North Carolina Department of Health and Human Services

September 1, 2022

Introduction

SECTION 9B.9.(c) of SL 2021-180, requires the Department of Health and Human Services (Secretary) to announce no later than July 1 of each year, as applicable, the recipients of the competitive grant awards and allocate funds to the grant recipients for the respective grant period pursuant to the amounts designated under subsection (a) of this section. After awards have been granted, by September 1 of each year, the Secretary shall submit a report to the Joint Legislative Oversight Committee on Health and Human Services on the grant awards that includes at least all of the following:

- (1) The identity and a brief description of each grantee and each program or initiative offered by the grantee.
- (2) The amount of funding awarded to each grantee.
- (3) The number of persons served by each grantee, broken down by program or initiative

Further, Section 9B.9.(b) (6) requires the Department to implement a process that allows grants to be awarded to nonprofits for up to two years. As such, the following report addresses grantees awarded for the SFY 2021-2023 biennium:

DHHS Competitive Grant Program for Statewide Health and Human Services Initiatives to Nonprofit Organizations Awarded per SL 2021, Section 9B.9.(a) - (e):

SECTION 9B.9.(b) The Department shall continue administering a competitive grants process for nonprofit funding. The Department shall administer a plan that, at a minimum, includes each of the following:

(1) A request for application (RFA) process to allow nonprofits to apply for and receive State funds on a competitive basis. The Department shall require nonprofits to include in the application a plan to evaluate the effectiveness, including measurable impact or outcomes, of the activities, services, and programs for which the funds are being requested.

(2) A requirement that nonprofits match a minimum of fifteen percent (15%) of the total amount of the grant award.

(3) A requirement that the Secretary prioritize grant awards to those nonprofits that are able to leverage non-State funds in addition to the grant award.

(4) A process that awards grants to nonprofits that have the capacity to provide services on a statewide basis and that support any of the following State health and wellness initiatives:

a. A program targeting advocacy, support, education, or residential services for persons diagnosed with autism.

b. A system of residential supports for those afflicted with substance abuse addiction.

c. A program of advocacy and supports for individuals with intellectual and developmental disabilities or severe and persistent mental illness, substance abusers, or the elderly.

d. Supports and services to children and adults with developmental disabilities or mental health diagnoses.

e. A food distribution system for needy individuals.

f. The provision and coordination of services for the homeless.

g. The provision of services for individuals aging out of foster care.

h. Programs promoting wellness, physical activity, and health education programming for North Carolinians.

i. The provision of services and screening for blindness.

j. A provision for the delivery of after-school services for apprenticeships or mentoring at-risk youth.

k. The provision of direct services for amyotrophic lateral sclerosis (ALS) and those diagnosed with the disease.

l. A comprehensive smoking prevention and cessation program that screens and treats tobacco use in pregnant women and postpartum mothers.

m. A program providing short-term or long-term residential substance abuse services. For purposes of this sub-subdivision, "long-term" means a minimum of 12 months.
