

Department of Natural and Cultural Resources  
State Library of North Carolina  
ARPA-IMLS Funds  
Quarter Ending 9/30/2022

Amount of Funds Granted: \$4,309,771.00

Source of Funds: Institute of Museum and Library Services: LSTA American Rescue Plan Act (ARPA) Grants (2021) [CFDA 45.310]

How the funds were encumbered: 94 subawards totaling \$3,443,029.15 and internal costs totaling \$205,450.95 for a total of \$3,648,480.10

- SLNC Adapts accepted applications that targeted high need communities in two application categories: EZ and Project. EZ grants are small, focused efforts to increase digital access. Project grants are for larger, collaborative initiatives that leverage partnerships in local communities to address the digital divide.
- Adapting Technology will allow for libraries to improve library operations through the purchase of technology that support efforts to enable libraries to reach residents, especially in support of education, health, and workforce development needs; and/or to respond to the pandemic and implement public health protocols.
- The State Library is offering a statewide subscription to all public libraries to use with their patrons for Northstar, a digital literacy training tool.
- Administrative costs for postage through Mail Service Center along with Indirect Costs

| Institution                                   | Type                | Award Amount | Amount Reimbursed |
