"As we again assemble in this place, we ask Your blessing, Your guidance, and Your countenance to shine upon us all. We stand on the shoulders of giants, the men and women who have sacrificed in war and in peace.

"We ask Your blessing for those that, on this very day, who are on the front lines of this pandemic, working tirelessly to contain, protect, and support all who suffer as well as those who fear.

May 19, 2020

"We ask Your blessing on our work, that it may be pleasing in Your eyes and helpful for our fellow citizens.

"We, here gathered, bear a tremendous responsibility to do good and to be well. Let that be our guiding principle.

"We acknowledge Your gift of life as You reach down to us, asking only that we do our duty to each other and to You.

"We find ourselves in unprecedented times that try our patience and challenge our tempers, as well as restrain our movements.

"Let us be strengthened by Your love and heartened by the valor of our fellow man.

The following prayer is offered by Representative Harry Warren:

"Almighty God, our Lord and Creator, hear our collective voice as we call out to You, this day.

"We raise our voice to give You thanks for the untold number of courageous souls whom You have blessed us with, now and in generations past, who have won us the freedoms we enjoy this day. Brave women and men who willingly offered their time, their talents, their health, indeed, Lord,

May 26, 2020

their very lives, that they, their children and generations to come after them, would have the freedom to exercise their right and obligation to worship, praise and thank You for the very gift of life itself, and for the inalienable rights that You have bestowed to all.

"For the last several weeks, Father, we have voluntarily restricted many of our rights in order to fulfill our moral obligation to protect each other from physical harm. As we cautiously inch our way back to a restoration of our rights, we ask that You guide our leaders at every level of government. Remind them clearly, Lord, that our freedom and our rights are Yours alone to give or take, and ours alone to defend or surrender.

"Above all, that our individual right to worship You may never be infringed upon, for You are our one true Hope and our one true Salvation, especially in times of peril.

"Please, be with us now, Lord. Grant our leaders wisdom to chart the correct course forward and grant each of us patience and understanding, and the will to follow prudently. Let us feel Your presence in our hearts and in our thoughts, that we may reflect it in our actions, for if we do, we shall emerge from this latest challenge a stronger, more unified, more prosperous nation, dedicated to You, to whom we pray. Amen."

The Speaker leads the Body in the Pledge of Allegiance.

HOUSE OF REPRESENTATIVES
Monday, June 1, 2020

The House meets at 2:00 p.m. pursuant to adjournment and is called to order by the Speaker.

The following prayer is offered by Representative Harry Warren:

"Dear Lord,

"So often, our behavior seems to indicate that we do not know of You. At times, we are so involved in the world and the injustices of our own making that we respond in anger and only exacerbate the very conditions that frustrate us so much, driving us even further from You and Your teachings. If only we would pause and reflect upon Your simple commandment to love one another as we love ourselves, so much of the vitriol and ugliness that abounds about us would not have a chance to even emerge.

June 1, 2020

"Please, Lord, help us to remember that we are spiritual beings in a temporary physical plane. Help us to remember what is truly essential in this lifetime is how we treat each other, how well we provide for one another, presently and for the future. Help us now be good stewards of all that You have provided, including each other. Remind us that You have empowered us to overcome all obstacles and challenges, if together, we just have faith and love in You. Amen."

The Speaker leads the Body in the Pledge of Allegiance.

The following prayer is offered by Representative Jeffrey C. McNeely:

"Please let us humble ourselves and bow our heads and pray.

"Gracious and wonderful Father, we come before You today with sad and troubled hearts. There is great unrest in this land. We, Your children, have forgotten the two most important commandments that our Savior, Jesus Christ, Your Son, spoke to us: to love the LORD with all of our hearts and to love our neighbors as we love ourselves. Father, I sometimes wonder why You made us to look different on the outside, and then I realize it is because You always want us to make the effort to get to know what someone looks like on the inside. LORD, grant us the wisdom and the love to be able to give grace to our fellow brothers and sisters, as You have given abundant grace to us. Please let us forgive each other for our transgressions, as our Savior, Jesus Christ, has forgiven us. I pray, LORD, that You protect the men and women who protect us, and please do not let any more blood be shed. I pray that out of this tragedy You show us a greater good so that no one dies in vain.

"God bless this Nation, bless the State of North Carolina, and bless each and every one of us.

ONE HUNDRED EIGHTIETH DAY

HOUSE OF REPRESENTATIVES
Wednesday, June 10, 2020

The House meets at 1:00 p.m. pursuant to adjournment and is called to order by the Speaker.

The following prayer is offered by Representative Derwin L. Montgomery:

"God of our weary years, God of our silent tears, Thou who has brought us this far on the way. Thou who has by Thy might led us into the light. Keep us forever in the path, we pray.

"God, our father, and our mother, we come at this moment seeking Your divine direction, acknowledging our imperfection before a perfect God. Let us today, and every day, remember our responsibility to care for the least, the last, and the lonely.

"In the chaos of the world, You are our peace.

"As we wrestle with the wounds of our nation that have been reopened with the killing of George Floyd, let us remember the words of the prophet, Micah, 'What does the Lord require of You, but to do justice, love mercy and walk humbly before Your God.'

"Lord, forgive those who have turned a blind eye to injustice and rested in their ignorance. Grant us all the courage to lean into our discomfort.

"Lord, we acknowledge that history will tell the story of this moment. Let it tell the story of how we set aside political expediency for what was right and just. Let it tell the story of the people-centered policy birthed from tragedy. Let it tell the story of how Democrats and Republicans, black folks, white folks, Native Americans, and all who make North Carolina who we are moved beyond self-righteous acts of symbolism to powerful action, making life better for us all. Let it tell the story of how we embraced the uncomfortable truth of our history and how we joined hand in hand to engage in deliberate and sustained effort to change the future.

June 10, 2020

"God, we are reminded that racism and bigotry did not start with us, but if we are willing, it can end with us. Issues of systemic and institutional racism are only too big to deal with if our will and courage are too small to take them on.

"We who are gathered in this Chamber are abundantly aware that we have little power to remove bigotry and hate from the heads and hearts of our brothers and sisters. Still, God grant us the strength to use our power to remove it from our policy.

"Finally, God, to aid us in this, do as You did on the Day of Pentecost and send Your Spirit, giving us a new language that allows us to understand one another, leading us to act.

"God of peace, God of justice, God of the oppressed, God of the sinner, God of the sinned against, God of us all, God who can do all things, hear our prayer.

"Ashe, Amen, Peace."

The Speaker leads the Body in the Pledge of Allegiance.

On motion of Representative Farmer-Butterfield, the following remarks are spread upon the Journal.

REMARKS BY REPRESENTATIVE FARMER-BUTTERFIELD

"Mr. Speaker, Colleagues, out of adversity comes creativity and innovation. The fact that this Body, the House of Representatives, has been able to attend meetings and Sessions remotely due to the pandemic, and have even voted by proxies, needs to be acknowledged, in my opinion, commended and under your speakership, I ask that this be spread across the Journal. In my opinion, we were able to demonstrate to the State of North Carolina, and its citizens, that this Body can be effective and efficient in deliberating and carrying out the people's business of North Carolina. A few of us have formed a little secret committee and have a proposal and a plan for you on how we can proceed the remainder of the pandemic and after we fully return to a new normalcy. We look forward to you, Mr. Speaker, ensuring accommodations for those that need special accommodations and indeed, addressing the needs of those Members that do not. We again commend you and thank you for making sure that all of our needs were accommodated and were able to carry on the State of North Carolina's business. Thank you."

Representative Lewis moves, seconded by Representative Richardson, that the House adjourn at 9:58 p.m., in honor and memory of former Senator Tony Rand of Cumberland County, subject to the standard stipulations in Rule 15.1, to reconvene Thursday, June 25 at 9:30 a.m.

GOVERNOR'S OBJECTIONS AND VETO MESSAGE

Senate Bill 105, "AN ACT TO CLARIFY THE EXPIRATION OF A STATE OF EMERGENCY AND THE EXERCISE OF CERTAIN POWERS UNDER A STATE OF EMERGENCY AND TO CLARIFY THE ABATEMENT OF STATEWIDE IMMINENT HAZARDS."

"The Emergency Management Act clearly provides the Governor with statutory authority to direct the state's response to a public health emergency that could affect the entire state's population. A devastating pandemic, like COVID-19, threatens the state's people and warrants providing the state's chief executive have the authority to manage the state's response by placing prohibitions and restrictions on activities that threaten public health and safety. The legislators who foresaw such challenges were right to vest that authority with the Governor, so that government can respond quickly and on a statewide basis to emergencies as they evolve. Placing additional bureaucratic and administrative obligations on the declaration of a state of emergency is a substantial change in the law, frustrates executive branch officials' ability to quickly and efficiently respond to such an emergency by requiring the concurrence of officials with limited involvement in managing the response, and would risk diverting focus from responding to such an emergency.

"Therefore, I veto the bill."

S/ Roy Cooper
Governor

The bill, having been vetoed, is returned to the Clerk of the North Carolina Senate on this the 2nd day of July 2020, at 1:31 p.m. for reconsideration by that body.

GOVERNOR'S OBJECTIONS AND VETO MESSAGE

Senate Bill 599, "AN ACT TO AUTHORIZE SKATING RINKS AND BOWLING ALLEYS TO RESUME OPERATIONS AND TO MODIFY THE CAPACITY OF TEMPORARY OUTDOOR SEATING FOR FOOD AND DRINK ESTABLISHMENTS."

"Tying the hands of public health and executive branch officials in times of pandemic is dangerous, especially when case counts and hospitalizations are rising at a concerning rate. As we see in other states with surging COVID-19 case counts, state and local officials must be able to take swift action during this emergency to prevent a surge of patients from overwhelming hospitals and endangering the lives of North Carolinians. At this critical time, opening bowling alleys, skating rinks, and other indoor entertainment facilities runs contrary to both the troubling trends regarding COVID-19 deaths in North Carolina as well as scientific and medical data, which establishes that COVID-19 is significantly more likely to be transmitted in these settings. Bowling alleys and skating rinks exhibit many of the risk factors under the best available scientific and medical data. In these places, people gather in close proximity, are indoors with recirculating air, stay in the space for extended period of time, and engage in physical exertion. Opening these higher-risk facilities would spread COVID-19 and endanger the State's flexibility to open

the public schools. Given the rapidly evolving nature of this pandemic, executive officials are best positioned to make emergency determinations about public health. The bill is intended to restrict leaders who need to respond quickly to outbreaks and new scientific information to protect public health and safety.

"Therefore, I veto the bill."

The bill, having been vetoed, is returned to the Clerk of the North Carolina Senate on this the 2nd day of July 2020, at 1:32 p.m. for reconsideration by that body.

"House Bill 918 discourages pregnant women with substance use disorders to seek treatment and prenatal care, risking their health and the health of newborns. Senate Bill 168, "AN ACT MAKING TECHNICAL, CONFORMING, AND OTHER MODIFICATIONS TO LAWS PERTAINING TO THE DEPARTMENT OF HEALTH AND HUMAN SERVICES AND ADDING A PSYCHIATRIC PHYSICIAN PRIVILEGE EXCEPTION TO CRIMES AGAINST JUVENILES REPORTING REQUIREMENTS."

"Senate Bill 168 includes a provision to change the handling of public records by the Office of the Chief Medical Examiner which could have the unintended consequence of limiting transparency in death investigations.

While I believe neither the Department of Health and Human Services which proposed it, nor the General Assembly which unanimously passed it had any ill intent, the concerns that have since been raised make it clear this provision should not become law.

"Therefore, I veto the bill."

September 3, 2020

The following prayer is offered by Representative Harry Warren:

"Heavenly Father,

"As we prepare to finalize our work, we gather together to thank You for Your generosity and graciousness for being with us throughout this Session. Thank You for being our Great Comforter when the hurricanes came and devastated our coast; thank You for being our Great Hope throughout the Great Recession and our Great Strength during this pandemic.

"Thank You for answering our impromptu prayers - those times that we consciously called out to You as if we didn't realize that You are always with us, within us, ready to guide and direct us, if we will but relax, retire and listen to Your guidance.

"Thank You for tolerating our sense of self-importance and our egos each time we actually got something right and took pride in it, as if we did it on our own, forgetting that we started by calling upon You.

"Thank You, Lord, for blessing us with such wonderful, knowledgeable staff personnel who patiently transformed our mental mutterings into thoughtful coherent legislative proposals.

"As this may be the final time this legislative family gathers, Lord, we do ask Your blessing. Please keep us safe in our travels, focused on our journeys, and dedicated to Your desire for us to be the best we can be in whatever You call upon us to do. Help us to do the most good we can, for the most people we can, wherever You lead us.

"Finally, Lord, thank You for showing us, by virtue of the wonderful things You have done for this Great State and its people, just how truly great Thou art, how great Thou truly art! Amen."

H.R. 1044, A HOUSE RESOLUTION AMENDING THE 2019 HOUSE PERMANENT RULES OF THE 2019 GENERAL ASSEMBLY DURING EMERGENCIES.

Whereas, the World Health Organization declared the coronavirus disease 2019 (COVID-19) a global pandemic; and

Whereas, the President of the United States declared the ongoing COVID-19 outbreak the basis for an emergency declaration for all states pursuant to the Robert T. Stafford Disaster Relief and Emergency Assistance Act; and

Whereas, the Governor of North Carolina has issued a number of executive orders for the State declaring a State of Emergency to address the COVID-19 public health emergency, prohibiting mass gatherings, requiring citizens to stay at home and practice social distancing when in public spaces, limiting operations of certain businesses, broadening unemployment insurance benefits, improving access to child care, and facilitating critical motor vehicle operations; and

Whereas, the number of COVID-19 cases in the State continues to rise with documented community spread; Now, therefore,

Be it resolved by the House of Representatives:

SECTION 1. As a result of the public health dangers resulting from the COVID-19 pandemic, the following shall apply to the 2019 House Permanent Rules:

- (1) RULE 1 shall read as follows: "**RULE 1. Convening Hour.** - The House shall convene each legislative day at the hour fixed by the House. In the event the House adjourns on the preceding legislative day without having fixed an hour for reconvening, the House shall convene on the next legislative day at 10:00 A.M."
- (2) RULE 2 shall read as follows: "**RULE 2. Opening the Session.** - The Sergeant-at-Arms or the Principal Clerk shall clear the House 10 minutes before the convening hour. At the convening hour on each legislative day, the Speaker or the Speaker's designee shall call the members to order."
- (3) RULE 3(b) shall read as follows: "(b) Should the point of a quorum be raised, the Clerk shall open an electronic roll call of the House and enter as present a member responding by vote. The time allowed for the response shall be the greater of 40 minutes, unless without objection, the Chair directs otherwise, and the time at which the sixty-first vote is recorded. In the absence of a quorum comprised of members responding to the call, the House may only stand in recess or adjourn."
- (3a) RULE 4(b) shall read as follows: "(b) Immediately following the call to order the Speaker shall call for the Journal report by the Chair of the Standing Committee on Rules, Calendar, and Operations of the House, or by a

Representative designated by the Chair, as to whether the proceedings of the previous day have been correctly recorded. Without objection, the Speaker shall cause the Journal to stand approved."

- (4) RULE 7(a) shall read as follows: "RULE 7. **Obtaining Floor.** - (a) No member on the floor shall proceed until recognized by the Speaker for a purpose. When any member on the floor desires recognition for any purpose, the member shall rise and respectfully address the Speaker. When any member who has designated a Leader to cast the member's vote desires to propound a question, the member shall submit the question to the Majority or Minority Leader to have the question brought forward, and the Leader or the Leader's designee, shall rise, shall respectfully address the Speaker, and upon being recognized, shall identify the member desiring to propound the question and state the question propounded."
- (5) RULE 8.1 shall read as follows: "RULE 8.1. **Points of Personal Privilege; Representative Statements; Explanation of Vote.** - Upon recognition by the Speaker for that purpose, any member may speak to a point of personal privilege for a time not exceeding three minutes. The Speaker shall determine if the question raised is one of personal privilege and shall, without the point of order being raised, enforce this rule. A member may reserve some or all of that time to explain to the House a "Representative Statement"; provided, however, that the reading of the Representative Statement shall only occur following session. Upon motion supported by a majority present and voting, that statement may be spread upon the Journal. Neither personal privilege nor a Representative Statement may be used to explain a vote, debate a bill, or in any way disrupt the regular business of the House, nor shall such opportunities be used to solicit support or sponsors for any bill. The format of a Representative Statement shall be prescribed by the Chair of the Standing Committee on Rules, Calendar, and Operations of the House, but in any case shall speak only in the voice of the member submitting it."
- (6) RULE 12(i) shall read as follows: "(i) The use of a mobile device or cellular phone for the purpose of making or receiving a phone call shall not be permitted in the House Chamber while the House is in session. During a vote the Majority Leader and the Minority Leader may use

electronic technology, including a mobile device or cellular phone, to communicate in real time with members who have filed a voting designation pursuant to Rule 22.1, provided such use does not otherwise disrupt the decorum of the chamber."

- (7) RULE 12 shall be amended to have the following additional subdivision: "(k) As deemed necessary by the Chair of the Standing Committee on Rules, Calendar, and Operations of the House, the chamber may be used by committees for committee purposes."
- (8) RULE 13(a) shall read as follows: "RULE 13. **Motions Generally.** - (a) A motion that is complex, complicated, or otherwise not easily understood shall be reduced to writing at the request of the Speaker or any member. No motion relating to a bill shall be in order that does not identify the bill by its number and short title. No motion may be made, nor business presented, by a member who has filed a voting designation pursuant to Rule 22.1 affirming the member will not be present in the House during the time the designation is in effect and has not been revoked."
- (9) RULE 15(a) shall read as follows: "RULE 15. **Motion to Adjourn.** - (a) A motion to adjourn shall be put to the vote of the House without being seconded."
- (10) RULE 15.1 shall read as follows: "RULE 15.1. **Motion to Adjourn or Stand in Recess; Standard Stipulations.** - A motion to adjourn or stand in recess subject to the standard stipulations shall constitute a motion to adjourn or stand in recess subject to the ratification of bills, messages from the Senate, committee reports, conference reports, referral and re-referral of bills and resolutions, appointment of conferees, introduction of bills and resolutions, committee appointments, the reading of Representative Statements, and the receiving of petitions, memorials, or papers addressed to the House."
- (11) RULE 20(c) shall read as follows: "(c) When the electronic voting system is used, 40 minutes shall be allowed for voting on the question before the House unless, without objection, the Chair shall direct otherwise. The Chair may direct a procedure whereby members vote at designated times within the time allowed for voting. Once the system is locked, the vote shall be recorded and printed."

A quorum of less than a majority of all the members must include at least one member of the minority party. For purposes of determining a quorum, the Chair of the Standing Committee on Rules, Calendar, and Operations of the House; the Speaker Pro Tempore; the Majority Leader; and the Deputy Majority Leader, when serving only as ex officio members under subsection (e) of this rule, shall be counted among the membership of the committee or subcommittee only when present or participating remotely pursuant to Rule 28(a). A committee member who is participating remotely under Rule 28(a) shall be counted as present for quorum purposes."

- (15) RULE 28(a) shall read as follows: "RULE 28. **Standing Committee and Permanent Subcommittee Meetings.** - (a) Standing committees and permanent subcommittees of standing committees shall be furnished with suitable meeting places pursuant to a schedule established by the Chair of the Standing Committee on Rules, Calendar, and Operations of the House. HOUSE BILL 612**

(Conference Report No. 1 for H.B. 612 with Proposed Conference Committee Substitute H612-PCCS40690-TR-1 was submitted to the House on June 24, 2020 and was withdrawn. Conference Report No. 2 was adopted on June 25, 2020.)

H612-PCCS40690-TR-1, A BILL TO BE ENTITLED AN ACT TO REQUIRE THE SOCIAL SERVICES COMMISSION OF THE DIVISION OF SOCIAL SERVICES TO REVIEW POLICIES, GUIDELINES, AND OTHER INTERPRETIVE STATEMENTS AND SUBMIT A REPORT TO THE OFFICE OF ADMINISTRATIVE HEARINGS; CLARIFY THE AUTHORITY OF BOARDS TO REQUIRE CRIMINAL HISTORY RECORDS; PROHIBIT AGENCIES FROM IMPLEMENTING OR ENFORCING POLICIES, GUIDELINES, OR OTHER INTERPRETIVE STATEMENTS THAT SHOULD BE ADOPTED AS RULES UNDER THE ADMINISTRATIVE PROCEDURE ACT; AND UPDATE THE PROCESS FOR LEGISLATIVE REVIEW OF RULES.

The General Assembly of North Carolina enacts:

SECTION 1. No later than May 31, 2021, the North Carolina Division of Social Services (Division), by and through the Division's Social Services Commission (Commission), shall prepare and submit for review to the Office of Administrative Hearings (OAH) a comprehensive report of all its policies, guidelines, and other interpretive statements. This includes all policies, guidelines, and other interpretive statements that the Division or any

of its subdivisions has sought to implement or enforce that may directly or substantially affect the procedural or substantive rights or duties of persons not employed by the Division or any of its subdivisions. The report shall include an explanation for any policies, guidelines, and other interpretive statements not adopted as a rule the Commission believes are not in violation of G.S. 150B-18. The report shall not include any emergency, temporary, or permanent rules adopted by the Division in accordance with Article 2A of Chapter 150B of the General Statutes.

SECTION 2. Upon submission of its report to the OAH, the Commission shall jointly review the report with the OAH to identify any policies, guidelines, and other interpretive statements that are in violation of G.S. 150B-18. If there is disagreement between the Commission and the OAH regarding any policies, guidelines, or other interpretive statements identified in the report as being in violation of G.S. 150B-18, then the OAH shall refer the policy, guideline, or other interpretive statement in disagreement to the Rules Review Commission (RRC). Upon referral from the OAH, the RRC shall review the policy, guideline, or other interpretive statement in disagreement, and make a determination as to whether it is in violation of G.S. 150B-18. If the Commission disagrees with a determination by the RRC as to whether any policy, guideline, or other interpretive statement is in violation of G.S. 150B-18, the Commission may file an action for declaratory judgment in Wake County Superior Court pursuant to Article 26 of Chapter 1 of the General Statutes.

SECTION 3. To ensure that administration of the Division shall continue without interruption, any policies, guidelines, or other interpretive statements identified through joint review by the Commission and the OAH, or determined by the RRC in Section 2 as being in violation of G.S. 150B-18, shall be deemed interim rules so long as they do not conflict with any provisions of the General Statutes. Any interim rule authorized by this section shall become void July 1, 2022, if the Commission has failed to adopt that interim rule as a permanent rule by that date in accordance with Article 2A of Chapter 150B of the General Statutes. A reviewing court may extend the interim rule period pending the outcome of its review, if the Commission has filed an action for declaratory judgment under Section 2. Any policy, guideline, or other interpretive statement issued by the Division after this act becomes effective shall become void one year after it is issued; however, prior to that deadline, the Secretary of Health and Human Services may reissue the policy, guideline, or other interpretive statement for an additional period of one year.

SECTION 8. G.S. 150B-21.3 reads as rewritten:

"§ 150B-21.3. Effective date of rules.

(a) Temporary and Emergency Rules. - A temporary rule or an emergency rule becomes effective on the date the Codifier of Rules enters the rule in the North Carolina Administrative Code.

(b) Permanent Rule. - A permanent rule approved by the Commission becomes effective on the first day of the month following the month the rule is approved by the Commission, unless the Commission received written objections to the rule in accordance with ~~subsection (b2) of this section, or unless subsection (b) of G.S. 150B-21.3B~~ or the agency that adopted the rule specifies a later effective date.

~~(b1) Delayed Effective Dates. - Except as provided in G.S. 14-4.1, if the Commission received written objections to the rule in accordance with subsection (b2) of this section, the rule becomes effective on the earlier of the thirty first legislative day or the day of adjournment of the next regular session of the General Assembly that begins at least 25 days after the date the Commission approved the rule, unless a different effective date applies under this section. If a bill that specifically disapproves the rule is introduced in either house of the General Assembly before the thirty first legislative day of~~

~~that session, the rule becomes effective on the earlier of either the day an unfavorable final action is taken on the bill or the day that session of the General Assembly adjourns without ratifying a bill that specifically disapproves the rule. If the agency adopting the rule specifies a later effective date than the date that would otherwise apply under this subsection, the later date applies. A permanent rule that is not approved by the Commission or that is specifically disapproved by a bill enacted into law before it becomes effective does not become effective.~~

~~A bill specifically disapproves a rule if it contains a provision that refers to the rule by appropriate North Carolina Administrative Code citation and states that the rule is disapproved. Notwithstanding any rule of either house of the General Assembly, any member of the General Assembly may introduce a bill during the first 30 legislative days of any regular session to disapprove a rule that has been approved by the Commission and that either has not become effective or has become effective by executive order under subsection (c) of this section.~~

~~(b2) Objection. — Any person who objects to the adoption of a permanent rule may submit written comments to the agency. If the objection is not resolved prior to adoption of the rule, a person may submit written objections to the Commission. If the Commission receives written objections from 10 or more persons, no later than 5:00 P.M. of the day following the day the Commission approves the rule, clearly requesting review by the legislature in accordance with instructions posted on the agency's Web site pursuant to G.S. 150B-19.1(e)(4), and the Commission approves the rule, the rule will become effective as provided in subsection (b1) of this section. The Commission shall notify the agency that the rule is subject to legislative disapproval on the day following the day it receives 10 or more written objections. When the requirements of this subsection have been met and a rule is subject to legislative disapproval, the agency may adopt the rule as a temporary rule if the rule would have met the criteria listed in G.S. 150B-21.1(a) at the time the notice of text for the permanent rule was published in the North Carolina Register. If the Commission receives objections from 10 or more persons clearly requesting review by the legislature, and the rule objected to is one of a group of related rules adopted by the agency at the same time, the agency that adopted the rule may cause any of the other rules in the group to become effective as provided in subsection (b1) of this section by submitting a written statement to that effect to the Commission before the other rules become effective.~~

~~(e) Executive Order Exception. — The Governor may, by executive order, make effective a permanent rule that has been approved by the Commission but the effective date of which has been delayed in accordance with subsection (b1) of this section upon finding that it is necessary that the rule become effective in order to protect public health, safety, or welfare. A rule made effective by executive order becomes effective on the date the~~

order is issued or at a later date specified in the order. When the Codifier of Rules enters in the North Carolina Administrative Code a rule made effective by executive order, the entry must reflect this action.

~~A rule that is made effective by executive order remains in effect unless it is specifically disapproved by the General Assembly in a bill enacted into law on or before the day of adjournment of the regular session of the General Assembly that begins at least 25 days after the date the executive order is issued. A rule that is made effective by executive order and that is specifically disapproved by a bill enacted into law is repealed as of the date specified in the bill. If a rule that is made effective by executive order is not specifically disapproved by a bill enacted into law within the time set by this subsection, the Codifier of Rules must note this in the North Carolina Administrative Code.~~

(c1) Fees. - Notwithstanding any other provision of this section, a rule that establishes a new fee or increases an existing fee shall not become effective until the agency has complied with the requirements of G.S. 12-3.1.

~~(d) Legislative Day and Day of Adjournment. - As used in this section:~~

- ~~(1) A "legislative day" is a day on which either house of the General Assembly convenes in regular session.~~
- ~~(2) The "day of adjournment" of a regular session held in an odd-numbered year is the day the General Assembly adjourns by joint resolution or by operation of law for more than 30 days.~~
- ~~(3) The "day of adjournment" of a regular session held in an even-numbered year is the day the General Assembly adjourns sine die.~~

(e) OSHA Standard. - A permanent rule concerning an occupational safety and health standard that is adopted by the Occupational Safety and Health Division of the Department of Labor and is identical to a federal regulation promulgated by the Secretary of the United States Department of Labor becomes effective on the date the Division delivers the rule to the Codifier of Rules, unless the Division specifies a later effective date. If the Division specifies a later effective date, the rule becomes effective on that date.

(f) Technical Change. - A permanent rule for which no notice or hearing is required under G.S. 150B-21.5(a)(1) through (a)(5) or G.S. 150B-21.5(b) becomes effective on the first day of the month following the month the rule is approved by the Rules Review ~~Commission~~ Commission or Codifier of Rules, as applicable."

SECTION 9. Article 2A of Chapter 150B of the General Statutes is amended by adding a new section to read:

"§ 150B-21.3B. Legislative review of rules.

(a) Definitions. - As used in this section, "legislative day" means a day on which either house of the General Assembly convenes in regular session.

(b) Objection to Rule. - Any person who objects to the adoption of a permanent rule may submit written comments to the agency. If the objection is not resolved prior to adoption of the rule, a person may submit written objections to the Commission requesting review of the rule by the General Assembly. The written objections must clearly request review by the General Assembly in accordance with instructions posted on the agency's Web site pursuant to G.S. 150B-19.1(c)(4). If the Commission receives such written objections from 10 or more persons no later than 5:00 P.M. of the day following the day the Commission approves the rule, the rule will become effective as provided in subsection (e) of this section. The Commission shall notify the agency that the rule is subject to review by the General Assembly on the day following the day it receives 10 or more written objections.

(c) Agency Action. - If a rule is subject to review by the General Assembly pursuant to this section, the agency may adopt the rule as a temporary rule if the rule would have met the criteria listed in G.S. 150B-21.1(a) at the time the notice of text for the permanent rule was published in the North Carolina Register. If a rule that is subject to review by the General Assembly is one of a group of related rules adopted by the agency at the same time, the agency may cause any of the other rules in the group to become effective as provided in subsection (e) of this section by submitting a written statement to that effect to the Commission before the other rules become effective.

(d) Disapproval Bills. - Notwithstanding any rule of either house of the General Assembly, any member of the General Assembly may introduce a bill during the first 30 legislative days of the regular session of any given calendar year to specifically disapprove a rule that has been approved by the Commission and that has not become effective or has become effective by executive order under subsection (f) of this section. A bill specifically disapproves a rule if it contains a provision that refers to the rule by the appropriate North Carolina Administrative Code citation and states that the rule is disapproved.

(e) Delayed Effective Dates. - A rule that is subject to review by the General Assembly pursuant to this section shall become effective as provided in this subsection. A rule that is approved by the Commission on or before December 31 of a given calendar year becomes effective on the thirty-first legislative day of the regular session of the following calendar year unless a bill that specifically disapproves the rule is introduced in either house of the General Assembly before the thirty-first legislative day of that session. If a bill that specifically disapproves the rule is introduced in either house of the General Assembly before the thirty-first legislative day of that session, the rule becomes effective on the earlier of the day an unfavorable final action is taken on the bill or August 1 of the calendar year following the calendar year the Commission approved the rule. If the agency adopting the rule specifies a later effective date than the date that would otherwise apply under this subsection, the later date applies. A permanent rule that is not approved by the Commission or that is specifically disapproved by a bill enacted into law before it becomes effective does not become effective.

(f) Executive Order Exception. - The Governor may, by executive order, make effective a permanent rule that has been approved by the Commission but the effective date of which has been delayed in accordance with subsection (e) of this section upon finding that it is necessary that the rule become effective in order to protect public health, safety, or welfare. A rule made effective by executive order becomes effective on the date the order is issued or at a later date specified in the order. When the Codifier of Rules enters in the North Carolina Administrative Code a rule made effective by executive order, the entry must reflect this action. A rule that is made effective by executive order remains in effect unless it is specifically disapproved by the General Assembly in a bill enacted into law before August 1 of the calendar year following the calendar year the executive order is issued. A rule that is made effective by executive order and that is specifically disapproved by a bill enacted into law is repealed as of the date specified in the bill. If a rule that is made effective by executive order is not specifically disapproved by a bill enacted into law within the time set by this subsection, the Codifier of Rules must note this in the North Carolina Administrative Code."

SECTION 10. Sections 8 and 9 of this act are effective January 1, 2021. The remainder of this act is effective when it becomes law.

HOUSE BILL 612
RATIFIED BILL

(The ratified Conference Committee Substitute No. 2 was vetoed by the Governor on July 2, 2020 and returned to the House. The House referred Conference Committee Substitute No. 2 to the Committee on Rules, Calendar, and Operations of the House.)

AN ACT TO REQUIRE THE SOCIAL SERVICES COMMISSION OF THE DIVISION OF SOCIAL SERVICES TO REVIEW POLICIES, GUIDELINES, AND OTHER INTERPRETIVE STATEMENTS AND SUBMIT A REPORT TO THE OFFICE OF ADMINISTRATIVE HEARINGS; CLARIFY THE AUTHORITY OF BOARDS TO REQUIRE CRIMINAL HISTORY RECORDS; AND UPDATE THE PROCESS FOR LEGISLATIVE REVIEW OF RULES.

The General Assembly of North Carolina enacts:

SECTION 1. No later than May 31, 2021, the North Carolina Division of Social Services (Division), by and through the Division's Social Services Commission (Commission), shall prepare and submit for review to the Office of Administrative Hearings (OAH) a comprehensive report of all its policies, guidelines, and other interpretive statements. This includes all policies, guidelines, and other interpretive statements that the Division or any

of its subdivisions has sought to implement or enforce that may directly or substantially affect the procedural or substantive rights or duties of persons not employed by the Division or any of its subdivisions. The report shall include an explanation for any policies, guidelines, and other interpretive statements not adopted as a rule the Commission believes are not in violation of G.S. 150B-18. The report shall not include any emergency, temporary, or permanent rules adopted by the Division in accordance with Article 2A of Chapter 150B of the General Statutes.

SECTION 2. Upon submission of its report to the OAH, the Commission shall jointly review the report with the OAH to identify any policies, guidelines, and other interpretive statements that are in violation of G.S. 150B-18. If there is disagreement between the Commission and the OAH regarding any policies, guidelines, or other interpretive statements identified in the report as being in violation of G.S. 150B-18, then the OAH shall refer the policy, guideline, or other interpretive statement in disagreement to the Rules Review Commission (RRC). Upon referral from the OAH, the RRC shall review the policy, guideline, or other interpretive statement in disagreement, and make a determination as to whether it is in violation of G.S. 150B-18. If the Commission disagrees with a determination by the RRC as to whether any policy, guideline, or other interpretive statement is in violation of G.S. 150B-18, the Commission may file an action for declaratory judgment in Wake County Superior Court pursuant to Article 26 of Chapter 1 of the General Statutes.

SECTION 3. To ensure that administration of the Division shall continue without interruption, any policies, guidelines, or other interpretive statements identified through joint review by the Commission and the OAH, or determined by the RRC in Section 2 as being in violation of G.S. 150B-18, shall be deemed interim rules so long as they do not conflict with any provisions of the General Statutes. Any interim rule authorized by this section shall become void July 1, 2022, if the Commission has failed to adopt that interim rule as a permanent rule by that date in accordance with Article 2A of Chapter 150B of the General Statutes. A reviewing court may extend the interim rule period pending the outcome of its review, if the Commission has filed an action for declaratory judgment under Section 2. Any policy, guideline, or other interpretive statement issued by the Division after this act becomes effective shall become void one year after it is issued; however, prior to that deadline, the Secretary of Health and Human Services may reissue the policy, guideline, or other interpretive statement for an additional period of one year.

SECTION 4. G.S. 93B-8.1(a)(1) reads as rewritten:

"(1) Applicant. - A person who makes application for licensure from an occupational licensing ~~board~~ board or a State agency licensing board."

SECTION 5. G.S. 93B-8.1 is amended by adding a new subsection to read:

However, all receipts and disbursements of funds handled by the Commission shall be audited yearly by a certified or licensed public accountant and the report of the audit shall be included in and become part of the annual report of the Commission.
- (g) Qualified Immunity, Defense, and Indemnification. -
- (1) The members, officers, Executive Director, employees, and representatives of the Commission shall be immune from suit and liability, either personally or in their official capacity, for any claim for damage to or loss of property or personal injury or other civil liability caused by or arising out of any actual or alleged act, error, or omission that occurred, or that the person against whom the claim is made had a reasonable basis for believing occurred within the scope of Commission employment, duties, or responsibilities, provided that nothing in this subdivision shall be construed to protect any such person from suit and/or liability for any damage, loss, injury, or liability caused by the intentional or willful or wanton misconduct of that person.
 - (2) The Commission shall defend any member, officer, Executive Director, employee, or representative of the Commission in any civil action seeking to impose liability arising out of any actual or alleged act, error, or omission that occurred within the scope of Commission employment, duties, or responsibilities, or that the person against whom the claim is made had a reasonable basis for believing occurred within the scope of Commission employment, duties, or responsibilities, provided that nothing herein shall be construed to prohibit that person from retaining his or her own counsel, and provided further that the actual or alleged act, error, or omission did not result from that person's intentional or willful or wanton misconduct.
 - (3) The Commission shall indemnify and hold harmless any member, officer, Executive Director, employee, or representative of the Commission for the amount of any settlement or judgment obtained against that person arising out of any actual or alleged act, error, or omission that occurred within the scope

of employment, duties, or responsibilities, or that such person had a reasonable basis for believing occurred within the scope of Commission employment, duties, or responsibilities, provided that the actual or alleged act, error, or omission did not result from the intentional or willful or wanton misconduct of that person.

"§ 90-270.170. Rule making.

(a) The Commission shall exercise its rule-making powers pursuant to the criteria set forth in this section and the Rules adopted thereunder. Rules and amendments shall become binding as of the date specified in each rule or amendment.

(b) If a majority of the legislatures of the Compact States rejects a rule, by enactment of a statute or resolution in the same manner used to adopt the Compact, then such rule shall have no further force and effect in any Compact State.

(c) Rules or amendments to the rules shall be adopted at a regular or special meeting of the Commission.

(d) Prior to promulgation and adoption of a final rule or Rules by the Commission, and at least 60 days in advance of the meeting at which the rule will be considered and voted upon, the Commission shall file a Notice of Proposed Rule Making:

- (1) On the Web site of the Commission; and
- (2) On the Web site of each Compact States' Psychology Regulatory Authority or the publication in which each state would otherwise publish proposed rules.

(e) The Notice of Proposed Rule Making shall include:

- (1) The proposed time, date, and location of the meeting in which the rule will be considered and voted upon;
- (2) The text of the proposed rule or amendment and the reason for the proposed rule;
- (3) A request for comments on the proposed rule from any interested person; and
- (4) The manner in which interested persons may submit notice to the Commission of their intention to attend the public hearing and any written comments.

(f) Prior to adoption of a proposed rule, the Commission shall allow persons to submit written data, facts, opinions, and arguments, which shall be made available to the public.

(g) The Commission shall grant an opportunity for a public hearing before it adopts a rule or amendment if a hearing is requested by:

- (1) At least 25 persons who submit comments independently of each other;
- (2) A governmental subdivision or agency; or
- (3) A duly appointed person in an association that has at least 25 members.

(h) If a hearing is held on the proposed rule or amendment, the Commission shall publish the place, time, and date of the scheduled public hearing.

- (1) All persons wishing to be heard at the hearing shall notify the Executive Director of the Commission or other designated member in writing of their desire to appear and testify at the hearing not less than five business days before the scheduled date of the hearing.
- (2) Hearings shall be conducted in a manner providing each person who wishes to comment a fair and reasonable opportunity to comment orally or in writing.
- (3) No transcript of the hearing is required, unless a written request for a transcript is made, in which case the person requesting the transcript shall bear the cost of producing the transcript. A recording may be made in lieu of a transcript under the same terms and conditions as a transcript. This subsection shall not preclude the Commission from making a transcript or recording of the hearing if it so chooses.
- (4) Nothing in this section shall be construed as requiring a separate hearing on each rule. Rules may be grouped for the convenience of the Commission at hearings required by this section.

(i) Following the scheduled hearing date, or by the close of business on the scheduled hearing date if the hearing was not held, the Commission shall consider all written and oral comments received.

(j) The Commission shall, by majority vote of all members, take final action on the proposed rule and shall determine the effective date of the rule, if any, based on the rule-making record and the full text of the rule.

(k) If no written notice of intent to attend the public hearing by interested parties is received, the Commission may proceed with promulgation of the proposed rule without a public hearing.

(l) Upon determination that an emergency exists, the Commission may consider and adopt an emergency rule without prior notice, opportunity for comment, or hearing, provided that the usual rule-making procedures provided in the Compact and in this section shall be retroactively applied to the rule as soon as reasonably possible, in no event later than 90 days after the effective date of the rule. For the purposes of this provision, an emergency rule is one that must be adopted immediately in order to:

- (1) Meet an imminent threat to public health, safety, or welfare;
- (2) Prevent a loss of Commission or Compact State funds;
- (3) Meet a deadline for the promulgation of an administrative rule that is established by federal law or rule; or
- (4) Protect public health and safety.

(m) The Commission or an authorized committee of the Commission may direct revisions to a previously adopted rule or amendment for purposes of correcting typographical errors, errors in format, errors in consistency, or grammatical errors. Public notice of any revisions shall be posted on the Web site of the Commission. The revision shall be subject to challenge by any person for a period of 30 days after posting. The revision may be challenged only on grounds that the revision results in a material change to a rule. A challenge shall be made in writing and delivered to the Chair of the Commission prior to the end of the notice period. If no challenge is made, the revision will take effect without further action. If the revision is challenged, the revision may not take effect without the approval of the Commission.

"§ 90-270.171. Oversight, dispute resolution, and enforcement.

(a) Oversight. -

- (1) The executive, legislative, and judicial branches of state government in each Compact State shall enforce this Compact and take all actions necessary and appropriate to effectuate the Compact's purposes and intent. The provisions of this Compact and the rules promulgated hereunder shall have standing as statutory law.
- (2) All courts shall take judicial notice of the Compact and the rules in any judicial or administrative proceeding in a Compact State pertaining to the subject matter of this Compact which may affect the powers, responsibilities, or actions of the Commission.
- (3) The Commission shall be entitled to receive service of process in any such proceeding and shall have standing to intervene in such a proceeding for all purposes. Failure to provide service of process to the Commission shall render a judgment or order void as to the Commission, this Compact, or promulgated rules.

(b) Default, Technical Assistance, and Termination. -

- (1) If the Commission determines that a Compact State has defaulted in the performance of its obligations or responsibilities under this Compact or the promulgated rules, the Commission shall:
 - a. Provide written notice to the defaulting state and other Compact States of the nature of the default, the proposed means of remedying the default, and/or any other action to be taken by the Commission; and
 - b. Provide remedial training and specific technical assistance regarding the default.
- (2) If a state in default fails to remedy the default, the defaulting state may be terminated from the Compact upon an affirmative vote of a majority of the Compact States and all rights, privileges, and benefits conferred by this Compact shall be terminated on the effective date of termination. A remedy of the default does not relieve the offending state of obligations or liabilities incurred during the period of default.

- (3) Termination of membership in the Compact shall be imposed only after all other means of securing compliance have been exhausted. Notice of intent to suspend or terminate shall be submitted by the Commission to the Governor, the majority and minority leaders of the defaulting state's legislature, and each of the Compact States.
 - (4) A Compact State which has been terminated is responsible for all assessments, obligations, and liabilities incurred through the effective date of termination, including obligations which extend beyond the effective date of termination.
 - (5) The Commission shall not bear any costs incurred by the state which is found to be in default or which has been terminated from the Compact, unless agreed upon in writing between the Commission and the defaulting state.
 - (6) The defaulting state may appeal the action of the Commission by petitioning the United States District Court for the State of Georgia or the federal district where the Compact has its principal offices. The prevailing member shall be awarded all costs of such litigation, including reasonable attorneys' fees.
- (c) Dispute Resolution. -
- (1) Upon request by a Compact State, the Commission shall attempt to resolve disputes related to the Compact which arise among Compact States and between Compact and Non-Compact States.
 - (2) The Commission shall promulgate a rule providing for both mediation and binding dispute resolution for disputes that arise before the Commission.
- (d) Enforcement. -
- (1) The Commission, in the reasonable exercise of its discretion, shall enforce the provisions and Rules of this Compact.
 - (2) By majority vote, the Commission may initiate legal action in the United States District Court for the State of Georgia or the federal district where the Compact has its principal offices against a Compact State in default to enforce compliance with the provisions of the Compact and its promulgated Rules and Bylaws. The relief sought may include both injunctive relief and damages. In the event judicial enforcement is necessary, the prevailing member shall be awarded all costs of such litigation, including reasonable attorneys' fees.
 - (3) The remedies herein shall not be the exclusive remedies of the Commission. The Commission may pursue any other remedies available under federal or state law.

"§ 90-270.172. Date of implementation of the Psychology Interjurisdictional Compact Commission and associated rules, withdrawal, and amendments.

(a) The Compact shall come into effect on the date on which the Compact is enacted into law in the seventh Compact State. The provisions which become effective at that time shall be limited to the powers granted to the Commission relating to assembly and the promulgation of rules. Thereafter, the Commission shall meet and exercise rule-making powers necessary to the implementation and administration of the Compact.

(b) Any state which joins the Compact subsequent to the Commission's initial adoption of the rules shall be subject to the rules as they exist on the date on which the Compact becomes law in that state. Any rule which has been previously adopted by the Commission shall have the full force and effect of law on the day the Compact becomes law in that state.

(c) Any Compact State may withdraw from this Compact by enacting a statute repealing the same.

(1) A Compact State's withdrawal shall not take effect until six months after enactment of the repealing statute.

(2) Withdrawal shall not affect the continuing requirement of the withdrawing State's Psychology Regulatory Authority to comply with the investigative and adverse action reporting requirements of this act prior to the effective date of withdrawal.

(d) Nothing contained in this Compact shall be construed to invalidate or prevent any psychology licensure agreement or other cooperative arrangement between a Compact State and a Non-Compact State which does not conflict with the provisions of this Compact.

(e) This Compact may be amended by the Compact States. No amendment to this Compact shall become effective and binding upon any Compact State until it is enacted into the law of all Compact States.

"§ 90-270.173. Construction and severability.

This Compact shall be liberally construed so as to effectuate the purposes thereof. If this Compact shall be held contrary to the constitution of any state member thereto, the Compact shall remain in full force and effect as to the remaining Compact States."

SECTION 1.(c) This section becomes effective March 1, 2021.

- (1) The Secretary has received a request:
 - a. To certify a licensed clinical social worker, a master's or higher level degree nurse practitioner, a licensed professional counsellor, a licensed marriage and family therapist, or a physician's assistant to conduct the first examinations described in G.S. 122C-263(c) and G.S. 122C-283(c).
 - b. To certify a master's level licensed clinical addictions specialist to conduct the first examination described in G.S. 122C-283(c).

...

- (5) In no event shall the certification of a licensed clinical social worker, master's or higher level degree nurse practitioner, licensed professional counsellor, a licensed marriage and family therapist, physician assistant, or master's level certified clinical addictions specialist under this section be construed as authorization to expand the scope of practice of the licensed clinical social worker, the master's level nurse practitioner, licensed professional counsellor, a licensed marriage and family therapist, physician assistant, or the master's level certified clinical addictions specialist.

...

- (9) A licensed marriage and family therapist shall not be authorized to conduct the initial examination of an individual married to a patient of the licensed marriage and family therapist."

SECTION 2.(b) This section becomes effective October 1, 2020.

PART III. ELIMINATE REDUNDANCY IN ADULT CARE HOME INSPECTIONS

SECTION 3. G.S. 131D-2.11(a) reads as rewritten:

"(a) State Inspection and Monitoring. - The Department shall ensure that adult care homes required to be licensed by this Article are monitored for licensure compliance on a regular basis. All facilities licensed under this Article and adult care units in nursing homes are subject to inspections at all times by the Secretary. Except as provided in subsection (a1) of this section, the Division of Health Service Regulation shall inspect all adult care homes and adult care units in nursing homes on an annual basis. Beginning July 1, 2012,

the Division of Health Service Regulation shall include as part of its inspection of all adult care homes a review of the facility's compliance with G.S. 131D-4.4A(b) and safe practices for injections and any other procedures during which bleeding typically occurs. In addition, the Department shall ensure that adult care homes are inspected every two years to determine compliance with physical plant and life-safety requirements.

If the annual or biennial licensure inspection of an adult care home is conducted separately from the inspection required every two years to determine compliance with physical plant and life-safety requirements, then the Division of Health Service Regulation shall not cite, as part of the annual or biennial licensure inspection, any noncompliance with any law or regulation that was cited during a physical plant and life-safety inspection, unless, in consultation with the section within the Division of Health Service Regulation that conducts physical plant and life-safety inspections, any of the following conditions are met:

- (1) The noncompliance with the law or regulation continues and the noncompliance constitutes a Type A1 Violation, a Type A2 Violation, or a Type B Violation, as defined in G.S. 131D-34.
- (2) The facility has not submitted a plan of correction for the physical plant or life-safety citation that has been accepted by the section within the Division of Health Service Regulation that conducts physical plant and life-safety inspections.
- (3) The noncompliance with the physical plant or life-safety law and regulation cited by the section within the Division of Health Service Regulation that conducts physical plant and life-safety inspections has not been corrected within the time frame allowed for correction or has increased in severity.

Nothing in this subsection prevents a licensing inspector from referring a concern about physical plant and life-safety requirements to the section within the Division of Health Service Regulation that conducts physical plant and life-safety inspections."

PART IV. STEP THERAPY PROTOCOLS

SECTION 4.(a) G.S. 58-3-221 reads as rewritten:

"§ 58-3-221. Access to nonformulary and restricted access prescription drugs.

(a) If an insurer (i) maintains one or more closed formularies for or restricts access to covered prescription drugs or ~~devices, devices or~~ (ii) requires an enrollee in a plan with an open or closed formulary to use a prescription drug or sequence of prescription drugs, other than the drug the enrollee's health care provider recommends, before the insurer provides coverage for the recommended prescription drug, then the insurer shall do all of the following:

- (1) Develop the ~~formulary or formularies or protocols~~ and any restrictions on access to covered prescription drugs or devices in consultation with and with the approval of a pharmacy and therapeutics committee, ~~which shall include participating physicians who are licensed to practice medicine in this State committee.~~
- (2) Make available to participating providers, pharmacists, and enrollees the complete drugs or devices formulary or formularies maintained by the insurer including a list of the devices and prescription drugs on the formulary by major therapeutic category that specifies whether a particular drug or device is preferred over other drugs or ~~devices.~~ as well as any utilization management program indicators.
- (3) ~~Establish and maintain an expeditious process or procedure that allows an enrollee or the enrollee's physician acting on behalf of the enrollee to obtain, without penalty or additional cost sharing beyond that provided for in the health benefit plan, coverage for a specific nonformulary drug or device determined to be medically necessary and appropriate by the enrollee's participating physician without prior approval from the insurer, after the enrollee's participating physician notifies the insurer that:~~
 - a. ~~Either (i) the formulary alternatives have been ineffective in the treatment of the enrollee's disease or condition, or (ii) the formulary alternatives cause or are reasonably expected by the physician to cause a harmful or adverse clinical reaction in the enrollee; and~~
 - b. ~~Either (i) the drug is prescribed in accordance with any applicable clinical protocol of the insurer for the prescribing of the drug, or (ii) the drug has been approved as an exception to the clinical protocol pursuant to the insurer's exception procedure.~~ Update protocols based on a review of new evidence, research, and newly developed treatments.
- (4) ~~Provide coverage for a restricted access drug or device to an enrollee without requiring prior approval or use of a nonrestricted formulary drug if an enrollee's physician certifies in writing that the enrollee has previously used an alternative nonrestricted access drug or device and the alternative drug or device has been detrimental to the enrollee's health or has been ineffective in treating the same condition and, in the opinion of the prescribing physician, is likely to be detrimental to the enrollee's health or ineffective in treating the condition again.~~ An insurer, or a pharmacy

benefits manager under contract with an insurer, shall require that its pharmacy and therapeutics committee either meet the requirements for conflict of interest set by the Center for Medicare and Medicaid Services or meet the accreditation standards of the National Committee for Quality Assurance or another independent accrediting organization.

(b) An insurer may not void a contract or refuse to renew a contract between the insurer and a prescribing provider because the prescribing provider has prescribed a medically necessary and appropriate nonformulary or restricted access drug or device as provided in this section.

(b1)Exception Process. - Each insurer shall establish and maintain an expeditious process or procedure, published on either the insurer's Web site or in policies provided to health care providers, that allows an enrollee or the enrollee's prescribing provider acting on behalf of the enrollee to obtain, without penalty or additional cost-sharing beyond that provided for in the health benefit plan, coverage for a specific nonformulary drug or device or the drug requested by the prescribing provider, if it is determined to be medically necessary and appropriate by the enrollee's prescribing provider and the prescription drug is covered under the current health benefit plan.

(1) An insurer shall grant an exception request if the prescribing provider's submitted justification and supporting clinical documentation are sufficient to demonstrate any of the following:

- a. The enrollee has tried the alternate drug or drugs while covered by the current or the previous health benefit plan.
- b. The formulary or alternate drug or drugs has been ineffective in the treatment of the enrollee's disease or condition.
- c. The formulary or alternate drug or drugs causes or is reasonably expected by the prescribing provider to cause a harmful or adverse clinical reaction in the enrollee.
- d. Either (i) the drug is prescribed in accordance with any applicable clinical protocol of the insurer for the prescribing of the drug or (ii) the drug has been approved as an exception to the clinical protocol pursuant to the insurer's exception procedure.
- e. The enrollee's prescribing provider certifies in writing that the enrollee has previously used an alternative nonrestricted access drug or device and the alternative drug or device has been detrimental to the enrollee's health or has been ineffective in treating the same condition and, in the opinion of the prescribing health care provider, is likely to be detrimental to the enrollee's health or ineffective in treating the condition again.

- (2) Nothing in this section shall preclude an insurer from requiring prior authorization for the coverage of a prescribed drug that was covered by the enrollee's previous health benefit plan.

(b2) Pharmaceutical drug samples or patient incentive programs, including coupons or debit cards, shall not be considered trial and failure of a preferred prescription drug in lieu of trying the formulary-preferred prescription drug.

(b3) Exception process requirements:

- (1) The insurer, health benefit plan, or utilization review organization may request relevant documentation from the patient or health care provider to support the exception request. Relevant information includes the results of any patient examination, clinical evaluation, or second opinion that may be required.

- (2) A licensed physician or licensed pharmacist shall evaluate the clinical appropriateness of the exception request.

- (3) For nonurgent exception requests for a prospective or concurrent review:

a. The insurer shall communicate to the enrollee's health care provider if additional information is required within 72 hours after the insurer receives the exception request.

b. The insurer shall communicate an exception request determination to the enrollee's providers within 72 hours after receiving all relevant information.

- (4) In the case of an urgent review:

a. The insurer shall communicate to the enrollee's health care provider if additional information is required within 24 hours after the insurer receives the exception request.

b. The insurer shall communicate an exception request determination to the enrollee's providers within 24 hours after receiving all relevant information.

(c) As used in this section:

- (1) "Closed formulary" means a list of prescription drugs and devices reimbursed by the insurer that excludes coverage for drugs and devices not listed.

(1a) "Health benefit plan" has definition provided in G.S. 58-3-167.

(2) "Insurer" has the meaning provided in G.S. 58-3-167.

(3) "Restricted access drug or device" means those covered prescription drugs or devices for which reimbursement by the insurer is conditioned on the insurer's prior approval to prescribe the drug or device or on the provider prescribing one or more alternative drugs or devices before prescribing the drug or device in question.

(d) Nothing in this section requires an insurer to pay for drugs or devices or classes of drugs or devices related to a benefit that is specifically excluded from coverage by the insurer.

(e) This section shall not be construed to prevent the health benefit plan from requiring an enrollee to try an A-rated generic equivalent drug, or a biosimilar, as defined under 42 U.S.C. § 262(i)(2), prior to providing coverage for the equivalent branded prescription drug."

SECTION 4.(b) This section becomes effective October 1, 2020, and applies to insurance contracts issued, renewed, or amended on or after that date.
