2024 Annual Report

This annual report may look a little different from previous reports, because GCC is transitioning to a new grant management system. This report had to pull from both the old and the new grant management systems. It includes every project awarded by the Governor's Crime Commission with a period of performance start date between October 1, 2023 through September 30, 2024 as pulled from the new system on October 30, 2024.

Parts 1-3. Grants, Recipients, Amount, Purpose, and Terms

The following pages provide a listing of grants, recipients, amount, purpose, and terms.

Part 4. Freeze on Federal Funds

There were no frozen funds due to compliance issues.

Part 5. Penalties Assessed

There were no penalties assessed since last year's report.

The PSN model has four "key design elements": (1) community engagement, (2) prevention and intervention, (3) focused and strategic enforcement and reentry, and (4) accountability among all partner agencies. The ENC Street Keepers is a Community Violence Interruption Program that applies community-based solutions to reducing violence including gun violence by using a public health approach that operates within the community and is complementary to law enforcement while creating a more peaceful interaction between the two. This is a pilot program that will utilize credible messengers to interrupt violence and defuse immediate tensions in effort to help build long-term
