\* Pursuant to SL 2021-180 Sec. 19C.9, Adult Correction is being established as a new agency effective 1/1/23. However, the DAC FY 22-23 budget was certified in the new agency pursuant to SL 2022-74 Sec. 19A.2 with a 7/1/22 date, while expenditures for DAC continue to be recorded in DPS until 1/1/23. Therefore, the DAC Certified Budget amounts come from the certified amounts in DAC's 15010 budget code.

\*\* Lapsed Salary Generated is defined as un-used funds available in all of the 531XXX accounts. This definition comports with OSBM's definition of lapsed salary for use in budget revisions. This represents a change from the methodology used to calculate this figure in prior year agency reports. This report excludes receipt-specific 531XXX accounts, since receipts are generally not eligible to be realigned to meet operating shortfalls across funds.

\*\*\* Actual Lapsed Salary Transferred is considered to be any 531XXX budget moved within personal services or out of the personal services account category. This categorization was not used consistently by DPS during FY21, and may represent an undercount of overall lapsed salary revisions/usage. Lapsed Salary Transferred also includes receipts because the RK341 report does not isolate transactions that involved receipts versus appropriations. This issue is most obvious in NCNG, where over 75% of the certified budget is for receipt-supported positions. However, the RK341 may overstate lapsed salary revisions/usage if other, non-salary accounts, were on the same budget revision.

Note: account categories 536XXX (Aid and Public Assistance) and 537XX (Reserves) are not included in the table above because of the prescribed nature of those appropriations. This report includes data from the DPS General Fund (Budget Code 14550) only.
