2 AN ACT TO PROVIDE FOR CAREER DEVELOPMENT PLANS FOR ALL MIDDLE AND
3 HIGH SCHOOL STUDENTS AND TO STUDY THE CREATION OF INDIVIDUAL
4 GRADUATION PLANS FOR STUDENTS TO ENSURE POST-SECONDARY
5 SUCCESS.

6 The General Assembly of North Carolina enacts:

7 SECTION 1.(a) Article 10 of Chapter 115C of the General Statutes is amended by
8 adding a new Part to read:

9 "Part 1A. Career Development Plans.

10 "§ 115C-158.10. Career development plans.

11 (a) All middle and high school students enrolled in a local school administrative unit shall
12 complete a career development plan that meets the requirements of this section. The local board
13 of education shall ensure that students are provided assistance in completion of the plan as well
14 as instruction on how to access that plan throughout the student's enrollment. A student shall not
15 be promoted from seventh grade until a career development plan is created and shall not be
16 promoted from tenth grade until the career development plan is revised. Local boards of
17 education are encouraged to require more frequent revisions as appropriate. Charter schools are
18 encouraged to require participation in career development plans for students in accordance with
19 this section.

20 (b) Local boards of education shall ensure that career development plans are easily
21 accessible to students and parents and shall provide parents written notice of the initial creation
22 of a career development plan and information on how to access the plan.

23 (c) The State Board of Education shall adopt rules establishing minimum requirements
24 for career development plans and shall require local boards of education to provide access to all
25 career development plans through a designated electronic application. Career development plans
26 shall include at least the following:

27 (1) Self-assessment of the student's aptitudes, skills, values, personality, and
28 career interests.

29 (2) Exploration and identification of pathways for careers aligned with the
30 student's self-assessment that include the following for each career:

31 a. Identification of needed education, training, and certifications.

32 b. Information on the most cost-efficient path to entry.

33 c. Opportunities within the school setting to explore and prepare for the
34 career.

35 (3) Alignment of academic courses and extracurricular activities with the
36 student's identified career interests, including the following:

* S 1 9 3 - C S T C - 5 3 *

1 a. Inventory of aligned courses in middle and high school in grades six
2 through 10, and development of best strategies for course selection in
3 grades 11 and 12 to achieve identified career interests.

4 b. Available record of the following:

5 1. Completed dual-enrollment courses.

6 2. Extracurricular activities.

11 parental consent.

12 c. Resume.

13 d. Occupational outlook for identified career interests."

14 **SECTION 1.(b)** G.S. 115C-218.75 is amended by adding a new subsection to read:

15 "(k) Career Development Plans. – A charter school is encouraged to adopt a policy to
16 require all middle and high school students to complete a career development plan in accordance
17 with G.S. 115C-158.10."

18 **SECTION 1.(c)** This section applies beginning with the 2024-2025 school year.

19 **SECTION 2.** The State Board of Education shall establish a pilot of at least 20 local
20 school administrative units during the 2023-2024 school year to develop the plan requirements
21 and professional development necessary for successful statewide implementation of career
22 development plans in the 2024-2025 school year. The State Board of Education shall direct the
23 Department of Public Instruction to develop and provide a career development plan electronic
24 application to local boards of education and participating charter schools no later than the
25 2024-2025 school year that will provide access for all students and parents to the student's career
26 development plan and will integrate with career information available through other State
27 agencies.

28 **SECTION 3.(a)** The Department of Public Instruction, in coordination with the State
29 Board of Education, shall study and recommend how to develop individual graduation plans for
30 all students beginning in eighth grade to achieve the goal of success for all students in graduating
31 career and college ready with the support and involvement of both the student's parents and
32 school personnel. The Department may examine and consider other successful models of
33 individual graduation plans that have been implemented in other states, such as Louisiana. As a
34 minimum, the Department shall consider the following elements:

35 (1) Resources needed for guidance counselors or other qualified school personnel
36 to assist students in creating and updating individual graduation plans on an
37 annual basis that ensure students are selecting courses needed to fulfill
38 graduation requirements and electives that align with post-secondary goals.

39 (2) Means of effectively engaging and involving all parents in developing of
40 individual graduation plans.

41 (3) Technology needed to ensure that a student's individual graduation plan is
42 readily and easily accessible to both the student and that student's parent.

43 (4) Means of integration of career development planning as a fundamental
44 component of the individual graduation plan.

45 (5) Means of assistance for post-secondary educational planning, including
46 completion of a free application for federal student aid.

47 (6) Means of identification of students entering ninth grade and annually
48 thereafter who need remedial assistance in English and mathematics, and
49 inclusion of appropriate and timely remediation as a part of the student's
50 individual graduation plan.

1 (7) Consideration of application of individual graduation plans to only local
2 school administrative units or to all public school units.

3 **SECTION 3.(b)** The Department of Public Instruction shall report to the Joint
4 Legislative Education Oversight Committee no later than January 15, 2024, on the results of the
5 study, recommended legislation to implement individual graduation plans and high school
6 remediation programs, and parameters for a pilot program to implement individual graduation
7 plans and high school remediation programs in at least 15 public school units beginning with the
8 2024-2025 school year.

9 **SECTION 4.** This act is effective when it becomes law.
