House Bill 555, "AN ACT TO APPROPRIATE FUNDS FOR THE IMPLEMENTATION OF MEDICAID TRANSFORMATION AND TO MAKE OTHER MEDICAID TRANSFORMATION-RELATED CHANGES."

All too often, Lord, too many among us, in the past and presently, who have accepted this calling, have failed You and our charges, in many ways, some slight and some grievous. We beseech You, this morning, Lord, to stay close to us at all times, that we might not wander far from Your influence in all we do, to always guide us, to always lead us, to bless our efforts with Your divine wisdom, that our decisions and our actions would be pleasing to You, Lord, and beneficial for all of Your children, today and for tomorrows to come. WHEREAS, the U.S.S. Dale action report on December 7, 1941, to the Commander-in-Chief of the U.S. Pacific Fleet stated, "There were no casualties on board this vessel and no damage was caused by the enemy. The conduct of the personnel was excellent. After the first feeling of numbed shock and disbelief that we were being attacked, a cold rage swept over the crew. There was absolutely no panic or confusion. Orders were implicitly carried out. The ship was made ready for sea and ready to fire within ten minutes from the time General Quarters was sounded." (Naval History and Heritage Command); and

WHEREAS, Mr. Wilson, after serving eight years in the Navy (1938-1946), returned to La Grange where he worked with his father for a while before beginning a career as a cross-country tour bus driver. He enjoyed his work and the people he served until he retired at age 80; and

HOUSE OF REPRESENTATIVES Thursday, September 12, 2019

The House meets at 9:30 a.m. pursuant to adjournment and is called to order by the Speaker.

The following prayer is offered by Representative D. Craig Horn:

"Dear Lord, we again come before You with strong emotions and great needs. I beseech You to let these be Your words and not my own. God help us!

"You have made us in Your image, but You have not made us alike.

"You have given us 'free will' and although we sometimes abuse it, You have also given us the ability to overcome.

"We can learn. We can learn the need for patience and the need for candor, the need to focus on what can be done, not letting the possibility of doing one good thing be the enemy of the opportunity of doing many good things.

"We are one House, perhaps sometimes divided. It is a house of many rooms, not just one frightful and enormous room.

"The challenges set before us are difficult and therefore hard to solve. We live in difficult times, made much more difficult by our individual will.

"As we face great challenges, help us grasp that understanding each other is not enough, but it is an indispensable beginning.

"We ask Your blessings on this House and on each one of us herein.

"As You reach down to grasp our hand, let us reach out - let us reach to grasp the hand of each other. And give us peace!

"Watch over our families, protect our soldiers, sailors, airmen and Marines, all those that serve us in harm's way. Hold us, hold us tightly in the palm of Your hand. Amen."

"Your instructions to us are clear. For in Colossians 3:23, You command us that whatsoever we set our hand to do, to do it as unto You and not unto man. Therefore, we request just that: enough wisdom, strength and courage to have as our ultimate goal - to hear the sweet sound of Your majestic voice saying to us, 'Well done, thou good and faithful servant.'

"For a heavenly pat on the back is worth much more than all this world has to offer.

"To that end, we submit our whole selves, body, mind, and soul.

REMARKS BY REPRESENTATIVE HOLLEY

"Sometimes you can perceive a person's trajectory or even his or her in their youth that they're special people. Well, that's the way it was for me with Elijah Cummings, Congressman Elijah Cummings. As a freshman at Howard University, I was in awe of the offices of the student government, especially Elijah Cummings, who was the most prominent and most promising, and he distinguished himself among his dutiful peers. Elijah fulfilled his promise as he worked, lived, and served and died as a noble statesman and as an accessible, effective public servant.

"I am brokenhearted to hear of his passing and I'm exceedingly inspired to join my colleagues to uphold his banner of integrity, honor, and excellence. Please unite with me in emulating Elijah's tireless pursuit of democracy and parity of all people, by all people, and for all people. I will always cherish the memory of the fervor which he advanced on behalf of us all. Elijah Cummings was a force on a mission, a man who truly earned his rest in peace and power. I was blessed to have known him, I was blessed to have had classes with him, and I am blessed to try to share his values. My prayers are with his family and friends during these challenging times. Please bless us all."

GOVERNOR'S OBJECTIONS AND VETO MESSAGE

Senate Bill 250, "AN ACT TO CODIFY THE COMMON LAW REQUIREMENT FOR UNITED STATES CITIZENSHIP TO QUALIFY AS A JUROR, TO ALLOW A CLERK OF COURT TO HEAR JURY EXCUSES IF SO DESIGNATED BY THE CHIEF DISTRICT COURT JUDGE, AND TO PROVIDE THAT THE NAMES AND ADDRESSES OF PERSONS REQUESTING TO BE EXCUSED FROM JURY DUTY BASED ON DISQUALIFICATION SHALL BE SHARED WITH THE STATE BOARD OF ELECTIONS IF THE DISQUALIFICATION IS DUE TO UNITED STATE CITIZENSHIP."

"Only citizens should be allowed to vote. But blocking legitimate voters from casting a ballot is a risk we cannot take when the law already prevents non-citizens from voting and has legitimate mechanisms to remove them from the rolls. This legislation creates a high risk of voter harassment and intimidation and could discourage citizens from voting.

"Therefore, I veto the bill."

S/ Roy Cooper Governor

The bill, having been vetoed, is returned to the Clerk of the North Carolina Senate on this the 6th day of November 2019, at 2:59 p.m. for reconsideration by that body.

Upon recognition by the Speaker for that purpose, any member may speak to a question of personal privilege for a time not exceeding three minutes and may use some or all of that time to explain to the House a "Representative Statement of Personal Privilege." Upon motion supported by a majority present and voting, that statement may be spread upon the Journal. Neither personal privilege nor a Representative Statement of Personal Privilege may be used to explain a vote, debate a bill, or in any way disrupt

the regular business of the House, nor shall such opportunities be used to solicit support or sponsors for any bill. The format of a Representative Statement of Personal Privilege shall be prescribed by the Chairman of the Committee on Rules, Calendar, and Operations of the House, but in any case shall speak only in the voice of the member submitting it. The Speaker shall determine if the question raised is one of personal privilege and shall, without the point of order being raised, enforce this rule.

- RULE 9. **Points of Order.** (a) The Speaker shall decide questions of order and may speak to points of order in preference to other members arising from their seats for that purpose. Any member may appeal from the ruling of the chair on questions of order; on such appeal no member may speak more than once, unless by leave of the House. A three-fifths vote of the members present shall be necessary to sustain any appeal from the ruling of the chair.
- (b) When the Speaker calls a member to order, the member shall be seated, except that a member called to order may clear a matter of fact, or explain, but shall not proceed in debate so long as the decision stands. If the member appeals from the ruling of the chair and the decision by a three-fifths vote of the members present be in favor of the member called to order, the member may proceed; if otherwise, the member shall not; and if the case, in the judgment of the House, requires it, the member shall be liable to censure by the House.
- RULE 10. **Limitations on Debate.** (a) No member shall speak on, debate, or solicit cosponsors for a bill or resolution at its first reading.
- (b) No member shall speak more than twice on the main question nor longer than 15 minutes for the first speech and five minutes for the second speech; nor shall the member speak more than twice upon an amendment or a motion to reconsider, re-refer, or postpone or any motion on concurrence, and then not longer than 10 minutes for the first speech and five minutes for the second speech.
- (c) A member may speak only once and for not more than 10 minutes on the question of the adoption of a minority report.
- (d) In computing the time allowed for argument, the time consumed in answering questions should be considered and is taken out of any time allowed that member.
- (e) The House, by consent of a majority of the members present, may suspend the operation of subsections (b) through (d) of this rule during any debate on any particular question before the House.
- RULE 11. **Reading of Papers.** When there is a call for the reading of the text of a paper which has been presented to the House and there is objection to such reading, the question shall be determined by a majority vote of the members of the House present. Except for protests permitted by the Constitution, no member may have material printed in the Journal until said material has been presented to the House and the printing approved by the House, and said material shall not exceed 1,000 words.

- RULE 12. **General Decorum.** (a) The Speaker shall preserve order and decorum.
- (b) Decency of speech shall be observed and disrespect to personalities carefully avoided.
- (c) When the Speaker is putting any question or addressing the House, no person shall speak, stand up, walk out of, or cross the House, nor, when a member is speaking, engage in disruptive discourse or pass between the member and the chair.
- (d) Food or beverages shall not be permitted on the floor of the House during the first hour of the daily session.
- (e) The reading of newspapers shall not be permitted on the floor of the House while the House is in session.
- (f) The consumption of food or beverages shall not be permitted in the galleries at any time.
- (g) Special recitals and performances by musicians or other groups shall not be permitted on the floor of the House, and special guests of members of the House shall not be permitted on the floor of the House.
- (h) Members shall observe appropriate attire: coat and tie for male members and dignified dress for female members.
- (i) The use of a mobile device or cellular phone for the purpose of making or receiving a phone call shall not be permitted in the House Chamber.
 - $\label{eq:continuous} (j) \qquad \text{Placards, stickers, or signs are not permitted in the House Chamber.}$

III. Motions

- RULE 13. **Motions Generally.** (a) Every motion shall be reduced to writing if the Speaker or any two members request it. No motion relating to a bill shall be in order that does not identify the bill by its number and short title.
- (b) When a motion is made, it shall be stated by the Speaker or, if written, it shall be handed to the chair and read aloud by the Speaker or Clerk before debate.
- (c) After a motion has been stated by the Speaker or read by the Speaker or Clerk, it shall be in the possession of the House; but it may be withdrawn before a decision or amendment, except in case of a motion to reconsider, which motion, when made by a member, shall be in possession of the House and shall not be withdrawn without leave of the House.
- RULE 14. **Motions, Order of Precedence.** When there are motions before the House, the order of precedence is as follows:

To adjourn.

To recess.

To lay on the table.

Previous question.

To postpone indefinitely.

To reconsider.

To postpone to a day certain.

To re-refer.

To amend an amendment.

To amend.

To pass the bill.

No motion to lay on the table, to postpone indefinitely, to postpone to a day certain, to re-refer, to divide the question, or to make a particular amendment, being decided, shall be again allowed at the same stage of the bill or proposition.

RULE 15. **Motion to Adjourn.** - (a) A motion to adjourn shall be seconded before the motion is put to the vote of the House.

- (b) A motion to adjourn shall be decided without debate and shall always be in order, except when the House is voting or some member is speaking; but a motion to adjourn shall not follow a motion to adjourn until debate or some other business of the House has intervened.
- RULE 15.1. Motion to Adjourn or Stand in Recess; Standard Stipulations. A motion to adjourn or stand in recess subject to the standard stipulations shall constitute a motion to adjourn or stand in recess subject to the ratification of bills, messages from the Senate, committee reports, conference reports, referral and re-referral of bills and resolutions, appointment of conferees, introduction of bills and resolutions, committee appointments, and the reading of Representative Statements.
- RULE 16. **Motion to Table.** (a) A motion to table shall be seconded before the motion is put to the vote of the House and is in order except when a motion to adjourn or to recess is before the House.
- (b) A motion to table shall be decided without debate; however, the proponent of the matter that is subject of the motion to table shall be given up to two minutes to explain the matter subject to the motion to table if the proponent has not previously explained the matter prior to the motion to table.
- (c) A motion to table a bill shall constitute a motion to table the bill and all amendments thereto.
- (d) When the question before the House is the adoption of an amendment to a bill or resolution, a motion to table the bill is not in order; and a motion to table an amendment applies to the amendment only, and the motion may not expressly or by implication or construction be expanded to include a motion to table the bill also.
- (e) When a question has been tabled, it shall not thereafter be considered, except on motion to reconsider under Rule 18 or to remove from the table approved by a two-thirds vote.
- RULE 17. **Motion to Postpone Indefinitely.** A motion to postpone indefinitely is in order except when a motion to adjourn, or to lay on the table, or for the previous question, or to recess is before the House. However, after one motion to postpone indefinitely has been decided, another motion to postpone indefinitely shall not be allowed at the same stage of the bill or proposition. When a question has been postponed indefinitely, it shall not thereafter be considered, except on motion to reconsider under Rule 18 or to place on the favorable calendar approved by a two-thirds vote.

- RULE 18. **Motion to Reconsider.** (a) When a question has been decided, it is in order for any member to move for the reconsideration thereof on the same or the succeeding legislative day; provided that if the vote by which the motion was originally decided was taken by a recorded vote, only a member of the prevailing side may move for reconsideration.
- (b) A motion to reconsider shall be determined by a majority vote, except the following shall require a two-thirds vote: a second or subsequent motion to reconsider and a motion to reconsider:
 - (1) A vote upon a motion to table,
 - (2) A motion to postpone indefinitely,
 - (3) A motion to remove a bill from the unfavorable calendar,
 - (4) A motion that a bill be read twice on the same day, or
 - (5) A motion to remove from the table.
- (c) A motion to reconsider the vote by which a person has been elected as Speaker or Speaker Pro Tempore shall not be in order. This subsection of this rule cannot be suspended except by a vote of three-fifths of all the members of the House.

RULE 19. **Previous Question.** - (a) The previous question may be called only by:

- (1) The Chair of the Committee on Rules, Calendar, and Operations of the House;
- (1a) The Vice-Chair of the Committee on Rules, Calendar, and Operations of the House if the Chair is not in the chamber or able to participate in debate;
- (2) The Majority Leader;
- (3) The member submitting the report on the bill or other matter under consideration;
- (4) The member introducing the bill or other matter under consideration;
- (5) The member in charge of the measure, who shall be designated by the chair of the standing committee reporting the same to the House at the time the bill or other matter under consideration is reported to the House or taken up for consideration.
- (b) When the call for the previous question has been decided in the affirmative by a majority vote of the House, the question is on the passage of the bill, resolution, or other matter under consideration.
- (c) The call for the previous question shall preclude all motions, amendments, and debate, except the motion to adjourn, motion to recess, or motion to table.
- (d) If the previous question is decided in the negative, the question remains under debate.

(e) After the previous question is ordered by the House on the main question of second or third reading, the Majority Leader and the Minority Leader may each allocate three minutes of debate on the question. The Majority Leader and the Minority Leader may each designate another member to act under this subsection.

IV. Voting

- RULE 20. **Use of Electronic Voting System.** (a) Votes on the following questions shall be taken on the electronic voting system, and the ayes and noes shall be recorded on the Journal:
 - (1) The passage as required by Section 23 of Article II of the North Carolina Constitution on second and third readings of any bill:
 - a. Raising money on the credit of the State,
 - b. Pledging the faith of the State for the payment of a debt,
 - c. Imposing a State tax, or
 - d. Authorizing a county, municipality, or other local governmental unit to:
 - 1. Raise money on its credit,
 - 2. Pledge its faith for the payment of a debt, or
 - 3. Impose a local tax.
 - (2) All questions on which a call for the ayes and noes under Rule 24(a) and Section 19 of Article II of the North Carolina Constitution has been sustained.
 - (3) Both second and third readings of bills proposing amendment of the North Carolina Constitution or ratifying resolutions amending the United States Constitution.
 - (4) The passage of a bill notwithstanding the Governor's veto thereof pursuant to Section 22 of Article II of the North Carolina Constitution.
- (b) Votes on the following questions shall be taken on the electronic voting system:
 - (1) Second reading of all public bills except resolutions, all amendments to public bills offered after second reading, third reading if a public bill was amended after second reading or if the reading occurs on a day or days following the second reading, all conference reports on public bills, all motions to lay public bills on the table, and all motions to postpone public bills indefinitely.
 - (2) Upon a call for division.
 - (3) Any other question upon direction of the Speaker or upon motion of any member supported by one-fifth of the members present.
- (c) When the electronic voting system is used, 15 seconds shall be allowed for voting on the question before the House, unless the Chair shall direct otherwise. Once the system is locked, the vote shall be recorded and printed.

- (d) The voting station at each member's desk in the Chamber shall be used only by the member to which the station is assigned. Under no circumstances shall any other person vote at a member's station. It is a breach of the ethical obligation of a member either to request that another person vote at the requesting member's station or to vote at another member's station. The Speaker shall enforce this rule without exception.
- (e) When the electronic voting system is used, the Speaker shall state the question and shall then state substantially the following: "All in favor vote 'aye'; all opposed vote 'no'; the Clerk will open the vote." In order to have the vote recorded, the member must vote by the electronic voting system within the time allowed for that vote, unless the voting station assigned to a member is malfunctioning. The Speaker shall enforce this rule without exception. After the allotted time for voting has elapsed, the Speaker shall say: "The Clerk will now lock the machine and record the vote." After the machine is locked and the vote recorded, the Speaker shall announce the vote and declare the result.
- (f) One copy of the machine printout of the vote record of all votes taken on the electronic voting system shall be filed in the office of the Principal Clerk, and two copies shall be filed in the Legislative Library where the copies shall be open to public inspection. A legible copy of the bill, amendment, or motion on which the vote was taken shall be filed with the printout of the vote in the Legislative Library.
- (g) When the Speaker ascertains that the electronic voting system is inoperative before a vote is taken or while a vote is being taken on the electronic voting system, the Speaker shall announce that fact to the House, and any partial electronic voting system voting record shall be voided. In such a case, if the North Carolina Constitution or the Rules of the House require a call of the ayes and noes, the Clerk shall call the roll of the House, and the ayes and noes shall be taken manually and shall be recorded on the Journal. All roll call votes shall be taken alphabetically. If, after a vote is taken on the electronic voting system, it is discovered that a malfunction caused an error in the electronic voting system printout, the Speaker shall direct the Reading Clerk and the Principal Clerk to verify and correct the printout record and so advise the House.
- (h) For the purpose of identifying motions on which the vote is taken on the electronic voting system, the motions are coded as follows:
 - (1) To adjourn.
 - (2) To recess.
 - (3) To lay on the table.
 - (4) Previous question.
 - (5) To postpone indefinitely.
 - (6) To reconsider.
 - (7) To postpone to a day certain.
 - (8) To re-refer.

- (9) To amend an amendment.
- (10) To amend.
- (11) To concur or not concur.
- (12) Miscellaneous.
- RULE 21. **Voice Votes; Stating Questions.** (a) All other votes except those required to be taken on the electronic voting system shall be taken by voice vote.
- (b) When a voice vote is taken, the Speaker shall put the question substantially as follows: "Those in favor (as the question may be) will say 'aye," and after the affirmative voice has been expressed, "Those opposed will say 'no."
- (c) No statement, explanation, debate, motion, parliamentary inquiry, or point of order shall be allowed once the voice vote has begun. Any point of order or parliamentary inquiry may be raised, however, after the completion of the vote.
- RULE 22. **Determining Questions.** (a) Unless otherwise provided by the North Carolina Constitution or by these rules, all questions shall be determined by a simple majority of the members present and voting.
- (b) No member may vote unless the member is in the Chamber when the question is put. This subsection of this rule cannot be suspended.
- RULE 23. **Voting by Division.** Any member may call for a division of the members upon the question before the result of the vote has been announced. Upon a call for a division, the Speaker shall cause the number voting in the affirmative and in the negative to be determined. Upon a division and count of the House on any question, no member away from the member's seat shall be counted.
- RULE 24. **Roll Call Vote.** (a) Before a question is put, any member may call for the ayes and noes. If the call is sustained by one-fifth of the members present, the question shall be decided by the ayes and noes upon a roll call vote.
- (b) Every member who is in the Hall of the House when the question is put shall vote upon a call of the ayes and noes, unless excused pursuant to Rule 24.1A.
- (c) No member may change a vote without leave of the House, but such leave shall not be granted if it affects the result or if the session in which the vote was taken has been adjourned.
- RULE 24.1A. Excuse From Deliberations and Voting on a Bill. (a) Any member shall, upon request, be excused in advance from the deliberations and voting on a particular bill at any time that the reason for the request arises in the proceedings on the bill.
- (b) The member may make a brief oral statement of the reasons for making the request. The member shall provide to the Principal Clerk, on a form provided by the Clerk, a concise written statement of the reason for the request, and the Clerk shall include this statement in the Journal.

- (c) Except as provided in subsection (e) of this rule, the member so excused shall not debate the bill or any amendment to the bill, vote on the bill, offer or vote on any amendment to the bill, or offer or vote on any motion concerning the bill, in committee or on the floor of the House at any reading, or any subsequent consideration of the bill.
- (d) A member may request that his or her excuse from deliberations on a particular bill be withdrawn.
- (e) By leave of the House, a member who has been excused from deliberations and voting on a bill may participate in deliberations and votes on amendments to which that member does not have any conflict that requires excusal.
- RULE 24.1B. **Division of Amendments and Questions.** (a) Any member may call for an amendment to be divided into two or more amendments to be voted on separately, and the Speaker shall determine whether the amendment admits of such a division.
- (b) If a bill is subject to division into separate parts so that each part states a separate and distinct proposition capable of standing alone, a member may move that the question be divided. The motion shall be in writing, must be submitted to the Principal Clerk at the time the motion is made, and must clearly state how the question is to be divided. The Speaker shall then determine whether the bill admits of such a division. Upon a majority vote of the members present and voting, the motion shall be adopted and there shall be no further amendment or debate on any of the distinct propositions. If the question is divided and any part thereof fails, then the bill shall be removed from the calendar and re-referred to the committee from which the bill was reported. If all parts of the divided question pass, the Speaker shall announce that the entire measure has passed second or third reading.
- RULE 25. **Voting by Speaker.** In all elections, the Speaker may vote. In all other instances, the Speaker may vote or may reserve this right until there is a tie, in which event the Speaker may vote; but in no instance may the Speaker vote twice on the same question.

V. Committees

- RULE 26. **Standing Committees Generally.** (a) The Speaker shall appoint a chair, or cochairs, of every standing committee and select committee, if any. In the construction of these rules, the word "chair," as applied to a committee, extends to and includes a cochair of the committee. The Speaker shall have the exclusive right and authority to establish select committees, but this does not exclude the right of the House by resolution to establish select committees.
- (b) The Speaker shall establish the number of members of each standing committee and appoint the members in a manner to reflect the partisan membership of the House, except that the Committee on Ethics shall have an equal number of members of the majority and minority.

- (c) Before appointing members of committees, the Speaker shall consult with the Minority Leader. The Speaker and Minority Leader shall consider members' committee preferences in making appointments and recommendations.
- (d) The Speaker may name one or more vice-chairs for any standing committee.
- (e) Up to two chairs of the Appropriations Committee are entitled to vote in all other Appropriations Committees (Capital, Education, General Government, Health and Human Services, Information Technology, Justice and Public Safety, Agriculture and Natural and Economic Resources, and Transportation).
- (f) Either the chair or acting chair, designated by the chair or by the Speaker, and five other members of the standing committee, or a majority of the standing committee, whichever is fewer, shall constitute a quorum of that standing committee. A quorum of less than a majority of all the members must include at least one member of the minority party.
- (g) In any joint meeting of the Senate and House committees, the House standing committee reserves the right to vote separately.
- RULE 26.1. **Mentions of Standing Committee Includes Select Committee.** Any reference in these rules to standing committees shall extend to select committees unless the context requires otherwise.

RULE 28. **Standing Committee Meetings.** - (a) Standing committees shall be furnished with suitable meeting places pursuant to a schedule established by the Chair of the Standing Committee on Rules, Calendar, and Operations of the House. Select committees shall be furnished with suitable meeting places as their needs require by the Chair of the Standing Committee on Rules, Calendar, and Operations of the House.

- (b) Subject to the provisions of subsection (c) of this rule, standing committees shall permit other members of the General Assembly, the press, and the general public to attend all sessions of said standing committees.
- (c) The chair or other presiding officer shall have general direction of the meeting place of the standing committee, and, in case of any disturbance or disorderly conduct therein, or if the peace, good order, and proper conduct of the legislative business is hindered by any person or persons, the Chair or presiding officer shall have power to exclude from the session any individual or individuals so hindering the legislative business.
- (d) Procedure in the standing committees shall be governed by the rules of the House, so far as the same may be applicable to such procedure. Before a question is put, any member may call for the ayes and noes. The Chair shall ask, "Is the call sustained?" If the call is sustained by one-fifth of the members present and standing, the question shall be decided by the ayes and noes upon a roll call vote. All roll call votes shall be taken alphabetically and shall be subject to Rule 21(c).
- (d1) The committee chair shall set the agenda for each committee meeting. After April 1, 2019, a committee may, provided there is a written request signed by at least two-thirds of the members of the committee, place a bill on the committee's agenda for the next regularly scheduled meeting of the committee.
- (e) No standing committee shall meet on any day when the House shall not convene except by permission of the Speaker or by approval of the House by resolution adopted by a majority vote of the House.
- (f) No standing committee shall meet during any session of the House. Standing committees shall meet at their regularly scheduled hour. Standing committees may meet at other times as authorized by the Chair of the Standing Committee on Rules, Calendar, and Operations of the House in order to assure the availability of the meeting room and that no conflicts will exist with the meetings of other bodies. All standing committee meetings shall adjourn no later than:

- (1) 15 minutes preceding a regular session of the House, and
- (2) 10 minutes preceding the hour of the next regularly scheduled standing committee meeting.

Action taken by a committee in violation of this rule is voidable unless taken by unanimous consent at a meeting at which a majority of all the members of the committee are present, and at which at least one member present is of the minority party.

- (g) Any call or notice of a standing committee meeting between legislative sessions shall be sent by electronic mail to each member of the standing committee at least five days prior to such meeting. If a member of the body so requests in writing to the chair of the standing committee, the member shall also be notified of the meetings by mail at a designated address.
- (h) During standing committee meetings, the chair may exercise the right to vote, or may reserve this right until there is a tie, in which event the chair may vote, but in no instance may the chair vote twice on the same question.
- RULE 28.1. Ethics Committee Investigations Into Violations of the Open Meetings Law. (a) On its own motion, or in response to signed and sworn complaint of any individual filed with the Standing Committee on Ethics, the Committee shall inquire into any alleged violation by members of the House of the Open Meetings Law (Article 33C of Chapter 143 of the General Statutes), as the same may be amended in the future.
- (b) If, after such preliminary investigation as it may make, the Committee determines to proceed with an inquiry into the conduct of any individual, the Committee shall notify the individual as to the fact of the inquiry and the charges against the individual and shall schedule one or more hearings on the matter. The individual shall have the right to present evidence, cross-examine witnesses, and be represented by counsel at any hearings.
- (c) After the Committee has concluded its inquiries into the alleged violations, the Committee shall dispose of the matter by taking one of the following actions:
 - (1) Dismiss the complaint and take no further action.
 - (2) Issue a private letter of reprimand to the legislator, if the legislator unintentionally violated the provisions of the Open Meetings Law.
 - (3) Issue a public letter of reprimand if the violation of the Open Meetings Law was intentional or if the legislator has previously received a private letter of reprimand. The Chair of the Committee on Ethics shall have the public letter of reprimand spread on the pages of the House Journal.
 - (4) Refer the matter to the House for appropriate action.

RULE 29. **Notice of Standing Committee Meetings and Hearings.** - (a) Notice of meetings of standing committees that will occur at the regularly scheduled meeting times shall be given by one or both of the following methods:

- (1) Notice given openly at a session of the House; or
- (2) Notice mailed or sent by electronic mail to those who have requested notice, and to the Legislative Services Office, which shall post the notice on the General Assembly Web site.
- (b) Notice of all other meetings shall be given in the House. If the meeting is scheduled to occur after adjournment, notice shall also be given by electronic mail and posting on the General Assembly Web site.
- (c) The chair of the standing committee shall notify or cause to be notified the sponsor of each bill that is set for hearing or consideration before the standing committee as to the date, time, and place of that meeting.
- RULE 29.1. **Public Hearings.** (a) Requests for a public hearing shall be made in writing to the chair of the standing committee to which the bill has been referred. The chair of the standing committee may schedule a public hearing by the standing committee as a whole after the adjournment of a regular daily House session. Denial of a request made by a House member may be appealed to the Speaker.

Notice shall be given not less than five calendar days prior to public hearings. These notices shall be issued as information for the press and shall be posted in the places designated by the Principal Clerk.

- (b) Persons desiring to appear and be heard at a public hearing shall submit their requests to the chair of the standing committee. The standing committee chair may designate one or more members to arrange the order of appearance of interested parties. A brief written statement of testimony may be submitted without oral presentation and shall be incorporated into the minutes of the public hearing.
- RULE 29.2. **Minutes to Legislative Library.** The chair of a standing committee shall ensure that written minutes are compiled for each of the body's meetings. The minutes shall indicate the members present and the actions taken at the meeting. Not later than 10 days after the adjournment of each session of the General Assembly, the chair shall deliver the minutes to the Legislative Library. The Speaker of the House may grant a reasonable extension of time for filing said minutes upon written application of the chair.
- RULE 30. Committee of the Whole House. (a) A Committee of the Whole House shall not be formed, except by leave of the House.
- (b) After passage of a motion to form a Committee of the Whole House, the Speaker shall appoint a chair to preside in the committee, and the Speaker shall leave the dais.
- (c) The rules of procedure in the House shall be observed in the Committee of the Whole House, so far as they may be applicable, except the rule limiting the time of speaking and the previous question.
- (d) In the Committee of the Whole House, a motion that the standing committee rise shall always be in order, except when a member is speaking, and shall be decided without debate.

(e) When a bill is submitted to the Committee of the Whole House, it shall be read and debated by sections, leaving the preamble to be last considered. The body of the bill shall not be defaced or interlined, but all amendments, noting the page and line, shall be duly entered by the Principal Clerk on a separate paper as the same shall be agreed to by the standing committee and be so reported to the House. After report, the bill shall again be subject to be debated and amended by sections before a question on its passage be taken.

VI. Handling of Bills

- RULE 31. **Introduction of Bills and Resolutions.** (a) All bills and resolutions shall be introduced by submitting same to the Principal Clerk's office on the legislative day prior to the first reading and reference thereof according to the following schedule: by 30 minutes after adjournment each Monday; and by 3:00 P.M. each Tuesday, Wednesday, Thursday, and Friday.
- (b) Bills shall not become resolutions provided the Senate has a similar rule. Resolutions shall not become bills. Resolutions are not law but may be used when a law is not necessary for the purpose contained therein. Resolutions shall not be used to appropriate funds for any purpose, but may be used to create study commissions or committees or establish investigative committees, to honor deceased persons, and to adopt House rules and internal affairs. Resolutions cannot amend, repeal, or modify a statute; nor do they have life beyond the term of the session during which they are adopted.
- (c) Every bill or resolution shall be read in regular order of business, except upon permission of the Speaker or on the report of a standing committee.
- (d) All bills and resolutions shall show in their captions a brief descriptive statement of the true substance of same, which captions may thereafter be amended. Amendments to captions of bills are in order only if the amendment is germane to the bill. Third reading shall not be had on any bill or resolution on the same day that such caption is amended.
- (e) A Substitute Bill shall be covered with the same color jacket as the original bill and shall be prefaced as follows: "House Committee Substitute for ."
 - (f) House resolutions need not be read more than twice.
- (g) All memorializing, celebration, commendation, and commemoration resolutions, except those honoring the memory of deceased persons, shall be excluded from introduction and consideration in the House. The mention of a deceased person as a pretext to honor an institution or a living person is prohibited. Members should utilize a Representative Statement of Personal Privilege, as provided in Rule 8.1, as the preferred alternative to House simple resolutions that memorialize, celebrate, commend, and commemorate, other than for those relating to deceased members of the General Assembly.
- (h) Any reference in these rules to bills shall extend to resolutions unless the context requires otherwise.

- RULE 31.1. **Deadlines on Introduction and Receipt; No Blank Bills; 15 Bill Limit.** (a) All local bills must be submitted to the Legislative Drafting Division or the Legislative Analysis Division of the Legislative Services Office by 4:00 P.M. on Wednesday, March 6, 2019, and must be introduced not later than 3:00 P.M. on Thursday, March 28, 2019.

If the minority report is adopted by majority vote, the bill shall be placed on the favorable calendar for consideration. If the minority report fails of adoption by a majority vote, the bill shall be placed on the unfavorable calendar.

- RULE 36.1. **Fiscal Notes.** (a) The Chair or Cochair of the Appropriations Committee, of the Finance Committee, or of the Standing Committee on Rules, Calendar, and Operations of the House, upon the floor of the House, may request that a fiscal analysis be made of a bill, a resolution, or an amendment to a bill or resolution which is in the possession of the House and that a fiscal note be attached to the measure, which request shall be allowed when, in the opinion of the Speaker, the fiscal effects of that measure are not apparent from the language of the measure. When a request is properly made under this subsection, the bill is removed from the calendar until such time that the fiscal note is attached to the measure.
- (b) The fiscal note shall be filed and attached to the bill or amendment within two legislative days of the request, and a copy shall be sent by electronic mail to each member. If it is impossible to prepare a fiscal note within two legislative days, the Director of Fiscal Research shall, in writing, so advise the Speaker, the Principal Clerk, the Majority Leader, the Minority Leader, and the member introducing or proposing the measure and shall indicate the time when the fiscal note will be ready.
- (c) The fiscal note shall be prepared by the Fiscal Research Division on a form approved by the Chair of the Standing Committee on Rules, Calendar, and Operations of the House as to content and form and signed by the staff member or members preparing it. If no estimate in dollars is possible, the fiscal note shall indicate the reasons that no estimate is provided. The fiscal note shall not comment on the merit, but may identify technical problems. The Fiscal Research Division shall make the fiscal note available to the membership of the House.
- (d) A sponsor of a bill or amendment may deliver a copy of the bill or amendment to the Fiscal Research Division for the preparation of a fiscal note. The sponsor shall attach the fiscal note to the bill when filed or to the amendment when its adoption is moved.
- (e) The sponsor of a bill or amendment to which a fiscal note is attached who objects to the estimates and information provided may reduce to writing the objections. These objections shall be appended to the fiscal note attached to the bill or amendment and to the copies of the fiscal note available to the membership.
- (f) Subsection (a) of this rule shall not apply to the Current Operations Appropriations Bill or the Capital Improvement Appropriations Bill. This rule shall not apply to a bill or amendment requiring an actuarial note under these rules.
- RULE 36.2. **Actuarial Notes.** (a) Every bill or resolution proposing any change in the law relative to any:
 - (1) State, municipal, or other retirement system funded in whole or in part out of public funds; or

(2) Program of hospital, medical, disability, or related benefits provided for teachers and State employees, funded in whole or in part by State funds;

shall have attached to it at the time of its consideration by any standing committee a brief explanatory statement or note which shall include a reliable estimate of the financial and actuarial effect of the proposed change to that retirement or pension system. The actuarial note shall be attached to the jacket of each proposed bill or resolution which is reported favorably by any standing committee, shall be separate therefrom, and shall be clearly designated as an actuarial note. A bill described in subdivision (a)(1) of this rule shall be referred to the Committee on Pensions and Retirement upon its introduction in accordance with G.S. 120-111.3.

- (b) The sponsor of the bill or resolution shall present a copy of the measure, with a request for an actuarial note, to the Fiscal Research Division, which shall prepare the actuarial note as promptly as possible but not later than two weeks after the request is made, unless an extension of time is agreed to by the sponsor as being necessary in the preparation of the note. Actuarial notes shall be prepared in the order of receipt of request and shall be transmitted to the sponsor of the measure. The actuarial note of the Fiscal Research Division shall be prepared and signed by an actuary.
- (c) The sponsor of the bill or resolution shall also present a copy of the measure to the actuary employed by the system or program affected by the measure. Actuarial notes shall be prepared and transmitted to the sponsor of the measure not later than two weeks after the request is received, unless an extension of time is agreed to by the sponsor as being necessary in the preparation of the note. The actuarial note shall be attached to the jacket of the measure. The provisions of this subsection may be waived by the measure's sponsor for a measure affecting local government retirement or pension plans not administered by the State or any local government program of hospital, medical, disability, or related benefits for local government employees not administered by the State.
- (d) The note shall be factual and shall, if possible, provide a reliable estimate of both the immediate effect and, if determinable, the long-range fiscal and actuarial effect of the measure. If, after careful investigation, it is determined that no dollar estimate is possible, the note shall contain a statement to that effect, setting forth the reasons why no dollar estimate can be given. No comment or opinion shall be included in the actuarial note with regard to the merits of the measure for which the note is prepared. Technical and mechanical defects in the measure may be noted.
- (e) When any permanent committee reports a measure to which an actuarial note is attached at the time of permanent committee consideration, with any amendment of such nature as would substantially affect the cost to or the revenues of any retirement or pension system, or program of hospital, medical, disability, or related benefits for teachers or State employees, the chair of the standing committee reporting the measure shall obtain from the Fiscal Research Division an actuarial note of the fiscal

and actuarial effect of the proposed amendment. The actuarial note shall be attached to the jacket of the measure. An amendment to any bill or resolution shall not be in order if the amendment affects the costs to or the revenues of a State-administered retirement or pension system, or program of hospital, medical, disability, or related benefits for teachers or State employees, unless the amendment is accompanied by an actuarial note, prepared by the Fiscal Research Division, as to the actuarial effect of the amendment.

- (f) The Fiscal Research Division shall make all relevant actuarial notes available to the membership of the House.
- RULE 36.3. **Local Legislation Affecting State Highway System.** A local bill affecting the State Highway System shall be referred to the Committee on Transportation.
- RULE 36.4. Content of Appropriations Bills. No provision shall be contained in any of the following bills unless it pertains to the appropriation of money or the raising or reducing of revenue: (i) the Current Operations Appropriations Bill; (ii) the Capital Improvement Appropriations Bill; (iii) any bill generally revising appropriations for the second fiscal year of a biennium. If a point of order is made against such a provision and is sustained, the presiding officer shall refer the bill to the committee from which it came, with instructions for the chair of the committee to immediately report out a substitute or amendment removing the offending provision.
- RULE 37. Removing Bill From Unfavorable Calendar. A bill may be removed from the unfavorable calendar upon motion carried by a two-thirds vote. A motion to remove a bill from the unfavorable calendar is debatable.

(a) A motion to discharge a committee from consideration of a bill may be filed with the Principal Clerk by a primary sponsor of that measure if accompanied by a petition asking that the committee be discharged from further consideration of the bill. No motion may be filed until 10 legislative days after the bill has been referred to the committee. No petition may be filed until notice has been given on the floor of the House that the petition is to be filed and the primary sponsor giving notice has obtained a fiscal note from the Fiscal Research Division on the bill, which note shall be attached to the petition. Members may sign the petition only in the office of the Principal Clerk, and when the signatures of 61 members appear on the petition, the Principal Clerk shall place that motion on the calendar for the next legislative day as a special order of business. Members may withdraw their names at any time until 61 names appear. If the motion is adopted by the House, then the committee to which the bill or resolution has been referred is discharged from further consideration of the bill, and that bill is placed on the calendar for the next legislative day as a special order of business. The Principal Clerk shall provide a form for discharge petitions.
- (b) This rule shall not be temporarily suspended without one day's notice on the motion given in the House and delivered in writing to the chair of the standing committee, and to sustain that motion two-thirds of the members shall be required.
- RULE 39.1. Re-Referral of Bills From One Standing Committee to Another Standing Committee. Upon consent of the sponsor of the bill, the Speaker, the chair of the standing committee from whom the bill is to be re-referred, and the chair of the standing committee to whom the bill is to be re-referred, the chair of the standing committee from whom the bill is to be re-referred, or the Chair of the Standing Committee on Rules, Calendar, and Operations of the House may move for a re-referral to another standing committee, and the bill shall be re-referred upon vote of the majority present during a regular session of the House.
- RULE 40. Calendars and Schedules of Business. The Clerk of the House shall prepare a daily schedule of business, including the Calendar of Bills and Resolutions for consideration and debate that day, in accordance with the Order of Business of the Day (Rule 5). Except by leave of the House, the Speaker shall not vary from the order.
- RULE 41. **Reading of Bills.** (a) Every bill shall receive three readings in the House prior to its passage. The first reading and reference to standing committee of a House bill shall occur on the next legislative day following its introduction. The first reading and reference to standing committee of a Senate bill shall occur on the next legislative day following its receipt on messages from the Senate. The Speaker shall give notice at each subsequent reading whether it is the second or third reading.

(b) No bill shall be read more than once on the same day without the concurrence of two-thirds of the members present and voting; provided, no bill governed by Section 23 of Article II of the North Carolina Constitution herein shall be read twice on one day under any circumstance.

- (4) Been placed on the unfavorable calendar,

the contents of that bill or the principal provisions of its subject matter shall not be considered in any other measure originating in the Senate or originating thereafter in the House. Upon the point of order being raised and sustained by the chair, that measure shall be laid upon the table, and shall not be taken therefrom except by a two-thirds vote of the members present and voting.

(b) No local bill shall be held by the chair to embody the contents of or the principal provisions of the subject matter of any statewide measure which has been laid on the table, has failed to pass on any of its readings, or has been placed on the unfavorable calendar.

RULE 43. **Amendments.** - (a) No amendment to a measure before the House shall be in order unless the amendment is germane to the measure under consideration. A House amendment deleting a previously adopted House amendment shall not be in order, except that this sentence does not apply to amendments adopted under Rule 38(c). No amendment that is clearly unconstitutional shall be in order.

Only one principal (first degree) amendment shall be pending at any one time. If a subsequent or substitute principal amendment shall be offered, the Speaker shall rule it out of order. However, any member desiring to offer a subsequent or substitute principal amendment in opposition to the pending amendment may inform the House by way of argument against the pending amendment that if it is defeated the member proposes to offer another principal amendment, and the member may then read and explain such proposed amendment.

Perfecting (or second degree) amendments may be offered and considered without limitation as to number, and in the event of multiple perfecting amendments, they shall be voted upon in inverse order.

- (b) The following rules apply when considering: (i) the Current Operations Appropriations Bill; (ii) the Capital Improvement Appropriations Bill; (iii) any bill generally revising appropriations for the second fiscal year of a biennium:
 - (1) Amendments cannot increase total spending within a committee area beyond the total for that committee as shown in the committee report.

- (b) The Speaker shall rule whether the committee substitute is a material amendment under Section 23 of Article II of the North Carolina Constitution which reads:

"Revenue bills. - No law shall be enacted to raise money on the credit of the State, or to pledge the faith of the State directly or indirectly for the payment of any debt, or to impose any tax upon the people of the State, or to allow the counties, cities, or towns to do so, unless the bill for the purpose shall have been read three several times in each house of the General Assembly and passed three several readings, which readings shall have been on three different days, and shall have been agreed to by each house respectively, and unless the yeas and nays on the second and third readings of the bill shall have been entered on the journal."

(a) Whenever the House shall decline or refuse to concur in amendments put by the Senate to a bill originating in the House, or shall refuse to concur in a substitute adopted by the Senate for a bill originating in the House, or whenever the Senate shall decline or refuse to concur in amendments put by the House to a bill originating in the Senate, or shall refuse to concur in a substitute adopted by the House for a bill originating in the Senate, a conference committee may be appointed by the Speaker upon the Speaker's own motion and shall be appointed upon request by the principal sponsor of the original bill, the chair of the House standing committee that reported the bill, or the sponsor of the amendment in which the Senate refused to concur; and the bill under consideration shall thereupon go to and be considered by the joint conferees on the part of the House and Senate. In appointing members to conference committees, the Speaker shall appoint no less than a majority of members who generally supported the House position as determined by the Speaker.
- (b) The conference report may be made by a majority of the House members of such conference committee and shall not be amended. If the Senate has a similar rule, only such matters as are in difference between the two houses shall be considered by the conferees, and the conference report shall deal only with such matters. - RULE 54. **Attendance of Members.** Members and officers of the House shall request leaves from the service of the House with the Principal Clerk.
- RULE 55. **Documents to Be Signed by the Speaker.** All acts, addresses, and resolutions and all warrants and subpoenas issued by order of the House shall be signed by the Speaker or other presiding officer.
- RULE 56. **Printing or Reproducing Materials.** There shall be no printing or reproducing of paper(s) that are not legislative in essence except upon approval of the Speaker.

- RULE 57. **Placement or Circulation of Materials.** Persons other than members of the House shall not place or cause to be placed any materials on members' desks in the House Chamber without obtaining approval of the Speaker. Any material placed on members' desks in the House Chamber, or circulated to House members anywhere in the Legislative Building or the Legislative Office Building, shall bear the name of the originator.
- RULE 58. **Rules, Rescission, and Alteration.** (a) These rules shall not be permanently rescinded or altered except by House simple resolution passed by a two-thirds vote of the members present and voting. The introducer of the resolution must on the floor of the House give notice of intent to introduce the resolution on the legislative day preceding its introduction.
- (b) Except as otherwise provided herein, the House upon two-thirds vote of the members present and voting may temporarily suspend any rule.
- RULE 59. Cosponsorship of Bills and Resolutions, Removal of Sponsorship. (a) Except by leave of the primary sponsor, or as provided in subsection (d) of this rule, no member may be listed as an additional primary sponsor on a bill after the bill has been filed. Except as provided in subsection (d) of this rule, any member not listed as a preprinted cosponsor on the computer-generated draft edition who wishes to cosponsor a bill or resolution which has been introduced may do so by 5:00 P.M. of the calendar day following the adjournment of the session during which such bill or resolution was first read and referred, but only electronically under procedures approved by the Principal Clerk.
- (b) Members wishing to cosponsor legislation prior to preparation of the draft should indicate such to the drafter at the time the bill is requested and before filing the bill with the Principal Clerk's office. The names of the members who are the primary sponsors shall be listed in the order requested by them, followed by the words (Primary Sponsors); and the remaining names of such members cosponsoring shall follow on the draft edition and first edition. No more than four members may be listed as primary sponsors. Names of persons cosponsoring bills thereafter under subsection (a) of this rule do not appear on subsequent editions but shall be listed in the bill status system as cosponsors.
- (c) No member shall permit anyone, other than that member's committee assistant, legislative assistant, office assistant, or another member, to have possession of and solicit for bill or resolution sponsorship, the jacket of a bill or resolution.
- (d) Should any member wish to remove the member's sponsorship of a bill that is substantially changed by a Senate amendment or a Senate committee substitute, the member shall notify the House Principal Clerk before the bill is considered for concurrence. If no sponsors remain on the bill, the House Principal Clerk shall notify the Chairman of the

Committee on Rules, Calendar, and Operations of the House who may request that other members sponsor the bill. Removal of the first primary sponsor's name from a bill does not reduce the total number of bills introduced by the member under Rule 31.1(g), and sponsorship of a bill after removal of all sponsors is subject to Rule 31.1(g).

RULE 60. Correcting of Typographical Errors. - The Legislative Services Officer may correct typographical errors appearing in House bills or resolutions or House amendments to Senate bills provided that such corrections are made before ratification and do not conflict with any actions or rules of the Senate and provided further that such correction be approved by the Chair of the Standing Committee on Rules, Calendar, and Operations of the House, the Speaker, or other presiding officer.

RULE 61. **Assignment of Seats.** - After initial assignment of seats, a member shall continue to occupy the seat to which initially assigned until assigned a permanent seat; once assigned a permanent seat, the member shall occupy it for the entire biennial session. In event of vacancy, the Speaker or the Chair of the Standing Committee on Rules, Calendar, and Operations of the House may assign such permanent seats as are necessary to maintain seating.

RULE 61.1. **Office Assignments.** - The Chair of the Standing Committee on Rules, Calendar, and Operations of the House shall assign to each member an office space. When available, chairs of standing committees shall be assigned an office adjacent to the room in which the standing committee generally meets if the Chair so desires. The Speaker shall be assigned an office of his or her choice.

RULE 61.2. Convening and Assigning Seats in the New House. (a) The Principal Clerk of the previous House of Representatives shall convene the House of Representatives at 12:00 P.M. on the date established by law for the convening of each regular session and preside over the body until the members elect a Speaker. In the case of a vacancy, inability, or refusal to so serve, the duty shall devolve upon the Sergeant-at-Arms of the prior House, and in the case of a vacancy in that office, or inability or refusal to so serve, the duty shall devolve upon the Reading Clerk of the prior House.

(b) It shall be the duty of the Chair of the Standing Committee on Rules, Calendar, and Operations of the House of the prior House to assign temporary seats to the members of the House of Representatives in its Chamber. In the case of the inability or refusal to serve of the Chair of the Standing Committee on Rules, Calendar, and Operations of the House, the Speaker of the prior House of Representatives shall appoint a person to assign seats to members of the House of Representatives in its Chamber. In the event that the party that had a majority of members in the prior House will no longer have a majority of members in the new House, then the duty assigned in this subsection to the Chair of the Committee of the prior House shall instead be

the duty of the person nominated as Speaker by the majority party caucus for the new House, or some member-elect designated by the Speaker-nominee. In the event no party will have a majority, then the duty assigned in this subsection to the Chair of the Committee of the prior House shall instead be the joint duty of one person chosen each by the caucuses of the two parties having the greatest numbers of members.

RULE 62. **Matters Not Covered in These Rules.** - Except as herein set out, the rules of Mason's Manual of Legislative Procedure, 2010 Edition, shall govern the operation of the House. Custom and usage may supplement these rules or Mason's Manual, but may not supercede them.

II. Conduct of Debate

RULE 6. **Duties and Powers of the Speaker.** - The Speaker shall have general direction of the Hall, subject to more specific provisions of these rules. The Speaker may name any member to perform the duties of the chair, but substitution shall not extend beyond one day, except in the case of sickness or by leave of the House. If the Speaker is absent and has not designated a member or the Principal Clerk to perform the duties of the chair, the Speaker Pro Tempore shall preside during such absence. In the case of a vacancy in the office of the Speaker of the House of Representatives, the Principal Clerk shall preside over the House until the House elects a Speaker.

RULE 7. **Obtaining Floor.** - (a) When any member desires recognition for any purpose, the member shall rise and respectfully address the Speaker. No member shall proceed until recognized by the Speaker for a purpose.

- (b) When a member desires to interrupt a member having the floor, the member shall first obtain recognition by the Speaker and permission of the member occupying the floor, and when such recognition and permission have been obtained, he or she may propound a question to the member occupying the floor; but he or she shall not otherwise interrupt the member having the floor, except as provided in subsection (c) of this rule; and the Speaker shall, without the point of order being raised, enforce this rule.
- (c) A member who has obtained the floor may be interrupted only for the following reasons:
 - (1) A request that the member speaking yield for a question,
 - (2) A point of order,
 - (3) A parliamentary inquiry, or
 - (4) A question of privilege.

RULE 8. Questions of Privilege. - Upon recognition by the Speaker for that purpose, any member may speak to a question of privilege for a time not to exceed three minutes. Questions of privilege shall be those affecting, first, the rights of the House collectively, its safety, dignity, and the integrity of its proceedings; second, the rights, reputation, and conduct of members,

individually, in their representative capacity only; and shall have precedence over all other questions, except motions to adjourn. Privilege may not be used to explain a vote or debate a bill. The Speaker shall determine if the question is one of privilege and shall, without the point of order being raised, enforce this rule.

- RULE 8.1. Points of Personal Privilege; Representative Statements; Explanation of Vote. Upon recognition by the Speaker for that purpose, any member may speak to a point of personal privilege for a time not exceeding three minutes. The Speaker shall determine if the question raised is one of personal privilege and shall, without the point of order being raised, enforce this rule. A member may use some or all of that time to explain to the House a "Representative Statement." Upon motion supported by a majority present and voting, that statement may be spread upon the Journal. Neither personal privilege nor a Representative Statement may be used to explain a vote, debate a bill, or in any way disrupt the regular business of the House, nor shall such opportunities be used to solicit support or sponsors for any bill. The format of a Representative Statement shall be prescribed by the Chair of the Standing Committee on Rules, Calendar, and Operations of the House, but in any case shall speak only in the voice of the member submitting it.
- RULE 9. **Points of Order.** (a) The Speaker shall decide questions of order, which once raised, are not debatable. Any member may appeal from the ruling of the chair on questions of order; on such appeal no member may speak more than once, unless by leave of the House. A three-fifths vote of the members present shall be necessary to sustain any appeal from the ruling of the chair.
- (b) When the Speaker calls a member to order, the member shall be seated, except that a member called to order may clear a matter of fact, or explain, but shall not proceed in debate so long as the decision stands. If the member appeals from the ruling of the chair and the decision by a three-fifths vote of the members present be in favor of the member called to order, the member may proceed; if otherwise, the member shall not; and if the case, in the judgment of the House, requires it, the member shall be liable to censure by the House.
- RULE 10. **Limitations on Debate.** (a) No member shall speak on, debate, or solicit cosponsors for a bill or resolution at its first reading.
- (b) No member shall speak more than twice on the main question nor longer than 15 minutes for the first speech and five minutes for the second speech; nor shall the member speak more than twice upon an amendment or a motion to reconsider, re-refer, or postpone or any motion on concurrence, and then not longer than 10 minutes for the first speech and five minutes for the second speech.
- (c) A member may speak only once and for not more than 10 minutes on the question of the adoption of a minority report.

- (d) In computing the time allowed for argument, the time consumed in answering questions should be considered and is taken out of any time allowed that member.
- (e) The House, by consent of a majority of the members present, may suspend the operation of subsections (b) through (d) of this rule during any debate on any particular question before the House.
- RULE 11. **Reading of Papers.** When there is a call for the reading of the text of a paper which has been presented to the House and there is objection to such reading, the question shall be determined by a majority vote of the members of the House present. Except for protests permitted by the Constitution, no member may have material printed in the Journal until said material has been presented to the House and the printing approved by the House, and said material shall not exceed 1,000 words.
- RULE 12. **General Decorum.** (a) The Speaker shall preserve order and decorum.
- (b) Decency of speech shall be observed and disrespect to personalities carefully avoided.
- (c) When the Speaker is putting any question or addressing the House, no person shall speak, stand up, walk out of, or cross the House, nor, when a member is speaking, engage in disruptive discourse or pass between the member and the chair.
- (d) Food or beverages shall not be permitted on the floor of the House during the first hour of the daily session.
- (e) The reading of newspapers shall not be permitted on the floor of the House while the House is in session.
- (f) The consumption of food or beverages shall not be permitted in the galleries at any time.
- (g) Special recitals and performances by musicians or other groups shall not be permitted on the floor of the House, and special guests of members of the House shall not be permitted on the floor of the House.
- (h) Members shall observe appropriate attire: coat and tie for male members and dignified dress for female members.
- (i) The use of a mobile device or cellular phone for the purpose of making or receiving a phone call shall not be permitted in the House Chamber while the House is in session.
 - (j) Placards, stickers, or signs are not permitted in the House Chamber.

 III. Motions
- RULE 13. **Motions Generally.** (a) A motion that is complex, complicated, or otherwise not easily understood shall be reduced to writing at the request of the Speaker or any member. No motion relating to a bill shall be in order that does not identify the bill by its number and short title.
- (b) When a motion is made, it shall be stated by the Speaker or, if written, it shall be handed to the chair and read aloud by the Speaker or Clerk before debate.

(c) After a motion has been stated by the Speaker or read by the Speaker or Clerk, it shall be in the possession of the House; but it may be withdrawn before a decision or amendment, except in case of a motion to reconsider, which motion, when made by a member, shall be in possession of the House and shall not be withdrawn without leave of the House.

RULE 14. **Motions, Order of Precedence.** - When there are motions before the House, the order of precedence is as follows:

To adjourn.

To recess.

To lay on the table.

Previous question.

To postpone indefinitely.

To reconsider.

To postpone to a day certain.

To re-refer.

To amend an amendment.

To amend.

To pass the bill.

No motion to lay on the table, to postpone indefinitely, to postpone to a day certain, to re-refer, to divide the question, or to make a particular amendment, being decided, shall be again allowed at the same stage of the bill or proposition.

RULE 15. **Motion to Adjourn.** - (a) A motion to adjourn shall be seconded before the motion is put to the vote of the House.

- (b) A motion to adjourn shall be decided without debate and shall always be in order, except when the House is voting or some member is speaking; but a motion to adjourn shall not follow a motion to adjourn until debate or some other business of the House has intervened.
- RULE 15.1. Motion to Adjourn or Stand in Recess; Standard Stipulations. A motion to adjourn or stand in recess subject to the standard stipulations shall constitute a motion to adjourn or stand in recess subject to the ratification of bills, messages from the Senate, committee reports, conference reports, referral and re-referral of bills and resolutions, appointment of conferees, introduction of bills and resolutions, committee appointments, and the reading of Representative Statements.
- RULE 16. **Motion to Table.** (a) A motion to table shall be seconded before the motion is put to the vote of the House and is in order except when a motion to adjourn or to recess is before the House.
- (b) A motion to table shall be decided without debate; however, the proponent of the matter that is subject of the motion to table shall be given up to two minutes to explain the matter subject to the motion to table if the proponent has not previously explained the matter prior to the motion to table.
- (c) A motion to table a bill shall constitute a motion to table the bill and all amendments thereto.

- (d) When the question before the House is the adoption of an amendment to a bill or resolution, a motion to table the bill is not in order; and a motion to table an amendment applies to the amendment only, and the motion may not expressly or by implication or construction be expanded to include a motion to table the bill also.
- (e) When a question has been tabled, it shall not thereafter be considered, except on motion to reconsider under Rule 18 or to remove from the table approved by a two-thirds vote.
- RULE 17. Motion to Postpone Indefinitely. A motion to postpone indefinitely is in order except when a motion to adjourn, or to lay on the table, or for the previous question, or to recess is before the House. However, after one motion to postpone indefinitely has been decided, another motion to postpone indefinitely shall not be allowed at the same stage of the bill or proposition. When a question has been postponed indefinitely, it shall not thereafter be considered, except on motion to reconsider under Rule 18 or to place on the favorable calendar approved by a two-thirds vote.

RULE 18. **Motion to Reconsider.** - (a) When a question has been decided, it is in order for any member to move for the reconsideration thereof on the same or the succeeding legislative day; provided that if the vote by which the motion was originally decided was taken by a recorded vote, only a member of the prevailing side may move for reconsideration.

- (b) A motion to reconsider shall be determined by a majority vote, except the following shall require a two-thirds vote: a second or subsequent motion to reconsider and a motion to reconsider:
 - (1) A vote upon a motion to table,
 - (2) A motion to postpone indefinitely,
 - (3) A motion to remove a bill from the unfavorable calendar,
 - (4) A motion that a bill be read twice on the same day, or
 - (5) A motion to remove from the table.
- (c) A motion to reconsider the vote by which a person has been elected as Speaker or Speaker Pro Tempore shall not be in order. This subsection of this rule cannot be suspended except by a vote of three-fifths of all the members of the House.

RULE 19. **Previous Question.** - (a) The previous question may be called only by:

- (1) The Chair of the Committee on Rules, Calendar, and Operations of the House;
- (1a) The Vice-Chair of the Committee on Rules, Calendar, and Operations of the House if the Chair is not in the Chamber or able to participate in debate;
- (2) The Majority Leader;
- (3) The member submitting the report on the bill or other matter under consideration:
- (4) The member introducing the bill or other matter under consideration;

- (5) The member in charge of the measure, who shall be designated by the chair of the standing committee or permanent subcommittee reporting the same to the House at the time the bill or other matter under consideration is reported to the House or taken up for consideration.
- (b) When the call for the previous question has been decided in the affirmative by a majority vote of the House, the question is on the passage of the bill, resolution, or other matter under consideration.
- (c) The call for the previous question shall preclude all motions, amendments, and debate, except the motion to adjourn, motion to recess, or motion to table.
- (d) If the previous question is decided in the negative, the question remains under debate.
- (e) After the previous question is ordered by the House on the main question of second or third reading, the Majority Leader and the Minority Leader may each allocate three minutes of debate on the question. The Majority Leader and the Minority Leader may each designate another member to act under this subsection.

IV. Voting

- RULE 20. **Use of Electronic Voting System.** (a) Votes on the following questions shall be taken on the electronic voting system, and the ayes and noes shall be recorded on the Journal:
 - (1) The passage as required by Section 23 of Article II of the North Carolina Constitution on second and third readings of any bill:
 - a. Raising money on the credit of the State,
 - b. Pledging the faith of the State for the payment of a debt,
 - c. Imposing a State tax, or
 - d. Authorizing a county, municipality, or other local governmental unit to:
 - 1. Raise money on its credit,
 - 2. Pledge its faith for the payment of a debt, or
 - 3. Impose a local tax.
 - (2) All questions on which a call for the ayes and noes under Rule 24(a) and Section 19 of Article II of the North Carolina Constitution has been sustained.
 - (3) Both second and third readings of bills proposing amendment of the North Carolina Constitution or ratifying resolutions amending the United States Constitution.
 - (4) The passage of a bill, notwithstanding the Governor's veto thereof, pursuant to Section 22 of Article II of the North Carolina Constitution.
- (b) Votes on the following questions shall be taken on the electronic voting system:

- (1) Second reading of all public bills except resolutions, all amendments to public bills, third reading if a public bill was amended after second reading or if the reading occurs on a day or days following the second reading, all conference reports on public bills, all motions to lay public bills on the table, and all motions to postpone public bills indefinitely.
- (2) Upon a call for division.
- (3) Any other question upon direction of the Speaker or upon motion of any member supported by one-fifth of the members present.
- (c) When the electronic voting system is used, 15 seconds shall be allowed for voting on the question before the House, unless the Chair shall direct otherwise. Once the system is locked, the vote shall be recorded and printed.
- (d) The voting station at each member's desk in the Chamber shall be used only by the member to which the station is assigned. Under no circumstances shall any other person vote at a member's station. It is a breach of the ethical obligation of a member either to request that another person vote at the requesting member's station or to vote at another member's station. The Speaker shall enforce this rule without exception.
- (e) When the electronic voting system is used, the Speaker shall state the question and shall then state substantially the following: "All in favor vote 'aye'; all opposed vote 'no'; the Clerk will open the vote." In order to have the vote recorded, the member must vote by the electronic voting system within the time allowed for that vote, unless the voting station assigned to a member is malfunctioning. The Speaker shall enforce this rule without exception. After the allotted time for voting has elapsed, the Speaker shall say: "The Clerk will now lock the machine and record the vote." After the machine is locked and the vote recorded, the Speaker shall announce the vote and declare the result.
- (f) One copy of the machine printout of the vote record of all votes taken on the electronic voting system shall be filed in the office of the Principal Clerk, and two copies shall be filed in the Legislative Library where the copies shall be open to public inspection. A legible copy of the bill, amendment, or motion on which the vote was taken shall be filed with the printout of the vote in the Legislative Library.
- (g) When the Speaker ascertains that the electronic voting system is inoperative before a vote is taken or while a vote is being taken on the electronic voting system, the Speaker shall announce that fact to the House, and any partial electronic voting system voting record shall be voided. In such a case, if the North Carolina Constitution or the Rules of the House require a call of the ayes and noes, the Clerk shall call the roll of the House, and the

ayes and noes shall be taken manually and shall be recorded on the Journal. All roll call votes shall be taken alphabetically. If, after a vote is taken on the electronic voting system, it is discovered that a malfunction caused an error in the electronic voting system printout, the Speaker shall direct the Reading Clerk and the Principal Clerk to verify and correct the printout record and so advise the House.

- (c) No statement, explanation, debate, motion, parliamentary inquiry, or point of order shall be allowed once the voice vote has begun. Any point of order or parliamentary inquiry may be raised, however, after the completion of the vote.
- RULE 22. **Determining Questions.** (a) Unless otherwise provided by the North Carolina Constitution or by these rules, all questions shall be determined by a simple majority of the members present and voting.
- (b) No member may vote unless the member is in the Chamber when the question is put. This subsection of this rule cannot be suspended.
- RULE 23. **Voting by Division.** Any member may call for a division of the members upon the question before the result of the vote has been announced. Upon a call for a division, the Speaker shall cause the number voting in the affirmative and in the negative to be determined. Upon a division and count of the House on any question, no member away from the member's seat shall be counted.

- RULE 24. **Roll Call Vote.** (a) Before a question is put, any member may call for the ayes and noes. If the call is sustained by one-fifth of the members present, the question shall be decided by the ayes and noes upon a roll call vote.
- (b) Every member who is in the Hall of the House when the question is put shall vote upon a call of the ayes and noes, unless excused pursuant to Rule 24.1A.
- (c) No member may change a vote without leave of the House, but such leave shall not be granted if it affects the result or if the session in which the vote was taken has been adjourned.

- (c) Except as provided in subsection (e) of this rule, the member so excused shall not debate the bill or any amendment to the bill, vote on the bill, offer or vote on any amendment to the bill, or offer or vote on any motion concerning the bill, in committee or on the floor of the House at any reading, or any subsequent consideration of the bill.
- (d) A member may request that his or her excuse from deliberations on a particular bill be withdrawn.
- (e) By leave of the House, a member who has been excused from deliberations and voting on a bill may participate in deliberations and votes on amendments to which that member does not have any conflict that requires excusal.
- RULE 24.1B. **Division of Amendments and Questions.** (a) Any member may call for an amendment to be divided into two or more amendments to be voted on separately. The motion shall be in writing, must be submitted to the Principal Clerk at the time the motion is made, and must clearly state how the question is to be divided. The Speaker shall determine whether the amendment admits of such a division. Upon a majority vote of the members present and voting, the motion shall be adopted and the body shall debate and vote each amendment separately.
- (b) Any member may call for a bill to be divided into two or more propositions to be voted on separately, provided the bill is subject to division into separate parts so that each part states a separate and distinct proposition capable of standing alone. The motion shall be in writing, must be submitted to the Principal Clerk at the time the motion is made, and must clearly state how the question is to be divided. The Speaker shall then determine whether the bill admits of such a division. Upon a majority vote of the members

present and voting, the motion shall be adopted and there shall be no further amendment or debate as to further division of the distinct propositions. If the question is divided, the body shall debate and vote each proposition separately. If any proposition fails, the bill shall be removed from the calendar and re-referred to the committee from which the bill was reported. If all parts of the divided question pass, the Speaker shall announce that the entire measure has passed second or third reading.

RULE 25. **Voting by Speaker.** - In all elections, the Speaker may vote. In all other instances, the Speaker may vote or may reserve this right until there is a tie, in which event the Speaker may vote; but in no instance may the Speaker vote twice on the same question.

V. Committees

RULE 26. Standing Committees and Permanent Subcommittees Generally. - (a) The Speaker shall appoint a chair, or cochairs, of every standing committee, permanent subcommittee, and select committee, if any. In the construction of these rules, the word "chair," as applied to a committee, extends to and includes a cochair of the committee. The Speaker shall have the exclusive right and authority to establish select committees, but this does not exclude the right of the House by resolution to establish select committees.

- (b) The Speaker shall establish the number of members of each standing committee and permanent subcommittee and appoint the members in a manner to reflect the partisan membership of the House, except that the Committee on Ethics shall have an equal number of members of the majority and minority.
- (c) Before appointing members of committees and subcommittees, the Speaker shall consult with the Minority Leader. The Speaker and Minority Leader shall consider members' committee preferences in making appointments and recommendations.
- (d) Each chair of a permanent subcommittee shall be a vice-chair of the standing committee of which it is a permanent subcommittee, and the Speaker may name other members as vice-chairs of the standing committee. The Speaker may name one or more vice-chairs for any standing committee not having permanent subcommittees.
- (e) The Chair of the Committee on Rules, Calendar, and Operations of the House, the Speaker Pro Tempore, the Majority Leader, and the Deputy Majority Leader are ex officio members of each standing committee and permanent subcommittee with the right to vote. The previous sentence does not apply to the Standing Committee on Ethics. Up to two chairs of the Appropriations Committee are entitled to vote in all other Appropriations Committees (Capital, Education, General Government, Health and Human Services, Information Technology, Justice and Public Safety, Agriculture and Natural and Economic Resources, and Transportation). The chair of the standing committee shall be a voting member of each permanent subcommittee of the standing committee.

- (f) Either the chair or acting chair, designated by the chair or by the Speaker, and five other members of the standing committee or permanent subcommittee, or a majority of the standing committee or permanent subcommittee, whichever is fewer, shall constitute a quorum of that standing committee or permanent subcommittee. A quorum of less than a majority of all the members must include at least one member of the minority party. For purposes of determining a quorum, the Chair of the Standing Committee on Rules, Calendar, and Operations of the House, the Speaker Pro Tempore, the Majority Leader, and the Deputy Majority Leader, when serving only as ex officio members under subsection (e) this rule, shall be counted among the membership of the committee or subcommittee only when present.
- (g) In any joint meeting of the Senate and House committees or subcommittees, the House standing committee or permanent subcommittee reserves the right to vote separately.

- (d) Procedure in the standing committees and permanent subcommittees shall be governed by the rules of the House, so far as the same may be applicable to such procedure. Before a question is put, any member may call for the ayes and noes. The chair shall ask, "Is the call sustained?" If the call is sustained by one-fifth of the members present and standing, the question shall be decided by the ayes and noes upon a roll call vote. All roll call votes shall be taken alphabetically and shall be subject to Rule 21(c).
- (d1) The committee chair shall set the agenda for each committee meeting. After April 1, 2019, a committee may, provided there is a written request signed by at least two-thirds of the members of the committee, place a bill on the committee's agenda for the next regularly scheduled meeting of the committee.
- (e) No standing committee shall meet on any day when the House shall not convene except by permission of the Speaker or by approval of the House by resolution adopted by a majority vote of the House.

- (f) No standing committee or permanent subcommittee shall meet during any session of the House. Standing committees and permanent subcommittees shall meet at their regularly scheduled hour. Standing committees and permanent subcommittees may meet at other times as authorized by the Chair of the Standing Committee on Rules, Calendar, and Operations of the House in order to assure the availability of the meeting room and that no conflicts will exist with the meetings of other bodies. All standing committee meetings and permanent subcommittee meetings shall adjourn no later than:
 - (1) 15 minutes preceding a regular session of the House, and
 - (2) 10 minutes preceding the hour of the next regularly scheduled standing committee meeting.

Action taken by a committee or permanent subcommittee in violation of this rule is voidable unless taken by unanimous consent at a meeting at which a majority of all the members of the committee or permanent subcommittee are present, and at which at least one member present is of the minority party.

- (g) Any call or notice of a standing committee or permanent subcommittee meeting between legislative sessions shall be sent by electronic mail to each member of the standing committee or permanent subcommittee at least five days prior to such meeting. If a member of the body so requests in writing to the chair of the standing committee or permanent subcommittee, the member shall also be notified of the meetings by mail at a designated address.
- (h) During standing committee and permanent subcommittee meetings, the chair may exercise the right to vote, or may reserve this right until there is a tie, in which event the chair may vote, but in no instance may the chair vote twice on the same question.
- (i) No standing committee or permanent subcommittee may hold a meeting on April 22 through April 26 of 2019 or July 1 through July 6 of 2019.

- (b) If, after such preliminary investigation as it may make, the Committee determines to proceed with an inquiry into the conduct of any individual, the Committee shall notify the individual as to the fact of the inquiry and the charges against the individual and shall schedule one or more hearings on the matter. The individual shall have the right to present evidence, cross-examine witnesses, and be represented by counsel at any hearings.

- (c) After the Committee has concluded its inquiries into the alleged violations, the Committee shall dispose of the matter by taking one of the following actions:

The chair of the standing committee or permanent subcommittee may schedule a public hearing by the standing committee or permanent subcommittee as a whole after the adjournment of a regular daily House session. Denial of a request made by a House member may be appealed to the Speaker.

Notice shall be given not less than five calendar days prior to public hearings. These notices shall be issued as information for the press and shall be posted in the places designated by the Principal Clerk.

(b) Persons desiring to appear and be heard at a public hearing shall submit their requests to the chair of the standing committee or permanent subcommittee. - (e) When a bill is submitted to the Committee of the Whole House, it shall be read and debated by sections, leaving the preamble to be last considered. The body of the bill shall not be defaced or interlined, but all amendments, noting the page and line, shall be duly entered by the Principal Clerk on a separate paper as the same shall be agreed to by the standing committee and be so reported to the House. After report, the bill shall again be subject to be debated and amended by sections before a question on its passage be taken.

 on Tuesday, April 23, 2019. If any bill is subject to the deadline under this
 subsection and the bill is amended so that all the provisions requiring referral
 to either or both of those committees under Rule 38 do not remain in the bill,
 it is not eligible for further consideration.
- (f) A bill containing no substantive provisions may not be introduced in the House.
- (g) No member may introduce more than 15 public bills. For the purpose of this subsection, the introducer is the member who is listed as the first sponsor. A member may assign a portion of this limit to another member electronically using the procedures established and published by the Principal Clerk. This subsection does not apply to bills or resolutions recommended by commissions or committees authorized or directed by act or resolution of the General Assembly (i) to report to the 2019 Regular Session of the General Assembly, or to report prior to convening of that session, or (ii) that are recommended to the Regular Session of the General Assembly by a commission or committee established directly by Chapter 120 of the General Statutes. This subsection does not apply to joint resolutions or House resolutions.
- In order to be eligible for consideration by the House during the first Regular Session, all Senate bills other than (i) finance or appropriations bills that would be required to be re-referred to the Appropriations or Finance Committee under Rule 38, (ii) those providing for action on gubernatorial nominations or appointments, (iii) those providing for action on appointments by the General Assembly pursuant to G.S. 120-121, (iv) those providing for amendments to the North Carolina Constitution, (v) those containing statutory amendments necessary to implement proposed amendments to the North Carolina Constitution, (vi) those establishing districts for Congress or State or local entities, (vii) those addressing election laws, (viii) those ratifying an amendment or amendments to the Constitution of the United States, and (ix) adjournment resolutions must be received and read on the floor of the House as a message from the Senate no later than Thursday, May 9, 2019; provided that a message from the Senate received by the next legislative day stating that a bill has passed its third reading and is being engrossed shall comply with the requirements of this subsection and provided that the Senate has a similar rule.

This rule does not apply to resolutions adjourning the General Assembly sine die or to a day certain.
- RULE 32. Reference to Standing Committees and Permanent Subcommittees; Serial Referrals; Re-Referral of Bills From One Standing Committee to Another Standing Committee; Re-referral to Committee on Rules. (a) Each bill not introduced on the report of a standing committee shall immediately upon its first reading be referred by the Speaker to such standing committee, permanent subcommittee, select committee, or committee of the whole as the Speaker deems appropriate. The Speaker at the same time may order that, if the bill is reported with any favorable recommendation or without prejudice, it be re-referred automatically upon the committee report to another committee or permanent subcommittee designated in the order. Each joint resolution or House resolution not introduced on the report of a standing committee shall immediately upon its first reading either be referred by the Speaker to a standing committee or permanent subcommittee or be calendared on the date designated by the Speaker, as the Speaker deems appropriate.
- (a1) Notwithstanding subsections (a) and (b) of this Rule, any bill establishing districts for Congress or State Senators or State Representatives may be placed on the calendar without being referred by the Speaker to a committee or permanent subcommittee and on the same legislative day of its introduction or receipt from the Senate.
- (b) The standing committee chair may refer each bill referred to the standing committee to the permanent subcommittee specifically charged with the subject matter of the bill. A report of that referral shall be made in writing and submitted to the body pursuant to Rule 5(5a). Except as provided in Rule 36, the permanent subcommittee to which the bill is referred shall report the bill back to the standing committee which report shall be made in writing and submitted to the body pursuant to Rule 5(5b). That subcommittee report shall include one of the following recommendations:
 - (1) Favorable, without prejudice, or unfavorable as to the original bill with the recommendation that the report be made to the standing committee;
 - (2) Favorable, without prejudice, or unfavorable as to the original bill, as amended, with the recommendation that the report be made to the standing committee;
 - (3) Favorable or without prejudice to the proposed committee substitute, and unfavorable to the original bill, with the recommendation that the report be made to the standing committee;

- (6) Favorable to the proposed committee substitute with the recommendation that the report be made directly to the floor of the House, if approved by the standing committee chair, and unfavorable to the original bill.

Any recommendation of favorable or without prejudice may include a recommendation of re-referral to another standing committee. After a bill is reported to a standing committee by a permanent subcommittee of that standing committee, the standing committee chair may re-refer the bill to another permanent subcommittee of that standing committee.

Upon recommendation to the standing committee, the bill shall be before that body for further action unless the permanent subcommittee chair reports the bill directly pursuant to Rule 36.

- (c) Upon consent of the sponsor of the bill, the Speaker, the chair of the standing committee from which the bill is to be re-referred, and the chair of the standing committee to which the bill is to be re-referred, the chair of the standing committee from which the bill is to be re-referred or the Chair of the Committee on Rules, Calendar, and Operations of the House may move for a re-referral to another standing committee, and the bill shall be re-referred upon vote of the majority present during a regular session of the House.

- (e) All public bills and resolutions reported by any standing committee or permanent subcommittee must have also been reported by the Committee on Rules, Calendar, and Operations of the House prior to being calendared for consideration by the House. This rule may be waived by leave of the House.
- RULE 33. **Papers Addressed to the House.** Petitions, memorials, and other papers addressed to the House shall be presented by the Speaker. A brief statement of the contents thereof may be made orally by the introducer before reference to a committee, but such papers shall not be debated or decided on the day of their first being read unless the House shall direct otherwise.
- RULE 34. **Introduction of Resolutions and Bills.** (a) House Bills shall be designated as "H.B.___." (No. following). A Joint Resolution shall be designated as "H.J.R.__." (No. following). A House Resolution shall be designated as "H.R.__.." (No. following).

- RULE 35. **Public and Local Bills.** (a) The Legislative Services Officer shall cause such bills as are introduced to be duplicated in such numbers as may be specified by the Speaker. Copies shall be placed in the Printed Bills Room and made available to the committees to which the bill is referred, to individual members on request, and to the general public.
- (b) A public bill is a bill affecting 15 or more counties. A local bill is one affecting fewer than 15 counties.
- RULE 35.1. **Municipal Incorporation Reports.** Every legislative proposal introduced in the House or received in the House from the Senate, proposing the incorporation of a municipality shall have attached to the jacket of the original bill at the time of its consideration on second or third readings by the House or by any committee of the House prior to a favorable report, a recommendation from the Municipal Incorporations Subcommittee of the Joint Legislative Committee on Local Government, established by Article 20 of Chapter 120 of the General Statutes. The recommendation of the Municipal Incorporations Subcommittee of the Joint Legislative Committee on Local Government shall be made in accordance with the provisions and criteria set forth in Article 20 of Chapter 120 of the General Statutes and shall include the findings required to be made by G.S. 120-166 through G.S. 120-170.
- RULE 36. Report by Standing Committee or Permanent Subcommittee. (a) Reports. Bills and resolutions may be reported from the standing committee or the permanent subcommittee to which referred with such recommendations as the standing committee or permanent subcommittee may desire to make. With the written approval of the chair of the standing committee and with the recommendation of the subcommittee pursuant to Rule 32(b)(4) through (6), the chair of the permanent subcommittee may report the bill directly to the floor with that recommendation. If a permanent subcommittee recommends reporting a bill to the floor and the chair of the standing committee fails to give approval, the chair of the permanent subcommittee shall refer the bill to the standing committee with the same recommendation as the subcommittee would have made to the House. A report of the subcommittee referral to the standing committee shall be made in writing and submitted to the body pursuant to Rule 5(5b).
- (b) **Favorable Report.** When a standing committee or permanent subcommittee reports a bill with the recommendation that it be passed, the bill shall be placed on the favorable calendar on the day designated by the Chair of the Standing Committee on Rules, Calendar, and Operations of the House, but not on the same day that it is reported except by leave of the House, and no later than the fourth legislative day after submission of the report or Senate message under Rule 43.2 or Rule 43.3(a), unless:
 - (1) The bill is re-referred to the Committee on Appropriations or Committee on Finance under Rule 38 or was serially referred under Rule 32; or
 - (2) The bill has not yet been placed on the calendar, and the Speaker refers the bill to another committee or permanent subcommittee.

In order to place a bill on the calendar for a legislative day, notice shall be given by the Chair of the Standing Committee on Rules, Calendar, and Operations of the House orally in the House or in writing to the Principal Clerk. When a committee substitute is adopted and receives a favorable report by the standing committee or permanent subcommittee, the chair shall submit to the standing committee or permanent subcommittee the question of an unfavorable report on the original bill. The standing committee or permanent subcommittee's action, if any, on the original bill shall be reported at the same time the committee substitute is reported.

- (b1) Favorable Report of Bills Proposing Congressional or State Districts. Notwithstanding subsection (b) of this rule, a bill establishing districts for Congress or State Senators or State Representatives that is reported favorably by a committee or a permanent subcommittee may be placed on the favorable calendar on the same day it is reported.
- (c) **Report Without Prejudice.** When a standing committee reports a bill without prejudice, the bill shall be placed on the favorable calendar in the same manner as provided in subsection (b) of this rule.
- (d) **Postponed Indefinitely.** When a standing committee reports a bill with the recommendation that it be postponed indefinitely and no minority report accompanies it, the bill shall be placed on the unfavorable calendar.
- (e) **Unfavorable Report.** When a standing committee reports a bill with the recommendation that it not be passed and no minority report accompanies it, the bill shall be placed on the unfavorable calendar.
- (f) **Minority Report.** When a bill is reported by a standing committee with a recommendation that it not be passed or that it be postponed indefinitely but it is accompanied by a minority report signed by at least one-fourth of the members of the standing committee or permanent subcommittee who were present and voting when the bill was considered in standing committee or permanent subcommittee, the question before the House shall be: "The adoption of the minority report." If the minority report is adopted by majority vote, the bill shall be placed on the favorable calendar for consideration. If the minority report fails of adoption by a majority vote, the bill shall be placed on the unfavorable calendar.
- RULE 36.1. **Fiscal Notes.** (a) The Chair or Cochair of the Appropriations Committee, of the Finance Committee, or of the Standing Committee on Rules, Calendar, and Operations of the House, upon the floor of the House, may request that a fiscal analysis be made of a bill, a resolution, or an amendment to a bill or resolution which is in the possession of the House and that a fiscal note be attached to the measure, which request shall be allowed when, in the opinion of the Speaker, the fiscal effects of that measure are not apparent from the language of the measure. When a request is properly made under this subsection, the bill is removed from the calendar until such time that the fiscal note is attached to the measure.

- (b) The fiscal note shall be filed and attached to the bill or amendment within two legislative days of the request, and a copy shall be sent by electronic mail to each member. If it is impossible to prepare a fiscal note within two legislative days, the Director of Fiscal Research shall, in writing, so advise the Speaker, the Principal Clerk, the Majority Leader, the Minority Leader, and the member introducing or proposing the measure and shall indicate the time when the fiscal note will be ready.
- (c) The fiscal note shall be prepared by the Fiscal Research Division on a form approved by the Chair of the Standing Committee on Rules, Calendar, and Operations of the House as to content and form and signed by the staff member or members preparing it. If no estimate in dollars is possible, the fiscal note shall indicate the reasons that no estimate is provided. The fiscal note shall not comment on the merit, but may identify technical problems. The Fiscal Research Division shall make the fiscal note available to the membership of the House.
- (d) A sponsor of a bill or amendment may deliver a copy of the bill or amendment to the Fiscal Research Division for the preparation of a fiscal note. The sponsor shall attach the fiscal note to the bill when filed or to the amendment when its adoption is moved.
- (e) The sponsor of a bill or amendment to which a fiscal note is attached who objects to the estimates and information provided may reduce to writing the objections. These objections shall be appended to the fiscal note attached to the bill or amendment and to the copies of the fiscal note available to the membership.
- (f) Subsection (a) of this rule shall not apply to the Current Operations Appropriations Bill or the Capital Improvement Appropriations Bill. This rule shall not apply to a bill or amendment requiring an actuarial note under these rules.
- RULE 36.1A. **Distribution of Proposed Committee Substitutes.** (a) No proposed committee substitute may be considered by a standing committee or permanent subcommittee unless the proposed committee substitute shall have been distributed electronically no later than 9:00 P.M. of the preceding calendar day to the members of the committee or permanent subcommittee and to the member who is listed as the first primary sponsor. This requirement may be waived by leave of the standing committee or permanent subcommittee.
- (b) Subsection (a) of this rule does not apply to a proposed committee substitute establishing districts for Congress or State Senators or State Representatives.
- RULE 36.2. **Actuarial Notes.** (a) Every bill or resolution proposing any change in the law relative to any:
 - (1) State, municipal, or other retirement system funded in whole or in part out of public funds; or
 - (2) Program of hospital, medical, disability, or related benefits provided for teachers and State employees, funded in whole or in part by State funds;

shall have attached to it at the time of its consideration by any standing committee or permanent subcommittee a brief explanatory statement or note which shall include a reliable estimate of the financial and actuarial effect of the proposed change to that retirement or pension system. The actuarial note shall be attached to the jacket of each proposed bill or resolution which is reported favorably by any standing committee or permanent subcommittee, shall be separate therefrom, and shall be clearly designated as an actuarial note. A bill described in subdivision (a)(1) of this rule shall be referred to the Committee on Pensions and Retirement upon its introduction in accordance with G.S. 120-111.3.

- (b) The sponsor of the bill or resolution shall present a copy of the measure, with a request for an actuarial note, to the Fiscal Research Division, which shall prepare the actuarial note as promptly as possible but not later than two weeks after the request is made, unless an extension of time is agreed to by the sponsor as being necessary in the preparation of the note. Actuarial notes shall be prepared in the order of receipt of request and shall be transmitted to the sponsor of the measure. The actuarial note of the Fiscal Research Division shall be prepared and signed by an actuary.
- (c) The sponsor of the bill or resolution shall also present a copy of the measure to the actuary employed by the system or program affected by the measure. Actuarial notes shall be prepared and transmitted to the sponsor of the measure not later than two weeks after the request is received, unless an extension of time is agreed to by the sponsor as being necessary in the preparation of the note. The actuarial note shall be attached to the jacket of the measure. The provisions of this subsection may be waived by the measure's sponsor for a measure affecting local government retirement or pension plans not administered by the State or any local government program of hospital, medical, disability, or related benefits for local government employees not administered by the State.
- (d) The note shall be factual and shall, if possible, provide a reliable estimate of both the immediate effect and, if determinable, the long-range fiscal and actuarial effect of the measure. If, after careful investigation, it is determined that no dollar estimate is possible, the note shall contain a statement to that effect, setting forth the reasons why no dollar estimate can be given. No comment or opinion shall be included in the actuarial note with regard to the merits of the measure for which the note is prepared. Technical and mechanical defects in the measure may be noted.
- (e) When any standing committee or permanent subcommittee reports a measure to which an actuarial note is attached at the time of committee consideration, with any amendment of such nature as would substantially affect the cost to or the revenues of any retirement or pension system, or program of hospital, medical, disability, or related benefits for teachers or State employees, the chair of the standing committee or permanent subcommittee reporting the measure shall obtain from the Fiscal

Research Division an actuarial note of the fiscal and actuarial effect of the proposed amendment. The actuarial note shall be attached to the jacket of the measure. An amendment to any bill or resolution shall not be in order if the amendment affects the costs to or the revenues of a State-administered retirement or pension system, or program of hospital, medical, disability, or related benefits for teachers or State employees, unless the amendment is accompanied by an actuarial note, prepared by the Fiscal Research Division, as to the actuarial effect of the amendment.

- (f) The Fiscal Research Division shall make all relevant actuarial notes available to the membership of the House.
- RULE 36.3. **Local Legislation Affecting State Highway System.** A local bill affecting the State Highway System shall be referred to the Committee on Transportation.

 - (1) Carries an appropriation from the State; or

- (b) All standing committees, other than the Standing Committee on Finance, when favorably reporting any bill that in any way or manner raises revenue, reduces revenue, levies a tax, authorizes the levying of a tax, an assessment, or a fee, or authorizes the issue of bonds or notes, whether public or local, shall indicate same in the report, and said bill shall be referred to the Standing Committee on Finance for a further report before being acted upon by the House. This subsection shall not apply to bills only imposing fines, forfeitures, or penalties.

- RULE 39. Discharge Petition. (a) A motion to discharge a committee from consideration of a bill may be filed with the Principal Clerk by a primary sponsor of that measure if accompanied by a petition asking that the committee be discharged from further consideration of the bill. No motion may be filed until 10 legislative days after the bill has been referred to the committee. No petition may be filed until notice has been given on the floor of the House that the petition is to be filed and the primary sponsor giving notice has obtained a fiscal note from the Fiscal Research Division on the bill, which note shall be attached to the petition. Members may sign the petition only in the office of the Principal Clerk, and when the signatures of 61 members appear on the petition, the Principal Clerk shall place that motion on the calendar for the next legislative day as a special order of business. Members may withdraw their names at any time until 61 names appear. If the motion is adopted by the House, then the committee to which the bill or resolution has been referred is discharged from further consideration of the bill, and that bill is placed on the calendar for the next legislative day as a special order of business. The Principal Clerk shall provide a form for discharge petitions.
- (b) This rule shall not be temporarily suspended without one day's notice on the motion given in the House and delivered in writing to the chair of the standing committee, and to sustain that motion two-thirds of the members shall be required.
- RULE 40. Calendars and Schedules of Business. (a) The Clerk of the House shall prepare a daily schedule of business, including the Calendar of Bills and Resolutions for consideration and debate that day, in accordance with the Order of Business of the Day (Rule 5). The Clerk shall number all bills and resolutions in the order in which they are introduced. All bills and resolutions shall be taken up as they appear in each category (Rule 5(10)). - (b) Subsection (a) of this rule does not apply to bills establishing districts for Congress or State Senators or State Representatives.
- RULE 41. **Reading of Bills.** (a) Every bill shall receive three readings in the House prior to its passage. The Speaker shall give notice at each subsequent reading whether it is the second or third reading.

The first reading and reference to standing committee of a Senate bill shall occur on the next legislative day following its receipt on messages from the Senate. This subsection does not apply to any bill establishing districts for Congress or State Senators or State Representatives.
- (b) Except for bills establishing districts for Congress or State Senators or State Representatives, no bill shall be read more than once on the same day without the concurrence of two-thirds of the members present and voting; provided, no bill governed by Section 23 of Article II of the North Carolina Constitution herein shall be read twice on one day under any circumstance.

RULE 42. **Effect of a Defeated Bill.** - (a) Subject to the provisions of subsection (b) of this rule, after a bill has:

- (1) Been tabled,
- (2) Been postponed indefinitely,
- (3) Failed to pass on any of its readings, or
- (4) Been placed on the unfavorable calendar,

the contents of that bill or the principal provisions of its subject matter shall not be considered in any other measure originating in the Senate or originating thereafter in the House. Upon the point of order being raised and sustained by the chair, that measure shall be laid upon the table and shall not be taken therefrom except by a two-thirds vote of the members present and voting.

(b) No local bill shall be held by the chair to embody the contents of or the principal provisions of the subject matter of any statewide measure which has been laid on the table, has failed to pass on any of its readings, or has been placed on the unfavorable calendar.

RULE 43. **Amendments.** - (a) No amendment to a measure before the House shall be in order unless the amendment is germane to the measure under consideration. A House amendment deleting a previously adopted House amendment shall not be in order. No amendment that is clearly unconstitutional shall be in order.

Only one principal (first degree) amendment shall be pending at any one time. If a subsequent or substitute principal amendment shall be offered, the Speaker shall rule it out of order. However, any member desiring to offer a subsequent or substitute principal amendment in opposition to the pending amendment may inform the House by way of argument against the pending amendment that if it is defeated the member proposes to offer another principal amendment, and the member may then read and explain such proposed amendment.

Perfecting (or second degree) amendments may be offered and considered without limitation as to number, and in the event of multiple perfecting amendments, they shall be voted upon in inverse order.

- (b) The following rules apply when considering: (i) the Current Operations Appropriations Bill; (ii) the Capital Improvement Appropriations Bill; (iii) any bill generally revising appropriations for the second fiscal year of a biennium:
 - (1) Amendments cannot increase total spending within a committee area beyond the total for that committee as shown in the committee report.

If the motion is passed, the question then shall be concurrence on third reading on the next legislative day.
- (e) No committee substitute adopted by the Senate for a bill originating in the House may be amended by the House.

- RULE 44. Conference Standing Committees. (a) Whenever the House shall decline or refuse to concur in amendments put by the Senate to a bill originating in the House, or shall refuse to concur in a substitute adopted by the Senate for a bill originating in the House, or whenever the Senate shall decline or refuse to concur in amendments put by the House to a bill originating in the Senate, or shall refuse to concur in a substitute adopted by the House for a bill originating in the Senate, a conference committee may be appointed by the Speaker upon the Speaker's own motion and shall be appointed upon request by the principal sponsor of the original bill, the chair of the House standing committee that reported the bill, or the sponsor of the amendment in which the Senate refused to concur; and the bill under consideration shall thereupon go to and be considered by the joint conferees on the part of the House and Senate. In appointing members to conference committees, the Speaker shall appoint no less than a majority of members who generally supported the House position as determined by the Speaker.
- (b) The conference report may be made by a majority of the House members of such conference committee and shall not be amended. If the Senate has a similar rule, only such matters as are in difference between the two houses shall be considered by the conferees, and the conference report shall deal only with such matters. If the Senate does not have a similar rule, a conference committee report which includes significant matters that were not in difference between the houses, shall be referred to a standing committee for its recommendation before further action by the House.
- (c) If the conferees fail to agree or if either house fails to adopt the report of its conferees, new conferees may be appointed.
- (d) No vote shall be taken on adoption of a conference report until the next legislative day following the report, except that no vote shall be taken on adoption of a conference report on either the Current Operations Appropriations Bill or a bill generally revising the Current Operations Appropriations Act until the second legislative day following the report.

Whereas, the VA MISSION Act requires an overhaul and modernization of the VA health care system, and when properly implemented, will preserve the beneficial aspects of the VA health care system while providing veterans increased health care options; and

Whereas, some of the highlights of the VA MISSION Act include:

- (1) Consolidating VA's seven community care programs, making community care work better for veterans, community health care providers, and VA staff. Whereas, less than one week later, on June 11, the beaches were fully secured. Over 326,000 troops, more than 50,000 vehicles, and some 100,000 tons of equipment had landed at Normandy; and

Whereas, the Allies fought their way across the Normandy countryside in the face of determined German resistance. By the end of June, Allied forces had seized the vital port of Cherbourg, landed approximately 850,000 troops and 150,000 vehicles in Normandy, and were poised to continue their march across France; and

Whereas, by the end of August 1944, the Allies had reached the Seine River, where Paris was liberated and the Germans had been removed from northwestern France, effectively concluding the Battle of Normandy. The Normandy landings signaled the beginning of the end of the war in Europe, and by the following spring, on May 8, 1945, the Allies formally accepted the unconditional surrender of Nazi Germany; and

Whereas, more than 4,400 Allied troops lost their lives in the D-Day invasion, with thousands more wounded or missing; and

Whereas, of the more than 362,500 North Carolinians who served during World War II, the "World War II Honor List of Dead and Missing - State of North Carolina" published by the War Department in June 1946 listed 7,109 North Carolinians either killed or missing during that war. Efforts, which continue to this day, to recover and identify combatant remains have increased the number of North Carolinians, either killed or missing, to nearly 10,000; and

Whereas, the number of North Carolinians confirmed to have died on D-Day currently stands at 39; Now, therefore, Be it resolved by the House of Representatives:

SECTION 1. The House of Representatives wishes to observe and honor the service and sacrifice of the North Carolinians and Allied heroes, living and dead, who fought to free a continent, whose names may be unknown or unfamiliar, but whose deeds are immortal on June 6, 2019, the seventy-fifth anniversary of D-Day.

SECTION 2. This resolution is effective upon adoption.

H.R. 1022, A HOUSE RESOLUTION ELECTING REGINALD R. HOLLEY TO THE BOARD OF GOVERNORS OF THE UNIVERSITY OF NORTH CAROLINA.

Whereas, Robert Bryan III of Mecklenburg County was elected by the House of Representatives in 2017 to serve as a member of the Board of Governors of The University of North Carolina for a term of four years; and

Whereas, Robert Bryan III has resigned from the Board of Governors of The University of North Carolina effective October 4, 2019; and

Whereas, G.S. 116-7(c) directs the chamber that originally elected a vacating member of the Board of Governors of The University of North Carolina to elect a person to fill the vacancy; and

Whereas, the House of Representatives may determine its own procedure; Now, therefore,

Be it resolved by the House of Representatives:

SECTION 1. The following person is elected to the Board of Governors of The University of North Carolina for a term commencing November 1, 2019, and ending June 30, 2021:

(1) Reginald R. Holley of Brunswick County.

SECTION 2. This resolution is effective upon adoption.

SECTION 7.3.(c) Eligibility for Funds. - Except as provided in subsection (g) of this section, the State Board of Education shall allocate these funds to local school administrative units located in whole or in part in counties in which the county wealth as a percentage of the State average wealth is less than one hundred percent (100%).

A county that maintains a county appropriation per student to the school local current expense fund of less than one hundred percent (100%) of the current expense appropriations per student to the school local current expense fund that the county could provide given the county's wealth and an average effort to fund public schools shall receive funding under this section at the same percentage that the county's appropriation per student to the school local current expense fund is of the current expense appropriations per student to the school local current expense fund that the county could provide given the county's wealth and an average effort to fund public schools.

SECTION 7.3.(g) Nonsupplant Requirement. - A county in which a local school administrative unit receives funds under this section shall use the funds to supplement local current expense funds and shall not supplant local current expense funds. The State Board of Education shall make a finding that a county has used these funds to supplant local current expense funds in the prior year, or the year for which the most recent data are available, if all of the following criteria apply:

(1) The current expense appropriations per student of the county for the current year is less than ninety-five percent (95%) of the average of local current expense appropriations per student for the three prior fiscal years.

(2) The county cannot show (i) that it has remedied the deficiency in funding or (ii) that extraordinary circumstances caused the county to supplant local current expense funds with funds allocated under this section.

The State Board of Education shall adopt rules to implement the requirements of this subsection.

SECTION 7.3.(h) Counties Containing a Base of the Armed Forces. - Notwithstanding any other provision of this section, for the 2019-2021 fiscal biennium, counties containing a base of the Armed Forces of the United States that have an average daily membership of more than 17,000 students shall receive whichever is the higher amount in each fiscal year as follows: either the amount of supplemental funding the county received as a low-wealth county in the 2012-2013 fiscal year or the amount of supplemental funding the county is eligible to receive as a low-wealth county pursuant to the formula for distribution of supplemental funding under the other provisions of this section.

The State Board of Education shall adopt rules to implement the requirements of this subsection.

SECTION 9C.1.(b) Multiyear Contracts. - The Division of Child Development and Early Education shall require the NC Pre-K contractor to issue multiyear contracts for licensed private child care centers providing NC Pre-K classrooms.

SECTION 9C.1.(c) Building Standards. - Notwithstanding G.S. 110-91(4), private child care facilities and public schools operating NC Pre-K classrooms shall meet the building standards for preschool students as provided in G.S. 115C-521.1.

It is the intent of the General Assembly that funds allocated pursuant to this section be used to increase the salaries of teachers working in child care centers as a means to address disparities in teacher salaries among teachers working in child care centers versus those working in public schools or Head Start centers.

CHILD CARE SUBSIDY RATES

SECTION 9C.3.(a) The maximum gross annual income for initial eligibility, adjusted annually, for subsidized child care services shall be determined based on a percentage of the federal poverty level as follows:

AGE	•	U	INCOME PERCENTAGE LEVEL
0 - 5			200%
6 - 12			133%

The eligibility for any child with special needs, including a child who is 13 years of age or older, shall be two hundred percent (200%) of the federal poverty level.

SECTION 9C.3.(b) Effective October 1, 2019, fees for families who are required to share in the cost of care are established based on nine percent (9%) of gross family income. When care is received at the blended

rate, the co-payment shall be eighty-three percent (83%) of the full-time co-payment. Co-payments for part-time care shall be seventy-five percent (75%) of the full-time co-payment.

SECTION 9C.3.(c) Payments for the purchase of child care services for low-income children shall be in accordance with the following requirements:

- (1) Religious sponsored child care facilities operating pursuant to G.S. 110-106 and licensed child care centers and homes that meet the minimum licensing standards that are participating in the subsidized child care program shall be paid the one-star county market rate or the rate they charge privately paying parents, whichever is lower, unless prohibited by subsection (f) of this section.
- (2) Licensed child care centers and homes with two or more stars shall receive the market rate for that rated license level for that age group or the rate they charge privately paying parents, whichever is lower, unless prohibited by subsection (g) of this section.
- (3) No payments shall be made for transportation services charged by child care facilities.
- (4) Payments for subsidized child care services for postsecondary education shall be limited to a maximum of 20 months of enrollment.
- (5) The Department of Health and Human Services shall implement necessary rule changes to restructure services, including, but not limited to, targeting benefits to employment.

SECTION 9C.3.(d) Provisions of payment rates for child care providers in counties that do not have at least 50 children in each age group for center-based and home-based care are as follows:

- (1) Except as applicable in subdivision (2) of this subsection, payment rates shall be set at the statewide or regional market rate for licensed child care centers and homes.
- (2) If it can be demonstrated that the application of the statewide or regional market rate to a county with fewer than 50 children in each age group is lower than the county market rate and would inhibit the ability of the county to purchase child care for low-income children, then the county market rate may be applied.

SECTION 9C.3.(e) A market rate shall be calculated for child care centers and homes at each rated license level for each county and for each age group or age category of enrollees and shall be representative of fees charged to parents for each age group of enrollees within the county. The Division of Child Development and Early Education shall also calculate a statewide rate and regional market rate for each rated license level for each age category.

SECTION 9C.3.(f) The Division of Child Development and Early Education shall continue implementing policies that improve the quality of child care for subsidized children, including a policy in which child care subsidies are paid, to the extent possible, for child care in the higher quality

centers and homes only. The Division shall define higher quality, and subsidy funds shall not be paid for one- or two-star rated facilities. For those counties with an inadequate number of four- and five-star rated facilities, the Division shall continue a transition period that allows the facilities to continue to receive subsidy funds while the facilities work on the increased star ratings. The Division may allow exemptions in counties where there is an inadequate number of four- and five-star rated facilities for non-star rated programs, such as religious programs.

SECTION 9C.3.(g) Facilities licensed pursuant to Article 7 of Chapter 110 of the General Statutes and facilities operated pursuant to G.S. 110-106 may participate in the program that provides for the purchase of care in child care facilities for minor children of needy families. Except as authorized by subsection (f) of this section, no separate licensing requirements shall be used to select facilities to participate. In addition, child care facilities shall be required to meet any additional applicable requirements of federal law or regulations. Child care arrangements exempt from State regulation pursuant to Article 7 of Chapter 110 of the General Statutes shall meet the requirements established by other State law and by the Social Services Commission.

County departments of social services or other local contracting agencies shall not use a provider's failure to comply with requirements in addition to those specified in this subsection as a condition for reducing the provider's subsidized child care rate.

SECTION 9C.3.(h) Payment for subsidized child care services provided with Temporary Assistance for Needy Families Block Grant funds shall comply with all regulations and policies issued by the Division of Child Development and Early Education for the subsidized child care program.

SECTION 9C.3.(i) Noncitizen families who reside in this State legally shall be eligible for child care subsidies if all other conditions of eligibility are met. If all other conditions of eligibility are met, noncitizen families who reside in this State illegally shall be eligible for child care subsidies only if at least one of the following conditions is met:

- (1) The child for whom a child care subsidy is sought is receiving child protective services or foster care services.
- (2) The child for whom a child care subsidy is sought is developmentally delayed or at risk of being developmentally delayed.
- (3) The child for whom a child care subsidy is sought is a citizen of the United States.

SECTION 9C.3.(j) The Department of Health and Human Services, Division of Child Development and Early Education, shall require all county departments of social services to include on any forms used to determine eligibility for child care subsidy whether the family waiting for subsidy is receiving assistance through the NC Pre-K Program or Head Start.

SECTION 9C.3.(k) Department of Defense-certified child care facilities licensed pursuant to G.S. 110-106.2 may participate in the State-subsidized child care program that provides for the purchase of care in

child care facilities for minor children in needy families, provided that funds allocated from the State-subsidized child care program to Department of Defense-certified child care facilities shall supplement and not supplant funds allocated in accordance with G.S. 143B-168.15(g). Payment rates and fees for military families who choose Department of Defense-certified child care facilities and who are eligible to receive subsidized child care shall be as set forth in this section.

CHILD CARE ALLOCATION FORMULA

SECTION 9C.4.(a) The Department of Health and Human Services, Division of Child Development and Early Education (Division), shall allocate child care subsidy voucher funds to pay the costs of necessary child care for minor children of needy families. The mandatory thirty percent (30%) North Carolina Partnership for Children, Inc., subsidy allocation under G.S. 143B-168.15(g) shall constitute the base amount for each county's child care subsidy allocation. The Department of Health and Human Services shall use the following method when allocating federal and State child care funds, not including the aggregate mandatory thirty percent (30%) North Carolina Partnership for Children, Inc., subsidy allocation:

- (1) Funds shall be allocated to a county based upon the projected cost of serving children under age 11 in families with all parents working who earn less than the applicable federal poverty level percentage set forth in Section 9C.3(a) of this act.
- (2) The Division may withhold up to two percent (2%) of available funds from the allocation formula for (i) preventing termination of services throughout the fiscal year and (ii) repayment of any federal funds identified by counties as overpayments, including overpayments due to fraud. The Division shall allocate to counties any funds withheld before the end of the fiscal year when the Division determines the funds are not needed for the purposes described in this subdivision. The Division shall submit a report to the Joint Legislative Oversight Committee on Health and Human Services and the Fiscal Research Division, which report shall include each of the following:
 - The amount of funds used for preventing termination of services and the repayment of any federal funds.
 - b. The date the remaining funds were distributed to counties.
 - c. As a result of funds withheld under this subdivision and after funds have been distributed, any counties that did not receive at least the amount the counties received the previous year and the amount by which funds were decreased.

- The Division shall submit a report in each year of the 2019-2021 fiscal biennium 30 days after the funds withheld pursuant to this subdivision are distributed but no later than April 1 of each respective year.
- (3) The Division shall set aside four percent (4%) of child care subsidy allocations for vulnerable populations, which include a child identified as having special needs and a child whose application for assistance indicates that the child and the child's family is experiencing homelessness or is in a temporary living situation. A child identified by this subdivision shall be given priority for receiving services until such time as set-aside allocations for vulnerable populations are exhausted.

SECTION 9C.4.(b) The Division may reallocate unused child care subsidy voucher funds in order to meet the child care needs of low-income families. Any reallocation of funds shall be based upon the expenditures of all child care subsidy voucher funding, including North Carolina Partnership for Children, Inc., funds within a county. Counties shall manage service levels within the funds allocated to the counties. A county with a spending coefficient over one hundred percent (100%) shall submit a plan to the Division for managing the county's allocation before receiving any reallocated funds.

SECTION 9C.4.(c) When implementing the formula under subsection (a) of this section, the Division shall include the market rate increase in the formula process rather than calculating the increases outside of the formula process. Additionally, the Department shall do the following:

A county's initial allocation shall be the county's expenditure in the previous fiscal year or a prorated share of the county's previous fiscal year expenditures if sufficient funds are not available. With the exception of market rate increases consistent with any increases approved by the General Assembly, a county whose spending coefficient is less than ninety-two percent (92%) in the previous fiscal year shall receive its prior year's expenditure as its allocation and shall not receive an increase in its allocation in the following year. A county whose spending coefficient is at least ninety-two percent (92%) in the previous fiscal year shall receive, at a minimum, the amount it expended in the previous fiscal year and may receive additional funding, if available. The Division may waive this requirement and allow an increase if the spending coefficient is below ninety-two percent (92%) due to extraordinary circumstances, such as a State or federal disaster declaration in the affected county. By October 1 of each year, the Division shall report to the Joint Legislative Oversight Committee on Health and Human Services and the Fiscal Research Division the counties that received a waiver pursuant to this subdivision and the reasons for the waiver.

(2) Effective immediately following the next new decennial census data release, implement (i) one-third of the change in a county's allocation in the year following the data release, (ii) an additional one-third of the change in a county's allocation beginning two years after the initial change under this subdivision, and (iii) the final one-third change in a county's allocation beginning the following two years thereafter.

SMART START INITIATIVES

SECTION 9C.5.(a) Policies. - The North Carolina Partnership for Children, Inc., and its Board shall ensure policies focus on the North Carolina Partnership for Children, Inc.'s mission of improving child care quality in North Carolina for children from birth to five years of age. North Carolina Partnership for Children, Inc.-funded activities shall include assisting child care facilities with (i) improving quality, including helping one-, two-, and three-star-rated facilities increase their star ratings, and (ii) implementing prekindergarten programs. State funding for local partnerships shall also be used for evidence-based or evidence-informed programs for children from birth to 5 years of age that do the following:

The North Carolina Partnership for Children, Inc., shall continue using a single statewide contract management system that incorporates features of the required standard fiscal accountability plan described in G.S. 143B-168.12(a)(4). All local partnerships are required to participate in the contract management system and, directed by the North Carolina Partnership for Children, Inc., to collaborate, to the fullest extent possible, with other local partnerships to increase efficiency and effectiveness.

SECTION 9C.5.(c) Salaries. - The salary schedule developed and implemented by the North Carolina Partnership for Children, Inc., shall set the maximum amount of State funds that may be used for the salary of the Executive Director of the North Carolina Partnership for Children, Inc., and the directors of the local partnerships. The North Carolina Partnership for Children, Inc., shall base the schedule on the following criteria:

- (1) The population of the area serviced by a local partnership.
- (2) The amount of State funds administered.
- (3) The amount of total funds administered.

- (4) The professional experience of the individual to be compensated.
- (5) Any other relevant factors pertaining to salary, as determined by the North Carolina Partnership for Children, Inc.

The salary schedule shall be used only to determine the maximum amount of State funds that may be used for compensation. Nothing in this subsection shall be construed to prohibit a local partnership from using non-State funds to supplement an individual's salary in excess of the amount set by the salary schedule established under this subsection.

SECTION 9C.5.(d) Match Requirements. - The North Carolina Partnership for Children, Inc., and all local partnerships shall, in the aggregate, be required to match one hundred percent (100%) of the total amount budgeted for the program in each fiscal year of the 2019-2021 biennium. Of the funds the North Carolina Partnership for Children, Inc., and the local partnerships are required to match, contributions of cash shall be equal to at least thirteen percent (13%) and in-kind donated resources shall be equal to no more than six percent (6%) for a total match requirement of nineteen percent (19%) for each year of the 2019-2021 fiscal biennium. The North Carolina Partnership for Children, Inc., may carry forward any amount in excess of the required match for a fiscal year in order to meet the match requirement of the succeeding fiscal year. Only in-kind contributions that are quantifiable shall be applied to the in-kind match requirement. Volunteer services may be treated as an in-kind contribution for the purpose of the match requirement of this subsection. Volunteer services that qualify as professional services shall be valued at the fair market value of those services. All other volunteer service hours shall be valued at the statewide average wage rate as calculated from data compiled by the Division of Employment Security of the Department of Commerce in the Employment and Wages in North Carolina Annual Report for the most recent period for which data are available. Expenses, including both those paid by cash and in-kind contributions, incurred by other participating non-State entities contracting with the North Carolina Partnership for Children, Inc., or the local partnerships also may be considered resources available to meet the required private match. In order to qualify to meet the required private match, the expenses shall:

- (1) Be verifiable from the contractor's records.
- (2) If in-kind, other than volunteer services, be quantifiable in accordance with generally accepted accounting principles for nonprofit organizations.
- (3) Not include expenses funded by State funds.

- (7) Be required and described in the contractual agreements approved by the North Carolina Partnership for Children, Inc., or the local partnership.
- (8) Be reported to the North Carolina Partnership for Children, Inc., or the local partnership by the contractor in the same manner as reimbursable expenses.

Failure to obtain a nineteen-percent (19%) match by June 30 of each year of the 2019-2021 fiscal biennium shall result in a dollar-for-dollar reduction in the appropriation for the Program for a subsequent fiscal year. The North Carolina Partnership for Children, Inc., shall be responsible for compiling information on the private cash and in-kind contributions into a report, to be included in its annual report as required under G.S. 143B-168.12(d), in a format that allows verification by the Department of Revenue. Once distributed to each LME/MCO, the additional slots shall be made available to the counties on a per capita basis, calculated as the number of slots multiplied by the population of the county divided by the population in the LME/MCO's catchment area. Within each county, the slots shall be filled on a first-come, first-served basis determined by the length of time an individual has been on the waiting list.

This 10-year plan shall include a detailed cost analysis of all recommendations and methods proposed to address the registry of unmet needs. Adjustments to the PMPM capitation amount paid, in accordance with this subsection, shall be implemented no sooner than January 1, 2020. The following shall apply to PMPM capitation amount adjustments made under this subsection:

- The adjustments shall be consistent with the North Carolina Medicaid State Plan requirements to provide for actuarially sound rates sufficient to operate and provide safe and effective services.
- (2) DHB shall validate the actual amounts necessary to adjust the relevant portion of the LME/MCO PMPM capitation payment to wages paid to direct support personnel salaries with current wages paid to State employees in State-owned developmental centers.
- (3) The adjustments shall be considered directed payments made to LME/MCOs under 42 C.F.R. § 438.6, in order to assure that the increased amounts are used for wage increases.
- (4) Providers receiving any increase in funds from LME/MCOs to be used for wage increases, as required by this subsection, shall attest and provide verification that those increased funds are being used for the purpose of increasing wages paid to direct support personnel and employees who support direct support personnel. LME/MCOs may require verifiable methods of accounting such as payroll-based journals.

After the implementation of this subsection, DHB shall continue to work with stakeholders and service providers in order to develop an appropriate methodology, to track progress towards increasing direct support personnel wages, and to determine if any additional resources are necessary to achieve alignment of these wages with the current wages paid to State employees in State-owned developmental centers.

SECTION 9D.11.(b) North Carolina Innovations Waiver. - Of the funds appropriated to the Department of Health and Human Services, Division of Health Benefits (DHB), the sum of two hundred thousand dollars (\$200,000) in nonrecurring funds shall be used to conduct an actuarial analysis and a wage and hour study of the North Carolina Innovations Waiver program. This actuarial analysis and study shall aid in determining the appropriate adjustments to the per-slot service costs that would be necessary to align wages paid to direct support personnel providing services under the North Carolina Innovations Waiver with wages paid to State employees in State-owned developmental centers. The analysis and study shall be completed prior to the next local management entity/managed care organization (LME/MCO) rate negotiation cycle, but no later than January 15, 2020. DHB shall provide a copy of the analysis and wage and hour study to the Joint Legislative Oversight Committee on Medicaid and NC Health Choice and the Fiscal Research Division no later than January 15, 2020.

Upon completion of the analysis and the wage and hour study, DHB shall draft a plan that provides for multiyear adjustments, to be phased in over a two- to three-year period, to the per-slot cap on costs necessary to align wages paid to direct support personnel providing services under the Innovations Waiver with wages paid to State employees working in State-operated developmental centers. This plan shall require that LME/MCOs and providers receiving an increase in funds as a result of the adjustments attest and provide verification that those increased funds are being used for the purpose of increasing wages paid to direct support personnel and employees who supervise and support direct support personnel. The plan may require verifiable methods of accounting such as payroll-based journals.

The actuarial analysis conducted and the plan developed under this subsection shall include all of the following components:

- (1) The average cost per Innovations Waiver slot.
- (2) The percent of average Innovations Waiver slot costs that are related to labor costs.
- (3) Current labor costs for direct support personnel providing services through the Innovations Waiver.
- (4) The percent of other indirect and administrative costs related to direct support personnel providing services through the Innovations Waiver.
- (5) Current indirect and administrative costs related to direct support personnel providing services through the Innovations Waiver.
- (6) An accurate number of full-time equivalents (FTEs) for direct support personnel providing services through the Innovations Waiver.
- (7) Current average hourly wage for direct support personnel providing services through the Innovations Waiver.
- (8) The total cost to increase the wages of direct support personnel providing services through the Innovations Waiver to a minimum of fifteen dollars (\$15.00) per hour, or the current

- wage paid to State employees working in State-operated developmental centers.
- (9) Recommended resources necessary to add additional Innovations Waiver slots.
- (10) Recommended resources necessary to increase the wages of direct support personnel providing services through the Innovations Waiver to a minimum of fifteen dollars (\$15.00) per hour, or the current wage paid to State employees working in State-operated developmental centers.

No later than March 1, 2020, DHB shall submit a copy of the plan and any related recommendations to the Joint Legislative Oversight Committee on Medicaid and NC Health Choice. DHB shall not pursue any State Plan amendments or any changes to the North Carolina Innovations Waiver that would be necessary to increase the wages of direct support personnel providing services through the Innovations Waiver to a minimum of fifteen dollars (\$15.00) per hour, or the current wage paid to State employees working in State-operated developmental centers, without further legislation directing the implementation of the wage increase.

SECTION 9D.11.(c) Methodology for Determining Appropriate Wages to be Paid. - To establish a baseline methodology for determining the appropriate wages to be paid in accordance with this section, the Department of Health and Human Services, Division of Health Benefits (DHB), shall use information from the Office of State Human Resources job classification and wage and hour data for the specific employees working at State-operated developmental centers who are in comparable job classifications as those direct support personnel working in community-based Intermediate Care Facility for Individuals with Intellectual Disabilities (ICF/IID) group homes and those direct support personnel providing services through the North Carolina Innovations Waiver. DHB shall make appropriate adjustments for health insurance, retirement benefits, and other key factors that drive total labor costs. DHB shall also take into consideration market-based wage comparisons between direct support personnel working in community-based ICF/IID group homes and those direct support personnel providing services through the North Carolina Innovations Waiver and State employees working in the State-operated developmental centers, direct support personnel working in private work settings, including health care facilities and health services settings, and employees working in private sector businesses that compete to hire the same employees, such as retail and fast food. DHB may accept actuarially sound projections of competitive wage and hour data and other cost data from non-State entities in order to calculate forward-looking wage analysis formulas and finalize the exact rates needed to meet this urgent need, as required by this section.

For each month of the fiscal year after July, the DMH/DD/SAS shall distribute, on the third working day of the month, one-eleventh of the amount of each LME/MCO's single-stream allocation that remains after subtracting the amount of the distribution that was made to the LME/MCO in July of the fiscal year.

SECTION 9F.1.(b) In addition to the recurring reduction for single-stream funding required by Section 11F.2 of S.L. 2017-57, as amended by Section 4 of S.L. 2017-206 and Section 11F.1 of S.L. 2018-5, the DMH/DD/SAS is directed to further reduce its allocation for single-stream funding by seven million five hundred thousand dollars (\$7,500,000) in recurring funds for the 2019-2020 fiscal year and by seven million five hundred thousand dollars (\$7,500,000) in recurring funds for the 2020-2021 fiscal year.

L.C., 527 U.S. 581 (1999). This requirement shall not be construed to require LME/MCOs to authorize or maintain the same level of services for any specific individual whose services were paid for with single-stream funding. Further, this requirement shall not be construed to create a private right of action for any person or entity against the State of North Carolina or the Department of Health and Human Services or any of its divisions, agents, or contractors and shall not be used as authority in any contested case brought pursuant to Chapter 108C of the General Statutes or Chapter 108D of the General Statutes.

SECTION 9F.2.(d) Ineffective LME/MCO Management of Beds or Bed Days. - If the Department determines that (i) an LME/MCO is not effectively managing the beds or bed days for which it has responsibility, as evidenced by beds or bed days in the local hospital not being utilized while demand for services at the State psychiatric hospitals has not decreased, or (ii) the LME/MCO has failed to comply with the prompt payment provisions of subsection (c) of this section, the Department may contract with another LME/MCO to manage the beds or bed days or, notwithstanding any other provision of law to the contrary, may pay the hospital directly.

SECTION 9G.10.(c) Subsection (b) of this section becomes effective July 1, 2019.

SECTION 9G.10.(d) It is the intent of the General Assembly to restructure North Carolina's Child Fatality Prevention System in order to eliminate the silos and redundancy that exist within the current system, implement centralized coordination of the system, streamline the system's State-level support functions, maximize the usefulness of data and information derived from teams that review child fatalities, ensure that relevant and appropriate information and recommendations from teams that review child fatalities reach appropriate local and State leaders, and strengthen the system's effectiveness in preventing child abuse, neglect, and death. To that end, by March 4, 2020, the Department of Health and Human Services, in consultation with individuals knowledgeable about child fatality review and prevention, shall develop and submit to the Joint Legislative Oversight Committee on Health and Human Services a detailed written proposal for restructuring the statewide Child Fatality Prevention System. The Department's plan shall, at a minimum, include recommendations for accomplishing all of the following:

(1) Reducing the number and types of child death review teams by combining the functions of the Local Child Fatality Prevention Team, Community Child Protection Team, State Child Fatality Prevention Team, and State Child Fatality Review Team into a single local team with different procedures and required participants for different categories of child fatality reviews, with attention given to the following:

APPENDIX

- A plan that allows a local team to choose whether to be a single-county or multicounty team.
- An examination of the purpose, process, and function b. of child death reviews related to abuse and neglect that are currently conducted by the Child Fatality Review Team, State Child Fatality Prevention Review Team, and Community Child Protection Teams, and a plan that articulates the most appropriate purpose and functions for these types of reviews, along with specialized procedures, team participants, and State-level technical assistance necessary to fully address such cases. This plan shall take into account the different methods of information collection and sharing by these teams as well as any relevant federal laws, such as those related to State child abuse prevention plans.
- Whether there is a need for specialized procedures and c. required participants for certain categories of infant deaths or other categories of deaths.
- d. Whether there are circumstances under which a State-level team review of a child fatality would be occasionally, but not routinely, necessary and if so, a description of those circumstances and a plan for how the Fatality Review and Data Group should be structured to carry out this function.
- Discontinuing the practices of using (i) Community Child (2) Protection Teams as citizen review panels to fulfill the requirements of the federal Child Abuse Prevention and Treatment Act and (ii) child death review teams to review active cases involving children and families involved with local departments of social services child protective services. The Department's recommended plan shall include a more effective framework for meeting federal requirements for citizen review panels and for reviewing active cases involving children and families involved with local departments of social services child protective services.

- (3) Reducing the volume of team fatality reviews by changing the types of deaths requiring review based on specific categories of death most likely to yield prevention opportunities, including deaths resulting from the following:
 - a. Undetermined causes.
 - b. Unintentional injury.
 - c. Violence.
 - d. Motor vehicle incidents.
 - e. Child abuse or neglect, suspected child abuse or neglect, or cases involving children and families involved with local departments of social services child protective services within the 12-month period preceding the fatality.
 - f. Sudden unexpected infant death.
 - g. Suicide.
 - h. Deaths not expected in the next six months.
 - i. Infant deaths that meet criteria determined by the Department, in consultation with child fatality review and prevention experts and perinatal health experts, in order to optimize the identification of prevention opportunities.
 - Any other category of death determined by the Department for which team review would be likely to yield prevention opportunities.
- (4) Implementing a centralized electronic data and information system for data and information managed by the State Office that includes all of the following:
 - a. Participation in the National Child Death Review Case Reporting System.
 - Creation, implementation, and support for procedures and tools addressing data and reporting for child death review teams.
 - c. Development and implementation of policies and procedures for appropriate sharing and protection of information and data with respect to information used by or generated from child fatality reviews.
 - d. An evaluation of existing laws, rules, and policies addressing information protection and sharing as it relates to child death reviews in order to make recommendations concerning any changes needed to support the effective functioning of the restructured statewide Child Fatality Prevention System.
- (5) Creating a multi-sector, multidisciplinary Fatality Review and Data Group to be convened and facilitated by the State Office for the purpose of periodically reviewing aggregate data and recommendations from child death review teams and child death data from the Office of the Chief Medical Examiner in

order to advise State Office staff on relevant, appropriate information and reports that should be submitted to the Child Fatality Task Force, distributed among child death review teams, submitted directly to relevant organizations, or a combination of these.

SECTION 9G.10.(e) By December 1, 2019, the Department of Health and Human Services shall execute any contractual agreements and interagency data sharing agreements necessary for participation by child death review teams in the National Child Death Review Case Reporting System. Once the necessary agreements are in place and appropriate policies and protocols addressing utilization of this System have been adopted, local Child Fatality Prevention Teams shall utilize the National Child Death Review Case Reporting System.

If such a report is not received within the required 90 days, the Board may assess the employer with a penalty of ten percent (10%) of the compensation of the unreported reemployed beneficiaries during the months for which the employer did not report the reemployed beneficiaries, with a minimum penalty of twenty-five dollars (\$25.00). If after being assessed a penalty, an employer provides clear and convincing evidence that the failure to report resulted from a lack of oversight or some other event beyond the employer's control and was not a deliberate attempt to omit the reporting of reemployed beneficiaries, the Board may reduce the penalty to not less than two percent (2%) of the compensation of the unreported reemployed beneficiaries during the months for which the employer failed to report, with a minimum penalty of twenty-five dollars (\$25.00). Upon receipt by the employer of notice that a penalty has been assessed under this sub-subdivision, the employer shall remit the payment of the penalty to the Retirement System, in one lump sum, no later than 90 days from the date of the notice."

SECTION 39.2.(i) There is created within the Office of State Budget and Management the K-12 Building Fund as an interest-bearing capital project fund. At the beginning of each fiscal year, the Office of State Budget and Management shall transfer an amount equal to the amount allocated for K-12 capital projects in the most recent Current Operations Appropriations Act to the K-12 Building Fund. Proceeds disbursed from the Fund shall be used for new construction or rehabilitation of existing facilities, repairs and renovations, building of technology infrastructure, and the purchase of measures to ensure building security. Projects for facilities for centralized administration, trailers, relocatable classrooms, or mobile classrooms are not eligible for funding. Any items purchased with such proceeds and installed or replaced as part of a renovation or rehabilitation must have a useful life of at least 10 years or must extend the life of the facility by at least 10 years once renovated or rehabilitated. As of the effective date of this section, a county that is a development tier three area, as defined in G.S. 143B-437.08, shall provide local matching funds from county funds, other non-State funds, or a combination of these sources for such proceeds in the amount of one dollar (\$1.00) of local matching funds for every one dollar (\$1.00) of such proceeds. No matching funds shall be required for proceeds intended for rehabilitation of existing facilities and repairs and renovations.

Each local school administrative unit, along with the corresponding board of county commissioners, shall jointly submit to the Department of Public Instruction a plan for the expenditure of proceeds allocated to it under this section. The Department of Public Instruction shall develop a priority list of projects and capital needs to administer the proceeds from the K-12 Building Fund and shall prioritize projects according to greatest need and the ability for disbursed funds to be expended and projects completed expeditiously. After the Department of Public Instruction determines that a local school administrative unit's planned expenditure of part or all of the proceeds allocated to it is within the purposes provided in this section, the Office of State Budget and Management shall make the proceeds to which the plans

apply available to the local school administrative unit, based upon the priority list. Each local school administrative unit receiving the proceeds allocated pursuant to subsection (h) of this section shall report by January 1, and quarterly thereafter, to the Department of Public Instruction on the projects funded from those allocations, and the Department of Public Instruction shall combine the reports and submit them in accordance with G.S. 143C-8-14. Allocations from the fund shall not be used to retire debt issued or authorized prior to July 1, 2019. The amount distributed to any single local school administrative unit shall not exceed the amount listed in the allocation schedule in subsection (h) of this section. Interest credited to the K-12 Building Fund shall revert to the State Capital and Infrastructure Fund.

SECTION 39.2.(k) There is created within the Community Colleges System Office the Community Colleges Building Fund as an interest-bearing capital project fund. At the beginning of each fiscal year, the Office of State Budget and Management shall transfer an amount equal to the amount allocated for community college capital projects in the most recent Current Operations Appropriations Act to the Community Colleges Building Fund. Proceeds disbursed from the Fund shall be used for new construction or rehabilitation of existing facilities, repairs and renovations, building of technology infrastructure, and the purchase of measures to ensure building security. Projects for facilities for centralized administration, trailers, relocatable classrooms, or mobile classrooms are not eligible for funding. Any items purchased with such proceeds and installed or replaced as part of a renovation or rehabilitation must have a useful life of at least 10 years or must extend

the life of the facility by at least 10 years once renovated or rehabilitated. The Community Colleges System Office shall develop a priority list of projects and capital needs to administer the proceeds from the Community Colleges Building Fund and shall prioritize allocation of funds among projects for new construction and repairs and renovations by ranking the projects for the various community colleges according to greatest need and the ability for disbursed funds to be expended and projects completed expeditiously.

As of the effective date of this section, a county that is a development tier three area, as defined in G.S. 143B-437.08, shall provide local matching funds from county funds, other non-State funds, or a combination of these sources for such proceeds in the amount of one dollar (\$1.00) of local matching funds for every one dollar (\$1.00) of such proceeds. The provisions of G.S. 115D-31, or any other provision of law permitting prior expenditures to be used for match purposes, do not apply for purposes of meeting the matching funds requirements of this section. For rehabilitation of existing facilities and repairs and renovations, community colleges are not required to match proceeds allocated in this section. Each community college receiving the proceeds allocated pursuant to subsection (i) of this section shall report by January 1, and quarterly thereafter, to the Community Colleges System Office on the projects funded from those allocations, and the Community Colleges System Office shall combine the reports and submit them in accordance with G.S. 143C-8-14. Allocations from the fund shall not be used to retire debt issued or authorized prior to July 1, 2019. The amount distributed to any single community college shall not exceed the amount listed in the allocation schedule in subsection (i) of this section. Interest credited to the Community Colleges Building Fund shall revert to the State Capital and Infrastructure Fund.

SECTION 39.2.(1) Notwithstanding the application and prioritization requirements in subsection (k) of this section, of the funds allocated to the Community Colleges System Office for the 2019-2020 fiscal year, the Office shall distribute the following amounts for the following community colleges and projects:

 - (a) As used in this section, the following definitions apply:

..

- (6) Eligible project. An eligible project is a discrete and specific project located in an unserved area of an economically distressed county seeking to provide broadband service to homes, businesses, and community anchor points not currently served. Eligible projects do not include middle mile, backhaul, and other similar projects not directed at broadband service to end users. If a contiguous project area crosses from one eligible county into one or more eligible adjacent counties, for the purposes of this section, the project shall be deemed to be located in the county where the greatest number of unserved households are proposed to be served.
- (7) Eligible recipient. Eligible grant recipients are private providers of broadband services, including cooperatively organized entities, or any partnerships formed between cooperatively organized entities, private providers, or any combination thereof, on or after January 1, 2018. thereof.

or more partners where the total contribution is not less than ten percent (10%), but not more than forty-nine percent (49%), of the match required by this section. A county that is not engaged in providing consumer broadband service may qualify as a nonprofit for the purpose of this section.

...

(12a) Prospective broadband recipient. - A household, home, business, community anchor point, agricultural operation, or agricultural processing facility that is currently unserved and is identified in an application submitted in accordance with this section.

...

(c) Project areas comprised of census blocks, or portions thereof, within which a broadband provider is receiving State or federal matching funds to deploy technologically neutral scalable broadband service within the next 18 months are ineligible for the GREAT program. It is essential for the Office to know the location of census blocks, or portions thereof, comprising these areas so it can determine project eligibility. A private provider receiving State or federal matching Universal Service or Connect America Phase II, or nonfederal funds to deploy broadband service within may qualify such an area shall, for protection by submitting within 60 days of the effective date of this section, submit only application period a listing of the census blocks, or portions thereof, comprising each of its the federally funded project areas meeting this requirement and nothing more to the Office. In future program years, the cutoff date for submitting this census block data shall be May 15. established by the Office, but shall be not less than 60 days prior to the beginning date of the application period. This will enable the office to update maps and advise applicants as to the unserved areas of the State that are eligible for consideration in that program year. The Office shall only utilize this data to update maps of census blocks to reflect these census blocks, or portions thereof, as being served. Failure on the part of a provider to submit the listing of census blocks by the cutoff date shall result in those areas being eligible for inclusion under this program during the upcoming program year. The Office shall use the census block data provided only for mapping of unserved areas. Upon expiration of the 18-month reservation period described in this subsection, a private provider that has received a reservation of census blocks shall submit written documentation by April 30 of the year following the program year that broadband deployment has begun or been completed in the census blocks, or portions thereof, that have been deemed ineligible by the Office due to the existence of a federally funded project area. In the event that the Office is unable to identify the proposed project area with specificity, the Office may require the applicant to submit additional information. If construction of the proposed project would result in the provision of broadband service to areas that are not eligible for funding, those ineligible areas should be identified in the application along with the eligible areas.

(d1) A provider submitting an application pursuant to this section shall bear the burden of proof that the proposed area to be served can, in fact, be served using the proposed technology. The burden of proof may be satisfied by the submission of data, maps, and any other information satisfactory to the Office, demonstrating that the area and number of prospective broadband recipients proposed to be served can be provided the minimum upload and download speeds indicated in the application.

(e) Applications shall be made publicly available by posting on the Web site of the Department of Information Technology for a period of at least 30 days prior to award. During the 30-day period, any interested party may submit comments to the Secretary concerning any pending application. A provider of broadband services may submit a protest of any application on the grounds the proposed project covers an area that is not an eligible area under this section. Protests shall be submitted in writing, accompanied by all relevant supporting documentation, and shall be considered by the Office in connection with the review of the application. Upon submission of evidence satisfactory to the Office that the proposed project area includes prospective broadband recipients that are served, as measured using a methodology satisfactory to the Office, the Office may work with an applicant to amend an application to reduce the number of unserved prospective broadband recipients in the project area to reflect an accurate level of current broadband service. The Office may revise application scores in accordance with amended applications. For applications with filed protests, the Secretary shall issue a written decision to the protesting party at least 15 days prior to the approval of that application. Following a protest that is granted for a portion of the application, the Office may release to an applicant the locations or areas declared ineligible. The information released to the applicant is not a public record, as that term is defined under G.S. 132-1, and shall remain confidential. As a means of resolving a protest, the Office may utilize speed tests to determine if the protested area or individual households or businesses currently have access to broadband service as defined in this section. The Department shall publish the speed test methodology it uses to assess speed levels pursuant to this section. All decisions regarding the speed test to be utilized and the manner by which the speed tests are applied shall be made by the Secretary or the Secretary's designee.

- (f) The Office may consult with the Department of Commerce to determine if a broadband project proposed under this section will benefit a potential economic development project relevant to the proposed area outlined in the broadband project.
- (g) Applications shall be scored based upon a system that awards a single point for criteria considered to be the minimum level for the provision of broadband service with additional points awarded to criteria that exceed minimum levels. The Office shall score project applications in accordance with the following:
 - Partnership. Projects involving partnership or affiliation by (1) a private provider with a nonprofit or not for profit, or a for profit subsidiary of either that is required to enable certain partnership activities, or any combination thereof, shall be given five points in their application score where it is documented to the satisfaction of the Office that the partnership or affiliation will facilitate deployment and reduce cost per housing unit by utilizing the resources, facilities, and infrastructure of the partner or where the nonprofit or not for profit partner provides only financial support.score. For the purposes of scoring under this subdivision, a county that provides a portion of the match required by this section or that has entered into an agreement with the applicant to make available its infrastructure that has been installed for the county's enterprise, non-consumer broadband purposes, or any other property, buildings, or structures owned by the county, for a proposed project under this section shall be considered a partnership. A county may provide a portion of the match required by this section pursuant to G.S. 153A-349.60. Projects involving partnerships shall be given six points in their application score.
 - (2) Unserved households. The Office shall give additional points to projects based upon the estimated number of unserved households within the eligible economically distressed county, as determined by the most recent data published by the Federal

The number of unserved households shall be determined by using the most recent data published by the Federal Communications Commission or any other information available to the Office. Points shall be given to projects that will serve a percentage of unserved households within the project area as follows:

<u>% Unserved</u> Households To Be Served	Points Given
Under 150Less than 15%	1
150 24915% to 25%	2
250 and upOver 25%	3

(i) Applications receiving the highest score shall receive priority status for the awarding of grants pursuant this section. As a means of breaking a tie for applications receiving the same score, the Office shall give priority to the application proposing to serve the highest number of new households at the lowest cost per household. Applicants awarded grants pursuant to this section shall enter into an agreement with the Office. The agreement shall contain all of the elements outlined in subsection (d) of this section and any other provisions the Office may require. The agreement shall contain a provision governing the time line and minimum requirements and thresholds for disbursement of grant funds measured by the progress of the project. Grant funds shall be disbursed only upon verification by the Office that the terms of the agreement have been fulfilled according to the progress milestones contained in the agreement. At project completion, the grant recipient shall certify and provide to the Office evidence consistent with Federal Communications Commission

attestation that either speeds greater than those identified in the application guidelines or the proposed minimum-upstream and minimum-downstream broadband speeds identified in the application guidelines, and for which a base speed multiplier was awarded pursuant to subdivision (6) of subsection (g) of this section, are available throughout the project area prior to any end user connections. A single grant award shall not exceed two million dollars (\$2,000,000). No more than one grant may be awarded per fiscal year for a project in any one eligible economically distressed eounty, except that if funds remain available after all top scoring projects have been awarded a grant, then the next highest scoring projects may be awarded a grant even if the project is located in a county where a grant has been awarded in that fiscal year provided the total award associated with that county does not exceed two million dollars (\$2,000,000) in that fiscal year.

(i) Grant recipients are required to provide matching funds based upon the application scoring pursuant to this section in the following minimum amounts:

"§ 105-130.4. Allocation and apportionment of income for corporations.

(*l*) (1)Sales Factor. - The sales factor is a fraction, the numerator of which is the total sales of the corporation in this State during the income year, and the denominator of which is the total sales of the corporation everywhere during the income year. Notwithstanding any other provision under this Part, the receipts from any casual sale of property shall be excluded from both the numerator and the denominator of the sales factor. Where a corporation is not taxable in another state on its apportionable income but is taxable in another state only because of nonapportionable income, all sales shall be treated as having been made in this State.

Receipts are in this State if the taxpayer's market for the receipts is in this State. If the market for a receipt cannot be determined, the state or states of assignment shall be reasonably approximated. In a case in which a taxpayer cannot ascertain the state or states to which receipts of a sale are to be assigned through the use of a method of reasonable approximation, the receipts must be excluded from the denominator of a taxpayer's sales factor. Except as otherwise provided by this section, a taxpayer's market for receipts is in this State as provided below:

- (1) In the case of sale, rental, lease, or license of real property, if and to the extent the property is located in this State.
- (2) Sales of tangible personal property are in this State if the property is received in this State by the purchaser. In the case of delivery of goods by common carrier or by other means of transportation, including transportation by the purchaser, the place at which the goods are ultimately received after all transportation has been completed shall be considered as the place at which the goods are received by the purchaser. Direct delivery into this State by the taxpayer to a person or firm designated by a purchaser from within or without the State shall constitute delivery to the purchaser in this State. In the case of rental, lease, or license of tangible personal property, if and to the extent the property is located in this State.
- (3) Other sales are in this State if any of the following occur: In the case of sale of tangible personal property, if and to the extent the property is received in this State by the purchaser.

In the case of delivery of goods by common carrier or by other means of transportation, including transportation by the purchaser, the place at which the goods are ultimately received after all transportation has been completed is considered the place at which the goods are received by the purchaser. Direct delivery into this State by the taxpayer to a person or firm designated by a purchaser from within or without the State constitutes delivery to the purchaser in this State.

- a. The receipts are from real or tangible personal property located in this State, and includes receipts from incidental services sold as part of, or in connection with, the sale of tangible personal property in this State.
- b. The receipts are from intangible property and are received from sources within this State.
- e. The receipts are from services and the income producing activities are in this State. For the purposes of this subdivision, an "income producing activity" means an activity directly performed by the taxpayer or its agents for the ultimate purpose of generating the sale of the service. Receipts from income producing activities performed within and without this State are attributed to this State in proportion to the income producing activities performed in this State to total income producing activities performed everywhere that generate the sale of service.
- (4) In the case of sale of a service, if and to the extent the service is delivered to a location in this State.
- (5) In the case of intangible property that is rented, leased, or licensed, if and to the extent the property is used in this State. Intangible property utilized in marketing a good or service to a consumer is "used in this State" if that good or service is purchased by a consumer who is in this State.

A contract right, government license, or similar intangible property that authorized the holder to conduct a business activity in a specific geographic area is "used in this State" if the geographic area includes all or part of this State. Receipts from a sale of intangible property that is contingent on the productivity, use, or disposition of the intangible property shall be treated as receipts from the rental, lease, or licensing of the intangible property as provided under subdivision (5) of this subsection. All other receipts from a sale of intangible property shall be excluded from the numerator and denominator of the sales factor.

- (11) Wholesale Content Distributors. A whole content distributor's market for receipts is in this State as provided in G.S. 105-130.4A. In no event may the amount of income apportioned to this State be less than the amount determined under this subsection. The amount determined under this subsection is the total domestic gross receipts of the wholesale content distributor from advertising and licensing activities multiplied by two percent (2%). For purposes of this section, the term "wholesale content distributor" has the same meaning as defined in G.S. 105-130.4A.
- (12) Banks. A bank's market for receipts is in this State as provided in G.S. 105-130.4B. For purposes of this section, the term "bank" has the same meaning as defined in G.S. 105-130.4B.

- (6) Any property under construction and any property the income from which constitutes nonapportionable income shall be excluded from the computation of the average value of an electric power company's real and tangible personal property.

(t3) State Net Loss Apportionment Election. - Notwithstanding subsection (I)(4) of this section, a taxpayer with a State net loss balance as of the end of its 2019 taxable year may elect to apportion receipts from services based on the percentage of its income-producing activities performed in this State. The election must be made on the 2020 tax year return and must be in the form prescribed by the Secretary and contain any supporting documentation the Secretary may require. The election is binding and irrevocable until the earlier of the tax year in which (i) the existing State net loss balance is fully utilized or (ii) all of the existing State net loss balance has expired, as determined by applying the limitations set forth in G.S. 105-130.8A(b). A taxpayer must apportion receipts from services in accordance with subsection (I)(4) of this section for tax years beginning on and after the tax year that the existing State net loss is fully utilized.

For purposes of this subsection, a taxpayer's State net loss balance is the total amount of State net losses computed under G.S. 105-130.8A for taxable years beginning before January 1, 2020, and available to carry forward to taxable years beginning on or after January 1, 2020. A State net loss balance does not include a State net loss created in a taxable year beginning on or after January 1, 2020.  - a. A description of the storm recovery activities that the public utility has undertaken or proposes to undertake and the reasons for undertaking the activities, or if the public utility is subject to a settlement agreement as contemplated by subdivision (2) of this subsection, a description of the settlement agreement.
 - b. The storm recovery costs and estimate of the costs of any storm recovery activities that are being undertaken but are not completed.
 - c. The level of the storm recovery reserve that the public utility proposes to establish or replenish and has determined would be appropriate to recover through storm recovery bonds and is seeking to so recover and such level that the public utility is funding or will seek to fund through other means, together with a description of the factors and calculations used in determining the amounts and methods of recovery.
 - d. An indicator of whether the public utility proposes to finance all or a portion of the storm recovery costs using storm recovery bonds. If the public utility proposes to

- finance a portion of the costs, the public utility must identify the specific portion in the petition. By electing not to finance a portion of such storm recovery costs using storm recovery bonds, a public utility shall not be deemed to waive its right to recover such costs pursuant to a separate proceeding with the Commission.
- e. An estimate of the financing costs related to the storm recovery bonds.
- <u>f.</u> An estimate of the storm recovery charges necessary to recover the storm recovery costs, including the storm recovery reserve amount determined appropriate by the Commission, and financing costs and the period for recovery of such costs.
- g. A comparison between the net present value of the costs to customers that are estimated to result from the issuance of storm recovery bonds and the costs that would result from the application of the traditional method of financing and recovering storm recovery costs from customers. The comparison should demonstrate that the issuance of storm recovery bonds and the imposition of storm recovery charges are expected to provide quantifiable benefits to customers.
- h. Direct testimony and exhibits supporting the petition.

 If a public utility is subject to a settlement agreement the
- (2) If a public utility is subject to a settlement agreement that governs the type and amount of principal costs that could be included in storm recovery costs and the public utility proposes to finance all or a portion of the principal costs using storm recovery bonds, then the public utility must file a petition with the Commission for review and approval of those costs no later than 90 days before filing a petition for a financing order pursuant to this section.
- (3) Petition and order. -
 - Proceedings on a petition submitted pursuant to this subdivision begin with the petition by a public utility, filed subject to the time frame specified in subdivision (2) of this subsection, if applicable, and shall be disposed of in accordance with the requirements of this Chapter and the rules of the Commission, except as follows:
 - 1. Within 14 days after the date the petition is filed, the Commission shall establish a procedural schedule that permits a Commission decision no later than 135 days after the date the petition is filed.
 - 2. No later than 135 days after the date the petition is filed, the Commission shall issue a financing order or an order rejecting the petition. A party

- to the Commission proceeding may petition the Commission for reconsideration of the financing order within five days after the date of its issuance.
- <u>b.</u> <u>A financing order issued by the Commission to a public utility shall include all of the following elements:</u>
 - 1. Except for changes made pursuant to the formula-based mechanism authorized under this section, the amount of storm recovery costs, including the level of storm recovery reserves, to be financed using storm recovery bonds. The Commission shall describe and estimate the amount of financing costs that may be recovered through storm recovery charges and specify the period over which storm recovery costs and financing costs may be recovered.
 - 2. A finding that the proposed issuance of storm recovery bonds and the imposition and collection of a storm recovery charge are expected to provide quantifiable benefits to customers as compared to the costs that would have been incurred absent the issuance of storm recovery bonds.
 - 3. A finding that the structuring and pricing of the storm recovery bonds are reasonably expected to result in the lowest storm recovery charges consistent with market conditions at the time the storm recovery bonds are priced and the terms set forth in such financing order.
 - 4. A requirement that, for so long as the storm recovery bonds are outstanding and until all financing costs have been paid in full, the imposition and collection of storm recovery charges authorized under a financing order shall be nonbypassable and paid by all existing and future retail customers receiving transmission or distribution service, or both, from the public utility or its successors or assignees under Commission-approved rate schedules or under special contracts, even if a customer elects to purchase electricity from an alternative electric supplier following a fundamental change in regulation of public utilities in this State.
 - 5. A determination of what portion, if any, of the storm recovery reserves must be held in a funded reserve and any limitations on how the reserve may be held, accessed, or used.

- 6. A formula-based true-up mechanism for making, at least annually, expeditious periodic adjustments in the storm recovery charges that customers are required to pay pursuant to the financing order and for making any adjustments that are necessary to correct for any overcollection or undercollection of the charges or to otherwise ensure the timely payment of storm recovery bonds and financing costs and other required amounts and charges payable in connection with the storm recovery bonds.
- 7. The storm recovery property that is, or shall be, created in favor of a public utility or its successors or assignees and that shall be used to pay or secure storm recovery bonds and all financing costs.
- 8. The degree of flexibility to be afforded to the public utility in establishing the terms and conditions of the storm recovery bonds, including, but not limited to, repayment schedules, expected interest rates, and other financing costs.
- 9. How storm recovery charges will be allocated among customer classes.
- 10. A requirement that, after the final terms of an issuance of storm recovery bonds have been established and before the issuance of storm recovery bonds, the public utility determines the resulting initial storm recovery charge in accordance with the financing order and that such initial storm recovery charge be final and effective upon the issuance of such storm recovery bonds without further Commission action so long as the storm recovery charge is consistent with the financing order.
- 11. A method of tracing funds collected as storm recovery charges, or other proceeds of storm recovery property, and determine that such method shall be deemed the method of tracing such funds and determining the identifiable cash proceeds of any storm recovery property subject to a financing order under applicable law.
- 12. Any other conditions not otherwise inconsistent with this section that the Commission determines are appropriate.
- c. A financing order issued to a public utility may provide that creation of the public utility's storm recovery property is conditioned upon, and simultaneous with,

- the sale or other transfer of the storm recovery property to an assignee and the pledge of the storm recovery property to secure storm recovery bonds.
- If the Commission issues a financing order, the public d. utility shall file with the Commission at least annually a petition or a letter applying the formula-based mechanism and, based on estimates of consumption for each rate class and other mathematical factors, requesting administrative approval to make the applicable adjustments. The review of the filing shall be limited to determining whether there are any mathematical or clerical errors in the application of the formula-based mechanism relating to the appropriate amount of any overcollection or undercollection of storm recovery charges and the amount of an adjustment. The adjustments shall ensure the recovery of revenues sufficient to provide for the payment of principal, interest, acquisition, defeasance, financing costs, or redemption premium and other fees, costs, and charges in respect of storm recovery bonds approved under the financing order. Within 30 days after receiving a public utility's request pursuant to this paragraph, the Commission shall either approve the request or inform the public utility of any mathematical or clerical errors in its calculation. If the Commission informs the utility of mathematical or clerical errors in its calculation, the utility may correct its error and refile its request. The time frames previously described in this paragraph shall apply to a refiled request.
- Subsequent to the transfer of storm recovery property e. to an assignee or the issuance of storm recovery bonds authorized thereby, whichever is earlier, a financing order is irrevocable and, except for changes made pursuant to the formula-based mechanism authorized in this section, the Commission may not amend, modify, or terminate the financing order by any subsequent action or reduce, impair, postpone, terminate, or otherwise adjust storm recovery charges approved in the financing order. After the issuance of a financing order, the public utility retains sole discretion regarding whether to assign, sell, or otherwise transfer storm recovery property or to cause storm recovery bonds to be issued, including the right to defer or postpone such assignment, sale, transfer, or issuance.
- (4) At the request of a public utility, the Commission may commence a proceeding and issue a subsequent financing order that provides for refinancing, retiring, or refunding

- storm recovery bonds issued pursuant to the original financing order if the Commission finds that the subsequent financing order satisfies all of the criteria specified in this section for a financing order. Effective upon retirement of the refunded storm recovery bonds and the issuance of new storm recovery bonds, the Commission shall adjust the related storm recovery charges accordingly.
- (5) Within 60 days after the Commission issues a financing order or a decision denying a request for reconsideration or, if the request for reconsideration is granted, within 30 days after the Commission issues its decision on reconsideration, an adversely affected party may petition for judicial review in the Supreme Court of North Carolina. Review on appeal shall be based solely on the record before the Commission and briefs to the court and is limited to determining whether the financing order, or the order on reconsideration, conforms to the State Constitution and State and federal law and is within the authority of the Commission under this section.
- (6) <u>Duration of financing order.</u>
 - a. A financing order remains in effect and storm recovery property under the financing order continues to exist until storm recovery bonds issued pursuant to the financing order have been paid in full or defeased and, in each case, all Commission-approved financing costs of such storm recovery bonds have been recovered in full.
 - b. A financing order issued to a public utility remains in effect and unabated notwithstanding the reorganization, bankruptcy or other insolvency proceedings, merger, or sale of the public utility or its successors or assignees.
- (c) Exceptions to Commission Jurisdiction. -
 - (1) The Commission may not, in exercising its powers and carrying out its duties regarding any matter within its authority pursuant to this Chapter, consider the storm recovery bonds issued pursuant to a financing order to be the debt of the public utility other than for federal income tax purposes, consider the storm recovery charges paid under the financing order to be the revenue of the public utility for any purpose, or consider the storm recovery costs or financing costs specified in the financing order to be the costs of the public utility, nor may the Commission determine any action taken by a public utility which is consistent with the financing order to be unjust or unreasonable.
 - (2) The Commission may not order or otherwise directly or indirectly require a public utility to use storm recovery bonds to finance any project, addition, plant, facility, extension, capital improvement, equipment, or any other expenditure. After the issuance of a financing order, the public utility

retains sole discretion regarding whether to cause the storm recovery bonds to be issued, including the right to defer or postpone such sale, assignment, transfer, or issuance. Nothing shall prevent the public utility from abandoning the issuance of storm recovery bonds under the financing order by filing with the Commission a statement of abandonment and the reasons therefor. The Commission may not refuse to allow a public utility to recover storm recovery costs in an otherwise permissible fashion, or refuse or condition authorization or approval of the issuance and sale by a public utility of securities or the assumption by the public utility of liabilities or obligations, solely because of the potential availability of storm recovery bond financing.

- (d) Public Utility Duties. The electric bills of a public utility that has obtained a financing order and caused storm recovery bonds to be issued must comply with the provisions of this subsection; however, the failure of a public utility to comply with this subsection does not invalidate, impair, or affect any financing order, storm recovery property, storm recovery charge, or storm recovery bonds. The public utility must do the following:
 - Explicitly reflect that a portion of the charges on such bill represents storm recovery charges approved in a financing order issued to the public utility and, if the storm recovery property has been transferred to an assignee, must include a statement to the effect that the assignee is the owner of the rights to storm recovery charges and that the public utility or other entity, if applicable, is acting as a collection agent or servicer for the assignee. The tariff applicable to customers must indicate the storm recovery charge and the ownership of the charge.
 - (2) Include the storm recovery charge on each customer's bill as a separate line item and include both the rate and the amount of the charge on each bill.
 - (e) Storm Recovery Property. -
 - (1) Provisions applicable to storm recovery property.
 - a. All storm recovery property that is specified in a financing order constitutes an existing, present intangible property right or interest therein, notwithstanding that the imposition and collection of storm recovery charges depends on the public utility, to which the financing order is issued, performing its servicing functions relating to the collection of storm recovery charges and on future electricity consumption. The property exists (i) regardless of whether or not the revenues or proceeds arising from the property have been billed, have accrued, or have been collected and (ii) notwithstanding the fact

- that the value or amount of the property is dependent on the future provision of service to customers by the public utility or its successors or assignees and the future consumption of electricity by customers.
- b. Storm recovery property specified in a financing order exists until storm recovery bonds issued pursuant to the financing order are paid in full and all financing costs and other costs of such storm recovery bonds have been recovered in full.
- All or any portion of storm recovery property specified <u>c.</u> in a financing order issued to a public utility may be transferred, sold, conveyed, or assigned to a successor or assignee that is wholly owned, directly or indirectly, by the public utility and created for the limited purpose of acquiring, owning, or administering storm recovery property or issuing storm recovery bonds under the financing order. All or any portion of storm recovery property may be pledged to secure storm recovery bonds issued pursuant to the financing order, amounts payable to financing parties and to counterparties under any ancillary agreements, and other financing costs. Any transfer, sale, conveyance, assignment, grant of a security interest in or pledge of storm recovery property by a public utility, or an affiliate of the public utility, to an assignee, to the extent previously authorized in a financing order, does not require the prior consent and approval of the Commission.
- d. If a public utility defaults on any required payment of charges arising from storm recovery property specified in a financing order, a court, upon application by an interested party, and without limiting any other remedies available to the applying party, shall order the sequestration and payment of the revenues arising from the storm recovery property to the financing parties or their assignees. Any such financing order remains in full force and effect notwithstanding any reorganization, bankruptcy, or other insolvency proceedings with respect to the public utility or its successors or assignees.
- e. The interest of a transferee, purchaser, acquirer, assignee, or pledgee in storm recovery property specified in a financing order issued to a public utility, and in the revenue and collections arising from that property, is not subject to setoff, counterclaim, surcharge, or defense by the public utility or any other person or in connection with the reorganization, bankruptcy, or other insolvency of the public utility or any other entity.

- f. Any successor to a public utility, whether pursuant to any reorganization, bankruptcy, or other insolvency proceeding or whether pursuant to any merger or acquisition, sale, or other business combination, or transfer by operation of law, as a result of public utility restructuring or otherwise, must perform and satisfy all obligations of, and have the same rights under a financing order as, the public utility under the financing order in the same manner and to the same extent as the public utility, including collecting and paying to the person entitled to receive the revenues, collections, payments, or proceeds of the storm recovery property. Nothing in this sub-subdivision is intended to limit or impair any authority of the Commission concerning the transfer or succession of interests of public utilities.
- g. Storm recovery bonds shall be nonrecourse to the credit or any assets of the public utility other than the storm recovery property as specified in the financing order and any rights under any ancillary agreement.
- (2) Provisions applicable to security interests.
 - a. The creation, perfection, and enforcement of any security interest in storm recovery property to secure the repayment of the principal and interest and other amounts payable in respect of storm recovery bonds; amounts payable under any ancillary agreement and other financing costs are governed by this subsection and not by the provisions of the Code.
 - b. A security interest in storm recovery property is created, valid, and binding and perfected at the later of the time:

 (i) the financing order is issued, (ii) a security agreement is executed and delivered by the debtor granting such security interest, (iii) the debtor has rights in such storm recovery property or the power to transfer rights in such storm recovery property, or (iv) value is received for the storm recovery property. The description of storm recovery property in a security agreement is sufficient if the description refers to this section and the financing order creating the storm recovery property.
 - c. A security interest shall attach without any physical delivery of collateral or other act, and, upon the filing of a financing statement with the office of the Secretary of State, the lien of the security interest shall be valid, binding, and perfected against all parties having claims of any kind in tort, contract, or otherwise against the person granting the security interest, regardless of whether the parties have notice of the lien. Also upon

- this filing, a transfer of an interest in the storm recovery property shall be perfected against all parties having claims of any kind, including any judicial lien or other lien creditors or any claims of the seller or creditors of the seller, and shall have priority over all competing claims other than any prior security interest, ownership interest, or assignment in the property previously perfected in accordance with this section.
- d. The Secretary of State shall maintain any financing statement filed to perfect any security interest under this section in the same manner that the Secretary maintains financing statements filed by transmitting utilities under the Code. The filing of a financing statement under this section shall be governed by the provisions regarding the filing of financing statements in the Code.

 The priority of a security interest in storm recovery
- e. The priority of a security interest in storm recovery property is not affected by the commingling of storm recovery charges with other amounts. Any pledgee or secured party shall have a perfected security interest in the amount of all storm recovery charges that are deposited in any cash or deposit account of the qualifying utility in which storm recovery charges have been commingled with other funds and any other security interest that may apply to those funds shall be terminated when they are transferred to a segregated account for the assignee or a financing party.
- f. No application of the formula-based adjustment mechanism as provided in this section will affect the validity, perfection, or priority of a security interest in or transfer of storm recovery property.
- g. If a default or termination occurs under the storm recovery bonds, the financing parties or their representatives may foreclose on or otherwise enforce their lien and security interest in any storm recovery property as if they were secured parties with a perfected and prior lien under the Code, and the Commission may order amounts arising from storm recovery charges be transferred to a separate account for the financing parties' benefit, to which their lien and security interest shall apply. On application by or on behalf of the financing parties, the Superior Court of Wake County shall order the sequestration and payment to them of revenues arising from the storm recovery charges.

- (3) Provisions applicable to the sale, assignment, or transfer of storm recovery property. -
 - Any sale, assignment, or other transfer of storm recovery property shall be an absolute transfer and true sale of, and not a pledge of or secured transaction relating to, the seller's right, title, and interest in, to, and under the storm recovery property if the documents governing the transaction expressly state that the transaction is a sale or other absolute transfer other than for federal and State income tax purposes. For all purposes other than federal and State income tax purposes, the parties' characterization of a transaction as a sale of an interest in storm recovery property shall be conclusive that the transaction is a true sale and that ownership has passed to the party characterized as the purchaser, regardless of whether the purchaser has possession of any documents evidencing or pertaining to the interest. A transfer of an interest in storm recovery property may be created only when all of the following have occurred: (i) the financing order creating the storm recovery property has become effective, (ii) the documents evidencing the transfer of storm recovery property have been executed by the assignor and delivered to the assignee, and (iii) value is received for the storm recovery property. After such a transaction, the storm recovery property is not subject to any claims of the transferor or the transferor's creditors, other than creditors holding a prior security interest in the storm recovery property perfected in accordance with subdivision (2) of subsection (e) of this section.
 - b. The characterization of the sale, assignment, or other transfer as an absolute transfer and true sale and the corresponding characterization of the property interest of the purchaser, shall not be affected or impaired by the occurrence of any of the following factors:
 - <u>1. Commingling of storm recovery charges with other amounts.</u>
 - The retention by the seller of (i) a partial or residual interest, including an equity interest, in the storm recovery property, whether direct or indirect, or whether subordinate or otherwise, or (ii) the right to recover costs associated with taxes, franchise fees, or license fees imposed on the collection of storm recovery charges.
 - <u>Any recourse that the purchaser may have against the seller.</u>

- 4. Any indemnification rights, obligations, or repurchase rights made or provided by the seller.
- 5. The obligation of the seller to collect storm recovery charges on behalf of an assignee.
- 6. The transferor acting as the servicer of the storm recovery charges or the existence of any contract that authorizes or requires the public utility, to the extent that any interest in storm recovery property is sold or assigned, to contract with the assignee or any financing party that it will continue to operate its system to provide service to its customers, will collect amounts in respect of the storm recovery charges for the benefit and account of such assignee or financing party, and will account for and remit such amounts to or for the account of such assignee or financing party.
- 7. The treatment of the sale, conveyance, assignment, or other transfer for tax, financial reporting, or other purposes.
- 8. The granting or providing to bondholders a preferred right to the storm recovery property or credit enhancement by the public utility or its affiliates with respect to such storm recovery bonds.
- 9. Any application of the formula-based adjustment mechanism as provided in this section.
- Any right that a public utility has in the storm recovery <u>c.</u> property before its pledge, sale, or transfer or any other right created under this section or created in the financing order and assignable under this section or assignable pursuant to a financing order is property in the form of a contract right or a chose in action. Transfer of an interest in storm recovery property to an assignee is enforceable only upon the later of (i) the issuance of a financing order, (ii) the assignor having rights in such storm recovery property or the power to transfer rights in such storm recovery property to an assignee, (iii) the execution and delivery by the assignor of transfer documents in connection with the issuance of storm recovery bonds, and (iv) the receipt of value for the storm recovery property. An enforceable transfer of an interest in storm recovery property to an assignee is perfected against all third parties, including subsequent judicial or other lien creditors, when a notice of that transfer has been given by the filing of a financing

- statement in accordance with sub-subdivision c. of subdivision (2) of this subsection. The transfer is perfected against third parties as of the date of filing.
- d. The Secretary of State shall maintain any financing statement filed to perfect any sale, assignment, or transfer of storm recovery property under this section in the same manner that the Secretary maintains financing statements filed by transmitting utilities under the Code. The filing of any financing statement under this section shall be governed by the provisions regarding the filing of financing statements in the Code. The filing of such a financing statement is the only method of perfecting a transfer of storm recovery property.
- e. The priority of a transfer perfected under this section is not impaired by any later modification of the financing order or storm recovery property or by the commingling of funds arising from storm recovery property with other funds. Any other security interest that may apply to those funds, other than a security interest perfected under subdivision (2) of this subsection, is terminated when they are transferred to a segregated account for the assignee or a financing party. If storm recovery property has been transferred to an assignee or financing party, any proceeds of that property must be held in trust for the assignee or financing party.
- f. The priority of the conflicting interests of assignees in the same interest or rights in any storm recovery property is determined as follows:
 - 1. Conflicting perfected interests or rights of assignees rank according to priority in time of perfection.

 Priority dates from the time a filing covering the transfer is made in accordance with sub-subdivision c. of subdivision (2) of this subsection.
 - 2. A perfected interest or right of an assignee has priority over a conflicting unperfected interest or right of an assignee.
 - 3. A perfected interest or right of an assignee has priority over a person who becomes a lien creditor after the perfection of such assignee's interest or right.
- (f) Description or Indication of Property. The description of storm recovery property being transferred to an assignee in any sale agreement, purchase agreement, or other transfer agreement, granted or pledged to a pledgee in any security agreement, pledge agreement, or other security document, or indicated in any financing statement is only sufficient if such description or indication refers to the financing order that created the storm

recovery property and states that the agreement or financing statement covers all or part of the property described in the financing order. This section applies to all purported transfers of, and all purported grants or liens or security interests in, storm recovery property, regardless of whether the related sale agreement, purchase agreement, other transfer agreement, security agreement, pledge agreement, or other security document was entered into, or any financing statement was filed.

- (g) Financing Statements. All financing statements referenced in this section are subject to Part 5 of Article 9 of the Code, except that the requirement as to continuation statements does not apply.
- (h) Choice of Law. The law governing the validity, enforceability, attachment, perfection, priority, and exercise of remedies with respect to the transfer of an interest or right or the pledge or creation of a security interest in any storm recovery property shall be the laws of this State.
- (i) Storm Recovery Bonds Not Public Debt. Neither the State nor its political subdivisions are liable on any storm recovery bonds, and the bonds are not a debt or a general obligation of the State or any of its political subdivisions, agencies, or instrumentalities, nor are they special obligations or indebtedness of the State or any agency or political subdivision. An issue of storm recovery bonds does not, directly, indirectly, or contingently, obligate the State or any agency, political subdivision, or instrumentality of the State to levy any tax or make any appropriation for payment of the storm recovery bonds, other than in their capacity as consumers of electricity. All storm recovery bonds must contain on the face thereof a statement to the following effect: "Neither the full faith and credit nor the taxing power of the State of North Carolina is pledged to the payment of the principal of, or interest on, this bond."
- (j) <u>Legal Investment. All of the following entities may legally invest</u> any sinking funds, moneys, or other funds in storm recovery bonds:
 - (1) Subject to applicable statutory restrictions on State or local investment authority, the State, units of local government, political subdivisions, public bodies, and public officers, except for members of the Commission.
 - (2) Banks and bankers, savings and loan associations, credit unions, trust companies, savings banks and institutions, investment companies, insurance companies, insurance associations, and other persons carrying on a banking or insurance business.
 - (3) Personal representatives, guardians, trustees, and other fiduciaries.
 - (4) All other persons authorized to invest in bonds or other obligations of a similar nature.
 - (k) Obligation of Nonimpairment. -
 - (1) The State and its agencies, including the Commission, pledge and agree with bondholders, the owners of the storm recovery property, and other financing parties that the State and its agencies will not take any action listed in this subdivision. This paragraph does not preclude limitation or alteration if full

- compensation is made by law for the full protection of the storm recovery charges collected pursuant to a financing order and of the bondholders and any assignee or financing party entering into a contract with the public utility. The prohibited actions are as follows:
- a. Alter the provisions of this section, which authorize the Commission to create an irrevocable contract right or chose in action by the issuance of a financing order, to create storm recovery property, and make the storm recovery charges imposed by a financing order irrevocable, binding, or nonbypassable charges.
- b. Take or permit any action that impairs or would impair the value of storm recovery property or the security for the storm recovery bonds or revises the storm recovery costs for which recovery is authorized.
- c. <u>In any way impair the rights and remedies of the bondholders, assignees, and other financing parties.</u>
- d. Except for changes made pursuant to the formula-based adjustment mechanism authorized under this section, reduce, alter, or impair storm recovery charges that are to be imposed, billed, charged, collected, and remitted for the benefit of the bondholders, any assignee, and any other financing parties until any and all principal, interest, premium, financing costs and other fees, expenses, or charges incurred, and any contracts to be performed, in connection with the related storm recovery bonds have been paid and performed in full.
- (2) Any person or entity that issues storm recovery bonds may include the language specified in this subsection in the storm recovery bonds and related documentation.
- (1) Not a Public Utility. An assignee or financing party is not a public utility or person providing electric service by virtue of engaging in the transactions described in this section.
- (m) Conflicts. If there is a conflict between this section and any other law regarding the attachment, assignment, or perfection, or the effect of perfection, or priority of, assignment or transfer of, or security interest in storm recovery property, this section shall govern.
- (n) Consultation. In making determinations under this section, the Commission or public staff or both may engage an outside consultant and counsel.
- (o) Effect of Invalidity. If any provision of this section is held invalid or is invalidated, superseded, replaced, repealed, or expires for any reason, that occurrence does not affect the validity of any action allowed under this section which is taken by a public utility, an assignee, a financing party, a

collection agent, or a party to an ancillary agreement; and any such action remains in full force and effect with respect to all storm recovery bonds issued or authorized in a financing order issued under this section before the date that such provision is held invalid or is invalidated, superseded, replaced, or repealed, or expires for any reason."

SECTION 1.(b) G.S. 25-9-109(d) reads as rewritten: "(d) Inapplicability of Article. - This Article does not apply to:

- ...
- (13) An assignment of a deposit account in a consumer transaction, but G.S. 25-9-315 and G.S. 25-9-322 apply with respect to proceeds and priorities in proceeds;—or
- (14) The creation, perfection, priority, or enforcement of any lien on, assignment of, pledge of, or security in, any revenues, rights, funds, or other tangible or intangible assets created, made, or granted by this State or a governmental unit in this State, including the assignment of rights as secured party in security interests granted by any party subject to the provisions of this Article to this State or a governmental unit in this State, to secure, directly or indirectly, any bond, note, other evidence of indebtedness, or other payment obligations for borrowed money issued by, or in connection with, installment or lease purchase financings by, this State or a governmental unit in this State. However, notwithstanding this subdivision, this Article does apply to the creation, perfection, priority, and enforcement of security interests created by this State or a governmental unit in this State in equipment or fixtures-fixtures; or
- (15) The creation, perfection, priority, or enforcement of any sale, assignment of, pledge of, security interest in, or other transfer of, any interest or right or portion of any interest or right in any storm recovery property as defined G.S. 62-172."

PART II. AUTHORIZE RATES USING ALTERNATIVE MECHANISMS

SECTION 2. Article 7 of Chapter 62 of the General Statutes is amended by adding a new section to read:

"§ 62-133A. Alternate rate methodology authorized.

- (a) Notwithstanding the methods for fixing rates established under G.S. 62-133, the Commission, upon application by an electric public utility, is authorized to approve multiyear rate plans, banding of authorized returns, or a combination thereof, filed in and along with a general rate case proceeding initiated pursuant to G.S. 62-133. For purposes of this section, the following definitions apply:
 - (1) "Banding of authorized returns" means a rate mechanism under which the Commission sets an authorized return on equity for an electric utility that acts as a midpoint and then

- applies a low- and high-end range of returns to that midpoint under which an electric public utility will not overearn if within the high-end range and will not underearn if within the low-end range.
- (2) "Multiyear rate plan" means a rate mechanism under which the Commission sets base rates and revenue requirements for a multiyear plan period based on a known and measurable set of capital investments and all the expenses associated with those capital investments and authorizes periodic changes in base rates during the approved plan period without the need for a base rate proceeding during the plan period.
- (b) In setting a midpoint authorized rate of return on equity for banding of authorized returns pursuant to this section, the Commission shall consider any decreased or increased risk to an electric public utility that may result from having an approved multiyear rate plan, banding of authorized returns, or a combination thereof. Any banding of authorized returns approved pursuant to this section shall not exceed 100 basis points above or 125 basis points below the authorized return on equity that is set by the Commission and shall otherwise be subject to all of the following conditions:
 - (1) If an electric public utility that is operating under a banding of authorized returns exceeds the high-end range of the band that is approved by the Commission based on its normalized, earned return on equity for the prior 12-month, year-end period as set forth in subsection (e) of this section, the electric public utility shall determine the after-tax dollar value of the amount of the earnings that exceeded the high-end range of the band and shall, within 60 days of determining that after-tax dollar value, submit that after-tax dollar value to the Commission for verification. Along with the verification, the electric public utility shall submit a petition for approval to make investments and issue refunds totaling the verified amount as follows:
 - a. The electric public utility shall make investments equivalent to the after-tax dollar value of the first 25 basis points of earnings that exceeded the high-end range of the band in one or more of the following categories:
 - 1. Electric infrastructure investments in economically distressed areas or low-income communities that facilitate job creation.
 - Electric infrastructure investments that further creation of affordable housing for low-income customers.

- 3. Electric infrastructure investments in communities that will result in quantifiable and measurable benefits for low-income customers in those communities.
- 4. Energy efficiency and demand-side management programs for low-income customers.
- b. The electric public utility shall refund or credit earnings exceeding the first 25 basis points of earnings that exceeded the high-end range to customers in a manner prescribed by the Commission.
- In any petition submitted pursuant to this subdivision, <u>c.</u> the electric public utility shall include a detailed explanation as to why the investments identified in the petition were selected and shall describe other potential investments that may have been considered, but not included in the petition, with an explanation therefor. The Commission shall review any petition submitted pursuant to this subdivision using a standard of reasonableness. The electric public utility shall not be permitted to recover the capital investments required under this subdivision from customers. Any investments made by an electric public utility in energy efficiency and demand-side management programs for low-income customers pursuant to this subsection must meet the cost-benefit tests for energy efficiency and demand-side management programs as prescribed in Commission rules. If the Commission denies a petition submitted pursuant to this subdivision, the electric utility shall, within 60 days of the Commission's order, submit a new petition for investments and refunds in compliance with this subdivision.
- (2) If an electric public utility that is operating under a banding of authorized returns falls below the low-end range of the band that is approved by the Commission, the electric public utility may file a general rate case proceeding initiated pursuant to G.S. 62-133.
- (c) The Commission shall, after notice and an opportunity for interested parties to be heard, issue an order, in addition to its order ruling on the electric public utility's request to adjust base rates under G.S. 62-133, denying or approving, with or without modifications, an electric public utility's proposed rate-making mechanism, plan, or settlement that includes multiyear rate plans, banding of authorized returns, or a combination thereof, filed pursuant to this section no later than 365 days after the date on which the electric public utility files a proposed rate-making mechanism, plan, or settlement that

includes multiyear rate plans, banding of authorized returns, or a combination thereof. If the Commission denies an electric public utility's proposed rate-making mechanism, plan, or settlement that includes multiyear rate plans, banding of authorized returns, or a combination thereof, filed pursuant to this section, the Commission's order ruling on the electric public utility's request to adjust base rates shall govern. The Commission may approve such rate-making mechanisms, plans, or settlements proposed by an electric public utility only upon a finding by the Commission that such mechanisms, plans, or settlements are just and reasonable and are in the public interest. In reviewing any such application under this section, the Commission shall consider whether the electric public utility's application, as proposed: (i) establishes rates as shall be fair both to the electric public utility and to the consumer, (ii) reasonably assures the continuation of safe and reliable electric service, (iii) will not unreasonably prejudice any class of electric customers, (iv) will not result in sudden substantial rate increases, or "rate shock," to consumers, and (v) is otherwise consistent with the public interest. The Commission is granted explicit authority to impose any or all conditions for approval of an application submitted under this section that the Commission deems necessary to ensure that rates are just and reasonable, and are in the public interest, including periodic reviews to be held during the period that a multiyear rate plan may be in effect, with opportunities for public hearings during such periodic reviews so that interested parties may be heard. If the Commission approves the multiyear rate plan, banding of authorized returns, or a combination thereof, with modifications, the utility subject to such approval may, at its option, accept the modifications and implement the multiyear rate plan, banding of authorized returns, or a combination thereof, as modified or may, at its option, withdraw its application and be governed under the Commission's order ruling on the electric public utility's request to adjust base rates under G.S. 62-133.

- (d) Any rate-making mechanisms, plans, or settlements approved pursuant to this section shall remain in effect for a period of no more than three years.
- (e) For purposes of measuring an electric public utility's earnings under any mechanisms, plans, or settlements approved under this section, the electric public utility shall make an annual filing that sets forth the electric public utility's earned return on equity for the prior 12-month period.
- (f) Nothing in this section shall be construed to (i) limit or abrogate the existing rate-making authority of the Commission or (ii) invalidate or void any rates approved by the Commission prior to the effective date of this section. In all respects, the rate-making mechanisms, plans, or settlements approved under this section shall operate independently, and be considered separately, from riders or other cost recovery mechanisms otherwise allowed by law, unless otherwise incorporated into such mechanism, plan, or settlement."

PART III. RULE MAKING

SECTION 3.(a) No later than May 1, 2020, the Utilities Commission shall adopt rules to govern use of alternate rate methodologies authorized under G.S. 62-133A, as enacted by Section 2 of this act.

INDEX HOUSE JOURNAL SESSION 2019

INDEX GUIDE

The North Carolina General Statutes titles form the basis for these indices. Following each bill title, the last action or the present status of said bill is indicated. For example, a ratified bill will be followed by its chapter number in the Session Laws. Bills included in whole or in part in other measures are reflected as such if known.

All bills dealing with funds are indexed under Appropriations. Local legislation is placed under the county it affects.

A list of bills and resolutions introduced by each Representative is found under the Member's name with an asterisk (*) noting that person as the primary sponsor.
