REPORTING REQUIREMENTS

INCREASE AMOUNT FOR DEVELOPMENTAL DAY CENTERS/CARRY FORWARD GRANT RESERVE/REPORT

SECTION 7.54.(e) Regardless of whether the Department awards any grants pursuant to subsection (c) of this section, the Department shall report by **October 15** of each year funds are received for Developmental Day Centers to the Joint Legislative Education Oversight Committee on at least the following related to Developmental Day Centers:

(1) The number of students enrolled in Developmental Day Centers.

As of August 26, 2024, **1,124 students*** were enrolled in Developmental Day Centers (DDC).

**Please note that enrollment in DDCs was collected via survey as these data are not collected in ECATS at this level of detail. Only 33 of 157 facilities responded. Data is current as of the first day of the 2024-2025 school year.*

For context, the chart below documents the number of students receiving services in DDCs for which applications were approved in the last five years. These data should be reviewed with caution as they represent funded applications for eligible students served in DDCs but may not represent the total enrollment in DDCs.

School Year	Approved Students	Total Funds Allotted
2019-2020	2247	\$18,472,596.00
2020-2021	2121	\$16,806,629.00
2021-2022	2016	\$12,010,535.00
2022-2023	2146	\$19,237,110.00
2023-2024	3225	\$27,753,350.00 ¹

¹Between July 1, 2023, and January 1, 2024

Approved Students = 2732

DDC State Funds Allocated = \$23,745,150.00

Between January 2, 2024, and June 30, 2024

Approved Students = 493

Special State Reserve Funds Allocated = \$4,008,200.00

(2) The average funding rate for each eligible student enrolled in a Center.

Between July 1, 2023, and June 30, 2024, the NCDPI Office of Exceptional Children (OEC) approved **2,317 applications** on behalf of **3,225 students enrolled in DDCs**. The OEC applied the increased funding rate of \$1,350 per month to approved applications that ranged from 1-10 months of service per eligible student.

The total average funding rate for all approved eligible students per month, regardless of the number of months served = \$1,216

(3) The percentage of eligible students enrolled in Centers that warranted dispersal of the maximum funding amount per month.

These data are not available. The total student enrollment in DDCs may not equal the total number of funded applications for eligible students.

All approved applications for eligible students received the maximum funding amount per month (\$1,350) per student.

(4) The number of staffing vacancies in Centers, disaggregated by each Center.

**Please note that staffing vacancies in DDCs were collected via survey as of the first day of the 2024-2025 school year. Only 33 of 157 facilities responded.*
