I. Order of Business

RULE 1. Convening Hour, Limitation on Friday, Night, and Sunday Legislative Sessions. - The House shall convene each legislative day at the hour fixed by the House. In the event the House adjourns on the preceding legislative day without having fixed an hour for reconvening, the House shall convene on the next legislative day at 2:00 P.M. During January and February of 2015, no sessions may be held on Friday. Without leave of the House, no session shall continue after 10:00 P.M. on Monday nor after 9:00 P.M. on any other days, and the Speaker shall adjourn the House without motion at that point, except that a motion may be made as to the time and day of next convening. No votes shall be held on Sunday, except for votes on motions to approve the journal and to adjourn.

RULE 1.1. Emergencies. - In the event of a disaster, natural or otherwise, that precludes the General Assembly from meeting in the Legislative Building, the members will be notified by the Speaker where and when the House will convene.

RULE 2. Opening the Session. - The Sergeant-at-Arms shall clear the House five minutes before the convening hour. At the convening hour on each legislative day, the Speaker shall call the members to order and shall have the session opened with prayer. At the convening hour, the Speaker, or the Speaker's designee, shall lead the members in the Pledge of Allegiance to the American Flag.

RULE 3. Quorum. - (a) A quorum consists of a majority of the qualified members of the House.

(b) Should the point of a quorum be raised, the doors shall be closed, and the Clerk shall call the roll of the House, after which the names of those not responding shall again be called. In the absence of a quorum, 15 members are authorized to compel the attendance of absent members and may order that absentees for whom no sufficient excuses are made be taken into custody wherever they may be found by special messenger appointed for that purpose.

RULE 4. Approval of Journal. - (a) The Chair of the Standing Committee on Rules, Calendar, and Operations of the House shall cause the Journal of the House to be examined daily before the hour of convening to determine if the proceedings of the previous day have been correctly recorded.

(b) Immediately following the opening prayer and upon appearance of a quorum, the Speaker shall call for the Journal report by the Chair of the Standing Committee on Rules, Calendar, and Operations of the House, or by a Representative designated by the Chair, as to whether the proceedings of the previous day have been correctly recorded. Without objection, the Speaker shall cause the Journal to stand approved.

RULE 5. Order of Business of the Day. - After the approval of the Journal of the preceding day, except by leave of the House, the House shall proceed to business in the following order:

- (1) The receiving of petitions, memorials, and papers addressed to the General Assembly or to the House;
- (1a) Messages from the Governor;
- (2) Ratification of bills;

 - j. Public bills and resolutions, second reading;
- (11) Reading of notices and announcements.
- (12) Reading of Representative Statements of Personal Privilege.

II. Conduct of Debate

RULE 6. Duties and Powers of the Speaker. -

The Speaker shall have general direction of the Hall, subject to more specific provisions of these rules. The Speaker may name any member to perform the duties of the chair, but substitution shall not extend beyond one day, except in the case of sickness or by leave of the House. If the Speaker is absent and has not designated a

member or the Principal Clerk to perform the duties of the chair, the Speaker Pro Tempore shall preside during such absence. In the case of a vacancy in the office of the Speaker of the House of Representatives, the Principal Clerk shall preside over the House until the House elects a Speaker.

RULE 7. Obtaining Floor. - (a) When any member desires recognition for any purpose, the member shall rise and respectfully address the Speaker. No member shall proceed until recognized by the Speaker for a purpose.

(b) When a member desires to interrupt a member having the floor, the member shall first obtain recognition by the Speaker and permission of the member occupying the floor, and when such recognition and permission have been obtained, he or she may propound a question to the member occupying the floor; but he or she shall not otherwise interrupt the member having the floor, except as provided in subsection (c) of this rule; and the Speaker shall, without the point of order being raised, enforce this rule.

(c) A member who has obtained the floor may be interrupted only for the following reasons:

- (1) A request that the member speaking yield for a question,
- (2) A point of order,
- (3) A parliamentary inquiry, or
- (4) A question of privilege.

RULE 8. Questions of Privilege. - Upon recognition by the Speaker for that purpose, any member may speak to a question of privilege for a time not to exceed three minutes. Questions of privilege shall be those affecting, first, the rights of the House collectively, its safety, dignity, and the integrity of its proceedings; second, the rights, reputation, and conduct of members, individually, in their representative capacity only; and shall have precedence over all other questions, except motions to adjourn. Privilege may not be used to explain a vote or debate a bill. The Speaker

shall determine if the question is one of privilege and shall, without the point of order being raised, enforce this rule.

RULE 8.1. Statements of personal privilege; explanation of vote. - Upon recognition by the Speaker for that purpose, any member may speak to a question of personal privilege for a time not exceeding three minutes, and may use some or all of that time to explain to the House a "Representative Statement of Personal Privilege". Upon motion supported by a majority present and voting, that statement may be spread upon the Journal. Neither personal privilege nor a Representative Statement of Personal Privilege may be used to explain a vote, debate a bill, or in any way disrupt the regular business of the House, nor shall such opportunities be used to solicit support or sponsors for any bill. The format of Representative Statement of Personal Privilege shall be prescribed by the Chairman of the Committee on Rules, Calendar, and Operations of the House, but in any case shall speak only in the voice of the member submitting it. The Speaker shall determine if the question raised is one of personal privilege and shall, without the point of order being raised, enforce this rule.

RULE 9. Points of Order. - (a) The Speaker shall decide questions of order and may speak to points of order in preference to other members arising from their seats for that purpose. Any member may appeal from the ruling of the chair on questions of order; on such appeal no member may speak more than once, unless by leave of the House. A three-fifths vote of the members present shall be necessary to sustain any appeal from the ruling of the chair.

(b) When the Speaker calls a member to order, the member shall be seated, except that a member called to order may clear a matter of fact, or explain, but shall not proceed in debate so long as the decision stands. If the member appeals from the ruling of the chair and the decision by a three-fifths vote of the members present be in favor of the member called to order, the member may proceed; if otherwise, the member shall not; and if the

case, in the judgment of the House requires it, the member shall be liable to censure by the House.

RULE 10. Limitations on Debate. - (a) No member shall speak on, debate, or solicit cosponsors for a bill or resolution at its first reading.

(b) No member shall speak more than twice on the main question nor longer than 15 minutes for the first speech and five minutes for the second speech; nor shall the member speak more than twice upon an amendment or motion to reconsider, re-refer, appeal, or postpone or any motion on concurrence, and then not longer than 10 minutes for the first speech and five minutes for the second speech.

(c) A member may speak only once and for not more than 10 minutes on the question of the adoption of a minority report.

(d) In computing the time allowed for argument, the time consumed in answering questions should be considered and is taken out of any time allowed that member.

(e) The House, by consent of a majority of the members present, may suspend the operation of subsections (b) through (d) of this rule during any debate on any particular question before the House.

RULE 11. Reading of Papers. - When there is a call for the reading of the text of a paper which has been presented to the House and there is objection to such reading, the question shall be determined by a majority vote of the members of the House present. Except for protests permitted by the Constitution, no member may have material printed in the Journal until said material has been presented to the House and the printing approved by the House, and said material shall not exceed 1,000 words.

RULE 12. General Decorum. - (a) The Speaker shall preserve order and decorum.

(b) Decency of speech shall be observed and disrespect to personalities carefully avoided.

(c) When the Speaker is putting any question, or addressing the House, no person shall speak, stand up, walk out of, or cross the House nor, when a member is speaking, engage in disruptive discourse or pass between the member and the chair.

(d) Food or beverages shall not be permitted on the floor of the House during the first hour of the daily session.

(e) The reading of newspapers shall not be permitted on the floor of the House while the House is in session.

(f) The consumption of food or beverages shall not be permitted in the galleries at any time.

(g) Special recitals and performances by musicians or other groups shall not be permitted on the floor of the House; and special guests of members of the House shall not be permitted on the floor of the House.

(h) Members shall observe appropriate attire, coat and tie for male members and dignified dress for female members.

(i) The use of a mobile device or cellular phone for the purpose of making or receiving a phone call shall not be permitted in the House Chamber.

(j) Placards, stickers, or signs are not permitted in the House Chamber.

III. Motions

RULE 13. Motions Generally. - (a) Every motion shall be reduced to writing if the Speaker or any two members request it. No motion relating to a bill shall be in order that does not identify the bill by its number and short title.

(b) When a motion is made, it shall be stated by the Speaker or, if written, it shall be handed to the chair and read aloud by the Speaker or Clerk before debate.

(c) After a motion has been stated by the Speaker or read by the Speaker or Clerk, it shall be in the possession of the House; but it may be withdrawn before a decision or amendment, except in case of a

motion to reconsider, which motion, when made by a member, shall be in possession of the House and shall not be withdrawn without leave of the House.

RULE 14. Motions, Order of Precedence. - When there are motions before the House, the order of precedence is as follows:

- To adjourn.
- To recess.
- To lay on the table.
- Previous question.
- To postpone indefinitely.
- To reconsider.
- To postpone to a day certain.
- To re-refer.
- To amend an amendment.
- To amend.
- To pass the bill.

No motion to lay on the table, to postpone indefinitely, to postpone to a day certain, to re-refer, or to make a particular amendment, being decided, shall be again allowed at the same stage of the bill or proposition.

RULE 15. Motion to Adjourn. - (a) A motion to adjourn shall be seconded before the motion is put to the vote of the House.

(b) A motion to adjourn shall be decided without debate and shall always be in order, except when the House is voting or some member is speaking; but a motion to adjourn shall not follow a motion to adjourn until debate or some other business of the House has intervened.

RULE 16. Motion to Table. - (a) A motion to table shall be seconded before the motion is put to the vote of the House and is in order except when a motion to adjourn or to recess is before the House.

(b) A motion to table shall be decided without debate; however, the proponent of the matter that is subject of the motion to table shall be given up to two minutes to explain the matter subject to the motion to

table if the proponent has not previously explained the matter prior to the motion to table.

(c) A motion to table a bill shall constitute a motion to table the bill and all amendments thereto.

(d) When the question before the House is the adoption of an amendment to a bill or resolution, a motion to table the bill is not in order; and a motion to table an amendment applies to the amendment only, and the motion may not expressly or by implication or construction be expanded to include a motion to table the bill also.

(e) When a question has been tabled, it shall not thereafter be considered, except on motion to reconsider under Rule 18 or to remove from the table approved by a two-thirds vote.

RULE 17. Motion to Postpone Indefinitely. - A motion to postpone indefinitely is in order except when a motion to adjourn or to lay on the table or for the previous question or to recess is before the House. However, after one motion to postpone indefinitely has been decided, another motion to postpone indefinitely shall not be allowed at the same stage of the bill or proposition. When a question has been postponed indefinitely, it shall not thereafter be considered, except on motion to reconsider under Rule 18 or to place on the favorable calendar approved by a two-thirds vote.

RULE 18. Motion to Reconsider. - (a) When a question has been decided, it is in order for any member to move for the reconsideration thereof on the same or the succeeding legislative day; provided that if the vote by which the motion was originally decided was taken by a recorded vote, only a member of the prevailing side may move for reconsideration.

(b) A motion to reconsider shall be determined by a majority vote, except the following shall require a two-thirds vote: a second or subsequent motion to reconsider and a motion to reconsider:

- (1) A vote upon a motion to table,
- (2) A motion to postpone indefinitely,

- (3) A motion to remove a bill from the unfavorable calendar,
- (4) A motion that a bill be read twice on the same day, or
- (5) A motion to remove from the table.
- (c) A motion to reconsider the vote by which a person has been elected as Speaker or Speaker Pro Tempore shall not be in order. This subsection of this rule cannot be suspended except by a vote of three-fifths of all the members of the House.

RULE 19. **Previous Question.** - (a) The previous question may be called only by:

- (1) The Chair of the Committee on Rules, Calendar, and Operations of the House;
- (1a) The Vice-Chair of the Committee on Rules, Calendar, and Operations of the House if the Chair is not in the chamber or able to participate in debate;
- (2) The Majority Leader;
- (3) The member submitting the report on the bill or other matter under consideration;
- (4) The member introducing the bill or other matter under consideration;
- (5) The member in charge of the measure, who shall be designated by the chair of the standing committee reporting the same to the House at the time the bill or other matter under consideration is reported to the House or taken up for consideration.
- (b) The previous question shall be as follows: "Shall the main question now be put?" When the call for the previous question has been decided in the affirmative by a majority vote of the House, the question is on the passage of the bill, resolution, or other matter under consideration.
- (c) The call for the previous question shall preclude all motions, amendments, and debate, except

the motion to adjourn, motion to recess, or motion to table.

(d) If the previous question is decided in the negative, the question remains under debate.

(e) After the previous question is ordered by the House on the main question of second or third reading, the Majority Leader and the Minority Leader may each allocate three minutes of debate on the question. The Majority Leader and the Minority Leader may each designate another member to act under this subsection.

IV. Voting

RULE 20. Use of Electronic Voting System. -

(a) Votes on the following questions shall be taken on the electronic voting system, and the ayes and noes shall be recorded on the Journal:

- (1) The passage as required by Article II, Section 23 of the North Carolina Constitution on second and third readings of any bill:
 - a. Raising money on the credit of the State,
 - b. Pledging the faith of the State for the payment of a debt,
 - c. Imposing a State tax, or
 - d. Authorizing a county, municipality, or other local governmental unit to:
 1. Raise money on its credit,
 2. Pledge its faith for the payment of a debt, or
 3. Impose a local tax.
- (2) All questions on which a call for the ayes and noes under Rule 24(a) and Article II, Section 19 of the North Carolina Constitution has been sustained.
- (3) Both second and third readings of bills proposing amendment of the North Carolina Constitution or ratifying

- resolutions amending the United States Constitution.
- (4) The passage of a bill notwithstanding the Governor's veto thereof pursuant to Article II, Section 22 of the North Carolina Constitution.
 - (b) Votes on the following questions shall be taken on the electronic voting system:
 - (1) Second reading of all public bills except resolutions, all amendments to public bills offered after second reading, third reading if a public bill was amended after second reading or if the reading occurs on a day or days following the second reading, all conference reports on public bills, all motions to lay public bills on the table, and all motions to postpone public bills indefinitely.
 - (2) Upon a call for division.
 - (3) Any other question upon direction of the Speaker or upon motion of any member supported by one-fifth of the members present.
 - (c) When the electronic voting system is used, 15 seconds shall be allowed for voting on the question before the House, unless the Chair shall direct otherwise. Once the system is locked, the vote shall be recorded and printed.
 - (d) The voting station at each member's desk in the Chamber shall be used only by the member to which the station is assigned. Under no circumstances shall any other person vote at a member's station. It is a breach of the ethical obligation of a member either to request that another person vote at the requesting member's station or to vote at another member's station. The Speaker shall enforce this rule without exception.
 - (e) When the electronic voting system is used, the Speaker shall state the question and shall then state substantially the following: "All in favor vote 'aye'; all

opposed vote 'no'; the Clerk will open the vote." In order to have the vote recorded, the member must vote by the electronic voting system within the time allowed for that vote, unless the voting station assigned to a member is malfunctioning. The Speaker shall enforce this rule without exception. After the allotted time for voting has elapsed, the Speaker shall say: "The Clerk will now lock the machine and record the vote." After the machine is locked and the vote recorded, the Speaker shall announce the vote and declare the result.

(f) One copy of the machine printout of the vote record of all votes taken on the electronic voting system shall be filed in the office of the Principal Clerk, and two copies shall be filed in the Legislative Library where the copies shall be open to public inspection. A legible copy of the bill, amendment, or motion on which the vote was taken shall be filed with the printout of the vote in the Legislative Library.

(g) When the Speaker ascertains that the electronic voting system is inoperative before a vote is taken or while a vote is being taken on the electronic voting system, the Speaker shall announce that fact to the House, and any partial electronic voting system voting record shall be voided. In such a case, if the North Carolina Constitution or the Rules of the House require a call of the ayes and noes, the Clerk shall call the roll of the House, and the ayes and noes shall be taken manually and shall be recorded on the Journal. All roll call votes shall be taken alphabetically. If, after a vote is taken on the electronic voting system, it is discovered that a malfunction caused an error in the electronic voting system printout, the Speaker shall direct the Reading Clerk and the Principal Clerk to verify and correct the printout record and so advise the House.

(h) For the purpose of identifying motions on which the vote is taken on the electronic voting system, the motions are coded as follows:

- (1) To adjourn.
- (2) To recess.
- (3) To lay on the table.
- (4) Previous question.

- (5) To postpone indefinitely.
- (6) To reconsider.
- (7) To postpone to a day certain.
- (8) To re-refer.
- (9) To amend an amendment.
- (10) To amend.
- (11) To concur or not concur.
- (12) Miscellaneous.

RULE 21. Voice Votes; Stating Questions. -

(a) All other votes except those required to be taken on the electronic voting system shall be taken by voice vote.

(b) When a voice vote is taken, the Speaker shall put the question substantially as follows: "Those in favor (as the question may be) will say 'aye'," and after the affirmative voice has been expressed, "Those opposed will say 'no'."

(c) No statement, explanation, debate, motion, parliamentary inquiry, or point of order shall be allowed once the voice vote has begun. Any point of order or parliamentary inquiry may be raised, however, after the completion of the vote.

(d) Except in the event of a State of Emergency, a motion to approve the Journal, or a motion to adjourn, the House shall take no votes during the week beginning on April 5, 2015, and ending on April 11, 2015.

RULE 22. Determining Questions. -

(a) Unless otherwise provided by the North Carolina Constitution or by these rules, all questions shall be determined by a simple majority of the members present and voting.

(b) No member may vote unless the member is in the Chamber when the question is put. This subsection of this rule cannot be suspended.

RULE 23. Voting by Division. -

Any member may call for a division of the members upon the question before the result of the vote has been announced. Upon a call for a division, the Speaker shall

cause the number voting in the affirmative and in the negative to be determined. Upon a division and count of the House on any question, no member away from the member's seat shall be counted.

RULE 24. Roll Call Vote. - (a) Before a question is put, any member may call for the ayes and noes. If the call is sustained by one-fifth of the members present, the question shall be decided by the ayes and noes upon a roll call vote.

(b) Every member who is in the Hall of the House when the question is put shall vote upon a call of the ayes and noes, unless excused pursuant to Rule 24.1A.

(c) No member may change a vote without leave of the House, but such leave shall not be granted if it affects the result or if the session in which the vote was taken has been adjourned.

RULE 24.1A. Excuse From Deliberations and Voting on a Bill. - (a) Any member shall, upon request, be excused in advance from the deliberations and voting on a particular bill at any time that the reason for the request arises in the proceedings on the bill.

(b) The member may make a brief oral statement of the reasons for making the request. The member shall provide to the Principal Clerk, on a form provided by the Clerk, a concise written statement of the reason for the request, and the Clerk shall include this statement in the Journal.

(c) Except as provided in subsection (e) of this section, the member so excused shall not debate the bill or any amendment to the bill, vote on the bill, offer or vote on any amendment to the bill, or offer or vote on any motion concerning the bill, in committee or on the floor of the House at any reading, or any subsequent consideration of the bill.

(d) A member may request that his or her excuse from deliberations on a particular bill be withdrawn.

(e) By leave of the House, a member who has been excused from deliberations and voting on a bill may participate in deliberations and votes on amendments to which that member does not have any conflict that requires excusal.

RULE 24.1B. Division of Amendments. - Any member may call for an amendment to be divided into two or more amendments to be voted on separately, and the Speaker shall determine whether the amendment admits of such a division.

RULE 25. Voting by Speaker. - In all elections the Speaker may vote. In all other instances the Speaker may vote or may reserve this right until there is a tie in which event the Speaker may vote; but in no instance may the Speaker vote twice on the same question.

V. Committees

RULE 26. Standing Committees Generally. -

(a) The Speaker shall appoint a chair, or cochair, of every standing committee and select committee, if any. In the construction of these rules, the word "chair" as applied to a committee, extends to and includes a cochair of the committee. The Speaker shall have the exclusive right and authority to establish select committees, but this does not exclude the right of the House by resolution to establish select committees.

(b) The Speaker shall establish the number of members of each standing committee and appoint the members in a manner to reflect the partisan membership of the House, except that the Committee on Ethics shall have an equal number of members of the majority and minority.

(c) Before appointing members of committees, the Speaker shall consult with the Minority Leader. The Speaker and Minority Leader shall consider members' committee preferences in making appointments and recommendations.

(d) The Speaker may not appoint new members to committees after April 15 of an odd-numbered year or at any time during an even-numbered year except to fill vacancies caused by the resignation, death, removal, or inability to serve of a member. As to select committees established after March 1 of an odd-numbered year or during an even-numbered year, the Speaker may not appoint new members more than 60 calendar days after the select committee is established, except to fill vacancies caused by the resignation, death, removal, or inability to serve of a member.

(e) The Speaker may name one or more vice-chairs for any standing committee.

(f) Up to two Chairs of the Appropriations Committee are entitled to vote in all other Appropriations Committees (Capital, Education, General Government, Health and Human Services, Information Technology, Justice and Public Safety, Agriculture and Natural and Economic Resources, and Transportation).

(g) Either the chair or acting chair, designated by the chair or by the Speaker, and five other members of the standing committee, or a majority of the standing committee, whichever is fewer, shall constitute a quorum of that standing committee. A quorum of less than a majority of all the members must include at least one member of the minority party.

(h) In any joint meeting of the Senate and House committees, the House standing committee reserves the right to vote separately.

RULE 26.1. Mentions of Standing Committee Includes Select Committee. - Any reference in these rules to standing committees shall extend to select committees unless the context requires otherwise.

(a) Standing committees shall be furnished with suitable meeting places pursuant to a schedule established by the Chair of the Standing Committee on Rules, Calendar, and Operations of the House. Select committees shall be furnished with suitable meeting places as their needs require by the Chair of the Standing Committee on Rules, Calendar, and Operations of the House.

(b) Subject to the provisions of subsection (c) of this rule, standing committees shall permit other members of the General Assembly, the press, and the general public to attend all sessions of said standing committees.

(c) The chair or other presiding officer shall have general direction of the meeting place of the standing committee, and, in case of any disturbance or disorderly conduct therein, or if the peace, good order, and proper conduct of the legislative business is hindered by any person or persons, the Chair or presiding officer shall have power to exclude from the session any individual or individuals so hindering the legislative business.

(d) Procedure in the standing committees shall be governed by the rules of the House, so far as the same may be applicable to such procedure. Before a question is put, any member may call for the ayes and noes. The Chair shall ask, "Is the call sustained?" If the call is sustained by one-fifth of the members present and standing, the question shall be decided by the ayes and noes upon a roll call vote. All roll call votes shall be taken alphabetically and shall be subject to Rule 21(c).

(d1) The committee chair shall set the agenda for each committee meeting. After April 1, 2015, a committee may, provided there is a written request signed by at least two-thirds of the members of the committee, place a bill on the committee's agenda for the next regularly scheduled meeting of the committee.

(e) No standing committee shall meet on any day when the House shall not convene except by permission of the Speaker or by approval of the House by resolution adopted by a majority vote of the House.

(f) No standing committee shall meet during any session of the House. Standing committees shall meet at their regularly scheduled hour. Standing committees may meet at other times as authorized by the Chair of the Standing Committee on Rules, Calendar, and Operations of the House in order to assure the

availability of the meeting room and that no conflicts will exist with the meetings of other bodies. All standing committee meetings shall adjourn no later than:

- (1) 15 minutes preceding a regular session of the House, and
- (2) 10 minutes preceding the hour of the next regularly scheduled standing committee meeting.

Action taken by a committee in violation of this rule is voidable unless taken by unanimous consent at a meeting at which a majority of all the members of the committee are present, and at least one member present is of the minority party.

(g) Any call or notice of a standing committee meeting between legislative sessions shall be sent by electronic mail to each member of the standing committee at least five days prior to such meeting. If a member of the body so requests in writing to the chair of the standing committee, the member shall also be notified of the meetings by mail at a designated address.

(h) During standing committee meetings, the chair may exercise the right to vote, or may reserve this right until there is a tie, in which event the chair may vote, but in no instance may the chair vote twice on the same question.

RULE 28.1. Ethics Committee Investigations Into Violations of the Open Meetings Law. - (a) On its own motion, or in response to signed and sworn complaint of any individual filed with the Standing Committee on Ethics, the Committee shall inquire into any alleged violation by members of the House of the Open Meetings Law (Article 33C of Chapter 143 of the General Statutes), as the same may be amended in the future.

(b) If, after such preliminary investigation as it may make, the Committee determines to proceed with an inquiry into the conduct of any individual, the Committee shall notify the individual as to the fact of the inquiry and the charges against the individual and shall schedule one or more hearings on the matter. The individual shall have the right to present evidence,

cross-examine witnesses, and be represented by counsel at any hearings.

(c) After the Committee has concluded its inquiries into the alleged violations, the Committee shall dispose of the matter by taking one of the following actions:

- (1) Dismiss the complaint and take no further action.
- (2) Issue a private letter of reprimand to the legislator, if the legislator unintentionally violated the provisions of the Open Meetings Law.
- (3) Issue a public letter of reprimand if the violation of the Open Meetings Law was intentional or if the legislator has previously received a private letter of reprimand. The Chair of the Committee on Ethics shall have the public letter of reprimand spread on the pages of the House Journal.
- (4) Refer the matter to the House for appropriate action.

RULE 29. Notice of Standing Committee Meetings and Hearings. - (a) Notice of meetings of standing committees that will occur at the regularly scheduled meeting times shall be given by one or both of the following methods:

- (1) Notice given openly at a session of the House; or
- (2) Notice mailed or sent by electronic mail to those who have requested notice, and to the Legislative Services Office, which shall post the notice on the General Assembly Web site.

(b) Notice of all other meetings shall be given in the House. If the meeting is scheduled to occur after adjournment, notice shall also be given by electronic mail and posting on the General Assembly Web site.

(c) The chair of the standing committee shall notify or cause to be notified the sponsor of each bill that is set for hearing or consideration before the standing committee as to the date, time, and place of that meeting.

RULE 29.1. Public Hearings. - (a) Requests for a public hearing shall be made in writing to the chair of the standing committee to which the bill has been referred. The chair of the standing committee may schedule a public hearing by the standing committee as a whole after the adjournment of a regular daily House session. Denial of a request made by a House member may be appealed to the Speaker.

Notice shall be given not less than five calendar days prior to public hearings. These notices shall be issued as information for the press and shall be posted in the places designated by the Principal Clerk.

(b) Persons desiring to appear and be heard at a public hearing shall submit their requests to the chair of the standing committee. The standing committee chair may designate one or more members to arrange the order of appearance of interested parties. A brief written statement of testimony may be submitted without oral presentation and shall be incorporated into the minutes of the public hearing.

RULE 29.2. Minutes to Legislative Library. - The chair of a standing committee shall ensure that written minutes are compiled for each of the body's meetings. The minutes shall indicate the members present and the actions taken at the meeting. Not later than 10 days after the adjournment of each session of the General Assembly, the chair shall deliver the minutes to the Legislative Library. The Speaker of the House may grant a reasonable extension of time for filing said minutes upon written application of the chair.

RULE 30. Committee of the Whole House. - (a) A Committee of the Whole House shall not be formed, except by leave of the House.

(b) After passage of a motion to form a Committee of the Whole House, the Speaker shall appoint a chair to preside in the committee, and the Speaker shall leave the dais.

(c) The rules of procedure in the House shall be observed in the Committee of the Whole House, so far as they may be applicable, except the rule limiting the time of speaking and the previous question.

(d) In the Committee of the Whole House, a motion that the standing committee rise shall always be in order, except when a member is speaking, and shall be decided without debate.

(e) When a bill is submitted to the Committee of the Whole House, it shall be read and debated by sections, leaving the preamble to be last considered. The body of the bill shall not be defaced or interlined, but all amendments, noting the page and line, shall be duly entered by the Principal Clerk on a separate paper as the same shall be agreed to by the standing committee and be so reported to the House. After report, the bill shall again be subject to be debated and amended by sections before a question on its passage be taken.

VI. Handling of Bills

RULE 31. Introduction of Bills and Resolutions. - (a) All bills and resolutions shall be introduced by submitting same to the Principal Clerk's office on the legislative day prior to the first reading and reference thereof according to the following schedule: by 30 minutes after adjournment each Monday; and by 3:00 P.M. each Tuesday, Wednesday, Thursday, and Friday.

(b) Bills shall not become resolutions provided the Senate has a similar rule. Resolutions shall not become bills. Resolutions are not law but may be used when a law is not necessary for the purpose contained therein. Resolutions shall not be used to appropriate funds for any purpose, but may be used to create study commissions or committees or establish investigative committees, to honor deceased persons,

and to adopt House rules and internal affairs. Resolutions cannot amend, repeal, or modify a statute; nor do they have life beyond the term of the session during which they are adopted.

(c) Every bill or resolution shall be read in regular order of business, except upon permission of the Speaker or on the report of a standing committee.

(d) All bills and resolutions shall show in their captions a brief descriptive statement of the true substance of same, which captions may thereafter be amended. Amendments to captions of bills are in order only if the amendment is germane to the bill. Third reading shall not be had on any bill or resolution on the same day that such caption is amended.

(e) A Substitute Bill shall be covered with the same color jacket as the original bill and shall be prefaced as follows: "House Committee Substitute for_____."

(f) House resolutions need not be read more than twice.

(g) All memorializing, celebration, commendation, and commemoration resolutions, except those honoring the memory of deceased persons, shall be excluded from introduction and consideration in the House. The mention of a deceased person as a pretext to honor an institution or a living person is prohibited. Members should utilize a "Representative Statement of Personal Privilege" as provided in Rule 8.1, as the preferred alternative to House simple resolutions that memorialize, celebrate, commend, and commemorate, other than for those relating to deceased members of the General Assembly.

(h) Any reference in these rules to bills shall extend to resolutions unless the context requires otherwise.

RULE 31.1. Deadlines on Introduction and Receipt; No Blank Bills; 15-Bill Limit; Single Subject Rule. - (a) All local bills must be submitted to the Bill Drafting Division of the Legislative Services Office by 4:00 P.M. on Wednesday, March 18, 2015, and must be

introduced not later than 3:00 P.M. on Wednesday, April 1, 2015.

(b) All public bills or resolutions recommended by commissions or standing committees authorized or directed by act or resolution of the General Assembly (i) to report to the 2015 Regular Session of the General Assembly, or to report prior to convening of that session, or (ii) which are recommended to the 2015 Regular Session of the General Assembly by a commission or committee established directly by Chapter 120 of the General Statutes, must have been submitted to the Bill Drafting Division of the Legislative Services Office by 4:00 P.M. on Tuesday, February 17, 2015, and must be introduced not later than 3:00 P.M. on Wednesday, February 25, 2015.

(c) All bills prepared to be introduced for departments, agencies, or institutions of the State must have been submitted to the Bill Drafting Division of the Legislative Services Office by 4:00 P.M. on Tuesday, March 10, 2015, and must be introduced not later than 3:00 P.M. on Wednesday, March 18, 2015. A bill introduced under this subsection shall be identified as an Agency Bill after its short title or in the drafting code.

(d) All public bills that would not be required to be re-referred to the Appropriations or Finance Committees under Rule 38 and all joint resolutions and House resolutions must be submitted to the Bill Drafting Division of the Legislative Services Office by 4:00 P.M. on Thursday, April 2, 2015, and must be introduced not later than 4:00 P.M. on Tuesday, April 14, 2015.

(e) All public bills which under Rule 38 are required to be re-referred to either or both of the Appropriations Committee or the Finance Committee must be submitted to the Bill Drafting Division of the Legislative Services Office by 4:00 P.M. on Thursday, April 2, 2015, and must be introduced not later than 3:00 P.M. on Thursday, April 16, 2015. If any bill is subject to the deadline under this subsection and the bill is amended so that all the provisions requiring referral to either or both of those committees under Rule 38 do not

remain in the bill, it is not eligible for further consideration.

(f) A bill containing no substantive provisions may not be introduced in the House.

(g) No member may introduce more than 15 public bills. For the purpose of this subsection, the introducer is the member who is listed as the first sponsor. A member may assign a portion of this limit to another member electronically using the procedures established and published by the Principal Clerk. This subsection does not apply to bills or resolutions recommended by commissions or committees authorized or directed by act or resolution of the General Assembly (i) to report to the 2015 Regular Session of the General Assembly, or to report prior to convening of that session, or (ii) that are recommended to the Regular Session of the General Assembly by a commission or committee established directly by Chapter 120 of the General Statutes. This subsection does not apply to joint resolutions or House resolutions.

(h) In order to be eligible for consideration by the House during the first Regular Session, all Senate bills other than finance or appropriations bills that would be required to be re-referred to the Appropriations or Finance Committee under Rule 38 or adjournment resolutions must be received and read on the floor of the House as a message from the Senate no later than Thursday, April 30, 2015; provided that a message from the Senate received by the next legislative day stating that a bill has passed its third reading and is being engrossed shall comply with the requirements of this subsection and provided that the Senate has a similar rule.

The Speaker at the same time may order that, if the bill is reported with any favorable recommendation or without prejudice, it be re-referred automatically upon the committee report to another committee designated in the order. Each joint resolution or House resolution not introduced on the report of a standing committee shall immediately upon its first reading either be referred by the Speaker to a standing committee or be calendared on the date designated by the Speaker, as the Speaker deems appropriate.

RULE 33. Papers Addressed to the House. - Petitions, memorials, and other papers addressed to the House shall be presented by the Speaker. A brief statement of the contents thereof may be made orally by the introducer before reference to a committee, but such papers shall not be debated or decided on the day of their first being read unless the House shall direct otherwise.

Copies shall be placed in the Printed Bills Room and made available to the committees to which the bill is referred, to individual members on request, and to the general public.

(b) A public bill is a bill affecting 15 or more counties. A local bill is one affecting fewer than 15 counties.

RULE 35.1. Assessment Reports; Municipal Incorporation Reports. - (a) Every bill or resolution proposing the establishment of an occupational or professional licensing board or a study for the need to establish such a board shall have attached to the jacket of the original bill or resolution at the time of its consideration on second and third readings by the House or by any standing committee of the House an assessment report from the Joint Legislative Commission on Governmental Operations. The assessment report shall not constitute any part of the expression of legislative intent proposed by the formation of a licensing board.

(b) Every legislative proposal introduced in the House or received in the House from the Senate, proposing the incorporation of a municipality shall have attached to the jacket of the original bill at the time of its consideration on second or third readings by the House or by any committee of the House prior to a favorable report, a recommendation from the Municipal Incorporations Subcommittee of the Joint Legislative

Committee on Local Government, established by Article 20 of Chapter 120 of the General Statutes. The recommendation of the Municipal Incorporations Subcommittee of the Joint Legislative Committee on Local Government shall be made in accordance with the provisions and criteria set forth in Article 20 of Chapter 120 of the General Statutes and shall include the findings required to be made by G.S. 120-166 through G.S. 120-170.

RULE 36. Report by Standing Committee. -

(a) **Reports.** - Bills and resolutions may be reported from the standing committee to which referred with such recommendations as the standing committee may desire to make.

(b) **Favorable Report.** - When a standing committee reports a bill with the recommendation that it be passed, the bill shall be placed on the favorable calendar on the day designated by the Chair of the Standing Committee on Rules, Calendar, and Operations of the House, but not on the same day that it is reported except by leave of the House, and no later than the fourth legislative day after submission of the report or Senate message under Rule 43.2 or Rule 43.3(a), unless:

- (1) The bill is re-referred to the Committee on Appropriations or Committee on Finance under Rule 38 or was serially referred under Rule 32; or
- (2) The bill has not yet been placed on the calendar, and the Speaker refers the bill to another committee.

In order to place a bill on the calendar for a legislative day, notice shall be given by the Chair of the Standing Committee on Rules, Calendar, and Operations of the House orally in the House or in writing to the Principal Clerk. When a committee substitute is adopted and receives a favorable report by the committee, the standing committee chair shall submit to the standing

committee the question of an unfavorable report on the original bill. The standing committee's action, if any, on the original bill shall be reported at the same time the committee substitute is reported.

(b1) **Distribution of Proposed Committee Substitutes.** - Except by leave of a committee, before a proposed committee substitute may be considered by the committee, the proposed committee substitute shall have been distributed electronically and no later than 9:00 P.M. of the preceding calendar day to the members of the committee and to the member who is listed as the first sponsor.

(f) **Minority Report.** - When a bill is reported by a standing committee with a recommendation that it not be passed or that it be postponed indefinitely but it is accompanied by a minority report signed by at least one-fourth of the members of the standing committee who were present and voting when the bill was considered in standing committee, the question before the House shall be: "The adoption of the minority report." If the minority report is adopted by majority vote, the bill shall be placed on the favorable calendar for consideration. If the minority report fails of adoption by a majority vote, the bill shall be placed on the unfavorable calendar.

RULE 36.1. Fiscal Notes. - (a) The Chair or Cochair of the Appropriations Committee, of the Finance Committee, or of the Standing Committee on Rules, Calendar, and Operations of the House, upon the floor of the House, may request that a fiscal analysis be made of a bill, resolution, or an amendment to a bill or resolution which is in the possession of the House and that a fiscal note be attached to the measure, which request shall be allowed when, in the opinion of the Speaker, the fiscal effects of that measure are not apparent from the language of the measure. When a request is properly made under this subsection, the bill is removed from the calendar until such time that the fiscal note is attached to the measure.

(b) The fiscal note shall be filed and attached to the bill or amendment within two legislative days of the request, and a copy shall be sent by electronic mail to each member. If it is impossible to prepare a fiscal note within two legislative days, the Director of Fiscal Research shall, in writing, so advise the Speaker, the Principal Clerk, the Majority Leader, the Minority Leader, and the member introducing or proposing the measure and shall indicate the time when the fiscal note will be ready.

(c) The fiscal note shall be prepared by the Fiscal Research Division on a form approved by the Chair of the Standing Committee on Rules, Calendar, and Operations of the House as to content and form and signed by the staff member or members preparing it. If no estimate in dollars is possible, the fiscal note shall indicate the reasons that no estimate is provided. The fiscal note shall not comment on the merit but may identify technical problems. The Fiscal Research Division shall make the fiscal note available to the membership of the House.

(d) A sponsor of a bill or amendment may deliver a copy of the bill or amendment to the Fiscal

Research Division for the preparation of a fiscal note. The sponsor shall attach the fiscal note to the bill when filed or to the amendment when its adoption is moved.

(e) The sponsor of a bill or amendment to which a fiscal note is attached who objects to the estimates and information provided may reduce to writing the objections. These objections shall be appended to the fiscal note attached to the bill or amendment and to the copies of the fiscal note available to the membership.

(f) Subsection (a) of this rule shall not apply to the Current Operations Appropriations Bill or the Capital Improvement Appropriations Bill. This rule shall not apply to a bill or amendment requiring an actuarial note under these rules.

RULE 36.2. Actuarial Notes. - (a) Every bill or resolution proposing any change in the law relative to any:

- (1) State, municipal, or other retirement system funded in whole or in part out of public funds; or
- (2) Program of hospital, medical, disability, or related benefits provided for teachers and State employees, funded in whole or in part by State funds;

shall have attached to it at the time of its consideration by any standing committee a brief explanatory statement or note which shall include a reliable estimate of the financial and actuarial effect of the proposed change to that retirement or pension system. The actuarial note shall be attached to the jacket of each proposed bill or resolution which is reported favorably by any standing committee, shall be separate therefrom, and shall be clearly designated as an actuarial note. A bill described in subdivision (a)(1) of this rule shall be referred to the Committee on State Personnel upon its introduction in accordance with G.S. 120-111.3.

(b) The sponsor of the bill or resolution shall present a copy of the measure, with a request for an actuarial note, to the Fiscal Research Division, which shall prepare the actuarial note as promptly as possible but not later than two weeks after the request is made, unless an extension of time is agreed to by the sponsor as being necessary in the preparation of the note. Actuarial notes shall be prepared in the order of receipt of request and shall be transmitted to the sponsor of the measure. The actuarial note of the Fiscal Research Division shall be prepared and signed by an actuary.

(c) The sponsor of the bill or resolution shall also present a copy of the measure to the actuary employed by the system or program affected by the measure. Actuarial notes shall be prepared and transmitted to the sponsor of the measure not later than two weeks after the request is received, unless an extension of time is agreed to by the sponsor as being necessary in the preparation of the note. The actuarial note shall be attached to the jacket of the measure. The provisions of this subsection may be waived by the measure's sponsor for a measure affecting local government retirement or pension plans not administered by the State or any local government program of hospital, medical, disability, or related benefits for local government employees not administered by the State.

(d) The note shall be factual and shall, if possible, provide a reliable estimate of both the immediate effect and, if determinable, the long-range fiscal and actuarial effect of the measure. If, after careful investigation, it is determined that no dollar estimate is possible, the note shall contain a statement to that effect, setting forth the reasons why no dollar estimate can be given. No comment or opinion shall be included in the actuarial note with regard to the merits of the measure for which the note is prepared. Technical and mechanical defects in the measure may be noted.

(e) When any permanent committee reports a measure to which an actuarial note is attached at the

time of permanent committee consideration, with any amendment of such nature as would substantially affect the cost to or the revenues of any retirement or pension system, or program of hospital, medical, disability, or related benefits for teachers or State employees, the chair of the standing committee reporting the measure shall obtain from the Fiscal Research Division an actuarial note of the fiscal and actuarial effect of the proposed amendment. The actuarial note shall be attached to the jacket of the measure. An amendment to any bill or resolution shall not be in order if the amendment affects the costs to or the revenues of a State-administered retirement or pension system, or program of hospital, medical, disability, or related benefits for teachers or State employees, unless the amendment is accompanied by an actuarial note, prepared by the Fiscal Research Division, as to the actuarial effect of the amendment.

(f) The Fiscal Research Division shall make all relevant actuarial notes available to the membership of the House.

RULE 36.3. Local Legislation Affecting State Highway System. - A local bill affecting the State Highway System shall be referred to the Committee on Transportation.

RULE 36.4. Content of Appropriations Bills. - No provision shall be contained in any of the following bills unless it pertains to the appropriation of money or the raising or reducing of revenue: (i) the Current Operations Appropriations Bill; (ii) the Capital Improvement Appropriations Bill; (iii) any bill generally revising appropriations for the second fiscal year of a biennium. If a point of order is made against such a provision and is sustained, the presiding officer shall refer the bill to the committee from which it came, with instructions for the chair of the committee to immediately report out a substitute or amendment removing the offending provision.

RULE 37. Removing Bill From Unfavorable Calendar. - A bill may be removed from the unfavorable calendar upon motion carried by a two-thirds vote. A motion to remove a bill from the unfavorable calendar is debatable.

RULE 38. Reports on Appropriation and Revenue Bills. - (a) All standing committees, other than the Standing Committees on Appropriations, when favorably reporting any bill or resolution that:

- (1) Carries an appropriation from the State; or
- (2) Requires or will require in the future substantial additional State monies from the General Fund or Highway Fund to implement its provisions shall indicate same in the report, and said bill or resolution shall be referred to the Standing Committees on Appropriations for a further report before being acted upon by the House.

(b) All standing committees, other than the Standing Committee on Finance, when favorably reporting any bill that in any way or manner raises revenue, reduces revenue, levies a tax, authorizes the levying of a tax, an assessment, or a fee, or authorizes the issue of bonds or notes, whether public or local, shall indicate same in the report, and said bill shall be referred to the Standing Committee on Finance for a further report before being acted upon by the House. This subsection shall not apply to bills only imposing fines, forfeitures, or penalties.

(c) Action on Amendment Before Re-Referral. - If any standing committee recommends adoption of an amendment or committee substitute of a bill which, under the rules of the House, must be referred to the Standing Committees on Appropriations or the Standing Committee on Finance, the amendment or committee substitute shall be considered and, if adopted, the amendment or substitute engrossed before the bill is re-referred.

RULE 39. Discharge Petition. - (a) A motion to discharge a committee from consideration of a bill may be filed with the Principal Clerk by a primary sponsor of that measure if accompanied by a petition asking that the committee be discharged from further consideration of the bill. No motion may be filed until 10 legislative days after the bill has been referred to the committee. No petition may be filed until notice has been given on the floor of the House that the petition is to be filed and the primary sponsor giving notice has obtained a fiscal note from the Fiscal Research Division on the bill, which note shall be attached to the petition. Members may sign the petition only in the office of the Principal Clerk, and when the signatures of 61 members appear on the petition, the Principal Clerk shall place that motion on the calendar for the next legislative day as a special order of business. Members may withdraw their names at any time until 61 names appear. If the motion is adopted by the House, then the committee to which the bill or resolution has been referred is discharged from further consideration of the bill, and that bill is placed on the calendar for the next legislative day as a special order of business. The Principal Clerk shall provide a form for discharge petitions.

(b) This rule shall not be temporarily suspended without one day's notice on the motion given in the House and delivered in writing to the chair of the standing committee, and to sustain that motion two-thirds of the members shall be required.

RULE 39.2. Re-Referral of Bills From One Standing Committee to Another Standing Committee.

- Upon consent of the sponsor of the bill, the Speaker, the chair of the standing committee from whom the bill is to be re-referred, and the chair of the standing committee to whom the bill is to be re-referred, the chair of the standing committee from whom the bill is to be re-referred, or the Chair of the Standing Committee on Rules, Calendar, and Operations of the House may move for a re-referral to another standing committee,

and the bill shall be re-referred upon vote of the majority present during a regular session of the House.

RULE 40. Calendars and Schedules of Business. - The Clerk of the House shall prepare a daily schedule of business, including the Calendar of Bills and Resolutions for consideration and debate that day, in accordance with the Order of Business of the Day (Rule 5). The Clerk shall number all bills and resolutions in the order in which they are introduced. All bills and resolutions shall be taken up as they appear in each category (Rule 5(10)). Except by leave of the House, the Speaker shall not vary from the order.

RULE 41. Reading of Bills. - (a) Every bill shall receive three readings in the House prior to its passage. The first reading and reference to standing committee of a House bill shall occur on the next legislative day following its introduction. The first reading and reference to standing committee of a Senate bill shall occur on the next legislative day following its receipt on messages from the Senate. The Speaker shall give notice at each subsequent reading whether it is the second or third reading.

(b) No bill shall be read more than once on the same day without the concurrence of two-thirds of the members present and voting; provided, no bill governed by Article II, Section 23 of the North Carolina Constitution herein shall be read twice on one day under any circumstance.

RULE 42. Effect of a Defeated Bill. - (a) Subject to the provisions of subsection (b) of this rule, after a bill has:

- (1) Been tabled,
- (2) Been postponed indefinitely,
- (3) Failed to pass on any of its readings, or
- (4) Been placed on the unfavorable calendar,

the contents of that bill or the principal provisions of its subject matter shall not be considered in any other measure originating in the Senate or originating thereafter in the House. Upon the point of order being

raised and sustained by the chair, that measure shall be laid upon the table, and shall not be taken therefrom except by a two-thirds vote of the members present and voting.

(b) No local bill shall be held by the chair to embody the contents of or the principal provisions of the subject matter of any statewide measure which has been laid on the table, has failed to pass on any of its readings, or has been placed on the unfavorable calendar.

RULE 43. Amendments. - (a) No amendment to a measure before the House shall be in order unless the amendment is germane to the measure under consideration. A House amendment deleting a previously adopted House amendment shall not be in order, except that this sentence does not apply to amendments adopted under Rule 38(c). No amendment that is clearly unconstitutional shall be in order.

Only one principal (first degree) amendment shall be pending at any one time. If a subsequent or substitute principal amendment shall be offered, the Speaker shall rule it out of order. However, any member desiring to offer a subsequent or substitute principal amendment in opposition to the pending amendment may inform the House by way of argument against the pending amendment that if it is defeated the member proposes to offer another principal amendment, and the member may then read and explain such proposed amendment.

Perfecting (or second degree) amendments may be offered and considered without limitation as to number, and in the event of multiple perfecting amendments, they shall be voted upon in inverse order.

(b) The following rules apply when considering: (i) the Current Operations Appropriations Bill; (ii) the Capital Improvement Appropriations Bill; (iii) any bill generally revising appropriations for the second fiscal year of a biennium:

- (1) Amendments cannot increase total spending within a committee area beyond the total

- (4) Amendments that cause the budget to be unbalanced are not in order.
- (5) Amendments cannot spend reversions.
- (6) Amendments cannot make nonrecurring reductions to fund recurring items.

(c) When offering an amendment, the member shall deliver the signed original amendment to the Principal Clerk and a copy to the Chair of the Committee on Rules, Calendar, and Operations of the House.

(b) The Speaker shall rule whether the committee substitute is a material amendment under Article II, Section 23 of the North Carolina Constitution which reads:

"Revenue bills. - No law shall be enacted to raise money on the credit of the State, or to pledge the faith of the State directly or indirectly for the payment of any debt, or to impose any tax upon the people of the State, or to allow the counties, cities, or towns to do so, unless the bill for the purpose shall have been read three several times in each house of the General Assembly and passed three several readings, which readings shall have been on three different days, and shall have been agreed to by each house respectively, and unless the yeas and nays on the second and third readings of the bill shall have been entered on the journal."

If the committee substitute was referred to standing committee, the standing committee shall:

- (1) Report the bill with the recommendation either that the House do concur or that the House do not concur; and

(c) If the committee substitute for a bill is not a material amendment, the question before the House shall be concurrence.

(d) If the committee substitute for a bill is a material amendment, the receiving of that bill on messages shall constitute first reading, and the question before the House shall be concurrence on second reading. If the motion is passed, the question then shall be concurrence on third reading on the next legislative day.

(e) No committee substitute adopted by the Senate for a bill originating in the House may be amended by the House.

RULE 44. Conference Standing Committees. -

(a) Whenever the House shall decline or refuse to concur in amendments put by the Senate to a bill originating in the House, or shall refuse to concur in a substitute adopted by the Senate for a bill originating in

the House, or whenever the Senate shall decline or refuse to concur in amendments put by the House to a bill originating in the Senate, or shall refuse to concur in a substitute adopted by the House for a bill originating in the Senate, a conference committee may be appointed by the Speaker upon the Speaker's own motion and shall be appointed upon request by the principal sponsor of the original bill, the chair of the House standing committee that reported the bill, or the sponsor of the amendment in which the Senate refused to concur; and the bill under consideration shall thereupon go to and be considered by the joint conferees on the part of the House and Senate. In appointing members to conference committees, the Speaker shall appoint no less than a majority of members who generally supported the House position as determined by the Speaker.

(b) The conference report may be made by a majority of the House members of such conference committee and shall not be amended. If the Senate has a similar rule, only such matters as are in difference between the two houses shall be considered by the conferees, and the conference report shall deal only with such matters. If the Senate does not have a similar rule, a conference committee report which includes significant matters that were not in difference between the houses, shall be referred to a standing committee for its recommendation before further action by the House.

(c) If the conferees fail to agree or if either house fails to adopt the report of its conferees, new conferees may be appointed.

(d) No vote shall be taken on adoption of a conference report until the next legislative day following the report, except that no vote shall be taken on adoption of a conference report on either the Current Operations Appropriations Bill or a bill generally revising the Current Operations Appropriations Act until the third legislative day following the report.

(d) Should any member wish to remove the member's sponsorship of a bill that is substantially changed by a Senate amendment or a Senate committee substitute, the member shall notify the House Principal Clerk before the bill is considered for concurrence. If no sponsors remain on the bill, the House Principal Clerk shall notify the Chairman of the Committee on Rules, Calendar, and Operations of the House who may request that other members sponsor the bill. Removal of the first primary sponsor's name from a bill does not reduce the total number of bills introduced by the member under

Rule 38(g), and sponsorship of a bill after removal of all sponsors is subject to Rule 38(g).

RULE 60. Correcting of Typographical Errors. - The Legislative Services Officer may correct typographical errors appearing in House bills or resolutions or House amendments to Senate bills provided that such corrections are made before ratification and do not conflict with any actions or rules of the Senate and provided further that such correction be approved by the Chair of the Standing Committee on Rules, Calendar, and Operations of the House, the Speaker, or other presiding officer.

RULE 61. Assignment of Seats. - After initial assignment of seats, a member shall continue to occupy the seat to which initially assigned until assigned a permanent seat; once assigned a permanent seat, the member shall occupy it for the entire biennial session. In event of vacancy, the Speaker or the Chair of the Standing Committee on Rules, Calendar, and Operations of the House may assign such permanent seats as are necessary to maintain seating.

RULE 61.1. Office Assignments. - The Chair of the Standing Committee on Rules, Calendar, and Operations of the House shall assign to each member an office space. When available, chairs of standing committees shall be assigned an office adjacent to the room in which the standing committee generally meets if the Chair so desires. The Speaker shall be assigned an office of his or her choice.

RULE 61.2. Convening and Assigning Seats in the New House. - (a) The Principal Clerk of the previous House of Representatives shall convene the House of Representatives at 9:00 A.M. on the date established by law for the convening of each regular session and preside over the body until the members elect a Speaker. In the case of a vacancy, inability, or refusal to so serve, the duty shall devolve upon the Sergeant-at-Arms of the prior House, and in the case of

a vacancy in that office, or inability or refusal to so serve, the duty shall devolve upon the Reading Clerk of the prior House.

(b) It shall be the duty of the Chair of the Standing Committee on Rules, Calendar, and Operations of the House of the prior House to assign temporary seats to the members of the House of Representatives in its Chamber. In the case of the inability or refusal to serve of the Chair of the Standing Committee on Rules, Calendar, and Operations of the House, the Speaker of the prior House of Representatives shall appoint a person to assign seats to members of the House of Representatives in its Chamber. In the event that the party that had a majority of members in the prior House will no longer have a majority of members in the new House, then the duty assigned in this subsection to the Chair of the Committee of the prior House shall instead be the duty of the person nominated as Speaker by the majority party caucus for the new House, or some member-elect designated by the Speaker-nominee. In the event no party will have a majority, then the duty assigned in this subsection to the Chair of the Committee of the prior House shall instead be the joint duty of one person chosen each by the caucuses of the two parties having the greatest numbers of members.

RULE 62. Matters Not Covered in These Rules. - Except as herein set out, the rules of Mason's Manual of Legislative Procedure, 2010 Edition, shall govern the operation of the House. Custom and usage may supplement these rules or Mason's Manual, but may not supercede them.

Sec. 2. Number of Senators. The Senate shall be composed of 50 Senators, biennially chosen by ballot.

Sec. 3. Senate districts; apportionment of Senators. The Senators shall be elected from districts. The General Assembly, at the first regular session convening after the return of every decennial census of population taken by order of Congress, shall revise the senate districts and the apportionment of Senators among those districts, subject to the following requirements:

(1) Each Senator shall represent, as nearly as may be, an equal number of inhabitants, the number of inhabitants that each Senator represents being determined for this purpose by dividing the population of the district that he represents by the number of Senators apportioned to that district;

(2) Each senate district shall at all times consist of contiguous territory;

(3) No county shall be divided in the formation of a senate district;

(4) When established, the senate districts and the apportionment of Senators shall remain unaltered until the return of another decennial census of population taken by order of Congress.

Sec. 4. Number of Representatives. The House of Representatives shall be composed of 120 Representatives, biennially chosen by ballot.

Sec. 5. Representative districts; apportionment of Representatives. The Representatives shall be elected from districts. The General Assembly, at the first regular session convening after the return of every decennial census of population taken by order of Congress, shall revise the representative districts and the apportionment of Representatives among those districts, subject to the following requirements:

(1) Each Representative shall represent, as nearly as may be, an equal number of inhabitants, the number of inhabitants that each Representative represents being determined for this purpose by dividing the population of the district that he represents by the number of Representatives apportioned to that district;

(2) Each representative district shall at all times consist of contiguous territory;

(3) No county shall be divided in the formation of a representative district;

(4) When established, the representative districts and the apportionment of Representatives shall remain unaltered until the return of another decennial census of population taken by order of Congress.

Sec. 6. Qualifications for Senator. Each Senator, at the time of his election, shall be not less than 25 years of age, shall be a qualified voter of the State, and shall have resided in the State as a citizen for two years and in the district for which he is chosen for one year immediately preceding his election.

Sec. 7. Qualifications for Representative. Each Representative, at the time of his election, shall be a qualified voter of the State, and shall have resided in the district for which he is chosen for one year immediately preceding his election.

Sec. 8. Elections. The election for members of the General Assembly shall be held for the respective districts in 1972 and every two years thereafter, at the places and on the day prescribed by law.

Sec. 9. Term of office. The term of office of Senators and Representatives shall commence on the first day of January next after their election.

Sec. 10. Vacancies. Every vacancy occurring in the membership of the General Assembly by reason of death, resignation, or other cause shall be filled in the manner prescribed by law.

Sec. 11. Sessions.

(1) Regular Sessions. The General Assembly shall meet in regular session in 1973 and every two years thereafter on the day prescribed by law. Neither house shall proceed upon public business unless a majority of all of its members are actually present.

(2) Extra sessions on legislative call. The President of the Senate and the Speaker of the House of Representatives shall convene the General Assembly in extra session by their joint proclamation upon receipt by the President of the Senate of written requests therefor signed by three-fifths of all the members of the Senate and upon receipt by the Speaker of the House of Representatives of written requests therefor signed by three-fifths of all the members of the House of Representatives.

Sec. 12. Oath of members. Each member of the General Assembly, before taking his seat, shall take an oath or affirmation that he will support the Constitution and laws of the United States and the Constitution of the State of North Carolina, and will faithfully discharge his duty as a member of the Senate or House of Representatives.

Sec. 13. President of the Senate. The Lieutenant Governor shall be President of the Senate and shall preside over the Senate, but shall have no vote unless the Senate is equally divided.

Sec. 14. Other officers of the Senate.

(1) President Pro Tempore - succession to presidency. The Senate shall elect from its membership a President Pro Tempore, who shall become President of the Senate upon the failure of the Lieutenant Governor-elect to qualify, or upon succession by the Lieutenant Governor to the office of Governor, or upon the death, resignation, or removal from office of the President of the Senate, and who shall serve until the expiration of this term of office as Senator.

(2) President Pro Tempore - temporary succession. During the physical or mental incapacity of the President of the Senate to perform the duties of his office, or during the absence of the President of the Senate, the President Pro Tempore shall preside over the Senate.

(3) Other Officers. The Senate shall elect its other officers.

Sec. 15. Officers of the House of Representatives. The House of Representatives shall elect its Speaker and other officers.

Sec. 16. Compensation and allowances. The members and officers of the General Assembly shall receive for their services the compensation and allowances prescribed by law. An increase in the compensation or allowances of members shall become effective at the beginning of the next regular session of the General Assembly following the session at which it was enacted.

Sec. 17. Journals. Each house shall keep a journal of its proceedings, which shall be printed and made public immediately after the adjournment of the General Assembly.

Sec. 18. Protests. Any member of either house may dissent from and protest against any act or resolve which he may think injurious to the public or to any individual, and have the reasons of his dissent entered on the journal.

Sec. 19. Record votes. Upon motion made in either house and seconded by one fifth of the members present, the yeas and nays upon any question shall be taken and entered upon the journal.

Sec. 20. Powers of the General Assembly. Each house shall be judge of the qualifications and elections of its own members, shall sit upon its own adjournment from day to day, and shall prepare bills to be enacted into laws. The two houses may jointly adjourn to any future day or other place. Either house may, of its own motion, adjourn for a period not in excess of three days.

Sec. 21. Style of the acts. The style of the acts shall be: "The General Assembly of North Carolina enacts: ".

Sec. 22. Action on bills.

(1) Bills subject to veto by Governor; override of veto. Except as provided by subsections (2) through (6) of this

section, all bills shall be read three times in each house and shall be signed by the presiding officer of each house before being presented to the Governor. If the Governor approves, the Governor shall sign it and it shall become a law; but if not, the Governor shall return it with objections, together with a veto message stating the reasons for such objections, to that house in which it shall have originated, which shall enter the objections and veto message at large on its journal, and proceed to reconsider it. If after such reconsideration three-fifths of the members of that house present and voting shall agree to pass the bill, it shall be sent, together with the objections and veto message, to the other house, by which it shall likewise be reconsidered; and if approved by three-fifths of the members of that house present and voting, it shall become a law notwithstanding the objections of the Governor. In all such cases the votes of both houses shall be determined by yeas and nays, and the names of the members voting shall be entered on the journal of each house respectively.

(2) Amendments to Constitution of North Carolina. Every bill proposing a new or revised Constitution or an amendment or amendments to this Constitution or calling a convention of the people of this State, and containing no other matter, shall be submitted to the qualified voters of this State after it shall have been read three times in each house and signed by the presiding officers of both houses.

(3) Amendments to Constitution of the United States. Every bill approving an amendment to the Constitution of the United States, or applying for a convention to propose amendments to the Constitution of the United States, and containing no other matter, shall be read three times in each house before it becomes law, and shall be signed by the presiding officers of both houses.

(4) Joint resolutions. Every joint resolution shall be read three times in each house before it becomes effective and shall be signed by the presiding officers of both houses.

(5) Other exceptions. Every bill:

- (a) In which the General Assembly makes an appointment or appointments to public office and which contains no other matter;
- (b) Revising the senate districts and the apportionment of Senators among those districts and containing no other matter;
- (c) Revising the representative districts and the apportionment of Representatives among those districts and containing no other matter; or
- (d) Revising the districts for the election of members of the House of Representatives of the Congress of the United States and the apportionment of Representatives among those districts and containing no other matter, shall be read three times in each house before it becomes law and shall be signed by the presiding officers of both houses.

(6) Local bills. Every bill that applies in fewer than 15 counties shall be read three times in each house before it becomes law and shall be signed by the presiding officers of both houses. The exemption from veto by the Governor provided in this subsection does not apply if the bill, at the time it is signed by the presiding officers:

- (a) Would extend the application of a law signed by the presiding officers during that two year term of the General Assembly so that the law

would apply in more than half the counties in the State, or

- (b) Would enact a law identical in effect to another law or laws signed by the presiding officers during that two year term of the General Assembly that the result of those laws taken together would be a law applying in more than half the counties in the State.

Notwithstanding any other language in this subsection, the exemption from veto provided by this subsection does not apply to any bill to enact a general law classified by population or other criteria, or to any bill that contains an appropriation from the State treasury.

(7) Time for action by Governor; reconvening of session. If any bill shall not be returned by the Governor within 10 days after it shall have been presented to him, the same shall be a law in like manner as if he had signed it, unless the General Assembly shall have adjourned:

- (a) For more than 30 days jointly as provided under Section 20 of Article II of this Constitution; or
- (b) Sine die

in which case it shall become a law unless, within 30 days after such adjournment, it is returned by the Governor with objections and veto message to that house in which it shall have originated. When the General Assembly has adjourned sine die or for more than 30 days jointly as provided under Section 20 of Article II of this Constitution, the Governor shall reconvene that session as provided by Section 5(11) of Article III of this Constitution for reconsideration of the bill, and if the Governor does not reconvene the session, the bill shall become law on the fortieth day after such adjournment. Notwithstanding the previous sentence, if the Governor prior to reconvening the session receives written requests dated no earlier than 30 days after such adjournment, signed by a majority of the members of each house that a reconvened session to reconsider vetoed legislation is unnecessary, the

Governor shall not reconvene the session for that purpose and any legislation vetoed in accordance with this section after adjournment shall not become law.

(8) Return of bills after adjournment. For purposes of return of bills not approved by the Governor, each house shall designate an officer to receive returned bills during its adjournment. (1995, c. 5, s. 1.)

Sec. 23. Revenue bills. No laws shall be enacted to raise money on the credit of the State, or to pledge the faith of the State directly or indirectly for the payment of any debt, or to impose any tax upon the people of the State, or to allow the counties, cities, or towns to do so, unless the bill for the purpose shall have been read three several times in each house of the General Assembly and passed three several readings, which readings shall have been on three different days, and shall have been agreed to by each house respectively, and unless the yeas and nays on the second and third readings of the bill shall have been entered on the journal.

Sec. 24. Limitations on local, private, and special legislation.

(1) Prohibited subjects. The General Assembly shall not enact any local, private, or special act or resolution:

- (a) Relating to health, sanitation, and the abatement of nuisances;
- (b) Changing the names of cities, towns, and townships;
- (c) Authorizing the laying out, opening, altering, maintaining, or discontinuing of highways, streets, or alleys;
- (d) Relating to ferries or bridges;
- (e) Relating to non-navigable streams;
- (f) Relating to cemeteries;
- (g) Relating to the pay of jurors;
- (h) Erecting new townships, or changing township lines, or establishing or changing the lines of school districts;

- (i) Remitting fines, penalties, and forfeitures, or refunding moneys legally paid into the public treasury;
- (j) Regulating labor, trade, mining, or manufacturing;
- (k) Extending the time for the levy or collection of taxes or otherwise relieving any collector of taxes from the due performance of his official duties or his sureties from liability;
- (l) Giving effect to informal wills and deeds;
- (m) Granting a divorce or securing alimony in any individual case;
- (n) Altering the name of any person, or legitimating any person not born in lawful wedlock, or restoring to the rights of citizenship any person convicted of a felony.

(2) Repeals. Nor shall the General Assembly enact any such local, private, or special act by the partial repeal of a general law; but the General Assembly may at any time repeal local, private, or special laws enacted by it.

(3) Prohibited acts void. Any local, private, or special act or resolution enacted in violation of the provisions of this Section shall be void.

(4) General laws. The General Assembly may enact general laws regulating the matters set out in this Section.

ARTICLE III
EXECUTIVE

Sec. 5. Duties of Governor.

(11) Reconvened sessions. The Governor shall, when required by Section 22 of Article II of this Constitution, reconvene a session of the General Assembly. At such reconvened session, the General Assembly may only consider

such bills as were returned by the Governor to that reconvened session for reconsideration. Such reconvened session shall begin on a date set by the Governor, but no later than 40 days after the General Assembly adjourned:

- (a) For more than 30 days jointly as provided under Section 20 of Article II of this Constitution; or
- (b) Sine die. If the date of reconvening the session occurs after the expiration of the terms of office of the members of the General Assembly, then the members serving for the reconvened session shall be the members for the succeeding term. (1969, c. 932, s. 1; 1977, c. 690, s. 1; 1995, c. 5, s. 2.)

ARTICLE XIII CONVENTIONS; CONSTITUTIONAL AMENDMENT AND REVISION

Sec. 4. Revision or amendment by legislative initiation. A proposal of a new or revised Constitution or an amendment or amendments to this Constitution may be initiated by the General Assembly, but only if three-fifths of all the members of each house shall adopt an act submitting the proposal to the qualified voters of the State for their ratification or rejection. The proposal shall be submitted at the time and in the manner prescribed by the General Assembly. If a majority of the votes cast thereon are in favor of the proposed new or revised Constitution or constitutional amendment or amendments, it or they shall become effective January first next after ratification by the voters unless a different effective date is prescribed in the act submitting the proposal or proposals to the qualified voters.

ARTICLE XIV MISCELLANEOUS

Sec. 5. Conservation of natural resources. It shall be the policy of this State to conserve and protect its lands and waters for the benefit of all its citizenry, and to this end it shall be a proper function of the State of North Carolina and its

political subdivisions to acquire and preserve park, recreational, and scenic areas, to control and limit the pollution of our air and water, to control excessive noise, and in every other appropriate way to preserve as a part of the common heritage of this State its forests, wetlands, estuaries, beaches, historical sites, open lands, and places of beauty.

To accomplish the aforementioned public purposes, the State and its counties, cities and towns, and other units of local government may acquire by purchase or gift properties or interests in properties which shall, upon their special dedication to and acceptance a law enacted by a vote of three-fifths of the members of each house of the General Assembly for those public purposes, constitute part of the 'State Nature and Historic Preserve', and which shall not be used for other purposes except as authorized by law enacted by a vote of three-fifths of the members of each house of the General Assembly. The General Assembly shall prescribe by general law the conditions and procedures under which such properties or interests therein shall be dedicated for the aforementioned public purposes.
