- 1. What were the original goals and expectations for the activity supported by this grant?
 - A. To provide crisis assistance funding for individuals and families who need help with power, water and rent assistance.
 - B. To provide hot meals to the local community of Burke who are in need
 - C. Request Food to be provided through our Food Pantry for people of Burke County.
- 2. If applicable, how have those goals and expectations been revised or refined during the course of the project?

No changes to the goals

- 3. What has the activity accomplished with these grant funds? Please include specific information including facts and statistics to support conclusions and judgments about the activity's impact.
 - A. We have provided 845,368 pounds of food through our food pantry
 - B. We have provided 38,131 hot meals through the soup kitchen
 - C. We have provided services to 12,320 people
 - D. We have provided over \$100,000 in financial and clothing services 21/22

4.	If the activity is a continuing one, briefly summarize future plans and funding prospects.
A.	Yes, we will be continuing with these projects in the future. We believe that we will see an uptick in the need for food due to the increase in price. We also speculate that the community will continue to have needs for power, water and rent. We will continue to request private gifts from individuals, churches and foundations.
