Preface

This Cumulative Supplement to Replacement Volume 3B contains the general laws of a permanent nature enacted at the 1963, 1965, 1966 and 1967 Sessions of the General Assembly, which are within the scope of such volume, and brings to date the annotations included therein.

Amendments of former laws are inserted under the same section numbers appearing in the General Statutes, and new laws appear under the proper chapter headings. Editors' notes point out many of the changes effected by the amendatory acts.

Chapter analyses show new sections and also old sections with changed captions. An index to all statutes codified herein appears in the Cumulative Supplement to Replacement Volumes 4B and 4C.

A majority of the Session Laws are made effective upon ratification but a few provide for stated effective dates. If the Session Law makes no provision for an effective date, the law becomes effective under G.S. 120-20 "from and after thirty days after the adjournment of the session" in which passed. All legislation appearing herein became effective upon ratification, unless noted to the contrary in an editor's note or an effective date note.

The members of the North Carolina Bar are requested to communicate any defects they may find in the General Statutes or in this Supplement, and any suggestions they may have for improving the General Statutes, to the Division of Legislative Drafting and Codification of Statutes of the Department of Justice, or to The Michie Company, Law Publishers, Charlottesville, Virginia.

- (1) In which such electric membership corporation is on April 20, 1965 furnishing electric service at retail to a majority of the electric meters; or
- (2) To which such electric membership corporation is on April 20, 1965 furnishing the entire supply of electricity at wholesale; or

§ 117-10.2. **Restriction on municipal service.**—No electric membership corporation shall furnish electric service to, or within the limits of, any incorporated city or town, except pursuant to a franchise that may be granted under the provisions of G.S. 117-10.1, or as permitted under G.S. 160-511, G.S. 160-512, and G.S. 160-513; provided, that an electric membership corporation may furnish electric service to, or within the limits of, any incorporated city or town if the city or town and all electric suppliers, including public utilities, other electric membership corporations and other cities or towns, then furnishing electric service to or within such city or town consent thereto in writing. (1965, c. 287, s. 10.)

§ 117-12. **Execution and filing of certificate of incorporation by residents of territory to be served.**—The natural persons executing the certificate of incorporation shall be residents of the territory in which the principal operations of the corporation are to be conducted who are desirous of using electric energy to be furnished by the corporation. As soon as the provisions of this section have been complied with, the proposed corporation described in the certificate so filed, under its designated name, shall be and constitute a body corporate. (1935, c. 291, s. 7; 1967, c. 823, s. 32.)

Editor's Note. — The 1967 amendment, in the third sentence.

§ 117-16.1. Discrimination prohibited. — No electric membership corporation shall, as to rates or services, make or grant any unreasonable preference or advantage to any member or subject any member to any unreasonable prejudice or disadvantage. No electric membership corporation shall establish or maintain any unreasonable difference as to rates or services either as between localities or as between classes of service. No electric membership corporation shall give, pay, or receive any rebate or bonus, directly or indirectly, or mislead or deceive its members in any manner as to rates charged for the services of such electric membership corporation. (1965, c. 287, s. 11.)

§ 117-19. Taxes and assessments.—(a) From and after April 20, 1965, no electric membership corporation heretofore or hereafter organized, reorganized, or domesticated under the provisions of this chapter shall be a public agency; nor shall any such corporation be, or have the rights of, a political subdivision of the State.

(b) With respect to its properties owned and revenues received on and after January 1, 1967, each electric membership corporation operating within the State shall be subject to, and shall pay taxes and assessments under, all laws relative to State, county, municipal and other local taxes and assessments applicable to the electric light and power companies in this State, except income tax.

(c) Each electric membership corporation operating in this State shall, on all of its properties located within any incorporated city or town, pay in lieu of taxes to such cities and towns and to the counties in which such cities and towns are located, amounts equal for 1965 to fifty per cent (50%), and equal for 1966 to one hundred per cent (100%), of the ad valorem property taxes that would be paid on such properties if such properties were owned by persons fully subject to such taxes.

(d) For the privilege of engaging in business in one or more incorporated cities or towns for the period beginning May 1, 1965, and ending December 31, 1966, or any part of such period, an electric membership corporation shall pay to the State an amount equal to six per cent (6%) of its gross receipts received within such period from the business of furnishing electricity to or within all such cities and towns, less, however, six per cent (6%) of such amount as such electric membership corporation has paid with respect to such sales to any public utility which pays a six per cent (6%) franchise tax to the State on its wholesale sales of electricity to such electric membership corporation. The reporting, payment, and collection provisions of G.S. 105-116 shall apply to the levy herein made. Editor's Note. — The 1965 amendment rewrote the section, which formerly consisted of one paragraph declaring an electric membership corporation to be a public agency, with the rights of a political subdivision.

§ 117-20. Encumbrance, sale, etc., of property.—No corporation may sell, mortgage, lease or otherwise encumber or dispose of any of its property (other than merchandise and property which lie within the limits of an incorporated city or town, or which shall represent not in excess of ten per cent (10%) of the total value of the corporation's assets, or which in the judgment of the board are not necessary or useful in operating the corporation) unless

- (1) Authorized so to do by the votes of at least a majority of its members, and
- (2) The consent of the holders of seventy-five per centum (75%) in amount of the bonds of such corporation then outstanding is obtained. (1935, c. 291, s. 15; 1965, c. 287, s. 13.)

Editor's Note. — The 1965 amendment rewrote the language appearing in parentheses in the first paragraph.

- (3) That the corporation elects to dissolve.
- (4) The name and post-office address of each of its directors, and the name, title and post-office address of each of its officers.

Such certificate shall be subscribed and acknowledged in the same manner as an original certificate of incorporation by the president or a vice-president, and the secretary or an assistant secretary, who shall make and annex an affidavit, stating that they have been authorized to execute and file such certificate by the votes cast in person or by proxy by a majority of the members of the corporation entitled to vote.

A certificate of dissolution and a certified copy or copies thereof shall be filed in the same place as an original certificate of incorporation and thereupon the corporation shall be deemed to be dissolved.

Such corporation shall continue for the purpose of paying, satisfying and discharging any existing liabilities or obligations and collecting or liquidating its assets, and doing all other acts required to adjust and wind up its business and affairs, and may sue and be sued in its corporate name. Any assets remaining after all liabilities or obligations of the corporation have been satisfied or discharged shall be distributed among the members in such manner as is provided for in the corporation's charter or bylaws, and the charter or bylaws may provide for distributions to persons who were members in one or more prior years. (1935, c. 291, s. 19; 1965, c. 287, s. 14.)

Editor's Note.—Prior to the 1965 amendment, the last sentence in this section provided that the remaining assets should pass to and become the property of the State.

Editor's Note.—

The 1963 amendment rewrote this section.

Editor's Note.—

Session Laws 1963, Ex. Sess., c. 2, pro-

posed to amend Const., Art. II, §§ 3, 4, 5 and 6, so as to increase the membership of

the Senate, provide for compulsory redistricting of the Senate after each federal census and provide for one representative from each county. The proposed amendment was defeated by vote of the people at a general election held January 14, 1964.

The 1966 amendment rewrote this section. Section 17 of the amendatory act provides that "G.S. 120-2 as that section read immediately prior to the ratification of this act shall remain in force until November 7, 1966, for the sole purpose of governing the filling of vacancies occurring in the membership of the General Assembly elected in 1964."

Session Laws 1966, Ex. Sess., c. 6, pro-

vides that in the event the United States Constitution is amended to permit representation in one house of bicameral state legislatures on some basis other than population, the membership of the North Carolina House of Representatives shall be reestablished as provided in § 120-2 as the same appears in the 1964 Replacement Volume 3B of the General Statutes.

Former § 120-2 was held invalid in *Drum v. Seawell*, 249 F. Supp. 877 (M.D. N.C. 1965), aff'd, 383 U.S. 831, 86 Sup. Ct. 1237, 16 L. Ed. 2d 298 (1966).

But the present section was held valid in *Drum v. Seawell*, 250 F. Supp. 922 (M.D.-N.C. 1966).

§ 120-3. Pay of members and presiding officers of the General Assembly.—(a) The members of the General Assembly for the term for which they have been elected shall receive as compensation for their services the sum of fifteen dollars (\$15.00) per day for each day of their session and each day of any extra or special session. The compensation of the presiding officers of the two houses shall be twenty dollars (\$20.00) per day for each day of the session and for each day of any extra or special session.

(b) The pay of the members and presiding officers for a regular session of the General Assembly may be paid in installments, or upon a per diem basis, as the several members and presiding officers may elect, but in no instance shall installments or per diem amount to more than fifteen dollars (\$15.00) per day for the members and twenty dollars (\$20.00) per day for the presiding officers for the number of days the General Assembly has been in session.

(c) Any member or presiding officer may extend the disbursement of his pay over the two years of his term. Any member electing to do so shall notify the Department of Administration of his decision and shall designate any part of the total pay due him to be disbursed after the first day of January in the second year of his term. Any election to extend disbursement made by a member or presiding officer under this subsection shall be irrevocable and may not be rescinded. No installment shall be paid beyond the thirty-first day of December immediately following the election of the succeeding General Assembly. (1929, c. 2, s. 1; 1951, c. 23, s. 1; 1965, c. 917; c. 1157, s. 1; 1967, c. 1120.)

Cross Reference.— As to subsistence, travel allowance, and expenses of Speaker of the House of Representatives and the President pro tempore of the Senate when the General Assembly is not in session, see § 120-4.

Editor's Note.—

The first 1965 amendment affected the limitation on total amount of pay, which was deleted by the 1967 amendment.

The second 1965 amendment, gave effect to the first 1965 amendment, substituted "as the several members and presiding officers may elect" for "as asked for by the several members and presiding officers," in what is now subsection (b), and added what is now subsection (c). The second 1965 amendment was applicable for the years 1965 and 1966.

Session Laws 1967, c. 1120, effective July 1, 1967, rewrote this section, dividing it into subsections and deleting a limitation on total amount of pay.

Section 1½ of the 1965 amendatory act, as amended by Session Laws 1967, c. 776, provides: "The provisions of this act as to installment payments as to the compensation paid shall apply to the sergeant of arms of both the House and Senate, the reading clerks of both the House and Senate and the principal clerks of both the House and Senate. The provisions of this act shall apply not only to the 1967 Session of the General Assembly but shall apply to all subsequent sessions of the General Assembly."

§ 120-3.1. Subsistence and travel allowances for members and presiding officers.

(c) In addition to the travel allowance authorized in subsection (b) of this section, during any session of the General Assembly, whenever any member or presiding officer of either house of the General Assembly is directed by any committee of either house or by either house of the General Assembly to perform any legislative duties outside the city of Raleigh, then in such event such member or presiding officer shall be paid travel and subsistence allowances while engaged in such duties. Such travel allowance shall not exceed that established by law for State boards and commissions generally. No travel allowance shall be paid members and presiding officers of the General Assembly while they are engaged in legislative duties within the limits of the city of Raleigh. Subsistence allowance for expenses incurred in connection with their duties in the General Assembly in the sum of the maximum amount authorized as subsistence for members of State boards and commissions generally, as provided in G. S. 138-5 (b) (3) per day shall be paid members and presiding officers for each day of the period during which the General Assembly remains in session.

(1965, c. 86, s. 1.)

Cross Reference. — As to subsistence, travel allowance, and expenses of Speaker of the House of Representatives and the President pro tempore of the Senate when the General Assembly is not in session, see § 120-4.

Editor's Note.—

The 1965 amendment substituted "the maximum amount authorized as subsistence for members of State boards and commissions generally, as provided in G. S. 138-5 (b) (3)" for "twelve dollars (\$12.00)" near the end of subsection (c).

The 1965 act inadvertently states that the amendment is to "subsection (c) of G. S. 120-31."

Section 3 of c. 86, Session Laws 1965, provides that the act "shall be in full force and effect upon its ratification and shall be effective retroactively to the first day of the General Assembly session in which any change in the subsistence allowance as provided in G. S. 138-5 (b) (3) is made."

As only subsection (c) was changed by the amendment, the rest of the section is not set out.

§ 120-4. Speaker and President pro tempore.—For each day spent in the service of the State at times when the General Assembly is not in session, the Speaker of the House of Representatives and the President pro tempore of the Senate each shall be entitled to receive subsistence and travel allowances at the rates prescribed in § 138-5 (b). The costs of clerical assistance, postage, and other office expenses incurred by the Speaker of the House of Representatives and the President pro tempore of the Senate in the performance of their official duties when the General Assembly is not in session shall be a proper charge against the funds appropriated for the maintenance and operation of the Legislative Research Commission. (1967, c. 1015, s. 1.)

Editor's Note. — Section 3 of Session July 1, 1967. Former § 120-4 was repealed Laws 1967, c. 1015, makes the act effective by Session Laws 1951, c. 23, s. 2.

Editor's Note.—

The 1967 amendment, made retroactive to April 15, 1967, increased the compensation set out in the first, second, third, and last sentences of the second paragraph by two dollars each, deleted "and the secretary of the Lieutenant-Governor" in the second sentence of the second paragraph, deleted "when such pages shall serve for more than 15 consecutive days during the session they shall receive," which had been inserted by the 1965 amendment, in the fifth sentence of the second paragraph, and increased the compensation of the chaplain from ten dollars to eleven dollars.

Section 1.5 of the 1967 amendatory act provides: "With the legislative intent to avoid, and to provide against the recurrence, subsequent to the convening of the 1969 General Assembly, of an effort similar to that embodied in this act, viz: To achieve a retroactive pay raise or bonus, over and above the compensation for which the affected employees agreed to render the services for which they were employed, which

agreements as to compensation were made when said employees accepted employment at or near the beginning of the 1967 Session of the General Assembly, the Legislative Research Commission is hereby requested and directed to make or cause to be made, at as early a date as is practicable, a study of position classifications, minimum and maximum ages of persons to be employed, and salary ranges for clerical and secretarial employees and other employees of the General Assembly herein mentioned. (1965, c. 1131, s. 1; 1967, c. 25, s. 1.)

Emergency Hospitalization.

§ 122-59. Temporary detention of persons becoming suddenly violent and dangerous to themselves or others; physician's statement; application for order of detention; subsequent proceedings.—Any person, who, by reason of the commission of overt acts, is believed to be suddenly violent and dangerous to himself or others, may be detained, physically and forcibly, for a period not to exceed twenty (20) days in the State hospital to which the clerk is authorized to hospitalize alleged mentally ill persons or alleged inebriates from his county, in a private hospital, county hospital or other suitable place of a nonpenal character.

Authorization for such detention may be given by any qualified physician in the form of a written statement that he has examined such person within 24 hours of the date of his statement and that it is his professional opinion, based upon such examination, that the person is homicidal or suicidal, or dangerous to himself or others. The physician's statement shall be sworn to before a person authorized to take acknowledgments or witnessed by a peace officer, and shall constitute au-

thority, without any court action, for the sheriff or any other peace officer to take custody of the alleged homicidal or suicidal person and transport him immediately to the appropriate State hospital or other suitable place of detention. It shall be the duty of the peace officer to whom such authorization is presented to effect such custody and transportation.

If such person has not been examined by a physician and it is believed that it would be dangerous to attempt to have him examined without restraint, authorization for detention may be given by the clerk of the superior court in the form of a written order directed to the sheriff or any other peace officer. The clerk may issue such order upon the application of any person having knowledge of the facts. The application must be in writing, signed and sworn to before the clerk, and must state that affiant believes the person to be homicidal or suicidal, the particulars as to his behavior, history and circumstances supporting such belief, that affiant is of the opinion that it would be dangerous to attempt to have the person examined by a physician without restraint, and it must include a request for the issuance of an order for detention and show the address of the affiant and his relationship, if any, to the alleged homicidal or suicidal person. In his order, the clerk may direct the officer to detain such person for an examination by a physician or to transport him immediately to the appropriate State hospital, as the facts and circumstances may warrant.

No person for whom detention has been authorized by a physician or a clerk of the superior court may be taken into custody after the expiration of 24 hours from the date of the examination by the physician or the issuance of the order by the clerk.

The detention provided for herein shall be for observation and treatment a period of not more than twenty (20) days. If involuntary hospitalization for mental illness is deemed necessary, a proceeding for judicial hospitalization may be instituted under the provision of article 7 of this chapter during the twenty-day period of detention. (1899, c. 1, s. 16; Rev., s. 4582; C. S., s. 6204; 1945, c. 952, s. 31; 1957, c. 1232, s. 20; 1959, c. 1002, ss. 18, 19; 1961, c. 511, s. 8; 1963, c. 1184, s. 2; 1967, c. 24, s. 19.)

Any person who carries on, conducts or attempts to carry on or conduct a private hospital, home, or school for the cure, treatment or rehabilitation of mentally ill persons, mentally retarded, or inebriates without first having obtained a license therefor from the Department of Mental Health or from the State Board of Public Welfare in accordance with subsection (e) of this section shall be guilty of a misdemeanor and upon conviction thereof shall be punished by a fine of not more than one thousand dollars (\$1,000.00), or by imprisonment for not more than six (6) months, or by both such fine and imprisonment. The managing and executive officers of any corporation violating the provisions of this section shall be liable under the provisions of this section in the same manner and to the same extent as a private individual violating the law.

(e) The authority to license nonmedical privately operated homes or other non-medical institutions (including religious facilities) for mentally ill persons, mentally retarded persons, and inebriates shall be the responsibility of the State Board of Public Welfare, and in such cases, in construing the provisions of subsections (b), (c) and (d) herein, the words "State Board of Public Welfare" shall be substituted for every reference to the Department of Mental Health or the Board of Mental Health. Editor's Note.— The 1965 amendment added "or from the State Board of Public Welfare in accordance with subsection (e) of this section" at the end of the first sentence in subsection (a) and following "Health" in the second sentence of that subsection. The amendment also rewrote subsection (e).

Section 4, c. 1178, Session Laws 1965, provides: "This act shall not apply where said homes or other nonmedical institutions

or facilities care for no more than four persons, all of whom are under the supervision of the United States Veterans Administration."

As the rest of the section was not affected by the amendment, it is not set out.

The successor of each such member shall be appointed for a term of five years and until his successor shall be duly appointed and qualified, except that any person appointed to fill a vacancy shall serve only for the unexpired term. Any member of the Authority shall be eligible for reappointment. Each member of the Authority appointed by the Governor may be removed by the Governor for misfeasance, malfeasance or wilful neglect of duty after reasonable notice and a public hearing, unless the same are in writing expressly waived. Each member of the Authority, other than the State Treasurer and the chairman of the Department of Conservation and Development, before entering upon his duty shall take an oath of office to administer the duties of his office faithfully and impartially and a record of such oath shall be filed in the office of the Secretary of State. The Governor shall designate a member of the Authority to serve as chairman. § 123A-6. **Criteria and requirements.**—In undertaking any project pursuant to this chapter, the Authority shall be guided by and shall observe the following criteria and requirements; provided that the determination of the Authority as to its compliance with such criteria and requirements shall be final and conclusive:

- (2) The project shall not involve the relocation of an industrial or research facility existing in the State to some other part of the State unless the Authority determines that there is a clear and justifiable reason therefor;
- (3) No project shall be leased to any lessee which is not financially responsible and fully capable and willing to fulfill its obligations under the agreement of lease, including the obligation to pay rent in the amounts and at the times required, the obligation to operate, repair and maintain at its own expense the project leased and to serve the pur-

- (4) The local unit in which the project is to be located, in the determination of the Authority, will be able to cope satisfactorily with the impact of such project and will be able to provide, or cause to be provided, when needed the public facilities, including utilities, and public services that will be necessary for the construction, operation, repair and maintenance of the project and on account of any increases in population resulting therefrom; and
 - (5) Adequate provision shall be made for the operation, repair and maintenance of the project at the expense of the lessee and for the payment of principal of and interest on the bonds and for reserves therefor. (1967, c. 535, s. 6.)

§ 123A-7. Procedural requirements.—(a) Any one or more governmental agencies may submit to the Authority a proposal for financing a project, using such forms and following such instructions as may be prescribed by the Authority. Such proposal shall set forth the type and location of the project and may include other information and data, available to the governmental agency or agencies submitting the proposal, respecting the project, the proposed lessee, if any, and the extent to which such project conforms to the criteria and requirements set forth in this chapter. The Authority shall promptly consider every project and cooperate with any governmental agency submitting any such proposal. The Authority may request governmental agencies to provide such information and data as the Authority may deem pertinent, and governmental agencies are authorized to provide to the Authority any information or data available to them and otherwise to render assistance to and cooperate with the Authority in carrying out the purposes of this chapter. The Authority may also request any proposed lessee of any project to provide information and data respecting the project and such lessee. The Authority is authorized to make or cause to be made, in cooperation with governmental agencies to the fullest extent feasible, such investigations, surveys, studies, reports and reviews as in its judgment are necessary and desirable to determine the feasibility and desirability of the project, the extent to which the project contributes to the development and advancement of the prosperity and economic welfare of the State, and, as to the proposed lessee, the experience, background, past and present financial condition, record of earnings, credit standing, present and future markets and prospects and the integrity and capability of the management of such lessee, the extent to which the project or such proposed lessee otherwise conform to the criteria and requirements of this chapter, and such other factors as may be deemed relevant or convenient in carrying out the purposes of this chapter.

(b) If the Authority determines that the project is feasible and desirable and that the criteria and requirements of this chapter may be complied with in undertaking and financing such project, the Authority shall promptly notify the local unit in which the project is to be located and request the approval of the project by the governing body of the local unit. For the purpose of determining whether to approve the project, the governing body of such local unit may in its discretion or shall, at the request of the Authority, hold a public hearing within the boundaries of the local unit after giving notice of such hearing by one publication thereof, in a newspaper of general circulation in the local unit, at least 10 days

before such hearing. The governing body of the local unit and a representative or representatives of the Authority shall attend such public hearing to provide information and otherwise hear and consider the comments and suggestions made at such hearing. No further action respecting such project shall be taken by the Authority unless the governing body of the local unit shall adopt (after the public hearing, if one shall be held) a resolution approving the project and requesting the Authority to finance and carry out the project. (1967, c. 535, s. 7.)

§ 123A-8. **Agreements of lease.**—No project financed under the provisions of this chapter shall be operated by the Authority or any other governmental agency; provided, that the Authority may temporarily operate or cause to be operated all or any part of a project to protect its interest therein pending any leasing of such project in accordance with this chapter. The Authority shall lease a project or projects to one or more persons, firms or private corporations for operation and maintenance in such manner as shall effectuate the purposes of this chapter, under an agreement of lease in form and substance not inconsistent herewith. Any such agreement of lease may provide, among other provisions, that:

- (1) The lessee shall, at its own expense, operate, repair and maintain the project or projects leased thereunder;
- (2) The rent payable under the lease shall in the aggregate be not less than an amount sufficient to pay all of the interest, principal and redemption premiums, if any, on the bonds that shall be issued by the Authority to pay the cost of the project or projects leased thereunder;
- (3) The lessee shall pay all other costs incurred by the Authority in connection with the financing, construction and administration of the project or projects leased, except as may be paid out of the proceeds of bonds or otherwise, including, but without limitation, insurance costs, the cost of administering the bond resolution authorizing such bonds and any trust agreement securing the bonds and the fees and expenses of trustees, paying agents, attorneys, consultants and others;
- (4) The term of the lease shall terminate not earlier than the date on which all such bonds and all other obligations incurred by the Authority in connection with the project or projects leased thereunder shall be paid in full, including interest, principal and redemption premiums, if any, or adequate funds for such payment shall be deposited in trust; and
- (5) The lessee's obligation to pay rent shall not be subject to cancellation, termination or abatement by the lessee until such payment of the bonds or provision for such payment shall be made. Such agreement of lease may contain such additional provisions as in the determination of the Authority are necessary or convenient to effectuate the purposes of this chapter, including provisions for extensions of the term and renewals of the lease and vesting in the lessee an option to purchase the project or projects leased thereunder pursuant to such terms and conditions consistent with this chapter as shall be prescribed in the lease; provided, that, except as may otherwise be expressly stated in the agreement of lease to provide for any contingencies involving the destruction or condemnation of the project or projects leased, or any substantial portion thereof, such option to purchase may not be exercised until the expiration of a period of not less than 10 years from the date the final installment of the first year's rent under the lease shall be paid by the lessee and until all bonds issued for such project or projects, including all interest and redemption interest and redemption premiums, if any, and all other obligations incurred by the Authority in connection with such project or projects shall have been paid in full or sufficient funds shall have been deposited in trust for

such payment; and provided further that the purchase price of such project or projects shall not be less than the increase, if any, from the date the lease becomes legally effective to the date of the lessee's exercise of the option in the value of all of the Authority's interest in the site or sites of such project or projects, whether such interest be in fee, a leasehold or other lesser estate, as determined for the purposes of and in conformity with the provisions of the next succeeding section [§ 123A-9]. (1967, c. 535, s. 8.)

§ 123A-9. Tax exemption; payments in lieu of taxes.—(a) The exercise of the powers granted by this chapter in all respects will be for the benefit of the people of the State, for the increase of their industry and prosperity, for the provision of gainful employment and for the improvement of their health and living conditions and will constitute the performance of essential public functions, and the Authority shall not be required to pay any taxes on any project or any other property owned by the Authority under the provisions of this chapter or upon the income therefrom, and the bonds issued under the provisions of this chapter, their transfer and the income therefrom (including any profit made on the sale thereof), shall at all times be free from taxation by the State or any local unit or political subdivision or other instrumentality of the State, excepting inheritance or gift taxes. Nothing in this section, however, shall be construed as exempting from taxation or assessments the leasehold interest of any lessee in any project or any other property or interest owned by any lessee.

(b) The agreement for the Authority's leasing of any project shall require that the lessee thereunder shall pay each year, in addition to all other obligations, an amount equal to the total amount of ad valorem taxes that would otherwise be levied upon the property owned and leased by the Authority thereunder which is exempted from taxation. The agreement of lease shall require the lessee to covenant and agree that, for the purposes of this section and during the term of such lease, the amount of such annual payment in lieu of taxes, the time, method and place of payment thereof, its apportionment to the various local government taxing units entitled thereto, the procedures and the rights of review and appeal of the lessee shall, to the fullest extent appropriate, be deemed to be the same as if such payment were an ad valorem tax payment and as if the property of the Authority leased by the lessee thereunder were actually owned by the lessee and legally subject to ad valorem taxation under applicable law, including particularly the Machinery Act, G.S. §§ 105-271 to 105-398, inclusive, as amended, and further to covenant and agree that the lessee shall file a tax list, listing such property in the name of, and as if owned by, the lessee (referring expressly therein to this section) in the form and manner and at the place or places and at the time or times required under said Machinery Act for the listing of real and personal property in the local unit subject to ad valorem taxation. Upon the execution of any such agreement of lease, the property of the Authority leased thereunder to the lessee during the term of such lease shall be treated (but only for the purposes of this section) as if it were subject to ad valorem taxation and, pursuant to the Machinery Act, said property shall be listed, appraised, assessed and revalued and shall be subject to the imposition of an amount in lieu of taxes equal to the ad valorem taxes that would otherwise be levied against such property if it were actually owned by the lessee and the lessee shall be deemed to be, for the purposes hereof, the owner of such property and to have such rights of review and appeal respecting such property as are vested in owners of property subject to ad valorem taxation under applicable law. The amount imposed in lieu of taxes against such property shall constitute the amount of payment in lieu of taxes required to be made by the lessee hereunder and such amount shall be imposed and collected in the same manner and at such time as ad valorem taxes under said Machinery Act, and shall be apportioned and made

available to the local government taxing units that would have been entitled thereto if such payment were a tax payment on such property, and may be used for the same purposes for which ad valorem property tax proceeds may be lawfully used by such taxing units, to be expended pro rata for purposes for which the unit levies property taxes. (1967, c. 535, s. 9.)

§ 123A-10. **Construction contracts.**—Contracts for the construction of the project may be awarded by the Authority in such manner as in its judgment will best promote free and open competition, including advertisement for competitive bids in a newspaper of general circulation in the local unit in which the project is to be located; provided, however, that if the Authority shall determine that the purposes of the chapter will thereby be more effectively served, the Authority in its discretion may award contracts for the construction of any project, or any part thereof, upon a negotiated basis as determined by the Authority. The Authority shall prescribe such bid security requirements and other procedures in connection with the award of such contracts as in its judgment shall protect the public interest. The Authority may by written contract engage the services of the lessee or prospective lessee of any project in the construction of such project and may provide in such contract that the lessee or prospective lessee may act as an agent of, or an independent contractor for the Authority for the performance of the functions described therein, subject to such conditions and requirements, consistent with the provisions of this chapter, as shall be prescribed in such contract, including such functions as the acquisition of the site and other real property for such project, the preparation of plans, specifications and contract documents, the award of construction and other contracts upon a competitive or negotiated basis, the construction of such project, or any part thereof, directly by such lessee or prospective lessee, the inspection and supervision of construction, the employment of engineers, architects, builders and other contractors and the provision of money to pay the cost thereof pending reimbursement by the Authority. Any such contract may provide that the Authority may, out of proceeds of bonds, make advances to or reimburse the lessee or prospective lessee for its costs incurred in the performance of such functions and shall set forth the supporting documents required to be submitted to the Authority and the reviews, examinations and audits that shall be required in connection therewith to assure compliance with the provisions of this chapter and such contract. (1967, c. 535, s. 10.)

§ 123A-11. **Conflict of interest.**—No officer, member, agent or employee of the Authority, the State or any local unit shall be interested either directly or indirectly in any contract with the Authority or in the sale of property, real or personal, to the Authority for the purposes of the project; provided, however, that this section shall not apply to any interest which the Authority determines is so minor as not to be within the purview of the purpose of this section. If any such officer, member, agent or employee shall have any interest in real property acquired prior to the determination of the location of any project, such interest shall immediately be disclosed to the Authority and shall be set forth in the minutes of the Authority, and the officer, member, agent or employee having any interest therein shall not participate on behalf of the Authority in the acquisition of such property by the Authority. (1967, c. 535, s. 11.)

§ 123A-12. **Authorization of funds for initial expenditures.** — In order to enable the Authority to organize and commence its operations under the chapter, the Governor and the Council of State are authorized to transfer to the Authority out of the Contingency and Emergency Fund not otherwise obligated such amount or amounts as the Governor and the Council of State shall deem necessary to enable the Authority to organize and to pay the expenses of administration during the first two years of the Authority's operations. (1967, c. 535, s. 12.)

§ 123A-13. **Credit of State not pledged.**—(a) Bonds issued under the provisions of this chapter shall not be deemed to constitute a debt, liability or obligation of the State or of any political subdivision thereof or a pledge of the faith and credit of the State or of any such political subdivision, but shall be payable solely from the revenues and other funds provided therefor. Each bond issued under this chapter shall contain on the face thereof a statement to the effect that the Authority shall not be obligated to pay the same nor the interest thereon except from the revenues, proceeds and other funds pledged therefor and that neither the faith and credit nor the taxing power of the State or of any political subdivision thereof is pledged to the payment of the principal of or the interest on such bonds.

(b) Expenses incurred by the Authority in carrying out the provisions of this chapter may be made payable from funds provided pursuant to this chapter and no liability or obligation shall be incurred by the Authority hereunder beyond the extent to which moneys shall have been so provided. (1967, c. 535, s. 13.)

§ 123A-14. **Bonds.**—(a) The Authority is hereby authorized to provide for the issuance, at one time or from time to time, of industrial revenue bonds of the Authority for the purpose of paying all or any part of the cost of any project or projects. The bonds shall be designated, subject to such additions or changes as the Authority deems advisable, “North Carolina Industrial Development Financing Authority Revenue Bonds, Series,” inserting in the blank space the name of the local unit in which shall be located the project for which the bonds are to be issued. The principal of and the interest on such bonds shall be payable solely from the funds herein provided for such payment. The bonds of each issue shall be dated, shall bear interest at such rate or rates, shall mature at such time or times not exceeding 40 years from their date or dates, as may be determined by the Authority, and may be made redeemable before maturity, at the option of the Authority, at such price or prices and under such terms and conditions as may be fixed by the Authority prior to the issuance of the bonds. The Authority shall determine the form and the manner of execution of the bonds, including any interest coupons to be attached thereto, and shall fix the denomination or denominations of the bonds and the place or places of payment of principal and interest, which may be at any bank or trust company within or without the State. In case any officer whose signature or a facsimile of whose signature shall appear on any bonds or coupons shall cease to be such officer before the delivery of such bonds, such signature or such facsimile shall nevertheless be valid and sufficient for all purposes the same as if he had remained in office until such delivery. The Authority may also provide for the authentication of the bonds by a trustee or fiscal agent. The bonds may be issued in coupon or in registered form, or both, as the Authority may determine, and provision may be made for the registration of any coupon bonds as to principal alone and also as to both principal and interest, and for the reconversion into coupon bonds of any bonds registered as to both principal and interest, and for the interchange of registered and coupon bonds. The Authority may sell such bonds in such manner, either at public or private sale, and for such price as it may determine will best effectuate the purposes of this chapter.

(b) The proceeds of the bonds of each issue shall be used solely for the payment of the cost of the project or projects, or portion or portions thereof, for which such bonds shall have been issued, and shall be disbursed in such manner and under such restrictions, if any, as the Authority may provide in the resolution authorizing the issuance of such bonds or in the trust agreement hereinafter mentioned securing the same. If the proceeds of the bonds of any issue, by reason of increased construction costs or error in estimates or otherwise, shall be less than such cost, additional bonds may in like manner be issued to provide the amount of such deficiency, and, unless otherwise provided in the bond resolution or in

the trust agreement, shall be deemed to be of the same issue and shall be entitled to payment from the same fund without preference or priority of the bonds first issued. If the proceeds of the bonds of any issue shall exceed such cost, such excess shall be deposited to the credit of the sinking fund for such bonds, or, if so provided in such resolution or trust agreement, may be applied to the payment of the cost of any additional project or projects.

(c) Prior to the preparation of definitive bonds, the Authority may, under like restrictions, issue interim receipts or temporary bonds, with or without coupons, exchangeable for definitive bonds when such bonds shall have been executed and are available for delivery. The Authority may also provide for the replacement of any bonds which shall become mutilated or shall be destroyed or lost.

(d) Bonds may be issued under the provisions of this chapter without obtaining, except as otherwise expressly provided in this chapter, the consent of any department, division, commission, board, body, bureau or agency of the State, and without any other proceedings or the happening of any conditions or things other than those proceedings, conditions or things which are specifically required by this chapter and the provisions of the resolution authorizing the issuance of such bonds or the trust agreement securing the same. (1967, c. 535, s. 14.)

§ 123A-15. **Trust agreement.** — In the discretion of the Authority any bonds issued under the provisions of this chapter may be secured by a trust agreement by and between the Authority and a corporate trustee, which may be any trust company or bank having the powers of a trust company within or without the State. Such trust agreement or the resolution providing for the issuance of such bonds may pledge or assign the fees, rents, charges, proceeds from the sale of any project, or part thereof, insurance proceeds, condemnation awards and other funds and revenues to be received therefor, but shall not convey or mortgage any project or any part thereof. Such trust agreement or resolution providing for the issuance of such bonds may contain such provisions for protecting and enforcing the rights and remedies of the bondholders as may be reasonable and proper and not in violation of law, including covenants setting forth the duties of the Authority in relation to the acquisition of property and the construction, improvement, maintenance, repair, operation and insurance of the project or projects in connection with which such bonds shall have been authorized, the fees, rents and other charges to be fixed and collected, the sale of any project, or part thereof, or other property, the terms and conditions for the issuance of additional bonds, and the custody, safeguarding and application of all moneys. It shall be lawful for any bank or trust company incorporated under the laws of the State which may act as depository of the proceeds of bonds, revenues or other money hereunder to furnish such indemnifying bonds or to pledge such securities as may be required by the Authority. Any such trust agreement or resolution may set forth the rights and remedies of the bondholders and of the trustee, and may restrict the individual right of action by bondholders. In addition to the foregoing, any such trust agreement or resolution may contain such other provisions as the Authority may deem reasonable and proper for the security of the bondholders. All expenses incurred in carrying out the provisions of such trust agreement or resolution may be treated as a part of the cost of the project or projects in connection with which bonds are issued or as an expense of administration of such project or projects, as the case may be. (1967, c. 535, s. 15.)

§ 123A-16. **Revenues.**—(a) The Authority is hereby authorized to fix and to collect fees, rents and charges for the use of any project or projects, and any part or section thereof, and to contract with any person, partnership, association or corporation respecting the use thereof. The Authority may require that the lessee or users of any project, or any part thereof, shall operate, repair and maintain the project and shall bear the cost thereof and other costs of the Authority in connection with the project or projects leased, as may be provided in the agree-

ment of lease or other contract with the Authority, in addition to other obligations imposed under such agreement or contract.

(b) The fees, rents and charges shall be so fixed as to provide a fund sufficient, with such other funds as may be made available therefor, to pay the principal of and the interest on such bonds as the same shall become due and payable and to create reserves for such purposes. The fees, rents and charges and all other revenues and other proceeds derived from the project or projects in connection with which the bonds of any issue shall have been issued, except such part thereof as may be necessary to provide such reserves therefor as may be provided for in the resolution authorizing the issuance of such bonds or in the trust agreement securing the same, shall be set aside at such regular intervals as may be provided in such resolution or such trust agreement in a sinking fund which is hereby pledged to, and charged with, the payment of the principal of and the interest on such bonds as the same shall become due and the redemption price or the purchase price of bonds retired by call or purchase as therein provided. Such pledge shall be valid and binding from the time when the pledge is made. The fees, rents, charges and other revenues and moneys so pledged and thereafter received by the Authority shall immediately be subject to the lien of such pledge without any physical delivery thereof or further act, and the lien of any such pledge shall be valid and binding as against all parties having claims of any kind in tort, contract or otherwise against the Authority, irrespective of whether such parties have notice thereof. Neither the resolution nor any trust agreement by which a pledge is created need be filed or recorded except in the records of the Authority. The use and disposition of money to the credit of such sinking fund shall be subject to the provisions of the resolution authorizing the issuance of such bonds or of such trust agreement. Except as may otherwise be provided in such resolution or such trust agreement, such sinking fund shall be a fund for all such bonds without distinction or priority of one over another. (1967, c. 535, s. 16.)

§ 123A-17. **Trust funds.**—Notwithstanding any other provisions of law to the contrary, all money received pursuant to the authority of this chapter, whether as proceeds from the sale of bonds, sale of property, insurance or condemnation awards, or as revenues, shall be deemed to be trust funds to be held and applied solely as provided in this chapter. The resolution authorizing the bonds of any issue or the trust agreement securing such bonds may provide that any of such moneys may be temporarily invested pending the disbursement thereof and shall provide that any officer with whom, or any bank or trust company with which, such moneys shall be deposited shall act as trustee of such money and shall hold and apply the same for the purposes hereof, subject to such regulations as this chapter and such resolution or trust agreement may provide. (1967, c. 535, s. 17.)

§ 123A-18. **Remedies.**—Any holder of bonds issued under the provisions of this chapter or any of the coupons appertaining thereto, and the trustee under any trust agreement, except to the extent the rights herein given may be restricted by such trust agreement or the resolution authorizing the issuance of such bonds, may, either at law or in equity, by suit, action, mandamus or other proceeding, protect and enforce any and all rights under the laws of the State or granted hereunder or under such trust agreement or resolution authorizing the issuance of such bonds, or under any agreement of lease or other contract executed by the Authority pursuant to this chapter, and may enforce and compel the performance of all duties required by this chapter or by such trust agreement or resolution to be performed by any lessee or the Authority or by any officer thereof, including the fixing, charging and collecting of fees, rents and charges. (1967, c. 535, s. 18.)

§ 123A-19. **Negotiable instruments.** — Notwithstanding any of the foregoing provisions of this chapter or any recitals in any bonds issued under the provisions of this chapter, all such bonds and interest coupons appertaining thereto

shall be and are hereby made negotiable instruments under the laws of this State, subject only to the provisions for registration in any resolution authorizing the issuance of such bonds or any trust agreement securing the same. (1967, c. 535, s. 19.)

§ 123A-20. **Bonds eligible for investment.** — Bonds issued by the Authority under the provisions of this chapter are hereby made securities in which all public officers and public bodies of the State and its political subdivisions, all insurance companies, trust companies, banking associations, investment companies, executors, administrators, trustees and other fiduciaries may properly and legally invest funds, including capital in their control or belonging to them. Such bonds are hereby made securities which may properly and legally be deposited with and received by any State or municipal officer or any agency or political subdivision of the State for any purpose for which the deposit of bonds or obligations of the State is now or may hereafter be authorized by law. (1967, c. 535, s. 20.)

§ 123A-21. **Revenue refunding bonds.** — (a) The Authority is hereby authorized to provide by resolution for the issuance of revenue refunding bonds of the Authority for the purpose of refunding any bonds then outstanding which shall have been issued under the provisions of this chapter, including the payment of any redemption premium thereon and any interest accrued or to accrue to the date of redemption of such bonds, and, if deemed advisable by the Authority, for either or both of the following additional purposes:

- (1) Constructing improvements, additions, extensions or enlargements of the project or projects in connection with which the bonds to be refunded shall have been issued, and
- (2) Paying all or any part of the cost of any additional project or projects.

The issuance of such bonds, the maturities and other details thereof, the rights of the holders thereof, and the rights, duties and obligations of the Authority in respect to the same shall be governed by the provisions of this chapter which relate to the issuance of revenue bonds, insofar as such provisions may be appropriate therefor.

(b) Revenue refunding bonds issued under this section may be sold or exchanged for outstanding bonds issued under this chapter and, if sold, the proceeds thereof may be applied, in addition to any other authorized purposes, to the purchase, redemption or payment of such outstanding bonds. Revenue refunding bonds may be issued, in the determination of the Authority, at any time not more than five years prior to the date of maturity or maturities or the date selected for the redemption of the bonds being refunded thereby. Pending the application of the proceeds of such refunding bonds, with any other available funds, to the payment of the principal, accrued interest and any redemption premium on the bonds being refunded, and, if so provided or permitted in the resolution authorizing the issuance of such refunding bonds or in the trust agreement securing the same, to the payment of any interest on such refunding bonds and any expenses in connection with such refunding, such proceeds may be invested in direct obligations of, or obligations the principal of and the interest on which are unconditionally guaranteed by, the United States of America which shall mature or which shall be subject to redemption by the holder thereof, at the option of such holder, not later than the respective dates when the proceeds, together with the interest accruing thereon, will be required for the purposes intended. (1967, c. 535, s. 21.)

§ 123A-22. **Reversion to local unit.**—When all revenue bonds issued for any project by the Authority under the provisions of this chapter, including interest and redemption premiums, if any, and other costs incurred by the Authority therefor shall have been paid, or a sufficient amount for such payment shall have been deposited in trust for the benefit of the holders of such bonds and others entitled thereto, the Authority shall convey by quitclaim deed to the local unit in

which such project is located, with the consent of the governing body of such local unit, all of the interest of the Authority in such project, subject to any agreement of lease, including renewal and option to purchase provisions therein, and any other covenants, limitations, liens and other encumbrances affecting the project. Any property so conveyed may be administered and used by the local unit for the purposes of this chapter or any other lawful purpose. (1967, c. 535, s. 22.)

§ 123A-23. **Annual reports.**—The Authority shall, promptly following the close of each fiscal year, submit an annual report of its activities for the preceding year to the Governor and the General Assembly. Each such report shall set forth a complete operating and financial statement covering the operations of the Authority during such year. The Authority shall cause an audit of its books and accounts to be made at least once in each year by the State Auditor or by certified public accountants and the cost thereof may be treated as a part of the cost of construction of a project, to the extent such audit covers the construction of the project, or otherwise as part of the expense of administration of the project covered by such audit. (1967, c. 535, s. 23.)

§ 123A-24. **Officers not liable.**—No member or other officer of the Authority shall be subject to any personal liability or accountability by reason of his execution of any bonds or the issuance thereof. (1967, c. 535, s. 24.)

§ 123A-25. **Additional method.**—The foregoing sections of this chapter shall be deemed to provide an additional and alternative method for the doing of the things authorized thereby and shall be regarded as supplemental and additional to powers conferred by other laws, and shall not be regarded as in derogation of any powers now existing; provided, however, that the issuance of revenue bonds or revenue refunding bonds under the provisions of this chapter need not comply with the requirements of any other law applicable to the issuance of bonds. (1967, c. 535, s. 25.)

§ 123A-26. **Chapter liberally construed.**—This chapter, being necessary for the prosperity and welfare of the State and its inhabitants, shall be liberally construed to effect the purposes thereof. (1967, c. 535, s. 26.)

§ 123A-27. **Inconsistent laws inapplicable.**—Insofar as the provisions of this chapter are inconsistent with the provisions of any general or special laws, or parts thereof, the provisions of this chapter shall be controlling. (1967, c. 535, s. 28.)

ARTICLE 2.

Interstate Library Compact.

§ 125-12. **Compact enacted into law; form.**—The Interstate Library Compact is hereby enacted into law and entered into by this State with all states legally joining therein in the form substantially as follows:

INTERSTATE LIBRARY COMPACT.

ARTICLE I. POLICY AND PURPOSE.

Because the desire for the services provided by libraries transcends governmental boundaries and can most effectively be satisfied by giving such services to communities and people regardless of jurisdictional lines, it is the policy of the states party to this compact to cooperate and share their responsibilities; to authorize cooperation and sharing with respect to those types of library facilities and services which can be more economically or efficiently developed and maintained on a cooperative basis, and to authorize cooperation and sharing among localities, states and others in providing joint or cooperative library services in areas where the distribution of population or of existing and potential library resources make the provision of library service on an interstate basis the most effective way of providing adequate and efficient service.

ARTICLE II. DEFINITIONS.

As used in this compact: (a) "Public library agency" means any unit or agency of local or State government operating or having power to operate a library.

(b) "Private library agency" means any nongovernmental entity which operates or assumes a legal obligation to operate a library.

(c) "Library agreement" means a contract establishing an interstate library district pursuant to this compact or providing for the joint or cooperative furnishing of library services.

ARTICLE III. INTERSTATE LIBRARY DISTRICTS.

(a) Any one or more public library agencies in a party state in cooperation with any public library agency or agencies in one or more other party states may establish and maintain an interstate library district. Subject to the provisions of this compact and any other laws of the party states which pursuant hereto remain applicable, such district may establish, maintain and operate some or all of the library facilities and services for the area concerned in accordance with the terms of a library agreement therefor. Any private library agency or agencies within an interstate library district may cooperate therewith, assume duties, responsibilities and obligations thereto, and receive benefits therefrom as provided in any library agreement to which such agency or agencies become party.

(b) Within an interstate library district, and as provided by a library agreement, the performance of library functions may be undertaken on a joint or cooperative basis or may be undertaken by means of one or more arrangements between or among public or private library agencies for the extension of library privileges to the use of facilities or services operated or rendered by one or more of the individual library agencies.

(c) If a library agreement provides for joint establishment, maintenance or operation of library facilities or services by an interstate library district, such dis-

trict shall have power to do any one or more of the following in accordance with such library agreement:

- (1) Undertake, administer and participate in programs or arrangements for securing, lending or servicing of books and other publications, any other materials suitable to be kept or made available by libraries, library equipment or for the dissemination of information about libraries, the value and significance of particular items therein, and the use thereof.
- (2) Accept for any of its purposes under this compact any and all donations, and grants of money, equipment, supplies, materials, and services, (conditional or otherwise), from any state or the United States or any subdivision or agency thereof, or interstate agency, or from any institution, person, firm or corporation, and receive, utilize and dispose of the same.
- (3) Operate mobile library units or equipment for the purpose of rendering bookmobile service within the district.
- (4) Employ professional, technical, clerical and other personnel, and fix terms of employment, compensation and other appropriate benefits; and where desirable, provide for the in-service training of such personnel.
- (5) Sue and be sued in any court of competent jurisdiction.
- (6) Acquire, hold, and dispose of any real or personal property or any interest or interests therein as may be appropriate to the rendering of library service.
- (7) Construct, maintain and operate a library, including any appropriate branches thereof.
- (8) Do such other things as may be incidental to or appropriate for the carrying out of any of the foregoing powers.

ARTICLE IV. INTERSTATE LIBRARY DISTRICTS, GOVERNING BOARD.

(a) An interstate library district which establishes, maintains or operates any facilities or services in its own right shall have a governing board which shall direct the affairs of the district and act for it in all matters relating to its business. Each participating public library agency in the district shall be represented on the governing board which shall be organized and conduct its business in accordance with provision therefor in the library agreement. But in no event shall a governing board meet less often than twice a year.

(b) Any private library agency or agencies party to a library agreement establishing an interstate library district may be represented on or advise with the governing board of the district in such manner as the library agreement may provide.

ARTICLE V. STATE LIBRARY AGENCY COOPERATION.

Any two or more state library agencies of two or more of the party states may undertake and conduct joint or cooperative library programs, render joint or cooperative library services, and enter into and perform arrangements for the cooperative or joint acquisition, use, housing and disposition of items or collections of materials which, by reason of expense, rarity, specialized nature, or infrequency of demand therefor would be appropriate for central collection and shared use. Any such programs, services or arrangements may include provision for the exercise on a cooperative or joint basis of any power exercisable by an interstate library district and an agreement embodying any such program, service or arrangement shall contain provisions covering the subjects detailed in Article VI of this compact for interstate library agreements.

ARTICLE VI. LIBRARY AGREEMENTS.

(a) In order to provide for any joint or cooperative undertaking pursuant to this compact, public and private library agencies may enter into library agree-

ments. Any agreement executed pursuant to the provisions of this compact shall, as among the parties to the agreement:

- (1) Detail the specific nature of the services, programs, facilities, arrangements or properties to which it is applicable.
- (2) Provide for the allocation of costs and other financial responsibilities.
- (3) Specify the respective rights, duties, obligations and liabilities of the parties.
- (4) Set forth the terms and conditions for duration, renewal, termination, abrogation, disposal of joint or common property, if any, and all other matters which may be appropriate to the proper effectuation and performance of the agreement.

(b) No public or private library agency shall undertake to exercise itself, or jointly with any other library agency, by means of a library agreement any power prohibited to such agency by the constitution or statutes of its state.

(c) No library agreement shall become effective until filed with the compact administrator of each state involved, and approved in accordance with Article VII of this compact.

ARTICLE VII. APPROVAL OF LIBRARY AGREEMENTS.

(a) Every library agreement made pursuant to this compact shall, prior to and as a condition precedent to its entry into force, be submitted to the attorney general of each state in which a public library agency party thereto is situated, who shall determine whether the agreement is in proper form and compatible with the laws of his state. The attorneys general shall approve any agreement submitted to them unless they shall find that it does not meet the conditions set forth herein and shall detail in writing addressed to the governing bodies of the public library agencies concerned the specific respects in which the proposed agreement fails to meet the requirements of law. Failure to disapprove an agreement submitted hereunder within 90 days of its submission shall constitute approval thereof.

(b) In the event that a library agreement made pursuant to this compact shall deal in whole or in part with the provision of services or facilities with regard to which an officer or agency of the state government has constitutional or statutory powers of control, the agreement shall, as a condition precedent to its entry into force, be submitted to the state officer or agency having such power of control and shall be approved or disapproved by him or it as to all matters within his or its jurisdiction in the same manner and subject to the same requirements governing the action of the attorneys general pursuant to paragraph (a) of this article. This requirement of submission and approval shall be in addition to and not in substitution for the requirement of submission to and approval by the attorneys general.

ARTICLE VIII. OTHER LAWS APPLICABLE.

Nothing in this compact or in any library agreement shall be construed to supersede, alter or otherwise impair any obligation imposed on any library by otherwise applicable law, nor to authorize the transfer or disposition of any property held in trust by a library agency in a manner contrary to the terms of such trust.

ARTICLE IX. APPROPRIATIONS AND AID.

(a) Any public library agency party to a library agreement may appropriate funds to the interstate library district established thereby in the same manner and to the same extent as to a library wholly maintained by it and, subject to the laws of the state in which such public library agency is situated, may pledge its credit in support of an interstate library district established by the agreement.

(b) Subject to the provisions of the library agreement pursuant to which it functions and the laws of the states in which such district is situated, an interstate library district may claim and receive any state and federal aid which may be available to library agencies.

ARTICLE X. COMPACT ADMINISTRATOR.

Each state shall designate a compact administrator with whom copies of all library agreements to which his state or any public library agency thereof is party shall be filed. The administrator shall have such other powers as may be conferred upon him by the laws of his state and may consult and cooperate with the compact administrators of other party states and take such steps as may effectuate the purposes of this compact. If the laws of a party state so provide, such state may designate one or more deputy compact administrators in addition to its compact administrator.

ARTICLE XI. ENTRY INTO FORCE AND WITHDRAWAL.

(a) This compact shall enter into force and effect immediately upon its enactment into law by any two states. Thereafter, it shall enter into force and effect as to any other state upon the enactment thereof by such state.

(b) This compact shall continue in force with respect to a party state and remain binding upon such state until six months after such state has given notice to each other party state of the repeal thereof. Such withdrawal shall not be construed to relieve any party to a library agreement entered into pursuant to this compact from any obligation of that agreement prior to the end of its duration as provided therein.

ARTICLE XII. CONSTRUCTION AND SEVERABILITY.

This compact shall be liberally construed so as to effectuate the purposes thereof. The provisions of this compact shall be severable and if any phrase, clause, sentence or provision of this compact is declared to be contrary to the constitution of any party state or of the United States or the applicability thereof to any government, agency, person or circumstance is held invalid, the validity of the remainder of this compact and the applicability thereof to any government, agency, person or circumstance shall not be affected thereby. If this compact shall be held contrary to the constitution of any state party thereto, the compact shall remain in full force and effect as to the remaining states and in full force and effect as to the state affected as to all severable matters. (1967, c. 190, s. 2.)

§ 125-14. **“State library agency” defined.**—As used in the compact, “state library agency,” with reference to this State, means the North Carolina State Library. (1967, c. 190, s. 3.)

§ 125-15. **State and federal aid to interstate library districts.**—An interstate library district lying partly within this State may claim and be entitled to receive State aid in support of any of its functions to the same extent and in the same manner as such functions are eligible for support when carried on by entities wholly within this State. For the purposes of computing and apportioning State aid to an interstate library district, this State will consider that portion of the area which lies within this State as an independent entity for the performance of the aided function or functions and compute and apportion the aid accordingly. Subject to any applicable laws of this State, such a district also may apply for and be entitled to receive any federal aid for which it may be eligible. (1967, c. 190, s. 4.)

§ 125-16. **Compact administrator and deputies.** — The State Librarian shall be the compact administrator pursuant to Article X of the compact. The State Librarian may appoint one or more deputy compact administrators pursuant to said article. (1967, c. 190, s. 5.)

§ 125-17. **Withdrawal from compact.**—In the event of withdrawal from the compact the Governor shall send and receive any notices required by Article XI (b) of the compact. (1967, c. 190, s. 6.)

It is also the intent of this chapter that this system of personnel administration shall apply to local employees paid entirely or in part from federal funds, except to the extent that local governing boards are authorized by this chapter to establish local rules, local pay plans, and local personnel systems. (1965, c. 640, s. 2.)

Editor's Note.—Session Laws 1965, c. 640, s. 1, effective July 1, 1965, repealed former chapter 126, consisting of 17 sections, and enacted the present chapter 126, consisting of §§ 126-1 to 126-12, in its

stead. The repealed chapter was entitled "Merit System Council" and derived from Session Laws 1941, c. 378, as amended by 1947, cc. 598, 781, 933; 1949, cc. 492, 718; 1957, cc. 100, 1004, 1037; 1959, c. 1233.

§ 126-2. State Personnel Board.—(a) There is hereby established the State Personnel Board (hereinafter referred to as “the Board”).

(b) The Board shall consist of seven (7) members who shall be appointed by the Governor on July 1, 1965, or as soon thereafter as is practicable. Two members of the Board shall be chosen from employees of the State subject to the provisions of this chapter; two members shall be appointed from a list of individuals nominated by the North Carolina association of county commissioners; two members shall be individuals actively engaged in the management of a private business or industry; and one member shall be appointed from the public at large. Of the initial members of the Board, two shall be appointed to serve for terms of two years, two shall be appointed to serve for terms of four years, and three shall be appointed to serve for terms of six years. Their successors shall be appointed by the Governor for terms of six years. Any vacancy occurring prior to the expiration of a term shall be filled by appointment for the unexpired term.

(c) A member of the Board shall not be considered a public officer, or as holding an office or place of trust or profit within the meaning of article XIV, § 7, of the Constitution of this State, but shall be deemed a commissioner for a special purpose.

(d) The Governor may at any time after notice and hearing remove any Board member for gross inefficiency, neglect of duty, malfeasance, misfeasance, or nonfeasance in office.

(e) Members of the Board who are employees of the State subject to the provisions of this article shall be entitled to administrative leave without loss of pay for all periods of time required to conduct the business of the Board.

(g) The Governor shall designate one member of the Board as chairman.

(h) The Board shall meet quarterly, and at other times at the call of the chairman. (1965, c. 640, s. 2.)

§ 126-3. State Personnel Department established; administration and supervision; appointment, compensation and tenure of Director.—

The Department shall be separate and distinct from the Department of Administration and shall be under the administration and supervision of a State Personnel Director (hereinafter referred to as “the Director”) appointed by the Board and subject to its supervision. The salary of the Director shall be fixed by the Governor subject to the approval of the Advisory Budget Commission. The Director shall serve at the pleasure of the State Personnel Board. (1965, c. 640, s. 2.)

§ 126-4. Powers and duties of State Personnel Board.—Subject to the approval of the Governor, the State Personnel Board shall establish policies and rules governing each of the following:

- (1) A position classification plan which shall provide for the classification and reclassification of all positions subject to this chapter according to the duties and responsibilities of the positions.
- (2) A compensation plan which shall provide for minimum, maximum, and intermediate rates of pay for all employees subject to the provisions of this chapter.
- (3) For each class of positions, reasonable qualifications, as to age, character, physical condition, and other attributes pertinent to the work to be performed.
- (4) A recruitment program to attract applicants to public employment and determine the relative fitness of applicants for the respective positions.

(b) The provisions of this chapter shall not apply to the following persons or employees: Public school superintendents, principals, teachers, and other public school employees; instructional and research staff, physicians and dentists of the educational institutions of the State; business managers of the University of North Carolina and its several campuses, East Carolina University, and Appalachian State University; members of boards, committees, commissions, councils, and advisory councils compensated on a per diem basis, constitutional officers of the State and except as to salaries, their chief administrative assistants; employees of the General Assembly and its agencies and temporary employees of activities ancillary to the General Assembly; officials and employees whose salaries are fixed by the Governor, or by the Governor and Council of State, or by the Governor subject to the approval of the Council of State or the Advisory Budget Commission; officials or employees whose salaries are fixed by statute or by virtue of a specific statutory method other than the method provided by this chapter, and explicitly pertaining to such officials or employees. In case of dispute as to whether an employee is subject to the provisions of this chapter, the question shall be investigated by the State Personnel Department and decided by the State Personnel Board, subject to the approval of the Governor, and such decision shall be final. (1965, c. 640, s. 2; 1967, c. 24, s. 20; cc. 1038, 1143.)

Editor's Note. — Session Laws 1967, c. 24, originally effective Oct. 1, 1967, corrected an error by eliminating a redundant clause in subsection (b). Session Laws 1967, c. 1078, amends Session Laws 1967, c. 24, so as to make it effective July 1, 1967.

Session Laws 1967, c. 1038, substituted "East Carolina University" for "East Carolina College" and "Appalachian State University" for "Appalachian State Teachers College" in subsection (b).

Session Laws 1967, c. 1143, effective July 1, 1967, amended the list of excluded employees in subsection (b) by deleting "Physicians and dentists on the staff of hospitals, mental institutions, reformatories and correctional institutions of the State, deputy directors, director of professional training and director of research of the State Department of Mental Health" and inserting "physicians and dentists" preceding "of the educational institutions of the State."

§ 126-6. Policies continued; powers, etc., transferred.—(a) All classifications, grades, salaries, conditions of work, and rules and regulations established prior to July 1, 1965, by the State Personnel Council, the State Personnel Director,

or the North Carolina Merit System Council shall remain in force until amended, repealed, or superseded by the Board, acting under the authority of this chapter.

(b) The State Personnel Board and the State Personnel Director herein provided shall be the successors of the State Personnel Council, the State Personnel Director, North Carolina Merit System Council, and the Merit System Supervisor. All records and property in the custody of these agencies and individuals are hereby transferred to the State Personnel Board and the State Personnel Department, effective July 1, 1965.

(c) Any status of employment or privilege previously attained by an employee in accordance with the State Personnel Act or the State Merit System Act shall continue under the provisions of this chapter. (1965, c. 640, s. 2.)

ARTICLE 2.

Salaries and Leave of State Employees.

§ 126-7. Automatic and merit salary increases for State employees.

—It shall be considered a part of the personnel policy of this State that salary increases as provided in the compensation plan shall be granted in accordance with a standard of efficiency as established by the State Personnel Board. Each employee whose performance merits his retention in service shall be granted a salary increase in an amount corresponding to the increments between steps of the applicable salary range at least once each year until he reaches the intermediate salary step nearest to, but not exceeding, the middle of the salary range established for the class to which his position is assigned. Prior to July 1, 1965, each agency, board, commission, department, or institution of State government subject to the provisions of this article shall file with the State Personnel Director a written description of the plan or method it is currently following in awarding or allocating efficiency or merit salary increments. At the same time, each such agency, board, commission, department, or institution shall cause a copy thereof to be distributed to each employee. The State Personnel Director, with the approval of the State Personnel Board, shall modify, alter or disapprove any such plan submitted to it which it deems not to be in accordance with the provisions of this article. Within the limit of available funds, each employee meeting higher standards may be granted increases up to but not exceeding the maximum of the salary range established for the class to which his position is assigned. If, in addition to the salary ranges, the State Personnel Board shall establish uniform provisions for a system of payments over and above the standard salary ranges on a basis combining longevity in service and merit in the performance of duties, that plan of payments shall not be considered in applying this policy governing annual salary increments. The head of each department, bureau, agency, or commission, when making his budget request for the ensuing biennium, shall anticipate the funds which will be required during the biennium for the purpose of paying salary increments and shall include those amounts in his budget request. In no case shall the amount estimated for increments above the step nearest but not exceeding the middle of the range exceed two thirds of the sum which would be required to grant increments to all the personnel of the agency then receiving or who will receive during the first year of the biennium a salary equal to or above the intermediate step of the salary range. With the approval of the State Personnel Board, State departments, bureaus, agencies, or commissions with twenty-five or less employees subject to the provisions of this chapter may exceed the two-thirds restriction herein provided. (1965, c. 640, s. 2.)

§ 126-8. Minimum leave granted State employees.—The amount of vacation leave granted to each full-time State employee subject to the provisions of this chapter shall be at a rate not less than one and one fourth days per calendar month, cumulative to at least thirty days. Sick leave allowed as needed to such

State employees shall be at a rate not less than ten days for each calendar year, cumulative from year to year. (1965, c. 640, s. 2.)

ARTICLE 3.

Local Discretion as to Local Government Employees.

§ 126-9. **County or municipal employees may be made subject to rules adopted by local governing body.**—(a) When a board of county commissioners adopts rules and regulations governing annual leave, sick leave, hours of work, holidays, and the administration of the pay plan for county employees generally and the county rules and regulations are filed with the State Personnel Director, the county rules will supersede the rules adopted by the State Personnel Board as to the county employees otherwise subject to the provisions of this chapter.

(b) No county employees otherwise subject to the provisions of this chapter may be paid a salary less than the minimum nor more than the maximum of the applicable salary range adopted in accordance with this chapter without approval of the State Personnel Board. Provided, however that subject to the approval of the State Personnel Board, a board of county commissioners may adjust the salary ranges applicable to employees who are otherwise subject to the provisions of this chapter, in order to cause the level of pay to conform to local financial ability and fiscal policy. The State Personnel Board shall adopt policies and regulations to ensure that significant relationships within the schedule of salary ranges are maintained.

(c) When two or more counties are combined into a district for the performance of an activity whose employees are subject to the provisions of this chapter, the boards of county commissioners of the counties may jointly exercise the authority hereinabove granted in subsections (a) and (b) of this section.

(d) When a municipality is performing an activity by or through employees which are subject to the provisions of this chapter, the governing body of the municipality may exercise the authority hereinabove granted in subsections (a) and (b) of this section. (1965, c. 640, s. 2.)

§ 126-10. **Personnel services to local governmental units.**—The State Personnel Board may make the services and facilities of the State Personnel Department available upon request to the political subdivisions of the State. The State Personnel Board may establish reasonable charges for the service and facilities so provided, and all funds so derived shall be deposited in the State treasury to the credit of the general fund. (1965, c. 640, s. 2.)

§ 126-11. **Local personnel system may be established.**—The board of county commissioners of any county which shall establish and maintain a personnel system for all employees of the county subject to its jurisdiction, which system is found from time to time by the State Personnel Board to be substantially equivalent to the system established under article 1 of this chapter for employees of local welfare departments, public health departments, and mental health clinics, may include employees of these local agencies within the terms of such system. Employees covered by that system shall be exempt from the provisions of article 1 of this chapter. (1965, c. 640, s. 2.)

ARTICLE 4.

Competitive Service.

§ 126-12. **Governor and Council of State to determine competitive service.** The Governor, with the approval of the Council of State, shall from time to time determine for which, if any of the positions subject to the provisions

of article 1 of this chapter, appointments and promotions shall be based on a competitive system of selection. (1965, c. 640, s. 2.)

Cross Reference.—See Editor's note to § 126-1.

Political Activity of Employees.

§ 126-13. **Appropriate political activity of State employees defined.**—As an individual, each State employee retains all the rights and obligations of citizenship provided in the Constitution and laws of the State of North Carolina and the Constitution and laws of the United States of America; however, no State employee subject to the Personnel Act or temporary State employee shall:

- (1) Take any active part in managing a campaign, or campaign for political office or otherwise engage in political activity while on duty or within any period of time during which he is expected to perform services for which he receives compensation from the State;
- (2) Otherwise use the authority of his position, or utilize State funds, supplies or vehicles to secure support for or oppose any candidate, party, or issue in a partisan election involving candidates for office or party nominations, or affect the results thereof. (1967, c. 821, s. 1.)

Editor's Note. — Section 3 of the act adding this article makes it effective July 1, 1967.

§ 126-14. **Promise or threat to obtain political contribution or support.**—No State employee or official shall use any promise of personal preferential treatment or threat of loss to encourage or coerce any State employee subject to the Personnel Act or temporary State employees to support or contribute to any political issue, candidate, or party. (1967, c. 821, s. 1.)

§ 126-15. **Disciplinary action for violation of article.** — Failure to comply with this article is grounds for disciplinary action which, in case of deliberate or repeated violation, may include dismissal or removal from office. (1967, c. 821, s. 1.)

Editor's Note.—

The 1967 amendment rewrote the first sentence.

Only such groups as may be designated by the Governor shall fall within this branch of the militia. If such member is permanently disabled, he shall receive the pensions and rewards that persons under similar circumstances in the military service of the United States receive from the United States. In case any such member shall die as a result of such injury, illness, or disease within one year after it has been incurred or contracted, the widow, minor children, or dependent parents of the member shall receive such pension and rewards as persons under similar circumstances receive from the United States.

The cost incurred by reason of this section shall be paid out of the Contingency and Emergency Fund, or such other fund as may be designated by law.

The Adjutant General, with the approval of the Governor, shall make and publish such regulations pursuant to this section as may be necessary for its implementation. Before the name of any person is placed on the disability or pension rolls of the State under this section, proof shall be made in accordance with such regulations that the applicant is entitled to such care, pension, or reward.

Nothing herein shall in any way limit or condition any other payment to such member as by law may be allowed; provided, however, any payments made under the provisions of chapter 97 of the General Statutes or under federal statutes as now or hereafter amended shall be deducted from the payments made under this section. (1917, c. 200, s. 54; C. S., s. 6868; 1959, c. 218, s. 19; c. 763; 1965, c. 1058.)

Editor's Note.—

The 1965 amendment rewrote this section.

§ 127-82.1. **Proceedings against third party injuring or killing guardsman.**—(a) The right to compensation and other benefits under G.S. 127-82 shall not be affected by the fact that the injury or death was caused under circumstances creating a liability in some person other than the State to pay damages therefor, such person hereinafter being referred to as the "third party." The respective rights and interests of the guardsman under this article, and the State, if any, in respect of the common-law cause of action against such third party and the damages recovered shall be as set forth in this section.

(b) The guardsman, or his personal representative if he be dead, shall have the exclusive right to proceed to enforce the liability of the third party by appro-

priate proceedings if such proceedings are instituted not later than 12 months after the date of injury or death, whichever is later. During said 12-month period, and at any time thereafter if summons is issued against the third party during said 12-month period, the guardsman or his personal representative shall have the right to settle with the third party and to give a valid and complete release of all claims to the third party by reason of such injury or death, subject to the provisions of (h) below.

(c) If settlement is not made and summons is not issued within said 12-month period, then all rights of the guardsman, or his personal representative if he be dead, against the third party shall pass by operation of law to the State upon the expiration of said 12-month period. All such rights shall then remain in the State until 60 days before the expiration of the period fixed by the statute of limitations applicable to such rights and if the State shall not have settled with or instituted proceedings against the third party within such time, then all such rights shall revert to the guardsman or his personal representative 60 days before the expiration of the applicable statute of limitations.

(d) The person in whom the right to bring such proceeding or make settlement is vested shall, during the continuation thereof, also have the exclusive right to make settlement with the third party and the release of the person having the right shall fully acquit and discharge the third party except as provided by (h) below. A proceeding so instituted by the person having the right shall be brought in the name of the guardsman or his personal representative and the State shall not be a necessary or proper party thereto. If the guardsman or his personal representative should refuse to cooperate with the State by being the party plaintiff, then the action shall be brought in the name of the State and the guardsman or his personal representative shall be made a party plaintiff or party defendant by order of court.

(e) The amount of compensation and other benefits paid or payable on account of such injury or death shall not be admissible in evidence in any proceeding against the third party. If the third party defending such proceeding, by answer duly served on the State, sufficiently alleges that actionable negligence of the State joined and concurred with the negligence of the third party in producing the injury or death, then an issue shall be submitted to the jury in such case as to whether actionable negligence of the State joined and concurred with the negligence of the third party in producing the injury or death. The State shall have the right to appear, to be represented, to introduce evidence, to cross-examine adverse witnesses, and to argue to the jury as to this issue as fully as though he were a party although not named or joined as a party to the proceeding. Such issue shall be the last of the issues submitted to the jury. If the verdict shall be that actionable negligence of the State did join and concur with that of the third party in producing the injury or death, then the court shall reduce the damages awarded by the jury against the third party by the amount which the State would otherwise be entitled to receive therefrom by way of subrogation hereunder and the entire amount recovered, after such reduction, shall belong to the guardsman or his personal representative free of any claim by the State and the third party shall have no further right by way of contribution or otherwise against the State, except any right which may exist by reason of an express contract of indemnity between the State and the third party, which was entered into prior to the injury to the guardsman.

- (f) (1) Any amount obtained by any person by settlement with, judgment against, or otherwise from the third party by reason of such injury or death shall be disbursed by order of the court for the following purposes and in the following order of priority:

 - b. Second to the payment of the fee of the attorney representing the person making settlement or obtaining judgment, and such fee

shall not exceed one third of the amount obtained or recovered of the third party.

- c. Third to the reimbursement of the State for all benefits by way of compensation or medical treatment expense paid or to be paid by the State pursuant to G.S. 127-82.
- d. Fourth to the payment of any amount remaining to the guardsman or his personal representative.

(2) The attorney fee paid under (f) (1) shall be paid by the guardsman and the State in direct proportion to the amount each shall receive under (f) (1) c and (f) (1) d hereof and shall be deducted from such payments when distribution is made.

(g) In any proceeding against or settlement with the third party, every party to the claim for compensation shall have a lien to the extent of his interest under (f) hereof upon any payment made by the third party by reason of such injury or death, whether paid in settlement, in satisfaction of judgment, as consideration for covenant not to sue, or otherwise and such lien may be enforced against any person receiving such funds. Neither the guardsman or his personal representative nor the State shall make any settlement with or accept any payment from the third party without the written consent of the other and no release to or agreement with the third party shall be valid or enforceable for any purpose unless both State and guardsman or his personal representative join therein; provided, that this sentence shall not apply if the State is made whole for all benefits paid or to be paid by him under this chapter less attorney's fees as provided by (f) (1) and (2) hereof and the release to or agreement with the third party is executed by the guardsman. The Attorney General shall have the right on behalf of the State to reduce by compromise its claim.

(h) Institution of proceedings against or settlement with the third party, or acceptance of benefits under this chapter, shall not in any way or manner affect any other remedy which any party to the claim for compensation may have except as otherwise specifically provided in this chapter, and the exercise of one remedy shall not in any way or manner be held to constitute an election of remedies so as to bar the other. I. GENERAL CONSIDERATION.

Editor's Note. — The 1967 amendment, originally effective Oct. 1, 1967, substituted "notaries public" for "justices of the peace"

near the end of the section. Session Laws 1967, c. 1078, amends the 1967 amendatory act so as to make it effective July 1, 1967.

§ 128-6. Persons admitted to office deemed to hold lawfully.

Elected and Qualifying City Councilman Is De Facto Officer Until Removed.—Upon his election, and after having been sworn in as a member of a city council, a person is a de facto councilman until he is removed

from such office in a quo warranto proceeding or otherwise removed therefrom as provided by law. *Armstrong v. McInnis*, 264 N.C. 616, 142 S.E.2d 670 (1965).

§ 128-15. All the departments, or institutions of the State, or their agencies, shall give preference in appointments and promotional appointments to qualified veteran applicants as enumerated in this section in filling vacant positions in construction or maintenance of public buildings and grounds, construction of highways or any other employment under the supervision of the State or its departments, institutions, or agencies; provided, that the provisions of this section shall apply to the widows of such veterans and to the wives of disabled veterans. No State department, officer, institution or agency of the State shall bar or prohibit any veteran or person named in this section from employment because of age if such veteran or person is otherwise qualified.

In all promotional examinations a preference rating of one point for each year, or greater fraction thereof, of service in time of war, including the Korean conflict, and including service in any of the armed forces at any time between January 31, 1955, and the end of hostilities in Vietnam in which the United States is involved, shall be awarded in all departments of this State, institutions or agencies, to the veterans or persons named in this section; provided, that such points shall not exceed a total of 5 points. (1939, c. 8; 1953, c. 1332; 1967, c. 536.)

ARTICLE 2.

Removal of Unfit Officers.

§ 128-16. Officers subject to removal; for what offenses.

Local Modification.—Onslow: 1965, c. 753.

Purpose of Statute.—

In accord with original. See *State v. Hockaday*, 265 N.C. 688, 144 S.E.2d 867 (1965).

This section does not purport to create a criminal offense, nor does any provision of chapter 128, article 2, provide for prosecution by indictment or otherwise for any criminal offense. *State v. Hockaday*, 265 N.C. 688, 144 S.E.2d 867 (1965).

And a proceeding under this section is not a criminal prosecution for punishment but is a civil proceeding. *State v. Hockaday*, 265 N.C. 688, 144 S.E.2d 867 (1965).

Justices Not Exempt from Prosecution for Violation of § 14-280.—It may not be reasonably implied that, by bringing jus-

tices of the peace within the provisions of this section, the General Assembly intended to exempt justices of the peace from indictment and prosecution for the criminal offenses defined in G.S. 14-230. *State v. Hockaday*, 265 N.C. 688, 144 S.E.2d 867 (1965).

Section 7-115 and this article are not in pari materia. *State ex rel. Swain v. Creasman*, 260 N.C. 163, 132 S.E.2d 304 (1963).

Procedure for Removing Justice under § 7-115 Differs from This Article.—Section 7-115, relating to the removal of a justice of the peace by the resident judge appointing him, is restricted in its scope and provides a procedure different from that specified in this article. *State ex rel. Swain v. Creasman*, 260 N.C. 163, 132 S.E.2d 304 (1963).

§ 128-17. Petition for removal; county attorney to prosecute.

Sections 128-17 to 128-20 prescribe the procedure for the removal from office of a justice of the peace (or other officer named therein) for a cause specified in G.S. 128-

16. *State v. Hockaday*, 265 N.C. 688, 144 S.E.2d 867 (1965).

Stated in *State ex rel. Swain v. Creasman*, 260 N.C. 163, 132 S.E.2d 304 (1963).

§ 128-20. Precedence on calendar; costs.

Provisions as to Time for Hearing Do Not Apply to Removal of Justice under § 7-115.—Where a petition for removal from office of a justice of the peace was heard by the resident judge who appointed him, and the judgment recites that the petition was heard under the provisions of § 7-115, and the judge heard the proceeding in chambers after notice to the justice of the peace, instead of fixing the hearing at the next term after the petition was filed, it

was held that the proceeding was under § 7-115 and not under this article. *State ex rel. Swain v. Creasman*, 260 N.C. 163, 132 S.E.2d 304 (1963).

Nor Do Provisions as to Costs and Attorney's Fees.—The provisions of this section, relating to the recovery of costs and attorney's fees are not applicable to a proceeding under § 7-115. *State ex rel. Swain v. Creasman*, 260 N.C. 163, 132 S.E.2d 304 (1963).

- (1) An annuity which shall be the actuarial equivalent of his accumulated contributions at the time of the retirement;
- (2) A pension equal to seventy-five per centum (75%) of the pension that would have been payable upon service retirement at the age of sixty-five (65) years had the member continued in service to the age of sixty-five (65) years without further change in compensation.

Supplemental disability benefits heretofore provided are hereby made a permanent part of disability benefits after age sixty-five, and shall not be discontinued at age sixty-five.

(d1) Allowance on Disability Retirement of Persons Retiring on or After July 1, 1965.—Upon retirement for disability, in accordance with subsection (c) above, on or after July 1, 1965, a member shall receive a service retirement allowance if he has attained the age of sixty (60) years, otherwise he shall receive a disability retirement allowance which shall be computed as follows:

- (1) Such allowance shall be equal to the service retirement allowance which would have been payable had he continued in service without further change in compensation, to the age of sixty (60) years, minus the actuarial equivalent of the contributions he would have made during such continued service.

- (2) Notwithstanding the foregoing provisions, any member whose creditable service commenced prior to July 1, 1965, and uniformed policemen or firemen not covered under the Social Security Act employed thereafter, shall receive not less than the benefit provided by G.S. 128-27 (d).

(f) Return of Accumulated Contributions.—Should a member cease to be an employee except by death or retirement under provisions of this chapter, he shall be paid upon his request the sum of his contributions and one half of the accumulated interest thereon; provided that, if the member at the time of separation from service shall have attained the age of sixty years or is otherwise entitled to a retirement allowance under this chapter, he shall be paid the amount of his accumulated contributions plus the full amount of his accumulated regular interest thereon. Upon payment of such sum his membership in the system shall cease and, if he thereafter again becomes a member, no credit shall be allowed for any service previously rendered; and such payment shall be in full and complete discharge of any rights in or to any benefits otherwise payable hereunder. Upon receipt of proof satisfactory to the board of trustees of the death, prior to retirement, of a member or former member there shall be paid to such person or persons as he shall have nominated by written designation duly acknowledged and filed with the board of trustees, if such person or persons is living at the time of the member's death, otherwise to the member's legal representatives, the amount of his accumulated contributions at the time of his death. Notwithstanding any other provision of chapter 128, there shall be deducted from any amount otherwise payable hereunder any amount due any participating employer by the member by reason of any outstanding overpayment of salary or by reason of the embezzlement of fees collected by the member for any participating employer; provided that, notwithstanding any other provisions of this chapter, even if the member fails to demand the return of his accumulated contributions within ninety days from the day he ceases to be an employee, any amount due such participating employer by reason of any outstanding overpayment of salary or embezzlement of fees shall be paid to such participating employer upon demand; provided, further, that such participating employer shall have notified the executive secretary of any amount so due and that the Retirement System shall have no liability for amounts so deducted and transmitted to such participating employer nor for any failure by the Retirement System for any reason to make such deductions.

(g) Election of Optional Allowance.—With the provision that until the first payment on account of any benefit becomes normally due, or his first retirement check has been cashed, any member may elect to receive his benefits in a retirement allowance payable throughout life, or he may elect to receive the actuarial equivalent of such retirement allowance in a reduced allowance payable throughout life under the provisions of one of the Options set forth below: Provided further, that an optional election may be made after attainment of age sixty without establishment of a date of retirement; and further provided that, on or after July 1, 1967, said optional election may be made after attainment of age fifty-five or after completion of 30 years of creditable service, without establishment of a date of retirement. Such election will be effective thirty (30) days after execution and filing thereof with the Retirement System. The election of Option two or Option three or nomination of the person thereunder shall be revoked if such person nominated dies prior to the date the first payment becomes normally due or the first retirement check has been cashed. Such election may be revoked by the member prior to the date the first payment becomes normally due or his first retirement check has been cashed. Any member dying in service after his optional election has become effective shall be presumed to have retired on the first day of the month following the date of death.

Option one. (a) In the Case of a Member Who Retires Prior to July 1, 1965.—If he dies before he has received in annuity payments the present value of his annuity as it was at the time of his retirement, the balance shall be paid to such

person as he shall nominate by written designation duly acknowledged and filed with the board of trustees or, if none, to his legal representative.

(b) In the Case of a Member Who Retires on or After July 1, 1965.—If he dies within ten (10) years from his retirement date, an amount equal to his accumulated contributions at retirement, less one one-hundred twentieth (1/120th) thereof for each month for which he has received a retirement allowance payment, shall be paid to such person as he shall nominate by written designation duly acknowledged and filed with the board of trustees or, if none, to his legal representative; or

Option two. Upon his death his reduced retirement allowance shall be continued throughout the life of and paid to such person as he shall nominate by written designation duly acknowledged and filed with the board of trustees at the time of his retirement; or

Option three. Upon his death, one half of his reduced retirement allowance shall be continued throughout the life of, and paid to such person as he shall nominate by written designation duly acknowledged and filed with the board of trustees at the time of his retirement; or

Option four. Adjustment of Retirement Allowance for Social Security Benefits.—Until the first payment on account of any benefit becomes normally due, any member may elect to convert his benefit otherwise payable on his account after retirement into a retirement allowance of equivalent actuarial value of such amount that with his benefit under Title II of the Federal Social Security Act, he will receive, so far as possible, approximately the same amount per year before and after the earliest age at which he becomes eligible, upon application therefor, to receive a social security benefit. A member who makes an election in accordance with this option shall be deemed to have made a further election of Option one above.

Option five. The member may elect to receive a reduced retirement allowance during his life, with some other benefit payable after his death; provided that the benefit shall be approved by the board of trustees.

(i) No action shall be commenced against the State or the Retirement System by any retired member or beneficiary respecting any deficiency in the payment of benefits more than three years after such deficient payment was made, and no action shall be commenced by the State or the Retirement System against any retired member or former member or beneficiary respecting any overpayment of benefits or contributions more than three years after such overpayment was made.

(j) Increase in Benefits to Those Persons Who Were in Receipt of Benefits Prior to July 1, 1967.—From and after July 1, 1967, the monthly benefits, to or on account of persons who commenced receiving benefits from the System prior to July 1, 1967, shall be increased by a percentage thereof. Such percentage shall be determined in accordance with the following schedule:

§ 128-30. Method of financing.

(b) Annuity Savings Fund.—The annuity savings fund shall be a fund in which shall be accumulated contributions from the compensation of members to provide for their annuities. Contributions to and payments from the annuity savings fund shall be made as follows:

- (1) Prior to July 1, 1951, each participating employer shall cause to be deducted from the salary of each member on each and every payroll of such employer for each and every payroll period four per centum (4%) of his earnable compensation. On and after such date the rate so deducted shall be five per centum (5%) in the case of a Class A member or a Class C member, and four per centum (4%) in the case of a Class B member; provided, however, that with respect to any member who is covered under the Social Security Act in accordance with the agreement entered into during 1955 in accordance with the provisions of article 2 of chapter 135 of Volume 3B of the General Statutes, as amended, such deduction shall, commencing with the first day of the period of service with respect to which such agreement is effective, be at the rate of three per centum (3%) of the part of his actual compensation not in excess of the amount taxable to him under the Federal Insurance Contributions Act as from time to time in effect plus five per centum (5%) of the part of his actual compensation not so taxable; provided that in the case of any member so eligible and receiving compensation from two or more employers such deductions may be adjusted under such rules as the board of trustees may establish so as to be as nearly equivalent as practicable to the deductions which would have been made had the member received all of such compensation from one employer. Notwithstanding the foregoing, the board of trustees may in its discretion cause such portion as it may determine of deductions made between January 1, 1955, and December 1, 1955, to be transferred into

the contribution fund established under G.S. 135-24; such amounts so transferred shall in that event be deemed to be taxes contributed by employees as required under article 2 of chapter 135 of Volume 3B of the General Statutes, as amended, and shall be in lieu of contributions otherwise payable in the same amount as so required. But the employer shall not have any deduction made for annuity purposes from the compensation of a member who elects not to contribute if he has attained the age of sixty (60) years and has completed thirty-five (35) years of service. In determining the amount earned by a member whose compensation is derived partly or wholly from fees, such member shall submit a sworn statement to his employer monthly, or at least quarterly, each year as to the amount of fees received by such member as compensation during the period, and each month, or at least quarterly, such member shall pay to his employer the proper per centum of such compensation received from fees, which shall be considered as deductions by the employer as provided in subdivisions (1) and (2) of this subsection.

Notwithstanding the foregoing, effective July 1, 1965, with respect to the period of service commencing on July 1, 1965, and ending December 31, 1965, the rates of such deductions shall be four per centum (4%) of the portion of compensation not in excess of forty-eight hundred dollars (\$4800.00) and six per centum (6%) of the portion of compensation in excess of forty-eight hundred dollars (\$4800.00); and with respect to the period of service commencing January 1, 1966, and ending June 30, 1967, the rate of such deduction shall be four per centum (4%) of the portion of compensation not in excess of fifty-six hundred dollars (\$5600.00) and six per centum (6%) of the portion of compensation in excess of fifty-six hundred dollars (\$5600.00); and with respect to the period of service commencing July 1, 1967, the rate of such deductions shall be five per centum (5%) of the portion of compensation not in excess of five thousand six hundred dollars (\$5,600.00) and six per centum (6%) of the portion of compensation in excess of five thousand six hundred dollars (\$5,600.00). Such rates shall apply uniformly to all members of the Retirement System, irrespective of class; provided, however, that with respect to uniformed policemen or firemen not covered under the Social Security Act, commencing July 1, 1965, the rate of such deductions shall be six per centum (6%) of compensation.

- (2) The deductions provided for herein shall be made notwithstanding that the minimum compensation provided for by law for any member shall be reduced thereby. Every member shall be deemed to consent and agree to the deductions made and provided for herein and shall receipt for his full salary or compensation, and payment of salary or compensation less said deduction shall be a full and complete discharge and acquittance of all claims and demands whatsoever for the services rendered by such person during the period covered by such payment, except as to the benefits provided under this article. The employer shall certify to the board of trustees on each and every payroll or in such other manner as the board of trustees may prescribe, the amounts to be deducted; and each of said amounts shall be deducted, and when deducted shall be paid into said annuity savings fund, and shall be credited, together with regular interest thereon to the individual account of the member from whose compensation said deduction was made.
- (3) In addition to the contributions deducted from compensation as hereinbefore provided, subject to the approval of the board of trustees, any member may redeposit in the annuity savings funds by a single payment or by an increased rate of contribution an amount equal to the total amount which he previously withdrew therefrom as provided in this

article, or any part thereof; or any member may deposit therein by a single payment or by an increased rate of contribution an amount computed to be sufficient to purchase an additional annuity, which, together with his prospective retirement allowance, will provide for him a total retirement allowance of not to exceed one half of his average final compensation at age sixty. Such additional amounts so deposited shall become a part of his accumulated contributions except in the case of retirement, when they shall be treated as excess contributions returnable to the member in cash or as an annuity of equivalent actuarial value and shall not be considered in computing his pension. The accumulated contributions of a member drawn by him, or paid to his estate or to his designated beneficiary in event of his death as provided in this article, shall be paid from the annuity savings fund. Upon the retirement of a member his accumulated contributions shall be transferred from the annuity savings fund to the annuity reserve fund.

(g) Collection of Contributions.—

(1) The collection of members' contributions shall be as follows:

- a. Each employer shall cause to be deducted on each and every payroll of a member for each and every payroll subsequent to the date of participation in the Retirement System the contributions payable by such member as provided in this article. Each employer shall certify to the treasurer of said employer on each and every payroll a statement as vouchers for the amount so deducted.
- b. The treasurer of each employer on the authority from the employer shall make deductions from salaries of members as provided in this article and shall transmit monthly, or at such time as the board of trustees shall designate, the amount specified to be deducted, to the secretary-treasurer of the board of trustees. The secretary-treasurer of the board of trustees after making a record of all such receipts shall deposit them in a bank or banks selected by said board of trustees for use according to the provisions of this article.

(2) The collections of employers' contributions shall be made as follows: Upon the basis of each actuarial valuation provided herein the board of trustees shall annually prepare and certify to each employer a statement of the total amount necessary for the ensuing fiscal year to the pension accumulation fund as provided under subsection (d) of this section.

(3) If within 90 days after request therefor by the board any employer shall not have provided the System with the records and other information required hereunder or if the full accrued amount of the contributions provided for under this section due from members employed by an employer or from an employer shall not have been received by the System from the chief fiscal officer of such employer within 30 days after the last due date as herein provided, then, notwithstanding anything herein or in the provisions of any other law to the contrary, upon notification by the board to the State Treasurer as to the default of such employer as herein provided, any distributions which might otherwise be made to such employer from any funds of the State shall be withheld from such employer until notice from the board to the State Treasurer that such employer is no longer in default.

Editor's Note.—

The 1965 amendment, effective July 1, 1965, added the last paragraph in subdivision (1) of subsection (b).

The 1967 amendment, effective July 1, 1967, inserted "and ending June 30, 1967," near the middle of the second paragraph of subdivision (1) of subsection (b), added the provisions with respect to the period of service commencing July 1, 1967, at the

end of the first sentence of that paragraph, and added subdivision (3) at the end of subsection (g).

ARTICLE 3.

Local Health Departments.

§ 130-13. **County health departments.**—Each county is hereby authorized to operate a health department. The policy-making body for the county health department shall be a county board of health composed of three or more ex officio and four public members. The ex officio members are the chairman of the board of county commissioners; the mayor of the city or town which is the county seat (if there is no such mayor, then the clerk of the superior court of the county) and the mayors of all other incorporated cities within the jurisdiction of the county health department which have a population in excess of 15,000 according to the latest decennial census; and the county superintendent of schools. The public members, heretofore selected for staggered four-year terms by the ex officio members, are to include a licensed physician, a licensed pharmacist, a licensed dentist, and a public-spirited citizen. Beginning with January, 1958, the ex officio members shall hold a meeting the first week in January of each year for the purpose of electing or appointing a public member to fill the vacancy created by the expiration of the term of a public member. When any of the three specified public members, namely a physician, a dentist, or a pharmacist, cannot be elected because there is no such person resident in the county, such place shall be filled with a public-spirited citizen. The terms of all members of a county

board of health holding office on the date of the passage of this chapter shall expire on the same date that their respective terms would have expired had this chapter not been passed. At the expiration of the terms of the present members their successors shall be elected or appointed for a term of four years and until their successors have been duly elected or appointed and have qualified. If a vacancy shall arise among the public members, a majority of the ex officio members may call a meeting of all the ex officio members for the purpose of selecting such public members as may be necessary to fill the said vacancies, and such selection of public members shall be by majority vote of the ex officio members of the county board.

Upon the formation of a new county health department, the ex officio members shall name the four public members; one of the public members of the county board of health shall be appointed for a term of one year, one for a term of two years, one for a term of three years, and one for a term of four years; thereafter, all appointments shall be for a term of four years. The county board of health shall elect its own chairman. The county health director shall act as secretary to the county board of health, and a majority of the members of the county board of health shall constitute a quorum.

Those counties which now have special city-county boards of health, as authorized by any Private, Local, or Public-Local Act of the General Assembly, for the purpose of carrying on a joint health program, shall be exempted from the terms of this section, unless the special city-county board of health shall vote by a two-thirds majority of all members to dissolve said special board of health, and shall so notify the State Health Director, in writing; in which event, the provisions of this section shall apply.

All vacancies in the membership of the public members of the county board of health shall be filled by the ex officio members at the next meeting of the county board of health following the creation of the vacancy. In case any public member is a public official or officer, his duties as a member of said county board of health shall be deemed to be ex officio. Public members of any county board of health shall be eligible for reelection or reappointment.

Employees of a county health department shall be deemed county employees. (1901, c. 245, s. 3; Rev., s. 4444; 1911, c. 62, s. 9; C. S., s. 7064; 1931, c. 149; 1941, c. 185; 1945, c. 99; c. 1030, s. 2; 1947, c. 474, s. 3; 1951, c. 92; 1957, c. 1357, s. 1; 1963, c. 359; 1967, c. 1224, s. 1.)

Editor's Note.—

The 1967 amendment added the last paragraph.

§ 130-22. Municipal health departments.—The governing authorities of each city and town in North Carolina shall have the power and authority to appropriate annually and from time to time public monies for the maintenance and operation of a health department, including those which have heretofore been created and are existing as a joint city and county department of health, and to appropriate annually and from time to time public funds for the purchase, acquisition, erection, maintenance, alteration and repair of a building or buildings necessary to house and quarter such health department; expenditures for all of these purposes are hereby declared to be necessary expenses, and the special approval of the General Assembly to levy special taxes therefor is hereby given. Employees of a municipal health department shall be deemed municipal employees. (1957, c. 1357, s. 1; 1967, c. 1224, s. 2.)

Editor's Note. — The 1967 amendment added the second sentence.

ARTICLE 7.

Vital Statistics.

§ 130-47. **Death without medical attendance; duty of funeral directors and officials; approval required before cremation.**—In case of death without medical attendance, it shall be the duty of the funeral director or person acting as such, and any other person having knowledge of such death, to notify the local medical examiner and local registrar of such death. No burial-transit permit shall be issued until the medical examiner has completed his investigation and certification. If there is no local medical examiner, the registrar shall refer the case to the Chief Medical Examiner for investigation and certification of death. The certificate of death, required for a burial-transit permit, shall state therein the name of deceased, the disease causing death, or, if from external causes, the means of death, whether probably accidental, suicidal, or homicidal, and such other information as may be required by the State Registrar in order to properly classify the death.

No cremation of a dead body, in case of death without medical attendance, shall take place until the medical examiner has made inquiry into the cause and manner of death and has certified in writing that the inquiry has been made and in his opinion no further examination is necessary. (1913, c. 109, s. 8; C. S., s. 7095; 1951, c. 1091, s. 2; 1955, c. 972, s. 4; 1957, c. 1357, s. 1; 1963, c. 492, ss. 3, 4; 1967, c. 1154, s. 5.)

Editor's Note.—

The 1967 amendment, effective Jan. 1, 1968, rewrote this section.

§ 130-73. **Certified or photocopies of records; fee.**

The purpose of this section appears to be to permit the death certificate to be introduced as evidence of the fact of death, the time and place where it occurred, the identity of the deceased, the bodily injury or disease which was the cause of death, the disposition of the body and possibly other matters relating to the death. *Branch v. Dempsey*, 265 N.C. 733, 145 S.E.2d 395 (1965).

It was not the purpose of the legislature to make the certificate competent evidence of whatever might be stated thereon. *Branch v. Dempsey*, 265 N.C. 733, 145 S.E.2d 395 (1965).

Immunization.§ 130-87. **Immunization required.**

Applied in *State v. Miday*, 263 N.C. 747, 140 S.E.2d 325 (1965).

§ 130-88. **Administering immunizing preparations.**

§ 130-89. **Expenses of immunization.**

Applied in *State v. Miday*, 263 N.C. 747, 140 S.E.2d 325 (1965).

ARTICLE 9A.

Poliomyelitis (Infantile Paralysis).

§ 130-93.1. **Vaccination of young children against poliomyelitis (infantile paralysis).**

(c) If the said parent, parents, guardian or person in loco parentis of such child

are unable to pay for the services of a private physician, or for such prophylactic poliomyelitis agent, such parent, parents, guardian or person in loco parentis shall present such child to the county physician of the county in which the child resides, or to the physician health director serving such county, who shall then administer or authorize a competent agent to administer such prophylactic agent without charge. The vaccine necessary for immunizations under this subsection shall be purchased and furnished to the local health directors by the State Board of Health, and the cost of such vaccine shall be paid by the State Board of Health from appropriations made to it for that purpose.

(1965, c. 652.)

Editor's Note.—The 1965 amendment rewrote the last sentence in subsection (c).

As only subsection (c) was changed by the amendment, the rest of the section is not set out.

Whether Religious Teachings Are within Subsection (h) Is Jury Question.—It is not necessary for a religious organization to forbid vaccination in order for its teachings

to come within the meaning of subsection (h) of this section; it is for the jury under proper instructions to determine whether or not the evidence concerning the teachings of his religious organization are such that the defendant was justified in his position against vaccination and immunization of his child. *State v. Miday*, 263 N.C. 747, 140 S.E.2d 325 (1965).

ARTICLE 11.

Tuberculosis.

Part 1. Prevention of Spread of Tuberculosis.

§ 130-114. **Precautions necessary pending admission to the hospital.**—Whenever it has been determined that any person has tuberculosis in an active stage or in a communicable form, and such person is not immediately admitted as a patient in a State sanatorium for tuberculosis, county sanatorium for tuberculosis or in a private hospital or ward of a private hospital maintained for the treatment of tuberculosis, it shall be the duty of the local health director to instruct such person as to the precautions necessary to be taken to protect the members of such person's household or the community from becoming infected by tuberculosis communicated by such person, and it shall be the duty of such tuberculous person to conduct himself and to live in such a manner as not to expose members of his family or household, or any other person with whom he may be associated to danger of infection, and said health director shall investigate from time to time to make certain that his instructions are being carried out in a reasonable and acceptable manner. It shall be unlawful for any person to:

- (1) Wilfully fail and refuse to present himself to any private physician qualified in chest diseases, hospital, clinic, county sanatorium or State sanatorium for an examination for tuberculosis at such time and place as is fixed by the health director or at such time and place agreed upon between such suspected person and the health director,
- (2) Wilfully fail and refuse to present himself for admission as a patient to any State sanatorium, county sanatorium, provided such facilities are available, or private hospital or ward of a private hospital maintained and operated for the treatment of tuberculous persons when such action is found by the health director to be necessary for the prevention of spread of the disease, in accordance with the provisions of G.S. 130-113,
- (3) Wilfully fail or refuse to follow the instructions of the health director as to the precautions necessary to be taken to protect the members of his or her household or any member of the community or any other person with whom he or she may be associated from danger of infection by tuberculosis communicated by such person.

If any person shall be convicted of any of the violations set forth in subdivisions

(2) and (3) of this section or shall enter a plea of guilty thereto when charged with such violations, such person shall be imprisoned in the prison division of the North Carolina Sanatorium; provided, the period of imprisonment shall be for two years. The associate superintendent-medical director of the North Carolina Sanatorium, located at McCain, North Carolina, upon signing and placing among the permanent records of the North Carolina Sanatorium a statement to the effect that a person imprisoned under this section may be discharged without danger to the health or life of others, or for any other reason stated in full which he may deem adequate and sufficient, may discharge the person so committed at any time during the period of commitment. He shall report each such discharge, together with a full statement of the reasons therefor, at once to the health director serving the territory from which the person came and to the board of trustees or other controlling authority of such sanatorium and to the prison division of the State Department of Correction. The court in which a person is convicted of violating subdivision (2) or (3) of this section may suspend judgment, however, if such convicted person shall be hospitalized in a county sanatorium or State sanatorium and shall remain there until discharged by the associate superintendent-medical director or controlling authority of such county sanatorium or State sanatorium. The superintendent-medical director of the North Carolina sanatorium system with the advice and consent of the Commissioner of Paroles, where he finds that a person committed to the prison division of the State sanatorium has obeyed the rules and regulations of such division or department for a period of not less than sixty days may, in his discretion, have the authority to transfer any patient who, in his judgment, will conform to the rules of the sanatorium, from the prison division to any State sanatorium, or Veterans Administration tuberculosis hospital.

The county of legal residence of such committed person shall be responsible for the regularly established fee for indigent or welfare patients and shall be responsible for this fee during the patient's period of hospitalization in the prison division of the North Carolina Sanatorium located at McCain, North Carolina.

The provisions of this section apply to minors as well as adults; provided, however, that persons under 16 years of age, upon conviction of a violation of the provisions of this section, shall not be imprisoned in the prison division of the North Carolina Sanatorium, but shall be placed in a State, county or private sanatorium for treatment. (1943, c. 357; 1951, c. 448; 1955, c. 89; 1957, c. 1357, s. 1; 1967, c. 996, s. 13.)

Editor's Note. — The 1967 amendment, effective Aug. 1, 1967, substituted "State Department of Correction" for "State Prison Department" at the end of the fifth sentence.

ARTICLE 12.

Sanitary Districts.

§ 130 124. **Procedure for incorporating district.**—A sanitary district shall be incorporated as hereinafter set out. Either fifty-one percent (51%) or more of the resident freeholders within a proposed sanitary district, or fifty-one percent (51%) or more of the freeholders within a proposed sanitary district, whether residents therein or not, may petition the board of county commissioners of the county in which all or the largest portion of the land of the proposed district is located, setting forth the boundaries of the proposed sanitary district and the objects it is proposed to accomplish. Upon receipt of such petition the board of county commissioners, through its chairman, shall notify the State Board of Health and the chairman of the board of county commissioners of any other county or counties in which any portion of the proposed district lies, of the receipt of said petition, and shall request that a representative of the State Board of Health hold a joint public hearing with the county commissioners of all the counties in which a portion of the district lies concerning the creation of the pro-

posed sanitary district. The State Health Director and the chairman of the board of county commissioners shall name a time and place within the proposed district at which the public hearing shall be held. The chairman of the board of county commissioners shall give prior notice of such hearing by posting a notice at the courthouse door of the county and also by publication in a newspaper published in said county at least once a week for four successive weeks; and in the event such hearing is to be before a joint meeting of the boards of county commissioners of more than one county, or in the event the land to be affected lies in more than one county, then a like publication and notice shall be made and given in each of said counties. In the event that all matters pertaining to the creation of this sanitary district cannot be concluded at the hearing, any such hearing may be continued to a time and place within the proposed district named by the representative of the State Board of Health. (1927, c. 100, ss. 2-4; 1951, c. 178, s. 1; 1957, c. 1357, s. 1; 1959, c. 1189, s. 1; 1965, c. 135; 1967, c. 24, s. 21.)

Editor's Note.—

Prior to the 1965 amendment, the second sentence referred to resident freeholders only.

The 1967 amendment, originally effective Oct. 1, 1967, substituted "largest" for

"majority" in the second sentence. Session Laws 1967, c. 1078, amends the 1967 amendatory act so as to make it effective July 1, 1967.

§ 130-128. Corporate powers.

- (3) To issue bonds and bond anticipation notes of the district in the manner hereinafter provided, and, at any time after a bond resolution has taken effect, as provided in § 130-134, to accept advances on any loan for which the federal government or any agency or instrumentality thereof shall have entered into a loan agreement with such district.
- (4) To cause taxes to be levied and collected upon all taxable property within the district sufficient to meet the obligations of the district evidenced by bonds, bond anticipation notes, certificates of indebtedness and revenue anticipation notes issued against the district and to pay all obligations incurred by the district in the performance of all of its lawful undertakings.
- (16) To establish a capital reserve fund for the district in accordance with the following provisions:
 - a. The district board shall pass a resolution declaring that a capital reserve fund is thereby established, which resolution shall state that said fund shall consist of unencumbered balances and unappropriated surplus revenues evidenced by money derived from collections of ad valorem taxes of the district or from service charges and rates applied by the district board in accordance with law or from proceeds of the sale of real or personal property of the district, that it shall take effect when the provisions thereof are approved by the Local Government Commission, and the district board shall designate therein some bank or trust company as depository in which the capital reserve fund shall be placed to the credit of a special account to be known as "..... District, Capital Reserve Fund."
 - b. Upon adoption of a resolution by the district board providing therefor and with the approval of the Local Government Commission, the capital reserve fund may be increased at any time with money from like source or sources as those stated in establishing resolution.
 - c. Withdrawal from the capital reserve fund shall be of two kinds, temporary and permanent. Temporary withdrawal may be made:
 - 1. In anticipation of the collections of taxes and other revenues of the district of the current fiscal year in which such

withdrawal is made and for the purpose of paying principal or interest of bonds of the district falling due within three months, but the amount of such withdrawal shall be repayable to the capital reserve fund not later than thirty days after the close of the fiscal year in which such withdrawal is made, and

2. For deposit at interest or investment under the provisions of G.S. 159-28.1.

Permanent withdrawal may be made for the purpose of acquiring property for the district by purchase or otherwise, or for extending, enlarging, improving, replacing or reconstructing any properties of the district incident to or deemed necessary for the exercise of the powers granted by law to the district board. Each withdrawal shall be authorized by resolution of the district board and approved by the Local Government Commission and shall be by check drawn on the designated depository of the capital reserve fund upon which such approval by the Commission shall be endorsed by the secretary of the Commission or by an assistant designated by him for that purpose: Provided, however, the State of North Carolina shall not be liable for misapplication of any moneys withdrawn from the capital reserve fund by reason of such endorsement, such endorsement only being prima facie evidence of approval of the withdrawal authorized. No permanent withdrawal shall be made unless, after such withdrawal, there shall remain in the capital reserve fund an amount equal to the sum of the principal and interest of bonds of the district maturing either in the fiscal year in which the withdrawal is made or in the ensuing fiscal year, whichever is greater, except that, when the amount of authorized and unissued bonds of the district is determined by the sanitary district board to be insufficient for financing the cost of the improvements or properties for which such bonds were authorized, all or any part of such remaining amount may be withdrawn for the purpose of meeting such insufficiency.

- d. All moneys stated in the establishing resolution or in a resolution providing for increase of the capital reserve fund, when the provisions of such resolutions are approved by the Local Government Commission, and all realizations and earnings from temporary withdrawals shall be deposited in the designated depository of the capital reserve fund by the officer or officers having the charge and custody of such moneys, and it shall be the duty of such officer or officers to simultaneously report each of such deposits to the Local Government Commission.

- (17) To make rules and regulations in the interest of and for the promotion and protection of the public health and the welfare of the people within the sanitary district, and for such purposes to possess the following powers:

- a. To require any person, firm or corporation owning, occupying or controlling improved real property within the district to connect with either or both, the water or sewerage systems of the district, when the local health director, having jurisdiction over the area in which the greater portion of the residents of the district reside, determines that the health of the people residing within the district will be endangered by a failure to connect.
- b. To require any person, firm or corporation owning, occupying or controlling improved real property within the district where the

water or sewerage systems of the district are not immediately available or it is impractical to connect therewith to install sanitary toilets, septic tanks and other health equipment or installations in accordance with the requirements of the State Board of Health.

- c. To require any person, after notice and hearing, to abate any nuisance detrimental or injurious to the public health of the district. The person being ordered to abate the nuisance may appeal such order to the local board of health as provided in G.S. 130-20.
- d. To abolish, or to regulate and control the use and occupancy of all pigsties and other animal stockyards or pens within the district and for an additional distance of 500 feet beyond the outer boundaries of the district, unless such 500 feet be within the corporate limits of some city or town.
- e. Upon the noncompliance by any person, firm or corporation of any rule and regulation promulgated and enacted hereunder, the sanitary district board shall cause to be served upon the person, firm or corporation who fails to so comply a notice setting forth the rule and regulation and wherein the same is being violated, and such person, firm or corporation shall have a reasonable time, as determined by the local health director of the area within which the noncomplying person resides, from the service of such notice in which to comply with such rule and regulation.
- f. Upon failure to comply with any rule and regulation of a sanitary district board within 30 days as directed in the notice provided for above, or within the time extended by the sanitary district board, such person, firm or corporation shall be guilty of a misdemeanor and fined or imprisoned in the discretion of the court.
- g. The sanitary district board is authorized to enforce the rules and regulations enacted or promulgated hereunder by criminal action or civil action, including injunctive relief.

(1965, c. 496, s. 1; 1967, c. 632; c. 637, s. 1; c. 798, s. 2.)

Editor's Note.—

The 1965 amendment inserted "and bond anticipation notes" in subdivision (3) and "bond anticipation notes" in subdivision (4).

The first 1967 amendment added paragraphs f and g of subdivision (17).

The second 1967 amendment added that part of subdivision (3) following the first comma.

The third 1967 amendment rewrote clause 2 of paragraph c of subdivision (16).

As the rest of the section was not changed by the amendments, only subdivisions (3), (4), (16) and (17) are set out.

For an article on local legislation in the General Assembly discussing this section, see 45 N.C.L. Rev. 340 (1967).

§ 130-129. Organization of board.—Upon election, a sanitary district board shall meet and elect one of its members as chairman, and another member as secretary. Each member of the board may receive a per diem compensation of twelve dollars (\$12.00) when actually engaged in the business of the district, payable from the funds of the district. The board may employ a clerk, stenographer, or such other assistants as it may deem necessary and may fix the duties and compensation thereof.

A sanitary district board may at any time remove any of its employees and may fill any vacancies however arising. (1927, c. 100, s. 8; 1957, c. 1357, s. 1; 1967, c. 723.)

Editor's Note.—The 1967 amendment increased the per diem from \$8.00 to \$12.00 a day.

§ 130-138. Bonds; bond anticipation notes; advances on loans from federal government.—The sanitary district board shall, subject to the provisions of this article, and under competent legal and financial advice, prescribe by resolution the form of the bonds, including any interest coupons to be attached thereto, and shall fix the date, the maturities, the denomination or denominations, and the place or places of payment of principal and interest which may be at any bank or trust company within or without the State of North Carolina. The bonds shall not be sold at less than par and accrued interest nor bear interest at a rate or rates in excess of six per centum (6%) per annum. The bonds shall be signed by the chairman and secretary of the sanitary district board, and the seal of the board shall be impressed thereon, and any coupons attached thereto shall bear a facsimile of the signature of the secretary of said board in office at the date of the bonds or at the date of delivery thereof. The delivery of bonds so executed shall be valid, notwithstanding any change in officers or in the seal of the board occurring after the signing and sealing of the bonds. Bonds issued under this article shall be payable to bearer unless they are registered as hereinafter provided, and each coupon appertaining to a bond shall be payable to the bearer of the coupon. A sanitary district may keep in the office of the secretary of the sanitary district board, or in the office of a bank or trust company appointed by said board as bond registrar or transfer agent, a register or registers for the registration and transfer of its bonds, in which it may register any bond at the time of its issue or, at the request of the holder, thereafter. After such registration, the principal and interest of the bond shall be payable to the person in whose name it is registered except in the case of a coupon bond registered as to principal only, in which case the principal shall be payable to such person, unless the bond shall be discharged from registration by being registered as payable to bearer. After registration a bond may be transferred on such register by the registered owner in person or by attorney, upon presentation to the bond registrar, accompanied by delivery of a written instrument of transfer in a form approved by the bond registrar, executed by the registered owner. Upon the registration or transfer of a bond as aforesaid, the bond registrar shall note such registration or transfer on the back of the bond. A sanitary district may, by recital in its bonds, agree to register the bonds as to principal only, or agree to register them either as to principal only or as to both principal and interest at the option of the bondholder. Upon the registration of a coupon bond as to both principal and interest the bond register shall also cut off and cancel the coupons, and endorse upon the back of such bond a statement that such coupons have been cancelled. The proceeds from the sale of such bonds shall be placed in a bank in the State of North Carolina to the credit of the sanitary district board, and payments therefrom shall be made by vouchers signed by the chairman and secretary of the sanitary district board. The officer or officers having charge or custody of funds of the district shall require said bank to furnish security for the protection of deposits of the district as provided in G.S. 159-28.

Bonds issued for any purpose pursuant to this article shall mature within the period of years as hereinafter provided, each such period being computed from the date of the election upon the issuance thereof held under the provisions of G.S. 130-137. Such period shall be for the purposes stated by clauses in G.S. 130-134 as follows: Clause (1), forty years; clause (2), twenty years; clause (3), ten years; clause (4), thirty years. Such bonds shall mature in annual installments or series, the first of which shall be made payable not more than five years after the date of the first issued bonds of such issue, and the last within the aforesaid period. No such installment or series shall be more than two and one-half times as great in amount as the smallest prior installment or series of the same bond issue. If all of the bonds of any issue are not issued at the same time, the bonds at any one time outstanding shall mature as aforesaid. Such bonds may be issued either all at one time or from time to time in blocks, and different provisions may be made for different blocks. Bonds issued pursuant to this ar-

title shall be subject to the provisions of the Local Government Act. The cost of preparing, issuing, and marketing bonds shall be deemed to be one of the purposes for which the bonds are issued.

After a bond resolution has taken effect, as provided in § 130-134, bonds may be issued in conformity with its provisions at any time within five years after the time of taking effect, unless the resolution shall have been repealed, which repeal is permitted (without the privilege of referendum upon the question of repeal), unless notes issued in anticipation of the proceeds of the bonds shall be outstanding; provided, however, that where a bond resolution has taken effect prior to July 1, 1965, such bonds may be issued at any time not later than five years after July 1, 1965.

At any time after a bond resolution has taken effect, as provided in § 130-134, a sanitary district may borrow money for the purposes for which the bonds are to be issued, in anticipation of the receipts of the proceeds of the sale of bonds, and within the maximum authorized amount of the bond issue. Such loans shall be paid not later than five years after the time of taking effect of the bond resolution authorizing the bonds upon which they are predicated; provided, however, that where a bond resolution has taken effect prior to July 1, 1965, such loans shall be paid not later than five years after July 1, 1965. The sanitary district board may, in its discretion, retire any such loans by means of current revenues or other funds, in lieu of retiring them by means of bonds; provided, however, that the sanitary district board, at or before the actual retirement of any such loans by any means other than the issuance of bonds under the bond resolution upon which such loans are predicated, shall amend or repeal such bond resolution so as to reduce the authorized amount of the bond issue by the amount of the loan to be so retired. Such an amendatory or repealing resolution shall take effect upon its passage, and need not be published. Negotiable notes shall be issued for all moneys so borrowed. Such notes may be renewed from time to time, and money may be borrowed upon notes from time to time for the payment of any indebtedness evidenced thereby, but all such notes shall mature within the time limited by this section for the payment of the original loan. No money shall be borrowed under this section at a rate of interest exceeding the maximum rate permitted by law. The said notes may be disposed of by public or private negotiations as provided in the Local Government Act. The issuance of such notes shall be authorized by resolution of the sanitary district board, which shall fix the actual or maximum face amount of the notes and the actual or maximum rate of interest to be paid upon the amount borrowed. The sanitary district board may delegate to any member thereof the power to fix said face amount and rate of interest with the limitations prescribed by said resolution, and the power to dispose of said notes. All such notes shall be executed in the manner provided in this section for the execution of bonds. They shall be submitted to and approved by the attorney for the sanitary district before they are issued, and his written approval endorsed on the notes.

At any time after a bond resolution has taken effect, as provided in § 130-134, and where a sanitary district has entered into a loan agreement with the federal government or an agency or instrumentality thereof for a loan to be evidenced by the bonds authorized by said resolution, a sanitary district may secure advances of money on such loan from the federal government or such agency or instrumentality to be repayable out of the proceeds of the sale of the bonds. Each such advance shall be authorized by resolution of the sanitary district board requesting the advance and specifying the manner of execution of the request and such other provisions thereof as the board deems expedient. Said board shall cause a certified copy of such resolution to be filed with the Local Government Commission with a statement showing the exact amount of the advance, its date and interest rate, if any. The State Treasurer is hereby authorized to apply proceeds of sale of the bonds to payment of such advances. (1927, c. 100, s. 15; 1949, c. 880, s.

i; 1951, c. 17, s. 1; c. 846, s. 2; 1957, c. 1357, s. 1; 1963, c. 1247, s. 2; 1965, c. 496, s. 2; 1967, c. 637, s. 2.)

Editor's Note.—

The 1967 amendment added the last

The 1965 amendment added the third paragraph and fourth paragraphs.

§ 130-141. Valuation of property; determining annual revenue needed.—Upon the creation of a sanitary district and after each assessment for taxes thereafter the board or boards of county commissioners of the county or counties in which the sanitary district is located shall file with the sanitary district board the valuation of assessable property within the district. The sanitary district board shall then determine the amount of funds to be raised for the ensuing year in excess of the funds available from surplus operating revenues set aside as provided in G.S. 130-144 below to provide payment of interest and the proportionate part of the principal of all outstanding bonds and, to the extent not otherwise provided for, the interest on and the principal of all outstanding bond anticipation notes, and retire all outstanding certificates of indebtedness, revenue anticipation notes issued against the district and to pay all obligations incurred by the district in the performance of its lawful undertakings.

The sanitary district board shall determine the number of cents per one hundred dollars (\$100.00) necessary to raise the said amount and so certify to the board or boards of county commissioners. The board or boards of county commissioners in their next annual levy shall include the number of cents per one hundred dollars (\$100.00) so certified by the sanitary district board in the levy against all taxable property within the district, which tax shall be collected as other county taxes are collected and every month the amount of tax so collected shall be remitted to the sanitary district board and deposited by the said board in a bank in the State of North Carolina separately from other funds of the district. Such levy may include an amount for reimbursing the county for expenses of levying and collecting said taxes, which amount shall be based upon such percentage of the collection of said taxes, not exceeding five per centum (5%) thereof, as may be agreed upon by the sanitary district board and the board of county commissioners, to be deducted from the collections and stated with each remittance to the sanitary district board, and such percentage of collections shall remain the same until revised or abolished by further agreement between said boards. The officer or officers having charge or custody of the funds of the district shall require said bank to furnish security for protection of such deposits as provided in G.S. 159-28.

The sanitary district board of any sanitary district, in lieu of collecting the taxes in the manner as hereinbefore provided, may cause to be listed by all the taxpayers residing within the district with the person designated by the district board, all the taxable property located within the district, and after determining the amount of funds to be raised for the ensuing year in excess of the funds available from surplus operating revenues set aside as provided in G.S. 130-144 to provide payment of interest and the proportionate part of the principal of all outstanding bonds, bond anticipation notes, certificates of indebtedness, revenue anticipation notes issued against the district and to pay all obligations incurred by the district in the performance of all of its lawful undertakings, to determine the number of cents per one hundred dollars (\$100.00) necessary to raise said amount. The said sanitary district board in its next annual levy shall levy against all taxable property in the district the number of cents per one hundred dollars (\$100.00) necessary to raise the amount with which to pay the obligations of the district, including principal and interest on bonds, bond anticipation notes not otherwise provided for, certificates of indebtedness, revenue anticipation notes and other lawful obligations of the district, which tax shall be collected in the same manner as taxes of other political subdivisions of the State of North Carolina are collected by a tax collector, to be selected by the sanitary district board of the

sanitary district electing to assess, levy and collect its taxes in the manner herein provided. The tax collector selected by said sanitary district board and the depository, in which said taxes so collected are deposited, shall qualify in the same manner and give the necessary surety bonds as are required of tax collectors and depositories of county funds in the county or counties in which said sanitary districts are located.

In any sanitary district located in two or more counties any one or more of which have different assessment ratios for tax purposes, the sanitary district board of such sanitary district shall, in order that all taxable property within the sanitary district shall be subject to taxation for sanitary district purposes the same as if the same assessment ratio were used throughout the entire sanitary district, (i) certify to the boards of commissioners of such counties such different determinations as to the numbers of cents per one hundred dollars (\$100.00) to be levied against the taxable property within the portion of the sanitary district located within such county or counties as will provide the amount of funds to be raised for the ensuing year for sanitary district purposes as hereinabove mentioned, or (ii) in the event the sanitary district board shall elect to levy and collect such sanitary district taxes itself, adjust the valuations of assessable property within the sanitary district as filed with the sanitary district board by the respective boards of commissioners. (1927, c. 100, s. 17; 1935, c. 287, ss. 3, 4; 1949, c. 880, s. 1; 1951, c. 17, s. 1; 1957, c. 1357, s. 1; 1959, c. 994; 1963, c. 1226; 1965, c. 496, s. 3.)

Editor's Note.—

The 1965 amendment inserted, in the second sentence of the first paragraph, "and, to the extent not otherwise provided for, the interest on and the principal of all outstanding bond anticipation notes."

The amendment also inserted "bond anticipation notes" in the first sentence of the third paragraph and "bond anticipation notes not otherwise provided for" in the second sentence of the third paragraph.

§ 130-144. Service charges and rates.—A sanitary district board shall immediately upon the placing into service of any of its works apply service charges and rates which shall, as nearly as practicable, be based upon the exact benefits derived. Such service charges and rates shall be sufficient to provide funds for the proper maintenance, adequate depreciation, and operation of the work of the district, and provided said service charges and rates would not thereby be made unreasonable, to include in said service charges and rates an amount sufficient to pay the principal and interest maturing on the outstanding bonds and, to the extent not otherwise provided for, bond anticipation notes of the district and thereby make the project self-liquidating. Any surplus from operating revenues shall be set aside as a separate fund to be applied to the payment of interest on bonds or on bond anticipation notes or to the retirement of bonds or bond anticipation notes or for any one or more of said purposes. As the necessity arises the sanitary district board may modify and adjust such service charges and rates from time to time. (1927, c. 100, s. 20; 1933, c. 8, s. 5; 1957, c. 1357, s. 1; 1965, c. 496, s. 4.)

Editor's Note. — The 1965 amendment inserted "and, to the extent not otherwise provided for, bond anticipation notes" in the second sentence and "or on bond anticipation notes or" in the third sentence.

It also substituted "or bond anticipation notes or for any one or more of said purposes" for "or both" at the end of the third sentence.

§ 130-144.1. Liens for sewer service charges in sanitary districts not operating water distribution system; collection of charges; disconnection of sewer lines. — In sanitary districts which maintain and operate a sewerage system but do not maintain and operate a water distribution system, the charges made for sewer service or for use of sewer service facilities shall be a lien upon the property served, and if such charges shall not be paid within fifteen days after they become due and payable, suit may be brought therefor in the name of the sanitary district in the county in which the property served is located, or the

property, subject to the lien thereof, may be sold by the sanitary district under the same rules and regulations, rights of redemption and savings, as are now or may hereafter be prescribed by law for the sale of land for unpaid ad valorem taxes. Such sanitary districts shall have the right to establish reasonable rules and regulations for the use of said sewerage works and the collection of charges therefor, and said sanitary districts, through their officers or agents, are hereby authorized and empowered, in accordance with such reasonable regulations, to enter upon the premises of any person, firm or corporation using said sewerage works and failing to pay the charges therefor, and to disconnect the sewer line of such person, firm or corporation from the public sewer line or disposal plant; and any person, firm or corporation who shall connect with such public sewer line or disposal plant or reconnect his or their property therewith, without a permit from the officer authorized to give the same, shall be guilty of a misdemeanor. (1965, c. 920, s. 1.)

Local Modification. — Burke, Chowan, Forsyth, Gaston and Onslow: 1965, c. 920, s. 1½.

§ 130-151. Dissolution of certain sanitary districts.—In any sanitary district established under this chapter which has no outstanding indebtedness, fifty-one percent (51%) or more of the resident freeholders therein may petition the board of commissioners of the county in which all or the greater portion of the resident freeholders of the district are located to dissolve said district. Upon receipt of such petition, the board of county commissioners through its chairman, shall notify the State Board of Health and the chairman of the board of county commissioners of any other county or counties in which any portion of the district lies, of the receipt of such petition, and shall request that a representative of the State Board of Health hold a joint public hearing with the said county commissioners concerning the dissolution of the district. The State Health Director and the chairman of the board of county commissioners shall name a time and place within the district at which the public hearing shall be held. The chairman of the board of county commissioners shall give prior notice of such hearing by posting a notice at the courthouse door of the county and also by publication in a newspaper published in said county at least once a week for four successive weeks; and in the event such hearing is to be before a joint meeting of the boards of county commissioners of more than one county, then a like publication and notice shall be made and given in each of said counties. In the event that all matters pertaining to the dissolution of the sanitary district cannot be concluded at the hearing, any such hearing may be continued to a time and place determined by the representative of the State Board of Health. If after such hearing, the State Board of Health and the county commissioners concerned shall deem it advisable to comply with the request of said petition, the State Board of Health shall adopt a resolution to that effect, whereupon the district shall be deemed dissolved, and the sanitary district board of said district shall be authorized to convey all assets, including cash, to any county, municipality, or other governmental unit, or to any public utility company operating or to be operated under the authority of a certificate of public convenience and necessity granted by the North Carolina Utilities Commission in return for the assumption of the obligation to provide water and sewage services to the area served by the district at the time of dissolution. (1943, c. 620; 1951, c. 178, s. 2; 1957, c. 1357, s. 1; 1967, c. 4, s. 1.)

Editor's Note.—The 1967 amendment added to the last sentence the provision relating to conveyance of assets, etc., of the district in return for the assumption of the obligation to provide water and sewage service to the area served by the district.

Section 2 of the amendatory act provides: "The provisions of this act shall apply to all dissolutions of sanitary districts under the provisions of § 130-151 of the General Statutes of North Carolina in which the petition for dissolution is filed after the date of ratification of this act,

and also to the dissolution of sanitary districts under § 130-151 of the General Statutes of North Carolina in which the petition for dissolution was filed and the joint public hearing held prior to the date of ratification of act if the said petition set forth that the assets of a district being

dissolved were to be conveyed to a public utility company operating or to be operated under a certificate of public convenience and necessity granted by the North Carolina Utilities Commission." The act was ratified Feb. 28, 1967.

§ 130-161. Systems of water supply and sewerage; plans submitted.

—The State Board of Health shall from time to time consult with and advise the boards of all State institutions, the authorities of cities and town, and persons already having or intending to introduce systems of water supply, drainage, or sewerage, or intending to make major alterations to existing systems of water supply, drainage, or sewerage, as to the most appropriate source of supply, the best practical method of assuring the purity thereof, or of disposing of their drainage or sewerage, having regard to the present and prospective needs and interests of other cities, towns, and persons which may be affected thereby. All such boards of directors, authorities, and persons are hereby required to give notice to the State Board of Health of their intentions to introduce or alter a system of water supply, drainage or sewerage, and to submit to the Board such plans, surveys, and other information as may be required by rules and regulations promulgated by the State Board of Health. No such board of directors, authorities, or persons may enter into a contract for the introduction or alteration of a system of water supply, sewage disposal, or drainage until such plans and other information have been received, considered and approved by the State Board of Health. Provided, that prior to the "effective date" applicable to any watershed whenever the State Board of Health is advised by a municipality that application is being filed with the Board of Water and Air Resources for a certificate of approval covering a voluntary pollution abatement project pursuant to G.S. 143-215.2, the plans will be reviewed by said Board if the effluent from the proposed works is to be discharged into waters used as a source of public water supply and if approved, said plans shall be referred to the Board of Water and Air Resources for final approval. If no water supply is involved, such plans will be referred directly to the Board of Water and Air Resources and the approval of the Board of Health will not be prerequisite to the entering of a contract. Provided, further, that after the "effective date" applicable to any watershed as provided for in G.S. 143-215, the Board of Water and Air Resources, rather than the State Board of Health, shall carry out the provisions of this section relating to sewage and waste disposal, except as otherwise provided by G.S. 143-215.1 (a) (5), with regard to:

The term "secondhand bedding" means: Any bedding of which prior use has been made.

The word "sell" or "sold" shall, in the corresponding tense, include: Sell, have to sell, give away in connection with a sale, delivery or consign in sale, or rent; or, possess with intent to sell, deliver, consign in sale, or rent. (1937, c. 298, s. 1; 1957, c. 1357, s. 1; 1959, c. 619; 1965, c. 579, s. 1.)

Editor's Note.—

The 1965 amendment, effective Jan. 1, 1966, deleted "quilt" following "spring" in the second paragraph, deleted "in the man-

ufacture of another article or used" preceding "for any other purpose" in the ninth paragraph and rewrote the tenth paragraph.

§ 130-173. Manufacture regulated.—No person shall manufacture in this State any bedding containing previously used materials without first sanitizing the previously used materials in accordance with rules and regulations adopted by the State Board of Health.

No manufacturing establishment shall store any unsanitized previously used materials in the same room with bedding or materials that are new or have been sanitized unless the new or sanitized bedding or materials are completely segregated from the unsanitized materials in a manner approved by regulations of the State Board of Health.

All materials used in the manufacture of bedding in this State shall be free of toxic materials and shall be reasonably clean and free from other trash, oil, grease, or other extraneous matter. No material known as "sweeps" or "oily sweeps" may be used unless washed by a process approved by the State Health Director.

No person shall manufacture any bedding to which is not securely sewed a tag of durable material approved by the State Board of Health, which tag shall be at least two inches by three inches in size, and to which is affixed the adhesive stamp

provided for in G.S. 130-177. Such stamp shall be so affixed as not to interfere with the wording on the tag.

Upon said tag shall be plainly stamped or printed with ink in English:

- (1) The name and kind of material or materials used to fill such bedding;
- (2) The name and address of the maker or vendor of the bedding;
- (3) A registration number designated by the State Health Director;
- (4) In letters at least one-eighth inch high the words "made of new material," if such bedding contains no previously used material; or the words "made of previously used materials," if such bedding contains any previously used material; or the word "secondhand" on any bedding which has been used but not remade.

A white tag shall be used for new materials and a yellow tag for previously used materials or secondhand bedding.

Nothing false or misleading shall appear on said tag, and it shall contain all statements and the adhesive stamp required by this article, and shall be sewed to the outside covering of every piece of bedding being manufactured. Except in the case of dual purpose furniture, said tag must be sewed to the outside covering before the filling material has been inserted. No trade name or advertisement will be permitted on said tag. (1937, c. 298, s. 3; 1951, c. 929, s. 2; 1957, c. 1357, s. 1; 1959, c. 619; 1965, c. 579, s. 2.)

Editor's Note.—

The 1965 amendment, effective Jan. 1, 1966, inserted "shall be free of toxic materials and" near the beginning of the

third paragraph and deleted "(as defined by this article or by the regulations of the State Board of Health)" following "materials" in subdivision (1).

§ 130-177. **Enforcement funds.**—The State Board of Health is hereby charged with the administration and enforcement of this article, and the Board shall provide specially designated adhesive stamps for use under the provisions of this article. Upon request the Board shall furnish no less than five hundred such stamps to any person paying in advance twelve dollars (\$12.00) per five hundred stamps.

Any person who manufactures bedding in North Carolina or any person who manufactures bedding to be sold in North Carolina may, in lieu of purchasing and affixing the adhesive stamps provided for by this article, annually secure from the State Board of Health a "stamp exemption permit" upon compliance with the provisions of this section and the rules and regulations of the State Board of Health. The holder of a stamp exemption permit shall not be required to purchase or affix adhesive stamps to bedding manufactured or sold in North Carolina. The cost of a stamp exemption permit is to be determined annually by the total number of bedding items manufactured or sold in North Carolina by the applicant during the calendar year immediately preceding the issuance of the permit, at the rate of twelve dollars (\$12.00) for each five hundred (500) pieces of bedding or fraction thereof. A maximum charge of five hundred dollars (\$500.00) shall be made for pieces of bedding manufactured in North Carolina but not sold in North Carolina.

Applications for stamp exemption permits must be submitted in such form as the State Board of Health shall prescribe. No stamp exemption permit may be issued to any person unless he has done business in North Carolina throughout the preceding calendar year in compliance with the provisions of this article, and unless he complies with the rules and regulations of the State Board of Health governing the granting of stamp exemption permits.

The State Board of health is hereby authorized and directed to prepare rules and regulations for the proper enforcement of this section. The rules and regulations shall include provisions governing the type and amount of proof which must be submitted by the applicant to the State Board of Health in order to establish the number of bedding items that were, during the preceding calendar year:

- (1) Manufactured in North Carolina and sold in North Carolina;

- (2) Manufactured outside of North Carolina and sold in North Carolina; and
 (3) Manufactured in North Carolina but not sold in North Carolina.

Because of the greater difficulty involved in auditing the records of out-of-State manufacturers, the State Board of Health is authorized to require a greater amount of proof from out-of-State manufacturers than from in-State manufacturers. The State Board of Health may provide in its regulations for additional proof of the number of bedding items sold during the preceding calendar year when it has reason to believe that the proof submitted by the manufacturer (whether in-State or out-of-State) is incomplete, misleading, or incorrect.

All money collected under this article shall be paid to the State Health Director who shall place all such money in a special "bedding law fund," which is hereby created and specifically appropriated to the State Board of Health, solely for expenses in furtherance of the enforcement of this article. The State Health Director shall semiannually render to the State Auditor a true statement of all receipts and disbursements under said fund, and the State Auditor shall furnish a true copy of said statement to any person requesting it.

All money in the "bedding law fund" shall be expended solely for:

- (1) Salaries and expenses of inspectors and other employees who devote their time to the enforcement of this article, or
- (2) Expenses directly connected with the enforcement of this article, including attorney's fees, which are expressly authorized to be incurred by the State Health Director without authority from any other source when in his opinion it is advisable to employ an attorney to prosecute any persons: Provided, however, that a sum not exceeding twenty percent (20%) of such salaries and expenses above enumerated may be used for supervision and general expenses of the State Board of Health. (1937, c. 298, s. 5; 1949, c. 636; 1957, c. 1357, s. 1; 1965, c. 579, s. 3; 1967, c. 771.)

Editor's Note. — The 1965 amendment, effective Jan. 1, 1966, substituted "ten dollars (\$10.00)" for "eight dollars (\$8.00)" in the first and second paragraphs and substituted "five hundred dollars (\$500.00)" for "four hundred dollars (\$400.00)" in the second paragraph.

The 1967 amendment, effective Jan. 1, 1968, substituted "twelve dollars (\$12.00)" for "ten dollars (\$10.00)" in the first and second paragraphs.

Revision of Article.—Session Laws 1967, c. 1154, s. 1, rewrote this article, designating the sections therein as §§ 130-192 to 130-202.2. This article formerly consisted of §§ 130-192 to 130-202. Section 9 of the

amending act provides: "This act shall become effective on January 1, 1968; provided, however, that the appropriation provided for herein, for the purpose of employing personnel and making the necessary preparation to effectuate the purposes of this act by January 1, 1968, shall be effective July 1, 1967."

§ 130-193. (1967, c. 1154, s. 1.)

§ 130-197. County medical examiners; appointment; term of office and vacancies.—The Chief Medical Examiner shall appoint for each county in the State one or more medical examiners to serve for terms of three years and until their successors are appointed by the Chief Medical Examiner and have qualified. If no list of names is submitted by the society, the Chief Medical Examiner shall appoint a medical examiner or medical examiners from a list of licensed medical doctors of such county. In the event a licensed doctor will not accept an appointment as medical examiner in a county, the Chief Medical Examiner is authorized to appoint the coroner as acting medical examiner to serve until such time as the vacancy can be filled. In the event the medical examiner of any county, on account of illness or enforced absence or personal interest is unable to serve in any particular case or for a temporary period of time, the Chief Medical Examiner shall then designate some other qualified doctor of medicine in such county, or the coroner, to serve in the place of the regular medical examiner in making any examination or report required. (1955, c. 972, s. 1; 1957, c. 1357, s. 1; 1963, c. 492, s. 4; 1967, c. 1154, s. 1.)

§ 130-198. Medical examiners to be notified of certain deaths.— Upon the death of any person, apparently by criminal act or default, or apparently by suicide, or while an inmate of any penal or correctional institution, or under any suspicious, unusual or unnatural circumstances, the medical examiner of the county in which the body of the deceased is found shall be notified by the physician in attendance, by any law-enforcement officer having knowledge of such death, by the funeral director, by a member of the family of the deceased, by any person present, or by any person having knowledge of such death. No person shall disturb the body at the scene of death until authorized by the county medical examiner.

A similar procedure shall be followed upon discovery of anatomical material suspected of being or determined to be a part or parts of a human body. (1955, c. 972, s. 1; 1957, c. 1357, s. 1; 1963, c. 492, s. 4; 1967, c. 1154, s. 1.)

Full directions as to the nature, character and extent of the investigation to be made in such cases shall be furnished the medical examiner by the Chief Medical Examiner, together with appropriate forms for the required reports and instructions for their use. For each investigation under this article, including the making of the required reports, the medical examiner shall receive a fee of twenty-five dollars (\$25.00), to be paid by the State unless the deceased is a legal resident of the county in which his death occurred, in which event such county shall be responsible for the fee. § 130-200. When autopsies and other pathological examinations to be performed.— If, in the opinion of the Chief Medical Examiner or the medical examiner of the county wherein the body or anatomical material is first found under any of the circumstances set forth in G.S. 130-198, it is advisable and in the public interest that an autopsy or other pathologic study be made, or if an autopsy or other pathologic study is requested by the superior court solicitor or by any superior court judge on his own motion, or on a motion of any party, such autopsy or pathological study shall be made by the Chief Medical Examiner or by a competent pathologist designated by him, and a copy of the autopsy report shall be furnished the solicitor, judge, and requesting party.

In any case of death under circumstances set forth in § 130-198 where a body shall be buried without a medical examination being made as specified in § 130-199, or in any case where a body shall be cremated except in compliance with the provisions of this article, it shall be the duty of the medical examiner of the county in which the body is buried or was cremated, upon being advised of such facts, to notify the superior court solicitor who shall communicate the same to any resident special, or assigned judge of the superior court, and such judge may order that the body or the remains be exhumed and an examination or autopsy performed thereon by the Chief Medical Examiner or a competent pathologist or toxicologist appointed by the Chief Medical Examiner. The pertinent facts disclosed by the examination or autopsy shall be communicated to the solicitor of the superior court and the judge who ordered it, for such action thereon as he, or the court of which he is judge, deems proper. A copy of the report of the examination or autopsy findings and interpretations shall be filed with the superior court solicitor: Provided, that a copy of said report shall be furnished to any other interested person upon order of a court of record after need therefor has been shown. If the deceased is a resident of the county where death occurred, the cost of the autopsy or pathological study shall be paid by the county; otherwise, the State Board of Health shall pay the expense of the autopsy or pathological study. (1955, c. 972, s. 1; 1957, c. 1357, s. 1; 1967, c. 1154, s. 1.)

§ 130-201. Rules and regulations.—The Chief Medical Examiner, subject to the approval of the State Board of Health, shall make, amend, repeal and promulgate the necessary rules and regulations and procedures to carry out the intent and purposes of this article. The facilities of the central laboratory and the services of its professional staff shall be made available to the county medical examiners in their investigations. (1967, c. 1154, s. 1.)

§ 130-202. Reports and records received as evidence.—Reports of investigations made by the Chief Medical Examiner or his assistants or by medical examiners, and the records and reports of autopsies made under the authority of this article, may be received as corroborative evidence, if admissible, in any court or other proceeding and copies of records, photographs, laboratory findings and records in the office of the Chief Medical Examiner or any medical examiner, when duly attested by the Chief Medical Examiner, or one of his assistant chief medical examiners, or the medical examiner in whose office the same are, shall be received as evidence in any court or other proceeding for any purpose for which the original could be received without any proof of the official character of the person whose name is signed thereto. (1967, c. 1154, s. 1.)

§ 130-202.1. When medical examiner's permission necessary before embalming, burial and cremation.—(a) In any case where it is the duty of the county medical examiner to view the body and investigate the death of a deceased person as herein provided, it shall be unlawful to embalm the said body until the written permission of the county medical examiner has first been obtained, and such county medical examiner shall make the certificate of death required for a burial-transit permit, stating thereon the name of the disease causing death; or, if from external causes,

- (2) Whether (probably) accidental, suicidal, homicidal; and shall, in any case, furnish such information as may be required by the State Registrar of Vital Statistics in order properly to classify the death.

(b) It shall be unlawful to embalm or to bury a dead body, or to issue a burial-transit permit, when any fact within the knowledge of, or brought to the attention of, the embalmer, the funeral director, or the local registrar of vital statistics charged with the issuance of burial-transit permits, is sufficient to arouse suspicion

of crime in connection with the death of the deceased, until the written permission of the county medical examiner has first been obtained.

(c) No burial-transit permit for cremation of a body shall be issued by the local registrar charged therewith and no cremation of a body shall be carried out until the county medical examiner shall have certified in writing that he has made inquiry into the cause and manner of death and is of the opinion that no further examination concerning the same is necessary. (1955, c. 972, s. 1; 1957, c. 1357, s. 1; 1963, c. 492, s. 4; 1967, c. 1154, s. 1.)

The coroner shall file a written report of his investigation with the solicitor of the superior court and the county medical examiner. The body shall remain in the custody and control of the medical examiner. (1955, c. 972, s. 1; 1957, c. 1357, s. 1; 1967, c. 1154, s. 1.)

streets or highways in North Carolina unless he holds a currently valid permit for each ambulance used in such business or service, issued by the State Board of Health or a duly authorized representative thereof.

(b) Before a permit may be issued for a vehicle to be operated as an ambulance, its registered owner must apply to the Board for an ambulance permit. Application shall be made upon forms and according to procedures established by the Board. Prior to issuing an original or renewal permit for an ambulance, the Board shall determine that the vehicle for which the permit is issued meets all requirements as to medical equipment and supplies and sanitation as set forth in this article and in the regulations of the Board. Permits issued for ambulances shall be valid for a period specified by the Board, not to exceed one year.

(c) Duly authorized representatives of the Board may issue temporary permits for vehicles not meeting required standards valid for a period not to exceed 60 days, when it determines the public interest will be served thereby.

(d) When a permit has been issued for an ambulance as specified herein, the vehicle for which issued, and records relating to maintenance and operation of such vehicle shall be open to inspection by duly authorized representatives of the Board at all reasonable times.

(e) The issuance of a permit hereunder shall not be construed so as to authorize any person, firm, corporation, or association to provide ambulance services or to operate any ambulances without a franchise in any county or municipality which has enacted an ordinance pursuant to G.S. 153-9 (58) making it unlawful to do so. (1967, c. 343, s. 3.)

§ 130-231. Advisory Committee on Ambulance Service created.—For the purpose of assisting the State Board of Health in developing standards for use in the administration of this article, there is hereby created the Advisory Committee on Ambulance Service. Such Committee shall be composed of nine members, one each designated by the North Carolina Funeral Directors Association, Inc., the Funeral Directors and Morticians Association of North Carolina, Inc., the North Carolina Ambulance Association, Inc., the Medical Society of the State of North Carolina, the North Carolina Hospital Association, the American National Red Cross, the North Carolina State Association of Rescue Squads, Inc., the North Carolina Association of County Commissioners, and the North Carolina League of Municipalities. Each member shall serve at the pleasure of the organization which designated him, and his successor shall be designated in the same manner. The Committee shall choose its own chairman, and shall meet at the call of the chairman or at the call of the State Health Director. (1967, c. 343, s. 3.)

§ 130-232. State Board of Health to adopt standards for equipment; inspection of medical equipment and supplies required for ambulances.—(a) The Board shall adopt regulations specifying sanitation standards for ambulances. (b) Every ambulance shall be equipped with the medical equipment and supplies specified by the "Minimal Equipment List for Ambulances and Dual Purpose Vehicles Serving as Ambulances" as approved by the Committee on Trauma of the American College of Surgeons on January 14, 1961; provided, however, the State Board of Health, with the approval of the Advisory Committee on Ambulance Service, may require additional equipment or supplies to be aboard ambulances or may delete items of medical equipment or supplies from the required Minimal Equipment List adopted herein by reference.

(c) The Board shall inspect medical equipment and supplies required of ambulances when it deems such inspection is necessary and maintain a record thereof. Upon a determination, based upon an inspection, that required medical sup-

plies or equipment fail to meet the requirements of this article or regulations adopted pursuant hereto, the Board shall suspend the permit for the ambulance concerned, until such requirements are met. (1967, c. 343, s. 3.)

Editor's Note.—Section 9, c. 343, Session Laws 1967, provides: "This act shall become effective upon its ratification; provided that compliance with regulations and standards of the State Board of Health

established pursuant to the authority granted by § 3 [§§ 130-230 to 130-235] of this act shall be mandatory only after 90 days following the date of promulgation thereof by the State Board of Health."

§ 130-233. Certified ambulance attendant required.—(a) Every ambulance, except those specifically excluded from the operation of this article, when operated on an emergency mission in this State shall be occupied by at least one person who possesses a valid ambulance attendant's certificate from the Board. This section shall not be construed to require a person other than the driver to be aboard if the driver is properly certified by the Board as an ambulance attendant.

(b) The Board shall adopt regulations setting forth the qualifications required for certification of ambulance attendants. Such regulations shall be effective when approved by the Advisory Committee on Ambulance Service.

(c) Persons desiring certification as ambulance attendants shall apply to the Board using forms prescribed by that agency. Upon receipt of such application the Board shall examine the applicant and if it determines the applicant meets the requirements of its regulations duly adopted pursuant to this article, it shall issue a certificate to the applicant. Ambulance attendant's certificates so issued shall be valid for a period not to exceed two years and may be renewed after reexamination if the holder meets the requirements set forth in the regulations of the Board. The Board is authorized to cancel a certificate so issued at any time it determines that the holder no longer meets the qualifications prescribed for ambulance attendants.

(d) Duly authorized representatives of the Board may issue temporary certificates with or without examination when it finds that such will be in the public interest. Temporary certificates shall be valid for a period not exceeding 90 days. (1967, c. 343, s. 3.)

§ 131-126.18. Definitions.

- (2) “Hospital facility” means any type of hospital, clinic (including mental health clinic), nursing or convalescent facility, or public health center, housing or quarters for local public health departments, including related facilities such as laboratories, out-patient departments, nurses’ home and training facilities, and central service facilities operated in connection with hospitals.

(1965, c. 863, s. 1.)

Editor's Note.—

The 1965 amendment inserted “(including mental health clinic), nursing or convalescent facility” in subdivision (2).

As the rest of the section was not affected by the amendment, it is not set out.

§ 131-126.19. **Purpose and construction of article.**—It is the purpose of this article to confer additional authority upon municipalities for the furnishing of hospital, clinic and similar services to the people of this State, through the construction, operation, and maintenance of hospital facilities and otherwise; and to this end to authorize municipalities to co-operate with other public and private agencies and with each other, and to accept assistance from agencies of this State or the federal government or from other sources. This article shall be liberally construed to effect these purposes.

This article shall be deemed to provide an additional and alternative method for the doing of the things authorized hereby and shall be regarded as supplemental and additional to powers heretofore or hereafter conferred by any other law, including without limitation chapter 122 of the General Statutes, and shall not be regarded as in derogation of or as repealing any powers now existing under any other law, either general, special or local. (1947, c. 933, s. 6; 1965, c. 863, s. 2.)

Editor's Note. — The 1965 amendment added the last paragraph.

§ 131-126.20. General powers of municipalities in the construction, acquisition, operation and maintenance of hospital facilities.

(c) Any municipality may enter into a contract or other arrangement with any other municipality or other public agency of this or any other state or of the United States or with any individual, private organization or nonprofit association for the provision of hospital, clinic, or similar services. Pursuant to such contract or other arrangement, the municipality may pay for such services out of any appropriations or other moneys made available for such purposes. A municipality may lease any hospital facilities to any nonprofit association on such terms and subject to such conditions as will carry out the purposes of this article. Such lease may be for such duration or term of years as the municipality may deem wise and expedient, but no such lease shall be deemed to convey a freehold interest. (1947, c. 933, s. 6; 1967, c. 820.)

Editor's Note. — The 1967 amendment added the last sentence in subsection (c).

As only subsection (c) was changed by the amendment, the rest of the section is not set out.

§ 131-126.21. Board of managers; county hospital authority.

(b) Board of County Commissioners May Establish Hospital Authority in Any County with Membership Representation from Town or City.—The board of county commissioners of any county may elect to establish a county hospital authority which shall be designated by the title or name of: "..... County Hospital Authority," which shall consist of seven members, six of whom shall be appointed by the board of county commissioners and shall be composed of men and women representing the various dominant or primary interests of the county. Two of said members shall be appointed for a term of three years, two for a term of four years and two for a term of five years, and thereafter the term of office of each successor member shall be five years. In making said appointments the board of county commissioners of any county electing to establish a hospital authority under this subsection shall appoint three members of the said authority, who shall be residents of a town or city of said county, and three members who shall be residents of said county, or of cities or towns in said county other than the cities or towns in which the three other members appointed under this subsection reside. The seventh member of said authority shall be a member of the board of county commissioners of said county who shall serve in the capacity of a member at large, and whose term of office shall be commensurate with his term of office as a member of the board of county commissioners, and said member shall serve ex officio and because of his position as a member of the board of county commissioners. All vacancies in the office or position of a member of said hospital authority by death, resignation or otherwise shall be filled by appointments made by the board of county commissioners of said county and shall be for the unexpired term of the member causing said vacancy. Any authority vested in a county by virtue of article 13B of chapter 131 of Volume 3B of the General Statutes or any authority or power that may be exercised by a hospital authority under G.S. 131-98 of article 12 of chapter 131, and as described and granted in said section, may be vested by resolution of the board of county commissioners of such county in the county hospital authority herein authorized, which such power and authority shall be applicable to the whole area of the county, and in addition to the purposes described in the statutes and articles heretofore referred to such power and authority shall also be exercised and delegated for the planning, establishment, construction, maintenance or operation of hospital facilities, clinics, public health centers, housing or quarters for local public health departments and centers, laboratories, outpatient departments and clinics, nurses' home and training facilities, and any and all services, including central service facilities operated in connection with such hospitals, clinics, labora-

tories and other facilities. The said county hospital authority, however, shall exercise only such powers and duties as are prescribed in the resolution of the board of county commissioners granting and vesting such authority and powers in said county hospital authority, and the said board of county commissioners of said county shall fix in said resolution the compensation, travelling and other expenses, if any, which shall be paid to each member of said county hospital authority; provided, however, that the expenses of such planning, establishment, construction or operation of all the hospital facilities named and mentioned in this subsection shall be a responsibility of said county. (1947, c. 933, s. 6; 1955, c. 710, s. 1; c. 1363; 1965, c. 260, s. 1.)

Editor's Note.—

The 1965 amendment struck out the former sixth sentence of subsection (b), making members of county hospital authorities ineligible to succeed themselves. Section 2 of the act provides that it shall not apply to Warren County.

As only subsection (b) was changed by the amendment, the rest of the section is not set out.

§ 131-126.26. **Municipal aid.**—If the governing body of any municipality determines that the public interest and the interests of the municipality will be served by aiding another municipality or municipalities or a nonprofit association or nonprofit associations to provide physical facilities for furnishing hospital, clinic, or similar services to the people of the municipality, such municipality, may render such aid by gift of real or personal property, or lease or loan thereof with or without rental or charge, or by gift of money, or loan thereof with or without interest. For the purpose of raising money to be given or loaned as aforesaid, such municipality shall have power to levy taxes as provided in § 131-126.22 and to issue general obligation bonds as provided in § 131-126.23, as though such taxes were to be levied and such bonds were to be issued to finance hospital facilities owned and operated by the municipality and whether or not such facilities are physically located within the boundaries of the municipality. No bonds shall be issued under this section, however, except for the construction of new buildings, the expansion, remodeling and alteration of existing buildings, and the equipment of buildings, or for one or more of said purposes. For the purpose of applying the provisions of the County Finance Act and the Municipal Finance Act to bonds authorized by this section, the bonds shall be deemed to be bonds issued to finance public buildings owned by the municipality issuing the bonds. The special approval of the General Assembly is hereby given for the levying of the taxes authorized by this section, including taxes sufficient to pay the principal of and the interest on bonds issued under this section. The proceeds of the sale of such bonds may be expended by the municipality that issues them or by the municipality or municipalities or nonprofit association or nonprofit associations in aid of which the bonds are issued, as may be determined by the governing body of the municipality that issued the bonds. If any building for which bonds are issued under this section shall, prior to the final date of maturity of the bonds, cease for 90 days or more to be used for the purpose of furnishing hospital, clinic, or similar services to the people of the municipality that issued the bonds, or ceased to be owned by a municipality or a nonprofit association, the municipality that issued the bonds shall be entitled to recover from the owners of such building, or from their predecessors entitled since the date of the bonds issued for such building, the amount of such bonds remaining outstanding and unpaid. Such right of recovery shall, however, be subordinate to any claim of the United States on account of aid in financing such building. Any municipality that grants aid under this section may require assurance from the grantee that the grantee will furnish hospital, clinic, or similar services during a specified period to the people of the municipality that grants such aid. Such assurance may be given by lease, deed of

trust, mortgage, contract to convey, lien, trust indenture, or other means. (1947, c. 933, s. 6; 1951, c. 1143, s. 1; 1965, c. 863, s. 3.)

Editor's Note.—

Prior to the 1965 amendment the sec-

ond sentence concluded "to finance hospital facilities owned by the municipality."

ARTICLE 13C.

Creation of Hospital Districts with Authority to Issue Bonds and Levy Taxes for Hospital Purposes.

§ 131-126.33. Election for bond issue; method of election; issuance of additional bonds.—Whenever five hundred or more qualified voters residing in such hospital district shall file with the board of county commissioners of the county in which such hospital district is located a petition requesting an election, the board of county commissioners shall order a special election to be held in any such hospital district for the purpose of voting upon the question of issuing bonds and levying a sufficient tax for the payment thereof for the purpose of paying all or a part of the cost of planning and acquiring, establishing, developing, constructing, enlarging, improving or equipping any type of hospital, clinic or public health center, including relating facilities such as laboratories, outpatient departments, nurses' homes and training facilities operated in connection with hospitals and purchasing sites in such district for any one or more of said purposes, including any public or nonprofit hospital facility. In all such elections, the board of county commissioners of such county shall designate the polling place or places, appoint the registrars and judges, and canvass and judicially determine the results of the election upon filing with it of the election returns by the officers holding the election and shall record such determination on their records. The notice of election shall be given by publication at least three times in some newspaper published or circulating in such hospital district. The notice shall state the date of the election, the place or places at which the election will be held, the boundary lines of such hospital district unless the hospital district is coterminous with a township in said county (in which event the notice shall so state), the maximum amount of bonds to be issued, the purpose or purposes for which the bonds are to be issued, and the fact that a sufficient tax will be levied on all taxable property within the hospital district for the payment of the principal and interest of the bonds. The first publication of the notice shall be at least thirty days before the election. A new registration of the qualified voters of such hospital district shall be ordered and notice of such new registration shall be deemed to be sufficiently given by publication once in some newspaper published or circulating in such hospital district at least thirty days before the close of the registration books. This notice of registration may be considered one of three notices required of the election. Such published notice of registration shall state the days on which the books will be open for registration of the voters and the place or places at which they will be open on Saturdays. The books of such new registration shall close on the second Saturday before the election. The Saturday before the election shall be challenge day; and except as otherwise provided in this article, such election shall be held in accordance with the laws governing the general elections. The form of the question, as stated on the ballot or ballots, shall be in substantially the words: "For the issuance of \$ Hospital Bonds and the levying of a sufficient tax for the payment thereof", and "Against the issuance of \$ Hospital Bonds and the levying of a sufficient tax for the payment thereof", with squares in front of each proposition, in one of which squares the voter may make

a cross (X) mark; but any other form of ballot properly stating the question to be voted upon shall be construed as being in compliance with this section.

If, after any hospital district shall have been created as authorized by this article, a petition signed by at least 500 of the qualified voters residing in such hospital district shall be filed with the board of county commissioners of the county in which such hospital district is located representing that the issuance of additional bonds on behalf of such hospital district is necessary for any one or more of the purposes provided in this article, the board of county commissioners of the county shall order a special election to be held in such hospital district for the purpose of voting upon the question of issuing bonds for the purpose or purposes set forth in such petition and levying a sufficient tax for the payment thereof. The other provisions of this article relating to the ordering and holding of an election, giving of notice, and making, canvassing and passing upon the returns of such election, and relating to the determination, declaration and publication of the results of the election, and to the issuing of bonds, and levying taxes to pay the principal thereof and the interest thereon, shall be followed and shall apply to the issuance of such bonds as nearly as the same can be made adaptable and applicable thereto. (1949, c. 766, s. 5; 1953, c. 1045, s. 3; 1967, c. 718, s. 1.)

Editor's Note.—

The 1967 amendment added the second paragraph.

§ 131-126.34. Canvassing vote and determining results. — At the close of the polls, the election officers shall count the votes and make returns thereof to the board of county commissioners, which board shall, as soon as practicable after the election, judicially pass upon the returns and judicially determine and declare the results of such election, which determination shall be spread upon the minutes of said board. The returns shall be made in duplicate, one copy of which shall be delivered to the board of county commissioners as aforesaid and the other filed with the clerk of the superior court of the county in which the hospital district is situated. The board of county commissioners shall prepare a statement showing the number of votes cast for and against the bonds, and declaring the result of the election, which statement shall be signed by the chairman of the board and attested by the clerk, who shall record it in the minutes of the board and file the original in his office and publish it once in a newspaper published or circulating in such hospital district. (1949, c. 766, s. 5; 1967, c. 718, s. 2.)

Editor's Note.—The 1967 amendment deleted "and/or notes" following the word "bonds" in the last sentence.

§ 131-126.36. Issuance of bonds and levy of taxes; bond anticipation notes.—If a majority of the votes cast shall be in favor of the issuance of such bonds and the levy of such tax, then the board of county commissioners may provide by resolution, which resolution may be finally passed at the same meeting at which it is introduced, for the issuance of such bonds, which bonds shall be issued in the name of the hospital district and shall be payable exclusively out of taxes to be levied in such hospital district. They shall be issued in such form and denominations, and with such provisions as to the time, place and medium of payment of principal and interest as the said board of county commissioners may determine, subject to the limitations and restrictions of this article. They may be issued as one issue, or divided into two or more separate issues, and in either case may be issued at one time or in blocks from time to time within five years after the date of the election held on the question of issuing such bonds. When bonds are to be issued, they shall be serial bonds and each issue thereof shall so mature that the aggregate principal amount of the issue shall be payable in annual installments or series, beginning not more than three years after the date of the bonds of such issue and ending not more than thirty years after such date. No

such installment shall be more than two and one-half times as great in amount as the smallest prior installment of the same bond issue. The bonds shall bear interest at a rate not exceeding six percent (6%) per annum, payable semiannually, and may have interest coupons attached, and may be made registerable as to principal or as to both principal and interest under such terms and conditions as may be prescribed by said board. They shall be signed by the chairman of the board of county commissioners, and the seal of the county shall be affixed to or impressed upon each bond and attested by the register of deeds of the county or by the clerk of said board; and the interest coupons shall bear the printed, lithographed or facsimile signature of such chairman. The delivery of bonds, signed as aforesaid by officers in office at the time of such signing, shall be valid, notwithstanding any changes in office occurring after such signing.

At any time after the issuance of bonds has been approved at an election, a hospital district may borrow money for the purposes for which the bonds are to be issued, in anticipation of the receipt of the proceeds of the sale of bonds, and within the maximum authorized amount of the bond issue. Such loans shall be paid not later than five years after the date of the election. The board of county commissioners may, in its discretion, retire any such loans by means of current revenues or other funds, lawfully available therefor, in lieu of retiring them by means of bonds; provided, however, that the actual retirement of any such loans by any means other than the issuance of bonds, shall reduce the authorized amount of the bond issue by the amount of the loan so retired. Negotiable bond anticipation notes shall be issued for all moneys so borrowed, and the resolution authorizing the issuance of such notes shall take effect upon its passage, and need not be published. Such bond anticipation notes may be renewed from time to time for the payment of any indebtedness evidenced thereby, but all such bond anticipation notes shall mature within the time limited by this section for the payment of the original loan. No money shall be borrowed under this section at a rate of interest exceeding the maximum rate permitted by law. Said bond anticipation notes may be disposed of by public or private negotiations as provided in the Local Government Act. The issuance of such bond anticipation notes shall be authorized by resolution of the board of county commissioners, which shall fix the actual or maximum face amount of the bond anticipation notes and the actual or maximum rate of interest to be paid upon the amount borrowed. The board of county commissioners may delegate to any officer the power to fix such face amount and rate of interest within the limitations prescribed by such resolution, and the power to dispose of such bond anticipation notes. All such bond anticipation notes shall be executed in the manner provided in this section for the execution of bonds. They shall be submitted to and approved by the attorney for the hospital district before they are issued, and his written approval endorsed on the notes. (1949, c. 766, s. 5; 1953, c. 1045, s. 5; 1967, c. 718, ss. 3, 4.)

Editor's Note.—

The 1967 amendment added "within five years after the date of the election

held on the question of issuing such bonds" at the end of the third sentence and added the second paragraph.

§ 131-126.37. Collection and application of tax.—The board of county commissioners is hereby authorized and directed to levy annually a special tax, ad valorem, on all taxable property in the hospital district in which the election was held, sufficient to pay the principal and interest of the bonds and bond anticipation notes as such principal and interest become due. Such special tax shall be in addition to all other taxes authorized to be levied in such district or in such unit. The taxes provided for in this section shall be collected by the county officer collecting other taxes and be applied solely to the payment of principal and interest of such bonds and bond anticipation notes. - (10) "Employee" shall mean all full-time employees, agents or officers of the State of North Carolina or any of its departments, bureaus and institutions other than educational, whether such employees are elected, appointed or employed: Provided, that the term "employee" shall not include any justice of the Supreme Court, any judge of the superior court, or any part-time or temporary employee. In all cases of doubt, the board of trustees shall determine whether any person is an employee as defined in this chapter. "Employee" shall also mean every full-time civilian employee of the army national guard and air national guard of this State who is employed pursuant to section 709 of Title 32 of the United States Code and paid from federal appropriated funds, but held by the federal authorities not to be a federal employee: Provided, however, that the authority or agency paying the salaries of such employees shall deduct or cause to be deducted from each employee's salary the employee's contribution in accordance with applicable provisions of G.S. 135-8 and remit the same, either directly or indirectly, to the Retirement System; coverage of employees described in this sentence shall commence upon the first day of the calendar year or fiscal year, whichever is earlier, next following the date of execution of an agreement between the Secretary of Defense of the United States and the Adjutant General of the State acting for the Governor in behalf of the State, but no credit shall be allowed pursuant to this sentence for any service previously rendered in the above-described capacity as a civilian employee of the national guard: Provided, further, that the Adjutant General, in his discretion, may terminate the retirement system coverage of the above-described national guard employees if a federal Retirement System is established for such employees and the Adjutant General elects to secure coverage of such employees under such federal Retirement System.

Editor's Note.—

The second 1965 amendment, effective July 1, 1965, added "or any part-time or temporary employee" at the end of the first sentence of subdivision (10), in the same subdivision inserted the present second sentence, and added the proviso at the end of the first sentence of subdivision (25).

As only subdivisions (10) and (25) were changed by the amendments, the rest of the section is not set out.

"Secretary of the Board of Trustees" to Mean "Director."—Section 1 of c. 780, Session Laws 1965, provides that reference in any statute to the secretary of the board of trustees of the Teachers' and State Employees' Retirement System shall be deemed to be a reference to the director of such Retirement System.

§ 135-3. Membership.

- (1) All persons who shall become teachers or state employees after the date as of which the Retirement System is established. On and after July 1, 1947, membership in the Retirement System shall begin ninety days after the election, appointment or employment of a "teacher or employee" as the terms are defined in this chapter. On and after July 1, 1955, membership in the Retirement System shall begin immediately upon the election, appointment or employment of a "teacher or employee," as the terms are defined in this chapter. Provided, that every person who is employed by the State as a State highway patrolman or other law enforcement officer as defined in G.S. 143-166 (m) shall automatically become a member of the Teachers' and State Employees' Retirement System unless such person shall, within fifteen days after his employment, become a member of the Law Enforcement Officers' Benefit and Retirement Fund, in which event such person shall not be entitled to membership in the Teachers' and State Employees' Retirement System; provided, that any such State employee who joins said fund and is later transferred to a position other than one described in G.S. 143-166 (m) shall be enrolled in the Teachers' and State Employees' Retirement System and in addition thereto be entitled to transfer to this Retirement System his contributions in lump sum and credits for membership and prior service standing to his credit in the Law Enforcement Officers' Benefit and Retirement Fund. Upon request for transfer of such credits, the State's employer contributions shall also be paid to the Teachers' and State Employees' Retirement System by the executive secretary of the Law Enforcement Officers' Benefit and Retirement Fund. This right shall apply retroactively in the case of any member who heretofore has transferred to nonlaw enforcement duties. Under such rules and regulations as the board of trustees may establish and promulgate, Co-operative Agricultural Extension Service employees may, in the discretion of the governing authority of a county, become members of the Teachers' and State Employees' Retirement System to the extent of that part of their compensation derived from a county. On and after July 1, 1965, new extension service employees in the employ of a county participating in the Local Governmental Employees' Retirement System are hereby excluded from participation in the Teachers' and State Employees' Retirement System to the extent of that part of their compensation derived from a county; provided that on and after July 1, 1965, new extension service employees who are required to accept a federal Civil Service appointment may elect in writing, on a form acceptable to the Retirement System, to be excluded from the Teachers' and State Employees' Retirement System and the Local Retirement System.
- (3) Should any member in any period of six consecutive years after becoming a member be absent from service more than five years, or should he

withdraw his accumulated contributions, or should he become a beneficiary or die, he shall thereupon cease to be a member: Provided that on and after July 1, 1967, should any member in any period of eight consecutive years after becoming a member be absent from service more than seven years, or should he withdraw his accumulated contributions, or should he become a beneficiary or die, he shall thereupon cease to be a member; provided further that the period of absence from service shall be computed from January 1, 1962, or later date of separation for any member whose contributions were not withdrawn prior to July 1, 1967.

- (5) Any teacher or State employee whose membership is contingent on his own election and who elects not to become a member may thereafter apply for and be admitted to membership; but no such teacher or State employee shall receive prior service credit unless he elected to become a member prior to July 1, 1946. Any such member on or after June 30, 1965, anything in this chapter to the contrary, may deposit in the annuity savings fund by a single payment the contributions plus interest which would have been credited to his account had he not signed a nonelection blank on or before January 1, 1942, and be entitled to such membership service credits and any prior service credits which became void upon execution of such nonelection blank; provided that the employer will pay the appropriate matching contributions.
- (6) Any person who became, or becomes, a "teacher or employee" after attaining age 60, as the terms are defined in this chapter, may be a member of the Retirement System effective the date of reentering service by signing the proper enrollment forms as specified by the trustees and by paying contributions at the current rate, plus interest, if any.
- (8) The provisions of this subdivision (8) shall apply to any member whose membership is terminated on or after July 1, 1963 and who becomes entitled to benefits hereunder in accordance with the provisions hereof.

- a. Notwithstanding any other provision of this chapter, any member who separates from service prior to the attainment of the age of sixty years for any reason other than death or retirement for disability as provided in § 135-5, subsection (c), after completing 15 or more years of creditable service, and who leaves his total accumulated contributions in said System shall have the right to retire on a deferred retirement allowance upon attaining the age of sixty years; provided that such member may retire only upon written application to the board of trustees setting forth at what time, not less than thirty (30) days nor more than ninety (90) days subsequent to the execution and filing thereof, he desires to be retired; and further provided that in the case of a member who so separates from service on or after July 1, 1967, or whose account is active on July 1, 1967, or has not withdrawn his contributions, the afore-stated requirement of 15 or more years of creditable service shall be reduced to 12 or more years of creditable service. Such deferred retirement allowance shall be computed in accordance with the provisions of § 135-5, subsection (b1); provided that such benefits will be computed in accordance with subsection (b2) on and after July 1, 1967. Notwithstanding the foregoing, any member whose services as a teacher or employee are terminated for any reason other than retirement, who be-

- comes employed by a nonprofit, nonsectarian private school in North Carolina below the college level within one year after such teacher or employee has ceased to be a teacher or employee, may elect to leave his total accumulated contributions in the Teachers' and State Employees' Retirement System during the period he is in the employment of such employer; provided that he files notice thereof in writing with the board of trustees of the Retirement System within five years after separation from service as a public school teacher or State employee; such member shall be deemed to have met the requirements of the above provisions of this subdivision upon attainment of age sixty while in such employment.
- b. In lieu of the benefits provided in paragraph a of this subdivision (8), any member who separates from service on or after July 1, 1963 and prior to the attainment of the age of sixty years, for any reason other than death or retirement for disability as provided in § 135-5, subsection (c), after completing 20 or more years of creditable service and after attaining the age of fifty years, and who leaves his total accumulated contributions in said System, may elect to retire on an early retirement allowance; provided that such member may so retire only upon written application to the board of trustees setting forth at what time, not less than thirty (30) days nor more than ninety (90) days subsequent to the execution and filing thereof, he desires to be retired. Such early retirement allowance so elected shall be the actuarial equivalent of the deferred retirement allowance otherwise payable at the attainment of the age of sixty years upon proper application therefor.
- c. The provisions of paragraph d of the preceding subdivision (7) shall apply equally to this subdivision (8). (1941, c. 25, s. 3; 1945, c. 799; 1947, c. 414; c. 457, ss. 1, 2; c. 458, s. 5; c. 464, s. 2; 1949, c. 1056, s. 1; 1951, c. 561; 1955, c. 1155, s. 9½; 1961, c. 516, ss. 1, 2; 1963, c. 687, s. 2; 1965, c. 780, s. 1; c. 1187; 1967, c. 720, ss. 1, 2, 15; c. 1234.)

Editor's Note.—

The first 1965 amendment, effective July 1, 1965, added the last sentence in subdivisions (1) and (5), respectively. The second 1965 amendment, effective July 1, 1965, added the last sentence in paragraph a of subdivision (8).

The first 1967 amendment, effective July 1, 1967, added the provisos to subdivision (3), deleted the former second sentence of the opening paragraph of subdivision

(8), and added the second proviso to the first sentence and the proviso at the end of the second sentence of paragraph a and deleted the former second proviso to the first sentence of paragraph b of subdivision (8).

The second 1967 amendment rewrote subdivision (6).

As the rest of the section was not affected by the amendments, it is not set out.

§ 135-4. Creditable service.—(a) Under such rules and regulations as the board of trustees shall adopt, each member who was a teacher or State employee at any time during the five years immediately preceding the establishment of the System and who became a member prior to July 1, 1946 shall file a detailed statement of all North Carolina service as a teacher or State employee rendered by him prior to the date of establishment for which he claims credit; provided, that, notwithstanding the foregoing, any member retiring on or after July 1, 1965 with credit for not less than ten years of membership service shall file such detailed statement of service as a teacher or State employee rendered by him prior to July 1, 1941, for which he claims credit; provided, that any person who is a member of the Teachers' and State Employees' Retirement System on July 1, 1963 and who was previously employed by a participating unit of the North Caro-

lina Local Governmental Employees' Retirement System and who terminated his service with such unit prior to its participation in the North Carolina Local Governmental Employees' Retirement System shall file a detailed statement of all service to such political entity. Certification of such service shall be furnished to the Teachers' and State Employees' Retirement System.

(e) Creditable service at retirement on which the retirement allowance of a member shall be based shall consist of the membership service rendered by him since he last became a member, and also if he has a prior service certificate which is in full force and effect, the amount of service certified on his prior service certificate; and if he has sick leave standing to his credit upon retirement on or after July 1, 1967, one month of credit for each 20 days or portion thereof, but sick leave shall not be counted in computing creditable service for the purposes of G.S. 135-3 (8) a.

(f) Teachers and other State employees who entered the armed services of the United States on or after September sixteenth, one thousand nine hundred and forty, and prior to February seventeenth, one thousand nine hundred and forty-one and who returned to the service of the State within a period of two years after they have been honorably discharged from the armed services of the United States, shall be entitled to full credit for all prior service. Teachers and other State employees who entered the armed services of the United States on or after September 16, 1940, and who returned to the service of the State prior to October 1, 1952, or who devote not less than ten years of service to the State, after they have been honorably discharged from such armed services shall be entitled to full credit for all prior service, and, in addition, they shall receive membership service credit for the period of service in such armed services occurring after the date of establishment. Teachers and other State employees who enter the armed services of the United States on or after July 1, 1950, or who engage in active military service on or after July 1, 1950, and who return to the service of the State within a period of two years after being separated or released, or becoming entitled to be separated or released, from such active military service under other than dishonorable conditions shall be entitled to full membership service credit for the period of such active service in the armed services. Under such rules as the board of trustees shall adopt, credit will be provided by the Retirement System with respect to each such teacher or other State employee in the amounts that he would have been paid during such service in such armed services on the basis of his earnable compensation when such service commenced. Such contributions shall be credited to the individual account of the member in the annuity savings fund, in such manner as the board of trustees shall determine, but any such contributions so credited and any regular interest thereon shall be available to the member only in the form of an annuity, or benefit in lieu thereof, upon his retirement on a service, disability or special retirement allowance; and in the event of cessation of membership or death prior thereto, any such contributions so credited and regular interest thereon shall not be payable to him or on his account, but shall be transferred from the annuity savings fund to the pension accumulation fund. If any payments were made by a member on account of such service as provided by subdivision (5) of subsection (b) of § 135-8, the board of trustees shall refund to or reimburse such member for such payments. The provisions of this subsection shall also apply to members of the national guard with respect to teachers and State employees who are called into federal service or who are called into State service, to the extent that such persons fail to receive compensation for performance of the duties of their employment other than for service in the national guard.

- (1) If the member's service retirement date occurs on or after his 65th birthday, such allowance shall be equal to the sum of (i) one per centum (1%) of the portion of his average final compensation not in excess of forty-eight hundred dollars (\$4800.00) plus one and one half per centum (1½%) of the portion of such compensation in excess of forty-eight hundred dollars (\$4800.00), multiplied by the number of years of his creditable service rendered prior to January 1, 1966 and (ii) one per centum (1%) of the portion of his average final compensation not in excess of fifty-six hundred dollars (\$5600.00) plus one and one half per centum (1½%) of the portion of such compensation in excess of fifty-six hundred dollars (\$5600.00), multiplied by the number of years of his creditable service rendered after January 1, 1966.
- (2) If the member's service retirement date occurs before his 65th birthday, his service retirement allowance shall be computed as in (1) above, but shall be reduced by five-twelfths of one percent (5/12 of 1%) thereof for each month by which his retirement date precedes the first day of the month coincident with or next following his 65th birthday.
- (3) Notwithstanding the foregoing provisions, any member whose creditable service commenced prior to July 1, 1963 shall receive not less than the benefit provided by G.S. 135-5 (b).

(b2) Service Retirement Allowances of Members Retiring on or after July 1, 1967.—Upon retirement from service, in accordance with subsection (a) above, on or after July 1, 1967, a member shall receive a service retirement allowance computed as follows:

- (2) If the member's service retirement date occurs before his 65th birthday, his service retirement allowance shall be computed as in (1) above, but shall be reduced by one third of one percent (⅓ of 1%) thereof for each month by which his retirement date precedes the first day of the month coincident with or next following his 65th birthday.
- (3) Notwithstanding the foregoing provisions, any member whose creditable service commenced prior to July 1, 1963 shall receive not less than the benefit provided by G.S. 135-5 (b).

(c) Disability Retirement Benefits.—Upon the application of a member in service or of his employer, any member who has had ten or more years of creditable service may be retired by the board of trustees, not less than thirty and not more than ninety days next following the date of filing such application, on a disability retirement allowance: Provided that the medical board, after a medical examination of such member, shall certify that such member is mentally or physically in-

capacitated for the further performance of duty, that such incapacity is likely to be permanent, and that such member should be retired.

Supplemental disability benefits heretofore provided are hereby made a permanent part of disability benefits after age 65, and shall not be discontinued at age 65.

(f) Return of Accumulated Contributions.—Should a member cease to be a teacher or State employee except by death or retirement under the provisions of this chapter, he shall be paid upon his request the sum of his contributions and one half of the accumulated regular interest thereon. Provided that, if the member at the time of separation from service shall have attained the age of sixty years or is otherwise entitled to a retirement allowance under this chapter, he shall be paid the amount of his accumulated contributions plus the full amount of his accumulated regular interest thereon. Upon payment of such sum his membership in the System shall cease and, if he thereafter again becomes a member, no credit shall be allowed for any service previously rendered; and such payment shall be in full and complete discharge of any rights in or to any benefits otherwise payable hereunder. Upon receipt of proof satisfactory to the board of trustees of the death, prior to retirement, of a member or former member there shall be paid to such person or persons as he shall have nominated by written designation duly acknowledged and filed with the board of trustees, if such person or persons are living at the time of the member's death, otherwise to the member's legal representatives, the amount of his accumulated contributions at the time of his death. Notwithstanding any other provision of chapter 135, there shall be deducted from any amount otherwise payable hereunder any amount due any agency or subdivision of the State by the member by reason of any outstanding overpayment of salary or by reason of the embezzlement of fees collected by the member for any agency or subdivision of the State; provided that, notwithstanding any other provisions of this chapter, even if the member fails to demand the return of his accumulated contributions within ninety days from the day he ceases to be a teacher or State employee, any amount due such agency or subdivision by reason of any outstanding overpayment of salary or embezzlement of fees shall be paid to such agency or subdivision by the Retirement System upon demand; provided, further, that such agency or subdivision shall have notified the executive director of any amount so due and that the Retirement System shall have no liability for amounts so deducted and transmitted to such agency or subdivision nor for any failure by the Retirement System for any reason to make such deductions.

(g) Election of Optional Allowance.—With the provision that until the first payment on account of any benefit becomes normally due, or his first retirement check has been cashed, any member may elect to receive his benefits in a retirement allowance payable throughout life, or he may elect to receive the actuarial equivalent of such retirement allowance in a reduced allowance payable throughout life under the provisions of one of the options set forth below: Provided further, that an optional election may be made after attainment of age 60 without establishment of a date of retirement; and further provided that, on or after July 1, 1967, said optional election may be made after attainment of age 55 or after completion of 30 years of creditable service, without establishment of a date of retirement. Such election will be effective 30 days after execution and filing thereof with the Retirement System. The election of Option two or Option three or nomination of the person thereunder shall be revoked if such person nominated dies prior to the date the first payment becomes normally due or until the first retirement check has been cashed. Such election may be revoked by the member prior to the date the first payment becomes normally due or until his first retirement check has been cashed. Any member dying in service after his optional election has become effective shall be presumed to have retired on the first day of the month following the date of death.

Option 1. (a) In the Case of a Member Who Retires Prior to July 1, 1963.—11

he dies before he has received in annuity payments the present value of his annuity as it was at the time of his retirement, the balance shall be paid to his legal representatives or to such person as he shall nominate by written designation duly acknowledged and filed with the board of trustees.

(b) In the Case of a Member Who Retires on or after July 1, 1963.—If he dies within ten (10) years from his retirement date, an amount equal to his accumulated contributions at retirement, less 1/120th thereof for each month for which he has received a retirement allowance payment, shall be paid to his legal representatives or to such person as he shall nominate by written designation duly acknowledged and filed with the board of trustees; or

Option 2. Upon his death his reduced retirement allowance shall be continued throughout the life of and paid to such person as he shall nominate by written designation duly acknowledged and filed with the board of trustees at the time of his retirement; or

Option 3. Upon his death, one half of his reduced retirement allowance shall be continued throughout the life of, and paid to such person as he shall nominate by written designation duly acknowledged and filed with the board of trustees at the time of his retirement; or

Option 4. Adjustment of Retirement Allowance for Social Security Benefits.—Until the first payment on account of any benefit becomes normally due, any member may elect to convert his benefit otherwise payable on his account after retirement into a retirement allowance of equivalent actuarial value of such amount that with his benefit under Title II of the Federal Social Security Act, he will receive, so far as possible, approximately the same amount per year before and after the earliest age at which he becomes eligible, upon application therefor, to receive a Social Security benefit. A member who makes an election in accordance with this option shall be deemed to have made a further election of Option 1 above.

Option 5. The member may elect to receive a reduced retirement allowance during his life, with some other benefit payable after his death; provided that the benefit shall be approved by the board of trustees.

(k) Increase in Benefits to Those Persons Who Were in Receipt of Benefits Prior to July 1, 1967.—From and after July 1, 1967, the monthly benefits to or on account of persons who commenced receiving benefits from the System prior to July 1, 1967, shall be increased by a percentage thereof. Such percentage shall be determined in accordance with the following schedule:

Period in Which Benefits Commenced	Percentage
January 1, 1966, to June 30, 1967	5%
Year 1965	6%
Year 1964	7%
Year 1963	8%
and so on concluding with	
Year 1942	29%

The minimum increase pursuant to this subsection (k) shall be ten dollars (\$10.00) per month; provided that, if an optional benefit has been elected, said minimum shall be reduced actuarially as determined by the board and shall be applicable to the retired member, if surviving, otherwise to his designated beneficiary under the option elected.

(l) Death Benefit.—Upon receipt of proof, satisfactory to the board of trustees, of the death, in service, of a member who had completed at least one full calendar year of membership in the System, there shall be paid to such person as he shall have nominated by written designation duly acknowledged and filed with the board of trustees, if such person is living at the time of the member's death, otherwise to the member's legal representatives, a death benefit equal to the compensation earned by the member during the calendar year preceding the year in which his death occurs but not to exceed the sum of fifteen thousand dollars

(\$15,000.00). Such death benefit shall be payable apart and separate from the payment of the member's accumulated contributions on his death pursuant to the provisions of subsection (f) of this § 135-5. For purposes of this subsection (1), a member shall be deemed to be in service at the date of his death if his last day of actual service occurred not more than 90 days before the date of his death; provided that he shall not have retired or applied for a refund of contributions.

The death benefit provided in this subsection (1) shall not be payable, notwithstanding the member's compliance with all the conditions set forth in the preceding paragraph, if his death occurs

- (1) After December 31, 1968 and after he has attained age 70; or
- (2) After December 31, 1969 and after he has attained age 69; or
- (3) After December 31, 1970 and after he has attained age 68; or
- (4) After December 31, 1971 and after he has attained age 67; or
- (5) After December 31, 1972 and after he has attained age 66; or
- (6) After December 31, 1973 and after he has attained age 65.

Notwithstanding the above provisions, the board of trustees may and is specifically authorized to purchase a contract or contracts of group life insurance with any life insurance company or companies licensed and authorized to transact business in this State for the purpose of insuring the lives of members in service, which policy contract or contracts shall provide death benefits upon the life of each member according to the terms and conditions otherwise appearing in this subsection. To that end the board of trustees is authorized and empowered to investigate the feasibility of utilizing group life insurance for the purpose of providing a death benefit for members comparable to the death benefits provided for herein.

(m) The provisions of this section as to the time of giving of notice of retirement shall be construed to be mandatory and not directory.

Editor's Note.—

The 1965 amendment, effective July 1, 1965, rewrote subdivision (1) of subsection (b1), the fourth sentence of subsection (f), and the first paragraph of subsection (g).

The first 1967 amendment, effective July 1, 1967, inserted, in the opening paragraph of subsection (b1), "but prior to July 1, 1967," inserted subsection (b2), added the second paragraph of subsection (c), substituted "of one of the options set forth below" for "set forth in Options one, two, three, or four below" and added the second proviso in the first sentence of subsection (g), added Option 5 to subsection (g), inserted present subsections (k) and (l) and redesignated former sub-

sections (k) and (l) as (m) and (n), respectively.

The second 1967 amendment, effective July 1, 1967, added subdivision (3) at the end of subsection (b2).

Only the subsections added or changed by the amendments are set out.

"Secretary of the Board of Trustees" to mean "Director."—Section 1 of c. 780, Session Laws 1965, provides that reference in any statute to the secretary of the board of trustees of the Teachers' and State Employees' Retirement System shall be deemed to be a reference to the director of such Retirement System. Accordingly, "director" has been substituted for "secretary" in the last proviso in subsection (f).

§ 135-6. Administration.

(g) Officers and Other Employees; Salaries and Expenses.—The State Treasurer shall be ex officio chairman of the board of trustees. The board of trustees shall, by a majority vote of all the members, appoint a director, who may be, but need not be, one of its members. The salary of the director shall be fixed by the Governor subject to the approval of the Advisory Budget Commission. The board of trustees shall engage such actuarial and other service as shall be required to transact the business of the Retirement System. The compensation of all persons, other than the director, engaged by the board of trustees, and all other expenses of the board necessary for the operation of the Retirement System, shall be paid at such rates and in such amounts as the board of trustees shall approve, subject to the approval of the Director of the Budget.

(k) Medical Board.—The board of trustees shall designate a medical board to be composed of not less than three nor more than five physicians not eligible to participate in the Retirement System. If required, other physicians may be employed to report on special cases. The medical board shall arrange for and pass upon all medical examinations required under the provisions of this chapter, and shall investigate all essential statements and certificates by or on behalf of a member in connection with an application for disability retirement, and shall report in writing to the board of trustees its conclusion and recommendations upon all the matters referred to it.

(1965, c. 780, s. 1.)

Editor's Note.—

The 1965 amendment, effective July 1, 1965, substituted "director" for "secretary" in the second sentence of subsection (g) and "not less than three nor more than five" for "three" in the first sentence of subsection (k).

As the rest of the section was not affected by the amendment, it is not set out.

"Secretary of the Board of Trustees" to

Mean "Director."—Section 1 of c. 780, Session Laws 1965, provides that reference in any statute to the secretary of the board of trustees of the Teachers' and State Employees' Retirement System shall be deemed to be a reference to the director of such Retirement System. Accordingly, "director" has been substituted for "secretary" in the third and fifth sentences of subsection (g).

§ 135-7. Management of funds.—(a) Management and Investment of Funds.—The board of trustees shall be the trustee of the several funds created by this chapter as provided in G.S. 135-8, and shall have full power to invest and reinvest such funds in any of the following:

- (1) Obligations of the United States or obligations fully guaranteed both as to principal and interest by the United States;
- (2) Obligations of the Federal Intermediate Credit Banks, Federal Home Loan Banks, Federal National Mortgage Association, Banks for Cooperatives, Federal Land Bank, International Bank for Reconstruction and Development, and Inter-American Development Bank;
- (3) Obligations of the State of North Carolina;
- (4) General obligations of other states of the United States;
- (5) General obligations of cities, counties and special districts in North Carolina;
- (6) Obligations of any corporation within the United States if such obligations bear either of the three highest ratings of at least two nationally recognized rating services; and
- (7) Notes secured by mortgages on real estate located within the State of North Carolina and insured by the Federal Housing Commissioner, or his successor or assigns, or in debentures issued by such Commissioner, which are guaranteed as to principal and interest by the United States or by the Federal Housing Administration, an agency of the United States government, or by some other agency of the United States government.

- (8) Shares of any building and loan association organized under the laws of this State or of any federal savings and loan association having its principal office in this State, to the extent that such investment is insured by the federal government or an agency thereof.

Subject to the limitations set forth above, said trustees shall have full power to hold, purchase, sell, assign, transfer and dispose of any of the securities and investments in which any of the funds created herein shall have been invested, as well as the proceeds of said investments and any moneys belonging to said funds.

In order to carry out the duties and exercise the powers imposed and granted by this section, the board of trustees is specifically authorized to retain the services of a reputable investment counseling firm.

(c) Custodian of Funds; Disbursements; Bond of Director.—The State Treasurer shall be the custodian of the several funds. All payments from said funds shall be made by him only upon vouchers signed by two persons designated by the board of trustees. The director of the board of trustees shall furnish said board a surety bond in a company authorized to do business in North Carolina in such an amount as shall be required by the board, the premium to be paid from the expense fund.

(1965, c. 780, s. 1; 1967, c. 720, s. 11; c. 1205.)

Editor's Note.—

The first 1967 amendment, effective July 1, 1967, added the International Bank for Reconstruction and Development and the Inter-American Development Bank to the list of banks in subdivision (2) of subsection (a).

The second 1967 amendment, effective July 1, 1967, added the last paragraph of subsection (a).

“Secretary of the Board of Trustees” to Mean “Director.”—Section 1 of c. 780, Ses-

sion Laws 1965, provides that reference in any statute to the secretary of the board of trustees of the Teachers' and State Employees' Retirement System shall be deemed to be a reference to the director of such Retirement System. Accordingly “director” has been substituted for “secretary” in subsection (c).

Only Part of Section Set Out.—Only the subsections affected by the 1965 and 1967 Session Laws are set out.

§ 135-7.2. Authority to invest in certain common and preferred stocks.

- (8) That the total value of common and preferred stocks shall not exceed fifteen per centum of the total value of all invested funds of the Retirement System; provided, further:

- a. Not more than one and one-half per centum of the total value of such funds shall be invested in the stock of a single corporation, and provided further;
- b. The total number of shares in a single corporation shall not exceed eight per centum of the issued and outstanding stock of such corporation, and provided further;
- c. As used in this subdivision (8), value shall consist of the par value or unpaid balance of all unmatured or unpaid investments requiring the payment of a fixed amount at payment date and the cost price of all other investments.

(1965, c. 415, s. 1.)

Editor's Note.—

The 1965 amendment, effective July 1, 1965, substituted “fifteen per centum” for “ten per centum” near the beginning of subdivision (8), deleted former paragraph c of that subdivision providing that not more than 1½% of the total value of such

funds should be invested in stocks during any year, and designated former paragraph d as paragraph c.

As only subdivision (8) was changed by the amendment, the rest of the section is not set out.

§ 135-8. Method of financing.

(b) Annuity Savings Fund.—The annuity savings fund shall be a fund in which shall be accumulated contributions from the compensation of members to provide for their annuities. Contributions to and payments from the annuity savings fund shall be made as follows:

- (1) Prior to the first day of July, 1947, each employer shall cause to be deducted from the salary of each member on each and every payroll of such employer for each and every payroll period four per centum (4%) of his actual compensation; and the employer also shall deduct four per centum (4%) of any compensation received by any member for teaching in public schools, or in any of the institutions, agencies or departments of the State from salaries other than the appropriations from the State of North Carolina. On and after such date the rate so deducted shall be five per centum (5%) of actual compensation except that, with respect to each member who is eligible for coverage under the Social Security Act in accordance with the agreement entered into during 1955 in accordance with the provisions of article 2 of chapter 135 of Volume 3B of the General Statutes, as amended, and with respect to members covered under G.S. 135-27, with such coverage retroactive to January 1, 1955, such deduction shall, commencing with the first day of the period of service with respect to which such agreement is effective, be at the rate of three per centum (3%) of the part of his actual compensation not in excess of the amount taxable to him under the Federal Insurance Contributions Act as from time to time in effect plus five per centum (5%) of the part of his earnable compensation not so taxable; provided that in the case of any member so eligible and receiving compensation from two or more employers such deductions may be adjusted under such rules as the board of trustees may establish so as to be as nearly equivalent as practicable to the deductions which would have been made had the member received all of such compensation from one employer. Notwithstanding the foregoing, the board of trustees may in its discretion cause such portion as it may determine of deductions made between January 1, 1955 and December 1, 1955, to be transferred into the contribution fund established under G.S. 135-24; such amounts so transferred shall in that event be deemed to be taxes contributed by employees as required under article 2, chapter 135 of Volume 3B of the General Statutes as amended, and shall be in lieu of contributions otherwise payable in the same amount as so required.

Notwithstanding the foregoing, effective July 1, 1963, with respect to the period of service commencing on July 1, 1963 and ending December 31, 1965 the rates of such deduction shall be four per centum (4%) of the portion of compensation not in excess of forty-eight hundred dollars (\$4800.00) and six per centum (6%) of the portion of compensation in excess of forty-eight hundred dollars (\$4800.00); and with respect to the period of service commencing January 1, 1966, and ending June 30, 1967, the rate of such deductions shall be four per centum (4%) of the portion of compensation not in excess of fifty-six hundred dollars (\$5600.00) and six per centum (6%) of the portion of compensation in excess of fifty-six hundred dollars (\$5600.00); and with respect to the period of service commencing July 1, 1967, the rate of such deductions shall be five per centum (5%) of the portion of compensation not in excess of fifty-six hundred dollars (\$5600.00) and six per centum (6%) of the portion of compensation in excess of fifty-six hundred dollars (\$5600.00). Such

rates shall apply uniformly to all members of the Retirement System, without regard to their coverage under the Social Security Act.

- (2) The deductions provided for herein shall be made notwithstanding that the minimum compensation provided for by law for any member shall be reduced thereby. Every member shall be deemed to consent and agree to the deductions made and provided for herein and shall receipt for his full salary or compensation, and payment of salary or compensation less said deduction shall be a full and complete discharge and acquittance of all claims and demands whatsoever for the services rendered by such person during the period covered by such payment, except as to the benefits provided under this chapter. The employer shall certify to the board of trustees on each and every payroll or in such other manner as the board of trustees may prescribe, the amounts to be deducted; and each of said amounts shall be deducted, and when deducted shall be paid into said annuity savings fund, and shall be credited, together with regular interest thereon to the individual account of the member from whose compensation said deduction was made.
- (3) Each board of education of each county and each board of education of each city, and the employer in any department, agency or institution of the State, in which any teacher receives compensation from sources other than appropriations of the State of North Carolina shall deduct from the salaries of these teachers paid from sources other than State appropriations an amount equal to that deducted from the salaries of the teachers whose salaries are paid from State funds, and remit this amount to the State Retirement System. City boards of education and county boards of education in each and every county and city which has employees compensated from other than the State appropriation shall pay to the State Retirement System the same per centum of the salaries that the State of North Carolina pays and shall transmit same to the State Retirement System monthly: Provided, that for the purpose of enabling the county boards of education and the board of trustees of city administrative units to make such payment, the tax levying authorities in each such city or county administrative unit are hereby authorized, empowered and directed to provide the necessary funds therefor: Provided, that it shall be within the discretion of the county board of education in a county administrative unit and the board of trustees in a city administrative unit, with the approval of the tax levying authorities of such unit, to provide for the payment from local tax funds of any amount specified in subsection (b) (3) of this section in excess of the amount to be paid to the Retirement System on the basis of the State salary schedule and term. In case the salary is paid in part from State funds and in part from local funds, the local authorities shall not be relieved of providing and remitting the same per centum of the salary paid from local funds as is paid from State funds. In case the entire salary of any teacher, as defined in this chapter, is paid from county or local funds, the county or city paying such salary shall provide and remit to the Retirement System the same per centum that would be required if the salary were provided by the State of North Carolina.
- (4) In addition to contributions deducted from compensation as hereinbefore provided, subject to the approval of the board of trustees, any member may redeposit in the annuity savings fund by a single payment an amount equal to the total amount which he previously withdrew therefrom, as provided in this chapter. Such amounts so redeposited shall become a part of his accumulated contributions as if such amounts had initially been contributed within the calendar year of such redeposit.

In no event, however, shall any member be permitted to redeposit any amount withdrawn after July 1, 1959.

- (5) Subject to the approval of the board of trustees, any member who is granted by his employer a leave of absence for the sole purpose of acquiring knowledge, talents, or abilities which are, in the opinion of the employer, expected to increase the efficiency of the services of the member to his or her employer, may make monthly contributions to the Retirement System on the basis of the salary or wage such member was receiving at the time such leave of absence was granted.
 - (6) The contributions of a member, and such interest as may be allowed thereon, paid upon his death or withdrawn by him as provided in this chapter, shall be paid from the annuity savings fund, and any balance of the accumulated contributions of such a member shall be transferred to the pension accumulation fund.
- (d) Pension Accumulation Fund.—The pension accumulation fund shall be the fund in which shall be accumulated all reserves for the payment of all pensions and other benefits payable from contribution made by employers and from which shall be paid all pensions and other benefits on account of members with prior service credit. Contributions to and payments from the pension accumulation fund shall be made as follows:
- (1) On account of each member there shall be paid in the pension accumulation fund by employers an amount equal to a certain percentage of the actual compensation of each member to be known as the “normal contribution,” and an additional amount equal to a percentage of his actual compensation to be known as the “accrued liability contribution.” The rate per centum of such contributions shall be fixed on the basis of the liabilities of the Retirement System as shown by actuarial valuation. Until the first valuation the normal contribution shall be two and fifty-seven one-hundredths per centum (2.57%) for teachers, and one and fifty-seven one-hundredths per centum (1.57%) for State employees, and the accrued liability contribution shall be two and ninety-four one-hundredths per centum (2.94%) for teachers and one and fifty-nine one-hundredths per centum (1.59%) of the salary of other State employees.
 - (2) On the basis of regular interest and of such mortality and other tables as shall be adopted by the board of trustees, the actuary engaged by the board to make each valuation required by this chapter during the period over which the accrued liability contribution is payable, immediately after making such valuation, shall determine the uniform and constant percentage of the earnable compensation of the average new entrant throughout his entire period of active service which would be sufficient to provide for the payment of any pension payable on his account. The rate per centum so determined shall be known as the “normal contribution” rate. After the accrued liability contribution has ceased to be payable, the normal contribution rate shall be the rate per centum of the earnable salary of all members obtained by deducting from the total liabilities of the pension accumulation fund the amount of the funds in hand to the credit of that fund and dividing the remainder by one per centum of the present value of the prospective future salaries of all members as computed on the basis of the mortality and service tables adopted by the board of trustees and regular interest. The normal rate of contribution shall be determined by the actuary after each valuation.
 - (3) Immediately succeeding the first valuation the actuary engaged by the board of trustees shall compute the rate per centum of the total annual compensation of all members which is equivalent to four per centum (4%) of the amount of the total pension liability on account of all

members and beneficiaries which is not dischargeable by the aforesaid normal contribution made on account of such members during the remainder of their active service. The rate per centum originally so determined shall be known as the "accrued liability contribution" rate. Such rate shall be increased on the basis of subsequent valuations if benefits are increased over those included in the valuation on the basis of which the original accrued liability contribution rate was determined. Upon certification by the actuary engaged by the board of trustees that the accrued liability contribution rate may be reduced without impairing the Retirement System, the board of trustees may cause the accrued liability contribution rate to be reduced.

- (4) The total amount payable in each year to the pension accumulation fund shall not be less than the sum of the rate per centum known as the normal contribution rate and the accrued liability contribution rate of the total actual compensation of all members during the preceding year: Provided, however, that, subject to the provisions of subdivision (3) of this subsection the amount of each annual accrued liability contribution shall be at least three per centum (3%) greater than the preceding annual accrued liability payment, and that the aggregate payment by employers shall be sufficient, when combined with the amount in the fund, to provide the pensions and other benefits payable out of the fund during the year then current.
 - (5) The accrued liability contribution shall be discontinued as soon as the accumulated reserve in the pension accumulation fund shall equal the present value as actuarially computed and approved by the board of trustees, of the total liability of such fund less the present value, computed on the basis of the normal contribution rate then in force, of the prospective normal contributions to be received on account of all persons who are at the time members.
 - (6) All pensions, and benefits in lieu thereof, with the exception of those payable on account of members who received no prior service allowance, payable from contributions of employer shall be paid from the pension accumulation fund.
 - (7) Upon the retirement of a member not entitled to credit for prior service, an amount equal to his pension reserve shall be transferred from the pension accumulation fund to the pension reserve fund.
- (f) Collection of Contributions.
- (1) The collection of members' contributions shall be as follows:
 - a. Each employer shall cause to be deducted on each and every payroll of a member for each and every payroll subsequent to the date of establishment of the Retirement System the contributions payable by such member as provided in this chapter, and the employer shall draw his warrant for the amount so deducted, payable to the Teachers' and State Employees' Retirement System of North Carolina, and shall transmit the same, together with schedule of the contributions, on such forms as prescribed.
 - (2) The collection of employers' contributions shall be made as follows:
 - a. Upon the basis of each actuarial valuation provided herein there shall be prepared biennially and certified to the budget division of the Department of Administration a statement of the total amount necessary for the ensuing biennium to the pension accumulation and expense funds, as provided under subsections (d) and (f) of this section, and these funds shall be handled and disbursed in accordance with chapter 100, Public Laws of

1929, and amendments thereto (§ 143-1 et seq.), known as the Executive Budget Act.

- b. Until the first valuation has been made and the rates computed as provided in subsection (d) of this section, the amount payable by employers on account of the normal and accrued liability contributions shall be five and fifty-one one-hundredths per centum (5.51%) of the payroll of all teachers and three and sixteen one-hundredths per centum (3.16%) for other State employees.
 - c. The auditor shall issue his warrant to the State Treasurer directing the State Treasurer to pay this sum to the board of trustees, from the appropriations for the Teachers' and State Employees' Retirement System.
 - d. Each board of education in each county and each board of education in each city in which teachers or other employees of the schools receive compensation for services in the public schools from sources other than the appropriation of the State of North Carolina shall pay the board of trustees of the State Retirement System such rate of their respective salaries as are paid those of other employees.
 - e. Each employer shall transmit monthly to the State Retirement System on account of each employee, who is a member of this System, an amount sufficient to cover the normal contribution and the accrued liability contribution of each member employed by such employer for the preceding month.
- (3) If within 90 days after request therefor by the board any employer shall not have provided the System with the records and other information required hereunder or if the full accrued amount of the contributions provided for under this section due from members employed by an employer or from an employer other than the State shall not have been received by the System from the chief fiscal officer of such employer within 30 days after the last due date as herein provided, then, notwithstanding anything herein or in the provisions of any other law to the contrary, upon notification by the board to the State Treasurer as to the default of such employer as herein provided, any distributions which might otherwise be made to such employer from any funds of the State shall be withheld from such employer until notice from the board to the State Treasurer that such employer is no longer in default.

Editor's Note.—

The 1965 amendment, effective July 1, 1965, inserted "and with respect to members covered under G.S. 135-27, with such coverage retroactive to January 1, 1955" in the second sentence of subdivision (1) of subsection (b), rewrote the last paragraph in the same subdivision, deleted "annually" formerly appearing between "paid" and "in the pension accumulation fund" in the first sentence of subdivision (1) of subsection (d), and in the same sentence deleted "for the preceding fiscal year" formerly appearing between "employers" and "an amount." rewrote paragraph a of subdivision (2) of subsec-

tion (f), and deleted subsection (h), relating to further contributions by employees.

The 1967 amendment, effective July 1, 1967, inserted "and ending June 30, 1967" in the first sentence of the second paragraph of subdivision (1) of subsection (b), added, at the end of that paragraph, the provision as to the rate of deductions with respect to the period commencing July 1, 1967, and added subdivision (3) of subsection (f).

As the rest of the section was not affected by the amendments, it is not set out.

§ 135-18.1. Transfer of credits from the North Carolina Local Governmental Employees' Retirement System.—(a) Any person who is a member of the Teachers' and State Employees' Retirement System of North Carolina on July 1, 1951, and who was previously a member of the North Carolina Governmental Employees' Retirement System, hereafter in this section referred to as the local system, shall be entitled to transfer to this Retirement System his credits for membership and prior service in the local system as of the date of termination of membership in the local system, notwithstanding that his membership in the local system may have been terminated prior to July 1, 1951: Provided, such member shall deposit in this Retirement System prior to January 1, 1952, the full amount of any accumulated contributions standing to his credit in, or previously withdrawn from, the local system and shall apply to the board of trustees of this Retirement System for a transfer of credit from the local system. Any person who becomes a member of this Retirement System after July 1, 1951, shall be entitled to transfer to this Retirement System his credits for membership and prior service in the local system: Provided, the actual transfer of employment is made within five years from date of separation from employment covered by the local system and such person shall request the local system to transfer his accumulated contributions, interest, and service credits to this Retirement System.

(1965, c. 780, s. 1.)

Editor's Note.—

The 1965 amendment, effective July 1, 1965, rewrote the last sentence in subsection (a).

As the rest of the section was not affected by the amendment, it is not set out.

Editor's Note.—

The 1965 amendment, effective July 1, 1965, substituted "director" for "secretary of the board of trustees" in subdivision (7).

As only subdivision (7) was affected by the amendment, the rest of the section is not set out.

§ 135-27. Transfers from State to certain association service.—(a) Any member whose service as a teacher or State employee is terminated because of acceptance of a position with the North Carolina Education Association, the North Carolina State Employees' Association, the North Carolina State Highway Employees Association, North Carolina Teachers' Association and the State Employees' Credit Union, alumni associations of State-supported universities and colleges, and North Carolina State School Boards Association may elect to leave his total accumulated contributions in this retirement system during the period he is in such association employment, by filing with the board of trustees at the time of such termination the form provided by it for that purpose.

(1967, c. 720, s. 14.)

Editor's Note.—

The 1967 amendment, effective July 1, 1967, inserted "alumni associations of State-supported universities and colleges, and North Carolina State School Boards Association" in subsection (a).

As the rest of the section was not changed by the amendment, only subsection (a) is set out.

§ 135-28. **Transfer of members to employment covered by the North Carolina Local Governmental Employees' Retirement System.**—(a) Any member whose services as a teacher or State employee are terminated for any reason other than retirement or death, who, within five years from date of such termination becomes employed by an employer participating in the North Carolina Local Governmental Employees' Retirement System or an employer which brings its employees into participation in said System within five years after such teacher or State employee has ceased to be a teacher or State employee, may elect to leave his total accumulated contributions in the Teachers' and State Employees' Retirement System during the period he is in the employment of such employer, or his account remains active in the local system. This subsection shall be effective retroactively as well as prospectively.

(1953, c. 1050, s. 2; 1961, c. 516, s. 6; 1965, c. 780, s. 1.)

Editor's Note.—

The 1965 amendment, effective July 1, 1965, rewrote subsection (a) and substituted "Any such member" for "Any member who files such an election" at the beginning of subsection (b).

"Each" has been substituted for "such" preceding "retirement system" near the end of the proviso in subsection (b) to correct a typographical error in the replacement volume.

ARTICLE 1.

Organization of State Highway Commission.

§ 136-1. State Highway Commission created; chairman and members; compensation; entire State represented; formulation of general policies; rules and regulations.—There is hereby created a State Highway Commission, to be composed of a chairman and fourteen members appointed by

the Governor. On July 1, 1965, and every four years thereafter, the Governor shall appoint a chairman and fourteen members to serve four-year terms. One commissioner shall reside in each of the fourteen engineering divisions established by G.S. 136-14.1. The chairman or any member appointed pursuant to this section may be removed from office by the Governor for cause. In case of death, resignation, or removal from office of the chairman or a member prior to the expiration of his term of office, his successor shall be appointed by the Governor to fill out the unexpired term.

The chairman shall devote his entire time and attention to the work of the Commission, and shall be paid a salary fixed by the Governor, subject to the approval of the Advisory Budget Commission. The chairman shall be the chief executive officer of the Commission and the Director of Highways, and shall be vested with the authority of the Commission as may be delegated to him by the Commission when the Commission is not in session, and shall execute all orders, rules and regulations established by the Commission. The chairman, when the Commission is not in session, shall be the officer upon whom service of legal process for the State Highway Commission shall be made; additional process agents may be designated by the Commission.

The members of the Commission shall each receive, while engaged in the discharge of the duties of their office, such per diem, subsistence, and necessary travel expenses as are provided by law for members of State boards and commissions generally.

It is the intent and purpose of this section that the chairman and members of the Commission shall represent the entire State and not represent any particular area; provided, however, each commissioner shall be responsible for relations with the public generally and with individual citizens regarding highway matters in the division in which he resides. In addition, the State Highway Commission shall, from time to time, provide that one or more of its members or representatives shall publicly hear any person or persons desiring to bring to their attention such highway matters as such person or persons may deem wise, in each of said geographic areas of the State.

The Commission shall formulate general policies and make rules and regulations as it may deem necessary, governing the construction, improvement and maintenance of the roads and highways of the State, with due regard to farm-to-market roads and school bus routes. It is the intent and purpose of this section that there shall be maintained and developed a state-wide system of roads and highways commensurate with the needs of the State as a whole and not to sacrifice the general state-wide interest to the purely local desires of any particular area. (1933, c. 172, s. 2; 1937, c. 297, s. 1; 1941, c. 57, s. 1; 1945, c. 895; 1953, c. 115; 1957, c. 5, s. 1; 1961, c. 232, s. 1; 1965, c. 55, s. 1; c. 1054.)

Editor's Note.—

The first 1965 amendment, effective July 1, 1965, rewrote all of the first paragraph except the last two sentences therein, rewrote the second paragraph with the exception of the first sentence therein, made minor changes in the third paragraph and rewrote the first sentence in the fourth paragraph.

The second 1965 amendment inserted "and every four years thereafter" near the beginning of the second sentence.

The State Highway Commission, etc.—

The State Highway Commission is a State agency or instrumentality, and as

such exercises various administrative and governmental functions. *State Highway Comm'n v. Greensboro City Bd. of Educ.*, 265 N.C. 35, 143 S.E.2d 87 (1965).

The State Highway Commission was created by the General Assembly as an unincorporated State agency or instrumentality, and is charged with the duty of exercising certain administrative and governmental functions for the purpose of constructing and maintaining State and county public roads. *State Highway Comm'n v. Batts*, 265 N.C. 346, 144 S.E.2d 126 (1965).

§ 136-2. **Headquarters; meetings; minutes.**—The headquarters and main office of said Commission shall be located in Raleigh, and the Commission

shall meet once in each sixty days at such regular meeting time as the Commission by rule may provide and at any place within the State as the Commission may provide, and may hold special meetings at any time or place within the State at the call of the chairman, or the Governor, or any three members of the Commission; provided, however, the Commission shall hold each year at least one meeting in a town or city east of Raleigh, one meeting in a town or city west of Raleigh but east of Hickory, and one meeting in Hickory or in a town or city west of Hickory, at which meetings the Commission shall, in addition to its other business, be available to the members of the public who wish to be heard regarding highway matters.

The Governor and the State Treasurer shall be privileged to attend any and all meetings of said Commission in an advisory capacity, but they shall not have the authority to vote upon any question before said Commission. The Commission shall keep minutes of all its meetings, which shall at all times be open to public inspection. (1933, c. 172, s. 2; 1937, c. 297, s. 1; 1959, c. 1191; 1965, c. 55, s. 2; 1967, c. 217.)

Editor's Note.—

The 1965 amendment, effective July 1, 1965, deleted "and as is provided in G. S. 136-1" following "as the Commission may

provide" in the first paragraph and added the proviso at the end of that paragraph.

The 1967 amendment inserted "Hickory or in" in the proviso to the first paragraph.

§ 136-4. State Highway Administrator.—There shall be a State Highway Administrator, who shall be a career official and the administrative officer of the State Highway Commission. The State Highway Administrator shall be appointed by the chairman, subject to the approval of the State Highway Commission, and may be removed at any time by the chairman with the approval of the State Highway Commission. The State Highway Administrator shall be paid a salary fixed by the Governor subject to the approval of the Advisory Budget Commission.

Except as hereinafter provided, the State Highway Administrator shall, in accordance with the State Personnel Act, and with the approval of the chairman of the State Highway Commission, appoint all subordinate officers and employees of the State Highway Commission, and they shall perform duties and have responsibilities as the State Highway Administrator may assign them.

The State Highway Administrator shall have such powers and perform such duties as the State Highway Commission shall prescribe. (1921, c. 2, ss. 5, 6; C. S., s. 3846(g); 1933, c. 172, s. 17; 1957, c. 65, s. 2; 1961, c. 232, s. 2; 1965, c. 55, s. 3.)

Editor's Note.—

The 1965 amendment, effective July 1,

1965, rewrote this section, which formerly related to the Director of Highways.

§ 136-4.1. Controller.—There shall be a Controller, who shall be a career official and the financial officer of the State Highway Commission. The Controller shall be appointed by the chairman of the State Highway Commission, subject to the approval of the State Highway Commission, and may be removed at any time by the chairman of the State Highway Commission with the approval of the State Highway Commission. The Controller shall be paid a salary fixed by the Governor, subject to the approval of the Advisory Budget Commission.

The Controller shall, under the direction of the chairman of the State Highway Commission, and in accordance with and subject to the requirements of the Executive Budget Act, develop formalized procedures, budgets, internal audits, systems, and reports covering all financial phases of highway activity.

The Controller shall give a bond, to be fixed and approved by the Governor, conditioned upon the faithful discharge of the duties of his office, and upon proper accounting of all public funds coming into his possession or under his control.

The premium on the bond shall be paid from the Highway Fund. (1957, c. 65, s. 3; 1961, c. 232, s. 3; 1965, c. 55, s. 4.)

Editor's Note.—

The 1965 amendment, effective July 1, 1965, rewrote the first and second para-

graphs. Formerly the Controller was appointed by the State Highway Commission, subject to the approval of the Governor.

§ 136-4.2. Chief Engineer.—There shall be a Chief Engineer who shall be a career official and perform such duties and have such responsibilities as the State Highway Administrator shall assign him. The Chief Engineer shall be appointed by the State Highway Administrator, subject to the approval of the State Highway Commission, and may be removed at any time by the State Highway Administrator with the approval of the State Highway Commission. The Chief Engineer shall be paid a salary fixed by the State Highway Administrator, subject to the approval of the Governor and the Advisory Budget Commission. (1957, c. 65, s. 3; 1965, c. 55, s. 5.)

Editor's Note.—The 1965 amendment, effective July 1, 1965, substituted "State Highway Administrator" for "Director" throughout the section.

§ 136-4.3. Secondary Roads Officer.—There shall be a Secondary Roads Officer, who shall be appointed by the chairman of the State Highway Commission with the approval of the State Highway Commission, and he may be removed at any time by the chairman of the State Highway Commission with the approval of the State Highway Commission. The Secondary Roads Officer shall be paid a salary fixed by the Governor, subject to the approval of the Advisory Budget Commission.

The Secondary Roads Officer shall, in consultation with the commissioner assigned to the geographic area, prepare annual plans for each county providing for maintenance and construction of the secondary roads. In developing the plan, he shall follow the procedures set forth in G. S. 136-61. (1961, c. 232, s. 4; 1965, c. 55, s. 6.)

Editor's Note. — The 1965 amendment, effective July 1, 1965, rewrote the first sentence and substituted "Secondary Roads Officer" for "Director of Secondary Roads" in the second sentence and last paragraph.

§ 136-13. Malfeasance of commissioners, officers, contractors, suppliers and others.—(a) It shall be unlawful for any person, firm, or corporation to, directly or indirectly, corruptly give, offer, or promise anything of value to any member of the State Highway Commission, or any officer or employee of the State Highway Commission, or to promise any member of the State Highway Commission or any officer or employee of the State Highway Commission to give anything of value to any other person with intent:

- (1) To influence any official act of any member of the State Highway Commission or any officer or employee of the State Highway Commission; or
- (2) To influence such member of the State Highway Commission or any officer or employee of the State Highway Commission to commit or aid in committing, or collude in, or allow, any fraud, or to make opportunity for the commission of any fraud on the State Highway Commission or the State of North Carolina; or
- (3) To induce a member of the State Highway Commission or any officer or employee of the State Highway Commission to do or omit to do any act in violation of his lawful duty.

(b) It shall be unlawful for any member of the State Highway Commission, or any officer or employee of the State Highway Commission, directly or indirectly, to corruptly ask, demand, exact, solicit, accept, receive, or agree to receive anything of value for himself or any other person or entity in return for:

- (1) Being influenced in his performance of any official act; or

(2) Being influenced to commit or aid in committing, or to collude in, or allow, any fraud, or to make opportunity for the commission of any fraud on the State Highway Commission or the State of North Carolina; or

(3) Being induced to do or omit to do any act in violation of his official duty.

(c) The violation of any of the provisions of this section shall be cause for forfeiture of public office and shall be a felony punishable by a fine of not more than twenty thousand dollars (\$20,000.00), or three times the monetary equivalent of the thing of value, whichever is greater, or imprisonment of not more than ten years, or by both such fine and imprisonment. (1921, c. 2, s. 49; C. S., s. 3846(cc); 1933, c. 172, s. 17; 1957, c. 65, s. 11; 1965, c. 55, s. 7.)

Editor's Note.—

The 1965 amendment, effective July 1, 1965, rewrote this section, which formerly consisted of one paragraph.

§ 136-13.1. Use of position to influence elections or political action.

—No member of the State Highway Commission, nor any official or employee of the State Highway Commission, shall be permitted to use his position to influence elections or the political action of any person. (1965, c. 55, s. 8.)

The effective date of this section is July 1, 1965.

§ 136-14. Members not eligible to other employment with Commission; no sales to Commission by employees; members not to sell or trade property with Commission; profiting from official position.—No member of the Highway Commission shall be eligible to any other employment in connection with said Commission, and no member of said Commission, or any salaried employee thereof, shall furnish or sell any supplies or materials, directly or indirectly, to said Commission, nor shall any member of the State Highway Commission, directly or indirectly, engage in any transaction involving the sale of or trading of real or personal property with the State Highway Commission, or profit in any manner by reason of his official action or his official position, except to receive such salary, fees and allowances as by law provided. Violation of this section shall be a felony punishable by fine of not more than twenty thousand dollars (\$20,000.00), or three times the value of the transaction, or by both fine and imprisonment. (1933, c. 172, s. 10; 1957, c. 65, s. 11; 1965, c. 55, s. 9.)

Editor's Note.—

The 1965 amendment, effective July 1, 1965, added all of the section that follows the words "directly or indirectly, to said Commission."

§ 136-14.1. Highway engineering divisions; division engineers.—For purposes of administering the field activities of the State Highway Commission, there shall be 14 highway engineering divisions, with boundaries coterminous with the 14 divisions existing on January 1, 1957. Each division shall be under the supervision of a division engineer, who shall be appointed by the State Highway Administrator in accordance with the State Personnel Act. The division engineers shall perform duties and have responsibilities as the State Highway Administrator may assign them. (1957, c. 65, s. 5; 1965, c. 55, s. 10.)

Editor's Note.— The 1965 amendment, effective July 1, 1965, substituted "State Highway Administrator" for "Director of Highways" in the second sentence and for "Director" in the last sentence.

ARTICLE 2.

Powers and Duties of Commission.

§ 136-17. Seal; rules and regulations.

Cited in State Highway Comm'n v. Greensboro City Bd. of Educ., 265 N.C. 35, 143 S.E.2d 87 (1965).

§ 136-18. Powers of Commission.

- (22) No airport or aircraft landing area shall be constructed or altered where such construction or alteration when undertaken or completed may reasonably affect motor vehicle operation and safety on adjoining public roads except in accordance with a written permit from the State Highway Commission or its duly authorized officers. The State Highway Commission is authorized and empowered to regulate airport and aircraft landing area construction and alteration in order to preserve safe clearances between highways and airways and the State Highway Commission is authorized and empowered to make rules, regulations, and ordinances for the preservation of safe clearances between highways and airways. The State Highway Commission shall be responsible for determining safe clearances and shall fix standards for said determination which shall not exceed the standards adopted for similar purposes by the United States Bureau of Public Roads under the Federal Aid Highway Act of 1958. Any person, firm, corporation or airport authority constructing or altering an airport or aircraft landing area without obtaining a written permit as herein provided, or not in compliance with the terms of such permit, or violating the provisions of the rules, regulations or ordinances promulgated under the authority of this section shall be guilty of a misdemeanor punishable in the discretion of the court; provided, that this subdivision shall not apply to publicly owned and operated airports and aircraft landing areas receiving federal funds and subject to regulation by the Federal Aviation Authority. (1921, c. 2, s. 10; 1923,
- (23) When in the opinion of the State Highway Commission an economy in the expenditure of public funds can be effected thereby, the State Highway Commission shall have authority to enter into agreements with adjoining states regarding the planning, location, engineering, right-of-way acquisition and construction of roads and bridges connecting the North Carolina State Highway System with public roads in adjoining states, and the State Highway Commission shall have authority to do planning, surveying, locating, engineering, right-of-way acquisition and construction on short segments of roads and bridges in adjoining states with the cost of said work to be reimbursed by the adjoining state, and may also enter into agreements with adjoining states providing for the performance of and reimbursement to the adjoining state of the cost of such work done within the State of North Carolina by the adjoining state: Provided, that the State Highway Commission shall retain the right to approve any contract for work to be done in this State by an adjoining state for which the adjoining state is to be reimbursed. (1921, c. 2, s. 10; 1923, c. 160, s. 1; c. 247; C. S., s. 3846(j); 1929, c. 138, s. 1; 1931, c. 145, ss. 21, 25; 1933, c. 172; c. 517, s. 1; 1935, c. 213, s. 1; c. 301; 1937, c. 297, s. 2; c. 407, s. 80; 1941, c. 47; c. 217, s. 6; 1943, c. 410; 1945, c. 842; 1951, c. 372; 1953, c. 437; 1957, c. 65, s. 11; c. 349, s. 9; 1959, c. 557; 1963, cc. 520, 1155; 1965, c. 879, s. 1; 1967, c. 1129.)

Editor's Note.—

The 1965 amendment, effective Jan. 1, 1966, added subdivision (22).

Section 2½, c. 879, Session Laws 1965, provides: "Nothing contained herein shall prohibit necessary repairs from being made to or on any airport facilities now in existence regardless of their present location."

The 1967 amendment added subdivision (23).

As the rest of the section was not affected by the amendments, it is not set out.

Authority to Cooperate with Counties in Establishing and Operating Garbage Disposal Facilities.—As to authority of State Highway Commission to cooperate with counties in establishing and operating garbage disposal facilities, see § 153-275.1.

Commission Has Exclusive Control of Highway System.—The State Highway Commission has been granted exclusive control over the State highway system. *Van Leuven v. Akers Motor Lines, Inc.*, 261 N.C. 539, 135 S.E.2d 640 (1964).

Powers of Commission Are Incidental, etc.—

The Commission is vested with the power of "general supervision over all matters relating to the construction of the State highways . . ." All the other powers it possesses are incidental to the purpose for which it was created. *State Highway Comm'n v. Batts*, 265 N.C. 346, 144 S.E.2d 126 (1965).

Power to Regulate and Close Grade Crossings.—The Highway Commission is authorized to regulate, abandon, and close grade crossings and intersections. *Snow v. North Carolina State Highway Comm'n* 262 N.C. 169, 136 S.E.2d 678 (1964).

Owner of Land Subject to Highway Easement Is Entitled to Nominal Damages for Encroachment.—It may be conceded that an easement acquired by the State for a public highway is, under existing law, so extensive in nature and the control exercised by the Highway Commission is so exclusive in extent that the subservient estate in the land, from a practical standpoint, amounts to little more than the right of reverter in the event the easement is abandoned. Nevertheless, the subservient estate still exists and any encroachment thereon entitles the owner to nominal damages at least. *Van Leuven v. Akers Motor Lines, Inc.*, 261 N.C. 539, 135 S.E.2d 640 (1964).

Commission Has No Power to Condemn Property for Private Road.—This section and § 136-45 vest in the State Highway Commission broad discretionary powers in

establishing, constructing, and maintaining highways as part of a state-wide system of hard-surfaced and other dependable highways, but the State Highway Commission has no power to condemn private property to construct a road for the private use of any person or group of persons, and if it does so, it is an arbitrary act and an abuse of the discretion vested in it. *State Highway Comm'n v. Batts*, 265 N.C. 346, 144 S.E.2d 126 (1965).

Commission's Requirements as to Signs and Flagmen Do Not Give Contractor Right of Way.—Where a contractor for the improvement of an airport is granted permission by the Highway Commission to construct a dirt ramp over the highway to protect it from heavy equipment, the Commission's requirements with reference to signs and flagmen are primarily for the protection of the users of the highway and do not confer on the contractor special privileges in respect to right of way. *C. C. Mangum, Inc. v. Gasperson*, 262 N.C. 32, 136 S.E.2d 234 (1964).

Use of Highway by Telephone, etc.—

In accord with 1st paragraph in original. See *Van Leuven v. Akers Motor Lines, Inc.*, 261 N.C. 539, 135 S.E.2d 640 (1964).

The State Highway Commission has full authority to make proper and reasonable rules, regulations and ordinances for the placing or erection of telephone, telegraph or other poles within the right of way, and it may, at any time, require the removal of, change in, or relocation of any such poles. *Van Leuven v. Akers Motor Lines, Inc.*, 261 N.C. 539, 135 S.E.2d 640 (1964).

Quoted in *North Carolina Turnpike Authority v. Pine Island, Inc.*, 265 N.C. 109, 143 S.E.2d 319 (1965).

Editor's Note.—

For case law survey as to eminent domain, see 44 N.C.L. Rev. 941, 1003 (1966).

For note on public use in North Carolina, see 44 N.C.L. Rev. 1142 (1966).

For article urging revision and recodification of North Carolina's eminent domain laws, see 45 N.C.L. Rev. 587 (1967).

The Commission possesses the sovereign power, etc.—

The State Highway Commission as a State agency or instrumentality possesses the sovereign power of eminent domain, and by reason thereof can take private property for public use for highway pur-

poses upon payment of just compensation. *State Highway Comm'n v. Batts*, 265 N.C. 346, 144 S.E.2d 126 (1965).

Commission Has Power to Acquire Rights of Way.— There is no question about the right of the Commission to procure by dedication, purchase, prescription or condemnation such rights of way as it may deem necessary for highway purposes. *Browning v. North Carolina State Highway Comm'n*, 263 N.C. 130, 139 S.E.2d 227 (1964).

But Not to Appropriate Personal Property.—The Highway Commission has no authority to appropriate personal prop-

erty for public use. *Lyerly v. North Carolina State Highway Comm'n*, 264 N.C. 649, 142 S.E.2d 658 (1965).

This section does not authorize Highway Commission to appropriate personal property for public use. *Midgett v. North Carolina State Highway Comm'n*, 260 N.C. 241, 132 S.E.2d 599 (1963).

The existence of a public use is a prerequisite to the right of the State Highway Commission to exercise the power of eminent domain to condemn private property, and final determination as to whether the proposed condemnation and taking of defendants' land by condemnation is for a public use is for judicial determination. *State Highway Comm'n v. Batts*, 265 N.C. 346, 144 S.E.2d 126 (1965).

Any injury to personal property is damnum absque injuria. *Lyerly v. North Carolina State Highway Comm'n*, 264 N.C. 649, 142 S.E.2d 658 (1965).

Extent of Right, etc.—

In accord with original. See *Van Leuven v. Akers Motor Lines, Inc.*, 261 N.C. 539, 135 S.E.2d 640 (1964).

Purchase from One Cotenant Does Affect Interest of Other Cotenant.—The purchase of an easement from one cotenant does not carry with it an easement in the interest of the other cotenant. *Browning v. North Carolina State Highway Comm'n*, 263 N.C. 130, 139 S.E.2d 227 (1964).

A property owner has a constitutional right to just compensation for the taking of his property for a public purpose. *Browning v. North Carolina State Highway Comm'n*, 263 N.C. 130, 139 S.E.2d 227 (1964.)

And to Reasonable Notice and Opportunity to Be Heard on Damages.—As both the federal and State Constitutions protect all persons from being deprived of their property for public use without the payment of just compensation and a reasonable notice and a reasonable opportunity to be heard, proceedings to condemn property must not violate these guaranties. *Browning v. North Carolina State Highway Comm'n*, 263 N.C. 130, 139 S.E.2d 227 (1964).

But Notice Property Is to Be Appropriated Is Unnecessary.—It is not necessary to notify the owner that his property is to be appropriated, provided he is notified and given opportunity to appear and be heard on the question of the compensation that may be due him. *Browning v. North Carolina State Highway Comm'n*, 263 N.C. 130, 139 S.E.2d 227 (1964).

The due process clause is not violated by failure to give the owner of property an opportunity to be heard as to the necessity and extent of appropriating his property to public use; but it is essential to due process that the mode of determining the compensation to be paid for the appropriation be such as to afford the owner an opportunity to be heard. *Browning v. North Carolina State Highway Comm'n*, 263 N.C. 130, 139 S.E.2d 227 (1964).

"Taking" Defined.—See *Browning v. North Carolina State Highway Comm'n*, 263 N.C. 130, 139 S.E.2d 227 (1964)

Laying Out Right of Way Is Not "Taking."—The mere laying out of a right of way is not in contemplation of law a full appropriation of property. Complete appropriation occurs when the property is actually taken for the specified purpose after due notice to the owner; and the owner's right to compensation arises only from the actual taking or occupation of the property by the Highway Commission. *Browning v. North Carolina State Highway Comm'n*, 263 N.C. 130, 139 S.E.2d 227 (1964).

Nor Is Paving Existing Highway "Taking" or Notice Thereof.—The completion of a project is, in ordinary cases, a clear taking of the owner's property and notice to him of the taking, but this is not true where the project consists of the mere paving of an existing public highway. Such paving, where the rights of the public are unquestioned, would be no assertion of rights over adjacent land or notice to the owners that such rights were being asserted. *Browning v. North Carolina State Highway Comm'n*, 263 N.C. 130, 139 S.E.2d 227 (1964).

Registering Maps Covering Adjacent Lands.—

In accord with 1st paragraph in original. See *Browning v. North Carolina State Highway Comm'n*, 263 N.C. 130, 139 S.E.2d 227 (1964).

The language of this section, providing for the filing of a map with provision that title should vest in the Commission upon such filing, must be construed along with other language of the section which clearly contemplates that such filing should be in addition to and not in lieu of the existing procedures required for condemnation. *Browning v. North Carolina State Highway Comm'n*, 263 N.C. 130, 139 S.E.2d 227 (1964), quoting *Martin v. United States*, 240 F.2d 326 (4th Cir. 1957).

Where there has been an actual entry upon the land and the exercise of dominion pursuant to the statute authorizing the tak-

ing, the registration of a map showing the land taken pursuant to the statute will mark the time of the passage of the title. *Browning v. North Carolina State Highway Comm'n*, 263 N.C. 130, 139 S.E.2d 227 (1964), quoting *Martin v. United States*, 240 F.2d 326 (4th Cir. 1957).

Interference with Natural Flow of Water.—The right to have water flow in the direction provided by nature is a property right, and if such right of a landowner is materially interfered with so that his land is flooded by the manner in which a highway is constructed, it is a nuisance and a taking of property for public use for which compensation must be paid. *Midgett v. North Carolina State Highway Comm'n*, 260 N.C. 241, 132 S.E.2d 599 (1963).

Measure of Damages for Property Injured.—

In accord with 2nd paragraph in original. See *State Highway Comm'n v. Conrad*, 263 N.C. 394, 139 S.E.2d 553 (1965).

Price at Which Land Was Bought as Evidence of Market Value.—It is accepted law that when land is taken in the exercise of eminent domain it is competent, as evidence of market value, to show the price at which it was bought if the sale was voluntary and not too remote in point of time. *North Carolina State Highway Comm'n v. Nuckles*, 271 N.C. 1, 155 S.E.2d 772 (1967).

Evidence of Market Value, etc.—

In accord with original. See *State Highway Comm'n v. Phillips*, 267 N.C. 369, 148 S.E.2d 282 (1966).

When the taking renders the remaining land, etc.—

In accord with original. See *State Highway Comm'n v. Phillips*, 267 N.C. 369, 148 S.E.2d 282 (1966).

Loss of profits or injury, etc.—

In accord with original. See *State Highway Comm'n v. Phillips*, 267 N.C. 369, 148 S.E.2d 282 (1966).

Undeveloped Property, etc.—

Under proper circumstances a map of a proposed subdivision of undeveloped land is admissible to illustrate and explain the testimony of witnesses as to the highest and best available use of the property and that it is capable of subdivision. But where such map is admitted in evidence, the inclusion of a price per lot noted thereon or by testimony of witnesses is incompetent and should be excluded. *State Highway Comm'n v. Conrad*, 263 N.C. 394, 139 S.E.2d 553 (1965).

The fair market value of undeveloped land immediately before condemnation is

not a speculative value based on an imaginary subdivision and sales in lots to many purchasers. It is the fair market value of the land as a whole in its then state according to the purpose or purposes to which it is best adapted and in accordance to its best and highest capabilities. *State Highway Comm'n v. Conrad*, 263 N.C. 394, 139 S.E.2d 553 (1965).

Cutting Off Access over Private Way or Neighborhood Road to Public Road.—To completely cut off one's access over a private way or neighborhood road to the nearest public road, without providing other reasonable accesses to a public road, may diminish the value of the land involved to the same extent as if access was denied to a public highway abutting the premises. *State Highway Comm'n v. Phillips*, 267 N.C. 369, 148 S.E.2d 282 (1966).

Where a landowner's access to a public highway over a section of neighborhood public road is cut off by the construction of a limited access highway across a portion of his land, leaving no access from the property to a public highway, the deprivation of access affects the value of the property and the landowner is entitled to introduce evidence of such deprivation of access as an element of damages. *State Highway Comm'n v. Phillips*, 267 N.C. 369, 148 S.E.2d 282 (1966).

Right to Jury Trial on Ownership of Land Is Inapplicable to Eminent Domain.—Article I, § 19, N.C. Const., is a constitutional guaranty of jury trial when the issue determinative of the rights of the litigants is: "Who owns the land, plaintiff or defendant?" This issue does not arise when the state, or its agency, exercises the power of eminent domain. The phrase "eminent domain" by definition admits condemnor did not own, but took or appropriated the property of another for a public purpose. *Wescott v. State Highway Comm'n*, 262 N.C. 522, 138 S.E.2d 133 (1964).

But Where Commission Claims It Is Owner, Issue Must Be Tried by Jury.—When the Highway Commission denies the plaintiff, in a proceeding for compensation for the taking of and damage to his property, is entitled to compensation because it, not the plaintiff, was the owner of the property rights in controversy, the Commission, in effect, converts what began as a condemnation proceeding into an action in ejectment or trespass to try title. On that issue the plaintiff is entitled to a jury trial. *Wescott v. State Highway Comm'n*, 262 N.C. 522, 138 S.E.2d 133 (1964).

For cases involving former limitations on actions for damages, see *Browning v. North Carolina State Highway Comm'n*, 263 N.C. 130, 139 S.E.2d 227 (1964); *Lewis v. North Carolina State Highway & Pub. Works Comm'n*, 228 N.C. 618, 46 S.E.2d 705 (1948); *North Carolina State Highway Comm'n v. Nuckles*, 271 N.C. 1, 155 S.E.2d 772 (1967).

§ 136-19.2. **Authority to compensate displaced property owners for moving expenses.**—The State Highway Commission is authorized to pay compensation for moving costs to the displaced occupants of buildings taken or partially taken by highway construction, provided that such compensation shall not exceed two hundred dollars (\$200.00) for the relocation of a household and three thousand dollars (\$3,000.00) for the relocation of a business, including farming operations and nonprofit organizations; provided further that said compensation shall be made in accordance with rules and regulations to be promulgated by the State Highway Commission, which rules and regulations may define the terms used herein, and the amount of compensation shall be established by the State Highway Commission in an equitable manner within the limits herein set out. It is further provided that this section shall in no way be construed to add to, or alter, the measure of damages for the taking of property for highway purposes as set forth in G.S. 136-112. (1965, c. 475, s. 1.)

Editor's Note.—Section 3 of the act inserting this section provides: "The provisions of this act shall apply only to ac-

quisitions of property which take place after the effective date of this act which shall be Sept. 1, 1965."

§ 136-19.3. **Acquisition of buildings.**—Where the right of way of a proposed highway necessitates the taking of a portion of a building or structure, the State Highway Commission may acquire, by condemnation or purchase, the entire building or structure, together with the right to enter upon the surrounding land for the purpose of removing said building or structure, upon a determination by the Highway Commission based upon an affidavit of an independent real estate appraiser that the partial taking will substantially destroy the economic value or utility of the building or structure and (i) that an economy in the expenditure of public funds will be promoted thereby; or (ii) that it is not feasible to cut off a portion of the building without destroying the entire building; or (iii) that the convenience, safety or improvement of the highway will be promoted thereby; provided, nothing herein contained shall be deemed to give the State Highway Commission authority to condemn the underlying fee of the portion of any building or structure which lies outside the right of way of any existing or proposed public road, street or highway. (1965, c. 660.)

§ 136-19.4. **Registration of right-of-way plans.**—(a) A copy of the cover sheet and plan and profile sheets of the final right-of-way plans for all State Highway Commission projects, on those projects for which plans are prepared, under which right-of-way or other interest in real property is acquired or access is controlled shall be certified under the State Highway Commission's seal by the secretary of the State Highway Commission to the register of deeds of the county or counties within which the project is located. The secretary shall certify said plan sheets to the register of deeds within two weeks from their formal approval by the State Highway Commission.

(b) The copy of the plans certified to the register of deeds shall consist of a

xerox, photographic, or other permanent copy and shall measure approximately 20 inches by 12 inches including no less than 1½ inches binding space on the left-hand side.

(c) Notwithstanding any other provision in the law, upon receipt of said original certified copy of the right-of-way plans, the register of deeds shall record said right-of-way plans and place the same in a book maintained for that purpose, and the register of deeds shall maintain a cross-index to said right-of-way plans by number of road affected, if any, and by project number. No probate before the clerk of the superior court shall be required.

(d) If after the approval of said final right-of-way plans the State Highway Commission shall by resolution alter or amend said right-of-way or control of access, the secretary to the Commission, within two weeks from the adoption by the State Highway Commission of said alteration or amendment, shall certify under seal of the State Highway Commission to the register of deeds in the county or counties within which the project is located a copy of the amended plan and profile sheets approved by the State Highway Commission and the register of deeds shall remove the original plan sheets and record the amended plan sheets in lieu thereof.

(e) The register of deeds in each county shall collect a fee from the State Highway Commission of fifty cents (50¢) for the indexing of each project and in addition shall collect a fee of five dollars (\$5.00) for each original or amended plan and profile sheet recorded. (1967, c. 228, s. 1.)

Editor's Note.—Section 5, c. 228, Session Laws 1967, makes the act effective July 1, 1967.

§ 136-20. Elimination or safeguarding of grade crossings and inadequate underpasses or overpasses.

Section Applies Only to Construction of Overpasses and Underpasses or Safety Devices.—This section applies only to the construction of an underpass or overpass or the installation and maintenance of gates, alarm signals or other safety devices. *State Highway Comm'n v. Clinchfield R.R.*, 260 N.C. 274, 132 S.E.2d 595 (1963).

This section applies only to a factual situation for which provision is made, namely, the construction of an underpass or overpass or the installation and maintenance of gates, alarm signals or other safety devices. *Cecil v. High Point, T. & D.R.R.*, 269 N.C. 541, 153 S.E.2d 102 (1967).

And Not to Widening of Crossing.—A proceeding under this section to require railroad to widen solely at its own expense a crossing sequent to the widening of the intersecting highway, will be dismissed. *State Highway Comm'n v. Clinchfield R.R.*, 260 N.C. 274, 132 S.E.2d 595 (1963).

Erection of Signaling Devices.—In accord with 1st paragraph in original. See *Cecil v. High Point, T. & D.R.R.*, 269 N.C. 541, 153 S.E.2d 102 (1967).

Section Does Not Relieve Railroad of Duty to Give Notice and Warning of Existence of Grade Crossing.—This section, giving the Highway Commission ex-

clusive jurisdiction to require gates, alarm signals or other approved safety devices to be installed at railroad crossings does not include signs and notices of the existence of a crossing, and does not relieve a railroad company of the duty to give users of the highway adequate notice and warning of the existence of a grade crossing, even though it be one at which the Highway Commission has not required the erection of gates, gongs or signaling devices. *Cecil v. High Point, T. & D.R.R.*, 269 N.C. 541, 153 S.E.2d 102 (1967).

This section, which empowers the State Highway Commission, under certain circumstances, to require a railroad company to install gates, alarm signals or other safety devices at a crossing, does not relieve the railroad from its common-law duty to give users of a highway adequate warning of the existence of a grade crossing at which the Commission has not required such devices to be installed. *Cox v. Gallamore*, 267 N.C. 537, 148 S.E.2d 616 (1966); *Cecil v. High Point, T. & D.R.R.*, 269 N.C. 541, 153 S.E.2d 102 (1967).

§ 136-26. Closing of State highways during construction; injury to barriers, warning signs, etc.

Purpose of Closing Highways.—The closing or temporary closing of highways or portions thereof during construction and repair operations is designed to avoid interruptions and delays in the prosecution of the work. *C. C. Mangum, Inc. v. Gasperson*, 262 N.C. 32, 136 S.E.2d 234 (1964).

The exercise of authority to close a highway, which relates to a highway "in process of construction or maintenance," is for the public benefit. *C. C. Mangum, Inc. v. Gasperson*, 262 N.C. 32, 136 S.E.2d 234 (1964).

Public Travel, etc.—

This section authorizes the State Highway Commission, through "its officers or appropriate employees, or its contractor," to close a highway to public travel while a ramp is in use by its contractor's equipment. *C. C. Mangum, Inc. v. Gasperson*, 262 N.C. 32, 136 S.E.2d 234 (1964).

Requirements as to Signs and Flagmen Do Not Give Contractor Special Privi-

leges.—Where a contractor for the improvement of an airport is granted permission by the Highway Commission to construct a dirt ramp over the highway to protect it from heavy equipment, the Commission's requirements with reference to signs and flagmen are primarily for the protection of the users of the highway and do not confer on the contractor special privileges in respect to right of way. *C. C. Mangum, Inc. v. Gasperson*, 262 N.C. 32, 136 S.E.2d 234 (1964).

Care Required of Traveler.—

Where travel on the highway was closed temporarily by means of warning signs and flagmen's signals, it was the duty of the motorist to stop and yield the right of way to the contractor's earth movers. *C. C. Mangum, Inc. v. Gasperson*, 262 N.C. 32, 136 S.E.2d 234 (1964).

Applied in *Luther v. Asheville Contracting Co.*, 268 N.C. 636, 151 S.E.2d 649 (1966).

§ 136-28. Letting of contracts to bidders after advertisement; enforcing claims against contractor by action on bond.

A statutory requirement for competitive bids constitutes a jurisdictional prerequisite to the exercise of the power of a public corporation to enter into a contract. *Nello L. Teer Co. v. North Carolina State Highway Comm'n*, 265 N.C. 1, 143 S.E.2d 247 (1965).

Persons dealing with a public agency are presumed to know the law with respect to the requirement of competitive bidding and act at their peril. *Nello L. Teer Co. v. North Carolina State Highway Comm'n*, 265 N.C. 1, 143 S.E.2d 247 (1965).

§ 136-29. Adjustment of claims.—(a) Upon the completion of any contract for the construction of any State highway awarded by the State Highway Commission to any contractor, if the contractor fails to receive such settlement as he claims to be entitled to under his contract, he may, within sixty (60) days from the time of receiving his final estimate, submit to the State Highway Administrator a written and verified claim for such amount as he deems himself entitled to under the said contract setting forth the facts upon which said claim is based. In addition, the claimant, either in person or through counsel, may appear before the State Highway Administrator and present any additional facts and argument in support of his claim. Within ninety (90) days from the receipt of the said written claim or within such additional time as may be agreed to between the State Highway Administrator and the contractor, the State Highway Administrator shall make an investigation of said claim and with the approval of the Highway Commission may allow all or any part or may deny said claim and shall have with the approval of the State Highway Commission the authority to reach a compromise agreement with the contractor and shall notify the contractor in writing of his decision.

(b) As to such portion of the claim as is denied by the State Highway Administrator, the contractor may, within six (6) months from receipt of said decision, institute a civil action for such sum as he claims to be entitled to under said contract by the filing of a verified complaint and issuance of summons in the Superior Court of Wake County or in the superior court of any county wherein the work under said contract was performed. The procedure shall be the same as in all civil actions except as herein and as hereinafter set out.

(c) All issues of law and fact and every other issue shall be tried by the judge, without a jury; provided that the matter may be referred in the instances and in the manner provided for in article 20 of chapter 1 of the General Statutes.

(d) The submission of the claim to the State Highway Administrator within the time and as set out in subsection (a) of this section and the filing of an action in the superior court within the time as set out in subsection (b) of this section shall be a condition precedent to bringing such an action under this section and shall not be a statute of limitations.

(e) The provisions of this section shall be deemed to enter into and form a part of every contract entered into between the State Highway Commission and any contractor, and no provision in said contracts shall be valid that is in conflict herewith. (1939, c. 318; 1947, c. 530; 1957, c. 65, s. 11; 1963, c. 667; 1965, c. 55, s. 11; 1967, c. 873.)

Editor's Note.—

The 1965 amendment, effective July 1, 1965, substituted "State Highway Administrator" for "Director of the State Highway Commission" in subsections (a), (b) and (d) and added "with the approval of the State Highway Commission" near the end of subsection (a).

The 1967 amendment inserted "or within such additional time as may be agreed to between the State Highway Administrator and the contractor" in the third sentence of subsection (a).

Section Assumes Valid Contract Is Subsisting.—The procedure under this section is available when the contractor has completed his contract with the Highway Commission and fails to receive "such settlement as he claims to be entitled to under his contract." This assumes a valid contract is subsisting. *Nello L. Teer Co. v. North Carolina State Highway Comm'n.* 265 N.C. 1, 143 S.E.2d 247 (1965).

Recovery, if any, under the contract must be based on the terms and provisions thereof. *Nello L. Teer Co. v. North Carolina State Highway Comm'n.* 265 N.C. 1, 143 S.E.2d 247 (1965).

The procedure is to resolve any controversy as to what (additional) amount, if any, the contractor is entitled to recover

under the terms of the contract. *Nello L. Teer Co. v. North Carolina State Highway Comm'n.* 265 N.C. 1, 143 S.E.2d 247 (1965).

When Final Estimate Received by Contractor.—Where the Highway Commission sent its contractor a warrant for the balance of the contract price less an amount withheld as liquidated damages, with a letter characterizing the payment as "final payment of the contract," and the contractor returned the warrant with a request that it be reissued without words jeopardizing the contractor's right to contest the liquidated damages, the final estimate was received by the contractor within the purview of this section on the date he received a letter returning the warrant with notation permitting its negotiation without jeopardizing the contractor's claim, and the filing of claim by the contractor within sixty days thereafter was timely. *L. A. Reynolds Co. v. State Highway Comm'n.* 271 N.C. 40, 155 S.E.2d 473 (1967).

For case construing provisions for a board of review contained in this section prior to 1963 amendment, see *Nello L. Teer Co. v. North Carolina State Highway Comm'n.* 265 N.C. 1, 143 S.E.2d 247 (1965).

ARTICLE 3.

State Highway System.

Part 1. Highway System.

§ 136-45. General purpose of law; control, repair and maintenance of highways.

Commission Is Agency Created to Construct and Maintain Highway System. — The State Highway Commission is the State agency created for the purpose of constructing and maintaining state-wide highways at the expense of the entire State. North Carolina Turnpike Authority

v. Pine Island, Inc., 265 N.C. 109, 143 S.E.2d 319 (1965).

Commission Has No Power to Condemn Property for Private Use. — This section and § 136-18 vest in the State Highway Commission broad discretionary powers in establishing, constructing, and maintain-

ing highways as part of a state-wide system of hard-surfaced and other dependable highways, but the State Highway Commission has no power to condemn private property to construct a road for the private

use of any person or group of persons, and if it does so, it is an arbitrary act and an abuse of the discretion vested in it. *State Highway Comm'n v. Batts*, 265 N.C. 346, 144 S.E.2d 126 (1965).

§ 136-47. Routes and maps; objections; changes.

Powers over Roads of Highway System.—The Highway Commission has authority to change, alter, add to or discontinue roads of the State highway system.

Snow v. North Carolina State Highway Comm'n, 262 N.C. 169, 136 S.E.2d 678 (1964).

Part 3. Power to Make Changes in Highway System.

§ 136-54. Power to make changes.—Subject to the provisions of § 136-60 the State Highway Commission shall be authorized, when in its judgment the public good requires it, to change, alter, add to, or abandon and substitute new sections for, any portion of the State highway system, as now or hereafter, taken over, maintained and established: Provided, no road shall be changed, altered, or abandoned so as to disconnect county seats and principal towns. (1927, c. 46, s. 1; 1933, c. 172, s. 17; 1957, c. 65, s. 11; 1965, c. 538, s. 2; 1967, c. 1128, s. 1.)

Editor's Note.—

The 1965 amendment deleted a reference to § 136-57 near the beginning of this section.

The 1967 amendment deleted a reference to § 136-56 near the beginning of this section.

Powers over Roads of Highway System.—The Highway Commission has authority to change, alter, add to or discontinue roads of the State highway system. *Snow v. North Carolina State Highway Comm'n*, 262 N.C. 169, 136 S.E.2d 678 (1964).

§ 136-55. Notice of relocation or abandonment of numbered highways.—Upon the approval by the Commission of the preliminary design for the relocation or construction upon new location of any State, federal or interstate numbered highways, the State Highway Commission shall post a map at the courthouse door in the county or counties where the proposed project is located showing the existing location and the new location of said highway. In addition, said map shall show any segments of the existing highways which are to be abandoned and removed from the State highway system for maintenance by the Commission upon completion and opening to traffic of the new or relocated highway. (1927, c. 46, s. 2; 1931, c. 145; 1933, c. 172, s. 17; 1957, c. 65, s. 11; 1967, c. 1128, s. 2.)

Editor's Note.—

The 1967 amendment rewrote this section.

§ 136-55.1. Notice of abandonment.—At least 60 days prior to any action by the State Highway Commission abandoning a segment of road and removing the same from the State highway system for maintenance, except roads abandoned on request of the county commissioners under G.S. 136-63, the State Highway Commission shall notify by registered mail or personal delivery all owners of property adjoining the section of road to be abandoned whose whereabouts can be ascertained by due diligence. Said notice shall describe the section of road which is proposed to be abandoned and shall give the date, place and time of the Commission meeting at which the action abandoning said section of road is to be taken. (1957, c. 1063; 1967, c. 1128, s. 3.)

Editor's Note.—

The 1967 amendment rewrote this section.

§ 136-56: Repealed by Session Laws 1967, c. 1128, s. 4.

§ 136-57: Repealed by Session Laws 1965, c. 538, s. 1.

§ 136-59. **No court action against State Highway Commission.**—No action shall be maintained in any of the courts of this State against the State Highway Commission to determine the location of any State highways or portion thereof, by any person, corporation, or municipal corporation. (1927, c. 46, s. 7; 1933, c. 172, s. 17; 1957, c. 65, s. 11; 1967, c. 1128, s. 5.)

Editor's Note.—

The 1967 amendment deleted "other than the road-governing body of the county in which said road is situated, or the county

seat or principal town affected as defined in § 136-55 by any change, alteration or abandonment" at the end of the section.

§ 136-62. **Right of petition.**—The citizens of the State shall have the right to present petitions to the board of county commissioners, and through the board to the chairman of the State Highway Commission, concerning additions to the system and improvement of roads. The board of county commissioners shall receive such petitions, forwarding them on to the State Highway Commission with their recommendations. Petitions on hand at the time of the periodic preparation of the secondary road plan shall be considered by the representatives of the Highway Department in preparation of that plan, with report on action taken by these representatives on such petitions to the board of commissioners at the time of consultation. The citizens of the State shall at all times have opportunities to discuss any aspect of secondary road additions, maintenance, and construction, with representatives of the Highway Department in charge of the preparation of the secondary road plan, and if not then satisfied opportunity to discuss any such aspect with the division engineer, the Director of Highways, and the State Highway Commission in turn. (1931, c. 145, s. 14; 1933, c. 172, s. 17; 1957, c. 65, s. 7; 1965, c. 55, s. 12.)

Editor's Note.—

The 1965 amendment, effective July 1, 1965, substituted "chairman of the State

Highway Commission" for "Director of Highways" in the first sentence.

§ 136-63. **Change or abandonment of roads.**—The board of county commissioners of any county may, on their own motion or on petition of a group of citizens, request the chairman of the State Highway Commission to change or abandon any road in the secondary system, when in the opinion of the board the best interest of the people of the county will be served thereby. The chairman shall thereupon make inquiry into the proposed change or abandonment, and if in his opinion the public interest demands it, shall make such change or abandonment. If the change or abandonment shall affect a road connecting with any street of a city or town, the change or abandonment shall not be made until the street-governing body of the city or town shall have been duly notified and given opportunity to be heard on the question. If not satisfied with the decision of the chairman, the board of county commissioners or the street-governing body of the city or town shall have opportunity to discuss the matter with the State Highway Commission. Any request refused by the chairman of the State Highway Commission may be presented again upon the expiration of twelve (12) months. (1931, c. 145, s. 15; 1957, c. 65, s. 8; 1965, c. 55, s. 13.)

Editor's Note.—

The 1965 amendment, effective July 1, 1965, substituted "chairman of the State Highway Commission" for "Director of

Highways" in the first and last sentences and substituted "chairman" for "Director" in the second and fourth sentences.

ARTICLE 3A.

Streets and Highways in and around Municipalities.

§ 136-66.1. **Responsibility for streets inside municipalities.**

Highway Commission Is Responsible for City Street in State System.—When

a city street becomes a part of the State highway system, the Highway Commis-

sion is responsible for its condition thereafter to the same extent as if originally constructed by it; and this applies to the fill and culvert as well as to the surface areas of the highway. *Sherrill v. North Carolina State Highway Comm'n*, 264 N.C. 643, 142 S.E.2d 653 (1965).

This section and §§ 160-54 and 136-93 indicate that the Highway Commission is under a statutory obligation with reference to the construction, maintenance and repair of all city streets, including culverts which support city streets, which constitute a part of the State highway system. *Milner Hotels, Inc. v. City of Raleigh*, 271 N.C. 224, 155 S.E.2d 543 (1967).

Municipality May Not Contract to Take Over Obligations of Commission.—This section and §§ 160-54 and 136-93 do not authorize a municipality, in the absence of specific legislative authority, to contract to take over the responsibilities of the Highway Commission with reference to the construction, maintenance and repair of city streets and supporting culverts which constitute a part of the State highway system. *Milner Hotels, Inc. v. City of Raleigh*, 271 N.C. 224, 155 S.E.2d 543 (1967).

§ 136-66.2. Development of a coordinated street system.

Local Modification. — City of Roanoke Rapids: 1965, c. 987.

§ 136-66.3. Acquisition of rights-of-way.

(c) In the acquisition of rights-of-way for any State highway system street or highway in or around a municipality, the municipality shall be vested with the same authority to acquire such rights-of-way as is granted to the State Highway Commission in this chapter. In the acquisition of such rights-of-way, municipalities may use the procedures provided in article 9 of this chapter, and wherever the words "Highway Commission" or "State Highway Commission" appear in article 9 they shall be deemed to include "municipality" or "municipal governing body," and wherever the words "Administrator," "Administrator of Highways," "Administrator of the Highway Commission," "chairman" or "chairman of the Highway Commission" appear in article 9 they shall be deemed to include "municipal clerk." It is the intention of this subsection that the powers herein granted to municipalities for the purpose of acquiring rights-of-way shall be in addition to and supplementary to those powers granted in any local act or in any other general statute, and in any case in which the provisions of this subsection or article 9 of this chapter are in conflict with the provisions of any local act or any other provision of any general statute, then the governing body of the municipality may in its discretion proceed in accordance with the provisions of such local act or other general statute, or, as an alternative method of procedure, in accordance with the provisions of this subsection and article 9 of this chapter.

(1965, c. 867; 1967, c. 1127.)

Editor's Note. — The 1965 amendment rewrote subsection (c).

The 1967 amendment substituted "Administrator," "Administrator of Highways," "Administrator of the Highway Commission," "chairman" or "chairman of the High-

way Commission" for "Director" or "Director of Highways" or "Director of the Highway Commission" near the end of the second sentence of subsection (c).

As the rest of the section was not affected by the amendments, it is not set out.

ARTICLE 4.

Neighborhood Roads, Cartways, Church Roads, etc.

§ 136-67. Neighborhood public roads.

Dangerous Grade Intersection, Underpass or Overpass Eliminated by Highway Commission.—Every segment of a public road which has been abandoned as a part of the State road system coming within the terms of this section is, by legislative

enactment, established as a neighborhood public road; however, the elimination by the Highway Commission of a section of a road so as to exclude a dangerous grade intersection, underpass or overpass, is not a segment of an abandoned road "which

remain(s) open and in general use" by the public so as to qualify it as a neighborhood road which must be kept open. *Snow v. North Carolina State Highway Comm'n*, 262 N.C. 169, 136 S.E.2d 678 (1964).

Applied in State Highway Comm'n v. Phillips, 267 N.C. 369, 148 S.E.2d 282 (1966).

§ 136-68. Special proceeding for establishment, alteration or discontinuance of cartways, etc.; petition; appeal.

This Section and § 136-69, etc.—
This section and § 136-69 are in derogation of the rights of private property and

must be strictly construed. *Taylor v. West Virginia Pulp & Paper Co.*, 262 N.C. 452, 137 S.E.2d 833 (1964).

§ 136-69. Cartways, tramways, etc., laid out; procedure.—If any person, firm, association, or corporation shall be engaged in the cultivation of any land or the cutting and removing of any standing timber, or the working of any quarries, mines, or minerals, or the operating of any industrial or manufacturing plants, or public or private cemetery, or taking action preparatory to the operation of any such enterprises, to which there is leading no public road or other adequate means of transportation affording necessary and proper means of ingress thereto and egress therefrom, such person, firm, association, or corporation may institute a special proceeding as set out in the preceding section, and if it shall be made to appear to the court necessary, reasonable and just that such person shall have a private way to a public road or watercourse or railroad over the lands of other persons, the court shall appoint a jury of view of three disinterested freeholders to view the premises and lay off a cartway, tramway, or railway of not less than eighteen feet in width, or cableways, chutes, and flumes, and assess the damages the owner or owners of the land crossed may sustain thereby, and make report of their findings in writing to the clerk of the superior court. Exceptions to said report may be filed by any interested party and such exceptions shall be heard and determined by the clerk of the superior court. The clerk of the superior court may affirm or modify said report, or set the same aside and order a new jury of view. All damages assessed by a judgment of the clerk, together with the cost of the proceeding, shall be paid into the clerk's office before the petitioners shall acquire any rights under said proceeding.

Where a tract of land lies partly in one county and partly in an adjoining county, or where a tract of land lies wholly within one county and the public road nearest or from which the most practical roadway to said land would run, lies in an adjoining county and the practical way for a cartway to said land would lead over lands in an adjoining county, then and in that event the proceeding for the laying out and establishing of a cartway may be commenced in either the county in which the land is located or the adjoining county through which said cartway would extend to the public road, and upon the filing of such petition in either county the clerk of the court shall have jurisdiction to proceed for the appointment of a jury from the county in which the petition is filed and proceed for the laying out and establishing of a cartway as if the tract of land to be reached by the cartway and the entire length of the cartway are all located within the bounds of said county in which the petition may be filed. vides that it shall not apply to the counties of Alleghany, Clay, Graham, Jackson, Mitchell, Polk, Swain and Yancey.

The 1965 amendment substituted "eighteen" for "fourteen" near the end of the first sentence. Section 1½ of the act pro-

Section Strictly Construed.—

This section and § 136-68 are in derogation of the rights of private property

and must be strictly construed. *Taylor v. West Virginia Pulp & Paper Co.*, 262 N.C. 452, 137 S.E.2d 833 (1964)

Effect of Permissive Way.—

An adequate permissive way meets the requirements of this section. *Taylor v. West Virginia Pulp & Paper Co.*, 262 N.C. 452, 137 S.E.2d 833 (1964).

Cartway Quasi-Public Road.—

Once established, a cartway becomes a quasi-public road. *Taylor v. West Virginia Pulp & Paper Co.*, 262 N.C. 452, 137 S.E.2d 833 (1964).

Requisites for Cartways.—

As one taking action preparatory to cutting and removing standing timber from his land, petitioner is entitled to condemn a cartway over another's property, provided (1) there is no public road or other adequate means of transportation affording him necessary and proper access to his own property, and (2) he satisfies the court that it is necessary reasonable, and just that he have such a private way. *Taylor v. West Virginia Pulp & Paper Co.*, 262 N.C. 452, 137 S.E.2d 833 (1964).

Access to a navigable stream would not in every instance afford an adequate outlet for the purposes enumerated in this section and thus preclude relief under it. *Taylor v. West Virginia Pulp & Paper Co.*, 262 N.C. 452, 137 S.E.2d 833 (1964).

Where a petitioner does, in fact, have access to his lands, albeit by water, if such access affords adequate and proper means of ingress and egress, he is not entitled to another and different way by land, even though it would prove more convenient and economical. *Taylor v. West Virginia Pulp & Paper Co.*, 262 N.C. 452, 137 S.E.2d 833 (1964).

The laying off of a cartway, etc.—

Even a petitioner qualifying under this section for a private way over the lands of another is not entitled to select his route or to use existing private roads on a respondent's land as a matter of right, however expedient and economical their use would be to him. The location of the way is the task of a jury of view, but its acts are reviewable by the court. *Taylor v. West Virginia Pulp & Paper Co.*, 262 N.C. 452, 137 S.E.2d 833 (1964).

Thus, Petitioner Is Not Entitled to Use of Existing Road as Matter of Law. —

Unless the only avenue over a respondent's land reasonably adequate for access to a petitioner's property happened to be a road already constructed by the respondent, a petitioner entitled to a cartway would have no right, as a matter of law, to the use of that particular road. *Taylor v. West Virginia Pulp & Paper Co.*, 262 N.C. 452, 137 S.E.2d 833 (1964).

Controlled-Access Facilities.

§ 136-89.48. Declaration of policy.

Designating Highways as "Controlled-Access" Is Exercise of Police Power. — When the Highway Commission acts in the interest of public safety, convenience and general welfare, in designating highways as controlled-access highways, its action is the exercise of the police power of the State. *Wofford v. North Carolina State Highway Comm'n*, 263 N.C. 677, 140 S.E.2d 376 (1965).

Impairing Property Value by Exercise of Police Power Gives No Right to Compensation.—The impairment of the value of property by the exercise of police power, where property itself is not taken, does not entitle the owner to compensation. *Wofford v. North Carolina State Highway Comm'n*, 263 N.C. 677, 140 S.E.2d 376 (1965).

§ 136-89.51. Design of controlled-access facility.

Commission May Forbid Construction and Use of Driveway.—There can be no doubt of the authority of the State Highway Commission, upon its finding that the construction and use of a driveway, affording direct access from adjoining property onto a controlled-access highway, would be or is an obstruction to the free flow of

traffic thereon, or a hazard to the safety of travelers upon the highway, to forbid the construction of the driveway or to prohibit its further use. *Kenco Petroleum Marketers, Inc. v. State Highway Comm'n*, 269 N.C. 411, 152 S.E.2d 508 (1967).

§ 136-89.52. Acquisition of property and property rights.

Commission Is Vested with Broad Discretion.—It is well-settled law in this State that the State Highway Commission is vested by statute with broad discretionary authority in the performance of its statutory duties, and the court cannot substitute its judgment for that of the State Highway Commission, and control the discretion vested in the State Highway Commission to acquire by condemnation property sought to be acquired for "controlled-access facilities"; the exercise by it of such discretionary authority and powers is not subject to judicial review, unless its action is so clearly unreasonable as to amount to oppressive and manifest abuse. *State Highway Comm'n v. Greensboro City Bd. of Educ.*, 265 N.C. 35, 143 S.E.2d 87 (1965).

The State Highway Commission has authority to expropriate a school board's property for the purpose of acquiring land for a controlled-access highway facility, even though the property sought to be condemned is devoted to a public use and even though the school board itself is vested with power of expropriation. *State Highway Comm'n v. Greensboro City Bd. of Educ.*, 265 N.C. 35, 143 S.E.2d 87 (1965).

The General Assembly by virtue of the provisions of this section has granted to the State Highway Commission, acting in behalf of the State of North Carolina and for its sovereign purposes in constructing, developing and maintaining "a state-wide system of roads and highways commensurate with the needs of the State as a whole," express and explicit power and

authority in plain and unmistakable words to acquire by condemnation property owned by a city board of education for "controlled-access facilities." *State Highway Comm'n v. Greensboro City Bd. of Educ.*, 265 N.C. 35, 143 S.E.2d 87 (1965).

Provided Compensation Is Paid Therefor.—There is nothing in the State Constitution inhibiting the legislature from granting express and explicit power and authority to the State Highway Commission to condemn for "controlled-access facilities" property owned by a city board of education and devoted to public use, except that the organic law provides that just compensation shall be paid for property so appropriated. *State Highway Comm'n v. Greensboro City Bd. of Educ.*, 265 N.C. 35, 143 S.E.2d 87 (1965).

Denial of access is to be considered in determining the fair market value of land immediately after the taking, and an instruction to the effect that the denial of access should not be taken into consideration is prejudicial error. *North Carolina State Highway Comm'n v. Gasperson*, 268 N.C. 453, 150 S.E.2d 860 (1966).

Effect of Stipulation as to Right to Access.—Where the Highway Commission, by agreement for compensation for the taking of a part of a tract of land, stipulates the right of such owner to access to the highway, the right of access as to the owner and his grantees by mesne conveyance is governed by the stipulations. *Kenco Petroleum Marketers, Inc. v. State Highway Comm'n*, 269 N.C. 411, 152 S.E.2d 508 (1967).

Where the agreement between the owner

and the Highway Commission for a taking of a part of land stipulated that the owner should have no right of access to the highway except at a designated survey station, the agreement, in order to have any meaning, must perforce contemplate direct access by the owner to the highway or to a ramp at or near the designated survey station, and the denial by the Highway Commission of such direct access constituted a taking, either of an easement appurtenant or of a right conferred by the agreement, entitling the owner or those claiming under him to compensation. *Kenco Petroleum Marketers, Inc. v. State Highway Comm'n*, 269 N.C. 411, 152 S.E.2d 508 (1967).

Right-of-Way Agreement Made before

§ 136-89.53. New and existing facilities;

Abutting Owner Has Right in Street beyond That of General Public.—The owner of property abutting a highway has a right in the street beyond that which is enjoyed by the general public since egress and ingress to his property is a necessity peculiar to himself. *North Carolina State Highway Comm'n v. Nuckles*, 271 N.C. 1, 155 S.E.2d 772 (1967).

Access Cannot Be Taken without Compensation.—The right of a property owner to reasonable access to a public highway which abuts his land is a property right which cannot be taken without compensation. *State Highway Comm'n v. Raleigh Farmers Mkt., Inc.*, 263 N.C. 622, 139 S.E.2d 904 (1965); *North Carolina State Highway Comm'n v. Nuckles*, 271 N.C. 1, 155 S.E.2d 772 (1967).

If There Is Taking or Destruction of Preexisting Property Right.—When the Commission, in the interest of the public safety, convenience and general welfare, without the taking or destruction of a property right, regulates the right to enter upon or to proceed along a controlled-access highway, the owner of land which is thereby diminished in value, such as by the diminution in volume of traffic upon the highway in front of it, is not entitled to compensation. Conversely, if such action by the Commission is a taking or destruction of a preexisting property right, the owner of such right is entitled to

§ 136-89.57: Repealed by Session Laws 1965, c. 474, s. 1.

Enactment of Section.—In determining whether the plaintiff had a property right which had been taken or destroyed by the Highway Commission, the court was not controlled by the provision in this section that "Along new highway locations abutting property owners shall not be entitled, as a matter of right, to access to such new locations; however, the denial of such right of access shall be considered in determining general damages," since this section was not enacted until 1957, four years after the right-of-way agreement between the Commission and the plaintiff's predecessor in title by which the rights of the parties were fixed. *Kenco Petroleum Marketers, Inc. v. State Highway Comm'n*, 269 N.C. 411, 152 S.E.2d 508 (1967).

compensation for its taking or destruction. In the latter event, the remedy of such property owner is by a proceeding under this chapter. *Kenco Petroleum Marketers, Inc. v. State Highway Comm'n*, 269 N.C. 411, 152 S.E.2d 508 (1967).

But Requiring Circuity of Travel Does Not Give Right to Compensation.—If the abutting owner is afforded reasonable access, he is not entitled to compensation merely because of circuity of travel to reach a particular destination. *State Highway Comm'n v. Raleigh Farmers Mkt., Inc.*, 263 N.C. 622, 139 S.E.2d 904 (1965).

Construction of Highway with Different Lanes for Different Kinds and Directions of Traffic.—An abutting property owner is not entitled to compensation because of the construction of a highway with different lanes for different kinds and directions of traffic, if he be afforded direct access by local traffic lanes to points designated for access to through traffic. *North Carolina State Highway Comm'n v. Nuckles*, 271 N.C. 1, 155 S.E.2d 772 (1967).

Power to Regulate and Close Crossings.—The Highway Commission is authorized to regulate, abandon, and close grade crossings and intersections. *Snow v. North Carolina State Highway Comm'n*, 262 N.C. 169, 136 S.E.2d 678 (1964).

§ 136-89.58. **Unlawful use of National System of Interstate and Defense Highways and other controlled-access facilities.**—On those sections of highways which are or become a part of the National System of Interstate and Defense Highways and other controlled-access facilities it shall be unlawful for any person:

- (1) To drive a vehicle over, upon or across any curb, central dividing section or other separation or dividing line on said highways.
- (2) To make a left turn or a semicircular or U-turn except through an opening provided for that purpose in the dividing curb section, separation, or line on said highways.
- (3) To drive any vehicle except in the proper lane provided for that purpose and in the proper direction and to the right of the central dividing curb, separation section, or line on said highways.
- (4) To drive any vehicle into the main travel lanes or lanes of connecting ramps or interchanges except through an opening or connection provided for that purpose by the State Highway Commission.
- (5) To stop, park, or leave standing any vehicle, whether attended or unattended, on any part or portion of the right of way of said highways, except in the case of an emergency or as directed by a peace officer, or as designated parking areas.
- (6) To willfully damage, remove, climb, cross or breach any fence erected within the rights of way of said highways.

Any person who violates any of the provisions of this section shall be guilty of a misdemeanor and upon conviction thereof shall be punished by a fine not in excess of one hundred dollars (\$100.00) or by imprisonment not in excess of sixty (60) days or by both such fine and imprisonment, in the discretion of the court. ARTICLE 6E.

North Carolina Turnpike Authority.

§ 136-89.59. Turnpike projects.

Article Held Constitutional.—See *North Carolina Turnpike Authority v. Pine Island, Inc.*, 265 N.C. 109, 143 S.E.2d 319 (1965).

Turnpike Projects Are to Supplement Highway System. — By this article the legislature authorized turnpike projects to augment the State highway system. *North Carolina Turnpike Authority v. Pine Island, Inc.*, 265 N.C. 109, 143 S.E.2d 319 (1965).

The Authority is the State agency created to provide additional roads at the expense of those who choose to use them. *North Carolina Turnpike Authority v. Pine Island, Inc.*, 265 N.C. 109, 143 S.E.2d 319 (1965).

Powers Properly Delegated.—The complexities of modern life are such that courts of last resort have recognized the necessity of legislative grants of authority to carry forward programs such as pro-

vided in this Turnpike Act. *North Carolina Turnpike Authority v. Pine Island, Inc.*, 265 N.C. 109, 143 S.E.2d 319 (1965).

If it were necessary for the Turnpike Authority to formulate specific plans as to the course of the turnpike through the various municipalities, and as to the manner and method of construction and then seek legislative approval thereof, there would be no purpose in creating the Authority; the legislature might just as well act itself in the entire matter. The prohibition against abdication of legislative power in favor of an agency was never intended to extend to such administrative details. *North Carolina Turnpike Authority v. Pine Island, Inc.*, 265 N.C. 109, 143 S.E.2d 319 (1965).

Location of Project Left to Discretion of Authority and Commission.—Since toll roads are a departure from a legislative policy of many years' standing, in 1963

the General Assembly was proceeding cautiously and experimentally in authorizing them. Even so, it did not direct the location of the pilot project with which it authorized Authority to begin. This was left to the discretion of Authority and State Highway Commission, uncontrolled except by the same general policies which direct location of roads by the State Highway Commission—plus the policy that it must be located in a section where a toll road might reasonably be expected to pay for itself. *North Carolina Turnpike Authority v. Pine Island, Inc.*, 265 N.C. 109, 143 S.E.2d 319 (1965).

“Including” Is Not Limitation in Definition.—The statutory definition of a thing as “including” certain things does not necessarily place thereon a meaning

limited to the inclusions. *North Carolina Turnpike Authority v. Pine Island, Inc.*, 265 N.C. 109, 143 S.E.2d 319 (1965).

Thus, Other Safety Devices Are Not Excluded by This Section.—By use of the word “including” near the beginning of this section, the lawmakers intended merely to list examples of known safety devices, but not to exclude others equally well known. Had the latter been their intention, the proper expression to have been used would have been “comprising,” “consisting of,” or some synonymous term. This is not a situation which calls for the application of the maxim, “expressio unius est exclusio alterius.” *North Carolina Turnpike Authority v. Pine Island, Inc.*, 265 N.C. 109, 143 S.E.2d 319 (1965).

§ 136-89.60. Credit of State not pledged.

Bonds Are Not Debt within Meaning of Constitution.—The General Assembly has taken great care to make it crystal clear that the credit of neither the State nor any of its political subdivisions can be pledged to pay the Turnpike Authority’s revenue bonds. This method of financing creates no debt within the meaning of the Constitution. *North Carolina Turnpike Authority v. Pine Island, Inc.*, 265 N.C. 109, 143 S.E.2d 319 (1965).

Thus, Constitutional Debt Limitations Are Inapplicable.—Since the Turnpike Authority’s revenue bonds do not create a debt within the meaning of the Constitution, the limitations of N.C. Const., Art. V, § 4, are inapplicable. *North Carolina Turnpike Authority v. Pine Island, Inc.*, 265 N.C. 109, 143 S.E.2d 319 (1965).

Approval of Commission Insures Integrated System.—This article insured an integrated highway system by making such projects subject to the approval of the State Highway Commission. *North Carolina Turnpike Authority v. Pine Island, Inc.*, 265 N.C. 109, 143 S.E.2d 319 (1965).

And Establishing Points of Access.—Points of ingress and egress shall be so established as to effectuate the purposes of this article. The legislature could provide no more definite criteria for points of ingress and egress on a road the location of which it has authorized Authority to select. *North Carolina Turnpike Authority v. Pine Island, Inc.*, 265 N.C. 109, 143 S.E.2d 319 (1965).

§ 136-89.66. Turnpike revenue bonds.

The authority to spend is circumscribed by the authority to do, i.e., to construct

and maintain toll roads, to collect the revenues therefrom, and out of them to re-

tire the bonds. Any unrelated expenditures would be illegal. These requirements constitute sufficiently definite standards for both the borrowing and the spending of money. *North Carolina Turnpike Authority v. Pine Island, Inc.*, 265 N.C. 109, 143 S.E.2d 319 (1965).

Revenue bonds are authorized only for the purpose of paying the cost of a project. *North Carolina Turnpike Authority v. Pine Island, Inc.*, 265 N.C. 109, 143 S.E.2d 319 (1965).

Taxes and Tolls Distinguished.—Taxes are levied for the support of government, and their amount is regulated by its necessities. Construction in Stages Authorized.—This article contemplates the construction of turnpikes in stages. It provides that bonds may be authorized and issued at one time or from time to time for the payment of any part of the cost of any project. *North Carolina Turnpike Authority v. Miscellaneous Provisions.

§ 136-90. Obstructing highways and roads misdemeanor.

Editor's Note.—For article dealing with the legal problems in southern desegregation, see 43 N.C.L. Rev. 689 (1965).

Obstruction a Nuisance.—

Intentionally obstructing the flow of

traffic constitutes an indictable nuisance, a misdemeanor, punishable by fine, or imprisonment not exceeding two years, or both. *State v. Fox*, 262 N.C. 193, 136 S.E.2d 761 (1964).

§ 136-93. Openings, structures, pipes, trees, and issuance of permits.

Municipality May Not Contract to Take Over Highway Commission's Responsibilities.—This section and §§ 160-54 and 136-66.1 do not authorize a municipality, in the absence of specific legislative authority, to contract to take over the responsibilities of the Highway Commission with reference to the construction, maintenance and repair of city streets and supporting culverts which constitute a part of the State

highway system. *Milner Hotels, Inc. v. City of Raleigh*, 271 N.C. 224, 155 S.E.2d 543 (1967).

Statutory Obligation of Highway Commission.—This section and §§ 160-54 and 136-66.1 indicate that the Highway Commission is under a statutory obligation with reference to the construction, maintenance and repair of all city streets, including culverts which support city streets,

which constitute a part of the State highway system. *Milner Hotels, Inc. v. City of Raleigh*, 271 N.C. 224, 155 S.E.2d 543 (1967).

Issuance of Sewer Construction Permits.—The State Highway Commission or its duly authorized officers may give in writing a permit to an individual, firm or corporation authorizing the holder of such

permit to construct or install a sewer line within the right of way along any highway under the control of the Commission, provided the installation of such sewer line is made under the supervision and to the satisfaction of the Commission or its officers or employees. *Van Leuven v. Akers Motor Lines, Inc.*, 261 N.C. 539, 135 S.E.2d 640 (1964).

§ 136-96. Road or street not used within 15 years after dedication deemed abandoned; declaration of withdrawal recorded; joint tenants or tenants in common; defunct corporations.

Editor's Note.—

For a note discussing the disposition of property within the boundaries of dedicated streets when use of the street is discontinued, see 45 N.C.L. Rev. 564 (1967).

Question Is Whether Street Is Reasonably Necessary. — Under certain circumstances a seller-dedicator or other lot

owners may abandon and close a street or a portion of a street. As to a purchaser, opposing such closing, the question is whether the street is reasonably necessary for the use of his lot. *Wofford v. North Carolina State Highway Comm'n*, 263 N.C. 677, 140 S.E.2d 376 (1965).

§ 136-102.2. Authorization required for test drilling or boring upon right-of-way; filing record of results with chairman of Commission.—No person, firm or corporation shall make any test drilling or boring upon the right-of-way of any road or highway, under the jurisdiction of the State Highway Commission, until written authorization has been obtained from the owner or the person in charge of the land on which the highway easement is located. A complete record showing the results of the test drilling or boring shall be filed forthwith with the chairman of the State Highway Commission and shall be a public record. This section shall not apply to the State Highway Commission making test drilling or boring for highway purposes only. (1967, c. 923, s. 1.)

§ 136-102.3. Filing record of results of test drilling or boring with directors of Departments of Administration and Conservation and Development.—Any person, firm or corporation making any test drilling or boring upon any public land, owned or controlled by the State of North Carolina shall, forthwith after completion, file a complete record of the results of the test drilling or boring with the Director of the Department of Administration and with the Director of the Department of Conservation and Development, of each test hole bored or drilled. Such records filed shall become a matter of public record. Provided, that after exploratory drilling and boring has been completed, and a lease or contract has been executed for operation, production or development of the area, the results of test drillings or borings made incidental to the operation, production or development of the area under lease or contract shall not be subject to the provisions of §§ 136-102.2 to 136-102.4 unless otherwise provided in such lease or contract. (1967, c. 923, s. 2.)

§ 136-102.4. Penalty for violation of §§ 136-102.2 and 136-102.3.—Violation of §§ 136-102.2 and 136-102.3 shall be a misdemeanor, punishable in the discretion of the court. (1967, c. 923, s. 3.)

Condemnation.

§ 136-103. Institution of action and deposit.

Editor's Note.—

For an article urging revision and recodification of North Carolina's eminent domain laws, see 45 N.C.L. Rev. 587 (1967).

The Highway Commission as a State agency or instrumentality possesses the sovereign power of eminent domain, and by reason thereof can take private property for public use for highway purposes upon payment of just compensation. State Highway Comm'n v. Batts, 265 N.C. 346, 144 S.E.2d 126 (1965).

Section Inapplicable, etc.—

By express provision of the enacting

§ 136-104. Vesting of title and right of possession; recording memorandum or supplemental memorandum of action.

Cross Reference.—As to right of condemnation to take voluntary nonsuit, see § 1-209.2 and note thereto.

Formerly, the property owner's title was divested by decree in a special proceeding under § 40-11, and then only when fair compensation had been ascertained and paid as directed by decree confirming the award. North Carolina State Highway Comm'n v. York Industrial Center, Inc., 263 N.C. 230, 139 S.E.2d 253 (1964).

Prior to the enactment of this section, title was not divested until compensation was paid; and the person who owned the property when the award was confirmed was the person to be compensated. North Carolina State Highway Comm'n v. Hettiger, 271 N.C. 152, 155 S.E.2d 469 (1967).

Since July 1, 1960, title is divested by a civil action. North Carolina State Highway Comm'n v. York Industrial Center, Inc., 263 N.C. 230, 139 S.E.2d 253 (1964).

Upon the filing of the complaint and the declaration of a taking, together with the making of a deposit in court, title and right to immediate possession of property condemned by the Highway Commission vests in the Commission. North Carolina State Highway Comm'n v. Myers, 270 N.C. 258, 154 S.E.2d 7 (1967).

Filing Memorandum Has Same Effect as Conveyance.—The Highway Commission, when it files its complaint, must file a memorandum of its action with the register of deeds where the land lies, and this has the same effect as a conveyance of the property. North Carolina State Highway Comm'n v. York Industrial Center, Inc., 263 N.C. 230, 139 S.E.2d 253 (1964).

statute, this section applies only to proceedings begun subsequent to July 1, 1960. Wescott v. State Highway Comm'n, 262 N.C. 522, 138 S.E.2d 133 (1964).

Person Owning Land Immediately Prior to Filing Complaint Has Right to Compensation. — The right to compensation rests in the person who owned the land immediately prior to the filing of the complaint and declaration of taking. North Carolina State Highway Comm'n v. York Industrial Center, Inc., 263 N.C. 230, 139 S.E.2d 253 (1964); North Carolina State Highway Comm'n v. Hettiger, 271 N.C. 152, 155 S.E.2d 469 (1967).

But such person has nothing he can sell pending ascertainment of fair compensation. North Carolina State Highway Comm'n v. York Industrial Center, Inc., 263 N.C. 230, 139 S.E.2d 253 (1964).

"Compensable Interest" Is Interest in Property Condemned.—The "compensable interest" referred to in this section is an interest in the property condemned, not in property conveyed away just prior to condemnation. North Carolina State Highway Comm'n v. Hettiger, 271 N.C. 152, 155 S.E.2d 469 (1967).

Statutory Provisions Not Affected by Agreement Made in Anticipation of Condemnation. — Defendants could not, by agreement made in anticipation of the condemnation of a portion of their property, change the statutory provisions relating to the time of, and basis for, the compensation to be paid when the Commission condemns the property for highway purposes. North Carolina State Highway Comm'n v. Hettiger, 271 N.C. 152, 155 S.E.2d 469 (1967).

Former Owner Not Entitled to Compensation for Reduced Sale Price of Land Condemned. — Where landowners were

forced by business reverses to sell a part of their tract of land to third persons just prior to the time the Highway Commission acquired title to a part of the remainder and they alleged that the price obtained for the tract sold was greatly reduced because of public knowledge of the location of the planned highway, they were not entitled to compensation for the reduced sale price of the land conveyed. *North Carolina State Highway Comm'n v. Hettiger*, 271 N.C. 151, 155 S.E.2d 469 (1967).

Transfer in Condemnation Proceeding

Does Not Destroy Estate by Entirety.—Where title to land held by the entirety is transferred to the State Highway Commission upon the payment into court of a sum estimated by the Commission to be just compensation, such involuntary transfer of title does not destroy the estate by the entirety, and the compensation paid by the Commission has the status of real property owned by the husband and wife as tenants by the entirety. *North Carolina State Highway Comm'n v. Myers*, 270 N.C. 258, 154 S.E.2d 87 (1967).

§ 136-105. Disbursement of deposit; serving copy of disbursing order on State Highway Commission.—Any time prior to the expiration of two years from service of summons, the person named in the complaint and declaration of taking may apply to the court for disbursement of the money deposited in the court, or any part thereof, as full compensation, or as a credit against just compensation without prejudice to further proceedings in the cause to determine just compensation. Upon such application, the judge shall, unless there is a dispute as to title, order that the money deposited be paid forthwith to the person entitled thereto in accordance with the application. The judge shall have power to make such orders with respect to encumbrances, liens, rents, taxes, assessments, insurance, and other charges, if any, as shall be just and equitable.

No notice to the Highway Commission of the hearing upon the application for disbursement of deposit shall be necessary, but a copy of the order disbursing the deposit shall be served upon the chairman of the State Highway Commission, or such other process agents as may be designated by the Highway Commission. (1959, c. 1025, s. 2; 1961, c. 1084, s. 3; 1965, c. 55, s. 14.)

Cross Reference.—See note to § 136-106.

Editor's Note.—

The 1965 amendment, effective July 1, 1965, substituted "chairman of the State Highway Commission, or such other process agents as may be designated by the Highway Commission" for "Director of the Highway Commission" at the end of the section.

There Can Be No Disbursement Unless Specifically Authorized by Order of Court.

—There can be no disbursement of any portion of money deposited as a credit against just compensation for any purpose

unless specifically authorized by order of the court entered after hearing pursuant to notice to all interested parties. *North Carolina State Highway Comm'n v. Myers*, 270 N.C. 258, 154 S.E.2d 87 (1967).

A wife separated from her husband and seeking alimony pendente lite under § 50-16 has no present right to disbursement of money deposited by the State Highway Commission as a credit against just compensation for land owned by the wife and her husband as tenants by entirety. *North Carolina State Highway Comm'n v. Myers*, 270 N.C. 258, 154 S.E.2d 87 (1967).

§ 136-106. Answer, reply and plat.

(b) A copy of the answer shall be served on the chairman of the State Highway Commission, or such other process agents as may be designated by the Highway Commission, in Raleigh, provided that failure to serve the answer shall not deprive the answer of its validity. The affirmative allegations of said answer shall be deemed denied. The Highway Commission may, however, file a reply within thirty (30) days from receipt of a copy of the answer.

(1965, c. 55, s. 15.)

Editor's Note.—

The 1965 amendment, effective July 1, 1965, substituted "chairman of the State Highway Commission, or such other process agents as may be designated by the Highway Commission" for "Director of

Highways, State Highway Commission" near the beginning of subsection (b).

As only subsection (b) was changed by the amendment, the rest of the section is not set out.

Section Does Not Infringe Right to Trial by Jury.—This section is constitutional and does not deprive the plaintiffs of their right to trial by jury as the same is guaranteed by the North Carolina and United States Constitutions. *Kaperonis v. North Carolina State Highway Comm'n*, 260 N.C. 587, 133 S.E.2d 464 (1963).

When the taking by the sovereign is conceded, questions preliminary to the determination of the amount to be paid are questions of fact to be determined by the court—not issues of fact which must be determined by a jury. Assessment of Damages to Tracts Other Than Those Taken.—Obviously, it would be an exercise in futility, completely thwarting the purpose of this section to have the jury assess damages to four certain tracts if plaintiff were condemning only two other tracts, and the verdict would be set aside on appeal for errors committed by the judge in determining the issues other than damages. *North Carolina State Highway Comm'n v. Nuckles*, 271 N.C. 1, 155 S.E.2d 772 (1967).

Immediate Appeal.—Should there be a fundamental error in the judgment rendered under this section resolving the vital preliminary issues of what land is being condemned and the title thereto, ordinary prudence requires an immediate appeal. *North Carolina State Highway Comm'n v. § 136-111. **Remedy where no declaration of taking filed; recording memorandum of action.**—Any person whose land or compensable interest therein has been taken by an intentional or unintentional act or omission of the Highway Commission and no complaint and declaration of taking has been filed by said Highway Commission may, within twenty-four (24) months of the date of said taking, file a complaint in the superior court setting forth the names and places of residence of the parties, so far as the same can be by reasonable diligence be ascertained, who own or have, or claim to own or have, estates or interests in the said real estate and if any such persons are under a legal disability, it must be so stated, together with a statement as to any encumbrances on said real estate; said complaint shall further allege with particularity the facts which constitute said taking together with the dates that they allegedly occurred; said complaint shall describe the property allegedly owned by said parties and shall describe the area and interests allegedly taken. Upon the filing of said complaint, summons shall issue and together with a copy of said complaint be served on the Director of Highways. The allegations of said complaint shall be deemed denied; however, the Highway Commission within sixty (60) days of service of summons and complaint may file answer thereto, and if said taking is admitted by the Highway Commission, it shall, at the time of filing answer, deposit with the court the estimated amount of compensation for said taking and notice of said deposit shall be given to said owner. Said owner may apply for disbursement of said deposit and disbursement shall be made in accordance with the applicable provisions of § 136-105 of this chapter. If a taking is admitted, the Commission shall, within ninety (90) days of the filing of the answer to the complaint, file a map or plat of the land taken. The procedure hereinbefore set out shall be followed for the purpose of determining all matters raised by the pleadings and the determination of just compensation.

The plaintiff at the time of filing of the complaint shall record a memorandum of action with the register of deeds in all counties in which the land involved therein is located, said memorandum to be recorded among the land records of said county. The memorandum of action shall contain

- (1) The names of those persons who the plaintiff is informed and believes may have or claim to have an interest in said lands and who are parties to said action;
- (2) A description of the entire tract or tracts affected by the alleged taking sufficient for the identification thereof;
- (3) A statement of the estate or interest in said land allegedly taken for public use; and
- (4) The date on which plaintiff alleges the taking occurred, the date on which said action was instituted, the county in which it was instituted, and such other reference thereto as may be necessary for the identification of said action. (1959, c. 1025, s. 2; 1961, c. 1084, s. 6; 1963, c. 1156, s. 8; 1965, c. 514, ss. 1, 1½.)

Editor's Note.—

The 1965 amendment inserted "an intentional or unintentional act or omission of" near the beginning of the section and substituted, near the beginning of the section, "twenty-four (24)" for "twelve (12)" and "date of said taking" for "completion

of highway project for which the land was taken."

Section 2 of the amendatory act provides: "All laws and clauses of laws in conflict with this act are hereby repealed except that as to those actions or proceedings pending upon the effective date of

this act or to any takings or causes of actions arising prior to the effective date of this act the present provisions of the law shall remain in full force and effect until such actions or proceedings are concluded."

Statutory Remedy Is Ordinarily Exclusive.—The statutory remedy for the recovery of damages to private property taken for public service is ordinarily exclusive, and when the statutory procedure is available, the owner, failing to pursue the statutory procedure, may not institute an action in superior court to recover his damages. *Midgett v. North Carolina State Highway Comm'n*, 260 N.C. 241, 132 S.E.2d 599 (1963).

But Common Law Provides Action for Taking of Property If Statute Inadequate.—Where the Constitution points out no remedy and no statute affords an adequate remedy under a particular fact situation, the common law will furnish the appropriate action for adequate redress a grievance based on the constitutional prohibition against taking or damaging private property for public use without just compensation. *Midgett v. North Carolina State Highway Comm'n*, 260 N.C. 241, 132 S.E.2d 599 (1963).

Subdivision (1) states the applicable rule as to the ultimate measure of damages. *North Carolina State Highway Comm'n v. Gasperson*, 268 N.C. 453, 150 S.E.2d 860 (1966).

It contains no provision as to factors to be considered by the jury in determining fair market value. *North Carolina State Highway Comm'n v. Gasperson*, 268 N.C. 453, 150 S.E.2d 860 (1966).

All Pertinent Factors Are to Be Considered.—All factors pertinent to the fair market value of the remainder immediately after the taking are to be considered by the jury. *North Carolina State Highway Comm'n v. Gasperson*, 268 N.C. 453, 150 S.E.2d 860 (1966).

The rule as to measure of damages stated in subdivision (1) is in accord with that adopted and stated by the Supreme

Thus, **Plaintiff May Recover for Flooding of Land by Ocean from Highway Construction.**—The owner of land may maintain an action at common law to recover for the depreciation in the value of land resulting from a nuisance created by the construction of a highway at an elevation which periodically diverts storm waters of the ocean across the land, there being no undertaking by defendant to condemn plaintiff's property under this article. *Midgett v. North Carolina State Highway Comm'n*, 260 N.C. 241, 132 S.E.2d 599 (1963).

Although Statute of Limitations, If Strictly Applied, Would Bar Cause of Action.—See *Midgett v. North Carolina State Highway Comm'n*, 260 N.C. 241, 132 S.E.2d 599 (1963).

(1967, c. 1247, s. 2.)

§ 136-124. **Availability of federal aid funds.**—The State Highway Commission shall not be required to expend any funds for the acquisition of property under the provisions of this article unless federal aid funds are made available for this purpose. (1967, c. 1247, s. 3.)
