Re: Report of potential capital projects pursuant to Section 120-157.2 of the North Carolina General Statutes

Ladies and Gentlemen:

Pursuant to Section 120-157.2(a) of the North Carolina General Statutes, as amended, the Piedmont Triad Regional Water Authority (the "Authority") hereby provides notice of proposed capital projects consisting of the acquisition, construction, reconstruction, improvement, enlargement and betterment of a 26.7 MGD water treatment plant and facilities related thereto (the "Project").

The Authority anticipates that the North Carolina Local Government Commission will consider approval of the financing at its meeting scheduled for October 1, 2024 and that the total cost of the project will not exceed approximately \$130,000,000.

If you have any questions or require additional information, please do not hesitate to contact me.

Sincerely,

Greg Flory, P.E.
