Ms. Gray,

In a March 28 House Oversight and Reform Committee hearing , SBI Director Robert Schurmeier testified to your involvement in several conversations regarding his status as Director and issues involving senior positions within SBI. Committee members hoped to learn more from you regarding his testimony and any additional information that you believe is relevant. Could you provide days and times between April 3 and April 7 that you would be available to meet in person with Donald Haley, Sumit Gupta, and me?

Thank you,

Joe
