Professional Practice Board

**9c) The number of applicants with military training, the number granted a license, the number denied a license for any reason, and a summary of the reasons for denial.** 0. The OL is fully reciprocal with all branches of the US military. However, no applications for reciprocity came from any military branches in the session. Additionally, while the military branches may provide some CE training, it does not offer a comprehensive degree program, nor does this OL require that.

**9d) The number of applicants who are military spouses, the number granted a license, the number denied a license for any reason, and a summary of reasons for denial.** 0. The OL is fully reciprocal with all branches of the US military. However, no applications for reciprocity came from any military branches in the session. Additionally, while the military branches may provide some CE training, it does not offer a comprehensive degree program, nor does this OL require that.

- 10) **The substance of any anticipated request by the occupational licensing board to the General Assembly to amend statutes related to the occupational licensing board.** – In the 2021 session, the Senate passed [S375](#). This was not referred out of House Rules Committee for consideration. The Board has no specific plans to ask that the bill be re-introduced but could consider it in the future.
- 11) **The substance of any anticipated change in rules adopted by the occupational licensing board or the substance of any anticipated adoption of new rules by the occupational licensing board.** – The Board has gone through two recent rounds of Rules changes in the last four years and does not anticipate any new Rule changes in the future.
