48 check, and a criminal history record check. In the event an applicant and its key persons have
49 had a completed criminal history record check in the 12 months prior to the application, the
50 Commission may, in its discretion, accept the results of that prior criminal history record check
51 upon submission of an affidavit that there has been no change in criminal history since the prior

1 criminal history record check in this or any other state. The Commission may not award a license
2 if the applicant or a key person of the applicant has been convicted of a felony or any gambling
3 offense in any state or federal court of the United States within 10 years of application or renewal.

4 (f) An applicant for licensure and any key person deemed necessary by the Commission
5 shall consent to a criminal history record check and shall submit all necessary fingerprints.
6 Refusal to consent to a criminal history record check may constitute grounds for the Commission
7 to deny licensure.

8 (g) The Commission shall review and issue licenses to qualified applicants within 60 days
9 of receipt of a completed application. The Commission may extend the review period for an
10 additional 30 days if the background investigation is outstanding.

11 (h) In disclosing the principal owners of the applicant, the following shall apply:

12 (1) Governmental created entities, including statutory authorized pension
13 investment boards and Canadian Crown corporations, that are direct or
14 indirect shareholders of an applicant shall be waived in the applicant's
15 disclosure of ownership and control as determined by the Commission.

16 (2) Investment funds or entities registered with the Securities and Exchange
17 Commission, including Investment Advisors and entities under the
18 management of the Securities and Exchange Commission, that are direct or
19 indirect shareholders of the applicant shall be waived in the applicant's
20 disclosure of ownership and control as determined by the Commission.

21 (i) A sports wagering supplier license or a provisional sports wagering supplier license
22 shall be sufficient to offer the sports wagering services under this Article.

23 (j) A person holding a sports wagering supplier license or its equivalent, on the basis of
24 comparable licensing requirements issued to that person by a proper authority by another state or
25 territory of the United States or the District of Columbia if that jurisdiction's requirements for
26 licensure, certification, or registration are substantially equivalent to or exceed the requirements
27 of this State, and who, in the opinion of the Commission otherwise meets the requirements of
28 this Article based upon verified evidence may, upon application, be licensed as a sports wagering
29 supplier with or without further examination, as determined by the Commission.

30 (k) Each interactive sports wagering operator shall promptly report all criminal or
31 disciplinary proceedings commenced against that interactive sports wagering operator in
32 connection with its operations to the Commission. Each interactive sports wagering operator shall
33 promptly report to the Commission all changes in key persons, and all new key persons shall
34 consent to a background investigation.

35 (l) Notwithstanding any other provision of law, only the following documents under this
36 section shall be a public record, with respect to each applicant and each sports wagering supplier:

37 (1) The name, address, and sports wagering platform.

38 (2) The name of all key persons.

39 (3) The granting or denial of the application.

40 (m) No sports wagering supplier license is assignable or transferable without approval of

42 **"§ 18C-908. Renewals of licenses.**

43 (a) Any license issued pursuant to this Article shall be valid for five years.

44 (b) At least 60 days prior to the expiration of a license, the license holder shall submit a
45 renewal application, on a form prescribed by the Commission, including a renewal fee as follows:

46 (1) One million dollars (\$1,000,000) for an interactive sports wagering license.

47 (2) Fifty thousand dollars (\$50,000) for a service provider license.

48 (3) Thirty thousand dollars (\$30,000) for a sports wagering supplier license.

49 (c) The Commission may revoke or deny a license renewal for any of the following
50 reasons:

- 1 (1) The same grounds that would constitute denial of an initial application under
2 G.S. 18C-906(g).
3 (2) A violation of this Article.
4 (3) Failure to pay the tax imposed under Article 2E of Chapter 105 of the General
5 Statutes.

6 (d) With respect to interactive sports wagering operators, the Commission may deny a
7 license renewal if the Commission finds good cause that the licensee has materially not complied
8 with the provisions of this Article.

9 **"§ 18C-909. Use of proceeds.**

10 (a) The Commission shall use the funds remitted to it pursuant to G.S. 105-113.128 and
11 any proceeds from license fees collected under this Article to cover expenses in administering
12 this Article. Any proceeds remaining at the end of each fiscal year after payment of expenses of
13 the Commission pursuant to this section shall be remitted to the General Fund.

14 (b) Expenses of the Commission shall include all items listed in G.S. 18C-163.

15 **"§ 18C-910. Duties of licensees.**

16 (a) The interactive sports wagering operator and its service providers shall make
17 commercially reasonable efforts to do all of the following:

- 18 (1) Prevent persons who are not registered players from placing sports wagers
19 through its sports wagering platform.
20 (2) Prevent persons who are not physically located in the State from placing a
21 wager through its sports wagering platform.
22 (3) Protect the confidential information of registered players using its sports
23 wagering platform.
24 (4) Prevent sports wagering on prohibited events set forth in this Article or as
25 otherwise determined by the Commission.
26 (5) Prevent persons from placing sports wagers as agents or proxies for others.
27 (6) Allow persons to voluntarily exclude themselves under G.S. 18C-922 from
28 placing sports wagers through its sports wagering platform as set forth in this
29 Article.
30 (7) Establish procedures to detect suspicious or illegal sports wagering activity.
31 (8) Provide for the reporting of income tax on winnings where required by
32 applicable State or federal law.
33 (9) Prevent a participant in a sporting event, including an athlete, coach, trainer,
34 official, or any employee or staff of a participant from placing a sports wager
35 on that sporting event in which the participant is participating.
36 (10) Verify the location of the sports wagerer at the time the sports wager is
37 initiated and received for compliance with G.S. 18C-902(c).

38 (b) For three years after a sporting event occurs, interactive sports wagering operators
39 shall maintain records on all of the following:

- 40 (1) Each sports wager, including the identity of the individual placing the sports
41 wager.

44 (3) Suspicious or illegal sports wagering activity.

45 (c) The interactive sports wagering operator shall disclose the records described in
46 subsection (b) of this section to the Commission upon request.

47 (d) If a sports governing body has notified the Commission that real-time information
48 sharing for sports wagers placed on its sporting events is necessary, interactive sports wagering
49 operators shall share with that sports governing body or its designee in real time, at the account
50 level, anonymized information regarding a registered player, amount and type of sports wager,
51 the time the sports wager was placed, the location of the registered player at the time the sports

1 wager was placed, the IP address if applicable, the outcome of the sports wager, and records of
2 abnormal sports wagering activity. For purposes of this subsection, real time means on a
3 commercially reasonable periodic interval, but in any event, not less than once every 72 hours.
4 A sports governing body receiving any information pursuant to this subsection shall use the
5 information for the purpose of integrity monitoring only and not for any commercial purpose.

6 (e) In advertising its sports wagering platform, the interactive sports wagering operator
7 shall ensure that its advertisements meet all of the following requirements:

8 (1) It does not target persons under the age of 21.

16 (g) Interactive sports wagering operators and service providers shall employ
17 commercially reasonable methods to maintain the security of wagering data, registered player
18 and other customer data, and any other confidential information, including information provided
19 by a sports governing body, from unauthorized access and dissemination. All servers necessary
20 to the placement or resolution of a sports wager, other than back-up servers, shall be physically
21 located in this State. Consistent with federal law, nothing in this section shall preclude the use of
22 internet or cloud-based hosting, or the use of back-up servers located outside of this State.

23 (h) Each interactive sports wagering operator shall provide a daily summary of all sports
24 wagering activity, detailing all transactions processed through each wagering system, provided
25 in a format established by the Commission, at the close of each business day.

26 **"§ 18C-911.** Reserved for future codification purposes.

27 **"§ 18C-912. Establishment of interactive accounts.**

28 (a) Only a registered player shall be permitted to establish an interactive account with an
29 interactive sports wagering operator. The interactive sports wagering operator is responsible for
30 verifying the identity of the registered player and ensuring that the registered player is at least 21
31 years of age. The registered player shall be permitted to deposit cash or cash equivalents into the
32 interactive account.

33 (b) A registered player may not have more than one interactive account with each
34 interactive sports wagering operator.

35 (c) An interactive account shall meet all of the following requirements:

46 registration.

48 through a designated mobile or other interface or to an electronic mail address
49 designated by the registered player.

1 (d) The interactive sports wagering operator shall put in place sufficient measures to
2 verify the age and identity of the registered player needed to allow the establishment of
3 interactive accounts remotely.

4 (e) An interactive account held by a registered player in this State may be suspended or
5 terminated by the interactive sports wagering operator under any of the following conditions:

6 (1) The registered player has provided any false or misleading information in
7 connection with the opening of the account, or has engaged in collusion,
8 cheating, or other unlawful conduct.

9 (2) The registered player is barred from placing sports wagers in the State.

10 (3) The registered player is or otherwise becomes ineligible pursuant to this

16 in the interactive account.

17 **"§ 18C-913.** Reserved for future codification purposes.

18 **"§ 18C-914. Integrity of competition and prohibited events.**

19 (a) A sports governing body may submit to the Commission in writing a request to
20 restrict, limit, or exclude a certain type, form, or category of sports wagering with respect to
21 sporting events of such body, if the sports governing body believes that such type, form, or
22 category of sports wagering with respect to sporting events of such body may undermine the
23 integrity or perceived integrity of such body or sporting events of such body. The Commission
24 shall request comment from interactive sports wagering operators on all such requests. After
25 giving due consideration to all comments received, the Commission shall, upon a demonstration
26 of good cause from the requestor that such type, form, or category of sports wagering is likely to
27 undermine the integrity or perceived integrity of such body or sporting events of such body, grant
28 the request. The Commission shall respond to a request concerning a particular event before the
29 start of the event, or if it is not feasible to respond before the start of the event, no later than seven
30 days after the request is made. If the Commission determines that the requestor is more likely
31 than not to prevail in successfully demonstrating good cause for its request, the Commission may
32 provisionally grant the request of the sports governing body until the Commission makes a final
33 determination as to whether the requestor has demonstrated good cause. Absent such a
34 provisional grant by the Commission, sports wagering operators may continue to offer sports
35 wagering on sporting events that are the subject of such a request during the pendency of the
36 Commission's consideration of the applicable request.

37 (b) The Commission and interactive sports wagering operators shall cooperate with
38 investigations conducted by sports governing bodies or law enforcement agencies, including
39 using commercially reasonable efforts to provide or facilitate the provision of sports wagering
40 information. All disclosures under this section are subject to an interactive sports wagering
41 operator's obligations to comply with all federal, State, and local laws and regulations, including
42 those relating to privacy and personally identifiable information.

43 (c) Interactive sports wagering operators are not required to use official league data for
44 determining any of the following:

45 (1) The results of tier one sports wagers on sporting events of any organization
46 whether headquartered in the United States or elsewhere.

47 (2) The results of tier two sports wagers on sporting events of organizations that
48 are not headquartered in the United States.

49 (d) A sports governing body may notify the Commission that it desires interactive sports
50 wagering operators to use official league data to settle tier two sports wagers on sporting events
51 of such sports governing body. Notification shall be made in the form and manner as the

1 Commission may require. The Commission shall notify each interactive sports wagering operator
2 of a sports governing body's notification within five days of the Commission's receipt of the
3 notification. If a sports governing body does not so notify the Commission, an interactive sports
4 wagering operator is not required to use official league data for determining the results of tier
5 two sports wagers on sporting events of that sports governing body.

6 (e) Within 60 days of the Commission notifying each interactive sports wagering
7 operator of a sports governing body notification to the Commission, or longer period as may be
8 agreed between the sports governing body and the applicable interactive sports wagering
9 operator, interactive sports wagering operators shall use only official league data to determine
10 the results of tier two sports wagers on sporting events of that sports governing body, unless any
11 of the following apply:

12 (1) The sports governing body or its designee cannot provide a feed of official
13 league data to determine the results of a particular type of tier two sports
14 wager, in which case interactive sports wagering operators are not required to
15 use official league data for determining the results of the applicable tier two
16 sports wager until such time as such a data feed becomes available from the
17 sports governing body on commercially reasonable terms and conditions.

18 (2) An interactive sports wagering operator can demonstrate to the Commission
19 that the sports governing body or its designee will not provide a feed of official
20 league data to the interactive sports wagering operator on commercially
21 reasonable terms and conditions.

22 (3) The designee of the sports governing body does not obtain a sports wagering
23 supplier license from the Commission to provide official league data to
24 interactive sports wagering operators to determine the results of tier two sports
25 wagers, if and to the extent required by law.

26 (f) During the pendency of the Commission's determination as to whether a sports
27 governing body or its designee will provide a feed of official league data on commercially
28 reasonable terms, an interactive sports wagering operator is not required to use official league
29 data for determining the results of tier two sports wagers. The Commission's determination shall
30 be made within 60 days of the interactive sports wagering operator notifying the Commission
31 that it desires to demonstrate that the sports governing body or its designees will not provide a
32 feed of official league data to the sports wagering operator on commercially reasonable terms.
33 The following is a non-exclusive list of factors the Commission may consider in evaluating
34 whether official league data is being offered on commercially reasonable terms and conditions
35 for purposes of this subsection and subsections (d) and (e) of this section:

36 (1) The extent to which interactive sports wagering operators have purchased the
37 same or similar official league data on the same or similar terms, particularly
38 in jurisdictions where such purchase was not required by law, or was required
39 by law, but only if offered on commercially reasonable terms.

40 (2) The nature and quantity of the official league data, including its speed,
41 accuracy, reliability, and overall quality, as compared to comparable
42 non-official data.

43 (3) The quality and complexity of the process used to collect and distribute the
44 official league data as compared to comparable non-official data.

45 (4) The availability of a sports governing body's tier two official league data to an
46 interactive sports wagering operator from more than one authorized source.

47 (5) Market information, including price and other terms and conditions, regarding
48 the purchase by interactive sports wagering operators of comparable data for
49 the purpose of settling sports wagers in this State and other jurisdictions.

1 (6) The extent to which sports governing bodies or their designees have made data
2 used to settle tier two sports wagers available to interactive sports wagering
3 operators and any terms and conditions relating to the use of that data.

4 (7) Any other information the Commission deems relevant.

5 (g) Interactive sports wagering operators shall, as soon as practicable, report to the
6 Commission any information relating to abnormal betting activity or patterns that may indicate
7 a concern with the integrity of a sporting event or events, or any other conduct that corrupts a
8 sports wagering outcome of a sporting event or events for purposes of financial gain, including
9 match fixing. The interactive sports wagering operator making such a report shall also
10 simultaneously report such information to the relevant sports governing body.

15 either or both of the following:

16 (1) Suspend or revoke the license.

17 (2) Impose a monetary penalty of not more than ten thousand dollars (\$10,000)
18 for each violation.

24 Article shall be guilty of a Class 2 misdemeanor.

25 (c) Any person who knowingly attempts to suborn, collude, or otherwise conspire to
26 influence the outcome of any competition or aspect of any competition that is the subject of sports
27 wagering pursuant to this Article shall be guilty of a Class G felony.

28 (d) Any applicant for an interactive sports wagering license, a service provider license,
29 or sports wagering supplier license who willfully furnishes, supplies, or otherwise gives false
30 information on the license application shall be guilty of a Class I felony.

31 (e) Nothing in this Article shall be construed to allow the interactive sports wagering
32 operator or its service providers to be charged with a violation of subsection (a) or (c) of this
33 section absent actual notice and knowledge that a person is under age or giving false information.

38 (a) The Commission shall establish a voluntary exclusion program for any individual to
39 voluntarily exclude themselves from placing sports wagers under this Article and pari-mutuel
40 wagers under Article 10 of this Chapter. Interactive sports wagering operators shall use
41 reasonable means to comply with the exclusion of individuals participating in the voluntary
42 exclusion program by the Commission.

43 (b) The Commission shall adopt rules to establish the voluntary exclusion program,
44 which shall provide for all of the following:

47 (2) How information regarding which individuals are in the voluntary exclusion
48 program is to be disseminated to the interactive sports wagering operators.

49 (3) How an individual in the voluntary exclusion program may petition the
50 Commission for removal from the voluntary exclusion program.

1 (4) The means by which the interactive sports wagering operators and their agents
2 shall make all reasonable efforts to cease direct marketing efforts to
3 individuals participating in the voluntary exclusion program.

4 (5) The means by which the Commission shall make available to all interactive
5 sports wagering operators and their agents the names of the individuals
6 participating in the voluntary exclusion program, which shall be at least
7 quarterly.

8 (c) Participation in the voluntary exclusion program shall not preclude an interactive
9 sports wagering operator and its agents from seeking the payment of a debt accrued by the
10 individual while not participating in the voluntary exclusion program.

11 (d) The voluntary exclusion program shall be exempt from Chapter 132 of the General
12 Statutes and shall be treated as confidential by each interactive sports wagering operator. An
13 interactive sports wagering operator conducting sports wagering in another state may share the
14 information provided under this section with its agents and affiliates in other states for excluding
15 individuals participating in the voluntary exclusion program.

21 exchanges, or similar mechanisms in another approved jurisdiction in which the interactive sports
22 wagering operator, service provider, or an affiliate of either or other third party also holds a
23 license or the equivalent, provided that at all times adequate protections are maintained to ensure
24 sufficient funds are available to pay all winnings.

25 "**§ 18C-925.** Reserved for future codification purposes.

26 "**§ 18C-926. Places of public accommodation.**

27 (a) Permanent places of public accommodation for the purpose of placing sports wagers
28 may be associated with each sports facility.

29 (b) Permanent places of public accommodation permitted under this section shall be
30 located as follows:

31 (1) On the property of the sports facility.

32 (2) No more than one place of public accommodation may be on other property
33 owned or controlled by the owner or operator of the sports facility or an

36 Article to read:

37 "Article 2E.

38 "Tax on Interactive Sports Wagering Operators.

39 "**§ 105-113.125. Definitions.**

40 The definitions of G.S. 18C-901 apply to this Article.

41 "**§ 105-113.126. Tax on interactive sports wagering operators.**

42 (a) Tax. – A tax at the rate of eighteen percent (18%) is imposed on an interactive sports
43 wagering operator licensed under Article 9 of Chapter 18C of the General Statutes. The tax
44 applies to the gross wagering revenue of the interactive sports wagering operator.

45 (b) Carryforward. – If the amount of gross wagering revenue is a negative number for
46 any month, the interactive sports wagering operator may carry forward the negative amount to
47 the return filed for the subsequent month. No amount shall be carried forward more than 12
48 months after the month in which the amount carried forward was originally due.

49 (c) Return. – Taxes levied by this Article are due when a return is required to be filed.
50 The return is due on a monthly basis. A monthly return is due by the twentieth day of the month

1 following the calendar month covered by the return. A return is filed on a form prescribed by the
2 Secretary.

3 (d) Records. – A person who is required to file a return under this Article must keep a
4 record of all documents used to determine information the person provides in a return. These
5 records shall be open at all times for inspection by the Secretary or an authorized representative
6 of the Secretary and shall be kept for the applicable period of statute of limitations as set forth
7 under Article 9 of this Chapter.

8 (e) Refund. – An interactive sports wagering operator is allowed a refund of the tax paid
9 under this section on a sports wager that has been refunded. The Secretary shall prescribe the
10 manner in which a interactive sports wagering operator may request a refund under this
11 subsection, which may include allowing a credit for the amount refunded on a subsequent
12 monthly return required under this section.

13 **"§ 105-113.127. Bond or irrevocable letter of credit.**

14 The Secretary may require an interactive sports wagering operator to furnish a bond in an
15 amount that adequately protects the State from an interactive sports wagering operator's failure
16 to pay taxes due under this Article. A bond must be conditioned on compliance with this Article,
17 payable to the State, and in the form required by the Secretary. The amount of the bond is two
18 times the interactive sports wagering operator's expected monthly tax liability under this Article,
19 as determined by the Secretary, provided the amount of the bond may not be less than fifty
20 thousand dollars (\$50,000) and may not be more than two million dollars (\$2,000,000). The
21 Secretary should periodically review the sufficiency of bonds required of interactive sports
22 wagering operators and increase the amount of a required bond when the amount of the bond
23 furnished no longer covers the anticipated tax liability of the interactive sports wagering operator
24 and decrease the amount when the Secretary determines that a smaller bond amount will
25 adequately protect the State from loss.

26 For purposes of this section, an interactive sports wagering operator may substitute an
27 irrevocable letter of credit for the secured bond required by this section. The letter of credit must
28 be issued by a commercial bank acceptable to the Secretary and available to the State as a
29 beneficiary. The letter of credit must be in a form acceptable to the Secretary, conditioned upon
30 compliance with this Article, and in the amounts stipulated in this section.

31 **"§ 105-113.128. Use of tax proceeds.**

32 The Secretary shall distribute the taxes collected under this Article, less the allowance to the
33 Department of Revenue and reimbursement to the Lottery Commission for administrative
34 expenses, in accordance with this section. The Secretary may retain the cost of collection by the
35 Department, not to exceed five hundred thousand dollars (\$500,000) a year, as reimbursement to
36 the Department. The Lottery Commission shall, no later than 20 days after the end of the month,
37 notify the Department of its expenses from administering the provisions of Article 9 of Chapter
38 18C of the General Statutes from the previous month. The Department shall reimburse the
39 Lottery Commission from the tax revenues collected under this Article no later than the end of
40 the month in which the Department was notified. The remainder of the net proceeds of the tax
41 collected under this Article are to be credited in the following priority:

- 42 (1) Two million dollars (\$2,000,000) annually to the Department of Health and
43 Human Services for gambling addiction education and treatment programs.
- 44 (2) One million dollars (\$1,000,000) annually to the North Carolina Division of
45 Parks and Recreation for grants to local governments to expand opportunities
46 for persons up to age 18 to engage in youth sports. The total dollar amount
47 awarded each year to all applicants in any one county may not exceed one
48 percent (1%) of the total funding available on July 1 of that year.
- 49 (3) Three hundred thousand dollars (\$300,000) annually shall be appropriated to
50 each of the institutions listed in this subdivision to support collegiate athletic
51 departments. If there are not sufficient funds for each of these institutions to

1 receive an appropriation of three hundred thousand dollars (\$300,000), the
2 amount of each appropriation shall be reduced by the same proportion so that
3 all institutions receive an appropriation of the same amount. The institutions
4 are listed as follows:
