnson
Analysis of:	PCS to Second Edition S467-CSRBf-78		Committee Counsel

SUMMARY: ***The PCS to Senate Bill 467 would establish the North Carolina Naturopathic Doctors Licensure Act.***

The PCS adds performing acts of prenatal, intrapartum, postpartum, newborn, and interconceptual care to the list of acts prohibited by naturopathic doctors. It also staggers the initial Board appointments and changes the penalty for practicing without licensure from a Class I misdemeanor to a Class I felony and moves the effective date of licensure from January 1, 2012, to January 1, 2013.

BILL ANALYSIS:

Senate Bill 467 defines "naturopathic medicine" as a system of natural health care that employs diagnosis and treatment using natural therapies and diagnostic techniques for the promotion, maintenance, and restoration of health and the prevention of disease, including the following:

- Administering or providing any of the following or preventative and therapeutic purposes: natural medicines, natural therapies, natural topical medicines, hydrotherapy, dietary therapy, and naturopathic physical medicine.
- Using diagnostic procedures, including physical and orificial examination, but excluding endoscopy, sigmoidoscopy, and colonoscopy.
- Ordering and interpreting laboratory tests and diagnostic imaging, but excluding electrocardiograms, echocardiograms, electroencephalograms, nuclear imaging, MRIs, CT scans, and other tests that should be conducted and interpreted by a licensed physician.

Senate Bill 467 defines the scope of practice of naturopathic medicine and creates a licensure requirement for anyone practicing naturopathic medicine on or after January 1, 2013. Licenses will be granted by the North Carolina Naturopathic Doctors Licensing Board (Board) as established in the bill. The Board is authorized to impose the following fees:

- Application and examination $200.00
- License $600.00
- License renewal $400.00
- Late renewal $200.00
- Reinstatement $1,000.00
- Criminal history record check fee equal to the amount imposed by the Department of Justice to conduct the criminal history record check requested by the Board.

Licenses will expire every year on the date issued unless it is renewed. Any person practicing as a naturopathic doctor, performing naturopathic medicine, or using any card, title, or abbreviation to indicate that the person is a naturopathic doctor without a license is guilty of a Class 1 Felony.

BACKGROUND: Sixteen states, the District of Columbia, and 4 Canadian provinces have enacted a licensure law for naturopathic doctors.

EFFECTIVE DATE: This act is effective when it becomes law.

S467-SMRB-125(CSRBf-78) v1

GENERAL ASSEMBLY OF NORTH CAROLINA

Session 2011

FISCAL ANALYSIS MEMORANDUM

[This confidential fiscal memorandum is a fiscal analysis of a draft bill, amendment, committee substitute, or conference committee report that has not been formally introduced or adopted on the chamber floor or in committee. This is not an official fiscal note. If upon introduction of the bill you determine that a formal fiscal note is needed, please make a fiscal note request to the Fiscal Research Division, and one will be provided under the rules of the House and the Senate.]

POSITIONS (cumulative):					

PRINCIPAL DEPARTMENT(S) & PROGRAM(S) AFFECTED: NC Naturopathic Doctors Licensing Board (new), Department of Justice, Judicial Branch, Dept. of Correction

EFFECTIVE DATE: When it becomes law.

BILL SUMMARY:

Senate Bill 467 defines "naturopathic medicine" as a system of natural health care that employs diagnosis and treatment using natural therapies and diagnostic techniques for the promotion, maintenance, and restoration of health and the prevention of disease, including the following:

- Administering or providing any of the following or preventative and therapeutic purposes: natural medicines, natural therapies, natural topical medicines, hydrotherapy, dietary therapy, and naturopathic physical medicine.
- Using diagnostic procedures, including physical and orificial examination, but excluding endoscopy, sigmoidoscopy, and colonoscopy.
- Ordering and interpreting laboratory tests and diagnostic imaging, but excluding electrocardiograms, echocardiograms, electroencephalograms, nuclear imaging, MRIs, CT scans, and other tests that should be conducted and interpreted by a licensed physician.

Senate Bill 467 defines the scope of practice of naturopathic medicine and creates a licensure requirement for anyone practicing naturopathic medicine on or after January 1, 2012. Licenses will be granted by the North Carolina Naturopathic Doctors Licensing Board (Board) as established in the bill. The Board is authorized to impose the following fees:

- Application and examination $200.00
- License $600.00
- License renewal $400.00
- Late renewal $200.00
- Reinstatement $1,000.00
- Reasonable charges for duplication services and material.
- Criminal history record check fee equal to the amount imposed by the Department of Justice to conduct the criminal history record check requested by the Board.

Licenses will expire every year on the date issued unless it is renewed. Any person practicing as a naturopathic doctor, performing naturopathic medicine, or using any card, title, or abbreviation to indicate that the person is a naturopathic doctor without a license is guilty of a Class I Felony.

ASSUMPTIONS AND METHODOLOGY:

North Carolina Naturopathic Doctors Licensure Board

Revenue

Materials presented to the Legislative Committee on New Licensing Boards indicate that the North Carolina Association of Naturopathic Physicians (NCANP) currently has 30 members who are naturopathic physicians who meet national licensure standards. It is anticipated that all 30 members will apply for licensure in North Carolina under this Act.

Additional data provided to the 2011 Legislative Committee on New Licensing Boards for comparison purposes indicated that, since the North Carolina Acupuncture Licensing Board was established in 1993, the number of licensed acupuncturists grew from 15 to more than 300. This would equate to a growth rate of approximately 20 percent annually.

Using an estimate of a 20 percent growth rate, licensure and fees in the first five years would be as follows:

	Fee	FY2013	FY2014	FY2015	FY2016	FY2017
New applicants		30	6	7	9	10
Renewals			30	36	43	52
Application & Examination	$200	$6,000	$1,200	$1,400	$1,800	$2,000
License	$600	$18,000	$3,600	$4,200	$5,400	$6,000
License Renewal	$400		$12,000	$14,400	$17,200	$20,800
Total		**$24,000**	**$16,800**	**$20,000**	**$24,400**	**$28,800**

The above analysis assumes that all applicants are issued licenses and renew those licenses annually in a timely manner. Potential fees due to late renewals ore reinstatements are unknown.

Expenditures
Although the legislation permits the Board to hire personnel and incur operating expenses, no funds are appropriated to the Board. Therefore, it is assumed that the Board's operating expenses will be constrained by the revenue generated from the aforementioned fees.

Department of Justice

Revenue
The Department of Justice (DOJ) reports that a fee of $38 is charged to perform each criminal background check. Of this fee, $22 is forward to the Federal Bureau of Investigation (FBI) for a check of federal databases, and the remaining $16 is retained by DOJ. Of this $16, $14 goes to a check of North Carolina databases and $2 is used for the processing cost associated with the request.

Expenditures
The proposed changes in the bill may increase the workload and number of background checks the SBI may have to review and process. However, the bill makes no changes to 114-19.2 (c) which allows DOJ to charge a reasonable fee to recover their costs. Because this fee mechanism remains intact, the Department does not project that the proposed legislation will have a material fiscal impact on the SBI or DOJ.

Judicial Branch & Department of Correction

The proposed legislation would create a new Class I felony offense. New charges would impact court resources, and new convictions would impact the Department of Correction, Division of Prisons or Division of Community Corrections. At this time, the projected impact has not been determined.

SENATE FINANCE COMMITTEE
Wednesday, May 30, 2012 at 2:40 PM
Senate Floor, Legislative Building

MINUTES

The Senate Finance Committee met at 2:40 PM on May 30, 2012 in the Senate Chamber. Senator Hartsell presided as chair.

S.B. 795 – Excellent Public Schools Act

Senator Tillman was recognized to explain the finance portion of the bill – Section 13. Section 13 would ensure that the $250 deduction for educator expenses would continue for State individual income tax purposes, regardless of whether or not the federal deduction is reinstated for taxable years beginning on or after January 1, 2012. Senator Rucho and Senator Brock moved for a favorable report and the motion carried. A copy of the bill, the summary and the fiscal memo is attached.

The meeting adjourned at 2:45 PM.

Senator Fletcher Hartsell, Presiding Chair

Referred to:	

April 25, 2012

A BILL TO BE ENTITLED

AN ACT TO MAKE CHANGES TO IMPROVE K-3 LITERACY; PROVIDE LITERACY VOLUNTEER LEAVE TIME; ASSIGN SCHOOL PERFORMANCE GRADES; MAXIMIZE INSTRUCTIONAL TIME; ADJUST SCHOOL CALENDAR; FUND FIVE ADDITIONAL INSTRUCTIONAL DAYS WITHIN THE EXISTING SCHOOL CALENDAR; ESTABLISH AN NC TEACHER CORPS; STRENGTHEN TEACHER LICENSURE REQUIREMENTS; PROVIDE PROOF OF STATE-FUNDED LIABILITY INSURANCE; ESTABLISH PLANS FOR PAY FOR EXCELLENCE; CLARIFY NC PRE-K PROGRAM ELIGIBILITY AND ADD SLOTS; REPEAL PROHIBITION ON TEACHER PREPAYMENT; PROVIDE A TAX DEDUCTION FOR EDUCATIONAL SUPPLIES; ESTABLISH TEACHER CONTRACTS; AND ELIMINATE PUBLIC FINANCING FOR THE OFFICE OF SUPERINTENDENT OF PUBLIC INSTRUCTION.

The General Assembly of North Carolina enacts:

PART I. IMPROVE K-3 LITERACY

SECTION 1.(a) G.S. 115C-81.2 is repealed.

SECTION 1.(b) Article 8 of Chapter 115C of the General Statutes is amended by adding a new Part to read:

"Part 1A. North Carolina Read to Achieve Program.

"**§ 115C-83.1A. State goal.**

The goal of the State is to ensure that every student read at or above grade level by the end of third grade and continue to progress in reading proficiency so that he or she can read, comprehend, integrate, and apply complex texts needed for secondary education and career success.

"**§ 115C-83.1B. Purposes.**

(a) The purposes of this Part are to ensure that (i) difficulty with reading development is identified as early as possible; (ii) students receive appropriate instructional and support services to address difficulty with reading development and to remediate reading deficiencies; and (iii) each student and his or her parent or guardian be continuously informed of the student's academic needs and progress.

(b) In addition to the purposes listed in subsection (a) of this section, the purpose of this Part is to determine that progression from one grade to another be based, in part, upon proficiency in reading.

"**§ 115C-83.1C. Definitions.**

The following definitions apply in this Part:

(1) "Accelerated reading class" means a class where focused instructional supports and services are provided to increase a student's reading level at least two grades in one school year.

(2) "Alternative assessment" means a valid and reliable standardized assessment of reading comprehension, approved by the State Board of Education, that is not the same test as the State approved standardized test of reading comprehension administered to third grade students.

(3) "Instructional supports and services" mean intentional strategies used with a majority of students to facilitate reading development and remediate emerging difficulty with reading development. Instructional supports and services include, but are not limited to, small group instruction, reduced teacher-student ratios, frequent progress monitoring, and extended learning time.

(4) "Difficulty with reading development" means not demonstrating appropriate developmental abilities in any of the major reading areas, including, but not limited to, oral language, phonological or phonemic awareness, vocabulary, fluency, or comprehension, according to observation-based, diagnostic, or formative assessments.

(5) "Reading interventions" mean evidence-based strategies frequently used to remediate reading deficiencies and include, but are not limited to, individual instruction, tutoring, or mentoring that target specific reading skills and abilities.

(6) "Reading proficiency" means reading at or above the third grade level by the end of a student's third grade year, demonstrated by the results of the State-approved standardized test of reading comprehension administered to third grade students.

(7) "Reading deficiency" means not reading at the third grade level by the end of the student's third grade year, demonstrated by the results of the State-approved standardized test of reading comprehension administered to third grade students.

(8) "Student reading portfolio" means a compilation of independently produced student work selected by the student's teacher, and signed by the teacher and principal, as an accurate picture of the student's reading ability. The student reading portfolio shall include an organized collection of evidence of the student's mastery of the State's reading standards that are assessed by the State-approved standardized test of reading comprehension administered to third grade students. For each benchmark, there shall be three examples of student work demonstrating mastery by a grade of seventy percent (70%) or above.

(9) "Summer reading camp" means an additional educational program outside of the instructional calendar provided by the local school administrative unit to any student who does not demonstrate reading proficiency. Parents or guardians of the student not demonstrating reading proficiency shall make the final decision regarding the student's summer camp attendance. Summer camps shall (i) be six to eight weeks long, four or five days per week; (ii) include at least three hours of instructional time per day; (iii) be taught by

compensated, licensed teachers selected based on demonstrated student outcomes in reading proficiency; and (iv) allow volunteer mentors to read with students.

(10) "Transitional third and fourth class combination" means a classroom specifically designed to produce learning gains sufficient to meet fourth grade performance standards while continuing to remediate areas of reading deficiency.

"**§ 115C-83.1D. Comprehensive plan for reading achievement.**

(a) The State Board of Education shall develop, implement, and continuously evaluate a comprehensive plan to improve reading achievement in the public schools. The plan shall be based on reading instructional practices with strong evidence of effectiveness in current empirical research in reading development. The plan shall be developed with the active involvement of teachers, college and university educators, parents and guardians of students, and other interested parties. The plan shall, when appropriate to reflect research, include revision of the standard course of study or other curricular standards, revision of teacher licensure and renewal standards, and revision of teacher education program standards.

(b) The State Board of Education shall report biennially to the Joint Legislative Education Oversight Committee by October 1 of each even-numbered year on the implementation, evaluation, and revisions to the comprehensive plan for reading achievement and shall include recommendations for legislative changes to enable implementation of current empirical research in reading development.

"**§ 115C-83.1E. Developmental screening and kindergarten entry assessment.**

(a) The State Board of Education shall ensure that every student entering kindergarten shall be administered a developmental screening of early language, literacy, and math skills within 30 days of enrollment.

(b) The State Board of Education shall ensure that every student entering kindergarten shall complete a kindergarten entry assessment within 60 days of enrollment.

(c) The developmental screening instrument may be composed of subsections of the kindergarten entry assessment.

(d) The kindergarten entry assessment shall address the five essential domains of school readiness: language and literacy development, cognition and general knowledge, approaches toward learning, physical well-being and motor development, and social and emotional development.

(e) The kindergarten entry assessment shall be (i) administered at the classroom level in all local school administrative units; (ii) aligned to North Carolina's early learning and development standards and to the standard course of study; and (iii) reliable, valid, and appropriate for use with all children, including those with disabilities and those who are English language learners.

(f) The results of the developmental screening and the kindergarten entry assessment shall be used to inform the following:

(1) The status of children's learning at kindergarten entry.

(2) Instruction of each child.

(3) Efforts to reduce the achievement gap at kindergarten entry.

(4) Continuous improvement of the early childhood system.

"**§ 115C-83.1F. Facilitating early grade reading proficiency.**

(a) Kindergarten, first, second, and third grade students shall be assessed with valid, reliable, formative, and diagnostic reading assessments made available to local school administrative units by the State Board of Education pursuant to G.S. 115C-174.11(a). Difficulty with reading development identified through administration of formative and diagnostic assessments shall be addressed with instructional supports and services. To the greatest extent possible, kindergarten through third grade reading assessments shall yield data

that can be used with the Education Value Added Assessment System (EVAAS), or a compatible and comparable system approved by the State Board of Education, to analyze student data to identify root causes for difficulty with reading development and to determine actions to address them.

(b) Formative and diagnostic assessments and resultant instructional supports and services shall address oral language, phonological and phonemic awareness, phonics, vocabulary, fluency, and comprehension using developmentally appropriate practices.

(c) Local school administrative units are encouraged to partner with community organizations, businesses, and other groups to provide volunteers, mentors, or tutors to assist with the provision of instructional supports and services that enhance reading development and proficiency.

"**§ 115C-83.1G. Elimination of social promotion.**

(a) The State Board of Education shall require that a student be retained in the third grade if the student fails to demonstrate reading proficiency appropriate for a third grade student, as demonstrated on a State-approved standardized test of reading comprehension administered to third grade students. The test may be re-administered once prior to the end of the school year.

(b) Students may be exempt from mandatory retention in third grade for good cause but shall continue to receive instructional supports and services and reading interventions appropriate for their age and reading level. Good cause exemptions shall be limited to the following:

(1) Limited English Proficient students with less than two years of instruction in an English as a Second Language program.

(2) Students with disabilities, as defined in G.S. 115C-106.3(1), whose individualized education program indicates the use of alternative assessments and reading interventions.

(3) Students who demonstrate reading proficiency appropriate for third grade students on an alternative assessment approved by the State Board of Education. Teachers may administer the alternative assessment following the administration of the State-approved standardized test of reading comprehension typically given to third grade students at the end of the school year, or after a student's participation in the local school administrative unit's summer reading camp.

(4) Students who demonstrate, through a student reading portfolio, reading proficiency appropriate for third grade students. Teachers may submit the student reading portfolio at the end of the school year, or after a student's participation in the local school administrative unit's summer reading camp. The student reading portfolio and review process shall be established by the State Board of Education.

(5) Students who have (i) received reading intervention and (ii) previously been retained more than once in kindergarten, first, second, or third grades.

(c) The superintendent shall determine whether a student may be exempt from mandatory retention on the basis of a good cause exemption. The following steps shall be taken in making the determination:

(1) The teacher of a student eligible for a good cause exemption shall submit documentation of the relevant exemption and evidence that promotion of the student is appropriate based on the student's academic record to the principal. Such evidence shall be limited to the student's personal education plan, individual education program, if applicable, alternative assessment, or student reading portfolio.

(2) The principal shall review the documentation and make an initial determination whether the student should be promoted. If the principal determines the student should be promoted, the principal shall make a written recommendation of promotion to the superintendent for final determination. The superintendent's acceptance or rejection of the recommendation shall be in writing.

"**§ 115C-83.1H. Successful reading development for retained students.**

(a) Students not demonstrating reading proficiency shall be enrolled in a summer reading camp provided by the local school administrative unit prior to being retained. Students who demonstrate reading proficiency on an alternative assessment of reading comprehension or student reading portfolio after completing a summer reading camp shall be promoted to the fourth grade. Students who do not demonstrate reading proficiency on these measures after completing a summer reading camp shall be retained under G.S. 115C-83.1G(a) and provided with the instruction listed in subsection (b) of this section during the retained year.

(b) Students retained under G.S. 115C-83.1G(a) shall be provided with a teacher selected based on demonstrated student outcomes in reading proficiency and placed in an accelerated reading class or a transitional third and fourth grade class combination, as appropriate. Classroom instruction shall include at least 90 minutes of daily, uninterrupted, evidence-based reading instruction, not to include independent reading time, and other appropriate instructional supports and services and reading interventions.

(c) The State Board of Education shall establish a midyear promotion policy for any student retained under G.S. 115C-83.1G(a) who, by November 1, demonstrates reading proficiency through administration of the alternative assessment of reading comprehension, or student reading portfolio review.

(d) Parents or guardians of students who have been retained once under the provisions of G.S. 115C-83.1G(a) shall be provided with a plan for reading at home, including participation in shared and guided reading workshops for the parent or guardian, and outlined in a parental or guardian contract.

(e) Parents or guardians of students who have been retained twice under the provisions of G.S. 115C-83.1G(a) shall be offered supplemental tutoring for the retained student in evidence-based reading services outside the instructional day.

"**§ 115C-83.1I. Notification requirements to parents and guardians.**

(a) Parents or guardians shall be notified in writing, and in a timely manner, that the student shall be retained, unless he or she is exempt from mandatory retention for good cause, if the student is not demonstrating reading proficiency by the end of third grade. Parents or guardians shall receive this notice when a kindergarten, first, second or third grade student (i) is demonstrating difficulty with reading development; (ii) is not reading at grade level; or (iii) has a personal education plan under G.S. 115C-105.41.

(b) Parents or guardians of any student who is to be retained under the provisions of G.S. 115C-83.1G(a) shall be notified in writing of the reason the student is not eligible for a good cause exemption as provided in G.S. 115C-83.1G(b). Written notification shall also include a description of proposed reading interventions that will be provided to the student to remediate identified areas of reading deficiency.

(c) Parents or guardians of students retained under G.S. 115C-83.1G(a) shall receive at least monthly written reports on student progress towards reading proficiency. The evaluation of the student's progress shall be based upon the student's classroom work, observations, tests, assessments, and other relevant information.

(d) Teachers and principals shall provide opportunities to discuss with parents and guardians the notifications listed in this section.

"**§ 115C-83.1J. Accountability measures.**

(a) Each local board of education shall publish annually on a Web site maintained by that local school administrative unit and report in writing to the State Board of Education by September 1 of each year the following information on the prior school year:

(1) The number and percentage of third grade students demonstrating and not demonstrating reading proficiency on the State-approved standardized test of reading comprehension administered to third grade students.

(2) The number and percentage of third grade students who take and pass the alternative assessment of reading comprehension.

(3) The number and percentage of third grade students retained for not demonstrating reading proficiency.

(4) The number and percentage of third grade students exempt from mandatory third grade retention by category of exemption as listed in G.S. 115C-83.1G(b).

(b) Each local board of education shall report annually in writing to the State Board of Education by September 1 of each year a description of all reading interventions provided to students who have been retained under G.S. 115C-83.1G(a).

(c) The State Board of Education shall establish a uniform format for local boards of education to report the required information listed in subsections (a) and (b) of this section and shall provide the format to local boards of education no later than 90 days prior to the annual due date. The State Board of Education shall compile annually this information and submit a State-level summary to the Governor, the President Pro Tempore of the Senate, the Speaker of the House of Representatives, and the Joint Legislative Education Oversight Committee by October 1 of each year, beginning with the 2014-2015 school year.

(d) The State Board of Education and the Department of Public Instruction shall provide technical assistance as needed to aid local school administrative units to implement all provisions of this Part."

SECTION 1.(c) G.S. 115C-105.27(b)(1a) is repealed.

SECTION 1.(d) G.S. 115C-105.41 reads as rewritten:

"**§ 115C-105.41. Students who have been placed at risk of academic failure; personal education plans.**

In order to implement Part 1A of Article 8 of this Chapter, ~~Local~~ local school administrative units shall identify students who are at risk for academic failure and who are not successfully progressing toward grade promotion and graduation, beginning ~~no later than the fourth grade.~~in kindergarten. Identification shall occur as early as can reasonably be done and can be based on grades, observations, diagnostic and formative assessments, State assessments, and other factors, including reading on grade level, that impact student performance that teachers and administrators consider appropriate, without having to await the results of end-of-grade or end-of-course tests. No later than the end of the first quarter, or after a teacher has had up to nine weeks of instructional time with a student, a personal education plan for academic improvement with focused intervention and performance benchmarks shall be developed or updated for any student at risk of academic failure who is not performing at least at grade level, as identified by the State end-of-grade test and other factors noted above. Focused instructional supports and services, reading ~~intervention~~ interventions and accelerated activities should include ~~research-based best~~ evidence-based practices that meet the needs of students and may include coaching, mentoring, tutoring, summer school, Saturday school, and extended days. Local school administrative units shall provide these activities free of charge to students. Local school administrative units shall also provide transportation free of charge to all students for whom transportation is necessary for participation in these activities.

Local school administrative units shall give notice of the personal education plan and a copy of the personal education plan to the student's parent or guardian. Parents should be included in the implementation and ongoing review of personal education plans.

Local school administrative units shall certify that they have complied with this section annually to the State Board of Education. The State Board of Education shall periodically review data on the progress of identified students and report to the Joint Legislative Education Oversight Committee.

No cause of action for monetary damages shall arise from the failure to provide or implement a personal education plan under this section."

SECTION 1.(e) G.S. 115C-174.11(a) reads as rewritten:

"(a) Assessment Instruments for ~~First and Second Grades.~~Kindergarten, First, Second, and Third Grades. – The State Board of Education shall ~~adopt~~ develop, adopt, and provide to the local school administrative units developmentally appropriate individualized assessment instruments consistent with the Basic Education Program and Part 1A of Article 8 of this Chapter for the ~~first and second grades, rather than standardized tests.~~ kindergarten, first, second, and third grades. Local school administrative units ~~may~~ shall use these assessment instruments provided to them by the State Board for ~~first and second grade students,~~ kindergarten, first, second, and third grade students to assess progress, diagnose difficulties, and to inform instruction and remediation needs. ~~and~~ Local school administrative units shall not use standardized tests for summative assessment of kindergarten, first, and second grade students except as required as a condition of receiving federal grants."

SECTION 1.(f) G.S. 115C-238.29F is amended by adding a new subsection to read:

"(d1) Reading Proficiency and Student Promotion. –

(1) Students in the third grade shall be retained if the student fails to demonstrate reading proficiency by reading at or above the third grade level as demonstrated by the results of the State-approved standardized test of reading comprehension administered to third grade students. The charter school shall provide reading interventions to retained students to remediate reading deficiency, which may include 90 minutes of daily, uninterrupted, evidence-based reading instruction, accelerated reading classes, transition classes containing third and fourth grade students, and summer reading camps.

(2) Students may be exempt from mandatory retention in third grade for good cause but shall continue to receive instructional supports and services and reading interventions appropriate for their age and reading level. Good cause exemptions shall be limited to the following:

a. Limited English Proficient students with less than two years of instruction in an English as a Second Language program.

b. Students with disabilities, as defined in G.S. 115C-106.3(1), whose individualized education program indicates the use of alternative assessments and reading interventions.

c. Students who demonstrate reading proficiency appropriate for third grade students on an alternative assessment of reading comprehension. The charter school shall notify the State Board of Education of the alternative assessment used to demonstrate reading proficiency.

d. Students who demonstrate, through a student reading portfolio, reading proficiency appropriate for third grade students.

e. Students who have (i) received reading intervention and (ii) previously been retained more than once in kindergarten, first, second, or third grades.

(3) The charter school shall provide notice to parents and guardians when a student is not reading at grade level. The notice shall state that if the

student's reading deficiency is not remediated by the end of third grade, the student shall be retained unless he or she is exempt from mandatory retention for good cause. Notice shall also be provided to parents and guardians of any student who is to be retained under this subsection of the reason the student is not eligible for a good cause exemption, as well as a description of proposed reading interventions that will be provided to the student to remediate identified areas of reading deficiency.

(4) The charter school shall annually publish on the charter school's Web site and report in writing to the State Board of Education by September 1 of each year the following information on the prior school year:

a. The number and percentage of third grade students demonstrating and not demonstrating reading proficiency on the State-approved standardized test of reading comprehension administered to third grade students.

b. The number and percentage of third grade students not demonstrating reading proficiency and who do not return to the charter school for the following school year.

c. The number and percentage of third grade students who take and pass the alternative assessment of reading comprehension.

d. The number and percentage of third grade students retained for not demonstrating reading proficiency.

e. The number and percentage of third grade students exempt from mandatory third grade retention by category of exemption as listed in subdivision (2) of this subsection."

SECTION 1.(g) G.S. 115C-288(a) reads as rewritten:

"(a) To Grade and Classify Pupils. – The principal shall have authority to grade and classify ~~pupils~~pupils, except as provided in G.S. 115C-83.1G(a). In determining the appropriate grade for a pupil who is already attending a public school, the principal shall consider the pupil's classroom work and grades, the pupil's scores on standardized tests, and the best educational interests of the pupil. The principal shall not make the decision solely on the basis of standardized test scores. If a principal's decision to retain a child in the same grade is partially based on the pupil's scores on standardized tests, those test scores shall be verified as accurate.

A principal shall not require additional testing of a student entering a public school from a school governed under Article 39 of this Chapter if test scores from a nationally standardized test or nationally standardized equivalent measure that are adequate to determine the appropriate placement of the child are available."

SECTION 1.(h) G.S. 130A-440(b) reads as rewritten:

"(b) A health assessment shall include a medical history and physical examination with screening for vision and hearing and, if appropriate, testing for anemia and tuberculosis. Vision screening shall be conducted in accordance with G.S. 130A-440.1. The health assessment may also include dental screening and developmental screening for cognition, language, and motor function. The developmental screening of cognition and language abilities may be conducted in accordance with G.S. 115C-83.1E(a)."

SECTION 1.(i) There is appropriated from the General Fund to the Department of Public Instruction the sum of thirty-three million nine hundred fourteen thousand five hundred three dollars ($33,914,503) for the 2012-2013 fiscal year to implement the requirements of this section. It is the intent of the General Assembly to increase this appropriation for the 2013-2014 fiscal year to implement additional requirements in that fiscal year.

SECTION 1.(j) This section is effective when it becomes law and applies beginning with the 2013-2014 school year. The developmental screening and kindergarten

entry assessment required by this section shall be administered beginning with the 2014-2015 school year

PART II. STATE EMPLOYEE LITERACY VOLUNTEER LEAVE TIME

SECTION 2.(a) G.S. 126-4 reads as rewritten:

"**§ 126-4. Powers and duties of State Personnel Commission.**

Subject to the approval of the Governor, the State Personnel Commission shall establish policies and rules governing each of the following:

...

(5b) A leave program that allows employees to volunteer in a literacy program in a public school for up to five hours each month.

...."

SECTION 2.(b) This section is effective when it becomes law.

PART III. SCHOOL PERFORMANCE GRADES

SECTION 3.(a) G.S. 115C-12(9)c1. reads as rewritten:

"c1. To issue an annual "report card" for the State and for each local school administrative unit, assessing each unit's efforts to improve student performance based on the growth in performance of the students in each school and taking into account progress over the previous years' level of performance and the State's performance in comparison with other states. This assessment shall take into account factors that have been shown to affect student performance and that the State Board considers relevant to assess the State's efforts to improve student performance. As a part of the annual "report card" for each local school administrative unit, the State Board shall award an overall numerical school performance score on a scale of zero to 100 and a corresponding letter grade of A, B, C, D, or F earned by each school within the local school administrative unit. The school performance score and grade shall reflect student performance on annual subject-specific assessments, college and workplace readiness measures, and graduation rates. For schools serving students in any grade from kindergarten to eighth grade, separate performance scores and grades shall also be awarded based on the school performance in reading and mathematics respectively. The annual "report card" for schools serving students in third grade also shall include the number and percentage of third grade students who (i) take and pass the alternative assessment of reading comprehension; (ii) were retained in third grade for not demonstrating reading proficiency as indicated in G.S. 115C-83.1G(a); and (iii) were exempt from mandatory third grade retention by category of exemption as listed in G.S. 115C-83.1G(b)."

SECTION 3.(b) G.S. 115C-47(58) reads as rewritten:

"(58) To Inform the Public About the North Carolina School Report Cards Issued by the State Board of Education. – Each local board of education shall ensure that the report card issued for it by the State Board of Education receives wide distribution to the local press or ~~otherwise.~~is otherwise provided to the public. Each local board of education shall ensure that the overall school performance score and grade earned by each school in the local school administrative unit for the current and previous four school years is prominently displayed on the Web site of the local school

administrative unit. If any school in the local school administrative unit is awarded a grade of D or F, the local board of education shall provide notice of the grade in writing to the parent or guardian of all students enrolled in that school."

SECTION 3.(c) G.S. 115C-238.29F is amended by adding a new subsection to read:

"(l) North Carolina School Report Cards. – A charter school shall ensure that the report card issued for it by the State Board of Education receives wide distribution to the local press or is otherwise provided to the public. A charter school shall ensure that the overall school performance score and grade earned by the charter school for the current and previous four school years is prominently displayed on the school Web site. If a charter school is awarded a grade of D or F, the charter school shall provide notice of the grade in writing to the parent or guardian of all students enrolled in that school."

SECTION 3.(d) G.S. 115C-238.66 is amended by adding a new subdivision to read:

"(11) North Carolina School Report Cards. – A regional school shall ensure that the report card issued for it by the State Board of Education receives wide distribution to the local press or is otherwise provided to the public. A regional school shall ensure that the overall school performance score and grade earned by the regional school for the current and previous four school years is prominently displayed on the school Web site. If a regional school is awarded a grade of D or F, the regional school shall provide notice of the grade in writing to the parent or guardian of all students enrolled in that school."

SECTION 3.(e) The State Board of Education shall award school performance scores and grades as required by G.S. 115C-12(9)c1. as follows:

(1) The State Board of Education shall calculate school performance scores by totaling the sum of points earned by the school and converting the sum of points to a 100-point scale. Subsections (2) and (3) of this section provide the school performance elements for schools serving students in kindergarten through eighth grade. Subsection (4) of this section provides the school performance elements for schools serving grades nine through twelve. The school performance score shall be used to determine the school performance grade based on the following scale:
   a. At least 90 performance grade points for an overall school performance grade of A.
   b. At least 80 performance grade points for an overall school performance grade of B.
   c. At least 70 performance grade points for an overall school performance grade of C.
   d. At least 60 performance grade points for an overall school performance grade of D.
   e. A school that accumulates less than 60 points shall be assigned an overall school performance grade of F.

(2) For schools serving students in kindergarten through eighth grade the overall school performance score shall be calculated based on the sum of three school performance elements.
   a. The score shall be calculated as follows:
      1. One point for each percent of students who score at or above proficient on annual assessments for mathematics in grades three through eight.

2. One point for each percent of students who score at or above proficient on annual assessments for reading in grades three through eight.
3. One point for each percent of students who score at or above proficient on annual assessments for science in grades five and eight.

(3) For schools serving students in kindergarten through eighth grade, the school performance scores in reading and mathematics, respectively, shall be earned as follows:

a. The literacy school performance score shall be based on the percent of students who score at or above proficient on annual assessments for reading assessments in grades three through eight.
b. The mathematics school performance score shall be based on the percent of students who score at or above proficient on annual assessments for mathematics in grades three through eight.

(4) The school performance score earned by schools serving students in ninth through twelfth grades shall be calculated based on the sum of seven school performance elements.

a. The score shall be calculated as follows:
1. One point for each percent of students who score at or above proficient on annual assessments for mathematics.
2. One point for each percent of students who score at or above proficient on annual assessments for English.
3. One point for each percent of students who score at or above proficient on annual assessments for biology.
4. One point for each percent of students who complete a higher-level mathematics class with a passing grade.
5. One point for each percent of students who score at or above a level demonstrating college readiness on a nationally normed test of college readiness.
6. One point for each percent of students who graduate within four years of entering high school.
7. One point for each percent of students who demonstrate workplace readiness on a nationally normed test of workplace readiness.

(5) In calculating the overall school performance score earned by schools, the State Board of Education shall proportionally adjust the scale to account for the absence of a school performance element for award of scores to a school that does not have a measure of one of the school performance elements annually assessed for the grades taught at that school.

(6) The State Board of Education shall report to the Joint Legislative Education Oversight Committee annually by January 15 on recommended adjustments to the school performance grade elements and scales for award of scores and grades.

SECTION 3.(f) This section is effective when it becomes law and applies beginning with the 2012-2013 school year.

PART IV. MAXIMIZE INSTRUCTIONAL TIME

SECTION 4.(a) G.S. 115C-174.12(a) reads as rewritten:

"(a) The State Board of Education shall establish policies and guidelines necessary for minimizing the time students spend taking tests administered through State and local testing

programs, for minimizing the frequency of field testing at any one school, and for otherwise carrying out the provisions of this Article. These policies and guidelines shall include the following:

(1) Schools shall devote no more than two days of instructional time per year to the taking of practice tests that do not have the primary purpose of assessing current student learning;

(2) Students in a school shall not be subject to field tests or national tests during the two-week period preceding the administration of end-of-grade tests, end-of-course tests, or the school's regularly scheduled final exams; and

(3) No school shall participate in more than two field tests at any one grade level during a school ~~year unless that school volunteers, through a vote of its school improvement team, to participate in an expanded number of field tests.~~year.

(4) All annual assessments of student achievement adopted by the State Board of Education pursuant to G.S. 115C-174.11(c)(1) and (3) and all final exams for courses shall be administered within the final 10 instructional days of the school year for year-long courses and within the final five instructional days of the semester for semester courses. Exceptions shall be permitted to accommodate a student's individualized education program and section 504 (29 U.S.C. § 794) plans, and for the administration of final exams for courses with national or international curriculums required to be held at designated times.

These policies shall reflect standard testing practices to insure reliability and validity of the sample testing. The results of the field tests shall be used in the final design of each test. The State Board of Education's policies regarding the testing of ~~children~~ students with disabilities shall (i) provide broad accommodations and alternate methods of assessment that are consistent with a ~~child's~~ student's individualized education program and section 504 (29 U.S.C. § 794) plans, (ii) prohibit the use of statewide tests as the sole determinant of decisions about a ~~child's~~student's graduation or promotion, and (iii) provide parents with information about the Statewide Testing Program and options for students with disabilities. The State Board shall report its proposed policies and proposed changes in policies to the Joint Legislative Education Oversight Committee prior to adoption.

The State Board of Education may appoint an Advisory Council on Testing to assist in carrying out its responsibilities under this Article."

SECTION 4.(b) This section is effective when it becomes law and applies beginning with the 2012-2013 school year.

PART V. ADJUSTMENTS TO SCHOOL CALENDAR

SECTION 5.(a) G.S. 115C-84.2 reads as rewritten:

"**§ 115C-84.2. School calendar.**

(a) School Calendar. – Each local board of education shall adopt a school calendar consisting of 215 days all of which shall fall within the fiscal year. A school calendar shall include the following:

(1) A minimum of 185 days ~~and~~ or 1,025 hours of instruction covering at least nine calendar months. The local board shall designate when the ~~185~~ instructional days shall occur. The number of instructional hours in an instructional day may vary according to local board policy and does not have to be uniform among the schools in the administrative unit. Local boards may approve school improvement plans that include days with varying amounts of instructional time. If school is closed early due to inclement weather, the day and the scheduled amount of instructional hours may count

towards the required minimum to the extent allowed by State Board policy. The school calendar shall include a plan for making up days and instructional hours missed when schools are not opened due to inclement weather.

...

(4a) Three days, as designated by the local board, for use as teacher workdays. These days shall be protected to allow teachers to complete instructional and classroom administrative duties. The local school administrative unit shall not impose any additional tasks on these days. The local board shall schedule at least one of these days at the beginning of the school year and at least one at the end of the school year.

(5) The remaining days scheduled by the local board in consultation with each school's principal for use as teacher workdays, additional instructional days, or other lawful purposes. Before consulting with the local board, each principal shall work with the school improvement team to determine the days to be scheduled and the purposes for which they should be scheduled. Days may be scheduled and planned for different purposes for different personnel and there is no requirement to schedule the same dates for all personnel. In order to make up days for school closing because of inclement weather, the local board may designate any of the days in this subdivision as additional make-up days to be scheduled after the last day of student attendance.

~~If the State Board of Education finds that it will enhance student performance to do so, the State Board may grant a local board of education a waiver to use up to five of the instructional days required by subdivision (1) of this subsection as teacher workdays. For each instructional day waived, the State Board shall waive an equivalent number of instructional hours.~~

Local boards and individual schools are encouraged to use the calendar flexibility in order to meet the annual performance standards set by the State Board. Local boards of education shall consult with parents and the employed public school personnel in the development of the school calendar.

Local boards shall designate at least two days scheduled under subdivision (5) of this subsection as days on which teachers may take accumulated vacation leave. Local boards may designate the remaining days scheduled in subdivision (5) of this subsection as days on which teachers may take accumulated vacation leave, but local boards shall give teachers at least 14 calendar days' notice before requiring a teacher to work instead of taking vacation leave on any of these days. A teacher may elect to waive this notice requirement for one or more of these days.

...

(d) Opening and Closing Dates. – Local boards of education shall determine the dates of opening and closing the public schools under subdivision (a)(1) of this section. Except for year-round schools, the opening date for students shall ~~not be before August 25,~~be no earlier than the Monday closest to August 26, and the closing date for students shall ~~not be after June 10.~~be no later than the Friday closest to June 11. On a showing of good cause, the State Board of Education may waive ~~this requirement~~ the requirement that the opening date for students be no earlier than the Monday closest to August 26 and may allow the local board of education to set an opening date no earlier than the Monday closest to August 19, to the extent that school calendars are able to provide sufficient days to accommodate anticipated makeup days due to school closings. A local board may revise the scheduled closing date if necessary in order to comply with the minimum requirements for instructional days or instructional time. For purposes of this subsection, the term "good cause" means ~~either that:~~that schools in any local school administrative unit in a county have been closed eight days per year during any four of

the last 10 years because of severe weather conditions, energy shortages, power failures, or other emergency situations.

~~(1) Schools in any local school administrative unit in a county have been closed eight days per year during any four of the last 10 years because of severe weather conditions, energy shortages, power failures, or other emergency situations; or~~

~~(2) Schools in any local school administrative unit in a county have been closed for all or part of eight days per year during any four of the last 10 years because of severe weather conditions. For purposes of this subdivision, a school shall be deemed to be closed for part of a day if it is closed for two or more hours.~~

~~The State Board also may waive this requirement for an educational purpose. The term "educational purpose" means a local school administrative unit establishes a need to adopt a different calendar for (i) a specific school to accommodate a special program offered generally to the student body of that school, (ii) a school that primarily serves a special population of students, or (iii) a defined program within a school. The State Board may grant the waiver for an educational purpose for that specific school or defined program to the extent that the State Board finds that the educational purpose is reasonable, the accommodation is necessary to accomplish the educational purpose, and the request is not an attempt to circumvent the opening and closing dates set forth in this subsection. The waiver requests for educational purposes shall not be used to accommodate system-wide class scheduling preferences.~~

The required opening and closing dates under this subsection shall not apply to any school that a local board designated as having a modified calendar for the 2003-2004 school year or to any school that was part of a planned program in the 2003-2004 school year for a system of modified calendar schools, so long as the school operates under a modified calendar.

...."

SECTION 5.(b) G.S. 115C-238.29F(d)(1) reads as rewritten:

"(1) The school shall provide instruction each year for at least 185 ~~days.~~days or 1,025 hours over nine calendar months. ~~If the State Board of Education finds that it will enhance student performance to do so, the State Board may grant a charter school a waiver to use up to five of these instructional days as teacher workdays.~~"

SECTION 5.(c) G.S. 115C-238.53 is amended by adding a new subsection to read:

"(g) The requirements of G.S. 115C-84.2 shall not apply to a program approved under this Part, however, the program shall provide instruction each year for at least 185 days or 1,025 hours over nine calendar months."

SECTION 5.(d) G.S. 115C-238.66(1)d. reads as rewritten:

"d. The board of directors shall adopt a school calendar consisting of a minimum of 185 days or 1,025 hours of instruction covering at least nine calendar months."

SECTION 5.(e) This section is effective when it becomes law and applies beginning with the 2013-2014 school year.

PART VI. FUNDING FOR THE ADDITION OF FIVE INSTRUCTIONAL DAYS WITHIN THE EXISTING SCHOOL CALENDAR

SECTION 6.(a) To fully provide for the expansion of five additional instructional days in accordance with S.L. 2011-145, Section 7.29 for those days for which a local school administrative unit has not requested and received a waiver from the State Board of Education for the 2012-2013 school year:

(1) There is appropriated from the General Fund to the Department of Public Instruction the sum of forty thousand one hundred sixty-eight dollars ($40,168) for the 2012-2013 fiscal year to increase the amount appropriated for the noninstructional support personnel allotment.

(2) There is appropriated from the General Fund to the Department of Public Instruction the sum of three hundred fifty-one thousand four hundred sixty-nine dollars ($351,469) for the 2012-2013 fiscal year to increase the amount appropriated for the transportation allotment.

SECTION 6.(b) This section becomes effective July 1, 2012.

PART VII. ESTABLISH NC TEACHER CORPS

SECTION 7.(a) Article 20 of Chapter 115C of the General Statutes is amended by adding a new section to read:

"**§ 115C-296.7. North Carolina Teacher Corps.**

(a) There is established the North Carolina Teacher Corps (NC Teacher Corps) to recruit and place recent graduates of colleges and universities and mid-career professionals as teachers in high needs public schools.

(b) The State Board of Education, in consultation with the Board of Governors of The University of North Carolina and the North Carolina Independent Colleges and Universities, shall develop and administer the NC Teacher Corps. In the development of the NC Teacher Corps, the State Board of Education shall consider examples of other successful teacher recruitment models used nationally and in other states.

(c) Applications shall be received annually for admission to the NC Teacher Corps. The State Board of Education shall establish application criteria, including, at a minimum, an award of a bachelor's degree from an accredited college or university. The State Board of Education may establish a committee to annually evaluate and select candidates for admission to the NC Teacher Corps.

(d) The State Board of Education shall identify local school administrative units with unmet recruitment needs and high needs schools and shall coordinate placement of NC Teacher Corps members in those schools.

(e) The State Board of Education, in coordination with the Board of Governors, shall develop an intensive summer training institute for NC Teacher Corps members to provide coursework and training on essential teaching frameworks, curricula, and lesson planning skills, as well as identification and education of students with disabilities, positive management of student behavior, effective communication for defusing and deescalating disruptive and dangerous behavior, and safe and appropriate use of seclusion and restraint. The intensive summer training institute also shall address identification of difficulty with reading development and of reading deficiencies, and the provision of reading instruction, intervention, and remediation strategies.

(f) The State Board of Education, in coordination with the Board of Governors, shall provide ongoing support to NC Teaching Corps members through coaching, mentoring, and continued professional development.

(g) NC Teaching Corps members shall be granted lateral entry teaching licenses pursuant to G.S. 115C-296(c)."

SECTION 7.(b) This section is effective when it becomes law. The State Board of Education shall recruit and place an initial cohort of NC Teacher Corps members no later than the 2012-2013 school year.

PART VIII. STRENGTHEN TEACHER LICENSURE

SECTION 8.(a) G.S. 115C-296 reads as rewritten:

"§ 115C-296. Board sets licensure requirements; reports; lateral entry and mentor programs.

(a) The State Board of Education shall have entire control of licensing all applicants for teaching positions in all public elementary and high schools of North Carolina; and it shall prescribe the rules and regulations for the renewal and extension of all licenses and shall determine and fix the salary for each grade and type of license which it authorizes.

The State Board of Education may require an applicant for an initial bachelors degree certificate or graduate degree certificate to demonstrate the applicant's academic and professional preparation by achieving a prescribed minimum score on a standard examination appropriate and adequate for that purpose. Elementary Education (K-6) teachers shall also achieve a prescribed minimum score on subtests or standard examinations specific to teaching reading and mathematics. The State Board of Education shall permit an applicant to fulfill any such testing requirement before or during the applicant's second year of teaching provided the applicant took the examination at least once during the first year of teaching. The State Board of Education shall make any required standard initial licensure exam ~~sufficiently~~ rigorous and raise the prescribed minimum score as necessary to ensure that each applicant has ~~adequate~~ received high quality academic and professional preparation to ~~teach.~~teach effectively.

...

(b) It is the policy of the State of North Carolina to maintain the highest quality teacher education programs and school administrator programs in order to enhance the competence of professional personnel licensed in North Carolina. To the end that teacher preparation programs are upgraded to reflect a more rigorous course of study, the State Board of Education, as lead agency in coordination and cooperation with the University Board of Governors, the Board of Community Colleges and such other public and private agencies as are necessary, shall continue to refine the several licensure requirements, standards for approval of institutions of teacher education, standards for institution-based innovative and experimental programs, standards for implementing consortium-based teacher education, and standards for improved efficiencies in the administration of the approved programs. The licensure program shall provide for initial licensure after completion of preservice training, continuing licensure after three years of teaching experience, and license renewal every five years thereafter, until the retirement of the teacher. The last license renewal received prior to retirement shall remain in effect for five years after retirement. The licensure program shall also provide for lifetime licensure after 50 years of teaching.

The State Board of Education, as lead agency in coordination with the Board of Governors of The University of North Carolina and any other public and private agencies as necessary, shall continue to raise standards for entry into teacher education programs.

The State Board of Education, in consultation with local boards of education and the Board of Governors of The University of North Carolina, shall evaluate and modify, as necessary, the academic requirements for students preparing to teach science in middle and high schools to ensure that there is adequate preparation in issues related to science laboratory safety.

The State Board of Education, in consultation with the Board of Governors of The University of North Carolina, shall evaluate and develop enhanced requirements for continuing licensure. The new requirements shall reflect more rigorous standards for continuing licensure and to the extent possible shall be aligned with quality professional development programs that reflect State priorities for improving student achievement. Standards for continuing licensure shall include at least three continuing education credits related to literacy for elementary and middle school teachers. Literacy renewal credits shall include assessment, diagnosis, and intervention strategies for students not demonstrating reading proficiency. Oral language, phonemic and phonological awareness, phonics, vocabulary, fluency, and comprehension shall be addressed in literacy-related activities leading to certification renewal for elementary school teachers.

The State Board of Education, in consultation with local boards of education and the Board of Governors of The University of North Carolina, shall reevaluate and enhance the requirements for renewal of teacher licenses. The State Board shall consider modifications in the license renewal achievement and to make it a mechanism for teachers to renew continually their knowledge and professional skills. ~~The State Board shall adopt new standards for the renewal of teacher licenses by May 15, 1998.~~

The standards for approval of institutions of teacher education shall require that teacher education programs for all students include demonstrated competencies in (i) the identification and education of children with disabilities and (ii) positive management of student behavior and effective communication techniques for defusing and deescalating disruptive or dangerous behavior. The standards for approval of institutions of teacher education shall require that elementary teacher education programs include demonstrated competencies in (i) teaching of reading, including a substantive understanding of reading as a process involving oral language, phonological and phonemic awareness, phonics, fluency, vocabulary, and comprehension; (ii) evidence-based assessment and diagnosis of specific areas of difficulty with reading development and of reading deficiencies; and (iii) appropriate application of instructional supports and services and reading interventions to ensure reading proficiency for all students. The State Board of Education shall incorporate the criteria developed in accordance with G.S. 116-74.21 for assessing proposals under the School Administrator Training Program into its school administrator program approval standards.

All North Carolina institutions of higher education that offer teacher education programs, masters degree programs in education, or masters degree programs in school administration shall provide performance reports to the State Board of Education. The performance reports shall follow a common format, shall be submitted according to a plan developed by the State Board, and shall include the information required under the plan developed by the State Board.

...

(c) It is the policy of the State of North Carolina to encourage lateral entry into the profession of teaching by skilled individuals from the private sector. To this end, before the 1985-86 school year begins, the State Board of Education shall develop criteria and procedures to accomplish the employment of such individuals as classroom teachers. Beginning with the 2006-2007 school year, the criteria and procedures shall include preservice training in (i) the identification and education of children with disabilities and (ii) positive management of student behavior, effective communication for defusing and deescalating disruptive or dangerous behavior, and safe and appropriate use of seclusion and restraint. Skilled individuals who choose to enter the profession of teaching laterally may be granted a ~~provisional~~lateral entry teaching license for no more than three years and shall be required to obtain licensure before contracting for a fourth year of service with any local administrative unit in this State.

...."

SECTION 8.(b) This section is effective when it becomes law and applies beginning with the 2013-2014 school year.

PART IX. PROOF OF STATE-FUNDED LIABILITY INSURANCE

SECTION 9.(a) G.S. 115C-12 reads as rewritten:

"**§ 115C-12. Powers and duties of the Board generally.**

The general supervision and administration of the free public school system shall be vested in the State Board of Education. The State Board of Education shall establish policy for the system of free public schools, subject to laws enacted by the General Assembly. The powers and duties of the State Board of Education are defined as follows:

...

(9) Miscellaneous Powers and Duties. – All the powers and duties exercised by the State Board of Education shall be in conformity with the Constitution

and subject to such laws as may be enacted from time to time by the General Assembly. Among such duties are:

...

f. To annually notify public school employees of the availability and coverage of professional liability insurance.

...."

SECTION 9.(b) This section is effective when it becomes law and applies beginning with the 2012-2013 school year.

PART X. PAY FOR EXCELLENCE

SECTION 10.(a) Each local board of education shall develop a plan of performance pay for all licensed personnel employed by the local board. Under the performance pay plan, licensed employees should be eligible to receive bonuses or adjustments to base salary for meeting certain performance criteria. Criteria for award of bonuses or adjustments to base salary should include, but are not limited to, the following factors:

(1) Annual growth in student achievement of students assigned to a teacher's classroom, when applicable.

(2) Annual growth in student achievement of students assigned to a specific school.

(3) Assignment of additional academic responsibilities.

(4) Assignment to a hard-to-staff school.

(5) Assignment to a hard-to-staff subject area.

Local boards of education shall submit plans to the State Board of Education no later than March 1, 2013. The State Board of Education shall report on these plans and the achievement-based compensation models developed as part of the federal Race to the Top grant and shall submit the report and all plans to the Fiscal Research Division, the Joint Legislative Commission on Governmental Operations, and the respective Subcommittees on Education Appropriations of the Senate and House of Representatives no later than April 15, 2013. Members of the public may also submit plans for performance pay no later than April 15, 2013, to the Fiscal Research Division, the Joint Legislative Commission on Governmental Operations, and the respective Subcommittees on Education Appropriations of the Senate and House of Representatives.

SECTION 10.(b) This section is effective when it becomes law.

PART XI. CLARIFY NC PRE-K PROGRAM ELIGIBILITY

SECTION 11.(a) Section 10.7(f) of S.L. 2011-145 reads as rewritten:

"**SECTION 10.7.(f)** ~~The prekindergarten program may continue to serve at-risk children identified through the existing "child find" methods in which at-risk children are currently served within the Division of Child Development. The Division of Child Development shall serve at-risk children regardless of income. However, the total number of at-risk children served shall constitute no more than twenty percent (20%) of the four-year-olds served within the prekindergarten program. Any~~ The Division of Child Development and Early Education shall establish income eligibility requirements for the program not to exceed seventy-five percent (75%) of the State median income. Up to twenty percent (20%) of children enrolled may have family incomes in excess of seventy-five percent (75%) of median income if they have other designated risk factors. Furthermore, any age-eligible child who is a child of either of the following shall be eligible for the program: (i) an active duty member of the Armed Forces of the United States, including the North Carolina National Guard, State military forces, or a reserve component of the Armed Forces, who was ordered to active duty by the proper authority within the last 18 months or is expected to be ordered within the next 18 months or (ii) a member of the Armed Forces of the United States, including the North Carolina National

Guard, State military forces, or a reserve component of the Armed Forces, who was injured or killed while serving on active duty. Eligibility determinations for prekindergarten participants may continue through local education agencies and local North Carolina Partnership for Children, Inc., partnerships."

SECTION 11.(b) Section 10.7(h) of S.L. 2011-145 is repealed.

SECTION 11.(c) There is appropriated from the General Fund to the Department of Health and Human Services, Division of Child Development and Early Education, the sum of eleven million three hundred eight thousand three hundred sixty-three dollars ($11,308,363) for the 2012-2013 fiscal year to add 2,261 slots to be used in the NC Pre-K program.

SECTION 11.(d) This section is effective when it becomes law.

PART XII. REPEAL PROHIBITION ON TEACHER PREPAYMENT

SECTION 12.(a) Section 5 of S.L. 2011-379 is repealed.

SECTION 12.(b) This section becomes effective July 1, 2012.

PART XIII. TAX DEDUCTION FOR EDUCATIONAL SUPPLIES

SECTION 13.(a) G.S. 105-134.6(d) is amended by adding a new subdivision to read:

"(d) Other Adjustments. – The following adjustments to taxable income shall be made in calculating North Carolina taxable income:

...

(9) To the extent a deduction has not been claimed for educator expenses in determining federal adjusted gross income, an eligible educator may deduct an amount not to exceed two hundred fifty dollars ($250.00) paid or incurred in connection with items listed in this subdivision. For purposes of this subdivision, the term "eligible educator" has the same meaning as defined in section 62 of the Code, as it existed on December 31, 2011. In the case of a married couple filing a joint return where both spouses are eligible educators, the maximum dollar amount is five hundred dollars ($500.00).

a. Books.

b. Supplies, other than nonathletic supplies for courses of instruction in health or physical education.

c. Computer equipment, including related software and services.

d. Supplementary materials used by the eligible educator in the classroom."

SECTION 13.(b) This section becomes effective for taxable years beginning on or after January 1, 2012.

PART XIV. TEACHER CONTRACTS

SECTION 14.(a) G.S. 115C-325 is repealed.

SECTION 14.(b) Part 3 of Article 22 of Chapter 115C of the General Statutes is amended by adding new sections to read:

"**§ 115C-325.1. Definitions.**

As used in this Part, the following definitions apply:

(1) "Day" means calendar day. In computing any period of time, Rule 6 of the North Carolina Rules of Civil Procedure shall apply.

(2) "Demote" means to reduce the salary of a person who is classified or paid by the State Board of Education as a classroom teacher or as a school administrator. The word "demote" does not include (i) a suspension without pay pursuant to G.S. 115C-325.5(a); (ii) the elimination or reduction of bonus payments, including merit-based supplements, or a systemwide

modification in the amount of any applicable local supplement; or (iii) any reduction in salary that results from the elimination of a special duty, such as the duty of an athletic coach or a choral director.

(3) "Disciplinary suspension" means a final decision to suspend a teacher or school administrator without pay for no more than 60 days under G.S. 115C-325.5(b).

(4) "School administrator" means a principal, assistant principal, supervisor, or director whose major function includes the direct or indirect supervision of teaching or any other part of the instructional program as provided in G.S. 115C-287.1(a)(3).

(5) "Teacher" means a person meeting each of the following requirements:

a. Who holds at least one of the following licenses issued by the State Board of Education:

1. A current standard professional educator's license.
2. A current lateral entry teaching license.
3. A regular, not expired, vocational license.

b. Whose major responsibility is to teach or directly supervise teaching or who is classified by the State Board of Education or is paid either as a classroom teacher or instructional support personnel.

c. Who is employed to fill a full-time, permanent position.

"**§ 115C-325.2. Personnel files.**

(a) Maintenance of Personnel File. – The superintendent shall maintain in his or her office a personnel file for each teacher that contains any complaint, commendation, or suggestion for correction or improvement about the teacher's professional conduct, except that the superintendent may elect not to place in a teacher's file (i) a letter of complaint that contains invalid, irrelevant, outdated, or false information or (ii) a letter of complaint when there is no documentation of an attempt to resolve the issue. The complaint, commendation, or suggestion shall be signed by the person who makes it and shall be placed in the teacher's file only after five days' notice to the teacher. Any denial or explanation relating to such complaint, commendation, or suggestion that the teacher desires to make shall be placed in the file. Any teacher may petition the local board of education to remove any information from the teacher's personnel file that the teacher deems invalid, irrelevant, or outdated. The board may order the superintendent to remove said information if it finds the information is invalid, irrelevant, or outdated.

(b) Inspection of Personnel Files. – The personnel file shall be open for the teacher's inspection at all reasonable times but shall be open to other persons only in accordance with such rules and regulations as the board adopts. Any preemployment data or other information obtained about a teacher before the teacher's employment by the board may be kept in a file separate from the teacher's personnel file and need not be made available to the teacher. No data placed in the preemployment file may be introduced as evidence at a hearing on the dismissal or demotion of a teacher, except the data may be used to substantiate G.S. 115C-325.4(a)(7) or G.S. 115C-325.4(a)(14) as grounds for dismissal or demotion.

"**§ 115C-325.3. Teacher contracts.**

(a) Length of Contract. – A contract between the local board of education and a teacher who has been employed by the local board of education for less than three years shall be for a term of one school year. A contract or renewal of contract between the local board of education and a teacher who has been employed by the local board of education for three years or more shall be for a term of one, two, three, or four school years.

(b) Superintendent Recommendation to Local Board. – Local boards of education shall employ teachers upon the recommendation of the superintendent. If a superintendent intends to recommend to the local board of education that a teacher be offered a new or renewed contract,

the superintendent shall submit the recommendation to the local board for action and shall include in the recommendation the length of the term of contract. A superintendent shall only recommend a teacher for a contract of a term longer than one school year if the teacher has shown effectiveness as demonstrated on the teacher evaluation instrument. The local board may approve the superintendent's recommendation, may decide not to offer the teacher a new or renewed contract, or may decide to offer the teacher a renewed contract for a different term than recommended by the superintendent.

(c) Dismissal During Term of Contract. – A teacher shall not be dismissed or demoted during the term of the contract except for the grounds and by the procedure set forth in G.S. 115C-325.4.

(d) Recommendation on Nonrenewal. – If a superintendent decides not to recommend that the local board of education offer a renewed contract to a teacher, the superintendent shall give the teacher written notice of the decision no later than May 15.

(e) Right to Petition for Hearing. – A teacher shall have the right to petition the local board of education for a hearing no later than June 1. The local board may, in its discretion, grant a hearing regarding the superintendent's recommendation for nonrenewal. The local board of education shall notify the teacher making the petition of its decision whether to grant a hearing. If the request for a hearing is granted, the local board shall conduct a hearing pursuant to the provisions of G.S. 115C-45(c) and make a final decision on whether to offer the teacher a renewed contract. The board shall notify a teacher whose contract will not be renewed for the next school year of its decision by June 15; provided, however, if a teacher submits a request for a hearing, the board shall provide the nonrenewal notification by July 1 or such later date upon the written consent of the superintendent and teacher. A decision not to offer a teacher a renewed contract shall not be on any basis prohibited by State or federal law.

(f) Local boards of education and teachers employed by the local board may mutually modify the terms of the contract to permit part-time employment.

"**§ 115C-325.4. Dismissal or demotion for cause.**

(a) Grounds. – No teacher shall be dismissed or demoted or reduced to employment on a part-time basis for disciplinary reasons during the term of the contract except for one or more of the following:

(1) Inadequate performance. In determining whether the professional performance of a teacher is adequate, consideration shall be given to regular and special evaluation reports prepared in accordance with the published policy of the employing local school administrative unit and to any published standards of performance which shall have been adopted by the board. Inadequate performance for a teacher shall mean (i) the failure to perform at a proficient level on any standard of the evaluation instrument or (ii) otherwise performing in a manner that is below standard.

(2) Immorality.

(3) Insubordination.

(4) Neglect of duty.

(5) Physical or mental incapacity.

(6) Habitual or excessive use of alcohol or nonmedical use of a controlled substance as defined in Article 5 of Chapter 90 of the General Statutes.

(7) Conviction of a felony or a crime involving moral turpitude.

(8) Advocating the overthrow of the government of the United States or of the State of North Carolina by force, violence, or other unlawful means.

(9) Failure to fulfill the duties and responsibilities imposed upon teachers or school administrators by the General Statutes of this State.

(10) Failure to comply with such reasonable requirements as the board may prescribe.

(11) Any cause which constitutes grounds for the revocation of the teacher's teaching license or the school administrator's administrator license.

(12) Failure to maintain his or her license in a current status.

(13) Failure to repay money owed to the State in accordance with the provisions of Article 60 of Chapter 143 of the General Statutes.

(14) Providing false information or knowingly omitting a material fact on an application for employment or in response to a preemployment inquiry.

(b) Dismissal Procedure. – The procedures provided in G.S. 115C-325.6 shall be followed for dismissals, demotions, or reductions to part-time employment for disciplinary reasons for any reason specified in subsection (a) of this section.

"**§ 115C-325.5. Teacher suspension.**

(a) Immediate Suspension Without Pay. – If a superintendent believes that cause exists for dismissing a teacher for any reason specified in G.S. 115C-325.4 and that immediate suspension of the teacher is necessary, the superintendent may suspend the teacher without pay. Before suspending a teacher without pay, the superintendent shall meet with the teacher and give him or her written notice of the charges against the teacher, an explanation of the basis for the charges, and an opportunity to respond. Within five days after a suspension under this paragraph, the superintendent shall initiate a dismissal, demotion, or disciplinary suspension without pay as provided in this section. If it is finally determined that no grounds for dismissal, demotion, or disciplinary suspension without pay exist, the teacher shall be reinstated immediately, shall be paid for the period of suspension, and all records of the suspension shall be removed from the teacher's personnel file.

(b) Disciplinary Suspension Without Pay. – A teacher recommended for disciplinary suspension without pay may request a hearing before the board. If no request is made within 15 days, the superintendent may file his or her recommendation with the board. If, after considering the recommendation of the superintendent and the evidence adduced at the hearing if one is held, the board concludes that the grounds for the recommendation are true and substantiated by a preponderance of the evidence, the board, if it sees fit, may by resolution order such suspension.

(1) Board hearing for disciplinary suspensions for more than 10 days or for certain types of intentional misconduct. – The procedures for a board hearing under G.S. 115C-325.8 shall apply if any of the following circumstances exist:

a. The recommended disciplinary suspension without pay is for more than 10 days; or

b. The disciplinary suspension is for intentional misconduct, such as inappropriate sexual or physical conduct, immorality, insubordination, habitual or excessive alcohol or nonmedical use of a controlled substance as defined in Article 5 of Chapter 90 of the General Statutes, any cause that constitutes grounds for the revocation of the teacher's or school administrator's license, or providing false information.

(2) Board hearing for disciplinary suspensions of no more than 10 days. – The procedures for a board hearing under G.S. 115C-325.7 shall apply to all disciplinary suspensions of no more than 10 days that are not for intentional misconduct as specified in G.S. 115C-325.5(b)(1).

(c) Suspension with Pay. – If a superintendent believes that cause may exist for dismissing or demoting a teacher for any reasons specified in G.S. 115C-325.4 but that additional investigation of the facts is necessary and circumstances are such that the teacher should be removed immediately from the teacher's duties, the superintendent may suspend the teacher with pay for a reasonable period of time, not to exceed 90 days. The superintendent

shall notify the board of education within two days of the superintendent's action and shall notify the teacher within two days of the action and the reasons for it. If the superintendent has not initiated dismissal or demotion proceedings against the teacher within the 90-day period, the teacher shall be reinstated to the teacher's duties immediately and all records of the suspension with pay shall be removed from the teacher's personnel file at the teacher's request. However, if the superintendent and the teacher agree to extend the 90-day period, the superintendent may initiate dismissal or demotion proceedings against the teacher at any time during the period of the extension.

"**§ 115C-325.6. Procedure for dismissal or demotion of a teacher for cause.**

(a) Recommendation of Dismissal or Demotion. – A teacher may not be dismissed, demoted, or reduced to part-time employment for disciplinary reasons during the term of the contract except upon the superintendent's recommendation based on one or more of the grounds in G.S. 115C-325.4.

(b) Notice of Recommendation. – Before recommending to a board the dismissal or demotion of a teacher, the superintendent shall give written notice to the teacher by certified mail or personal delivery of the superintendent's intention to make such recommendation and shall set forth as part of the superintendent's recommendation the grounds upon which he or she believes such dismissal or demotion is justified. The superintendent also shall meet with the teacher and provide written notice of the charges against the teacher, an explanation of the basis for the charges, and an opportunity to respond if the teacher has not done so under G.S. 115C-325.5(a). The notice shall include a statement to the effect that the teacher, within 14 days after the date of receipt of the notice, may request a hearing before the board on the superintendent's recommendation. A copy of Part 3 of Article 22 of Chapter 115C shall also be sent to the teacher.

(c) Request for Hearing. – Within 14 days after receipt of the notice of recommendation, the teacher may file with the superintendent a written request for a hearing before the board on the superintendent's recommendation. The superintendent shall submit his or her recommendation to the board. Within five days after receiving the superintendent's recommendation and before taking any formal action, the board shall set a time and place for the hearing and shall notify the teacher by certified mail or personal delivery of the date, time, and place of the hearing. The time specified shall not be less than 10 nor more than 30 days after the board has notified the teacher, unless both parties agree to an extension. The hearing shall be conducted as provided in G.S. 115C-325.7.

(d) No Request for Hearing. – If the teacher does not request a hearing before the board within the 14 days provided, the superintendent may submit his or her recommendation to the board. The board, if it sees fit, may by resolution (i) reject the superintendent's recommendation or (ii) accept or modify the superintendent's recommendation and dismiss, demote, reinstate, or suspend the teacher without pay.

"**§ 115C-325.7. Hearing before board.**

(a) Board Hearing. – The following procedures shall apply to a hearing conducted by the board:

(1) The hearing shall be private.

(2) The board shall receive the following:

a. Any documentary evidence the superintendent intends to use to support the recommendation. The superintendent shall provide the documentary evidence to the teacher seven days before the hearing.

b. Any documentary evidence the teacher intends to use to rebut the superintendent's recommendation. The teacher shall provide the superintendent with the documentary evidence three days before the hearing.

c. The superintendent's recommendation and the grounds for the recommendation.

(3) The superintendent and teacher may submit a written statement not less than three days before the hearing.

(4) The superintendent and teacher shall be permitted to make oral arguments to the board based on the record before the board.

(5) The board shall make findings of fact based upon a preponderance of the evidence.

(6) Within two days following the hearing, the board shall send a written copy of its findings and determination to the teacher and the superintendent.

(7) If the board elects to make a transcript, the teacher may request and shall receive at no charge a transcript of the proceedings. A teacher may have the hearing transcribed by a court reporter at the teacher's expense.

(b) The procedures of this section shall not apply to board hearings for disciplinary suspensions without pay. Board hearings for G.S. 115C-325.5(b), disciplinary suspensions without pay, shall be conducted as provided in G.S. 115C-325.8.

"**§ 115C-325.8. Board hearing for certain disciplinary suspensions.**

(a) The following procedures shall apply for a board hearing under G.S. 115C-325.5(b), disciplinary suspensions without pay:

(1) The hearing shall be private.

(2) The hearing shall be conducted in accordance with reasonable rules adopted by the State Board of Education to govern such hearings.

(3) At the hearing, the teacher and the superintendent shall have the right to be present and to be heard, to be represented by counsel, and to present through witnesses any competent testimony relevant to the issue of whether grounds exist for a disciplinary suspension without pay.

(4) Rules of evidence shall not apply to a hearing under this subsection and the board may give probative effect to evidence that is of a kind commonly relied on by reasonably prudent persons in the conduct of serious affairs.

(5) At least eight days before the hearing, the superintendent shall provide to the teacher a list of witnesses the superintendent intends to present, a brief statement of the nature of the testimony of each witness, and a copy of any documentary evidence the superintendent intends to present.

(6) At least six days before the hearing, the teacher shall provide the superintendent a list of witnesses the teacher intends to present, a brief statement of the nature of the testimony of each witness, and a copy of any documentary evidence the teacher intends to present.

(7) No new evidence may be presented at the hearing except upon a finding by the board that the new evidence is critical to the matter at issue and the party making the request could not, with reasonable diligence, have discovered and produced the evidence according to the schedule provided in this section.

(8) The board may subpoena and swear witnesses and may require them to give testimony and to produce records and documents relevant to the grounds for suspension without pay.

(9) The board shall decide all procedural issues, including limiting cumulative evidence, necessary for a fair and efficient hearing.

(10) The superintendent shall provide for making a transcript of the hearing. The teacher may request and shall receive at no charge a transcript of the proceedings.

"**§ 115C-325.9. Teacher resignation.**

(a) Teacher Resignation Following Recommendation for Dismissal. – If a teacher has been recommended for dismissal under G.S. 115C-325.4 and the teacher chooses to resign without the written agreement of the superintendent, then:

(1) The superintendent shall report the matter to the State Board of Education.

(2) The teacher shall be deemed to have consented to (i) the placement in the teacher's personnel file of the written notice of the superintendent's intention to recommend dismissal and (ii) the release of the fact that the superintendent has reported this teacher to the State Board of Education to prospective employers, upon request. The provisions of G.S. 115C-321 shall not apply to the release of this particular information.

(3) The teacher shall be deemed to have voluntarily surrendered his or her license pending an investigation by the State Board of Education in a determination whether or not to seek action against the teacher's license. This license surrender shall not exceed 45 days from the date of resignation. Provided further that the cessation of the license surrender shall not prevent the State Board of Education from taking any further action it deems appropriate. The State Board of Education shall initiate investigation within five working days of the written notice from the superintendent and shall make a final decision as to whether to revoke or suspend the teacher's license within 45 days from the date of resignation.

(b) 30 Days' Notice Resignation Requirement. – A teacher who is not recommended for dismissal should not resign during the term of the contract without the consent of the superintendent unless he or she has given at least 30 days' notice. If a teacher who is not recommended for dismissal does resign during the term of the contract without giving at least 30 days' notice, the board may request that the State Board of Education revoke the teacher's license for the remainder of that school year. A copy of the request shall be placed in the teacher's personnel file.

"**§ 115C-325.10. Application to certain institutions.**

Notwithstanding any law or regulation to the contrary, this Part shall apply to all persons employed in teaching and related educational classes in the schools and institutions of the Departments of Health and Human Services, Public Instruction, Correction, or the Division of Juvenile Justice of the Department of Public Safety, regardless of the age of the students.

"**§ 115C-325.11. Dismissal of school administrators and teachers employed in low-performing residential schools.**

(a) Notwithstanding any other provision of this section or any other law, this section shall govern the dismissal by the State Board of Education of teachers, principals, assistant principals, directors, supervisors, and other licensed personnel assigned to a residential school that the State Board has identified as low-performing and to which the State Board has assigned an assistance team. The State Board shall dismiss a teacher, principal, assistant principal, director, supervisor, or other licensed personnel when the State Board receives two consecutive evaluations that include written findings and recommendations regarding that person's inadequate performance from the assistance team. These findings and recommendations shall be substantial evidence of the inadequate performance of the teacher or school administrator.

(b) The State Board may dismiss a teacher, principal, assistant principal, director, supervisor, or other licensed personnel when:

(1) The State Board determines that the school has failed to make satisfactory improvement after the State Board assigned an assistance team to that school.

(2) That assistance team makes the recommendation to dismiss the teacher, principal, assistant principal, director, supervisor, or other licensed personnel

for one or more grounds established in G.S. 115C-325.4 for dismissal or demotion of a teacher.

Within 30 days of any dismissal under this subsection, a teacher, principal, assistant principal, director, supervisor, or other licensed personnel may request a hearing before a panel of three members designated by the State Board. The State Board shall adopt procedures to ensure that due process rights are afforded to persons recommended for dismissal under this subsection. Decisions of the panel may be appealed on the record to the State Board.

(c) Notwithstanding any other provision of this section or any other law, this subsection shall govern the dismissal by the State Board of licensed staff members who have engaged in a remediation plan under G.S. 115C-105.38A(c) but who, after one retest, fail to meet the general knowledge standard set by the State Board. The failure to meet the general knowledge standard after one retest shall be substantial evidence of the inadequate performance of the licensed staff member.

Within 30 days of any dismissal under this subsection, a licensed staff member may request a hearing before a panel of three members designated by the State Board. The State Board shall adopt procedures to ensure that due process rights are afforded to licensed staff members recommended for dismissal under this subsection. Decisions of the panel may be appealed on the record to the State Board.

(d) The State Board or the superintendent of a residential school may terminate the contract of a school administrator dismissed under this section. Nothing in this section shall prevent the State Board from refusing to renew the contract of any person employed in a school identified as low-performing.

(e) Neither party to a school administrator or teacher contract is entitled to damages under this section.

(f) The State Board shall have the right to subpoena witnesses and documents on behalf of any party to the proceedings under this section.

"**§ 115C-325.12. Procedure for dismissal of Principals employed in low-performing schools.**

(a) Dismissal of Principals Assigned to Low-Performing Schools With Assistance Teams. – Notwithstanding any other provision of this Part or any other law, this section governs the State Board's dismissal of principals assigned to low-performing schools to which the State Board has assigned an assistance team.

(b) Authority of State Board to Dismiss Principal. – The State Board through its designee may, at any time, recommend the dismissal of any principal who is assigned to a low-performing school to which an assistance team has been assigned. The State Board through its designee shall recommend the dismissal of any principal when the State Board receives from the assistance team assigned to that principal's school two consecutive evaluations that include written findings and recommendations regarding the principal's inadequate performance.

(c) Procedures for Dismissal of Principal. –

(1) If the State Board through its designee recommends the dismissal of a principal under this section, the principal shall be suspended with pay pending a hearing before a panel of three members of the State Board. The purpose of this hearing, which shall be held within 60 days after the principal is suspended, is to determine whether the principal shall be dismissed.

(2) The panel shall order the dismissal of the principal if it determines from available information, including the findings of the assistance team, that the low performance of the school is due to the principal's inadequate performance.

(3) The panel may order the dismissal of the principal if (i) it determines that the school has not made satisfactory improvement after the State Board assigned

an assistance team to that school; and (ii) the assistance team makes the recommendation to dismiss the principal for one or more grounds established in G.S. 115C-325.4 for dismissal or demotion of a teacher.

(4) If the State Board or its designee recommends the dismissal of a principal before the assistance team assigned to the principal's school has evaluated that principal, the panel may order the dismissal of the principal if the panel determines from other available information that the low performance of the school is due to the principal's inadequate performance.

(5) In all hearings under this section, the burden of proof is on the principal to establish that the factors leading to the school's low performance were not due to the principal's inadequate performance. In all hearings under this section, the burden of proof is on the State Board to establish that the school failed to make satisfactory improvement after an assistance team was assigned to the school and to establish one or more of the grounds established for dismissal or demotion of a teacher under G.S. 115C-325.4.

(6) In all hearings under this section, two consecutive evaluations that include written findings and recommendations regarding that principal's inadequate performance from the assistance team are substantial evidence of the inadequate performance of the principal.

(7) The State Board shall adopt procedures to ensure that due process rights are afforded to principals under this section. Decisions of the panel may be appealed on the record to the State Board.

(d) The State Board of Education or a local board may terminate the contract of a principal dismissed under this section.

(e) Neither party to a school administrator contract is entitled to damages under this section.

(f) The State Board shall have the right to subpoena witnesses and documents on behalf of any party to the proceedings under this section.

"**§ 115C-325.13. Procedure for dismissal of teachers employed in low-performing schools.**

(a) Notwithstanding any other provision of this Part or any other law, this section shall govern the State Board's dismissal of teachers, assistant principals, directors, and supervisors assigned to schools that the State Board has identified as low-performing and to which the State Board has assigned an assistance team under Article 8B of this Chapter. The State Board shall dismiss a teacher, assistant principal, director, or supervisor when the State Board receives two consecutive evaluations that include written findings and recommendations regarding that person's inadequate performance from the assistance team. These findings and recommendations shall be substantial evidence of the inadequate performance of the teacher, assistant principal, director, or supervisor.

(b) The State Board may dismiss a teacher, assistant principal, director, or supervisor when:

(1) The State Board determines that the school has failed to make satisfactory improvement after the State Board assigned an assistance team to that school under G.S. 115C-105.38; and

(2) That assistance team makes the recommendation to dismiss the teacher, assistant principal, director, or supervisor for one or more grounds established in G.S. 115C-325.4 for dismissal or demotion for cause.

A teacher, assistant principal, director, or supervisor may request a hearing before a panel of three members of the State Board within 30 days of any dismissal under this section. The State Board shall adopt procedures to ensure that due process rights are afforded to persons recommended for dismissal under this section. Decisions of the panel may be appealed on the record to the State Board.

(c) Notwithstanding any other provision of this Part or any other law, this section shall govern the State Board's dismissal of licensed staff members who have engaged in a remediation plan under G.S. 115C-105.38A(c) but who, after one retest, fail to meet the general knowledge standard set by the State Board. The failure to meet the general knowledge standard after one retest shall be substantial evidence of the inadequate performance of the licensed staff member.

(d) A licensed staff member may request a hearing before a panel of three members of the State Board within 30 days of any dismissal under this section. The State Board shall adopt procedures to ensure that due process rights are afforded to licensed staff members recommended for dismissal under this section. Decisions of the panel may be appealed on the record to the State Board.

(e) The State Board of Education or a local board may terminate the contract of a teacher, assistant principal, director, or supervisor dismissed under this section.

(f) Neither party to a school administrator or teacher contract is entitled to damages under this section.

(g) The State Board shall have the right to subpoena witnesses and documents on behalf of any party to the proceedings under this section."

SECTION 14.(c) G.S. 115C-45(c) reads as rewritten:

"(c) Appeals to Board of Education and to Superior Court. – An appeal shall lie to the local board of education from any final administrative decision in the following matters:

(1) The discipline of a student under G.S. 115C-390.7, 115C-390.10, or 115C-390.11;

(2) An alleged violation of a specified federal law, State law, State Board of Education policy, State rule, or local board policy, including policies regarding grade retention of students;

(3) The terms or conditions of employment or employment status of a school employee; and

(4) Any other decision that by statute specifically provides for a right of appeal to the local board of education and for which there is no other statutory appeal procedure.

As used in this subsection, the term "final administrative decision" means a decision of a school employee from which no further appeal to a school administrator is available.

Any person aggrieved by a decision not covered under subdivisions (1) through (4) of this subsection shall have the right to appeal to the superintendent and thereafter shall have the right to petition the local board of education for a hearing, and the local board may grant a hearing regarding any final decision of school personnel within the local school administrative unit. The local board of education shall notify the person making the petition of its decision whether to grant a hearing.

In all appeals to the board it is the duty of the board of education to see that a proper notice is given to all parties concerned and that a record of the hearing is properly entered in the records of the board conducting the hearing.

The board of education may designate hearing panels composed of not less than two members of the board to hear and act upon such appeals in the name and on behalf of the board of education.

An appeal of right brought before a local board of education under subdivision (1), (2), ~~(3),~~ or (4) of this subsection may be further appealed to the superior court of the State on the grounds that the local board's decision is in violation of constitutional provisions, is in excess of the statutory authority or jurisdiction of the board, is made upon unlawful procedure, is affected by other error of law, is unsupported by substantial evidence in view of the entire record as submitted, or is arbitrary or capricious. ~~However, the right of a noncertified employee to appeal decisions of a local board under subdivision (3) of this subsection shall only apply to decisions~~

~~concerning the dismissal, demotion, or suspension without pay of the noncertified employee. A noncertified employee may request and shall be entitled to receive written notice as to the reasons for the employee's dismissal, demotion, or suspension without pay. The notice shall be provided to the employee prior to any local board of education hearing on the issue. This subsection shall not alter the employment status of a noncertified employee.~~"

SECTION 14.(d) G.S. 115C-105.26(b)(2) reads as rewritten:

"(2) State rules and policies, except those pertaining to public school State salary schedules and employee benefits for school employees, the instructional program that must be offered under the Basic Education Program, the system of employment for public school teachers and administrators set out in G.S. 115C-287.1 and ~~G.S. 115C-325,~~in Part 3 of Article 22 of this Chapter, health and safety codes, compulsory attendance, the minimum lengths of the school day and year, and the Uniform Education Reporting System."

SECTION 14.(e) G.S. 115C-105.37B(a)(2) reads as rewritten:

"(2) Restart model, in which the State Board of Education would authorize the local board of education to operate the school with the same exemptions from statutes and rules as a charter school authorized under Part 6A of Article 16 of this Chapter, or under the management of an educational management organization that has been selected through a rigorous review process. A school operated under this subdivision remains under the control of the local board of education, and employees assigned to the school are employees of the local school administrative unit with the protections provided by ~~G.S. 115C-325.~~Part 3 of Article 22 of this Chapter."

SECTION 14.(f) G.S. 115C-105.38A(d) reads as rewritten:

"(d) Retesting; Dismissal. – Upon completion of the remediation plan required under subsection (c) of this section, the certified staff member shall take the general knowledge test a second time. If the certified staff member fails to acquire a passing score on the second test, the State Board shall begin a dismissal proceeding under ~~G.S. 115C-325(q)(2a).~~G.S. 115C-325.13."

SECTION 14.(g) G.S. 115C-105.38A(f) reads as rewritten:

"(f) Other Actions Not Precluded. – Nothing in this section shall be construed to restrict or postpone the following actions:

(1) The dismissal of a principal under ~~G.S. 115C-325(q)(1);~~G.S. 115C-325.12.

(2) The dismissal of a teacher, assistant principal, director, or supervisor under ~~G.S. 115C-325(q)(2);~~G.S. 115C-325.13.

(3) The dismissal or demotion of ~~a career~~ an employee for any of the grounds listed under ~~G.S. 115C-325(e);~~G.S. 115C-325.4.

(4) The nonrenewal of a school administrator's or ~~probationary~~ teacher's contract of ~~employment; or~~employment.

~~(5) The decision to grant career status.~~"

SECTION 14.(h) G.S. 115C-105.39 reads as rewritten:

"**§ 115C-105.39. Dismissal or removal of personnel; appointment of interim superintendent.**

(a) Within 30 days of the initial identification of a school as low-performing, whether by the local school administrative unit under G.S. 115C-105.37(a1) or by the State Board under G.S. 115C-105.37(a), the superintendent shall take one of the following actions concerning the school's principal: (i) recommend to the local board that the principal be retained in the same position, (ii) recommend to the local board that the principal be retained in the same position and a plan of remediation should be developed, (iii) recommend to the local board that the principal be transferred, or (iv) proceed under ~~G.S. 115C-325~~G.S. 115C-325.4 to dismiss or demote the principal. The principal may be retained in the same position without a plan for

remediation only if the principal was in that position for no more than two years before the school is identified as low-performing. The principal shall not be transferred to another principal position unless (i) it is in a school classification in which the principal previously demonstrated at least 2 years of success, (ii) there is a plan to evaluate and provide remediation to the principal for at least one year following the transfer to assure the principal does not impede student performance at the school to which the principal is being transferred; and (iii) the parents of the students at the school to which the principal is being transferred are notified. The principal shall not be transferred to another low-performing school in the local school administrative unit. If the superintendent intends to recommend demotion or dismissal, the superintendent shall notify the local board. Within 15 days of (i) receiving notification that the superintendent intends to proceed under ~~G.S. 115C-325,~~G.S. 115C-325.4 or (ii) its decision concerning the superintendent's recommendation, but no later than September 30, the local board shall submit to the State Board a written notice of the action taken and the basis for that action. If the State Board does not assign an assistance team to that school or if the State Board assigns an assistance team to that school and the superintendent proceeds under ~~G.S. 115C-325~~G.S. 115C-325.4 to dismiss or demote the principal, then the State Board shall take no further action. If the State Board assigns an assistance team to the school and the superintendent is not proceeding under ~~G.S. 115C-325~~G.S. 115C-325.4 to dismiss or demote the principal, then the State Board shall vote to accept, reject, or modify the local board's recommendations. The State Board shall notify the local board of its action within five days. If the State Board rejects or modifies the local board's recommendations and does not recommend dismissal of the principal, the State Board's notification shall include recommended action concerning the principal's assignment or terms of employment. Upon receipt of the State Board's notification, the local board shall implement the State Board's recommended action concerning the principal's assignment or terms of employment unless the local board asks the State Board to reconsider that recommendation. The State Board shall provide an opportunity for the local board to be heard before the State Board acts on the local board's request for a reconsideration. The State Board shall vote to affirm or modify its original recommended action and shall notify the local board of its action within five days. Upon receipt of the State Board's notification, the local board shall implement the State Board's final recommended action concerning the principal's assignment or terms of employment. If the State Board rejects or modifies the local board's action and recommends dismissal of the principal, the State Board shall proceed under ~~G.S. 115C-325(q)(1).~~G.S. 115C-325.12.

(b) The State Board shall proceed under ~~G.S. 115C-325(q)(2)~~G.S. 115C-325.13 for the dismissal of teachers, assistant principals, directors, and supervisors assigned to a school identified as low-performing in accordance with ~~G.S. 115C-325(q)(2).~~G.S. 115C-325.13.

...."

SECTION 14.(i) G.S. 115C-238.29F(e)(3) reads as rewritten:

"(3) If a teacher employed by a local school administrative unit makes a written request for a leave of absence to teach at a charter school, the local school administrative unit shall grant the leave for one year. For the initial year of a charter school's operation, the local school administrative unit may require that the request for a leave of absence be made up to 45 days before the teacher would otherwise have to report for duty. After the initial year of a charter school's operation, the local school administrative unit may require that the request for a leave of absence be made up to 90 days before the teacher would otherwise have to report for duty. A local board of education is not required to grant a request for a leave of absence or a request to extend or renew a leave of absence for a teacher who previously has received a leave of absence from that school board under this subdivision. A teacher who has ~~career status under G.S. 115C-325 prior to receiving~~received a

leave of absence to teach at a charter school may return to a public school in the local school administrative unit ~~with career status~~ at the end of the leave of absence or upon the end of employment at the charter school if an appropriate position is available. ~~If an appropriate position is unavailable, the teacher's name shall be placed on a list of available teachers and that teacher shall have priority on all positions for which that teacher is qualified in accordance with G.S. 115C-325(e)(2).~~"

SECTION 14.(j) G.S. 115C-238.68(3) reads as rewritten:

"(3) ~~Career status.~~Leave of absence from local school administrative unit. – ~~Employees of the board of directors shall not be eligible for career status.~~ If a teacher employed by a local school administrative unit makes a written request for a leave of absence to teach at the regional school, the local school administrative unit shall grant the leave for one year. For the initial year of the regional school's operation, the local school administrative unit may require that the request for a leave of absence be made up to 45 days before the teacher would otherwise have to report for duty. After the initial year of the regional school's operation, the local school administrative unit may require that the request for a leave of absence be made up to 90 days before the teacher would otherwise have to report for duty. A local board of education is not required to grant a request for a leave of absence or a request to extend or renew a leave of absence for a teacher who previously has received a leave of absence from that school board under this subdivision. A teacher who has ~~career status under G.S. 115C-325 prior to receiving~~received a leave of absence to teach at the regional school may return to a public school in the local school administrative unit ~~with career status~~ at the end of the leave of absence or upon the end of employment at the regional school if an appropriate position is available. ~~If an appropriate position is unavailable, the teacher's name shall be placed on a list of available teachers in accordance with G.S. 115C-325(e)(2).~~"

SECTION 14.(k) G.S. 115C-276(l) reads as rewritten:

"(l) To Maintain Personnel Files and to Participate in Firing and Demoting of Staff. – The superintendent shall maintain in his or her office a personnel file for each teacher that contains complaints, commendations, or suggestions for correction or improvement about the teacher and shall participate in the firing and demoting of staff, as provided in ~~G.S. 115C-325.~~Part 3 of Article 22 of this Chapter."

SECTION 14.(l) G.S. 115C-285(7) reads as rewritten:

"(7) All persons employed as principals in the schools and institutions listed in ~~subsection (p) of G.S. 115C-325~~ G.S. 115C-325.10 shall be compensated at the same rate as are teachers in the public schools in accordance with the salary schedule adopted by the State Board of Education."

SECTION 14.(m) G.S. 115C-287.1 reads as rewritten:

"**§ 115C-287.1. Method of employment of principals, assistant principals, supervisors, and directors.**

(a) (1) ~~Beginning July 1, 1995, all~~All persons employed as school administrators shall be employed pursuant to this section.

~~(2) Notwithstanding G.S. 115C-287.1(a)(1), the following school administrators shall be employed pursuant to G.S. 115C-325:~~

~~a. School administrators who, as of July 1, 1995, are serving in a principal or supervisor position with career status in that position; and~~

~~b. School administrators who, as of July 1, 1995, are serving in a principal or supervisor position and who are eligible to achieve career status on or before June 30, 1997.~~

~~A school administrator shall cease to be employed pursuant to G.S. 115C-325 if the school administrator: (i) voluntarily relinquishes career status or the opportunity to achieve career status through promotion, resignation, or otherwise; or (ii) is dismissed or demoted or whose contract is not renewed pursuant to G.S. 115C-325.~~

(3) For purposes of this section, school administrator means a:

a. Principal;

b. Assistant principal;

c. Supervisor; or

d. Director,

whose major function includes the direct or indirect supervision of teaching or of any other part of the instructional program.

~~(4) Nothing in this section shall be construed to confer career status on any assistant principal or director, or to make an assistant principal eligible for career status as an assistant principal or a director eligible for career status as a director.~~

(b) Local boards of education shall employ school administrators ~~who are ineligible for career status as provided in G.S. 115C-325(e)(3),~~ upon the recommendation of the superintendent. The initial contract between a school administrator and a local board of education shall be for two to four years, ending on June 30 of the final 12 months of the contract. In the case of a subsequent contract between a principal or assistant principal and a local board of education, the contract shall be for a term of four years. In the case of an initial contract between a school administrator and a local board of education, the first year of the contract may be for a period of less than 12 months provided the contract becomes effective on or before September 1. A local board of education may, with the written consent of the school administrator, extend, renew, or offer a new school administrator's contract at any time after the first 12 months of the contract so long as the term of the new, renewed, or extended contract does not exceed four years. Rolling annual contract renewals are not allowed. Nothing in this section shall be construed to prohibit the filling of an administrative position on an interim or temporary basis.

(c) The term of employment shall be stated in a written contract that shall be entered into between the local board of education and the school administrator. The school administrator shall not be dismissed or demoted during the term of the contract except for the grounds and by the procedure by which a ~~career~~ teacher may be dismissed or demoted for cause as set forth in ~~G.S. 115C-325.~~G.S. 115C-325.4.

(d) If a superintendent intends to recommend to the local board of education that the school administrator be offered a new, renewed, or extended contract, the superintendent shall submit the recommendation to the local board for action. The local board may approve the superintendent's recommendation or decide not to offer the school administrator a new, renewed, or extended school administrator's contract.

If a superintendent decides not to recommend that the local board of education offer a new, renewed, or extended school administrator's contract to the school administrator, the superintendent shall give the school administrator written notice of his or her decision ~~and the reasons for his or her decision~~ no later than May 1 of the final year of the contract. ~~The superintendent's reasons may not be arbitrary, capricious, discriminatory, personal, or political.~~ No action by the local board or further notice to the school administrator shall be necessary unless the school administrator files with the superintendent a written request, within 10 days of receipt of the superintendent's decision, for a hearing before the local board. ~~Failure to file a~~

~~timely request for a hearing shall result in a waiver of the right to appeal the superintendent's decision.~~ If a school administrator files a timely request for a hearing, the local board shall conduct a hearing pursuant to the provisions of G.S. 115C-45(c) and make a final decision on whether to offer the school administrator a new, renewed, or extended school administrator's contract.

If the local board decides not to offer the school administrator a new, renewed, or extended school administrator's contract, the local board shall notify the school administrator of its decision by June 1 of the final year of the contract. A decision not to offer the school administrator a new, renewed, or extended contract may not be for any cause ~~that is not arbitrary, capricious, discriminatory, personal, or political.~~ prohibited by State or federal law. ~~The local board's decision not to offer the school administrator a new, renewed, or extended school administrator's contract is subject to judicial review in accordance with Article 4 of Chapter 150B of the General Statutes.~~

(e) Repealed by Session Laws 1995, c. 369, s. 1.

(f) If the superintendent or the local board of education fails to notify a school administrator by June 1 of the final year of the contract that the school administrator will not be offered a new school administrator's contract, the school administrator shall be entitled to 30 days of additional employment or severance pay beyond the date the school administrator receives written notice that a new contract will not be offered.

~~(g) If, prior to appointment as a school administrator, the school administrator held career status as a teacher in the local school administrative unit in which he or she is employed as a school administrator, a school administrator shall retain career status as a teacher if the school administrator is not offered a new, renewed, or extended contract by the local board of education, unless the school administrator voluntarily relinquished that right or is dismissed or demoted pursuant to G.S. 115C-325.~~

(h) An individual who holds a provisional assistant principal's certificate and who is employed as an assistant principal under G.S. 115C-284(c) shall be considered a school administrator for purposes of this section. Notwithstanding subsection (b) of this section, a local board may enter into one-year contracts with a school administrator who holds a provisional assistant principal's certificate. ~~If the school administrator held career status as a teacher in the local school administrative unit prior to being employed as an assistant principal and the State Board for any reason does not extend the school administrator's provisional assistant principal's certificate, the school administrator shall retain career status as a teacher unless the school administrator voluntarily relinquished that right or is dismissed or demoted under G.S. 115C-325.~~ Nothing in this subsection or G.S. 115C-284(c) shall be construed to require a local board to extend or renew the contract of a school administrator who holds a provisional assistant principal's certificate."

SECTION 14.(n) G.S. 115C-288(g) reads as rewritten:

"(g) To Report Certain Acts to Law Enforcement and the Superintendent. – When the principal has personal knowledge, a reasonable belief, or actual notice from school personnel that an act has occurred on school property involving assault resulting in serious personal injury, sexual assault, sexual offense, rape, kidnapping, indecent liberties with a minor, assault involving the use of a weapon, possession of a firearm in violation of the law, possession of a weapon in violation of the law, or possession of a controlled substance in violation of the law, the principal shall immediately report the act to the appropriate local law enforcement agency.

A principal who willfully fails to make a report to law enforcement required by this subsection may be subject to demotion or dismissal pursuant to ~~G.S. 115C-325.~~G.S. 115C-325.4.

Notwithstanding any other provision of law, the State Board of Education shall not require the principal to report to law enforcement acts in addition to those required to be reported by this subsection.

For purposes of this subsection, "school property" shall include any public school building, bus, public school campus, grounds, recreational area, or athletic field, in the charge of the principal.

The principal or the principal's designee shall notify the superintendent or the superintendent's designee in writing or by electronic mail regarding any report made to law enforcement under this subsection. This notification shall occur by the end of the workday in which the incident occurred when reasonably possible but not later than the end of the following workday. The superintendent shall provide the information to the local board of education.

Nothing in this subsection shall be interpreted to interfere with the due process rights of school employees or the privacy rights of students."

SECTION 14.(o) G.S. 115C-304 is repealed.

SECTION 14.(p) G.S. 115C-333 reads as rewritten:

"**§ 115C-333. Evaluation of licensed employees including certain superintendents; mandatory improvement plans; State board notification upon dismissal of employees.**

(a) Annual Evaluations; Low-Performing Schools. – Local school administrative units shall evaluate at least once each year all licensed employees assigned to a school that has been identified as low-performing. The evaluation shall occur early enough during the school year to provide adequate time for the development and implementation of a mandatory improvement plan if one is recommended under subsection (b) of this section. If the employee is a teacher as defined under ~~G.S. 115C-325(a)(6),~~G.S. 115C-325.1(5), either the principal, the assistant principal who supervises the teacher, or an assistance team assigned under G.S. 115C-105.38 shall conduct the evaluation. If the employee is a school administrator as defined under G.S. 115C-287.1(a)(3), either the superintendent or the superintendent's designee shall conduct the evaluation.

All teachers in low-performing schools who have ~~not attained career status~~been employed for less than three consecutive years shall be observed at least three times annually by the principal or the principal's designee and at least once annually by a teacher and shall be evaluated at least once annually by a principal. This section shall not be construed to limit the duties and authority of an assistance team assigned to a low-performing school under G.S. 115C-105.38.

A local board shall use the performance standards and criteria adopted by the State Board and may adopt additional evaluation criteria and standards. All other provisions of this section shall apply if a local board uses an evaluation other than one adopted by the State Board.

(b) Mandatory Improvement Plans. –

(1) Repealed by Session Laws 2011-348, s. 2, effective July 1, 2011, and applicable to persons recommended for dismissal or demotion on or after that date.

(1a) A mandatory improvement plan is an instrument designed to improve a teacher's performance or the performance of any licensed employee in a low-performing school by providing the individual with notice of specific performance areas that have substantial deficiencies and a set of strategies, including the specific support to be provided to the individual, so that the individual, within a reasonable period of time, should satisfactorily resolve such deficiencies.

(2) Repealed by Session Laws 2011-348, s. 2, effective July 1, 2011, and applicable to persons recommended for dismissal or demotion on or after that date.

(2a) If a licensed employee in a low-performing school receives a rating on any standard on an evaluation that is below proficient or otherwise represents

unsatisfactory or below standard performance in an area that the licensed employee was expected to demonstrate, the individual or team that conducted the evaluation shall recommend to the superintendent that (i) the employee receive a mandatory improvement plan designed to improve the employee's ~~performance or~~ performance, (ii) the superintendent recommend to the local board that the ~~employee be dismissed or demoted.~~employee's contract not be recommended for renewal, or (iii) if the employee engaged in inappropriate conduct or performed inadequately to such a degree that such conduct or performance causes substantial harm to the educational environment that a proceeding for immediate dismissal or demotion be instituted. If the individual or team that conducted the evaluation elects not to make ~~either~~ any of the above recommendations, the said individual or team shall notify the superintendent of this decision. The superintendent shall determine whether to develop a mandatory improvement ~~plan~~plan, to not recommend renewal of the employee's contract, or to recommend a dismissal proceeding.

(3) If at any time a licensed employee engages in inappropriate conduct or performs inadequately to such a degree that such conduct or performance causes substantial harm to the educational environment, and immediate dismissal or demotion is not appropriate, then the principal may immediately institute a mandatory improvement plan regardless of any ratings on previous evaluations. The principal shall document the exigent reason for immediately instituting such a plan.

(4) Mandatory improvement plans shall be developed by the person who evaluated the licensed employee or the employee's supervisor unless the evaluation was conducted by an assistance team. If the evaluation was conducted by an assistance team, that team shall develop the mandatory improvement plan in collaboration with the employee's supervisor. Mandatory improvement plans shall be designed to be completed within 90 instructional days or before the beginning of the next school year. The State Board shall develop guidelines that include strategies to assist local boards in evaluating licensed employees and developing effective mandatory improvement plans within the time allotted under this section. Local boards may adopt policies for the development and implementation of mandatory improvement plans and policies for the implementation of monitored and directed growth plans.

(c) Reassessment of Employee in a Low-Performing School. – After the expiration of the time period for the mandatory improvement plan under subdivision (2a) of subsection (b) of this section, the superintendent, the superintendent's designee, or the assistance team shall assess the performance of the employee of the low-performing school a second time. If the superintendent, superintendent's designee, or assistance team determines that the employee has failed to become proficient in any of the performance standards articulated in the mandatory improvement plan or demonstrate sufficient improvement toward such standards, the superintendent shall recommend that the ~~employee~~ employee's contract not be renewed, or that the employee be immediately dismissed or demoted under ~~G.S. 115C-325.~~G.S. 115C-325.4. The results of the second assessment shall constitute substantial evidence of the employee's inadequate performance.

(d) State Board Notification. – If a local board dismisses an employee of a low-performing school ~~for any reason~~for cause or elects to not renew an employee's contract as a result of a superintendent's recommendation under subsection (b) or (c) of this section, ~~except a reduction in force under G.S. 115C-325(e)(1)l.,~~ it shall notify the State Board of the action,

and the State Board annually shall provide to all local boards the names of those individuals. If a local board hires one of these individuals, within 60 days the superintendent or the superintendent's designee shall observe the employee, develop a mandatory improvement plan to assist the employee, and submit the plan to the State Board. The State Board shall review the mandatory improvement plan and may provide comments and suggestions to the superintendent. If on the next evaluation the employee receives a rating on any standard that was identified as an area of concern on the mandatory improvement plan that is again below proficient or otherwise represents unsatisfactory or below standard performance, the local board shall notify the State Board and the State Board shall initiate a proceeding to revoke the employee's license under G.S. 115C-296(d). If on this next evaluation the employee receives at least a proficient rating on all of the performance standards that were identified as areas of concern on the mandatory improvement plan, the local board shall notify the State Board that the employee is in good standing and the State Board shall not continue to provide the individual's name to local boards under this subsection unless the employee is subsequently dismissed under ~~G.S. 115C-325 except for a reduction in force.~~ G.S. 115C-325.4.

...."

SECTION 14.(q) G.S. 115C-333.1 reads as rewritten:

"**§ 115C-333.1. Evaluation of teachers in schools not identified as low-performing; mandatory improvement plans; State Board notification upon dismissal of teachers.**

(a) Annual Evaluations. – All teachers who are assigned to schools that are not designated as low-performing and who have not ~~attained career status~~been employed for at least three consecutive years shall be observed at least three times annually by the principal or the principal's designee and at least once annually by a teacher and shall be evaluated at least once annually by a principal. All teachers ~~with career status~~who have been employed for three or more years who are assigned to schools that are not designated as low-performing shall be evaluated annually unless a local board adopts rules that allow teachers ~~with career status~~employed for three or more years to be evaluated more or less frequently, provided that such rules are not inconsistent with State or federal requirements. Local boards also may adopt rules requiring the annual evaluation of nonlicensed employees. A local board shall use the performance standards and criteria adopted by the State Board and may adopt additional evaluation criteria and standards. All other provisions of this section shall apply if a local board uses an evaluation other than one adopted by the State Board.

(b) Mandatory Improvement Plans for Teachers. – If, in an observation report or year-end evaluation, a teacher receives a rating that is below proficient or otherwise represents unsatisfactory or below standard performance on any standard that the teacher was expected to demonstrate, the principal may place the teacher on a mandatory improvement plan as defined in G.S. 115C-333(b)(1a). The mandatory improvement plan shall be utilized only if the superintendent or superintendent's designee determines that an individual, monitored, or directed growth plan will not satisfactorily address the deficiencies.

If at any time a teacher engages in inappropriate conduct or performs inadequately to such a degree that such conduct or performance causes substantial harm to the educational environment, and immediate dismissal or demotion is not appropriate, then the principal may immediately institute a mandatory improvement plan regardless of any ratings on previous evaluations. The principal shall document the exigent reason for immediately instituting such a plan. The mandatory improvement plan shall be developed by the principal in consultation with the teacher. The teacher shall have five instructional days from receipt of the proposed mandatory improvement plan to request a modification of such plan before it is implemented, and the principal shall consider such suggested modifications before finalizing the plan. The teacher shall have at least 60 instructional days to complete the mandatory improvement plan. The State Board shall develop guidelines that include strategies to assist local boards in

evaluating teachers and developing effective mandatory improvement plans. Local boards may adopt policies for the implementation of mandatory improvement plans under this section.

(c) Observation by a Qualified Observer. –

(1) The term "qualified observer" as used in this section is any administrator or teacher who is licensed by the State Board of Education and working in North Carolina; any employee of the North Carolina Department of Public Instruction who is trained in evaluating licensed employees; or any instructor or professor who teaches in an accredited North Carolina school of education and holds an educator's license.

(2) The local board of education shall create a list of qualified observers who are employed by that board and available to do observations of employees on mandatory improvement plans. This list shall be limited to names of administrators and teachers selected by the local board of education. The local board of education shall strive to select administrators and teachers with excellent reputations for competence and fairness.

(3) Any teacher, other than a teacher assigned to a school designated as low-performing, who has been placed on a mandatory improvement plan shall have a right to be observed by a qualified observer in the area or areas of concern identified in the mandatory improvement plan. The affected teacher and the principal shall jointly choose the qualified observer within 20 instructional days after the commencement of the mandatory improvement plan. If the teacher and the principal cannot agree on a qualified observer within this time period, they each shall designate a person from the list of qualified observers created pursuant to subdivision (2) of this subsection, and these two designated persons shall choose a qualified observer within five instructional days of their designation. The qualified observer shall draft a written report assessing the teacher in the areas of concern identified in the mandatory improvement plan. The report shall be submitted to the principal before the end of the mandatory improvement plan period. If a teacher or administrator from the same local school administrative unit is selected to serve as the qualified observer, the administration of the local school administrative unit shall provide such qualified observer with the time necessary to conduct the observation and prepare a report. If someone who is not employed by the same local school administrative unit is selected to serve as the qualified observer, the teacher who is the subject of the mandatory improvement plan will be responsible for any expenses related to the observations and reports prepared by the qualified observer. The qualified observer shall not unduly disrupt the classroom when conducting an observation.

(4) No local board of education or employee of a local board of education shall discharge, threaten, or otherwise retaliate against another employee of the board regarding that employee's compensation, terms, conditions, location, or privileges of employment because of the employee's service or completion of a report as an objective observer pursuant to this subsection, unless the employee's report contained material information that the employee knew was false.

(d) Reassessment of the Teacher. – Upon completion of a mandatory improvement plan under subsection (b) of this section, the principal shall assess the performance of the teacher a second time. The principal shall also review and consider any report provided by the qualified observer under subsection (c) of this section if one has been submitted before the end of the mandatory improvement plan period. If, after the second assessment of the teacher and

consideration of any report from the qualified observer, the superintendent or superintendent's designee determines that the teacher has failed to become proficient in any of the performance standards identified as deficient in the mandatory improvement plan or demonstrate sufficient improvement toward such standards, the superintendent may recommend that the teacher's contract not be renewed, or if the teacher has engaged in inappropriate conduct or performed inadequately to such a degree that such conduct or performance causes substantial harm to the educational environment, that the teacher be immediately dismissed or demoted under ~~G.S. 115C-325.~~G.S. 115C-325.4. The results of the second assessment produced pursuant to the terms of this subsection shall constitute substantial evidence of the teacher's inadequate performance.

(e) Dismissal Proceedings Without a Mandatory Improvement Plan. – The absence of a mandatory improvement plan as described in this section shall not prohibit a superintendent from initiating a dismissal proceeding against a teacher under the provisions of ~~G.S. 115C-325.~~G.S. 115C-325.4. However, the superintendent shall not be entitled to the substantial evidence provision in subsection (d) of this section if such mandatory improvement plan is not utilized.

(f) State Board Notification. – If a local board dismisses a teacher for cause or elects to not renew an employee's contract as a result of a superintendent's recommendation under subsection (d) of this section, ~~for any reason except a reduction in force under G.S. 115C-325(e)(1)l.,~~ it shall notify the State Board of the action, and the State Board annually shall provide to all local boards the names of those teachers. If a local board hires one of these teachers, within 60 days the superintendent or the superintendent's designee shall observe the teacher, develop a mandatory improvement plan to assist the teacher, and submit the plan to the State Board. The State Board shall review the mandatory improvement plan and may provide comments and suggestions to the superintendent. If on the next evaluation the teacher receives a rating on any standard that was an area of concern on the mandatory improvement plan that is again below proficient or a rating that otherwise represents unsatisfactory or below standard performance, the local board shall notify the State Board, and the State Board shall initiate a proceeding to revoke the teacher's license under G.S. 115C-296(d). If on the next evaluation the teacher receives at least a proficient rating on all of the overall performance standards that were areas of concern on the mandatory improvement plan, the local board shall notify the State Board that the teacher is in good standing, and the State Board shall not continue to provide the teacher's name to local boards under this subsection unless the teacher is subsequently dismissed under ~~G.S. 115C-325~~G.S. 115C-325.4. ~~except for a reduction in force.~~ If, however, on this next evaluation the teacher receives a developing rating on any standards that were areas of concern on the mandatory improvement plan, if the local board elects to renew the teacher's contract and ~~the teacher shall have one more year to bring the rating to proficient. If,~~ by the end of this second year, the teacher is not proficient in all standards that were areas of concern on the mandatory improvement plan, the local board shall notify the State Board, and the State Board shall initiate a proceeding to revoke the teacher's license under G.S. 115C-296(d).

...."

SECTION 14.(r) G.S. 115C-335(b) reads as rewritten:

"(b) Training. – The State Board, in collaboration with the Board of Governors of The University of North Carolina, shall develop programs designed to train principals and superintendents in the proper administration of the employee evaluations developed by the State Board. The Board of Governors shall use the professional development programs for public school employees that are under its authority to make this training available to all principals and superintendents at locations that are geographically convenient to local school administrative units. The programs shall include methods to determine whether an employee's performance has improved student learning, the development and implementation of

appropriate professional growth and mandatory improvement plans, the process for contract nonrenewal, and the dismissal process under ~~G.S. 115C-325.~~Part 3 of Article 22 of this Chapter. The Board of Governors shall ensure that the subject matter of the training programs is incorporated into the masters in school administration programs offered by the constituent institutions. The State Board, in collaboration with the Board of Governors, also shall develop in-service programs for licensed public school employees that may be included in a mandatory improvement plan created under G.S. 115C-333(b) or G.S. 115C-333.1(b). The Board of Governors shall use the professional development programs for public school employees that are under its authority to make this training available at locations that are geographically convenient to local school administrative units."

SECTION 14.(s) Article 23 of Chapter 115C of the General Statutes is amended by adding a new section to read:

"**§ 115C-344. Employment benefits for exchange teachers.**

An exchange teacher is a nonimmigrant alien teacher participating in an exchange visitor program designated by the United States Department of State pursuant to 22 C.F.R. Part 62 or by the United States Department of Homeland Security pursuant to 8 C.F.R. Part 214.2(q). For purposes of determining eligibility to receive employment benefits under this Chapter, including personal leave, annual vacation leave, and sick leave, an exchange teacher shall be considered a permanent teacher if employed with the expectation of at least six full consecutive monthly pay periods of employment and if employed at least 20 hours per week. An exchange teacher is not a teacher for purposes of the Teachers' and State Employees' Retirement System of North Carolina as provided in G.S. 135-1(25)."

SECTION 14.(t) G.S. 115C-404(b) reads as rewritten:

"(b) Documents received under this section shall be used only to protect the safety of or to improve the education opportunities for the student or others. Information gained in accordance with G.S. 7B-3100 shall not be the sole basis for a decision to suspend or expel a student. Upon receipt of each document, the principal shall share the document with those individuals who have (i) direct guidance, teaching, or supervisory responsibility for the student, and (ii) a specific need to know in order to protect the safety of the student or others. Those individuals shall indicate in writing that they have read the document and that they agree to maintain its confidentiality. Failure to maintain the confidentiality of these documents as required by this section is grounds for the dismissal ~~of an employee who is not a career employee and is grounds for dismissal of an employee who is a career employee,~~ in accordance with ~~G.S. 115C-325(e)(1)i.~~G.S. 115C-325.4(a)(9)."

SECTION 14.(u) G.S. 143B-146.7(b) reads as rewritten:

"(b) At any time after the State Board identifies a school as low-performing under this Part, the ~~Secretary~~ State Board shall proceed under ~~G.S. 115C-325(p1)~~G.S. 115C-325.11 for the dismissal of certificated instructional personnel assigned to that school."

SECTION 14.(v) G.S. 143B-146.8 reads as rewritten:

"**§ 143B-146.8. Evaluation of ~~certificated~~ licensed personnel and principals; action plans; State Board notification.**

(a) Annual Evaluations; Low-Performing Schools. – The principal shall evaluate at least once each year all ~~certificated~~ licensed personnel assigned to a participating school that has been identified as low-performing but has not received an assistance team. The evaluation shall occur early enough during the school year to provide adequate time for the development and implementation of an action plan if one is recommended under subsection (b) of this section. If the employee is a teacher as defined under ~~G.S. 115C-325(a)(6),~~G.S. 115C-325.1(5), either the principal or an assessment team assigned under G.S. 143B-146.9 shall conduct the evaluation. If the employee is a school administrator as defined under G.S. 115C-287.1(a)(3), the Superintendent shall conduct the evaluation.

Notwithstanding this subsection or any other law, the principal shall observe at least three times annually, a teacher shall observe at least once annually, and the principal shall evaluate at least once annually, all teachers who have ~~not attained career status.~~been employed for less than three consecutive years. All other employees who have been employed for three or more years and are defined as teachers under ~~G.S. 115C-325(a)(6)~~G.S. 115C-325.1(5) who are assigned to participating schools that are not designated as low-performing shall be evaluated annually unless the Secretary adopts rules that allow specified categories of teachers with ~~career status~~three or more years of employment to be evaluated more or less frequently. The Secretary also may adopt rules requiring the annual evaluation of ~~noncertificated~~ nonlicensed personnel. This section shall not be construed to limit the duties and authority of an assistance team assigned to a low-performing school.

The Secretary shall use the State Board's performance standards and criteria unless the Secretary develops an alternative evaluation that is properly validated and that includes standards and criteria similar to those adopted by the State Board. All other provisions of this section shall apply if an evaluation is used other than one adopted by the State Board.

(b) Action Plans. – If a ~~certificated~~ licensed employee in a participating school that has been identified as low-performing receives an unsatisfactory or below standard rating on any function of the evaluation that is related to the employee's instructional duties, the individual or team that conducted the evaluation shall recommend to the principal that: (i) the employee receive an action plan designed to improve the employee's performance; (ii) the employee's contract not be recommended for renewal, or (iii) if the employee engages in inappropriate conduct or performs inadequately to such a degree that such conduct or performance causes substantial harm to the educational environment that a proceeding for immediate dismissal or demotion be instituted. ~~or (ii) the principal recommend to the Secretary that the employee be dismissed or demoted.~~ The principal shall determine whether to develop an action ~~plan~~plan, to not recommend renewal of the employee's contract, or to recommend a dismissal proceeding. The person who evaluated the employee or the employee's supervisor shall develop the action plan unless an assistance team or assessment team conducted the evaluation. If an assistance team or assessment team conducted the evaluation, that team shall develop the action plan in collaboration with the employee's supervisor. Action plans shall be designed to be completed within 90 instructional days or before the beginning of the next school year. The State Board, in consultation with the Secretary, shall develop guidelines that include strategies to assist in evaluating ~~certificated~~ licensed personnel and developing effective action plans within the time allotted under this section. The Secretary may adopt policies for the development and implementation of action plans or professional development plans for personnel who do not require action plans under this section.

(c) Reevaluation. – Upon completion of an action plan under subsection (b) of this section, the principal or the assessment team shall evaluate the employee a second time. If on the second evaluation the employee receives one unsatisfactory or more than one below standard rating on any function that is related to the employee's instructional duties, the principal shall recommend that the employee's contract not be renewed, or if the employee engages in inappropriate conduct or performs inadequately to such a degree that such conduct or performance causes substantial harm to the educational environment, that the employee be dismissed or demoted under ~~G.S. 115C-325.~~G.S. 115C-325.4. The results of the second evaluation shall constitute substantial evidence of the employee's inadequate performance.

(d) State Board Notification. – If the Secretary dismisses an employee for cause or elects to not renew an employee's contract as a result of a superintendent's recommendation under subsection (b) or (c) of this section, ~~any reason except a reduction in force under G.S. 115C-325(e)(1)l.,~~ the Secretary shall notify the State Board of the action, and the State Board annually shall provide to all local boards of education the names of those individuals. If

a local board hires one of these individuals, that local board shall proceed under G.S. 115C-333(d).

...."

SECTION 14.(w) Notwithstanding the requirements for terms of contracts in G.S. 115C-325.3, for the 2012-2013 school year all teachers shall be employed on a contract for a term of one year. This section becomes effective July 1, 2012, and applies to all school employees employed on or after that date.

PART XV. ELIMINATION OF PUBLIC FINANCING FOR SUPERINTENDENT OF PUBLIC INSTRUCTION

SECTION 15.(a) G.S. 163-278.95 reads as rewritten:

"**§ 163-278.95. Purpose and establishment of Voter-Owned Elections Act.**

The purpose of this Article is to ensure the vitality and fairness of democratic elections in North Carolina to the end that any eligible citizen of this State can realistically choose to seek and run for public office. It is also the purpose of this Article to protect the constitutional rights of voters and candidates from the detrimental effects of increasingly large amounts of money being raised and spent in North Carolina to influence the outcome of elections. It is essential to the public interest that the potential for corruption or the appearance of corruption is minimized and that the equal and meaningful participation of all citizens in the democratic process is ensured. Accordingly, this Article establishes the North Carolina Voter-Owned Elections Fund as an alternative source of campaign financing for candidates who obtain a sufficient number of qualifying contributions from registered voters and who voluntarily accept strict fund-raising and spending limits. This Article is available to candidates for the Council of State offices of ~~Auditor, Superintendent of Public Instruction,~~Auditor and Commissioner of Insurance in elections to be held in 2008 and thereafter."

SECTION 15.(b) G.S. 163-278.96(12) reads as rewritten:

"(12) Office. – The Council of State offices of ~~Auditor, Superintendent of Public Instruction,~~ Auditor and Commissioner of Insurance."

SECTION 15.(c) Within five business days of the effective day of this act, the State Board of Elections shall notify any individual who is a candidate for Superintendent of Public Instruction and who has filed a declaration of intent to participate in the program for public financing through the North Carolina Voter-Owned Elections Fund that the candidate is no longer eligible to participate in the program.

SECTION 15.(d) This section is effective when it becomes law and applies to elections held on or after that date.

PART XVI. EFFECTIVE DATE

SECTION 16. Except as otherwise provided, this act is effective when it becomes law.

GENERAL ASSEMBLY OF NORTH CAROLINA
SESSION 2011

S D

SENATE BILL 795
Education/Higher Education Committee Substitute Adopted 5/29/12
PROPOSED COMMITTEE SUBSTITUTE S795-PCS35358-TC-39

Short Title: Excellent Public Schools Act. (Public)

Sponsors:

Referred to:

April 25, 2012

A BILL TO BE ENTITLED

AN ACT TO MAKE CHANGES TO IMPROVE K-3 LITERACY; PROVIDE LITERACY VOLUNTEER LEAVE TIME; ASSIGN SCHOOL PERFORMANCE GRADES; MAXIMIZE INSTRUCTIONAL TIME; ADJUST SCHOOL CALENDAR; FUND FIVE ADDITIONAL INSTRUCTIONAL DAYS WITHIN THE EXISTING SCHOOL CALENDAR; ESTABLISH AN NC TEACHER CORPS; STRENGTHEN TEACHER LICENSURE REQUIREMENTS; PROVIDE PROOF OF STATE-FUNDED LIABILITY INSURANCE; ESTABLISH PLANS FOR PAY FOR EXCELLENCE; CLARIFY NC PRE-K PROGRAM ELIGIBILITY AND ADD SLOTS; REPEAL PROHIBITION ON TEACHER PREPAYMENT; PROVIDE A TAX DEDUCTION FOR EDUCATIONAL SUPPLIES; ESTABLISH TEACHER CONTRACTS; AND ELIMINATE PUBLIC FINANCING FOR THE OFFICE OF SUPERINTENDENT OF PUBLIC INSTRUCTION.

The General Assembly of North Carolina enacts:

PART I. IMPROVE K-3 LITERACY

SECTION 1.(a) G.S. 115C-81.2 is repealed.

SECTION 1.(b) Article 8 of Chapter 115C of the General Statutes is amended by adding a new Part to read:

"Part 1A. North Carolina Read to Achieve Program.

"**§ 115C-83.1A. State goal.**

The goal of the State is to ensure that every student read at or above grade level by the end of third grade and continue to progress in reading proficiency so that he or she can read, comprehend, integrate, and apply complex texts needed for secondary education and career success.

"**§ 115C-83.1B. Purposes.**

(a) The purposes of this Part are to ensure that (i) difficulty with reading development is identified as early as possible; (ii) students receive appropriate instructional and support services to address difficulty with reading development and to remediate reading deficiencies; and (iii) each student and his or her parent or guardian be continuously informed of the student's academic needs and progress.

(b) In addition to the purposes listed in subsection (a) of this section, the purpose of this Part is to determine that progression from one grade to another be based, in part, upon proficiency in reading.

"**§ 115C-83.1C. Definitions.**

The following definitions apply in this Part:

(1) "Accelerated reading class" means a class where focused instructional supports and services are provided to increase a student's reading level at least two grades in one school year.

(2) "Alternative assessment" means a valid and reliable standardized assessment of reading comprehension, approved by the State Board of Education, that is not the same test as the State approved standardized test of reading comprehension administered to third grade students.

(3) "Instructional supports and services" mean intentional strategies used with a majority of students to facilitate reading development and remediate emerging difficulty with reading development. Instructional supports and services include, but are not limited to, small group instruction, reduced teacher-student ratios, frequent progress monitoring, and extended learning time.

(4) "Difficulty with reading development" means not demonstrating appropriate developmental abilities in any of the major reading areas, including, but not limited to, oral language, phonological or phonemic awareness, vocabulary, fluency, or comprehension, according to observation-based, diagnostic, or formative assessments.

(5) "Reading interventions" mean evidence-based strategies frequently used to remediate reading deficiencies and include, but are not limited to, individual instruction, tutoring, or mentoring that target specific reading skills and abilities.

(6) "Reading proficiency" means reading at or above the third grade level by the end of a student's third grade year, demonstrated by the results of the State-approved standardized test of reading comprehension administered to third grade students.

(7) "Reading deficiency" means not reading at the third grade level by the end of the student's third grade year, demonstrated by the results of the State-approved standardized test of reading comprehension administered to third grade students.

(8) "Student reading portfolio" means a compilation of independently produced student work selected by the student's teacher, and signed by the teacher and principal, as an accurate picture of the student's reading ability. The student reading portfolio shall include an organized collection of evidence of the student's mastery of the State's reading standards that are assessed by the State-approved standardized test of reading comprehension administered to third grade students. For each benchmark, there shall be three examples of student work demonstrating mastery by a grade of seventy percent (70%) or above.

(9) "Summer reading camp" means an additional educational program outside of the instructional calendar provided by the local school administrative unit to any student who does not demonstrate reading proficiency. Parents or guardians of the student not demonstrating reading proficiency shall make the final decision regarding the student's summer camp attendance. Summer camps shall (i) be six to eight weeks long, four or five days per week; (ii) include at least three hours of instructional time per day; (iii) be taught by

compensated, licensed teachers selected based on demonstrated student outcomes in reading proficiency; and (iv) allow volunteer mentors to read with students.

(10) "Transitional third and fourth class combination" means a classroom specifically designed to produce learning gains sufficient to meet fourth grade performance standards while continuing to remediate areas of reading deficiency.

"**§ 115C-83.1D. Comprehensive plan for reading achievement.**

(a) The State Board of Education shall develop, implement, and continuously evaluate a comprehensive plan to improve reading achievement in the public schools. The plan shall be based on reading instructional practices with strong evidence of effectiveness in current empirical research in reading development. The plan shall be developed with the active involvement of teachers, college and university educators, parents and guardians of students, and other interested parties. The plan shall, when appropriate to reflect research, include revision of the standard course of study or other curricular standards, revision of teacher licensure and renewal standards, and revision of teacher education program standards.

(b) The State Board of Education shall report biennially to the Joint Legislative Education Oversight Committee by October 1 of each even-numbered year on the implementation, evaluation, and revisions to the comprehensive plan for reading achievement and shall include recommendations for legislative changes to enable implementation of current empirical research in reading development.

"**§ 115C-83.1E. Developmental screening and kindergarten entry assessment.**

(a) The State Board of Education shall ensure that every student entering kindergarten shall be administered a developmental screening of early language, literacy, and math skills within 30 days of enrollment.

(b) The State Board of Education shall ensure that every student entering kindergarten shall complete a kindergarten entry assessment within 60 days of enrollment.

(c) The developmental screening instrument may be composed of subsections of the kindergarten entry assessment.

(d) The kindergarten entry assessment shall address the five essential domains of school readiness: language and literacy development, cognition and general knowledge, approaches toward learning, physical well-being and motor development, and social and emotional development.

(e) The kindergarten entry assessment shall be (i) administered at the classroom level in all local school administrative units; (ii) aligned to North Carolina's early learning and development standards and to the standard course of study; and (iii) reliable, valid, and appropriate for use with all children, including those with disabilities and those who are English language learners.

(f) The results of the developmental screening and the kindergarten entry assessment shall be used to inform the following:

(1) The status of children's learning at kindergarten entry.

(2) Instruction of each child.

(3) Efforts to reduce the achievement gap at kindergarten entry.

(4) Continuous improvement of the early childhood system.

"**§ 115C-83.1F. Facilitating early grade reading proficiency.**

(a) Kindergarten, first, second, and third grade students shall be assessed with valid, reliable, formative, and diagnostic reading assessments made available to local school administrative units by the State Board of Education pursuant to G.S. 115C-174.11(a). Difficulty with reading development identified through administration of formative and diagnostic assessments shall be addressed with instructional supports and services. To the greatest extent possible, kindergarten through third grade reading assessments shall yield data

that can be used with the Education Value Added Assessment System (EVAAS), or a compatible and comparable system approved by the State Board of Education, to analyze student data to identify root causes for difficulty with reading development and to determine actions to address them.

(b) Formative and diagnostic assessments and resultant instructional supports and services shall address oral language, phonological and phonemic awareness, phonics, vocabulary, fluency, and comprehension using developmentally appropriate practices.

(c) Local school administrative units are encouraged to partner with community organizations, businesses, and other groups to provide volunteers, mentors, or tutors to assist with the provision of instructional supports and services that enhance reading development and proficiency.

"**§ 115C-83.1G. Elimination of social promotion.**

(a) The State Board of Education shall require that a student be retained in the third grade if the student fails to demonstrate reading proficiency appropriate for a third grade student, as demonstrated on a State-approved standardized test of reading comprehension administered to third grade students. The test may be re-administered once prior to the end of the school year.

(b) Students may be exempt from mandatory retention in third grade for good cause but shall continue to receive instructional supports and services and reading interventions appropriate for their age and reading level. Good cause exemptions shall be limited to the following:

(1) Limited English Proficient students with less than two years of instruction in an English as a Second Language program.

(2) Students with disabilities, as defined in G.S. 115C-106.3(1), whose individualized education program indicates the use of alternative assessments and reading interventions.

(3) Students who demonstrate reading proficiency appropriate for third grade students on an alternative assessment approved by the State Board of Education. Teachers may administer the alternative assessment following the administration of the State-approved standardized test of reading comprehension typically given to third grade students at the end of the school year, or after a student's participation in the local school administrative unit's summer reading camp.

(4) Students who demonstrate, through a student reading portfolio, reading proficiency appropriate for third grade students. Teachers may submit the student reading portfolio at the end of the school year, or after a student's participation in the local school administrative unit's summer reading camp. The student reading portfolio and review process shall be established by the State Board of Education.

(5) Students who have (i) received reading intervention and (ii) previously been retained more than once in kindergarten, first, second, or third grades.

(c) The superintendent shall determine whether a student may be exempt from mandatory retention on the basis of a good cause exemption. The following steps shall be taken in making the determination:

(1) The teacher of a student eligible for a good cause exemption shall submit documentation of the relevant exemption and evidence that promotion of the student is appropriate based on the student's academic record to the principal. Such evidence shall be limited to the student's personal education plan, individual education program, if applicable, alternative assessment, or student reading portfolio.

(2) The principal shall review the documentation and make an initial determination whether the student should be promoted. If the principal determines the student should be promoted, the principal shall make a written recommendation of promotion to the superintendent for final determination. The superintendent's acceptance or rejection of the recommendation shall be in writing.

"**§ 115C-83.1H. Successful reading development for retained students.**

(a) Students not demonstrating reading proficiency shall be enrolled in a summer reading camp provided by the local school administrative unit prior to being retained. Students who demonstrate reading proficiency on an alternative assessment of reading comprehension or student reading portfolio after completing a summer reading camp shall be promoted to the fourth grade. Students who do not demonstrate reading proficiency on these measures after completing a summer reading camp shall be retained under G.S. 115C-83.1G(a) and provided with the instruction listed in subsection (b) of this section during the retained year.

(b) Students retained under G.S. 115C-83.1G(a) shall be provided with a teacher selected based on demonstrated student outcomes in reading proficiency and placed in an accelerated reading class or a transitional third and fourth grade class combination, as appropriate. Classroom instruction shall include at least 90 minutes of daily, uninterrupted, evidence-based reading instruction, not to include independent reading time, and other appropriate instructional supports and services and reading interventions.

(c) The State Board of Education shall establish a midyear promotion policy for any student retained under G.S. 115C-83.1G(a) who, by November 1, demonstrates reading proficiency through administration of the alternative assessment of reading comprehension, or student reading portfolio review.

(d) Parents or guardians of students who have been retained once under the provisions of G.S. 115C-83.1G(a) shall be provided with a plan for reading at home, including participation in shared and guided reading workshops for the parent or guardian, and outlined in a parental or guardian contract.

(e) Parents or guardians of students who have been retained twice under the provisions of G.S. 115C-83.1G(a) shall be offered supplemental tutoring for the retained student in evidence-based reading services outside the instructional day.

"**§ 115C-83.1I. Notification requirements to parents and guardians.**

(a) Parents or guardians shall be notified in writing, and in a timely manner, that the student shall be retained, unless he or she is exempt from mandatory retention for good cause, if the student is not demonstrating reading proficiency by the end of third grade. Parents or guardians shall receive this notice when a kindergarten, first, second or third grade student (i) is demonstrating difficulty with reading development; (ii) is not reading at grade level; or (iii) has a personal education plan under G.S. 115C-105.41.

(b) Parents or guardians of any student who is to be retained under the provisions of G.S. 115C-83.1G(a) shall be notified in writing of the reason the student is not eligible for a good cause exemption as provided in G.S. 115C-83.1G(b). Written notification shall also include a description of proposed reading interventions that will be provided to the student to remediate identified areas of reading deficiency.

(c) Parents or guardians of students retained under G.S. 115C-83.1G(a) shall receive at least monthly written reports on student progress towards reading proficiency. The evaluation of the student's progress shall be based upon the student's classroom work, observations, tests, assessments, and other relevant information.

(d) Teachers and principals shall provide opportunities to discuss with parents and guardians the notifications listed in this section.

"**§ 115C-83.1J. Accountability measures.**

(a) Each local board of education shall publish annually on a Web site maintained by that local school administrative unit and report in writing to the State Board of Education by September 1 of each year the following information on the prior school year:

(1) The number and percentage of third grade students demonstrating and not demonstrating reading proficiency on the State-approved standardized test of reading comprehension administered to third grade students.

(2) The number and percentage of third grade students who take and pass the alternative assessment of reading comprehension.

(3) The number and percentage of third grade students retained for not demonstrating reading proficiency.

(4) The number and percentage of third grade students exempt from mandatory third grade retention by category of exemption as listed in G.S. 115C-83.1G(b).

(b) Each local board of education shall report annually in writing to the State Board of Education by September 1 of each year a description of all reading interventions provided to students who have been retained under G.S. 115C-83.1G(a).

(c) The State Board of Education shall establish a uniform format for local boards of education to report the required information listed in subsections (a) and (b) of this section and shall provide the format to local boards of education no later than 90 days prior to the annual due date. The State Board of Education shall compile annually this information and submit a State-level summary to the Governor, the President Pro Tempore of the Senate, the Speaker of the House of Representatives, and the Joint Legislative Education Oversight Committee by October 1 of each year, beginning with the 2014-2015 school year.

(d) The State Board of Education and the Department of Public Instruction shall provide technical assistance as needed to aid local school administrative units to implement all provisions of this Part."

SECTION 1.(c) G.S. 115C-105.27(b)(1a) is repealed.

SECTION 1.(d) G.S. 115C-105.41 reads as rewritten:

"**§ 115C-105.41. Students who have been placed at risk of academic failure; personal education plans.**

In order to implement Part 1A of Article 8 of this Chapter, ~~Local~~ local school administrative units shall identify students who are at risk for academic failure and who are not successfully progressing toward grade promotion and graduation, beginning ~~no later than the fourth grade.~~ in kindergarten. Identification shall occur as early as can reasonably be done and can be based on grades; observations, diagnostic and formative assessments, State assessments, and other factors, including reading on grade level, that impact student performance that teachers and administrators consider appropriate, without having to await the results of end-of-grade or end-of-course tests. No later than the end of the first quarter, or after a teacher has had up to nine weeks of instructional time with a student, a personal education plan for academic improvement with focused intervention and performance benchmarks shall be developed or updated for any student at risk of academic failure who is not performing at least at grade level, as identified by the State end-of-grade test and other factors noted above. Focused instructional supports and services, reading ~~intervention~~ interventions and accelerated activities should include ~~research-based best~~ evidence-based practices that meet the needs of students and may include coaching, mentoring, tutoring, summer school, Saturday school, and extended days. Local school administrative units shall provide these activities free of charge to students. Local school administrative units shall also provide transportation free of charge to all students for whom transportation is necessary for participation in these activities.

Local school administrative units shall give notice of the personal education plan and a copy of the personal education plan to the student's parent or guardian. Parents should be included in the implementation and ongoing review of personal education plans.

Local school administrative units shall certify that they have complied with this section annually to the State Board of Education. The State Board of Education shall periodically review data on the progress of identified students and report to the Joint Legislative Education Oversight Committee.

No cause of action for monetary damages shall arise from the failure to provide or implement a personal education plan under this section."

SECTION 1.(e) G.S. 115C-174.11(a) reads as rewritten:

"(a) Assessment Instruments for ~~First and Second Grades.~~Kindergarten, First, Second, and Third Grades. – The State Board of Education shall ~~adopt~~ develop, adopt, and provide to the local school administrative units developmentally appropriate individualized assessment instruments consistent with the Basic Education Program and Part 1A of Article 8 of this Chapter for the ~~first and second grades, rather than standardized tests.~~ kindergarten, first, second, and third grades. Local school administrative units ~~may~~ shall use these assessment instruments provided to them by the State Board for ~~first and second grade students,~~ kindergarten, first, second, and third grade students to assess progress, diagnose difficulties, and to inform instruction and remediation needs. ~~and~~ Local school administrative units shall not use standardized tests for summative assessment of kindergarten, first, and second grade students except as required as a condition of receiving federal grants."

SECTION 1.(f) G.S. 115C-238.29F is amended by adding a new subsection to read:

"(d1) Reading Proficiency and Student Promotion. –

(1) Students in the third grade shall be retained if the student fails to demonstrate reading proficiency by reading at or above the third grade level as demonstrated by the results of the State-approved standardized test of reading comprehension administered to third grade students. The charter school shall provide reading interventions to retained students to remediate reading deficiency, which may include 90 minutes of daily, uninterrupted, evidence-based reading instruction, accelerated reading classes, transition classes containing third and fourth grade students, and summer reading camps.

(2) Students may be exempt from mandatory retention in third grade for good cause but shall continue to receive instructional supports and services and reading interventions appropriate for their age and reading level. Good cause exemptions shall be limited to the following:

a. Limited English Proficient students with less than two years of instruction in an English as a Second Language program.

b. Students with disabilities, as defined in G.S. 115C-106.3(1), whose individualized education program indicates the use of alternative assessments and reading interventions.

c. Students who demonstrate reading proficiency appropriate for third grade students on an alternative assessment of reading comprehension. The charter school shall notify the State Board of Education of the alternative assessment used to demonstrate reading proficiency.

d. Students who demonstrate, through a student reading portfolio, reading proficiency appropriate for third grade students.

e. Students who have (i) received reading intervention and (ii) previously been retained more than once in kindergarten, first, second, or third grades.

(3) The charter school shall provide notice to parents and guardians when a student is not reading at grade level. The notice shall state that if the

student's reading deficiency is not remediated by the end of third grade, the student shall be retained unless he or she is exempt from mandatory retention for good cause. Notice shall also be provided to parents and guardians of any student who is to be retained under this subsection of the reason the student is not eligible for a good cause exemption, as well as a description of proposed reading interventions that will be provided to the student to remediate identified areas of reading deficiency.

(4) The charter school shall annually publish on the charter school's Web site and report in writing to the State Board of Education by September 1 of each year the following information on the prior school year:

a. The number and percentage of third grade students demonstrating and not demonstrating reading proficiency on the State-approved standardized test of reading comprehension administered to third grade students.

b. The number and percentage of third grade students not demonstrating reading proficiency and who do not return to the charter school for the following school year.

c. The number and percentage of third grade students who take and pass the alternative assessment of reading comprehension.

d. The number and percentage of third grade students retained for not demonstrating reading proficiency.

e. The number and percentage of third grade students exempt from mandatory third grade retention by category of exemption as listed in subdivision (2) of this subsection."

SECTION 1.(g) G.S. 115C-288(a) reads as rewritten:

"(a) To Grade and Classify Pupils. – The principal shall have authority to grade and classify ~~pupils~~pupils, except as provided in G.S. 115C-83.1G(a). In determining the appropriate grade for a pupil who is already attending a public school, the principal shall consider the pupil's classroom work and grades, the pupil's scores on standardized tests, and the best educational interests of the pupil. The principal shall not make the decision solely on the basis of standardized test scores. If a principal's decision to retain a child in the same grade is partially based on the pupil's scores on standardized tests, those test scores shall be verified as accurate.

A principal shall not require additional testing of a student entering a public school from a school governed under Article 39 of this Chapter if test scores from a nationally standardized test or nationally standardized equivalent measure that are adequate to determine the appropriate placement of the child are available."

SECTION 1.(h) G.S. 130A-440(b) reads as rewritten:

"(b) A health assessment shall include a medical history and physical examination with screening for vision and hearing and, if appropriate, testing for anemia and tuberculosis. Vision screening shall be conducted in accordance with G.S. 130A-440.1. The health assessment may also include dental screening and developmental screening for cognition, language, and motor function. The developmental screening of cognition and language abilities may be conducted in accordance with G.S. 115C-83.1E(a)."

SECTION 1.(i) There is appropriated from the General Fund to the Department of Public Instruction the sum of thirty-three million nine hundred fourteen thousand five hundred three dollars ($33,914,503) for the 2012-2013 fiscal year to implement the requirements of this section. It is the intent of the General Assembly to increase this appropriation for the 2013-2014 fiscal year to implement additional requirements in that fiscal year.

SECTION 1.(j) This section is effective when it becomes law and applies beginning with the 2013-2014 school year. The developmental screening and kindergarten

entry assessment required by this section shall be administered beginning with the 2014-2015 school year

PART II. STATE EMPLOYEE LITERACY VOLUNTEER LEAVE TIME

SECTION 2.(a) G.S. 126-4 reads as rewritten:

"**§ 126-4. Powers and duties of State Personnel Commission.**

Subject to the approval of the Governor, the State Personnel Commission shall establish policies and rules governing each of the following:

...

(5b) A leave program that allows employees to volunteer in a literacy program in a public school for up to five hours each month.

...."

SECTION 2.(b) This section is effective when it becomes law.

PART III. SCHOOL PERFORMANCE GRADES

SECTION 3.(a) G.S. 115C-12(9)c1. reads as rewritten:

"c1. To issue an annual "report card" for the State and for each local school administrative unit, assessing each unit's efforts to improve student performance based on the growth in performance of the students in each school and taking into account progress over the previous years' level of performance and the State's performance in comparison with other states. This assessment shall take into account factors that have been shown to affect student performance and that the State Board considers relevant to assess the State's efforts to improve student performance. As a part of the annual "report card" for each local school administrative unit, the State Board shall award an overall numerical school performance score on a scale of zero to 100 and a corresponding letter grade of A, B, C, D, or F earned by each school within the local school administrative unit. The school performance score and grade shall reflect student performance on annual subject-specific assessments, college and workplace readiness measures, and graduation rates. For schools serving students in any grade from kindergarten to eighth grade, separate performance scores and grades shall also be awarded based on the school performance in reading and mathematics respectively. The annual "report card" for schools serving students in third grade also shall include the number and percentage of third grade students who (i) take and pass the alternative assessment of reading comprehension; (ii) were retained in third grade for not demonstrating reading proficiency as indicated in G.S. 115C-83.1G(a); and (iii) were exempt from mandatory third grade retention by category of exemption as listed in G.S. 115C-83.1G(b)."

SECTION 3.(b) G.S. 115C-47(58) reads as rewritten:

"(58) To Inform the Public About the North Carolina School Report Cards Issued by the State Board of Education. – Each local board of education shall ensure that the report card issued for it by the State Board of Education receives wide distribution to the local press or ~~otherwise.~~is otherwise provided to the public. Each local board of education shall ensure that the overall school performance score and grade earned by each school in the local school administrative unit for the current and previous four school years is prominently displayed on the Web site of the local school

administrative unit. If any school in the local school administrative unit is awarded a grade of D or F, the local board of education shall provide notice of the grade in writing to the parent or guardian of all students enrolled in that school."

SECTION 3.(c) G.S. 115C-238.29F is amended by adding a new subsection to read:

"(l) North Carolina School Report Cards. – A charter school shall ensure that the report card issued for it by the State Board of Education receives wide distribution to the local press or is otherwise provided to the public. A charter school shall ensure that the overall school performance score and grade earned by the charter school for the current and previous four school years is prominently displayed on the school Web site. If a charter school is awarded a grade of D or F, the charter school shall provide notice of the grade in writing to the parent or guardian of all students enrolled in that school."

SECTION 3.(d) G.S. 115C-238.66 is amended by adding a new subdivision to read:

"(11) North Carolina School Report Cards. – A regional school shall ensure that the report card issued for it by the State Board of Education receives wide distribution to the local press or is otherwise provided to the public. A regional school shall ensure that the overall school performance score and grade earned by the regional school for the current and previous four school years is prominently displayed on the school Web site. If a regional school is awarded a grade of D or F, the regional school shall provide notice of the grade in writing to the parent or guardian of all students enrolled in that school."

SECTION 3.(e) The State Board of Education shall award school performance scores and grades as required by G.S. 115C-12(9)c1. as follows:

(1) The State Board of Education shall calculate school performance scores by totaling the sum of points earned by the school and converting the sum of points to a 100-point scale. Subsections (2) and (3) of this section provide the school performance elements for schools serving students in kindergarten through eighth grade. Subsection (4) of this section provides the school performance elements for schools serving grades nine through twelve. The school performance score shall be used to determine the school performance grade based on the following scale:
   a. At least 90 performance grade points for an overall school performance grade of A.
   b. At least 80 performance grade points for an overall school performance grade of B.
   c. At least 70 performance grade points for an overall school performance grade of C.
   d. At least 60 performance grade points for an overall school performance grade of D.
   e. A school that accumulates less than 60 points shall be assigned an overall school performance grade of F.

(2) For schools serving students in kindergarten through eighth grade the overall school performance score shall be calculated based on the sum of three school performance elements.
   a. The score shall be calculated as follows:
      1. One point for each percent of students who score at or above proficient on annual assessments for mathematics in grades three through eight.

2. One point for each percent of students who score at or above proficient on annual assessments for reading in grades three through eight.
3. One point for each percent of students who score at or above proficient on annual assessments for science in grades five and eight.

(3) For schools serving students in kindergarten through eighth grade, the school performance scores in reading and mathematics, respectively, shall be earned as follows:
a. The literacy school performance score shall be based on the percent of students who score at or above proficient on annual assessments for reading assessments in grades three through eight.
b. The mathematics school performance score shall be based on the percent of students who score at or above proficient on annual assessments for mathematics in grades three through eight.

(4) The school performance score earned by schools serving students in ninth through twelfth grades shall be calculated based on the sum of seven school performance elements.
a. The score shall be calculated as follows:
1. One point for each percent of students who score at or above proficient on annual assessments for mathematics.
2. One point for each percent of students who score at or above proficient on annual assessments for English.
3. One point for each percent of students who score at or above proficient on annual assessments for biology.
4. One point for each percent of students who complete a higher-level mathematics class with a passing grade.
5. One point for each percent of students who score at or above a level demonstrating college readiness on a nationally normed test of college readiness.
6. One point for each percent of students who graduate within four years of entering high school.
7. One point for each percent of students who demonstrate workplace readiness on a nationally normed test of workplace readiness.

(5) In calculating the overall school performance score earned by schools, the State Board of Education shall proportionally adjust the scale to account for the absence of a school performance element for award of scores to a school that does not have a measure of one of the school performance elements annually assessed for the grades taught at that school.

(6) The State Board of Education shall report to the Joint Legislative Education Oversight Committee annually by January 15 on recommended adjustments to the school performance grade elements and scales for award of scores and grades.

SECTION 3.(f) This section is effective when it becomes law and applies beginning with the 2012-2013 school year.

PART IV. MAXIMIZE INSTRUCTIONAL TIME

SECTION 4.(a) G.S. 115C-174.12(a) reads as rewritten:

"(a) The State Board of Education shall establish policies and guidelines necessary for minimizing the time students spend taking tests administered through State and local testing

programs, for minimizing the frequency of field testing at any one school, and for otherwise carrying out the provisions of this Article. These policies and guidelines shall include the following:

(1) Schools shall devote no more than two days of instructional time per year to the taking of practice tests that do not have the primary purpose of assessing current student learning;

(2) Students in a school shall not be subject to field tests or national tests during the two-week period preceding the administration of end-of-grade tests, end-of-course tests, or the school's regularly scheduled final exams; and

(3) No school shall participate in more than two field tests at any one grade level during a school ~~year unless that school volunteers, through a vote of its school improvement team, to participate in an expanded number of field tests.~~year.

(4) All annual assessments of student achievement adopted by the State Board of Education pursuant to G.S. 115C-174.11(c)(1) and (3) and all final exams for courses shall be administered within the final 10 instructional days of the school year for year-long courses and within the final five instructional days of the semester for semester courses. Exceptions shall be permitted to accommodate a student's individualized education program and section 504 (29 U.S.C. § 794) plans, and for the administration of final exams for courses with national or international curriculums required to be held at designated times.

These policies shall reflect standard testing practices to insure reliability and validity of the sample testing. The results of the field tests shall be used in the final design of each test. The State Board of Education's policies regarding the testing of ~~children~~ students with disabilities shall (i) provide broad accommodations and alternate methods of assessment that are consistent with a ~~child's~~ student's individualized education program and section 504 (29 U.S.C. § 794) plans, (ii) prohibit the use of statewide tests as the sole determinant of decisions about a ~~child's~~student's graduation or promotion, and (iii) provide parents with information about the Statewide Testing Program and options for students with disabilities. The State Board shall report its proposed policies and proposed changes in policies to the Joint Legislative Education Oversight Committee prior to adoption.

The State Board of Education may appoint an Advisory Council on Testing to assist in carrying out its responsibilities under this Article."

SECTION 4.(b) This section is effective when it becomes law and applies beginning with the 2012-2013 school year.

PART V. ADJUSTMENTS TO SCHOOL CALENDAR

SECTION 5.(a) G.S. 115C-84.2 reads as rewritten:

"**§ 115C-84.2. School calendar.**

(a) School Calendar. – Each local board of education shall adopt a school calendar consisting of 215 days all of which shall fall within the fiscal year. A school calendar shall include the following:

(1) A minimum of 185 days ~~and~~ or 1,025 hours of instruction covering at least nine calendar months. The local board shall designate when the ~~185~~ instructional days shall occur. The number of instructional hours in an instructional day may vary according to local board policy and does not have to be uniform among the schools in the administrative unit. Local boards may approve school improvement plans that include days with varying amounts of instructional time. If school is closed early due to inclement weather, the day and the scheduled amount of instructional hours may count

towards the required minimum to the extent allowed by State Board policy. The school calendar shall include a plan for making up days and instructional hours missed when schools are not opened due to inclement weather.

...

(4a) Three days, as designated by the local board, for use as teacher workdays. These days shall be protected to allow teachers to complete instructional and classroom administrative duties. The local school administrative unit shall not impose any additional tasks on these days. The local board shall schedule at least one of these days at the beginning of the school year and at least one at the end of the school year.

(5) The remaining days scheduled by the local board in consultation with each school's principal for use as teacher workdays, additional instructional days, or other lawful purposes. Before consulting with the local board, each principal shall work with the school improvement team to determine the days to be scheduled and the purposes for which they should be scheduled. Days may be scheduled and planned for different purposes for different personnel and there is no requirement to schedule the same dates for all personnel. In order to make up days for school closing because of inclement weather, the local board may designate any of the days in this subdivision as additional make-up days to be scheduled after the last day of student attendance.

~~If the State Board of Education finds that it will enhance student performance to do so, the State Board may grant a local board of education a waiver to use up to five of the instructional days required by subdivision (1) of this subsection as teacher workdays. For each instructional day waived, the State Board shall waive an equivalent number of instructional hours.~~

Local boards and individual schools are encouraged to use the calendar flexibility in order to meet the annual performance standards set by the State Board. Local boards of education shall consult with parents and the employed public school personnel in the development of the school calendar.

Local boards shall designate at least two days scheduled under subdivision (5) of this subsection as days on which teachers may take accumulated vacation leave. Local boards may designate the remaining days scheduled in subdivision (5) of this subsection as days on which teachers may take accumulated vacation leave, but local boards shall give teachers at least 14 calendar days' notice before requiring a teacher to work instead of taking vacation leave on any of these days. A teacher may elect to waive this notice requirement for one or more of these days.

...

(d) Opening and Closing Dates. – Local boards of education shall determine the dates of opening and closing the public schools under subdivision (a)(1) of this section. Except for year-round schools, the opening date for students shall ~~not be before August 25,~~be no earlier than the Monday closest to August 26, and the closing date for students shall ~~not be after June 10.~~be no later than the Friday closest to June 11. On a showing of good cause, the State Board of Education may waive ~~this requirement~~ the requirement that the opening date for students be no earlier than the Monday closest to August 26 and may allow the local board of education to set an opening date no earlier than the Monday closest to August 19, to the extent that school calendars are able to provide sufficient days to accommodate anticipated makeup days due to school closings. A local board may revise the scheduled closing date if necessary in order to comply with the minimum requirements for instructional days or instructional time. For purposes of this subsection, the term "good cause" means ~~either that:~~that schools in any local school administrative unit in a county have been closed eight days per year during any four of

the last 10 years because of severe weather conditions, energy shortages, power failures, or other emergency situations.

~~(1) Schools in any local school administrative unit in a county have been closed eight days per year during any four of the last 10 years because of severe weather conditions, energy shortages, power failures, or other emergency situations; or~~

~~(2) Schools in any local school administrative unit in a county have been closed for all or part of eight days per year during any four of the last 10 years because of severe weather conditions. For purposes of this subdivision, a school shall be deemed to be closed for part of a day if it is closed for two or more hours.~~

~~The State Board also may waive this requirement for an educational purpose. The term "educational purpose" means a local school administrative unit establishes a need to adopt a different calendar for (i) a specific school to accommodate a special program offered generally to the student body of that school, (ii) a school that primarily serves a special population of students, or (iii) a defined program within a school. The State Board may grant the waiver for an educational purpose for that specific school or defined program to the extent that the State Board finds that the educational purpose is reasonable, the accommodation is necessary to accomplish the educational purpose, and the request is not an attempt to circumvent the opening and closing dates set forth in this subsection. The waiver requests for educational purposes shall not be used to accommodate system-wide class scheduling preferences.~~

The required opening and closing dates under this subsection shall not apply to any school that a local board designated as having a modified calendar for the 2003-2004 school year or to any school that was part of a planned program in the 2003-2004 school year for a system of modified calendar schools, so long as the school operates under a modified calendar.

...."

SECTION 5.(b) G.S. 115C-238.29F(d)(1) reads as rewritten:

"(1) The school shall provide instruction each year for at least 185 ~~days.~~days or 1,025 hours over nine calendar months. ~~If the State Board of Education finds that it will enhance student performance to do so, the State Board may grant a charter school a waiver to use up to five of these instructional days as teacher workdays.~~"

SECTION 5.(c) G.S. 115C-238.53 is amended by adding a new subsection to read:

"(g) The requirements of G.S. 115C-84.2 shall not apply to a program approved under this Part, however, the program shall provide instruction each year for at least 185 days or 1,025 hours over nine calendar months."

SECTION 5.(d) G.S. 115C-238.66(1)d. reads as rewritten:

"d. The board of directors shall adopt a school calendar consisting of a minimum of 185 days or 1,025 hours of instruction covering at least nine calendar months."

SECTION 5.(e) This section is effective when it becomes law and applies beginning with the 2013-2014 school year.

PART VI. FUNDING FOR THE ADDITION OF FIVE INSTRUCTIONAL DAYS WITHIN THE EXISTING SCHOOL CALENDAR

SECTION 6.(a) To fully provide for the expansion of five additional instructional days in accordance with S.L. 2011-145, Section 7.29 for those days for which a local school administrative unit has not requested and received a waiver from the State Board of Education for the 2012-2013 school year:

(1) There is appropriated from the General Fund to the Department of Public Instruction the sum of forty thousand one hundred sixty-eight dollars ($40,168) for the 2012-2013 fiscal year to increase the amount appropriated for the noninstructional support personnel allotment.

(2) There is appropriated from the General Fund to the Department of Public Instruction the sum of three hundred fifty-one thousand four hundred sixty-nine dollars ($351,469) for the 2012-2013 fiscal year to increase the amount appropriated for the transportation allotment.

SECTION 6.(b) This section becomes effective July 1, 2012.

PART VII. ESTABLISH NC TEACHER CORPS

SECTION 7.(a) Article 20 of Chapter 115C of the General Statutes is amended by adding a new section to read:

"**§ 115C-296.7. North Carolina Teacher Corps.**

(a) There is established the North Carolina Teacher Corps (NC Teacher Corps) to recruit and place recent graduates of colleges and universities and mid-career professionals as teachers in high needs public schools.

(b) The State Board of Education, in consultation with the Board of Governors of The University of North Carolina and the North Carolina Independent Colleges and Universities, shall develop and administer the NC Teacher Corps. In the development of the NC Teacher Corps, the State Board of Education shall consider examples of other successful teacher recruitment models used nationally and in other states.

(c) Applications shall be received annually for admission to the NC Teacher Corps. The State Board of Education shall establish application criteria, including, at a minimum, an award of a bachelor's degree from an accredited college or university. The State Board of Education may establish a committee to annually evaluate and select candidates for admission to the NC Teacher Corps.

(d) The State Board of Education shall identify local school administrative units with unmet recruitment needs and high needs schools and shall coordinate placement of NC Teacher Corps members in those schools.

(e) The State Board of Education, in coordination with the Board of Governors, shall develop an intensive summer training institute for NC Teacher Corps members to provide coursework and training on essential teaching frameworks, curricula, and lesson planning skills, as well as identification and education of students with disabilities, positive management of student behavior, effective communication for defusing and deescalating disruptive and dangerous behavior, and safe and appropriate use of seclusion and restraint. The intensive summer training institute also shall address identification of difficulty with reading development and of reading deficiencies, and the provision of reading instruction, intervention, and remediation strategies.

(f) The State Board of Education, in coordination with the Board of Governors, shall provide ongoing support to NC Teaching Corps members through coaching, mentoring, and continued professional development.

(g) NC Teaching Corps members shall be granted lateral entry teaching licenses pursuant to G.S. 115C-296(c)."

SECTION 7.(b) This section is effective when it becomes law. The State Board of Education shall recruit and place an initial cohort of NC Teacher Corps members no later than the 2012-2013 school year.

PART VIII. STRENGTHEN TEACHER LICENSURE

SECTION 8.(a) G.S. 115C-296 reads as rewritten:

"§ 115C-296. Board sets licensure requirements; reports; lateral entry and mentor programs.

(a) The State Board of Education shall have entire control of licensing all applicants for teaching positions in all public elementary and high schools of North Carolina; and it shall prescribe the rules and regulations for the renewal and extension of all licenses and shall determine and fix the salary for each grade and type of license which it authorizes.

The State Board of Education may require an applicant for an initial bachelors degree certificate or graduate degree certificate to demonstrate the applicant's academic and professional preparation by achieving a prescribed minimum score on a standard examination appropriate and adequate for that purpose. Elementary Education (K-6) teachers shall also achieve a prescribed minimum score on subtests or standard examinations specific to teaching reading and mathematics. The State Board of Education shall permit an applicant to fulfill any such testing requirement before or during the applicant's second year of teaching provided the applicant took the examination at least once during the first year of teaching. The State Board of Education shall make any required standard initial licensure exam ~~sufficiently~~ rigorous and raise the prescribed minimum score as necessary to ensure that each applicant has ~~adequate~~ received high quality academic and professional preparation to ~~teach.~~teach effectively.

...

(b) It is the policy of the State of North Carolina to maintain the highest quality teacher education programs and school administrator programs in order to enhance the competence of professional personnel licensed in North Carolina. To the end that teacher preparation programs are upgraded to reflect a more rigorous course of study, the State Board of Education, as lead agency in coordination and cooperation with the University Board of Governors, the Board of Community Colleges and such other public and private agencies as are necessary, shall continue to refine the several licensure requirements, standards for approval of institutions of teacher education, standards for institution-based innovative and experimental programs, standards for implementing consortium-based teacher education, and standards for improved efficiencies in the administration of the approved programs. The licensure program shall provide for initial licensure after completion of preservice training, continuing licensure after three years of teaching experience, and license renewal every five years thereafter, until the retirement of the teacher. The last license renewal received prior to retirement shall remain in effect for five years after retirement. The licensure program shall also provide for lifetime licensure after 50 years of teaching.

The State Board of Education, as lead agency in coordination with the Board of Governors of The University of North Carolina and any other public and private agencies as necessary, shall continue to raise standards for entry into teacher education programs.

The State Board of Education, in consultation with local boards of education and the Board of Governors of The University of North Carolina, shall evaluate and modify, as necessary, the academic requirements for students preparing to teach science in middle and high schools to ensure that there is adequate preparation in issues related to science laboratory safety.

The State Board of Education, in consultation with the Board of Governors of The University of North Carolina, shall evaluate and develop enhanced requirements for continuing licensure. The new requirements shall reflect more rigorous standards for continuing licensure and to the extent possible shall be aligned with quality professional development programs that reflect State priorities for improving student achievement. Standards for continuing licensure shall include at least three continuing education credits related to literacy for elementary and middle school teachers. Literacy renewal credits shall include assessment, diagnosis, and intervention strategies for students not demonstrating reading proficiency. Oral language, phonemic and phonological awareness, phonics, vocabulary, fluency, and comprehension shall be addressed in literacy-related activities leading to certification renewal for elementary school teachers.

The State Board of Education, in consultation with local boards of education and the Board of Governors of The University of North Carolina, shall reevaluate and enhance the requirements for renewal of teacher licenses. The State Board shall consider modifications in the license renewal achievement and to make it a mechanism for teachers to renew continually their knowledge and professional skills. ~~The State Board shall adopt new standards for the renewal of teacher licenses by May 15, 1998.~~

The standards for approval of institutions of teacher education shall require that teacher education programs for all students include demonstrated competencies in (i) the identification and education of children with disabilities and (ii) positive management of student behavior and effective communication techniques for defusing and deescalating disruptive or dangerous behavior. The standards for approval of institutions of teacher education shall require that elementary teacher education programs include demonstrated competencies in (i) teaching of reading, including a substantive understanding of reading as a process involving oral language, phonological and phonemic awareness, phonics, fluency, vocabulary, and comprehension; (ii) evidence-based assessment and diagnosis of specific areas of difficulty with reading development and of reading deficiencies; and (iii) appropriate application of instructional supports and services and reading interventions to ensure reading proficiency for all students. The State Board of Education shall incorporate the criteria developed in accordance with G.S. 116-74.21 for assessing proposals under the School Administrator Training Program into its school administrator program approval standards.

All North Carolina institutions of higher education that offer teacher education programs, masters degree programs in education, or masters degree programs in school administration shall provide performance reports to the State Board of Education. The performance reports shall follow a common format, shall be submitted according to a plan developed by the State Board, and shall include the information required under the plan developed by the State Board.

...

(c) It is the policy of the State of North Carolina to encourage lateral entry into the profession of teaching by skilled individuals from the private sector. To this end, before the 1985-86 school year begins, the State Board of Education shall develop criteria and procedures to accomplish the employment of such individuals as classroom teachers. Beginning with the 2006-2007 school year, the criteria and procedures shall include preservice training in (i) the identification and education of children with disabilities and (ii) positive management of student behavior, effective communication for defusing and deescalating disruptive or dangerous behavior, and safe and appropriate use of seclusion and restraint. Skilled individuals who choose to enter the profession of teaching laterally may be granted a ~~provisional~~lateral entry teaching license for no more than three years and shall be required to obtain licensure before contracting for a fourth year of service with any local administrative unit in this State.

...."

SECTION 8.(b) This section is effective when it becomes law and applies beginning with the 2013-2014 school year.

PART IX. PROOF OF STATE-FUNDED LIABILITY INSURANCE

SECTION 9.(a) G.S. 115C-12 reads as rewritten:

"**§ 115C-12. Powers and duties of the Board generally.**

The general supervision and administration of the free public school system shall be vested in the State Board of Education. The State Board of Education shall establish policy for the system of free public schools, subject to laws enacted by the General Assembly. The powers and duties of the State Board of Education are defined as follows:

...

(9) Miscellaneous Powers and Duties. – All the powers and duties exercised by the State Board of Education shall be in conformity with the Constitution

and subject to such laws as may be enacted from time to time by the General Assembly. Among such duties are:

...

f. To annually notify public school employees of the availability and coverage of professional liability insurance.

...."

SECTION 9.(b) This section is effective when it becomes law and applies beginning with the 2012-2013 school year.

PART X. PAY FOR EXCELLENCE

SECTION 10.(a) Each local board of education shall develop a plan of performance pay for all licensed personnel employed by the local board. Under the performance pay plan, licensed employees should be eligible to receive bonuses or adjustments to base salary for meeting certain performance criteria. Criteria for award of bonuses or adjustments to base salary should include, but are not limited to, the following factors:

(1) Annual growth in student achievement of students assigned to a teacher's classroom, when applicable.

(2) Annual growth in student achievement of students assigned to a specific school.

(3) Assignment of additional academic responsibilities.

(4) Assignment to a hard-to-staff school.

(5) Assignment to a hard-to-staff subject area.

Local boards of education shall submit plans to the State Board of Education no later than March 1, 2013. The State Board of Education shall report on these plans and the achievement-based compensation models developed as part of the federal Race to the Top grant and shall submit the report and all plans to the Fiscal Research Division, the Joint Legislative Commission on Governmental Operations, and the respective Subcommittees on Education Appropriations of the Senate and House of Representatives no later than April 15, 2013. Members of the public may also submit plans for performance pay no later than April 15, 2013, to the Fiscal Research Division, the Joint Legislative Commission on Governmental Operations, and the respective Subcommittees on Education Appropriations of the Senate and House of Representatives.

SECTION 10.(b) This section is effective when it becomes law.

PART XI. CLARIFY NC PRE-K PROGRAM ELIGIBILITY

SECTION 11.(a) Section 10.7(f) of S.L. 2011-145 reads as rewritten:

"**SECTION 10.7.(f)** ~~The prekindergarten program may continue to serve at-risk children identified through the existing "child find" methods in which at-risk children are currently served within the Division of Child Development. The Division of Child Development shall serve at-risk children regardless of income. However, the total number of at-risk children served shall constitute no more than twenty percent (20%) of the four-year-olds served within the prekindergarten program. Any~~ The Division of Child Development and Early Education shall establish income eligibility requirements for the program not to exceed seventy-five percent (75%) of the State median income. Up to twenty percent (20%) of children enrolled may have family incomes in excess of seventy-five percent (75%) of median income if they have other designated risk factors. Furthermore, any age-eligible child who is a child of either of the following shall be eligible for the program: (i) an active duty member of the Armed Forces of the United States, including the North Carolina National Guard, State military forces, or a reserve component of the Armed Forces, who was ordered to active duty by the proper authority within the last 18 months or is expected to be ordered within the next 18 months or (ii) a member of the Armed Forces of the United States, including the North Carolina National

Guard, State military forces, or a reserve component of the Armed Forces, who was injured or killed while serving on active duty. Eligibility determinations for prekindergarten participants may continue through local education agencies and local North Carolina Partnership for Children, Inc., partnerships."

SECTION 11.(b) Section 10.7(h) of S.L. 2011-145 is repealed.

SECTION 11.(c) There is appropriated from the General Fund to the Department of Health and Human Services, Division of Child Development and Early Education, the sum of eleven million three hundred eight thousand three hundred sixty-three dollars ($11,308,363) for the 2012-2013 fiscal year to add 2,261 slots to be used in the NC Pre-K program.

SECTION 11.(d) This section is effective when it becomes law.

PART XII. REPEAL PROHIBITION ON TEACHER PREPAYMENT

SECTION 12.(a) Section 5 of S.L. 2011-379 is repealed.

SECTION 12.(b) This section becomes effective July 1, 2012.

PART XIII. TAX DEDUCTION FOR EDUCATIONAL SUPPLIES

SECTION 13.(a) G.S. 105-134.6(d) is amended by adding a new subdivision to read:

"(d) Other Adjustments. – The following adjustments to taxable income shall be made in calculating North Carolina taxable income:

...

(9) To the extent a deduction has not been claimed for educator expenses in determining federal adjusted gross income, an eligible educator may deduct an amount not to exceed two hundred fifty dollars ($250.00) paid or incurred in connection with items listed in this subdivision. For purposes of this subdivision, the term "eligible educator" has the same meaning as defined in section 62 of the Code, as it existed on December 31, 2011. In the case of a married couple filing a joint return where both spouses are eligible educators, the maximum dollar amount is five hundred dollars ($500.00).

a. Books.

b. Supplies, other than nonathletic supplies for courses of instruction in health or physical education.

c. Computer equipment, including related software and services.

d. Supplementary materials used by the eligible educator in the classroom."

SECTION 13.(b) This section becomes effective for taxable years beginning on or after January 1, 2012.

PART XIV. TEACHER CONTRACTS

SECTION 14.(a) G.S. 115C-325 is repealed.

SECTION 14.(b) Part 3 of Article 22 of Chapter 115C of the General Statutes is amended by adding new sections to read:

"**§ 115C-325.1. Definitions.**

As used in this Part, the following definitions apply:

(1) "Day" means calendar day. In computing any period of time, Rule 6 of the North Carolina Rules of Civil Procedure shall apply.

(2) "Demote" means to reduce the salary of a person who is classified or paid by the State Board of Education as a classroom teacher or as a school administrator. The word "demote" does not include (i) a suspension without pay pursuant to G.S. 115C-325.5(a); (ii) the elimination or reduction of bonus payments, including merit-based supplements, or a systemwide

modification in the amount of any applicable local supplement; or (iii) any reduction in salary that results from the elimination of a special duty, such as the duty of an athletic coach or a choral director.

(3) "Disciplinary suspension" means a final decision to suspend a teacher or school administrator without pay for no more than 60 days under G.S. 115C-325.5(b).

(4) "School administrator" means a principal, assistant principal, supervisor, or director whose major function includes the direct or indirect supervision of teaching or any other part of the instructional program as provided in G.S. 115C-287.1(a)(3).

(5) "Teacher" means a person meeting each of the following requirements:

a. Who holds at least one of the following licenses issued by the State Board of Education:

1. A current standard professional educator's license.

2. A current lateral entry teaching license.

3. A regular, not expired, vocational license.

b. Whose major responsibility is to teach or directly supervise teaching or who is classified by the State Board of Education or is paid either as a classroom teacher or instructional support personnel.

c. Who is employed to fill a full-time, permanent position.

"**§ 115C-325.2. Personnel files.**

(a) Maintenance of Personnel File. – The superintendent shall maintain in his or her office a personnel file for each teacher that contains any complaint, commendation, or suggestion for correction or improvement about the teacher's professional conduct, except that the superintendent may elect not to place in a teacher's file (i) a letter of complaint that contains invalid, irrelevant, outdated, or false information or (ii) a letter of complaint when there is no documentation of an attempt to resolve the issue. The complaint, commendation, or suggestion shall be signed by the person who makes it and shall be placed in the teacher's file only after five days' notice to the teacher. Any denial or explanation relating to such complaint, commendation, or suggestion that the teacher desires to make shall be placed in the file. Any teacher may petition the local board of education to remove any information from the teacher's personnel file that the teacher deems invalid, irrelevant, or outdated. The board may order the superintendent to remove said information if it finds the information is invalid, irrelevant, or outdated.

(b) Inspection of Personnel Files. – The personnel file shall be open for the teacher's inspection at all reasonable times but shall be open to other persons only in accordance with such rules and regulations as the board adopts. Any preemployment data or other information obtained about a teacher before the teacher's employment by the board may be kept in a file separate from the teacher's personnel file and need not be made available to the teacher. No data placed in the preemployment file may be introduced as evidence at a hearing on the dismissal or demotion of a teacher, except the data may be used to substantiate G.S. 115C-325.4(a)(7) or G.S. 115C-325.4(a)(14) as grounds for dismissal or demotion.

"**§ 115C-325.3. Teacher contracts.**

(a) Length of Contract. – A contract between the local board of education and a teacher who has been employed by the local board of education for less than three years shall be for a term of one school year. A contract or renewal of contract between the local board of education and a teacher who has been employed by the local board of education for three years or more shall be for a term of one, two, three, or four school years.

(b) Superintendent Recommendation to Local Board. – Local boards of education shall employ teachers upon the recommendation of the superintendent. If a superintendent intends to recommend to the local board of education that a teacher be offered a new or renewed contract,

the superintendent shall submit the recommendation to the local board for action and shall include in the recommendation the length of the term of contract. A superintendent shall only recommend a teacher for a contract of a term longer than one school year if the teacher has shown effectiveness as demonstrated on the teacher evaluation instrument. The local board may approve the superintendent's recommendation, may decide not to offer the teacher a new or renewed contract, or may decide to offer the teacher a renewed contract for a different term than recommended by the superintendent.

(c) Dismissal During Term of Contract. – A teacher shall not be dismissed or demoted during the term of the contract except for the grounds and by the procedure set forth in G.S. 115C-325.4.

(d) Recommendation on Nonrenewal. – If a superintendent decides not to recommend that the local board of education offer a renewed contract to a teacher, the superintendent shall give the teacher written notice of the decision no later than May 15.

(e) Right to Petition for Hearing. – A teacher shall have the right to petition the local board of education for a hearing no later than June 1. The local board may, in its discretion, grant a hearing regarding the superintendent's recommendation for nonrenewal. The local board of education shall notify the teacher making the petition of its decision whether to grant a hearing. If the request for a hearing is granted, the local board shall conduct a hearing pursuant to the provisions of G.S. 115C-45(c) and make a final decision on whether to offer the teacher a renewed contract. The board shall notify a teacher whose contract will not be renewed for the next school year of its decision by June 15; provided, however, if a teacher submits a request for a hearing, the board shall provide the nonrenewal notification by July 1 or such later date upon the written consent of the superintendent and teacher. A decision not to offer a teacher a renewed contract shall not be on any basis prohibited by State or federal law.

(f) Local boards of education and teachers employed by the local board may mutually modify the terms of the contract to permit part-time employment.

"**§ 115C-325.4. Dismissal or demotion for cause.**

(a) Grounds. – No teacher shall be dismissed or demoted or reduced to employment on a part-time basis for disciplinary reasons during the term of the contract except for one or more of the following:

(1) Inadequate performance. In determining whether the professional performance of a teacher is adequate, consideration shall be given to regular and special evaluation reports prepared in accordance with the published policy of the employing local school administrative unit and to any published standards of performance which shall have been adopted by the board. Inadequate performance for a teacher shall mean (i) the failure to perform at a proficient level on any standard of the evaluation instrument or (ii) otherwise performing in a manner that is below standard.

(2) Immorality.

(3) Insubordination.

(4) Neglect of duty.

(5) Physical or mental incapacity.

(6) Habitual or excessive use of alcohol or nonmedical use of a controlled substance as defined in Article 5 of Chapter 90 of the General Statutes.

(7) Conviction of a felony or a crime involving moral turpitude.

(8) Advocating the overthrow of the government of the United States or of the State of North Carolina by force, violence, or other unlawful means.

(9) Failure to fulfill the duties and responsibilities imposed upon teachers or school administrators by the General Statutes of this State.

(10) Failure to comply with such reasonable requirements as the board may prescribe.

(11) Any cause which constitutes grounds for the revocation of the teacher's teaching license or the school administrator's administrator license.

(12) Failure to maintain his or her license in a current status.

(13) Failure to repay money owed to the State in accordance with the provisions of Article 60 of Chapter 143 of the General Statutes.

(14) Providing false information or knowingly omitting a material fact on an application for employment or in response to a preemployment inquiry.

(b) Dismissal Procedure. – The procedures provided in G.S. 115C-325.6 shall be followed for dismissals, demotions, or reductions to part-time employment for disciplinary reasons for any reason specified in subsection (a) of this section.

"**§ 115C-325.5. Teacher suspension.**

(a) Immediate Suspension Without Pay. – If a superintendent believes that cause exists for dismissing a teacher for any reason specified in G.S. 115C-325.4 and that immediate suspension of the teacher is necessary, the superintendent may suspend the teacher without pay. Before suspending a teacher without pay, the superintendent shall meet with the teacher and give him or her written notice of the charges against the teacher, an explanation of the basis for the charges, and an opportunity to respond. Within five days after a suspension under this paragraph, the superintendent shall initiate a dismissal, demotion, or disciplinary suspension without pay as provided in this section. If it is finally determined that no grounds for dismissal, demotion, or disciplinary suspension without pay exist, the teacher shall be reinstated immediately, shall be paid for the period of suspension, and all records of the suspension shall be removed from the teacher's personnel file.

(b) Disciplinary Suspension Without Pay. – A teacher recommended for disciplinary suspension without pay may request a hearing before the board. If no request is made within 15 days, the superintendent may file his or her recommendation with the board. If, after considering the recommendation of the superintendent and the evidence adduced at the hearing if one is held, the board concludes that the grounds for the recommendation are true and substantiated by a preponderance of the evidence, the board, if it sees fit, may by resolution order such suspension.

(1) Board hearing for disciplinary suspensions for more than 10 days or for certain types of intentional misconduct. – The procedures for a board hearing under G.S. 115C-325.8 shall apply if any of the following circumstances exist:

a. The recommended disciplinary suspension without pay is for more than 10 days; or

b. The disciplinary suspension is for intentional misconduct, such as inappropriate sexual or physical conduct, immorality, insubordination, habitual or excessive alcohol or nonmedical use of a controlled substance as defined in Article 5 of Chapter 90 of the General Statutes, any cause that constitutes grounds for the revocation of the teacher's or school administrator's license, or providing false information.

(2) Board hearing for disciplinary suspensions of no more than 10 days. – The procedures for a board hearing under G.S. 115C-325.7 shall apply to all disciplinary suspensions of no more than 10 days that are not for intentional misconduct as specified in G.S. 115C-325.5(b)(1).

(c) Suspension with Pay. – If a superintendent believes that cause may exist for dismissing or demoting a teacher for any reasons specified in G.S. 115C-325.4 but that additional investigation of the facts is necessary and circumstances are such that the teacher should be removed immediately from the teacher's duties, the superintendent may suspend the teacher with pay for a reasonable period of time, not to exceed 90 days. The superintendent

shall notify the board of education within two days of the superintendent's action and shall notify the teacher within two days of the action and the reasons for it. If the superintendent has not initiated dismissal or demotion proceedings against the teacher within the 90-day period, the teacher shall be reinstated to the teacher's duties immediately and all records of the suspension with pay shall be removed from the teacher's personnel file at the teacher's request. However, if the superintendent and the teacher agree to extend the 90-day period, the superintendent may initiate dismissal or demotion proceedings against the teacher at any time during the period of the extension.

"**§ 115C-325.6. Procedure for dismissal or demotion of a teacher for cause.**

(a) Recommendation of Dismissal or Demotion. – A teacher may not be dismissed, demoted, or reduced to part-time employment for disciplinary reasons during the term of the contract except upon the superintendent's recommendation based on one or more of the grounds in G.S. 115C-325.4.

(b) Notice of Recommendation. – Before recommending to a board the dismissal or demotion of a teacher, the superintendent shall give written notice to the teacher by certified mail or personal delivery of the superintendent's intention to make such recommendation and shall set forth as part of the superintendent's recommendation the grounds upon which he or she believes such dismissal or demotion is justified. The superintendent also shall meet with the teacher and provide written notice of the charges against the teacher, an explanation of the basis for the charges, and an opportunity to respond if the teacher has not done so under G.S. 115C-325.5(a). The notice shall include a statement to the effect that the teacher, within 14 days after the date of receipt of the notice, may request a hearing before the board on the superintendent's recommendation. A copy of Part 3 of Article 22 of Chapter 115C shall also be sent to the teacher.

(c) Request for Hearing. – Within 14 days after receipt of the notice of recommendation, the teacher may file with the superintendent a written request for a hearing before the board on the superintendent's recommendation. The superintendent shall submit his or her recommendation to the board. Within five days after receiving the superintendent's recommendation and before taking any formal action, the board shall set a time and place for the hearing and shall notify the teacher by certified mail or personal delivery of the date, time, and place of the hearing. The time specified shall not be less than 10 nor more than 30 days after the board has notified the teacher, unless both parties agree to an extension. The hearing shall be conducted as provided in G.S. 115C-325.7.

(d) No Request for Hearing. – If the teacher does not request a hearing before the board within the 14 days provided, the superintendent may submit his or her recommendation to the board. The board, if it sees fit, may by resolution (i) reject the superintendent's recommendation or (ii) accept or modify the superintendent's recommendation and dismiss, demote, reinstate, or suspend the teacher without pay.

"**§ 115C-325.7. Hearing before board.**

(a) Board Hearing. – The following procedures shall apply to a hearing conducted by the board:

(1) The hearing shall be private.

(2) The board shall receive the following:

a. Any documentary evidence the superintendent intends to use to support the recommendation. The superintendent shall provide the documentary evidence to the teacher seven days before the hearing.

b. Any documentary evidence the teacher intends to use to rebut the superintendent's recommendation. The teacher shall provide the superintendent with the documentary evidence three days before the hearing.

c. The superintendent's recommendation and the grounds for the recommendation.

(3) The superintendent and teacher may submit a written statement not less than three days before the hearing.

(4) The superintendent and teacher shall be permitted to make oral arguments to the board based on the record before the board.

(5) The board shall make findings of fact based upon a preponderance of the evidence.

(6) Within two days following the hearing, the board shall send a written copy of its findings and determination to the teacher and the superintendent.

(7) If the board elects to make a transcript, the teacher may request and shall receive at no charge a transcript of the proceedings. A teacher may have the hearing transcribed by a court reporter at the teacher's expense.

(b) The procedures of this section shall not apply to board hearings for disciplinary suspensions without pay. Board hearings for G.S. 115C-325.5(b), disciplinary suspensions without pay, shall be conducted as provided in G.S. 115C-325.8.

"**§ 115C-325.8. Board hearing for certain disciplinary suspensions.**

(a) The following procedures shall apply for a board hearing under G.S. 115C-325.5(b), disciplinary suspensions without pay:

(1) The hearing shall be private.

(2) The hearing shall be conducted in accordance with reasonable rules adopted by the State Board of Education to govern such hearings.

(3) At the hearing, the teacher and the superintendent shall have the right to be present and to be heard, to be represented by counsel, and to present through witnesses any competent testimony relevant to the issue of whether grounds exist for a disciplinary suspension without pay.

(4) Rules of evidence shall not apply to a hearing under this subsection and the board may give probative effect to evidence that is of a kind commonly relied on by reasonably prudent persons in the conduct of serious affairs.

(5) At least eight days before the hearing, the superintendent shall provide to the teacher a list of witnesses the superintendent intends to present, a brief statement of the nature of the testimony of each witness, and a copy of any documentary evidence the superintendent intends to present.

(6) At least six days before the hearing, the teacher shall provide the superintendent a list of witnesses the teacher intends to present, a brief statement of the nature of the testimony of each witness, and a copy of any documentary evidence the teacher intends to present.

(7) No new evidence may be presented at the hearing except upon a finding by the board that the new evidence is critical to the matter at issue and the party making the request could not, with reasonable diligence, have discovered and produced the evidence according to the schedule provided in this section.

(8) The board may subpoena and swear witnesses and may require them to give testimony and to produce records and documents relevant to the grounds for suspension without pay.

(9) The board shall decide all procedural issues, including limiting cumulative evidence, necessary for a fair and efficient hearing.

(10) The superintendent shall provide for making a transcript of the hearing. The teacher may request and shall receive at no charge a transcript of the proceedings.

"**§ 115C-325.9. Teacher resignation.**

(a) Teacher Resignation Following Recommendation for Dismissal. – If a teacher has been recommended for dismissal under G.S. 115C-325.4 and the teacher chooses to resign without the written agreement of the superintendent, then:

(1) The superintendent shall report the matter to the State Board of Education.

(2) The teacher shall be deemed to have consented to (i) the placement in the teacher's personnel file of the written notice of the superintendent's intention to recommend dismissal and (ii) the release of the fact that the superintendent has reported this teacher to the State Board of Education to prospective employers, upon request. The provisions of G.S. 115C-321 shall not apply to the release of this particular information.

(3) The teacher shall be deemed to have voluntarily surrendered his or her license pending an investigation by the State Board of Education in a determination whether or not to seek action against the teacher's license. This license surrender shall not exceed 45 days from the date of resignation. Provided further that the cessation of the license surrender shall not prevent the State Board of Education from taking any further action it deems appropriate. The State Board of Education shall initiate investigation within five working days of the written notice from the superintendent and shall make a final decision as to whether to revoke or suspend the teacher's license within 45 days from the date of resignation.

(b) 30 Days' Notice Resignation Requirement. – A teacher who is not recommended for dismissal should not resign during the term of the contract without the consent of the superintendent unless he or she has given at least 30 days' notice. If a teacher who is not recommended for dismissal does resign during the term of the contract without giving at least 30 days' notice, the board may request that the State Board of Education revoke the teacher's license for the remainder of that school year. A copy of the request shall be placed in the teacher's personnel file.

"**§ 115C-325.10. Application to certain institutions.**

Notwithstanding any law or regulation to the contrary, this Part shall apply to all persons employed in teaching and related educational classes in the schools and institutions of the Departments of Health and Human Services, Public Instruction, Correction, or the Division of Juvenile Justice of the Department of Public Safety, regardless of the age of the students.

"**§ 115C-325.11. Dismissal of school administrators and teachers employed in low-performing residential schools.**

(a) Notwithstanding any other provision of this section or any other law, this section shall govern the dismissal by the State Board of Education of teachers, principals, assistant principals, directors, supervisors, and other licensed personnel assigned to a residential school that the State Board has identified as low-performing and to which the State Board has assigned an assistance team. The State Board shall dismiss a teacher, principal, assistant principal, director, supervisor, or other licensed personnel when the State Board receives two consecutive evaluations that include written findings and recommendations regarding that person's inadequate performance from the assistance team. These findings and recommendations shall be substantial evidence of the inadequate performance of the teacher or school administrator.

(b) The State Board may dismiss a teacher, principal, assistant principal, director, supervisor, or other licensed personnel when:

(1) The State Board determines that the school has failed to make satisfactory improvement after the State Board assigned an assistance team to that school.

(2) That assistance team makes the recommendation to dismiss the teacher, principal, assistant principal, director, supervisor, or other licensed personnel

for one or more grounds established in G.S. 115C-325.4 for dismissal or demotion of a teacher.

Within 30 days of any dismissal under this subsection, a teacher, principal, assistant principal, director, supervisor, or other licensed personnel may request a hearing before a panel of three members designated by the State Board. The State Board shall adopt procedures to ensure that due process rights are afforded to persons recommended for dismissal under this subsection. Decisions of the panel may be appealed on the record to the State Board.

(c) Notwithstanding any other provision of this section or any other law, this subsection shall govern the dismissal by the State Board of licensed staff members who have engaged in a remediation plan under G.S. 115C-105.38A(c) but who, after one retest, fail to meet the general knowledge standard set by the State Board. The failure to meet the general knowledge standard after one retest shall be substantial evidence of the inadequate performance of the licensed staff member.

Within 30 days of any dismissal under this subsection, a licensed staff member may request a hearing before a panel of three members designated by the State Board. The State Board shall adopt procedures to ensure that due process rights are afforded to licensed staff members recommended for dismissal under this subsection. Decisions of the panel may be appealed on the record to the State Board.

(d) The State Board or the superintendent of a residential school may terminate the contract of a school administrator dismissed under this section. Nothing in this section shall prevent the State Board from refusing to renew the contract of any person employed in a school identified as low-performing.

(e) Neither party to a school administrator or teacher contract is entitled to damages under this section.

(f) The State Board shall have the right to subpoena witnesses and documents on behalf of any party to the proceedings under this section.

"**§ 115C-325.12. Procedure for dismissal of Principals employed in low-performing schools.**

(a) Dismissal of Principals Assigned to Low-Performing Schools With Assistance Teams. – Notwithstanding any other provision of this Part or any other law, this section governs the State Board's dismissal of principals assigned to low-performing schools to which the State Board has assigned an assistance team.

(b) Authority of State Board to Dismiss Principal. – The State Board through its designee may, at any time, recommend the dismissal of any principal who is assigned to a low-performing school to which an assistance team has been assigned. The State Board through its designee shall recommend the dismissal of any principal when the State Board receives from the assistance team assigned to that principal's school two consecutive evaluations that include written findings and recommendations regarding the principal's inadequate performance.

(c) Procedures for Dismissal of Principal. –

(1) If the State Board through its designee recommends the dismissal of a principal under this section, the principal shall be suspended with pay pending a hearing before a panel of three members of the State Board. The purpose of this hearing, which shall be held within 60 days after the principal is suspended, is to determine whether the principal shall be dismissed.

(2) The panel shall order the dismissal of the principal if it determines from available information, including the findings of the assistance team, that the low performance of the school is due to the principal's inadequate performance.

(3) The panel may order the dismissal of the principal if (i) it determines that the school has not made satisfactory improvement after the State Board assigned

an assistance team to that school; and (ii) the assistance team makes the recommendation to dismiss the principal for one or more grounds established in G.S. 115C-325.4 for dismissal or demotion of a teacher.

(4) If the State Board or its designee recommends the dismissal of a principal before the assistance team assigned to the principal's school has evaluated that principal, the panel may order the dismissal of the principal if the panel determines from other available information that the low performance of the school is due to the principal's inadequate performance.

(5) In all hearings under this section, the burden of proof is on the principal to establish that the factors leading to the school's low performance were not due to the principal's inadequate performance. In all hearings under this section, the burden of proof is on the State Board to establish that the school failed to make satisfactory improvement after an assistance team was assigned to the school and to establish one or more of the grounds established for dismissal or demotion of a teacher under G.S. 115C-325.4.

(6) In all hearings under this section, two consecutive evaluations that include written findings and recommendations regarding that principal's inadequate performance from the assistance team are substantial evidence of the inadequate performance of the principal.

(7) The State Board shall adopt procedures to ensure that due process rights are afforded to principals under this section. Decisions of the panel may be appealed on the record to the State Board.

(d) The State Board of Education or a local board may terminate the contract of a principal dismissed under this section.

(e) Neither party to a school administrator contract is entitled to damages under this section.

(f) The State Board shall have the right to subpoena witnesses and documents on behalf of any party to the proceedings under this section.

"**§ 115C-325.13. Procedure for dismissal of teachers employed in low-performing schools.**

(a) Notwithstanding any other provision of this Part or any other law, this section shall govern the State Board's dismissal of teachers, assistant principals, directors, and supervisors assigned to schools that the State Board has identified as low-performing and to which the State Board has assigned an assistance team under Article 8B of this Chapter. The State Board shall dismiss a teacher, assistant principal, director, or supervisor when the State Board receives two consecutive evaluations that include written findings and recommendations regarding that person's inadequate performance from the assistance team. These findings and recommendations shall be substantial evidence of the inadequate performance of the teacher, assistant principal, director, or supervisor.

(b) The State Board may dismiss a teacher, assistant principal, director, or supervisor when:

(1) The State Board determines that the school has failed to make satisfactory improvement after the State Board assigned an assistance team to that school under G.S. 115C-105.38; and

(2) That assistance team makes the recommendation to dismiss the teacher, assistant principal, director, or supervisor for one or more grounds established in G.S. 115C-325.4 for dismissal or demotion for cause.

A teacher, assistant principal, director, or supervisor may request a hearing before a panel of three members of the State Board within 30 days of any dismissal under this section. The State Board shall adopt procedures to ensure that due process rights are afforded to persons recommended for dismissal under this section. Decisions of the panel may be appealed on the record to the State Board.

(c) Notwithstanding any other provision of this Part or any other law, this section shall govern the State Board's dismissal of licensed staff members who have engaged in a remediation plan under G.S. 115C-105.38A(c) but who, after one retest, fail to meet the general knowledge standard set by the State Board. The failure to meet the general knowledge standard after one retest shall be substantial evidence of the inadequate performance of the licensed staff member.

(d) A licensed staff member may request a hearing before a panel of three members of the State Board within 30 days of any dismissal under this section. The State Board shall adopt procedures to ensure that due process rights are afforded to licensed staff members recommended for dismissal under this section. Decisions of the panel may be appealed on the record to the State Board.

(e) The State Board of Education or a local board may terminate the contract of a teacher, assistant principal, director, or supervisor dismissed under this section.

(f) Neither party to a school administrator or teacher contract is entitled to damages under this section.

(g) The State Board shall have the right to subpoena witnesses and documents on behalf of any party to the proceedings under this section."

SECTION 14.(c) G.S. 115C-45(c) reads as rewritten:

"(c) Appeals to Board of Education and to Superior Court. – An appeal shall lie to the local board of education from any final administrative decision in the following matters:

(1) The discipline of a student under G.S. 115C-390.7, 115C-390.10, or 115C-390.11;

(2) An alleged violation of a specified federal law, State law, State Board of Education policy, State rule, or local board policy, including policies regarding grade retention of students;

(3) The terms or conditions of employment or employment status of a school employee; and

(4) Any other decision that by statute specifically provides for a right of appeal to the local board of education and for which there is no other statutory appeal procedure.

As used in this subsection, the term "final administrative decision" means a decision of a school employee from which no further appeal to a school administrator is available.

Any person aggrieved by a decision not covered under subdivisions (1) through (4) of this subsection shall have the right to appeal to the superintendent and thereafter shall have the right to petition the local board of education for a hearing, and the local board may grant a hearing regarding any final decision of school personnel within the local school administrative unit. The local board of education shall notify the person making the petition of its decision whether to grant a hearing.

In all appeals to the board it is the duty of the board of education to see that a proper notice is given to all parties concerned and that a record of the hearing is properly entered in the records of the board conducting the hearing.

The board of education may designate hearing panels composed of not less than two members of the board to hear and act upon such appeals in the name and on behalf of the board of education.

An appeal of right brought before a local board of education under subdivision (1), (2), ~~(3),~~ or (4) of this subsection may be further appealed to the superior court of the State on the grounds that the local board's decision is in violation of constitutional provisions, is in excess of the statutory authority or jurisdiction of the board, is made upon unlawful procedure, is affected by other error of law, is unsupported by substantial evidence in view of the entire record as submitted, or is arbitrary or capricious. ~~However, the right of a noncertified employee to appeal decisions of a local board under subdivision (3) of this subsection shall only apply to decisions~~

~~concerning the dismissal, demotion, or suspension without pay of the noncertified employee. A noncertified employee may request and shall be entitled to receive written notice as to the reasons for the employee's dismissal, demotion, or suspension without pay. The notice shall be provided to the employee prior to any local board of education hearing on the issue. This subsection shall not alter the employment status of a noncertified employee.~~"

SECTION 14.(d) G.S. 115C-105.26(b)(2) reads as rewritten:

"(2) State rules and policies, except those pertaining to public school State salary schedules and employee benefits for school employees, the instructional program that must be offered under the Basic Education Program, the system of employment for public school teachers and administrators set out in G.S. 115C-287.1 and ~~G.S. 115C-325,~~in Part 3 of Article 22 of this Chapter, health and safety codes, compulsory attendance, the minimum lengths of the school day and year, and the Uniform Education Reporting System."

SECTION 14.(e) G.S. 115C-105.37B(a)(2) reads as rewritten:

"(2) Restart model, in which the State Board of Education would authorize the local board of education to operate the school with the same exemptions from statutes and rules as a charter school authorized under Part 6A of Article 16 of this Chapter, or under the management of an educational management organization that has been selected through a rigorous review process. A school operated under this subdivision remains under the control of the local board of education, and employees assigned to the school are employees of the local school administrative unit with the protections provided by ~~G.S. 115C-325.~~Part 3 of Article 22 of this Chapter."

SECTION 14.(f) G.S. 115C-105.38A(d) reads as rewritten:

"(d) Retesting; Dismissal. – Upon completion of the remediation plan required under subsection (c) of this section, the certified staff member shall take the general knowledge test a second time. If the certified staff member fails to acquire a passing score on the second test, the State Board shall begin a dismissal proceeding under ~~G.S. 115C-325(q)(2a).~~G.S. 115C-325.13."

SECTION 14.(g) G.S. 115C-105.38A(f) reads as rewritten:

"(f) Other Actions Not Precluded. – Nothing in this section shall be construed to restrict or postpone the following actions:

(1) The dismissal of a principal under ~~G.S. 115C-325(q)(1);~~G.S. 115C-325.12.

(2) The dismissal of a teacher, assistant principal, director, or supervisor under ~~G.S. 115C-325(q)(2);~~G.S. 115C-325.13.

(3) The dismissal or demotion of ~~a career~~ an employee for any of the grounds listed under ~~G.S. 115C-325(e);~~G.S. 115C-325.4.

(4) The nonrenewal of a school administrator's or ~~probationary~~ teacher's contract of ~~employment; or~~employment.

~~(5) The decision to grant career status.~~"

SECTION 14.(h) G.S. 115C-105.39 reads as rewritten:

"**§ 115C-105.39. Dismissal or removal of personnel; appointment of interim superintendent.**

(a) Within 30 days of the initial identification of a school as low-performing, whether by the local school administrative unit under G.S. 115C-105.37(a1) or by the State Board under G.S. 115C-105.37(a), the superintendent shall take one of the following actions concerning the school's principal: (i) recommend to the local board that the principal be retained in the same position, (ii) recommend to the local board that the principal be retained in the same position and a plan of remediation should be developed, (iii) recommend to the local board that the principal be transferred, or (iv) proceed under ~~G.S. 115C-325~~G.S. 115C-325.4 to dismiss or demote the principal. The principal may be retained in the same position without a plan for

remediation only if the principal was in that position for no more than two years before the school is identified as low-performing. The principal shall not be transferred to another principal position unless (i) it is in a school classification in which the principal previously demonstrated at least 2 years of success, (ii) there is a plan to evaluate and provide remediation to the principal for at least one year following the transfer to assure the principal does not impede student performance at the school to which the principal is being transferred; and (iii) the parents of the students at the school to which the principal is being transferred are notified. The principal shall not be transferred to another low-performing school in the local school administrative unit. If the superintendent intends to recommend demotion or dismissal, the superintendent shall notify the local board. Within 15 days of (i) receiving notification that the superintendent intends to proceed under ~~G.S. 115C-325,~~G.S. 115C-325.4 or (ii) its decision concerning the superintendent's recommendation, but no later than September 30, the local board shall submit to the State Board a written notice of the action taken and the basis for that action. If the State Board does not assign an assistance team to that school or if the State Board assigns an assistance team to that school and the superintendent proceeds under ~~G.S. 115C-325~~G.S. 115C-325.4 to dismiss or demote the principal, then the State Board shall take no further action. If the State Board assigns an assistance team to the school and the superintendent is not proceeding under ~~G.S. 115C-325~~G.S. 115C-325.4 to dismiss or demote the principal, then the State Board shall vote to accept, reject, or modify the local board's recommendations. The State Board shall notify the local board of its action within five days. If the State Board rejects or modifies the local board's recommendations and does not recommend dismissal of the principal, the State Board's notification shall include recommended action concerning the principal's assignment or terms of employment. Upon receipt of the State Board's notification, the local board shall implement the State Board's recommended action concerning the principal's assignment or terms of employment unless the local board asks the State Board to reconsider that recommendation. The State Board shall provide an opportunity for the local board to be heard before the State Board acts on the local board's request for a reconsideration. The State Board shall vote to affirm or modify its original recommended action and shall notify the local board of its action within five days. Upon receipt of the State Board's notification, the local board shall implement the State Board's final recommended action concerning the principal's assignment or terms of employment. If the State Board rejects or modifies the local board's action and recommends dismissal of the principal, the State Board shall proceed under ~~G.S. 115C-325(q)(1).~~G.S. 115C-325.12.

(b) The State Board shall proceed under ~~G.S. 115C-325(q)(2)~~G.S. 115C-325.13 for the dismissal of teachers, assistant principals, directors, and supervisors assigned to a school identified as low-performing in accordance with ~~G.S. 115C-325(q)(2).~~G.S. 115C-325.13.

...."

SECTION 14.(i) G.S. 115C-238.29F(e)(3) reads as rewritten:

"(3) If a teacher employed by a local school administrative unit makes a written request for a leave of absence to teach at a charter school, the local school administrative unit shall grant the leave for one year. For the initial year of a charter school's operation, the local school administrative unit may require that the request for a leave of absence be made up to 45 days before the teacher would otherwise have to report for duty. After the initial year of a charter school's operation, the local school administrative unit may require that the request for a leave of absence be made up to 90 days before the teacher would otherwise have to report for duty. A local board of education is not required to grant a request for a leave of absence or a request to extend or renew a leave of absence for a teacher who previously has received a leave of absence from that school board under this subdivision. A teacher who has ~~career status under G.S. 115C-325 prior to receiving~~received a

leave of absence to teach at a charter school may return to a public school in the local school administrative unit ~~with career status~~ at the end of the leave of absence or upon the end of employment at the charter school if an appropriate position is available. ~~If an appropriate position is unavailable, the teacher's name shall be placed on a list of available teachers and that teacher shall have priority on all positions for which that teacher is qualified in accordance with G.S. 115C-325(e)(2).~~"

SECTION 14.(j) G.S. 115C-238.68(3) reads as rewritten:

"(3) ~~Career status.~~Leave of absence from local school administrative unit. – ~~Employees of the board of directors shall not be eligible for career status.~~ If a teacher employed by a local school administrative unit makes a written request for a leave of absence to teach at the regional school, the local school administrative unit shall grant the leave for one year. For the initial year of the regional school's operation, the local school administrative unit may require that the request for a leave of absence be made up to 45 days before the teacher would otherwise have to report for duty. After the initial year of the regional school's operation, the local school administrative unit may require that the request for a leave of absence be made up to 90 days before the teacher would otherwise have to report for duty. A local board of education is not required to grant a request for a leave of absence or a request to extend or renew a leave of absence for a teacher who previously has received a leave of absence from that school board under this subdivision. A teacher who has ~~career status under G.S. 115C-325 prior to receiving~~received a leave of absence to teach at the regional school may return to a public school in the local school administrative unit ~~with career status~~ at the end of the leave of absence or upon the end of employment at the regional school if an appropriate position is available. ~~If an appropriate position is unavailable, the teacher's name shall be placed on a list of available teachers in accordance with G.S. 115C-325(e)(2).~~"

SECTION 14.(k) G.S. 115C-276(l) reads as rewritten:

"(l) To Maintain Personnel Files and to Participate in Firing and Demoting of Staff. – The superintendent shall maintain in his or her office a personnel file for each teacher that contains complaints, commendations, or suggestions for correction or improvement about the teacher and shall participate in the firing and demoting of staff, as provided in ~~G.S. 115C-325.~~Part 3 of Article 22 of this Chapter."

SECTION 14.(l) G.S. 115C-285(7) reads as rewritten:

"(7) All persons employed as principals in the schools and institutions listed in ~~subsection (p) of G.S. 115C-325~~ G.S. 115C-325.10 shall be compensated at the same rate as are teachers in the public schools in accordance with the salary schedule adopted by the State Board of Education."

SECTION 14.(m) G.S. 115C-287.1 reads as rewritten:

"**§ 115C-287.1. Method of employment of principals, assistant principals, supervisors, and directors.**

(a) (1) ~~Beginning July 1, 1995, all~~All persons employed as school administrators shall be employed pursuant to this section.

~~(2) Notwithstanding G.S. 115C-287.1(a)(1), the following school administrators shall be employed pursuant to G.S. 115C-325:~~

~~a. School administrators who, as of July 1, 1995, are serving in a principal or supervisor position with career status in that position; and~~

~~b. School administrators who, as of July 1, 1995, are serving in a principal or supervisor position and who are eligible to achieve career status on or before June 30, 1997.~~

~~A school administrator shall cease to be employed pursuant to G.S. 115C-325 if the school administrator: (i) voluntarily relinquishes career status or the opportunity to achieve career status through promotion, resignation, or otherwise; or (ii) is dismissed or demoted or whose contract is not renewed pursuant to G.S. 115C-325.~~

(3) For purposes of this section, school administrator means a:

a. Principal;

b. Assistant principal;

c. Supervisor; or

d. Director,

whose major function includes the direct or indirect supervision of teaching or of any other part of the instructional program.

~~(4) Nothing in this section shall be construed to confer career status on any assistant principal or director, or to make an assistant principal eligible for career status as an assistant principal or a director eligible for career status as a director.~~

(b) Local boards of education shall employ school administrators ~~who are ineligible for career status as provided in G.S. 115C-325(e)(3),~~ upon the recommendation of the superintendent. The initial contract between a school administrator and a local board of education shall be for two to four years, ending on June 30 of the final 12 months of the contract. In the case of a subsequent contract between a principal or assistant principal and a local board of education, the contract shall be for a term of four years. In the case of an initial contract between a school administrator and a local board of education, the first year of the contract may be for a period of less than 12 months provided the contract becomes effective on or before September 1. A local board of education may, with the written consent of the school administrator, extend, renew, or offer a new school administrator's contract at any time after the first 12 months of the contract so long as the term of the new, renewed, or extended contract does not exceed four years. Rolling annual contract renewals are not allowed. Nothing in this section shall be construed to prohibit the filling of an administrative position on an interim or temporary basis.

(c) The term of employment shall be stated in a written contract that shall be entered into between the local board of education and the school administrator. The school administrator shall not be dismissed or demoted during the term of the contract except for the grounds and by the procedure by which a ~~career~~ teacher may be dismissed or demoted for cause as set forth in ~~G.S. 115C-325.~~G.S. 115C-325.4.

(d) If a superintendent intends to recommend to the local board of education that the school administrator be offered a new, renewed, or extended contract, the superintendent shall submit the recommendation to the local board for action. The local board may approve the superintendent's recommendation or decide not to offer the school administrator a new, renewed, or extended school administrator's contract.

If a superintendent decides not to recommend that the local board of education offer a new, renewed, or extended school administrator's contract to the school administrator, the superintendent shall give the school administrator written notice of his or her decision ~~and the reasons for his or her decision~~ no later than May 1 of the final year of the contract. ~~The superintendent's reasons may not be arbitrary, capricious, discriminatory, personal, or political.~~ No action by the local board or further notice to the school administrator shall be necessary unless the school administrator files with the superintendent a written request, within 10 days of receipt of the superintendent's decision, for a hearing before the local board. ~~Failure to file a~~

~~timely request for a hearing shall result in a waiver of the right to appeal the superintendent's decision.~~ If a school administrator files a timely request for a hearing, the local board shall conduct a hearing pursuant to the provisions of G.S. 115C-45(c) and make a final decision on whether to offer the school administrator a new, renewed, or extended school administrator's contract.

If the local board decides not to offer the school administrator a new, renewed, or extended school administrator's contract, the local board shall notify the school administrator of its decision by June 1 of the final year of the contract. A decision not to offer the school administrator a new, renewed, or extended contract may not be for any cause ~~that is not arbitrary, capricious, discriminatory, personal, or political.~~ prohibited by State or federal law. ~~The local board's decision not to offer the school administrator a new, renewed, or extended school administrator's contract is subject to judicial review in accordance with Article 4 of Chapter 150B of the General Statutes.~~

(e) Repealed by Session Laws 1995, c. 369, s. 1.

(f) If the superintendent or the local board of education fails to notify a school administrator by June 1 of the final year of the contract that the school administrator will not be offered a new school administrator's contract, the school administrator shall be entitled to 30 days of additional employment or severance pay beyond the date the school administrator receives written notice that a new contract will not be offered.

~~(g) If, prior to appointment as a school administrator, the school administrator held career status as a teacher in the local school administrative unit in which he or she is employed as a school administrator, a school administrator shall retain career status as a teacher if the school administrator is not offered a new, renewed, or extended contract by the local board of education, unless the school administrator voluntarily relinquished that right or is dismissed or demoted pursuant to G.S. 115C-325.~~

(h) An individual who holds a provisional assistant principal's certificate and who is employed as an assistant principal under G.S. 115C-284(c) shall be considered a school administrator for purposes of this section. Notwithstanding subsection (b) of this section, a local board may enter into one-year contracts with a school administrator who holds a provisional assistant principal's certificate. ~~If the school administrator held career status as a teacher in the local school administrative unit prior to being employed as an assistant principal and the State Board for any reason does not extend the school administrator's provisional assistant principal's certificate, the school administrator shall retain career status as a teacher unless the school administrator voluntarily relinquished that right or is dismissed or demoted under G.S. 115C-325.~~ Nothing in this subsection or G.S. 115C-284(c) shall be construed to require a local board to extend or renew the contract of a school administrator who holds a provisional assistant principal's certificate."

SECTION 14.(n) G.S. 115C-288(g) reads as rewritten:

"(g) To Report Certain Acts to Law Enforcement and the Superintendent. – When the principal has personal knowledge, a reasonable belief, or actual notice from school personnel that an act has occurred on school property involving assault resulting in serious personal injury, sexual assault, sexual offense, rape, kidnapping, indecent liberties with a minor, assault involving the use of a weapon, possession of a firearm in violation of the law, possession of a weapon in violation of the law, or possession of a controlled substance in violation of the law, the principal shall immediately report the act to the appropriate local law enforcement agency.

A principal who willfully fails to make a report to law enforcement required by this subsection may be subject to demotion or dismissal pursuant to ~~G.S. 115C-325.~~G.S. 115C-325.4.

Notwithstanding any other provision of law, the State Board of Education shall not require the principal to report to law enforcement acts in addition to those required to be reported by this subsection.

For purposes of this subsection, "school property" shall include any public school building, bus, public school campus, grounds, recreational area, or athletic field, in the charge of the principal.

The principal or the principal's designee shall notify the superintendent or the superintendent's designee in writing or by electronic mail regarding any report made to law enforcement under this subsection. This notification shall occur by the end of the workday in which the incident occurred when reasonably possible but not later than the end of the following workday. The superintendent shall provide the information to the local board of education.

Nothing in this subsection shall be interpreted to interfere with the due process rights of school employees or the privacy rights of students."

SECTION 14.(o) G.S. 115C-304 is repealed.

SECTION 14.(p) G.S. 115C-333 reads as rewritten:

"**§ 115C-333. Evaluation of licensed employees including certain superintendents; mandatory improvement plans; State board notification upon dismissal of employees.**

(a) Annual Evaluations; Low-Performing Schools. – Local school administrative units shall evaluate at least once each year all licensed employees assigned to a school that has been identified as low-performing. The evaluation shall occur early enough during the school year to provide adequate time for the development and implementation of a mandatory improvement plan if one is recommended under subsection (b) of this section. If the employee is a teacher as defined under ~~G.S. 115C-325(a)(6),~~G.S. 115C-325.1(5), either the principal, the assistant principal who supervises the teacher, or an assistance team assigned under G.S. 115C-105.38 shall conduct the evaluation. If the employee is a school administrator as defined under G.S. 115C-287.1(a)(3), either the superintendent or the superintendent's designee shall conduct the evaluation.

All teachers in low-performing schools who have ~~not attained career status~~been employed for less than three consecutive years shall be observed at least three times annually by the principal or the principal's designee and at least once annually by a teacher and shall be evaluated at least once annually by a principal. This section shall not be construed to limit the duties and authority of an assistance team assigned to a low-performing school under G.S. 115C-105.38.

A local board shall use the performance standards and criteria adopted by the State Board and may adopt additional evaluation criteria and standards. All other provisions of this section shall apply if a local board uses an evaluation other than one adopted by the State Board.

(b) Mandatory Improvement Plans. –

(1) Repealed by Session Laws 2011-348, s. 2, effective July 1, 2011, and applicable to persons recommended for dismissal or demotion on or after that date.

(1a) A mandatory improvement plan is an instrument designed to improve a teacher's performance or the performance of any licensed employee in a low-performing school by providing the individual with notice of specific performance areas that have substantial deficiencies and a set of strategies, including the specific support to be provided to the individual, so that the individual, within a reasonable period of time, should satisfactorily resolve such deficiencies.

(2) Repealed by Session Laws 2011-348, s. 2, effective July 1, 2011, and applicable to persons recommended for dismissal or demotion on or after that date.

(2a) If a licensed employee in a low-performing school receives a rating on any standard on an evaluation that is below proficient or otherwise represents

unsatisfactory or below standard performance in an area that the licensed employee was expected to demonstrate, the individual or team that conducted the evaluation shall recommend to the superintendent that (i) the employee receive a mandatory improvement plan designed to improve the employee's ~~performance or~~ performance, (ii) the superintendent recommend to the local board that the ~~employee be dismissed or demoted.~~employee's contract not be recommended for renewal, or (iii) if the employee engaged in inappropriate conduct or performed inadequately to such a degree that such conduct or performance causes substantial harm to the educational environment that a proceeding for immediate dismissal or demotion be instituted. If the individual or team that conducted the evaluation elects not to make ~~either~~ any of the above recommendations, the said individual or team shall notify the superintendent of this decision. The superintendent shall determine whether to develop a mandatory improvement ~~plan~~plan, to not recommend renewal of the employee's contract, or to recommend a dismissal proceeding.

(3) If at any time a licensed employee engages in inappropriate conduct or performs inadequately to such a degree that such conduct or performance causes substantial harm to the educational environment, and immediate dismissal or demotion is not appropriate, then the principal may immediately institute a mandatory improvement plan regardless of any ratings on previous evaluations. The principal shall document the exigent reason for immediately instituting such a plan.

(4) Mandatory improvement plans shall be developed by the person who evaluated the licensed employee or the employee's supervisor unless the evaluation was conducted by an assistance team. If the evaluation was conducted by an assistance team, that team shall develop the mandatory improvement plan in collaboration with the employee's supervisor. Mandatory improvement plans shall be designed to be completed within 90 instructional days or before the beginning of the next school year. The State Board shall develop guidelines that include strategies to assist local boards in evaluating licensed employees and developing effective mandatory improvement plans within the time allotted under this section. Local boards may adopt policies for the development and implementation of mandatory improvement plans and policies for the implementation of monitored and directed growth plans.

(c) Reassessment of Employee in a Low-Performing School. – After the expiration of the time period for the mandatory improvement plan under subdivision (2a) of subsection (b) of this section, the superintendent, the superintendent's designee, or the assistance team shall assess the performance of the employee of the low-performing school a second time. If the superintendent, superintendent's designee, or assistance team determines that the employee has failed to become proficient in any of the performance standards articulated in the mandatory improvement plan or demonstrate sufficient improvement toward such standards, the superintendent shall recommend that the ~~employee~~ employee's contract not be renewed, or that the employee be immediately dismissed or demoted under ~~G.S. 115C-325.~~G.S. 115C-325.4. The results of the second assessment shall constitute substantial evidence of the employee's inadequate performance.

(d) State Board Notification. – If a local board dismisses an employee of a low-performing school ~~for any reason~~for cause or elects to not renew an employee's contract as a result of a superintendent's recommendation under subsection (b) or (c) of this section, ~~except a reduction in force under G.S. 115C-325(e)(1)l.,~~ it shall notify the State Board of the action,

and the State Board annually shall provide to all local boards the names of those individuals. If a local board hires one of these individuals, within 60 days the superintendent or the superintendent's designee shall observe the employee, develop a mandatory improvement plan to assist the employee, and submit the plan to the State Board. The State Board shall review the mandatory improvement plan and may provide comments and suggestions to the superintendent. If on the next evaluation the employee receives a rating on any standard that was identified as an area of concern on the mandatory improvement plan that is again below proficient or otherwise represents unsatisfactory or below standard performance, the local board shall notify the State Board and the State Board shall initiate a proceeding to revoke the employee's license under G.S. 115C-296(d). If on this next evaluation the employee receives at least a proficient rating on all of the performance standards that were identified as areas of concern on the mandatory improvement plan, the local board shall notify the State Board that the employee is in good standing and the State Board shall not continue to provide the individual's name to local boards under this subsection unless the employee is subsequently dismissed under ~~G.S. 115C-325 except for a reduction in force.~~ G.S. 115C-325.4.

...."

SECTION 14.(q) G.S. 115C-333.1 reads as rewritten:

"**§ 115C-333.1. Evaluation of teachers in schools not identified as low-performing; mandatory improvement plans; State Board notification upon dismissal of teachers.**

(a) Annual Evaluations. – All teachers who are assigned to schools that are not designated as low-performing and who have not ~~attained career status~~been employed for at least three consecutive years shall be observed at least three times annually by the principal or the principal's designee and at least once annually by a teacher and shall be evaluated at least once annually by a principal. All teachers ~~with career status~~who have been employed for three or more years who are assigned to schools that are not designated as low-performing shall be evaluated annually unless a local board adopts rules that allow teachers ~~with career status~~employed for three or more years to be evaluated more or less frequently, provided that such rules are not inconsistent with State or federal requirements. Local boards also may adopt rules requiring the annual evaluation of nonlicensed employees. A local board shall use the performance standards and criteria adopted by the State Board and may adopt additional evaluation criteria and standards. All other provisions of this section shall apply if a local board uses an evaluation other than one adopted by the State Board.

(b) Mandatory Improvement Plans for Teachers. – If, in an observation report or year-end evaluation, a teacher receives a rating that is below proficient or otherwise represents unsatisfactory or below standard performance on any standard that the teacher was expected to demonstrate, the principal may place the teacher on a mandatory improvement plan as defined in G.S. 115C-333(b)(1a). The mandatory improvement plan shall be utilized only if the superintendent or superintendent's designee determines that an individual, monitored, or directed growth plan will not satisfactorily address the deficiencies.

If at any time a teacher engages in inappropriate conduct or performs inadequately to such a degree that such conduct or performance causes substantial harm to the educational environment, and immediate dismissal or demotion is not appropriate, then the principal may immediately institute a mandatory improvement plan regardless of any ratings on previous evaluations. The principal shall document the exigent reason for immediately instituting such a plan. The mandatory improvement plan shall be developed by the principal in consultation with the teacher. The teacher shall have five instructional days from receipt of the proposed mandatory improvement plan to request a modification of such plan before it is implemented, and the principal shall consider such suggested modifications before finalizing the plan. The teacher shall have at least 60 instructional days to complete the mandatory improvement plan. The State Board shall develop guidelines that include strategies to assist local boards in

evaluating teachers and developing effective mandatory improvement plans. Local boards may adopt policies for the implementation of mandatory improvement plans under this section.

(c) Observation by a Qualified Observer. –

(1) The term "qualified observer" as used in this section is any administrator or teacher who is licensed by the State Board of Education and working in North Carolina; any employee of the North Carolina Department of Public Instruction who is trained in evaluating licensed employees; or any instructor or professor who teaches in an accredited North Carolina school of education and holds an educator's license.

(2) The local board of education shall create a list of qualified observers who are employed by that board and available to do observations of employees on mandatory improvement plans. This list shall be limited to names of administrators and teachers selected by the local board of education. The local board of education shall strive to select administrators and teachers with excellent reputations for competence and fairness.

(3) Any teacher, other than a teacher assigned to a school designated as low-performing, who has been placed on a mandatory improvement plan shall have a right to be observed by a qualified observer in the area or areas of concern identified in the mandatory improvement plan. The affected teacher and the principal shall jointly choose the qualified observer within 20 instructional days after the commencement of the mandatory improvement plan. If the teacher and the principal cannot agree on a qualified observer within this time period, they each shall designate a person from the list of qualified observers created pursuant to subdivision (2) of this subsection, and these two designated persons shall choose a qualified observer within five instructional days of their designation. The qualified observer shall draft a written report assessing the teacher in the areas of concern identified in the mandatory improvement plan. The report shall be submitted to the principal before the end of the mandatory improvement plan period. If a teacher or administrator from the same local school administrative unit is selected to serve as the qualified observer, the administration of the local school administrative unit shall provide such qualified observer with the time necessary to conduct the observation and prepare a report. If someone who is not employed by the same local school administrative unit is selected to serve as the qualified observer, the teacher who is the subject of the mandatory improvement plan will be responsible for any expenses related to the observations and reports prepared by the qualified observer. The qualified observer shall not unduly disrupt the classroom when conducting an observation.

(4) No local board of education or employee of a local board of education shall discharge, threaten, or otherwise retaliate against another employee of the board regarding that employee's compensation, terms, conditions, location, or privileges of employment because of the employee's service or completion of a report as an objective observer pursuant to this subsection, unless the employee's report contained material information that the employee knew was false.

(d) Reassessment of the Teacher. – Upon completion of a mandatory improvement plan under subsection (b) of this section, the principal shall assess the performance of the teacher a second time. The principal shall also review and consider any report provided by the qualified observer under subsection (c) of this section if one has been submitted before the end of the mandatory improvement plan period. If, after the second assessment of the teacher and

consideration of any report from the qualified observer, the superintendent or superintendent's designee determines that the teacher has failed to become proficient in any of the performance standards identified as deficient in the mandatory improvement plan or demonstrate sufficient improvement toward such standards, the superintendent may recommend that the teacher's contract not be renewed, or if the teacher has engaged in inappropriate conduct or performed inadequately to such a degree that such conduct or performance causes substantial harm to the educational environment, that the teacher be immediately dismissed or demoted under ~~G.S. 115C-325.~~G.S. 115C-325.4. The results of the second assessment produced pursuant to the terms of this subsection shall constitute substantial evidence of the teacher's inadequate performance.

(e) Dismissal Proceedings Without a Mandatory Improvement Plan. – The absence of a mandatory improvement plan as described in this section shall not prohibit a superintendent from initiating a dismissal proceeding against a teacher under the provisions of ~~G.S. 115C-325.~~G.S. 115C-325.4. However, the superintendent shall not be entitled to the substantial evidence provision in subsection (d) of this section if such mandatory improvement plan is not utilized.

(f) State Board Notification. – If a local board dismisses a teacher for cause or elects to not renew an employee's contract as a result of a superintendent's recommendation under subsection (d) of this section, ~~for any reason except a reduction in force under G.S. 115C-325(e)(1)l.,~~ it shall notify the State Board of the action, and the State Board annually shall provide to all local boards the names of those teachers. If a local board hires one of these teachers, within 60 days the superintendent or the superintendent's designee shall observe the teacher, develop a mandatory improvement plan to assist the teacher, and submit the plan to the State Board. The State Board shall review the mandatory improvement plan and may provide comments and suggestions to the superintendent. If on the next evaluation the teacher receives a rating on any standard that was an area of concern on the mandatory improvement plan that is again below proficient or a rating that otherwise represents unsatisfactory or below standard performance, the local board shall notify the State Board, and the State Board shall initiate a proceeding to revoke the teacher's license under G.S. 115C-296(d). If on the next evaluation the teacher receives at least a proficient rating on all of the overall performance standards that were areas of concern on the mandatory improvement plan, the local board shall notify the State Board that the teacher is in good standing, and the State Board shall not continue to provide the teacher's name to local boards under this subsection unless the teacher is subsequently dismissed under ~~G.S. 115C-325~~G.S. 115C-325.4. ~~except for a reduction in force.~~ If, however, on this next evaluation the teacher receives a developing rating on any standards that were areas of concern on the mandatory improvement plan, if the local board elects to renew the teacher's contract and ~~the teacher shall have one more year to bring the rating to proficient. If,~~ by the end of this second year, the teacher is not proficient in all standards that were areas of concern on the mandatory improvement plan, the local board shall notify the State Board, and the State Board shall initiate a proceeding to revoke the teacher's license under G.S. 115C-296(d).

...."

SECTION 14.(r) G.S. 115C-335(b) reads as rewritten:

"(b) Training. – The State Board, in collaboration with the Board of Governors of The University of North Carolina, shall develop programs designed to train principals and superintendents in the proper administration of the employee evaluations developed by the State Board. The Board of Governors shall use the professional development programs for public school employees that are under its authority to make this training available to all principals and superintendents at locations that are geographically convenient to local school administrative units. The programs shall include methods to determine whether an employee's performance has improved student learning, the development and implementation of

appropriate professional growth and mandatory improvement plans, the process for contract nonrenewal, and the dismissal process under ~~G.S. 115C-325.~~Part 3 of Article 22 of this Chapter. The Board of Governors shall ensure that the subject matter of the training programs is incorporated into the masters in school administration programs offered by the constituent institutions. The State Board, in collaboration with the Board of Governors, also shall develop in-service programs for licensed public school employees that may be included in a mandatory improvement plan created under G.S. 115C-333(b) or G.S. 115C-333.1(b). The Board of Governors shall use the professional development programs for public school employees that are under its authority to make this training available at locations that are geographically convenient to local school administrative units."

SECTION 14.(s) Article 23 of Chapter 115C of the General Statutes is amended by adding a new section to read:

"**§ 115C-344. Employment benefits for exchange teachers.**

An exchange teacher is a nonimmigrant alien teacher participating in an exchange visitor program designated by the United States Department of State pursuant to 22 C.F.R. Part 62 or by the United States Department of Homeland Security pursuant to 8 C.F.R. Part 214.2(q). For purposes of determining eligibility to receive employment benefits under this Chapter, including personal leave, annual vacation leave, and sick leave, an exchange teacher shall be considered a permanent teacher if employed with the expectation of at least six full consecutive monthly pay periods of employment and if employed at least 20 hours per week. An exchange teacher is not a teacher for purposes of the Teachers' and State Employees' Retirement System of North Carolina as provided in G.S. 135-1(25)."

SECTION 14.(t) G.S. 115C-404(b) reads as rewritten:

"(b) Documents received under this section shall be used only to protect the safety of or to improve the education opportunities for the student or others. Information gained in accordance with G.S. 7B-3100 shall not be the sole basis for a decision to suspend or expel a student. Upon receipt of each document, the principal shall share the document with those individuals who have (i) direct guidance, teaching, or supervisory responsibility for the student, and (ii) a specific need to know in order to protect the safety of the student or others. Those individuals shall indicate in writing that they have read the document and that they agree to maintain its confidentiality. Failure to maintain the confidentiality of these documents as required by this section is grounds for the dismissal ~~of an employee who is not a career employee and is grounds for dismissal of an employee who is a career employee,~~ in accordance with ~~G.S. 115C-325(e)(1)i.~~G.S. 115C-325.4(a)(9)."

SECTION 14.(u) G.S. 143B-146.7(b) reads as rewritten:

"(b) At any time after the State Board identifies a school as low-performing under this Part, the ~~Secretary~~ State Board shall proceed under ~~G.S. 115C-325(p1)~~G.S. 115C-325.11 for the dismissal of certificated instructional personnel assigned to that school."

SECTION 14.(v) G.S. 143B-146.8 reads as rewritten:

"**§ 143B-146.8. Evaluation of ~~certificated~~ licensed personnel and principals; action plans; State Board notification.**

(a) Annual Evaluations; Low-Performing Schools. – The principal shall evaluate at least once each year all ~~certificated~~ licensed personnel assigned to a participating school that has been identified as low-performing but has not received an assistance team. The evaluation shall occur early enough during the school year to provide adequate time for the development and implementation of an action plan if one is recommended under subsection (b) of this section. If the employee is a teacher as defined under ~~G.S. 115C-325(a)(6),~~G.S. 115C-325.1(5), either the principal or an assessment team assigned under G.S. 143B-146.9 shall conduct the evaluation. If the employee is a school administrator as defined under G.S. 115C-287.1(a)(3), the Superintendent shall conduct the evaluation.

Notwithstanding this subsection or any other law, the principal shall observe at least three times annually, a teacher shall observe at least once annually, and the principal shall evaluate at least once annually, all teachers who have ~~not attained career status.~~been employed for less than three consecutive years. All other employees who have been employed for three or more years and are defined as teachers under ~~G.S. 115C-325(a)(6)~~G.S. 115C-325.1(5) who are assigned to participating schools that are not designated as low-performing shall be evaluated annually unless the Secretary adopts rules that allow specified categories of teachers with ~~career status~~three or more years of employment to be evaluated more or less frequently. The Secretary also may adopt rules requiring the annual evaluation of ~~noncertificated~~nonlicensed personnel. This section shall not be construed to limit the duties and authority of an assistance team assigned to a low-performing school.

The Secretary shall use the State Board's performance standards and criteria unless the Secretary develops an alternative evaluation that is properly validated and that includes standards and criteria similar to those adopted by the State Board. All other provisions of this section shall apply if an evaluation is used other than one adopted by the State Board.

(b) Action Plans. – If a ~~certificated~~licensed employee in a participating school that has been identified as low-performing receives an unsatisfactory or below standard rating on any function of the evaluation that is related to the employee's instructional duties, the individual or team that conducted the evaluation shall recommend to the principal that: (i) the employee receive an action plan designed to improve the employee's performance; (ii) the employee's contract not be recommended for renewal, or (iii) if the employee engages in inappropriate conduct or performs inadequately to such a degree that such conduct or performance causes substantial harm to the educational environment that a proceeding for immediate dismissal or demotion be instituted. ~~or (ii) the principal recommend to the Secretary that the employee be dismissed or demoted.~~ The principal shall determine whether to develop an action ~~plan~~plan, to not recommend renewal of the employee's contract, or to recommend a dismissal proceeding. The person who evaluated the employee or the employee's supervisor shall develop the action plan unless an assistance team or assessment team conducted the evaluation. If an assistance team or assessment team conducted the evaluation, that team shall develop the action plan in collaboration with the employee's supervisor. Action plans shall be designed to be completed within 90 instructional days or before the beginning of the next school year. The State Board, in consultation with the Secretary, shall develop guidelines that include strategies to assist in evaluating ~~certificated~~licensed personnel and developing effective action plans within the time allotted under this section. The Secretary may adopt policies for the development and implementation of action plans or professional development plans for personnel who do not require action plans under this section.

(c) Reevaluation. – Upon completion of an action plan under subsection (b) of this section, the principal or the assessment team shall evaluate the employee a second time. If on the second evaluation the employee receives one unsatisfactory or more than one below standard rating on any function that is related to the employee's instructional duties, the principal shall recommend that the employee's contract not be renewed, or if the employee engages in inappropriate conduct or performs inadequately to such a degree that such conduct or performance causes substantial harm to the educational environment, that the employee be dismissed or demoted under ~~G.S. 115C-325.~~G.S. 115C-325.4. The results of the second evaluation shall constitute substantial evidence of the employee's inadequate performance.

(d) State Board Notification. – If the Secretary dismisses an employee for cause or elects to not renew an employee's contract as a result of a superintendent's recommendation under subsection (b) or (c) of this section, ~~any reason except a reduction in force under G.S. 115C-325(e)(1)l.,~~ the Secretary shall notify the State Board of the action, and the State Board annually shall provide to all local boards of education the names of those individuals. If

a local board hires one of these individuals, that local board shall proceed under G.S. 115C-333(d).

...."

SECTION 14.(w) Notwithstanding the requirements for terms of contracts in G.S. 115C-325.3, for the 2012-2013 school year all teachers shall be employed on a contract for a term of one year. This section becomes effective July 1, 2012, and applies to all school employees employed on or after that date.

PART XV. ELIMINATION OF PUBLIC FINANCING FOR SUPERINTENDENT OF PUBLIC INSTRUCTION

SECTION 15.(a) G.S. 163-278.95 reads as rewritten:

"**§ 163-278.95. Purpose and establishment of Voter-Owned Elections Act.**

The purpose of this Article is to ensure the vitality and fairness of democratic elections in North Carolina to the end that any eligible citizen of this State can realistically choose to seek and run for public office. It is also the purpose of this Article to protect the constitutional rights of voters and candidates from the detrimental effects of increasingly large amounts of money being raised and spent in North Carolina to influence the outcome of elections. It is essential to the public interest that the potential for corruption or the appearance of corruption is minimized and that the equal and meaningful participation of all citizens in the democratic process is ensured. Accordingly, this Article establishes the North Carolina Voter-Owned Elections Fund as an alternative source of campaign financing for candidates who obtain a sufficient number of qualifying contributions from registered voters and who voluntarily accept strict fund-raising and spending limits. This Article is available to candidates for the Council of State offices of ~~Auditor, Superintendent of Public Instruction,~~Auditor and Commissioner of Insurance in elections to be held in 2008 and thereafter."

SECTION 15.(b) G.S. 163-278.96(12) reads as rewritten:

"(12) Office. – The Council of State offices of ~~Auditor, Superintendent of Public Instruction,~~ Auditor and Commissioner of Insurance."

SECTION 15.(c) Within five business days of the effective day of this act, the State Board of Elections shall notify any individual who is a candidate for Superintendent of Public Instruction and who has filed a declaration of intent to participate in the program for public financing through the North Carolina Voter-Owned Elections Fund that the candidate is no longer eligible to participate in the program.

SECTION 15.(d) This section is effective when it becomes law and applies to elections held on or after that date.

PART XVI. EFFECTIVE DATE

SECTION 16. Except as otherwise provided, this act is effective when it becomes law.

SENATE FINANCE COMMITTEE
Tuesday, June 5, 2012 at 1:00 PM
Room 544, Legislative Office Building

MINUTES

The Senate Finance Committee met at 1:00 PM on Tuesday, June 5, 2012 in room 544 of the Legislative Office Building. Thirty-one members of the committee were present. Allyson Wilson of Burlington, Alyssa Smith of Morganton, Meghan Breden of Wilkesboro, Ryan Phillips of Pinehurst, Tristan Gordon of Monroe, LaVell Williams of Clayton, Hugh Gore of Little River, S.C., Bryles Cutts and Beverly Foster of Henderson, and Catherine Blalock or Asheville served as pages. Senator Hartsell presided as chair.

S.B. 444 – UNC Nonappropriated Capital Projects

Senator Hartsell was recognized to explain the bill and moved to adopt the proposed committee substitute (PCS) for discussion. The motion carried. Senate Finance considered for discussion purposes a PCS for Senate Bill 444 at its meeting on Wednesday, May30th. The PCS authorized the construction of numerous projects by The University of North Carolina. The projects will be financed through revenue bonds and special obligation bonds, not appropriations from the General Fund. Senator Apodaca offered an amendment to remove two projects from the list that would impact the Horace Williams Airport property: Collaborative Science Building and Infrastructure Improvements – Phase 2. His amendment also would have changed how the State reimburses members of the Boards of Governors who reside outside North Carolina. The Committee did not vote on either the PCS or the amendment. The new PCS does two things: 1) it incorporates the first part of Senator Apodaca's amendment by removing the two projects from the list of UNC projects, and 2) it adds to the bill a new section authorizing 29 capital projects to be funded with receipts or from other non-General Fund sources (Section 10, page 3, line 38). The General Assembly must authorize these projects each year. Senator Hartsell asked that the PCS be temporary displaced on the agenda in order to allow Representative Folwell time to come to the meeting to explain a section. The PCS was displaced.

S.B. 827 – Extend Tax Provisions

This bill was displaced in order to take up H.B. 1025 – Extend Tax Provisions.

H.B. 1025 – Extend Tax Provisions

Representative Starnes was recognized to explain the bill. It is anticipated that major tax modernization will be undertaken during the 2013 session of the General Assembly. This act extends the following provisions in order to maintain the current state of the North Carolina tax code until comprehensive tax modernization can be accomplished. Senator Jenkins moved for a favorable report and the motion carried. A copy of the bill and the summary is attached.

S.B. 828 – Unemployment Insurance Changes

Senator Rucho was recognized to explain the bill and moved to adopt the PCS for discussion. The motion carried. The PCS includes several changes to the unemployment laws that fall within these three categories: the extension of the three-year look-back period from January 1, 2012 to January 1, 2013; the resolution of outstanding issues associated with S.L. 2011-401, 532 – changes advised by the US Department of Labor; and the statutory changes required to comply with the federal Trade Adjustment Assistance Extension Act of 2011. Cindy Avrette and Jan Paul, attorneys with the Research Division, were recognized to further explain the PCS and answer questions. Senator Tillman moved for a favorable report and the motion carried. A copy of the PCS and the summary is attached.

H.B. 1015 – Set Public Utility and Insurance Reg. Fees

Representative Starnes was recognized to explain the bill. Senator Apodaca moved to adopt the PCS for discussion and the motion carried. Cindy Avrette explained that the PCS would set the rates for the public utility regulatory fees and the insurance regulatory charge for fiscal year 2012-13. It would also make the following changes related to economic development: removes the cap on the number of grants, which is currently 25, that may be awarded in a calendar year under the Job Development Investment Grant program (it does not change the monetary cap); it permits the use of Industrial Development Fund moneys for sewer infrastructure projects in adjoining counties; it broadens the 20-year carryforward period under Article 3J by lowering the investment threshold from $150 million to $100 million to the extent an eligible company makes the investment in a tier one county; and it makes a technical correction to the definition of a port enhancement zone. Senator Apodaca moved for a favorable report and the motion carried. A copy of the PCS and the summary is attached.

S.B. 444 – UNC Nonappropriated Capital Projects

Discussion on the bill resumed with Representative Folwell being recognized. He explained objections to Winston Salem State's purchase of the Bowman Gray Stadium since it will raise student fees, eliminate a quarter of the car races which draw large crowds and is a 61 year tradition. After much discussion, Senator Apodaca moved for a favorable report and the motion carried. A copy of the PCS, the summary, the fiscal memo and the amendment is attached.

The meeting adjourned at 1:41 PM.

Referred to:

March 29, 2011

A BILL TO BE ENTITLED

AN ACT TO AUTHORIZE THE CONSTRUCTION AND THE FINANCING, WITHOUT APPROPRIATIONS FROM THE GENERAL FUND, OF CERTAIN CAPITAL IMPROVEMENTS PROJECTS.

The General Assembly of North Carolina enacts:

STATEMENT OF PURPOSE

SECTION 1. The purpose of this act is to authorize (i) the planning or construction by certain constituent institutions of The University of North Carolina of the capital improvements projects listed in the act for the respective institutions, (ii) the financing of these projects with funds available to the institutions from gifts, grants, receipts, self-liquidating indebtedness, Medicare reimbursements for education costs, hospital receipts from patient care, or other funds, or any combination of these funds, but not including funds received for tuition or appropriated from the General Fund of the State unless previously authorized by General Statute, and (iii) other expenditures for improvements.

UNC CAPITAL IMPROVEMENT PROJECTS

SECTION 2. The capital improvements projects, and their respective costs, authorized by this act to be constructed and financed as provided in Section 1 of this act, including by revenue bonds, by special obligation bonds as authorized in Section 5 of this act, or by both, are as follows:

Appalachian State University	
Winkler Residence Hall – Supplement	$ 3,000,000
Belk Residence Hall	9,765,000
East Carolina University	
Belk Residence Hall Demolition and Reconstruction	40,000,000
North Carolina State University	
Phytotron Energy Savings Performance Contract	6,200,000
The University of North Carolina at Asheville	
Mountain Area Health Education Center (MAHEC) Facility Acquisition	4,750,000

The University of North Carolina at Chapel Hill	
Chilled Water Infrastructure Improvements	11,700,000
Steam and Hot Water Infrastructure Improvements	12,000,000
Craige Parking Deck – Supplement	8,000,000
The University of North Carolina at Charlotte	
Campus Infrastructure Development	49,500,000
Residence Hall Phase XII	38,407,410
Cedar/Hickory/Sycamore (Phase IV-A) Renovation	10,000,000
The University of North Carolina at Greensboro	
1600 W. Lee Street Parking Lot Improvements	3,432,000
Reynolds and Grogan Residence Hall Renovation	16,640,000
Winston-Salem State University	
Restore the Core – Phase I (Hill Hall)	13,500,000
New Student Housing Building 1 Acquisition	14,500,000
South Campus Acquisitions and Improvements	7,500,000
North Campus Acquisitions and Improvements	7,000,000

SECTION 3. The capital improvements projects, and their respective costs, authorized by this act to be planned and financed as provided in Section 1 of this act, including by revenue bonds, by special obligation bonds as authorized in Section 5 of this act, or by both, are as follows:

North Carolina A&T State University	
New Student Center	$ 5,000,000
Williams Dining Hall Kitchen Replacement	500,000
North Carolina Central University	
New – Student Health Services Center – Phase 1	700,000
The University of North Carolina at Chapel Hill	
Athletic Facilities Master Plan and Phase 1 Improvements	5,000,000
Odum Village Replacement	5,000,000
Winston-Salem State University	
Restore the Core – Phase II (Hauser, Pegram, Physical Plant)	1,500,000

SECTION 4. At the request of the Board of Governors of The University of North Carolina and upon determining that it is in the best interest of the State to do so, the Director of the Budget may authorize an increase or decrease in the cost of, or a change in the method of, funding the projects authorized by this act. In determining whether to authorize a change in cost or funding, the Director of the Budget may consult with the Joint Legislative Commission on Governmental Operations.

SECTION 5. Pursuant to G.S. 116D-26, the Board of Governors may issue, subject to the approval of the Director of the Budget, at one time or from time to time, special obligation bonds of the Board of Governors for the purpose of paying all or any part of the cost of acquiring, constructing, or providing for the projects authorized by Section 2 and Section 3 of this act. The maximum principal amount of bonds to be issued shall not exceed the specified

project costs in Section 2 and Section 3 of this act plus five percent (5%) of such amount to pay issuance expenses, fund reserve funds, pay capitalized interest, and pay other related additional costs, plus any increase in the specific project costs authorized by the Director of the Budget pursuant to Section 4 of this act.

SECTION 6. With respect to UNC-Chapel Hill's Chilled Water Infrastructure Improvements capital project, the institution may accomplish construction and financing notwithstanding the requirement in G.S. 116D-22(5) as to location at the institution and may accomplish the project either through (i) direct ownership of the project or (ii) an arrangement with Orange Water and Sewer Authority.

SECTION 7. With respect to Winston-Salem State University's New Student Housing Building 1 Acquisition project, the institution may accomplish construction, acquisition, and financing through arrangements to, from, and with Winston-Salem State University Foundation, Inc., and Winston-Salem State University Housing Foundation, LLC.

SECTION 8. With respect to Winston-Salem State University's South Campus Acquisitions and Improvements project, the institution may accomplish construction, acquisition, and financing notwithstanding the requirement in G.S. 116D-22(5) as to location at the institution and either through (i) direct ownership of the project or (ii) by participation in a long-term agreement with the City of Winston-Salem.

SECTION 9. G.S. 18B-1006(a) reads as rewritten:

"(a) School and College Campuses. – No permit for the sale of malt beverages, unfortified wine, or fortified wine shall be issued to a business on the campus or property of a public school or college, other than at a regional facility as defined by G.S. 160A-480.2 operated by a facility authority under Part 4 of Article 20 of Chapter 160A of the General Statutes except for a public school or college function, unless that business is a hotel or a nonprofit alumni organization with a mixed beverages permit or a special occasion permit. This subsection shall not apply on property owned by a local board of education which was leased for 99 years or more to a nonprofit auditorium authority created prior to 1991 whose governing board is appointed by a city board of aldermen, a county board of commissioners, or a local school board. This subsection shall also not apply to the constituent institutions of The University of North Carolina with respect to the sale of beer and wine at (i) performing arts centers located on property owned or leased by the institutions if the seating capacity does not exceed 2,000 ~~seats, or to~~seats; (ii) any golf courses owned or leased by the institutions and open to the public for ~~use.~~use; or (iii) any stadiums that support a NASCAR-sanctioned one-fourth-mile asphalt flat oval short track, are owned or leased by the institutions, and limit the sale of malt beverages, unfortified wine, or fortified wine to events that are not sponsored or funded by the institutions."

NON-GENERAL FUND CAPITAL IMPROVEMENT AUTHORIZATIONS

SECTION 10. The General Assembly authorizes the following capital projects to be funded with receipts or from other non-General Fund sources available to the appropriate department:

Name of Project	Amount of Non-General Fund Funding Authorized for FY 2012-2013
Department of Public Safety	
Training Site Improvements	$ 620,000
Aviation Facilities Improvements	600,000
Logistics Facilities Improvements	310,000
Career Tech. Ed. Ctr. – Stonewall Jackson Y.D.C.	163,332
Storage Sheds – Statewide	51,765
Readiness Centers Improvements	40,000
Track and Field Facility – Stonewall Jackson Y.D.C.	161,046

Department of Agriculture	
Parking Improvement/Expansion-Raleigh Farmers Market	200,000
Wholesale Dock Enclosure – Raleigh Farmers Market	750,000
Phase II Greenhouse Exp. – Additional Funding – Tidewater RS	200,000
Phase II – Calf Barn Construction – Piedmont RS	150,000
Forest Road Construction	150,000
HVAC Campus Improvements – State Fairgrounds	2,500,000
Campus Infrastructure – State Fairgrounds	3,000,000
Renovations to Existing Buildings – State Fairgrounds	3,000,000
Hunt Horse Complex Site Rep & Improvements-State Fairgrounds	3,000,000
Department of Cultural Resources	
NC Maritime Museum Gallants Channel Multi-Use Facility	1,115,000
N.C. Museum of Art Trail Improvement Project	370,000
Duke Homestead Picnic Shelter	175,000
Department of Environment and Natural Resources	
Sound Side Dock & Education Gazebo at Roanoke Is. Aquarium	350,000
NC Zoo – Solar Pointe Restrooms	400,000
Wildlife Resources Commission	
Agency Land Purchase	3,750,000
Table Rock Hatchery Building Replacement	75,000
Watha Hatchery Building Replacement	300,000
New Construction of Fishing Access Areas	240,000
New Construction of Boating Access Areas	800,000
Renovations of Existing Boating Access Areas	800,000
ADA Initiative of Existing Boating Access Areas	280,000
Infrastructure Repair and Renovation	1,500,000
TOTAL AMOUNT OF NON-GENERAL FUND CAPITAL PROJECTS AUTHORIZED	**$25,051,143**

SECTION 11. This act is effective when it becomes law.

obligation bonds of the Board of Governors for the purpose of paying all or any part of the cost of acquiring, constructing, or providing for the projects authorized by Section 2 and Section 3 of this act. The maximum principal amount of bonds to be issued shall not exceed the specified project costs in Section 2 and Section 3 of this act plus five percent (5%) of such amount to pay issuance expenses, fund reserve funds, pay capitalized interest and pay other related additional costs, plus any increase in the specific project costs authorized by the Director of the Budget pursuant to Section 4 of this act.

SECTION 6. With respect to UNC- Chapel Hill's Chilled Water Infrastructure Improvements capital project, the institution may accomplish construction and financing notwithstanding the requirement in G.S. 116D-22(5) as to location at the institution and may accomplish the project either through (i) direct ownership of the project or (ii) an arrangement with Orange Water and Sewer Authority.

SECTION 7. With respect to Winston-Salem State University's New Student Housing Building 1 Acquisition project, the institution may accomplish construction, acquisition, and financing through arrangements to, from, and with Winston-Salem State University Foundation, Inc. and Winston-Salem State University Housing Foundation, LLC.

SECTION 8. With respect to Winston-Salem State University's South Campus Acquisitions and Improvements project, the institution may accomplish construction, acquisition, and financing notwithstanding the requirement in G.S. 116D-22(5) as to location at the institution and either through (i) direct ownership of the project, or (ii) by participation in a long-term agreement with the City of Winston-Salem.

SECTION 9. G.S. 18B-1006(a) reads as rewritten:

"(a) School and College Campuses. – No permit for the sale of malt beverages, unfortified wine, or fortified wine shall be issued to a business on the campus or property of a public school or college, other than at a regional facility as defined by G.S. 160A-480.2 operated by a facility authority under Part 4 of Article 20 of Chapter 160A of the General Statutes except for a public school or college function, unless that business is a hotel or a nonprofit alumni organization with a mixed beverages permit or a special occasion permit. This subsection shall not apply on property owned by a local board of education which was leased for 99 years or more to a nonprofit auditorium authority created prior to 1991 whose governing board is appointed by a city board of aldermen, a county board of commissioners, or a local school board. This subsection shall also not apply to the constituent institutions of The University of North Carolina with respect to the sale of beer and wine at (i) performing arts centers located on property owned or leased by the institutions if the seating capacity does not exceed 2,000 ~~seats, or to~~seats; (ii) any golf courses owned or leased by the institutions and open to the public for ~~use~~use; or (iii) any stadiums that support a NASCAR-sanctioned one-fourth-mile asphalt flat oval short track, are owned or leased by the institutions, and limit the sale of malt beverages, unfortified wine, or fortified wine to events that are not sponsored or funded by the institutions."

SECTION 10. This act is effective when it becomes law.

SENATE BILL 444:
UNC Nonappropriated Capital Projects

2011-2012 General Assembly

Committee:	Senate Finance	**Date:**	June 5, 2012
Introduced by:	Sen. Hartsell	**Prepared by:**	Cindy Avrette
Analysis of:	PCS to First Edition S444-CSMC-22		Committee Counsel

SUMMARY: ***Senate Finance considered for discussion purposes a PCS for Senate Bill 444 at its meeting on Wednesday, May 30th. The PCS authorized the construction of numerous projects by The University of North Carolina. The projects will be financed through revenue bonds and special obligation bonds, not appropriations from the General Fund.***

Sen. Apodaca offered an amendment to remove two projects from the list that would impact the Horace Williams Airport property: Collaborative Science Building and Infrastructure Improvements – Phase 2. His amendment also would have changed how the State reimburses members of the Board of Governors who reside outside North Carolina. The Committee did not vote on either the PCS or the amendment.

The NEW proposed committee substitute, S444-CSMC-22, does two things:

- ***It incorporates the first part of Sen. Apodaca's amendment by removing the two projects from the list of UNC projects.***
- ***It adds to the bill a new section authorizing 29 capital projects to be funded with receipts or from other non-General Fund sources. (Section 10, Page 3, line 38) The General Assembly must authorize these projects each year.***

CURRENT LAW: Under Article 8 of the State Budget Act, no State agency may expend funds for the construction or renovation of a capital improvement project unless authorized to do so by the General Assembly. The Board of Governors of The University of North Carolina may approve expenditures for projects that are to be funded entirely with non-General Fund money. However, under Article 3 of Chapter 116D, the General Assembly must approve the issuance of special obligation bonds for UNC projects.

There are two types of self-liquidating bonds that may be issued by the Board of Governors of the University of North Carolina. Article 21 of Chapter 116 of the General Statutes authorizes the Board of Governors to issue revenue bonds for the types of projects enumerated in the article. The types of projects for which revenue bonds may be issued include educational buildings, dormitories, recreational facilities, dining facilities, student centers, health care buildings, parking decks, etc. for the educational institutions, the University of North Carolina Health Care System, the University of North Carolina General Administration, and the University of North Carolina Hospitals at Chapel Hill. The revenue bonds are payable from rentals, charges, fees, and other revenues generated by the facility. The bonds are not payable from tax revenues.

Article 3 of Chapter 116D of the General Statutes authorizes the Board of Governors to issue special obligation bonds payable with any sources of income or receipts of the Board of Governors or a constituent or affiliated institution, but not including tuition payments or appropriations from the General Fund from State revenues. The bond proceeds could be used for construction, improvement, and acquisition of any capital facilities located at UNC constituent and affiliated institutions. The project must be approved by the board of trustees for the respective institution for which the project is authorized and the General Assembly must approve the project and the maximum aggregate principal amount for the project. The bonds are not payable from tax revenues.

BILL ANALYSIS: The *proposed committee substitute for Senate Bill 444* would authorize the construction and financing of the capital improvements projects at various constituent institutions of The University of North Carolina. The projects authorized by the bill would not be financed with funds appropriated from the State's General Fund; but may be financed with gifts, grants, receipts, self-liquidating indebtedness, Medicare reimbursements for education costs, other funds available to the constituent institutions, or a combination of any of those financing methods. The projects include academic, research, clinical and administrative space and improvements to student services, residential living, dining, recreation, and athletics facilities. Once approved, a detailed financial plan will be developed in consultation with financial advisors and bond counsel for each project. The plans must be approved by the Chancellor, the Boards of Trustees, the President, and the Board of Governors before construction contracts may be awarded and bonds issued.

The self-liquidating projects the Board of Governors plans to finance with revenue and/or special obligation bonds are listed in Sections 2 and 3 of the bill. The UNC revenue bond act in Article 21 of Chapter 116 of the General Statutes authorizes the Board of Governors to issue revenue bonds to finance the cost of a variety of capital projects. The UNC special obligation bond act in Article 3 of Chapter 116D of the General Statutes requires that the specific projects and their costs be set forth in legislation approved by the General Assembly and that the maximum amount of special obligation bonds to be issued to finance the specific projects listed be stated. Section 5 of the bill expressly states that the maximum principal amount of special obligation bonds to be issued shall not exceed the amounts listed in Sections 2 and 3 of the act plus 5%. The additional 5% may be used for related additional costs for which bond proceeds are routinely used, such as issuance expenses, funding of reserve funds, and capitalized interest.

This year's bill includes 17 capital projects on eight campuses in Section 2 of the bill. The Chancellors and Boards of Trustees for the listed campuses, as well as the President and the Board, have approved these projects. Support from General Fund sources for operating costs will be required only for facilities used for academic programs.

Sections 6 through 8 authorize three institutions to construct and finance projects through lease arrangements to, from, and with named entities. Once constructed and approved by state reviewing agencies, the improvements would transfer to the respective institutions. The three projects are:

- Chilled Water Infrastructure Improvements capital project at UNC-Chapel Hill. The school will partner with the Orange Water and Sewer Authority.
- New Student Housing Building capital project at Winston-Salem State University. The school will partner with Winston-Salem State University Foundation, Inc. and Winston-Salem State University Housing Foundation, LLC.
- Bowman Gray Stadium, Fieldhouse, parking lots, and recreation area capital project at Winston-Salem State University. The school will partner with the City of Winston-Salem.

Section 3 authorizes the Board of Governors to expend non-General Fund money to plan six capital projects on four campuses.

Section 9 provides that the prohibition in the ABC laws for the sale of beer and wine on the property of a public school or college would not apply to the Bowman Gray Stadium. This exception would be limited to events that are not sponsored or funded by the institution, Winston-Salem State. NASCAR is a sponsored event at this stadium.

Section 10 authorizes the construction of 29 capital projects to be funded with non-General Fund sources totaling $25,051,143.

S444-SMRB-129(CSMC-22) v1

GENERAL ASSEMBLY OF NORTH CAROLINA

Session 2011

FISCAL ANALYSIS MEMORANDUM

[This confidential fiscal memorandum is a fiscal analysis of a draft bill, amendment, committee substitute, or conference committee report that has not been formally introduced or adopted on the chamber floor or in committee. This is not an official fiscal note. If upon introduction of the bill you determine that a formal fiscal note is needed, please make a fiscal note request to the Fiscal Research Division, and one will be provided under the rules of the House and the Senate.]

DATE: June 4, 2012

TO: Sen. Hartsell and Rucho

* This reflects the Phytotron Energy Savings Performance Project at North Carolina State University (Guaranteed Energy Savings Contract). The associated utility savings are supported entirely by the General Fund. Under State Law, these are allowed to be considered "obligated resources" by the campuses.

BILL SUMMARY: **Section 1:** Authorizes the construction or acquisition of capital improvement projects defined in subsequent sections by certain constituent institutions of the University of North Carolina (UNC) System and authorizes their financing with funds available to the institutions from gifts, grants, receipts, self-liquidating indebtedness, or other funds or a combination of these funds, but not including funds received from tuition or appropriations from the General Fund, unless previously authorized by General Statute.

Section 2: New Projects:

Projects By Campus	Amount
1. Appalachian State University	
Winkler Residence Hall – Supplement	$3,000,000
Belk Residence Hall	$9,765,000
2. East Carolina University	
Belk Residence Hall Demolition and Reconstruction	$40,000,000
3. North Carolina State University	
Phytotron Energy Savings Performance Contract[1]	$6,200,000
4. University of North Carolina – Asheville	
Mountain Area Health Education Center (MAHEC) Facility Acquisition	$4,750,000
5. University of North Carolina-Chapel Hill	
Chilled Water Infrastructure Improvements	$11,700,000
Steam and Hot Water Infrastructure Improvements	$12,000,000
Craige Parking Deck – Supplement	$8,000,000
6. University of North Carolina – Charlotte	
Campus Infrastructure Development	$49,500,000
Residence Hall Phase XII	$38,407,410
Cedar/Hickory/Sycamore (Phase IV-A) Renovation[2]	$10,000,000
7. University of North Carolina – Greensboro	
1600 W. Lee Street Parking Lot Improvements	$3,432,000
Reynolds and Grogan Residence Hall Renovation	$16,640,000

[1] Implements energy conservation measures in the Phytron Building.
[2] The facility is a residence hall

Projects By Campus	Amount
8. Winston Salem State University	
Restore the Core – Phase I (Hill Hall)[3]	$13,500,000
New Student Housing Building 1 Acquisition	$14,500,000
South Campus Acquisitions and Improvements[4]	$7,500,000
North Campus Acquisitions and Improvements[5]	$7,000,000
Total	**$255,894,410**

Section 3: Authorizes projects for planning pursuant to Section 1 of this bill. The projects are as follows:

Planning Projects By Campus	Amount
1. North Carolina A&T University	
New Student Center	$5,000,000
Williams Dining Hall Kitchen Replacement	$500,000
2. North Carolina Central University	
New Student Health Services Center – Phase 1	$700,000
3. University of North Carolina – Chapel Hill	
Athletic Facilities Master Plan and Phase 1 Improvements	$5,000,000
Odum Village Replacement	$5,000,000
4. Winston Salem State University	
Restore the Core – Phase II (Hauser, Pegram, Physical Plant)	$1,500,000
Total	**$17,700,000**

Section 4: At the request of the Board of Governors of the University of North Carolina, the Director of the Budget may authorize changes in project cost and financing. The Director is allowed to consult with the Joint Commission on Government Operations as necessary.

Section 5: Pursuant to G.S. 116D-26, the Board of Governors may, subject to the approval of the Director of the Budget, issue special obligation bonds of the Board of Governors specified in the previous sections. The total amount to be issued cannot exceed five percent of the costs specified in the previous sections, or altered subject to Section 4.

Section 6: Notwithstands G.S. 116D-22(5) to allow UNC-Chapel Hill to locate the project outside of UNC-Chapel Hill's property boundaries and allows the University to accomplish this project through either a direct ownership of the project or an arrangement with the Orange County Water and Sewer Authority.

---

[3] Renovates and expands Hill Hall. The new building will provide student service (advisors, retention specialists, etc).
[4] Acquires and renovates Bowman-Gray Stadium, Fieldhouse, surrounding parking lots, Civitan Park, and construct a pedestrian bridge.
[5] Constructs a parking deck

Section 7: Allows Winston-Salem State University to enter into an arrangement with the Winston-Salem State University Foundation, Inc. and Winston Salem State University Housing Foundation, LLC to undertake the New Student Housing Building 1 Acquisition Project.

Section 8: Notwithstands G.S. 116D-22(5) and allows Winston Salem State University (WSSU) to locate the South Campus Acquisitions and Improvements Project outside of campus boundaries. This provision also allows the University to construct, acquire, and finance the project through direct ownership or through a long-term agreement with the City of Winston Salem.

Section 9: Amends G.S. 18B-1006(a) (Regulation of Alcoholic Beverages at Schools and College Campuses) to allow for the sale of alcohol at the Bowman Gray Stadium in association with a NASCAR sanctioned ¼ mile flat oval short track. Bowman Gray Stadium is currently owned by the City of Winston-Salem which leases the facility, in part, to Winston Salem Speedway Inc. for NASCAR related events.

Section 10: This section authorizes various projects to be funded from non-General Fund sources at the various State agencies. The projects are listed below:

Agency	Amount
1. Department of Public Safety	
Training and Site Improvements	$620,000
Aviation Facilities Improvements	$600,000
Logistics Facilities Improvements	$310,000
Career Tech. Ed. Ctr. – Stonewall Jackson Y.D.C	$163,332
Storage Sheds – Statewide	$51,765
Readiness Center Improvements	$40,000
Track and Field Facility – Stonewall Jackson Y.D.C	$161,046
2. Department of Agriculture	
Parking Improvement/Expansion-Raleigh Farmers Market	$200,000
Wholesale Dock Enclosure – Raleigh Farmers Market	$750,000
Phase II Greenhouse Exp. – Additional Funding – Tidewater Research Station	$200,000
Phase II – Calf Barn Construction – Piedmont RS	$150,000
Forest Road Construction	$150,000
HVAC Campus Improvements – State Fairgrounds	$2,500,000
Campus Infrastructure – State Fairgrounds	$3,000,000
Renovations to Existing Buildings – State Fairgrounds	$3,000,000
Hunt Horse Complex Site and Rep and Improvements – State Fairgrounds	$3,000,000

Agency	Amount
3. Department of Cultural Resources	
NC Maritime Museum Gallants Channel Multi-use Facility	$1,115,000
NC Museum of Art Trail Improvement Project	$370,000
Duke Homestead Picnic Shelter	$175,000
4. Department of Environment and Natural Resources	
Sound Side Dock & Education Gazebo at Roanoke Island Aquarium	$350,000
NC Zoo – Solar Pointe Restrooms	$400,000
5. Wildlife Resources Commission	
Agency Land Purchase	$3,750,000
Table Rock Hatchery Building Replacement	$75,000
Watha Hatchery Replacement	$300,000
New Construction of Fishing Boat Access Areas	$240,000
New Construction of Boating Access Areas	$800,000
Renovations of Existing Boating Access Areas	$800,000
ADA Initiative of Existing Boating Access Areas	$280,000
Infrastructure Repair and Renovation	$1,500,000
Total	**$25,051,143**

ASSUMPTIONS AND METHODOLOGY: The following table uses information supplied by the University of North Carolina to estimate various impacts of the University of North Carolina Capital Projects. When a campus seeks to issue Special Indebtedness, they are required under G.S. 116D-26(b) to submit information to the General Assembly regarding these projects. The following table consolidates this information.

Table 1: Projects by Source of Funds and Operating Costs

Campus	Project	Amount	Source of Capital Funds	Effect of Debt on Students	Increase in Annual Operating Costs (1st Year)	General Fund Support of Operating Costs (1st Year)
ASU	Winkler Residence Hall – Suppliment	$3,000,000	Housing Receipts		$152,368	$0
ASU	Belk Residence Hall	$9,765,000	Housing Receipts		$26,000	$0
ECU	Belk Residence Hall Demolition and Reconstruction	$40,000,000	Housing Receipts		$662,540	$0

Campus	Project	Amount	Source of Capital Funds	Effect of Debt on Students	Increase in Annual Operating Costs (1st Year)	General Fund Support of Operating Costs (1st Year)
NCSU	Phytotron Energy Savings Performance Contract	$6,200,000	Energy Savings*		$93,389	$0*
UNCA	MAHEC Facility Acquisition	$4,750,000	Debt service fee and other obligated resources	$90	$289,043	$0
UNCCH	Chilled Water Infrastructure Improvements	$11,700,000	Utility Receipts		$0	$0
UNCCH	Steam and Hot Water Infrastructure Improvements	$12,000,000	Utility Receipts		$0	$0
UNCCH	Craige Parking Deck	$8,000,000	Parking Receipts		$0	$0
UNCC	Campus Infrastructure Development	$49,500,000	Debt Service Fee	$100	$0	$0
UNCC	Residence Hall Phase XII	$38,407,410	Housing Receipts		$1,863,457	$0
UNCC	Cedar/Hickory/Sycamore (Phase IV-A) Renovation	$10,000,000	Housing Receipts		$98,031	$0
UNCG	Reynolds and Grogan Residence Hall Renovation	$16,640,000	Housing Receipts		$0	$0
WSSU**	Restore the Core Phase 1	$13,500,000	Debt service fee, grants, gifts	$115	$179,664	$179,664
WSSU	New Student Building Acquisition	$14,500,000	Housing Receipts		$654,365	$0
WSSU**	South Campus Acquisitions and Improvements	$7,500,000	Debt Service Fee	$110	$181,523	$181,523
WSSU**	North Campus Acquisitions	$7,000,000	Debt Service Fee	$115	$168,844	$0

* S.L. 2011-145, Sec 9.6D(h) allowed UNC to utilize General Fund appropriated utility savings as an obligated resource.

** There will be a reduction of $115 per student debt service fee at WSSU due to the retirement of debt. There is an additional $55 per student debt service fee to support the Student Union. The total debt service fee for FY 2012-13 is $270.

Several of the projects listed above have existing cash on hand from the various sources provided above that will be used to support the specific projects. The table below presents how this will impact new debt issuances. In total, this will Bill will authorize $225,194,410 in new debt at the campuses.

Table 2: Projects with Partial Cash Financing

Campus	Project	Total Project	Cash on Hand	New Debt
UNCCH	Chilled Water Infrastructure Improvements	$11,700,000	$4,700,000	$7,000,000
UNCCH	Steam and Hot Water Infrastructure Improvements	$12,000,000	$3,500,000	$8,500,000
UNCC	Campus Infrastructure Development	$49,500,000	$14,500,000	$35,000,000
UNCC	Cedar/Hickory/Sycamore (Phase IV-A) Renovation	$10,000,000	$2,500,000	$7,500,000
WSSU	Restore the Core Phase 1	$13,500,000	$5,500,000	$8,000,000
Total		**$96,700,000**	**$30,700,000**	**$66,000,000**

Operating Expenditures: At each of the following campuses with projects authorized by this Bill, it is expected that there will be an increase in operating requirements and associated positions. These operating impacts are commonly referred to as building reserves. The University of North Carolina System estimates that the projects at Winston Salem State University will lead to a request for a General Fund appropriation, as they are academic in nature. The table below reflects the estimated General Fund operating impact by campus where a request for General Fund support will be made, new positions are also included:

Table 4: General Fund Supported Building Reserves

Campus	2012-13	2013-14	2014-15	2015-16	2016-17
WSSU	$367,742	$334,911	$344,791	$353,480	$361,292
Total	**$367,742**	**$334,911**	**$344,791**	**$353,480**	**$361,292**
FTE	4	4	4	4	4

The following table reflects building reserves which will be paid from receipts at the campus:

Table 5: Receipt Supported Building Reserves

Campus	2012-13	2013-14	2014-15	2015-16	2016-17
ASU	$0	$49,079	$177,139	$182,208	$186,234
ECU	$0	$0	$345,527	$662,540	$677,182
UNCA	$248,367	$273,806	$281,883	$288,987	$295,373
UNCC	$0	$0	$2,047,153	$1,907,316	$1,949,468
UNCG	$0	$1,688	$43,114	$44,510	$45,958
WSSU	$728,859	$686,130	$706,371	$724,171	$740,176
Total	**$977,226**	**$1,010,703**	**$3,601,187**	**$3,809,732**	**$3,894,391**
FTE	14	40	49	49	49

Debt Service Expenditures: In addition to operating expenditures, the campuses will also be required to pay debt service on the various debt financed projects. The table below reflects the estimated amount of additional debt service by campus:

Table 6: Estimated New Debt Service By Project

Campus	2012-13	2013-14	2014-15	2015-16	2016-17
ASU	$0	$1,276,500	$1,276,500	$1,276,500	$1,276,500
ECU	$4,000,000	$4,000,000	$4,000,000	$4,000,000	$4,000,000
UNCA	$475,000	$475,000	$475,000	$475,000	$475,000
UNCCH	0	$2,350,000	$2,350,000	$2,350,000	$2,350,000

UNCG	$0	$2,007,200	$2,007,200	$2,007,200	$2,007,200
WSSU	$1,500,000	$3,700,000	$3,700,000	$3,700,000	$3,700,000
Total	**$5,975,000**	**$22,317,441**	**$22,330,266**	**$22,343,475**	**$22,357,081**

One project is listed separately: the Phytotron Energy Savings Performance Contract at North Carolina State University (NCSU). S.L. 2011-145, Sec 9.6D(h) allowed UNC to utilize General Fund appropriated utility savings as an obligated resource for the purposes of Special Indebtedness. According to NCSU, the project will be financed solely from the General Fund appropriated utility account, which is $28,691,627 for the current Fiscal Year. The project will be financed by savings associated with replacement and upgrade of systems at the Phytotron Building. Per the existing Statute, NCSU is responsible for any unrealized savings associated with this project. The table below presents the estimated energy savings, maintenance and verification costs (M&V Costs), debt service payments, and net savings. At the front of the Memo, M&V Costs and debt service are combined into the GESC line item.

Table 7: Phytotron Energy Savings Performance Contract

Costs	2012-13	2013-14	2014-15	2015-16	2016-17
Utility Savings	$0	$450,000	$463,500	$477,405	$491,727
Debt Service	$0	($418,000)	($430,825)	($444,035)	($457,641)
M&V Costs	$0	($10,000)	($10,000)	($10,000)	($10,000)
Net Savings	**$0**	**$22,000**	**$22,675**	**$23,370**	**$24,086**

Revenues: Three Campuses have elected to institute a new debt service fee in order to finance the various projects. Utilizing historic enrollment data from UNC for 2001-2010, Fiscal Research staff has projected the average annual revenue increase at the Campuses.

Table 8: Estimated Debt Service Fee Revenue

Campus	Average Growth	2012-13	2013-14	2014-15	2015-16	2016-17
UNCA	2.52%	$345,417	$354,122	$363,046	$372,195	$381,574
UNCC	4.22%	$2,522,801	$2,629,258	$2,740,208	$2,855,840	$2,976,351
WSSU*	9.41%	$2,566,318	$2,807,934	$3,072,298	$3,361,552	$3,678,039
Total		**$5,434,536**	**$5,791,315**	**$6,175,553**	**$6,589,587**	**$7,035,964**

* Assumes the $270 net fee increase at WSSU.

Other projects will be supported by other obligated resources at the campuses, such as housing receipts. As these reflect existing sources of revenue, an incremental increase in fees was not available. UNC currently does not anticipate increasing receipts specifically for these projects. However, should the existing revenue stream not be sufficient to cover related debt service, some increase may be necessary.

State Agency Non-General Fund Projects

The section below reflects information provided by the State agencies regarding their projects as submitted to the Office of State Management and Budget. Various agencies listed insignificant increases to operating budgets as a result of the projects, with no dollar amounts. Staff assumes that agencies can absorb costs from current budgeted sources. The Department of Agriculture sees a minimal increase in utilities related to the parking lot.

Table 9: Projects by Source of Funds and Operating Costs

Agency	Project	Amount	Source of Funds	Increase in Annual Operating Costs (1st Year)	General Fund Support of Operating Costs (1st Year)
DPS	Training and Site Improvements	$620,000	Federal	$0	$0
)PS	Aviation Facilities Improvements	$600,000	Federal	$0	$0

Agency	Project	Amount	Source of Funds	Increase in Annual Operating Costs (1st Year)	General Fund Support of Operating Costs (1st Year)
DPS	Logistics Facilities Improvements	$310,000	Federal	$0	$0
DPS	Storage Sheds - Statewide	$51,765	Receipts	$0	$0
DPS	Career Tech. Ed. Ctr. – Stonewall Jackson Y.D.C	$163,332	Grant	$0	$0
DPS	Readiness Center Improvements	$40,000	Federal	$0	$0
DPS	Track and Field Facility – Stonewall Jackson Y.D.C	$161,046	Donation	$0	$0
DACS	Parking Improvement/Expansion-Raleigh Farmers Market	$200,000	Receipts	Minimal	$0
DACS	Wholesale Dock Enclosure – Raleigh Farmers Market	$750,000	Receipts	$0	$0
DACS	Phase II Greenhouse Exp. – Additional Funding – Tidewater Research Station	$200,000	Receipts	$0	$0

HOUSE BILL 1025*
Committee Substitute Favorable 5/30/12

Short Title: Extend Tax Provisions. (Public)

Sponsors:

Referred to:

May 22, 2012

A BILL TO BE ENTITLED

AN ACT TO EXTEND THE SUNSET OF CERTAIN TAX PROVISIONS.

The General Assembly of North Carolina enacts:

SECTION 1. Section 2 of S.L. 2009-505 reads as rewritten:

"**SECTION 2.** This act is effective when it becomes law and expires ~~July 1, 2012.~~July 1, 2013."

SECTION 2. G.S. 105-129.16D(d) reads as rewritten:

"(d) Sunset. – This section is repealed effective for facilities placed in service on or after ~~January 1, 2013.~~January 1, 2014."

SECTION 3. G.S. 105-129.16F(b) reads as rewritten:

"(b) Sunset. – This section is repealed for taxable years beginning on or after ~~January 1, 2013.~~January 1, 2014."

SECTION 4. G.S. 105-129.16G(b) reads as rewritten:

"(b) Sunset. – This section expires for taxable years beginning on or after ~~January 1, 2012.~~January 1, 2014."

SECTION 5. G.S. 105-129.82(a) reads as rewritten:

"(a) Sunset. – This Article is repealed effective for business activities that occur on or after ~~January 1, 2013.~~January 1, 2014."

SECTION 6.(a) G.S. 105-130.48(f) reads as rewritten:

"(f) Sunset. – This section is repealed effective for taxable years beginning on or after ~~January 1, 2013.~~January 1, 2014."

SECTION 6.(b) G.S. 105-151.30(f) reads as rewritten:

"(f) Sunset. – This section is repealed effective for taxable years beginning on or after ~~January 1, 2013.~~January 1, 2014."

SECTION 7. G.S. 105-151.28(d) reads as rewritten:

"(d) Sunset. – This section is repealed for taxable years beginning on or after ~~January 1, 2013.~~January 1, 2014."

SECTION 8. G.S. 105-151.31(c) reads as rewritten:

"(c) Sunset. – This section is repealed effective for taxable years beginning on or after ~~January 1, 2013.~~January 1, 2014."

SECTION 9. G.S. 105-131.32(c) reads as rewritten:

"(c) Sunset. – This section is repealed effective for taxable years beginning on or after ~~January 1, 2013.~~January 1, 2014."

SECTION 10. G.S. 105-163.015 reads as rewritten:

"**§ 105-163.015. Sunset.**

This Part is repealed effective for investments made on or after ~~January 1, 2013.~~January 1, 2014."

SECTION 11.(a) G.S. 105-164.14A(a) reads as rewritten:

"(a) Refund. – The following taxpayers are allowed an annual refund of sales and use taxes paid under this Article:

(1) **(Repealed for purchases made on or after January 1, 2013)** Passenger air carrier. – An interstate passenger air carrier is allowed a refund of the sales and use tax paid by it on fuel in excess of two million five hundred thousand dollars ($2,500,000). The amount of sales and use tax paid does not include a refund allowed to the interstate passenger air carrier under G.S. 105-164.14(a). This subdivision is repealed for purchases made on or after ~~January 1, 2013.~~January 1, 2014.

(2) Major recycling facility. – An owner of a major recycling facility is allowed a refund of the sales and use tax paid by it on building materials, building supplies, fixtures, and equipment that become a part of the real property of the recycling facility. Liability incurred indirectly by the owner for sales and use taxes on these items is considered tax paid by the owner.

(3) Business in low-tier area. – A taxpayer that is engaged primarily in one of the businesses listed in G.S. 105-129.83(a) in a development tier one area and that places machinery and equipment in service in that area is allowed a refund of the sales and use tax paid by it on the machinery and equipment. For purposes of this subdivision, "machinery and equipment" includes engines, machinery, equipment, tools, and implements used or designed to be used in one of the businesses listed in G.S. 105-129.83, capitalized for tax purposes under the Code, and not leased to another party. Liability incurred indirectly by the taxpayer for sales and use taxes on these items is considered tax paid by the taxpayer. The sunset for Article 3J of Chapter 105 of the General Statutes for development tier one areas applies to this subdivision.

(4) **(Repealed for purchases made on or after January 1, 2013)** Motorsports team or sanctioning body. – A professional motorsports racing team, a motorsports sanctioning body, or a related member of such a team or body is allowed a refund of the sales and use tax paid by it in this State on aviation fuel that is used to travel to or from a motorsports event in this State, to travel to a motorsports event in another state from a location in this State, or to travel to this State from a motorsports event in another state. For purposes of this subdivision, a "motorsports event" includes a motorsports race, a motorsports sponsor event, and motorsports testing. This subdivision is repealed for purchases made on or after ~~January 1, 2013.~~January 1, 2014.

(5) **(Repealed for purchases made on or after January 1, 2014)** Professional motorsports team. – A professional motorsports racing team or a related member of a team is allowed a refund of fifty percent (50%) of the sales and use tax paid by it in this State on tangible personal property, other than tires or accessories, that comprises any part of a professional motorsports vehicle. For purposes of this subdivision, "motorsports accessories" includes instrumentation, telemetry, consumables, and paint. This subdivision is repealed for purchases made on or after January 1, 2014.

(6) **(Repealed for purchases made on or after January 1, 2013)** Analytical services business. – A taxpayer engaged in analytical services in this State is allowed a refund of sales and use tax paid by it. This subdivision is repealed

for purchases made on or after ~~January 1, 2013.~~January 1, 2014. The amount of the refund is the greater of the following:

a. Fifty percent (50%) of the eligible amount of sales and use tax paid by it on tangible personal property that is consumed or transformed in analytical service activities. The eligible amount of sales and use tax paid by the taxpayer in this State is the amount by which sales and use tax paid by the taxpayer in this State in the fiscal year exceed the amount paid by the taxpayer in this State in the 2006-2007 State fiscal year.

b. Fifty percent (50%) of the amount of sales and use tax paid by it in the fiscal year on medical reagents.

(7) **(Repealed for purchases made on or after January 1, 2038)** Railroad intermodal facility. – The owner or lessee of an eligible railroad intermodal facility is allowed a refund of sales and use tax paid by it under this Article on building materials, building supplies, fixtures, and equipment that become a part of the real property of the facility. Liability incurred indirectly by the owner or lessee of the facility for sales and use taxes on these items is considered tax paid by the owner or lessee. This subdivision is repealed for purchases made on or after January 1, 2038."

SECTION 11.(b) G.S. 105-164.14B(f) reads as rewritten:

"(f) Sunset. – This section is repealed for sales made on or after ~~January 1, 2013.~~January 1, 2014."

SECTION 12.(a) G.S. 105-129.39 reads as rewritten:

"**§ 105-129.39. Sunset.**

This Article expires for qualified rehabilitation expenditures and rehabilitation expenses incurred on or after ~~January 1, 2014.~~January 1, 2015."

SECTION 12.(b) G.S. 105-129.75 reads as rewritten:

"**§ 105-129.75. Sunset.**

This Article expires ~~January 1, 2014,~~January 1, 2015, for rehabilitation projects for which an application for an eligibility certification is submitted on or after that date."

SECTION 13. This act is effective when it becomes law.

HOUSE BILL 1025:
Extend Tax Provisions

2011-2012 General Assembly

Committee:	Senate Finance	**Date:**	June 5, 2012
Introduced by:	Reps. Howard, Starnes	**Prepared by:**	Heather Fennell Committee Counsel
Analysis of:	Second Edition		

SUMMARY: The proposed draft extends several tax provisions.

[As introduced, this bill was identical to S827, as introduced by Sens. Rucho, Hartsell, Blue, which is currently in Senate Finance.]

BILL ANALYSIS: It is anticipated that major tax modernization will be undertaken during the 2013 session of the General Assembly. This act extends the following provisions in order to maintain the current state of the North Carolina tax code until comprehensive tax modernization can be accomplished.

Section 1: Extends the tier one designation for seafood industrial parks through July 1, 2013.

Sections 2-10: Extends the following tax credits through January 1, 2014:

2. Tax credit for renewable fuel facilities.
3. Tax credit for biodiesel producers.
4. Work opportunity tax credit.
5. Article 3J tax credits.
6. Tax credit for recycling oyster shells.
7. Tax credit for premiums on long-term care insurance.
8. Refundable earned income tax credit.
9. Tax credit for adoption expenses.
10. Tax credit for qualified business ventures.

Section 11: Extends the following sales tax refunds through January 1, 2014:

- Passenger air carriers
- Machinery and equipment place in a tier 1 county.
- Aviation fuel for motorsports team of sanctioning body.
- Analytical services.
- Certain industrial facilities.

Section 12: Extends the credits for rehabilitating historic structures and historic mill property to January 1, 2015.

EFFECTIVE DATE: This act is effective when it becomes law.

SENATE BILL 828*
PROPOSED COMMITTEE SUBSTITUTE S828-CSRB-80 [v.1]

6/4/2012 2:07:36 PM

Short Title: Unemployment Insurance Changes. (Public)

Sponsors:

Referred to:

May 21, 2012

A BILL TO BE ENTITLED

AN ACT TO MAKE CHANGES TO THE UNEMPLOYMENT INSURANCE LAWS.

The General Assembly of North Carolina enacts:

PART I. CHANGE THE LAW TO CONTINUE THE THREE-YEAR LOOK-BACK TRIGGER FOR EXTENDED BENEFITS

SECTION 1.(a) The General Assembly finds that the Governor's Executive Order No. 93, entitled "Extend Unemployment Benefits to Protect the Safety, Health, and Welfare of North Carolina's Long-Term Unemployed," was the purported basis for action by the then Employment Security Commission to provide for the extension of unemployment benefits to thousands of North Carolinians. The extension of unemployment benefits was grounded upon amendments to Section 203 of the Federal-State Extended Unemployment Compensation Act of 1970 (the "1970 Act"), as amended by Section 502(b) of the Tax Relief, Unemployment Insurance Reauthorization and Job Creation Act of 2010 (the "Tax Relief Act of 2010").

SECTION 1.(b) The General Assembly finds that the Governor's Executive Order 113, entitled "Further Extend Unemployment Benefits to Protect the Safety, Health, and Welfare of North Carolina's Long-Term Unemployed" was the purported basis for action by the then Employment Security Commission to provide for the extension of unemployment benefits to thousands of North Carolinians nearing the end of a two-month federal extension of unemployment benefits under Section 201 of the Temporary Payroll Tax Cut Continuation Act of 2011. That extension, authorized through February 29, 2012, was grounded upon amendments to Section 203 of the 1970 Act, as amended by Section 502(b) of the Tax Relief Act of 2010.

SECTION 1.(c) The General Assembly finds that Section 502(b) of the Tax Relief Act of 2010 specifies that the extension of benefits is to be made only as "the State may by law provide." Section 205(f) of the underlying 1970 Act defines "State law" as the "unemployment compensation law of the State, approved by the [U.S. Secretary of Labor]." In North Carolina, that law is Chapter 96 of the General Statutes, the "Employment Security Law." Nothing in Chapter 96 of the General Statutes, then or now, authorizes the Governor to extend unemployment benefits by Executive Order, nor does Executive Order 93 or Executive Order No. 113, or any other such order, constitute a "State law" within the meaning of the 1970 Act or the North Carolina Constitution. Section 1 of Article II of the North Carolina Constitution provides that "The legislative power of the State shall be vested in the General Assembly."

Further, Section 6 of Article I of the North Carolina Constitution provides that the legislative and executive powers are "...separate and distinct...."

SECTION 1.(d) The General Assembly finds that the people of this State entrusted the creation of laws to the General Assembly, not to the executive branch, and that Executive Order No. 93 and Executive Order No. 113 were issued and acted upon by the executive branch in a manner contrary to the rule of law.

SECTION 1.(e) Further, the General Assembly finds that it enacted Section 6.16 of Session Law 2011-145 and, in so doing, validated the effects of the Governor's Executive Order No. 113 with the stated intent to allow extended benefits to be paid under the Tax Relief Act of 2010 so long as payment of the extended benefits did not hinder the State's ability to reduce its debt owed to the federal government for unemployment benefits.

SECTION 1.(f) It is deemed, therefore, to be in the best interest of the people of this State that the General Assembly now ratify and hereby validate the effects of the Governor's Executive Order No. 113.

SECTION 1.(g) To maintain the rule of law with respect to State and federal relations pertaining to employment security laws in North Carolina, any executive order issued by the Governor that purports to extend unemployment insurance benefits, whether those benefits will be paid from federal or State funds, is void ab initio, unless the executive order is issued upon authority that is conferred expressly by an act enacted by the General Assembly or granted specifically to the Governor by the Congress of the United States.

SECTION 1.(h) Section 6.16(d) of S.L. 2011-145 reads as rewritten:

"**SECTION 6.16.(d)** This section becomes effective April 16, 2011, and expires ~~January 1, 2012.~~January 1, 2013."

SECTION 1.(i) G.S. 96-12.01(a1)(4)c.3. reads as rewritten:

"3. This section applies as provided under the Tax Relief, Unemployment Insurance Reauthorization, and Job Creation Act of 2010 (P.L. 111-312) as it existed on December 17, 2010, and is applicable to compensation for weeks of unemployment beginning after December 17, 2010, and ending on or before ~~December 31, 2011,~~ December 31, 2012, provided that:

I. The average rate of (i) insured unemployment, not seasonally adjusted, equaled or exceeded one hundred twenty percent (120%) of the average of such rates for the corresponding 13-week period ending in all of the preceding three calendar years and equaled or exceeded five percent (5%) or (ii) total unemployment, seasonally adjusted, as determined by the United States Secretary of Labor, for the period consisting of the most recent three months for which data for all states are published before the close of the week equals or exceeds six and one-half percent (6.5%); and

II. The average rate of total unemployment in this State, seasonally adjusted, as determined by the United States Secretary of Labor, for the three-month period referred to in this subsection, equals or exceeds one hundred ten percent (110%) of the average for any of the corresponding three-month periods ending in the three preceding calendar years."

SECTION 1.(j) G.S. 96-12.01(a1)(4)e.3. reads as rewritten:

"3. This subdivision applies as provided under the Tax Relief, Unemployment Insurance Reauthorization, and Job Creation Act of 2010 (P.L. 111-312) as it existed on December 17, 2010, and is applicable to compensation for weeks of unemployment beginning after December 17, 2010, and ending on or before ~~December 31, 2011,~~ December 31, 2012, provided that:

I. The average rate of total unemployment, seasonally adjusted, as determined by the United States Secretary of Labor, for the period consisting of the most recent three months for which data for all states are published before the close of the week equals or exceeds eight percent (8%); and

II. The average rate of total unemployment in this State, seasonally adjusted, as determined by the United States Secretary of Labor, for the three-month period referred to in this subdivision equals or exceeds one hundred ten percent (110%) of the average for any of the corresponding three-month periods ending in the three preceding calendar years."

SECTION 1.(k) This section is effective when it becomes law and applies retroactively to January 1, 2012.

PART II. RESOLUTION OF OUTSTANDING ISSUES FROM S.L. 2011-401

SECTION 2.(a) The Current Operations Appropriations Act for the 2012-2013 fiscal year shall provide for the annual salaries of the Board of Review, as provided in G.S. 96-4(b).

SECTION 2.(b) G.S. 96-14(2) reads as rewritten:

"**§ 96-14. Disqualification for benefits.**

An individual shall be disqualified for benefits:

...

(2) For the duration of the individual's unemployment beginning with the first day of the first week after the disqualifying act occurs with respect to which week an individual files a claim for benefits if it is determined by the Division that such individual is, at the time such claim is filed, unemployed because he or she was discharged for misconduct connected with the work. Misconduct connected with the work is defined as intentional acts or omissions evincing disregard of an employer's interest or standards of behavior which the employer has a right to expect or has explained orally or in writing to an employee or evincing carelessness or negligence of such degree as to manifest equal disregard.

"Discharge for misconduct connected with the work" as used in this section is defined to include but not be limited to any one or more of the following:

a. ~~separation~~ Separation initiated by an employer for violating the employer's written alcohol or illegal drug ~~policy; reporting~~policy.

b. Reporting to work significantly impaired by alcohol or illegal ~~drugs; consuming~~drugs.

c. Consuming alcohol or illegal drugs on employer's ~~premises; conviction~~ premises.

d. Conviction by a court of competent jurisdiction for manufacturing, selling, or distribution of a controlled substance punishable under G.S. 90-95(a)(1) or G.S. 90-95(a)(2) ~~while in the employ of said employer; being~~ if the offense is related to or connected with an employee's work for an employer or is in violation of a reasonable work rule or policy.

e. Being terminated or suspended from employment after arrest or conviction for an offense involving violence, sex crimes, or illegal ~~drugs; any~~ drugs if the offense is related to or connected with an employee's work for an employer or is in violation of a reasonable work rule or policy.

f. Any physical violence whatsoever related to an employee's work for an employer, including, but not limited to, physical violence directed at supervisors, subordinates, coworkers, vendors, customers, or the general ~~public; inappropriate~~public.

g. Inappropriate comments or behavior towards supervisors, subordinates, coworkers, vendors, customers, or to the general public relating to any federally protected characteristic which creates a hostile work ~~environment; theft~~ environment.

h. Theft in connection with the ~~employment; forging~~employment.

i. Forging or falsifying any document or data related to employment, including a previously submitted application for ~~employment; violation~~ employment.

j. Violation of an employer's written absenteeism ~~policy; refusing~~policy.

k. Refusing to perform reasonably assigned work ~~tasks; and the failure to adequately perform any other employment duties as evidenced by~~ tasks.

l. Intentional acts or omissions evincing disregard of the employer's interest or standards of behavior that the employer has a right to expect or has explained orally or in writing to the employee or evincing careless or negligence of such degree as to manifest equal disregard. For purposes of this sub-subdivision, evidence that an employee has received no fewer than three written reprimands ~~received~~ in the 12 months that immediately ~~preceding~~ precedes the employee's ~~termination.~~ termination is prima facie evidence of misconduct connected with the work. ~~This~~

The phrase "discharge for misconduct connected with the work" does not include the discharge or an employer-initiated separation of a severely disabled veteran, as defined in G.S. 96-8, for any act or omission of the veteran that the Division determines are attributed to a disability incurred or aggravated in the line of duty during active military service, or to the veteran's absence from work to obtain care and treatment of a disability incurred or aggravated in the line of duty during active military service."

SECTION 2.(c) G.S. 96-15(b)(2) reads as rewritten:

"(2) Adjudication. – When a protest is made by the claimant to the initial or monetary determination, or a question or issue is raised or presented as to the eligibility of a claimant under G.S. 96-13, or whether any disqualification should be imposed under G.S. 96-14, or benefits denied or adjusted pursuant to G.S. 96-18, the matter shall be referred to an adjudicator. The adjudicator may consider any matter, document or statement deemed to be pertinent to

the issues, including telephone conversations, and after such consideration shall render a conclusion as to the claimant's benefit entitlements. The adjudicator shall notify the claimant and all other interested parties of the conclusion reached. The conclusion of the adjudicator shall be deemed the final decision of the Division unless within 30 days after the date of notification or mailing of the conclusion, whichever is earlier, a written appeal is filed pursuant to rules adopted by the Division. The Division shall be deemed an interested party for such purposes and may remove to itself or transfer to an appeals referee the proceedings involving any claim pending before an adjudicator.

Provided, any interested employer shall be allowed ~~30~~10 days from the ~~earlier of mailing or~~ delivery of the notice of the filing of a claim against the employer's account to protest the claim and have the claim referred to an adjudicator for a decision on the question or issue raised. A copy of the notice of the filing shall be sent contemporaneously to the employer by telefacsimile transmission if a fax number is on file. Provided further, no question or issue may be raised or presented by the Division as to the eligibility of a claimant under G.S. 96-13, or whether any disqualification should be imposed under G.S. 96-14, after 45 days from the first day of the first week after the question or issue occurs with respect to which week an individual filed a claim for benefits. None of the provisions of this subsection shall have the force and effect nor shall the same be construed or interested as repealing any other provisions of G.S. 96-18.

An employer shall receive written notice of the employer's appeal rights and any forms that are required to allow the employer to protest the claim. The forms shall include a section referencing the appropriate rules pertaining to appeals and the instructions on how to appeal."

SECTION 2.(d) G.S. 96-15(f) reads as rewritten:

"(f) Procedure. – The manner in which disputed claims shall be presented, the reports thereon required from the claimant and from employers, and the conduct of hearings and appeals shall be in accordance with rules adopted by the Division for determining the rights of the parties, whether or not such rules conform to common-law or statutory rules of evidence and other technical rules of procedure. ~~All~~

All testimony at any hearing before an appeals referee upon a disputed claim shall be recorded unless the ~~the parties have waived the evidentiary hearing and entered into a stipulation resolving the issues pending before the appeals referee, hearing officer, or other employee assigned to make the decision,~~ recording is waived by all interested parties. If the testimony is recorded, it ~~but~~ need not be transcribed unless the disputed claim is further appealed and, one or more of the parties objects, under such rules as the Division may adopt, to being provided a copy of the tape recording of the hearing. Any other provisions of this Chapter notwithstanding, any individual receiving the transcript shall pay to the Division such reasonable fee for the transcript as the Division may by regulation provide. The fee so prescribed by the Division for a party shall not exceed the lesser of sixty-five cents (65¢) per page or sixty-five dollars ($65.00) per transcript. The Division may by regulation provide for the fee to be waived in such circumstances as it in its sole discretion deems appropriate but in the case of an appeal in forma pauperis supported by such proofs as are required in G.S. 1-110, the Division shall waive the fee.

The parties may enter into a stipulation of the facts. If the appeals referee, hearing officer, or other employee assigned to make the decision believes the stipulation provides sufficient information to make a decision, then the appeals referee, hearing officer, or other employee assigned to make the decision may accept the stipulation and render a decision based on the

stipulation. If the appeals referee, hearing officer, or other employee assigned to make the decision does not believe the stipulation provides sufficient information to make a decision, then the appeals referee, hearing officer, or other employee assigned to make the decision must reject the stipulation. The decision to accept or reject a stipulation must occur in a recorded hearing."

SECTION 2.(e) This section becomes effective November 1, 2012.

PART III. COMPLIANCE WITH THE TRADE ADJUSTMENT ASSISTANCE EXTENSION ACT OF 2011: NEW HIRE DIRECTORY

SECTION 3.(a) G.S. 110-129.2(c) reads as rewritten:

"(c) Report Contents. – Each report required by this section shall contain the name, address, ~~and~~ social security number of the newly hired employee, the date services for remuneration were first performed by the newly hired employee, and the name and address of the employer and the employer's identifying number assigned under section 6109 of the Internal Revenue Code of 1986 and the employer's State employer identification number. Reports shall be made on the W-4 form or, at the option of the employer, an equivalent form, and may be transmitted magnetically, electronically, or by first-class mail."

SECTION 3.(b) G.S. 110-129.2(j) is amended by adding a new subdivision to read:

"(j) Definitions. – As used in this section, unless the context clearly requires otherwise, the term:

...

(5) "Newly hired employee" means (i) an employee who has not previously been employed by the employer and (ii) an employee who was previously employed by the employer but has been separated from such prior employment for at least 60 consecutive days."

SECTION 3.(b) This section becomes effective July 1, 2012.

PART IV. EFFECTIVE DATE

SECTION 4. Except as otherwise provided, this act is effective when it becomes law.

SENATE BILL 828:
Unemployment Insurance Changes

2011-2012 General Assembly

Committee:	Senate Finance	**Date:**	June 5, 2012
Introduced by:	Sens. Rucho, Hartsell	**Prepared by:**	Cindy Avrette
Analysis of:	PCS to First Edition S828-CSRB-80		Committee Counsel

SUMMARY: ***Senate Bill 828 includes several changes to the unemployment laws that fall within these three categories:***

- ***The extension of the three-year look-back period from January 1, 2012, to January 1, 2013.***
- ***The resolution of outstanding issues associated with S. L. 2011-401, Senate Bill 532. The proposed committee substitute makes changes in this part of the bill, as advised by the US Department of Labor.***
- ***The statutory change required to comply with the federal Trade Adjustment Assistance Extension Act of 2011 this year.***

The bill is a recommendation of the Revenue Laws Study Committee.[1]

CHANGE IN THE LAW TO CONTINUE THE THREE-YEAR LOOK-BACK TRIGGER FOR EXTENDED BENEFIT

There are two permanent benefit programs required by federal law: regular unemployment benefits and extended benefits.[2] Regular unemployment benefits are fully funded by the State through its State Unemployment Insurance Trust Fund and claimants in North Carolina are eligible to receive benefits for up to 26 weeks under it. Extended benefits are available in a state when the state is experiencing high levels of unemployment.[3] The program is funded 50% by state contributions and 50% by the federal government. However, the federal government has paid 100% of the extended benefit claims since February 22, 2009.[4]

Extended benefits are triggered in a state when the unemployment rate is at least 6.5% and at least 10% higher than it was at the same time in either of the past two calendar years; this two-year window is known as the "two-year look-back". In the Tax Relief, Unemployment Insurance Reauthorization, and Job Creation Act of 2010[5], Congress allowed states to amend their laws to temporarily increase the two-year look-back period to a three-year look-back period. This measure enabled more states to offer extended benefits. Under the 2010 legislation, the temporary measure ended December 31, 2011.

[1] House Bill 1024, introduced by Rep. Howard and Rep. Starnes, is identical to the bill as introduced.

[2] Congress enacted Emergency Unemployment Compensation in 2008, known as EUC08. These benefits are fully payable by the federal treasury.

[3] In North Carolina, a claimant may receive up to 20 weeks of extended benefits.

[4] P.L. 111-5, Sec. 2005, approved February 19, 2009, *American Recovery and Reinvestment Act of 2009.* The provision has been extended several times in other federal legislation. The current expiration date for federal funding of extended benefits is December 31, 2012.

[5] P.L.111-312, approved December 17, 2010.

However, Congress extended the temporary measure twice.[6] It is currently set to expire December 31, 2012.

North Carolina changed the law to permit a three-year look-back in S.L. 2011-145, Section 6.16. This provision expired January 1, 2012. *Senate Bill 828* would extend the sunset from January 1, 2012, until January 1, 2013. In North Carolina, extended benefits will not be allowed for claim weeks later than May 12, 2012, because the State's unemployment rate has fallen below the trigger. However, it is possible the extended benefits may trigger back "on" before the end of the year.

The Governor ordered the Employment Security Commission to use the three-year look-back in Executive Order 93, dated June 3, 2011. The Governor ordered the Division of Employment Security to use the three-year look-back in Executive Order 113, dated January 11, 2012. Although the Executive Orders purport to give the Governor the authority to make this change, the federal law clearly states that a "State may by law" provide for the temporary look-back extension.[7] *Legislative Proposal #2*, finds that the Governor did not have the authority under federal law, the North Carolina Constitution, or Chapter 96 of the North Carolina General Statutes to change the look-back period.

RESOLUTION OF OUTSTANDING ISSUES FROM S.L. 2011-401, SENATE BILL 532

The General Assembly enacted Senate Bill 532 on July 26, 2012. The Senate passed the bill on June 2, 2011, by a vote of 43 to 5. The House passed the bill on June 15, 2011, by a vote of 104 to 12. Senate Bill 532 had four operative parts:

- It created the Division of Employment Security within the Department of Commerce and transferred the functions of the Employment Security Commission to that Division.
- It made the Division subject to rulemaking under Article 2A of chapter 150B of the General Statutes.
- It made substantive changes to the employment security laws.
- It made conforming changes to the employment security laws.

On June 30, 2011, the Governor vetoed the bill. In the Governor's Objections and Veto Message, she stated the U.S. Department of Labor informed the administration that a lack of conformity between the bill and federal law could result in a loss of money for the State's unemployment insurance program and a reduction in the FUTA tax credit.[8] A state's law must conform to the provisions of the federal unemployment compensation laws in order for employers in a state to be eligible for a credit against the FUTA tax and for the state to be eligible to receive an administrative grant to operate its unemployment compensation programs.

The General Assembly overrode the Governor's veto on July 26, 2011.[9] After passage of the bill, the Employment Security Commission informed the General Assembly by a letter dated October 12, 2011, of its intention to suspend the provisions of the bill determined by the U.S. Department of Labor to be noncompliant with federal law. G.S. 96-19(b) gives the Division of Employment Security the authority

---

[6] P.L. 112-78, approved December 23, 2011, *Temporary Payroll Tax Cut Continuation Act of 2011.* P.L. 112-96, approved February 22, 2012, *The Middle Class Tax Relief and Job Creation Act of 2012.*

[7] P. L. 11-312, approved December 2010, Sec. 502, *Tax Relief, Unemployment Insurance Reauthorization, and Job Creation Act of 2010.*

[8] The FUTA tax rate is 6% and is imposed on wages up to $7,000 a year. Federal law provides a credit against the tax liability of up to 5.4% to employers who pay state taxes timely under an approved state unemployment insurance program. The 2012 effective FUTA tax rate for NC employers is 0.9%, which is approximately $63 per employee.

[9] The Senate voted to override the veto on July 13, 2011, by a vote of 31 to 17. The House voted to override the veto on July 26, 2011, by a vote of 72 to 47.

:o suspend enforcement of a provision upon receiving notification from the U.S. Department of Labor that the provision is noncompliant with the requirements of federal law. The suspension may be in effect until the Legislature next has an opportunity to reconsider the provisions purported to be noncompliant with federal law.

Senate Bill 828 addresses the areas of concern noted by the U.S. Department of Labor. The changes have been shared with the U.S. Department of Labor and have been found to be in compliance with federal law.

- **Payment of UC with the greatest promptness that is administratively feasible.** Senate Bill 532 expanded the time for an employer to provide information required to protest a claim from 10 days to 30 days. The U.S. Department of Labor noted that the extension of time would make it virtually impossible for the agency to make timely determinations under the standards set by federal regulations.[10] Senate Bill 828 provides an employer has 30 days from the delivery of notice of the filing of a claim against the employer's account to protest the claim.
- **Misconduct connected with work and total reduction of benefit rights.** An individual is totally disqualified from receiving benefits if the Division of Employment Security determines the individual was discharged for misconduct connected with the work. Senate Bill 532 expanded the definition of "misconduct connected with the work" to include both of the following:
  - **Criminal offenses.**
    Arrest for or conviction of certain offenses. The U.S. Department of Labor noted that the new definition did not require that the criminal conduct be connected with the individual's work. Senate Bill 828 provides that the offense must be related to the employee's work with the employer or in violation of a reasonable work rule or policy. The PCS also amends a previous provision in North Carolina's law concerning the conviction of a person for drug offenses to make the same clarification that the offense be related to the employee's work with the employer or in violation of a work rule or policy.[11]
  - **Failure to perform.**
    Failure to adequately perform employment duties after being warned by three written reprimands within a 12-month period. The U.S. Department of Labor noted that, in order to be the basis for a disqualification to receive unemployment benefits, unsatisfactory job performance must be the result of intentional behavior or gross negligence, and must be egregious. Senate Bill 828 provides that three written reprimands within a 12-month period is prima facie evidence of intentional behavior or gross negligence.
- **Stipulation of the issues and the methods of administration requirement.** Senate Bill 532 allowed the parties to tender stipulation of the ultimate issues in cases pending on appeal to the agency and provided that the stipulation did not have to be recorded. The U.S. Department of Labor noted that while a stipulation of facts might be acceptable, a stipulation of the issues vitiates the agency's federally-mandated responsibility to apply the unemployment law to specific facts. The Department also recommended that any procedure or process by which an

[10] For most intrastate claims, federal regulations require that a state pay at least 87% of its claims within 14 days of the end of the first compensable week, or 21 days for states that do not have a waiting week requirement, and 93% of such claims within 35 days.

[11] In a e-mail message dated May 14, 2012, and in a phone conversation with Bob Johnston with USDOL, the issue of North Carolina's existing law was noted. Since NC is on notice that the provision of existing law does not conform with federal UC law, this PCS makes the necessary change.

appeals referee or hearing officer accepts a stipulation of fact should be recorded. Senate Bill 828 allows parties to agree to a stipulation of facts. The appeals referee or hearing officer may accept the stipulation if the stipulation provides sufficient information to make a UC benefit decision. If the stipulation does not provide sufficient information, the appeals referee or hearing officer must reject the stipulation. The decision to accept or reject the stipulation of facts must occur in a recorded hearing.

Senate Bill 532 created a Board of Review[12] to determine appeals policies and procedures and to hear appeals arising from the decisions and determinations of the Employment Security Section and the Employment Insurance Section. The annual salaries of the three-person board are to be set by the General Assembly in the current Operations Appropriations Act. The Current Operations and Capital Improvements Appropriations Act of 2011 did not set the salaries for the members of the Board of Review. Senate Bill 828 provides that the current Operations Appropriations Act of 2012 must provide for the annual salaries of the Board of Review, as provided in G.S. 96-4(b). The House budget contained in House Bill 950 sets the salaries of the Board of Review at the same level as the salaries set for the Industrial Commission. The members receive an annual salary of $119,305. The Chair receives an additional $1,500 for an annual salary of $120,805.

COMPLIANCE WITH THE TRADE ADJUSTMENT ASSISTANCE EXTENSION ACT OF 2011

In 2002, the United States General Accounting Office issued a report on the unemployment insurance program and the need for an increased focus on program integrity. The focus of President Obama's Executive Order 13520, issued November 23, 2009, was the reduction of improper payments in major programs administered by the federal government, including the unemployment insurance program. In response to the level of improper payments in the unemployment insurance program, the U.S. Department of Labor developed a strategic plan to address the root causes of improper payments. The plan involves new performance measures for the states; increased funding of new tools and technology; and a focus on the root causes leading to improper payments. The three identified root causes leading to improper payments are:

- A gap in employment service registration.
- Claimants continuing to claim benefits after returning to work.
- Untimely and insufficient separation information from employers and third party administrators.

As part of the increased focus on program integrity, the U.S. Department of Labor recommended legislative language to Congress in June of 2011. In October 2011, three key integrity provisions recommended by the Department were enacted as part of the Trade Adjustment Assistance Extension Act of 2011. *Senate Bill 828* includes the statutory change North Carolina must make to be in conformity with the program integrity provisions this year. States have until October 21, 2013, to enact the other two conforming changes; those changes are not included in this bill.

The New Hire Directory was created years ago to assist states with the collection of child support payments. The Directory is administered by the Department of Health and Human Services. The directory is also a valuable tool for unemployment insurance programs because it allows an agency to cross-check claimants with new hires. This information assists the agency with the detection of overpayments being made to individuals who have returned to work. To address the gap in employment service registration, the Trade Adjustment Assistance Extension Act of 2011 requires states to expand

[12] G.S. 96-4(b).

the definition of a 'newly hired employee' to include a rehired employee who was separated for at least 50 days. It also requires employers to enter the start date of employment when the employer submits the information to the New Hire Directory. States are required to make the necessary statutory changes to its New Hire Directory provisions within two months after the latest legislative session ends. *Senate Bill 828* includes the necessary changes.

The other two changes, which do not have to be made before October 2013, are not included in this bill. The first of those two changes addresses claimants who fraudulently continue to accept unemployment benefits after returning to work by requiring the states to impose a penalty on the claimant equal to 15% of the amount of an erroneous overpayment if it determines the overpayment is due to fraud. The money collected from the penalty is payable to the State Unemployment Trust Fund and its use is limited to the payment of unemployment compensation benefits. The second of those two changes addresses the untimely and insufficient separation information provided by employers and third party administrators to the agencies by requiring states to enact a provision prohibiting the non-charging of employer's unemployment insurance account when an improper payment is made because of the employer's failure to respond timely or adequately to a written request for separation information. This provision points to a trend whereby employers are expected to improve the quality of information provided to state employment agencies at the front end of the unemployment insurance claim process, rather than waiting until a hearing to provide details.

S828-SMRB-130(CSRB-80) v1

HOUSE BILL 1025*
Committee Substitute Favorable 5/30/12

Short Title: Extend Tax Provisions. (Public)

Sponsors:

Referred to:

May 22, 2012

A BILL TO BE ENTITLED

AN ACT TO EXTEND THE SUNSET OF CERTAIN TAX PROVISIONS.

The General Assembly of North Carolina enacts:

SECTION 1. Section 2 of S.L. 2009-505 reads as rewritten:

"**SECTION 2.** This act is effective when it becomes law and expires ~~July 1, 2012.~~July 1, 2013."

SECTION 2. G.S. 105-129.16D(d) reads as rewritten:

"(d) Sunset. – This section is repealed effective for facilities placed in service on or after ~~January 1, 2013.~~January 1, 2014."

SECTION 3. G.S. 105-129.16F(b) reads as rewritten:

"(b) Sunset. – This section is repealed for taxable years beginning on or after ~~January 1, 2013.~~January 1, 2014."

SECTION 4. G.S. 105-129.16G(b) reads as rewritten:

"(b) Sunset. – This section expires for taxable years beginning on or after ~~January 1, 2012.~~January 1, 2014."

SECTION 5. G.S. 105-129.82(a) reads as rewritten:

"(a) Sunset. – This Article is repealed effective for business activities that occur on or after ~~January 1, 2013.~~January 1, 2014."

SECTION 6.(a) G.S. 105-130.48(f) reads as rewritten:

"(f) Sunset. – This section is repealed effective for taxable years beginning on or after ~~January 1, 2013.~~January 1, 2014."

SECTION 6.(b) G.S. 105-151.30(f) reads as rewritten:

"(f) Sunset. – This section is repealed effective for taxable years beginning on or after ~~January 1, 2013.~~January 1, 2014."

SECTION 7. G.S. 105-151.28(d) reads as rewritten:

"(d) Sunset. – This section is repealed for taxable years beginning on or after ~~January 1, 2013.~~January 1, 2014."

SECTION 8. G.S. 105-151.31(c) reads as rewritten:

"(c) Sunset. – This section is repealed effective for taxable years beginning on or after ~~January 1, 2013.~~January 1, 2014."

SECTION 9. G.S. 105-131.32(c) reads as rewritten:

"(c) Sunset. – This section is repealed effective for taxable years beginning on or after ~~January 1, 2013.~~January 1, 2014."

SECTION 10. G.S. 105-163.015 reads as rewritten:

"**§ 105-163.015. Sunset.**

This Part is repealed effective for investments made on or after ~~January 1, 2013.~~January 1, 2014."

SECTION 11.(a) G.S. 105-164.14A(a) reads as rewritten:

"(a) Refund. – The following taxpayers are allowed an annual refund of sales and use taxes paid under this Article:

(1) **(Repealed for purchases made on or after January 1, 2013)** Passenger air carrier. – An interstate passenger air carrier is allowed a refund of the sales and use tax paid by it on fuel in excess of two million five hundred thousand dollars ($2,500,000). The amount of sales and use tax paid does not include a refund allowed to the interstate passenger air carrier under G.S. 105-164.14(a). This subdivision is repealed for purchases made on or after ~~January 1, 2013.~~January 1, 2014.

(2) Major recycling facility. – An owner of a major recycling facility is allowed a refund of the sales and use tax paid by it on building materials, building supplies, fixtures, and equipment that become a part of the real property of the recycling facility. Liability incurred indirectly by the owner for sales and use taxes on these items is considered tax paid by the owner.

(3) Business in low-tier area. – A taxpayer that is engaged primarily in one of the businesses listed in G.S. 105-129.83(a) in a development tier one area and that places machinery and equipment in service in that area is allowed a refund of the sales and use tax paid by it on the machinery and equipment. For purposes of this subdivision, "machinery and equipment" includes engines, machinery, equipment, tools, and implements used or designed to be used in one of the businesses listed in G.S. 105-129.83, capitalized for tax purposes under the Code, and not leased to another party. Liability incurred indirectly by the taxpayer for sales and use taxes on these items is considered tax paid by the taxpayer. The sunset for Article 3J of Chapter 105 of the General Statutes for development tier one areas applies to this subdivision.

(4) **(Repealed for purchases made on or after January 1, 2013)** Motorsports team or sanctioning body. – A professional motorsports racing team, a motorsports sanctioning body, or a related member of such a team or body is allowed a refund of the sales and use tax paid by it in this State on aviation fuel that is used to travel to or from a motorsports event in this State, to travel to a motorsports event in another state from a location in this State, or to travel to this State from a motorsports event in another state. For purposes of this subdivision, a "motorsports event" includes a motorsports race, a motorsports sponsor event, and motorsports testing. This subdivision is repealed for purchases made on or after ~~January 1, 2013.~~January 1, 2014.

(5) **(Repealed for purchases made on or after January 1, 2014)** Professional motorsports team. – A professional motorsports racing team or a related member of a team is allowed a refund of fifty percent (50%) of the sales and use tax paid by it in this State on tangible personal property, other than tires or accessories, that comprises any part of a professional motorsports vehicle. For purposes of this subdivision, "motorsports accessories" includes instrumentation, telemetry, consumables, and paint. This subdivision is repealed for purchases made on or after January 1, 2014.

(6) **(Repealed for purchases made on or after January 1, 2013)** Analytical services business. – A taxpayer engaged in analytical services in this State is allowed a refund of sales and use tax paid by it. This subdivision is repealed

for purchases made on or after ~~January 1, 2013.~~January 1, 2014. The amount of the refund is the greater of the following:

a. Fifty percent (50%) of the eligible amount of sales and use tax paid by it on tangible personal property that is consumed or transformed in analytical service activities. The eligible amount of sales and use tax paid by the taxpayer in this State is the amount by which sales and use tax paid by the taxpayer in this State in the fiscal year exceed the amount paid by the taxpayer in this State in the 2006-2007 State fiscal year.

b. Fifty percent (50%) of the amount of sales and use tax paid by it in the fiscal year on medical reagents.

(7) **(Repealed for purchases made on or after January 1, 2038)** Railroad intermodal facility. – The owner or lessee of an eligible railroad intermodal facility is allowed a refund of sales and use tax paid by it under this Article on building materials, building supplies, fixtures, and equipment that become a part of the real property of the facility. Liability incurred indirectly by the owner or lessee of the facility for sales and use taxes on these items is considered tax paid by the owner or lessee. This subdivision is repealed for purchases made on or after January 1, 2038."

SECTION 11.(b) G.S. 105-164.14B(f) reads as rewritten:

"(f) Sunset. – This section is repealed for sales made on or after ~~January 1, 2013.~~January 1, 2014."

SECTION 12.(a) G.S. 105-129.39 reads as rewritten:

"**§ 105-129.39. Sunset.**

This Article expires for qualified rehabilitation expenditures and rehabilitation expenses incurred on or after ~~January 1, 2014.~~January 1, 2015."

SECTION 12.(b) G.S. 105-129.75 reads as rewritten:

"**§ 105-129.75. Sunset.**

This Article expires ~~January 1, 2014,~~January 1, 2015, for rehabilitation projects for which an application for an eligibility certification is submitted on or after that date."

SECTION 13. This act is effective when it becomes law.

HOUSE BILL 1025: Extend Tax Provisions

2011-2012 General Assembly

Committee:	Senate Finance	**Date:**	June 5, 2012
Introduced by:	Reps. Howard, Starnes	**Prepared by:**	Heather Fennell Committee Counsel
Analysis of:	Second Edition		

SUMMARY: The proposed draft extends several tax provisions.

[As introduced, this bill was identical to S827, as introduced by Sens. Rucho, Hartsell, Blue, which is currently in Senate Finance.]

BILL ANALYSIS: It is anticipated that major tax modernization will be undertaken during the 2013 session of the General Assembly. This act extends the following provisions in order to maintain the current state of the North Carolina tax code until comprehensive tax modernization can be accomplished.

Section 1: Extends the tier one designation for seafood industrial parks through July 1, 2013.

Sections 2-10: Extends the following tax credits through January 1, 2014:

2. Tax credit for renewable fuel facilities.
3. Tax credit for biodiesel producers.
4. Work opportunity tax credit.
5. Article 3J tax credits.
6. Tax credit for recycling oyster shells.
7. Tax credit for premiums on long-term care insurance.
8. Refundable earned income tax credit.
9. Tax credit for adoption expenses.
10. Tax credit for qualified business ventures.

Section 11: Extends the following sales tax refunds through January 1, 2014:

- Passenger air carriers
- Machinery and equipment place in a tier 1 county.
- Aviation fuel for motorsports team of sanctioning body.
- Analytical services.
- Certain industrial facilities.

Section 12: Extends the credits for rehabilitating historic structures and historic mill property to January 1, 2015.

EFFECTIVE DATE: This act is effective when it becomes law.

H1025-SMTD-118(e2) v2

GENERAL ASSEMBLY OF NORTH CAROLINA
SESSION 2011

H D

HOUSE BILL 1015
PROPOSED SENATE COMMITTEE SUBSTITUTE H1015-CSSVx-47 [v.2]

6/5/2012 10:58:41 AM

Short Title: Economic Devpt. & Finance Changes. (Public)

Sponsors:

Referred to:

May 22, 2012

A BILL TO BE ENTITLED

AN ACT TO SET THE REGULATORY FEES AND TO ENHANCE ECONOMIC DEVELOPMENT.

The General Assembly of North Carolina enacts:

SECTION 1.(a) The percentage rate to be used in calculating the public utility regulatory fee under G.S. 62-302(b)(2) is twelve-hundredths of one percent (0.12%) for each public utility's North Carolina jurisdictional revenues earned during each quarter that begins on or after July 1, 2012.

SECTION 1.(b) The electric membership corporation regulatory fee imposed under G.S. 62-302(b1) for the 2012-2013 fiscal year is two hundred thousand dollars ($200,000).

SECTION 1.(c) The percentage rate to be used in calculating the insurance regulatory charge under G.S. 58-6-25 is six percent (6%) for the 2012 calendar year.

SECTION 1.(d) Subsections (a) and (b) of this section become effective July 1, 2012. The remainder of this section is effective when it becomes law.

SECTION 2.(a) G.S. 143B-437.52 reads as rewritten:

"**§ 143B-437.52. Job Development Investment Grant Program.**

...

(b) ~~Cap and~~ Priority. ~~The maximum number of grants the Committee may award in each calendar year is 25.~~ In selecting between applicants, a project that is located in an Eco-Industrial Park certified under G.S. 143B-437.08 has priority over a comparable project that is not located in a certified Eco-Industrial Park.

..."

SECTION 2.(b) This section becomes effective July 1, 2012.

SECTION 3. G.S. 143B-437.01(a) reads as rewritten:

"(a) Creation and Purpose of Fund. – There is created in the Department of Commerce the Industrial Development Fund to provide funds to assist the local government units of the most economically distressed counties in the State in creating and retaining jobs in certain industries. The Department of Commerce shall adopt rules providing for the administration of the program. Those rules shall include the following provisions, which shall apply to each grant from the fund:

(1) The funds shall be used for (i) installation of or purchases of equipment for eligible industries, (ii) structural repairs, improvements, or renovations of existing buildings to be used for expansion of eligible industries, or (iii)

construction of or improvements to new or existing water, sewer, gas, telecommunications, high-speed broadband, electrical utility distribution lines or equipment, or transportation infrastructure for existing or new or proposed industrial buildings to be used for eligible industries. To be eligible for funding, the water, ~~sewer,~~ gas, telecommunications, high-speed broadband, electrical utility lines or facilities, or transportation infrastructure shall be located on the site of the building or, if not located on the site, shall be directly related to the operation of the specific eligible industrial activity. To be eligible for funding, the sewer infrastructure shall be located on the site of the building or, if not located on the site, shall be directly related to the operation of the specific eligible industrial activity, even if the sewer infrastructure is located in a county other than the county in which the building is located.

...."

SECTION 4.(a) G.S. 105-129.84(c) reads as rewritten:

"(c) Carryforward. – Unless a longer carryforward period applies, any unused portion of a credit allowed under G.S. 105-129.87 or G.S. 105-129.88 may be carried forward for the succeeding five years, and any unused portion of a credit allowed under G.S. 105-129.89 may be carried forward for the succeeding 15 years. If the Secretary of Commerce makes a written determination that the taxpayer is expected to purchase or lease, and place in service in connection with an eligible business within a two-year period, at least ~~one hundred fifty million dollars ($150,000,000) worth of~~ the minimum investment amount of business and real property, any unused portion of a credit under this Article with respect to the establishment that satisfies that condition may be carried forward for the succeeding 20 years. If the taxpayer does not make the required level of investment, the taxpayer shall apply the five-year carryforward period rather than the 20-year carryforward period. For purposes of this subsection, the "minimum investment amount" is the following amount:

(1) For an eligible business investing the minimum investment amount in an establishment located, at the time the initial investment is made, in a development tier one area, one hundred million dollars ($100,000,000)."

(2) For any other eligible business, one hundred fifty million dollars ($150,000,000)."

SECTION 4.(b) This section is effective for taxable years beginning on or after January 1, 2012.

SECTION 5.(a) G.S. 143B-437.013(a) reads as rewritten:

"(a) Port Enhancement Zone Defined. – A port enhancement zone is an area that meets all of the following conditions:

(1) It is comprised of part or all of one or more contiguous census tracts, census block groups, or both, in the most recent federal decennial census.

(2) All of the area is located within 25 miles of a State port and is capable of being used to enhance port operations.

(3) Every census tract and census block group that comprises the area has at least eleven percent (11%) of households with incomes of fifteen thousand dollars ($15,000) or less."

SECTION 5.(b) This section is effective for taxable years beginning on or after January 1, 2013.

SECTION 6. Except as otherwise provided, this act is effective when it becomes law.

PCS for HOUSE BILL 1015: Economic Devpt. & Finance Changes

2011-2012 General Assembly

Committee:	Senate Finance	**Date:**	June 5, 2012
Introduced by:	Reps. Howard, Starnes	**Prepared by:**	Trina Griffin
Analysis of:	PCS to First Edition H1015-CSSVx-47		Committee Counsel

SUMMARY: ***The Proposed Committee Substitute for House Bill 1015 would set the rates for the public utility regulatory fees and the insurance regulatory charge for FY12-13 and make the following changes related to economic development:***

- ***Removes the cap on the number of grants, which is currently 25, that may be awarded in a calendar year under the Job Development Investment Grant (JDIG) program. It does not change the monetary cap.***
- ***Permits the use of Industrial Development Fund moneys for sewer infrastructure projects in adjoining counties.***
- ***Broadens the 20-year carryforward period under Article 3J by lowering the investment threshold from $150 million to $100 million to the extent an eligible company makes the investment in a tier one county.***
- ***Makes a technical correction to the definition of a port enhancement zone.***

CURRENT LAW & BILL ANALYSIS:

SET REGULATORY FEES

Section 1 of the PCS for House Bill 1015 sets the rates for the public utility regulatory fees and the insurance regulatory charge for FY12-13. The revenues generated by these provisions are used to defray the State's cost of regulating public utilities, electric membership corporations, and insurance companies. The General Assembly must set these rates each year. The rates are the same as they were last year.

Regulatory Fee for Utilities Commission

Subsection (a) sets the rate for the public utility regulatory fee for fiscal year 12-13 at 0.12%. The rate has not changed since fiscal year 04-05. The utility regulatory fee is a tax that was first imposed in 1989. The proceeds of the fee are credited to the Utilities Commission and Public Staff Fund and used to defray the State's cost in regulating public utilities. The regulatory fee is imposed on all utilities that are subject to regulation by the North Carolina Utilities Commission. The fee is a percentage of the utility's North Carolina jurisdictional revenues. In general, jurisdictional revenue is derived from providing utility service in North Carolina.

Regulatory Fee for Electric Membership Corporations

Subsection (b) sets at $200,000 for fiscal year 12-13 the annual public utility regulatory fee imposed on electric membership corporations whose principal purpose is to furnish or cause to be furnished bulk electric supplies at wholesale. The rate has not changed since the General Assembly enacted it in 1999. The proceeds of the fee are credited to the Utilities Commission and Public Staff Fund and used to defray the State's cost in regulating electric membership corporations. The 1999 General Assembly enacted S.L. 1999-180, which authorized electric membership corporations to form subsidiary corporations that may provide energy services and products, telecommunications services and products,

and water and wastewater collection and treatment. The subsidiary must fully compensate the electric membership corporation for its use of the corporation's personnel, services, equipment, and property. The Utilities Commission is charged with regulating this aspect of the subsidiary's business and, to pay for this regulation, S.L. 1999-180 levied a flat-rate regulatory fee to be paid annually by the North Carolina Electric Membership Corporation.[1] Thus, the fee imposed on the North Carolina Electric Membership Cooperation will be passed on to its member electric membership corporations.

Insurance Regulatory Charge

Subsection (c) sets the insurance regulatory charge at 6% for the 2012 calendar year, the same as the rate set for the 2011 and 2010 calendar years. The insurance regulatory charge was first enacted in 1991 to defray the State's cost of regulating the insurance industry. The charge is a percentage of each insurance company's gross premiums tax liability.[2]

REMOVE CAP ON THE NUMBER OF ANNUAL JDIG GRANTS

CURRENT LAW: The JDIG is a discretionary incentive that provides annual grants to new and expanding businesses measured against a percentage of withholding taxes paid by new employees. A proposed project must meet the following criteria as determined by the Economic Investment Committee (Committee):

- The project results in a net increase in employment.
- The project increases opportunities for employment and strengthens the State's economy.
- The project is consistent with the economic development goals of the State and of the area in which it is located.
- The project is competitive with another state(s) or country.
- The grant is necessary for the completion of the project in North Carolina.

The company must meet certain State health insurance and workplace safety requirements. A proposed project's benefits must outweigh its costs. A cost benefit analysis is done for each project, and the Committee identifies and selects projects that are most beneficial, after considering a number of different evaluation factors.

The Committee may only award a maximum of 25 grants in a calendar year and the total annual amount of the grants may not exceed $15 million.

BILL ANALYSIS: Section 2 of the PCS would eliminate the cap on the number of grants that the Department of Commerce may award in a calendar year under the JDIG program. It would not change the $15 million cap on the total annual liability that may be incurred for grants in a calendar year. The purpose of this provision is to provide increased flexibility to the Department of Commerce to award grants to as many companies as are interested and eligible to receive funds from JDIG. This provision was in the House budget (Section 13.6 of HB 950).

EFFECTIVE DATE: This section would become effective July 1, 2012.

---

[1] The North Carolina Electric Membership Corporation is the only electric membership corporation whose principal purpose is to furnish or cause to be furnished bulk electric supplies at wholesale as provided in G.S. 117-16. It is a "generation and supply cooperative" owned by its members. Its members are all but one of the existing North Carolina electric membership corporations, which are "distribution cooperatives."

[2] Medical service corporations and health maintenance organizations began paying the charge in 2000.

INDUSTRIAL DEVELOPMENT FUND CHANGES

CURRENT LAW: The Industrial Development Fund (IDF), which is within the Department of Commerce, provides funds to assist local governments in economically distressed counties with creating jobs in certain industries.[3] "Economically distressed county" is defined as a county that has one of the 65 highest rankings under the development tier designation.[4] An eligible industry is defined as a company or person engaged in the business of air courier services, information technology and services, manufacturing, or warehousing and wholesale trade.

The IDF funds must be used for (i) installation of or purchases of equipment for eligible industries; (ii) structural repairs and renovations of buildings for expansion of eligible industries; or (iii) construction of or improvements to new or existing utility lines or equipment or transportation infrastructure for existing or new building for the eligible industries. Other requirements include that the funds have to be used by the city and county governments for projects that directly result in the creation of new jobs and must be expended at a maximum rate of $10,000 per new job created up to a maximum of $500,000 per project.

To be eligible for funding, the infrastructure being funded must be located on the site of the building or, if not located on the site, must be directly related to the operation of the specific eligible industrial activity. In all cases, the infrastructure must be located in an economically distressed county.

BILL ANALYSIS: **Section 3** of the PCS would modify the eligibility qualification for the funding of sewer infrastructure only by providing that the sewer infrastructure need not be located in the same county as the site of the building where the eligible industrial activity is being conducted. It does not change the requirement that the infrastructure project must be directly related to the operation of the eligible industrial activity.

BACKGROUND: This change would facilitate an economic development project in Davie County. Ashley Furniture is currently upfitting an existing building that requires additional sewer capacity. Forsyth County operates the water and sewer system that serves Davie County and would need to make improvements to the system in order to provide the additional capacity required by Ashley Furniture. Davie County is a tier 2 county and would be eligible for IDF funds. Forsyth County, however, is a tier 3 county and would not otherwise qualify. As applied to this project, the change would enable IDF funds to be used to improve sewer infrastructure located in a tier 3 county to the extent it is directly related to the operation of an eligible industrial activity in a tier 2 county. Forsyth County has indicated that the improvements to the sewer system for purposes of serving the Ashley Furniture site would not enhance sewer service in Forsyth County.

BROADEN THE 20-YEAR CARRYFORWARD PROVISION UNDER ARTICLE 3J

CURRENT LAW: Any unused portion of a credit for creating jobs or of a credit for investing in business property under Article 3J may be carried forward for the succeeding five years. Any unused portion of a credit for investing in real property under Article 3J may be carried forward for the succeeding 15 years. If the Secretary of Commerce makes a written determination that the taxpayer is expected to purchase or lease, and place in service in connection with an eligible business within a two-year period at least $150 million worth of business and real property, then any unused portion of a credit may be carried forward for 20 years.

---

[3] IDF is currently funded by loan repayments only; there is no longer a General Fund appropriation for IDF. Loan repayments average around $50,000 annually.

[4] Under the development tier designation, the 40 most distressed counties are designated as tier 1, the next 40 as tier 2 and the 20 least distressed as tier 3.

BILL ANALYSIS: **Section 4** of the PCS would broaden the 20-year carryforward provision by lowering the threshold from $150 million to $100 million worth of business and real property investment for an eligible business that makes the investment in a tier one county. The threshold would remain the same for all other businesses.

EFFECTIVE DATE: This section would become effective for taxable years beginning on or after January 1, 2012.

PORT ENHANCEMENT ZONE TECHNICAL CORRECTION

CURRENT LAW: S.L. 2011-302 created a new type of zone eligible for enhanced credits[5] under Article 3J, known as a "ports enhancement zone." North Carolina has two State ports, the Port of Morehead City and the Port of Wilmington. The Port of Morehead City is located in Carteret County; Carteret County is a tier 3 county. The Port of Wilmington is located in New Hanover County; New Hanover County is also a tier 3 county.

A ports enhancement zone is an area that meets the following conditions:

- Is comprised of one or more contiguous census tracts, census block groups, or both, in the most recent federal census.
- All of the area is located within 25 miles of a state port and is capable of being used to enhance port operations.
- Every census tract and census block group in the area has at least 11% of households with incomes of $15,000 or less.

The statute also stipulates that the area of the county that is included in one or more port enhancement zones may not exceed 5% of the total area of the county.

The enhanced credits available to an urban progress zone (UP zone) and an agrarian growth zone (AG zone)[6] will be available to a ports enhancement zone, effective for taxable years beginning on or after January 1, 2013.

BILL ANALYSIS: **Section 5** of the PCS would change one of the three conditions that must be met in order to qualify as a ports enhancement zone. Under the bill, the zone would have to be comprised of *part or all* of one or more contiguous census tracts, census block groups, or both, in the most recent federal decennial census. Without this language, the areas intended to be covered by this provision would not meet the definition because the relevant tract exceeds the 5% limitation. This change would also make the port enhancement zone definition consistent with the UP zone definition.

---

[5] North Carolina seeks to incent businesses to create jobs and invest in business property primarily through Article 3J tax credits. A taxpayer's eligibility for a credit and the amount of the credit varies depending upon the county or zone in which the jobs are created or the investments are made. These credits may be combined to offset up to 50% of the taxpayer's State income and franchise tax liability, and as a general rule, unused credits may be carried forward for up to five years.

[6] The enhanced credits available to an UP zone or an AG zone under Article 3J are as follows:

- **Jobs tax credit.** – The threshold for new full-time jobs created to qualify for the tax credit for creating new jobs is the same as for a tier 1 county, five ; and the amount of the credit is increased by $1,000 per job. If the job is filled by a resident of the zone or a long-term unemployed worker, the credit is increased by an additional $2,000 per job.
- **Machinery and equipment investment tax credit.** – The investment threshold requirement to qualify for the tax credit for investing in business property is the same as a tier 1 county, which is none. The amount of the investment tax credit is also the same as a tier 1 county, 7% of the cost of tangible personal property that is placed in service during the taxable year.

EFFECTIVE DATE: This section becomes effective for taxable years beginning on or after January 1, 2013.

NORTH CAROLINA GENERAL ASSEMBLY
AMENDMENT
House Bill 1015

AMENDMENT NO._____
(to be filled in by
Principal Clerk)

H1015-ASV-60 [v.1]

Comm. Sub. [YES]
Amends Title [NO]
First Edition

Date _____,2012

Senator Rabon

moves to amend the bill on page 2, lines 47-48, by rewriting the lines to read:

"**SECTION 6.** For purchases made on or after July 1, 2012, but before July 1, 2013, a company located at a ports facility for waterborne commerce that purchases specialized equipment to be used at the facility to unload or process bulk cargo to make it suitable for delivery to and use by manufacturing facilities is allowed a refund of all local sales and use taxes paid and a portion of State sales and use taxes paid on the purchases as provided in this section. The portion of the State sales and use taxes that may be refunded is equal to the excess of the State sales and use taxes paid over the amount that would have been due had the taxpayer been subject to tax on the eligible property as if it were mill machinery under Article 5F of Chapter 105 of the General Statutes. A request for a refund under this section must be in writing and must include any information and documentation required by the Secretary.. A request for a refund under this section must be made on or after July 1, 2013, and is due before January 1, 2014. Refunds applied for after the due date are barred. Taxes for which a refund is allowed under this section are not an overpayment of tax and do not accrue interest as provided in G.S. 105-241.21.

SECTION 7. Except as otherwise provided, this act is effective when it becomes law.".

RE: PCS H1015n1

FISCAL IMPACT ($ In Millions)

	Yes (X)	No ( )	No Estimate Available ( )		
	FY 2012-13	FY 2013-14	FY 2014-15	FY 2015-16	FY 2016-17
REVENUES:					
Insurance Regulatory Fund	$29.98				
Utilities Comm/ Public Staff Special Fund	$14.20				
EXPENDITURES:					
POSITIONS (cumulative):					

PRINCIPAL DEPARTMENT(S) & PROGRAM(S) AFFECTED: NC Dept. of Rev.; Utility Commission; NC Dept. of Commerce, JDIG Program;

EFFECTIVE DATE: Various effective dates.

BILL SUMMARY: The Proposed Committee Substitute for House Bill 1015 would make the following changes related to economic development and various finance laws:

- Sets the rates for the public utility regulatory fees and the insurance regulatory charge for FY 2012-13.
- Removes the cap on the number of grants, which is currently 25, that may be awarded in a calendar year under the Job Development Investment Grant (JDIG) program.
- Permits the use of Industrial Development Fund moneys for sewer infrastructure projects in adjoining counties.
- Broadens the 20-year carryforward period under Article 3J by lowering the investment threshold from $150 million to $100 million to the extent an eligible company makes the investment in a tier one county.
- Clarify and extend time to apply for sales tax refund of aviation fuel.
- Makes a technical correction to the definition of a port enhancement zone.

ASSUMPTIONS AND METHODOLOGY:

Section 1.(a): Public Utility Regulatory Fee

The Utilities Commission charges the public utility regulatory fee to 2,057 certificated companies with North Carolina jurisdictional revenues. Using past revenues as an estimate, it is assumed that these companies will have revenues of approximately $11.6 billion in FY 2012-13. Thus, a 0.12% regulatory fee would yield $14 million. These funds are deposited into a Special Fund at Commerce and then distributed to the Utility Commission and the Public Staff to fund their operations. The following table provides a 5-year history of NC utility jurisdictional revenues as well as fee revenues; the rate was 0.12% for all years shown:

History of North Carolina Utility and Fee Revenues at a 0.12% Rate, FY 2006-07 thru FY 2010-11

	FY 2006-07	FY 2007-08	FY 2008-09	FY 2009-10	FY 2010-11
Utility Revenues	$11,026,252,488	$11,394,049,568	$11,321,344,624	$11,548,577,717	$11,671,551,467
Fee Revenue	$13,360,713	$13,782,929	$13,964,181	$13,721,517	$14,005,862

Section 1.(b): Electric Membership Corporation Regulatory Fee

The electric membership corporation fee is a flat fee and thus anticipated revenue is equal to the fee - $200,000.

Section 1.(c): Insurance Regulatory Charge

The insurance regulatory charge is an annual charge applied to each insurance company's annual premium tax liability for the taxable year. Monies are credited to the Insurance Regulatory Fund, and are used to reimburse the General Fund for the following:

(1) Money appropriated to the Department of Insurance to pay its expenses incurred in regulating the insurance industry and other industries in this State.

(2) Money appropriated to State agencies to pay the expenses incurred in regulating the insurance industry, in certifying statewide data processors under Article 11A of Chapter 131E of the

General Statutes, and in purchasing reports of patient data from statewide data processors certified under that Article.

(3) Money appropriated to the Department of Revenue to pay the expenses incurred in collecting and administering the taxes on insurance companies levied in Article 8B of Chapter 105 of the General Statutes.

(4) Money appropriated for the office of Managed Care Patient Assistance Program established under G.S. 143-730 to pay the actual costs of administering the program.

(5) Money appropriated to the Department of Insurance for the implementation and administration of independent external review procedures required by Part 4 of Article 50 of this Chapter.

(6) Money appropriated to the Department of Justice to pay its expenses incurred in representing the Department of Insurance in its regulation of the insurance industry and other related programs and industries in this State that fall under the jurisdiction of the Department of Insurance.

(7) Money appropriated to the Department of Insurance to pay its expenses incurred in connection with providing staff support for State boards and commissions, including the North Carolina Manufactured Housing Board, State Fire and Rescue Commission, North Carolina Building Code Council, North Carolina Code Officials Qualification Board, Public Officers and Employees Liability Insurance Commission, North Carolina Home Inspector Licensure Board, and the Volunteer Safety Workers' Compensation Board.

(8) Money appropriated to the Department of Insurance to pay its expenses incurred in connection with continuing education programs under Article 33 of this Chapter and in connection with the purchase and sale of copies of the North Carolina State Building Code.

(9) Money appropriated to the Department of Insurance for the regulation of the professional employer organization industry pursuant to Article 89A of Chapter 58 of the General Statutes.

Unexpended monies remain in the Insurance Regulatory Fund.

For taxable years 2010 and 2011, the surcharge was also 6.0 percent. These monies were collected in fiscal years 2010-11 and 2011-12. The Department of Insurance anticipates an increase of 0.0025 percent in premium tax liability and surcharge revenues for FY 2012-13 compared to FY 2011-12. Actual and anticipated collections are as follows:

Department of Insurance, Insurance Regulatory Fund Revenues, FY 20110-11 thru FY 2012-13		
FY 2010-11 Actual	**FY 2011-12 Estimated**	**FY 2012-13 Anticipated**
$29,877,292	$29,909,412	$29,984,412

Section 2: Remove Cap on the Number of Annual JDIG Grants

This section removes the cap on the number of Job Development Investment Grant (JDIG) projects that may be awarded in a calendar year. There is no change to the annual liability (remains at $15 million). Thus, there is not an anticipated fiscal impact from removing the cap on the number of projects.

Section 3: Industrial Development Fund Changes

Section 3 of the bill allows for the Industrial Development Fund (IDF) to fund sewer infrastructure projects in any county as long as the site that the sewer infrastructure is servicing is in an eligible county. This part of the bill is not estimated to have a fiscal impact as it is not known which projects would have applied before this change versus after this change. IDF is currently funded by loan repayments only; there is no longer a General Fund appropriation for IDF. Loan repayments average around $50,000 annually. As of May 25, 2012, IDF had a cash balance of $1,102,793.

Section 4: Broaden the 20-Year Carry Forward Provisions under Article 3J

Reducing the threshold required to qualify for 20-year carry-forward period from $150,000,000 to $100,000,000 in Tier 1 counties would create significant, but unknowable, future revenue liabilities for the State. However, because credits generated under Article 3J can be carried-forward for five years under existing law, extending the carry-forward period will not have a fiscal impact until year six.

Based on information provided by the Department of Commerce on one potential project that would invest $100,000,000 and hire 350 employees in a Tier 1 county, extending the carry-forward period would decrease State revenues by approximately $2,400,000 over the lifetime of the credits. Beyond this one project, it is difficult to accurately predict how many projects in the future would qualify for an extended carry-forward period, and thus what the full fiscal impact of extending the carry-forward period would ultimately be.

Section 5: Port Enhancement Zone Technical Correction

This section has no fiscal impact.

SENATE FINANCE COMMITTEE
Tuesday, June 12, 2012 at 1:00 PM
Room 544, Legislative Office Building

MINUTES

The Senate Finance Committee met at 1:00 PM on Tuesday, June 12, 2012 in room 544 of the Legislative Office Building. Twenty-nine members of the committee were present. Myra Waheed, Mark Burnett, Stephanie Lawer, Joey Sasso, Andy Shriver, Freeman Slaughter, and Ashley Hodges served as pages. Senator Rucho presided as chair.

H.B. 950 – Modify 2011 Appropriations Act

Senator Stevens was recognized to explain the finance portions bill (fourth edition with unengrossed amendments). The bill contains the following finance-related provisions: it provides a tax deduction for educational supplies; it sets the regulatory fees that are used to pay the expenses incurred in regulating the insurance industry and public utilities; it caps the motor fuel tax rate at 37 ½¢ a gallon for one-year (July 1, 2012 to June 30, 2013); it removes the discretionary up-front fee to participate in the driver education program and creates an additional $45 fee payable upon issuance of a limited learner permit by DMV; it requires DOT to establish and collect tolls on all ferry routes, including the Ocracoke/Hatteras Ferry and the Knotts Island Ferry; and, it prohibits the DOT from establishing or collecting tolls on I-95 prior to July 1, 2013 (DOT must conduct a comprehensive study of the transportation corridor containing I-95 and report its findings to the General Assembly by March 1, 2013). Senator Newton was recognized to offer an amendment which moves the 2013 ferry tolls to 2014. Senator Newton moved for the adoption of the amendment and the motion carried. Jim Trogdon, DOT's Chief Operating Officer, was recognized to explain the gas tax impact and potential use of funds. Bryce Paul, a fiscal analyst with the Fiscal Research Division, was recognized to explain learners permit funding. Senator White was recognized to object to ferry tolls. Senator Brunstetter moved for a favorable report as amended with a referral to the Pensions Committee. The motion was held. Senator Nesbit was recognized to speak in opposition of the gas tax cap and tolls. Bryce Paul was recognized to answer toll fund questions. He stated that $2.5 million was expected to be collected initially with an average of $5 million annually once the entire toll system was put in place. A vote was then taken on Senator Brunstetter's motion and the motion carried. A copy of the bill, the unengrossed amendments, the amendment, the summary and the fiscal note is attached.

The meeting adjourned at 1:28 PM.

Referred to:

May 17, 2012

A BILL TO BE ENTITLED

AN ACT TO MODIFY THE CURRENT OPERATIONS AND CAPITAL IMPROVEMENTS APPROPRIATIONS ACT OF 2011 AND FOR OTHER PURPOSES.

The General Assembly of North Carolina enacts:

PART I. INTRODUCTION AND TITLE OF ACT

INTRODUCTION

SECTION 1.1. The appropriations made in this act are for maximum amounts necessary to provide the services and accomplish the purposes described in the budget. Savings shall be effected where the total amounts appropriated are not required to perform these services and accomplish these purposes and, except as allowed by the State Budget Act, or this act, the savings shall revert to the appropriate fund at the end of each fiscal year as provided in G.S. 143C-1-2(b).

TITLE OF ACT

SECTION 1.2. This act shall be known as "The Current Operations and Capital Improvements Appropriations Act of 2012."

PART II. CURRENT OPERATIONS AND EXPANSION/GENERAL FUND

CURRENT OPERATIONS AND EXPANSION/GENERAL FUND

SECTION 2.1. Appropriations from the General Fund of the State for the maintenance of the State departments, institutions, and agencies, and for other purposes as enumerated, are adjusted for the fiscal year ending June 30, 2013, according to the schedule that follows. Amounts set out in parentheses are reductions from General Fund appropriations for the 2012-2013 fiscal year.

Balance Remaining		**0**

SECTION 2.2.(b) Notwithstanding the provisions of G.S. 143C-4-3, the State Controller shall transfer only thirty-nine million six hundred eighty-nine thousand nine hundred twenty-five dollars ($39,689,925) from the unreserved fund balance to the Repairs and Renovations Reserve Account on June 30, 2012.

SECTION 2.2.(c) Funds transferred under this section to the Repairs and Renovations Reserve Account are appropriated for the 2012-2013 fiscal year to be used in accordance with G.S. 143C-4-3.

SECTION 2.2.(d) Notwithstanding G.S. 143C-4-2 and pursuant to subsection (a) of this section, the State Controller shall transfer one hundred thirty-nine million six hundred eighty-nine thousand nine hundred twenty-five dollars ($139,689,925) from the unreserved fund balance to the Savings Reserve Account on June 30, 2012.

This is not an "appropriation made by law," as that phrase is used in Section 7(1) of Article V of the North Carolina Constitution.

SECTION 2.2.(e) Notwithstanding any other provision of law, the sum of fourteen million dollars ($14,000,000) shall be transferred from the Information Technology Internal Service Fund ending balance for State fiscal year 2011-2012, Budget Code 74660, to the State Controller to be deposited in the appropriate budget code as determined by the State Controller for the 2012-2013 fiscal year.

SECTION 2.2.(g) Notwithstanding any other provision of law, the sum of fifty million dollars ($50,000,000) from the Department of Commerce, One North Carolina Fund, shall be transferred to the State Controller to be deposited in the appropriate budget code as determined by the State Controller for the 2012-2013 fiscal year.

SECTION 2.2.(h) Notwithstanding any other provision of law, the sum of two million four hundred seventy thousand six hundred forty-two dollars ($2,470,642) from the E-Commerce Reserve, Budget Code 24100, shall be transferred to the State Controller to be deposited in the appropriate budget code as determined by the State Controller for the 2012-2013 fiscal year.

SECTION 2.2.(k) This section becomes effective June 30, 2012.

PART III. CURRENT OPERATIONS/HIGHWAY FUND

CURRENT OPERATIONS/HIGHWAY FUND

SECTION 3.1. Appropriations from the State Highway Fund for the maintenance and operation of the Department of Transportation and for other purposes as enumerated are adjusted for the fiscal year ending June 30, 2013, according to the following schedule. Amounts set out in parentheses are reductions from Highway Fund Appropriations for the 2012-2013 fiscal year.

Current Operations – Highway Fund	**2012-2013**
Department of Transportation	
Administration	$ 1,595,705

HIGHWAY FUND AVAILABILITY STATEMENT

SECTION 3.2. Section 3.2 of S.L. 2011-145 is repealed. The Highway Fund availability used in adjusting the 2012-2013 fiscal year budget is shown below:

Highway Fund Availability Statement	**2012-2013**
Unreserved Fund Balance	$ 33,000,000
Revenue Based On Existing Law	2,062,680,000
Adjustment to Revenue Availability (Motor Fuels Tax)	$ (46,650,000)
Adjustment to Revenue Availability (Civil Penalties)	$ (22,000,000)
Adjustment to Revenue Availability (Limited Learner's Permit)	$ 3,180,000
Revised Total Highway Fund Availability	**$ 2,030,210,000**
Unappropriated Balance	**$ 0**

PART IV. HIGHWAY TRUST FUND APPROPRIATIONS

CURRENT OPERATIONS/HIGHWAY TRUST FUND

SECTION 4.1. Appropriations from the State Highway Trust Fund for the maintenance and operation of the Department of Transportation and for other purposes as enumerated are adjusted for the fiscal year ending June 30, 2013, according to the following schedule. Amounts set out in brackets are reductions from Highway Trust Fund Appropriations for the 2012-2013 fiscal year.

Current Operations – Highway Trust Fund	**2012-2013**
Intrastate System	$ (9,338,145)
Aid to Municipalities	(979,789)
Secondary Roads	(979,789)
Urban Loops	(3,775,957)
Program Administration	(1,516,320)
Turnpike Authority	(32,500,000)
Transfer to General Fund	0
Transfer to Highway Fund	0
Debt Service	0
Mobility Fund	77,500,000
Reserves	(45,000,000)
GRAND TOTAL CURRENT OPERATIONS	**$ (16,590,000)**

HIGHWAY TRUST FUND AVAILABILITY STATEMENT

SECTION 4.2. Section 4.2 of S.L. 2011-145 is repealed. The Highway Trust Fund availability used in developing the 2012-2013 fiscal year budget is shown below:

Highway Trust Fund Availability	**2012-2013**
Unreserved Fund Balance	$ 15,000,000
Revenue Based on Existing Law	1,070,870,000
Adjustment to Revenue Availability (Motor Fuels Tax)	(15,550,000)

Revised Total Highway Trust Fund Availability **$1,070,320,000**

PART V. OTHER APPROPRIATIONS

ELIMINATE REPORTING REQUIREMENT/APPROPRIATION OF OTHER FUNDS/USE OF DEPARTMENTAL RECEIPTS

SECTION 5.1. Section 5.1 of S.L. 2011-145 reads as rewritten:

"**SECTION 5.1.(a)** State funds, as defined in G.S. 143C-1-1(d)(25), are appropriated as provided in G.S. 143C-1-2 for the 2011-2013 fiscal biennium, with the adjustments made to the continuation budget as reflected in the Governor's Recommended Budget and Budget Support Document, as follows:

(1) For all budget codes listed in "The State of North Carolina Governor's Recommended Budget, 2011-2013" and in the Budget Support Document, cash balances and receipts are appropriated up to the amounts specified, as adjusted by the General Assembly, for the 2011-2012 fiscal year and the 2012-2013 fiscal year. Funds may be expended only for the programs, purposes, objects, and line items or as otherwise authorized by the General Assembly. Expansion budget funds listed in those documents are appropriated only as otherwise provided in this act.

(2) Notwithstanding the provisions of subdivision (1) of this subsection:

a. Any receipts that are required to be used to pay debt service requirements for various outstanding bond issues and certificates of participation are appropriated up to the actual amounts received for the 2011-2012 fiscal year and the 2012-2013 fiscal year and shall be used only to pay debt service requirements.

b. Other funds, cash balances, and receipts of funds that meet the definition issued by the Governmental Accounting Standards Board of a trust or agency fund are appropriated for and in the amounts required to meet the legal requirements of the trust agreement for the 2011-2012 fiscal year and the 2012-2013 fiscal year.

"**SECTION 5.1.(b)** Receipts collected in a fiscal year in excess of the amounts authorized by this section shall remain unexpended and unencumbered until appropriated by the General Assembly in a subsequent fiscal year, unless the expenditure of overrealized receipts in the fiscal year in which the receipts were collected is authorized by the State Budget Act. Overrealized receipts are appropriated up to the amounts necessary to implement this subsection.

~~"**SECTION 5.1.(c)** In addition to the consultation and reporting requirements set out in G.S. 143C-6-4, the Office of State Budget and Management shall report to the Joint Legislative Commission on Governmental Operations and to the Fiscal Research Division within 30 days after the end of each quarter on any overrealized receipts approved for expenditure under this subsection by the Director of the Budget. The report shall include the source of the receipt, the amount overrealized, the amount authorized for expenditure, and the rationale for expenditure.~~

"**SECTION 5.1.(d)** ~~Notwithstanding subsections (a) and (b) of this section, there is appropriated from the Reserve for Reimbursements to Local Governments and Shared Tax Revenues for each fiscal year an amount equal to the amount of the distributions required by law to be made from that reserve for that fiscal year.~~ Notwithstanding subsections (a) and (b) of this section, the following additional appropriations are hereby made:

(1) There is appropriated from the Reserve for Reimbursements to Local Governments and Shared Tax Revenues for each fiscal year an amount equal to the amount of the distributions required by law to be made from that reserve for that fiscal year.

(2) There is appropriated from the General Fund an amount equal to the amount required to issue refunds for tax overpayments, in accordance with the provisions of Chapter 105 of the General Statutes or any other applicable law.

(3) There is appropriated from the Escheat Fund any escheated property awarded to a claimant in accordance with the provisions of Chapter 116B of the General Statutes or any other applicable law.

(4) There is appropriated from the appropriate fund, an amount equal to the amount required to refund any other overpayment made to a State agency, in accordance with applicable law."

EXPENDITURE OF FUNDS RECEIVED FROM GRANTS AWARDED SUBSEQUENT TO BUDGET ENACTMENT

SECTION 5.2. Section 5.2(a) of S.L. 2011-145 reads as rewritten:

"**SECTION 5.2.(a)** Notwithstanding G.S. 143C-6-4, State agencies may, with approval of the Director of the ~~Budget and after consultation with the Joint Legislative Commission on Governmental Operations,~~Budget, spend funds received from grants awarded subsequent to the enactment of this act. A State agency shall report expenditures of any grants received subsequent to the enactment of The Current Operations and Capital Improvements Appropriations Act of 2012 to the Joint Legislative Commission on Governmental Operations within 30 days."

EDUCATION LOTTERY

SECTION 5.3.(a) Notwithstanding G.S. 18C-164, the revenue used to support appropriations made in this act is transferred from the State Lottery Fund in the amount of four hundred forty-one million three hundred fifty-nine thousand four hundred one dollars ($441,359,401) for the 2012-2013 fiscal year.

SECTION 5.3.(b) Notwithstanding G.S. 18C-164, the North Carolina State Lottery Commission shall not transfer funds to the Education Lottery Reserve Fund for the 2012-2013 fiscal year.

SECTION 5.3.(c) Section 5.4(f) of S.L. 2011-145 is repealed.

SECTION 5.3.(d) Notwithstanding G.S. 18C-164(f) or any other provision of law, excess lottery receipts realized in the 2011-2012 fiscal year in the amount of twenty-five million five hundred eighty-eight thousand three hundred seventy dollars ($25,588,370) shall be allocated for UNC Need-Based Financial Aid.

SECTION 5.3.(g) Notwithstanding G.S. 18C-164, the appropriations made from the Education Lottery Fund for the 2012-2013 fiscal year are as follows:

Teachers in Early Grades	$ 220,643,188
Prekindergarten Program	$ 63,135,709
Public School Building Capital Fund	$ 100,000,000
Scholarships for Needy Students	$ 30,450,000
UNC Need-Based Financial Aid	$ 52,718,874
Total Appropriation	$ 466,947,771

SECTION 5.3.(h) Notwithstanding G.S. 18C-164(c), G.S. 115C-546.2(d), or any other provision of law, funds appropriated in this section to the Public School Building Capital Fund for the 2012-2013 fiscal year shall be allocated to counties on the basis of average daily membership (ADM).

SECTION 5.3.(i) Notwithstanding G.S. 18C-164(c), Article 35A of Chapter 115C of the General Statutes, or any other provision of law, the funds appropriated in this section for UNC Need-Based Financial Aid shall be administered in accordance with the policy adopted by the Board of Governors of The University of North Carolina.

SECTION 5.3.(j) Notwithstanding G.S. 18C-164(f), if the actual net lottery revenues for the 2012-2013 fiscal year exceed the amounts appropriated in subsection (g) of this section, the excess net lottery revenues shall be allocated for UNC Need-Based Financial Aid and are appropriated for that purpose.

PART VI. GENERAL PROVISIONS

REMOVE CONSULTATION BY GOVERNOR REQUIREMENT/INTERIM APPROPRIATIONS COMMITTEES

SECTION 6.1. Section 6.5 of S.L. 2011-145 is repealed.

EXTEND REPORTING DATE/UTILIZATION REVIEW/PUBLIC SCHOOL AND PUBLIC HEALTH NURSES

SECTION 6.2. Section 6.9(b) of S.L. 2011-145 reads as rewritten:

"**SECTION 6.9.(b)** By ~~May~~ December 1, 2012, the Fiscal Research Division shall report to the House and Senate Appropriations Committees."

VOICE INTEROPERABILITY PLAN FOR EMERGENCY RESPONSE (VIPER) SYSTEM

SECTION 6.3.(a) It is the intent of the General Assembly to continue to support development and implementation of the State's Voice Interoperability Plan for Emergency Response (VIPER) system in subsequent fiscal years. However, no State agency, office, commission, or non-State entity shall enter into a new contract or amend any existing contract that would commit or otherwise spend any State funds, as defined in G.S. 143C-1-1(d)(25), during the 2011-2012 fiscal year unless those funds were expressly appropriated by the General Assembly for the State's VIPER system.

SECTION 6.3.(b) Notwithstanding any other provision of law to the contrary, any unexpended, unencumbered State funds remaining on June 30, 2012, allotted to or received by the Department of Public Safety (Department) or any unexpended, unencumbered State funds allotted to or received by and remaining in the budgets of the previous agencies that now constitute the Department shall revert to the State's General Fund. For purposes of this section, the term "expenditure" means any purchase, advance, conveyance, deposit, distribution, transfer of funds, loan, payment, gift, pledge, or subscription of money or anything of value whatsoever, and any contract, agreement, promise or other obligation. For purposes of this section, the term "encumbrance" means a financial obligation created by a purchase order, contract, salary commitment, unearned or prepaid collections for services provided by the State, or other legally binding agreement.

SECTION 6.3.(c) Effective July 1, 2012, the Department is hereby authorized to commit or spend up to twenty-five million dollars ($25,000,000) in the 2012-2013 fiscal year to continue development and implementation of the State's VIPER system.

SECTION 6.3.(d) The Department of Public Safety shall report to the Joint Legislative Committee on Inf9ormation Technology and the Joint Legislative Oversight Committee on Justice and Public Safety on a quarterly basis on the progress of the State's VIPER system.

EXTEND MATURITY DATE/GLOBAL TRANSPARK

SECTION 6.4. G.S. 147-69.2(b)(11), as amended by Section 7 of S.L. 2005-144, Section 2 of S.L. 2005-201, Section 28.17 of S.L. 2005-276, Section 27.7 of S.L. 2007-323, Section 25.2 of S.L. 2009-451, Section 6.10(a) of S.L. 2011-145, and Section 4(b) of S.L. 2011-340, reads as rewritten:

"(b) It shall be the duty of the State Treasurer to invest the cash of the funds enumerated in subsection (a) of this section in excess of the amount required to meet the current needs and demands on such funds. The State Treasurer may invest the funds as provided in this subsection. If an investment was authorized by this subsection at the time the investment was made or contractually committed to be made, then none of the percentage or other limitation on investments set forth in this subsection shall be construed to require the State Treasurer to subsequently dispose of the investment or fail to honor any contractual commitments as a result of changes in market values, ratings, or other investment qualifications.

...

(11) With respect to assets of the Escheat Fund, obligations of the North Carolina Global TransPark Authority authorized by G.S. 63A-4(a)(22), not to exceed twenty-five million dollars ($25,000,000), that have a final maturity not later than October 1, ~~2012.~~2014. The obligations shall bear interest at the rate set by the State Treasurer. No commitment to purchase obligations may be made pursuant to this subdivision after September 1, 1993, and no obligations may be purchased after September 1, 1994. In the event of a loss to the Escheat Fund by reason of an investment made pursuant to this subdivision, it is the intention of the General Assembly to hold the Escheat Fund harmless from the loss by appropriating to the Escheat Fund funds equivalent to the loss.

If any part of the property owned by the North Carolina Global TransPark Authority now or in the future is divested, proceeds of the

divestment shall be used to fulfill any unmet obligations on an investment made pursuant to this subdivision.

...."

NATIONAL MORTGAGE SETTLEMENT APPROPRIATIONS

SECTION 6.5.(a) The Consent Judgment in *U.S. v. Bank of America*, Civil Action No. 12-CV-0361, dated April 4, 2012, provides for monetary payments to the State and, therefore, the General Assembly authorizes the expenditure of these State revenues as set forth in subsection (b) of this section.

SECTION 6.5.(b) Settlement funds received by the State pursuant to the Consent Judgment in *U.S. v. Bank of America*, Civil Action No. 12-CV-0361, dated April 4, 2012, shall be deposited and credited in accordance with the North Carolina Constitution and Chapter 143C of the General Statutes and are appropriated for the 2012-2013 fiscal year as follows:

(1) The sum of four million seven hundred eighty thousand dollars ($4,780,000) to the Department of Justice, Consumer Protection Division, for financial fraud detection and prevention efforts.

(2) The sum of six million six hundred ninety thousand dollars ($6,690,000) to the Administrative Office of the Courts to be administered by the North Carolina Conference of District Attorneys. Funds shall be used for grants and training for prosecutorial offices to expand prosecution of lending and financial crimes.

(3) The sum of thirty million five hundred twenty thousand dollars ($30,520,000) to the Housing Finance Agency for housing counselors and other assistance to help distressed homeowners.

(4) The sum of five million seven hundred forty thousand dollars ($5,740,000) in civil penalties shall be deposited in the Civil Penalty and Forfeiture Fund.

(5) The sum of two million eight hundred seventy thousand dollars ($2,870,000) to the Department of Justice, State Bureau of Investigation, to expand its accounting and financial investigative ability and its expertise to investigate financial and lending crimes.

SECTION 6.5.(c) No State agency receiving money from the National Mortgage Settlement may make expenditures for purposes not authorized by the General Assembly, nor may a State agency spend an amount totaling more than that appropriated by the General Assembly; however, a State agency may use the funds to offset 2012-2013 fiscal year nonrecurring reductions. Any positions established by State agencies with funds appropriated pursuant to this section shall be temporary or time-limited positions.

SECTION 6.5.(d) Nothing in this section is intended to be in conflict with the mandatory provisions of the Consent Judgment.

EXECUTIVE ORDER NO. 115/HURRICANE IRENE DISASTER LOANS

SECTION 6.7.(a) Notwithstanding Executive Order No. 115, Proclamation of a State of Disaster for Pamlico and Tyrrell Counties, issued on February 21, 2012, or any other law to the contrary, the Counties of Pamlico and Tyrrell, upon proof of flood insurance coverage to the Department of Public Safety, Emergency Management Section, shall not be held liable for that portion of funds borrowed under Executive Order No. 115 to cover damage sustained to their county school buildings and county school structures as a result of Hurricane Irene.

SECTION 6.7.(b) If Pamlico or Tyrrell County allows the flood insurance coverage required in subsection (a) of this section to lapse at any time, that county shall be liable for the full repayment of funds borrowed under Executive Order No. 115.

AUTHORIZE CERTAIN MODIFICATIONS OF THE CERTIFIED BUDGET

SECTION 6.9. Section 6.1(b) of S.L. 2011-145, as amended by Section 5 of S.L. 2011-391, reads as rewritten:

"**SECTION 6.1.(b)** For the 2011-2013 fiscal biennium, and notwithstanding the provisions of Chapter 143C of the General Statutes or any other provision of law, the certified budget for each State agency shall reflect only the total of all appropriations enacted for each State agency by the General Assembly in this act as modified by this act; therefore, the Director of the

Budget shall modify the certified budget only to reflect the following actions and only to the extent that they are authorized by this act:

(1) The allocation of funds set out in reserves.
(2) Government reorganizations.
(3) ~~Funds~~ The allocation of funds authorized by G.S. 116-30.3A and G.S. 116-40.22(c).
(4) The allocation of funds carried forward from one fiscal year to another.
(5) Changes required by acts that become law after the effective date of this section, irrespective of whether they are authorized by this act.

The Director of the Budget shall set out all other budget modifications in the authorized budget."

ESTABLISHING OR INCREASING FEES UNDER THIS ACT

SECTION 6.10.(a) Notwithstanding G.S. 12-3.1, an agency is not required to consult with the Joint Legislative Commission on Governmental Operations prior to establishing or increasing a fee to the level authorized or anticipated in this act.

SECTION 6.10.(b) Notwithstanding G.S. 150B-21.1A(a), an agency may adopt an emergency rule in accordance with G.S. 150B-21.1A to establish or increase a fee as authorized by this act if the adoption of a rule would otherwise be required under Article 2A of Chapter 150B of the General Statutes.

CONSULTATION WITH A LEGISLATIVE COMMITTEE

SECTION 6.11. G.S. 12-3 reads as rewritten:

"§ 12-3. Rules for construction of statutes.

In the construction of all statutes the following rules shall be observed, unless such construction would be inconsistent with the manifest intent of the General Assembly, or repugnant to the context of the same statute, that is to say:

...

(15) Requirement to consult with a committee or commission of the General Assembly. – All words purporting to require an individual or other entity to consult with a committee or commission of the General Assembly before taking an action shall be construed to require the entity to do all of the following:

a. Submit a report of the action under consideration to the chairs and staff of the committee or commission. The report shall include all information required by statute and the rules of that committee or commission. The staff of the committee or commission shall make the report available electronically to the members of the committee or commission and to the public.

b. Appear at a meeting of the committee or commission at which the matter is heard. Unless another period of time is specified by statute, the requirement to appear is satisfied if the committee or commission does not have a meeting at which the matter is heard within 90 days of receiving the required submission."

MEDICAID PROGRAM DISCLOSURES TO THE FISCAL RESEARCH DIVISION

SECTION 6.12. G.S. 120-32.01 reads as rewritten:

"§ 120-32.01. Information to be supplied.

(a) Every State department, State agency, or State institution shall furnish the Legislative Services Office and the Research, Fiscal Research, Program Evaluation, and Bill Drafting Divisions any information or records requested by them and access to any facilities and personnel requested by them. Except when accessibility is prohibited by a federal statute, federal regulation, or State statute, every State department, State agency, or State institution shall give the Legislative Services Office and these divisions access to any data base or stored information maintained by computer, telecommunications, or other electronic data processing equipment, whether stored on tape, disk, or otherwise, and regardless of the medium for storage or transmission.

(b) Notwithstanding subsection (a) of this section, access to the BEACON/HR payroll system by the Research and Bill Drafting Divisions shall only be through the Fiscal Research

Division and access to the system by the Program Evaluation Division shall only be through the Division Director and two employees of the Division designated by the Division Director.

(c) Consistent with subsection (a) of this section and notwithstanding any other law relating to privacy of personnel records, the Retirement Systems Division of the Department of State Treasurer shall furnish the Fiscal Research Division direct online read-only access to active and retired member information or records maintained by the Retirement Systems Division in online information systems. Direct online read-only access shall not include access to medical records of individual members. Nothing in this subsection shall limit the provisions of subsection (a) of this section.

(d) For the purpose of ensuring financial transparency, accountability, and efficient operation of the Medicaid program finances by the Department of Health and Human Services, employees of the Fiscal Research Division designated by the Director of Fiscal Research shall have access to all records related to the Medicaid program. The Department of Health and Human Services shall cooperate fully with the designated employees of the Fiscal Research Division to facilitate (i) the evaluation of all financial and policy components of the Medicaid program, including financial projections, (ii) the evaluation of the budgetary construction and management of the Medicaid program, and (iii) the identification of unusual financial events. The Department shall also provide the Fiscal Research Division with electronic access to any departmental data for assessing or predicting Medicaid financial outcomes, and to any modeling software used for assessing or predicting Medicaid program financial outcomes. Employees of the Department shall not impede, delay, or restrict the provision of information or limit access to any departmental personnel necessary for the Fiscal Research Division to perform its monitoring and analysis of the Medicaid program.

Nothing in this subsection shall be construed to grant Fiscal Research Division employees access to medical records of individuals or other information protected under the Health Information Portability and Accountability Act (HIPAA).

Nothing in this subsection shall limit the provisions of subsection (a) of this section.

(e) The Department of Health and Human Services shall provide its annual financial projection of Medicaid program expenditures and requirements for any future fiscal years to the Chairs of the House Appropriations Committee and to the Chairs of the Senate Appropriations/Base Budget Committee no later than the date the Governor presents budget recommendations in accordance with G.S. 143C-3-5. Prior to providing this projection, the Secretary shall cooperatively engage designated employees of the Fiscal Research Division in ongoing bilateral analytical discussions about historical, current, and unanticipated factors that may impact projected Medicaid program financial outcomes that may affect the formulation of an official departmental annual financial projection.

Nothing in this subsection shall limit the provisions of subsection (a) of this section."

STATE CONTRACTS SHALL INCLUDE A CLAUSE MAKING THEM SUBJECT TO THE AVAILABILITY OF APPROPRIATIONS

SECTION 6.13.(a) G.S. 143C-6-8 reads as rewritten:

"**§ 143C-6-8. State agencies may incur financial obligations only if authorized by the Director of the Budget and subject to the availability of appropriated funds.**

(a) Limitation. – Unless otherwise authorized by the Director as provided by law, purchase orders, contracts, salary commitments, and any other financial obligations by State agencies shall be subject to the availability of appropriated funds or available funds that are not State funds as defined in this Chapter. Any employment contract or salary commitment that is paid in whole or in part with State funds shall also be subject to this limitation.

(b) Notice. – Any written purchase order, contract, salary commitment, or other financial obligation subject to this section shall include a clause that sets forth the limitation imposed by subsection (a) of this section. Where this section applies but there is no written document to which the limitation may be added, the entity that administers the State funds at issue shall notify the person or entity of the limitation."

SECTION 6.13.(b) The Office of State Personnel shall adopt a policy implementing the relevant portions of G.S. 143C-6-8, as amended by this section, for State employees.

SECTION 6.13.(c) This section becomes effective September 1, 2012.

MANAGEMENT FLEXIBILITY REDUCTIONS TO ENSURE ADEQUATE FUNDS ARE AVAILABLE TO COVER MEDICAID SHORTFALLS

SECTION 6.14.(a) The General Assembly finds that:

(1) In recent fiscal years, Medicaid program costs have grown disproportionately more than the remainder of the State budget.

(2) Addressing large and frequent Medicaid program shortfalls has required the reallocation of funds that could have been used for other purposes.

(3) To cover an early draw down of Medicaid funds during the 2009-2010 fiscal year, the 2011 General Assembly was required to make an additional one hundred twenty-five million dollars ($125,000,000) available to the Medicaid program.

(4) To cover a shortfall in the 2011-2012 Medicaid budget, the 2012 Session of the 2011 General Assembly was required to make an additional two hundred five million five hundred thousand dollars ($205,500,000) available to the Medicaid program.

(5) To ensure that adequate funds are available to cover any potential shortfall in the 2012-2013 Medicaid budget, it is necessary to implement management flexibility reductions across State government.

SECTION 6.14.(b) In order to provide adequate funds to cover any potential shortfall in the 2012-2013 Medicaid budget while minimizing the impact on State government services, the Director of the Budget shall ensure that cost savings required through the management flexibility reductions in this act are realized so that at least fifty percent (50%) of the cost savings are realized by December 31, 2012.

PART VI-A. INFORMATION TECHNOLOGY

INFORMATION TECHNOLOGY FUND/AVAILABILITY

SECTION 6A.1. Section 6A.1(a) of S.L. 2011-145 reads as rewritten:

"**SECTION 6A.1.(a)** The availability used to support appropriations made in this act from the Information Technology Fund established in G.S. 147-33.72H is as follows:

	FY 2011-2012	**FY 2012-2013**
Appropriation from General Fund	$4,458,142	$ 6,158,142
Interest	$ 25,000	$ 25,000
IT Fund Balance June 30	$ 792,000	$ ~~0~~794,928
Transfer to General Fund		$ (750,000)
Total Funds Available	**$5,275,142**	**$ ~~6,183,142~~**
		$ 6,228,070

Appropriations are made from the Information Technology Fund for the 2011-2013 fiscal biennium as follows:

	FY 2011-2012	**FY 2012-2013**
Information Technology Operations		
Center for Geographic Information and Analysis	$ 599,347	~~$599,347~~$461,871
Enterprise Security Risk Management	$ 864,148	$ 864,148
Enterprise Project Management Office	$1,473,285	$ 1,473,285
Architecture and Engineering	$ 581,986	~~$ 581,986~~$ 851,986
Criminal Justice Information Network	$ 166,422	~~$166,422~~$178,826
Statewide IT Procurement	$ 0	$ 0
State Web site	$ 100,000	$ ~~0~~ $150,000
ITS Overhead Reduction	$ (91,486)	$ (91,486)
Subtotal Information Technology Operations	$3,693,702	$ ~~3,593,702~~
		$ 3,888,630
Information Technology Projects		
State Portal	$ 0	$ 0
IT Consolidation	$ 776,440	~~$784,440~~$534,440
Transfer to OSC for E-Forms	$ 500,000	$ 500,000
Subtotal Information Technology Projects	$1,276,440	~~$1,284,440~~$1,034,440

Data Integration License Funding Transfer to State Agencies	$ 200,000	$ 1,200,000
Position Transfer to Office of State Budget and Management	$ 105,000	$ 105,000
Total	**$5,275,142~~$6,183,142~~**	**$6,228,070**".

OFFICE OF INFORMATION TECHNOLOGY SERVICES/CENTER FOR GEOGRAPHIC INFORMATION AND ANALYSIS/GIS FUNCTIONS AND COST RECOVERY

SECTION 6A.2. G.S. 147-33.82(a) is amended by adding a new subdivision to read:

"(a) In addition to any other functions required by this Article, the Office of Information Technology Services shall:

...

(10) Provide geographic information systems services through the Center for Geographic Information and Analysis on a cost recovery basis. The Office of Information Technology Services and the Center for Geographic Information and Analysis may contract for funding from federal or other sources to conduct or provide geographic information systems services for public purposes."

TAX INFORMATION MANAGEMENT SYSTEM/ADDITIONAL PUBLIC-PRIVATE PARTNERSHIP AUTHORIZED

SECTION 6A.3.(a) Additional Public-Private Partnership. – The Secretary of Revenue may enter into an additional public-private arrangement in order to expand the implementation of the Tax Information Management System (TIMS). All such arrangements will terminate June 30, 2018. The public-private arrangement may include terms necessary to implement additional revenue-increasing or cost-savings components if all of the following conditions are met:

(1) The funding of the project under the arrangement comes from revenue generated by or cost savings resulting from the project.

(2) The funding of the project is dependent on increased-revenue or cost-savings streams that are different from the existing benefits stream for the implementation of TIMS.

(3) The project involves additional identified initiatives that will be integrated into the TIMS solution.

SECTION 6A.3.(b) Contracts. – Work under an additional public-private arrangement that is authorized by this section may be contracted by requests for proposals, modifications to the existing contracts, purchases using existing contracts, or other related contract vehicles.

SECTION 6A.3.(c) Management/Performance Measurement. – The Secretary of Revenue shall follow the existing model for public-private arrangement oversight and shall establish a measurement process to determine the increased revenue or cost savings attributed to the additional public-private arrangement authorized by this section. To accomplish this, the Secretary shall consult subject matter experts in the Department of Revenue, in other governmental units, and in the private sector, as necessary. At a minimum, the measurement process shall include all of the following:

(1) Calculation of a revenue baseline against which the increased revenue attributable to the project is measured and a cost-basis baseline against which the cost savings resulting from the project are measured.

(2) Periodic evaluation to determine whether the baselines need to be modified based on significant measurable changes in the economic environment.

(3) Monthly calculation of increased revenue and cost savings attributable to contracts executed under this section.

SECTION 6A.3.(d) Funding. – Of funds generated from increased revenues or cost savings as compared to the baselines established by subdivision (1) of subsection (c) of this section, in the General Fund, the Highway Fund, and that State portion of the Unauthorized Substance Tax collections of the Special Revenue Fund, the sum of up to a total of sixteen million dollars ($16,000,000) may be used by the Office of State Budget and

Management to make purchases related to the implementation of the additional public-private arrangement authorized by this section, including payment for services from non-State entities.

SECTION 6A.3.(e) Internal Costs. – For the 2012-2013 fiscal year, in addition to the funding authorized in subsection (d) of this section and Section 6A.5(a) of S.L. 2011-145, the Department of Revenue may retain both of the following:

(1) An additional sum of ten million two hundred twenty-eight thousand dollars ($10,228,000) from benefits generated for the General Fund since the beginning of the public-private partnership described under Section 6A.5(a) of S.L. 2011-145. These funds shall be used as payment of internal costs for the fiscal biennium, and such funds are hereby appropriated for this purpose.

(2) An additional sum of six million dollars ($6,000,000) from benefits generated for the General Fund since the beginning of the public-private partnership described under Section 6A.5(a) of S.L. 2011-145. These funds shall be used to support internal costs and any new resources necessary to provide additional electronic services, to include payments and returns. Any requirements for electronic forms and digital signatures resulting from the electronic services expansion shall be coordinated with the Office of the State Controller.

SECTION 6A.3.(f) Expert Counsel Required. – Notwithstanding G.S. 114-2.3, the Department of Revenue shall engage the services of private counsel with the pertinent information technology and computer law expertise to negotiate and review contracts associated with an additional public-private arrangement authorized under this section.

SECTION 6A.3.(g) Oversight Committee. – The Oversight Committee established under Section 6A.5(c) of S.L. 2011-145 shall have the same responsibilities and duties with respect to an additional public-private arrangement authorized by this section as it does with respect to public-private arrangements to implement TIMS and the additional PDP components.

SECTION 6A.3.(h) Reporting. – Beginning August 1, 2012, and quarterly thereafter, the Department of Revenue shall submit detailed written reports to the Chairs of the House of Representatives and Senate Committees on Appropriations, to the Joint Legislative Oversight Committee on Information Technology, and to the Fiscal Research Division of the General Assembly. The report shall include an explanation of all of the following:

(1) Details of each public-private contract.

(2) The benefits from each contract.

(3) A comprehensive forecast of the benefits of using public-private agreements to implement TIMS, the additional PDP components, and additional components authorized by this section, including cost savings and the acceleration of the project timeline.

(4) Any issues associated with the operation of the public-private partnership.

SECTION 6A.3.(i) Information Technology Project Oversight. – In addition to the oversight provided by the Oversight Committee established in Section 6A.5(c) of S.L. 2011-145, the additional public-private arrangement authorized by this section shall be subject to existing State information technology project oversight laws and statutes, and the project management shall comply with all statutory requirements and other criteria established by the State Chief Information Officer and the Office of State Budget and Management for information technology projects. The State Chief Information Officer and the Office of State Budget and Management shall immediately report any failure to do so to the Joint Legislative Oversight Committee on Information Technology, the Chairs of the House of Representatives and Senate Committees on Appropriations, and the Fiscal Research Division.

SECTION 6A.3.(j) Extension. – Section 6A.5(c) of S.L. 2011-145 reads as rewritten:

"**SECTION 6A.5.(c)** There is established within the Department of Revenue the Oversight Committee for reviewing and approving the benefits measurement methodology and calculation process. The Oversight Committee shall review and approve in writing all contracts, including change orders, amendments to contracts, and addendums to contracts, before they are executed under this section. This shall include (i) details of each public-private contract, (ii) the benefits from each contract, and (iii) a comprehensive forecast of the benefits of using public-private agreements to implement TIMS and the additional PDP components, including the measurement process established for the Secretary of Revenue. The Oversight Committee shall approve all of the fund transfers for this project. Within five days of entering into a

contract, the Department shall provide copies of each contract and all associated information to the Joint Legislative Oversight Committee on Information Technology, the Chairs of the House of Representatives and Senate Committees on Appropriations, and the Fiscal Research Division.

The members of the Committee shall include the following:

(1) The State Budget Director;
(2) The Secretary of the Department of Revenue;
(3) The State Chief Information Officer;
(4) Two persons appointed by the Governor;
(5) One member of the general public having expertise in information technology appointed by the General Assembly upon the recommendation of the Speaker of the House of Representatives; and
(6) One member of the general public having expertise in economic and revenue forecasting appointed by the General Assembly upon recommendation of the President Pro Tempore of the Senate.

The State Budget Director shall serve as chair of the Committee. The Committee shall set its meeting schedule and adopt its rules of operation by majority vote. A majority of the members constitutes a quorum. Vacancies shall be filled by the appointing authority. Administrative support staff shall be provided by the Department of Revenue. Members of the Committee shall receive reimbursements for subsistence and travel expenses as provided by Chapter 138 of the General Statutes. The Committee shall terminate on ~~June 30, 2015.~~June 30, 2018.

The Department shall provide copies of the minutes of each meeting and all associated information to the Joint Legislative Oversight Committee on Information Technology, the Chairs of the House of Representatives and Senate Committees on Appropriations, and the Fiscal Research Division."

SECTION 6A.3.(k) One-Time Payment. – To accelerate the implementation of the Tax Information Management System, including any additional components authorized by subsection (a) of this section, the Office of State Budget and Management may authorize the Secretary of Revenue to make a one-time payment of two million dollars ($2,000,000) to the vendor of TIMS for implementation of TIMS if all of the conditions of this section are satisfied. The one-time payment shall be paid within 90 days of satisfaction of all conditions of this section or when sufficient funds are available, whichever is later. The source of funds for this payment is the same increased-revenue and cost-savings streams identified under subsection (a) of this section. The payment authorized by this subsection is in addition to the payments authorized by subsection (a) of this section. The mandatory conditions of this subsection are as follows:

(1) Release 5 of the Enterprise Technology Management (ETM) project is initially implemented on or before July 31, 2013.
(2) The post-implementation defect rate for Release 5 of the ETM project is within standards agreed to by the Secretary and the vendor. For purposes of this section, the post-implementation period is the period from the date of initial implementation until 90 days after initial implementation.
(3) All defects identified as part of Release 5 of the ETM project before the end of the post-implementation period are resolved within time frames agreed to by the Secretary and the vendor.

INFORMATION TECHNOLOGY PERSONAL SERVICES CONTRACTS/ REPORTING CHANGE

SECTION 6A.4. Section 6A.6(c) of S.L. 2011-145 reads as rewritten:

"**SECTION 6A.6.(c)** Beginning ~~August 1, 2011,~~ August 1, 2012, and ~~monthly~~ quarterly thereafter, each State agency, department, and institution employing information technology personal services contractors, or contract personnel performing information technology functions, shall provide a detailed report on those contracts to the Office of State Budget and Management, the Office of State Personnel, the Office of Information Technology Services, the Joint Legislative Oversight Committee on Information Technology, and the Fiscal Research Division of the General Assembly. Each State agency's report shall include at least the following:

(1) For each contracted information technology position:

a. The title of the position, a brief synopsis of the essential functions of the position, and how long the position has existed.
b. The name of the individual filling the position and the vendor company, if any, that regularly employs that individual.
c. The type of contract, start date, and termination date.
d. The length of time that the individual filling the contracted position has been employed by the State as a contractor in any position.
e. The contracted position salary or hourly rate, the number of hours per year, and the total annualized cost of the contracted position.
f. The salary and benefits cost for a State employee performing the same function.
g. The purchase order number for the position.
h. Whether the position can be converted to a State employee position. This determination will be certified by the State Information Technology Purchasing Office.
i. When the agency anticipates converting the position to a State employee.

(2) The total annual cost for information technology contractors and the total annual salary and benefits cost for filling the contract positions with State employees.
(3) A determination of whether the information technology functions performed by the contractor can be performed by State employees.
(4) All information required by this subsection related to information technology contractors regardless of the contracting source."

OFFICE OF INFORMATION TECHNOLOGY SERVICES/INTERNAL SERVICE FUND RATE ESTABLISHED/CASH MANAGEMENT

SECTION 6A.5.(a) Section 6A.8(a) of S.L. 2011-145 reads as rewritten:

"**ITS/INTERNAL SERVICE FUND RATE ESTABLISHMENT/CASH MANAGEMENT**

"**SECTION 6A.8.(a)** For ~~each year of the 2011-2013 fiscal biennium,~~ the 2011-2012 fiscal year, receipts for the Information Technology Internal Service Fund shall not exceed one hundred ninety million dollars ($190,000,000), excluding a ~~60-day~~ 40-day balance for contingencies. Notwithstanding G.S. 147-33.88, for the 2012-2013 fiscal year, all receipts, regardless of the source, including agency allocations and fund-to-fund transfers, for the Information Technology Internal Service shall not exceed one hundred seventy-five million dollars ($175,000,000). Rates established by the Office of State Budget and Management (OSBM) to support the IT Internal Service Fund shall be based on ~~this~~ the required fund limit. Established rates shall be adjusted within 30 days in the event the fund exceeds the prescribed limit. In the event that an increase in receipts for the IT Internal Service Fund is required, the ~~Office of Information Technology Services~~ State Chief Information Officer may implement the increase only after consultation with the Joint Legislative Commission on Governmental Operations. Overhead applied to IT Internal Service Fund rates shall not exceed ten percent (10%) of the rate."

SECTION 6A.5.(b) Section 6A.8 of S.L. 2011-145 is amended by adding a new subsection to read:

"**SECTION 6A.8.(a1)** The 40-day balance for contingencies shall be based on the maximum receipts permitted for each fiscal year, and any balance in excess of the limit must be refunded within 30 days of the first day when the fund balance exceeded the limitation amount. The Office of Information Technology Services shall limit collections each quarter to an amount not to exceed twenty-five percent (25%) of the year's limit. For the 2012-2013 fiscal year, a 40-day balance shall be maintained."

SECTION 6A.5.(c) The State Chief Information Officer shall consult with the Joint Legislative Commission on Governmental Operations prior to:

(1) Eliminating any services currently provided by the Office of Information Technology Services or the State Chief Information Officer.
(2) Transferring positions currently funded by the Information Technology Fund to the IT Internal Service Fund.

SECTION 6A.5.(d) Agency IT Expenses Cannot Exceed Appropriations. – During the 2012-2013 fiscal year, no State agency shall be charged more for information technology

services provided by the Office of the State Chief Information Officer or the Office of Information Technology Services than the lower of the amount charged or the amount actually paid less refunds from available appropriations for the 2011-2012 fiscal year, unless the increase is agreed to in writing by the agency and the Office of the State Chief Information Officer.

SECTION 6A.5.(e) Limitation on Charges for Alternate Services. – In the event that the State Chief Information Officer discontinues or privatizes a service during the 2012-2013 fiscal year, if the agencies choose to use an alternate service provided by the Office of Information Technology Services or their vendor, the amount that State agencies are charged for alternate services, inclusive of any service charge the State Chief Information Officer adds to the vendor charge, shall not exceed the IT Internal Service Fund charges for the same service in effect on May 31, 2012.

SECTION 6A.5.(f) The State Chief Information Officer shall report on a monthly basis to the Chairs of the House of Representatives and Senate Committees on Appropriations, to the Joint Legislative Oversight Committee on Information Technology, and to the Fiscal Research Division of the General Assembly. The reports required by this section shall include:

(1) How close the receipts of the Information Technology Internal Service are to the limits set forth in Section 6A.8(a) of S.L. 2011-145.

(2) The rates established by the Office of State Budget and Management (OSBM) to support the IT Internal Service Fund.

(3) The amount charged to date to each State agency for services provided by the Office of the State Chief Information Officer or the Office of Information Technology Services during the 2012-2013 fiscal year.

(4) The amount that State agencies are charged for alternate services in the event that a service is discontinued or privatized during the 2012-2013 fiscal year, inclusive of any service charge the State Chief Information Officer adds to the vendor charge.

INFORMATION TECHNOLOGY PRIVATIZATION

SECTION 6A.6.(a) Section 6A.9 of S.L. 2011-145 reads as rewritten:

"**SECTION 6A.9.(a)** Any privatization of any grouping of information technology services, or "towers," identified in the Infrastructure Study and Assessment (INSA) or any privatization to provide a new service or privatize an existing service shall require prior approval from the General Assembly. Funding to support any outsourcing of any of these towers or any privatization involving a new or existing service shall be specifically appropriated by the General Assembly for that purpose, to include any use of Information Technology Internal Service Fund receipts. No new privatization shall occur until the Office of the State Chief Information Officer and the Office of Information Technology Services accomplish the following:

(1) The establishment and presentation to the Joint Legislative Oversight Committee on Information Technology of a budget for the Information Technology Internal Service Fund with rates for services that accurately reflect costs.

(2) The development and implementation of an accurate, comprehensive asset management system for executive branch agencies and report to the Joint Legislative Oversight Committee on Information Technology the results of the implementation.

(3) Issuance of a new request for proposal to solicit bids for any privatization initiative.

(4) Consultation with and approval from the State Treasurer.

"**SECTION 6A.9.(a1)** The limitations set forth in this section shall apply to the IT Services Management Services Desk (Help Desk), the Application Development and Support Services (Hosting Services), and the video portfolio and to any other IT service privatization.

"**SECTION 6A.9.(b)** Before privatizing any ~~major information technology function~~new or existing information technology service during the 2011-2013 fiscal biennium, the State Chief Information Officer shall do all of the following:

(1) Develop a detailed plan for implementing any privatization initiative to include the following:

a. A governance and accountability structure for the privatization effort.

b. Detailed time line with milestones.
c. Any costs necessary to accomplish outsourcing with funding sources identified.
d. Estimated monthly cost for each participating agency for the first five years of privatization.
e. Risks associated with privatization, measures being taken to mitigate those risks, and any costs associated with the mitigation measures.
f. Any security issues associated with outsourcing each application impacted by the outsourcing, with a detailed plan to mitigate those issues.
g. A list of State employees to be terminated with information on their job description and how long they have been employed by the State, a schedule of when the terminations are to occur, the cost of terminating each employee, and plans to assist each terminated employee.

The State Chief Information Officer shall consult the Joint Legislative Commission on Governmental Operations and report to the Joint Legislative Oversight Committee on Information Technology on the completed plan prior to any implementation of privatization.

(2) Have a detailed plan in place, to include associated costs and sources of funding, to return the function to State control in the event privatization fails to provide anticipated cost-savings or required service levels.

(3) Privatize only those individual functions where verifiable market data collected after January 1, 2012, by a disinterested third-party consultant shows that privatization will result in cost-savings to the State and there is no data identifying alternatives that generate greater savings, ensuring that agencies receive at a minimum the same level of service and functionality as the level prior to privatization.

(4) Document and certify any anticipated savings resulting from privatization by individual function.

(5) Ensure full disclosure of any privatization decisions that combine multiple services or towers into a single contract, including the costs associated with each specific service or tower included in the contract.

(6) Ensure that any changes are made across the entire executive branch.

(7) Consult the Joint Legislative Commission on Governmental Operations and report to the Joint Legislative Oversight Committee on Information Technology regarding the plan for funding any requirements formerly covered by the receipts from the privatized function.

"**SECTION 6A.9.(b1)** Agency Participation in Privatization Initiatives Is Voluntary. – Notwithstanding any other provision of law, if a State-administered information technology service is privatized, or a new service is provided through a private vendor, continued receipt of or participation in the service by State agencies shall be voluntary.

"**SECTION 6A.9.(b2)** Agency Options in the Event of Privatization. – If a State-administered information technology service is privatized, or a new privatized service is offered, State agencies may do any of the following:

(1) Elect to discontinue receiving or participating in the service and to provide the service within the agency. If an agency elects to provide the service internally, any positions previously transferred to the Office of Information Technology Services to support the service shall be transferred back to that agency. The Office of the State Chief Information Officer and the Office of Information Technology Services shall provide necessary support to facilitate the transfers of positions.
