## INTRODUCTION

G.S. 115C-310 requires that the State Board of Education have a program to facilitate the process by which teacher assistants may become teachers and consult with the Board of Governors of The University of North Carolina and the North Carolina Independent Colleges and Universities regarding the program. It encourages LEAs to assign the teacher assistants to different classrooms during their student teaching than the classroom they are assigned to as a teacher assistant. The teacher assistants may continue to receive their salary and benefits while student teaching in the same LEA where they are employed as a teacher assistant.

## BACKGROUND OF PROGRAM

Section 8.29 of the 2016 Appropriations Act created a pilot program for 5 local boards of education (Anson County, Franklin County, Moore County, Richmond County, and Scotland County) and their local school administrative units (LEAs) to provide tuition assistance awards to part-time or full-time teacher assistants working in the selected LEAs to pursue college degrees that would result in teacher licensure.

On April 11, 2017, Senate Bill 447 was introduced by Sens. Barefoot, McInnis, Smith-Ingram to expand the teacher assistant tuition reimbursement pilot program established by the General Assembly in the 2016 Appropriations Act to include 10 additional local boards of education and their local school administrative units.

Senate Bill 447 would expand the teacher assistant tuition reimbursement pilot program beginning with the 2017-2018 fiscal year to the local boards of education of the following LEAs: Alamance County Schools, Beaufort County Schools, Bertie County Schools, Duplin County Schools, Edenton-Chowan Schools, Edgecombe County Schools, Halifax County Schools, Nash-Rocky Mount Schools, Northampton County Schools, Tyrrell County Schools, Vance County Schools, and Washington County Schools.

In 2019, the following districts were added to the pilot program; Alleghany, Ashe County Schools, Bladen County Schools, Cherokee County Schools, Clay County Schools, Columbus County Schools, Davidson County Schools, Graham County Schools, Greene County Schools, Jackson County Schools, Jones County schools, Lenoir County schools, Macon County Schools, McDowell County Schools, Mitchell County Schools, Public Schools of Robeson County Schools, Swain County Schools, Yadkin County Schools and Yancy County Schools. Tuition assistance can be provided for part-time or full-time coursework and academic leave can be granted for classes.

Section 8.29 of S.L. 201694, as amended by Section 7.20 of S.L. 201757 and by Section 6(m) of S.L. 2017189 provides that each local board of education participating in the program may now select up to five teacher assistants to receive an award of up to four thousand six hundred dollars (**\$4,600**) per academic year for a **period of up to four years** to be used towards the cost of tuition and fees. Priority for awards shall be given to a teacher assistant who received a tuition assistance award for the previous academic year and who is making satisfactory academic progress towards achieving teacher licensure. The chart below shows the 38 districts in our state eligible to participate in the Teacher Assistants Tuition Reimbursement Program (TAs to Teachers).

Dear Ms. Kimbrough,

Duplin County Schools is thankful for the opportunity to financially support teacher assistants in becoming North Carolina educators. Our program was able to assist teacher assistants in Fall 2022, Spring and Summer 2023 semesters. The following is a synopsis of the Teacher Assistant Tuition Reimbursement Pilot Program for the 2022-23 school year:

1. Duplin County Schools employed 163 Teacher Assistants during the 2022-23 school year. Five Teacher Assistants are seeking teacher licensure via the TA to Teacher Pilot Program. However, several are pursuing teacher licensure on their own. We are only aware of one who completed her degree and internship during the year who will be employed as a teacher in the 2023-24 school year. The five Teacher Assistants in Duplin County Schools were awarded \$7,654.04.04 in tuition assistance during the 2022-23 school year.
2. Of the five seeking licensure this school year, one served as an intern, completed her degree, applied for licensure and has been offered a position with Duplin County Schools. She received tuition assistance for Spring 2022, Summer 2022, Fall 2022, Spring 2023, and Summer 2023.
3. All five Teacher Assistants have remained with Duplin County Schools.

Thank you for investing in the teacher assistants of Duplin County Schools. Feel free to contact me if you have any questions.

Dear Joint Legislative Education Oversight Committee:

Included below is a summary of the results of the Teacher Assistant Tuition Reimbursement Program for the 2022-23 fiscal year. During the 2022-23 school year:

1. This program enabled us to provide five (5) \$4,600 tuition assistance awards, for a total of \$23,000. A total of \$13,748.54 of these funds was spent during 2022-23.
2. Although none of our teacher assistants who received a tuition award during the 2022-23 school year achieved initial teacher licensure, all are making progress towards teacher licensure.
3. Of the three (3) teacher assistant tuition award program recipients who achieved teacher licensure during either the 2020-21 or 2021-22 school years, all remain employed in our school district.

We are excited about the program and grateful our teacher assistants have an opportunity to receive tuition assistance awards while pursuing their dream of becoming teachers in our school district. Thank you for providing this opportunity.

Respectfully,

Freda D. Clifton  
Executive Director of Personnel and Equity
