### ONE HUNDRED SIXTY-NINTH DAY

HOUSE OF REPRESENTATIVES  
Thursday, January 6, 2022

The House meets at 12:00 p.m. pursuant to adjournment and is called to order by Representative Penny.

The following prayer is offered by Representative Joe John:

"May this be the day  
We come together.  
Mourning, we come to mend,  
Withered, we come to weather,  
Torn, we come to tend,  
Battered, we come to better.  
Tethered by this year of yearning,  
We are learning  
That though we weren't ready for this,  
We have been readied by it.  
Steadily we vow that no matter  
How we are weighed down,  
We must always pave a way forward.  
This hope is our door, our portal,  
Even if we never get back to normal.  
Someday we can venture beyond it,  
To leave the known and take the first steps.  
So let us not return to what was normal,  
But reach toward what is next.  
What was cursed, we will cure.  
What was plagued, we will prove pure.  
Where we tend to argue, we will try to agree,  
Those fortunes we foreswore, now the future we foresee,  
Where we weren't aware, we're now awake;  
Those moments we missed  
Are now those moments we make,  
The moments we meet.  
And our hearts, once altogether beaten,  
Now all together beat.  
Come, look up with kindness yet,  
For even solace can be sourced from sorrow.  
We remember, not just for the sake of yesterday,  
But to take on tomorrow.  
We heed this old spirit,  
In a new day's lyric,  
In our hearts we hear it:  
For auld lang syne, my dear,  
For auld lang syne.  
Be bold, sang Time this year,  
Be bold, sang Time,

January 6, 2022

For when you honor yesterday,  
Tomorrow ye will find.  
Know what we've fought  
Need not be forgot nor for none  
It defines us, binds us as one.  
Come over, join this day just begun,  
For wherever we come together,  
We will forever overcome.'

"And so, we wish a blessed and happy New Year for all who labor in this North Carolina House of Representatives."

("New Day's Lyric" by Amanda Gorman)

HOUSE OF REPRESENTATIVES  
Thursday, January 13, 2022

The House meets at 11:30 a.m. pursuant to adjournment and is called to order by the Speaker.

The following prayer is offered by Representative Donna McDowell White:

"Praise the Lord, my soul; all my inmost being, praise his holy name.

"Praise the Lord, my soul, and forget not all his benefits - who forgives all your sins and heals all your diseases, who redeems your life from the pit and crowns you with love and compassion, who satisfies your desires with good things so that your youth is renewed like the eagle's.

"The Lord works righteousness and justice for all the oppressed.

"He made known his ways to Moses, his deeds to the people of Israel: The Lord is compassionate and gracious, slow to anger, abounding in love.

January 13, 2022

"He will not always accuse, nor will he harbor his anger forever; he does not treat us as our sins deserve or repay us according to our iniquities.

"For as high as the heavens are above the earth, so great is his love for those who fear him; as far as the east is from the west, so far has he removed our transgressions from us.

"As a father has compassion on his children, so the Lord has compassion on those who fear him; for he knows how we are formed, he remembers that we are dust.

"The life of mortals is like grass, they flourish like a flower of the field; the wind blows over it and it is gone, and its place remembers it no more.

"But from everlasting to everlasting the Lord's love is with those who fear him, and his righteousness with their children's children - with those who keep his covenant and remember to obey his precepts.

"The Lord has established his throne in heaven, and his kingdom rules over all.

"Praise the Lord, you his angels, you mighty ones who do his bidding, who obey his word.

"Praise the Lord, all his heavenly hosts, you his servants who do his will.

"Praise the Lord, all his works everywhere in his dominion.

"Praise the Lord, my soul.'

February 16, 2022

Dear Speaker Moore,

Please accept my resignation from the North Carolina House of Representatives for the 56th House District in Orange County, effective March 31, 2022.

February 16, 2022

It has been a great honor to have served the people of Orange County for these 25+ years. I'm grateful for the opportunity to have made a positive difference for people with mental illness, developmental disabilities and addiction disease as well as to have helped initiate and improve our early childhood education program. It was also gratifying to have influenced improvements in our laws on the environment and election law.

I have many happy memories of the Members of the North Carolina House that I served with over the years, many of whom are lifelong friends. I grew to have great respect and gratitude for the General Assembly staff and the superb assistance I could count on.

I will be forever grateful to my constituents for allowing me to serve Orange County in the North Carolina House. I feel so blessed to have had this opportunity to help make state government a positive factor in the lives of the people of this great state.

**GOVERNOR'S OBJECTIONS AND VETO MESSAGE**

*Senate Bill 173, "AN ACT TO PROVIDE PARENTAL DISCRETION IN REQUIREMENTS FOR FACE COVERINGS ON PUBLIC SCHOOL UNIT PROPERTY."*

"I have encouraged local boards to lift mask mandates and they are doing it across the state with the advice of health officials who see that COVID metrics are declining and vaccinations are increasing. The bipartisan law the legislature passed and I signed last year allows local boards to make these decisions for their own communities and that is still the right course. Passing laws for political purposes that encourage people to pick and choose which health rules they want to follow is dangerous and could tie the hands of public health officials in the future.

"Therefore, I veto the bill."

Submitted by Representative Pat McElraft:

**TARDIVE DYSKINESIA AWARENESS WEEK**

**WHEREAS**, many people with serious, chronic mental illness, such as schizophrenia, bipolar disorder, severe depression, or gastrointestinal disorders, including gastroparesis, nausea, and vomiting, require treatment with medications that work as dopamine receptor blocking agents (DRBAs), including antipsychotics; and

**WHEREAS**, Tardive Dyskinesia is often unrecognized, and patients suffering from the illness are commonly misdiagnosed. Regular screening for TD in patients taking DRBA medications is recommended by the American Psychiatric Association (APA);

**NOW, THEREFORE**, the week of May 1, 2022, should be observed as Tardive Dyskinesia Awareness Week to encourage the public to learn more about this illness.

**A REPRESENTATIVE STATEMENT**

Submitted by Representative Dean Arp:

**RECOGNIZING MAY 25, 2022, AS  
"SHOW ME YOUR BRAVE DAY" IN NORTH CAROLINA  
TO PROMOTE AWARENESS AND INSPIRE  
BULLYING PREVENTION**

**WHEREAS**, "Show Me Your BRAVE Day" is part of a bullying prevention platform founded by Maddie Crotts, a college student and citizen of Monroe, North Carolina to encourage students in schools and colleges in North Carolina and across the nation to be courageous and speak out in classrooms and on social media to tell their own story of when they exhibited bravery in their life. Through in-person classroom and virtual presentations, interactive teaching kits, published children's books, nationwide Beautifully BRAVE video campaigns, and the use of social media websites, Maddie has effectively introduced the values of kindness and inclusion with the objective of standing up against the social injustices of bullying in our classrooms, communities, and daily lives; and

**WHEREAS**, "BRAVE," which stands for Building Respect and Values for Everyone, is an initiative created to educate and provide awareness to children, parents, and communities about the impact of bullying and everyone's role in preventing it and providing a bully-free environment; and

**WHEREAS**, bullying most often involves student-to-student interactions and is noted by the National School Safety Center as the most enduring and under-rated problem in U.S. schools. According to the National Center of Educational Statistics, one out of every five (20.2%) students report being bullied and 41% of students who reported being bullied at school indicated that they think the bullying would happen again. Studies show both students who engage in bullying and students who experience bullying are more likely to experience school failure. Bullying is not done by a small number of students who are socially and emotionally isolated, but is common across socio-economic status, gender, grade, and class. Any student can exhibit bullying behavior - male or female, popular or unpopular, students with good grades, and those who struggle academically. "Show Me Your BRAVE Day" is an opportunity for all students from all walks of life to stand up and speak out; and

May 25, 2022

**WHEREAS**, whether having been bullied, seen someone being bullied, or been the bully, bullying is a personal issue that all can relate to. Bullying takes the form of physical, verbal, social, and cyberbullying. In this virtual world we now live in, cyberbullying takes place over cell phones, computers, and tablets through sending, posting, or sharing negative, harmful, false, or mean content about someone else. According to Stopbullying.gov, about 16% of students in grades 9-12 experienced cyberbullying in 2019. Reports of cyberbullying are highest among middle school students, followed by high school students, and then primary school students according to the Centers for Disease Control. Social media platforms, such as Facebook, Instagram, Snapchat, and Tik Tok are common grounds for cyberbullying. Hence, "Show Me Your BRAVE Day" specifically seeks to counteract this harmful negativity on social media with positive messages and experiences; and

**WHEREAS**, the effects and impact of bullying are detrimental to both individuals and society. Students who experience bullying are at increased risk for depression, anxiety, sleep difficulties, lower academic achievement, and dropping out of school according to the Centers for Disease Control. Bullied students are also at a greater risk for both mental health and behavior problems and indicated bullying has impacted their relationships with friends and family, schoolwork, and physical health. They also are twice as likely as non-bullied peers to experience negative health effects such as headaches and stomachaches. Youth who self-blame and conclude they deserved to be bullied are more likely to face negative outcomes, such as depression, prolonged victimization, and maladjustment. (Perren, Ettakal, & Ladd, 2013). Bullying affects witnesses as well as targets. Witnesses are more likely to use tobacco, alcohol, or other drugs; have increased mental health problems; and miss or skip school according to Stopbullying.gov. "Show Me Your BRAVE Day" provides a pivotal moment and platform to show and give others hope and encouragement; and

**WHEREAS**, students, parents, educators, and communities all have a responsibility to address bullying in schools, on-line and in communities. And most importantly, to model how to treat others with respect and kindness and keep communication lines open. Children and students are always watching and learning from others how friends, colleagues, and families are being treated. "Show Me Your BRAVE Day" allows an opportunity for peers and others to share personal stories and provide real-life examples publicly of courage and bravery in recognizing, preventing, and overcoming bullying;

**NOW, THEREFORE, BE IT RESOLVED**, it is fitting to recognize May 25, 2022, as "Show Me Your BRAVE Day" in North Carolina to encourage our students and citizens to make a public stand and pronounce their personal bravery in the battle against bullying to promote awareness and inspire bullying prevention.

On motion of Representative Potts, the following remarks are spread upon the Journal.

**REMARKS BY REPRESENTATIVE ADAMS**

"Fifty years ago today, a friend of mine perished in Vietnam. I'll read notes from one of his classmates. The Battle of Kontum began in Central Highlands in the Spring of 1972. During the battle, Americans were in trouble. Joe Eubanks stepped forward to fly the mission. He flew his Huey through heavy small arms and under aircraft fire to rescue two Americans. Later that afternoon, Joe flew a second mission through intense enemy fire to rescue more American advisors. When the call went out again, Joe flew to the sound of guns a third time and was able to rescue two more Americans. For his heroic voluntary actions, Joe Eubanks was awarded the Distinguished Flying Cross. Several weeks later, Joe, one week from rotating out of Vietnam, and no longer on flight operations, volunteered for another mission to rescue Americans. During the mission, Joe's Huey was raked by heavy ground fire and crashed. Despite the heroic efforts of his flight crew to extricate him, Joe died in the fiery wreckage.

"I waited a long time to pay tribute to Joe. He was very important to me. This is the place, you're the audience, where I want to pay my respects. Joe was an orphan. His adopted parents were older, and they had no other children. Joe openly expressed his love and appreciation for his adoptive parents. I was in high school with Joe. He was a couple years older than me. We all hung out in front of the old Concord High School, now the Glenn Center, in the mornings and at lunch. Joe was a small guy. He was about five foot five. Very animated. He loved sports, particularly basketball. Joe would act out plays he'd seen at basketball games. He had a huge sense of humor and quick wit. His eyes danced as he would act these things out. He loved history. World War II history. Civil War history. He graduated, and I lost track of him.

June 2, 2022

"I entered The Citadel in the Fall of 1968. A couple weeks after I arrived, I ran into Joe in the cadet canteen. I had no idea he was there. Upperclassmen were forbidden to fraternize with 4th classmen. But Joe said hello and wished me well. Joe was a Cadet Lieutenant in Second Battalion H Company. I was in Fourth Battalion Romeo Company. Plebe year at The Citadel was mental and physical; it was designed to break the weak. Joe had chosen Ranger Airborne in 1965, an incredibly challenging path. You see, a man of his small stature would earn the wrath of upperclassmen, because they wanted men of strength and stature. I knew others like Joe. They were different. Knob year was challenging for me, and like all freshmen, attrition began quickly and continued. By December, I was struggling, and one afternoon, I entered my room after classes and Joe was there. It was not a friendly visit; he was risking his rank by being there. Fraternizing with a freshman was one thing, but he was in a freshman's room alone, a possible honor violation if he was challenged. Joe was not there to give me a pep talk. He gave me a reality check. His remarks were direct and focused. In essence, he also gave me the key to the system. I truly believe that Joe gave me the ability to meet the challenges of the system and actually made second semester a relative breeze. I always wanted to thank him, but he graduated and again disappeared. I figured I'd catch him later.

"I got word of his death a couple of weeks after I graduated. This is the first place, the first time, I felt a real opportunity to pay homage to Joe. If he had lived, I would not be at all surprised if he had not been one of us. If it hadn't been for him, I seriously doubt I would be here. And so, here's to you, Joe Eubanks, son of North Carolina, American hero. My friend, my mentor. Thank you for listening."

**REMARKS BY REPRESENTATIVE MAJEED**

"Peace, Mr. Speaker and Members of this House. The last time I spoke in this Chamber was on the occasion of D-Day honoring the brave soldiers who sacrificed their lives and stormed the shores of Normandy. At that time, I wanted to speak on what I am about to share, but I didn't think it was appropriate for the occasion. So now I get an opportunity to share. Although I represent a district in Charlotte, I am a native of Raleigh with deep roots and grew up on Jones Street. As I traverse this city, I hear voices and none speak louder than in this historic building. I want to take this opportunity to salute my great-grandfather of four preceding generations: Jacob Stanley Haywood. Jacob Stanley Haywood was a slave. He was a highly-skilled carpenter who took part in the planning and construction of this North Carolina State Capitol Building. It is documented that expert economists of that time period were very impressed with his talent.

"Although he was a skilled craftsman and planner, he was a slave. In his labor, I can't imagine him thinking that one day, some of his great-grandsons would serve as a State Senator, Mayor of Raleigh, and a Member of the North Carolina House of Representatives, let alone his great-grandson giving an address in the very building he played a major role in planning and constructing. Thank you, dear great-grandfather, for the fortitude in your struggle to maintain your humanity.

"Hear me, dear great-grandfather. I stand tall today as an extension of you, and thank you for passing down to me your human excellence. Dear great-grandfather, I pray that Almighty G-d have mercy on your soul, forgive you your sins, and grant you Paradise. Amen.

"Thank you, Mr. Speaker, for affording me this time."

**HONORING THE LIFE-SAVING HEROISM OF  
MOLLIE COLASACCO OF MOORE COUNTY**

**WHEREAS**, Mollie Ann Colasacco, a 13-year-old student at Southern Middle School in Aberdeen, is a cadet with the girl scouts who has received bronze and silver awards. She enjoys the outdoors, especially fishing, bird watching, and gardening. **WHEREAS**, while at the Medical Center, the doctors determined that Emma had a split aorta and needed emergency heart surgery. She was transferred to Cape Fear Valley Medical Center in Fayetteville, where a stint was placed in her split aorta to stop the bleeding. **WHEREAS**, currently, Mollie is being treated for continued issues with her radial forearm and Emma must undergo months of therapy and rehabilitation, but her prognosis looks good;

**NOW, THEREFORE**, Mollie Ann Colasacco deserves to be recognized for saving the life of her sister, Emma Grace Colasacco, on May 23, 2022, after their ATV accident by quickly contacting 911 and, despite her own injuries, walking from the accident site to meet and lead first responders to her injured sister, who needed lifesaving emergency medical treatment.

**TWO HUNDRED TWENTY-FIFTH DAY**

HOUSE OF REPRESENTATIVES  
Thursday, June 23, 2022

The House meets at 9:00 a.m. pursuant to adjournment and is called to order by the Speaker.

The following prayer is offered by Representative Donny Lambeth:

"Our most kind and gracious Heavenly Father, what a day it is in North Carolina - a day to celebrate, a day to give thanks, a day to appreciate each other and the work that we do. A day to appreciate the families represented here who sacrifice as Members come to Raleigh to do the work of this State.

"We know that this is a difficult time for many of our families. We continue to ask that You bless them and comfort them as they struggle through some of the challenges they face.

"We also pray today - especially during this peak vacation season - that You watch over our Members and their families and our citizens as they travel. Keep them from harm's way as they enjoy the bounties of this great State and Nation.

"We pray for Your blessings over this great country. We pray for our Nation's leaders and ask for Your guidance and blessings upon them.

"In Your Name we pray. Amen."

Submitted by Representative Grier Martin:

**HONORING THE LIFE OF MARY CAROL MICHIE**

**WHEREAS**, Mary Carol Coker was born on August 11, 1934, to Caroline and Winchester Coker of Georgia; and

**GOVERNOR'S OBJECTIONS AND VETO MESSAGE**

*Senate Bill 101, "AN ACT TO REQUIRE COMPLIANCE WITH IMMIGRATION DETAINERS AND ADMINISTRATIVE WARRANTS AND TO REQUIRE CERTAIN REPORTS FROM LOCAL LAW ENFORCEMENT."*

"This law is only about scoring political points and using fear to divide North Carolinians. As the state's former top law enforcement officer, I know that current law already allows the state to incarcerate and prosecute dangerous criminals regardless of immigration status. This bill is unconstitutional and weakens law enforcement in North Carolina by mandating that sheriffs do the job of federal agents, using local resources that could hurt their ability to protect their counties.

"Therefore, I veto the bill."

S/ Roy Cooper  
*Governor*

*The bill, having been vetoed, is returned to the Clerk of the North Carolina Senate on this the 11th day of July 2022, at 3:39 p.m. for reconsideration by that body.*

Mr. Speaker:

It is ordered that a message be sent to your honorable body that **S.B. 593 (Ratified)**, AN ACT TO PROVIDE THAT THE EASTERN NORTH CAROLINA SCHOOL FOR THE DEAF, THE NORTH CAROLINA SCHOOL FOR THE DEAF, AND THE GOVERNOR MOREHEAD SCHOOL FOR THE BLIND ARE GOVERNED BY BOARDS OF TRUSTEES AND TO PROVIDE FOR THE DUTIES OF THE BOARDS AND ADMISSION PROCESS FOR SCHOOLS FOR THE DEAF AND BLIND, was vetoed by Governor Roy Cooper on July 11, 2022 and was returned to the Senate with the attached veto message.

**GOVERNOR'S OBJECTIONS AND VETO MESSAGE**

*Senate Bill 593, "AN ACT TO PROVIDE THAT THE EASTERN NORTH CAROLINA SCHOOL FOR THE DEAF, THE NORTH CAROLINA SCHOOL FOR THE DEAF, AND THE GOVERNOR MOREHEAD SCHOOL FOR THE BLIND ARE GOVERNED BY BOARDS OF TRUSTEES AND TO PROVIDE FOR THE DUTIES OF THE BOARDS AND ADMISSION PROCESS FOR SCHOOLS FOR THE DEAF AND BLIND."*

"Not only is this bill blatantly unconstitutional, it continues this legislature's push to give more control of education to Boards of Trustees made up of partisan political appointees. First the legislature seized control of all UNC system trustee appointments from the Executive Branch. They did the same with two of the state's community college boards. And now, this bill removes administration of the important NC Schools for the Deaf and Blind from the State Board of Education to a newly created board with 80% of the trustees, who may or may not know how to run these schools, appointed by the legislature. The students at the schools deserve steady, knowledgeable leadership rather than becoming a part of the erosion of statewide education oversight.

"Therefore, I veto the bill."

## TWO HUNDRED FORTY-FIRST DAY

HOUSE OF REPRESENTATIVES  
Tuesday, December 13, 2022

The House meets at 12:00 p.m. pursuant to **S.J.R. 917**, A JOINT RESOLUTION ADJOURNING THE 2021 REGULAR SESSION OF THE GENERAL ASSEMBLY TO A DATE CERTAIN AND LIMITING THE MATTERS THAT MAY BE CONSIDERED UPON RECONVENING (RESOLUTION 2022-6), and is called to order by the Speaker.

The following prayer is offered by Representative Pat B. Hurley:

"Thank You, Heavenly Father, for all Your many blessings. Thank You for the opportunity that You gave to each of us to serve the people of North Carolina. It is an honor and a privilege to be able to assist our constituents and this opportunity is most appreciated.

"Please protect, guide, and comfort our military, our law enforcement personnel, and our first responders wherever they serve. Please give the leaders of our State, our Nation, and the leaders of other countries, wisdom and discernment. Guide them in their decisions that affect so many people.

"Thank You for Christmas! Thank You for sacrificing Your life on the cross as an atonement for our sins and thank You for Your resurrection that we may have eternal life. Please help us to show Your love through us at all times. In Jesus' Name I pray. Amen."

The Speaker leads the Body in the Pledge of Allegiance.

### **MOTION TO SUSPEND RULES**

Representative D. Hall reduces the following motion to writing and moves its adoption:

"Mr. Speaker, pursuant to Mason's Sections 32(3) and 489(4)(e), I move that Mason's Sections 201 and 445 (1) and (3) be suspended for the Pro Forma Session anticipated on December 29th.

"Those Sections shall not apply to a motion to adjourn made on that date with no provision made as to the time of reconvening.

"In absence of those sections, pursuant to Mason's Section 39(5), the precedents set by the Senate may be accorded some weight, which explicitly recognize that a session terminates automatically at the end of the

constitutional term without specific actions by one or both chambers being necessary, including a concurrent resolution adjourning the 2021 Regular Session of the General Assembly sine die."

Without objection, the motion carries.

#### GUEST

The Speaker extends the courtesies of the floor to Representative-elect Joe Pike of Harnett County.

On motion of Representative Carney, the following remarks are spread upon the Journal.

#### REMARKS BY REPRESENTATIVE PITTMAN

"Thank you, Mr. Speaker. First of all, I want to give thanks to our Lord and Saviour Jesus Christ for sustaining me all this time. He told me - and I know some of you don't believe in this stuff - but he told me when I was six years old that I was going to be a preacher. He didn't say a thing about me being in the NC House, and I never suspected that I would be here until 2007 or 2008 when I decided to run. But He's been with me. I'm not going to waste your time telling you about all the times that I could have easily died and I didn't. He's kept me going a long time past what I sometimes expected.

"It's been a privilege to be here to serve the people of North Carolina. But above all, even this here, to me, is service to Jesus Christ. And I've tried my best to do what I felt would be good in many instances for the people of North Carolina. I've been accused sometimes of not being a team player. Well, I am a team player, but my team has always been the people who elected me. I've tried to look out for the average, hard-working, taxpaying citizens in this State, and to uphold our Constitutions. That's been my focus the whole time I've been here. And even though I didn't get a lot of bills passed - I was just joking with some Members, these two Members that just joined will be some of the few who will probably pass less legislation than I have - I have also helped stop some really bad legislation, and I'm proud of that.

"But I want to thank my wife, Tammy. Without her support, I couldn't have been here at all. She's actually the one - I have told her not to complain about the hardships of being here because you're the one who talked me into running. And I have to mention Ronnie Long, a dear friend of mine, who, without his support, his help, I wouldn't have been here. I'm not going into any details, but he has a health problem right now, so I'd appreciate your prayers for him.

December 13, 2022

"But Tammy has been my legislative assistant most of the time I've been here. There was a little bit of time that she wasn't, but ever since, for about 11 years, she has been my legislative assistant. And I thank Dale Folwell for talking her into doing that. She's been excellent. We've helped people not only in our district, but some folks in other districts as well. And I've been very proud of how she has worked doing that and how she has worked with other people. I'm just proud of her, period. She is the beauty and the sweetness in my life.

"Couple of things I have to mention. Our son Samuel, as you know, is a Captain in the National Guard. He is currently at Fort Hood, he and his command. They will be deployed by the end of the month. We won't see him again until about October or November of next year. There are a lot of families who are going through that right now, not just his command. I couldn't tell you the number, but there are many of them who are going through that right now, and we need to be in prayer for all of them. We are so proud of our son, proud of all who serve this great nation, proud of their families who support them. We need to keep not only the service people but their families very much in our prayers.

"Next thing, I appreciate everybody who is wearing red and black today. You may not be aware of it, but you're wearing my high school colors. I'm wearing my red and black because my New Bern High School Bears football team last Friday night beat Grimsley 40-28 to win the State 4A Championship in football. Been a long time since I wore that uniform. We didn't do so well my senior year. We were 4-6. They are 16-0 on the season and state champions, and I'm tickled to death. I hope Representative Tyson, maybe, next Session, will have the opportunity to present them to you. I wish I could be here for that. Not going to be that way, but I'm proud of them.

"I want to thank our staff around here. James and his staff, they've just done an excellent job. Always been very kind to me. I couldn't ever tell whether they agreed with me or not. They were just good to me. Our legislative staff, they have worked hard on the many bills that I've offered. Unfortunately, their efforts were wasted a lot of times because a lot of those bills never got heard. But I do appreciate the hard work that they put into it and the fairness that they showed to me all that time.

"Our Legislative Police and our Sergeants-at-Arms, we couldn't ask for better people. Sergeants-at-Arms, a number of them, I'm not going to get them in trouble by naming them, but a number of them have told me how sad they are to see me leave. They don't know how much that means to me. Your kindness and support to me over these 11 plus, 11 years and two months, will be treasured in my heart until it quits beating.

December 13, 2022

"I love North Carolina. It's my home. It's my ancestral home. We've been here since the 1600s. There is no place I want to be more than North Carolina except the Kingdom of God when it comes. So, thank you for the opportunity to serve. Thank you for - some of you have been really kind to me even when I know you didn't agree with me, and I appreciate that. I've tried to be as good to y'all as I could. But I do pray for God's blessings on each and every one of us, that we will learn more and more to love and to serve and to do what is the will of God. God bless you! Merry Christmas."

#### **REMARKS BY REPRESENTATIVE COOPER-SUGGS**

"Thank you so much, Mr. Speaker. I rise today to acknowledge and remember the life of one who is larger than life itself, who lived in Wilson County, and that is Mrs. Betty Ray McCain. Married to fellow UNC alumnus Dr. John Lewis McCain, Mrs. McCain was a devoted family member, public servant, leader, and community icon. She became a leader in the community, serving as President of the Wilson County Downtown Development Corporation, Vice-Chair of the Wilson County Historical Association, Co-Chair of the Wilson County Whirligig Festival Entertainment Committee, a member of the Wil-Med Healthcare Foundation Board of Trustees, a member of the Wilson Rose Garden Society, and a collaborator in the McCain Internet Empowerment Project.

"Her influence was seen and heard on many boards of distinction, and many of you know her, including the Governor's Taskforce on Child Advocacy, the Center for Public Education, Public Television, Lineberger Comprehensive Cancer Center Board of Visitors, the UNC System Board of Governors, the North Carolina Medical Alliance, and the Tryon Palace Commission. She also received numerous honorary degrees and awards from several of the State's universities and colleges, including UNC, who awarded her the General Alumni Association's Distinguished Service Medal and the William Richardson Davie Award, also from Wake Forest University, UNC-Greensboro, UNC-Wilmington, North Carolina State University, Barton College in Wilson, and also St. Andrew's Presbyterian College.

"Her appointment in 1993 by Governor Hunt as North Carolina Secretary of Cultural Resources saw her dedicate herself to refurbishing and protecting North Carolina's state historic sites as an educational tool for all. Mrs. McCain, Betty, her commitment to providing opportunities for all citizens to thrive and succeed led her to be an active participant in our political process, serving as the President of the North Carolina Democratic Women, the North Carolina Democratic Party, and a leader with the Democratic National

December 13, 2022

Committee. Always thinking of the future generation, Mrs. McCain was there for her family, her community, and all North Carolinians. Her dedication to this State was amplified when she was inducted into the North Carolina Women's Hall of Fame and was bestowed with the Long Leaf Pine, a North Carolina Award.

"Her accomplishments continue, but I would be remiss if I did not tell you that when she walked into the room, she lit up the room, attention was paid to her, and when she started to speak to tell all of those whimsical, anecdotal stories, they had meaning because she was serious about what she was doing. Wilson has lost a great leader. The State of North Carolina has lost a great leader, as well as our nation. Her impact has and will continue to inspire us to carry on by her example. Thank you, Mr. Speaker."

#### **REMARKS BY REPRESENTATIVE SZOKA**

"Thank you very much, Mr. Speaker. This day comes for all of us. It happened when I left the Army; it was a tough day, and this, equally a tough day. But in reflection on why we're here: it was really brought home to me a couple of weeks ago when myself and Representatives Lucas and Richardson and Wheatley and our two Senators went to a meeting of the Cumberland County Veterans Council, and they thanked us for House Bill 83, which is included in the 2021 Budget. If you don't remember what that is, I don't know how you couldn't remember what it is, but that was making military retired pay non-taxable by the State of North Carolina. And they gave us individual certificates, and they also gave us one for the House here, which I would like to read.

"It says this, 'Certificate of Appreciation to North Carolina House of Representatives: In recognition for your outstanding contribution and unparalleled dedication, Cumberland County Veterans Council would like to express our appreciation and gratitude for the commendable and consistent progress you've made. Your leadership and commitment combined with teamwork of others is instrumental in making North Carolina a tax-free state for military retirees. Your outstanding performance, exceptional diligence, and loyal devotion to duty reflect great credit upon yourself and is in keeping with the highest standards of service to our veterans. Your efforts are another important step toward making North Carolina the most military- and veteran-friendly state in the nation. Thank you for a job well done.'

"On the campaign trail, this was echoed to me by numerous people. And I say this not because I was a primary sponsor of the bill, but because each and every one of you played a role in this, whether you voted for it or whether you didn't - as an individual bill will be voted for in the budget - or you didn't. What we do here has consequences. Every bill we pass has consequences,

December 13, 2022

and no matter your party or whether you're Republicans or Democrats, we all cooperate and pass things like that bill and like tax things and all transportation and all the things we do. It's brought home to me by my constituents that we make an absolute difference in what we do.

"I thank each and every one of you for helping me pass the things that have been important to me and to my constituents and to your constituents. I certainly thank all the non-partisan staff for all the help they've given us, and as Representative Pittman already mentioned, our Sergeant-at-Arms, the Clerk's staff - I mean, we can't do this by ourself. It's always important to remember whether you're here for a day, whether you're here for a lifetime, it's service to this State, to this country. And my deepest gratitude and appreciation to each and every one of you for being up here and serving. Thank you."

#### **REMARKS BY REPRESENTATIVE GARRISON**

"Thank you, Mr. Speaker, and colleagues, and staff. The past six years have been quite an interesting experience and one that I will long remember. Reflecting on my life and experiences, I would like to highlight the fact that being a product of Bayboro, Pamlico County, just east of New Bern and Craven County, 17 miles from Bayboro to be exact, I really never had any dream or any idea of serving as an elected official, or particularly in the House. So having moved to Vance County in 1973, and having the great privilege of having made great friends with some former college alumni, I did have an opportunity to serve as a County Commissioner for 28 years, now served in the House for six years, for a total of 34 years, having been in the government-making position capacity, so I'm grateful to God for that opportunity. I believe strongly in democracy. I believe that diversity, unity, inclusiveness, are our strength rather than our weakness. For the Word says that a divided house cannot stand. So, it's so important that we remain steadfast in the biblical teachings that we have been taught and we have learned as we go forward in government decision-making. I don't know what the future holds for me. This could be a two-year hiatus or longer; we'll have to see. But thank you so very much for this opportunity, and I wish you the very best, and godspeed. Thank you."

#### **REMARKS BY REPRESENTATIVE TERRY**

"Thank you very much, Mr. Speaker. It has been my joy to end my political stay by serving in this House. The reality is that my journey has been somewhat circuitous. I've been a ten, ten, ten, ten person for 40 years. This is the last ten years here in this House, serving not only the citizens from which I come in Forsyth County, but those in North Carolina where I could

December 13, 2022

when I could. And as a person who grew up with an Abraham Lincoln Republican grandfather and a yellow-dog Democratic mother, I promise you that this has been a challenge for me. Nonetheless, it has been very enlightening, and I must say that all of you, there's not any one of you, any one in this House that I cannot like because I was taught from my birth to have respect for everyone who lives and breathes.

"So thank you very much for the opportunity, those whose eyes I could meet and say hello to and those who rushed past me trying to get away. The reality is that there is honor to service, particularly within the context of what this Body represents. And I love politics and democracy for what it's worth, and I love also a good fight. The reality about it - I served my country on two other continents, I've served my city on its Council, and my goodness, I got here during the last ten, and was able to serve the citizens of North Carolina in this great Body. Thank you very much. I appreciate you. And I leave you with a thought regarding a person I heard pray here when I first arrived who did the prayer of Saint Francis, which is a wonderful prayer. It's, 'Lord, make me an instrument of Thy peace, where there is hatred, let me sow love.'

"And I absolutely love getting up and breathing every morning when I am able to wake up and say good morning to anybody, even the dogs, the cats, the grass, whatever it is. So thank you very much, Mr. Speaker, and all of those persons in this wonderful place who work; I don't know how they do it, they have to love it because there are some days I don't know, I have to really learn how to find my way around and that sort of thing. So there's just nothing greater than this, and to you, I say thank you for the opportunity and for those of you who continue to represent us, do the best you can, where you are, when you can. And, Happy Holidays. Thank you."

#### **REMARKS BY REPRESENTATIVE HURTADO**

"Thank you, Mr. Speaker. Wow, it's been an honor of a lifetime to sit here with you all, my colleagues, to serve, not just Alamance County, but the State of North Carolina. Only in America can the son of immigrants, immigrants who fled a civil war and came to this country with nothing but the shirt on their backs, can have a son grow up and serve in an elected body. I'd argue that could probably only happen in a state like North Carolina.

"December is always a reflective time for me, especially this December, as my first term comes to an end here. And it's been important for me to reflect on where we started together as a Body. Some of you may have already forgotten that we started in January of 2021, and as I talked to friends and family of how hopeful I felt for North Carolina and the excitement to serve the people of North Carolina, we had one of the darkest moments in

December 13, 2022

American history when we saw an insurrection in D.C. And I bring that up because that was a backdrop to our beginning as a Legislative Body together. I remember the following week, my first meeting with anyone here in the building was with Capitol Police, thinking about safety plans for our families before we got inaugurated.

"And on the backdrop of that incident was also a global pandemic with so much uncertainty still present in our lives. My family was mourning the loss of a family member due to COVID and thinking about what could we do to step up to the plate to serve the people of North Carolina. And, serve we have. We've come a long way from that moment. As we think about the unprecedented efforts we've made to make historic investments and all the challenges we have faced together as a State when it comes to our democracy, when it comes to education, when it comes to our health care, and thinking about how we make North Carolina the best place for us to live, play, and work for every single family across North Carolina.

"There's been glimmers of hope, where we've gotten together and found bipartisan compromise on an unprecedented budget with support of the Biden Administration and Congress to extend the resources we have here, to invest in critical projects here in North Carolina. There have also been moments where we questioned where we're going together, where we've had to work with the Governor and stop extremist bills from coming to fruition.

"And so as we head into the next Session, I know that we all head into a moment where we are hopeful for what we can do together as a State, either as legislators, as this Body, or - as I enter as a citizen in North Carolina - as partners, as we think about how we make investments that truly work for everyone across North Carolina. And so I am filled with nothing but gratitude to have the opportunity to meet all of you, to continue doing this work, whether it is in this Body or out of this Body, as we think about what it looks like to build that North Carolina that works for all of us.

"I'm incredibly grateful to the staff here in this building that made all of our lives a little easier every day as we scrambled, like needing to figure out where the bathroom was or where the next meeting was to the committee; to my legislative assistant, Arianna; of course to my wife, who made so many sacrifices to be able to allow me to serve in this Body over the last two years. And as I step into North Carolina as a citizen starting in January, I do know two things for sure, and that's that I love North Carolina from the bottom of my heart and I will continue fighting for this place and for everyone in this State; and two, that I believe in North Carolina and I believe in this Body to continue fighting to make sure this is a better place for everyone. So thank you all so much, and I appreciate your service to North Carolina."

December 13, 2022

**REMARKS BY REPRESENTATIVE AGER**

"Thank you, Mr. Speaker. I don't care much for farewells, and I hope my farewell today does not complete my friendships with so many people in this room. I have treasured so many of your relationships over these years. I leave with a great respect for this institution. I congratulate Speaker Moore for herding all the 120 cats out here. I am a history guy and I have been able to be a part of a democratic institution, and I realize now how wonderful it can be and how difficult it can be. I want to especially thank Meredith Graf who's sitting right up there. Meredith, raise your hand. She and I were a great team together for eight years. I'm glad she's risen in the Body and I'm sure she's going to do a great job with her new role.

"I want to continue my involvement with the North Carolina House even though I am going to go back home and work on my farm. We're working on how to get some of that carbon that's in the air back into our soil to make our soil better. There's nothing more tangible about North Carolina than our soils. I'm ready to keep working on some of our best assets - our arable land in North Carolina, the wonderful ample water we have, and the clean air. We've got to capture that carbon and preserve these things for our next generation. I also want to keep working on building a new Western North Carolina Museum. We have a unique region. I think most of the 12 million visitors that come out there, they're looking for Snuffy Smith and Little Abner and wondering where they are. We have a little better history than that.

"It was also a great pleasure to represent Buncombe County and the City of Asheville. We talk a lot about freedom in this room. I like to think that Asheville is Freedom City. I know some people have called it the 'Cesspool of Sin,' others have said 'Keep Asheville Weird.' We are a unique place, but we really treasure that freedom, and the magic of freedom is that it creates innovation in all areas. We have a very thriving arts community in Buncombe County, and where freedom exists, creativity abounds, and I really want to preserve that. I've been proud to try to keep Asheville and its people special. I know many of you like going up there because it's just a little weird. Those ideas, the good ones and the bad ones, sort of separate themselves out at some point, and in a free society, sometimes you and I and all of us have to just put up with some things that make us a little uncomfortable, and that is certainly true for me.

"I call Asheville the Florence of the South. I think we are having an Appalachian Renaissance there. So please, as you all go forward, don't snuff that freedom out. I also want to say how proud I am of the new Buncombe County delegation. Lindsay Prather will be coming down here. Caleb is

December 13, 2022

already here, kind of as a prelim, and I hope you'll be super nice to my son Eric, who will be joining the House in January. This group is young and talented, and I don't want you to waste their incredible talents. I've gotten to know them very well.

"So please, if you come to Buncombe, come and visit. I don't want to miss any of the gossip when I leave, so come let me know what's going on. Again, thank you for all the friendships and keep this institution strong and great. Thank you."

#### **REMARKS BY REPRESENTATIVE MEYER**

"Thank you, Mr. Speaker. Ladies and gentlemen, colleagues, I'm just going across the hall, and so I didn't know what to bring in a farewell speech. I certainly plan to continue working with so many of you.

"I've treasured my time in this House and I wanted to share some of my favorite moments on this floor. Some of the things that many of us may remember, and while new folks may not have been here, I think you'll understand the spirit of some of these.

"For instance, the greatest goodbye speech I ever heard, which was when John Blust got so angry on his final day in the House that he told us he was going to leave, but he would not leave crawling out on his knees!

"Or the moment that I think we found the biggest laughs when, in some after-midnight session, Representative Hurley wanted us to pass a bill on exotic animals and we were all laughing like a barrel of monkeys; it was the most joyous debate I've ever seen.

"Or how about the good laugh that we had when not once, but twice, Representative Stevens referenced Josh Dobson's abs in her speeches to accept becoming Speaker Pro Tem?

"Or the quote that I share most frequently from the House when I tell people about what it means to do our work here, which was when Larry Yarborough said, 'You know, I used to think that there were smart people who came down here and made these laws, but now I realize it's just us!'

"Or, this was a private one, but I think you all can appreciate it, when I came here, I had to learn how to understand all the accents from across North Carolina, how people spoke and what they meant when they had their signature phrases. But there was one night, again another late night session when things tend to be a little weird, during my freshman year as I was sitting

December 13, 2022

in the back, and Bill Brisson was so angry about something that he was just spitting into his microphone. And you know that Representative Brisson usually doesn't speak at all, so he was really fired up. I couldn't understand a word he was saying. I turned to Brad Salmon and I said, 'Brad, is he drunk?' Brad says, 'Naw, he's just from Bladen County.' I've learned to understand you well since then, Representative Brisson.

"And finally, we give speeches on this floor all the time and you know that they rarely change minds. Holy cow was I surprised one day when Michael Speciale, of all people, walked over to me and said, 'You know I'm glad you gave that speech, it changed my mind on that vote.' And that reminded me that there are times where our conversations, whether they're on the floor or off the floor, do change minds, make a difference, impact policy. And I look forward to continuing that work with so many of you.

"And out of appreciation, I want to say that I have learned so much from House Members. Some who aren't here because they've left the Body, like the late Paul Luebke and Joe Tolson, Mickey Michaux, Rick Glazier, Darren Jackson, all people who took me under their wing and gave me advice. And Members who are still here and lead us with their wisdom, like Representatives Carney, Lucas, Gill, Richardson, people who frequently pull me aside to share their wisdom. And of course, you cannot leave without saying thank you to the people who do so ably serve us. I've loved working with this Clerk and everything that I've learned from him and his staff; thank you, James. I adore the Sergeant-at-Arms here, particularly the good humor that we share about what we observe in these floor debates; lots of laughs there.

"And while she's going with me to the Senate, I'm so appreciative to my LA, Daphne Quinn, for all of her work and the true partnership that we have. I'm so glad to have someone who's so dedicated to the work that we do to serve the people of our district - Orange and Caswell Counties.

"Thanks to all of you colleagues. I look forward to our continued service to the State of North Carolina."

#### **REMARKS BY REPRESENTATIVE NICHOLS**

"Well, this will be my only speech, 'cause you know I've been here a long time and we've had some very difficult debates and things. But I'm actually no stranger to this Body. In 1967, I was a Page from Mecklenburg County and then when I was graduated fresh from law school, I worked as a lawyer for Sarah Morrow, who was Secretary of Human Resources and Jane Patterson, when she was Secretary of Administration, and then Jim Hunt. So I used to sit up in those galleries a lot and watch what was happening on the floor, and sit in the committee rooms. I remember when everybody was just in one building before the new building was built.

December 13, 2022

"This is an amazing institution, and it's done some great things over the years and will continue to do so. I'm sorry that I won't be part of it, but I'm here in Raleigh and I will be around. I'll probably see you in the Cafeteria, and I will share with you what's been sort of my motto in politics back when I was a county commissioner and other stuff that I've done. It's from Will Rogers, 'Always do right. It will amaze your friends and confound your enemies.' Thank you, Mr. Speaker."

#### **REMARKS BY REPRESENTATIVE TURNER**

"Thank you, Mr. Speaker.

"I am incredibly grateful for being able to serve Buncombe County in North Carolina for these past eight years. And I am grateful I got to serve with so many fantastic folks here in this General Assembly, and folks that are, you know, unlikely friends, and hopefully I didn't make any real enemies, at least not long-lasting. And I'm thankful for the folks inside and outside this building.

"But really there is only one person I want to thank, and that is my daughter Eleanor. And that's because for the past eight years she has said goodbye to me on Monday morning, and then hopefully I would race to get home so I could see her before she went to bed on Thursday night. And, when I started this, she was seven. She's 15 now, and she is a big part of the reason why I want to spend some more time at home.

"So, I appreciate all of the wonderful experiences that I have had down here, all of the things I've been able to learn about this great State, from the mountains to the coast. I'm not going to say Murphy to Manteo because that is a bit tired. But for everyone coming back, I want to wish you all the best for the next biennium, and for those of us who aren't coming back, I think we all are going to enjoy a well-deserved rest. So thank you for having me here, back here in 120. It has been great to start here and finish here. So, thank you, Mr. Speaker."

#### **REMARKS BY REPRESENTATIVE MCNEILL**

"Thank you, Mr. Speaker. Well, after five terms and 10 years, here we are. I've probably listened to hundreds of these farewell speeches in the five terms that I've been here. And on a lot of them I said to myself, you know when my time comes, I think I'll just ride off into the sunset and be quiet. Well, it's my turn now and I'm not going quietly. Bear with me for a minute. First thing that I want to say is what a distinct honor it has been for me to serve the North Carolina House. It has been a distinct honor to serve the citizens of Randolph and Moore County and the citizens of this great State.

December 13, 2022

"The honor to serve with all of you, and the ones that I've served with over the past five terms, and though I may not have always agreed with everyone, it's still my honor to have served with you. It's like Representative Yarborough said, 'You're one of the best from your area and you're here.'

"I want to thank God for opening this door for me in 2012, for me to come down here. And I want to thank my Lord and Savior Jesus Christ for dying for my sins.

"I'm going to thank several people, not in any particular order. The Sergeants-at-Arms, I appreciate them. Many of them are friends, and it's been good serving with y'all in these last 10 years. I want to thank James White and his staff and former Clerk Denise Weeks, who I served with also. I want to thank the staff of the Analysis Division, Bill Drafting, the Finance teams, for always being there to help me through the many requests for information, the many requests for bill drafts, financial questions, some staffing committees, and just helping me with everything.

"I want to thank my LA, Laura, of almost 10 years. And, I am sure she is probably listening today from Carteret County. Thank you, Laura. It was a good run.

"I want to thank Paul Coble and the Legislative Services Office for all of their help.

"Speaker Moore, I appreciate your leadership and your staff, and also Speaker Tillis during my first term.

"I want to thank all of my friends and supporters in Randolph and Moore County. Without them, I wouldn't be here.

"Most of all, I want to thank my wife for putting up with me these 10 years, allowing me to be gone. I love you. Thank you.

"I'm sure that I left someone out, but what I want to say most of all by that is that I hope we all realize that without all these people that I just mentioned, we wouldn't be successful in what we do down here. It literally takes a large team like that to get this done.

"You know, when I went through school, especially high school, I probably would have been voted the most unlikely person to be in the North Carolina House. I'm sure probably they still would. But you know, at 25 years of age I settled down and did a 33-year career at the Randolph County Sheriff's Office. And the last 19 years as Chief Deputy. And, having worked

December 13, 2022

for a Sheriff's Office, you all know it is political. Every four years, you got to get elected. So I got deeply involved in politics. In 2012, when former Representative Harold Brubaker decided to retire, he left a vacant seat and I was honored to be appointed to replace him and then stood for five different elections after that.

"Last December 1st I announced that I wasn't seeking re-election again, and I spent much time in prayer and thought about making that decision. Quite selfishly, when I was thinking about the decision, one of my thoughts was, 'Who's going to replace me?' I bet a lot of you had the same thought about who was going to replace you when you leave. Well the next day after I announced, I got a call from Neal Jackson, and I said, 'Thank you Lord, my prayer's been answered.' He won and y'all take it easy on him when he gets down here. He is a good man and I think you'll really like him.

"Over the past year, I feel like I've been on a perpetual farewell tour. Having announced that I wasn't going to run, every event I attended I was introduced as 'Retiring Legislator Representative Allen McNeill, would you like to come up and make a few farewell remarks?' Well, that's been a year ago and you can imagine how many events I have been to and how many farewell speeches I had to give. Maybe, just maybe, this will be my last one.

"I have been asked multiple times what I'm going to do next. Easy answer, anything I want to.

"I will miss this place and the opportunity to make something good happen. I will miss all of you. Some of you might be glad this anti-alcohol and anti-gambling believer won't be here. But you know what? I don't regret one minute my stance against alcohol or against gambling and the other vices. All I can do in the future, though, is pray that some of you will hold the line in here and work to stop some of these bills.

"I know that finally retiring will bring a lot of changes in my life. No more hundreds of emails about every topic under the sun. No more unhappy constituents because I did or didn't do something. No more ugly phone calls, I hope. No more having my good bills die in the Senate. A lot more time on the golf course and at the beach. I could go on, but I won't. A lot will change with a lot of us retiring. You know, even I thought on January 1st, I'm going to have to change my answering machine. No more, 'You have reached Representative McNeill.' Actually, I have something I want to try on y'all for my answering machine, see what y'all think. 'Hello, you have reached the phone of Allen McNeill. I'm now retired and making a lot of changes in my life. Please leave your name, number, and your reason for calling. If I don't call you back, you're one of the changes.'

December 13, 2022

"Carry on. Fight the good fight. Merry Christmas. I love y'all. God bless this Legislature and this State. "

#### REMARKS BY REPRESENTATIVE MCELRAFT

"Thank you, Mr. Speaker. Friends, I want to thank God for this amazing opportunity to serve with each and every one of you and to serve the citizens of Jones and Carteret County. Without His trust in me, I wouldn't be here. I want to thank my husband, Roger, who spent 31 years in the Marine Corps serving his country, for serving those feral cats in our neighborhood, as I left to come up here to serve. I want to thank my grandchildren for being okay with me not being at their games and their dance recitals because I was in Session. I want to thank my legislative assistant, Nancy Fox, who has been amazing. She is retiring also, so it's very bittersweet for the both of us, cleaning out the office because she also is retiring after 20 years of service. And Nancy's daughter works as our research assistant, and I want to thank her. They've decided to leave when I left, so we're all going out with tears in our eyes today. But Nancy has been amazing. The lobbyists come over there; they get their chocolate there. They can't give us anything, but we can give them chocolate. But my girls are entertainment for everyone that comes by; they're so well-liked, and we are going to miss them, the General Assembly I know will miss them.

"I want to thank James, our Clerk James and his staff for being here late at night. I want to thank the Sergeants-at-Arms for their protection and their loving care. I really appreciate all of you. I want to thank the Speaker and my caucus for trusting me to be your Deputy Whip, and I want to thank the Whip for giving me that opportunity. It's been a pleasure. I want to thank the Minority team here, and thank you for your friendships over the years and working on legislation with me, so many of you have. I especially want to tell you about a special friend of mine on your side. When I first got here, she and I didn't see eye to eye on one thing. Nothing, we were polar opposites, especially on the environment at that time. But Pricey, I love you, and I pray for you, with what you're going through right now. And I want you to know that we both gave a little. We negotiated; we shared our love for certain things like the commercial fishermen down in Carteret County. And we were friends; we don't need to be enemies here, y'all. We need to be friends. And we just need to do the people's business in that vein.

"I want to just quickly thank the AGNER staff for all the hours that they put in on our budget. I don't think they ever slept during budget season, and I know that our big Chairs and the staff there did not. Thank you so much for each of you, for your friendships. God bless you. Work together, all of those of you who will still be here. Work together and have respect for each other. Love you all.

December 13, 2022

"Mr. Speaker, I left one thing out, one thing. One personal thing that I wanted to say. The most important person up here to me - we came in together 16 years ago and we'll be leaving together - is Pat Hurley. Her birthday is the 29th, and we won't be here, so please wish her a happy birthday."

#### **REMARKS BY REPRESENTATIVE HURLEY**

"Thank you, Mr. Speaker, and I did have to write this out because I couldn't remember all of it. And speaking of which, I am the oldest woman in the North Carolina House, and I'm glad I'm still here.

"Thank you for the memories. Thank you for the memories I've had for the past 16 years as the first woman from Randolph County to win a State office. I am very thankful for this opportunity. It has been very different. It's been happy, it's been sad, it's been funny. It's just been very special to me, and I'll never, as long as I've got my memory bank hopefully, forget the times that have been here and all of you because you have been part of my life and family. And I've just been so happy to serve these 16 years that I've served here, and I've moved away from what I was going to say, so I'm going to go back to my script before I mess up.

"My seatmate and I came in together in 2007 with a class of 14 Members, nine Republicans and five Democrats. With our leaving, that leaves Representative William Brisson as the only one Member of our class left, and he came in as a Democrat and became a Republican and he will be representing us for the next session. And as a side remark, U.S. Senator Thom Tillis was a Member of our class and he's sort of moved on too. And I expect the median age, when we move on, Pat and I, will be less than 58 years and six months. So, watch out for next Session. I expect it's going to plummet. I'm very thankful, as I said, to be here.

"There are many special memories, and I have to mention, I just have to mention, number one, was a long Session that you've already heard about. That we were still in progress about 1:30 in the morning and everybody was tired and crazy and silly, and there was a bill about exotic animals. It wasn't a bill that I was doing, it was an amendment. But it was about exotic animals and they needed someone to do an amendment to help save the little monkeys, and I got the honor. So, there was so much laughter, you could hardly know it was supposed to be a serious amendment. Even the Speaker was down here laughing. After all of that in the House, and all of the talking and fun we had there, the Senate didn't take it up, which is normal.

"Also, I filed a bill to change the governing of Trinity. That was the one that took a lot of nerve that I had. My Senator didn't go along with me. And then it got married to a Senate bill where it got into litigation. My Trinity

December 13, 2022

part did pass, the Greensboro part did not pass, and they are doing very well in Trinity now. It was a very controversial bill, and I don't regret doing it now, but I was scared to death then.

"My favorite bill was in 2013 and I have to mention that. It was the Back to Basic bill that required students to learn cursive writing and to memorize multiplication tables. Why you would have to do a bill to do that in education, I have no idea, because until they get back to basics, the kids cannot be thinking critically. It passed and became law but many school districts still don't teach it. I hope that Representative Phil Shepard and Representative Harry Warren, who were primary sponsors with me on that bill, will help give the children this special skill that they need to read, write, and spell, and do everything they need to do.

"The saddest memory is the loss of several of our colleagues who were active Members. In 2020, Representatives Linda Johnson and MaryAnn Black passed away, and in 2021, Representatives Jerry Carter and Dana Bumgardner passed away. They were very dedicated Representatives and very good examples for their districts. I miss them today.

"Thank you, Mr. Speaker, for your leadership and for appointing me to the Committees and appointing me to Chairs of many of those Committees. I thank you very much for that opportunity.

"I thank my legislative assistant, Debbie Holder. We've had fun times the last ten years, and I thank my legislative assistants before that. But she has been very, very special to me, as family, and she and Frank are very special today and will always be. And thank you for all the personnel in the General Assembly. Every one of them, every job they do, and they do it with dedication and with patience, which I have a hard time. But they have patience and they have understanding, and they are so special. I thank every one of them for what they do here. I'm going to miss you so much. Fiscal is going to be missed. Mr. Trogden in Fiscal, especially, will be missed. I've worked with him since I've been here.

"Last, but certainly not least, I thank my Lord and Savior for the opportunity to serve in this Chamber, and I give Him the glory. He got me here. He's protected me so many times. He gave me wisdom when I asked for it. There's lots of times, you don't ask for it and you don't get it. You may mess up. He gave me wisdom when I needed it and He provided for my needs here as He does for all of us.

"It's been a blessing for me to serve District 70 and a blessing for me to serve with you all, and I will miss helping constituents and seeing each of you. I wish all of you the best to keep North Carolina prospering and being an example to America. Thank you."

December 13, 2022

**REMARKS BY REPRESENTATIVE R. SMITH**

"Thank you, Mr. Speaker.

"First, I want to say thank you to my family for putting up with this sacrifice, of coming to Raleigh to do work for the people in the State of North Carolina. I will definitely always be indebted to them for that.

"I also want to thank the staff, the Sergeant-at-Arms, the other members of Mr. White's team, for all of their support and their help. There's no way that you can learn all of this stuff in the time that you're given, when you first get here, so I certainly appreciate that.

"Also, I want to thank my legislative assistant, Susan Thompson, who has been a trooper throughout all of this. I inherited her from Representative Larry Bell, who was my predecessor here in the General Assembly and can't wait to go back home and talk to him and tell him about my experiences.

"Also, want to give honor to my mother and father, they are both deceased, but my mother was a 38-year educator. She served on the Board of Education in my community for 18 years, until she passed as a sitting School Board Member. My dad, a United States Marine, who after leaving the Marine Corps, he went into the civil service, and worked at Seymour Johnson Air Force Base for 35 years and served the rest of his life in community service. So that kind of set the stage for who I am and what I'm about to do next. So, if for any reason you think you've seen the last of me, that's not the case! You will be seeing a lot of me and maybe even more than you want to!

"I'm very proud of my time here in the Legislature. Came in with my classmates, we had one of the largest classes that came in at the time that we did, and I'm certainly proud of each and every one of them and the things that they've been able to accomplish.

"But I'm certainly proud of my efforts to make HBCU funding more equitable in the State of North Carolina, and I hope we continue that effort. All of our colleges and universities in the State of North Carolina deserve equitable funding, and we should not be differentiating between one or the other. They are all important, and they all have a major role in the State of North Carolina.

"I'm also proud of the fight to preserve the sanctity of pure amateur sports and that the General Assembly decided not to take over the North Carolina High School Athletic Association. I think that would have been a travesty.

December 13, 2022

You know, we've ruined professional sports, we're ruining college sports. Let's keep high school sports pure! I think that's one of the things we need to stay away from. So, I'm glad we did not do more damage in that regard.

"And lastly, I'm absolutely proud of my efforts to support all military and veterans' issues. Being a United States Army combat veteran myself, I do indeed honor our troops and our veterans, and I'm very proud of my support for all of those efforts.

"So, that being said, Mr. Speaker, and to something that Representative Terry said earlier, 'I love a good fight too, but I like for that fight to be fair.' So, thank you."

#### **REMARKS BY REPRESENTATIVE ADCOCK**

"Thank you, Mr. Speaker. Colleagues, there are just three things I want to say as I walk across the court to the other Chamber next month.

"The first is that I don't think there has been anything more instructive to me, and I hope you would agree, than when we all work together in a nonpartisan way to make policy. I plan to take that knowledge and that lesson with me when I serve in the Senate.

"The second is, many of you may not know this, but Suzanne Smith, my LA for the last over seven years is retiring at the end of this month. She is going to stay in the float pool, so some lucky ones of you will have the opportunity to work with her. She has actually been one of the most important people to help me be a success in this office, in addition to all of you and staff and everybody else who has already been mentioned. Suzanne is a very special person with great talents. I am sure many of you have met her and you know how helpful she is in all ways. She has actually been the face of constituent affairs in my office.

"And then the last thing is, I appreciate the way that you welcomed me into this Chamber as the first, and so far only, Nurse Practitioner to ever serve in the Legislature. So many of you have been eager to be on my bills, have asked me to be on yours, have asked me questions and asked for information based on my experience, 35-year experience, as a Nurse Practitioner. And that's made me feel really good. I have appreciated that so much.

"I leave you in the hands of four great nurses: Carla Cunningham, Donna White, Diane Wheatley, and soon to join you, Diamond Staton-Williams. I

December 13, 2022

know you are going to welcome her like you welcomed me. You are going to continue to be in great hands with these nurses.

"And I thank you for everything else and I will still see you around."

#### **REMARKS BY REPRESENTATIVE RICHARDSON**

"Thank you, Mr. Speaker. Representative Hurley, you stole my term 'bittersweet.' Standing up here today, I am overwhelmed with emotions that are bittersweet. They're bittersweet because one, the love of this institution and this country. The fact that you are all here and have worked so hard to get here, you share that love of this country and this State and this institution.

"Think about the privilege that we, that I have had, that you all have now to serve in this incredible Body, where common people do extraordinarily uncommonly great things. It works. We live in a country that believes in common people, that common people should choose their own destiny, and they should govern themselves. And they should have common people be their voice and be their power. And you are the embodiment of the chapel of democracy. You are what makes it work.

"So, I am bitter and I'm sad that I am leaving such wonderful people that understand this wonderful institution and get how important it is to the breath and soul of this country and the world.

"Thank you for your service. Thank you for your sacrifice. Thank you for what you do.

"I'm sad that I am leaving the people here. The staff that works so hard to make us look so good when we really don't deserve to look so good. To all of you, I say thank you for what you do. You don't get paid enough, you don't get recognized enough, you do so much behind the scenes. As my mother would always tell me, still water runs very deep. Our staff are quiet, extraordinarily competent, good staff. They don't take credit, they don't brag. They just get the job done. Thank you so much for what you do.

"A special thank you to my LA. I had the best of the best, quite simply. I had the best of the best. That's all that needs to be said.

"I want to leave you, the bitterness and the sadness, is also the work that I leave behind that we didn't get accomplished. We have so much work to do with water, so much work to do with education, so much work to do with higher education and environment, and with inclusion. We still fall behind in inclusion. We have so much left to be done here. I wish I was going to be

December 13, 2022

a part of that. I regret that we didn't accomplish all that we needed to accomplish when I was here. But I believe in this system, and I know that you will get the job done. I know you will work on these big-ticket issues. Don't be afraid to take on the big-ticket issues. They are so important to the lives of the people of this State.

"I leave you with these observations. I leave you with the observation of hope. Having served with each of you - and I mean this, folks - having served with each of you, I know your hearts and souls. I know your compassion. I know your love of people. I know your love of this State. Don't lose hope in yourselves and don't lose hope in this institution. You are the embodiment of it. Represent us, serve us, never lose hope. Take on the big-ticket issues and do what you know in your heart is right.

"Never forget your DNA. You're Americans. You're North Carolinians. In your DNA is the DNA of freedom, of visionary greatness, of things not yet accomplished. Never forget that DNA. Never forget those that came before you to sacrifice so much to get us where we are. Carry that tradition on and instill that tradition into your children and grandchildren. It's our DNA, folks, embrace it.

"Finally, accept the challenge of why you are here. You know, it's funny, I was watching a lot of the political ads this past session. A lot of them were about across the aisle cooperation, and how folks made that effort to work across the aisle. I really pray that both sides take that campaign issue to heart. Because on each side of this incredible Body, Democrat and Republican, are extraordinary people with extraordinary gifts, that have so much to offer if we will just learn to work together. If we will just take the time to walk in the other person's shoes and to understand where they are coming from, and to see their vision of America and their vision of North Carolina. If we will take that time, we will all be better Representatives. So I leave with you this: take the time to get to know each other. Because what you will find is that you all are the embodiment of this great State. You're great people with great vision and great hope and love of this State. Work together, take on the big-ticket issues, and keep doing what this great State has always done. And that is, we face our problems and we overcome them.

"God bless each of you.

"One last thing I will say, I have been blessed with the best wife a person could have. I met her when I was 16. She's my soulmate, my best friend. I am a blessed man today. And I am blessed because I've been a colleague of y'all's. It has been an honor and thank you so much for allowing me to be a part of this wonderful Body.

"God bless you."

December 13, 2022

**REMARKS BY REPRESENTATIVE FARKAS**

"Thank you, Mr. Speaker, and thank you for your management of the floor, as well as Leader Reives for the same.

"I arise today to express my sincere gratitude for being able to serve in such a distinguished Body and help move North Carolina forward over the last two years. Serving my hometown, Pitt County, in the State House, has been the honor of my life. There are too many people to thank who made this form of public service possible.

"I do want to recognize my wife, Cameron Farkas, for being with me on this journey every single step of the way. As you all know, we were married earlier this year, and between a short session and a pretty intense campaign, we haven't been able to relax a little bit. So we're going to finally take advantage of the honeymoon and downtime that comes from that.

"I also want to give a sincere thank you to my immediate family, my father, my mother, my brother, and my sister. I am inspired by them every single day and couldn't have asked for a stronger family unit to keep me grounded and faithful to the job here at hand.

"I want to also take a moment to thank my staff. In this first term, I had two legislative assistants. The first was Katie Rodgers, who got us through the long session - many of you knew her. She went to work for an international non-profit making a real big difference with what she does. And also Graeme Strickland, who took the reigns on January 1st and got us through the short session. Many of you have gotten to know him. He will be transferring over to Representative-elect Gloristine Brown's office and is going to do a fantastic job. So thank you, Graeme, for that service, and Katie as well.

"And to my colleagues, it has been an absolute pleasure working with each of you. When I was elected in 2020, I pledged to do my best to leave party politics at the door of the building once we got inside and get things done. We made that happen. For a place like me in Eastern North Carolina, that's a big deal. We were able to secure \$320 million for Pitt County in a direct investment, a tier two county that needs the help, to really lift people up. And that included the long-running project of that new Brody School of Medicine, which you all have heard me talk about way too much this term, but it's a big deal. And for our Eastern Legislators who understand the transformative impact that facility is going to have and how it is going to improve the lives of so many people well past our lifetimes. I thank you all for working with me to help make that happen.

December 13, 2022

"When we push past the partisan gridlock, and when we see these big accomplishments happen, it is a reminder that when we push through, we can make sure that government lives up to its promise, meeting people where they are and actually solving the problems we need.

"The hours in this building and working with you are some of my favorite and most memorable. Working here on the floor to get a bill just right. Poor Representative Brody having to answer every question about life safety every time he ran a bill. Going door to door in the halls just to earn your support on something else or explain why the bill is written the way it is. And just building the genuine relationships that Representative Richardson alluded to. That stuff matters. The stuff off the floor where we can get to know one another, go outside our comfort zone and build those relationships. That makes all the difference and builds the trust we need to really take the lead and do the big things. And I guess to echo similar to Representative Richardson and a few others, I challenge this Body to do whatever it can whenever they can to make sure this institution rises above the cynical politics that we often see arriving at our doorstep each and every day. It seems like we are constantly drilled to go to the far right or far left, and we forget about, you know, it doesn't have to be about power politics all the time. We can get stuff done when we stay here and get to know each other and really commit ourselves to making a difference in the State and lift as many people up as we possibly can. When we do that, when we authentically work together, we can make a big, big difference, whether it is on transportation, or health care, or our economy as a whole.

"So from the bottom of my heart, it has been an absolute joy working with you. I hope I can count on you to call me if you come to Eastern North Carolina for the right kind of barbecue and spend some time in the eastern part of our State. And know, like I said, it has been the honor of my life to be here. And I thank you so much for being incredible colleagues. Let's continue to move North Carolina forward. Thank you."

#### **REMARKS BY REPRESENTATIVE BOLES**

"Thank you, Mr. Speaker. First of all, I would like to thank God for the privilege of serving in this institution and representing the people of Moore County. I would also like to thank my family. When I started, I had a junior in high school and now I have five grandchildren. Time does go by quickly! I would also like to thank my Boles Funeral Home staff because without them, I would not have been able to stay here and serve the community in both the House and in our profession of funeral service. As a funeral director, it is always not good to go after a lawyer to speak, but Representative Billy Richardson, thank you for your words.

December 13, 2022

"My first experience in this institution and in this building was when I was in the fifth grade, and we came up to take a tour of the Legislative Building. I can remember walking up the red carpet and then when I got here in 2008, I was told that I couldn't touch the red carpet! So, times have changed. I knew when I was here in fifth grade that this was a goal that I wanted to achieve, and I did. It just so happened that in our community was Mr. H. Clifton Blue, who was the first Speaker in this Chamber in 1963 when they came over into this new building. I would like to also state that his granddaughter is my LA, Alison Johnson, and thank you for your service.

"Like so many of you have already stated, it's the people here that have made this institution: the friends that you make, not only while here, but for a lifetime. I don't know how many of you were here, but I've seen a rabbit on the floor here one night. Do you all remember that - when the Sergeant-at-Arms had to tackle a guy dressed in a rabbit suit because he was protesting? I also remember discussing the monkey issue at 2:00 in the morning on this same floor. So, we have great memories!

"I also want to thank the staff, as has already been mentioned. There is so much staff around here to assist us. But I particularly want to thank, because it's been my passion and my heart, the Justice and Public Safety staff that we have here and the Department of Public Safety. Remember, under the Constitution, that it is your responsibility to protect the citizens of North Carolina. That is the first thing the Constitution states, and it should be your priority. I would also like to thank the Speaker for letting me be a part of Samarand and developing the first statewide training facility that we have for law enforcement, which is still developing. I hope that you will still see the priority and keep the emphasis on training our law enforcement officers and give them every tool they need to protect the citizens of North Carolina which, under the Constitution, you are to provide.

"I'd also like to thank you all for votes because I am just one of 120. Like most of you all talked about the projects back in your districts, I do welcome you all when we host the U.S. Open and the USGA in Moore County, which will not only benefit North Carolina, but it will put North Carolina on the world stage spotlight, which we will have now.

"I've enjoyed the last years with Representative Pat Hurley and Representative Allen McNeill, as we kept tabs on all the alcohol bills. It seemed like we were always playing whack-a-mole with these alcohol bills! But we got the alcohol ice cream out of the aisles of the stores so the kids can't pick them up, so we've done a great job with the ABC.

December 13, 2022

"With that, I'd just like to say thank you. It's been an honor and it's been a privilege! And to the Rules Chair next year, find George a good seatmate who can hear and who doesn't have a problem with getting punched in the shoulder and him saying, 'What did he say? What did he say?' But, it has been an honor to serve with George. I've had a doctor, a Master Gunnery Sergeant, Linda Johnson, and a car dealer as seatmates, and it has just been an honor. Thank you all. If you are ever in Pinehurst, you know where I'm at! Give me a call and you know I'll take care of you. Thank you!"

It will be noted that a number of bills and resolutions passed second reading and then were read a third time on the same day.

Rule 41(b) states:

No bill shall be read more than once on the same day without the concurrence of two-thirds (2/3) of the members present and voting.

In order to comply with this Rule, no bill which has passed its second reading is read a third time except:

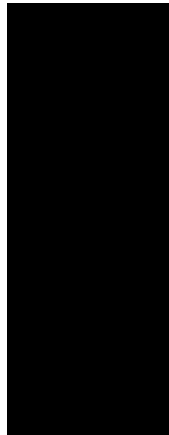

- (1) When a member moves that the Rule be suspended, and this motion carries by at least a two-thirds vote of the members present.
- (2) When the Chair determines that there is no objection from any member present. This constitutes unanimous consent of those members present that Rule 41(b) be suspended.

**H.R. 981**, A HOUSE RESOLUTION EXPRESSING SUPPORT FOR UKRAINE AS ITS PEOPLE FIGHT FOR FREEDOM AND URGING THE UNITED STATES CONGRESS TO INCREASE DOMESTIC ENERGY PRODUCTION.

Whereas, on February 24, 2022, Russian President Vladimir Putin authorized an unprovoked attack in Ukraine. Shortly thereafter, Russian forces began missile and artillery strikes on some of Ukraine's major cities, including its capital Kyiv; and

Whereas, Russia's attack on Ukraine has resulted in the unnecessary loss of life, the displacement and flight of countless Ukrainian citizens, and the destruction of property and infrastructure; and

Whereas, the State of North Carolina stands with the people of Ukraine as they fight to defend their country from Russia's invasion; and

Whereas, the State of North Carolina urges the United States government to continue taking steps to punish the Russian government for its actions and to offer humanitarian relief to the Ukrainian people; and

Whereas, the State of North Carolina also urges the United States government to decrease the country's dependence on foreign oil by increasing our domestic production; and

Whereas, North Carolina taxpayers and public employees who teach, protect, and otherwise serve should be granted additional recourse to hold the Russian Federation, its corrupt leadership, and its state-owned corporations accountable in U.S. Courts for economic damage done to the United States; and

Whereas, as American troops deploy to European countries to support allied efforts to aid Ukraine, the State of North Carolina expresses its continued support for all members of the military stationed at bases in the State; Now, therefore,

Be it resolved by the House of Representatives:

**SECTION 1.** The North Carolina House of Representatives stands in solidarity with the people of Ukraine as they fight for their freedom.

**SECTION 2.** The North Carolina House of Representatives urges the United States government to hold the Russian government accountable for its actions, provide humanitarian aid to the Ukrainian people, and take steps to reduce the United States' dependence on foreign oil by increasing domestic energy production.

**SECTION 3.** The North Carolina House of Representatives urges the United States Congress to amend the Foreign Sovereign Immunities Act (FSIA) of 1976, codified in Title 28, §§ 1330, 1332, 1391(f), 1441(d), and 1602 through 1611 of the United States Code, to the ends of providing more effective recourse for state pension funds and other institutional investors to hold corrupt regimes and foreign state-owned corporations accountable in U.S. Courts for their actions.

**SECTION 4.** The Principal Clerk shall transmit a copy of this resolution to each member of North Carolina's Congressional Delegation, the Speaker of the United States House of Representatives, the Majority Leader of the United States Senate, and the President of the United States.

**SECTION 5.** This resolution is effective upon adoption.

---

**H.R. 1171, A HOUSE RESOLUTION OBSERVING JUNE 14 AS FLAG DAY.**

Whereas, on June 14, 1777, Congress adopted a flag for the United States; and

Whereas, the United States flag has served as a symbol of pride for all Americans for 245 years and as a uniting force for the country during times of conflict; and

Whereas, on August 3, 1949, Congress enacted legislation approving the national observance of Flag Day on June 14 of each year; and

Whereas, observing Flag Day is a way for the citizens of this State to show their respect for and devotion to our Nation's flag; Now, therefore, Be it resolved by the House of Representatives:

**SECTION 1.** The House of Representatives joins the Nation in observing June 14, 2022, as Flag Day.

**SECTION 2.** This resolution is effective upon adoption.

---

**H.R. 1174, A HOUSE RESOLUTION URGING CONGRESS TO OPPOSE THE SECURITIES AND EXCHANGE COMMISSION'S PROPOSED RULE ON "THE ENHANCEMENT AND STANDARDIZATION OF CLIMATE-RELATED DISCLOSURES FOR INVESTORS" AS IT RELATES TO AGRICULTURE.**

Whereas, the Securities and Exchange Commission (SEC) has proposed a rule on "The Enhancement and Standardization of Climate-related Disclosures for Investors," which includes a requirement that public companies disclose their Scope 3 greenhouse gas emissions. This requirement would become de facto regulation of all farms by the SEC and would require farms of all sizes to disclose a significant amount of information on climate-related items that they very well may be currently unable to quantify; and

Whereas, this rule would impact the State's agriculture industry significantly; and

Whereas, agriculture contributes 92.9 billion dollars to our State's economy annually, making it the State's number one industry; and

Whereas, farmgate sales provide nearly a tenth of this total, with robust manufacturing, wholesale, and retail operations accounting for the remainder; and

Whereas, in North Carolina, 98% of farms are family owned and operated. Additionally, of the 46,000 farms in our State, nearly 80% have revenues of \$50,000 or less. These farms are not corporations with sophisticated compliance departments with dedicated staffing resources like you would find in a publicly traded company, nor should they be treated as such. Imposing additional reporting requirements around climate-related metrics would distract farms of all sizes from their focus on producing food, fiber, and fuel; and

Whereas, given the challenges currently facing the farm economy from inflation and increased expenses, this additional regulatory burden could cause family farms to cease operations; and

Whereas, with the strong potential for food shortages in the near future, now is not the time for the SEC to reach beyond its purview and take action that could further stress our nation's food insecurity for the most vulnerable members of our society; and

Whereas, the House of Representatives urges Congress to take action in opposing the SEC's new rule; Now, therefore,  
Be it resolved by the House of Representatives:

**SECTION 1.** The House of Representatives urges Congress to oppose the Securities and Exchange Commission's proposed rule that would require public companies to disclose their Scope 3 greenhouse gas emissions as this requirement would impact, and potentially harm, the State's agriculture industry.

**SECTION 2.** The Principal Clerk shall transmit a copy of this resolution to the Securities and Exchange Commission.

**SECTION 3.** This resolution is effective upon adoption.

**H.R. 1176, A HOUSE RESOLUTION ELECTING DR. M. LEE BARNES, JR., TO THE BOARD OF GOVERNORS OF THE UNIVERSITY OF NORTH CAROLINA.**

Whereas, N. Leo Daughtry of Johnston County was elected by the House of Representatives in 2021 to serve as a member of the Board of Governors of The University of North Carolina for a term of four years; and

Whereas, N. Leo Daughtry has resigned from the Board of Governors of The University of North Carolina effective June 30, 2022; and

Whereas, G.S. 116-7(c) directs the chamber that originally elected a vacating member of the Board of Governors of The University of North Carolina to elect a person to fill the vacancy; and

Whereas, the House of Representatives may determine its own procedure; Now, therefore,

Be it resolved by the House of Representatives:

**SECTION 1.** The following person is elected to the Board of Governors of The University of North Carolina for a term commencing July 1, 2022, and ending June 30, 2025:

- (1) Dr. M. Lee Barnes, Jr., of Durham County.

**SECTION 2.** This resolution is effective upon adoption.

**H.R. 1177, A HOUSE RESOLUTION ELECTING DR. GRANT L. CAMPBELL TO FILL A VACANCY ON THE STATE BOARD OF COMMUNITY COLLEGES.**

Whereas, G.S. 115D-2.2(d) requires that vacancies on the State Board of Community Colleges be filled by the chamber originally electing the vacating member in the manner prescribed by G.S. 115D-2.2(c) for the remainder of the unexpired term; and

Whereas, Dr. M. Lee Barnes, Jr., who was elected to serve on the State Board of Community Colleges by the House of Representatives for a term expiring June 30, 2027, is resigning from the State Board; and

Whereas, the House of Representatives may determine its own procedure; Now, therefore,  
Be it resolved by the House of Representatives:

**SECTION 1.** Dr. Grant L. Campbell, of Cabarrus County, is elected to serve as a member on the State Board of Community Colleges for a term expiring June 30, 2027.

**SECTION 2.** This resolution is effective upon adoption.

## **INDEX GUIDE**

The North Carolina General Statutes titles form the basis for these indices. Following each bill title, the last action or the present status of said bill is indicated. For example, a ratified bill will be followed by its chapter number in the Session Laws.

All bills dealing with funds are indexed under Appropriations. Local legislation is placed under the county it affects.

A list of bills and resolutions introduced by each Representative is found under the Member's name with an asterisk (\*) noting that person as the primary sponsor.
