Subject: Session Law 2010-148 State Agencies Reporting

Session Law 2010-148, Section 1.2 requires:

*"The Department of Transportation ("DOT"), The University of North Carolina and its constituent institutions ("UNC"), and the Department of Administration ("DOA") shall monitor all projects in those agencies and institutions that are let without a performance or payment bond to determine the number of defaults on those projects, the cost to complete each defaulted project, and each project's contract price. Beginning March 1, 2011, and annually thereafter, DOT, UNC, and DOA shall report this information to the Joint Legislative Committee on Governmental Operations."*

As with 2011, 2012, 2013 and 2014, this year has seen no defaults on any project for State Agencies for any project under \$500,000 that was let without a performance and payment bond.

Sincerely,
