**Executive Summary:**

The Economic Investment Committee awarded a Job Development Investment Grant to Wolfsped, Inc. for a qualifying project in Chatham County on September 9, 2022 the terms of which are governed by the Community Economic Development Agreement (CEDA). The Department has entered into agreements with Wolfsped, Inc. and the City of Asheboro for the disbursement of appropriated funds, though no funds have been expended to date.

The company is obligated to reimburse all funds received if they fail to commence or maintain operations at the project site prior to December 31, 2030.

The Department has entered in a Memorandum of Understanding with the City of Asheboro under which the City is required to expend the funds solely for the purposes authorized by the legislation and to document to the Department that all expenditures meet this requirement. Funds will be released in quarterly disbursements upon documentation from the City that prior funds have been expended on eligible expenditures.
