Dear Ms. Hogshead:

The Joint Legislative Commission on Governmental Operations Subcommittee on Hurricane Response and Recovery requests your appearance to testify on Wednesday, December 14, 2022, from 10:00am to 1:00pm in the Legislative Building Auditorium.

In your role as Director of North Carolina Office of Recovery and Resiliency (NCORR), you have been responsible for oversight of critical components of North Carolina's hurricane response and recovery processes through RebuildNC. Furthermore, in response to questions and concerns raised in the Sept. 14th hearing of this body, you outlined several changes that will alleviate challenges faced by the RebuildNC program and facilitate more timely completion of recovery efforts. As such, we request that you appear before the Commission to offer your testimony on NCORR's response to Hurricanes Matthew and Florence, with a specific focus on updated information pertaining to:

- The progress and completion of homes since September 14, 2022;
- The progress of completing the homes of families who have been displaced from their home for more than one year;
- Policy changes and process improvements implemented by RebuildNC to facilitate quicker recovery efforts;
- Accountability measures applied to general contractors to reduce construction delays;
- Estimates of the time it will take to get the remaining homes in the program (affected by Hurricanes Matthew and Florence) completed.

Please read this letter carefully to ensure that you comply with all hearing requirements and that you understand your rights as a witness.

Each witness who is to appear before a Subcommittee of the Joint Legislative Commission on Governmental Operations must file with the Subcommittee Clerks a written statement of proposed testimony and any accompanying materials that may be presented at the hearing. **This must be filed at least five working days before your appearance.
