

Accessing Digital Historical Newspapers from Digital NC (No State Library Card Required)

Digital North Carolina offers access to historical newspapers from across the entire state. The papers are presented in their original print layout.

1) To get to the State Library digital newspapers using the NCGA website, click on Divisions and click on Legislative Publications.

2) Click on Digital NC Newspapers. When the page opens, click on NC Newspapers – Digital NC (Historical Newspapers)

3) North Carolina Newspaper allows you to search for historical newspapers. Different search boxes appear to help guide your search.

- With any of the words – return the article with any occurrence of the terms you type in.

- With all the words – returns the articles that have all your search terms in one article, even if not located next to one another

- With phrase – looks for articles with the phrase exactly like it is typed in.

- With the words ____ within ____ words of each other – looks for the search terms you entered within a certain amount of words between the terms

- Published in – you may select the county the paper was published in

- From the year | to the year – You may specify the time frame for which to search.

- Under the title – you may search within a particular newspaper
